

1
00:00:06,410 --> 00:00:02,990
50s and early 60s there was kind of a

2
00:00:10,009 --> 00:00:06,420
lull in MIB reports but it all kind of

3
00:00:11,990 --> 00:00:10,019
took up uh took off again in 1966 when

4
00:00:14,330 --> 00:00:12,000
there was a wave of sightings of a cell

5
00:00:16,609 --> 00:00:14,340
called Mothman in Point Pleasant West

6
00:00:20,710 --> 00:00:16,619
Virginia now the Mothman was this sort

7
00:00:24,170 --> 00:00:20,720
of gargoyle type flying humanoid with

8
00:00:25,490 --> 00:00:24,180
glowing red eyes that tormented the

9
00:00:28,550 --> 00:00:25,500
people of Point Pleasant West Virginia

10
00:00:30,710 --> 00:00:28,560
and it all culminated with the collapse

11
00:00:34,850 --> 00:00:30,720
of the town's silver Bridges it was

12
00:00:37,430 --> 00:00:34,860
called and um 34 people drowned as a

13
00:00:39,229 --> 00:00:37,440

result of the collapse of the bridge in

14

00:00:41,990 --> 00:00:39,239

Point Pleasant and a lot of researchers

15

00:00:44,569 --> 00:00:42,000

today see the Mothman as being sort of

16

00:00:47,930 --> 00:00:44,579

almost like a grim reaper type creature
