

1
00:00:05,749 --> 00:00:03,050
where you look like a gray and he said

2
00:00:09,110 --> 00:00:05,759
oh that's just a container that I wear

3
00:00:12,650 --> 00:00:09,120
a lot of us are what you would call

4
00:00:14,810 --> 00:00:12,660
etheric beings we don't have a form a

5
00:00:17,510 --> 00:00:14,820
body solid body but when we come into

6
00:00:19,310 --> 00:00:17,520
your world which is a world of density

7
00:00:21,830 --> 00:00:19,320
three-dimensional fourth dimensional we

8
00:00:24,470 --> 00:00:21,840
have to have a body in order to do our

9
00:00:26,210 --> 00:00:24,480
work so we put on this container

10
00:00:28,250 --> 00:00:26,220
it's highly functional

11
00:00:30,349 --> 00:00:28,260
and I said oh and he said that's why you

12
00:00:31,429 --> 00:00:30,359
see so many of the Grays and they'll be

13
00:00:33,650 --> 00:00:31,439

different colors there'll be slight

14

00:00:36,049 --> 00:00:33,660

differences in variations because most

15

00:00:38,690 --> 00:00:36,059

of us will wear we choose that container

16

00:00:40,549 --> 00:00:38,700

because it's it's functional but he said

17

00:00:41,690 --> 00:00:40,559

but many of us who visit your planet or

18

00:00:44,690 --> 00:00:41,700

not

19

00:00:45,410 --> 00:00:44,700

form creatures where we've moved beyond

20

00:00:47,450 --> 00:00:45,420

that

21

00:00:50,150 --> 00:00:47,460

and I said well then

22

00:00:51,950 --> 00:00:50,160

who are you where are you from you know

23

00:00:54,770 --> 00:00:51,960

what describes who you are they want to

24

00:00:57,229 --> 00:00:54,780

know and he took a second and then he

25

00:00:59,330 --> 00:00:57,239

said I am a voyager of the universe
