

# EARTH CHANGES

1  
00:00:50,510 --> 00:00:48,790

[Music]

2  
00:01:01,069 --> 00:00:50,520

thank you

3  
00:01:06,170 --> 00:01:03,650

hey everyone welcome to geophob live

4  
00:01:08,450 --> 00:01:06,180

stream and today's open lines where I

5  
00:01:10,670 --> 00:01:08,460

hope to talk to some of you and hear

6  
00:01:13,609 --> 00:01:10,680

some of your exciting stories and

7  
00:01:15,530 --> 00:01:13,619

experiences you've had uh usually I was

8  
00:01:16,609 --> 00:01:15,540

would like to start out with a topic so

9  
00:01:18,770 --> 00:01:16,619

that

10  
00:01:20,870 --> 00:01:18,780

um there's something enticing for all of

11  
00:01:23,450 --> 00:01:20,880

you to maybe want to join in on instead

12  
00:01:24,770 --> 00:01:23,460

of just saying hey it's open lines so I

13  
00:01:26,810 --> 00:01:24,780

want to just talk a little bit about

14

00:01:30,109 --> 00:01:26,820

what I had in mind if you would like to

15

00:01:33,170 --> 00:01:30,119

add to it please do if not you can just

16

00:01:36,289 --> 00:01:33,180

share whatever else you like but um the

17

00:01:38,690 --> 00:01:36,299

the way I I would be able to accept your

18

00:01:41,870 --> 00:01:38,700

um your calls is basically to telegram

19

00:01:44,149 --> 00:01:41,880

right now I have the uh the chat group

20

00:01:46,190 --> 00:01:44,159

or voice chat open on telegram for the

21

00:01:48,710 --> 00:01:46,200

UFO Hub Group and there's a few people

22

00:01:50,569 --> 00:01:48,720

there just um uh you can either go in

23

00:01:52,429 --> 00:01:50,579

there to listen or to actually

24

00:01:55,069 --> 00:01:52,439

participate by just raising your hand

25

00:01:57,590 --> 00:01:55,079

and when that segment comes in

26

00:01:59,510 --> 00:01:57,600

um where I'm ready to talk to you just

27

00:02:00,830 --> 00:01:59,520

raise your hand I'll unmute you and we

28

00:02:01,550 --> 00:02:00,840

can discuss it

29

00:02:04,490 --> 00:02:01,560

um

30

00:02:07,609 --> 00:02:04,500

so the link for the telegram is in the

31

00:02:11,089 --> 00:02:07,619

description below and uh basically I

32

00:02:12,949 --> 00:02:11,099

have the links for YouTube and twitch

33

00:02:14,990 --> 00:02:12,959

which is where I'm live streaming this

34

00:02:17,690 --> 00:02:15,000

right now and then of course the link

35

00:02:19,850 --> 00:02:17,700

for telegram and also a link for rumble

36

00:02:22,970 --> 00:02:19,860

where I'm basically keeping my entire

37

00:02:25,130 --> 00:02:22,980

YouTube Library as a backup and just a

38

00:02:26,690 --> 00:02:25,140

separate channel to where it's a it's a

39

00:02:27,949 --> 00:02:26,700

copy of the YouTube channel so if

40

00:02:31,130 --> 00:02:27,959

anything ever happens with YouTube

41

00:02:35,150 --> 00:02:31,140

there's a full backup on Rumble so

42

00:02:36,830 --> 00:02:35,160

before I get to uh the segment to where

43

00:02:39,229 --> 00:02:36,840

I'm talking to you I hope it gives you

44

00:02:41,990 --> 00:02:39,239

enough time to install telegram on your

45

00:02:47,030 --> 00:02:42,000

computer or your phone and find the chat

46

00:02:49,430 --> 00:02:47,040

group and uh join me if you like so

47

00:02:50,690 --> 00:02:49,440

Ruben how are you I'm just for those

48

00:02:54,229 --> 00:02:50,700

that are listening I have to do a better

49

00:02:56,809 --> 00:02:54,239

job because I'm also hosting this on uh

50

00:02:58,970 --> 00:02:56,819

several platforms uh podcast platforms

51  
00:02:59,930 --> 00:02:58,980  
Amazon Google

52  
00:03:03,410 --> 00:02:59,940  
um

53  
00:03:04,850 --> 00:03:03,420  
what else Spotify and not all of them

54  
00:03:07,430 --> 00:03:04,860  
come to mind right now but they're all

55  
00:03:09,290 --> 00:03:07,440  
in the description below so what I'm

56  
00:03:10,970 --> 00:03:09,300  
basically just wanted to just look and

57  
00:03:12,229 --> 00:03:10,980  
see who joined the group and just want

58  
00:03:14,330 --> 00:03:12,239  
to say hello

59  
00:03:17,390 --> 00:03:14,340  
so yeah Reuben welcome

60  
00:03:20,530 --> 00:03:17,400  
uh Royal welcome as well and Andrew

61  
00:03:23,690 --> 00:03:20,540  
and then we have a few more here in um

62  
00:03:26,149 --> 00:03:23,700  
in telegram as well so welcome all of

63  
00:03:28,430 --> 00:03:26,159

you and so I guess let's just begin

64

00:03:29,930 --> 00:03:28,440

what I wanted to

65

00:03:31,850 --> 00:03:29,940

what I want why the reason why I'm

66

00:03:34,550 --> 00:03:31,860

wanting to to bring this up and this is

67

00:03:37,369 --> 00:03:34,560

mainly for those who might have noticed

68

00:03:40,130 --> 00:03:37,379

or might not have noticed the

69

00:03:41,390 --> 00:03:40,140

the correlations with the more changes

70

00:03:44,210 --> 00:03:41,400

are happening

71

00:03:47,390 --> 00:03:44,220

um on our socio-economic level political

72

00:03:50,630 --> 00:03:47,400

level there's also a natural things that

73

00:03:53,210 --> 00:03:50,640

are happening such as volcanoes erupting

74

00:03:56,570 --> 00:03:53,220

um just very recently two very very

75

00:04:00,170 --> 00:03:56,580

horrific earthquakes in turkey and Syria

76

00:04:02,210 --> 00:04:00,180

and tsunamis as a result of some of

77

00:04:04,250 --> 00:04:02,220

these earthquakes and volcano eruptions

78

00:04:06,890 --> 00:04:04,260

and so

79

00:04:09,050 --> 00:04:06,900

for somebody who just now is getting

80

00:04:11,869 --> 00:04:09,060

into this it's um you know it's a very

81

00:04:13,789 --> 00:04:11,879

unnerving time but most most of us and

82

00:04:15,649 --> 00:04:13,799

all of you that are watching this

83

00:04:17,330 --> 00:04:15,659

channel have usually been into the

84

00:04:19,670 --> 00:04:17,340

metaphysical and the the spiritual

85

00:04:20,509 --> 00:04:19,680

aspects of all of this for a very long

86

00:04:23,810 --> 00:04:20,519

time

87

00:04:25,550 --> 00:04:23,820

and so you understand that at least 20

88

00:04:27,469 --> 00:04:25,560

years ago there have been predictions

89

00:04:31,610 --> 00:04:27,479

about this people have been talking

90

00:04:33,650 --> 00:04:31,620

about this and the correlation is as we

91

00:04:36,290 --> 00:04:33,660

um are bringing up more and more to the

92

00:04:37,510 --> 00:04:36,300

surface about everything all the truths

93

00:04:40,189 --> 00:04:37,520

about government

94

00:04:42,110 --> 00:04:40,199

governments all these things are go that

95

00:04:44,150 --> 00:04:42,120

are going on and I guess that are

96

00:04:46,730 --> 00:04:44,160

happening behind the veil that are

97

00:04:48,770 --> 00:04:46,740

hidden uh they're coming up to the

98

00:04:50,990 --> 00:04:48,780

Forefront so that

99

00:04:53,390 --> 00:04:51,000

before we could always just talk about

100

00:04:55,249 --> 00:04:53,400

these these hidden groups that are doing

101  
00:04:57,290 --> 00:04:55,259  
these nefarious things

102  
00:04:59,689 --> 00:04:57,300  
um well I think by now we kind of know

103  
00:05:02,210 --> 00:04:59,699  
who they are you know because it's been

104  
00:05:05,150 --> 00:05:02,220  
very difficult to keep things hidden you

105  
00:05:07,310 --> 00:05:05,160  
know such as the the Epson Island and

106  
00:05:08,870 --> 00:05:07,320  
Epstein didn't kill himself you know and

107  
00:05:10,909 --> 00:05:08,880  
all these memes and everything else that

108  
00:05:13,430 --> 00:05:10,919  
people have been talking about and then

109  
00:05:15,710 --> 00:05:13,440  
the lists coming out about uh just

110  
00:05:17,450 --> 00:05:15,720  
everything and anything I mean you pick

111  
00:05:19,129 --> 00:05:17,460  
a topic you can talk about it a whole

112  
00:05:20,689 --> 00:05:19,139  
day and so

113  
00:05:24,650 --> 00:05:20,699

deem

114

00:05:26,870 --> 00:05:24,660

for those that that just did really

115

00:05:28,550 --> 00:05:26,880

maybe because you're new to this you

116

00:05:29,629 --> 00:05:28,560

know or you just haven't put two and two

117

00:05:32,210 --> 00:05:29,639

together

118

00:05:34,010 --> 00:05:32,220

it is through my experience uh things

119

00:05:35,689 --> 00:05:34,020

I've learned before and some of the

120

00:05:37,850 --> 00:05:35,699

experiences I've had

121

00:05:39,350 --> 00:05:37,860

um out of body that I had that gave me a

122

00:05:40,850 --> 00:05:39,360

different understanding about what in

123

00:05:44,330 --> 00:05:40,860

the world is happening

124

00:05:46,490 --> 00:05:44,340

is that earthquakes and these big events

125

00:05:49,790 --> 00:05:46,500

that that shake us that shake the world

126

00:05:51,950 --> 00:05:49,800

it's almost they act like these these um

127

00:05:55,129 --> 00:05:51,960

big um

128

00:05:57,830 --> 00:05:55,139

Catalyst to to shake us awake you know

129

00:05:59,930 --> 00:05:57,840

to kind of put you between a between a

130

00:06:02,749 --> 00:05:59,940

rock and hard place that's the same to

131

00:06:05,689 --> 00:06:02,759

where whatever mindset you were in if

132

00:06:08,270 --> 00:06:05,699

and when your oversoul is ready that the

133

00:06:10,550 --> 00:06:08,280

true you is ready to now shift over to

134

00:06:12,469 --> 00:06:10,560

this to to more knowledge understanding

135

00:06:15,409 --> 00:06:12,479

more looking more behind the veil

136

00:06:18,230 --> 00:06:15,419

looking more into the my new details

137

00:06:21,110 --> 00:06:18,240

um these these things these events are

138

00:06:23,629 --> 00:06:21,120

here to to shake you awake now that

139

00:06:26,090 --> 00:06:23,639

doesn't take away from from the horror

140

00:06:29,090 --> 00:06:26,100

of any of that that happens that other

141

00:06:31,969 --> 00:06:29,100

people lose lives and others stay behind

142

00:06:33,890 --> 00:06:31,979

and are just affected by by having been

143

00:06:36,710 --> 00:06:33,900

in that presence it doesn't take away

144

00:06:39,890 --> 00:06:36,720

from that but for those that

145

00:06:42,770 --> 00:06:39,900

that have witnessed it that that news

146

00:06:46,850 --> 00:06:42,780

has reached and you have seen it either

147

00:06:49,129 --> 00:06:46,860

in in person or over TV it's there to

148

00:06:52,129 --> 00:06:49,139

basically kind of be a little breadcrumb

149

00:06:54,650 --> 00:06:52,139

to be a little little demarcation point

150

00:06:59,510 --> 00:06:54,660

to say hey there's there's more to this

151

00:07:04,730 --> 00:07:02,990

I definitely just want to just put it

152

00:07:06,290 --> 00:07:04,740

out there if I haven't already so

153

00:07:09,050 --> 00:07:06,300

sometimes I can't remember everything

154

00:07:11,210 --> 00:07:09,060

that cover you know in in my UFO Hub

155

00:07:12,110 --> 00:07:11,220

shows is that

156

00:07:15,950 --> 00:07:12,120

um

157

00:07:20,570 --> 00:07:15,960

these things are here to wake you up and

158

00:07:22,670 --> 00:07:20,580

it's important to not see yourself as a

159

00:07:26,510 --> 00:07:22,680

victim and have that kind of drag you

160

00:07:28,070 --> 00:07:26,520

down as a event in your life where you

161

00:07:30,110 --> 00:07:28,080

constantly will only ever look at

162

00:07:32,089 --> 00:07:30,120

yourself as a victim where you cannot

163

00:07:33,469 --> 00:07:32,099

then progress Beyond this and learn

164

00:07:36,170 --> 00:07:33,479

something from it

165

00:07:38,150 --> 00:07:36,180

you know because if you take the time to

166

00:07:41,409 --> 00:07:38,160

understand what's going on if you take

167

00:07:45,890 --> 00:07:41,419

the time to see that there is a the

168

00:07:48,650 --> 00:07:45,900

higher game being played it's it can be

169

00:07:50,809 --> 00:07:48,660

the beginning for you to then start

170

00:07:54,710 --> 00:07:50,819

understanding that there's a different

171

00:07:56,570 --> 00:07:54,720

view on this world and it's not not

172

00:08:00,770 --> 00:07:56,580

necessarily the one you have had before

173

00:08:03,170 --> 00:08:00,780

to where normal things as you

174

00:08:05,350 --> 00:08:03,180

as you were living your life and having

175

00:08:08,809 --> 00:08:05,360

a family and going to work and all that

176

00:08:11,330 --> 00:08:08,819

they can be disrupted in that way to

177

00:08:13,189 --> 00:08:11,340

where you growing you understanding that

178

00:08:14,990 --> 00:08:13,199

there's more to this world

179

00:08:17,930 --> 00:08:15,000

um will shake up some things whether

180

00:08:20,510 --> 00:08:17,940

it's at work in your personal life you

181

00:08:22,909 --> 00:08:20,520

know and everywhere else and the fact

182

00:08:24,650 --> 00:08:22,919

that you are ready to maybe watch this

183

00:08:26,990 --> 00:08:24,660

or watch some other channel that

184

00:08:29,629 --> 00:08:27,000

discusses something similar means that

185

00:08:31,909 --> 00:08:29,639

you are also deep down already to just

186

00:08:33,829 --> 00:08:31,919

kind of start taking your steps

187

00:08:35,690 --> 00:08:33,839

um it's I find it that some people

188

00:08:37,969 --> 00:08:35,700

watching this Channel or have already

189

00:08:40,370 --> 00:08:37,979

known about this this is old news

190

00:08:43,070 --> 00:08:40,380

and have already positioned themselves

191

00:08:45,470 --> 00:08:43,080

in life to

192

00:08:47,030 --> 00:08:45,480

where they've done the homework gone

193

00:08:49,130 --> 00:08:47,040

through what they have to go through to

194

00:08:52,370 --> 00:08:49,140

see the truth to find out for themselves

195

00:08:54,470 --> 00:08:52,380

and then act accordingly because

196

00:08:58,310 --> 00:08:57,170

you basically

197

00:09:01,490 --> 00:08:58,320

it's

198

00:09:05,710 --> 00:09:01,500

a lot of people always worry about these

199

00:09:09,610 --> 00:09:05,720

what ifs and the what-ifs are the the

200

00:09:12,769 --> 00:09:09,620

it's the the worries of the ego because

201  
00:09:14,870 --> 00:09:12,779  
if you know yourself and and understand

202  
00:09:16,850 --> 00:09:14,880  
humanity and Consciousness in general

203  
00:09:19,730 --> 00:09:16,860  
most of us

204  
00:09:22,190 --> 00:09:19,740  
um ex you know unless you're a psychic

205  
00:09:23,930 --> 00:09:22,200  
in some way or a card reader to be able

206  
00:09:26,090 --> 00:09:23,940  
to kind of foresee or foreshadow what's

207  
00:09:29,650 --> 00:09:26,100  
coming up most of us we only ever see

208  
00:09:32,690 --> 00:09:29,660  
what has happened and you can't uh as a

209  
00:09:35,150 --> 00:09:32,700  
a description as I heard a long time ago

210  
00:09:36,889 --> 00:09:35,160  
you can't kind of uh drive your car or

211  
00:09:38,449 --> 00:09:36,899  
fly forward trying to look in the

212  
00:09:42,410 --> 00:09:38,459  
rearview mirror it just doesn't function

213  
00:09:45,650 --> 00:09:42,420

you have to develop a

214

00:09:48,650 --> 00:09:45,660

a level of trust uh kind of develop that

215

00:09:51,350 --> 00:09:48,660

inner voice that inner inner guidance

216

00:09:53,690 --> 00:09:51,360

and listen to it and kind of Leap

217

00:09:56,269 --> 00:09:53,700

Forward trusting it that whatever you do

218

00:09:59,570 --> 00:09:56,279

whatever steps you take will be okay and

219

00:10:02,269 --> 00:09:59,580

not have to exactly figure out every

220

00:10:04,730 --> 00:10:02,279

single step and how everything else is

221

00:10:06,710 --> 00:10:04,740

going to work out before you make your

222

00:10:08,570 --> 00:10:06,720

first step the reason why I'm saying

223

00:10:10,490 --> 00:10:08,580

that is that

224

00:10:11,210 --> 00:10:10,500

when all these things were happening to

225

00:10:14,990 --> 00:10:11,220

me

226

00:10:18,290 --> 00:10:15,000

my first step in my early 20s I just

227

00:10:20,630 --> 00:10:18,300

everything basically came in in place by

228

00:10:22,910 --> 00:10:20,640

me taking these small steps towards what

229

00:10:25,190 --> 00:10:22,920

I want to to what's what has been my

230

00:10:28,070 --> 00:10:25,200

excitement I've been taking these small

231

00:10:29,810 --> 00:10:28,080

steps to one first move out of my

232

00:10:32,690 --> 00:10:29,820

parents place because it was a strong

233

00:10:35,090 --> 00:10:32,700

inkling storm strong feeling to do so

234

00:10:36,949 --> 00:10:35,100

now you might say yeah everybody moves

235

00:10:38,930 --> 00:10:36,959

out of their parents place well if you

236

00:10:41,150 --> 00:10:38,940

don't understand foreigners are very

237

00:10:43,190 --> 00:10:41,160

different the parents cling on to the

238

00:10:45,769 --> 00:10:43,200

children till they're like really old or

239

00:10:47,750 --> 00:10:45,779

dead you know and they always have that

240

00:10:49,670 --> 00:10:47,760

family Dynamic that I guess most

241

00:10:51,889 --> 00:10:49,680

Americans don't understand so moving out

242

00:10:53,810 --> 00:10:51,899

of the house especially in the early 20s

243

00:10:55,850 --> 00:10:53,820

it's unheard of it's like you're moving

244

00:10:57,949 --> 00:10:55,860

out and you're not married I mean why

245

00:10:59,569 --> 00:10:57,959

you know what's the whole point so

246

00:11:02,389 --> 00:10:59,579

there's a little bit of that Dynamic

247

00:11:05,210 --> 00:11:02,399

that that I was going against but

248

00:11:07,550 --> 00:11:05,220

it was it was a time where just I felt

249

00:11:09,170 --> 00:11:07,560

it's like I need to do this now I don't

250

00:11:11,870 --> 00:11:09,180

know what's coming up in the future but

251

00:11:13,670 --> 00:11:11,880

it took that step then the next step is

252

00:11:15,350 --> 00:11:13,680

doing all the things that basically did

253

00:11:17,829 --> 00:11:15,360

and and you have to kind of watch his

254

00:11:20,329 --> 00:11:17,839

channel to see in that five-year span

255

00:11:22,610 --> 00:11:20,339

between me buying a house and moving out

256

00:11:24,230 --> 00:11:22,620

and eventually getting married uh all

257

00:11:27,170 --> 00:11:24,240

the experiences and all the things that

258

00:11:31,610 --> 00:11:27,180

I was seeking and uh basically gained

259

00:11:33,470 --> 00:11:31,620

the answers to and then without fear and

260

00:11:35,630 --> 00:11:33,480

just because another circumstance

261

00:11:37,790 --> 00:11:35,640

occurred in this just the right way at

262

00:11:39,769 --> 00:11:37,800

the right time and I acted upon it to

263

00:11:42,710 --> 00:11:39,779

then move down to Arkansas where I live

264

00:11:44,329 --> 00:11:42,720

now with my family and wife and kids

265

00:11:45,430 --> 00:11:44,339

basically and so

266

00:11:47,990 --> 00:11:45,440

um

267

00:11:50,090 --> 00:11:48,000

there was really if I think back on it

268

00:11:53,269 --> 00:11:50,100

there was no way I could really try to

269

00:11:55,550 --> 00:11:53,279

plan this out exactly in those steps and

270

00:11:57,470 --> 00:11:55,560

say that okay if I take these steps only

271

00:11:59,630 --> 00:11:57,480

then will I position myself in this

272

00:12:00,650 --> 00:11:59,640

place where earthquakes are not going to

273

00:12:02,090 --> 00:12:00,660

affect me

274

00:12:03,350 --> 00:12:02,100

um whatever the government is doing it's

275

00:12:04,790 --> 00:12:03,360

not going to affect me and all these

276

00:12:06,889 --> 00:12:04,800

side of things it's just there was no

277

00:12:09,170 --> 00:12:06,899

way I could see it all I knew is there

278

00:12:12,230 --> 00:12:09,180

was a feeling that I had that most of

279

00:12:15,050 --> 00:12:12,240

you have and you just basically act on

280

00:12:17,090 --> 00:12:15,060

it that first instinct you know to just

281

00:12:19,370 --> 00:12:17,100

not be afraid to act on it and what has

282

00:12:21,710 --> 00:12:19,380

that done for me is that

283

00:12:24,829 --> 00:12:21,720

it has positioned me and to be in a

284

00:12:27,410 --> 00:12:24,839

place especially for the past two years

285

00:12:30,350 --> 00:12:27,420

we haven't it has not affected me

286

00:12:32,329 --> 00:12:30,360

greatly you know at all when it comes to

287

00:12:35,269 --> 00:12:32,339

anything regarding the

288

00:12:37,850 --> 00:12:35,279

covers mouth covers this other thing it

289

00:12:41,449 --> 00:12:37,860

just basically just allowed me to be

290

00:12:43,610 --> 00:12:41,459

immune to to use that pun from all the

291

00:12:46,250 --> 00:12:43,620

things that are going on and all out and

292

00:12:48,590 --> 00:12:46,260

and you know I was able to see it

293

00:12:50,210 --> 00:12:48,600

through television or YouTube you know

294

00:12:52,250 --> 00:12:50,220

that there's people that were affected

295

00:12:55,069 --> 00:12:52,260

greatly their jobs their family lives

296

00:12:56,329 --> 00:12:55,079

where they lived uh the riots uh you

297

00:12:59,810 --> 00:12:56,339

know all the different killings that

298

00:13:03,290 --> 00:12:59,820

were occurring during these times and

299

00:13:05,629 --> 00:13:03,300

um I was not affected because I had

300

00:13:08,389 --> 00:13:05,639

always acted upon that go along with

301

00:13:10,430 --> 00:13:08,399

your first instinct and it got me into

302

00:13:12,829 --> 00:13:10,440

the place where I need to be because a

303

00:13:15,350 --> 00:13:12,839

lot of people just always say okay well

304

00:13:16,970 --> 00:13:15,360

I want you know I want to be prepared I

305

00:13:18,650 --> 00:13:16,980

want earthquakes where's the best place

306

00:13:20,750 --> 00:13:18,660

to move I don't I don't want tsunamis

307

00:13:24,410 --> 00:13:20,760

what should I do is you know it's it's

308

00:13:26,269 --> 00:13:24,420

all this stuff is you can't know you

309

00:13:28,430 --> 00:13:26,279

know it's like the way our bodies are

310

00:13:30,769 --> 00:13:28,440

designed and the way we're designed to

311

00:13:33,769 --> 00:13:30,779

live it and and and use our senses

312

00:13:36,590 --> 00:13:33,779

that's not what they're there for 4. you

313

00:13:38,810 --> 00:13:36,600

know and so you have to just develop

314

00:13:40,730 --> 00:13:38,820

this level of trust and start however

315

00:13:43,970 --> 00:13:40,740

small you have to to then position

316

00:13:45,470 --> 00:13:43,980

yourself to where you will be moved and

317

00:13:48,470 --> 00:13:45,480

you will go to these different places

318

00:13:51,590 --> 00:13:48,480

where you end up living in peace and end

319

00:13:53,690 --> 00:13:51,600

up basically uh like I said immune of

320

00:13:56,150 --> 00:13:53,700

everything else that that could possibly

321

00:13:58,370 --> 00:13:56,160

affect you because I wasn't I didn't

322

00:14:00,110 --> 00:13:58,380

move out of my parents because I was

323

00:14:02,269 --> 00:14:00,120

afraid I didn't move and bought a house

324

00:14:04,850 --> 00:14:02,279

because I was afraid it was all about

325

00:14:07,490 --> 00:14:04,860

you know this is what I would like to do

326

00:14:09,530 --> 00:14:07,500

in my life this is a passion this is

327

00:14:11,569 --> 00:14:09,540

this will be you know an opportunity

328

00:14:13,370 --> 00:14:11,579

this will be something great you know

329

00:14:14,629 --> 00:14:13,380

and never thought about something

330

00:14:15,410 --> 00:14:14,639

negative

331

00:14:18,530 --> 00:14:15,420

um

332

00:14:20,150 --> 00:14:18,540

a perfect example when I uh it's I don't

333

00:14:22,550 --> 00:14:20,160

know if I mentioned it before but I'm

334

00:14:23,509 --> 00:14:22,560

gonna say now and I don't know why if it

335

00:14:25,490 --> 00:14:23,519

hasn't

336

00:14:29,030 --> 00:14:25,500

um if I brought it up before

337

00:14:32,509 --> 00:14:29,040

regarding my time living in Robertsville

338

00:14:34,370 --> 00:14:32,519

um I got broken into Twice first time it

339

00:14:36,949 --> 00:14:34,380

was basically just broken broke the

340

00:14:39,410 --> 00:14:36,959

window and got in stole a few things and

341

00:14:41,629 --> 00:14:39,420

the second time basically came back

342

00:14:43,129 --> 00:14:41,639

um with a must have been a much larger

343

00:14:45,889 --> 00:14:43,139

vehicle probably a truck and because

344

00:14:49,129 --> 00:14:45,899

they hauled um this huge uh projection

345

00:14:51,110 --> 00:14:49,139

screen TV that I was keeping in my house

346

00:14:53,329 --> 00:14:51,120

because that was the very first TV we

347

00:14:54,889 --> 00:14:53,339

had bought in the United States so if

348

00:14:56,949 --> 00:14:54,899

you know everything has shifted over to

349

00:14:59,389 --> 00:14:56,959

the flat screens and everything lighter

350

00:15:01,250 --> 00:14:59,399

it was sentimental to me so I wanted

351

00:15:03,889 --> 00:15:01,260

that in the house anyway that's they

352

00:15:05,810 --> 00:15:03,899

took that out I mean they just showed up

353

00:15:08,210 --> 00:15:05,820

everything else cleaned me out you know

354

00:15:08,990 --> 00:15:08,220

but the point was

355

00:15:11,870 --> 00:15:09,000

um

356

00:15:14,090 --> 00:15:11,880

I never looked at as a negative because

357

00:15:17,030 --> 00:15:14,100

I could have you know just basically

358

00:15:19,670 --> 00:15:17,040

like you know had this Fierce and had to

359

00:15:22,069 --> 00:15:19,680

basically just be up all night and not

360

00:15:24,530 --> 00:15:22,079

you know not being able to sleep but I

361

00:15:26,509 --> 00:15:24,540

just always looked at it in this in this

362

00:15:29,090 --> 00:15:26,519

positive way was that

363

00:15:31,009 --> 00:15:29,100

they always came when I wasn't there so

364

00:15:34,910 --> 00:15:31,019

I didn't have to worry about my physical

365

00:15:37,730 --> 00:15:34,920

safety and the issue was generally

366

00:15:39,769 --> 00:15:37,740

before I even moved there I you know it

367

00:15:41,629 --> 00:15:39,779

helped me bring up things and fears that

368

00:15:43,850 --> 00:15:41,639

I had which was well I'm living by

369

00:15:46,790 --> 00:15:43,860

myself and it would be pretty easy to to

370

00:15:48,350 --> 00:15:46,800

break in and so it showed me that I had

371

00:15:50,389 --> 00:15:48,360

that fear and it was strong enough

372

00:15:53,870 --> 00:15:50,399

within me that I attracted that to into

373

00:15:56,030 --> 00:15:53,880

my life and so after the second time I

374

00:15:58,790 --> 00:15:56,040

could have again gone and feared it and

375

00:16:01,430 --> 00:15:58,800

you know tried to do whatever I possibly

376

00:16:03,889 --> 00:16:01,440

can to make this stop and never happen

377

00:16:06,949 --> 00:16:03,899

again or just realize that it was an

378

00:16:09,710 --> 00:16:06,959

important lesson they played a part in

379

00:16:14,150 --> 00:16:09,720

my life to help me have that experience

380

00:16:16,610 --> 00:16:14,160

and just let it go to just not be be

381

00:16:19,069 --> 00:16:16,620

angry about it to all this because

382

00:16:21,230 --> 00:16:19,079

everything eventually I had was pretty

383

00:16:23,750 --> 00:16:21,240

much replaced with better things you

384

00:16:25,670 --> 00:16:23,760

know again with the law of attraction

385

00:16:29,150 --> 00:16:25,680

and using it in the way I've talked

386

00:16:30,949 --> 00:16:29,160

about in the past and so I was not you

387

00:16:33,230 --> 00:16:30,959

know I was not if you know afraid during

388

00:16:35,569 --> 00:16:33,240

these during this process doing these

389

00:16:37,550 --> 00:16:35,579

things happening and so

390

00:16:39,350 --> 00:16:37,560

um and then it stopped it never happened

391

00:16:42,650 --> 00:16:39,360

again and then about three years later

392

00:16:45,050 --> 00:16:42,660

is when my life changed again for the

393

00:16:47,329 --> 00:16:45,060

better when I met my wife and I moved to

394

00:16:50,030 --> 00:16:47,339

to Arkansas so anyway

395

00:16:53,329 --> 00:16:50,040

basically giving giving you an example

396

00:16:55,490 --> 00:16:53,339

of what I was doing instead of just to

397

00:16:57,710 --> 00:16:55,500

tell you some great

398

00:16:59,769 --> 00:16:57,720

um New Age things New Age things I'm

399

00:17:02,629 --> 00:16:59,779

hoping to give you a personal example of

400

00:17:05,689 --> 00:17:02,639

what I was going through and that it

401  
00:17:09,110 --> 00:17:05,699  
wasn't easy you know but I constantly

402  
00:17:12,350 --> 00:17:09,120  
just kept in mind just to learn to let

403  
00:17:15,230 --> 00:17:12,360  
go to learn to I have buttons that can

404  
00:17:17,809 --> 00:17:15,240  
be pushed so if I can if I can work on

405  
00:17:20,210 --> 00:17:17,819  
making those buttons non-functioning

406  
00:17:22,010 --> 00:17:20,220  
again then someone else can keep be

407  
00:17:24,230 --> 00:17:22,020  
pushing those buttons all they want and

408  
00:17:26,630 --> 00:17:24,240  
nothing else would happen you know but

409  
00:17:28,610 --> 00:17:26,640  
anyway so that's my experience when it

410  
00:17:30,530 --> 00:17:28,620  
comes to

411  
00:17:32,330 --> 00:17:30,540  
but experience and advice that I could

412  
00:17:34,070 --> 00:17:32,340  
give when it comes to these Earth

413  
00:17:37,549 --> 00:17:34,080

changes all these things that have been

414

00:17:40,010 --> 00:17:37,559

happening but the past 10 years pretty

415

00:17:43,430 --> 00:17:40,020

much because it was if you look back in

416

00:17:47,090 --> 00:17:43,440

2012 it's been very clear that there

417

00:17:50,150 --> 00:17:47,100

that was the the period to where things

418

00:17:53,810 --> 00:17:50,160

were leading up to it but then after

419

00:17:56,930 --> 00:17:53,820

2012 continued kind of revealing things

420

00:17:59,750 --> 00:17:56,940

and and and unraveling but in a more

421

00:18:03,289 --> 00:17:59,760

positive way to where it's like you if

422

00:18:05,930 --> 00:18:03,299

you're in in anywhere you just can't get

423

00:18:08,390 --> 00:18:05,940

away with hiding anything

424

00:18:09,950 --> 00:18:08,400

I'm talking about you know big things

425

00:18:11,930 --> 00:18:09,960

like when it comes to governments and

426

00:18:13,250 --> 00:18:11,940

what do they know about UFOs and

427

00:18:15,409 --> 00:18:13,260

everything else I'm not talking about

428

00:18:17,510 --> 00:18:15,419

like if you don't brush your teeth and

429

00:18:19,310 --> 00:18:17,520

you know one day that secret is going to

430

00:18:20,930 --> 00:18:19,320

come out play me it'll come out a lot

431

00:18:23,210 --> 00:18:20,940

sooner just five minutes around other

432

00:18:25,970 --> 00:18:23,220

people but I'm talking about bigger

433

00:18:29,150 --> 00:18:25,980

bigger societal things that as a society

434

00:18:31,549 --> 00:18:29,160

that have come they've come up and they

435

00:18:34,250 --> 00:18:31,559

are there for us to take a look at

436

00:18:37,310 --> 00:18:34,260

um look at what happened during this you

437

00:18:39,470 --> 00:18:37,320

know pandemic and exactly how everything

438

00:18:42,529 --> 00:18:39,480

went down and how many things were

439

00:18:44,810 --> 00:18:42,539

hidden and how much just now is being

440

00:18:46,730 --> 00:18:44,820

confirmed of what all the other

441

00:18:49,250 --> 00:18:46,740

conspiracy theories were saying from the

442

00:18:50,570 --> 00:18:49,260

very beginning which basically means you

443

00:18:52,310 --> 00:18:50,580

weren't the conspiracy theorists you

444

00:18:54,350 --> 00:18:52,320

just looked at other facts of

445

00:18:56,630 --> 00:18:54,360

information that the media wasn't giving

446

00:18:58,430 --> 00:18:56,640

you you know but the fact that you just

447

00:19:00,289 --> 00:18:58,440

weren't blindly following them you were

448

00:19:02,330 --> 00:19:00,299

immediately labeled the conspiracy

449

00:19:02,990 --> 00:19:02,340

theorists so

450

00:19:05,570 --> 00:19:03,000

um

451

00:19:07,730 --> 00:19:05,580

you know eventually everything comes out

452

00:19:09,590 --> 00:19:07,740

it's the time where it would be

453

00:19:12,890 --> 00:19:09,600

difficult for anything to stay hidden

454

00:19:15,950 --> 00:19:12,900

for anything to basically just not to be

455

00:19:18,529 --> 00:19:15,960

be be out and open and why is that

456

00:19:22,190 --> 00:19:18,539

important like in every relationship

457

00:19:23,930 --> 00:19:22,200

like in every every part of a society we

458

00:19:26,810 --> 00:19:23,940

have to put everything out on the table

459

00:19:28,730 --> 00:19:26,820

and see where we all stand and how

460

00:19:30,529 --> 00:19:28,740

things you know how we really feel about

461

00:19:32,210 --> 00:19:30,539

this in order to make something work

462

00:19:35,390 --> 00:19:32,220

because especially in the United States

463

00:19:37,310 --> 00:19:35,400

the The Divide now is so great that I

464

00:19:38,870 --> 00:19:37,320

don't think it will come you know we

465

00:19:41,450 --> 00:19:38,880

won't I don't think we'll ever get back

466

00:19:43,070 --> 00:19:41,460

together again between this I guess just

467

00:19:45,950 --> 00:19:43,080

for lack of better word this left and

468

00:19:48,409 --> 00:19:45,960

right issue you know all it will is just

469

00:19:50,570 --> 00:19:48,419

grow further further apart and you can

470

00:19:51,710 --> 00:19:50,580

just kind of decide like okay which

471

00:19:54,529 --> 00:19:51,720

which

472

00:19:56,450 --> 00:19:54,539

mindsets do you agree with more

473

00:19:58,130 --> 00:19:56,460

you know I certainly know where I stand

474

00:20:00,650 --> 00:19:58,140

it's time for you to figure out where

475

00:20:02,810 --> 00:20:00,660

you stand and just basically kind of

476

00:20:05,090 --> 00:20:02,820

um be around people that are more

477

00:20:07,370 --> 00:20:05,100

beneficial to you people that encourage

478

00:20:10,669 --> 00:20:07,380

you people that want you to do well and

479

00:20:12,409 --> 00:20:10,679

not be you know jealous of it or wishing

480

00:20:15,049 --> 00:20:12,419

you harm in some other way to just

481

00:20:17,270 --> 00:20:15,059

simply find more like-minded people tour

482

00:20:20,090 --> 00:20:17,280

you can live live your life in peace

483

00:20:21,950 --> 00:20:20,100

within those communities and

484

00:20:23,810 --> 00:20:21,960

this is something that I guess is going

485

00:20:26,990 --> 00:20:23,820

to just have to play out within the next

486

00:20:29,390 --> 00:20:27,000

15 to 20 years but you will see that

487

00:20:31,490 --> 00:20:29,400

once you choose how you want to live

488

00:20:34,310 --> 00:20:31,500

your life and the more and more the

489

00:20:35,690 --> 00:20:34,320

separation happens each side one or the

490

00:20:37,909 --> 00:20:35,700

other are not going to be interacting

491

00:20:39,770 --> 00:20:37,919

with each other anymore and in a way

492

00:20:42,650 --> 00:20:39,780

that they would kind of drop off of each

493

00:20:43,970 --> 00:20:42,660

other's radar and so then these

494

00:20:46,370 --> 00:20:43,980

earthquakes these different Earth

495

00:20:49,430 --> 00:20:46,380

changes that that are there as a

496

00:20:51,590 --> 00:20:49,440

necessity to shake us awake to to shake

497

00:20:53,930 --> 00:20:51,600

us you know into this new Consciousness

498

00:20:56,570 --> 00:20:53,940

are not going to be happening as

499

00:20:59,029 --> 00:20:56,580

prevalently as they are now because now

500

00:21:01,549 --> 00:20:59,039

is the time to deal with all the baggage

501  
00:21:03,529 --> 00:21:01,559  
that you've been carrying around and to

502  
00:21:05,270 --> 00:21:03,539  
basically just figure it all out

503  
00:21:07,789 --> 00:21:05,280  
starting now it doesn't mean that you

504  
00:21:09,950 --> 00:21:07,799  
will figure it all out overnight but if

505  
00:21:11,990 --> 00:21:09,960  
you start now maybe six months maybe

506  
00:21:13,909 --> 00:21:12,000  
here maybe the next five years whatever

507  
00:21:15,350 --> 00:21:13,919  
you need but at least you have begun

508  
00:21:17,029 --> 00:21:15,360  
that process

509  
00:21:18,950 --> 00:21:17,039  
so um

510  
00:21:20,810 --> 00:21:18,960  
I think that's that's all I wanted to

511  
00:21:23,570 --> 00:21:20,820  
say for now I actually did want to talk

512  
00:21:26,390 --> 00:21:23,580  
to all of you and so um let me just go

513  
00:21:29,210 --> 00:21:26,400

through to through the chat and see if

514

00:21:32,690 --> 00:21:29,220

there's some questions there I already

515

00:21:35,330 --> 00:21:32,700

um I saw by Silky B and I'm I'm happy

516

00:21:38,510 --> 00:21:35,340

that that the the question was written

517

00:21:39,950 --> 00:21:38,520

out in that way so that I can in chat uh

518

00:21:42,649 --> 00:21:39,960

see the difference between you all

519

00:21:45,110 --> 00:21:42,659

chatting or the question to uh that's

520

00:21:47,210 --> 00:21:45,120

directed towards me please put three

521

00:21:49,310 --> 00:21:47,220

asterix's there before you state the

522

00:21:50,990 --> 00:21:49,320

question so just pop out at me and I

523

00:21:53,029 --> 00:21:51,000

know oh this is for me and I'll read it

524

00:21:54,950 --> 00:21:53,039

out loud and of course if you are on

525

00:21:57,110 --> 00:21:54,960

telegram if you would like to make some

526

00:21:59,210 --> 00:21:57,120

comments or just share your stories or

527

00:22:01,250 --> 00:21:59,220

or maybe give me your take on what I

528

00:22:02,930 --> 00:22:01,260

just said I just simply raise your hand

529

00:22:05,149 --> 00:22:02,940

and I know you want to talk to me and

530

00:22:07,970 --> 00:22:05,159

I'll bring you in and uh we'll we'll

531

00:22:11,750 --> 00:22:07,980

have a discussion

532

00:22:17,870 --> 00:22:14,810

what do I have label say label tell you

533

00:22:24,289 --> 00:22:21,230

um uh blue jean Natalie welcome as well

534

00:22:26,570 --> 00:22:24,299

silky B welcome

535

00:22:30,470 --> 00:22:26,580

and Natalie again

536

00:22:35,149 --> 00:22:33,289

and I think uh Royal already wrote it

537

00:22:37,370 --> 00:22:35,159

down but I didn't state

538

00:22:40,669 --> 00:22:37,380

what or how to formulate the question so

539

00:22:42,710 --> 00:22:40,679

I'll just read it so Royal Howard says

540

00:22:45,230 --> 00:22:42,720

I don't know if you're interested but I

541

00:22:47,630 --> 00:22:45,240

have been abducted by aliens many times

542

00:22:50,029 --> 00:22:47,640

throughout my entire life the last time

543

00:22:52,669 --> 00:22:50,039

I was abductive was just a few weeks ago

544

00:22:54,770 --> 00:22:52,679

yeah I mean uh Royal if you can join the

545

00:22:57,470 --> 00:22:54,780

telegram group and I'll be on still for

546

00:22:58,970 --> 00:22:57,480

a little while uh please do join it add

547

00:23:00,950 --> 00:22:58,980

yourself to the voice chat that's

548

00:23:03,250 --> 00:23:00,960

opening right now and I would love to

549

00:23:07,130 --> 00:23:03,260

hear your story

550

00:23:09,230 --> 00:23:07,140

silky B says question my dad my dad and

551  
00:23:12,049 --> 00:23:09,240  
his co-pilot will walk into hotel

552  
00:23:13,970 --> 00:23:12,059  
elevator and the man stepped

553  
00:23:16,250 --> 00:23:13,980  
stepped in

554  
00:23:18,529 --> 00:23:16,260  
and the door shut

555  
00:23:19,909 --> 00:23:18,539  
it then opened immediately and the guy

556  
00:23:21,590 --> 00:23:19,919  
was gone

557  
00:23:26,330 --> 00:23:21,600  
he still

558  
00:23:28,370 --> 00:23:26,340  
um please give me a little bit of a

559  
00:23:30,169 --> 00:23:28,380  
little bit more context are you talking

560  
00:23:33,049 --> 00:23:30,179  
about that person actually stepped into

561  
00:23:37,090 --> 00:23:33,059  
the elevator itself or was just close to

562  
00:23:44,649 --> 00:23:40,909  
walked and man stepped

563  
00:23:46,310 --> 00:23:44,659

okay stepped in and the door shut

564

00:23:48,890 --> 00:23:46,320

well

565

00:23:50,510 --> 00:23:48,900

it could be so silky it could be a

566

00:23:54,230 --> 00:23:50,520

variety of things

567

00:23:57,649 --> 00:23:54,240

spirit and energy it basically

568

00:23:59,270 --> 00:23:57,659

it can appear you know based on the

569

00:24:01,909 --> 00:23:59,280

person that's around or the people that

570

00:24:04,909 --> 00:24:01,919

are around of how much you can

571

00:24:07,730 --> 00:24:04,919

um you can perceive if you have your

572

00:24:10,070 --> 00:24:07,740

your your dad and the co-pilot

573

00:24:13,490 --> 00:24:10,080

um I don't know if there are they were

574

00:24:14,990 --> 00:24:13,500

is it like a copilot s in on the job

575

00:24:17,450 --> 00:24:15,000

being Pilots or you're just talking

576

00:24:18,529 --> 00:24:17,460

about like a buddy of his

577

00:24:20,510 --> 00:24:18,539

um usually

578

00:24:22,490 --> 00:24:20,520

because the issue with when it comes to

579

00:24:24,649 --> 00:24:22,500

different energies if you if you're

580

00:24:26,390 --> 00:24:24,659

friends with somebody uh you're pretty

581

00:24:28,430 --> 00:24:26,400

close vibrationally so if you're looking

582

00:24:30,890 --> 00:24:28,440

at a spirit or something that

583

00:24:32,630 --> 00:24:30,900

energetically wants to come through this

584

00:24:34,370 --> 00:24:32,640

most likely that you will see it in the

585

00:24:36,950 --> 00:24:34,380

same way but if you two separate

586

00:24:39,649 --> 00:24:36,960

strangers and you just kind of

587

00:24:41,149 --> 00:24:39,659

um are within each other's vicinity that

588

00:24:44,690 --> 00:24:41,159

doesn't mean that you're automatically

589

00:24:47,810 --> 00:24:44,700

aligned and and in tune so as I've often

590

00:24:49,970 --> 00:24:47,820

said an apparition to some might appear

591

00:24:52,610 --> 00:24:49,980

a bit cloudy to the other person of

592

00:24:54,289 --> 00:24:52,620

full-on body Apparition and so you could

593

00:24:56,870 --> 00:24:54,299

have two people watching the same event

594

00:24:58,789 --> 00:24:56,880

getting the getting a different

595

00:25:00,830 --> 00:24:58,799

experience but when it comes to that

596

00:25:03,049 --> 00:25:00,840

that's the only thing I can honestly

597

00:25:04,669 --> 00:25:03,059

think of is that there's different

598

00:25:06,529 --> 00:25:04,679

energies that are around us all the time

599

00:25:09,289 --> 00:25:06,539

we don't think about them because we

600

00:25:12,110 --> 00:25:09,299

can't see them and when we do feel them

601  
00:25:14,690 --> 00:25:12,120  
we just take that as a weird feeling to

602  
00:25:17,750 --> 00:25:14,700  
be had and so we don't we don't pay too

603  
00:25:21,230 --> 00:25:17,760  
much attention to it you know and

604  
00:25:23,870 --> 00:25:21,240  
um so anyway so we just move on it will

605  
00:25:25,850 --> 00:25:23,880  
take the time to try to get in tune get

606  
00:25:27,649 --> 00:25:25,860  
out census in tune to see okay there's

607  
00:25:29,750 --> 00:25:27,659  
something there let me see what what

608  
00:25:30,890 --> 00:25:29,760  
else what else I can get from it so

609  
00:25:33,970 --> 00:25:30,900  
anyway

610  
00:25:41,510 --> 00:25:33,980  
um that's the only thing I can I can um

611  
00:25:47,510 --> 00:25:44,990  
uh Andrew cook says have you heard have

612  
00:25:48,649 --> 00:25:47,520  
you heard of harp low frequency causing

613  
00:25:50,930 --> 00:25:48,659

earthquakes

614

00:25:53,090 --> 00:25:50,940

um yes I have well

615

00:25:56,990 --> 00:25:53,100

oh what was that there was one

616

00:25:59,510 --> 00:25:57,000

particular researcher that concentrated

617

00:26:02,090 --> 00:25:59,520

on harp and he basically talked about

618

00:26:04,250 --> 00:26:02,100

all these different things that on the

619

00:26:05,269 --> 00:26:04,260

capabilities that harp has

620

00:26:09,110 --> 00:26:05,279

um

621

00:26:10,070 --> 00:26:09,120

I you know he's I maybe might come to me

622

00:26:12,110 --> 00:26:10,080

later

623

00:26:13,850 --> 00:26:12,120

um the guy seemed very convincing and

624

00:26:16,850 --> 00:26:13,860

very knowledgeable about what he's what

625

00:26:18,710 --> 00:26:16,860

he's talking about and so it's one of

626

00:26:22,190 --> 00:26:18,720

these things to where I would like to

627

00:26:23,930 --> 00:26:22,200

always do my own research meaning like I

628

00:26:25,250 --> 00:26:23,940

would want to go there I want to I want

629

00:26:28,190 --> 00:26:25,260

to be able to experience that on my own

630

00:26:29,510 --> 00:26:28,200

before I can say 100 like oh yeah I've

631

00:26:30,890 --> 00:26:29,520

heard of it I believe everything that

632

00:26:33,950 --> 00:26:30,900

harp does

633

00:26:36,470 --> 00:26:33,960

um I can't say that that I'm there all I

634

00:26:37,970 --> 00:26:36,480

can do is take in the info like now

635

00:26:40,610 --> 00:26:37,980

you're asking me do I know about HARP

636

00:26:42,649 --> 00:26:40,620

yes I do when the time comes if ever the

637

00:26:44,750 --> 00:26:42,659

time comes and I have more experience

638

00:26:47,930 --> 00:26:44,760

and I and I have

639

00:26:50,690 --> 00:26:47,940

um an actual interaction to see what it

640

00:26:53,210 --> 00:26:50,700

does there's not something I can talk

641

00:26:55,130 --> 00:26:53,220

about definitely because otherwise I'll

642

00:26:57,830 --> 00:26:55,140

just be spreading more conspiracy out

643

00:26:59,930 --> 00:26:57,840

there and I don't know what else

644

00:27:02,930 --> 00:26:59,940

you know you know I don't want to add to

645

00:27:04,549 --> 00:27:02,940

that you know I can only speak on yes

646

00:27:06,830 --> 00:27:04,559

I've experienced this this is what

647

00:27:09,289 --> 00:27:06,840

happened and I feel comfortable in

648

00:27:11,390 --> 00:27:09,299

saying that but just hearing about HARP

649

00:27:13,070 --> 00:27:11,400

I don't want to speculate anymore but

650

00:27:15,710 --> 00:27:13,080

I've heard of it you know I'm sorry I

651  
00:27:17,870 --> 00:27:15,720  
can't give you more more information on

652  
00:27:19,610 --> 00:27:17,880  
that

653  
00:27:23,930 --> 00:27:19,620  
so it could be United Airlines show okay

654  
00:27:29,390 --> 00:27:26,930  
uh silky B said uh it looked like a

655  
00:27:31,730 --> 00:27:29,400  
normal human being

656  
00:27:33,649 --> 00:27:31,740  
yeah I mean we have a lot of events that

657  
00:27:36,590 --> 00:27:33,659  
happen in our lives that

658  
00:27:38,810 --> 00:27:36,600  
you either you you understand it to

659  
00:27:40,190 --> 00:27:38,820  
happen and you go after it trying to

660  
00:27:41,750 --> 00:27:40,200  
figure it out you can spend your whole

661  
00:27:43,669 --> 00:27:41,760  
life trying to figure out what that was

662  
00:27:45,649 --> 00:27:43,679  
you know but

663  
00:27:47,750 --> 00:27:45,659

it you know it would not be a waste of

664

00:27:49,549 --> 00:27:47,760

life either because some people just um

665

00:27:51,049 --> 00:27:49,559

they love to have stories and when I

666

00:27:52,850 --> 00:27:51,059

tell them sometimes what I do they just

667

00:27:55,310 --> 00:27:52,860

love to share them but

668

00:27:57,529 --> 00:27:55,320

um they but they just like that aspect

669

00:27:59,269 --> 00:27:57,539

of it they'll tell me about it and then

670

00:28:02,690 --> 00:27:59,279

they say okay I've never looked into it

671

00:28:05,269 --> 00:28:02,700

I never looked into it any more than you

672

00:28:06,950 --> 00:28:05,279

know then that that then that event that

673

00:28:09,190 --> 00:28:06,960

they've had

674

00:28:13,430 --> 00:28:09,200

yeah

675

00:28:16,130 --> 00:28:13,440

uh know me Naomi says hi Eden like you

676

00:28:17,210 --> 00:28:16,140

my life has changed so much and like you

677

00:28:19,549 --> 00:28:17,220

it's

678

00:28:21,890 --> 00:28:19,559

uh through my life experience that I

679

00:28:24,049 --> 00:28:21,900

connect to the Earth changes uh then we

680

00:28:26,690 --> 00:28:24,059

know each other true

681

00:28:28,970 --> 00:28:26,700

I'm glad you know I'm glad that that you

682

00:28:30,169 --> 00:28:28,980

took those steps because I mean let's

683

00:28:32,570 --> 00:28:30,179

just

684

00:28:33,830 --> 00:28:32,580

never mind any kind of predictions or

685

00:28:35,510 --> 00:28:33,840

conspiracies that have been talked about

686

00:28:37,549 --> 00:28:35,520

a long time ago

687

00:28:39,590 --> 00:28:37,559

why would you want to be in fear all the

688

00:28:42,409 --> 00:28:39,600

time about something that you can't

689

00:28:43,909 --> 00:28:42,419

fully change you know or something that

690

00:28:45,110 --> 00:28:43,919

you don't know exactly when it's going

691

00:28:46,669 --> 00:28:45,120

to happen

692

00:28:49,490 --> 00:28:46,679

because

693

00:28:51,710 --> 00:28:49,500

um you know especially when we think of

694

00:28:53,450 --> 00:28:51,720

I mean I'm not like making fun of people

695

00:28:55,130 --> 00:28:53,460

that are prepping or anything like that

696

00:28:57,409 --> 00:28:55,140

because it's always good to have some

697

00:28:59,810 --> 00:28:57,419

water and and some food that will last

698

00:29:01,909 --> 00:28:59,820

longer than just a few weeks maybe a few

699

00:29:03,470 --> 00:29:01,919

months just to for the sake of having it

700

00:29:05,930 --> 00:29:03,480

you know it doesn't necessarily makes

701  
00:29:08,029 --> 00:29:05,940  
you some kind of crazy person but the

702  
00:29:10,669 --> 00:29:08,039  
point is it's good to have that and

703  
00:29:13,130 --> 00:29:10,679  
maintain it you know for one you can

704  
00:29:14,510 --> 00:29:13,140  
just look at it as your pantry and so

705  
00:29:16,430 --> 00:29:14,520  
then that way you don't have to make as

706  
00:29:19,190 --> 00:29:16,440  
many trips to the store and when you do

707  
00:29:21,470 --> 00:29:19,200  
your you replenish it you know

708  
00:29:23,630 --> 00:29:21,480  
um but you can't constantly just keep

709  
00:29:25,610 --> 00:29:23,640  
all the water you'll ever use and all

710  
00:29:27,289 --> 00:29:25,620  
the food you'll ever eat for a specific

711  
00:29:29,630 --> 00:29:27,299  
date that you never know when it's going

712  
00:29:32,389 --> 00:29:29,640  
to come it just it just makes no sense

713  
00:29:34,010 --> 00:29:32,399

and it will be you know quite insane

714

00:29:35,630 --> 00:29:34,020

you'll try to prepare for something

715

00:29:37,610 --> 00:29:35,640

because

716

00:29:39,649 --> 00:29:37,620

um you only truly know when it happens

717

00:29:41,330 --> 00:29:39,659

that's when you know okay I need to take

718

00:29:43,070 --> 00:29:41,340

action other than that you're just

719

00:29:46,909 --> 00:29:43,080

sitting there in your bunker trying to

720

00:29:46,919 --> 00:29:49,610

okay

721

00:29:56,149 --> 00:29:53,029

oh yeah and I'm also sorry I have I

722

00:29:58,130 --> 00:29:56,159

developed this this raspy voice today I

723

00:30:04,130 --> 00:29:58,140

apologize and I'll just go mute myself

724

00:30:09,169 --> 00:30:07,250

sorry about that yeah I was hoping that

725

00:30:11,690 --> 00:30:09,179

I have kicked this cold that I've had

726

00:30:13,370 --> 00:30:11,700

for a while and it got me again today

727

00:30:16,549 --> 00:30:13,380

I've

728

00:30:19,190 --> 00:30:16,559

um had some um salt water and different

729

00:30:22,549 --> 00:30:19,200

cough drops just trying to be somewhat

730

00:30:25,610 --> 00:30:22,559

have a somewhat of a decent level of a

731

00:30:27,590 --> 00:30:25,620

voice today so I apologize I'm I caught

732

00:30:29,570 --> 00:30:27,600

something again because it seems like in

733

00:30:31,850 --> 00:30:29,580

the past month and a half I've been

734

00:30:33,289 --> 00:30:31,860

fighting off whatever cold is you know

735

00:30:35,870 --> 00:30:33,299

around me but it doesn't help

736

00:30:38,149 --> 00:30:35,880

necessarily with because I have both two

737

00:30:40,370 --> 00:30:38,159

young kids are constantly going out and

738

00:30:42,830 --> 00:30:40,380

about and they bring back all the stuff

739

00:30:45,590 --> 00:30:42,840

from schools and as much as hand washing

740

00:30:46,490 --> 00:30:45,600

and cleaning up that we do uh eventually

741

00:30:49,610 --> 00:30:46,500

just

742

00:30:51,830 --> 00:30:49,620

you know it gets to me I guess it's good

743

00:30:54,470 --> 00:30:51,840

it keeps my immune system up to date so

744

00:31:01,310 --> 00:30:54,480

whatever is going around I get to do it

745

00:31:06,769 --> 00:31:03,409

uh

746

00:31:10,789 --> 00:31:06,779

roll the losing dice says no shift on a

747

00:31:18,049 --> 00:31:14,269

um are you talking about a shift SN like

748

00:31:18,059 --> 00:31:22,310

probably maybe meant to pull a shift

749

00:31:26,269 --> 00:31:24,470

Andrew says there was a time you had

750

00:31:29,750 --> 00:31:26,279

Donald Lynn on and she says something

751  
00:31:32,149 --> 00:31:29,760  
about a black swimming pool experience I

752  
00:31:33,889 --> 00:31:32,159  
had something similar yeah I'm sorry I

753  
00:31:36,549 --> 00:31:33,899  
don't remember that I don't remember

754  
00:31:41,210 --> 00:31:39,649  
that um because I remember some things

755  
00:31:43,010 --> 00:31:41,220  
from a lot of the guests that I've

756  
00:31:48,130 --> 00:31:43,020  
interviewed but I can't remember every

757  
00:31:53,510 --> 00:31:51,710  
all right so anyway for anyone that's

758  
00:31:55,789 --> 00:31:53,520  
just now joining you can join me on

759  
00:31:57,950 --> 00:31:55,799  
Telegram and chat with me I know there's

760  
00:32:00,470 --> 00:31:57,960  
some people listening there so if you

761  
00:32:02,510 --> 00:32:00,480  
like to to talk just raise your hand and

762  
00:32:04,490 --> 00:32:02,520  
I'll bring you in otherwise I'll just um

763  
00:32:06,649 --> 00:32:04,500

see what else you have to say and

764

00:32:09,169 --> 00:32:06,659

whatever else comes to mind

765

00:32:11,630 --> 00:32:09,179

because I'll I'll keep it going however

766

00:32:14,330 --> 00:32:11,640

long as we can maybe if um

767

00:32:16,730 --> 00:32:14,340

if we reach reach an hour and

768

00:32:19,549 --> 00:32:16,740

there's no more interaction I'll just

769

00:32:22,990 --> 00:32:19,559

finish the stream and come back again

770

00:32:27,590 --> 00:32:23,000

next week Wednesdays at seven

771

00:32:32,630 --> 00:32:27,600

you know um roll the dice uh no roll the

772

00:32:37,370 --> 00:32:34,669

I'm not trying to

773

00:32:40,669 --> 00:32:37,380

like I know the community that's into

774

00:32:43,669 --> 00:32:40,679

Flat Earth are very what you may call it

775

00:32:45,289 --> 00:32:43,679

a just very strong-minded about what it

776

00:32:46,730 --> 00:32:45,299

is that they've seen and how they feel

777

00:32:48,529 --> 00:32:46,740

about it

778

00:32:51,649 --> 00:32:48,539

um I've watched some documentaries I

779

00:32:53,149 --> 00:32:51,659

watched some things and I can't say that

780

00:32:55,370 --> 00:32:53,159

I'm on board when it comes to that

781

00:32:57,350 --> 00:32:55,380

that's not to say that you're not

782

00:33:00,769 --> 00:32:57,360

understanding or seeing things as you

783

00:33:03,169 --> 00:33:00,779

see them it's just um

784

00:33:05,690 --> 00:33:03,179

I don't know I just

785

00:33:07,610 --> 00:33:05,700

I contacted I personally have not had

786

00:33:10,549 --> 00:33:07,620

the experience but I contacted to some

787

00:33:12,889 --> 00:33:10,559

people that are there have been

788

00:33:14,509 --> 00:33:12,899

experiences for a lot experiences for a

789

00:33:16,430 --> 00:33:14,519

lot longer than I have been

790

00:33:18,649 --> 00:33:16,440

and I just basically I called right up

791

00:33:20,810 --> 00:33:18,659

and I said hey you know is the earth

792

00:33:23,090 --> 00:33:20,820

flat or round and they just kind of

793

00:33:25,370 --> 00:33:23,100

laughed and like whoa when I was on the

794

00:33:28,610 --> 00:33:25,380

ship looking down it's definitely a

795

00:33:30,289 --> 00:33:28,620

beautiful marble and those people that I

796

00:33:32,090 --> 00:33:30,299

trust personally

797

00:33:34,250 --> 00:33:32,100

um there was they're the only ones that

798

00:33:37,130 --> 00:33:34,260

I can go by I haven't been to space

799

00:33:38,690 --> 00:33:37,140

myself to see it and again I watched the

800

00:33:40,909 --> 00:33:38,700

video seeing the different stuff out

801

00:33:43,669 --> 00:33:40,919

there but I can't can't see I'm I can

802

00:33:45,470 --> 00:33:43,679

subscribe to that like me I can't say

803

00:33:48,950 --> 00:33:45,480

that I can subscribe to that just to

804

00:33:52,190 --> 00:33:51,289

uh Reuben says hi ednan have you ever

805

00:33:54,710 --> 00:33:52,200

had

806

00:33:57,889 --> 00:33:54,720

any messages from Dolores cannon from

807

00:33:59,690 --> 00:33:57,899

the astral plane or in your dreams uh we

808

00:34:04,070 --> 00:33:59,700

all miss her very much

809

00:34:11,570 --> 00:34:08,030

that's a that's a touchy subject because

810

00:34:14,089 --> 00:34:11,580

my work post I'm on publishing and so I

811

00:34:16,369 --> 00:34:14,099

know there's people out there that you

812

00:34:17,869 --> 00:34:16,379

know of course are not claiming Dolores

813

00:34:19,369 --> 00:34:17,879

is coming to us she's telling us about

814

00:34:22,970 --> 00:34:19,379

all this other stuff

815

00:34:26,089 --> 00:34:22,980

and so for us as family it's very

816

00:34:27,649 --> 00:34:26,099

unnerving you know and it's not I don't

817

00:34:28,970 --> 00:34:27,659

know what to do as much that we can do

818

00:34:32,690 --> 00:34:28,980

but

819

00:34:34,909 --> 00:34:32,700

one particular experience that um

820

00:34:36,290 --> 00:34:34,919

it was very it was very striking it was

821

00:34:37,730 --> 00:34:36,300

very

822

00:34:40,250 --> 00:34:37,740

I don't know how to describe it just it

823

00:34:42,889 --> 00:34:40,260

stopped me my tracks was regarding

824

00:34:46,909 --> 00:34:42,899

regarding Dolores so my wife and I we

825

00:34:49,250 --> 00:34:46,919

had we were we were just married and so

826

00:34:51,290 --> 00:34:49,260

I had just we had to just a regular room

827

00:34:54,290 --> 00:34:51,300

so my best friend

828

00:34:56,690 --> 00:34:54,300

um he the best man also he then said hey

829

00:34:58,670 --> 00:34:56,700

I got you sweet you guys should have a

830

00:35:00,349 --> 00:34:58,680

suite for on your wedding night you know

831

00:35:02,630 --> 00:35:00,359

and so on I said you really didn't have

832

00:35:05,870 --> 00:35:02,640

to because we're not we don't we're not

833

00:35:07,550 --> 00:35:05,880

into big fancy things in that way and so

834

00:35:09,290 --> 00:35:07,560

I said I'll take it thank you I

835

00:35:10,970 --> 00:35:09,300

appreciate it you know and so and we

836

00:35:14,210 --> 00:35:10,980

ended up basically

837

00:35:16,670 --> 00:35:14,220

um staying uh staying at the suite at

838

00:35:19,310 --> 00:35:16,680

the Crescent Hotel in Eureka Springs

839

00:35:22,730 --> 00:35:19,320

Arkansas and it's already a known place

840

00:35:24,710 --> 00:35:22,740

for ghosts and Supernatural things but

841

00:35:26,390 --> 00:35:24,720

my wife and I were kind of on the same

842

00:35:28,609 --> 00:35:26,400

page when it comes to these things we've

843

00:35:31,910 --> 00:35:28,619

been part of this crazy stuff all around

844

00:35:35,089 --> 00:35:31,920

us all the time we don't even very

845

00:35:37,310 --> 00:35:35,099

rarely uh do we ever kind of stop and

846

00:35:40,130 --> 00:35:37,320

like you know kind of stops us in our

847

00:35:43,130 --> 00:35:40,140

tracks like this event did like you know

848

00:35:45,349 --> 00:35:43,140

that I'm about to tell you so anyway

849

00:35:48,650 --> 00:35:45,359

we had the wedding party we went

850

00:35:50,810 --> 00:35:48,660

upstairs we woke up the next day uh we

851

00:35:53,569 --> 00:35:50,820

got ready we were checking out and as

852

00:35:55,370 --> 00:35:53,579

we're walking around that corner uh my

853

00:35:59,470 --> 00:35:55,380

wife her name is Christy she looked up

854

00:36:02,510 --> 00:35:59,480

and says oh my grandma did a Ouija board

855

00:36:05,150 --> 00:36:02,520

Seance up in this room which was kind of

856

00:36:08,150 --> 00:36:05,160

right right above our room when the

857

00:36:09,290 --> 00:36:08,160

steps were going kind of would go up and

858

00:36:12,470 --> 00:36:09,300

so

859

00:36:15,829 --> 00:36:12,480

not two sentences after she said that to

860

00:36:17,510 --> 00:36:15,839

me my phone rings and my my friend and I

861

00:36:19,970 --> 00:36:17,520

also interviewed her as well my friend

862

00:36:22,790 --> 00:36:19,980

uh Catherine she's a psychic she calls

863

00:36:24,109 --> 00:36:22,800

me in that instant and she says hey I'm

864

00:36:26,329 --> 00:36:24,119

like hey what's up it's like we're

865

00:36:29,510 --> 00:36:26,339

coming down it's like I know but I just

866

00:36:31,670 --> 00:36:29,520

need to tell you this uh the Christie's

867

00:36:34,910 --> 00:36:31,680

grandma is saying that she's thinking of

868

00:36:37,130 --> 00:36:34,920

of you and and uh kind of saying that

869

00:36:40,190 --> 00:36:37,140

she you know she's she's watching over

870

00:36:42,349 --> 00:36:40,200

you and and um uh just once you know

871

00:36:43,910 --> 00:36:42,359

that she's with you all the time and we

872

00:36:45,410 --> 00:36:43,920

both stopped because we didn't call

873

00:36:46,910 --> 00:36:45,420

anybody we didn't say anything to

874

00:36:49,730 --> 00:36:46,920

anybody we literally just having a

875

00:36:51,470 --> 00:36:49,740

conversation between us two she had just

876

00:36:55,370 --> 00:36:51,480

mentioned that and that that phone call

877

00:36:57,710 --> 00:36:55,380

comes you know comes uh comes in and so

878

00:37:00,349 --> 00:36:57,720

when it comes to Dolores or or any kind

879

00:37:02,510 --> 00:37:00,359

anything kind of um metaphysical

880

00:37:04,550 --> 00:37:02,520

Supernatural That's pretty much the

881

00:37:06,650 --> 00:37:04,560

strongest and only experiences that I

882

00:37:08,870 --> 00:37:06,660

personally had but nothing

883

00:37:17,569 --> 00:37:08,880

um sort of in um in a way where messages

884

00:37:23,569 --> 00:37:21,170

uh roll roll the losing dice says uh do

885

00:37:25,670 --> 00:37:23,579

you have any thoughts on Bigfoot mind

886

00:37:28,790 --> 00:37:25,680

speak

887

00:37:31,430 --> 00:37:28,800

well I know a good friend of mine Joe

888

00:37:33,710 --> 00:37:31,440

Palermo he's passed away and Fortune and

889

00:37:36,050 --> 00:37:33,720

I miss him you know I miss him sometime

890

00:37:38,150 --> 00:37:36,060

I I find myself thinking about a lot of

891

00:37:40,190 --> 00:37:38,160

my friends that passed away a lot a lot

892

00:37:42,230 --> 00:37:40,200

more often than I used to maybe because

893

00:37:45,170 --> 00:37:42,240

I'm getting older I don't know but I

894

00:37:48,950 --> 00:37:45,180

know he was big into Bigfoot and so

895

00:37:50,810 --> 00:37:48,960

whatever whatever details uh when it

896

00:37:53,150 --> 00:37:50,820

comes to the they call it the eye shine

897

00:37:55,250 --> 00:37:53,160

and mind speak and everything else when

898

00:37:58,250 --> 00:37:55,260

it comes to that kind of thing most of

899

00:37:59,690 --> 00:37:58,260

the information I've gotten from him you

900

00:38:02,750 --> 00:37:59,700

know it's because I didn't have any

901  
00:38:04,849 --> 00:38:02,760  
experience of my own to to where I I saw

902  
00:38:07,490 --> 00:38:04,859  
of Bigfoot or they talk to me or

903  
00:38:10,370 --> 00:38:07,500  
whatever mine has always been more alien

904  
00:38:12,770 --> 00:38:10,380  
related it's all one and the same you

905  
00:38:15,109 --> 00:38:12,780  
know to to me but uh when it comes to

906  
00:38:16,790 --> 00:38:15,119  
energy you could tell whatever was

907  
00:38:18,710 --> 00:38:16,800  
interacting with me it was it's never

908  
00:38:20,089 --> 00:38:18,720  
been a Bigfoot so anytime I was

909  
00:38:22,370 --> 00:38:20,099  
interested in Bigfoot he would be the

910  
00:38:24,530 --> 00:38:22,380  
one who I talked to because he had seen

911  
00:38:27,170 --> 00:38:24,540  
them he had a lot of experiences filmed

912  
00:38:29,810 --> 00:38:27,180  
a lot of things and just always been on

913  
00:38:32,270 --> 00:38:29,820

these Bigfoot hunts you know I know

914

00:38:34,010 --> 00:38:32,280

hunting Bigfoot Honda sounds so negative

915

00:38:36,530 --> 00:38:34,020

but it's just being out and about trying

916

00:38:39,109 --> 00:38:36,540

to make contact and so

917

00:38:41,270 --> 00:38:39,119

talking about the Mind speak you know he

918

00:38:43,970 --> 00:38:41,280

when every time I talked to him he did

919

00:38:46,250 --> 00:38:43,980

tell me they could speak and it sounds

920

00:38:47,870 --> 00:38:46,260

it's a very deep voice they have their

921

00:38:50,329 --> 00:38:47,880

own distinct

922

00:38:52,310 --> 00:38:50,339

um language and and they can speak

923

00:38:54,290 --> 00:38:52,320

English and also between each other and

924

00:38:57,470 --> 00:38:54,300

whatever language they have but they

925

00:39:00,230 --> 00:38:57,480

also have basically tell

926

00:39:02,630 --> 00:39:00,240

um telepathic abilities to where they

927

00:39:05,450 --> 00:39:02,640

can get somebody's attention from

928

00:39:07,730 --> 00:39:05,460

however far away or whatever or in case

929

00:39:09,650 --> 00:39:07,740

they try not to startle them or or

930

00:39:12,650 --> 00:39:09,660

trying to communicate you know with them

931

00:39:15,710 --> 00:39:12,660

and so they basically have have that

932

00:39:18,230 --> 00:39:15,720

ability so that's as far as I know just

933

00:39:21,430 --> 00:39:18,240

to say through a very trusting friend

934

00:39:26,150 --> 00:39:21,440

and trusting his research what he said

935

00:39:28,250 --> 00:39:26,160

that mine basically Bigfoot mind speak

936

00:39:35,170 --> 00:39:28,260

um is very real and he has experienced

937

00:39:40,970 --> 00:39:38,210

uh razor says funny I have a Bigfoot

938

00:39:44,390 --> 00:39:40,980

book right in front of me entitled mind

939

00:39:48,290 --> 00:39:44,400

speak all right yep synchronicity

940

00:39:53,569 --> 00:39:50,510

so yeah and Ruben I hope that answers

941

00:39:54,470 --> 00:39:53,579

your question regarding the Dolores

942

00:39:56,270 --> 00:39:54,480

um

943

00:39:58,609 --> 00:39:56,280

yeah you know it's it's really

944

00:40:01,609 --> 00:39:58,619

interesting when it comes to or some

945

00:40:05,089 --> 00:40:01,619

publishing or you know a lot a lot of

946

00:40:06,829 --> 00:40:05,099

times when I go to uh to the UFO

947

00:40:08,510 --> 00:40:06,839

conferences which one obviously the

948

00:40:10,670 --> 00:40:08,520

Ozark Mountain UFO conference is coming

949

00:40:12,710 --> 00:40:10,680

up in April

950

00:40:14,810 --> 00:40:12,720

um a lot of people always uh ask me

951  
00:40:16,490 --> 00:40:14,820  
about because I've had at least 10

952  
00:40:18,230 --> 00:40:16,500  
different conversations about oh my God

953  
00:40:20,150 --> 00:40:18,240  
you must have like these very

954  
00:40:22,069 --> 00:40:20,160  
enlightening conversations working at

955  
00:40:24,950 --> 00:40:22,079  
Ozark and all these other things and

956  
00:40:27,109 --> 00:40:24,960  
that's actually really funny because the

957  
00:40:29,390 --> 00:40:27,119  
last thing we discuss is anything

958  
00:40:31,550 --> 00:40:29,400  
metaphysical Supernatural and all these

959  
00:40:34,130 --> 00:40:31,560  
other things because we're living it

960  
00:40:36,650 --> 00:40:34,140  
we're in it every single day you know

961  
00:40:38,690 --> 00:40:36,660  
that uh it's kind of it would be kind of

962  
00:40:41,569 --> 00:40:38,700  
like preaching to the choir and we don't

963  
00:40:43,250 --> 00:40:41,579

find that necessary to have to

964

00:40:44,870 --> 00:40:43,260

constantly talk about it because if I

965

00:40:46,130 --> 00:40:44,880

mention something there's 10 people

966

00:40:49,670 --> 00:40:46,140

already know about what I'm talking

967

00:40:51,530 --> 00:40:49,680

about unless it's always been a

968

00:40:52,310 --> 00:40:51,540

um an experience

969

00:40:54,950 --> 00:40:52,320

um

970

00:40:57,230 --> 00:40:54,960

uh basically like something

971

00:40:59,569 --> 00:40:57,240

um that happened recently and it was

972

00:41:01,069 --> 00:40:59,579

very strong and it's still stuck in

973

00:41:02,990 --> 00:41:01,079

their heads they would you know walk in

974

00:41:04,190 --> 00:41:03,000

office and say something or talk about

975

00:41:05,089 --> 00:41:04,200

it

976

00:41:06,770 --> 00:41:05,099

um

977

00:41:09,109 --> 00:41:06,780

so anyway

978

00:41:11,390 --> 00:41:09,119

in regards to you know Dolores Cannon

979

00:41:13,730 --> 00:41:11,400

and when it comes to as you said astral

980

00:41:15,829 --> 00:41:13,740

plane and any any of that

981

00:41:18,050 --> 00:41:15,839

um just

982

00:41:20,030 --> 00:41:18,060

just not that I know of maybe if I talk

983

00:41:22,490 --> 00:41:20,040

to my wife and see maybe if she had any

984

00:41:24,890 --> 00:41:22,500

particular dreams uh or any kind of

985

00:41:26,690 --> 00:41:24,900

experiences but to me personally uh no

986

00:41:32,329 --> 00:41:26,700

other than the story that I told you

987

00:41:32,339 --> 00:41:36,050

okay

988

00:41:40,609 --> 00:41:37,569

um

989

00:41:42,589 --> 00:41:40,619

overall delusion says ruled the losing

990

00:41:45,109 --> 00:41:42,599

dice says have you had any experience

991

00:41:47,349 --> 00:41:45,119

since that encounter with the with the

992

00:41:49,329 --> 00:41:47,359

red lights

993

00:41:52,310 --> 00:41:49,339

yes

994

00:41:54,349 --> 00:41:52,320

so I've just recently there was a very

995

00:41:57,170 --> 00:41:54,359

recent experience that I shared

996

00:41:59,470 --> 00:41:57,180

regarding my my middle middle a

997

00:42:05,270 --> 00:41:59,480

middle-aged middle son because he's five

998

00:42:07,010 --> 00:42:05,280

and I perceived one of the what I can

999

00:42:10,370 --> 00:42:07,020

only say might have been because I only

1000

00:42:13,010 --> 00:42:10,380

saw a inch or two of of a very bald by

1001  
00:42:16,250 --> 00:42:13,020  
grayish head that was behind the couch

1002  
00:42:17,630 --> 00:42:16,260  
where my son was laying and it was

1003  
00:42:20,210 --> 00:42:17,640  
puzzling me because I was trying to

1004  
00:42:22,010 --> 00:42:20,220  
figure out I did okay I didn't sense

1005  
00:42:24,230 --> 00:42:22,020  
them I didn't sense them like I used to

1006  
00:42:26,089 --> 00:42:24,240  
because this the closer they come to you

1007  
00:42:27,650 --> 00:42:26,099  
the energy is so strong like there's no

1008  
00:42:30,470 --> 00:42:27,660  
way you cannot know they're approaching

1009  
00:42:33,410 --> 00:42:30,480  
you so for them to be that close and for

1010  
00:42:36,050 --> 00:42:33,420  
me to really just catch in on the corner

1011  
00:42:38,750 --> 00:42:36,060  
of my eye being there was pausing to me

1012  
00:42:41,150 --> 00:42:38,760  
that why didn't I sense them but that

1013  
00:42:43,370 --> 00:42:41,160

was that was the the most recent

1014

00:42:46,190 --> 00:42:43,380

experience and everything else that was

1015

00:42:48,109 --> 00:42:46,200

happening with my son and but I I put

1016

00:42:51,530 --> 00:42:48,119

that in the video the first video that I

1017

00:42:54,290 --> 00:42:51,540

made coming back it was is called um

1018

00:42:58,010 --> 00:42:54,300

it's a yellow thumbnail and uh what did

1019

00:43:00,710 --> 00:42:58,020

I call it I called it UFO disclosure

1020

00:43:02,510 --> 00:43:00,720

happened now what and then also quote

1021

00:43:04,849 --> 00:43:02,520

unquote I joined the Masons and then

1022

00:43:07,849 --> 00:43:04,859

some other things that was the the title

1023

00:43:09,829 --> 00:43:07,859

of that of that video so if you if you

1024

00:43:13,790 --> 00:43:09,839

listen to the story there it's towards

1025

00:43:15,710 --> 00:43:13,800

the end the last one third of the of the

1026

00:43:17,930 --> 00:43:15,720

video is where I talked talked about

1027

00:43:20,030 --> 00:43:17,940

that story but

1028

00:43:22,010 --> 00:43:20,040

also one particular

1029

00:43:24,349 --> 00:43:22,020

event that

1030

00:43:26,210 --> 00:43:24,359

I saw it was I was coming out of the

1031

00:43:28,130 --> 00:43:26,220

Ozark Mountain publishing building the

1032

00:43:29,870 --> 00:43:28,140

office it was pretty late because I was

1033

00:43:31,910 --> 00:43:29,880

working on editing some of the videos at

1034

00:43:35,270 --> 00:43:31,920

night and as I was walking out I looked

1035

00:43:36,770 --> 00:43:35,280

up and similar to the light bulb it was

1036

00:43:40,309 --> 00:43:36,780

more orangish and more in the distance

1037

00:43:42,829 --> 00:43:40,319

it just appeared and just moved real

1038

00:43:45,170 --> 00:43:42,839

real closely and so it got my attention

1039

00:43:46,910 --> 00:43:45,180

I stopped I looked at it it just moved

1040

00:43:47,569 --> 00:43:46,920

real closely and then just disappeared

1041

00:43:50,210 --> 00:43:47,579

again

1042

00:43:53,870 --> 00:43:50,220

and I was like okay I don't know what

1043

00:43:56,150 --> 00:43:53,880

that was all about but that was the most

1044

00:44:01,609 --> 00:43:56,160

immediate experience right after the the

1045

00:44:12,290 --> 00:44:05,329

sorry about that I had to cough again

1046

00:44:16,309 --> 00:44:13,730

okay

1047

00:44:18,349 --> 00:44:16,319

yeah I remember not to be silent for

1048

00:44:19,849 --> 00:44:18,359

those for those listening on podcasts

1049

00:44:23,089 --> 00:44:19,859

thank you very much I really appreciate

1050

00:44:24,950 --> 00:44:23,099

it but because I'm not a professional I

1051  
00:44:26,809 --> 00:44:24,960  
guess public speaker or whatnot please

1052  
00:44:29,089 --> 00:44:26,819  
forgive me if it goes silent for a

1053  
00:44:33,490 --> 00:44:29,099  
little bit because I'm trying to produce

1054  
00:44:40,370 --> 00:44:36,410  
uh next question have you seen a purple

1055  
00:44:42,230 --> 00:44:40,380  
light in the sky I also saw a green one

1056  
00:44:43,490 --> 00:44:42,240  
um I mean there's there's been a lot of

1057  
00:44:45,530 --> 00:44:43,500  
different

1058  
00:44:47,870 --> 00:44:45,540  
lights that are just lights I don't know

1059  
00:44:49,190 --> 00:44:47,880  
what else to say other than you know I

1060  
00:44:51,770 --> 00:44:49,200  
might have seen this I might have seen

1061  
00:44:53,930 --> 00:44:51,780  
that I don't know it'd be unless there's

1062  
00:44:56,390 --> 00:44:53,940  
more of interaction I don't they don't

1063  
00:44:58,490 --> 00:44:56,400

keep in my memory it's just

1064

00:45:00,950 --> 00:44:58,500

it's just something that that I happen

1065

00:45:03,349 --> 00:45:00,960

to see witness and I move on I don't

1066

00:45:05,930 --> 00:45:03,359

usually ponder about it very long

1067

00:45:08,690 --> 00:45:05,940

because uh if it just happens for a

1068

00:45:11,990 --> 00:45:08,700

short time or just you know it doesn't

1069

00:45:13,970 --> 00:45:12,000

it's not an actual close encounter I

1070

00:45:17,690 --> 00:45:13,980

don't I don't usually kind of keep track

1071

00:45:17,700 --> 00:45:20,870

okay

1072

00:45:26,150 --> 00:45:23,690

all right so is there um is there any of

1073

00:45:28,370 --> 00:45:26,160

you that maybe would like to log in and

1074

00:45:31,010 --> 00:45:28,380

just uh talk and share some of your

1075

00:45:34,010 --> 00:45:31,020

stories if if you you are out there

1076  
00:45:36,589 --> 00:45:34,020  
please join telegram uh you can join the

1077  
00:45:38,630 --> 00:45:36,599  
UFO have voice chat right now and uh

1078  
00:45:40,430 --> 00:45:38,640  
just raise your hand and I'll bring you

1079  
00:45:42,470 --> 00:45:40,440  
in because we are

1080  
00:45:43,670 --> 00:45:42,480  
we're just basically just chatting and

1081  
00:45:45,290 --> 00:45:43,680  
talking

1082  
00:45:47,390 --> 00:45:45,300  
all right

1083  
00:45:48,589 --> 00:45:47,400  
Niels wants to say something give me one

1084  
00:45:53,270 --> 00:45:48,599  
quick second

1085  
00:45:58,010 --> 00:45:55,609  
all right Niels you are unmuted I'm on

1086  
00:46:00,230 --> 00:45:58,020  
my end I mute yourself on yours and uh

1087  
00:46:02,210 --> 00:46:00,240  
you should be able to get a question for

1088  
00:46:04,550 --> 00:46:02,220

you sure

1089

00:46:07,550 --> 00:46:04,560

where where is all this going this is

1090

00:46:09,950 --> 00:46:07,560

UFO you know the disclosure

1091

00:46:12,650 --> 00:46:09,960

of that Tic Tac ship and then

1092

00:46:15,470 --> 00:46:12,660

and then the the pilot Commander is on

1093

00:46:18,050 --> 00:46:15,480

The Joe Rogan and talked about it

1094

00:46:19,910 --> 00:46:18,060

you know like where is this all going

1095

00:46:23,630 --> 00:46:19,920

like where are we and where is this

1096

00:46:26,030 --> 00:46:23,640

going to these these beings from other

1097

00:46:27,589 --> 00:46:26,040

places are coming here

1098

00:46:30,290 --> 00:46:27,599

the incredible

1099

00:46:33,050 --> 00:46:30,300

right well news from from my from my

1100

00:46:35,450 --> 00:46:33,060

personal experience and you know I've

1101

00:46:37,490 --> 00:46:35,460

often shared it with people if you and

1102

00:46:39,410 --> 00:46:37,500

you know it goes along with what I just

1103

00:46:41,870 --> 00:46:39,420

mentioned the beginning of the show is

1104

00:46:43,670 --> 00:46:41,880

that everything has to come out in the

1105

00:46:46,609 --> 00:46:43,680

open so

1106

00:46:48,589 --> 00:46:46,619

you know if people think that the

1107

00:46:50,690 --> 00:46:48,599

government was doing this out of the

1108

00:46:52,790 --> 00:46:50,700

goodness of Their Own Heart You Know by

1109

00:46:54,829 --> 00:46:52,800

just oh well finally I guess let us

1110

00:46:56,930 --> 00:46:54,839

reveal what we know about UFOs and we'll

1111

00:47:00,349 --> 00:46:56,940

inform the public uh they are gravely

1112

00:47:02,329 --> 00:47:00,359

mistaken you know it is basically gotten

1113

00:47:06,349 --> 00:47:02,339

to a point to where

1114

00:47:08,630 --> 00:47:06,359

they also from my from my understanding

1115

00:47:10,370 --> 00:47:08,640

and this is not the you know it's not a

1116

00:47:13,730 --> 00:47:10,380

direct message that I that always

1117

00:47:16,370 --> 00:47:13,740

received or or any kind of uh top secret

1118

00:47:17,510 --> 00:47:16,380

person directly speaking to me but it

1119

00:47:18,290 --> 00:47:17,520

was

1120

00:47:20,990 --> 00:47:18,300

um

1121

00:47:24,290 --> 00:47:21,000

my understanding that

1122

00:47:26,930 --> 00:47:24,300

they also are basically hitting their

1123

00:47:29,450 --> 00:47:26,940

head against the wall because

1124

00:47:32,750 --> 00:47:29,460

even though if you might have a ship

1125

00:47:34,550 --> 00:47:32,760

even though if you you know think you

1126

00:47:36,829 --> 00:47:34,560

have a little bit of more understanding

1127

00:47:39,170 --> 00:47:36,839

about these different aliens what

1128

00:47:41,210 --> 00:47:39,180

puzzles them and is something that they

1129

00:47:44,690 --> 00:47:41,220

still don't quite understand is the

1130

00:47:47,329 --> 00:47:44,700

Consciousness aspect of UFOs and so

1131

00:47:48,950 --> 00:47:47,339

they've tried to figure this out for

1132

00:47:50,089 --> 00:47:48,960

quite some time

1133

00:47:52,849 --> 00:47:50,099

um

1134

00:47:56,030 --> 00:47:52,859

one of the examples so for example if

1135

00:47:57,470 --> 00:47:56,040

you some of the new helicopters I don't

1136

00:47:59,750 --> 00:47:57,480

know if you ever got to see this but

1137

00:48:01,670 --> 00:47:59,760

they had basically they have this helmet

1138

00:48:03,770 --> 00:48:01,680

to where you put this on and of course

1139

00:48:07,130 --> 00:48:03,780

it's all wired electronically but

1140

00:48:09,230 --> 00:48:07,140

wherever the pilot looks the the gun the

1141

00:48:12,589 --> 00:48:09,240

machine gun in the front turns to that

1142

00:48:16,030 --> 00:48:12,599

side and basically ready to shoot

1143

00:48:20,390 --> 00:48:16,040

it was basically conveyed to me by by

1144

00:48:22,609 --> 00:48:20,400

simply stating is that they try to mimic

1145

00:48:25,370 --> 00:48:22,619

with technology what they couldn't

1146

00:48:27,470 --> 00:48:25,380

figure out what those ships do naturally

1147

00:48:30,770 --> 00:48:27,480

because they still haven't understood

1148

00:48:33,170 --> 00:48:30,780

the concept that a lot of the ships are

1149

00:48:35,510 --> 00:48:33,180

basically ships that have a

1150

00:48:38,089 --> 00:48:35,520

consciousness of their own and that they

1151  
00:48:40,790 --> 00:48:38,099  
inter basically and connect with the

1152  
00:48:42,109 --> 00:48:40,800  
pilot through Consciousness and then you

1153  
00:48:47,690 --> 00:48:42,119  
it's a

1154  
00:48:49,550 --> 00:48:47,700  
you know the pilot wants to go there and

1155  
00:48:52,010 --> 00:48:49,560  
then the ship will take over and do the

1156  
00:48:54,109 --> 00:48:52,020  
job that it's basically created to do

1157  
00:48:56,990 --> 00:48:54,119  
you know and so

1158  
00:48:58,550 --> 00:48:57,000  
because they cannot figure this out they

1159  
00:49:01,250 --> 00:48:58,560  
basically it's just kind of gotten to an

1160  
00:49:03,290 --> 00:49:01,260  
end to where we will never be able to

1161  
00:49:04,790 --> 00:49:03,300  
figure this out you know and and just

1162  
00:49:07,970 --> 00:49:04,800  
basically kind of gotten into that dark

1163  
00:49:10,190 --> 00:49:07,980

spot to where it's a lot easier for them

1164

00:49:13,609 --> 00:49:10,200

to try to kind of let the cat out of the

1165

00:49:16,430 --> 00:49:13,619

bag via the tick tock tick tock ships

1166

00:49:19,130 --> 00:49:16,440

the military personnel talking about it

1167

00:49:21,410 --> 00:49:19,140

also there's going to be um just real

1168

00:49:24,170 --> 00:49:21,420

quick to to plug the the conference so

1169

00:49:25,910 --> 00:49:24,180

again because I closely work with them

1170

00:49:28,190 --> 00:49:25,920

and they're being good to you for Hub so

1171

00:49:29,690 --> 00:49:28,200

I want to give them give him some you

1172

00:49:32,870 --> 00:49:29,700

know a shout out but

1173

00:49:34,250 --> 00:49:32,880

um Chief Sean Cahill is going to be one

1174

00:49:37,309 --> 00:49:34,260

of the keynote speakers at the

1175

00:49:39,109 --> 00:49:37,319

conference and he's basically the one

1176

00:49:41,750 --> 00:49:39,119

that was uh

1177

00:49:43,430 --> 00:49:41,760

what ship was he on basically he's going

1178

00:49:45,410 --> 00:49:43,440

to talk about all the the events that

1179

00:49:47,470 --> 00:49:45,420

that he has been basically witnessing

1180

00:49:50,150 --> 00:49:47,480

throughout all the years that before

1181

00:49:53,150 --> 00:49:50,160

this recent release he was not able to

1182

00:49:55,970 --> 00:49:53,160

talk about and so maybe they'll give

1183

00:49:58,849 --> 00:49:55,980

give us more of a confirmed Insight that

1184

00:50:01,670 --> 00:49:58,859

the government is letting go because

1185

00:50:03,770 --> 00:50:01,680

they've hit this wall and that's why I

1186

00:50:06,710 --> 00:50:03,780

believe it's going into the direction

1187

00:50:09,770 --> 00:50:06,720

that it that it has that just coming out

1188

00:50:11,990 --> 00:50:09,780

of more info uh creating this UAP office

1189

00:50:13,609 --> 00:50:12,000

and all this other stuff so that those

1190

00:50:17,530 --> 00:50:13,619

are my thoughts did you follow what I'm

1191

00:50:21,770 --> 00:50:20,870

absolutely I love hearing hearing you

1192

00:50:23,930 --> 00:50:21,780

talk

1193

00:50:26,329 --> 00:50:23,940

yeah because they yeah they you know

1194

00:50:28,130 --> 00:50:26,339

it's it's something when it comes to

1195

00:50:30,109 --> 00:50:28,140

it's the same issue we have with

1196

00:50:33,230 --> 00:50:30,119

Scientists in general they're showing

1197

00:50:35,690 --> 00:50:33,240

two things that Consciousness is the

1198

00:50:39,349 --> 00:50:35,700

last to not at all thing that will ever

1199

00:50:42,290 --> 00:50:39,359

come up you know to their mind to to try

1200

00:50:43,569 --> 00:50:42,300

to understand you always want to have a

1201  
00:50:46,309 --> 00:50:43,579  
you know

1202  
00:50:47,809 --> 00:50:46,319  
calculations and measurements and all

1203  
00:50:53,690 --> 00:50:47,819  
these other things and how do you

1204  
00:50:56,990 --> 00:50:55,970  
yeah I don't think that they're on all

1205  
00:50:58,910 --> 00:50:57,000  
right

1206  
00:51:00,770 --> 00:50:58,920  
say that one more time please

1207  
00:51:02,690 --> 00:51:00,780  
I don't think that they're on the the

1208  
00:51:05,630 --> 00:51:02,700  
level right if they're if they're able

1209  
00:51:07,970 --> 00:51:05,640  
to do things with Consciousness like the

1210  
00:51:10,430 --> 00:51:07,980  
uh you know these these off-worldly

1211  
00:51:11,750 --> 00:51:10,440  
beings or other dimensional beings or

1212  
00:51:14,030 --> 00:51:11,760  
whatever they are

1213  
00:51:17,270 --> 00:51:14,040

right well it goes back to

1214

00:51:21,609 --> 00:51:17,280

um these different vibrations which is

1215

00:51:27,470 --> 00:51:24,650

one vibration that vibrates in a very

1216

00:51:29,630 --> 00:51:27,480

specific uh frequency makes up my

1217

00:51:31,309 --> 00:51:29,640

Consciousness the other vibration is

1218

00:51:33,349 --> 00:51:31,319

slightly different from mind makes up

1219

00:51:35,569 --> 00:51:33,359

your Consciousness and so on and so on

1220

00:51:36,950 --> 00:51:35,579

and it's mind-boggling to understand

1221

00:51:38,870 --> 00:51:36,960

that

1222

00:51:40,609 --> 00:51:38,880

um they're basically there's infinite

1223

00:51:43,849 --> 00:51:40,619

levels of all these different vibrations

1224

00:51:45,109 --> 00:51:43,859

that make up these unique versions of

1225

00:51:48,170 --> 00:51:45,119

the one

1226  
00:51:50,390 --> 00:51:48,180  
you know and so that requires a certain

1227  
00:51:54,170 --> 00:51:50,400  
level of of growth

1228  
00:51:56,089 --> 00:51:54,180  
um understanding letting go and if you

1229  
00:51:58,430 --> 00:51:56,099  
look at the government you know you look

1230  
00:52:00,829 --> 00:51:58,440  
at them and say are they any of that you

1231  
00:52:03,890 --> 00:52:00,839  
know the whole concept is constantly of

1232  
00:52:06,290 --> 00:52:03,900  
uh fear you know uh protect

1233  
00:52:07,910 --> 00:52:06,300  
um you know basically basically doing

1234  
00:52:09,829 --> 00:52:07,920  
what the government is supposed to do

1235  
00:52:11,809 --> 00:52:09,839  
but because they're doing what they're

1236  
00:52:13,010 --> 00:52:11,819  
supposed to do it doesn't allow them to

1237  
00:52:15,950 --> 00:52:13,020  
to grow

1238  
00:52:18,049 --> 00:52:15,960

to understand something everything

1239

00:52:19,730 --> 00:52:18,059

basically they're kind of like that as

1240

00:52:21,349 --> 00:52:19,740

expression goes

1241

00:52:25,849 --> 00:52:21,359

um they're they're in a hammer and

1242

00:52:30,170 --> 00:52:28,790

oh Andrew I'm sorry Neil just real quick

1243

00:52:33,589 --> 00:52:30,180

Andrew was saying something to me he's

1244

00:52:36,410 --> 00:52:33,599

like did you look up em Drive Adnan and

1245

00:52:37,910 --> 00:52:36,420

um I did not it was on my list I promise

1246

00:52:39,950 --> 00:52:37,920

I still will

1247

00:52:42,290 --> 00:52:39,960

um one of these days you know if you

1248

00:52:44,329 --> 00:52:42,300

come back ask me I promise I will I will

1249

00:52:46,250 --> 00:52:44,339

have more knowledge on it but no I did

1250

00:52:48,109 --> 00:52:46,260

not since the last time we talked

1251  
00:52:50,930 --> 00:52:48,119  
Neil says anything else you would like

1252  
00:52:54,710 --> 00:52:50,940  
to talk about yeah speaking of about

1253  
00:52:57,109 --> 00:52:54,720  
vibration there's a lot of uh stories uh

1254  
00:52:58,849 --> 00:52:57,119  
out there experiences

1255  
00:53:01,069 --> 00:52:58,859  
um of these beings approaching people

1256  
00:53:04,970 --> 00:53:01,079  
and like these these beings like putting

1257  
00:53:07,309 --> 00:53:04,980  
this like magnetic power uh into them or

1258  
00:53:08,510 --> 00:53:07,319  
they're like or they can't move like do

1259  
00:53:11,270 --> 00:53:08,520  
you know anything about that like what

1260  
00:53:15,349 --> 00:53:11,280  
type of you know technology or

1261  
00:53:20,270 --> 00:53:15,359  
Consciousness uh that is

1262  
00:53:22,430 --> 00:53:20,280  
I Define you saying the the beings

1263  
00:53:23,930 --> 00:53:22,440

that have the ability to make you freeze

1264

00:53:25,970 --> 00:53:23,940

is that what you mean so you can't move

1265

00:53:28,010 --> 00:53:25,980

and you you perceive them but that you

1266

00:53:30,049 --> 00:53:28,020

cannot move and they just

1267

00:53:37,549 --> 00:53:30,059

uh it seems like that they're doing that

1268

00:53:37,559 --> 00:53:42,470

hello

1269

00:53:46,849 --> 00:53:45,049

okay I don't know I lost I lost Niels

1270

00:53:48,530 --> 00:53:46,859

he's unmuted I don't know I'm just not

1271

00:53:51,470 --> 00:53:48,540

getting any audio

1272

00:53:53,089 --> 00:53:51,480

maybe he might come back

1273

00:53:54,950 --> 00:53:53,099

yeah I'm sorry I really wish you could

1274

00:53:58,549 --> 00:53:54,960

just rephrase that question one more

1275

00:54:02,450 --> 00:53:59,930

because if

1276

00:54:03,230 --> 00:54:02,460

if I'm understanding you correctly

1277

00:54:05,210 --> 00:54:03,240

um

1278

00:54:08,210 --> 00:54:05,220

that could be wrong but anyway I'll go

1279

00:54:11,089 --> 00:54:08,220

off of what I think I understood so when

1280

00:54:13,910 --> 00:54:11,099

it comes to people feeling Frozen or

1281

00:54:15,650 --> 00:54:13,920

paralyzed not being able to move when

1282

00:54:18,349 --> 00:54:15,660

they have an encounter whenever there's

1283

00:54:20,510 --> 00:54:18,359

a being in their room or or anything

1284

00:54:24,109 --> 00:54:20,520

else that's that's happening is that

1285

00:54:25,670 --> 00:54:24,119

what it's it's it's a multi-fold but

1286

00:54:28,609 --> 00:54:25,680

generally

1287

00:54:31,549 --> 00:54:28,619

the beings that we are eventually going

1288

00:54:34,790 --> 00:54:31,559

to be interacting with their base a very

1289

00:54:37,809 --> 00:54:34,800

high vibration when I say high vibration

1290

00:54:41,150 --> 00:54:37,819

I also mean a different dimension and so

1291

00:54:43,790 --> 00:54:41,160

the way the universe kind of works is if

1292

00:54:47,150 --> 00:54:43,800

you um Bashar had best described this

1293

00:54:51,230 --> 00:54:47,160

many years ago if you looked at a bunch

1294

00:54:52,910 --> 00:54:51,240

of gears in cogs tightly woven together

1295

00:54:56,750 --> 00:54:52,920

um

1296

00:55:00,530 --> 00:54:56,760

though because we are all connected

1297

00:55:03,290 --> 00:55:00,540

when you put when you basically have two

1298

00:55:05,630 --> 00:55:03,300

two cogs that are basically then moving

1299

00:55:06,470 --> 00:55:05,640

in two different frequencies you can't

1300

00:55:08,690 --> 00:55:06,480

just

1301  
00:55:11,870 --> 00:55:08,700  
slam them together and immediately like

1302  
00:55:13,430 --> 00:55:11,880  
meet because then the higher vibration

1303  
00:55:16,430 --> 00:55:13,440  
are going to do damage to a lower

1304  
00:55:18,829 --> 00:55:16,440  
vibrations uh for us it translates that

1305  
00:55:21,589 --> 00:55:18,839  
into psychotic shock

1306  
00:55:23,089 --> 00:55:21,599  
um you know just something very

1307  
00:55:25,930 --> 00:55:23,099  
traumatic that we can't deal with

1308  
00:55:29,390 --> 00:55:25,940  
because it's it's uh kind of prying open

1309  
00:55:31,730 --> 00:55:29,400  
all of you that you are to bring you up

1310  
00:55:33,770 --> 00:55:31,740  
to your surface to off the sudden be

1311  
00:55:35,990 --> 00:55:33,780  
aware of why you hear what your previous

1312  
00:55:38,089 --> 00:55:36,000  
life was what your future life will be

1313  
00:55:40,130 --> 00:55:38,099

all the things that you pre-planned all

1314

00:55:43,069 --> 00:55:40,140

these things you know because of that

1315

00:55:44,930 --> 00:55:43,079

vibration the higher you go again things

1316

00:55:47,510 --> 00:55:44,940

can't stay hidden because we're still

1317

00:55:48,589 --> 00:55:47,520

playing this hidden game and so part of

1318

00:55:51,710 --> 00:55:48,599

the

1319

00:55:54,230 --> 00:55:51,720

part of that process is that

1320

00:55:56,630 --> 00:55:54,240

it in order for them to have an

1321

00:56:00,470 --> 00:55:56,640

interaction with us the higher soul that

1322

00:56:03,049 --> 00:56:00,480

that we all have is basically already of

1323

00:56:05,150 --> 00:56:03,059

that higher vibration so what happens is

1324

00:56:08,410 --> 00:56:05,160

that it's a lot easier for them to

1325

00:56:11,870 --> 00:56:08,420

interact with us with the higher being

1326

00:56:12,950 --> 00:56:11,880

of us to basically that already knows

1327

00:56:14,630 --> 00:56:12,960

why we're here and all these other

1328

00:56:16,910 --> 00:56:14,640

things and then

1329

00:56:18,650 --> 00:56:16,920

make some certain plans of what's going

1330

00:56:20,210 --> 00:56:18,660

to be happening you know why are we

1331

00:56:24,890 --> 00:56:20,220

having the interaction in the way that

1332

00:56:26,750 --> 00:56:24,900

we are and so it's best for them to just

1333

00:56:27,829 --> 00:56:26,760

um in a way kind of

1334

00:56:30,049 --> 00:56:27,839

um

1335

00:56:32,870 --> 00:56:30,059

not freezes but you basically your your

1336

00:56:36,230 --> 00:56:32,880

body through your own actions will stop

1337

00:56:38,809 --> 00:56:36,240

to to function while this interaction is

1338

00:56:41,089 --> 00:56:38,819

happening you know to where the the body

1339

00:56:42,650 --> 00:56:41,099

is just this suit that it just needs to

1340

00:56:44,630 --> 00:56:42,660

lay still

1341

00:56:46,430 --> 00:56:44,640

um that higher conversation to be had

1342

00:56:48,710 --> 00:56:46,440

whatever information needs to be

1343

00:56:50,750 --> 00:56:48,720

exchanged to be exchanged and then

1344

00:56:53,750 --> 00:56:50,760

finally when they go away you feel like

1345

00:56:55,069 --> 00:56:53,760

oh I got my body back you know it almost

1346

00:56:56,569 --> 00:56:55,079

um

1347

00:57:02,210 --> 00:56:56,579

imagine

1348

00:57:04,370 --> 00:57:02,220

a Bashar and and Daryl Anka have best

1349

00:57:05,990 --> 00:57:04,380

really described this is when you're

1350

00:57:08,390 --> 00:57:06,000

when you're having these different

1351  
00:57:11,089 --> 00:57:08,400  
conversations when you were having uh

1352  
00:57:14,390 --> 00:57:11,099  
more of interactions um it's kind of

1353  
00:57:17,809 --> 00:57:14,400  
like driving a car you know and you're

1354  
00:57:19,609 --> 00:57:17,819  
driving but the the you that's that's

1355  
00:57:21,410 --> 00:57:19,619  
the ego you that's not supposed to be

1356  
00:57:23,390 --> 00:57:21,420  
preview to that information to that

1357  
00:57:26,390 --> 00:57:23,400  
information until at some later date

1358  
00:57:28,490 --> 00:57:26,400  
it's kind of in the passenger seat and

1359  
00:57:30,950 --> 00:57:28,500  
just kind of observing that the body is

1360  
00:57:32,750 --> 00:57:30,960  
can't move can't nothing else is

1361  
00:57:35,930 --> 00:57:32,760  
happening can't do anything else until

1362  
00:57:38,870 --> 00:57:35,940  
whatever interaction needs to occur

1363  
00:57:40,849 --> 00:57:38,880

conclude and then you basically get back

1364

00:57:42,829 --> 00:57:40,859

to the to the driving and of course

1365

00:57:44,870 --> 00:57:42,839

because you're not preview to the whole

1366

00:57:46,970 --> 00:57:44,880

conversation that creates fears now

1367

00:57:48,470 --> 00:57:46,980

you're afraid you know what does that

1368

00:57:51,349 --> 00:57:48,480

mean would they be doing this every

1369

00:57:52,790 --> 00:57:51,359

night you know I don't like this why is

1370

00:57:55,069 --> 00:57:52,800

this happening to me and just gets you

1371

00:57:58,190 --> 00:57:55,079

in all of that panic but if you keep

1372

00:58:00,109 --> 00:57:58,200

looking you know be like I did you will

1373

00:58:02,030 --> 00:58:00,119

eventually find your answers and we'll

1374

00:58:04,069 --> 00:58:02,040

put you at ease understanding that

1375

00:58:06,049 --> 00:58:04,079

nothing happens out of your control

1376

00:58:07,790 --> 00:58:06,059

whether you want to believe that or not

1377

00:58:09,410 --> 00:58:07,800

you know but you have to go there

1378

00:58:13,089 --> 00:58:09,420

yourself to see it otherwise you'll

1379

00:58:19,730 --> 00:58:17,030

okay let's see if we have any more

1380

00:58:22,609 --> 00:58:19,740

oh you're back

1381

00:58:24,349 --> 00:58:22,619

I'm back that was incredible and I fully

1382

00:58:26,569 --> 00:58:24,359

agree with you and thank you for uh

1383

00:58:29,750 --> 00:58:26,579

explaining it so well

1384

00:58:32,690 --> 00:58:29,760

thank you I appreciate it thanks for

1385

00:58:35,510 --> 00:58:32,700

um just not letting me just hear a man

1386

00:58:37,069 --> 00:58:35,520

Bumble on my own and uh trying to keep

1387

00:58:38,750 --> 00:58:37,079

the show going for everyone else that's

1388

00:58:41,870 --> 00:58:38,760

watching so I appreciate you joining in

1389

00:58:43,789 --> 00:58:41,880

yeah I don't bite you all can don't you

1390

00:58:46,190 --> 00:58:43,799

know don't be afraid join you know I

1391

00:58:47,930 --> 00:58:46,200

know a lot of you uh always would like

1392

00:58:50,870 --> 00:58:47,940

to talk to me they always tell me uh

1393

00:58:53,450 --> 00:58:50,880

stories in person but uh sometimes you

1394

00:58:55,370 --> 00:58:53,460

know you know they don't they don't just

1395

00:58:57,410 --> 00:58:55,380

want to come out publicly because of

1396

00:59:00,109 --> 00:58:57,420

they're afraid of their job or whatever

1397

00:59:02,930 --> 00:59:00,119

their friends think and and whatnot

1398

00:59:05,870 --> 00:59:02,940

okay there's Nils oh yeah Nils

1399

00:59:08,809 --> 00:59:05,880

um I'm euri muted did you want to add

1400

00:59:10,309 --> 00:59:08,819

this I just want to uh I just want to uh

1401

00:59:16,010 --> 00:59:10,319

if you can if you got a minute or two

1402

00:59:21,470 --> 00:59:18,890

other than knowing that the research

1403

00:59:23,089 --> 00:59:21,480

that he's done with the abductees and

1404

00:59:24,589 --> 00:59:23,099

all of that that was something that I

1405

00:59:27,230 --> 00:59:24,599

did a long time ago and I don't remember

1406

00:59:29,210 --> 00:59:27,240

all the details because when it comes to

1407

00:59:31,130 --> 00:59:29,220

experiences and all the things that

1408

00:59:32,750 --> 00:59:31,140

happen for me afterwards I just

1409

00:59:35,150 --> 00:59:32,760

concentrated on more of that

1410

00:59:37,010 --> 00:59:35,160

Consciousness mental work than trying to

1411

00:59:38,510 --> 00:59:37,020

remember all the things that I read

1412

00:59:40,730 --> 00:59:38,520

because I believe

1413

00:59:45,109 --> 00:59:40,740

and I don't know if you would know this

1414

00:59:48,829 --> 00:59:45,119

too he was a Harvard Professor who did

1415

00:59:51,289 --> 00:59:48,839

research with abductees and basically

1416

00:59:52,849 --> 00:59:51,299

through hypnosis was able to gather

1417

00:59:54,470 --> 00:59:52,859

different information of what they

1418

00:59:57,589 --> 00:59:54,480

experienced what was happening to them

1419

00:59:59,809 --> 00:59:57,599

and has written many books about it so I

1420

01:00:02,089 --> 00:59:59,819

can only encourage you to do all of

1421

01:00:04,430 --> 01:00:02,099

those all of you watching to search

1422

01:00:06,650 --> 01:00:04,440

search it on Amazon get some of those

1423

01:00:09,490 --> 01:00:06,660

books on your own and and read them but

1424

01:00:11,809 --> 01:00:09,500

I'm sorry that's that's the extent

1425

01:00:14,210 --> 01:00:11,819

to the extent that I know about John

1426

01:00:14,220 --> 01:00:16,970

perfect

1427

01:00:20,690 --> 01:00:18,650

okay

1428

01:00:22,690 --> 01:00:20,700

um is any other recent stories other

1429

01:00:28,010 --> 01:00:22,700

than you just kind of putting on hold

1430

01:00:29,510 --> 01:00:28,020

your your research into uh um Bigfoot

1431

01:00:32,690 --> 01:00:29,520

was is there anything else been

1432

01:00:37,130 --> 01:00:35,390

well the um one thing I've learned about

1433

01:00:40,549 --> 01:00:37,140

Bigfoot like Bill

1434

01:00:43,549 --> 01:00:40,559

when they're going between the Mansions

1435

01:00:44,390 --> 01:00:43,559

or like dematerializing

1436

01:00:47,390 --> 01:00:44,400

um

1437

01:00:49,069 --> 01:00:47,400

that they make like a snapping sound

1438

01:00:53,690 --> 01:00:49,079

you know about that

1439

01:00:59,030 --> 01:00:56,750

oh just because they can like uh atomize

1440

01:01:01,430 --> 01:00:59,040

like disappear kind of thing but they'll

1441

01:01:04,190 --> 01:01:01,440

leave like one footprint to like show

1442

01:01:07,130 --> 01:01:04,200

you and uh you know build structures

1443

01:01:08,990 --> 01:01:07,140

it's just you know some of the uh

1444

01:01:11,450 --> 01:01:09,000

recordings that are out on YouTube right

1445

01:01:15,349 --> 01:01:11,460

now are just incredible it's like

1446

01:01:17,030 --> 01:01:15,359

I heard uh these two uh like a husband

1447

01:01:19,250 --> 01:01:17,040

and wife bickering

1448

01:01:20,510 --> 01:01:19,260

and uh the female is bickering like a

1449

01:01:23,089 --> 01:01:20,520

you know

1450

01:01:26,030 --> 01:01:23,099

and uh some of them are sound like these

1451  
01:01:27,829 --> 01:01:26,040  
like deep like almost like Japanese huge

1452  
01:01:30,069 --> 01:01:27,839  
they're huge beings right they're like

1453  
01:01:33,770 --> 01:01:30,079  
something like 800 pounds to throw like

1454  
01:01:37,010 --> 01:01:33,780  
rocks like 150 200 pound rocks kind of

1455  
01:01:38,930 --> 01:01:37,020  
thing like nothing like move trees like

1456  
01:01:42,490 --> 01:01:38,940  
crazy like there's incredible beings and

1457  
01:01:45,490 --> 01:01:42,500  
yeah they do the new minds speak

1458  
01:01:47,329 --> 01:01:45,500  
are you talking about the the the the

1459  
01:01:48,770 --> 01:01:47,339  
bickering and all that you mentioned are

1460  
01:01:51,890 --> 01:01:48,780  
you talking about the what's what's

1461  
01:01:55,069 --> 01:01:51,900  
known as the samurai chatter

1462  
01:01:57,470 --> 01:01:55,079  
yeah that must be it yeah okay yeah no I

1463  
01:02:00,530 --> 01:01:57,480

know um so I did several different

1464

01:02:02,750 --> 01:02:00,540

interviews and I invited uh Scott Scott

1465

01:02:04,549 --> 01:02:02,760

Nelson he was one of the speakers when I

1466

01:02:12,589 --> 01:02:04,559

did have a

1467

01:02:16,069 --> 01:02:12,599

conference and um he's basically a a

1468

01:02:18,710 --> 01:02:16,079

Navy linguist who came across these

1469

01:02:20,390 --> 01:02:18,720

recordings he only found uh like a five

1470

01:02:23,329 --> 01:02:20,400

minute segment with him and his son

1471

01:02:25,609 --> 01:02:23,339

online and it was Ron Moorhead that made

1472

01:02:27,109 --> 01:02:25,619

the original recordings a couple decades

1473

01:02:28,970 --> 01:02:27,119

probably if I'm not mistaken it was

1474

01:02:33,349 --> 01:02:28,980

originally taken in somewhere in the 70s

1475

01:02:36,770 --> 01:02:33,359

but it was basically a recording that he

1476

01:02:39,109 --> 01:02:36,780

uh was just a Old Navy guy you know

1477

01:02:42,589 --> 01:02:39,119

basically done with the service and um

1478

01:02:45,530 --> 01:02:42,599

his job was to decrypt

1479

01:02:48,410 --> 01:02:45,540

um basically encryptions coming from the

1480

01:02:49,849 --> 01:02:48,420

Russians and you know all these you know

1481

01:02:53,690 --> 01:02:49,859

different things that are over the

1482

01:02:57,410 --> 01:02:53,700

airwaves and so he when he heard that he

1483

01:02:59,750 --> 01:02:57,420

was so taken aback by it because

1484

01:03:01,970 --> 01:02:59,760

um he was playing it in in this ways he

1485

01:03:03,710 --> 01:03:01,980

calls it putting a cance on and and he

1486

01:03:06,410 --> 01:03:03,720

said he was playing it over and over and

1487

01:03:08,690 --> 01:03:06,420

over again and then throughout the lead

1488

01:03:09,530 --> 01:03:08,700

on got in touch with Ron Moorhead and

1489

01:03:12,230 --> 01:03:09,540

then

1490

01:03:15,349 --> 01:03:12,240

um basically started analyzing it uh

1491

01:03:18,730 --> 01:03:15,359

using his Linguistics skills excuse me

1492

01:03:25,069 --> 01:03:22,609

and basically what he found is that as

1493

01:03:28,010 --> 01:03:25,079

as he was listening to it that there is

1494

01:03:30,410 --> 01:03:28,020

language he was able to break it apart

1495

01:03:32,930 --> 01:03:30,420

um to specific you know tones and

1496

01:03:35,750 --> 01:03:32,940

repeated tones and putting them together

1497

01:03:38,630 --> 01:03:35,760

he doesn't know what it means but he was

1498

01:03:39,710 --> 01:03:38,640

able to just break it apart and and make

1499

01:03:44,450 --> 01:03:39,720

these

1500

01:03:46,130 --> 01:03:44,460

appear like you're reading something or

1501  
01:03:48,289 --> 01:03:46,140  
you could you could eventually read but

1502  
01:03:50,390 --> 01:03:48,299  
what it means he doesn't know so if

1503  
01:03:51,470 --> 01:03:50,400  
you're interested in that it is on the

1504  
01:03:52,490 --> 01:03:51,480  
YouTube

1505  
01:03:56,870 --> 01:03:52,500  
um

1506  
01:03:58,910 --> 01:03:56,880  
watch him at starting out he has a

1507  
01:04:01,370 --> 01:03:58,920  
presentation and the whole sounds and he

1508  
01:04:03,950 --> 01:04:01,380  
analyzes them and he you know mimics

1509  
01:04:05,690 --> 01:04:03,960  
things on his own and how he broke it

1510  
01:04:07,549 --> 01:04:05,700  
apart and so

1511  
01:04:10,190 --> 01:04:07,559  
um you know it's it's very interesting

1512  
01:04:12,170 --> 01:04:10,200  
uh to watch but you know that's that's

1513  
01:04:14,270 --> 01:04:12,180

that was the recording that was known as

1514

01:04:16,910 --> 01:04:14,280

the samurai chatter it's basically a

1515

01:04:19,130 --> 01:04:16,920

male female and a child

1516

01:04:20,809 --> 01:04:19,140

supposedly they were recorded well not

1517

01:04:23,450 --> 01:04:20,819

supposedly I heard the whole heard the

1518

01:04:25,490 --> 01:04:23,460

thing and it's it's definitely you hear

1519

01:04:27,230 --> 01:04:25,500

three distinct beings

1520

01:04:31,670 --> 01:04:27,240

like you said bickering at each other

1521

01:04:37,010 --> 01:04:34,250

yeah that's uh I don't think you hear

1522

01:04:40,010 --> 01:04:37,020

these vocalizations I'm playing here

1523

01:04:43,190 --> 01:04:40,020

hear that what was the last part

1524

01:04:50,690 --> 01:04:46,910

um no I'm sorry it's just silent

1525

01:04:53,089 --> 01:04:50,700

okay yeah yeah just like these uh the

1526  
01:04:55,970 --> 01:04:53,099  
vocalizations uh yeah Ron Moorhead like

1527  
01:04:59,870 --> 01:04:55,980  
they're uh incredible how he was able to

1528  
01:05:03,049 --> 01:04:59,880  
uh decipher and explain that uh

1529  
01:05:05,630 --> 01:05:03,059  
yeah they're very deep throated you know

1530  
01:05:08,650 --> 01:05:05,640  
their vocal range their power it's just

1531  
01:05:11,510 --> 01:05:08,660  
uh they're incredible beings

1532  
01:05:14,089 --> 01:05:11,520  
right well what's what's credible and

1533  
01:05:15,770 --> 01:05:14,099  
incredible is that he he was not a

1534  
01:05:18,589 --> 01:05:15,780  
believe in Bigfoot whatsoever he was

1535  
01:05:20,870 --> 01:05:18,599  
just his his thing was language but he

1536  
01:05:22,849 --> 01:05:20,880  
became a Believer by analyzing it in the

1537  
01:05:25,309 --> 01:05:22,859  
profession that he knows how it

1538  
01:05:27,950 --> 01:05:25,319

basically what he was finding was very

1539

01:05:30,349 --> 01:05:27,960

interesting so he would even discern

1540

01:05:33,710 --> 01:05:30,359

like he was talking about that

1541

01:05:35,990 --> 01:05:33,720

as we speak we only speak on exhaling

1542

01:05:38,450 --> 01:05:36,000

then we take a break and then we speak

1543

01:05:40,910 --> 01:05:38,460

again and take air in he was saying that

1544

01:05:44,630 --> 01:05:40,920

they speak on both ends uh basically

1545

01:05:46,970 --> 01:05:44,640

essay exhale and inhaling and when he

1546

01:05:49,130 --> 01:05:46,980

slows it down and shows it in that

1547

01:05:50,930 --> 01:05:49,140

presentation you can hear that and all

1548

01:05:54,230 --> 01:05:50,940

the things he was able to discern from

1549

01:05:56,329 --> 01:05:54,240

from you know these these recordings is

1550

01:05:59,089 --> 01:05:56,339

amazing I mean there's many other things

1551  
01:06:00,710 --> 01:05:59,099  
you know that he basically you know kind

1552  
01:06:02,630 --> 01:06:00,720  
of breaks down and presents and it's

1553  
01:06:05,809 --> 01:06:02,640  
again it's free for you to watch you

1554  
01:06:08,329 --> 01:06:05,819  
know it's Scott Nelson here on on UFO

1555  
01:06:10,370 --> 01:06:08,339  
UFO YouTube channel just go down the

1556  
01:06:12,829 --> 01:06:10,380  
videos and uh you'll be able to find it

1557  
01:06:16,370 --> 01:06:12,839  
there but yeah no it's um

1558  
01:06:18,650 --> 01:06:16,380  
you know it it's it's to me Bigfoot you

1559  
01:06:21,410 --> 01:06:18,660  
know it's um it's just as intriguing as

1560  
01:06:23,630 --> 01:06:21,420  
UFOs it's just that UFOs took most of my

1561  
01:06:25,910 --> 01:06:23,640  
time and so I always just kind of went

1562  
01:06:28,849 --> 01:06:25,920  
that direction you know

1563  
01:06:31,490 --> 01:06:28,859

um but you know living where I live and

1564

01:06:33,770 --> 01:06:31,500

just if and when is meant to be you know

1565

01:06:35,630 --> 01:06:33,780

uh you know I would I would love to have

1566

01:06:39,349 --> 01:06:35,640

some kind of interaction you know with

1567

01:06:44,150 --> 01:06:41,569

there are some certain ways to be

1568

01:06:46,910 --> 01:06:44,160

successful at that

1569

01:06:49,430 --> 01:06:46,920

the one

1570

01:06:51,410 --> 01:06:49,440

how does uh how do people make do you

1571

01:06:55,190 --> 01:06:51,420

think make contact with them or is it

1572

01:06:56,510 --> 01:06:55,200

just random or it's only on uh Bigfoot's

1573

01:06:59,390 --> 01:06:56,520

terms

1574

01:07:02,450 --> 01:06:59,400

well I mean it's

1575

01:07:04,670 --> 01:07:02,460

I would say it's on both ends because

1576

01:07:07,309 --> 01:07:04,680

sometimes we think it's someone else

1577

01:07:09,049 --> 01:07:07,319

always controlling or when that when

1578

01:07:11,630 --> 01:07:09,059

that's going to happen but it all kind

1579

01:07:13,190 --> 01:07:11,640

of comes down to when you are ready you

1580

01:07:15,470 --> 01:07:13,200

know and

1581

01:07:17,150 --> 01:07:15,480

when I say that it means you know a lot

1582

01:07:19,069 --> 01:07:17,160

of people say yeah I'm ready I'll do

1583

01:07:21,710 --> 01:07:19,079

this you know but they don't know how

1584

01:07:24,529 --> 01:07:21,720

they're truly going to react until this

1585

01:07:26,270 --> 01:07:24,539

this event happens and I find that a lot

1586

01:07:29,150 --> 01:07:26,280

of those other beings that have that

1587

01:07:30,950 --> 01:07:29,160

high vibration they see it you know it's

1588

01:07:33,349 --> 01:07:30,960

it's no different than you know me

1589

01:07:34,730 --> 01:07:33,359

telling my child you know hey uh you

1590

01:07:36,289 --> 01:07:34,740

might be scared of this don't watch it

1591

01:07:38,210 --> 01:07:36,299

like no no I'll be fine it'll be okay

1592

01:07:41,270 --> 01:07:38,220

and then they happen to watch the movie

1593

01:07:43,849 --> 01:07:41,280

or see a certain scene or or or you know

1594

01:07:46,190 --> 01:07:43,859

trying to go swim in the deep end of the

1595

01:07:48,349 --> 01:07:46,200

pool and then the fear kicks in and I

1596

01:07:50,150 --> 01:07:48,359

was like I told you you know they they

1597

01:07:52,309 --> 01:07:50,160

in that moment they might think they're

1598

01:07:54,190 --> 01:07:52,319

they're brave enough to do it but you

1599

01:07:56,510 --> 01:07:54,200

know until until

1600

01:07:59,210 --> 01:07:56,520

they truly have worked out that

1601  
01:08:01,970 --> 01:07:59,220  
vibration you know it's not going to be

1602  
01:08:04,190 --> 01:08:01,980  
pushed against them but um

1603  
01:08:06,190 --> 01:08:04,200  
when when it comes down again to

1604  
01:08:10,010 --> 01:08:06,200  
Consciousness that's the common

1605  
01:08:12,349 --> 01:08:10,020  
connector to all of us is that it's also

1606  
01:08:15,470 --> 01:08:12,359  
a Consciousness that's on a higher

1607  
01:08:18,470 --> 01:08:15,480  
vibration that we can also interact with

1608  
01:08:20,510 --> 01:08:18,480  
if we just learn to kind of work out our

1609  
01:08:23,930 --> 01:08:20,520  
energies and be able then to connect

1610  
01:08:26,329 --> 01:08:23,940  
with them because a lot of times you

1611  
01:08:28,249 --> 01:08:26,339  
know our energy like you know people

1612  
01:08:31,189 --> 01:08:28,259  
will have to say Okay well I'm ready I'm

1613  
01:08:33,530 --> 01:08:31,199

ready to do this I'm I meditated I

1614

01:08:36,349 --> 01:08:33,540

figured this out and they don't realize

1615

01:08:38,329 --> 01:08:36,359

that hey you know that anger you have

1616

01:08:40,849 --> 01:08:38,339

while you're driving that's the energy

1617

01:08:43,370 --> 01:08:40,859

that's blocking your you you know you're

1618

01:08:45,349 --> 01:08:43,380

raising a vibration you know hey that

1619

01:08:47,930 --> 01:08:45,359

maybe judgmental thought you have about

1620

01:08:50,269 --> 01:08:47,940

whatever it might be that's also another

1621

01:08:52,910 --> 01:08:50,279

thing that's in your way of raising that

1622

01:08:54,769 --> 01:08:52,920

higher vibration and so you know

1623

01:08:56,209 --> 01:08:54,779

everyone else kind of overlooks that

1624

01:08:58,970 --> 01:08:56,219

because they don't they don't understand

1625

01:09:01,370 --> 01:08:58,980

like okay well what's it got to do with

1626  
01:09:03,650 --> 01:09:01,380  
aliens of me being angry you know they

1627  
01:09:05,930 --> 01:09:03,660  
don't see that it's another vibration

1628  
01:09:08,209 --> 01:09:05,940  
that will stop you from making contact

1629  
01:09:10,849 --> 01:09:08,219  
or Bigfoot you know it it doesn't matter

1630  
01:09:12,709 --> 01:09:10,859  
what it is you want to interact with

1631  
01:09:15,349 --> 01:09:12,719  
high vibrations you have to raise your

1632  
01:09:17,870 --> 01:09:15,359  
vibration because if they basically try

1633  
01:09:19,430 --> 01:09:17,880  
to force it in some way you will go into

1634  
01:09:21,769 --> 01:09:19,440  
a psychotic shock

1635  
01:09:24,110 --> 01:09:21,779  
um almost um the one experience that I

1636  
01:09:26,329 --> 01:09:24,120  
had and I it was so clear to me why

1637  
01:09:28,729 --> 01:09:26,339  
people develop uh split personalities

1638  
01:09:30,650 --> 01:09:28,739

you know because a lot of times we only

1639

01:09:33,229 --> 01:09:30,660

know about what's that called

1640

01:09:36,530 --> 01:09:33,239

schizophrenia is that right when people

1641

01:09:38,809 --> 01:09:36,540

that have multiple personalities

1642

01:09:41,749 --> 01:09:38,819

I believe so yeah it's formal yeah right

1643

01:09:44,269 --> 01:09:41,759

and so uh because we only know that if a

1644

01:09:47,090 --> 01:09:44,279

being or a human uh you know

1645

01:09:48,349 --> 01:09:47,100

via Psychiatry if they're dealing with

1646

01:09:50,090 --> 01:09:48,359

something that's very difficult

1647

01:09:51,950 --> 01:09:50,100

something that they can protect

1648

01:09:54,410 --> 01:09:51,960

themselves against they would have this

1649

01:09:56,390 --> 01:09:54,420

develop this split personality to where

1650

01:09:59,090 --> 01:09:56,400

the part of them that can't deal with it

1651

01:10:01,550 --> 01:09:59,100

will then be one personality but then

1652

01:10:03,770 --> 01:10:01,560

this different person that can and is

1653

01:10:05,930 --> 01:10:03,780

total opposite you know will be will be

1654

01:10:08,150 --> 01:10:05,940

developed and some develop two three

1655

01:10:10,189 --> 01:10:08,160

four five personalities you know there

1656

01:10:12,110 --> 01:10:10,199

have been cases out there it's rare but

1657

01:10:13,729 --> 01:10:12,120

they have been and they believe there's

1658

01:10:16,070 --> 01:10:13,739

even a movie that was that was made

1659

01:10:18,890 --> 01:10:16,080

about that but anyway it causes

1660

01:10:20,810 --> 01:10:18,900

something similar to that because that

1661

01:10:23,450 --> 01:10:20,820

higher vibration it's not that there's

1662

01:10:26,510 --> 01:10:23,460

anything truly to fear but it's like how

1663

01:10:28,790 --> 01:10:26,520

many of us can truly say right now right

1664

01:10:31,010 --> 01:10:28,800

here I am ready to know everything I

1665

01:10:32,689 --> 01:10:31,020

need to know about myself I'm ready to

1666

01:10:34,910 --> 01:10:32,699

understand the universe and the way it

1667

01:10:38,030 --> 01:10:34,920

works and everything else okay hit me

1668

01:10:41,149 --> 01:10:38,040

with it uh no offense I personally have

1669

01:10:44,270 --> 01:10:41,159

not met any single person you know

1670

01:10:47,810 --> 01:10:44,280

that's ever you know been able to just

1671

01:10:50,030 --> 01:10:47,820

overcome that much in order to equally

1672

01:10:52,550 --> 01:10:50,040

on the same vibrational level interact

1673

01:10:54,530 --> 01:10:52,560

with these higher beings and so that's

1674

01:10:56,930 --> 01:10:54,540

what's in play when it when it comes to

1675

01:10:58,970 --> 01:10:56,940

interactions that's what's truly in play

1676

01:11:01,370 --> 01:10:58,980

and why they don't land why they don't

1677

01:11:07,250 --> 01:11:01,380

want to harm us in that way because they

1678

01:11:07,260 --> 01:11:11,209

so

1679

01:11:17,810 --> 01:11:14,090

God is great and this is just another uh

1680

01:11:19,910 --> 01:11:17,820

example of uh you know it's like magic

1681

01:11:21,950 --> 01:11:19,920

to us it's just it's all magnificent

1682

01:11:26,930 --> 01:11:21,960

right

1683

01:11:30,530 --> 01:11:28,810

my pleasures

1684

01:11:33,169 --> 01:11:30,540

all right

1685

01:11:36,350 --> 01:11:33,179

um Let me let me go back to

1686

01:11:39,350 --> 01:11:36,360

let me go back to chat and see here

1687

01:11:40,850 --> 01:11:39,360

uh Helio de Souza says

1688

01:11:43,130 --> 01:11:40,860

um hi do you have any information about

1689

01:11:45,530 --> 01:11:43,140  
timeline shift to a similar parallel

1690

01:11:48,530 --> 01:11:45,540  
reality after an Alien Encounter

1691

01:11:51,470 --> 01:11:48,540  
abduction and if it's temporary or

1692

01:11:52,729 --> 01:11:51,480  
permanent thanks in advance

1693

01:11:57,649 --> 01:11:52,739  
so

1694

01:12:01,010 --> 01:11:57,659  
times when I was when I tell people is

1695

01:12:02,990 --> 01:12:01,020  
that not to Discount your dreams uh and

1696

01:12:05,209 --> 01:12:03,000  
what you have dreamed about if it seems

1697

01:12:06,890 --> 01:12:05,219  
like an encounter with some beings and

1698

01:12:08,149 --> 01:12:06,900  
things are happening and then you wake

1699

01:12:09,950 --> 01:12:08,159  
up and you're like well I guess this

1700

01:12:11,990 --> 01:12:09,960  
must have been a dream there's a

1701  
01:12:15,310 --> 01:12:12,000  
difference between your dream you know

1702  
01:12:18,890 --> 01:12:15,320  
and and what was happening in uh in in

1703  
01:12:20,390 --> 01:12:18,900  
quote unquote another reality and the

1704  
01:12:22,790 --> 01:12:20,400  
reason I'm mentioning that is that

1705  
01:12:24,890 --> 01:12:22,800  
because of the psychotic shock that's so

1706  
01:12:27,470 --> 01:12:24,900  
difficult for us to handle it's a lot

1707  
01:12:29,450 --> 01:12:27,480  
easier for us to go to sleep and them

1708  
01:12:31,729 --> 01:12:29,460  
dealing with us basically bringing

1709  
01:12:34,189 --> 01:12:31,739  
bringing us through to their dimension

1710  
01:12:36,050 --> 01:12:34,199  
in this more peaceful way without us

1711  
01:12:38,689 --> 01:12:36,060  
having to be awake and having to deal

1712  
01:12:41,510 --> 01:12:38,699  
with with the shift you know

1713  
01:12:43,610 --> 01:12:41,520

um try to maybe think of it as as water

1714

01:12:46,130 --> 01:12:43,620

I mean I'm kind of doing it in reverse

1715

01:12:48,470 --> 01:12:46,140

but let's say you're deathly afraid of

1716

01:12:50,030 --> 01:12:48,480

water and somebody puts you in the water

1717

01:12:52,010 --> 01:12:50,040

and neck deep and trying to tell you

1718

01:12:53,689 --> 01:12:52,020

just it's okay just you know keep going

1719

01:12:56,270 --> 01:12:53,699

down underwater you'll be all right just

1720

01:12:58,010 --> 01:12:56,280

hold your breath uh they would go insane

1721

01:13:00,350 --> 01:12:58,020

because it would it would it's too much

1722

01:13:02,209 --> 01:13:00,360

fear you know but let's say you put them

1723

01:13:04,370 --> 01:13:02,219

to sleep and then through some kind of

1724

01:13:06,890 --> 01:13:04,380

chamber whatever you take them down to a

1725

01:13:08,870 --> 01:13:06,900

submarine or whatever and then you wake

1726

01:13:10,850 --> 01:13:08,880

them up and they're like oh hey you know

1727

01:13:13,130 --> 01:13:10,860

don't be afraid but you like so many

1728

01:13:15,169 --> 01:13:13,140

hundreds of feet underwater it's still a

1729

01:13:17,689 --> 01:13:15,179

different reaction am I still like maybe

1730

01:13:19,689 --> 01:13:17,699

make him feel weird but not as much or

1731

01:13:23,570 --> 01:13:19,699

that you're in not as much of a

1732

01:13:26,390 --> 01:13:23,580

detrimental way as as them having to be

1733

01:13:27,590 --> 01:13:26,400

awake throughout that process and so the

1734

01:13:28,970 --> 01:13:27,600

reason

1735

01:13:32,030 --> 01:13:28,980

um

1736

01:13:34,669 --> 01:13:32,040

why that shift has to happen to that to

1737

01:13:37,669 --> 01:13:34,679

their reality is that because how else

1738

01:13:39,649 --> 01:13:37,679

you interact because right now we're in

1739

01:13:41,450 --> 01:13:39,659

our reality there and there's and I'm

1740

01:13:43,910 --> 01:13:41,460

I'm not necessarily interacting with

1741

01:13:47,330 --> 01:13:43,920

them I can I got space in front of me I

1742

01:13:48,830 --> 01:13:47,340

got the room and the walkway and going

1743

01:13:51,290 --> 01:13:48,840

through whatever I got it through and

1744

01:13:53,870 --> 01:13:51,300

it's we're not on the same page now if

1745

01:13:55,970 --> 01:13:53,880

they come closer to mine or me getting a

1746

01:13:57,709 --> 01:13:55,980

bit you know higher up to theirs now

1747

01:14:00,530 --> 01:13:57,719

there will be my reality and they might

1748

01:14:02,630 --> 01:14:00,540

be in my way you know to for me to

1749

01:14:05,750 --> 01:14:02,640

actually have somebody to interact and

1750

01:14:08,630 --> 01:14:05,760

so that's why that shift in reality is

1751

01:14:11,090 --> 01:14:08,640

important so I mean uh the shift in the

1752

01:14:13,910 --> 01:14:11,100

dimensions it's it's important so that

1753

01:14:15,890 --> 01:14:13,920

whatever they have to do based on the

1754

01:14:17,510 --> 01:14:15,900

agreement that you made before you were

1755

01:14:20,149 --> 01:14:17,520

born with them

1756

01:14:22,970 --> 01:14:20,159

um but the agreement you made with them

1757

01:14:25,010 --> 01:14:22,980

before you were born for them to will do

1758

01:14:27,110 --> 01:14:25,020

whatever it is that they do a lot of

1759

01:14:29,630 --> 01:14:27,120

times you have to also keep in mind it's

1760

01:14:31,550 --> 01:14:29,640

not all just what it used to be in the

1761

01:14:33,169 --> 01:14:31,560

early 90s to where it's just abductions

1762

01:14:35,990 --> 01:14:33,179

that using us and all these other things

1763

01:14:40,090 --> 01:14:36,000

I believe that has slowed down almost to

1764

01:14:43,010 --> 01:14:40,100

an entire to crawl if not entirely stop

1765

01:14:45,110 --> 01:14:43,020

a lot of us have connections on all

1766

01:14:47,930 --> 01:14:45,120

these different realities that then

1767

01:14:49,430 --> 01:14:47,940

translate into different beings so a lot

1768

01:14:51,649 --> 01:14:49,440

of times when you are having some

1769

01:14:54,169 --> 01:14:51,659

interactions it's just your extended

1770

01:14:57,169 --> 01:14:54,179

family visiting you temporarily to say

1771

01:14:59,090 --> 01:14:57,179

hello like that will still hear and you

1772

01:15:00,830 --> 01:14:59,100

know where we'll continue to to stay in

1773

01:15:02,930 --> 01:15:00,840

touch you know based on whatever

1774

01:15:04,610 --> 01:15:02,940

agreement you made then because you

1775

01:15:07,490 --> 01:15:04,620

could pass possibly live your entire

1776

01:15:09,590 --> 01:15:07,500

life live it through and die and only

1777

01:15:13,490 --> 01:15:09,600

then be aware of like oh I have other

1778

01:15:15,649 --> 01:15:13,500

connections to other places so

1779

01:15:17,990 --> 01:15:15,659

so Helio when you say do you have any

1780

01:15:20,149 --> 01:15:18,000

information about timeline shifts or

1781

01:15:21,410 --> 01:15:20,159

parallel realities I hope that's the

1782

01:15:23,689 --> 01:15:21,420

kind of information you're talking about

1783

01:15:25,729 --> 01:15:23,699

if you want me maybe touch on something

1784

01:15:27,770 --> 01:15:25,739

specific let me know and if I know about

1785

01:15:31,390 --> 01:15:27,780

it I'll tell you if I don't then I say I

1786

01:15:35,870 --> 01:15:33,770

all right let me see if there's anyone

1787

01:15:38,270 --> 01:15:35,880

else on on telegram that maybe wants to

1788

01:15:40,189 --> 01:15:38,280

come through nope just a few people

1789

01:15:44,450 --> 01:15:40,199

listening so I'm grateful to all of you

1790

01:15:49,610 --> 01:15:46,970

all right well uh unless there's any

1791

01:15:51,590 --> 01:15:49,620

more questions or maybe anyone else that

1792

01:15:53,750 --> 01:15:51,600

wants to come in last minute on telegram

1793

01:15:56,450 --> 01:15:53,760

I think this has been a good amount of

1794

01:15:59,330 --> 01:15:56,460

time thank you all again uh for joining

1795

01:16:01,970 --> 01:15:59,340

me here today so just keep in mind all

1796

01:16:04,970 --> 01:16:01,980

the in order to stay in touch with this

1797

01:16:06,649 --> 01:16:04,980

channel I have all the links to all

1798

01:16:08,209 --> 01:16:06,659

these different Avenues in the

1799

01:16:09,770 --> 01:16:08,219

description below

1800

01:16:11,630 --> 01:16:09,780

um I've touched on it briefly in

1801

01:16:14,330 --> 01:16:11,640

previous videos I've gotten some strikes

1802

01:16:16,790 --> 01:16:14,340

uh from months ago about subjects that

1803

01:16:19,790 --> 01:16:16,800

were covered from YouTube and I think if

1804

01:16:22,370 --> 01:16:19,800

I get one more they'll they'll

1805

01:16:24,350 --> 01:16:22,380

um suspend me for seven days and then if

1806

01:16:26,510 --> 01:16:24,360

I get one more it'll be longer and then

1807

01:16:29,990 --> 01:16:26,520

eventually close the account so I've

1808

01:16:32,090 --> 01:16:30,000

kind of taken all the steps to Branch

1809

01:16:34,189 --> 01:16:32,100

out to open up telegram so you can have

1810

01:16:37,070 --> 01:16:34,199

more of a direct connection to UFO Hub

1811

01:16:40,130 --> 01:16:37,080

or I have the rumble so you can watch

1812

01:16:42,410 --> 01:16:40,140

all the videos unobstructed there you

1813

01:16:44,990 --> 01:16:42,420

know and also twitch because this is

1814

01:16:46,790 --> 01:16:45,000

also streaming on Twitch as well so if

1815

01:16:48,890 --> 01:16:46,800

YouTube ever goes down I would be

1816

01:16:51,110 --> 01:16:48,900

streaming on Twitch and interacting with

1817

01:16:53,689 --> 01:16:51,120

you live that way and then eventually

1818

01:16:55,910 --> 01:16:53,699

pull the video and put it up on rumbles

1819

01:16:57,470 --> 01:16:55,920

so it can be uh watchful later because I

1820

01:16:59,450 --> 01:16:57,480

think twitch only keeps it on there for

1821

01:17:02,030 --> 01:16:59,460

14 days and then they take it down

1822

01:17:04,370 --> 01:17:02,040

unless I pay to have a membership there

1823

01:17:06,830 --> 01:17:04,380

but I'm sorry I'm not there financially

1824

01:17:10,970 --> 01:17:09,649

okay let me see uh reuben reuben has

1825

01:17:13,910 --> 01:17:10,980

come through with some questions says

1826  
01:17:17,270 --> 01:17:13,920  
are you familiar with the hybrid program

1827  
01:17:19,850 --> 01:17:17,280  
how do you know if you are part of it

1828  
01:17:23,450 --> 01:17:21,290  
there's

1829  
01:17:27,110 --> 01:17:23,460  
so I'm familiar with the hybrid program

1830  
01:17:29,510 --> 01:17:27,120  
in the sense that I talked to this is

1831  
01:17:32,149 --> 01:17:29,520  
why I love UFO conferences because you

1832  
01:17:33,950 --> 01:17:32,159  
can actually go and meet some of these

1833  
01:17:34,610 --> 01:17:33,960  
people that are

1834  
01:17:37,490 --> 01:17:34,620  
um

1835  
01:17:39,649 --> 01:17:37,500  
uh that I've interviewed personally and

1836  
01:17:42,169 --> 01:17:39,659  
people that just have more information

1837  
01:17:44,330 --> 01:17:42,179  
and like the best conversations always

1838  
01:17:45,950 --> 01:17:44,340

usually happen at at night when the

1839

01:17:47,870 --> 01:17:45,960

conference is over everybody goes to

1840

01:17:49,850 --> 01:17:47,880

their favorite Corner whatever bar or

1841

01:17:51,649 --> 01:17:49,860

other things and sometimes you know

1842

01:17:53,570 --> 01:17:51,659

there's larger groups to gather and we

1843

01:17:57,770 --> 01:17:53,580

just talk and everybody shares about so

1844

01:18:01,790 --> 01:17:57,780

many different things and so

1845

01:18:05,149 --> 01:18:01,800

the hybrid program itself from what I

1846

01:18:06,830 --> 01:18:05,159

was able to learn is that some are aware

1847

01:18:08,330 --> 01:18:06,840

and they basically

1848

01:18:11,570 --> 01:18:08,340

um it's kind of like a self-imposed

1849

01:18:13,550 --> 01:18:11,580

memory block to just uh be be able to

1850

01:18:14,330 --> 01:18:13,560

live and work here and do whatever they

1851

01:18:16,010 --> 01:18:14,340

do

1852

01:18:17,930 --> 01:18:16,020

excuse me

1853

01:18:20,209 --> 01:18:17,940

be able to do

1854

01:18:21,770 --> 01:18:20,219

um unobstructed without having to be

1855

01:18:24,709 --> 01:18:21,780

kind of constantly reminded like hey

1856

01:18:27,410 --> 01:18:24,719

you're not part of this this Earth and

1857

01:18:31,070 --> 01:18:27,420

also the the whole con the whole point

1858

01:18:34,209 --> 01:18:31,080

of the hybrid program was to because of

1859

01:18:37,970 --> 01:18:34,219

these different vibrational gaps between

1860

01:18:40,370 --> 01:18:37,980

the higher vibrational beings and us

1861

01:18:43,490 --> 01:18:40,380

um they've basically wanting to create a

1862

01:18:45,229 --> 01:18:43,500

hybrid that can adjust to the different

1863

01:18:48,290 --> 01:18:45,239

vibrations and be of a different

1864

01:18:50,510 --> 01:18:48,300

vibration so that if and when contact

1865

01:18:53,750 --> 01:18:50,520

eventually happens and we interact with

1866

01:18:56,390 --> 01:18:53,760

them it would be these hybrids that

1867

01:18:57,890 --> 01:18:56,400

would be on our level to be able to

1868

01:18:59,990 --> 01:18:57,900

interact with them and have

1869

01:19:02,149 --> 01:19:00,000

conversations and interactions with them

1870

01:19:05,510 --> 01:19:02,159

without uh basically just going crazy

1871

01:19:10,310 --> 01:19:05,520

and so that is my understanding of why

1872

01:19:13,610 --> 01:19:10,320

the hybrid program was started and also

1873

01:19:17,270 --> 01:19:13,620

um when it comes to our contact but

1874

01:19:18,470 --> 01:19:17,280

at the kind of like a double double

1875

01:19:22,189 --> 01:19:18,480

um

1876

01:19:25,610 --> 01:19:22,199

I guess to get you know as they say to

1877

01:19:28,370 --> 01:19:25,620

um hit two birds with one stone part of

1878

01:19:30,290 --> 01:19:28,380

that hibernation program as beneficial

1879

01:19:34,550 --> 01:19:30,300

it would be for eventual contact with

1880

01:19:36,169 --> 01:19:34,560

them for us the the race that is known

1881

01:19:39,850 --> 01:19:36,179

as the grace

1882

01:19:43,370 --> 01:19:39,860

um they've basically uh

1883

01:19:46,430 --> 01:19:43,380

engineered themselves out of existence

1884

01:19:48,110 --> 01:19:46,440

for like a better word and so my

1885

01:19:49,550 --> 01:19:48,120

understanding is that

1886

01:19:52,250 --> 01:19:49,560

they were

1887

01:19:55,189 --> 01:19:52,260

at one point they're they're us in a

1888

01:19:58,130 --> 01:19:55,199

different dimension and so what they

1889

01:20:00,050 --> 01:19:58,140

chose to do instead of like us when we

1890

01:20:02,930 --> 01:20:00,060

have a spill somewhere we try to clean

1891

01:20:04,790 --> 01:20:02,940

it up and do whatever we do eventually

1892

01:20:07,189 --> 01:20:04,800

they found it in their wisdom that

1893

01:20:09,050 --> 01:20:07,199

instead of getting the planet all

1894

01:20:11,930 --> 01:20:09,060

cleaned up and getting it to pristine

1895

01:20:15,350 --> 01:20:11,940

condition again they basically

1896

01:20:18,229 --> 01:20:15,360

uh started altering themselves to best

1897

01:20:22,250 --> 01:20:18,239

adjust to all the contaminants to the

1898

01:20:26,149 --> 01:20:25,010

foreign and so they kept doing that kept

1899

01:20:28,310 --> 01:20:26,159

doing that until they basically

1900

01:20:30,010 --> 01:20:28,320

genetically altered themselves enough to

1901

01:20:32,870 --> 01:20:30,020

where now they can't procreate anymore

1902

01:20:35,810 --> 01:20:32,880

and so there's only a finite amount of

1903

01:20:38,149 --> 01:20:35,820

time until the last of the grace dies

1904

01:20:41,090 --> 01:20:38,159

out and so

1905

01:20:43,970 --> 01:20:41,100

um they needed this genetic material to

1906

01:20:48,709 --> 01:20:43,980

basically be able to create this a new

1907

01:20:51,729 --> 01:20:48,719

hybrid race add add a a fresh Gene to to

1908

01:20:54,890 --> 01:20:51,739

their pool and so they basically

1909

01:20:58,729 --> 01:20:54,900

found us in this Dimension so a lot of

1910

01:21:01,250 --> 01:20:58,739

us don't realize that the Grays are not

1911

01:21:03,169 --> 01:21:01,260

actually alien but it's us from a

1912

01:21:05,810 --> 01:21:03,179

different dimension just interacting

1913

01:21:07,130 --> 01:21:05,820

with each other and so that's that's

1914

01:21:09,709 --> 01:21:07,140

also a big

1915

01:21:11,870 --> 01:21:09,719

a big wow moment for some people that

1916

01:21:17,709 --> 01:21:11,880

that are just now recently finding out

1917

01:21:21,590 --> 01:21:19,970

Andrew cook says what's your favorite

1918

01:21:22,970 --> 01:21:21,600

UFO encounter

1919

01:21:25,310 --> 01:21:22,980

um Andrew I'm sorry I don't know if you

1920

01:21:26,689 --> 01:21:25,320

if you're talking about stories that I

1921

01:21:30,530 --> 01:21:26,699

know about or the things I've

1922

01:21:34,370 --> 01:21:32,689

if you can if you can just uh Define

1923

01:21:36,350 --> 01:21:34,380

that a little bit more I'd appreciate it

1924

01:21:37,370 --> 01:21:36,360

but I'm going to go over to Telegram and

1925

01:21:41,090 --> 01:21:37,380

bring in

1926

01:21:43,790 --> 01:21:41,100

and

1927

01:21:46,130 --> 01:21:43,800

see what he would like to talk about

1928

01:21:47,450 --> 01:21:46,140

um Paulie how are you

1929

01:21:50,689 --> 01:21:47,460

I'm okay

1930

01:21:52,729 --> 01:21:50,699

um I uh I had a comment for the

1931

01:21:55,490 --> 01:21:52,739

gentleman earlier asking about Bigfoot

1932

01:21:57,050 --> 01:21:55,500

he seemed pretty interested in that

1933

01:21:59,990 --> 01:21:57,060

um all right a couple unusual

1934

01:22:02,209 --> 01:22:00,000

conversations which are could be a

1935

01:22:05,149 --> 01:22:02,219

starting point one was uh I was in

1936

01:22:07,669 --> 01:22:05,159

Sedona and I don't know the specific

1937

01:22:10,490 --> 01:22:07,679

name but they have a couple places that

1938

01:22:13,970 --> 01:22:10,500

do UFO tours this one in particular

1939

01:22:15,590 --> 01:22:13,980

has a big tall green alien in front uh

1940

01:22:17,750 --> 01:22:15,600

if you guys don't know what a UFO tour

1941

01:22:20,330 --> 01:22:17,760

is basically they give you

1942

01:22:22,490 --> 01:22:20,340

night vision equipment like high quality

1943

01:22:23,810 --> 01:22:22,500

military stuff with laser pointers and

1944

01:22:25,610 --> 01:22:23,820

you go out as a group and if you see

1945

01:22:27,290 --> 01:22:25,620

something unusual you point the laser

1946

01:22:28,790 --> 01:22:27,300

and then you can see the laser beams the

1947

01:22:29,450 --> 01:22:28,800

night vision and everybody can see it

1948

01:22:31,370 --> 01:22:29,460

it's

1949

01:22:33,350 --> 01:22:31,380

very entertaining and there's a lot of

1950

01:22:35,810 --> 01:22:33,360

weird stuff going on in that part of the

1951

01:22:39,530 --> 01:22:35,820

country but the lady who runs that place

1952

01:22:43,010 --> 01:22:39,540

has had she used to do Bigfoot tours

1953

01:22:45,530 --> 01:22:43,020

uh there's a a place in the area called

1954

01:22:47,149 --> 01:22:45,540

Bradshaw Ranch I don't know if it's well

1955

01:22:49,250 --> 01:22:47,159

known I actually have a book it's got a

1956

01:22:52,310 --> 01:22:49,260

lot of unusual pictures she said she

1957

01:22:54,410 --> 01:22:52,320

used to um give tours there

1958

01:22:57,110 --> 01:22:54,420

a lot of weird stuff including Bigfoot

1959

01:22:58,910 --> 01:22:57,120

activity was there and then um I guess

1960

01:23:00,530 --> 01:22:58,920

the government came in and bought the

1961

01:23:01,910 --> 01:23:00,540

place up it wasn't worth much but they

1962

01:23:03,470 --> 01:23:01,920

paid a lot of money for it and then they

1963

01:23:05,450 --> 01:23:03,480

can't do that anymore and that's called

1964

01:23:07,270 --> 01:23:05,460

Bradshaw Ranch it's kind of prefer to

1965

01:23:09,950 --> 01:23:07,280

skin walker it's kind of a lesson one

1966

01:23:12,970 --> 01:23:09,960

and then there's a book by Tom Dongo

1967

01:23:17,090 --> 01:23:12,980

that he writes about that and then uh

1968

01:23:19,189 --> 01:23:17,100

another interesting thing were

1969

01:23:21,110 --> 01:23:19,199

I don't know their names but if you

1970

01:23:24,229 --> 01:23:21,120

YouTube Texas Rangers there were two

1971

01:23:27,350 --> 01:23:24,239

gentlemen who retired from um Service as

1972

01:23:29,110 --> 01:23:27,360

um they were serving a large part of the

1973

01:23:31,430 --> 01:23:29,120

Navajo area

1974

01:23:34,669 --> 01:23:31,440

and there were Rangers where they would

1975

01:23:36,430 --> 01:23:34,679

be called out to desolate areas for uh

1976

01:23:39,290 --> 01:23:36,440

people out there

1977

01:23:41,209 --> 01:23:39,300

and basically after their career they

1978

01:23:42,590 --> 01:23:41,219

they gave a couple presentations but I

1979

01:23:44,450 --> 01:23:42,600

think one of the gentlemen stopped doing

1980

01:23:46,850 --> 01:23:44,460

it because he was kind of afraid to talk

1981

01:23:48,530 --> 01:23:46,860

about it but they talk about all kinds

1982

01:23:51,290 --> 01:23:48,540

of weird stuff they came across in the

1983

01:23:53,450 --> 01:23:51,300

desert and I saw him speak in person and

1984

01:23:55,910 --> 01:23:53,460

he uh you know you get to ask questions

1985

01:23:57,530 --> 01:23:55,920

sometimes um after they're done speaking

1986

01:24:00,649 --> 01:23:57,540

and he was telling me some interesting

1987

01:24:03,050 --> 01:24:00,659

big activities including

1988

01:24:06,770 --> 01:24:03,060

going out taking um

1989

01:24:08,390 --> 01:24:06,780

pictures of uh Footprints and stuff when

1990

01:24:10,370 --> 01:24:08,400

people would report it and then have

1991

01:24:13,610 --> 01:24:10,380

these huge Boulders come flying out of

1992

01:24:14,810 --> 01:24:13,620

the forest at them you know so but um

1993

01:24:16,250 --> 01:24:14,820

yeah if you're interested in more

1994

01:24:18,649 --> 01:24:16,260

there's a couple places to start and you

1995

01:24:20,270 --> 01:24:18,659

could also call up that um UFO to a

1996

01:24:21,770 --> 01:24:20,280

place and track down a lady who runs it

1997

01:24:24,890 --> 01:24:21,780

I think she's um

1998

01:24:25,610 --> 01:24:24,900

she has some stories and

1999

01:24:26,990 --> 01:24:25,620

um

2000

01:24:29,570 --> 01:24:27,000

you know things you could look into

2001

01:24:32,350 --> 01:24:29,580

right well thanks for sharing that I

2002

01:24:36,229 --> 01:24:32,360

think yeah that was Neil's and he um

2003

01:24:38,990 --> 01:24:36,239

he's not he was he left telegram but um

2004

01:24:41,450 --> 01:24:39,000

maybe if he watches this again you know

2005

01:24:43,970 --> 01:24:41,460

maybe he'll hear what what you had to

2006

01:24:46,669 --> 01:24:43,980

say about all that

2007

01:24:48,709 --> 01:24:46,679

yeah but it's an interesting topic and

2008

01:24:49,610 --> 01:24:48,719

uh now a lot of people talk about it but

2009

01:24:51,950 --> 01:24:49,620

I think

2010

01:24:55,250 --> 01:24:51,960

there are people that have stories

2011

01:24:58,850 --> 01:24:55,260

um and I think you're right they do seem

2012

01:25:00,530 --> 01:24:58,860

to only appear to people

2013

01:25:02,990 --> 01:25:00,540

that are

2014

01:25:04,970 --> 01:25:03,000

um or people that actually talk about

2015

01:25:05,990 --> 01:25:04,980

people that claim they've had routine

2016

01:25:07,850 --> 01:25:06,000

contact

2017

01:25:10,669 --> 01:25:07,860

and they seem to describe similar

2018

01:25:12,470 --> 01:25:10,679

situations where they're um

2019

01:25:13,910 --> 01:25:12,480

we're out in the woods and they're in a

2020

01:25:15,290 --> 01:25:13,920

good mood and they don't have weapons

2021

01:25:18,770 --> 01:25:15,300

and they're not threatening and then

2022

01:25:21,050 --> 01:25:18,780

they'll have uh experience and I think

2023

01:25:23,630 --> 01:25:21,060

the people that have the intention going

2024

01:25:25,189 --> 01:25:23,640

out there looking to grab one and shoot

2025

01:25:27,770 --> 01:25:25,199

it and put it on display they're never

2026

01:25:30,110 --> 01:25:27,780

going to see one but uh

2027

01:25:32,330 --> 01:25:30,120

yeah there's experiences with that and

2028

01:25:35,930 --> 01:25:32,340

it's a very interesting topic well you

2029

01:25:38,090 --> 01:25:35,940

know um maybe it might be a fallacy of

2030

01:25:40,250 --> 01:25:38,100

sorts of mine to have this thought as

2031

01:25:42,290 --> 01:25:40,260

well and I still have to think it

2032

01:25:44,750 --> 01:25:42,300

through you know to to see whether or

2033

01:25:46,370 --> 01:25:44,760

not that is the case but what I never

2034

01:25:49,250 --> 01:25:46,380

understood is that

2035

01:25:50,750 --> 01:25:49,260

we always apply our human reactions and

2036

01:25:54,649 --> 01:25:50,760

our human fears to these different

2037

01:25:57,410 --> 01:25:54,659

beings you know and and we always

2038

01:25:59,629 --> 01:25:57,420

um you know call them evil or they're

2039

01:26:04,189 --> 01:25:59,639

this or that based on how we understand

2040

01:26:06,950 --> 01:26:04,199

thinks and um you know we never we never

2041

01:26:09,229 --> 01:26:06,960

stop and think that you know they're

2042

01:26:11,510 --> 01:26:09,239

really that advanced you know that much

2043

01:26:14,450 --> 01:26:11,520

more advanced that they're more taken a

2044

01:26:17,390 --> 01:26:14,460

a Kid Glove approach to us you know and

2045

01:26:18,950 --> 01:26:17,400

contact you know and and it's like I'm

2046

01:26:21,110 --> 01:26:18,960

not trying to make this into some kind

2047

01:26:22,430 --> 01:26:21,120

of love story you know I'm just asking

2048

01:26:24,649 --> 01:26:22,440

people to kind of take that into

2049

01:26:27,290 --> 01:26:24,659

consideration and not just you know

2050

01:26:29,810 --> 01:26:27,300

immediately label them as you know

2051

01:26:32,629 --> 01:26:29,820

um evil controlling or otherwise you

2052

01:26:34,550 --> 01:26:32,639

know is that if there is or if they

2053

01:26:36,830 --> 01:26:34,560

don't contact you there's a reason why

2054

01:26:38,810 --> 01:26:36,840

not you know if they do things in a

2055

01:26:41,270 --> 01:26:38,820

certain way there really is a reason why

2056

01:26:43,310 --> 01:26:41,280

you know in the same way that you know I

2057

01:26:44,750 --> 01:26:43,320

asked my children to do something and

2058

01:26:47,629 --> 01:26:44,760

then I explained to them specifically

2059

01:26:49,430 --> 01:26:47,639

why so they understand ended you know

2060

01:26:52,129 --> 01:26:49,440

why they're doing that because while

2061

01:26:54,649 --> 01:26:52,139

they're growing which we are also the

2062

01:26:56,689 --> 01:26:54,659

only thing to to choose to come closer

2063

01:27:00,649 --> 01:26:56,699

to truth is constantly just asking why

2064

01:27:05,209 --> 01:27:00,659

why why you know that that is the most

2065

01:27:06,950 --> 01:27:05,219

um open-minded basic uh thing that we

2066

01:27:10,250 --> 01:27:06,960

can do by just approaching everything

2067

01:27:13,370 --> 01:27:10,260

with this with this why concept of just

2068

01:27:15,709 --> 01:27:13,380

you know the more why questions you ask

2069

01:27:18,110 --> 01:27:15,719

the closer and closer you're going to

2070

01:27:20,510 --> 01:27:18,120

come to to getting most of your answers

2071

01:27:23,090 --> 01:27:20,520

you know answered most of your questions

2072

01:27:25,090 --> 01:27:23,100

answered

2073

01:27:29,149 --> 01:27:25,100

yeah

2074

01:27:32,149 --> 01:27:29,159

okay I will no thank you I appreciate

2075

01:27:34,490 --> 01:27:32,159

you jumping on here and and leaving

2076  
01:27:37,510 --> 01:27:34,500  
leaving that message for the previous uh

2077  
01:27:43,010 --> 01:27:40,550  
all right let's see what we have here

2078  
01:27:43,729 --> 01:27:43,020  
Andrew said

2079  
01:27:45,530 --> 01:27:43,739  
um

2080  
01:27:47,390 --> 01:27:45,540  
do you think aliens to us from the

2081  
01:27:49,129 --> 01:27:47,400  
future I think I I answered that

2082  
01:27:50,810 --> 01:27:49,139  
question

2083  
01:27:53,030 --> 01:27:50,820  
and then

2084  
01:27:55,669 --> 01:27:53,040  
um Andrew Andrew said personal

2085  
01:27:58,850 --> 01:27:55,679  
experiences okay so do you question well

2086  
01:27:59,570 --> 01:27:58,860  
I can't say that I've had

2087  
01:28:02,030 --> 01:27:59,580  
um

2088  
01:28:04,129 --> 01:28:02,040

favorite experiences when it comes to

2089

01:28:06,470 --> 01:28:04,139

contact with aliens

2090

01:28:08,330 --> 01:28:06,480

um and this is not to any fault of their

2091

01:28:11,090 --> 01:28:08,340

own again

2092

01:28:14,870 --> 01:28:11,100

there's so much that happens that that

2093

01:28:16,910 --> 01:28:14,880

you spend years thinking afterwards you

2094

01:28:20,209 --> 01:28:16,920

know it because it is

2095

01:28:21,950 --> 01:28:20,219

so mind-opening and scary and all these

2096

01:28:24,110 --> 01:28:21,960

things to where

2097

01:28:27,770 --> 01:28:24,120

um it will shake you for the rest of

2098

01:28:29,530 --> 01:28:27,780

your life so I personally can't say that

2099

01:28:32,330 --> 01:28:29,540

um when it comes to a specific

2100

01:28:34,550 --> 01:28:32,340

experience that that I've just

2101  
01:28:37,790 --> 01:28:34,560  
absolutely loved it just mainly because

2102  
01:28:40,070 --> 01:28:37,800  
of the the the mental work and you know

2103  
01:28:41,990 --> 01:28:40,080  
that was required to do afterwards to

2104  
01:28:44,390 --> 01:28:42,000  
just really chew through what in the

2105  
01:28:46,930 --> 01:28:44,400  
world I just experienced you know and so

2106  
01:28:51,470 --> 01:28:46,940  
it's not their fault this is just mainly

2107  
01:28:53,270 --> 01:28:51,480  
my my limitation so you know I'm sorry I

2108  
01:28:55,910 --> 01:28:53,280  
can't say oh yeah that was so awesome

2109  
01:28:58,430 --> 01:28:55,920  
but the things I did love was not

2110  
01:29:01,729 --> 01:28:58,440  
necessarily direct alien contact was

2111  
01:29:02,510 --> 01:29:01,739  
some of the trips that I had on LSD

2112  
01:29:06,770 --> 01:29:02,520  
um

2113  
01:29:07,729 --> 01:29:06,780

Babe Ruth it killed me you know but I'm

2114

01:29:10,430 --> 01:29:07,739

talking about

2115

01:29:12,830 --> 01:29:10,440

um like weed again weed like I can't

2116

01:29:14,930 --> 01:29:12,840

just do weed it's like the second just

2117

01:29:16,310 --> 01:29:14,940

even one hit you know two maybe I

2118

01:29:17,930 --> 01:29:16,320

immediately get into a journey where

2119

01:29:20,090 --> 01:29:17,940

they're just universe versus sit down

2120

01:29:23,330 --> 01:29:20,100

I'll show you what you need to know and

2121

01:29:25,550 --> 01:29:23,340

so most people just take it they smoke

2122

01:29:27,350 --> 01:29:25,560

it to laugh and I can't because I'm

2123

01:29:29,870 --> 01:29:27,360

literally having like life-altering

2124

01:29:32,209 --> 01:29:29,880

experiences here so anyway those were

2125

01:29:34,610 --> 01:29:32,219

some of the those things I enjoyed very

2126  
01:29:37,610 --> 01:29:34,620  
much because it was

2127  
01:29:41,530 --> 01:29:37,620  
it was more of um very comforting place

2128  
01:29:45,290 --> 01:29:41,540  
where I was not required to necessarily

2129  
01:29:47,750 --> 01:29:45,300  
constantly have to re leave my room

2130  
01:29:50,689 --> 01:29:47,760  
um you know or have my you know astral

2131  
01:29:52,070 --> 01:29:50,699  
body leave my body that often only if

2132  
01:29:54,110 --> 01:29:52,080  
certain things require a certain

2133  
01:29:57,709 --> 01:29:54,120  
experience it happened but it was still

2134  
01:30:00,110 --> 01:29:57,719  
within this very mild and controlled way

2135  
01:30:01,850 --> 01:30:00,120  
to where okay this is the journey you're

2136  
01:30:03,890 --> 01:30:01,860  
going to go on the ride now we're back

2137  
01:30:07,490 --> 01:30:03,900  
on the ride and it's all smoothed out

2138  
01:30:09,470 --> 01:30:07,500

you know and so I appreciated that but

2139

01:30:12,350 --> 01:30:09,480

the other things was you know when it

2140

01:30:15,890 --> 01:30:12,360

comes to having actual direct experience

2141

01:30:17,030 --> 01:30:15,900

it it was literally like somebody you

2142

01:30:18,890 --> 01:30:17,040

know would take you and you don't know

2143

01:30:20,270 --> 01:30:18,900

how to swim and just throw you into the

2144

01:30:23,209 --> 01:30:20,280

deep end of the water and you better

2145

01:30:25,010 --> 01:30:23,219

figure out quick you know and so

2146

01:30:27,770 --> 01:30:25,020

so anyway

2147

01:30:29,149 --> 01:30:27,780

um and again this is not to say that

2148

01:30:33,110 --> 01:30:29,159

this is something that they were doing

2149

01:30:35,410 --> 01:30:33,120

out of spite or whatever it's just I

2150

01:30:37,970 --> 01:30:35,420

kept insisting I want physical contact

2151  
01:30:39,890 --> 01:30:37,980  
whoever you are whatever you are I want

2152  
01:30:41,990 --> 01:30:39,900  
to have physical contact I want to be

2153  
01:30:43,430 --> 01:30:42,000  
aware I don't want to be sleeping I

2154  
01:30:45,770 --> 01:30:43,440  
don't want this and so they gave me

2155  
01:30:48,530 --> 01:30:45,780  
exactly what I was asking for and they

2156  
01:30:50,629 --> 01:30:48,540  
did worked worked with me being I guess

2157  
01:30:52,850 --> 01:30:50,639  
for lack of a better word for quite some

2158  
01:30:55,669 --> 01:30:52,860  
time to trying to get to break through

2159  
01:30:59,330 --> 01:30:55,679  
that process to just get over that fear

2160  
01:31:01,250 --> 01:30:59,340  
get enough uh energy worked out enough

2161  
01:31:03,649 --> 01:31:01,260  
of those vibration changed to where I

2162  
01:31:06,229 --> 01:31:03,659  
can actually just kind of Pierce through

2163  
01:31:08,450 --> 01:31:06,239

and and I personally couldn't and it

2164

01:31:10,250 --> 01:31:08,460

made sense to me exactly why they're not

2165

01:31:12,410 --> 01:31:10,260

Landing why they're not interacting with

2166

01:31:14,270 --> 01:31:12,420

us and in the way we wish to interact

2167

01:31:18,189 --> 01:31:14,280

with them because it's just it would not

2168

01:31:23,410 --> 01:31:20,870

uh the there's a question and comments

2169

01:31:27,410 --> 01:31:23,420

from the biggest

2170

01:31:30,290 --> 01:31:27,420

chewy because I love the colorful uh

2171

01:31:31,370 --> 01:31:30,300

names says please please info on mantis

2172

01:31:34,070 --> 01:31:31,380

beings

2173

01:31:36,709 --> 01:31:34,080

um I'm sorry you're gonna have to watch

2174

01:31:38,390 --> 01:31:36,719

or maybe try to contact Donna Lynn I I

2175

01:31:41,689 --> 01:31:38,400

did several interviews with Donna Lynn

2176  
01:31:45,530 --> 01:31:41,699  
on this um UFO Hub channel and so she

2177  
01:31:48,590 --> 01:31:45,540  
has I think the being uh that she was

2178  
01:31:50,810 --> 01:31:48,600  
interacting with the name was crote and

2179  
01:31:52,729 --> 01:31:50,820  
it appeared to her as a praying mantis

2180  
01:31:55,790 --> 01:31:52,739  
so she would be able to tell you more

2181  
01:32:01,010 --> 01:31:55,800  
about them and direct and tell you what

2182  
01:32:05,750 --> 01:32:02,930  
sorry I had to cough again

2183  
01:32:08,870 --> 01:32:05,760  
but you know it's um

2184  
01:32:10,430 --> 01:32:08,880  
it's really interesting you know how

2185  
01:32:12,770 --> 01:32:10,440  
these some of some of these certain

2186  
01:32:14,270 --> 01:32:12,780  
experiences that happen because

2187  
01:32:16,490 --> 01:32:14,280  
um

2188  
01:32:18,649 --> 01:32:16,500

you know you have to be very in tune and

2189

01:32:19,970 --> 01:32:18,659

and be at a peaceful place to where you

2190

01:32:21,470 --> 01:32:19,980

can just

2191

01:32:23,629 --> 01:32:21,480

um allow yourself to have that contact

2192

01:32:26,870 --> 01:32:23,639

you know because

2193

01:32:29,270 --> 01:32:26,880

so for example I would um I would have a

2194

01:32:31,910 --> 01:32:29,280

dream right I would uh one particular

2195

01:32:33,709 --> 01:32:31,920

dream was I was seeing these apartment

2196

01:32:35,450 --> 01:32:33,719

complexes

2197

01:32:38,229 --> 01:32:35,460

um when I lived in Germany we were

2198

01:32:41,149 --> 01:32:38,239

refugees there and they put us in these

2199

01:32:44,030 --> 01:32:41,159

soviet-style complexes because this was

2200

01:32:46,250 --> 01:32:44,040

East Germany and so there would be a lot

2201

01:32:49,250 --> 01:32:46,260

of people that they can house in them

2202

01:32:51,709 --> 01:32:49,260

well I saw like 20 30 of them they were

2203

01:32:53,090 --> 01:32:51,719

just hovering like UFO ships but it was

2204

01:32:54,110 --> 01:32:53,100

these complexes they were hovering

2205

01:32:57,470 --> 01:32:54,120

around

2206

01:32:59,390 --> 01:32:57,480

and so again what I initially thought

2207

01:33:01,010 --> 01:32:59,400

was a dream and this is again why I'm

2208

01:33:03,169 --> 01:33:01,020

telling you not every dream is

2209

01:33:06,410 --> 01:33:03,179

necessarily A Dream because it had a lot

2210

01:33:10,370 --> 01:33:06,420

of order to it and so one of these

2211

01:33:13,490 --> 01:33:10,380

complexes landed and one like purplish

2212

01:33:16,610 --> 01:33:13,500

like being close to a gray kind of came

2213

01:33:18,590 --> 01:33:16,620

out or invited me to the ship and I got

2214

01:33:21,770 --> 01:33:18,600

in and I was looking at it and every all

2215

01:33:24,649 --> 01:33:21,780

the images to me about it was it was

2216

01:33:26,629 --> 01:33:24,659

just different rooms were different I

2217

01:33:28,850 --> 01:33:26,639

guess had bunk beds and all these other

2218

01:33:32,629 --> 01:33:28,860

things like the place where I stayed in

2219

01:33:35,450 --> 01:33:32,639

Germany as a refugee and so

2220

01:33:37,129 --> 01:33:35,460

um and the more I was there I was

2221

01:33:39,770 --> 01:33:37,139

starting to understand like wait a

2222

01:33:41,629 --> 01:33:39,780

minute maybe this is not not just a

2223

01:33:43,729 --> 01:33:41,639

dream there was something more here and

2224

01:33:47,090 --> 01:33:43,739

then when I they were closer I came to

2225

01:33:49,550 --> 01:33:47,100

that being you know I I initially

2226

01:33:50,990 --> 01:33:49,560

um saw at first I was invited there but

2227

01:33:53,390 --> 01:33:51,000

then it disappeared so I was walking

2228

01:33:55,370 --> 01:33:53,400

around and Away looking around but also

2229

01:33:57,590 --> 01:33:55,380

looking for it it was in one of the

2230

01:33:59,750 --> 01:33:57,600

rooms but my first reaction was

2231

01:34:01,669 --> 01:33:59,760

literally like to to be like oh hey

2232

01:34:04,490 --> 01:34:01,679

little kid are you lost because it's so

2233

01:34:06,830 --> 01:34:04,500

tiny so small it remedy associated with

2234

01:34:09,709 --> 01:34:06,840

children and and I immediately wanted to

2235

01:34:11,750 --> 01:34:09,719

help you know and what was interesting

2236

01:34:14,090 --> 01:34:11,760

is that the the second I finished that

2237

01:34:15,890 --> 01:34:14,100

sentence it became very clear to me that

2238

01:34:17,270 --> 01:34:15,900

this was not a child you know it

2239

01:34:20,149 --> 01:34:17,280

actually it was the other way around

2240

01:34:22,910 --> 01:34:20,159

like the the the feelings and the the

2241

01:34:25,129 --> 01:34:22,920

worst the conveyance that was overcoming

2242

01:34:26,169 --> 01:34:25,139

me from this being was that I mean it

2243

01:34:29,750 --> 01:34:26,179

was

2244

01:34:32,570 --> 01:34:29,760

million years way wiser and older than I

2245

01:34:34,729 --> 01:34:32,580

was and it was almost it didn't take any

2246

01:34:36,830 --> 01:34:34,739

offense to it but I felt like I insulted

2247

01:34:39,290 --> 01:34:36,840

it and I didn't mean to you know so

2248

01:34:41,270 --> 01:34:39,300

anyway so

2249

01:34:42,950 --> 01:34:41,280

anyway there was not other than that

2250

01:34:46,610 --> 01:34:42,960

interaction there wasn't much happening

2251

01:34:49,129 --> 01:34:46,620

so I hadn't left it that complex again

2252

01:34:51,830 --> 01:34:49,139

went back up and then I opened my eyes

2253

01:34:54,770 --> 01:34:51,840

and so I was in my bed and I was like

2254

01:34:56,810 --> 01:34:54,780

okay well I guess this you know

2255

01:34:58,669 --> 01:34:56,820

one of those dreams again I don't know

2256

01:35:00,890 --> 01:34:58,679

what it means I don't know who they were

2257

01:35:03,770 --> 01:35:00,900

but I'm just gonna let it be you know

2258

01:35:06,229 --> 01:35:03,780

and I just was laying there not 30

2259

01:35:08,629 --> 01:35:06,239

seconds after I thought about who in the

2260

01:35:10,790 --> 01:35:08,639

world were they I just heard uh it was

2261

01:35:12,649 --> 01:35:10,800

basically like a sound coming through my

2262

01:35:15,290 --> 01:35:12,659

third eye like in the in the center of

2263

01:35:17,689 --> 01:35:15,300

my head you know and it just said

2264

01:35:19,550 --> 01:35:17,699

uh it was a female voice saying we are

2265

01:35:21,770 --> 01:35:19,560

the arcturians

2266

01:35:23,270 --> 01:35:21,780

and I was like oh and I set up and it

2267

01:35:24,950 --> 01:35:23,280

was pretty late that night but I

2268

01:35:26,209 --> 01:35:24,960

couldn't really go to bed immediately I

2269

01:35:29,990 --> 01:35:26,219

it just

2270

01:35:32,629 --> 01:35:30,000

you know it well when something says

2271

01:35:34,850 --> 01:35:32,639

something to you in that way it's really

2272

01:35:36,890 --> 01:35:34,860

startling you're not just gonna be like

2273

01:35:37,729 --> 01:35:36,900

okay I'm going back to bed or whatever I

2274

01:35:40,250 --> 01:35:37,739

mean it

2275

01:35:42,169 --> 01:35:40,260

it stayed with me for still to this day

2276

01:35:44,689 --> 01:35:42,179

and there was

2277

01:35:46,790 --> 01:35:44,699

um in that fashion one particular

2278

01:35:49,790 --> 01:35:46,800

experience that you know talking about

2279

01:35:52,189 --> 01:35:49,800

trying to make contact it's you know

2280

01:35:53,810 --> 01:35:52,199

it's very it's very unnerving you know

2281

01:35:56,270 --> 01:35:53,820

but also

2282

01:35:57,649 --> 01:35:56,280

then of course I looked then you know

2283

01:35:59,030 --> 01:35:57,659

the all the only other thing I was like

2284

01:36:01,070 --> 01:35:59,040

all right well if I had this experience

2285

01:36:02,090 --> 01:36:01,080

it must be online somewhere so I started

2286

01:36:04,490 --> 01:36:02,100

searching the web and I was like

2287

01:36:06,709 --> 01:36:04,500

octurians typing up and so there were

2288

01:36:09,110 --> 01:36:06,719

different people that that had their

2289

01:36:11,570 --> 01:36:09,120

editions of the contacts that they met

2290

01:36:14,030 --> 01:36:11,580

made but I was looking that came closest

2291

01:36:16,610 --> 01:36:14,040

to what I perceived in my quote unquote

2292

01:36:18,890 --> 01:36:16,620

dream you know because that was a

2293

01:36:21,590 --> 01:36:18,900

perfect example about how it was a lot

2294

01:36:24,709 --> 01:36:21,600

easier just to make that contact in the

2295

01:36:27,709 --> 01:36:24,719

quote-unquote's dream state that's still

2296

01:36:31,010 --> 01:36:27,719

very real and you're very aware and very

2297

01:36:33,590 --> 01:36:31,020

awake as it's happening and then you

2298

01:36:35,209 --> 01:36:33,600

write back in your bed and then they hit

2299

01:36:37,790 --> 01:36:35,219

you with something like that like that

2300

01:36:40,250 --> 01:36:37,800

voice in your head and so

2301

01:36:42,350 --> 01:36:40,260

um all those things you know people

2302

01:36:44,870 --> 01:36:42,360

don't take them easily you know they

2303

01:36:46,910 --> 01:36:44,880

don't stop then to start looking at it

2304

01:36:48,410 --> 01:36:46,920

start learning about it they would most

2305

01:36:49,669 --> 01:36:48,420

people would just immediately run to a

2306

01:36:51,830 --> 01:36:49,679

psychiatrist like oh my God I'm going

2307

01:36:53,870 --> 01:36:51,840

crazy give me some pills I need to get

2308

01:36:55,910 --> 01:36:53,880

this taken care of and you know they

2309

01:36:57,950 --> 01:36:55,920

would never really truly explore what

2310

01:37:00,770 --> 01:36:57,960

they need to explore because not

2311

01:37:07,010 --> 01:37:00,780

everybody wants to or has the time to do

2312

01:37:12,470 --> 01:37:09,430

okay

2313

01:37:15,770 --> 01:37:12,480

I am just looking at the the chat and

2314

01:37:18,350 --> 01:37:15,780

looking over telegram all right well

2315

01:37:19,370 --> 01:37:18,360

I guess I'll we'll end it here I know

2316

01:37:21,590 --> 01:37:19,380

there might be still some questions

2317

01:37:23,990 --> 01:37:21,600

coming through but I'll I'll just

2318

01:37:26,510 --> 01:37:24,000

officially stop here and say again thank

2319

01:37:28,669 --> 01:37:26,520

you very much for tuning in

2320

01:37:29,570 --> 01:37:28,679

um I hope you got something from this

2321

01:37:31,430 --> 01:37:29,580

today

2322

01:37:32,930 --> 01:37:31,440

um I was hoping maybe if more of you

2323

01:37:34,970 --> 01:37:32,940

would just call in and share more of

2324

01:37:38,450 --> 01:37:34,980

your stories because your experiences

2325

01:37:40,970 --> 01:37:38,460

are just as valid as mine and maybe you

2326

01:37:44,270 --> 01:37:40,980

also spent just as much time as I did to

2327

01:37:45,890 --> 01:37:44,280

figure it out and and get some to come

2328

01:37:48,169 --> 01:37:45,900

down or get some more constructive

2329

01:37:50,750 --> 01:37:48,179

answers to all the craziness that's been

2330

01:37:52,010 --> 01:37:50,760

happening in your life but anyway thank

2331

01:37:53,149 --> 01:37:52,020

you all again

2332

01:37:55,610 --> 01:37:53,159

um please check out the different

2333

01:37:57,890 --> 01:37:55,620

descriptions uh the links in the

2334

01:37:59,510 --> 01:37:57,900

description below when it comes to these

2335

01:38:02,689 --> 01:37:59,520

different outlets for the UFO Hub

2336

01:38:04,669 --> 01:38:02,699

channel in case YouTube uh kicks me out

2337

01:38:07,189 --> 01:38:04,679

or gets you know kicks me off the

2338

01:38:09,169 --> 01:38:07,199

platform and so

2339

01:38:12,590 --> 01:38:09,179

um other than that I hope to see you

2340

01:38:15,290 --> 01:38:12,600

next Wednesday at 7 pm central time I

2341

01:38:17,330 --> 01:38:15,300

will have open lines again and I promise

2342

01:38:20,629 --> 01:38:17,340

I've been one working on having guests

2343

01:38:22,850 --> 01:38:20,639

and so this it's it will be kind of like

2344

01:38:24,229 --> 01:38:22,860

that expression when it when it rains it

2345

01:38:25,910 --> 01:38:24,239

pours I'm just going to have one

2346

01:38:27,830 --> 01:38:25,920

interview after another and hitting you

2347

01:38:30,110 --> 01:38:27,840

up with all of those

2348

01:38:33,169 --> 01:38:30,120

um but for now the certain thing is next

2349

01:38:34,729 --> 01:38:33,179

Wednesday 7 PM open lines join Telegram

2350

01:38:37,189 --> 01:38:34,739

and talk to me

2351

01:38:40,729 --> 01:38:37,199

all right well thank you everyone have a
