1
00:00:48,670 --> 00:00:00,589

[Music]

2
00:00:59,630 --> 00:00:50,200

thank you

3
00:01:02,990 --> 00:01:01,069

everyone

4
00:01:05,630 --> 00:01:03,000

welcome to your full Hub live stream

5
00:01:07,609 --> 00:01:05,640

well I guess uh it's just like riding a

6
00:01:09,950 --> 00:01:07,619

bike it takes a while to pick things

7
00:01:11,870 --> 00:01:09,960

back up but uh yeah I'm starting a

8
00:01:14,390 --> 00:01:11,880

stream a bit later than you than usual

9
00:01:16,670 --> 00:01:14,400

and on and off day because

10
00:01:18,289 --> 00:01:16,680

um there's just uh all all kinds of

11
00:01:19,250 --> 00:01:18,299

stuff that I pretty much had to really

12
00:01:20,749 --> 00:01:19,260

learn

13
00:01:21,670 --> 00:01:20,759

um I started streams something wouldn't

14

00:01:23,450 --> 00:01:21,680

work

15

00:01:25,070 --> 00:01:23,460

but anyway

16

00:01:26,570 --> 00:01:25,080

um I'm glad to be able to connect with

17

00:01:28,490 --> 00:01:26,580

all of you today

18

00:01:31,190 --> 00:01:28,500

um also it's going to be open lines as

19

00:01:33,649 --> 00:01:31,200

well on telegram if you are already on

20

00:01:35,690 --> 00:01:33,659

telegram just join the chat and um

21

00:01:37,010 --> 00:01:35,700

whenever it's time for that segment I

22

00:01:39,530 --> 00:01:37,020

can bring you in if you would like to

23

00:01:41,690 --> 00:01:39,540

talk to me uh share some thoughts on the

24

00:01:43,550 --> 00:01:41,700

recent events that have been going on

25

00:01:45,649 --> 00:01:43,560

um like I mentioned Many Times News is

26

00:01:47,450 --> 00:01:45,659

not necessarily that I cover but a lot

27

00:01:49,969 --> 00:01:47,460

of stuff was going on and many people

28

00:01:52,249 --> 00:01:49,979

were asking I figured all right fine I

29

00:01:55,969 --> 00:01:52,259

will at least give my two cents for

30

00:01:59,510 --> 00:01:55,979

whatever it's worth and um so

31

00:02:01,069 --> 00:01:59,520

I'm just gonna look like a a bit

32

00:02:02,569 --> 00:02:01,079

confused you know here and there because

33

00:02:03,950 --> 00:02:02,579

I'm also just checking making sure

34

00:02:06,109 --> 00:02:03,960

everything's running

35

00:02:07,670 --> 00:02:06,119

um I just don't trust it yet um it's

36

00:02:10,010 --> 00:02:07,680

been a while obviously it's all of you

37

00:02:12,949 --> 00:02:10,020

know several months since I just

38

00:02:15,430 --> 00:02:12,959

streamed anything at all and so anyway

39

00:02:18,050 --> 00:02:15,440

please bear with me

40

00:02:20,690 --> 00:02:18,060

the main things I wanted to cover is

41

00:02:25,130 --> 00:02:20,700

basically about these recent events that

42

00:02:26,630 --> 00:02:25,140

have been going on uh with the UFO as of

43

00:02:29,089 --> 00:02:26,640

the sudden you know europe-based your

44

00:02:33,770 --> 00:02:29,099

piece are gone and now the UFOs again

45

00:02:36,050 --> 00:02:33,780

and um I posted a video uh or a YouTube

46

00:02:38,890 --> 00:02:36,060

short from something that I said about a

47

00:02:42,050 --> 00:02:38,900

year ago uh regarding this very event

48

00:02:44,270 --> 00:02:42,060

and so I have basically I just want to

49

00:02:46,970 --> 00:02:44,280

cover several different things going to

50

00:02:50,210 --> 00:02:46,980

several different thought patterns

51
00:02:52,670 --> 00:02:50,220
um as as a contactee and from that point

52
00:02:55,190 --> 00:02:52,680
of view I'm not just I'm not going to

53
00:02:57,110 --> 00:02:55,200
cover just only the the way the major

54
00:02:58,490 --> 00:02:57,120
media has covered it but just to just

55
00:03:02,449 --> 00:02:58,500
give you a little bit of insight what

56
00:03:04,009 --> 00:03:02,459
what was going on with me here as all of

57
00:03:05,030 --> 00:03:04,019
this was going on

58
00:03:07,070 --> 00:03:05,040
um

59
00:03:09,229 --> 00:03:07,080
I was basically just everything was just

60
00:03:10,970 --> 00:03:09,239
fine and there was not much going on I

61
00:03:13,610 --> 00:03:10,980
was just enjoying the time with the

62
00:03:15,770 --> 00:03:13,620
family and I started

63
00:03:19,009 --> 00:03:15,780

um getting on telegram started getting

64
00:03:21,050 --> 00:03:19,019
these um different messages about oh you

65
00:03:22,869 --> 00:03:21,060
know they shut down

66
00:03:26,869 --> 00:03:22,879
um another

67
00:03:28,369 --> 00:03:26,879
unidentified uh flying object and uh

68
00:03:31,130 --> 00:03:28,379
then there's this going on there's that

69
00:03:33,770 --> 00:03:31,140
going on and so I'm just kind of looking

70
00:03:35,270 --> 00:03:33,780
at it confusely because

71
00:03:38,570 --> 00:03:35,280
it's not

72
00:03:40,670 --> 00:03:38,580
I don't have a red phone line direct to

73
00:03:42,289 --> 00:03:40,680
ETS just because somebody has been in

74
00:03:43,850 --> 00:03:42,299
contact T doesn't mean you know

75
00:03:46,430 --> 00:03:43,860
everything

76

00:03:47,869 --> 00:03:46,440

um certain contacts give give us a

77

00:03:50,690 --> 00:03:47,879

certain understanding about what's going

78

00:03:53,449 --> 00:03:50,700

on but it doesn't make a psychic and

79

00:03:55,309 --> 00:03:53,459

it's not that they necessarily owe me or

80

00:03:58,430 --> 00:03:55,319

any of the other contacties out there

81

00:04:00,110 --> 00:03:58,440

anything to have to inform us what in

82

00:04:03,170 --> 00:04:00,120

the world is going on and when it's

83

00:04:05,809 --> 00:04:03,180

going to go on but I had thought

84

00:04:07,130 --> 00:04:05,819

for all these connections all the all

85

00:04:10,009 --> 00:04:07,140

the things that went on throughout the

86

00:04:12,110 --> 00:04:10,019

years that I would have at least noticed

87

00:04:15,050 --> 00:04:12,120

something some some change in my mindset

88

00:04:16,969 --> 00:04:15,060

my Consciousness just just like a little

89

00:04:20,150 --> 00:04:16,979

um you know kind of like a notice that

90

00:04:22,909 --> 00:04:20,160

something is going on and

91

00:04:25,070 --> 00:04:22,919

the first thing that I did is call some

92

00:04:27,770 --> 00:04:25,080

of my other friends that are contactees

93

00:04:29,570 --> 00:04:27,780

and one particular was Donna Lynn and

94

00:04:31,490 --> 00:04:29,580

I've interviewed a few times and I

95

00:04:33,050 --> 00:04:31,500

called her I said hey Donna how you

96

00:04:34,730 --> 00:04:33,060

doing you know we're just caught up a

97

00:04:36,530 --> 00:04:34,740

little bit since we haven't talked in a

98

00:04:38,990 --> 00:04:36,540

while and I said I don't know about you

99

00:04:41,510 --> 00:04:39,000

it could be that just my Spidey senses

100

00:04:43,249 --> 00:04:41,520

are just that it's a doornail but

101
00:04:45,469 --> 00:04:43,259
um I don't think it's the real thing and

102
00:04:47,930 --> 00:04:45,479
she just laughed and she said yeah it's

103
00:04:50,330 --> 00:04:47,940
I haven't there's nothing it's just dead

104
00:04:54,110 --> 00:04:50,340
for her and too there wasn't anything

105
00:04:58,550 --> 00:04:54,120
that that would arouse us to like want

106
00:05:01,189 --> 00:04:58,560
to pay attention to it you know and so

107
00:05:02,810 --> 00:05:01,199
from that perspective there was one

108
00:05:05,390 --> 00:05:02,820
thing that I could at least just confirm

109
00:05:07,790 --> 00:05:05,400
with somebody else like I said not that

110
00:05:09,770 --> 00:05:07,800
we are owed something so that we can be

111
00:05:12,350 --> 00:05:09,780
the only ones to convey some info to you

112
00:05:13,730 --> 00:05:12,360
but that was just absolutely nothing and

113
00:05:17,930 --> 00:05:13,740

so

114

00:05:19,310 --> 00:05:17,940

get into next is

115

00:05:20,930 --> 00:05:19,320

so

116

00:05:23,870 --> 00:05:20,940

for the longest time they always talk

117

00:05:26,629 --> 00:05:23,880

about you know shooting these things

118

00:05:29,810 --> 00:05:26,639

down the most famous the event that we

119

00:05:32,570 --> 00:05:29,820

know is Roswell and

120

00:05:34,610 --> 00:05:32,580

we always think that okay well the

121

00:05:36,650 --> 00:05:34,620

initial story was that the radar

122

00:05:39,290 --> 00:05:36,660

installation that they had at that time

123

00:05:41,689 --> 00:05:39,300

was messing with their communication or

124

00:05:43,490 --> 00:05:41,699

their navigation of the ship and that

125

00:05:46,129 --> 00:05:43,500

they crashed

126
00:05:48,710 --> 00:05:46,139
not wanting to go down the mainstream

127
00:05:50,270 --> 00:05:48,720
route to just kind of tell you what you

128
00:05:53,689 --> 00:05:50,280
might already be able to find in the

129
00:05:55,850 --> 00:05:53,699
books and whatnot for anyone that has

130
00:05:57,830 --> 00:05:55,860
um has had contact and all these

131
00:06:00,670 --> 00:05:57,840
different spiritual lessons that kind of

132
00:06:04,969 --> 00:06:00,680
come along with contact you realize that

133
00:06:06,350 --> 00:06:04,979
ultimately every death is a suicide when

134
00:06:09,230 --> 00:06:06,360
you look at it from the higher Soul

135
00:06:10,909 --> 00:06:09,240
perspective and so only you know when

136
00:06:13,790 --> 00:06:10,919
you're ready when it's your time to go

137
00:06:15,830 --> 00:06:13,800
and so when it comes to for example the

138
00:06:18,110 --> 00:06:15,840

Roswell event itself

139

00:06:22,430 --> 00:06:18,120

people think that it was something that

140

00:06:25,129 --> 00:06:22,440

we did that then for example was messing

141

00:06:27,230 --> 00:06:25,139

with their with their devices and they

142

00:06:29,270 --> 00:06:27,240

crashed and they had everything was out

143

00:06:31,129 --> 00:06:29,280

of their control people don't realize

144

00:06:33,710 --> 00:06:31,139

like they could have easily cleaned up

145

00:06:36,670 --> 00:06:33,720

at you know the second there was a crash

146

00:06:39,550 --> 00:06:36,680

not only that these particular beings

147

00:06:42,710 --> 00:06:39,560

they knew what they were getting into

148

00:06:45,350 --> 00:06:42,720

What scenario would be playing out and

149

00:06:47,090 --> 00:06:45,360

to basically in this

150

00:06:50,570 --> 00:06:47,100

I'm not trying to make him look like

151
00:06:52,370 --> 00:06:50,580
these you know uh Angels but in a way

152
00:06:55,370 --> 00:06:52,380
they were sacrificing their lives

153
00:06:57,830 --> 00:06:55,380
knowing what a crash most likely for

154
00:07:01,610 --> 00:06:57,840
each would result in and

155
00:07:03,469 --> 00:07:01,620
it was basically a an event for us to

156
00:07:06,590 --> 00:07:03,479
see you know to see that hey for one

157
00:07:09,590 --> 00:07:06,600
there's more going on and two

158
00:07:12,290 --> 00:07:09,600
um to basically just kind of uh gauge

159
00:07:14,210 --> 00:07:12,300
what would be what would be our reaction

160
00:07:16,309 --> 00:07:14,220
and of course the reaction was the

161
00:07:19,070 --> 00:07:16,319
government immediately shut it down who

162
00:07:20,510 --> 00:07:19,080
whatever whoever saw what they saw were

163
00:07:23,629 --> 00:07:20,520

silenced

164

00:07:25,909 --> 00:07:23,639

um and basically it was swept under the

165

00:07:27,650 --> 00:07:25,919

rug and so

166

00:07:29,689 --> 00:07:27,660

they basically had

167

00:07:32,930 --> 00:07:29,699

whatever they recovered from the ship

168

00:07:35,330 --> 00:07:32,940

the they had the beings the monster that

169

00:07:38,029 --> 00:07:35,340

died I believe the way it goes it was

170

00:07:40,670 --> 00:07:38,039

that one of them was alive but you have

171

00:07:43,370 --> 00:07:40,680

to still understand the way they operate

172

00:07:46,010 --> 00:07:43,380

it's still they're so Advanced that at

173

00:07:50,150 --> 00:07:46,020

any given point uh everything could have

174

00:07:53,570 --> 00:07:50,160

been put to Halt ex them being extracted

175

00:07:55,370 --> 00:07:53,580

and basically just left with nothing to

176

00:07:57,409 --> 00:07:55,380

there would be no event there would be

177

00:07:59,629 --> 00:07:57,419

nothing going on and you would not

178

00:08:03,110 --> 00:07:59,639

basically have anything to talk about

179

00:08:04,550 --> 00:08:03,120

but instead it's just become part of our

180

00:08:09,230 --> 00:08:04,560

um our

181

00:08:11,870 --> 00:08:09,240

I guess our folklore nowadays and so

182

00:08:14,150 --> 00:08:11,880

when they talk about shooting these

183

00:08:16,969 --> 00:08:14,160

these planes down it's actually very

184

00:08:20,150 --> 00:08:16,979

comical because on one end you have the

185

00:08:22,909 --> 00:08:20,160

tick tock footage and these Pilots

186

00:08:24,710 --> 00:08:22,919

talking about how incredibly fast uh

187

00:08:28,490 --> 00:08:24,720

these different speeds that they

188

00:08:31,010 --> 00:08:28,500

Traverse from uh whatever going so many

189

00:08:35,149 --> 00:08:31,020

miles per hour increasing by so many

190

00:08:38,149 --> 00:08:35,159

marks ahead and then turning 90 degrees

191

00:08:40,670 --> 00:08:38,159

and basically running loops around our

192

00:08:43,670 --> 00:08:40,680

top airplanes and top Pilots you know

193

00:08:45,350 --> 00:08:43,680

but somehow now we often have developed

194

00:08:47,690 --> 00:08:45,360

the technology to be able to shoot them

195

00:08:50,150 --> 00:08:47,700

down you know for maybe an average

196

00:08:52,790 --> 00:08:50,160

person who's not into this it might make

197

00:08:56,210 --> 00:08:52,800

sense but for most of us knowing what we

198

00:08:58,790 --> 00:08:56,220

know it's just it's pretty comical so

199

00:09:01,490 --> 00:08:58,800

to give you an example

200

00:09:04,070 --> 00:09:01,500

um actually just pulled up a few Windows

201
00:09:09,590 --> 00:09:04,080
here just to

202
00:09:15,050 --> 00:09:12,710
so this is the

203
00:09:17,030 --> 00:09:15,060
this is the the footage that we all know

204
00:09:18,650 --> 00:09:17,040
I'm gonna have it just go silent just so

205
00:09:22,310 --> 00:09:18,660
that there's any that there's any

206
00:09:26,750 --> 00:09:24,889
and so they're just in this footage

207
00:09:29,570 --> 00:09:26,760
everyone that has seen it they're amazed

208
00:09:31,610 --> 00:09:29,580
how they fly how fast they fly how face

209
00:09:34,790 --> 00:09:31,620
the how fast they fly Against the Wind

210
00:09:37,250 --> 00:09:34,800
you know and it's just you know

211
00:09:39,350 --> 00:09:37,260
baffling them and how all of this is

212
00:09:41,990 --> 00:09:39,360
possible and so

213
00:09:44,389 --> 00:09:42,000

if you basically had anything that

214

00:09:46,070 --> 00:09:44,399

you're trying to shoot down at them they

215

00:09:49,550 --> 00:09:46,080

would still be able to just see it from

216

00:09:52,910 --> 00:09:49,560

a mile away so to speak and so um at the

217

00:09:55,130 --> 00:09:52,920

same time uh there's specifically an

218

00:09:57,350 --> 00:09:55,140

event that

219

00:10:00,350 --> 00:09:57,360

um well shift over to this window

220

00:10:02,410 --> 00:10:00,360

I did this interview with David Marler a

221

00:10:04,850 --> 00:10:02,420

while back and

222

00:10:07,070 --> 00:10:04,860

it's it was during one of the

223

00:10:09,350 --> 00:10:07,080

conferences and he and I uh were

224

00:10:11,449 --> 00:10:09,360

basically he was discussing the research

225

00:10:12,350 --> 00:10:11,459

that he did on the battle uh Battle of

226

00:10:14,030 --> 00:10:12,360

LA

227

00:10:16,790 --> 00:10:14,040

and

228

00:10:17,810 --> 00:10:16,800

I just had the image see if I can find

229

00:10:19,730 --> 00:10:17,820

it back

230

00:10:21,889 --> 00:10:19,740

so he's

231

00:10:23,990 --> 00:10:21,899

basically discussing this particular

232

00:10:25,970 --> 00:10:24,000

event uh that

233

00:10:28,610 --> 00:10:25,980

um that occurred in La

234

00:10:30,889 --> 00:10:28,620

um there were he was talking about this

235

00:10:32,570 --> 00:10:30,899

was during World War II so initially

236

00:10:35,990 --> 00:10:32,580

this was thought to be some kind of

237

00:10:39,170 --> 00:10:36,000

enemy balloon or or some kind of uh um

238

00:10:42,530 --> 00:10:39,180

airplane uh officially or or attacking

239

00:10:44,509 --> 00:10:42,540

the land and so they had all this air

240

00:10:46,550 --> 00:10:44,519

defense system set up and they were

241

00:10:48,470 --> 00:10:46,560

pretty much ready for whatever for

242

00:10:50,750 --> 00:10:48,480

whatever might be coming why because

243

00:10:52,790 --> 00:10:50,760

we're at War and so

244

00:10:54,829 --> 00:10:52,800

what I find interesting and I just wrote

245

00:10:58,190 --> 00:10:54,839

this down here and this is per David

246

00:11:00,889 --> 00:10:58,200

mahler's specific research so there were

247

00:11:04,370 --> 00:11:00,899

tens of thousands of witnesses that saw

248

00:11:06,410 --> 00:11:04,380

this it was a slow flying of even flying

249

00:11:10,970 --> 00:11:06,420

slower than the airplanes at that time

250

00:11:13,009 --> 00:11:10,980

uh object there were three separate

251
00:11:15,050 --> 00:11:13,019
radar installations that later on was

252
00:11:17,449 --> 00:11:15,060
the class of this yeah the classified

253
00:11:19,550 --> 00:11:17,459
and they knew that all three of them

254
00:11:22,550 --> 00:11:19,560
were able to

255
00:11:23,930 --> 00:11:22,560
um track it that it was about

256
00:11:26,210 --> 00:11:23,940
um at that time when they started

257
00:11:28,430 --> 00:11:26,220
tracking I believe 120 miles off the

258
00:11:30,410 --> 00:11:28,440
coast so

259
00:11:32,210 --> 00:11:30,420
what I find amazing since we're talking

260
00:11:36,050 --> 00:11:32,220
about shooting things down

261
00:11:37,850 --> 00:11:36,060
this particular event they fired a

262
00:11:40,130 --> 00:11:37,860
thousand four hundred rounds of

263
00:11:43,730 --> 00:11:40,140

anti-aircraft rounds

264

00:11:45,410 --> 00:11:43,740

there were 50 cows 37 millimeters you

265

00:11:46,490 --> 00:11:45,420

can see in that picture some of these

266

00:11:47,329 --> 00:11:46,500

other little

267

00:11:49,509 --> 00:11:47,339

um

268

00:11:56,630 --> 00:11:53,269

blobs above it I believe a tracer rounds

269

00:12:00,050 --> 00:11:56,640

and this thing did not budge it just

270

00:12:02,750 --> 00:12:00,060

still went uh down its its path

271

00:12:05,329 --> 00:12:02,760

um doing whatever it was doing and it

272

00:12:06,650 --> 00:12:05,339

created a huge uproar that eventually

273

00:12:10,069 --> 00:12:06,660

was covered by a whole bunch of

274

00:12:12,829 --> 00:12:10,079

newspapers I have some clippings here in

275

00:12:15,110 --> 00:12:12,839

the video and this is also during the

276

00:12:17,329 --> 00:12:15,120

Ozark Mountain UFO conference

277

00:12:19,790 --> 00:12:17,339

um David Marla had brought these

278

00:12:22,850 --> 00:12:19,800

newspapers and just basically what was

279

00:12:24,769 --> 00:12:22,860

to this to show how they

280

00:12:25,730 --> 00:12:24,779

how they portrayed it in newspapers at

281

00:12:27,410 --> 00:12:25,740

that time

282

00:12:29,389 --> 00:12:27,420

so

283

00:12:30,889 --> 00:12:29,399

you have to understand that these things

284

00:12:34,730 --> 00:12:30,899

are

285

00:12:37,190 --> 00:12:34,740

just they don't operate in our reality a

286

00:12:40,130 --> 00:12:37,200

3D world where we just throw very fast

287

00:12:42,170 --> 00:12:40,140

projectiles and if something is hit by

288

00:12:43,610 --> 00:12:42,180

it it you know that it will have some

289

00:12:46,730 --> 00:12:43,620

kind of effect

290

00:12:48,710 --> 00:12:46,740

um like I said the only way that any of

291

00:12:51,110 --> 00:12:48,720

these shoot Downs as they were as they

292

00:12:53,030 --> 00:12:51,120

call them in the past eight days that

293

00:12:55,430 --> 00:12:53,040

would be happening is that if they

294

00:12:58,009 --> 00:12:55,440

basically uh they meaning whichever

295

00:13:00,590 --> 00:12:58,019

alien group happens to be wanting to

296

00:13:02,150 --> 00:13:00,600

orchestrate this this endeavor they

297

00:13:04,490 --> 00:13:02,160

would allow it to happen

298

00:13:06,829 --> 00:13:04,500

because we just think that of the sudden

299

00:13:10,069 --> 00:13:06,839

we've developed this super technology

300

00:13:13,310 --> 00:13:10,079

even even the stuff that we hide from

301
00:13:16,970 --> 00:13:13,320
the general public is

302
00:13:20,090 --> 00:13:16,980
still a choice compared to the their

303
00:13:22,129 --> 00:13:20,100
their actual technology so when it came

304
00:13:24,530 --> 00:13:22,139
down to this being alien it immediately

305
00:13:26,150 --> 00:13:24,540
just it was first it was a non-starter

306
00:13:30,350 --> 00:13:26,160
because like there's absolutely nothing

307
00:13:32,030 --> 00:13:30,360
there uh feeling wise nothing it had

308
00:13:33,889 --> 00:13:32,040
occurred prior I talked to some others

309
00:13:37,190 --> 00:13:33,899
they were like yeah nothing going on

310
00:13:38,750 --> 00:13:37,200
here either and the more than you start

311
00:13:40,430 --> 00:13:38,760
looking into it

312
00:13:42,290 --> 00:13:40,440
um it's like they're showing that okay

313
00:13:44,090 --> 00:13:42,300

well these objects they had these

314

00:13:45,350 --> 00:13:44,100

different shapes and they were

315

00:13:48,290 --> 00:13:45,360

um it seems like that they were being

316

00:13:50,750 --> 00:13:48,300

moved by the wind so it was

317

00:13:53,269 --> 00:13:50,760

um very difficult for them to to shoot

318

00:13:56,449 --> 00:13:53,279

them down just because of how slow they

319

00:13:59,210 --> 00:13:56,459

were going compared to the fast aircraft

320

00:14:00,889 --> 00:13:59,220

anyway and now long straight short none

321

00:14:03,889 --> 00:14:00,899

of those objects that were supposedly

322

00:14:05,449 --> 00:14:03,899

shot down they there's no way or at

323

00:14:08,329 --> 00:14:05,459

least at this point they don't have any

324

00:14:10,490 --> 00:14:08,339

debris that they can recover and so at

325

00:14:12,110 --> 00:14:10,500

the end of the day

326

00:14:14,389 --> 00:14:12,120

based on

327

00:14:15,650 --> 00:14:14,399

the people we're talking about which is

328

00:14:18,530 --> 00:14:15,660

the government

329

00:14:21,110 --> 00:14:18,540

having the ability to okay you say you

330

00:14:22,850 --> 00:14:21,120

shot it down because I mean when I tell

331

00:14:25,129 --> 00:14:22,860

your story it's because that's all I'm

332

00:14:26,810 --> 00:14:25,139

left with you know if I had the chance

333

00:14:29,150 --> 00:14:26,820

to take a video if I had a chance to

334

00:14:31,250 --> 00:14:29,160

bring some with me believe me I would

335

00:14:33,290 --> 00:14:31,260

have but at the end of the day I just

336

00:14:35,389 --> 00:14:33,300

have the things I've learned about to

337

00:14:37,910 --> 00:14:35,399

tell you about it you can either take it

338

00:14:39,949 --> 00:14:37,920

or leave it but that's all I can offer

339

00:14:42,350 --> 00:14:39,959

when we talk about a government that

340

00:14:44,449 --> 00:14:42,360

says they had saw something they tracked

341

00:14:45,949 --> 00:14:44,459

something they shut down something you

342

00:14:48,350 --> 00:14:45,959

know and then after sudden they can't

343

00:14:50,389 --> 00:14:48,360

recover any debris except for the

344

00:14:52,970 --> 00:14:50,399

initial Chinese balloon

345

00:14:55,670 --> 00:14:52,980

um it just we just are stuck with the

346

00:14:57,829 --> 00:14:55,680

story from a government that technically

347

00:14:59,329 --> 00:14:57,839

should be able to back up everything

348

00:15:03,230 --> 00:14:59,339

they're doing

349

00:15:05,269 --> 00:15:03,240

it's like I don't have that kind of

350

00:15:07,550 --> 00:15:05,279

resource and and obviously hadn't had

351
00:15:09,710 --> 00:15:07,560
the capability otherwise I would have

352
00:15:11,750 --> 00:15:09,720
just screamed the top of the lungs to

353
00:15:14,509 --> 00:15:11,760
basically show everything that that I

354
00:15:15,170 --> 00:15:14,519
was able to capture so anyway

355
00:15:20,810 --> 00:15:15,180
um

356
00:15:22,610 --> 00:15:20,820
what just what it seemed to me is for

357
00:15:24,410 --> 00:15:22,620
for some reason

358
00:15:26,449 --> 00:15:24,420
no matter how much now they start

359
00:15:28,850 --> 00:15:26,459
looking into UFOs and it's such a

360
00:15:30,829 --> 00:15:28,860
buzzword in the community there's still

361
00:15:34,430 --> 00:15:30,839
people that just kind of

362
00:15:36,530 --> 00:15:34,440
so think that this is in a way some kind

363
00:15:39,710 --> 00:15:36,540

of some kind of a joke or a conspiracy

364

00:15:42,230 --> 00:15:39,720

and so I'm thinking well look at all

365

00:15:44,150 --> 00:15:42,240

these decades that UFOs were supposed to

366

00:15:46,850 --> 00:15:44,160

be a conspiracy theory and now the

367

00:15:47,769 --> 00:15:46,860

government is you know actively having a

368

00:15:50,810 --> 00:15:47,779

department

369

00:15:53,030 --> 00:15:50,820

to collect data about UFOs admitting

370

00:15:55,730 --> 00:15:53,040

your your Force exists you know and all

371

00:15:58,129 --> 00:15:55,740

these things and somehow it's still just

372

00:16:01,430 --> 00:15:58,139

kind of a conspiracy that's supposed to

373

00:16:04,790 --> 00:16:01,440

be a joke you know and

374

00:16:07,250 --> 00:16:04,800

when you look at especially in the 90s I

375

00:16:08,689 --> 00:16:07,260

believe a lot of the the contactees were

376

00:16:10,550 --> 00:16:08,699

able to just

377

00:16:13,430 --> 00:16:10,560

um whatever information was conveyed to

378

00:16:16,189 --> 00:16:13,440

them and through some other sources to

379

00:16:19,730 --> 00:16:16,199

say hey uh it looks like at one point or

380

00:16:22,970 --> 00:16:19,740

another the government will create a

381

00:16:24,710 --> 00:16:22,980

it's kind of a false flag scenario and

382

00:16:26,329 --> 00:16:24,720

so this seemed like it was going down

383

00:16:28,550 --> 00:16:26,339

that direction but then of course

384

00:16:32,030 --> 00:16:28,560

they're like oh the the full you know

385

00:16:34,250 --> 00:16:32,040

the the the uh false flag scenario for

386

00:16:36,829 --> 00:16:34,260

UFOs aliens attacking this is just a

387

00:16:38,629 --> 00:16:36,839

conspiracy it's not real it's like how

388

00:16:40,490 --> 00:16:38,639

many more times do we have to be lied to

389

00:16:43,310 --> 00:16:40,500

by the government were they constantly

390

00:16:45,530 --> 00:16:43,320

just lie and hide and all that but then

391

00:16:48,110 --> 00:16:45,540

when they State make a statement about

392

00:16:50,090 --> 00:16:48,120

something recent oh yes let's believe it

393

00:16:51,769 --> 00:16:50,100

let's believe whatever whatever they're

394

00:16:53,449 --> 00:16:51,779

saying if they lied about everything

395

00:16:55,910 --> 00:16:53,459

else there's absolutely no reason for

396

00:16:58,069 --> 00:16:55,920

them to lie again and so

397

00:17:00,230 --> 00:16:58,079

it seems like the way they're talking

398

00:17:01,850 --> 00:17:00,240

and the way

399

00:17:04,730 --> 00:17:01,860

um I have a

400

00:17:08,569 --> 00:17:04,740

uh let me switch this back there's this

401
00:17:10,309 --> 00:17:08,579
uh video I was it was posted um by Ryan

402
00:17:10,970 --> 00:17:10,319
but it's basically

403
00:17:12,829 --> 00:17:10,980
um

404
00:17:14,329 --> 00:17:12,839
oh I forgot his name but this was a

405
00:17:15,650 --> 00:17:14,339
press release from the White House and

406
00:17:18,289 --> 00:17:15,660
they were talking about the Biden

407
00:17:22,549 --> 00:17:18,299
Washington you know was um briefed on

408
00:17:24,949 --> 00:17:22,559
the UF on the UFO uh UFOs and uh

409
00:17:26,510 --> 00:17:24,959
whatever else was going on and so that

410
00:17:29,390 --> 00:17:26,520
he now

411
00:17:32,030 --> 00:17:29,400
um is the first president to to announce

412
00:17:33,530 --> 00:17:32,040
that we need to look into this more you

413
00:17:35,090 --> 00:17:33,540

know and I don't know it's just I don't

414

00:17:37,250 --> 00:17:35,100

know the statements are making it sound

415

00:17:40,190 --> 00:17:37,260

very ridiculous to me you know because

416

00:17:42,409 --> 00:17:40,200

it's almost like oh yeah nobody ever

417

00:17:44,570 --> 00:17:42,419

bothered to look this up in the

418

00:17:46,789 --> 00:17:44,580

government prior you know obviously the

419

00:17:49,250 --> 00:17:46,799

the the project in Pentagon that they

420

00:17:51,590 --> 00:17:49,260

invested 22 million dollars for and all

421

00:17:54,289 --> 00:17:51,600

that none of that was real only only

422

00:17:56,330 --> 00:17:54,299

when he puts it out there and tells the

423

00:17:59,870 --> 00:17:56,340

agencies to look into it only now is

424

00:18:02,090 --> 00:17:59,880

this a valid thing anyway so besides

425

00:18:03,230 --> 00:18:02,100

that they're basically

426

00:18:04,610 --> 00:18:03,240

um

427

00:18:09,169 --> 00:18:04,620

just

428

00:18:11,210 --> 00:18:09,179

the flip-flopping between well it's it's

429

00:18:14,630 --> 00:18:11,220

not a balloon and we're specifically

430

00:18:16,430 --> 00:18:14,640

calling it a unidentified object you

431

00:18:18,950 --> 00:18:16,440

know and so but we don't know exactly

432

00:18:20,810 --> 00:18:18,960

what it is and so of course leaving uh

433

00:18:22,430 --> 00:18:20,820

the people and everyone else just in the

434

00:18:24,350 --> 00:18:22,440

dark and playing playing these different

435

00:18:25,669 --> 00:18:24,360

games but

436

00:18:27,890 --> 00:18:25,679

foreign

437

00:18:30,169 --> 00:18:27,900

my wife was basically like she was one

438

00:18:31,909 --> 00:18:30,179

of the ones that got me to to actually

439

00:18:33,289 --> 00:18:31,919

just kind of push me even further to do

440

00:18:34,909 --> 00:18:33,299

the stream because she was like you seem

441

00:18:36,650 --> 00:18:34,919

to be pretty upset about this so why

442

00:18:38,870 --> 00:18:36,660

don't you do a stream and and do open

443

00:18:40,370 --> 00:18:38,880

lines so it's like all right why not

444

00:18:42,230 --> 00:18:40,380

um

445

00:18:44,690 --> 00:18:42,240

they

446

00:18:47,930 --> 00:18:44,700

since I was a child and even in the 90s

447

00:18:50,270 --> 00:18:47,940

it was known a couple decades prior to

448

00:18:52,549 --> 00:18:50,280

that that they had satellites that you

449

00:18:54,770 --> 00:18:52,559

can they can zoom in and pick up the

450

00:18:57,169 --> 00:18:54,780

date on the newspaper from a person

451

00:18:59,510 --> 00:18:57,179

sitting whatever they're sitting in the

452

00:19:01,909 --> 00:18:59,520

open to be able to see it you know to

453

00:19:03,830 --> 00:19:01,919

see what the date of that is it was they

454

00:19:05,990 --> 00:19:03,840

were supposed to imply that those

455

00:19:09,409 --> 00:19:06,000

satellites were that sophisticated

456

00:19:12,470 --> 00:19:09,419

what I found very interesting is that

457

00:19:14,090 --> 00:19:12,480

most of satellites people don't see uh

458

00:19:16,310 --> 00:19:14,100

most of the time they don't they don't

459

00:19:17,990 --> 00:19:16,320

look at them or fear them but if you

460

00:19:20,210 --> 00:19:18,000

have something as ridiculous as this

461

00:19:21,770 --> 00:19:20,220

balloon and whether it was real whatever

462

00:19:25,549 --> 00:19:21,780

it was doing

463

00:19:28,610 --> 00:19:25,559

um it had now more of a a visual over

464

00:19:31,310 --> 00:19:28,620

your head pay attention fear this object

465

00:19:33,830 --> 00:19:31,320

type feel to whatever however they're

466

00:19:35,630 --> 00:19:33,840

saying it and not only that they kept

467

00:19:39,470 --> 00:19:35,640

letting it Fly throughout the United

468

00:19:42,230 --> 00:19:39,480

States and letting it letting it Fly

469

00:19:45,470 --> 00:19:42,240

um to whatever its uh Final Destination

470

00:19:48,409 --> 00:19:45,480

was where they finally shot it uh what

471

00:19:50,930 --> 00:19:48,419

where they finally shot it down but it

472

00:19:53,870 --> 00:19:50,940

was kind of like letting just the people

473

00:19:55,370 --> 00:19:53,880

just speculate and fear and just and

474

00:19:57,230 --> 00:19:55,380

just basically as he was going it's like

475

00:19:58,909 --> 00:19:57,240

why aren't you doing anything and those

476

00:20:01,250 --> 00:19:58,919

that are still wrapped up in the

477

00:20:03,590 --> 00:20:01,260

mainstream and and the only way to get

478

00:20:06,650 --> 00:20:03,600

new system mainstream they just get into

479

00:20:08,990 --> 00:20:06,660

this frenzy about this and so making it

480

00:20:10,130 --> 00:20:09,000

a bigger deal and so once they shot that

481

00:20:12,110 --> 00:20:10,140

down

482

00:20:14,690 --> 00:20:12,120

everything else after they were just

483

00:20:16,789 --> 00:20:14,700

shooting down like immediately right and

484

00:20:18,650 --> 00:20:16,799

so it's basically it's almost like

485

00:20:20,330 --> 00:20:18,660

they're psychologically setting the

486

00:20:23,090 --> 00:20:20,340

people up for something

487

00:20:25,850 --> 00:20:23,100

whether that's another conflict with uh

488

00:20:29,390 --> 00:20:25,860

China whether that is to actually just

489

00:20:32,090 --> 00:20:29,400

make the false flag UFO attack to

490

00:20:34,909 --> 00:20:32,100

fruition whatever the point is

491

00:20:39,470 --> 00:20:34,919

um it just stinks to how I have it and

492

00:20:42,830 --> 00:20:39,480

um there's I saw this post it was um

493

00:20:44,630 --> 00:20:42,840

was posted by by Snowden and he just

494

00:20:47,990 --> 00:20:44,640

from his perspective saying it's not

495

00:20:50,630 --> 00:20:48,000

aliens I wish it were aliens but it's

496

00:20:53,990 --> 00:20:50,640

not aliens uh it's just the old engine

497

00:20:54,590 --> 00:20:54,000

engineered panic and attractive

498

00:20:57,610 --> 00:20:54,600

um

499

00:21:01,370 --> 00:20:57,620

a nuisance ensuring

500

00:21:03,710 --> 00:21:01,380

uh natsek

501
00:21:05,630 --> 00:21:03,720
I'm not sure exactly but my brain is

502
00:21:06,409 --> 00:21:05,640
just foggy right now

503
00:21:09,590 --> 00:21:06,419
um

504
00:21:13,190 --> 00:21:09,600
reports get assigned to investigate

505
00:21:16,730 --> 00:21:13,200
balloon rather than budgets of

506
00:21:19,310 --> 00:21:16,740
bombing solid cards until next time so

507
00:21:21,650 --> 00:21:19,320
anyway even whatever he knows I don't

508
00:21:23,390 --> 00:21:21,660
know exactly when he knows he's he's not

509
00:21:25,490 --> 00:21:23,400
buying it and I'm pretty sure some of

510
00:21:27,110 --> 00:21:25,500
you you know it might be preaching this

511
00:21:29,870 --> 00:21:27,120
to require

512
00:21:33,470 --> 00:21:29,880
um maybe this might be news to you but

513
00:21:34,909 --> 00:21:33,480

um if you like I said uh telegram is

514

00:21:36,649 --> 00:21:34,919

running if you would like to talk about

515

00:21:39,710 --> 00:21:36,659

this we can

516

00:21:41,810 --> 00:21:39,720

um otherwise you know I can just cover

517

00:21:44,390 --> 00:21:41,820

this a little bit longer and then maybe

518

00:21:48,110 --> 00:21:44,400

going to chat to see what's going on

519

00:21:53,690 --> 00:21:51,890

yeah just my other chat window I thought

520

00:21:56,510 --> 00:21:53,700

that it would be

521

00:21:59,090 --> 00:21:56,520

easier to set up but like I said it's

522

00:22:01,789 --> 00:21:59,100

been such a long time for me is that I

523

00:22:03,950 --> 00:22:01,799

basically had to relearn to figure out

524

00:22:08,810 --> 00:22:03,960

exactly uh where

525

00:22:13,850 --> 00:22:09,529

um

526
00:22:13,860 --> 00:22:16,789
Maybe

527
00:22:22,010 --> 00:22:19,970
I promise next time it'll be hopefully a

528
00:22:23,990 --> 00:22:22,020
bit more refined

529
00:22:38,990 --> 00:22:24,000
maybe I'll never never achieve that

530
00:22:47,390 --> 00:22:42,850
uh NM Tumbleweed hello

531
00:22:48,470 --> 00:22:47,400
uh soul brother okay

532
00:22:49,789 --> 00:22:48,480
um

533
00:22:56,090 --> 00:22:49,799
says

534
00:23:01,669 --> 00:22:58,850
I'm hello silky B hello Renee how are

535
00:23:07,750 --> 00:23:04,909
Renee says

536
00:23:10,190 --> 00:23:07,760
where's the Alaskan

537
00:23:13,310 --> 00:23:10,200
Canadian lake

538
00:23:14,270 --> 00:23:13,320

Horan South Carolina missile UFO film

539

00:23:17,990 --> 00:23:14,280

video

540

00:23:20,930 --> 00:23:18,000

footage I only heard Air Force jet

541

00:23:23,750 --> 00:23:20,940

fighters radio transmission as they

542

00:23:25,490 --> 00:23:23,760

destroyed it yeah I don't know

543

00:23:26,750 --> 00:23:25,500

um I don't know how how they're going to

544

00:23:28,430 --> 00:23:26,760

play this one if they're going to

545

00:23:34,010 --> 00:23:28,440

actually

546

00:23:35,810 --> 00:23:34,020

um but I guess it's just up to them to

547

00:23:39,169 --> 00:23:35,820

see how they're going to play it play it

548

00:23:45,710 --> 00:23:42,049

uh silky B says have you heard of an

549

00:23:48,049 --> 00:23:45,720

octagonal craft before yes we have but

550

00:23:49,610 --> 00:23:48,059

just at this point the way the

551
00:23:50,870 --> 00:23:49,620
government is presenting it they just

552
00:23:54,649 --> 00:23:50,880
don't know

553
00:23:56,270 --> 00:23:54,659
tell if this is actually supposed to be

554
00:23:56,930 --> 00:23:56,280
a real

555
00:23:59,630 --> 00:23:56,940
um

556
00:24:02,750 --> 00:23:59,640
a real event or if this is just

557
00:24:04,549 --> 00:24:02,760
something that they made to look like an

558
00:24:06,890 --> 00:24:04,559
odd shape so we can

559
00:24:13,909 --> 00:24:06,900
shoot it down and then they they say Hey

560
00:24:13,919 --> 00:24:17,750
okay let's see

561
00:24:17,760 --> 00:24:24,190
level man hello as well

562
00:24:30,909 --> 00:24:28,669
uh Tim Montour the USA should use the

563
00:24:33,890 --> 00:24:30,919

hc-130 helicopter

564

00:24:36,529 --> 00:24:33,900

employing the Skyhook recovery system

565

00:24:38,330 --> 00:24:36,539

for the balloon yeah I mean if whatever

566

00:24:39,970 --> 00:24:38,340

capabilities they have I would have

567

00:24:44,149 --> 00:24:39,980

thought they would have jumped on that

568

00:24:45,890 --> 00:24:44,159

that's that's kind of my thought but I

569

00:24:47,750 --> 00:24:45,900

don't know they they always have their

570

00:24:50,810 --> 00:24:47,760

own ideas of what they want to do how

571

00:24:50,820 --> 00:24:54,430

foreign

572

00:24:58,970 --> 00:24:57,470

still just kind of looking to see what

573

00:25:07,010 --> 00:24:58,980

if there's any other comments or

574

00:25:10,669 --> 00:25:09,350

Karen says nice to you voice thanks for

575

00:25:13,130 --> 00:25:10,679

your input yeah thank you I appreciate

576

00:25:14,810 --> 00:25:13,140

it yeah it's just I'm starting back out

577

00:25:16,970 --> 00:25:14,820

I don't know how long this stream will

578

00:25:19,250 --> 00:25:16,980

last but at least

579

00:25:21,890 --> 00:25:19,260

um I'm hoping that to

580

00:25:23,750 --> 00:25:21,900

just wrap up and continue and hopefully

581

00:25:26,330 --> 00:25:23,760

be able to be back

582

00:25:27,890 --> 00:25:26,340

um once a week if not once every two

583

00:25:30,950 --> 00:25:27,900

weeks but just have something on a

584

00:25:31,930 --> 00:25:30,960

regular basis so that everyone can

585

00:25:35,810 --> 00:25:31,940

um

586

00:25:38,029 --> 00:25:35,820

uh can can know when I'm when I'm on and

587

00:25:38,750 --> 00:25:38,039

of course if you subscribe

588

00:25:42,289 --> 00:25:38,760

um

589

00:25:44,029 --> 00:25:42,299

to YouTube I Like to like this video and

590

00:25:46,070 --> 00:25:44,039

make sure all your notifications are on

591

00:25:48,649 --> 00:25:46,080

I'm hoping that YouTube will inform you

592

00:25:52,730 --> 00:25:48,659

of everything that's going on whenever I

593

00:25:55,370 --> 00:25:52,740

do go live I also have most actually all

594

00:25:58,190 --> 00:25:55,380

the library uh not including this video

595

00:26:00,890 --> 00:25:58,200

but maybe tomorrow it will this video

596

00:26:03,409 --> 00:26:00,900

will be on it which is Rumble and that's

597

00:26:06,110 --> 00:26:03,419

why I have a separate backup in case

598

00:26:08,510 --> 00:26:06,120

there's some things that YouTube doesn't

599

00:26:10,850 --> 00:26:08,520

like and they close down this Channel or

600

00:26:14,390 --> 00:26:10,860

give me a strike you can watch the full

601
00:26:17,870 --> 00:26:14,400
videos there and of course telegram the

602
00:26:19,730 --> 00:26:17,880
uh the chat window where you can use

603
00:26:21,590 --> 00:26:19,740
voice to talk to me directly and ask

604
00:26:24,310 --> 00:26:21,600
questions or Chit Chat is open right now

605
00:26:28,370 --> 00:26:24,320
but you can also follow Telegram

606
00:26:30,529 --> 00:26:28,380
to just for any kind of updates because

607
00:26:31,970 --> 00:26:30,539
whenever this this thing was going on I

608
00:26:34,610 --> 00:26:31,980
was kind of watching Telegram and

609
00:26:37,250 --> 00:26:34,620
whoever was posting whatever whatever

610
00:26:39,169 --> 00:26:37,260
information was coming through for me to

611
00:26:41,690 --> 00:26:39,179
just see what they have and if it's

612
00:26:44,090 --> 00:26:41,700
something good and valid for me then

613
00:26:46,970 --> 00:26:44,100

just repost for all of you to see but

614

00:26:48,950 --> 00:26:46,980

again it's it's not something I I do

615

00:26:50,930 --> 00:26:48,960

generally because I mean

616

00:26:52,850 --> 00:26:50,940

when it comes to the government and

617

00:26:54,769 --> 00:26:52,860

trying to figure it out you can spend an

618

00:26:57,110 --> 00:26:54,779

entire life I should say waste your

619

00:27:00,409 --> 00:26:57,120

entire life trying to get something out

620

00:27:03,350 --> 00:27:00,419

of them that's just straightforward and

621

00:27:04,850 --> 00:27:03,360

you know clear answers and to me I would

622

00:27:06,590 --> 00:27:04,860

think that would only cause frustrations

623

00:27:07,850 --> 00:27:06,600

you know it's like why would you want

624

00:27:11,990 --> 00:27:07,860

that in your life when you can do your

625

00:27:14,990 --> 00:27:12,000

own research you know um just take an

626

00:27:17,510 --> 00:27:15,000

advice from you know

627

00:27:19,970 --> 00:27:17,520

anyone else but the government because

628

00:27:24,470 --> 00:27:19,980

you know when you know they're just

629

00:27:29,090 --> 00:27:26,870

and uh just wanted to play the games I

630

00:27:35,230 --> 00:27:29,100

mean who's got time for that

631

00:27:35,240 --> 00:27:40,909

okay um

632

00:27:44,630 --> 00:27:43,850

uh silky B says I feel this thing of it

633

00:27:47,810 --> 00:27:44,640

too

634

00:27:50,090 --> 00:27:47,820

well I just um

635

00:27:53,390 --> 00:27:50,100

what uh what just amazes me the most

636

00:27:55,490 --> 00:27:53,400

especially with when

637

00:27:57,710 --> 00:27:55,500

I guess maybe my expectation of

638

00:27:59,289 --> 00:27:57,720

Americans was very high because I

639

00:28:01,549 --> 00:27:59,299

thought there was enough

640

00:28:03,830 --> 00:28:01,559

independent thinking critical thinking

641

00:28:06,950 --> 00:28:03,840

for people not to fall for a lot of

642

00:28:09,529 --> 00:28:06,960

things in the past two three years and

643

00:28:12,529 --> 00:28:09,539

you know um

644

00:28:14,690 --> 00:28:12,539

I guess I was wrong you know there's

645

00:28:16,430 --> 00:28:14,700

very few like you out there that follow

646

00:28:19,549 --> 00:28:16,440

this Channel and you know what I'm

647

00:28:21,890 --> 00:28:19,559

talking about but um uh most most of

648

00:28:25,310 --> 00:28:21,900

them are just you know they just want to

649

00:28:28,010 --> 00:28:25,320

be told by others what to do where to go

650

00:28:29,930 --> 00:28:28,020

how to think about certain things and

651
00:28:31,909 --> 00:28:29,940
then they go out and propagate that same

652
00:28:34,250 --> 00:28:31,919
information thinking it's their own and

653
00:28:37,190 --> 00:28:34,260
they just discuss it you know by instead

654
00:28:39,230 --> 00:28:37,200
it's just either a you know a CNN

655
00:28:41,930 --> 00:28:39,240
talking point or Fox News talking point

656
00:28:43,370 --> 00:28:41,940
and um you know makes them feel good

657
00:28:46,149 --> 00:28:43,380
that they're in in the know about

658
00:28:50,149 --> 00:28:46,159
something but in reality they're just

659
00:28:57,529 --> 00:28:50,159
barely given anything if anything at all

660
00:29:02,570 --> 00:29:00,289
C5 I want to see if I missed missed

661
00:29:06,409 --> 00:29:02,580
anyone else

662
00:29:08,210 --> 00:29:06,419
nope said hello to those that are there

663
00:29:11,090 --> 00:29:08,220

well um

664

00:29:12,890 --> 00:29:11,100

yeah I don't I like all I've got to say

665

00:29:18,049 --> 00:29:12,900

about

666

00:29:21,049 --> 00:29:18,059

to conclusions you know please don't

667

00:29:24,529 --> 00:29:21,059

don't get yourself riled up about it

668

00:29:27,409 --> 00:29:24,539

um if you just wait a little bit you

669

00:29:30,289 --> 00:29:27,419

know eventually more information will

670

00:29:31,070 --> 00:29:30,299

will come you know it sucks that you

671

00:29:33,649 --> 00:29:31,080

know

672

00:29:36,470 --> 00:29:33,659

there's there's only one

673

00:29:38,870 --> 00:29:36,480

Surefire source that can be that can be

674

00:29:41,510 --> 00:29:38,880

watched or or listened to that you can

675

00:29:43,250 --> 00:29:41,520

trust but at least just

676

00:29:44,930 --> 00:29:43,260

initially when things were started

677

00:29:46,669 --> 00:29:44,940

everyone was sending me messages they

678

00:29:48,409 --> 00:29:46,679

were like oh my God it's happening all

679

00:29:50,810 --> 00:29:48,419

of a sudden so it's like just just relax

680

00:29:52,909 --> 00:29:50,820

you know the next thing you know or just

681

00:29:55,669 --> 00:29:52,919

eventually trickles down it comes to a

682

00:29:58,070 --> 00:29:55,679

stop you know not much came came about

683

00:30:00,830 --> 00:29:58,080

that I don't know if it's gonna ramp up

684

00:30:02,570 --> 00:30:00,840

even more to a next stage or if this

685

00:30:05,810 --> 00:30:02,580

would be it then they never bring it up

686

00:30:06,950 --> 00:30:05,820

again but also keep in mind while this

687

00:30:09,350 --> 00:30:06,960

was happening

688

00:30:13,909 --> 00:30:09,360

there's a huge

689

00:30:15,850 --> 00:30:13,919

plume of this toxic chemical that's over

690

00:30:19,389 --> 00:30:15,860

um I think it's East Palestine Ohio

691

00:30:22,909 --> 00:30:19,399

there were two other trained

692

00:30:25,310 --> 00:30:22,919

derailments uh pretty much close on the

693

00:30:27,950 --> 00:30:25,320

day or just soon after

694

00:30:30,169 --> 00:30:27,960

um there's just several other things

695

00:30:32,810 --> 00:30:30,179

that are basically are happening and

696

00:30:35,930 --> 00:30:32,820

going on so I don't know if this is

697

00:30:39,529 --> 00:30:35,940

again a hey look over here while this is

698

00:30:41,389 --> 00:30:39,539

happening over there to just maybe not

699

00:30:44,210 --> 00:30:41,399

have people look into it and they just

700

00:30:46,669 --> 00:30:44,220

still maybe they just still don't trust

701
00:30:49,490 --> 00:30:46,679
that people have full fully become sheep

702
00:30:51,049 --> 00:30:49,500
and you know are just gonna just listen

703
00:30:53,029 --> 00:30:51,059
to whatever whatever they have to give

704
00:30:54,769 --> 00:30:53,039
them you know maybe they they know

705
00:30:57,350 --> 00:30:54,779
there's still people watching they still

706
00:30:59,649 --> 00:30:57,360
have critical thinking and so they still

707
00:31:02,990 --> 00:30:59,659
feel like they need to do distractions

708
00:31:04,970 --> 00:31:03,000
and what's interesting is that

709
00:31:06,950 --> 00:31:04,980
you know where's where's the coverage

710
00:31:09,710 --> 00:31:06,960
main you know you would have thought it

711
00:31:12,289 --> 00:31:09,720
would be the main coverage of this of

712
00:31:15,110 --> 00:31:12,299
the media to cover hey there's this huge

713
00:31:18,230 --> 00:31:15,120

plume of of toxic chemical that's

714

00:31:21,590 --> 00:31:18,240

basically engulfing the entire town fish

715

00:31:24,049 --> 00:31:21,600

are dying uh people are told to to stay

716

00:31:26,210 --> 00:31:24,059

at home others to evacuate if they're

717

00:31:27,529 --> 00:31:26,220

too close to it you know and you would

718

00:31:29,570 --> 00:31:27,539

have thought that this is something to

719

00:31:32,450 --> 00:31:29,580

pay attention to especially

720

00:31:34,610 --> 00:31:32,460

whatever the radius of that is the

721

00:31:37,010 --> 00:31:34,620

further out it goes more and more people

722

00:31:41,510 --> 00:31:37,020

are affected and in a very serious way

723

00:31:44,570 --> 00:31:41,520

breathing water supply uh just being in

724

00:31:47,810 --> 00:31:44,580

the general area period you know and so

725

00:31:50,149 --> 00:31:47,820

it's nice to just have as much

726

00:31:52,310 --> 00:31:50,159

information out there as possible in the

727

00:31:55,010 --> 00:31:52,320

open so that others can make it make a

728

00:31:57,529 --> 00:31:55,020

choice but if they're just being told oh

729

00:32:00,169 --> 00:31:57,539

it's fine it's you know they just they

730

00:32:02,510 --> 00:32:00,179

let kids still go to school from what I

731

00:32:05,389 --> 00:32:02,520

was able to to gather from

732

00:32:08,090 --> 00:32:05,399

um uh different different Outlets I'm

733

00:32:12,710 --> 00:32:08,100

not talking mainstream Outlets I've

734

00:32:14,810 --> 00:32:12,720

like I would never watch CNN you know um

735

00:32:16,970 --> 00:32:14,820

Fox News so and so they they did a

736

00:32:19,430 --> 00:32:16,980

pretty good uh collection just recently

737

00:32:21,950 --> 00:32:19,440

about these eight days and I posted that

738

00:32:25,010 --> 00:32:21,960

on the telegram and it's also on the

739

00:32:25,810 --> 00:32:25,020
community tab under the UFO

740

00:32:29,029 --> 00:32:25,820
um

741

00:32:32,090 --> 00:32:29,039
UFO Hub community tab where they put

742

00:32:34,549 --> 00:32:32,100
together a pentagon briefing

743

00:32:38,029 --> 00:32:34,559
um the initial like information what

744

00:32:39,710 --> 00:32:38,039
they knew then as the Pentagon was

745

00:32:41,090 --> 00:32:39,720
having a conference and coming up with

746

00:32:43,970 --> 00:32:41,100
more information they put that together

747

00:32:45,529 --> 00:32:43,980
so it's something you can watch to kind

748

00:32:47,149 --> 00:32:45,539
of get the general picture of what

749

00:32:49,730 --> 00:32:47,159
they're telling you but then I hope you

750

00:32:52,190 --> 00:32:49,740
take that and expand it further more to

751
00:32:53,870 --> 00:32:52,200
include other sources and go beyond to

752
00:32:55,970 --> 00:32:53,880
see okay what else is out there that you

753
00:32:58,250 --> 00:32:55,980
might find that I might not even be

754
00:33:00,289 --> 00:32:58,260
aware of so anyway

755
00:33:01,250 --> 00:33:00,299
those are the things they're worrying me

756
00:33:03,590 --> 00:33:01,260
about

757
00:33:05,570 --> 00:33:03,600
um just people not you know paying

758
00:33:07,850 --> 00:33:05,580
attention or are paying attention to one

759
00:33:09,950 --> 00:33:07,860
thing while you know

760
00:33:12,950 --> 00:33:09,960
um something more major is going on

761
00:33:15,350 --> 00:33:12,960
because these chemicals I don't know how

762
00:33:17,630 --> 00:33:15,360
far down the river are they going to go

763
00:33:20,029 --> 00:33:17,640

um how much of a portion of the Ohio

764

00:33:21,950 --> 00:33:20,039

state is that going to affect you know

765

00:33:23,450 --> 00:33:21,960

all these things are just you know

766

00:33:26,810 --> 00:33:23,460

important to know because at the end of

767

00:33:28,850 --> 00:33:26,820

the day it all permeates we you know I'm

768

00:33:31,310 --> 00:33:28,860

pretty sure if the cloud continues

769

00:33:33,230 --> 00:33:31,320

growing in the way it has it will reach

770

00:33:36,230 --> 00:33:33,240

different areas of the United States and

771

00:33:38,750 --> 00:33:36,240

what does that mean so

772

00:33:40,730 --> 00:33:38,760

okay let me see if

773

00:33:54,549 --> 00:33:40,740

there were any more

774

00:34:00,889 --> 00:33:58,130

uh level man says and it is known who is

775

00:34:04,009 --> 00:34:00,899

behind all these um attacks and no

776

00:34:07,310 --> 00:34:04,019

stream was attacked uh attacked by the

777

00:34:10,070 --> 00:34:07,320

Miata no that looks fishy too uh with

778

00:34:12,109 --> 00:34:10,080

the well it's I think they're pretty

779

00:34:16,010 --> 00:34:12,119

much determined on it it's like I'm not

780

00:34:17,750 --> 00:34:16,020

I'm not a official I know everything

781

00:34:19,669 --> 00:34:17,760

there is to know about the no shame

782

00:34:22,430 --> 00:34:19,679

about it I would encourage you to look

783

00:34:24,169 --> 00:34:22,440

into it that it's not looking good for

784

00:34:26,329 --> 00:34:24,179

the United States and I mean that with

785

00:34:28,909 --> 00:34:26,339

love because I love this country I'm an

786

00:34:30,710 --> 00:34:28,919

American I consider myself American you

787

00:34:33,230 --> 00:34:30,720

know I'm Gonna Leave You I'm going to

788

00:34:35,570 --> 00:34:33,240

die here and so everything I say is not

789

00:34:38,990 --> 00:34:35,580

anything against the country but it

790

00:34:40,550 --> 00:34:39,000

sucks you know knowing when your country

791

00:34:43,250 --> 00:34:40,560

is supposed to have the Mortal High

792

00:34:45,649 --> 00:34:43,260

ground and it doesn't and it's not

793

00:34:47,990 --> 00:34:45,659

something I've just now you know woken

794

00:34:50,750 --> 00:34:48,000

up to I've known that for decades but

795

00:34:52,430 --> 00:34:50,760

you know it still makes makes me mad I

796

00:34:54,589 --> 00:34:52,440

would always hope that there's somebody

797

00:34:56,750 --> 00:34:54,599

out there that makes history Visions

798

00:34:58,250 --> 00:34:56,760

would stop and say hey maybe we

799

00:35:00,170 --> 00:34:58,260

shouldn't you know do all these

800

00:35:03,109 --> 00:35:00,180

different games whether it's the Deep

801
00:35:05,450 --> 00:35:03,119
State you know whether it's um you know

802
00:35:07,670 --> 00:35:05,460
too many bad guy guys not enough good

803
00:35:09,950 --> 00:35:07,680
guys to be able to to implement some

804
00:35:11,270 --> 00:35:09,960
change I don't know what it is but I

805
00:35:12,710 --> 00:35:11,280
always hope for the better that they

806
00:35:18,010 --> 00:35:12,720
always make the bit you know better

807
00:35:22,490 --> 00:35:20,230
foreign

808
00:35:24,770 --> 00:35:22,500
Karen says how do you do how do you find

809
00:35:27,470 --> 00:35:24,780
me on telegram uh well I'm live now in

810
00:35:30,230 --> 00:35:27,480
the description below this video uh

811
00:35:32,750 --> 00:35:30,240
there's a telegram link and so you would

812
00:35:34,609 --> 00:35:32,760
you would need either a computer or a

813
00:35:36,770 --> 00:35:34,619

telephone that has a mic if you want to

814

00:35:39,410 --> 00:35:36,780

speak because I'm simultaneously

815

00:35:41,210 --> 00:35:39,420

broadcasting voice only on Telegram and

816

00:35:42,890 --> 00:35:41,220

so it's a there's a slight delay you

817

00:35:45,770 --> 00:35:42,900

should be able to hear me by like maybe

818

00:35:47,810 --> 00:35:45,780

15 seconds later so I would only

819

00:35:50,150 --> 00:35:47,820

encourage you to use that if you want to

820

00:35:52,130 --> 00:35:50,160

directly speak to me and maybe pause the

821

00:35:54,650 --> 00:35:52,140

video so it doesn't mess with you but

822

00:35:56,150 --> 00:35:54,660

the link of telegram is is underneath

823

00:35:59,810 --> 00:35:56,160

the video you can install it on your

824

00:36:01,430 --> 00:35:59,820

phone or a computer and then just search

825

00:36:04,190 --> 00:36:01,440

well actually you don't have to search

826
00:36:13,320 --> 00:36:04,200
just um using that link you know where

827
00:36:13,330 --> 00:36:17,050
[Music]

828
00:36:21,290 --> 00:36:19,250
see you back

829
00:36:24,230 --> 00:36:21,300
I love your perspective thank you yeah

830
00:36:27,109 --> 00:36:24,240
well I don't know that this is kind of a

831
00:36:29,990 --> 00:36:27,119
nurse shattering perspective it's just

832
00:36:32,450 --> 00:36:30,000
maybe I guess just look at it as me

833
00:36:33,770 --> 00:36:32,460
venting maybe I might have told you

834
00:36:36,530 --> 00:36:33,780
something that you didn't consider

835
00:36:38,450 --> 00:36:36,540
before maybe not but at the end of the

836
00:36:40,310 --> 00:36:38,460
day we're all in the same boat you know

837
00:36:42,349 --> 00:36:40,320
whether I'm telling you through my

838
00:36:45,349 --> 00:36:42,359

Channel or you guys informed me over

839

00:36:47,089 --> 00:36:45,359

chat you know maybe we can just share as

840

00:36:49,910 --> 00:36:47,099

much information as possible with each

841

00:36:53,630 --> 00:36:49,920

other and and maybe stay informed that

842

00:36:57,170 --> 00:36:55,790

silly rabbit love you fohab thank you I

843

00:36:59,329 --> 00:36:57,180

appreciate it

844

00:37:01,370 --> 00:36:59,339

yeah I'm you know I'm sorry I had to

845

00:37:03,770 --> 00:37:01,380

I've made a video prior I explained

846

00:37:05,329 --> 00:37:03,780

exactly why I was gone for so long and

847

00:37:08,450 --> 00:37:05,339

what I was doing because I can't

848

00:37:12,589 --> 00:37:08,460

concentrate on too many things and do

849

00:37:15,589 --> 00:37:12,599

them right so I had to choose what to

850

00:37:16,930 --> 00:37:15,599

pause and what to do in order to just

851
00:37:19,490 --> 00:37:16,940
complete these different things

852
00:37:29,089 --> 00:37:19,500
different stages in my life that came

853
00:37:33,650 --> 00:37:29,890
yeah

854
00:37:35,510 --> 00:37:33,660
I'm sorry I I I hate to have silence

855
00:37:38,810 --> 00:37:35,520
because a lot of these videos are

856
00:37:40,849 --> 00:37:38,820
transferred into a podcast so people are

857
00:37:42,410 --> 00:37:40,859
listening they were just probably while

858
00:37:44,329 --> 00:37:42,420
they're driving just sitting there in

859
00:37:45,530 --> 00:37:44,339
silence and they don't realize I'm

860
00:37:48,530 --> 00:37:45,540
actually doing something in the

861
00:37:53,390 --> 00:37:50,349
foreign

862
00:37:55,910 --> 00:37:53,400
Bradley just jumped out jumped in

863
00:37:56,990 --> 00:37:55,920

Dan didn't get the notification join in

864

00:37:59,510 --> 00:37:57,000

late here

865

00:38:01,910 --> 00:37:59,520

no not really I actually started late I

866

00:38:06,710 --> 00:38:01,920

think I started around 7 30. initially I

867

00:38:10,910 --> 00:38:06,720

was uh going to start around 6 15 and

868

00:38:13,130 --> 00:38:10,920

turn into 7 7 30 because at there was so

869

00:38:15,290 --> 00:38:13,140

much like this tablet it was drained

870

00:38:17,329 --> 00:38:15,300

because I'm using a long time so I can't

871

00:38:19,849 --> 00:38:17,339

see the chat I had to open up a

872

00:38:21,589 --> 00:38:19,859

different chat window then trying to go

873

00:38:24,050 --> 00:38:21,599

live it wouldn't go because it wasn't

874

00:38:26,450 --> 00:38:24,060

posting on YouTube it was just all kinds

875

00:38:29,089 --> 00:38:26,460

of circus

876

00:38:31,730 --> 00:38:29,099

4am there are you still having are you

877

00:38:33,290 --> 00:38:31,740

still having a hard time sleeping well I

878

00:38:35,870 --> 00:38:33,300

don't know if you're if you're still in

879

00:38:38,089 --> 00:38:35,880

I don't know I thought I saw you closing

880

00:38:39,710 --> 00:38:38,099

your telegram account but if you still

881

00:38:40,609 --> 00:38:39,720

have it you know

882

00:38:43,069 --> 00:38:40,619

um

883

00:38:45,050 --> 00:38:43,079

I'd love to talk to you because it is

884

00:38:47,510 --> 00:38:45,060

supposed to be open lines so anyone that

885

00:38:49,310 --> 00:38:47,520

would like to join uh please do we can

886

00:38:51,290 --> 00:38:49,320

we can just talk to me directly and

887

00:38:53,450 --> 00:38:51,300

share your thoughts maybe some of your

888

00:38:56,329 --> 00:38:53,460

stories alien related ghost related

889

00:38:59,030 --> 00:38:56,339

whatever else basically that's what um

890

00:39:00,950 --> 00:38:59,040

open lines is for because uh when I have

891

00:39:03,230 --> 00:39:00,960

interviews we'll generally just have

892

00:39:05,750 --> 00:39:03,240

interviews and and talk to people and

893

00:39:08,870 --> 00:39:05,760

you can ask them some specific questions

894

00:39:11,870 --> 00:39:08,880

because we have usually a bigger lineup

895

00:39:16,670 --> 00:39:13,970

um but this is mainly just open for

896

00:39:23,150 --> 00:39:16,680

everyone else that uh wants a shot just

897

00:39:27,650 --> 00:39:25,250

lots of stuff to discuss all right well

898

00:39:29,510 --> 00:39:27,660

if you can John John Paul and um

899

00:39:32,270 --> 00:39:29,520

otherwise I'll see there's any other

900

00:39:33,109 --> 00:39:32,280

questions that maybe I can address if

901
00:39:40,490 --> 00:39:33,119
you

902
00:39:44,210 --> 00:39:42,650
yeah I'm really hoping that

903
00:39:46,190 --> 00:39:44,220
um

904
00:39:49,130 --> 00:39:46,200
but they're not going down this route

905
00:39:51,349 --> 00:39:49,140
because uh meaning the government itself

906
00:39:53,329 --> 00:39:51,359
there's a

907
00:39:55,370 --> 00:39:53,339
thing was called

908
00:39:57,109 --> 00:39:55,380
project bluebeam

909
00:39:59,030 --> 00:39:57,119
and of course if you go on the Internet

910
00:40:01,790 --> 00:39:59,040
it's considered as a conspiracy theory

911
00:40:03,770 --> 00:40:01,800
but for those that have seen every

912
00:40:05,990 --> 00:40:03,780
single conspiracy theory in the past

913
00:40:08,089 --> 00:40:06,000

three years come through

914

00:40:10,970 --> 00:40:08,099

um let's just you know I guess not trust

915

00:40:13,670 --> 00:40:10,980

into their you know labeling that much

916

00:40:15,890 --> 00:40:13,680

but operation bluebeam was supposed to

917

00:40:17,630 --> 00:40:15,900

actually or Project Blue beam I'm

918

00:40:20,329 --> 00:40:17,640

already mixing it up

919

00:40:23,450 --> 00:40:20,339

they were talking about having already

920

00:40:25,430 --> 00:40:23,460

technology that can create 3D objects in

921

00:40:27,470 --> 00:40:25,440

air and I'm not talking about with

922

00:40:30,829 --> 00:40:27,480

drones but just basically a light show

923

00:40:34,370 --> 00:40:30,839

and that they were going to use that as

924

00:40:38,150 --> 00:40:34,380

a part of the the ramping up as you know

925

00:40:40,730 --> 00:40:38,160

for more more UFO seen more footage more

926
00:40:43,310 --> 00:40:40,740
things that can be uh recorded and then

927
00:40:45,470 --> 00:40:43,320
of course distributed to the masses to

928
00:40:48,470 --> 00:40:45,480
you know have them start panicking about

929
00:40:51,290 --> 00:40:48,480
it and so uh

930
00:40:53,569 --> 00:40:51,300
I don't know if if because I've dealt

931
00:40:57,490 --> 00:40:53,579
with editing a very long time and

932
00:40:59,230 --> 00:40:57,500
working with video usually not not not

933
00:41:04,630 --> 00:40:59,240
99

934
00:41:08,150 --> 00:41:04,640
something is fake or computer generated

935
00:41:09,829 --> 00:41:08,160
and there are very few that were and

936
00:41:13,250 --> 00:41:09,839
actually have tricked me but it was like

937
00:41:15,290 --> 00:41:13,260
one only and I it's been like several

938
00:41:17,750 --> 00:41:15,300

years and so

939

00:41:21,349 --> 00:41:17,760

it's

940

00:41:22,190 --> 00:41:21,359

that

941

00:41:24,109 --> 00:41:22,200

um

942

00:41:27,170 --> 00:41:24,119

people are still looking for for

943

00:41:29,750 --> 00:41:27,180

authority figures and they still don't

944

00:41:32,990 --> 00:41:29,760

realize that most authority figures can

945

00:41:35,150 --> 00:41:33,000

also be corrupted because the the more

946

00:41:37,010 --> 00:41:35,160

um when I talk about power I don't not

947

00:41:39,650 --> 00:41:37,020

just necessarily mean power to like kill

948

00:41:42,470 --> 00:41:39,660

people but when you gain certain power

949

00:41:43,730 --> 00:41:42,480

meaning like mainstream media is paying

950

00:41:46,370 --> 00:41:43,740

attention to you

951
00:41:49,190 --> 00:41:46,380
um you are known in Congress you know

952
00:41:50,270 --> 00:41:49,200
you are you know your name is making its

953
00:41:53,210 --> 00:41:50,280
rounds

954
00:41:55,849 --> 00:41:53,220
um it can be very enticing for people to

955
00:41:58,550 --> 00:41:55,859
kind of buy into that and then want to

956
00:42:01,790 --> 00:41:58,560
continue that status and then

957
00:42:04,310 --> 00:42:01,800
by doing that then they start bending

958
00:42:06,589 --> 00:42:04,320
the rules and maybe their own morals if

959
00:42:10,730 --> 00:42:06,599
they ever had them at some point to just

960
00:42:15,710 --> 00:42:10,740
you know basically just um

961
00:42:17,510 --> 00:42:15,720
you're just want to then control the The

962
00:42:19,670 --> 00:42:17,520
Narrative or want to say certain things

963
00:42:21,710 --> 00:42:19,680

that just keeps people tuned more

964

00:42:23,089 --> 00:42:21,720

towards them I mean when you have other

965

00:42:25,130 --> 00:42:23,099

other channels you know other

966

00:42:27,470 --> 00:42:25,140

researchers you know like Richard Dolan

967

00:42:28,970 --> 00:42:27,480

Ryan that I just had posted there this

968

00:42:31,010 --> 00:42:28,980

there's hundreds of different ones

969

00:42:32,990 --> 00:42:31,020

they're just small channels that have

970

00:42:35,510 --> 00:42:33,000

nothing to lose you know so you know

971

00:42:37,730 --> 00:42:35,520

they're going to be the most you know

972

00:42:39,170 --> 00:42:37,740

down down to earth honest ones to tell

973

00:42:41,089 --> 00:42:39,180

you what they know

974

00:42:43,310 --> 00:42:41,099

um I can't guarantee that from every

975

00:42:45,230 --> 00:42:43,320

channel you have to again you know use

976
00:42:48,230 --> 00:42:45,240
you on the sermon you know there's some

977
00:42:49,849 --> 00:42:48,240
that just um use this UFO as this hype

978
00:42:51,770 --> 00:42:49,859
thing about hey look at your first look

979
00:42:53,450 --> 00:42:51,780
at this look at that you know dramatic

980
00:42:54,950 --> 00:42:53,460
music and all that I mean to each the

981
00:42:56,690 --> 00:42:54,960
Rome just because they have dramatic

982
00:42:58,790 --> 00:42:56,700
museum videos doesn't mean it's not true

983
00:43:01,309 --> 00:42:58,800
you know or it doesn't mean that they're

984
00:43:05,089 --> 00:43:01,319
not trying hard enough to convey a true

985
00:43:07,430 --> 00:43:05,099
event but it's just um as if you see as

986
00:43:09,829 --> 00:43:07,440
as you've seen on my YouTube channel I

987
00:43:12,230 --> 00:43:09,839
don't like that I just want a person

988
00:43:14,270 --> 00:43:12,240

talking when I'm talking to them I try

989

00:43:16,490 --> 00:43:14,280

to give them most of their time to just

990

00:43:18,410 --> 00:43:16,500

chat without interrupting too much I

991

00:43:19,490 --> 00:43:18,420

know sometimes when I do it pisses some

992

00:43:21,290 --> 00:43:19,500

of you off

993

00:43:23,569 --> 00:43:21,300

um before I started doing these live

994

00:43:25,910 --> 00:43:23,579

streams previous videos was just dark

995

00:43:27,829 --> 00:43:25,920

background person in a chair telling a

996

00:43:31,490 --> 00:43:27,839

story and so uh with no other

997

00:43:33,530 --> 00:43:31,500

interruptions and so um

998

00:43:36,230 --> 00:43:33,540

yeah it's just

999

00:43:38,150 --> 00:43:36,240

I don't know maybe maybe I'll forever be

1000

00:44:31,069 --> 00:43:38,160

a

1001

00:44:33,950 --> 00:44:31,079

entire life

1002

00:44:36,230 --> 00:44:33,960

the person that they could be for those

1003

00:44:38,270 --> 00:44:36,240

that choose to alter their behavior

1004

00:44:41,690 --> 00:44:38,280

based on information that they perceive

1005

00:44:44,089 --> 00:44:41,700

to be true the person that they can be

1006

00:44:46,430 --> 00:44:44,099

will never will never exist and will

1007

00:44:49,130 --> 00:44:46,440

never be now the next one to make a

1008

00:44:51,349 --> 00:44:49,140

change that's why it's so important to

1009

00:44:53,809 --> 00:44:51,359

have information and have truthful

1010

00:44:56,390 --> 00:44:53,819

information to where it's not altered

1011

00:44:59,690 --> 00:44:56,400

and it's given to you in this unfiltered

1012

00:45:01,670 --> 00:44:59,700

raw way where you can just see it hear

1013

00:45:06,349 --> 00:45:01,680

it and basically make your decisions

1014

00:45:12,050 --> 00:45:08,089

all right let's see

1015

00:45:18,290 --> 00:45:15,290

oh yeah Karen Karen uh McDaniel says I'm

1016

00:45:21,230 --> 00:45:18,300

in Ohio it's a mess if you can manage to

1017

00:45:24,710 --> 00:45:21,240

insult Telegram and and um

1018

00:45:26,569 --> 00:45:24,720

uh and basically come on here and and

1019

00:45:29,870 --> 00:45:26,579

raise your hand that I'd love to hear

1020

00:45:32,750 --> 00:45:29,880

what what um what's going on around you

1021

00:45:34,910 --> 00:45:32,760

if anything has affected you yet

1022

00:45:37,250 --> 00:45:34,920

I know it's not necessarily uh beautiful

1023

00:45:39,890 --> 00:45:37,260

information but we're talking about

1024

00:45:45,230 --> 00:45:39,900

what's going on while they're trying to

1025

00:45:50,650 --> 00:45:47,660

foreign

1026

00:45:54,410 --> 00:45:50,660

[Music]

1027

00:45:57,410 --> 00:45:54,420

also you know they when it comes to the

1028

00:46:00,290 --> 00:45:57,420

uh the Chinese balloon it was so comical

1029

00:46:02,030 --> 00:46:00,300

to me when I saw that it was

1030

00:46:03,650 --> 00:46:02,040

because I knew there were going to be so

1031

00:46:06,470 --> 00:46:03,660

many people now they had something to

1032

00:46:09,230 --> 00:46:06,480

look at something they can recognize and

1033

00:46:11,750 --> 00:46:09,240

you know now you know you got their

1034

00:46:14,089 --> 00:46:11,760

attention if you're you know if if the

1035

00:46:16,130 --> 00:46:14,099

media has a hold on them they would now

1036

00:46:18,410 --> 00:46:16,140

just basically just hold that like a

1037

00:46:20,270 --> 00:46:18,420

carrot whatever they do whichever path

1038

00:46:22,790 --> 00:46:20,280

now they go with this everyone is just

1039

00:46:26,030 --> 00:46:22,800

gonna gonna follow it's it's unfortunate

1040

00:46:28,069 --> 00:46:26,040

to see that yeah because that only

1041

00:46:32,150 --> 00:46:28,079

really stops if you

1042

00:46:35,150 --> 00:46:32,160

just don't go according to the narrative

1043

00:46:37,250 --> 00:46:35,160

you know if they if they you know say up

1044

00:46:39,829 --> 00:46:37,260

say okay fine thanks for showing me up

1045

00:46:42,890 --> 00:46:39,839

but what's going on down you know down

1046

00:46:45,290 --> 00:46:42,900

there and so just basically look at both

1047

00:46:48,650 --> 00:46:45,300

perspectives because

1048

00:46:50,210 --> 00:46:48,660

not not many people realize that true

1049

00:46:53,630 --> 00:46:50,220

power for whether it's in your own

1050

00:46:56,270 --> 00:46:53,640

personal life or as a as a society or

1051
00:46:58,069 --> 00:46:56,280
anything like that it's um to be as

1052
00:47:01,370 --> 00:46:58,079
close as you can to the neutral point

1053
00:47:03,530 --> 00:47:01,380
because if you go one way or another too

1054
00:47:06,410 --> 00:47:03,540
far forward too far backwards too far

1055
00:47:08,569 --> 00:47:06,420
left too far right you basically

1056
00:47:10,670 --> 00:47:08,579
um are not going to see the bigger

1057
00:47:13,309 --> 00:47:10,680
picture and so

1058
00:47:15,290 --> 00:47:13,319
um it's going to then take you to to a

1059
00:47:17,390 --> 00:47:15,300
place to where then you you only think

1060
00:47:19,069 --> 00:47:17,400
that you have limited tools to do

1061
00:47:21,050 --> 00:47:19,079
something about whatever is ailing you

1062
00:47:23,150 --> 00:47:21,060
whatever your issue is only when you're

1063
00:47:25,430 --> 00:47:23,160

in that neutral point and staying as

1064

00:47:28,609 --> 00:47:25,440

neutral as you possibly can do you see

1065

00:47:30,950 --> 00:47:28,619

other options do you allow new ideas to

1066

00:47:32,510 --> 00:47:30,960

come whether we're talking about in your

1067

00:47:34,069 --> 00:47:32,520

personal private life whether you're

1068

00:47:35,510 --> 00:47:34,079

designing something whether you're at

1069

00:47:37,730 --> 00:47:35,520

work whether you have some kind of

1070

00:47:41,390 --> 00:47:37,740

issues you know that you're at your home

1071

00:47:45,170 --> 00:47:41,400

or if you know just generally as as a

1072

00:47:49,010 --> 00:47:45,180

society you know directions you know can

1073

00:47:52,730 --> 00:47:49,020

be altered which way to go based on how

1074

00:47:55,010 --> 00:47:52,740

you how how they lead you and so if you

1075

00:47:57,290 --> 00:47:55,020

feel that you're too far one side or

1076

00:47:59,990 --> 00:47:57,300

another hone yourself back hone yourself

1077

00:48:02,210 --> 00:48:00,000

back get to that Center Point see

1078

00:48:04,849 --> 00:48:02,220

exactly what it is that they're telling

1079

00:48:06,410 --> 00:48:04,859

you and then go actively seek out

1080

00:48:08,750 --> 00:48:06,420

information that they haven't told you

1081

00:48:10,670 --> 00:48:08,760

about and then you'll get a much bigger

1082

00:48:11,750 --> 00:48:10,680

picture about oh okay this is what's

1083

00:48:14,089 --> 00:48:11,760

going on

1084

00:48:16,849 --> 00:48:14,099

um this is now uh this new information

1085

00:48:19,450 --> 00:48:16,859

and then act on that because otherwise

1086

00:48:22,130 --> 00:48:19,460

you just become a good consumer you know

1087

00:48:24,650 --> 00:48:22,140

and you just are doing whatever it is

1088

00:48:26,089 --> 00:48:24,660

that they want you to do

1089

00:48:28,190 --> 00:48:26,099

foreign

1090

00:48:30,770 --> 00:48:28,200

I'm just looking at my notes trying to

1091

00:48:33,050 --> 00:48:30,780

see here I think I covered

1092

00:48:38,750 --> 00:48:33,060

covered pretty much everything else that

1093

00:48:43,790 --> 00:48:41,270

all right there's um there's any other

1094

00:48:45,290 --> 00:48:43,800

questions let me know other than that

1095

00:48:49,069 --> 00:48:45,300

um I think this would be a good good

1096

00:48:51,050 --> 00:48:49,079

time to to stop for now maybe next time

1097

00:48:53,450 --> 00:48:51,060

there might be other people that want to

1098

00:48:55,790 --> 00:48:53,460

call in and and share their story so

1099

00:48:58,849 --> 00:48:55,800

chat but at least I wanted to get this

1100

00:49:00,829 --> 00:48:58,859

off my chest for now and um hopefully if

1101
00:49:04,190 --> 00:49:00,839
you haven't considered these points that

1102
00:49:06,349 --> 00:49:04,200
maybe you do and um

1103
00:49:09,349 --> 00:49:06,359
I'm hoping to come back more more

1104
00:49:12,530 --> 00:49:09,359
regularly and just be able to share more

1105
00:49:14,089 --> 00:49:12,540
interviews I have people lined up on

1106
00:49:16,069 --> 00:49:14,099
basically on the list I have to contact

1107
00:49:18,170 --> 00:49:16,079
them instead of set up a specific time

1108
00:49:19,910 --> 00:49:18,180
but that will also start here pretty

1109
00:49:22,849 --> 00:49:19,920
soon

1110
00:49:23,750 --> 00:49:22,859
all right well thank you all for tuning

1111
00:49:25,609 --> 00:49:23,760
in

1112
00:49:28,250 --> 00:49:25,619
um I hope you found this worth your

1113
00:49:30,290 --> 00:49:28,260

while the links of the different videos

1114

00:49:32,390 --> 00:49:30,300

that that I showed you and the things I

1115

00:49:34,329 --> 00:49:32,400

covered in the browser they're all in

1116

00:49:37,309 --> 00:49:34,339

the description below so you can go and

1117

00:49:40,790 --> 00:49:37,319

watch them yourself I really would

1118

00:49:42,829 --> 00:49:40,800

recommend watching the uh the Battle of

1119

00:49:44,809 --> 00:49:42,839

La that David Tomorrowland went into

1120

00:49:46,670 --> 00:49:44,819

great detail it's only about 12 minutes

1121

00:49:52,130 --> 00:49:46,680

long and it's also in the description

1122

00:49:58,130 --> 00:49:55,130

and you cook Halo time no see hope

1123

00:50:02,510 --> 00:49:58,140

you're well have you heard

1124

00:50:04,730 --> 00:50:02,520

have you heard of of him drive

1125

00:50:06,410 --> 00:50:04,740

um I'm sorry I don't Andrew I don't I'm

1126

00:50:09,170 --> 00:50:06,420

not quite sure Dan the question but

1127

00:50:11,809 --> 00:50:09,180

anyway I'm concluding here for now so

1128

00:50:15,170 --> 00:50:11,819

thank you all very much I appreciate it

1129

00:50:18,650 --> 00:50:15,180

uh stay tuned to next time again please

1130

00:50:22,309 --> 00:50:18,660

sign up for telegram and also check out

1131

00:50:24,650 --> 00:50:22,319

Rumble that's going to be the backup

1132

00:50:26,750 --> 00:50:24,660

um source of contact with this channel

1133

00:50:29,030 --> 00:50:26,760

to either watch the video so if there's

1134

00:50:31,910 --> 00:50:29,040

anything new that's coming up I will be

1135

00:50:34,010 --> 00:50:31,920

posting that on on telegram because once

1136

00:50:36,530 --> 00:50:34,020

um if and when YouTube ever Cuts me off

1137

00:50:38,690 --> 00:50:36,540

I will not be able to communicate with

1138

00:50:41,450 --> 00:50:38,700

you via video or that Community tab

1139

00:50:44,450 --> 00:50:41,460

because none of that is an option once

1140

00:50:47,030 --> 00:50:44,460

you are on a seven day suspension or

1141

00:50:48,109 --> 00:50:47,040

your channel is gone all together

1142

00:50:49,910 --> 00:50:48,119

okay

1143

00:50:52,790 --> 00:50:49,920

well um

1144

00:50:53,750 --> 00:50:52,800

all right that's it well thanks again uh

1145

00:50:59,270 --> 00:50:53,760

you guys

1146

00:51:03,829 --> 00:50:59,280

guess I'm just gonna have to

1147

00:51:09,410 --> 00:51:07,370

I can figure out how to finish the

1148

00:51:11,089 --> 00:51:09,420

stream I know it sounds so ridiculous

1149

00:51:15,050 --> 00:51:11,099

it's just been so long since I've done

1150

00:51:15,060 --> 00:51:21,790

[Music]

1151

00:51:26,230 --> 00:51:23,930

oh well

1152

00:51:30,109 --> 00:51:26,240

um just saw another from

1153

00:51:34,430 --> 00:51:30,119

esr66 says

1154

00:51:37,609 --> 00:51:34,440

a precursor for project bluebeam right

1155

00:51:41,809 --> 00:51:37,619

I hope not I hope not but

1156

00:51:46,130 --> 00:51:41,819

but it seems to be that way

1157

00:51:51,710 --> 00:51:49,010

all right okay well thank you all have a

1158

00:51:53,390 --> 00:51:51,720

good night uh check out all the links uh
