

UFO HUB

LIVE STREAM

1
00:00:08,720 --> 00:00:28,200
thank you

2
00:00:54,400 --> 00:00:53,090
[Music]

3
00:01:03,590 --> 00:00:54,410
foreign

4
00:01:07,969 --> 00:01:06,050
hey everyone welcome to geophob live

5
00:01:10,730 --> 00:01:07,979
stream today's guest is going to be

6
00:01:13,190 --> 00:01:10,740
Katie page she's also going to be one of

7
00:01:14,990 --> 00:01:13,200
the speakers at the Ozark Mountain UFO

8
00:01:17,690 --> 00:01:15,000
conference that's coming up this April

9
00:01:19,370 --> 00:01:17,700
but before I get more into that I wanted

10
00:01:21,410 --> 00:01:19,380
to just cover some things real quick

11
00:01:23,810 --> 00:01:21,420
regarding this interview

12
00:01:26,030 --> 00:01:23,820
um Katie will be later on taking some

13
00:01:27,649 --> 00:01:26,040

questions so for those of you that will

14

00:01:29,570 --> 00:01:27,659

start out with us from the beginning and

15

00:01:32,630 --> 00:01:29,580

have some questions for her you can

16

00:01:36,109 --> 00:01:32,640

either submit the questions on um on the

17

00:01:38,090 --> 00:01:36,119

YouTube chat or twitch or Facebook and

18

00:01:40,130 --> 00:01:38,100

please make sure to include the three

19

00:01:42,230 --> 00:01:40,140

stars or asterix's before your question

20

00:01:44,390 --> 00:01:42,240

so that way I know it's a question for

21

00:01:49,010 --> 00:01:44,400

me and not just a regular chatter in the

22

00:01:51,170 --> 00:01:49,020

chat rooms and also there's a live which

23

00:01:55,490 --> 00:01:51,180

reminds me I didn't activate it there's

24

00:01:57,530 --> 00:01:55,500

a live YouTube or a live telegram a

25

00:02:00,410 --> 00:01:57,540

voice chat going on right now where you

26

00:02:04,190 --> 00:02:00,420

can basically join it and you can ask

27

00:02:05,810 --> 00:02:04,200

Katie the question directly also if if

28

00:02:08,029 --> 00:02:05,820

you don't want to ask any questions you

29

00:02:11,330 --> 00:02:08,039

can just use it to listen because there

30

00:02:13,729 --> 00:02:11,340

is a just a Voice transmission on that

31

00:02:16,670 --> 00:02:13,739

as well so all the links are in the

32

00:02:20,990 --> 00:02:16,680

description below for the telegram group

33

00:02:23,809 --> 00:02:21,000

for also the YouTube twitch and Facebook

34

00:02:26,750 --> 00:02:23,819

as well so whatever works for you please

35

00:02:29,270 --> 00:02:26,760

use that so anyway let me switch over

36

00:02:32,089 --> 00:02:29,280

real quick to the

37

00:02:34,430 --> 00:02:32,099

Ozark website and so all the speakers

38

00:02:36,410 --> 00:02:34,440

have been scheduled they have submitted

39

00:02:38,869 --> 00:02:36,420

all their talk titles and what they will

40

00:02:41,930 --> 00:02:38,879

be discussing specifically uh you have

41

00:02:45,229 --> 00:02:41,940

you see Katie here and her talk title

42

00:02:47,509 --> 00:02:45,239

and you can check that out later on we

43

00:02:50,570 --> 00:02:47,519

have two of the keynote speakers which

44

00:02:52,610 --> 00:02:50,580

are going to be Chief Sean Cahill and

45

00:02:55,369 --> 00:02:52,620

Ben Hansen and of course all the other

46

00:02:59,210 --> 00:02:55,379

speakers that are going to be there's of

47

00:03:02,869 --> 00:02:59,220

course Terry Lovelace yema Trey Hudson

48

00:03:04,850 --> 00:03:02,879

and um there's Christy Peterson I had an

49

00:03:06,890 --> 00:03:04,860

interview with her last week so please

50

00:03:09,410 --> 00:03:06,900

check it out there's uh still a few

51
00:03:11,390 --> 00:03:09,420
tickets left you have about maybe a

52
00:03:13,430 --> 00:03:11,400
little bit over a week before the

53
00:03:15,890 --> 00:03:13,440
conference is going to be in Eureka

54
00:03:20,089 --> 00:03:15,900
Springs Arkansas from the 14th to 16th

55
00:03:21,649 --> 00:03:20,099
so check it out get your ticket and I

56
00:03:24,530 --> 00:03:21,659
hope to see you there

57
00:03:25,729 --> 00:03:24,540
so with that being said

58
00:03:28,430 --> 00:03:25,739
um let me

59
00:03:31,369 --> 00:03:28,440
switch this over here real quick

60
00:03:33,649 --> 00:03:31,379
and bring Katie in

61
00:03:35,509 --> 00:03:33,659
Katie welcome thanks for being on

62
00:03:37,369 --> 00:03:35,519
well thank you so much Aidan for having

63
00:03:39,410 --> 00:03:37,379

me it's a pleasure to be here

64

00:03:40,250 --> 00:03:39,420

well I'm glad we're able to to work this

65

00:03:42,470 --> 00:03:40,260

out

66

00:03:43,850 --> 00:03:42,480

um actually I didn't tell you uh before

67

00:03:46,309 --> 00:03:43,860

the show I meant to mention something

68

00:03:48,170 --> 00:03:46,319

but I wasn't even sure that I could

69

00:03:50,809 --> 00:03:48,180

maybe have the show because we had

70

00:03:53,930 --> 00:03:50,819

tornadoes that were announced very early

71

00:03:56,509 --> 00:03:53,940

on and thankfully they just kind of all

72

00:03:59,210 --> 00:03:56,519

the warnings went off they passed by and

73

00:04:01,729 --> 00:03:59,220

no no no outage everything was just fine

74

00:04:03,770 --> 00:04:01,739

so I'm happy to be able to do this

75

00:04:05,930 --> 00:04:03,780

well I'm happy you're all safe there

76

00:04:09,229 --> 00:04:05,940

that's pretty scary so hopefully they

77

00:04:11,690 --> 00:04:09,239

stay steer clear you know right well

78

00:04:13,750 --> 00:04:11,700

especially the house we live in is not

79

00:04:16,490 --> 00:04:13,760

exactly like the the studios of houses

80

00:04:19,729 --> 00:04:16,500

so I was like where where could we

81

00:04:22,009 --> 00:04:19,739

possibly go when we can hide oh no right

82

00:04:23,810 --> 00:04:22,019

yeah you need tornado shelters for sure

83

00:04:25,430 --> 00:04:23,820

it reminds me of The Three Little Pigs

84

00:04:28,189 --> 00:04:25,440

right house of stone and sticks and

85

00:04:31,070 --> 00:04:28,199

right well they've been a lot especially

86

00:04:34,189 --> 00:04:31,080

uh Southern um Arkansas Little Rock they

87

00:04:36,590 --> 00:04:34,199

were hit uh hit band and only recently

88

00:04:38,930 --> 00:04:36,600

saw some videos and it's like wow it's

89

00:04:41,210 --> 00:04:38,940

just entirely wiped out well I'm glad

90

00:04:44,030 --> 00:04:41,220

we're here we're doing this today and um

91

00:04:46,010 --> 00:04:44,040

so with every new guest um as I've

92

00:04:47,749 --> 00:04:46,020

mentioned to you before I would like to

93

00:04:49,490 --> 00:04:47,759

ask you to talk a little bit about your

94

00:04:51,409 --> 00:04:49,500

background and how everything started

95

00:04:52,490 --> 00:04:51,419

out for you and then we'll get into the

96

00:04:54,890 --> 00:04:52,500

rest later

97

00:04:57,350 --> 00:04:54,900

right well like so many of us that are

98

00:04:59,270 --> 00:04:57,360

interested in these topics you know

99

00:05:01,730 --> 00:04:59,280

um my these things tend to run our

100

00:05:03,230 --> 00:05:01,740

family so I grew up um hearing my

101
00:05:05,270 --> 00:05:03,240
grandfather my grandfather had a

102
00:05:08,030 --> 00:05:05,280
sighting out over Lake Como in Wisconsin

103
00:05:09,770 --> 00:05:08,040
and that sighting was in the early 60s

104
00:05:12,350 --> 00:05:09,780
and it was investigated by Jay Alan

105
00:05:14,990 --> 00:05:12,360
heineck I found out later and um and

106
00:05:16,249 --> 00:05:15,000
then my mother and I and my sister had a

107
00:05:18,050 --> 00:05:16,259
couple sightings going from Wisconsin

108
00:05:20,390 --> 00:05:18,060
over to Illinois I'm originally from

109
00:05:22,310 --> 00:05:20,400
Illinois moved out to Colorado in 1970

110
00:05:24,230 --> 00:05:22,320
but we had a couple sightings just right

111
00:05:26,749 --> 00:05:24,240
across the border into Illinois and

112
00:05:29,870 --> 00:05:26,759
Richmond of two oblong-shaped crabs

113
00:05:31,909 --> 00:05:29,880

crafts so I heard about that and then um

114

00:05:34,670 --> 00:05:31,919

like I said I moved to Colorado in 1970

115

00:05:37,490 --> 00:05:34,680

and as a young girl in the late 70s I

116

00:05:39,950 --> 00:05:37,500

spent some time on a ranch out in Elbert

117

00:05:41,990 --> 00:05:39,960

County Colorado and it was a very high

118

00:05:43,969 --> 00:05:42,000

strange dislocation we had a lot of

119

00:05:45,650 --> 00:05:43,979

unusual things happen but you know as

120

00:05:47,990 --> 00:05:45,660

you do you grow up you go through school

121

00:05:50,210 --> 00:05:48,000

forget about these things paranormal

122

00:05:52,249 --> 00:05:50,220

thing kind of always happened around us

123

00:05:55,550 --> 00:05:52,259

and me in the house and things like that

124

00:05:57,290 --> 00:05:55,560

and and raised my family but I just had

125

00:06:00,350 --> 00:05:57,300

these you know questions about what all

126

00:06:02,270 --> 00:06:00,360

that was so and um kind of started out

127

00:06:04,969 --> 00:06:02,280

really in the Paranormal world really

128

00:06:08,029 --> 00:06:04,979

interested in you know that phenomenon

129

00:06:10,010 --> 00:06:08,039

and then I learned about mufon in 2012

130

00:06:12,650 --> 00:06:10,020

and came right in mufon as a field

131

00:06:14,870 --> 00:06:12,660

investigator and basically for selfish

132

00:06:17,270 --> 00:06:14,880

reasons to kind of investigate and look

133

00:06:18,890 --> 00:06:17,280

into what happened on that ranch and the

134

00:06:21,110 --> 00:06:18,900

interesting thing is I never knew

135

00:06:23,510 --> 00:06:21,120

anybody knew anything about the ranch we

136

00:06:25,969 --> 00:06:23,520

were told never to talk about it I never

137

00:06:28,430 --> 00:06:25,979

knew it was investigated I never knew

138

00:06:31,610 --> 00:06:28,440

anybody knew anything about it and in

139

00:06:34,270 --> 00:06:31,620

2013 I had purchased a book called hunt

140

00:06:36,650 --> 00:06:34,280

for the skinwalker by George Knapp and

141

00:06:38,330 --> 00:06:36,660

colmkellyaher and I was reading that

142

00:06:40,909 --> 00:06:38,340

book just thinking there might be some

143

00:06:43,909 --> 00:06:40,919

similarities to the Skinwalker Ranch in

144

00:06:47,150 --> 00:06:43,919

Utah to the Colorado Ranch and I got to

145

00:06:49,129 --> 00:06:47,160

a chapter called other hot spots and

146

00:06:51,110 --> 00:06:49,139

started reading basically about the

147

00:06:53,090 --> 00:06:51,120

ranch in my childhood and I just

148

00:06:55,850 --> 00:06:53,100

remember I was just dumbfounded by that

149

00:06:59,029 --> 00:06:55,860

and and it's just been a um you know

150

00:07:01,070 --> 00:06:59,039

an adventure in research ever since you

151
00:07:04,670 --> 00:07:01,080
know

152
00:07:07,070 --> 00:07:04,680
so um Katie uh what I wanted to ask you

153
00:07:08,510 --> 00:07:07,080
so how long have you been

154
00:07:11,150 --> 00:07:08,520
um I'm sorry if I maybe missed that how

155
00:07:13,430 --> 00:07:11,160
long have you been in mufon uh or is it

156
00:07:15,830 --> 00:07:13,440
Colorado mufon state director is that

157
00:07:17,689 --> 00:07:15,840
the proper title yeah um it's going on

158
00:07:19,249 --> 00:07:17,699
three and a half years now I get you

159
00:07:21,230 --> 00:07:19,259
know the dates with covid and everything

160
00:07:23,270 --> 00:07:21,240
those covered years are like oh it's

161
00:07:25,010 --> 00:07:23,280
pretty coveted so three and a half years

162
00:07:26,689 --> 00:07:25,020
I've been the state director for for

163
00:07:27,950 --> 00:07:26,699

Colorado muffon

164

00:07:30,170 --> 00:07:27,960

um you know I must start team

165

00:07:31,850 --> 00:07:30,180

investigator and was on a a special

166

00:07:34,850 --> 00:07:31,860

assignment team called the SAT team for

167

00:07:36,350 --> 00:07:34,860

a while and uh also am the administrator

168

00:07:39,110 --> 00:07:36,360

for a big move on for what they call

169

00:07:41,870 --> 00:07:39,120

their Mars program which is basically

170

00:07:44,809 --> 00:07:41,880

all the old unredacted

171

00:07:47,150 --> 00:07:44,819

um reports that came in from 1969 until

172

00:07:50,150 --> 00:07:47,160

they were digitized later into the CMS

173

00:07:52,670 --> 00:07:50,160

system the case management system and we

174

00:07:55,070 --> 00:07:52,680

had a team of 15 people who redact all

175

00:07:58,189 --> 00:07:55,080

those private sensitive information out

176

00:08:00,230 --> 00:07:58,199

of those reports and um you know there's

177

00:08:02,930 --> 00:08:00,240

over ten thousand of those reports and

178

00:08:05,089 --> 00:08:02,940

some of them are you know 300 plus pages

179

00:08:07,850 --> 00:08:05,099

long and so it took you know three years

180

00:08:10,550 --> 00:08:07,860

to just go through those and it kind of

181

00:08:13,070 --> 00:08:10,560

was put on the back burner there for a

182

00:08:14,930 --> 00:08:13,080

while and and now I'm excited to say

183

00:08:16,909 --> 00:08:14,940

that it's getting picked up again um Bob

184

00:08:19,129 --> 00:08:16,919

sparing and Debbie zuckermeyer and a few

185

00:08:20,869 --> 00:08:19,139

others are working to get that

186

00:08:23,330 --> 00:08:20,879

re-established so we can make those

187

00:08:25,430 --> 00:08:23,340

available to the public to look at these

188

00:08:27,650 --> 00:08:25,440

old muffon files so that's that's a

189

00:08:28,730 --> 00:08:27,660

pretty cool thing I I I'm one that

190

00:08:31,850 --> 00:08:28,740

believes that all this information

191

00:08:33,529 --> 00:08:31,860

should be shared with everybody

192

00:08:35,089 --> 00:08:33,539

you know um you mentioned Debbie

193

00:08:36,649 --> 00:08:35,099

ziegelmeier she's a good friend of mine

194

00:08:38,329 --> 00:08:36,659

I know her when I was still in St Louis

195

00:08:40,310 --> 00:08:38,339

I don't know if she's still the Missouri

196

00:08:42,529 --> 00:08:40,320

director

197

00:08:44,389 --> 00:08:42,539

um but uh usually every month she would

198

00:08:46,130 --> 00:08:44,399

have a meeting and kind of give updates

199

00:08:48,290 --> 00:08:46,140

and then usually presentations so you

200

00:08:49,490 --> 00:08:48,300

guys do something similar in Colorado as

201
00:08:51,889 --> 00:08:49,500
well

202
00:08:53,810 --> 00:08:51,899
yeah we do and the second Saturday of

203
00:08:55,490 --> 00:08:53,820
every month we bring in a guest speaker

204
00:08:58,370 --> 00:08:55,500
and we have an event

205
00:09:01,070 --> 00:08:58,380
um and you know we we usually have you

206
00:09:03,350 --> 00:09:01,080
know 65 to 100 people in attendance just

207
00:09:05,090 --> 00:09:03,360
depending this this Saturday I didn't

208
00:09:07,610 --> 00:09:05,100
even realize it was Easter Sunday so

209
00:09:08,990 --> 00:09:07,620
yeah I'm like oh uh it falls on Easter

210
00:09:10,430 --> 00:09:09,000
Sundays seems like it's a little early

211
00:09:11,690 --> 00:09:10,440
this year so

212
00:09:13,550 --> 00:09:11,700
um and then we also do field

213
00:09:15,590 --> 00:09:13,560

Investigator training and you know we

214

00:09:18,230 --> 00:09:15,600

try to do events here and bring people

215

00:09:20,150 --> 00:09:18,240

together so yeah it's a good it's a good

216

00:09:21,829 --> 00:09:20,160

group of people here in Colorado so if

217

00:09:23,750 --> 00:09:21,839

you're out in our area actually you can

218

00:09:25,550 --> 00:09:23,760

find information about the Colorado

219

00:09:27,470 --> 00:09:25,560

mufon meetings if you just go to

220

00:09:28,610 --> 00:09:27,480

co-mufon.org

221

00:09:32,750 --> 00:09:28,620

so

222

00:09:34,430 --> 00:09:32,760

another much detail you would like to

223

00:09:36,290 --> 00:09:34,440

share could you please go a little bit

224

00:09:37,130 --> 00:09:36,300

into the subject we have scheduled for

225

00:09:39,590 --> 00:09:37,140

tonight

226

00:09:41,990 --> 00:09:39,600

yeah absolutely and like I had mentioned

227

00:09:44,449 --> 00:09:42,000

you know the first time I I saw that

228

00:09:46,310 --> 00:09:44,459

anybody knew anything about the ranch or

229

00:09:48,590 --> 00:09:46,320

that it was investigated was in that

230

00:09:50,750 --> 00:09:48,600

book hunt for the skinwalker and in that

231

00:09:53,090 --> 00:09:50,760

book I learned that there were three

232

00:09:56,150 --> 00:09:53,100

phds out on that property investigating

233

00:09:58,970 --> 00:09:56,160

one of which was um dear Dr Leo sprinkle

234

00:10:01,370 --> 00:09:58,980

PhD at a Laramie Wyoming who was really

235

00:10:02,690 --> 00:10:01,380

well known for past life regression and

236

00:10:04,610 --> 00:10:02,700

hypnosis

237

00:10:06,769 --> 00:10:04,620

um he was a Pioneer in the field for

238

00:10:08,630 --> 00:10:06,779

over 40 years and unfortunately he

239

00:10:11,150 --> 00:10:08,640

passed away a year and a half ago now

240

00:10:12,769 --> 00:10:11,160

but Lee and I got to know each other

241

00:10:15,650 --> 00:10:12,779

very well because I traveled back and

242

00:10:17,570 --> 00:10:15,660

forth um writing the book that I did it

243

00:10:19,970 --> 00:10:17,580

actually came to me in a dream I went

244

00:10:23,210 --> 00:10:19,980

down to the Heritage Center so all of Dr

245

00:10:24,889 --> 00:10:23,220

Leo sprinkles information is housed out

246

00:10:26,210 --> 00:10:24,899

at what they call the Heritage Center in

247

00:10:29,329 --> 00:10:26,220

Laramie Wyoming it looks like a big

248

00:10:32,090 --> 00:10:29,339

teepee building and it's accessible to

249

00:10:34,490 --> 00:10:32,100

anybody can access all those boxes of

250

00:10:36,530 --> 00:10:34,500

his research and it's just amazing to go

251
00:10:38,509 --> 00:10:36,540
through but one night in a lucid dream

252
00:10:40,790 --> 00:10:38,519
it came to me the title of the book you

253
00:10:42,650 --> 00:10:40,800
know letters of love and light because

254
00:10:46,790 --> 00:10:42,660
Dr sprinkle would sign all his

255
00:10:49,190 --> 00:10:46,800
correspondence love and light Leo and

256
00:10:52,190 --> 00:10:49,200
what was really cool was Dr sprinkle

257
00:10:53,630 --> 00:10:52,200
kept all his response correspondence to

258
00:10:55,850 --> 00:10:53,640
these people that wrote to him from all

259
00:10:57,050 --> 00:10:55,860
around the world and I just got lost in

260
00:10:59,150 --> 00:10:57,060
those letters

261
00:11:00,949 --> 00:10:59,160
um and I thought to myself I find these

262
00:11:02,810 --> 00:11:00,959
letters interesting I think other people

263
00:11:05,030 --> 00:11:02,820

would as well so I spent three and a

264

00:11:07,069 --> 00:11:05,040

half years going back and forth from

265

00:11:08,810 --> 00:11:07,079

Colorado to Laramie taking pictures of

266

00:11:12,110 --> 00:11:08,820

all these letters and then I'd pull out

267

00:11:14,030 --> 00:11:12,120

the the juicy parts of the letter and I

268

00:11:16,190 --> 00:11:14,040

organized them into different chapters

269

00:11:19,069 --> 00:11:16,200

some like craft description

270

00:11:20,269 --> 00:11:19,079

ET descriptions implants a lot of people

271

00:11:22,430 --> 00:11:20,279

wrote about

272

00:11:24,290 --> 00:11:22,440

um you know was this a dream or was this

273

00:11:26,329 --> 00:11:24,300

a memory because a lot of people who

274

00:11:28,370 --> 00:11:26,339

have contact experience actually do have

275

00:11:30,470 --> 00:11:28,380

these lucid dreams

276

00:11:32,569 --> 00:11:30,480

um so you know so many I there there's

277

00:11:34,910 --> 00:11:32,579

even a chapter of letters from children

278

00:11:38,210 --> 00:11:34,920

which was really neat and children would

279

00:11:40,790 --> 00:11:38,220

draw in some of their experiences and so

280

00:11:43,190 --> 00:11:40,800

um that was just really a labor of love

281

00:11:45,050 --> 00:11:43,200

um really honoring Dr sprinkle because

282

00:11:46,430 --> 00:11:45,060

he was an amazing man and this is the

283

00:11:48,410 --> 00:11:46,440

book right here letters of love and

284

00:11:50,269 --> 00:11:48,420

light you can find it on Amazon I'm

285

00:11:52,490 --> 00:11:50,279

currently working on that second book

286

00:11:54,350 --> 00:11:52,500

all about the ranch and trying to you

287

00:11:56,990 --> 00:11:54,360

know put all the the decades worth of

288

00:11:58,850 --> 00:11:57,000

research into that book there so

289

00:11:59,810 --> 00:11:58,860

hopefully that'll be out by the end of

290

00:12:03,590 --> 00:11:59,820

the year

291

00:12:05,509 --> 00:12:03,600

um but um I also learned in that book

292

00:12:07,910 --> 00:12:05,519

that there were two other phds on the

293

00:12:12,050 --> 00:12:07,920

property there was Peter Van Arsdale PhD

294

00:12:13,910 --> 00:12:12,060

and John der PhD and um one of one of

295

00:12:15,829 --> 00:12:13,920

those gentlemen have passed away I since

296

00:12:17,990 --> 00:12:15,839

found John Durr and have corresponded

297

00:12:20,030 --> 00:12:18,000

with him but I was just amazed to find

298

00:12:22,730 --> 00:12:20,040

that find out that anybody knew anything

299

00:12:24,829 --> 00:12:22,740

about that place at all so that was

300

00:12:26,750 --> 00:12:24,839

pretty eye-opening to me and and thus

301
00:12:29,509 --> 00:12:26,760
started the Journey of getting the

302
00:12:31,790 --> 00:12:29,519
original documents and really going down

303
00:12:33,949 --> 00:12:31,800
this rabbit hole and what I mean by that

304
00:12:36,650 --> 00:12:33,959
is there was just so many different

305
00:12:40,190 --> 00:12:36,660
phenomenon in that area in the late 70s

306
00:12:43,310 --> 00:12:40,200
I mean it's still occurring to this day

307
00:12:47,389 --> 00:12:43,320
um but not to the level it was from 75

308
00:12:49,850 --> 00:12:47,399
to 78 and this is where um Linda Moulton

309
00:12:52,430 --> 00:12:49,860
Howe got her start Linda Moulton Howe

310
00:12:55,430 --> 00:12:52,440
was an investigative journalist out

311
00:12:57,410 --> 00:12:55,440
there in Colorado at the time and out in

312
00:12:59,150 --> 00:12:57,420
Albert County there was this rash of

313
00:13:01,910 --> 00:12:59,160

cattle mutilations that were happening

314

00:13:03,769 --> 00:13:01,920

Elbert County was hit the hardest but

315

00:13:06,530 --> 00:13:03,779

this was a phenomenon that was occurring

316

00:13:08,110 --> 00:13:06,540

you know from Montana to Wyoming all the

317

00:13:11,810 --> 00:13:08,120

all the way down the Midwest Colorado

318

00:13:14,210 --> 00:13:11,820

into Texas Oklahoma a little bit in Utah

319

00:13:15,710 --> 00:13:14,220

some in Arizona and whatnot but for

320

00:13:18,170 --> 00:13:15,720

whatever reason Albert County was hit

321

00:13:19,990 --> 00:13:18,180

the hardest and she actually did a movie

322

00:13:22,730 --> 00:13:20,000

called strange Harvest

323

00:13:25,310 --> 00:13:22,740

and interviews the under sheriff and the

324

00:13:28,610 --> 00:13:25,320

sheriff of Albert County in that film so

325

00:13:30,829 --> 00:13:28,620

that was one of the phenomena that was

326

00:13:33,769 --> 00:13:30,839

really prevalent out there out in Albert

327

00:13:35,750 --> 00:13:33,779

County at the time so much so you know

328

00:13:38,090 --> 00:13:35,760

there were um I found out through

329

00:13:40,129 --> 00:13:38,100

newspaper articles and my research that

330

00:13:41,930 --> 00:13:40,139

you know the Cattlemen's Association had

331

00:13:44,750 --> 00:13:41,940

a ten thousand dollar reward to find

332

00:13:47,150 --> 00:13:44,760

these people and at the time too uh you

333

00:13:50,090 --> 00:13:47,160

know they were suspecting maybe

334

00:13:50,690 --> 00:13:50,100

um Colts were responsible

335

00:13:52,670 --> 00:13:50,700

um

336

00:13:55,190 --> 00:13:52,680

for these mutilations which I think we

337

00:13:58,310 --> 00:13:55,200

can safely rule that out I know

338

00:13:59,810 --> 00:13:58,320

Christopher O'Brien and Chuck Zukowski

339

00:14:01,490 --> 00:13:59,820

really delved deep into these

340

00:14:04,129 --> 00:14:01,500

mutilations and they're kind of the

341

00:14:06,410 --> 00:14:04,139

experts on that phenomenon I never

342

00:14:08,449 --> 00:14:06,420

really I looked into that a little bit

343

00:14:10,129 --> 00:14:08,459

but that wasn't where my interest really

344

00:14:11,810 --> 00:14:10,139

lied so

345

00:14:13,730 --> 00:14:11,820

um just so many things happened out

346

00:14:17,329 --> 00:14:13,740

there

347

00:14:20,269 --> 00:14:17,339

and so um I know when I talked to Debbie

348

00:14:21,949 --> 00:14:20,279

she and her brother uh chuckovsky they

349

00:14:23,990 --> 00:14:21,959

were also investigating different

350

00:14:27,110 --> 00:14:24,000

different areas um

351
00:14:29,030 --> 00:14:27,120
so to what extent I mean that is there

352
00:14:29,870 --> 00:14:29,040
still any kind of um

353
00:14:32,090 --> 00:14:29,880
um

354
00:14:34,009 --> 00:14:32,100
like I don't know if it's just a just

355
00:14:36,590 --> 00:14:34,019
for the ranch wise but are there still

356
00:14:38,389 --> 00:14:36,600
mutilations going on that still merits a

357
00:14:40,610 --> 00:14:38,399
lot of attention or is it just kind of

358
00:14:42,710 --> 00:14:40,620
can be already written off as part of

359
00:14:44,750 --> 00:14:42,720
history and just kind of looking back at

360
00:14:46,730 --> 00:14:44,760
recorded documents at this point

361
00:14:47,509 --> 00:14:46,740
right yeah that was the question I had

362
00:14:51,230 --> 00:14:47,519
and

363
00:14:52,910 --> 00:14:51,240

so um what happened was um as I was

364

00:14:55,490 --> 00:14:52,920

learning about you know the under

365

00:14:58,069 --> 00:14:55,500

sheriff and making connections I went

366

00:14:59,810 --> 00:14:58,079

out and I flew to Florida to interview

367

00:15:03,650 --> 00:14:59,820

um the undersheriff bill was

368

00:15:05,930 --> 00:15:03,660

um wife and um his son and

369

00:15:07,730 --> 00:15:05,940

um she pulled out a big binder of

370

00:15:09,889 --> 00:15:07,740

newspaper articles that she had saved

371

00:15:13,550 --> 00:15:09,899

all these years and from those articles

372

00:15:15,829 --> 00:15:13,560

I started compiling a list of names

373

00:15:19,009 --> 00:15:15,839

um of people that I can contact and

374

00:15:21,590 --> 00:15:19,019

through that I drove out to Wyoming to

375

00:15:24,470 --> 00:15:21,600

conduct another great interview with

376

00:15:26,269 --> 00:15:24,480

somebody who basically uh if you go to

377

00:15:28,550 --> 00:15:26,279

the Elbert County Museum her family

378

00:15:30,530 --> 00:15:28,560

basically pioneered and homesteaded that

379

00:15:32,509 --> 00:15:30,540

area from way back so her family goes

380

00:15:34,610 --> 00:15:32,519

back generations and

381

00:15:36,410 --> 00:15:34,620

um and when you're that steeped into a

382

00:15:38,810 --> 00:15:36,420

small community like that you know a lot

383

00:15:41,509 --> 00:15:38,820

of the the ranchers and that and to my

384

00:15:43,610 --> 00:15:41,519

surprise she was took out her cell phone

385

00:15:45,170 --> 00:15:43,620

and was like well here's a recent

386

00:15:47,150 --> 00:15:45,180

mutilation and here's a recent

387

00:15:51,050 --> 00:15:47,160

mutilation and

388

00:15:53,269 --> 00:15:51,060

um so so yes they're still actively

389

00:15:54,829 --> 00:15:53,279

going on again not to the height it was

390

00:15:56,269 --> 00:15:54,839

back in the late 70s because at that

391

00:15:59,930 --> 00:15:56,279

time they were almost occurring daily

392

00:16:01,670 --> 00:15:59,940

and not just of of cow but of sheep and

393

00:16:04,670 --> 00:16:01,680

horse and dog and of course they're

394

00:16:07,069 --> 00:16:04,680

snippy you know out in Colorado

395

00:16:09,769 --> 00:16:07,079

um more further south

396

00:16:11,509 --> 00:16:09,779

um up there near Alamosa

397

00:16:13,129 --> 00:16:11,519

um and Dr Leo sprinkle was involved with

398

00:16:16,250 --> 00:16:13,139

snippy the horse as well

399

00:16:18,410 --> 00:16:16,260

um but so it is still occurring to this

400

00:16:20,689 --> 00:16:18,420

day just not

401

00:16:22,250 --> 00:16:20,699

as many in in numbers

402

00:16:24,350 --> 00:16:22,260

um and that was really interesting to

403

00:16:27,590 --> 00:16:24,360

find out I think a lot of these ranchers

404

00:16:29,329 --> 00:16:27,600

don't report them anymore because a

405

00:16:31,370 --> 00:16:29,339

that's been going on for decades now and

406

00:16:32,629 --> 00:16:31,380

they know nothing's going to happen I I

407

00:16:34,910 --> 00:16:32,639

believe they write them off on their

408

00:16:36,889 --> 00:16:34,920

taxes as a loss um and they don't want

409

00:16:39,290 --> 00:16:36,899

the publicity of the stigma attached

410

00:16:41,090 --> 00:16:39,300

with it in fact the the photos that she

411

00:16:43,670 --> 00:16:41,100

had sent me of these mutilations the

412

00:16:45,290 --> 00:16:43,680

Rancher did not did not want the

413

00:16:47,269 --> 00:16:45,300

publicity around it and didn't really

414

00:16:49,550 --> 00:16:47,279

didn't want it out there so

415

00:16:51,590 --> 00:16:49,560

um but speaking of that witness that I

416

00:16:53,150 --> 00:16:51,600

went out there her name Sheila I won't

417

00:16:54,230 --> 00:16:53,160

say her last name

418

00:16:56,810 --> 00:16:54,240

um

419

00:16:59,269 --> 00:16:56,820

she had an unbelievable story that

420

00:17:01,370 --> 00:16:59,279

occurred to her and her husband so she

421

00:17:05,150 --> 00:17:01,380

was married right out of high school so

422

00:17:07,789 --> 00:17:05,160

this would have been around 1978 and um

423

00:17:09,710 --> 00:17:07,799

they lived they bought several hundred

424

00:17:12,350 --> 00:17:09,720

acres out there in Rhema Colorado which

425

00:17:15,169 --> 00:17:12,360

is just really close to

426

00:17:19,130 --> 00:17:15,179

um Kiowa Albert County where I had my

427

00:17:21,230 --> 00:17:19,140

experiences and her husband was um on

428

00:17:24,289 --> 00:17:21,240

Horseback checking the cows for calves

429

00:17:29,530 --> 00:17:24,299

and he came across a dead calf on the

430

00:17:33,230 --> 00:17:29,540

ground and this calf had a cut a square

431

00:17:35,210 --> 00:17:33,240

it was four in cuts and then the top of

432

00:17:37,490 --> 00:17:35,220

the fur was removed off of it but the

433

00:17:39,350 --> 00:17:37,500

skin was still there and he thought it

434

00:17:41,210 --> 00:17:39,360

was very unusual so he gets on the horse

435

00:17:43,789 --> 00:17:41,220

and he goes back to the ranch house to

436

00:17:45,710 --> 00:17:43,799

get my witness and they drive back in

437

00:17:48,169 --> 00:17:45,720

the pickup truck and she said that took

438

00:17:51,110 --> 00:17:48,179

about 20-25 minutes to get back to where

439

00:17:53,330 --> 00:17:51,120

the calf was and when they arrived back

440

00:17:56,690 --> 00:17:53,340

that calf had been completely mutilated

441

00:17:59,210 --> 00:17:56,700

blood drain and cauterized organs

442

00:18:01,610 --> 00:17:59,220

removed and the interesting thing was

443

00:18:03,470 --> 00:18:01,620

you know it was Miles off the county

444

00:18:06,049 --> 00:18:03,480

road there were no truck marks no

445

00:18:07,610 --> 00:18:06,059

helicopter sounds they felt like it was

446

00:18:10,669 --> 00:18:07,620

really eerie like they were being

447

00:18:12,890 --> 00:18:10,679

watched it really terrified them and it

448

00:18:15,770 --> 00:18:12,900

changed them for you know forever really

449

00:18:17,990 --> 00:18:15,780

and um yeah there's just no explanation

450

00:18:19,850 --> 00:18:18,000

for that and what was really neat was

451
00:18:21,770 --> 00:18:19,860
you know we're friends on Facebook and

452
00:18:23,090 --> 00:18:21,780
she messaged me and said hey Katie

453
00:18:25,490 --> 00:18:23,100
you're not going to believe this I found

454
00:18:27,049 --> 00:18:25,500
the pictures of that calf so that's

455
00:18:28,850 --> 00:18:27,059
something I'll share at the Ozark

456
00:18:32,510 --> 00:18:28,860
conference actually is are those

457
00:18:34,909 --> 00:18:32,520
photographs of that calf um you know and

458
00:18:37,070 --> 00:18:34,919
um so that that story always fascinated

459
00:18:39,110 --> 00:18:37,080
me because you know they're quite

460
00:18:42,590 --> 00:18:39,120
certain it wasn't our military that that

461
00:18:44,750 --> 00:18:42,600
did that mutilation on that calf

462
00:18:46,850 --> 00:18:44,760
I'm sorry you said you are quite certain

463
00:18:48,650 --> 00:18:46,860

no you are not quite certain no I am

464

00:18:50,810 --> 00:18:48,660

quite certain that particular mutilation

465

00:18:52,730 --> 00:18:50,820

was not the military that's another

466

00:18:54,710 --> 00:18:52,740

thing um that I've been you know one of

467

00:18:56,090 --> 00:18:54,720

the my main questions actually as I

468

00:18:59,330 --> 00:18:56,100

started investigating this Ranch

469

00:19:01,990 --> 00:18:59,340

property and finding out you know

470

00:19:05,090 --> 00:19:02,000

unequivocally that we had military

471

00:19:07,610 --> 00:19:05,100

people on the ranch and I'm like why is

472

00:19:08,630 --> 00:19:07,620

the military there why are they on that

473

00:19:11,630 --> 00:19:08,640

property

474

00:19:12,650 --> 00:19:11,640

um there there was a note in Dr Leo

475

00:19:13,250 --> 00:19:12,660

sprinkles

476

00:19:18,529 --> 00:19:13,260

um

477

00:19:21,529 --> 00:19:18,539

said Warren blank his last name was

478

00:19:24,070 --> 00:19:21,539

redacted out was on the ranch property

479

00:19:26,990 --> 00:19:24,080

he felt something take over his mind

480

00:19:28,610 --> 00:19:27,000

made him walk towards the woods so the

481

00:19:30,350 --> 00:19:28,620

way this ranch is out there in Albert

482

00:19:33,470 --> 00:19:30,360

County you have

483

00:19:35,210 --> 00:19:33,480

um is kind of healed and you can see

484

00:19:37,310 --> 00:19:35,220

Pike speak out in the distance and then

485

00:19:39,890 --> 00:19:37,320

you have these patches of big Ponderosa

486

00:19:42,890 --> 00:19:39,900

Pines but you also have you know the the

487

00:19:45,169 --> 00:19:42,900

Flatlands the ranch lands and the house

488

00:19:49,070 --> 00:19:45,179

sat in an open area in the back of the

489

00:19:50,930 --> 00:19:49,080

ranch house is all wooded and um he said

490

00:19:54,350 --> 00:19:50,940

he felt something take over his mind

491

00:19:56,870 --> 00:19:54,360

made him walk towards the woods would

492

00:19:59,870 --> 00:19:56,880

release him he would run back to the

493

00:20:03,049 --> 00:19:59,880

ranch house and that this did this to

494

00:20:05,930 --> 00:20:03,059

him five times which made me think of

495

00:20:09,350 --> 00:20:05,940

black access projects and you know mind

496

00:20:11,450 --> 00:20:09,360

control MK Ultra kind of activity and

497

00:20:14,150 --> 00:20:11,460

you know that wasn't the only military

498

00:20:16,190 --> 00:20:14,160

presence there on the ranch we had these

499

00:20:18,650 --> 00:20:16,200

unmarked helicopters that were cited

500

00:20:20,930 --> 00:20:18,660

frequently in fact there were newspaper

501
00:20:22,669 --> 00:20:20,940
articles written about this and not only

502
00:20:24,590 --> 00:20:22,679
were they spotted frequently and coming

503
00:20:26,390 --> 00:20:24,600
on and off out of these valleys and

504
00:20:29,870 --> 00:20:26,400
stuff so a lot of people speculated that

505
00:20:32,450 --> 00:20:29,880
perhaps military were lifting these

506
00:20:34,490 --> 00:20:32,460
cattle up doing something and then

507
00:20:37,730 --> 00:20:34,500
dropping them back down to maybe testing

508
00:20:39,770 --> 00:20:37,740
the groundwater you know looking for mad

509
00:20:42,169 --> 00:20:39,780
cow disease I don't know again that's

510
00:20:42,950 --> 00:20:42,179
not my specialty however

511
00:20:44,810 --> 00:20:42,960
um

512
00:20:46,730 --> 00:20:44,820
you know the research that I've done

513
00:20:49,130 --> 00:20:46,740

shows that perhaps maybe both things

514

00:20:53,150 --> 00:20:49,140

were going on at the same time but these

515

00:20:55,370 --> 00:20:53,160

these unmarked helicopters they also

516

00:20:57,650 --> 00:20:55,380

were chasing people and menacing people

517

00:21:00,110 --> 00:20:57,660

and like kids there was an article

518

00:21:02,330 --> 00:21:00,120

written about these two young you know

519

00:21:04,430 --> 00:21:02,340

12 13 year old girls that were being

520

00:21:06,650 --> 00:21:04,440

chased by these mysterious helicopters

521

00:21:08,630 --> 00:21:06,660

and I'm like why in the world would this

522

00:21:10,730 --> 00:21:08,640

be happening and actually in a

523

00:21:13,070 --> 00:21:10,740

conference I ran into Richard Doty

524

00:21:14,810 --> 00:21:13,080

number one I wanted to ask Richard Doty

525

00:21:17,270 --> 00:21:14,820

if he knew about the ranch property at

526

00:21:20,630 --> 00:21:17,280

all if he was aware of it um given his

527

00:21:22,490 --> 00:21:20,640

history and he said that he was and then

528

00:21:24,770 --> 00:21:22,500

number two which is interesting number

529

00:21:26,630 --> 00:21:24,780

two I asked him about why would these

530

00:21:29,810 --> 00:21:26,640

unmarked helicopters be you know

531

00:21:34,130 --> 00:21:29,820

menacing young kids out there in the

532

00:21:35,930 --> 00:21:34,140

fields and he said as a distraction

533

00:21:38,390 --> 00:21:35,940

um so I thought that was very very

534

00:21:39,950 --> 00:21:38,400

interesting a distraction from what is

535

00:21:42,049 --> 00:21:39,960

my question you know what were they

536

00:21:44,990 --> 00:21:42,059

doing out there and and I still have

537

00:21:50,690 --> 00:21:48,169

so um Katie besides the mutilations and

538

00:21:53,330 --> 00:21:50,700

the Mystery surrounding that

539

00:21:55,789 --> 00:21:53,340

um what other occurrences or instances

540

00:21:57,409 --> 00:21:55,799

of high strangeness were

541

00:22:00,770 --> 00:21:57,419

can you talk about

542

00:22:03,649 --> 00:22:00,780

yeah I mean when you know so I didn't

543

00:22:06,289 --> 00:22:03,659

live on the ranch I visited a few times

544

00:22:08,510 --> 00:22:06,299

a handful of times my older sister and I

545

00:22:10,130 --> 00:22:08,520

and how that worked is my mother worked

546

00:22:13,010 --> 00:22:10,140

for United Airlines she was a computer

547

00:22:14,810 --> 00:22:13,020

operator for them and she was dating the

548

00:22:17,090 --> 00:22:14,820

gentleman that owned the ranch and he

549

00:22:19,789 --> 00:22:17,100

had three sons and

550

00:22:20,930 --> 00:22:19,799

um his wife who they were separated at

551
00:22:23,529 --> 00:22:20,940
the time and she had another love

552
00:22:25,490 --> 00:22:23,539
interest so the two youngest of the sons

553
00:22:28,130 --> 00:22:25,500
lived with us

554
00:22:29,270 --> 00:22:28,140
which we lived about 45 minutes away

555
00:22:31,730 --> 00:22:29,280
from the ranch

556
00:22:33,230 --> 00:22:31,740
and they lived with us during the week

557
00:22:34,669 --> 00:22:33,240
so they can attend a large school

558
00:22:36,130 --> 00:22:34,679
district which was the Cherry Creek

559
00:22:39,710 --> 00:22:36,140
School District out there in Colorado

560
00:22:41,450 --> 00:22:39,720
because the the little school in uh Cayo

561
00:22:42,950 --> 00:22:41,460
you know had a graduating class of like

562
00:22:44,510 --> 00:22:42,960
four or six or something like that so

563
00:22:46,610 --> 00:22:44,520

they wanted the opportunities for their

564

00:22:48,230 --> 00:22:46,620

son to go to a large school district and

565

00:22:50,270 --> 00:22:48,240

so we would commute the boys back and

566

00:22:53,029 --> 00:22:50,280

forth you know on the weekends and and

567

00:22:54,830 --> 00:22:53,039

things like that we celebrated holidays

568

00:22:57,169 --> 00:22:54,840

together and birthdays and and did some

569

00:22:59,630 --> 00:22:57,179

family trips and and and that so that's

570

00:23:01,430 --> 00:22:59,640

my connection to the ranch there but one

571

00:23:04,010 --> 00:23:01,440

of the first things that was reported

572

00:23:06,890 --> 00:23:04,020

when they purchased that that ranch was

573

00:23:09,590 --> 00:23:06,900

this humming sound and um it would get

574

00:23:11,570 --> 00:23:09,600

so loud sometimes that you couldn't hear

575

00:23:13,610 --> 00:23:11,580

yourselves talk over it and there were

576

00:23:16,430 --> 00:23:13,620

these bangs coming from underground and

577

00:23:18,350 --> 00:23:16,440

they were trying to figure out like what

578

00:23:19,970 --> 00:23:18,360

where are these sounds coming from what

579

00:23:21,590 --> 00:23:19,980

are they you know it's not like there

580

00:23:23,810 --> 00:23:21,600

was anything under there that would

581

00:23:25,430 --> 00:23:23,820

explain that there was a cistern out

582

00:23:26,690 --> 00:23:25,440

there but the the sounds didn't come

583

00:23:28,190 --> 00:23:26,700

from there

584

00:23:31,130 --> 00:23:28,200

um so that was one of the first things

585

00:23:33,169 --> 00:23:31,140

that was reported out there

586

00:23:35,810 --> 00:23:33,179

um one thing that my sister and I both

587

00:23:38,029 --> 00:23:35,820

experienced um it was it was about this

588

00:23:40,430 --> 00:23:38,039

time of year actually it's April out

589

00:23:42,590 --> 00:23:40,440

here in Colorado and just today we were

590

00:23:44,930 --> 00:23:42,600

getting snow up here in the mountains

591

00:23:47,270 --> 00:23:44,940

and a lot of times Colorado will get

592

00:23:49,430 --> 00:23:47,280

these spring snowstorms and the snow is

593

00:23:51,169 --> 00:23:49,440

really wet and heavy and so but the sun

594

00:23:53,210 --> 00:23:51,179

will be out and it's nice and blue you

595

00:23:55,190 --> 00:23:53,220

know kind of thing so my sister and I

596

00:23:57,289 --> 00:23:55,200

were out there tossing the Frisbee in

597

00:23:59,750 --> 00:23:57,299

front of the ranch house and we looked

598

00:24:01,610 --> 00:23:59,760

down at the ground and we had noticed

599

00:24:04,669 --> 00:24:01,620

that

600

00:24:07,370 --> 00:24:04,679

um the dirt was just dry but on the

601
00:24:09,830 --> 00:24:07,380
outside of the circle it was snow like

602
00:24:11,630 --> 00:24:09,840
heavy snow and nothing grew in there

603
00:24:14,270 --> 00:24:11,640
there was no plants or Shrubbery or

604
00:24:16,190 --> 00:24:14,280
anything it was just very unusual and

605
00:24:18,470 --> 00:24:16,200
that really stuck in our minds all these

606
00:24:20,570 --> 00:24:18,480
years later was that strange and what

607
00:24:22,850 --> 00:24:20,580
was really neat um actually John

608
00:24:25,669 --> 00:24:22,860
schussler who was one of the the

609
00:24:27,649 --> 00:24:25,679
founding fathers of mufon learned of my

610
00:24:29,750 --> 00:24:27,659
connection to the ranch and he he gave

611
00:24:32,510 --> 00:24:29,760
me the original briefing document on it

612
00:24:34,789 --> 00:24:32,520
and in there they talk about

613
00:24:36,409 --> 00:24:34,799

um you know that circle on the ground in

614

00:24:37,850 --> 00:24:36,419

fact they had two of them that they were

615

00:24:40,909 --> 00:24:37,860

investigating two of these large

616

00:24:42,830 --> 00:24:40,919

snowless circles where nothing grew and

617

00:24:44,630 --> 00:24:42,840

in one of the reports is stated that

618

00:24:47,570 --> 00:24:44,640

when the the investigators were out

619

00:24:49,970 --> 00:24:47,580

there they measured the um the

620

00:24:52,789 --> 00:24:49,980

circumference of the circle and 35 feet

621

00:24:54,230 --> 00:24:52,799

in diameter and then on the outside of

622

00:24:55,430 --> 00:24:54,240

the circle and the snow were drops of

623

00:24:57,830 --> 00:24:55,440

blood

624

00:25:00,409 --> 00:24:57,840

um and I was like whoa so that's another

625

00:25:02,270 --> 00:25:00,419

thing that occurred out there there was

626

00:25:04,669 --> 00:25:02,280

also these strange mysterious

627

00:25:06,710 --> 00:25:04,679

disappearing boxes which I didn't talk

628

00:25:08,870 --> 00:25:06,720

about for a long time because to me it

629

00:25:10,730 --> 00:25:08,880

just sounded like kind of like what like

630

00:25:12,890 --> 00:25:10,740

that's kind of crazy

631

00:25:14,830 --> 00:25:12,900

um and it really wasn't until other

632

00:25:18,470 --> 00:25:14,840

people started talking about similar

633

00:25:20,450 --> 00:25:18,480

boxes Skinwalker Ranch and another one

634

00:25:22,010 --> 00:25:20,460

of the guest speakers out there at the

635

00:25:24,409 --> 00:25:22,020

Ozarks is going to be a good friend of

636

00:25:26,630 --> 00:25:24,419

mine Trey Hudson and I've had the honor

637

00:25:28,610 --> 00:25:26,640

and privilege to go to his undisclosed

638

00:25:30,470 --> 00:25:28,620

location and research with his team a

639

00:25:31,789 --> 00:25:30,480

couple times and they witnessed

640

00:25:33,470 --> 00:25:31,799

something very similar you know

641

00:25:35,510 --> 00:25:33,480

different but similar in a way because

642

00:25:38,330 --> 00:25:35,520

they caught their own on theirs on floor

643

00:25:40,970 --> 00:25:38,340

camera these boxes cited out in Albert

644

00:25:44,450 --> 00:25:40,980

County however the the undersheriff bill

645

00:25:46,070 --> 00:25:44,460

wall witnessed several other people at

646

00:25:48,350 --> 00:25:46,080

the ranch house witness so it wasn't

647

00:25:51,289 --> 00:25:48,360

just one person that inter saw these

648

00:25:54,110 --> 00:25:51,299

boxes I personally witnessed the box as

649

00:25:56,149 --> 00:25:54,120

well and that was during the daytime me

650

00:25:58,310 --> 00:25:56,159

and the youngest son and the father were

651
00:26:00,470 --> 00:25:58,320
in the pickup truck with the dogs and

652
00:26:02,690 --> 00:26:00,480
there was this little outbuilding by the

653
00:26:03,350 --> 00:26:02,700
the Ponderosa Pines back behind the

654
00:26:05,990 --> 00:26:03,360
house

655
00:26:08,090 --> 00:26:06,000
and I don't know what he was getting out

656
00:26:09,590 --> 00:26:08,100
of that but then he took us around there

657
00:26:12,049 --> 00:26:09,600
was like you know where you could take

658
00:26:14,630 --> 00:26:12,059
the truck around through the woods and

659
00:26:17,690 --> 00:26:14,640
he had stopped the truck we got out and

660
00:26:20,149 --> 00:26:17,700
all of a sudden in the tree line

661
00:26:22,370 --> 00:26:20,159
about four or five feet up high were

662
00:26:24,110 --> 00:26:22,380
these flashing lights and all of a

663
00:26:25,250 --> 00:26:24,120

sudden we're get in the truck get in the

664

00:26:26,750 --> 00:26:25,260

truck they're yelling us get in the

665

00:26:29,570 --> 00:26:26,760

truck in the truck it's the box it's the

666

00:26:31,730 --> 00:26:29,580

box it's a box it's making this B kind

667

00:26:33,950 --> 00:26:31,740

of um you know like um if you're

668

00:26:36,769 --> 00:26:33,960

standing under power lines that kind of

669

00:26:38,870 --> 00:26:36,779

that this is the kind of sound it was

670

00:26:40,669 --> 00:26:38,880

making that sound

671

00:26:43,430 --> 00:26:40,679

um and so we're getting in the back of

672

00:26:45,890 --> 00:26:43,440

the truck and we look back at the tree

673

00:26:47,810 --> 00:26:45,900

line and that box was gone and that's

674

00:26:51,649 --> 00:26:47,820

the same thing the undersheriff saw and

675

00:26:57,950 --> 00:26:55,430

rolling he saw lights in this tree line

676

00:27:00,230 --> 00:26:57,960

he knew there were no houses or roads or

677

00:27:02,990 --> 00:27:00,240

lights were no light should be and he

678

00:27:04,789 --> 00:27:03,000

didn't want to approach it himself so he

679

00:27:07,310 --> 00:27:04,799

went back to get a posse Sheriff to go

680

00:27:09,649 --> 00:27:07,320

with him when they went back he saw they

681

00:27:11,269 --> 00:27:09,659

witnessed not only the Box disappear but

682

00:27:14,029 --> 00:27:11,279

the tree it's almost as if they went

683

00:27:16,490 --> 00:27:14,039

into the ground and so he talks about

684

00:27:19,070 --> 00:27:16,500

that and and reported that

685

00:27:22,070 --> 00:27:19,080

um so yeah um I just ask you a quick

686

00:27:24,409 --> 00:27:22,080

question for clarification yeah

687

00:27:26,630 --> 00:27:24,419

um can I'm sorry so the

688

00:27:30,110 --> 00:27:26,640

can you describe maybe I got confused

689

00:27:32,750 --> 00:27:30,120

there so was this like a box somewhere

690

00:27:35,870 --> 00:27:32,760

in the air or what what can you describe

691

00:27:38,570 --> 00:27:35,880

exactly in my memory it was hovering

692

00:27:40,789 --> 00:27:38,580

above the ground so it was the box

693

00:27:43,010 --> 00:27:40,799

that's how I remember it in my mind and

694

00:27:45,409 --> 00:27:43,020

in my mind it's bigger you know like a

695

00:27:49,130 --> 00:27:45,419

shoe box it was bigger than a shoe box

696

00:27:50,029 --> 00:27:49,140

right so maybe like 18 inches this way I

697

00:27:54,230 --> 00:27:50,039

don't know

698

00:27:56,090 --> 00:27:54,240

12 inches this way and 9 12 inches this

699

00:27:58,130 --> 00:27:56,100

way and it had lights on it and it was

700

00:28:00,049 --> 00:27:58,140

dark to my memory

701
00:28:02,210 --> 00:28:00,059
um and then I mean I only saw it for a

702
00:28:04,130 --> 00:28:02,220
very short time and it was like you know

703
00:28:07,430 --> 00:28:04,140
pandemonium and chaos to get in the

704
00:28:09,049 --> 00:28:07,440
truck and I I obviously could tell at my

705
00:28:10,789 --> 00:28:09,059
young age I'm a pretty young girl at

706
00:28:13,130 --> 00:28:10,799
that time between 9 and 12 years old

707
00:28:17,090 --> 00:28:13,140
that whatever that was

708
00:28:19,250 --> 00:28:17,100
my the adult in the situation was very

709
00:28:21,049 --> 00:28:19,260
afraid of it and come to find out and

710
00:28:23,450 --> 00:28:21,059
the briefing documents and other reports

711
00:28:26,090 --> 00:28:23,460
that the adults in that family had

712
00:28:28,789 --> 00:28:26,100
witnessed that same box right behind the

713
00:28:33,230 --> 00:28:28,799

ranch house and the oldest gentleman

714

00:28:36,110 --> 00:28:33,240

claims to have had basic Communications

715

00:28:38,149 --> 00:28:36,120

with these ET beings that were spotted

716

00:28:40,850 --> 00:28:38,159

on the ranch property

717

00:28:42,110 --> 00:28:40,860

um again I never witnessed ET beans I

718

00:28:43,909 --> 00:28:42,120

don't know about that but it was

719

00:28:45,890 --> 00:28:43,919

reported that there are two types

720

00:28:49,730 --> 00:28:45,900

spotted out there

721

00:28:53,029 --> 00:28:49,740

um one was very unusual looking like a

722

00:28:55,310 --> 00:28:53,039

All type of being the other ones were

723

00:28:58,130 --> 00:28:55,320

more human looking type like maybe

724

00:28:59,750 --> 00:28:58,140

Nordic type being and what was

725

00:29:01,850 --> 00:28:59,760

fascinating about that because there

726

00:29:03,730 --> 00:29:01,860

were drawings of these beings

727

00:29:07,310 --> 00:29:03,740

um in the archives

728

00:29:09,830 --> 00:29:07,320

and like I said they were very unusual

729

00:29:13,549 --> 00:29:09,840

um I actually have well one of the

730

00:29:16,190 --> 00:29:13,559

pictures here so they have these I

731

00:29:19,549 --> 00:29:16,200

wonder if I have the big one they have

732

00:29:21,350 --> 00:29:19,559

um these tubes that come out and like

733

00:29:24,049 --> 00:29:21,360

wrinkles wrinkles on the forehead

734

00:29:26,029 --> 00:29:24,059

wrinkles around the mouth these

735

00:29:29,090 --> 00:29:26,039

um not big wrap around eyes but almond

736

00:29:30,769 --> 00:29:29,100

type eyes and I didn't share it anywhere

737

00:29:32,029 --> 00:29:30,779

I thought you know what I've never seen

738

00:29:33,649 --> 00:29:32,039

anything quite like this I'm going to

739

00:29:36,110 --> 00:29:33,659

put it in my back pocket and see if I

740

00:29:38,450 --> 00:29:36,120

can find anything anywhere in you know

741

00:29:41,930 --> 00:29:38,460

and all the research that I could do and

742

00:29:43,490 --> 00:29:41,940

so as fate would have it because these

743

00:29:44,930 --> 00:29:43,500

coincidence seem to happen to a lot of

744

00:29:47,570 --> 00:29:44,940

us all the time and this is one of those

745

00:29:50,029 --> 00:29:47,580

times I'm we had a guest speaker that we

746

00:29:51,409 --> 00:29:50,039

had invited to come speak about a

747

00:29:53,570 --> 00:29:51,419

property that he had written a book

748

00:29:55,789 --> 00:29:53,580

about and his name was Sean Bartok and

749

00:29:58,070 --> 00:29:55,799

he wrote a book called flashbacks and it

750

00:30:02,029 --> 00:29:58,080

was about his property in Castle Rock

751
00:30:04,789 --> 00:30:02,039
Colorado I come to find out later that

752
00:30:06,649 --> 00:30:04,799
in fact his property

753
00:30:08,570 --> 00:30:06,659
is not in Castle Rock was actually

754
00:30:10,669 --> 00:30:08,580
closer to our Ranch in fact it was only

755
00:30:12,590 --> 00:30:10,679
14 miles away from the ranch in my

756
00:30:14,510 --> 00:30:12,600
childhood and I'm sitting there in the

757
00:30:18,529 --> 00:30:14,520
third row just watching his presentation

758
00:30:21,230 --> 00:30:18,539
and up Pops a drawing of these beings

759
00:30:25,789 --> 00:30:21,240
that him and his family have had contact

760
00:30:27,590 --> 00:30:25,799
with and my job was like what and this

761
00:30:29,810 --> 00:30:27,600
is the so

762
00:30:30,470 --> 00:30:29,820
um these are them

763
00:30:33,049 --> 00:30:30,480

um

764

00:30:35,029 --> 00:30:33,059

and this one here Sean bartocks and this

765

00:30:38,090 --> 00:30:35,039

is the one on our Ranch we never knew

766

00:30:40,850 --> 00:30:38,100

each other and he said these are tubes

767

00:30:43,370 --> 00:30:40,860

and so these tubes he said come out so

768

00:30:45,350 --> 00:30:43,380

these are this was

769

00:30:47,990 --> 00:30:45,360

his with the tubes out and this is the

770

00:30:51,470 --> 00:30:48,000

guy from the ranch and

771

00:30:54,169 --> 00:30:51,480

um I did a overlay of their faces and

772

00:30:56,870 --> 00:30:54,179

they're so similar

773

00:30:59,450 --> 00:30:56,880

um with the wrinkles and the eye shape

774

00:31:01,490 --> 00:30:59,460

and all of it that I I I was just

775

00:31:03,769 --> 00:31:01,500

dumbfounded by that so

776

00:31:06,230 --> 00:31:03,779

um and a lot of the experiences that um

777

00:31:08,389 --> 00:31:06,240

Sean Bartok had and and written about in

778

00:31:10,970 --> 00:31:08,399

his book were almost identical to what

779

00:31:13,850 --> 00:31:10,980

was happening out there in Albert County

780

00:31:16,669 --> 00:31:13,860

and what's fascinating about that is out

781

00:31:18,950 --> 00:31:16,679

there from where his place was to where

782

00:31:20,510 --> 00:31:18,960

that ranch is and even continues on down

783

00:31:22,970 --> 00:31:20,520

because there's activity going on not

784

00:31:26,330 --> 00:31:22,980

just at the ranch this is a phenomenon

785

00:31:28,010 --> 00:31:26,340

that was happening in in Kiowa in in

786

00:31:30,529 --> 00:31:28,020

Elizabeth and really all through the

787

00:31:33,350 --> 00:31:30,539

county through that whole valley there

788

00:31:35,029 --> 00:31:33,360

um and so it's it's sort of driven me to

789

00:31:38,630 --> 00:31:35,039

find out like what is it about that area

790

00:31:40,850 --> 00:31:38,640

that's attracting this phenomena

791

00:31:43,669 --> 00:31:40,860

so Katie I wanted to ask specifically

792

00:31:46,370 --> 00:31:43,679

about the move on investigators and then

793

00:31:48,110 --> 00:31:46,380

just just maybe uh I already know the

794

00:31:50,750 --> 00:31:48,120

answer but just for somebody who just

795

00:31:52,850 --> 00:31:50,760

now maybe really finding out about mufon

796

00:31:56,269 --> 00:31:52,860

or wanting to know more specifics so

797

00:31:57,769 --> 00:31:56,279

being part of mufant you know I don't

798

00:31:59,690 --> 00:31:57,779

want to put words in your mouth but in

799

00:32:03,169 --> 00:31:59,700

my opinion it comes with a certain bias

800

00:32:05,269 --> 00:32:03,179

that you have you know you are

801
00:32:06,889 --> 00:32:05,279
you're willing to open your mind to

802
00:32:09,590 --> 00:32:06,899
something more than just a conventional

803
00:32:12,350 --> 00:32:09,600
you know and I know that even though

804
00:32:14,510 --> 00:32:12,360
most of them are you know very much into

805
00:32:16,450 --> 00:32:14,520
UFOs and trying to figure that out they

806
00:32:19,730 --> 00:32:16,460
still take the scientific approach to

807
00:32:20,870 --> 00:32:19,740
investigate a a spot or whatever that

808
00:32:22,490 --> 00:32:20,880
may be

809
00:32:24,889 --> 00:32:22,500
um can you please talk a little bit

810
00:32:27,710 --> 00:32:24,899
about that process of of investigating

811
00:32:29,510 --> 00:32:27,720
and so that if somebody's you know

812
00:32:31,850 --> 00:32:29,520
either watching something from mufan or

813
00:32:33,710 --> 00:32:31,860

reading something so that they know it's

814

00:32:35,930 --> 00:32:33,720

not just coming from just orange

815

00:32:38,810 --> 00:32:35,940

believer but that there's more research

816

00:32:40,430 --> 00:32:38,820

done about a certain investigation yeah

817

00:32:42,470 --> 00:32:40,440

absolutely and that's the one thing I

818

00:32:43,610 --> 00:32:42,480

really do appreciate about mufon um

819

00:32:44,990 --> 00:32:43,620

number one

820

00:32:47,269 --> 00:32:45,000

um there's you know it's a volunteer

821

00:32:49,430 --> 00:32:47,279

organization so our field investigators

822

00:32:51,769 --> 00:32:49,440

number one they're they're well trained

823

00:32:53,570 --> 00:32:51,779

I mean the the the training manual is

824

00:32:56,029 --> 00:32:53,580

like this and so and then they have

825

00:32:58,250 --> 00:32:56,039

mufano University so you go and you you

826

00:33:00,470 --> 00:32:58,260

actually learn you know about aircraft

827

00:33:02,870 --> 00:33:00,480

and we do take a scientific approach and

828

00:33:05,990 --> 00:33:02,880

a lot a lot of the work field

829

00:33:08,930 --> 00:33:06,000

investigators do yes there's times where

830

00:33:11,029 --> 00:33:08,940

we go out on location and and do soil

831

00:33:12,649 --> 00:33:11,039

tests and and interviews with the

832

00:33:14,330 --> 00:33:12,659

witness but the majority of things that

833

00:33:15,830 --> 00:33:14,340

move on get are lights in the sky and

834

00:33:17,930 --> 00:33:15,840

that so you know a lot of our

835

00:33:21,350 --> 00:33:17,940

investigators spend time on their

836

00:33:23,630 --> 00:33:21,360

laptops looking at Flightradar24 looking

837

00:33:26,269 --> 00:33:23,640

at heavens above looking at stellarium

838

00:33:29,330 --> 00:33:26,279

learning about photophorensics you know

839

00:33:32,149 --> 00:33:29,340

uh unfortunately those hoaxes get get

840

00:33:33,889 --> 00:33:32,159

put into the system so you know we it

841

00:33:35,090 --> 00:33:33,899

does take training and I like that side

842

00:33:36,710 --> 00:33:35,100

of mufon

843

00:33:38,810 --> 00:33:36,720

um plus there's just really good people

844

00:33:40,370 --> 00:33:38,820

within mufon

845

00:33:42,110 --> 00:33:40,380

um Colorado group's really close I'm

846

00:33:43,970 --> 00:33:42,120

really close with Stacy Wright's group

847

00:33:46,070 --> 00:33:43,980

out there in Phoenix or I mean they

848

00:33:47,750 --> 00:33:46,080

become family to us and a lot of

849

00:33:49,070 --> 00:33:47,760

training we have the boot camp Stacy

850

00:33:50,630 --> 00:33:49,080

offers the boot camp out there in

851

00:33:53,570 --> 00:33:50,640

Phoenix and it's it's a great time it's

852

00:33:55,490 --> 00:33:53,580

a whole weekend event and um I do really

853

00:33:57,649 --> 00:33:55,500

appreciate that so

854

00:33:59,690 --> 00:33:57,659

um yeah there's a lot to it

855

00:34:02,210 --> 00:33:59,700

um and they do really stick to the nuts

856

00:34:03,769 --> 00:34:02,220

and bolts um UFO science they really

857

00:34:05,870 --> 00:34:03,779

don't like to delve into the high

858

00:34:08,149 --> 00:34:05,880

strangeness area so it gets a little

859

00:34:09,889 --> 00:34:08,159

tricky for me sometimes because you know

860

00:34:12,710 --> 00:34:09,899

where my interest and my passion and my

861

00:34:14,510 --> 00:34:12,720

experiences like I I connect all these

862

00:34:17,089 --> 00:34:14,520

dots um you know out there on the ranch

863

00:34:19,790 --> 00:34:17,099

too we had crypto creatures and

864

00:34:22,129 --> 00:34:19,800

Sasquatch sightings as well and this was

865

00:34:23,990 --> 00:34:22,139

in Dr Leo sprinkle's folder of the

866

00:34:25,609 --> 00:34:24,000

Sasquatch being that was seen out there

867

00:34:28,129 --> 00:34:25,619

and

868

00:34:29,750 --> 00:34:28,139

um it's interesting um Bob Salas

869

00:34:32,869 --> 00:34:29,760

contacted me

870

00:34:34,909 --> 00:34:32,879

um and said during that same time there

871

00:34:37,730 --> 00:34:34,919

were these same type of creatures seen

872

00:34:40,369 --> 00:34:37,740

out there in Montana

873

00:34:41,810 --> 00:34:40,379

and so he actually sent the drawings

874

00:34:44,030 --> 00:34:41,820

from that and they're almost a spot on

875

00:34:46,250 --> 00:34:44,040

Match as well so um you know these are

876

00:34:49,010 --> 00:34:46,260

things mufon doesn't get into the the

877

00:34:51,409 --> 00:34:49,020

sasquatch hunting or the crypto animals

878

00:34:54,050 --> 00:34:51,419

or or those kind of things but I think

879

00:34:56,089 --> 00:34:54,060

you know there's definitely you have to

880

00:34:57,829 --> 00:34:56,099

look at everything through a scientific

881

00:35:00,710 --> 00:34:57,839

lens as well

882

00:35:03,109 --> 00:35:00,720

um and you know chain of custody and and

883

00:35:04,849 --> 00:35:03,119

going to to David marler's research Out

884

00:35:07,250 --> 00:35:04,859

Center out there outside of Albuquerque

885

00:35:10,430 --> 00:35:07,260

that's all very important um to get that

886

00:35:11,030 --> 00:35:10,440

data as well so I value all sides of it

887

00:35:12,770 --> 00:35:11,040

um

888

00:35:15,710 --> 00:35:12,780

for sure

889

00:35:17,150 --> 00:35:15,720

okay you mentioned um Cryptids can you

890

00:35:20,150 --> 00:35:17,160

please speak a little bit about that

891

00:35:22,490 --> 00:35:20,160

like Bigfoot or some other creatures

892

00:35:24,589 --> 00:35:22,500

yeah I'm you know out there that's that

893

00:35:26,030 --> 00:35:24,599

was reported out there that um you

894

00:35:27,829 --> 00:35:26,040

always felt a sense of being watched

895

00:35:30,410 --> 00:35:27,839

which um you know that's the other

896

00:35:31,790 --> 00:35:30,420

interesting phenomenon here that that

897

00:35:34,990 --> 00:35:31,800

second book that just came out

898

00:35:37,550 --> 00:35:35,000

skinwalkers at the Pentagon I had always

899

00:35:38,870 --> 00:35:37,560

compartmentalized a lot of these um

900

00:35:41,450 --> 00:35:38,880

different activity like I mentioned at

901
00:35:43,069 --> 00:35:41,460
the top of the show a lot of paranormal

902
00:35:44,930 --> 00:35:43,079
things were always around not only me

903
00:35:47,630 --> 00:35:44,940
but my family the houses we lived in and

904
00:35:49,910 --> 00:35:47,640
so forth and so on and I never really

905
00:35:51,410 --> 00:35:49,920
connected it to the phenomena on the

906
00:35:54,770 --> 00:35:51,420
ranch

907
00:35:57,170 --> 00:35:54,780
um I had encounters with these big tall

908
00:35:58,550 --> 00:35:57,180
Shadow beans in my room at my house not

909
00:36:01,490 --> 00:35:58,560
on the ranch

910
00:36:03,290 --> 00:36:01,500
um blue balls of orb lights Paranormal

911
00:36:04,609 --> 00:36:03,300
Activity although all those kind of

912
00:36:06,230 --> 00:36:04,619
things and

913
00:36:07,790 --> 00:36:06,240

um it wasn't until that book and other

914

00:36:09,890 --> 00:36:07,800

people started coming out and talking

915

00:36:12,230 --> 00:36:09,900

about it that hey once you go visit

916

00:36:15,170 --> 00:36:12,240

these high strangest locations a lot of

917

00:36:16,970 --> 00:36:15,180

times these phenomena follow you home or

918

00:36:20,810 --> 00:36:16,980

if you have encounters or close contact

919

00:36:23,450 --> 00:36:20,820

with um craft or ETS that that happens

920

00:36:27,770 --> 00:36:23,460

so I do believe that's all interwoven

921

00:36:29,930 --> 00:36:27,780

together and um so you know

922

00:36:31,730 --> 00:36:29,940

well uh please do share some of your

923

00:36:33,650 --> 00:36:31,740

experiences if you don't mind

924

00:36:35,630 --> 00:36:33,660

yeah like I said

925

00:36:37,609 --> 00:36:35,640

um you know one of the nights the

926
00:36:39,170 --> 00:36:37,619
scariest night actually on the ranch for

927
00:36:41,089 --> 00:36:39,180
my sister and I

928
00:36:42,829 --> 00:36:41,099
um it was the boys's mother's birthday

929
00:36:44,450 --> 00:36:42,839
and so we were out there celebrating

930
00:36:46,010 --> 00:36:44,460
that

931
00:36:48,710 --> 00:36:46,020
um the adults are playing board games in

932
00:36:51,710 --> 00:36:48,720
the the front part of the ranch house it

933
00:36:53,810 --> 00:36:51,720
was really late at night perhaps you

934
00:36:55,910 --> 00:36:53,820
know midnight even after midnight and

935
00:36:57,589 --> 00:36:55,920
the three boys my sister and I was the

936
00:37:00,290 --> 00:36:57,599
youngest of all the kids were hanging

937
00:37:01,550 --> 00:37:00,300
out in in the boys's room and all of a

938
00:37:04,250 --> 00:37:01,560

sudden that strange humming noise

939

00:37:06,050 --> 00:37:04,260

started up and of course that was always

940

00:37:07,970 --> 00:37:06,060

like when that when you heard that

941

00:37:09,950 --> 00:37:07,980

humming sound something else was gonna

942

00:37:12,470 --> 00:37:09,960

happen and

943

00:37:15,530 --> 00:37:12,480

um at that time all the power in the

944

00:37:17,870 --> 00:37:15,540

house went out and so of course we're

945

00:37:19,430 --> 00:37:17,880

all panicking candles flashlights oh my

946

00:37:21,829 --> 00:37:19,440

gosh the humming noise going on what's

947

00:37:23,329 --> 00:37:21,839

going on at that time the brightest

948

00:37:25,069 --> 00:37:23,339

light I had ever seen in my life like

949

00:37:26,870 --> 00:37:25,079

brighter than the sun came in through

950

00:37:30,170 --> 00:37:26,880

that window

951
00:37:33,609 --> 00:37:30,180
um and it was at that time that this it

952
00:37:36,650 --> 00:37:33,619
sounded like a mechanical

953
00:37:38,270 --> 00:37:36,660
mechanical sounding voice from every

954
00:37:40,609 --> 00:37:38,280
orifice of the house that you couldn't

955
00:37:43,310 --> 00:37:40,619
tell where the voice was coming from but

956
00:37:45,530 --> 00:37:43,320
it was loud and it was a warning it was

957
00:37:47,630 --> 00:37:45,540
like a threat it was you know we have

958
00:37:49,010 --> 00:37:47,640
allowed you to remain your friends will

959
00:37:50,690 --> 00:37:49,020
be instructed to remain silent

960
00:37:52,730 --> 00:37:50,700
concerning us

961
00:37:54,890 --> 00:37:52,740
um and and and that's from that point on

962
00:37:57,109 --> 00:37:54,900
it was like my sister and I were told

963
00:38:00,050 --> 00:37:57,119

not to talk about anything that happened

964

00:38:01,010 --> 00:38:00,060

out there on the ranch and we didn't for

965

00:38:03,170 --> 00:38:01,020

years

966

00:38:04,490 --> 00:38:03,180

um my sister and I created

967

00:38:06,230 --> 00:38:04,500

um our own kind of like little secret

968

00:38:08,150 --> 00:38:06,240

language so we can talk to each other

969

00:38:09,710 --> 00:38:08,160

about these strange things because the

970

00:38:11,270 --> 00:38:09,720

boys would come home from the weekends

971

00:38:12,829 --> 00:38:11,280

and talk about all these you know cattle

972

00:38:14,810 --> 00:38:12,839

mutilations were on the ranch and all

973

00:38:17,569 --> 00:38:14,820

these things that were happening but we

974

00:38:20,990 --> 00:38:17,579

couldn't talk about it so we we did that

975

00:38:25,130 --> 00:38:21,000

but when we came home from that night to

976

00:38:27,710 --> 00:38:25,140

our house I walked into the door and I

977

00:38:30,170 --> 00:38:27,720

remember falling to the ground and I was

978

00:38:31,730 --> 00:38:30,180

like paralyzed and I couldn't speak

979

00:38:32,990 --> 00:38:31,740

because my mom and my sister were like

980

00:38:34,970 --> 00:38:33,000

what did you eat what's wrong with you

981

00:38:36,890 --> 00:38:34,980

what did you eat and I was trying to say

982

00:38:38,690 --> 00:38:36,900

peanut butter and jelly sandwiches and I

983

00:38:40,490 --> 00:38:38,700

couldn't even speak and I was probably

984

00:38:42,290 --> 00:38:40,500

in that state for I don't know three to

985

00:38:44,150 --> 00:38:42,300

five minutes or something and then

986

00:38:45,710 --> 00:38:44,160

finally they got me upstairs to my

987

00:38:47,390 --> 00:38:45,720

bedroom and I suffered my first

988

00:38:50,810 --> 00:38:47,400

full-blown migraine headache at that

989

00:38:52,310 --> 00:38:50,820

time that night and um it was awful you

990

00:38:54,170 --> 00:38:52,320

know the whole whole thing and I

991

00:38:55,730 --> 00:38:54,180

suffered those for several years after

992

00:38:57,770 --> 00:38:55,740

until I finally went through a Year's

993

00:38:59,990 --> 00:38:57,780

worth of biofeedback training which got

994

00:39:02,450 --> 00:39:00,000

those headaches under control so I don't

995

00:39:04,970 --> 00:39:02,460

know if something happened at that ranch

996

00:39:06,770 --> 00:39:04,980

that affected me personally but but that

997

00:39:08,810 --> 00:39:06,780

to me was the scariest night on the

998

00:39:11,930 --> 00:39:08,820

ranch that disembodied electrical voice

999

00:39:14,630 --> 00:39:11,940

and again I don't know you know in my

1000

00:39:16,609 --> 00:39:14,640

mind you know if the military is out

1001
00:39:18,530 --> 00:39:16,619
there doing black access projects could

1002
00:39:21,290 --> 00:39:18,540
they have staged all that to frighten

1003
00:39:23,150 --> 00:39:21,300
these people off the land however that

1004
00:39:24,230 --> 00:39:23,160
landsat bacon for years and years and

1005
00:39:26,329 --> 00:39:24,240
years they could have just bought the

1006
00:39:28,490 --> 00:39:26,339
land so it doesn't make sense to me that

1007
00:39:30,710 --> 00:39:28,500
that would have been the case

1008
00:39:31,790 --> 00:39:30,720
um you know another thing I learned

1009
00:39:33,770 --> 00:39:31,800
about

1010
00:39:35,990 --> 00:39:33,780
in the briefing document through my

1011
00:39:37,490 --> 00:39:36,000
research was that there were um and I

1012
00:39:41,870 --> 00:39:37,500
actually have the foia report right here

1013
00:39:44,690 --> 00:39:41,880

there were two a7d craft that supposedly

1014

00:39:46,430 --> 00:39:44,700

were in pursuit of a UFO

1015

00:39:48,650 --> 00:39:46,440

um that crashed they were scrambled on

1016

00:39:50,990 --> 00:39:48,660

at Buckley Air Force Base and I thought

1017

00:39:52,849 --> 00:39:51,000

well if two a7ds crashed there certainly

1018

00:39:55,190 --> 00:39:52,859

would be information on that and I found

1019

00:39:57,470 --> 00:39:55,200

the articles about it and then foia the

1020

00:40:01,430 --> 00:39:57,480

Air Force and um got the reports back

1021

00:40:03,290 --> 00:40:01,440

and and good and good foia fashion a lot

1022

00:40:04,670 --> 00:40:03,300

of it's blackened out um right when it

1023

00:40:07,190 --> 00:40:04,680

gets to the good juicy Parts you know

1024

00:40:09,230 --> 00:40:07,200

you have the whole places that are just

1025

00:40:11,810 --> 00:40:09,240

completely look at that one completely

1026

00:40:15,050 --> 00:40:11,820

blacked out oh wow

1027

00:40:17,329 --> 00:40:15,060

um but what I found interesting were

1028

00:40:19,550 --> 00:40:17,339

um they go they list the causes of the

1029

00:40:22,270 --> 00:40:19,560

accident and what they claim to have

1030

00:40:25,370 --> 00:40:22,280

happened was this was in the evening

1031

00:40:27,730 --> 00:40:25,380

they scrambled two Jets over residential

1032

00:40:31,970 --> 00:40:27,740

areas out there near Elizabeth and Kiowa

1033

00:40:35,089 --> 00:40:31,980

and it was supposedly an instructor and

1034

00:40:37,490 --> 00:40:35,099

a student and in one of the lists of the

1035

00:40:38,589 --> 00:40:37,500

causes of the crash is said that the

1036

00:40:42,290 --> 00:40:38,599

instructor

1037

00:40:45,650 --> 00:40:42,300

misidentifies another craft

1038

00:40:47,450 --> 00:40:45,660

as the students and hits the tail and

1039

00:40:50,329 --> 00:40:47,460

they both go down but it never

1040

00:40:52,069 --> 00:40:50,339

identifies what the other craft was

1041

00:40:54,470 --> 00:40:52,079

um that it doesn't say it was a Cessna

1042

00:40:57,170 --> 00:40:54,480

the Tower Records don't don't identify

1043

00:41:00,050 --> 00:40:57,180

another craft and then it lists a whole

1044

00:41:02,990 --> 00:41:00,060

the the main cause they give for the

1045

00:41:05,150 --> 00:41:03,000

crash crash is that the student had

1046

00:41:07,910 --> 00:41:05,160

turned off his Beacon Light instead of

1047

00:41:10,430 --> 00:41:07,920

turning it on both Pilots ejected both

1048

00:41:12,589 --> 00:41:10,440

Pilots survived but it's a very

1049

00:41:15,890 --> 00:41:12,599

suspicious unusual

1050

00:41:18,650 --> 00:41:15,900

um encounter and report so much so that

1051
00:41:20,329 --> 00:41:18,660
the head of foia for the Air Force calls

1052
00:41:22,609 --> 00:41:20,339
me personally on my cell phone and talks

1053
00:41:24,170 --> 00:41:22,619
to me for 30 minutes and says listen if

1054
00:41:27,530 --> 00:41:24,180
you want any more information about that

1055
00:41:29,390 --> 00:41:27,540
area I want you to call me directly so

1056
00:41:30,650 --> 00:41:29,400
um I was like whoa okay

1057
00:41:32,270 --> 00:41:30,660
and I haven't

1058
00:41:34,190 --> 00:41:32,280
more because it kind of frightened me a

1059
00:41:36,829 --> 00:41:34,200
little

1060
00:41:38,270 --> 00:41:36,839
so just so many things so much was

1061
00:41:40,430 --> 00:41:38,280
happening out there and

1062
00:41:42,050 --> 00:41:40,440
I I don't know you know I I've come to

1063
00:41:44,150 --> 00:41:42,060

the conclusions that

1064

00:41:46,190 --> 00:41:44,160

you know maybe half of it was our

1065

00:41:48,770 --> 00:41:46,200

military out there and half of it was

1066

00:41:51,650 --> 00:41:48,780

unknown unexplained phenomenon again

1067

00:41:53,510 --> 00:41:51,660

chicken or the egg was one you know were

1068

00:41:55,790 --> 00:41:53,520

they out there investigating the the

1069

00:41:57,770 --> 00:41:55,800

unusual things I don't know

1070

00:42:00,829 --> 00:41:57,780

well you know um especially when it

1071

00:42:01,609 --> 00:42:00,839

comes to that kind of a presence of the

1072

00:42:02,210 --> 00:42:01,619

different

1073

00:42:04,010 --> 00:42:02,220

um

1074

00:42:05,630 --> 00:42:04,020

you know government agencies whoever

1075

00:42:08,210 --> 00:42:05,640

what they are whether it's a military or

1076

00:42:10,310 --> 00:42:08,220

whatever government in general

1077

00:42:13,069 --> 00:42:10,320

um as you were talking about that uh

1078

00:42:15,170 --> 00:42:13,079

electronic uh or you said electronic

1079

00:42:17,329 --> 00:42:15,180

voice right made me think of uh

1080

00:42:18,710 --> 00:42:17,339

something it was a while back and helped

1081

00:42:21,109 --> 00:42:18,720

me out if you know where I'm going with

1082

00:42:24,349 --> 00:42:21,119

this uh I think his name is Nick beggane

1083

00:42:27,230 --> 00:42:24,359

I think and he's kind of covering the

1084

00:42:29,030 --> 00:42:27,240

the harp uh and basically trying to he

1085

00:42:30,470 --> 00:42:29,040

there was a there was a documentary

1086

00:42:32,569 --> 00:42:30,480

where he

1087

00:42:36,230 --> 00:42:32,579

um gave an example to a person about

1088

00:42:39,650 --> 00:42:36,240

what what it would look like receiving a

1089

00:42:42,950 --> 00:42:39,660

um Wireless uh basically a wireless

1090

00:42:44,990 --> 00:42:42,960

um transmission of a voice and he had

1091

00:42:47,089 --> 00:42:45,000

the CD player and all of that and he was

1092

00:42:49,790 --> 00:42:47,099

just basically then transmitting it to

1093

00:42:51,650 --> 00:42:49,800

where they could hear what what was you

1094

00:42:53,750 --> 00:42:51,660

know whatever I think it was the CD what

1095

00:42:55,550 --> 00:42:53,760

was playing on that and that was

1096

00:42:57,890 --> 00:42:55,560

happening wirelessly so he was kind of

1097

00:42:59,390 --> 00:42:57,900

doing his research in that that you know

1098

00:43:02,150 --> 00:42:59,400

speculated the government would

1099

00:43:03,530 --> 00:43:02,160

definitely have this if he has these uh

1100

00:43:07,130 --> 00:43:03,540

you know very

1101
00:43:09,109 --> 00:43:07,140
um I guess basic version of that in his

1102
00:43:10,910 --> 00:43:09,119
in his possession I don't know if he

1103
00:43:13,790 --> 00:43:10,920
developed it or if somebody gave it to

1104
00:43:15,470 --> 00:43:13,800
him but if he had that he said you know

1105
00:43:17,270 --> 00:43:15,480
the Assumption was that this government

1106
00:43:20,150 --> 00:43:17,280
definitely has something much much

1107
00:43:22,370 --> 00:43:20,160
better much more refined and so I

1108
00:43:23,990 --> 00:43:22,380
wouldn't be surprised if if they're

1109
00:43:25,609 --> 00:43:24,000
around there and already toying with

1110
00:43:27,349 --> 00:43:25,619
people like with that helicopter that

1111
00:43:29,870 --> 00:43:27,359
they wouldn't be applying something like

1112
00:43:32,329 --> 00:43:29,880
that to to others to either mess with

1113
00:43:33,710 --> 00:43:32,339

them or just keep them away but yeah I'm

1114

00:43:36,109 --> 00:43:33,720

gonna have to look up um he's been on

1115

00:43:37,849 --> 00:43:36,119

Coast to Coast many times you know and I

1116

00:43:39,710 --> 00:43:37,859

think his name was Nick baggage but I'll

1117

00:43:41,809 --> 00:43:39,720

look it up I'm sorry if I'm if I'm not

1118

00:43:44,329 --> 00:43:41,819

I'm not saying the right name to those

1119

00:43:46,370 --> 00:43:44,339

even watching or if I'm just you know

1120

00:43:48,710 --> 00:43:46,380

not having the you know right person in

1121

00:43:52,370 --> 00:43:48,720

mind but um

1122

00:43:53,870 --> 00:43:52,380

do you basically this person that you

1123

00:43:56,930 --> 00:43:53,880

know did you in touch with

1124

00:43:59,630 --> 00:43:56,940

um is this a a rarity or does this

1125

00:44:01,730 --> 00:43:59,640

happen often to where they kind of you

1126
00:44:04,490 --> 00:44:01,740
know want to reach out and and kind of

1127
00:44:07,010 --> 00:44:04,500
help out if I guess if something on

1128
00:44:08,210 --> 00:44:07,020
their end is not going as easily let's

1129
00:44:10,730 --> 00:44:08,220
say the government is not this

1130
00:44:13,550 --> 00:44:10,740
forthcoming and then they end up calling

1131
00:44:15,470 --> 00:44:13,560
you or being on a cell phone a cell

1132
00:44:17,690 --> 00:44:15,480
phone basis there yeah no it doesn't

1133
00:44:19,730 --> 00:44:17,700
happen often um I feel like it's

1134
00:44:23,870 --> 00:44:19,740
happened a few times where I feel like

1135
00:44:25,430 --> 00:44:23,880
you know I I do feel I can say this I

1136
00:44:27,650 --> 00:44:25,440
feel like

1137
00:44:30,530 --> 00:44:27,660
whoever they are that might have some of

1138
00:44:31,910 --> 00:44:30,540

these answers I think they know who I am

1139

00:44:34,430 --> 00:44:31,920
and I think they know I've been

1140

00:44:36,650 --> 00:44:34,440
researching this for over a decade

1141

00:44:37,970 --> 00:44:36,660
um and I'm certain that you know they're

1142

00:44:39,950 --> 00:44:37,980
probably going on what is she finding

1143

00:44:41,569 --> 00:44:39,960
out next if they're trying to keep a

1144

00:44:44,210 --> 00:44:41,579
secret I don't know what that secret

1145

00:44:45,950 --> 00:44:44,220
could be and I don't know why you know

1146

00:44:46,790 --> 00:44:45,960
like I said before like they could have

1147

00:44:49,910 --> 00:44:46,800
just

1148

00:44:53,150 --> 00:44:49,920
gotten access to this land it was vacant

1149

00:44:55,130 --> 00:44:53,160
for you know almost 12 years and there

1150

00:44:58,010 --> 00:44:55,140
was rumors about this property long

1151
00:45:00,710 --> 00:44:58,020
before this family bought the ranch in

1152
00:45:02,690 --> 00:45:00,720
fact they were um big balls of orange

1153
00:45:04,490 --> 00:45:02,700
lights flying on and off this property

1154
00:45:07,190 --> 00:45:04,500
for years

1155
00:45:10,010 --> 00:45:07,200
um and according to the folklore of that

1156
00:45:12,710 --> 00:45:10,020
property the people who owned it before

1157
00:45:14,210 --> 00:45:12,720
um actually left in a hurry and left the

1158
00:45:16,010 --> 00:45:14,220
keys in the ignition of the pickup truck

1159
00:45:19,190 --> 00:45:16,020
there were all sorts of abandoned cars

1160
00:45:21,170 --> 00:45:19,200
out there still is to this day and um

1161
00:45:24,109 --> 00:45:21,180
another interesting thing learning the

1162
00:45:25,790 --> 00:45:24,119
history of the property itself I uh it

1163
00:45:28,790 --> 00:45:25,800

used to be you know the Mulligan and I

1164

00:45:31,430 --> 00:45:28,800

learned about Dick Mulligan and he was

1165

00:45:33,829 --> 00:45:31,440

born and raised on this property and he

1166

00:45:36,109 --> 00:45:33,839

ended up in later in life

1167

00:45:37,670 --> 00:45:36,119

um being one of the caretakers up at

1168

00:45:40,130 --> 00:45:37,680

Winter Park Ski Resort here in Colorado

1169

00:45:42,650 --> 00:45:40,140

in one of the black ski lifts which is

1170

00:45:44,930 --> 00:45:42,660

the difficult ski runs is named

1171

00:45:46,730 --> 00:45:44,940

Mulligan's Mile and there was an article

1172

00:45:49,609 --> 00:45:46,740

written about Mulligan's Mile and about

1173

00:45:53,210 --> 00:45:49,619

about Dick Mulligan and how he had this

1174

00:45:55,670 --> 00:45:53,220

reputation of being this guy who just um

1175

00:45:58,609 --> 00:45:55,680

was an exaggerator and telling tall

1176

00:46:01,010 --> 00:45:58,619

tales and Tall stories and I was like oh

1177

00:46:02,809 --> 00:46:01,020

man you know he he grew up on this Ranch

1178

00:46:05,150 --> 00:46:02,819

property I don't think he was telling

1179

00:46:07,130 --> 00:46:05,160

Tall Tales or tall stories so I thought

1180

00:46:08,630 --> 00:46:07,140

that was really fascinating but yeah I

1181

00:46:10,250 --> 00:46:08,640

don't know what the answer is there with

1182

00:46:12,230 --> 00:46:10,260

the military and what role they played

1183

00:46:13,670 --> 00:46:12,240

and and if they were intentionally

1184

00:46:16,370 --> 00:46:13,680

trying to scare people with these

1185

00:46:19,550 --> 00:46:16,380

humming sounds and these helicopters and

1186

00:46:22,030 --> 00:46:19,560

and perhaps this voice and and these

1187

00:46:25,730 --> 00:46:22,040

boxes or whatever like

1188

00:46:26,930 --> 00:46:25,740

uh you know what why what what is the

1189

00:46:28,910 --> 00:46:26,940

purpose what are they trying to keep us

1190

00:46:30,710 --> 00:46:28,920

from seeing and again why didn't they

1191

00:46:32,089 --> 00:46:30,720

just acquire the land so so many

1192

00:46:33,770 --> 00:46:32,099

unanswered questions and that's really

1193

00:46:36,170 --> 00:46:33,780

what keeps me going people will ask me

1194

00:46:38,809 --> 00:46:36,180

like why are you still so you know

1195

00:46:40,790 --> 00:46:38,819

interested and you just won't let this

1196

00:46:42,530 --> 00:46:40,800

alone and I well number one it affected

1197

00:46:44,930 --> 00:46:42,540

me and my family and my sister and my

1198

00:46:47,030 --> 00:46:44,940

mother very personally

1199

00:46:48,710 --> 00:46:47,040

um and um and I still don't have answers

1200

00:46:51,890 --> 00:46:48,720

to so many of these questions like so

1201

00:46:57,230 --> 00:46:54,290

right well I mean it seems like we'll

1202

00:46:59,510 --> 00:46:57,240

all be I mean it's such a I don't know

1203

00:47:01,910 --> 00:46:59,520

cliche to say but I think we'll be still

1204

00:47:04,250 --> 00:47:01,920

searching for years to come so yeah I

1205

00:47:06,410 --> 00:47:04,260

hope not right foreign

1206

00:47:09,410 --> 00:47:06,420

well at least when it comes to the the

1207

00:47:10,910 --> 00:47:09,420

government part you know because the you

1208

00:47:13,069 --> 00:47:10,920

know through my experience and this is

1209

00:47:15,650 --> 00:47:13,079

just you know obviously for a nuts and

1210

00:47:17,870 --> 00:47:15,660

bolts person that's too too quacky and

1211

00:47:19,609 --> 00:47:17,880

too crazy but you know it's easy to

1212

00:47:22,010 --> 00:47:19,619

receive more answers from the aliens

1213

00:47:24,230 --> 00:47:22,020

than it is from our own governments you

1214

00:47:27,290 --> 00:47:24,240

know right I've always sort of

1215

00:47:30,230 --> 00:47:27,300

sort of as well and in fact

1216

00:47:32,990 --> 00:47:30,240

taking my mufon how off and setting it

1217

00:47:35,030 --> 00:47:33,000

aside I do believe that these phenomena

1218

00:47:37,430 --> 00:47:35,040

are interconnected that there's a big

1219

00:47:39,410 --> 00:47:37,440

Consciousness piece to this that because

1220

00:47:40,970 --> 00:47:39,420

something even as a move on a field

1221

00:47:42,890 --> 00:47:40,980

investigator something you learn pretty

1222

00:47:45,109 --> 00:47:42,900

quickly as you're doing these cases and

1223

00:47:46,910 --> 00:47:45,119

working these cases is you'll get so

1224

00:47:48,950 --> 00:47:46,920

many where there'll be a group of people

1225

00:47:51,109 --> 00:47:48,960

like camping or whatever and there'll be

1226

00:47:53,390 --> 00:47:51,119

one person or a couple of people that

1227

00:47:54,950 --> 00:47:53,400

are able to see or interact with the

1228

00:47:56,870 --> 00:47:54,960

phenomenon and the rest are like what

1229

00:47:58,370 --> 00:47:56,880

are you talking about and what is that

1230

00:48:01,250 --> 00:47:58,380

about I mean is it does that go into

1231

00:48:03,230 --> 00:48:01,260

intention right so right I I believe

1232

00:48:04,970 --> 00:48:03,240

that a lot of these phenomena are

1233

00:48:07,010 --> 00:48:04,980

definitely connected

1234

00:48:09,770 --> 00:48:07,020

and we have to we can be biased we can't

1235

00:48:11,870 --> 00:48:09,780

just look at one part of it and just

1236

00:48:14,329 --> 00:48:11,880

disregard all the rest of it and that's

1237

00:48:16,190 --> 00:48:14,339

where I struggle from somebody that that

1238

00:48:18,650 --> 00:48:16,200

has these experiences on that ranch

1239

00:48:20,750 --> 00:48:18,660

property I can't just look at one piece

1240

00:48:23,030 --> 00:48:20,760

of that puzzle and ignore the rest of it

1241

00:48:24,950 --> 00:48:23,040

it all comes together

1242

00:48:27,109 --> 00:48:24,960

um they're all pieces of the same puzzle

1243

00:48:30,170 --> 00:48:27,119

in my opinion

1244

00:48:31,670 --> 00:48:30,180

right so uh Katie I have I want to ask

1245

00:48:33,170 --> 00:48:31,680

you one more question

1246

00:48:35,030 --> 00:48:33,180

um and I was thinking that we could

1247

00:48:36,710 --> 00:48:35,040

maybe go into q a if that's okay with

1248

00:48:39,890 --> 00:48:36,720

you yeah that'd be great I love it okay

1249

00:48:41,750 --> 00:48:39,900

so uh before I asked Katie this question

1250

00:48:44,089 --> 00:48:41,760

for those of you watching if you would

1251

00:48:46,490 --> 00:48:44,099

like to ask her yourself you can submit

1252

00:48:48,890 --> 00:48:46,500

a question on YouTube chat twitch chat

1253

00:48:51,530 --> 00:48:48,900

or Facebook please make sure to include

1254

00:48:52,849 --> 00:48:51,540

the three stars or three asterix's so

1255

00:48:56,089 --> 00:48:52,859

that way I know it's a question for

1256

00:48:58,430 --> 00:48:56,099

Katie and also there's a telegram voice

1257

00:49:01,849 --> 00:48:58,440

chat going on right now you can join it

1258

00:49:04,849 --> 00:49:01,859

and basically ask uh the question

1259

00:49:07,849 --> 00:49:04,859

um basically ask Katie directly whatever

1260

00:49:11,210 --> 00:49:07,859

you like via voice so

1261

00:49:13,010 --> 00:49:11,220

um the question I have for ukd was it's

1262

00:49:16,190 --> 00:49:13,020

very simple do you have anything like

1263

00:49:18,770 --> 00:49:16,200

you know to finish off with you know

1264

00:49:19,910 --> 00:49:18,780

regarding any of the the strangeness or

1265

00:49:22,309 --> 00:49:19,920

anything else you would like to share

1266

00:49:24,530 --> 00:49:22,319

and I'm sure the people that do submit

1267

00:49:26,630 --> 00:49:24,540

some questions they'll probably you know

1268

00:49:28,370 --> 00:49:26,640

ask something else about it that I did

1269

00:49:31,490 --> 00:49:28,380

not know to ask

1270

00:49:33,530 --> 00:49:31,500

right um I could just end with this

1271

00:49:35,450 --> 00:49:33,540

um you know it's funny I think in life

1272

00:49:37,670 --> 00:49:35,460

oftentimes

1273

00:49:39,170 --> 00:49:37,680

um we're we're meant to do things when

1274

00:49:41,329 --> 00:49:39,180

the timing is right and when we're meant

1275

00:49:43,010 --> 00:49:41,339

to do them so I started writing the book

1276

00:49:45,530 --> 00:49:43,020

on the ranch and my research and then

1277

00:49:48,109 --> 00:49:45,540

you know went through some life changes

1278

00:49:49,309 --> 00:49:48,119

and moved and all these things and I

1279

00:49:52,130 --> 00:49:49,319

just haven't had the time to pick it

1280

00:49:53,809 --> 00:49:52,140

back up but as fate would have it and I

1281

00:49:55,309 --> 00:49:53,819

had to sign a non-disclosure so I can't

1282

00:49:58,130 --> 00:49:55,319

talk too much about it but I could just

1283

00:50:00,290 --> 00:49:58,140

say that a major Network and I just

1284

00:50:03,829 --> 00:50:00,300

filmed just recently out there on the

1285

00:50:04,910 --> 00:50:03,839

ranch property uh for a week and now I

1286

00:50:06,710 --> 00:50:04,920

know why I didn't finish the book

1287

00:50:10,430 --> 00:50:06,720

because now I have so much more to add

1288

00:50:12,770 --> 00:50:10,440

to it once this show airs and I'm able

1289

00:50:14,930 --> 00:50:12,780

to talk about these things and I've made

1290

00:50:16,970 --> 00:50:14,940

so many more connections and and met

1291

00:50:19,250 --> 00:50:16,980

other witnesses that are having activity

1292

00:50:20,630 --> 00:50:19,260

now as we speak

1293

00:50:23,030 --> 00:50:20,640

um that

1294

00:50:25,069 --> 00:50:23,040

um this all can be now put in that book

1295

00:50:26,990 --> 00:50:25,079

when I'm able to do it so

1296

00:50:28,130 --> 00:50:27,000

um I can I just want to end by saying

1297

00:50:28,930 --> 00:50:28,140

that

1298

00:50:32,270 --> 00:50:28,940

um

1299

00:50:34,670 --> 00:50:32,280

revisiting that ranch for the first time

1300

00:50:35,750 --> 00:50:34,680

after all these years

1301
00:50:38,210 --> 00:50:35,760
um

1302
00:50:42,230 --> 00:50:38,220
was

1303
00:50:43,069 --> 00:50:42,240
uh very emotional and

1304
00:50:45,230 --> 00:50:43,079
um

1305
00:50:47,450 --> 00:50:45,240
I was surprised at some of the feelings

1306
00:50:49,790 --> 00:50:47,460
that I felt again and can't really say

1307
00:50:50,930 --> 00:50:49,800
too much about it because I signed

1308
00:50:52,010 --> 00:50:50,940
something instead I would I can't tell

1309
00:50:53,750 --> 00:50:52,020
you everything that happened out there

1310
00:50:55,849 --> 00:50:53,760
but I can I can tell you that so many

1311
00:50:56,870 --> 00:50:55,859
things happened out there and and for me

1312
00:50:59,809 --> 00:50:56,880
that answered one of the biggest

1313
00:51:01,430 --> 00:50:59,819

questions was is it still active to this

1314

00:51:02,089 --> 00:51:01,440

day and and

1315

00:51:03,530 --> 00:51:02,099

um

1316

00:51:05,930 --> 00:51:03,540

you know is it connected to me

1317

00:51:07,430 --> 00:51:05,940

personally or the ranch or both so um

1318

00:51:09,410 --> 00:51:07,440

there's more to come on this and that's

1319

00:51:12,770 --> 00:51:09,420

pretty exciting

1320

00:51:14,809 --> 00:51:12,780

great thanks for sharing that yeah so I

1321

00:51:17,510 --> 00:51:14,819

have uh one question so far that has

1322

00:51:20,210 --> 00:51:17,520

come through from uh from the role the

1323

00:51:22,190 --> 00:51:20,220

losing dice is asking with all this

1324

00:51:25,010 --> 00:51:22,200

research what conclusions have you come

1325

00:51:26,569 --> 00:51:25,020

to on what these aliens are and if

1326
00:51:28,069 --> 00:51:26,579
they're from outer space or another

1327
00:51:30,829 --> 00:51:28,079
dimension

1328
00:51:32,329 --> 00:51:30,839
right um so the conclusions I've come to

1329
00:51:34,790 --> 00:51:32,339
so far

1330
00:51:36,890 --> 00:51:34,800
um I think that

1331
00:51:38,690 --> 00:51:36,900
both things were happening I think you

1332
00:51:40,370 --> 00:51:38,700
know oftentimes we're always seeking

1333
00:51:42,049 --> 00:51:40,380
simple answers like it was all this

1334
00:51:44,450 --> 00:51:42,059
they're all good they're all bad it was

1335
00:51:47,210 --> 00:51:44,460
all UFOs are unexplained phenomena it

1336
00:51:49,670 --> 00:51:47,220
was all the military but I think it's

1337
00:51:52,790 --> 00:51:49,680
more convoluting complex in that I think

1338
00:51:54,530 --> 00:51:52,800

multiple things are happening at once

1339

00:51:56,030 --> 00:51:54,540

um I think

1340

00:51:59,450 --> 00:51:56,040

um just like

1341

00:52:01,130 --> 00:51:59,460

um the report State I think that it was

1342

00:52:02,630 --> 00:52:01,140

stated in these reports that the two

1343

00:52:04,190 --> 00:52:02,640

types of beans that we're seeing out

1344

00:52:06,890 --> 00:52:04,200

there were kind of In conflict with one

1345

00:52:09,230 --> 00:52:06,900

another and that we were just sort of

1346

00:52:11,329 --> 00:52:09,240

like in the way or don't mind us we

1347

00:52:13,130 --> 00:52:11,339

won't mind you kind of thing

1348

00:52:15,890 --> 00:52:13,140

um so

1349

00:52:18,950 --> 00:52:15,900

um I believe that there was a military

1350

00:52:20,630 --> 00:52:18,960

presence and maybe perhaps even programs

1351
00:52:22,010 --> 00:52:20,640
being conducted out there but I also

1352
00:52:27,589 --> 00:52:22,020
believe there are so many unexplained

1353
00:52:31,549 --> 00:52:30,170
sorry I hope that answers the question I

1354
00:52:34,910 --> 00:52:31,559
hope that did a question I don't know

1355
00:52:37,250 --> 00:52:34,920
like as far as the motives of the ETS I

1356
00:52:39,049 --> 00:52:37,260
think when when investigators get into

1357
00:52:39,890 --> 00:52:39,059
trying to

1358
00:52:42,589 --> 00:52:39,900
um

1359
00:52:44,630 --> 00:52:42,599
get into extraterrestrials heads and

1360
00:52:47,390 --> 00:52:44,640
motives and whether they're good or bad

1361
00:52:49,609 --> 00:52:47,400
that's coming from our human lens our

1362
00:52:51,530 --> 00:52:49,619
human perspective and it's really hard

1363
00:52:53,690 --> 00:52:51,540

to ever know those answers I would just

1364

00:52:56,630 --> 00:52:53,700

be just throwing out whatever guesses

1365

00:52:58,670 --> 00:52:56,640

and where I have no idea uh why there

1366

00:53:00,549 --> 00:52:58,680

were there one Theory though I do have

1367

00:53:03,109 --> 00:53:00,559

that's kind of coming around as more

1368

00:53:05,210 --> 00:53:03,119

investigators talk and talk with each

1369

00:53:06,829 --> 00:53:05,220

other which to me is the best thing

1370

00:53:07,970 --> 00:53:06,839

that's happened in all of these

1371

00:53:09,710 --> 00:53:07,980

different

1372

00:53:12,230 --> 00:53:09,720

um kind of groups you know the the

1373

00:53:14,329 --> 00:53:12,240

crypto groups and Sasquatch groups and

1374

00:53:16,069 --> 00:53:14,339

paranormal groups and UFO groups we're

1375

00:53:18,349 --> 00:53:16,079

all starting to finally communicate with

1376

00:53:20,270 --> 00:53:18,359

one another and share information and

1377

00:53:22,130 --> 00:53:20,280

you know that new film that David

1378

00:53:24,829 --> 00:53:22,140

Pilates just came out with that missing

1379

00:53:27,170 --> 00:53:24,839

forever one the UFO connection he talks

1380

00:53:29,329 --> 00:53:27,180

about Laramie and Northern Colorado and

1381

00:53:31,609 --> 00:53:29,339

Cheyenne and he talks about these

1382

00:53:33,650 --> 00:53:31,619

underwater aquifers and I can tell you

1383

00:53:35,510 --> 00:53:33,660

that there are a couple aquifers that

1384

00:53:38,930 --> 00:53:35,520

run right under that ranch property and

1385

00:53:40,370 --> 00:53:38,940

around that area so I do believe there's

1386

00:53:41,930 --> 00:53:40,380

um that's the other thing that that I

1387

00:53:43,970 --> 00:53:41,940

researched as well a lot of these high

1388

00:53:47,390 --> 00:53:43,980

strangers look locations across the

1389

00:53:49,569 --> 00:53:47,400

country including Skinwalker and Marley

1390

00:53:52,730 --> 00:53:49,579

woods and

1391

00:53:54,770 --> 00:53:52,740

there's another place in Ohio pile

1392

00:53:56,630 --> 00:53:54,780

Pennsylvania that had this strange UFO

1393

00:53:59,450 --> 00:53:56,640

creature case in the Albert County Ranch

1394

00:54:01,490 --> 00:53:59,460

they're all really super the highest you

1395

00:54:04,250 --> 00:54:01,500

can get as being highly magnetic areas

1396

00:54:07,569 --> 00:54:04,260

so I do believe that there's this kind

1397

00:54:11,870 --> 00:54:07,579

of magic formula of you know

1398

00:54:14,569 --> 00:54:11,880

electromagnetism and perhaps water you

1399

00:54:17,510 --> 00:54:14,579

know that are perhaps opening and

1400

00:54:19,849 --> 00:54:17,520

closing some sort of portals or doorways

1401

00:54:22,010 --> 00:54:19,859

into the unknown

1402

00:54:24,410 --> 00:54:22,020

great thank you for that the next

1403

00:54:27,410 --> 00:54:24,420

question is from

1404

00:54:29,630 --> 00:54:27,420

from Tumbleweed asking because she

1405

00:54:31,970 --> 00:54:29,640

signed a non-disclosure for filming is

1406

00:54:34,730 --> 00:54:31,980

it possible they will never air anything

1407

00:54:36,230 --> 00:54:34,740

in order to keep her from speaking

1408

00:54:38,630 --> 00:54:36,240

no no

1409

00:54:40,309 --> 00:54:38,640

um this no I'm so excited to see so much

1410

00:54:43,190 --> 00:54:40,319

happened out there during that week of

1411

00:54:44,750 --> 00:54:43,200

filming I'm gonna be just as anxious as

1412

00:54:46,970 --> 00:54:44,760

everybody else to see how they get all

1413

00:54:50,390 --> 00:54:46,980

that down to the short 44 minute episode

1414

00:54:51,470 --> 00:54:50,400

but um no it'll air yes it'll for sure

1415

00:54:55,190 --> 00:54:51,480

air

1416

00:54:56,990 --> 00:54:55,200

also um same uh same person asking

1417

00:54:59,690 --> 00:54:57,000

another question is the property

1418

00:55:02,630 --> 00:54:59,700

possibly at the portal to an underground

1419

00:55:05,750 --> 00:55:04,430

I mean you know

1420

00:55:07,849 --> 00:55:05,760

um I don't know if I could talk about

1421

00:55:09,650 --> 00:55:07,859

that but I do believe I mean there were

1422

00:55:11,870 --> 00:55:09,660

bangs and noises and things from

1423

00:55:13,609 --> 00:55:11,880

underground so we're not ruling out

1424

00:55:16,250 --> 00:55:13,619

activities under under the ranch

1425

00:55:18,589 --> 00:55:16,260

property in that area so that's a

1426

00:55:20,990 --> 00:55:18,599

possibility and something that I'm

1427

00:55:23,089 --> 00:55:21,000

excited to go do more research and

1428

00:55:24,650 --> 00:55:23,099

exploring on

1429

00:55:27,290 --> 00:55:24,660

well you know when it comes to a subject

1430

00:55:29,809 --> 00:55:27,300

in general it's almost

1431

00:55:31,250 --> 00:55:29,819

for as long as I can remember when I

1432

00:55:33,589 --> 00:55:31,260

first started researching there's always

1433

00:55:34,970 --> 00:55:33,599

been a connection to when it comes to

1434

00:55:37,130 --> 00:55:34,980

the government always something about

1435

00:55:39,230 --> 00:55:37,140

underground basis underground this and

1436

00:55:41,569 --> 00:55:39,240

that right you know it's it's you know

1437

00:55:43,490 --> 00:55:41,579

if it's it's almost you could almost

1438

00:55:45,829 --> 00:55:43,500

just do a full research just on that

1439

00:55:48,170 --> 00:55:45,839

never mind the aliens that's true that's

1440

00:55:49,490 --> 00:55:48,180

that's true and and I've even you know I

1441

00:55:51,230 --> 00:55:49,500

tried it because out in the Colorado

1442

00:55:53,390 --> 00:55:51,240

Springs and I live right outside of

1443

00:55:56,470 --> 00:55:53,400

Colorado Springs now and there's so many

1444

00:55:59,450 --> 00:55:56,480

military bases here and back in the late

1445

00:56:01,250 --> 00:55:59,460

70s actually the Air Force Academy owned

1446

00:56:03,170 --> 00:56:01,260

more property that kind of went back

1447

00:56:05,690 --> 00:56:03,180

towards the black forest and into the

1448

00:56:08,930 --> 00:56:05,700

area of the ranch and you know

1449

00:56:10,549 --> 00:56:08,940

um so I always wondered about like

1450

00:56:11,809 --> 00:56:10,559

underground tunnels were they digging

1451

00:56:14,150 --> 00:56:11,819

tunnels I mean back then it was

1452

00:56:17,390 --> 00:56:14,160

Stapleton airport but now we have you

1453

00:56:19,190 --> 00:56:17,400

know the the mysterious uh Dia out there

1454

00:56:21,349 --> 00:56:19,200

and I was connecting the dots like Could

1455

00:56:22,670 --> 00:56:21,359

It Go from these different military

1456

00:56:23,450 --> 00:56:22,680

bases

1457

00:56:27,829 --> 00:56:23,460

um

1458

00:56:30,589 --> 00:56:27,839

don't I don't know I think that would be

1459

00:56:32,270 --> 00:56:30,599

so hard to keep covered up and

1460

00:56:34,430 --> 00:56:32,280

I don't know

1461

00:56:36,470 --> 00:56:34,440

you know there was a Miss there was a

1462

00:56:38,750 --> 00:56:36,480

missile silo Titan missile silo out

1463

00:56:40,970 --> 00:56:38,760

there around that area too so there's

1464

00:56:43,730 --> 00:56:40,980

just so many of those questions I don't

1465

00:56:45,650 --> 00:56:43,740

know okay thank you for that another

1466

00:56:47,630 --> 00:56:45,660

question uh do you have any odd

1467

00:56:50,690 --> 00:56:47,640

experiences to this day like mind speak

1468

00:56:55,430 --> 00:56:53,270

I do yeah

1469

00:56:59,150 --> 00:56:55,440

yeah it has left me so from time to time

1470

00:57:00,829 --> 00:56:59,160

I definitely do yeah and it's a little

1471

00:57:02,270 --> 00:57:00,839

unnerving at times

1472

00:57:04,790 --> 00:57:02,280

um but

1473

00:57:06,410 --> 00:57:04,800

um for me what happened on the ranch as

1474

00:57:09,069 --> 00:57:06,420

a young girl was really terrifying and

1475

00:57:13,609 --> 00:57:09,079

scary when I was younger

1476

00:57:16,130 --> 00:57:13,619

now you know like so many I really

1477

00:57:17,930 --> 00:57:16,140

research you know the keeping yourself

1478

00:57:19,309 --> 00:57:17,940

at a higher vibration and protecting

1479

00:57:20,750 --> 00:57:19,319

yourself with the white light and I

1480

00:57:22,549 --> 00:57:20,760

Journal everything that happens that's

1481

00:57:25,490 --> 00:57:22,559

one tip I have for any listener out

1482

00:57:28,069 --> 00:57:25,500

there whatever the unusual experience

1483

00:57:29,930 --> 00:57:28,079

you have is to journal it in as much

1484

00:57:31,670 --> 00:57:29,940

detail as you can at the time in fact

1485

00:57:33,230 --> 00:57:31,680

when I got done filming I made sure I

1486

00:57:35,210 --> 00:57:33,240

did a recording of everything I could

1487

00:57:37,490 --> 00:57:35,220

remember that happened because our

1488

00:57:39,410 --> 00:57:37,500

memories are not all that reliable and

1489

00:57:41,630 --> 00:57:39,420

great you know so

1490

00:57:43,730 --> 00:57:41,640

um I try to you know you know sounds or

1491

00:57:45,230 --> 00:57:43,740

things falling or just kind more

1492

00:57:48,589 --> 00:57:45,240

paranormal type things than anything

1493

00:57:53,150 --> 00:57:48,599

else however right before I filmed

1494

00:57:55,670 --> 00:57:53,160

um I had a this like a a softball not a

1495

00:57:57,829 --> 00:57:55,680

baseball but a softball size white light

1496

00:57:59,930 --> 00:57:57,839

and I could just see it right to the

1497

00:58:03,589 --> 00:57:59,940

right here in my bedroom at this house

1498

00:58:05,390 --> 00:58:03,599

and I went to turn and boom it went so

1499

00:58:07,490 --> 00:58:05,400

oh and I'm getting high pitch ring in my

1500

00:58:10,010 --> 00:58:07,500

ear right as we speak right now so stuff

1501
00:58:12,170 --> 00:58:10,020
like that just all the time I don't know

1502
00:58:15,589 --> 00:58:12,180
what it is but it's there

1503
00:58:17,329 --> 00:58:15,599
so uh I this question is probably for

1504
00:58:19,069 --> 00:58:17,339
you it wasn't formulated so I'm not sure

1505
00:58:22,069 --> 00:58:19,079
if they're chatting there but I figured

1506
00:58:24,410 --> 00:58:22,079
I asked it anyway uh from sauerkraut

1507
00:58:26,510 --> 00:58:24,420
asking why is it that mostly women get

1508
00:58:29,750 --> 00:58:26,520
analyzed by aliens

1509
00:58:31,910 --> 00:58:29,760
oh I think it's just as equally men

1510
00:58:33,589 --> 00:58:31,920
um from all the research I've done

1511
00:58:35,930 --> 00:58:33,599
um I I don't think it's more than women

1512
00:58:38,329 --> 00:58:35,940
I think what you see is more women are

1513
00:58:40,970 --> 00:58:38,339

more apt to talk about it than men

1514

00:58:43,430 --> 00:58:40,980

um men are not as open

1515

00:58:46,730 --> 00:58:43,440

um to talk about these subjects as women

1516

00:58:50,630 --> 00:58:46,740

are but I think they're equally taken

1517

00:58:53,270 --> 00:58:50,640

okay there's another question from uh

1518

00:58:55,430 --> 00:58:53,280

roll the losing dice asking I think you

1519

00:58:57,349 --> 00:58:55,440

mentioned that this already that you did

1520

00:58:59,990 --> 00:58:57,359

it says have you had Shadow People

1521

00:59:01,789 --> 00:59:00,000

appearing in the bedroom in the night I

1522

00:59:04,190 --> 00:59:01,799

have when I was young yes at the house

1523

00:59:05,630 --> 00:59:04,200

not on the ranch though that's why I I

1524

00:59:07,370 --> 00:59:05,640

didn't really connect them at the time

1525

00:59:09,650 --> 00:59:07,380

until other people started talking about

1526

00:59:11,510 --> 00:59:09,660

I never slept alone I had to scoot the

1527

00:59:13,430 --> 00:59:11,520

bed against the wall my older sister

1528

00:59:15,170 --> 00:59:13,440

she's six years older she slept with me

1529

00:59:16,370 --> 00:59:15,180

all the time you know that whole thing

1530

00:59:18,109 --> 00:59:16,380

you do when you're a little kid like

1531

00:59:19,789 --> 00:59:18,119

when you're afraid of the boogeyman but

1532

00:59:21,470 --> 00:59:19,799

I would see these shadow figures like

1533

00:59:23,870 --> 00:59:21,480

inside my doorway peeking around the

1534

00:59:27,530 --> 00:59:23,880

door standing to the right to next to my

1535

00:59:30,650 --> 00:59:27,540

bed I was terrified of them yep

1536

00:59:32,150 --> 00:59:30,660

okay well Katie thank you very much

1537

00:59:34,910 --> 00:59:32,160

um I appreciate thank you for doing this

1538

00:59:37,549 --> 00:59:34,920

today well and for those of you watching

1539

00:59:39,230 --> 00:59:37,559

um Katie is going to be one of the

1540

00:59:41,569 --> 00:59:39,240

speakers at the Ozark Mountain UFO

1541

00:59:43,430 --> 00:59:41,579

conference is coming up so uh come and

1542

00:59:46,190 --> 00:59:43,440

see us both I will be there she will be

1543

00:59:48,289 --> 00:59:46,200

there and um it'll be exciting one like

1544

00:59:51,770 --> 00:59:48,299

it is usually every year I know you

1545

00:59:53,030 --> 00:59:51,780

attended uh last year but uh this year

1546

00:59:54,650 --> 00:59:53,040

you'll be a speaker

1547

00:59:56,450 --> 00:59:54,660

right it's so much fun it's a cool

1548

00:59:58,309 --> 00:59:56,460

little town and I have so much to share

1549

00:59:59,750 --> 00:59:58,319

and I hope to see you out there I have a

1550

01:00:01,010 --> 00:59:59,760

lot of recordings from my interviews

1551
01:00:02,569 --> 01:00:01,020
that I'll be sharing and things like

1552
01:00:04,490 --> 01:00:02,579
that so I hope to see you guys out there

1553
01:00:07,549 --> 01:00:04,500
will be a great time all right good deal

1554
01:00:10,670 --> 01:00:07,559
well as always in the description below

1555
01:00:12,410 --> 01:00:10,680
um I have the link for um Katie page so

1556
01:00:14,450 --> 01:00:12,420
you can check out any books that she has

1557
01:00:16,730 --> 01:00:14,460
or contact information anything else she

1558
01:00:20,270 --> 01:00:16,740
has to offer there and of course in the

1559
01:00:22,250 --> 01:00:20,280
description uh below is their same link

1560
01:00:25,010 --> 01:00:22,260
to the registration page as well for the

1561
01:00:27,589 --> 01:00:25,020
conference so I hope you have the time

1562
01:00:30,589 --> 01:00:27,599
to check it out and hopefully attend but

1563
01:00:31,549 --> 01:00:30,599

uh yeah Katie thanks again I appreciate

1564

01:00:33,950 --> 01:00:31,559

it

1565

01:00:35,630 --> 01:00:33,960

um this will be probably yeah this is

1566

01:00:37,309 --> 01:00:35,640

definitely the first time meeting we've

1567

01:00:39,650 --> 01:00:37,319

talked before but I'm looking forward to

1568

01:00:41,650 --> 01:00:39,660

that as well and so it'll be it'll be

1569

01:00:44,390 --> 01:00:41,660

packed full of information in people

1570

01:00:45,710 --> 01:00:44,400

well thank you so much Aiden for having

1571

01:00:47,870 --> 01:00:45,720

me and I look forward to meeting you in

1572

01:00:49,609 --> 01:00:47,880

person anytime I hope we can do this

1573

01:00:51,710 --> 01:00:49,619

again sometime you know conference

1574

01:00:52,970 --> 01:00:51,720

related or not so all right well

1575

01:00:54,410 --> 01:00:52,980

everyone I'm sure I'm able to talk about

1576

01:00:56,630 --> 01:00:54,420

better I'll come back on and tell you

1577

01:00:59,329 --> 01:00:56,640

everything that happened good deal good

1578

01:01:02,390 --> 01:00:59,339

deal well everyone else thanks very much
