

1
00:00:04,249 --> 00:00:02,330
is that most people

2
00:00:06,410 --> 00:00:04,259
will have some incredible

3
00:00:08,690 --> 00:00:06,420
encounter like this whether it's

4
00:00:10,190 --> 00:00:08,700
a military encounter or a personal

5
00:00:11,209 --> 00:00:10,200
encounter with what appears to be a

6
00:00:12,589 --> 00:00:11,219
being

7
00:00:13,730 --> 00:00:12,599
and then what happens they don't talk

8
00:00:15,049 --> 00:00:13,740
about it

9
00:00:17,090 --> 00:00:15,059
like ever

10
00:00:19,130 --> 00:00:17,100
or hardly ever they don't even tell

11
00:00:22,070 --> 00:00:19,140
family members who do you really tell

12
00:00:23,929 --> 00:00:22,080
when you have some incredible experience

13
00:00:26,090 --> 00:00:23,939

like this

14

00:00:27,650 --> 00:00:26,100

um often they tell no one and I find

15

00:00:30,349 --> 00:00:27,660

that actually disturbing I mean this is

16

00:00:33,049 --> 00:00:30,359

sometimes the most amazing dramatic and

17

00:00:34,130 --> 00:00:33,059

sometimes traumatic event in someone's

18

00:00:38,030 --> 00:00:34,140

life

19

00:00:39,590 --> 00:00:38,040

and and yet because of social norms or

20

00:00:42,709 --> 00:00:39,600

and social pressures

21

00:00:44,510 --> 00:00:42,719

uh they don't feel like they can talk

22

00:00:46,310 --> 00:00:44,520

about this openly and to me that's

23

00:00:47,930 --> 00:00:46,320

that's a sign of a problem

24

00:00:49,130 --> 00:00:47,940

in our society

25

00:00:50,569 --> 00:00:49,140

it seems to me that when there's

26

00:00:51,470 --> 00:00:50,579

something important that's going on we

27

00:00:54,950 --> 00:00:51,480

should be

28

00:00:57,590 --> 00:00:54,960

able to talk about it publicly

29

00:00:59,510 --> 00:00:57,600

but I think the reason that there's this
