

SKYPE CONNECTION

1
00:00:12,860 --> 00:00:32,399

thank you

2
00:00:32,409 --> 00:01:07,609

[Music]

3
00:01:12,350 --> 00:01:10,070

hey everyone welcome to dual fob live

4
00:01:15,710 --> 00:01:12,360

stream uh today is supposed to be open

5
00:01:17,210 --> 00:01:15,720

lines and still is but uh because the

6
00:01:19,250 --> 00:01:17,220

last few times some of you have been

7
00:01:20,690 --> 00:01:19,260

very shy I made sure to actually have a

8
00:01:22,910 --> 00:01:20,700

friend of mine his name is Michael

9
00:01:25,249 --> 00:01:22,920

Babcock and he's a wealth of information

10
00:01:27,109 --> 00:01:25,259

and we'll be covering a variety of

11
00:01:29,630 --> 00:01:27,119

subjects and I'm very excited to talk to

12
00:01:32,030 --> 00:01:29,640

him about those but if you decide to

13
00:01:34,730 --> 00:01:32,040

join us please join the telegram group

14

00:01:37,069 --> 00:01:34,740

that's going on right now as well and

15

00:01:38,690 --> 00:01:37,079

it's actually a voice only and it's I

16

00:01:41,810 --> 00:01:38,700

think delayed a little bit so you might

17

00:01:44,030 --> 00:01:41,820

have to choose between watching or being

18

00:01:46,010 --> 00:01:44,040

on telegram but it's when you join that

19

00:01:47,469 --> 00:01:46,020

voice chat that's when you can raise

20

00:01:49,910 --> 00:01:47,479

your hand and I can bring you into

21

00:01:52,190 --> 00:01:49,920

either share your story when it's your

22

00:01:54,050 --> 00:01:52,200

time or maybe even ask a question of

23

00:01:55,429 --> 00:01:54,060

Michael I'm sure you wouldn't mind I

24

00:01:58,429 --> 00:01:55,439

didn't check that with him beforehand

25

00:02:01,670 --> 00:01:58,439

but we'll work it out and so

26

00:02:03,889 --> 00:02:01,680

um basically I also wanted to cover real

27

00:02:07,130 --> 00:02:03,899

quick uh it's raining cats and dogs here

28

00:02:09,109 --> 00:02:07,140

so there's very strong wind and I'm not

29

00:02:11,449 --> 00:02:09,119

sure sometimes times it's actually known

30

00:02:13,130 --> 00:02:11,459

to have some power interruptions or the

31

00:02:16,190 --> 00:02:13,140

internet going down so if that ever

32

00:02:18,589 --> 00:02:16,200

happens uh one or the other then you'll

33

00:02:21,770 --> 00:02:18,599

know why and I didn't want to skip over

34

00:02:23,570 --> 00:02:21,780

today because I I wanted to kind of

35

00:02:25,610 --> 00:02:23,580

establish every Wednesday at seven to

36

00:02:28,250 --> 00:02:25,620

always have something for you all so

37

00:02:30,890 --> 00:02:28,260

anyway let's roll with it and we'll see

38

00:02:32,690 --> 00:02:30,900

what happens so anyway you can always

39

00:02:34,729 --> 00:02:32,700

still ask questions

40

00:02:37,190 --> 00:02:34,739

um I'm sure most of you will chat with

41

00:02:39,770 --> 00:02:37,200

each other right now the stream is going

42

00:02:41,690 --> 00:02:39,780

live on Facebook twitch and YouTube If

43

00:02:43,610 --> 00:02:41,700

there's a question directed towards me

44

00:02:45,650 --> 00:02:43,620

or Michael please make sure to include

45

00:02:47,930 --> 00:02:45,660

an asterisk or three asterisks before

46

00:02:49,550 --> 00:02:47,940

your question so that way it'll pop out

47

00:02:51,470 --> 00:02:49,560

at me and I know it's meant for me and

48

00:02:53,449 --> 00:02:51,480

not the regular uh

49

00:02:57,170 --> 00:02:53,459

um chat room chatter

50

00:02:58,670 --> 00:02:57,180

so okay so anyway the uh the link for

51
00:03:01,490 --> 00:02:58,680
telegram is actually in the description

52
00:03:05,089 --> 00:03:01,500
below this video and also on Facebook

53
00:03:06,770 --> 00:03:05,099
and twitch and basically once you join

54
00:03:09,770 --> 00:03:06,780
telegram you can install it on your

55
00:03:11,449 --> 00:03:09,780
phone or on your computer and while

56
00:03:12,949 --> 00:03:11,459
Michael and I are chatting they'll give

57
00:03:16,910 --> 00:03:12,959
you enough time to actually install it

58
00:03:19,850 --> 00:03:16,920
and join us if you're interested so I

59
00:03:21,470 --> 00:03:19,860
think I've covered everything and uh let

60
00:03:25,009 --> 00:03:21,480
me unmute this here

61
00:03:26,089 --> 00:03:25,019
and yeah Michael thanks for being on Can

62
00:03:27,290 --> 00:03:26,099
You Hear Me

63
00:03:29,210 --> 00:03:27,300

yes

64

00:03:31,250 --> 00:03:29,220

all right

65

00:03:33,589 --> 00:03:31,260

well welcome Michael I'm glad you're

66

00:03:36,290 --> 00:03:33,599

able to do this today with me and uh we

67

00:03:38,270 --> 00:03:36,300

did talk about was it over a year ago

68

00:03:40,309 --> 00:03:38,280

um I believe but I'm glad you're back

69

00:03:43,190 --> 00:03:40,319

and um I basically just want to open the

70

00:03:45,589 --> 00:03:43,200

floor and um you know fire away

71

00:03:49,430 --> 00:03:45,599

okay so

72

00:03:51,530 --> 00:03:49,440

um you want to talk about UFOs now yeah

73

00:03:53,390 --> 00:03:51,540

yeah uh share your stories uh whatever

74

00:03:54,890 --> 00:03:53,400

you have whether it's an experience or

75

00:03:58,190 --> 00:03:54,900

whatever you had planned

76

00:04:00,890 --> 00:03:58,200

yeah well I I wanted to talk

77

00:04:03,710 --> 00:04:00,900

experience I had when I was nine years

78

00:04:06,289 --> 00:04:03,720

old but I also wanted to talk about some

79

00:04:09,530 --> 00:04:06,299

uh dowsing because I've been dowsing for

80

00:04:10,850 --> 00:04:09,540

about uh 22 years and I think it would

81

00:04:13,550 --> 00:04:10,860

be something everybody would be

82

00:04:16,909 --> 00:04:13,560

interested in but first

83

00:04:19,610 --> 00:04:16,919

um I'll relate a story I uh that I

84

00:04:22,430 --> 00:04:19,620

experienced when I was nine

85

00:04:24,530 --> 00:04:22,440

um I um I have I I'm a part of a family

86

00:04:27,950 --> 00:04:24,540

that there were eight kids

87

00:04:29,150 --> 00:04:27,960

and it was about 1965 and we're at a

88

00:04:34,129 --> 00:04:29,160

drive-in theater

89

00:04:36,710 --> 00:04:34,139

you who've never probably seen one is an

90

00:04:39,170 --> 00:04:36,720

outdoor movie theater where you stay in

91

00:04:42,110 --> 00:04:39,180

your car and you drive up and you can

92

00:04:43,550 --> 00:04:42,120

put a speaker on your window and you

93

00:04:45,290 --> 00:04:43,560

have this huge screen in front of you

94

00:04:48,110 --> 00:04:45,300

you can watch a movie

95

00:04:50,570 --> 00:04:48,120

so I'm going to call I'm in this station

96

00:04:52,850 --> 00:04:50,580

wagon and I've got two sisters on my

97

00:04:54,110 --> 00:04:52,860

right and one sister on my left I'm in

98

00:04:55,850 --> 00:04:54,120

the middle we're all crunched in

99

00:04:57,290 --> 00:04:55,860

watching this movie that none of us are

100

00:04:59,210 --> 00:04:57,300

interested in

101
00:05:00,590 --> 00:04:59,220
and most of the kids in the car are

102
00:05:02,810 --> 00:05:00,600
falling asleep

103
00:05:04,370 --> 00:05:02,820
and then my mom goes oh my God what is

104
00:05:06,710 --> 00:05:04,380
that and I thought all right the movie's

105
00:05:08,930 --> 00:05:06,720
getting interesting right and I go what

106
00:05:10,670 --> 00:05:08,940
what she goes no no above the screen

107
00:05:14,210 --> 00:05:10,680
above the screen and there were these

108
00:05:16,670 --> 00:05:14,220
two glowing orbs not two if you give me

109
00:05:18,350 --> 00:05:16,680
three three glowing orbs and it looked

110
00:05:20,330 --> 00:05:18,360
like they were like when you would see

111
00:05:22,550 --> 00:05:20,340
like a ball or something floating on

112
00:05:23,390 --> 00:05:22,560
water they would they were floating like

113
00:05:25,189 --> 00:05:23,400

that

114

00:05:28,969 --> 00:05:25,199

and

115

00:05:31,010 --> 00:05:28,979

would say there were probably from where

116

00:05:32,870 --> 00:05:31,020

I was sitting the perspective I would

117

00:05:34,070 --> 00:05:32,880

say there were probably six inches in

118

00:05:36,230 --> 00:05:34,080

diameter

119

00:05:37,550 --> 00:05:36,240

and then they were just floating and

120

00:05:39,230 --> 00:05:37,560

then all of a sudden they stopped and

121

00:05:42,110 --> 00:05:39,240

they kind of like locked

122

00:05:44,529 --> 00:05:42,120

and they all started to move together in

123

00:05:47,450 --> 00:05:44,539

a sequence and they were rotating around

124

00:05:50,870 --> 00:05:47,460

spinning around each other

125

00:05:52,370 --> 00:05:50,880

and then the police pulled up in front

126

00:05:54,290 --> 00:05:52,380

of the drive-in theater

127

00:05:56,749 --> 00:05:54,300

and the drive-in theater has all this

128

00:05:58,969 --> 00:05:56,759

pea gravel on the ground and when they

129

00:06:00,890 --> 00:05:58,979

stop all this dust came around the

130

00:06:04,189 --> 00:06:00,900

screen and I'm trying to get out of the

131

00:06:06,170 --> 00:06:04,199

car I want to see better so I opened the

132

00:06:07,610 --> 00:06:06,180

door and I slide over my sister and land

133

00:06:09,469 --> 00:06:07,620

on the ground

134

00:06:11,390 --> 00:06:09,479

and this pea gravel and I'm picking this

135

00:06:13,070 --> 00:06:11,400

pea gravel out of my hands while I'm

136

00:06:16,070 --> 00:06:13,080

looking at these three objects in the

137

00:06:18,230 --> 00:06:16,080

sky it's like some kind of orchestrated

138

00:06:23,390 --> 00:06:18,240

effect I mean the way they moved in such

139

00:06:25,610 --> 00:06:23,400

a uh uh I guess a uh coordinated uh way

140

00:06:26,930 --> 00:06:25,620

with each other and the police were

141

00:06:29,270 --> 00:06:26,940

there and you can see the red lights

142

00:06:32,210 --> 00:06:29,280

reflecting off of other buildings

143

00:06:34,070 --> 00:06:32,220

and all of a sudden they stopped and

144

00:06:36,050 --> 00:06:34,080

then they turned like I guess they were

145

00:06:38,689 --> 00:06:36,060

what they were they were facing us

146

00:06:40,909 --> 00:06:38,699

their disc side towards us and then when

147

00:06:42,529 --> 00:06:40,919

they all three they like flattened out

148

00:06:45,110 --> 00:06:42,539

and you can still see them and they look

149

00:06:47,450 --> 00:06:45,120

like saucers and they all three together

150

00:06:48,710 --> 00:06:47,460

darted off to the Northwest and

151
00:06:51,230 --> 00:06:48,720
disappeared

152
00:06:52,850 --> 00:06:51,240
and I'm like well this was the first

153
00:06:55,969 --> 00:06:52,860
time I've ever experienced anything like

154
00:06:57,890 --> 00:06:55,979
that I mean it was I never was

155
00:07:00,529 --> 00:06:57,900
interested in that sort of thing and

156
00:07:03,650 --> 00:07:00,539
then uh this occurred

157
00:07:06,350 --> 00:07:03,660
well I get back in the car and my mom

158
00:07:08,210 --> 00:07:06,360
starts saying well those are UFOs and I

159
00:07:11,210 --> 00:07:08,220
go what's that she goes well those are

160
00:07:14,150 --> 00:07:11,220
spaceships uh from other planets and I

161
00:07:16,010 --> 00:07:14,160
go really I I no she says really those

162
00:07:18,110 --> 00:07:16,020
are spaceships that come from other

163
00:07:19,309 --> 00:07:18,120

planets and there's people in there and

164

00:07:22,070 --> 00:07:19,319

they're curious

165

00:07:23,330 --> 00:07:22,080

I go wow you know I was so excited I

166

00:07:26,870 --> 00:07:23,340

didn't want to watch the movie I wanted

167

00:07:28,909 --> 00:07:26,880

to talk about this you know well that's

168

00:07:30,469 --> 00:07:28,919

kind of faded every and most of the kids

169

00:07:33,469 --> 00:07:30,479

in the car were they slept through the

170

00:07:34,850 --> 00:07:33,479

whole thing but outside man people got

171

00:07:37,010 --> 00:07:34,860

out of their cars they're still talking

172

00:07:38,270 --> 00:07:37,020

there's groups of people forming and

173

00:07:41,629 --> 00:07:38,280

they're all talking

174

00:07:43,370 --> 00:07:41,639

and I'm sitting there in a seat where I

175

00:07:45,110 --> 00:07:43,380

was now this time next to the door I

176

00:07:47,570 --> 00:07:45,120

pushed my sister over

177

00:07:49,249 --> 00:07:47,580

and I guess about a half hour passed and

178

00:07:51,650 --> 00:07:49,259

all of a sudden

179

00:07:54,170 --> 00:07:51,660

from behind us all it was like a big

180

00:07:56,629 --> 00:07:54,180

floodlight was flying over to the

181

00:07:59,150 --> 00:07:56,639

theater and it was so bright that it

182

00:08:01,249 --> 00:07:59,160

that it like flooded out the picture on

183

00:08:03,409 --> 00:08:01,259

the on the TV or on the uh Motion

184

00:08:05,330 --> 00:08:03,419

Picture screen and I look out the back

185

00:08:08,689 --> 00:08:05,340

window and I could see two more of them

186

00:08:10,850 --> 00:08:08,699

flying from behind this in formation and

187

00:08:13,490 --> 00:08:10,860

the first one came up and it went it

188

00:08:15,529 --> 00:08:13,500

went like like it turned up on its side

189

00:08:17,570 --> 00:08:15,539

so you could see like a disc

190

00:08:19,850 --> 00:08:17,580

and the second one came and it turned up

191

00:08:22,490 --> 00:08:19,860

in the third one and they floated

192

00:08:23,930 --> 00:08:22,500

they locked they did that same formation

193

00:08:25,670 --> 00:08:23,940

thing

194

00:08:28,850 --> 00:08:25,680

and then they flew off

195

00:08:30,409 --> 00:08:28,860

and it was like wow I mean they were

196

00:08:33,469 --> 00:08:30,419

these when they came over the second

197

00:08:36,110 --> 00:08:33,479

time Adnan they were so bright I mean it

198

00:08:38,329 --> 00:08:36,120

was like daylight it was they had such a

199

00:08:41,630 --> 00:08:38,339

bright light underneath them

200

00:08:43,670 --> 00:08:41,640

and then after that happens this is what

201

00:08:47,030 --> 00:08:43,680

this was really strange

202

00:08:49,610 --> 00:08:47,040

it was like I understood like what these

203

00:08:51,170 --> 00:08:49,620

crafts were and I understood that

204

00:08:53,150 --> 00:08:51,180

I had some kind of understanding I don't

205

00:08:55,130 --> 00:08:53,160

know how to explain it but I'm nine

206

00:08:57,710 --> 00:08:55,140

years old and I know they have like two

207

00:09:00,590 --> 00:08:57,720

Drive systems in them they use one to

208

00:09:02,150 --> 00:09:00,600

jump you know great distances and they

209

00:09:05,930 --> 00:09:02,160

use another one like when they're within

210

00:09:07,610 --> 00:09:05,940

a solar system for the smaller distances

211

00:09:09,710 --> 00:09:07,620

that they would travel or they travel in

212

00:09:11,509 --> 00:09:09,720

the atmosphere I knew how the drives

213

00:09:13,430 --> 00:09:11,519

weren't built I knew where the first

214

00:09:15,530 --> 00:09:13,440

drive was the second Drive I don't even

215

00:09:17,030 --> 00:09:15,540

know how I knew all this it was just

216

00:09:19,550 --> 00:09:17,040

coming to me

217

00:09:21,410 --> 00:09:19,560

and so I started drawing pictures I had

218

00:09:23,810 --> 00:09:21,420

this like three ring binder and I'm

219

00:09:26,690 --> 00:09:23,820

drawing all these pictures

220

00:09:29,389 --> 00:09:26,700

um of of The Craft of what it looks like

221

00:09:31,670 --> 00:09:29,399

where the where the drives are where the

222

00:09:34,130 --> 00:09:31,680

occupants would sit and the control

223

00:09:35,810 --> 00:09:34,140

panels and I'm nine years old I don't

224

00:09:36,710 --> 00:09:35,820

know any I don't know where I knew all

225

00:09:39,949 --> 00:09:36,720

this right

226

00:09:42,650 --> 00:09:39,959

so now I'd be you know like I'd be going

227

00:09:44,449 --> 00:09:42,660

to school be sitting on the school bus

228

00:09:46,070 --> 00:09:44,459

and I've sit by myself if somebody sat

229

00:09:47,810 --> 00:09:46,080

in the seat next to me I go do you know

230

00:09:50,090 --> 00:09:47,820

what a UFO is and they look at me like

231

00:09:51,710 --> 00:09:50,100

no we saw them at the drive-in and I

232

00:09:52,910 --> 00:09:51,720

take my notebook out and I start showing

233

00:09:55,070 --> 00:09:52,920

it to them and talking to about the

234

00:09:57,650 --> 00:09:55,080

drive system it got to the point where

235

00:09:59,329 --> 00:09:57,660

nobody wanted to sit next to me because

236

00:10:01,430 --> 00:09:59,339

I was so

237

00:10:05,449 --> 00:10:01,440

um enthused about this

238

00:10:07,550 --> 00:10:05,459

and I and I would like have dreams I

239

00:10:11,030 --> 00:10:07,560

would dream about these I would say I

240

00:10:13,310 --> 00:10:11,040

could see massive sleeps of them and I

241

00:10:15,290 --> 00:10:13,320

knew that they were on their own that

242

00:10:18,470 --> 00:10:15,300

there was a bigger ship that they would

243

00:10:19,250 --> 00:10:18,480

that they would uh hook up with and dock

244

00:10:20,570 --> 00:10:19,260

with

245

00:10:22,430 --> 00:10:20,580

and

246

00:10:24,650 --> 00:10:22,440

um so this was something that I lived

247

00:10:27,650 --> 00:10:24,660

with for quite some time

248

00:10:30,050 --> 00:10:27,660

and uh I was all I I was always

249

00:10:32,090 --> 00:10:30,060

wondering about well where did they come

250

00:10:35,150 --> 00:10:32,100

from who are they you know are they

251
00:10:37,910 --> 00:10:35,160
friendly you know that sort of thing and

252
00:10:40,790 --> 00:10:37,920
um but I've never I I never came across

253
00:10:44,269 --> 00:10:40,800
anybody that had a similar experience to

254
00:10:47,690 --> 00:10:44,279
that uh I was around other UFO groups

255
00:10:50,090 --> 00:10:47,700
later in my life in my 20s and 30s but

256
00:10:51,350 --> 00:10:50,100
um I never came across anybody that had

257
00:10:53,150 --> 00:10:51,360
that experience

258
00:10:56,449 --> 00:10:53,160
and I had

259
00:10:59,030 --> 00:10:56,459
emailed a good friend of mine about this

260
00:11:02,150 --> 00:10:59,040
event that we're doing tonight and told

261
00:11:05,150 --> 00:11:02,160
them about it and he sent me a link in

262
00:11:09,889 --> 00:11:05,160
Amazon link to a guy that has a book out

263
00:11:12,410 --> 00:11:09,899

called UFOs at drive-in theaters

264

00:11:14,350 --> 00:11:12,420

and it's by a guy named uh Preston

265

00:11:17,030 --> 00:11:14,360

Dennett

266

00:11:19,730 --> 00:11:17,040

d-e-n-n-e-t-t you can find that on

267

00:11:23,509 --> 00:11:19,740

Amazon it's you can get it in Kindle or

268

00:11:26,090 --> 00:11:23,519

paperback I haven't read it yet but um

269

00:11:27,350 --> 00:11:26,100

he was telling me that he goes wow he

270

00:11:29,630 --> 00:11:27,360

goes there's a lot of people that have

271

00:11:30,889 --> 00:11:29,640

had similar experiences to that so that

272

00:11:33,710 --> 00:11:30,899

was the first time I've ever heard about

273

00:11:35,449 --> 00:11:33,720

that so that was that was my experience

274

00:11:37,850 --> 00:11:35,459

with the UFOs and then shortly

275

00:11:40,430 --> 00:11:37,860

afterwards I started becoming very

276

00:11:42,610 --> 00:11:40,440

interested in Spiritual Development and

277

00:11:46,130 --> 00:11:42,620

if actually all the kids in our family

278

00:11:49,730 --> 00:11:46,140

started getting this um interest in

279

00:11:52,009 --> 00:11:49,740

spiritually developing ourselves and uh

280

00:11:55,430 --> 00:11:52,019

and not necessarily being attached to a

281

00:11:59,150 --> 00:11:55,440

church but doing things like we were

282

00:12:04,190 --> 00:11:59,160

reading uh books by uh what was his name

283

00:12:07,009 --> 00:12:04,200

um a great psychic um uh Edgar Casey and

284

00:12:11,030 --> 00:12:07,019

my mom was she was promoting this and

285

00:12:13,310 --> 00:12:11,040

helping us with this and and uh it was

286

00:12:15,530 --> 00:12:13,320

just uh it was I guess the beginning of

287

00:12:16,970 --> 00:12:15,540

the journey that I've been on for the

288

00:12:18,829 --> 00:12:16,980

remainder of my life except to this

289

00:12:20,389 --> 00:12:18,839

point

290

00:12:22,310 --> 00:12:20,399

well you know that's actually you know

291

00:12:25,130 --> 00:12:22,320

pretty cool from your mom's end to

292

00:12:26,990 --> 00:12:25,140

actually just be you know that matter of

293

00:12:29,269 --> 00:12:27,000

factual to just say yeah this is who

294

00:12:32,690 --> 00:12:29,279

they are and and even if she didn't know

295

00:12:34,610 --> 00:12:32,700

100 sure you know on you know on your

296

00:12:36,230 --> 00:12:34,620

own through experiences or whatnot just

297

00:12:38,030 --> 00:12:36,240

to be that open-minded especially at

298

00:12:40,430 --> 00:12:38,040

that time I'm not saying how old you are

299

00:12:43,250 --> 00:12:40,440

how old what what decades we're talking

300

00:12:45,949 --> 00:12:43,260

about while you were nine but still you

301
00:12:48,790 --> 00:12:45,959
know um I don't know my parents still if

302
00:12:50,769 --> 00:12:48,800
it's not in the newspaper it's not real

303
00:12:54,530 --> 00:12:50,779
yes yeah yeah

304
00:12:56,930 --> 00:12:54,540
she uh my mom gave us or gave me after

305
00:12:59,269 --> 00:12:56,940
that experience she gave me uh three

306
00:13:00,949 --> 00:12:59,279
books by George adamski how to look

307
00:13:03,170 --> 00:13:00,959
you're familiar with him it was

308
00:13:04,850 --> 00:13:03,180
spaceships had landed Inside the

309
00:13:09,889 --> 00:13:04,860
Spaceships and I forgot what the third

310
00:13:13,730 --> 00:13:12,110
right later in life

311
00:13:16,910 --> 00:13:13,740
um I came across

312
00:13:19,550 --> 00:13:16,920
um what was it his name uh Meyer in

313
00:13:25,150 --> 00:13:19,560

Switzerland Michael Meyer

314

00:13:30,110 --> 00:13:27,470

it has one arm

315

00:13:34,069 --> 00:13:30,120

right oh actually it's not Michael Meyer

316

00:13:37,069 --> 00:13:34,079

no or Mike yeah let me see but he's he's

317

00:13:39,230 --> 00:13:37,079

in Switzerland and um and he was making

318

00:13:41,629 --> 00:13:39,240

contacts with the Pleiadians

319

00:13:44,629 --> 00:13:41,639

right right um I'm probably saying to

320

00:13:46,970 --> 00:13:44,639

Billy Meyer yep that's right Billy the

321

00:13:49,009 --> 00:13:46,980

Kid yeah yeah it was wasn't it uh

322

00:13:51,410 --> 00:13:49,019

tractor accident that he had that's how

323

00:13:53,150 --> 00:13:51,420

he lost his arm yeah he's been he had a

324

00:13:55,310 --> 00:13:53,160

very interesting life if you just read

325

00:13:56,509 --> 00:13:55,320

up his story he was um traveling

326

00:14:00,110 --> 00:13:56,519

everywhere

327

00:14:02,389 --> 00:14:00,120

um uh just all kinds of odd jobs and and

328

00:14:04,370 --> 00:14:02,399

things that I don't know I guess if

329

00:14:06,290 --> 00:14:04,380

you're just that kind of Soul traveling

330

00:14:09,910 --> 00:14:06,300

around that's what I guess you end up

331

00:14:13,490 --> 00:14:09,920

doing and add to your life's resume

332

00:14:16,190 --> 00:14:13,500

yeah yeah and he he spent some time in a

333

00:14:18,949 --> 00:14:16,200

in a ashram in India

334

00:14:21,290 --> 00:14:18,959

and so you know and he was he he related

335

00:14:24,470 --> 00:14:21,300

his uh experience there where they saw

336

00:14:26,690 --> 00:14:24,480

on a regular basis a lot of ships you

337

00:14:29,150 --> 00:14:26,700

know visited the ashram in the sky

338

00:14:31,310 --> 00:14:29,160

kind of like what uh up there in uh

339

00:14:32,629 --> 00:14:31,320

Washington they do at that ranch up

340

00:14:35,509 --> 00:14:32,639

there

341

00:14:37,370 --> 00:14:35,519

um what's the guy's name uh I've I've

342

00:14:39,530 --> 00:14:37,380

seen him a couple of times but he has a

343

00:14:41,629 --> 00:14:39,540

ranch I think it's in Washington Oregon

344

00:14:44,449 --> 00:14:41,639

and you can go there and there's ships

345

00:14:47,389 --> 00:14:44,459

up here in the sky all the time up there

346

00:14:50,629 --> 00:14:47,399

uh does he have a beard long hair Daddy

347

00:14:52,910 --> 00:14:50,639

yeah yeah right

348

00:14:55,310 --> 00:14:52,920

um I don't know I guess uh you and I

349

00:14:56,930 --> 00:14:55,320

both are kind of uh um out of it it's

350

00:14:59,569 --> 00:14:56,940

usually I'm really quick with these with

351

00:15:02,930 --> 00:14:59,579

these things I actually have a uh his

352

00:15:04,430 --> 00:15:02,940

picture in my head we uh with Ozark we

353

00:15:05,629 --> 00:15:04,440

tried reaching out to invite him to be

354

00:15:07,009 --> 00:15:05,639

one of the speakers but he never

355

00:15:08,990 --> 00:15:07,019

answered so

356

00:15:11,650 --> 00:15:09,000

um I just left it at that

357

00:15:16,069 --> 00:15:11,660

yep

358

00:15:20,569 --> 00:15:16,079

yeah so you know I mean I I um I really

359

00:15:22,250 --> 00:15:20,579

don't connect with a lot of uh any UFO

360

00:15:25,490 --> 00:15:22,260

group actually

361

00:15:28,670 --> 00:15:25,500

um I I to me it's a settled issue yeah

362

00:15:31,730 --> 00:15:28,680

they're there and I don't really go

363

00:15:32,990 --> 00:15:31,740

along with uh green but he says you know

364

00:15:35,750 --> 00:15:33,000

they're all you know it's Kumbaya

365

00:15:37,790 --> 00:15:35,760

they're all good now my experience has

366

00:15:39,650 --> 00:15:37,800

been there's evil ones and there's good

367

00:15:43,550 --> 00:15:39,660

ones you know there's good ETS there's

368

00:15:45,530 --> 00:15:43,560

evil et's and um right now we I really

369

00:15:50,329 --> 00:15:45,540

believe the Earth is being influenced

370

00:15:52,670 --> 00:15:50,339

greatly by uh evil et's but also there

371

00:15:57,230 --> 00:15:52,680

are good ETS that are influencing us to

372

00:15:59,030 --> 00:15:57,240

stand up to this and to uh eradicate it

373

00:16:02,210 --> 00:15:59,040

ourselves because there is yeah James

374

00:16:05,030 --> 00:16:02,220

Gillian there is no there is no one

375

00:16:07,310 --> 00:16:05,040

going to come and save us it's us if we

376

00:16:09,290 --> 00:16:07,320

don't do it it ain't gonna happen but if

377

00:16:13,970 --> 00:16:09,300

we do it I think we've got a great

378

00:16:15,410 --> 00:16:13,980

chance of of being a part of the Greater

379

00:16:18,790 --> 00:16:15,420

Community

380

00:16:21,290 --> 00:16:18,800

um that we live in in this universe

381

00:16:23,329 --> 00:16:21,300

I wanted to ask you something real quick

382

00:16:25,430 --> 00:16:23,339

uh because I know you're not we go way

383

00:16:27,650 --> 00:16:25,440

back uh still during the St Louis times

384

00:16:28,910 --> 00:16:27,660

when I still live there and

385

00:16:31,610 --> 00:16:28,920

um we actually met I don't know which

386

00:16:33,290 --> 00:16:31,620

one of those meetings uh was it at the

387

00:16:36,530 --> 00:16:33,300

bowling alley but anyway the point I'm

388

00:16:38,689 --> 00:16:36,540

trying to make is um you know a lot I

389

00:16:40,370 --> 00:16:38,699

know when it comes to the field and I've

390

00:16:44,870 --> 00:16:40,380

been around a lot of people that are

391

00:16:47,150 --> 00:16:44,880

into UFOs and there's very very few are

392

00:16:48,769 --> 00:16:47,160

actually just looking for some kind of

393

00:16:51,290 --> 00:16:48,779

Savior and those are the ones who I'd

394

00:16:54,410 --> 00:16:51,300

say what you are pretty much saying is

395

00:16:56,150 --> 00:16:54,420

it's us we've got to do our part

396

00:16:58,310 --> 00:16:56,160

um others actually I don't know I've

397

00:17:01,310 --> 00:16:58,320

just always founded that the message is

398

00:17:04,069 --> 00:17:01,320

given are great messages to to follow

399

00:17:05,630 --> 00:17:04,079

and and kind of as you always say in the

400

00:17:07,610 --> 00:17:05,640

newest new age Community raise your

401
00:17:10,610 --> 00:17:07,620
vibrations which most people don't don't

402
00:17:12,169 --> 00:17:10,620
meet squat you know um but I always

403
00:17:14,210 --> 00:17:12,179
found that you know the information

404
00:17:16,370 --> 00:17:14,220
given to channeling was you know it's

405
00:17:18,650 --> 00:17:16,380
very helpful if you follow up on it you

406
00:17:20,929 --> 00:17:18,660
know and um yeah it's like I don't I

407
00:17:22,789 --> 00:17:20,939
don't know uh when it comes to a lot of

408
00:17:25,069 --> 00:17:22,799
um a lot of people out there are in the

409
00:17:26,809 --> 00:17:25,079
field they're either researching or

410
00:17:29,330 --> 00:17:26,819
um they're either been experiences but

411
00:17:31,430 --> 00:17:29,340
you know I don't find them that that

412
00:17:33,950 --> 00:17:31,440
prevalent really anymore maybe in the

413
00:17:35,330 --> 00:17:33,960

very beginning like 15 years ago where

414

00:17:37,190 --> 00:17:35,340

they're like oh they're coming to save

415

00:17:39,590 --> 00:17:37,200

us they'll give us technology and fix

416

00:17:41,690 --> 00:17:39,600

our problems you know but it seems like

417

00:17:43,430 --> 00:17:41,700

either those people are stop going to

418

00:17:45,230 --> 00:17:43,440

meetings you know or they just

419

00:17:48,770 --> 00:17:45,240

understood a different thing about them

420

00:17:51,289 --> 00:17:48,780

now I don't know what are your thoughts

421

00:17:53,090 --> 00:17:51,299

well you know Adnan uh there was um

422

00:17:56,710 --> 00:17:53,100

there was a TV series that came out in

423

00:18:03,190 --> 00:18:00,409

in the 90s and it was about this these

424

00:18:06,950 --> 00:18:03,200

aliens that showed up one day in the sky

425

00:18:09,350 --> 00:18:06,960

and they were going to be Our Saviors oh

426

00:18:11,990 --> 00:18:09,360

they had medical technology and all

427

00:18:13,669 --> 00:18:12,000

kinds of Technology but their motive was

428

00:18:16,490 --> 00:18:13,679

they were going to take over the Earth

429

00:18:20,029 --> 00:18:16,500

and rape it of its resources I look at

430

00:18:21,710 --> 00:18:20,039

it like that if anybody comes with uh in

431

00:18:23,390 --> 00:18:21,720

a ship and says that they you know

432

00:18:25,610 --> 00:18:23,400

they're here to help us and give us this

433

00:18:28,610 --> 00:18:25,620

technology I guarantee you there's going

434

00:18:32,090 --> 00:18:28,620

to be strings attached to it and I agree

435

00:18:34,669 --> 00:18:32,100

with you it's up to us we are the ones

436

00:18:36,590 --> 00:18:34,679

that have to make the change and when we

437

00:18:41,150 --> 00:18:36,600

make the change it'll be a natural

438

00:18:44,870 --> 00:18:41,160

progression to uh uh come to meet up

439

00:18:47,690 --> 00:18:44,880

with the ETS that are benevolent uh just

440

00:18:51,350 --> 00:18:47,700

like in your life if you have however

441

00:18:53,390 --> 00:18:51,360

you hold in your mind uh your thoughts

442

00:18:55,070 --> 00:18:53,400

those are the type of people and

443

00:18:56,210 --> 00:18:55,080

experiences that you're going to attract

444

00:18:57,950 --> 00:18:56,220

to yourself

445

00:19:00,350 --> 00:18:57,960

same thing if you're looking for a

446

00:19:02,210 --> 00:19:00,360

savior believe me there's plenty of them

447

00:19:04,490 --> 00:19:02,220

in line that'll that'll be glad to step

448

00:19:06,890 --> 00:19:04,500

up for you but like I said the strings

449

00:19:08,810 --> 00:19:06,900

attached isn't going to be what you uh

450

00:19:11,750 --> 00:19:08,820

are really going to want

451

00:19:14,090 --> 00:19:11,760

okay right

452

00:19:16,370 --> 00:19:14,100

um so um uh were there any regarding

453

00:19:18,409 --> 00:19:16,380

your story did you see those ships ever

454

00:19:20,630 --> 00:19:18,419

again later on in Life or was that

455

00:19:23,870 --> 00:19:20,640

pretty much the only time that you have

456

00:19:26,450 --> 00:19:23,880

a memory of that was the only time that

457

00:19:28,430 --> 00:19:26,460

I seen ships like that

458

00:19:31,130 --> 00:19:28,440

um when I was living

459

00:19:32,690 --> 00:19:31,140

um in the house on before I'm living in

460

00:19:34,669 --> 00:19:32,700

right now which was kind of out in the

461

00:19:36,470 --> 00:19:34,679

country not quite like you were when you

462

00:19:38,450 --> 00:19:36,480

were out in what was that pacific

463

00:19:41,210 --> 00:19:38,460

Roberto

464

00:19:43,190 --> 00:19:41,220

Robertsville yes yes that was really

465

00:19:44,570 --> 00:19:43,200

dark I mean where you lived if you turn

466

00:19:46,789 --> 00:19:44,580

the lights out you couldn't see your

467

00:19:49,250 --> 00:19:46,799

hand in front of your face I lived out

468

00:19:51,230 --> 00:19:49,260

an area it was not quite that dark and

469

00:19:53,870 --> 00:19:51,240

it was a nice evening it was a summer or

470

00:19:56,570 --> 00:19:53,880

spring evening I'm sitting out on my um

471

00:19:58,250 --> 00:19:56,580

uh in my front yard and it's a beautiful

472

00:20:00,830 --> 00:19:58,260

night I mean the stars were just

473

00:20:03,529 --> 00:20:00,840

brilliant and I started noticing like

474

00:20:05,630 --> 00:20:03,539

stars were missing and then they would

475

00:20:07,789 --> 00:20:05,640

disappear and they would come and it and

476

00:20:10,310 --> 00:20:07,799

if you kind of saw the outline it was

477

00:20:13,789 --> 00:20:10,320

like a big triangle and it was just

478

00:20:14,930 --> 00:20:13,799

circling just on a big circle towards

479

00:20:16,130 --> 00:20:14,940

the horizon

480

00:20:20,890 --> 00:20:16,140

and

481

00:20:24,770 --> 00:20:20,900

EarthCraft it's one of those whatever

482

00:20:26,810 --> 00:20:24,780

tr3bs right what it was because at that

483

00:20:29,090 --> 00:20:26,820

time I was pretty close to Scott Air

484

00:20:30,650 --> 00:20:29,100

Force Base and they've been having they

485

00:20:34,789 --> 00:20:30,660

were having sites over there in Illinois

486

00:20:37,730 --> 00:20:34,799

at Scott and I thought wow and if this

487

00:20:40,310 --> 00:20:37,740

is a tr-3b it was huge it was large

488

00:20:42,409 --> 00:20:40,320

and uh and there was another time oh

489

00:20:45,230 --> 00:20:42,419

about two years ago right where I'm at

490

00:20:48,169 --> 00:20:45,240

and I was listening to Penny Kelly

491

00:20:49,970 --> 00:20:48,179

and so one evening I thought okay I'm

492

00:20:51,770 --> 00:20:49,980

gonna do what penny Kelly said and I

493

00:20:54,110 --> 00:20:51,780

made it I kind of put it out there

494

00:20:56,930 --> 00:20:54,120

psychically I said

495

00:21:00,049 --> 00:20:56,940

um I think it was directed towards

496

00:21:03,230 --> 00:21:00,059

um Valiant Thor and his people

497

00:21:06,289 --> 00:21:03,240

and I doused it I doused it first and

498

00:21:09,650 --> 00:21:06,299

yes Valiant Thor is real and there are

499

00:21:13,430 --> 00:21:09,660

is that there are people that uh he's a

500

00:21:16,250 --> 00:21:13,440

part of um and they do live on Venus

501
00:21:18,470 --> 00:21:16,260
and so I just put it out to him psychic

502
00:21:20,630 --> 00:21:18,480
way I said look you know I'm willing to

503
00:21:23,450 --> 00:21:20,640
work with you guys if there's something

504
00:21:25,610 --> 00:21:23,460
that I can do to contribute I'd be glad

505
00:21:27,650 --> 00:21:25,620
to contribute

506
00:21:29,270 --> 00:21:27,660
um just you know let me know I mean Give

507
00:21:32,690 --> 00:21:29,280
Me A Sign let me know

508
00:21:35,450 --> 00:21:32,700
and I dropped it and I just let it go

509
00:21:38,149 --> 00:21:35,460
and about three weeks later I was

510
00:21:40,190 --> 00:21:38,159
watching our neighbor's dog they were on

511
00:21:41,570 --> 00:21:40,200
vacation so I went over there about

512
00:21:43,370 --> 00:21:41,580
three o'clock in the morning and I let

513
00:21:44,510 --> 00:21:43,380

him out in the yard and it was a

514

00:21:46,789 --> 00:21:44,520

beautiful night I'm just sitting out

515

00:21:48,649 --> 00:21:46,799

there and I see this it looked like a

516

00:21:50,870 --> 00:21:48,659

star but it was a little bit bigger than

517

00:21:53,630 --> 00:21:50,880

a stock and it was stuck it was cruising

518

00:21:55,430 --> 00:21:53,640

real slow overhead and I directed my

519

00:21:58,850 --> 00:21:55,440

thought to it I said look all right if

520

00:22:02,090 --> 00:21:58,860

you are benevolent then just stop and it

521

00:22:04,549 --> 00:22:02,100

stopped it's like oh I said holy crap

522

00:22:06,649 --> 00:22:04,559

you know I'm going okay

523

00:22:08,930 --> 00:22:06,659

um and if you're a benevolent I said if

524

00:22:12,289 --> 00:22:08,940

you are part of valiant Thor in their

525

00:22:14,090 --> 00:22:12,299

group then you know I I uphold my word

526

00:22:16,669 --> 00:22:14,100

said if you want me to work with you

527

00:22:19,010 --> 00:22:16,679

I'll work with you and it just stayed

528

00:22:21,830 --> 00:22:19,020

there and hovered and then it just

529

00:22:24,289 --> 00:22:21,840

slowly moved on and I'm thinking I'm

530

00:22:26,390 --> 00:22:24,299

thinking okay that's not a coincidence

531

00:22:28,690 --> 00:22:26,400

that was an event

532

00:22:32,990 --> 00:22:28,700

and nothing nothing has come of it since

533

00:22:34,909 --> 00:22:33,000

but I think uh Penny Kelly says it is

534

00:22:36,169 --> 00:22:34,919

they check you out for a while you know

535

00:22:37,850 --> 00:22:36,179

they want to see where you're coming

536

00:22:40,669 --> 00:22:37,860

from what you're about

537

00:22:42,950 --> 00:22:40,679

and um they'll contact you usually

538

00:22:46,430 --> 00:22:42,960

through drains and thoughts and things

539

00:22:48,710 --> 00:22:46,440

like that so I haven't had any other

540

00:22:50,570 --> 00:22:48,720

um experiences

541

00:22:52,250 --> 00:22:50,580

yeah it's interesting you say that you

542

00:22:53,930 --> 00:22:52,260

know not not a lot of people have been

543

00:22:55,610 --> 00:22:53,940

over what used to live in Robertsville

544

00:22:57,770 --> 00:22:55,620

Missouri where all my experiences were

545

00:22:59,450 --> 00:22:57,780

happening but when I tell them I lived

546

00:23:01,610 --> 00:22:59,460

in the boonies you know unless you've

547

00:23:03,470 --> 00:23:01,620

been there you would not you know they

548

00:23:05,870 --> 00:23:03,480

just think people exaggerate when they

549

00:23:07,430 --> 00:23:05,880

say oh you live out you know out there

550

00:23:09,830 --> 00:23:07,440

somewhere or whatever but technically

551

00:23:12,350 --> 00:23:09,840

you're like right next to highway no I

552

00:23:14,270 --> 00:23:12,360

mean it's it's it's nice to have one

553

00:23:15,890 --> 00:23:14,280

other person that can confirm like no I

554

00:23:19,730 --> 00:23:15,900

was out there out there

555

00:23:22,010 --> 00:23:19,740

oh yeah yeah yeah it was dark too I mean

556

00:23:23,750 --> 00:23:22,020

adenine it was dark

557

00:23:25,010 --> 00:23:23,760

yeah don't you turn the lights out and

558

00:23:27,350 --> 00:23:25,020

then and then we're all out there with

559

00:23:30,770 --> 00:23:27,360

what uh flash cameras taking pictures

560

00:23:33,169 --> 00:23:30,780

and and there it is all over the place

561

00:23:36,350 --> 00:23:33,179

right why don't you tell a little bit

562

00:23:38,630 --> 00:23:36,360

more about that um what was basically so

563

00:23:40,909 --> 00:23:38,640

let me just preface here real quick so

564

00:23:43,250 --> 00:23:40,919

I don't remember exactly how how this

565

00:23:45,169 --> 00:23:43,260

happened but one of uh the groups I was

566

00:23:47,390 --> 00:23:45,179

basically uh part of and you were there

567

00:23:49,190 --> 00:23:47,400

too and then I just put out a um

568

00:23:50,990 --> 00:23:49,200

generally I didn't want to invite too

569

00:23:52,909 --> 00:23:51,000

many people but I wanted to people that

570

00:23:55,850 --> 00:23:52,919

that I personally liked I know it's so

571

00:23:58,070 --> 00:23:55,860

selfish of me you know but to me my home

572

00:23:59,930 --> 00:23:58,080

was so you know it's it's a it's a Holy

573

00:24:01,490 --> 00:23:59,940

Ground it's like so only only people

574

00:24:03,710 --> 00:24:01,500

that I really agree with I would like

575

00:24:04,490 --> 00:24:03,720

them there you know I don't you know I

576

00:24:05,930 --> 00:24:04,500

don't

577

00:24:07,430 --> 00:24:05,940

um just didn't want to invite strangers

578

00:24:09,409 --> 00:24:07,440

that I don't know and all of that just

579

00:24:11,270 --> 00:24:09,419

wanted to enjoy just a nice evening with

580

00:24:12,830 --> 00:24:11,280

friends but of course like with

581

00:24:15,289 --> 00:24:12,840

everything else I don't know that this

582

00:24:16,730 --> 00:24:15,299

was planned I just knew like people were

583

00:24:18,649 --> 00:24:16,740

coming over and the next thing you know

584

00:24:21,529 --> 00:24:18,659

it always has to turn you know um

585

00:24:24,710 --> 00:24:21,539

metaphysical and so anyway with everyone

586

00:24:27,110 --> 00:24:24,720

there go ahead continue the story

587

00:24:29,750 --> 00:24:27,120

well I think most of the people that you

588

00:24:31,549 --> 00:24:29,760

invited were dousers we doused

589

00:24:33,409 --> 00:24:31,559

and we're having dinner we're all

590

00:24:35,570 --> 00:24:33,419

sitting around him and we're talking

591

00:24:39,289 --> 00:24:35,580

and Sandra

592

00:24:41,330 --> 00:24:39,299

she um that's her thing is is Orcs And

593

00:24:44,029 --> 00:24:41,340

she got to talking about it well you

594

00:24:46,909 --> 00:24:44,039

know we all had our phones and that so

595

00:24:49,430 --> 00:24:46,919

after dinner we all go outside and you

596

00:24:51,049 --> 00:24:49,440

turn the light off and man I mean I

597

00:24:53,029 --> 00:24:51,059

didn't dare take a step man I couldn't

598

00:24:55,549 --> 00:24:53,039

see anything and all you see all these

599

00:24:57,230 --> 00:24:55,559

slashes everybody say you know we're

600

00:24:58,730 --> 00:24:57,240

pointing our cameras towards the woods

601
00:25:00,890 --> 00:24:58,740
and we're pointing them towards the

602
00:25:02,330 --> 00:25:00,900
house everywhere and taking pictures and

603
00:25:04,010 --> 00:25:02,340
then you turn the lights on we go back

604
00:25:06,110 --> 00:25:04,020
inside and sure enough

605
00:25:08,870 --> 00:25:06,120
there's these orbs all over the place

606
00:25:11,149 --> 00:25:08,880
Sandra had the most I think I had one or

607
00:25:13,909 --> 00:25:11,159
two everybody had like one or two but

608
00:25:16,610 --> 00:25:13,919
Sandra had and a bunch of them but see

609
00:25:20,330 --> 00:25:16,620
she she's been working with this for a

610
00:25:23,270 --> 00:25:20,340
long time and she has them apparently

611
00:25:26,390 --> 00:25:23,280
they they attract tour they came they

612
00:25:27,049 --> 00:25:26,400
they follow her around or whatever and

613
00:25:29,750 --> 00:25:27,059

um

614

00:25:32,450 --> 00:25:29,760

she at her house she showed me pictures

615

00:25:34,549 --> 00:25:32,460

of of them and she even had one that

616

00:25:36,830 --> 00:25:34,559

kind of looked like a like a butterfly

617

00:25:38,930 --> 00:25:36,840

in the tree it was like it was pitch

618

00:25:40,610 --> 00:25:38,940

black but you could see it was on a limb

619

00:25:44,090 --> 00:25:40,620

and it looked like a little butterfly

620

00:25:46,730 --> 00:25:44,100

and um it's like wow this is uh this is

621

00:25:48,769 --> 00:25:46,740

very uncanny well if I if I may add

622

00:25:51,289 --> 00:25:48,779

something real quick here especially so

623

00:25:54,230 --> 00:25:51,299

would for those that

624

00:25:56,990 --> 00:25:54,240

that I wear about what orbs are it's

625

00:25:59,330 --> 00:25:57,000

generally just the uh a camera capturing

626

00:26:01,970 --> 00:25:59,340

these these different orbs of of energy

627

00:26:04,970 --> 00:26:01,980

that is generally not you know we can't

628

00:26:06,289 --> 00:26:04,980

see with our own eyes and so a lot of

629

00:26:08,090 --> 00:26:06,299

times I always had the argument for

630

00:26:10,010 --> 00:26:08,100

people it's like oh this you're out

631

00:26:12,289 --> 00:26:10,020

there there's it's dust and the Flash

632

00:26:14,029 --> 00:26:12,299

happens to catch a you know a little

633

00:26:16,190 --> 00:26:14,039

dust particle that reflected the light

634

00:26:18,470 --> 00:26:16,200

and that's what you captured right and

635

00:26:20,330 --> 00:26:18,480

when that's the case that would be the

636

00:26:22,610 --> 00:26:20,340

case but with these they were so

637

00:26:25,250 --> 00:26:22,620

intricate too because it would be you

638

00:26:28,490 --> 00:26:25,260

know uh let's say Circle you know the

639

00:26:32,029 --> 00:26:28,500

size of a half a human length but like

640

00:26:33,769 --> 00:26:32,039

behind a person and then others are in

641

00:26:35,090 --> 00:26:33,779

front you know and it's like and so how

642

00:26:38,029 --> 00:26:35,100

does that happen it's like how do you

643

00:26:40,430 --> 00:26:38,039

reflect a dust particle behind a person

644

00:26:42,590 --> 00:26:40,440

but reflecting it in like a three foot

645

00:26:44,570 --> 00:26:42,600

diameter for example so anyway I just

646

00:26:46,010 --> 00:26:44,580

wanted to add that part that's what got

647

00:26:48,230 --> 00:26:46,020

me very interested because generally

648

00:26:49,610 --> 00:26:48,240

whatever people want to do I'll leave it

649

00:26:51,049 --> 00:26:49,620

be but when they were when she was

650

00:26:53,630 --> 00:26:51,059

talking about orbs it wasn't necessarily

651
00:26:55,549 --> 00:26:53,640
my my interest at that time but after

652
00:26:57,470 --> 00:26:55,559
she took some of those photos and

653
00:27:00,649 --> 00:26:57,480
brought in whatever she brought in I was

654
00:27:04,850 --> 00:27:00,659
I was hooked after that yeah yeah yeah

655
00:27:06,590 --> 00:27:04,860
yeah yeah I um and after that experience

656
00:27:08,630 --> 00:27:06,600
and none

657
00:27:12,110 --> 00:27:08,640
um because I do you know I'm a real

658
00:27:13,850 --> 00:27:12,120
estate broker and as an investor and I

659
00:27:16,850 --> 00:27:13,860
invest in properties and I manage

660
00:27:18,830 --> 00:27:16,860
properties I had a guy that said hey

661
00:27:20,810 --> 00:27:18,840
would you manage my property up in

662
00:27:23,149 --> 00:27:20,820
Florissant Missouri I think you know

663
00:27:24,890 --> 00:27:23,159

where that is up by the airport yeah I

664

00:27:28,490 --> 00:27:24,900

said yeah I'll do it so

665

00:27:29,029 --> 00:27:28,500

so I uh I went over there and

666

00:27:31,070 --> 00:27:29,039

um

667

00:27:33,230 --> 00:27:31,080

well first of all I got I had I got a

668

00:27:37,190 --> 00:27:33,240

tenant in there I got it I put a tenant

669

00:27:38,149 --> 00:27:37,200

in and single single mom three kids nice

670

00:27:40,789 --> 00:27:38,159

gal

671

00:27:42,830 --> 00:27:40,799

and in six months I get a call from her

672

00:27:45,830 --> 00:27:42,840

ex-husman says I gotta get my wife out

673

00:27:49,970 --> 00:27:45,840

of there she's like raving screaming

674

00:27:51,470 --> 00:27:49,980

crazy whatever I go wow okay I said I

675

00:27:52,789 --> 00:27:51,480

don't have any problem we will break the

676
00:27:55,669 --> 00:27:52,799
lease no problem

677
00:27:57,529 --> 00:27:55,679
so I go over there and I take pictures

678
00:27:59,990 --> 00:27:57,539
because I'm going to put it on

679
00:28:02,570 --> 00:28:00,000
Craigslist as a rental

680
00:28:05,750 --> 00:28:02,580
I get home I look at my pictures there

681
00:28:07,490 --> 00:28:05,760
are so many there are so many orbs it

682
00:28:10,549 --> 00:28:07,500
looks like fog

683
00:28:13,130 --> 00:28:10,559
and so I call my friend

684
00:28:16,430 --> 00:28:13,140
um one of the people in the dowsing club

685
00:28:18,950 --> 00:28:16,440
and I shared it with her and we're both

686
00:28:22,310 --> 00:28:18,960
we're dowsing it and we come up with

687
00:28:24,470 --> 00:28:22,320
that these were Native Americans that

688
00:28:25,789 --> 00:28:24,480

were caught in a crossfire battle during

689

00:28:29,029 --> 00:28:25,799

the Civil War

690

00:28:30,529 --> 00:28:29,039

and for them it was only a few moments

691

00:28:33,190 --> 00:28:30,539

that had passed

692

00:28:35,510 --> 00:28:33,200

and they were frightened

693

00:28:36,950 --> 00:28:35,520

they were confused

694

00:28:44,269 --> 00:28:36,960

and

695

00:28:46,370 --> 00:28:44,279

we asked the Divine to give them uh

696

00:28:49,190 --> 00:28:46,380

whatever helps Aid and assistance they

697

00:28:53,330 --> 00:28:49,200

needed to move on

698

00:28:55,310 --> 00:28:53,340

um and um so the next day I go over

699

00:28:57,529 --> 00:28:55,320

there and on the same camera same

700

00:29:00,310 --> 00:28:57,539

everything went to the same locations in

701
00:29:04,909 --> 00:29:00,320
the house took the same pictures nothing

702
00:29:06,950 --> 00:29:04,919
zero zip nada so I was I'm from that day

703
00:29:09,710 --> 00:29:06,960
forward I was like I'm totally convinced

704
00:29:12,830 --> 00:29:09,720
that these digital cameras can pick up

705
00:29:15,649 --> 00:29:12,840
stuff but I found out uh that was that

706
00:29:18,590 --> 00:29:15,659
was probably about 12 or 13 years ago

707
00:29:21,409 --> 00:29:18,600
but I found out that people were talking

708
00:29:24,230 --> 00:29:21,419
about this and so Apple quote unquote

709
00:29:26,870 --> 00:29:24,240
they fixed their their cameras so that

710
00:29:28,370 --> 00:29:26,880
it doesn't happen anymore so I can't I

711
00:29:30,529 --> 00:29:28,380
can't say that I don't have the newest

712
00:29:34,310 --> 00:29:30,539
Apple camera or the newest Apple phone

713
00:29:36,889 --> 00:29:34,320

phone but uh the I still have the my

714

00:29:40,070 --> 00:29:36,899

original uh my iPhone that I shot the

715

00:29:42,590 --> 00:29:40,080

the orbs on I haven't tried shooting it

716

00:29:44,149 --> 00:29:42,600

since right but I do know there's

717

00:29:46,610 --> 00:29:44,159

something to it

718

00:29:48,470 --> 00:29:46,620

well um Michael you know since you

719

00:29:50,870 --> 00:29:48,480

brought up dowsing a few times uh can

720

00:29:54,409 --> 00:29:50,880

you please just go ahead uh describe for

721

00:29:56,210 --> 00:29:54,419

everyone what what dowsing is and how

722

00:29:57,529 --> 00:29:56,220

the process works on all of that I

723

00:29:59,510 --> 00:29:57,539

figured it'll be a good time to get into

724

00:30:02,389 --> 00:29:59,520

it but I would like to ask you a

725

00:30:04,549 --> 00:30:02,399

question real quick from um uh from

726

00:30:06,289 --> 00:30:04,559

labels that's watching right now uh

727

00:30:07,570 --> 00:30:06,299

Justin before we move on with the next

728

00:30:11,510 --> 00:30:07,580

subject

729

00:30:14,510 --> 00:30:11,520

okay okay uh label's just asking um uh

730

00:30:16,610 --> 00:30:14,520

your opening story about uh siding in a

731

00:30:18,230 --> 00:30:16,620

drive-in was interesting was your mother

732

00:30:20,510 --> 00:30:18,240

so nonchalant because she had

733

00:30:22,909 --> 00:30:20,520

experiences most people back then

734

00:30:25,010 --> 00:30:22,919

wouldn't respond in the way that you

735

00:30:27,529 --> 00:30:25,020

described

736

00:30:28,970 --> 00:30:27,539

well you know my mom I don't know if you

737

00:30:31,190 --> 00:30:28,980

guys remember this

738

00:30:33,830 --> 00:30:31,200

um if anybody ever knows about this

739

00:30:35,990 --> 00:30:33,840

there was a magazine called fate fake

740

00:30:37,430 --> 00:30:36,000

magazine and it was kind of like they

741

00:30:41,450 --> 00:30:37,440

had all kinds of stories in it about

742

00:30:44,090 --> 00:30:41,460

UFOs and uh paranormal and all that and

743

00:30:45,230 --> 00:30:44,100

she she read that from the time I could

744

00:30:48,110 --> 00:30:45,240

ever remember

745

00:30:50,029 --> 00:30:48,120

so she was interested in this and then

746

00:30:50,870 --> 00:30:50,039

of course she had the Georgia damski

747

00:30:54,889 --> 00:30:50,880

books

748

00:30:56,930 --> 00:30:54,899

and uh so after this experience she was

749

00:30:58,789 --> 00:30:56,940

a little bit more open about it with us

750

00:31:01,310 --> 00:30:58,799

but before that she would mention things

751
00:31:03,710 --> 00:31:01,320
that not really you know she I guess she

752
00:31:06,169 --> 00:31:03,720
was just testing the waters to see how

753
00:31:08,450 --> 00:31:06,179
responsive we were to it and after the

754
00:31:12,230 --> 00:31:08,460
ex after that experience because it was

755
00:31:14,750 --> 00:31:12,240
myself my mother and my stepfather

756
00:31:16,669 --> 00:31:14,760
and I think one one other one of my

757
00:31:18,590 --> 00:31:16,679
other sisters woke up I'm not sure which

758
00:31:19,850 --> 00:31:18,600
one but

759
00:31:22,490 --> 00:31:19,860
um

760
00:31:23,810 --> 00:31:22,500
after that we we talked about it uh

761
00:31:27,289 --> 00:31:23,820
quite a bit

762
00:31:29,389 --> 00:31:27,299
amongst ourselves more more so

763
00:31:31,909 --> 00:31:29,399

okay thank you for that

764

00:31:33,350 --> 00:31:31,919

all right um so yeah uh please uh tell

765

00:31:35,450 --> 00:31:33,360

us about dancing

766

00:31:37,669 --> 00:31:35,460

okay well

767

00:31:40,010 --> 00:31:37,679

um I'll just kind of presume that nobody

768

00:31:43,010 --> 00:31:40,020

uh that nobody out there really knows

769

00:31:46,310 --> 00:31:43,020

anything about housing dousing is a is a

770

00:31:48,049 --> 00:31:46,320

a way of being able to connect with your

771

00:31:50,330 --> 00:31:48,059

Divine self

772

00:31:51,370 --> 00:31:50,340

I look at it as a physical feedback

773

00:31:54,529 --> 00:31:51,380

system

774

00:31:57,470 --> 00:31:54,539

that you establish a a base of

775

00:32:00,590 --> 00:31:57,480

communication using uh you can use a

776
00:32:02,330 --> 00:32:00,600
pendulum I use dowsing rods they're like

777
00:32:04,909 --> 00:32:02,340
just basically

778
00:32:07,850 --> 00:32:04,919
um metal coat hangers that are shaped

779
00:32:10,010 --> 00:32:07,860
like a large L and I put the short end

780
00:32:11,990 --> 00:32:10,020
in my hands and they'll move back and

781
00:32:14,570 --> 00:32:12,000
forth they'll crisscross back and forth

782
00:32:17,269 --> 00:32:14,580
they'll go straight out and I

783
00:32:19,070 --> 00:32:17,279
established a protocol

784
00:32:22,490 --> 00:32:19,080
as to how we're going to communicate

785
00:32:24,889 --> 00:32:22,500
like okay and I when I first started I I

786
00:32:28,310 --> 00:32:24,899
crossed I physically crossed the the

787
00:32:30,649 --> 00:32:28,320
dowsing rods over each other like an ax

788
00:32:32,810 --> 00:32:30,659

and I said this is my yes

789

00:32:35,870 --> 00:32:32,820

and then I would put them completely out

790

00:32:38,810 --> 00:32:35,880

to the side and I said this is my no and

791

00:32:41,750 --> 00:32:38,820

then what I've done is my on my route

792

00:32:44,110 --> 00:32:41,760

right dowsing Rod I make that like a

793

00:32:46,250 --> 00:32:44,120

scale like you would have a scale for a

794

00:32:48,769 --> 00:32:46,260

an audio meter

795

00:32:51,350 --> 00:32:48,779

and the left one is like the needle that

796

00:32:54,470 --> 00:32:51,360

moves across a scale on audio meter so

797

00:32:57,169 --> 00:32:54,480

at the tip that would be 10 or 100 and

798

00:33:00,049 --> 00:32:57,179

all the way in would be like zero and

799

00:33:02,510 --> 00:33:00,059

that way I can say things like well what

800

00:33:05,930 --> 00:33:02,520

would be the level of effect on my body

801
00:33:09,049 --> 00:33:05,940
if I took 100 milligrams of this vitamin

802
00:33:11,990 --> 00:33:09,059
C right now and it could give me a level

803
00:33:14,090 --> 00:33:12,000
of that could be zero or if it goes to

804
00:33:16,669 --> 00:33:14,100
the other way where the left

805
00:33:18,230 --> 00:33:16,679
Rod stays straight out and the right one

806
00:33:19,310 --> 00:33:18,240
becomes the meter those are all negative

807
00:33:22,909 --> 00:33:19,320
numbers

808
00:33:26,210 --> 00:33:22,919
anything

809
00:33:29,930 --> 00:33:26,220
um but um I do get I either get zero or

810
00:33:32,930 --> 00:33:29,940
no sometimes but that's how I establish

811
00:33:34,009 --> 00:33:32,940
a communication system with my Divine

812
00:33:36,950 --> 00:33:34,019
self

813
00:33:38,750 --> 00:33:36,960

and some people use a pendulum and

814

00:33:41,269 --> 00:33:38,760

they'll have like a chart like a

815

00:33:43,610 --> 00:33:41,279

circular chart like a circle with with

816

00:33:45,830 --> 00:33:43,620

with concentric circles inside of it

817

00:33:48,049 --> 00:33:45,840

with numbers around them

818

00:33:50,090 --> 00:33:48,059

and they'll they'll hold the dowsing or

819

00:33:52,070 --> 00:33:50,100

a pendulum and it'll swing back and

820

00:33:54,110 --> 00:33:52,080

forth or it'll they'll ask a question it

821

00:33:56,810 --> 00:33:54,120

will start swinging towards a side of

822

00:33:59,389 --> 00:33:56,820

that uh chart and it would be an answer

823

00:34:01,730 --> 00:33:59,399

I've even seen charts where if you're

824

00:34:04,549 --> 00:34:01,740

going to douse problems for your car and

825

00:34:06,950 --> 00:34:04,559

it'll say transmission or say computer

826

00:34:08,450 --> 00:34:06,960

or whatever and it'll swing towards

827

00:34:10,129 --> 00:34:08,460

those things if you ask what's like

828

00:34:11,869 --> 00:34:10,139

what's the problem with my car right now

829

00:34:14,750 --> 00:34:11,879

and it might swing over towards computer

830

00:34:17,750 --> 00:34:14,760

and then you can start digging deeper as

831

00:34:20,990 --> 00:34:17,760

well what's the problem with that so uh

832

00:34:24,230 --> 00:34:21,000

that's that's a system of communicating

833

00:34:26,750 --> 00:34:24,240

with your Divine self

834

00:34:29,030 --> 00:34:26,760

um and getting a physical feedback and

835

00:34:32,570 --> 00:34:29,040

the same thing with tarot cards

836

00:34:34,669 --> 00:34:32,580

um Rune Stones all that is a way of

837

00:34:37,909 --> 00:34:34,679

getting establishing a communication

838

00:34:39,230 --> 00:34:37,919

system with your Divine self now the

839

00:34:40,310 --> 00:34:39,240

caveat here

840

00:34:45,829 --> 00:34:40,320

is

841

00:34:48,230 --> 00:34:45,839

um your Authority

842

00:34:50,450 --> 00:34:48,240

in other words when I first do started

843

00:34:53,389 --> 00:34:50,460

doing this I learned this from Walt

844

00:34:59,030 --> 00:34:53,399

woods and Walt Woods is the granddaddy

845

00:35:02,390 --> 00:34:59,040

uh dousing of our of our Uh current uh

846

00:35:04,250 --> 00:35:02,400

um dousing I guess dousing in the in our

847

00:35:06,290 --> 00:35:04,260

in our current time

848

00:35:08,210 --> 00:35:06,300

and he wrote a book called letter to

849

00:35:10,730 --> 00:35:08,220

Robin and you can look this up on the

850

00:35:12,410 --> 00:35:10,740

Internet put in Walt Woods letter to

851

00:35:15,710 --> 00:35:12,420

Robin it'll be the first thing that will

852

00:35:18,349 --> 00:35:15,720

pop up download it it's a PDF and what

853

00:35:21,490 --> 00:35:18,359

he does is he is he if you follow his

854

00:35:25,430 --> 00:35:21,500

procedure it is establishes a protocol

855

00:35:28,690 --> 00:35:25,440

as to who and what you are communicating

856

00:35:32,030 --> 00:35:28,700

with because when you start delving into

857

00:35:32,750 --> 00:35:32,040

dowsing or tarot cards or anything like

858

00:35:35,870 --> 00:35:32,760

this

859

00:35:38,510 --> 00:35:35,880

there's so much crap in the astral plane

860

00:35:40,670 --> 00:35:38,520

that will come in and jack with you and

861

00:35:43,370 --> 00:35:40,680

play like they're like their God or

862

00:35:45,770 --> 00:35:43,380

whatever you don't want that you don't

863

00:35:47,930 --> 00:35:45,780

want to deal with quote Angels you don't

864

00:35:50,810 --> 00:35:47,940

want to you don't want to deal with

865

00:35:53,329 --> 00:35:50,820

anything but the Divine you don't need

866

00:35:54,710 --> 00:35:53,339

to deal with angels Spirit guides none

867

00:35:56,870 --> 00:35:54,720

of this

868

00:35:58,970 --> 00:35:56,880

um my experience has been that those are

869

00:36:00,710 --> 00:35:58,980

your tip pardon

870

00:36:03,650 --> 00:36:00,720

nope I'm sorry I just had a little

871

00:36:06,109 --> 00:36:03,660

feedback I apologize go on oh okay yeah

872

00:36:07,970 --> 00:36:06,119

my experience has been those things are

873

00:36:10,970 --> 00:36:07,980

what I call archons

874

00:36:13,130 --> 00:36:10,980

they are beings that that kind of

875

00:36:15,170 --> 00:36:13,140

straddle our our reality and their

876

00:36:16,550 --> 00:36:15,180

reality and and they've been around for

877

00:36:19,490 --> 00:36:16,560

a very long time and they chat with

878

00:36:20,750 --> 00:36:19,500

people uh usually come it'll usually go

879

00:36:26,270 --> 00:36:20,760

to your demise

880

00:36:27,530 --> 00:36:26,280

but I I strictly stay with uh the divine

881

00:36:32,870 --> 00:36:27,540

um and

882

00:36:35,030 --> 00:36:32,880

Divine but uh some people say that you

883

00:36:38,089 --> 00:36:35,040

know they oh I I don't respect the

884

00:36:40,609 --> 00:36:38,099

Divine because of the way I I teach the

885

00:36:42,470 --> 00:36:40,619

stousing like um I'll give you an

886

00:36:44,990 --> 00:36:42,480

example like

887

00:36:48,890 --> 00:36:45,000

I may see something in the news about

888

00:36:51,230 --> 00:36:48,900

somebody that had something uh happened

889

00:36:54,230 --> 00:36:51,240

to them that was very debilitating maybe

890

00:36:57,050 --> 00:36:54,240

they were in a car accident

891

00:37:00,710 --> 00:36:57,060

so I would get out my dowsing rods and I

892

00:37:02,870 --> 00:37:00,720

would say divine this person right here

893

00:37:04,510 --> 00:37:02,880

I'm looking at on the internet they were

894

00:37:08,150 --> 00:37:04,520

in a car accident

895

00:37:10,430 --> 00:37:08,160

I want you to heal them from the top of

896

00:37:13,069 --> 00:37:10,440

their head to the bottom of their feet

897

00:37:15,050 --> 00:37:13,079

that they totally recover as if nothing

898

00:37:17,329 --> 00:37:15,060

ever happened to them

899

00:37:20,450 --> 00:37:17,339

I want you to do this now

900

00:37:24,710 --> 00:37:20,460

do what is necessary and appropriate for

901
00:37:26,030 --> 00:37:24,720
them now so be it thank you thank you

902
00:37:28,310 --> 00:37:26,040
thank you

903
00:37:30,410 --> 00:37:28,320
if you notice there's no groveling here

904
00:37:32,810 --> 00:37:30,420
there's no telling the universe or the

905
00:37:35,390 --> 00:37:32,820
Divine how to do it you just put out

906
00:37:38,690 --> 00:37:35,400
what what it is that you want

907
00:37:40,069 --> 00:37:38,700
and let it do what is appropriate and

908
00:37:42,050 --> 00:37:40,079
while I'm doing this I'm holding my

909
00:37:43,690 --> 00:37:42,060
dowsing rods and my dowsing rods will

910
00:37:46,550 --> 00:37:43,700
typically be in the yes position

911
00:37:48,650 --> 00:37:46,560
constantly and sometimes they'll they'll

912
00:37:51,650 --> 00:37:48,660
they'll keep they'll they'll bounce off

913
00:37:53,089 --> 00:37:51,660

my shoulders I'll keep bouncing like I I

914

00:37:55,370 --> 00:37:53,099

try to take it like I'm getting a high

915

00:37:57,770 --> 00:37:55,380

five on it or something but it's just

916

00:38:01,069 --> 00:37:57,780

telling me you're doing this right

917

00:38:02,870 --> 00:38:01,079

and I learned I I learned this because

918

00:38:05,930 --> 00:38:02,880

when I was a kid

919

00:38:08,510 --> 00:38:05,940

I had this Bible that was called the Red

920

00:38:12,349 --> 00:38:08,520

Letter Bible and it was all the words

921

00:38:15,710 --> 00:38:12,359

that quote Jesus in red letters

922

00:38:18,950 --> 00:38:15,720

and so I learned that when when he would

923

00:38:21,530 --> 00:38:18,960

go and heal somebody he didn't grovel or

924

00:38:24,470 --> 00:38:21,540

tell the universe how to do it

925

00:38:27,430 --> 00:38:24,480

um like an instance when uh Lazarus had

926

00:38:30,770 --> 00:38:27,440

been dead for three days and his family

927

00:38:33,410 --> 00:38:30,780

lazar's family called for Jesus to come

928

00:38:34,790 --> 00:38:33,420

and he had other things that he was

929

00:38:37,250 --> 00:38:34,800

doing when he got there the whole family

930

00:38:39,290 --> 00:38:37,260

was pissed you know I was like well you

931

00:38:41,030 --> 00:38:39,300

know it's glad you showed up I mean you

932

00:38:43,310 --> 00:38:41,040

know glad you got around coming to visit

933

00:38:44,510 --> 00:38:43,320

Lazarus you know he's dead he's been

934

00:38:45,710 --> 00:38:44,520

dead we got him in the Tomb he's been

935

00:38:47,690 --> 00:38:45,720

there three days

936

00:38:50,390 --> 00:38:47,700

and all he did was he turned he says

937

00:38:53,650 --> 00:38:50,400

Lazarus come forward and he did

938

00:38:56,770 --> 00:38:53,660

and it's it's how it's it's commanding

939

00:39:00,710 --> 00:38:56,780

the universe it's commanding this energy

940

00:39:03,530 --> 00:39:00,720

to do as you command it to do it's not

941

00:39:06,710 --> 00:39:03,540

an ego thing it's who we are our

942

00:39:09,710 --> 00:39:06,720

Divinity within us and I've developed

943

00:39:12,470 --> 00:39:09,720

this through the dowsing system the

944

00:39:14,750 --> 00:39:12,480

dowsing system for me was a way that I

945

00:39:17,030 --> 00:39:14,760

could I could get a feedback immediately

946

00:39:19,970 --> 00:39:17,040

to know that I'm on the right track

947

00:39:22,430 --> 00:39:19,980

and so I made a deal with the Divine I

948

00:39:24,410 --> 00:39:22,440

said well if there's people that need

949

00:39:26,089 --> 00:39:24,420

help or some situation that needs

950

00:39:28,730 --> 00:39:26,099

correct it then bring it to my attention

951
00:39:32,089 --> 00:39:28,740
and I will stop what I'm doing and I

952
00:39:34,790 --> 00:39:32,099
will do this and it's amazing uh it's

953
00:39:35,690 --> 00:39:34,800
been doing this and

954
00:39:37,490 --> 00:39:35,700
um

955
00:39:40,970 --> 00:39:37,500
I've been and here's the amazing thing

956
00:39:43,550 --> 00:39:40,980
I'll do I've done things like this and I

957
00:39:46,069 --> 00:39:43,560
just let it go I'm done and I say so be

958
00:39:47,930 --> 00:39:46,079
it make it so thank you thank you thank

959
00:39:50,510 --> 00:39:47,940
you I let it go

960
00:39:52,730 --> 00:39:50,520
and I might it might be two weeks later

961
00:39:54,950 --> 00:39:52,740
and I get some news and it's like that

962
00:39:57,290 --> 00:39:54,960
person that I had prayed for I find out

963
00:39:58,670 --> 00:39:57,300

that they recovered and so right there I

964

00:40:01,069 --> 00:39:58,680

just stopped what I'm doing and just say

965

00:40:03,170 --> 00:40:01,079

thank you divine thank you thank you

966

00:40:04,970 --> 00:40:03,180

thank you for doing this and then I I

967

00:40:08,450 --> 00:40:04,980

just go on I move on to the next thing

968

00:40:11,630 --> 00:40:08,460

and so the dowsing has helped me because

969

00:40:15,950 --> 00:40:11,640

it gives me that feedback that I need to

970

00:40:20,150 --> 00:40:18,349

well also um I think

971

00:40:22,069 --> 00:40:20,160

all right I forgot which one of the

972

00:40:23,630 --> 00:40:22,079

meetings it was because with it's at

973

00:40:26,150 --> 00:40:23,640

least before I moved to Arkansas there

974

00:40:28,370 --> 00:40:26,160

were what like three at least three

975

00:40:32,569 --> 00:40:28,380

meetings going on each month in San Luis

976

00:40:34,730 --> 00:40:32,579

and um uh some of them were very uh you

977

00:40:37,609 --> 00:40:34,740

know um very Hands-On you know that

978

00:40:39,170 --> 00:40:37,619

building uh copper pyramids uh doing all

979

00:40:41,270 --> 00:40:39,180

kinds of uh stuff that were actually

980

00:40:43,010 --> 00:40:41,280

like start testing some of these things

981

00:40:46,190 --> 00:40:43,020

we always only read about in the books

982

00:40:49,010 --> 00:40:46,200

and I think um uh one time I don't know

983

00:40:50,750 --> 00:40:49,020

if it was you or somebody else where

984

00:40:53,870 --> 00:40:50,760

um they didn't show okay this is how you

985

00:40:56,450 --> 00:40:53,880

hold the rods and uh this is what what

986

00:40:58,130 --> 00:40:56,460

actually is a feedback versus you just

987

00:40:59,870 --> 00:40:58,140

shifting your body and then the rods

988

00:41:01,730 --> 00:40:59,880

moving on their own you know because

989

00:41:04,069 --> 00:41:01,740

there there said when something specific

990

00:41:05,930 --> 00:41:04,079

happens it's very clear really like I

991

00:41:07,670 --> 00:41:05,940

didn't do anything why did it just you

992

00:41:10,490 --> 00:41:07,680

know especially what got me is when they

993

00:41:12,650 --> 00:41:10,500

go both the opposite directions the the

994

00:41:14,390 --> 00:41:12,660

one in the right goes right the one on

995

00:41:15,710 --> 00:41:14,400

the left goes left and it's like I

996

00:41:17,030 --> 00:41:15,720

didn't even move

997

00:41:19,250 --> 00:41:17,040

um but anyway that's always that's

998

00:41:21,109 --> 00:41:19,260

always interesting to kind of get that

999

00:41:22,670 --> 00:41:21,119

feedback because I think there's some

1000

00:41:25,190 --> 00:41:22,680

people out there that are very

1001
00:41:27,410 --> 00:41:25,200
enthusiastic about it and they just you

1002
00:41:28,970 --> 00:41:27,420
know get into let's say that subject and

1003
00:41:30,530 --> 00:41:28,980
then they get themselves in trouble

1004
00:41:32,750 --> 00:41:30,540
because they don't spend the time to

1005
00:41:34,550 --> 00:41:32,760
understand it more so then it's easily

1006
00:41:36,950 --> 00:41:34,560
debunked by just looking it's like hey

1007
00:41:39,349 --> 00:41:36,960
you're holding this wrong or hey um your

1008
00:41:41,569 --> 00:41:39,359
body postures this wave where it's bound

1009
00:41:43,310 --> 00:41:41,579
to go the certain direction you have to

1010
00:41:43,970 --> 00:41:43,320
truly you know

1011
00:41:47,270 --> 00:41:43,980
um

1012
00:41:49,370 --> 00:41:47,280
be kind of this this perfect vessel in a

1013
00:41:51,290 --> 00:41:49,380

way because then you know it actually

1014

00:41:53,810 --> 00:41:51,300

reacts to the things you ask it to do

1015

00:41:56,329 --> 00:41:53,820

you know if you're especially like

1016

00:41:58,010 --> 00:41:56,339

getting closer to one of the things I

1017

00:42:01,190 --> 00:41:58,020

think I was testing like getting closer

1018

00:42:03,290 --> 00:42:01,200

to an electrical outlet you know and it

1019

00:42:05,569 --> 00:42:03,300

was just nothing nothing and then opens

1020

00:42:07,609 --> 00:42:05,579

up because that field is kind of

1021

00:42:09,950 --> 00:42:07,619

you know be you know kind of coming

1022

00:42:12,050 --> 00:42:09,960

outwards from that outlet and I guess

1023

00:42:14,329 --> 00:42:12,060

that's how it registered to me that okay

1024

00:42:17,390 --> 00:42:14,339

this you know whatever it was projecting

1025

00:42:19,130 --> 00:42:17,400

it's starting you know at this point

1026

00:42:21,109 --> 00:42:19,140

mm-hmm

1027

00:42:23,990 --> 00:42:21,119

yes

1028

00:42:26,390 --> 00:42:24,000

um yeah I am

1029

00:42:28,190 --> 00:42:26,400

we we did have we were having quite a

1030

00:42:30,530 --> 00:42:28,200

few meetings in St Louis

1031

00:42:33,349 --> 00:42:30,540

um and I'm thinking about starting

1032

00:42:35,089 --> 00:42:33,359

another uh group that makes that makes

1033

00:42:37,010 --> 00:42:35,099

the monthly here and say once we have no

1034

00:42:39,109 --> 00:42:37,020

we have no doubting groups right now

1035

00:42:41,450 --> 00:42:39,119

that I know of I've not seen any

1036

00:42:44,210 --> 00:42:41,460

but um yes

1037

00:42:47,030 --> 00:42:44,220

um one of the things that uh I once I

1038

00:42:50,150 --> 00:42:47,040

really want to help people with is to

1039

00:42:53,030 --> 00:42:50,160

formulate in their mind

1040

00:42:56,210 --> 00:42:53,040

um their thinking patterns because with

1041

00:42:58,790 --> 00:42:56,220

dowsing the act the more accurate you

1042

00:43:00,950 --> 00:42:58,800

are in the question that you ask is the

1043

00:43:03,710 --> 00:43:00,960

more accurate the answer will be

1044

00:43:05,990 --> 00:43:03,720

the more vague you are or brought a

1045

00:43:08,809 --> 00:43:06,000

question you ask the broader the answer

1046

00:43:10,550 --> 00:43:08,819

will be and it and a lot of times you'll

1047

00:43:13,370 --> 00:43:10,560

not see the result

1048

00:43:15,349 --> 00:43:13,380

right one of the things uh a lot of

1049

00:43:16,970 --> 00:43:15,359

people may ask is will I make more money

1050

00:43:19,490 --> 00:43:16,980

this year

1051

00:43:21,710 --> 00:43:19,500

well that's a broad question

1052

00:43:24,410 --> 00:43:21,720

you would need to ask something more

1053

00:43:26,569 --> 00:43:24,420

like will I make at least 10 percent

1054

00:43:28,609 --> 00:43:26,579

more income this year than I made last

1055

00:43:31,790 --> 00:43:28,619

year now that would be a question to ask

1056

00:43:34,550 --> 00:43:31,800

that now it's measurable

1057

00:43:36,470 --> 00:43:34,560

um another thing I found is

1058

00:43:38,809 --> 00:43:36,480

um this is something that I use all the

1059

00:43:41,390 --> 00:43:38,819

time it's kind of like saying well X

1060

00:43:45,710 --> 00:43:41,400

happen in y amount of time in other

1061

00:43:48,470 --> 00:43:45,720

words would uh my friend James find a

1062

00:43:51,170 --> 00:43:48,480

job uh within

1063

00:43:53,690 --> 00:43:51,180

um six months where he makes at least

1064

00:43:55,670 --> 00:43:53,700

three thousand dollars a month you see

1065

00:43:57,050 --> 00:43:55,680

how that's that's a very specific

1066

00:43:59,210 --> 00:43:57,060

question

1067

00:44:01,930 --> 00:43:59,220

and if I ask what's the percentage of

1068

00:44:04,970 --> 00:44:01,940

probability of James finding a job

1069

00:44:07,010 --> 00:44:04,980

within three months uh within six months

1070

00:44:08,809 --> 00:44:07,020

making three thousand dollars it will

1071

00:44:12,890 --> 00:44:08,819

give me a percentage of that probability

1072

00:44:16,190 --> 00:44:12,900

if it's you what I found is anything 70

1073

00:44:17,030 --> 00:44:16,200

below 70 percent probably will not

1074

00:44:20,390 --> 00:44:17,040

happen

1075

00:44:21,770 --> 00:44:20,400

and anything 70 and above is a very good

1076

00:44:24,050 --> 00:44:21,780

chance it will happen

1077

00:44:26,829 --> 00:44:24,060

now there was there were situations

1078

00:44:29,630 --> 00:44:26,839

where I would ask the Divine questions

1079

00:44:33,589 --> 00:44:29,640

and it was very low

1080

00:44:36,829 --> 00:44:33,599

and I would say Okay Divine can you make

1081

00:44:38,450 --> 00:44:36,839

this happen can you bring this up to at

1082

00:44:40,010 --> 00:44:38,460

least you know can you bring this up to

1083

00:44:42,170 --> 00:44:40,020

100

1084

00:44:44,809 --> 00:44:42,180

and it will and and usually it will say

1085

00:44:47,750 --> 00:44:44,819

yes and then my next question is will

1086

00:44:51,589 --> 00:44:47,760

you do this if I ask you to do this yes

1087

00:44:53,750 --> 00:44:51,599

okay so then take and then Divine do

1088

00:44:57,470 --> 00:44:53,760

whatever is necessary and appropriate to

1089

00:45:00,950 --> 00:44:57,480

make the uh Corrections so that this can

1090

00:45:03,770 --> 00:45:00,960

be now brought to 100 percent

1091

00:45:05,569 --> 00:45:03,780

make it so thank you thank you thank you

1092

00:45:07,790 --> 00:45:05,579

and then I'll douse it again and I'll

1093

00:45:09,589 --> 00:45:07,800

say okay what's the percentage I'll go

1094

00:45:11,630 --> 00:45:09,599

right through that same question and

1095

00:45:14,030 --> 00:45:11,640

it's amazing and actually if I keep the

1096

00:45:16,190 --> 00:45:14,040

rods there I'll start seeing it the rods

1097

00:45:18,890 --> 00:45:16,200

start going up until it hits a certain

1098

00:45:20,270 --> 00:45:18,900

point and sometimes it'll hit a hundred

1099

00:45:22,550 --> 00:45:20,280

percent but a lot of times it'll get

1100

00:45:26,569 --> 00:45:22,560

around 90 and it'll just stop

1101

00:45:28,450 --> 00:45:26,579

so that that's that's how what I do to

1102

00:45:32,569 --> 00:45:28,460

take control of

1103

00:45:35,569 --> 00:45:32,579

my guess the environment around me so I

1104

00:45:38,870 --> 00:45:35,579

don't feel I don't feel like a victim to

1105

00:45:42,230 --> 00:45:38,880

life I feel like you know I can ask the

1106

00:45:44,870 --> 00:45:42,240

Divine if it will change things and make

1107

00:45:46,790 --> 00:45:44,880

it you know and make the corrections and

1108

00:45:49,430 --> 00:45:46,800

not just for myself but for other people

1109

00:45:53,329 --> 00:45:49,440

even people I don't even know

1110

00:45:55,490 --> 00:45:53,339

um and so but there is there there was

1111

00:45:59,089 --> 00:45:55,500

a couple of times Adnan where I asked

1112

00:46:02,329 --> 00:45:59,099

the Divine will you heal this person

1113

00:46:03,770 --> 00:46:02,339

it said no they're like well I mean that

1114

00:46:07,010 --> 00:46:03,780

was pretty devastating for me I mean

1115

00:46:09,230 --> 00:46:07,020

that was uh it wasn't an ego thing it

1116

00:46:11,150 --> 00:46:09,240

hurt it would be like if I if I knew

1117

00:46:12,589 --> 00:46:11,160

something was happening to you and I

1118

00:46:15,410 --> 00:46:12,599

asked them to mind to heal you and it

1119

00:46:17,630 --> 00:46:15,420

said no and that would be it would hurt

1120

00:46:18,710 --> 00:46:17,640

because you're somebody that I know and

1121

00:46:22,010 --> 00:46:18,720

care about

1122

00:46:23,390 --> 00:46:22,020

but I so I started delving into it

1123

00:46:25,550 --> 00:46:23,400

because I started getting these

1124

00:46:28,069 --> 00:46:25,560

impressions of questions to ask and it

1125

00:46:30,829 --> 00:46:28,079

was like oh I'm locked I'm getting

1126

00:46:32,569 --> 00:46:30,839

involved with their karma they have a

1127

00:46:35,210 --> 00:46:32,579

saying that they have to they have a

1128

00:46:38,030 --> 00:46:35,220

past that they have to go through

1129

00:46:40,309 --> 00:46:38,040

and by me getting involved with it and

1130

00:46:44,450 --> 00:46:40,319

putting this energy into it can would

1131

00:46:45,770 --> 00:46:44,460

disrupt the karma that they came to to

1132

00:46:48,849 --> 00:46:45,780

experience

1133

00:46:52,550 --> 00:46:48,859

so it's only happened a couple of times

1134

00:46:55,490 --> 00:46:52,560

but it the second time it happened it

1135

00:46:57,829 --> 00:46:55,500

was not as devastating as the first time

1136

00:47:00,710 --> 00:46:57,839

but now I understand why why it happens

1137

00:47:02,930 --> 00:47:00,720

it's not everything can be changed but

1138

00:47:06,170 --> 00:47:02,940

most things can most things can be

1139

00:47:08,089 --> 00:47:06,180

changed and you can do it through this I

1140

00:47:10,370 --> 00:47:08,099

call it a form of Prayer

1141

00:47:12,530 --> 00:47:10,380

I'm praying but I'm also getting

1142

00:47:14,390 --> 00:47:12,540

feedback at the same time so that I know

1143

00:47:16,370 --> 00:47:14,400

I'm on track with the direction I'm

1144

00:47:18,950 --> 00:47:16,380

taking the dowsing

1145

00:47:20,809 --> 00:47:18,960

you know that's it's very interesting

1146

00:47:24,170 --> 00:47:20,819

considering how

1147

00:47:25,010 --> 00:47:24,180

um how uh how far along thousand came

1148

00:47:27,530 --> 00:47:25,020

because

1149

00:47:29,750 --> 00:47:27,540

um I remember it was always talked about

1150

00:47:32,089 --> 00:47:29,760

Farmers using dowsing to help them find

1151

00:47:34,130 --> 00:47:32,099

water you know on the farm and where

1152

00:47:35,870 --> 00:47:34,140

they're going to dig the next well and

1153

00:47:37,970 --> 00:47:35,880

all that so that was always pretty

1154

00:47:39,710 --> 00:47:37,980

interesting and then going from that to

1155

00:47:41,150 --> 00:47:39,720

all the other applications that you had

1156

00:47:42,950 --> 00:47:41,160

just mentioned

1157

00:47:47,109 --> 00:47:42,960

um just real quick uh for those watching

1158

00:47:49,309 --> 00:47:47,119

so basically if um you would like to

1159

00:47:52,069 --> 00:47:49,319

come on and just share your story

1160

00:47:54,050 --> 00:47:52,079

because that's what open lines is for

1161

00:47:56,210 --> 00:47:54,060

um uh joint telegram that's going on

1162

00:47:58,550 --> 00:47:56,220

right now you can install it on your

1163

00:48:00,349 --> 00:47:58,560

phone or on the computer and then you

1164

00:48:02,630 --> 00:48:00,359

can join that group under the link

1165

00:48:05,210 --> 00:48:02,640

that's in the description below and so

1166

00:48:07,430 --> 00:48:05,220

that way I'll have you on my list and

1167

00:48:08,930 --> 00:48:07,440

you can tap a little button that looks

1168

00:48:10,730 --> 00:48:08,940

like a little person raising their hand

1169

00:48:14,690 --> 00:48:10,740

and that tells me that you would like to

1170

00:48:18,050 --> 00:48:14,700

come on and also then the general point

1171

00:48:21,290 --> 00:48:18,060

of open lines is always have guests on

1172

00:48:23,210 --> 00:48:21,300

that have either are famous or they've

1173

00:48:25,190 --> 00:48:23,220

published some books you know or and

1174

00:48:28,010 --> 00:48:25,200

whatnot and so people

1175

00:48:30,470 --> 00:48:28,020

um people have their own stories to tell

1176

00:48:32,569 --> 00:48:30,480

you know like I do and Michael has and

1177

00:48:34,730 --> 00:48:32,579

everyone else out there too and so

1178

00:48:36,710 --> 00:48:34,740

that's what uh when I have open lines

1179

00:48:38,930 --> 00:48:36,720

that's the whole point of that and so

1180

00:48:40,250 --> 00:48:38,940

sometimes during open lines uh people

1181

00:48:42,710 --> 00:48:40,260

share about many other different

1182

00:48:45,050 --> 00:48:42,720

subjects it's not always just UFO

1183

00:48:48,050 --> 00:48:45,060

related because UFO Hub at this point

1184

00:48:50,030 --> 00:48:48,060

I've you know covered Bigfoot uh you

1185

00:48:52,849 --> 00:48:50,040

know chupacabra they've been you know

1186

00:48:54,950 --> 00:48:52,859

cryptids in general uh ghosts I mean you

1187

00:48:56,569 --> 00:48:54,960

name it anything Supernatural and that's

1188

00:48:58,130 --> 00:48:56,579

what the channel over the years has

1189

00:48:59,569 --> 00:48:58,140

pretty much evolved to because at the

1190

00:49:02,329 --> 00:48:59,579

end of the day you realize that

1191

00:49:05,089 --> 00:49:02,339

everything is one and so that is the the

1192

00:49:06,890 --> 00:49:05,099

general point of open lines today so

1193

00:49:08,390 --> 00:49:06,900

Michael I'm sorry I just had to put that

1194

00:49:11,150 --> 00:49:08,400

out there real quick

1195

00:49:13,490 --> 00:49:11,160

um yeah so no uh were you going to add

1196

00:49:16,609 --> 00:49:13,500

something or or to what I was saying

1197

00:49:22,010 --> 00:49:16,619

about how far along uh dowsing has come

1198

00:49:28,490 --> 00:49:25,609

they do believe that you know um the

1199

00:49:30,170 --> 00:49:28,500

dowsing is kind of a voodoo kind of a

1200

00:49:32,870 --> 00:49:30,180

thing but

1201

00:49:35,270 --> 00:49:32,880

um the more I studied it the more I

1202

00:49:36,950 --> 00:49:35,280

found that like I said it's just a way

1203

00:49:39,530 --> 00:49:36,960

of community it's a communication tool

1204

00:49:42,470 --> 00:49:39,540

that's all it is but what I've what I

1205

00:49:44,809 --> 00:49:42,480

have experienced over the years now is

1206

00:49:46,970 --> 00:49:44,819

as I'm formulating the question in my

1207

00:49:49,250 --> 00:49:46,980

mind I'm already getting the answer and

1208

00:49:51,349 --> 00:49:49,260

I've got I'm getting an impression

1209

00:49:53,809 --> 00:49:51,359

and if I'm holding the dowsing rods the

1210

00:49:55,370 --> 00:49:53,819

Dallas like I'll get this impression and

1211

00:49:56,750 --> 00:49:55,380

I'll look down and the dowsing rods are

1212

00:49:59,809 --> 00:49:56,760

already moving in the direction I have

1213

00:50:04,609 --> 00:49:59,819

an impression of and I'm getting flashes

1214

00:50:07,250 --> 00:50:04,619

like a like a Daydream flash of images

1215

00:50:08,990 --> 00:50:07,260

um when I'm asking the question so what

1216

00:50:11,390 --> 00:50:09,000

it is what I think it is it's jump

1217

00:50:15,230 --> 00:50:11,400

starting your our intuition our

1218

00:50:16,609 --> 00:50:15,240

Clairvoyant abilities are whatever you

1219

00:50:19,609 --> 00:50:16,619

want to call it like like Penny Kelly

1220

00:50:23,809 --> 00:50:19,619

has she can actually see and hear

1221

00:50:26,630 --> 00:50:23,819

images and Visions so that's what I

1222

00:50:29,270 --> 00:50:26,640

think it is it's just the the dowsing is

1223

00:50:31,609 --> 00:50:29,280

just the training wheels for your

1224

00:50:33,170 --> 00:50:31,619

Consciousness to develop it's just a

1225

00:50:36,710 --> 00:50:33,180

means to an end it ain't an end in

1226

00:50:38,210 --> 00:50:36,720

itself right and you know uh actually it

1227

00:50:40,550 --> 00:50:38,220

was um

1228

00:50:42,829 --> 00:50:40,560

it was true true doubt you know because

1229

00:50:45,290 --> 00:50:42,839

a lot of us we always talk about

1230

00:50:46,309 --> 00:50:45,300

um uh spirits and Spirit guides and all

1231

00:50:48,170 --> 00:50:46,319

these different things that have been

1232

00:50:50,750 --> 00:50:48,180

covered by many different people not

1233

00:50:52,609 --> 00:50:50,760

necessarily just on this channel and a

1234

00:50:54,890 --> 00:50:52,619

lot of us always go okay that's cool and

1235

00:50:57,349 --> 00:50:54,900

then we we just kind of keep living our

1236

00:51:00,710 --> 00:50:57,359

lives without really taking that taking

1237

00:51:02,270 --> 00:51:00,720

that seriously right and dousing

1238

00:51:04,190 --> 00:51:02,280

especially when you have that kind of

1239

00:51:06,230 --> 00:51:04,200

interaction it's more of a physical

1240

00:51:07,309 --> 00:51:06,240

thing that you can see that you there's

1241

00:51:09,710 --> 00:51:07,319

something out there that you're

1242

00:51:10,790 --> 00:51:09,720

interacting with and so what's

1243

00:51:13,609 --> 00:51:10,800

interesting

1244

00:51:17,390 --> 00:51:13,619

um I took it uh this was

1245

00:51:19,609 --> 00:51:17,400

not that long after after the um uh the

1246

00:51:21,829 --> 00:51:19,619

the meetings and and when I kind of

1247

00:51:25,069 --> 00:51:21,839

became aware of dowsing I kind of

1248

00:51:27,049 --> 00:51:25,079

started like a similar thing but

1249

00:51:30,290 --> 00:51:27,059

um I used this is gonna sound weird I

1250

00:51:32,329 --> 00:51:30,300

kind of used my face so what I'm what

1251

00:51:34,250 --> 00:51:32,339

I'm gonna say about that is um so

1252

00:51:36,950 --> 00:51:34,260

basically if I'm about to do something

1253

00:51:38,809 --> 00:51:36,960

I'm not you know fully aware of like

1254

00:51:40,670 --> 00:51:38,819

maybe should I do it should I not and

1255

00:51:43,609 --> 00:51:40,680

all these other things and I trust that

1256

00:51:45,230 --> 00:51:43,619

we have spare guides around us right I

1257

00:51:47,450 --> 00:51:45,240

keep you know talking to people that say

1258

00:51:49,490 --> 00:51:47,460

they are having had the experiences that

1259

00:51:51,829 --> 00:51:49,500

I have and knowing that that's the case

1260

00:51:54,829 --> 00:51:51,839

you know it's like why haven't I kind of

1261

00:51:56,569 --> 00:51:54,839

engaged in a conversation in a way not

1262

00:51:57,829 --> 00:51:56,579

like talking to yourself you know to

1263

00:52:00,410 --> 00:51:57,839

where everyone else kind of looks at you

1264

00:52:02,569 --> 00:52:00,420

like you're crazy but um going back to

1265

00:52:03,530 --> 00:52:02,579

what I was saying I would just for

1266

00:52:05,390 --> 00:52:03,540

example

1267

00:52:07,010 --> 00:52:05,400

um a lot of times when I noticed that

1268

00:52:10,250 --> 00:52:07,020

something was around me

1269

00:52:13,069 --> 00:52:10,260

um I would just feel like a a very

1270

00:52:15,710 --> 00:52:13,079

strong tingle on the surface of my skin

1271

00:52:18,710 --> 00:52:15,720

it almost almost feel like a like little

1272

00:52:20,750 --> 00:52:18,720

pricks of needles you know and um

1273

00:52:22,910 --> 00:52:20,760

basically then every time then I would

1274

00:52:25,069 --> 00:52:22,920

about to do something and I would like

1275

00:52:27,230 --> 00:52:25,079

to have an interaction and get get an

1276

00:52:28,430 --> 00:52:27,240

answer I would just just kind of in my

1277

00:52:30,410 --> 00:52:28,440

head say

1278

00:52:31,970 --> 00:52:30,420

um should I be doing this right now you

1279

00:52:35,150 --> 00:52:31,980

know should I you know whatever but it

1280

00:52:37,910 --> 00:52:35,160

would be like a to come down to a yes or

1281

00:52:39,710 --> 00:52:37,920

no type answer and then I would say you

1282

00:52:41,690 --> 00:52:39,720

know basically just

1283

00:52:44,210 --> 00:52:41,700

um like basically tickle the right my

1284

00:52:46,609 --> 00:52:44,220

right cheek and then or no for tickle of

1285

00:52:48,829 --> 00:52:46,619

my left cheek and then basically soon

1286

00:52:50,870 --> 00:52:48,839

after maybe about five seconds I would

1287

00:52:52,370 --> 00:52:50,880

just feel like an intense you know

1288

00:52:55,190 --> 00:52:52,380

intense like

1289

00:52:57,589 --> 00:52:55,200

like something is just kind of Taken

1290

00:52:59,450 --> 00:52:57,599

like an electrical brush over my face it

1291

00:53:01,130 --> 00:52:59,460

will be one side or the other and I

1292

00:53:02,809 --> 00:53:01,140

would just be like okay and I would just

1293

00:53:04,910 --> 00:53:02,819

move on but I think it's important to

1294

00:53:07,130 --> 00:53:04,920

understand is that we're here to live

1295

00:53:09,470 --> 00:53:07,140

our own lives and make the decisions and

1296

00:53:11,630 --> 00:53:09,480

just basically whatever decisions ends

1297

00:53:13,849 --> 00:53:11,640

up being to just still stick with it you

1298

00:53:15,049 --> 00:53:13,859

know because it's no life either if you

1299

00:53:17,150 --> 00:53:15,059

literally I mean I've literally known

1300

00:53:19,849 --> 00:53:17,160

people it's like should I eat this salad

1301
00:53:22,069 --> 00:53:19,859
yes or no and they try to do a pendulum

1302
00:53:23,630 --> 00:53:22,079
you know or should I do this and they're

1303
00:53:25,250 --> 00:53:23,640
like everything everything they do is

1304
00:53:26,630 --> 00:53:25,260
just bending like should I go left on

1305
00:53:28,849 --> 00:53:26,640
the highway I'm like are you kidding me

1306
00:53:31,490 --> 00:53:28,859
now you know it was just taking it too

1307
00:53:34,190 --> 00:53:31,500
far you know but important things for me

1308
00:53:36,770 --> 00:53:34,200
you know we're quite literally like the

1309
00:53:38,870 --> 00:53:36,780
big things like you know buying buying a

1310
00:53:40,010 --> 00:53:38,880
house and the way I even found out

1311
00:53:42,890 --> 00:53:40,020
um

1312
00:53:45,170 --> 00:53:42,900
uh Robertsville house before I was

1313
00:53:48,170 --> 00:53:45,180

looking I must have looked at least six

1314

00:53:50,569 --> 00:53:48,180

seven different houses and you know same

1315

00:53:54,470 --> 00:53:50,579

thing with the with coins right it's

1316

00:53:57,470 --> 00:53:54,480

also a way to to you know heads for yes

1317

00:53:59,510 --> 00:53:57,480

tails for no and that's why a lot of

1318

00:54:01,490 --> 00:53:59,520

times when we want want to help decide

1319

00:54:03,650 --> 00:54:01,500

and my wife and I would do it all the

1320

00:54:05,510 --> 00:54:03,660

time because it's been always my habit

1321

00:54:07,849 --> 00:54:05,520

but when you know where should we go and

1322

00:54:09,109 --> 00:54:07,859

we can't decide so we say Okay heads for

1323

00:54:11,150 --> 00:54:09,119

this restaurant tales for that

1324

00:54:13,849 --> 00:54:11,160

restaurant but anyway Robertsville house

1325

00:54:15,349 --> 00:54:13,859

was the same thing I found a house and

1326
00:54:18,530 --> 00:54:15,359
it was pretty good I was already getting

1327
00:54:20,270 --> 00:54:18,540
tired of looking and I was just I was

1328
00:54:21,650 --> 00:54:20,280
kind of debating like I was about to

1329
00:54:22,970 --> 00:54:21,660
just put an offer on the house and just

1330
00:54:26,030 --> 00:54:22,980
kind of stick with this it's like what's

1331
00:54:28,309 --> 00:54:26,040
the point of keep going you know and um

1332
00:54:31,670 --> 00:54:28,319
so anyway so I just started for a second

1333
00:54:33,589 --> 00:54:31,680
I said should I should I go look at that

1334
00:54:35,930 --> 00:54:33,599
next house would it be beneficial to me

1335
00:54:39,170 --> 00:54:35,940
to look at the next house uh hats you

1336
00:54:41,329 --> 00:54:39,180
know um yes heads for yes tails for no

1337
00:54:42,950 --> 00:54:41,339
and I flipped the coin and sure enough

1338
00:54:45,470 --> 00:54:42,960

it fell on yes I was like all right then

1339

00:54:47,329 --> 00:54:45,480

I will do one more and that's it and

1340

00:54:49,370 --> 00:54:47,339

sure enough as I'm approaching the

1341

00:54:52,790 --> 00:54:49,380

property I was like this is it I know

1342

00:54:54,589 --> 00:54:52,800

for a fact this is it you know and so

1343

00:54:56,390 --> 00:54:54,599

that was a decision because I was

1344

00:54:57,710 --> 00:54:56,400

already pretty heavily set about just

1345

00:54:59,030 --> 00:54:57,720

going with that house because I was just

1346

00:55:00,589 --> 00:54:59,040

tired you know it's like how many more

1347

00:55:02,809 --> 00:55:00,599

are we going to be looking it was

1348

00:55:05,809 --> 00:55:02,819

dragging on for weeks too uh going

1349

00:55:08,089 --> 00:55:05,819

actually close close to to a month and

1350

00:55:10,010 --> 00:55:08,099

so those kind of things is what I'm

1351
00:55:12,410 --> 00:55:10,020
talking about not not quite literally

1352
00:55:14,870 --> 00:55:12,420
every step of the way to you know please

1353
00:55:16,250 --> 00:55:14,880
tell me what to do type thing

1354
00:55:19,790 --> 00:55:16,260
mm-hmm

1355
00:55:22,609 --> 00:55:19,800
yes yeah yeah I I know what you mean

1356
00:55:26,690 --> 00:55:22,619
I've seen the same thing and

1357
00:55:30,349 --> 00:55:26,700
um I do I do rely on guidance

1358
00:55:32,809 --> 00:55:30,359
and I get I I get it's to me it's an

1359
00:55:35,809 --> 00:55:32,819
impression I feel an overall impression

1360
00:55:37,430 --> 00:55:35,819
yeah I know when I'm doing something I'm

1361
00:55:40,130 --> 00:55:37,440
going in the wrong direction and I know

1362
00:55:42,470 --> 00:55:40,140
when I'm going in the right direction

1363
00:55:45,650 --> 00:55:42,480

um but I do uh like you were saying I do

1364

00:55:48,530 --> 00:55:45,660

douse I think I douse more for right now

1365

00:55:51,230 --> 00:55:48,540

I've been dousing more for healing

1366

00:55:54,230 --> 00:55:51,240

um for giving people the help aid and

1367

00:55:56,030 --> 00:55:54,240

assistance that they need

1368

00:55:57,230 --> 00:55:56,040

um that's why I've been I guess I've

1369

00:55:59,990 --> 00:55:57,240

been doing that for the past three years

1370

00:56:01,130 --> 00:56:00,000

since this this quote epidemic thing has

1371

00:56:03,290 --> 00:56:01,140

come about

1372

00:56:04,549 --> 00:56:03,300

and um

1373

00:56:07,569 --> 00:56:04,559

but

1374

00:56:11,930 --> 00:56:07,579

um overall I could say that I feel

1375

00:56:15,349 --> 00:56:11,940

uh more confident in relying on the

1376

00:56:18,530 --> 00:56:15,359

inner the Divinity Within to guide me

1377

00:56:20,870 --> 00:56:18,540

and what you just expressed uh Adnan I

1378

00:56:23,690 --> 00:56:20,880

experienced almost the same thing I mean

1379

00:56:26,150 --> 00:56:23,700

right you you gotta it's like what seek

1380

00:56:28,010 --> 00:56:26,160

and you will find it doesn't say sit on

1381

00:56:31,490 --> 00:56:28,020

your couch and pray and it'll it'll flop

1382

00:56:34,670 --> 00:56:31,500

in your lap yeah so so

1383

00:56:35,809 --> 00:56:34,680

um I I get it my wife and I did the same

1384

00:56:38,089 --> 00:56:35,819

thing with the house we're living in

1385

00:56:38,890 --> 00:56:38,099

right now we looked at about a hundred

1386

00:56:43,370 --> 00:56:38,900

houses

1387

00:56:45,049 --> 00:56:43,380

oh wow yeah yeah because we had uh We've

1388

00:56:47,329 --> 00:56:45,059

set out we well we wrote down exactly

1389

00:56:51,290 --> 00:56:47,339

what we wanted how we wanted to have it

1390

00:56:53,089 --> 00:56:51,300

financed the whole thing so uh when I

1391

00:56:56,690 --> 00:56:53,099

saw it I knew right there this is it

1392

00:56:59,930 --> 00:56:56,700

this is the house and within about less

1393

00:57:01,790 --> 00:56:59,940

than a week we ended up getting it so uh

1394

00:57:04,730 --> 00:57:01,800

but when you're when you're in that

1395

00:57:06,470 --> 00:57:04,740

Groove when you're in that Harmony it

1396

00:57:08,390 --> 00:57:06,480

just it's amazing how things will just

1397

00:57:10,849 --> 00:57:08,400

fall into place they'll start coming

1398

00:57:13,190 --> 00:57:10,859

together for you and

1399

00:57:15,290 --> 00:57:13,200

um one of the things I did while

1400

00:57:18,290 --> 00:57:15,300

um we were looking for the house I told

1401
00:57:19,849 --> 00:57:18,300
her you know I I well my wife too but I

1402
00:57:22,730 --> 00:57:19,859
was doing some dowsing and I said look

1403
00:57:26,569 --> 00:57:22,740
divine you know if this isn't the house

1404
00:57:29,089 --> 00:57:26,579
for us then then make it very succinct

1405
00:57:31,609 --> 00:57:29,099
to stop us from getting it do not let

1406
00:57:33,829 --> 00:57:31,619
this deal go through do not block it do

1407
00:57:36,349 --> 00:57:33,839
whatever you have to but do not let this

1408
00:57:38,150 --> 00:57:36,359
deal go through and it was like it was

1409
00:57:40,130 --> 00:57:38,160
just like putting grease on a slide man

1410
00:57:42,230 --> 00:57:40,140
it just kept we just kept moving forward

1411
00:57:44,990 --> 00:57:42,240
faster and faster with the deal

1412
00:57:47,270 --> 00:57:45,000
and it wasn't and it and it was truly

1413
00:57:49,370 --> 00:57:47,280

from the heart I truly meant it if I

1414

00:57:51,710 --> 00:57:49,380

mean as much as we wanted this house we

1415

00:57:54,650 --> 00:57:51,720

thought it was perfect but if it was not

1416

00:57:56,930 --> 00:57:54,660

what the Divine wanted us to be boom we

1417

00:58:00,109 --> 00:57:56,940

we were willing to move on after looking

1418

00:58:01,069 --> 00:58:00,119

at a hundred houses oh gosh and it

1419

00:58:02,569 --> 00:58:01,079

turned out

1420

00:58:04,309 --> 00:58:02,579

so

1421

00:58:05,569 --> 00:58:04,319

um there's one other thing I wanted to

1422

00:58:07,790 --> 00:58:05,579

mention

1423

00:58:10,309 --> 00:58:07,800

um about dowsing

1424

00:58:12,109 --> 00:58:10,319

and I learned this from I think it was

1425

00:58:14,089 --> 00:58:12,119

Walt Woods

1426
00:58:15,410 --> 00:58:14,099
um there's also a guy named Raymond

1427
00:58:17,150 --> 00:58:15,420
Grace

1428
00:58:19,069 --> 00:58:17,160
and there's also

1429
00:58:23,510 --> 00:58:19,079
um Ellie Drew these are three people

1430
00:58:26,089 --> 00:58:23,520
that really gave me a good guidance

1431
00:58:29,329 --> 00:58:26,099
um in connecting with that Divinity

1432
00:58:33,049 --> 00:58:29,339
within and this was when we moved into

1433
00:58:34,250 --> 00:58:33,059
this house I set up and put a filter on

1434
00:58:38,690 --> 00:58:34,260
the house

1435
00:58:40,370 --> 00:58:38,700
that any food beverage or any substance

1436
00:58:41,630 --> 00:58:40,380
that would come in contact with our

1437
00:58:44,270 --> 00:58:41,640
physical body

1438
00:58:46,370 --> 00:58:44,280

that it would be purified and that it

1439

00:58:49,670 --> 00:58:46,380

would be blessed and that it would

1440

00:58:51,710 --> 00:58:49,680

nourish our bodies and it would be uh uh

1441

00:58:54,589 --> 00:58:51,720

like a like healing to us

1442

00:58:57,349 --> 00:58:54,599

and that this should stay in effect

1443

00:58:59,630 --> 00:58:57,359

for as long as his house would exist

1444

00:59:02,450 --> 00:58:59,640

and it's amazing

1445

00:59:04,549 --> 00:59:02,460

um we uh we get people to come over here

1446

00:59:06,230 --> 00:59:04,559

and they go wow Michael it just feels

1447

00:59:08,569 --> 00:59:06,240

really great over here you know it's

1448

00:59:11,930 --> 00:59:08,579

like there's like a good energy about us

1449

00:59:14,210 --> 00:59:11,940

and and I and I that's what I I put I

1450

00:59:16,370 --> 00:59:14,220

give the credit to is what the Divine is

1451
00:59:19,190 --> 00:59:16,380
doing it's blessing the environment it's

1452
00:59:21,349 --> 00:59:19,200
but the key was I was working with my

1453
00:59:23,870 --> 00:59:21,359
friend Faith for a while on this and and

1454
00:59:25,309 --> 00:59:23,880
we were always doing the blessing of the

1455
00:59:27,410 --> 00:59:25,319
food and the blessing of the home and

1456
00:59:30,170 --> 00:59:27,420
all this but we weren't getting the kind

1457
00:59:32,030 --> 00:59:30,180
of results we wanted and we both came up

1458
00:59:35,150 --> 00:59:32,040
with this about the same time it's like

1459
00:59:38,270 --> 00:59:35,160
you know we left the step out which was

1460
00:59:41,150 --> 00:59:38,280
you must have it purified first

1461
00:59:43,130 --> 00:59:41,160
purify whatever the substance is and

1462
00:59:47,630 --> 00:59:43,140
then have it blessed because it takes

1463
00:59:50,809 --> 00:59:47,640

out all the noxics Noxious energies or

1464

00:59:53,750 --> 00:59:50,819

anoxic substance that's in it removes it

1465

00:59:56,930 --> 00:59:53,760

or neutralizes it and then enhances the

1466

00:59:58,430 --> 00:59:56,940

beneficial energies in there and

1467

00:59:59,630 --> 00:59:58,440

um I've experienced that same thing with

1468

01:00:02,750 --> 00:59:59,640

your automobile

1469

01:00:05,030 --> 01:00:02,760

your bank account your job the people at

1470

01:00:06,849 --> 01:00:05,040

your job you can do this same thing

1471

01:00:09,950 --> 01:00:06,859

wherever you are

1472

01:00:13,849 --> 01:00:09,960

you can actually one of the things that

1473

01:00:16,849 --> 01:00:13,859

I have done is I've put up a 500 foot

1474

01:00:20,030 --> 01:00:16,859

spherical energy field around the house

1475

01:00:22,430 --> 01:00:20,040

around ourselves and around our property

1476

01:00:25,730 --> 01:00:22,440

so wherever we go everything and

1477

01:00:28,849 --> 01:00:25,740

everyone within that sphere is safe

1478

01:00:30,289 --> 01:00:28,859

and it's amazing how you just we go out

1479

01:00:32,870 --> 01:00:30,299

in public and people are just so

1480

01:00:35,690 --> 01:00:32,880

friendly and nice and you know you just

1481

01:00:37,910 --> 01:00:35,700

it's just a nice it's just a nice energy

1482

01:00:40,490 --> 01:00:37,920

that that we get to bring with us

1483

01:00:43,190 --> 01:00:40,500

wherever we go and when I doubt I was

1484

01:00:45,650 --> 01:00:43,200

dousing this as I was requesting this to

1485

01:00:47,750 --> 01:00:45,660

be done and it was just giving me this

1486

01:00:48,890 --> 01:00:47,760

like yeah you know this high this high

1487

01:00:51,289 --> 01:00:48,900

five on this

1488

01:00:53,270 --> 01:00:51,299

so anybody can do this you don't have to

1489

01:00:55,430 --> 01:00:53,280

be a dowser just ask the Divine to do

1490

01:00:58,190 --> 01:00:55,440

this and that it should be continually

1491

01:01:01,069 --> 01:00:58,200

in effect for long as it's necessary and

1492

01:01:03,289 --> 01:01:01,079

appropriate to do so

1493

01:01:06,049 --> 01:01:03,299

great thank you for for explaining that

1494

01:01:08,870 --> 01:01:06,059

well Michael um can I ask you one more

1495

01:01:10,789 --> 01:01:08,880

question from silky B and I think um we

1496

01:01:13,130 --> 01:01:10,799

got a pretty good covered um because

1497

01:01:15,230 --> 01:01:13,140

there's James uh that also wanted to

1498

01:01:16,549 --> 01:01:15,240

come through and um you know of course

1499

01:01:18,109 --> 01:01:16,559

if you have anything else to share

1500

01:01:19,970 --> 01:01:18,119

please let me know

1501

01:01:22,069 --> 01:01:19,980

um but if it's okay with you I will also

1502

01:01:23,329 --> 01:01:22,079

like to extend the float to James too is

1503

01:01:26,390 --> 01:01:23,339

that okay

1504

01:01:29,030 --> 01:01:26,400

yeah that's great all right so silky B

1505

01:01:32,870 --> 01:01:29,040

is asking what is the evil trade-off for

1506

01:01:33,829 --> 01:01:32,880

alien technology reptilians the evil

1507

01:01:35,450 --> 01:01:33,839

trade-off

1508

01:01:37,549 --> 01:01:35,460

yeah

1509

01:01:39,770 --> 01:01:37,559

oh well

1510

01:01:41,450 --> 01:01:39,780

um you know there it's like anything in

1511

01:01:43,549 --> 01:01:41,460

the universe there's good there's good

1512

01:01:45,589 --> 01:01:43,559

and evil everywhere

1513

01:01:48,650 --> 01:01:45,599

um you know there's good there's good

1514

01:01:51,410 --> 01:01:48,660

reptilians and there's evil reptilians

1515

01:01:53,809 --> 01:01:51,420

um it's just a matter right now from

1516

01:01:56,270 --> 01:01:53,819

what my dowsing is we're up to our

1517

01:02:00,829 --> 01:01:56,280

eyebrows here on Earth in the evil ones

1518

01:02:03,109 --> 01:02:00,839

but there are good beings who are

1519

01:02:04,849 --> 01:02:03,119

um I guess you would say the best way to

1520

01:02:08,270 --> 01:02:04,859

describe it is is that they are putting

1521

01:02:12,109 --> 01:02:08,280

out good intentions our prayers towards

1522

01:02:14,450 --> 01:02:12,119

us as as mankind to lift ourselves out

1523

01:02:16,130 --> 01:02:14,460

of this uh form of slavery that we've

1524

01:02:17,990 --> 01:02:16,140

all been put in

1525

01:02:21,530 --> 01:02:18,000

um and

1526

01:02:24,109 --> 01:02:21,540

um I would say just be aware that that

1527

01:02:26,930 --> 01:02:24,119

the we'll call him the evil reptilians

1528

01:02:28,970 --> 01:02:26,940

are the evil aliens are there but just

1529

01:02:30,410 --> 01:02:28,980

be aware that it's there it's like

1530

01:02:32,750 --> 01:02:30,420

walking through the woods and knowing

1531

01:02:34,910 --> 01:02:32,760

that maybe there's wolves or bears in

1532

01:02:37,490 --> 01:02:34,920

the world in the woods but you're not

1533

01:02:39,230 --> 01:02:37,500

going to shut your life down because

1534

01:02:41,270 --> 01:02:39,240

they're there you're going to be you're

1535

01:02:44,630 --> 01:02:41,280

going to act cautiously

1536

01:02:47,870 --> 01:02:44,640

but when you are confronted stand on

1537

01:02:51,950 --> 01:02:50,390

okay well Michael thank you very much

1538

01:02:53,690 --> 01:02:51,960

again you know I really really

1539

01:02:57,049 --> 01:02:53,700

appreciate it always love having you on

1540

01:02:59,630 --> 01:02:57,059

I'm sorry it took a year for uh to for

1541

01:03:02,089 --> 01:02:59,640

you come back but um yeah you know just

1542

01:03:04,010 --> 01:03:02,099

like it's a perfect example the same way

1543

01:03:06,289 --> 01:03:04,020

that you and I have stories and everyone

1544

01:03:08,930 --> 01:03:06,299

else out there you know people just need

1545

01:03:11,210 --> 01:03:08,940

to share them more and make that to be

1546

01:03:13,730 --> 01:03:11,220

that new normal as they call it you know

1547

01:03:16,069 --> 01:03:13,740

to just do you realize that this weird

1548

01:03:18,650 --> 01:03:16,079

thing going on in life is uh you know

1549

01:03:19,309 --> 01:03:18,660

happening for everybody and and why kind

1550

01:03:21,109 --> 01:03:19,319

of

1551

01:03:22,490 --> 01:03:21,119

you hide it when you can share it

1552

01:03:24,109 --> 01:03:22,500

because you never know who else had

1553

01:03:25,630 --> 01:03:24,119

experiences like you

1554

01:03:28,430 --> 01:03:25,640

yeah

1555

01:03:32,089 --> 01:03:28,440

well you know it's it's been a it's been

1556

01:03:34,069 --> 01:03:32,099

a a real uh roller coaster ride since

1557

01:03:35,690 --> 01:03:34,079

that night at the drive-in because

1558

01:03:38,450 --> 01:03:35,700

that's when things really began to

1559

01:03:41,210 --> 01:03:38,460

change in my life and uh and it still is

1560

01:03:43,670 --> 01:03:41,220

and and I'm thankful for it

1561

01:03:46,010 --> 01:03:43,680

um a friend of mine he told me I had

1562

01:03:48,349 --> 01:03:46,020

explained this to him that when I saw at

1563

01:03:50,990 --> 01:03:48,359

the drive-in and he said more than

1564

01:03:53,450 --> 01:03:51,000

likely what that what these ships were

1565

01:03:55,309 --> 01:03:53,460

doing in the sky they were using a

1566

01:03:57,530 --> 01:03:55,319

three-dimensional alphabet

1567

01:03:59,870 --> 01:03:57,540

and they were communicating to your

1568

01:04:02,450 --> 01:03:59,880

subconscious and it triggered you and

1569

01:04:05,030 --> 01:04:02,460

probably a lot of other people and when

1570

01:04:07,069 --> 01:04:05,040

he said that it was like wow it was just

1571

01:04:09,470 --> 01:04:07,079

something inside of me said yep Gene was

1572

01:04:11,210 --> 01:04:09,480

right on that you know it's a it was

1573

01:04:13,490 --> 01:04:11,220

they were using a three-dimensional

1574

01:04:17,089 --> 01:04:13,500

alphabet in the sky and they were

1575

01:04:19,609 --> 01:04:17,099

triggering us to wake up right and

1576

01:04:22,490 --> 01:04:19,619

and that's that's the good guys

1577

01:04:27,289 --> 01:04:22,500

right

1578

01:04:29,390 --> 01:04:27,299

do you have any uh final words closing

1579

01:04:32,690 --> 01:04:29,400

words you'd like to leave us with

1580

01:04:35,510 --> 01:04:32,700

well if if anybody's interested in in

1581

01:04:37,309 --> 01:04:35,520

learning more about dowsing I was

1582

01:04:41,030 --> 01:04:37,319

telling you about well we just do a

1583

01:04:43,789 --> 01:04:41,040

search for Walt Woods and his uh book

1584

01:04:45,890 --> 01:04:43,799

called A letter to Robin

1585

01:04:49,089 --> 01:04:45,900

um another one is Raymond Grace which is

1586

01:04:54,349 --> 01:04:52,130

g-r-a-c-e.com Raymond Grace Raymond's

1587

01:04:56,750 --> 01:04:54,359

really he's a he's a really interesting

1588

01:04:58,190 --> 01:04:56,760

character I really like Raymond

1589

01:05:01,069 --> 01:04:58,200

um he's got some really good stories

1590

01:05:04,250 --> 01:05:01,079

about exercising

1591

01:05:06,410 --> 01:05:04,260

um uh um uh entities out of homes and

1592

01:05:07,670 --> 01:05:06,420

stuff that are uh I guess you would call

1593

01:05:10,849 --> 01:05:07,680

them hauntings

1594

01:05:13,430 --> 01:05:10,859

and then Ellie Drew Ellie Drew is she

1595

01:05:15,109 --> 01:05:13,440

does douse but her thing is about

1596

01:05:19,130 --> 01:05:15,119

clearing out

1597

01:05:21,530 --> 01:05:19,140

um this um uh these um connections that

1598

01:05:23,930 --> 01:05:21,540

we have with other people through

1599

01:05:25,910 --> 01:05:23,940

um maybe past life or this life where

1600

01:05:28,069 --> 01:05:25,920

you've had experiences with somebody

1601
01:05:31,069 --> 01:05:28,079
that was maybe traumatic and things like

1602
01:05:33,589 --> 01:05:31,079
that and releasing these uh these

1603
01:05:35,089 --> 01:05:33,599
connections so at freesia so those were

1604
01:05:37,609 --> 01:05:35,099
those were three people that I've

1605
01:05:40,430 --> 01:05:37,619
learned a lot from and

1606
01:05:42,710 --> 01:05:40,440
um and it's helped me a great deal and I

1607
01:05:45,410 --> 01:05:42,720
hope you guys check it out

1608
01:05:47,270 --> 01:05:45,420
all right well Michael great great to

1609
01:05:49,370 --> 01:05:47,280
talk to you again thank you you know and

1610
01:05:51,049 --> 01:05:49,380
and we'll chat you uh have your number

1611
01:05:53,410 --> 01:05:51,059
and I gotta call you one of these days

1612
01:05:56,030 --> 01:05:53,420
I'm sorry I haven't done it this much

1613
01:06:00,130 --> 01:05:56,040

yeah well I look forward to it and

1614

01:06:04,370 --> 01:06:02,270

anytime anytime please tell everyone

1615

01:06:07,069 --> 01:06:04,380

that knows me that I said hi

1616

01:06:09,530 --> 01:06:07,079

okay will do okay all right you take

1617

01:06:14,990 --> 01:06:12,289

all right so that was Michael thank you

1618

01:06:17,690 --> 01:06:15,000

Michael very much uh James uh I would

1619

01:06:19,670 --> 01:06:17,700

like to get to you uh next if you could

1620

01:06:21,170 --> 01:06:19,680

um I'm gonna meet you in a second but I

1621

01:06:23,270 --> 01:06:21,180

just want to get to

1622

01:06:25,970 --> 01:06:23,280

um a question by Michelle

1623

01:06:28,130 --> 01:06:25,980

uh she just said uh hi ednan I have a

1624

01:06:30,650 --> 01:06:28,140

question for you if you get uh get the

1625

01:06:32,390 --> 01:06:30,660

time I had a main I had a man say hello

1626

01:06:35,390 --> 01:06:32,400

to me while

1627

01:06:37,849 --> 01:06:35,400

while I was asleep a few days ago he had

1628

01:06:41,210 --> 01:06:37,859

a deep deep voice it had happened once

1629

01:06:43,250 --> 01:06:41,220

before a year or so ago and then uh she

1630

01:06:44,390 --> 01:06:43,260

said I applied to him

1631

01:06:46,789 --> 01:06:44,400

um

1632

01:06:49,670 --> 01:06:46,799

I replied to him I guess they're saying

1633

01:06:52,010 --> 01:06:49,680

in my head but he didn't say anymore

1634

01:06:53,270 --> 01:06:52,020

should I have spoken out loud thank you

1635

01:06:54,529 --> 01:06:53,280

well

1636

01:06:55,190 --> 01:06:54,539

Michelle

1637

01:06:56,870 --> 01:06:55,200

um

1638

01:06:59,329 --> 01:06:56,880

when it comes to these kind of things

1639

01:07:02,690 --> 01:06:59,339

I've had these extra auditory

1640

01:07:04,670 --> 01:07:02,700

experiences several times myself and the

1641

01:07:05,809 --> 01:07:04,680

key anytime something like that happens

1642

01:07:08,150 --> 01:07:05,819

is to

1643

01:07:11,150 --> 01:07:08,160

you know always just don't be afraid

1644

01:07:13,609 --> 01:07:11,160

first of all right because

1645

01:07:15,529 --> 01:07:13,619

whatever happens you know it's like you

1646

01:07:17,630 --> 01:07:15,539

have to be in that neutral State of Mind

1647

01:07:19,250 --> 01:07:17,640

to truly understand something because if

1648

01:07:22,309 --> 01:07:19,260

you immediately

1649

01:07:23,870 --> 01:07:22,319

um jump to the this is a threat this is

1650

01:07:27,049 --> 01:07:23,880

something I need to fear I need to shut

1651

01:07:28,789 --> 01:07:27,059

this out uh then of course it will uh be

1652

01:07:31,970 --> 01:07:28,799

something that you are kind of filtering

1653

01:07:34,609 --> 01:07:31,980

through that fearful lens and so

1654

01:07:36,770 --> 01:07:34,619

um the point is you know yeah if you

1655

01:07:38,690 --> 01:07:36,780

also filter it through the nice lens you

1656

01:07:40,190 --> 01:07:38,700

know yada yada then you know what if

1657

01:07:41,750 --> 01:07:40,200

what if it was something really that

1658

01:07:45,109 --> 01:07:41,760

that you need to be paying attention to

1659

01:07:47,809 --> 01:07:45,119

or be aware of or or whatnot what I'm

1660

01:07:50,089 --> 01:07:47,819

trying to say generally is that 99 of

1661

01:07:52,789 --> 01:07:50,099

the time there's misunderstandings about

1662

01:07:56,450 --> 01:07:52,799

why a communication happened

1663

01:07:58,010 --> 01:07:56,460

um you know by normal standards doctors

1664

01:08:00,349 --> 01:07:58,020

and all of that they're like oh yep

1665

01:08:02,510 --> 01:08:00,359

that's time for you know medication and

1666

01:08:04,730 --> 01:08:02,520

you know you need to see a doctor you

1667

01:08:06,470 --> 01:08:04,740

know but uh having had experiences that

1668

01:08:08,690 --> 01:08:06,480

I had and many other people that I've

1669

01:08:11,990 --> 01:08:08,700

talked to and and just that I've come

1670

01:08:14,690 --> 01:08:12,000

across in my life it's not an uncommon

1671

01:08:16,490 --> 01:08:14,700

thing what the specific purpose of that

1672

01:08:18,829 --> 01:08:16,500

is it comes down to each individual

1673

01:08:20,870 --> 01:08:18,839

person it's up to you to find that out

1674

01:08:22,610 --> 01:08:20,880

but you only will be able to do that if

1675

01:08:25,669 --> 01:08:22,620

you are not fearful and you keep

1676

01:08:28,430 --> 01:08:25,679

persisting to kind of be open to it to

1677

01:08:30,470 --> 01:08:28,440

happen again because before you know it

1678

01:08:31,789 --> 01:08:30,480

more and more explanations or more and

1679

01:08:34,789 --> 01:08:31,799

more things will happen they'll explain

1680

01:08:36,950 --> 01:08:34,799

the point of why that was happening you

1681

01:08:39,349 --> 01:08:36,960

know you will understand why as you

1682

01:08:41,809 --> 01:08:39,359

mentioned you only you know you

1683

01:08:43,130 --> 01:08:41,819

responded but nothing was said and no

1684

01:08:45,349 --> 01:08:43,140

you didn't have to say it out loud

1685

01:08:46,610 --> 01:08:45,359

because a lot of times we're talking

1686

01:08:48,950 --> 01:08:46,620

about

1687

01:08:51,709 --> 01:08:48,960

um these interdimensional communications

1688

01:08:53,510 --> 01:08:51,719

it's not about the auditory anyway you

1689

01:08:55,789 --> 01:08:53,520

know it's more about your Consciousness

1690

01:08:58,010 --> 01:08:55,799

your awareness just basically basically

1691

01:09:01,610 --> 01:08:58,020

touching touching base back with

1692

01:09:03,530 --> 01:09:01,620

whatever just said all to you and also a

1693

01:09:06,169 --> 01:09:03,540

lot of times because of these different

1694

01:09:08,870 --> 01:09:06,179

vibrations where as human beings we're

1695

01:09:10,729 --> 01:09:08,880

on one level there's stiff and different

1696

01:09:12,769 --> 01:09:10,739

weird things that exist on all these

1697

01:09:14,150 --> 01:09:12,779

different levels and dimensions they

1698

01:09:16,130 --> 01:09:14,160

have all their different vibrations

1699

01:09:18,470 --> 01:09:16,140

something coming through from these

1700

01:09:21,189 --> 01:09:18,480

different things uh can't sound very

1701

01:09:23,630 --> 01:09:21,199

deep because it's almost like a um

1702

01:09:25,910 --> 01:09:23,640

basically if we were using a physical

1703

01:09:28,370 --> 01:09:25,920

example and I've used that I explained

1704

01:09:30,769 --> 01:09:28,380

this a while back on neo4hub too

1705

01:09:32,689 --> 01:09:30,779

um it's basically kind of like you being

1706

01:09:34,550 --> 01:09:32,699

underwater and somebody talking to you

1707

01:09:35,990 --> 01:09:34,560

you can kind of make out that they're

1708

01:09:38,450 --> 01:09:36,000

trying to talk to you but it's muffled

1709

01:09:40,729 --> 01:09:38,460

and weird you know not not at all

1710

01:09:43,090 --> 01:09:40,739

clearly clear sounding like it is when

1711

01:09:46,309 --> 01:09:43,100

you're above water and a lot of these

1712

01:09:47,749 --> 01:09:46,319

interdimensional things uh happen that

1713

01:09:49,610 --> 01:09:47,759

way to where

1714

01:09:51,229 --> 01:09:49,620

um it may have sounded deeper not

1715

01:09:53,510 --> 01:09:51,239

because it's actually a deep voice but

1716

01:09:56,450 --> 01:09:53,520

because just how you translate it what

1717

01:09:58,189 --> 01:09:56,460

was come what was coming through so if

1718

01:09:59,870 --> 01:09:58,199

this truly happened to you in the way

1719

01:10:01,910 --> 01:09:59,880

you said it happened that's the only

1720

01:10:05,050 --> 01:10:01,920

advice I can give give to you now and

1721

01:10:07,729 --> 01:10:05,060

just to be vigilant and basically just

1722

01:10:09,950 --> 01:10:07,739

keep at it to just be open when it

1723

01:10:12,229 --> 01:10:09,960

happens and stay open-minded no matter

1724

01:10:15,650 --> 01:10:12,239

how much fear wants to kick in

1725

01:10:17,270 --> 01:10:15,660

okay I'm really sorry James you um

1726

01:10:20,390 --> 01:10:17,280

um you've waited long enough I'm gonna

1727

01:10:22,630 --> 01:10:20,400

bring you in I'm gonna unmute

1728

01:10:25,250 --> 01:10:22,640

um let's see here

1729

01:10:26,870 --> 01:10:25,260

unmute you on my end if you can unmute

1730

01:10:29,209 --> 01:10:26,880

yourself on yours and you should be able

1731

01:10:30,770 --> 01:10:29,219

to speak to me

1732

01:10:33,110 --> 01:10:30,780

hello

1733

01:10:34,970 --> 01:10:33,120

hey James how are you

1734

01:10:37,310 --> 01:10:34,980

good man how you doing

1735

01:10:40,250 --> 01:10:37,320

oh I'm doing just fine uh thanks thanks

1736

01:10:42,229 --> 01:10:40,260

for uh signing up and and because I know

1737

01:10:45,370 --> 01:10:42,239

you were still in chat so you installed

1738

01:10:49,370 --> 01:10:45,380

it quick enough to still join tonight

1739

01:10:52,790 --> 01:10:49,380

right right no yeah man because I I've

1740

01:10:56,209 --> 01:10:52,800

uh obviously I guess I've subscribed and

1741

01:10:58,970 --> 01:10:56,219

I've seen your videos before but um

1742

01:11:02,090 --> 01:10:58,980

this is the first time I've ever really

1743

01:11:03,950 --> 01:11:02,100

uh Gone on a live chat like this oh well

1744

01:11:06,169 --> 01:11:03,960

thank you um

1745

01:11:08,090 --> 01:11:06,179

no thank you man no it's very

1746

01:11:09,890 --> 01:11:08,100

interesting because um

1747

01:11:12,470 --> 01:11:09,900

to be honest for me I've just been going

1748

01:11:15,890 --> 01:11:12,480

through some of the most uh

1749

01:11:18,169 --> 01:11:15,900

well uh I'd say struggling parts of my

1750

01:11:20,030 --> 01:11:18,179

life recently when it comes to a my

1751

01:11:20,990 --> 01:11:20,040

everything to be honest so I was in

1752

01:11:23,330 --> 01:11:21,000

America

1753

01:11:25,550 --> 01:11:23,340

so I'm from England originally born in

1754

01:11:29,149 --> 01:11:25,560

England I love a son from England

1755

01:11:29,750 --> 01:11:29,159

doesn't tell from my accent but

1756

01:11:38,030 --> 01:11:29,760

um

1757

01:11:41,570 --> 01:11:38,040

some we had a fishing show pretty much

1758

01:11:44,270 --> 01:11:41,580

we had a fish and chip shop in England

1759

01:11:46,490 --> 01:11:44,280

um my dad done fishing tips all his life

1760

01:11:49,729 --> 01:11:46,500

I'm just saying this is a as sort of

1761

01:11:52,910 --> 01:11:49,739

getting a bit of a basis for who I am so

1762

01:11:55,430 --> 01:11:52,920

but then my dad doesn't we he uh had a

1763

01:11:56,510 --> 01:11:55,440

fish and chip shop for 20 years if not a

1764

01:11:59,030 --> 01:11:56,520

bit longer

1765

01:12:00,890 --> 01:11:59,040

going on 25 years

1766

01:12:03,050 --> 01:12:00,900

and um

1767

01:12:04,689 --> 01:12:03,060

he wanted to um

1768

01:12:07,370 --> 01:12:04,699

make a change

1769

01:12:10,910 --> 01:12:07,380

and um

1770

01:12:13,010 --> 01:12:10,920

before that in 2009 he so in 2009 he

1771

01:12:15,169 --> 01:12:13,020

bought a house in America so going

1772

01:12:17,810 --> 01:12:15,179

forward he he sold it during the

1773

01:12:20,689 --> 01:12:17,820

pandemic around the pandemic time

1774

01:12:23,630 --> 01:12:20,699

but um so but um

1775

01:12:25,130 --> 01:12:23,640

we ended up moving to Florida so we

1776

01:12:27,410 --> 01:12:25,140

ended up moving to Florida I actually

1777

01:12:30,950 --> 01:12:27,420

moved there before my mum and dad did I

1778

01:12:32,810 --> 01:12:30,960

met a beautiful lady called Adriana I

1779

01:12:35,090 --> 01:12:32,820

had two kids

1780

01:12:37,010 --> 01:12:35,100

and um

1781

01:12:39,350 --> 01:12:37,020

yeah everything was going good you know

1782

01:12:41,090 --> 01:12:39,360

and then after the pandemic because I

1783

01:12:44,450 --> 01:12:41,100

managed to get to Florida just before

1784

01:12:47,330 --> 01:12:44,460

they shut the airports down and that so

1785

01:12:48,830 --> 01:12:47,340

this was like March 2020.

1786

01:12:50,770 --> 01:12:48,840

because they say when it comes to three

1787

01:12:53,630 --> 01:12:50,780

and I had a feeling you know I mean

1788

01:12:56,930 --> 01:12:53,640

things were it was strings were heating

1789

01:12:58,729 --> 01:12:56,940

up with the whole Corona and I had you

1790

01:13:02,330 --> 01:12:58,739

know I mean I defend I knew I had to get

1791

01:13:04,130 --> 01:13:02,340

over get over there and be with Adriana

1792

01:13:07,610 --> 01:13:04,140

because she was pregnant

1793

01:13:09,649 --> 01:13:07,620

with my first baby Amelia

1794

01:13:11,330 --> 01:13:09,659

and I knew I had to get there and be

1795

01:13:13,430 --> 01:13:11,340

there before

1796

01:13:15,709 --> 01:13:13,440

anything drastic happened that turned

1797

01:13:19,010 --> 01:13:15,719

out you know I mean it did get drastic

1798

01:13:20,209 --> 01:13:19,020

they stopped they stopped flights

1799

01:13:23,570 --> 01:13:20,219

[Music]

1800

01:13:26,209 --> 01:13:23,580

but anyway so we was I've um I was

1801

01:13:28,850 --> 01:13:26,219

living in I've been living in America

1802

01:13:31,370 --> 01:13:28,860

for the last three years

1803

01:13:33,290 --> 01:13:31,380

and my parents are still there my dad

1804

01:13:35,689 --> 01:13:33,300

and my mum and my little brother have

1805

01:13:37,189 --> 01:13:35,699

all got visas they started off for a

1806

01:13:40,010 --> 01:13:37,199

five-year visa and then they've got a

1807

01:13:42,770 --> 01:13:40,020

10-year Visa but I was over 21 so I

1808

01:13:45,470 --> 01:13:42,780

couldn't get I was I I wasn't I could I

1809

01:13:48,169 --> 01:13:45,480

had to I couldn't get a I couldn't get a

1810

01:13:49,490 --> 01:13:48,179

Visa off my through my through my mum

1811

01:13:52,550 --> 01:13:49,500

and dad you know because I wasn't I was

1812

01:13:53,510 --> 01:13:52,560

I was too old you know after 21 you have

1813

01:13:56,570 --> 01:13:53,520

to uh

1814

01:13:58,010 --> 01:13:56,580

Do Your Own Thing until you can't pretty

1815

01:14:01,310 --> 01:13:58,020

much my little brother got a Visa

1816

01:14:05,630 --> 01:14:01,320

automatically because he was under 18.

1817

01:14:06,950 --> 01:14:05,640

and I am so I was there I was there

1818

01:14:08,810 --> 01:14:06,960

before

1819

01:14:10,430 --> 01:14:08,820

they got there then they come over like

1820

01:14:12,110 --> 01:14:10,440

a year later

1821

01:14:13,910 --> 01:14:12,120

and um

1822

01:14:17,229 --> 01:14:13,920

it was all good I had my first baby

1823

01:14:19,550 --> 01:14:17,239

Amelia my baby girl congratulations

1824

01:14:22,370 --> 01:14:19,560

Adriana ended up getting pregnant again

1825

01:14:31,970 --> 01:14:22,380

and we had Luca

1826

01:14:36,290 --> 01:14:34,610

everything in and when it on on paper

1827

01:14:42,470 --> 01:14:36,300

you know I mean it would seem everything

1828

01:14:42,480 --> 01:14:47,470

oh are you still there

1829

01:14:47,480 --> 01:14:53,990

James can you hear me

1830

01:14:59,270 --> 01:14:57,350

um you have dropped off if you could um

1831

01:15:01,669 --> 01:14:59,280

try getting back to me uh if you're

1832

01:15:07,370 --> 01:15:01,679

unmuted on my end and

1833

01:15:18,410 --> 01:15:09,229

okay I'm gonna I'm gonna keep this open

1834

01:15:22,910 --> 01:15:20,870

nope

1835

01:15:25,610 --> 01:15:22,920

okay yeah no he has dropped off all

1836

01:15:28,430 --> 01:15:25,620

together I don't know if he's gonna um

1837

01:15:30,290 --> 01:15:28,440

log back in So James if you can see me

1838

01:15:32,330 --> 01:15:30,300

or still hear me

1839

01:15:35,510 --> 01:15:32,340

um it's open for you so when you log

1840

01:15:36,590 --> 01:15:35,520

back in please continue your story

1841

01:15:38,810 --> 01:15:36,600

um all right

1842

01:15:41,689 --> 01:15:38,820

uh so let's see

1843

01:15:43,430 --> 01:15:41,699

what we have here Hazel uh welcome good

1844

01:15:44,630 --> 01:15:43,440

to see you it's been it's been a long

1845

01:15:46,729 --> 01:15:44,640

time

1846

01:15:48,590 --> 01:15:46,739

um I guess obviously because I haven't

1847

01:15:51,770 --> 01:15:48,600

been online for a long time only been

1848

01:15:54,290 --> 01:15:51,780

back for a few months now but uh welcome

1849

01:15:56,270 --> 01:15:54,300

to everyone else that's um that's here

1850

01:15:59,330 --> 01:15:56,280

in chat today and I hope you all

1851

01:16:01,850 --> 01:15:59,340

enjoying yourselves and and listening

1852

01:16:03,470 --> 01:16:01,860

um okay James is back again let me see

1853

01:16:06,050 --> 01:16:03,480

here

1854

01:16:08,810 --> 01:16:06,060

but me I'm mute him James I'll mute

1855

01:16:10,130 --> 01:16:08,820

yourself on your end and go ahead hello

1856

01:16:12,530 --> 01:16:10,140

yes sorry I don't know what happened

1857

01:16:14,689 --> 01:16:12,540

there yeah me neither I don't know but

1858

01:16:17,750 --> 01:16:14,699

I'm glad you're back

1859

01:16:19,070 --> 01:16:17,760

Okay cool so where was I well I did so

1860

01:16:21,050 --> 01:16:19,080

well I don't know where you said second

1861

01:16:22,910 --> 01:16:21,060

no second baby

1862

01:16:25,550 --> 01:16:22,920

that you had your first okay then yeah

1863

01:16:28,790 --> 01:16:25,560

so I had we had Luca

1864

01:16:30,669 --> 01:16:28,800

and um so pretty much I was there for

1865

01:16:33,530 --> 01:16:30,679

three years and um

1866

01:16:35,689 --> 01:16:33,540

unfortunately just recently so I got

1867

01:16:37,790 --> 01:16:35,699

pulled over for a DUI when I was in

1868

01:16:39,770 --> 01:16:37,800

Florida

1869

01:16:42,110 --> 01:16:39,780

and um

1870

01:16:45,070 --> 01:16:42,120

so it was a typical situation of I went

1871

01:16:48,770 --> 01:16:45,080

I was I went out so I was oh

1872

01:16:52,010 --> 01:16:48,780

anyways I went out I went out I was um

1873

01:16:53,990 --> 01:16:52,020

I was out I went I went out to um I went

1874

01:16:56,149 --> 01:16:54,000

out I went to the liquor store and I was

1875

01:16:57,530 --> 01:16:56,159

also at the gambling I was at the arcade

1876

01:17:00,410 --> 01:16:57,540

next door I wanted a little bit of money

1877

01:17:03,290 --> 01:17:00,420

and I come home but um the reason I went

1878

01:17:04,430 --> 01:17:03,300

out was to get milk like I was saying

1879

01:17:05,630 --> 01:17:04,440

earlier

1880

01:17:07,310 --> 01:17:05,640

hello

1881

01:17:09,530 --> 01:17:07,320

yes I'm here

1882

01:17:12,169 --> 01:17:09,540

okay cool yeah like I was saying earlier

1883

01:17:14,930 --> 01:17:12,179

didn't go up quick enough so pretty much

1884

01:17:17,930 --> 01:17:14,940

um so I was in America for three years

1885

01:17:20,270 --> 01:17:17,940

and um unfortunately I got pulled over

1886

01:17:22,970 --> 01:17:20,280

for a DUI

1887

01:17:27,169 --> 01:17:22,980

because I came back home and I forgot to

1888

01:17:29,390 --> 01:17:27,179

get milk and my my fiance was like

1889

01:17:31,790 --> 01:17:29,400

wow where's the milk I was like oh oh

1890

01:17:33,709 --> 01:17:31,800

I'll go I'll go back out and get it

1891

01:17:34,930 --> 01:17:33,719

and when I went back out I got pulled

1892

01:17:37,790 --> 01:17:34,940

over

1893

01:17:39,470 --> 01:17:37,800

and um I was drunk

1894

01:17:41,870 --> 01:17:39,480

and um

1895

01:17:44,689 --> 01:17:41,880

yeah so that I I got I got I got

1896

01:17:47,990 --> 01:17:44,699

arrested for a DUI I paid my bail but um

1897

01:17:50,090 --> 01:17:48,000

I overstayed I overstayed and I didn't

1898

01:17:51,709 --> 01:17:50,100

get married quick enough well I wanted

1899

01:17:53,390 --> 01:17:51,719

to get married but even if I was married

1900

01:17:56,330 --> 01:17:53,400

I don't know if that would have affected

1901

01:17:58,850 --> 01:17:56,340

my situation as well it may have helped

1902

01:18:01,430 --> 01:17:58,860

but either way I think um even if I had

1903

01:18:04,310 --> 01:18:01,440

a green card

1904

01:18:05,750 --> 01:18:04,320

as they still may have um pretty much

1905

01:18:07,430 --> 01:18:05,760

ended up getting kicked out of the

1906

01:18:08,870 --> 01:18:07,440

country unfortunately I ended up getting

1907

01:18:11,930 --> 01:18:08,880

deported

1908

01:18:17,209 --> 01:18:13,790

and um

1909

01:18:19,729 --> 01:18:17,219

my and I was in a

1910

01:18:23,090 --> 01:18:19,739

um I was in it I was in Broward

1911

01:18:25,490 --> 01:18:23,100

Transitional center in Miami for almost

1912

01:18:29,689 --> 01:18:25,500

two months

1913

01:18:32,149 --> 01:18:29,699

and um you know what I mean it made me

1914

01:18:33,770 --> 01:18:32,159

it made me about pretty much it was it's

1915

01:18:35,209 --> 01:18:33,780

like I said it's the it's been the one

1916

01:18:37,310 --> 01:18:35,219

that it was one of the toughest times of

1917

01:18:39,709 --> 01:18:37,320

my life

1918

01:18:45,830 --> 01:18:39,719

I am

1919

01:18:49,850 --> 01:18:45,840

person you know I mean I'm I you know I

1920

01:18:54,110 --> 01:18:49,860

just um unfortunately I I do like I I

1921

01:18:54,729 --> 01:18:54,120

do like to drink I do like and I do

1922

01:18:58,250 --> 01:18:54,739

I do

1923

01:19:01,669 --> 01:18:58,260

and and I um

1924

01:19:03,530 --> 01:19:01,679

and um I I just wish I could have got my

1925

01:19:05,270 --> 01:19:03,540

together soon I wish I could have

1926

01:19:06,950 --> 01:19:05,280

sorted it out sooner sorry I'm not know

1927

01:19:10,910 --> 01:19:06,960

if I'm if I'm allowed to swear or not

1928

01:19:12,950 --> 01:19:10,920

I'm trying no you can't yeah real quick

1929

01:19:15,410 --> 01:19:12,960

um yeah I'm really sorry for all the the

1930

01:19:17,209 --> 01:19:15,420

troubles and the difficulties you've had

1931

01:19:20,050 --> 01:19:17,219

um was there a story that you wanted to

1932

01:19:22,910 --> 01:19:20,060

share that's Supernatural in nature

1933

01:19:26,630 --> 01:19:22,920

yes so I've been from many super I've

1934

01:19:30,890 --> 01:19:26,640

had many Supernaturals experiences so

1935

01:19:34,970 --> 01:19:30,900

this is what I'm saying so even before

1936

01:19:37,130 --> 01:19:34,980

so um so when I first met Adriana I

1937

01:19:40,010 --> 01:19:37,140

prayed I prayed to God when I was there

1938

01:19:42,350 --> 01:19:40,020

I prayed this was this was going back a

1939

01:19:46,310 --> 01:19:42,360

few years back before I met uh

1940

01:19:49,970 --> 01:19:46,320

I was I was going through um pretty much

1941

01:19:52,310 --> 01:19:49,980

I prayed to God that I'd meet someone I

1942

01:19:55,070 --> 01:19:52,320

prayed deep I prayed as hard as I could

1943

01:19:57,950 --> 01:19:55,080

and I met Adriana that night that the

1944

01:20:00,830 --> 01:19:57,960

night I prayed I met her

1945

01:20:03,110 --> 01:20:00,840

and we had a beautiful family

1946

01:20:06,709 --> 01:20:03,120

and um what I'm trying to say is like

1947

01:20:09,110 --> 01:20:06,719

like mate was saying on the last call

1948

01:20:11,270 --> 01:20:09,120

I guess this and I and I heard I

1949

01:20:13,790 --> 01:20:11,280

listened to a lot Coast to Coast AM a

1950

01:20:17,149 --> 01:20:13,800

lot of stuff but um we're all supposed

1951

01:20:18,410 --> 01:20:17,159

to experience all sorts of situations in

1952

01:20:20,689 --> 01:20:18,420

life

1953

01:20:24,410 --> 01:20:20,699

whether they're negative or positive

1954

01:20:28,250 --> 01:20:24,420

you know and I guess um

1955

01:20:31,250 --> 01:20:28,260

I guess this the when you when it comes

1956

01:20:34,669 --> 01:20:31,260

down to um when it comes down to um

1957

01:20:36,410 --> 01:20:34,679

going through trauma or difficult

1958

01:20:40,310 --> 01:20:36,420

situations

1959

01:20:41,870 --> 01:20:40,320

out that you realize and you and you

1960

01:20:45,470 --> 01:20:41,880

learn you know I mean at that you learn

1961

01:20:48,130 --> 01:20:45,480

to be more compassionate and um

1962

01:20:50,750 --> 01:20:48,140

you gain from that as well you know

1963

01:20:53,209 --> 01:20:50,760

great gain from the situation and I'm

1964

01:20:57,050 --> 01:20:53,219

still I'm still I'm obviously I me I

1965

01:20:58,850 --> 01:20:57,060

mean I'm I'm Gonna Fly my my my future

1966

01:21:00,649 --> 01:20:58,860

my wife to be and my kids over to

1967

01:21:03,770 --> 01:21:00,659

England and we're going to be together

1968

01:21:06,649 --> 01:21:03,780

you know but through situations

1969

01:21:09,169 --> 01:21:06,659

you um you become you know what I mean

1970

01:21:10,850 --> 01:21:09,179

you become stronger you become you learn

1971

01:21:12,470 --> 01:21:10,860

you learn you spoke we're supposed to

1972

01:21:13,610 --> 01:21:12,480

learn these experiences like we're

1973

01:21:16,010 --> 01:21:13,620

supposed to

1974

01:21:18,229 --> 01:21:16,020

go through things to learn you know what

1975

01:21:20,270 --> 01:21:18,239

I'm saying because that's what maybe

1976

01:21:21,590 --> 01:21:20,280

what we decide that's why we come here

1977

01:21:25,490 --> 01:21:21,600

you know to

1978

01:21:27,890 --> 01:21:25,500

to experience these these things and to

1979

01:21:30,830 --> 01:21:27,900

um go through hardship

1980

01:21:32,390 --> 01:21:30,840

because you know it's like the typical

1981

01:21:33,229 --> 01:21:32,400

saying like you know you know you don't

1982

01:21:39,890 --> 01:21:33,239

know

1983

01:21:41,570 --> 01:21:39,900

without without difficult times and you

1984

01:21:43,550 --> 01:21:41,580

don't know when things are good you know

1985

01:21:45,350 --> 01:21:43,560

and things are

1986

01:21:48,530 --> 01:21:45,360

and things

1987

01:21:49,490 --> 01:21:48,540

often uh you know what I mean really I

1988

01:21:52,010 --> 01:21:49,500

mean

1989

01:21:53,870 --> 01:21:52,020

if you you can make things happen you

1990

01:21:56,169 --> 01:21:53,880

know you can't make things happen you

1991

01:21:59,570 --> 01:21:56,179

can't make things happen

1992

01:22:02,510 --> 01:21:59,580

we're supposed to experience right

1993

01:22:04,850 --> 01:22:02,520

James I'm really sorry can can you just

1994

01:22:07,010 --> 01:22:04,860

tell me your story now um I'm just gonna

1995

01:22:08,689 --> 01:22:07,020

otherwise I'm gonna have to let you go

1996

01:22:10,430 --> 01:22:08,699

I'm really sorry for the difficulties

1997

01:22:13,130 --> 01:22:10,440

you've been going through uh but I was

1998

01:22:15,770 --> 01:22:13,140

hoping you might you might then

1999

01:22:18,229 --> 01:22:15,780

the whole reason for for the for the

2000

01:22:19,850 --> 01:22:18,239

open lines is for you to share some

2001
01:22:22,250 --> 01:22:19,860
other Supernatural stories you've had

2002
01:22:24,590 --> 01:22:22,260
like at the alien ghosts or whatnot

2003
01:22:26,810 --> 01:22:24,600
related

2004
01:22:29,750 --> 01:22:26,820
okay well no I have

2005
01:22:32,090 --> 01:22:29,760
I mean I've seen I've seen I've seen I

2006
01:22:34,430 --> 01:22:32,100
felt like I said well I have I saw a UF

2007
01:22:36,590 --> 01:22:34,440
I've had a UFO literally following me

2008
01:22:39,649 --> 01:22:36,600
before and before when I was younger

2009
01:22:41,990 --> 01:22:39,659
I've had a UFO following me

2010
01:22:44,149 --> 01:22:42,000
literally and that sounds crazy but on

2011
01:22:48,290 --> 01:22:44,159
the way to Tesco like literally there's

2012
01:22:52,130 --> 01:22:48,300
a here is above my above my head is a

2013
01:22:54,010 --> 01:22:52,140

boy orb in the sky

2014

01:22:57,530 --> 01:22:54,020

and um

2015

01:23:00,290 --> 01:22:57,540

and yeah no I mean to be honest I've

2016

01:23:01,490 --> 01:23:00,300

I've had a few experiences but um but no

2017

01:23:04,430 --> 01:23:01,500

that's fine if you want to let me go

2018

01:23:05,870 --> 01:23:04,440

that's fine I understand okay all right

2019

01:23:07,550 --> 01:23:05,880

well James thanks for calling I

2020

01:23:08,990 --> 01:23:07,560

appreciate it um I hope everything works

2021

01:23:10,930 --> 01:23:09,000

out for you and you get to see your

2022

01:23:13,310 --> 01:23:10,940

daughters

2023

01:23:17,090 --> 01:23:13,320

and my son yeah okay thank you very much

2024

01:23:21,950 --> 01:23:20,270

okay thank you James so um yeah I'll be

2025

01:23:24,229 --> 01:23:21,960

on for a little bit a little bit longer

2026

01:23:26,030 --> 01:23:24,239

if any of you would like to call in to

2027

01:23:26,990 --> 01:23:26,040

share some of your UFO or Supernatural

2028

01:23:30,229 --> 01:23:27,000

stories

2029

01:23:32,030 --> 01:23:30,239

um uh please do so now if there's any uh

2030

01:23:33,709 --> 01:23:32,040

questions that are coming through the

2031

01:23:36,470 --> 01:23:33,719

chat or you would like to submit the

2032

01:23:38,090 --> 01:23:36,480

chat uh please do so now as well and uh

2033

01:23:40,250 --> 01:23:38,100

we can

2034

01:23:41,870 --> 01:23:40,260

whichever one comes first either a

2035

01:23:44,830 --> 01:23:41,880

person calling in or somebody asking

2036

01:23:48,530 --> 01:23:44,840

some questions but um yeah I'm glad

2037

01:23:50,510 --> 01:23:48,540

most of you were able to to join usually

2038

01:23:52,130 --> 01:23:50,520

I have a guest on but I haven't had open

2039

01:23:55,490 --> 01:23:52,140

lines in a while so I figured today

2040

01:23:58,070 --> 01:23:55,500

would be a good time and um there's uh

2041

01:23:59,870 --> 01:23:58,080

there's a guess I've been trying to get

2042

01:24:01,130 --> 01:23:59,880

and they will

2043

01:24:03,770 --> 01:24:01,140

um I will try to get them for next

2044

01:24:05,450 --> 01:24:03,780

Wednesday at 7 pm uh they're very well

2045

01:24:07,550 --> 01:24:05,460

known in the UFO field they've been

2046

01:24:08,930 --> 01:24:07,560

around and sharing their stories and

2047

01:24:12,110 --> 01:24:08,940

been kind of

2048

01:24:15,709 --> 01:24:12,120

um in the in the UFO circuit since

2049

01:24:17,990 --> 01:24:15,719

I think it was well since the 90s maybe

2050

01:24:20,810 --> 01:24:18,000

maybe a little a little sooner and it's

2051

01:24:23,030 --> 01:24:20,820

more of a to have more of a andromedense

2052

01:24:25,070 --> 01:24:23,040

connection and so anyway

2053

01:24:26,689 --> 01:24:25,080

um I won't speak much more about that

2054

01:24:29,270 --> 01:24:26,699

because I want to make sure I get them

2055

01:24:31,250 --> 01:24:29,280

first and then you'll get to to

2056

01:24:33,290 --> 01:24:31,260

um uh hear more from them and of course

2057

01:24:35,450 --> 01:24:33,300

as always you'll be able to ask them

2058

01:24:37,850 --> 01:24:35,460

questions when they're on during the Q a

2059

01:24:40,669 --> 01:24:37,860

segment or submit your questions

2060

01:24:43,910 --> 01:24:40,679

um in the uh chat rooms whether it's on

2061

01:24:46,430 --> 01:24:43,920

YouTube Facebook or twitch

2062

01:24:49,790 --> 01:24:46,440

okay what else do we have here so

2063

01:24:52,010 --> 01:24:49,800

earlier today I saw um it's okay B and

2064

01:24:52,910 --> 01:24:52,020

ask a question and Michelle welcome as

2065

01:24:54,350 --> 01:24:52,920

well

2066

01:25:00,649 --> 01:24:54,360

m

2067

01:25:03,470 --> 01:25:00,659

and of course Hazel I haven't seen Hazel

2068

01:25:05,750 --> 01:25:03,480

in quite a while I'm but I'm glad you're

2069

01:25:08,090 --> 01:25:05,760

able to make it tonight with whichever

2070

01:25:10,250 --> 01:25:08,100

whatever the health problems are I'm

2071

01:25:12,350 --> 01:25:10,260

glad you're here and um

2072

01:25:15,169 --> 01:25:12,360

um I haven't met you personally but

2073

01:25:18,110 --> 01:25:15,179

overall those times when I started the

2074

01:25:20,570 --> 01:25:18,120

live stream you've been joining uh some

2075

01:25:23,149 --> 01:25:20,580

of these live open lines and so I kind

2076

01:25:25,189 --> 01:25:23,159

of got to know you that way

2077

01:25:27,950 --> 01:25:25,199

um welcome Edward as well and looks like

2078

01:25:30,649 --> 01:25:27,960

you have a question also says what do

2079

01:25:35,270 --> 01:25:30,659

you think what do you what do you think

2080

01:25:36,169 --> 01:25:35,280

is going on in school walk around Ranch

2081

01:25:38,870 --> 01:25:36,179

um

2082

01:25:43,430 --> 01:25:38,880

well that's a subject I personally have

2083

01:25:45,050 --> 01:25:43,440

not uh spent too much time on because

2084

01:25:47,169 --> 01:25:45,060

um

2085

01:25:49,669 --> 01:25:47,179

it's

2086

01:25:52,490 --> 01:25:49,679

it almost seems like every other person

2087

01:25:54,350 --> 01:25:52,500

that I know goes down there has their

2088

01:25:56,209 --> 01:25:54,360

experiences they write about it they

2089

01:25:58,970 --> 01:25:56,219

tell about it record whatever they can

2090

01:26:01,250 --> 01:25:58,980

they'll show us on that and so

2091

01:26:04,310 --> 01:26:01,260

um I don't know I I personally have not

2092

01:26:07,010 --> 01:26:04,320

been there maybe one of these days I'll

2093

01:26:09,290 --> 01:26:07,020

I'll see if I can be within the vicinity

2094

01:26:11,090 --> 01:26:09,300

of it I think you can only get to that

2095

01:26:13,129 --> 01:26:11,100

property if you have

2096

01:26:14,390 --> 01:26:13,139

um special access or permission to be on

2097

01:26:17,689 --> 01:26:14,400

that property because otherwise you're

2098

01:26:19,610 --> 01:26:17,699

trespassing and so I'm sorry I can't

2099

01:26:21,169 --> 01:26:19,620

tell you much there

2100

01:26:22,850 --> 01:26:21,179

um it's

2101

01:26:24,890 --> 01:26:22,860

all the stories I've heard and

2102

01:26:28,189 --> 01:26:24,900

especially at the just recent Ozark

2103

01:26:31,970 --> 01:26:28,199

Mountain UFO conference uh Katie page uh

2104

01:26:34,729 --> 01:26:31,980

one of the the Colorado director

2105

01:26:38,450 --> 01:26:34,739

director for mufon for the state of

2106

01:26:41,330 --> 01:26:38,460

Colorado she basically did some research

2107

01:26:43,370 --> 01:26:41,340

there and had some experiences and she

2108

01:26:45,530 --> 01:26:43,380

shared some very interesting stories and

2109

01:26:47,810 --> 01:26:45,540

there's something that apparently is

2110

01:26:50,810 --> 01:26:47,820

coming coming out with her and History

2111

01:26:52,910 --> 01:26:50,820

Channel and whatever was happening there

2112

01:26:54,410 --> 01:26:52,920

so that might be something you want to

2113

01:26:57,410 --> 01:26:54,420

check out but I'm sorry I can't tell you

2114

01:27:00,050 --> 01:26:58,310

okay

2115

01:27:05,930 --> 01:27:00,060

um

2116

01:27:08,629 --> 01:27:05,940

because

2117

01:27:11,209 --> 01:27:08,639

um I use telegram group that's live

2118

01:27:13,610 --> 01:27:11,219

right now and people can listen in uh

2119

01:27:16,970 --> 01:27:13,620

voice only on telegram so if you install

2120

01:27:19,370 --> 01:27:16,980

telegram either on your computer or on

2121

01:27:21,830 --> 01:27:19,380

your phone and you can then find the

2122

01:27:24,110 --> 01:27:21,840

group the link for the UFO Hub telegram

2123

01:27:26,030 --> 01:27:24,120

group is in the description below and

2124

01:27:27,590 --> 01:27:26,040

you can join the group you'll see

2125

01:27:29,750 --> 01:27:27,600

there's a voice chat going on right now

2126
01:27:32,510 --> 01:27:29,760
and that's the way you can talk to me so

2127
01:27:34,129 --> 01:27:32,520
when you get into the room I'll see that

2128
01:27:36,709 --> 01:27:34,139
you're there raise your hand and that

2129
01:27:39,649 --> 01:27:36,719
that way I know you want to speak to me

2130
01:27:41,270 --> 01:27:39,659
Michelle asks do you still do you still

2131
01:27:44,030 --> 01:27:41,280
have contact can you tell me more about

2132
01:27:47,330 --> 01:27:44,040
getting them to talk to you I have been

2133
01:27:51,470 --> 01:27:47,340
trying for a while well

2134
01:27:53,330 --> 01:27:51,480
not not very often because

2135
01:27:55,970 --> 01:27:53,340
um it's actually I would even go as far

2136
01:27:58,010 --> 01:27:55,980
as very rare now because when I

2137
01:27:59,030 --> 01:27:58,020
concluded what I concluded in Roberts

2138
01:28:02,570 --> 01:27:59,040

from Missouri

2139

01:28:04,490 --> 01:28:02,580

um in 2015 it was kind of

2140

01:28:07,910 --> 01:28:04,500

um a natural

2141

01:28:10,129 --> 01:28:07,920

I guess just a natural down not not the

2142

01:28:12,410 --> 01:28:10,139

end but just you know basically just

2143

01:28:15,709 --> 01:28:12,420

kind of a downslope of whatever I was

2144

01:28:19,490 --> 01:28:15,719

experiencing it was such a packed five

2145

01:28:23,149 --> 01:28:19,500

years of just weirdest craziest

2146

01:28:25,850 --> 01:28:23,159

that can ever possibly happen and so

2147

01:28:28,129 --> 01:28:25,860

um and obviously out of that UFO Hub

2148

01:28:30,110 --> 01:28:28,139

came about you know so then my whole

2149

01:28:32,750 --> 01:28:30,120

point was with that last download that I

2150

01:28:34,010 --> 01:28:32,760

received was to just kind of then use

2151

01:28:35,689 --> 01:28:34,020

all my skills that I've learned

2152

01:28:38,270 --> 01:28:35,699

throughout my life dealing with

2153

01:28:40,669 --> 01:28:38,280

technology cameras computers all these

2154

01:28:43,550 --> 01:28:40,679

things doing graphic design all my

2155

01:28:45,709 --> 01:28:43,560

abilities to just make UFO Hub happen so

2156

01:28:47,450 --> 01:28:45,719

I don't need any kind of outside help

2157

01:28:49,370 --> 01:28:47,460

everything I need I can just figure out

2158

01:28:51,709 --> 01:28:49,380

on my own if I need to figure out what

2159

01:28:53,570 --> 01:28:51,719

mic to use I do my own research and

2160

01:28:56,090 --> 01:28:53,580

figure it out computers and whatever

2161

01:28:58,850 --> 01:28:56,100

else is what's needed so naturally then

2162

01:29:01,970 --> 01:28:58,860

it kind of started me doing this because

2163

01:29:03,770 --> 01:29:01,980

I got what I needed to get out of it

2164

01:29:06,229 --> 01:29:03,780

um I have still I don't know what

2165

01:29:08,270 --> 01:29:06,239

percentage to give give you most of you

2166

01:29:10,189 --> 01:29:08,280

out there I try to share as much as I

2167

01:29:12,169 --> 01:29:10,199

can but even that is probably still

2168

01:29:14,750 --> 01:29:12,179

Maybe

2169

01:29:17,750 --> 01:29:14,760

maybe 40 percent of all the experiences

2170

01:29:20,330 --> 01:29:17,760

because some things are very directed

2171

01:29:24,229 --> 01:29:20,340

towards me it was a lot of resolving of

2172

01:29:26,870 --> 01:29:24,239

of uh um relationships and issues and

2173

01:29:28,790 --> 01:29:26,880

all these other things that just had to

2174

01:29:31,070 --> 01:29:28,800

be resolved because it's talking about

2175

01:29:33,890 --> 01:29:31,080

energy it's energy that's in the way of

2176
01:29:35,870 --> 01:29:33,900
you progressing you know spiritually and

2177
01:29:38,149 --> 01:29:35,880
so it had to be addressed I had to go

2178
01:29:40,850 --> 01:29:38,159
through all that so necessarily telling

2179
01:29:44,709 --> 01:29:40,860
stories about that it's kind of boring

2180
01:29:47,689 --> 01:29:44,719
you know because it's it's very

2181
01:29:49,910 --> 01:29:47,699
subjective very very personal intense

2182
01:29:52,490 --> 01:29:49,920
sense I don't mind sharing it but just

2183
01:29:54,050 --> 01:29:52,500
most people probably just fall asleep I

2184
01:29:55,910 --> 01:29:54,060
just I kind of covered these things that

2185
01:29:57,950 --> 01:29:55,920
I like to think that people generally

2186
01:29:59,510 --> 01:29:57,960
would like to know and all the

2187
01:30:01,189 --> 01:29:59,520
experiences that I had that's what I

2188
01:30:03,290 --> 01:30:01,199

should that's why I share but

2189

01:30:05,030 --> 01:30:03,300

occasionally though I would especially

2190

01:30:07,010 --> 01:30:05,040

where I live here obviously as Michael

2191

01:30:08,810 --> 01:30:07,020

was saying earlier it was very dark in

2192

01:30:11,030 --> 01:30:08,820

Robertsville it's still very similar

2193

01:30:13,250 --> 01:30:11,040

area uh basically in the woods now

2194

01:30:16,250 --> 01:30:13,260

instead of in the woods Duro I'm now in

2195

01:30:19,250 --> 01:30:16,260

the woods in Arkansas and so I would

2196

01:30:22,850 --> 01:30:19,260

walk out and needing to go somewhere

2197

01:30:25,689 --> 01:30:22,860

with it at night or or at different

2198

01:30:29,390 --> 01:30:25,699

times today and I would see specific

2199

01:30:32,870 --> 01:30:29,400

very close up orb or anything would come

2200

01:30:35,390 --> 01:30:32,880

into view and then slowly go away and

2201

01:30:38,330 --> 01:30:35,400

just kind of disappear and I would stop

2202

01:30:40,729 --> 01:30:38,340

feeding slow you know weird Sensations

2203

01:30:42,709 --> 01:30:40,739

that oh okay they're there whoever they

2204

01:30:44,510 --> 01:30:42,719

are for whatever reason I've stopped

2205

01:30:46,550 --> 01:30:44,520

asking questions regarding that because

2206

01:30:48,950 --> 01:30:46,560

whatever I need to know my

2207

01:30:51,649 --> 01:30:48,960

subconsciously got it and if there's

2208

01:30:53,870 --> 01:30:51,659

more for me to know consciously I would

2209

01:30:56,570 --> 01:30:53,880

have been you know given those answers

2210

01:30:58,370 --> 01:30:56,580

right there or later on so I just

2211

01:31:01,189 --> 01:30:58,380

usually just

2212

01:31:02,930 --> 01:31:01,199

um it's it's quite the opposite in the

2213

01:31:04,550 --> 01:31:02,940

very beginning it was like my whole

2214

01:31:06,530 --> 01:31:04,560

world will stop I would focus on that

2215

01:31:08,629 --> 01:31:06,540

now I just like oh okay it happened move

2216

01:31:10,970 --> 01:31:08,639

on and whatever needs to come out of

2217

01:31:13,490 --> 01:31:10,980

that will eventually happen so anyway to

2218

01:31:16,550 --> 01:31:13,500

answer your question not as often very

2219

01:31:18,490 --> 01:31:16,560

rare now but it's not the end

2220

01:31:20,510 --> 01:31:18,500

um it's

2221

01:31:22,189 --> 01:31:20,520

obviously uh if you I don't know if you

2222

01:31:25,490 --> 01:31:22,199

heard some stories now it's kind of

2223

01:31:27,649 --> 01:31:25,500

involving uh my children more of the

2224

01:31:29,270 --> 01:31:27,659

middle child you know and so on so we've

2225

01:31:32,330 --> 01:31:29,280

been kind of dealing dealing with that

2226

01:31:34,790 --> 01:31:32,340

and just kind of um being there for him

2227

01:31:37,070 --> 01:31:34,800

for whatever is happening there and so

2228

01:31:40,310 --> 01:31:37,080

thank thankfully everything is just fine

2229

01:31:42,050 --> 01:31:40,320

he's adjusted very well but it's one of

2230

01:31:43,310 --> 01:31:42,060

these weird things that when you live

2231

01:31:46,490 --> 01:31:43,320

this weird

2232

01:31:49,250 --> 01:31:46,500

weird life and it's not a normal thing

2233

01:31:52,370 --> 01:31:49,260

for an average outside person over there

2234

01:31:54,590 --> 01:31:52,380

all we have is each other and close

2235

01:31:56,390 --> 01:31:54,600

friends and family to kind of deal with

2236

01:31:57,709 --> 01:31:56,400

whatever we're dealing with because it's

2237

01:32:00,649 --> 01:31:57,719

not like the government is going to step

2238

01:32:03,050 --> 01:32:00,659

in because just recently they only

2239

01:32:05,510 --> 01:32:03,060

opened up an office to keep track of

2240

01:32:07,970 --> 01:32:05,520

uaps or UFOs whatever they want to call

2241

01:32:09,530 --> 01:32:07,980

them and but even then that's very

2242

01:32:11,390 --> 01:32:09,540

that's absolutely really nothing

2243

01:32:13,669 --> 01:32:11,400

compared to what's really been happening

2244

01:32:15,950 --> 01:32:13,679

to people and so

2245

01:32:18,229 --> 01:32:15,960

um at the end of the day all we have is

2246

01:32:20,090 --> 01:32:18,239

ourselves to solve whatever problems I

2247

01:32:22,129 --> 01:32:20,100

can't go to anybody I might ask a friend

2248

01:32:23,689 --> 01:32:22,139

for an opinion but at the end of the day

2249

01:32:27,229 --> 01:32:23,699

I have to

2250

01:32:29,209 --> 01:32:27,239

keep at it and and keep at it until an

2251

01:32:32,330 --> 01:32:29,219

answer comes to me or I'm given an

2252

01:32:34,310 --> 01:32:32,340

answer or an an understanding about what

2253

01:32:36,470 --> 01:32:34,320

is happening so I hope that answers your

2254

01:32:41,510 --> 01:32:36,480

question

2255

01:32:46,010 --> 01:32:44,450

all right uh and for those that are

2256

01:32:47,990 --> 01:32:46,020

wondering submit a question so I know

2257

01:32:50,510 --> 01:32:48,000

that whether or not it's directly

2258

01:32:53,390 --> 01:32:50,520

towards me please um include three

2259

01:32:55,250 --> 01:32:53,400

asterix's uh before you submit the

2260

01:32:57,649 --> 01:32:55,260

question so I know it's actually for me

2261

01:33:00,169 --> 01:32:57,659

otherwise uh I'm just gonna assume you

2262

01:33:02,629 --> 01:33:00,179

guys are chatting in the rooms and then

2263

01:33:04,729 --> 01:33:02,639

of course if you still uh would like to

2264

01:33:06,770 --> 01:33:04,739

talk to me over telegram as I mentioned

2265

01:33:09,050 --> 01:33:06,780

install telegram on your phone or

2266

01:33:11,990 --> 01:33:09,060

computer uh join the group that's going

2267

01:33:13,310 --> 01:33:12,000

on live now the the voice chat and uh

2268

01:33:15,430 --> 01:33:13,320

then you'll be able to speak to me

2269

01:33:19,010 --> 01:33:15,440

directly

2270

01:33:21,530 --> 01:33:19,020

okay um Ascension bar welcome good to

2271

01:33:26,870 --> 01:33:24,830

okay it seems like

2272

01:33:29,090 --> 01:33:26,880

most of the chatter was happening while

2273

01:33:34,430 --> 01:33:29,100

I was talking to Michael so it's just

2274

01:33:38,510 --> 01:33:36,229

and

2275

01:33:40,490 --> 01:33:38,520

let's see here for those who are just

2276

01:33:41,450 --> 01:33:40,500

listed on podcasts I'm sorry for these

2277

01:33:44,270 --> 01:33:41,460

long

2278

01:33:46,790 --> 01:33:44,280

silences of

2279

01:33:48,229 --> 01:33:46,800

sometimes dead air that's because I'm

2280

01:33:50,870 --> 01:33:48,239

just looking through to see if there's

2281

01:33:52,669 --> 01:33:50,880

any other questions or anyone else

2282

01:33:54,649 --> 01:33:52,679

wanting to chat

2283

01:33:56,689 --> 01:33:54,659

okay well

2284

01:33:59,209 --> 01:33:56,699

um I guess I'll leave you to that uh

2285

01:34:01,189 --> 01:33:59,219

most of you I guess uh there's no one

2286

01:34:03,350 --> 01:34:01,199

else there's some people listening but

2287

01:34:04,970 --> 01:34:03,360

not necessarily wanting to to join and

2288

01:34:06,410 --> 01:34:04,980

talk to me so

2289

01:34:10,010 --> 01:34:06,420

um I'll leave it at that thank you all

2290

01:34:12,770 --> 01:34:10,020

very much for uh joining me today and uh

2291

01:34:15,590 --> 01:34:12,780

joining or join me next week Wednesday

2292

01:34:18,770 --> 01:34:15,600

at 7 pm I should actually have a guest

2293

01:34:20,750 --> 01:34:18,780

on so there will be most likely a

2294

01:34:22,490 --> 01:34:20,760

segment for Q a so if you have a

2295

01:34:23,930 --> 01:34:22,500

question for them please use that

2296

01:34:25,729 --> 01:34:23,940

opportunity to actually ask them

2297

01:34:27,350 --> 01:34:25,739

whatever it is that they would like to

2298

01:34:30,290 --> 01:34:27,360

ask because

2299

01:34:32,990 --> 01:34:30,300

um if you've read their books or there's

2300

01:34:34,729 --> 01:34:33,000

something that interests you about their

2301

01:34:36,350 --> 01:34:34,739

specific work that would be an

2302

01:34:37,550 --> 01:34:36,360

opportunity where you can where you can

2303

01:34:39,229 --> 01:34:37,560

do that

2304

01:34:41,330 --> 01:34:39,239

um I'm not saying that there aren't any

2305

01:34:43,850 --> 01:34:41,340

other shows or platforms out there that

2306

01:34:45,770 --> 01:34:43,860

do that but the whole point is that all

2307

01:34:47,990 --> 01:34:45,780

of these experiences are ours to be had

2308

01:34:50,629 --> 01:34:48,000

all the research we all do is for our

2309

01:34:53,689 --> 01:34:50,639

own benefit as individuals and as a

2310

01:34:55,729 --> 01:34:53,699

society so the more you can find out the

2311

01:34:58,070 --> 01:34:55,739

more you can ask directly the better I

2312

01:35:00,290 --> 01:34:58,080

mean I can ask the question I might hit

2313

01:35:02,510 --> 01:35:00,300

the spot on and ask exactly what you

2314

01:35:05,149 --> 01:35:02,520

wanted to know but sometimes I don't

2315

01:35:08,090 --> 01:35:05,159

know so I hope you take that opportunity

2316

01:35:10,910 --> 01:35:08,100

so thank you all very much have a good

2317

01:35:13,310 --> 01:35:10,920

evening wherever you all are and tune in

2318

01:35:14,870 --> 01:35:13,320

next week Wednesday at 7. all right take
