

1
00:00:07,309 --> 00:00:04,070
and I heard a proof like that and it was

2
00:00:09,589 --> 00:00:07,319
another injection and later on I found

3
00:00:12,830 --> 00:00:09,599
out when we went to the hospital that

4
00:00:15,829 --> 00:00:12,840
it's kind of like a air needle that uh

5
00:00:18,050 --> 00:00:15,839
or that's what they figured it was at

6
00:00:20,590 --> 00:00:18,060
but they inject it like to do the

7
00:00:25,269 --> 00:00:20,600
military you know by The Gallows when

8
00:00:29,029 --> 00:00:25,279
they inject something into you so uh

9
00:00:31,550 --> 00:00:29,039
it automatically relaxed me when he did

10
00:00:33,650 --> 00:00:31,560
this again where she made another little

11
00:00:36,049 --> 00:00:33,660
noise and she turned around and left I

12
00:00:37,190 --> 00:00:36,059
guess she was through with me so when

13
00:00:40,310 --> 00:00:37,200

she left

14

00:00:42,830 --> 00:00:40,320

this big ugly creature grabbed me put me

15

00:00:45,470 --> 00:00:42,840

back out on the uh River exactly where

16

00:00:48,410 --> 00:00:45,480

he picked me up and my arms were

17

00:00:51,229 --> 00:00:48,420

stretched out facing the river

18

00:00:53,990 --> 00:00:51,239

and that's when I I heard the guy that

19

00:00:56,869 --> 00:00:54,000

was with me Charles Hixson he said son
