00:00:26,790 --> 00:01:02,270  
[Music]

3  
00:01:07,370 --> 00:01:04,910  
hey everyone well welcome to geofohub

4  
00:01:09,289 --> 00:01:07,380  
live stream today's open lines where I

5  
00:01:11,330 --> 00:01:09,299  
hope to talk to some of you and um

6  
00:01:14,510 --> 00:01:11,340  
listen to some of your Supernatural

7  
00:01:17,570 --> 00:01:14,520  
stories whether it's UFO ghost cryptic

8  
00:01:19,850 --> 00:01:17,580  
related and that happens over telegram

9  
00:01:21,710 --> 00:01:19,860  
uh in the link below or in the

10  
00:01:24,170 --> 00:01:21,720  
description below you'll find a link to

11  
00:01:26,330 --> 00:01:24,180  
the UFO Hub voice chat that's going on

12  
00:01:28,510 --> 00:01:26,340  
right now uh you have to install

13  
00:01:31,249 --> 00:01:28,520

telegram on your phone or the computer

14

00:01:33,649 --> 00:01:31,259

join the group that's open or the chat

15

00:01:36,530 --> 00:01:33,659

that's open right now and you would be

16

00:01:39,109 --> 00:01:36,540

able to chat with me directly if you are

17

00:01:41,330 --> 00:01:39,119

in the chat and just uh chatting or you

18

00:01:43,789 --> 00:01:41,340

might have a question uh any question

19

00:01:45,590 --> 00:01:43,799

that's directed towards me please make

20

00:01:47,810 --> 00:01:45,600

sure to include the three asterix's

21

00:01:49,609 --> 00:01:47,820

before your question so then that way it

22

00:01:52,010 --> 00:01:49,619

pops out at me and I know it's it's

23

00:01:53,990 --> 00:01:52,020

meant for me instead of it just being

24

00:01:57,950 --> 00:01:54,000

the regular chatter in in the chat room

25

00:01:59,569 --> 00:01:57,960

so I usually just because

26

00:02:02,810 --> 00:01:59,579

um I never know if there's going to be

27

00:02:04,670 --> 00:02:02,820

somebody there to share the story or or

28

00:02:07,310 --> 00:02:04,680

what else I would like to start out with

29

00:02:10,550 --> 00:02:07,320

the topic and of course as you saw today

30

00:02:12,650 --> 00:02:10,560

it's um Angels demons and aliens and so

31

00:02:15,470 --> 00:02:12,660

I would like to share my perspective

32

00:02:16,330 --> 00:02:15,480

about it because over the years

33

00:02:19,550 --> 00:02:16,340

um

34

00:02:22,790 --> 00:02:19,560

there's basically like this subject has

35

00:02:24,410 --> 00:02:22,800

been something that I was avoiding very

36

00:02:26,990 --> 00:02:24,420

much and not because there's something

37

00:02:29,570 --> 00:02:27,000

fearful to you know to avoid or or not

38

00:02:33,170 --> 00:02:29,580

talk about it it's just that

39

00:02:35,990 --> 00:02:33,180

um fear for most people is it comes very

40

00:02:38,030 --> 00:02:36,000

easy to them it uh it's very difficult

41

00:02:41,809 --> 00:02:38,040

once it takes hold it's difficult to

42

00:02:43,430 --> 00:02:41,819

kind of Let It Go and telling them when

43

00:02:46,309 --> 00:02:43,440

they're in that FIFA state to let go

44

00:02:48,650 --> 00:02:46,319

it's kind of like you know asking water

45

00:02:53,990 --> 00:02:48,660

not to be wet you know it's it's almost

46

00:02:56,330 --> 00:02:54,000

impossible so anyway while I'm prefacing

47

00:02:57,949 --> 00:02:56,340

um with the message that I have uh you

48

00:03:00,650 --> 00:02:57,959

are more than welcome to download

49

00:03:04,250 --> 00:03:00,660

telegram or join the chat room and then

50

00:03:06,290 --> 00:03:04,260

when the time comes and I basically

51  
00:03:09,470 --> 00:03:06,300  
um you know switch over to that segment

52  
00:03:11,149 --> 00:03:09,480  
then hopefully I'll hear from you uh if

53  
00:03:13,309 --> 00:03:11,159  
not I just finished I'll just finish off

54  
00:03:16,729 --> 00:03:13,319  
with whatever I would have to say about

55  
00:03:20,270 --> 00:03:16,739  
this subject and maybe you find it usual

56  
00:03:24,350 --> 00:03:22,670  
as I was saying um from the very

57  
00:03:26,690 --> 00:03:24,360  
beginning when I first opened up this

58  
00:03:28,550 --> 00:03:26,700  
channel there was

59  
00:03:30,229 --> 00:03:28,560  
um there were always comments about you

60  
00:03:32,869 --> 00:03:30,239  
know Jesus Lord

61  
00:03:35,149 --> 00:03:32,879  
um uh aliens are demons and things like

62  
00:03:37,430 --> 00:03:35,159  
that uh from from people that feel that

63  
00:03:40,250 --> 00:03:37,440

way that that's what they believe and so

64  
00:03:43,070 --> 00:03:40,260  
that never you know bothered me you know

65  
00:03:44,570 --> 00:03:43,080  
because of the Decades of experience

66  
00:03:46,850 --> 00:03:44,580  
that I've had

67  
00:03:49,729 --> 00:03:46,860  
um you know I didn't just read about

68  
00:03:52,610 --> 00:03:49,739  
stuff I experienced it it affected every

69  
00:03:54,170 --> 00:03:52,620  
fiber of my being so there was no no

70  
00:03:55,850 --> 00:03:54,180  
misunderstanding what I was going

71  
00:03:58,250 --> 00:03:55,860  
through and if there was then I was

72  
00:04:00,050 --> 00:03:58,260  
seeking those answers on my own and kept

73  
00:04:02,530 --> 00:04:00,060  
at it for however long it took for me to

74  
00:04:05,869 --> 00:04:02,540  
get those answers and so

75  
00:04:08,330 --> 00:04:05,879  
generally and this is just this is just

76

00:04:08,930 --> 00:04:08,340

my opinion when it comes to

77

00:04:11,929 --> 00:04:08,940

um

78

00:04:13,429 --> 00:04:11,939

let's say uh believing something based

79

00:04:16,009 --> 00:04:13,439

on what you read

80

00:04:18,590 --> 00:04:16,019

when some when you're you know forgive

81

00:04:20,689 --> 00:04:18,600

me if this is obviously common sense to

82

00:04:23,030 --> 00:04:20,699

some of you maybe might not be to others

83

00:04:24,290 --> 00:04:23,040

but when when you're reading a book and

84

00:04:27,770 --> 00:04:24,300

it doesn't matter what it is whether

85

00:04:30,230 --> 00:04:27,780

it's the Bible or structural manual on

86

00:04:32,330 --> 00:04:30,240

about something or how to build it or

87

00:04:34,070 --> 00:04:32,340

whatever uh you are taking in

88

00:04:37,610 --> 00:04:34,080

information

89  
00:04:38,930 --> 00:04:37,620  
um because you are seeking an answer and

90  
00:04:41,510 --> 00:04:38,940  
something that you're reading sounds

91  
00:04:43,249 --> 00:04:41,520  
good to you and so of course the first

92  
00:04:45,170 --> 00:04:43,259  
thing that comes around you would take

93  
00:04:46,969 --> 00:04:45,180  
that in and say you know what I'll hold

94  
00:04:50,290 --> 00:04:46,979  
on to this until maybe something better

95  
00:04:53,210 --> 00:04:50,300  
comes around and so most people do that

96  
00:04:55,189 --> 00:04:53,220  
and the challenge when it comes to that

97  
00:04:56,990 --> 00:04:55,199  
is that you may read some pieces of

98  
00:04:59,990 --> 00:04:57,000  
information that's like wow this is

99  
00:05:02,090 --> 00:05:00,000  
great now but then weeks months years

100  
00:05:04,670 --> 00:05:02,100  
from now you might read something else

101  
00:05:06,830 --> 00:05:04,680  
that then replaces that in a way or

102  
00:05:08,689 --> 00:05:06,840  
maybe gets joined with what you already

103  
00:05:11,510 --> 00:05:08,699  
know and so

104  
00:05:13,370 --> 00:05:11,520  
the challenging part when it comes to

105  
00:05:16,010 --> 00:05:13,380  
when it comes to obtaining information

106  
00:05:18,890 --> 00:05:16,020  
in that way is that it's great for

107  
00:05:21,170 --> 00:05:18,900  
entertainment but it's difficult

108  
00:05:23,570 --> 00:05:21,180  
um when it comes to truly knowing

109  
00:05:25,129 --> 00:05:23,580  
something because at the end of the day

110  
00:05:27,529 --> 00:05:25,139  
um let's say if it is an instruction

111  
00:05:29,450 --> 00:05:27,539  
manual how to build something

112  
00:05:31,550 --> 00:05:29,460  
um reading about how to build it and

113  
00:05:32,870 --> 00:05:31,560

actually building it uh it's the

114

00:05:34,070 --> 00:05:32,880

building part they'll give you the

115

00:05:35,570 --> 00:05:34,080

wisdom they'll give you that

116

00:05:38,330 --> 00:05:35,580

understanding give you that knowledge

117

00:05:40,670 --> 00:05:38,340

and so

118

00:05:42,350 --> 00:05:40,680

um and then of course when someone then

119

00:05:44,870 --> 00:05:42,360

has to you know has something to say

120

00:05:46,490 --> 00:05:44,880

about building or whatever and let's say

121

00:05:50,450 --> 00:05:46,500

you've been doing that for several

122

00:05:53,689 --> 00:05:50,460

decades then you know a piece of text in

123

00:05:55,969 --> 00:05:53,699

a book is not going to Trump your own

124

00:05:59,270 --> 00:05:55,979

experiences your own

125

00:06:01,550 --> 00:05:59,280

um years of Trials and errors that you

126

00:06:03,650 --> 00:06:01,560

basically went through and and learned

127

00:06:05,990 --> 00:06:03,660

from you know learned what you needed to

128

00:06:07,310 --> 00:06:06,000

learn uh let's say in that case would be

129

00:06:09,409 --> 00:06:07,320

you know construction or building

130

00:06:11,629 --> 00:06:09,419

something so

131

00:06:13,670 --> 00:06:11,639

in that same sense when we're talking

132

00:06:19,370 --> 00:06:13,680

about

133

00:06:22,490 --> 00:06:19,380

demons and things like that uh religion

134

00:06:24,469 --> 00:06:22,500

has been rooted in society and Humanity

135

00:06:27,950 --> 00:06:24,479

for a very long time

136

00:06:29,510 --> 00:06:27,960

now one thing that becomes very clear

137

00:06:32,749 --> 00:06:29,520

when you are on these different

138

00:06:37,969 --> 00:06:32,759

different levels is that

139

00:06:40,550 --> 00:06:37,979

if it's a man-made construct and it's

140

00:06:42,710 --> 00:06:40,560

not necessarily that it's that you know

141

00:06:44,629 --> 00:06:42,720

that's all false it's just

142

00:06:47,210 --> 00:06:44,639

a lot of the information that sounds

143

00:06:50,809 --> 00:06:47,220

good it's kind of there like almost like

144

00:06:53,390 --> 00:06:50,819

a sugar that makes it easy to just you

145

00:06:55,790 --> 00:06:53,400

know swallow the pill a lot easier uh

146

00:06:58,309 --> 00:06:55,800

even though what might follow up after

147

00:07:00,650 --> 00:06:58,319

is you know not exactly not exactly

148

00:07:04,249 --> 00:07:00,660

right you know what I'm trying to say is

149

00:07:07,070 --> 00:07:04,259

like you can't talk about love and and

150

00:07:08,270 --> 00:07:07,080

um being good you know and kind you know

151

00:07:09,770 --> 00:07:08,280

but if you're not you're going to get

152

00:07:12,590 --> 00:07:09,780

killed and punished and you will go to

153

00:07:15,950 --> 00:07:12,600

hell forever you know those are

154

00:07:18,290 --> 00:07:15,960

you find you find it very quickly that

155

00:07:21,230 --> 00:07:18,300

um there's a human constructs and so

156

00:07:23,270 --> 00:07:21,240

what I wanted to then go into is to try

157

00:07:25,309 --> 00:07:23,280

to share with you some of some of my

158

00:07:27,830 --> 00:07:25,319

experiences throughout all the years

159

00:07:30,350 --> 00:07:27,840

that were that I was going through where

160

00:07:32,570 --> 00:07:30,360

if I wasn't diligent enough if I you

161

00:07:34,850 --> 00:07:32,580

know if I didn't push enough as hard as

162

00:07:37,129 --> 00:07:34,860

I did I would have maybe

163

00:07:40,790 --> 00:07:37,139

misunderstood some of these experiences

164

00:07:42,110 --> 00:07:40,800

as demonic and be being fearful about it

165

00:07:46,070 --> 00:07:42,120

or

166

00:07:50,390 --> 00:07:46,080

being shied away from the subject

167

00:07:53,749 --> 00:07:51,950

thank you

168

00:07:55,309 --> 00:07:53,759

so

169

00:07:57,650 --> 00:07:55,319

what um

170

00:07:59,809 --> 00:07:57,660

so for example

171

00:08:01,909 --> 00:07:59,819

in the very beginning and some of you

172

00:08:03,890 --> 00:08:01,919

I'm sorry I can't go back in it and

173

00:08:06,890 --> 00:08:03,900

retell this story all the time but I'll

174

00:08:09,230 --> 00:08:06,900

just have to you know get right to it

175

00:08:11,450 --> 00:08:09,240

and and start in the middle

176

00:08:12,950 --> 00:08:11,460

when I've still lived in in Robertsville

177

00:08:15,710 --> 00:08:12,960

Missouri

178

00:08:18,589 --> 00:08:15,720

um and it was pretty much in a house in

179

00:08:21,710 --> 00:08:18,599

the woods and all by myself and so uh

180

00:08:24,170 --> 00:08:21,720

for this uh particularly

181

00:08:26,950 --> 00:08:24,180

I've had many experiences prior to

182

00:08:30,050 --> 00:08:26,960

moving there which is from 2010 to 2015

183

00:08:32,089 --> 00:08:30,060

but it made things more intense during

184

00:08:33,649 --> 00:08:32,099

that time because it was just me and I

185

00:08:37,130 --> 00:08:33,659

could just experience whatever I needed

186

00:08:39,110 --> 00:08:37,140

to experience so

187

00:08:42,430 --> 00:08:39,120

so for example

188

00:08:45,949 --> 00:08:42,440

after several years of

189

00:08:48,470 --> 00:08:45,959

meditation uh by this by this point I've

190

00:08:52,310 --> 00:08:48,480

had my I had my near this near-death

191

00:08:54,290 --> 00:08:52,320

experience and also several of the

192

00:08:55,610 --> 00:08:54,300

Psychedelic trips

193

00:08:58,009 --> 00:08:55,620

um

194

00:09:01,190 --> 00:08:58,019

what happens because of these different

195

00:09:03,410 --> 00:09:01,200

experiences your mind changes in ways to

196

00:09:06,889 --> 00:09:03,420

where obviously you didn't think before

197

00:09:09,170 --> 00:09:06,899

because we're very linear about stuff we

198

00:09:11,630 --> 00:09:09,180

just go about our day doing what we want

199

00:09:13,310 --> 00:09:11,640

to do and and very very seldom do we

200

00:09:15,769 --> 00:09:13,320

have time to just sit down and ponder

201  
00:09:19,269 --> 00:09:15,779  
about something else at least I find in

202  
00:09:22,130 --> 00:09:19,279  
my experience most people don't and so

203  
00:09:23,870 --> 00:09:22,140  
what happened so for example to give you

204  
00:09:26,030 --> 00:09:23,880  
in one instance

205  
00:09:28,490 --> 00:09:26,040  
I was this was you know several years

206  
00:09:29,990 --> 00:09:28,500  
into this you know and I've had some

207  
00:09:33,470 --> 00:09:30,000  
experiences

208  
00:09:35,150 --> 00:09:33,480  
um you know read some books about about

209  
00:09:38,030 --> 00:09:35,160  
um different stuff about aliens at that

210  
00:09:39,650 --> 00:09:38,040  
time and whatnot but so I'm laying in

211  
00:09:43,550 --> 00:09:39,660  
bed and

212  
00:09:46,490 --> 00:09:43,560  
I found myself waking up and I can't

213  
00:09:49,850 --> 00:09:46,500

move and so generally that's just you

214

00:09:51,889 --> 00:09:49,860

know paralysis most people know you know

215

00:09:53,570 --> 00:09:51,899

it's it's a it's it's a known thing it's

216

00:09:56,329 --> 00:09:53,580

not anything you know out of the

217

00:09:57,949 --> 00:09:56,339

ordinary but what accompanied it at that

218

00:10:00,050 --> 00:09:57,959

time and

219

00:10:02,090 --> 00:10:00,060

um what's what's really difficult to

220

00:10:05,750 --> 00:10:02,100

describe so forgive me for the silliness

221

00:10:07,810 --> 00:10:05,760

but I'm basically Frozen I can't move I

222

00:10:10,910 --> 00:10:07,820

just hear this

223

00:10:13,430 --> 00:10:10,920

you know just very I guess for like a

224

00:10:16,070 --> 00:10:13,440

better word demonic voices

225

00:10:19,490 --> 00:10:16,080

um just basically just

226

00:10:22,070 --> 00:10:19,500

all all around me and you know my first

227

00:10:23,990 --> 00:10:22,080

initial reaction and again this was in

228

00:10:26,509 --> 00:10:24,000

the very early stages where

229

00:10:29,150 --> 00:10:26,519

it's just been a few years since I've

230

00:10:32,389 --> 00:10:29,160

given up religion but I immediately felt

231

00:10:34,490 --> 00:10:32,399

uh religion come back and initially when

232

00:10:36,350 --> 00:10:34,500

I was first born and my parents they're

233

00:10:38,750 --> 00:10:36,360

Muslims so that was the religion that

234

00:10:40,970 --> 00:10:38,760

kind of you know grew up with so I let

235

00:10:43,610 --> 00:10:40,980

that go but I still couldn't help in

236

00:10:45,410 --> 00:10:43,620

that instance uh it came back and I

237

00:10:48,170 --> 00:10:45,420

immediately wanted to say a prayer and

238

00:10:50,210 --> 00:10:48,180

and I was in fear and and wanted help

239

00:10:52,850 --> 00:10:50,220

and all these other things and I

240

00:10:55,130 --> 00:10:52,860

remember stopping myself in that instant

241

00:10:57,949 --> 00:10:55,140

and I had just maybe spoken three four

242

00:11:00,949 --> 00:10:57,959

words of this prayer and I stopped and

243

00:11:03,230 --> 00:11:00,959

and I said well I can't say okay I'm on

244

00:11:06,889 --> 00:11:03,240

this new Journey but yet I'm reverting

245

00:11:09,290 --> 00:11:06,899

right back to where I came from and so

246

00:11:11,090 --> 00:11:09,300

what happened what happened then after

247

00:11:13,670 --> 00:11:11,100

just I don't know it seems like forever

248

00:11:15,650 --> 00:11:13,680

but all that stopped I gained control of

249

00:11:18,050 --> 00:11:15,660

my body and I was able to sit up and

250

00:11:20,030 --> 00:11:18,060

basically was you know just sitting

251  
00:11:22,009 --> 00:11:20,040  
there in the middle of the night uh just

252  
00:11:23,870 --> 00:11:22,019  
scared wondering what in the world there

253  
00:11:26,810 --> 00:11:23,880  
was and so

254  
00:11:29,030 --> 00:11:26,820  
from that particular instance as I kept

255  
00:11:30,590 --> 00:11:29,040  
searching you know kept meditating you

256  
00:11:33,050 --> 00:11:30,600  
know and especially then later on my

257  
00:11:34,550 --> 00:11:33,060  
near-death experience what it explained

258  
00:11:37,550 --> 00:11:34,560  
to me was that

259  
00:11:40,250 --> 00:11:37,560  
these different vibrations uh if we're

260  
00:11:42,110 --> 00:11:40,260  
kind of stuck in this between level you

261  
00:11:44,630 --> 00:11:42,120  
can almost call it

262  
00:11:46,910 --> 00:11:44,640  
um or you can almost say like

263  
00:11:49,550 --> 00:11:46,920

if you imagine being underwater trying

264

00:11:52,190 --> 00:11:49,560

to listen to Somebody speak

265

00:11:54,829 --> 00:11:52,200

um it would be juggled and and you

266

00:11:56,509 --> 00:11:54,839

couldn't exactly make out what it is and

267

00:11:59,449 --> 00:11:56,519

so of course

268

00:12:01,490 --> 00:11:59,459

um it would it would it's not clear you

269

00:12:03,650 --> 00:12:01,500

know and so that's what happened in that

270

00:12:06,290 --> 00:12:03,660

particular instance what exactly was

271

00:12:08,449 --> 00:12:06,300

being wanting to be conveyed to me I

272

00:12:10,730 --> 00:12:08,459

don't know but the point was

273

00:12:13,009 --> 00:12:10,740

um because I never stopped looking I

274

00:12:14,810 --> 00:12:13,019

never stopped searching that you know I

275

00:12:17,329 --> 00:12:14,820

found the answer for that instead of me

276

00:12:19,009 --> 00:12:17,339

just you know years later holding on to

277

00:12:20,569 --> 00:12:19,019

that saying oh God this was a you know

278

00:12:23,690 --> 00:12:20,579

this was scary and yeah I believe in

279

00:12:26,530 --> 00:12:23,700

demons and they were all demons you know

280

00:12:29,750 --> 00:12:26,540

um when you're on this different level

281

00:12:32,870 --> 00:12:29,760

everything is open to you and you you

282

00:12:34,269 --> 00:12:32,880

see it and you understand it and so

283

00:12:37,430 --> 00:12:34,279

um

284

00:12:40,790 --> 00:12:37,440

there's nothing that can happen without

285

00:12:43,430 --> 00:12:40,800

your involvement so that's not to say

286

00:12:45,530 --> 00:12:43,440

that same way that on this planet we

287

00:12:47,210 --> 00:12:45,540

have some people that are bad that you

288

00:12:50,449 --> 00:12:47,220

know there are murderers rapists

289

00:12:53,030 --> 00:12:50,459

whatever they steal you know it's they

290

00:12:55,910 --> 00:12:53,040

are in their in their own path

291

00:12:58,490 --> 00:12:55,920

at the Old Stage whatever that path

292

00:13:00,230 --> 00:12:58,500

eventually leads to they're at this

293

00:13:03,290 --> 00:13:00,240

stage where they're there I'm pretty

294

00:13:06,470 --> 00:13:03,300

sure most of us and this is again a very

295

00:13:07,850 --> 00:13:06,480

controversial subject if you learn how

296

00:13:10,009 --> 00:13:07,860

to look back on some of your other

297

00:13:12,350 --> 00:13:10,019

lifetimes you were exactly at that very

298

00:13:14,090 --> 00:13:12,360

same stage you know but eventually you

299

00:13:16,670 --> 00:13:14,100

get out of it you learn what you need to

300

00:13:18,230 --> 00:13:16,680

learn from it and then you move on you

301  
00:13:19,150 --> 00:13:18,240  
know and so

302  
00:13:21,710 --> 00:13:19,160  
um

303  
00:13:23,990 --> 00:13:21,720  
there's there's all these

304  
00:13:25,430 --> 00:13:24,000  
you know all these things for example

305  
00:13:27,910 --> 00:13:25,440  
like um

306  
00:13:30,590 --> 00:13:27,920  
um when you the longer you are into into

307  
00:13:32,690 --> 00:13:30,600  
just understanding Consciousness and

308  
00:13:34,790 --> 00:13:32,700  
understanding yourself and you dabble

309  
00:13:37,550 --> 00:13:34,800  
into understanding oh there's other

310  
00:13:39,230 --> 00:13:37,560  
consciousnesses AKA aliens and other

311  
00:13:41,990 --> 00:13:39,240  
beings that sometimes don't have a

312  
00:13:44,329 --> 00:13:42,000  
planet they just exist you know

313  
00:13:46,610 --> 00:13:44,339

um they will when you open yourself up

314

00:13:49,670 --> 00:13:46,620

to that field they will make themselves

315

00:13:52,310 --> 00:13:49,680

known to you and so how you react to it

316

00:13:54,710 --> 00:13:52,320

is it's up to you so

317

00:13:57,250 --> 00:13:54,720

for example I was one of one of the

318

00:13:59,449 --> 00:13:57,260

instances I was um

319

00:14:02,030 --> 00:13:59,459

remodeling you know in the process of

320

00:14:04,670 --> 00:14:02,040

remodeling my house and the living room

321

00:14:07,190 --> 00:14:04,680

was done but I only had put

322

00:14:09,410 --> 00:14:07,200

um primer white primer paint on all the

323

00:14:12,590 --> 00:14:09,420

walls so it's just everything is white

324

00:14:14,509 --> 00:14:12,600

and it's very clear to see and so

325

00:14:17,690 --> 00:14:14,519

very clearly

326

00:14:21,290 --> 00:14:17,700

on to the left of my or on my left side

327

00:14:24,769 --> 00:14:21,300

I could see a ball of just pure black

328

00:14:26,750 --> 00:14:24,779

just slowly moving against that wall and

329

00:14:29,389 --> 00:14:26,760

the second I turned my head to it it

330

00:14:31,970 --> 00:14:29,399

just quickly went around that corner so

331

00:14:33,530 --> 00:14:31,980

I got up I I turned on the lights of

332

00:14:35,569 --> 00:14:33,540

course you know like every other human

333

00:14:38,030 --> 00:14:35,579

would and I would look to see if I might

334

00:14:40,670 --> 00:14:38,040

still see some you know some traces of

335

00:14:45,110 --> 00:14:40,680

it and of course there was nothing there

336

00:14:47,990 --> 00:14:45,120

um there would be instances to where I

337

00:14:50,689 --> 00:14:48,000

was you know specifically in one of my

338

00:14:52,430 --> 00:14:50,699

rooms and I'm sitting there and I all

339

00:14:55,009 --> 00:14:52,440

the doors are open because it's just me

340

00:14:57,470 --> 00:14:55,019

living there so I would see a shape

341

00:15:00,069 --> 00:14:57,480

that's basically has a large head a

342

00:15:03,650 --> 00:15:00,079

small body and it's a shadow

343

00:15:05,629 --> 00:15:03,660

basically on on the floor coming from

344

00:15:10,370 --> 00:15:05,639

one of the rooms that it's literally

345

00:15:12,769 --> 00:15:10,380

just my bedroom and at that time I had a

346

00:15:14,710 --> 00:15:12,779

five inch pattern one inch steel bars

347

00:15:19,009 --> 00:15:14,720

that were bolted all around the window

348

00:15:20,750 --> 00:15:19,019

and so I I saw you know saw it there and

349

00:15:23,269 --> 00:15:20,760

I looked at it and it just slowly went

350

00:15:26,090 --> 00:15:23,279

back into the room within a split second

351

00:15:29,030 --> 00:15:26,100

I was in that room and it was gone you

352

00:15:31,129 --> 00:15:29,040

know and so and there was no way out at

353

00:15:33,949 --> 00:15:31,139

least humanly at this point I already

354

00:15:35,629 --> 00:15:33,959

knew what was up I was not you know what

355

00:15:37,430 --> 00:15:35,639

could this be you know I was not

356

00:15:38,990 --> 00:15:37,440

confused about it I was just trying to

357

00:15:43,310 --> 00:15:39,000

see like okay what was the point of that

358

00:15:44,329 --> 00:15:43,320

and so there would also be

359

00:15:47,329 --> 00:15:44,339

um

360

00:15:49,610 --> 00:15:47,339

I guess there would be Poltergeist type

361

00:15:51,530 --> 00:15:49,620

activity you know now Poltergeist

362

00:15:53,810 --> 00:15:51,540

associated with something fearful with

363

00:15:58,670 --> 00:15:53,820

you know something to be afraid and so

364

00:16:01,370 --> 00:15:58,680

on but um what I'm specifically mean is

365

00:16:03,590 --> 00:16:01,380

um because my wife is has been this has

366

00:16:05,329 --> 00:16:03,600

been pretty much a part of her life all

367

00:16:08,329 --> 00:16:05,339

her life as well

368

00:16:10,490 --> 00:16:08,339

um we experience weird things around the

369

00:16:13,069 --> 00:16:10,500

house all the time the difference is

370

00:16:15,470 --> 00:16:13,079

both of us knowing what it is it doesn't

371

00:16:17,990 --> 00:16:15,480

phase us which simply just you know have

372

00:16:19,790 --> 00:16:18,000

having an experience we witness it and

373

00:16:22,189 --> 00:16:19,800

then we move on if there is something

374

00:16:25,250 --> 00:16:22,199

more for us to know about this then then

375

00:16:27,590 --> 00:16:25,260

we'll inquire and see but otherwise it's

376

00:16:30,350 --> 00:16:27,600

just like okay that was different and

377

00:16:32,810 --> 00:16:30,360

then we move on so

378

00:16:36,170 --> 00:16:32,820

one particular instance I woke up at

379

00:16:40,069 --> 00:16:36,180

night and I had a dream and it was

380

00:16:41,870 --> 00:16:40,079

um more like you know it was a dream it

381

00:16:43,610 --> 00:16:41,880

wasn't an out-of-body experience but I

382

00:16:46,490 --> 00:16:43,620

was dreaming something about an

383

00:16:49,430 --> 00:16:46,500

interaction alien related you know ships

384

00:16:51,290 --> 00:16:49,440

and all kinds of stuff happening so you

385

00:16:53,449 --> 00:16:51,300

know I was like all right it's no

386

00:16:56,210 --> 00:16:53,459

different than any other time so I I got

387

00:16:59,090 --> 00:16:56,220

up I you know went to the bathroom I

388

00:17:00,650 --> 00:16:59,100

came out it was it was 3 A.M and my wife

389

00:17:02,269 --> 00:17:00,660

and the kids were sleeping there and the

390

00:17:03,710 --> 00:17:02,279

light was on

391

00:17:06,530 --> 00:17:03,720

and so

392

00:17:10,730 --> 00:17:06,540

it's not that it's just the main light

393

00:17:12,409 --> 00:17:10,740

was on you know it was there were we had

394

00:17:15,230 --> 00:17:12,419

this lamp that basically is over the

395

00:17:17,329 --> 00:17:15,240

beds and it's a you have to you know

396

00:17:20,870 --> 00:17:17,339

basically pull all the way up to turn it

397

00:17:22,789 --> 00:17:20,880

on it you can't bump it to where it'll

398

00:17:24,590 --> 00:17:22,799

flip on or something like that it would

399

00:17:26,990 --> 00:17:24,600

have to be you know a conscious decision

400

00:17:29,870 --> 00:17:27,000

to just you know have that little lever

401  
00:17:33,409 --> 00:17:29,880  
pulled all the way up to to turn on the

402  
00:17:35,330 --> 00:17:33,419  
lights and so I've just been not

403  
00:17:36,770 --> 00:17:35,340  
expecting anything else I walked I saw

404  
00:17:39,169 --> 00:17:36,780  
the lights I said babe why'd you turn

405  
00:17:40,789 --> 00:17:39,179  
the light on I was like babe you know I

406  
00:17:42,529 --> 00:17:40,799  
was trying to call her and then I

407  
00:17:44,570 --> 00:17:42,539  
realized she was sleeping but by me

408  
00:17:46,250 --> 00:17:44,580  
inquiring about it she woke up she's

409  
00:17:48,650 --> 00:17:46,260  
like what I said why'd you turn the

410  
00:17:50,450 --> 00:17:48,660  
light on I was like I didn't and the

411  
00:17:51,710 --> 00:17:50,460  
lights were right on it's like well what

412  
00:17:55,690 --> 00:17:51,720  
happened I was like I don't know let's

413  
00:17:57,770 --> 00:17:55,700

just go you know let's just go to bed so

414

00:17:59,570 --> 00:17:57,780

people that

415

00:18:02,950 --> 00:17:59,580

generally

416

00:18:06,110 --> 00:18:02,960

you know that that basically are more

417

00:18:08,930 --> 00:18:06,120

religious-minded and want to I guess

418

00:18:11,630 --> 00:18:08,940

serve and want to

419

00:18:13,310 --> 00:18:11,640

um I guess try to acquire knowledge or

420

00:18:15,350 --> 00:18:13,320

or whatever it is that they're trying to

421

00:18:16,190 --> 00:18:15,360

to gain from religion

422

00:18:18,710 --> 00:18:16,200

um

423

00:18:20,570 --> 00:18:18,720

they would they would basically look at

424

00:18:22,610 --> 00:18:20,580

that and then try to translate that

425

00:18:24,950 --> 00:18:22,620

based on what the books say whether it's

426

00:18:27,650 --> 00:18:24,960

the Quran or the Bible or whatever

427

00:18:30,350 --> 00:18:27,660

religion they happen to belong to and so

428

00:18:33,169 --> 00:18:30,360

you know that's not to say that you know

429

00:18:35,930 --> 00:18:33,179

religion is wrong or you know or that

430

00:18:38,930 --> 00:18:35,940

you know you know you should just not

431

00:18:42,890 --> 00:18:38,940

you know read it or listen to it all I'm

432

00:18:46,370 --> 00:18:45,409

we are all part of this one and the same

433

00:18:50,870 --> 00:18:46,380

thing

434

00:18:53,150 --> 00:18:50,880

so you seeking and and believing in

435

00:18:55,669 --> 00:18:53,160

Christ and reading the Bible and praying

436

00:18:59,390 --> 00:18:55,679

is no different than me seeking

437

00:19:02,750 --> 00:18:59,400

meditating you know and and consciously

438

00:19:04,970 --> 00:19:02,760

making decisions in my life and which

439

00:19:07,250 --> 00:19:04,980

way to go and what to do it's absolutely

440

00:19:08,810 --> 00:19:07,260

no different in essence you can almost

441

00:19:11,630 --> 00:19:08,820

say it would be

442

00:19:13,490 --> 00:19:11,640

that the god the universe you know

443

00:19:15,950 --> 00:19:13,500

whatever you want to call it it would

444

00:19:18,409 --> 00:19:15,960

not care what we call it or how we

445

00:19:21,770 --> 00:19:18,419

describe it because no matter what we do

446

00:19:25,430 --> 00:19:21,780

we will always be within it we cannot be

447

00:19:28,610 --> 00:19:25,440

part of it or outside of it and so

448

00:19:30,770 --> 00:19:28,620

um any any kind of silly uh arguments or

449

00:19:33,110 --> 00:19:30,780

conversations we might have it would

450

00:19:35,570 --> 00:19:33,120

still be happening within this one God

451  
00:19:38,930 --> 00:19:35,580  
Consciousness and so the only difference

452  
00:19:42,590 --> 00:19:38,940  
is that I wanted to see

453  
00:19:45,289 --> 00:19:42,600  
for existence for what it is without any

454  
00:19:47,870 --> 00:19:45,299  
kind of filtration mechanism or a filter

455  
00:19:49,370 --> 00:19:47,880  
to have to look through all the time I

456  
00:19:51,890 --> 00:19:49,380  
just wanted to see it for what it is

457  
00:19:53,630 --> 00:19:51,900  
without any other obstructions uh

458  
00:19:55,430 --> 00:19:53,640  
without you know having something in

459  
00:19:57,409 --> 00:19:55,440  
back of my mind saying oh you can't

460  
00:20:00,950 --> 00:19:57,419  
because this religion forbids it or

461  
00:20:02,150 --> 00:20:00,960  
you're not supposed to do this because

462  
00:20:05,029 --> 00:20:02,160  
it's

463  
00:20:08,690 --> 00:20:05,039

if you understand like one thing that

464

00:20:10,669 --> 00:20:08,700

that especially during my my near-death

465

00:20:13,909 --> 00:20:10,679

experience what's what's really

466

00:20:16,130 --> 00:20:13,919

interesting is that the god or the

467

00:20:18,710 --> 00:20:16,140

universe or whatever you want to call it

468

00:20:22,909 --> 00:20:18,720

um is annoyingly impartial

469

00:20:25,549 --> 00:20:22,919

about life about existence and so

470

00:20:27,590 --> 00:20:25,559

because I expected that there would be

471

00:20:29,270 --> 00:20:27,600

judgment I expected that there there

472

00:20:31,970 --> 00:20:29,280

would be

473

00:20:33,770 --> 00:20:31,980

um finally some payback because I had to

474

00:20:37,130 --> 00:20:33,780

endure all this other stuff and surely

475

00:20:39,650 --> 00:20:37,140

you know all the things that were done

476

00:20:41,990 --> 00:20:39,660

to me will now be paid back to these

477

00:20:44,570 --> 00:20:42,000

people you know tenfold and yada yada

478

00:20:47,630 --> 00:20:44,580

yam but it actually isn't like that at

479

00:20:50,630 --> 00:20:47,640

all what it is is that all these people

480

00:20:53,330 --> 00:20:50,640

play a role in you you know for you in

481

00:20:54,830 --> 00:20:53,340

your life and you play a role to them uh

482

00:20:58,490 --> 00:20:54,840

what that is you will discover that

483

00:21:00,830 --> 00:20:58,500

later but the whole point here is that

484

00:21:04,430 --> 00:21:00,840

um you created that scenario

485

00:21:05,930 --> 00:21:04,440

and so you know you had something that

486

00:21:08,570 --> 00:21:05,940

you wanted to get out of that experience

487

00:21:10,909 --> 00:21:08,580

uh what that ex you know exactly is is

488

00:21:12,830 --> 00:21:10,919

for to you to find out sometimes you'll

489

00:21:14,270 --> 00:21:12,840

find out before you die sometimes you'll

490

00:21:17,029 --> 00:21:14,280

find out you know after your death

491

00:21:19,250 --> 00:21:17,039

because it it has to play out in this

492

00:21:22,190 --> 00:21:19,260

specific way but

493

00:21:24,049 --> 00:21:22,200

God or the universe the way it is it has

494

00:21:27,169 --> 00:21:24,059

to remain impartial it has to remain

495

00:21:30,289 --> 00:21:27,179

neutral uh in order for everything that

496

00:21:33,350 --> 00:21:30,299

can happen uh and all that it exists

497

00:21:36,350 --> 00:21:33,360

within it in this infinite way uh it has

498

00:21:38,930 --> 00:21:36,360

to remain impartial if it starts

499

00:21:41,450 --> 00:21:38,940

choosing uh you're going to narrow down

500

00:21:43,909 --> 00:21:41,460

and and basically kind of get rid of

501  
00:21:47,270 --> 00:21:43,919  
infinity because

502  
00:21:49,370 --> 00:21:47,280  
we as these small parts of God we have

503  
00:21:50,570 --> 00:21:49,380  
the choice and religious people call It

504  
00:21:52,789 --> 00:21:50,580  
Free Will

505  
00:21:54,409 --> 00:21:52,799  
um I call it a true you know choice

506  
00:21:55,970 --> 00:21:54,419  
um other people Call It Whatever their

507  
00:21:58,310 --> 00:21:55,980  
path or you know whatever you want to

508  
00:22:01,310 --> 00:21:58,320  
call it the whole point is is that

509  
00:22:03,649 --> 00:22:01,320  
we get to walk through this life and say

510  
00:22:05,750 --> 00:22:03,659  
well I want to think about stuff this

511  
00:22:07,730 --> 00:22:05,760  
way and I want these certain things and

512  
00:22:09,830 --> 00:22:07,740  
I want to do things this way you know

513  
00:22:12,770 --> 00:22:09,840

and this is what feels right but we're

514

00:22:14,750 --> 00:22:12,780

narrowing it down bit by bit by bit not

515

00:22:16,850 --> 00:22:14,760

realizing that all these choices that

516

00:22:19,730 --> 00:22:16,860

now we have available for us to choose

517

00:22:23,750 --> 00:22:19,740

from are only there because of the

518

00:22:25,909 --> 00:22:23,760

Infinity of God because it allowed

519

00:22:28,970 --> 00:22:25,919

everything and anything to happen and

520

00:22:31,610 --> 00:22:28,980

occur and constantly occur so that you

521

00:22:34,190 --> 00:22:31,620

will never end up you know basically at

522

00:22:36,529 --> 00:22:34,200

a it's a at a wall to where you go oh

523

00:22:38,149 --> 00:22:36,539

well I've chosen everything that I could

524

00:22:40,490 --> 00:22:38,159

ever choose and there's nothing else to

525

00:22:43,250 --> 00:22:40,500

choose from anymore you know and so

526

00:22:45,289 --> 00:22:43,260

that's that's kind of um

527

00:22:46,610 --> 00:22:45,299

it's kind of the relationship that I

528

00:22:49,070 --> 00:22:46,620

would hope you you would start

529

00:22:51,649 --> 00:22:49,080

understanding between you and all of

530

00:22:54,830 --> 00:22:51,659

existence you know and

531

00:22:56,690 --> 00:22:54,840

you know when it comes to especially

532

00:22:59,029 --> 00:22:56,700

um when we're talking about demons or

533

00:23:01,130 --> 00:22:59,039

Spirits or things that could you know

534

00:23:02,149 --> 00:23:01,140

attach themselves to you and things like

535

00:23:10,130 --> 00:23:02,159

that

536

00:23:13,310 --> 00:23:10,140

already exists so there's no more space

537

00:23:16,010 --> 00:23:13,320

for anything else so you the way you are

538

00:23:18,049 --> 00:23:16,020

have already taken up all the space that

539

00:23:19,549 --> 00:23:18,059

that is there other things that will

540

00:23:23,510 --> 00:23:19,559

ever exist they have taken up their

541

00:23:26,510 --> 00:23:23,520

space and so for something to just take

542

00:23:29,510 --> 00:23:26,520

over you out of your own control

543

00:23:31,549 --> 00:23:29,520

um on this world you can you can create

544

00:23:34,610 --> 00:23:31,559

it certainly you can create it but

545

00:23:36,710 --> 00:23:34,620

ultimately it's not anything that you

546

00:23:38,510 --> 00:23:36,720

need to be you know that need to be

547

00:23:43,750 --> 00:23:38,520

fearing or thinking that this is going

548

00:23:50,870 --> 00:23:46,430

your life in general

549

00:23:57,110 --> 00:23:54,529

it already has its own difficulties that

550

00:23:59,330 --> 00:23:57,120

you have to try to figure out why have

551

00:24:02,090 --> 00:23:59,340

you chosen what you've chosen

552

00:24:04,730 --> 00:24:02,100

um why make yourself you know even more

553

00:24:06,710 --> 00:24:04,740

afraid about something that you know is

554

00:24:09,289 --> 00:24:06,720

not part of you like oh no someone else

555

00:24:12,169 --> 00:24:09,299

is going to to attach themselves to me

556

00:24:14,510 --> 00:24:12,179

because I didn't believe in God or I

557

00:24:18,169 --> 00:24:14,520

broke some rules or some laws you know

558

00:24:21,350 --> 00:24:18,179

it's um you know try to differentiate

559

00:24:23,390 --> 00:24:21,360

between what's being taught to you you

560

00:24:25,970 --> 00:24:23,400

know and what you through your life

561

00:24:27,830 --> 00:24:25,980

experiences have learned you know when I

562

00:24:29,990 --> 00:24:27,840

was still living in San Luis a very good

563

00:24:32,750 --> 00:24:30,000

friend of mine I'm pretty sure he

564

00:24:35,390 --> 00:24:32,760

wouldn't mind me telling this name of

565

00:24:37,850 --> 00:24:35,400

saying his name his name is Ross and

566

00:24:41,090 --> 00:24:37,860

uh we would often maybe twice a week

567

00:24:42,950 --> 00:24:41,100

have lunch and so

568

00:24:46,010 --> 00:24:42,960

we would go to these different places

569

00:24:49,130 --> 00:24:46,020

and he was a very very religious person

570

00:24:52,250 --> 00:24:49,140

you know but he and this is just my

571

00:24:55,250 --> 00:24:52,260

opinion and all my life that I lived

572

00:24:58,010 --> 00:24:55,260

um he was the first person that is truly

573

00:25:00,950 --> 00:24:58,020

deeply religious but for his own reasons

574

00:25:03,590 --> 00:25:00,960

you know and he and I were discussing so

575

00:25:05,390 --> 00:25:03,600

many uh you know subjects and him

576

00:25:07,789 --> 00:25:05,400

talking to me about them from his

577

00:25:10,010 --> 00:25:07,799

understanding of religious ways and me

578

00:25:12,169 --> 00:25:10,020

telling him from my you know

579

00:25:14,570 --> 00:25:12,179

um I guess spiritual understanding about

580

00:25:16,190 --> 00:25:14,580

certain Concepts to where we were just

581

00:25:18,590 --> 00:25:16,200

going back and forth and there was just

582

00:25:20,870 --> 00:25:18,600

no no judgment you know because we both

583

00:25:23,510 --> 00:25:20,880

were seeking something we were searching

584

00:25:25,789 --> 00:25:23,520

something and we were simply sharing

585

00:25:29,149 --> 00:25:25,799

information with each other

586

00:25:31,610 --> 00:25:29,159

um without having to gain a victory of

587

00:25:33,830 --> 00:25:31,620

one over over another you know and he

588

00:25:36,529 --> 00:25:33,840

would read read the Bible you know no

589

00:25:38,450 --> 00:25:36,539

punitended religiously you know and he

590

00:25:40,730 --> 00:25:38,460

would go to church and he would pray on

591

00:25:42,289 --> 00:25:40,740

things a lot you know he would just you

592

00:25:44,029 --> 00:25:42,299

know he said oh I was praying the other

593

00:25:46,730 --> 00:25:44,039

day and I was thinking about this you

594

00:25:48,350 --> 00:25:46,740

know and so I realized and recognized

595

00:25:49,909 --> 00:25:48,360

you know

596

00:25:52,850 --> 00:25:49,919

the

597

00:25:54,289 --> 00:25:52,860

25 years ago me would have you know

598

00:25:55,970 --> 00:25:54,299

looked at that and would have you know

599

00:25:58,130 --> 00:25:55,980

turned into some kind into Judgment of

600

00:26:01,210 --> 00:25:58,140

like you know and and just would have

601  
00:26:04,190 --> 00:26:01,220  
scoffed at it but you know seeing that

602  
00:26:06,110 --> 00:26:04,200  
he is using the Bible for his own

603  
00:26:08,570 --> 00:26:06,120  
advancement you know to to learn

604  
00:26:10,490 --> 00:26:08,580  
whatever his heart is searching you know

605  
00:26:12,470 --> 00:26:10,500  
and there's absolutely nothing you know

606  
00:26:14,990 --> 00:26:12,480  
wrong you know wrong with that you know

607  
00:26:19,490 --> 00:26:15,000  
and and a lot of times if you know he

608  
00:26:21,409 --> 00:26:19,500  
would get you know into a you know a

609  
00:26:23,810 --> 00:26:21,419  
pickle or a conundrum you know for

610  
00:26:24,409 --> 00:26:23,820  
example we were often talking about you

611  
00:26:26,510 --> 00:26:24,419  
know

612  
00:26:28,970 --> 00:26:26,520  
um in the religious sense you have good

613  
00:26:31,490 --> 00:26:28,980

and evil or good or bad uh spiritual

614

00:26:33,769 --> 00:26:31,500

sense you have the positive negative you

615

00:26:34,789 --> 00:26:33,779

know and we're talking about

616

00:26:37,370 --> 00:26:34,799

um

617

00:26:38,990 --> 00:26:37,380

simply well wouldn't it be just easier

618

00:26:40,610 --> 00:26:39,000

if just everything is just positive

619

00:26:43,610 --> 00:26:40,620

everything is just good you have nothing

620

00:26:46,070 --> 00:26:43,620

negativity is just out out of the

621

00:26:48,529 --> 00:26:46,080

picture and you can just happily live

622

00:26:50,390 --> 00:26:48,539

your life and so we were just discussing

623

00:26:51,890 --> 00:26:50,400

and talking about certain things you

624

00:26:53,810 --> 00:26:51,900

know about regarding then I told them

625

00:26:55,549 --> 00:26:53,820

well you know

626

00:26:58,130 --> 00:26:55,559

at the thought that came to me at that

627

00:27:00,409 --> 00:26:58,140

time I told them negativity you know

628

00:27:03,950 --> 00:27:00,419

just looking you know something negative

629

00:27:06,289 --> 00:27:03,960

or something bad is it's a necessity of

630

00:27:08,630 --> 00:27:06,299

the other coin and that's so the example

631

00:27:10,669 --> 00:27:08,640

I gave him at that time was you know

632

00:27:13,970 --> 00:27:10,679

let's say somebody's for whatever reason

633

00:27:14,870 --> 00:27:13,980

on on the train tracks and the chain is

634

00:27:17,090 --> 00:27:14,880

coming

635

00:27:19,549 --> 00:27:17,100

you you know it's like in a way you have

636

00:27:22,250 --> 00:27:19,559

to push them out of the way to get them

637

00:27:24,950 --> 00:27:22,260

out well that push the very Act of that

638

00:27:27,110 --> 00:27:24,960

is negative because I'm pushing you I

639

00:27:29,210 --> 00:27:27,120

might be hurting you in the process you

640

00:27:31,730 --> 00:27:29,220

know now of course the outcome you know

641

00:27:34,549 --> 00:27:31,740

is for for the you know for the better

642

00:27:37,070 --> 00:27:34,559

but the point is that negativity was

643

00:27:40,370 --> 00:27:37,080

necessary at that time so we were just

644

00:27:42,769 --> 00:27:40,380

kind of looking at negativity or the bad

645

00:27:44,330 --> 00:27:42,779

in a very nuanced thing of it anyway so

646

00:27:48,470 --> 00:27:44,340

those are the kind of conversations he

647

00:27:50,630 --> 00:27:48,480

and I were having and so and you know

648

00:27:51,909 --> 00:27:50,640

it was just you know quite you know very

649

00:27:54,529 --> 00:27:51,919

you know

650

00:27:58,549 --> 00:27:54,539

quite Pleasant to be able to talk to

651  
00:28:02,330 --> 00:27:58,559  
somebody and have them hear or have them

652  
00:28:05,330 --> 00:28:02,340  
say words one way and me saying words

653  
00:28:07,310 --> 00:28:05,340  
the other way and for both of us using

654  
00:28:10,789 --> 00:28:07,320  
it for the benefit for both our growth

655  
00:28:13,250 --> 00:28:10,799  
you know and so I can only hope that

656  
00:28:15,169 --> 00:28:13,260  
most of you can find that you know even

657  
00:28:16,669 --> 00:28:15,179  
if you're religious you know it doesn't

658  
00:28:18,649 --> 00:28:16,679  
matter you know I'm not saying there's

659  
00:28:20,230 --> 00:28:18,659  
anything wrong with that all I'm saying

660  
00:28:22,930 --> 00:28:20,240  
is is that

661  
00:28:25,549 --> 00:28:22,940  
religion and UFOs

662  
00:28:28,970 --> 00:28:25,559  
demons and all these other things it's

663  
00:28:32,029 --> 00:28:28,980

you know all the things can be explained

664

00:28:34,070 --> 00:28:32,039

if you dig deep enough you know

665

00:28:37,010 --> 00:28:34,080

everything you know if you if you

666

00:28:38,750 --> 00:28:37,020

understand to stay open because if you

667

00:28:41,450 --> 00:28:38,760

constantly just you know stay in that

668

00:28:44,390 --> 00:28:41,460

fear and just want to run away from it

669

00:28:46,730 --> 00:28:44,400

as far as you possibly can then then you

670

00:28:49,370 --> 00:28:46,740

will not get anything different from it

671

00:28:51,529 --> 00:28:49,380

you know than what you what you think in

672

00:28:53,750 --> 00:28:51,539

your head you know they will new new

673

00:28:55,549 --> 00:28:53,760

understanding a new

674

00:28:57,230 --> 00:28:55,559

um way of looking at it will not come to

675

00:28:59,630 --> 00:28:57,240

you because you have then fully and

676  
00:29:01,490 --> 00:28:59,640  
utterly blocked yourself out of that you

677  
00:29:04,370 --> 00:29:01,500  
know and then of course there's no

678  
00:29:07,370 --> 00:29:04,380  
benefit to it no but no benefit to you

679  
00:29:08,870 --> 00:29:07,380  
I said so I mean unless you eventually

680  
00:29:10,970 --> 00:29:08,880  
find out that that was what you were

681  
00:29:12,409 --> 00:29:10,980  
seeking that was exactly why you came

682  
00:29:14,570 --> 00:29:12,419  
here to live your life is to have a

683  
00:29:17,570 --> 00:29:14,580  
fearful life but that's something else

684  
00:29:20,810 --> 00:29:17,580  
you have to you know sort out

685  
00:29:22,669 --> 00:29:20,820  
so anyway that's basically the points

686  
00:29:25,370 --> 00:29:22,679  
that I wanted to make I hope I wasn't

687  
00:29:28,669 --> 00:29:25,380  
rambling on and on too much

688  
00:29:30,830 --> 00:29:28,679

um so let me let me see if some of you

689

00:29:31,909 --> 00:29:30,840

are in telegram if there's somebody who

690

00:29:42,769 --> 00:29:31,919

wants to talk

691

00:29:42,779 --> 00:29:48,649

excuse me I have to cough

692

00:29:54,710 --> 00:29:50,930

foreign

693

00:30:00,470 --> 00:29:57,049

oh there they are

694

00:30:03,230 --> 00:30:00,480

I had to there's a new setting change

695

00:30:05,750 --> 00:30:03,240

a silky B how are you labels how you

696

00:30:09,649 --> 00:30:05,760

doing good to see you again

697

00:30:14,630 --> 00:30:09,659

and Guy married and Potter

698

00:30:20,450 --> 00:30:16,909

all right let me see

699

00:30:22,250 --> 00:30:20,460

so there's uh just one listener and and

700

00:30:25,010 --> 00:30:22,260

that's also too telegram you can just

701

00:30:26,990 --> 00:30:25,020

use it to listen voice only but uh the

702

00:30:29,690 --> 00:30:27,000

additional buddy and telegram that that

703

00:30:31,070 --> 00:30:29,700

wanted to talk so silky B is asking the

704

00:30:34,570 --> 00:30:31,080

question

705

00:30:41,810 --> 00:30:37,370

reptilians are thought to be aggressive

706

00:30:44,330 --> 00:30:41,820

or or malevolent any other alien races

707

00:30:48,769 --> 00:30:44,340

though to be on the wrong side of Love

708

00:30:52,730 --> 00:30:50,930

so I I might have maybe mentioned this

709

00:30:55,490 --> 00:30:52,740

or might have talked about this but let

710

00:30:57,049 --> 00:30:55,500

me give you an example about

711

00:30:59,930 --> 00:30:57,059

um

712

00:31:02,870 --> 00:30:59,940

about your oversaw or your higher self

713

00:31:04,850 --> 00:31:02,880

so and then I promise this is in

714

00:31:06,769 --> 00:31:04,860  
relation to reptilians and I'll get to

715

00:31:08,269 --> 00:31:06,779  
the story quickly I just have to tell

716

00:31:09,769 --> 00:31:08,279  
you this part

717

00:31:10,930 --> 00:31:09,779  
there's

718

00:31:14,930 --> 00:31:10,940  
the the

719

00:31:17,210 --> 00:31:14,940  
character that you are so I'm Adnan I'm

720

00:31:19,549 --> 00:31:17,220  
a character silky B you're a character

721

00:31:22,010 --> 00:31:19,559  
the character we are playing

722

00:31:24,409 --> 00:31:22,020  
um has a very limited understanding it's

723

00:31:26,690 --> 00:31:24,419  
it's not supposed to know everything the

724

00:31:30,430 --> 00:31:26,700  
higher version of you that your oversoul

725

00:31:33,710 --> 00:31:30,440  
is the part that basically is kind of uh

726

00:31:35,630 --> 00:31:33,720

dipped a finger into this reality to

727

00:31:37,850 --> 00:31:35,640

have this experience and it will gain

728

00:31:39,470 --> 00:31:37,860

from it where it needs to gain but it

729

00:31:40,430 --> 00:31:39,480

will ultimately understand the full

730

00:31:42,590 --> 00:31:40,440

picture

731

00:31:44,269 --> 00:31:42,600

some of these communications that are

732

00:31:46,549 --> 00:31:44,279

happening is are actually happening

733

00:31:48,710 --> 00:31:46,559

between your oversoul and whatever other

734

00:31:50,750 --> 00:31:48,720

beings you happen to be in in presence

735

00:31:54,049 --> 00:31:50,760

and so I've learned that several times

736

00:31:55,909 --> 00:31:54,059

uh to where I found myself conversating

737

00:31:58,909 --> 00:31:55,919

or having a conversation with somebody

738

00:32:01,130 --> 00:31:58,919

else but I Adnan was not allowed to be

739

00:32:03,110 --> 00:32:01,140

previewed to it but my mouth was moving

740

00:32:05,149 --> 00:32:03,120

everything was happening but I I

741

00:32:06,950 --> 00:32:05,159

couldn't I quite understand like I was

742

00:32:08,510 --> 00:32:06,960

almost like I was in my own car but I

743

00:32:11,750 --> 00:32:08,520

was just sitting at the passenger side

744

00:32:13,850 --> 00:32:11,760

and then on a few rare occasions I was

745

00:32:15,950 --> 00:32:13,860

able to kind of get in the driver see

746

00:32:17,330 --> 00:32:15,960

realize oh I I am back I can't control

747

00:32:19,909 --> 00:32:17,340

this and I would ask some stupid

748

00:32:21,669 --> 00:32:19,919

question well in reference to the

749

00:32:26,810 --> 00:32:21,679

reptilians so

750

00:32:29,570 --> 00:32:26,820

I this was a out-of-body experience so I

751  
00:32:31,549 --> 00:32:29,580  
had just laid down and you know I was

752  
00:32:34,370 --> 00:32:31,559  
feeling all these different tingles or

753  
00:32:35,990 --> 00:32:34,380  
you know all over my body and so I was

754  
00:32:38,269 --> 00:32:36,000  
like it seems like I'm not going to be

755  
00:32:40,190 --> 00:32:38,279  
going to sleep tonight it's just you

756  
00:32:42,289 --> 00:32:40,200  
know I basically let let let them take

757  
00:32:45,830 --> 00:32:42,299  
over and then next thing I know whatever

758  
00:32:48,409 --> 00:32:45,840  
image comes next or whatever film comes

759  
00:32:50,269 --> 00:32:48,419  
next is whatever I need to be doing or

760  
00:32:53,149 --> 00:32:50,279  
interacting with whatever

761  
00:32:56,090 --> 00:32:53,159  
well anyway as I lay there I immediately

762  
00:32:59,210 --> 00:32:56,100  
then saw there was right right in front

763  
00:33:02,149 --> 00:32:59,220

of my face a reptilian face and I just

764

00:33:05,810 --> 00:33:02,159

part of my French was you know

765

00:33:08,149 --> 00:33:05,820

freaked the out and so I was trying

766

00:33:10,669 --> 00:33:08,159

to back up and I was trying to you know

767

00:33:12,409 --> 00:33:10,679

grab my breath or gas you know gas for

768

00:33:14,450 --> 00:33:12,419

my breath because I was immediately

769

00:33:16,250 --> 00:33:14,460

afraid it's like you know having a snake

770

00:33:17,630 --> 00:33:16,260

and fear in your face you know it was

771

00:33:26,630 --> 00:33:17,640

very

772

00:33:30,350 --> 00:33:26,640

know instead of protruding out and so as

773

00:33:33,289 --> 00:33:30,360

I as I saw it and I was backing up I

774

00:33:38,029 --> 00:33:33,299

could sense and see that it just went

775

00:33:40,669 --> 00:33:38,039

like this and then it turned around it

776

00:33:42,830 --> 00:33:40,679

walked towards an egg-shaped thing

777

00:33:44,630 --> 00:33:42,840

whatever but it was it was weird to me I

778

00:33:46,909 --> 00:33:44,640

was like what's he gonna do in that

779

00:33:49,789 --> 00:33:46,919

because it looked like an egg but it had

780

00:33:53,570 --> 00:33:49,799

three fins like almost like a egg rocket

781

00:33:55,310 --> 00:33:53,580

and so it kind of set back into the egg

782

00:33:57,769 --> 00:33:55,320

and it closed down to where you couldn't

783

00:34:00,230 --> 00:33:57,779

see the the door anymore it just it was

784

00:34:02,930 --> 00:34:00,240

seamless and it just took off with you

785

00:34:05,450 --> 00:34:02,940

know just low noise nothing just took

786

00:34:08,030 --> 00:34:05,460

off and this it was flying flying up to

787

00:34:10,210 --> 00:34:08,040

to whatever whatever I was following it

788

00:34:12,889 --> 00:34:10,220

I saw there was a much

789

00:34:16,550 --> 00:34:12,899

bigger egg which I guess you can call it

790

00:34:19,190 --> 00:34:16,560

a Mothership or whatever and it was just

791

00:34:21,409 --> 00:34:19,200

you know awesome I mean I was saying oh

792

00:34:24,829 --> 00:34:21,419

looking at it had all kinds of colors it

793

00:34:27,409 --> 00:34:24,839

was um orangish brown and so as I was

794

00:34:30,530 --> 00:34:27,419

looking at it and just admiring it

795

00:34:32,990 --> 00:34:30,540

um it sent the the ship and it was clear

796

00:34:35,690 --> 00:34:33,000

to me what it was because you know when

797

00:34:38,210 --> 00:34:35,700

it's a being you know versus a ship or

798

00:34:39,829 --> 00:34:38,220

one of us we would call it AI but it's a

799

00:34:41,869 --> 00:34:39,839

consciousness of the ship

800

00:34:45,109 --> 00:34:41,879

sent me a message just kind of saying

801  
00:34:47,389 --> 00:34:45,119  
hello and I was so afraid that I got out

802  
00:34:49,909 --> 00:34:47,399  
of it and I got off out of bed and I was

803  
00:34:52,849 --> 00:34:49,919  
just I was happy to just be back and not

804  
00:34:54,230 --> 00:34:52,859  
be in that presence um the way it felt

805  
00:34:57,349 --> 00:34:54,240  
it would be

806  
00:34:59,870 --> 00:34:57,359  
how an ant would look at us getting

807  
00:35:03,530 --> 00:34:59,880  
close to him to see something that big

808  
00:35:06,290 --> 00:35:03,540  
and have Consciousness and be aware uh

809  
00:35:07,490 --> 00:35:06,300  
was just it was scary you know so of

810  
00:35:10,069 --> 00:35:07,500  
course

811  
00:35:12,589 --> 00:35:10,079  
all those because these things were just

812  
00:35:15,530 --> 00:35:12,599  
in my face in my face you know and were

813  
00:35:17,810 --> 00:35:15,540

shown to me it you know it was it was I

814

00:35:20,150 --> 00:35:17,820

I had no other choice but just reacting

815

00:35:22,849 --> 00:35:20,160

this react to that and and so on so

816

00:35:25,250 --> 00:35:22,859

later on when I caught my butt down and

817

00:35:27,770 --> 00:35:25,260

what was just trying to recall what was

818

00:35:30,170 --> 00:35:27,780

happening and all that it's I I

819

00:35:33,230 --> 00:35:30,180

remembered that

820

00:35:36,170 --> 00:35:33,240

the way he reacted initially was

821

00:35:38,569 --> 00:35:36,180

it's like the other version of me was

822

00:35:40,790 --> 00:35:38,579

talking to them about whatever and then

823

00:35:42,710 --> 00:35:40,800

that was the time when I got a chance to

824

00:35:46,190 --> 00:35:42,720

move over from passenger side to driver

825

00:35:48,170 --> 00:35:46,200

side to you know basically have my own

826

00:35:50,450 --> 00:35:48,180

experiences on this and of course the

827

00:35:51,710 --> 00:35:50,460

first thing I did is freak out but the

828

00:35:54,170 --> 00:35:51,720

point was

829

00:35:57,290 --> 00:35:54,180

it wasn't something you know just

830

00:35:59,390 --> 00:35:57,300

because it looked different and and even

831

00:36:01,550 --> 00:35:59,400

even now if I were to see it I'm not

832

00:36:03,530 --> 00:36:01,560

ashamed to say it I would be afraid you

833

00:36:07,130 --> 00:36:03,540

know the whole point is there was

834

00:36:10,069 --> 00:36:07,140

nothing evil about it you know and this

835

00:36:12,770 --> 00:36:10,079

is something that you're gonna have to

836

00:36:14,270 --> 00:36:12,780

um I guess just you know if and when you

837

00:36:16,550 --> 00:36:14,280

might ever have a chance to have this

838

00:36:18,290 --> 00:36:16,560

experience is is that there was

839

00:36:20,569 --> 00:36:18,300

absolutely nothing evil about it it was

840

00:36:22,670 --> 00:36:20,579

my own interpretation of what I thought

841

00:36:28,970 --> 00:36:22,680

I saw and how I thought I needed to

842

00:36:28,980 --> 00:36:36,470

excuse me one second

843

00:36:42,829 --> 00:36:40,310

sorry about that and so

844

00:36:45,710 --> 00:36:42,839

my mind changed

845

00:36:47,690 --> 00:36:45,720

you know about how I you know how I

846

00:36:48,890 --> 00:36:47,700

viewed them now something that's very

847

00:36:52,430 --> 00:36:48,900

interesting

848

00:36:55,010 --> 00:36:52,440

that happen after that I was very afraid

849

00:36:57,470 --> 00:36:55,020

of snakes you know because living in the

850

00:37:00,290 --> 00:36:57,480

city most of my life and and only going

851  
00:37:02,210 --> 00:37:00,300  
camping occasionally and and you know

852  
00:37:04,670 --> 00:37:02,220  
doing that often but still not often

853  
00:37:07,010 --> 00:37:04,680  
enough to become used used to being

854  
00:37:08,930 --> 00:37:07,020  
around snakes the property that I had it

855  
00:37:11,569 --> 00:37:08,940  
had a lot of the black snakes

856  
00:37:13,790 --> 00:37:11,579  
um uh basically they they eat rats most

857  
00:37:16,490 --> 00:37:13,800  
of the time then there were copperheads

858  
00:37:18,109 --> 00:37:16,500  
um I got bit by one you know stepped on

859  
00:37:20,450 --> 00:37:18,119  
one at during the night while I was

860  
00:37:22,609 --> 00:37:20,460  
going from the house to to the car and

861  
00:37:25,190 --> 00:37:22,619  
there's just not much they can do just

862  
00:37:26,210 --> 00:37:25,200  
let it do its thing and and be done with

863  
00:37:34,069 --> 00:37:26,220

it

864

00:37:36,410 --> 00:37:34,079

so

865

00:37:38,150 --> 00:37:36,420

anyway what happened after that

866

00:37:42,230 --> 00:37:38,160

experience is that

867

00:37:45,650 --> 00:37:42,240

I became like my fear about snakes and

868

00:37:47,329 --> 00:37:45,660

about reptiles uh reduced itself by

869

00:37:49,370 --> 00:37:47,339

maybe 20-fold

870

00:37:53,210 --> 00:37:49,380

how I used to be and how I am now

871

00:37:55,490 --> 00:37:53,220

because before if it was 30 feet 40 feet

872

00:37:57,770 --> 00:37:55,500

the further away from me the better what

873

00:37:59,810 --> 00:37:57,780

happened then I could you know now I can

874

00:38:01,970 --> 00:37:59,820

just step next to it you know of course

875

00:38:03,470 --> 00:38:01,980

still being careful of it not biting me

876

00:38:06,050 --> 00:38:03,480

because it might think I'm trying to

877

00:38:08,390 --> 00:38:06,060

harm it but you know be close to it and

878

00:38:10,970 --> 00:38:08,400

you know kneel down and observe it and

879

00:38:14,270 --> 00:38:10,980

all this other stuff and so

880

00:38:16,670 --> 00:38:14,280

without understanding fully what that

881

00:38:19,130 --> 00:38:16,680

conversation was about you know I at

882

00:38:22,910 --> 00:38:19,140

least then something happened to where

883

00:38:27,349 --> 00:38:22,920

now I'm okay with you know in my waking

884

00:38:29,450 --> 00:38:27,359

daily life to be around reptiles and not

885

00:38:32,150 --> 00:38:29,460

freak out in the same way so something

886

00:38:34,970 --> 00:38:32,160

got dulled something got lowered you

887

00:38:36,770 --> 00:38:34,980

know and so I would look at that you

888

00:38:37,550 --> 00:38:36,780

know overwhelmingly as a very positive

889

00:38:40,849 --> 00:38:37,560

thing

890

00:38:42,589 --> 00:38:40,859

you know instead of you know

891

00:38:44,930 --> 00:38:42,599

I mean I don't know maybe at some other

892

00:38:46,609 --> 00:38:44,940

point like with many things that I have

893

00:38:49,490 --> 00:38:46,619

on my bucket list to find out what in

894

00:38:51,349 --> 00:38:49,500

the world was all this about maybe it

895

00:38:53,690 --> 00:38:51,359

will eventually you know be explained to

896

00:38:56,510 --> 00:38:53,700

me what that interaction was was uh

897

00:39:00,410 --> 00:38:56,520

about but the whole point is it doesn't

898

00:39:01,550 --> 00:39:00,420

matter it helped me here in this life so

899

00:39:04,310 --> 00:39:01,560

anyway

900

00:39:06,829 --> 00:39:04,320

um so when people talk about

901  
00:39:08,329 --> 00:39:06,839  
you know reptiles I mean

902  
00:39:10,849 --> 00:39:08,339  
they are

903  
00:39:13,130 --> 00:39:10,859  
you know a lot of people get scared when

904  
00:39:16,490 --> 00:39:13,140  
they say oh no uh you know there's

905  
00:39:19,430 --> 00:39:16,500  
reptilians that that you know eat people

906  
00:39:21,410 --> 00:39:19,440  
I don't doubt that and I'm not that but

907  
00:39:23,510 --> 00:39:21,420  
I still

908  
00:39:25,370 --> 00:39:23,520  
don't misunderstand me I don't see it as

909  
00:39:28,970 --> 00:39:25,380  
a negative thing because

910  
00:39:31,609 --> 00:39:28,980  
in the same sense that we eat cows and

911  
00:39:32,690 --> 00:39:31,619  
eat these different animals we're not

912  
00:39:36,530 --> 00:39:32,700  
evil

913  
00:39:38,150 --> 00:39:36,540

not you know these these people that

914

00:39:41,150 --> 00:39:38,160

need to be stopped and you know

915

00:39:43,550 --> 00:39:41,160

eradicated just because we we kill other

916

00:39:47,390 --> 00:39:43,560

animals to eat

917

00:39:50,329 --> 00:39:47,400

um so do they and if you look in these

918

00:39:51,670 --> 00:39:50,339

Universal structure of things

919

00:39:55,810 --> 00:39:51,680

um

920

00:39:58,250 --> 00:39:55,820

you know it's not would not be

921

00:40:00,170 --> 00:39:58,260

whatsoever surprising if you you know

922

00:40:02,030 --> 00:40:00,180

stop and think that there wouldn't be

923

00:40:05,630 --> 00:40:02,040

other things that would then look at us

924

00:40:08,150 --> 00:40:05,640

as food you know the difference is that

925

00:40:11,210 --> 00:40:08,160

um it was a long time ago I hear I heard

926  
00:40:14,750 --> 00:40:11,220  
that initially there was a plan or

927  
00:40:17,089 --> 00:40:14,760  
initially a certain path that most of us

928  
00:40:18,710 --> 00:40:17,099  
were on that they would be more

929  
00:40:20,569 --> 00:40:18,720  
prevalent in our lives and it would have

930  
00:40:22,069 --> 00:40:20,579  
been a bigger deal for us to deal with

931  
00:40:24,230 --> 00:40:22,079  
you know

932  
00:40:27,050 --> 00:40:24,240  
um meaning more like dabbing to defend

933  
00:40:30,109 --> 00:40:27,060  
ourselves and then having an experience

934  
00:40:32,390 --> 00:40:30,119  
living a life out in that way but it got

935  
00:40:34,730 --> 00:40:32,400  
changed to where that's not the case

936  
00:40:37,670 --> 00:40:34,740  
anymore now are they still around to

937  
00:40:39,470 --> 00:40:37,680  
where they would still you know eat a

938  
00:40:42,349 --> 00:40:39,480

human here and there I wouldn't be

939

00:40:45,950 --> 00:40:42,359

surprised that that's the case but again

940

00:40:47,930 --> 00:40:45,960

when it comes to fear it's it I can't

941

00:40:50,270 --> 00:40:47,940

explain it or I can't emphasize it

942

00:40:53,750 --> 00:40:50,280

enough to just just

943

00:40:56,569 --> 00:40:53,760

do not be afraid you know just you know

944

00:40:58,849 --> 00:40:56,579

don't let that fear take over over your

945

00:41:01,310 --> 00:40:58,859

life because it's such a small temporary

946

00:41:03,950 --> 00:41:01,320

thing you know to where why waste your

947

00:41:06,230 --> 00:41:03,960

most of your life you know why waste it

948

00:41:08,270 --> 00:41:06,240

just you know fearing hoping to trying

949

00:41:10,310 --> 00:41:08,280

to avoid fear when you can just

950

00:41:13,190 --> 00:41:10,320

concentrate on just keep on living your

951  
00:41:14,990 --> 00:41:13,200  
life and if if something happens to a

952  
00:41:17,810 --> 00:41:15,000  
point to where your life is extinguished

953  
00:41:20,270 --> 00:41:17,820  
then let it be you know because I

954  
00:41:23,450 --> 00:41:20,280  
promise you there is a life after you

955  
00:41:25,130 --> 00:41:23,460  
know and you know I hope you don't you

956  
00:41:27,349 --> 00:41:25,140  
know leave the planet before you're

957  
00:41:29,569 --> 00:41:27,359  
supposed to but all you know just from

958  
00:41:32,630 --> 00:41:29,579  
my personal experience and if my opinion

959  
00:41:34,790 --> 00:41:32,640  
you know has any weight in in your in

960  
00:41:38,030 --> 00:41:34,800  
your Consciousness you know I would just

961  
00:41:40,910 --> 00:41:38,040  
really hope that you don't stay in that

962  
00:41:43,609 --> 00:41:40,920  
that fearful State because a light

963  
00:41:46,190 --> 00:41:43,619

attracts a like so if you are constantly

964

00:41:49,490 --> 00:41:46,200

fearful then you will be constantly

965

00:41:50,690 --> 00:41:49,500

attracting things that are that are

966

00:41:53,690 --> 00:41:50,700

worth fearing

967

00:41:55,490 --> 00:41:53,700

and so you have to just understand that

968

00:41:57,050 --> 00:41:55,500

you have to make that conscious decision

969

00:42:02,569 --> 00:41:57,060

that that

970

00:42:04,910 --> 00:42:02,579

to live your life instead of constantly

971

00:42:07,310 --> 00:42:04,920

looking behind your back and so then

972

00:42:09,950 --> 00:42:07,320

that way that that positive view that

973

00:42:11,510 --> 00:42:09,960

the the positive outlook you is then

974

00:42:13,010 --> 00:42:11,520

going to then attract all the things

975

00:42:15,470 --> 00:42:13,020

that mesh with you and they will be

976  
00:42:17,569 --> 00:42:15,480  
coming your way a lot easier and then

977  
00:42:20,150 --> 00:42:17,579  
the fear would be less and less and less

978  
00:42:22,130 --> 00:42:20,160  
and not be not be that prevalent and

979  
00:42:24,170 --> 00:42:22,140  
that controlling in your life so in a

980  
00:42:26,690 --> 00:42:24,180  
way it's I don't know if this is a good

981  
00:42:30,349 --> 00:42:26,700  
expression that you know it's Catch-22

982  
00:42:32,270 --> 00:42:30,359  
you know it's the the

983  
00:42:35,630 --> 00:42:32,280  
you know for most people the the the

984  
00:42:38,270 --> 00:42:35,640  
more they try to get out of the fear the

985  
00:42:41,270 --> 00:42:38,280  
more into fear they get you know and

986  
00:42:44,210 --> 00:42:41,280  
um other than just waiting to to see

987  
00:42:46,069 --> 00:42:44,220  
that switch in in use flip on its own or

988  
00:42:47,810 --> 00:42:46,079

whenever that right timing is for it to

989

00:42:49,790 --> 00:42:47,820

flip over and for you to finally start

990

00:42:51,050 --> 00:42:49,800

going down that path

991

00:42:53,810 --> 00:42:51,060

um

992

00:42:56,270 --> 00:42:53,820

when that happens for each each and one

993

00:42:58,069 --> 00:42:56,280

each each and every one of you I don't

994

00:43:01,309 --> 00:42:58,079

know but you can certainly take the

995

00:43:03,109 --> 00:43:01,319

steps today right now you know if you

996

00:43:05,210 --> 00:43:03,119

are one of those people that is in

997

00:43:07,190 --> 00:43:05,220

constant fear

998

00:43:14,809 --> 00:43:07,200

okay I'm sorry I've been rambling it

999

00:43:20,030 --> 00:43:15,650

um

1000

00:43:20,040 --> 00:43:23,750

everyone is

1001  
00:43:28,069 --> 00:43:25,550  
chatting with each other I'm trying to

1002  
00:43:30,530 --> 00:43:28,079  
see if there's another question

1003  
00:43:32,809 --> 00:43:30,540  
or

1004  
00:43:34,550 --> 00:43:32,819  
right we have somebody who raised their

1005  
00:43:41,089 --> 00:43:34,560  
hands

1006  
00:43:46,910 --> 00:43:44,750  
hi yo yo you are you are unmuted I mute

1007  
00:43:48,829 --> 00:43:46,920  
yourself on your end and you should be

1008  
00:43:51,589 --> 00:43:48,839  
able to speak to me

1009  
00:43:52,910 --> 00:43:51,599  
hello yeah this is before the um the

1010  
00:43:55,370 --> 00:43:52,920  
show or

1011  
00:43:57,829 --> 00:43:55,380  
uh no we've been already close to an

1012  
00:43:59,450 --> 00:43:57,839  
hour into it you can you can speak to me

1013  
00:44:02,870 --> 00:43:59,460

you don't have to wait for the pre-show

1014

00:44:05,089 --> 00:44:02,880

you missed it please pre-show is from 6

1015

00:44:09,109 --> 00:44:05,099

30 to 7.

1016

00:44:11,809 --> 00:44:09,119

okay yeah I'm I just I heard you talking

1017

00:44:13,130 --> 00:44:11,819

about reptilians and um well I mean fear

1018

00:44:16,670 --> 00:44:13,140

is something that

1019

00:44:19,069 --> 00:44:16,680

we do need to deal with in this uh part

1020

00:44:21,109 --> 00:44:19,079

of reality which I don't know I don't

1021

00:44:22,970 --> 00:44:21,119

know if that like coincides with what

1022

00:44:26,450 --> 00:44:22,980

you were saying but I had some weird

1023

00:44:29,329 --> 00:44:26,460

thing where like I actually visited some

1024

00:44:30,710 --> 00:44:29,339

type of retailing and like I don't know

1025

00:44:32,510 --> 00:44:30,720

if it was real it could have been a

1026

00:44:34,609 --> 00:44:32,520

dream could have been not you know who

1027

00:44:37,190 --> 00:44:34,619

knows but uh does it matter like you

1028

00:44:38,990 --> 00:44:37,200

know everybody had their part and then

1029

00:44:41,870 --> 00:44:39,000

you're just ready for what you're ready

1030

00:44:43,609 --> 00:44:41,880

for and if you're ready to face the fear

1031

00:44:47,150 --> 00:44:43,619

go for it you know that means you're

1032

00:44:49,670 --> 00:44:47,160

ready I mean um you know it's some of my

1033

00:44:51,890 --> 00:44:49,680

experience I mean like we're all gonna

1034

00:44:55,609 --> 00:44:51,900

be scared we're going you know but just

1035

00:44:58,790 --> 00:44:55,619

face it and then um don't don't like uh

1036

00:45:02,450 --> 00:44:58,800

let your Don't Panic yeah but like use

1037

00:45:05,150 --> 00:45:02,460

your mind to overcome like um

1038

00:45:06,650 --> 00:45:05,160

some like if when you react sometimes

1039

00:45:08,569 --> 00:45:06,660

your reactions are supposed to be good

1040

00:45:11,329 --> 00:45:08,579

but when you don't really understand

1041

00:45:13,370 --> 00:45:11,339

what's going on then your mind should

1042

00:45:16,370 --> 00:45:13,380

tell you maybe you shouldn't be reacting

1043

00:45:18,589 --> 00:45:16,380

as um as as quickly like you need to

1044

00:45:21,290 --> 00:45:18,599

understand the situation before you you

1045

00:45:23,270 --> 00:45:21,300

should uh make a a proper reaction yeah

1046

00:45:25,910 --> 00:45:23,280

if that helps anybody

1047

00:45:27,950 --> 00:45:25,920

right no no I get I get it well you know

1048

00:45:29,870 --> 00:45:27,960

um I think I think this might go along

1049

00:45:32,750 --> 00:45:29,880

with what you just said

1050

00:45:34,250 --> 00:45:32,760

um so like many years ago I'm pretty

1051

00:45:36,349 --> 00:45:34,260

sure just haven't talked to you before

1052

00:45:38,089 --> 00:45:36,359

you you might be in the same boat you

1053

00:45:40,130 --> 00:45:38,099

know pretty long long time ago before

1054

00:45:42,950 --> 00:45:40,140

all the conspiracy theories were proven

1055

00:45:44,329 --> 00:45:42,960

true or proven uh right in the past

1056

00:45:46,730 --> 00:45:44,339

three years

1057

00:45:48,410 --> 00:45:46,740

um how many times were there always

1058

00:45:50,210 --> 00:45:48,420

talks about

1059

00:45:52,609 --> 00:45:50,220

um the one world order and how many

1060

00:45:54,890 --> 00:45:52,619

times were the talks about uh going

1061

00:45:56,569 --> 00:45:54,900

cashless and how many talks were all

1062

00:45:58,730 --> 00:45:56,579

these other things that made people so

1063

00:46:00,530 --> 00:45:58,740

afraid you know and so they were

1064

00:46:02,089 --> 00:46:00,540

constantly just fearing about this and

1065

00:46:03,890 --> 00:46:02,099

that and then when this stuff happened

1066

00:46:06,109 --> 00:46:03,900

there's very same people they were

1067

00:46:08,390 --> 00:46:06,119

afraid 20 years ago are still afraid

1068

00:46:10,069 --> 00:46:08,400

going through it and it's like so you

1069

00:46:11,809 --> 00:46:10,079

knew about something but you still

1070

00:46:14,150 --> 00:46:11,819

haven't done anything and all you were

1071

00:46:16,970 --> 00:46:14,160

left with is living in fear for the past

1072

00:46:18,710 --> 00:46:16,980

20 years you know well that shows

1073

00:46:21,410 --> 00:46:18,720

they're fighting they're not allowing

1074

00:46:22,250 --> 00:46:21,420

what's gonna happen to happen that's

1075

00:46:26,990 --> 00:46:22,260

like

1076

00:46:28,970 --> 00:46:27,000

they've seen it but they're not they're

1077

00:46:31,430 --> 00:46:28,980

they're actually the ones fighting the

1078

00:46:32,990 --> 00:46:31,440

change and if something's gonna like if

1079

00:46:35,150 --> 00:46:33,000

a wave is gonna hit you it's gonna hit

1080

00:46:36,589 --> 00:46:35,160

you you can't stop the wave so the best

1081

00:46:38,690 --> 00:46:36,599

thing you could do is like you know tuck

1082

00:46:40,849 --> 00:46:38,700

and roll or whatever you know to the

1083

00:46:43,790 --> 00:46:40,859

best of your ability like don't really

1084

00:46:45,650 --> 00:46:43,800

fight just be aware of it and at least

1085

00:46:47,630 --> 00:46:45,660

protect your own people like to your

1086

00:46:48,710 --> 00:46:47,640

ability but you know right I mean

1087

00:46:50,210 --> 00:46:48,720

something's gonna happen is going to

1088

00:46:52,790 --> 00:46:50,220

happen like you know

1089

00:46:54,530 --> 00:46:52,800

fighting it uh wishing it's not going to

1090

00:46:57,770 --> 00:46:54,540

happen is not gonna

1091

00:47:01,670 --> 00:46:57,780

solve anything in reality right

1092

00:47:03,349 --> 00:47:01,680

well because I mean um unless you know

1093

00:47:05,750 --> 00:47:03,359

um that there's something specifically

1094

00:47:08,690 --> 00:47:05,760

that you like yes this is what I can do

1095

00:47:11,510 --> 00:47:08,700

and you see this event coming you know

1096

00:47:13,309 --> 00:47:11,520

uh then yeah if you have pre-planned to

1097

00:47:14,750 --> 00:47:13,319

do something then go ahead and do it

1098

00:47:17,930 --> 00:47:14,760

it's part of that experience like okay

1099

00:47:20,750 --> 00:47:17,940

make a change you know but you know to

1100

00:47:22,970 --> 00:47:20,760

to not know what to do but then still

1101  
00:47:25,730 --> 00:47:22,980  
choose fear over just being happy and

1102  
00:47:27,890 --> 00:47:25,740  
and being in in this you know happy

1103  
00:47:29,990 --> 00:47:27,900  
happiness and love you know it's like it

1104  
00:47:32,870 --> 00:47:30,000  
makes it makes no sense you know because

1105  
00:47:34,609 --> 00:47:32,880  
why would you just be afraid and keep on

1106  
00:47:36,650 --> 00:47:34,619  
being afraid as if that's going to save

1107  
00:47:38,690 --> 00:47:36,660  
you somehow well if you know there's

1108  
00:47:39,650 --> 00:47:38,700  
going to be a demise for you and you

1109  
00:47:42,410 --> 00:47:39,660  
know you're not going to do anything

1110  
00:47:45,670 --> 00:47:42,420  
about it then why why not at least be

1111  
00:47:49,910 --> 00:47:47,930  
fear is not helping you it's not

1112  
00:47:52,609 --> 00:47:49,920  
assisting you at all so in that

1113  
00:47:54,410 --> 00:47:52,619

situation you let go but fear like

1114

00:47:56,690 --> 00:47:54,420

healthy fear is like hey you should be

1115

00:47:59,030 --> 00:47:56,700

aware this could happen like you know

1116

00:48:00,890 --> 00:47:59,040

you should listen to that one but you

1117

00:48:03,050 --> 00:48:00,900

don't like let it run your life you know

1118

00:48:05,569 --> 00:48:03,060

like there's a balance yeah

1119

00:48:07,250 --> 00:48:05,579

like I mean we have fear we have to deal

1120

00:48:11,750 --> 00:48:07,260

with fear that's a real thing but like

1121

00:48:13,250 --> 00:48:11,760

don't live under fear right yeah I know

1122

00:48:15,290 --> 00:48:13,260

exactly what you mean I agree with that

1123

00:48:17,030 --> 00:48:15,300

yo-yo it's a scary thing but you got to

1124

00:48:18,349 --> 00:48:17,040

face it and at one point in time you

1125

00:48:20,750 --> 00:48:18,359

just have to not give a and just

1126

00:48:25,910 --> 00:48:20,760

let go there's nothing you can do but

1127

00:48:28,370 --> 00:48:25,920

right yeah right well you know it's it's

1128

00:48:31,069 --> 00:48:28,380

uh I mean it's very refreshing too to

1129

00:48:33,230 --> 00:48:31,079

just know to just let go and not worry

1130

00:48:35,510 --> 00:48:33,240

about you know that you will not have

1131

00:48:37,609 --> 00:48:35,520

control of the next consequence you know

1132

00:48:39,230 --> 00:48:37,619

there's there's there's a piece about

1133

00:48:41,990 --> 00:48:39,240

that

1134

00:48:43,670 --> 00:48:42,000

yeah yeah it's very exhilarating it is

1135

00:48:47,089 --> 00:48:43,680

scary as hell but like sometimes that's

1136

00:48:49,309 --> 00:48:47,099

the best thing to do you know yeah right

1137

00:48:52,670 --> 00:48:49,319

right right

1138

00:48:55,370 --> 00:48:52,680

but yeah no but I was um uh I've already

1139

00:48:57,710 --> 00:48:55,380

been basically waiting for other

1140

00:49:00,349 --> 00:48:57,720

questions online or somebody to raise

1141

00:49:02,930 --> 00:49:00,359

their hand and chat and you did so

1142

00:49:05,150 --> 00:49:02,940

thanks for for not making its own only

1143

00:49:07,190 --> 00:49:05,160

today not that it is because there's

1144

00:49:10,130 --> 00:49:07,200

plenty of people in the um in the chat

1145

00:49:12,050 --> 00:49:10,140

but thanks for joining to to talk to me

1146

00:49:14,150 --> 00:49:12,060

yeah it's always good to help the

1147

00:49:16,730 --> 00:49:14,160

conversation keep going all right well

1148

00:49:19,069 --> 00:49:16,740

you know yeah I mean the point is it's

1149

00:49:20,630 --> 00:49:19,079

like I'm not an expert on anything I

1150

00:49:23,690 --> 00:49:20,640

never claim to be an expert or anything

1151  
00:49:27,470 --> 00:49:23,700  
all I have is my experiences that gave

1152  
00:49:30,109 --> 00:49:27,480  
me you know a set of tools uh which

1153  
00:49:31,690 --> 00:49:30,119  
helped me live my life you know and so I

1154  
00:49:34,670 --> 00:49:31,700  
love to hear from other people because

1155  
00:49:36,410 --> 00:49:34,680  
they're still possible after all I've

1156  
00:49:38,030 --> 00:49:36,420  
been through and done there's other

1157  
00:49:40,490 --> 00:49:38,040  
things that people could mention and I

1158  
00:49:42,290 --> 00:49:40,500  
go oh wow you know I could I never

1159  
00:49:44,589 --> 00:49:42,300  
thought to look at this experience in

1160  
00:49:47,450 --> 00:49:44,599  
this way you know it's possible you know

1161  
00:49:49,490 --> 00:49:47,460  
but you know so I always I would always

1162  
00:49:53,030 --> 00:49:49,500  
encourage people to just share their

1163  
00:49:56,710 --> 00:49:53,040

stories and and and and talk because you

1164

00:49:58,790 --> 00:49:56,720

you're part of the the god consciousness

1165

00:49:59,770 --> 00:49:58,800

yeah you can learn something from

1166

00:50:03,770 --> 00:49:59,780

anybody

1167

00:50:05,690 --> 00:50:03,780

if you listen close enough right

1168

00:50:08,270 --> 00:50:05,700

right yeah if you're willing to take it

1169

00:50:09,650 --> 00:50:08,280

you take it in you know and take it in

1170

00:50:11,390 --> 00:50:09,660

and say

1171

00:50:13,089 --> 00:50:11,400

um meaningful lesson

1172

00:50:15,650 --> 00:50:13,099

there's some people that I know

1173

00:50:17,750 --> 00:50:15,660

specifically my oldest son it's like you

1174

00:50:19,910 --> 00:50:17,760

can talk your head off it's like it just

1175

00:50:22,190 --> 00:50:19,920

seems like things going one ear and out

1176  
00:50:24,309 --> 00:50:22,200  
the other but I guess that's a teenager

1177  
00:50:26,510 --> 00:50:24,319  
for you

1178  
00:50:28,490 --> 00:50:26,520  
well yeah well they got to be ready

1179  
00:50:29,809 --> 00:50:28,500  
themselves if they're not ready to hear

1180  
00:50:31,630 --> 00:50:29,819  
it then maybe they shouldn't hear I

1181  
00:50:34,190 --> 00:50:31,640  
don't know I'm just you know right

1182  
00:50:36,410 --> 00:50:34,200  
that's true too I just hope that when

1183  
00:50:37,010 --> 00:50:36,420  
when he's ready I'm not going to be you

1184  
00:50:41,870 --> 00:50:37,020  
know

1185  
00:50:43,730 --> 00:50:41,880  
trying to give him advice then when he's

1186  
00:50:46,010 --> 00:50:43,740  
ready to listen

1187  
00:50:48,170 --> 00:50:46,020  
well maybe they just pick it up too and

1188  
00:50:50,329 --> 00:50:48,180

just have it floating around who knows I

1189

00:50:52,849 --> 00:50:50,339

mean I don't know but you know right but

1190

00:50:54,650 --> 00:50:52,859

don't be too hard you know kids are kids

1191

00:50:56,210 --> 00:50:54,660

got a lot to do with now like when I was

1192

00:50:58,309 --> 00:50:56,220

a kid you don't have to deal with mass

1193

00:51:00,470 --> 00:50:58,319

or people telling you this you're gonna

1194

00:51:02,030 --> 00:51:00,480

die from a cold and like you know we

1195

00:51:04,069 --> 00:51:02,040

kind of live free we don't you know

1196

00:51:06,349 --> 00:51:04,079

they're like just come home in one piece

1197

00:51:08,210 --> 00:51:06,359

they don't really like you know what I

1198

00:51:10,490 --> 00:51:08,220

mean because now we're under so much

1199

00:51:12,170 --> 00:51:10,500

stress like yeah I don't think I would

1200

00:51:13,549 --> 00:51:12,180

want to experience that kind of stress

1201  
00:51:16,730 --> 00:51:13,559  
as a child

1202  
00:51:17,450 --> 00:51:16,740  
yeah well I don't know that anyone who's

1203  
00:51:18,950 --> 00:51:17,460  
um

1204  
00:51:23,030 --> 00:51:18,960  
who's been

1205  
00:51:26,630 --> 00:51:23,040  
really want to go back maybe to the

1206  
00:51:29,809 --> 00:51:26,640  
beautiful memories but not not to

1207  
00:51:32,569 --> 00:51:29,819  
right you know not not all the things

1208  
00:51:35,690 --> 00:51:32,579  
that involves being a child

1209  
00:51:37,430 --> 00:51:35,700  
yeah yeah it's not fun I mean you have

1210  
00:51:38,690 --> 00:51:37,440  
your health I mean most people have

1211  
00:51:42,109 --> 00:51:38,700  
their health when they're younger but

1212  
00:51:45,170 --> 00:51:42,119  
right I'm all beat up right now and like

1213  
00:51:46,970 --> 00:51:45,180

when I was 20 I could I could totally

1214

00:51:48,950 --> 00:51:46,980

kick my own ass at this age point in

1215

00:51:51,230 --> 00:51:48,960

time but like I'm just more wiser you

1216

00:51:53,690 --> 00:51:51,240

know I mean I I had a certain you know

1217

00:51:56,690 --> 00:51:53,700

intelligence more than the average bear

1218

00:51:58,250 --> 00:51:56,700

at that age but now it's just like jeez

1219

00:52:00,230 --> 00:51:58,260

man like if I knew all this now and

1220

00:52:02,270 --> 00:52:00,240

I had to go back there I would have done

1221

00:52:03,950 --> 00:52:02,280

it totally different but you know that's

1222

00:52:05,569 --> 00:52:03,960

just looking back you know you look back

1223

00:52:06,710 --> 00:52:05,579

you always have a a different

1224

00:52:10,250 --> 00:52:06,720

perspective that is the different

1225

00:52:12,710 --> 00:52:10,260

perspective but right you know

1226

00:52:14,390 --> 00:52:12,720

like time kind of you know it'll show

1227

00:52:17,210 --> 00:52:14,400

you A New Perspective which is a good

1228

00:52:19,549 --> 00:52:17,220

thing yeah it's it's always that if I

1229

00:52:23,270 --> 00:52:19,559

knew then what I know now

1230

00:52:27,069 --> 00:52:23,280

yeah yeah I was a schmuck but you know

1231

00:52:29,870 --> 00:52:27,079

we all were dude you know what you know

1232

00:52:31,670 --> 00:52:29,880

that's a very humbling experience that's

1233

00:52:33,589 --> 00:52:31,680

a humbling experience for somebody to

1234

00:52:36,650 --> 00:52:33,599

realize that most people are not willing

1235

00:52:38,870 --> 00:52:36,660

to go that that deep into looking into

1236

00:52:41,450 --> 00:52:38,880

themselves to realize like wait a minute

1237

00:52:44,390 --> 00:52:41,460

maybe I was a schmuck or to some cases

1238

00:52:45,829 --> 00:52:44,400

an or a jerk or whatever

1239

00:52:50,150 --> 00:52:45,839

yeah

1240

00:52:53,089 --> 00:52:50,160

self-criticism you know they're always

1241

00:52:55,069 --> 00:52:53,099

um I don't know very very a very few

1242

00:52:56,210 --> 00:52:55,079

people go down that route you know

1243

00:52:57,950 --> 00:52:56,220

because they don't they don't want to

1244

00:53:00,290 --> 00:52:57,960

see floss all they want to know is that

1245

00:53:03,530 --> 00:53:00,300

they're perfect in every way

1246

00:53:06,950 --> 00:53:03,540

well if you have the mindset as is this

1247

00:53:08,390 --> 00:53:06,960

actually a assisting me in someone like

1248

00:53:11,390 --> 00:53:08,400

if you if you're gaining something from

1249

00:53:13,430 --> 00:53:11,400

it then even if it's hard then you can

1250

00:53:15,170 --> 00:53:13,440

see that it's worth doing yeah but if

1251  
00:53:17,450 --> 00:53:15,180  
you can't see it's helping you then you

1252  
00:53:20,530 --> 00:53:17,460  
know like just leave it alone but right

1253  
00:53:22,910 --> 00:53:20,540  
well you can ask me a quick question um

1254  
00:53:25,370 --> 00:53:22,920  
if you don't believe in God and nothing

1255  
00:53:27,470 --> 00:53:25,380  
everything's just an accident I mean I

1256  
00:53:29,930 --> 00:53:27,480  
don't believe that per se but I think

1257  
00:53:31,270 --> 00:53:29,940  
that does not serve me at all so I'm

1258  
00:53:34,309 --> 00:53:31,280  
staying away from that kind of

1259  
00:53:35,930 --> 00:53:34,319  
philosophy myself I mean people are free

1260  
00:53:38,750 --> 00:53:35,940  
to do what they want you know but I mean

1261  
00:53:40,250 --> 00:53:38,760  
if that serves them then I guess it does

1262  
00:53:42,349 --> 00:53:40,260  
somehow right otherwise they wouldn't be

1263  
00:53:43,849 --> 00:53:42,359

doing it but right I'm sorry to change

1264

00:53:46,370 --> 00:53:43,859

your subject I actually did want to

1265

00:53:49,309 --> 00:53:46,380

actually ask you I don't know if you got

1266

00:53:51,950 --> 00:53:49,319

to hear uh what I said prior you just

1267

00:53:54,109 --> 00:53:51,960

just recently just just a few moments

1268

00:53:55,549 --> 00:53:54,119

ago joined but I was wanted to ask you

1269

00:53:56,390 --> 00:53:55,559

then about

1270

00:53:58,490 --> 00:53:56,400

um

1271

00:54:01,309 --> 00:53:58,500

what are your thoughts because I shared

1272

00:54:03,230 --> 00:54:01,319

my thoughts about demons aliens and you

1273

00:54:05,809 --> 00:54:03,240

know all the the connection there and

1274

00:54:08,089 --> 00:54:05,819

and my Outlook on it uh what are your

1275

00:54:09,349 --> 00:54:08,099

thoughts if if any I don't mean to put

1276

00:54:11,089 --> 00:54:09,359

you on the spot

1277

00:54:13,849 --> 00:54:11,099

yeah it's okay no I love talking about

1278

00:54:15,950 --> 00:54:13,859

stuff if you want to have me I mean I

1279

00:54:17,990 --> 00:54:15,960

mean My Philosophy is all life is just

1280

00:54:19,130 --> 00:54:18,000

life and we are all made from one

1281

00:54:21,890 --> 00:54:19,140

creator

1282

00:54:24,829 --> 00:54:21,900

you can believe otherwise you know but

1283

00:54:26,990 --> 00:54:24,839

uh that's my philosophy so I mean

1284

00:54:29,990 --> 00:54:27,000

if they're aliens like I mean we call

1285

00:54:33,109 --> 00:54:30,000

them aliens we haven't met them and may

1286

00:54:35,210 --> 00:54:33,119

I mean um you know in Earth itself there

1287

00:54:38,030 --> 00:54:35,220

is the level of water there's a level of

1288

00:54:41,210 --> 00:54:38,040

Earth level of air there are different

1289

00:54:43,370 --> 00:54:41,220

um levels of reality so

1290

00:54:46,370 --> 00:54:43,380

and then who's to say that it would stop

1291

00:54:47,510 --> 00:54:46,380

just that ER like uh at our planet so

1292

00:54:50,270 --> 00:54:47,520

it's like

1293

00:54:52,430 --> 00:54:50,280

you know like um like you have fish you

1294

00:54:54,230 --> 00:54:52,440

have little worms I mean they're all

1295

00:54:56,630 --> 00:54:54,240

there for a reason like I don't

1296

00:54:59,030 --> 00:54:56,640

understand why that reason is perhaps

1297

00:55:00,950 --> 00:54:59,040

but you know I'm open into like

1298

00:55:03,650 --> 00:55:00,960

exploring I mean

1299

00:55:07,190 --> 00:55:03,660

I love exploring I love finding new

1300

00:55:08,870 --> 00:55:07,200

things so most people kind of don't uh

1301  
00:55:11,569 --> 00:55:08,880  
they wouldn't put themselves out on a

1302  
00:55:13,730 --> 00:55:11,579  
limb to go just see something new right

1303  
00:55:15,770 --> 00:55:13,740  
but like but that's their personality

1304  
00:55:18,470 --> 00:55:15,780  
they're kind of you know like you have

1305  
00:55:22,790 --> 00:55:18,480  
different personality types which is

1306  
00:55:26,210 --> 00:55:22,800  
that just like to me coincide uh shows

1307  
00:55:28,970 --> 00:55:26,220  
that the way we were made or the way

1308  
00:55:31,370 --> 00:55:28,980  
that life is put together has an

1309  
00:55:32,750 --> 00:55:31,380  
intelligence behind it

1310  
00:55:34,910 --> 00:55:32,760  
I mean like if you don't believe in God

1311  
00:55:37,430 --> 00:55:34,920  
per se maybe but there is an

1312  
00:55:40,190 --> 00:55:37,440  
intelligence design in the universe

1313  
00:55:41,750 --> 00:55:40,200

right it's like you can but you can see

1314

00:55:43,910 --> 00:55:41,760

uh

1315

00:55:46,370 --> 00:55:43,920

what it's about now but there is a

1316

00:55:48,170 --> 00:55:46,380

reason we're here and I think other

1317

00:55:50,270 --> 00:55:48,180

beings are like you know we're all just

1318

00:55:52,309 --> 00:55:50,280

floating around there and if we meet

1319

00:55:54,410 --> 00:55:52,319

each other like it could go bad it can

1320

00:55:56,630 --> 00:55:54,420

go we can become friends we don't have

1321

00:55:59,030 --> 00:55:56,640

to be friends but like you know we

1322

00:56:01,370 --> 00:55:59,040

should at least recognize that we have

1323

00:56:03,710 --> 00:56:01,380

the right to be there and to be in our

1324

00:56:05,930 --> 00:56:03,720

position you know but you don't see a

1325

00:56:08,270 --> 00:56:05,940

conflict between believing in Aliens and

1326  
00:56:09,650 --> 00:56:08,280  
being religious

1327  
00:56:10,910 --> 00:56:09,660  
[Music]

1328  
00:56:12,770 --> 00:56:10,920  
um

1329  
00:56:16,010 --> 00:56:12,780  
well I have a different definition of

1330  
00:56:17,750 --> 00:56:16,020  
religion than most people most people

1331  
00:56:20,809 --> 00:56:17,760  
would say like oh you believe in the

1332  
00:56:23,870 --> 00:56:20,819  
Bible or the Quran or the Torah you know

1333  
00:56:27,109 --> 00:56:23,880  
like that kind of thing but I mean like

1334  
00:56:29,630 --> 00:56:27,119  
there is reality and like it is what it

1335  
00:56:31,490 --> 00:56:29,640  
is maybe we don't exactly know what it

1336  
00:56:33,710 --> 00:56:31,500  
is but it's there and it's not going to

1337  
00:56:35,450 --> 00:56:33,720  
change and that's what it is and it's

1338  
00:56:38,150 --> 00:56:35,460

like that's what I would call God is

1339

00:56:40,130 --> 00:56:38,160

like reality right

1340

00:56:43,069 --> 00:56:40,140

like uh you know you might not be able

1341

00:56:45,950 --> 00:56:43,079

to see it but it's there and if you can

1342

00:56:49,250 --> 00:56:45,960

study it you know like

1343

00:56:52,190 --> 00:56:49,260

I mean um what was I saying like uh it

1344

00:56:54,890 --> 00:56:52,200

like it's just there and it's not really

1345

00:56:57,470 --> 00:56:54,900

a belief it's just your understanding

1346

00:56:59,750 --> 00:56:57,480

right you know this is all down to how

1347

00:57:01,549 --> 00:56:59,760

you perceive things like uh you know

1348

00:57:03,890 --> 00:57:01,559

your perception can always change your

1349

00:57:05,530 --> 00:57:03,900

your um knowledge base can change and

1350

00:57:08,210 --> 00:57:05,540

then you can have a different uh view

1351  
00:57:10,069 --> 00:57:08,220  
but what is always there was always

1352  
00:57:11,630 --> 00:57:10,079  
there I mean what was there in the past

1353  
00:57:13,730 --> 00:57:11,640  
is still there now

1354  
00:57:15,290 --> 00:57:13,740  
and it's like that thing ain't going

1355  
00:57:17,870 --> 00:57:15,300  
away and then

1356  
00:57:19,549 --> 00:57:17,880  
you know I mean you can say that

1357  
00:57:21,410 --> 00:57:19,559  
everything's chaotic but I don't believe

1358  
00:57:22,849 --> 00:57:21,420  
that like you know

1359  
00:57:25,190 --> 00:57:22,859  
I just think we're here for a reason

1360  
00:57:28,130 --> 00:57:25,200  
what that reason is that's debatable and

1361  
00:57:30,650 --> 00:57:28,140  
what you you know Define as God that's

1362  
00:57:32,990 --> 00:57:30,660  
up to you your own everybody's entitled

1363  
00:57:34,849 --> 00:57:33,000

to their own definition but what it is

1364

00:57:37,309 --> 00:57:34,859

is right now I mean we are all here

1365

00:57:39,710 --> 00:57:37,319

that's not a question there's nothing to

1366

00:57:41,990 --> 00:57:39,720

believe you know you don't have to prove

1367

00:57:46,190 --> 00:57:42,000

in reality it just is you know like

1368

00:57:48,470 --> 00:57:46,200

that's my take on it as as far as today

1369

00:57:50,450 --> 00:57:48,480

you know okay yeah all right well thank

1370

00:57:51,890 --> 00:57:50,460

you very much I appreciate you sharing

1371

00:57:54,650 --> 00:57:51,900

your thoughts

1372

00:57:57,109 --> 00:57:54,660

you know I'm I'm glad you you you caught

1373

00:58:00,710 --> 00:57:57,119

caught it on time sure anyway uh I'm

1374

00:58:03,349 --> 00:58:00,720

centering so next time 6 30 to 7 if you

1375

00:58:05,809 --> 00:58:03,359

want to do the pre-show chat and also

1376

00:58:07,970 --> 00:58:05,819

for everyone else watching from the the

1377

00:58:09,890 --> 00:58:07,980

the uh

1378

00:58:13,549 --> 00:58:09,900

um live stream officially starts at

1379

00:58:15,710 --> 00:58:13,559

seven but between uh 6 30 and 7 I open

1380

00:58:17,329 --> 00:58:15,720

up the telegram voice chat so anyone

1381

00:58:20,450 --> 00:58:17,339

that can join we just chat about

1382

00:58:21,589 --> 00:58:20,460

whatever it's not live just amongst us

1383

00:58:24,470 --> 00:58:21,599

until

1384

00:58:26,809 --> 00:58:24,480

um it's time to go live so anyway yo yo

1385

00:58:28,730 --> 00:58:26,819

well thanks again you take care and um I

1386

00:58:32,390 --> 00:58:28,740

hope to catch you next time

1387

00:58:36,549 --> 00:58:35,150

okay well thank you you'll appreciate

1388

00:58:41,809 --> 00:58:36,559

that

1389

00:58:48,049 --> 00:58:44,710

the next question I see is so labeled

1390

00:58:53,150 --> 00:58:48,059

369 says Edmund what is your overall

1391

00:58:53,160 --> 00:58:55,609

um

1392

00:59:00,650 --> 00:58:57,589

it's it's very

1393

00:59:03,230 --> 00:59:00,660

it was it was very difficult

1394

00:59:04,849 --> 00:59:03,240

and it's very challenging

1395

00:59:06,530 --> 00:59:04,859

because

1396

00:59:12,829 --> 00:59:06,540

um

1397

00:59:14,930 --> 00:59:12,839

twists your mind and expands your mind I

1398

00:59:17,569 --> 00:59:14,940

know it's contradicting terms but

1399

00:59:19,370 --> 00:59:17,579

basically it takes you out of what

1400

00:59:24,230 --> 00:59:19,380

what's generally considered to be normal

1401  
00:59:25,789 --> 00:59:24,240  
in such a vast and drastic way to where

1402  
00:59:28,910 --> 00:59:25,799  
it makes

1403  
00:59:31,250 --> 00:59:28,920  
life very difficult to be lived trying

1404  
00:59:33,829 --> 00:59:31,260  
to understand them while still trying to

1405  
00:59:35,569 --> 00:59:33,839  
go to a day job and having kids and

1406  
00:59:37,670 --> 00:59:35,579  
raising them and all these other things

1407  
00:59:40,309 --> 00:59:37,680  
because

1408  
00:59:42,770 --> 00:59:40,319  
um same thing with experiences such as

1409  
00:59:45,170 --> 00:59:42,780  
let's say uh just recently Ayahuasca

1410  
00:59:47,510 --> 00:59:45,180  
trips have become very very popular

1411  
00:59:49,970 --> 00:59:47,520  
people go to

1412  
00:59:52,670 --> 00:59:49,980  
um you know go to each other's houses

1413  
00:59:55,130 --> 00:59:52,680

they usually there's a a guide or a

1414

00:59:57,049 --> 00:59:55,140

shaman and they they cook to brew up

1415

00:59:58,910 --> 00:59:57,059

however long it takes and you know

1416

01:00:01,130 --> 00:59:58,920

people you know will be at whatever

1417

01:00:03,890 --> 01:00:01,140

rooms and then they take the drink and

1418

01:00:07,130 --> 01:00:03,900

they journey together well anyway

1419

01:00:08,870 --> 01:00:07,140

um I guess this it's nothing new this

1420

01:00:10,730 --> 01:00:08,880

has been happening for decades but just

1421

01:00:14,150 --> 01:00:10,740

recently it's kind of like this city

1422

01:00:16,569 --> 01:00:14,160

transition you know and

1423

01:00:19,849 --> 01:00:16,579

what's interesting is that some people

1424

01:00:21,770 --> 01:00:19,859

somehow good they go on these trips and

1425

01:00:23,270 --> 01:00:21,780

they come back and they were like I was

1426

01:00:23,870 --> 01:00:23,280

it was you know

1427

01:00:26,150 --> 01:00:23,880

um

1428

01:00:29,510 --> 01:00:26,160

you know it was interesting it was this

1429

01:00:32,390 --> 01:00:29,520

and that whatever and and specifically

1430

01:00:35,329 --> 01:00:32,400

Ayahwasca it changes their lives but

1431

01:00:37,970 --> 01:00:35,339

very few can do it often some some do it

1432

01:00:39,349 --> 01:00:37,980

like all the time you know and and so on

1433

01:00:41,210 --> 01:00:39,359

because they just want to constantly

1434

01:00:44,270 --> 01:00:41,220

have that whatever the next experience

1435

01:00:47,030 --> 01:00:44,280

is but it's not as intense it just makes

1436

01:00:50,930 --> 01:00:47,040

them either laugh a little bit or or

1437

01:00:53,089 --> 01:00:50,940

just um they feel funny on it or they

1438

01:00:56,030 --> 01:00:53,099

might see some imagery and some some

1439

01:00:58,010 --> 01:00:56,040

things like that and so they do it often

1440

01:00:59,390 --> 01:00:58,020

because that's just what they get from

1441

01:01:05,270 --> 01:00:59,400

it

1442

01:01:08,390 --> 01:01:05,280

psychedelics and then generally that led

1443

01:01:10,490 --> 01:01:08,400

into more of trying to understand aliens

1444

01:01:12,710 --> 01:01:10,500

more than having that contact

1445

01:01:15,770 --> 01:01:12,720

UM bottom line it just

1446

01:01:16,670 --> 01:01:15,780

it's not everybody's cup of tea it's

1447

01:01:21,230 --> 01:01:16,680

it's

1448

01:01:23,589 --> 01:01:21,240

it I guess

1449

01:01:26,870 --> 01:01:23,599

she named her book a forgotten promise

1450

01:01:28,870 --> 01:01:26,880

and after I had my download

1451

01:01:31,670 --> 01:01:28,880

I basically

1452

01:01:34,370 --> 01:01:31,680

and in a way that's what I'm doing is

1453

01:01:35,990 --> 01:01:34,380

trying to then do my little part about

1454

01:01:38,990 --> 01:01:36,000

what I know

1455

01:01:40,910 --> 01:01:39,000

during the show helping people out if

1456

01:01:44,510 --> 01:01:40,920

I'm helping anybody out to tell them hey

1457

01:01:46,910 --> 01:01:44,520

you're not crazy crazy happens I'm

1458

01:01:49,910 --> 01:01:46,920

just very open to talk about it and not

1459

01:01:50,870 --> 01:01:49,920

too afraid about you know ridicule and

1460

01:01:53,089 --> 01:01:50,880

so

1461

01:01:55,730 --> 01:01:53,099

um I'm hoping that that helps them by

1462

01:01:58,130 --> 01:01:55,740

just me being open because

1463

01:01:59,930 --> 01:01:58,140

um some people they don't want scrutiny

1464

01:02:03,049 --> 01:01:59,940

you know especially when it comes to the

1465

01:02:04,910 --> 01:02:03,059

web because there's so many things that

1466

01:02:07,130 --> 01:02:04,920

you know come down your Pike when you

1467

01:02:10,130 --> 01:02:07,140

open yourself up to the Internet you

1468

01:02:12,650 --> 01:02:10,140

know and so you just have to be a you

1469

01:02:14,930 --> 01:02:12,660

know a person or have enough wisdom and

1470

01:02:16,670 --> 01:02:14,940

enough grown up to just not let that

1471

01:02:18,710 --> 01:02:16,680

drive you crazy because I know some

1472

01:02:20,450 --> 01:02:18,720

people who get that early and they're

1473

01:02:22,910 --> 01:02:20,460

just consumed of trying to fight online

1474

01:02:24,230 --> 01:02:22,920

and all this other stuff and very few if

1475

01:02:26,210 --> 01:02:24,240

there's some very specific questions

1476

01:02:27,950 --> 01:02:26,220

that I feel like wow I really you know

1477

01:02:29,750 --> 01:02:27,960

would be good for me to maybe talk to

1478

01:02:31,849 --> 01:02:29,760

them about it or answer it I do but most

1479

01:02:33,230 --> 01:02:31,859

of the time I just leave it be you know

1480

01:02:35,150 --> 01:02:33,240

so anyway

1481

01:02:37,549 --> 01:02:35,160

it's I would not recommend it to

1482

01:02:38,390 --> 01:02:37,559

everybody you know because you have to

1483

01:02:41,450 --> 01:02:38,400

do

1484

01:02:43,069 --> 01:02:41,460

a lot of soul searching you'll have to

1485

01:02:44,569 --> 01:02:43,079

then every time you have an experience

1486

01:02:46,190 --> 01:02:44,579

you have to figure out why did you have

1487

01:02:48,289 --> 01:02:46,200

that experience what exactly happened

1488

01:02:50,450 --> 01:02:48,299

you know it's like did I experience what

1489

01:02:54,170 --> 01:02:50,460

I think I experienced or did I you know

1490

01:02:56,930 --> 01:02:54,180

or am I just mistaken you know and so to

1491

01:02:59,510 --> 01:02:56,940

go through that process for every event

1492

01:03:02,630 --> 01:02:59,520

and to have that drag on for years is

1493

01:03:04,910 --> 01:03:02,640

very tiring because you know sitting at

1494

01:03:06,289 --> 01:03:04,920

work trying to do what I got to do you

1495

01:03:08,150 --> 01:03:06,299

know and especially if I'm working with

1496

01:03:09,829 --> 01:03:08,160

computers and and I have to focus from

1497

01:03:12,289 --> 01:03:09,839

designing something or if I'm editing

1498

01:03:14,329 --> 01:03:12,299

video or designing a graphic you know

1499

01:03:16,010 --> 01:03:14,339

and and then in the back of my mind it's

1500

01:03:18,530 --> 01:03:16,020

like who was that figure just showed up

1501

01:03:20,089 --> 01:03:18,540

the other night you know and so

1502

01:03:23,510 --> 01:03:20,099

um I think weekly streamer talked about

1503

01:03:27,289 --> 01:03:23,520

it too it's it's very taxing you know um

1504

01:03:29,329 --> 01:03:27,299

it's you know it's awesome to know

1505

01:03:32,270 --> 01:03:29,339

and to have learned that there's more

1506

01:03:34,490 --> 01:03:32,280

out there you know but it's just you

1507

01:03:38,329 --> 01:03:34,500

know there are times do I just wish I

1508

01:03:40,609 --> 01:03:38,339

was uh Blissful and just would go play

1509

01:03:43,490 --> 01:03:40,619

soccer and hang out with my family maybe

1510

01:03:45,890 --> 01:03:43,500

go work out more you know and just go

1511

01:03:48,349 --> 01:03:45,900

see movies and you know and just just

1512

01:03:50,510 --> 01:03:48,359

all these other things that just take me

1513

01:03:52,849 --> 01:03:50,520

away from all that and just live a

1514

01:03:54,950 --> 01:03:52,859

normal you know Bliss Blissful life

1515

01:03:57,589 --> 01:03:54,960

unaware that anything else is going on

1516

01:03:59,690 --> 01:03:57,599

so anyway again sorry for the ramble I

1517

01:04:05,049 --> 01:03:59,700

hope they'd answer your question

1518

01:04:11,089 --> 01:04:07,849

how you came to understand that the

1519

01:04:13,789 --> 01:04:11,099

grace are us in the future I believe you

1520

01:04:16,970 --> 01:04:13,799

mentioned that in the recent recent past

1521

01:04:25,910 --> 01:04:18,770

the

1522

01:04:27,770 --> 01:04:25,920

um I didn't have any experience on you

1523

01:04:30,230 --> 01:04:27,780

know regarding that throughout any of my

1524

01:04:33,710 --> 01:04:30,240

experiences because

1525

01:04:38,450 --> 01:04:33,720

um what was told to me initially by

1526

01:04:42,650 --> 01:04:38,460

Bashar that's channeled by Daryl Anka I

1527

01:04:44,450 --> 01:04:42,660

basically took his advice to okay I

1528

01:04:46,549 --> 01:04:44,460

can't do he said I can't prove anything

1529

01:04:49,670 --> 01:04:46,559

to you but I promise you you can prove

1530

01:04:51,770 --> 01:04:49,680

it to yourself and so I took him up on

1531

01:04:53,450 --> 01:04:51,780

that offer a long time ago and I'm not

1532

01:04:55,309 --> 01:04:53,460

going to retell the story but the point

1533

01:04:57,829 --> 01:04:55,319

here is that

1534

01:05:00,349 --> 01:04:57,839

um when I followed all those steps and I

1535

01:05:02,450 --> 01:05:00,359

found all my answers and understood that

1536

01:05:05,089 --> 01:05:02,460

he guided me the way I you know needed

1537

01:05:08,390 --> 01:05:05,099

to guide me I didn't need to revisit

1538

01:05:10,430 --> 01:05:08,400

certain events now my experiences with

1539

01:05:12,109 --> 01:05:10,440

the grace were very limited but it

1540

01:05:14,150 --> 01:05:12,119

didn't explain anything about who they

1541

01:05:17,750 --> 01:05:14,160

are where they came from I just took it

1542

01:05:20,450 --> 01:05:17,760

from him and at his word because were

1543

01:05:22,910 --> 01:05:20,460

his words and his guidance took me where

1544

01:05:25,730 --> 01:05:22,920

I'm where I am here and I could see and

1545

01:05:27,470 --> 01:05:25,740

understand and Trust what he's saying so

1546

01:05:29,510 --> 01:05:27,480

I didn't necessarily have an experience

1547

01:05:32,270 --> 01:05:29,520

in my own work great told me where

1548

01:05:34,130 --> 01:05:32,280

they're from and all of that but he was

1549

01:05:35,930 --> 01:05:34,140

the one that had mentioned it over all

1550

01:05:39,230 --> 01:05:35,940

these other years and several other

1551

01:05:42,230 --> 01:05:39,240

videos that it's basically us from the

1552

01:05:44,930 --> 01:05:42,240

future and so it came from him and so

1553

01:05:47,450 --> 01:05:44,940

I'm basically just in regurgitating that

1554

01:05:57,589 --> 01:05:47,460

story or I have in the past

1555

01:06:00,950 --> 01:05:59,210

I'm sorry I keep forgetting for those

1556

01:06:03,049 --> 01:06:00,960

that are listed on podcasts I apologize

1557

01:06:06,650 --> 01:06:03,059

for the long silences I'm just going

1558

01:06:09,530 --> 01:06:06,660

through and scrolling through to see if

1559

01:06:12,470 --> 01:06:09,540

um if there is anyone that might have a

1560

01:06:14,270 --> 01:06:12,480

question otherwise I'm not uh not quite

1561

01:06:17,030 --> 01:06:14,280

sure what else I could cover

1562

01:06:19,490 --> 01:06:17,040

unless you would you care to hear

1563

01:06:26,990 --> 01:06:19,500

another explanation about a certain

1564

01:06:27,000 --> 01:06:31,250

all right

1565

01:06:34,730 --> 01:06:32,690

um I don't see any more of the questions

1566

01:06:36,770 --> 01:06:34,740

for those that that if you do have a

1567

01:06:38,569 --> 01:06:36,780

question please make sure you put three

1568

01:06:40,250 --> 01:06:38,579

asterisks is before you question that

1569

01:06:44,510 --> 01:06:40,260

that's when I know it's it's meant for

1570

01:06:47,809 --> 01:06:47,029

all right well

1571

01:06:50,630 --> 01:06:47,819

um

1572

01:06:52,849 --> 01:06:50,640

I think this is it thank you all very

1573

01:06:54,890 --> 01:06:52,859

much for joining me today

1574

01:06:57,589 --> 01:06:54,900

um in the future I hope some of you

1575

01:06:59,569 --> 01:06:57,599

actually can uh join me on Telegram and

1576

01:07:03,470 --> 01:06:59,579

share some of your stories whatever they

1577

01:07:05,510 --> 01:07:03,480

may be but um I'll just keep that up and

1578

01:07:07,069 --> 01:07:05,520

do that every Wednesday if I have an

1579

01:07:08,630 --> 01:07:07,079

interview I'll replace it with an

1580

01:07:10,430 --> 01:07:08,640

interview instead

1581

01:07:13,190 --> 01:07:10,440

um it's been actually a very busy week

1582

01:07:15,410 --> 01:07:13,200

because there's about three weeks left

1583

01:07:17,270 --> 01:07:15,420

before the Ozark Mountain UFO conference

1584

01:07:19,010 --> 01:07:17,280

and so

1585

01:07:20,690 --> 01:07:19,020

um a lot of the equipment that's being

1586

01:07:22,490 --> 01:07:20,700

used to record it and live stream and

1587

01:07:25,549 --> 01:07:22,500

all that is in my possession because

1588

01:07:28,190 --> 01:07:25,559

it's it's belongs to UFO Hub and I'm in

1589

01:07:29,809 --> 01:07:28,200

partnership with Osama publishing so I

1590

01:07:32,210 --> 01:07:29,819

was making sure that everything's

1591

01:07:34,789 --> 01:07:32,220

working just just right and fix up

1592

01:07:37,970 --> 01:07:34,799

everything before we have to go live in

1593

01:07:44,270 --> 01:07:40,490

so

1594

01:07:47,809 --> 01:07:44,280

one more question here but let me

1595

01:07:50,829 --> 01:07:47,819

complete this on so um

1596

01:07:53,690 --> 01:07:50,839

I'll take uh JC

1597

01:07:57,230 --> 01:07:53,700

wilder86 I'll take you your question

1598

01:07:59,930 --> 01:07:57,240

here just in a bit um so anyway

1599

01:08:01,789 --> 01:07:59,940

I didn't schedule an interview there are

1600

01:08:04,010 --> 01:08:01,799

several interviews that are just waiting

1601

01:08:05,930 --> 01:08:04,020

uh to be happening so

1602

01:08:08,390 --> 01:08:05,940

um I felt like I needed to get this

1603

01:08:12,289 --> 01:08:08,400

table ready and it's basically an AV

1604

01:08:15,529 --> 01:08:12,299

table that I built long time ago so

1605

01:08:17,990 --> 01:08:15,539

um but yeah if if um

1606

01:08:20,689 --> 01:08:18,000

there was a winner that won the two

1607

01:08:22,610 --> 01:08:20,699

tickets I'm going to release a video

1608

01:08:25,070 --> 01:08:22,620

announcing announcing them and I'll

1609

01:08:26,749 --> 01:08:25,080

contact them and I hope they answer me

1610

01:08:28,010 --> 01:08:26,759

because many times sometimes people

1611

01:08:30,950 --> 01:08:28,020

don't answer and then I have to pick

1612

01:08:33,169 --> 01:08:30,960

somebody new but uh the Ozark Mountain

1613

01:08:36,169 --> 01:08:33,179

UFO conference and it's happening in

1614

01:08:38,269 --> 01:08:36,179

April in Eureka Springs Arkansas so it's

1615

01:08:41,329 --> 01:08:38,279

still not too late for those who you

1616

01:08:45,410 --> 01:08:41,339

might be interested to come on down and

1617

01:08:47,809 --> 01:08:45,420

um just be be a participant the

1618

01:08:50,390 --> 01:08:47,819

beautiful conference in at the Ozarks

1619

01:08:52,789 --> 01:08:50,400

was one of my first one and it was quite

1620

01:08:55,249 --> 01:08:52,799

literally a life changer and so I've

1621

01:08:58,189 --> 01:08:55,259

been going to it ever since and now I'm

1622

01:09:01,729 --> 01:08:58,199

part of organizing it so it definitely

1623

01:09:04,189 --> 01:09:01,739

plays a huge huge uh role in my life but

1624

01:09:05,630 --> 01:09:04,199

um and you get to meet me there and many

1625

01:09:06,890 --> 01:09:05,640

of the other speakers they're going to

1626

01:09:08,570 --> 01:09:06,900

be there

1627

01:09:10,550 --> 01:09:08,580

um maybe other conferences do the same

1628

01:09:12,970 --> 01:09:10,560

thing but what I particularly like about

1629

01:09:15,110 --> 01:09:12,980

the Ozark conference is that

1630

01:09:17,450 --> 01:09:15,120

they're encouraged the speakers are

1631

01:09:19,130 --> 01:09:17,460

encouraged to be in the halls and be at

1632

01:09:21,169 --> 01:09:19,140

the main places where people are so

1633

01:09:22,970 --> 01:09:21,179

people can go and talk to them and

1634

01:09:24,590 --> 01:09:22,980

interact with them and so you can ask

1635

01:09:26,390 --> 01:09:24,600

them questions whatever questions you

1636

01:09:28,910 --> 01:09:26,400

might have and maybe get the answer she

1637

01:09:31,849 --> 01:09:28,920

were looking for so anyway enough of

1638

01:09:33,829 --> 01:09:31,859

that that explains why I'm doing open

1639

01:09:36,650 --> 01:09:33,839

lines today and instead of an interview

1640

01:09:39,530 --> 01:09:36,660

but it will be a mix sometime open lines

1641

01:09:42,829 --> 01:09:39,540

sometimes interview so just stay tuned

1642

01:09:49,370 --> 01:09:46,849

so uh JC while the 86 I said who flashed

1643

01:09:49,910 --> 01:09:49,380

who flies the big triangles

1644

01:09:53,030 --> 01:09:49,920

um

1645

01:09:56,090 --> 01:09:53,040

the triangle shape and

1646

01:09:58,790 --> 01:09:56,100

it's it's just this is not from my

1647

01:10:02,150 --> 01:09:58,800

personal experience just from the other

1648

01:10:04,310 --> 01:10:02,160

interactions with especially uh you know

1649

01:10:06,110 --> 01:10:04,320

people that you know because you can't

1650

01:10:08,090 --> 01:10:06,120

have every single experience this ever

1651  
01:10:11,570 --> 01:10:08,100  
to be had you know otherwise then you'd

1652  
01:10:14,090 --> 01:10:11,580  
be God that the the whole omnipresent

1653  
01:10:16,850 --> 01:10:14,100  
god with just these small portions of it

1654  
01:10:18,890 --> 01:10:16,860  
you know so there's only certain amount

1655  
01:10:21,410 --> 01:10:18,900  
of knowledge we have but from what I've

1656  
01:10:25,250 --> 01:10:21,420  
been basically reading about being told

1657  
01:10:28,010 --> 01:10:25,260  
about And discussing is that it's it's

1658  
01:10:32,390 --> 01:10:28,020  
it belongs to the grace of the grace or

1659  
01:10:34,370 --> 01:10:32,400  
using that mostly uh and some of the

1660  
01:10:37,010 --> 01:10:34,380  
hybrids

1661  
01:10:40,189 --> 01:10:37,020  
that have been created since then and

1662  
01:10:42,890 --> 01:10:40,199  
according to Bashar they are

1663  
01:10:45,110 --> 01:10:42,900

five hybrid races that came about from

1664

01:10:48,290 --> 01:10:45,120

this hybridization program between the

1665

01:10:51,790 --> 01:10:48,300

grace and the humans and so

1666

01:10:54,530 --> 01:10:51,800

um some why the the Triangular ships

1667

01:10:56,930 --> 01:10:54,540

especially I think it was I don't know

1668

01:10:59,510 --> 01:10:56,940

if it was more like a

1669

01:11:03,970 --> 01:10:59,520

almost like a boomerang shape or if it

1670

01:11:07,550 --> 01:11:03,980

was triangular there was in 1990

1671

01:11:10,070 --> 01:11:07,560

1997 in Phoenix that basically hovered

1672

01:11:11,450 --> 01:11:10,080

over the city and and flew all over the

1673

01:11:12,169 --> 01:11:11,460

state

1674

01:11:14,990 --> 01:11:12,179

um

1675

01:11:17,870 --> 01:11:15,000

anyway and so that was supposed to have

1676

01:11:20,209 --> 01:11:17,880

been one of the hybrid races kind of

1677

01:11:22,510 --> 01:11:20,219

slowly but very blatantly and obviously

1678

01:11:26,030 --> 01:11:22,520

making that presence known

1679

01:11:27,890 --> 01:11:26,040

so something like that seems like we'll

1680

01:11:30,890 --> 01:11:27,900

be continuing in the future because

1681

01:11:34,550 --> 01:11:30,900

we're getting closer and closer to 2025

1682

01:11:36,410 --> 01:11:34,560

and according to Bashar based on the

1683

01:11:41,270 --> 01:11:36,420

energies and the reading of the energy

1684

01:11:43,550 --> 01:11:41,280

that he has or his Collective race of a

1685

01:11:44,890 --> 01:11:43,560

society they call themselves he was

1686

01:11:50,030 --> 01:11:44,900

saying between

1687

01:11:52,850 --> 01:11:50,040

2025 and 2035 would be a very very high

1688

01:11:54,950 --> 01:11:52,860

probability of contact

1689

01:11:58,189 --> 01:11:54,960

UM and just more and more ships

1690

01:12:00,649 --> 01:11:58,199

appearing and and just more and more

1691

01:12:02,990 --> 01:12:00,659

talk about it until the eventual contact

1692

01:12:04,729 --> 01:12:03,000

what exactly happens from that you know

1693

01:12:07,250 --> 01:12:04,739

we'll find out but like with everything

1694

01:12:09,830 --> 01:12:07,260

else you know energy can change certain

1695

01:12:12,649 --> 01:12:09,840

things could happen you know I liken it

1696

01:12:15,590 --> 01:12:12,659

to to the metaphor of uh you know if you

1697

01:12:18,590 --> 01:12:15,600

play or do bowling you can throw the

1698

01:12:20,270 --> 01:12:18,600

ball and if it goes down straight and

1699

01:12:22,310 --> 01:12:20,280

you're looking at it there's a very good

1700

01:12:25,010 --> 01:12:22,320

probability that it will reach the end

1701

01:12:27,350 --> 01:12:25,020

and knock down the pins but while it's

1702

01:12:29,570 --> 01:12:27,360

in that process it's someone else can

1703

01:12:31,669 --> 01:12:29,580

alter the course slap the ball out

1704

01:12:34,910 --> 01:12:31,679

something else Falls you know a ceiling

1705

01:12:36,709 --> 01:12:34,920

falling through you know to prevent the

1706

01:12:42,290 --> 01:12:36,719

eventual

1707

01:12:44,209 --> 01:12:42,300

whatever the energy was was heading to

1708

01:12:44,810 --> 01:12:44,219

and so anyway

1709

01:12:47,390 --> 01:12:44,820

um

1710

01:12:48,770 --> 01:12:47,400

keep keep those in mind that they're not

1711

01:12:51,050 --> 01:12:48,780

predictions

1712

01:12:52,669 --> 01:12:51,060

but that they are readings of the energy

1713

01:12:55,910 --> 01:12:52,679

in the now

1714

01:12:59,030 --> 01:12:55,920

and if nothing changes and everything

1715

01:13:02,270 --> 01:12:59,040

stays the same then that energy will

1716

01:13:04,610 --> 01:13:02,280

then come to fruition that we then call

1717

01:13:07,490 --> 01:13:04,620

a prediction that has come true you know

1718

01:13:10,010 --> 01:13:07,500

but that's our terms it's not the terms

1719

01:13:12,669 --> 01:13:10,020

that they use because

1720

01:13:15,110 --> 01:13:12,679

um prediction has a certain level of um

1721

01:13:17,810 --> 01:13:15,120

expectations and certain level of

1722

01:13:20,510 --> 01:13:17,820

certainty that it must happen you know

1723

01:13:24,850 --> 01:13:20,520

but this is just uh the best guesstimus

1724

01:13:24,860 --> 01:13:28,390

thank you

1725

01:13:32,689 --> 01:13:30,470

well it looks like there's going to be a

1726

01:13:34,490 --> 01:13:32,699

lot more questions coming through uh

1727

01:13:42,229 --> 01:13:34,500

someone in

1728

01:13:45,950 --> 01:13:42,239

Mothership in the sun sending out probes

1729

01:13:48,229 --> 01:13:45,960

to Earth I couldn't tell you I'm sorry I

1730

01:13:50,390 --> 01:13:48,239

don't have that information

1731

01:13:53,750 --> 01:13:50,400

um there have been some very fascinating

1732

01:13:56,630 --> 01:13:53,760

videos and pictures taken of of very

1733

01:13:59,149 --> 01:13:56,640

strange objects around the Sun that the

1734

01:14:01,130 --> 01:13:59,159

sheer size of them would imply that

1735

01:14:02,810 --> 01:14:01,140

they're 100 times bigger than the earth

1736

01:14:05,209 --> 01:14:02,820

you know

1737

01:14:07,430 --> 01:14:05,219

um just having some kind of interaction

1738

01:14:10,010 --> 01:14:07,440

with the Sun but

1739

01:14:12,770 --> 01:14:10,020

um other than seeing what slipped

1740

01:14:18,229 --> 01:14:12,780

through slipped through NASA's cracks um

1741

01:14:22,550 --> 01:14:20,689

all right well

1742

01:14:23,810 --> 01:14:22,560

um so again thank you all very much for

1743

01:14:26,689 --> 01:14:23,820

joining me today

1744

01:14:28,790 --> 01:14:26,699

um next week Wednesday I'll either have

1745

01:14:31,910 --> 01:14:28,800

another open line but most likely we'll

1746

01:14:35,689 --> 01:14:31,920

have an interview please stay tuned

1747

01:14:39,530 --> 01:14:35,699

um subscribe to this channel uh also

1748

01:14:41,570 --> 01:14:39,540

telegram Rumble and twitch are my main

1749

01:14:44,630 --> 01:14:41,580

Alternative forms that I'm hoping to

1750

01:14:46,430 --> 01:14:44,640

build up Rumble will have all the copies

1751

01:14:49,430 --> 01:14:46,440

of what I have on YouTube in case

1752

01:14:50,870 --> 01:14:49,440

YouTube takes me down someday then

1753

01:14:53,030 --> 01:14:50,880

because I wouldn't be able to stream

1754

01:14:55,010 --> 01:14:53,040

I'll be of course using twitch to stream

1755

01:14:57,950 --> 01:14:55,020

so I can have more of a live interaction

1756

01:15:01,070 --> 01:14:57,960

with all of you like this and telegram

1757

01:15:02,870 --> 01:15:01,080

is more of my own personal messaging if

1758

01:15:05,810 --> 01:15:02,880

there's something I need to you know put

1759

01:15:07,490 --> 01:15:05,820

out and sometimes Some people post of

1760

01:15:09,669 --> 01:15:07,500

their own in there but it's like my way

1761

01:15:12,950 --> 01:15:09,679

or basically it would be

1762

01:15:15,350 --> 01:15:12,960

our main way between all of you and me

1763

01:15:17,330 --> 01:15:15,360

to stay in touch in case YouTube Kicks

1764

01:15:19,010 --> 01:15:17,340

me off this of this platform eventually

1765

01:15:20,870 --> 01:15:19,020

and I've talked about that a while back

1766

01:15:23,750 --> 01:15:20,880

because I have a few strikes and

1767

01:15:26,090 --> 01:15:23,760

warnings that next one I'll be I'll be

1768

01:15:27,830 --> 01:15:26,100

gone for seven days and if it whatever

1769

01:15:30,350 --> 01:15:27,840

I'm saying that they're not happy with

1770

01:15:33,590 --> 01:15:30,360

it we'll continue 30 and then eventually

1771

01:15:36,050 --> 01:15:33,600

be kicked off um not 30 maybe more and

1772

01:15:37,490 --> 01:15:36,060

then meant to be kicked off the platform

1773

01:15:39,530 --> 01:15:37,500

so anyway

1774

01:15:41,689 --> 01:15:39,540

um well thank you all I appreciate you

1775

01:15:42,350 --> 01:15:41,699

all for for being here

1776

01:15:45,709 --> 01:15:42,360

um

1777

01:15:48,950 --> 01:15:45,719

again uh subscribe to the other channels

1778

01:15:51,350 --> 01:15:48,960

that I have I'm really going to use them

1779

01:15:53,330 --> 01:15:51,360

um heavily and rely on them heavily and

1780

01:15:54,590 --> 01:15:53,340

all the links of course are in the

1781

01:15:56,570 --> 01:15:54,600

description below

1782

01:15:58,130 --> 01:15:56,580

so again thank you all

1783

01:16:00,890 --> 01:15:58,140

um you have a good evening good day
