

1
00:00:05,749 --> 00:00:03,350
again my brother and I were experiencing

2
00:00:07,690 --> 00:00:05,759
this uh

3
00:00:11,330 --> 00:00:07,700
this Vibe

4
00:00:12,350 --> 00:00:11,340
this mild electrical type of current

5
00:00:15,410 --> 00:00:12,360
um

6
00:00:19,370 --> 00:00:15,420
a magnetic elf is what I believe it was

7
00:00:21,769 --> 00:00:19,380
and we start to feel uh your mind starts

8
00:00:24,170 --> 00:00:21,779
to feel differently you start to uh

9
00:00:26,090 --> 00:00:24,180
become Placid and then then all of a

10
00:00:27,830 --> 00:00:26,100
sudden it's something's funny and then

11
00:00:30,790 --> 00:00:27,840
uh

12
00:00:32,990 --> 00:00:30,800
your mind starts playing emotional

13
00:00:35,389 --> 00:00:33,000

unbalanced tricks on you

14

00:00:38,389 --> 00:00:35,399

and um

15

00:00:40,069 --> 00:00:38,399

it was just very strange and and then of

16

00:00:42,530 --> 00:00:40,079

course that

17

00:00:43,430 --> 00:00:42,540

that lighter feeling that you find with

18

00:00:47,209 --> 00:00:43,440

um

19

00:00:52,010 --> 00:00:49,810

and then that increased

20

00:00:53,510 --> 00:00:52,020

feeling that you'd get from like a full

21

00:00:56,510 --> 00:00:53,520

moon

22

00:00:57,830 --> 00:00:56,520

if that makes sense so you have this
