

1
00:00:03,110 --> 00:00:01,010
oh

2
00:00:05,269 --> 00:00:03,120
the intervention will use that they'll

3
00:00:08,450 --> 00:00:05,279
use everything and anything

4
00:00:10,629 --> 00:00:08,460
and and so anything we present to them

5
00:00:13,310 --> 00:00:10,639
as a source of conflict or disagreement

6
00:00:14,570 --> 00:00:13,320
disassociation from one another distrust

7
00:00:17,090 --> 00:00:14,580
of one another in our leadership

8
00:00:18,890 --> 00:00:17,100
institutions they'll use it all they'll

9
00:00:22,370 --> 00:00:18,900
use our religious beliefs our belief in

10
00:00:24,290 --> 00:00:22,380
the return of Jesus Christ the belief in

11
00:00:27,589 --> 00:00:24,300
that my religion should be the world's

12
00:00:29,330 --> 00:00:27,599
religion I mean the belief that um that

13
00:00:30,650 --> 00:00:29,340

we are higher beings and that love is

14

00:00:32,810 --> 00:00:30,660

what matters and we need to be loving

15

00:00:34,490 --> 00:00:32,820

with all they'll use all of it and

16

00:00:36,229 --> 00:00:34,500

they'll twist all of it and there's a

17

00:00:38,150 --> 00:00:36,239

lot of that going on and so when you

18

00:00:40,970 --> 00:00:38,160

when you look into different you know

19

00:00:43,310 --> 00:00:40,980

groups and circles on Earth there is a

20

00:00:44,889 --> 00:00:43,320

strange Distortion that you find in

21

00:00:48,470 --> 00:00:44,899

their messaging

22

00:00:50,690 --> 00:00:48,480

pacifying it's acquiescing it takes

23

00:00:53,090 --> 00:00:50,700

power away from the individual

24

00:00:55,850 --> 00:00:53,100

okay it takes the prerogative for action

25

00:00:59,270 --> 00:00:55,860

and personal work away and just says
