

UFO HUB

LIVE STREAM

1
00:00:11,179 --> 00:00:30,730
thank you

2
00:00:30,740 --> 00:00:59,590
[Music]

3
00:00:59,600 --> 00:01:06,050
thank you

4
00:01:11,870 --> 00:01:08,710
hey everyone welcome to Joel for help

5
00:01:13,730 --> 00:01:11,880
welcome to the UFO live stream boy it's

6
00:01:16,910 --> 00:01:13,740
going to be one of those days uh today's

7
00:01:20,510 --> 00:01:16,920
guest is a retired U.S Navy Chief uh

8
00:01:23,210 --> 00:01:20,520
Master at Arms Sean Cahill and uh he's

9
00:01:25,070 --> 00:01:23,220
also going to be one of the speakers at

10
00:01:27,230 --> 00:01:25,080
the Ozark Mountain UFO conference this

11
00:01:29,450 --> 00:01:27,240
year that's coming up in April so that's

12
00:01:32,570 --> 00:01:29,460
one of the main reasons uh while I have

13
00:01:35,390 --> 00:01:32,580

why I'm having him on uh later on we'll

14

00:01:37,550 --> 00:01:35,400

of course we'll take questions and um

15

00:01:40,310 --> 00:01:37,560

I'm only going to have

16

00:01:42,590 --> 00:01:40,320

um Chief Cahill own only on for one hour

17

00:01:45,410 --> 00:01:42,600

so please make sure to submit your

18

00:01:47,630 --> 00:01:45,420

questions in chat and also the live

19

00:01:49,609 --> 00:01:47,640

voice chat uh your for her voice chat

20

00:01:53,090 --> 00:01:49,619

that's happening on telegram is going on

21

00:01:54,590 --> 00:01:53,100

as well so you can directly talk to Sean

22

00:01:58,069 --> 00:01:54,600

and ask him the questions you would like

23

00:02:00,109 --> 00:01:58,079

to ask so uh just let me switch over

24

00:02:02,810 --> 00:02:00,119

real quick to the website

25

00:02:04,730 --> 00:02:02,820

or Ozark

26

00:02:07,429 --> 00:02:04,740

and so here's the list of all the

27

00:02:09,830 --> 00:02:07,439

speakers that will be speaking and

28

00:02:13,270 --> 00:02:09,840

lecturing during those three days uh of

29

00:02:15,710 --> 00:02:13,280

course uh Chief Cahill is here Ben

30

00:02:17,390 --> 00:02:15,720

Henson and then we have several others

31

00:02:20,089 --> 00:02:17,400

that will be talking about many

32

00:02:22,670 --> 00:02:20,099

different subjects each one of them has

33

00:02:24,410 --> 00:02:22,680

a talk description and you can kind of

34

00:02:25,970 --> 00:02:24,420

read up on it and see what exactly they

35

00:02:28,130 --> 00:02:25,980

will be talking about if you would like

36

00:02:31,010 --> 00:02:28,140

to know ahead of time so

37

00:02:32,630 --> 00:02:31,020

there's still a few tickets left uh

38

00:02:35,990 --> 00:02:32,640

they're going fast because a lot of the

39

00:02:38,690 --> 00:02:36,000

seating is assigned also before this

40

00:02:40,070 --> 00:02:38,700

interview I released a in a video where

41

00:02:42,770 --> 00:02:40,080

you will have a chance to win two

42

00:02:45,770 --> 00:02:42,780

tickets from your phone if you on that

43

00:02:47,770 --> 00:02:45,780

video uh like share and comment and

44

00:02:49,970 --> 00:02:47,780

leave in the hashtag

45

00:02:53,150 --> 00:02:49,980

leave a leave in the comments say

46

00:02:54,890 --> 00:02:53,160

hashtag ozark23 not in this video and

47

00:02:56,990 --> 00:02:54,900

that other one that's also on your full

48

00:03:00,229 --> 00:02:57,000

Hub channel and I hope you check that

49

00:03:02,930 --> 00:03:00,239

one out so I think I covered everything

50

00:03:05,509 --> 00:03:02,940

uh the when I talked to Sean ahead of

51
00:03:07,850 --> 00:03:05,519
time regarding the subjects I seem to be

52
00:03:09,830 --> 00:03:07,860
pretty open about a wide variety of

53
00:03:13,910 --> 00:03:09,840
whatever whatever might come up

54
00:03:17,030 --> 00:03:13,920
regarding the UFOs so I figured let me

55
00:03:20,809 --> 00:03:17,040
let me bring him on and we can just get

56
00:03:25,790 --> 00:03:23,330
let me see here

57
00:03:27,770 --> 00:03:25,800
it's getting used to new things

58
00:03:28,670 --> 00:03:27,780
welcome Sean thanks for being on how are

59
00:03:35,509 --> 00:03:28,680
you

60
00:03:37,490 --> 00:03:35,519
agreeing to do this I'm excited to talk

61
00:03:39,170 --> 00:03:37,500
to you because a lot of times who talked

62
00:03:41,570 --> 00:03:39,180
about talk about researchers and

63
00:03:43,550 --> 00:03:41,580

experiences but uh to have someone of

64

00:03:45,589 --> 00:03:43,560

your caliber to give us your perspective

65

00:03:48,050 --> 00:03:45,599

on what's going on at least in the

66

00:03:49,430 --> 00:03:48,060

governmental side uh at least on this

67

00:03:52,550 --> 00:03:49,440

channel we don't get to hear that very

68

00:03:54,110 --> 00:03:52,560

often so I'm glad you're here so like

69

00:03:55,850 --> 00:03:54,120

with every guest I would like to please

70

00:03:57,470 --> 00:03:55,860

start out with a little bit with your

71

00:04:00,110 --> 00:03:57,480

background and how everything started

72

00:04:02,149 --> 00:04:00,120

out for you and everything that led up

73

00:04:03,410 --> 00:04:02,159

to this moment

74

00:04:05,509 --> 00:04:03,420

sure

75

00:04:07,250 --> 00:04:05,519

um my name is Sean Cahill I served 20

76

00:04:09,289 --> 00:04:07,260

years in the United States Navy as a

77

00:04:11,869 --> 00:04:09,299

chief Master at Arms

78

00:04:14,030 --> 00:04:11,879

um and I'm I'm known most notably for

79

00:04:15,830 --> 00:04:14,040

being present in 2004 on board the USS

80

00:04:18,949 --> 00:04:15,840

Princeton during the infamous Tic Tac

81

00:04:22,430 --> 00:04:21,170

would you like me to expand on it yes

82

00:04:24,890 --> 00:04:22,440

please

83

00:04:26,629 --> 00:04:24,900

sure so in 2004 when I was stationed on

84

00:04:29,270 --> 00:04:26,639

board the USS Princeton in November of

85

00:04:30,950 --> 00:04:29,280

04. I received a telephone call while I

86

00:04:32,870 --> 00:04:30,960

was standing watch on the bridge as the

87

00:04:34,670 --> 00:04:32,880

junior officer at the deck from Senior

88

00:04:35,270 --> 00:04:34,680

Chief Kevin day

89

00:04:38,689 --> 00:04:35,280

um

90

00:04:41,689 --> 00:04:38,699

they had recalibrated and uh updated the

91

00:04:42,950 --> 00:04:41,699

Aegis radar system and the Spy 1B and he

92

00:04:44,629 --> 00:04:42,960

was telling me that they had some

93

00:04:46,129 --> 00:04:44,639

anomalies on the radar that they were

94

00:04:48,230 --> 00:04:46,139

trying to hunt down

95

00:04:50,689 --> 00:04:48,240

over the course of the week my uh while

96

00:04:53,270 --> 00:04:50,699

I was on watch I utilized my

97

00:04:55,430 --> 00:04:53,280

um my Lookouts and my bridge bridge

98

00:04:57,409 --> 00:04:55,440

Personnel to try to find these things

99

00:05:00,050 --> 00:04:57,419

when Kevin would call

100

00:05:01,670 --> 00:05:00,060

um and we we weren't finding anything on

101
00:05:05,090 --> 00:05:01,680
the bridge so we just kept feeling about

102
00:05:07,189 --> 00:05:05,100
our our regular operations during the

103
00:05:09,170 --> 00:05:07,199
exercise we were on

104
00:05:11,590 --> 00:05:09,180
it was after a few days that uh Kevin

105
00:05:14,689 --> 00:05:11,600
called me up one evening at around

106
00:05:17,030 --> 00:05:14,699
sometime around I want to say around 200

107
00:05:19,430 --> 00:05:17,040
or 8 P.M in the evening and he was he

108
00:05:21,469 --> 00:05:19,440
was very serious that I speak to my my

109
00:05:23,390 --> 00:05:21,479
Lookouts and and have them take a very

110
00:05:25,670 --> 00:05:23,400
serious look at the sky and scan the sky

111
00:05:27,290 --> 00:05:25,680
for these contacts and to see if we

112
00:05:28,969 --> 00:05:27,300
could if we could match up what they

113
00:05:31,249 --> 00:05:28,979

were seeing on radar with with real

114

00:05:34,370 --> 00:05:31,259

objects in the sky

115

00:05:36,650 --> 00:05:34,380

um it was about around 10 o'clock that

116

00:05:39,110 --> 00:05:36,660

night that I had been out on the port

117

00:05:41,150 --> 00:05:39,120

side Bridge wing with the um one of my

118

00:05:42,710 --> 00:05:41,160

watches and we were both scanning The

119

00:05:46,310 --> 00:05:42,720

Horizon and I was scanning from the port

120

00:05:48,950 --> 00:05:46,320

side over to the to the uh the bow and

121

00:05:50,450 --> 00:05:48,960

about 45 degrees off of the port bow at

122

00:05:52,969 --> 00:05:50,460

about 2 000 feet

123

00:05:55,969 --> 00:05:52,979

were roughly five to seven lights it's

124

00:05:57,770 --> 00:05:55,979

hard to tell exactly how many there were

125

00:05:59,810 --> 00:05:57,780

um they were in a tight configuration up

126
00:06:02,210 --> 00:05:59,820
in the sky and they were turning towards

127
00:06:04,310 --> 00:06:02,220
the center point of this of this

128
00:06:05,570 --> 00:06:04,320
formation and they were blinking out one

129
00:06:07,730 --> 00:06:05,580
at a time

130
00:06:09,890 --> 00:06:07,740
um almost as if they were falling down a

131
00:06:11,870 --> 00:06:09,900
funnel a horizontal funnel and then

132
00:06:14,270 --> 00:06:11,880
disappearing

133
00:06:16,249 --> 00:06:14,280
um there wasn't any

134
00:06:18,650 --> 00:06:16,259
um any kind of effect or noise or Flash

135
00:06:20,029 --> 00:06:18,660
or anything like that but there also

136
00:06:21,830 --> 00:06:20,039
wasn't any

137
00:06:23,330 --> 00:06:21,840
plat there weren't any clouds in the sky

138
00:06:25,189 --> 00:06:23,340

there was nothing to obscure the view it

139

00:06:27,529 --> 00:06:25,199

was crystal clear

140

00:06:29,749 --> 00:06:27,539

um I turned to the to the watch

141

00:06:32,270 --> 00:06:29,759

next to me and I said with pretty salty

142

00:06:34,430 --> 00:06:32,280

language did you see that and he said

143

00:06:35,629 --> 00:06:34,440

yes Chief I did and we both kind of just

144

00:06:37,850 --> 00:06:35,639

stared and looked around for a minute

145

00:06:39,350 --> 00:06:37,860

and kept scanning and I went into the

146

00:06:40,370 --> 00:06:39,360

bridge with the intention of calling

147

00:06:42,830 --> 00:06:40,380

Kevin

148

00:06:44,390 --> 00:06:42,840

and looked at the clock and realized

149

00:06:46,010 --> 00:06:44,400

that Kevin was off watch and the person

150

00:06:47,570 --> 00:06:46,020

that was probably standing his console

151
00:06:50,210 --> 00:06:47,580
wasn't going to know what I was talking

152
00:06:52,670 --> 00:06:50,220
about or be very interested

153
00:06:53,629 --> 00:06:52,680
um so I just went about the rest of my

154
00:06:56,029 --> 00:06:53,639
evening

155
00:06:57,469 --> 00:06:56,039
it wasn't until the next morning

156
00:06:59,210 --> 00:06:57,479
um when I woke up

157
00:07:00,590 --> 00:06:59,220
I went out and got some coffee and spoke

158
00:07:02,390 --> 00:07:00,600
to the other Chiefs out in the chief's

159
00:07:04,490 --> 00:07:02,400
mess and I saw Kevin sitting there and

160
00:07:06,230 --> 00:07:04,500
he had this big grin on his face and I

161
00:07:07,610 --> 00:07:06,240
was a little annoyed I was like I said

162
00:07:09,050 --> 00:07:07,620
you know what do you guys chasing up

163
00:07:11,749 --> 00:07:09,060

there on the bridge what are you guys

164

00:07:13,070 --> 00:07:11,759

looking for and um one of the other

165

00:07:14,990 --> 00:07:13,080

Chiefs sitting there told me to go check

166

00:07:17,210 --> 00:07:15,000

my email on the uh what we call the

167

00:07:19,490 --> 00:07:17,220

sipper net or the Secret side we had one

168

00:07:21,589 --> 00:07:19,500

in our Lounge in the back so I went in

169

00:07:23,330 --> 00:07:21,599

the back and checked it and was reading

170

00:07:24,529 --> 00:07:23,340

through the email while everybody was

171

00:07:26,510 --> 00:07:24,539

waiting for me to get to the cool part

172

00:07:28,309 --> 00:07:26,520

which was the video but I wanted to read

173

00:07:30,969 --> 00:07:28,319

the chain of emails between our

174

00:07:34,249 --> 00:07:30,979

operations officers where they discussed

175

00:07:35,870 --> 00:07:34,259

Birds temperature inversions ghosts in

176

00:07:37,610 --> 00:07:35,880

the machine glitches in the system all

177

00:07:39,770 --> 00:07:37,620

kinds of different things

178

00:07:41,870 --> 00:07:39,780

and finally settled in the fact that

179

00:07:43,909 --> 00:07:41,880

these were solid objects and that we had

180

00:07:45,529 --> 00:07:43,919

sorted f-18s out there

181

00:07:47,210 --> 00:07:45,539

the video was nothing short of

182

00:07:48,110 --> 00:07:47,220

astounding now it's famous we've all

183

00:07:50,029 --> 00:07:48,120

seen it

184

00:07:51,890 --> 00:07:50,039

um but in 2004 it was one of the most

185

00:07:54,110 --> 00:07:51,900

incredible things I'd ever seen uh we

186

00:07:56,809 --> 00:07:54,120

knew that what we were looking at had no

187

00:07:58,129 --> 00:07:56,819

wings had no control surfaces we knew

188

00:08:00,110 --> 00:07:58,139

that it was it was not the right

189

00:08:01,430 --> 00:08:00,120

temperature for for the environment it

190

00:08:03,589 --> 00:08:01,440

was very cold while the environment

191

00:08:05,150 --> 00:08:03,599

around it was very hot and anything that

192

00:08:09,110 --> 00:08:05,160

was operating like that should have been

193

00:08:11,150 --> 00:08:09,120

should have shown up as as very hot and

194

00:08:13,730 --> 00:08:11,160

also it appeared to display flight

195

00:08:15,050 --> 00:08:13,740

characteristics that were completely out

196

00:08:18,230 --> 00:08:15,060

of the ordinary

197

00:08:20,749 --> 00:08:18,240

so it was it was impressive

198

00:08:22,730 --> 00:08:20,759

um and we were all incredulous and we

199

00:08:25,129 --> 00:08:22,740

all made some small talk about how this

200

00:08:26,990 --> 00:08:25,139

was bigger than raw as well and

201
00:08:28,430 --> 00:08:27,000
um couldn't wait until we until this

202
00:08:30,409 --> 00:08:28,440
panned out and we saw what this was

203
00:08:32,389 --> 00:08:30,419
going to turn out to be

204
00:08:35,510 --> 00:08:32,399
and that evening we had our regular

205
00:08:37,550 --> 00:08:35,520
intelligence and operations briefing and

206
00:08:39,589 --> 00:08:37,560
um I was asked to stand at the doorway

207
00:08:42,529 --> 00:08:39,599
in case

208
00:08:44,209 --> 00:08:42,539
um anyone gave the door Personnel a hard

209
00:08:46,430 --> 00:08:44,219
time by being turned away because the

210
00:08:48,590 --> 00:08:46,440
door person was going to be checking a

211
00:08:49,850 --> 00:08:48,600
list with cross-referencing security

212
00:08:51,530 --> 00:08:49,860
clearances

213
00:08:53,750 --> 00:08:51,540

and anybody who had their security

214

00:08:56,810 --> 00:08:53,760

clearance lapsed or there wasn't current

215

00:08:58,490 --> 00:08:56,820

I was there to help turn them away if

216

00:09:01,190 --> 00:08:58,500

they gave the young petty officer a hard

217

00:09:02,750 --> 00:09:01,200

time uh it turned out that no one was

218

00:09:04,190 --> 00:09:02,760

bothered by being turned away from yet

219

00:09:05,449 --> 00:09:04,200

another meeting everyone was happy to

220

00:09:08,690 --> 00:09:05,459

have a few more minutes to themselves

221

00:09:09,949 --> 00:09:08,700

and it was only a handful of people

222

00:09:11,630 --> 00:09:09,959

um I'd never been asked to do that

223

00:09:14,170 --> 00:09:11,640

before or since

224

00:09:17,389 --> 00:09:14,180

and we got in there and had the briefing

225

00:09:19,370 --> 00:09:17,399

and got to a point where uh the

226

00:09:21,470 --> 00:09:19,380

lieutenant started the briefing and this

227

00:09:24,170 --> 00:09:21,480

was 2004 so the technology was was was

228

00:09:26,509 --> 00:09:24,180

pretty dismal as far as computers go so

229

00:09:29,090 --> 00:09:26,519

the the PowerPoint was very very Bare

230

00:09:31,370 --> 00:09:29,100

Bones but a little Mars alien type

231

00:09:33,350 --> 00:09:31,380

silver saucer with a green guy went

232

00:09:35,570 --> 00:09:33,360

across the screen with a spooky noise

233

00:09:37,970 --> 00:09:35,580

and excuse me a lot of people in the

234

00:09:40,070 --> 00:09:37,980

room had a good laugh and then

235

00:09:41,269 --> 00:09:40,080

we spent a minute kind of explaining the

236

00:09:42,650 --> 00:09:41,279

people who didn't know what was going on

237

00:09:45,290 --> 00:09:42,660

why we were laughing

238

00:09:46,550 --> 00:09:45,300

and the captain said well we all had a

239

00:09:48,110 --> 00:09:46,560

lot of fun this week it was pretty

240

00:09:50,570 --> 00:09:48,120

interesting now let's get back to work

241

00:09:53,329 --> 00:09:50,580

and that was the last I had ever heard

242

00:09:55,850 --> 00:09:53,339

mention of it that wasn't scuttlebutt

243

00:09:57,590 --> 00:09:55,860

talked about amongst the crew or amongst

244

00:09:58,970 --> 00:09:57,600

uh other Chiefs in the chief's mess I

245

00:10:02,810 --> 00:09:58,980

never heard another official word about

246

00:10:05,509 --> 00:10:02,820

it until 2017 when the New York Times

247

00:10:09,110 --> 00:10:05,519

article came out

248

00:10:10,610 --> 00:10:09,120

so did um was it was there

249

00:10:12,710 --> 00:10:10,620

um maybe I'm sorry if I missed it was

250

00:10:14,570 --> 00:10:12,720

there some kind of were you allowed to

251

00:10:16,310 --> 00:10:14,580

talk to each other like between each

252

00:10:17,690 --> 00:10:16,320

other while this was happening like wow

253

00:10:19,850 --> 00:10:17,700

what's happened you know what was that

254

00:10:22,370 --> 00:10:19,860

all about and even afterwards or was it

255

00:10:25,009 --> 00:10:22,380

immediately told okay don't talk uh

256

00:10:26,930 --> 00:10:25,019

until you told otherwise

257

00:10:28,430 --> 00:10:26,940

so as far as it goes for me and I was

258

00:10:30,170 --> 00:10:28,440

the chief law enforcement officer on

259

00:10:33,590 --> 00:10:30,180

board I reported directly to the

260

00:10:34,610 --> 00:10:33,600

executive officer uh for in charge of

261

00:10:37,070 --> 00:10:34,620

good order and discipline and

262

00:10:38,930 --> 00:10:37,080

anti-terrorism for the crew I was never

263

00:10:40,970 --> 00:10:38,940

given a non-disclosure agreement I was

264

00:10:42,949 --> 00:10:40,980

never given any kind of order or any

265

00:10:44,630 --> 00:10:42,959

kind of inference not to speak about the

266

00:10:46,970 --> 00:10:44,640

incident

267

00:10:48,230 --> 00:10:46,980

um now that we're years later and some

268

00:10:49,910 --> 00:10:48,240

people have said they were given

269

00:10:52,970 --> 00:10:49,920

non-disclosure agreements other people

270

00:10:55,610 --> 00:10:52,980

were claimed to have been present when

271

00:10:58,670 --> 00:10:55,620

um assumed Air Force personnel arrived

272

00:11:01,430 --> 00:10:58,680

on board and took the um the the radar

273

00:11:03,889 --> 00:11:01,440

tapes and other things

274

00:11:06,710 --> 00:11:03,899

but at no point was I was it ever

275

00:11:08,569 --> 00:11:06,720

inferred to me that anyone was so none

276
00:11:12,650 --> 00:11:08,579
of the people that had mbas ever talked

277
00:11:14,630 --> 00:11:12,660
about having an NBA and

278
00:11:16,250 --> 00:11:14,640
I can't say that I really recall talking

279
00:11:17,690 --> 00:11:16,260
to anyone that wasn't the chief petty

280
00:11:19,790 --> 00:11:17,700
officer inside the chief's mess about

281
00:11:22,550 --> 00:11:19,800
the incident

282
00:11:25,610 --> 00:11:22,560
um afterwards so it kind of came and

283
00:11:27,949 --> 00:11:25,620
went it was not an Infamous event it was

284
00:11:29,269 --> 00:11:27,959
it was a do you remember when and if

285
00:11:31,009 --> 00:11:29,279
there were people around that hadn't

286
00:11:32,930 --> 00:11:31,019
been there they did they thought we were

287
00:11:34,910 --> 00:11:32,940
full of it when we when we discussed the

288
00:11:37,850 --> 00:11:34,920

event

289

00:11:40,790 --> 00:11:37,860

so now that it's all out and most of us

290

00:11:42,170 --> 00:11:40,800

have seen the footage and many other uh

291

00:11:43,670 --> 00:11:42,180

people have kind of talked about on

292

00:11:45,530 --> 00:11:43,680

different podcasts

293

00:11:49,009 --> 00:11:45,540

do you have still any kind of connection

294

00:11:52,069 --> 00:11:49,019

to kind of get a feel of what how

295

00:11:54,050 --> 00:11:52,079

the true feelings of whatever the

296

00:11:55,670 --> 00:11:54,060

government representation would be are

297

00:11:57,650 --> 00:11:55,680

they still truly wanting to find out

298

00:11:59,150 --> 00:11:57,660

what this is or is this something that

299

00:12:02,269 --> 00:11:59,160

they still want to kind of keep it on

300

00:12:03,889 --> 00:12:02,279

the DL and and not really talk about as

301
00:12:06,590 --> 00:12:03,899
much but considering I mean that they

302
00:12:08,930 --> 00:12:06,600
just the I forgot which which bill it

303
00:12:11,569 --> 00:12:08,940
was so HR or something where they

304
00:12:13,009 --> 00:12:11,579
created the Europe UAP office and then

305
00:12:15,650 --> 00:12:13,019
of course they had some Congressional

306
00:12:17,930 --> 00:12:15,660
hearings it kind of surprised me because

307
00:12:20,030 --> 00:12:17,940
usually it's everything is a balloon or

308
00:12:21,530 --> 00:12:20,040
a you know swamp gas and now they're

309
00:12:23,210 --> 00:12:21,540
kind of talking about it like oh yeah

310
00:12:26,210 --> 00:12:23,220
there's this there's that we don't know

311
00:12:28,970 --> 00:12:26,220
what it is so I was wondering why that

312
00:12:31,090 --> 00:12:28,980
change on you know throughout seemingly

313
00:12:33,290 --> 00:12:31,100

throughout the government chain

314

00:12:36,170 --> 00:12:33,300

well you know I can speak on that

315

00:12:38,389 --> 00:12:36,180

because since 2017 primarily what I have

316

00:12:40,790 --> 00:12:38,399

been working on in support of and as an

317

00:12:42,290 --> 00:12:40,800

advocate of was that transparency that

318

00:12:43,370 --> 00:12:42,300

led to Congressional hearings and that

319

00:12:46,490 --> 00:12:43,380

led to the National Defense

320

00:12:47,210 --> 00:12:46,500

authorization act which led to the uapf

321

00:12:51,230 --> 00:12:47,220

ETC

322

00:12:53,629 --> 00:12:51,240

so let me go back to 2004 and say that

323

00:12:55,310 --> 00:12:53,639

um the the aftermath and the way that my

324

00:12:56,569 --> 00:12:55,320

chain of command responded to that

325

00:12:59,750 --> 00:12:56,579

incident

326

00:13:02,449 --> 00:12:59,760

at the time as a as a 30 year old I

327

00:13:04,790 --> 00:13:02,459

think I was where I was 31.

328

00:13:07,190 --> 00:13:04,800

um I had the way that I saw it at that

329

00:13:08,810 --> 00:13:07,200

time was that this must have been a must

330

00:13:10,610 --> 00:13:08,820

have been understood by the upper chain

331

00:13:11,990 --> 00:13:10,620

of command I was giving captains and

332

00:13:13,069 --> 00:13:12,000

Admirals and people like that a great

333

00:13:14,810 --> 00:13:13,079

deal of credit

334

00:13:16,310 --> 00:13:14,820

for um

335

00:13:17,810 --> 00:13:16,320

for what they may or may not have been

336

00:13:20,509 --> 00:13:17,820

briefed on or known

337

00:13:22,550 --> 00:13:20,519

and to me the way that they responded

338

00:13:24,470 --> 00:13:22,560

which was kind of coldly uninterested

339

00:13:25,910 --> 00:13:24,480

told me that this was something that

340

00:13:27,230 --> 00:13:25,920

they had an understanding of and they

341

00:13:28,850 --> 00:13:27,240

weren't worried about it and that the

342

00:13:30,410 --> 00:13:28,860

captain wasn't concerned that there was

343

00:13:32,569 --> 00:13:30,420

something like this in his battle space

344

00:13:34,310 --> 00:13:32,579

so that spoke to me about some kind of

345

00:13:35,810 --> 00:13:34,320

Allied program and something I didn't

346

00:13:39,350 --> 00:13:35,820

need to worry about

347

00:13:40,190 --> 00:13:39,360

but if we fast forward to 2017

348

00:13:43,250 --> 00:13:40,200

um

349

00:13:45,350 --> 00:13:43,260

and after the New York Times article

350

00:13:47,449 --> 00:13:45,360

after meeting Luis Elizondo in a great

351
00:13:48,350 --> 00:13:47,459
deal of investigation and information in

352
00:13:50,150 --> 00:13:48,360
between

353
00:13:53,030 --> 00:13:50,160
it's become very apparent to me that

354
00:13:55,850 --> 00:13:53,040
there that the majority of people in in

355
00:13:57,650 --> 00:13:55,860
leadership and in in high offices within

356
00:13:59,750 --> 00:13:57,660
our government within our military

357
00:14:02,210 --> 00:13:59,760
are still subject to the stigma around

358
00:14:03,710 --> 00:14:02,220
this this topic where it's still

359
00:14:05,930 --> 00:14:03,720
believed that in general it's not real

360
00:14:06,829 --> 00:14:05,940
that it's a it's a thing to be scoffed

361
00:14:10,790 --> 00:14:06,839
at

362
00:14:12,410 --> 00:14:10,800
have their mental health questioned over

363
00:14:15,170 --> 00:14:12,420

um now that's changed in the last five

364

00:14:19,550 --> 00:14:15,180

years to a very very large extent but it

365

00:14:21,710 --> 00:14:19,560

still exists and there are factions

366

00:14:23,750 --> 00:14:21,720

within our military and within our

367

00:14:25,610 --> 00:14:23,760

government that seem to be very reticent

368

00:14:27,769 --> 00:14:25,620

to want any of this information to be

369

00:14:30,590 --> 00:14:27,779

transparent they don't seem to want it

370

00:14:32,449 --> 00:14:30,600

to be investigated or or the conclusions

371

00:14:33,590 --> 00:14:32,459

of those investigations to be shared

372

00:14:35,090 --> 00:14:33,600

with the public and that's very

373

00:14:38,690 --> 00:14:35,100

concerning because this has been going

374

00:14:40,610 --> 00:14:38,700

on for 75 years and whether it's atip or

375

00:14:42,949 --> 00:14:40,620

whether it's the uapf

376

00:14:45,650 --> 00:14:42,959

there are numerous programs before that

377

00:14:47,509 --> 00:14:45,660

that had conclusions and that those

378

00:14:49,310 --> 00:14:47,519

conclusions were classified and the

379

00:14:51,650 --> 00:14:49,320

evidence was classified and we still had

380

00:14:54,790 --> 00:14:51,660

not seen it so there is a great deal of

381

00:14:58,910 --> 00:14:54,800

opposition the question is why

382

00:15:01,189 --> 00:14:58,920

Sean I wanted to ask you so

383

00:15:03,590 --> 00:15:01,199

for the past 70 years there have been a

384

00:15:05,750 --> 00:15:03,600

lot of stories either of the researchers

385

00:15:07,850 --> 00:15:05,760

or experiences that have shared all that

386

00:15:10,970 --> 00:15:07,860

they have experienced and all that they

387

00:15:13,430 --> 00:15:10,980

basically have learned learned do you

388

00:15:15,410 --> 00:15:13,440

think the government would ever take a

389

00:15:17,750 --> 00:15:15,420

look at that you know just to see it's

390

00:15:20,269 --> 00:15:17,760

like okay well uh when it comes to court

391

00:15:22,670 --> 00:15:20,279

and I and I witness account is important

392

00:15:24,829 --> 00:15:22,680

you know to recall of of an event

393

00:15:27,170 --> 00:15:24,839

happening and it can be admissible in

394

00:15:29,689 --> 00:15:27,180

court but yet somehow if that is also

395

00:15:31,850 --> 00:15:29,699

the short shared regarding UFOs then

396

00:15:33,710 --> 00:15:31,860

it's just a crazy person talking you

397

00:15:34,910 --> 00:15:33,720

know what are what are your thoughts on

398

00:15:37,430 --> 00:15:34,920

that

399

00:15:39,590 --> 00:15:37,440

we we are all

400

00:15:41,449 --> 00:15:39,600

um under the Yoke of the fact that we we

401
00:15:43,610 --> 00:15:41,459
don't take each other seriously if we

402
00:15:45,050 --> 00:15:43,620
don't want to and we're required to take

403
00:15:46,550 --> 00:15:45,060
each other seriously you just gave a

404
00:15:48,170 --> 00:15:46,560
great example of the fact that someone's

405
00:15:49,790 --> 00:15:48,180
word can condemn another person to

406
00:15:51,829 --> 00:15:49,800
prison

407
00:15:54,050 --> 00:15:51,839
um but it really depends on whether that

408
00:15:56,629 --> 00:15:54,060
jury or that judge believes the

409
00:15:58,850 --> 00:15:56,639
authenticity and and and the confidence

410
00:16:01,370 --> 00:15:58,860
that that person has

411
00:16:03,170 --> 00:16:01,380
um I think that we've reached a new era

412
00:16:04,430 --> 00:16:03,180
based on the evidence and the caliber of

413
00:16:06,410 --> 00:16:04,440

people that are coming forward and

414

00:16:09,350 --> 00:16:06,420

that's not to say that that

415

00:16:11,750 --> 00:16:09,360

that the the other people had a lower

416

00:16:14,449 --> 00:16:11,760

caliber or a lower station per se but

417

00:16:16,250 --> 00:16:14,459

our society does tend to listen to

418

00:16:19,069 --> 00:16:16,260

certain people

419

00:16:20,990 --> 00:16:19,079

um more more closely and and take their

420

00:16:22,370 --> 00:16:21,000

their advice and what they have to say a

421

00:16:23,990 --> 00:16:22,380

little bit more seriously than some

422

00:16:26,449 --> 00:16:24,000

others and I think that now that we have

423

00:16:28,670 --> 00:16:26,459

military personnel coming out risking

424

00:16:31,610 --> 00:16:28,680

their careers risking

425

00:16:33,230 --> 00:16:31,620

um that being stigmatized by their by

426

00:16:35,269 --> 00:16:33,240

their colleagues and and by their

427

00:16:37,430 --> 00:16:35,279

workplace or their government over these

428

00:16:39,590 --> 00:16:37,440

issues that I think that a lot of people

429

00:16:41,210 --> 00:16:39,600

whether in the public and in government

430

00:16:43,370 --> 00:16:41,220

are are granting a great deal of

431

00:16:45,470 --> 00:16:43,380

confidence and so we're seeing an

432

00:16:47,749 --> 00:16:45,480

exponential amount of evidence start to

433

00:16:49,310 --> 00:16:47,759

come out a lot more people talking a lot

434

00:16:52,129 --> 00:16:49,320

more people willing to talk about this

435

00:16:55,430 --> 00:16:52,139

so it comes down to the stigma and it's

436

00:16:57,350 --> 00:16:55,440

tough because as you say some of the

437

00:16:59,090 --> 00:16:57,360

anecdotal reports from folks myself

438

00:16:59,830 --> 00:16:59,100

included if we got into some of the

439

00:17:01,069 --> 00:16:59,840

stranger things

440

00:17:03,710 --> 00:17:01,079

[Music]

441

00:17:05,750 --> 00:17:03,720

um they're not in keeping with a regular

442

00:17:07,549 --> 00:17:05,760

day-to-day existence that most people

443

00:17:09,289 --> 00:17:07,559

that many people claim to want to keep

444

00:17:11,750 --> 00:17:09,299

up and it attacks a lot of people's

445

00:17:13,610 --> 00:17:11,760

beliefs in general so if people can't

446

00:17:15,829 --> 00:17:13,620

find a way to fit in

447

00:17:19,429 --> 00:17:15,839

their beliefs with this for some people

448

00:17:22,250 --> 00:17:19,439

it's just too much to take stigma or not

449

00:17:25,010 --> 00:17:22,260

so you just said something that piqued

450

00:17:26,929 --> 00:17:25,020

my interest so other than observing was

451
00:17:28,490 --> 00:17:26,939
have you had any kind of experiences

452
00:17:31,789 --> 00:17:28,500
that kind of

453
00:17:34,370 --> 00:17:31,799
um mimic uh those from experiences that

454
00:17:37,070 --> 00:17:34,380
share about the feelings or what went on

455
00:17:38,990 --> 00:17:37,080
you know during being I guess in close

456
00:17:41,150 --> 00:17:39,000
proximity of some of these things can

457
00:17:44,270 --> 00:17:41,160
you maybe share a little bit of that if

458
00:17:45,830 --> 00:17:44,280
you have any of those experiences yeah

459
00:17:47,510 --> 00:17:45,840
for the first few years that I was

460
00:17:49,549 --> 00:17:47,520
working on this topic I was reticent to

461
00:17:51,049 --> 00:17:49,559
talk about all the experiences I've had

462
00:17:52,789 --> 00:17:51,059
I would talk offline with with

463
00:17:54,169 --> 00:17:52,799

researchers or interviewers about them

464

00:17:56,450 --> 00:17:54,179

but

465

00:17:58,789 --> 00:17:56,460

um I was I was still subject to the

466

00:18:01,250 --> 00:17:58,799

stigma and a little scared but

467

00:18:03,049 --> 00:18:01,260

this is something when we talk about UAP

468

00:18:05,210 --> 00:18:03,059

or the phenomenon this is something that

469

00:18:07,010 --> 00:18:05,220

I've been experiencing since childhood

470

00:18:10,070 --> 00:18:07,020

um I've had

471

00:18:11,270 --> 00:18:10,080

I've had different craft as even people

472

00:18:14,029 --> 00:18:11,280

would say that I've seen different

473

00:18:16,490 --> 00:18:14,039

shapes different interesting experiences

474

00:18:17,990 --> 00:18:16,500

lost time

475

00:18:20,990 --> 00:18:18,000

um and what many people would

476
00:18:23,750 --> 00:18:21,000
classically call abduction experiences

477
00:18:25,370 --> 00:18:23,760
um due to the fact that I was a I was a

478
00:18:27,950 --> 00:18:25,380
I was a

479
00:18:30,470 --> 00:18:27,960
investigator trained forensics

480
00:18:32,630 --> 00:18:30,480
investigator detective a police officer

481
00:18:35,870 --> 00:18:32,640
in the military

482
00:18:37,669 --> 00:18:35,880
to me my own stories are something that

483
00:18:39,890 --> 00:18:37,679
that I have to keep in a certain little

484
00:18:41,750 --> 00:18:39,900
bucket over here and I keep them fenced

485
00:18:43,310 --> 00:18:41,760
off and it's only been the last couple

486
00:18:45,650 --> 00:18:43,320
of years that I've allowed myself to

487
00:18:47,029 --> 00:18:45,660
compare some of my experiences with the

488
00:18:48,289 --> 00:18:47,039

research I've done and the things that

489

00:18:49,730 --> 00:18:48,299

I've read

490

00:18:51,710 --> 00:18:49,740

and

491

00:18:54,110 --> 00:18:51,720

I dare say that I found myself more

492

00:18:55,789 --> 00:18:54,120

confused than ever

493

00:18:59,990 --> 00:18:55,799

um because there's there's still

494

00:19:01,970 --> 00:19:00,000

something in my I'm not able to present

495

00:19:06,049 --> 00:19:01,980

um I'm not confident and confident

496

00:19:07,909 --> 00:19:06,059

enough to tell details of my experiences

497

00:19:09,830 --> 00:19:07,919

to other people yet

498

00:19:10,909 --> 00:19:09,840

because I'm not sure of those details

499

00:19:12,950 --> 00:19:10,919

yet

500

00:19:15,289 --> 00:19:12,960

um and I'm not sure that that all of

501
00:19:19,610 --> 00:19:15,299
those things are are valid memories

502
00:19:22,010 --> 00:19:19,620
versus perhaps a perhaps a lucid dream

503
00:19:23,510 --> 00:19:22,020
um and I've studied lucid dreaming

504
00:19:25,909 --> 00:19:23,520
astral projection

505
00:19:27,650 --> 00:19:25,919
hypnotism neuro-linguistic programming

506
00:19:29,330 --> 00:19:27,660
all of those things in a search to try

507
00:19:33,409 --> 00:19:29,340
to understand if there's a way that we

508
00:19:37,430 --> 00:19:33,419
can differentiate between

509
00:19:39,890 --> 00:19:37,440
um between the authenticity of memory

510
00:19:42,169 --> 00:19:39,900
um so I know that a lot of us

511
00:19:43,909 --> 00:19:42,179
we have these experiences and we have

512
00:19:45,710 --> 00:19:43,919
memories and and they seem to correspond

513
00:19:47,810 --> 00:19:45,720

with other people's experiences and we

514

00:19:50,570 --> 00:19:47,820

can we can do research that seems to

515

00:19:52,669 --> 00:19:50,580

tell us meaning and origin and things

516

00:19:54,770 --> 00:19:52,679

like that but I haven't reached a point

517

00:19:56,590 --> 00:19:54,780

in my own experience with the phenomenon

518

00:19:58,430 --> 00:19:56,600

where meaning

519

00:20:01,190 --> 00:19:58,440

origin

520

00:20:02,690 --> 00:20:01,200

Etc are very clear to me

521

00:20:06,110 --> 00:20:02,700

um

522

00:20:07,669 --> 00:20:06,120

I'm also a person that's really

523

00:20:10,070 --> 00:20:07,679

I guess the word of the night is

524

00:20:13,730 --> 00:20:10,080

reticent but reticent to um to dive into

525

00:20:16,549 --> 00:20:13,740

things like uh Ascension culture and um

526

00:20:19,190 --> 00:20:16,559

and people that talk about you know

527

00:20:20,570 --> 00:20:19,200

these vast and deep messages that they

528

00:20:22,430 --> 00:20:20,580

claim that they're that they're gaining

529

00:20:24,890 --> 00:20:22,440

from the phenomenon I'm not having that

530

00:20:26,690 --> 00:20:24,900

same experience so I try not to

531

00:20:28,669 --> 00:20:26,700

I try not to step on other people's

532

00:20:30,950 --> 00:20:28,679

anecdotes and experience but I have a

533

00:20:32,210 --> 00:20:30,960

hard time accepting a great deal of

534

00:20:35,450 --> 00:20:32,220

ufology

535

00:20:37,970 --> 00:20:35,460

uh for lack of a better word

536

00:20:40,010 --> 00:20:37,980

do you think that if you did come out

537

00:20:41,270 --> 00:20:40,020

and just share some of these other

538

00:20:45,289 --> 00:20:41,280

stories that you had personally

539

00:20:47,090 --> 00:20:45,299

experienced that you will be kind of

540

00:20:50,510 --> 00:20:47,100

um I guess locked out of some

541

00:20:52,789 --> 00:20:50,520

information you know by by your peers or

542

00:20:56,330 --> 00:20:52,799

or would they be like okay well let's

543

00:20:58,669 --> 00:20:58,070

it's a good question

544

00:21:00,830 --> 00:20:58,679

um

545

00:21:02,270 --> 00:21:00,840

I think that there are people that I

546

00:21:04,610 --> 00:21:02,280

that I might have a chance to work with

547

00:21:07,010 --> 00:21:04,620

in the next few years uh for advocacy

548

00:21:08,930 --> 00:21:07,020

that would be turned off by hearing some

549

00:21:09,770 --> 00:21:08,940

of the details of my experiences

550

00:21:12,650 --> 00:21:09,780

um

551
00:21:14,630 --> 00:21:12,660
the the the quote-unquote opposition

552
00:21:16,850 --> 00:21:14,640
which is a phrase I don't like to use

553
00:21:18,710 --> 00:21:16,860
um it gives the Ravel that's that's it

554
00:21:20,150 --> 00:21:18,720
doesn't care for this subject uh more

555
00:21:23,210 --> 00:21:20,160
credit than they deserve

556
00:21:24,470 --> 00:21:23,220
but they've used those stories just

557
00:21:26,270 --> 00:21:24,480
within the last couple of weeks I've

558
00:21:27,830 --> 00:21:26,280
gone on a couple of podcasts and talked

559
00:21:30,830 --> 00:21:27,840
about a few experiences in a little more

560
00:21:32,510 --> 00:21:30,840
depth and um they immediately cut those

561
00:21:34,370 --> 00:21:32,520
up with other clips of things and tried

562
00:21:36,230 --> 00:21:34,380
to use them as something to attack my

563
00:21:37,070 --> 00:21:36,240

credibility

564

00:21:38,990 --> 00:21:37,080

um

565

00:21:40,730 --> 00:21:39,000

I have to accept that I have to accept

566

00:21:43,190 --> 00:21:40,740

that there is going to be probably an

567

00:21:44,510 --> 00:21:43,200

organized and and constant attack on my

568

00:21:46,010 --> 00:21:44,520

credibility the more and more I'm

569

00:21:47,870 --> 00:21:46,020

willing to talk about the stranger

570

00:21:50,870 --> 00:21:47,880

aspects of the subject

571

00:21:53,090 --> 00:21:50,880

but I'm not gonna I'm not gonna

572

00:21:54,649 --> 00:21:53,100

I'm not gonna lie to anybody FIB to

573

00:21:56,450 --> 00:21:54,659

anyone make up any stories to make me

574

00:21:58,310 --> 00:21:56,460

sound better I'm very confused at some

575

00:22:00,770 --> 00:21:58,320

of the things I remember

576

00:22:03,470 --> 00:22:00,780

um and I'd like them to make more sense

577

00:22:05,930 --> 00:22:03,480

when it's valuable for all of us I'll

578

00:22:07,549 --> 00:22:05,940

share them but at the moment just being

579

00:22:10,970 --> 00:22:07,559

one more

580

00:22:12,890 --> 00:22:10,980

it the story about let's say a triangle

581

00:22:14,390 --> 00:22:12,900

or a saucer

582

00:22:16,610 --> 00:22:14,400

um I don't feel that the details that

583

00:22:18,710 --> 00:22:16,620

that are involved in those

584

00:22:21,250 --> 00:22:18,720

are

585

00:22:23,450 --> 00:22:21,260

important enough for me to expose myself

586

00:22:26,090 --> 00:22:23,460

to that right now even though it might

587

00:22:28,010 --> 00:22:26,100

be entertaining for a lot of people

588

00:22:31,190 --> 00:22:28,020

um until I have meaning or understanding

589

00:22:32,930 --> 00:22:31,200

it's it's just yet another thing to

590

00:22:34,370 --> 00:22:32,940

place on top of the pile if that makes

591

00:22:36,950 --> 00:22:34,380

sense

592

00:22:40,070 --> 00:22:36,960

it does so you mentioned you know

593

00:22:42,529 --> 00:22:40,080

factions within the government on the

594

00:22:44,090 --> 00:22:42,539

different point of views so one of the

595

00:22:47,029 --> 00:22:44,100

bigger stories is you probably already

596

00:22:48,770 --> 00:22:47,039

know Roswell is as big in the UFO field

597

00:22:50,270 --> 00:22:48,780

and it's one of those things that

598

00:22:52,549 --> 00:22:50,280

started all the different speculations

599

00:22:54,049 --> 00:22:52,559

about do we have ships do we not have

600

00:22:55,010 --> 00:22:54,059

ships where their bodies where they're

601
00:22:57,590 --> 00:22:55,020
not

602
00:22:59,930 --> 00:22:57,600
um from your perspective haven't been on

603
00:23:01,310 --> 00:22:59,940
that side if if there is anything that

604
00:23:03,950 --> 00:23:01,320
you can share could you talk about

605
00:23:05,990 --> 00:23:03,960
something then that maybe we don't know

606
00:23:08,149 --> 00:23:06,000
about it the government actually is

607
00:23:10,010 --> 00:23:08,159
looking into more or is it still just

608
00:23:13,370 --> 00:23:10,020
whatever they release that's it and

609
00:23:15,710 --> 00:23:13,380
there's nothing more you can talk about

610
00:23:17,810 --> 00:23:15,720
well I think the the uh the what's

611
00:23:20,090 --> 00:23:17,820
really going on aspect of this is still

612
00:23:22,549 --> 00:23:20,100
being obscured from us

613
00:23:25,190 --> 00:23:22,559

um I I do believe a great majority of

614

00:23:26,390 --> 00:23:25,200

our leaders our congressmen and Senators

615

00:23:28,669 --> 00:23:26,400

when they are

616

00:23:29,810 --> 00:23:28,679

the way that they're presenting uh the

617

00:23:31,370 --> 00:23:29,820

way that they're interested the

618

00:23:32,930 --> 00:23:31,380

questions they're asking show me that

619

00:23:34,730 --> 00:23:32,940

some have been briefed a little bit more

620

00:23:37,070 --> 00:23:34,740

than others

621

00:23:39,049 --> 00:23:37,080

um but in general we don't have

622

00:23:42,230 --> 00:23:39,059

a place to look to we you should be able

623

00:23:45,350 --> 00:23:42,240

to look to a secretary of defense

624

00:23:47,210 --> 00:23:45,360

um a one of the Chiefs of Staff to to

625

00:23:50,570 --> 00:23:47,220

give answers on this they should have

626

00:23:52,909 --> 00:23:50,580

historical information but if we're to

627

00:23:54,289 --> 00:23:52,919

even cherry pick a little bit of the

628

00:23:57,649 --> 00:23:54,299

zeitgeist

629

00:23:59,210 --> 00:23:57,659

it it seems that at some point the

630

00:24:00,830 --> 00:23:59,220

generalized leadership stopped being

631

00:24:03,770 --> 00:24:00,840

briefed on this topic and it became

632

00:24:05,090 --> 00:24:03,780

compartmentalized stovepiped as they say

633

00:24:07,549 --> 00:24:05,100

so

634

00:24:09,529 --> 00:24:07,559

if we haven't found the stove pipes yet

635

00:24:12,049 --> 00:24:09,539

if the uaptf hasn't found the stove

636

00:24:13,010 --> 00:24:12,059

pipes yet then there are going to be

637

00:24:14,570 --> 00:24:13,020

people that are going to have an

638

00:24:15,950 --> 00:24:14,580

understanding of this that does go back

639

00:24:17,630 --> 00:24:15,960

70 years

640

00:24:20,029 --> 00:24:17,640

and I think the elephant in the room in

641

00:24:21,350 --> 00:24:20,039

this case is the Air Force because the

642

00:24:22,730 --> 00:24:21,360

Air Force has had has the most

643

00:24:24,289 --> 00:24:22,740

involvement

644

00:24:26,810 --> 00:24:24,299

in the topic

645

00:24:28,730 --> 00:24:26,820

and so the answer should come from that

646

00:24:30,230 --> 00:24:28,740

place and they're not and the most

647

00:24:32,029 --> 00:24:30,240

cooperation from the subject matter

648

00:24:33,830 --> 00:24:32,039

experts should come from that place and

649

00:24:36,289 --> 00:24:33,840

they're really not

650

00:24:39,890 --> 00:24:36,299

so does an organized

651
00:24:42,230 --> 00:24:39,900
opposition stem from that

652
00:24:44,090 --> 00:24:42,240
uh I use the word organized Loosely

653
00:24:45,529 --> 00:24:44,100
because it doesn't seem to be very

654
00:24:48,169 --> 00:24:45,539
professional and involves a great deal

655
00:24:51,110 --> 00:24:48,179
of clowns and trolls

656
00:24:52,850 --> 00:24:51,120
um but the fact is is it is being talked

657
00:24:55,490 --> 00:24:52,860
about in the halls of Congress and in

658
00:24:58,250 --> 00:24:55,500
the Senate and it is and when you have

659
00:25:00,950 --> 00:24:58,260
people like uh Kirsten gillibrand you

660
00:25:03,590 --> 00:25:00,960
know telling senior leadership to to

661
00:25:07,310 --> 00:25:03,600
inform themselves and then following up

662
00:25:08,990 --> 00:25:07,320
on those questions and you know we let

663
00:25:10,669 --> 00:25:09,000

me digress for a moment and say that the

664

00:25:12,710 --> 00:25:10,679

the Wilson documents have been entered

665

00:25:14,630 --> 00:25:12,720

into the record now Congress is aware of

666

00:25:16,669 --> 00:25:14,640

those exchanges and what went on and how

667

00:25:19,549 --> 00:25:16,679

those went down we're all still waiting

668

00:25:24,169 --> 00:25:19,559

for the the final report on what it all

669

00:25:27,110 --> 00:25:24,179

means but it's apparent that that

670

00:25:29,210 --> 00:25:27,120

whatever the long-term story is there

671

00:25:31,130 --> 00:25:29,220

are folks that don't want to tell it

672

00:25:32,750 --> 00:25:31,140

and I think that's because along the way

673

00:25:35,210 --> 00:25:32,760

people probably did things that were

674

00:25:37,010 --> 00:25:35,220

seemingly unethical and

675

00:25:37,970 --> 00:25:37,020

um and probably blatantly unethical at

676

00:25:40,370 --> 00:25:37,980

some point

677

00:25:42,230 --> 00:25:40,380

and I can understand the human

678

00:25:44,510 --> 00:25:42,240

predilection to not want to be holding

679

00:25:47,570 --> 00:25:44,520

the bag when it comes down to it but

680

00:25:48,950 --> 00:25:47,580

this this is not this story does not get

681

00:25:51,350 --> 00:25:48,960

better with age

682

00:25:52,610 --> 00:25:51,360

and and it doesn't get better as it gets

683

00:25:54,710 --> 00:25:52,620

older

684

00:25:57,230 --> 00:25:54,720

um there's not a lot of folks on my side

685

00:26:00,649 --> 00:25:57,240

of the fence that spend two seconds

686

00:26:02,690 --> 00:26:00,659

wondering if Roswell was uh real or not

687

00:26:04,789 --> 00:26:02,700

or whether it was UAP related I think it

688

00:26:09,049 --> 00:26:04,799

certainly was

689

00:26:11,330 --> 00:26:09,059

um the the surrounding details are to to

690

00:26:14,269 --> 00:26:11,340

even the most casual Observer once you

691

00:26:15,830 --> 00:26:14,279

dig into it are pretty pretty heavy the

692

00:26:18,950 --> 00:26:15,840

formation of the Air Force within days

693

00:26:20,990 --> 00:26:18,960

of the incident the all of the things

694

00:26:23,750 --> 00:26:21,000

that surround it do not

695

00:26:26,510 --> 00:26:23,760

in any way amount to the the cover story

696

00:26:28,970 --> 00:26:26,520

of project Mogul or the the

697

00:26:32,090 --> 00:26:28,980

um the the merging of those ideas in

698

00:26:33,529 --> 00:26:32,100

people's minds so Roswell would be a

699

00:26:37,250 --> 00:26:33,539

great place for the United States

700

00:26:37,789 --> 00:26:37,260

government to start it could start there

701
00:26:39,890 --> 00:26:37,799
um

702
00:26:42,470 --> 00:26:39,900
but I think that there that leadership

703
00:26:44,210 --> 00:26:42,480
is frankly afraid and I think that when

704
00:26:47,029 --> 00:26:44,220
it comes down to it they're dealing with

705
00:26:48,830 --> 00:26:47,039
this just like the rest of us are

706
00:26:50,930 --> 00:26:48,840
you know let me then bring up something

707
00:26:52,970 --> 00:26:50,940
more recent and um you mentioned

708
00:26:54,830 --> 00:26:52,980
something ever since these balloon flaps

709
00:26:56,450 --> 00:26:54,840
you've been very busy

710
00:26:58,549 --> 00:26:56,460
um is can I ask you some questions

711
00:27:00,590 --> 00:26:58,559
regarding that

712
00:27:02,210 --> 00:27:00,600
so sure so for example when this was

713
00:27:04,310 --> 00:27:02,220

happening my phone was blowing up

714

00:27:06,110 --> 00:27:04,320

everybody looking to me to ask me I'm

715

00:27:08,690 --> 00:27:06,120

like I'm not the government I have no

716

00:27:10,130 --> 00:27:08,700

connections I wish I did you know then I

717

00:27:12,710 --> 00:27:10,140

could at least give whatever information

718

00:27:15,230 --> 00:27:12,720

I possibly could without you know kind

719

00:27:16,430 --> 00:27:15,240

of breaching any kind of security is

720

00:27:19,610 --> 00:27:16,440

there anything that you can speak to

721

00:27:21,649 --> 00:27:19,620

regarding this recent balloon flap and

722

00:27:23,870 --> 00:27:21,659

what is the government actually looking

723

00:27:28,490 --> 00:27:23,880

at for real do they think that this

724

00:27:31,789 --> 00:27:28,500

where UFOs AKA alien related or UFOs SN

725

00:27:33,409 --> 00:27:31,799

okay literally unidentified unidentified

726

00:27:36,590 --> 00:27:33,419

objects if we don't know what they are

727

00:27:39,230 --> 00:27:36,600

and um I found it very strange that they

728

00:27:41,870 --> 00:27:39,240

shot down some things but then can't

729

00:27:44,510 --> 00:27:41,880

you know basically recover anything can

730

00:27:46,610 --> 00:27:44,520

you can you speak to that at all please

731

00:27:49,250 --> 00:27:46,620

I can I'm very I'm very confused and

732

00:27:50,510 --> 00:27:49,260

perturbed by um by the way that all came

733

00:27:52,310 --> 00:27:50,520

out

734

00:27:54,890 --> 00:27:52,320

um the idea that we're shooting things

735

00:27:56,810 --> 00:27:54,900

down that we can't identify is very

736

00:27:58,010 --> 00:27:56,820

frightening to me

737

00:27:59,750 --> 00:27:58,020

um

738

00:28:01,549 --> 00:27:59,760

we've had lots of memes and jokes

739

00:28:04,370 --> 00:28:01,559

surrounding it but had that been

740

00:28:07,010 --> 00:28:04,380

anything other than what we assume it

741

00:28:08,630 --> 00:28:07,020

was was which is foreign surveillance

742

00:28:10,370 --> 00:28:08,640

technology

743

00:28:14,630 --> 00:28:10,380

um then that could have been disastrous

744

00:28:16,490 --> 00:28:14,640

now as far as UAP goes I think we had a

745

00:28:19,490 --> 00:28:16,500

perfect storm of conflation and I think

746

00:28:21,950 --> 00:28:19,500

that the that the the naysayers were

747

00:28:23,570 --> 00:28:21,960

lack of a better word utilize that to

748

00:28:26,750 --> 00:28:23,580

their benefit

749

00:28:29,269 --> 00:28:26,760

um what we saw was was NORAD take

750

00:28:31,130 --> 00:28:29,279

certain filters off of

751

00:28:33,409 --> 00:28:31,140

um the way that that our skies are

752

00:28:36,230 --> 00:28:33,419

monitored and this was done in

753

00:28:38,510 --> 00:28:36,240

conjunction with the ndaa and and and

754

00:28:42,289 --> 00:28:38,520

this subject this was done

755

00:28:43,730 --> 00:28:42,299

due to this subject of UAP now let me

756

00:28:46,310 --> 00:28:43,740

use the metaphor of the ocean for a

757

00:28:47,810 --> 00:28:46,320

moment we have we have sonar out in the

758

00:28:50,630 --> 00:28:47,820

ocean and we have

759

00:28:53,029 --> 00:28:50,640

um detection equipment for National

760

00:28:55,310 --> 00:28:53,039

Defense and for seismic reasons and for

761

00:28:58,850 --> 00:28:55,320

Oceanic reasons and things like that and

762

00:29:01,909 --> 00:28:58,860

they sample a certain portion of the the

763

00:29:04,490 --> 00:29:01,919

Spectrum to gain data back from the

764

00:29:07,730 --> 00:29:04,500

ocean now let's say that once we we

765

00:29:10,730 --> 00:29:07,740

changed that it showed every shark

766

00:29:14,149 --> 00:29:10,740

and every um every whale and every

767

00:29:16,070 --> 00:29:14,159

submarine but if we now differentiating

768

00:29:17,810 --> 00:29:16,080

between those you have to arrive on

769

00:29:19,730 --> 00:29:17,820

scene to find out what they are and you

770

00:29:21,169 --> 00:29:19,740

have to to check the characteristics of

771

00:29:22,789 --> 00:29:21,179

the animal or the machine to

772

00:29:24,230 --> 00:29:22,799

differentiate between your submarine

773

00:29:26,930 --> 00:29:24,240

your shark and your orca

774

00:29:28,909 --> 00:29:26,940

something similar happened in the sky

775

00:29:31,789 --> 00:29:28,919

the filters were removed so anything

776

00:29:33,710 --> 00:29:31,799

below a certain size moving in certain

777

00:29:35,810 --> 00:29:33,720

parameters that before would have

778

00:29:36,470 --> 00:29:35,820

disqualified it

779

00:29:38,870 --> 00:29:36,480

um

780

00:29:41,750 --> 00:29:38,880

are now being picked up by these systems

781

00:29:44,450 --> 00:29:41,760

so an example of that that was used was

782

00:29:46,730 --> 00:29:44,460

a the the system was not designed to

783

00:29:49,490 --> 00:29:46,740

track a missile that was standing still

784

00:29:51,649 --> 00:29:49,500

in the air even if the system saw it as

785

00:29:53,330 --> 00:29:51,659

a missile it was to disregard it if it

786

00:29:55,010 --> 00:29:53,340

was standing still because it was

787

00:29:56,630 --> 00:29:55,020

assumed that nothing can do that and so

788

00:29:59,149 --> 00:29:56,640

it was not a threat

789

00:30:02,090 --> 00:29:59,159

UAP have exhibited the ability to do

790

00:30:04,789 --> 00:30:02,100

things within those guidelines that were

791

00:30:07,250 --> 00:30:04,799

formerly prohibited from the system from

792

00:30:09,110 --> 00:30:07,260

tracking so suddenly there's going to be

793

00:30:11,450 --> 00:30:09,120

a lot more things in the system being

794

00:30:12,470 --> 00:30:11,460

tracked now that brings us back to the

795

00:30:14,630 --> 00:30:12,480

fact that we're shooting down

796

00:30:15,889 --> 00:30:14,640

unidentified things and then not

797

00:30:18,409 --> 00:30:15,899

collecting them

798

00:30:20,690 --> 00:30:18,419

that's that's ridiculous I don't I don't

799

00:30:22,730 --> 00:30:20,700

necessarily believe that

800

00:30:24,470 --> 00:30:22,740

um and even when they talk about these

801

00:30:25,130 --> 00:30:24,480

you know they're in

802

00:30:27,289 --> 00:30:25,140

um

803

00:30:29,029 --> 00:30:27,299

the one that was adjacent to the Yukon

804

00:30:30,590 --> 00:30:29,039

for example

805

00:30:33,409 --> 00:30:30,600

um the idea is that it was too remote

806

00:30:35,810 --> 00:30:33,419

but that's ridiculous had that been a

807

00:30:37,430 --> 00:30:35,820

crude aircraft of ours that we had lost

808

00:30:38,990 --> 00:30:37,440

in that area search and rescue would

809

00:30:42,470 --> 00:30:39,000

have been on the scene nearly

810

00:30:46,310 --> 00:30:42,480

immediately to ensure the the safety of

811

00:30:48,470 --> 00:30:46,320

lives and and and property so we're not

812

00:30:49,610 --> 00:30:48,480

getting the whole story again and we're

813

00:30:51,169 --> 00:30:49,620

not getting the whole story to

814

00:30:52,789 --> 00:30:51,179

understand why these are such why some

815

00:30:55,850 --> 00:30:52,799

of these seem to be exotic shapes like

816

00:30:56,930 --> 00:30:55,860

like tubes or hexagons Etc

817

00:31:00,289 --> 00:30:56,940

um

818

00:31:02,389 --> 00:31:00,299

so it's it's it's worrisome it's the the

819

00:31:03,950 --> 00:31:02,399

water is constantly being muddied every

820

00:31:06,649 --> 00:31:03,960

time we have a chance to make it more

821

00:31:09,230 --> 00:31:06,659

clear unfortunately

822

00:31:11,810 --> 00:31:09,240

and so was it maybe just a out of

823

00:31:13,490 --> 00:31:11,820

embarrassment that if they did recover

824

00:31:16,010 --> 00:31:13,500

whatever they recovered it turned out

825

00:31:18,289 --> 00:31:16,020

just to be some monitoring device and

826

00:31:20,510 --> 00:31:18,299

they went all out with what how much did

827

00:31:22,909 --> 00:31:20,520

they cost four hundred thousand dollars

828

00:31:28,130 --> 00:31:22,919

for permissile and went all out that way

829

00:31:33,889 --> 00:31:31,850

perhaps it's it's possible I don't

830

00:31:35,870 --> 00:31:33,899

I don't think Saving Face In this case

831

00:31:38,029 --> 00:31:35,880

would I think there there's not a lot of

832

00:31:39,590 --> 00:31:38,039

face to say when you are spending a lot

833

00:31:40,970 --> 00:31:39,600

of money I'm not sure the exact cost I

834

00:31:42,350 --> 00:31:40,980

misquoted it once so I don't want to get

835

00:31:45,110 --> 00:31:42,360

caught doing that again

836

00:31:47,269 --> 00:31:45,120

um you're probably right but but again

837

00:31:49,490 --> 00:31:47,279

using missiles to shoot down balloons

838

00:31:51,710 --> 00:31:49,500

seems like a disproportionate use of the

839

00:31:53,269 --> 00:31:51,720

of the taxpayers money

840

00:31:55,310 --> 00:31:53,279

um especially balloons that they're

841

00:31:56,870 --> 00:31:55,320

telling us uh you know the the sensor

842

00:31:58,490 --> 00:31:56,880

Suite on there is no big deal really

843

00:32:00,470 --> 00:31:58,500

it's we didn't really care what it was

844

00:32:02,510 --> 00:32:00,480

collecting uh it wasn't over any

845

00:32:04,610 --> 00:32:02,520

important areas but then all of a sudden

846

00:32:05,870 --> 00:32:04,620

we're shooting them down all over the

847

00:32:07,730 --> 00:32:05,880

place

848

00:32:10,789 --> 00:32:07,740

that's one of the possible reasons it

849

00:32:12,710 --> 00:32:10,799

would be pure speculation but it the

850

00:32:15,230 --> 00:32:12,720

it comes down to why don't they want us

851

00:32:17,049 --> 00:32:15,240

to know you know even if we're in a

852

00:32:19,789 --> 00:32:17,059

political environment where

853

00:32:22,070 --> 00:32:19,799

every situation is a no-win situation

854

00:32:23,810 --> 00:32:22,080

when put up against the opposition we're

855

00:32:26,090 --> 00:32:23,820

so bifurcated in our in our beliefs

856

00:32:28,909 --> 00:32:26,100

right now that it's not as if they were

857

00:32:31,970 --> 00:32:28,919

they were going to lose hearts and Minds

858

00:32:33,649 --> 00:32:31,980

um so why didn't they

859

00:32:36,169 --> 00:32:33,659

you know they had they had a chance to

860

00:32:39,130 --> 00:32:36,179

to have another I guess Jesse Marcel

861

00:32:42,250 --> 00:32:39,140

moment and show off the balloon

862

00:32:44,210 --> 00:32:42,260

they didn't that's ridiculous

863

00:32:46,430 --> 00:32:44,220

all of these things should have been

864

00:32:48,710 --> 00:32:46,440

taken to a warehouse and photographed

865

00:32:51,529 --> 00:32:48,720

and forensic investigation should have

866

00:32:53,889 --> 00:32:51,539

been done and uh serial number tracking

867

00:32:56,210 --> 00:32:53,899

on the equipment and

868

00:32:57,950 --> 00:32:56,220

there's a thousand directions to go in

869

00:32:59,389 --> 00:32:57,960

this investigation and I'm still baffled

870

00:33:01,070 --> 00:32:59,399

that they just fired a missile of stuff

871

00:33:03,649 --> 00:33:01,080

over the Yukon and let it fall down to

872

00:33:06,409 --> 00:33:03,659

the ground and flew away

873

00:33:08,810 --> 00:33:06,419

you know regarding this scenario and I

874

00:33:10,909 --> 00:33:08,820

guess many other scenarios that involves

875

00:33:13,370 --> 00:33:10,919

the government having done these

876

00:33:15,049 --> 00:33:13,380

interviews for for a long time and just

877

00:33:16,730 --> 00:33:15,059

talking to people in general there's

878

00:33:20,090 --> 00:33:16,740

always been this

879

00:33:22,310 --> 00:33:20,100

this blanket that they you know that

880

00:33:24,649 --> 00:33:22,320

would include every single person from

881

00:33:26,930 --> 00:33:24,659

the lowest rank Soldier to the highest

882

00:33:28,610 --> 00:33:26,940

that they're all in on everything and

883

00:33:30,769 --> 00:33:28,620

whatever is happening is you know

884

00:33:32,870 --> 00:33:30,779

happening against you know our benefit

885

00:33:35,930 --> 00:33:32,880

and so that's something to be angry

886

00:33:38,750 --> 00:33:35,940

about being you know having you know

887

00:33:41,029 --> 00:33:38,760

being on that side what is that from

888

00:33:43,009 --> 00:33:41,039

your perspective it's like you know can

889

00:33:44,810 --> 00:33:43,019

something like that occur you know or is

890

00:33:47,210 --> 00:33:44,820

it just literally just every single

891

00:33:49,190 --> 00:33:47,220

person doing their thing the job that

892

00:33:51,649 --> 00:33:49,200

they are taught to do you know in

893

00:33:53,269 --> 00:33:51,659

whatever rank they are and they just not

894

00:33:55,430 --> 00:33:53,279

really questioning the orders because

895

00:33:57,950 --> 00:33:55,440

they're coming from up top you know can

896

00:33:59,269 --> 00:33:57,960

you speak a little bit to that please

897

00:34:00,529 --> 00:33:59,279

I think it took a little bit of

898

00:34:02,389 --> 00:34:00,539

everything

899

00:34:04,669 --> 00:34:02,399

um I think your average person in the

900

00:34:06,769 --> 00:34:04,679

military I give them more credit for

901
00:34:07,669 --> 00:34:06,779
being intelligent folks than most people

902
00:34:09,349 --> 00:34:07,679
might

903
00:34:12,230 --> 00:34:09,359
people in the military do see when

904
00:34:15,349 --> 00:34:12,240
things are aren't right or don't make

905
00:34:18,710 --> 00:34:15,359
sense or aren't efficient or waste money

906
00:34:20,389 --> 00:34:18,720
um or or God forbid loss of life or or

907
00:34:23,270 --> 00:34:20,399
unethical

908
00:34:26,450 --> 00:34:23,280
but how much voice someone has and how

909
00:34:28,669 --> 00:34:26,460
willing they are to use that voice

910
00:34:31,310 --> 00:34:28,679
um very is a great deal

911
00:34:33,649 --> 00:34:31,320
right now this subject is is barely

912
00:34:35,030 --> 00:34:33,659
reaching the uh the general public in a

913
00:34:36,109 --> 00:34:35,040

serious fashion

914

00:34:37,369 --> 00:34:36,119

um the folks that are going to be at

915

00:34:39,770 --> 00:34:37,379

your conference that we're going to be

916

00:34:41,270 --> 00:34:39,780

speaking to are all have all have a

917

00:34:42,829 --> 00:34:41,280

vested interest in this for one reason

918

00:34:45,230 --> 00:34:42,839

or another and they've gone to Great

919

00:34:46,849 --> 00:34:45,240

Lengths to be involved in it but to the

920

00:34:48,409 --> 00:34:46,859

average person this is just a question

921

00:34:52,550 --> 00:34:48,419

that comes up once in a while at a

922

00:34:54,109 --> 00:34:52,560

cocktail party or it's the the

923

00:34:56,270 --> 00:34:54,119

um the subject of their their late night

924

00:34:58,730 --> 00:34:56,280

entertainment

925

00:35:01,730 --> 00:34:58,740

um Let me let me shift over and say that

926

00:35:02,990 --> 00:35:01,740

this subject has not been politicized

927

00:35:04,790 --> 00:35:03,000

yet

928

00:35:06,109 --> 00:35:04,800

um almost every other subject every

929

00:35:08,930 --> 00:35:06,119

other thing you and I would want to talk

930

00:35:10,910 --> 00:35:08,940

about about solving in our in our

931

00:35:13,190 --> 00:35:10,920

society has been politicized at this

932

00:35:14,510 --> 00:35:13,200

point where if you have an opinion about

933

00:35:16,550 --> 00:35:14,520

making it better it's going to make

934

00:35:18,230 --> 00:35:16,560

somebody else angry or if you have an

935

00:35:19,730 --> 00:35:18,240

opinion about making it going away it's

936

00:35:22,730 --> 00:35:19,740

going to have a great deal of of

937

00:35:25,430 --> 00:35:22,740

opposition to it so

938

00:35:27,530 --> 00:35:25,440

let me say that we have things still in

939

00:35:29,690 --> 00:35:27,540

our culture that that are absolutely

940

00:35:32,690 --> 00:35:29,700

ridiculous the idea that an entire town

941

00:35:35,329 --> 00:35:32,700

in Michigan Flint Michigan still has no

942

00:35:37,609 --> 00:35:35,339

potable drinking water still has the

943

00:35:40,490 --> 00:35:37,619

same problems after all these years

944

00:35:41,630 --> 00:35:40,500

who who has the authority to change that

945

00:35:42,950 --> 00:35:41,640

and I think a lot of us would start

946

00:35:45,170 --> 00:35:42,960

pointing fingers and we would say those

947

00:35:47,630 --> 00:35:45,180

people have the authority why can't we

948

00:35:49,490 --> 00:35:47,640

hold each other accountable when it's

949

00:35:51,290 --> 00:35:49,500

simple things like drinking water now

950

00:35:53,750 --> 00:35:51,300

we're into a complicated subject like a

951
00:35:55,910 --> 00:35:53,760
75 year old obfuscated

952
00:36:00,349 --> 00:35:55,920
subject like unidentified aerial

953
00:36:05,030 --> 00:36:00,359
phenomena UFO possible aliens crypto

954
00:36:09,290 --> 00:36:07,310
it's daunting

955
00:36:11,569 --> 00:36:09,300
um until until there is a Tipping Point

956
00:36:13,730 --> 00:36:11,579
in the public eye on this subject until

957
00:36:16,310 --> 00:36:13,740
it becomes something that that enough

958
00:36:18,410 --> 00:36:16,320
people in the public say is important we

959
00:36:19,970 --> 00:36:18,420
want answers and we're not gonna

960
00:36:21,770 --> 00:36:19,980
we're not going to stand for for

961
00:36:24,230 --> 00:36:21,780
ignorance anymore

962
00:36:26,089 --> 00:36:24,240
I think this will remain on the in the

963
00:36:27,710 --> 00:36:26,099

halls of Congress and in and around the

964

00:36:31,130 --> 00:36:27,720

corners and in the shadows and on the

965

00:36:32,870 --> 00:36:31,140

conference circuit but we have to find a

966

00:36:35,750 --> 00:36:32,880

way to make people who have not

967

00:36:37,310 --> 00:36:35,760

experienced the phenomena who have not

968

00:36:39,050 --> 00:36:37,320

witnessed the phenomena or had it

969

00:36:41,750 --> 00:36:39,060

touched their lives become interested in

970

00:36:43,550 --> 00:36:41,760

this and I still haven't figured that

971

00:36:45,589 --> 00:36:43,560

out yet

972

00:36:48,589 --> 00:36:45,599

yeah I know just uh actually just

973

00:36:50,930 --> 00:36:48,599

yesterday it was really funny I saw uh

974

00:36:53,450 --> 00:36:50,940

one of my friends and he and there were

975

00:36:55,970 --> 00:36:53,460

a group a group of them and I got to

976

00:36:57,770 --> 00:36:55,980

this meeting late late and so he was

977

00:36:59,990 --> 00:36:57,780

like oh here comes the UFO conspiracy

978

00:37:01,670 --> 00:37:00,000

theorists you know and I just sat down I

979

00:37:03,349 --> 00:37:01,680

was looking at him and I mean at this it

980

00:37:04,970 --> 00:37:03,359

didn't like hurt my feelings or anything

981

00:37:07,069 --> 00:37:04,980

like that but I sat down and looked at

982

00:37:10,430 --> 00:37:07,079

him I said so the government has a

983

00:37:12,589 --> 00:37:10,440

office on uaps to collect data there's

984

00:37:16,430 --> 00:37:12,599

The Tick Tock footage that was released

985

00:37:18,710 --> 00:37:16,440

and and very credible military uh you

986

00:37:20,390 --> 00:37:18,720

know personnel has talked about this we

987

00:37:22,310 --> 00:37:20,400

have Congressional hearings about this

988

00:37:25,310 --> 00:37:22,320

tell me again which part of this is

989

00:37:27,109 --> 00:37:25,320

conspiracy you know because for some

990

00:37:28,670 --> 00:37:27,119

reason somehow to the you know because

991

00:37:31,190 --> 00:37:28,680

these guys I would consider as normal

992

00:37:33,170 --> 00:37:31,200

everyday average Americans you know they

993

00:37:35,750 --> 00:37:33,180

have not seen that or not heard about

994

00:37:37,849 --> 00:37:35,760

that until I mentioned something so

995

00:37:40,430 --> 00:37:37,859

maybe I don't know it's it's it's really

996

00:37:43,130 --> 00:37:40,440

I know sad that that you know they were

997

00:37:45,050 --> 00:37:43,140

failed by media out there to be not

998

00:37:46,609 --> 00:37:45,060

informed about something as basic as

999

00:37:48,230 --> 00:37:46,619

that

1000

00:37:50,870 --> 00:37:48,240

well I don't see you as a conspiracy

1001
00:37:52,849 --> 00:37:50,880
theorist ICU as a conspiracy realist

1002
00:37:54,349 --> 00:37:52,859
because the definition of a conspiracy

1003
00:37:56,690 --> 00:37:54,359
you only you only need a couple of folks

1004
00:38:00,050 --> 00:37:56,700
to get together and decide to do no good

1005
00:38:01,849 --> 00:38:00,060
to have a conspiracy right and there's

1006
00:38:04,490 --> 00:38:01,859
certainly more than a handful of folks

1007
00:38:07,430 --> 00:38:04,500
involved in keeping these secrets and

1008
00:38:10,250 --> 00:38:07,440
um and using this subject to confuse

1009
00:38:12,829 --> 00:38:10,260
people using it as an intelligence

1010
00:38:15,890 --> 00:38:12,839
um tool against our enemies and perhaps

1011
00:38:18,470 --> 00:38:15,900
unfortunately against our own folks

1012
00:38:20,329 --> 00:38:18,480
um in some way shape or form

1013
00:38:23,810 --> 00:38:20,339

um it

1014

00:38:26,030 --> 00:38:23,820

there is a conspiracy but we have also

1015

00:38:27,829 --> 00:38:26,040

been taught that conspiracies are are

1016

00:38:30,050 --> 00:38:27,839

practically entertainment now

1017

00:38:32,150 --> 00:38:30,060

oh right right they're all they're all

1018

00:38:34,730 --> 00:38:32,160

for late night History Channel and other

1019

00:38:38,030 --> 00:38:34,740

shows and you know

1020

00:38:40,190 --> 00:38:38,040

um the word lost it's important

1021

00:38:42,109 --> 00:38:40,200

yeah and most of those most of those

1022

00:38:43,790 --> 00:38:42,119

conspiracies have some grain of Truth at

1023

00:38:45,770 --> 00:38:43,800

their Center that's what that's how the

1024

00:38:47,410 --> 00:38:45,780

story grew up around them but if you

1025

00:38:49,849 --> 00:38:47,420

cast enough dispersion on the truth

1026

00:38:52,970 --> 00:38:49,859

eventually people will look in the

1027

00:38:55,550 --> 00:38:52,980

mirror and deny their own names

1028

00:38:57,349 --> 00:38:55,560

yeah well let me make this announcement

1029

00:38:59,810 --> 00:38:57,359

real quick so for those of you watching

1030

00:39:01,450 --> 00:38:59,820

in about seven to eight minutes

1031

00:39:04,130 --> 00:39:01,460

um Sean is going to take some questions

1032

00:39:06,290 --> 00:39:04,140

uh for those who would like to ask a

1033

00:39:08,450 --> 00:39:06,300

question please submit it in the chat

1034

00:39:11,690 --> 00:39:08,460

below uh please make sure to put three

1035

00:39:13,430 --> 00:39:11,700

asterix's so that I know it's in um it's

1036

00:39:15,650 --> 00:39:13,440

a question for me to read out loud

1037

00:39:17,690 --> 00:39:15,660

instead of just the chatter that you

1038

00:39:20,390 --> 00:39:17,700

guys usually do in the rooms and then of

1039

00:39:22,670 --> 00:39:20,400

course at the UFO Hub telegram voice

1040

00:39:25,550 --> 00:39:22,680

chat is going on right now as well where

1041

00:39:28,010 --> 00:39:25,560

you can join it and raise your hand and

1042

00:39:31,010 --> 00:39:28,020

you'll be able to talk to Sean directly

1043

00:39:33,770 --> 00:39:31,020

only to ask a question I hope not to

1044

00:39:36,290 --> 00:39:33,780

have a whole paragraph of of information

1045

00:39:38,270 --> 00:39:36,300

so anyway just letting you know then in

1046

00:39:40,190 --> 00:39:38,280

about I guess seven minutes now we will

1047

00:39:43,190 --> 00:39:40,200

go to q a so please have your questions

1048

00:39:45,650 --> 00:39:43,200

ready so Sean um

1049

00:39:46,490 --> 00:39:45,660

do you ever see maybe in the next five

1050

00:39:49,490 --> 00:39:46,500

years

1051
00:39:51,290 --> 00:39:49,500
or anything drastic to happen within the

1052
00:39:53,450 --> 00:39:51,300
government and the acceptance of these

1053
00:39:55,190 --> 00:39:53,460
you know of this UFO subject or is it

1054
00:39:57,410 --> 00:39:55,200
still going to be the same as it has

1055
00:39:59,329 --> 00:39:57,420
been for the past 70 years maybe we'll

1056
00:40:01,190 --> 00:39:59,339
have some some spikes like we did with

1057
00:40:03,770 --> 00:40:01,200
the balloons and maybe some spikes that

1058
00:40:05,810 --> 00:40:03,780
we did in 17 with some footage it's very

1059
00:40:08,690 --> 00:40:05,820
you know interesting being released but

1060
00:40:10,790 --> 00:40:08,700
then other than that that's as far so it

1061
00:40:13,609 --> 00:40:10,800
will go

1062
00:40:16,550 --> 00:40:13,619
I think those are all possibilities

1063
00:40:17,990 --> 00:40:16,560

um but I do I'm very optimistic there

1064

00:40:19,490 --> 00:40:18,000

are a lot of things being done on the

1065

00:40:20,510 --> 00:40:19,500

international front to bring this to the

1066

00:40:22,790 --> 00:40:20,520

UN

1067

00:40:26,270 --> 00:40:22,800

um project Titan out of San Marino is

1068

00:40:29,210 --> 00:40:26,280

one of those other efforts as well to to

1069

00:40:31,910 --> 00:40:29,220

collate data to bring a very

1070

00:40:34,370 --> 00:40:31,920

um a very pragmatic and a very serious

1071

00:40:36,370 --> 00:40:34,380

sight picture of this to leadership and

1072

00:40:40,670 --> 00:40:36,380

to the and to the public

1073

00:40:42,530 --> 00:40:40,680

I see a change coming up I see I see a

1074

00:40:44,030 --> 00:40:42,540

moment where I think that the that

1075

00:40:46,490 --> 00:40:44,040

pragmatism is going to leak into

1076

00:40:50,030 --> 00:40:46,500

leadership and

1077

00:40:55,010 --> 00:40:50,040

an idea of more so of

1078

00:40:57,470 --> 00:40:55,020

um of amnesty okay of moving forward of

1079

00:40:59,810 --> 00:40:57,480

bringing all of the information out and

1080

00:41:02,030 --> 00:40:59,820

and and and saying listen whatever

1081

00:41:03,950 --> 00:41:02,040

happened in the past post World War II

1082

00:41:05,089 --> 00:41:03,960

and during the Cold War

1083

00:41:07,370 --> 00:41:05,099

um we're going to have to look at it

1084

00:41:08,870 --> 00:41:07,380

through the lens of those challenges and

1085

00:41:10,490 --> 00:41:08,880

the challenges that came out of all of

1086

00:41:12,290 --> 00:41:10,500

the people who let's face it the whole

1087

00:41:14,329 --> 00:41:12,300

world suffering post traumatic stress

1088

00:41:16,730 --> 00:41:14,339

disorder after World War II

1089

00:41:18,170 --> 00:41:16,740

and then to to walk right into this

1090

00:41:20,150 --> 00:41:18,180

subject and have to deal with it

1091

00:41:21,950 --> 00:41:20,160

immediately I don't blame them so call

1092

00:41:23,329 --> 00:41:21,960

me an apologist if you want to but we

1093

00:41:26,510 --> 00:41:23,339

need to move forward

1094

00:41:28,370 --> 00:41:26,520

and if it's the shame of the past or

1095

00:41:30,290 --> 00:41:28,380

past mistakes or the sins of the father

1096

00:41:33,230 --> 00:41:30,300

in some way that have kept us from

1097

00:41:35,630 --> 00:41:33,240

telling the truth then I think it's time

1098

00:41:37,970 --> 00:41:35,640

for us to bring everybody in and and

1099

00:41:41,690 --> 00:41:37,980

just cut him some slack tell the truth

1100

00:41:43,130 --> 00:41:41,700

fix it and move on so there are efforts

1101

00:41:44,270 --> 00:41:43,140

to do that

1102

00:41:45,829 --> 00:41:44,280

um there are efforts to move this

1103

00:41:47,690 --> 00:41:45,839

forward into it onto the international

1104

00:41:50,750 --> 00:41:47,700

stage get the rest of the world around

1105

00:41:53,450 --> 00:41:50,760

this problem so it's not just a a an

1106

00:41:56,870 --> 00:41:53,460

american-centric problem so I'm I'm very

1107

00:41:58,609 --> 00:41:56,880

optimistic now if all of us are are

1108

00:42:00,890 --> 00:41:58,619

happy to be quiet and go home and watch

1109

00:42:03,170 --> 00:42:00,900

this on late night TV and Munch popcorn

1110

00:42:05,510 --> 00:42:03,180

then it will be exactly what it has been

1111

00:42:07,910 --> 00:42:05,520

for the last 75 years I think that the

1112

00:42:10,430 --> 00:42:07,920

there are enough powers that be so to

1113

00:42:13,069 --> 00:42:10,440

1113
speak that would love to wipe this right

1114
00:42:14,630 --> 00:42:13,079
back under the carpet and stomp it out

1115
00:42:16,310 --> 00:42:14,640
um it's imperative that folks like us

1116
00:42:18,950 --> 00:42:16,320
they're willing to put the effort into

1117
00:42:21,470 --> 00:42:18,960
this and to come together to meet that

1118
00:42:24,230 --> 00:42:21,480
we keep working and we keep refining our

1119
00:42:25,910 --> 00:42:24,240
elevator speeches and taking the the

1120
00:42:27,770 --> 00:42:25,920
sensationalism out of our subject and

1121
00:42:29,390 --> 00:42:27,780
make it more palatable for the the

1122
00:42:32,329 --> 00:42:29,400
general public and for leadership and I

1123
00:42:34,250 --> 00:42:32,339
think we'll get where we want to go

1124
00:42:37,310 --> 00:42:34,260
you know I wanted to ask you a question

1125
00:42:38,990 --> 00:42:37,320
that um something that stood out when I

1126
00:42:41,210 --> 00:42:39,000
first was reading it and I'm sorry I

1127
00:42:44,150 --> 00:42:41,220
can't recall if it was the initial

1128
00:42:46,790 --> 00:42:44,160
report your full report that came out or

1129
00:42:48,710 --> 00:42:46,800
after the UAP office was formed but you

1130
00:42:50,690 --> 00:42:48,720
know the whole list about all these

1131
00:42:52,790 --> 00:42:50,700
things the purpose of what it they will

1132
00:42:54,950 --> 00:42:52,800
do and again I can't I don't remember

1133
00:42:56,569 --> 00:42:54,960
exactly which one it was it said

1134
00:42:59,270 --> 00:42:56,579
something very interesting that it would

1135
00:43:00,710 --> 00:42:59,280
also collect data and I'm really hoping

1136
00:43:03,770 --> 00:43:00,720
I'm not mistaken on this part but it

1137
00:43:07,309 --> 00:43:03,780
will collect data on the effect physical

1138
00:43:09,470 --> 00:43:07,319

effect on people by uaps and I thought

1139

00:43:10,730 --> 00:43:09,480

that was interesting because I never

1140

00:43:12,109 --> 00:43:10,740

really you know because I thought they

1141

00:43:14,690 --> 00:43:12,119

were just going to keep it on a data

1142

00:43:15,950 --> 00:43:14,700

level you know and not you know go as

1143

00:43:17,630 --> 00:43:15,960

far as that

1144

00:43:19,849 --> 00:43:17,640

um can you please speak a little bit

1145

00:43:21,650 --> 00:43:19,859

about that or whether or not someone you

1146

00:43:23,870 --> 00:43:21,660

know or yourself you know has been

1147

00:43:26,510 --> 00:43:23,880

affected physically your senses or or

1148

00:43:29,450 --> 00:43:26,520

whichever way by a close proximity of a

1149

00:43:33,650 --> 00:43:31,490

um I don't know if I ever have or not

1150

00:43:35,390 --> 00:43:33,660

I've never submitted to a body scan or

1151

00:43:38,150 --> 00:43:35,400

MRI I've never been

1152

00:43:40,069 --> 00:43:38,160

um never been asked to but I do know

1153

00:43:41,329 --> 00:43:40,079

that Dr Gary Nolan has worked in the

1154

00:43:46,730 --> 00:43:41,339

area of

1155

00:43:48,349 --> 00:43:46,740

um now I'm not fully aware of the

1156

00:43:49,849 --> 00:43:48,359

programs he's worked on and he's the

1157

00:43:52,430 --> 00:43:49,859

expert people should turn to to his

1158

00:43:53,329 --> 00:43:52,440

talks and his podcasts but there has

1159

00:43:55,309 --> 00:43:53,339

been

1160

00:43:57,829 --> 00:43:55,319

um research done on this in the past and

1161

00:44:00,890 --> 00:43:57,839

so that means that there is current and

1162

00:44:03,710 --> 00:44:00,900

past data that can be immediately

1163

00:44:06,109 --> 00:44:03,720

um sanitized Declassified given to

1164

00:44:09,950 --> 00:44:06,119

Academia spread across the board to to

1165

00:44:12,890 --> 00:44:09,960

as many um as many great minds as we can

1166

00:44:16,250 --> 00:44:12,900

and I that is something that that must

1167

00:44:18,349 --> 00:44:16,260

be studied because we can't say that

1168

00:44:21,650 --> 00:44:18,359

these things are present and that people

1169

00:44:23,750 --> 00:44:21,660

are not in proximity excuse me proximity

1170

00:44:26,030 --> 00:44:23,760

to them there are American military

1171

00:44:27,890 --> 00:44:26,040

personnel that are on disability

1172

00:44:29,750 --> 00:44:27,900

for after effects from being in

1173

00:44:30,890 --> 00:44:29,760

proximity to UAP when they were powered

1174

00:44:34,250 --> 00:44:30,900

up

1175

00:44:36,349 --> 00:44:34,260

um and so just just as they say

1176

00:44:37,970 --> 00:44:36,359

um if you understand the metaphor of

1177

00:44:40,010 --> 00:44:37,980

crows where there is one there is

1178

00:44:41,569 --> 00:44:40,020

probably many others

1179

00:44:45,230 --> 00:44:41,579

um there these are these are not

1180

00:44:49,490 --> 00:44:45,240

singular cases so

1181

00:44:51,109 --> 00:44:49,500

having having a the uapf excuse me um

1182

00:44:54,109 --> 00:44:51,119

having the arrow office

1183

00:44:55,670 --> 00:44:54,119

collate this data presented to the

1184

00:44:57,410 --> 00:44:55,680

public that's another thing that would

1185

00:44:58,790 --> 00:44:57,420

be very valuable is to have a government

1186

00:45:01,190 --> 00:44:58,800

office

1187

00:45:02,870 --> 00:45:01,200

give the general public and Leadership a

1188

00:45:04,910 --> 00:45:02,880

sight picture of what has happened in

1189

00:45:06,589 --> 00:45:04,920

the past where we are now what are the

1190

00:45:10,250 --> 00:45:06,599

things that actually do occur around

1191

00:45:11,329 --> 00:45:10,260

this subject because the fact is like it

1192

00:45:15,410 --> 00:45:11,339

or not

1193

00:45:17,809 --> 00:45:15,420

abduction scenarios abduction cases seem

1194

00:45:19,609 --> 00:45:17,819

to be a part of this and it makes people

1195

00:45:21,470 --> 00:45:19,619

uncomfortable and there are whole cadres

1196

00:45:23,630 --> 00:45:21,480

who will tell you exactly what it means

1197

00:45:25,609 --> 00:45:23,640

what's going on and tell you how it's

1198

00:45:28,730 --> 00:45:25,619

happening and everything else but we're

1199

00:45:30,250 --> 00:45:28,740

not at a point where we have any kind of

1200

00:45:33,410 --> 00:45:30,260

authoritative

1201

00:45:36,050 --> 00:45:33,420

or homogenized view of that

1202

00:45:38,630 --> 00:45:36,060

so

1203

00:45:39,890 --> 00:45:38,640

just speculating wildly for a moment if

1204

00:45:42,170 --> 00:45:39,900

we were dealing with something like a

1205

00:45:43,430 --> 00:45:42,180

breakaway civilization within our own

1206

00:45:45,950 --> 00:45:43,440

borders

1207

00:45:47,829 --> 00:45:45,960

and that seems kind of crazy but let's

1208

00:45:49,630 --> 00:45:47,839

say the the

1209

00:45:52,609 --> 00:45:49,640

Eisenhower's warning of the

1210

00:45:54,109 --> 00:45:52,619

military-industrial complex was far more

1211

00:45:57,230 --> 00:45:54,119

Sinister than a lot of people believe

1212

00:45:58,550 --> 00:45:57,240

and if someone broke away and I know a

1213

00:46:01,309 --> 00:45:58,560

lot of people have very deep theories

1214

00:46:03,530 --> 00:46:01,319

about that and about Subterranean idea

1215

00:46:05,390 --> 00:46:03,540

you know bases and things like that I

1216

00:46:08,210 --> 00:46:05,400

don't have any any direct evidence for

1217

00:46:10,370 --> 00:46:08,220

that but if those things happened

1218

00:46:12,290 --> 00:46:10,380

those are vastly important for the rest

1219

00:46:13,730 --> 00:46:12,300

of us to understand and to know about

1220

00:46:16,910 --> 00:46:13,740

and

1221

00:46:17,870 --> 00:46:16,920

they're also really mind-blowing

1222

00:46:19,970 --> 00:46:17,880

um

1223

00:46:22,250 --> 00:46:19,980

so I'm I

1224

00:46:24,230 --> 00:46:22,260

it's going to take all hands on deck an

1225

00:46:27,109 --> 00:46:24,240

all hands on deck approach to to

1226

00:46:30,230 --> 00:46:27,119

maintain our our emotional

1227

00:46:34,130 --> 00:46:30,240

um stability through this to keep people

1228

00:46:37,069 --> 00:46:34,140

listening and to stick to the data

1229

00:46:38,150 --> 00:46:37,079

um so I I look forward to the next few

1230

00:46:41,290 --> 00:46:38,160

years but I think they're going to be

1231

00:46:44,450 --> 00:46:41,300

they may be chaotic at some point

1232

00:46:46,970 --> 00:46:44,460

well great thank you for that well uh so

1233

00:46:49,010 --> 00:46:46,980

it's it's that time and uh if you're

1234

00:46:50,809 --> 00:46:49,020

ready we we I'll be giving you some

1235

00:46:52,550 --> 00:46:50,819

questions then from from the people that

1236

00:46:54,290 --> 00:46:52,560

have submitted some of those so anyway

1237

00:46:55,670 --> 00:46:54,300

for those who are watching or just

1238

00:46:57,349 --> 00:46:55,680

tuning in

1239

00:46:59,270 --> 00:46:57,359

um even though you might not know what's

1240

00:47:01,250 --> 00:46:59,280

going on you can still ask a question

1241

00:47:04,309 --> 00:47:01,260

starting now we'll still be on for

1242

00:47:07,790 --> 00:47:04,319

another 15 minutes so now is the time so

1243

00:47:10,069 --> 00:47:07,800

this is a question from light love and

1244

00:47:13,550 --> 00:47:10,079

awake uh the question is many people

1245

00:47:15,770 --> 00:47:13,560

have surreal dreams involving 80s given

1246

00:47:18,050 --> 00:47:15,780

that the powers that be are now

1247

00:47:19,849 --> 00:47:18,060

investigating UFOs any chance that

1248

00:47:23,630 --> 00:47:19,859

people will start to be taken more

1249

00:47:25,670 --> 00:47:23,640

seriously about their E.T experiences

1250

00:47:27,589 --> 00:47:25,680

I think it's possible

1251

00:47:29,809 --> 00:47:27,599

um I think that we would need we need to

1252

00:47:32,150 --> 00:47:29,819

bring in a lot of the experts in the in

1253

00:47:33,950 --> 00:47:32,160

in neuroscience

1254

00:47:37,130 --> 00:47:33,960

that might be able to bridge that gap

1255

00:47:37,910 --> 00:47:37,140

between lucid dreaming and

1256

00:47:40,250 --> 00:47:37,920

um

1257

00:47:42,890 --> 00:47:40,260

and UAP and we're going to need to bring

1258

00:47:45,710 --> 00:47:42,900

in folks for more esoteric studies uh

1259

00:47:49,690 --> 00:47:45,720

meditation uh folks perhaps from the

1260

00:47:52,670 --> 00:47:49,700

Monroe Institute who can explain in a

1261

00:47:55,309 --> 00:47:52,680

non-classical sense how the neuroscience

1262

00:47:56,809 --> 00:47:55,319

and the esoteric ideas meld in together

1263

00:47:59,690 --> 00:47:56,819

because that's what folks like like

1264

00:48:01,790 --> 00:47:59,700

Monroe and others have done is to try to

1265

00:48:04,309 --> 00:48:01,800

dig into their own personal experiences

1266

00:48:06,230 --> 00:48:04,319

using science I believe they've made

1267

00:48:07,849 --> 00:48:06,240

breakthroughs in that and I believe that

1268

00:48:10,190 --> 00:48:07,859

it speaks to the fact that there is

1269

00:48:12,170 --> 00:48:10,200

there is a that we are more than this

1270

00:48:14,870 --> 00:48:12,180

physical body as the Monroe Institute is

1271

00:48:16,910 --> 00:48:14,880

is apt to say but that there are levels

1272

00:48:18,410 --> 00:48:16,920

of reality perhaps above and perhaps

1273

00:48:20,690 --> 00:48:18,420

below us that we have a chance to

1274

00:48:22,370 --> 00:48:20,700

interact with I personally believe that

1275

00:48:24,950 --> 00:48:22,380

UAP

1276

00:48:28,730 --> 00:48:24,960

um utilize those other areas of reality

1277

00:48:30,890 --> 00:48:28,740

at least for um for faster travel uh if

1278

00:48:33,050 --> 00:48:30,900

not utilizing it as an origin or a way

1279

00:48:35,990 --> 00:48:33,060

station or even another place to exist

1280

00:48:37,250 --> 00:48:36,000

so if those are all aspects of this

1281

00:48:39,650 --> 00:48:37,260

phenomenon I don't think the government

1282

00:48:41,510 --> 00:48:39,660

will have a choice in the future but to

1283

00:48:44,030 --> 00:48:41,520

take these aspects more seriously I know

1284

00:48:46,010 --> 00:48:44,040

that that researchers within the

1285

00:48:47,569 --> 00:48:46,020

government are already researching these

1286

00:48:49,309 --> 00:48:47,579

aspects of Consciousness in regards to

1287

00:48:52,010 --> 00:48:49,319

UAP

1288

00:48:55,190 --> 00:48:52,020

great thank you uh the next question is

1289

00:48:58,309 --> 00:48:55,200

actually more of a statement and um uh I

1290

00:49:00,109 --> 00:48:58,319

guess if you could speak to that please

1291

00:49:06,890 --> 00:49:00,119

do it's just the statement from Andrew

1292

00:49:12,410 --> 00:49:08,809

I don't have any evidence of that

1293

00:49:14,870 --> 00:49:12,420

um if that's true that company

1294

00:49:16,730 --> 00:49:14,880

um should be running the world right now

1295

00:49:18,770 --> 00:49:16,740

if they've had that technology since

1296

00:49:21,470 --> 00:49:18,780

2004 or that that

1297

00:49:24,349 --> 00:49:21,480

that group of folks and I think we also

1298

00:49:27,470 --> 00:49:24,359

would have seen it um proliferate more

1299

00:49:30,230 --> 00:49:27,480

uh than just that incident

1300

00:49:32,089 --> 00:49:30,240

um I would I would argue with that I

1301
00:49:34,309 --> 00:49:32,099
don't have enough evidence to say that

1302
00:49:37,609 --> 00:49:34,319
okay the next question is from

1303
00:49:42,109 --> 00:49:37,619
consolation Fleet asking do you think

1304
00:49:45,349 --> 00:49:42,119
that we will ever get a report from aaro

1305
00:49:47,450 --> 00:49:45,359
yes yes I do I think we'll we'll get the

1306
00:49:49,910 --> 00:49:47,460
reports that were mandated or you'll see

1307
00:49:51,829 --> 00:49:49,920
people fired or you'll see um

1308
00:49:53,930 --> 00:49:51,839
you know we know how government Works

1309
00:49:55,790 --> 00:49:53,940
Government doesn't always do what it's

1310
00:49:57,410 --> 00:49:55,800
supposed to but again there we are we're

1311
00:49:59,690 --> 00:49:57,420
the people

1312
00:50:02,510 --> 00:49:59,700
um accountability is in our hands to to

1313
00:50:04,550 --> 00:50:02,520

communicate with our representatives and

1314

00:50:07,130 --> 00:50:04,560

I would say to anybody that um that I'm

1315

00:50:08,390 --> 00:50:07,140

not I'm not trying to cast a shamed lie

1316

00:50:10,550 --> 00:50:08,400

back on anybody especially the question

1317

00:50:12,230 --> 00:50:10,560

asker but those of us who do ask those

1318

00:50:13,970 --> 00:50:12,240

questions have to be the people that are

1319

00:50:15,530 --> 00:50:13,980

also writing our Congressman we have to

1320

00:50:18,950 --> 00:50:15,540

be able to turn around and say yes I

1321

00:50:22,130 --> 00:50:18,960

have done my due diligence as well so

1322

00:50:24,410 --> 00:50:22,140

um I I

1323

00:50:26,510 --> 00:50:24,420

will we stand to gain a lot I think we

1324

00:50:28,790 --> 00:50:26,520

need we need to stay the course

1325

00:50:32,390 --> 00:50:28,800

great thank you the next question is

1326

00:50:34,730 --> 00:50:32,400

from Verona Farm asking what does Sean

1327

00:50:37,130 --> 00:50:34,740

think about the idea proposed by some

1328

00:50:39,650 --> 00:50:37,140

that you have UFO related data be made

1329

00:50:42,050 --> 00:50:39,660

available to scientists or some other

1330

00:50:47,210 --> 00:50:42,060

select group for study but not the

1331

00:50:49,549 --> 00:50:47,809

um

1332

00:50:51,890 --> 00:50:49,559

I think that National Security would be

1333

00:50:55,730 --> 00:50:51,900

the only reasons reasons for that unless

1334

00:50:57,890 --> 00:50:55,740

the uh unless the picture painted was

1335

00:51:00,950 --> 00:50:57,900

something that might incite a public

1336

00:51:02,329 --> 00:51:00,960

Riot or a destabilization of society

1337

00:51:05,030 --> 00:51:02,339

um that's another one of those great

1338

00:51:06,950 --> 00:51:05,040

questions that we bring up about the the

1339

00:51:09,589 --> 00:51:06,960

what are we who are we and where did we

1340

00:51:12,470 --> 00:51:09,599

come from is is also how would we handle

1341

00:51:15,049 --> 00:51:12,480

it if the following were true

1342

00:51:17,510 --> 00:51:15,059

um I'm not fully I'm not ready to gamble

1343

00:51:19,490 --> 00:51:17,520

at all yet if somebody out there knows

1344

00:51:20,630 --> 00:51:19,500

what reality is

1345

00:51:22,549 --> 00:51:20,640

um and they think that it's going to

1346

00:51:26,630 --> 00:51:22,559

destabilize the rest of us I'm not sure

1347

00:51:29,990 --> 00:51:26,640

that making it public before the the

1348

00:51:31,730 --> 00:51:30,000

um the educated academic Cadre has a

1349

00:51:34,670 --> 00:51:31,740

chance to deal with it is the right idea

1350

00:51:36,470 --> 00:51:34,680

I'm not sure but I'm also

1351
00:51:39,250 --> 00:51:36,480
I'm also one of those people that thinks

1352
00:51:42,530 --> 00:51:39,260
that healthy skepticism of our of our

1353
00:51:44,510 --> 00:51:42,540
mainstream scientific establishment is a

1354
00:51:47,030 --> 00:51:44,520
good thing to have we have to keep folks

1355
00:51:48,890 --> 00:51:47,040
that are that are highly focused

1356
00:51:51,710 --> 00:51:48,900
um we there have to be generalists to

1357
00:51:53,930 --> 00:51:51,720
bring the Specialists back to why we do

1358
00:51:56,210 --> 00:51:53,940
this and we do these things not just for

1359
00:51:58,190 --> 00:51:56,220
grant money or for to make us look good

1360
00:52:01,010 --> 00:51:58,200
in our careers but to advance Humanity

1361
00:52:04,010 --> 00:52:01,020
as a whole so

1362
00:52:09,530 --> 00:52:07,010
thank you the trying to figure this out

1363
00:52:11,930 --> 00:52:09,540

this person I think has two

1364

00:52:13,849 --> 00:52:11,940

two questions but it's

1365

00:52:16,250 --> 00:52:13,859

sorry I'm getting myself confused I'm

1366

00:52:18,349 --> 00:52:16,260

going to ask it if it makes sense to you

1367

00:52:20,390 --> 00:52:18,359

I've been trying to reread it um please

1368

00:52:23,210 --> 00:52:20,400

speak on that if not I understand if you

1369

00:52:25,430 --> 00:52:23,220

don't answer it so the first part says

1370

00:52:27,349 --> 00:52:25,440

with the greatest respect Sean you say

1371

00:52:29,870 --> 00:52:27,359

you don't know how to engage the public

1372

00:52:33,069 --> 00:52:29,880

at large so they in turn engage the

1373

00:52:35,569 --> 00:52:33,079

government and request answers surely

1374

00:52:37,970 --> 00:52:35,579

incontrovertible evidence is the

1375

00:52:39,470 --> 00:52:37,980

solution and this is the second part and

1376

00:52:41,990 --> 00:52:39,480

where the actual question comes through

1377

00:52:46,130 --> 00:52:42,000

I think it's in relation to this asking

1378

00:52:46,140 --> 00:52:48,230

um

1379

00:52:52,970 --> 00:52:50,210

well I think what they're saying is that

1380

00:52:54,290 --> 00:52:52,980

um that folks like me need to need to

1381

00:52:56,390 --> 00:52:54,300

step up a little bit higher on the

1382

00:52:58,370 --> 00:52:56,400

soapbox and and challenge our government

1383

00:53:00,470 --> 00:52:58,380

people that have a voice and I think a

1384

00:53:02,870 --> 00:53:00,480

lot of us are doing that

1385

00:53:05,030 --> 00:53:02,880

um but I think a lot of folks that watch

1386

00:53:07,309 --> 00:53:05,040

um watch podcasts and other things like

1387

00:53:09,049 --> 00:53:07,319

that they may have a skewed idea about

1388

00:53:11,450 --> 00:53:09,059

who all of us are in our private lives

1389

00:53:14,089 --> 00:53:11,460

I'm just a regular guy you know with a

1390

00:53:16,069 --> 00:53:14,099

family that has to pay his bills

1391

00:53:20,329 --> 00:53:16,079

um not a celebrity

1392

00:53:23,690 --> 00:53:20,339

um I don't I don't do this job for money

1393

00:53:26,089 --> 00:53:23,700

um I don't I don't get get hey I rarely

1394

00:53:28,190 --> 00:53:26,099

get paid for any of my efforts in this

1395

00:53:30,290 --> 00:53:28,200

in this field

1396

00:53:31,190 --> 00:53:30,300

um so I'm doing as much as I can right

1397

00:53:33,530 --> 00:53:31,200

now

1398

00:53:36,349 --> 00:53:33,540

we can all do a little bit but I I agree

1399

00:53:38,870 --> 00:53:36,359

that that engagement with our government

1400

00:53:40,790 --> 00:53:38,880

is is absolutely imperative but but

1401
00:53:42,349 --> 00:53:40,800
let's be real it's imperative in all the

1402
00:53:43,970 --> 00:53:42,359
other areas that are deficient in our

1403
00:53:45,410 --> 00:53:43,980
lives that

1404
00:53:47,390 --> 00:53:45,420
um that we're not we're really not

1405
00:53:49,190 --> 00:53:47,400
pulling our weight there and and where

1406
00:53:52,010 --> 00:53:49,200
we are pulling our way the government

1407
00:53:53,750 --> 00:53:52,020
isn't always responding well so we we

1408
00:53:55,849 --> 00:53:53,760
are at a Crossroads it will require

1409
00:53:58,130 --> 00:53:55,859
further courageous effort on the part of

1410
00:53:59,990 --> 00:53:58,140
all of us

1411
00:54:03,109 --> 00:54:00,000
great thank you Sean well I want to take

1412
00:54:05,150 --> 00:54:03,119
the remaining time to actually ask you

1413
00:54:07,970 --> 00:54:05,160

um in the description below

1414

00:54:10,430 --> 00:54:07,980

um I figured I those that want to maybe

1415

00:54:12,109 --> 00:54:10,440

interact or with your contact you

1416

00:54:13,730 --> 00:54:12,119

somehow I included your Twitter I hope

1417

00:54:15,589 --> 00:54:13,740

you don't mind and then of course

1418

00:54:17,630 --> 00:54:15,599

there's your your website if you can

1419

00:54:20,089 --> 00:54:17,640

maybe speak a little bit about that if

1420

00:54:21,770 --> 00:54:20,099

you like or or some other subject in

1421

00:54:23,210 --> 00:54:21,780

conclusion

1422

00:54:24,650 --> 00:54:23,220

my website's something I haven't

1423

00:54:26,270 --> 00:54:24,660

maintained recently so I'll have to get

1424

00:54:28,430 --> 00:54:26,280

back on there but I really use it just

1425

00:54:30,589 --> 00:54:28,440

as a portal to contact me folks and

1426

00:54:32,450 --> 00:54:30,599

contact me via Twitter um I do open my

1427

00:54:35,990 --> 00:54:32,460

DMs up every couple of months but if you

1428

00:54:37,190 --> 00:54:36,000

at me or um I can usually I'll usually

1429

00:54:39,589 --> 00:54:37,200

see that when I get on there but I

1430

00:54:41,450 --> 00:54:39,599

haven't been as active on there recently

1431

00:54:45,170 --> 00:54:41,460

um if people want to contact me via my

1432

00:54:46,490 --> 00:54:45,180

email mintyhyperspace gmail.com is my

1433

00:54:48,290 --> 00:54:46,500

primary email

1434

00:54:50,030 --> 00:54:48,300

um it does take me a little bit while to

1435

00:54:51,589 --> 00:54:50,040

open up correspondence because I do get

1436

00:54:53,329 --> 00:54:51,599

a lot of folks who

1437

00:54:54,829 --> 00:54:53,339

um who share their stories with me and

1438

00:54:58,130 --> 00:54:54,839

have questions and I try to give people

1439

00:55:00,109 --> 00:54:58,140

the um the time that they put into the

1440

00:55:02,390 --> 00:55:00,119

the correspondence with me I try to give

1441

00:55:04,549 --> 00:55:02,400

that back to them so that often means a

1442

00:55:05,089 --> 00:55:04,559

very slow turnaround

1443

00:55:08,150 --> 00:55:05,099

um

1444

00:55:09,589 --> 00:55:08,160

but this I have if I have uh had a

1445

00:55:12,650 --> 00:55:09,599

moment to give kind of a closing

1446

00:55:14,329 --> 00:55:12,660

statement it would need it

1447

00:55:16,309 --> 00:55:14,339

like a lot of us I've been interested in

1448

00:55:18,470 --> 00:55:16,319

this subject since I was a child I've

1449

00:55:21,770 --> 00:55:18,480

come and gone with how serious it was to

1450

00:55:23,870 --> 00:55:21,780

me and how important it was to my life

1451

00:55:26,089 --> 00:55:23,880

um for me it's a very important thing

1452

00:55:27,470 --> 00:55:26,099

it's it's something that I think that we

1453

00:55:29,809 --> 00:55:27,480

do need to change in the world that

1454

00:55:32,390 --> 00:55:29,819

we'll have follow-on implications and

1455

00:55:34,970 --> 00:55:32,400

positive change for the majority of

1456

00:55:36,890 --> 00:55:34,980

humanity but I do recognize that for a

1457

00:55:39,650 --> 00:55:36,900

great deal of the people that we that we

1458

00:55:42,170 --> 00:55:39,660

live love and and deal with they're not

1459

00:55:44,030 --> 00:55:42,180

interested it's not important to them

1460

00:55:45,589 --> 00:55:44,040

um it's frightening to them it doesn't

1461

00:55:48,470 --> 00:55:45,599

make a great deal of sense to them so

1462

00:55:51,470 --> 00:55:48,480

they look to us to be positive leaders

1463

00:55:52,670 --> 00:55:51,480

and examples when it comes time to

1464

00:55:55,190 --> 00:55:52,680

understand this and when they do

1465

00:55:57,710 --> 00:55:55,200

encounter those changes in their life so

1466

00:56:01,010 --> 00:55:57,720

I just think that if if all of us can um

1467

00:56:02,990 --> 00:56:01,020

take a nice deep breath re-examine what

1468

00:56:04,970 --> 00:56:03,000

we want out of this look at each other

1469

00:56:07,010 --> 00:56:04,980

and find the commonality of purpose and

1470

00:56:08,930 --> 00:56:07,020

Mission that we have in this

1471

00:56:11,030 --> 00:56:08,940

um I think we'll succeed I think that if

1472

00:56:14,270 --> 00:56:11,040

we um if we seek to be less

1473

00:56:17,030 --> 00:56:14,280

factionalized and and less separated by

1474

00:56:19,069 --> 00:56:17,040

differences of opinion and and focus on

1475

00:56:20,329 --> 00:56:19,079

those shared missions of Truth and

1476

00:56:23,390 --> 00:56:20,339

finding out what's really going on

1477

00:56:25,430 --> 00:56:23,400

together then I think we will win

1478

00:56:27,650 --> 00:56:25,440

well Sean thank you for that and thank

1479

00:56:29,630 --> 00:56:27,660

you again for coming on tonight I

1480

00:56:31,910 --> 00:56:29,640

appreciate your time you know I know it

1481

00:56:33,530 --> 00:56:31,920

especially for what you're doing and I'm

1482

00:56:35,450 --> 00:56:33,540

pretty sure for everybody time is

1483

00:56:37,730 --> 00:56:35,460

valuable so I certainly appreciate it

1484

00:56:39,950 --> 00:56:37,740

and I'm also looking forward to meeting

1485

00:56:42,589 --> 00:56:39,960

you in person at the Ozark conference

1486

00:56:45,290 --> 00:56:42,599

and so for those that are still watching

1487

00:56:48,290 --> 00:56:45,300

and um for those that will be watching

1488

00:56:49,970 --> 00:56:48,300

this video all the links for Sean are in

1489

00:56:52,430 --> 00:56:49,980

the description below

1490

00:56:54,890 --> 00:56:52,440

um to be able to see what's going to be

1491

00:56:57,170 --> 00:56:54,900

happening at the Ozark UFO conference

1492

00:56:59,150 --> 00:56:57,180

coming up in April the link for that is

1493

00:57:01,970 --> 00:56:59,160

also in the description so please check

1494

00:57:04,010 --> 00:57:01,980

it out and uh come see us both I will be

1495

00:57:06,589 --> 00:57:04,020

there Sean will be there Sean is going

1496

00:57:08,450 --> 00:57:06,599

will be one of the keynote speakers and

1497

00:57:10,250 --> 00:57:08,460

uh just the way the conference is

1498

00:57:12,829 --> 00:57:10,260

basically set up there's always

1499

00:57:15,290 --> 00:57:12,839

opportunity to speak and basically meet

1500

00:57:17,390 --> 00:57:15,300

with the speakers after the after the

1501
00:57:19,370 --> 00:57:17,400
talk and also throughout the conference

1502
00:57:21,349 --> 00:57:19,380
they're just walking around wherever

1503
00:57:23,150 --> 00:57:21,359
they happen to be and you can stop him

1504
00:57:25,010 --> 00:57:23,160
and say hello so I hope you certainly

1505
00:57:28,130 --> 00:57:25,020
take the opportunity to come out and see

1506
00:57:31,190 --> 00:57:28,140
us both so Sean thank you again I really

1507
00:57:33,230 --> 00:57:31,200
appreciate it and see you soon

1508
00:57:34,849 --> 00:57:33,240
real pleasure thank you Edna all right

1509
00:57:36,950 --> 00:57:34,859
well everyone else thanks for watching

1510
00:57:38,089 --> 00:57:36,960
please tune in next time

1511
00:57:40,670 --> 00:57:38,099
um usually it's going to be on

1512
00:57:43,370 --> 00:57:40,680
Wednesdays at 7 p.m not sure who will be

1513
00:57:45,109 --> 00:57:43,380

the next guest but um I will make an

1514

00:57:47,150 --> 00:57:45,119

announcement as soon as I find out so

1515

00:57:49,430 --> 00:57:47,160

thanks again
