[Music]

2  
00:00:56,600 --> 00:01:04,789

thank you

3  
00:01:10,969 --> 00:01:07,370

hey everyone well welcome to open lines

4  
00:01:13,070 --> 00:01:10,979

and no today is not moving day but uh

5  
00:01:15,530 --> 00:01:13,080

Today's Show I basically would like to

6  
00:01:17,270 --> 00:01:15,540

open up open lines later on for those

7  
00:01:19,789 --> 00:01:17,280

who would like to share some stories

8  
00:01:22,969 --> 00:01:19,799

with me and chat but um what brought

9  
00:01:25,490 --> 00:01:22,979

about all these books and the the basic

10  
00:01:27,530 --> 00:01:25,500

subject that I would like to cover for

11  
00:01:30,530 --> 00:01:27,540

restaurants yeah brought the restaurant

12  
00:01:31,070 --> 00:01:30,540

tonight is um

13  
00:01:33,050 --> 00:01:31,080

um

14

00:01:36,649 --> 00:01:33,060

something that was inspired by a friend

15

00:01:38,569 --> 00:01:36,659

of mine and it's it was um as I

16

00:01:40,730 --> 00:01:38,579

discussed with them just not too long

17

00:01:43,069 --> 00:01:40,740

ago before the show started uh something

18

00:01:44,330 --> 00:01:43,079

that blew my mind but not in the ways

19

00:01:47,090 --> 00:01:44,340

that that you think it wasn't anything

20

00:01:49,190 --> 00:01:47,100

like whoa you know the whole universe

21

00:01:51,830 --> 00:01:49,200

came together and and all these things

22

00:01:54,710 --> 00:01:51,840

that we always like to exaggerate with

23

00:01:55,910 --> 00:01:54,720

uh words like wow this blew my mind but

24

00:01:58,130 --> 00:01:55,920

anyway

25

00:02:01,550 --> 00:01:58,140

um what's basically brought all this

26

00:02:03,889 --> 00:02:01,560

about and uh let me let me check

27

00:02:05,389 --> 00:02:03,899

something real quick okay I have too

28

00:02:07,010 --> 00:02:05,399

many things to open I want to always

29

00:02:09,229 --> 00:02:07,020

make sure that

30

00:02:12,530 --> 00:02:09,239

um I have things unmuted so that I'm not

31

00:02:13,670 --> 00:02:12,540

just doing miming and you can't hear

32

00:02:15,350 --> 00:02:13,680

anything

33

00:02:17,809 --> 00:02:15,360

um for those that are just listening

34

00:02:20,750 --> 00:02:17,819

it's basically

35

00:02:23,990 --> 00:02:20,760

the books that throughout the years

36

00:02:26,089 --> 00:02:24,000

um that I've read I have not touched all

37

00:02:29,330 --> 00:02:26,099

of them and all the details that I

38

00:02:32,690 --> 00:02:29,340

possibly could but I had a conversation

39

00:02:34,430 --> 00:02:32,700

and I will go more into into this in a

40

00:02:36,050 --> 00:02:34,440

second I had a conversation with a

41

00:02:40,010 --> 00:02:36,060

friend of mine he's

42

00:02:42,949 --> 00:02:40,020

um I think in late 50s if not early 60s

43

00:02:45,490 --> 00:02:42,959

and he sent me a link it was a link from

44

00:02:49,250 --> 00:02:45,500

Tucker Carlson and he was on this

45

00:02:51,729 --> 00:02:49,260

program where he was discussing UFOs and

46

00:02:54,290 --> 00:02:51,739

he sent it to me and he was just

47

00:02:56,390 --> 00:02:54,300

awestruck he was just amazed by it and

48

00:02:58,550 --> 00:02:56,400

he was sending the link to me to several

49

00:02:59,750 --> 00:02:58,560

other people that he and I both know

50

00:03:04,309 --> 00:02:59,760

because

51  
00:03:07,309 --> 00:03:04,319  
what Tucker told and whatever he said it

52  
00:03:11,390 --> 00:03:07,319  
it blew his mind because

53  
00:03:13,190 --> 00:03:11,400  
he basically looks up to Tucker and to

54  
00:03:15,530 --> 00:03:13,200  
him Tucker Carlson is one of the few

55  
00:03:17,149 --> 00:03:15,540  
people that on the on the web are just

56  
00:03:18,589 --> 00:03:17,159  
telling it like it is whether you agree

57  
00:03:20,690 --> 00:03:18,599  
with it or not that's at least his

58  
00:03:23,630 --> 00:03:20,700  
perspective but what's interesting about

59  
00:03:25,809 --> 00:03:23,640  
this is that when Tucker touched on the

60  
00:03:29,270 --> 00:03:25,819  
subject of UFOs and shared what he did

61  
00:03:31,250 --> 00:03:29,280  
he basically and his exact words were

62  
00:03:34,070 --> 00:03:31,260  
kind of along those lines it's like you

63  
00:03:36,649 --> 00:03:34,080

know Adnan you don't understand I this

64

00:03:38,390 --> 00:03:36,659

like told changed my way of thinking

65

00:03:42,250 --> 00:03:38,400

this kind of

66

00:03:46,789 --> 00:03:42,260

um in a way shattered his world that

67

00:03:48,710 --> 00:03:46,799

there is a genuine way to start thinking

68

00:03:51,470 --> 00:03:48,720

about the therapy there is potentially

69

00:03:53,990 --> 00:03:51,480

life outside of this planet never mind

70

00:03:56,390 --> 00:03:54,000

interdimensional and so that was

71

00:03:58,910 --> 00:03:56,400

actually something that just

72

00:04:01,130 --> 00:03:58,920

um you know just amazed him and so of

73

00:04:04,070 --> 00:04:01,140

course he didn't was sending links left

74

00:04:06,470 --> 00:04:04,080

and right to all these people that uh he

75

00:04:08,750 --> 00:04:06,480

knew we were into this stuff but it just

76

00:04:10,550 --> 00:04:08,760

I guess took some someone who he felt

77

00:04:13,070 --> 00:04:10,560

like he could trust and it's a public

78

00:04:15,410 --> 00:04:13,080

figure to mention something about UFOs

79

00:04:17,930 --> 00:04:15,420

for him to just finally go like oh my

80

00:04:21,590 --> 00:04:17,940

God you know and just really pay

81

00:04:23,150 --> 00:04:21,600

attention to this and so I was just we

82

00:04:25,370 --> 00:04:23,160

were having this conversation he was

83

00:04:26,990 --> 00:04:25,380

texting to me I was driving so

84

00:04:28,909 --> 00:04:27,000

um I just called him instead I said I

85

00:04:31,430 --> 00:04:28,919

can't keep on test texting let's just

86

00:04:33,350 --> 00:04:31,440

talk so I jokingly just said to him you

87

00:04:35,090 --> 00:04:33,360

know it's you know because after he was

88

00:04:36,770 --> 00:04:35,100

telling me all about this and he was

89

00:04:39,110 --> 00:04:36,780

just rattling on and on about whatever

90

00:04:41,270 --> 00:04:39,120

you know I said what's really going to

91

00:04:43,490 --> 00:04:41,280

blow your mind is that there's actually

92

00:04:45,469 --> 00:04:43,500

some people that have had contact with

93

00:04:46,850 --> 00:04:45,479

some of those beings you know and

94

00:04:48,590 --> 00:04:46,860

they've come back to tell about it

95

00:04:50,210 --> 00:04:48,600

including the one person you're talking

96

00:04:52,010 --> 00:04:50,220

on the phone with and he just started

97

00:04:53,990 --> 00:04:52,020

laughing you know and he's like yeah

98

00:04:55,610 --> 00:04:54,000

I've always known you know but you know

99

00:04:57,170 --> 00:04:55,620

it was never really I never really

100

00:04:59,930 --> 00:04:57,180

entertained it it was always something

101  
00:05:02,210 --> 00:04:59,940  
like he was hearing all this stuff and

102  
00:05:04,430 --> 00:05:02,220  
okay it was great but then he still went

103  
00:05:08,030 --> 00:05:04,440  
about his life and it took something

104  
00:05:10,370 --> 00:05:08,040  
like that event to just it's basically

105  
00:05:12,350 --> 00:05:10,380  
just a break something in him you know

106  
00:05:15,590 --> 00:05:12,360  
for the lack of a better word and not in

107  
00:05:19,129 --> 00:05:15,600  
a bad way but just to to really have a

108  
00:05:21,290 --> 00:05:19,139  
um earth-shattering view of where he was

109  
00:05:23,689 --> 00:05:21,300  
at mentally and then where he is

110  
00:05:26,749 --> 00:05:23,699  
mentally now and so

111  
00:05:29,450 --> 00:05:26,759  
what changed my mind and it was or blew

112  
00:05:32,450 --> 00:05:29,460  
my world here it was two things one that

113  
00:05:35,510 --> 00:05:32,460

as long as I've known them I've for him

114

00:05:37,909 --> 00:05:35,520

to be that candid with me to describe

115

00:05:40,370 --> 00:05:37,919

like he was in my presence we talked we

116

00:05:42,710 --> 00:05:40,380

joked you know and and

117

00:05:45,590 --> 00:05:42,720

um you know it was my assumption I guess

118

00:05:47,390 --> 00:05:45,600

wrongfully so that you know he's at

119

00:05:49,249 --> 00:05:47,400

least kind of thinking about these

120

00:05:51,050 --> 00:05:49,259

different things just by being around me

121

00:05:53,150 --> 00:05:51,060

and he was several times he was at the

122

00:05:56,450 --> 00:05:53,160

conference at Ozark being one of the

123

00:05:59,029 --> 00:05:56,460

camera guys and so how can you not think

124

00:06:01,189 --> 00:05:59,039

beyond your normal thoughts day-to-day

125

00:06:02,990 --> 00:06:01,199

thoughts but it was something that

126

00:06:05,390 --> 00:06:03,000

really amazed me that according to him

127

00:06:07,010 --> 00:06:05,400

and what he told me he's like no I mean

128

00:06:09,890 --> 00:06:07,020

even though he was among us even though

129

00:06:11,749 --> 00:06:09,900

he was at these conferences watching and

130

00:06:14,270 --> 00:06:11,759

listening these people present it was

131

00:06:16,490 --> 00:06:14,280

just full block and it took something

132

00:06:18,590 --> 00:06:16,500

like that Tucker calls an interview to

133

00:06:20,870 --> 00:06:18,600

just open all that up for him and then

134

00:06:23,029 --> 00:06:20,880

second part about what really just blew

135

00:06:26,629 --> 00:06:23,039

my mind is that

136

00:06:30,050 --> 00:06:26,639

um it took or at least I should say

137

00:06:31,430 --> 00:06:30,060

the importance of famous people in that

138

00:06:34,370 --> 00:06:31,440

regard

139

00:06:36,290 --> 00:06:34,380

um I really don't you know I have people

140

00:06:39,170 --> 00:06:36,300

that have met you know all they've

141

00:06:41,210 --> 00:06:39,180

written most of these books and

142

00:06:43,550 --> 00:06:41,220

it was nice to meet him and talk to them

143

00:06:45,050 --> 00:06:43,560

you know but it was just kind of um from

144

00:06:46,610 --> 00:06:45,060

one colleague to another they might not

145

00:06:49,189 --> 00:06:46,620

have seen it that way but at least I did

146

00:06:50,570 --> 00:06:49,199

I wasn't putting one up more in a

147

00:06:53,629 --> 00:06:50,580

pedestal than the other it was just

148

00:06:55,490 --> 00:06:53,639

simply there on the search I'm searching

149

00:06:57,290 --> 00:06:55,500

they've written a book I've got to meet

150

00:06:59,689 --> 00:06:57,300

them let's chat a little bit about this

151  
00:07:00,890 --> 00:06:59,699  
and so

152  
00:07:03,710 --> 00:07:00,900  
um

153  
00:07:05,870 --> 00:07:03,720  
what what basically you know

154  
00:07:08,390 --> 00:07:05,880  
it just it made me change my mind that

155  
00:07:11,330 --> 00:07:08,400  
you know the importance of a famous

156  
00:07:14,809 --> 00:07:11,340  
person and what just a few words from

157  
00:07:16,550 --> 00:07:14,819  
them could actually could actually do I

158  
00:07:18,230 --> 00:07:16,560  
knew they can always influence they can

159  
00:07:20,629 --> 00:07:18,240  
always inside certain things because

160  
00:07:23,330 --> 00:07:20,639  
most people watch them but I never

161  
00:07:26,570 --> 00:07:23,340  
really understood to what

162  
00:07:29,570 --> 00:07:26,580  
minute and detailed level somebody's

163  
00:07:32,510 --> 00:07:29,580

word that they truly look up to

164

00:07:36,170 --> 00:07:32,520

one of two words can mean to them

165

00:07:39,469 --> 00:07:36,180

and how Earth's Earth shattering and and

166

00:07:42,290 --> 00:07:39,479

and life-changing those few words from

167

00:07:44,089 --> 00:07:42,300

somebody that's famous can you know can

168

00:07:46,610 --> 00:07:44,099

basically have an effect on them because

169

00:07:48,890 --> 00:07:46,620

most of the time I've always just seen

170

00:07:52,490 --> 00:07:48,900

people getting infatuated with famous

171

00:07:55,309 --> 00:07:52,500

people they try to mimic them they try

172

00:07:58,129 --> 00:07:55,319

you know basically just to see them go

173

00:08:00,770 --> 00:07:58,139

see them in concerts wherever but there

174

00:08:02,689 --> 00:08:00,780

was kind of the extent to which I always

175

00:08:05,270 --> 00:08:02,699

thought okay well to me that's not

176

00:08:09,170 --> 00:08:05,280

healthy I'm not interested in that but I

177

00:08:11,450 --> 00:08:09,180

never never quite realized that uh that

178

00:08:13,189 --> 00:08:11,460

something like what Tucker did Tucker

179

00:08:17,270 --> 00:08:13,199

Carlson did to my friend just talking

180

00:08:19,850 --> 00:08:17,280

about UFOs and so basically this show is

181

00:08:22,550 --> 00:08:19,860

uh was basically inspired by that to

182

00:08:24,469 --> 00:08:22,560

just I don't know if you are going to

183

00:08:25,550 --> 00:08:24,479

hear you know anything or shadowing here

184

00:08:26,990 --> 00:08:25,560

today

185

00:08:29,029 --> 00:08:27,000

um I don't know to what level of

186

00:08:31,129 --> 00:08:29,039

understanding you are whether you were

187

00:08:33,829 --> 00:08:31,139

just new to this a lifelong experience

188

00:08:37,250 --> 00:08:33,839

or researcher whatever but I just would

189

00:08:39,050 --> 00:08:37,260

like to basically go through certain

190

00:08:42,709 --> 00:08:39,060

things that

191

00:08:46,010 --> 00:08:42,719

um I guess go to the beginning stages of

192

00:08:48,290 --> 00:08:46,020

how things started out for me what I

193

00:08:51,170 --> 00:08:48,300

initially started reading about and

194

00:08:53,329 --> 00:08:51,180

going through and then eventually uh led

195

00:08:55,970 --> 00:08:53,339

to if the eventually experiences that

196

00:08:57,650 --> 00:08:55,980

I've had and so I'm not sure if you're

197

00:08:59,630 --> 00:08:57,660

going to find this interesting or boring

198

00:09:02,750 --> 00:08:59,640

but if you're here and you want to

199

00:09:05,090 --> 00:09:02,760

listen welcome but yeah let me just

200

00:09:07,910 --> 00:09:05,100

basically just start out I can't I can't

201

00:09:09,949 --> 00:09:07,920

get into every single book but I just

202

00:09:13,070 --> 00:09:09,959

would like to basically cover

203

00:09:16,790 --> 00:09:13,080

um as much as I can just at what stage

204

00:09:19,910 --> 00:09:16,800

in my life uh each book represents each

205

00:09:22,009 --> 00:09:19,920

one of those and so as you know as I

206

00:09:25,070 --> 00:09:22,019

progress and so on like different books

207

00:09:27,290 --> 00:09:25,080

had uh different importance until

208

00:09:30,050 --> 00:09:27,300

eventually they just ended up on my

209

00:09:31,430 --> 00:09:30,060

shelf and to be honest I hardly look at

210

00:09:33,889 --> 00:09:31,440

them anymore because once you've had

211

00:09:36,769 --> 00:09:33,899

your own experiences it kind of Trumps

212

00:09:39,350 --> 00:09:36,779

all this you know and it just takes you

213

00:09:40,730 --> 00:09:39,360

just on a different path to where you

214

00:09:43,009 --> 00:09:40,740

don't need a book you have an

215

00:09:45,110 --> 00:09:43,019

understanding and now you go your own

216

00:09:46,370 --> 00:09:45,120

way in that new uh on the on that new

217

00:09:49,250 --> 00:09:46,380

Direction

218

00:09:51,410 --> 00:09:49,260

um just guiding yourself basically and

219

00:09:54,470 --> 00:09:51,420

so

220

00:09:57,470 --> 00:09:54,480

I don't know what most people what it

221

00:09:59,630 --> 00:09:57,480

what it requires I guess for them to

222

00:10:02,630 --> 00:09:59,640

start researching or start looking into

223

00:10:05,389 --> 00:10:02,640

things for me as most of you know it was

224

00:10:07,130 --> 00:10:05,399

early experiences from childhood that

225

00:10:09,829 --> 00:10:07,140

basically just ignored and kept living

226

00:10:11,870 --> 00:10:09,839

my life until I basically turned 15 and

227

00:10:14,509 --> 00:10:11,880

said okay I need to start learning I

228

00:10:16,550 --> 00:10:14,519

need to see if I'm not the only one here

229

00:10:18,650 --> 00:10:16,560

now of course all of that was just

230

00:10:21,230 --> 00:10:18,660

behind closed doors don't tell any

231

00:10:23,630 --> 00:10:21,240

friends don't share any stories uh just

232

00:10:26,449 --> 00:10:23,640

the very very few that I could talk to I

233

00:10:29,150 --> 00:10:26,459

did before I eventually kind of

234

00:10:30,850 --> 00:10:29,160

um I guess got out of the UFO closet and

235

00:10:34,730 --> 00:10:30,860

so

236

00:10:36,949 --> 00:10:34,740

before I had my own experiences

237

00:10:39,710 --> 00:10:36,959

um all that I had experience up to that

238

00:10:41,810 --> 00:10:39,720

point is obviously was very puzzling so

239

00:10:44,030 --> 00:10:41,820

I was always trying to understand it I

240

00:10:45,710 --> 00:10:44,040

was trying to you know to see where

241

00:10:47,690 --> 00:10:45,720

where can I find information surely

242

00:10:49,790 --> 00:10:47,700

there have been people there and so I'm

243

00:10:52,009 --> 00:10:49,800

gonna have to look look at the picture

244

00:10:55,009 --> 00:10:52,019

here so I'd see which which book is

245

00:10:57,889 --> 00:10:55,019

where but anyway so

246

00:10:59,930 --> 00:10:57,899

few of the books that I have here

247

00:11:03,769 --> 00:10:59,940

it's actually I'm going the wrong way

248

00:11:06,710 --> 00:11:03,779

these two so that's communion and

249

00:11:10,550 --> 00:11:06,720

I hope these books don't collapse on me

250

00:11:13,370 --> 00:11:10,560

this is communion and confirmation from

251

00:11:16,550 --> 00:11:13,380

Whitley strieber and basically this is

252

00:11:19,790 --> 00:11:16,560

kind of like UFOs 101. uh you want to

253

00:11:21,769 --> 00:11:19,800

talk about a lifelong experiences and

254

00:11:24,410 --> 00:11:21,779

happenings and discussions and

255

00:11:26,509 --> 00:11:24,420

conversations this is for anyone that's

256

00:11:28,990 --> 00:11:26,519

just starting out a really really good

257

00:11:31,490 --> 00:11:29,000

beginner and

258

00:11:34,310 --> 00:11:31,500

that that of course I mean all depends

259

00:11:36,829 --> 00:11:34,320

on who you are uh sometimes you know

260

00:11:39,889 --> 00:11:36,839

other books have different effects on

261

00:11:42,530 --> 00:11:39,899

people but these two uh you want to talk

262

00:11:44,030 --> 00:11:42,540

about opening your mind to the subject

263

00:11:45,769 --> 00:11:44,040

for the first time whether you had

264

00:11:47,090 --> 00:11:45,779

experiences or just starting out to

265

00:11:49,370 --> 00:11:47,100

research

266

00:11:50,930 --> 00:11:49,380

um that would be two of the books of

267

00:11:53,810 --> 00:11:50,940

course then I have

268

00:11:55,730 --> 00:11:53,820

two here it's hard to tell but uh

269

00:11:58,610 --> 00:11:55,740

they're Zechariah stitch in books and of

270

00:12:01,790 --> 00:11:58,620

course that opens up a whole can of

271

00:12:04,310 --> 00:12:01,800

worms basically you go into Anunnaki at

272

00:12:06,829 --> 00:12:04,320

the 12th Planet and then I forgot what

273

00:12:07,670 --> 00:12:06,839

the other one was I can't see it from

274

00:12:12,290 --> 00:12:07,680

here

275

00:12:17,030 --> 00:12:14,690

um The Stairway to stay away to heaven

276

00:12:19,850 --> 00:12:17,040

and then of course the 12th Planet and

277

00:12:24,530 --> 00:12:19,860

so that gives you a whole other

278

00:12:27,470 --> 00:12:24,540

basically another idea about

279

00:12:29,030 --> 00:12:27,480

a story that that I personally before I

280

00:12:32,150 --> 00:12:29,040

read those books I've never heard of

281

00:12:35,210 --> 00:12:32,160

that aliens were basically Landing here

282

00:12:37,130 --> 00:12:35,220

on the planet to mine gold to help them

283

00:12:40,670 --> 00:12:37,140

out with their atmosphere and the

284

00:12:42,530 --> 00:12:40,680

reasons that they needed gold for and in

285

00:12:44,870 --> 00:12:42,540

order to make their work a bit a bit

286

00:12:48,949 --> 00:12:44,880

easier it basically

287

00:12:51,710 --> 00:12:48,959

um they genetically engineered uh I

288

00:12:55,730 --> 00:12:51,720

guess parts of um their DNA I believe

289

00:12:59,569 --> 00:12:55,740

and uh DNA that was uh at on the planet

290

00:13:02,690 --> 00:12:59,579

naturally evolving and in the book he

291

00:13:05,090 --> 00:13:02,700

States I believed it was Homo erectus

292

00:13:08,030 --> 00:13:05,100

um but some people have said that it was

293

00:13:11,449 --> 00:13:08,040

just what we consider Bigfoot that was

294

00:13:14,329 --> 00:13:11,459

initially mixed together and so to just

295

00:13:16,069 --> 00:13:14,339

be workers and do the job that they

296

00:13:18,710 --> 00:13:16,079

needed to do I mean this whole story

297

00:13:20,810 --> 00:13:18,720

that one can get into but anyway I'm

298

00:13:22,250 --> 00:13:20,820

just putting out the titles for all of

299

00:13:24,230 --> 00:13:22,260

you there I'm sorry I didn't have enough

300

00:13:26,389 --> 00:13:24,240

time to actually put the full list

301  
00:13:28,790 --> 00:13:26,399  
together but I thought I'll just go

302  
00:13:30,170 --> 00:13:28,800  
through some of these here

303  
00:13:31,430 --> 00:13:30,180  
so of course

304  
00:13:32,990 --> 00:13:31,440  
there's

305  
00:13:34,850 --> 00:13:33,000  
um this one was actually very

306  
00:13:37,790 --> 00:13:34,860  
interesting it's called the alien agenda

307  
00:13:40,490 --> 00:13:37,800  
it's by uh Jim Marsh and what I liked

308  
00:13:44,090 --> 00:13:40,500  
about that is his research and the

309  
00:13:46,389 --> 00:13:44,100  
perspective on different uh eyewitness

310  
00:13:49,850 --> 00:13:46,399  
accounts of

311  
00:13:52,550 --> 00:13:49,860  
what different agencies knew and what

312  
00:13:55,009 --> 00:13:52,560  
was basically told that they discovered

313  
00:13:56,569 --> 00:13:55,019

and what they talked about and so on

314

00:13:59,389 --> 00:13:56,579

um

315

00:14:01,250 --> 00:13:59,399

it goes the Devils also into remote

316

00:14:02,930 --> 00:14:01,260

viewing and all these different things

317

00:14:05,750 --> 00:14:02,940

so

318

00:14:07,850 --> 00:14:05,760

anyway I mean it's just it's I don't

319

00:14:10,370 --> 00:14:07,860

even know where to start it's it's as

320

00:14:13,490 --> 00:14:10,380

most of you know it's difficult to just

321

00:14:16,430 --> 00:14:13,500

compress a book in in just five minutes

322

00:14:20,389 --> 00:14:16,440

or or less but basically

323

00:14:22,910 --> 00:14:20,399

um Jim Marsh uh is is more of a

324

00:14:24,250 --> 00:14:22,920

more about this not the dry but more

325

00:14:27,170 --> 00:14:24,260

like Direct

326

00:14:30,829 --> 00:14:27,180

researching and and storytelling and

327

00:14:32,810 --> 00:14:30,839

whatever whatever he was able to gather

328

00:14:35,210 --> 00:14:32,820

um from what I remember that kind of

329

00:14:38,509 --> 00:14:35,220

book would be a good one to read and so

330

00:14:40,850 --> 00:14:38,519

then of course I have this is

331

00:14:42,530 --> 00:14:40,860

I really hope this stuff is I don't I

332

00:14:43,910 --> 00:14:42,540

didn't have anything good to hold all

333

00:14:46,310 --> 00:14:43,920

this stuff together so I hope it just

334

00:14:48,290 --> 00:14:46,320

doesn't collapse on me uh this one is uh

335

00:14:50,090 --> 00:14:48,300

Bashar blueprint for change a message

336

00:14:53,509 --> 00:14:50,100

from our future and it's basically

337

00:14:56,110 --> 00:14:53,519

written by Daryl Anka and

338

00:14:58,670 --> 00:14:56,120

um it's basically uh channeled material

339

00:15:01,250 --> 00:14:58,680

and about the different subjects so it's

340

00:15:03,769 --> 00:15:01,260

in the form of a question being asked

341

00:15:06,410 --> 00:15:03,779

and then Bashar answering it and there's

342

00:15:10,069 --> 00:15:06,420

a plethora of different questions that

343

00:15:12,889 --> 00:15:10,079

you can kind of sift through search it

344

00:15:15,470 --> 00:15:12,899

and he gives that answer to whatever was

345

00:15:20,689 --> 00:15:15,480

being asked and so

346

00:15:24,350 --> 00:15:20,699

let's see here this one is Secret Life

347

00:15:25,910 --> 00:15:24,360

and it's by David Jacobs and so

348

00:15:28,250 --> 00:15:25,920

if you want to have some sleepless

349

00:15:31,910 --> 00:15:28,260

nights and especially in the very

350

00:15:34,009 --> 00:15:31,920

beginning before or not saying that you

351

00:15:36,350 --> 00:15:34,019

will ever but before I had my

352

00:15:38,569 --> 00:15:36,360

experiences and I was reading this book

353

00:15:40,790 --> 00:15:38,579

this will scare the ever living hell out

354

00:15:42,949 --> 00:15:40,800

of you you know I'm saying it lightly

355

00:15:45,470 --> 00:15:42,959

but you know

356

00:15:47,329 --> 00:15:45,480

he and

357

00:15:48,769 --> 00:15:47,339

um I guess Dolores Cannon did didn't

358

00:15:50,509 --> 00:15:48,779

exactly

359

00:15:52,129 --> 00:15:50,519

um get along with each other just

360

00:15:54,290 --> 00:15:52,139

because of perspective and talking about

361

00:15:57,829 --> 00:15:54,300

Dolores Cannon this is her uh three

362

00:15:59,750 --> 00:15:57,839

weeks of volunteers and so they they

363

00:16:02,509 --> 00:15:59,760

didn't get along with each other very

364

00:16:04,970 --> 00:16:02,519

well and this was

365

00:16:08,030 --> 00:16:04,980

um I got to see them both in 2012

366

00:16:10,629 --> 00:16:08,040

presenting and it's basically to have

367

00:16:13,790 --> 00:16:10,639

two two different uh I guess

368

00:16:15,370 --> 00:16:13,800

mindsets or the approach or how to do

369

00:16:19,250 --> 00:16:15,380

hypnosis

370

00:16:22,790 --> 00:16:19,260

Dolores claimed that

371

00:16:25,069 --> 00:16:22,800

David Jacobs always stayed on the higher

372

00:16:26,990 --> 00:16:25,079

levels where you go under you start

373

00:16:29,150 --> 00:16:27,000

recalling things but you stay in that

374

00:16:31,430 --> 00:16:29,160

fearful emotional state

375

00:16:33,170 --> 00:16:31,440

um and basically that's where he keeps

376

00:16:35,150 --> 00:16:33,180

them all the time and so whatever you

377

00:16:38,509 --> 00:16:35,160

recalling you're recalling it from that

378

00:16:40,490 --> 00:16:38,519

perspective where dolores's technique

379

00:16:42,889 --> 00:16:40,500

she was claiming that didn't will not

380

00:16:44,930 --> 00:16:42,899

claim him but based on what I all read

381

00:16:47,569 --> 00:16:44,940

and I know if she would go deeper than

382

00:16:49,490 --> 00:16:47,579

that so it goes beyond emotions and all

383

00:16:52,370 --> 00:16:49,500

these things and then it gives a deeper

384

00:16:56,269 --> 00:16:52,380

understanding and Taps into a much

385

00:16:58,970 --> 00:16:56,279

deeper uh basically a message of what

386

00:17:01,189 --> 00:16:58,980

was going on why it was going on and

387

00:17:04,610 --> 00:17:01,199

basically it gave people Clarity it gave

388

00:17:07,010 --> 00:17:04,620

them it gave him peace of mind that it's

389

00:17:08,990 --> 00:17:07,020

okay whatever had happened because they

390

00:17:11,090 --> 00:17:09,000

understood now the deeper understanding

391

00:17:13,309 --> 00:17:11,100

of why these different events were

392

00:17:14,929 --> 00:17:13,319

happening like in abductions if they if

393

00:17:16,429 --> 00:17:14,939

they were fearful and they found this up

394

00:17:18,890 --> 00:17:16,439

screaming and

395

00:17:21,829 --> 00:17:18,900

um if certain things during these

396

00:17:23,750 --> 00:17:21,839

contacts we're not pleasant it was in

397

00:17:26,510 --> 00:17:23,760

the Dolores technique it was explained

398

00:17:30,110 --> 00:17:26,520

why was happening what was happening so

399

00:17:33,110 --> 00:17:30,120

it it just it eradicated that fear

400

00:17:34,850 --> 00:17:33,120

whereas in with David Jacobs it's not

401  
00:17:37,490 --> 00:17:34,860  
necessarily the third that they're

402  
00:17:40,610 --> 00:17:37,500  
telling a wrong story it's just that

403  
00:17:43,130 --> 00:17:40,620  
there's a certain level that I guess he

404  
00:17:44,870 --> 00:17:43,140  
doesn't go to and so

405  
00:17:47,510 --> 00:17:44,880  
um it was unfortunate

406  
00:17:48,830 --> 00:17:47,520  
um it wasn't a big deal but in 2012 you

407  
00:17:52,310 --> 00:17:48,840  
could kind of

408  
00:17:54,830 --> 00:17:52,320  
see that there was a

409  
00:17:57,710 --> 00:17:54,840  
H what was the word like contention

410  
00:17:59,870 --> 00:17:57,720  
between them two you know and

411  
00:18:01,549 --> 00:17:59,880  
um not necessarily on Dolores this way

412  
00:18:02,930 --> 00:18:01,559  
and I'm really saying it at that point

413  
00:18:05,330 --> 00:18:02,940

because I

414

00:18:08,690 --> 00:18:05,340

um later on I got to meet Dolores more

415

00:18:10,730 --> 00:18:08,700

in 2012 I was just a basically an

416

00:18:13,549 --> 00:18:10,740

observer so I didn't know any more than

417

00:18:15,289 --> 00:18:13,559

what I what I saw on stage you know it

418

00:18:18,289 --> 00:18:15,299

was just

419

00:18:20,150 --> 00:18:18,299

because of their the two different

420

00:18:23,029 --> 00:18:20,160

techniques anyway they didn't get along

421

00:18:25,549 --> 00:18:23,039

so like uh one particular example so

422

00:18:27,230 --> 00:18:25,559

Dolores got on stage and the lights was

423

00:18:28,909 --> 00:18:27,240

really bright and she said oh the the

424

00:18:30,230 --> 00:18:28,919

lights are bright it's anyway we can

425

00:18:33,289 --> 00:18:30,240

just turn them down a little bit because

426

00:18:35,990 --> 00:18:33,299

it was distracting her to to present and

427

00:18:38,630 --> 00:18:36,000

so a day later I think it was the same

428

00:18:41,570 --> 00:18:38,640

day it's 2012 I can't remember all the

429

00:18:43,549 --> 00:18:41,580

my new details David Jacobs got on stage

430

00:18:45,350 --> 00:18:43,559

and his first come was like oh the

431

00:18:47,510 --> 00:18:45,360

lights are bright you know it's like can

432

00:18:49,130 --> 00:18:47,520

we please turn them down I don't know

433

00:18:51,409 --> 00:18:49,140

that was kind of a jackass thing to do

434

00:18:54,230 --> 00:18:51,419

in my opinion you know but that was

435

00:18:57,590 --> 00:18:54,240

basically uh his passive aggressive jab

436

00:18:59,810 --> 00:18:57,600

at Dolores but anyway I would recommend

437

00:19:01,730 --> 00:18:59,820

you reading them both if it comes to

438

00:19:03,950 --> 00:19:01,740

truly wanting to understand what's going

439

00:19:07,010 --> 00:19:03,960

on read both and you make up your own

440

00:19:09,110 --> 00:19:07,020

mind you can join both camps go to one

441

00:19:12,350 --> 00:19:09,120

side or the other it's not up to me to

442

00:19:14,810 --> 00:19:12,360

you know to say what you get from it but

443

00:19:16,610 --> 00:19:14,820

um as much as I've experienced uh even

444

00:19:19,190 --> 00:19:16,620

years later

445

00:19:21,770 --> 00:19:19,200

this book does not hold much water

446

00:19:23,930 --> 00:19:21,780

because when you go through the the

447

00:19:25,669 --> 00:19:23,940

process and you truly take the time to

448

00:19:28,490 --> 00:19:25,679

understand there really is no fear

449

00:19:32,330 --> 00:19:28,500

there's just progression

450

00:19:34,310 --> 00:19:32,340

um experiences and so on and you don't

451  
00:19:37,130 --> 00:19:34,320  
have to have Sleepless sleepless nights

452  
00:19:40,250 --> 00:19:37,140  
just to you know try to make contact

453  
00:19:42,350 --> 00:19:40,260  
so anyway uh let me sit here I'm really

454  
00:19:45,409 --> 00:19:42,360  
hoping that these things just don't

455  
00:19:47,810 --> 00:19:45,419  
collapse here on me uh these two this

456  
00:19:51,049 --> 00:19:47,820  
one is uh Cosmic voyage by Courtney

457  
00:19:54,710 --> 00:19:51,059  
Brown and uh Cosmic explorers

458  
00:19:57,230 --> 00:19:54,720  
again these are books that all of these

459  
00:19:59,029 --> 00:19:57,240  
are were in my early stages so for some

460  
00:20:01,789 --> 00:19:59,039  
of you that have opinions about any of

461  
00:20:04,850 --> 00:20:01,799  
these authors please keep in mind this

462  
00:20:06,190 --> 00:20:04,860  
is the collection that I basically then

463  
00:20:09,909 --> 00:20:06,200

ended up with

464

00:20:12,890 --> 00:20:09,919

Essa starting at 15 years old

465

00:20:15,830 --> 00:20:12,900

learning and reading and leading up to

466

00:20:18,409 --> 00:20:15,840

my adventure experiences but

467

00:20:20,150 --> 00:20:18,419

um what I'm trying to get at if a lot of

468

00:20:23,150 --> 00:20:20,160

you like have opinions about certain

469

00:20:25,549 --> 00:20:23,160

authors and you know very strong ones

470

00:20:28,669 --> 00:20:25,559

about some and less strong about others

471

00:20:30,770 --> 00:20:28,679

so if you hear Courtney Brown and have

472

00:20:33,169 --> 00:20:30,780

very strong opinions about that just

473

00:20:35,270 --> 00:20:33,179

keep in mind this was just another

474

00:20:38,210 --> 00:20:35,280

section one part of my journey but

475

00:20:40,669 --> 00:20:38,220

anyway what I liked about these is that

476  
00:20:41,810 --> 00:20:40,679  
these two books were

477  
00:20:43,490 --> 00:20:41,820  
um

478  
00:20:46,610 --> 00:20:43,500  
they were

479  
00:20:50,150 --> 00:20:46,620  
it was a different approach so every

480  
00:20:54,230 --> 00:20:50,160  
everything like Ruth Montgomery up here

481  
00:20:58,330 --> 00:20:54,240  
and of course let me

482  
00:21:00,289 --> 00:20:58,340  
is it this one yep Ruth Montgomery and

483  
00:21:03,770 --> 00:21:00,299  
John Mack

484  
00:21:05,390 --> 00:21:03,780  
abduction also a classic one to to read

485  
00:21:06,830 --> 00:21:05,400  
and really get familiar with the with

486  
00:21:09,350 --> 00:21:06,840  
the subject

487  
00:21:11,630 --> 00:21:09,360  
um they were all stories from other

488  
00:21:13,490 --> 00:21:11,640

people what these two books basically

489

00:21:15,470 --> 00:21:13,500

did for me is that

490

00:21:16,850 --> 00:21:15,480

here's an approach that I never heard of

491

00:21:18,950 --> 00:21:16,860

before and it was called you know it's

492

00:21:20,810 --> 00:21:18,960

still called remote viewing but he has

493

00:21:22,370 --> 00:21:20,820

this different approach where they

494

00:21:24,710 --> 00:21:22,380

assign numbers

495

00:21:27,049 --> 00:21:24,720

and so basically if there was something

496

00:21:29,690 --> 00:21:27,059

that they wanted to look up there would

497

00:21:31,669 --> 00:21:29,700

be a person that would then give these

498

00:21:34,070 --> 00:21:31,679

numbers to somebody who's in that

499

00:21:37,250 --> 00:21:34,080

relaxed state to getting ready to remote

500

00:21:39,169 --> 00:21:37,260

View and so the other person that's

501  
00:21:40,669 --> 00:21:39,179  
given those numbers might or might not

502  
00:21:42,649 --> 00:21:40,679  
even know what they're supposed to

503  
00:21:44,810 --> 00:21:42,659  
represent but if you're in this remote

504  
00:21:46,370 --> 00:21:44,820  
viewing State it's supposed to then give

505  
00:21:48,950 --> 00:21:46,380  
you all this different information so

506  
00:21:50,890 --> 00:21:48,960  
you're going are you getting visual hits

507  
00:21:53,870 --> 00:21:50,900  
you're getting

508  
00:21:55,850 --> 00:21:53,880  
emotions feelings

509  
00:21:59,390 --> 00:21:55,860  
um Sensations all these different things

510  
00:22:02,630 --> 00:21:59,400  
that then come together and tell a story

511  
00:22:05,029 --> 00:22:02,640  
and so what this uh what actually both

512  
00:22:07,070 --> 00:22:05,039  
of both of the books do is you go they

513  
00:22:09,830 --> 00:22:07,080

go into different subjects so let me see

514

00:22:13,250 --> 00:22:09,840

here just to remind myself exactly like

515

00:22:20,330 --> 00:22:13,260

see if I can pick one up

516

00:22:24,470 --> 00:22:21,890

um

517

00:22:27,830 --> 00:22:24,480

so for example one of the subjects

518

00:22:32,570 --> 00:22:27,840

um a return to Jesus and then another

519

00:22:36,529 --> 00:22:34,789

okay

520

00:22:38,210 --> 00:22:36,539

sorry I should have prepared this a

521

00:22:41,570 --> 00:22:38,220

little bit more

522

00:22:47,029 --> 00:22:43,789

I go to the beginning they kind of go

523

00:22:50,590 --> 00:22:47,039

into each subject so my first visit to

524

00:22:54,169 --> 00:22:50,600

Mars remote viewing a UFO Abduction

525

00:22:56,390 --> 00:22:54,179

martians present survivors and so on

526

00:22:58,789 --> 00:22:56,400

there different chapters and so it tells

527

00:23:00,649 --> 00:22:58,799

about how basically he got the remote

528

00:23:03,289 --> 00:23:00,659

viewing information and how it came

529

00:23:05,570 --> 00:23:03,299

about so what he saw and then the

530

00:23:09,230 --> 00:23:05,580

discussion afterwards and so on but yeah

531

00:23:12,289 --> 00:23:09,240

here's an example so

532

00:23:16,549 --> 00:23:12,299

one of the the column Target coordinates

533

00:23:19,130 --> 00:23:16,559

and he would get something like 374 uh

534

00:23:21,409 --> 00:23:19,140

three three seven four five uh forward

535

00:23:24,529 --> 00:23:21,419

slash 4021

536

00:23:27,110 --> 00:23:24,539

and basically whatever he gets from that

537

00:23:29,210 --> 00:23:27,120

he would just tell and then after he

538

00:23:32,090 --> 00:23:29,220

he's done explaining it they tell him

539

00:23:35,570 --> 00:23:32,100

okay this we want to remove you uh Venus

540

00:23:38,029 --> 00:23:35,580

or whatever else they wanted and so now

541

00:23:40,190 --> 00:23:38,039

he understands or has that context of

542

00:23:42,110 --> 00:23:40,200

okay I was given the numbers this is

543

00:23:43,549 --> 00:23:42,120

what I got and then the picture comes

544

00:23:45,710 --> 00:23:43,559

together at the end

545

00:23:49,010 --> 00:23:45,720

anyway I hope I wasn't talking too much

546

00:23:51,590 --> 00:23:49,020

about about that now of course there's

547

00:23:53,149 --> 00:23:51,600

um the rise of the fourth Reich from Jim

548

00:23:55,730 --> 00:23:53,159

Marsh and especially what I love about

549

00:23:57,770 --> 00:23:55,740

these because he would I when I

550

00:24:00,350 --> 00:23:57,780

interviewed him I got him to sign some

551  
00:24:03,770 --> 00:24:00,360  
of these books and so one of them

552  
00:24:05,149 --> 00:24:03,780  
it's my favorite because when you uh one

553  
00:24:06,289 --> 00:24:05,159  
of the things I loved doing these

554  
00:24:08,390 --> 00:24:06,299  
different interviews with different

555  
00:24:10,490 --> 00:24:08,400  
authors is that it goes beyond their

556  
00:24:12,830 --> 00:24:10,500  
book when you speak to them you you feel

557  
00:24:15,049 --> 00:24:12,840  
you feel them as people their energy and

558  
00:24:16,850 --> 00:24:15,059  
who they are you know and what was

559  
00:24:18,350 --> 00:24:16,860  
interesting is that

560  
00:24:20,029 --> 00:24:18,360  
um you kind of pick up all these little

561  
00:24:22,250 --> 00:24:20,039  
quirks about them and the longer you

562  
00:24:24,409 --> 00:24:22,260  
talk about you know with them you get to

563  
00:24:26,270 --> 00:24:24,419

really really get to know them so the

564

00:24:28,070 --> 00:24:26,280

books when you read them have like a

565

00:24:30,049 --> 00:24:28,080

different tone to them but one of the

566

00:24:33,649 --> 00:24:30,059

things he wrote he says admin don't be a

567

00:24:36,830 --> 00:24:33,659

Nazi see the fascism uh in our nation

568

00:24:40,669 --> 00:24:36,840

and what he wrote is like don't be a not

569

00:24:42,770 --> 00:24:40,679

C basically in quotes and so he would

570

00:24:44,630 --> 00:24:42,780

just leave you know funny funny comments

571

00:24:47,090 --> 00:24:44,640

like that and you know others that I had

572

00:24:49,789 --> 00:24:47,100

signed Dolores and

573

00:24:52,070 --> 00:24:49,799

um uh basically uh Jim here they

574

00:24:54,289 --> 00:24:52,080

basically just um it's like a nice

575

00:24:57,049 --> 00:24:54,299

little gesture just to just to have and

576

00:24:59,750 --> 00:24:57,059

and to to know that these interviews

577

00:25:01,370 --> 00:24:59,760

that I ended up uh doing the interviews

578

00:25:03,710 --> 00:25:01,380

with all these different and people they

579

00:25:05,810 --> 00:25:03,720

you know they're they're real they they

580

00:25:07,610 --> 00:25:05,820

had their own path they wrote this book

581

00:25:09,529 --> 00:25:07,620

in their own way for their own reasons

582

00:25:11,870 --> 00:25:09,539

you know and

583

00:25:13,850 --> 00:25:11,880

um you just kind of um you get to have

584

00:25:16,610 --> 00:25:13,860

that feeling about okay this person

585

00:25:19,850 --> 00:25:16,620

truly also wants to know and then others

586

00:25:21,350 --> 00:25:19,860

you don't you know uh very rarely you

587

00:25:23,450 --> 00:25:21,360

don't kind of

588

00:25:25,010 --> 00:25:23,460

um get that connection about like oh wow

589

00:25:26,930 --> 00:25:25,020

this person wrote this book because

590

00:25:28,850 --> 00:25:26,940

their personality and how they write are

591

00:25:30,289 --> 00:25:28,860

obviously very different anyway I'm

592

00:25:32,090 --> 00:25:30,299

telling you about these because those

593

00:25:33,769 --> 00:25:32,100

are things are important to me you know

594

00:25:36,169 --> 00:25:33,779

that's how a judge character that's how

595

00:25:37,669 --> 00:25:36,179

when I meet people you know I want to

596

00:25:38,930 --> 00:25:37,679

know as much as I can about them

597

00:25:42,890 --> 00:25:38,940

especially when it comes to certain

598

00:25:46,130 --> 00:25:42,900

subjects because you know uh it's before

599

00:25:49,430 --> 00:25:46,140

you have your own built up intuitive you

600

00:25:51,350 --> 00:25:49,440

know uh Spider senses uh basically you

601  
00:25:53,570 --> 00:25:51,360  
try to go off of whatever you can to

602  
00:25:55,250 --> 00:25:53,580  
figure out who can you trust what

603  
00:25:57,110 --> 00:25:55,260  
they're saying is that trustworthy what

604  
00:26:00,110 --> 00:25:57,120  
they've written and so on

605  
00:26:02,090 --> 00:26:00,120  
okay uh George Nori I basically just

606  
00:26:04,909 --> 00:26:02,100  
ended up he was in San Luis so I ended

607  
00:26:08,029 --> 00:26:04,919  
up going to see him and he just

608  
00:26:09,890 --> 00:26:08,039  
basically wrote um

609  
00:26:11,990 --> 00:26:09,900  
some of the

610  
00:26:15,409 --> 00:26:12,000  
uh basically the book is called the work

611  
00:26:19,190 --> 00:26:15,419  
in the light and basically just uh

612  
00:26:21,470 --> 00:26:19,200  
he came to a Barnes and Normal and um

613  
00:26:23,630 --> 00:26:21,480

just basically came up came out to to

614

00:26:26,810 --> 00:26:23,640

talk you know and

615

00:26:28,730 --> 00:26:26,820

um just different stories about uh his

616

00:26:30,529 --> 00:26:28,740

life and then you know some other things

617

00:26:33,769 --> 00:26:30,539

that have happened to him and especially

618

00:26:35,870 --> 00:26:33,779

in his personal life with his first wife

619

00:26:37,610 --> 00:26:35,880

and so on it's quite personal for those

620

00:26:40,070 --> 00:26:37,620

who are just fans and just want to know

621

00:26:42,470 --> 00:26:40,080

but one thing out of everything I could

622

00:26:44,570 --> 00:26:42,480

possibly remember from this uh not that

623

00:26:47,630 --> 00:26:44,580

specif specifically this book but the

624

00:26:50,750 --> 00:26:47,640

reading itself it was funny because Tom

625

00:26:54,350 --> 00:26:50,760

deniser is his uh person or or basically

626

00:26:56,870 --> 00:26:54,360

them the person's schedules things uh

627

00:26:59,510 --> 00:26:56,880

you talk to Tom if you

628

00:27:01,250 --> 00:26:59,520

um try to get him to come to an event or

629

00:27:04,130 --> 00:27:01,260

just to speak to him or whatever just

630

00:27:06,289 --> 00:27:04,140

the day-to-day scheduling well

631

00:27:08,330 --> 00:27:06,299

this was very early I forgot exactly

632

00:27:10,789 --> 00:27:08,340

what year this was in so we were still

633

00:27:14,149 --> 00:27:10,799

fresh in the whole

634

00:27:16,250 --> 00:27:14,159

um Iraq war and Afghanistan and all this

635

00:27:18,830 --> 00:27:16,260

stuff and so

636

00:27:20,750 --> 00:27:18,840

um I came up with the book and Dan asked

637

00:27:22,850 --> 00:27:20,760

me what's the name I had to give the

638

00:27:24,289 --> 00:27:22,860

name and then George will sign the name

639

00:27:26,210 --> 00:27:24,299

and write whatever he writes in there

640

00:27:30,110 --> 00:27:26,220

but one thing that just cracked me up

641

00:27:31,850 --> 00:27:30,120

you know I went up to Tom and George

642

00:27:33,890 --> 00:27:31,860

was busy signing another book or having

643

00:27:35,390 --> 00:27:33,900

a conversation with somebody else and he

644

00:27:36,890 --> 00:27:35,400

said what's the name I said Edna and

645

00:27:38,090 --> 00:27:36,900

it's like oh really and it's an

646

00:27:39,950 --> 00:27:38,100

interesting name I never heard that

647

00:27:41,450 --> 00:27:39,960

before I just looked at him it's like

648

00:27:44,330 --> 00:27:41,460

really it's like pretty much every

649

00:27:46,630 --> 00:27:44,340

Terrorist on TV is named and he just

650

00:27:49,490 --> 00:27:46,640

laughed you know because especially the

651  
00:27:51,649 --> 00:27:49,500  
number one guy that they were looking

652  
00:27:53,570 --> 00:27:51,659  
for I was still in college I was driving

653  
00:27:56,149 --> 00:27:53,580  
and they're like they're looking for you

654  
00:27:58,250 --> 00:27:56,159  
know Adnan blah blah blah and just

655  
00:27:59,630 --> 00:27:58,260  
knowing how the FBI can up things

656  
00:28:01,970 --> 00:27:59,640  
you know I was immediately getting

657  
00:28:03,769 --> 00:28:01,980  
paranoid I was like uh what if they

658  
00:28:05,570 --> 00:28:03,779  
messed up and they think I'm part of

659  
00:28:08,390 --> 00:28:05,580  
whatever is going on over there because

660  
00:28:10,669 --> 00:28:08,400  
I wouldn't get that past them so anyway

661  
00:28:11,630 --> 00:28:10,679  
just uh you know a little funny tidbit

662  
00:28:14,330 --> 00:28:11,640  
there

663  
00:28:17,630 --> 00:28:14,340

so yeah I basically just have

664

00:28:19,669 --> 00:28:17,640

um some of these books um I I didn't uh

665

00:28:21,110 --> 00:28:19,679

read in depth I would read a few

666

00:28:23,810 --> 00:28:21,120

chapters and just kind of get into them

667

00:28:27,049 --> 00:28:23,820

they were basically sent to me by people

668

00:28:28,970 --> 00:28:27,059

that would like to be on the show and um

669

00:28:30,890 --> 00:28:28,980

I just wanted to get familiar with the

670

00:28:33,769 --> 00:28:30,900

subject and whatever else that whatever

671

00:28:36,169 --> 00:28:33,779

else is that they teach or at least

672

00:28:38,990 --> 00:28:36,179

write about so

673

00:28:41,810 --> 00:28:39,000

so enough enough of these books uh I

674

00:28:46,310 --> 00:28:41,820

totally have uh missed it because I just

675

00:28:48,769 --> 00:28:46,320

got into this uh open lines today and uh

676

00:28:51,289 --> 00:28:48,779

basically if you can install telegram on

677

00:28:54,230 --> 00:28:51,299

your phone or and computer or computer

678

00:28:56,570 --> 00:28:54,240

you can go to the description below and

679

00:28:58,549 --> 00:28:56,580

you'll find the telegram link where a

680

00:29:01,970 --> 00:28:58,559

telegram voice chat is going on right

681

00:29:04,789 --> 00:29:01,980

now there's a few in there that are just

682

00:29:06,710 --> 00:29:04,799

listening because it's voice only and if

683

00:29:08,149 --> 00:29:06,720

you logged in there you can tap a little

684

00:29:11,090 --> 00:29:08,159

person that looks like they're raising

685

00:29:13,250 --> 00:29:11,100

their hand and they'll bring you up live

686

00:29:16,370 --> 00:29:13,260

to me to be able to speak to me and

687

00:29:18,590 --> 00:29:16,380

share your stories maybe how you started

688

00:29:20,930 --> 00:29:18,600

out what interests you about the

689

00:29:23,630 --> 00:29:20,940

Supernatural and do you have any stories

690

00:29:25,549 --> 00:29:23,640

on your own and um I just would like to

691

00:29:27,529 --> 00:29:25,559

ask if you can stick to that so that I

692

00:29:29,330 --> 00:29:27,539

understand we all have lives and all

693

00:29:31,070 --> 00:29:29,340

these different things but if there's

694

00:29:33,350 --> 00:29:31,080

other people that would like to share

695

00:29:36,049 --> 00:29:33,360

their stories just please stick to the

696

00:29:38,029 --> 00:29:36,059

story or tell me whatever it is that you

697

00:29:40,669 --> 00:29:38,039

try find most intriguing about this

698

00:29:42,590 --> 00:29:40,679

Supernatural world and so then that way

699

00:29:45,590 --> 00:29:42,600

we can talk to several more people

700

00:29:47,750 --> 00:29:45,600

that's only for those that would like to

701  
00:29:49,310 --> 00:29:47,760  
speak to me maybe those that are in

702  
00:29:51,110 --> 00:29:49,320  
there now they just would like to listen

703  
00:29:53,630 --> 00:29:51,120  
which is perfectly fine and I might not

704  
00:29:57,110 --> 00:29:53,640  
even have anyone for open lines but it's

705  
00:29:58,669 --> 00:29:57,120  
open for that and so uh just do whatever

706  
00:30:00,830 --> 00:29:58,679  
you got to do there's still a little

707  
00:30:02,930 --> 00:30:00,840  
time before you know I can officially go

708  
00:30:04,970 --> 00:30:02,940  
into open lines so they'll give you

709  
00:30:07,190 --> 00:30:04,980  
enough time to download Telegram and the

710  
00:30:09,889 --> 00:30:07,200  
reason why I like telegram is that it

711  
00:30:14,090 --> 00:30:09,899  
gives a nice little it has nice audio

712  
00:30:16,970 --> 00:30:14,100  
and especially uh the the setup I can

713  
00:30:18,950 --> 00:30:16,980

easily bring people in and this system

714

00:30:21,169 --> 00:30:18,960

that I have set up just makes it very

715

00:30:23,810 --> 00:30:21,179

convenient for me as opposed to having

716

00:30:25,610 --> 00:30:23,820

to deal with phone lines and dial tones

717

00:30:27,950 --> 00:30:25,620

and picking up and all that I don't have

718

00:30:30,289 --> 00:30:27,960

a system like that yet or I don't know

719

00:30:32,690 --> 00:30:30,299

if it ever will so it's just a lot nicer

720

00:30:35,149 --> 00:30:32,700

a lot easier for me to do that and

721

00:30:37,789 --> 00:30:35,159

you're more than welcome to just log in

722

00:30:39,470 --> 00:30:37,799

join me and talk to me

723

00:30:40,070 --> 00:30:39,480

okay so

724

00:30:46,010 --> 00:30:40,080

um

725

00:30:47,690 --> 00:30:46,020

leave these books around for those of

726

00:30:51,649 --> 00:30:47,700

you who maybe want me to move them let

727

00:30:53,269 --> 00:30:51,659

me know but um I'm going to switch

728

00:30:54,590 --> 00:30:53,279

I was thinking about switching the

729

00:30:57,110 --> 00:30:54,600

camera angle but it looks like it's open

730

00:30:59,870 --> 00:30:57,120

enough where I can just y'all can see me

731

00:31:02,930 --> 00:30:59,880

and it's it'll be all right uh let me

732

00:31:04,190 --> 00:31:02,940

see here what I wanted to

733

00:31:05,570 --> 00:31:04,200

yeah I'm gonna have to change the camera

734

00:31:10,430 --> 00:31:05,580

angle because I would like to actually

735

00:31:13,070 --> 00:31:10,440

then uh lead up to

736

00:31:15,110 --> 00:31:13,080

first if you're interested right if

737

00:31:17,870 --> 00:31:15,120

you're interested in the subject for

738

00:31:19,549 --> 00:31:17,880

most people you start out with books you

739

00:31:21,590 --> 00:31:19,559

start reading them you start seeing what

740

00:31:25,789 --> 00:31:21,600

others have to say experience is shared

741

00:31:28,669 --> 00:31:25,799

and so on then as you uh basically you

742

00:31:30,110 --> 00:31:28,679

know keep going you just become pretty

743

00:31:32,330 --> 00:31:30,120

much this researcher depending on how

744

00:31:34,610 --> 00:31:32,340

much you you know you go into but you

745

00:31:36,950 --> 00:31:34,620

start listening to stories and you start

746

00:31:38,810 --> 00:31:36,960

connecting dots and there's other pieces

747

00:31:41,029 --> 00:31:38,820

of information that reveal like okay the

748

00:31:42,649 --> 00:31:41,039

government knew this at this year and I

749

00:31:44,330 --> 00:31:42,659

remember this at that time another

750

00:31:46,430 --> 00:31:44,340

person talking about something similar

751

00:31:47,990 --> 00:31:46,440

so you can literally quite literally

752

00:31:51,470 --> 00:31:48,000

especially before the government

753

00:31:53,409 --> 00:31:51,480

admitted to uaps UFOs turn yourself into

754

00:31:56,029 --> 00:31:53,419

you know this

755

00:31:57,769 --> 00:31:56,039

Nut Job to where you were just trying to

756

00:31:59,630 --> 00:31:57,779

connect all the dots trying to figure it

757

00:32:02,510 --> 00:31:59,640

all out because no one else believes in

758

00:32:05,450 --> 00:32:02,520

the stuff and you're pretty much down

759

00:32:07,490 --> 00:32:05,460

the rabbit hole with all of this and so

760

00:32:10,909 --> 00:32:07,500

but then um

761

00:32:14,330 --> 00:32:10,919

what happens then is that it's a part

762

00:32:18,049 --> 00:32:14,340

that very few I guess go from this stage

763

00:32:19,250 --> 00:32:18,059

into what I can just call channeling and

764

00:32:21,710 --> 00:32:19,260

so the reason why I'm bringing up

765

00:32:25,070 --> 00:32:21,720

channeling is that

766

00:32:28,130 --> 00:32:25,080

you can read about these subjects and

767

00:32:29,630 --> 00:32:28,140

they're great entertainment because I

768

00:32:32,330 --> 00:32:29,640

don't mean to offend anybody out there

769

00:32:34,010 --> 00:32:32,340

that that's listening most people they

770

00:32:36,049 --> 00:32:34,020

just would like to listen and they find

771

00:32:38,870 --> 00:32:36,059

it intriguing and they kind of keep it

772

00:32:40,970 --> 00:32:38,880

at that which is fine you know but

773

00:32:43,430 --> 00:32:40,980

but those that then want to do something

774

00:32:44,990 --> 00:32:43,440

like okay I want to get deeper into what

775

00:32:47,330 --> 00:32:45,000

in the world is happening

776

00:32:50,570 --> 00:32:47,340

the best thing just to basically instead

777

00:32:51,830 --> 00:32:50,580

of going years one way and then me

778

00:32:53,690 --> 00:32:51,840

stumbling

779

00:32:55,970 --> 00:32:53,700

you know over but by accident about

780

00:32:58,310 --> 00:32:55,980

channeling I might as well just give you

781

00:32:59,990 --> 00:32:58,320

somewhat of a plan that maybe you could

782

00:33:03,110 --> 00:33:00,000

follow and it might just work for you

783

00:33:05,630 --> 00:33:03,120

not saying that this will work 100

784

00:33:08,389 --> 00:33:05,640

um but it will work 100 but you have to

785

00:33:11,149 --> 00:33:08,399

do the homework and so part of the next

786

00:33:14,750 --> 00:33:11,159

step is basically what I just labeled in

787

00:33:18,669 --> 00:33:14,760

the title is channeling so

788

00:33:22,130 --> 00:33:18,679

some of these books like uh deep space

789

00:33:23,750 --> 00:33:22,140

from these space with love and some of

790

00:33:24,950 --> 00:33:23,760

the other channels I'm about to share

791

00:33:26,210 --> 00:33:24,960

with you

792

00:33:28,909 --> 00:33:26,220

um

793

00:33:30,169 --> 00:33:28,919

what's important is that the way they

794

00:33:33,470 --> 00:33:30,179

talk and the way they describe

795

00:33:35,090 --> 00:33:33,480

information is they especially at this

796

00:33:37,490 --> 00:33:35,100

point a lot of them have been channeled

797

00:33:40,430 --> 00:33:37,500

like Bashar that's channeled by Daryl

798

00:33:44,149 --> 00:33:40,440

Anka you have

799

00:33:47,389 --> 00:33:44,159

um uh blairstyra the channeled uh tabash

800

00:33:50,269 --> 00:33:47,399

and he's in New Zealand you have just

801  
00:33:52,190 --> 00:33:50,279  
the other day uh Robin I was talking to

802  
00:33:53,450 --> 00:33:52,200  
Robin and and basically she channeled

803  
00:33:54,769 --> 00:33:53,460  
for us on the show and answered

804  
00:33:57,529 --> 00:33:54,779  
questions

805  
00:33:59,149 --> 00:33:57,539  
um you have to basically go down this

806  
00:34:03,470 --> 00:33:59,159  
path of

807  
00:34:06,289 --> 00:34:03,480  
find the channel that speaks to you

808  
00:34:08,810 --> 00:34:06,299  
that makes sense of what they're saying

809  
00:34:11,990 --> 00:34:08,820  
or it's easy to listen listen to you

810  
00:34:15,470 --> 00:34:12,710  
um

811  
00:34:17,510 --> 00:34:15,480  
different channels have different ways

812  
00:34:21,349 --> 00:34:17,520  
of talking to you and describe the

813  
00:34:24,770 --> 00:34:21,359

information for example Bashar and when

814

00:34:26,270 --> 00:34:24,780

it comes to uh listening to him my wife

815

00:34:28,250 --> 00:34:26,280

doesn't like it because it's just she's

816

00:34:30,589 --> 00:34:28,260

like the way he talks it just she can't

817

00:34:32,930 --> 00:34:30,599

stand it you know sometimes she can

818

00:34:34,609 --> 00:34:32,940

sometimes she can you know but that's

819

00:34:36,950 --> 00:34:34,619

perfect example of what I'm talking

820

00:34:39,770 --> 00:34:36,960

about there's other channels that she

821

00:34:41,510 --> 00:34:39,780

loves to listen to you know and uh

822

00:34:43,669 --> 00:34:41,520

basically you have to then out of all

823

00:34:46,790 --> 00:34:43,679

the ones that you happen to find

824

00:34:49,550 --> 00:34:46,800

um for me personally Bashar spoke to me

825

00:34:52,369 --> 00:34:49,560

you know just the way he was channeling

826  
00:34:55,849 --> 00:34:52,379  
the information and so when it comes to

827  
00:34:58,010 --> 00:34:55,859  
a lot of things when I first get exposed

828  
00:34:59,570 --> 00:34:58,020  
to something I listened and I kept

829  
00:35:02,570 --> 00:34:59,580  
listening and for about a two-year

830  
00:35:04,870 --> 00:35:02,580  
period I basically watched everything

831  
00:35:08,810 --> 00:35:04,880  
and anything that was available online

832  
00:35:11,630 --> 00:35:08,820  
about Bashar and but not just for

833  
00:35:14,210 --> 00:35:11,640  
entertainment's sake but I was intently

834  
00:35:15,589 --> 00:35:14,220  
listening to what he was saying how he

835  
00:35:17,810 --> 00:35:15,599  
was saying it when they were talking

836  
00:35:19,910 --> 00:35:17,820  
about these subductions when they were

837  
00:35:22,069 --> 00:35:19,920  
talking about how do they travel you

838  
00:35:24,349 --> 00:35:22,079

know when they were talking about why

839

00:35:27,109 --> 00:35:24,359

are they here uh when they're discussing

840

00:35:29,510 --> 00:35:27,119

about you know what being a psychic

841

00:35:31,010 --> 00:35:29,520

means how does that actually work all

842

00:35:32,990 --> 00:35:31,020

these different things were just very

843

00:35:35,690 --> 00:35:33,000

intriguing to me to where

844

00:35:38,390 --> 00:35:35,700

if anything I could just listen to it no

845

00:35:40,790 --> 00:35:38,400

different than watching a movie that you

846

00:35:43,069 --> 00:35:40,800

know is just a movie

847

00:35:45,530 --> 00:35:43,079

um is fake it can be exciting but you

848

00:35:46,790 --> 00:35:45,540

know it doesn't really do much more to

849

00:35:49,069 --> 00:35:46,800

your life

850

00:35:50,450 --> 00:35:49,079

um other than okay you finished it you

851  
00:35:52,670 --> 00:35:50,460  
stop it and then you move on to

852  
00:35:55,130 --> 00:35:52,680  
something else you do something else and

853  
00:35:57,950 --> 00:35:55,140  
so same thing with that but what was

854  
00:36:00,650 --> 00:35:57,960  
different for me is listening to him

855  
00:36:03,589 --> 00:36:00,660  
I eventually understood all the things

856  
00:36:05,990 --> 00:36:03,599  
that he was talking about and it just

857  
00:36:09,290 --> 00:36:06,000  
hit me one day that I didn't you know I

858  
00:36:10,849 --> 00:36:09,300  
was getting so much into it that I

859  
00:36:13,550 --> 00:36:10,859  
didn't want that to become my next

860  
00:36:15,589 --> 00:36:13,560  
religion and nothing no offense or some

861  
00:36:18,530 --> 00:36:15,599  
some people that are religious but you

862  
00:36:20,510 --> 00:36:18,540  
know I don't like to stay too long in

863  
00:36:22,970 --> 00:36:20,520

any certain one box the best things to

864

00:36:25,970 --> 00:36:22,980

just get out of the box and just be as

865

00:36:27,470 --> 00:36:25,980

boxless as you possibly can because the

866

00:36:29,990 --> 00:36:27,480

more comes your way the more you'll

867

00:36:31,790 --> 00:36:30,000

understand but so I basically just

868

00:36:33,890 --> 00:36:31,800

wanted to

869

00:36:35,870 --> 00:36:33,900

um not to just follow him and just

870

00:36:37,730 --> 00:36:35,880

listen and say well Bashar said well

871

00:36:39,710 --> 00:36:37,740

Bashar said well Bashar was still doing

872

00:36:42,710 --> 00:36:39,720

you know and so because you just become

873

00:36:45,109 --> 00:36:42,720

a parent I took him I took up his you

874

00:36:47,390 --> 00:36:45,119

know I took him um

875

00:36:50,030 --> 00:36:47,400

um I took him seriously and I remember

876

00:36:51,530 --> 00:36:50,040

uh one time a person was basically

877

00:36:55,790 --> 00:36:51,540

asking

878

00:36:58,370 --> 00:36:55,800

um I mean how how you know he can prove

879

00:37:01,670 --> 00:36:58,380

you know any any of this you know to to

880

00:37:03,470 --> 00:37:01,680

anybody and he was saying

881

00:37:04,670 --> 00:37:03,480

and it was very interesting he just

882

00:37:08,329 --> 00:37:04,680

basically said

883

00:37:09,829 --> 00:37:08,339

I can't prove anything to you but I

884

00:37:11,089 --> 00:37:09,839

promise that you can prove it to

885

00:37:14,030 --> 00:37:11,099

yourself

886

00:37:16,430 --> 00:37:14,040

and at that time it was such a cop-out

887

00:37:17,870 --> 00:37:16,440

answer to me because it was it was weird

888

00:37:19,430 --> 00:37:17,880

like it was like just answer the damn

889

00:37:20,750 --> 00:37:19,440

question can you prove it or can you not

890

00:37:22,609 --> 00:37:20,760

you know

891

00:37:25,370 --> 00:37:22,619

and later I've come to basically

892

00:37:27,710 --> 00:37:25,380

understand why he said what he said and

893

00:37:30,230 --> 00:37:27,720

it from this perspective the you know

894

00:37:31,970 --> 00:37:30,240

having understood what I have you know

895

00:37:35,390 --> 00:37:31,980

at this point it made perfect sense and

896

00:37:39,290 --> 00:37:37,550

a lot of these things a lot of these

897

00:37:41,630 --> 00:37:39,300

steps you have to take on your own

898

00:37:44,750 --> 00:37:41,640

because if you don't you just you will

899

00:37:46,370 --> 00:37:44,760

be stuck here you will just be reading

900

00:37:47,750 --> 00:37:46,380

documents you will do all these things

901  
00:37:50,150 --> 00:37:47,760  
and you find you will find it

902  
00:37:52,609 --> 00:37:50,160  
frustrating why is the government not

903  
00:37:55,250 --> 00:37:52,619  
telling you something why isn't somebody

904  
00:37:56,930 --> 00:37:55,260  
else doing something for you you know

905  
00:37:59,089 --> 00:37:56,940  
and all these things are just going to

906  
00:38:00,530 --> 00:37:59,099  
frustrate you more and more and more and

907  
00:38:01,730 --> 00:38:00,540  
then you get on Twitter and then you

908  
00:38:05,270 --> 00:38:01,740  
have all these different if you ever

909  
00:38:07,130 --> 00:38:05,280  
follow uh hashtag UFO Twitter there's

910  
00:38:08,750 --> 00:38:07,140  
all these different arguments and just

911  
00:38:11,150 --> 00:38:08,760  
complaining and bitching at each other

912  
00:38:14,630 --> 00:38:11,160  
and just for whatever reason you know

913  
00:38:18,290 --> 00:38:14,640

and so you will get caught up in that

914

00:38:21,410 --> 00:38:18,300

cycle you know and so because

915

00:38:23,510 --> 00:38:21,420

each state has its own purpose to

916

00:38:25,970 --> 00:38:23,520

preserve itself so if you keep reading

917

00:38:27,710 --> 00:38:25,980

one book to another book to another book

918

00:38:30,050 --> 00:38:27,720

um it there's this tendency to want to

919

00:38:31,790 --> 00:38:30,060

reinforce it reinforce itself so you

920

00:38:33,349 --> 00:38:31,800

will only just continue reading books

921

00:38:37,430 --> 00:38:33,359

and documents and so on and you'll never

922

00:38:41,050 --> 00:38:37,440

get out of that state because

923

00:38:44,089 --> 00:38:41,060

a piece of paper is not where where

924

00:38:48,050 --> 00:38:44,099

Enlightenment is a piece of paper is not

925

00:38:50,810 --> 00:38:48,060

where contact is and so basically uh you

926

00:38:53,870 --> 00:38:50,820

will basically start be stuck in that

927

00:38:55,790 --> 00:38:53,880

in that world to where all it will

928

00:38:58,430 --> 00:38:55,800

constantly keep doing is frustration

929

00:39:01,550 --> 00:38:58,440

about that you haven't gotten much

930

00:39:03,890 --> 00:39:01,560

further after all these years and that

931

00:39:06,829 --> 00:39:03,900

there isn't someone out there who

932

00:39:10,250 --> 00:39:06,839

finally then cracks open this box called

933

00:39:12,710 --> 00:39:10,260

UFOs you know because everything that

934

00:39:15,890 --> 00:39:12,720

you do is you're wanting and relying and

935

00:39:18,050 --> 00:39:15,900

needing somebody else and so when it

936

00:39:20,569 --> 00:39:18,060

comes to channeling what Bashar

937

00:39:26,329 --> 00:39:20,579

basically then did is that

938

00:39:30,050 --> 00:39:26,339

he laid out this path to where okay

939

00:39:32,390 --> 00:39:30,060

why why can't they land right now he

940

00:39:34,970 --> 00:39:32,400

laid out this path of why they are here

941

00:39:37,370 --> 00:39:34,980

he explained several different things of

942

00:39:39,890 --> 00:39:37,380

why they're doing what they're doing and

943

00:39:42,290 --> 00:39:39,900

so now it was taking these lessons

944

00:39:44,210 --> 00:39:42,300

taking this this understanding to now

945

00:39:47,210 --> 00:39:44,220

start working on yourself

946

00:39:49,550 --> 00:39:47,220

and so what that basically required it

947

00:39:51,050 --> 00:39:49,560

wasn't the sole reason but obviously one

948

00:39:54,410 --> 00:39:51,060

of them if I was to lump several

949

00:39:57,349 --> 00:39:54,420

together required of me moving out 50

950

00:40:00,770 --> 00:39:57,359

miles outside of the the main city in

951  
00:40:03,710 --> 00:40:00,780  
San Luis to literally be in the Woods by

952  
00:40:06,589 --> 00:40:03,720  
myself nobody else living with me you

953  
00:40:08,870 --> 00:40:06,599  
know and just isolation when I wasn't at

954  
00:40:11,450 --> 00:40:08,880  
work I was just there with no one around

955  
00:40:14,990 --> 00:40:11,460  
but trees and animals and whatever and

956  
00:40:17,270 --> 00:40:15,000  
so to just work on all the things that

957  
00:40:20,089 --> 00:40:17,280  
he was saying to work on and so

958  
00:40:22,310 --> 00:40:20,099  
basically understanding about the The

959  
00:40:23,930 --> 00:40:22,320  
Law of Attraction what you put out is

960  
00:40:26,569 --> 00:40:23,940  
what you get back you know and then

961  
00:40:27,770 --> 00:40:26,579  
putting that to practice you know and

962  
00:40:29,510 --> 00:40:27,780  
um just

963  
00:40:31,790 --> 00:40:29,520

um understanding that everything's an

964

00:40:33,890 --> 00:40:31,800

aspect of you you know and all these

965

00:40:36,410 --> 00:40:33,900

things that you just slowly start

966

00:40:38,810 --> 00:40:36,420

working on and so then you start

967

00:40:42,349 --> 00:40:38,820

especially the hardest part is looking

968

00:40:43,970 --> 00:40:42,359

at belief systems right what do you uh

969

00:40:47,089 --> 00:40:43,980

believe what do you hold to be true

970

00:40:49,190 --> 00:40:47,099

that's uh keeping you in that box and so

971

00:40:52,430 --> 00:40:49,200

does this work for you does this serve

972

00:40:54,349 --> 00:40:52,440

you if not let it go and so in that

973

00:40:56,150 --> 00:40:54,359

process then of course as some of you

974

00:40:58,310 --> 00:40:56,160

might have seen might not have seen my

975

00:41:01,670 --> 00:40:58,320

whole series I have on psychedelics and

976

00:41:05,089 --> 00:41:01,680

what purpose they played in my life and

977

00:41:08,329 --> 00:41:05,099

then after basically my whole world

978

00:41:11,510 --> 00:41:08,339

changed there what then next steps that

979

00:41:13,970 --> 00:41:11,520

I took with different meditations and

980

00:41:15,770 --> 00:41:13,980

then of course content effect happening

981

00:41:17,870 --> 00:41:15,780

and things becoming a lot easier because

982

00:41:20,690 --> 00:41:17,880

then I understood why I have to be

983

00:41:23,210 --> 00:41:20,700

mentally in order for you know to to

984

00:41:26,810 --> 00:41:23,220

proceed whatever proceeded the following

985

00:41:29,510 --> 00:41:26,820

five years from 2010 to 2015 uh when I

986

00:41:30,650 --> 00:41:29,520

lived in Robinson Missouri so anyway

987

00:41:34,130 --> 00:41:30,660

hahaha

988

00:41:35,990 --> 00:41:34,140

it's then to that two channeling is and

989

00:41:38,750 --> 00:41:36,000

taking taking those

990

00:41:41,150 --> 00:41:38,760

um those lessons to heart because

991

00:41:42,349 --> 00:41:41,160

I've often used the example

992

00:41:44,630 --> 00:41:42,359

um and forgive me if you heard this

993

00:41:48,530 --> 00:41:44,640

before but I often use the example of

994

00:41:51,589 --> 00:41:48,540

Love or what we understand to be loved

995

00:41:54,050 --> 00:41:51,599

because when it comes to these books you

996

00:41:56,390 --> 00:41:54,060

can look at these books and and let's

997

00:41:59,329 --> 00:41:56,400

say using the metaphor of Love is that

998

00:42:00,950 --> 00:41:59,339

you know this book is the shoes that you

999

00:42:03,109 --> 00:42:00,960

think you need to be wearing the pants

1000

00:42:05,510 --> 00:42:03,119

you need to be wearing the cologne or

1001  
00:42:08,589 --> 00:42:05,520  
perfume you need you know to attract

1002  
00:42:11,270 --> 00:42:08,599  
someone who you find attractive

1003  
00:42:13,670 --> 00:42:11,280  
they can be the representation of the

1004  
00:42:16,730 --> 00:42:13,680  
places where you have to go you know to

1005  
00:42:19,069 --> 00:42:16,740  
meet someone and then not just you know

1006  
00:42:21,470 --> 00:42:19,079  
places nearby but countries or whatever

1007  
00:42:24,050 --> 00:42:21,480  
you feel you know needs to you know get

1008  
00:42:26,270 --> 00:42:24,060  
done and then you know what kind of cars

1009  
00:42:30,230 --> 00:42:26,280  
you need to be driving basically

1010  
00:42:32,270 --> 00:42:30,240  
for most young people all those insecure

1011  
00:42:34,370 --> 00:42:32,280  
little things that don't have anything

1012  
00:42:37,069 --> 00:42:34,380  
to do with love but you convince

1013  
00:42:38,930 --> 00:42:37,079

yourself that it does and so what's

1014

00:42:41,870 --> 00:42:38,940

interesting is that all the stories that

1015

00:42:44,890 --> 00:42:41,880

you're being told about what you need to

1016

00:42:47,990 --> 00:42:44,900

get love to be in love you know finally

1017

00:42:50,750 --> 00:42:48,000

when that Awakening within you happens

1018

00:42:53,990 --> 00:42:50,760

when it comes from within and it just

1019

00:42:56,210 --> 00:42:54,000

finally hits you you realize none of

1020

00:43:01,849 --> 00:42:56,220

this crap is important anymore because

1021

00:43:04,730 --> 00:43:01,859

you realize that a love is this and Way

1022

00:43:06,710 --> 00:43:04,740

Beyond this you know and you basically

1023

00:43:09,230 --> 00:43:06,720

then have this new understanding about

1024

00:43:12,650 --> 00:43:09,240

how to go about in a relationship

1025

00:43:14,930 --> 00:43:12,660

without them having to go back to your

1026  
00:43:16,490 --> 00:43:14,940  
car your shoes your house a new place

1027  
00:43:17,990 --> 00:43:16,500  
all these other things because you

1028  
00:43:20,450 --> 00:43:18,000  
realize love is about something

1029  
00:43:22,970 --> 00:43:20,460  
different and so contact is very much

1030  
00:43:25,309 --> 00:43:22,980  
the same way I'm not talking about love

1031  
00:43:28,730 --> 00:43:25,319  
and contact to for you to come somehow

1032  
00:43:31,490 --> 00:43:28,740  
romantic size this this aspect all I'm

1033  
00:43:33,290 --> 00:43:31,500  
trying to say is that that comes close

1034  
00:43:36,230 --> 00:43:33,300  
to

1035  
00:43:38,150 --> 00:43:36,240  
a version of Awakening that I'm trying

1036  
00:43:40,609 --> 00:43:38,160  
to explain to you when it comes to

1037  
00:43:41,930 --> 00:43:40,619  
contact it's very similar when that love

1038  
00:43:44,390 --> 00:43:41,940

happens

1039

00:43:46,970 --> 00:43:44,400

to where all of the sudden now you have

1040

00:43:49,910 --> 00:43:46,980

a new understanding and when somebody

1041

00:43:51,650 --> 00:43:49,920

asks you where is it you know where'd

1042

00:43:53,270 --> 00:43:51,660

they come from did it come from this guy

1043

00:43:56,030 --> 00:43:53,280

did it come from you did well wherever

1044

00:43:58,190 --> 00:43:56,040

you know because like I said when that

1045

00:44:00,410 --> 00:43:58,200

happens there was not anybody that would

1046

00:44:02,569 --> 00:44:00,420

just walk up to me reached out in their

1047

00:44:05,329 --> 00:44:02,579

pocket and say here here's this glowing

1048

00:44:07,309 --> 00:44:05,339

ball of love that now you have and you

1049

00:44:09,290 --> 00:44:07,319

you are awakened and you found all that

1050

00:44:12,230 --> 00:44:09,300

you were finally looking for it wasn't

1051  
00:44:14,630 --> 00:44:12,240  
it wasn't a thing it was something that

1052  
00:44:18,530 --> 00:44:14,640  
basically through searching through

1053  
00:44:22,370 --> 00:44:18,540  
being adamant it finally just wakes that

1054  
00:44:24,410 --> 00:44:22,380  
part up within you you know and even

1055  
00:44:26,270 --> 00:44:24,420  
when it comes to psychedelics it's not

1056  
00:44:28,309 --> 00:44:26,280  
guaranteed that they will immediately

1057  
00:44:31,430 --> 00:44:28,319  
give you a full understanding you know

1058  
00:44:33,950 --> 00:44:31,440  
it's it's simply another step until you

1059  
00:44:35,329 --> 00:44:33,960  
finally get to where you need to get and

1060  
00:44:36,230 --> 00:44:35,339  
so anyway

1061  
00:44:39,290 --> 00:44:36,240  
um

1062  
00:44:42,050 --> 00:44:39,300  
what I need to do is uh switch to camera

1063  
00:44:44,930 --> 00:44:42,060

angles here real quick uh so it might

1064

00:44:48,230 --> 00:44:44,940

Jarred some of you I'm using a remote to

1065

00:44:49,970 --> 00:44:48,240

do this so just uh giving you a heads up

1066

00:44:51,290 --> 00:44:49,980

here

1067

00:44:53,450 --> 00:44:51,300

all right

1068

00:44:56,630 --> 00:44:53,460

just need to shift this basically over

1069

00:44:59,089 --> 00:44:56,640

because I want to go back to

1070

00:45:01,550 --> 00:44:59,099

to the browser here so I have some

1071

00:45:04,609 --> 00:45:01,560

window windows open

1072

00:45:07,010 --> 00:45:04,619

a lot of people that have asked me a lot

1073

00:45:09,950 --> 00:45:07,020

about what I eventually experienced on

1074

00:45:11,750 --> 00:45:09,960

my own was something that Bashar has

1075

00:45:14,510 --> 00:45:11,760

already worked towards trying to get

1076

00:45:17,030 --> 00:45:14,520

people to understand and so

1077

00:45:18,589 --> 00:45:17,040

initially I had I had I have a copy of

1078

00:45:20,809 --> 00:45:18,599

this I bought it when it first came out

1079

00:45:23,630 --> 00:45:20,819

but there's a documentary that Daryl

1080

00:45:25,970 --> 00:45:23,640

anchor came out and obviously was the

1081

00:45:28,790 --> 00:45:25,980

title suggests that James Wood narrated

1082

00:45:32,630 --> 00:45:28,800

it it's called First Contact and so

1083

00:45:34,849 --> 00:45:32,640

basically he in this uh basically he

1084

00:45:36,710 --> 00:45:34,859

covers all these different subjects and

1085

00:45:39,349 --> 00:45:36,720

questions that are being asked regarding

1086

00:45:41,630 --> 00:45:39,359

first Contact obviously yeah how how

1087

00:45:44,210 --> 00:45:41,640

their ships you know look like I can't

1088

00:45:45,950 --> 00:45:44,220

recall if he if it was a live show if

1089

00:45:48,349 --> 00:45:45,960

they actually talk about how they even

1090

00:45:50,809 --> 00:45:48,359

make these ships you know and then they

1091

00:45:53,030 --> 00:45:50,819

talk about how they travel you know and

1092

00:45:56,569 --> 00:45:53,040

here's an example about

1093

00:45:59,450 --> 00:45:56,579

um how we perceive that travel is being

1094

00:46:01,309 --> 00:45:59,460

done on this fabric of space and the

1095

00:46:04,010 --> 00:46:01,319

quicker you you Traverse through that

1096

00:46:05,930 --> 00:46:04,020

you know and uh the obviously the faster

1097

00:46:09,109 --> 00:46:05,940

you get to where you want to go but they

1098

00:46:11,510 --> 00:46:09,119

describe that they that's not how you

1099

00:46:13,730 --> 00:46:11,520

know space travel or interdimensional

1100

00:46:15,170 --> 00:46:13,740

travel happens for them at all you know

1101  
00:46:17,470 --> 00:46:15,180  
because they talk about got these

1102  
00:46:20,750 --> 00:46:17,480  
different frequencies and different

1103  
00:46:23,690 --> 00:46:20,760  
locations and to where as this video

1104  
00:46:26,630 --> 00:46:23,700  
just suggests it's all about changing

1105  
00:46:28,670 --> 00:46:26,640  
the frequency in which you are now and

1106  
00:46:30,829 --> 00:46:28,680  
he goes into greater details I'm totally

1107  
00:46:33,410 --> 00:46:30,839  
going to butcher it right now but it's

1108  
00:46:36,410 --> 00:46:33,420  
it's simply to change a frequency from

1109  
00:46:38,510 --> 00:46:36,420  
one point to another and you basically

1110  
00:46:40,849 --> 00:46:38,520  
then disappear from one spot and you

1111  
00:46:43,670 --> 00:46:40,859  
appear in in somewhere else wherever

1112  
00:46:45,950 --> 00:46:43,680  
that other frequency was so then that

1113  
00:46:48,050 --> 00:46:45,960

impacts the question and basically the

1114

00:46:50,150 --> 00:46:48,060

answer of why it is important to

1115

00:46:52,069 --> 00:46:50,160

understand what frequencies actually

1116

00:46:54,650 --> 00:46:52,079

mean what

1117

00:46:56,930 --> 00:46:54,660

um what what game what role they

1118

00:46:59,030 --> 00:46:56,940

actually play in in contact so anyway

1119

00:47:01,430 --> 00:46:59,040

you can watch this documentary without

1120

00:47:03,170 --> 00:47:01,440

needing to buy it I would I would

1121

00:47:05,510 --> 00:47:03,180

recommend you supporting him you know

1122

00:47:07,550 --> 00:47:05,520

but then again you know I'm also right

1123

00:47:10,550 --> 00:47:07,560

here giving you a free free option too

1124

00:47:12,829 --> 00:47:10,560

so on this channel if you just search

1125

00:47:15,470 --> 00:47:12,839

for First Contact full UFO documentary

1126

00:47:16,910 --> 00:47:15,480

you can watch it to where he goes

1127

00:47:18,370 --> 00:47:16,920

through and covers a lot of different

1128

00:47:22,550 --> 00:47:18,380

subjects

1129

00:47:25,250 --> 00:47:22,560

I also have this video here this was in

1130

00:47:27,770 --> 00:47:25,260

Daryl at the Daryl's house I got to go

1131

00:47:30,290 --> 00:47:27,780

and visit in 2015 and I and I got to

1132

00:47:33,109 --> 00:47:30,300

meet him and so

1133

00:47:36,109 --> 00:47:33,119

um talking about not really being Star

1134

00:47:38,690 --> 00:47:36,119

Trek but Star Struck by people you know

1135

00:47:41,089 --> 00:47:38,700

because I consider everyone same as me

1136

00:47:43,849 --> 00:47:41,099

you know if I was to compare it to an

1137

00:47:46,490 --> 00:47:43,859

experience that's kind of somewhat

1138

00:47:48,650 --> 00:47:46,500

Starstruck this would be it because at

1139

00:47:51,230 --> 00:47:48,660

this point I was basically listened to

1140

00:47:52,910 --> 00:47:51,240

Bashar day in day out for two years so

1141

00:47:54,349 --> 00:47:52,920

when I got to meet Daryl for a quick

1142

00:47:56,089 --> 00:47:54,359

second I stopped I was like oh my God

1143

00:47:57,589 --> 00:47:56,099

it's Bashar and then of course they're

1144

00:47:59,690 --> 00:47:57,599

like no no it's just Daryl and we're

1145

00:48:01,849 --> 00:47:59,700

talking or whatever and all that quickly

1146

00:48:04,250 --> 00:48:01,859

faded away but that's as close as I got

1147

00:48:06,589 --> 00:48:04,260

to basically just having that that

1148

00:48:09,650 --> 00:48:06,599

feeling there and it was just something

1149

00:48:12,109 --> 00:48:09,660

that I always wanted to do is um you

1150

00:48:14,750 --> 00:48:12,119

know get to meet him and have him tell

1151

00:48:17,990 --> 00:48:14,760

his story and so this is also available

1152

00:48:20,750 --> 00:48:18,000

um on UFO hub for you guys to watch and

1153

00:48:22,970 --> 00:48:20,760

uh he goes into his experiences and

1154

00:48:24,290 --> 00:48:22,980

great details so you have a lot of

1155

00:48:26,510 --> 00:48:24,300

information that I'm just giving you

1156

00:48:28,790 --> 00:48:26,520

right here between his documentary first

1157

00:48:29,569 --> 00:48:28,800

Contact and

1158

00:48:33,050 --> 00:48:29,579

um

1159

00:48:35,210 --> 00:48:33,060

uh basically then this interview that I

1160

00:48:38,990 --> 00:48:35,220

did with him and everything that he

1161

00:48:41,390 --> 00:48:39,000

shares there uh in back in 2015 and it's

1162

00:48:44,390 --> 00:48:41,400

still very much relevant today as it was

1163

00:48:47,510 --> 00:48:44,400

then because one one aspect or most the

1164

00:48:50,690 --> 00:48:47,520

interviews that I tried to do is that

1165

00:48:53,210 --> 00:48:50,700

um unlike news or timely events

1166

00:48:56,690 --> 00:48:53,220

um certain information

1167

00:48:59,809 --> 00:48:56,700

um that they provide is good throughout

1168

00:49:02,450 --> 00:48:59,819

time it doesn't matter if a month a year

1169

00:49:05,450 --> 00:49:02,460

10 years go by that information is still

1170

00:49:07,849 --> 00:49:05,460

just as important and relevant uh now as

1171

00:49:10,730 --> 00:49:07,859

it was then

1172

00:49:11,329 --> 00:49:10,740

um also of something talking about

1173

00:49:13,150 --> 00:49:11,339

um

1174

00:49:15,650 --> 00:49:13,160

talking about

1175

00:49:18,109 --> 00:49:15,660

channelers and finding a Chandler or

1176  
00:49:19,970 --> 00:49:18,119  
somebody that speaks to you there's a

1177  
00:49:22,010 --> 00:49:19,980  
here's a documentary called tuning in

1178  
00:49:23,809 --> 00:49:22,020  
and there's also a full document that

1179  
00:49:26,809 --> 00:49:23,819  
says what three

1180  
00:49:28,490 --> 00:49:26,819  
three hours and 22 minutes it's

1181  
00:49:29,510 --> 00:49:28,500  
basically

1182  
00:49:31,790 --> 00:49:29,520  
um

1183  
00:49:33,890 --> 00:49:31,800  
somebody put together several different

1184  
00:49:35,930 --> 00:49:33,900  
channels that then talk about these

1185  
00:49:38,450 --> 00:49:35,940  
different subjects but all from their

1186  
00:49:40,370 --> 00:49:38,460  
different perspectives and oh um whether

1187  
00:49:43,849 --> 00:49:40,380  
this was staged or not I believe it was

1188  
00:49:45,650 --> 00:49:43,859

just you know the way things flow truth

1189

00:49:48,470 --> 00:49:45,660

is always truth no matter which mouth

1190

00:49:50,210 --> 00:49:48,480

this comes through you know and so all

1191

00:49:52,849 --> 00:49:50,220

of them cover

1192

00:49:55,010 --> 00:49:52,859

um uh basically aspects of a certain

1193

00:49:56,930 --> 00:49:55,020

subjects and so if you want to get

1194

00:49:58,849 --> 00:49:56,940

familiarized of who else is out there

1195

00:50:00,050 --> 00:49:58,859

you know in Bashar is certainly not the

1196

00:50:02,630 --> 00:50:00,060

only one

1197

00:50:05,270 --> 00:50:02,640

um this documentary has a wide variety

1198

00:50:07,430 --> 00:50:05,280

of of channelers and subjects that

1199

00:50:09,170 --> 00:50:07,440

answer a whole lot of questions that

1200

00:50:10,790 --> 00:50:09,180

gives you something at least to listen

1201  
00:50:12,670 --> 00:50:10,800  
to if not the answers you've been

1202  
00:50:14,329 --> 00:50:12,680  
looking for

1203  
00:50:17,870 --> 00:50:14,339  
also

1204  
00:50:21,230 --> 00:50:17,880  
um what do I have next here okay so uh

1205  
00:50:23,089 --> 00:50:21,240  
tabash and um I have

1206  
00:50:25,309 --> 00:50:23,099  
um Blair styra I've interviewed him

1207  
00:50:27,050 --> 00:50:25,319  
several times really cool guy I'm I'm

1208  
00:50:29,089 --> 00:50:27,060  
not sure when I'll get to meet him again

1209  
00:50:31,490 --> 00:50:29,099  
because he lives in New Zealand you know

1210  
00:50:34,790 --> 00:50:31,500  
but um he channeled and both the times

1211  
00:50:36,829 --> 00:50:34,800  
on on film uh both the interviews that I

1212  
00:50:38,390 --> 00:50:36,839  
did you can hear tabash being channeled

1213  
00:50:41,210 --> 00:50:38,400

and talking about whatever it is that he

1214

00:50:42,349 --> 00:50:41,220

talks about but also this is another way

1215

00:50:47,089 --> 00:50:42,359

of

1216

00:50:49,549 --> 00:50:47,099

listening to the information that they

1217

00:50:51,530 --> 00:50:49,559

have to to offer to see does this match

1218

00:50:53,150 --> 00:50:51,540

with you or do you want to basically

1219

00:50:55,670 --> 00:50:53,160

listen to somebody else because for

1220

00:50:58,370 --> 00:50:55,680

whatever reason you're not into it

1221

00:51:01,250 --> 00:50:58,380

and um I have

1222

00:51:02,270 --> 00:51:01,260

uh yeah uh one one of the interviews

1223

00:51:07,730 --> 00:51:02,280

here

1224

00:51:12,770 --> 00:51:11,089

and um he he would just cover some

1225

00:51:15,710 --> 00:51:12,780

subjects from his point of view and then

1226

00:51:18,710 --> 00:51:15,720

he basically would uh go into uh

1227

00:51:21,470 --> 00:51:18,720

channeling uh tabash and whatever is

1228

00:51:24,410 --> 00:51:21,480

relevant to talk about at that moment

1229

00:51:25,790 --> 00:51:24,420

uh and then of course uh just not that

1230

00:51:28,730 --> 00:51:25,800

long ago

1231

00:51:30,589 --> 00:51:28,740

um Robin yellowneck was was on and she

1232

00:51:32,390 --> 00:51:30,599

channeled all of us and for those that

1233

00:51:34,609 --> 00:51:32,400

have been logged in you were able to ask

1234

00:51:36,290 --> 00:51:34,619

her questions and and talk to her and at

1235

00:51:38,870 --> 00:51:36,300

least submit them through through chat

1236

00:51:41,569 --> 00:51:38,880

but um I don't know if you noticed the

1237

00:51:45,049 --> 00:51:41,579

general theme here for this channel

1238

00:51:47,390 --> 00:51:45,059

I I want you to uh it's at least my

1239

00:51:49,849 --> 00:51:47,400

desire for you for those who are

1240

00:51:53,870 --> 00:51:49,859

searching for you to have the chance to

1241

00:51:55,490 --> 00:51:53,880

okay there's a platform this person that

1242

00:51:58,069 --> 00:51:55,500

maybe you might have read their books

1243

00:52:00,290 --> 00:51:58,079

they're on this platform you can talk to

1244

00:52:02,030 --> 00:52:00,300

them you can ask them questions you know

1245

00:52:05,030 --> 00:52:02,040

so that you get the answers you're

1246

00:52:07,010 --> 00:52:05,040

looking for you know and so that's you

1247

00:52:09,290 --> 00:52:07,020

know at least the live format that I

1248

00:52:11,809 --> 00:52:09,300

started uh just what two years ago now

1249

00:52:14,210 --> 00:52:11,819

and I know I've been out for a long time

1250

00:52:16,609 --> 00:52:14,220

but basically that's the general theme

1251  
00:52:18,290 --> 00:52:16,619  
like I always want you to be able to ask

1252  
00:52:20,270 --> 00:52:18,300  
the questions and take the opportunity

1253  
00:52:23,349 --> 00:52:20,280  
to ask them because

1254  
00:52:26,390 --> 00:52:23,359  
um when I first started I had to travel

1255  
00:52:28,609 --> 00:52:26,400  
thousands combined of Miles all over the

1256  
00:52:30,290 --> 00:52:28,619  
country to talk to these people and get

1257  
00:52:32,510 --> 00:52:30,300  
to meet them and ask the questions that

1258  
00:52:34,730 --> 00:52:32,520  
I was interested in that maybe I would

1259  
00:52:36,589 --> 00:52:34,740  
think you would want the answers to you

1260  
00:52:38,390 --> 00:52:36,599  
know but this makes it easier for you

1261  
00:52:40,430 --> 00:52:38,400  
where you can just talk to them either

1262  
00:52:42,890 --> 00:52:40,440  
over your phone or the computer or

1263  
00:52:44,990 --> 00:52:42,900

whatever and ask him directly whatever

1264

00:52:48,049 --> 00:52:45,000

it is on your on your heart on your mind

1265

00:52:50,390 --> 00:52:48,059

whatever and so I hope you take

1266

00:52:52,849 --> 00:52:50,400

advantage of that

1267

00:52:53,750 --> 00:52:52,859

or I should say keep taking advantage of

1268

00:52:55,870 --> 00:52:53,760

that

1269

00:52:59,150 --> 00:52:55,880

um also uh

1270

00:53:01,430 --> 00:52:59,160

the Tracy Farquhar this is actually the

1271

00:53:03,230 --> 00:53:01,440

book that I don't know if you can see it

1272

00:53:05,990 --> 00:53:03,240

she

1273

00:53:07,910 --> 00:53:06,000

um well actually it was Mike Dooley that

1274

00:53:10,309 --> 00:53:07,920

sent me sent me the book because they

1275

00:53:12,890 --> 00:53:10,319

co-wrote it together

1276

00:53:20,870 --> 00:53:12,900

excuse me and so she channeled this as

1277

00:53:26,089 --> 00:53:22,609

been talking for a while my throat is

1278

00:53:30,829 --> 00:53:27,290

so anyway

1279

00:53:32,930 --> 00:53:30,839

so um Tracy basically has this channeled

1280

00:53:35,510 --> 00:53:32,940

information that then she talked about

1281

00:53:37,609 --> 00:53:35,520

and the different questions I was asking

1282

00:53:40,549 --> 00:53:37,619

her there and you can also watch this

1283

00:53:41,569 --> 00:53:40,559

it's you know it's before I would have

1284

00:53:44,030 --> 00:53:41,579

to

1285

00:53:45,589 --> 00:53:44,040

um I was wondering before I started I

1286

00:53:47,390 --> 00:53:45,599

was looking at this

1287

00:53:49,069 --> 00:53:47,400

um what did I just leave it maybe I

1288

00:53:52,190 --> 00:53:49,079

covered it with something I was looking

1289

00:53:54,049 --> 00:53:52,200

at one of the books and

1290

00:53:56,510 --> 00:53:54,059

I was basically

1291

00:53:58,370 --> 00:53:56,520

uh trying to figure out where the second

1292

00:54:00,530 --> 00:53:58,380

book is and then I know that I had

1293

00:54:03,230 --> 00:54:00,540

another book and then I stopped and

1294

00:54:05,089 --> 00:54:03,240

realized oh there I got them out of the

1295

00:54:08,089 --> 00:54:05,099

library because especially in the early

1296

00:54:10,190 --> 00:54:08,099

stages like 15 16 and just have a

1297

00:54:12,530 --> 00:54:10,200

part-time job and most of that money

1298

00:54:15,290 --> 00:54:12,540

went towards giving it to the family you

1299

00:54:18,109 --> 00:54:15,300

know my mom and dad and so on just to be

1300

00:54:20,809 --> 00:54:18,119

able to just kind of survive in an

1301

00:54:23,630 --> 00:54:20,819

America beginning beginning you know

1302

00:54:26,089 --> 00:54:23,640

um basically just adding to the family

1303

00:54:28,130 --> 00:54:26,099

here and so I didn't have much money to

1304

00:54:30,349 --> 00:54:28,140

just be spending it on buying books or

1305

00:54:32,210 --> 00:54:30,359

other things so library was my main

1306

00:54:35,510 --> 00:54:32,220

source I could just could always walk

1307

00:54:37,430 --> 00:54:35,520

over there uh um check out whatever they

1308

00:54:39,349 --> 00:54:37,440

have available for however long I can

1309

00:54:42,230 --> 00:54:39,359

and then return it

1310

00:54:45,349 --> 00:54:42,240

um so anyway here you have videos where

1311

00:54:47,030 --> 00:54:45,359

you can just go and watch them and I I

1312

00:54:49,670 --> 00:54:47,040

tried to do a good job of asking

1313

00:54:51,530 --> 00:54:49,680

questions and maybe somebody would want

1314

00:54:53,569 --> 00:54:51,540

to ask but then again

1315

00:54:55,730 --> 00:54:53,579

next time I have a guest please take the

1316

00:54:57,410 --> 00:54:55,740

opportunity to actually you know ask

1317

00:54:59,089 --> 00:54:57,420

them yourself in case there's something

1318

00:55:01,190 --> 00:54:59,099

I'm missing

1319

00:55:04,370 --> 00:55:01,200

and uh

1320

00:55:06,170 --> 00:55:04,380

I wanted to actually this this next

1321

00:55:09,530 --> 00:55:06,180

window I have this was the interview I

1322

00:55:11,510 --> 00:55:09,540

did with um David Ravines I contacted

1323

00:55:14,329 --> 00:55:11,520

him a while back I think he lives in

1324

00:55:16,490 --> 00:55:14,339

Port Portland Oregon or so and he's busy

1325

00:55:19,130 --> 00:55:16,500

with a lot of other things and he just

1326  
00:55:21,710 --> 00:55:19,140  
couldn't couldn't come back on but the

1327  
00:55:24,650 --> 00:55:21,720  
way the reason why I like this um

1328  
00:55:26,750 --> 00:55:24,660  
interview and this is specifically from

1329  
00:55:29,210 --> 00:55:26,760  
uh forgive me if I'm giving you the

1330  
00:55:30,290 --> 00:55:29,220  
wrong info um he's saying

1331  
00:55:32,750 --> 00:55:30,300  
um

1332  
00:55:35,809 --> 00:55:32,760  
psychiatrist I want to say you know and

1333  
00:55:39,349 --> 00:55:35,819  
and basically the way he talks about

1334  
00:55:41,930 --> 00:55:39,359  
dream interpretation and how he states

1335  
00:55:43,970 --> 00:55:41,940  
that we're all an awaking dream and so

1336  
00:55:46,790 --> 00:55:43,980  
what I found intriguing about that is

1337  
00:55:49,309 --> 00:55:46,800  
that he came to that conclusion

1338  
00:55:52,190 --> 00:55:49,319

um not needing to meditate not needing

1339

00:55:54,109 --> 00:55:52,200

to let's say have an Ayahuasca trip not

1340

00:55:55,309 --> 00:55:54,119

needing to have contact with aliens or

1341

00:55:57,349 --> 00:55:55,319

anything like that just through his

1342

00:55:59,210 --> 00:55:57,359

research from what I understand I hope

1343

00:56:01,790 --> 00:55:59,220

I'm not mistaken on this but the

1344

00:56:05,450 --> 00:56:01,800

information I had gathered by talking to

1345

00:56:08,870 --> 00:56:05,460

him is that he discovered that

1346

00:56:12,410 --> 00:56:08,880

um if we all understood that uh this is

1347

00:56:14,390 --> 00:56:12,420

we are the dream of of our our higher

1348

00:56:15,130 --> 00:56:14,400

self is that

1349

00:56:18,950 --> 00:56:15,140

um

1350

00:56:20,630 --> 00:56:18,960

you look at it as such and so that to

1351  
00:56:23,510 --> 00:56:20,640  
realize that whatever is happening at

1352  
00:56:25,910 --> 00:56:23,520  
that moment you can basically

1353  
00:56:28,549 --> 00:56:25,920  
um gather information from it that can

1354  
00:56:30,290 --> 00:56:28,559  
guide you in this moment to see okay

1355  
00:56:32,270 --> 00:56:30,300  
um what am I doing wrong am I doing

1356  
00:56:34,069 --> 00:56:32,280  
something right you know and and all

1357  
00:56:35,690 --> 00:56:34,079  
these day-to-day things that we always

1358  
00:56:38,630 --> 00:56:35,700  
wonder about that we always want to ask

1359  
00:56:40,790 --> 00:56:38,640  
other people for opinion but yet you are

1360  
00:56:42,710 --> 00:56:40,800  
the expert you know the the one that you

1361  
00:56:45,170 --> 00:56:42,720  
should be asking all the questions you

1362  
00:56:47,690 --> 00:56:45,180  
know and uh and just realizing that

1363  
00:56:49,490 --> 00:56:47,700

whatever was happening take that in in

1364

00:56:51,829 --> 00:56:49,500

that very moment and realize and

1365

00:56:52,849 --> 00:56:51,839

recognize that it's there for you and

1366

00:56:54,950 --> 00:56:52,859

then

1367

00:56:57,650 --> 00:56:54,960

um act on it and so he goes through

1368

00:56:59,630 --> 00:56:57,660

these um archetypes and goes through

1369

00:57:02,930 --> 00:56:59,640

this information of how do you break

1370

00:57:05,630 --> 00:57:02,940

down you know this this dream and um

1371

00:57:07,670 --> 00:57:05,640

there was I'm not sure if it's covered

1372

00:57:09,710 --> 00:57:07,680

in this interview forgive me I've done

1373

00:57:11,450 --> 00:57:09,720

hundreds by now and I can't recall all

1374

00:57:13,790 --> 00:57:11,460

the details on every conversation I've

1375

00:57:16,849 --> 00:57:13,800

ever had but one particular thing that

1376

00:57:17,390 --> 00:57:16,859

stuck out was he was talking about

1377

00:57:22,549 --> 00:57:17,400

um

1378

00:57:24,650 --> 00:57:22,559

a person that came to see him and so he

1379

00:57:28,130 --> 00:57:24,660

was dreaming about

1380

00:57:30,430 --> 00:57:28,140

um but not dreaming he was basically um

1381

00:57:33,829 --> 00:57:30,440

came to see him and speak to him and so

1382

00:57:35,870 --> 00:57:33,839

he came home and this was waking

1383

00:57:37,970 --> 00:57:35,880

experience you know nothing out of the

1384

00:57:41,089 --> 00:57:37,980

ordinary this is just him sharing the

1385

00:57:43,790 --> 00:57:41,099

story with him and I think he came there

1386

00:57:46,910 --> 00:57:43,800

for for a reason like he knew he did you

1387

00:57:50,089 --> 00:57:46,920

know psychiatry in that way so he told

1388

00:57:53,030 --> 00:57:50,099

him the story of he came home and he had

1389

00:57:55,370 --> 00:57:53,040

uh bought a jar of marmalade you know

1390

00:57:56,930 --> 00:57:55,380

but she loves very much and he was

1391

00:57:59,870 --> 00:57:56,940

bringing it all to the kitchen and all

1392

00:58:02,809 --> 00:57:59,880

these different things and it fell down

1393

00:58:04,549 --> 00:58:02,819

and basically shattered

1394

00:58:07,069 --> 00:58:04,559

and so

1395

00:58:09,470 --> 00:58:07,079

part of what you know what he was

1396

00:58:11,030 --> 00:58:09,480

getting at and again I'm not sure if he

1397

00:58:12,770 --> 00:58:11,040

was telling this here in this interview

1398

00:58:13,730 --> 00:58:12,780

or if it was just something he discussed

1399

00:58:16,370 --> 00:58:13,740

with me

1400

00:58:20,510 --> 00:58:16,380

um privately off camera but it's

1401

00:58:23,510 --> 00:58:20,520

basically the guy had uh diabetes and so

1402

00:58:25,549 --> 00:58:23,520

his doctor had told him not to you know

1403

00:58:28,609 --> 00:58:25,559

eat sweets avoid carbs and all these

1404

00:58:32,210 --> 00:58:28,619

different things and so it was basically

1405

00:58:35,030 --> 00:58:32,220

that event of the marmalade shattering

1406

00:58:38,930 --> 00:58:35,040

and basically having all the the sweet

1407

00:58:41,630 --> 00:58:38,940

with the glass was a representation of

1408

00:58:44,089 --> 00:58:41,640

the basically the damage that too much

1409

00:58:46,430 --> 00:58:44,099

glucose does in your bloodstream you

1410

00:58:49,970 --> 00:58:46,440

know is that sweetness he loves you know

1411

00:58:51,289 --> 00:58:49,980

is now full with shards of glass you

1412

00:58:53,150 --> 00:58:51,299

know and

1413

00:58:55,730 --> 00:58:53,160

um basically it's it's a danger you

1414

00:58:57,829 --> 00:58:55,740

cannot consume it you know and so on

1415

00:58:59,630 --> 00:58:57,839

it's just amazing just the way he you

1416

00:59:02,390 --> 00:58:59,640

know he does that and breaks breaks

1417

00:59:04,490 --> 00:59:02,400

those things down and so anyway he has I

1418

00:59:06,950 --> 00:59:04,500

believe a published a book too that's um

1419

00:59:08,530 --> 00:59:06,960

I have not read it but I've always

1420

00:59:11,150 --> 00:59:08,540

intended to just

1421

00:59:13,309 --> 00:59:11,160

just buy it at one of these points and

1422

00:59:16,010 --> 00:59:13,319

just read it and to to hear more of

1423

00:59:17,690 --> 00:59:16,020

these different type of stories and so I

1424

00:59:19,430 --> 00:59:17,700

found that intriguing very particularly

1425

00:59:20,870 --> 00:59:19,440

interesting to share with all of you

1426

00:59:23,210 --> 00:59:20,880

because

1427

00:59:25,069 --> 00:59:23,220

um if you're not into meditation if

1428

00:59:27,650 --> 00:59:25,079

you're not into any of these other stuff

1429

00:59:29,630 --> 00:59:27,660

and you just want to still you know say

1430

00:59:32,890 --> 00:59:29,640

say I don't mean this in a derogatory

1431

00:59:36,230 --> 00:59:32,900

way just straight stay straight laced

1432

00:59:39,170 --> 00:59:36,240

that would be somebody to basically

1433

00:59:42,890 --> 00:59:39,180

kind of get you feet wet with because

1434

00:59:43,970 --> 00:59:42,900

then he discusses also I consider that a

1435

00:59:46,730 --> 00:59:43,980

very

1436

00:59:50,210 --> 00:59:46,740

um metaphysical Supernatural types

1437

00:59:51,829 --> 00:59:50,220

events but there are just analysis of

1438

00:59:54,410 --> 00:59:51,839

the waking dream

1439

00:59:56,630 --> 00:59:54,420

and that can help you guide you and

1440

00:59:58,190 --> 00:59:56,640

whatever else you need in life or

1441

00:59:59,690 --> 00:59:58,200

answers you're looking for at that

1442

01:00:02,630 --> 00:59:59,700

moment

1443

01:00:04,670 --> 01:00:02,640

okay and uh let's see what do I have

1444

01:00:08,030 --> 01:00:04,680

here for last window

1445

01:00:10,490 --> 01:00:08,040

oh yeah so this was the the um

1446

01:00:14,589 --> 01:00:10,500

the interview is just a short snippet

1447

01:00:19,190 --> 01:00:14,599

it's about nine nine minutes and 53

1448

01:00:20,210 --> 01:00:19,200

seconds and I have this link also in the

1449

01:00:24,829 --> 01:00:20,220

um

1450

01:00:27,770 --> 01:00:24,839

a telegram group I can post different uh

1451

01:00:29,390 --> 01:00:27,780

upcoming shows or short messages or

1452

01:00:31,730 --> 01:00:29,400

whatever else I happen to find

1453

01:00:34,609 --> 01:00:31,740

interesting at that time and so it's

1454

01:00:36,770 --> 01:00:34,619

also on Telegram and the UFO Hub as well

1455

01:00:38,870 --> 01:00:36,780

if you need the link specifically

1456

01:00:40,730 --> 01:00:38,880

but yeah no this was the interview that

1457

01:00:44,270 --> 01:00:40,740

earlier that I talked about my friend

1458

01:00:46,750 --> 01:00:44,280

when he saw this and it just that's the

1459

01:00:49,549 --> 01:00:46,760

one that started this whole

1460

01:00:51,410 --> 01:00:49,559

changed perspective for him

1461

01:00:54,650 --> 01:00:51,420

okay

1462

01:00:56,210 --> 01:00:54,660

all right uh man I've been busy trying

1463

01:00:57,770 --> 01:00:56,220

to do all this different stuff and

1464

01:00:59,450 --> 01:00:57,780

realizing all of y'all have been

1465

01:01:01,430 --> 01:00:59,460

chatting so

1466

01:01:03,829 --> 01:01:01,440

um let's

1467

01:01:05,270 --> 01:01:03,839

let me get back here

1468

01:01:07,490 --> 01:01:05,280

so

1469

01:01:10,130 --> 01:01:07,500

for those that still would like to speak

1470

01:01:13,250 --> 01:01:10,140

to me share their stories uh talk about

1471

01:01:15,230 --> 01:01:13,260

whatever Supernatural experiences and

1472

01:01:18,470 --> 01:01:15,240

subjects you would like to maybe discuss

1473

01:01:21,530 --> 01:01:18,480

or or whatever share with me now would

1474

01:01:23,329 --> 01:01:21,540

be the time if you can just I hope you

1475

01:01:25,309 --> 01:01:23,339

have taken the time to download Telegram

1476

01:01:28,670 --> 01:01:25,319

and install it on your phone or computer

1477

01:01:31,130 --> 01:01:28,680

and basically join me to to speak to me

1478

01:01:33,349 --> 01:01:31,140

um I'm gonna try to move some of these

1479

01:01:36,049 --> 01:01:33,359

books around

1480

01:01:38,750 --> 01:01:36,059

and

1481

01:01:41,150 --> 01:01:38,760

bring my tablet in here

1482

01:01:45,049 --> 01:01:41,160

also I just seen

1483

01:01:47,450 --> 01:01:45,059

silky silky B actually did a really good

1484

01:01:51,170 --> 01:01:47,460

thing because I always forget about this

1485

01:01:53,329 --> 01:01:51,180

this is streaming right now on Twitter

1486

01:01:57,349 --> 01:01:53,339

uh for the first time I don't know how

1487

01:02:00,770 --> 01:01:57,359

well it'll go across but it's streaming

1488

01:02:03,470 --> 01:02:00,780

on Twitter Facebook YouTube and twitch

1489

01:02:04,670 --> 01:02:03,480

and so you should be able I don't know

1490

01:02:06,890 --> 01:02:04,680

about Twitter but you should be able to

1491

01:02:09,970 --> 01:02:06,900

submit a question if you are not wanting

1492

01:02:12,890 --> 01:02:09,980

to come on to Telegram and talk to me so

1493

01:02:14,930 --> 01:02:12,900

simply put three asterix's before the

1494

01:02:16,730 --> 01:02:14,940

question so that that way I know it's

1495

01:02:19,609 --> 01:02:16,740

meant for me and not the regular chatter

1496

01:02:20,809 --> 01:02:19,619

in the chat rooms and so silky B thanks

1497

01:02:24,049 --> 01:02:20,819

very much for doing that because it

1498

01:02:27,109 --> 01:02:24,059

reminded me to put that out there

1499

01:02:28,849 --> 01:02:27,119

okay let's see I have to kind of

1500

01:02:31,910 --> 01:02:28,859

backtrack

1501

01:02:34,849 --> 01:02:31,920

or uh Laura welcome

1502

01:02:39,230 --> 01:02:34,859

labeled welcome good to see you again

1503

01:02:40,849 --> 01:02:39,240

uh blue jean uh welcome Sonia welcome as

1504

01:02:46,309 --> 01:02:40,859

well hello to you

1505

01:02:46,319 --> 01:02:49,670

um

1506

01:02:55,010 --> 01:02:52,849

Roger uh welcome as well I'm sorry if

1507

01:02:57,950 --> 01:02:55,020

I'm not if I'm mispronouncing your name

1508

01:03:00,950 --> 01:02:57,960

uh silky B welcome as well

1509

01:03:03,650 --> 01:03:00,960

okay silky B I see the first question is

1510

01:03:07,190 --> 01:03:03,660

asking thoughts on Dolores convolutist

1511

01:03:10,970 --> 01:03:07,200

uh series I'm almost done and continue

1512

01:03:12,410 --> 01:03:10,980

to be uh floored page after page well

1513

01:03:15,410 --> 01:03:12,420

you know that's

1514

01:03:19,069 --> 01:03:15,420

what I'm floored with uh is especially

1515

01:03:20,870 --> 01:03:19,079

the way she got that information and

1516

01:03:22,849 --> 01:03:20,880

um if

1517

01:03:24,470 --> 01:03:22,859

just realize if some of you find all

1518

01:03:26,630 --> 01:03:24,480

these books distracting let me know I'll

1519

01:03:29,329 --> 01:03:26,640

move them but I hope you can still see

1520

01:03:30,230 --> 01:03:29,339

me in full View and are okay with that

1521

01:03:32,569 --> 01:03:30,240

um

1522

01:03:36,170 --> 01:03:32,579

the way Dolores did these sessions is

1523

01:03:37,609 --> 01:03:36,180

she would go very deep into the the

1524

01:03:41,450 --> 01:03:37,619

basically

1525

01:03:44,329 --> 01:03:41,460

uh I forgot what state of psychosis that

1526

01:03:46,130 --> 01:03:44,339

level is and she says she goes it's a

1527

01:03:47,990 --> 01:03:46,140

level which more psychiatric or not

1528

01:03:49,970 --> 01:03:48,000

psychiatrist or hypnotherapist would not

1529

01:03:53,089 --> 01:03:49,980

go past because they said weird things

1530

01:03:54,589 --> 01:03:53,099

happen there and so what I what forced

1531

01:03:58,010 --> 01:03:54,599

me about that is the way the information

1532

01:04:00,950 --> 01:03:58,020

has gotten is that basically she will

1533

01:04:02,750 --> 01:04:00,960

continue a conversation with whatever uh

1534

01:04:05,270 --> 01:04:02,760

being she's having a conversation let's

1535

01:04:07,910 --> 01:04:05,280

say in America and she would often

1536

01:04:09,829 --> 01:04:07,920

travel to go China Australia England all

1537

01:04:11,930 --> 01:04:09,839

these different places and then she

1538

01:04:14,990 --> 01:04:11,940

would do different sessions whenever she

1539

01:04:17,089 --> 01:04:15,000

could at these locations as well and

1540

01:04:20,089 --> 01:04:17,099

after she would be done with the session

1541

01:04:23,150 --> 01:04:20,099

and if it's okay with the person that

1542

01:04:25,309 --> 01:04:23,160

came to for that session that same being

1543

01:04:26,990 --> 01:04:25,319

in that same entities that were in

1544

01:04:29,690 --> 01:04:27,000

America would come through and continue

1545

01:04:33,170 --> 01:04:29,700

talking to her whatever subjects that

1546

01:04:35,089 --> 01:04:33,180

we're talking about and so um Ozark I

1547

01:04:37,549 --> 01:04:35,099

started there for a second but Ozark has

1548

01:04:40,010 --> 01:04:37,559

this huge um

1549

01:04:41,870 --> 01:04:40,020

basic collection of the tapes because

1550

01:04:45,109 --> 01:04:41,880

she recorded them all on just cassette

1551

01:04:48,109 --> 01:04:45,119

tapes and I started to back those up to

1552

01:04:49,670 --> 01:04:48,119

digitize them and I had stopped and got

1553

01:04:52,250 --> 01:04:49,680

busy with a whole bunch of other things

1554

01:04:54,349 --> 01:04:52,260

so I don't know if uh they want me to

1555

01:04:56,270 --> 01:04:54,359

still continue with that part but it's

1556

01:04:59,289 --> 01:04:56,280

basically all these different session

1557

01:05:02,510 --> 01:04:59,299

sessions that she has had

1558

01:05:04,849 --> 01:05:02,520

and it's how she wrote her books and so

1559

01:05:06,710 --> 01:05:04,859

whatever subjects like you have the

1560

01:05:10,670 --> 01:05:06,720

three waves of volunteers which actually

1561

01:05:13,430 --> 01:05:10,680

talks about the different age groups of

1562

01:05:15,530 --> 01:05:13,440

basically Souls that are coming in and

1563

01:05:19,490 --> 01:05:15,540

so she talks about the first wave which

1564

01:05:21,470 --> 01:05:19,500

are kind of the the Trailblazers that

1565

01:05:23,510 --> 01:05:21,480

um basically the trendsetters and then

1566

01:05:25,370 --> 01:05:23,520

you have the second wave and she

1567

01:05:27,650 --> 01:05:25,380

describes from generally from which year

1568

01:05:30,470 --> 01:05:27,660

to which year they are born and what

1569

01:05:33,589 --> 01:05:30,480

their purpose is uh on on the planet is

1570

01:05:35,870 --> 01:05:33,599

and it was surprising that for that for

1571

01:05:37,930 --> 01:05:35,880

that age group she was saying that they

1572

01:05:40,730 --> 01:05:37,940

already came with a energy

1573

01:05:43,309 --> 01:05:40,740

that is already ingrained in them from

1574

01:05:43,849 --> 01:05:43,319

birth and so basically

1575

01:05:46,130 --> 01:05:43,859

um

1576

01:05:49,849 --> 01:05:46,140

they don't have to do anything but to

1577

01:05:51,650 --> 01:05:49,859

just be to go to the jobs they go to

1578

01:05:53,870 --> 01:05:51,660

places they feel like they need to go

1579

01:05:55,970 --> 01:05:53,880

and they don't have to do anything more

1580

01:05:57,589 --> 01:05:55,980

but she says she found that a lot of

1581

01:05:59,690 --> 01:05:57,599

those people coming to her are in that

1582

01:06:02,210 --> 01:05:59,700

group and are wanting to do more than

1583

01:06:05,030 --> 01:06:02,220

what they already are doing but the way

1584

01:06:07,609 --> 01:06:05,040

she was describing it is that because of

1585

01:06:09,589 --> 01:06:07,619

the subtle frequencies that they already

1586

01:06:12,170 --> 01:06:09,599

come with she said you can be in a mall

1587

01:06:14,809 --> 01:06:12,180

or any place and just pass the people

1588

01:06:17,030 --> 01:06:14,819

just you know just pass next to them you

1589

01:06:19,370 --> 01:06:17,040

know and they would be kind of in your

1590

01:06:22,309 --> 01:06:19,380

field of that of that bubble of that

1591

01:06:25,370 --> 01:06:22,319

frequency and it would in a way act like

1592

01:06:27,950 --> 01:06:25,380

a small seed that was kind of uh

1593

01:06:31,549 --> 01:06:27,960

frequently Left Behind to where then

1594

01:06:34,490 --> 01:06:31,559

it will then grow and and Blossom into

1595

01:06:36,829 --> 01:06:34,500

then this curiosity that they never had

1596

01:06:38,569 --> 01:06:36,839

before would all of a sudden be there

1597

01:06:41,329 --> 01:06:38,579

and they would go down a certain path

1598

01:06:44,510 --> 01:06:41,339

just by simply being within the vicinity

1599

01:06:47,150 --> 01:06:44,520

of these people and she she describes a

1600

01:06:49,430 --> 01:06:47,160

large portion of these different souls

1601  
01:06:51,410 --> 01:06:49,440  
coming in just to do that and she says a

1602  
01:06:53,750 --> 01:06:51,420  
lot of times they feel like they they're

1603  
01:06:56,029 --> 01:06:53,760  
not doing enough when that's all they

1604  
01:06:57,950 --> 01:06:56,039  
have to do is just be here and then she

1605  
01:07:01,029 --> 01:06:57,960  
talks about the third wave which

1606  
01:07:06,049 --> 01:07:01,039  
basically is um

1607  
01:07:08,029 --> 01:07:06,059  
the new children you know and so

1608  
01:07:10,910 --> 01:07:08,039  
I can't remember exactly what years

1609  
01:07:12,710 --> 01:07:10,920  
those are sometimes I'm trying not to be

1610  
01:07:14,809 --> 01:07:12,720  
too negative about this when I watch

1611  
01:07:16,789 --> 01:07:14,819  
certain things on on television I'm just

1612  
01:07:19,789 --> 01:07:16,799  
like where in the world did these people

1613  
01:07:21,770 --> 01:07:19,799

come from you know and sometimes I watch

1614

01:07:24,170 --> 01:07:21,780

my own children and go like dear Lord

1615

01:07:26,029 --> 01:07:24,180

you know uh but anyway this new

1616

01:07:28,849 --> 01:07:26,039

generation is supposed to be this

1617

01:07:30,829 --> 01:07:28,859

generation that's less prone to going

1618

01:07:33,470 --> 01:07:30,839

along with the norm and they would

1619

01:07:36,349 --> 01:07:33,480

basically uh fight against the system

1620

01:07:38,450 --> 01:07:36,359

you know in many different ways and so

1621

01:07:41,150 --> 01:07:38,460

how that exactly supposed to look I

1622

01:07:44,569 --> 01:07:41,160

don't know I personally am kind of um

1623

01:07:46,990 --> 01:07:44,579

you know I can say sadly I had a

1624

01:07:49,130 --> 01:07:47,000

of I guess for lack of better word of

1625

01:07:51,890 --> 01:07:49,140

romanticized version how that would be

1626  
01:07:54,170 --> 01:07:51,900  
that these children you know will be you

1627  
01:07:57,049 --> 01:07:54,180  
know obviously will be known who they

1628  
01:07:58,670 --> 01:07:57,059  
are and and them coming in would you

1629  
01:08:01,190 --> 01:07:58,680  
know make these changes that would be a

1630  
01:08:03,250 --> 01:08:01,200  
benefit you know not realizing it could

1631  
01:08:06,770 --> 01:08:03,260  
also go the other way around to where

1632  
01:08:08,569 --> 01:08:06,780  
they have not come of age yet and maybe

1633  
01:08:12,950 --> 01:08:08,579  
the only thing that they can do in

1634  
01:08:15,049 --> 01:08:12,960  
Express is 10 to 10 potentials and so

1635  
01:08:17,209 --> 01:08:15,059  
I don't know but the whole point is

1636  
01:08:19,550 --> 01:08:17,219  
that's what she describes about that

1637  
01:08:21,349 --> 01:08:19,560  
last generation that's supposed to bring

1638  
01:08:23,870 --> 01:08:21,359

about this change

1639

01:08:26,570 --> 01:08:23,880

um within Society uh within the

1640

01:08:28,249 --> 01:08:26,580

governments and the world in general so

1641

01:08:37,070 --> 01:08:28,259

anyway

1642

01:08:38,630 --> 01:08:37,080

I've answered your question and you also

1643

01:08:41,930 --> 01:08:38,640

asked do you have a

1644

01:08:45,410 --> 01:08:41,940

do you do you have a next book for me

1645

01:08:46,189 --> 01:08:45,420

I'm not sure what you mean like um

1646

01:08:48,530 --> 01:08:46,199

um

1647

01:08:50,269 --> 01:08:48,540

just to suggest if that's what you mean

1648

01:08:53,030 --> 01:08:50,279

please just clarify in the comments if

1649

01:08:59,269 --> 01:08:56,689

oh yes so uh Matt Galloway

1650

01:09:03,709 --> 01:08:59,279

is ask has basically said uh check out

1651

01:09:06,349 --> 01:09:03,719

allies uh well it's allies of humanity

1652

01:09:09,110 --> 01:09:06,359

um it's actually

1653

01:09:11,570 --> 01:09:09,120

I'm really hoping I don't

1654

01:09:13,370 --> 01:09:11,580

bust these books up and because they're

1655

01:09:16,789 --> 01:09:13,380

not held by anything else I would just

1656

01:09:20,709 --> 01:09:16,799

basically balance them but

1657

01:09:20,719 --> 01:09:26,090

I have a whole part here

1658

01:09:30,289 --> 01:09:29,209

yeah there yeah allies of humanity and

1659

01:09:30,950 --> 01:09:30,299

so

1660

01:09:36,229 --> 01:09:30,960

um

1661

01:09:38,809 --> 01:09:36,239

enough to send me I believe the whole

1662

01:09:40,729 --> 01:09:38,819

collection so book four

1663

01:09:43,430 --> 01:09:40,739

um book two what else do I have here

1664

01:09:47,570 --> 01:09:45,769

I think I have along these other ones

1665

01:09:49,849 --> 01:09:47,580

but he sent me the whole thing I was

1666

01:09:51,289 --> 01:09:49,859

very grateful for that and so yes I

1667

01:09:54,050 --> 01:09:51,299

would also recommend

1668

01:09:55,970 --> 01:09:54,060

um uh listening to these now their

1669

01:09:57,350 --> 01:09:55,980

perspective or the way he's representing

1670

01:09:59,570 --> 01:09:57,360

this is

1671

01:10:01,669 --> 01:09:59,580

his point of view how he understands

1672

01:10:03,229 --> 01:10:01,679

some of this information from these

1673

01:10:04,610 --> 01:10:03,239

different beings this being channeled

1674

01:10:06,110 --> 01:10:04,620

but again you have to read it for

1675

01:10:07,310 --> 01:10:06,120

yourself

1676

01:10:09,709 --> 01:10:07,320

all right

1677

01:10:11,330 --> 01:10:09,719

we'll just put that down just so that

1678

01:10:14,030 --> 01:10:11,340

I don't

1679

01:10:20,149 --> 01:10:14,040

crash anything here okay

1680

01:10:20,159 --> 01:10:24,970

Amanda welcome as well

1681

01:10:29,330 --> 01:10:27,770

uh boo UPS welcome

1682

01:10:32,149 --> 01:10:29,340

roll

1683

01:10:34,729 --> 01:10:32,159

the losing dice how are you good to see

1684

01:10:37,850 --> 01:10:34,739

you again uh his question is have you

1685

01:10:39,950 --> 01:10:37,860

had any recent vivid dreams nightmares

1686

01:10:42,890 --> 01:10:39,960

sleep paralysis

1687

01:10:49,550 --> 01:10:46,910

yes I I have a few nights ago and was

1688

01:10:52,070 --> 01:10:49,560

very interesting but what what sucks is

1689

01:10:55,430 --> 01:10:52,080

that I have not always been in a habit

1690

01:10:58,130 --> 01:10:55,440

of keeping a dream journal and I was

1691

01:11:01,250 --> 01:10:58,140

told long time ago that it's best right

1692

01:11:03,470 --> 01:11:01,260

when you're awake to just take some time

1693

01:11:06,110 --> 01:11:03,480

whether it's you writing it down or just

1694

01:11:08,930 --> 01:11:06,120

record it to just while it's so fresh

1695

01:11:11,330 --> 01:11:08,940

record it and keep recording them over

1696

01:11:13,550 --> 01:11:11,340

time and listen back to them when you

1697

01:11:16,250 --> 01:11:13,560

awake and you know have some you know a

1698

01:11:17,990 --> 01:11:16,260

little extra time and you will get more

1699

01:11:19,729 --> 01:11:18,000

from these dreams of why they were

1700

01:11:22,070 --> 01:11:19,739

happening what what was going on but

1701  
01:11:25,669 --> 01:11:22,080  
I've always been bad at doing that and

1702  
01:11:27,709 --> 01:11:25,679  
so I wish you know that times I did so

1703  
01:11:30,729 --> 01:11:27,719  
that that way I can listen to it it's a

1704  
01:11:33,110 --> 01:11:30,739  
different time with um you know just

1705  
01:11:36,290 --> 01:11:33,120  
especially right when you wake up like

1706  
01:11:37,729 --> 01:11:36,300  
everything is still very much there and

1707  
01:11:40,729 --> 01:11:37,739  
I just you know basically just want to

1708  
01:11:42,709 --> 01:11:40,739  
see and remember exactly as as it was

1709  
01:11:45,229 --> 01:11:42,719  
you know as it was happening so that I

1710  
01:11:47,450 --> 01:11:45,239  
can re-listen to it and see if it you

1711  
01:11:52,729 --> 01:11:47,460  
know if there's some meaning to it in or

1712  
01:11:57,890 --> 01:11:55,090  
okay

1713  
01:12:00,169 --> 01:11:57,900

all right so

1714

01:12:02,510 --> 01:12:00,179

we still just have uh people listening

1715

01:12:04,610 --> 01:12:02,520

on telegram which is great and no nobody

1716

01:12:06,830 --> 01:12:04,620

wants to chime in and share their

1717

01:12:09,229 --> 01:12:06,840

stories and

1718

01:12:11,390 --> 01:12:09,239

I don't know if uh selkibi heard me

1719

01:12:14,630 --> 01:12:11,400

about clarifying the question but other

1720

01:12:17,390 --> 01:12:14,640

than uh roll the losing dies there's no

1721

01:12:19,010 --> 01:12:17,400

other questions for me here so if you

1722

01:12:23,090 --> 01:12:19,020

have any let me know

1723

01:12:25,850 --> 01:12:23,100

um I'm still good uh some of you still

1724

01:12:27,649 --> 01:12:25,860

want to talk or share something

1725

01:12:30,770 --> 01:12:27,659

um otherwise I think this is pretty much

1726

01:12:32,990 --> 01:12:30,780

it I'm not I'm not sure if this video

1727

01:12:34,550 --> 01:12:33,000

will do it justice to maybe share it

1728

01:12:36,950 --> 01:12:34,560

with some of your friends that are just

1729

01:12:38,750 --> 01:12:36,960

now getting into the subject

1730

01:12:41,030 --> 01:12:38,760

um I don't know if you find it worthy

1731

01:12:43,310 --> 01:12:41,040

enough but if you do please do share it

1732

01:12:45,350 --> 01:12:43,320

with your friends and especially for

1733

01:12:47,750 --> 01:12:45,360

those that maybe might have an interest

1734

01:12:50,689 --> 01:12:47,760

you know and maybe through some of my

1735

01:12:53,810 --> 01:12:50,699

explanations they would have new avenues

1736

01:12:57,470 --> 01:12:53,820

to go down and new routes to take when

1737

01:13:00,229 --> 01:12:57,480

it comes to the subject but

1738

01:13:01,550 --> 01:13:00,239

um I certainly hope that all of you that

1739

01:13:03,890 --> 01:13:01,560

have spent the time listening to me

1740

01:13:06,290 --> 01:13:03,900

right now found it useful enough so yeah

1741

01:13:09,530 --> 01:13:06,300

no this was basically just

1742

01:13:10,970 --> 01:13:09,540

that story you know having talked you

1743

01:13:13,310 --> 01:13:10,980

know talked to my friend because when I

1744

01:13:15,530 --> 01:13:13,320

I was still in the truck and I called

1745

01:13:18,590 --> 01:13:15,540

him and when I you know we talked I

1746

01:13:21,229 --> 01:13:18,600

think for 45 minutes it was just amazing

1747

01:13:23,149 --> 01:13:21,239

and he was just in in this it was weird

1748

01:13:26,990 --> 01:13:23,159

to hear them from this different state

1749

01:13:29,330 --> 01:13:27,000

to where he was just in awe and I told

1750

01:13:31,130 --> 01:13:29,340

him I said well hey anytime you want to

1751

01:13:33,410 --> 01:13:31,140

talk now you know you know crazy friend

1752

01:13:35,330 --> 01:13:33,420

that will listen to you and maybe answer

1753

01:13:38,209 --> 01:13:35,340

some questions you might you might have

1754

01:13:40,669 --> 01:13:38,219

about this because uh the immediate

1755

01:13:43,189 --> 01:13:40,679

friends he has now are not where he's at

1756

01:13:46,430 --> 01:13:43,199

they're not at that stage so of course

1757

01:13:49,189 --> 01:13:46,440

he can't bring that up to him at the at

1758

01:13:51,590 --> 01:13:49,199

whatever the next Gathering happens to

1759

01:13:54,229 --> 01:13:51,600

be you know and so

1760

01:13:57,290 --> 01:13:54,239

um I guess most of you that are watching

1761

01:13:59,689 --> 01:13:57,300

this you know and who are into this

1762

01:14:02,570 --> 01:13:59,699

um maybe try to make yourself available

1763

01:14:05,090 --> 01:14:02,580

for others so that they know that you

1764

01:14:06,470 --> 01:14:05,100

can be I guess trusted for for lack a

1765

01:14:10,010 --> 01:14:06,480

better word that you will just listen

1766

01:14:12,590 --> 01:14:10,020

and not judge and um you know maybe give

1767

01:14:14,330 --> 01:14:12,600

him some pointers maybe show them you

1768

01:14:16,550 --> 01:14:14,340

know tell them about this video if you

1769

01:14:17,090 --> 01:14:16,560

found it useful enough so

1770

01:14:20,030 --> 01:14:17,100

um

1771

01:14:21,649 --> 01:14:20,040

I guess it's just we can't rely on the

1772

01:14:23,090 --> 01:14:21,659

government all the time

1773

01:14:24,890 --> 01:14:23,100

because

1774

01:14:26,530 --> 01:14:24,900

um I don't know why it hasn't been clear

1775

01:14:29,570 --> 01:14:26,540

to people that you know government

1776

01:14:31,570 --> 01:14:29,580

really is it's not really there to to

1777

01:14:34,970 --> 01:14:31,580

solve your problems you know it was

1778

01:14:37,550 --> 01:14:34,980

created you know out of fear it was

1779

01:14:40,010 --> 01:14:37,560

created out of need it was created out

1780

01:14:43,490 --> 01:14:40,020

of want and so of course it's those

1781

01:14:46,130 --> 01:14:43,500

things that drive it and so

1782

01:14:49,910 --> 01:14:46,140

um you know you can't expect it to all

1783

01:14:53,689 --> 01:14:49,920

of a sudden you know uh change uh you

1784

01:14:55,850 --> 01:14:53,699

know it's it's core premise of the

1785

01:14:58,189 --> 01:14:55,860

reasons why it was created it would it

1786

01:15:00,590 --> 01:14:58,199

would have to be you that changes first

1787

01:15:02,570 --> 01:15:00,600

only then you know does the government

1788

01:15:05,630 --> 01:15:02,580

really have no other choice but to

1789

01:15:07,490 --> 01:15:05,640

change because we didn't start looking

1790

01:15:09,830 --> 01:15:07,500

at things differently voting at things

1791

01:15:11,870 --> 01:15:09,840

differently you know if voting can still

1792

01:15:13,910 --> 01:15:11,880

be trusted you know because many

1793

01:15:16,130 --> 01:15:13,920

countries around the world always and

1794

01:15:18,410 --> 01:15:16,140

constantly have issues and problems but

1795

01:15:19,729 --> 01:15:18,420

the whole point is it all comes back

1796

01:15:22,790 --> 01:15:19,739

down to you

1797

01:15:25,010 --> 01:15:22,800

you know what are you doing about your

1798

01:15:28,010 --> 01:15:25,020

progress if you're frustrated about not

1799

01:15:30,590 --> 01:15:28,020

understanding enough about UFOs you know

1800

01:15:33,110 --> 01:15:30,600

what have you not looked into what

1801

01:15:35,990 --> 01:15:33,120

Avenue did not did you not take what

1802

01:15:38,510 --> 01:15:36,000

Rabbit Hole did you not go down you know

1803

01:15:40,370 --> 01:15:38,520

or something too crazy for you if it is

1804

01:15:43,130 --> 01:15:40,380

why was it too crazy

1805

01:15:45,590 --> 01:15:43,140

you know to listen to to look into you

1806

01:15:47,510 --> 01:15:45,600

know if something you know doesn't you

1807

01:15:49,189 --> 01:15:47,520

know sit right why not because it's

1808

01:15:51,350 --> 01:15:49,199

always funny when everything is going

1809

01:15:53,030 --> 01:15:51,360

great we don't ask all any of those

1810

01:15:55,370 --> 01:15:53,040

questions it's only when something is

1811

01:15:58,550 --> 01:15:55,380

not right when something you know is

1812

01:16:01,070 --> 01:15:58,560

fearful only then all of a sudden this

1813

01:16:03,950 --> 01:16:01,080

um Inquisition self-inquisition comes in

1814

01:16:07,070 --> 01:16:03,960

you know and so anyway

1815

01:16:09,110 --> 01:16:07,080

I hope all of you take the time uh to

1816

01:16:11,870 --> 01:16:09,120

just maybe try to understand what I'm

1817

01:16:13,970 --> 01:16:11,880

saying if if uh you're not entirely sure

1818

01:16:15,950 --> 01:16:13,980

what I was trying to get at

1819

01:16:19,130 --> 01:16:15,960

um for those of you who have been into

1820

01:16:21,290 --> 01:16:19,140

this for a while I'm I understand you

1821

01:16:23,750 --> 01:16:21,300

know just keep on trucking keep doing

1822

01:16:26,149 --> 01:16:23,760

what you can possibly do and

1823

01:16:28,130 --> 01:16:26,159

um you just never know

1824

01:16:31,010 --> 01:16:28,140

um I don't know I would not

1825

01:16:33,110 --> 01:16:31,020

I know it's has no some friends that are

1826

01:16:36,470 --> 01:16:33,120

still sitting there I was like man when

1827

01:16:38,450 --> 01:16:36,480

finally dude everything comes out and

1828

01:16:40,550 --> 01:16:38,460

the White House talking about this I

1829

01:16:42,890 --> 01:16:40,560

have so many I Told You So to hand out

1830

01:16:45,050 --> 01:16:42,900

and I'm just like that's not the way to

1831

01:16:47,209 --> 01:16:45,060

go you know it's like if you're gonna do

1832

01:16:49,010 --> 01:16:47,219

something do it for your own reason you

1833

01:16:51,350 --> 01:16:49,020

know instead of then guilt into

1834

01:16:52,669 --> 01:16:51,360

everyone for not paying attention you

1835

01:16:55,550 --> 01:16:52,679

know because

1836

01:16:57,830 --> 01:16:55,560

um once you realize you know that you're

1837

01:16:59,450 --> 01:16:57,840

searching this for yourself then that's

1838

01:17:01,010 --> 01:16:59,460

the only thing that should be important

1839

01:17:03,229 --> 01:17:01,020

to you you know no matter how many

1840

01:17:05,750 --> 01:17:03,239

people are believing you or are on board

1841

01:17:09,830 --> 01:17:05,760

with you

1842

01:17:14,870 --> 01:17:13,010

oh I'm sorry I saw one more one more

1843

01:17:17,390 --> 01:17:14,880

question from roll the losing that says

1844

01:17:19,630 --> 01:17:17,400

do you think Bigfoot and Sasquatch are

1845

01:17:22,310 --> 01:17:19,640

grounds for the alien greeds beings

1846

01:17:24,890 --> 01:17:22,320

asking for a friend you know I

1847

01:17:26,689 --> 01:17:24,900

personally don't have an experience when

1848

01:17:28,490 --> 01:17:26,699

it comes to that so if I'm telling you

1849

01:17:30,770 --> 01:17:28,500

something it's something that that I've

1850

01:17:32,689 --> 01:17:30,780

read you know so just want to make that

1851

01:17:34,790 --> 01:17:32,699

clear so that you all don't think oh

1852

01:17:37,430 --> 01:17:34,800

this is something I got during my you

1853

01:17:40,310 --> 01:17:37,440

know um context but no these two books

1854

01:17:43,130 --> 01:17:40,320

right here 12th Planet and uh

1855

01:17:45,169 --> 01:17:43,140

just said it I forgot the title

1856

01:17:48,290 --> 01:17:45,179

Zechariah stitchin The Stairway to

1857

01:17:50,890 --> 01:17:48,300

Heaven they basically he describes of

1858

01:17:54,950 --> 01:17:50,900

what's supposed to be on those

1859

01:17:57,770 --> 01:17:54,960

Sumerian Tablets that he basically

1860

01:18:00,410 --> 01:17:57,780

translated and it's a language that from

1861

01:18:02,209 --> 01:18:00,420

what I understand very few could speak

1862

01:18:04,910 --> 01:18:02,219

there were not many people on the planet

1863

01:18:07,550 --> 01:18:04,920

that could read it and so he read it and

1864

01:18:09,950 --> 01:18:07,560

translated into these uh different books

1865

01:18:12,350 --> 01:18:09,960

because I only have two but there's a

1866

01:18:14,570 --> 01:18:12,360

whole series of them and it describes a

1867

01:18:15,350 --> 01:18:14,580

great deal about

1868

01:18:19,250 --> 01:18:15,360

um

1869

01:18:21,110 --> 01:18:19,260

who they were and goes goes even into

1870

01:18:23,090 --> 01:18:21,120

the 12th Planet which some of us

1871

01:18:26,510 --> 01:18:23,100

especially in the conspiracy realm on

1872

01:18:28,669 --> 01:18:26,520

the internet describe the Planet X and

1873

01:18:31,189 --> 01:18:28,679

that there's another planet within our

1874

01:18:35,390 --> 01:18:31,199

solar system that has a much longer and

1875

01:18:38,570 --> 01:18:35,400

wider or orbital orbital plane and um

1876

01:18:41,450 --> 01:18:38,580

that only comes around every 20

1877

01:18:43,550 --> 01:18:41,460

2 600 years or so if I'm not mistaken

1878

01:18:46,130 --> 01:18:43,560

and so anyway

1879

01:18:48,649 --> 01:18:46,140

um it's right along with based on that

1880

01:18:51,189 --> 01:18:48,659

on on the book on the books and the

1881

01:18:53,750 --> 01:18:51,199

initial information released by

1882

01:18:56,510 --> 01:18:53,760

zacharestigian and so

1883

01:19:00,130 --> 01:18:56,520

um it's States in there that they were

1884

01:19:02,930 --> 01:19:00,140

created to mine the Gold to to basically

1885

01:19:05,209 --> 01:19:02,940

what they specifically were using it for

1886

01:19:07,550 --> 01:19:05,219

these beings because that planet is

1887

01:19:10,130 --> 01:19:07,560

going that far out it's much further

1888

01:19:12,530 --> 01:19:10,140

away from the Sun and so

1889

01:19:15,229 --> 01:19:12,540

uh it was supposed to

1890

01:19:19,250 --> 01:19:15,239

um they would release I used to go to

1891

01:19:21,050 --> 01:19:19,260

release these minute particles in their

1892

01:19:23,570 --> 01:19:21,060

atmosphere that basically helps them

1893

01:19:25,970 --> 01:19:23,580

keep the heat in better because

1894

01:19:28,250 --> 01:19:25,980

especially when you're that far out

1895

01:19:30,350 --> 01:19:28,260

um the the sun rays don't have the same

1896

01:19:33,050 --> 01:19:30,360

effect you know than it does from us

1897

01:19:35,270 --> 01:19:33,060

only being so many planets away from the

1898

01:19:37,850 --> 01:19:35,280

Sun and so anyway

1899

01:19:39,229 --> 01:19:37,860

um that is the story that he tells and I

1900

01:19:41,750 --> 01:19:39,239

can only recommend you reading it

1901

01:19:43,669 --> 01:19:41,760

because it's been a while since I've

1902

01:19:45,649 --> 01:19:43,679

read it and quite frankly I don't feel

1903

01:19:48,649 --> 01:19:45,659

like trying to recall all that

1904

01:19:50,510 --> 01:19:48,659

information that I read long ago but

1905

01:19:52,970 --> 01:19:50,520

there's at least two books I can

1906

01:19:55,850 --> 01:19:52,980

recommend to start out with

1907

01:19:58,070 --> 01:19:55,860

all right well um thank you all very

1908

01:20:01,130 --> 01:19:58,080

much I appreciate you for joining me

1909

01:20:04,970 --> 01:20:01,140

today I hope you find it useful join me

1910

01:20:06,770 --> 01:20:04,980

again next week on Wednesday at 7 pm I'm

1911

01:20:08,450 --> 01:20:06,780

really hoping to have another guest for

1912

01:20:10,189 --> 01:20:08,460

all of you so that you can learn

1913

01:20:11,810 --> 01:20:10,199

something new and hopefully ask them

1914

01:20:14,390 --> 01:20:11,820

some questions

1915

01:20:16,729 --> 01:20:14,400

um I've reached out to a few some uh

1916

01:20:19,430 --> 01:20:16,739

hoping then they all will start rolling

1917

01:20:21,169 --> 01:20:19,440

in which is usually how it works um

1918

01:20:23,030 --> 01:20:21,179

there's always something in the way or

1919

01:20:25,490 --> 01:20:23,040

they haven't gotten a message on time or

1920

01:20:29,810 --> 01:20:25,500

whatever so anyway thank you all very

1921

01:20:31,430 --> 01:20:29,820

much for for being here today and enjoy

1922

01:20:33,410 --> 01:20:31,440

the rest of the week the rest of the day
