1. PER THE REQUEST IN REFERENCE TO [REDACTED] ANALYTICAL GUIDANCE ON THE UFO [REDACTED]

2. WE CONTACTED THE A/DDS&T (DR [REDACTED]) WHO KNEW OF ANY OFFICIAL UFO PROGRAM AND ALSO TO [REDACTED] SOME OF THE QUESTIONS POSED BY [REDACTED] IN [REDACTED] EXAMINER [REDACTED] TO SEE IF [REDACTED] ATTEMPT TO ANSWER [REDACTED] DR [REDACTED] EXHIBITED [REDACTED] CARRIED TO HIS OFFICE. [REDACTED] ADVISED US THAT HE WOULD [REDACTED] AS WE [REDACTED] US AND RELAT [REDACTED]

3. IT WOULD APPEAR TO BE BEST IF [REDACTED] SHOULD [REDACTED]

1  
00:00:09,110 --> 00:00:06,590  
hey everyone welcome to UFO Hub

2  
00:00:10,610 --> 00:00:09,120  
broadcast before I begin I basically

3  
00:00:13,970 --> 00:00:10,620  
would just would like to mention that

4  
00:00:16,430 --> 00:00:13,980  
this video uh in podcast and of course

5  
00:00:18,830 --> 00:00:16,440  
here is going to be time stamped so

6  
00:00:20,689 --> 00:00:18,840  
please use the timestamps to get to the

7  
00:00:23,330 --> 00:00:20,699  
subject that you would like to hear so

8  
00:00:26,029 --> 00:00:23,340  
this way I'm not wasting your time and I

9  
00:00:27,710 --> 00:00:26,039  
don't have to read some angry comments

10  
00:00:30,769 --> 00:00:27,720  
about me talking too much or not getting

11  
00:00:32,810 --> 00:00:30,779  
to the point so anyway this video

12  
00:00:35,389 --> 00:00:32,820  
um I'm kind of obviously going to be

13  
00:00:38,150 --> 00:00:35,399

editing it later not exactly sure how

14

00:00:40,430 --> 00:00:38,160

long and what I will cover in which

15

00:00:43,369 --> 00:00:40,440

order but um

16

00:00:45,950 --> 00:00:43,379

basically just want to cover about where

17

00:00:47,990 --> 00:00:45,960

I've been why I haven't been on for a

18

00:00:49,869 --> 00:00:48,000

while uh the things that I've been doing

19

00:00:53,389 --> 00:00:49,879

while I was gone and then of course

20

00:00:55,310 --> 00:00:53,399

cover some other UFO and alien related

21

00:00:57,310 --> 00:00:55,320

subjects so

22

00:01:00,670 --> 00:00:57,320

I guess let's start with the first one

23

00:01:03,770 --> 00:01:00,680

YouTube about a couple of months ago had

24

00:01:07,250 --> 00:01:03,780

given me two strikes one both of them

25

00:01:09,410 --> 00:01:07,260

are Community strikes and one was just

26

00:01:11,750 --> 00:01:09,420

kind of a warning

27

00:01:14,210 --> 00:01:11,760

um or you know saying oh you might not

28

00:01:15,890 --> 00:01:14,220

have known that I had whatever some

29

00:01:18,410 --> 00:01:15,900

material that goes against the community

30

00:01:19,910 --> 00:01:18,420

guidelines and the other one was

31

00:01:22,850 --> 00:01:19,920

basically

32

00:01:25,730 --> 00:01:22,860

um saying okay well this is the second

33

00:01:28,730 --> 00:01:25,740

time we had to tell you so it's still a

34

00:01:30,590 --> 00:01:28,740

verbal or just a written note that's

35

00:01:32,570 --> 00:01:30,600

saying hey you have a community strike

36

00:01:34,850 --> 00:01:32,580

after this one they're going to I guess

37

00:01:36,469 --> 00:01:34,860

suspend the account for seven days and

38

00:01:38,090 --> 00:01:36,479

then after that you know get second

39

00:01:40,249 --> 00:01:38,100

third and then they close the account

40

00:01:43,730 --> 00:01:40,259

down but anyway

41

00:01:47,450 --> 00:01:43,740

um both of them were one was with Sherry

42

00:01:50,749 --> 00:01:47,460

Wilde and the other one was with Mary

43

00:01:52,730 --> 00:01:50,759

Rodwell both of these have done a while

44

00:01:55,969 --> 00:01:52,740

back but I don't know if it's their

45

00:01:59,149 --> 00:01:55,979

algorithm or if they just come commonly

46

00:02:01,310 --> 00:01:59,159

to doing all their checks it's all I

47

00:02:04,130 --> 00:02:01,320

guess really relating to the

48

00:02:06,469 --> 00:02:04,140

uh I guess let's just call it the fauci

49

00:02:09,650 --> 00:02:06,479

auchi and so they don't like those kind

50

00:02:12,290 --> 00:02:09,660

of subjects on on YouTube if it doesn't

51  
00:02:14,750 --> 00:02:12,300  
go with the main narrative so

52  
00:02:16,670 --> 00:02:14,760  
um what I basically did part of my time

53  
00:02:23,510 --> 00:02:16,680  
not being

54  
00:02:26,089 --> 00:02:23,520  
me shift this over for you I

55  
00:02:30,530 --> 00:02:26,099  
spent all my time basically transferring

56  
00:02:32,930 --> 00:02:30,540  
my entire Library over to rumble so that

57  
00:02:34,910 --> 00:02:32,940  
this way uh in case the the YouTube

58  
00:02:37,369 --> 00:02:34,920  
channel goes goes down for whatever

59  
00:02:41,270 --> 00:02:37,379  
reason whether I'm suspended temporarily

60  
00:02:43,729 --> 00:02:41,280  
or permanently I have the entire Library

61  
00:02:46,190 --> 00:02:43,739  
available here

62  
00:02:48,110 --> 00:02:46,200  
so you can go back and re-watch

63  
00:02:50,270 --> 00:02:48,120

everything or whatever it is that you

64

00:02:52,070 --> 00:02:50,280

that you would like to see again

65

00:02:53,570 --> 00:02:52,080

I'm

66

00:02:55,970 --> 00:02:53,580

I also

67

00:03:00,229 --> 00:02:55,980

I'm using twitch I mentioned that before

68

00:03:02,270 --> 00:03:00,239

as streaming so what I whenever I do

69

00:03:04,670 --> 00:03:02,280

stream it would be YouTube and twitch at

70

00:03:06,410 --> 00:03:04,680

the same time if YouTube is down of

71

00:03:08,150 --> 00:03:06,420

course you'll only be being live

72

00:03:09,770 --> 00:03:08,160

streamed on Twitch so this way I can

73

00:03:12,949 --> 00:03:09,780

still have that interaction with you all

74

00:03:14,630 --> 00:03:12,959

and reading your comments and and if

75

00:03:17,210 --> 00:03:14,640

there's a Live guest you can still ask

76

00:03:19,729 --> 00:03:17,220

questions but it will not be on YouTube

77

00:03:21,649 --> 00:03:19,739

unfortunately so I really encourage you

78

00:03:24,530 --> 00:03:21,659

and I know YouTube is very convenient

79

00:03:27,770 --> 00:03:24,540

for everybody most people love YouTube

80

00:03:29,930 --> 00:03:27,780

um but they're really kind of you know

81

00:03:32,630 --> 00:03:29,940

turn into little communist Pricks you

82

00:03:34,729 --> 00:03:32,640

know at this point and so I would just

83

00:03:36,530 --> 00:03:34,739

suggest if you would like to still

84

00:03:39,110 --> 00:03:36,540

follow his Channel or you've just now

85

00:03:40,970 --> 00:03:39,120

found out about this channel uh the best

86

00:03:43,550 --> 00:03:40,980

way to basically still keep up with

87

00:03:47,149 --> 00:03:43,560

what's going on when I am broadcasting

88

00:03:49,190 --> 00:03:47,159

and streaming it would be uh Rumble for

89

00:03:51,649 --> 00:03:49,200

videos that are going to be

90

00:03:54,410 --> 00:03:51,659

um on there for a lot longer for however

91

00:03:56,270 --> 00:03:54,420

long possible unless Rumble kind of

92

00:03:58,369 --> 00:03:56,280

changes their rules and then they start

93

00:04:01,610 --> 00:03:58,379

giving me trouble but they would be

94

00:04:03,949 --> 00:04:01,620

online basically forever and twitch

95

00:04:05,509 --> 00:04:03,959

would be for more of that live streaming

96

00:04:06,050 --> 00:04:05,519

interaction

97

00:04:10,429 --> 00:04:06,060

um

98

00:04:12,410 --> 00:04:10,439

also what I do have is a telegram and I

99

00:04:13,970 --> 00:04:12,420

know this is right down here is where I

100

00:04:16,550 --> 00:04:13,980

wrote the last message to all of you

101  
00:04:18,229 --> 00:04:16,560  
about I'm getting over a cold and as

102  
00:04:21,409 --> 00:04:18,239  
soon as I'm done I will be able to do

103  
00:04:23,270 --> 00:04:21,419  
these do these shows again and although

104  
00:04:25,129 --> 00:04:23,280  
I don't post very much on there because

105  
00:04:27,770 --> 00:04:25,139  
for one I don't want to annoy you with a

106  
00:04:29,150 --> 00:04:27,780  
lot of things if there's some things I

107  
00:04:31,810 --> 00:04:29,160  
find interesting and I have the time

108  
00:04:34,450 --> 00:04:31,820  
I'll post it but this is mainly to

109  
00:04:37,189 --> 00:04:34,460  
basically stay in touch with the channel

110  
00:04:39,170 --> 00:04:37,199  
and I can't promise you that every time

111  
00:04:41,270 --> 00:04:39,180  
that I'll answer but I promise that

112  
00:04:42,950 --> 00:04:41,280  
every time I will see a message that you

113  
00:04:45,590 --> 00:04:42,960

post on here because it's directly

114

00:04:47,749 --> 00:04:45,600

connected to my phone so anytime

115

00:04:50,270 --> 00:04:47,759

anyone writes something in some of the

116

00:04:52,370 --> 00:04:50,280

comments or response to something I've

117

00:04:55,430 --> 00:04:52,380

posted I will always see it but that's

118

00:04:58,129 --> 00:04:55,440

also part to just stay in touch in case

119

00:05:01,129 --> 00:04:58,139

something else happens so basically a

120

00:05:03,770 --> 00:05:01,139

telegram Rumble and twitch are my

121

00:05:06,530 --> 00:05:03,780

alternative to if and when YouTube

122

00:05:08,270 --> 00:05:06,540

finally I guess just gets rid of of this

123

00:05:11,090 --> 00:05:08,280

channel because I don't some people

124

00:05:12,469 --> 00:05:11,100

would have done is they would redo their

125

00:05:14,270 --> 00:05:12,479

Channel and they open up a separate

126

00:05:16,070 --> 00:05:14,280

Channel on YouTube and have to re-upload

127

00:05:18,110 --> 00:05:16,080

everything and I had thought about that

128

00:05:20,450 --> 00:05:18,120

ahead of time and I just don't don't

129

00:05:22,370 --> 00:05:20,460

want to mess with that because I don't

130

00:05:25,370 --> 00:05:22,380

want to be on a platform where somebody

131

00:05:27,830 --> 00:05:25,380

just constantly nitpicks every little

132

00:05:30,350 --> 00:05:27,840

thing and if there is an opposing point

133

00:05:32,330 --> 00:05:30,360

of view doesn't allow it why would I

134

00:05:34,370 --> 00:05:32,340

want to keep on staying on there so

135

00:05:36,590 --> 00:05:34,380

apparently the guests that I've had and

136

00:05:39,050 --> 00:05:36,600

the things that I've said were not

137

00:05:42,590 --> 00:05:39,060

um I guess Troublesome enough for them

138

00:05:44,570 --> 00:05:42,600

to do more but you never know

139

00:05:46,670 --> 00:05:44,580

so anyway

140

00:05:49,010 --> 00:05:46,680

um I really do hope uh you you check

141

00:05:50,990 --> 00:05:49,020

that out all the links also are in the

142

00:05:53,450 --> 00:05:51,000

description below this video but you

143

00:05:57,529 --> 00:05:53,460

will see telegram Rumble twitch

144

00:05:58,310 --> 00:05:57,539

um and all the uh podcasts on Spotify

145

00:06:01,310 --> 00:05:58,320

um

146

00:06:03,350 --> 00:06:01,320

yeah I have a Spotify on this right now

147

00:06:06,290 --> 00:06:03,360

um I just pulled up a few this is on

148

00:06:09,050 --> 00:06:06,300

Amazon and on iHeart I also have Google

149

00:06:10,129 --> 00:06:09,060

so then you can also listen to all these

150

00:06:12,650 --> 00:06:10,139

because

151  
00:06:14,990 --> 00:06:12,660  
um within a day or two after I'm done

152  
00:06:17,450 --> 00:06:15,000  
with with the show I usually convert

153  
00:06:18,950 --> 00:06:17,460  
them into audio files and then upload

154  
00:06:20,749 --> 00:06:18,960  
them to all these different channels

155  
00:06:23,210 --> 00:06:20,759  
podcast channels as well so you can

156  
00:06:27,350 --> 00:06:23,220  
listen uh to those

157  
00:06:30,770 --> 00:06:27,360  
and um recently I've had some some

158  
00:06:34,670 --> 00:06:30,780  
issues regarding I've had some issues

159  
00:06:37,129 --> 00:06:34,680  
regarding uh the the merchandise that I

160  
00:06:39,409 --> 00:06:37,139  
had with the Teespring uh YouTube is

161  
00:06:41,150 --> 00:06:39,419  
either YouTube or Teespring I don't know

162  
00:06:43,430 --> 00:06:41,160  
exactly what's going on they're not

163  
00:06:46,070 --> 00:06:43,440

allowing me to have a

164

00:06:49,129 --> 00:06:46,080

um to post all the products on there

165

00:06:51,170 --> 00:06:49,139

that only do about half and I'm hoping

166

00:06:53,510 --> 00:06:51,180

that it's more of a technical glitch and

167

00:06:55,969 --> 00:06:53,520

I've been going back and forth with a

168

00:06:58,430 --> 00:06:55,979

Teespring Representatives now for three

169

00:07:00,050 --> 00:06:58,440

months roughly and just recent email I

170

00:07:02,270 --> 00:07:00,060

just wrote it's like hey it's been three

171

00:07:07,010 --> 00:07:02,280

months is is there anything that can be

172

00:07:10,430 --> 00:07:07,020

done about this but anyway I have a

173

00:07:14,090 --> 00:07:10,440

also in the description below I have a

174

00:07:16,670 --> 00:07:14,100

link to the UFO Hub Teespring store so

175

00:07:18,230 --> 00:07:16,680

if any of you are interested in any of

176  
00:07:19,490 --> 00:07:18,240  
the merchandise that will support this

177  
00:07:21,830 --> 00:07:19,500  
channel

178  
00:07:23,450 --> 00:07:21,840  
um uh this will be the link to go to and

179  
00:07:26,089 --> 00:07:23,460  
the link is also in description below

180  
00:07:28,430 --> 00:07:26,099  
there's uh this cup for example the one

181  
00:07:29,870 --> 00:07:28,440  
that I have right here and I drink from

182  
00:07:31,969 --> 00:07:29,880  
that all the time and it's one of my

183  
00:07:32,749 --> 00:07:31,979  
favorite and so

184  
00:07:35,089 --> 00:07:32,759  
um

185  
00:07:36,230 --> 00:07:35,099  
this is would be another way if you

186  
00:07:39,290 --> 00:07:36,240  
would like to support the channel

187  
00:07:41,029 --> 00:07:39,300  
because it actually it helped me it

188  
00:07:43,490 --> 00:07:41,039

helped me a lot because

189

00:07:46,550 --> 00:07:43,500

during this time I had a subscription

190

00:07:50,089 --> 00:07:46,560

for the website I had a

191

00:07:53,930 --> 00:07:50,099

oh what was it um oh also the

192

00:07:56,150 --> 00:07:53,940

subscription for the the I guess

193

00:07:58,670 --> 00:07:56,160

speaker is the facilitator that posts

194

00:08:01,610 --> 00:07:58,680

all of these uh podcasts on all these

195

00:08:04,129 --> 00:08:01,620

different platforms all those year

196

00:08:06,350 --> 00:08:04,139

yearly renewals needed to get done and

197

00:08:08,210 --> 00:08:06,360

thanks to all of you that have donated

198

00:08:10,189 --> 00:08:08,220

and had uh purchased some of this

199

00:08:12,409 --> 00:08:10,199

merchandise I was able to use that money

200

00:08:14,210 --> 00:08:12,419

and renew that and keep it going so I

201  
00:08:17,029 --> 00:08:14,220  
really appreciate that it helps a lot so

202  
00:08:19,070 --> 00:08:17,039  
this way as I mentioned many times

203  
00:08:21,110 --> 00:08:19,080  
before I don't have to constantly go to

204  
00:08:23,390 --> 00:08:21,120  
my wife going like hey do we have some

205  
00:08:24,830 --> 00:08:23,400  
extra money to move around so thank you

206  
00:08:26,390 --> 00:08:24,840  
very much for your support regarding

207  
00:08:29,390 --> 00:08:26,400  
that

208  
00:08:33,529 --> 00:08:29,400  
all right let's see here

209  
00:08:36,110 --> 00:08:33,539  
um so as the title says UFO uh UFO

210  
00:08:37,730 --> 00:08:36,120  
disclosure has happened now what

211  
00:08:41,029 --> 00:08:37,740  
what

212  
00:08:43,130 --> 00:08:41,039  
I basically wanted to go through is to

213  
00:08:46,430 --> 00:08:43,140

give you just a few of these documents

214

00:08:47,990 --> 00:08:46,440

and some other videos that have come out

215

00:08:50,449 --> 00:08:48,000

since some of these you probably have

216

00:08:52,310 --> 00:08:50,459

seen or maybe heard on this channel but

217

00:08:54,230 --> 00:08:52,320

basically

218

00:08:56,750 --> 00:08:54,240

they have admitted

219

00:08:58,810 --> 00:08:56,760

to the existence of UFOs and when I say

220

00:09:02,269 --> 00:08:58,820

they I mean particularly the government

221

00:09:05,210 --> 00:09:02,279

and they've not only admitted it but

222

00:09:08,389 --> 00:09:05,220

then also have gone as far as

223

00:09:11,769 --> 00:09:08,399

um opening up UAP

224

00:09:15,949 --> 00:09:11,779

um unidentified area phenomena basically

225

00:09:17,990 --> 00:09:15,959

offices to where now Witnesses and data

226

00:09:20,990 --> 00:09:18,000

can be submitted to that office and

227

00:09:21,850 --> 00:09:21,000

collected and analyzed in these

228

00:09:24,590 --> 00:09:21,860

different

229

00:09:26,769 --> 00:09:24,600

criteria that have set forth which is

230

00:09:29,389 --> 00:09:26,779

something

231

00:09:31,130 --> 00:09:29,399

unspeakable before because you couldn't

232

00:09:33,410 --> 00:09:31,140

even get the government to admit that

233

00:09:36,050 --> 00:09:33,420

your Force existed and now they've gone

234

00:09:38,389 --> 00:09:36,060

this far and so

235

00:09:41,090 --> 00:09:38,399

let's shift over again to to the other

236

00:09:44,750 --> 00:09:41,100

to the other windows what I would like

237

00:09:48,350 --> 00:09:44,760

to cover first is this document is the

238

00:09:53,150 --> 00:09:48,360

preliminary uh basically assessment that

239

00:09:56,030 --> 00:09:53,160

they've come out uh June 25th 2021 and

240

00:09:59,470 --> 00:09:56,040

if you really think about it this was

241

00:10:02,329 --> 00:09:59,480

the first time the U.S government

242

00:10:05,449 --> 00:10:02,339

admitting basically the duo Force exist

243

00:10:07,670 --> 00:10:05,459

before it was denial denial denial on

244

00:10:11,230 --> 00:10:07,680

every step of the way and so they

245

00:10:15,550 --> 00:10:11,240

basically went as far as reporting on it

246

00:10:18,530 --> 00:10:15,560

uh regarding what they possibly could be

247

00:10:20,389 --> 00:10:18,540

they were even writing I think let me

248

00:10:22,190 --> 00:10:20,399

see if where exactly in this document

249

00:10:24,730 --> 00:10:22,200

that they had

250

00:10:28,310 --> 00:10:24,740

144

251

00:10:30,829 --> 00:10:28,320

recorded reports

252

00:10:33,290 --> 00:10:30,839

right here and

253

00:10:34,610 --> 00:10:33,300

um basically just you know they're

254

00:10:36,530 --> 00:10:34,620

wanting to

255

00:10:38,750 --> 00:10:36,540

to look at to see that this is not a

256

00:10:41,509 --> 00:10:38,760

threat by another government or that

257

00:10:44,350 --> 00:10:41,519

they just uh bottom line as as the

258

00:10:49,130 --> 00:10:44,360

military always you know says does not

259

00:10:52,670 --> 00:10:49,140

create a a national security and or

260

00:10:54,470 --> 00:10:52,680

national security issue and so they

261

00:10:57,710 --> 00:10:54,480

I guess they always fall back to that

262

00:10:59,990 --> 00:10:57,720

but the point is they are now looking at

263

00:11:02,630 --> 00:11:00,000

it and saying okay there's possibly

264

00:11:05,150 --> 00:11:02,640

several different ways that this has to

265

00:11:07,069 --> 00:11:05,160

be looked at this could be

266

00:11:09,230 --> 00:11:07,079

um technology from a foreign government

267

00:11:12,230 --> 00:11:09,240

that they're not aware yet this could be

268

00:11:14,690 --> 00:11:12,240

a natural phenomena yada yada but

269

00:11:16,790 --> 00:11:14,700

they're finally looking at them so this

270

00:11:20,090 --> 00:11:16,800

was what I was called the the official

271

00:11:20,810 --> 00:11:20,100

date where they officially came out and

272

00:11:23,870 --> 00:11:20,820

said

273

00:11:26,569 --> 00:11:23,880

we call them UAP your peace is not

274

00:11:28,009 --> 00:11:26,579

necessarily a new term there's some

275

00:11:29,509 --> 00:11:28,019

documents that you can find I think

276

00:11:32,509 --> 00:11:29,519

they're like in the 50s and 60s

277

00:11:34,910 --> 00:11:32,519

reference to the very first UAP

278

00:11:36,949 --> 00:11:34,920

um but uh

279

00:11:39,170 --> 00:11:36,959

I think they just want to try to stay

280

00:11:41,210 --> 00:11:39,180

away from UFOs because like with

281

00:11:44,150 --> 00:11:41,220

everything else that they did prior 70

282

00:11:47,329 --> 00:11:44,160

years they want to

283

00:11:50,750 --> 00:11:47,339

uh it's a loaded term because UFOs

284

00:11:53,150 --> 00:11:50,760

usually means it's alien uh piloted by

285

00:11:55,970 --> 00:11:53,160

people not from this planet and so on

286

00:11:58,610 --> 00:11:55,980

and so while at this stage they I don't

287

00:12:00,350 --> 00:11:58,620

know why but at this stage it seems like

288

00:12:02,509 --> 00:12:00,360

they still want to distance themselves

289

00:12:05,030 --> 00:12:02,519

and still kind of quote unquote apply

290

00:12:06,829 --> 00:12:05,040

science to

291

00:12:09,530 --> 00:12:06,839

um kind of say okay well we're going to

292

00:12:11,870 --> 00:12:09,540

approach this scientifically let's get

293

00:12:13,850 --> 00:12:11,880

reports of what what we're seeing at

294

00:12:15,170 --> 00:12:13,860

what time what place and all these other

295

00:12:18,170 --> 00:12:15,180

things then

296

00:12:20,090 --> 00:12:18,180

I think that's one of the reasons why it

297

00:12:22,430 --> 00:12:20,100

didn't Garner this much this much

298

00:12:23,810 --> 00:12:22,440

attention because we were already

299

00:12:27,170 --> 00:12:23,820

through movies and other things

300

00:12:29,870 --> 00:12:27,180

pre-programmed that anything like this

301  
00:12:31,490 --> 00:12:29,880  
this exotic has to be alien so when the

302  
00:12:34,069 --> 00:12:31,500  
government didn't come out saying hey

303  
00:12:35,990 --> 00:12:34,079  
aliens are visiting they everyone was

304  
00:12:39,889 --> 00:12:36,000  
pretty much like okay let's go back to

305  
00:12:42,050 --> 00:12:39,899  
our day-to-day life I hope that you know

306  
00:12:43,550 --> 00:12:42,060  
most of us that have been into this we

307  
00:12:46,850 --> 00:12:43,560  
recognize this as like oh this is

308  
00:12:49,550 --> 00:12:46,860  
disclosure but it wasn't disclosure of

309  
00:12:51,530 --> 00:12:49,560  
aliens and so therefore it I guess

310  
00:12:53,509 --> 00:12:51,540  
didn't have that much traction with the

311  
00:12:56,449 --> 00:12:53,519  
normies or people that just lived their

312  
00:12:59,810 --> 00:12:56,459  
normal day-to-day lives and so

313  
00:13:03,170 --> 00:12:59,820

what uh what they did after this there

314

00:13:08,530 --> 00:13:03,180

was then another document it was

315

00:13:12,290 --> 00:13:08,540

I have uh some links here it was the

316

00:13:17,150 --> 00:13:12,300

the HR 4350 National Defense

317

00:13:21,949 --> 00:13:17,160

authorization act for fiscal year 22 and

318

00:13:25,069 --> 00:13:21,959

it was signed December 27 2021 so the

319

00:13:28,269 --> 00:13:25,079

bill has passed and according to

320

00:13:32,569 --> 00:13:28,279

to this bill in the section

321

00:13:35,750 --> 00:13:32,579

1652 of this establishment of office to

322

00:13:38,210 --> 00:13:35,760

address unidentified aerial phenomena it

323

00:13:41,449 --> 00:13:38,220

just basically states that no later than

324

00:13:44,090 --> 00:13:41,459

80 Days of signing of this bill this

325

00:13:46,970 --> 00:13:44,100

office has to be established and they go

326

00:13:49,069 --> 00:13:46,980

through and basically just setting forth

327

00:13:53,410 --> 00:13:49,079

a bunch of criteria

328

00:13:57,050 --> 00:13:53,420

um what to develop uh what kind of

329

00:13:59,050 --> 00:13:57,060

data will be taken in how it will be I

330

00:14:02,210 --> 00:13:59,060

think it says how it will be categorized

331

00:14:03,410 --> 00:14:02,220

and basically it's uh it's not that long

332

00:14:07,430 --> 00:14:03,420

of a list

333

00:14:10,310 --> 00:14:07,440

but basically what maybe 10 paragraphs

334

00:14:12,470 --> 00:14:10,320

total just establishing exactly what

335

00:14:14,750 --> 00:14:12,480

this office will do so that's a pretty

336

00:14:17,810 --> 00:14:14,760

big thing for the government to come out

337

00:14:20,690 --> 00:14:17,820

and and basically just do this

338

00:14:23,090 --> 00:14:20,700

considering they didn't even accepted

339

00:14:25,850 --> 00:14:23,100

UFOs as anything real

340

00:14:27,710 --> 00:14:25,860

they also have

341

00:14:30,110 --> 00:14:27,720

why do I have that I think it's right

342

00:14:31,850 --> 00:14:30,120

you have a bunch of windows open uh

343

00:14:35,509 --> 00:14:31,860

there was

344

00:14:38,030 --> 00:14:35,519

um a CNET did a condensed 10 minutes

345

00:14:40,009 --> 00:14:38,040

version of this Congressional UFO

346

00:14:41,990 --> 00:14:40,019

hearing and

347

00:14:44,030 --> 00:14:42,000

they I'm not going to play the audio

348

00:14:46,790 --> 00:14:44,040

because of copyright I don't want to get

349

00:14:48,710 --> 00:14:46,800

any strikes but I'll just um

350

00:14:52,490 --> 00:14:48,720

play play this video in the background

351

00:14:54,470 --> 00:14:52,500

uh just basically

352

00:14:57,650 --> 00:14:54,480

talked about what it is that they know

353

00:15:00,590 --> 00:14:57,660

so far they showed some footage that's

354

00:15:03,590 --> 00:15:00,600

been recorded and some of these Navy

355

00:15:05,870 --> 00:15:03,600

carriers and what it could could

356

00:15:08,930 --> 00:15:05,880

potentially mean but it's over it just

357

00:15:10,310 --> 00:15:08,940

my impression from this is it was we

358

00:15:12,370 --> 00:15:10,320

still don't know what they are we're

359

00:15:15,410 --> 00:15:12,380

gonna look into it so it wasn't anything

360

00:15:17,750 --> 00:15:15,420

extraordinary to where you would just

361

00:15:19,370 --> 00:15:17,760

kind of hang on every word that they say

362

00:15:22,790 --> 00:15:19,380

but at least

363

00:15:25,910 --> 00:15:22,800

um it's also another big event to have a

364

00:15:29,030 --> 00:15:25,920

congressional hearing on UFOs and

365

00:15:32,710 --> 00:15:29,040

um basically what it is that the um the

366

00:15:36,110 --> 00:15:32,720

government have at this point

367

00:15:37,850 --> 00:15:36,120

and so that's basically pretty much it

368

00:15:40,910 --> 00:15:37,860

that I wanted to cover regarding

369

00:15:44,269 --> 00:15:40,920

disclosure because

370

00:15:46,790 --> 00:15:44,279

if you can I think you can possibly like

371

00:15:48,470 --> 00:15:46,800

clip this in in the video

372

00:15:50,750 --> 00:15:48,480

um or make a clip out of it or share

373

00:15:53,269 --> 00:15:50,760

this to anyone else that's kind of like

374

00:15:55,730 --> 00:15:53,279

your average friend that's kind of

375

00:15:57,829 --> 00:15:55,740

interested in this you know but doesn't

376

00:16:00,350 --> 00:15:57,839

exactly know where to go or how to fully

377

00:16:02,569 --> 00:16:00,360

start to show them about hey there's

378

00:16:03,829 --> 00:16:02,579

this government documents that have been

379

00:16:06,230 --> 00:16:03,839

released

380

00:16:08,449 --> 00:16:06,240

um builds have been passed Congressional

381

00:16:10,790 --> 00:16:08,459

hearings have been happening we have an

382

00:16:12,889 --> 00:16:10,800

office for unidentified area of

383

00:16:15,110 --> 00:16:12,899

phenomenas and

384

00:16:17,750 --> 00:16:15,120

um it's basically officially part of the

385

00:16:20,030 --> 00:16:17,760

government that now it will just be

386

00:16:21,650 --> 00:16:20,040

analyzed in their own way

387

00:16:23,650 --> 00:16:21,660

um I can't say that they're going to

388

00:16:26,030 --> 00:16:23,660

approach this in the same way that

389

00:16:28,910 --> 00:16:26,040

experiences have and most of us have

390

00:16:31,370 --> 00:16:28,920

been researching this for decades but at

391

00:16:32,689 --> 00:16:31,380

least for those they're constantly like

392

00:16:35,090 --> 00:16:32,699

waiting for the government to do

393

00:16:37,069 --> 00:16:35,100

something this is something

394

00:16:39,170 --> 00:16:37,079

you know it's something that we can say

395

00:16:41,329 --> 00:16:39,180

all right they they've acknowledged it

396

00:16:43,670 --> 00:16:41,339

let's see what happens out of this I

397

00:16:46,670 --> 00:16:43,680

think it might be another

398

00:16:49,850 --> 00:16:46,680

maybe 10 15 years that's just a total

399

00:16:52,970 --> 00:16:49,860

guess I just a hunch that it might take

400

00:16:57,050 --> 00:16:52,980

that much for them to maybe acknowledge

401  
00:16:59,749 --> 00:16:57,060  
more to maybe even hint that hey this is

402  
00:17:03,530 --> 00:16:59,759  
um quite possibly not from this Earth

403  
00:17:06,829 --> 00:17:03,540  
and so maybe I guess we should be happy

404  
00:17:08,569 --> 00:17:06,839  
to it's not 70 years but it's still a

405  
00:17:11,270 --> 00:17:08,579  
lot a lot quicker

406  
00:17:13,010 --> 00:17:11,280  
um you know than than the initial I

407  
00:17:15,890 --> 00:17:13,020  
guess estimate of how long it will take

408  
00:17:19,010 --> 00:17:15,900  
for them to just admit to their alien

409  
00:17:21,949 --> 00:17:19,020  
and um

410  
00:17:25,069 --> 00:17:21,959  
okay so the the other thing that

411  
00:17:28,069 --> 00:17:25,079  
happened while basically I was I was

412  
00:17:29,810 --> 00:17:28,079  
gone was there there was an interview

413  
00:17:32,150 --> 00:17:29,820

that I did

414

00:17:35,270 --> 00:17:32,160

oh let me cover one more thing there's

415

00:17:38,810 --> 00:17:35,280

this is a clip from uh The Joe Rogan

416

00:17:42,110 --> 00:17:38,820

show and it's um Michio Kaku the the

417

00:17:45,350 --> 00:17:42,120

physicist that basically then now is

418

00:17:48,110 --> 00:17:45,360

talking about what has changed for your

419

00:17:50,870 --> 00:17:48,120

folks now be taken seriously by them of

420

00:17:53,570 --> 00:17:50,880

what exactly you know happened which we

421

00:17:55,549 --> 00:17:53,580

all know it's the tick tock footage

422

00:17:58,970 --> 00:17:55,559

um that made them start looking at this

423

00:18:01,730 --> 00:17:58,980

at this in a different way and have more

424

00:18:04,549 --> 00:18:01,740

as they call it more reputable

425

00:18:08,150 --> 00:18:04,559

um sources you know and and people

426

00:18:10,370 --> 00:18:08,160

looking at this which to me personally

427

00:18:12,409 --> 00:18:10,380

it's it's um I don't take it personally

428

00:18:14,690 --> 00:18:12,419

but it does sound like an insult because

429

00:18:16,490 --> 00:18:14,700

it kind of implies that oh the rest of

430

00:18:18,710 --> 00:18:16,500

us are just crazy so not to be taken

431

00:18:21,230 --> 00:18:18,720

seriously because only if you have some

432

00:18:24,049 --> 00:18:21,240

kind of degree and only if you have if

433

00:18:26,450 --> 00:18:24,059

you are of statue of such people only

434

00:18:29,750 --> 00:18:26,460

then you know can you be taken seriously

435

00:18:31,909 --> 00:18:29,760

and almost people that had experiences

436

00:18:33,710 --> 00:18:31,919

is all they wanted to say it's like hey

437

00:18:36,710 --> 00:18:33,720

something extraordinary happened to me

438

00:18:39,830 --> 00:18:36,720

this is what happened and that's it very

439

00:18:42,529 --> 00:18:39,840

few really consider you know compared to

440

00:18:44,630 --> 00:18:42,539

actual experiences you know try to make

441

00:18:46,730 --> 00:18:44,640

this about money and selling books you

442

00:18:48,710 --> 00:18:46,740

know in in the

443

00:18:51,350 --> 00:18:48,720

I guess in the way that would make the

444

00:18:54,350 --> 00:18:51,360

field look bad you know but most people

445

00:18:56,390 --> 00:18:54,360

have just simply just if they did write

446

00:18:58,490 --> 00:18:56,400

a book it's like hey this is what what

447

00:19:00,049 --> 00:18:58,500

happened this is why I experienced they

448

00:19:01,850 --> 00:19:00,059

put it out there and left it at that and

449

00:19:03,470 --> 00:19:01,860

continued living their lives while they

450

00:19:06,590 --> 00:19:03,480

still had day jobs and doing other

451

00:19:09,230 --> 00:19:06,600

things you know so that just kind of

452

00:19:11,750 --> 00:19:09,240

left it as a chapter of their life and

453

00:19:13,789 --> 00:19:11,760

moved on but um also if you're

454

00:19:15,710 --> 00:19:13,799

interested in in seeing this and his

455

00:19:19,250 --> 00:19:15,720

point of view it's about 15 minutes long

456

00:19:20,750 --> 00:19:19,260

uh to see what it is now uh what

457

00:19:22,490 --> 00:19:20,760

happened exactly for them to start

458

00:19:23,990 --> 00:19:22,500

looking into your force and take it more

459

00:19:25,669 --> 00:19:24,000

seriously

460

00:19:28,430 --> 00:19:25,679

um of course all these slangs for the

461

00:19:30,650 --> 00:19:28,440

documents for this video and the most

462

00:19:32,930 --> 00:19:30,660

things that I can share I'm going to

463

00:19:35,930 --> 00:19:32,940

share the links in the description below

464

00:19:37,610 --> 00:19:35,940

also on the podcast too so that way you

465

00:19:39,650 --> 00:19:37,620

can just go and click on these links and

466

00:19:41,330 --> 00:19:39,660

go and read these documents yourself to

467

00:19:43,070 --> 00:19:41,340

see more in details what it is that they

468

00:19:47,210 --> 00:19:43,080

covered

469

00:19:49,490 --> 00:19:47,220

and so also while as I was mentioned uh

470

00:19:52,909 --> 00:19:49,500

while I was gone I did an interview with

471

00:19:55,549 --> 00:19:52,919

Nick Pope a while back it was about the

472

00:19:58,190 --> 00:19:55,559

um the Calvin or Calvin I think he calls

473

00:19:59,810 --> 00:19:58,200

it UFO incident and this was about six

474

00:20:02,390 --> 00:19:59,820

years ago that that we did this

475

00:20:05,630 --> 00:20:02,400

interview but he was talking about

476

00:20:10,010 --> 00:20:05,640

if I remember correctly hikers in

477

00:20:15,110 --> 00:20:10,020

Scotland that basically witnessed this

478

00:20:17,150 --> 00:20:15,120

um diamond-shaped UFO and a a jet flying

479

00:20:20,450 --> 00:20:17,160

by it and whatever else happened there

480

00:20:22,850 --> 00:20:20,460

and that there was supposed to be there

481

00:20:25,850 --> 00:20:22,860

have been pictures and very you know

482

00:20:27,289 --> 00:20:25,860

clear picture of of a UFO usually there

483

00:20:29,930 --> 00:20:27,299

was just blurry and it's hard to tell

484

00:20:31,669 --> 00:20:29,940

what it is but um that this was

485

00:20:33,350 --> 00:20:31,679

something and that the government had

486

00:20:35,870 --> 00:20:33,360

taken and all the pictures disappeared

487

00:20:37,610 --> 00:20:35,880

all of this was gone up until recently

488

00:20:40,909 --> 00:20:37,620

and so

489

00:20:43,610 --> 00:20:40,919

what happened was that

490

00:20:46,490 --> 00:20:43,620

I have um this is just a Google Search

491

00:20:48,950 --> 00:20:46,500

and I found the pictures here so this

492

00:20:51,110 --> 00:20:48,960

photo and for those are just listening

493

00:20:52,850 --> 00:20:51,120

it's basically a rendition I don't know

494

00:20:56,750 --> 00:20:52,860

if it was Nick Pope or somebody else

495

00:21:01,010 --> 00:20:56,760

that made a CGI or just a recreated a

496

00:21:03,830 --> 00:21:01,020

graphic of where the diamond shape UFO

497

00:21:06,830 --> 00:21:03,840

was in relation to the airplane and how

498

00:21:09,409 --> 00:21:06,840

it looked as you know in the initial

499

00:21:11,810 --> 00:21:09,419

photo and so this was recreated because

500

00:21:15,950 --> 00:21:11,820

hence the government had taken a picture

501  
00:21:19,250 --> 00:21:15,960  
away but the release recently this was

502  
00:21:21,710 --> 00:21:19,260  
supposed to be the actual picture taken

503  
00:21:25,730 --> 00:21:21,720  
and that that they witnessed at that

504  
00:21:28,130 --> 00:21:25,740  
time and so Nick Pope um in his Twitter

505  
00:21:30,470 --> 00:21:28,140  
feed about I think about two days ago

506  
00:21:34,370 --> 00:21:30,480  
mentioned something that he he can't

507  
00:21:36,710 --> 00:21:34,380  
confirm this for sure to say yes this is

508  
00:21:39,770 --> 00:21:36,720  
the photo taken so

509  
00:21:43,310 --> 00:21:39,780  
um but it's what was released by this

510  
00:21:45,470 --> 00:21:43,320  
Craig Lindsay I believe to

511  
00:21:47,750 --> 00:21:45,480  
basically to to show the the original

512  
00:21:49,130 --> 00:21:47,760  
pictures however it got released I don't

513  
00:21:51,409 --> 00:21:49,140

know if it was leaked or finally

514

00:21:54,710 --> 00:21:51,419

released I apologize that I don't have

515

00:21:55,370 --> 00:21:54,720

that detail but I just wanted to

516

00:21:58,190 --> 00:21:55,380

um

517

00:21:59,090 --> 00:21:58,200

make you aware that you can check that

518

00:22:00,649 --> 00:21:59,100

out

519

00:22:03,230 --> 00:22:00,659

I guess that whatever whatever

520

00:22:05,570 --> 00:22:03,240

information they had it had come out

521

00:22:07,610 --> 00:22:05,580

they have this picture and I guess with

522

00:22:10,909 --> 00:22:07,620

everything else we'll just wait and see

523

00:22:18,110 --> 00:22:12,230

so

524

00:22:19,490 --> 00:22:18,120

regarding the the UFO and what's been

525

00:22:22,190 --> 00:22:19,500

happening I'm sure there's been some

526

00:22:24,049 --> 00:22:22,200

other things out there that I could talk

527

00:22:25,730 --> 00:22:24,059

about maybe some other time because it's

528

00:22:28,250 --> 00:22:25,740

not the only thing

529

00:22:30,230 --> 00:22:28,260

um that has occurred but it's not it's

530

00:22:32,210 --> 00:22:30,240

not my main part

531

00:22:35,870 --> 00:22:32,220

um just occasionally if I need something

532

00:22:37,970 --> 00:22:35,880

to cover for the UFO Hub if I don't have

533

00:22:40,310 --> 00:22:37,980

a guest or and whatnot I would go into

534

00:22:42,529 --> 00:22:40,320

more of these details but usually it's

535

00:22:44,750 --> 00:22:42,539

not what I do my main focus is to do

536

00:22:46,130 --> 00:22:44,760

interviews and so I have a few

537

00:22:49,190 --> 00:22:46,140

interviews

538

00:22:51,409 --> 00:22:49,200

um a few people in line to contact and

539

00:22:54,049 --> 00:22:51,419

set them up and I promise I will be

540

00:22:56,270 --> 00:22:54,059

doing that very soon so that that way I

541

00:22:58,430 --> 00:22:56,280

can have more content for you out there

542

00:23:00,049 --> 00:22:58,440

to learn more but also please keep in

543

00:23:01,669 --> 00:23:00,059

mind and I've said this in the past

544

00:23:03,950 --> 00:23:01,679

before as well

545

00:23:06,950 --> 00:23:03,960

this channel is not for entertainment

546

00:23:09,710 --> 00:23:06,960

you know it's not like a show where I

547

00:23:12,890 --> 00:23:09,720

just worry about putting out more shows

548

00:23:14,630 --> 00:23:12,900

or more views you know it initially the

549

00:23:17,510 --> 00:23:14,640

reasons for those who have listened to

550

00:23:19,549 --> 00:23:17,520

my reasons why uh UFO Hub happened how

551  
00:23:23,330 --> 00:23:19,559  
UFO Hub happened

552  
00:23:25,490 --> 00:23:23,340  
um it's the first video I've ever did to

553  
00:23:28,490 --> 00:23:25,500  
the very last video that I ever did is

554  
00:23:31,490 --> 00:23:28,500  
information that really

555  
00:23:33,350 --> 00:23:31,500  
it's kind of Timeless to where you can

556  
00:23:35,930 --> 00:23:33,360  
learn from every single show no matter

557  
00:23:37,370 --> 00:23:35,940  
how long ago recent it was published it

558  
00:23:39,890 --> 00:23:37,380  
was still it will still be information

559  
00:23:43,690 --> 00:23:39,900  
that you can use on your path to

560  
00:23:46,250 --> 00:23:43,700  
research in UFOs or on your path to

561  
00:23:48,649 --> 00:23:46,260  
contact or whatever it is that you've

562  
00:23:51,110 --> 00:23:48,659  
been working on that's what I want you

563  
00:23:52,490 --> 00:23:51,120

to understand this is the whole

564

00:23:55,789 --> 00:23:52,500

um that's the whole point of this

565

00:23:57,950 --> 00:23:55,799

Channel and uh and not to think that

566

00:24:00,470 --> 00:23:57,960

this is just only okay when is the next

567

00:24:03,350 --> 00:24:00,480

video coming out and so on because then

568

00:24:06,409 --> 00:24:03,360

as I mentioned before this you'll just

569

00:24:08,090 --> 00:24:06,419

look at this as entertainment and

570

00:24:10,789 --> 00:24:08,100

um it's not going to get you any closer

571

00:24:14,149 --> 00:24:10,799

to and to an understanding of

572

00:24:16,789 --> 00:24:14,159

um what UFOs are about or any closer to

573

00:24:18,590 --> 00:24:16,799

to contact for yourself

574

00:24:19,789 --> 00:24:18,600

okay

575

00:24:22,610 --> 00:24:19,799

um

576

00:24:24,350 --> 00:24:22,620

so the other subject

577

00:24:26,870 --> 00:24:24,360

we have in the list I just want to make

578

00:24:29,390 --> 00:24:26,880

sure I got everything covered

579

00:24:33,049 --> 00:24:29,400

um oh yeah so the other subject is I

580

00:24:36,409 --> 00:24:33,059

joined the Masons and I know it's such a

581

00:24:38,390 --> 00:24:36,419

controversial subject uh some more a lot

582

00:24:40,789 --> 00:24:38,400

of people have many different opinions

583

00:24:44,570 --> 00:24:40,799

of what that's about

584

00:24:47,770 --> 00:24:44,580

for me it was important because

585

00:24:52,370 --> 00:24:47,780

but one just like with UFOs

586

00:24:54,470 --> 00:24:52,380

I went down my own path my own way to

587

00:24:57,529 --> 00:24:54,480

find out what what's it all about before

588

00:24:59,510 --> 00:24:57,539

I can make a decision before I can you

589

00:25:01,789 --> 00:24:59,520

know so just so I have some peace for

590

00:25:04,070 --> 00:25:01,799

myself instead of just believing someone

591

00:25:06,950 --> 00:25:04,080

else's story or having to ask someone

592

00:25:10,070 --> 00:25:06,960

else about this and so

593

00:25:13,010 --> 00:25:10,080

an opportunity came about to basically

594

00:25:15,470 --> 00:25:13,020

uh join the Masons and it's funny how it

595

00:25:18,529 --> 00:25:15,480

happened it was actually over over a

596

00:25:21,049 --> 00:25:18,539

year ago my wife and I were at our town

597

00:25:24,110 --> 00:25:21,059

parade for Christmas and

598

00:25:26,870 --> 00:25:24,120

um the temple or the lodge the the Mason

599

00:25:30,470 --> 00:25:26,880

Lodge had its door open and they were

600

00:25:31,310 --> 00:25:30,480

basically just offering um

601  
00:25:33,590 --> 00:25:31,320  
um

602  
00:25:37,130 --> 00:25:33,600  
uh chili which was really good chili by

603  
00:25:39,529 --> 00:25:37,140  
the way and so we were talking about hey

604  
00:25:41,690 --> 00:25:39,539  
let's go get some chili and also her

605  
00:25:43,850 --> 00:25:41,700  
grandfather a photo for those of you

606  
00:25:47,390 --> 00:25:43,860  
that didn't know uh Dolores Cannon's

607  
00:25:51,169 --> 00:25:47,400  
husband was a Mason at that Lodge and or

608  
00:25:53,450 --> 00:25:51,179  
Mason period and he um there were some

609  
00:25:56,269 --> 00:25:53,460  
pictures of him there and my wife and

610  
00:25:58,669 --> 00:25:56,279  
most people don't get to go in and see

611  
00:26:01,190 --> 00:25:58,679  
them unless the doors are open or people

612  
00:26:02,630 --> 00:26:01,200  
are welcome to come in and see and so we

613  
00:26:04,909 --> 00:26:02,640

thought it was an opportunity to go

614

00:26:06,830 --> 00:26:04,919

ahead and do that and when we did we

615

00:26:08,630 --> 00:26:06,840

were looking around and we had some

616

00:26:10,010 --> 00:26:08,640

chili and like I said it was delicious

617

00:26:12,230 --> 00:26:10,020

and we were just looking at the

618

00:26:15,010 --> 00:26:12,240

different pictures that were there there

619

00:26:18,230 --> 00:26:15,020

were two uh pictures of her grandfather

620

00:26:20,690 --> 00:26:18,240

and so as I was looking at one one of

621

00:26:23,149 --> 00:26:20,700

the Masons was approaching me and was

622

00:26:25,130 --> 00:26:23,159

just asking me which one I was looking

623

00:26:27,230 --> 00:26:25,140

at and I was like oh so-and-so is my

624

00:26:29,149 --> 00:26:27,240

wife's grandfather and so we got talking

625

00:26:31,250 --> 00:26:29,159

and so they invited me to come back

626  
00:26:35,090 --> 00:26:31,260  
during a

627  
00:26:37,909 --> 00:26:35,100  
before doing a regular I guess Masonic

628  
00:26:40,549 --> 00:26:37,919  
meeting so that that way I could um if

629  
00:26:42,409 --> 00:26:40,559  
if I'm interested more you know if I'm

630  
00:26:45,110 --> 00:26:42,419  
more interested into it I can just then

631  
00:26:48,169 --> 00:26:45,120  
petition to join and so I did I came

632  
00:26:50,870 --> 00:26:48,179  
back I think a week later and so we got

633  
00:26:52,909 --> 00:26:50,880  
to talk in and just I I liked what I

634  
00:26:56,210 --> 00:26:52,919  
what I was seeing but it was actually

635  
00:26:58,250 --> 00:26:56,220  
also something that many years ago I was

636  
00:27:00,830 --> 00:26:58,260  
thinking about seeing how I could join

637  
00:27:02,510 --> 00:27:00,840  
and my wife at that time especially our

638  
00:27:04,490 --> 00:27:02,520

kids even being younger than what they

639

00:27:06,769 --> 00:27:04,500

are she didn't just want to be left

640

00:27:08,450 --> 00:27:06,779

alone where I can just go off and have

641

00:27:10,549 --> 00:27:08,460

Lodge meetings and then she stuck with

642

00:27:12,049 --> 00:27:10,559

the kids but now they're old enough and

643

00:27:14,930 --> 00:27:12,059

things have calmed down enough to where

644

00:27:17,750 --> 00:27:14,940

when this opportunity presented itself

645

00:27:20,570 --> 00:27:17,760

um she was like go ahead and there was

646

00:27:21,950 --> 00:27:20,580

no problem and so

647

00:27:23,930 --> 00:27:21,960

I know

648

00:27:25,789 --> 00:27:23,940

I it was funny because I was I was

649

00:27:27,950 --> 00:27:25,799

talking to my parents when they came to

650

00:27:30,049 --> 00:27:27,960

visit and then there was perfect example

651  
00:27:33,409 --> 00:27:30,059  
about how

652  
00:27:35,450 --> 00:27:33,419  
things are out there you know how they

653  
00:27:38,450 --> 00:27:35,460  
presented out there online because my

654  
00:27:41,390 --> 00:27:38,460  
mom was like oh why did you join the

655  
00:27:42,769 --> 00:27:41,400  
Masons it's the Masons that have created

656  
00:27:44,990 --> 00:27:42,779  
these vaccines that have killed these

657  
00:27:47,450 --> 00:27:45,000  
people you know and I was like

658  
00:27:49,070 --> 00:27:47,460  
where are you reading this you know

659  
00:27:51,710 --> 00:27:49,080  
because

660  
00:27:54,169 --> 00:27:51,720  
I was telling them for one for the type

661  
00:27:57,710 --> 00:27:54,179  
of person that I am I wouldn't join an

662  
00:28:00,769 --> 00:27:57,720  
organization that is like that for one

663  
00:28:03,169 --> 00:28:00,779

um two there's you know a very reputable

664

00:28:06,649 --> 00:28:03,179

person and one that I never got to meet

665

00:28:09,169 --> 00:28:06,659

but it was um a person that's remembered

666

00:28:11,450 --> 00:28:09,179

very fondly which is my

667

00:28:14,090 --> 00:28:11,460

um my wife's grandfather he was a very

668

00:28:16,190 --> 00:28:14,100

good person and an uh upstanding you

669

00:28:19,250 --> 00:28:16,200

know man in the community and why would

670

00:28:21,590 --> 00:28:19,260

he be joining you know the Masons if

671

00:28:22,130 --> 00:28:21,600

they were doing things like that and so

672

00:28:24,830 --> 00:28:22,140

um

673

00:28:26,870 --> 00:28:24,840

by me having joined and having gone

674

00:28:28,909 --> 00:28:26,880

through through the process and

675

00:28:34,610 --> 00:28:28,919

basically

676

00:28:37,610 --> 00:28:34,620

was raised in a Sublime degree of a

677

00:28:40,190 --> 00:28:37,620

Master Mason I got to see what the

678

00:28:43,090 --> 00:28:40,200

process was what is exactly you know

679

00:28:45,710 --> 00:28:43,100

what what it what it exactly goes on and

680

00:28:47,269 --> 00:28:45,720

there's absolutely nothing wrong with it

681

00:28:49,070 --> 00:28:47,279

obviously there's some things that are

682

00:28:50,990 --> 00:28:49,080

sacred that I can't divulge to you

683

00:28:54,110 --> 00:28:51,000

because you know what kind of person

684

00:28:57,110 --> 00:28:54,120

would I be if I can't you know uh if I

685

00:29:00,470 --> 00:28:57,120

if I can't uphold the promise you know

686

00:29:04,870 --> 00:29:00,480

to keep certain secrets and there are

687

00:29:07,730 --> 00:29:04,880

more secrets about basically the

688

00:29:10,190 --> 00:29:07,740

establishment of a Mason itself then

689

00:29:12,590 --> 00:29:10,200

then actually something that needs to be

690

00:29:14,930 --> 00:29:12,600

you know aired out there you know for

691

00:29:16,610 --> 00:29:14,940

everyone else to see because as I was

692

00:29:18,649 --> 00:29:16,620

going through through the process later

693

00:29:21,769 --> 00:29:18,659

on I learned it was funny because I do

694

00:29:23,750 --> 00:29:21,779

UFO Hub podcasts and the way basically

695

00:29:26,950 --> 00:29:23,760

the type of subjects I cover and talk

696

00:29:30,710 --> 00:29:26,960

about there was talk about potentially

697

00:29:32,690 --> 00:29:30,720

not accepting me because

698

00:29:34,909 --> 00:29:32,700

um they thought I was there to just

699

00:29:37,610 --> 00:29:34,919

secretly kind of divulge everything that

700

00:29:39,409 --> 00:29:37,620

was done behind closed doors and so that

701  
00:29:42,049 --> 00:29:39,419  
would you know it was funny to me to

702  
00:29:44,450 --> 00:29:42,059  
know that that was one of their concerns

703  
00:29:46,310 --> 00:29:44,460  
um after they met with me and we talked

704  
00:29:49,669 --> 00:29:46,320  
and they checked out some of the videos

705  
00:29:52,010 --> 00:29:49,679  
and things like that they got to have

706  
00:29:54,830 --> 00:29:52,020  
you know have an idea what kind of

707  
00:29:57,590 --> 00:29:54,840  
person I was and basically then made a

708  
00:29:59,090 --> 00:29:57,600  
decision on those uh long interviews and

709  
00:30:01,549 --> 00:29:59,100  
those meetings that I was basically

710  
00:30:04,010 --> 00:30:01,559  
meeting with them to determine is this

711  
00:30:06,350 --> 00:30:04,020  
somebody who we want essay I said

712  
00:30:09,470 --> 00:30:06,360  
brother or not and so

713  
00:30:12,350 --> 00:30:09,480

anyway it's been it's been quite a quite

714

00:30:15,590 --> 00:30:12,360

a journey I would personally recommend

715

00:30:17,389 --> 00:30:15,600

people to you know if they if it's

716

00:30:19,250 --> 00:30:17,399

something that they desire to join

717

00:30:21,409 --> 00:30:19,260

Masons because

718

00:30:24,710 --> 00:30:21,419

it is a lot about

719

00:30:27,470 --> 00:30:24,720

a lot about honor who you are as a

720

00:30:28,669 --> 00:30:27,480

person and who you are as a person to

721

00:30:33,049 --> 00:30:28,679

the community

722

00:30:35,630 --> 00:30:33,059

and if you were a troublemaker if if

723

00:30:37,549 --> 00:30:35,640

um you know you had issues with the law

724

00:30:40,070 --> 00:30:37,559

and all these sudden you cannot become a

725

00:30:43,130 --> 00:30:40,080

Mason you know it's it's for one

726

00:30:45,470 --> 00:30:43,140

Difficult by those standards and two the

727

00:30:47,690 --> 00:30:45,480

community will kind of vet you

728

00:30:51,230 --> 00:30:47,700

um because they want to know who you are

729

00:30:54,350 --> 00:30:51,240

before you join and you know get get

730

00:30:56,450 --> 00:30:54,360

going with the process and so but it is

731

00:30:59,090 --> 00:30:56,460

it was funny to name how I can

732

00:31:01,250 --> 00:30:59,100

definitely see one of these times when I

733

00:31:02,810 --> 00:31:01,260

was it was time for Lodge and I was um

734

00:31:04,730 --> 00:31:02,820

you know going approaching the building

735

00:31:06,830 --> 00:31:04,740

and there was a few of us that were

736

00:31:10,970 --> 00:31:06,840

approaching the door so there was the

737

00:31:12,049 --> 00:31:10,980

the sheriff the the town doctor uh the

738

00:31:16,430 --> 00:31:12,059

um

739

00:31:18,710 --> 00:31:16,440

good with these names

740

00:31:20,750 --> 00:31:18,720

um like the the church main person what

741

00:31:22,610 --> 00:31:20,760

they called like the priest and then

742

00:31:25,730 --> 00:31:22,620

there's me and we're all walking in the

743

00:31:27,350 --> 00:31:25,740

same door and if I was someone who

744

00:31:29,510 --> 00:31:27,360

doesn't know anything about Masons or

745

00:31:31,490 --> 00:31:29,520

maybe just know the things that is being

746

00:31:33,289 --> 00:31:31,500

talked about online I would definitely

747

00:31:35,930 --> 00:31:33,299

see it's like what in the world is going

748

00:31:38,510 --> 00:31:35,940

on there all these pillars of Community

749

00:31:40,850 --> 00:31:38,520

are kind of converging all together in

750

00:31:43,850 --> 00:31:40,860

one spot meeting behind closed doors

751  
00:31:44,990 --> 00:31:43,860  
what in the world is going on and so we

752  
00:31:47,450 --> 00:31:45,000  
had another

753  
00:31:49,970 --> 00:31:47,460  
um I have some pictures for you too we

754  
00:31:50,990 --> 00:31:49,980  
had another kind of funny uh moment

755  
00:31:54,710 --> 00:31:51,000  
where

756  
00:31:56,810 --> 00:31:54,720  
there was um in Oklahoma the Indian

757  
00:31:59,450 --> 00:31:56,820  
reservation to have their

758  
00:32:01,730 --> 00:31:59,460  
um they have their Indian Lodge a

759  
00:32:04,310 --> 00:32:01,740  
masonic lodge as well and what they do

760  
00:32:05,330 --> 00:32:04,320  
is they go around the country and just

761  
00:32:07,490 --> 00:32:05,340  
basically

762  
00:32:09,950 --> 00:32:07,500  
um they call them the master degree team

763  
00:32:13,010 --> 00:32:09,960

and so they perform

764

00:32:15,529 --> 00:32:13,020

the master degree and it's of course all

765

00:32:17,810 --> 00:32:15,539

done behind closed doors you you know

766

00:32:20,690 --> 00:32:17,820

you can't really unless you're a Mason

767

00:32:22,610 --> 00:32:20,700

can't be in there but what happened was

768

00:32:24,529 --> 00:32:22,620

this was an event set up for many

769

00:32:26,690 --> 00:32:24,539

different lodges around Arkansas and

770

00:32:29,510 --> 00:32:26,700

even different states at the end of the

771

00:32:31,370 --> 00:32:29,520

day I mean I think it was masons from

772

00:32:35,630 --> 00:32:31,380

like seven different states and places

773

00:32:38,930 --> 00:32:35,640

that had come to Huntsville to witness

774

00:32:41,149 --> 00:32:38,940

this and what had happened is that the

775

00:32:44,389 --> 00:32:41,159

lodge uh in Huntsville is not big enough

776

00:32:46,490 --> 00:32:44,399

so the inside of the lodge itself had to

777

00:32:49,850 --> 00:32:46,500

be moved to the school to the high

778

00:32:53,810 --> 00:32:49,860

school uh gym and basically recreate the

779

00:32:55,669 --> 00:32:53,820

chairs and basically the Altar and

780

00:32:58,490 --> 00:32:55,679

everything else that goes in there had

781

00:33:00,409 --> 00:32:58,500

to be then recreated uh just on a larger

782

00:33:02,210 --> 00:33:00,419

scale so that more people can witness

783

00:33:04,669 --> 00:33:02,220

and so

784

00:33:06,049 --> 00:33:04,679

out of all the people we would initially

785

00:33:08,269 --> 00:33:06,059

had thought why don't we just bring

786

00:33:10,130 --> 00:33:08,279

trucks take them all or take all the

787

00:33:11,570 --> 00:33:10,140

different stuff in and everyone takes a

788

00:33:13,909 --> 00:33:11,580

little bit and transferred it over to

789

00:33:16,730 --> 00:33:13,919

school well I said I have a 16 foot

790

00:33:18,590 --> 00:33:16,740

trailer the UFO Hub trailer that we can

791

00:33:21,409 --> 00:33:18,600

just put everything in and just in one

792

00:33:24,230 --> 00:33:21,419

trip make it down there so obviously it

793

00:33:26,210 --> 00:33:24,240

made sense so I pulled up and I'll show

794

00:33:28,430 --> 00:33:26,220

you this picture in a second I pulled up

795

00:33:32,029 --> 00:33:28,440

in the front of the lodge and opened the

796

00:33:35,269 --> 00:33:32,039

door so you see the the Masonic Lodge

797

00:33:38,870 --> 00:33:35,279

with the UFO Hub trailer and right at

798

00:33:41,570 --> 00:33:38,880

that time on that day across across the

799

00:33:44,450 --> 00:33:41,580

street there was a bank that organized

800

00:33:46,190 --> 00:33:44,460

like this huge cornhole cornhole

801  
00:33:48,169 --> 00:33:46,200  
tournament and there were like I don't

802  
00:33:49,909 --> 00:33:48,179  
know several hundred people there and we

803  
00:33:51,950 --> 00:33:49,919  
were just laughing and just kind of

804  
00:33:53,990 --> 00:33:51,960  
joking to each other it's like boy the

805  
00:33:57,649 --> 00:33:54,000  
rumors are going to start now to have

806  
00:34:00,350 --> 00:33:57,659  
Masons and UFOs you know and uh it was

807  
00:34:02,509 --> 00:34:00,360  
just kind of kind of funny and I'm

808  
00:34:06,889 --> 00:34:02,519  
having this picture and uh so overlay

809  
00:34:09,290 --> 00:34:06,899  
for you to see and uh anyway

810  
00:34:11,930 --> 00:34:09,300  
it's one of these things to where

811  
00:34:13,550 --> 00:34:11,940  
unless unless you join unless you go

812  
00:34:16,849 --> 00:34:13,560  
through the process yourself and you see

813  
00:34:19,010 --> 00:34:16,859

what for you know what it is it's

814

00:34:22,550 --> 00:34:19,020

you just you you know you would just

815

00:34:25,430 --> 00:34:22,560

always have assumptions and it really is

816

00:34:27,649 --> 00:34:25,440

um only like after I was done with the

817

00:34:29,450 --> 00:34:27,659

process and I went online could I see a

818

00:34:31,430 --> 00:34:29,460

lot of these different stories and

819

00:34:35,869 --> 00:34:31,440

things that are out there about Masons

820

00:34:38,570 --> 00:34:35,879

but it's so misinterpreted and just flat

821

00:34:41,210 --> 00:34:38,580

out lies that you know when you know the

822

00:34:43,490 --> 00:34:41,220

truth that you know how do you combat

823

00:34:45,950 --> 00:34:43,500

that you know how do you combat that

824

00:34:48,470 --> 00:34:45,960

because it's just you know one person's

825

00:34:50,570 --> 00:34:48,480

word you know against another so you can

826  
00:34:52,310 --> 00:34:50,580  
go online make up whatever you want and

827  
00:34:54,109 --> 00:34:52,320  
then a Mason tells you no it's not like

828  
00:34:56,210 --> 00:34:54,119  
that it's like see they lie about all

829  
00:34:59,150 --> 00:34:56,220  
these things so anyway

830  
00:35:01,910 --> 00:34:59,160  
there was a process that took a while

831  
00:35:04,670 --> 00:35:01,920  
and along with everything else that was

832  
00:35:07,790 --> 00:35:04,680  
going on I had to basically kind of stop

833  
00:35:11,210 --> 00:35:07,800  
with these shows and concentrate on that

834  
00:35:13,190 --> 00:35:11,220  
you know to to you know go through the

835  
00:35:15,950 --> 00:35:13,200  
process and do whatever I had to do

836  
00:35:17,870 --> 00:35:15,960  
because also at the same time as some of

837  
00:35:20,270 --> 00:35:17,880  
you know I'm also a ham radio operator

838  
00:35:22,730 --> 00:35:20,280

so I was working on setting up my ham

839

00:35:25,190 --> 00:35:22,740

Shack and getting that going because I

840

00:35:26,810 --> 00:35:25,200

love to just listen to radio uh say

841

00:35:29,210 --> 00:35:26,820

called play you know they call it play

842

00:35:31,609 --> 00:35:29,220

radio sometimes uh just get on the

843

00:35:34,010 --> 00:35:31,619

different frequencies and talk well I

844

00:35:35,690 --> 00:35:34,020

only have a technician license and you

845

00:35:37,970 --> 00:35:35,700

need a general license to be able to

846

00:35:40,550 --> 00:35:37,980

talk some of these other frequencies and

847

00:35:43,550 --> 00:35:40,560

with the other people around the world

848

00:35:46,069 --> 00:35:43,560

so then I've been needing to study that

849

00:35:47,510 --> 00:35:46,079

it's a booklet about this thing involves

850

00:35:50,329 --> 00:35:47,520

a lot of math and a lot of these

851  
00:35:52,609 --> 00:35:50,339  
different things so I don't do well when

852  
00:35:55,490 --> 00:35:52,619  
I have so many things on my shoulders

853  
00:35:58,130 --> 00:35:55,500  
and my mind is not clear I just can't

854  
00:36:00,770 --> 00:35:58,140  
get all you know go get all of that done

855  
00:36:03,530 --> 00:36:00,780  
and keep up with the shows anyway so

856  
00:36:06,890 --> 00:36:03,540  
that's basically a

857  
00:36:08,870 --> 00:36:06,900  
um an explanation of what else I was

858  
00:36:11,450 --> 00:36:08,880  
doing why I joined the Masons and that

859  
00:36:14,450 --> 00:36:11,460  
that was one of the major and important

860  
00:36:16,910 --> 00:36:14,460  
parts why I couldn't go on with the show

861  
00:36:17,569 --> 00:36:16,920  
here but

862  
00:36:19,550 --> 00:36:17,579  
um

863  
00:36:22,130 --> 00:36:19,560

the other part

864

00:36:23,810 --> 00:36:22,140

I think I'll just leave it at this

865

00:36:25,310 --> 00:36:23,820

um I don't know that I want to cover

866

00:36:27,230 --> 00:36:25,320

anymore

867

00:36:29,569 --> 00:36:27,240

um it's I want to call it

868

00:36:31,849 --> 00:36:29,579

multi-generational contact

869

00:36:34,250 --> 00:36:31,859

what I'm talking about that about is

870

00:36:39,170 --> 00:36:34,260

that um Whitley Schreiber has discussed

871

00:36:42,050 --> 00:36:39,180

discussed this about you know how other

872

00:36:43,970 --> 00:36:42,060

family members said contact and other

873

00:36:46,069 --> 00:36:43,980

contacts he said talked about them and

874

00:36:50,329 --> 00:36:46,079

then their children have a contact and

875

00:36:52,970 --> 00:36:50,339

so a long time ago I had a I had a had a

876

00:36:56,450 --> 00:36:52,980

ink link that eventually this would be

877

00:36:59,089 --> 00:36:56,460

happening to me and my family and

878

00:37:02,510 --> 00:36:59,099

I had an understanding enough to not

879

00:37:04,849 --> 00:37:02,520

fear it if and when that time comes but

880

00:37:07,370 --> 00:37:04,859

there's still something that just still

881

00:37:09,470 --> 00:37:07,380

can't prepare you for the actual process

882

00:37:11,390 --> 00:37:09,480

while things are going on and what I

883

00:37:13,670 --> 00:37:11,400

mean with that is that

884

00:37:15,950 --> 00:37:13,680

I was talking to my wife about this to

885

00:37:19,130 --> 00:37:15,960

see whether or not whether or not we

886

00:37:22,370 --> 00:37:19,140

even should be talking about it because

887

00:37:25,490 --> 00:37:22,380

my children are not we don't push any of

888

00:37:27,410 --> 00:37:25,500

this like UFO any stuff on them you know

889

00:37:30,530 --> 00:37:27,420

needing to understand and learn and all

890

00:37:34,250 --> 00:37:30,540

this other things we simply do or I do

891

00:37:36,050 --> 00:37:34,260

what I need to for for my reasons if my

892

00:37:39,349 --> 00:37:36,060

children want to do something else so be

893

00:37:43,069 --> 00:37:39,359

it and so we never discuss these things

894

00:37:45,349 --> 00:37:43,079

with them and you know for what goes on

895

00:37:49,069 --> 00:37:45,359

in the family I don't want this to kind

896

00:37:51,230 --> 00:37:49,079

of then be out there online on and on

897

00:37:53,510 --> 00:37:51,240

the internet them not being into this at

898

00:37:57,050 --> 00:37:53,520

all but then there's a story that you

899

00:37:59,210 --> 00:37:57,060

know Dad told about you know me and you

900

00:38:00,890 --> 00:37:59,220

know now people at work know about it

901  
00:38:03,349 --> 00:38:00,900  
and other people know about it but

902  
00:38:06,130 --> 00:38:03,359  
they're not really into it anyway those

903  
00:38:09,770 --> 00:38:06,140  
were our thoughts of

904  
00:38:12,890 --> 00:38:09,780  
you know wanting to avoid that because

905  
00:38:14,930 --> 00:38:12,900  
one one of my kids is about a year and a

906  
00:38:17,510 --> 00:38:14,940  
half the other one is five and a half

907  
00:38:20,089 --> 00:38:17,520  
and the other one is 15 and a half so we

908  
00:38:22,550 --> 00:38:20,099  
have quite a span and so

909  
00:38:24,589 --> 00:38:22,560  
um I whatever I do or say I we didn't

910  
00:38:28,250 --> 00:38:24,599  
want that to kind of make things more

911  
00:38:32,450 --> 00:38:28,260  
difficult for them in the future well

912  
00:38:36,410 --> 00:38:32,460  
we talked about it and I thought

913  
00:38:39,109 --> 00:38:36,420

you know it's not something that that I

914

00:38:42,230 --> 00:38:39,119

think would hinder their lives

915

00:38:44,510 --> 00:38:42,240

too much if they just you know don't

916

00:38:45,890 --> 00:38:44,520

care about it and I you know anytime I

917

00:38:47,810 --> 00:38:45,900

talk to my kids you know I always talk

918

00:38:49,609 --> 00:38:47,820

to them about not taking things so

919

00:38:51,170 --> 00:38:49,619

difficult you know if people are saying

920

00:38:53,270 --> 00:38:51,180

certain things to not take it too hard

921

00:38:55,609 --> 00:38:53,280

all the time you know and just crumble

922

00:38:58,010 --> 00:38:55,619

you know by words being said you know

923

00:38:59,750 --> 00:38:58,020

and so I'm hoping by time they're adults

924

00:39:02,870 --> 00:38:59,760

they're just going to know that this is

925

00:39:05,810 --> 00:39:02,880

just a story that told or this is crazy

926

00:39:07,609 --> 00:39:05,820

and move on so anyway

927

00:39:09,770 --> 00:39:07,619

without any

928

00:39:12,530 --> 00:39:09,780

um further Ado I want to get into that

929

00:39:16,190 --> 00:39:12,540

and want to call call up my wife because

930

00:39:19,910 --> 00:39:16,200

during this process there's also her

931

00:39:21,829 --> 00:39:19,920

that's with me and our youngest son or

932

00:39:24,050 --> 00:39:21,839

our middle son that we're going through

933

00:39:27,230 --> 00:39:24,060

this process of

934

00:39:28,970 --> 00:39:27,240

contact happening and him having to deal

935

00:39:31,069 --> 00:39:28,980

with it that of course that involves the

936

00:39:33,829 --> 00:39:31,079

whole family because him dealing with it

937

00:39:34,970 --> 00:39:33,839

is also me and her dealing with this and

938

00:39:38,270 --> 00:39:34,980

so

939

00:39:41,329 --> 00:39:38,280

um let me preface this first before I

940

00:39:44,150 --> 00:39:41,339

continue uh and then I'll bring her in

941

00:39:47,030 --> 00:39:44,160

and we can talk about this or or better

942

00:39:49,490 --> 00:39:47,040

yet let me just bring her in as well so

943

00:39:52,069 --> 00:39:49,500

that from the beginning she can also add

944

00:39:55,250 --> 00:39:52,079

to some of the things if need to so if

945

00:39:56,810 --> 00:39:55,260

I've forgotten or have a kind of messed

946

00:39:59,510 --> 00:39:56,820

up my order

947

00:40:02,750 --> 00:39:59,520

so we on the other line on telegram I

948

00:40:04,190 --> 00:40:02,760

have my wife Christy hey hey babe say hi

949

00:40:05,930 --> 00:40:04,200

hello

950

00:40:07,970 --> 00:40:05,940

Okay so

951  
00:40:09,829 --> 00:40:07,980  
I'm very happy that she did this because

952  
00:40:11,210 --> 00:40:09,839  
she didn't want to do this at all didn't

953  
00:40:13,370 --> 00:40:11,220  
want to be on here but I really

954  
00:40:15,290 --> 00:40:13,380  
appreciate it because like I said just

955  
00:40:17,210 --> 00:40:15,300  
because of my own

956  
00:40:19,609 --> 00:40:17,220  
um my own ability to be able to

957  
00:40:21,109 --> 00:40:19,619  
recollect this the best I can all right

958  
00:40:24,790 --> 00:40:21,119  
so

959  
00:40:27,950 --> 00:40:24,800  
we were driving and um it's always

960  
00:40:31,670 --> 00:40:27,960  
my wife she reminds me of hey you have a

961  
00:40:35,030 --> 00:40:31,680  
PO Box in town go check it out so we

962  
00:40:37,730 --> 00:40:35,040  
drove out there and she happened to get

963  
00:40:40,250 --> 00:40:37,740

out check the box she came back in and

964

00:40:42,950 --> 00:40:40,260

usually it's just junk mail not much

965

00:40:44,990 --> 00:40:42,960

there but this time some of the other

966

00:40:46,910 --> 00:40:45,000

book companies or publishing companies

967

00:40:49,609 --> 00:40:46,920

if they have a new author they send me a

968

00:40:51,770 --> 00:40:49,619

book to look at and maybe a potentially

969

00:40:54,710 --> 00:40:51,780

consider to interview them well anyway

970

00:40:57,349 --> 00:40:54,720

so this book do you remember this uh

971

00:40:59,690 --> 00:40:57,359

babe it had that you know that ominous

972

00:41:02,810 --> 00:40:59,700

looking alien on the book and Orion saw

973

00:41:05,690 --> 00:41:02,820

it and he's like what's that uh do you

974

00:41:07,430 --> 00:41:05,700

remember that right yeah so yeah and

975

00:41:09,950 --> 00:41:07,440

then we were like this is this is an

976

00:41:11,930 --> 00:41:09,960

alien and he's like an alien you're like

977

00:41:13,730 --> 00:41:11,940

yeah and he was like can I have it you

978

00:41:16,609 --> 00:41:13,740

know and we're like no just you know

979

00:41:18,530 --> 00:41:16,619

that you know data meaning me I need it

980

00:41:21,530 --> 00:41:18,540

for for work and I'll give you a

981

00:41:22,790 --> 00:41:21,540

different book it's like okay so the

982

00:41:24,650 --> 00:41:22,800

main reason why I didn't want to give

983

00:41:27,349 --> 00:41:24,660

that to him is because it had you know

984

00:41:29,150 --> 00:41:27,359

that just you know dark angry looking

985

00:41:31,970 --> 00:41:29,160

alien on there I forgot what the name of

986

00:41:34,130 --> 00:41:31,980

the book was but we came home and we

987

00:41:36,349 --> 00:41:34,140

have several different copies of you

988

00:41:38,810 --> 00:41:36,359

know the dolores's books and

989

00:41:40,609 --> 00:41:38,820

um I had the one what was the book of

990

00:41:43,790 --> 00:41:40,619

Hearst that had that alien on there that

991

00:41:46,609 --> 00:41:43,800

that was just a normal looking gray

992

00:41:47,569 --> 00:41:46,619

it's the custodians there's the older

993

00:41:50,329 --> 00:41:47,579

cover

994

00:41:52,430 --> 00:41:50,339

right and so anyway

995

00:41:54,530 --> 00:41:52,440

so I give them that book and he said oh

996

00:41:56,329 --> 00:41:54,540

I love it and and so

997

00:41:59,990 --> 00:41:56,339

please keep in mind

998

00:42:02,329 --> 00:42:00,000

he when he plays he just goes to play

999

00:42:04,010 --> 00:42:02,339

and let's say if he's on the playground

1000

00:42:06,650 --> 00:42:04,020

he just plays on the playground when

1001  
00:42:09,650 --> 00:42:06,660  
he's in his room uh if there's a toy he

1002  
00:42:12,290 --> 00:42:09,660  
would just play and use the toy and the

1003  
00:42:14,930 --> 00:42:12,300  
way it's directed you know but not like

1004  
00:42:17,210 --> 00:42:14,940  
make up necessarily thinks on his own

1005  
00:42:18,589 --> 00:42:17,220  
especially at that time he was just kind

1006  
00:42:20,390 --> 00:42:18,599  
of just I want to call it

1007  
00:42:21,829 --> 00:42:20,400  
straightforward kid wouldn't you agree

1008  
00:42:25,730 --> 00:42:21,839  
babe

1009  
00:42:27,890 --> 00:42:25,740  
yeah and so anyway what was very what

1010  
00:42:29,569 --> 00:42:27,900  
was very interesting is that we gave him

1011  
00:42:32,270 --> 00:42:29,579  
that book and he's like I'm gonna go to

1012  
00:42:34,250 --> 00:42:32,280  
bed with this book and so the first

1013  
00:42:36,470 --> 00:42:34,260

night and this was actually the very

1014

00:42:37,910 --> 00:42:36,480

first time in all his five years that

1015

00:42:40,910 --> 00:42:37,920

he's been alive

1016

00:42:42,890 --> 00:42:40,920

um he just had these night terrors the

1017

00:42:44,870 --> 00:42:42,900

first night he was just he was just

1018

00:42:48,530 --> 00:42:44,880

screaming it's all yelling at somebody

1019

00:42:51,290 --> 00:42:48,540

and and just really you know just broke

1020

00:42:53,450 --> 00:42:51,300

us both up uh and we were initially just

1021

00:42:55,310 --> 00:42:53,460

wondering what's going on and I remember

1022

00:42:57,650 --> 00:42:55,320

I was just kind of you know took him

1023

00:42:59,390 --> 00:42:57,660

took him in and just kind of gave him a

1024

00:43:01,010 --> 00:42:59,400

hug and I was telling him he said you

1025

00:43:02,690 --> 00:43:01,020

know it's okay that I see it don't be

1026  
00:43:05,569 --> 00:43:02,700  
afraid you know and I was just waking

1027  
00:43:08,270 --> 00:43:05,579  
them up gently just to know okay you

1028  
00:43:09,890 --> 00:43:08,280  
know we're here don't worry and

1029  
00:43:13,010 --> 00:43:09,900  
um so anyway

1030  
00:43:15,890 --> 00:43:13,020  
that you kind of calmed down but then he

1031  
00:43:18,290 --> 00:43:15,900  
would get get in that mode again and

1032  
00:43:22,069 --> 00:43:18,300  
screaming and so

1033  
00:43:24,470 --> 00:43:22,079  
we didn't we were worried but it's not

1034  
00:43:27,050 --> 00:43:24,480  
something that necessarily was was

1035  
00:43:29,569 --> 00:43:27,060  
really thinking about until was he

1036  
00:43:31,730 --> 00:43:29,579  
saying something like like people came

1037  
00:43:35,870 --> 00:43:31,740  
to me he was talking to people do you

1038  
00:43:40,250 --> 00:43:38,750

um well I just remember the like the

1039

00:43:41,690 --> 00:43:40,260

because there was a couple nights in a

1040

00:43:43,910 --> 00:43:41,700

row that he kept doing that and it was

1041

00:43:45,349 --> 00:43:43,920

almost like he was in a trance and we

1042

00:43:48,050 --> 00:43:45,359

couldn't get him to quit screaming until

1043

00:43:49,910 --> 00:43:48,060

he realized like it was us and he kept

1044

00:43:52,370 --> 00:43:49,920

he kept saying something like the he

1045

00:43:54,589 --> 00:43:52,380

didn't want to be with the people uh he

1046

00:43:57,290 --> 00:43:54,599

just wanted to you know because like

1047

00:43:58,490 --> 00:43:57,300

every time I would um you know try to

1048

00:43:59,450 --> 00:43:58,500

get him to calm down he kept saying I

1049

00:44:01,309 --> 00:43:59,460

don't want to be with the people I just

1050

00:44:02,750 --> 00:44:01,319

want to be with you and then you know I

1051  
00:44:04,370 --> 00:44:02,760  
have to hold them and you know and stuff

1052  
00:44:06,290 --> 00:44:04,380  
and then he would finally calm down and

1053  
00:44:08,630 --> 00:44:06,300  
go back to sleep

1054  
00:44:09,770 --> 00:44:08,640  
um but other than he never emphasized

1055  
00:44:11,630 --> 00:44:09,780  
like exactly what he was talking about

1056  
00:44:14,150 --> 00:44:11,640  
he just kept saying he just wanted to be

1057  
00:44:16,910 --> 00:44:14,160  
be with me that he didn't want to be

1058  
00:44:18,790 --> 00:44:16,920  
with you know I guess other people is

1059  
00:44:22,970 --> 00:44:18,800  
the only other thing that he would say

1060  
00:44:25,490 --> 00:44:22,980  
well and so not like it's basically

1061  
00:44:26,630 --> 00:44:25,500  
showed three three days in a row of this

1062  
00:44:28,910 --> 00:44:26,640  
it was

1063  
00:44:31,130 --> 00:44:28,920

we were just there's something about

1064

00:44:33,050 --> 00:44:31,140

seeing your child suffering in some way

1065

00:44:34,609 --> 00:44:33,060

or another it just breaks your heart and

1066

00:44:37,550 --> 00:44:34,619

you want to try to do everything you

1067

00:44:39,470 --> 00:44:37,560

possibly can we had a suspicion that

1068

00:44:43,670 --> 00:44:39,480

that might be

1069

00:44:45,530 --> 00:44:43,680

on meaning the contact

1070

00:44:47,569 --> 00:44:45,540

um it's just that even though we know

1071

00:44:49,970 --> 00:44:47,579

it's not something for us to fear still

1072

00:44:52,490 --> 00:44:49,980

can't help watching him react to things

1073

00:44:55,010 --> 00:44:52,500

so no different than let's say we go to

1074

00:44:57,230 --> 00:44:55,020

swim and often when I you know uh when

1075

00:44:58,790 --> 00:44:57,240

he was younger not so much now wanting

1076

00:45:01,130 --> 00:44:58,800

to jump in and he would be deathly

1077

00:45:03,530 --> 00:45:01,140

afraid and like how do I convey to him

1078

00:45:05,569 --> 00:45:03,540

to just calm down I'm here I'll I'll

1079

00:45:08,150 --> 00:45:05,579

catch him he doesn't have to worry about

1080

00:45:09,710 --> 00:45:08,160

anything right but just seeing him being

1081

00:45:11,930 --> 00:45:09,720

in that distress you know I don't know

1082

00:45:14,690 --> 00:45:11,940

that any parent can take that easily no

1083

00:45:18,770 --> 00:45:14,700

matter how much of an understanding

1084

00:45:21,589 --> 00:45:18,780

there is anyway so three days of this I

1085

00:45:22,970 --> 00:45:21,599

finally uh talked to talk to you

1086

00:45:25,670 --> 00:45:22,980

remember and I said I'm going to call

1087

00:45:28,069 --> 00:45:25,680

Donna Donna Lynn I've interviewed her

1088

00:45:31,670 --> 00:45:28,079

several times and she specifically

1089

00:45:33,770 --> 00:45:31,680

talked about night terrors that she you

1090

00:45:36,589 --> 00:45:33,780

know basically interpret them for in

1091

00:45:38,630 --> 00:45:36,599

that way for the longest time until she

1092

00:45:40,849 --> 00:45:38,640

gained more of an understanding and then

1093

00:45:43,670 --> 00:45:40,859

it was you know she wasn't so afraid of

1094

00:45:45,050 --> 00:45:43,680

it anymore so I was I called her and we

1095

00:45:46,970 --> 00:45:45,060

talked for about

1096

00:45:49,010 --> 00:45:46,980

talked about an hour and a half and

1097

00:45:52,370 --> 00:45:49,020

unfortunately she said there's nothing

1098

00:45:54,650 --> 00:45:52,380

she can specifically tell me to do to

1099

00:45:56,870 --> 00:45:54,660

just you know to help him out other than

1100

00:45:59,089 --> 00:45:56,880

than to he's just eventually going to

1101  
00:46:01,550 --> 00:45:59,099  
have to get over this on his own if it

1102  
00:46:03,770 --> 00:46:01,560  
continues to understand that don't be

1103  
00:46:05,630 --> 00:46:03,780  
afraid and just to know that we are here

1104  
00:46:09,230 --> 00:46:05,640  
for him which I had kind of thought that

1105  
00:46:11,569 --> 00:46:09,240  
anyway and so we hung up there but then

1106  
00:46:13,250 --> 00:46:11,579  
remember I was talking to you and I said

1107  
00:46:16,849 --> 00:46:13,260  
hey how about we just take this book

1108  
00:46:19,190 --> 00:46:16,859  
away for now even whether

1109  
00:46:20,990 --> 00:46:19,200  
because we weren't 100 sure what's going

1110  
00:46:22,790 --> 00:46:21,000  
on so whether it's an image that's

1111  
00:46:24,650 --> 00:46:22,800  
causing something

1112  
00:46:26,450 --> 00:46:24,660  
um you know on that book or within that

1113  
00:46:28,730 --> 00:46:26,460

book for him or whatever we thought

1114

00:46:32,390 --> 00:46:28,740

let's just take it away and and see what

1115

00:46:34,849 --> 00:46:32,400

happens so we took that book Away uh on

1116

00:46:37,550 --> 00:46:34,859

the third third day and so basically we

1117

00:46:39,950 --> 00:46:37,560

had it what for the next two days we

1118

00:46:42,349 --> 00:46:39,960

kept it and he just went to bed and he

1119

00:46:45,290 --> 00:46:42,359

was sleeping just fine right

1120

00:46:46,849 --> 00:46:45,300

right yeah yeah because we both had um

1121

00:46:48,890 --> 00:46:46,859

assumed that it had something to do with

1122

00:46:50,569 --> 00:46:48,900

the book because once he had that book

1123

00:46:54,710 --> 00:46:50,579

that same night is when he started

1124

00:46:56,690 --> 00:46:54,720

having the problems right and so what

1125

00:46:58,370 --> 00:46:56,700

happened then I think was it a couple of

1126

00:47:01,130 --> 00:46:58,380

days later when we were sitting in the

1127

00:47:05,030 --> 00:47:02,990

remember when he came to you and he was

1128

00:47:07,190 --> 00:47:05,040

talking to you and he said you nudged me

1129

00:47:09,829 --> 00:47:07,200

and said hey are you listening

1130

00:47:12,349 --> 00:47:09,839

oh yeah it was it was just a couple days

1131

00:47:14,030 --> 00:47:12,359

of him not having that book so anyway

1132

00:47:15,770 --> 00:47:14,040

I'm gonna I'm gonna let you tell this

1133

00:47:18,470 --> 00:47:15,780

story so basically I'm sitting there and

1134

00:47:20,270 --> 00:47:18,480

I'm looking I've learned if you've heard

1135

00:47:22,849 --> 00:47:20,280

our youngest in the background there's

1136

00:47:24,950 --> 00:47:22,859

noise going on all the time so uh must

1137

00:47:26,750 --> 00:47:24,960

be a dad thing I just learned to block

1138

00:47:29,390 --> 00:47:26,760

it all out sometimes Christy's talking

1139

00:47:31,190 --> 00:47:29,400

to me and I have you know no idea I was

1140

00:47:32,990 --> 00:47:31,200

like you I need to know you have to look

1141

00:47:34,309 --> 00:47:33,000

at me in the face that I know that

1142

00:47:36,470 --> 00:47:34,319

you're not having a conversation

1143

00:47:37,970 --> 00:47:36,480

otherwise she gets so mad she'll talk to

1144

00:47:40,550 --> 00:47:37,980

me and I just totally block it out

1145

00:47:43,430 --> 00:47:40,560

anyway I'm sitting next to you I have

1146

00:47:45,290 --> 00:47:43,440

everything else blocked out and then you

1147

00:47:46,910 --> 00:47:45,300

nudge me

1148

00:47:49,730 --> 00:47:46,920

yeah so

1149

00:47:52,250 --> 00:47:49,740

um Orion had he kept asking ever since

1150

00:47:53,809 --> 00:47:52,260

we took that book away he kept asking

1151

00:47:56,390 --> 00:47:53,819

you know he wanted it back he wanted it

1152

00:47:58,609 --> 00:47:56,400

back and we kept trying to explain to

1153

00:48:00,650 --> 00:47:58,619

him you know the reason why he didn't

1154

00:48:02,270 --> 00:48:00,660

need it right now I had told him that I

1155

00:48:03,770 --> 00:48:02,280

thought that maybe it was making him

1156

00:48:06,650 --> 00:48:03,780

scared or something because he kept

1157

00:48:09,890 --> 00:48:06,660

getting so upset at night and then he

1158

00:48:11,809 --> 00:48:09,900

was sitting there telling me that he he

1159

00:48:13,250 --> 00:48:11,819

kept telling me I need the book I really

1160

00:48:15,470 --> 00:48:13,260

need the book I was like why do you need

1161

00:48:18,230 --> 00:48:15,480

this book and then he started saying

1162

00:48:19,550 --> 00:48:18,240

that the book helps him remember and I

1163

00:48:21,290 --> 00:48:19,560

was like well what are you needing to

1164

00:48:23,870 --> 00:48:21,300

remember he's like I remember it helps

1165

00:48:26,030 --> 00:48:23,880

me remember how to build the spaceships

1166

00:48:29,030 --> 00:48:26,040

he's like I need the book because it you

1167

00:48:30,829 --> 00:48:29,040

know it helps me I remember I don't

1168

00:48:33,470 --> 00:48:30,839

remember like all the details exactly of

1169

00:48:35,150 --> 00:48:33,480

what he was rambling on about but he

1170

00:48:37,450 --> 00:48:35,160

just kept insisting that he needed the

1171

00:48:40,790 --> 00:48:37,460

book because it helps his brain remember

1172

00:48:42,470 --> 00:48:40,800

how to build the spaceships and I was

1173

00:48:44,569 --> 00:48:42,480

like well where do these you know what

1174

00:48:46,790 --> 00:48:44,579

spaceships are they and he's like you

1175

00:48:48,470 --> 00:48:46,800

know I build these really big spaceships

1176

00:48:49,970 --> 00:48:48,480

and all the people get all the people on

1177

00:48:52,790 --> 00:48:49,980

and then we

1178

00:48:54,530 --> 00:48:52,800

you know leave and then he kept pointing

1179

00:48:55,910 --> 00:48:54,540

he went and opened up the window to

1180

00:48:58,430 --> 00:48:55,920

point to the Moon because I didn't know

1181

00:49:00,170 --> 00:48:58,440

what he was talking about

1182

00:49:04,190 --> 00:49:00,180

um like what word he was trying to say

1183

00:49:06,170 --> 00:49:04,200

and so he was getting at is that he

1184

00:49:07,790 --> 00:49:06,180

builds the spaceships I don't know what

1185

00:49:09,829 --> 00:49:07,800

people he picks up but he takes the

1186

00:49:12,290 --> 00:49:09,839

people and they go to the Moon

1187

00:49:13,010 --> 00:49:12,300

and then so

1188

00:49:14,750 --> 00:49:13,020

um

1189

00:49:17,329 --> 00:49:14,760

I ended up we ended up giving him the

1190

00:49:19,010 --> 00:49:17,339

book back and he was sorry remember yeah

1191

00:49:20,450 --> 00:49:19,020

remember we asked him I said by Iran

1192

00:49:23,809 --> 00:49:20,460

you're gonna get scared and remember

1193

00:49:25,370 --> 00:49:23,819

what he said all right I don't remember

1194

00:49:26,630 --> 00:49:25,380

yeah because you remember we were saying

1195

00:49:28,430 --> 00:49:26,640

if you're going to get scared he's like

1196

00:49:30,230 --> 00:49:28,440

I'm not scared anymore you know he's

1197

00:49:31,309 --> 00:49:30,240

like I understand now something like

1198

00:49:34,670 --> 00:49:31,319

that

1199

00:49:37,430 --> 00:49:34,680

wasn't going to be he wasn't scared of

1200

00:49:40,130 --> 00:49:37,440

it anymore and actually too ever since

1201  
00:49:42,109 --> 00:49:40,140  
when he explained why he needed it and

1202  
00:49:44,990 --> 00:49:42,119  
saying he wasn't scared he didn't wake

1203  
00:49:47,630 --> 00:49:45,000  
up crying anymore because of it and he

1204  
00:49:49,970 --> 00:49:47,640  
was still taking the book with him

1205  
00:49:52,490 --> 00:49:49,980  
looking at it every day

1206  
00:49:54,770 --> 00:49:52,500  
right but then you know distincts this I

1207  
00:49:56,030 --> 00:49:54,780  
was mentioning before how he was uh

1208  
00:49:59,690 --> 00:49:56,040  
generally

1209  
00:50:02,569 --> 00:49:59,700  
then he started being in this childlike

1210  
00:50:03,829 --> 00:50:02,579  
way very weird so for example like tell

1211  
00:50:06,050 --> 00:50:03,839  
about the instant when you were trying

1212  
00:50:07,190 --> 00:50:06,060  
to give him a bath and what was

1213  
00:50:09,650 --> 00:50:07,200

happening

1214

00:50:11,329 --> 00:50:09,660

oh yeah the he was in the you know in

1215

00:50:12,589 --> 00:50:11,339

the bath and I think he was just by

1216

00:50:14,870 --> 00:50:12,599

himself because a lot of times him and

1217

00:50:16,550 --> 00:50:14,880

Adeline they take baths together and I

1218

00:50:18,410 --> 00:50:16,560

think he had already taken him out and I

1219

00:50:19,970 --> 00:50:18,420

are taken her out and I asked him if he

1220

00:50:23,270 --> 00:50:19,980

wanted to get out yet and he said no

1221

00:50:25,190 --> 00:50:23,280

that he needed to sit and and he needed

1222

00:50:26,990 --> 00:50:25,200

to be alone so he can think about how to

1223

00:50:31,690 --> 00:50:27,000

build his spaceship

1224

00:50:37,370 --> 00:50:35,270

if we've known him before and then all

1225

00:50:39,530 --> 00:50:37,380

these ways of talking and the things he

1226

00:50:42,710 --> 00:50:39,540

mentioned after it was a night and day

1227

00:50:45,650 --> 00:50:42,720

difference because he doesn't you know

1228

00:50:47,569 --> 00:50:45,660

this is I'm not saying every single

1229

00:50:49,549 --> 00:50:47,579

child does it but the way he was growing

1230

00:50:52,190 --> 00:50:49,559

up and and the way he was developing

1231

00:50:54,770 --> 00:50:52,200

from one to two to three four he's he

1232

00:50:56,809 --> 00:50:54,780

was not you know a very imaginary child

1233

00:50:58,970 --> 00:50:56,819

to where he he would talk about things

1234

00:51:01,730 --> 00:50:58,980

and people here and people there and

1235

00:51:03,589 --> 00:51:01,740

this he was just normal child that plays

1236

00:51:06,049 --> 00:51:03,599

and then all of a sudden something in

1237

00:51:07,849 --> 00:51:06,059

that Dynamic happened to where you know

1238

00:51:10,430 --> 00:51:07,859

an event occurred something was

1239

00:51:14,270 --> 00:51:10,440

happening you know that we weren't too

1240

00:51:16,670 --> 00:51:14,280

preview to but that he was obesity knew

1241

00:51:18,530 --> 00:51:16,680

a lot more about than you know that than

1242

00:51:20,930 --> 00:51:18,540

we understood

1243

00:51:22,250 --> 00:51:20,940

oh you're right and then also

1244

00:51:24,290 --> 00:51:22,260

um just to let everyone know we don't

1245

00:51:26,210 --> 00:51:24,300

talk to our kids about this kind of

1246

00:51:28,130 --> 00:51:26,220

stuff like even though we're into it and

1247

00:51:31,130 --> 00:51:28,140

that's almost our day-to-day

1248

00:51:33,349 --> 00:51:31,140

you know lives in a way we don't sit and

1249

00:51:35,329 --> 00:51:33,359

have conversations with our kids

1250

00:51:38,450 --> 00:51:35,339

especially you know what five about

1251  
00:51:40,430 --> 00:51:38,460  
aliens and UFOs and stuff like that yeah

1252  
00:51:42,890 --> 00:51:40,440  
not at all that's why when he shot that

1253  
00:51:44,750 --> 00:51:42,900  
book and he was like what's that you

1254  
00:51:47,329 --> 00:51:44,760  
know I mean that tells you right there

1255  
00:51:49,790 --> 00:51:47,339  
that there was no mentioning no

1256  
00:51:51,109 --> 00:51:49,800  
storytelling not nothing at all so

1257  
00:51:52,010 --> 00:51:51,119  
anyway

1258  
00:51:53,870 --> 00:51:52,020  
um

1259  
00:51:56,450 --> 00:51:53,880  
so I wanted to

1260  
00:51:59,210 --> 00:51:56,460  
I think thank you for just helping me

1261  
00:52:01,250 --> 00:51:59,220  
retell this and and keep this keep this

1262  
00:52:03,010 --> 00:52:01,260  
in mind so you know I just wanted to

1263  
00:52:05,089 --> 00:52:03,020

bring you okay finally

1264

00:52:06,530 --> 00:52:05,099

right because I don't remember how long

1265

00:52:08,750 --> 00:52:06,540

he was going on and on about the

1266

00:52:10,490 --> 00:52:08,760

spaceship and the book but he finally

1267

00:52:12,109 --> 00:52:10,500

kind of just quit talking about it and

1268

00:52:15,109 --> 00:52:12,119

he still has the book he keeps it in his

1269

00:52:17,390 --> 00:52:15,119

room and looks through it all the time

1270

00:52:20,030 --> 00:52:17,400

but he doesn't

1271

00:52:22,790 --> 00:52:20,040

um he doesn't he didn't continue talking

1272

00:52:24,530 --> 00:52:22,800

about the spaceship and right and

1273

00:52:27,109 --> 00:52:24,540

everything about it

1274

00:52:29,390 --> 00:52:27,119

yeah except for occasion like you would

1275

00:52:32,270 --> 00:52:29,400

see some pictures right here say what it

1276

00:52:34,670 --> 00:52:32,280

is he can't read yet but he would have

1277

00:52:37,010 --> 00:52:34,680

his understanding of what that is but it

1278

00:52:38,750 --> 00:52:37,020

would be it's not a long drawn-out story

1279

00:52:40,190 --> 00:52:38,760

he would point at a picture say what

1280

00:52:42,290 --> 00:52:40,200

that is and then he'll just walk away

1281

00:52:44,210 --> 00:52:42,300

you know it's not like he sits there and

1282

00:52:46,670 --> 00:52:44,220

says you know like kids usually do and

1283

00:52:49,309 --> 00:52:46,680

they embellish a story and add

1284

00:52:49,849 --> 00:52:49,319

characters and things like that so

1285

00:52:52,309 --> 00:52:49,859

um

1286

00:52:54,710 --> 00:52:52,319

but anyway it was an event that was

1287

00:52:57,710 --> 00:52:54,720

definitely definitely something for us

1288

00:53:00,589 --> 00:52:57,720

to to have learned from and moving

1289

00:53:03,230 --> 00:53:00,599

forward I don't know how else we would

1290

00:53:05,210 --> 00:53:03,240

approach it other than to just uh as we

1291

00:53:08,290 --> 00:53:05,220

already discussed to stay open-minded

1292

00:53:10,549 --> 00:53:08,300

about what he says but I'm glad the the

1293

00:53:13,190 --> 00:53:10,559

horrifying part which is the discomfort

1294

00:53:14,329 --> 00:53:13,200

and those night terrors have stopped and

1295

00:53:16,670 --> 00:53:14,339

so that's what I'm happy about

1296

00:53:19,130 --> 00:53:16,680

everything else can just be talked about

1297

00:53:22,490 --> 00:53:19,140

and figured out you know and not have to

1298

00:53:24,049 --> 00:53:22,500

seeing him in distress all the time

1299

00:53:26,210 --> 00:53:24,059

right

1300

00:53:28,010 --> 00:53:26,220

okay well thank you I really appreciate

1301

00:53:30,049 --> 00:53:28,020

it I know you got to go uh but thanks

1302

00:53:32,390 --> 00:53:30,059

for helping me retell this and uh so

1303

00:53:34,730 --> 00:53:32,400

I'll switch over and and continue to

1304

00:53:39,109 --> 00:53:34,740

show here but thanks I I love you I

1305

00:53:40,430 --> 00:53:39,119

appreciate it I love you okay bye bye

1306

00:53:42,470 --> 00:53:40,440

so

1307

00:53:44,930 --> 00:53:42,480

there you have it basically that's the

1308

00:53:46,250 --> 00:53:44,940

other part that um we were dealing with

1309

00:53:51,950 --> 00:53:46,260

and

1310

00:53:55,069 --> 00:53:51,960

life it's it's another thing to deal

1311

00:53:57,530 --> 00:53:55,079

with and but um I'm hoping that we'll

1312

00:54:00,230 --> 00:53:57,540

learn more you know from it just to how

1313

00:54:02,930 --> 00:54:00,240

to deal more of uh from a perspective of

1314

00:54:05,270 --> 00:54:02,940

a parent and a kid of how much

1315

00:54:08,569 --> 00:54:05,280

how much do we need to intervene how

1316

00:54:11,210 --> 00:54:08,579

much do we need to let them sort things

1317

00:54:13,849 --> 00:54:11,220

out because I've had the experiences

1318

00:54:17,690 --> 00:54:13,859

that I've that I've had and I know

1319

00:54:21,109 --> 00:54:17,700

and understand exactly what that means I

1320

00:54:23,930 --> 00:54:21,119

know how much fear it had brought me

1321

00:54:27,829 --> 00:54:23,940

um and I had started very young too but

1322

00:54:28,970 --> 00:54:27,839

I was 11 not exactly five and so

1323

00:54:31,870 --> 00:54:28,980

um

1324

00:54:35,089 --> 00:54:31,880

anyway I don't want to

1325

00:54:37,490 --> 00:54:35,099

get to a point to where now after sudden

1326  
00:54:39,710 --> 00:54:37,500  
you know I do a 180 forget about

1327  
00:54:42,549 --> 00:54:39,720  
everything that I've ever experienced an

1328  
00:54:45,730 --> 00:54:42,559  
understanding of what's going on and be

1329  
00:54:48,890 --> 00:54:45,740  
fully against this what I was against

1330  
00:54:50,450 --> 00:54:48,900  
obviously was seeing him suffering but

1331  
00:54:52,910 --> 00:54:50,460  
now that that's not happening I'm hoping

1332  
00:54:55,609 --> 00:54:52,920  
that we can just continue and have him

1333  
00:54:58,370 --> 00:54:55,619  
just tell us what he experiences instead

1334  
00:55:02,030 --> 00:54:58,380  
of it being you know something fearful

1335  
00:55:04,849 --> 00:55:02,040  
or something to be to be dealt with in a

1336  
00:55:07,130 --> 00:55:04,859  
in a negative manner so

1337  
00:55:09,770 --> 00:55:07,140  
there you have it that's all I have for

1338  
00:55:11,870 --> 00:55:09,780

today that's what I wanted to cover and

1339

00:55:13,630 --> 00:55:11,880

talk about

1340

00:55:16,250 --> 00:55:13,640

I will

1341

00:55:19,490 --> 00:55:16,260

probably next I'm going to have open

1342

00:55:21,589 --> 00:55:19,500

lines to where some of you can that wish

1343

00:55:24,589 --> 00:55:21,599

can call in and share some of your

1344

00:55:26,870 --> 00:55:24,599

stories and for that you need telegram

1345

00:55:29,329 --> 00:55:26,880

so I'm hoping you download an install

1346

00:55:32,630 --> 00:55:29,339

telegram on your phone so that you can

1347

00:55:35,630 --> 00:55:32,640

talk to me directly and I will um on the

1348

00:55:38,270 --> 00:55:35,640

UFO Hub Group on telegram I usually will

1349

00:55:40,609 --> 00:55:38,280

open up a chat window to where you can

1350

00:55:44,750 --> 00:55:40,619

also while you're watching you can also

1351  
00:55:46,970 --> 00:55:44,760  
listen listen on the the chat itself but

1352  
00:55:48,710 --> 00:55:46,980  
it's off sync by so many seconds you

1353  
00:55:51,109 --> 00:55:48,720  
might want to choose either just

1354  
00:55:53,390 --> 00:55:51,119  
listening or watching while you're

1355  
00:55:55,910 --> 00:55:53,400  
waiting online it might throw you off

1356  
00:55:58,730 --> 00:55:55,920  
but you can basically that way if you

1357  
00:56:01,609 --> 00:55:58,740  
tap and raise your hand you can

1358  
00:56:03,470 --> 00:56:01,619  
basically you'll give me a cue that hey

1359  
00:56:06,230 --> 00:56:03,480  
there's somebody that wants to talk and

1360  
00:56:08,089 --> 00:56:06,240  
it's not here just to listen and I will

1361  
00:56:09,230 --> 00:56:08,099  
then queue you in and bring you in to

1362  
00:56:10,670 --> 00:56:09,240  
tell your story

1363  
00:56:12,710 --> 00:56:10,680

so anyway

1364

00:56:15,170 --> 00:56:12,720

all the links are in the description

1365

00:56:16,130 --> 00:56:15,180

below all the documents that I've showed

1366

00:56:18,589 --> 00:56:16,140

you

1367

00:56:20,750 --> 00:56:18,599

um all the links that are in relation to

1368

00:56:22,970 --> 00:56:20,760

the UFO hub

1369

00:56:24,829 --> 00:56:22,980

Channel everything else you need there

1370

00:56:28,190 --> 00:56:24,839

and um

1371

00:56:30,710 --> 00:56:28,200

could you I guess be back again hoping

1372

00:56:34,970 --> 00:56:30,720

that I will have interviews coming up

1373

00:56:37,609 --> 00:56:34,980

very soon but anyway there's after long

1374

00:56:39,829 --> 00:56:37,619

Hiatus and after all the things that

1375

00:56:41,990 --> 00:56:39,839

I've talked about that have been going

1376

00:56:44,630 --> 00:56:42,000

on I'm hoping not to come back with

1377

00:56:46,309 --> 00:56:44,640

somewhat of a regular schedule so thank

1378

00:56:48,710 --> 00:56:46,319

you all again I hope you have a great
