1  
00:00:13,519 --> 00:00:33,010  
thank you

2  
00:00:59,220 --> 00:00:57,889  
[Music]

3  
00:01:08,390 --> 00:00:59,230  
foreign

4  
00:01:13,429 --> 00:01:10,910  
hey everyone welcome to Duo for Hub live

5  
00:01:15,770 --> 00:01:13,439  
stream today is open lines where I hope

6  
00:01:18,050 --> 00:01:15,780  
to talk to some of you regarding your

7  
00:01:20,330 --> 00:01:18,060  
experiences uh whichever ones you may

8  
00:01:22,730 --> 00:01:20,340  
have had whether it's UFO related

9  
00:01:23,810 --> 00:01:22,740  
chupacabra ghosts you name it uh

10  
00:01:27,830 --> 00:01:23,820  
generally pretty much anything

11  
00:01:29,870 --> 00:01:27,840  
metaphysical so um today I basically

12  
00:01:33,350 --> 00:01:29,880  
have some things I would like to cover

13  
00:01:35,330 --> 00:01:33,360

before we get into the open lines which

14

00:01:38,929 --> 00:01:35,340

generally would then give most of you

15

00:01:41,030 --> 00:01:38,939

enough time to install telegram as

16

00:01:43,550 --> 00:01:41,040

you've seen on the chat or the window

17

00:01:45,890 --> 00:01:43,560

itself it says open lines on telegram

18

00:01:49,370 --> 00:01:45,900

which is basically a way that I can hear

19

00:01:50,990 --> 00:01:49,380

you and listen to your stories so I

20

00:01:52,490 --> 00:01:51,000

don't have a number and I was kind of

21

00:01:54,830 --> 00:01:52,500

working on maybe setting up a number

22

00:01:57,830 --> 00:01:54,840

eventually so you can call in that way

23

00:01:59,749 --> 00:01:57,840

but for now with the things I would like

24

00:02:01,130 --> 00:01:59,759

to cover before we get going it should

25

00:02:03,230 --> 00:02:01,140

give you enough time to still get

26

00:02:05,630 --> 00:02:03,240

telegram get it installed on your phone

27

00:02:08,749 --> 00:02:05,640

or computer and give you a chance to

28

00:02:10,490 --> 00:02:08,759

talk to me that way the link for with

29

00:02:13,130 --> 00:02:10,500

the telegram group is in the description

30

00:02:15,229 --> 00:02:13,140

below and basically once you install it

31

00:02:17,330 --> 00:02:15,239

on your computer or phone you'll see a

32

00:02:20,030 --> 00:02:17,340

voice chat going on right now where you

33

00:02:21,830 --> 00:02:20,040

can simply join click a little tab that

34

00:02:23,089 --> 00:02:21,840

looks like a little raised hand and

35

00:02:25,670 --> 00:02:23,099

they'll tell me that you would like to

36

00:02:28,430 --> 00:02:25,680

talk to me and I will then bring you in

37

00:02:30,110 --> 00:02:28,440

when that section comes up so today I

38

00:02:31,850 --> 00:02:30,120

have an order of things that I would

39

00:02:34,369 --> 00:02:31,860

like to I would like to cover because

40

00:02:36,290 --> 00:02:34,379

the conference Ozark Mountain UFO

41

00:02:39,050 --> 00:02:36,300

conference is concluded it went great

42

00:02:39,850 --> 00:02:39,060

met a lot of you there there's some

43

00:02:42,830 --> 00:02:39,860

other

44

00:02:45,890 --> 00:02:42,840

things that have happened and especially

45

00:02:48,530 --> 00:02:45,900

today they had a another UFO Senate

46

00:02:50,869 --> 00:02:48,540

hearing and so I did not have the chance

47

00:02:52,729 --> 00:02:50,879

to listen to the whole thing but there

48

00:02:55,070 --> 00:02:52,739

are Snippets and pieces that I would

49

00:02:58,009 --> 00:02:55,080

like to play for you in in this way I

50

00:03:00,350 --> 00:02:58,019

guess both of us all of you and myself

51  
00:03:03,410 --> 00:03:00,360  
included we would then see what exactly

52  
00:03:05,030 --> 00:03:03,420  
was talked about I got a little preview

53  
00:03:07,130 --> 00:03:05,040  
um kind of listened here and there

54  
00:03:09,229 --> 00:03:07,140  
whenever I had the chance but

55  
00:03:12,009 --> 00:03:09,239  
um I guess we'll see together what they

56  
00:03:14,449 --> 00:03:12,019  
exactly discussed so

57  
00:03:17,149 --> 00:03:14,459  
the like I said I have an order of

58  
00:03:18,710 --> 00:03:17,159  
things that I would like to cover how

59  
00:03:20,990 --> 00:03:18,720  
well that goes through I don't know but

60  
00:03:23,330 --> 00:03:21,000  
I'll do my best so

61  
00:03:26,149 --> 00:03:23,340  
yeah like I said the ozone Mountain

62  
00:03:28,670 --> 00:03:26,159  
conference uh concluded it went great

63  
00:03:30,949 --> 00:03:28,680

um I saw Paulie there another gal I'm

64

00:03:33,050 --> 00:03:30,959

sorry I don't remember her name uh she

65

00:03:35,750 --> 00:03:33,060

also came up to me and and told me she

66

00:03:37,970 --> 00:03:35,760

watches and uh listens to you for Hub uh

67

00:03:40,610 --> 00:03:37,980

and she she says she binge watched it

68

00:03:42,470 --> 00:03:40,620

which is quite an honor I'm hoping she's

69

00:03:44,330 --> 00:03:42,480

learning something and and get something

70

00:03:47,449 --> 00:03:44,340

from that which obviously she does

71

00:03:49,729 --> 00:03:47,459

otherwise why binge watch it so anyway

72

00:03:51,649 --> 00:03:49,739

um it's just kind of nice seeing people

73

00:03:53,570 --> 00:03:51,659

usually I just stare at the camera like

74

00:03:55,910 --> 00:03:53,580

I am now and I don't know who's out

75

00:03:56,990 --> 00:03:55,920

there so being at the conference was

76

00:03:59,930 --> 00:03:57,000

great

77

00:04:02,089 --> 00:03:59,940

uh things went really well usually

78

00:04:03,710 --> 00:04:02,099

because I'm more of the the techie guy

79

00:04:05,449 --> 00:04:03,720

behind the scenes who has to make sure

80

00:04:07,430 --> 00:04:05,459

that everything functions

81

00:04:09,589 --> 00:04:07,440

um this conference we had the least

82

00:04:12,530 --> 00:04:09,599

amount of issues usually there's always

83

00:04:14,089 --> 00:04:12,540

you know camera giving problems uh

84

00:04:15,350 --> 00:04:14,099

there's you know always something with

85

00:04:17,390 --> 00:04:15,360

the sound all these other things

86

00:04:20,509 --> 00:04:17,400

although we had some of these issues we

87

00:04:23,450 --> 00:04:20,519

were able to fix him and move on and it

88

00:04:25,370 --> 00:04:23,460

wasn't a big deal uh basically it didn't

89

00:04:29,510 --> 00:04:25,380

prevent the conference from you know

90

00:04:33,050 --> 00:04:29,520

just basically for being had so

91

00:04:35,629 --> 00:04:33,060

I wanted to I took some photos of the

92

00:04:37,610 --> 00:04:35,639

people that had given presentations and

93

00:04:39,110 --> 00:04:37,620

I just want to show you some of those I

94

00:04:40,969 --> 00:04:39,120

have some other ones that I took on my

95

00:04:42,650 --> 00:04:40,979

phone but like I said I'm sorry I'm not

96

00:04:44,870 --> 00:04:42,660

as prepared as usual I didn't have the

97

00:04:47,330 --> 00:04:44,880

time to upload it but

98

00:04:49,909 --> 00:04:47,340

I guess let's uh let's get started just

99

00:04:51,830 --> 00:04:49,919

let me show you just some pictures here

100

00:04:55,550 --> 00:04:51,840

from the conference and then we'll get

101  
00:04:58,189 --> 00:04:55,560  
into the Senate hearing on UFOs and then

102  
00:05:00,110 --> 00:04:58,199  
if there are any people that would like

103  
00:05:02,330 --> 00:05:00,120  
to talk to me I'll bring you in if not

104  
00:05:04,670 --> 00:05:02,340  
I'll just check out some of the chat see

105  
00:05:07,610 --> 00:05:04,680  
what's going on there see who else is

106  
00:05:09,950 --> 00:05:07,620  
participating and um that might be just

107  
00:05:12,230 --> 00:05:09,960  
it for the show for today uh like I said

108  
00:05:14,030 --> 00:05:12,240  
unless some of you call in and actually

109  
00:05:18,050 --> 00:05:14,040  
talk to me

110  
00:05:21,350 --> 00:05:18,060  
so let's uh let's um shift some things

111  
00:05:23,890 --> 00:05:21,360  
around so I had to go I uploaded this on

112  
00:05:28,249 --> 00:05:23,900  
on Facebook so I have this on Twitter

113  
00:05:30,350 --> 00:05:28,259

Facebook on Telegram and

114

00:05:32,810 --> 00:05:30,360

I think that's pretty much it just

115

00:05:35,090 --> 00:05:32,820

wherever it was possible to upload

116

00:05:37,909 --> 00:05:35,100

um large amounts of of pictures Twitter

117

00:05:40,010 --> 00:05:37,919

not so much I had to do four by four by

118

00:05:43,430 --> 00:05:40,020

four and have to be picking what I

119

00:05:45,830 --> 00:05:43,440

upload but anyway this is um uh Sean K

120

00:05:49,090 --> 00:05:45,840

home and I've had them on the show

121

00:05:51,950 --> 00:05:49,100

before the the Ozark UFO conference

122

00:05:56,270 --> 00:05:51,960

happened this past weekend and he talked

123

00:05:58,850 --> 00:05:56,280

about his involvement regarding uaps and

124

00:06:01,070 --> 00:05:58,860

just basically what he witnessed while

125

00:06:02,930 --> 00:06:01,080

he was on the oh I believe he said the

126

00:06:06,830 --> 00:06:02,940

Princeton uh there were I guess

127

00:06:08,510 --> 00:06:06,840

accompanying the the Nimitz and so

128

00:06:12,290 --> 00:06:08,520

anyway it was a great presentation it

129

00:06:15,170 --> 00:06:12,300

was well received and people just loved

130

00:06:17,629 --> 00:06:15,180

loved hearing what they had to say

131

00:06:19,070 --> 00:06:17,639

here's uh Ben Henson during his

132

00:06:21,770 --> 00:06:19,080

presentation

133

00:06:25,129 --> 00:06:21,780

and um he made some really good points

134

00:06:27,230 --> 00:06:25,139

uh later on you can either watch these

135

00:06:30,469 --> 00:06:27,240

videos on the Ozark Mountain UFO

136

00:06:32,210 --> 00:06:30,479

conference YouTube channel uh and or if

137

00:06:35,450 --> 00:06:32,220

you want to have your own copy they will

138

00:06:38,090 --> 00:06:35,460

have DVDs available so although I'm just

139

00:06:39,710 --> 00:06:38,100

showing you pictures you can go back and

140

00:06:41,629 --> 00:06:39,720

see what was recorded and what they

141

00:06:44,689 --> 00:06:41,639

specifically talked about

142

00:06:46,510 --> 00:06:44,699

so here's some yemi Janine she talked

143

00:06:50,629 --> 00:06:46,520

about remote viewing

144

00:06:52,550 --> 00:06:50,639

this is during the speaker panel

145

00:06:56,749 --> 00:06:52,560

I'm drawing a blank for a quick second

146

00:06:59,390 --> 00:06:56,759

but there's uh Trey Hudson and Christy

147

00:07:02,150 --> 00:06:59,400

Peterson and I also had Christie on

148

00:07:04,249 --> 00:07:02,160

she's an experience in Sri Hudson he he

149

00:07:06,170 --> 00:07:04,259

tricked me while we were setting up he

150

00:07:08,870 --> 00:07:06,180

came up and he gave me his flash drive

151  
00:07:10,909 --> 00:07:08,880  
for the presentation and I had no idea

152  
00:07:12,529 --> 00:07:10,919  
who he was because all the pictures I've

153  
00:07:14,210 --> 00:07:12,539  
ever seen from me had the thick beard

154  
00:07:17,390 --> 00:07:14,220  
you know just

155  
00:07:19,070 --> 00:07:17,400  
you know that was I guess the image he

156  
00:07:20,930 --> 00:07:19,080  
betrayed before and then when he showed

157  
00:07:22,969 --> 00:07:20,940  
up with no beard all shaved I had no

158  
00:07:26,450 --> 00:07:22,979  
idea

159  
00:07:28,730 --> 00:07:26,460  
uh here's of DeForest the MC for the

160  
00:07:30,529 --> 00:07:28,740  
conference I just before before it's

161  
00:07:32,930 --> 00:07:30,539  
last week I didn't have the time and I

162  
00:07:36,589 --> 00:07:32,940  
put up a video that he and I did back in

163  
00:07:38,330 --> 00:07:36,599

2016 uh and it is actually uh very

164

00:07:40,730 --> 00:07:38,340

remarkable about because he's a

165

00:07:42,710 --> 00:07:40,740

researcher himself and

166

00:07:45,050 --> 00:07:42,720

um Lou ferrish who started the Ozark

167

00:07:47,450 --> 00:07:45,060

Mountain publishing that the Ozark

168

00:07:49,909 --> 00:07:47,460

Mountain UFO conference uh Back in 88

169

00:07:52,969 --> 00:07:49,919

basically always had him come up to

170

00:07:55,430 --> 00:07:52,979

speak but anyway I have a video that's

171

00:07:58,070 --> 00:07:55,440

already on your for Hub regard you know

172

00:08:00,230 --> 00:07:58,080

that I did an interview with him and he

173

00:08:02,270 --> 00:08:00,240

talks about you know being an emcee and

174

00:08:04,189 --> 00:08:02,280

different speakers but he goes into a

175

00:08:07,309 --> 00:08:04,199

pretty large segment maybe about 20

176  
00:08:10,610 --> 00:08:07,319  
minutes plus about uh just the different

177  
00:08:12,830 --> 00:08:10,620  
things that he experienced and basically

178  
00:08:14,990 --> 00:08:12,840  
as a researcher has seen and what

179  
00:08:16,430 --> 00:08:15,000  
happens at the conferences outside of

180  
00:08:18,230 --> 00:08:16,440  
the main hall and all these different

181  
00:08:20,629 --> 00:08:18,240  
things so it's very intriguing he shares

182  
00:08:23,510 --> 00:08:20,639  
a lot of those it's not just you know oh

183  
00:08:25,129 --> 00:08:23,520  
the conference is great and yeah he does

184  
00:08:26,990 --> 00:08:25,139  
share some very intriguing stories that

185  
00:08:29,629 --> 00:08:27,000  
I think you might want to hear so anyway

186  
00:08:33,589 --> 00:08:29,639  
under the video section you'll see this

187  
00:08:38,810 --> 00:08:35,990  
um Peter Peter Robbins really cool guy

188  
00:08:40,969 --> 00:08:38,820

got to meet him and and uh he basically

189

00:08:43,430 --> 00:08:40,979

at the last day he hung out with the

190

00:08:45,050 --> 00:08:43,440

crew and we all just ate before we were

191

00:08:47,329 --> 00:08:45,060

split and we're in our separate ways but

192

00:08:49,430 --> 00:08:47,339

he joined us for lunch so it was pretty

193

00:08:51,590 --> 00:08:49,440

great just to talk to him and and hear

194

00:08:53,710 --> 00:08:51,600

more about his background and where he

195

00:08:56,690 --> 00:08:53,720

used to live and and basically just how

196

00:09:00,650 --> 00:08:56,700

uh how he kind of navigated his life

197

00:09:02,870 --> 00:09:00,660

through through this UFO field

198

00:09:05,870 --> 00:09:02,880

this tray again

199

00:09:08,090 --> 00:09:05,880

there's Katie uh Katie page and Terry

200

00:09:09,230 --> 00:09:08,100

Lovelace also Terry Lovelace is an

201  
00:09:12,410 --> 00:09:09,240  
experiencer

202  
00:09:13,610 --> 00:09:12,420  
um Katie she's a she's a move on

203  
00:09:16,730 --> 00:09:13,620  
director

204  
00:09:18,710 --> 00:09:16,740  
for Arizona I believe I hope I I didn't

205  
00:09:20,930 --> 00:09:18,720  
I hope I'm not telling you a bunch of

206  
00:09:22,970 --> 00:09:20,940  
lies I'm pretty sure it was Arizona and

207  
00:09:23,870 --> 00:09:22,980  
so she talked about

208  
00:09:29,570 --> 00:09:23,880  
um

209  
00:09:31,310 --> 00:09:29,580  
also I had her Aunt Terry on UFO Hub as

210  
00:09:35,329 --> 00:09:31,320  
well so if you want to see the the

211  
00:09:38,210 --> 00:09:35,339  
interviews uh back you can

212  
00:09:40,790 --> 00:09:38,220  
there's Sean and Terry this is basically

213  
00:09:43,009 --> 00:09:40,800

just the sections of the panel what what

214

00:09:45,250 --> 00:09:43,019

the conference always does at on Sunday

215

00:09:46,990 --> 00:09:45,260

at the very uh basically the last day

216

00:09:50,449 --> 00:09:47,000

they have

217

00:09:52,430 --> 00:09:50,459

the speakers basically get up into a

218

00:09:54,290 --> 00:09:52,440

panel and it's all about just for two

219

00:09:56,150 --> 00:09:54,300

hours just question and answers people

220

00:09:58,970 --> 00:09:56,160

coming up asking questions about

221

00:10:00,949 --> 00:09:58,980

whatever is on their mind and just

222

00:10:03,310 --> 00:10:00,959

getting feedback from whichever speaker

223

00:10:06,650 --> 00:10:03,320

they would like to hear

224

00:10:08,930 --> 00:10:06,660

there's Terry again

225

00:10:11,329 --> 00:10:08,940

and so

226

00:10:15,050 --> 00:10:11,339

we I've just basically tried to get

227

00:10:20,470 --> 00:10:15,060

different different angles of um all the

228

00:10:27,190 --> 00:10:23,990

she was a speaker in 2000

229

00:10:32,750 --> 00:10:29,750

which one whichever one Ozark had the

230

00:10:34,550 --> 00:10:32,760

virtual one she was on virtually but

231

00:10:36,829 --> 00:10:34,560

this was also my very first time meeting

232

00:10:40,329 --> 00:10:36,839

a person so she basically just talked

233

00:10:44,990 --> 00:10:40,339

about remote viewing and she's um

234

00:10:47,389 --> 00:10:45,000

part of farsight uh which was a farsight

235

00:10:50,509 --> 00:10:47,399

Institute which was started by Courtney

236

00:10:53,329 --> 00:10:50,519

Brown and he's pretty big in the field

237

00:10:55,730 --> 00:10:53,339

of of remote viewing and he I don't know

238

00:10:58,069 --> 00:10:55,740

if he developed his own technique of how

239

00:11:00,590 --> 00:10:58,079

to go about doing that but I have two of

240

00:11:02,690 --> 00:11:00,600

his books that I've read years ago and

241

00:11:04,970 --> 00:11:02,700

so it was kind of nice to at least have

242

00:11:07,490 --> 00:11:04,980

a representatives from from that

243

00:11:09,530 --> 00:11:07,500

Institute come up and basically kind of

244

00:11:12,650 --> 00:11:09,540

talk about what it is that they do

245

00:11:15,110 --> 00:11:12,660

and she also did a little uh a little

246

00:11:16,850 --> 00:11:15,120

practice session she let you know had

247

00:11:18,889 --> 00:11:16,860

anymore everyone go kind of through a

248

00:11:21,829 --> 00:11:18,899

little quick meditation and we made sure

249

00:11:24,949 --> 00:11:21,839

that there was a paper and a pen in each

250

00:11:27,769 --> 00:11:24,959

each one of the conference bags so she

251  
00:11:31,310 --> 00:11:27,779  
would give them one of the coordinates

252  
00:11:33,769 --> 00:11:31,320  
and uh basically we you know she wanted

253  
00:11:35,930 --> 00:11:33,779  
to see what everyone got and then after

254  
00:11:37,790 --> 00:11:35,940  
so many minutes she then revealed what

255  
00:11:39,290 --> 00:11:37,800  
the target was so it was kind of nice

256  
00:11:41,449 --> 00:11:39,300  
for everyone to

257  
00:11:43,430 --> 00:11:41,459  
you know kind of at least get their toes

258  
00:11:45,050 --> 00:11:43,440  
wet to see what to remove viewing is

259  
00:11:48,590 --> 00:11:45,060  
like

260  
00:11:50,630 --> 00:11:48,600  
there's stray on stage Christian stage

261  
00:11:53,930 --> 00:11:50,640  
Katie again

262  
00:11:55,490 --> 00:11:53,940  
and it's just basically them presenting

263  
00:11:59,870 --> 00:11:55,500

throughout

264

00:12:02,930 --> 00:11:59,880

all right we're back to Sean so

265

00:12:05,449 --> 00:12:02,940

something that Sean started out with was

266

00:12:07,790 --> 00:12:05,459

it was a video that was sent to him that

267

00:12:10,550 --> 00:12:07,800

day that he was supposed to present and

268

00:12:13,130 --> 00:12:10,560

he came up to me last minute uh and

269

00:12:16,250 --> 00:12:13,140

asked can we make this visible can we

270

00:12:18,470 --> 00:12:16,260

put this up and we just had to play this

271

00:12:21,590 --> 00:12:18,480

video live of the web

272

00:12:24,110 --> 00:12:21,600

um it was posted on on Twitter and I

273

00:12:29,410 --> 00:12:24,120

wanted to I want to show you basically

274

00:12:37,130 --> 00:12:32,990

was let me see if I Yep this is the one

275

00:12:39,829 --> 00:12:37,140

so basically this is a short snippet

276

00:12:43,069 --> 00:12:39,839

that I'm about to play but it was it was

277

00:12:47,449 --> 00:12:43,079

uh remarks by the U.S space Force Major

278

00:12:49,509 --> 00:12:47,459

General John Olson and um it's kind of

279

00:12:52,250 --> 00:12:49,519

as you as you will hear for yourself

280

00:12:54,170 --> 00:12:52,260

kind of a really different language when

281

00:12:56,090 --> 00:12:54,180

you think about where the military and

282

00:12:58,310 --> 00:12:56,100

the US government really you know how

283

00:12:59,509 --> 00:12:58,320

long they've pushed off on this you know

284

00:13:02,389 --> 00:12:59,519

and not wanting to admit anything

285

00:13:04,610 --> 00:13:02,399

regarding UFOs talking about that this

286

00:13:06,530 --> 00:13:04,620

is a uh if I'm not mistaken I don't want

287

00:13:08,930 --> 00:13:06,540

to tell you a bunch of lies that this is

288

00:13:11,449 --> 00:13:08,940

a global phenomena and that it would

289

00:13:14,210 --> 00:13:11,459

require basically the you know

290

00:13:16,310 --> 00:13:14,220

collaboration of all the countries in

291

00:13:18,829 --> 00:13:16,320

the world to to I guess research the

292

00:13:21,110 --> 00:13:18,839

subject so let's exactly hear what he

293

00:13:23,030 --> 00:13:21,120

was saying

294

00:13:26,569 --> 00:13:23,040

I think the second part of your question

295

00:13:30,350 --> 00:13:26,579

uh was related to UAP or unidentified

296

00:13:31,730 --> 00:13:30,360

aerial uh phenomenon and that UAP task

297

00:13:34,430 --> 00:13:31,740

force

298

00:13:37,790 --> 00:13:34,440

um and and as far as I'm concerned or

299

00:13:39,829 --> 00:13:37,800

I'm knowledgeable above about that I do

300

00:13:41,990 --> 00:13:39,839

believe it does involve collaborative

301  
00:13:45,050 --> 00:13:42,000  
inputs and

302  
00:13:47,329 --> 00:13:45,060  
um information exchange with all kinds

303  
00:13:50,690 --> 00:13:47,339  
of countries around the globe because I

304  
00:13:52,750 --> 00:13:50,700  
think these are not just uh solely

305  
00:13:56,810 --> 00:13:52,760  
um

306  
00:13:58,790 --> 00:13:56,820  
actions or or or uh events that occurred

307  
00:14:00,829 --> 00:13:58,800  
within the con confines in the United

308  
00:14:02,210 --> 00:14:00,839  
States they've they've occurred globally

309  
00:14:04,190 --> 00:14:02,220  
and I think we're collecting that

310  
00:14:06,829 --> 00:14:04,200  
information uh we're sharing information

311  
00:14:09,530 --> 00:14:06,839  
we view that as an open and transparent

312  
00:14:11,210 --> 00:14:09,540  
effort and activity through uh through

313  
00:14:14,389 --> 00:14:11,220

the United States Congress and and

314

00:14:18,590 --> 00:14:14,399

executed by our UAP task force office

315

00:14:20,210 --> 00:14:18,600

and so I I I would encourage greater uh

316

00:14:23,269 --> 00:14:20,220

collaboration and cooperation in that

317

00:14:25,490 --> 00:14:23,279

and particularly I think as we see uh

318

00:14:28,670 --> 00:14:25,500

various technologies that will help uh

319

00:14:30,769 --> 00:14:28,680

demystify or debunk or clarify

320

00:14:33,050 --> 00:14:30,779

um but but I think it's also important

321

00:14:35,629 --> 00:14:33,060

one of the one of the reasons that we

322

00:14:38,269 --> 00:14:35,639

are doing uh this effort is because

323

00:14:40,670 --> 00:14:38,279

National Security concerns are of

324

00:14:42,290 --> 00:14:40,680

Paramount importance and so is safety of

325

00:14:45,530 --> 00:14:42,300

flight and deconfliction and collision

326

00:14:48,530 --> 00:14:45,540

avoidance and and issues to preserve and

327

00:14:50,090 --> 00:14:48,540

protect human life so when we can uh we

328

00:14:52,310 --> 00:14:50,100

when we can better share and exchange

329

00:14:54,710 --> 00:14:52,320

information I think that's better much

330

00:14:56,810 --> 00:14:54,720

like we do in the international civil

331

00:14:59,930 --> 00:14:56,820

aviation organization or otherwise known

332

00:15:02,509 --> 00:14:59,940

as Iko uh or in any other International

333

00:15:04,790 --> 00:15:02,519

bodies as well I think there's a fertile

334

00:15:07,250 --> 00:15:04,800

an important opportunity to be pursued

335

00:15:14,810 --> 00:15:11,629

okay so this was um uh Sean played this

336

00:15:16,250 --> 00:15:14,820

before he started because he and Louise

337

00:15:18,410 --> 00:15:16,260

elizando

338

00:15:20,030 --> 00:15:18,420

um and whatever that's that they do in

339

00:15:21,710 --> 00:15:20,040

the background I didn't have much time

340

00:15:23,449 --> 00:15:21,720

to talk to him because everyone's always

341

00:15:25,610 --> 00:15:23,459

doing their own thing and we're

342

00:15:28,430 --> 00:15:25,620

organizing they're prepping to you know

343

00:15:33,290 --> 00:15:28,440

go out and talk but um he had something

344

00:15:34,189 --> 00:15:33,300

to to do with this specific you know

345

00:15:35,569 --> 00:15:34,199

um

346

00:15:37,670 --> 00:15:35,579

I don't know what you may call it not

347

00:15:39,590 --> 00:15:37,680

incident but basically him and Lucinda

348

00:15:41,810 --> 00:15:39,600

were building up to this to have you

349

00:15:45,769 --> 00:15:41,820

know admission like this from from this

350

00:15:48,889 --> 00:15:45,779

General and um so the next one uh the

351

00:15:50,990 --> 00:15:48,899

next thing I would like to cover was a

352

00:15:53,150 --> 00:15:51,000

senate committee hearing that was

353

00:15:56,870 --> 00:15:53,160

happening today it started at 9 30

354

00:16:00,050 --> 00:15:56,880

Central uh 10 10 30 Eastern I believe

355

00:16:02,569 --> 00:16:00,060

and it was supposed to be uh there's a

356

00:16:04,069 --> 00:16:02,579

closed sex session and open session so

357

00:16:06,350 --> 00:16:04,079

all together was a little bit less than

358

00:16:08,389 --> 00:16:06,360

three hours the first two hours in the

359

00:16:11,449 --> 00:16:08,399

video it's nothing but blank they didn't

360

00:16:13,370 --> 00:16:11,459

they didn't show what it was and then it

361

00:16:14,990 --> 00:16:13,380

switched over to the part that we could

362

00:16:17,629 --> 00:16:15,000

see so

363

00:16:19,670 --> 00:16:17,639

the next ones uh basically this is just

364

00:16:21,230 --> 00:16:19,680

there's two parts that I would like to

365

00:16:24,829 --> 00:16:21,240

cover and again I want to give credit

366

00:16:26,030 --> 00:16:24,839

credit to UAP James he cuts cut up these

367

00:16:27,949 --> 00:16:26,040

little things and put it up on his

368

00:16:30,110 --> 00:16:27,959

Twitter so it makes it a lot easier to

369

00:16:32,569 --> 00:16:30,120

reference to it or or show these

370

00:16:35,810 --> 00:16:32,579

different things to you to you guys but

371

00:16:39,650 --> 00:16:35,820

um this is Dr uh Kirkpatrick basically

372

00:16:42,230 --> 00:16:39,660

having these you know remarking about uh

373

00:16:45,350 --> 00:16:42,240

where Arrow pretty much stands you know

374

00:16:47,030 --> 00:16:45,360

as an organization and what it is they

375

00:16:49,249 --> 00:16:47,040

they are

376

00:16:51,170 --> 00:16:49,259

I guess how they're pursuing the subject

377

00:16:53,449 --> 00:16:51,180

but then also there's a part of the

378

00:16:56,090 --> 00:16:53,459

presentation where uh I will show you

379

00:16:58,370 --> 00:16:56,100

later on it's it oh it's a bitter a bit

380

00:17:00,590 --> 00:16:58,380

of a bigger segment about going over

381

00:17:03,590 --> 00:17:00,600

some of the actual footage that they

382

00:17:05,990 --> 00:17:03,600

have and how they analyzed it and what

383

00:17:08,870 --> 00:17:06,000

they think it is so it's not so anyway

384

00:17:12,049 --> 00:17:08,880

but before I begin with this and this is

385

00:17:14,329 --> 00:17:12,059

partly for my own understanding because

386

00:17:16,010 --> 00:17:14,339

like I always told all of you I haven't

387

00:17:17,809 --> 00:17:16,020

been into the nuts and bolts of things

388

00:17:20,510 --> 00:17:17,819

for a very long time because it's just

389

00:17:21,829 --> 00:17:20,520

it's not important to me personally but

390

00:17:23,929 --> 00:17:21,839

I understand that there's still people

391

00:17:25,850 --> 00:17:23,939

that are out there who just start out

392

00:17:27,169 --> 00:17:25,860

and the first things that always do is

393

00:17:29,510 --> 00:17:27,179

seeing what does the government know

394

00:17:31,190 --> 00:17:29,520

look in the documents and so on so I'm

395

00:17:35,090 --> 00:17:31,200

mainly going over this for all of you

396

00:17:36,650 --> 00:17:35,100

that are right now at that stage but um

397

00:17:37,970 --> 00:17:36,660

I would say we'll find a little bit more

398

00:17:40,510 --> 00:17:37,980

information because they saw these

399

00:17:43,210 --> 00:17:40,520

different terms arrow and

400

00:17:46,029 --> 00:17:43,220

uapf and all kinds of other

401  
00:17:50,210 --> 00:17:46,039  
agencies so

402  
00:17:52,130 --> 00:17:50,220  
he's uh this guy here

403  
00:17:55,610 --> 00:17:52,140  
nope go let's go back

404  
00:17:57,890 --> 00:17:55,620  
this is uh director Sean Kirkpatrick and

405  
00:18:00,289 --> 00:17:57,900  
he's the director of Arrow and so I want

406  
00:18:02,510 --> 00:18:00,299  
to go over what Arrow actually is and I

407  
00:18:05,990 --> 00:18:02,520  
was able to find some information on it

408  
00:18:09,230 --> 00:18:06,000  
so it says it stands for all domain

409  
00:18:11,090 --> 00:18:09,240  
anomaly resolution office Arrow it's an

410  
00:18:13,370 --> 00:18:11,100  
office within the United States Office

411  
00:18:15,710 --> 00:18:13,380  
of the Secretary of Defense that

412  
00:18:20,210 --> 00:18:15,720  
investigates unidentified flying objects

413  
00:18:22,909 --> 00:18:20,220

UFOs another phenomena in the air C and

414

00:18:25,490 --> 00:18:22,919

or space and or on land

415

00:18:28,549 --> 00:18:25,500

sometimes referred to as unidentified

416

00:18:32,630 --> 00:18:28,559

aerial phenomenon unidentified anomalous

417

00:18:35,990 --> 00:18:32,640

phenomena or UAP so Arrow was preceded

418

00:18:38,270 --> 00:18:36,000

by the unidentified excuse me

419

00:18:42,289 --> 00:18:38,280

Arrow was preceded by the unidentified

420

00:18:44,029 --> 00:18:42,299

aerial phenomena task force uaptf a

421

00:18:45,590 --> 00:18:44,039

program within the office of Navy

422

00:18:50,090 --> 00:18:45,600

intelligence

423

00:18:51,970 --> 00:18:50,100

standardize collection and reporting of

424

00:18:55,070 --> 00:18:51,980

sightings of UFOs

425

00:18:57,169 --> 00:18:55,080

uaptf was detailed in a June 2020

426

00:18:59,210 --> 00:18:57,179

hearing of the United States Senate

427

00:19:02,529 --> 00:18:59,220

Select Committee of it on intelligence

428

00:19:06,909 --> 00:19:02,539

the uaptf issued a

429

00:19:10,310 --> 00:19:06,919

preliminary report on June 2021 in July

430

00:19:13,490 --> 00:19:10,320

2022 it was announced that the uaptf

431

00:19:15,529 --> 00:19:13,500

would be succeeded as an organization by

432

00:19:17,169 --> 00:19:15,539

error so basically this is an agency

433

00:19:19,970 --> 00:19:17,179

that replaced

434

00:19:23,210 --> 00:19:19,980

the unidentified area of phenomena task

435

00:19:25,970 --> 00:19:23,220

force and so this is

436

00:19:29,090 --> 00:19:25,980

basically a minute and and 25 seconds

437

00:19:31,850 --> 00:19:29,100

remarks before he gets into showing some

438

00:19:33,409 --> 00:19:31,860

of the other footage and evidence so

439

00:19:35,270 --> 00:19:33,419

let's hear that

440

00:19:37,430 --> 00:19:35,280

I should also State clearly for the

441

00:19:39,890 --> 00:19:37,440

record that in our research Arrow has

442

00:19:42,049 --> 00:19:39,900

found no credible evidence thus far of

443

00:19:44,750 --> 00:19:42,059

extraterrestrial activity off-world

444

00:19:46,370 --> 00:19:44,760

technology or objects that defy the

445

00:19:48,890 --> 00:19:46,380

known laws of physics

446

00:19:51,289 --> 00:19:48,900

in the event sufficient scientific data

447

00:19:53,330 --> 00:19:51,299

were ever obtained that a UAP

448

00:19:55,730 --> 00:19:53,340

encountered can only be explained by

449

00:19:57,650 --> 00:19:55,740

extraterrestrial origin we are committed

450

00:20:00,409 --> 00:19:57,660

to working with our interagency partners

451  
00:20:02,810 --> 00:20:00,419  
at Nasa to appropriately inform U.S

452  
00:20:05,390 --> 00:20:02,820  
government's leadership of its findings

453  
00:20:07,190 --> 00:20:05,400  
for those few cases that have leaked to

454  
00:20:09,590 --> 00:20:07,200  
the public previously and subsequently

455  
00:20:11,270 --> 00:20:09,600  
commented on by the U.S government I

456  
00:20:12,950 --> 00:20:11,280  
encourage those who hold alternative

457  
00:20:15,110 --> 00:20:12,960  
theories or views to submit your

458  
00:20:17,330 --> 00:20:15,120  
research to Credible peer-reviewed

459  
00:20:19,190 --> 00:20:17,340  
scientific journals arrow is working

460  
00:20:22,130 --> 00:20:19,200  
very hard to do the same

461  
00:20:23,510 --> 00:20:22,140  
that is how science works not by blog or

462  
00:20:25,490 --> 00:20:23,520  
social media

463  
00:20:28,130 --> 00:20:25,500

we know that there is tremendous public

464

00:20:31,370 --> 00:20:28,140

interest in UAP and a desire for answers

465

00:20:33,950 --> 00:20:31,380

from Arrow by its very nature the UAP

466

00:20:36,470 --> 00:20:33,960

challenge has for decades lent itself to

467

00:20:39,590 --> 00:20:36,480

mystery sensationalism and even

468

00:20:41,990 --> 00:20:39,600

conspiracy for that reason Arrow remains

469

00:20:44,090 --> 00:20:42,000

committed to transparency accountability

470

00:20:46,850 --> 00:20:44,100

and to sharing as much with the American

471

00:20:48,950 --> 00:20:46,860

public as we can consistent with Our

472

00:20:51,590 --> 00:20:48,960

obligation to protect and not only

473

00:20:53,810 --> 00:20:51,600

intelligence sources and methods but U.S

474

00:20:56,690 --> 00:20:53,820

and Allied capabilities

475

00:20:59,750 --> 00:20:56,700

however Arrow's work will take time if

476

00:21:02,150 --> 00:20:59,760

we are committed to do it right

477

00:21:05,029 --> 00:21:02,160

okay and then I want to switch over to

478

00:21:07,250 --> 00:21:05,039

the remarks and this is off of the

479

00:21:08,409 --> 00:21:07,260

actual armed services website

480

00:21:10,549 --> 00:21:08,419

um

481

00:21:12,830 --> 00:21:10,559

unfortunately for those that are just

482

00:21:15,350 --> 00:21:12,840

going to be listening via podcast I'm

483

00:21:17,150 --> 00:21:15,360

sorry you can't see this footage he does

484

00:21:19,370 --> 00:21:17,160

talk throughout this but I always

485

00:21:21,710 --> 00:21:19,380

encourage everyone to at least go back

486

00:21:23,930 --> 00:21:21,720

in the description below I posted links

487

00:21:26,330 --> 00:21:23,940

to the armed services website where you

488

00:21:29,210 --> 00:21:26,340

can watch the entire hearing and see

489

00:21:34,610 --> 00:21:29,220

these examples for yourself and also the

490

00:21:36,230 --> 00:21:34,620

UAP James tweets links to General Olson

491

00:21:38,510 --> 00:21:36,240

and his remarks

492

00:21:41,090 --> 00:21:38,520

all right let's hear basically what it

493

00:21:43,190 --> 00:21:41,100

is that they're covering here and this

494

00:21:45,710 --> 00:21:43,200

was part of the actual

495

00:21:47,630 --> 00:21:45,720

um Senate hearing this morning

496

00:21:51,190 --> 00:21:47,640

so I'm going to walk you through two

497

00:21:55,010 --> 00:21:51,200

cases that we've Declassified recently

498

00:21:58,250 --> 00:21:55,020

this first one is an MQ-9 in the Middle

499

00:22:01,370 --> 00:21:58,260

East observing that blow up which is an

500

00:22:04,730 --> 00:22:01,380

apparent spherical object EO sensors

501  
00:22:09,409 --> 00:22:06,230  
if you want to go ahead and click that

502  
00:22:13,789 --> 00:22:11,690  
you'll see it come through the top of

503  
00:22:17,149 --> 00:22:13,799  
the screen there it goes and then the

504  
00:22:19,130 --> 00:22:17,159  
camera will slew to follow it

505  
00:22:21,409 --> 00:22:19,140  
you'll see it pop in and out of the

506  
00:22:24,049 --> 00:22:21,419  
screen field of view there

507  
00:22:25,789 --> 00:22:24,059  
this is essentially all of the data we

508  
00:22:28,730 --> 00:22:25,799  
have associated with this event from

509  
00:22:33,590 --> 00:22:30,770  
it is going to be virtually impossible

510  
00:22:35,870 --> 00:22:33,600  
to fully identify that

511  
00:22:38,029 --> 00:22:35,880  
just based off of that video

512  
00:22:41,750 --> 00:22:38,039  
now what we can do and what we are doing

513  
00:22:44,690 --> 00:22:41,760

is keeping that as part of that

514

00:22:47,510 --> 00:22:44,700  
group of 52 percent

515

00:22:49,610 --> 00:22:47,520  
to see what are the similarities what

516

00:22:51,710 --> 00:22:49,620  
are the trends across all these do we

517

00:22:54,590 --> 00:22:51,720  
see these in a particular distribution

518

00:22:57,110 --> 00:22:54,600  
do they all behave the same or not

519

00:22:59,270 --> 00:22:57,120  
as we get more data

520

00:23:02,029 --> 00:22:59,280  
we will be able to go back and look at

521

00:23:04,730 --> 00:23:02,039  
these in a fuller context

522

00:23:06,950 --> 00:23:04,740  
how are we going to get more data we are

523

00:23:08,930 --> 00:23:06,960  
working with the joint staff to issue

524

00:23:12,049 --> 00:23:08,940  
guidance to all the services and

525

00:23:13,669 --> 00:23:12,059  
commands that will then establish what

526  
00:23:15,710 --> 00:23:13,679  
are the reporting requirements the

527  
00:23:18,049 --> 00:23:15,720  
timeliness and all of the data that is

528  
00:23:21,950 --> 00:23:18,059  
required to be delivered to us and

529  
00:23:24,049 --> 00:23:21,960  
retained from all the associated sensors

530  
00:23:26,149 --> 00:23:24,059  
that historically hasn't been the case

531  
00:23:28,549 --> 00:23:26,159  
and it's been happenstance that data has

532  
00:23:31,430 --> 00:23:28,559  
been collected

533  
00:23:39,230 --> 00:23:35,890  
this particular event South Asia MQ-9

534  
00:23:42,950 --> 00:23:39,240  
looking at another MQ-9 and what's

535  
00:23:47,870 --> 00:23:45,470  
there in that red circle is an object

536  
00:23:50,330 --> 00:23:47,880  
that flies through the screen

537  
00:23:52,310 --> 00:23:50,340  
unlike the previous one

538  
00:23:53,990 --> 00:23:52,320

this one actually shows some really

539

00:23:56,990 --> 00:23:54,000

interesting things that everyone thought

540

00:23:59,210 --> 00:23:57,000

was truly anomalous to start with first

541

00:24:01,490 --> 00:23:59,220

of all it's a high-speed object that's

542

00:24:05,390 --> 00:24:01,500

flying in the field of regard of two

543

00:24:07,909 --> 00:24:05,400

mq-9s second it appears to have this

544

00:24:10,310 --> 00:24:07,919

trail behind it

545

00:24:14,149 --> 00:24:10,320

all right which at first blush you would

546

00:24:17,990 --> 00:24:14,159

think that looks like a propulsion Trail

547

00:24:19,730 --> 00:24:18,000

in reality if you want to play the first

548

00:24:22,190 --> 00:24:19,740

slide we'll show you what that looks

549

00:24:25,610 --> 00:24:22,200

like in real time or first video so

550

00:24:27,470 --> 00:24:25,620

we're looking at that there it goes

551  
00:24:29,390 --> 00:24:27,480  
once you play it again and then pause it

552  
00:24:31,010 --> 00:24:29,400  
halfway through

553  
00:24:32,690 --> 00:24:31,020  
right there

554  
00:24:35,510 --> 00:24:32,700  
all right if you might be able to see

555  
00:24:38,090 --> 00:24:35,520  
that trail there behind it

556  
00:24:41,169 --> 00:24:38,100  
that's actually not a real trail that is

557  
00:24:43,669 --> 00:24:41,179  
a sensor artifact

558  
00:24:45,950 --> 00:24:43,679  
each one of those little blobs is

559  
00:24:48,169 --> 00:24:45,960  
actually a representation of the object

560  
00:24:50,810 --> 00:24:48,179  
as it's moving through and later in the

561  
00:24:55,130 --> 00:24:50,820  
video as the

562  
00:24:57,649 --> 00:24:55,140  
as the camera slews that trail actually

563  
00:25:01,549 --> 00:24:57,659

follows the direction of the camera not

564

00:25:04,190 --> 00:25:01,559

the direction of the object

565

00:25:05,990 --> 00:25:04,200

we pulled these apart frame by frame we

566

00:25:09,230 --> 00:25:06,000

were able to demonstrate that that is

567

00:25:11,270 --> 00:25:09,240

essentially a readout uh overlap of the

568

00:25:12,710 --> 00:25:11,280

image it's a it's a shadow image right

569

00:25:14,649 --> 00:25:12,720

it's not real

570

00:25:17,750 --> 00:25:14,659

further if you later

571

00:25:20,870 --> 00:25:17,760

follow this all the way to end it starts

572

00:25:22,669 --> 00:25:20,880

to resolve itself into that blob that's

573

00:25:24,950 --> 00:25:22,679

in that picture in the top of the right

574

00:25:26,690 --> 00:25:24,960

and if you squint it looks like an

575

00:25:28,430 --> 00:25:26,700

aircraft because it actually turns out

576

00:25:31,370 --> 00:25:28,440

to be an aircraft go ahead and put that

577

00:25:36,289 --> 00:25:33,830

so you'll see the tail sort of pop out

578

00:25:38,690 --> 00:25:36,299

there and so what you're looking at is

579

00:25:40,730 --> 00:25:38,700

this is in the infrared this is the Heat

580

00:25:42,950 --> 00:25:40,740

Signature off of the

581

00:25:46,190 --> 00:25:42,960

engines of a commuter aircraft that

582

00:25:51,529 --> 00:25:48,409

be flying in the vicinity of where those

583

00:25:54,110 --> 00:25:51,539

two mq nines were at

584

00:25:55,549 --> 00:25:54,120

why am i showing you this so the first

585

00:25:58,490 --> 00:25:55,559

one that I showed you we don't have

586

00:26:01,909 --> 00:25:58,500

resolved yet right that is an unresolved

587

00:26:04,730 --> 00:26:01,919

case we are still studying this one we

588

00:26:06,769 --> 00:26:04,740

can resolve but this is the kind of data

589

00:26:09,470 --> 00:26:06,779

that we have to work with and the type

590

00:26:11,450 --> 00:26:09,480

of analysis that we have to do which can

591

00:26:14,390 --> 00:26:11,460

be quite extensive when you have to pull

592

00:26:17,330 --> 00:26:14,400

these apart frame by frame

593

00:26:20,390 --> 00:26:17,340

further we're now matching all of this

594

00:26:23,630 --> 00:26:20,400

with the models of all of those Imaging

595

00:26:26,149 --> 00:26:23,640

sensors so that I can say I can recreate

596

00:26:27,890 --> 00:26:26,159

this I can actually show how the sensor

597

00:26:30,230 --> 00:26:27,900

is going to respond

598

00:26:33,289 --> 00:26:30,240

all of these sensors don't necessarily

599

00:26:35,390 --> 00:26:33,299

respond the way you think they do

600

00:26:38,029 --> 00:26:35,400

especially out in the world and in the

601  
00:26:43,250 --> 00:26:41,330  
okay so I just wanted to show you this

602  
00:26:46,730 --> 00:26:43,260  
particular part

603  
00:26:48,890 --> 00:26:46,740  
let me get my things ready here

604  
00:26:51,350 --> 00:26:48,900  
so I just basically wanted to show you

605  
00:26:53,510 --> 00:26:51,360  
the kind of the highlights from what I

606  
00:26:55,730 --> 00:26:53,520  
was able to gather like I said I didn't

607  
00:26:57,470 --> 00:26:55,740  
watch the whole thing the link is in

608  
00:26:59,210 --> 00:26:57,480  
description below for you to watch the

609  
00:27:00,649 --> 00:26:59,220  
whole thing if you're interested but

610  
00:27:02,570 --> 00:27:00,659  
basically

611  
00:27:04,970 --> 00:27:02,580  
um just to gather what it is that they

612  
00:27:07,490 --> 00:27:04,980  
mainly covered and I think he's just

613  
00:27:10,130 --> 00:27:07,500

basically explaining how arrow is going

614

00:27:12,529 --> 00:27:10,140

to go about to collect these this

615

00:27:14,870 --> 00:27:12,539

information as you've seen what it is

616

00:27:18,110 --> 00:27:14,880

that they do how they analyze it what

617

00:27:20,210 --> 00:27:18,120

conclusions to draw draw from it so now

618

00:27:23,210 --> 00:27:20,220

that you and I both know the definition

619

00:27:24,950 --> 00:27:23,220

of Arrow what it is what it does uh

620

00:27:26,870 --> 00:27:24,960

we'll see hopefully more things come

621

00:27:28,250 --> 00:27:26,880

from them in the future but that's

622

00:27:31,730 --> 00:27:28,260

basically what I have for you today

623

00:27:35,750 --> 00:27:31,740

regarding uh the the hearing some of the

624

00:27:38,810 --> 00:27:35,760

other things you've seen and um just um

625

00:27:40,730 --> 00:27:38,820

that's pretty much it so I want to go

626  
00:27:42,830 --> 00:27:40,740  
back and see if there's anyone else that

627  
00:27:45,769 --> 00:27:42,840  
would like to chat with me on on

628  
00:27:48,010 --> 00:27:45,779  
telegram if not I'll just um see what

629  
00:27:50,029 --> 00:27:48,020  
the chat rooms are like and

630  
00:27:53,390 --> 00:27:50,039  
unless there's some specific questions

631  
00:27:56,330 --> 00:27:53,400  
maybe in the in the chat itself please

632  
00:27:58,370 --> 00:27:56,340  
make sure to put three asterix's so that

633  
00:28:00,649 --> 00:27:58,380  
I know you directed in question towards

634  
00:28:04,490 --> 00:28:00,659  
me and I'll chat with you about that

635  
00:28:06,950 --> 00:28:04,500  
otherwise I hope you found this a little

636  
00:28:08,990 --> 00:28:06,960  
bit of piece of information useful and

637  
00:28:10,310 --> 00:28:09,000  
um I will probably then catch you next

638  
00:28:13,370 --> 00:28:10,320

week

639

00:28:15,710 --> 00:28:13,380

during another interview or another open

640

00:28:19,130 --> 00:28:15,720

lights whatever it happened to be also I

641

00:28:22,010 --> 00:28:19,140

was informed too and thankfully I'm

642

00:28:24,590 --> 00:28:22,020

glad I had some direct sources to inform

643

00:28:28,370 --> 00:28:24,600

me so Katie page is the mufan director

644

00:28:31,130 --> 00:28:28,380

for Colorado and so not Arizona I'm

645

00:28:33,409 --> 00:28:31,140

sorry about that and that I I I thought

646

00:28:35,690 --> 00:28:33,419

it was Arizona but it's better to be

647

00:28:38,029 --> 00:28:35,700

corrected now than it being recorded

648

00:28:40,070 --> 00:28:38,039

wrong uh for however long the video will

649

00:28:43,430 --> 00:28:40,080

stay online

650

00:28:46,610 --> 00:28:43,440

all right let's see what do we got here

651  
00:28:53,470 --> 00:28:46,620  
welcome Frank how are you

652  
00:28:53,480 --> 00:28:58,370  
and uh we have Deb r

653  
00:29:03,890 --> 00:29:00,070  
from Ontario

654  
00:29:05,870 --> 00:29:03,900  
quarter lakes or Ontario so next year I

655  
00:29:08,810 --> 00:29:05,880  
would love to go to that conference

656  
00:29:10,970 --> 00:29:08,820  
um yeah I hope you make it too uh Deb uh

657  
00:29:14,090 --> 00:29:10,980  
as always I will have two tickets

658  
00:29:16,490 --> 00:29:14,100  
available again that uh you all be able

659  
00:29:18,789 --> 00:29:16,500  
to to win and I'll put out a video it'll

660  
00:29:22,970 --> 00:29:18,799  
probably be hashtag Ozark

661  
00:29:25,909 --> 00:29:22,980  
2024 or just orzac 24 and then I'll use

662  
00:29:29,750 --> 00:29:25,919  
the online random comment picker to pick

663  
00:29:31,490 --> 00:29:29,760

a winner and this year it was um oh I

664

00:29:33,049 --> 00:29:31,500

forgot her name it was a gal that that

665

00:29:36,169 --> 00:29:33,059

won it first but she didn't answer me

666

00:29:38,510 --> 00:29:36,179

for about four days and I wanted to give

667

00:29:40,430 --> 00:29:38,520

whoever else could possibly win more

668

00:29:43,549 --> 00:29:40,440

time to make any kind of accommodations

669

00:29:46,190 --> 00:29:43,559

to be able to make it so then Reuben won

670

00:29:46,789 --> 00:29:46,200

it next and so

671

00:29:49,070 --> 00:29:46,799

um

672

00:29:52,789 --> 00:29:49,080

just make sure whenever you see that

673

00:29:54,769 --> 00:29:52,799

video uh submit basically comment like

674

00:29:56,570 --> 00:29:54,779

and share the video but always please

675

00:29:58,250 --> 00:29:56,580

make sure to leave some kind of contact

676  
00:30:00,710 --> 00:29:58,260  
information because most people they

677  
00:30:02,690 --> 00:30:00,720  
submit but then on the about section on

678  
00:30:04,610 --> 00:30:02,700  
YouTube on their Channel there's nothing

679  
00:30:08,210 --> 00:30:04,620  
there I can't contact them they're not

680  
00:30:10,070 --> 00:30:08,220  
answering the the uh the comments that

681  
00:30:13,190 --> 00:30:10,080  
they basically that I'm trying to reach

682  
00:30:15,110 --> 00:30:13,200  
through and if I can't reach you I can't

683  
00:30:16,850 --> 00:30:15,120  
give you the tickets that you want so

684  
00:30:18,590 --> 00:30:16,860  
whoever is watching this on the off

685  
00:30:20,510 --> 00:30:18,600  
chance that you might be able to win

686  
00:30:23,269 --> 00:30:20,520  
please leave some contact information

687  
00:30:29,029 --> 00:30:27,409  
labels labels 369 hi good to see you as

688  
00:30:32,029 --> 00:30:29,039

well

689

00:30:34,070 --> 00:30:32,039

um I I Cara

690

00:30:37,010 --> 00:30:34,080

welcome

691

00:30:38,930 --> 00:30:37,020

we have Edward

692

00:30:42,230 --> 00:30:38,940

uh

693

00:30:43,730 --> 00:30:42,240

don't get to us very often but t m e

694

00:30:46,549 --> 00:30:43,740

mister I guess is that how it's

695

00:30:52,250 --> 00:30:46,559

pronounced from twitch

696

00:30:57,110 --> 00:30:55,070

that's pretty much it so the first one I

697

00:30:59,630 --> 00:30:57,120

see here says from Frank what happened

698

00:31:01,970 --> 00:30:59,640

to the phone number we used to used to

699

00:31:04,010 --> 00:31:01,980

call in I actually never had a phone

700

00:31:06,470 --> 00:31:04,020

number to calling I don't know I'm not

701  
00:31:07,370 --> 00:31:06,480  
sure what maybe you you're thinking of a

702  
00:31:08,570 --> 00:31:07,380  
different

703  
00:31:14,090 --> 00:31:08,580  
um

704  
00:31:16,850 --> 00:31:14,100  
from the get-go I just basically set up

705  
00:31:20,570 --> 00:31:16,860  
Telegram and this is also based on most

706  
00:31:22,490 --> 00:31:20,580  
of the feedback on YouTube I put out out

707  
00:31:25,909 --> 00:31:22,500  
there which one do you want me set up

708  
00:31:29,029 --> 00:31:25,919  
telegram or Discord and um just so that

709  
00:31:31,190 --> 00:31:29,039  
people then can join Discord and have

710  
00:31:33,529 --> 00:31:31,200  
their voices heard that way and telegram

711  
00:31:36,230 --> 00:31:33,539  
one out and at that time I also had

712  
00:31:38,389 --> 00:31:36,240  
telegram just so I Society set up prior

713  
00:31:40,070 --> 00:31:38,399

not expecting that people are going to

714

00:31:42,490 --> 00:31:40,080

go with telegram and I like it better

715

00:31:45,830 --> 00:31:42,500

it's basically um

716

00:31:47,930 --> 00:31:45,840

just it's a way for you just keep track

717

00:31:50,330 --> 00:31:47,940

of the channel because right now we're

718

00:31:52,909 --> 00:31:50,340

streaming on Twitch Facebook and YouTube

719

00:31:56,870 --> 00:31:52,919

and later on the stream I will take it

720

00:31:59,510 --> 00:31:56,880

and put it up on Rumble so I know most

721

00:32:01,970 --> 00:31:59,520

of you love YouTube but it YouTube has

722

00:32:04,490 --> 00:32:01,980

not been very good for me just it's very

723

00:32:06,769 --> 00:32:04,500

difficult to deal with them so to taking

724

00:32:09,529 --> 00:32:06,779

down videos I'm not sure if they're

725

00:32:11,750 --> 00:32:09,539

going to go further and just give me

726

00:32:15,110 --> 00:32:11,760

more of those strikes but I'm I've

727

00:32:16,970 --> 00:32:15,120

already kind of did a preemptive prevent

728

00:32:19,610 --> 00:32:16,980

prevention of whatever you want to call

729

00:32:21,590 --> 00:32:19,620

it to just go ahead and have several

730

00:32:23,870 --> 00:32:21,600

other platforms where then the channel

731

00:32:25,610 --> 00:32:23,880

will not just be gone all the way you

732

00:32:27,110 --> 00:32:25,620

can go to rumble and then watch every

733

00:32:29,690 --> 00:32:27,120

single video and then I'll still have

734

00:32:31,310 --> 00:32:29,700

twitch to be able to stream like this so

735

00:32:33,769 --> 00:32:31,320

then that way if you can't watch on

736

00:32:35,330 --> 00:32:33,779

YouTube you can watch Twitch live and

737

00:32:38,029 --> 00:32:35,340

then the stream will be backed up on

738

00:32:40,610 --> 00:32:38,039

Rumble and then of course telegram is

739

00:32:42,710 --> 00:32:40,620

directly connected obviously to my to my

740

00:32:45,830 --> 00:32:42,720

phone so I will always get

741

00:32:47,870 --> 00:32:45,840

your notifications so things uh you guys

742

00:32:50,389 --> 00:32:47,880

might comment on I can't say that I

743

00:32:52,310 --> 00:32:50,399

always will reply to it but it's

744

00:32:54,169 --> 00:32:52,320

basically just my way to immediately

745

00:32:56,210 --> 00:32:54,179

stay in touch with you all whenever

746

00:32:59,810 --> 00:32:56,220

something happens because if I'm ever

747

00:33:01,370 --> 00:32:59,820

whatever if YouTube gives me a strike I

748

00:33:03,289 --> 00:33:01,380

can't even comment on the community

749

00:33:05,510 --> 00:33:03,299

section to say hey I won't be able to

750

00:33:07,970 --> 00:33:05,520

post anything because I you know I got a

751

00:33:10,850 --> 00:33:07,980

strike I can't basically you can't do

752

00:33:13,250 --> 00:33:10,860

anything until the period of time

753

00:33:14,810 --> 00:33:13,260

however whatever it happens to be it

754

00:33:16,370 --> 00:33:14,820

should be I think first time they give

755

00:33:18,710 --> 00:33:16,380

you seven days

756

00:33:21,350 --> 00:33:18,720

then 30 days and then you band all

757

00:33:23,750 --> 00:33:21,360

together but anyway even if you have

758

00:33:25,909 --> 00:33:23,760

just one strike you can't basically

759

00:33:27,830 --> 00:33:25,919

YouTube is off limits for you so all

760

00:33:32,570 --> 00:33:27,840

these other platforms are there to where

761

00:33:37,730 --> 00:33:35,330

uh Mr T I think he's just chatting by

762

00:33:40,070 --> 00:33:37,740

says I have ramble uh twitch and Twitter

763

00:33:43,070 --> 00:33:40,080

all under the same handle okay that's

764

00:33:46,310 --> 00:33:43,080

cool yeah I have uh Facebook and Twitter

765

00:33:49,370 --> 00:33:46,320

there hasn't been uh prior there hasn't

766

00:33:51,230 --> 00:33:49,380

been much uh the basic interaction uh

767

00:33:53,690 --> 00:33:51,240

from people especially Facebook it's a

768

00:33:56,630 --> 00:33:53,700

larger following but very few you know

769

00:33:58,130 --> 00:33:56,640

people get reached so but I figured all

770

00:34:00,649 --> 00:33:58,140

right fine I'll still then keep on

771

00:34:02,450 --> 00:34:00,659

posting stuff up there uh Twitter has

772

00:34:04,250 --> 00:34:02,460

become a bit better because I'm actually

773

00:34:06,649 --> 00:34:04,260

starting to see more people just

774

00:34:08,030 --> 00:34:06,659

actually following where before it was

775

00:34:10,790 --> 00:34:08,040

for

776

00:34:13,490 --> 00:34:10,800

five years plus well I will actually

777

00:34:16,430 --> 00:34:13,500

pretty much since since uh I had the

778

00:34:19,730 --> 00:34:16,440

channel it's been very slow growth So

779

00:34:23,510 --> 00:34:19,740

within the past three months or so

780

00:34:26,030 --> 00:34:23,520

um I think it went up by well over 50 uh

781

00:34:28,849 --> 00:34:26,040

followers whereas before it would I

782

00:34:30,950 --> 00:34:28,859

might have gotten 50 in five years so

783

00:34:34,010 --> 00:34:30,960

something has happened on on Twitter to

784

00:34:40,909 --> 00:34:34,020

where whatever I do happen to post on on

785

00:34:44,210 --> 00:34:42,290

um

786

00:34:46,070 --> 00:34:44,220

Team master says a lot of folks are

787

00:34:48,829 --> 00:34:46,080

dropping YouTube and Facebook due to

788

00:34:50,329 --> 00:34:48,839

getting unwarranted strikes right

789

00:34:54,109 --> 00:34:50,339

well you know I mean some of these

790

00:34:55,909 --> 00:34:54,119

subjects uh especially you know everyone

791

00:34:58,550 --> 00:34:55,919

wants to like I would love to just be

792

00:35:01,430 --> 00:34:58,560

able to to stick to just your full

793

00:35:03,530 --> 00:35:01,440

events your four events UFO events but a

794

00:35:05,450 --> 00:35:03,540

lot of different things and and people

795

00:35:07,310 --> 00:35:05,460

do that will tell you these stories it's

796

00:35:09,710 --> 00:35:07,320

not just about

797

00:35:12,109 --> 00:35:09,720

um okay a ship have you know occurred I

798

00:35:14,030 --> 00:35:12,119

mean appeared here there's a document

799

00:35:16,550 --> 00:35:14,040

about this thing happening there it's

800

00:35:18,770 --> 00:35:16,560

not just about those specific things you

801  
00:35:21,170 --> 00:35:18,780  
know we're talking about energies and

802  
00:35:23,630 --> 00:35:21,180  
unresolved energies that basically

803  
00:35:25,910 --> 00:35:23,640  
hinder us from your basically contact

804  
00:35:28,970 --> 00:35:25,920  
yourself often talked about on the show

805  
00:35:32,870 --> 00:35:28,980  
so sometimes things come up like

806  
00:35:35,270 --> 00:35:32,880  
government government criticism

807  
00:35:37,550 --> 00:35:35,280  
um especially regarding the pandemic or

808  
00:35:39,109 --> 00:35:37,560  
the job and all these other things you

809  
00:35:40,910 --> 00:35:39,119  
know because at the end of the day we're

810  
00:35:44,450 --> 00:35:40,920  
talking about energies and how different

811  
00:35:47,630 --> 00:35:44,460  
energies affect each one of us and how

812  
00:35:50,329 --> 00:35:47,640  
depending on what your energy is whether

813  
00:35:52,370 --> 00:35:50,339

or not you know it makes contact more

814

00:35:54,710 --> 00:35:52,380

conducive the higher of a frequency you

815

00:35:56,930 --> 00:35:54,720

can be you know I know it sounds totally

816

00:35:59,450 --> 00:35:56,940

new Ag and and things that don't quite

817

00:36:02,210 --> 00:35:59,460

get it it's probably cringed to them you

818

00:36:05,390 --> 00:36:02,220

know but it's it's all about energy it's

819

00:36:07,790 --> 00:36:05,400

about basically your Consciousness and

820

00:36:10,370 --> 00:36:07,800

and you as a person growing that makes

821

00:36:13,609 --> 00:36:10,380

contact eventual contact a lot more

822

00:36:15,770 --> 00:36:13,619

feasible a lot you know closer to the

823

00:36:18,530 --> 00:36:15,780

possibility of the contact that we all

824

00:36:20,210 --> 00:36:18,540

want but to get there I would have to

825

00:36:22,730 --> 00:36:20,220

talk about these different subjects so

826

00:36:24,829 --> 00:36:22,740

if it's against YouTube's guidelines

827

00:36:27,250 --> 00:36:24,839

um they throttle you down and I can see

828

00:36:31,490 --> 00:36:27,260

it on my on my activity on basically

829

00:36:34,250 --> 00:36:31,500

views per day and specifically when I

830

00:36:38,690 --> 00:36:34,260

cover certain subjects it's just it just

831

00:36:40,190 --> 00:36:38,700

tanks and so what I said before very

832

00:36:41,750 --> 00:36:40,200

similar subjects were covered and

833

00:36:44,030 --> 00:36:41,760

everything was fine it's just something

834

00:36:46,730 --> 00:36:44,040

changed within their algorithm that

835

00:36:48,410 --> 00:36:46,740

basically just shuts you down and I

836

00:36:51,890 --> 00:36:48,420

guess it's just the general word for

837

00:36:53,750 --> 00:36:51,900

that is Shadow Banning and so anyway I'm

838

00:36:56,750 --> 00:36:53,760

not too worried about it I will keep

839

00:36:58,310 --> 00:36:56,760

doing what I do but do know there's all

840

00:37:01,370 --> 00:36:58,320

these other platforms especially

841

00:37:04,490 --> 00:37:01,380

especially in the description below

842

00:37:08,390 --> 00:37:04,500

um I always upload to Spotify Amazon

843

00:37:10,670 --> 00:37:08,400

music Google I heart all of these are

844

00:37:13,790 --> 00:37:10,680

available via podcasts so I basically

845

00:37:16,069 --> 00:37:13,800

extract the MP3 from whatever live

846

00:37:17,990 --> 00:37:16,079

stream I do and upload it there show all

847

00:37:19,849 --> 00:37:18,000

of those are also available for all of

848

00:37:21,890 --> 00:37:19,859

you to listen and it seems like they

849

00:37:24,050 --> 00:37:21,900

haven't been throttling me or

850

00:37:25,790 --> 00:37:24,060

restricting things there too much so you

851  
00:37:29,270 --> 00:37:25,800  
can always go to those and just listen

852  
00:37:31,370 --> 00:37:29,280  
to those for free well well if you have

853  
00:37:33,290 --> 00:37:31,380  
I guess a subscription what I offer is

854  
00:37:34,849 --> 00:37:33,300  
free but these different platforms might

855  
00:37:39,290 --> 00:37:34,859  
need a subscription I don't know how

856  
00:37:43,849 --> 00:37:41,569  
uh star brother

857  
00:37:48,829 --> 00:37:43,859  
says the energy is about who can have

858  
00:37:55,130 --> 00:37:52,550  
not nice UFO well it's

859  
00:37:56,930 --> 00:37:55,140  
well you know when it comes to like

860  
00:37:58,970 --> 00:37:56,940  
especially like I think

861  
00:38:01,190 --> 00:37:58,980  
I wish I would have more of a easier

862  
00:38:03,410 --> 00:38:01,200  
catalog for people to go back to where I

863  
00:38:05,690 --> 00:38:03,420

can specifically point and say hey at

864

00:38:08,329 --> 00:38:05,700

this interview at this time I covered

865

00:38:11,150 --> 00:38:08,339

this get immediately to the point that

866

00:38:12,950 --> 00:38:11,160

I'm making about energies and changing

867

00:38:14,030 --> 00:38:12,960

your own frequency but unfortunately I

868

00:38:15,770 --> 00:38:14,040

don't have it

869

00:38:17,329 --> 00:38:15,780

um it would have to be someone that

870

00:38:19,490 --> 00:38:17,339

constantly watches that then comes

871

00:38:21,770 --> 00:38:19,500

across the information where I happen to

872

00:38:24,230 --> 00:38:21,780

mention it I mentioned often enough and

873

00:38:26,030 --> 00:38:24,240

the importance of energy and you know

874

00:38:27,950 --> 00:38:26,040

how important it is to actually work on

875

00:38:30,730 --> 00:38:27,960

resolving it you know if you want to

876

00:38:33,470 --> 00:38:30,740

make contact a lot more feasible

877

00:38:35,810 --> 00:38:33,480

labels rights add-in you show is very

878

00:38:37,849 --> 00:38:35,820

informative uh thought provoking and

879

00:38:39,410 --> 00:38:37,859

entertaining thank you well thank you I

880

00:38:41,569 --> 00:38:39,420

really appreciate it

881

00:38:44,150 --> 00:38:41,579

um it was it was great to when I met

882

00:38:46,730 --> 00:38:44,160

people in person to get that feedback

883

00:38:49,730 --> 00:38:46,740

from them and um

884

00:38:52,190 --> 00:38:49,740

I guess it's one of these one of these

885

00:38:55,190 --> 00:38:52,200

human things where whenever I do have a

886

00:38:57,050 --> 00:38:55,200

show I I want everyone to have the best

887

00:38:59,089 --> 00:38:57,060

understanding of what I'm trying to say

888

00:39:01,790 --> 00:38:59,099

and I'm always hoping that it comes

889

00:39:03,710 --> 00:39:01,800

across the way I hope it it gets across

890

00:39:05,750 --> 00:39:03,720

to everybody but

891

00:39:08,390 --> 00:39:05,760

um we know just as part of being humans

892

00:39:10,550 --> 00:39:08,400

it never is the case but the few that I

893

00:39:12,349 --> 00:39:10,560

talk to you at the conference

894

00:39:14,089 --> 00:39:12,359

um it feels like that most of you are

895

00:39:15,710 --> 00:39:14,099

getting it you know you are you are

896

00:39:18,829 --> 00:39:15,720

understanding what I'm trying to say and

897

00:39:21,050 --> 00:39:18,839

it in a way it's it is a morale booster

898

00:39:23,270 --> 00:39:21,060

because usually to do this it's just me

899

00:39:25,970 --> 00:39:23,280

and my wife and she's busy with the kids

900

00:39:28,370 --> 00:39:25,980

so I can do this for all of you and for

901  
00:39:30,589 --> 00:39:28,380  
my own sanity and so

902  
00:39:31,970 --> 00:39:30,599  
um it's kind of nice knowing that okay

903  
00:39:33,710 --> 00:39:31,980  
we're going in the right direction

904  
00:39:35,930 --> 00:39:33,720  
people are getting something from this

905  
00:39:37,670 --> 00:39:35,940  
so it doesn't feel like a total waste

906  
00:39:39,829 --> 00:39:37,680  
but thank you labels I appreciate it and

907  
00:39:42,170 --> 00:39:39,839  
of course everyone else that that feels

908  
00:39:45,170 --> 00:39:42,180  
the same way

909  
00:39:47,750 --> 00:39:45,180  
all right so

910  
00:39:50,270 --> 00:39:47,760  
I unless any of you have any other

911  
00:39:52,010 --> 00:39:50,280  
questions for me uh that should be that

912  
00:39:53,690 --> 00:39:52,020  
should be it I don't have any other

913  
00:39:55,490 --> 00:39:53,700

information for

914

00:39:57,829 --> 00:39:55,500

for all of you

915

00:39:59,329 --> 00:39:57,839

um other than I I was thinking initially

916

00:40:02,089 --> 00:39:59,339

to

917

00:40:04,190 --> 00:40:02,099

um live stream the the

918

00:40:05,690 --> 00:40:04,200

the hearing but I'm glad I didn't

919

00:40:08,030 --> 00:40:05,700

because

920

00:40:10,250 --> 00:40:08,040

when it started they immediately started

921

00:40:13,550 --> 00:40:10,260

with the blank screen where you couldn't

922

00:40:15,950 --> 00:40:13,560

see it was just a like a general graphic

923

00:40:18,170 --> 00:40:15,960

saying what the event was and only about

924

00:40:21,050 --> 00:40:18,180

roughly two hours into it did they open

925

00:40:24,290 --> 00:40:21,060

it up to see what we all just saw uh

926

00:40:26,270 --> 00:40:24,300

what Dr Kirkpatrick said and and so on

927

00:40:28,609 --> 00:40:26,280

so

928

00:40:29,930 --> 00:40:28,619

um it would I did not know that that was

929

00:40:32,089 --> 00:40:29,940

going to happen so it would it would

930

00:40:34,130 --> 00:40:32,099

have kind of sucked if I started the

931

00:40:35,870 --> 00:40:34,140

stream and then just for two hours would

932

00:40:37,910 --> 00:40:35,880

not have anything to basically look at

933

00:40:40,430 --> 00:40:37,920

with all of you except for the last hour

934

00:40:43,190 --> 00:40:40,440

so in a way I'm glad I didn't do it

935

00:40:45,710 --> 00:40:43,200

because actually today was a kind of a

936

00:40:48,710 --> 00:40:45,720

for those of you that didn't know my day

937

00:40:50,690 --> 00:40:48,720

job is working at Ozark so it was kind

938

00:40:52,430 --> 00:40:50,700

of a debriefing day about okay how'd the

939

00:40:54,230 --> 00:40:52,440

conference go from each different

940

00:40:56,990 --> 00:40:54,240

sections because we had the registration

941

00:40:59,329 --> 00:40:57,000

we had the AV crew and so on so just

942

00:41:01,010 --> 00:40:59,339

basically doing feedback and seeing what

943

00:41:02,630 --> 00:41:01,020

else needs to be done what else can be

944

00:41:04,849 --> 00:41:02,640

changed so to always make it a little

945

00:41:06,829 --> 00:41:04,859

bit better for next year so

946

00:41:10,370 --> 00:41:06,839

that occurred right at the time when

947

00:41:12,829 --> 00:41:10,380

this 9 30 meeting was also happening in

948

00:41:14,270 --> 00:41:12,839

in the Senate so I I couldn't do it and

949

00:41:17,810 --> 00:41:14,280

it worked out actually for the best

950

00:41:20,150 --> 00:41:17,820

because I don't know unless people call

951  
00:41:21,770 --> 00:41:20,160  
in or someone else would just chat with

952  
00:41:24,170 --> 00:41:21,780  
me in chat I don't know it would be very

953  
00:41:30,849 --> 00:41:24,180  
difficult to just try to kill

954  
00:41:30,859 --> 00:41:35,770  
so T mister

955  
00:41:42,170 --> 00:41:39,109  
says I'm your amateur radio friend and

956  
00:41:45,589 --> 00:41:42,180  
father of oh oh my goodness I didn't

957  
00:41:48,230 --> 00:41:45,599  
know okay I won't say your name but yes

958  
00:41:53,150 --> 00:41:48,240  
I know tmists are actually very well his

959  
00:41:57,050 --> 00:41:54,890  
uh are you

960  
00:41:59,210 --> 00:41:57,060  
doing this regularly now do you have a

961  
00:42:02,030 --> 00:41:59,220  
schedule yes I do so basically every

962  
00:42:04,630 --> 00:42:02,040  
every Wednesday I've either I'm going to

963  
00:42:08,750 --> 00:42:04,640

either put up a video

964

00:42:11,510 --> 00:42:08,760

that either I have for you to watch or a

965

00:42:13,550 --> 00:42:11,520

live stream uh or an interview that's

966

00:42:15,770 --> 00:42:13,560

going to be live but

967

00:42:18,109 --> 00:42:15,780

um I took my long break and I appreciate

968

00:42:19,550 --> 00:42:18,119

all of you uh basically just not having

969

00:42:21,950 --> 00:42:19,560

anything to watch for quite a while

970

00:42:24,349 --> 00:42:21,960

because I just needed to take that time

971

00:42:26,630 --> 00:42:24,359

I needed to get family things and all

972

00:42:28,730 --> 00:42:26,640

these other things in order but with

973

00:42:30,589 --> 00:42:28,740

that now being settled it makes this a

974

00:42:33,950 --> 00:42:30,599

whole lot easier and there's less on my

975

00:42:36,109 --> 00:42:33,960

back to be able to just comfortably keep

976

00:42:38,210 --> 00:42:36,119

doing this and schedule things for all

977

00:42:41,150 --> 00:42:38,220

of you to be able to come back at 7 pm

978

00:42:43,490 --> 00:42:41,160

every Wednesday and receive something if

979

00:42:45,710 --> 00:42:43,500

I just have a video I'm not necessarily

980

00:42:47,810 --> 00:42:45,720

going to wait till 7 pm on Wednesday to

981

00:42:49,910 --> 00:42:47,820

to release it I'm just going to make it

982

00:42:52,430 --> 00:42:49,920

public early in the day maybe starting

983

00:42:55,550 --> 00:42:52,440

in the morning or lunch depends but it

984

00:42:58,250 --> 00:42:55,560

will be on Wednesday if maybe even and

985

00:42:59,750 --> 00:42:58,260

late night on Tuesday but either way I

986

00:43:02,210 --> 00:42:59,760

will always try to have something going

987

00:43:04,430 --> 00:43:02,220

on so that everyone knows okay every

988

00:43:05,930 --> 00:43:04,440

Wednesday there will be something here

989

00:43:08,930 --> 00:43:05,940

because

990

00:43:11,270 --> 00:43:08,940

um I have actually uh quite a list of

991

00:43:13,309 --> 00:43:11,280

people that have asked to be interviewed

992

00:43:14,450 --> 00:43:13,319

to have some very intriguing stories to

993

00:43:16,130 --> 00:43:14,460

tell

994

00:43:18,890 --> 00:43:16,140

um one particular

995

00:43:20,270 --> 00:43:18,900

future guest even showed me some videos

996

00:43:22,010 --> 00:43:20,280

they would like to share and I would

997

00:43:23,930 --> 00:43:22,020

love to show those to you while we're

998

00:43:25,609 --> 00:43:23,940

doing the interview so

999

00:43:27,589 --> 00:43:25,619

um just bear with me there will always

1000

00:43:30,470 --> 00:43:27,599

be something but then it'll be one of

1001  
00:43:32,510 --> 00:43:30,480  
these things that once things are back

1002  
00:43:34,250 --> 00:43:32,520  
in order and and which they can already

1003  
00:43:36,290 --> 00:43:34,260  
are there will be more and more

1004  
00:43:39,710 --> 00:43:36,300  
interviews every Wednesday 7 P.M

1005  
00:43:42,410 --> 00:43:39,720  
Wednesday 7 pm and also keep in mind

1006  
00:43:44,930 --> 00:43:42,420  
do this now or maybe for sometimes in

1007  
00:43:46,910 --> 00:43:44,940  
the future just install telegram so all

1008  
00:43:50,210 --> 00:43:46,920  
of you can actually

1009  
00:43:52,609 --> 00:43:50,220  
um just directly talk to me and share

1010  
00:43:55,010 --> 00:43:52,619  
your stories because we before I went to

1011  
00:43:56,990 --> 00:43:55,020  
my long Hiatus

1012  
00:43:58,609 --> 00:43:57,000  
um most of you talked you know talked to

1013  
00:44:00,530 --> 00:43:58,619

me and called in with all kinds of

1014

00:44:01,849 --> 00:44:00,540

different stories because that's at the

1015

00:44:05,089 --> 00:44:01,859

end of the day that's what it's about

1016

00:44:07,670 --> 00:44:05,099

you can't have a

1017

00:44:11,089 --> 00:44:07,680

you can have you know an authority all

1018

00:44:12,650 --> 00:44:11,099

the time to go through and tell you what

1019

00:44:14,870 --> 00:44:12,660

you should be thinking what you should

1020

00:44:16,490 --> 00:44:14,880

be seeing how you should be looking at

1021

00:44:19,250 --> 00:44:16,500

it because

1022

00:44:22,550 --> 00:44:19,260

if you'll see all each one of us as

1023

00:44:25,490 --> 00:44:22,560

being that small spark of the Big G you

1024

00:44:28,430 --> 00:44:25,500

know each one of our observation is just

1025

00:44:30,650 --> 00:44:28,440

as valuable as some expert out there and

1026

00:44:33,170 --> 00:44:30,660

so uh even if it's just to share the

1027

00:44:35,150 --> 00:44:33,180

story it's it's worth it for others to

1028

00:44:37,069 --> 00:44:35,160

know oh wow I'm going through something

1029

00:44:39,589 --> 00:44:37,079

similar I've experienced something

1030

00:44:41,450 --> 00:44:39,599

similar and it makes them feel all right

1031

00:44:43,490 --> 00:44:41,460

that they're not alone because maybe

1032

00:44:45,290 --> 00:44:43,500

where they are where they live they feel

1033

00:44:47,750 --> 00:44:45,300

like in their Community they're the only

1034

00:44:49,609 --> 00:44:47,760

ones that that you are dealing with

1035

00:44:52,010 --> 00:44:49,619

these things not realizing there's a

1036

00:44:54,050 --> 00:44:52,020

whole wider World community that

1037

00:44:58,609 --> 00:44:54,060

basically is right there to be their

1038

00:45:00,829 --> 00:44:59,870

okay

1039

00:45:03,470 --> 00:45:00,839

um

1040

00:45:05,809 --> 00:45:03,480

star brother says if we don't change our

1041

00:45:09,410 --> 00:45:05,819

financial system nothing will change

1042

00:45:15,470 --> 00:45:12,710

the financial system is a form of energy

1043

00:45:18,170 --> 00:45:15,480

and then energy has changed we expand

1044

00:45:20,750 --> 00:45:18,180

our energy throughout the day to you

1045

00:45:22,790 --> 00:45:20,760

know gain dollars or you know Euro or

1046

00:45:26,870 --> 00:45:22,800

whatever wherever you happen to live and

1047

00:45:29,329 --> 00:45:26,880

then you basically spend your energy at

1048

00:45:33,109 --> 00:45:29,339

whatever it is that you would like but

1049

00:45:35,329 --> 00:45:33,119

by focusing your energy AKA money into

1050

00:45:38,270 --> 00:45:35,339

whatever whatever little things that you

1051  
00:45:39,589 --> 00:45:38,280  
do you have to propagate this thing so

1052  
00:45:41,930 --> 00:45:39,599  
if there's something you don't like

1053  
00:45:44,210 --> 00:45:41,940  
about this do not expend your energy

1054  
00:45:47,210 --> 00:45:44,220  
towards that you know

1055  
00:45:49,490 --> 00:45:47,220  
um everyone has like more of this idea

1056  
00:45:50,630 --> 00:45:49,500  
about well it's cancer culture it's this

1057  
00:45:53,089 --> 00:45:50,640  
and that

1058  
00:45:55,790 --> 00:45:53,099  
it's about if something doesn't mesh

1059  
00:45:57,890 --> 00:45:55,800  
with you don't give it more money don't

1060  
00:45:59,930 --> 00:45:57,900  
give it more food don't give it and more

1061  
00:46:01,730 --> 00:45:59,940  
energy whatever you want to call that if

1062  
00:46:03,530 --> 00:46:01,740  
it doesn't mess with you go where it

1063  
00:46:05,809 --> 00:46:03,540

does and so

1064

00:46:08,210 --> 00:46:05,819

your view might be entirely different

1065

00:46:10,309 --> 00:46:08,220

than mine but that's all right I don't

1066

00:46:12,470 --> 00:46:10,319

need you to believe every single thing

1067

00:46:15,290 --> 00:46:12,480

in the same way that I do and look at it

1068

00:46:17,750 --> 00:46:15,300

in the same way uh that I look at it at

1069

00:46:18,950 --> 00:46:17,760

the end of the day after 24 years in

1070

00:46:21,230 --> 00:46:18,960

this country I thought that's what

1071

00:46:23,930 --> 00:46:21,240

America is all about you basically just

1072

00:46:26,930 --> 00:46:23,940

do you do you whatever you feel like you

1073

00:46:29,510 --> 00:46:26,940

need to you invest that you know and so

1074

00:46:32,270 --> 00:46:29,520

if it hasn't occurred some of you try to

1075

00:46:34,010 --> 00:46:32,280

look at money as this energy and how

1076

00:46:37,309 --> 00:46:34,020

much of your life's energy are you going

1077

00:46:39,710 --> 00:46:37,319

to you know give towards something and

1078

00:46:43,370 --> 00:46:39,720

um you know it doesn't always have to be

1079

00:46:45,170 --> 00:46:43,380

this esoteric uh White Light glowing and

1080

00:46:47,870 --> 00:46:45,180

you are just you know giving out energy

1081

00:46:51,050 --> 00:46:47,880

all the time that's a for our mind

1082

00:46:54,710 --> 00:46:51,060

something physical tangible that you can

1083

00:46:59,030 --> 00:46:54,720

basically see as energy going out away

1084

00:47:03,770 --> 00:47:01,849

okay well um

1085

00:47:06,050 --> 00:47:03,780

I think that's uh that's pretty much it

1086

00:47:08,809 --> 00:47:06,060

uh it's a bit shorter than usual what do

1087

00:47:10,910 --> 00:47:08,819

we have about 47 minutes well not that

1088

00:47:13,490 --> 00:47:10,920

short but I want to thank all of you

1089

00:47:15,589 --> 00:47:13,500

that have tuned in today I hope you

1090

00:47:17,750 --> 00:47:15,599

found some of this information I covered

1091

00:47:21,829 --> 00:47:17,760

earlier useful I've learned a little bit

1092

00:47:23,870 --> 00:47:21,839

myself especially from 19 2019 until now

1093

00:47:25,550 --> 00:47:23,880

all these different changes with all

1094

00:47:29,329 --> 00:47:25,560

these different government agencies and

1095

00:47:32,030 --> 00:47:29,339

forming and what's what and you know UAP

1096

00:47:34,910 --> 00:47:32,040

this UFO that and armed services and

1097

00:47:37,250 --> 00:47:34,920

committees and all that maybe there's a

1098

00:47:39,349 --> 00:47:37,260

little bit of order for you and myself

1099

00:47:41,270 --> 00:47:39,359

to know okay what have they established

1100

00:47:45,050 --> 00:47:41,280

what's going on and which direction are

1101

00:47:47,210 --> 00:47:45,060

they going so anyway thank thank you to

1102

00:47:49,670 --> 00:47:47,220

all that have tuned in next week

1103

00:47:52,250 --> 00:47:49,680

Wednesday I'm not exactly sure what I

1104

00:47:54,410 --> 00:47:52,260

will have but usually by Monday or

1105

00:47:56,630 --> 00:47:54,420

Tuesday morning I will already put up

1106

00:47:58,970 --> 00:47:56,640

the the stream information where you can

1107

00:48:00,410 --> 00:47:58,980

go and watch whatever happens to be and

1108

00:48:02,150 --> 00:48:00,420

I'm hoping that I can schedule an

1109

00:48:03,950 --> 00:48:02,160

interview because

1110

00:48:06,050 --> 00:48:03,960

um there's been a lot of people waiting

1111

00:48:07,609 --> 00:48:06,060

for a long time to basically come and

1112

00:48:10,790 --> 00:48:07,619

talk to me and

1113

00:48:13,190 --> 00:48:10,800

basically be seen by you so anyway thank

1114

00:48:15,890 --> 00:48:13,200

you you have a good day and um I'll
