4
00:01:12,080 --> 00:01:17,870
this is the anomaly at 1643

5
00:01:30,109 --> 00:01:20,350
here is the anomaly at

6
00:01:37,569 --> 00:01:33,350
and that's exactly how I felt watching

7
00:01:42,050 --> 00:01:37,579
this NASA public meeting on UFOs today

8
00:01:45,410 --> 00:01:42,060
it was started today at 10 30 Eastern

9
00:01:47,690 --> 00:01:45,420
and start at 9 30 Central and I was

10
00:01:50,510 --> 00:01:47,700
really looking forward to it but

11
00:01:53,210 --> 00:01:50,520
all four hours you know it was just this

12
00:01:56,749 --> 00:01:53,220
constant you know the anomaly was

13
00:01:59,929 --> 00:01:56,759

anomalous and this picture may look like

14

00:02:02,210 --> 00:01:59,939

a UFO but if you turn it upside down in

15

00:02:07,190 --> 00:02:02,220

fact it's actually a horse and what

16

00:02:11,210 --> 00:02:08,990

uh they must have caught me on a really

17

00:02:13,910 --> 00:02:11,220

good day today you know usually you know

18

00:02:16,970 --> 00:02:13,920

I don't want to add to the anger or

19

00:02:18,589 --> 00:02:16,980

frustration or whatever I'm doing right

20

00:02:20,030 --> 00:02:18,599

now to the internet when it comes to

21

00:02:21,830 --> 00:02:20,040

your folks because we already have a

22

00:02:24,410 --> 00:02:21,840

hard enough time to deal with the

23

00:02:26,750 --> 00:02:24,420

subject as is but the four hours that

24

00:02:29,869 --> 00:02:26,760

they presented today was was a

25

00:02:32,570 --> 00:02:29,879

you know and so uh if you

26

00:02:35,030 --> 00:02:32,580

like I don't know what more I can tell

27

00:02:38,150 --> 00:02:35,040

you about it if you like in the

28

00:02:40,790 --> 00:02:38,160

description below you can go see this

29

00:02:43,850 --> 00:02:40,800

four hours of BS you know it's basically

30

00:02:45,410 --> 00:02:43,860

reminding me of the this is our modern

31

00:02:51,770 --> 00:02:45,420

day

32

00:02:53,869 --> 00:02:51,780

story basically you know and when what

33

00:02:56,150 --> 00:02:53,879

personally got me was especially when it

34

00:02:58,850 --> 00:02:56,160

when it you know today

35

00:03:03,410 --> 00:02:58,860

should be all days to be remembered that

36

00:03:06,229 --> 00:03:03,420

May 31st 2023 NASA officially discovered

37

00:03:09,770 --> 00:03:06,239

the scientific method Yep they're going

38

00:03:12,530 --> 00:03:09,780

to rigorously use science to analyze the

39

00:03:15,290 --> 00:03:12,540

anomalies and all the data I'm just like

40

00:03:17,330 --> 00:03:15,300

four hours of nothing but that BS now of

41

00:03:19,610 --> 00:03:17,340

course I hope those of you watching or

42

00:03:21,350 --> 00:03:19,620

and do listening or understanding that

43

00:03:23,509 --> 00:03:21,360

I'm just exaggerating the out of

44

00:03:25,550 --> 00:03:23,519

this you know but if you watch this you

45

00:03:27,770 --> 00:03:25,560

would exactly understand why I'm so

46

00:03:30,710 --> 00:03:27,780

frustrated about this today you know I

47

00:03:32,690 --> 00:03:30,720

really I was I don't know like maybe

48

00:03:34,930 --> 00:03:32,700

after 70 years we're hoping for

49

00:03:37,130 --> 00:03:34,940

something better you know but after

50

00:03:39,890 --> 00:03:37,140

seeing this I don't know it might take

51
00:03:41,809 --> 00:03:39,900
another 30. so anyway if you would like

52
00:03:42,890 --> 00:03:41,819
to watch it the link is the description

53
00:03:44,869 --> 00:03:42,900
below

54
00:03:45,770 --> 00:03:44,879
um this is from the official NASA

55
00:03:48,890 --> 00:03:45,780
Channel

56
00:03:51,710 --> 00:03:48,900
but on a good good note or or you know

57
00:03:54,050 --> 00:03:51,720
on the other hand welcome to your full

58
00:03:57,470 --> 00:03:54,060
Hub live stream today's guest is going

59
00:03:59,570 --> 00:03:57,480
to be Sherry Wilde so no joke she is

60
00:04:02,330 --> 00:03:59,580
with us today I'm actually very excited

61
00:04:04,190 --> 00:04:02,340
to talk to you about this and so um I'm

62
00:04:07,490 --> 00:04:04,200
Gonna Leave

63
00:04:10,610 --> 00:04:07,500

this should Shenanigans behind and

64

00:04:12,170 --> 00:04:10,620

um just want to tell you that it was not

65

00:04:14,929 --> 00:04:12,180

planned

66

00:04:16,370 --> 00:04:14,939

um I had kind of I was a bit busy with

67

00:04:18,289 --> 00:04:16,380

setting up different

68

00:04:19,849 --> 00:04:18,299

um different things around the house I

69

00:04:23,150 --> 00:04:19,859

thought okay in the afternoon I'm going

70

00:04:25,610 --> 00:04:23,160

to set up this open lines today and talk

71

00:04:28,129 --> 00:04:25,620

about certain subjects and voila I get a

72

00:04:30,770 --> 00:04:28,139

message from Sherry so anyway let me I'm

73

00:04:33,170 --> 00:04:30,780

you Cherry and bring her in so we can

74

00:04:35,390 --> 00:04:33,180

just immediately talk to her uh Sherry

75

00:04:38,030 --> 00:04:35,400

welcome how are you today

76

00:04:39,469 --> 00:04:38,040

hey admin I'm doing well I'm doing

77

00:04:41,030 --> 00:04:39,479

pretty good that's why I reached out to

78

00:04:43,430 --> 00:04:41,040

you I mean you and I stay in touch

79

00:04:45,110 --> 00:04:43,440

anyway and I know you've asked me

80

00:04:47,570 --> 00:04:45,120

several times to come on and I've always

81

00:04:50,210 --> 00:04:47,580

been I've been putting you off for a

82

00:04:51,469 --> 00:04:50,220

long time and I had some energy today

83

00:04:54,590 --> 00:04:51,479

and I thought you know it's Wednesday

84

00:04:56,689 --> 00:04:54,600

and why not if you have a have a time a

85

00:04:58,969 --> 00:04:56,699

slot open tonight I thought well I'll

86

00:05:02,210 --> 00:04:58,979

see what I can do so here I am but not

87

00:05:04,490 --> 00:05:02,220

that was I was right well you know

88

00:05:06,409 --> 00:05:04,500

whatever helps I mean people just I want

89

00:05:08,390 --> 00:05:06,419

to hear from you everyone else watching

90

00:05:10,430 --> 00:05:08,400

wants to hear from you so whichever way

91

00:05:12,950 --> 00:05:10,440

works you know it's um

92

00:05:15,290 --> 00:05:12,960

um I'm glad you actually I was actually

93

00:05:17,510 --> 00:05:15,300

expecting more something next week but

94

00:05:18,950 --> 00:05:17,520

uh anyway I don't want to procrastinate

95

00:05:21,890 --> 00:05:18,960

any longer

96

00:05:23,810 --> 00:05:21,900

um most people always ask about you

97

00:05:25,969 --> 00:05:23,820

about your health about what's going on

98

00:05:27,710 --> 00:05:25,979

so I don't want to keep them waiting any

99

00:05:30,409 --> 00:05:27,720

longer so I just want to start out with

100

00:05:32,390 --> 00:05:30,419

the question of asking how are you doing

101
00:05:34,210 --> 00:05:32,400
how are things with your health and then

102
00:05:36,770 --> 00:05:34,220
we'll take it from them

103
00:05:39,590 --> 00:05:36,780
yeah it sucks that we have to talk about

104
00:05:41,990 --> 00:05:39,600
that isn't that just a shame but um yeah

105
00:05:45,050 --> 00:05:42,000
unfortunately you know

106
00:05:47,210 --> 00:05:45,060
I should be grateful instead of um

107
00:05:49,370 --> 00:05:47,220
bitter about the fact that I am so sick

108
00:05:52,670 --> 00:05:49,380
but I should be grateful to

109
00:05:57,290 --> 00:05:52,680
um I I shouldn't be here given all that

110
00:05:59,689 --> 00:05:57,300
was done to me and so my body is

111
00:06:01,850 --> 00:05:59,699
um beaten down pretty bad from the emfs

112
00:06:03,830 --> 00:06:01,860
that I experienced the the alpha

113
00:06:06,110 --> 00:06:03,840

radiation that I was hit with the direct

114

00:06:09,469 --> 00:06:06,120

energy weapons that they used on me and

115

00:06:11,749 --> 00:06:09,479

then the poison it just it was a lot and

116

00:06:13,969 --> 00:06:11,759

um as a result of that I am having a lot

117

00:06:16,189 --> 00:06:13,979

of health issues and it the Western

118

00:06:17,749 --> 00:06:16,199

medicine can't do a lot for me and and

119

00:06:19,909 --> 00:06:17,759

so I'm left to try to

120

00:06:22,330 --> 00:06:19,919

scramble and find my way through with

121

00:06:25,129 --> 00:06:22,340

alternative healing

122

00:06:27,350 --> 00:06:25,139

opportunities and right now I'm seeing

123

00:06:29,629 --> 00:06:27,360

chiropractors and I'm but I am seeing

124

00:06:32,990 --> 00:06:29,639

Western medicine doctors as well because

125

00:06:35,270 --> 00:06:33,000

it looks like my throat has been damaged

126

00:06:37,490 --> 00:06:35,280

I believe uh it's I believe it's nerve

127

00:06:38,930 --> 00:06:37,500

damage and I think they're they're

128

00:06:41,570 --> 00:06:38,940

talking about surgery so I may have to

129

00:06:44,570 --> 00:06:41,580

have surgery on my throat and I have

130

00:06:47,150 --> 00:06:44,580

stomach indigestion problems and yeah

131

00:06:49,129 --> 00:06:47,160

it's just it's like I I I get over one

132

00:06:52,990 --> 00:06:49,139

thing and then it moves to another thing

133

00:06:56,029 --> 00:06:53,000

I'm I've been dizzy for 27 months

134

00:06:57,770 --> 00:06:56,039

27 months since I woke up and the room

135

00:07:00,710 --> 00:06:57,780

was spinning and my vision was blurred

136

00:07:04,249 --> 00:07:00,720

and I still have it today but I'm I'm

137

00:07:06,950 --> 00:07:04,259

working on it you know and um I try this

138

00:07:08,930 --> 00:07:06,960

and my good days Advent I try to look at

139

00:07:11,450 --> 00:07:08,940

it all As

140

00:07:14,450 --> 00:07:11,460

as a challenge that I gave to myself

141

00:07:16,850 --> 00:07:14,460

because I I have to admit that you know

142

00:07:18,830 --> 00:07:16,860

I really do believe what I what I talk

143

00:07:21,170 --> 00:07:18,840

about which is that there's you can't be

144

00:07:22,610 --> 00:07:21,180

a victim uh there's there's no way you

145

00:07:25,010 --> 00:07:22,620

could be a victim and so everything that

146

00:07:27,290 --> 00:07:25,020

occurs in our life we do

147

00:07:28,790 --> 00:07:27,300

um accept it or even ask we ask for it

148

00:07:31,550 --> 00:07:28,800

on some level and so

149

00:07:33,409 --> 00:07:31,560

I did ask to have these experiences of

150

00:07:35,749 --> 00:07:33,419

of this

151

00:07:38,930 --> 00:07:35,759

I guess I wanted to suffer

152

00:07:40,730 --> 00:07:38,940

I don't know why but I did so I'm I try

153

00:07:43,010 --> 00:07:40,740

to keep a sense of humor I try to stay

154

00:07:45,710 --> 00:07:43,020

positive but I have had moments I have

155

00:07:47,089 --> 00:07:45,720

been very sick at times very very sick

156

00:07:49,430 --> 00:07:47,099

and

157

00:07:51,610 --> 00:07:49,440

um but I always rally I always come back

158

00:07:54,469 --> 00:07:51,620

I wouldn't be here if it wasn't for Jim

159

00:07:57,469 --> 00:07:54,479

and I always have to give credit to him

160

00:07:58,129 --> 00:07:57,479

because he takes loving care of me and

161

00:08:00,529 --> 00:07:58,139

um

162

00:08:02,990 --> 00:08:00,539

whatever I whatever I need at the moment

163

00:08:04,490 --> 00:08:03,000

he he's there for me you know and that

164

00:08:07,070 --> 00:08:04,500

has made all the difference in the world

165

00:08:09,170 --> 00:08:07,080

so I'm going to keep keep on keeping on

166

00:08:11,089 --> 00:08:09,180

my guys are telling me that

167

00:08:13,909 --> 00:08:11,099

um I'm going to be here for quite a

168

00:08:15,409 --> 00:08:13,919

while which is surprising but that's

169

00:08:17,089 --> 00:08:15,419

what they're saying we'll see if that

170

00:08:18,890 --> 00:08:17,099

comes true or not but I appreciate

171

00:08:23,330 --> 00:08:18,900

everyone's concern I appreciate their

172

00:08:25,730 --> 00:08:23,340

love their thoughts and but um just

173

00:08:27,170 --> 00:08:25,740

don't visualize me as sick visualize you

174

00:08:28,550 --> 00:08:27,180

know when you think of me think of me as

175

00:08:31,610 --> 00:08:28,560

healthy

176

00:08:33,469 --> 00:08:31,620

um that's all I would ask so yeah I'm

177

00:08:34,670 --> 00:08:33,479

glad you said you I'm glad you said that

178

00:08:37,310 --> 00:08:34,680

and you know what

179

00:08:39,110 --> 00:08:37,320

Jim needs to get all the credit he can

180

00:08:40,490 --> 00:08:39,120

possibly get you know I met him several

181

00:08:43,370 --> 00:08:40,500

times especially when you guys first

182

00:08:45,949 --> 00:08:43,380

started going out and um I think that's

183

00:08:47,329 --> 00:08:45,959

when it was back in 14 or was that was

184

00:08:49,910 --> 00:08:47,339

that around the time

185

00:08:52,790 --> 00:08:49,920

we met in uh we met the Fourth of July

186

00:08:54,949 --> 00:08:52,800

weekend in 2012. yeah okay so two years

187

00:08:56,210 --> 00:08:54,959

prior to that okay well anyway you know

188

00:08:58,970 --> 00:08:56,220

it's like um

189

00:09:01,009 --> 00:08:58,980

it's like the perfect person if anyone

190

00:09:03,530 --> 00:09:01,019

that has ever met him to be in your life

191

00:09:05,329 --> 00:09:03,540

at this moment you know and so yeah

192

00:09:07,190 --> 00:09:05,339

um not that he requires any thanks from

193

00:09:10,790 --> 00:09:07,200

me but I'm grateful that he's in your

194

00:09:12,350 --> 00:09:10,800

life you know and um uh you know it is

195

00:09:15,050 --> 00:09:12,360

one of those things that I want to

196

00:09:17,030 --> 00:09:15,060

address publicly when it comes to uh

197

00:09:19,070 --> 00:09:17,040

people concerned about you and and your

198

00:09:21,350 --> 00:09:19,080

health and and I'm glad that there's so

199

00:09:23,870 --> 00:09:21,360

much that people care but sometimes

200

00:09:25,490 --> 00:09:23,880

people get too anxious and they just go

201
00:09:28,550 --> 00:09:25,500
all out and they're like oh my God

202
00:09:30,410 --> 00:09:28,560
Cherry's dying she needs help now and I

203
00:09:32,810 --> 00:09:30,420
understand that but like we all need to

204
00:09:35,509 --> 00:09:32,820
just keep a sense of calm you know and

205
00:09:37,610 --> 00:09:35,519
because especially mainly because all my

206
00:09:39,769 --> 00:09:37,620
messages here start blowing up probably

207
00:09:41,329 --> 00:09:39,779
you start getting emails you know and

208
00:09:43,430 --> 00:09:41,339
all these things it's like you know

209
00:09:45,350 --> 00:09:43,440
whenever you have time

210
00:09:47,030 --> 00:09:45,360
um you will let us know like you are now

211
00:09:49,430 --> 00:09:47,040
you know whatever is going on you know

212
00:09:51,410 --> 00:09:49,440
and just to stay positive instead of

213
00:09:53,090 --> 00:09:51,420

constantly reacting to something that

214

00:09:56,150 --> 00:09:53,100

might or might not be

215

00:09:57,769 --> 00:09:56,160

yeah I don't like that I

216

00:09:59,930 --> 00:09:57,779

I don't like it that when people think

217

00:10:01,550 --> 00:09:59,940

they're probably

218

00:10:03,769 --> 00:10:01,560

thinking of me in terms of being sick

219

00:10:06,470 --> 00:10:03,779

and I understand that I really do

220

00:10:08,269 --> 00:10:06,480

because I have people that I I am

221

00:10:09,470 --> 00:10:08,279

concerned about and you just see them in

222

00:10:12,650 --> 00:10:09,480

that way because that's what they're

223

00:10:14,449 --> 00:10:12,660

dealing with at this time but if if they

224

00:10:16,730 --> 00:10:14,459

could I would rather

225

00:10:18,350 --> 00:10:16,740

I'd rather forget about the sickness I

226

00:10:20,990 --> 00:10:18,360

mean I'm tired of it I'm worn down from

227

00:10:23,030 --> 00:10:21,000

it but um and and just hold positive

228

00:10:25,070 --> 00:10:23,040

thoughts and and I think everybody's

229

00:10:26,150 --> 00:10:25,080

listening the people that you are have

230

00:10:28,370 --> 00:10:26,160

listening to you and the people that

231

00:10:29,750 --> 00:10:28,380

follow me they they all know that and I

232

00:10:31,190 --> 00:10:29,760

think a lot you know they they do do

233

00:10:33,650 --> 00:10:31,200

that I'm just giving a little reminder

234

00:10:35,150 --> 00:10:33,660

so but I want to go back to what you

235

00:10:36,170 --> 00:10:35,160

said about Jim

236

00:10:37,970 --> 00:10:36,180

um

237

00:10:41,090 --> 00:10:37,980

it's interesting because I'm in contact

238

00:10:43,370 --> 00:10:41,100

with my guys I'm in contact with um some

239

00:10:46,910 --> 00:10:43,380

um different UF some different um ET

240

00:10:48,530 --> 00:10:46,920

groups and when they talk about Jim it's

241

00:10:49,610 --> 00:10:48,540

interesting because they say how he

242

00:10:54,170 --> 00:10:49,620

accepted

243

00:10:57,829 --> 00:10:54,180

assignment to come into my life at this

244

00:10:59,690 --> 00:10:57,839

time and he um he sees it that way too I

245

00:11:02,210 --> 00:10:59,700

mean because it's it's a strange thing

246

00:11:03,050 --> 00:11:02,220

to start dating someone which is what we

247

00:11:05,509 --> 00:11:03,060

did

248

00:11:09,769 --> 00:11:05,519

um back in 2012 and I would have been um

249

00:11:12,710 --> 00:11:09,779

61 years old I think at that time and um

250

00:11:14,269 --> 00:11:12,720

and I immediately got sick I mean like a

251
00:11:16,850 --> 00:11:14,279
month later I got sick and we were just

252
00:11:19,610 --> 00:11:16,860
dating and it started out you know fun

253
00:11:23,090 --> 00:11:19,620
and games like it is and then I got I

254
00:11:25,790 --> 00:11:23,100
turned seriously sick and he just hung

255
00:11:30,350 --> 00:11:25,800
in there with me I can't believe he

256
00:11:32,030 --> 00:11:30,360
stayed and um and you know and I I but

257
00:11:34,430 --> 00:11:32,040
he did and I wouldn't have I would not

258
00:11:35,990 --> 00:11:34,440
have survived without him I really truly

259
00:11:38,389 --> 00:11:36,000
that's not an exaggeration I mean I

260
00:11:41,210 --> 00:11:38,399
became bedridden and I needed to be fed

261
00:11:43,550 --> 00:11:41,220
I needed to be cared for Hands-On like

262
00:11:45,530 --> 00:11:43,560
roll me over you know listen me into the

263
00:11:49,130 --> 00:11:45,540

wheelchair that kind of addressed me I

264

00:11:52,430 --> 00:11:49,140

mean he did all that and um it's been

265

00:11:54,650 --> 00:11:52,440

incredible so yeah it's it's been

266

00:11:57,050 --> 00:11:54,660

interesting to say the Lord

267

00:11:58,970 --> 00:11:57,060

well it's always good to hear that you

268

00:12:00,710 --> 00:11:58,980

know at least for those that don't know

269

00:12:02,210 --> 00:12:00,720

all the details know that there is

270

00:12:04,370 --> 00:12:02,220

someone in your life right then and

271

00:12:06,050 --> 00:12:04,380

there you know so it's not like you're

272

00:12:06,889 --> 00:12:06,060

just all by yourself in the middle of

273

00:12:09,530 --> 00:12:06,899

nowhere

274

00:12:10,790 --> 00:12:09,540

yeah yeah yeah well I needed him to come

275

00:12:14,569 --> 00:12:10,800

in because yeah yeah my family has all

276

00:12:18,050 --> 00:12:16,850

and I needed some I need something if I

277

00:12:19,370 --> 00:12:18,060

was gonna otherwise I would have just

278

00:12:20,750 --> 00:12:19,380

had I would have slipped between the

279

00:12:22,610 --> 00:12:20,760

cracks I would have gone into a home or

280

00:12:24,829 --> 00:12:22,620

something and and that would not have

281

00:12:28,009 --> 00:12:24,839

suited me so so anyway so here I am

282

00:12:29,750 --> 00:12:28,019

still kicking and um my guys are telling

283

00:12:30,829 --> 00:12:29,760

me Oh you're not going anywhere and I'm

284

00:12:34,130 --> 00:12:30,839

like

285

00:12:35,630 --> 00:12:34,140

come on really I mean if you do you see

286

00:12:36,949 --> 00:12:35,640

the shape I'm in and they're like you're

287

00:12:38,210 --> 00:12:36,959

not going anywhere you're gonna you're

288

00:12:39,769 --> 00:12:38,220

gonna get better you're gonna stay

289

00:12:43,670 --> 00:12:39,779

you're gonna be here another 15 years

290

00:12:45,949 --> 00:12:43,680

and I'm like oh my God right and they

291

00:12:49,129 --> 00:12:45,959

said no your house will improve it will

292

00:12:50,930 --> 00:12:49,139

get better you know so we'll see well

293

00:12:52,730 --> 00:12:50,940

I'm I'm happy to hear from you I know

294

00:12:55,129 --> 00:12:52,740

I'm glad I'm glad you reached out and

295

00:12:57,110 --> 00:12:55,139

I'm really glad we're doing this today

296

00:13:00,370 --> 00:12:57,120

um before I go on to the other questions

297

00:13:02,810 --> 00:13:00,380

I wanted to ask so is it the the family

298

00:13:04,970 --> 00:13:02,820

abandonment is it still because of your

299

00:13:08,210 --> 00:13:04,980

contacts or you go in public that you

300

00:13:11,569 --> 00:13:08,220

had your full contact or UT contact

301

00:13:14,329 --> 00:13:11,579

yeah it's a strange thing I think the

302

00:13:16,910 --> 00:13:14,339

bottom line admin is definitely

303

00:13:19,190 --> 00:13:16,920

the fact that I went public and I've

304

00:13:22,970 --> 00:13:19,200

humiliated the family and embarrassed

305

00:13:24,470 --> 00:13:22,980

them and I'm an idiot for doing this and

306

00:13:25,790 --> 00:13:24,480

um I think that's the bottom line but

307

00:13:28,129 --> 00:13:25,800

actually

308

00:13:31,190 --> 00:13:28,139

what God told me was that there was a

309

00:13:34,250 --> 00:13:31,200

program put in place just like there was

310

00:13:36,410 --> 00:13:34,260

a program to have me um

311

00:13:39,230 --> 00:13:36,420

you know for them to attack me and to

312

00:13:40,490 --> 00:13:39,240

poison me and to take away my wealth and

313

00:13:49,129 --> 00:13:40,500

to

314

00:13:50,389 --> 00:13:49,139

what he the way he put it he said don't

315

00:13:52,970 --> 00:13:50,399

you understand Sherry you're being

316

00:13:56,090 --> 00:13:52,980

isolated and so for the for the longest

317

00:13:59,030 --> 00:13:56,100

time I had my not pretty much all but

318

00:14:02,150 --> 00:13:59,040

one of two friends disappeared from my

319

00:14:03,350 --> 00:14:02,160

life and um they just disappeared and

320

00:14:05,269 --> 00:14:03,360

I've talked about that before and then

321

00:14:08,690 --> 00:14:05,279

my in my family they found different

322

00:14:11,290 --> 00:14:08,700

reasons only one of my daughters I have

323

00:14:14,030 --> 00:14:11,300

two daughters in my in my birth family

324

00:14:16,310 --> 00:14:14,040

they all have a reason

325

00:14:17,569 --> 00:14:16,320

for disowning me and I could go down the

326

00:14:18,769 --> 00:14:17,579

list and tell you exactly what it was

327

00:14:21,650 --> 00:14:18,779

for each other but I don't want to get

328

00:14:24,350 --> 00:14:21,660

into it that much but um it was it's

329

00:14:27,350 --> 00:14:24,360

been part of this Vendetta against me or

330

00:14:30,290 --> 00:14:27,360

this attack on me I guess you could say

331

00:14:32,449 --> 00:14:30,300

um but at the same time

332

00:14:35,629 --> 00:14:32,459

I have to say that

333

00:14:38,870 --> 00:14:35,639

given the way that I view life and my

334

00:14:40,850 --> 00:14:38,880

belief system I believe that this was

335

00:14:42,710 --> 00:14:40,860

all orchestrated probably ahead of time

336

00:14:44,810 --> 00:14:42,720

you know that my children came in and

337

00:14:47,389 --> 00:14:44,820

agreed to play this role because I I

338

00:14:49,370 --> 00:14:47,399

also talked to Don he said the way he

339

00:14:52,730 --> 00:14:49,380

put it is he said you there's no way you

340

00:14:54,889 --> 00:14:52,740

can keep your children in your life he

341

00:14:56,509 --> 00:14:54,899

said that's just not going to be in this

342

00:14:58,550 --> 00:14:56,519

lifetime he said it's written in the

343

00:15:01,910 --> 00:14:58,560

stars you know you planned this before

344

00:15:04,069 --> 00:15:01,920

you came here and you agreed to go

345

00:15:05,629 --> 00:15:04,079

through this suffering uh lose in your

346

00:15:07,009 --> 00:15:05,639

family losing your business moving your

347

00:15:10,550 --> 00:15:07,019

wealth losing your health losing

348

00:15:13,990 --> 00:15:10,560

everything losing everything and he says

349

00:15:15,889 --> 00:15:14,000

it's what you wanted to experience so

350

00:15:20,150 --> 00:15:15,899

I have to

351

00:15:22,370 --> 00:15:20,160

life works on this planet you you can't

352

00:15:24,530 --> 00:15:22,380

you don't be you just don't get to be a

353

00:15:26,750 --> 00:15:24,540

victim you're not really a victim it

354

00:15:28,430 --> 00:15:26,760

feels like your victim I've certainly

355

00:15:31,550 --> 00:15:28,440

felt like a victim from time to time but

356

00:15:34,490 --> 00:15:31,560

I always come back to the reality of the

357

00:15:36,590 --> 00:15:34,500

situation which is that can't be you

358

00:15:39,590 --> 00:15:36,600

know I I wrote the script for my life

359

00:15:40,850 --> 00:15:39,600

and I'm living it now good bad or

360

00:15:42,769 --> 00:15:40,860

indifferent and I got to put up with

361

00:15:44,569 --> 00:15:42,779

that's why I can't really you know I

362

00:15:47,389 --> 00:15:44,579

can't complain too much about it because

363

00:15:49,009 --> 00:15:47,399

I I set it up like this it's what I

364

00:15:50,329 --> 00:15:49,019

wanted to experience

365

00:15:52,009 --> 00:15:50,339

so right

366

00:15:53,629 --> 00:15:52,019

well you know Sherry I don't know if you

367

00:15:56,090 --> 00:15:53,639

and I ever discussed this or if I talk

368

00:15:59,569 --> 00:15:56,100

to you about it but during um when I had

369

00:16:00,350 --> 00:15:59,579

my near New death experience in 2011

370

00:16:03,650 --> 00:16:00,360

um

371

00:16:05,569 --> 00:16:03,660

when I when I came back obviously to

372

00:16:07,069 --> 00:16:05,579

communication with whatever I was you

373

00:16:09,470 --> 00:16:07,079

know still communicating with didn't

374

00:16:10,790 --> 00:16:09,480

stop and so I was wondering you know

375

00:16:13,069 --> 00:16:10,800

it's like

376

00:16:16,730 --> 00:16:13,079

um I was what happened was I was

377

00:16:19,310 --> 00:16:16,740

basically shown and and basically

378

00:16:22,069 --> 00:16:19,320

had this overwhelming

379

00:16:24,530 --> 00:16:22,079

um love overtake me and it was so

380

00:16:27,650 --> 00:16:24,540

powerful and so strong you know that's

381

00:16:29,629 --> 00:16:27,660

basically on on that other side that was

382

00:16:31,910 --> 00:16:29,639

you know connecting me real quick before

383

00:16:33,710 --> 00:16:31,920

I went back all the way you know and

384

00:16:35,810 --> 00:16:33,720

just stopped and continued my life as

385

00:16:38,749 --> 00:16:35,820

human as they say you know

386

00:16:40,970 --> 00:16:38,759

um it was so strong that in that moment

387

00:16:43,249 --> 00:16:40,980

I could actually unders I could

388

00:16:45,110 --> 00:16:43,259

understand why we keep choosing to keep

389

00:16:48,110 --> 00:16:45,120

coming back because

390

00:16:50,870 --> 00:16:48,120

that love is so powerful and so

391

00:16:53,449 --> 00:16:50,880

overwhelming that when I'm choosing from

392

00:16:55,850 --> 00:16:53,459

that point I could choose to live a

393

00:16:58,850 --> 00:16:55,860

thousand lifetimes as a slave you know

394

00:17:01,129 --> 00:16:58,860

yeah and yeah and because I know what

395

00:17:02,870 --> 00:17:01,139

I'm coming back home to you know and

396

00:17:04,789 --> 00:17:02,880

that's what made perfect sense like oh

397

00:17:06,470 --> 00:17:04,799

this is why people keep coming back

398

00:17:07,549 --> 00:17:06,480

because every time from this point of

399

00:17:09,470 --> 00:17:07,559

view we're like I don't want to come

400

00:17:10,909 --> 00:17:09,480

back I'm never coming back but when

401
00:17:13,189 --> 00:17:10,919
you've seen on the other side what's

402
00:17:15,169 --> 00:17:13,199
waiting it's like oh it makes perfect

403
00:17:17,689 --> 00:17:15,179
sense anyway I don't want to make this

404
00:17:20,210 --> 00:17:17,699
about me I wanted to kind of mention in

405
00:17:22,309 --> 00:17:20,220
regards to you know making choices and

406
00:17:24,530 --> 00:17:22,319
and coming back and doing what we chose

407
00:17:25,909 --> 00:17:24,540
to do you know I just wanted to add that

408
00:17:28,669 --> 00:17:25,919
a little bit to it

409
00:17:31,490 --> 00:17:28,679
um but anyway also speaking about the

410
00:17:32,990 --> 00:17:31,500
ETS please do tell you know um we talked

411
00:17:37,130 --> 00:17:33,000
a little bit before we started a show

412
00:17:39,289 --> 00:17:37,140
about just your recent happenings

413
00:17:41,090 --> 00:17:39,299

yeah there's been contact

414

00:17:43,730 --> 00:17:41,100

um it's a different kind of contact than

415

00:17:47,150 --> 00:17:43,740

what I've had in the past

416

00:17:49,430 --> 00:17:47,160

um and I I'm not gonna go

417

00:17:51,710 --> 00:17:49,440

in and talk about everything but I have

418

00:17:54,610 --> 00:17:51,720

had ongoing contact I'm on my telegram

419

00:17:57,230 --> 00:17:54,620

Channel I I post updates on my health

420

00:17:59,690 --> 00:17:57,240

but uh lately I've just been sharing

421

00:18:01,669 --> 00:17:59,700

stories about what has been going on and

422

00:18:03,830 --> 00:18:01,679

giving and giving a little bit of that

423

00:18:06,130 --> 00:18:03,840

because there hasn't been much change in

424

00:18:09,169 --> 00:18:06,140

my health but um

425

00:18:11,810 --> 00:18:09,179

I know

426

00:18:15,169 --> 00:18:11,820

what I would share is that we that I had

427

00:18:17,570 --> 00:18:15,179

a another group another ET group uh

428

00:18:21,409 --> 00:18:17,580

reached out to me and they came in

429

00:18:23,690 --> 00:18:21,419

through uh this other person who he

430

00:18:25,430 --> 00:18:23,700

calls on his guys which is same as I

431

00:18:27,710 --> 00:18:25,440

feel about my group of guys I have I'm

432

00:18:31,310 --> 00:18:27,720

working with three different uh Star

433

00:18:32,810 --> 00:18:31,320

Family star meetings families like one

434

00:18:34,490 --> 00:18:32,820

of them I think one of them is Assyrians

435

00:18:36,470 --> 00:18:34,500

and the other one is the Watchers and I

436

00:18:40,010 --> 00:18:36,480

don't know who the third one is and this

437

00:18:41,930 --> 00:18:40,020

guy is working with um his guys which

438

00:18:43,490 --> 00:18:41,940

are two or three different from two or

439

00:18:46,450 --> 00:18:43,500

three different star families

440

00:18:49,909 --> 00:18:46,460

and his group

441

00:18:52,130 --> 00:18:49,919

reached out to me and said

442

00:18:54,169 --> 00:18:52,140

uh you know we're tired of seeing you

443

00:18:56,390 --> 00:18:54,179

suffer you know why aren't your guys why

444

00:18:57,770 --> 00:18:56,400

aren't your your star fan why aren't

445

00:19:01,010 --> 00:18:57,780

they helping you you've got the family

446

00:19:02,210 --> 00:19:01,020

assisting you and and we'd like to help

447

00:19:05,510 --> 00:19:02,220

you and so

448

00:19:09,049 --> 00:19:05,520

I said yeah go you know have at it you

449

00:19:13,970 --> 00:19:09,059

know and they met with my group of guys

450

00:19:16,789 --> 00:19:13,980

and said you know let's let's um let's

451

00:19:19,190 --> 00:19:16,799

not let her suffer anymore and let's

452

00:19:21,590 --> 00:19:19,200

bring her around because they have a new

453

00:19:23,029 --> 00:19:21,600

assignment for me they're they're

454

00:19:24,710 --> 00:19:23,039

talking about something

455

00:19:27,590 --> 00:19:24,720

um that they want

456

00:19:30,590 --> 00:19:27,600

actually Jim and I both to assist with

457

00:19:32,510 --> 00:19:30,600

on the new Earth and I'm not going to

458

00:19:35,510 --> 00:19:32,520

really go into what that is but I love

459

00:19:37,130 --> 00:19:35,520

the idea of it and I said yeah I would

460

00:19:39,230 --> 00:19:37,140

be interested in doing that what's

461

00:19:40,430 --> 00:19:39,240

interesting about all this is that I

462

00:19:43,669 --> 00:19:40,440

have a lot of

463

00:19:47,029 --> 00:19:43,679

um validation because

464

00:19:47,690 --> 00:19:47,039

I I am I had gotten Jim

465

00:19:50,270 --> 00:19:47,700

um

466

00:19:53,049 --> 00:19:50,280

a reading with this really really great

467

00:19:54,950 --> 00:19:53,059

medium she's a medical medium I I

468

00:19:57,049 --> 00:19:54,960

consulted with her and we got to be

469

00:20:00,350 --> 00:19:57,059

friends and she

470

00:20:01,909 --> 00:20:00,360

um was great at going into my body and

471

00:20:03,110 --> 00:20:01,919

telling me giving me a heads up as to

472

00:20:06,409 --> 00:20:03,120

what was going on with me which has

473

00:20:08,990 --> 00:20:06,419

helped a lot and so I booked a session

474

00:20:12,169 --> 00:20:09,000

with her for Jim to connect with his

475

00:20:13,909 --> 00:20:12,179

mother his mother abandoned him when he

476
00:20:16,610 --> 00:20:13,919
was a little boy when he was about five

477
00:20:19,430 --> 00:20:16,620
years old and it's been hard for him to

478
00:20:22,250 --> 00:20:19,440
understand why and it's hard for him to

479
00:20:24,590 --> 00:20:22,260
unders to forgive you know and so I

480
00:20:26,510 --> 00:20:24,600
booked a session with him to to connect

481
00:20:28,970 --> 00:20:26,520
with her she's she's passed over some

482
00:20:31,010 --> 00:20:28,980
time ago and so we were having this

483
00:20:33,409 --> 00:20:31,020
beautiful session with her and he was

484
00:20:36,770 --> 00:20:33,419
talking to his mother and then in comes

485
00:20:39,950 --> 00:20:36,780
my guys they interrupt the session and

486
00:20:41,450 --> 00:20:39,960
Carolyn is like um Sherry your ET

487
00:20:44,029 --> 00:20:41,460
friends are here they want to talk to

488
00:20:45,950 --> 00:20:44,039

you and I was like what the hell you

489

00:20:47,150 --> 00:20:45,960

know this is supposed to be for Jim but

490

00:20:50,270 --> 00:20:47,160

they came through

491

00:20:51,830 --> 00:20:50,280

and um as I did back when she gave me

492

00:20:53,870 --> 00:20:51,840

the review for the for the health they

493

00:20:55,370 --> 00:20:53,880

also popped in then and because they

494

00:20:58,250 --> 00:20:55,380

wanted to take the opportunity to talk

495

00:20:59,270 --> 00:20:58,260

to me directly so they came in onto the

496

00:21:02,210 --> 00:20:59,280

session and it was really strange

497

00:21:05,630 --> 00:21:02,220

because they just jumped in and said

498

00:21:07,730 --> 00:21:05,640

they wanted to ask me was I afraid that

499

00:21:08,690 --> 00:21:07,740

Jim was going to leave the planet before

500

00:21:13,610 --> 00:21:08,700

me

501
00:21:15,950 --> 00:21:13,620
they said yes and passing over are you

502
00:21:17,390 --> 00:21:15,960
afraid of that happening and I said I'm

503
00:21:19,130 --> 00:21:17,400
not afraid of it I said but I'm

504
00:21:22,250 --> 00:21:19,140
concerned because I'm going to tell you

505
00:21:23,810 --> 00:21:22,260
you know if he if he's gone you know I'm

506
00:21:25,669 --> 00:21:23,820
I'm probably going to be right behind

507
00:21:26,930 --> 00:21:25,679
him and they said well what would you

508
00:21:28,970 --> 00:21:26,940
like and I said well I'd like him to

509
00:21:30,470 --> 00:21:28,980
stay as long as I stay if that's what he

510
00:21:32,090 --> 00:21:30,480
wants but it's you know it's his life

511
00:21:33,710 --> 00:21:32,100
but Jim was sitting right there of

512
00:21:35,450 --> 00:21:33,720
course and he agreed

513
00:21:37,250 --> 00:21:35,460

and they asked me they put me through

514

00:21:38,750 --> 00:21:37,260

all these questions and stuff which I

515

00:21:41,810 --> 00:21:38,760

didn't understand to tell you the truth

516

00:21:43,490 --> 00:21:41,820

but and it culminated in him and then

517

00:21:46,310 --> 00:21:43,500

saying um

518

00:21:48,049 --> 00:21:46,320

well you're going to stay if if you

519

00:21:49,610 --> 00:21:48,059

agree to it if you both agree we would

520

00:21:52,549 --> 00:21:49,620

like you to stay

521

00:21:55,190 --> 00:21:52,559

um for 15 years on the more on the

522

00:21:57,710 --> 00:21:55,200

planet and I said hello to Jim and I

523

00:21:59,930 --> 00:21:57,720

said no we do not want to stay that long

524

00:22:02,450 --> 00:21:59,940

and so we're ready to go now

525

00:22:05,330 --> 00:22:02,460

and I said because of our we're both

526
00:22:07,250 --> 00:22:05,340
tired and we're both sick and I said you

527
00:22:09,409 --> 00:22:07,260
know at this point we're done and they

528
00:22:11,270 --> 00:22:09,419
said well but if you fail if you felt

529
00:22:13,789 --> 00:22:11,280
good would you stay and I said well yeah

530
00:22:15,950 --> 00:22:13,799
and they said yes you will you will be

531
00:22:18,350 --> 00:22:15,960
healed your body will be healed you will

532
00:22:20,029 --> 00:22:18,360
stay 15 years and they said would you

533
00:22:21,529 --> 00:22:20,039
like to ascend together

534
00:22:23,210 --> 00:22:21,539
and I said what

535
00:22:25,430 --> 00:22:23,220
and I did and they said would you like

536
00:22:28,730 --> 00:22:25,440
to ascend together both of you together

537
00:22:31,010 --> 00:22:28,740
and I looked at Jim and I said ah

538
00:22:33,110 --> 00:22:31,020

I said well I I guess I said what to

539

00:22:35,409 --> 00:22:33,120

make sure to decide that now and they

540

00:22:38,690 --> 00:22:35,419

said well would you like to do a

541

00:22:39,770 --> 00:22:38,700

vertical Ascension I did not know what

542

00:22:41,570 --> 00:22:39,780

they were talking about I still don't

543

00:22:43,490 --> 00:22:41,580

know they said a vertical Ascension and

544

00:22:45,950 --> 00:22:43,500

I said I don't understand they said that

545

00:22:47,390 --> 00:22:45,960

would be where you ascend together

546

00:22:50,210 --> 00:22:47,400

um like Christ did

547

00:22:52,669 --> 00:22:50,220

and I said oh cool I said yeah I think

548

00:22:54,890 --> 00:22:52,679

I'd sign up for that but I said do we

549

00:22:56,230 --> 00:22:54,900

really need to decide that now it was

550

00:23:00,950 --> 00:22:56,240

just so it was just a goofiest

551

00:23:02,390 --> 00:23:00,960

conversation but it fit in now with this

552

00:23:06,470 --> 00:23:02,400

um conversation with these other ETS

553

00:23:08,510 --> 00:23:06,480

coming in and them saying that we agreed

554

00:23:09,730 --> 00:23:08,520

both of us have agreed then

555

00:23:11,870 --> 00:23:09,740

um

556

00:23:13,610 --> 00:23:11,880

on some level

557

00:23:15,110 --> 00:23:13,620

um they had met with us on a soul level

558

00:23:18,169 --> 00:23:15,120

or during our dream state or something

559

00:23:20,210 --> 00:23:18,179

we did both agree to do this assignment

560

00:23:22,549 --> 00:23:20,220

and so we were going to stay another 15

561

00:23:24,710 --> 00:23:22,559

years on the planet and but they needed

562

00:23:26,750 --> 00:23:24,720

to get us healthy and I said yeah you

563

00:23:28,850 --> 00:23:26,760

better hurry up and they said no you're

564

00:23:30,770 --> 00:23:28,860

not going anywhere and I said I'm pretty

565

00:23:32,510 --> 00:23:30,780

at the time that I was talking to him it

566

00:23:35,029 --> 00:23:32,520

was a month like a few months some

567

00:23:36,169 --> 00:23:35,039

months back and I I said I'm and I was

568

00:23:38,029 --> 00:23:36,179

rushing around getting things ready

569

00:23:39,710 --> 00:23:38,039

getting my will updated and getting

570

00:23:42,590 --> 00:23:39,720

things prepared because I was pretty

571

00:23:44,149 --> 00:23:42,600

sure I was going to go and um they said

572

00:23:45,230 --> 00:23:44,159

no you're not going anywhere and I said

573

00:23:46,610 --> 00:23:45,240

well we'll see and they said no you're

574

00:23:48,649 --> 00:23:46,620

not going anywhere they said you blocked

575

00:23:49,549 --> 00:23:48,659

your exits which I had been told that

576
00:23:51,950 --> 00:23:49,559
before

577
00:23:54,649 --> 00:23:51,960
and I said but my body will get so sick

578
00:23:55,909 --> 00:23:54,659
it's gonna just you know you can't

579
00:23:57,529 --> 00:23:55,919
control I mean it's just going to die

580
00:23:59,090 --> 00:23:57,539
and they said no you're not going to die

581
00:24:00,289 --> 00:23:59,100
you're not going anywhere and they

582
00:24:03,350 --> 00:24:00,299
wouldn't talk about it they just said

583
00:24:05,870 --> 00:24:03,360
we're working to get you healthy uh we

584
00:24:07,909 --> 00:24:05,880
have to do it on the etheric level first

585
00:24:09,830 --> 00:24:07,919
and then we'll be coming in your body is

586
00:24:12,250 --> 00:24:09,840
so damaged Sherry we can't just fix it

587
00:24:13,970 --> 00:24:12,260
we have to replace it most of the parts

588
00:24:15,830 --> 00:24:13,980

because it's like they're talking about

589

00:24:17,690 --> 00:24:15,840

a like a robot or something they said

590

00:24:20,149 --> 00:24:17,700

most of your parts have to be replaced

591

00:24:23,390 --> 00:24:20,159

with brand new ones and I'm like okay

592

00:24:25,310 --> 00:24:23,400

and um so supposedly that's what they're

593

00:24:27,470 --> 00:24:25,320

doing now

594

00:24:29,149 --> 00:24:27,480

um I have not have not felt any

595

00:24:30,649 --> 00:24:29,159

Improvement at all as a matter of fact

596

00:24:32,210 --> 00:24:30,659

in some ways I've gotten sicker but I am

597

00:24:35,870 --> 00:24:32,220

getting

598

00:24:37,430 --> 00:24:35,880

some answers as to what's the hardest

599

00:24:39,649 --> 00:24:37,440

thing is finding out what's wrong so

600

00:24:41,930 --> 00:24:39,659

that they can fix it or somebody can fix

601
00:24:43,490 --> 00:24:41,940
it and I am starting to get some answers

602
00:24:46,789 --> 00:24:43,500
and I don't know if that's them or what

603
00:24:48,350 --> 00:24:46,799
but they you know they keep saying it's

604
00:24:52,190 --> 00:24:48,360
going to happen don't worry just hang in

605
00:24:55,190 --> 00:24:52,200
there so we'll see it's a weird life but

606
00:24:57,110 --> 00:24:55,200
one of the things that see part of

607
00:24:59,570 --> 00:24:57,120
I always question everything I don't

608
00:25:01,250 --> 00:24:59,580
believe anything at face value I mean

609
00:25:02,149 --> 00:25:01,260
they can talk all day they they want

610
00:25:04,490 --> 00:25:02,159
about

611
00:25:08,870 --> 00:25:04,500
all this stuff and I just don't buy it

612
00:25:12,409 --> 00:25:08,880
but until I see proof and um

613
00:25:14,450 --> 00:25:12,419

uh it has been hard to deny because the

614

00:25:16,130 --> 00:25:14,460

minute we had that conversation that

615

00:25:17,690 --> 00:25:16,140

very night and I I understood they

616

00:25:19,730 --> 00:25:17,700

weren't going to come in for a while to

617

00:25:21,289 --> 00:25:19,740

start the healing work but that night I

618

00:25:22,909 --> 00:25:21,299

had visitors in my room I heard them

619

00:25:24,169 --> 00:25:22,919

come into the I heard them come in they

620

00:25:25,970 --> 00:25:24,179

were all talking amongst themselves

621

00:25:28,190 --> 00:25:25,980

there were three of them and they were

622

00:25:29,750 --> 00:25:28,200

jabbing away and then they came over and

623

00:25:31,850 --> 00:25:29,760

started they touched they turned me over

624

00:25:35,029 --> 00:25:31,860

on the bed so I was very much aware that

625

00:25:39,710 --> 00:25:35,039

they were there and um I saw their light

626

00:25:41,450 --> 00:25:39,720

ships come in I saw I mean I Jim started

627

00:25:43,190 --> 00:25:41,460

having experiences and we I didn't you

628

00:25:45,110 --> 00:25:43,200

know he didn't wasn't expecting anything

629

00:25:47,690 --> 00:25:45,120

to happen with him but he started having

630

00:25:50,029 --> 00:25:47,700

them work on him

631

00:25:52,430 --> 00:25:50,039

and then there was this weird thing that

632

00:25:54,649 --> 00:25:52,440

happened do you want me to keep talking

633

00:25:57,289 --> 00:25:54,659

yes if I may interject just real quick

634

00:25:59,810 --> 00:25:57,299

yeah so forgive me what I said earlier

635

00:26:01,250 --> 00:25:59,820

before the show started if you can uh I

636

00:26:02,750 --> 00:26:01,260

don't know if you have the mic too close

637

00:26:05,810 --> 00:26:02,760

or something but there's occasionally

638

00:26:07,909 --> 00:26:05,820

like pops on it and if you can just keep

639

00:26:10,190 --> 00:26:07,919

a fairly good distance because I think

640

00:26:12,590 --> 00:26:10,200

your breath is what would hit that mic

641

00:26:14,810 --> 00:26:12,600

and create a pop or Naran uh the other

642

00:26:16,909 --> 00:26:14,820

one because I totally forgotten I wanted

643

00:26:19,430 --> 00:26:16,919

to for all those still watching um I

644

00:26:21,710 --> 00:26:19,440

wanted to bring up that Sherry will do a

645

00:26:24,350 --> 00:26:21,720

q a and so if you would like to ask a

646

00:26:26,990 --> 00:26:24,360

question directly over telegram it's

647

00:26:28,970 --> 00:26:27,000

going also going on live right now it's

648

00:26:32,630 --> 00:26:28,980

UFO Hub telegram it's in the description

649

00:26:35,570 --> 00:26:32,640

below install it on your phone or on the

650

00:26:38,149 --> 00:26:35,580

um on your computer and so then that way

651
00:26:39,830 --> 00:26:38,159
you can click a little button raise your

652
00:26:42,529 --> 00:26:39,840
hand and I'll bring you in to ask a

653
00:26:46,250 --> 00:26:42,539
question uh if you're watching on

654
00:26:49,310 --> 00:26:46,260
um uh Twitter uh Facebook YouTube

655
00:26:51,169 --> 00:26:49,320
um and twitch uh simply in the comments

656
00:26:53,149 --> 00:26:51,179
themselves just put three asterix's

657
00:26:55,250 --> 00:26:53,159
before your question and that way I know

658
00:26:57,409 --> 00:26:55,260
it's meant for uh Sherry when the time

659
00:26:58,970 --> 00:26:57,419
comes and um

660
00:27:01,090 --> 00:26:58,980
there was one other thing I was going to

661
00:27:04,250 --> 00:27:01,100
say but I forgot oh yes of course

662
00:27:06,409 --> 00:27:04,260
also in the description besides the

663
00:27:08,090 --> 00:27:06,419

horrible video of NASA nothing to do

664

00:27:09,850 --> 00:27:08,100

with them there's also a link for

665

00:27:12,350 --> 00:27:09,860

Sherry's website uh the

666

00:27:15,350 --> 00:27:12,360

forgottenpromise.com is it Sherry and

667

00:27:17,269 --> 00:27:15,360

then also links to to herb.net and then

668

00:27:19,610 --> 00:27:17,279

also links to her book so please check

669

00:27:21,529 --> 00:27:19,620

it out and see what uh other things she

670

00:27:24,110 --> 00:27:21,539

has to offer on our website anyway I'm

671

00:27:25,730 --> 00:27:24,120

sorry I'm slacking I got so riled up

672

00:27:27,769 --> 00:27:25,740

about NASA in the beginning forgot to

673

00:27:29,510 --> 00:27:27,779

mention your information so it's all in

674

00:27:31,370 --> 00:27:29,520

the description and we'll talk about it

675

00:27:33,890 --> 00:27:31,380

later on too when when you're ready to

676

00:27:36,169 --> 00:27:33,900

leave so yes please go on

677

00:27:37,970 --> 00:27:36,179

okay just interrupt me I've got the mic

678

00:27:39,830 --> 00:27:37,980

at a distance

679

00:27:42,830 --> 00:27:39,840

um let me know just just jump in if it's

680

00:27:43,730 --> 00:27:42,840

not not okay if it sounds good no pop so

681

00:27:47,029 --> 00:27:43,740

far

682

00:27:48,409 --> 00:27:47,039

okay okay so um yeah there was an

683

00:27:50,870 --> 00:27:48,419

interesting thing that happened that I

684

00:27:53,810 --> 00:27:50,880

shared with the people on telegram

685

00:27:56,210 --> 00:27:53,820

um I just I thought it was one of the

686

00:27:58,490 --> 00:27:56,220

weirder things I mean I have a lot of

687

00:28:02,210 --> 00:27:58,500

strange stories but this one was strange

688

00:28:05,390 --> 00:28:02,220

I was talking to the group of ETS

689

00:28:08,750 --> 00:28:05,400

um we get on the phone with the guy who

690

00:28:10,909 --> 00:28:08,760

brought in his his group and we talked

691

00:28:14,510 --> 00:28:10,919

to him and then his group and my group

692

00:28:17,630 --> 00:28:14,520

The ETS they actually join in they talk

693

00:28:19,850 --> 00:28:17,640

they join in and so I would get to ask

694

00:28:22,370 --> 00:28:19,860

them questions and

695

00:28:24,409 --> 00:28:22,380

about things and I have had lots of

696

00:28:25,430 --> 00:28:24,419

questions of course from things that

697

00:28:27,649 --> 00:28:25,440

have happened in my life that I didn't

698

00:28:30,710 --> 00:28:27,659

fully understand I had only partial

699

00:28:33,950 --> 00:28:30,720

knowledge of it so I wanted to ask about

700

00:28:36,470 --> 00:28:33,960

back in 2019 2020 when I was instructed

701
00:28:38,090 --> 00:28:36,480
to go to the desert they told me to go

702
00:28:39,830 --> 00:28:38,100
to the desert and I've always wondered

703
00:28:42,710 --> 00:28:39,840
what did I do down there because I came

704
00:28:44,110 --> 00:28:42,720
back kind of a mess I came back

705
00:28:46,430 --> 00:28:44,120
suffering from

706
00:28:49,669 --> 00:28:46,440
post-traumatic stress disorder and I

707
00:28:53,029 --> 00:28:49,679
think that I had that because I was it

708
00:28:54,890 --> 00:28:53,039
seemed I was going at night on missions

709
00:28:57,289 --> 00:28:54,900
and I know um

710
00:28:58,130 --> 00:28:57,299
who's that ale

711
00:29:00,649 --> 00:28:58,140
um

712
00:29:02,750 --> 00:29:00,659
who's that girl who's that blonde she

713
00:29:04,130 --> 00:29:02,760

gives updates and she recently posted

714

00:29:06,350 --> 00:29:04,140

something where somebody asked you know

715

00:29:08,390 --> 00:29:06,360

do the starseeds go out on missions at

716

00:29:11,390 --> 00:29:08,400

night in their dream state and in their

717

00:29:13,490 --> 00:29:11,400

on that uh in their um in their etheric

718

00:29:15,289 --> 00:29:13,500

body and blah blah and she said oh no

719

00:29:17,210 --> 00:29:15,299

that's just silly that's because who she

720

00:29:19,789 --> 00:29:17,220

is her name she's cute little blonde

721

00:29:21,830 --> 00:29:19,799

thing but she's wrong she's wrong we do

722

00:29:23,690 --> 00:29:21,840

of course we do I mean that's part of

723

00:29:26,389 --> 00:29:23,700

what we're here for so I was down in

724

00:29:28,370 --> 00:29:26,399

Arizona by myself it was very clear that

725

00:29:30,830 --> 00:29:28,380

they told me I had to be there by myself

726

00:29:32,570 --> 00:29:30,840

I could have no visitors or anything and

727

00:29:34,730 --> 00:29:32,580

I always wondered what did I do because

728

00:29:36,710 --> 00:29:34,740

I would come back I'd wake myself up

729

00:29:39,289 --> 00:29:36,720

screaming and I'd wake up in the morning

730

00:29:42,350 --> 00:29:39,299

just feeling terrified and exhausted and

731

00:29:44,510 --> 00:29:42,360

like Disturbed and then I had what

732

00:29:46,070 --> 00:29:44,520

amount to post traumatic stress disorder

733

00:29:47,990 --> 00:29:46,080

and

734

00:29:50,450 --> 00:29:48,000

um I asked you know what went on down

735

00:29:53,210 --> 00:29:50,460

there and they told me uh yes that I was

736

00:29:55,010 --> 00:29:53,220

I was going and they got they gave me

737

00:29:56,690 --> 00:29:55,020

Clarity I guess I won't go into it

738

00:29:58,070 --> 00:29:56,700

doesn't matter they told me what I was

739

00:30:00,710 --> 00:29:58,080

doing what I had been doing and I was

740

00:30:03,049 --> 00:30:00,720

and submissions and stuff and as part of

741

00:30:06,110 --> 00:30:03,059

that deal when they told me to go down

742

00:30:08,630 --> 00:30:06,120

there they they told they gave me that

743

00:30:11,090 --> 00:30:08,640

message in late summer time about August

744

00:30:12,409 --> 00:30:11,100

or something and then uh three or four

745

00:30:14,029 --> 00:30:12,419

weeks went by and I didn't make any

746

00:30:15,950 --> 00:30:14,039

plans to go down and they they came back

747

00:30:17,330 --> 00:30:15,960

in and they said you know we've asked

748

00:30:18,950 --> 00:30:17,340

you to go to the desert we see you

749

00:30:21,470 --> 00:30:18,960

haven't made any plans you need to go to

750

00:30:24,289 --> 00:30:21,480

the desert and I said I can't afford to

751

00:30:25,850 --> 00:30:24,299

go to the desert you know I I I can't

752

00:30:28,070 --> 00:30:25,860

afford to spend the money to do that it

753

00:30:30,470 --> 00:30:28,080

takes quite a bit of money to rent a

754

00:30:32,810 --> 00:30:30,480

place for two or three months and the

755

00:30:36,049 --> 00:30:32,820

travel down there and everything and

756

00:30:40,610 --> 00:30:36,059

they said oh okay and so that's the

757

00:30:42,470 --> 00:30:40,620

story where I when I went to bed then

758

00:30:44,690 --> 00:30:42,480

um they showed me this video poker

759

00:30:46,970 --> 00:30:44,700

machine which is the game that I play

760

00:30:48,889 --> 00:30:46,980

when I go to the casino

761

00:30:50,690 --> 00:30:48,899

and I won't go into that detail either

762

00:30:53,149 --> 00:30:50,700

because long story short they took me

763

00:30:57,169 --> 00:30:53,159

through these steps and and showed me

764

00:30:59,029 --> 00:30:57,179

winning on that video poker machine and

765

00:31:00,830 --> 00:30:59,039

it was cool I didn't know why they

766

00:31:02,029 --> 00:31:00,840

showed me that and then my girlfriend

767

00:31:04,190 --> 00:31:02,039

called me

768

00:31:05,630 --> 00:31:04,200

after that and said let's go to the

769

00:31:07,490 --> 00:31:05,640

casino I went with her to the casino and

770

00:31:09,649 --> 00:31:07,500

sure enough I go in and I sit down at

771

00:31:12,350 --> 00:31:09,659

that machine that my favorite video

772

00:31:15,710 --> 00:31:12,360

poker machine and um put a hundred

773

00:31:18,529 --> 00:31:15,720

dollars in and I end up winning

774

00:31:20,630 --> 00:31:18,539

um 27 000 on that machine and then I got

775

00:31:23,570 --> 00:31:20,640

up and moved to another machine like I

776

00:31:24,769 --> 00:31:23,580

was a zombie and I won another 20 000 on

777

00:31:27,830 --> 00:31:24,779

that and then I played another machine

778

00:31:31,850 --> 00:31:27,840

anyways all total I won 63 000 that day

779

00:31:33,350 --> 00:31:31,860

awesome congrats yeah yeah and and my

780

00:31:34,669 --> 00:31:33,360

girlfriend we were only there for about

781

00:31:36,409 --> 00:31:34,679

an hour

782

00:31:38,510 --> 00:31:36,419

if we were even there and she lost

783

00:31:40,970 --> 00:31:38,520

everything she brought with her in that

784

00:31:42,230 --> 00:31:40,980

short of time and she was real depressed

785

00:31:44,389 --> 00:31:42,240

and she came and found me and she said

786

00:31:45,769 --> 00:31:44,399

are you ready to go and I said yeah

787

00:31:48,470 --> 00:31:45,779

um and because it was starting to Spook

788

00:31:52,430 --> 00:31:48,480

me and we left there and as we drove

789

00:31:53,930 --> 00:31:52,440

away they I heard her say the one who's

790

00:31:55,070 --> 00:31:53,940

been communicating with me about this

791

00:31:58,130 --> 00:31:55,080

trip to Arizona

792

00:32:00,529 --> 00:31:58,140

I heard her say now can you go to

793

00:32:02,510 --> 00:32:00,539

Arizona now can you go to the desert and

794

00:32:04,130 --> 00:32:02,520

she let she giggled and I said is that

795

00:32:06,710 --> 00:32:04,140

what this is all about and she just

796

00:32:08,210 --> 00:32:06,720

giggled so I thought that was cool you

797

00:32:11,269 --> 00:32:08,220

know and I said I like that you did that

798

00:32:13,850 --> 00:32:11,279

I said you know can you do that can you

799

00:32:15,230 --> 00:32:13,860

do that again maybe and they said

800

00:32:17,090 --> 00:32:15,240

um they responded by saying you should

801
00:32:18,590 --> 00:32:17,100
have asked for more you should have

802
00:32:20,750 --> 00:32:18,600
asked yeah you should have asked him as

803
00:32:24,110 --> 00:32:20,760
a have you not heard of Uncle Sam

804
00:32:25,549 --> 00:32:24,120
yeah yeah well I was going to play the

805
00:32:28,490 --> 00:32:25,559
mega bucks when my girlfriend came into

806
00:32:30,409 --> 00:32:28,500
the room and um but I just I don't know

807
00:32:31,669 --> 00:32:30,419
I was feeling kind of creeped out it was

808
00:32:33,710 --> 00:32:31,679
just kind of weird and that the casino

809
00:32:35,029 --> 00:32:33,720
was noticing you know they had

810
00:32:36,649 --> 00:32:35,039
definitely noticed that I was winning

811
00:32:37,730 --> 00:32:36,659
that and I thought you know they were

812
00:32:39,590 --> 00:32:37,740
gonna probably

813
00:32:41,930 --> 00:32:39,600

lower you know lower the boom and kick

814

00:32:44,330 --> 00:32:41,940

me out or something but I talked about

815

00:32:47,750 --> 00:32:44,340

that with them and and they said you

816

00:32:49,730 --> 00:32:47,760

know next time we will help you and I

817

00:32:51,350 --> 00:32:49,740

said really I said you'll be there next

818

00:32:53,570 --> 00:32:51,360

time to help me win and I and they said

819

00:32:55,970 --> 00:32:53,580

yes and I said well let's you know let's

820

00:32:58,370 --> 00:32:55,980

go For Broke let's let's go for more and

821

00:33:00,110 --> 00:32:58,380

they and they said how much do are you

822

00:33:01,490 --> 00:33:00,120

talking or something and I can't

823

00:33:03,409 --> 00:33:01,500

remember how the conversation went but I

824

00:33:06,049 --> 00:33:03,419

mean I remember them saying you need to

825

00:33:08,750 --> 00:33:06,059

think bigger think bigger think bigger

826

00:33:11,149 --> 00:33:08,760

so it was a fun conversation we were all

827

00:33:13,669 --> 00:33:11,159

laughing about it and then when I

828

00:33:16,789 --> 00:33:13,679

got off the phone you know I was telling

829

00:33:18,049 --> 00:33:16,799

Jim about it and I am

830

00:33:20,570 --> 00:33:18,059

I said I guess I have to go to the

831

00:33:22,610 --> 00:33:20,580

casino one of these days and then when

832

00:33:25,070 --> 00:33:22,620

it came right down to it I don't feel

833

00:33:26,630 --> 00:33:25,080

well enough to go to the casino but I

834

00:33:28,190 --> 00:33:26,640

said I also can't afford it you know

835

00:33:30,649 --> 00:33:28,200

with all my medical bills it's just

836

00:33:34,310 --> 00:33:30,659

can't I can't afford to go put money in

837

00:33:38,210 --> 00:33:34,320

a into gambling and so that was it so I

838

00:33:41,389 --> 00:33:38,220

didn't go and um

839

00:33:43,490 --> 00:33:41,399

it was probably

840

00:33:46,310 --> 00:33:43,500

a week later I don't think it was it

841

00:33:48,110 --> 00:33:46,320

might have been a week later at most

842

00:33:49,430 --> 00:33:48,120

I heard activity in the house there was

843

00:33:50,630 --> 00:33:49,440

lots of activity in the house and I told

844

00:33:52,970 --> 00:33:50,640

my friend I said geez they're even

845

00:33:55,009 --> 00:33:52,980

opening my drawers I said I swear I hear

846

00:33:58,250 --> 00:33:55,019

them in the kitchen opening and closing

847

00:33:59,810 --> 00:33:58,260

doors doors you know opening them and I

848

00:34:01,310 --> 00:33:59,820

said what would they be doing with that

849

00:34:03,769 --> 00:34:01,320

we hear them walking around with him

850

00:34:05,509 --> 00:34:03,779

doing stuff Jim and I both hear him here

851
00:34:07,730 --> 00:34:05,519
at the house we've always had that but

852
00:34:09,050 --> 00:34:07,740
it got really active for a while there

853
00:34:13,430 --> 00:34:09,060
well

854
00:34:16,550 --> 00:34:13,440
I'm in the kitchen one day and I opened

855
00:34:19,070 --> 00:34:16,560
the drawer where I keep my dish dish

856
00:34:21,710 --> 00:34:19,080
towels and stuff folded up in there

857
00:34:23,810 --> 00:34:21,720
and I opened it up and I'm like what in

858
00:34:27,470 --> 00:34:23,820
the world and there

859
00:34:29,629 --> 00:34:27,480
was a pile of hundred dollar bills

860
00:34:32,690 --> 00:34:29,639
fanned out they were like fanned out on

861
00:34:35,869 --> 00:34:32,700
top of the on top of the um

862
00:34:38,389 --> 00:34:35,879
the towels and I'm like looking at them

863
00:34:40,369 --> 00:34:38,399

I'm like what in the it was just the

864

00:34:42,050 --> 00:34:40,379

most strange it's so strange because you

865

00:34:43,609 --> 00:34:42,060

don't expect to see that you know it's

866

00:34:45,349 --> 00:34:43,619

supposed to be my dish Rags are in there

867

00:34:47,869 --> 00:34:45,359

and um

868

00:34:49,970 --> 00:34:47,879

I pulled it out and sure it was like

869

00:34:51,349 --> 00:34:49,980

fanned out like in the sand and it was

870

00:34:52,609 --> 00:34:51,359

hundred dollar bills and there were 24

871

00:34:56,210 --> 00:34:52,619

of them

872

00:34:58,910 --> 00:34:56,220

24 100 bills I'm like

873

00:35:00,710 --> 00:34:58,920

and I found Jim and I said what is going

874

00:35:02,329 --> 00:35:00,720

on I said did you put this money in that

875

00:35:06,050 --> 00:35:02,339

in the in the drawer where we keep the

876
00:35:08,630 --> 00:35:06,060
dish rags and he said no why would I do

877
00:35:10,310 --> 00:35:08,640
that first of all I mean why would I do

878
00:35:11,990 --> 00:35:10,320
that no and I said well there's no other

879
00:35:14,390 --> 00:35:12,000
explanation where did this money come

880
00:35:15,950 --> 00:35:14,400
from and he and I

881
00:35:18,650 --> 00:35:15,960
told him you know I just found it and

882
00:35:22,370 --> 00:35:18,660
it's just weird so the next time we got

883
00:35:24,589 --> 00:35:22,380
on the call with the guy who um who was

884
00:35:26,450 --> 00:35:24,599
there that we're talking to who's got

885
00:35:28,190 --> 00:35:26,460
his group of ETS with him

886
00:35:30,050 --> 00:35:28,200
we were talking to them and he was

887
00:35:31,130 --> 00:35:30,060
telling us about the assignment that we

888
00:35:32,329 --> 00:35:31,140

were supposed to be doing and he was

889

00:35:33,890 --> 00:35:32,339

bringing us up to date on what they were

890

00:35:35,690 --> 00:35:33,900

doing and yes they've been working on us

891

00:35:37,370 --> 00:35:35,700

and no we weren't going to see any

892

00:35:40,069 --> 00:35:37,380

changes in our body or our health yet

893

00:35:41,810 --> 00:35:40,079

then we just had to be patient and give

894

00:35:43,130 --> 00:35:41,820

it time just give it time that's it's

895

00:35:45,230 --> 00:35:43,140

all going to be okay

896

00:35:46,010 --> 00:35:45,240

and then I brought up the question and I

897

00:35:48,589 --> 00:35:46,020

said

898

00:35:50,630 --> 00:35:48,599

um you know the other day is in the

899

00:35:52,910 --> 00:35:50,640

kitchen and I opened the drawer and as

900

00:35:54,230 --> 00:35:52,920

soon as I started to say that I heard

901
00:35:55,970 --> 00:35:54,240
them

902
00:35:58,130 --> 00:35:55,980
I heard that and I'll do that sometimes

903
00:35:58,910 --> 00:35:58,140
I'll hear his guys

904
00:36:01,089 --> 00:35:58,920
um

905
00:36:04,010 --> 00:36:01,099
without him conveying to me the message

906
00:36:06,349 --> 00:36:04,020
and I heard them start to they start to

907
00:36:08,690 --> 00:36:06,359
laugh they just were laughing like belly

908
00:36:10,550 --> 00:36:08,700
laughs and they were like just like a

909
00:36:12,290 --> 00:36:10,560
bunch of little kids who pulled a prank

910
00:36:14,329 --> 00:36:12,300
and were so pleased with themselves you

911
00:36:16,370 --> 00:36:14,339
know a bunch of naughty little boys kind

912
00:36:18,410 --> 00:36:16,380
of thing is the picture that I got but

913
00:36:20,990 --> 00:36:18,420

they just were hooting and hollering

914

00:36:24,470 --> 00:36:21,000

they're just so so laughing about it and

915

00:36:27,470 --> 00:36:24,480

I said so was that you your guys and

916

00:36:31,130 --> 00:36:27,480

they were like yeah and I was like what

917

00:36:32,390 --> 00:36:31,140

the hell really and they left twenty

918

00:36:34,310 --> 00:36:32,400

four hundred dollars they said you need

919

00:36:37,430 --> 00:36:34,320

that's your money to go take it to the

920

00:36:39,710 --> 00:36:37,440

casino and to use it to gamble and and

921

00:36:42,050 --> 00:36:39,720

think big this time they said think big

922

00:36:44,030 --> 00:36:42,060

like and I said like what a million

923

00:36:47,210 --> 00:36:44,040

dollars I said play the Megabucks and

924

00:36:50,510 --> 00:36:47,220

they said bad bigger think bigger and

925

00:36:53,329 --> 00:36:50,520

they're just is that strange or what I

926
00:36:54,650 --> 00:36:53,339
mean that is just weird I can't get over

927
00:36:56,690 --> 00:36:54,660
that I don't I don't know what to make

928
00:36:58,670 --> 00:36:56,700
of that I've never had anything like

929
00:36:59,569 --> 00:36:58,680
that with my guys

930
00:37:01,370 --> 00:36:59,579
um

931
00:37:04,670 --> 00:37:01,380
although they have brought money in for

932
00:37:07,190 --> 00:37:04,680
me but not in that way usually I get it

933
00:37:09,650 --> 00:37:07,200
um you know I had

934
00:37:11,210 --> 00:37:09,660
yeah I've had donors help me out in the

935
00:37:13,069 --> 00:37:11,220
past with my medical bills and with

936
00:37:15,770 --> 00:37:13,079
things and uh

937
00:37:17,810 --> 00:37:15,780
um but nothing like where they put money

938
00:37:20,690 --> 00:37:17,820

where the ETS actually come in and put

939

00:37:23,450 --> 00:37:20,700

money in my drawer I wish I

940

00:37:24,770 --> 00:37:23,460

I don't know I just it's just weird what

941

00:37:25,790 --> 00:37:24,780

do you what do you think of that admin

942

00:37:28,730 --> 00:37:25,800

have you ever heard of anything like

943

00:37:30,530 --> 00:37:28,740

that no I haven't but I keep thinking

944

00:37:32,870 --> 00:37:30,540

about there's still another 20 bucks

945

00:37:36,310 --> 00:37:32,880

coming from my end too I don't know if

946

00:37:38,810 --> 00:37:36,320

you remember you know what was that

947

00:37:41,030 --> 00:37:38,820

2015-14 when I was at your house and we

948

00:37:43,849 --> 00:37:41,040

did that interview about chemtrails

949

00:37:45,530 --> 00:37:43,859

yeah and and then we went to town and we

950

00:37:47,510 --> 00:37:45,540

were going to eat something and so I had

951
00:37:49,370 --> 00:37:47,520
left all my stuff at your house and we

952
00:37:51,410 --> 00:37:49,380
we were on the on the road and I was

953
00:37:52,910 --> 00:37:51,420
like oh shoot I do not have my wallet

954
00:37:55,190 --> 00:37:52,920
dude I'm like oh no problem and you

955
00:37:57,230 --> 00:37:55,200
spotted me 20 bucks and I still haven't

956
00:37:59,030 --> 00:37:57,240
I've seen you many times since but I

957
00:38:01,550 --> 00:37:59,040
haven't given it back to you so keep

958
00:38:03,470 --> 00:38:01,560
that in mind I never I don't even

959
00:38:05,810 --> 00:38:03,480
remember that I didn't I remember you

960
00:38:08,990 --> 00:38:05,820
coming back you're coming by here to do

961
00:38:10,609 --> 00:38:09,000
the film The filming for the chemtrail

962
00:38:13,310 --> 00:38:10,619
um video and I remember because that's

963
00:38:15,230 --> 00:38:13,320

the day my youngest daughter decided to

964

00:38:17,270 --> 00:38:15,240

reconcile with me because she she got in

965

00:38:18,770 --> 00:38:17,280

a fight with her boyfriend and needed a

966

00:38:21,770 --> 00:38:18,780

place to live so she came back and I

967

00:38:23,810 --> 00:38:21,780

threw me off and I was so sick that day

968

00:38:25,730 --> 00:38:23,820

I was very sick when I watched that that

969

00:38:28,190 --> 00:38:25,740

video when I see that video it's like oh

970

00:38:29,450 --> 00:38:28,200

my God I remember just but no I don't

971

00:38:31,370 --> 00:38:29,460

remember that I don't remember that

972

00:38:34,490 --> 00:38:31,380

admin oh you're being too hard on

973

00:38:36,829 --> 00:38:34,500

yourself it's it turned out great but

974

00:38:39,530 --> 00:38:36,839

yeah no anyway so I don't I'm not trying

975

00:38:42,109 --> 00:38:39,540

to make any light of it but you know

976

00:38:44,329 --> 00:38:42,119

why not if the opportunity arises you

977

00:38:45,890 --> 00:38:44,339

know it's like a lot of things when I

978

00:38:48,890 --> 00:38:45,900

was first listening to Bashar a while

979

00:38:52,190 --> 00:38:48,900

back you know he always talks about that

980

00:38:54,050 --> 00:38:52,200

um you know basically abundance doesn't

981

00:38:56,930 --> 00:38:54,060

always have to only come through money

982

00:38:58,430 --> 00:38:56,940

you know if you can be gifted it can be

983

00:39:00,349 --> 00:38:58,440

gifted to you so you don't have to

984

00:39:02,930 --> 00:39:00,359

always just think about having to earn

985

00:39:04,970 --> 00:39:02,940

it and work hard for it you know you can

986

00:39:07,849 --> 00:39:04,980

you know have have different instances

987

00:39:09,589 --> 00:39:07,859

by you coming across an opportunity to

988

00:39:11,510 --> 00:39:09,599

where then it gives you what you want

989

00:39:13,370 --> 00:39:11,520

without money ever being really in the

990

00:39:15,290 --> 00:39:13,380

picture and so I always kept that in

991

00:39:17,089 --> 00:39:15,300

mind you know when it comes to these

992

00:39:18,950 --> 00:39:17,099

kind of things to where you know not to

993

00:39:20,270 --> 00:39:18,960

be limited it's like it'll happen one

994

00:39:23,450 --> 00:39:20,280

way or another you know it doesn't

995

00:39:25,609 --> 00:39:23,460

always have to be I have to be money so

996

00:39:27,950 --> 00:39:25,619

I have been you know that's always been

997

00:39:29,810 --> 00:39:27,960

my mindset but when it does happen in

998

00:39:32,810 --> 00:39:29,820

ways like you explained it you know it's

999

00:39:35,630 --> 00:39:32,820

I mean I don't know they have no other I

1000

00:39:37,970 --> 00:39:35,640

have not experienced something like that

1001

00:39:39,470 --> 00:39:37,980

I haven't I haven't either and it's a

1002

00:39:41,450 --> 00:39:39,480

strange story I'm a little bit

1003

00:39:44,329 --> 00:39:41,460

uncomfortable even telling it because

1004

00:39:47,569 --> 00:39:44,339

it's just so bizarre and it doesn't fit

1005

00:39:50,510 --> 00:39:47,579

into the UFO alien contact they're here

1006

00:39:53,270 --> 00:39:50,520

to assist us with the Ascension I mean

1007

00:39:55,130 --> 00:39:53,280

for them to come in and put money I mean

1008

00:39:56,930 --> 00:39:55,140

it's just I don't know well you know

1009

00:39:58,730 --> 00:39:56,940

it's I think it's a different Dynamic

1010

00:39:59,810 --> 00:39:58,740

you know because the stories are always

1011

00:40:01,849 --> 00:39:59,820

about

1012

00:40:03,349 --> 00:40:01,859

um you know abduction they did this they

1013

00:40:05,870 --> 00:40:03,359

we talked and all of that and you know

1014

00:40:07,970 --> 00:40:05,880

never never interactions in that way so

1015

00:40:08,930 --> 00:40:07,980

that you know shines a little light on

1016

00:40:12,050 --> 00:40:08,940

that

1017

00:40:13,010 --> 00:40:12,060

I know it it does it's it totally tilts

1018

00:40:17,930 --> 00:40:13,020

the whole

1019

00:40:19,310 --> 00:40:17,940

relationship I have going on with these

1020

00:40:21,589 --> 00:40:19,320

guys

1021

00:40:23,690 --> 00:40:21,599

um yeah it's it's been strange it's been

1022

00:40:25,970 --> 00:40:23,700

things like that it's it's been

1023

00:40:26,750 --> 00:40:25,980

it's been strange you know

1024

00:40:29,270 --> 00:40:26,760

um

1025

00:40:31,670 --> 00:40:29,280

anyway so I I just I like I like the

1026

00:40:33,410 --> 00:40:31,680

story but it's it it makes me feel just

1027

00:40:35,510 --> 00:40:33,420

a little bit uncomfortable and I don't

1028

00:40:36,710 --> 00:40:35,520

know that's my own issue I guess with

1029

00:40:38,210 --> 00:40:36,720

with

1030

00:40:40,670 --> 00:40:38,220

um feelings they must have around money

1031

00:40:42,770 --> 00:40:40,680

which I've never money's always come

1032

00:40:44,630 --> 00:40:42,780

easy to me my whole life I've always had

1033

00:40:46,490 --> 00:40:44,640

more than enough until they you know

1034

00:40:48,770 --> 00:40:46,500

until they took took it away from me

1035

00:40:52,609 --> 00:40:48,780

came in and they just took it from me

1036

00:40:54,589 --> 00:40:52,619

without any cause or any reason and um

1037

00:40:56,690 --> 00:40:54,599

you know I wish I had it back at times

1038

00:40:59,930 --> 00:40:56,700

definitely life is easier if you have

1039

00:41:03,410 --> 00:40:59,940

money but um it's just an interesting

1040

00:41:05,990 --> 00:41:03,420

weird story I think so anyway wanted to

1041

00:41:07,849 --> 00:41:06,000

share that well so have there been any

1042

00:41:09,829 --> 00:41:07,859

other contexts uh because I know that

1043

00:41:11,329 --> 00:41:09,839

for a while you were saying there were

1044

00:41:12,950 --> 00:41:11,339

I'm not trying to make this fearful but

1045

00:41:15,349 --> 00:41:12,960

you were saying some reptilians were

1046

00:41:17,690 --> 00:41:15,359

coming to your house and so at least

1047

00:41:19,130 --> 00:41:17,700

anything regarding that front or is that

1048

00:41:21,109 --> 00:41:19,140

pretty much stopped

1049

00:41:23,150 --> 00:41:21,119

yeah I think that the I think the

1050

00:41:25,190 --> 00:41:23,160

attacks on me for the most part have

1051
00:41:26,870 --> 00:41:25,200
have stopped it used to be whenever I

1052
00:41:29,690 --> 00:41:26,880
would agree to do one of these you know

1053
00:41:32,030 --> 00:41:29,700
interviews I would immediately I would

1054
00:41:34,010 --> 00:41:32,040
be either before I did the interview or

1055
00:41:36,349 --> 00:41:34,020
immediately afterwards I would I would

1056
00:41:38,450 --> 00:41:36,359
know that I was under attack you could

1057
00:41:40,010 --> 00:41:38,460
tell and I haven't had that because I

1058
00:41:42,349 --> 00:41:40,020
haven't been doing many interviews but

1059
00:41:44,270 --> 00:41:42,359
like I I don't I don't expect to be

1060
00:41:47,210 --> 00:41:44,280
attacked I think the dark

1061
00:41:49,310 --> 00:41:47,220
the the presence of the of the dark on

1062
00:41:51,829 --> 00:41:49,320
the planet has been um

1063
00:41:54,170 --> 00:41:51,839

the overlords anyway I think that that's

1064

00:41:55,609 --> 00:41:54,180

then cleared out for to a great extent

1065

00:41:57,829 --> 00:41:55,619

and I think they're busier with other

1066

00:41:59,810 --> 00:41:57,839

things and maybe can't mess with me you

1067

00:42:03,290 --> 00:41:59,820

know anymore I'm not on their radar I

1068

00:42:05,329 --> 00:42:03,300

don't feel so yeah I had I had Draco

1069

00:42:07,370 --> 00:42:05,339

here definitely had Draco here I had

1070

00:42:08,030 --> 00:42:07,380

military here

1071

00:42:09,829 --> 00:42:08,040

um

1072

00:42:12,410 --> 00:42:09,839

it was there it's there was a lot of

1073

00:42:13,970 --> 00:42:12,420

weirdness with that kind of thing and

1074

00:42:16,130 --> 00:42:13,980

um

1075

00:42:19,190 --> 00:42:16,140

yeah that was those were tough times

1076
00:42:21,349 --> 00:42:19,200
definitely the attacks on me happened

1077
00:42:23,030 --> 00:42:21,359
during that time but now I'm just

1078
00:42:24,829 --> 00:42:23,040
dealing with the after effects of it it

1079
00:42:28,790 --> 00:42:24,839
got me down I mean I can't do too much

1080
00:42:31,310 --> 00:42:28,800
I'm I um you know that's why when I feel

1081
00:42:32,990 --> 00:42:31,320
the need to to get jumped back into it

1082
00:42:34,190 --> 00:42:33,000
that's why I reach out to you you know

1083
00:42:36,170 --> 00:42:34,200
but

1084
00:42:37,550 --> 00:42:36,180
um no I don't I don't think there's

1085
00:42:39,710 --> 00:42:37,560
going to be any repercussions from that

1086
00:42:42,770 --> 00:42:39,720
and I think the planet is being cleaned

1087
00:42:44,750 --> 00:42:42,780
up you know I do believe that the the

1088
00:42:46,430 --> 00:42:44,760

all that's left to be done I believe

1089

00:42:48,470 --> 00:42:46,440

that I've heard those reports that all

1090

00:42:50,390 --> 00:42:48,480

that's left out the the ones the minions

1091

00:42:52,670 --> 00:42:50,400

you know left on on the planet who are

1092

00:42:54,770 --> 00:42:52,680

playing their parts that are but their

1093

00:42:57,290 --> 00:42:54,780

overlords are pretty well gone right

1094

00:42:58,609 --> 00:42:57,300

okay just real quick the pops have come

1095

00:43:01,069 --> 00:42:58,619

back a little bit if you could just

1096

00:43:02,990 --> 00:43:01,079

distance out by just a little more uh

1097

00:43:04,430 --> 00:43:03,000

you know I wanted to you know

1098

00:43:07,069 --> 00:43:04,440

um talking about just these

1099

00:43:10,250 --> 00:43:07,079

synchronicities ways of of hope you know

1100

00:43:12,530 --> 00:43:10,260

we're watching this um it was the second

1101
00:43:14,750 --> 00:43:12,540
part because there was the diet suddenly

1102
00:43:17,690 --> 00:43:14,760
uh documentary and then of course then

1103
00:43:20,990 --> 00:43:17,700
uh follow-up another one that just it oh

1104
00:43:22,490 --> 00:43:21,000
forgot the name of it uh did dark days

1105
00:43:23,990 --> 00:43:22,500
or something like that so anyway we're

1106
00:43:27,050 --> 00:43:24,000
watching it it was pretty depressing

1107
00:43:28,309 --> 00:43:27,060
right and so what happened then we were

1108
00:43:29,569 --> 00:43:28,319
done with that and it was already

1109
00:43:31,849 --> 00:43:29,579
evening I wasn't going to do anything

1110
00:43:34,010 --> 00:43:31,859
else you know my wife was like okay I'm

1111
00:43:35,510 --> 00:43:34,020
done let's just relax you know and so

1112
00:43:37,430 --> 00:43:35,520
we're like hey we never finished

1113
00:43:39,710 --> 00:43:37,440

watching um you know Lord of the Rings

1114

00:43:41,329 --> 00:43:39,720

uh to Two Towers I've seen that movie

1115

00:43:43,130 --> 00:43:41,339

many many times but it was just

1116

00:43:46,130 --> 00:43:43,140

something something else to to watch

1117

00:43:48,170 --> 00:43:46,140

before bedtime and so right after we

1118

00:43:51,470 --> 00:43:48,180

watched that documentary right very

1119

00:43:54,109 --> 00:43:51,480

depressing we hit play where we last

1120

00:43:55,790 --> 00:43:54,119

left off and I kid you not I don't

1121

00:43:58,490 --> 00:43:55,800

remember if Verbatim what was said but

1122

00:44:00,770 --> 00:43:58,500

it's when that little boy you know he

1123

00:44:02,809 --> 00:44:00,780

looked scared and you know the Orcs are

1124

00:44:04,730 --> 00:44:02,819

coming you know to attack Helms Deep or

1125

00:44:06,589 --> 00:44:04,740

whatever and he's saying the men are

1126

00:44:08,450 --> 00:44:06,599

saying you know there's no hope you know

1127

00:44:09,950 --> 00:44:08,460

there's you know well going to die and

1128

00:44:12,050 --> 00:44:09,960

all that stuff you know and he just

1129

00:44:14,329 --> 00:44:12,060

looks at him and it's very confident way

1130

00:44:16,430 --> 00:44:14,339

you know saying there's always hope you

1131

00:44:18,050 --> 00:44:16,440

know and it's like right there you know

1132

00:44:20,750 --> 00:44:18,060

it's kind of changed our minds about

1133

00:44:23,030 --> 00:44:20,760

okay this was depressing why watching it

1134

00:44:24,770 --> 00:44:23,040

but you know synchronicity brought it

1135

00:44:28,670 --> 00:44:24,780

right back into alignment for us you

1136

00:44:30,230 --> 00:44:28,680

know and um and so you know I don't know

1137

00:44:32,870 --> 00:44:30,240

just with with

1138

00:44:35,390 --> 00:44:32,880

you know I don't know it's it's such a

1139

00:44:37,250 --> 00:44:35,400

weird thing to have to just no matter

1140

00:44:39,650 --> 00:44:37,260

what happens you just keep on trucking

1141

00:44:41,030 --> 00:44:39,660

uh look for the positive and everything

1142

00:44:43,010 --> 00:44:41,040

because

1143

00:44:45,170 --> 00:44:43,020

um if you look for a negative you will

1144

00:44:47,450 --> 00:44:45,180

get it you know it's like so if it's if

1145

00:44:49,309 --> 00:44:47,460

somebody's asking hey look for the

1146

00:44:51,170 --> 00:44:49,319

positive it's not you know trying to

1147

00:44:52,970 --> 00:44:51,180

make you forget about what had happened

1148

00:44:54,829 --> 00:44:52,980

you know but just trying to you know at

1149

00:44:57,770 --> 00:44:54,839

least subconsciously remind you it's

1150

00:44:59,930 --> 00:44:57,780

like hey you can have it both ways you

1151
00:45:01,550 --> 00:44:59,940
know you can constantly just look for

1152
00:45:02,930 --> 00:45:01,560
everything negative and you'll never get

1153
00:45:05,569 --> 00:45:02,940
out of it or just look for everything

1154
00:45:08,050 --> 00:45:05,579
positive and you'll see more of it

1155
00:45:11,270 --> 00:45:08,060
well it's perspective yeah it is it's

1156
00:45:13,609 --> 00:45:11,280
perspective and it's also choosing to

1157
00:45:16,430 --> 00:45:13,619
see things from a higher perspective

1158
00:45:18,470 --> 00:45:16,440
um and and making that your your

1159
00:45:21,349 --> 00:45:18,480
intention because Jim and I talk about

1160
00:45:23,750 --> 00:45:21,359
that a lot and and we just the other day

1161
00:45:26,569 --> 00:45:23,760
said we have to be careful about our our

1162
00:45:28,550 --> 00:45:26,579
words and um where our thoughts are

1163
00:45:32,109 --> 00:45:28,560

taking us because we can get overwhelmed

1164

00:45:34,730 --> 00:45:32,119

at times with with how

1165

00:45:36,890 --> 00:45:34,740

how bad it is there's just so many

1166

00:45:39,109 --> 00:45:36,900

there's people suffering and with the

1167

00:45:40,849 --> 00:45:39,119

whole yeah the deaths and everything

1168

00:45:43,910 --> 00:45:40,859

that have occurred and the whole vax

1169

00:45:45,050 --> 00:45:43,920

thing and all that uh but you see it

1170

00:45:47,690 --> 00:45:45,060

from a higher perspective and you see

1171

00:45:49,790 --> 00:45:47,700

that it's a divine plan and when you

1172

00:45:50,569 --> 00:45:49,800

look at when you don't look at death as

1173

00:45:53,089 --> 00:45:50,579

being

1174

00:45:55,490 --> 00:45:53,099

what it's portrayed to be in this world

1175

00:45:57,890 --> 00:45:55,500

which is the end of something and you

1176

00:46:01,190 --> 00:45:57,900

just look at it as a new birth uh for

1177

00:46:02,390 --> 00:46:01,200

that soul to move on and when when you

1178

00:46:04,250 --> 00:46:02,400

look at from from a high enough

1179

00:46:05,510 --> 00:46:04,260

perspective it's it's really quite an

1180

00:46:06,890 --> 00:46:05,520

interesting thing that we've gone

1181

00:46:07,970 --> 00:46:06,900

through here on the planet with the

1182

00:46:09,530 --> 00:46:07,980

whole

1183

00:46:12,470 --> 00:46:09,540

um lockdown and everything that we went

1184

00:46:15,829 --> 00:46:12,480

through and it's the collective it's

1185

00:46:18,410 --> 00:46:15,839

it's the way Humanity decided to so

1186

00:46:20,030 --> 00:46:18,420

it'll be forced to make a choice and

1187

00:46:21,890 --> 00:46:20,040

everybody had to make their choice you

1188

00:46:24,349 --> 00:46:21,900

know are are we are am I going to ascend

1189

00:46:27,050 --> 00:46:24,359

am I ready to go to the 5D to the new

1190

00:46:30,050 --> 00:46:27,060

Earth or am I needing more time in a

1191

00:46:33,829 --> 00:46:30,060

dualistic Society you know world and um

1192

00:46:36,349 --> 00:46:33,839

it it it played out and and it it is

1193

00:46:38,030 --> 00:46:36,359

what it is and have you I'm sure it's

1194

00:46:40,069 --> 00:46:38,040

interrupt have your uh you know have

1195

00:46:41,510 --> 00:46:40,079

your guys or any of the other contacts

1196

00:46:44,750 --> 00:46:41,520

have they given you any more information

1197

00:46:47,569 --> 00:46:44,760

about what's going on and how much more

1198

00:46:49,550 --> 00:46:47,579

of this is going to be happening just

1199

00:46:50,510 --> 00:46:49,560

all these four of these changes and and

1200

00:46:52,970 --> 00:46:50,520

whatnot

1201
00:46:55,490 --> 00:46:52,980
no they they don't they don't like to do

1202
00:46:57,650 --> 00:46:55,500
that they just they won't give I mean I

1203
00:47:00,170 --> 00:46:57,660
was surprised they gave us hold us 15

1204
00:47:01,730 --> 00:47:00,180
years that we'd be here for 15 years and

1205
00:47:05,329 --> 00:47:01,740
that at that end of that time we'd

1206
00:47:07,190 --> 00:47:05,339
Ascend do this this Ascension thing I'm

1207
00:47:09,410 --> 00:47:07,200
surprised I even did that because they

1208
00:47:12,470 --> 00:47:09,420
don't usually give timelines

1209
00:47:16,130 --> 00:47:12,480
my sense of it when I've asked them

1210
00:47:17,510 --> 00:47:16,140
and I that's been a year or more ago

1211
00:47:20,630 --> 00:47:17,520
when I asked them when are we going to

1212
00:47:23,089 --> 00:47:20,640
get through the worst of this and I

1213
00:47:26,690 --> 00:47:23,099

I can't remember what they say I think

1214

00:47:28,250 --> 00:47:26,700

they said um by 2024 we'd be through the

1215

00:47:30,050 --> 00:47:28,260

worst of it or something I don't even

1216

00:47:31,550 --> 00:47:30,060

know because I don't even remember it

1217

00:47:33,950 --> 00:47:31,560

because

1218

00:47:36,050 --> 00:47:33,960

I I don't like to put time minutes on it

1219

00:47:37,550 --> 00:47:36,060

either because we're always I think

1220

00:47:39,530 --> 00:47:37,560

we're still shifting timelines I know

1221

00:47:41,870 --> 00:47:39,540

there are people who say we're we're on

1222

00:47:43,609 --> 00:47:41,880

the final timeline but I think we're

1223

00:47:45,890 --> 00:47:43,619

still shifting because that's the nature

1224

00:47:49,130 --> 00:47:45,900

of our reality and the Matrix as it

1225

00:47:50,510 --> 00:47:49,140

crumbles and comes undone I think that

1226
00:47:52,130 --> 00:47:50,520
that's what we're doing we're just we're

1227
00:47:54,050 --> 00:47:52,140
speeding up and then we're slowing down

1228
00:47:56,690 --> 00:47:54,060
and then we're speeding up again and

1229
00:47:58,970 --> 00:47:56,700
we're creating it as we go along as as

1230
00:48:01,069 --> 00:47:58,980
the collective as as one as we are all

1231
00:48:02,930 --> 00:48:01,079
one and

1232
00:48:05,450 --> 00:48:02,940
there's no way I don't think there's any

1233
00:48:07,910 --> 00:48:05,460
way you can tune in and and and put a

1234
00:48:10,970 --> 00:48:07,920
timeline uh you know future timeline

1235
00:48:13,490 --> 00:48:10,980
together on it I think that's impossible

1236
00:48:16,250 --> 00:48:13,500
to do it's just everything is

1237
00:48:17,990 --> 00:48:16,260
it's it's it's not even on God's

1238
00:48:20,270 --> 00:48:18,000

timeline it's basically it's the

1239

00:48:21,890 --> 00:48:20,280

collective on the planet we're choosing

1240

00:48:24,530 --> 00:48:21,900

how we want the suspension on this

1241

00:48:26,630 --> 00:48:24,540

planet to to uh what we want it to look

1242

00:48:29,930 --> 00:48:26,640

like and how we want it to to proceed

1243

00:48:32,390 --> 00:48:29,940

and so I you know I I don't think

1244

00:48:35,750 --> 00:48:32,400

anybody I just don't buy into

1245

00:48:38,510 --> 00:48:35,760

um anybody who gives me any any timeline

1246

00:48:39,829 --> 00:48:38,520

any prediction as to when this is going

1247

00:48:41,450 --> 00:48:39,839

to happen or that I mean because I'm

1248

00:48:43,370 --> 00:48:41,460

waiting for the med beds I think that's

1249

00:48:45,349 --> 00:48:43,380

what I was asking for because they did

1250

00:48:48,290 --> 00:48:45,359

tell me they said Sherry you're not

1251

00:48:50,390 --> 00:48:48,300

really going to get you know see that

1252

00:48:51,710 --> 00:48:50,400

much improvement until the med to the

1253

00:48:53,210 --> 00:48:51,720

things the things that you're calling

1254

00:48:55,430 --> 00:48:53,220

the med beds you refer to them the

1255

00:48:57,530 --> 00:48:55,440

medicine when that technology comes on

1256

00:48:59,150 --> 00:48:57,540

to the planet so

1257

00:49:00,230 --> 00:48:59,160

you know that's okay that's what they

1258

00:49:02,329 --> 00:49:00,240

told me

1259

00:49:04,730 --> 00:49:02,339

a lot about a year ago before this whole

1260

00:49:06,410 --> 00:49:04,740

thing came up with them healing us for

1261

00:49:09,829 --> 00:49:06,420

this new assignment so

1262

00:49:12,470 --> 00:49:09,839

we'll see um right so Sherry I wanted to

1263

00:49:14,809 --> 00:49:12,480

ask um do you want to maybe open it up

1264

00:49:16,730 --> 00:49:14,819

for a question and answer so we can do

1265

00:49:19,849 --> 00:49:16,740

that for a while and see some questions

1266

00:49:23,270 --> 00:49:19,859

that maybe I don't think to ask

1267

00:49:25,550 --> 00:49:23,280

sure sure all right well so everyone

1268

00:49:27,290 --> 00:49:25,560

else watching um Now's the Time if

1269

00:49:29,630 --> 00:49:27,300

you're in any of the chat rooms please

1270

00:49:31,130 --> 00:49:29,640

make sure you put three asterix's before

1271

00:49:33,770 --> 00:49:31,140

your question and that way I know it's

1272

00:49:35,870 --> 00:49:33,780

for Sherry if you are on telegram make

1273

00:49:37,430 --> 00:49:35,880

sure you join the group uh raise your

1274

00:49:40,430 --> 00:49:37,440

hand and I'll bring you in and you can

1275

00:49:42,530 --> 00:49:40,440

ask the question directly so now is the

1276

00:49:44,630 --> 00:49:42,540

time please submit your questions so

1277

00:49:45,410 --> 00:49:44,640

while all that is happening Sherry

1278

00:49:48,290 --> 00:49:45,420

um

1279

00:49:50,210 --> 00:49:48,300

again

1280

00:49:51,770 --> 00:49:50,220

um if you can move your mic just a

1281

00:49:55,730 --> 00:49:51,780

little bit more for wherever you had it

1282

00:49:58,069 --> 00:49:55,740

yeah I'm sorry I hate to be the the narc

1283

00:50:00,710 --> 00:49:58,079

here but especially later on the the

1284

00:50:03,109 --> 00:50:00,720

people listen to this over podcast uh

1285

00:50:07,010 --> 00:50:03,119

they'll just have constant pops

1286

00:50:09,770 --> 00:50:07,020

um so I wanted to uh to basically then

1287

00:50:11,809 --> 00:50:09,780

ask let me see here well just set up my

1288

00:50:13,550 --> 00:50:11,819

things let me ask you again a question

1289

00:50:14,870 --> 00:50:13,560

that I hope you can maybe expound on

1290

00:50:16,010 --> 00:50:14,880

while everyone else submit their

1291

00:50:17,930 --> 00:50:16,020

questions

1292

00:50:20,870 --> 00:50:17,940

um so

1293

00:50:23,089 --> 00:50:20,880

I know that there's your group and I

1294

00:50:25,430 --> 00:50:23,099

know you're aware of the group of this

1295

00:50:28,130 --> 00:50:25,440

other gentlemen that came to help you

1296

00:50:29,930 --> 00:50:28,140

um are you aware of any other uh people

1297

00:50:32,089 --> 00:50:29,940

that are within your vicinity that

1298

00:50:34,910 --> 00:50:32,099

you're communicating with and that who

1299

00:50:37,490 --> 00:50:34,920

are asking basically uh or basically

1300

00:50:40,910 --> 00:50:37,500

talking about this very same or similar

1301
00:50:45,470 --> 00:50:42,530
you mean is there anyone else

1302
00:50:47,270 --> 00:50:45,480
experiencing contact and having right

1303
00:50:49,069 --> 00:50:47,280
instead of just these two groups are

1304
00:50:51,470 --> 00:50:49,079
there more groups that you're more aware

1305
00:50:53,089 --> 00:50:51,480
of that they're doing other things

1306
00:50:55,490 --> 00:50:53,099
um that are that are more within your

1307
00:50:57,829 --> 00:50:55,500
vicinity of of finding out instead of

1308
00:50:59,990 --> 00:50:57,839
just like reading online but someone

1309
00:51:02,150 --> 00:51:00,000
else like for example you met you had

1310
00:51:03,950 --> 00:51:02,160
this gentleman contact you and then his

1311
00:51:06,049 --> 00:51:03,960
guys came through so you had interaction

1312
00:51:08,809 --> 00:51:06,059
with them but then do you know of more

1313
00:51:11,690 --> 00:51:08,819

than like that that are you know out

1314

00:51:12,670 --> 00:51:11,700

there doing their thing

1315

00:51:14,569 --> 00:51:12,680

ET groups

1316

00:51:16,549 --> 00:51:14,579

correct yes

1317

00:51:18,530 --> 00:51:16,559

yeah absolutely I I mean I believe

1318

00:51:24,530 --> 00:51:18,540

there's it's just endless I think that

1319

00:51:27,049 --> 00:51:24,540

the number of our star family it's

1320

00:51:29,630 --> 00:51:27,059

um huge number throughout the Universe

1321

00:51:32,750 --> 00:51:29,640

and many came here to watch the

1322

00:51:35,089 --> 00:51:32,760

Ascension of planet Earth at this time

1323

00:51:38,690 --> 00:51:35,099

um my understanding is you know that

1324

00:51:41,270 --> 00:51:38,700

it's the greatest show taking place uh

1325

00:51:42,650 --> 00:51:41,280

in the Multiverse and it's and it all

1326

00:51:47,569 --> 00:51:42,660

comes down to this little blue planet

1327

00:51:49,670 --> 00:51:47,579

here so there's tons of Galactic

1328

00:51:52,010 --> 00:51:49,680

um groups that are out there

1329

00:51:55,490 --> 00:51:52,020

observing and some are helping some are

1330

00:51:57,290 --> 00:51:55,500

assisting but many are just watching and

1331

00:52:00,290 --> 00:51:57,300

just here to see the show

1332

00:52:03,109 --> 00:52:00,300

is that answer your question yes yes it

1333

00:52:05,750 --> 00:52:03,119

does okay all right okay so um I have a

1334

00:52:08,450 --> 00:52:05,760

Reuben on on telegram so I'm going to

1335

00:52:11,089 --> 00:52:08,460

bring him in Reuben you are I'm muted on

1336

00:52:13,190 --> 00:52:11,099

my end uh mute yourself on yours and uh

1337

00:52:14,569 --> 00:52:13,200

please ask Sherry a question if you can

1338

00:52:16,250 --> 00:52:14,579

please keep it to a question I'd

1339

00:52:19,190 --> 00:52:16,260

appreciate it

1340

00:52:21,890 --> 00:52:19,200

all right thank you Adnan I appreciate

1341

00:52:24,470 --> 00:52:21,900

it uh hi Sherry uh my name is Brooklyn

1342

00:52:27,170 --> 00:52:24,480

I'm a big fan of you

1343

00:52:29,290 --> 00:52:27,180

um I I love the Forgotten promise um

1344

00:52:32,450 --> 00:52:29,300

that book means a lot to me just because

1345

00:52:34,549 --> 00:52:32,460

I've gone through a very similar uh

1346

00:52:36,049 --> 00:52:34,559

situation like yours where you know you

1347

00:52:38,450 --> 00:52:36,059

have a career and then all of a sudden

1348

00:52:40,849 --> 00:52:38,460

falls apart and then now you know you're

1349

00:52:42,349 --> 00:52:40,859

building yourself back up so I I

1350

00:52:45,650 --> 00:52:42,359

appreciate that

1351
00:52:47,750 --> 00:52:45,660
um my question for you Sherry is um so

1352
00:52:49,430 --> 00:52:47,760
I'm also part of your telegram group and

1353
00:52:52,430 --> 00:52:49,440
I remember when you posted that story

1354
00:52:53,569 --> 00:52:52,440
about the how your guides have helped

1355
00:52:56,690 --> 00:52:53,579
you win

1356
00:52:59,089 --> 00:52:56,700
um slot lottos and have you found money

1357
00:53:01,130 --> 00:52:59,099
and it's funny because that happened to

1358
00:53:02,990 --> 00:53:01,140
me a few weeks ago

1359
00:53:04,910 --> 00:53:03,000
um I was I had something just told me

1360
00:53:06,589 --> 00:53:04,920
that I had to go get like a pizza or

1361
00:53:08,930 --> 00:53:06,599
like this normal like pizza place I

1362
00:53:11,870 --> 00:53:08,940
always go to and as soon as I got off my

1363
00:53:14,630 --> 00:53:11,880

car I saw all these one dollar bills

1364

00:53:17,690 --> 00:53:14,640

spread across the street and like no one

1365

00:53:20,450 --> 00:53:17,700

was there like it was like I was it had

1366

00:53:22,910 --> 00:53:20,460

to be probably like twenty dollars and I

1367

00:53:24,950 --> 00:53:22,920

had literally no idea I'd even asked for

1368

00:53:26,809 --> 00:53:24,960

this I didn't do

1369

00:53:31,309 --> 00:53:26,819

um like any specific thing it was just

1370

00:53:32,569 --> 00:53:31,319

there and it reminded me of of I

1371

00:53:34,970 --> 00:53:32,579

followed this person called brother

1372

00:53:36,890 --> 00:53:34,980

Yosef he's on YouTube he's called New

1373

00:53:39,230 --> 00:53:36,900

Life tools and he said that we are going

1374

00:53:41,569 --> 00:53:39,240

into the fourth dimension or being

1375

00:53:43,430 --> 00:53:41,579

fourth dimension and the fourth

1376
00:53:45,890 --> 00:53:43,440
dimension we're gonna be man manifesting

1377
00:53:48,049 --> 00:53:45,900
things more quickly and so my question

1378
00:53:50,809 --> 00:53:48,059
for you is

1379
00:53:53,329 --> 00:53:50,819
um when you won like that large sum of

1380
00:53:56,329 --> 00:53:53,339
money were there signs that told you

1381
00:53:58,609 --> 00:53:56,339
that it was gonna happen and I'm getting

1382
00:54:00,410 --> 00:53:58,619
signed a lot to play the lotto as well

1383
00:54:02,569 --> 00:54:00,420
for some weird reason and so I'm just

1384
00:54:05,329 --> 00:54:02,579
want to hear your thoughts on it and you

1385
00:54:08,450 --> 00:54:05,339
know hopefully I strike gold as well

1386
00:54:09,890 --> 00:54:08,460
great thank you Reuben well I don't I

1387
00:54:12,470 --> 00:54:09,900
don't want to be seen as promoting

1388
00:54:14,630 --> 00:54:12,480

people gambling or I don't want to be

1389

00:54:17,089 --> 00:54:14,640

seen as doing that or uh you want to buy

1390

00:54:20,210 --> 00:54:17,099

lottery tickets but do it reasonably as

1391

00:54:22,670 --> 00:54:20,220

you can afford it but um

1392

00:54:24,950 --> 00:54:22,680

yeah they

1393

00:54:26,870 --> 00:54:24,960

I should have known but I didn't connect

1394

00:54:29,150 --> 00:54:26,880

the dots if you're an experience or you

1395

00:54:32,630 --> 00:54:29,160

know that you have different levels that

1396

00:54:34,250 --> 00:54:32,640

you remember things on and so they when

1397

00:54:35,329 --> 00:54:34,260

they told me to go do I need to go to

1398

00:54:38,270 --> 00:54:35,339

Arizona and I told him I couldn't

1399

00:54:41,390 --> 00:54:38,280

because I really couldn't afford it and

1400

00:54:44,750 --> 00:54:41,400

they came in at night as I was falling

1401
00:54:48,170 --> 00:54:44,760
asleep and there's this sweet voiced E.T

1402
00:54:50,690 --> 00:54:48,180
she's got the sweetest voice and they

1403
00:54:52,910 --> 00:54:50,700
showed me the the screen of a of my

1404
00:54:54,410 --> 00:54:52,920
favorite video game that I when I would

1405
00:54:56,569 --> 00:54:54,420
go gambling that's the game I would play

1406
00:54:58,370 --> 00:54:56,579
it just opened up in front of me like a

1407
00:55:01,790 --> 00:54:58,380
movie and

1408
00:55:04,490 --> 00:55:01,800
um they doubt the cards out and they and

1409
00:55:05,990 --> 00:55:04,500
took me through the whole game and they

1410
00:55:07,370 --> 00:55:06,000
asked me questions about it along the

1411
00:55:09,410 --> 00:55:07,380
way and they said is this correct and

1412
00:55:12,589 --> 00:55:09,420
and what would you do here is this is

1413
00:55:16,309 --> 00:55:12,599

this look good good and um and so I I

1414

00:55:18,049 --> 00:55:16,319

told him yeah and I that story is is

1415

00:55:20,089 --> 00:55:18,059

posted elsewhere you know so I won't go

1416

00:55:21,770 --> 00:55:20,099

into it so I did have the experience

1417

00:55:23,750 --> 00:55:21,780

they did that one night and then they

1418

00:55:25,549 --> 00:55:23,760

did it two nights later the very same

1419

00:55:28,790 --> 00:55:25,559

thing I guess they wanted to make sure

1420

00:55:32,089 --> 00:55:28,800

that that was the way it was done

1421

00:55:33,609 --> 00:55:32,099

so I I mean I should have known with my

1422

00:55:36,770 --> 00:55:33,619

girlfriend and suddenly out of blue

1423

00:55:38,569 --> 00:55:36,780

asked me to if I wanted to go gambling

1424

00:55:39,829 --> 00:55:38,579

with her and and I should have been

1425

00:55:41,510 --> 00:55:39,839

thinking about that I should have been

1426
00:55:43,670 --> 00:55:41,520
thinking oh you know I'm probably going

1427
00:55:45,170 --> 00:55:43,680
to win all this money but I didn't it

1428
00:55:47,089 --> 00:55:45,180
was I was totally oblivious I had

1429
00:55:49,730 --> 00:55:47,099
totally forgotten it was not on my mind

1430
00:55:51,109 --> 00:55:49,740
at all that they had shown me that but I

1431
00:55:52,370 --> 00:55:51,119
should have connected to that so known

1432
00:55:55,910 --> 00:55:52,380
that that's what was going to happen but

1433
00:55:58,010 --> 00:55:55,920
it wasn't in my conscious thoughts it

1434
00:55:59,809 --> 00:55:58,020
had happened but like so many other

1435
00:56:02,809 --> 00:55:59,819
things in my life it just wasn't there

1436
00:56:05,150 --> 00:56:02,819
until we got up there and I sat down

1437
00:56:07,069 --> 00:56:05,160
at that machine and even as I sat there

1438
00:56:09,349 --> 00:56:07,079

I didn't think about it it's my favorite

1439

00:56:11,390 --> 00:56:09,359

machine it's the one I always go to and

1440

00:56:14,809 --> 00:56:11,400

I just put the hundred dollars in and

1441

00:56:18,349 --> 00:56:14,819

started playing it wasn't until it

1442

00:56:21,230 --> 00:56:18,359

actually happened I was when it dealt

1443

00:56:24,470 --> 00:56:21,240

out the the Delta um the winning handout

1444

00:56:26,390 --> 00:56:24,480

to me it dealt out a royal flush and and

1445

00:56:28,130 --> 00:56:26,400

this particular game

1446

00:56:30,410 --> 00:56:28,140

um they were you're playing three hands

1447

00:56:31,190 --> 00:56:30,420

so it's not just one hand and on this

1448

00:56:32,569 --> 00:56:31,200

game

1449

00:56:34,490 --> 00:56:32,579

um there's a multiplier that comes out

1450

00:56:36,049 --> 00:56:34,500

that's in the form of dice so I was

1451
00:56:37,790 --> 00:56:36,059
looking over my shoulder because I was

1452
00:56:39,190 --> 00:56:37,800
going to move to another game and I was

1453
00:56:41,809 --> 00:56:39,200
and I was turned away from the machine

1454
00:56:43,549 --> 00:56:41,819
looking to see what where I was going to

1455
00:56:46,309 --> 00:56:43,559
go next and it was actually the guy

1456
00:56:48,650 --> 00:56:46,319
sitting next to me who he made a kind of

1457
00:56:50,809 --> 00:56:48,660
a gasping sound he was looking at my

1458
00:56:53,089 --> 00:56:50,819
screen and I turned back around and I

1459
00:56:54,710 --> 00:56:53,099
saw it had dealt with the Royal in

1460
00:56:57,530 --> 00:56:54,720
Hearts like I told him it should be in

1461
00:56:59,270 --> 00:56:57,540
hearts and I knew then that's when I

1462
00:57:02,210 --> 00:56:59,280
woke up and I'm like oh I know what

1463
00:57:04,190 --> 00:57:02,220

happens next I had told him that um on

1464

00:57:05,870 --> 00:57:04,200

the multiplier that it should be at

1465

00:57:08,210 --> 00:57:05,880

least a nine I don't know why I didn't

1466

00:57:10,010 --> 00:57:08,220

say she'll be 12 but anyway it should be

1467

00:57:12,049 --> 00:57:10,020

at least a nine so the dice were coming

1468

00:57:13,309 --> 00:57:12,059

out to see how much it multiplies

1469

00:57:15,410 --> 00:57:13,319

because each hand was worth three

1470

00:57:18,349 --> 00:57:15,420

thousand dollars and so when the nine

1471

00:57:22,730 --> 00:57:18,359

came out it was twenty seven thousand

1472

00:57:24,710 --> 00:57:22,740

dollars and um so I I had I had the

1473

00:57:26,210 --> 00:57:24,720

recall then of course I remember then of

1474

00:57:28,730 --> 00:57:26,220

course I've seen this before

1475

00:57:31,370 --> 00:57:28,740

so that's the only warning I had

1476

00:57:33,890 --> 00:57:31,380

um that that this was there was no

1477

00:57:36,349 --> 00:57:33,900

warning it just happened I was kind of

1478

00:57:38,390 --> 00:57:36,359

taken over from that point because I got

1479

00:57:40,670 --> 00:57:38,400

up and I walked to High Rollers which I

1480

00:57:42,589 --> 00:57:40,680

had not ever been in and the casino was

1481

00:57:44,630 --> 00:57:42,599

under construction and it's hard enough

1482

00:57:46,010 --> 00:57:44,640

to find that room it's tucked back in

1483

00:57:47,990 --> 00:57:46,020

the corner

1484

00:57:50,150 --> 00:57:48,000

um but I I walked right straight to it

1485

00:57:52,490 --> 00:57:50,160

and I I can tell I'm under I was under

1486

00:57:55,490 --> 00:57:52,500

their control at that time and I went to

1487

00:57:58,010 --> 00:57:55,500

the to a five dollar machine and I and I

1488

00:58:00,130 --> 00:57:58,020

put 100 in and on the second hand I got

1489

00:58:02,569 --> 00:58:00,140

twenty thousand dollars

1490

00:58:05,030 --> 00:58:02,579

and so it just

1491

00:58:07,370 --> 00:58:05,040

it was bizarre it you know they were

1492

00:58:09,109 --> 00:58:07,380

totally in control of me at that time so

1493

00:58:10,309 --> 00:58:09,119

I didn't I didn't get any heads up from

1494

00:58:14,210 --> 00:58:10,319

them no

1495

00:58:16,309 --> 00:58:14,220

so okay how they worked yeah thank you

1496

00:58:19,010 --> 00:58:16,319

for that good so um good luck to you

1497

00:58:21,230 --> 00:58:19,020

good luck on your wallado the next

1498

00:58:23,150 --> 00:58:21,240

person I have on on telegram is Paulie

1499

00:58:24,950 --> 00:58:23,160

but Paulie please uh hold tight I want

1500

00:58:27,290 --> 00:58:24,960

to ask some questions in chat and I'll

1501

00:58:30,530 --> 00:58:27,300

I'll come back to you next just hold

1502

00:58:33,290 --> 00:58:30,540

tight thanks for joining telegram uh the

1503

00:58:36,109 --> 00:58:33,300

question here in chat on YouTube is from

1504

00:58:38,690 --> 00:58:36,119

silkyb asking um I have never heard of

1505

00:58:42,230 --> 00:58:38,700

Sherry nice lady did she ever work with

1506

00:58:44,750 --> 00:58:42,240

Dolores Cannon or regression or who did

1507

00:58:46,789 --> 00:58:44,760

she work with thanks

1508

00:58:49,490 --> 00:58:46,799

well yeah my book was published by

1509

00:58:51,410 --> 00:58:49,500

Dolores and um I got to know her very

1510

00:58:53,089 --> 00:58:51,420

well loved her fell in love with her the

1511

00:58:56,329 --> 00:58:53,099

minute I spoke to her on the phone

1512

00:58:59,210 --> 00:58:56,339

really resonated with her and um she

1513

00:59:01,609 --> 00:58:59,220

published my book and I spoke at the

1514

00:59:05,089 --> 00:59:01,619

conferences for as long as I could until

1515

00:59:07,670 --> 00:59:05,099

I got sick and um can't do that anymore

1516

00:59:10,309 --> 00:59:07,680

but I do not do regression no at this

1517

00:59:14,030 --> 00:59:10,319

point I'm I'm just too sick I just you

1518

00:59:15,849 --> 00:59:14,040

know focused on trying to stay

1519

00:59:19,190 --> 00:59:15,859

stay healthy enough that I can be mobile

1520

00:59:23,030 --> 00:59:19,200

and so I'm not able to do any any kind

1521

00:59:25,490 --> 00:59:23,040

of work at this time but I appreciate

1522

00:59:29,089 --> 00:59:25,500

his comments appreciate the question

1523

00:59:31,910 --> 00:59:29,099

okay uh the next question is from Paulie

1524

00:59:33,410 --> 00:59:31,920

Paulie you are unmuted Mayan and mute

1525

00:59:34,970 --> 00:59:33,420

yourself on yours and please ask your

1526

00:59:36,950 --> 00:59:34,980

question

1527

00:59:39,950 --> 00:59:36,960

all right can you hear me

1528

00:59:45,230 --> 00:59:43,309

um it sounds like you've had a lot of um

1529

00:59:48,170 --> 00:59:45,240

different groups we'll call them contact

1530

00:59:52,190 --> 00:59:48,180

you I was curious on

1531

00:59:56,089 --> 00:59:52,200

how the contact happens is it in person

1532

00:59:58,130 --> 00:59:56,099

in the 3D is it in dreams or thoughts do

1533

01:00:01,210 --> 00:59:58,140

you run into them do they ring your

1534

01:00:03,650 --> 01:00:01,220

doorbell do you

1535

01:00:05,030 --> 01:00:03,660

Rangers Who start talking to you like

1536

01:00:06,770 --> 01:00:05,040

I'm trying to

1537

01:00:09,710 --> 01:00:06,780

I don't know it's just very interesting

1538

01:00:11,690 --> 01:00:09,720

and I'm I'm trying to get an

1539

01:00:13,609 --> 01:00:11,700

understanding thanks okay all right

1540

01:00:16,250 --> 01:00:13,619

thanks Paulie

1541

01:00:18,890 --> 01:00:16,260

well my contacts started um I'm a

1542

01:00:20,510 --> 01:00:18,900

volunteer so um Dolores Cannon talks

1543

01:00:23,569 --> 01:00:20,520

about the volunteers so I'm I'm a first

1544

01:00:25,849 --> 01:00:23,579

wave volunteer so I came here to be of

1545

01:00:29,270 --> 01:00:25,859

assistance to the planet during these

1546

01:00:31,609 --> 01:00:29,280

times of Ascension and uh so my contacts

1547

01:00:32,890 --> 01:00:31,619

started when I was very little they were

1548

01:00:36,970 --> 01:00:32,900

with me right from the very beginning

1549

01:00:40,309 --> 01:00:36,980

but I did not awaken to my

1550

01:00:42,650 --> 01:00:40,319

true nature of who I was I knew I had

1551

01:00:46,250 --> 01:00:42,660

things going on strange things

1552

01:00:47,049 --> 01:00:46,260

my whole life but it wasn't until 19

1553

01:00:50,630 --> 01:00:47,059

um

1554

01:00:52,250 --> 01:00:50,640

87 when I underwent regression to to

1555

01:00:55,190 --> 01:00:52,260

fill in the gaps of some partial

1556

01:00:57,829 --> 01:00:55,200

memories of uh of some of my abductions

1557

01:00:59,089 --> 01:00:57,839

I've had you know literally hundreds if

1558

01:01:01,670 --> 01:00:59,099

not thousands of what they call

1559

01:01:04,670 --> 01:01:01,680

abductions I've been with my guys a lot

1560

01:01:06,650 --> 01:01:04,680

they they don't ever leave they don't

1561

01:01:09,589 --> 01:01:06,660

ever leave they're they're nearby

1562

01:01:11,390 --> 01:01:09,599

constantly and that's because before I

1563

01:01:14,030 --> 01:01:11,400

came here I told them don't

1564

01:01:17,030 --> 01:01:14,040

don't let me forget who I am don't let

1565

01:01:20,270 --> 01:01:17,040

me fall into forgetfulness and end up

1566

01:01:22,130 --> 01:01:20,280

having to be trapped in that density

1567

01:01:23,750 --> 01:01:22,140

because I did not want to stay in that

1568

01:01:24,770 --> 01:01:23,760

density I want to go back to where I

1569

01:01:27,470 --> 01:01:24,780

came from

1570

01:01:29,510 --> 01:01:27,480

so my contact has been everything it's

1571

01:01:31,789 --> 01:01:29,520

been I I

1572

01:01:33,349 --> 01:01:31,799

mean I used to say the same thing I want

1573

01:01:37,210 --> 01:01:33,359

you to come and ring my doorbell but

1574

01:01:40,430 --> 01:01:37,220

they basically would come in at night

1575

01:01:43,490 --> 01:01:40,440

they come in at night and I see them it

1576
01:01:46,069 --> 01:01:43,500
is physical they pick me up during the

1577
01:01:49,089 --> 01:01:46,079
day they used to it's evolved and

1578
01:01:52,390 --> 01:01:49,099
changed over the years at this point

1579
01:01:55,430 --> 01:01:52,400
they are they speak to me

1580
01:01:57,289 --> 01:01:55,440
in my head telepathically we communicate

1581
01:02:00,530 --> 01:01:57,299
but now I've started communicating with

1582
01:02:02,750 --> 01:02:00,540
them in my in my native language which

1583
01:02:06,410 --> 01:02:02,760
is the star language that I talk to them

1584
01:02:08,030 --> 01:02:06,420
and um it's not uncommon for me to wake

1585
01:02:11,930 --> 01:02:08,040
up in the middle of the night and just

1586
01:02:13,549 --> 01:02:11,940
and be already talking to them and I'll

1587
01:02:14,690 --> 01:02:13,559
just sit up in bed and I'll just we'll

1588
01:02:17,089 --> 01:02:14,700

just talk

1589

01:02:20,270 --> 01:02:17,099

so that's that's evolved that's new I

1590

01:02:23,690 --> 01:02:20,280

that's just recently started happening

1591

01:02:26,450 --> 01:02:23,700

um but I get communication as downloads

1592

01:02:28,609 --> 01:02:26,460

I get it directly from them they'll come

1593

01:02:32,750 --> 01:02:28,619

into my bedroom and speak to me directly

1594

01:02:35,870 --> 01:02:32,760

they will speak to me telepathically

1595

01:02:38,930 --> 01:02:35,880

um and then I have something a way of

1596

01:02:40,609 --> 01:02:38,940

they just it's like a remembering like I

1597

01:02:42,349 --> 01:02:40,619

I'll have a conversation with them on

1598

01:02:44,930 --> 01:02:42,359

some level maybe in my dream state or

1599

01:02:45,890 --> 01:02:44,940

something or in my when I'm sleeping and

1600

01:02:48,770 --> 01:02:45,900

um

1601
01:02:51,109 --> 01:02:48,780
I'll remember I'll just remember it and

1602
01:02:53,630 --> 01:02:51,119
it'll be just as real as a conversation

1603
01:02:55,549 --> 01:02:53,640
I had with with Jim you know the day

1604
01:02:57,289 --> 01:02:55,559
before and you just kind of recall it

1605
01:03:01,309 --> 01:02:57,299
and you just you know and trust that

1606
01:03:04,309 --> 01:03:01,319
it's real so it's different levels of of

1607
01:03:06,250 --> 01:03:04,319
um of contact it's it's

1608
01:03:08,990 --> 01:03:06,260
um interesting always interesting

1609
01:03:10,430 --> 01:03:09,000
challenging and it makes for an

1610
01:03:12,650 --> 01:03:10,440
interesting life but it makes for a

1611
01:03:14,690 --> 01:03:12,660
difficult life too because

1612
01:03:20,750 --> 01:03:14,700
I'm

1613
01:03:22,910 --> 01:03:20,760

and and it's as I get older it's hard

1614

01:03:24,650 --> 01:03:22,920

for me sometimes to forget and I'll be

1615

01:03:26,329 --> 01:03:24,660

having a conversation like with my

1616

01:03:28,250 --> 01:03:26,339

doctor or something and then I'll I'll

1617

01:03:30,049 --> 01:03:28,260

say something that you know I'll forget

1618

01:03:32,569 --> 01:03:30,059

that they don't know that that's why

1619

01:03:34,309 --> 01:03:32,579

that I have that aspect of that kind of

1620

01:03:36,589 --> 01:03:34,319

contact in my life and I'll reference my

1621

01:03:38,030 --> 01:03:36,599

guys or something I'll say I'll start to

1622

01:03:39,589 --> 01:03:38,040

say something well my guys told me I

1623

01:03:42,170 --> 01:03:39,599

need to have this you know they told me

1624

01:03:44,990 --> 01:03:42,180

that my spine the leaking spinal fluid

1625

01:03:46,549 --> 01:03:45,000

and I I need to get it fixed and

1626

01:03:48,650 --> 01:03:46,559

um you know and I went to my doctor and

1627

01:03:50,450 --> 01:03:48,660

I told her that and I forgot she's like

1628

01:03:53,750 --> 01:03:50,460

who told you that and I had to quit

1629

01:03:54,410 --> 01:03:53,760

scramble you know so it's just weird you

1630

01:03:55,970 --> 01:03:54,420

know

1631

01:03:57,650 --> 01:03:55,980

um but that's the way my contact has

1632

01:04:00,230 --> 01:03:57,660

been it's just evolved and changed over

1633

01:04:02,870 --> 01:04:00,240

the years but it's always fun always

1634

01:04:04,010 --> 01:04:02,880

interesting and they are consistently

1635

01:04:06,950 --> 01:04:04,020

with me

1636

01:04:08,750 --> 01:04:06,960

so great thank you for that cherry so

1637

01:04:11,450 --> 01:04:08,760

for those of you just turning tuning in

1638

01:04:12,650 --> 01:04:11,460

now we're live with Sherry Wilde

1639

01:04:15,710 --> 01:04:12,660

um if you would like to ask her a

1640

01:04:17,630 --> 01:04:15,720

question you can submit it into your uh

1641

01:04:19,730 --> 01:04:17,640

respective chat whether you're watching

1642

01:04:22,390 --> 01:04:19,740

this on YouTube twitch Facebook or

1643

01:04:25,190 --> 01:04:22,400

Twitter or Twitter and

1644

01:04:27,289 --> 01:04:25,200

excuse me and please make sure to put

1645

01:04:29,450 --> 01:04:27,299

three asterix's before the question so

1646

01:04:32,089 --> 01:04:29,460

that way I know it's directly for uh

1647

01:04:34,250 --> 01:04:32,099

sharing you can also ask her via voice

1648

01:04:37,190 --> 01:04:34,260

joining the UFO Hub telegram group

1649

01:04:39,349 --> 01:04:37,200

that's also live right now uh Paulie has

1650

01:04:42,289 --> 01:04:39,359

raised his hand hand again so I will

1651

01:04:44,990 --> 01:04:42,299

have him on right after I ask another uh

1652

01:04:47,089 --> 01:04:45,000

comment from the chat but that's how you

1653

01:04:49,490 --> 01:04:47,099

do it basically and you can talk to

1654

01:04:51,470 --> 01:04:49,500

shade directly so just wanted to remind

1655

01:04:53,990 --> 01:04:51,480

all of you or some of you that are just

1656

01:04:57,710 --> 01:04:54,000

tuning in uh the next question I have is

1657

01:05:00,710 --> 01:04:57,720

from on YouTube from jessieblen

1658

01:05:03,289 --> 01:05:00,720

uh Costa Rica asking do you have any

1659

01:05:04,670 --> 01:05:03,299

contact or info from the andromedans my

1660

01:05:07,730 --> 01:05:04,680

people

1661

01:05:09,230 --> 01:05:07,740

oh Costa Rica hello in Costa Rica I love

1662

01:05:12,589 --> 01:05:09,240

Costa Rica

1663

01:05:15,589 --> 01:05:12,599

um wanted to move there uh Andromeda

1664

01:05:18,470 --> 01:05:15,599

yeah I have contact with I've I've been

1665

01:05:20,450 --> 01:05:18,480

with the Andromeda group

1666

01:05:22,849 --> 01:05:20,460

um I don't think that they I don't

1667

01:05:26,150 --> 01:05:22,859

really know I've never asked who it is

1668

01:05:28,549 --> 01:05:26,160

I'm working with I just have never asked

1669

01:05:31,370 --> 01:05:28,559

I believe I'm working with syrians and

1670

01:05:34,190 --> 01:05:31,380

I'm working with the Watchers but I'm

1671

01:05:38,089 --> 01:05:34,200

familiar with the andromedans and

1672

01:05:40,670 --> 01:05:38,099

wonderful wonderful people wonderful so

1673

01:05:41,270 --> 01:05:40,680

sweet and so intelligent and

1674

01:05:44,210 --> 01:05:41,280

um

1675

01:05:45,589 --> 01:05:44,220

so I am I am familiar with them but I

1676

01:05:47,630 --> 01:05:45,599

they're not I don't believe they are

1677

01:05:49,250 --> 01:05:47,640

part of the the three groups that I work

1678

01:05:51,410 --> 01:05:49,260

with closely

1679

01:05:54,770 --> 01:05:51,420

um I just don't think so

1680

01:05:59,210 --> 01:05:54,780

okay well thank you yeah yeah

1681

01:06:03,470 --> 01:05:59,220

uh Paulie uh you are unmuted uh please

1682

01:06:08,630 --> 01:06:06,890

hi uh this is uh I guess follow up on my

1683

01:06:10,670 --> 01:06:08,640

earlier question and I don't know maybe

1684

01:06:13,490 --> 01:06:10,680

don't want to bring attention or answer

1685

01:06:16,309 --> 01:06:13,500

it because you mentioned it but on the

1686

01:06:19,010 --> 01:06:16,319

um you mentioned you've had negative or

1687

01:06:21,289 --> 01:06:19,020

attack or you mentioned draco's is that

1688

01:06:28,910 --> 01:06:21,299

a different type of contact like more

1689

01:06:33,410 --> 01:06:31,309

oh go ahead I'm sorry go ahead

1690

01:06:35,750 --> 01:06:33,420

thing outside of the guides that you've

1691

01:06:37,309 --> 01:06:35,760

known your whole life you mentioned that

1692

01:06:39,230 --> 01:06:37,319

you're having other types of contact

1693

01:06:41,329 --> 01:06:39,240

maybe even

1694

01:06:43,789 --> 01:06:41,339

uh government I think you might have

1695

01:06:44,930 --> 01:06:43,799

mentioned is that something that's going

1696

01:06:47,990 --> 01:06:44,940

on yeah

1697

01:06:49,730 --> 01:06:48,000

yes all right thanks Paulie

1698

01:06:50,690 --> 01:06:49,740

okay so

1699

01:06:52,910 --> 01:06:50,700

um

1700

01:06:55,029 --> 01:06:52,920

the attacks on me started like the book

1701

01:06:58,450 --> 01:06:55,039

was published in um

1702

01:07:02,569 --> 01:06:58,460

2013. I signed the contract with

1703

01:07:04,670 --> 01:07:02,579

Dolores I think in 2012. and if I

1704

01:07:08,630 --> 01:07:04,680

remember correctly sometime in 2012 or

1705

01:07:11,089 --> 01:07:08,640

maybe late 2011 and um

1706

01:07:13,370 --> 01:07:11,099

the interference started in my life

1707

01:07:16,250 --> 01:07:13,380

right as soon as I signed the contract

1708

01:07:17,930 --> 01:07:16,260

with her but it it really got bad in

1709

01:07:20,089 --> 01:07:17,940

2013

1710

01:07:22,190 --> 01:07:20,099

and um

1711

01:07:25,670 --> 01:07:22,200

the attacks were

1712

01:07:28,970 --> 01:07:25,680

pretty bad so the Draco did show up here

1713

01:07:31,670 --> 01:07:28,980

the reptilians the dragons and their

1714

01:07:34,789 --> 01:07:31,680

energy is all together different than

1715

01:07:37,069 --> 01:07:34,799

that of the of the benevolent beings

1716

01:07:38,930 --> 01:07:37,079

that I was used to being around and they

1717

01:07:41,329 --> 01:07:38,940

did they did scare me a little bit and

1718

01:07:42,710 --> 01:07:41,339

the first night well not the first night

1719

01:07:44,750 --> 01:07:42,720

this um

1720

01:07:49,430 --> 01:07:44,760

the first time I encountered a draco he

1721

01:07:53,450 --> 01:07:49,440

I was meditating in my living room and

1722

01:07:55,910 --> 01:07:53,460

he at the end of The Meditation he I

1723

01:07:58,789 --> 01:07:55,920

sensed him and I turned and looked and

1724

01:08:01,609 --> 01:07:58,799

he walked in through my back door

1725

01:08:04,430 --> 01:08:01,619

into the house and

1726

01:08:07,010 --> 01:08:04,440

came over to where I was sitting

1727

01:08:09,430 --> 01:08:07,020

my dog was laying on the floor next to

1728

01:08:13,849 --> 01:08:09,440

my chair and he started to shake

1729

01:08:17,090 --> 01:08:13,859

violently he was terrified and I was

1730

01:08:18,829 --> 01:08:17,100

pretty scared myself this guy looks like

1731

01:08:23,110 --> 01:08:18,839

a monster to me you know and he comes

1732

01:08:25,669 --> 01:08:23,120

over and he stands Behind the Chair and

1733

01:08:27,829 --> 01:08:25,679

he does something

1734

01:08:31,070 --> 01:08:27,839

um I believe it was he scanned he

1735

01:08:33,829 --> 01:08:31,080

scanned me because I felt this frequency

1736

01:08:34,970 --> 01:08:33,839

buzzing sound come down from the top of

1737

01:08:38,570 --> 01:08:34,980

my head and it went all the way down

1738

01:08:40,910 --> 01:08:38,580

like to my waist and then it stopped and

1739

01:08:42,530 --> 01:08:40,920

I felt like that was a violation of me

1740

01:08:44,870 --> 01:08:42,540

he did not have permission to do that

1741

01:08:46,669 --> 01:08:44,880

but I don't know if it did any damage to

1742

01:08:48,470 --> 01:08:46,679

me or if he was just

1743

01:08:50,209 --> 01:08:48,480

pulling the information out of me it was

1744

01:08:52,910 --> 01:08:50,219

something very intrusive is what I felt

1745

01:08:54,470 --> 01:08:52,920

and then he left

1746

01:08:58,970 --> 01:08:54,480

showed up again

1747

01:09:02,510 --> 01:08:58,980

um sometime later outside my bedroom

1748

01:09:04,849 --> 01:09:02,520

um I came awake feeling sensing him

1749

01:09:07,550 --> 01:09:04,859

knowing that he was there but I was in a

1750

01:09:10,010 --> 01:09:07,560

better space I don't know why but I was

1751

01:09:12,289 --> 01:09:10,020

I was not afraid and I got out of bed

1752

01:09:14,630 --> 01:09:12,299

and I went and stood by the window and I

1753

01:09:16,910 --> 01:09:14,640

looked at him and he looked back in at

1754

01:09:18,709 --> 01:09:16,920

me and it was a must have been a full

1755

01:09:20,510 --> 01:09:18,719

moon because I could see him clearly

1756

01:09:23,329 --> 01:09:20,520

even though it was nighttime but he was

1757

01:09:25,430 --> 01:09:23,339

pretty close to the house and um

1758

01:09:27,470 --> 01:09:25,440

the next morning when I woke up

1759

01:09:29,450 --> 01:09:27,480

and I stood there and looked at him for

1760

01:09:31,249 --> 01:09:29,460

a long time and I thought I'm just going

1761

01:09:33,950 --> 01:09:31,259

to stay here till he leaves but he

1762

01:09:35,870 --> 01:09:33,960

didn't and after like I think it was

1763

01:09:37,430 --> 01:09:35,880

12 minutes which is a long time you just

1764

01:09:40,070 --> 01:09:37,440

stand and look at something somebody

1765

01:09:43,669 --> 01:09:40,080

after that I just said I'm going to bed

1766

01:09:46,010 --> 01:09:43,679

and so I went back and I got into bed

1767

01:09:48,410 --> 01:09:46,020

I in the morning when I woke up I

1768

01:09:50,269 --> 01:09:48,420

literally just sprang out of bed I mean

1769

01:09:52,910 --> 01:09:50,279

I just like a cat jumps you know I've

1770

01:09:54,650 --> 01:09:52,920

seen them just jump straight up I mean I

1771

01:09:56,750 --> 01:09:54,660

feel like that's what I did as I woke up

1772

01:10:00,229 --> 01:09:56,760

and I just like jumped straight up out

1773

01:10:01,850 --> 01:10:00,239

of bed and I started pacing the room and

1774

01:10:03,770 --> 01:10:01,860

going back and forth and I was like

1775

01:10:05,870 --> 01:10:03,780

talking to myself and I was saying my

1776

01:10:07,370 --> 01:10:05,880

God Sherry how stupid are you you went

1777

01:10:09,770 --> 01:10:07,380

back to bed and went to sleep when there

1778

01:10:11,990 --> 01:10:09,780

was a draco standing right not you know

1779

01:10:13,729 --> 01:10:12,000

20 feet from where you're sleeping what

1780

01:10:15,050 --> 01:10:13,739

is wrong with you you know and I was

1781

01:10:17,450 --> 01:10:15,060

mumbling to myself and walking around

1782

01:10:19,669 --> 01:10:17,460

the room and then da

1783

01:10:22,010 --> 01:10:19,679

um came through and he said

1784

01:10:24,350 --> 01:10:22,020

he didn't materialize my room he just

1785

01:10:26,930 --> 01:10:24,360

when he just was there and I heard his

1786

01:10:28,189 --> 01:10:26,940

voice and he said Sherry what concerns

1787

01:10:30,350 --> 01:10:28,199

you what are you so concerned about

1788

01:10:31,850 --> 01:10:30,360

what's going on and I said there was a

1789

01:10:34,010 --> 01:10:31,860

draco here last night there was a draco

1790

01:10:37,070 --> 01:10:34,020

standing right outside my window right

1791

01:10:39,649 --> 01:10:37,080

outside my door here and I said you know

1792

01:10:41,570 --> 01:10:39,659

I what's he doing here and he said

1793

01:10:44,090 --> 01:10:41,580

what's wrong and I said well I'm

1794

01:10:46,250 --> 01:10:44,100

concerned I said aren't they evil aren't

1795

01:10:49,729 --> 01:10:46,260

they you know He'll Do Me harm won't he

1796

01:10:52,490 --> 01:10:49,739

hurt me is they're not good people are

1797

01:10:54,590 --> 01:10:52,500

they and he said

1798

01:10:58,010 --> 01:10:54,600

um his response to me was it's been a

1799

01:11:00,229 --> 01:10:58,020

long time ago he said um

1800

01:11:03,050 --> 01:11:00,239

Oh Sherry um

1801
01:11:05,030 --> 01:11:03,060
you long go surpass that frequency uh

1802
01:11:07,729 --> 01:11:05,040
stand in the truth of who you are they

1803
01:11:09,830 --> 01:11:07,739
can't touch you and that's what he said

1804
01:11:11,450 --> 01:11:09,840
but um

1805
01:11:14,030 --> 01:11:11,460
somebody touched me because they started

1806
01:11:15,610 --> 01:11:14,040
hitting me with um it was something they

1807
01:11:19,189 --> 01:11:15,620
called

1808
01:11:20,930 --> 01:11:19,199
elf radiation and the thing about the

1809
01:11:22,550 --> 01:11:20,940
dark when they come after you is they

1810
01:11:24,890 --> 01:11:22,560
want you to know that they're attacking

1811
01:11:27,410 --> 01:11:24,900
you and so they tell you they told me

1812
01:11:28,729 --> 01:11:27,420
that they were that the buzzing sound

1813
01:11:31,209 --> 01:11:28,739

that I was hearing at night when I

1814

01:11:34,010 --> 01:11:31,219

turned out my light was elf radiation

1815

01:11:35,630 --> 01:11:34,020

which I I said well what is that and I

1816

01:11:37,790 --> 01:11:35,640

said we'll look it up and it turned out

1817

01:11:41,149 --> 01:11:37,800

to be extremely low frequency radiation

1818

01:11:43,250 --> 01:11:41,159

so they hit me with that and they

1819

01:11:45,590 --> 01:11:43,260

started the the Draco were coming on a

1820

01:11:48,590 --> 01:11:45,600

regular basis but we had good Draco here

1821

01:11:51,169 --> 01:11:48,600

also who were giving us ministering to

1822

01:11:53,149 --> 01:11:51,179

us and giving us Reiki so it was very

1823

01:11:55,070 --> 01:11:53,159

confusing to say the least and then we

1824

01:11:57,410 --> 01:11:55,080

had military I had military I was living

1825

01:12:00,590 --> 01:11:57,420

by myself at this time Jim was staying

1826

01:12:03,229 --> 01:12:00,600

here once in a while but I had some

1827

01:12:05,630 --> 01:12:03,239

military people show up along with some

1828

01:12:08,270 --> 01:12:05,640

little Grays who were dressed in

1829

01:12:11,209 --> 01:12:08,280

uniforms which was weird looking but

1830

01:12:12,890 --> 01:12:11,219

some little Grays were also here and

1831

01:12:14,810 --> 01:12:12,900

they told me that they were here to kill

1832

01:12:16,910 --> 01:12:14,820

me and I don't know why they didn't I

1833

01:12:18,649 --> 01:12:16,920

don't know what happened I had I mean

1834

01:12:20,390 --> 01:12:18,659

that story is bizarre and I'm not going

1835

01:12:23,750 --> 01:12:20,400

to go into it because I can't make sense

1836

01:12:25,189 --> 01:12:23,760

of it but um the energy around those

1837

01:12:27,110 --> 01:12:25,199

negative

1838

01:12:28,130 --> 01:12:27,120

ETS and

1839

01:12:30,229 --> 01:12:28,140

um

1840

01:12:32,630 --> 01:12:30,239

is totally different than the benevolent

1841

01:12:35,209 --> 01:12:32,640

you know with them it's a high frequency

1842

01:12:37,010 --> 01:12:35,219

and it's wonderful but with the with the

1843

01:12:39,290 --> 01:12:37,020

Draco it was pretty scary although there

1844

01:12:41,570 --> 01:12:39,300

were positive

1845

01:12:43,669 --> 01:12:41,580

positive um

1846

01:12:45,410 --> 01:12:43,679

oriented Draco that came through and

1847

01:12:47,570 --> 01:12:45,420

we're trying to almost like make up for

1848

01:12:49,310 --> 01:12:47,580

for what the bad guys were doing it

1849

01:12:50,450 --> 01:12:49,320

seems it was weird it's always very

1850

01:12:53,090 --> 01:12:50,460

strange

1851

01:12:56,930 --> 01:12:53,100

so I hope that answers this question

1852

01:13:00,830 --> 01:12:56,940

okay thanks Sherry we appreciate that

1853

01:13:04,070 --> 01:13:00,840

the next question is from Michelle

1854

01:13:06,350 --> 01:13:04,080

Oak Ram I'm sorry if I'm mispronouncing

1855

01:13:09,410 --> 01:13:06,360

the last name I think I don't know if

1856

01:13:11,450 --> 01:13:09,420

Michelle was here earlier while you were

1857

01:13:13,490 --> 01:13:11,460

talking about this I think you might

1858

01:13:15,830 --> 01:13:13,500

have answered it but it is the question

1859

01:13:20,450 --> 01:13:15,840

is why have they not offered help with

1860

01:13:25,130 --> 01:13:22,550

well I think okay I'm sorry the question

1861

01:13:27,350 --> 01:13:25,140

Waits it's worth it so why do you think

1862

01:13:29,570 --> 01:13:27,360

they have not offered help with your

1863

01:13:30,830 --> 01:13:29,580

health that's a question

1864

01:13:31,850 --> 01:13:30,840

okay

1865

01:13:35,149 --> 01:13:31,860

um

1866

01:13:38,450 --> 01:13:37,070

uh let me see how I can answer this

1867

01:13:40,610 --> 01:13:38,460

again tour you know I start telling my

1868

01:13:44,510 --> 01:13:40,620

stories and like just get going too much

1869

01:13:47,270 --> 01:13:44,520

but um you know I

1870

01:13:49,010 --> 01:13:47,280

I had I had requested an exit back in I

1871

01:13:51,350 --> 01:13:49,020

mean I'm going to tell the story I

1872

01:13:54,709 --> 01:13:51,360

requested an exit back in I think it was

1873

01:13:56,750 --> 01:13:54,719

um early 2014 after I've been hit with

1874

01:13:58,550 --> 01:13:56,760

the POI I've been poisoned and hit with

1875

01:14:01,370 --> 01:13:58,560

the elf radiation and direct energy

1876

01:14:03,709 --> 01:14:01,380

weapons and stuff and I mean I was sick

1877

01:14:05,270 --> 01:14:03,719

and I and I requested an exit I went

1878

01:14:08,090 --> 01:14:05,280

before the council

1879

01:14:10,070 --> 01:14:08,100

um in my sleep State and they they they

1880

01:14:12,830 --> 01:14:10,080

granted it they said we can't we can't

1881

01:14:15,350 --> 01:14:12,840

say no you've got an exit so you will be

1882

01:14:17,810 --> 01:14:15,360

dying of pancreatic cancer in November

1883

01:14:19,669 --> 01:14:17,820

later this year and I said I'll take it

1884

01:14:23,169 --> 01:14:19,679

good so

1885

01:14:26,450 --> 01:14:23,179

um that was said I was going to die and

1886

01:14:28,130 --> 01:14:26,460

I had Amelia Benz reach out to me

1887

01:14:29,689 --> 01:14:28,140

through Facebook she was a spiritual

1888

01:14:32,090 --> 01:14:29,699

teacher that I was following and really

1889

01:14:35,270 --> 01:14:32,100

admired and still do admire

1890

01:14:36,770 --> 01:14:35,280

she got a hold of me and um she had me

1891

01:14:41,830 --> 01:14:36,780

come visit her

1892

01:14:43,729 --> 01:14:41,840

did and she had a message from

1893

01:14:45,169 --> 01:14:43,739

my guys

1894

01:14:48,470 --> 01:14:45,179

that I was working with the three

1895

01:14:50,930 --> 01:14:48,480

different groups and Mother Earth and

1896

01:14:52,550 --> 01:14:50,940

um my soul family and all three of them

1897

01:14:54,350 --> 01:14:52,560

were saying we needed to get a hold of

1898

01:14:56,750 --> 01:14:54,360

Sherry we can't reach her she's too sick

1899

01:14:59,930 --> 01:14:56,760

and her frequency is such we can't get

1900

01:15:01,970 --> 01:14:59,940

to her and you need to you know tell her

1901

01:15:04,550 --> 01:15:01,980

ask her if she will reconsider and if

1902

01:15:05,990 --> 01:15:04,560

she will stay and Amelia at first said

1903

01:15:08,570 --> 01:15:06,000

no but then she when Mother Earth

1904

01:15:10,010 --> 01:15:08,580

requested that she do it she said yes so

1905

01:15:13,370 --> 01:15:10,020

I flew out there and she gave me those

1906

01:15:14,870 --> 01:15:13,380

messages and I'm really shortening this

1907

01:15:19,130 --> 01:15:14,880

up because it's pretty interesting story

1908

01:15:22,130 --> 01:15:19,140

but um I I did I canceled my I canceled

1909

01:15:24,890 --> 01:15:22,140

my exit at that time and

1910

01:15:27,290 --> 01:15:24,900

um I said I okay I will stay

1911

01:15:28,970 --> 01:15:27,300

um you know they reminded me of my my

1912

01:15:31,970 --> 01:15:28,980

promise it reminded me of what I had

1913

01:15:33,950 --> 01:15:31,980

said I would do so I I said I would stay

1914

01:15:36,050 --> 01:15:33,960

I didn't think I could be of any benefit

1915

01:15:38,570 --> 01:15:36,060

they said no you're needed here

1916

01:15:40,970 --> 01:15:38,580

I just figured since I was so sick I you

1917

01:15:43,729 --> 01:15:40,980

know that I didn't need to stay but they

1918

01:15:46,430 --> 01:15:43,739

told me otherwise so I stayed well then

1919

01:15:49,130 --> 01:15:46,440

I continued to get sicker and sicker and

1920

01:15:50,510 --> 01:15:49,140

over the years I couldn't do conferences

1921

01:15:51,890 --> 01:15:50,520

I couldn't really I didn't feel like I

1922

01:15:56,930 --> 01:15:51,900

was contributing to anything to being

1923

01:15:59,330 --> 01:15:56,940

here so in um 2019 I think it was

1924

01:16:00,890 --> 01:15:59,340

I think I went

1925

01:16:02,209 --> 01:16:00,900

anyway I went before the council a

1926

01:16:05,330 --> 01:16:02,219

couple more times

1927

01:16:07,430 --> 01:16:05,340

and um requested an exit and they denied

1928

01:16:10,189 --> 01:16:07,440

me each time they said no you don't have

1929

01:16:13,610 --> 01:16:10,199

any you don't have an exit I think it

1930

01:16:16,550 --> 01:16:13,620

was 2019 but it might have been in 2020

1931

01:16:18,530 --> 01:16:16,560

I went back to the council

1932

01:16:20,630 --> 01:16:18,540

and I said I want to leave

1933

01:16:24,169 --> 01:16:20,640

you have to let me leave I'm so sick I

1934

01:16:25,910 --> 01:16:24,179

can't live like this and they said you

1935

01:16:27,470 --> 01:16:25,920

don't have a you don't have an exit

1936

01:16:31,070 --> 01:16:27,480

Sherry I'm sorry you know you don't have

1937

01:16:33,050 --> 01:16:31,080

an exit and you know I said but I want

1938

01:16:36,770 --> 01:16:33,060

to leave I certainly I can leave I'm so

1939

01:16:39,050 --> 01:16:36,780

sick why am I not dying and they said

1940

01:16:41,990 --> 01:16:39,060

you know you canceled your you canceled

1941

01:16:45,530 --> 01:16:42,000

your exits you blocked your exits

1942

01:16:47,209 --> 01:16:45,540

oh I was Furious so I I left there and I

1943

01:16:50,330 --> 01:16:47,219

went to find that and I found him on a

1944

01:16:52,189 --> 01:16:50,340

ship and I walked in and surprised him

1945

01:16:54,770 --> 01:16:52,199

and he's like Sherry what are you doing

1946

01:16:56,630 --> 01:16:54,780

here and I was like I just came from the

1947

01:16:59,330 --> 01:16:56,640

council I said I want to leave the

1948

01:17:01,490 --> 01:16:59,340

planet I'm not able to serve I'm not

1949

01:17:05,570 --> 01:17:01,500

able to do anything I need to leave and

1950

01:17:07,370 --> 01:17:05,580

he he said you can't leave and I said I

1951

01:17:09,470 --> 01:17:07,380

want to leave and he said you can't you

1952

01:17:10,850 --> 01:17:09,480

don't have an exit you blocked on your

1953

01:17:13,370 --> 01:17:10,860

exits you know how this works you

1954

01:17:14,630 --> 01:17:13,380

blocked them and I said well I won't go

1955

01:17:16,669 --> 01:17:14,640

into that

1956

01:17:18,709 --> 01:17:16,679

um I really insisted that he helped me

1957

01:17:20,630 --> 01:17:18,719

get an exit and he said there's nothing

1958

01:17:23,689 --> 01:17:20,640

we can do

1959

01:17:26,450 --> 01:17:23,699

and uh about it because I did it to

1960

01:17:28,930 --> 01:17:26,460

myself it was my decision and I blocked

1961

01:17:31,370 --> 01:17:28,940

all my exits so that I would be here

1962

01:17:34,910 --> 01:17:31,380

apparently my intention is to stay

1963

01:17:36,770 --> 01:17:34,920

through to the Ascension and so my

1964

01:17:39,050 --> 01:17:36,780

asking them for help

1965

01:17:40,970 --> 01:17:39,060

and having all these wonderful healers

1966

01:17:42,790 --> 01:17:40,980

who have come in to help me I've had

1967

01:17:45,770 --> 01:17:42,800

some wonderful healers

1968

01:17:48,110 --> 01:17:45,780

work on me and do healing on me and

1969

01:17:49,910 --> 01:17:48,120

sometimes I'll get some relief from the

1970

01:17:54,169 --> 01:17:49,920

suffering but the

1971

01:17:56,030 --> 01:17:54,179

I don't get healed and it's because I'm

1972

01:17:58,790 --> 01:17:56,040

not meant to I guess

1973

01:18:01,610 --> 01:17:58,800

um I guess that the according to what I

1974

01:18:02,270 --> 01:18:01,620

understand is I um I was told that I

1975

01:18:04,610 --> 01:18:02,280

came

1976

01:18:11,149 --> 01:18:04,620

from

1977

01:18:14,030 --> 01:18:11,159

know suffering and had not had no

1978

01:18:16,070 --> 01:18:14,040

knowledge of this kind of um

1979

01:18:18,530 --> 01:18:16,080

um what goes on in this realm and I came

1980

01:18:20,510 --> 01:18:18,540

down into this planet and it was my

1981

01:18:21,770 --> 01:18:20,520

intention to come from that they said I

1982

01:18:25,250 --> 01:18:21,780

came from the realm of God that's what

1983

01:18:27,709 --> 01:18:25,260

they said and they came down and went as

1984

01:18:30,890 --> 01:18:27,719

far and as dark and as deep as I could

1985

01:18:33,010 --> 01:18:30,900

possibly go to experience the extreme

1986

01:18:37,250 --> 01:18:33,020

opposite of what I

1987

01:18:40,130 --> 01:18:37,260

have lived with you know in my you know

1988

01:18:43,189 --> 01:18:40,140

previously and that I went

1989

01:18:45,530 --> 01:18:43,199
and that I will return to that place

1990

01:18:47,570 --> 01:18:45,540
again and I said when is that going to

1991

01:18:49,310 --> 01:18:47,580
happen and they said when you remember

1992

01:18:51,050 --> 01:18:49,320
the truth of who you are and I said well

1993

01:18:54,229 --> 01:18:51,060
I remember the truth of who I am pretty

1994

01:18:57,709 --> 01:18:54,239
much and I said when you are ready you

1995

01:19:01,729 --> 01:18:57,719
will return but in the meantime you want

1996

01:19:05,390 --> 01:19:01,739
to immerse yourself in this suffering

1997

01:19:07,010 --> 01:19:05,400
um so that you and when I asked further

1998

01:19:08,750 --> 01:19:07,020
about it they said that they'd heard me

1999

01:19:11,450 --> 01:19:08,760
tell you heard this story many times

2000

01:19:13,790 --> 01:19:11,460
when Yeshua came to me and I talked to

2001

01:19:15,169 --> 01:19:13,800

him about it and I said I I want to

2002

01:19:19,130 --> 01:19:15,179

cancel that

2003

01:19:21,410 --> 01:19:19,140

that I made before I came here and I

2004

01:19:23,030 --> 01:19:21,420

wanted to leave now and he said well we

2005

01:19:25,490 --> 01:19:23,040

can't do that only you can do that and

2006

01:19:27,410 --> 01:19:25,500

he said and I said why in the world

2007

01:19:30,229 --> 01:19:27,420

would I do this and he said

2008

01:19:32,930 --> 01:19:30,239

you experience through suffering and you

2009

01:19:35,990 --> 01:19:32,940

it colors your soul in a way that you

2010

01:19:37,669 --> 01:19:36,000

could not color your soul without having

2011

01:19:41,149 --> 01:19:37,679

experienced it and you will forevermore

2012

01:19:43,550 --> 01:19:41,159

carry those colors in your soul and all

2013

01:19:46,729 --> 01:19:43,560

that you will know that you spent time

2014

01:19:48,709 --> 01:19:46,739

on planet Earth and that you came here

2015

01:19:51,350 --> 01:19:48,719

to serve and I don't know he went on

2016

01:19:53,689 --> 01:19:51,360

about stuff like that so basically my

2017

01:19:55,790 --> 01:19:53,699

guys their hands are tied

2018

01:20:00,169 --> 01:19:55,800

um I think you know they're just not

2019

01:20:02,510 --> 01:20:00,179

able to rescue me from myself it was my

2020

01:20:05,930 --> 01:20:02,520

decision to have this experience and so

2021

01:20:07,790 --> 01:20:05,940

I I need to live with it it was a stupid

2022

01:20:10,430 --> 01:20:07,800

decision but that's what I did that's

2023

01:20:12,709 --> 01:20:10,440

what I did so that's the answer

2024

01:20:14,810 --> 01:20:12,719

okay great thank you

2025

01:20:16,610 --> 01:20:14,820

um I'm gonna go to Reuben he had his

2026

01:20:19,790 --> 01:20:16,620

hand raised and on Telegram and then

2027

01:20:21,950 --> 01:20:19,800

I'll go to Wendy um on on the YouTube

2028

01:20:25,610 --> 01:20:21,960

chat

2029

01:20:27,470 --> 01:20:25,620

uh sorry just clicking around here Ruben

2030

01:20:28,970 --> 01:20:27,480

you are unmuted on my end and mute

2031

01:20:30,470 --> 01:20:28,980

yourself and yourself please ask your

2032

01:20:34,550 --> 01:20:30,480

question

2033

01:20:36,770 --> 01:20:34,560

all right uh and then uh hi Sherry

2034

01:20:39,590 --> 01:20:36,780

um I have a question

2035

01:20:42,410 --> 01:20:39,600

um about a couple weeks ago I had a

2036

01:20:45,350 --> 01:20:42,420

dream and I was like in a room and I saw

2037

01:20:47,570 --> 01:20:45,360

these like statues that looked like um

2038

01:20:49,250 --> 01:20:47,580

like the dogon tribe

2039

01:20:52,010 --> 01:20:49,260

um and I I don't know if you're familiar

2040

01:20:53,270 --> 01:20:52,020

with the dog on tribe in Africa but they

2041

01:20:56,390 --> 01:20:53,280

were one of the people that connected

2042

01:20:58,550 --> 01:20:56,400

with this serious uh the serious star

2043

01:21:01,130 --> 01:20:58,560

system and so

2044

01:21:03,470 --> 01:21:01,140

um I'm curious to see I have a feeling

2045

01:21:05,390 --> 01:21:03,480

that they're trying to contact me so I'm

2046

01:21:08,390 --> 01:21:05,400

curious to see if you ever have had

2047

01:21:11,750 --> 01:21:08,400

contact with the serious uh people at

2048

01:21:14,149 --> 01:21:11,760

the star system or have any insights on

2049

01:21:15,350 --> 01:21:14,159

just the the dogon tribe or serious

2050

01:21:17,870 --> 01:21:15,360

people all right thank you very much

2051

01:21:20,570 --> 01:21:17,880

thank you great thank you

2052

01:21:22,310 --> 01:21:20,580

okay I am familiar with that tribe

2053

01:21:23,810 --> 01:21:22,320

enough to know who they are and what

2054

01:21:25,910 --> 01:21:23,820

they look like and and that sort of

2055

01:21:29,149 --> 01:21:25,920

thing and uh their connection to the

2056

01:21:30,890 --> 01:21:29,159

syrians I am aware of that I do believe

2057

01:21:33,410 --> 01:21:30,900

that one of the groups one of the three

2058

01:21:34,910 --> 01:21:33,420

groups I'm working with are the from

2059

01:21:37,550 --> 01:21:34,920

Sirius

2060

01:21:41,689 --> 01:21:37,560

um I believe they are they uh

2061

01:21:44,090 --> 01:21:41,699

they're just wonderful loving loving and

2062

01:21:45,950 --> 01:21:44,100

they're cute as can be I've seen and

2063

01:21:48,229 --> 01:21:45,960

heard other people give

2064

01:21:52,970 --> 01:21:48,239

um descriptions of the people that they

2065

01:21:56,570 --> 01:21:52,980

know from that system but my my contacts

2066

01:21:59,530 --> 01:21:56,580

from there look a lot like the Mayans

2067

01:22:02,390 --> 01:21:59,540

um somewhat like to thrive in Africa

2068

01:22:04,310 --> 01:22:02,400

they are not very tall though they're

2069

01:22:07,070 --> 01:22:04,320

about I'm just talking about them today

2070

01:22:08,870 --> 01:22:07,080

to a girlfriend a friend of mine who her

2071

01:22:11,030 --> 01:22:08,880

and I we are connected and that we've

2072

01:22:14,330 --> 01:22:11,040

been on these missions together in the

2073

01:22:15,890 --> 01:22:14,340

past and she has a memory of us being

2074

01:22:18,229 --> 01:22:15,900

there standing she said with this little

2075

01:22:20,570 --> 01:22:18,239

guy who looked like a Mayan and she said

2076

01:22:23,630 --> 01:22:20,580

do you remember do you know anybody like

2077

01:22:27,950 --> 01:22:23,640

that and I told her yeah it's uh it's

2078

01:22:30,590 --> 01:22:27,960

the syrians and they are just so loving

2079

01:22:33,229 --> 01:22:30,600

just so loving their frequency is so

2080

01:22:35,149 --> 01:22:33,239

high and their eyes just Sparkle and

2081

01:22:37,790 --> 01:22:35,159

twinkle and they just

2082

01:22:39,530 --> 01:22:37,800

the love just radiates off of them they

2083

01:22:41,990 --> 01:22:39,540

are just the ones that I'm working with

2084

01:22:43,850 --> 01:22:42,000

are just wonderful I have conscious

2085

01:22:47,990 --> 01:22:43,860

recall of being with them

2086

01:22:51,229 --> 01:22:48,000

so it's not just a a sense or a memory

2087

01:22:54,229 --> 01:22:51,239

that's buried it's it's it's just as

2088

01:22:56,270 --> 01:22:54,239

real as can be so I I have had contact

2089

01:22:58,070 --> 01:22:56,280

with them yeah at least that's who I

2090

01:23:00,410 --> 01:22:58,080

believe them to be it's my understanding

2091

01:23:02,149 --> 01:23:00,420

but that's who they are I guess I can't

2092

01:23:03,950 --> 01:23:02,159

say they ever told me that but it's a

2093

01:23:06,290 --> 01:23:03,960

knowingness that I have

2094

01:23:09,850 --> 01:23:06,300

so great thank you Sherry I appreciate

2095

01:23:12,649 --> 01:23:09,860

it uh Wendy is asking um how's the movie

2096

01:23:15,290 --> 01:23:12,659

uh how's the movie about your book uh

2097

01:23:17,689 --> 01:23:15,300

the Forgotten promise coming along

2098

01:23:20,330 --> 01:23:17,699

oh I wish I could answer that

2099

01:23:22,610 --> 01:23:20,340

um I just I don't wanna

2100

01:23:25,070 --> 01:23:22,620

um I don't I don't know how much she

2101
01:23:26,750 --> 01:23:25,080
would want me to say I will just say

2102
01:23:29,870 --> 01:23:26,760
that

2103
01:23:33,709 --> 01:23:31,790
um

2104
01:23:36,850 --> 01:23:33,719
I think I can put I can I think I can

2105
01:23:43,430 --> 01:23:40,130
the wonderful woman who has devoted her

2106
01:23:44,090 --> 01:23:43,440
life to this and has put years into it

2107
01:23:46,790 --> 01:23:44,100
um

2108
01:23:48,530 --> 01:23:46,800
she has been pulled away by another

2109
01:23:50,330 --> 01:23:48,540
project that she was working on before

2110
01:23:52,130 --> 01:23:50,340
she started this one

2111
01:23:55,430 --> 01:23:52,140
uh

2112
01:23:58,189 --> 01:23:55,440
we have reason to believe that um you

2113
01:24:00,890 --> 01:23:58,199

know that the the series this is going

2114

01:24:02,330 --> 01:24:00,900

to be a TV series not a movie at least

2115

01:24:03,410 --> 01:24:02,340

that's the last that I knew that they

2116

01:24:05,630 --> 01:24:03,420

were planning to do a series because

2117

01:24:09,050 --> 01:24:05,640

they can't get it all into a movie

2118

01:24:11,149 --> 01:24:09,060

and that we have reason to be very um

2119

01:24:14,810 --> 01:24:11,159

optimistic that it will take off very

2120

01:24:17,689 --> 01:24:14,820

quickly after she does this other movie

2121

01:24:21,709 --> 01:24:17,699

um because that got picked up and right

2122

01:24:24,709 --> 01:24:21,719

now they're stalled with the writers

2123

01:24:26,689 --> 01:24:24,719

um boycott or uh there are

2124

01:24:28,370 --> 01:24:26,699

the walkout that's taking place in

2125

01:24:29,870 --> 01:24:28,380

Hollywood with the writers so they're

2126

01:24:32,930 --> 01:24:29,880

stalled even on that movie but it was

2127

01:24:35,270 --> 01:24:32,940

moving along very quickly so she's got

2128

01:24:37,729 --> 01:24:35,280

she's got to do that movie first

2129

01:24:38,930 --> 01:24:37,739

and I don't know how long that takes

2130

01:24:41,270 --> 01:24:38,940

I've never asked her I'm not going to

2131

01:24:43,189 --> 01:24:41,280

put that kind of pressure on her and um

2132

01:24:45,169 --> 01:24:43,199

it will be what it will be I know that

2133

01:24:46,490 --> 01:24:45,179

the film will get made

2134

01:24:49,189 --> 01:24:46,500

I know people have heard me talking

2135

01:24:52,250 --> 01:24:49,199

about it forever but it's about timing

2136

01:24:54,890 --> 01:24:52,260

and it's in divine order as to when it

2137

01:24:56,209 --> 01:24:54,900

will come out and so we were very

2138

01:24:58,729 --> 01:24:56,219

optimistic that it was going to take off

2139

01:25:01,370 --> 01:24:58,739

like a rocket here just about three

2140

01:25:03,950 --> 01:25:01,380

months ago and then someone stepped in

2141

01:25:05,689 --> 01:25:03,960

and said that they wanted to do this

2142

01:25:08,090 --> 01:25:05,699

other project with her that she had put

2143

01:25:10,610 --> 01:25:08,100

out before they picked up on it and so

2144

01:25:13,010 --> 01:25:10,620

they moved very quickly on that is my

2145

01:25:15,229 --> 01:25:13,020

understanding so that movie has to come

2146

01:25:17,270 --> 01:25:15,239

first and the Forgotten promise has been

2147

01:25:19,430 --> 01:25:17,280

put on the Shelf while she works on it

2148

01:25:22,070 --> 01:25:19,440

and then she'll come back to it but as

2149

01:25:24,350 --> 01:25:22,080

she says and I'm sure she knows what

2150

01:25:27,169 --> 01:25:24,360

she's talking about it will be much

2151

01:25:29,630 --> 01:25:27,179

easier coming off of another film it'll

2152

01:25:32,330 --> 01:25:29,640

be easier to get this one jump started

2153

01:25:34,430 --> 01:25:32,340

but we have reason to believe that

2154

01:25:36,890 --> 01:25:34,440

there's going to be a lot of interest in

2155

01:25:39,169 --> 01:25:36,900

it things were headed in that direction

2156

01:25:40,970 --> 01:25:39,179

before they got stalled so that's

2157

01:25:42,590 --> 01:25:40,980

probably all I can that's I hope that

2158

01:25:45,050 --> 01:25:42,600

was okay that I give that information

2159

01:25:47,270 --> 01:25:45,060

out so that's where we're at

2160

01:25:50,209 --> 01:25:47,280

okay but in the meantime they can always

2161

01:25:52,010 --> 01:25:50,219

get your book The Forgotten promise uh

2162

01:25:55,610 --> 01:25:52,020

there's a link uh on the description

2163

01:25:57,950 --> 01:25:55,620

below also the forgottenpromise.net and

2164

01:25:59,990 --> 01:25:57,960

also in the description so check it out

2165

01:26:01,550 --> 01:26:00,000

some people is every time I always talk

2166

01:26:03,770 --> 01:26:01,560

to people about movies they're like oh

2167

01:26:05,229 --> 01:26:03,780

but the book is so much better this will

2168

01:26:08,390 --> 01:26:05,239

definitely be the case

2169

01:26:10,370 --> 01:26:08,400

yeah yeah

2170

01:26:11,870 --> 01:26:10,380

all right well um Sherry I don't have

2171

01:26:13,129 --> 01:26:11,880

any more questions unless there's

2172

01:26:14,930 --> 01:26:13,139

something else you would like to talk

2173

01:26:16,070 --> 01:26:14,940

about or cover you are more than welcome

2174

01:26:20,330 --> 01:26:16,080

to

2175

01:26:22,370 --> 01:26:20,340

I feel like you know I'm just rambling

2176
01:26:24,890 --> 01:26:22,380
on and on I get tired of the sound of my

2177
01:26:25,910 --> 01:26:24,900
voice so I hope the audio was okay I

2178
01:26:28,910 --> 01:26:25,920
don't know if I need to get a new

2179
01:26:31,370 --> 01:26:28,920
microphone or what but um I hope the

2180
01:26:33,290 --> 01:26:31,380
Audio I hope I was doing okay on that I

2181
01:26:34,550 --> 01:26:33,300
appreciate it it was it was yeah it's no

2182
01:26:36,050 --> 01:26:34,560
problem it was popping back and forth

2183
01:26:37,910 --> 01:26:36,060
I'm just mainly concerned about the

2184
01:26:40,610 --> 01:26:37,920
people listening on podcasts later on

2185
01:26:41,990 --> 01:26:40,620
but you know what um majority of it was

2186
01:26:43,669 --> 01:26:42,000
great so

2187
01:26:46,189 --> 01:26:43,679
um all right well Sherry thank you again

2188
01:26:49,250 --> 01:26:46,199

I I really appreciate it I'm glad you

2189

01:26:51,890 --> 01:26:49,260

were able to do this um to just ease our

2190

01:26:54,770 --> 01:26:51,900

minds and hear your voice again if you

2191

01:26:56,570 --> 01:26:54,780

haven't been anywhere else prior to this

2192

01:26:58,850 --> 01:26:56,580

um you know so that at least you're

2193

01:27:00,530 --> 01:26:58,860

coming out and I hope everything else

2194

01:27:02,810 --> 01:27:00,540

goes well with whatever else you have

2195

01:27:04,550 --> 01:27:02,820

coming up with appointments and and

2196

01:27:07,129 --> 01:27:04,560

doctors and all that

2197

01:27:09,290 --> 01:27:07,139

yeah yeah it'll be fine it'll work out

2198

01:27:10,729 --> 01:27:09,300

I'm sure thank you

2199

01:27:13,129 --> 01:27:10,739
