uh the conference itself and we have all

12
00:01:33,230 --> 00:01:30,479

21

00:01:54,910 --> 00:01:53,520

they're talking about especially if for

22

00:01:58,730 --> 00:01:54,920

those that are interested to see that

23

00:02:01,010 --> 00:01:58,740

and the link for the conference is also

24

00:02:03,410 --> 00:02:01,020

in the description below I'll take you

25

00:02:05,149 --> 00:02:03,420

to the registration page there's still a

26

00:02:07,550 --> 00:02:05,159

little bit time until April because it's

27

00:02:10,430 --> 00:02:07,560

from April 14 to 16 for you to get

28

00:02:13,190 --> 00:02:10,440

tickets and also in the description you

29

00:02:15,710 --> 00:02:13,200

will find Christy's website where she

30

00:02:18,949 --> 00:02:15,720

has other contact info and her books and

31

00:02:20,869 --> 00:02:18,959

whatever else she has to basically offer

32

00:02:25,430 --> 00:02:20,879

you for you to check out

33

00:02:27,470 --> 00:02:25,440

so that's uh basically it so without any

34

00:02:29,750 --> 00:02:27,480

further Ado let me just check some

35

00:02:33,110 --> 00:02:29,760

things one more time

36

00:02:33,650 --> 00:02:33,120

and I will bring in

37

00:02:36,530 --> 00:02:33,660

um

38

00:02:37,550 --> 00:02:36,540

Christy Christy thanks for being on how

39

00:02:40,010 --> 00:02:37,560

are you

40

00:02:40,970 --> 00:02:40,020

I am great thank you so much for having

41

00:02:43,729 --> 00:02:40,980

me

42

00:02:46,009 --> 00:02:43,739

well I'm glad uh we connected as I've

43

00:02:47,930 --> 00:02:46,019

shared a little story to Christy prior

44

00:02:50,509 --> 00:02:47,940

to this I had a little emergency here

45

00:02:53,390 --> 00:02:50,519

because my almost two-year-old shot the

46

00:02:54,890 --> 00:02:53,400

internet down in both the buildings and

47

00:02:57,770 --> 00:02:54,900

she discovered where the power supply

48

00:02:59,210 --> 00:02:57,780

was and uh I was sweating and maybe

49

00:03:02,210 --> 00:02:59,220

still sweating a little bit but anyway

50

00:03:04,790 --> 00:03:02,220

we're on we're connected and um I'm glad

51
00:03:06,350 --> 00:03:04,800
that everything's working out great so

52
00:03:08,210 --> 00:03:06,360
um Christy what I would basically would

53
00:03:10,250 --> 00:03:08,220
like to do especially for someone who I

54
00:03:11,570 --> 00:03:10,260
have on for the very first time uh

55
00:03:13,309 --> 00:03:11,580
please tell us a little bit about your

56
00:03:15,350 --> 00:03:13,319
background information about how

57
00:03:16,850 --> 00:03:15,360
everything started for you and uh

58
00:03:18,410 --> 00:03:16,860
leading up basically to all your

59
00:03:20,869 --> 00:03:18,420
experiences

60
00:03:22,309 --> 00:03:20,879
well my first experience was when I was

61
00:03:24,770 --> 00:03:22,319
five years old

62
00:03:27,470 --> 00:03:24,780
and I have been a psychic medium all my

63
00:03:30,229 --> 00:03:27,480

life but people would constantly make

64

00:03:31,970 --> 00:03:30,239

fun of me and when unsolicited things

65

00:03:34,190 --> 00:03:31,980

would come flying out of my mouth and I

66

00:03:36,470 --> 00:03:34,200

learned how to shut up at a very young

67

00:03:39,290 --> 00:03:36,480

age and keep secrets

68

00:03:40,789 --> 00:03:39,300

and that is I've kept these secrets my

69

00:03:43,130 --> 00:03:40,799

whole life with experience after

70

00:03:45,289 --> 00:03:43,140

experience and I finally got to the

71

00:03:48,770 --> 00:03:45,299

point where I don't want to keep secrets

72

00:03:51,530 --> 00:03:48,780

anymore and I wanted to be brave and so

73

00:03:53,750 --> 00:03:51,540

trying to act normal in a world that

74

00:03:55,250 --> 00:03:53,760

really isn't normal and I wasn't I

75

00:03:57,470 --> 00:03:55,260

didn't feel normal at all and had to act

76

00:04:00,350 --> 00:03:57,480

that way was exhausting to me

77

00:04:04,610 --> 00:04:00,360

so finally about four years ago I

78

00:04:06,710 --> 00:04:04,620

decided to go public as a with my UFO my

79

00:04:10,009 --> 00:04:06,720

extraterrestrial contact experiences and

80

00:04:11,869 --> 00:04:10,019

I wrote a book about it because I wanted

81

00:04:14,570 --> 00:04:11,879

to be that person

82

00:04:16,610 --> 00:04:14,580

for someone else who had had experiences

83

00:04:19,250 --> 00:04:16,620

and had nobody to talk to and no place

84

00:04:22,490 --> 00:04:19,260

to go I wanted to get the word out there

85

00:04:24,590 --> 00:04:22,500

that this happens to a lot of people and

86

00:04:26,330 --> 00:04:24,600

there it's a safe place you can now

87

00:04:28,430 --> 00:04:26,340

we're starting to be more and more open

88

00:04:32,810 --> 00:04:28,440

about it and talk about it without

89

00:04:34,550 --> 00:04:32,820

making to be to be um to feel ridiculous

90

00:04:36,110 --> 00:04:34,560

you know every time you'd see a news

91

00:04:38,330 --> 00:04:36,120

show someone would be making fun of it

92

00:04:41,030 --> 00:04:38,340

with the tinfoil hats and you know

93

00:04:41,990 --> 00:04:41,040

making someone just feel embarrassed and

94

00:04:44,689 --> 00:04:42,000

um

95

00:04:47,210 --> 00:04:44,699

and stupid and I want to be that person

96

00:04:49,189 --> 00:04:47,220

to say no you know this happens to a lot

97

00:04:51,350 --> 00:04:49,199

of people we're not stupid we're

98

00:04:53,270 --> 00:04:51,360

intelligent people who are out there

99

00:04:55,129 --> 00:04:53,280

among you we're just keeping secrets and

100

00:04:57,650 --> 00:04:55,139

I just got tired of keeping the secrets

101
00:05:01,370 --> 00:04:57,660
I'm done

102
00:05:03,409 --> 00:05:01,380
well so um Christy's

103
00:05:05,510 --> 00:05:03,419
did you mentioned a little bit earlier

104
00:05:08,270 --> 00:05:05,520
too that you have a support group

105
00:05:09,590 --> 00:05:08,280
that this maybe do would you like to go

106
00:05:12,710 --> 00:05:09,600
a little bit into that

107
00:05:15,230 --> 00:05:12,720
yeah and again wanting people to have a

108
00:05:17,030 --> 00:05:15,240
safe place to go to so five years ago I

109
00:05:19,909 --> 00:05:17,040
founded a support group and this is in

110
00:05:23,510 --> 00:05:19,919
Omaha Nebraska and we've got about 36

111
00:05:26,450 --> 00:05:23,520
members now and it's just been amazing

112
00:05:29,930 --> 00:05:26,460
when you know for instance I was at an

113
00:05:32,029 --> 00:05:29,940

expo just last year and a Gentleman came

114

00:05:34,790 --> 00:05:32,039

up to me looking scared like a little

115

00:05:38,029 --> 00:05:34,800

rabbit and he said uh I think I need to

116

00:05:39,650 --> 00:05:38,039

talk to you and we were so busy I didn't

117

00:05:41,810 --> 00:05:39,660

really have time to talk to him but he

118

00:05:44,270 --> 00:05:41,820

he bought my book we Are Not Alone my

119

00:05:47,689 --> 00:05:44,280

extraterrestrial contact and then he

120

00:05:49,249 --> 00:05:47,699

called me later and we met a year later

121

00:05:52,610 --> 00:05:49,259

he's been coming to the support group

122

00:05:55,310 --> 00:05:52,620

meetings and he is he looks healthy he

123

00:05:57,950 --> 00:05:55,320

looks unafraid and he has things to

124

00:06:01,370 --> 00:05:57,960

contribute and just the growth of having

125

00:06:03,710 --> 00:06:01,380

a safe place to go to and people to tell

126
00:06:06,469 --> 00:06:03,720
your story to has pretty much changed

127
00:06:08,570 --> 00:06:06,479
his life and as it did mine when I had a

128
00:06:11,090 --> 00:06:08,580
safe place to go to and just somebody

129
00:06:13,070 --> 00:06:11,100
that would listen with that judging you

130
00:06:16,490 --> 00:06:13,080
it's just been phenomenal for this

131
00:06:18,350 --> 00:06:16,500
entire group to share their stories

132
00:06:20,810 --> 00:06:18,360
Well Chrissy I would like to actually

133
00:06:23,749 --> 00:06:20,820
hear more about your stories uh if you

134
00:06:25,430 --> 00:06:23,759
could share a little bit or or however

135
00:06:27,830 --> 00:06:25,440
much you would like about what's been

136
00:06:29,390 --> 00:06:27,840
happening happening to you and and what

137
00:06:30,890 --> 00:06:29,400
you gain from that

138
00:06:32,450 --> 00:06:30,900

sure

139

00:06:35,270 --> 00:06:32,460

well like I mentioned my first

140

00:06:37,210 --> 00:06:35,280

experience was at the age of five and

141

00:06:40,370 --> 00:06:37,220

everyone in the family had had the flu

142

00:06:43,129 --> 00:06:40,380

that they were over in 24 or 48 hours

143

00:06:45,710 --> 00:06:43,139

and for some reason I just couldn't get

144

00:06:47,629 --> 00:06:45,720

over it and five days later I was still

145

00:06:49,370 --> 00:06:47,639

throwing up and throwing up and throwing

146

00:06:51,290 --> 00:06:49,380

up and my Mom finally called the doctor

147

00:06:54,529 --> 00:06:51,300

the doctor said get her to the hospital

148

00:06:57,590 --> 00:06:54,539

right now because obviously I was um

149

00:07:00,170 --> 00:06:57,600

lacking in fluids so they took me to the

150

00:07:02,749 --> 00:07:00,180

hospital and it was rigged up in kind of

151

00:07:05,330 --> 00:07:02,759

an ice bed for me and now this would

152

00:07:07,430 --> 00:07:05,340

have been 1960 because I was five years

153

00:07:09,950 --> 00:07:07,440

old at the time and they had me in an

154

00:07:13,430 --> 00:07:09,960

ice bed I was in ICU and there was a

155

00:07:15,890 --> 00:07:13,440

nurse there feeding me orange soda and

156

00:07:18,110 --> 00:07:15,900

it was cut every five minutes to get my

157

00:07:19,490 --> 00:07:18,120

temperature under control well in the

158

00:07:22,129 --> 00:07:19,500

middle of the night

159

00:07:24,770 --> 00:07:22,139

all of a sudden everything went dark and

160

00:07:26,809 --> 00:07:24,780

everything went quiet this nurse froze

161

00:07:30,409 --> 00:07:26,819

it was like she was paralyzed

162

00:07:32,689 --> 00:07:30,419

I couldn't move except for my eyes and I

163

00:07:34,490 --> 00:07:32,699

was trying to look around the room to

164

00:07:37,370 --> 00:07:34,500

see what was going on

165

00:07:38,930 --> 00:07:37,380

and this so-called doctor walked in the

166

00:07:40,909 --> 00:07:38,940

room but he didn't look like any doctor

167

00:07:43,490 --> 00:07:40,919

I'd ever seen before

168

00:07:46,969 --> 00:07:43,500

and he had on a white lab coat and a

169

00:07:50,749 --> 00:07:46,979

stethoscope in his pocket but it was so

170

00:07:52,249 --> 00:07:50,759

bright that it obscured his face I

171

00:07:54,350 --> 00:07:52,259

couldn't see even what his face was like

172

00:07:56,689 --> 00:07:54,360

and I thought what is this stethoscope

173

00:07:59,390 --> 00:07:56,699

reflecting off because there was no

174

00:08:01,129 --> 00:07:59,400

light in the room whatsoever and he came

175

00:08:03,529 --> 00:08:01,139

to me and I remember him talking to me

176

00:08:05,390 --> 00:08:03,539

telepathically and he said you will

177

00:08:06,650 --> 00:08:05,400

always be safe and you will always be

178

00:08:09,469 --> 00:08:06,660

protected

179

00:08:12,650 --> 00:08:09,479

well years later under hypnosis it was

180

00:08:14,270 --> 00:08:12,660

one of the grays the typical gray alien

181

00:08:16,610 --> 00:08:14,280

that you see that was telling me this

182

00:08:18,710 --> 00:08:16,620

but there were two others with him on

183

00:08:19,909 --> 00:08:18,720

the other side of the bed there to

184

00:08:21,710 --> 00:08:19,919

comfort me

185

00:08:25,070 --> 00:08:21,720

and tell me that I would always be safe

186

00:08:26,689 --> 00:08:25,080

and always be protected that was a

187

00:08:29,089 --> 00:08:26,699

memory I had and I didn't even know that

188

00:08:31,010 --> 00:08:29,099

I almost died that night I was probably

189

00:08:34,010 --> 00:08:31,020

in my 40s and I was talking to my mom

190

00:08:35,870 --> 00:08:34,020

and we were discussing that incident and

191

00:08:38,389 --> 00:08:35,880

she said well you know the next day when

192

00:08:40,969 --> 00:08:38,399

we came to visit you the doctor said we

193

00:08:43,730 --> 00:08:40,979

almost lost her last night and I had no

194

00:08:45,350 --> 00:08:43,740

idea that I almost died that night I

195

00:08:47,449 --> 00:08:45,360

just remember the message and I've

196

00:08:49,730 --> 00:08:47,459

carried that message with me for all of

197

00:08:51,829 --> 00:08:49,740

these years that I would always be safe

198

00:08:53,889 --> 00:08:51,839

and always be protected

199

00:08:56,750 --> 00:08:53,899

and believe me I took that for a ride

200

00:09:00,410 --> 00:08:56,760

more than once it's like really I'm safe

201
00:09:03,350 --> 00:09:00,420
and protected how crazy can I get uh but

202
00:09:06,170 --> 00:09:03,360
after that I really don't have too many

203
00:09:09,410 --> 00:09:06,180
memories while I was growing up I lived

204
00:09:12,590 --> 00:09:09,420
a very normal life in South Dakota

205
00:09:15,410 --> 00:09:12,600
came from a very normal family but it's

206
00:09:17,590 --> 00:09:15,420
very abnormal things were happening to

207
00:09:19,910 --> 00:09:17,600
me and that would be

208
00:09:23,449 --> 00:09:19,920
nosebleeds that were completely out of

209
00:09:25,070 --> 00:09:23,459
control and they happened all the time

210
00:09:26,810 --> 00:09:25,080
and you know normally if you get a

211
00:09:29,810 --> 00:09:26,820
nosebleed you have a tissue

212
00:09:31,670 --> 00:09:29,820
and you you know wipe it clean this I

213
00:09:35,269 --> 00:09:31,680

would have to have a towel wrapped

214

00:09:37,009 --> 00:09:35,279

around my neck and have to sit on the

215

00:09:39,050 --> 00:09:37,019

sofa with like a pail or a bucket

216

00:09:41,690 --> 00:09:39,060

because I would just gush blood from my

217

00:09:44,269 --> 00:09:41,700

nose when they started well years later

218

00:09:45,710 --> 00:09:44,279

under hypnosis I was told that these

219

00:09:49,190 --> 00:09:45,720

were implants

220

00:09:52,430 --> 00:09:49,200

and I had bouts of fainting dizzy spells

221

00:09:55,370 --> 00:09:52,440

I mean all these physical anomalies that

222

00:09:57,170 --> 00:09:55,380

really don't mean much separately but

223

00:10:00,769 --> 00:09:57,180

you put them all together in a little

224

00:10:02,870 --> 00:10:00,779

girl of five years old and it's very

225

00:10:04,610 --> 00:10:02,880

abnormal and they would constantly take

226
00:10:07,190 --> 00:10:04,620
me to doctors and the doctors would find

227
00:10:08,650 --> 00:10:07,200
nothing wrong oh that's just her that's

228
00:10:12,530 --> 00:10:08,660
just her

229
00:10:13,850 --> 00:10:12,540
but to grow up that way knowing that

230
00:10:15,710 --> 00:10:13,860
you're different from the rest of your

231
00:10:19,070 --> 00:10:15,720
family but you don't know why you don't

232
00:10:20,750 --> 00:10:19,080
know how is very unsettling and there

233
00:10:24,650 --> 00:10:20,760
were times you know when I was probably

234
00:10:26,449 --> 00:10:24,660
12. I used to babysit for a family just

235
00:10:27,350 --> 00:10:26,459
kind of across the street from where we

236
00:10:29,329 --> 00:10:27,360
lived

237
00:10:30,769 --> 00:10:29,339
and I the family would get home maybe at

238
00:10:32,630 --> 00:10:30,779

two o'clock in the morning

239

00:10:35,750 --> 00:10:32,640

and at 12 years old

240

00:10:38,210 --> 00:10:35,760

I would run home but I needed to lay in

241

00:10:39,949 --> 00:10:38,220

the grass and look at the stars and I

242

00:10:41,810 --> 00:10:39,959

would cry at two in the morning and just

243

00:10:43,490 --> 00:10:41,820

say I want to go home I want to go home

244

00:10:46,069 --> 00:10:43,500

this is too hard

245

00:10:48,710 --> 00:10:46,079

and I was you know 10 feet from the back

246

00:10:51,230 --> 00:10:48,720

door of my home and yet I couldn't wait

247

00:10:53,509 --> 00:10:51,240

I wanted to go home but it certainly was

248

00:10:56,210 --> 00:10:53,519

not the home that was 10 feet away from

249

00:10:59,030 --> 00:10:56,220

me it was a home somewhere in the stars

250

00:11:01,430 --> 00:10:59,040

because I knew I was different and then

251

00:11:03,590 --> 00:11:01,440

the next day the mom who I was

252

00:11:06,290 --> 00:11:03,600

babysitting her children would call my

253

00:11:07,850 --> 00:11:06,300

mom and say you know she'd lay in the

254

00:11:09,530 --> 00:11:07,860

grass there and she just needed to get

255

00:11:11,329 --> 00:11:09,540

home and then my mom would get mad and

256

00:11:13,190 --> 00:11:11,339

yell at me because everything was always

257

00:11:14,569 --> 00:11:13,200

my fault

258

00:11:18,350 --> 00:11:14,579

and then there were certain things

259

00:11:22,009 --> 00:11:18,360

growing up that would terrify me

260

00:11:24,410 --> 00:11:22,019

and probably the best example is

261

00:11:27,050 --> 00:11:24,420

um my father didn't travel on business

262

00:11:29,389 --> 00:11:27,060

much but when he did the whole family

263

00:11:31,970 --> 00:11:29,399

would go out to the airport to say

264

00:11:34,430 --> 00:11:31,980

goodbye to him well in the 70s there

265

00:11:37,190 --> 00:11:34,440

started to be hijackings so they put in

266

00:11:38,810 --> 00:11:37,200

metal detectors so they could tell if

267

00:11:40,790 --> 00:11:38,820

someone had a gun and a potential

268

00:11:42,829 --> 00:11:40,800

hijacking

269

00:11:44,389 --> 00:11:42,839

well we went to go see my father off on

270

00:11:46,670 --> 00:11:44,399

his business trip

271

00:11:49,490 --> 00:11:46,680

and they had put this newly installed

272

00:11:52,670 --> 00:11:49,500

metal detector in and for some reason I

273

00:11:55,009 --> 00:11:52,680

could not walk through it I just could I

274

00:11:56,389 --> 00:11:55,019

was terrified and the whole family

275

00:11:58,009 --> 00:11:56,399

walked through it you could see what was

276

00:12:00,350 --> 00:11:58,019

on the other side there was it was like

277

00:12:03,350 --> 00:12:00,360

an Open Door there was nothing there and

278

00:12:06,769 --> 00:12:03,360

I could not walk through it and I cried

279

00:12:08,870 --> 00:12:06,779

and cried and just had a fit and my mom

280

00:12:10,790 --> 00:12:08,880

even said I'll hold your hand and we'll

281

00:12:12,889 --> 00:12:10,800

walk through together like no no no no I

282

00:12:16,009 --> 00:12:12,899

can't I can't because I knew that

283

00:12:18,110 --> 00:12:16,019

something horrible would happen to me if

284

00:12:19,990 --> 00:12:18,120

I walked to the other side

285

00:12:22,430 --> 00:12:20,000

and they finally

286

00:12:23,810 --> 00:12:22,440

acquiesced and let me sit in the

287

00:12:26,389 --> 00:12:23,820

ticketing area while the rest of the

288

00:12:29,210 --> 00:12:26,399

family saw my father to his gate well

289

00:12:32,329 --> 00:12:29,220

again years later under hypnosis that

290

00:12:36,590 --> 00:12:32,339

doorway looked very much like a doorway

291

00:12:39,290 --> 00:12:36,600

on a craft where they would take me and

292

00:12:43,069 --> 00:12:39,300

into an examining room and I always say

293

00:12:46,129 --> 00:12:43,079

that that metal detector doorway was not

294

00:12:47,930 --> 00:12:46,139

a doorway to a a gate it was a doorway

295

00:12:50,930 --> 00:12:47,940

to hell for me

296

00:12:53,150 --> 00:12:50,940

so it was odd things my entire childhood

297

00:12:56,449 --> 00:12:53,160

but not really knowing

298

00:13:00,170 --> 00:12:56,459

what was going on and when I was 30

299

00:13:02,389 --> 00:13:00,180

years old is when I had my first live

300

00:13:05,449 --> 00:13:02,399

experience as an adult that I can

301
00:13:08,030 --> 00:13:05,459
remember and I had decided years earlier

302
00:13:09,949 --> 00:13:08,040
that I I didn't want to have children

303
00:13:12,650 --> 00:13:09,959
and I was going to have my tubes tied

304
00:13:14,329 --> 00:13:12,660
have a tubal ligation and my sister said

305
00:13:16,670 --> 00:13:14,339
no wait till you're 30 because then your

306
00:13:18,949 --> 00:13:16,680
maternal instincts will kick in and I

307
00:13:23,030 --> 00:13:18,959
was like oh my God will 30 ever get here

308
00:13:26,569 --> 00:13:23,040
so for my 30th birthday I gave myself or

309
00:13:29,150 --> 00:13:26,579
I had a tubal ligation and a couple of

310
00:13:30,889 --> 00:13:29,160
weeks after that I was just lying down

311
00:13:33,889 --> 00:13:30,899
on a sun on my bed on a Sunday afternoon

312
00:13:35,690 --> 00:13:33,899
reading a book and three alien beings

313
00:13:38,150 --> 00:13:35,700

popped in my room

314

00:13:40,490 --> 00:13:38,160

and it was so weird because I could only

315

00:13:43,190 --> 00:13:40,500

see them from the chest level up it's

316

00:13:45,710 --> 00:13:43,200

like they didn't have lower bodies and

317

00:13:47,329 --> 00:13:45,720

it was one female two males and I could

318

00:13:48,470 --> 00:13:47,339

tell they were angry

319

00:13:51,530 --> 00:13:48,480

and they were talking to me

320

00:13:53,629 --> 00:13:51,540

telepathically but they paralyzed me and

321

00:13:55,250 --> 00:13:53,639

again I couldn't move just like this

322

00:13:57,470 --> 00:13:55,260

five-year-old little girl

323

00:14:01,430 --> 00:13:57,480

only my eyes could move

324

00:14:03,590 --> 00:14:01,440

and on my bed they flipped me over they

325

00:14:06,170 --> 00:14:03,600

lifted me up from behind by the waist

326

00:14:09,350 --> 00:14:06,180

and they did an examination on me

327

00:14:11,750 --> 00:14:09,360

and there is nothing I could do about it

328

00:14:14,690 --> 00:14:11,760

and in the discussions between

329

00:14:17,569 --> 00:14:14,700

themselves the the three aliens they

330

00:14:19,190 --> 00:14:17,579

realized that I still had eggs but those

331

00:14:20,990 --> 00:14:19,200

eggs would not go down the fallopian

332

00:14:22,490 --> 00:14:21,000

tube but to be fertilized and so they

333

00:14:25,790 --> 00:14:22,500

were fine because all they wanted were

334

00:14:28,790 --> 00:14:25,800

the eggs and they left as quickly as

335

00:14:33,110 --> 00:14:28,800

they came and I became able to move

336

00:14:35,389 --> 00:14:33,120

again but I was on my bed on all fours

337

00:14:37,490 --> 00:14:35,399

wondering what

338

00:14:39,829 --> 00:14:37,500

happened to me

339

00:14:42,350 --> 00:14:39,839

and I couldn't wrap my head around it I

340

00:14:44,870 --> 00:14:42,360

couldn't make sense of it did I make

341

00:14:46,430 --> 00:14:44,880

this up am I crazy

342

00:14:48,350 --> 00:14:46,440

all of these things that run through

343

00:14:50,210 --> 00:14:48,360

your head when you don't have a logical

344

00:14:52,790 --> 00:14:50,220

explanation

345

00:14:56,090 --> 00:14:52,800

and I tried to talk to

346

00:14:58,430 --> 00:14:56,100

a friend of mine and I hadn't gone

347

00:15:01,250 --> 00:14:58,440

public as a psychic medium yet so she

348

00:15:03,949 --> 00:15:01,260

didn't even know that I had that ability

349

00:15:05,030 --> 00:15:03,959

and when I told her my story about these

350

00:15:08,509 --> 00:15:05,040

three beings

351

00:15:10,189 --> 00:15:08,519

what I could read in her mind was oh my

352

00:15:12,050 --> 00:15:10,199

gosh is she crazy

353

00:15:14,090 --> 00:15:12,060

should we have her committed

354

00:15:16,069 --> 00:15:14,100

who else can I tell

355

00:15:19,730 --> 00:15:16,079

in all of these things running through

356

00:15:22,490 --> 00:15:19,740

her head and the way I took it was it's

357

00:15:24,590 --> 00:15:22,500

time to shut up don't say anything it's

358

00:15:27,949 --> 00:15:24,600

a secret you have to keep

359

00:15:29,990 --> 00:15:27,959

and I never brought it up to her again

360

00:15:32,389 --> 00:15:30,000

I did try telling one other friend and

361

00:15:35,509 --> 00:15:32,399

had a similar reaction

362

00:15:38,990 --> 00:15:35,519

and so I just I knew it wasn't safe

363

00:15:41,329 --> 00:15:39,000

and so I I quit talking about it but I

364

00:15:42,949 --> 00:15:41,339

didn't stop researching

365

00:15:46,670 --> 00:15:42,959

and finally

366

00:15:49,370 --> 00:15:46,680

in my research I found Dr Jack Kasher

367

00:15:52,129 --> 00:15:49,380

who is the head physicist at UNO which

368

00:15:54,889 --> 00:15:52,139

is the University of Nebraska at Omaha

369

00:15:58,430 --> 00:15:54,899

and he was also a field investigator for

370

00:16:00,769 --> 00:15:58,440

mufon which is the mutual UFO Network

371

00:16:03,829 --> 00:16:00,779

and I called him up out of the blue and

372

00:16:05,509 --> 00:16:03,839

I asked if I could see him and talk to

373

00:16:07,910 --> 00:16:05,519

him and he said yes

374

00:16:10,009 --> 00:16:07,920

and I have to tell you going to that

375

00:16:13,490 --> 00:16:10,019

appointment

376

00:16:16,009 --> 00:16:13,500

it was is he going to tell me I'm crazy

377

00:16:19,670 --> 00:16:16,019

or is he going to believe me

378

00:16:22,069 --> 00:16:19,680

either way was equally terrifying to me

379

00:16:23,030 --> 00:16:22,079

what if I am crazy oh my God what if

380

00:16:26,689 --> 00:16:23,040

it's real

381

00:16:29,389 --> 00:16:26,699

and I sat down and told him my story

382

00:16:32,389 --> 00:16:29,399

and he said it probably wasn't an

383

00:16:35,810 --> 00:16:32,399

isolated incident and at the time I I

384

00:16:38,810 --> 00:16:35,820

didn't even let that register what did

385

00:16:40,189 --> 00:16:38,820

register is that he believed me

386

00:16:46,490 --> 00:16:40,199

and

387

00:16:48,230 --> 00:16:46,500

that there was a support group in town

388

00:16:50,749 --> 00:16:48,240

at that time

389

00:16:53,689 --> 00:16:50,759

and this would have been probably mid

390

00:16:57,050 --> 00:16:53,699

80s by then so I joined this support

391

00:16:58,970 --> 00:16:57,060

group and the first time I went

392

00:17:00,410 --> 00:16:58,980

I was with people who had similar

393

00:17:02,150 --> 00:17:00,420

stories to me

394

00:17:03,949 --> 00:17:02,160

and I hardly even got to do any talking

395

00:17:06,350 --> 00:17:03,959

they were so excited to share their

396

00:17:08,510 --> 00:17:06,360

stories with me but I felt normal

397

00:17:11,210 --> 00:17:08,520

talking about the fainting talking about

398

00:17:13,429 --> 00:17:11,220

the bloody noses talking about the the

399

00:17:15,470 --> 00:17:13,439

motion sickness all of these things that

400

00:17:17,329 --> 00:17:15,480

had plagued me my whole life they're

401
00:17:20,689 --> 00:17:17,339
like oh yes that's very common that's

402
00:17:22,850 --> 00:17:20,699
very common I couldn't believe it

403
00:17:24,230 --> 00:17:22,860
and so I attended this support group for

404
00:17:26,150 --> 00:17:24,240
about two years

405
00:17:29,030 --> 00:17:26,160
and then I was traveling for my my

406
00:17:31,130 --> 00:17:29,040
business at that time and the gentleman

407
00:17:33,110 --> 00:17:31,140
who hosted the support group ended up

408
00:17:35,690 --> 00:17:33,120
passing away so that that whole group

409
00:17:37,010 --> 00:17:35,700
kind of went by the wayside but what

410
00:17:38,870 --> 00:17:37,020
happened

411
00:17:41,450 --> 00:17:38,880
oh and there was a symposium actually

412
00:17:44,690 --> 00:17:41,460
shortly after my meeting with Dr Casher

413
00:17:47,029 --> 00:17:44,700

in Lincoln Nebraska of all places and I

414

00:17:48,529 --> 00:17:47,039

went to the Symposium and actually was

415

00:17:51,110 --> 00:17:48,539

able to have a conversation with Linda

416

00:17:53,270 --> 00:17:51,120

Moulton Howe she also said this was

417

00:17:55,850 --> 00:17:53,280

probably not an isolated incidence and

418

00:17:59,210 --> 00:17:55,860

then it was like oh my gosh this

419

00:18:01,909 --> 00:17:59,220

happened to me more than twice

420

00:18:04,549 --> 00:18:01,919

and I started researching in finding out

421

00:18:06,049 --> 00:18:04,559

as much information as I could on UFO

422

00:18:08,090 --> 00:18:06,059

and at the time they were called

423

00:18:09,890 --> 00:18:08,100

abductions now it's experiences or

424

00:18:13,789 --> 00:18:09,900

contactees

425

00:18:18,310 --> 00:18:13,799

but everybody that I talked to

426
00:18:21,830 --> 00:18:18,320
they were so kind and so accepting to me

427
00:18:23,270 --> 00:18:21,840
and what with that it was like I gave

428
00:18:26,810 --> 00:18:23,280
them permission

429
00:18:30,350 --> 00:18:26,820
and by them I mean the extraterrestrials

430
00:18:33,049 --> 00:18:30,360
to start downloading information to me

431
00:18:35,270 --> 00:18:33,059
and once I went to that Symposium once I

432
00:18:39,409 --> 00:18:35,280
talked to Dr Casher

433
00:18:41,690 --> 00:18:39,419
memories would be dropped into my head

434
00:18:43,310 --> 00:18:41,700
and it's difficult to explain what a

435
00:18:45,770 --> 00:18:43,320
download is

436
00:18:47,570 --> 00:18:45,780
other than it's like if someone hands

437
00:18:49,010 --> 00:18:47,580
you a book you've got all the

438
00:18:50,930 --> 00:18:49,020

information it's right there in your

439

00:18:53,330 --> 00:18:50,940

fingertips but how do you make sense of

440

00:18:56,029 --> 00:18:53,340

it you have to go through it and you

441

00:18:58,190 --> 00:18:56,039

know as human beings we think and speak

442

00:19:00,890 --> 00:18:58,200

in a linear way so when this information

443

00:19:03,650 --> 00:19:00,900

is just downloaded in your head it's

444

00:19:05,210 --> 00:19:03,660

very disorienting and you have to make

445

00:19:07,310 --> 00:19:05,220

sense of it and I

446

00:19:08,930 --> 00:19:07,320

it would they would come at very odd

447

00:19:11,390 --> 00:19:08,940

times you know I might be in a corporate

448

00:19:13,970 --> 00:19:11,400

business meeting in a suit sitting there

449

00:19:15,890 --> 00:19:13,980

all professional and boom a download

450

00:19:18,110 --> 00:19:15,900

would happen and I would have to sit and

451
00:19:19,250 --> 00:19:18,120
smile through it and pretend nothing was

452
00:19:21,830 --> 00:19:19,260
going on

453
00:19:25,970 --> 00:19:21,840
then maybe excuse myself

454
00:19:28,909 --> 00:19:25,980
and go to a private room and just go oh

455
00:19:31,610 --> 00:19:28,919
my God what is going on what is going on

456
00:19:33,950 --> 00:19:31,620
trying to make sense of it all

457
00:19:36,350 --> 00:19:33,960
and I remember and they would come

458
00:19:37,549 --> 00:19:36,360
sometimes boom boom boom the downloads

459
00:19:40,190 --> 00:19:37,559
would come and other times there might

460
00:19:41,630 --> 00:19:40,200
be six months when I got nothing and I

461
00:19:43,390 --> 00:19:41,640
remember one morning I was going for my

462
00:19:46,909 --> 00:19:43,400
morning walk and I was outside

463
00:19:48,950 --> 00:19:46,919

and I I thought you know I haven't had

464

00:19:51,470 --> 00:19:48,960

an experience I haven't been taken in a

465

00:19:56,150 --> 00:19:51,480

very long time maybe it stopped and it's

466

00:19:59,029 --> 00:19:56,160

that instant boom I gotta download that

467

00:20:00,710 --> 00:19:59,039

the contact had been happening all the

468

00:20:02,330 --> 00:20:00,720

time and as frequently as the night

469

00:20:06,110 --> 00:20:02,340

before

470

00:20:09,049 --> 00:20:06,120

and I literally fell to my knees and

471

00:20:13,250 --> 00:20:09,059

crawled over to a bench and just sobbed

472

00:20:16,190 --> 00:20:13,260

and was crying because at that point do

473

00:20:19,070 --> 00:20:16,200

I have any control do they have absolute

474

00:20:21,110 --> 00:20:19,080

control of when they take me what they

475

00:20:23,390 --> 00:20:21,120

want me to remember when they want me to

476
00:20:25,570 --> 00:20:23,400
remember it it's you just feel so

477
00:20:29,810 --> 00:20:25,580
powerless

478
00:20:30,890 --> 00:20:29,820
and when they when the Grays would come

479
00:20:33,590 --> 00:20:30,900
at night

480
00:20:35,750 --> 00:20:33,600
it was terrifying and you know a lot of

481
00:20:38,210 --> 00:20:35,760
people say oh the abductions no they're

482
00:20:40,370 --> 00:20:38,220
not terrifying at all you know and I

483
00:20:42,470 --> 00:20:40,380
kind of Welcome them and I would say

484
00:20:44,930 --> 00:20:42,480
that's true to an extent because once I

485
00:20:47,270 --> 00:20:44,940
was on a craft I had no fear whatsoever

486
00:20:50,029 --> 00:20:47,280
it was just like okay this is what we're

487
00:20:51,830 --> 00:20:50,039
supposed to do but I will tell you if

488
00:20:53,390 --> 00:20:51,840

someone shows up in your bedroom in the

489

00:20:56,990 --> 00:20:53,400

middle of the night

490

00:20:59,450 --> 00:20:57,000

human being or alien it's terrifying

491

00:21:01,310 --> 00:20:59,460

and I could sense it before they came

492

00:21:04,130 --> 00:21:01,320

there would be a shift of energy in the

493

00:21:09,409 --> 00:21:04,140

room there would be a smell and I would

494

00:21:10,850 --> 00:21:09,419

be and boom I was gone and on a craft on

495

00:21:13,190 --> 00:21:10,860

a gurney

496

00:21:16,669 --> 00:21:13,200

being lined up with what felt like

497

00:21:20,990 --> 00:21:16,679

hundreds of other people to to be

498

00:21:23,810 --> 00:21:21,000

examined and to have eggs taken from me

499

00:21:27,230 --> 00:21:23,820

and you know it really wasn't terrifying

500

00:21:30,409 --> 00:21:27,240

when I was on the craft but every night

501
00:21:32,029 --> 00:21:30,419
I would just be in fear is tonight going

502
00:21:33,710 --> 00:21:32,039
to be one of the nights and one night I

503
00:21:36,350 --> 00:21:33,720
got so mad

504
00:21:38,750 --> 00:21:36,360
I shook my fist in the air and I said

505
00:21:42,049 --> 00:21:38,760
were you people born in a barn don't you

506
00:21:43,490 --> 00:21:42,059
know how to knock and I kind of left it

507
00:21:47,690 --> 00:21:43,500
go at that well a few nights later

508
00:21:53,810 --> 00:21:50,870
they were knocking and they came in my

509
00:21:55,130 --> 00:21:53,820
bedroom and took me on a craft

510
00:21:58,370 --> 00:21:55,140
and

511
00:22:00,409 --> 00:21:58,380
it was equally as terrifying but because

512
00:22:02,570 --> 00:22:00,419
the energy would still shift I could

513
00:22:03,770 --> 00:22:02,580

still have that smell but now they were

514

00:22:05,570 --> 00:22:03,780

knocking

515

00:22:07,669 --> 00:22:05,580

and um

516

00:22:08,930 --> 00:22:07,679

it was you know how do you make sense of

517

00:22:12,590 --> 00:22:08,940

all that

518

00:22:15,130 --> 00:22:12,600

when every interview I've ever seen

519

00:22:18,590 --> 00:22:15,140

they were the person was made to look

520

00:22:20,930 --> 00:22:18,600

ridiculous and so I just kept keeping

521

00:22:23,510 --> 00:22:20,940

Secret After Secret After secret for

522

00:22:26,090 --> 00:22:23,520

years in you for decades

523

00:22:28,190 --> 00:22:26,100

and one particular

524

00:22:30,890 --> 00:22:28,200

moment because this was not a download

525

00:22:33,169 --> 00:22:30,900

this was a real life happening just like

526
00:22:36,590 --> 00:22:33,179
when they came into my bedroom to do

527
00:22:38,750 --> 00:22:36,600
that of that original exam

528
00:22:41,750 --> 00:22:38,760
that they came into my room and they

529
00:22:44,330 --> 00:22:41,760
said they needed me on a craft

530
00:22:47,330 --> 00:22:44,340
to save my daughter

531
00:22:50,270 --> 00:22:47,340
and part of me was shocked

532
00:22:53,149 --> 00:22:50,280
and part of me

533
00:22:55,850 --> 00:22:53,159
wasn't surprised at all

534
00:22:58,250 --> 00:22:55,860
so they took me on a craft and put me in

535
00:23:00,710 --> 00:22:58,260
a relatively small room and it looked

536
00:23:03,529 --> 00:23:00,720
very sterile like stainless steel maybe

537
00:23:05,810 --> 00:23:03,539
white some white in there and they

538
00:23:09,710 --> 00:23:05,820

brought in this little girl

539

00:23:12,289 --> 00:23:09,720

and she must have been I don't know two

540

00:23:14,870 --> 00:23:12,299

feet tall and I bet she didn't even

541

00:23:17,450 --> 00:23:14,880

weigh a pound and she had this gray

542

00:23:19,190 --> 00:23:17,460

power to her skin

543

00:23:22,789 --> 00:23:19,200

and she had a few

544

00:23:24,110 --> 00:23:22,799

sparse white hair hairs on the top of

545

00:23:26,990 --> 00:23:24,120

her head

546

00:23:30,110 --> 00:23:27,000

and they handed her to me and said she

547

00:23:33,890 --> 00:23:30,120

was experiencing failure to thrive

548

00:23:37,430 --> 00:23:33,900

because she had too much human in her

549

00:23:39,049 --> 00:23:37,440

every maternal instinct that I didn't

550

00:23:41,750 --> 00:23:39,059

think I had

551
00:23:43,610 --> 00:23:41,760
kicked into gear and this was my

552
00:23:46,970 --> 00:23:43,620
daughter

553
00:23:49,430 --> 00:23:46,980
and she was ill she was so sick and she

554
00:23:52,310 --> 00:23:49,440
needed her mom

555
00:23:55,130 --> 00:23:52,320
so I held her this is difficult for me

556
00:23:57,350 --> 00:23:55,140
to talk about so pardon me

557
00:23:59,990 --> 00:23:57,360
I held her

558
00:24:01,850 --> 00:24:00,000
and I kissed her

559
00:24:06,590 --> 00:24:01,860
I hugged her

560
00:24:09,409 --> 00:24:06,600
and talked to her and just loved her

561
00:24:11,570 --> 00:24:09,419
and after a period of time and I really

562
00:24:15,230 --> 00:24:11,580
have no concept of that

563
00:24:17,450 --> 00:24:15,240

I could see color coming back into her

564

00:24:20,270 --> 00:24:17,460

face in this beautiful

565

00:24:22,090 --> 00:24:20,280

peaches and cream complexion

566

00:24:24,470 --> 00:24:22,100

and

567

00:24:25,970 --> 00:24:24,480

shortly after the color came back into

568

00:24:28,070 --> 00:24:25,980

her face

569

00:24:29,870 --> 00:24:28,080

the Grays came back into the room to

570

00:24:32,210 --> 00:24:29,880

collect her

571

00:24:35,029 --> 00:24:32,220

and I thought how

572

00:24:37,970 --> 00:24:35,039

how can I give her back to these beings

573

00:24:40,610 --> 00:24:37,980

these unemotional beings how can I do

574

00:24:44,390 --> 00:24:40,620

that this is my child

575

00:24:47,870 --> 00:24:44,400

and it finally clicked

576

00:24:50,149 --> 00:24:47,880

that they didn't have any emotion to her

577

00:24:52,490 --> 00:24:50,159

but she certainly had emotion to them it

578

00:24:56,390 --> 00:24:52,500

was the only family she'd ever known

579

00:24:59,390 --> 00:24:56,400

this was the first time her meeting me

580

00:25:01,909 --> 00:24:59,400

and she jumped off my lap and kind of

581

00:25:05,330 --> 00:25:01,919

scampered over to them

582

00:25:11,029 --> 00:25:08,450

and to my knowledge

583

00:25:14,090 --> 00:25:11,039

I've not seen her again

584

00:25:16,250 --> 00:25:14,100

and I just I hope she's okay and I hope

585

00:25:18,049 --> 00:25:16,260

she's thriving

586

00:25:21,770 --> 00:25:18,059

but that night

587

00:25:24,710 --> 00:25:21,780

I must have made a deal with the grays

588

00:25:26,810 --> 00:25:24,720

because I knew on a gut level I knew I

589

00:25:29,750 --> 00:25:26,820

had other children

590

00:25:31,549 --> 00:25:29,760

and the deal was that I would save my

591

00:25:33,470 --> 00:25:31,559

daughter if they would show me my other

592

00:25:36,649 --> 00:25:33,480

children

593

00:25:38,570 --> 00:25:36,659

so they took me down a hallway

594

00:25:41,990 --> 00:25:38,580

to

595

00:25:45,230 --> 00:25:42,000

what looked like a very small gymnasium

596

00:25:47,570 --> 00:25:45,240

with double doors and they opened those

597

00:25:49,490 --> 00:25:47,580

doors and there were about 35 children

598

00:25:51,529 --> 00:25:49,500

in there

599

00:25:54,409 --> 00:25:51,539

all mine

600

00:25:58,130 --> 00:25:54,419

they looked very alien alien to me they

601
00:26:00,350 --> 00:25:58,140
had the big black eyes they were tall

602
00:26:02,470 --> 00:26:00,360
they were skinny it almost looked like

603
00:26:05,510 --> 00:26:02,480
they didn't even have a spine

604
00:26:10,070 --> 00:26:05,520
and they have jet black hair straight

605
00:26:13,430 --> 00:26:10,080
jet black hair and they looked at me

606
00:26:15,230 --> 00:26:13,440
like a benign intruder they weren't

607
00:26:19,490 --> 00:26:15,240
threatened by me and I looked at them

608
00:26:22,130 --> 00:26:19,500
like the aliens that they were

609
00:26:23,570 --> 00:26:22,140
and I just said that's enough and we

610
00:26:28,190 --> 00:26:23,580
shut the doors

611
00:26:31,789 --> 00:26:28,200
and I woke up in my bed at home

612
00:26:33,890 --> 00:26:31,799
with trying to digest that kind of

613
00:26:36,110 --> 00:26:33,900

information

614

00:26:38,149 --> 00:26:36,120

and how do you how do you make sense of

615

00:26:40,850 --> 00:26:38,159

that when you've got nobody to talk to

616

00:26:43,310 --> 00:26:40,860

when you've got nowhere to go

617

00:26:46,250 --> 00:26:43,320

from that moment on

618

00:26:48,470 --> 00:26:46,260

I I knew I needed to pay it forward for

619

00:26:49,669 --> 00:26:48,480

my Dr Casher and the support group had

620

00:26:53,090 --> 00:26:49,679

done for me

621

00:26:56,870 --> 00:26:53,100

I just needed to summon the courage

622

00:26:58,490 --> 00:26:56,880

to be able to talk about it

623

00:27:01,430 --> 00:26:58,500

so

624

00:27:04,250 --> 00:27:01,440

years later again I decided to go public

625

00:27:06,529 --> 00:27:04,260

as a psychic medium and that was a huge

626

00:27:08,750 --> 00:27:06,539

Act of Courage when you're surrounded by

627

00:27:10,909 --> 00:27:08,760

people that roll their eyeballs at you

628

00:27:13,610 --> 00:27:10,919

and physically step back when you say

629

00:27:15,350 --> 00:27:13,620

something and I just finally put that

630

00:27:17,630 --> 00:27:15,360

stake in the ground

631

00:27:18,830 --> 00:27:17,640

and I said this is who I am this is why

632

00:27:22,250 --> 00:27:18,840

I'm here

633

00:27:25,130 --> 00:27:22,260

and I went public and all these people

634

00:27:27,110 --> 00:27:25,140

that had made fun of me before said oh

635

00:27:28,669 --> 00:27:27,120

yeah that makes sense to me oh yeah I

636

00:27:31,430 --> 00:27:28,679

can understand that

637

00:27:33,769 --> 00:27:31,440

and it took me claiming it first

638

00:27:36,590 --> 00:27:33,779

before others

639

00:27:37,970 --> 00:27:36,600

could could claim it and understand it

640

00:27:41,330 --> 00:27:37,980

as well

641

00:27:43,370 --> 00:27:41,340

so as a psychic medium I would attend

642

00:27:45,049 --> 00:27:43,380

metaphysical discussion groups there

643

00:27:46,669 --> 00:27:45,059

were several of them in Omaha Nebraska

644

00:27:51,289 --> 00:27:46,679

at the time

645

00:27:53,269 --> 00:27:51,299

and finally I one of the the leaders of

646

00:27:55,490 --> 00:27:53,279

this very small group only about eight

647

00:27:58,850 --> 00:27:55,500

people she said how would you like to

648

00:28:00,710 --> 00:27:58,860

tell your story of your alien contact I

649

00:28:03,769 --> 00:28:00,720

was like oh like I don't know if I can

650

00:28:07,310 --> 00:28:03,779

do this oh and I thought this is my

651
00:28:11,570 --> 00:28:07,320
first step into courage and I did I told

652
00:28:13,789 --> 00:28:11,580
my story everybody was so kind so nice

653
00:28:16,610 --> 00:28:13,799
and so accepting of me

654
00:28:18,649 --> 00:28:16,620
that I started approaching other leaders

655
00:28:22,070 --> 00:28:18,659
of other groups and everybody said yes

656
00:28:24,950 --> 00:28:22,080
yes yes come and tell your story

657
00:28:27,470 --> 00:28:24,960
and I did this with the sole purpose

658
00:28:28,669 --> 00:28:27,480
that I knew every time I told my story I

659
00:28:31,730 --> 00:28:28,679
was healing

660
00:28:33,649 --> 00:28:31,740
a little bit and if I could heal I could

661
00:28:36,350 --> 00:28:33,659
probably help others heal

662
00:28:38,390 --> 00:28:36,360
so I made the announcement at every

663
00:28:39,289 --> 00:28:38,400

group that I wanted to start a support

664

00:28:41,029 --> 00:28:39,299

group

665

00:28:43,010 --> 00:28:41,039

I would leave my phone number and if

666

00:28:45,169 --> 00:28:43,020

you've had experience that you want to

667

00:28:48,230 --> 00:28:45,179

talk about call me

668

00:28:50,149 --> 00:28:48,240

and before you know it I had probably I

669

00:28:52,610 --> 00:28:50,159

don't know four or five people

670

00:28:54,529 --> 00:28:52,620

calling me and I officially started the

671

00:28:56,810 --> 00:28:54,539

support group

672

00:28:58,789 --> 00:28:56,820

and like I said it's grown to about 36

673

00:29:01,190 --> 00:28:58,799

people now not everybody's active not

674

00:29:03,649 --> 00:29:01,200

everybody comes to every meeting

675

00:29:04,970 --> 00:29:03,659

but we've got that many members

676
00:29:07,370 --> 00:29:04,980
and

677
00:29:08,990 --> 00:29:07,380
I thought this is another step into

678
00:29:12,590 --> 00:29:09,000
paying it forward

679
00:29:14,930 --> 00:29:12,600
for gratitude for Dr Casher for Linda

680
00:29:17,570 --> 00:29:14,940
Moulton Howe I spoken to Denise Stoner

681
00:29:20,750 --> 00:29:17,580
Dr David Jacobs I've had the chance the

682
00:29:22,490 --> 00:29:20,760
opportunity to communicate with all of

683
00:29:23,630 --> 00:29:22,500
them with nothing but support and

684
00:29:25,610 --> 00:29:23,640
kindness

685
00:29:28,789 --> 00:29:25,620
so the next step was

686
00:29:31,130 --> 00:29:28,799
I need to write a book and my my

687
00:29:34,130 --> 00:29:31,140
deceased father was actually I could

688
00:29:35,870 --> 00:29:34,140

feel his hands pressing on my back

689

00:29:38,570 --> 00:29:35,880

telling me you've got to write this book

690

00:29:41,029 --> 00:29:38,580

you've got to get your story out there

691

00:29:44,210 --> 00:29:41,039

so I sat down and I couldn't write the

692

00:29:46,730 --> 00:29:44,220

book it just was a jumbled mumbled mess

693

00:29:48,710 --> 00:29:46,740

I couldn't get any stream of

694

00:29:51,049 --> 00:29:48,720

Consciousness going and finally at Donna

695

00:29:53,810 --> 00:29:51,059

me because I was so afraid of judgment

696

00:29:56,510 --> 00:29:53,820

what's my family gonna say what are my

697

00:29:57,889 --> 00:29:56,520

friends gonna say and finally it clicked

698

00:30:00,350 --> 00:29:57,899

in my head

699

00:30:02,690 --> 00:30:00,360

I'm not writing this for my family I'm

700

00:30:05,389 --> 00:30:02,700

not writing this for my friends I'm

701
00:30:08,389 --> 00:30:05,399
writing this book for people who have

702
00:30:09,830 --> 00:30:08,399
had experiences just like mine or not

703
00:30:12,289 --> 00:30:09,840
just like mine

704
00:30:15,950 --> 00:30:12,299
that need somebody to talk to

705
00:30:18,350 --> 00:30:15,960
so I I'll hold up the book publish the

706
00:30:20,930 --> 00:30:18,360
book in 2019

707
00:30:22,730 --> 00:30:20,940
and about two weeks after I published

708
00:30:24,710 --> 00:30:22,740
the book I was contacted by a filmmaker

709
00:30:26,750 --> 00:30:24,720
wanting to make a movie a documentary

710
00:30:29,389 --> 00:30:26,760
about the book

711
00:30:32,570 --> 00:30:29,399
and I thought oh gosh can I do this

712
00:30:33,529 --> 00:30:32,580
that's another scary scary step I

713
00:30:35,750 --> 00:30:33,539

thought if you're going to pay it

714

00:30:37,730 --> 00:30:35,760

forward pay it forward and if you're

715

00:30:42,289 --> 00:30:37,740

going to tell your story tell your story

716

00:30:45,830 --> 00:30:42,299

don't leave anything out as raw as it is

717

00:30:48,350 --> 00:30:45,840

tell it and by I mean when I say raw is

718

00:30:49,850 --> 00:30:48,360

some of the examinations and things that

719

00:30:52,850 --> 00:30:49,860

happen to me

720

00:30:55,370 --> 00:30:52,860

so we went into production for the film

721

00:30:57,950 --> 00:30:55,380

and covid shut us down

722

00:31:01,130 --> 00:30:57,960

and so it was last August that we were

723

00:31:03,830 --> 00:31:01,140

able finally to pick up filming and the

724

00:31:06,110 --> 00:31:03,840

movie premiered in January here in Omaha

725

00:31:09,049 --> 00:31:06,120

Nebraska and we had a showing in January

726

00:31:11,269 --> 00:31:09,059

when in February one in March and I've

727

00:31:13,190 --> 00:31:11,279

talked to the producers and it will be

728

00:31:15,590 --> 00:31:13,200

available online I just don't know

729

00:31:17,450 --> 00:31:15,600

exactly when but so it'll be available

730

00:31:20,330 --> 00:31:17,460

for everybody

731

00:31:23,630 --> 00:31:20,340

so in the meantime while I'm telling my

732

00:31:25,730 --> 00:31:23,640

story and the healing is happening

733

00:31:29,389 --> 00:31:25,740

I got the message

734

00:31:31,370 --> 00:31:29,399

that I have control I always thought I

735

00:31:34,909 --> 00:31:31,380

didn't have control

736

00:31:36,590 --> 00:31:34,919

and so I contacted the grace or the next

737

00:31:38,210 --> 00:31:36,600

time they came to contact me and I said

738

00:31:40,310 --> 00:31:38,220

no we're done

739

00:31:42,830 --> 00:31:40,320

I rescind any contract I've ever had

740

00:31:45,470 --> 00:31:42,840

with you and we're done

741

00:31:47,630 --> 00:31:45,480

and to my knowledge I have not had

742

00:31:49,310 --> 00:31:47,640

contact from them again

743

00:31:52,190 --> 00:31:49,320

however

744

00:31:54,710 --> 00:31:52,200

before I rescinded that contract I had

745

00:31:57,169 --> 00:31:54,720

been contacted by another group and I

746

00:31:59,630 --> 00:31:57,179

call them the technological group

747

00:32:02,690 --> 00:31:59,640

they're taking me on crafts it is not

748

00:32:04,610 --> 00:32:02,700

frightening in the least they come they

749

00:32:07,010 --> 00:32:04,620

take me away and I'm happy because this

750

00:32:09,769 --> 00:32:07,020

one feels like it's for the greater good

751
00:32:11,690 --> 00:32:09,779
the Grays it felt like an assault an

752
00:32:13,549 --> 00:32:11,700
invasion of my body

753
00:32:15,470 --> 00:32:13,559
this other group the technical group

754
00:32:17,570 --> 00:32:15,480
feels like it is and when I say the

755
00:32:21,889 --> 00:32:17,580
greater good I mean that galactically

756
00:32:25,970 --> 00:32:21,899
not just globally or locally

757
00:32:28,630 --> 00:32:25,980
and one very strong memory I have

758
00:32:32,210 --> 00:32:28,640
is being on a craft and this craft was

759
00:32:34,070 --> 00:32:32,220
huge it was massive and there was a

760
00:32:35,990 --> 00:32:34,080
group of

761
00:32:37,970 --> 00:32:36,000
well let's just call them Pilots for

762
00:32:39,950 --> 00:32:37,980
lack of a better word right now uh in

763
00:32:41,990 --> 00:32:39,960

the cockpit in the front and then there

764

00:32:44,149 --> 00:32:42,000

was tiered seating behind and I was in

765

00:32:45,950 --> 00:32:44,159

one of the last rows there was a

766

00:32:47,090 --> 00:32:45,960

conference table and some chairs and I

767

00:32:50,930 --> 00:32:47,100

was sitting there

768

00:32:52,789 --> 00:32:50,940

and a teacher who is extraterrestrial

769

00:32:54,710 --> 00:32:52,799

said okay come on Christy come over here

770

00:32:59,149 --> 00:32:54,720

and there was he was pointing to a big

771

00:33:01,610 --> 00:32:59,159

Bank of computers on a wall and I call

772

00:33:02,810 --> 00:33:01,620

myself being a petulant child at that

773

00:33:04,909 --> 00:33:02,820

point because it's like I hate

774

00:33:07,789 --> 00:33:04,919

technology I don't want to do

775

00:33:10,730 --> 00:33:07,799

programming I don't want to do this

776

00:33:14,690 --> 00:33:10,740

and he's like get over here right now

777

00:33:17,450 --> 00:33:14,700

and it's like okay and I walked over and

778

00:33:19,130 --> 00:33:17,460

something clicked inside of me and I

779

00:33:21,649 --> 00:33:19,140

started pushing buttons and turning

780

00:33:23,690 --> 00:33:21,659

knobs and programming and even I was

781

00:33:26,630 --> 00:33:23,700

surprised how do I know how to do this

782

00:33:29,750 --> 00:33:26,640

and it was second nature to me

783

00:33:31,730 --> 00:33:29,760

and it was just the craziest thing ever

784

00:33:33,889 --> 00:33:31,740

and then my teacher walked me to another

785

00:33:35,810 --> 00:33:33,899

wall and was showing me holographic

786

00:33:39,169 --> 00:33:35,820

images

787

00:33:40,789 --> 00:33:39,179

and the one big image that I remember

788

00:33:42,529 --> 00:33:40,799

was a huge fire

789

00:33:44,630 --> 00:33:42,539

and there were people running and

790

00:33:46,549 --> 00:33:44,640

screaming and crying and he said these

791

00:33:49,370 --> 00:33:46,559

are the people You're Gonna Save

792

00:33:50,690 --> 00:33:49,380

and I said well what about my family and

793

00:33:52,370 --> 00:33:50,700

he said no

794

00:33:54,110 --> 00:33:52,380

someone else will take care of them

795

00:33:56,330 --> 00:33:54,120

these are your people

796

00:33:57,649 --> 00:33:56,340

and I've never been in a fire I don't

797

00:33:59,810 --> 00:33:57,659

know how to save people I don't know

798

00:34:01,190 --> 00:33:59,820

what you're talking about and he said

799

00:34:02,450 --> 00:34:01,200

you'll know what to do and the time is

800

00:34:05,450 --> 00:34:02,460

right

801
00:34:08,570 --> 00:34:05,460
and basically left it at that

802
00:34:10,070 --> 00:34:08,580
and woke up in my bed and I will tell

803
00:34:11,869 --> 00:34:10,080
you sometimes I would wake up with my

804
00:34:14,690 --> 00:34:11,879
head at the foot of the bed there would

805
00:34:17,629 --> 00:34:14,700
be pools of Blood On My Pillow there

806
00:34:19,369 --> 00:34:17,639
would be just you know in pajamas out of

807
00:34:21,530 --> 00:34:19,379
pajamas

808
00:34:23,869 --> 00:34:21,540
it was just the weirdest thing in

809
00:34:26,329 --> 00:34:23,879
knowing something had happened but had

810
00:34:28,490 --> 00:34:26,339
to wait for the download to make it real

811
00:34:33,230 --> 00:34:28,500
other than the night I met my daughter

812
00:34:35,690 --> 00:34:33,240
and the afternoon when they popped in

813
00:34:37,970 --> 00:34:35,700

I popped into my bedroom

814

00:34:41,589 --> 00:34:37,980

well this technical group this gets

815

00:34:46,609 --> 00:34:41,599

crazier and crazier I have to say

816

00:34:51,889 --> 00:34:49,730

the one very strong memory I have is

817

00:34:53,950 --> 00:34:51,899

being in a craft about the size of what

818

00:34:57,290 --> 00:34:53,960

I call a Volkswagen Beetle Beetle Bug

819

00:34:59,210 --> 00:34:57,300

back then and learning how to take off

820

00:35:01,190 --> 00:34:59,220

and it was like this grassy knoll but

821

00:35:03,829 --> 00:35:01,200

you could see a little bit of A Worn

822

00:35:06,470 --> 00:35:03,839

Path it certainly was not a Runway

823

00:35:08,930 --> 00:35:06,480

kind of A Worn Path on this this grassy

824

00:35:12,050 --> 00:35:08,940

path and I had a teacher next to me

825

00:35:15,230 --> 00:35:12,060

teaching me how to take off

826

00:35:18,589 --> 00:35:15,240

and there was no ignition there's no key

827

00:35:21,650 --> 00:35:18,599

U-turn it was a connection with my mind

828

00:35:23,990 --> 00:35:21,660

and the craft that's what made it take

829

00:35:26,569 --> 00:35:24,000

off and I remember just using my mind

830

00:35:28,370 --> 00:35:26,579

and almost my body you know when you're

831

00:35:29,810 --> 00:35:28,380

the passenger in a car and you see a

832

00:35:32,030 --> 00:35:29,820

stop sign and you wonder whether the

833

00:35:33,589 --> 00:35:32,040

driver sees it or not so you're putting

834

00:35:36,109 --> 00:35:33,599

your foot through the floorboard you

835

00:35:37,970 --> 00:35:36,119

know empathically trying to to stop the

836

00:35:39,710 --> 00:35:37,980

vehicle that's what I was trying to do

837

00:35:41,930 --> 00:35:39,720

and I was learning how to fly this craft

838

00:35:44,349 --> 00:35:41,940

is empathically trying to lift it

839

00:35:48,470 --> 00:35:44,359

knowing I had to have a a connection

840

00:35:50,450 --> 00:35:48,480

with my mind well eventually I did learn

841

00:35:54,589 --> 00:35:50,460

how to fly the craft

842

00:35:56,870 --> 00:35:54,599

and we started just on Flatlands just me

843

00:35:59,210 --> 00:35:56,880

learning how to take off Landing was a

844

00:36:01,790 --> 00:35:59,220

piece of cake evidently taking off was

845

00:36:04,490 --> 00:36:01,800

the hard part then we moved it to

846

00:36:06,890 --> 00:36:04,500

mountains hills and mountains and

847

00:36:09,589 --> 00:36:06,900

learning how to maneuver in between them

848

00:36:12,650 --> 00:36:09,599

in the last memory I have of being

849

00:36:15,589 --> 00:36:12,660

taught is New York City

850

00:36:18,050 --> 00:36:15,599

and I in my business career at one point

851

00:36:20,210 --> 00:36:18,060

I was a clothing buyer and I spent

852

00:36:21,470 --> 00:36:20,220

almost one week a month in New York so I

853

00:36:24,349 --> 00:36:21,480

was very very familiar with the

854

00:36:26,329 --> 00:36:24,359

cityscape and I remember taking this

855

00:36:28,730 --> 00:36:26,339

craft and going through all the

856

00:36:31,190 --> 00:36:28,740

buildings that you see in New York and

857

00:36:33,829 --> 00:36:31,200

wondering not only that how could I do

858

00:36:36,349 --> 00:36:33,839

this but how did I get from Omaha to New

859

00:36:38,030 --> 00:36:36,359

York in the matter of just a few seconds

860

00:36:40,609 --> 00:36:38,040

it was crazy

861

00:36:41,630 --> 00:36:40,619

but to kind of validate that I was

862

00:36:43,730 --> 00:36:41,640

speaking

863

00:36:45,710 --> 00:36:43,740

at an event

864

00:36:48,349 --> 00:36:45,720

uh just gosh it's been a couple of years

865

00:36:52,010 --> 00:36:48,359

ago now and I had a lady stop me after

866

00:36:53,690 --> 00:36:52,020

this UFO event and she goes you were in

867

00:36:55,370 --> 00:36:53,700

my house last night and I was like what

868

00:36:58,730 --> 00:36:55,380

are you talking about

869

00:37:00,950 --> 00:36:58,740

she said I saw a light in my backyard

870

00:37:04,010 --> 00:37:00,960

and I went out and there was a craft in

871

00:37:07,670 --> 00:37:04,020

the backyard and you were driving it and

872

00:37:11,030 --> 00:37:07,680

I was like no you have got to be kidding

873

00:37:13,609 --> 00:37:11,040

me well months later someone stops me on

874

00:37:14,690 --> 00:37:13,619

the street and says you were at my house

875

00:37:17,270 --> 00:37:14,700

last night

876

00:37:19,609 --> 00:37:17,280

there was a light in my backyard

877

00:37:22,130 --> 00:37:19,619

I went out and there was a craft and I

878

00:37:23,870 --> 00:37:22,140

recognized your face you were flying

879

00:37:26,569 --> 00:37:23,880

that craft

880

00:37:27,530 --> 00:37:26,579

I'm back to you how do I make sense of

881

00:37:29,690 --> 00:37:27,540

this

882

00:37:31,970 --> 00:37:29,700

but I've had several

883

00:37:33,829 --> 00:37:31,980

memories these are no longer downloads

884

00:37:37,430 --> 00:37:33,839

these are no memories

885

00:37:39,589 --> 00:37:37,440

and of me flying crafts it's like I've

886

00:37:41,210 --> 00:37:39,599

got a team with me and we were we're

887

00:37:43,130 --> 00:37:41,220

flying crafts

888

00:37:47,030 --> 00:37:43,140

all over the place

889

00:37:48,829 --> 00:37:47,040

trying to help other planets in distress

890

00:37:50,810 --> 00:37:48,839

and so that's why I say this feels like

891

00:37:52,250 --> 00:37:50,820

it is for the greater good

892

00:37:55,790 --> 00:37:52,260

because

893

00:37:57,230 --> 00:37:55,800

it's we're helping other life forms on

894

00:37:58,730 --> 00:37:57,240

other planets

895

00:38:01,010 --> 00:37:58,740

and so it feels like it's for the

896

00:38:03,530 --> 00:38:01,020

greater good on that level

897

00:38:06,470 --> 00:38:03,540

the greater good

898

00:38:08,510 --> 00:38:06,480

globally is that more and more people

899

00:38:09,770 --> 00:38:08,520

are starting to remember

900

00:38:11,810 --> 00:38:09,780

more and more people are having

901
00:38:14,210 --> 00:38:11,820
experiences

902
00:38:16,670 --> 00:38:14,220
and now they've got a place to go to

903
00:38:19,310 --> 00:38:16,680
they've got somebody to talk to

904
00:38:23,089 --> 00:38:19,320
about it and

905
00:38:25,010 --> 00:38:23,099
that's why I'm here that's one of the

906
00:38:25,970 --> 00:38:25,020
reasons I'm here on this planet I always

907
00:38:29,390 --> 00:38:25,980
say is

908
00:38:30,349 --> 00:38:29,400
to the subtext of everything I do is

909
00:38:33,890 --> 00:38:30,359
courage

910
00:38:36,349 --> 00:38:33,900
forward

911
00:38:39,349 --> 00:38:36,359
with my experiences and extraterrestrial

912
00:38:41,270 --> 00:38:39,359
and learning how to fly crafts

913
00:38:43,250 --> 00:38:41,280

I tell people you can have the courage

914

00:38:45,050 --> 00:38:43,260

to be yourself

915

00:38:47,810 --> 00:38:45,060

whether you've had experiences or not

916

00:38:49,310 --> 00:38:47,820

just be you because there's nothing more

917

00:38:52,130 --> 00:38:49,320

freeing

918

00:38:56,630 --> 00:38:52,140

than being able to tell people who you

919

00:39:03,290 --> 00:38:58,670

so now we go to

920

00:39:05,810 --> 00:39:03,300

the next evolution in this story

921

00:39:08,510 --> 00:39:05,820

I was going to teach an automatic

922

00:39:10,970 --> 00:39:08,520

writing class online

923

00:39:13,490 --> 00:39:10,980

and so I was practicing to make sure

924

00:39:15,710 --> 00:39:13,500

that I could teach this properly

925

00:39:17,569 --> 00:39:15,720

and I put pen to paper and my hand

926

00:39:21,109 --> 00:39:17,579

started writing and it said allow me to

927

00:39:23,150 --> 00:39:21,119

introduce myself I am at ramadir

928

00:39:24,829 --> 00:39:23,160

I said are you a spirit guide of mine he

929

00:39:28,430 --> 00:39:24,839

goes no I'm a spirit God of your planet

930

00:39:30,650 --> 00:39:28,440

and we're going to write a book together

931

00:39:33,890 --> 00:39:30,660

like oh yeah yeah yeah

932

00:39:37,310 --> 00:39:33,900

it just gets more and more out there all

933

00:39:39,650 --> 00:39:37,320

the time so I committed to writing a

934

00:39:41,870 --> 00:39:39,660

book with ramadir

935

00:39:44,030 --> 00:39:41,880

and that is the one that was just

936

00:39:47,630 --> 00:39:44,040

published last month

937

00:39:49,609 --> 00:39:47,640

actually and as I'm writing this book

938

00:39:52,130 --> 00:39:49,619

and it's a collective Hope For Humanity

939

00:39:53,930 --> 00:39:52,140

is the tagline on it I was to ask

940

00:39:55,430 --> 00:39:53,940

ramadir questions he is an

941

00:39:58,609 --> 00:39:55,440

extraterrestrial

942

00:40:01,250 --> 00:39:58,619

and he would take very esoteric things

943

00:40:03,710 --> 00:40:01,260

and bring it down into a language the

944

00:40:05,990 --> 00:40:03,720

modern human can understand

945

00:40:07,730 --> 00:40:06,000

so as I'm writing this book all of a

946

00:40:10,130 --> 00:40:07,740

sudden again something clicked and I

947

00:40:12,490 --> 00:40:10,140

went oh my gosh ramadu you're the

948

00:40:14,990 --> 00:40:12,500

teacher aren't you on that craft

949

00:40:18,230 --> 00:40:15,000

teaching me programming showing me

950

00:40:20,329 --> 00:40:18,240

holographic images and he's like finally

951
00:40:23,089 --> 00:40:20,339
you figured it out

952
00:40:25,130 --> 00:40:23,099
so ramadir I didn't he was just my

953
00:40:28,430 --> 00:40:25,140
teacher on that craft he now has a name

954
00:40:29,750 --> 00:40:28,440
we have a relationship and we've written

955
00:40:33,470 --> 00:40:29,760
a book together

956
00:40:35,750 --> 00:40:33,480
and it's it's very exciting and talking

957
00:40:38,690 --> 00:40:35,760
about we have the crazy world that we

958
00:40:44,210 --> 00:40:41,450
simple things that people can do

959
00:40:46,250 --> 00:40:44,220
and to make their lives better to make

960
00:40:48,230 --> 00:40:46,260
the world a better place to raise the

961
00:40:51,589 --> 00:40:48,240
vibration of the planet

962
00:40:54,589 --> 00:40:51,599
so we can not only survive but we can

963
00:40:56,630 --> 00:40:54,599

Thrive as a planet as a people

964

00:40:59,390 --> 00:40:56,640

that's pretty powerful it's very

965

00:41:01,130 --> 00:40:59,400

exciting so like I said to my knowledge

966

00:41:03,109 --> 00:41:01,140

I've not had contact

967

00:41:05,089 --> 00:41:03,119

with the Grays anymore

968

00:41:07,550 --> 00:41:05,099

because I did rescind that contract I

969

00:41:09,109 --> 00:41:07,560

want no more exams no more Invasion

970

00:41:10,790 --> 00:41:09,119

invasive

971

00:41:12,890 --> 00:41:10,800

things

972

00:41:16,010 --> 00:41:12,900

um but I certainly am more than willing

973

00:41:22,849 --> 00:41:19,849

be a first responder of sorts I guess to

974

00:41:26,510 --> 00:41:22,859

help other planets and to to share

975

00:41:28,790 --> 00:41:26,520

messages from this Collective that

976

00:41:32,390 --> 00:41:28,800

ramadir is the voice of

977

00:41:35,329 --> 00:41:32,400

and and share information to help people

978

00:41:37,310 --> 00:41:35,339

thrive and to help

979

00:41:39,470 --> 00:41:37,320

help them be courageous in their own

980

00:41:42,950 --> 00:41:39,480

lives here on this planet

981

00:41:45,650 --> 00:41:42,960

and that's that's where we're at today

982

00:41:48,109 --> 00:41:45,660

well Chris thank you for that no that's

983

00:41:49,670 --> 00:41:48,119

that's great I mean you know I I want to

984

00:41:51,710 --> 00:41:49,680

actually just let people tell their

985

00:41:53,870 --> 00:41:51,720

story without them just having

986

00:41:55,490 --> 00:41:53,880

interruptions and getting confused

987

00:41:58,670 --> 00:41:55,500

actually what I wanted to say something

988

00:42:01,250 --> 00:41:58,680

real quick before before we began here

989

00:42:04,490 --> 00:42:01,260

in a little bit we will take questions

990

00:42:06,650 --> 00:42:04,500

um and uh so you can either submit it or

991

00:42:09,410 --> 00:42:06,660

actually talk to Christy directly over

992

00:42:11,990 --> 00:42:09,420

telegram because there's the telegrot um

993

00:42:14,390 --> 00:42:12,000

UFO Hub telegram voice chat going on

994

00:42:17,270 --> 00:42:14,400

right now simply join the group raise

995

00:42:19,609 --> 00:42:17,280

your hand and when the time comes I'll

996

00:42:21,770 --> 00:42:19,619

bring you through otherwise in the chat

997

00:42:24,109 --> 00:42:21,780

you can submit the question by simply

998

00:42:26,390 --> 00:42:24,119

having three asterix's and then ask your

999

00:42:29,329 --> 00:42:26,400

questions so I know it's meant for me to

1000

00:42:31,670 --> 00:42:29,339

read it out aloud to to Christy so

1001
00:42:33,650 --> 00:42:31,680
Chrissy while you were talking I have uh

1002
00:42:35,569 --> 00:42:33,660
just um I guess an overarching question

1003
00:42:37,849 --> 00:42:35,579
and then I'm pretty sure we can then go

1004
00:42:40,250 --> 00:42:37,859
into uh the audiences so whatever

1005
00:42:42,290 --> 00:42:40,260
questions they might have but generally

1006
00:42:44,390 --> 00:42:42,300
with the grace and of course then with

1007
00:42:46,750 --> 00:42:44,400
the second group what was the whole

1008
00:42:50,450 --> 00:42:46,760
point then from your perspective about

1009
00:42:53,150 --> 00:42:50,460
having this hybrid group of people being

1010
00:42:56,329 --> 00:42:53,160
created and then of course

1011
00:42:58,190 --> 00:42:56,339
when you say regarding a second group to

1012
00:43:00,109 --> 00:42:58,200
kind of be the this help or whatever

1013
00:43:02,750 --> 00:43:00,119

this kind of um

1014

00:43:04,510 --> 00:43:02,760

um what did you say again like Aid or

1015

00:43:10,010 --> 00:43:04,520

First Responders

1016

00:43:11,750 --> 00:43:10,020

specifically if you if if they give you

1017

00:43:13,430 --> 00:43:11,760

an information regarding that so anyway

1018

00:43:15,470 --> 00:43:13,440

that's my question and then after you

1019

00:43:18,290 --> 00:43:15,480

answer we'll we'll go into the Q a for

1020

00:43:21,530 --> 00:43:18,300

uh from the audience

1021

00:43:23,930 --> 00:43:21,540

as far as why the hybrids that took me a

1022

00:43:26,630 --> 00:43:23,940

long time to get that information and

1023

00:43:27,710 --> 00:43:26,640

what they're doing is creating a new

1024

00:43:30,470 --> 00:43:27,720

race

1025

00:43:32,630 --> 00:43:30,480

to seed another planet and some of the

1026

00:43:35,990 --> 00:43:32,640

hybrids are actually living among us

1027

00:43:38,630 --> 00:43:36,000

right now on planet Earth to learn

1028

00:43:41,569 --> 00:43:38,640

so they can go back and teach

1029

00:43:43,490 --> 00:43:41,579

um when they're ready to um seed this

1030

00:43:46,069 --> 00:43:43,500

other planet and it will be an

1031

00:43:48,470 --> 00:43:46,079

Earth-like planet that as far as the

1032

00:43:50,329 --> 00:43:48,480

First Responders go it's planets that

1033

00:43:53,870 --> 00:43:50,339

are in crisis right now and I travel

1034

00:43:57,349 --> 00:43:53,880

with this team of people and my specific

1035

00:44:00,890 --> 00:43:57,359

job is underwater life so what we do is

1036

00:44:03,589 --> 00:44:00,900

we either evacuate a planet so it can be

1037

00:44:06,230 --> 00:44:03,599

destroyed or we help heal it

1038

00:44:08,750 --> 00:44:06,240

and with this other the group one might

1039

00:44:12,349 --> 00:44:08,760

be in charge of like plant life

1040

00:44:13,010 --> 00:44:12,359

um another in animal life another one

1041

00:44:16,490 --> 00:44:13,020

um

1042

00:44:18,650 --> 00:44:16,500

gosh with whatever life form is on that

1043

00:44:21,770 --> 00:44:18,660

planet specifically I'm with underwater

1044

00:44:24,050 --> 00:44:21,780

life and that is either to to rescue

1045

00:44:26,510 --> 00:44:24,060

save or evacuate

1046

00:44:29,630 --> 00:44:26,520

depending on the status the state of the

1047

00:44:31,970 --> 00:44:29,640

the health of that particular planet

1048

00:44:33,530 --> 00:44:31,980

does that answer that question it does

1049

00:44:36,050 --> 00:44:33,540

all right thank you for that

1050

00:44:38,450 --> 00:44:36,060

all right um let's let's go back to the

1051
00:44:41,690 --> 00:44:38,460
top and uh first question is from labels

1052
00:44:43,910 --> 00:44:41,700
uh 369

1053
00:44:46,010 --> 00:44:43,920
um asking how do you look how do you

1054
00:44:48,589 --> 00:44:46,020
look so young you kind of gave away your

1055
00:44:52,910 --> 00:44:48,599
age is that in connection with the with

1056
00:44:57,829 --> 00:44:55,609
I am 67 years old

1057
00:45:01,190 --> 00:44:57,839
right now and so I thank you for the

1058
00:45:04,430 --> 00:45:01,200
compliment and basically I just it's

1059
00:45:06,410 --> 00:45:04,440
genetics and I take care of myself

1060
00:45:09,170 --> 00:45:06,420
I think that's probably the best answer

1061
00:45:10,849 --> 00:45:09,180
I to my knowledge it is not it doesn't

1062
00:45:13,910 --> 00:45:10,859
have anything to do with my

1063
00:45:15,770 --> 00:45:13,920

extraterrestrial contact it could I just

1064

00:45:17,809 --> 00:45:15,780

I don't know that for sure but you're

1065

00:45:19,849 --> 00:45:17,819

very sweet thank you

1066

00:45:21,410 --> 00:45:19,859

great thank you

1067

00:45:22,790 --> 00:45:21,420

um forgive me I'm just going through the

1068

00:45:26,089 --> 00:45:22,800

questions

1069

00:45:28,430 --> 00:45:26,099

here and want to make sure that

1070

00:45:30,470 --> 00:45:28,440

that I read up the right ones okay from

1071

00:45:33,470 --> 00:45:30,480

uh roll the dice

1072

00:45:35,390 --> 00:45:33,480

all the losing dice is asking do the

1073

00:45:42,170 --> 00:45:35,400

hybrids look like us or are they

1074

00:45:45,530 --> 00:45:44,329

the hybridization they look more and

1075

00:45:48,410 --> 00:45:45,540

more human

1076

00:45:50,750 --> 00:45:48,420

but sometimes there's little giveaways

1077

00:45:53,569 --> 00:45:50,760

and especially with the Pleiadians

1078

00:45:55,550 --> 00:45:53,579

that's probably the most common

1079

00:45:57,950 --> 00:45:55,560

um group that you'll find here on planet

1080

00:46:00,589 --> 00:45:57,960

Earth typically they're very tall very

1081

00:46:01,910 --> 00:46:00,599

Nordic looking and they will just have a

1082

00:46:03,470 --> 00:46:01,920

look about them

1083

00:46:06,290 --> 00:46:03,480

that they'll they'll kind of look around

1084

00:46:07,910 --> 00:46:06,300

a room before they enter and that's

1085

00:46:09,950 --> 00:46:07,920

usually a giveaway there are certain

1086

00:46:12,530 --> 00:46:09,960

things there are also the health

1087

00:46:15,290 --> 00:46:12,540

anomalies that I mentioned earlier that

1088

00:46:17,390 --> 00:46:15,300

are kind of a giveaway too and there are

1089

00:46:19,250 --> 00:46:17,400

star seeds which are a baby a little bit

1090

00:46:21,410 --> 00:46:19,260

different than a hybrid

1091

00:46:23,930 --> 00:46:21,420

and more and more of them are Awakening

1092

00:46:27,170 --> 00:46:23,940

too to help raise the vibration of the

1093

00:46:29,930 --> 00:46:27,180

planet and so some can be hybrids

1094

00:46:32,270 --> 00:46:29,940

um there's starseeds in a human body if

1095

00:46:34,309 --> 00:46:32,280

that makes any sense at all but they've

1096

00:46:36,589 --> 00:46:34,319

gotten so good at the hybridization like

1097

00:46:38,990 --> 00:46:36,599

my little daughter she looked very human

1098

00:46:42,530 --> 00:46:39,000

she could have fit in to Human Society

1099

00:46:44,390 --> 00:46:42,540

easily she did have great big eyes I

1100

00:46:46,970 --> 00:46:44,400

have big eyes hers would have been dark

1101

00:46:49,510 --> 00:46:46,980

or mine are blue but she would have fit

1102

00:46:53,089 --> 00:46:49,520

in beautifully and it's just them

1103

00:46:56,569 --> 00:46:53,099

throughout I won't even say decades eons

1104

00:46:58,730 --> 00:46:56,579

trying to master

1105

00:47:01,190 --> 00:46:58,740

the hybridization

1106

00:47:03,650 --> 00:47:01,200

of the genes so yes some of them can

1107

00:47:06,770 --> 00:47:03,660

kind of stand out and some will fit in

1108

00:47:08,210 --> 00:47:06,780

you'll never know that they're they're a

1109

00:47:09,650 --> 00:47:08,220

hybrid they could be sitting right next

1110

00:47:11,990 --> 00:47:09,660

to you

1111

00:47:14,390 --> 00:47:12,000

good question Christy I want to sneak in

1112

00:47:16,069 --> 00:47:14,400

a question of my own real quick so you

1113

00:47:17,690 --> 00:47:16,079

mentioned something earlier about that

1114

00:47:19,910 --> 00:47:17,700

initially they were called abductions

1115

00:47:22,370 --> 00:47:19,920

and now people call them experiences or

1116

00:47:24,349 --> 00:47:22,380

contactees if I'm not trying to put

1117

00:47:26,270 --> 00:47:24,359

words in your mouth but from my

1118

00:47:28,790 --> 00:47:26,280

experience in having you know talked to

1119

00:47:31,069 --> 00:47:28,800

many other people basically

1120

00:47:32,990 --> 00:47:31,079

and initially they always felt like it

1121

00:47:34,790 --> 00:47:33,000

was an abduction it was fearful But as

1122

00:47:36,890 --> 00:47:34,800

time went on they gained a greater

1123

00:47:38,870 --> 00:47:36,900

understanding to where then they changed

1124

00:47:41,089 --> 00:47:38,880

the definition themselves that said well

1125

00:47:43,550 --> 00:47:41,099

I'm more of a contact T than than this

1126
00:47:44,990 --> 00:47:43,560
victim that they saw themselves prior uh

1127
00:47:47,210 --> 00:47:45,000
can you please speak a little bit to

1128
00:47:48,950 --> 00:47:47,220
your uh situation I know you mentioned a

1129
00:47:50,690 --> 00:47:48,960
little bit about the contract you know

1130
00:47:53,510 --> 00:47:50,700
but can you expound a little bit more on

1131
00:47:56,450 --> 00:47:53,520
that did you gain a better understanding

1132
00:47:58,849 --> 00:47:56,460
of what was going on with you sure and

1133
00:48:00,950 --> 00:47:58,859
to be really technical someone who is

1134
00:48:03,349 --> 00:48:00,960
abducted is taken from one place to

1135
00:48:06,550 --> 00:48:03,359
another place against their will

1136
00:48:09,050 --> 00:48:06,560
so when people who had been contacted

1137
00:48:12,230 --> 00:48:09,060
realized that there were Soul contracts

1138
00:48:14,630 --> 00:48:12,240

in here that maybe not on a conscious

1139

00:48:17,630 --> 00:48:14,640

level but on a soul level they knew that

1140

00:48:20,210 --> 00:48:17,640

they had an agreement with the Grays the

1141

00:48:21,349 --> 00:48:20,220

other alien groups it truly was not an

1142

00:48:23,930 --> 00:48:21,359

abduction

1143

00:48:27,770 --> 00:48:23,940

and so that's when it changed to a

1144

00:48:30,410 --> 00:48:27,780

contact D or experiencer it's a gentle

1145

00:48:31,970 --> 00:48:30,420

way more Gentle Way of wording it but it

1146

00:48:34,250 --> 00:48:31,980

started out the change started just

1147

00:48:36,410 --> 00:48:34,260

because out of technicality when we

1148

00:48:37,849 --> 00:48:36,420

realized these were sole agreements that

1149

00:48:39,609 --> 00:48:37,859

we actually made and we were not being

1150

00:48:43,010 --> 00:48:39,619

taken against our will even though

1151

00:48:44,809 --> 00:48:43,020

consciously it felt like it

1152

00:48:46,849 --> 00:48:44,819

right because there's still that human

1153

00:48:49,010 --> 00:48:46,859

factor where you know there's fear going

1154

00:48:50,809 --> 00:48:49,020

on like you said anybody in the middle

1155

00:48:52,730 --> 00:48:50,819

of the night showing up alien or not

1156

00:48:56,690 --> 00:48:52,740

like what in the world is happening

1157

00:48:58,609 --> 00:48:56,700

it's terrifying right well so uh Christy

1158

00:48:59,510 --> 00:48:58,619

what I wanted to just basically then ask

1159

00:49:00,230 --> 00:48:59,520

you

1160

00:49:02,150 --> 00:49:00,240

um

1161

00:49:04,130 --> 00:49:02,160

is there anything like in conclusion

1162

00:49:05,329 --> 00:49:04,140

that you would like to uh finish off and

1163

00:49:07,370 --> 00:49:05,339

it's kind of like the overarching

1164

00:49:09,890 --> 00:49:07,380

message for everybody

1165

00:49:11,569 --> 00:49:09,900

I think it's you know we talk about full

1166

00:49:14,390 --> 00:49:11,579

disclosure and I actually think it's

1167

00:49:17,390 --> 00:49:14,400

going to be soft disclosure I was at

1168

00:49:19,430 --> 00:49:17,400

someone's house doing a psychic party a

1169

00:49:22,609 --> 00:49:19,440

few years ago and they were all about 80

1170

00:49:24,230 --> 00:49:22,619

year old women and someone said I heard

1171

00:49:27,829 --> 00:49:24,240

you just published a book and I was like

1172

00:49:30,470 --> 00:49:27,839

oh no I have to talk about this and I

1173

00:49:32,150 --> 00:49:30,480

said yes again a step of courage and I

1174

00:49:34,849 --> 00:49:32,160

talked about my we are not alone book

1175

00:49:39,050 --> 00:49:34,859

and this 80 year old woman said well you

1176

00:49:41,990 --> 00:49:39,060

know on the farm I saw a UFO too the

1177

00:49:44,809 --> 00:49:42,000

next lady really me too out of this

1178

00:49:47,630 --> 00:49:44,819

entire group every one of these 80 year

1179

00:49:49,849 --> 00:49:47,640

old women had seen a UFO and had never

1180

00:49:50,930 --> 00:49:49,859

talked about it to anybody let alone

1181

00:49:52,970 --> 00:49:50,940

each other

1182

00:49:55,550 --> 00:49:52,980

and I think if we've got the courage to

1183

00:49:58,609 --> 00:49:55,560

talk about just whether you had an

1184

00:50:00,170 --> 00:49:58,619

experience or not to say Do you believe

1185

00:50:02,089 --> 00:50:00,180

in them do you have you had an

1186

00:50:05,210 --> 00:50:02,099

experience tell me about it

1187

00:50:08,329 --> 00:50:05,220

and just making this normal mainstream

1188

00:50:09,890 --> 00:50:08,339

conversation rather than the woo-woo

1189

00:50:12,890 --> 00:50:09,900

talk

1190

00:50:16,069 --> 00:50:12,900

I think that's huge in our society it's

1191

00:50:17,329 --> 00:50:16,079

like let's mainstream this right well um

1192

00:50:20,150 --> 00:50:17,339

Christina that's a really good question

1193

00:50:21,530 --> 00:50:20,160

from we're all the losing dice uh that I

1194

00:50:22,370 --> 00:50:21,540

wanted to ask real quick I'm sorry I

1195

00:50:24,950 --> 00:50:22,380

know

1196

00:50:27,470 --> 00:50:24,960

um I kind of completed the Q a there but

1197

00:50:29,329 --> 00:50:27,480

uh he asked a real good questions asks

1198

00:50:34,910 --> 00:50:29,339

does it feel like you enter a different

1199

00:50:40,670 --> 00:50:37,970

hmm that is a good question I would say

1200

00:50:42,829 --> 00:50:40,680

yes and no both I mean I was completely

1201
00:50:43,990 --> 00:50:42,839
aware that I was still me I was still

1202
00:50:46,550 --> 00:50:44,000
Christy

1203
00:50:48,770 --> 00:50:46,560
but there was a piece of me like I said

1204
00:50:50,690 --> 00:50:48,780
once I got on a craft I wasn't afraid I

1205
00:50:53,150 --> 00:50:50,700
knew I was part of this

1206
00:50:55,370 --> 00:50:53,160
and I just had to do what needed to be

1207
00:50:58,370 --> 00:50:55,380
done and I remember one time even

1208
00:50:59,930 --> 00:50:58,380
recognizing a face on the craft and I

1209
00:51:01,970 --> 00:50:59,940
ran into this gentleman on the street

1210
00:51:03,470 --> 00:51:01,980
and started asking him very bizarre

1211
00:51:04,970 --> 00:51:03,480
questions and he knew exactly what I was

1212
00:51:06,470 --> 00:51:04,980
talking about he was oh yeah I've had

1213
00:51:10,190 --> 00:51:06,480

contact for years

1214

00:51:13,609 --> 00:51:10,200

and so

1215

00:51:15,770 --> 00:51:13,619

I so yeah it's very human and yet it's

1216

00:51:17,650 --> 00:51:15,780

very it's kind of surreal too it's a

1217

00:51:20,030 --> 00:51:17,660

little bit of both

1218

00:51:22,370 --> 00:51:20,040

okay thank you for that

1219

00:51:24,950 --> 00:51:22,380

well uh Chrissy thank you very much for

1220

00:51:27,470 --> 00:51:24,960

your time I really appreciate it and um

1221

00:51:30,290 --> 00:51:27,480

just for everyone it's can I add one

1222

00:51:32,510 --> 00:51:30,300

more thing yeah sure okay sorry I wanted

1223

00:51:34,730 --> 00:51:32,520

to to add this so many people you know

1224

00:51:36,589 --> 00:51:34,740

we're programmed to think in fear and

1225

00:51:39,109 --> 00:51:36,599

live our lives in fear and so people are

1226
00:51:40,790 --> 00:51:39,119
just deathly afraid of an alien invasion

1227
00:51:43,130 --> 00:51:40,800
that they're going to come and kill us

1228
00:51:45,530 --> 00:51:43,140
all believe me if they wanted us dead

1229
00:51:47,510 --> 00:51:45,540
we'd be dead they've got that kind of

1230
00:51:50,150 --> 00:51:47,520
power that kind of strength they are

1231
00:51:52,250 --> 00:51:50,160
here to save us from ourselves

1232
00:51:54,349 --> 00:51:52,260
to help us raise the vibration of the

1233
00:51:56,390 --> 00:51:54,359
planet and save ourselves so when this

1234
00:51:59,450 --> 00:51:56,400
becomes mainstream mainstream

1235
00:52:01,670 --> 00:51:59,460
conversation I'm just my hope is that

1236
00:52:04,430 --> 00:52:01,680
people will talk about the possibility

1237
00:52:05,990 --> 00:52:04,440
of getting to know them

1238
00:52:08,990 --> 00:52:06,000

um as something that's non-threatening

1239

00:52:10,730 --> 00:52:09,000

instead of oh it's an invasion you know

1240

00:52:13,970 --> 00:52:10,740

we live in a country

1241

00:52:15,710 --> 00:52:13,980

where people have guns and you know we

1242

00:52:17,990 --> 00:52:15,720

shoot each other over the color of our

1243

00:52:20,390 --> 00:52:18,000

skin we shoot each other over different

1244

00:52:22,430 --> 00:52:20,400

religions you know we have an alien come

1245

00:52:24,230 --> 00:52:22,440

and visit there's no telling what's

1246

00:52:26,210 --> 00:52:24,240

going to happen and I'm telling you

1247

00:52:28,370 --> 00:52:26,220

right now that they're saving us from

1248

00:52:30,589 --> 00:52:28,380

ourselves and there's no reason to be

1249

00:52:32,470 --> 00:52:30,599

afraid there really isn't so when you

1250

00:52:35,390 --> 00:52:32,480

start this mainstream conversation

1251
00:52:36,950 --> 00:52:35,400
please use that knowledge rather than

1252
00:52:39,230 --> 00:52:36,960
fear

1253
00:52:40,910 --> 00:52:39,240
all right quick thank you for that well

1254
00:52:43,910 --> 00:52:40,920
I knew there was something wanted to

1255
00:52:46,190 --> 00:52:43,920
finish up with that was a good one so um

1256
00:52:48,049 --> 00:52:46,200
anyways thank you again thanks to

1257
00:52:50,150 --> 00:52:48,059
everyone else watching uh in the

1258
00:52:53,030 --> 00:52:50,160
