foreign

4  
00:01:11,270 --> 00:01:09,289

hey everyone welcome to geophob live

5  
00:01:14,270 --> 00:01:11,280

stream today's guest is going to be

6  
00:01:16,370 --> 00:01:14,280

Terry Lovelace and I'm excited to talk

7  
00:01:18,410 --> 00:01:16,380

to him again the last time I had Terry

8  
00:01:20,870 --> 00:01:18,420

on this channel was about two years ago

9  
00:01:24,050 --> 00:01:20,880

and he has come up with a lot more since

10  
00:01:27,230 --> 00:01:24,060

then but uh uh first some housekeeping

11  
00:01:30,469 --> 00:01:27,240

later on uh whenever the opportunity

12  
00:01:32,170 --> 00:01:30,479

comes up we will be doing Q a so please

13  
00:01:35,030 --> 00:01:32,180

make sure to have your questions ready

14

00:01:38,210 --> 00:01:35,040

uh and if you are watching and leaving

15

00:01:41,330 --> 00:01:38,220

questions in text form whether on

16

00:01:44,030 --> 00:01:41,340

YouTube or twitch or on Facebook please

17

00:01:46,490 --> 00:01:44,040

make sure you put three asterisks in in

18

00:01:48,410 --> 00:01:46,500

before the question and then of course

19

00:01:50,870 --> 00:01:48,420

as always I have telegram available

20

00:01:52,429 --> 00:01:50,880

where if you're part of the UFO Hub

21

00:01:54,770 --> 00:01:52,439

telegram group

22

00:01:57,410 --> 00:01:54,780

um you will be able to basically ask a

23

00:01:59,630 --> 00:01:57,420

question of the speaker yourself when

24

00:02:02,270 --> 00:01:59,640

that time comes so please make sure to

25

00:02:03,530 --> 00:02:02,280

download Telegram and it shouldn't take

26

00:02:05,270 --> 00:02:03,540

that long if you don't have it you

27

00:02:08,089 --> 00:02:05,280

should be able to do it while we're

28

00:02:11,990 --> 00:02:08,099

still conducting into view so download

29

00:02:14,270 --> 00:02:12,000

it go to the the chat room that's open

30

00:02:16,729 --> 00:02:14,280

and then raise your hand which tells me

31

00:02:19,490 --> 00:02:16,739

that you are interested to to then speak

32

00:02:21,530 --> 00:02:19,500

to the the um the author directly or

33

00:02:22,670 --> 00:02:21,540

Terry in this case directly and ask them

34

00:02:25,610 --> 00:02:22,680

a question

35

00:02:26,210 --> 00:02:25,620

the other part I have is basically

36

00:02:29,990 --> 00:02:26,220

um

37

00:02:32,449 --> 00:02:30,000

I have uh Terry is also going to be part

38

00:02:34,490 --> 00:02:32,459

of the Ozark Mountain UFO conference and

39

00:02:37,550 --> 00:02:34,500

so the conference coming up in April

40

00:02:39,830 --> 00:02:37,560

it'll be from 14 to 16. and so even

41

00:02:43,250 --> 00:02:39,840

though I've met Terry before online and

42

00:02:45,650 --> 00:02:43,260

and we've had some

43

00:02:47,869 --> 00:02:45,660

um what you would call it the virtual

44

00:02:49,850 --> 00:02:47,879

conferences I'm excited to actually meet

45

00:02:51,410 --> 00:02:49,860

him in person and you will be able to do

46

00:02:55,250 --> 00:02:51,420

that as well

47

00:02:57,710 --> 00:02:55,260

uh let me switch over real quick to

48

00:03:01,190 --> 00:02:57,720

to the website

49

00:03:03,170 --> 00:03:01,200

just to show you so the right now we

50

00:03:06,589 --> 00:03:03,180

have the full roster and so there's

51  
00:03:10,369 --> 00:03:06,599  
Terry right there we're gonna have also

52  
00:03:12,890 --> 00:03:10,379  
Chief Sean Cahill Ben Hansen and

53  
00:03:15,530 --> 00:03:12,900  
basically the the whole schedule is full

54  
00:03:18,530 --> 00:03:15,540  
and I hope you if you are interested

55  
00:03:20,509 --> 00:03:18,540  
please check out the website I hope

56  
00:03:22,790 --> 00:03:20,519  
you'll be able to make it there's still

57  
00:03:25,130 --> 00:03:22,800  
over a month but the seats are going

58  
00:03:27,589 --> 00:03:25,140  
fast so I'm hoping that you can get a

59  
00:03:30,470 --> 00:03:27,599  
seat for yourself if you can't make it

60  
00:03:33,170 --> 00:03:30,480  
or for some reason uh your own I mean

61  
00:03:35,210 --> 00:03:33,180  
you are overseas and whatnot it will

62  
00:03:38,089 --> 00:03:35,220  
also be live streamed as well so there's

63  
00:03:40,970 --> 00:03:38,099

an opportunity to watch it that way

64

00:03:43,910 --> 00:03:40,980

um also any kind of the link for Ozark

65

00:03:46,490 --> 00:03:43,920

for the registration is in the

66

00:03:49,130 --> 00:03:46,500

description below uh Terry's also has

67

00:03:50,869 --> 00:03:49,140

written two books uh one is his first

68

00:03:53,270 --> 00:03:50,879

book is called the incident and devil to

69

00:03:55,309 --> 00:03:53,280

den the second one is uh Devil's then

70

00:03:57,350 --> 00:03:55,319

the Reckoning and links for both of

71

00:03:59,030 --> 00:03:57,360

those books are in this in the

72

00:04:00,350 --> 00:03:59,040

description below along with this

73

00:04:01,670 --> 00:04:00,360

website as well

74

00:04:03,710 --> 00:04:01,680

so

75

00:04:08,990 --> 00:04:03,720

the

76

00:04:11,750 --> 00:04:09,000

that I that I wanted to do today he will

77

00:04:13,670 --> 00:04:11,760

not be recalling everything that he and

78

00:04:16,310 --> 00:04:13,680

I talked about in the previous interview

79

00:04:17,810 --> 00:04:16,320

or in the first one I have the link in

80

00:04:21,409 --> 00:04:17,820

the description for the first interview

81

00:04:23,030 --> 00:04:21,419

for you to review and so we'll we'll

82

00:04:25,370 --> 00:04:23,040

give a little bit of background about

83

00:04:27,590 --> 00:04:25,380

himself and then we'll basically pick up

84

00:04:31,490 --> 00:04:27,600

where we left off so to say

85

00:04:33,530 --> 00:04:31,500

all right I think um that covers all of

86

00:04:37,310 --> 00:04:33,540

that I wanted to cover

87

00:04:39,530 --> 00:04:37,320

let me let me see here to bring to bring

88

00:04:42,110 --> 00:04:39,540

Terry in right now

89

00:04:44,510 --> 00:04:42,120  
hey Terry welcome how are you

90

00:04:46,610 --> 00:04:44,520  
I'm great thank you it's a pleasure to

91

00:04:48,710 --> 00:04:46,620  
be here good to talk to you again

92

00:04:50,749 --> 00:04:48,720  
yeah good to see you as well yeah I know

93

00:04:53,210 --> 00:04:50,759  
it's it's been a while and

94

00:04:54,950 --> 00:04:53,220  
um uh before we begin I'm glad we

95

00:04:57,350 --> 00:04:54,960  
connected a bit early to fix these

96

00:05:00,170 --> 00:04:57,360  
connection issues but you're coming in

97

00:05:02,330 --> 00:05:00,180  
loud and clear so I guess we can get

98

00:05:04,189 --> 00:05:02,340  
going whenever whenever you are ready so

99

00:05:05,689 --> 00:05:04,199  
please if you could uh please give a

100

00:05:07,850 --> 00:05:05,699  
little bit of about your background

101

00:05:09,830 --> 00:05:07,860

information for somebody that's new

102

00:05:11,689 --> 00:05:09,840

that's watching today and then we'll get

103

00:05:15,350 --> 00:05:11,699

into your new book after that

104

00:05:17,870 --> 00:05:15,360

oh sure yeah I'm happy to uh well hello

105

00:05:19,670 --> 00:05:17,880

my name is Terry Lovelace uh I graduated

106

00:05:22,670 --> 00:05:19,680

from high school in St Louis Missouri in

107

00:05:25,850 --> 00:05:22,680

1973 and joined the United States Air

108

00:05:29,990 --> 00:05:25,860

Force and spent the next six years on

109

00:05:32,090 --> 00:05:30,000

active duty as an enlisted man uh a

110

00:05:33,710 --> 00:05:32,100

staff sergeant Steve stationed at

111

00:05:35,270 --> 00:05:33,720

Whiteman Air Force Base in Western

112

00:05:38,950 --> 00:05:35,280

Missouri

113

00:05:43,930 --> 00:05:38,960

and stayed my entire six years there

114

00:05:47,090 --> 00:05:43,940

and uh finished finished my uh my tour

115

00:05:48,590 --> 00:05:47,100

gotta finish the bachelor's degree went

116

00:05:51,409 --> 00:05:48,600

to Western Michigan finished the law

117

00:05:54,409 --> 00:05:51,419

degree I passed the bar and I've made my

118

00:05:58,010 --> 00:05:54,419

living in the law uh since until I

119

00:06:00,170 --> 00:05:58,020

retired in in 20 2012.

120

00:06:01,969 --> 00:06:00,180

um because people ask me why why didn't

121

00:06:05,150 --> 00:06:01,979

you tell this story sooner and the

122

00:06:06,770 --> 00:06:05,160

reason was uh I had been I was an

123

00:06:08,930 --> 00:06:06,780

Assistant Attorney General I'd have been

124

00:06:10,310 --> 00:06:08,940

laughed out of my position

125

00:06:13,430 --> 00:06:10,320

um you know if you're in certain jobs

126

00:06:16,430 --> 00:06:13,440

the law law enforcement Air Traffic

127

00:06:19,370 --> 00:06:16,440

Control Pilots you don't talk about this

128

00:06:21,290 --> 00:06:19,380

kind of stuff uh because this just kills

129

00:06:23,809 --> 00:06:21,300

your career I'm hoping that that's

130

00:06:26,570 --> 00:06:23,819

starting to change I wrote a book

131

00:06:28,790 --> 00:06:26,580

incident at Devil's Den about my 1977

132

00:06:32,749 --> 00:06:28,800

abduction from an Arkansas State Park

133

00:06:35,029 --> 00:06:32,759

and published that in March of 2018

134

00:06:37,790 --> 00:06:35,039

and then I wrote a second book called

135

00:06:41,210 --> 00:06:37,800

The Reckoning Devil's Den the Reckoning

136

00:06:44,029 --> 00:06:41,220

uh and published that in 2020

137

00:06:45,770 --> 00:06:44,039

and uh I'm here to talk about uh well

138

00:06:47,990 --> 00:06:45,780

both books and the story and and

139

00:06:51,290 --> 00:06:48,000

anything else we'd like to

140

00:06:53,510 --> 00:06:51,300

so thank you thank you for inviting me

141

00:06:55,189 --> 00:06:53,520

it's really fun to be here

142

00:06:57,230 --> 00:06:55,199

well Terry did I think that's that's

143

00:06:59,689 --> 00:06:57,240

great that some some isn't up for those

144

00:07:01,189 --> 00:06:59,699

that are new to you well um I'm going to

145

00:07:02,870 --> 00:07:01,199

give you a free reins please start out

146

00:07:04,909 --> 00:07:02,880

whatever you would like to start out to

147

00:07:06,230 --> 00:07:04,919

to tell you to tell your story and

148

00:07:08,210 --> 00:07:06,240

whatever else you would like to cover

149

00:07:10,070 --> 00:07:08,220

about everything

150

00:07:12,710 --> 00:07:10,080

yeah you know a couple of things I'd

151  
00:07:14,090 --> 00:07:12,720  
like to say uh kind of preface the the

152  
00:07:16,670 --> 00:07:14,100  
main event

153  
00:07:20,390 --> 00:07:16,680  
I had um

154  
00:07:23,330 --> 00:07:20,400  
uh experiences from age four to six

155  
00:07:24,830 --> 00:07:23,340  
and I would see entities in my room when

156  
00:07:25,860 --> 00:07:24,840  
I was a little kid

157  
00:07:27,589 --> 00:07:25,870  
and um

158  
00:07:30,950 --> 00:07:27,599  
[Music]

159  
00:07:32,390 --> 00:07:30,960  
that that uh that stopped around the age

160  
00:07:37,309 --> 00:07:32,400  
of eight

161  
00:07:37,969 --> 00:07:37,319  
and then in 1977 when I was 22 years old

162  
00:07:41,029 --> 00:07:37,979  
um

163  
00:07:43,249 --> 00:07:41,039

I was on active duty and my guy I worked

164

00:07:45,050 --> 00:07:43,259

with I was an EMT of medic work in the

165

00:07:45,830 --> 00:07:45,060

emergency room at Whiteman Air Force

166

00:07:48,469 --> 00:07:45,840

Base

167

00:07:50,629 --> 00:07:48,479

we decided to take a long weekend and go

168

00:07:52,370 --> 00:07:50,639

camping neither one of us were both City

169

00:07:54,230 --> 00:07:52,380

kids I grew up in St Louis he grew up in

170

00:07:56,990 --> 00:07:54,240

Flint Michigan neither one of us had

171

00:07:59,570 --> 00:07:57,000

ever been camping in our lives and we

172

00:08:01,969 --> 00:07:59,580

had this crazy idea to go camping and uh

173

00:08:04,730 --> 00:08:01,979

it almost became an obsession it was

174

00:08:07,370 --> 00:08:04,740

just an odd an odd event

175

00:08:09,529 --> 00:08:07,380

and we packed up the car and we drove to

176

00:08:12,230 --> 00:08:09,539

Devil's Den State Park which is just on

177

00:08:15,529 --> 00:08:12,240

the other side of the Missouri border uh

178

00:08:17,629 --> 00:08:15,539

in Arkansas it's

179

00:08:20,089 --> 00:08:17,639

Devil's Den State Park is a state park

180

00:08:21,290 --> 00:08:20,099

on the west side of the main road that

181

00:08:23,809 --> 00:08:21,300

cuts through and then on the right side

182

00:08:28,129 --> 00:08:23,819

there's the Ozark National Forest

183

00:08:31,309 --> 00:08:28,139

so uh we uh we went into the park but we

184

00:08:34,370 --> 00:08:31,319

dodged the ranger station the kiosk we

185

00:08:36,290 --> 00:08:34,380

didn't get a camping permit we drove

186

00:08:38,510 --> 00:08:36,300

until we found a room you know a chain

187

00:08:41,990 --> 00:08:38,520

across the road with a sternly worded

188

00:08:43,969 --> 00:08:42,000

keep up do not enter sign and we uh

189

00:08:46,610 --> 00:08:43,979

that's where we decided we wanted to go

190

00:08:47,810 --> 00:08:46,620

and we want to find our own campsite we

191

00:08:49,310 --> 00:08:47,820

did we didn't want to be in the

192

00:08:51,350 --> 00:08:49,320

campground with somebody to the right of

193

00:08:55,490 --> 00:08:51,360

us somebody to the left of us

194

00:08:57,590 --> 00:08:55,500

and we found uh an elevated I call it a

195

00:09:01,790 --> 00:08:57,600

plateau and

196

00:09:03,710 --> 00:09:01,800

um it's on Google Earth and it's it's uh

197

00:09:05,509 --> 00:09:03,720

actually triangular shape when you look

198

00:09:08,150 --> 00:09:05,519

at it from above

199

00:09:11,389 --> 00:09:08,160

and it is about the same height the top

200

00:09:14,750 --> 00:09:11,399

of it was a level with the surrounding

201  
00:09:16,550 --> 00:09:14,760  
Treetops and someone had clear-cut that

202  
00:09:18,230 --> 00:09:16,560  
so it was just grass growing there was

203  
00:09:20,810 --> 00:09:18,240  
no trees on top of it

204  
00:09:24,170 --> 00:09:20,820  
and it was gorgeous great place to Camp

205  
00:09:26,449 --> 00:09:24,180  
so we set up our Campground there and we

206  
00:09:28,009 --> 00:09:26,459  
were you know far enough away from

207  
00:09:29,990 --> 00:09:28,019  
everybody well we didn't have to worry

208  
00:09:32,389 --> 00:09:30,000  
about being bothered and

209  
00:09:34,130 --> 00:09:32,399  
uh we did all the fun stuff you do when

210  
00:09:36,410 --> 00:09:34,140  
you go camping and it was all new to us

211  
00:09:38,090 --> 00:09:36,420  
so yeah it was a good time

212  
00:09:41,030 --> 00:09:38,100  
and that evening we're sitting around

213  
00:09:42,530 --> 00:09:41,040

the campfire and we're just just talking

214

00:09:47,329 --> 00:09:42,540

and uh

215

00:09:49,970 --> 00:09:47,339

taking it easy and um I noticed and this

216

00:09:53,509 --> 00:09:49,980

sounds cliché I know but I swear to God

217

00:09:55,910 --> 00:09:53,519

it's true that the forest went quiet

218

00:09:57,590 --> 00:09:55,920

I mean you know there there are crickets

219

00:10:00,290 --> 00:09:57,600

and tree frogs and all kinds of things

220

00:10:03,410 --> 00:10:00,300

in the woods that make noise at night

221

00:10:06,949 --> 00:10:03,420

and that all fell silent yeah it was

222

00:10:08,690 --> 00:10:06,959

dead quiet and not only was it quiet it

223

00:10:12,170 --> 00:10:08,700

was still you know we had a little

224

00:10:14,509 --> 00:10:12,180

breeze going and that even died out

225

00:10:16,430 --> 00:10:14,519

and it kind of unnerved me

226

00:10:17,930 --> 00:10:16,440

and I asked my friend you know hey man

227

00:10:21,050 --> 00:10:17,940

is this is this normal

228

00:10:22,550 --> 00:10:21,060

you know like he's gonna know and

229

00:10:23,990 --> 00:10:22,560

he's like yeah don't worry about don't

230

00:10:25,610 --> 00:10:24,000

worry about the bugs the bugs will come

231

00:10:28,430 --> 00:10:25,620

back no big deal don't worry about it

232

00:10:31,610 --> 00:10:28,440

nothing to be uh concerned about

233

00:10:33,050 --> 00:10:31,620

and we carried on our conversation and

234

00:10:35,150 --> 00:10:33,060

then um

235

00:10:36,889 --> 00:10:35,160

he asked me says Terry were those lights

236

00:10:38,449 --> 00:10:36,899

over there were there were those there

237

00:10:40,130 --> 00:10:38,459

before

238

00:10:42,110 --> 00:10:40,140

and I turned my head and looked and

239

00:10:44,690 --> 00:10:42,120

there were three little stars sitting in

240

00:10:47,750 --> 00:10:44,700

a tight triangle on the horizon

241

00:10:50,150 --> 00:10:47,760

and they weren't there before uh they

242

00:10:52,910 --> 00:10:50,160

were too bright to have been stars and

243

00:10:54,710 --> 00:10:52,920

they were too far off the um the Horizon

244

00:10:56,930 --> 00:10:54,720

to have been lights from a train or a

245

00:10:59,690 --> 00:10:56,940

parking lot or something since we were

246

00:11:02,329 --> 00:10:59,700

really in a remote area

247

00:11:04,970 --> 00:11:02,339

and uh while we watched these things

248

00:11:07,790 --> 00:11:04,980

first they rotated they turned about 120

249

00:11:10,490 --> 00:11:07,800

degrees and they aligned the base of the

250

00:11:12,230 --> 00:11:10,500

triangle parallel with the horizon

251  
00:11:13,970 --> 00:11:12,240  
and then the things started to go up

252  
00:11:16,250 --> 00:11:13,980  
into the air

253  
00:11:19,790 --> 00:11:16,260  
and this is the point where we

254  
00:11:22,430 --> 00:11:19,800  
experienced a weird kind of sedation

255  
00:11:24,310 --> 00:11:22,440  
you know our our emotions were muted to

256  
00:11:27,230 --> 00:11:24,320  
what we were seeing we should have been

257  
00:11:29,509 --> 00:11:27,240  
agitated or freaked out or you know

258  
00:11:32,090 --> 00:11:29,519  
seeking validation from one another you

259  
00:11:33,470 --> 00:11:32,100  
saying what I'm saying uh and there was

260  
00:11:37,190 --> 00:11:33,480  
none of that

261  
00:11:40,370 --> 00:11:37,200  
uh I didn't experience any fear

262  
00:11:42,650 --> 00:11:40,380  
um I felt kind of removed from it like

263  
00:11:45,650 --> 00:11:42,660

like I was a third party Observer rather

264

00:11:48,110 --> 00:11:45,660

than a participant what was going on

265

00:11:53,630 --> 00:11:48,120

and we watched this thing climb into the

266

00:11:56,630 --> 00:11:53,640

sky and uh it changed its um orientation

267

00:11:59,630 --> 00:11:56,640

and turned on its side

268

00:12:01,670 --> 00:11:59,640

with uh there were lights on on each tip

269

00:12:04,550 --> 00:12:01,680

of the triangle and it turned on its

270

00:12:07,130 --> 00:12:04,560

side so it was the apex of the triangle

271

00:12:09,410 --> 00:12:07,140

was aimed in our Direction

272

00:12:12,829 --> 00:12:09,420

and then it started a Glide plane down

273

00:12:16,250 --> 00:12:12,839

toward us and both of us are just in

274

00:12:18,470 --> 00:12:16,260

this semi-sedated uh state

275

00:12:21,590 --> 00:12:18,480

and while we watched this thing did this

276

00:12:23,090 --> 00:12:21,600

tumbling maneuver and uh

277

00:12:24,889 --> 00:12:23,100

I don't know where it came from but I

278

00:12:27,050 --> 00:12:24,899

had the thought in my mind that that's

279

00:12:29,449 --> 00:12:27,060

that it's doing this maneuver it's doing

280

00:12:32,090 --> 00:12:29,459

this tumbling to let us know that it's

281

00:12:35,569 --> 00:12:32,100

moving with intent and that it's it

282

00:12:40,069 --> 00:12:37,790

um that that was the feeling I got

283

00:12:42,050 --> 00:12:40,079

it parked about three thousand feet over

284

00:12:46,250 --> 00:12:42,060

our heads

285

00:12:48,650 --> 00:12:46,260

and um shined a uh a laser beam down

286

00:12:51,710 --> 00:12:48,660

from the center of the thing that kind

287

00:12:55,069 --> 00:12:51,720

of danced around the campsite

288

00:12:58,009 --> 00:12:55,079

um and I'll cut through most of the to

289

00:13:00,350 --> 00:12:58,019

kind of get to the chase here and uh

290

00:13:01,550 --> 00:13:00,360

suddenly I I went from that sedated

291

00:13:06,110 --> 00:13:01,560

feeling

292

00:13:08,810 --> 00:13:06,120

um sleepy

293

00:13:11,509 --> 00:13:08,820

and all I wanted to do was lay down and

294

00:13:13,009 --> 00:13:11,519

go to sleep and you know there's a

295

00:13:15,650 --> 00:13:13,019

difference between

296

00:13:18,650 --> 00:13:15,660

you know being tired and being sleepy

297

00:13:20,210 --> 00:13:18,660

and suddenly I was sleepy and all I

298

00:13:21,590 --> 00:13:20,220

wanted to do was go in that tent and lay

299

00:13:23,569 --> 00:13:21,600

my head down

300

00:13:26,329 --> 00:13:23,579

uh and that's what we did and the second

301  
00:13:29,210 --> 00:13:26,339  
we did we were both we were out

302  
00:13:31,250 --> 00:13:29,220  
and uh that's when that's when they took

303  
00:13:34,850 --> 00:13:31,260  
us and

304  
00:13:37,129 --> 00:13:34,860  
we uh I woke up to some flashing lights

305  
00:13:39,350 --> 00:13:37,139  
outside my tent through the camp our

306  
00:13:42,170 --> 00:13:39,360  
tent through the canvas of the tent

307  
00:13:45,290 --> 00:13:42,180  
and that was the points of light on this

308  
00:13:47,629 --> 00:13:45,300  
triangle it had descended from three

309  
00:13:50,629 --> 00:13:47,639  
thousand feet down to about 30 feet over

310  
00:13:55,069 --> 00:13:50,639  
the floor of this metal I call it

311  
00:13:57,650 --> 00:13:55,079  
and we um we saw

312  
00:14:00,949 --> 00:13:57,660  
little gray little gray guys thought the

313  
00:14:01,550 --> 00:14:00,959

ubiquitous little little Grace

314

00:14:04,430 --> 00:14:01,560

um

315

00:14:06,290 --> 00:14:04,440

maybe a dozen maybe 15 walking around

316

00:14:08,090 --> 00:14:06,300

the middle paired up into twos and

317

00:14:08,810 --> 00:14:08,100

threes

318

00:14:11,509 --> 00:14:08,820

um

319

00:14:13,009 --> 00:14:11,519

and then the light source came down from

320

00:14:16,190 --> 00:14:13,019

the center of this thing

321

00:14:19,069 --> 00:14:16,200

and these little guys would step into it

322

00:14:20,750 --> 00:14:19,079

in pairs and threes and then they would

323

00:14:23,290 --> 00:14:20,760

just dissolved it would just pixel laid

324

00:14:25,910 --> 00:14:23,300

out and we watched until the last two

325

00:14:28,310 --> 00:14:25,920

pixelated out and we're gone and then

326

00:14:29,870 --> 00:14:28,320

this thing took off and it didn't take

327

00:14:32,509 --> 00:14:29,880

off like a rocket ship it just like

328

00:14:34,730 --> 00:14:32,519

lifted off like a hot air balloon and

329

00:14:37,490 --> 00:14:34,740

the higher it got the uh the faster it

330

00:14:40,129 --> 00:14:37,500

went and it was gone

331

00:14:43,490 --> 00:14:40,139

and um that that was the in a nutshell

332

00:14:47,030 --> 00:14:43,500

that was our 19 my 1977 event and that

333

00:14:49,490 --> 00:14:47,040

was a life-changing event for me uh and

334

00:14:52,490 --> 00:14:49,500

and from my friend Toby

335

00:14:55,310 --> 00:14:52,500

um we both suffered uh really severe

336

00:14:57,590 --> 00:14:55,320

dehydration we had some Burns all over

337

00:15:00,050 --> 00:14:57,600

our body like a severe sunburn but we

338

00:15:01,910 --> 00:15:00,060

never blistered

339

00:15:05,629 --> 00:15:01,920

um and we went back to the Air Force

340

00:15:07,550 --> 00:15:05,639

Base six and a half hour drive north

341

00:15:09,170 --> 00:15:07,560

got back and we were sick enough we both

342

00:15:10,610 --> 00:15:09,180

had to go to the emergency room which

343

00:15:12,290 --> 00:15:10,620

was kind of an embarrassment because

344

00:15:14,210 --> 00:15:12,300

that's where we worked all the people

345

00:15:15,290 --> 00:15:14,220

that worked there were our friends and

346

00:15:17,810 --> 00:15:15,300

you know

347

00:15:20,569 --> 00:15:17,820

and we were treated well and we were we

348

00:15:23,090 --> 00:15:20,579

were genuinely very ill and uh I was

349

00:15:26,329 --> 00:15:23,100

hospital we were both hospitalized for

350

00:15:29,750 --> 00:15:26,339

three days and the while I was in the

351

00:15:32,090 --> 00:15:29,760

hospital bed the uh Air Force's Security

352

00:15:34,670 --> 00:15:32,100

Police has an investigative branch

353

00:15:36,410 --> 00:15:34,680

called the The OSI or the office of

354

00:15:39,410 --> 00:15:36,420

special investigations

355

00:15:41,990 --> 00:15:39,420

it's like OSI is to the Air Force what

356

00:15:45,050 --> 00:15:42,000

NCIS is to the Navy

357

00:15:49,129 --> 00:15:45,060

and uh two OSI agents came into my room

358

00:15:50,930 --> 00:15:49,139

and uh interrogated me and wanted to

359

00:15:51,829 --> 00:15:50,940

know what we were doing down there and

360

00:15:53,930 --> 00:15:51,839

uh

361

00:15:55,610 --> 00:15:53,940

said that we were on federal property

362

00:15:58,370 --> 00:15:55,620

and I thought well that's fun we weren't

363

00:16:00,050 --> 00:15:58,380

enough and we were in a state park

364

00:16:04,430 --> 00:16:00,060

um what's interesting is when I wrote

365

00:16:07,430 --> 00:16:04,440

Devil's Den that book and in 2017 I did

366

00:16:10,189 --> 00:16:07,440

a little research and um

367

00:16:12,710 --> 00:16:10,199

that that elevated Plateau that has not

368

00:16:14,750 --> 00:16:12,720

even in the state park that's on a strip

369

00:16:16,370 --> 00:16:14,760

of federal land that's owned by the

370

00:16:19,610 --> 00:16:16,380

Bureau of Land Management

371

00:16:21,470 --> 00:16:19,620

so he was truthful when he said we were

372

00:16:23,990 --> 00:16:21,480

on federal property

373

00:16:25,610 --> 00:16:24,000

uh when we left we just jumped in the

374

00:16:28,129 --> 00:16:25,620

car jumped in my car and we got out of

375

00:16:29,930 --> 00:16:28,139

there and we left a tent we left my

376

00:16:31,189 --> 00:16:29,940

friend's backpack it's cooler we left

377

00:16:33,769 --> 00:16:31,199

everything we just wanted to get out of

378

00:16:35,990 --> 00:16:33,779

there with our lives and

379

00:16:38,449 --> 00:16:36,000

um from Toby's address in the backpack

380

00:16:40,670 --> 00:16:38,459

we both lived on base in NCO housing

381

00:16:42,949 --> 00:16:40,680

they were able the park rangers were

382

00:16:47,329 --> 00:16:42,959

able to track us down and that's how the

383

00:16:48,829 --> 00:16:47,339

Air Force knew we were down there and uh

384

00:16:50,569 --> 00:16:48,839

they thought we had some kind of

385

00:16:52,790 --> 00:16:50,579

campsite set up with the intent on

386

00:16:54,650 --> 00:16:52,800

returning and uh

387

00:16:56,810 --> 00:16:54,660

I think the real object of that exercise

388

00:16:58,189 --> 00:16:56,820

was uh

389

00:17:00,650 --> 00:16:58,199

they wanted to know if we had any

390

00:17:02,449 --> 00:17:00,660

pictures of this thing they knew what we

391

00:17:04,370 --> 00:17:02,459

saw there's no doubt in my mind they

392

00:17:06,470 --> 00:17:04,380

knew

393

00:17:09,890 --> 00:17:06,480

um in that interrogation one of the OSI

394

00:17:12,470 --> 00:17:09,900

agents got down next to my ear and said

395

00:17:14,630 --> 00:17:12,480

I know and you know what you two

396

00:17:17,030 --> 00:17:14,640

knucklehead stumbled onto when you were

397

00:17:18,590 --> 00:17:17,040

when you were down there what I want to

398

00:17:21,650 --> 00:17:18,600

know is how many pictures did you take

399

00:17:23,449 --> 00:17:21,660

how many pictures of it do you have

400

00:17:26,270 --> 00:17:23,459

and I said sorry I never took a single

401  
00:17:27,350 --> 00:17:26,280  
picture which was true you know the even

402  
00:17:29,330 --> 00:17:27,360  
though I was kind of an amateur

403  
00:17:30,830 --> 00:17:29,340  
photographer the thought of taking a

404  
00:17:34,010 --> 00:17:30,840  
picture of this thing never crossed my

405  
00:17:36,590 --> 00:17:34,020  
mind and and I don't understand that but

406  
00:17:38,630 --> 00:17:36,600  
but that's the truth

407  
00:17:39,710 --> 00:17:38,640  
um so I don't know how the Air Force

408  
00:17:43,730 --> 00:17:39,720  
knew

409  
00:17:45,470 --> 00:17:43,740  
and uh

410  
00:17:47,270 --> 00:17:45,480  
that uh

411  
00:17:49,610 --> 00:17:47,280  
that that changed kind of the whole

412  
00:17:50,390 --> 00:17:49,620  
trajectory in my life

413  
00:17:53,510 --> 00:17:50,400

um

414

00:17:54,230 --> 00:17:53,520

I came away from this event

415

00:17:57,350 --> 00:17:54,240

um

416

00:18:00,470 --> 00:17:57,360

changed in some ways uh

417

00:18:02,870 --> 00:18:00,480

I had difficulty processing it at first

418

00:18:05,990 --> 00:18:02,880

I admit to that

419

00:18:07,970 --> 00:18:06,000

um but I also was I don't know if it was

420

00:18:10,070 --> 00:18:07,980

intentional or unintentional but I left

421

00:18:12,909 --> 00:18:10,080

there with the gift of

422

00:18:15,470 --> 00:18:12,919

I call it heightened intuition

423

00:18:17,510 --> 00:18:15,480

and there are times my intuition can be

424

00:18:19,850 --> 00:18:17,520

through the roof and I've never I never

425

00:18:23,630 --> 00:18:19,860

had that prior to this event

426

00:18:25,490 --> 00:18:23,640

so I think it's tied somehow to that

427

00:18:27,370 --> 00:18:25,500

event and what happened to us

428

00:18:31,370 --> 00:18:27,380

so

429

00:18:33,890 --> 00:18:31,380

and then in a nutshell is the substance

430

00:18:36,190 --> 00:18:33,900

and content in uh book number one

431

00:18:39,650 --> 00:18:36,200

incident at Devil's Den

432

00:18:41,270 --> 00:18:39,660

in 2020 I wrote the second book

433

00:18:44,090 --> 00:18:41,280

which um

434

00:18:44,870 --> 00:18:44,100

I wanted to tell a little bit about

435

00:18:46,850 --> 00:18:44,880

um

436

00:18:52,010 --> 00:18:46,860

a little bit more about my interaction

437

00:18:52,970 --> 00:18:52,020

with an entity that I refer to as Betty

438

00:18:55,250 --> 00:18:52,980

um

439

00:18:57,350 --> 00:18:55,260

when I was between four and six years

440

00:19:01,490 --> 00:18:57,360

old

441

00:19:04,789 --> 00:19:01,500

they would take me sometimes and I would

442

00:19:06,890 --> 00:19:04,799

be in this big white toned room

443

00:19:08,270 --> 00:19:06,900

with a bunch of other kids I didn't know

444

00:19:10,490 --> 00:19:08,280

from the neighborhood I don't know where

445

00:19:12,169 --> 00:19:10,500

they came from but we all played

446

00:19:15,470 --> 00:19:12,179

together

447

00:19:19,430 --> 00:19:15,480

and there was a

448

00:19:22,310 --> 00:19:19,440

like a petite uh Asian woman there

449

00:19:25,070 --> 00:19:22,320

and we all called her Sue at the time we

450

00:19:27,230 --> 00:19:25,080

called her Sue because she reminded well

451  
00:19:30,230 --> 00:19:27,240  
she reminded me of the lady that lived

452  
00:19:32,390 --> 00:19:30,240  
in back of us who we all called Sue

453  
00:19:34,909 --> 00:19:32,400  
um who's Japanese

454  
00:19:38,870 --> 00:19:34,919  
and um

455  
00:19:41,990 --> 00:19:38,880  
so we called her Sue and uh I think that

456  
00:19:44,630 --> 00:19:42,000  
uh Sue and Betty are the same entity

457  
00:19:45,350 --> 00:19:44,640  
they're they're one in the same

458  
00:19:47,810 --> 00:19:45,360  
um

459  
00:19:51,350 --> 00:19:47,820  
and Betty came to visit me shortly

460  
00:19:55,010 --> 00:19:51,360  
before I published my first book

461  
00:19:58,789 --> 00:19:55,020  
and that was um

462  
00:20:01,070 --> 00:19:58,799  
that was uh an experience I uh I woke up

463  
00:20:04,130 --> 00:20:01,080

in my living room

464

00:20:06,710 --> 00:20:04,140

and at 2 30 in the morning

465

00:20:09,350 --> 00:20:06,720

and I didn't have never sleepwalked in

466

00:20:11,450 --> 00:20:09,360

my life but I simply woke up in my chair

467

00:20:14,690 --> 00:20:11,460

and I'm in my living room

468

00:20:16,130 --> 00:20:14,700

and uh it shocked me and I was surprised

469

00:20:17,990 --> 00:20:16,140

I'm like

470

00:20:20,570 --> 00:20:18,000

trying to figure this out I look over I

471

00:20:23,570 --> 00:20:20,580

glanced the alarms are all set the cat

472

00:20:25,970 --> 00:20:23,580

is all relaxed and seated across from me

473

00:20:29,150 --> 00:20:25,980

was a woman dressed in black

474

00:20:34,510 --> 00:20:29,160

uh about a little over four foot in

475

00:20:37,549 --> 00:20:34,520

height uh wearing uh like a black knit

476

00:20:40,909 --> 00:20:37,559

blouse black slacks that kind of flared

477

00:20:43,070 --> 00:20:40,919

at the leg at the ankles and uh like

478

00:20:45,110 --> 00:20:43,080

sturdy black nursing shoes they had kind

479

00:20:47,930 --> 00:20:45,120

of a high heel I think to compensate for

480

00:20:48,529 --> 00:20:47,940

her short stature

481

00:20:56,029 --> 00:20:48,539

um

482

00:20:58,789 --> 00:20:56,039

Black sunglasses that hit her eyes

483

00:21:00,830 --> 00:20:58,799

and she also wore an ill-fitted wig

484

00:21:02,750 --> 00:21:00,840

a black wig

485

00:21:04,549 --> 00:21:02,760

that was kind of sitting kind of a skew

486

00:21:07,010 --> 00:21:04,559

on top of her head

487

00:21:09,230 --> 00:21:07,020

and uh

488

00:21:11,870 --> 00:21:09,240

my first thought was

489

00:21:14,450 --> 00:21:11,880

uh I had again I had no Panic I had no

490

00:21:18,830 --> 00:21:14,460

fear I had that same relaxed almost

491

00:21:21,770 --> 00:21:18,840

semi-sedated feeling that I had in 1977.

492

00:21:23,390 --> 00:21:21,780

and my first thought was you know my God

493

00:21:26,150 --> 00:21:23,400

I wish you'd take those glasses off

494

00:21:26,870 --> 00:21:26,160

because I wanted to see your eyes

495

00:21:29,270 --> 00:21:26,880

um

496

00:21:31,850 --> 00:21:29,280

and her eyes were were black they

497

00:21:34,370 --> 00:21:31,860

weren't enormous they were about the

498

00:21:37,730 --> 00:21:34,380

size of a pair of wrap-around Ray-Bans

499

00:21:39,830 --> 00:21:37,740

uh but they were totally black

500

00:21:42,110 --> 00:21:39,840

you know other than that

501  
00:21:44,690 --> 00:21:42,120  
and the fact that the back of her head

502  
00:21:47,930 --> 00:21:44,700  
was bulbous that's why this wig didn't

503  
00:21:50,450 --> 00:21:47,940  
fit properly and uh

504  
00:21:52,070 --> 00:21:50,460  
uh I mean she walked down the streets of

505  
00:21:53,630 --> 00:21:52,080  
Dallas and probably not get a second

506  
00:21:56,450 --> 00:21:53,640  
look

507  
00:21:58,370 --> 00:21:56,460  
um but when she took off the glasses and

508  
00:22:01,549 --> 00:21:58,380  
I immediately recognized her as being

509  
00:22:04,190 --> 00:22:01,559  
that entity from when I was a kid

510  
00:22:08,029 --> 00:22:04,200  
um back in St Louis

511  
00:22:11,510 --> 00:22:08,039  
and I felt this odd affection for her

512  
00:22:14,149 --> 00:22:11,520  
um not in a romantic way in a

513  
00:22:15,110 --> 00:22:14,159

kind of a maternal way

514

00:22:17,830 --> 00:22:15,120

um

515

00:22:21,770 --> 00:22:17,840

and I said it's good to see you again

516

00:22:25,850 --> 00:22:21,780

and she said Terry it's good to see you

517

00:22:27,890 --> 00:22:25,860

and we had a telepathic conversation

518

00:22:29,750 --> 00:22:27,900

and that's when I remembered that's how

519

00:22:32,990 --> 00:22:29,760

we that's how we communicated when they

520

00:22:35,870 --> 00:22:33,000

used to take me when I was a little kid

521

00:22:36,770 --> 00:22:35,880

and I had I've had so many people email

522

00:22:39,649 --> 00:22:36,780

me

523

00:22:41,570 --> 00:22:39,659

uh who read that the first book uh

524

00:22:43,669 --> 00:22:41,580

they've emailed me to say you know I

525

00:22:46,010 --> 00:22:43,679

read your book and it reminded me you

526  
00:22:47,210 --> 00:22:46,020  
know I had a very similar experience and

527  
00:22:48,950 --> 00:22:47,220  
they go on and they tell me these

528  
00:22:50,570 --> 00:22:48,960  
amazing stories about their own their

529  
00:22:52,370 --> 00:22:50,580  
own experience

530  
00:22:54,710 --> 00:22:52,380  
and uh

531  
00:22:57,529 --> 00:22:54,720  
that was really that was really the

532  
00:22:59,630 --> 00:22:57,539  
Catalyst to write the second book I had

533  
00:23:03,290 --> 00:22:59,640  
some things I wanted to clear up

534  
00:23:06,049 --> 00:23:03,300  
from the first book but I had

535  
00:23:08,330 --> 00:23:06,059  
[Music]

536  
00:23:10,730 --> 00:23:08,340  
out of the well at the time it was about

537  
00:23:13,730 --> 00:23:10,740  
2 800 people that had emailed me and

538  
00:23:16,130 --> 00:23:13,740

sent me stories and I took about 400 of

539

00:23:18,710 --> 00:23:16,140

the very best stories that were sent to

540

00:23:20,450 --> 00:23:18,720

me stories about all kinds of things but

541

00:23:22,850 --> 00:23:20,460

mostly about dealing with UFOs and

542

00:23:25,669 --> 00:23:22,860

abductions and the like

543

00:23:27,590 --> 00:23:25,679

and I kind of uh distilled those down to

544

00:23:29,690 --> 00:23:27,600

about 50 of the best

545

00:23:33,110 --> 00:23:29,700

and then from those finally called it

546

00:23:35,750 --> 00:23:33,120

down to just 25 and I put those 25 I

547

00:23:38,990 --> 00:23:35,760

call them cases I put those 25 stories

548

00:23:41,090 --> 00:23:39,000

in in this book in the second book uh

549

00:23:42,950 --> 00:23:41,100

Devil's down the Reckoning

550

00:23:45,830 --> 00:23:42,960

and I um

551  
00:23:47,570 --> 00:23:45,840  
uh I tell these I tell if these Amaze

552  
00:23:50,390 --> 00:23:47,580  
these these people mailed me the most

553  
00:23:52,669 --> 00:23:50,400  
amazing Stories and uh I'll just I'll

554  
00:23:56,090 --> 00:23:52,679  
just give you a couple of examples and

555  
00:23:58,370 --> 00:23:56,100  
we'll go through some of these sure um

556  
00:24:01,250 --> 00:23:58,380  
the first case is called The Christmas

557  
00:24:03,710 --> 00:24:01,260  
Store and this was an 86 year old woman

558  
00:24:08,570 --> 00:24:03,720  
from Henderson Nevada

559  
00:24:10,130 --> 00:24:08,580  
who emailed me and uh told me that she

560  
00:24:11,930 --> 00:24:10,140  
had an experience that she's never

561  
00:24:12,830 --> 00:24:11,940  
shared with another human being in her

562  
00:24:16,250 --> 00:24:12,840  
life

563  
00:24:18,950 --> 00:24:16,260

but she wanted to share it with me and I

564

00:24:19,909 --> 00:24:18,960

thought what a privilege that is

565

00:24:22,190 --> 00:24:19,919

um

566

00:24:23,690 --> 00:24:22,200

so we exchanged a few emails and finally

567

00:24:25,430 --> 00:24:23,700

I said you know can we just talk by

568

00:24:27,770 --> 00:24:25,440

phone this is kind of cumbersome and she

569

00:24:30,289 --> 00:24:27,780

said yeah I prefer that too so I spoke

570

00:24:32,510 --> 00:24:30,299

with her by phone and I can tell you she

571

00:24:35,810 --> 00:24:32,520

was cognitively intact this woman was

572

00:24:39,409 --> 00:24:35,820

not uh had no signs of dementia or any

573

00:24:41,390 --> 00:24:39,419

age related cognitive illness she was as

574

00:24:44,630 --> 00:24:41,400

sharp as she could be

575

00:24:46,789 --> 00:24:44,640

and she said that in 1966

576

00:24:50,510 --> 00:24:46,799

she and she was newly married to her

577

00:24:52,490 --> 00:24:50,520

husband in um who was a nephrologist a

578

00:24:54,289 --> 00:24:52,500

kidney doctor and and they were married

579

00:24:55,490 --> 00:24:54,299

and they were residing in Las Vegas

580

00:24:58,610 --> 00:24:55,500

Nevada

581

00:25:00,830 --> 00:24:58,620

and they had family they both had family

582

00:25:03,350 --> 00:25:00,840

and friends in Reno

583

00:25:05,210 --> 00:25:03,360

and once a month he'd get a four day

584

00:25:07,610 --> 00:25:05,220

weekend because you know doctors they

585

00:25:09,110 --> 00:25:07,620

work 60 70 hours a week well to

586

00:25:10,549 --> 00:25:09,120

compensate for that he'd get a four day

587

00:25:13,909 --> 00:25:10,559

weekend every month

588

00:25:15,649 --> 00:25:13,919

and they would make the drive to Reno

589

00:25:18,049 --> 00:25:15,659

and uh

590

00:25:20,570 --> 00:25:18,059

the uh

591

00:25:21,680 --> 00:25:20,580

I forget how long she told me the drive

592

00:25:22,490 --> 00:25:21,690

was

593

00:25:23,330 --> 00:25:22,500

[Music]

594

00:25:25,930 --> 00:25:23,340

um

595

00:25:29,450 --> 00:25:25,940

but they would stop at the halfway point

596

00:25:31,130 --> 00:25:29,460

and there was a um again like a truck

597

00:25:34,070 --> 00:25:31,140

stop there

598

00:25:35,450 --> 00:25:34,080

and it was called the stagecoach

599

00:25:36,649 --> 00:25:35,460

at that time it was called the

600

00:25:38,750 --> 00:25:36,659

stagecoach

601  
00:25:40,549 --> 00:25:38,760  
and they would get gas there and they'd

602  
00:25:42,649 --> 00:25:40,559  
have a meal there and then finish the

603  
00:25:45,890 --> 00:25:42,659  
last leg of their of their trip so they

604  
00:25:49,549 --> 00:25:45,900  
get to their hotel in in Reno

605  
00:25:52,130 --> 00:25:49,559  
and I had some I had a a reader from uh

606  
00:25:55,789 --> 00:25:52,140  
Los Angeles Pardon Las Vegas

607  
00:25:57,590 --> 00:25:55,799  
email me and say it's still there it is

608  
00:25:59,630 --> 00:25:57,600  
still there well it's not called the

609  
00:26:01,370 --> 00:25:59,640  
stagecoach anymore now it's called the

610  
00:26:03,470 --> 00:26:01,380  
station

611  
00:26:05,149 --> 00:26:03,480  
um but yeah so it's it's still there

612  
00:26:08,810 --> 00:26:05,159  
sole place

613  
00:26:10,789 --> 00:26:08,820

so they uh they finished their meal they

614

00:26:12,230 --> 00:26:10,799

had I asked her they had no alcohol to

615

00:26:15,769 --> 00:26:12,240

drink

616

00:26:17,390 --> 00:26:15,779

um they got in their car they got back

617

00:26:19,549 --> 00:26:17,400

on the road

618

00:26:21,049 --> 00:26:19,559

and they started driving

619

00:26:23,029 --> 00:26:21,059

headed north

620

00:26:25,070 --> 00:26:23,039

and just kind of engaging into usual

621

00:26:26,750 --> 00:26:25,080

conversation this was a time for them to

622

00:26:28,850 --> 00:26:26,760

catch up on everything that's happened

623

00:26:31,190 --> 00:26:28,860

to them in the past week and say

624

00:26:32,990 --> 00:26:31,200

you know the the hours that he worked

625

00:26:34,669 --> 00:26:33,000

were just insane

626  
00:26:37,190 --> 00:26:34,679  
and uh

627  
00:26:40,789 --> 00:26:37,200  
they they crested a hill and often a

628  
00:26:44,149 --> 00:26:40,799  
distance ahead of them was this building

629  
00:26:47,090 --> 00:26:44,159  
that was covered with Christmas lights

630  
00:26:50,990 --> 00:26:47,100  
and I think this was March it wasn't the

631  
00:26:52,850 --> 00:26:51,000  
Christmas season it was March and uh

632  
00:26:54,529 --> 00:26:52,860  
she said I saw this place it was lit up

633  
00:26:55,970 --> 00:26:54,539  
like crazy and I thought you know well

634  
00:26:58,130 --> 00:26:55,980  
what is this

635  
00:27:00,230 --> 00:26:58,140  
and um

636  
00:27:01,789 --> 00:27:00,240  
she asked her husband she said Paul pull

637  
00:27:05,289 --> 00:27:01,799  
over I want to see I want to look at

638  
00:27:07,970 --> 00:27:05,299

this place and he pulled off the highway

639

00:27:10,310 --> 00:27:07,980

I say Highway it was really two-lane

640

00:27:11,930 --> 00:27:10,320

blacktop Road

641

00:27:14,930 --> 00:27:11,940

um pulled off on the shoulder of the

642

00:27:17,269 --> 00:27:14,940

road and here was this building

643

00:27:19,909 --> 00:27:17,279

uh not a huge building about the size of

644

00:27:22,610 --> 00:27:19,919

an average McDonald's

645

00:27:26,510 --> 00:27:22,620

um and it's interesting he remembered it

646

00:27:30,169 --> 00:27:26,520

being made uh of red brick and she

647

00:27:33,409 --> 00:27:30,179

remembers it being made of barn wood

648

00:27:35,690 --> 00:27:33,419

um it had kind of an overhang and uh

649

00:27:41,269 --> 00:27:35,700

like a front porch to it

650

00:27:43,250 --> 00:27:41,279

and there were a large and uh

651  
00:27:46,970 --> 00:27:43,260  
in large font

652  
00:27:49,970 --> 00:27:46,980  
Banner Style on top of the store was a

653  
00:27:51,950 --> 00:27:49,980  
sign that said The Christmas Store all

654  
00:27:53,450 --> 00:27:51,960  
in green

655  
00:27:55,430 --> 00:27:53,460  
and um

656  
00:27:58,310 --> 00:27:55,440  
she says it really shocked her because

657  
00:27:59,870 --> 00:27:58,320  
this was 1966 and she said it was the

658  
00:28:00,890 --> 00:27:59,880  
first time in her life she'd ever seen a

659  
00:28:02,990 --> 00:28:00,900  
storm

660  
00:28:04,909 --> 00:28:03,000  
devoted solely to the holiday of

661  
00:28:06,529 --> 00:28:04,919  
Christmas

662  
00:28:09,110 --> 00:28:06,539  
and uh

663  
00:28:10,789 --> 00:28:09,120

she said they they both it it just kind

664

00:28:11,990 --> 00:28:10,799

of Drew them in they got they got their

665

00:28:14,390 --> 00:28:12,000

attention

666

00:28:17,149 --> 00:28:14,400

and they're the inside of the place was

667

00:28:19,430 --> 00:28:17,159

lit up like crazy just insanely lit up

668

00:28:22,789 --> 00:28:19,440

it was she said it was like they had a

669

00:28:24,409 --> 00:28:22,799

dozen 100 watt light bulbs and lamps you

670

00:28:26,090 --> 00:28:24,419

know all over the place inside this

671

00:28:27,470 --> 00:28:26,100

building light was just pouring out of

672

00:28:29,930 --> 00:28:27,480

it

673

00:28:32,149 --> 00:28:29,940

and she said she noticed that she told

674

00:28:35,090 --> 00:28:32,159

her husband she said pull in

675

00:28:37,549 --> 00:28:35,100

and uh he had the car and park and he

676

00:28:39,169 --> 00:28:37,559

says where do I pull in too

677

00:28:42,590 --> 00:28:39,179

and they look closely and there was no

678

00:28:45,649 --> 00:28:42,600

parking pot the store was sitting on

679

00:28:48,350 --> 00:28:45,659

Sand and sagebrush

680

00:28:49,669 --> 00:28:48,360

and there were there was no entrance to

681

00:28:51,409 --> 00:28:49,679

it

682

00:28:55,430 --> 00:28:51,419

and um

683

00:28:58,250 --> 00:28:55,440

she said they both kind of uh

684

00:28:59,990 --> 00:28:58,260

had just a moment or two of she called

685

00:29:02,750 --> 00:29:00,000

it zoned out

686

00:29:05,269 --> 00:29:02,760

uh you know I asked her I said you know

687

00:29:07,549 --> 00:29:05,279

do you think you had missing time do you

688

00:29:09,470 --> 00:29:07,559

think that something happened that you

689

00:29:11,090 --> 00:29:09,480

can't remember

690

00:29:13,010 --> 00:29:11,100

and she says well I don't know how how

691

00:29:15,049 --> 00:29:13,020

would I know if that did happen to me

692

00:29:18,950 --> 00:29:15,059

yeah that's that's every bit of valid

693

00:29:23,510 --> 00:29:21,710

um anyway her husband Paul said well

694

00:29:25,070 --> 00:29:23,520

this this is silly this place obviously

695

00:29:27,169 --> 00:29:25,080

isn't open for business they must be

696

00:29:29,570 --> 00:29:27,179

working on it or something

697

00:29:31,789 --> 00:29:29,580

uh and there were there were no cars no

698

00:29:34,310 --> 00:29:31,799

no construction trucks no Vans nothing

699

00:29:37,250 --> 00:29:34,320

it was just sitting there

700

00:29:38,810 --> 00:29:37,260

and uh he got back on the highway and

701  
00:29:41,570 --> 00:29:38,820  
they continued North

702  
00:29:44,690 --> 00:29:41,580  
and they got to their hotel room

703  
00:29:47,389 --> 00:29:44,700  
and they were their normal routine was

704  
00:29:50,810 --> 00:29:47,399  
to go to the bar and have a drink and uh

705  
00:29:52,090 --> 00:29:50,820  
before going to bed and they were both

706  
00:29:54,769 --> 00:29:52,100  
um

707  
00:29:57,190 --> 00:29:54,779  
uncharacteristically exhausted

708  
00:30:00,350 --> 00:29:57,200  
you know they just wanted to go to bed

709  
00:30:03,769 --> 00:30:00,360  
and uh They Carried their stuff up they

710  
00:30:04,789 --> 00:30:03,779  
didn't bother to unpack uh and uh I

711  
00:30:07,130 --> 00:30:04,799  
think she said they didn't bother to

712  
00:30:10,310 --> 00:30:07,140  
undress they laid down on the bed and

713  
00:30:12,409 --> 00:30:10,320

both fell asleep like boom they were out

714

00:30:14,510 --> 00:30:12,419

uh she's I asked her did you have any

715

00:30:17,570 --> 00:30:14,520

weird dreams anything odd happened to

716

00:30:20,870 --> 00:30:17,580

you and she says no it just I I got a

717

00:30:22,909 --> 00:30:20,880

really good deep sleep and uh

718

00:30:25,250 --> 00:30:22,919

she said that they were usually up by 7

719

00:30:26,570 --> 00:30:25,260

A.M in the morning and they 10 o'clock

720

00:30:27,649 --> 00:30:26,580

in the morning their phone's ringing

721

00:30:30,409 --> 00:30:27,659

because their friends were trying to

722

00:30:31,850 --> 00:30:30,419

figure out where they're at

723

00:30:33,830 --> 00:30:31,860

so they get up and they really didn't

724

00:30:35,389 --> 00:30:33,840

talk about it and they didn't talk about

725

00:30:37,669 --> 00:30:35,399

it the whole weekend they had a nice

726

00:30:39,289 --> 00:30:37,679

long weekend with their friends

727

00:30:41,450 --> 00:30:39,299

and um

728

00:30:43,610 --> 00:30:41,460

they pack up and they're heading back to

729

00:30:45,169 --> 00:30:43,620

Las Vegas Leaving Reno

730

00:30:47,990 --> 00:30:45,179

and uh

731

00:30:52,250 --> 00:30:48,000

both of them were thinking about it and

732

00:30:53,810 --> 00:30:52,260

finally he says to her uh he says why

733

00:30:55,430 --> 00:30:53,820

don't we stop at that stupid Christmas

734

00:30:57,470 --> 00:30:55,440

store

735

00:30:59,149 --> 00:30:57,480

and she says yeah I was going to ask you

736

00:31:02,389 --> 00:30:59,159

to do that let's do that I'm just

737

00:31:04,669 --> 00:31:02,399

curious what what it is

738

00:31:08,269 --> 00:31:04,679

so they drove back and they got close to

739

00:31:10,250 --> 00:31:08,279

the stagecoach and um

740

00:31:11,990 --> 00:31:10,260

there was no Christmas store

741

00:31:13,730 --> 00:31:12,000

there was nothing

742

00:31:15,350 --> 00:31:13,740

and he's like you know where was this

743

00:31:17,930 --> 00:31:15,360

thing I'm sure it was right here and

744

00:31:22,430 --> 00:31:17,940

she's like yeah it wasn't it wasn't more

745

00:31:25,850 --> 00:31:22,440

than four miles north of the stagecoach

746

00:31:28,370 --> 00:31:25,860

so they went past it they turned around

747

00:31:30,950 --> 00:31:28,380

they went back again and then came back

748

00:31:32,510 --> 00:31:30,960

around the second time and it just was

749

00:31:35,330 --> 00:31:32,520

not there

750

00:31:38,570 --> 00:31:35,340

so they went they had they had a a lunch

751  
00:31:39,350 --> 00:31:38,580  
at the stagecoach and they asked uh

752  
00:31:39,950 --> 00:31:39,360  
the

753  
00:31:41,990 --> 00:31:39,960  
um

754  
00:31:45,169 --> 00:31:42,000  
the waitress they were they were known

755  
00:31:47,389 --> 00:31:45,179  
there you know hey when did uh

756  
00:31:51,470 --> 00:31:47,399  
when did the city put in a Christmas

757  
00:31:53,630 --> 00:31:51,480  
store when did uh when did that uh when

758  
00:31:55,130 --> 00:31:53,640  
did they start building that

759  
00:31:56,450 --> 00:31:55,140  
and she says I don't know what you're

760  
00:31:59,690 --> 00:31:56,460  
talking about

761  
00:32:01,310 --> 00:31:59,700  
and she says yeah when we left uh you

762  
00:32:03,950 --> 00:32:01,320  
know on Friday night we drove North

763  
00:32:06,409 --> 00:32:03,960

headed to Reno and we saw the store that

764

00:32:08,930 --> 00:32:06,419

was lit up like crazy and it said

765

00:32:10,549 --> 00:32:08,940

Christmas on top of it and it was a

766

00:32:14,029 --> 00:32:10,559

Christmas store

767

00:32:15,470 --> 00:32:14,039

and uh she says you know lady I don't

768

00:32:17,510 --> 00:32:15,480

know what you're talking about there are

769

00:32:18,830 --> 00:32:17,520

there are no new businesses

770

00:32:19,909 --> 00:32:18,840

um certainly there's not a Christmas

771

00:32:22,370 --> 00:32:19,919

store

772

00:32:26,090 --> 00:32:22,380

and um

773

00:32:27,649 --> 00:32:26,100

and uh that was it they left and uh

774

00:32:29,029 --> 00:32:27,659

they said well you know we're just going

775

00:32:32,810 --> 00:32:29,039

to forget about it well you know what

776

00:32:35,389 --> 00:32:32,820

they couldn't forget about it uh and um

777

00:32:36,950 --> 00:32:35,399

he refused to talk about it which is

778

00:32:38,630 --> 00:32:36,960

actually pretty common lots of times

779

00:32:40,310 --> 00:32:38,640

when two people share this weird

780

00:32:41,870 --> 00:32:40,320

experience

781

00:32:43,010 --> 00:32:41,880

that you know probably the weirdest

782

00:32:44,630 --> 00:32:43,020

experience one of the weirdest

783

00:32:46,789 --> 00:32:44,640

experiences they have in their lifetime

784

00:32:48,610 --> 00:32:46,799

they see something in the sky they have

785

00:32:51,590 --> 00:32:48,620

contact with something that's not human

786

00:32:53,630 --> 00:32:51,600

uh after the event they're reticent to

787

00:32:55,250 --> 00:32:53,640

talk about it and they're just they both

788

00:32:57,889 --> 00:32:55,260

just

789

00:32:59,870 --> 00:32:57,899

don't want to talk about it

790

00:33:01,909 --> 00:32:59,880

so she said that her husband had

791

00:33:04,250 --> 00:33:01,919

nightmares about it

792

00:33:06,830 --> 00:33:04,260

uh she didn't have nightmares but she

793

00:33:08,630 --> 00:33:06,840

had this these odd dream

794

00:33:11,570 --> 00:33:08,640

that um

795

00:33:13,009 --> 00:33:11,580

that uh they were back and she just it

796

00:33:14,810 --> 00:33:13,019

just goes through the motion like on a

797

00:33:17,570 --> 00:33:14,820

loop that they leave the stagecoach they

798

00:33:20,810 --> 00:33:17,580

drive past it she looks at it and they

799

00:33:23,509 --> 00:33:20,820

pull in and that's when the dream ends

800

00:33:26,029 --> 00:33:23,519

and I asked her uh

801  
00:33:28,970 --> 00:33:26,039  
I said do you think that you could have

802  
00:33:32,389 --> 00:33:28,980  
been objective is it possible that

803  
00:33:34,669 --> 00:33:32,399  
they came and and and took you

804  
00:33:37,250 --> 00:33:34,679  
and she says oh that's silly

805  
00:33:39,110 --> 00:33:37,260  
and then there's Applause

806  
00:33:40,310 --> 00:33:39,120  
and she says you know I really don't

807  
00:33:45,889 --> 00:33:40,320  
know

808  
00:33:47,990 --> 00:33:45,899  
um her husband was deceased

809  
00:33:49,669 --> 00:33:48,000  
unfortunately I'd like to have heard his

810  
00:33:50,330 --> 00:33:49,679  
story

811  
00:33:52,730 --> 00:33:50,340  
um

812  
00:33:55,310 --> 00:33:52,740  
and she said over the years she's kicked

813  
00:33:57,950 --> 00:33:55,320

herself for not uh for the two of them

814

00:33:59,389 --> 00:33:57,960

not talking about it and she said it'd

815

00:34:01,850 --> 00:33:59,399

been interesting since they both saw

816

00:34:03,769 --> 00:34:01,860

something a little bit different each of

817

00:34:05,450 --> 00:34:03,779

them independently draw a picture of

818

00:34:07,490 --> 00:34:05,460

what what they saw

819

00:34:10,849 --> 00:34:07,500

and compare them

820

00:34:12,530 --> 00:34:10,859

so um the the end of the story was I

821

00:34:14,570 --> 00:34:12,540

said well at the end of the day what is

822

00:34:17,210 --> 00:34:14,580

it you think you saw and she said I

823

00:34:20,570 --> 00:34:17,220

think it was a spaceship

824

00:34:21,950 --> 00:34:20,580

so uh there you go and I uh

825

00:34:25,970 --> 00:34:21,960

I said

826

00:34:28,369 --> 00:34:25,980

You Olivia for sharing your story with

827

00:34:30,710 --> 00:34:28,379

me and um

828

00:34:33,589 --> 00:34:30,720

she says you believe me don't you

829

00:34:35,629 --> 00:34:33,599

and I said you know Olivia I'm not here

830

00:34:40,010 --> 00:34:35,639

to judge the validity of anyone's story

831

00:34:43,430 --> 00:34:40,020

that uh you certainly sound honest to me

832

00:34:45,710 --> 00:34:43,440

and she says well you know I'm uh 86

833

00:34:48,050 --> 00:34:45,720

years old and she says 86 year old women

834

00:34:49,970 --> 00:34:48,060

don't make up fairy tales

835

00:34:53,270 --> 00:34:49,980

she says I promise I'm telling you the

836

00:34:55,310 --> 00:34:53,280

truth and and I believed her that's part

837

00:34:59,450 --> 00:34:55,320

of the reason she's number one in this

838

00:35:01,329 --> 00:34:59,460

list of cases that I put in here

839

00:35:04,190 --> 00:35:01,339

um

840

00:35:06,950 --> 00:35:04,200

can I interrupt I'm sorry if I wanted to

841

00:35:09,290 --> 00:35:06,960

um ask you a question just because you

842

00:35:12,170 --> 00:35:09,300

left me curious regarding your own

843

00:35:14,569 --> 00:35:12,180

experiences there uh is there any any

844

00:35:16,310 --> 00:35:14,579

more you could possibly share

845

00:35:18,410 --> 00:35:16,320

um if you remember anything specifically

846

00:35:29,230 --> 00:35:18,420

that was happening to you and your buddy

847

00:35:33,650 --> 00:35:32,030

and uh I felt like I was kind of

848

00:35:35,329 --> 00:35:33,660

short-changing the story to be honest

849

00:35:37,250 --> 00:35:35,339

with you because there was so much that

850

00:35:40,910 --> 00:35:37,260

happened that night

851  
00:35:43,069 --> 00:35:40,920  
um and you know I I I admit that I can

852  
00:35:44,810 --> 00:35:43,079  
get talking I can I can talk about this

853  
00:35:46,370 --> 00:35:44,820  
because it takes about four hours to

854  
00:35:47,810 --> 00:35:46,380  
tell the full story and everything that

855  
00:35:49,790 --> 00:35:47,820  
happened

856  
00:35:52,730 --> 00:35:49,800  
um but I'll condense it down and try to

857  
00:35:54,230 --> 00:35:52,740  
hit the highlights for you

858  
00:35:56,030 --> 00:35:54,240  
um yeah we're not we're not in a hurry

859  
00:35:59,510 --> 00:35:56,040  
whatever you feel comfortable with

860  
00:36:02,450 --> 00:35:59,520  
okay okay that's great for that yeah we

861  
00:36:07,609 --> 00:36:04,670  
I think I left off where we were both in

862  
00:36:09,650 --> 00:36:07,619  
the hospital they had separated us

863  
00:36:11,329 --> 00:36:09,660

and um

864

00:36:14,210 --> 00:36:11,339

we were told

865

00:36:16,550 --> 00:36:14,220

I had the hospital Commander the base

866

00:36:18,589 --> 00:36:16,560

commander and some gang civilian clothes

867

00:36:20,810 --> 00:36:18,599

I didn't know

868

00:36:22,730 --> 00:36:20,820

um came in and talked to me when I was

869

00:36:25,790 --> 00:36:22,740

in the treatment room

870

00:36:28,190 --> 00:36:25,800

and uh

871

00:36:30,530 --> 00:36:28,200

the the hospital Commander spoke very

872

00:36:32,390 --> 00:36:30,540

formally I mean I knew the guy there was

873

00:36:34,069 --> 00:36:32,400

that officer enlisted man distinction

874

00:36:35,089 --> 00:36:34,079

still

875

00:36:36,770 --> 00:36:35,099

um

876

00:36:38,510 --> 00:36:36,780

but he was very formal and he said

877

00:36:41,750 --> 00:36:38,520

Sergeant lovely sure to have no contact

878

00:36:44,030 --> 00:36:41,760

with senior Airman Tobias not verbally

879

00:36:45,829 --> 00:36:44,040

not in writing not by telephone not

880

00:36:47,750 --> 00:36:45,839

through a third party you're gonna have

881

00:36:49,609 --> 00:36:47,760

to send him anything in writing you're

882

00:36:51,349 --> 00:36:49,619

not to send him anything you're not to

883

00:36:53,630 --> 00:36:51,359

accept anything he might try to give to

884

00:36:55,370 --> 00:36:53,640

you if you're into Base Exchange and the

885

00:36:57,230 --> 00:36:55,380

two of you run into each other and the

886

00:37:00,589 --> 00:36:57,240

Frozen uh

887

00:37:03,410 --> 00:37:00,599

uh peas aisle you know you turn around

888

00:37:05,990 --> 00:37:03,420

and walk away immediately he says no

889

00:37:08,390 --> 00:37:06,000

contact means no contact and if you

890

00:37:10,310 --> 00:37:08,400

violate this order uh there will be

891

00:37:14,569 --> 00:37:10,320

consequences you know do you understand

892

00:37:16,910 --> 00:37:14,579

Sergeant Robles and I said yes sir I do

893

00:37:20,270 --> 00:37:16,920

and I didn't really understand of course

894

00:37:22,370 --> 00:37:20,280

none of this made any sense

895

00:37:25,370 --> 00:37:22,380

um but there is a there is a guy named

896

00:37:26,510 --> 00:37:25,380

Robert Hastings he's I think 83 years

897

00:37:29,150 --> 00:37:26,520

old now

898

00:37:30,650 --> 00:37:29,160

but he wrote a great book called UFOs

899

00:37:36,050 --> 00:37:30,660

and nukes

900

00:37:39,890 --> 00:37:36,060

and for 30 years he made it his um

901  
00:37:42,170 --> 00:37:39,900  
mission in life to talk to people from

902  
00:37:44,870 --> 00:37:42,180  
look from military installations that

903  
00:37:47,690 --> 00:37:44,880  
were nuclear Lightman was and still is

904  
00:37:51,950 --> 00:37:47,700  
nuclear base when I was there they had

905  
00:37:55,250 --> 00:37:51,960  
Minutemen two missiles ICB and missiles

906  
00:37:57,349 --> 00:37:55,260  
and they had a squadron of B-52s harmed

907  
00:38:00,290 --> 00:37:57,359  
with nuclear weapons

908  
00:38:00,829 --> 00:38:00,300  
so um for some reason

909  
00:38:03,530 --> 00:38:00,839  
um

910  
00:38:06,950 --> 00:38:03,540  
E.T tends to show up

911  
00:38:07,810 --> 00:38:06,960  
in these military bases and these even

912  
00:38:10,790 --> 00:38:07,820  
even

913  
00:38:12,770 --> 00:38:10,800

facilities uh Power Generation

914

00:38:17,270 --> 00:38:12,780

facilities that are that are nuclear

915

00:38:19,550 --> 00:38:17,280

have more than their fair share of uh of

916

00:38:22,670 --> 00:38:19,560

interaction with non-human entities you

917

00:38:25,670 --> 00:38:22,680

know things in the sky odd things happen

918

00:38:27,950 --> 00:38:25,680

so you know Robert Hastings told me he

919

00:38:30,230 --> 00:38:27,960

said you know this is standard procedure

920

00:38:31,609 --> 00:38:30,240

in the military you know if you got if

921

00:38:34,010 --> 00:38:31,619

you got two guys you know like

922

00:38:34,970 --> 00:38:34,020

yourselves and the two of you see this

923

00:38:37,010 --> 00:38:34,980

event

924

00:38:39,410 --> 00:38:37,020

when the two of you get together you can

925

00:38:42,470 --> 00:38:39,420

each bolster one another's story

926  
00:38:44,329 --> 00:38:42,480  
and it's a much more believable story if

927  
00:38:46,130 --> 00:38:44,339  
you tell it together than if you tell it

928  
00:38:49,190 --> 00:38:46,140  
separately

929  
00:38:51,770 --> 00:38:49,200  
so they separated the two of us put me

930  
00:38:54,190 --> 00:38:51,780  
to work in a supply

931  
00:38:58,430 --> 00:38:54,200  
at a supply job in a different Squadron

932  
00:39:01,370 --> 00:38:58,440  
and while they cut Toby orders to Japan

933  
00:39:03,710 --> 00:39:01,380  
and they had him whom he was he was off

934  
00:39:07,010 --> 00:39:03,720  
base in four weeks and headed to Japan I

935  
00:39:09,710 --> 00:39:07,020  
mean they cut his orders at light speed

936  
00:39:12,109 --> 00:39:09,720  
um and uh Robert Hastings says that's

937  
00:39:14,329 --> 00:39:12,119  
absolutely and absolutely the way it

938  
00:39:16,250 --> 00:39:14,339

works and then I I've had all kinds of

939

00:39:18,950 --> 00:39:16,260

people email me come up to me at

940

00:39:21,230 --> 00:39:18,960

conferences and say yeah you know I saw

941

00:39:23,150 --> 00:39:21,240

something and you know there were three

942

00:39:25,190 --> 00:39:23,160

of us there were two of us however many

943

00:39:26,690 --> 00:39:25,200

there were

944

00:39:29,030 --> 00:39:26,700

um I call it the band breaks up

945

00:39:31,069 --> 00:39:29,040

everybody goes in different directions

946

00:39:33,290 --> 00:39:31,079

and um

947

00:39:35,210 --> 00:39:33,300

I might mention two because I think it's

948

00:39:37,550 --> 00:39:35,220

it's important when we're talking about

949

00:39:39,230 --> 00:39:37,560

this these kind of things to look for

950

00:39:41,030 --> 00:39:39,240

commonalities I like to look for

951  
00:39:43,550 --> 00:39:41,040  
patterns

952  
00:39:45,290 --> 00:39:43,560  
um I'm kind of a data guy and I like to

953  
00:39:47,870 --> 00:39:45,300  
keep track of those things and I think

954  
00:39:51,310 --> 00:39:47,880  
helps me make sense of things

955  
00:39:56,930 --> 00:39:51,320  
one of the commonalities amongst among

956  
00:40:01,550 --> 00:39:59,089  
well Toby and I were good friends we

957  
00:40:04,010 --> 00:40:01,560  
worked together we were both newly

958  
00:40:06,589 --> 00:40:04,020  
married our wives were friends we would

959  
00:40:09,530 --> 00:40:06,599  
play cards you know on our days off or

960  
00:40:11,690 --> 00:40:09,540  
play volleyball or you know do something

961  
00:40:13,609 --> 00:40:11,700  
together and

962  
00:40:15,170 --> 00:40:13,619  
um you know we were just we were just

963  
00:40:18,349 --> 00:40:15,180

friends

964

00:40:20,390 --> 00:40:18,359

that relationship changed

965

00:40:22,490 --> 00:40:20,400

um I don't know what hell happened to us

966

00:40:25,970 --> 00:40:22,500

on that on that ship

967

00:40:28,190 --> 00:40:25,980

but um that relationship changed

968

00:40:30,050 --> 00:40:28,200

and uh

969

00:40:32,150 --> 00:40:30,060

I couldn't reconcile it then I can't

970

00:40:33,290 --> 00:40:32,160

reconcile it now but I wanted nothing to

971

00:40:36,290 --> 00:40:33,300

do with the guy

972

00:40:38,990 --> 00:40:36,300

and and I don't get that

973

00:40:41,089 --> 00:40:39,000

but um but that that was the takeaway

974

00:40:43,310 --> 00:40:41,099

that's what I had

975

00:40:46,130 --> 00:40:43,320

and uh

976  
00:40:47,210 --> 00:40:46,140  
I was told not to have any contact with

977  
00:40:50,630 --> 00:40:47,220  
Toby

978  
00:40:52,730 --> 00:40:50,640  
but I told my wife uh we both have 30

979  
00:40:56,450 --> 00:40:52,740  
days off duty because we were we were

980  
00:40:59,030 --> 00:40:56,460  
hurt we were sick I had nausea I had we

981  
00:41:00,950 --> 00:40:59,040  
both suffered this thing called uh flash

982  
00:41:02,390 --> 00:41:00,960  
Burns to the eyes

983  
00:41:04,849 --> 00:41:02,400  
and

984  
00:41:06,410 --> 00:41:04,859  
it's the same injury that an arc welder

985  
00:41:09,430 --> 00:41:06,420  
would get if they didn't wear that hood

986  
00:41:12,890 --> 00:41:09,440  
over their head with the smoke glass

987  
00:41:14,390 --> 00:41:12,900  
and it's it's basically a sunburn to the

988  
00:41:16,310 --> 00:41:14,400

cornea of the eye

989

00:41:18,589 --> 00:41:16,320

and it's very painful feels like you

990

00:41:20,270 --> 00:41:18,599

have like you have sand in your eyes

991

00:41:23,030 --> 00:41:20,280

and

992

00:41:25,430 --> 00:41:23,040

it just takes it takes a while to heal

993

00:41:27,109 --> 00:41:25,440

and you're very photophobic the lights

994

00:41:30,470 --> 00:41:27,119

just

995

00:41:31,430 --> 00:41:30,480

hurt your eyes like terribly

996

00:41:33,829 --> 00:41:31,440

um

997

00:41:37,069 --> 00:41:33,839

so I'm recovering from that

998

00:41:39,230 --> 00:41:37,079

and uh been off about two weeks

999

00:41:41,150 --> 00:41:39,240

and um

1000

00:41:42,950 --> 00:41:41,160

I told my wife I said I want to stop by

1001  
00:41:44,510 --> 00:41:42,960  
and say goodbye to Toby

1002  
00:41:46,910 --> 00:41:44,520  
and she says Dear you know you got

1003  
00:41:48,770 --> 00:41:46,920  
orders not to do that

1004  
00:41:50,930 --> 00:41:48,780  
she says you know don't play with these

1005  
00:41:52,730 --> 00:41:50,940  
people they scare me and I said yeah I

1006  
00:41:54,290 --> 00:41:52,740  
know they scare me too

1007  
00:41:56,569 --> 00:41:54,300  
I said I'll tell you the truth I'm not

1008  
00:41:58,190 --> 00:41:56,579  
really interested in seeing them but I

1009  
00:42:00,109 --> 00:41:58,200  
feel like I work with this guy for a

1010  
00:42:01,970 --> 00:42:00,119  
couple of years I feel like I at least

1011  
00:42:04,010 --> 00:42:01,980  
owe him a handshake and say goodbye good

1012  
00:42:05,030 --> 00:42:04,020  
luck have you know have a good tour in

1013  
00:42:06,890 --> 00:42:05,040

Japan

1014

00:42:08,750 --> 00:42:06,900

and uh

1015

00:42:13,310 --> 00:42:08,760

and then I'll be done and I really

1016

00:42:15,530 --> 00:42:13,320

thought that mentally that that would uh

1017

00:42:17,390 --> 00:42:15,540

that would give me closure to this thing

1018

00:42:19,010 --> 00:42:17,400

that would somehow kind of neatly wrap

1019

00:42:21,050 --> 00:42:19,020

it up in a package

1020

00:42:24,349 --> 00:42:21,060

and I could put it aside and go on my

1021

00:42:26,690 --> 00:42:24,359

life because uh uh

1022

00:42:27,950 --> 00:42:26,700

I guess both of us were struggling at

1023

00:42:29,089 --> 00:42:27,960

the time

1024

00:42:30,950 --> 00:42:29,099

um

1025

00:42:32,990 --> 00:42:30,960

and uh

1026

00:42:35,750 --> 00:42:33,000

reluctantly she stayed in the car we

1027

00:42:38,390 --> 00:42:35,760

pulled over and I ran up to Toby's house

1028

00:42:41,390 --> 00:42:38,400

like I said we both lived in NCO housing

1029

00:42:43,690 --> 00:42:41,400

so we were just about uh six blocks

1030

00:42:46,609 --> 00:42:43,700

apart from one another

1031

00:42:50,390 --> 00:42:46,619

so I ran up to the door door I'd been

1032

00:42:51,829 --> 00:42:50,400

through you know a hundred times and I

1033

00:42:53,930 --> 00:42:51,839

did what I always did I knocked three

1034

00:42:55,670 --> 00:42:53,940

times I opened the door because it was

1035

00:42:57,410 --> 00:42:55,680

always unlocked and I yelled hey guys

1036

00:42:59,329 --> 00:42:57,420

it's me

1037

00:42:59,930 --> 00:42:59,339

and I came in

1038

00:43:01,849 --> 00:42:59,940

um

1039

00:43:04,370 --> 00:43:01,859

and his wife

1040

00:43:05,809 --> 00:43:04,380

was walked past me she was carrying a

1041

00:43:08,390 --> 00:43:05,819

box they were they were packing and

1042

00:43:10,370 --> 00:43:08,400

getting ready to move

1043

00:43:12,290 --> 00:43:10,380

and she just glared at me and said you

1044

00:43:14,089 --> 00:43:12,300

know you're not supposed to be here and

1045

00:43:16,130 --> 00:43:14,099

I said I know I'm not here to confront

1046

00:43:19,430 --> 00:43:16,140

anybody I just want to wish you guys

1047

00:43:21,710 --> 00:43:19,440

well and you know shake Toby's hand and

1048

00:43:24,650 --> 00:43:21,720

wish you guys good luck

1049

00:43:27,470 --> 00:43:24,660

and um Toby heard me

1050

00:43:29,270 --> 00:43:27,480

uh and he was in the back bedroom he

1051

00:43:32,210 --> 00:43:29,280

came around the corner and walked up the

1052

00:43:37,010 --> 00:43:32,220

hallway toward the the uh

1053

00:43:38,270 --> 00:43:37,020

like the entryway to the house and uh I

1054

00:43:40,550 --> 00:43:38,280

was shocked I was shocked by his

1055

00:43:42,290 --> 00:43:40,560

appearance because he was one of these

1056

00:43:44,390 --> 00:43:42,300

guys that you know he always looked good

1057

00:43:46,010 --> 00:43:44,400

his hair was always perfect you know I

1058

00:43:48,410 --> 00:43:46,020

always had

1059

00:43:50,150 --> 00:43:48,420

um you know nice clothes he just he

1060

00:43:51,650 --> 00:43:50,160

always looked nice he cared about his

1061

00:43:54,050 --> 00:43:51,660

personal appearance where you know where

1062

00:43:55,609 --> 00:43:54,060

I was kind of a slob he was kind of the

1063

00:43:57,410 --> 00:43:55,619

complete opposite

1064

00:44:00,050 --> 00:43:57,420

and um

1065

00:44:01,730 --> 00:44:00,060

and he looked he looked terrible uh his

1066

00:44:02,329 --> 00:44:01,740

hair was all wonky

1067

00:44:04,010 --> 00:44:02,339

um

1068

00:44:05,870 --> 00:44:04,020

he had a you know like a three-day

1069

00:44:07,670 --> 00:44:05,880

growth of beer which I'd never seen on

1070

00:44:09,170 --> 00:44:07,680

him before

1071

00:44:10,970 --> 00:44:09,180

um now granted I cut him some slack

1072

00:44:13,910 --> 00:44:10,980

because they were moving but uh you know

1073

00:44:15,170 --> 00:44:13,920

I had a 32 shirt dirty dirty jeans and

1074

00:44:15,770 --> 00:44:15,180

just

1075

00:44:18,410 --> 00:44:15,780

um

1076

00:44:20,089 --> 00:44:18,420

I was just shocked by his appearance

1077

00:44:22,430 --> 00:44:20,099

and I think I was shocked to see him

1078

00:44:25,069 --> 00:44:22,440

again for some reason

1079

00:44:27,589 --> 00:44:25,079

and he walked up to me and I I could see

1080

00:44:30,650 --> 00:44:27,599

that he was uncomfortable too

1081

00:44:32,450 --> 00:44:30,660

and uh I stuck stuck my hand out was

1082

00:44:35,390 --> 00:44:32,460

going to shake his hand and he stuck his

1083

00:44:37,690 --> 00:44:35,400

hand out at the same time and we missed

1084

00:44:41,270 --> 00:44:37,700

connections and then finally made this

1085

00:44:43,550 --> 00:44:41,280

inelegant kind of handshake and uh

1086

00:44:45,230 --> 00:44:43,560

I said yeah I hear you're going to Japan

1087

00:44:48,950 --> 00:44:45,240

I just want to wish you guys best of

1088

00:44:51,170 --> 00:44:48,960

luck and it's been nice working with you

1089

00:44:53,930 --> 00:44:51,180

and uh

1090

00:44:58,250 --> 00:44:53,940

he I'm six foot even even he's about

1091

00:44:59,030 --> 00:44:58,260

five nine uh and he looked up at me and

1092

00:45:00,650 --> 00:44:59,040

um

1093

00:45:02,990 --> 00:45:00,660

well first thing I noticed was he had

1094

00:45:05,750 --> 00:45:03,000

Liquor on his breath and that was very

1095

00:45:07,790 --> 00:45:05,760

out of character for Toby I mean this

1096

00:45:10,130 --> 00:45:07,800

was two o'clock in the afternoon and he

1097

00:45:12,290 --> 00:45:10,140

was not a drinker you know I never knew

1098

00:45:14,569 --> 00:45:12,300

him to drink more than a beer beer and a

1099

00:45:16,910 --> 00:45:14,579

half if we were at some event or playing

1100

00:45:18,710 --> 00:45:16,920

cards or something he just wasn't a

1101

00:45:21,109 --> 00:45:18,720

drinker uh

1102

00:45:23,990 --> 00:45:21,119

and his eyes were all bloodshot

1103

00:45:26,930 --> 00:45:24,000

and uh

1104

00:45:28,730 --> 00:45:26,940

he asked me he said it happened didn't

1105

00:45:30,650 --> 00:45:28,740

it Terry

1106

00:45:33,829 --> 00:45:30,660

and I said yes my brother it really

1107

00:45:36,890 --> 00:45:33,839

happened you're not losing your mind

1108

00:45:40,069 --> 00:45:36,900

and he said yeah but but why us

1109

00:45:43,609 --> 00:45:40,079

and I said man I ain't got a clue and I

1110

00:45:46,010 --> 00:45:43,619

I turned and I ran from the house and um

1111

00:45:48,470 --> 00:45:46,020

hop back in the car I thought my heart

1112

00:45:51,109 --> 00:45:48,480

was going to jump out of my chest

1113

00:45:52,190 --> 00:45:51,119

and uh you know if I thought that that

1114

00:45:54,710 --> 00:45:52,200

was going to bring me any kind of

1115

00:45:56,089 --> 00:45:54,720

closure or piece I was I was wrong it

1116

00:45:57,170 --> 00:45:56,099

did not it brought me nothing but

1117

00:46:00,890 --> 00:45:57,180

anxiety

1118

00:46:02,930 --> 00:46:00,900

and uh for years I've had you know

1119

00:46:05,650 --> 00:46:02,940

nightmares so I think we both Toby and I

1120

00:46:08,089 --> 00:46:05,660

both suffered from PTSD

1121

00:46:11,809 --> 00:46:08,099

nightmares about that event

1122

00:46:16,130 --> 00:46:11,819

and about being on this thing and uh

1123

00:46:18,050 --> 00:46:16,140

everything that that came with it

1124

00:46:21,470 --> 00:46:18,060

so uh

1125

00:46:23,210 --> 00:46:21,480

yeah well Terry what was it that

1126

00:46:25,670 --> 00:46:23,220

Disturbed him

1127

00:46:27,950 --> 00:46:25,680

more than it Disturbed you I mean do you

1128

00:46:29,450 --> 00:46:27,960

have any recollection of maybe seeing

1129

00:46:31,849 --> 00:46:29,460

him what was happening to you guys on

1130

00:46:33,770 --> 00:46:31,859

that ship or can you make any kind of

1131

00:46:35,870 --> 00:46:33,780

connection of you know why did it just

1132

00:46:37,970 --> 00:46:35,880

shot him more than it did you

1133

00:46:40,550 --> 00:46:37,980

I think that they whatever they did to

1134

00:46:43,190 --> 00:46:40,560

me I think they gave Toby a double

1135

00:46:44,930 --> 00:46:43,200

measure because he was hurt worse than I

1136

00:46:47,210 --> 00:46:44,940

was

1137

00:46:50,210 --> 00:46:47,220

um but I think we both came away from

1138

00:46:52,190 --> 00:46:50,220

this thing wounded more wounded than we

1139

00:46:56,809 --> 00:46:52,200

probably wanted to admit

1140

00:46:58,849 --> 00:46:56,819

and uh I struggled with it and still do

1141

00:47:00,170 --> 00:46:58,859

you know I'm 68 I still sleep with a

1142

00:47:02,510 --> 00:47:00,180

light on at night

1143

00:47:06,410 --> 00:47:02,520

uh you know I gotta have the closet door

1144

00:47:08,150 --> 00:47:06,420

and the bedroom door closed uh I um I

1145

00:47:10,309 --> 00:47:08,160

have to check the house before I go to

1146

00:47:12,770 --> 00:47:10,319

bed at night and make sure everything's

1147

00:47:14,690 --> 00:47:12,780

locked up tight

1148

00:47:17,030 --> 00:47:14,700

um I can't cut across an open field

1149

00:47:20,030 --> 00:47:17,040

that's a weird one I I can't

1150

00:47:21,950 --> 00:47:20,040

I can't stand the idea of being out in

1151

00:47:24,230 --> 00:47:21,960

the open especially by myself I feel

1152

00:47:26,990 --> 00:47:24,240

vulnerable and I really will have a

1153

00:47:34,609 --> 00:47:31,130

I was uh the year was 1987.

1154

00:47:35,690 --> 00:47:34,619

and in 1987 I had an event of missing

1155

00:47:38,569 --> 00:47:35,700

time

1156

00:47:41,450 --> 00:47:38,579

on a motorcycle ride this was 10 years

1157

00:47:46,730 --> 00:47:41,460

after the event I had nothing happen

1158

00:47:48,910 --> 00:47:46,740

from 1987 to 1980s from 1977 1987 those

1159

00:47:51,230 --> 00:47:48,920

10 years were peaceful nothing

1160

00:47:55,790 --> 00:47:51,240

paranormal or weird happening in my life

1161

00:47:57,770 --> 00:47:55,800

at all and then in 1987 for some reason

1162

00:48:03,349 --> 00:47:57,780

uh

1163

00:48:05,569 --> 00:48:03,359

the weird things started again you know

1164

00:48:08,089 --> 00:48:05,579

my wife who's never had she's had

1165

00:48:11,809 --> 00:48:08,099

exactly one experience in her life

1166

00:48:14,210 --> 00:48:11,819

and that was in 1987.

1167

00:48:15,290 --> 00:48:14,220

and she woke up in the middle of the

1168

00:48:17,329 --> 00:48:15,300

night

1169

00:48:19,670 --> 00:48:17,339

and the foot of our bed

1170

00:48:21,950 --> 00:48:19,680

was was against a window

1171

00:48:23,390 --> 00:48:21,960

and there was a it was we were on the

1172

00:48:24,950 --> 00:48:23,400

second floor there was a street light

1173

00:48:27,710 --> 00:48:24,960

outside

1174

00:48:29,930 --> 00:48:27,720

so she saw I saw a woman who was

1175

00:48:31,130 --> 00:48:29,940

silhouetted against that window that was

1176

00:48:34,010 --> 00:48:31,140

backlit

1177

00:48:35,930 --> 00:48:34,020

and appeared to have a hood on her head

1178

00:48:39,410 --> 00:48:35,940

like a like a hoodie you know a little

1179

00:48:42,000 --> 00:48:39,420

point on top of her head she said

1180

00:48:44,329 --> 00:48:42,010

she got the vibe that this was a female

1181

00:48:45,770 --> 00:48:44,339

[Music]

1182

00:48:48,829 --> 00:48:45,780

um four foot tall

1183

00:48:52,010 --> 00:48:48,839

and it spoke to her like I said I wasn't

1184

00:48:53,150 --> 00:48:52,020

in the bed she doesn't know where I was

1185

00:48:56,809 --> 00:48:53,160

uh

1186

00:48:58,190 --> 00:48:56,819

but she said that the this thing she

1187

00:49:01,010 --> 00:48:58,200

called it a thing

1188

00:49:03,170 --> 00:49:01,020

spoke to her telepathically said her you

1189

00:49:05,569 --> 00:49:03,180

know she didn't hear her with her ears

1190

00:49:07,730 --> 00:49:05,579

she heard her inside her head and this

1191

00:49:10,430 --> 00:49:07,740

thing said told her everything is okay

1192

00:49:12,589 --> 00:49:10,440

go back to sleep

1193

00:49:14,329 --> 00:49:12,599

and that's what she did she rolled over

1194

00:49:16,790 --> 00:49:14,339

and went back to sleep

1195

00:49:20,450 --> 00:49:16,800

and woke up the next morning and didn't

1196

00:49:22,730 --> 00:49:20,460

remember it until that afternoon and uh

1197

00:49:25,270 --> 00:49:22,740

you know she made some notes about it

1198

00:49:28,430 --> 00:49:25,280

and she had saved a

1199

00:49:30,829 --> 00:49:28,440

newspaper not a newspaper a magazine

1200

00:49:32,210 --> 00:49:30,839

clipping about the Betty and Barney Hill

1201

00:49:36,109 --> 00:49:32,220

story

1202

00:49:37,609 --> 00:49:36,119

and she cut that out of uh like magazine

1203

00:49:40,010 --> 00:49:37,619

or look

1204

00:49:40,970 --> 00:49:40,020

look or like look magazine I think it

1205

00:49:44,930 --> 00:49:40,980

was called

1206

00:49:47,089 --> 00:49:44,940

and uh and saved it you know and it was

1207

00:49:51,410 --> 00:49:47,099

four or five years well this this was

1208

00:49:53,569 --> 00:49:51,420

1987 and that that event happened and uh

1209

00:49:56,870 --> 00:49:53,579

Betty and Barney Hill happened

1210

00:49:59,150 --> 00:49:56,880

I can't remember 1972 or something uh

1211

00:50:01,069 --> 00:49:59,160

it's maybe 73 I'm not sure I don't I

1212

00:50:02,510 --> 00:50:01,079

don't recall the exact year

1213

00:50:08,750 --> 00:50:02,520

uh

1214

00:50:10,670 --> 00:50:08,760

she showed me showed it to me the next

1215

00:50:12,589 --> 00:50:10,680

day and said

1216

00:50:14,329 --> 00:50:12,599

you know

1217

00:50:16,370 --> 00:50:14,339

and she told me about her experience and

1218

00:50:18,829 --> 00:50:16,380

seeing the sanctity in the room

1219

00:50:22,010 --> 00:50:18,839

and I read this Betty and Barney Hill

1220

00:50:23,809 --> 00:50:22,020

story and gave it back to her and you

1221

00:50:25,849 --> 00:50:23,819

know we never talked about this stuff

1222

00:50:28,069 --> 00:50:25,859

because every time we did I'd had

1223

00:50:30,410 --> 00:50:28,079

nightmares like crazy

1224

00:50:31,430 --> 00:50:30,420

but I told her yeah that you know I

1225

00:50:33,890 --> 00:50:31,440

don't know

1226

00:50:36,770 --> 00:50:33,900

I mean anything is possible

1227

00:50:38,809 --> 00:50:36,780

wow and then that that was that was a

1228

00:50:40,730 --> 00:50:38,819

Saturday night that next Sunday morning

1229

00:50:44,750 --> 00:50:40,740

I got up and I went for a motorcycle

1230

00:50:46,550 --> 00:50:44,760

ride it was like September October in

1231

00:50:50,510 --> 00:50:46,560

Michigan it was beautiful motorcycle

1232

00:50:54,470 --> 00:50:50,520

weather and I got up and I would

1233

00:50:56,150 --> 00:50:54,480

that was my weekly way to unwind I go

1234

00:50:58,430 --> 00:50:56,160

out on my bike and

1235

00:51:00,650 --> 00:50:58,440

you know right about an hour and come

1236

00:51:02,569 --> 00:51:00,660

back home and then I'd make you know

1237

00:51:04,910 --> 00:51:02,579

pancakes for the family and that was

1238

00:51:07,130 --> 00:51:04,920

kind of a ritual we went to

1239

00:51:09,650 --> 00:51:07,140

but I was always home by 11 and I mean

1240

00:51:11,089 --> 00:51:09,660

I'm known for being prompt if I tell you

1241

00:51:13,849 --> 00:51:11,099

I'm going to be somewhere I will be

1242

00:51:15,530 --> 00:51:13,859

there and I'll be there on time

1243

00:51:17,870 --> 00:51:15,540

and uh

1244

00:51:33,530 --> 00:51:17,880

I

1245

00:51:35,450 --> 00:51:33,540

hour and uh and have a little fun on it

1246

00:51:36,950 --> 00:51:35,460

and there was some nice turns and hills

1247

00:51:37,790 --> 00:51:36,960

and

1248

00:51:41,770 --> 00:51:37,800

um

1249

00:51:45,710 --> 00:51:41,780

I remember at one minute I am I am

1250

00:51:48,589 --> 00:51:45,720

decelerating I've been up to about uh

1251  
00:51:50,630 --> 00:51:48,599  
80 something and I I knew that there was

1252  
00:51:52,670 --> 00:51:50,640  
a traveled many times I knew that there

1253  
00:51:54,829 --> 00:51:52,680  
was a fairly sharp turn coming up on

1254  
00:51:57,230 --> 00:51:54,839  
about a half a mile and I'm throttling

1255  
00:52:00,109 --> 00:51:57,240  
back to lower my speed

1256  
00:52:03,530 --> 00:52:00,119  
and it's like I blinked and opened my

1257  
00:52:07,010 --> 00:52:03,540  
eyes and I'm on my bike doing 30 miles

1258  
00:52:11,569 --> 00:52:07,020  
an hour down a gravel road

1259  
00:52:14,150 --> 00:52:11,579  
and I'm like whoa how did I get here I

1260  
00:52:16,970 --> 00:52:14,160  
mean I can sometimes be absent-minded

1261  
00:52:19,190 --> 00:52:16,980  
but not not this bad you know

1262  
00:52:21,650 --> 00:52:19,200  
and uh

1263  
00:52:24,170 --> 00:52:21,660

the thing about missing time is

1264

00:52:26,930 --> 00:52:24,180

it's absolutely seamless

1265

00:52:29,569 --> 00:52:26,940

there is there is no break there is no

1266

00:52:31,790 --> 00:52:29,579

it's like they took two ends of Motion

1267

00:52:33,530 --> 00:52:31,800

Picture film and and

1268

00:52:35,750 --> 00:52:33,540

put them together

1269

00:52:37,730 --> 00:52:35,760

uh so when I say seamless I mean

1270

00:52:39,349 --> 00:52:37,740

absolutely seamless it was just one

1271

00:52:41,210 --> 00:52:39,359

scene to the next

1272

00:52:44,030 --> 00:52:41,220

and I just chalked it up to be an

1273

00:52:46,010 --> 00:52:44,040

absent-minded I knew that no way would I

1274

00:52:48,230 --> 00:52:46,020

take that bike on a gravel road because

1275

00:52:50,990 --> 00:52:48,240

riding a gravel is dangerous and I

1276

00:52:54,230 --> 00:52:51,000

didn't want to chip my paint job so uh

1277

00:52:57,290 --> 00:52:54,240

strictly on Blacktop

1278

00:52:59,750 --> 00:52:57,300

I got home and I was an hour late

1279

00:53:02,089 --> 00:52:59,760

my wife was in tears and was ready to

1280

00:53:02,809 --> 00:53:02,099

call the State Patrol

1281

00:53:05,870 --> 00:53:02,819

um

1282

00:53:07,790 --> 00:53:05,880

and she is flipping out and like where

1283

00:53:10,670 --> 00:53:07,800

have you been

1284

00:53:13,609 --> 00:53:10,680

and I'm like that usual Sunday morning

1285

00:53:15,470 --> 00:53:13,619

thing I've been on my ride

1286

00:53:17,150 --> 00:53:15,480

and uh

1287

00:53:19,730 --> 00:53:17,160

I couldn't understand why she was so

1288

00:53:22,130 --> 00:53:19,740

upset and then I found out that yeah I

1289

00:53:23,809 --> 00:53:22,140

had been gone an hour later than I was

1290

00:53:25,790 --> 00:53:23,819

supposed to be gone

1291

00:53:30,290 --> 00:53:25,800

and uh

1292

00:53:32,150 --> 00:53:30,300

so I had that hour of missing time

1293

00:53:35,329 --> 00:53:32,160

um

1294

00:53:36,530 --> 00:53:35,339

and that was that was 1987.

1295

00:53:46,910 --> 00:53:36,540

um

1296

00:53:48,770 --> 00:53:46,920

we're good we're at a good point to take

1297

00:53:51,230 --> 00:53:48,780

some questions Maybe

1298

00:53:54,109 --> 00:53:51,240

I'd love to I'd love it

1299

00:53:56,030 --> 00:53:54,119

ask me anything so for those of you

1300

00:53:58,790 --> 00:53:56,040

watching uh please submit your questions

1301  
00:54:01,250 --> 00:53:58,800  
uh via text please make sure to use the

1302  
00:54:04,010 --> 00:54:01,260  
three asterisks uh before the question

1303  
00:54:06,109 --> 00:54:04,020  
if you are on telegram please raise your

1304  
00:54:08,990 --> 00:54:06,119  
hand and this way I know you also would

1305  
00:54:11,089 --> 00:54:09,000  
like to ask a question there so of the

1306  
00:54:12,890 --> 00:54:11,099  
officially beginning this part so get

1307  
00:54:16,250 --> 00:54:12,900  
them ready whenever you have them all

1308  
00:54:19,190 --> 00:54:16,260  
right so uh Terry Edwards so so says

1309  
00:54:22,010 --> 00:54:19,200  
asking how did they walk uh did they

1310  
00:54:24,470 --> 00:54:22,020  
walk like a robot or human like so he's

1311  
00:54:26,270 --> 00:54:24,480  
I think referring to early when you were

1312  
00:54:28,190 --> 00:54:26,280  
talking about the grace

1313  
00:54:30,410 --> 00:54:28,200

yes I'm glad you asked that because

1314

00:54:31,430 --> 00:54:30,420

that's that I actually put that in my

1315

00:54:33,170 --> 00:54:31,440

book

1316

00:54:36,530 --> 00:54:33,180

um because they don't they don't walk

1317

00:54:40,069 --> 00:54:36,540

normal uh and they walked with a weird

1318

00:54:42,290 --> 00:54:40,079

gate they walk like they had sore feet

1319

00:54:44,809 --> 00:54:42,300

um and you know I

1320

00:54:47,990 --> 00:54:44,819

and on the topic of Grace I will say

1321

00:54:52,010 --> 00:54:48,000

this that the ones that I saw

1322

00:54:55,010 --> 00:54:52,020

were all identical and um

1323

00:54:57,230 --> 00:54:55,020

this is an assumption on my part but I

1324

00:54:59,870 --> 00:54:57,240

don't think that they are alive and

1325

00:55:01,490 --> 00:54:59,880

living you know like the way in the way

1326

00:55:05,030 --> 00:55:01,500

that you and I are I don't think they're

1327

00:55:07,490 --> 00:55:05,040

they're sin in that way uh I think

1328

00:55:09,829 --> 00:55:07,500

they're manufactured at least the ones I

1329

00:55:11,210 --> 00:55:09,839

saw now I've said that before and other

1330

00:55:12,710 --> 00:55:11,220

people have emailed me and said oh

1331

00:55:14,150 --> 00:55:12,720

you're absolutely wrong I've seen them

1332

00:55:17,750 --> 00:55:14,160

they look like this I've seen them

1333

00:55:20,930 --> 00:55:17,760

they're sentient and so I I think there

1334

00:55:22,250 --> 00:55:20,940

is more than one race of Grace I don't

1335

00:55:25,430 --> 00:55:22,260

think you can lump them all together

1336

00:55:29,089 --> 00:55:25,440

into one category uh but the ones that I

1337

00:55:31,490 --> 00:55:29,099

saw uh walking around in the meadow

1338

00:55:32,930 --> 00:55:31,500

walked with an odd gate they walked with

1339

00:55:34,549 --> 00:55:32,940

a limp

1340

00:55:39,170 --> 00:55:34,559

and

1341

00:55:41,569 --> 00:55:39,180

I don't have a seamless linear memory of

1342

00:55:46,790 --> 00:55:41,579

being inside this craft

1343

00:55:49,970 --> 00:55:46,800

but I do have flashes I do have images

1344

00:55:52,190 --> 00:55:49,980

um just a few of being inside the craft

1345

00:55:55,609 --> 00:55:52,200

and um

1346

00:55:57,829 --> 00:55:55,619

they had undressed us and I was holding

1347

00:56:00,230 --> 00:55:57,839

my boots and my clothing in my hands

1348

00:56:03,890 --> 00:56:00,240

about chest level

1349

00:56:05,870 --> 00:56:03,900

and um just like Calvin Parker in his

1350

00:56:08,270 --> 00:56:05,880

experience the only thing I could move

1351  
00:56:11,030 --> 00:56:08,280  
was I could rotate my eyeballs and look

1352  
00:56:13,549 --> 00:56:11,040  
around us as far as I could see

1353  
00:56:17,690 --> 00:56:13,559  
but I couldn't turn my neck I couldn't

1354  
00:56:19,670 --> 00:56:17,700  
you know lift a finger I was I was uh

1355  
00:56:22,430 --> 00:56:19,680  
Frozen paralyzed

1356  
00:56:25,089 --> 00:56:22,440  
and uh

1357  
00:56:28,069 --> 00:56:25,099  
you know another odd thing is this this

1358  
00:56:30,290 --> 00:56:28,079  
craft if that's where I was at I don't

1359  
00:56:32,210 --> 00:56:30,300  
know maybe they took us somewhere else

1360  
00:56:35,690 --> 00:56:32,220  
because the interior of this craft

1361  
00:56:37,130 --> 00:56:35,700  
didn't match the size of the thing

1362  
00:56:39,770 --> 00:56:37,140  
that we saw

1363  
00:56:41,390 --> 00:56:39,780

when we went to bed this thing well the

1364

00:56:45,349 --> 00:56:41,400

thing that we saw was the size of a

1365

00:56:47,210 --> 00:56:45,359

Walmart the thing that we were in that I

1366

00:56:50,750 --> 00:56:47,220

remember was more like being in an NFL

1367

00:56:54,049 --> 00:56:50,760

stadium it was absolutely enormous

1368

00:56:56,569 --> 00:56:54,059

um but I say all this to comment that

1369

00:56:59,150 --> 00:56:56,579

there were Grays running around all over

1370

00:57:02,150 --> 00:56:59,160

the place and they you know they all

1371

00:57:03,770 --> 00:57:02,160

seem task oriented to me they were all

1372

00:57:05,569 --> 00:57:03,780

doing something you know there weren't

1373

00:57:08,210 --> 00:57:05,579

any Slackers there was nobody having a

1374

00:57:10,910 --> 00:57:08,220

smoke break or you know drinking a Coke

1375

00:57:14,150 --> 00:57:10,920

every all of them were moving

1376

00:57:17,390 --> 00:57:14,160

and when they walked inside the ship

1377

00:57:19,549 --> 00:57:17,400

they walk with a normal gate

1378

00:57:22,069 --> 00:57:19,559

um and I think maybe there's some

1379

00:57:23,870 --> 00:57:22,079

difference in gravity or something to

1380

00:57:27,710 --> 00:57:23,880

account for that but yeah inside the

1381

00:57:30,349 --> 00:57:27,720

ship they walked normally bipedal

1382

00:57:32,329 --> 00:57:30,359

just fine uh but outside when they were

1383

00:57:33,829 --> 00:57:32,339

in the metal they had all had a distinct

1384

00:57:38,569 --> 00:57:33,839

limp

1385

00:57:40,970 --> 00:57:38,579

um to their gate so fair that's

1386

00:57:43,809 --> 00:57:40,980

hey thank you for that so the next

1387

00:57:46,730 --> 00:57:43,819

question is from uh roll the losing dice

1388

00:57:48,650 --> 00:57:46,740

asking did you gain any tell

1389

00:57:52,970 --> 00:57:48,660

did you gain any metaphysical Powers

1390

00:57:56,630 --> 00:57:54,890

you know I'm always

1391

00:58:00,890 --> 00:57:56,640

um

1392

00:58:03,770 --> 00:58:00,900

kind of reluctant to say uh yes and I

1393

00:58:06,950 --> 00:58:03,780

don't like the word psychic uh I use the

1394

00:58:11,630 --> 00:58:06,960

word increased intuition

1395

00:58:15,950 --> 00:58:13,370

um and it was helpful for me

1396

00:58:18,069 --> 00:58:15,960

academically it was has been a help for

1397

00:58:22,190 --> 00:58:18,079

me in my career

1398

00:58:26,450 --> 00:58:22,200

and it doesn't work all the time but

1399

00:58:28,910 --> 00:58:26,460

if I um Intuit something if I have

1400

00:58:31,910 --> 00:58:28,920

something crossed my mind I pay

1401

00:58:34,309 --> 00:58:31,920

attention to it because not all the

1402

00:58:38,870 --> 00:58:34,319

times but a good good part of the time

1403

00:58:40,789 --> 00:58:38,880

what I'm what is crossing my mind uh

1404

00:58:45,109 --> 00:58:40,799

will come true

1405

00:58:47,150 --> 00:58:45,119

so yeah and I consider that to be a gift

1406

00:58:48,950 --> 00:58:47,160

um and you know I don't think that they

1407

00:58:50,630 --> 00:58:48,960

intentionally hurt us I don't think that

1408

00:58:52,849 --> 00:58:50,640

this thing was meant to be a torture

1409

00:58:55,789 --> 00:58:52,859

session we were hurt but I think that

1410

00:58:56,870 --> 00:58:55,799

was more collateral damage

1411

00:58:58,970 --> 00:58:56,880

um

1412

00:59:00,470 --> 00:58:58,980

you know people ask me would you know if

1413

00:59:02,690 --> 00:59:00,480

you had it to do over again would you

1414

00:59:05,510 --> 00:59:02,700

take it back and not have made the trip

1415

00:59:06,170 --> 00:59:05,520

and the answer is absolutely not

1416

00:59:08,870 --> 00:59:06,180

um

1417

00:59:12,410 --> 00:59:08,880

you know I've lived with this for 46 45

1418

00:59:16,430 --> 00:59:12,420

years whatever it is and um

1419

00:59:18,230 --> 00:59:16,440

it's a part of me of who I am and uh

1420

00:59:21,349 --> 00:59:18,240

you know for better or worse I would I

1421

00:59:23,210 --> 00:59:21,359

wouldn't trade experience for anything

1422

00:59:26,870 --> 00:59:23,220

great thank you for that

1423

00:59:29,569 --> 00:59:26,880

uh the next question is from uh Crystal

1424

00:59:31,069 --> 00:59:29,579

I think the way it's written doesn't

1425

00:59:32,750 --> 00:59:31,079

sound quite right but I think I know

1426

00:59:34,789 --> 00:59:32,760

what she's trying to say

1427

00:59:37,609 --> 00:59:34,799

basically says have the experiences stop

1428

00:59:39,530 --> 00:59:37,619

for you now I've heard it slows with age

1429

00:59:42,289 --> 00:59:39,540

from some family friends with the

1430

00:59:44,210 --> 00:59:42,299

abduction experiences

1431

00:59:46,970 --> 00:59:44,220

you know I just had this conversation

1432

00:59:49,370 --> 00:59:46,980

with Robert Hastings I swear this

1433

00:59:51,710 --> 00:59:49,380

morning crazy

1434

00:59:54,470 --> 00:59:51,720

um because he asked me if I had any

1435

00:59:56,150 --> 00:59:54,480

experiences lately and I told him no and

1436

01:00:00,470 --> 00:59:56,160

I haven't and I've not had any

1437

01:00:04,609 --> 01:00:00,480

experiences since uh April 16th of uh

1438

01:00:07,370 --> 01:00:04,619

of 2019 April 16 2019 is the last time I

1439

01:00:10,010 --> 01:00:07,380

had any kind of experience and that was

1440

01:00:14,569 --> 01:00:10,020

an experience of

1441

01:00:21,109 --> 01:00:17,390

I uh up until that point

1442

01:00:22,910 --> 01:00:21,119

I had taken photographs of UFOs

1443

01:00:25,010 --> 01:00:22,920

several a year

1444

01:00:26,569 --> 01:00:25,020

and I have I have a you know a

1445

01:00:28,809 --> 01:00:26,579

collection of them

1446

01:00:32,510 --> 01:00:28,819

and you know these aren't just funny

1447

01:00:35,270 --> 01:00:32,520

smudges on on a piece these are

1448

01:00:41,750 --> 01:00:35,280

clearly disc

1449

01:00:45,770 --> 01:00:41,760

um or orbs are you know silver Globes

1450

01:00:47,750 --> 01:00:45,780

and I've seen those all my life and uh

1451  
01:00:50,390 --> 01:00:47,760  
I hadn't I haven't seen anything since

1452  
01:00:53,150 --> 01:00:50,400  
April 16th of 2019.

1453  
01:00:55,010 --> 01:00:53,160  
and uh Robert Hastings made the

1454  
01:00:57,829 --> 01:00:55,020  
statement he says yeah because Robert's

1455  
01:01:00,710 --> 01:00:57,839  
uh 83 himself uh

1456  
01:01:03,349 --> 01:01:00,720  
and he's not had any experiences in six

1457  
01:01:05,390 --> 01:01:03,359  
years so he says yeah he says I think

1458  
01:01:07,069 --> 01:01:05,400  
there's a point where they they are

1459  
01:01:08,930 --> 01:01:07,079  
they're done with us it's you know

1460  
01:01:11,230 --> 01:01:08,940  
mission accomplished we've done whatever

1461  
01:01:13,549 --> 01:01:11,240  
it is we're doing for them

1462  
01:01:16,549 --> 01:01:13,559  
uh we're they're done they're done with

1463  
01:01:20,569 --> 01:01:16,559

us we've done the job and uh

1464

01:01:27,530 --> 01:01:25,549

okay thank you uh PBS asks do you think

1465

01:01:30,410 --> 01:01:27,540

some of the abductions could be an

1466

01:01:34,130 --> 01:01:30,420

advanced mind control operation uh using

1467

01:01:40,190 --> 01:01:36,589

I didn't think that I rebelled against

1468

01:01:43,490 --> 01:01:42,049

and thinking well that's ridiculous

1469

01:01:44,930 --> 01:01:43,500

they're just saying that because they

1470

01:01:47,089 --> 01:01:44,940

don't want to believe in in

1471

01:01:48,890 --> 01:01:47,099

extraterrestrial beings

1472

01:01:50,990 --> 01:01:48,900

um

1473

01:01:53,630 --> 01:01:51,000

you know now I'm at least willing to

1474

01:01:55,549 --> 01:01:53,640

consider it that if that it is a

1475

01:01:58,069 --> 01:01:55,559

possibility

1476

01:02:00,060 --> 01:01:58,079

that this could be our government or

1477

01:02:00,349 --> 01:02:00,070

somebody's government

1478

01:02:01,390 --> 01:02:00,359

[Music]

1479

01:02:05,089 --> 01:02:01,400

um

1480

01:02:08,030 --> 01:02:05,099

you know doing a social experiment

1481

01:02:10,430 --> 01:02:08,040

uh I don't think that's the case

1482

01:02:12,710 --> 01:02:10,440

uh but while I used to say that my

1483

01:02:15,109 --> 01:02:12,720

answer we used to be absolutely not I

1484

01:02:16,549 --> 01:02:15,119

know what I saw uh what I saw wasn't

1485

01:02:18,170 --> 01:02:16,559

made at Boeing

1486

01:02:20,390 --> 01:02:18,180

and uh

1487

01:02:22,609 --> 01:02:20,400

become almost offended by the question

1488

01:02:24,650 --> 01:02:22,619

but but no you know because I really

1489

01:02:25,970 --> 01:02:24,660

when I think about how do I know how

1490

01:02:27,890 --> 01:02:25,980

would I know

1491

01:02:28,849 --> 01:02:27,900

I really don't know

1492

01:02:33,049 --> 01:02:28,859

um

1493

01:02:36,349 --> 01:02:33,059

who I ran into you know July 11 1977. I

1494

01:02:38,690 --> 01:02:36,359

have no way of knowing so um well I

1495

01:02:43,190 --> 01:02:38,700

think that the chances are slim I think

1496

01:02:49,970 --> 01:02:47,870

okay uh William William Tell is asking

1497

01:02:52,789 --> 01:02:49,980

um Terry do you know what their agenda

1498

01:02:56,990 --> 01:02:54,650

God I wish I did

1499

01:02:59,930 --> 01:02:57,000

I you know I

1500

01:03:01,789 --> 01:02:59,940

I had these things in my life

1501

01:03:04,309 --> 01:03:01,799

like a lot of people

1502

01:03:08,809 --> 01:03:04,319

for a lifetime

1503

01:03:11,690 --> 01:03:08,819

um why I I really don't have a clue I I

1504

01:03:14,210 --> 01:03:11,700

don't I mean I can draw the analogy that

1505

01:03:14,870 --> 01:03:14,220

you know on the Serengeti plane we'll

1506

01:03:17,990 --> 01:03:14,880

um

1507

01:03:21,829 --> 01:03:18,000

we'll use a dart gun and anesthetize a

1508

01:03:25,190 --> 01:03:21,839

lion and put a uh a monitoring device on

1509

01:03:27,829 --> 01:03:25,200

it and uh you know all the lion knows is

1510

01:03:28,609 --> 01:03:27,839

uh you know he's hit with something and

1511

01:03:30,530 --> 01:03:28,619

then

1512

01:03:33,349 --> 01:03:30,540

boom it's good night

1513

01:03:35,930 --> 01:03:33,359

and then uh then he wakes up probably

1514

01:03:40,490 --> 01:03:35,940

with a headache and uh

1515

01:03:43,130 --> 01:03:40,500

goes on about his business and um

1516

01:03:45,530 --> 01:03:43,140

could be the same with us you know I

1517

01:03:48,950 --> 01:03:45,540

wish I had a clue I wish somebody knew

1518

01:03:50,870 --> 01:03:48,960

but people that claim that they know

1519

01:03:53,569 --> 01:03:50,880

don't believe them because I don't I

1520

01:03:55,309 --> 01:03:53,579

don't think anybody really knows and the

1521

01:03:57,589 --> 01:03:55,319

answer may be even be something we can't

1522

01:03:59,690 --> 01:03:57,599

comprehend

1523

01:04:04,069 --> 01:03:59,700

okay thank you

1524

01:04:07,670 --> 01:04:04,079

um Lex Parsons asking does Mr lovelies

1525

01:04:09,710 --> 01:04:07,680

believe Toby uh quote took it took it to

1526  
01:04:12,710 --> 01:04:09,720  
worst out of the abduction experience

1527  
01:04:14,270 --> 01:04:12,720  
and if so does he have any idea why he

1528  
01:04:18,589 --> 01:04:14,280  
thinks that

1529  
01:04:22,130 --> 01:04:18,599  
yeah

1530  
01:04:24,530 --> 01:04:22,140  
um that's a sad story and uh

1531  
01:04:26,150 --> 01:04:24,540  
and again I don't I don't want to

1532  
01:04:30,530 --> 01:04:26,160  
um

1533  
01:04:32,750 --> 01:04:30,540  
I had my struggles after this event too

1534  
01:04:34,910 --> 01:04:32,760  
um but Toby

1535  
01:04:36,410 --> 01:04:34,920  
well he was never a drinker he you know

1536  
01:04:38,569 --> 01:04:36,420  
he wasn't the kind of guy to go to a bar

1537  
01:04:41,450 --> 01:04:38,579  
he wasn't the kind of guy to sit around

1538  
01:04:43,730 --> 01:04:41,460

the barbecue grill and uh and and you

1539

01:04:45,530 --> 01:04:43,740

know drink six or seven beers that just

1540

01:04:48,109 --> 01:04:45,540

wasn't him

1541

01:04:49,849 --> 01:04:48,119

but I found out we found out my wife and

1542

01:04:51,650 --> 01:04:49,859

I found out through a conversation with

1543

01:04:53,450 --> 01:04:51,660

this wife because his wife left him when

1544

01:04:54,650 --> 01:04:53,460

they were in Japan and she moved back to

1545

01:04:58,430 --> 01:04:54,660

the States

1546

01:05:00,109 --> 01:04:58,440

and she contacted my wife and uh

1547

01:05:02,390 --> 01:05:00,119

told the story

1548

01:05:05,270 --> 01:05:02,400

that um

1549

01:05:07,789 --> 01:05:05,280

Toby could not go to sleep at night

1550

01:05:10,430 --> 01:05:07,799

unless he was just absolutely hammered

1551

01:05:13,789 --> 01:05:10,440

and what he would do is he would have a

1552

01:05:15,950 --> 01:05:13,799

normal day normal evening uh you know

1553

01:05:19,670 --> 01:05:15,960

live live a fairly normal life but

1554

01:05:23,270 --> 01:05:19,680

before he goes to bed he would slam five

1555

01:05:26,630 --> 01:05:23,280

or six shots I mean over the course of

1556

01:05:29,690 --> 01:05:26,640

you know an hour or something but

1557

01:05:30,530 --> 01:05:29,700

and then and then more and then more and

1558

01:05:32,390 --> 01:05:30,540

more

1559

01:05:33,890 --> 01:05:32,400

um

1560

01:05:36,289 --> 01:05:33,900

and uh

1561

01:05:37,190 --> 01:05:36,299

that was the only way he could sleep and

1562

01:05:40,849 --> 01:05:37,200

I

1563

01:05:43,849 --> 01:05:40,859

me that uh

1564

01:05:47,750 --> 01:05:43,859

you know that they uh self-anesthetize

1565

01:05:49,130 --> 01:05:47,760

you know with benzodiazepines Valium you

1566

01:05:50,569 --> 01:05:49,140

know Ambien

1567

01:05:52,309 --> 01:05:50,579

um

1568

01:05:55,670 --> 01:05:52,319

because you know when you're when you're

1569

01:05:57,950 --> 01:05:55,680

asleep if you if you are out

1570

01:06:00,230 --> 01:05:57,960

uh you know that you kind of look it's

1571

01:06:02,809 --> 01:06:00,240

kind of like the Monsters can't come in

1572

01:06:04,910 --> 01:06:02,819

I guess

1573

01:06:07,370 --> 01:06:04,920

um

1574

01:06:09,770 --> 01:06:07,380

but yeah sleep seems to be an issue for

1575

01:06:13,370 --> 01:06:09,780

a lot of people that uh

1576

01:06:15,710 --> 01:06:13,380

that have these events and alcoholism

1577

01:06:21,109 --> 01:06:15,720

took over Toby's life and was eventually

1578

01:06:26,270 --> 01:06:22,910

wait thank you

1579

01:06:29,990 --> 01:06:26,280

um El Gringo is asking more details on

1580

01:06:35,750 --> 01:06:32,510

the alien in charge

1581

01:06:38,630 --> 01:06:35,760

when we were on the ship again I I don't

1582

01:06:40,309 --> 01:06:38,640

have a complete memory I have bits and

1583

01:06:42,170 --> 01:06:40,319

pieces and

1584

01:06:45,230 --> 01:06:42,180

while I'm watching these little gray

1585

01:06:47,150 --> 01:06:45,240

guys running all over the place

1586

01:06:49,849 --> 01:06:47,160

there was a

1587

01:06:53,870 --> 01:06:49,859

an entity about six foot tall

1588

01:06:54,529 --> 01:06:53,880

who was not gray now he he wore a gray

1589

01:06:57,349 --> 01:06:54,539

um

1590

01:06:59,750 --> 01:06:57,359

like a knit shirt with a v-neck I

1591

01:07:02,569 --> 01:06:59,760

clearly remember that I didn't see any

1592

01:07:05,029 --> 01:07:02,579

signs of Insignia or rank

1593

01:07:06,829 --> 01:07:05,039

um and his pants seemed to seamlessly

1594

01:07:09,650 --> 01:07:06,839

just melt into his shoes like they were

1595

01:07:12,710 --> 01:07:09,660

formed into one one piece

1596

01:07:15,230 --> 01:07:12,720

and uh I didn't get a great look at him

1597

01:07:17,210 --> 01:07:15,240

because I saw him walk again remember I

1598

01:07:19,910 --> 01:07:17,220

can't move my head I can only move my

1599

01:07:20,870 --> 01:07:19,920

eyes and he moved across my line of

1600

01:07:24,230 --> 01:07:20,880

sight

1601  
01:07:26,809 --> 01:07:24,240  
from my right to my left

1602  
01:07:29,329 --> 01:07:26,819  
and stopped and was doing something to

1603  
01:07:32,270 --> 01:07:29,339  
like a panel plus pushing buttons or

1604  
01:07:33,950 --> 01:07:32,280  
something and I've got my eyes strained

1605  
01:07:36,410 --> 01:07:33,960  
all the way to the left

1606  
01:07:39,170 --> 01:07:36,420  
and he looked up and I think just by

1607  
01:07:43,250 --> 01:07:39,180  
happenstance it was just like we locked

1608  
01:07:44,690 --> 01:07:43,260  
eyes boom and uh

1609  
01:07:47,569 --> 01:07:44,700  
and you know probably of all the things

1610  
01:07:49,309 --> 01:07:47,579  
that happened to me uh that that was the

1611  
01:07:52,130 --> 01:07:49,319  
most frightening

1612  
01:07:53,990 --> 01:07:52,140  
um because at the instant that we locked

1613  
01:07:55,370 --> 01:07:54,000

eyes I could feel that this thing's in

1614

01:08:02,210 --> 01:07:55,380

my head

1615

01:08:06,049 --> 01:08:02,220

it knew me it knew my secrets it knew my

1616

01:08:08,529 --> 01:08:06,059

hopes it knew my childhood it knew

1617

01:08:12,289 --> 01:08:08,539

everything about me and um

1618

01:08:15,589 --> 01:08:12,299

I knew that he was taking a copy you

1619

01:08:18,289 --> 01:08:15,599

know I knew that and I

1620

01:08:20,749 --> 01:08:18,299

it's a huge invasion

1621

01:08:23,209 --> 01:08:20,759

of any human being's privacy

1622

01:08:26,030 --> 01:08:23,219

to have someone do that to you or

1623

01:08:29,689 --> 01:08:26,040

something do that to you

1624

01:08:33,050 --> 01:08:29,699

uh he had the jet black almond-shaped

1625

01:08:34,849 --> 01:08:33,060

eyes again not not exaggerated like you

1626

01:08:38,329 --> 01:08:34,859

see in Emotion pictures this was again

1627

01:08:39,769 --> 01:08:38,339

more like a wraparound pair of Ray-Bans

1628

01:08:43,209 --> 01:08:39,779

um

1629

01:08:46,789 --> 01:08:43,219

but what made it so frightening was

1630

01:08:47,809 --> 01:08:46,799

this thing was clearly

1631

01:08:49,970 --> 01:08:47,819

um

1632

01:08:52,550 --> 01:08:49,980

Superior to me

1633

01:08:56,390 --> 01:08:52,560

you know intellectually physically

1634

01:08:59,150 --> 01:08:56,400

emotionally I mean in in every capacity

1635

01:09:01,130 --> 01:08:59,160

this thing was above me

1636

01:09:03,650 --> 01:09:01,140

and uh

1637

01:09:04,910 --> 01:09:03,660

I had thought that human beings were

1638

01:09:07,189 --> 01:09:04,920

kind of the

1639

01:09:09,729 --> 01:09:07,199

the apex predator you know I thought we

1640

01:09:12,470 --> 01:09:09,739

were kind of the the the the

1641

01:09:16,130 --> 01:09:12,480

top of the Heap

1642

01:09:18,410 --> 01:09:16,140

and that was really an epiphany to

1643

01:09:21,590 --> 01:09:18,420

discover that we are not

1644

01:09:23,450 --> 01:09:21,600

and the analogy I like to draw is you

1645

01:09:25,070 --> 01:09:23,460

know my dog will come and put her head

1646

01:09:27,289 --> 01:09:25,080

in my lap and I'll Pat her in the head

1647

01:09:31,070 --> 01:09:27,299

and she'll look up at me with them big

1648

01:09:37,849 --> 01:09:33,829

we each knew our respective rule she

1649

01:09:42,530 --> 01:09:37,859

knows uh she's the dog and uh

1650

01:09:45,769 --> 01:09:42,540

she knows I'm the alpha in the equation

1651  
01:09:46,970 --> 01:09:45,779  
and when I locked eyes with this thing

1652  
01:09:49,669 --> 01:09:46,980  
um

1653  
01:09:54,830 --> 01:09:49,679  
it was like I was the dog in the

1654  
01:10:01,490 --> 01:09:59,390  
great thank you uh Terry Puffin on

1655  
01:10:03,110 --> 01:10:01,500  
Twitch thank you Puffin for watching on

1656  
01:10:04,729 --> 01:10:03,120  
Twitch I appreciate that that's the

1657  
01:10:06,590 --> 01:10:04,739  
other platform I'm trying to expand to

1658  
01:10:10,189 --> 01:10:06,600  
in case YouTube takes me down one day

1659  
01:10:12,950 --> 01:10:10,199  
but uh the question from Puffin is did

1660  
01:10:15,350 --> 01:10:12,960  
the gray smell like anything

1661  
01:10:20,390 --> 01:10:15,360  
no I'm asked that all the time I don't

1662  
01:10:23,149 --> 01:10:20,400  
recall any uh olfactory sensory

1663  
01:10:25,370 --> 01:10:23,159

of any kind I don't recall smelling

1664

01:10:29,290 --> 01:10:25,380

anything

1665

01:10:35,990 --> 01:10:32,149

when I had an interrogation by The OSI

1666

01:10:37,850 --> 01:10:36,000

one of the uh OSI officers was really

1667

01:10:40,370 --> 01:10:37,860

insistent did I smell anything like

1668

01:10:42,590 --> 01:10:40,380

bitter almonds or like that smelled like

1669

01:10:44,390 --> 01:10:42,600

almond extract and I said no and they

1670

01:10:46,610 --> 01:10:44,400

were very interested in that

1671

01:10:49,370 --> 01:10:46,620

so I don't know what the significance of

1672

01:10:51,470 --> 01:10:49,380

that is because I I didn't have an

1673

01:10:53,390 --> 01:10:51,480

experience

1674

01:10:55,910 --> 01:10:53,400

great thank you

1675

01:10:57,830 --> 01:10:55,920

um Canadian Sk8

1676

01:10:59,750 --> 01:10:57,840

it's just it's a real short question but

1677

01:11:01,910 --> 01:10:59,760

just as a childhood experiences so I'm

1678

01:11:04,370 --> 01:11:01,920

assuming she's asking if you could maybe

1679

01:11:05,810 --> 01:11:04,380

share some of those

1680

01:11:07,790 --> 01:11:05,820

sure

1681

01:11:09,470 --> 01:11:07,800

um

1682

01:11:12,050 --> 01:11:09,480

I explained in my book and it sounds

1683

01:11:14,390 --> 01:11:12,060

kind of silly but you know I'm I'm

1684

01:11:17,149 --> 01:11:14,400

telling this

1685

01:11:19,310 --> 01:11:17,159

um from my my six-year-old five-year-old

1686

01:11:21,229 --> 01:11:19,320

perspective

1687

01:11:22,790 --> 01:11:21,239

um and I would wake up in the middle of

1688

01:11:25,430 --> 01:11:22,800

the night

1689

01:11:26,450 --> 01:11:25,440

and I had

1690

01:11:30,229 --> 01:11:26,460

um

1691

01:11:32,689 --> 01:11:30,239

four little circus monkeys I mean they

1692

01:11:34,970 --> 01:11:32,699

look just like

1693

01:11:37,729 --> 01:11:34,980

you know the monkeys you see in the

1694

01:11:41,090 --> 01:11:37,739

old-fashioned circus with uh you know

1695

01:11:42,709 --> 01:11:41,100

little white cuffs on and a little you

1696

01:11:45,110 --> 01:11:42,719

know red coat song

1697

01:11:47,390 --> 01:11:45,120

and um

1698

01:11:49,910 --> 01:11:47,400

but they all wore a mask they wore a

1699

01:11:51,290 --> 01:11:49,920

white mask with just the eyes peeking

1700

01:11:54,590 --> 01:11:51,300

through

1701

01:11:59,810 --> 01:11:57,649

when I look back on it I know that what

1702

01:12:03,110 --> 01:11:59,820

I saw

1703

01:12:06,649 --> 01:12:03,120

wasn't what I was seeing was not real

1704

01:12:09,830 --> 01:12:06,659

they were projecting an image in my mind

1705

01:12:12,649 --> 01:12:09,840

and I think that they have the ability

1706

01:12:14,750 --> 01:12:12,659

to appear in whatever way the child will

1707

01:12:18,169 --> 01:12:14,760

find the most benign

1708

01:12:20,209 --> 01:12:18,179

and for me it was circus monkeys now I

1709

01:12:22,850 --> 01:12:20,219

think tons of people email me and say

1710

01:12:25,850 --> 01:12:22,860

they they had owls in their room when

1711

01:12:27,890 --> 01:12:25,860

they were four and five years old or one

1712

01:12:30,770 --> 01:12:27,900

kid had a raccoon and a talking raccoon

1713

01:12:34,250 --> 01:12:30,780

that would come into his room uh you

1714

01:12:37,250 --> 01:12:34,260

know orbs of light Disney characters uh

1715

01:12:39,050 --> 01:12:37,260

deer all kinds of things and again I

1716

01:12:43,610 --> 01:12:39,060

think it goes back to what what will

1717

01:12:47,390 --> 01:12:45,229

so Terry

1718

01:12:48,950 --> 01:12:47,400

um I'm just looking over the questions I

1719

01:12:51,709 --> 01:12:48,960

have one last question I don't know

1720

01:12:53,750 --> 01:12:51,719

exactly why they're asking it but I want

1721

01:12:55,729 --> 01:12:53,760

to give everyone an opportunity to read

1722

01:12:57,410 --> 01:12:55,739

their question and so if something

1723

01:12:58,610 --> 01:12:57,420

questions are too personal please just

1724

01:13:00,850 --> 01:12:58,620

let me know

1725

01:13:04,130 --> 01:13:00,860

um but this person

1726

01:13:10,010 --> 01:13:04,140

dvk2 us just asking do you believe in

1727

01:13:14,870 --> 01:13:13,189

that's a very complicated question and

1728

01:13:17,990 --> 01:13:14,880

um

1729

01:13:21,590 --> 01:13:18,000

I I know that the answer I know the

1730

01:13:22,790 --> 01:13:21,600

answer that that that you want

1731

01:13:25,310 --> 01:13:22,800

um

1732

01:13:28,250 --> 01:13:25,320

and I I won't discuss my religious

1733

01:13:32,030 --> 01:13:28,260

beliefs uh just because I do think they

1734

01:13:32,870 --> 01:13:32,040

are personal and and unfortunately

1735

01:13:34,790 --> 01:13:32,880

um

1736

01:13:37,130 --> 01:13:34,800

I've run into too many people who were

1737

01:13:37,910 --> 01:13:37,140

kind of judgmental

1738

01:13:41,810 --> 01:13:37,920

um

1739

01:13:43,370 --> 01:13:41,820

now I've been told by people that if I

1740

01:13:47,689 --> 01:13:43,380

have an encounter

1741

01:13:49,490 --> 01:13:47,699

to to call on Jesus and he can intervene

1742

01:13:52,790 --> 01:13:49,500

and um

1743

01:13:55,910 --> 01:13:52,800

he has uh jurisdiction and power over

1744

01:13:59,930 --> 01:13:58,070

um the thought to try that never crossed

1745

01:14:02,570 --> 01:13:59,940

has just I I haven't done it just

1746

01:14:04,790 --> 01:14:02,580

because it's never crossed my mind

1747

01:14:04,800 --> 01:14:08,270

but um

1748

01:14:15,350 --> 01:14:11,750

I'll say this I I'm not quite sure you

1749

01:14:16,790 --> 01:14:15,360

know I'm not quite sure what to believe

1750

01:14:20,030 --> 01:14:16,800

um

1751

01:14:25,850 --> 01:14:23,630

I've run into some people uh a woman who

1752

01:14:28,510 --> 01:14:25,860

had a near-death experience

1753

01:14:31,189 --> 01:14:28,520

and she told me something interesting

1754

01:14:33,169 --> 01:14:31,199

she drowned in a swimming pool when she

1755

01:14:36,290 --> 01:14:33,179

was 14 years old

1756

01:14:38,450 --> 01:14:36,300

and uh there happened to be a doctor at

1757

01:14:41,090 --> 01:14:38,460

the pool so she got and the Lifeguard

1758

01:14:43,610 --> 01:14:41,100

pulled her out so she got even though

1759

01:14:46,130 --> 01:14:43,620

she didn't have an independent pulse she

1760

01:14:49,910 --> 01:14:46,140

got um and she wasn't breathing

1761

01:14:50,630 --> 01:14:49,920

she got CPR on the way to the hospital

1762

01:14:52,910 --> 01:14:50,640

um

1763

01:14:55,130 --> 01:14:52,920

but she was without a heartbeat for 32

1764

01:14:56,149 --> 01:14:55,140  
minutes

1765

01:14:59,630 --> 01:14:56,159  
um

1766

01:15:03,350 --> 01:14:59,640  
and she said she was her parents were

1767

01:15:06,950 --> 01:15:03,360  
immigrants from Taiwan uh who came from

1768

01:15:09,229 --> 01:15:06,960  
China to Taiwan and then to the United

1769

01:15:11,270 --> 01:15:09,239  
States and they were Buddhist and she

1770

01:15:13,669 --> 01:15:11,280  
had been raised as a Buddhist

1771

01:15:16,490 --> 01:15:13,679  
and uh

1772

01:15:21,350 --> 01:15:16,500  
when she drowned she saw herself above

1773

01:15:25,070 --> 01:15:21,360  
the pool and in her next experience was

1774

01:15:27,229 --> 01:15:25,080  
um being in this lush jungle Garden

1775

01:15:29,750 --> 01:15:27,239  
that she said was absolutely beautiful

1776

01:15:31,669 --> 01:15:29,760

feeling this interconnectedness with

1777

01:15:34,430 --> 01:15:31,679

everything there

1778

01:15:37,189 --> 01:15:34,440

and she told me she was met by um by a

1779

01:15:39,590 --> 01:15:37,199

monk in red robes

1780

01:15:41,630 --> 01:15:39,600

now she told me also

1781

01:15:43,010 --> 01:15:41,640

and she had the most amazing story to

1782

01:15:44,510 --> 01:15:43,020

tell but I don't have time to tell here

1783

01:15:45,229 --> 01:15:44,520

but

1784

01:15:48,890 --> 01:15:45,239

um

1785

01:15:50,750 --> 01:15:48,900

she did say I have no doubt that had I

1786

01:15:52,970 --> 01:15:50,760

been a Christian that Jesus would have

1787

01:15:54,890 --> 01:15:52,980

met me there

1788

01:15:56,689 --> 01:15:54,900

um that if I'd have been Roman Catholic

1789

01:15:57,410 --> 01:15:56,699

maybe the Virgin Mary would have met me

1790

01:16:00,649 --> 01:15:57,420

there

1791

01:16:02,330 --> 01:16:00,659

uh you know and uh she had all these all

1792

01:16:03,530 --> 01:16:02,340

these cultural

1793

01:16:06,290 --> 01:16:03,540

um

1794

01:16:08,750 --> 01:16:06,300

uh differences that she could cite to

1795

01:16:12,290 --> 01:16:08,760

pull up and um

1796

01:16:15,110 --> 01:16:12,300

and that's her belief so

1797

01:16:18,649 --> 01:16:15,120

she knew that whatever met her there

1798

01:16:21,350 --> 01:16:18,659

this monk was not a Supreme Being it

1799

01:16:24,590 --> 01:16:21,360

wasn't the ultimate deity it was like a

1800

01:16:26,090 --> 01:16:24,600

guide a spirit guide or something

1801

01:16:27,590 --> 01:16:26,100

um

1802

01:16:29,330 --> 01:16:27,600

but I think it's interesting that she

1803

01:16:31,010 --> 01:16:29,340

made that observation saying that had

1804

01:16:32,930 --> 01:16:31,020

she been Christian she has no doubt that

1805

01:16:35,090 --> 01:16:32,940

she would have met Jesus

1806

01:16:37,790 --> 01:16:35,100

and I don't think any of this takes away

1807

01:16:41,330 --> 01:16:37,800

any validity of the experience at all I

1808

01:16:43,910 --> 01:16:41,340

think it just bolsters it

1809

01:16:47,149 --> 01:16:43,920

Terry um I have one more question from

1810

01:16:51,169 --> 01:16:47,159

Helio De Sosa because I think

1811

01:16:53,030 --> 01:16:51,179

I think uh we always ask about you know

1812

01:16:54,950 --> 01:16:53,040

um missing time but he has a good point

1813

01:16:57,290 --> 01:16:54,960

here that I just want to ask and I

1814

01:16:59,689 --> 01:16:57,300

promise this would be the last question

1815

01:17:02,330 --> 01:16:59,699

um he's asking hi have you noticed any

1816

01:17:05,209 --> 01:17:02,340

time Distortion during or after contact

1817

01:17:07,310 --> 01:17:05,219

not missing time but some sort of

1818

01:17:09,530 --> 01:17:07,320

distortion on fabric of time itself

1819

01:17:11,209 --> 01:17:09,540

thank you

1820

01:17:12,290 --> 01:17:11,219

no

1821

01:17:16,070 --> 01:17:12,300

um

1822

01:17:18,290 --> 01:17:16,080

I notice I think like everybody you know

1823

01:17:19,669 --> 01:17:18,300

if I'm busy and I'm on a task and I'm

1824

01:17:21,890 --> 01:17:19,679

doing something

1825

01:17:25,010 --> 01:17:21,900

you know time flies

1826

01:17:28,970 --> 01:17:25,020

uh if I'm sitting at a dentist office

1827

01:17:30,649 --> 01:17:28,980

time slows and um

1828

01:17:34,490 --> 01:17:30,659

that

1829

01:17:36,709 --> 01:17:34,500

the time

1830

01:17:38,689 --> 01:17:36,719

but I know what you're asking about time

1831

01:17:42,229 --> 01:17:38,699

Distortion and I and I can't say I ever

1832

01:17:46,810 --> 01:17:44,990

okay well Terry thank you very much for

1833

01:17:49,189 --> 01:17:46,820

taking the time to to talk to me today

1834

01:17:51,050 --> 01:17:49,199

uh like I said earlier I'm looking

1835

01:17:52,850 --> 01:17:51,060

forward to also meeting you in person at

1836

01:17:55,250 --> 01:17:52,860

the Ozark conference that would be

1837

01:17:56,750 --> 01:17:55,260

exciting because it's always fun to have

1838

01:17:58,910 --> 01:17:56,760

to after after all the talks are done

1839

01:18:00,649 --> 01:17:58,920

people like to gather and just share

1840

01:18:02,689 --> 01:18:00,659

these kind of stories all over the place

1841

01:18:05,930 --> 01:18:02,699

so it just depends on where you end up

1842

01:18:09,410 --> 01:18:05,940

is what kind of stories you you hear but

1843

01:18:11,450 --> 01:18:09,420

um yeah I'm I'm um just

1844

01:18:13,310 --> 01:18:11,460

is there anything in conclusion that you

1845

01:18:15,770 --> 01:18:13,320

would like to finish up with and then

1846

01:18:17,330 --> 01:18:15,780

we'll we'll conclude this interview

1847

01:18:18,649 --> 01:18:17,340

you know what I'd just like to say I'd

1848

01:18:20,930 --> 01:18:18,659

like to say thank you for listening

1849

01:18:22,550 --> 01:18:20,940

thank you for asking questions and if

1850

01:18:26,149 --> 01:18:22,560

you can make it at all

1851

01:18:29,330 --> 01:18:26,159

there earlier that was going to ask a

1879

01:19:29,510 --> 01:19:27,960

question but I guess

1880

01:19:31,310 --> 01:19:29,520

um we were not quite there yet because I

1881

01:19:34,130 --> 01:19:31,320

always make an announcement when when

1882

01:19:35,270 --> 01:19:34,140

questions will q a basically starts but

1883

01:19:38,330 --> 01:19:35,280
