LIVE STREAM

1
00:00:52,460 --> 00:00:01,910

[Music]

2
00:01:01,250 --> 00:00:52,470

thank you

3
00:01:06,050 --> 00:01:04,130

hey everyone welcome to Duo for Hub live

4
00:01:08,929 --> 00:01:06,060

stream uh today's guest is going to be

5
00:01:11,690 --> 00:01:08,939

Julio consiglio and I'm looking forward

6
00:01:14,270 --> 00:01:11,700

to talk to him he's uh got an incredible

7
00:01:16,190 --> 00:01:14,280

story and in addition that most guests

8
00:01:18,050 --> 00:01:16,200

and not that it's required

9
00:01:21,710 --> 00:01:18,060

um that most guests usually don't have

10
00:01:23,570 --> 00:01:21,720

is he has a lot of videos and out of

11
00:01:26,690 --> 00:01:23,580

those he sent me about 12 of them

12
00:01:28,429 --> 00:01:26,700

unfortunately I think it's either on my

13
00:01:32,749 --> 00:01:28,439

end or maybe the browser not updated

14

00:01:34,969 --> 00:01:32,759

about the number of 8 9 10 and 11 that

15

00:01:37,730 --> 00:01:34,979

we had pre-numbered is not coming

16

00:01:39,830 --> 00:01:37,740

through so uh but the other ones are and

17

00:01:43,190 --> 00:01:39,840

he'll definitely cover that and much

18

00:01:45,170 --> 00:01:43,200

more so before we begin I just want to

19

00:01:47,149 --> 00:01:45,180

let all of you know that Julia will be

20

00:01:49,130 --> 00:01:47,159

taking some questions later on when that

21

00:01:51,410 --> 00:01:49,140

might be I'm not quite sure so please

22

00:01:53,690 --> 00:01:51,420

hang around and hear him out and so

23

00:01:55,490 --> 00:01:53,700

whenever we naturally conclude that I

24

00:01:57,109 --> 00:01:55,500

will let all of you know when the Q a

25

00:02:01,190 --> 00:01:57,119

session will start

26

00:02:03,289 --> 00:02:01,200

um also the you are actually able to ask

27

00:02:06,230 --> 00:02:03,299

the question directly if you joined the

28

00:02:08,510 --> 00:02:06,240

UFO Hub telegram group it's the link for

29

00:02:12,050 --> 00:02:08,520

the telegram group is in the description

30

00:02:14,330 --> 00:02:12,060

below and you can simply install it on

31

00:02:17,690 --> 00:02:14,340

your phone or on your computer and you

32

00:02:19,670 --> 00:02:17,700

will hear the show going on at that same

33

00:02:23,030 --> 00:02:19,680

time it's I think about 19 seconds

34

00:02:25,309 --> 00:02:23,040

delayed but it's voice only and you can

35

00:02:27,890 --> 00:02:25,319

just hang around there and when you know

36

00:02:29,990 --> 00:02:27,900

that the Q a is about to start there's a

37

00:02:31,790 --> 00:02:30,000

little button where it looks like a a

38

00:02:33,350 --> 00:02:31,800

person raising their hand click on that

39

00:02:36,410 --> 00:02:33,360

and it tells me that you would like to

40

00:02:38,809 --> 00:02:36,420

ask a question if you are not going to

41

00:02:40,790 --> 00:02:38,819

ask a question directly of course this

42

00:02:43,910 --> 00:02:40,800

is going live right now on Twitch

43

00:02:46,430 --> 00:02:43,920

YouTube and Facebook so simply put three

44

00:02:48,589 --> 00:02:46,440

asterisks as before your question and so

45

00:02:51,110 --> 00:02:48,599

they will jump out at me because then I

46

00:02:53,530 --> 00:02:51,120

know it's a question for Julio and not

47

00:02:57,949 --> 00:02:53,540

just a regular chatter in the chat rooms

48

00:03:00,589 --> 00:02:57,959

and I think that's pretty much it also

49

00:03:02,270 --> 00:03:00,599

in the description below all the links

50

00:03:06,770 --> 00:03:02,280

for all the video videos are available

51
00:03:08,630 --> 00:03:06,780
also for his website YouTube Facebook

52
00:03:11,089 --> 00:03:08,640
and everything else that you'll see

53
00:03:12,949 --> 00:03:11,099
there please go and check it out and he

54
00:03:15,110 --> 00:03:12,959
has a lot to offer on all of his

55
00:03:16,430 --> 00:03:15,120
platforms so I would highly recommend

56
00:03:20,089 --> 00:03:16,440
you checking it out

57
00:03:23,290 --> 00:03:20,099
all right so let me get through all my

58
00:03:26,449 --> 00:03:23,300
windows that I have here and

59
00:03:28,970 --> 00:03:26,459
bring in uh Julio

60
00:03:31,070 --> 00:03:28,980
Julia welcome thanks for being on

61
00:03:32,809 --> 00:03:31,080
thanks for having me Adam it's it's a

62
00:03:36,170 --> 00:03:32,819
pleasure to be here

63
00:03:37,729 --> 00:03:36,180

well I'm glad we're able to do this um I

64

00:03:40,070 --> 00:03:37,739

I said I don't know I can't remember

65

00:03:42,890 --> 00:03:40,080

what I just said two seconds ago but you

66

00:03:45,649 --> 00:03:42,900

and I we uh you contacted me well over a

67

00:03:47,509 --> 00:03:45,659

year ago and I'm ashamed to say when I

68

00:03:50,330 --> 00:03:47,519

was finally ready and looked back I was

69

00:03:52,729 --> 00:03:50,340

like oh let me you know go back to first

70

00:03:54,710 --> 00:03:52,739

come first serve whoever had on the list

71

00:03:56,750 --> 00:03:54,720

and I realized it was well over a year

72

00:03:57,710 --> 00:03:56,760

but I'm very happy that you agreed to do

73

00:04:00,110 --> 00:03:57,720

this

74

00:04:02,630 --> 00:04:00,120

I'm more than happy to be here too and I

75

00:04:04,850 --> 00:04:02,640

look forward to uh talking and sharing

76

00:04:07,250 --> 00:04:04,860

these experiences with everyone

77

00:04:09,350 --> 00:04:07,260

well I'm excited too especially when um

78

00:04:11,570 --> 00:04:09,360

not that it's a necessity but I'm glad

79

00:04:13,729 --> 00:04:11,580

you had some videos with you and however

80

00:04:15,410 --> 00:04:13,739

that came about and like I said we will

81

00:04:17,949 --> 00:04:15,420

show those later and I'm sure you'll

82

00:04:19,789 --> 00:04:17,959

expound on those as well right

83

00:04:22,310 --> 00:04:19,799

absolutely

84

00:04:24,830 --> 00:04:22,320

um several videos close range sightings

85

00:04:28,430 --> 00:04:24,840

so I look forward to giving descriptions

86

00:04:30,890 --> 00:04:28,440

as we see those okay well um I guess

87

00:04:32,570 --> 00:04:30,900

without any further Ado uh please start

88

00:04:34,129 --> 00:04:32,580

out to tell me a little bit about your

89

00:04:36,730 --> 00:04:34,139

background how everything started out

90

00:04:41,330 --> 00:04:36,740

for you and how did you get here today

91

00:04:44,689 --> 00:04:41,340

sure so between the ages of 19 and 33 I

92

00:04:48,710 --> 00:04:44,699

experienced some quite intense and

93

00:04:52,310 --> 00:04:48,720

profound suffering uh I was incredibly

94

00:04:56,870 --> 00:04:52,320

sensitive to my energy and the energies

95

00:05:00,290 --> 00:04:56,880

around me and um I quickly realized that

96

00:05:02,330 --> 00:05:00,300

there was no answers to be found outside

97

00:05:06,590 --> 00:05:02,340

of me

98

00:05:08,810 --> 00:05:06,600

regardless despite these heavy emotions

99

00:05:11,030 --> 00:05:08,820

the density of them

100

00:05:13,670 --> 00:05:11,040

I went away to school in the United

101
00:05:14,930 --> 00:05:13,680
States I'm from Ontario Canada but I

102
00:05:17,270 --> 00:05:14,940
went away to school

103
00:05:19,969 --> 00:05:17,280
and I got educated got my degree in

104
00:05:22,969 --> 00:05:19,979
science and came back and started

105
00:05:25,670 --> 00:05:22,979
working as a dental hygienist in a

106
00:05:27,909 --> 00:05:25,680
clinical and Theory instructor

107
00:05:31,850 --> 00:05:27,919
just as I was graduating

108
00:05:34,490 --> 00:05:31,860
my older and only brother was diagnosed

109
00:05:36,350 --> 00:05:34,500
with cancer and he fought that for a

110
00:05:38,749 --> 00:05:36,360
year and passed away

111
00:05:42,050 --> 00:05:38,759
the year after I graduated so he passed

112
00:05:46,969 --> 00:05:42,060
away in 96 1996.

113
00:05:50,210 --> 00:05:46,979

that had a tremendous impact on me he

114

00:05:52,790 --> 00:05:50,220

never smoked he never drank uh and I and

115

00:05:55,029 --> 00:05:52,800

I wanted answers and it really had me

116

00:05:57,350 --> 00:05:55,039

for the first time in my life

117

00:06:01,150 --> 00:05:57,360

contemplate death

118

00:06:06,350 --> 00:06:01,160

so that that really struck me deeply

119

00:06:09,830 --> 00:06:06,360

years went on and I endured uh you know

120

00:06:12,830 --> 00:06:09,840

suffering in silence and eventually I

121

00:06:17,210 --> 00:06:12,840

got married only to see the marriage

122

00:06:21,189 --> 00:06:17,220

fall apart uh about two years in

123

00:06:24,830 --> 00:06:21,199

actually I got a year after that

124

00:06:28,550 --> 00:06:24,840

marriage uh falling apart

125

00:06:32,210 --> 00:06:28,560

I was given a health scare

126
00:06:34,129 --> 00:06:32,220
now you would think by this time I had

127
00:06:37,390 --> 00:06:34,139
created enough suffering for a shifting

128
00:06:40,189 --> 00:06:37,400
Consciousness but it was actually my

129
00:06:42,110 --> 00:06:40,199
experience with a night terror in the

130
00:06:46,909 --> 00:06:42,120
fall of 2005.

131
00:06:49,129 --> 00:06:46,919
and that was the final Catalyst for me

132
00:06:50,150 --> 00:06:49,139
um by that time I created a white hot

133
00:06:54,950 --> 00:06:50,160
desire

134
00:06:56,390 --> 00:06:54,960
understand why things happen the way

135
00:06:59,029 --> 00:06:56,400
they do

136
00:07:01,189 --> 00:06:59,039
I had been staring at a book by Dr

137
00:07:03,409 --> 00:07:01,199
Daniel Amen change Your Brain Change

138
00:07:05,990 --> 00:07:03,419

Your Life

139

00:07:09,230 --> 00:07:06,000

and I don't think I got past page 60 or

140

00:07:12,230 --> 00:07:09,240

66 and there was a phrase in the book

141

00:07:13,670 --> 00:07:12,240

that says that went along the lines when

142

00:07:15,409 --> 00:07:13,680

you allow negative thoughts to go

143

00:07:19,189 --> 00:07:15,419

unchallenged

144

00:07:21,170 --> 00:07:19,199

well that struck a chord in me so I left

145

00:07:23,629 --> 00:07:21,180

the book on the passenger seat of my car

146

00:07:25,909 --> 00:07:23,639

and on this particular day

147

00:07:27,890 --> 00:07:25,919

I had a patient cancel and what I would

148

00:07:29,930 --> 00:07:27,900

often do is leave the dental office

149

00:07:31,249 --> 00:07:29,940

drive a couple of blocks and just try to

150

00:07:35,089 --> 00:07:31,259

relax

151
00:07:37,189 --> 00:07:35,099
um on this particular day in November of

152
00:07:39,469 --> 00:07:37,199
2005

153
00:07:41,270 --> 00:07:39,479
I began to reflect

154
00:07:47,570 --> 00:07:41,280
on that phrase

155
00:07:49,550 --> 00:07:47,580
not a male and not a female voice came

156
00:07:53,029 --> 00:07:49,560
up through my chest and said challenge

157
00:07:55,309 --> 00:07:53,039
your thoughts in that instant

158
00:07:58,610 --> 00:07:55,319
what I Now understand is the third eye

159
00:08:02,450 --> 00:07:58,620
activated and it began to vibrate

160
00:08:05,330 --> 00:08:02,460
intensely shutting down every automatic

161
00:08:08,330 --> 00:08:05,340
negative thought shutting down this

162
00:08:10,070 --> 00:08:08,340
negative energy that I had been enduring

163
00:08:13,430 --> 00:08:10,080

for for so long

164

00:08:14,930 --> 00:08:13,440

now I still had a patient to get back to

165

00:08:17,029 --> 00:08:14,940

and

166

00:08:19,430 --> 00:08:17,039

I distinctly remember as this was

167

00:08:21,770 --> 00:08:19,440

happening in my car turning my head and

168

00:08:24,230 --> 00:08:21,780

experiencing profound clarity

169

00:08:25,969 --> 00:08:24,240

so I went back to the office I finished

170

00:08:27,890 --> 00:08:25,979

that patient

171

00:08:29,930 --> 00:08:27,900

jumped in the car and started driving

172

00:08:34,250 --> 00:08:29,940

home and now it's a really really bad

173

00:08:36,769 --> 00:08:34,260

rainstorm and this activated force in my

174

00:08:39,769 --> 00:08:36,779

forehead is still going off shutting

175

00:08:42,469 --> 00:08:39,779

down every automatic negative thought

176

00:08:45,410 --> 00:08:42,479

I get home and just feeling sort of

177

00:08:47,389 --> 00:08:45,420

emotionally spent and really sort of in

178

00:08:51,230 --> 00:08:47,399

a state of surrender I jumped on the

179

00:08:55,130 --> 00:08:51,240

couch and I just said just let me die

180

00:08:57,410 --> 00:08:55,140

and as I lay down I popped out and when

181

00:08:59,630 --> 00:08:57,420

I say I popped out my awareness my

182

00:09:01,370 --> 00:08:59,640

Consciousness left

183

00:09:03,710 --> 00:09:01,380

I can't tell you where it went I can't

184

00:09:04,670 --> 00:09:03,720

tell you how long I was gone when I came

185

00:09:07,790 --> 00:09:04,680

back

186

00:09:09,949 --> 00:09:07,800

I knew exactly what had happened and

187

00:09:12,050 --> 00:09:09,959

within a week or two I began

188

00:09:16,610 --> 00:09:12,060

experiencing automatic writing

189

00:09:18,590 --> 00:09:16,620

and by December so about a month in I

190

00:09:21,430 --> 00:09:18,600

held my first

191

00:09:25,310 --> 00:09:21,440

talk on Consciousness and Enlightenment

192

00:09:28,070 --> 00:09:25,320

and probably by Christmas of that of of

193

00:09:30,530 --> 00:09:28,080

December 2005 I had written my first

194

00:09:33,949 --> 00:09:30,540

book challenge your thoughts

195

00:09:37,009 --> 00:09:33,959

since that time I've gone on to write

196

00:09:40,370 --> 00:09:37,019

the healing frequency

197

00:09:44,090 --> 00:09:40,380

open your third eye and

198

00:09:47,630 --> 00:09:44,100

recently I wrote Cosmic contact

199

00:09:50,090 --> 00:09:47,640

and Cosmic contact is about

200

00:09:52,610 --> 00:09:50,100

what began to happen in the backyard

201
00:09:54,829 --> 00:09:52,620
here in October

202
00:09:57,650 --> 00:09:54,839
2020.

203
00:10:00,410 --> 00:09:57,660
so in October 2020 I was in the backyard

204
00:10:02,329 --> 00:10:00,420
with two neighbors and I'd actually been

205
00:10:05,509 --> 00:10:02,339
in my townhouse

206
00:10:07,490 --> 00:10:05,519
uh busy writing and editing open your

207
00:10:09,949 --> 00:10:07,500
third eye so I really didn't spend much

208
00:10:12,430 --> 00:10:09,959
time out there on this particular night

209
00:10:15,290 --> 00:10:12,440
I believe was October 8th I went outside

210
00:10:16,610 --> 00:10:15,300
and two of my neighbors were there Matt

211
00:10:18,490 --> 00:10:16,620
and James

212
00:10:20,990 --> 00:10:18,500
and within minutes

213
00:10:23,630 --> 00:10:21,000

uh something caught my eye it was coming

214

00:10:27,170 --> 00:10:23,640

out of the West and it was a hula hoop

215

00:10:30,110 --> 00:10:27,180

shaped object no form of propulsion it

216

00:10:32,210 --> 00:10:30,120

was silent maybe five six hundred feet

217

00:10:35,030 --> 00:10:32,220

about four or five times maybe six times

218

00:10:37,009 --> 00:10:35,040

the size of a Hulu and I I actually

219

00:10:39,410 --> 00:10:37,019

recorded it and I let out an expletive

220

00:10:42,470 --> 00:10:39,420

and basically like what is that

221

00:10:44,509 --> 00:10:42,480

so they saw it with me and we actually

222

00:10:47,449 --> 00:10:44,519

watched a cruise for a couple of miles

223

00:10:49,430 --> 00:10:47,459

out uh into the sky

224

00:10:51,470 --> 00:10:49,440

four or five minutes later and I

225

00:10:52,730 --> 00:10:51,480

recorded this as well in the northern

226

00:10:55,910 --> 00:10:52,740

sky

227

00:10:58,730 --> 00:10:55,920

minutes later a pill-shaped object was

228

00:11:01,670 --> 00:10:58,740

coming down in a trajectory of about 45

229

00:11:04,550 --> 00:11:01,680

degrees not not a trajectory you'd

230

00:11:09,530 --> 00:11:04,560

usually see a plane and I recorded that

231

00:11:12,110 --> 00:11:09,540

and I basically said what is that

232

00:11:13,310 --> 00:11:12,120

so we sort of didn't know what to make

233

00:11:16,730 --> 00:11:13,320

of that

234

00:11:19,490 --> 00:11:16,740

shortly after so a few nights after

235

00:11:22,670 --> 00:11:19,500

we're now maybe middle of October and

236

00:11:24,170 --> 00:11:22,680

it's an incredibly clear night and it's

237

00:11:26,990 --> 00:11:24,180

nice crisp night

238

00:11:29,750 --> 00:11:27,000

and the three of us are in the backyard

239

00:11:31,790 --> 00:11:29,760

and for some reason I got the

240

00:11:33,769 --> 00:11:31,800

vibrational hit to sort of move away

241

00:11:36,290 --> 00:11:33,779

from them so I'm now in the center of

242

00:11:38,750 --> 00:11:36,300

the backyard about 10 12 feet from them

243

00:11:40,069 --> 00:11:38,760

and I got the vibrational hit to look

244

00:11:44,389 --> 00:11:40,079

straight up

245

00:11:47,030 --> 00:11:44,399

and what I saw next astounded me

246

00:11:51,110 --> 00:11:47,040

it was a black

247

00:11:54,590 --> 00:11:51,120

silent slow-moving triangle what I

248

00:11:56,449 --> 00:11:54,600

remember is the gray pads underneath it

249

00:11:59,329 --> 00:11:56,459

I called the guys over

250

00:12:01,670 --> 00:11:59,339

and Matt thought is that a flock of

251
00:12:04,250 --> 00:12:01,680
geese I said Focus guys Focus

252
00:12:08,509 --> 00:12:04,260
we stood there Frozen

253
00:12:10,970 --> 00:12:08,519
and to this day like we were it probably

254
00:12:12,829 --> 00:12:10,980
happened over eight or ten seconds we we

255
00:12:14,509 --> 00:12:12,839
just didn't move we we just sort of

256
00:12:15,889 --> 00:12:14,519
stared at this

257
00:12:17,389 --> 00:12:15,899
that

258
00:12:20,290 --> 00:12:17,399
event

259
00:12:23,870 --> 00:12:20,300
then or was the beginning

260
00:12:26,990 --> 00:12:23,880
of countless sightings the sightings

261
00:12:29,329 --> 00:12:27,000
would start you know maybe once a week

262
00:12:33,050 --> 00:12:29,339
from then on it's now gotten to the

263
00:12:34,790 --> 00:12:33,060

point where several sightings occur in

264

00:12:39,410 --> 00:12:34,800

an evening I think I've recorded over

265

00:12:42,769 --> 00:12:39,420

300 videos now that include now uh

266

00:12:44,629 --> 00:12:42,779

recently merkabuzz close range merkabuzz

267

00:12:48,710 --> 00:12:44,639

orbs

268

00:12:50,690 --> 00:12:48,720

um this triangle in in its energetic

269

00:12:53,629 --> 00:12:50,700

form and that'll probably be the first

270

00:12:55,790 --> 00:12:53,639

video that we'll discuss later but

271

00:12:59,690 --> 00:12:55,800

this triangle

272

00:13:02,210 --> 00:12:59,700

has demonstrated its capability to us

273

00:13:04,850 --> 00:13:02,220

and in the following year

274

00:13:07,009 --> 00:13:04,860

it began to

275

00:13:09,410 --> 00:13:07,019

shoot off spontaneous flashes of light

276

00:13:12,050 --> 00:13:09,420

it actually took me nearly a year

277

00:13:13,670 --> 00:13:12,060

to realize what was the source of this

278

00:13:15,829 --> 00:13:13,680

light coming through the sky sometimes

279

00:13:16,970 --> 00:13:15,839

it would be in the middle of winter they

280

00:13:18,650 --> 00:13:16,980

actually started I'm going to say

281

00:13:19,850 --> 00:13:18,660

January so in the in the new year of

282

00:13:22,250 --> 00:13:19,860

2021

283

00:13:24,350 --> 00:13:22,260

it would be overcast and the light would

284

00:13:27,769 --> 00:13:24,360

come through like a hot knife through

285

00:13:31,250 --> 00:13:27,779

butter and just light up the entire area

286

00:13:33,590 --> 00:13:31,260

and I didn't understand what the source

287

00:13:35,930 --> 00:13:33,600

of of it was yet

288

00:13:39,410 --> 00:13:35,940

shortly after the flashes of light

289

00:13:42,470 --> 00:13:39,420

started I began to engage and I've

290

00:13:44,990 --> 00:13:42,480

captured many recordings at least a

291

00:13:46,910 --> 00:13:45,000

dozen where I'll ask the cloaked object

292

00:13:49,670 --> 00:13:46,920

can you go bright can you do that again

293

00:13:52,190 --> 00:13:49,680

because it'll it'll let off a Flash and

294

00:13:53,509 --> 00:13:52,200

then I'll record that and capture that

295

00:13:56,449 --> 00:13:53,519

so

296

00:13:59,690 --> 00:13:56,459

this object has

297

00:14:02,269 --> 00:13:59,700

is able to upgrade and downgrade its

298

00:14:03,710 --> 00:14:02,279

energy signature and we've seen it come

299

00:14:06,769 --> 00:14:03,720

in as

300

00:14:09,530 --> 00:14:06,779

to say orb-like structures is limiting

301
00:14:11,569 --> 00:14:09,540
because I still can't say exactly what

302
00:14:13,610 --> 00:14:11,579
it is I know it's Consciousness based

303
00:14:16,970 --> 00:14:13,620
because it's able to upgrade and

304
00:14:19,250 --> 00:14:16,980
downgrade its energy signature so since

305
00:14:23,030 --> 00:14:19,260
October 2020 and with these initial

306
00:14:25,190 --> 00:14:23,040
sightings now it's become exponential

307
00:14:29,329 --> 00:14:25,200
and you get the vibrational hits even

308
00:14:32,329 --> 00:14:29,339
where to go where to look in the sky

309
00:14:36,110 --> 00:14:32,339
um and uh the manifestations begin to

310
00:14:38,150 --> 00:14:36,120
happen so that that's how this began for

311
00:14:44,389 --> 00:14:38,160
me

312
00:14:46,550 --> 00:14:44,399
like where's the YouTube video I'm sorry

313
00:14:49,189 --> 00:14:46,560

I misspoke that I don't have the link

314

00:14:51,590 --> 00:14:49,199

for your YouTube channel if you haven't

315

00:14:52,670 --> 00:14:51,600

yet if not I'm sure you'll you know let

316

00:14:55,310 --> 00:14:52,680

me know and I can put that in

317

00:14:57,410 --> 00:14:55,320

description but for right now um the

318

00:14:59,090 --> 00:14:57,420

YouTube is not on that list so I

319

00:15:00,530 --> 00:14:59,100

apologize for all of those that started

320

00:15:02,810 --> 00:15:00,540

looking for it

321

00:15:05,389 --> 00:15:02,820

uh I I do have one up and I probably

322

00:15:07,250 --> 00:15:05,399

have a dozen maybe 15 videos I've been

323

00:15:09,710 --> 00:15:07,260

slow with that but it's my name Julio

324

00:15:12,350 --> 00:15:09,720

consiglio so they are up there as well

325

00:15:14,030 --> 00:15:12,360

okay yeah I'll put the links up later on

326

00:15:16,310 --> 00:15:14,040

when we finish up with this and then

327

00:15:18,290 --> 00:15:16,320

they can check that out also

328

00:15:20,150 --> 00:15:18,300

um so you know what I wanted to ask you

329

00:15:22,310 --> 00:15:20,160

could you please talk a little bit more

330

00:15:24,290 --> 00:15:22,320

specifically about your definition so

331

00:15:26,870 --> 00:15:24,300

you're talking about a

332

00:15:29,509 --> 00:15:26,880

um I'm sorry one I'm sorry I'm not on

333

00:15:30,829 --> 00:15:29,519

the game today you said vibrational hit

334

00:15:34,009 --> 00:15:30,839

is that right

335

00:15:36,230 --> 00:15:34,019

uh yeah so they're they're shortly after

336

00:15:39,530 --> 00:15:36,240

the sightings began

337

00:15:42,790 --> 00:15:39,540

um I I I I almost relayed it similar to

338

00:15:45,170 --> 00:15:42,800

when I write my books the the the

339

00:15:47,150 --> 00:15:45,180

downloads and the vibrational Hits come

340

00:15:49,850 --> 00:15:47,160

instantly so you get this download of

341

00:15:51,650 --> 00:15:49,860

information it's an instant knowing and

342

00:15:54,710 --> 00:15:51,660

that would actually happen while I was

343

00:15:57,889 --> 00:15:54,720

back here and a perfect example December

344

00:16:00,170 --> 00:15:57,899

4th 2021 I was ignoring uh the

345

00:16:02,329 --> 00:16:00,180

vibrational hits to go outside suddenly

346

00:16:05,090 --> 00:16:02,339

out of nowhere because I was watching a

347

00:16:07,490 --> 00:16:05,100

favorite show one of my neighbors texted

348

00:16:09,769 --> 00:16:07,500

me get out here stuff is starting so

349

00:16:11,750 --> 00:16:09,779

December 4th 2021 I describe it in

350

00:16:15,050 --> 00:16:11,760

Cosmic contact as a whirlwind of

351

00:16:19,129 --> 00:16:15,060

activity I got out there and there were

352

00:16:21,949 --> 00:16:19,139

red close range orbs cruising uh in the

353

00:16:24,590 --> 00:16:21,959

northern sky from west to east and we

354

00:16:26,829 --> 00:16:24,600

watched that and I did record uh those

355

00:16:29,030 --> 00:16:26,839

and I've posted those on social media

356

00:16:32,449 --> 00:16:29,040

minutes later

357

00:16:34,490 --> 00:16:32,459

so that triangle that we had witnessed

358

00:16:36,590 --> 00:16:34,500

back in October 2020

359

00:16:39,769 --> 00:16:36,600

what had happened was I was at the far

360

00:16:41,749 --> 00:16:39,779

end of the townhouse Matt was closer to

361

00:16:43,970 --> 00:16:41,759

Me Maybe seven or eight feet and James

362

00:16:45,949 --> 00:16:43,980

was further away

363

00:16:47,810 --> 00:16:45,959

suddenly I got the vibrational hit to

364

00:16:51,470 --> 00:16:47,820

look straight up and coming from behind

365

00:16:54,290 --> 00:16:51,480

us about 500 feet triangle as a 3D craft

366

00:16:56,749 --> 00:16:54,300

one light at the tip came overhead and I

367

00:16:59,389 --> 00:16:56,759

screamed out triangle it's here Matt saw

368

00:17:03,549 --> 00:16:59,399

it James didn't what's extraordinary

369

00:17:07,189 --> 00:17:03,559

because it it's it's the way it has

370

00:17:09,289 --> 00:17:07,199

demonstrated and what it can do is that

371

00:17:11,750 --> 00:17:09,299

minutes later so James had missed that

372

00:17:14,329 --> 00:17:11,760

minutes later we went back to the center

373

00:17:17,210 --> 00:17:14,339

of the backyard and James noticed

374

00:17:20,090 --> 00:17:17,220

several gray pads that were glistening

375

00:17:22,730 --> 00:17:20,100

in the sky I describe it as a giant

376

00:17:25,429 --> 00:17:22,740

eraser maybe a hundred feet wide and

377

00:17:29,090 --> 00:17:25,439

James thought are those birds I said

378

00:17:30,890 --> 00:17:29,100

Focus guys take a real good look and we

379

00:17:33,470 --> 00:17:30,900

realized and I realized because I

380

00:17:37,190 --> 00:17:33,480

remember locking on

381

00:17:39,590 --> 00:17:37,200

to those gray pads initially and they

382

00:17:43,310 --> 00:17:39,600

were all over the sky like like a

383

00:17:45,710 --> 00:17:43,320

massive eraser so that was December

384

00:17:51,830 --> 00:17:45,720

fast forward a few months

385

00:17:53,810 --> 00:17:51,840

were into May so May 20 uh May uh of the

386

00:17:55,850 --> 00:17:53,820

following in the new year

387

00:17:56,810 --> 00:17:55,860

we're in the backyard I'm facing the

388

00:17:58,549 --> 00:17:56,820

driveway

389

00:18:00,289 --> 00:17:58,559

and

390

00:18:03,650 --> 00:18:00,299

their fate they're facing the northern

391

00:18:05,690 --> 00:18:03,660

sky and triangle came in but it seemed

392

00:18:08,150 --> 00:18:05,700

to me almost more holographic or

393

00:18:11,150 --> 00:18:08,160

energetic but it came in as as one craft

394

00:18:13,730 --> 00:18:11,160

I said it's back take a look they turned

395

00:18:15,409 --> 00:18:13,740

around we saw it it cruised about 300

396

00:18:17,390 --> 00:18:15,419

feet above us over the neighbor's house

397

00:18:20,390 --> 00:18:17,400

and then vanished before our eyes

398

00:18:22,789 --> 00:18:20,400

so it's profoundly spiritual these

399

00:18:24,529 --> 00:18:22,799

experiences uh sometimes I put them up

400

00:18:28,430 --> 00:18:24,539

there right up there with my shifting

401
00:18:31,310 --> 00:18:28,440
Consciousness so we were talking about

402
00:18:34,430 --> 00:18:31,320
it for a few minutes and we're now in

403
00:18:37,909 --> 00:18:34,440
the same positions that we had been and

404
00:18:39,950 --> 00:18:37,919
suddenly the triangle came in again this

405
00:18:42,890 --> 00:18:39,960
time it was actually more energetic and

406
00:18:46,610 --> 00:18:42,900
if we think of a triangle okay so wide

407
00:18:49,789 --> 00:18:46,620
base pointed tip cut that in half so now

408
00:18:53,029 --> 00:18:49,799
you got two pieces now I want you to go

409
00:18:55,430 --> 00:18:53,039
across so now you got four pieces this

410
00:18:57,710 --> 00:18:55,440
time it was coming together and moving

411
00:19:00,169 --> 00:18:57,720
apart coming together and moving apart I

412
00:19:03,529 --> 00:19:00,179
screamed out it's back it's back Matt

413
00:19:05,210 --> 00:19:03,539

goes [\h__\h] I said turn around and we

414

00:19:07,970 --> 00:19:05,220

all turned around and watched this and

415

00:19:10,490 --> 00:19:07,980

then vanish same trajectory over the

416

00:19:13,310 --> 00:19:10,500

neighbor's house so it has

417

00:19:16,070 --> 00:19:13,320

it has demonstrated

418

00:19:17,930 --> 00:19:16,080

um you know vibrationally like you know

419

00:19:20,990 --> 00:19:17,940

where to look it's like an instant

420

00:19:22,970 --> 00:19:21,000

knowing and it's also demonstrated its

421

00:19:25,730 --> 00:19:22,980

potential and capability which I've only

422

00:19:28,190 --> 00:19:25,740

really scratched the surface

423

00:19:30,409 --> 00:19:28,200

okay well you know I think we've held

424

00:19:31,909 --> 00:19:30,419

you know just by you already describing

425

00:19:33,770 --> 00:19:31,919

some things you know it's like I'm sure

426

00:19:35,870 --> 00:19:33,780

everyone's like show us the videos if if

427

00:19:37,130 --> 00:19:35,880

they're you know I'm not sure if what

428

00:19:39,350 --> 00:19:37,140

you explained that I have that

429

00:19:40,730 --> 00:19:39,360

particular one but how about uh what do

430

00:19:42,890 --> 00:19:40,740

you think if we just switch over to

431

00:19:44,630 --> 00:19:42,900

videos we'll we'll go through all the

432

00:19:46,310 --> 00:19:44,640

ones that I can load and then I would

433

00:19:47,870 --> 00:19:46,320

like to talk to you more about more of

434

00:19:50,390 --> 00:19:47,880

that Consciousness aspect you mentioned

435

00:19:51,650 --> 00:19:50,400

earlier absolutely sounds great if you

436

00:19:53,029 --> 00:19:51,660

want to start with

437

00:19:55,970 --> 00:19:53,039

um if you wanted to start with video one

438

00:19:56,990 --> 00:19:55,980

that'd be great okay we'll do that let

439

00:19:59,390 --> 00:19:57,000

me

440

00:20:01,610 --> 00:19:59,400

shift this over I'm sorry they will not

441

00:20:03,710 --> 00:20:01,620

be able to see you they see Milo screen

442

00:20:06,169 --> 00:20:03,720

but they'll hear you in the background

443

00:20:08,390 --> 00:20:06,179

as well and I'll switch over to to the

444

00:20:10,370 --> 00:20:08,400

screen where it's just you the second

445

00:20:14,150 --> 00:20:10,380

this is done playing all right so this

446

00:20:16,610 --> 00:20:14,160

is uh video one and again for those

447

00:20:17,810 --> 00:20:16,620

listening later on on podcast please

448

00:20:20,510 --> 00:20:17,820

keep in mind

449

00:20:22,490 --> 00:20:20,520

um if you obviously you can't see the

450

00:20:24,650 --> 00:20:22,500

links will be in your description please

451

00:20:26,930 --> 00:20:24,660

go and check them out I'm sorry that

452

00:20:30,529 --> 00:20:26,940

your podcast works the way it does it's

453

00:20:31,970 --> 00:20:30,539

sound only but um uh you you will you

454

00:20:34,010 --> 00:20:31,980

will definitely have the information of

455

00:20:37,010 --> 00:20:34,020

how to view them on your own when you

456

00:20:40,250 --> 00:20:37,020

are when you're not just listening there

457

00:20:58,789 --> 00:20:40,260

on on radio or other sound devices so

458

00:21:04,010 --> 00:21:02,270

okay and this one just Loops back

459

00:21:05,090 --> 00:21:04,020

do you want to speak a little bit about

460

00:21:10,090 --> 00:21:05,100

that one

461

00:21:15,110 --> 00:21:10,100

sure so so that took place uh May 9

462

00:21:17,750 --> 00:21:15,120

2021 and I we had been seeing and I've

463

00:21:20,150 --> 00:21:17,760

been catching these orbs uh but was

464

00:21:23,029 --> 00:21:20,160

never able to record them yet so that is

465

00:21:24,770 --> 00:21:23,039

actually the first recording it took

466

00:21:27,529 --> 00:21:24,780

place just after 10 p.m my neighbor

467

00:21:30,049 --> 00:21:27,539

James actually had just left and I was

468

00:21:33,590 --> 00:21:30,059

back there by myself and I had my phone

469

00:21:36,710 --> 00:21:33,600

ready and I it came in a couple hundred

470

00:21:39,110 --> 00:21:36,720

feet above me moving fairly quickly five

471

00:21:40,490 --> 00:21:39,120

like I said I described them as orbs

472

00:21:44,390 --> 00:21:40,500

there's so much more to it it's

473

00:21:47,750 --> 00:21:44,400

Consciousness based but that is triangle

474

00:21:51,830 --> 00:21:47,760

in its energetic form and I've captured

475

00:21:54,770 --> 00:21:51,840

this object or objects uh in various

476
00:21:58,610 --> 00:21:54,780
configurations and numbers as two as

477
00:22:00,169 --> 00:21:58,620
five as three as hundreds of different

478
00:22:03,409 --> 00:22:00,179
shapes

479
00:22:06,010 --> 00:22:03,419
um and and this was my first capture it

480
00:22:08,090 --> 00:22:06,020
had been several months where I was

481
00:22:12,590 --> 00:22:08,100
witnessing this and sometimes with my

482
00:22:15,350 --> 00:22:12,600
neighbors but unable to to capture it

483
00:22:18,470 --> 00:22:15,360
okay thank you for that all right um now

484
00:22:20,390 --> 00:22:18,480
I'm switching to video two and uh just

485
00:22:21,830 --> 00:22:20,400
to let everyone else know too

486
00:22:23,570 --> 00:22:21,840
um I don't know which one was it the

487
00:22:25,370 --> 00:22:23,580
third one or whichever there might be

488
00:22:26,930 --> 00:22:25,380

some cussing out there for those who are

489

00:22:29,330 --> 00:22:26,940

more sensitive just keep in mind it's

490

00:23:31,430 --> 00:22:29,340

coming up for the rest of you just tune

491

00:23:37,130 --> 00:23:34,010

okay that was I believe it started

492

00:23:39,049 --> 00:23:37,140

looping back right yeah yeah okay yeah

493

00:23:41,750 --> 00:23:39,059

and go ahead please tell us a little bit

494

00:23:44,690 --> 00:23:41,760

about that I have it looping in silence

495

00:23:47,210 --> 00:23:44,700

while you're speaking about it super uh

496

00:23:51,430 --> 00:23:47,220

so this event took place about five days

497

00:23:54,649 --> 00:23:51,440

after the uh first capture and typically

498

00:23:56,450 --> 00:23:54,659

before it manifests and it's same thing

499

00:23:58,370 --> 00:23:56,460

happened this particular evening there

500

00:24:02,090 --> 00:23:58,380

was a spontaneous flash in the northern

501
00:24:04,610 --> 00:24:02,100
sky moments late later it manifested to

502
00:24:07,970 --> 00:24:04,620
the naked eye you could see the orbs

503
00:24:10,370 --> 00:24:07,980
undulating and sort of dancing within it

504
00:24:13,010 --> 00:24:10,380
and it was actually getting brighter it

505
00:24:16,669 --> 00:24:13,020
was a couple hundred feet above us

506
00:24:19,250 --> 00:24:16,679
um and the the incredible thing was I

507
00:24:22,730 --> 00:24:19,260
had my sisters my niece and my two

508
00:24:24,830 --> 00:24:22,740
neighbors with me when this took place I

509
00:24:26,830 --> 00:24:24,840
didn't give you this other video but it

510
00:24:31,010 --> 00:24:26,840
is on social media a few days later

511
00:24:33,710 --> 00:24:31,020
about 50 feet overhead coming uh from

512
00:24:35,690 --> 00:24:33,720
behind me maybe out of the South uh it

513
00:24:37,850 --> 00:24:35,700

appeared as two orbs and I and I

514

00:24:41,270 --> 00:24:37,860

captured that just cruising a couple

515

00:24:43,250 --> 00:24:41,280

hundred miles or maybe 200 miles an hour

516

00:24:47,350 --> 00:24:43,260

just over me and I managed to capture

517

00:24:52,130 --> 00:24:47,360

that as well so again it's demonstrating

518

00:24:54,010 --> 00:24:52,140

its ability to to shape-shift to change

519

00:24:59,450 --> 00:24:54,020

its form to

520

00:25:04,310 --> 00:24:59,460

multiply to to come in less so it's been

521

00:25:10,250 --> 00:25:06,590

wait thank you for that

522

00:25:13,610 --> 00:25:10,260

okay and now I have a video three and

523

00:25:25,850 --> 00:25:13,620

I'm I'm going to play that now

524

00:25:25,860 --> 00:25:30,769

can you go bright again

525

00:25:38,690 --> 00:25:34,430

can you flash again thank you

526

00:25:41,510 --> 00:25:38,700

I just had a very large two second

527

00:25:44,090 --> 00:25:41,520

also um

528

00:25:46,610 --> 00:25:44,100

uh well I guess uh there's nothing to be

529

00:25:49,310 --> 00:25:46,620

I guess apologizing for me being the

530

00:25:51,830 --> 00:25:49,320

person I am I guess they saw the picture

531

00:25:54,409 --> 00:25:51,840

but there was no sound for the first two

532

00:25:55,909 --> 00:25:54,419

so I guess for anything that came

533

00:25:58,370 --> 00:25:55,919

through at that moment they didn't hear

534

00:26:00,529 --> 00:25:58,380

it anyway so anyway it's back on I'm

535

00:26:02,810 --> 00:26:00,539

sorry you didn't really

536

00:26:04,430 --> 00:26:02,820

um other than Julia Julia explaining

537

00:26:06,950 --> 00:26:04,440

what what's happening and you already

538

00:26:08,630 --> 00:26:06,960

expounded on it I promise you you did

539

00:26:10,789 --> 00:26:08,640

not miss much

540

00:26:13,010 --> 00:26:10,799

um so please Julie go ahead and and

541

00:26:17,149 --> 00:26:13,020

speaking about the third video

542

00:26:17,690 --> 00:26:17,159

so this event took place Late July 2022

543

00:26:21,289 --> 00:26:17,700

um

544

00:26:22,630 --> 00:26:21,299

I had been capturing uh since January

545

00:26:26,330 --> 00:26:22,640

2021

546

00:26:28,789 --> 00:26:26,340

this CL the cloaked object or triangle

547

00:26:31,010 --> 00:26:28,799

um flashing in the sky and then me

548

00:26:33,890 --> 00:26:31,020

requesting can you do that again can you

549

00:26:36,110 --> 00:26:33,900

go bright again and it responding and on

550

00:26:40,370 --> 00:26:36,120

this particular evening

551
00:26:43,310 --> 00:26:40,380
um uh it flashed in the northern sky and

552
00:26:45,230 --> 00:26:43,320
I asked it to can you do that again and

553
00:26:48,909 --> 00:26:45,240
I think it's the 18 second Mark where

554
00:26:51,769 --> 00:26:48,919
you see a nice really solid flash flash

555
00:26:54,649 --> 00:26:51,779
responding yeah

556
00:26:56,630 --> 00:26:54,659
you know that is very interesting too

557
00:26:58,070 --> 00:26:56,640
um well because

558
00:27:01,010 --> 00:26:58,080
you know because a lot of times we

559
00:27:03,470 --> 00:27:01,020
always speak about these events as uh

560
00:27:06,470 --> 00:27:03,480
that's there and I'm here and these are

561
00:27:08,930 --> 00:27:06,480
circumstances but to to kind of see an

562
00:27:11,149 --> 00:27:08,940
interaction and or actually

563
00:27:14,510 --> 00:27:11,159

communication happening in in this

564

00:27:16,490 --> 00:27:14,520

however limited form it's actually it's

565

00:27:18,409 --> 00:27:16,500

saying a lot more than than what we're

566

00:27:21,110 --> 00:27:18,419

just seeing here you know especially

567

00:27:22,430 --> 00:27:21,120

this long distance obviously they you

568

00:27:25,490 --> 00:27:22,440

know if we're speaking talking about

569

00:27:28,190 --> 00:27:25,500

conventional sound maybe even visual you

570

00:27:30,769 --> 00:27:28,200

know so um I guess Consciousness is that

571

00:27:34,010 --> 00:27:30,779

thing that will bridge this Gap

572

00:27:35,930 --> 00:27:34,020

uh absolutely uh I've realized

573

00:27:37,909 --> 00:27:35,940

um because oftentimes I'll just step out

574

00:27:40,010 --> 00:27:37,919

there and I say hey guys come and say hi

575

00:27:42,409 --> 00:27:40,020

and moments later the crafts are coming

576

00:27:44,990 --> 00:27:42,419

in it's through that dimension of inner

577

00:27:46,310 --> 00:27:45,000

Stillness uh the quantum field uh the

578

00:27:50,149 --> 00:27:46,320

interconnectedness

579

00:27:53,630 --> 00:27:50,159

um it it's incredible how uh they will

580

00:27:57,289 --> 00:27:53,640

wait uh with until certain people are

581

00:27:59,750 --> 00:27:57,299

not in the area they will wait uh some

582

00:28:01,390 --> 00:27:59,760

sometimes uh they'll appear near planes

583

00:28:04,909 --> 00:28:01,400

they really don't care they're actually

584

00:28:07,450 --> 00:28:04,919

unbothered by airplanes but um the

585

00:28:10,010 --> 00:28:07,460

timing is always

586

00:28:13,490 --> 00:28:10,020

excruciatingly impeccable I will say

587

00:28:18,529 --> 00:28:16,430

okay and so now I'm uh playing video

588

00:28:21,190 --> 00:28:18,539

four

589

00:28:25,789 --> 00:28:21,200

Friday night April 22nd

590

00:28:29,690 --> 00:28:25,799

first sighting of the evening as I uh

591

00:28:37,310 --> 00:28:29,700

turn around and faced uh the Eastern sky

592

00:28:37,320 --> 00:28:44,269

uh it's about 1500 feet or so

593

00:28:49,549 --> 00:28:46,909

I'm gonna expand

594

00:28:49,559 --> 00:28:55,110

well lost it there

595

00:29:09,049 --> 00:28:58,070

[Music]

596

00:29:16,850 --> 00:29:10,909

we've only been out here for a few

597

00:29:22,610 --> 00:29:19,549

hey guys sad

598

00:29:26,690 --> 00:29:22,620

okay that was video four

599

00:29:29,690 --> 00:29:26,700

so the merkabuzz are something new uh

600

00:29:33,529 --> 00:29:29,700

they began to appear April 6th of this

601
00:29:36,470 --> 00:29:33,539
year and the experiences with them have

602
00:29:37,190 --> 00:29:36,480
been incredible to me when I observe

603
00:29:39,529 --> 00:29:37,200
them

604
00:29:42,110 --> 00:29:39,539
they appear to be literally within their

605
00:29:45,230 --> 00:29:42,120
own Dimension I've taken even the videos

606
00:29:47,389 --> 00:29:45,240
and done screenshots of them and it's

607
00:29:50,090 --> 00:29:47,399
not even Moment by moment they're

608
00:29:52,850 --> 00:29:50,100
changing shape changing color it is

609
00:29:55,190 --> 00:29:52,860
happening even faster than that

610
00:29:59,810 --> 00:29:55,200
um and they and they've been coming in

611
00:30:04,430 --> 00:29:59,820
quite quite close so that that's been a

612
00:30:11,090 --> 00:30:08,029
all right let's uh we now I'm on video

613
00:30:14,090 --> 00:30:11,100

four no one two three five sorry about

614

00:30:14,990 --> 00:30:14,100

that here we go project is uh circled

615

00:30:18,289 --> 00:30:15,000

back

616

00:30:23,930 --> 00:30:18,299

is now coming out of the Northwest sky

617

00:30:28,970 --> 00:30:26,870

I've already had a few sightings that

618

00:30:32,269 --> 00:30:28,980

were preceded by

619

00:30:37,010 --> 00:30:32,279

two spontaneous flashes

620

00:30:42,169 --> 00:30:39,649

and the object is uh

621

00:30:44,330 --> 00:30:42,179

okay that was five

622

00:30:47,330 --> 00:30:44,340

so there's a lot going on in this video

623

00:30:49,190 --> 00:30:47,340

it's important not to Blink and to

624

00:30:52,789 --> 00:30:49,200

really be present and focused so this

625

00:30:56,029 --> 00:30:52,799

took place November 22nd 2022 early

626
00:30:58,669 --> 00:30:56,039
morning around 5 30 in the morning and

627
00:31:01,190 --> 00:30:58,679
I'm recording the object that I'm

628
00:31:03,169 --> 00:31:01,200
looking at what I didn't realize and

629
00:31:05,210 --> 00:31:03,179
I've learned to now really go back and

630
00:31:07,490 --> 00:31:05,220
really study what I've recorded

631
00:31:09,409 --> 00:31:07,500
within the first second so you see the

632
00:31:11,930 --> 00:31:09,419
object I'm recording the object it's

633
00:31:14,149 --> 00:31:11,940
moving within the first second you see

634
00:31:17,870 --> 00:31:14,159
an ascending energy

635
00:31:20,750 --> 00:31:17,880
and then at the five second mark

636
00:31:23,990 --> 00:31:20,760
I get photobombed by triangle it comes

637
00:31:28,610 --> 00:31:24,000
in to the right of that object but what

638
00:31:31,130 --> 00:31:28,620

also takes place is and I I describe it

639

00:31:34,090 --> 00:31:31,140

almost as dragon energy you see after

640

00:31:38,630 --> 00:31:34,100

that ascending object that initial one

641

00:31:41,330 --> 00:31:38,640

uh snake-like energy sort of come in and

642

00:31:44,389 --> 00:31:41,340

I took screenshots and it's just

643

00:31:46,430 --> 00:31:44,399

incredible uh looking at this but I

644

00:31:48,769 --> 00:31:46,440

didn't know that triangle photo bombed

645

00:31:50,630 --> 00:31:48,779

me it's done it a few times now

646

00:31:51,889 --> 00:31:50,640

um it actually reflects on their

647

00:31:55,010 --> 00:31:51,899

playfulness

648

00:31:57,110 --> 00:31:55,020

um I've often described uh their play

649

00:31:59,149 --> 00:31:57,120

their their playfulness almost like

650

00:32:01,250 --> 00:31:59,159

dolphins so

651
00:32:03,490 --> 00:32:01,260
um that that's there's a lot going on in

652
00:32:06,710 --> 00:32:03,500
that short video

653
00:32:10,850 --> 00:32:06,720
great thank you for that and um uh now

654
00:32:15,590 --> 00:32:10,860
I'm playing the sixth one

655
00:32:23,570 --> 00:32:19,070
got an object coming out of the West

656
00:32:27,710 --> 00:32:25,730
it's got an interesting Flash on it a

657
00:32:36,889 --> 00:32:27,720
James

658
00:32:36,899 --> 00:32:42,710
if it'll respond can your power up

659
00:32:42,720 --> 00:32:49,510
that's not moving like a plane James

660
00:32:54,529 --> 00:32:52,669
hey guys

661
00:32:57,289 --> 00:32:54,539
okay

662
00:32:59,690 --> 00:32:57,299
so this was April 6th my first

663
00:33:03,529 --> 00:32:59,700

experience with a merkabah I had never

664

00:33:05,750 --> 00:33:03,539

seen one before and to the naked eye

665

00:33:08,510 --> 00:33:05,760

when it was coming in it appeared

666

00:33:11,210 --> 00:33:08,520

triangular like a red triangle with sort

667

00:33:15,049 --> 00:33:11,220

of like extended wing tips

668

00:33:17,810 --> 00:33:15,059

as I'm recording it I'm noticing the way

669

00:33:20,330 --> 00:33:17,820

it's the light is coming off it and

670

00:33:22,130 --> 00:33:20,340

unless like when I for example when I

671

00:33:23,750 --> 00:33:22,140

see the orbs or when I know it's

672

00:33:26,690 --> 00:33:23,760

triangle and you even get that inner

673

00:33:28,549 --> 00:33:26,700

knowing I call it usually an object or I

674

00:33:30,350 --> 00:33:28,559

say triangles coming in this I wasn't

675

00:33:34,190 --> 00:33:30,360

sure and if I'm not sure I don't say it

676
00:33:36,350 --> 00:33:34,200
so when I expanded the recording you

677
00:33:39,049 --> 00:33:36,360
know minutes later I realized

678
00:33:41,810 --> 00:33:39,059
that's a merkaba what I didn't also

679
00:33:45,230 --> 00:33:41,820
realize is as I'm recording that I got

680
00:33:47,810 --> 00:33:45,240
photobombed by a blue merkaba that that

681
00:33:51,049 --> 00:33:47,820
came in from the upper left of the

682
00:33:53,570 --> 00:33:51,059
screen so that that was an incredible

683
00:33:57,710 --> 00:33:53,580
experience and that was the first time I

684
00:34:01,970 --> 00:33:59,630
just uh while I'm shifting over to video

685
00:34:03,710 --> 00:34:01,980
seven uh can you please explain a little

686
00:34:05,210 --> 00:34:03,720
bit to those that might not know what a

687
00:34:11,089 --> 00:34:05,220
merkaba is

688
00:34:13,849 --> 00:34:11,099

ship that highly evolved beings travel

689

00:34:17,389 --> 00:34:13,859

in so what you're looking at is

690

00:34:21,530 --> 00:34:17,399

essentially them operating in their own

691

00:34:24,829 --> 00:34:21,540

dimension in through their own field

692

00:34:27,829 --> 00:34:24,839

um it's it's one of those experiences

693

00:34:30,290 --> 00:34:27,839

that when you witness it

694

00:34:31,730 --> 00:34:30,300

it's actually I think almost more

695

00:34:33,889 --> 00:34:31,740

profound than some of the other

696

00:34:37,310 --> 00:34:33,899

experiences I've had because you can

697

00:34:39,349 --> 00:34:37,320

sense that there's a being within that

698

00:34:41,930 --> 00:34:39,359

field that you're observing or several

699

00:34:44,510 --> 00:34:41,940

beings within that field of energy that

700

00:34:46,970 --> 00:34:44,520

you're that you're witnessing

701
00:34:50,629 --> 00:34:46,980
great thank you for that all right um

702
00:34:54,109 --> 00:34:50,639
here's uh video seven oh flying orbs

703
00:34:56,690 --> 00:34:54,119
coming in this is the transforming

704
00:35:02,750 --> 00:34:56,700
object

705
00:35:02,760 --> 00:35:08,329
trying to keep it steady

706
00:35:11,690 --> 00:35:10,310
perspective

707
00:35:13,569 --> 00:35:11,700
there's

708
00:35:17,030 --> 00:35:13,579
the roof

709
00:35:19,310 --> 00:35:17,040
it's directly above us

710
00:35:20,510 --> 00:35:19,320
it's three orbs

711
00:35:28,310 --> 00:35:20,520
yeah

712
00:35:30,410 --> 00:35:28,320
just incredible look at that low flying

713
00:35:32,089 --> 00:35:30,420

orbs coming in

714

00:35:33,530 --> 00:35:32,099

you know that's very interesting

715

00:35:34,130 --> 00:35:33,540

especially

716

00:35:36,829 --> 00:35:34,140

um

717

00:35:39,050 --> 00:35:36,839

just visually and especially for some

718

00:35:41,569 --> 00:35:39,060

that you know are still skeptical or

719

00:35:44,329 --> 00:35:41,579

whatnot the Triangular form is really

720

00:35:47,270 --> 00:35:44,339

something so oddly different that it's

721

00:35:49,790 --> 00:35:47,280

you know it's almost it catches your

722

00:35:51,589 --> 00:35:49,800

attention we can't say for certain it's

723

00:35:54,290 --> 00:35:51,599

like okay yeah this is exactly what this

724

00:35:56,089 --> 00:35:54,300

is but out of everything else you know a

725

00:35:59,109 --> 00:35:56,099

triangular shape just a beer in the sky

726

00:36:02,270 --> 00:35:59,119

I think catches the most attention

727

00:36:07,130 --> 00:36:02,280

absolutely this took place

728

00:36:09,410 --> 00:36:07,140

um late summer so September uh 2022 and

729

00:36:12,109 --> 00:36:09,420

just another variation of triangle

730

00:36:15,530 --> 00:36:12,119

coming in as three orbs

731

00:36:18,710 --> 00:36:15,540

um I'll I'll quickly mention this too so

732

00:36:21,849 --> 00:36:18,720

it was actually March 17th St Patty's

733

00:36:25,550 --> 00:36:21,859

Day uh the fall the previous year

734

00:36:28,130 --> 00:36:25,560

triangle came in as uh orbs sort of in a

735

00:36:31,130 --> 00:36:28,140

linear line so so it was horizontal

736

00:36:34,790 --> 00:36:31,140

maybe 200 feet coming towards me as I

737

00:36:37,130 --> 00:36:34,800

stood on my back porch and I wasn't sure

738

00:36:39,710 --> 00:36:37,140

and Matt was on his porch and I said

739

00:36:41,510 --> 00:36:39,720

Matt I'm not sure if that was triangle I

740

00:36:43,370 --> 00:36:41,520

actually called my sister and I told her

741

00:36:45,050 --> 00:36:43,380

what had happened and I said you know

742

00:36:47,690 --> 00:36:45,060

I'd love for it to come back because I

743

00:36:51,530 --> 00:36:47,700

can't say for sure what I saw minutes

744

00:36:54,170 --> 00:36:51,540

later it came back several orbs five in

745

00:36:56,990 --> 00:36:54,180

the back four in front three in front of

746

00:36:58,790 --> 00:36:57,000

those two and one I ran down the stairs

747

00:37:02,089 --> 00:36:58,800

it was a full moon that night on nearly

748

00:37:06,290 --> 00:37:02,099

wiped out on the snow and ice and

749

00:37:08,810 --> 00:37:06,300

watched it take off but it it confirmed

750

00:37:10,670 --> 00:37:08,820

you know because when it came in as

751
00:37:12,770 --> 00:37:10,680
those orbs I couldn't say for sure what

752
00:37:15,170 --> 00:37:12,780
I did know is it had made such a hard

753
00:37:18,170 --> 00:37:15,180
right turn I'm like there was nothing

754
00:37:22,670 --> 00:37:18,180
natural what I just saw and then it

755
00:37:26,930 --> 00:37:22,680
responded coming in again so it it likes

756
00:37:29,270 --> 00:37:26,940
to sort of reiterate itself that I can

757
00:37:32,630 --> 00:37:29,280
become a triangle you know if I please

758
00:37:36,290 --> 00:37:34,790
great thank you for that okay so what

759
00:37:39,890 --> 00:37:36,300
I'm going to do right now is I'm going

760
00:37:41,569 --> 00:37:39,900
to attempt again to refresh eight and

761
00:37:43,130 --> 00:37:41,579
everyone can see what I'm seeing with

762
00:37:44,870 --> 00:37:43,140
the message sorry we're having trouble

763
00:37:45,470 --> 00:37:44,880

playing this video

764

00:37:48,470 --> 00:37:45,480

um

765

00:37:50,569 --> 00:37:48,480

please keep in mind all the links are in

766

00:37:52,370 --> 00:37:50,579

the description below I I would highly

767

00:37:54,770 --> 00:37:52,380

recommend you checking them out I

768

00:37:58,069 --> 00:37:54,780

apologize that I'm not able to play

769

00:38:00,370 --> 00:37:58,079

these but Julia has plenty for you to

770

00:38:02,990 --> 00:38:00,380

look at and please do visit

771

00:38:05,630 --> 00:38:03,000

Instagram especially to see these and

772

00:38:08,390 --> 00:38:05,640

all of his other social media let me go

773

00:38:14,089 --> 00:38:08,400

to 10

774

00:38:20,150 --> 00:38:17,030

okay so yeah it seems to be that the

775

00:38:33,710 --> 00:38:20,160

problem is persisting so I know um uh 12

776

00:38:38,089 --> 00:38:36,770

okay it's already looped once and so you

777

00:38:40,550 --> 00:38:38,099

called um I don't have the description

778

00:38:42,650 --> 00:38:40,560

here but you call this the the book

779

00:38:44,510 --> 00:38:42,660

something I'm sorry what was that yeah

780

00:38:46,490 --> 00:38:44,520

so my sister actually dubbed at the

781

00:38:49,370 --> 00:38:46,500

Flying book so I'm in Ontario Canada

782

00:38:53,390 --> 00:38:49,380

this was Winter December 20th uh this

783

00:38:56,870 --> 00:38:53,400

past year 2022 uh incredibly cold uh no

784

00:38:59,390 --> 00:38:56,880

bugs no bats and I had actually to

785

00:39:01,430 --> 00:38:59,400

backtrack quickly I had actually seen

786

00:39:03,230 --> 00:39:01,440

three of these cruise on by in the

787

00:39:05,329 --> 00:39:03,240

summer they never flapped their wings

788

00:39:07,010 --> 00:39:05,339

about 30 feet overhead but they're

789

00:39:10,010 --> 00:39:07,020

moving too quickly for me to capture

790

00:39:11,569 --> 00:39:10,020

this particular evening uh because I've

791

00:39:14,210 --> 00:39:11,579

done several times where I just point

792

00:39:16,790 --> 00:39:14,220

the camera and I'll talk to the sky I

793

00:39:18,349 --> 00:39:16,800

have one really good recording where uh

794

00:39:21,349 --> 00:39:18,359

spontaneous flashes just start going

795

00:39:24,349 --> 00:39:21,359

crazy responding to me so I'm recording

796

00:39:26,750 --> 00:39:24,359

and this object comes within 15 feet of

797

00:39:29,150 --> 00:39:26,760

me sort of dive bombing

798

00:39:32,150 --> 00:39:29,160

um you know I felt totally safe totally

799

00:39:35,690 --> 00:39:32,160

comfortable uh when I slowed down that

800

00:39:38,690 --> 00:39:35,700

video I noticed uh the face beginning to

801
00:39:41,210 --> 00:39:38,700
form I noticed the wings beginning to

802
00:39:44,270 --> 00:39:41,220
form if you really slow it down and I'm

803
00:39:46,790 --> 00:39:44,280
going to say size wise you know maybe

804
00:39:50,630 --> 00:39:46,800
like a 20 or 30 pound dog it was very

805
00:39:52,849 --> 00:39:50,640
sizable and as I turned around

806
00:39:54,530 --> 00:39:52,859
um when I looked over my shoulder to to

807
00:39:57,050 --> 00:39:54,540
to see what was going on as it went

808
00:39:59,270 --> 00:39:57,060
overhead it was gone

809
00:40:01,849 --> 00:39:59,280
oh wow that's actually yeah it's hard to

810
00:40:04,130 --> 00:40:01,859
gauge the size but wow that's

811
00:40:06,670 --> 00:40:04,140
um pretty big

812
00:40:09,829 --> 00:40:06,680
pretty big and um

813
00:40:12,349 --> 00:40:09,839

the the the something about it gives me

814

00:40:16,250 --> 00:40:12,359

almost like ancient Egyptian Vibes

815

00:40:20,990 --> 00:40:16,260

someone on Twitter mentioned uh fairy

816

00:40:23,750 --> 00:40:21,000

um I I just I'm still trying to see

817

00:40:26,030 --> 00:40:23,760

um you know to really get a perspective

818

00:40:27,349 --> 00:40:26,040

some more clarity surrounding it but

819

00:40:30,890 --> 00:40:27,359

like I said this is not the first time

820

00:40:35,990 --> 00:40:34,190

okay well um thank you again for these

821

00:40:37,190 --> 00:40:36,000

again I apologize for not being able to

822

00:40:39,230 --> 00:40:37,200

load the other ones but these are

823

00:40:41,089 --> 00:40:39,240

wonderful I'm glad you you sent them to

824

00:40:43,250 --> 00:40:41,099

me and that we were able to to show this

825

00:40:45,650 --> 00:40:43,260

to everyone I mean of course you know

826

00:40:46,910 --> 00:40:45,660

it's always stories are always great you

827

00:40:49,010 --> 00:40:46,920

know because at the end of the day

828

00:40:51,349 --> 00:40:49,020

that's all you take with you is things

829

00:40:53,450 --> 00:40:51,359

you've learned and things you heard you

830

00:40:55,730 --> 00:40:53,460

know anything anything else is you know

831

00:40:57,770 --> 00:40:55,740

just um an illusion anyway but yeah

832

00:40:59,990 --> 00:40:57,780

thank you for these and again please go

833

00:41:01,490 --> 00:41:00,000

check them out in the description and

834

00:41:04,190 --> 00:41:01,500

especially for those that are listening

835

00:41:06,650 --> 00:41:04,200

only uh so uh Julie I wanted them to ask

836

00:41:08,329 --> 00:41:06,660

you uh you've then brought up

837

00:41:09,770 --> 00:41:08,339

Consciousness several times if you could

838

00:41:12,490 --> 00:41:09,780

please then speak a little bit more

839

00:41:14,450 --> 00:41:12,500

about that about what is it that

840

00:41:15,890 --> 00:41:14,460

feels like it's Consciousness when

841

00:41:17,810 --> 00:41:15,900

you're looking at them especially in

842

00:41:19,970 --> 00:41:17,820

these videos you know and then you said

843

00:41:22,430 --> 00:41:19,980

this you know these Impressions you get

844

00:41:25,310 --> 00:41:22,440

um can you just talk more about that

845

00:41:28,910 --> 00:41:25,320

sure so when I first began to sort of

846

00:41:31,069 --> 00:41:28,920

detail and keep like a a you know making

847

00:41:33,349 --> 00:41:31,079

notes about these things happening I

848

00:41:35,870 --> 00:41:33,359

actually began to ask questions who what

849

00:41:38,150 --> 00:41:35,880

when where and the downloads of

850

00:41:41,150 --> 00:41:38,160

information were coming

851
00:41:44,569 --> 00:41:41,160
um you know faster than my handwriting

852
00:41:47,890 --> 00:41:44,579
so it was the making of the book Cosmic

853
00:41:52,370 --> 00:41:47,900
contact and what I quickly realized

854
00:41:55,310 --> 00:41:52,380
through my writing and downloads is and

855
00:41:57,670 --> 00:41:55,320
my observations is this is consciousness

856
00:42:01,550 --> 00:41:57,680
based technology

857
00:42:04,609 --> 00:42:01,560
they are operating 5th sixth seventh

858
00:42:06,970 --> 00:42:04,619
Dimension there are no limits for them

859
00:42:11,210 --> 00:42:06,980
and the

860
00:42:13,970 --> 00:42:11,220
the demonstration for example uh of in

861
00:42:16,370 --> 00:42:13,980
May for example so just to reflect

862
00:42:19,069 --> 00:42:16,380
quickly that evening where we saw

863
00:42:20,870 --> 00:42:19,079

triangle come in more energetically just

864

00:42:24,010 --> 00:42:20,880

prior to that and I talk about it in

865

00:42:27,170 --> 00:42:24,020

Cosmic contact Matt my one neighbor

866

00:42:29,569 --> 00:42:27,180

noticed lights dancing in a thin Cloud

867

00:42:32,270 --> 00:42:29,579

off in the northern sky it took me about

868

00:42:35,450 --> 00:42:32,280

10 seconds to focus in and see it and

869

00:42:38,210 --> 00:42:35,460

then James as well and shortly after

870

00:42:40,849 --> 00:42:38,220

that triangle came in so it it sort of

871

00:42:42,770 --> 00:42:40,859

has to break you know it's giving us

872

00:42:45,950 --> 00:42:42,780

pieces you know this is what I am right

873

00:42:50,089 --> 00:42:45,960

now this is what I what I've become this

874

00:42:53,210 --> 00:42:50,099

is what I'm doing now so that is what I

875

00:42:55,310 --> 00:42:53,220

still find it astonishing but it the

876

00:42:58,510 --> 00:42:55,320

fact that it can upgrade downgrade its

877

00:43:01,630 --> 00:42:58,520

energy signature we're talking about uh

878

00:43:03,589 --> 00:43:01,640

Consciousness base so it's it's

879

00:43:06,589 --> 00:43:03,599

undifferentiated energy that can

880

00:43:09,109 --> 00:43:06,599

essentially become anything and it has

881

00:43:15,050 --> 00:43:12,109

okay thank you for that so Julia do you

882

00:43:17,450 --> 00:43:15,060

want to uh go into the Q a and see

883

00:43:20,329 --> 00:43:17,460

except you know they have more probably

884

00:43:22,490 --> 00:43:20,339

pressing questions and to ask than maybe

885

00:43:24,710 --> 00:43:22,500

I might so then this way you still get

886

00:43:26,809 --> 00:43:24,720

to answer all that they you're curious

887

00:43:28,910 --> 00:43:26,819

about you know without you know me just

888

00:43:30,530 --> 00:43:28,920

trying to figure out what it is that

889

00:43:34,670 --> 00:43:30,540

everyone else out there wants to know

890

00:43:36,770 --> 00:43:34,680

more about I'd love to yeah okay so uh

891

00:43:38,690 --> 00:43:36,780

for those who are watching again you can

892

00:43:40,790 --> 00:43:38,700

join the telegram group that's going on

893

00:43:44,089 --> 00:43:40,800

right now to raise your hand in there

894

00:43:46,010 --> 00:43:44,099

and you can talk to Julia directly uh

895

00:43:48,470 --> 00:43:46,020

and as I mentioned earlier whether you

896

00:43:51,170 --> 00:43:48,480

are on Twitch YouTube or Facebook please

897

00:43:54,050 --> 00:43:51,180

uh in the comments put three asterisks

898

00:43:56,089 --> 00:43:54,060

before your question and that that way I

899

00:43:58,309 --> 00:43:56,099

know it's a question for Julio and then

900

00:44:01,010 --> 00:43:58,319

I will read it out to him so if you have

901
00:44:03,589 --> 00:44:01,020
any questions please submit them now so

902
00:44:05,150 --> 00:44:03,599
Julia this is going back in uh some

903
00:44:07,790 --> 00:44:05,160
questions came in in the very beginning

904
00:44:08,750 --> 00:44:07,800
of the show so I'm backtracking a little

905
00:44:11,630 --> 00:44:08,760
bit

906
00:44:13,370 --> 00:44:11,640
um roll the losing dice is asking did

907
00:44:16,569 --> 00:44:13,380
you notice if all the ambient noise

908
00:44:20,930 --> 00:44:16,579
outside was quiet when this happened

909
00:44:23,809 --> 00:44:20,940
uh not always so for example when I

910
00:44:26,030 --> 00:44:23,819
recorded triangle the first time there

911
00:44:28,430 --> 00:44:26,040
was actually a motorcycle in the

912
00:44:30,170 --> 00:44:28,440
background and um I thought I thought

913
00:44:32,890 --> 00:44:30,180

that was interesting the other thing

914

00:44:36,230 --> 00:44:32,900

I'll mention when I was recording that

915

00:44:37,910 --> 00:44:36,240

flying book in December uh in the

916

00:44:39,710 --> 00:44:37,920

background there's actually a a

917

00:44:41,630 --> 00:44:39,720

gentleman on the other side of the

918

00:44:42,710 --> 00:44:41,640

street I think he's got a ghetto blaster

919

00:44:45,829 --> 00:44:42,720

going

920

00:44:47,990 --> 00:44:45,839

um so but but oftentimes if I'm back

921

00:44:50,569 --> 00:44:48,000

there and it's late at night and I think

922

00:44:53,450 --> 00:44:50,579

you know things are quiet and still

923

00:44:55,309 --> 00:44:53,460

um you know that happens as well but

924

00:44:57,230 --> 00:44:55,319

um things like for example like I

925

00:44:59,870 --> 00:44:57,240

mentioned the airplanes and stuff like

926

00:45:02,270 --> 00:44:59,880

that they're unbothered by them I have

927

00:45:04,430 --> 00:45:02,280

several recordings where planes are

928

00:45:07,370 --> 00:45:04,440

passing in the northern sky uh you know

929

00:45:09,290 --> 00:45:07,380

coming east to west and vice versa and

930

00:45:11,150 --> 00:45:09,300

I'll have stationary objects and this

931

00:45:11,990 --> 00:45:11,160

started last year

932

00:45:14,089 --> 00:45:12,000

um

933

00:45:16,609 --> 00:45:14,099

and you quickly realize you're being

934

00:45:18,770 --> 00:45:16,619

watched and it appears brighter than

935

00:45:20,809 --> 00:45:18,780

anything in the sky and it's stationary

936

00:45:24,950 --> 00:45:20,819

and the minute I call it out and I say

937

00:45:28,010 --> 00:45:24,960

you're not a star they just vanish

938

00:45:31,690 --> 00:45:28,020

wait thank you for that so the other

939

00:45:36,770 --> 00:45:31,700

question comes from Mama darling reviews

940

00:45:38,390 --> 00:45:36,780

and there's a there's another let me see

941

00:45:40,790 --> 00:45:38,400

here

942

00:45:44,210 --> 00:45:40,800

just another common lead one that she

943

00:45:46,069 --> 00:45:44,220

makes uh just basically asking does he

944

00:45:48,050 --> 00:45:46,079

think the sleep paralysis and then she

945

00:45:50,450 --> 00:45:48,060

corrects herself in a later

946

00:45:52,130 --> 00:45:50,460

um uh comments saying that you said

947

00:45:54,170 --> 00:45:52,140

night terrors

948

00:45:56,930 --> 00:45:54,180

um well anyway it does that did that

949

00:45:59,390 --> 00:45:56,940

kind of start uh this or open up

950

00:46:01,430 --> 00:45:59,400

something for you

951
00:46:04,010 --> 00:46:01,440
so the one experience I had with the

952
00:46:07,849 --> 00:46:04,020
night terror was the final straw the

953
00:46:11,290 --> 00:46:07,859
final Catalyst it's what created uh

954
00:46:14,210 --> 00:46:11,300
burning hot desire

955
00:46:16,849 --> 00:46:14,220
uh to know and understand why things

956
00:46:18,970 --> 00:46:16,859
were happening to me and it there was a

957
00:46:21,470 --> 00:46:18,980
sole purpose to it is for me to

958
00:46:23,030 --> 00:46:21,480
spontaneously transcend thought and

959
00:46:24,770 --> 00:46:23,040
become conscious of the dimension of

960
00:46:27,230 --> 00:46:24,780
inner Stillness it's through that

961
00:46:29,210 --> 00:46:27,240
dimension of inner Stillness where we

962
00:46:30,349 --> 00:46:29,220
reconnect with Source or with the high

963
00:46:33,470 --> 00:46:30,359

self or whether they want to use the

964

00:46:35,990 --> 00:46:33,480

word god it's it's nameless and through

965

00:46:37,609 --> 00:46:36,000

that dimension of inner Stillness

966

00:46:41,510 --> 00:46:37,619

um you know automatic negative thought

967

00:46:43,609 --> 00:46:41,520

uh is instantly transmuted and

968

00:46:46,849 --> 00:46:43,619

alchemized through the power of

969

00:46:50,030 --> 00:46:46,859

unconditional love see fear requires our

970

00:46:51,470 --> 00:46:50,040

reaction to perpetuate itself and

971

00:46:53,510 --> 00:46:51,480

there's nothing wrong with our human

972

00:46:56,150 --> 00:46:53,520

conditioning our human conditioning is

973

00:46:57,530 --> 00:46:56,160

essentially past projecting into the

974

00:46:58,849 --> 00:46:57,540

future and that's what keeps a lot of

975

00:47:01,490 --> 00:46:58,859

people stuck and that's what kept me

976

00:47:03,290 --> 00:47:01,500

stuck for several years it's when you

977

00:47:06,349 --> 00:47:03,300

realize that there's really only the

978

00:47:08,030 --> 00:47:06,359

Eternal moment of now that is sort of

979

00:47:10,250 --> 00:47:08,040

where you ascend and rise in

980

00:47:13,430 --> 00:47:10,260

Consciousness and you see the Mind

981

00:47:15,349 --> 00:47:13,440

constructs that are past and future so

982

00:47:18,410 --> 00:47:15,359

all that suffering including that night

983

00:47:21,650 --> 00:47:18,420

terror Divine timing and a blessing

984

00:47:24,770 --> 00:47:21,660

because had that not all taken place I

985

00:47:28,370 --> 00:47:24,780

would not have created the that white

986

00:47:32,470 --> 00:47:28,380

hot desire for a shift in consciousness

987

00:47:35,990 --> 00:47:32,480

great thank you for that so this um

988

00:47:37,790 --> 00:47:36,000

there's one um one viewer here that has

989

00:47:39,589 --> 00:47:37,800

several different questions I don't know

990

00:47:41,809 --> 00:47:39,599

if it would be good for me to read read

991

00:47:43,730 --> 00:47:41,819

each one to you or just kind of give you

992

00:47:46,849 --> 00:47:43,740

a barrage of the questions that they had

993

00:47:50,390 --> 00:47:46,859

but one in particular for example is

994

00:47:52,849 --> 00:47:50,400

have you woken up around 3 A.M after or

995

00:47:54,650 --> 00:47:52,859

during these experiences uh the other

996

00:47:56,510 --> 00:47:54,660

one was have you experienced any

997

00:47:58,730 --> 00:47:56,520

paranormal activity after this happened

998

00:48:00,829 --> 00:47:58,740

and

999

00:48:02,809 --> 00:48:00,839

there's one more

1000

00:48:07,130 --> 00:48:02,819

says did you experience automatic

1001
00:48:09,230 --> 00:48:07,140
writing when when doing your book so I

1002
00:48:11,809 --> 00:48:09,240
this I can read each one of them to you

1003
00:48:14,630 --> 00:48:11,819
again or if you can address them

1004
00:48:16,190 --> 00:48:14,640
no great great questions so

1005
00:48:19,849 --> 00:48:16,200
um I'm going to say after my shift in

1006
00:48:21,650 --> 00:48:19,859
2005 I've gotten by on virtually little

1007
00:48:23,870 --> 00:48:21,660
to no sleep

1008
00:48:27,109 --> 00:48:23,880
um if I get two or three hours of sleep

1009
00:48:29,329 --> 00:48:27,119
since 2005 you know I may be pushing it

1010
00:48:30,470 --> 00:48:29,339
I really don't but when you're operating

1011
00:48:32,770 --> 00:48:30,480
through that dimension of inner

1012
00:48:37,670 --> 00:48:32,780
Stillness you waste very little to no

1013
00:48:42,250 --> 00:48:37,680

energy the Paranormal uh experiences

1014

00:48:45,770 --> 00:48:42,260

I've had I've had them take place before

1015

00:48:47,630 --> 00:48:45,780

my shift so that that night terror but I

1016

00:48:49,670 --> 00:48:47,640

lived in what you would call a haunted

1017

00:48:51,230 --> 00:48:49,680

house for several years after my shift

1018

00:48:53,630 --> 00:48:51,240

and

1019

00:48:57,050 --> 00:48:53,640

um even as I was writing open your third

1020

00:48:58,930 --> 00:48:57,060

eye if I can share this briefly sure I

1021

00:49:02,270 --> 00:48:58,940

was going to go buy a farmhouse

1022

00:49:03,530 --> 00:49:02,280

about a year and a half ago and the

1023

00:49:05,930 --> 00:49:03,540

because of all the restrictions that

1024

00:49:07,730 --> 00:49:05,940

were going on the real estate agent she

1025

00:49:09,050 --> 00:49:07,740

unlocked the door she said I'm gonna

1026

00:49:11,270 --> 00:49:09,060

walk through the house it was it was a

1027

00:49:12,710 --> 00:49:11,280

bungalow it was a farmhouse sort of and

1028

00:49:14,510 --> 00:49:12,720

she said I'll wait for in the backyard I

1029

00:49:16,790 --> 00:49:14,520

said great so I brought my measuring

1030

00:49:18,410 --> 00:49:16,800

tape I brought I grew up in a hardware

1031

00:49:20,270 --> 00:49:18,420

store my dad had a hardware store so I

1032

00:49:22,849 --> 00:49:20,280

brought my receptacle tester to check

1033

00:49:26,270 --> 00:49:22,859

electrical and I walked into the house

1034

00:49:28,370 --> 00:49:26,280

felt neutral went into the left I went

1035

00:49:30,170 --> 00:49:28,380

walked left into the family room and

1036

00:49:31,849 --> 00:49:30,180

behind the family room was a large first

1037

00:49:33,410 --> 00:49:31,859

master bedroom

1038

00:49:35,150 --> 00:49:33,420

first thing I noticed when I walked in

1039

00:49:38,030 --> 00:49:35,160

there I turned the lights on and it was

1040

00:49:39,890 --> 00:49:38,040

still quite dark and I immediately was

1041

00:49:43,970 --> 00:49:39,900

hit with the feelings of

1042

00:49:45,890 --> 00:49:43,980

anger hate dread death fear

1043

00:49:49,069 --> 00:49:45,900

I like the house so much I was ignoring

1044

00:49:50,990 --> 00:49:49,079

those feelings I finished checking the

1045

00:49:52,550 --> 00:49:51,000

rest of the house felt neutral went

1046

00:49:54,650 --> 00:49:52,560

outside and I said to her you know what

1047

00:49:57,829 --> 00:49:54,660

I'm I'm being guided to go back to that

1048

00:49:59,750 --> 00:49:57,839

bedroom I walked back in there and the

1049

00:50:04,670 --> 00:49:59,760

energies that I had experienced a few

1050

00:50:07,010 --> 00:50:04,680

minutes prior were now exponential and I

1051

00:50:10,069 --> 00:50:07,020

was like I don't want to stay here five

1052

00:50:13,849 --> 00:50:10,079

more minutes let alone you know a night

1053

00:50:17,270 --> 00:50:13,859

or two I I felt I could do a clearing

1054

00:50:18,650 --> 00:50:17,280

but it felt so raw so I called out to

1055

00:50:21,170 --> 00:50:18,660

the real estate agent I noticed she

1056

00:50:23,150 --> 00:50:21,180

never went near that room I said did

1057

00:50:26,450 --> 00:50:23,160

someone die in this house did someone

1058

00:50:29,510 --> 00:50:26,460

die in this room so I walked out and she

1059

00:50:32,450 --> 00:50:29,520

had a v-neck shirt on and she was red

1060

00:50:35,750 --> 00:50:32,460

and she said actually I'm selling this

1061

00:50:38,450 --> 00:50:35,760

house for my good friends both parents

1062

00:50:43,550 --> 00:50:38,460

died in that bedroom weeks apart about a

1063

00:50:45,609 --> 00:50:43,560

month ago so that was just a nice lesson

1064

00:50:48,349 --> 00:50:45,619

in me and really honoring what I feel

1065

00:50:50,150 --> 00:50:48,359

and I actually included that experience

1066

00:50:54,170 --> 00:50:50,160

and open your third eye but I've had

1067

00:50:56,630 --> 00:50:54,180

other experiences where I've uh seen or

1068

00:51:00,109 --> 00:50:56,640

or dealt with shadow people but when

1069

00:51:01,670 --> 00:51:00,119

you're centered and you're Fearless that

1070

00:51:05,569 --> 00:51:01,680

sends them packing

1071

00:51:07,690 --> 00:51:05,579

um they can't form attachments so that

1072

00:51:10,370 --> 00:51:07,700

that when you have an understanding of

1073

00:51:13,490 --> 00:51:10,380

the darker energies because this is a

1074

00:51:15,650 --> 00:51:13,500

world of contrast so there are you know

1075

00:51:17,390 --> 00:51:15,660

shadow people and things like that when

1076

00:51:20,270 --> 00:51:17,400

you have an understanding of them you're

1077

00:51:22,609 --> 00:51:20,280

fearless and they really can't mess with

1078

00:51:23,589 --> 00:51:22,619

your energy you're so in tune with

1079

00:51:26,450 --> 00:51:23,599

yourself

1080

00:51:29,870 --> 00:51:26,460

what feels neutral and your environment

1081

00:51:33,410 --> 00:51:29,880

anything that feels different you are

1082

00:51:34,849 --> 00:51:33,420

immediately able to discern so yeah the

1083

00:51:36,410 --> 00:51:34,859

automatic writing just to finish off

1084

00:51:38,750 --> 00:51:36,420

that answer

1085

00:51:40,670 --> 00:51:38,760

I actually used to experience it in high

1086

00:51:42,770 --> 00:51:40,680

school I just wasn't aware of it I was a

1087

00:51:44,630 --> 00:51:42,780

really good essay writer but the

1088

00:51:48,589 --> 00:51:44,640

automatic writing um

1089

00:51:50,630 --> 00:51:48,599

it's not it's not unusual for me

1090

00:51:53,150 --> 00:51:50,640

um to write a book in let's say four to

1091

00:51:56,030 --> 00:51:53,160

six weeks it happens incredibly

1092

00:51:57,890 --> 00:51:56,040

incredibly quickly I just put my

1093

00:51:59,690 --> 00:51:57,900

attention on what it is I'm going to

1094

00:52:03,230 --> 00:51:59,700

write and the downloads just come

1095

00:52:05,870 --> 00:52:03,240

because there's no resistance Within Me

1096

00:52:07,790 --> 00:52:05,880

well um before we continue I'm sure

1097

00:52:09,410 --> 00:52:07,800

whoever still submits the questions

1098

00:52:11,329 --> 00:52:09,420

they'll be there I actually would like

1099

00:52:13,670 --> 00:52:11,339

to ask you can you maybe talk a little

1100

00:52:18,049 --> 00:52:13,680

bit more about the Shadows

1101

00:52:19,430 --> 00:52:18,059

sure so this is a world of Relativity so

1102

00:52:22,250 --> 00:52:19,440

when you understand that we are

1103

00:52:25,609 --> 00:52:22,260

mind-body Spirit okay so we're a

1104

00:52:30,349 --> 00:52:25,619

mind-body spirit when a person passes we

1105

00:52:32,150 --> 00:52:30,359

shed two densest aspects to us we we

1106

00:52:36,230 --> 00:52:32,160

shed the physical body

1107

00:52:39,770 --> 00:52:36,240

and we shed the egoic self the Shadow

1108

00:52:41,990 --> 00:52:39,780

Self which is the source of our fear our

1109

00:52:43,430 --> 00:52:42,000

suffering and I should preface this

1110

00:52:45,290 --> 00:52:43,440

there's nothing wrong with the ego the

1111

00:52:47,569 --> 00:52:45,300

ego serves a Divine Purpose and it's for

1112

00:52:49,549 --> 00:52:47,579

our Awakening gives us the contrast to

1113

00:52:52,609 --> 00:52:49,559

our light to Inner Stillness

1114

00:52:55,730 --> 00:52:52,619

when when a person passes wherever they

1115

00:52:59,150 --> 00:52:55,740

pass they they leave the body but they

1116

00:53:01,609 --> 00:52:59,160

also shed that Shadow Self there

1117

00:53:04,370 --> 00:53:01,619

wherever it is they pass and it's that

1118

00:53:07,609 --> 00:53:04,380

shadow cell that is literally attachment

1119

00:53:11,569 --> 00:53:07,619

in and of itself and those are the

1120

00:53:14,030 --> 00:53:11,579

shadow people or Shadow energies that

1121

00:53:16,190 --> 00:53:14,040

you'll hear since

1122

00:53:18,109 --> 00:53:16,200

um they they typically are a bit

1123

00:53:21,170 --> 00:53:18,119

negative because that's what the ego is

1124

00:53:23,630 --> 00:53:21,180

in nature uh they're not always you know

1125

00:53:25,490 --> 00:53:23,640

you know they're not dangerous in the

1126
00:53:27,829 --> 00:53:25,500
sense unless you start creating fear and

1127
00:53:30,589 --> 00:53:27,839
then it starts playing on that fear so

1128
00:53:34,730 --> 00:53:30,599
having an understanding what these

1129
00:53:37,250 --> 00:53:34,740
shadow energies are that they are

1130
00:53:40,730 --> 00:53:37,260
I I say this often as beautiful as this

1131
00:53:43,430 --> 00:53:40,740
world is it's also a spiritual dump in

1132
00:53:45,530 --> 00:53:43,440
the sense that this is where because

1133
00:53:46,910 --> 00:53:45,540
where the soul goes

1134
00:53:49,190 --> 00:53:46,920
after death

1135
00:53:52,130 --> 00:53:49,200
the ego cannot go because it's it's

1136
00:53:54,530 --> 00:53:52,140
going into such high dimension of

1137
00:54:00,230 --> 00:53:54,540
Consciousness and frequency that the

1138
00:54:03,710 --> 00:54:02,089

all right thank you for that well the

1139

00:54:05,690 --> 00:54:03,720

one of the questions was said would you

1140

00:54:08,030 --> 00:54:05,700

say that these experiences were overall

1141

00:54:11,809 --> 00:54:08,040

positive and good then

1142

00:54:13,910 --> 00:54:11,819

uh regarding the just

1143

00:54:17,270 --> 00:54:13,920

I think I think um

1144

00:54:20,630 --> 00:54:17,280

um so she didn't specify but I think uh

1145

00:54:23,270 --> 00:54:20,640

um she's referring to yeah decidings and

1146

00:54:24,950 --> 00:54:23,280

you know just whatever else happened you

1147

00:54:27,790 --> 00:54:24,960

know prior to that too

1148

00:54:32,390 --> 00:54:27,800

yeah sure so the sightings have been

1149

00:54:35,329 --> 00:54:32,400

absolutely profound spiritual in nature

1150

00:54:36,710 --> 00:54:35,339

there are times where triangle has come

1151

00:54:37,849 --> 00:54:36,720

so close to me

1152

00:54:40,490 --> 00:54:37,859

um I thought I was going to have an out

1153

00:54:42,829 --> 00:54:40,500

of body in real time

1154

00:54:46,190 --> 00:54:42,839

um I'm already operating where every

1155

00:54:48,230 --> 00:54:46,200

chakra is lit up to say that it takes me

1156

00:54:50,569 --> 00:54:48,240

to another level

1157

00:54:53,390 --> 00:54:50,579

um is an understatement

1158

00:54:56,210 --> 00:54:53,400

um so every experience has been profound

1159

00:54:59,329 --> 00:54:56,220

sometimes humorous

1160

00:55:02,030 --> 00:54:59,339

um the timing the communication the

1161

00:55:03,950 --> 00:55:02,040

feeling of Oneness you know when it's a

1162

00:55:06,950 --> 00:55:03,960

couple of thousand feet from me and it's

1163

00:55:09,770 --> 00:55:06,960

responding to me it appears to be far

1164

00:55:11,210 --> 00:55:09,780

off and it hears me

1165

00:55:14,809 --> 00:55:11,220

um or when I call them in and they're

1166

00:55:16,490 --> 00:55:14,819

not even visible so with regards to all

1167

00:55:20,030 --> 00:55:16,500

the other things the Paranormal stuff

1168

00:55:21,829 --> 00:55:20,040

you know the only one that was that I

1169

00:55:24,170 --> 00:55:21,839

wasn't even afraid it sort of shocked me

1170

00:55:27,650 --> 00:55:24,180

so the night terror that I experienced

1171

00:55:29,450 --> 00:55:27,660

was I'd gone to bed and I was suddenly

1172

00:55:31,910 --> 00:55:29,460

awoken in the middle of the night by

1173

00:55:34,190 --> 00:55:31,920

negative entity energy feeling it

1174

00:55:36,170 --> 00:55:34,200

hovering above me suddenly I looked at

1175

00:55:38,930 --> 00:55:36,180

my sheets and my bed sheet was being

1176

00:55:40,910 --> 00:55:38,940

pulled off me I was more sort of

1177

00:55:43,730 --> 00:55:40,920

astounded or shocked that something that

1178

00:55:45,410 --> 00:55:43,740

I couldn't see could do that

1179

00:55:46,370 --> 00:55:45,420

um I wasn't afraid I was sort of shocked

1180

00:55:49,190 --> 00:55:46,380

that I could do it and I didn't

1181

00:55:51,589 --> 00:55:49,200

understand how it could do that so I

1182

00:55:53,270 --> 00:55:51,599

went downstairs said a few prayers

1183

00:55:55,370 --> 00:55:53,280

and the next morning I had to get up to

1184

00:55:57,710 --> 00:55:55,380

go to work and as I entered my master

1185

00:55:59,870 --> 00:55:57,720

bedroom at the threshold I still sensed

1186

00:56:01,910 --> 00:55:59,880

it I could actually hear it growl and I

1187

00:56:05,329 --> 00:56:01,920

blew past it and I basically told it to

1188

00:56:08,630 --> 00:56:05,339

take a hike and then that's when I

1189

00:56:10,450 --> 00:56:08,640

to put it mildly demanded to know

1190

00:56:15,109 --> 00:56:10,460

another way

1191

00:56:16,910 --> 00:56:15,119

my desire was off the charts and weeks

1192

00:56:19,309 --> 00:56:16,920

later I experienced the spontaneous

1193

00:56:21,970 --> 00:56:19,319

Awakening with the activation and

1194

00:56:24,829 --> 00:56:21,980

opening of the third eye completely

1195

00:56:27,049 --> 00:56:24,839

but you actually just answered the next

1196

00:56:29,210 --> 00:56:27,059

question I was gonna I'm gonna ask you

1197

00:56:31,010 --> 00:56:29,220

which was issue is your third eye open

1198

00:56:34,069 --> 00:56:31,020

how's your day-to-day experience

1199

00:56:37,010 --> 00:56:34,079

different than without it being opened

1200

00:56:39,730 --> 00:56:37,020

that's a great question so operating

1201
00:56:42,410 --> 00:56:39,740
through an open and activated third eye

1202
00:56:44,030 --> 00:56:42,420
you're empowered in the sense that

1203
00:56:44,990 --> 00:56:44,040
you're living Moment by moment in the

1204
00:56:47,089 --> 00:56:45,000
present

1205
00:56:50,809 --> 00:56:47,099
the mind or the thinking mind has been

1206
00:56:53,930 --> 00:56:50,819
silenced when you do experience the

1207
00:56:55,849 --> 00:56:53,940
thinking mind because you realize the

1208
00:56:59,230 --> 00:56:55,859
truth of inner Stillness it doesn't even

1209
00:57:01,670 --> 00:56:59,240
have the power to become an emotion so

1210
00:57:04,790 --> 00:57:01,680
casting it out because your vibrational

1211
00:57:07,250 --> 00:57:04,800
frequency is so high it now orbits so if

1212
00:57:08,870 --> 00:57:07,260
you think of Stillness the dimension of

1213
00:57:11,390 --> 00:57:08,880

inner Stillness as the neutron it's

1214

00:57:13,309 --> 00:57:11,400

neutral and the conscious mind that your

1215

00:57:16,190 --> 00:57:13,319

positive self then you have the electron

1216

00:57:19,250 --> 00:57:16,200

the negative that's the ego that is cast

1217

00:57:22,309 --> 00:57:19,260

out and now it just orbits and when I

1218

00:57:24,290 --> 00:57:22,319

when as it orbits it's now not a part of

1219

00:57:26,569 --> 00:57:24,300

you but it offers you contrast to your

1220

00:57:29,450 --> 00:57:26,579

light it gives you the ability to still

1221

00:57:30,849 --> 00:57:29,460

be able to relate to people

1222

00:57:34,849 --> 00:57:30,859

um because

1223

00:57:36,410 --> 00:57:34,859

in order to help or assist one has to

1224

00:57:38,390 --> 00:57:36,420

sort of remember the suffering that one

1225

00:57:41,270 --> 00:57:38,400

has went through in the sense not that

1226

00:57:43,490 --> 00:57:41,280

you think about it no that you remember

1227

00:57:46,390 --> 00:57:43,500

what it's like so essentially

1228

00:57:49,069 --> 00:57:46,400

Enlightenment is one hand on the ground

1229

00:57:51,170 --> 00:57:49,079

uh you know grounded in your Humanity

1230

00:57:53,210 --> 00:57:51,180

grounded in the now while the other hand

1231

00:57:55,910 --> 00:57:53,220

is reaching towards Cosmic or Universal

1232

00:57:58,790 --> 00:57:55,920

Consciousness it's a it's a balance so

1233

00:58:01,370 --> 00:57:58,800

you're operating always knowing who you

1234

00:58:03,530 --> 00:58:01,380

are spiritually operating through that

1235

00:58:06,589 --> 00:58:03,540

dimension of inner Stillness realizing

1236

00:58:08,690 --> 00:58:06,599

the physical body is temporary and also

1237

00:58:12,109 --> 00:58:08,700

realizing you're operating through

1238

00:58:15,589 --> 00:58:12,119

non-resistance so you learn to

1239

00:58:17,270 --> 00:58:15,599

consciously call forth your experiences

1240

00:58:18,410 --> 00:58:17,280

but the other thing I'll say is when

1241

00:58:20,450 --> 00:58:18,420

you're operating through the dimension

1242

00:58:22,250 --> 00:58:20,460

of inner Stillness you're in the

1243

00:58:25,069 --> 00:58:22,260

surrendered State there's no conflict

1244

00:58:27,230 --> 00:58:25,079

within you things are now happening to

1245

00:58:29,450 --> 00:58:27,240

you and for you

1246

00:58:32,450 --> 00:58:29,460

um for example with the uaps showing up

1247

00:58:34,849 --> 00:58:32,460

they came looking for me

1248

00:58:37,910 --> 00:58:34,859

um did I know they existed absolutely

1249

00:58:40,970 --> 00:58:37,920

did I think they I'd ever write a book

1250

00:58:43,630 --> 00:58:40,980

on it or that I'd experience them not

1251
00:58:45,589 --> 00:58:43,640
necessarily but it all makes sense now

1252
00:58:48,349 --> 00:58:45,599
because I'm operating through that

1253
00:58:49,910 --> 00:58:48,359
Cosmic or Universal Consciousness so

1254
00:58:54,349 --> 00:58:49,920
they

1255
00:58:56,089 --> 00:58:54,359
waiting for Humanity to meet them

1256
00:58:58,010 --> 00:58:56,099
halfway to meet them through

1257
00:58:59,809 --> 00:58:58,020
fearlessness and an open-mindedness

1258
00:59:02,150 --> 00:58:59,819
through that dimension of inner

1259
00:59:05,809 --> 00:59:02,160
Stillness inner Stillness

1260
00:59:08,329 --> 00:59:05,819
is Cosmic Consciousness it is what

1261
00:59:10,849 --> 00:59:08,339
connects us with the ETS and with the

1262
00:59:12,650 --> 00:59:10,859
phenomena altogether because through

1263
00:59:15,410 --> 00:59:12,660

that dimension of inner Stillness one is

1264

00:59:17,510 --> 00:59:15,420

aware and is transcendent of Separation

1265

00:59:19,370 --> 00:59:17,520

on the physical body and you realize

1266

00:59:21,530 --> 00:59:19,380

we're all one so that's why there's no

1267

00:59:23,930 --> 00:59:21,540

fear there's no negative experience

1268

00:59:27,230 --> 00:59:23,940

regarding this mind you if you approach

1269

00:59:29,390 --> 00:59:27,240

the phenomena with fear uh we're so

1270

00:59:32,510 --> 00:59:29,400

powerful as creators you will create

1271

00:59:34,309 --> 00:59:32,520

that fearful experience so because

1272

00:59:37,370 --> 00:59:34,319

everything is a potential in the quantum

1273

00:59:40,130 --> 00:59:37,380

field every single outcome experience is

1274

00:59:42,650 --> 00:59:40,140

sort of like a film strip a potential

1275

00:59:45,349 --> 00:59:42,660

and it's us who calls forth reality

1276

00:59:46,849 --> 00:59:45,359

Moment by moment it's also important to

1277

00:59:48,349 --> 00:59:46,859

mention this when you're operating

1278

00:59:49,789 --> 00:59:48,359

through the dimension of inner Stillness

1279

00:59:52,490 --> 00:59:49,799

through enlightenment

1280

00:59:55,250 --> 00:59:52,500

you realize circumstances don't matter

1281

00:59:57,710 --> 00:59:55,260

that they're not concrete so many of us

1282

00:59:59,450 --> 00:59:57,720

get focused and tied up with where we

1283

01:00:01,490 --> 00:59:59,460

are and we repeat that in our

1284

01:00:03,829 --> 01:00:01,500

Consciousness we feel stuck and we feel

1285

01:00:05,750 --> 01:00:03,839

helpless if you realize we're really in

1286

01:00:07,690 --> 01:00:05,760

a fluid environment you got to change

1287

01:00:11,450 --> 01:00:07,700

your thoughts change your perceptions

1288

01:00:13,370 --> 01:00:11,460

and create a vision regardless despite

1289

01:00:15,410 --> 01:00:13,380

what you see that's when you start

1290

01:00:19,450 --> 01:00:15,420

making massive shifts the shifts begin

1291

01:00:23,030 --> 01:00:19,460

within and then are expressed outwardly

1292

01:00:25,069 --> 01:00:23,040

so Julio is there anything anything

1293

01:00:26,450 --> 01:00:25,079

regarding any of the other subject that

1294

01:00:29,030 --> 01:00:26,460

we might not have covered that you would

1295

01:00:31,309 --> 01:00:29,040

like to talk about or or any of the

1296

01:00:33,170 --> 01:00:31,319

other books uh that that you want to

1297

01:00:35,390 --> 01:00:33,180

cover just basically want to leave it

1298

01:00:36,829 --> 01:00:35,400

open to you to just take the opportunity

1299

01:00:38,809 --> 01:00:36,839

to do that

1300

01:00:40,730 --> 01:00:38,819

sure so I can talk about sort of the

1301

01:00:43,609 --> 01:00:40,740

evolution of my writing my first book

1302

01:00:47,030 --> 01:00:43,619

challenge your thoughts I dissect the

1303

01:00:48,470 --> 01:00:47,040

egoic mind and in dissecting it and in

1304

01:00:50,930 --> 01:00:48,480

writing that

1305

01:00:53,390 --> 01:00:50,940

it was all that dissection of the ego

1306

01:00:55,730 --> 01:00:53,400

and its inner workings that brought

1307

01:00:57,289 --> 01:00:55,740

forth all the remembrances of our human

1308

01:01:00,349 --> 01:00:57,299

conditioning because once you understand

1309

01:01:02,990 --> 01:01:00,359

the way you've been conditioned you can

1310

01:01:05,750 --> 01:01:03,000

then create space if you've been

1311

01:01:08,170 --> 01:01:05,760

experiencing suffering or want to get

1312

01:01:12,410 --> 01:01:08,180

unstuck or go beyond past and future

1313

01:01:15,130 --> 01:01:12,420

that gives you the insight and how to

1314

01:01:17,329 --> 01:01:15,140

observe thought instead of react to it

1315

01:01:19,309 --> 01:01:17,339

the next book I wrote The Healing

1316

01:01:22,069 --> 01:01:19,319

frequency is an evolution in the sense

1317

01:01:24,130 --> 01:01:22,079

that I also get into the Miracles and

1318

01:01:27,170 --> 01:01:24,140

the potentials that are available to us

1319

01:01:31,789 --> 01:01:27,180

I'll give an example

1320

01:01:33,829 --> 01:01:31,799

um as as my brother was was passing away

1321

01:01:35,390 --> 01:01:33,839

um about a week before he died I would

1322

01:01:37,910 --> 01:01:35,400

leave the dental office and go visit him

1323

01:01:40,490 --> 01:01:37,920

and even then I was operating Through

1324

01:01:42,470 --> 01:01:40,500

Stillness but I was not aware of it so

1325

01:01:44,630 --> 01:01:42,480

on this particular day so I've always

1326
01:01:46,910 --> 01:01:44,640
been sensitive to energy and being able

1327
01:01:49,069 --> 01:01:46,920
to read it I got off the elevator and

1328
01:01:51,589 --> 01:01:49,079
his room was straight ahead for some

1329
01:01:54,230 --> 01:01:51,599
reason I glanced right and at the end of

1330
01:01:56,270 --> 01:01:54,240
the corridor was a greeting room and it

1331
01:01:58,970 --> 01:01:56,280
was very Bland green there was a couch

1332
01:02:00,890 --> 01:01:58,980
TV nothing nothing out of the ordinary

1333
01:02:03,289 --> 01:02:00,900
on this basically evening about a week

1334
01:02:06,170 --> 01:02:03,299
before he died I got off the elevator I

1335
01:02:08,809 --> 01:02:06,180
glanced over and I saw what appeared to

1336
01:02:10,849 --> 01:02:08,819
be a statue of Holy Mary and the room

1337
01:02:14,270 --> 01:02:10,859
was pale blue and there were roses along

1338
01:02:15,890 --> 01:02:14,280

the wall so I walk into the room and my

1339

01:02:18,589 --> 01:02:15,900

sisters are there and I said to my one

1340

01:02:20,329 --> 01:02:18,599

sister Jerry I said wow that's beautiful

1341

01:02:23,390 --> 01:02:20,339

they they turned the greeting room into

1342

01:02:26,390 --> 01:02:23,400

a chapel and Jerry says what are you

1343

01:02:28,309 --> 01:02:26,400

talking about we went back out there and

1344

01:02:31,490 --> 01:02:28,319

it was a greeting room there was no

1345

01:02:33,829 --> 01:02:31,500

statue of Mary there was no no blue

1346

01:02:35,930 --> 01:02:33,839

walls so that was a vision that I had

1347

01:02:37,910 --> 01:02:35,940

experienced and that that took place

1348

01:02:40,670 --> 01:02:37,920

operating through that dimension of

1349

01:02:43,190 --> 01:02:40,680

again inner Stillness so the healing

1350

01:02:45,170 --> 01:02:43,200

frequency talks about the potentials

1351

01:02:47,210 --> 01:02:45,180

that are available spontaneous healing

1352

01:02:50,089 --> 01:02:47,220

spontaneous Awakening once you heal the

1353

01:02:52,730 --> 01:02:50,099

separation heal the Mind transcend it

1354

01:02:55,609 --> 01:02:52,740

then you are non-resistant and you allow

1355

01:02:57,410 --> 01:02:55,619

the highest self to express whether it's

1356

01:03:00,829 --> 01:02:57,420

healing that you need whether it's

1357

01:03:02,510 --> 01:03:00,839

Insight Clarity to spontaneously come

1358

01:03:05,329 --> 01:03:02,520

come to the Forefront of our

1359

01:03:07,970 --> 01:03:05,339

Consciousness and be experienced

1360

01:03:11,089 --> 01:03:07,980

the evolution now moving on is open your

1361

01:03:12,430 --> 01:03:11,099

third eye is the the last five or six

1362

01:03:15,230 --> 01:03:12,440

years are going to say I've really seen

1363

01:03:17,569 --> 01:03:15,240

a real coming online of my psychic

1364

01:03:18,890 --> 01:03:17,579

abilities and it's just an expansion and

1365

01:03:20,809 --> 01:03:18,900

a demonstration of the evolution of

1366

01:03:24,049 --> 01:03:20,819

Consciousness and what I've realized is

1367

01:03:26,750 --> 01:03:24,059

our own psychic abilities have a desire

1368

01:03:28,549 --> 01:03:26,760

to express themselves through us just as

1369

01:03:30,650 --> 01:03:28,559

we are expressing ourselves through

1370

01:03:32,450 --> 01:03:30,660

source so you realize things like

1371

01:03:34,910 --> 01:03:32,460

intuition

1372

01:03:36,650 --> 01:03:34,920

um Clairvoyance those are all potentials

1373

01:03:38,329 --> 01:03:36,660

within us and when you know even

1374

01:03:40,490 --> 01:03:38,339

synchronicity when we start paying

1375

01:03:42,170 --> 01:03:40,500

attention you know you realize you know

1376

01:03:44,030 --> 01:03:42,180

the synchronicity in a fortune cookie

1377

01:03:46,910 --> 01:03:44,040

you know it could be the next song you

1378

01:03:48,950 --> 01:03:46,920

hear so that's what open your third eyes

1379

01:03:52,370 --> 01:03:48,960

about it is the honing and the Mastery

1380

01:03:55,910 --> 01:03:52,380

of your psychic abilities and then

1381

01:03:58,549 --> 01:03:55,920

moving forward the cosmic contact is I

1382

01:04:00,650 --> 01:03:58,559

merge the spiritual understanding and

1383

01:04:03,770 --> 01:04:00,660

how it ties into the phenomena

1384

01:04:05,450 --> 01:04:03,780

of of what I've been experiencing and

1385

01:04:08,450 --> 01:04:05,460

the insights

1386

01:04:11,450 --> 01:04:08,460

um you know true disclosure because if

1387

01:04:14,030 --> 01:04:11,460

we wait for some sort of outside sort of

1388

01:04:16,010 --> 01:04:14,040

agency to give us that uh it's sort of

1389

01:04:17,270 --> 01:04:16,020

like Enlightenment uh to wait for

1390

01:04:19,130 --> 01:04:17,280

someone outside of you give you

1391

01:04:21,950 --> 01:04:19,140

Enlightenment you'll be waiting forever

1392

01:04:23,809 --> 01:04:21,960

because it's an inside job and and same

1393

01:04:25,609 --> 01:04:23,819

with understanding the phenomena once

1394

01:04:27,490 --> 01:04:25,619

you understand your spiritual self you

1395

01:04:32,270 --> 01:04:27,500

will understand the extraterrestrials

1396

01:04:34,190 --> 01:04:32,280

and the the last thing I'll mention is

1397

01:04:36,589 --> 01:04:34,200

uh another book I have coming out

1398

01:04:38,450 --> 01:04:36,599

finding your calm and that's not until

1399

01:04:41,809 --> 01:04:38,460

November and that one is a collaboration

1400

01:04:42,890 --> 01:04:41,819

just ways to use the chakras to find

1401
01:04:45,470 --> 01:04:42,900
greater

1402
01:04:48,049 --> 01:04:45,480
um inner peace and uh Serenity and

1403
01:04:52,849 --> 01:04:49,430
great thank you for that I really

1404
01:04:56,089 --> 01:04:52,859
appreciate it you know um when it um

1405
01:04:58,549 --> 01:04:56,099
often on the show whenever I talk to uh

1406
01:05:01,430 --> 01:04:58,559
just between me and and whoever happens

1407
01:05:03,170 --> 01:05:01,440
to log into doing open lines you know I

1408
01:05:05,329 --> 01:05:03,180
would share different experiences and

1409
01:05:08,329 --> 01:05:05,339
you know uh different understandings

1410
01:05:10,010 --> 01:05:08,339
that I've gained from it and it's I

1411
01:05:12,289 --> 01:05:10,020
think it's still no matter how much it's

1412
01:05:15,109 --> 01:05:12,299
covered I think it's the most difficult

1413
01:05:16,430 --> 01:05:15,119

part for people to understand the uh the

1414

01:05:19,130 --> 01:05:16,440

Oneness the Consciousness Connection

1415

01:05:21,410 --> 01:05:19,140

between all of us and how then

1416

01:05:24,430 --> 01:05:21,420

everything else you know comes into play

1417

01:05:27,170 --> 01:05:24,440

whether it's government uh Place uh

1418

01:05:29,750 --> 01:05:27,180

viewing ships in the sky and all these

1419

01:05:31,490 --> 01:05:29,760

other things it's almost like um unless

1420

01:05:34,250 --> 01:05:31,500

you've had that experience on your own

1421

01:05:36,049 --> 01:05:34,260

it's very difficult to to draw that I

1422

01:05:38,569 --> 01:05:36,059

mean over the years I've tried to

1423

01:05:40,430 --> 01:05:38,579

connect these different dots and

1424

01:05:42,470 --> 01:05:40,440

everything together for people to kind

1425

01:05:44,150 --> 01:05:42,480

of get the idea at least if you haven't

1426

01:05:47,349 --> 01:05:44,160

had that experience but at least you can

1427

01:05:51,049 --> 01:05:47,359

say as I say analyzing intellectually

1428

01:05:53,089 --> 01:05:51,059

you know to hopefully you know gain gain

1429

01:05:54,950 --> 01:05:53,099

some understanding there but I still

1430

01:05:57,829 --> 01:05:54,960

find in my personal opinion I still find

1431

01:06:00,289 --> 01:05:57,839

that to be the most difficult part just

1432

01:06:02,990 --> 01:06:00,299

haven't gaining that understanding

1433

01:06:05,390 --> 01:06:03,000

uh what I would add to that is for

1434

01:06:07,970 --> 01:06:05,400

example with the the Oneness I I could

1435

01:06:13,069 --> 01:06:07,980

sort of demonstrate it uh within a

1436

01:06:18,289 --> 01:06:13,079

minute so you you can't uh experience

1437

01:06:20,089 --> 01:06:18,299

um anger at someone or a life event or

1438

01:06:21,890 --> 01:06:20,099

let's say you're hammering a nail and

1439

01:06:24,230 --> 01:06:21,900

you hit your thumb and you get angry at

1440

01:06:27,170 --> 01:06:24,240

the hammer you can't experience that

1441

01:06:29,650 --> 01:06:27,180

without you immediately feeling those

1442

01:06:33,589 --> 01:06:29,660

emotions so when you immediately project

1443

01:06:35,270 --> 01:06:33,599

is immediately returned to you because

1444

01:06:38,990 --> 01:06:35,280

if you

1445

01:06:41,450 --> 01:06:39,000

realize uh in the Transcendent state so

1446

01:06:42,970 --> 01:06:41,460

in Stillness there is no separation so

1447

01:06:47,089 --> 01:06:42,980

the physical body is

1448

01:06:49,010 --> 01:06:47,099

99.999999 space uh it's essentially an

1449

01:06:51,650 --> 01:06:49,020

illusion and the thinking mind is a

1450

01:06:53,150 --> 01:06:51,660

dreaming state so to experience that

1451

01:06:55,430 --> 01:06:53,160

dimension of inner Stillness is to

1452

01:06:59,750 --> 01:06:55,440

experience spiritual reality and that

1453

01:07:01,970 --> 01:06:59,760

that Oneness so you you can't again be

1454

01:07:05,270 --> 01:07:01,980

angry at someone without you instantly

1455

01:07:09,170 --> 01:07:05,280

feeling that emotion and actually the

1456

01:07:11,210 --> 01:07:09,180

clearer you get so the quieter you get

1457

01:07:14,870 --> 01:07:11,220

you'll realize depending on whatever

1458

01:07:17,809 --> 01:07:14,880

emotion it is whether it's hate anger

1459

01:07:21,410 --> 01:07:17,819

these emotions tend to be drawn towards

1460

01:07:24,049 --> 01:07:21,420

particular chakras so realizing coming

1461

01:07:25,730 --> 01:07:24,059

from the awareness is where you begin to

1462

01:07:29,210 --> 01:07:25,740

can really make shifts in your life

1463

01:07:31,309 --> 01:07:29,220

realizing we're all one and again it has

1464

01:07:33,710 --> 01:07:31,319

to be I I can say it till I'm blue in

1465

01:07:36,349 --> 01:07:33,720

the face it's a it's a directly

1466

01:07:38,930 --> 01:07:36,359

experienced though in the dimension of

1467

01:07:41,510 --> 01:07:38,940

inner Stillness and the doorway to that

1468

01:07:43,990 --> 01:07:41,520

Dimension is always the Eternal moment

1469

01:07:46,970 --> 01:07:44,000

of now

1470

01:07:48,710 --> 01:07:46,980

thank you for that you know I think you

1471

01:07:50,210 --> 01:07:48,720

kind of answered I think you've answered

1472

01:07:52,309 --> 01:07:50,220

this one but I'm going to ask you for

1473

01:07:53,930 --> 01:07:52,319

for the sake of being submitted and

1474

01:07:55,549 --> 01:07:53,940

because I appreciate everyone else that

1475

01:07:57,589 --> 01:07:55,559

does participate because it just makes

1476

01:08:00,770 --> 01:07:57,599

things a lot more funner you know um

1477

01:08:02,750 --> 01:08:00,780

it's uh this one is again from uh roll

1478

01:08:05,450 --> 01:08:02,760

to losing dies asking do you believe

1479

01:08:08,510 --> 01:08:05,460

synchronicity uh happens from the third

1480

01:08:11,510 --> 01:08:08,520

eye being opened or does it lead to it

1481

01:08:13,309 --> 01:08:11,520

uh what I would say is synchronicity is

1482

01:08:16,010 --> 01:08:13,319

always happening and taking place the

1483

01:08:19,189 --> 01:08:16,020

question is who is paying attention so

1484

01:08:22,849 --> 01:08:19,199

the thing about the third eye is it's

1485

01:08:24,950 --> 01:08:22,859

always in play in varying degrees so

1486

01:08:27,229 --> 01:08:24,960

it's not like we don't have intuition

1487

01:08:29,030 --> 01:08:27,239

it's the question is who's paying

1488

01:08:31,189 --> 01:08:29,040

attention to the energy within them and

1489

01:08:32,990 --> 01:08:31,199

around them everything is speaking to us

1490

01:08:34,849 --> 01:08:33,000

including our environment the

1491

01:08:39,410 --> 01:08:34,859

nothingness surrounding you the

1492

01:08:42,229 --> 01:08:39,420

nothingness within us that is filled and

1493

01:08:43,570 --> 01:08:42,239

teeming with information Insight Clarity

1494

01:08:47,050 --> 01:08:43,580

Clairvoyance

1495

01:08:50,209 --> 01:08:47,060

telepathy you name it clear everything

1496

01:08:51,829 --> 01:08:50,219

so the more you become aware see this is

1497

01:08:54,590 --> 01:08:51,839

how powerful we are

1498

01:08:57,110 --> 01:08:54,600

our awareness of something is what gives

1499

01:08:59,749 --> 01:08:57,120

life to it including the soul that's

1500

01:09:02,689 --> 01:08:59,759

sort of like the Resurrection The Return

1501

01:09:04,130 --> 01:09:02,699

of awareness so that inner Stillness

1502

01:09:06,829 --> 01:09:04,140

whether we call it Christ Consciousness

1503

01:09:08,630 --> 01:09:06,839

Buddha nature the cosmic Consciousness

1504

01:09:11,090 --> 01:09:08,640

God consciousness

1505

01:09:14,450 --> 01:09:11,100

is essentially nameless it's that

1506

01:09:16,669 --> 01:09:14,460

dimension of just no mind so the more

1507

01:09:19,010 --> 01:09:16,679

you tune into that through the now and

1508

01:09:20,749 --> 01:09:19,020

the more you're present the more you

1509

01:09:23,030 --> 01:09:20,759

will realize synchronicities are

1510

01:09:25,189 --> 01:09:23,040

happening and then as you become aware

1511

01:09:27,829 --> 01:09:25,199

of them you can literally open the

1512

01:09:29,689 --> 01:09:27,839

floodgates where everything literally is

1513

01:09:32,030 --> 01:09:29,699

speaking to you and that's how you're

1514

01:09:34,370 --> 01:09:32,040

guided that's how you know what steps to

1515

01:09:39,950 --> 01:09:36,829

great thank you Frank has a question

1516

01:09:43,370 --> 01:09:39,960

he's asking where did Julio film The UAP

1517

01:09:46,430 --> 01:09:43,380

posted eight days ago

1518

01:09:48,769 --> 01:09:46,440

virtually all of my recordings take

1519

01:09:51,050 --> 01:09:48,779

place in the backyard uh but the

1520

01:09:53,150 --> 01:09:51,060

phenomena does follow me

1521

01:09:55,010 --> 01:09:53,160

um last year my birthday they showed up

1522

01:09:57,470 --> 01:09:55,020

at my sister's backyard she lives on two

1523

01:09:59,930 --> 01:09:57,480

acres but virtually everything is in my

1524

01:10:05,150 --> 01:10:02,810

okay great we know uh just also just I

1525

01:10:06,830 --> 01:10:05,160

guess just to summarize taking all these

1526

01:10:08,510 --> 01:10:06,840

things into consideration you know

1527

01:10:11,330 --> 01:10:08,520

working on yourself

1528

01:10:14,570 --> 01:10:11,340

um and opening that third eye as you

1529

01:10:17,150 --> 01:10:14,580

know as the phrase goes uh that is what

1530

01:10:20,030 --> 01:10:17,160

can eventually lead to these videos

1531

01:10:23,330 --> 01:10:20,040

you've shot you know and experiences and

1532

01:10:25,130 --> 01:10:23,340

I think um unless unless you you want to

1533

01:10:27,410 --> 01:10:25,140

add to it or maybe correct me in my

1534

01:10:29,870 --> 01:10:27,420

opinion here you know that is the way to

1535

01:10:32,450 --> 01:10:29,880

go about this instead of just going out

1536

01:10:34,189 --> 01:10:32,460

in the field sitting around and hoping

1537

01:10:35,930 --> 01:10:34,199

something might happen in a way you are

1538

01:10:38,149 --> 01:10:35,940

putting that out you know so it could

1539

01:10:39,410 --> 01:10:38,159

you know nothing is impossible you know

1540

01:10:40,970 --> 01:10:39,420

but there is a little bit of homework

1541

01:10:43,090 --> 01:10:40,980

that everyone can do if they want to

1542

01:10:46,729 --> 01:10:43,100

have more success with that

1543

01:10:48,470 --> 01:10:46,739

absolutely and I'll speak on that so the

1544

01:10:50,770 --> 01:10:48,480

when you're when you're you're

1545

01:10:53,810 --> 01:10:50,780

cultivating living in the present moment

1546

01:10:55,669 --> 01:10:53,820

uh when you're able to practice

1547

01:10:57,950 --> 01:10:55,679

challenging negative thoughts that's

1548

01:11:00,890 --> 01:10:57,960

becoming egoless

1549

01:11:02,830 --> 01:11:00,900

um when you're bringing meditation and

1550

01:11:06,110 --> 01:11:02,840

mindfulness to your moments

1551
01:11:08,330 --> 01:11:06,120
meditation is simply Focus so if you're

1552
01:11:11,209 --> 01:11:08,340
present and aware Wherever You Are

1553
01:11:13,370 --> 01:11:11,219
that's meditation and you can get to a

1554
01:11:14,830 --> 01:11:13,380
point where the more you practice being

1555
01:11:18,050 --> 01:11:14,840
in the present moment

1556
01:11:19,490 --> 01:11:18,060
the quieter the Mind becomes you start

1557
01:11:21,530 --> 01:11:19,500
actually start creating space between

1558
01:11:25,189 --> 01:11:21,540
the thinking mind and your awareness

1559
01:11:28,189 --> 01:11:25,199
what enlightenment is is being aware of

1560
01:11:30,890 --> 01:11:28,199
awareness being aware of the Stillness

1561
01:11:32,689 --> 01:11:30,900
when you're coming into that and

1562
01:11:35,390 --> 01:11:32,699
allowing the unfolding of Consciousness

1563
01:11:38,630 --> 01:11:35,400

within you so now you're operating

1564

01:11:41,990 --> 01:11:38,640

through unconditional love you're coming

1565

01:11:44,870 --> 01:11:42,000

through you're becoming more Fearless

1566

01:11:47,350 --> 01:11:44,880

so you're opening up the potential and

1567

01:11:49,850 --> 01:11:47,360

possibility of experiencing the uaps

1568

01:11:51,709 --> 01:11:49,860

they've made it clear to me what would

1569

01:11:54,110 --> 01:11:51,719

be the point of us showing up on mass

1570

01:11:55,910 --> 01:11:54,120

with a majority of human beings not

1571

01:11:59,689 --> 01:11:55,920

having made a shift in Consciousness or

1572

01:12:02,450 --> 01:11:59,699

awareness not having uh realized the

1573

01:12:05,030 --> 01:12:02,460

Oneness and I should mention this real

1574

01:12:07,010 --> 01:12:05,040

quick I talk about in the book

1575

01:12:09,050 --> 01:12:07,020

you know we talk about the word alien

1576

01:12:10,430 --> 01:12:09,060

and people throw it around and we've

1577

01:12:13,430 --> 01:12:10,440

sort of been conditioned to think of

1578

01:12:14,630 --> 01:12:13,440

them as aliens and separate so here's a

1579

01:12:17,510 --> 01:12:14,640

nice example

1580

01:12:19,189 --> 01:12:17,520

you look at sharks we grew up looking at

1581

01:12:21,350 --> 01:12:19,199

sharks knowing about sharks

1582

01:12:24,229 --> 01:12:21,360

understanding them but they live a very

1583

01:12:26,030 --> 01:12:24,239

alien existence relative to us they look

1584

01:12:28,610 --> 01:12:26,040

really different they breathe underwater

1585

01:12:31,130 --> 01:12:28,620

but we don't see them as alien

1586

01:12:33,290 --> 01:12:31,140

the reason why is because we have an

1587

01:12:35,149 --> 01:12:33,300

understanding well the moment you have

1588

01:12:38,390 --> 01:12:35,159

an understanding of the ETS and you

1589

01:12:40,189 --> 01:12:38,400

realize that they share their Oneness in

1590

01:12:41,870 --> 01:12:40,199

us through the the dimension of inner

1591

01:12:44,209 --> 01:12:41,880

Stillness whether we call it Cosmic

1592

01:12:47,030 --> 01:12:44,219

Consciousness Christ Consciousness these

1593

01:12:49,550 --> 01:12:47,040

are ascended masters so they are from

1594

01:12:53,149 --> 01:12:49,560

one point of view uh future versions of

1595

01:12:55,130 --> 01:12:53,159

Us coming back to assist not so much in

1596

01:12:56,689 --> 01:12:55,140

our Evolution but to show us the

1597

01:12:59,330 --> 01:12:56,699

potential that we have so they're

1598

01:13:00,950 --> 01:12:59,340

waiting for Humanity individually and

1599

01:13:01,910 --> 01:13:00,960

collectively start making more shifts

1600

01:13:03,350 --> 01:13:01,920

because we're going to hit a critical

1601
01:13:06,110 --> 01:13:03,360
mass

1602
01:13:08,169 --> 01:13:06,120
um you know we've heard you know in

1603
01:13:11,450 --> 01:13:08,179
biblical in in the Bible about new Earth

1604
01:13:13,490 --> 01:13:11,460
new Earth is about seeing the world

1605
01:13:16,370 --> 01:13:13,500
through the dimension of inner Stillness

1606
01:13:17,870 --> 01:13:16,380
new Earth is about living in the present

1607
01:13:21,770 --> 01:13:17,880
moment and when you live in the present

1608
01:13:24,350 --> 01:13:21,780
moment you shift into another dimension

1609
01:13:28,310 --> 01:13:24,360
that's finding the kingdom so new Earth

1610
01:13:30,350 --> 01:13:28,320
I realized was here and now in 2005 and

1611
01:13:32,510 --> 01:13:30,360
new earth is here it's a parallel

1612
01:13:35,630 --> 01:13:32,520
Dimension it's the dimension of inner

1613
01:13:38,810 --> 01:13:35,640

Stillness and we're already there we've

1614

01:13:40,010 --> 01:13:38,820

never left home we think we have we

1615

01:13:43,310 --> 01:13:40,020

think we're separate from each other

1616

01:13:45,470 --> 01:13:43,320

that's the reason why humanity is in the

1617

01:13:49,490 --> 01:13:45,480

shape it's in now but

1618

01:13:51,890 --> 01:13:49,500

is is as horrible as it sort of looks on

1619

01:13:54,050 --> 01:13:51,900

the surface it's serving a purpose and

1620

01:13:55,970 --> 01:13:54,060

that's for the Awakening of humanity so

1621

01:13:58,790 --> 01:13:55,980

they're saying we're not going to show

1622

01:14:01,610 --> 01:13:58,800

up on mass until more of you have made

1623

01:14:04,430 --> 01:14:01,620

that shift uh into unconditional love

1624

01:14:06,950 --> 01:14:04,440

openness so it takes a little bit of

1625

01:14:09,830 --> 01:14:06,960

work but once once you have that

1626

01:14:14,270 --> 01:14:09,840

willingness that's all Source or God

1627

01:14:17,149 --> 01:14:14,280

needs to express itself to you and

1628

01:14:19,850 --> 01:14:17,159

through you as Stillness as clarity as

1629

01:14:21,530 --> 01:14:19,860

wisdom as understanding and once you tap

1630

01:14:24,470 --> 01:14:21,540

into that like I said that dimension of

1631

01:14:26,270 --> 01:14:24,480

inner Stillness the soul you'll realize

1632

01:14:29,090 --> 01:14:26,280

you have already made that connection

1633

01:14:30,729 --> 01:14:29,100

with the extraterrestrials because they

1634

01:14:33,590 --> 01:14:30,739

are operating through that same

1635

01:14:35,510 --> 01:14:33,600

dimension of inner Stillness but the

1636

01:14:38,270 --> 01:14:35,520

only difference is they are even more

1637

01:14:40,490 --> 01:14:38,280

aware and have activated even more

1638

01:14:43,850 --> 01:14:40,500

potentials the opening of the third eye

1639

01:14:50,510 --> 01:14:47,630

so then you know going along then with

1640

01:14:52,010 --> 01:14:50,520

um this last question which um I guess

1641

01:14:54,290 --> 01:14:52,020

for those that really want to know would

1642

01:14:56,930 --> 01:14:54,300

be a good one to ask do you think that

1643

01:14:59,630 --> 01:14:56,940

these aliens are interdimensional or

1644

01:15:02,090 --> 01:14:59,640

from far away star systems

1645

01:15:03,950 --> 01:15:02,100

that's a great question I want to say

1646

01:15:07,310 --> 01:15:03,960

almost both so they're living in

1647

01:15:10,850 --> 01:15:07,320

parallel realities here and now

1648

01:15:13,430 --> 01:15:10,860

um they are able to travel

1649

01:15:16,550 --> 01:15:13,440

not not even at the speed of light it's

1650

01:15:19,189 --> 01:15:16,560

the speed of thought so they are able to

1651

01:15:23,090 --> 01:15:19,199

move in and out of Dimensions

1652

01:15:25,550 --> 01:15:23,100

um they're able to travel

1653

01:15:27,169 --> 01:15:25,560

the speed is is Limitless because

1654

01:15:30,229 --> 01:15:27,179

they're traveling at the speed of

1655

01:15:31,729 --> 01:15:30,239

thought so in becoming harmless

1656

01:15:33,050 --> 01:15:31,739

so when you operate through

1657

01:15:34,370 --> 01:15:33,060

Enlightenment through that dimension of

1658

01:15:38,149 --> 01:15:34,380

inner Stillness

1659

01:15:41,209 --> 01:15:38,159

you don't get those gifts and potentials

1660

01:15:43,550 --> 01:15:41,219

to do things like that to teleport to

1661

01:15:45,290 --> 01:15:43,560

you know appear the way they do to

1662

01:15:47,770 --> 01:15:45,300

transform upgrade downgrade their

1663

01:15:51,050 --> 01:15:47,780

frequencies unless you become harmless

1664

01:15:52,669 --> 01:15:51,060

so there's another narrative that you

1665

01:15:54,830 --> 01:15:52,679

know that is sort of trying to play out

1666

01:15:56,330 --> 01:15:54,840

that we don't know what they are and you

1667

01:16:00,530 --> 01:15:56,340

know it could be dangerous and this and

1668

01:16:04,130 --> 01:16:00,540

that it's it's a fallacy they come in

1669

01:16:07,430 --> 01:16:04,140

peace and you can't evolve and come into

1670

01:16:10,430 --> 01:16:07,440

that potential unless you've become

1671

01:16:14,570 --> 01:16:12,290

um I think it was several years ago I

1672

01:16:19,850 --> 01:16:14,580

talked about that too that it's almost

1673

01:16:20,930 --> 01:16:19,860

like a a built-in universal law that

1674

01:16:24,649 --> 01:16:20,940

um

1675

01:16:26,750 --> 01:16:24,659

with uh with raising your frequency your

1676

01:16:29,870 --> 01:16:26,760

vibration a different understanding

1677

01:16:33,470 --> 01:16:29,880

comes along to where you go beyond uh

1678

01:16:35,930 --> 01:16:33,480

physical Fuel and needing liquid in J in

1679

01:16:37,729 --> 01:16:35,940

huge Rockets to propel you because when

1680

01:16:39,770 --> 01:16:37,739

you are still limited

1681

01:16:42,350 --> 01:16:39,780

um you know Consciousness wise not not

1682

01:16:44,570 --> 01:16:42,360

from the the overall Consciousness that

1683

01:16:46,250 --> 01:16:44,580

you are but just the the characters that

1684

01:16:48,530 --> 01:16:46,260

we all are and playing out in this world

1685

01:16:51,229 --> 01:16:48,540

you know you're you're only going to

1686

01:16:53,689 --> 01:16:51,239

reach very you know barely reach the

1687

01:16:55,729 --> 01:16:53,699

moon you know in any other planets just

1688

01:16:58,189 --> 01:16:55,739

having a conventional thought but once

1689

01:17:01,250 --> 01:16:58,199

your Consciousness you know just the the

1690

01:17:03,050 --> 01:17:01,260

frequency of it changes and Rises a new

1691

01:17:05,870 --> 01:17:03,060

understanding comes along it's almost

1692

01:17:08,450 --> 01:17:05,880

like a child growing up and you know

1693

01:17:09,950 --> 01:17:08,460

tapping into parts of their mind that

1694

01:17:12,410 --> 01:17:09,960

they couldn't do before you know because

1695

01:17:14,450 --> 01:17:12,420

there was just a child you know and new

1696

01:17:16,130 --> 01:17:14,460

new ideas come to mind but with that

1697

01:17:19,010 --> 01:17:16,140

also your persona and everything else

1698

01:17:20,510 --> 01:17:19,020

changes so where before I can't speak

1699

01:17:23,450 --> 01:17:20,520

for every human being on the planet but

1700

01:17:25,189 --> 01:17:23,460

I think like before where everyone would

1701

01:17:27,290 --> 01:17:25,199

just lose it immediately because they're

1702

01:17:28,729 --> 01:17:27,300

impatient and they're five years old you

1703

01:17:30,530 --> 01:17:28,739

know as a 10 year old you had a little

1704

01:17:32,030 --> 01:17:30,540

bit more Temperance now to you you know

1705

01:17:34,669 --> 01:17:32,040

you're not reacting to the same things

1706

01:17:37,729 --> 01:17:34,679

in the same way and then of course 15 50

1707

01:17:40,669 --> 01:17:37,739

you know and so on you know it's I see

1708

01:17:43,669 --> 01:17:40,679

the same way progressing the more you

1709

01:17:46,070 --> 01:17:43,679

you basically raise your vibration the

1710

01:17:47,330 --> 01:17:46,080

the the more comes to you you know and

1711

01:17:48,770 --> 01:17:47,340

at a great understanding about

1712

01:17:50,930 --> 01:17:48,780

everything else that you want to know

1713

01:17:52,610 --> 01:17:50,940

out there but what's what's really funny

1714

01:17:55,189 --> 01:17:52,620

is that you can only come back and tell

1715

01:17:57,850 --> 01:17:55,199

everyone else unless they go there by

1716

01:18:01,430 --> 01:17:57,860

themselves to see it for themselves

1717

01:18:03,290 --> 01:18:01,440

absolutely we're all here uh to remember

1718

01:18:05,870 --> 01:18:03,300

who we are so this is all an evolution

1719

01:18:08,930 --> 01:18:05,880

of Consciousness they basically told me

1720

01:18:11,090 --> 01:18:08,940

to we only really need one law and the

1721

01:18:14,149 --> 01:18:11,100

law is Do no harm

1722

01:18:15,709 --> 01:18:14,159

it's all-encompassing just Do no harm so

1723

01:18:18,649 --> 01:18:15,719

treat others as you would want to be

1724

01:18:21,010 --> 01:18:18,659

treated operate through that Oneness

1725

01:18:25,010 --> 01:18:21,020

that that awareness of Oneness

1726

01:18:26,750 --> 01:18:25,020

experiencing it and um that to me is

1727

01:18:29,930 --> 01:18:26,760

crystal clear

1728

01:18:32,390 --> 01:18:29,940

right well Julio thank you very much

1729

01:18:33,649 --> 01:18:32,400

again for today it's it's been awesome I

1730

01:18:35,630 --> 01:18:33,659

love the videos

1731

01:18:38,330 --> 01:18:35,640

um and everything else you you talked

1732

01:18:40,490 --> 01:18:38,340

about today and um I'm pretty sure for

1733

01:18:42,590 --> 01:18:40,500

those that are seeking and on the

1734

01:18:44,270 --> 01:18:42,600

journey you know on their own this is

1735

01:18:47,090 --> 01:18:44,280

definitely one of the interviews to

1736

01:18:49,310 --> 01:18:47,100

watch so uh unless you would like to add

1737

01:18:51,290 --> 01:18:49,320

something else that I don't know to ask

1738

01:18:52,490 --> 01:18:51,300

um I think you know we've come to a good

1739

01:18:54,830 --> 01:18:52,500

conclusion

1740

01:18:56,450 --> 01:18:54,840

I just wanted to thank you so much Adnan

1741

01:18:58,370 --> 01:18:56,460

you've been so gracious during this

1742

01:19:00,830 --> 01:18:58,380

whole process and I just want to thank

1743

01:19:03,290 --> 01:19:00,840

you I'm very grateful thank you and

1744

01:19:05,689 --> 01:19:03,300

thank you everyone for the questions

1745

01:19:08,030 --> 01:19:05,699

well you know it doesn't have to end

1746

01:19:09,890 --> 01:19:08,040

here all the things in the description

1747

01:19:12,729 --> 01:19:09,900

are available for all of you to check

1748

01:19:14,990 --> 01:19:12,739

out and maybe send a line or two to to

1749

01:19:17,630 --> 01:19:15,000

Julio through the website if I think

1750

01:19:19,910 --> 01:19:17,640

they could I didn't check it out but

1751

01:19:22,669 --> 01:19:19,920

um definitely most most people that are

1752

01:19:24,890 --> 01:19:22,679

on a path and do take the time to leave

1753

01:19:27,050 --> 01:19:24,900

videos behind or share some information

1754

01:19:28,790 --> 01:19:27,060

like via books and whatnot it's

1755

01:19:31,070 --> 01:19:28,800

definitely worth it uh paying attention

1756

01:19:32,689 --> 01:19:31,080

to it and checking it out so take

1757

01:19:34,729 --> 01:19:32,699

advantage of it everything is in

1758

01:19:36,590 --> 01:19:34,739

description for those just listening for

1759

01:19:37,729 --> 01:19:36,600

those or for those of you who are

1760

01:19:39,709 --> 01:19:37,739

watching

1761

01:19:42,050 --> 01:19:39,719

um it just it can't hurt other than

1762

01:19:43,850 --> 01:19:42,060

you're just growing and understanding

1763

01:19:47,390 --> 01:19:43,860

you know things better than what you did

1764

01:19:49,850 --> 01:19:47,400

yesterday so again Julia thank you

1765

01:19:51,590 --> 01:19:49,860

um and uh I thank everyone else that's

1766

01:19:54,229 --> 01:19:51,600

been watching I appreciate you joining

1767

01:19:56,810 --> 01:19:54,239

us live and uh of course this video will

1768

01:19:59,630 --> 01:19:56,820

now stay online until YouTube takes it

1769

01:20:02,689 --> 01:19:59,640

down but of course I have Rumble and

1770

01:20:05,390 --> 01:20:02,699

twitch as backups so please check those

1771

01:20:07,850 --> 01:20:05,400

out as well this video will most likely

1772

01:20:09,470 --> 01:20:07,860

tomorrow become available on Rumble for

1773

01:20:12,530 --> 01:20:09,480

you to watch there so just a different

1774

01:20:16,490 --> 01:20:12,540

platform so that if and when YouTube

1775

01:20:20,450 --> 01:20:16,500

decides to take me down a UFO Hub is not

1776

01:20:23,090 --> 01:20:20,460

entirely gone so again uh thank you

1777

01:20:25,610 --> 01:20:23,100

Julio thanks everyone else watching and

1778

01:20:27,229 --> 01:20:25,620

we'll catch you next week on Wednesday

1779

01:20:29,930 --> 01:20:27,239

at 7 pm
