

1
00:00:05,329 --> 00:00:03,050
you mentally willed myself through this

2
00:00:08,330 --> 00:00:05,339
vision of of I want to want to call it

3
00:00:09,410 --> 00:00:08,340
like a sheet like it was I it was that's

4
00:00:10,790 --> 00:00:09,420
the only way I can say it but it wasn't

5
00:00:13,370 --> 00:00:10,800
a sheet because it was everywhere and it

6
00:00:15,049 --> 00:00:13,380
was but anyway so I I get to it and I

7
00:00:17,150 --> 00:00:15,059
poke myself through and then there was

8
00:00:23,090 --> 00:00:17,160
this

9
00:00:24,470 --> 00:00:23,100
things spinning all around it and and I

10
00:00:26,630 --> 00:00:24,480
just sort of knew

11
00:00:30,710 --> 00:00:26,640
man I wish I wish you would have done

12
00:00:32,450 --> 00:00:30,720
this interview when we were 28. uh so I

13
00:00:34,610 --> 00:00:32,460

remember no I tried you guys don't

14

00:00:36,889 --> 00:00:34,620

remember but I tried okay you guys took

15

00:00:38,990 --> 00:00:36,899

a nap maybe maybe we had to have more

16

00:00:41,090 --> 00:00:39,000

experiences be older be more mature to

17

00:00:43,729 --> 00:00:41,100

be able to talk about it publicly and I

18

00:00:45,350 --> 00:00:43,739

just remember knowing knowing I knew

19

00:00:47,450 --> 00:00:45,360

what this was I knew it was important

20

00:00:50,029 --> 00:00:47,460

and I don't want to say that it was like

21

00:00:51,770 --> 00:00:50,039

Cosmic Consciousness or it was it

22

00:00:54,350 --> 00:00:51,780

definitely wasn't God I knew it wasn't

23

00:00:56,810 --> 00:00:54,360

God but I knew it was very intelligent

24

00:00:59,029 --> 00:00:56,820

and I could ask it anything or I could
