3  
00:01:09,109 --> 00:01:06,590

last week NASA held its first public

4  
00:01:11,510 --> 00:01:09,119

meeting on UFOs which by the way are now

5  
00:01:14,330 --> 00:01:11,520

called officially unidentified aerial

6  
00:01:16,310 --> 00:01:14,340

phenomena this is a year after launching

7  
00:01:18,950 --> 00:01:16,320

a study into unexplained sightings and

8  
00:01:20,810 --> 00:01:18,960

now tonight a worldwide TV exclusive you

9  
00:01:22,730 --> 00:01:20,820

will only see right here on news Nation

10  
00:01:24,830 --> 00:01:22,740

bombshell claims from a military

11  
00:01:27,710 --> 00:01:24,840

whistleblower published just this

12  
00:01:30,050 --> 00:01:27,720

morning alleging a secret UFO retrieval

13  
00:01:32,630 --> 00:01:30,060

program within the U.S government David

14  
00:01:35,149 --> 00:01:32,640  
Crush an Air Force veteran former member

15  
00:01:37,249 --> 00:01:35,159  
of that task force and Veteran of the

16  
00:01:39,710 --> 00:01:37,259  
National geospatial Intelligence Agency

17  
00:01:42,109 --> 00:01:39,720  
now formally blowing the whistle on

18  
00:01:44,030 --> 00:01:42,119  
Secrets he says no one has ever shared

19  
00:01:45,770 --> 00:01:44,040  
publicly before he is speaking

20  
00:01:49,130 --> 00:01:45,780  
one-on-one with investigative reporter

21  
00:01:51,109 --> 00:01:49,140  
Ross coldheart reporting for news Nation

22  
00:01:54,350 --> 00:01:51,119  
when you say crash retrieval what do you

23  
00:01:57,170 --> 00:01:54,360  
mean these are retrieving non-human

24  
00:01:59,270 --> 00:01:57,180  
origin technical Vehicles you know call

25  
00:02:02,510 --> 00:01:59,280  
it spacecraft if you will it's probably

26  
00:02:06,050 --> 00:02:02,520  
not the right parlance but uh no kidding

27  
00:02:08,029 --> 00:02:06,060  
non-human exotic origin vehicles that

28  
00:02:11,390 --> 00:02:08,039  
have either landed or crashed we have

29  
00:02:12,290 --> 00:02:11,400  
spacecraft from another species we do

30  
00:02:14,089 --> 00:02:12,300  
yeah

31  
00:02:15,770 --> 00:02:14,099  
how many

32  
00:02:17,930 --> 00:02:15,780  
quite a number

33  
00:02:20,449 --> 00:02:17,940  
all right tune in to Vargas tonight at 6

34  
00:02:24,410 --> 00:02:20,459  
PM Eastern a worldwide TV exclusive you

35  
00:02:28,490 --> 00:02:26,869  
well there you have it uh that's the

36  
00:02:30,470 --> 00:02:28,500  
latest bus that's been going around the

37  
00:02:33,110 --> 00:02:30,480  
internet and I thought it's very

38  
00:02:35,089 --> 00:02:33,120

relevant for you to uh it's very

39

00:02:37,010 --> 00:02:35,099

relevant for me to show this to you

40

00:02:38,809 --> 00:02:37,020

um anyway I think it's a lot better than

41

00:02:42,350 --> 00:02:38,819

the BS that we're showing

42

00:02:44,330 --> 00:02:42,360

um from NASA last week and um I think we

43

00:02:46,910 --> 00:02:44,340

just need more of these kind of reports

44

00:02:49,250 --> 00:02:46,920

basically to just get all the hidden and

45

00:02:53,630 --> 00:02:49,260

secret stuff out from the dark and into

46

00:02:56,089 --> 00:02:53,640

the public eye just for any if not for

47

00:02:58,070 --> 00:02:56,099

if not for advancement Humanity just so

48

00:03:00,110 --> 00:02:58,080

that everyone else gets to know what's

49

00:03:04,250 --> 00:03:00,120

out there after all they paid for it

50

00:03:06,050 --> 00:03:04,260

with their taxpayers or tax dollars so a

51  
00:03:08,630 --> 00:03:06,060  
little bit more about that here in a bit

52  
00:03:10,970 --> 00:03:08,640  
but first welcome to your fohab live

53  
00:03:14,210 --> 00:03:10,980  
stream uh today is open line so I hope

54  
00:03:16,130 --> 00:03:14,220  
to talk to you about this news today or

55  
00:03:18,710 --> 00:03:16,140  
any other Supernatural subjects you

56  
00:03:20,750 --> 00:03:18,720  
might have to share with me that is done

57  
00:03:24,350 --> 00:03:20,760  
over telegram you can install that on

58  
00:03:28,149 --> 00:03:24,360  
your phone or the computer and there's a

59  
00:03:31,430 --> 00:03:28,159  
UFO Hub channel that it basically has a

60  
00:03:33,350 --> 00:03:31,440  
live voice chat going on right now you

61  
00:03:35,750 --> 00:03:33,360  
can join that group and when the time

62  
00:03:38,030 --> 00:03:35,760  
comes for me to do open lines you can

63  
00:03:39,830 --> 00:03:38,040

simply request to

64

00:03:42,170 --> 00:03:39,840

um to talk to me and I'll add you to the

65

00:03:44,750 --> 00:03:42,180

queue so anyway I hope you take

66

00:03:46,250 --> 00:03:44,760

advantage of that just to at least share

67

00:03:49,430 --> 00:03:46,260

your thoughts on whatever it is that's

68

00:03:52,210 --> 00:03:49,440

on your mind regarding the subject so

69

00:03:55,369 --> 00:03:52,220

um let's uh dive a little bit more into

70

00:03:58,550 --> 00:03:55,379

basically what has been happening so

71

00:04:00,710 --> 00:03:58,560

what from my understanding and from what

72

00:04:03,710 --> 00:04:00,720

I was able to gather there's this

73

00:04:06,530 --> 00:04:03,720

article that basically was written by

74

00:04:10,210 --> 00:04:06,540

Leslie Keane and Ralph Blumenthal June

75

00:04:12,770 --> 00:04:10,220

5th and they're actually New York Times

76

00:04:15,470 --> 00:04:12,780

reporters but for some reason New York

77

00:04:17,509 --> 00:04:15,480

Times was dragging a feed on on this and

78

00:04:19,909 --> 00:04:17,519

I don't know exactly what the reason was

79

00:04:22,069 --> 00:04:19,919

but from what I was able to gather it

80

00:04:25,010 --> 00:04:22,079

was going to be published way later down

81

00:04:28,129 --> 00:04:25,020

the line and I think it's because in

82

00:04:30,770 --> 00:04:28,139

correlation with the news Nation report

83

00:04:32,270 --> 00:04:30,780

coming up this Sunday which is the

84

00:04:34,670 --> 00:04:32,280

actual interview that hasn't published

85

00:04:37,670 --> 00:04:34,680

yet I think they wanted to basically

86

00:04:40,730 --> 00:04:37,680

drop this article on this and so

87

00:04:42,710 --> 00:04:40,740

I was trying to gather exactly

88

00:04:44,510 --> 00:04:42,720

uh in comparison to all the other

89

00:04:46,490 --> 00:04:44,520

whistleblowers all you know over the

90

00:04:48,950 --> 00:04:46,500

years that have come out that have come

91

00:04:52,310 --> 00:04:48,960

forward and told what they know why is

92

00:04:54,650 --> 00:04:52,320

this one different uh for everyone else

93

00:04:57,350 --> 00:04:54,660

to picks it up and I think it just comes

94

00:05:00,050 --> 00:04:57,360

down to the credentials and not

95

00:05:02,390 --> 00:05:00,060

necessarily that anyone else that has

96

00:05:04,790 --> 00:05:02,400

over the past 80 years come out to

97

00:05:08,330 --> 00:05:04,800

report on this or be The Whistleblower

98

00:05:09,830 --> 00:05:08,340

it's just it's something I guess has to

99

00:05:12,590 --> 00:05:09,840

do with more and more information coming

100

00:05:14,990 --> 00:05:12,600

now something changing obviously more

101  
00:05:18,590 --> 00:05:15,000  
and more truth coming out and

102  
00:05:20,689 --> 00:05:18,600  
um at the right time at the basically

103  
00:05:22,689 --> 00:05:20,699  
the perfect moment for this to just come

104  
00:05:25,430 --> 00:05:22,699  
out and have the right person

105  
00:05:27,469 --> 00:05:25,440  
whether or not he will be discredited

106  
00:05:30,650 --> 00:05:27,479  
about this I don't know the Pentagon has

107  
00:05:32,810 --> 00:05:30,660  
also come out to officially deny this

108  
00:05:34,969 --> 00:05:32,820  
but we'll see if they change change a

109  
00:05:36,290 --> 00:05:34,979  
story because if I'm not mistaken and I

110  
00:05:40,070 --> 00:05:36,300  
could be forgive me I don't have this

111  
00:05:42,290 --> 00:05:40,080  
little detail when the report about the

112  
00:05:44,810 --> 00:05:42,300  
Pentagon project that they were secretly

113  
00:05:47,749 --> 00:05:44,820

investigating UFOs initially came out

114

00:05:50,090 --> 00:05:47,759

they also denied that at first and then

115

00:05:51,230 --> 00:05:50,100

later on said okay yeah we were doing

116

00:05:55,129 --> 00:05:51,240

that

117

00:05:56,870 --> 00:05:55,139

so um anyways this person specifically

118

00:06:00,170 --> 00:05:56,880

there's a picture

119

00:06:01,790 --> 00:06:00,180

of him and that's David Charles grush

120

00:06:03,950 --> 00:06:01,800

I'm sorry if I'm mispronouncing your

121

00:06:06,529 --> 00:06:03,960

name and he saved Former Intelligence

122

00:06:08,450 --> 00:06:06,539

official turned whistleblower has given

123

00:06:11,090 --> 00:06:08,460

Congress and the intelligence Community

124

00:06:14,210 --> 00:06:11,100

Inspector General extensive classified

125

00:06:16,629 --> 00:06:14,220

information about deep deeply covered

126

00:06:19,370 --> 00:06:16,639

programs then he's that he says possess

127

00:06:21,950 --> 00:06:19,380

retrieved intact and partially intact

128

00:06:23,990 --> 00:06:21,960

craft of non-human origin so I guess

129

00:06:26,529 --> 00:06:24,000

just the the level and caliber of this

130

00:06:29,270 --> 00:06:26,539

person to whom he's already

131

00:06:31,430 --> 00:06:29,280

talked to and who relies on his

132

00:06:33,529 --> 00:06:31,440

information for him to come out outside

133

00:06:35,809 --> 00:06:33,539

of these channels I guess that's why the

134

00:06:37,670 --> 00:06:35,819

big fuss but anyway

135

00:06:40,249 --> 00:06:37,680

um I hope I still have it highlighted I

136

00:06:41,990 --> 00:06:40,259

hope I didn't click away this one out of

137

00:06:43,850 --> 00:06:42,000

everything and of course in the

138

00:06:46,129 --> 00:06:43,860

description below you can read this

139

00:06:48,890 --> 00:06:46,139

article I have the link for it

140

00:06:50,689 --> 00:06:48,900

um also the the report on news Nation

141

00:06:53,029 --> 00:06:50,699

it's about minute and a half long it's

142

00:06:56,870 --> 00:06:53,039

also in the description and when it's

143

00:06:58,550 --> 00:06:56,880

supposed to air this Sunday but um

144

00:07:00,230 --> 00:06:58,560

before I get to that and play a snippet

145

00:07:02,570 --> 00:07:00,240

of that I just want to read this

146

00:07:06,110 --> 00:07:02,580

interesting part so

147

00:07:07,670 --> 00:07:06,120

in this for those who are just listening

148

00:07:10,610 --> 00:07:07,680

I'm basically reading the debrief

149

00:07:11,870 --> 00:07:10,620

section of the article it says gresh

150

00:07:14,510 --> 00:07:11,880

said that the

151  
00:07:17,270 --> 00:07:14,520  
craft recovery operations are ongoing at

152  
00:07:19,790 --> 00:07:17,280  
various levels of activity and that he

153  
00:07:22,670 --> 00:07:19,800  
knows the specific individuals current

154  
00:07:25,010 --> 00:07:22,680  
and former who are involved quote

155  
00:07:26,870 --> 00:07:25,020  
individuals on the UAP programs

156  
00:07:29,510 --> 00:07:26,880  
approached me in my official capacity

157  
00:07:32,450 --> 00:07:29,520  
and disclosed their concerns regarding a

158  
00:07:34,070 --> 00:07:32,460  
multitude of wrongdoings such as illegal

159  
00:07:37,610 --> 00:07:34,080  
Contracting against the federal

160  
00:07:40,249 --> 00:07:37,620  
acquisition regulations and other and

161  
00:07:42,790 --> 00:07:40,259  
other criminality and the suppression of

162  
00:07:45,290 --> 00:07:42,800  
information across a qualified

163  
00:07:47,330 --> 00:07:45,300

industrial-based and Academia end quote

164

00:07:50,749 --> 00:07:47,340

and so

165

00:07:54,050 --> 00:07:50,759

that you know we've already known that

166

00:07:57,170 --> 00:07:54,060

um in the UFO Community but for a

167

00:08:00,170 --> 00:07:57,180

decorated veteran of Afghanistan and

168

00:08:02,270 --> 00:08:00,180

just having

169

00:08:05,029 --> 00:08:02,280

that high of a rank to come out and say

170

00:08:07,790 --> 00:08:05,039

that and all this Buzz made about them

171

00:08:09,890 --> 00:08:07,800

it's actually seems to be a pretty big

172

00:08:11,990 --> 00:08:09,900

deal I really hope that this becomes or

173

00:08:16,129 --> 00:08:12,000

hope not that this becomes a you know

174

00:08:17,510 --> 00:08:16,139

nothing Burger but I'm hoping that more

175

00:08:19,129 --> 00:08:17,520

of this just basically more

176

00:08:22,010 --> 00:08:19,139

whistleblowers come out if that's what

177

00:08:23,570 --> 00:08:22,020

it takes to just shine a bigger light on

178

00:08:25,610 --> 00:08:23,580

the subject

179

00:08:27,589 --> 00:08:25,620

and also uh what I want to so anyway

180

00:08:31,930 --> 00:08:27,599

yeah you can check this out this article

181

00:08:35,930 --> 00:08:31,940

on your own and um I want to just play

182

00:08:41,350 --> 00:08:35,940

one oh basically the intro of this uh 11

183

00:08:47,090 --> 00:08:43,630

bombshell claims from a military

184

00:08:49,730 --> 00:08:47,100

whistleblower UFO wreckage recovered by

185

00:08:53,150 --> 00:08:49,740

the U.S kept classified by a secret

186

00:08:55,550 --> 00:08:53,160

government program for decades tonight a

187

00:08:58,430 --> 00:08:55,560

world television exclusive you will only

188

00:09:01,190 --> 00:08:58,440

see on news Nation welcome to Elizabeth

189

00:09:01,750 --> 00:09:01,200

Vargas reports earning your trust every

190

00:09:03,230 --> 00:09:01,760

night

191

00:09:05,870 --> 00:09:03,240

[Music]

192

00:09:07,430 --> 00:09:05,880

okay so anyway the link for that is also

193

00:09:08,509 --> 00:09:07,440

in description I don't want to play this

194

00:09:09,110 --> 00:09:08,519

whole thing

195

00:09:11,509 --> 00:09:09,120

um

196

00:09:14,509 --> 00:09:11,519

you can of course you can you can watch

197

00:09:17,630 --> 00:09:14,519

that there on your own

198

00:09:19,790 --> 00:09:17,640

all right so yeah that was it that's

199

00:09:21,949 --> 00:09:19,800

basically the the big news that's been

200

00:09:23,269 --> 00:09:21,959

blown up Twitter and it's been over

201

00:09:25,190 --> 00:09:23,279

Facebook I don't personally have

202

00:09:27,110 --> 00:09:25,200

Facebook but my wife does and she even

203

00:09:30,050 --> 00:09:27,120

mentioned that she saw something about

204

00:09:32,269 --> 00:09:30,060

that so if it gets in her feed that

205

00:09:35,930 --> 00:09:32,279

usually means it's a lot bigger bigger

206

00:09:38,870 --> 00:09:35,940

deal than than what it usually is and um

207

00:09:41,449 --> 00:09:38,880

what I wanted to you know what I wanted

208

00:09:43,190 --> 00:09:41,459

to add about this and I don't know some

209

00:09:45,650 --> 00:09:43,200

people might not like it

210

00:09:46,190 --> 00:09:45,660

um this is just based on just

211

00:09:49,070 --> 00:09:46,200

um

212

00:09:51,590 --> 00:09:49,080

things that Bashar and those of you know

213

00:09:54,110 --> 00:09:51,600

I referenced to Bashar and Daryl Anka

214

00:09:55,910 --> 00:09:54,120

who channels him a lot because it has it

215

00:09:57,710 --> 00:09:55,920

has been kind of um

216

00:10:00,829 --> 00:09:57,720

my

217

00:10:02,449 --> 00:10:00,839

uh instructional manual from all the

218

00:10:04,190 --> 00:10:02,459

things that was that I was experiencing

219

00:10:04,970 --> 00:10:04,200

my life all the things that were going

220

00:10:09,230 --> 00:10:04,980

on

221

00:10:11,930 --> 00:10:09,240

given have have helped me to basically

222

00:10:14,329 --> 00:10:11,940

understand exactly what was happening in

223

00:10:17,630 --> 00:10:14,339

my life so of course to me

224

00:10:21,470 --> 00:10:17,640

um and and for you it's a very very

225

00:10:23,630 --> 00:10:21,480

powerful and useful resource but

226

00:10:26,750 --> 00:10:23,640

he was talking about contact in general

227

00:10:30,470 --> 00:10:26,760

and at this I don't hear this talked

228

00:10:33,110 --> 00:10:30,480

about very often is that to most of

229

00:10:35,090 --> 00:10:33,120

actually all the extraterrestrials and

230

00:10:37,310 --> 00:10:35,100

uh if I remember this correctly this has

231

00:10:40,009 --> 00:10:37,320

been years since since I've heard this

232

00:10:41,810 --> 00:10:40,019

from Bashar but to them it's important

233

00:10:46,910 --> 00:10:41,820

that

234

00:10:50,750 --> 00:10:46,920

contact happens in basically from our

235

00:10:53,509 --> 00:10:50,760

point of view initiated by us because if

236

00:10:55,850 --> 00:10:53,519

they try to make contact

237

00:10:58,850 --> 00:10:55,860

in the way that we hope that they would

238

00:11:01,430 --> 00:10:58,860

uh Bashar has explained that then they

239

00:11:05,509 --> 00:11:01,440

would be interacting with a version of

240

00:11:07,250 --> 00:11:05,519

humanity that then was affected by them

241

00:11:09,829 --> 00:11:07,260

and so

242

00:11:12,530 --> 00:11:09,839

um basically it's kind of like this is

243

00:11:14,090 --> 00:11:12,540

just my my explanation of what I

244

00:11:16,370 --> 00:11:14,100

understood from that because he goes on

245

00:11:17,630 --> 00:11:16,380

to explain more and more but I'm trying

246

00:11:19,910 --> 00:11:17,640

to break this down to where it makes

247

00:11:21,230 --> 00:11:19,920

sense to to you to all of you watching

248

00:11:24,110 --> 00:11:21,240

and listening

249

00:11:27,710 --> 00:11:24,120

it's kind of like having

250

00:11:29,030 --> 00:11:27,720

not saying that you know they think of

251

00:11:33,050 --> 00:11:29,040

us as children but it's kind of like

252

00:11:37,069 --> 00:11:33,060

having a child that basically if you

253

00:11:39,829 --> 00:11:37,079

impose your will on them to let's say

254

00:11:42,710 --> 00:11:39,839

um you will turn out to do this specific

255

00:11:45,050 --> 00:11:42,720

job or or basically you you tell them

256

00:11:47,210 --> 00:11:45,060

what they should do in this specific

257

00:11:49,910 --> 00:11:47,220

scenario

258

00:11:52,250 --> 00:11:49,920

um then you're interacting with and

259

00:11:55,430 --> 00:11:52,260

basically watching a child grow up that

260

00:11:57,230 --> 00:11:55,440

you basically have molded to be this

261

00:11:59,750 --> 00:11:57,240

specific whatever

262

00:12:02,090 --> 00:11:59,760

um mechanic or electrical engineer

263

00:12:03,110 --> 00:12:02,100

doctor whatever that is you know instead

264

00:12:06,410 --> 00:12:03,120

of

265

00:12:08,329 --> 00:12:06,420

um allowing basically for the child to

266

00:12:11,150 --> 00:12:08,339

whenever they're ready to come out and

267

00:12:13,490 --> 00:12:11,160

say okay I would like to do this you

268

00:12:15,769 --> 00:12:13,500

know and they come to you on their own

269

00:12:19,009 --> 00:12:15,779

terms and that's what kind of Bashar is

270

00:12:21,710 --> 00:12:19,019

talking about that we have to kind of

271

00:12:22,790 --> 00:12:21,720

clean house and do all these all these

272

00:12:24,290 --> 00:12:22,800

things that's have that have been

273

00:12:26,329 --> 00:12:24,300

happening based

274

00:12:29,810 --> 00:12:26,339

um more and more is going to come out

275

00:12:31,610 --> 00:12:29,820

and oddly enough as it was even for me

276

00:12:33,710 --> 00:12:31,620

hard to believe the time span he has

277

00:12:36,230 --> 00:12:33,720

given but now it doesn't seem so out of

278

00:12:41,389 --> 00:12:36,240

the ordinary when you think about it

279

00:12:44,569 --> 00:12:41,399

he said from 2025 to 2030 or 2035 would

280

00:12:48,769 --> 00:12:44,579

be kind of like the highest window of

281

00:12:51,310 --> 00:12:48,779

probability uh for official contact you

282

00:12:54,170 --> 00:12:51,320

know because enough energy has changed

283

00:12:58,129 --> 00:12:54,180

planet-wise to where that that makes it

284

00:13:00,530 --> 00:12:58,139

more feasible impossible and at the time

285

00:13:04,069 --> 00:13:00,540

you know it was like 2015 I'm like how

286

00:13:05,930 --> 00:13:04,079

and where it it's taken a long time you

287

00:13:08,030 --> 00:13:05,940

know just to get to that point how is

288

00:13:10,129 --> 00:13:08,040

this going to work but there's so much

289

00:13:12,170 --> 00:13:10,139

ramped up there's so much that we've

290

00:13:15,050 --> 00:13:12,180

gone through that basically

291

00:13:17,030 --> 00:13:15,060

um I I see that in a way happening if

292

00:13:19,910 --> 00:13:17,040

this keeps going and more whistleblowers

293

00:13:23,990 --> 00:13:19,920

come out and more Congressional reports

294

00:13:27,650 --> 00:13:24,000

and basically to where your you know

295

00:13:30,710 --> 00:13:27,660

local whatever uh cook in the restaurant

296

00:13:32,509 --> 00:13:30,720

or the waitress or garbage man your

297

00:13:34,250 --> 00:13:32,519

neighbor talks about this that's when

298

00:13:35,629 --> 00:13:34,260

you know we're finally getting somewhere

299

00:13:40,970 --> 00:13:35,639

so

300

00:13:42,530 --> 00:13:40,980

subject again in the uh or the news in

301

00:13:45,050 --> 00:13:42,540

the description below you'll find the

302

00:13:49,250 --> 00:13:45,060

links to everything and so this uh

303

00:13:51,889 --> 00:13:49,260

interview with uh Rush is happening uh

304

00:13:55,790 --> 00:13:51,899

this Sunday on news Nation uh I believe

305

00:13:58,850 --> 00:13:55,800

it said nine Eastern 8 Central and um

306

00:14:00,350 --> 00:13:58,860

uh it's so I hope you catch it and if

307

00:14:02,090 --> 00:14:00,360

you don't have news Nation I don't I

308

00:14:03,530 --> 00:14:02,100

don't have it either uh just wait a

309

00:14:06,170 --> 00:14:03,540

little bit I'm sure it'll appear online

310

00:14:09,230 --> 00:14:06,180

uh maybe a few hours later the next day

311

00:14:12,710 --> 00:14:09,240

uh quite possibly on there on their news

312

00:14:14,030 --> 00:14:12,720

Nation Nation channel uh on YouTube

313

00:14:14,810 --> 00:14:14,040

so

314

00:14:17,090 --> 00:14:14,820

um

315

00:14:20,210 --> 00:14:17,100

yeah so let's open up now the platform

316

00:14:23,329 --> 00:14:20,220

just for if any questions or people that

317

00:14:26,750 --> 00:14:23,339

want to speak to me the join telegram uh

318

00:14:29,269 --> 00:14:26,760

if you are just in the chat rooms on

319

00:14:32,449 --> 00:14:29,279

Facebook twitch

320

00:14:34,730 --> 00:14:32,459

um YouTube and um

321

00:14:37,970 --> 00:14:34,740

what else do I have I forgot the fourth

322

00:14:40,370 --> 00:14:37,980

one Twitter uh you simply uh put three

323

00:14:42,530 --> 00:14:40,380

asterix's before your question that way

324

00:14:44,689 --> 00:14:42,540

I know it's meant for me and so if you

325

00:14:47,750 --> 00:14:44,699

have any remarks any questions and don't

326

00:14:50,329 --> 00:14:47,760

want to verbally speak to me just put

327

00:14:52,550 --> 00:14:50,339

that down otherwise join Telegram and

328

00:14:54,949 --> 00:14:52,560

share your story or share share your

329

00:14:56,870 --> 00:14:54,959

thoughts if uh there's not that much

330

00:14:58,670 --> 00:14:56,880

going on today I'll I guess I'll finish

331

00:15:00,110 --> 00:14:58,680

up early but at least you got the news

332

00:15:02,629 --> 00:15:00,120

for today

333

00:15:06,170 --> 00:15:02,639

all right over do we have here

334

00:15:11,389 --> 00:15:06,180

Pascal is in the chat welcome Kurt

335

00:15:13,850 --> 00:15:11,399

uh labels always happy to see you red

336

00:15:15,350 --> 00:15:13,860

uh Bradley welcome Bradley good to see

337

00:15:17,990 --> 00:15:15,360

you as well

338

00:15:21,710 --> 00:15:18,000

um Roy silky

339

00:15:23,750 --> 00:15:21,720

and who else we have Verona so yeah

340

00:15:24,650 --> 00:15:23,760

welcome all of you

341

00:15:26,629 --> 00:15:24,660

um

342

00:15:28,910 --> 00:15:26,639

you know it's uh

343

00:15:32,150 --> 00:15:28,920

I'm it's really it's a little bit

344

00:15:35,569 --> 00:15:32,160

surreal especially since for over 20

345

00:15:37,730 --> 00:15:35,579

years when you're constantly just trying

346

00:15:40,610 --> 00:15:37,740

to figure out what's going on not that

347

00:15:42,829 --> 00:15:40,620

many people believing in this stuff and

348

00:15:44,449 --> 00:15:42,839

it's always just something that you have

349

00:15:46,189 --> 00:15:44,459

to do on your own not necessarily just

350

00:15:48,410 --> 00:15:46,199

for ridicule but just for the lack of

351

00:15:50,269 --> 00:15:48,420

information that was available I always

352

00:15:52,250 --> 00:15:50,279

had to get it from others through books

353

00:15:54,230 --> 00:15:52,260

if you have not had your own experiences

354

00:15:55,610 --> 00:15:54,240

you know or articles or things like that

355

00:15:58,490 --> 00:15:55,620

if you're just nuts and bolts

356

00:16:01,370 --> 00:15:58,500

researchers so it's it's really surreal

357

00:16:03,530 --> 00:16:01,380

for me just to start seeing that

358

00:16:06,470 --> 00:16:03,540

um you know I don't know I hope it's not

359

00:16:08,509 --> 00:16:06,480

just a one one-time thing to where that

360

00:16:11,090 --> 00:16:08,519

was it then it'll be a few more years

361

00:16:13,490 --> 00:16:11,100

till maybe something else you know comes

362

00:16:16,189 --> 00:16:13,500

around and dies down again but but we'll

363

00:16:18,110 --> 00:16:16,199

see if this is the period for for truth

364

00:16:20,329 --> 00:16:18,120

and everything that was once in the dark

365

00:16:21,769 --> 00:16:20,339

coming out then I don't I don't see that

366

00:16:26,930 --> 00:16:21,779

happening again

367

00:16:32,269 --> 00:16:29,210

now let's see here

368

00:16:35,530 --> 00:16:32,279

all of you are very quiet today

369

00:16:38,810 --> 00:16:35,540

uh silky is asking have you ever been

370

00:16:40,970 --> 00:16:38,820

regressed by Dolores I've met Dolores

371

00:16:43,730 --> 00:16:40,980

but I have not

372

00:16:46,430 --> 00:16:43,740

um I have not gone through

373

00:16:49,990 --> 00:16:46,440

um her with the regression with her now

374

00:16:52,610 --> 00:16:50,000

what I did is I did a session with

375

00:16:56,810 --> 00:16:52,620

Suzanne Spooner she was originally

376

00:16:59,629 --> 00:16:56,820

trained by Dolores and I really highly

377

00:17:02,449 --> 00:16:59,639

recommend for those of you that want to

378

00:17:04,669 --> 00:17:02,459

go through the regression process or do

379

00:17:07,990 --> 00:17:04,679

qhht that was originally set out by

380

00:17:10,130 --> 00:17:08,000

Dolores seek out the original

381

00:17:11,750 --> 00:17:10,140

Dolores trained

382

00:17:13,970 --> 00:17:11,760

uh people

383

00:17:14,929 --> 00:17:13,980

I'm saying that for a specific reason if

384

00:17:17,150 --> 00:17:14,939

they're not

385

00:17:18,949 --> 00:17:17,160

um just don't bother with it you know

386

00:17:19,630 --> 00:17:18,959

and so

387

00:17:22,370 --> 00:17:19,640

um

388

00:17:25,429 --> 00:17:22,380

what it was very very interesting it's a

389

00:17:26,150 --> 00:17:25,439

long process it's um

390

00:17:29,090 --> 00:17:26,160

um

391

00:17:32,210 --> 00:17:29,100

it's a process that basically it

392

00:17:34,130 --> 00:17:32,220

involves a lot of it it's a full

393

00:17:36,049 --> 00:17:34,140

interview that you kind of do about your

394

00:17:38,090 --> 00:17:36,059

whole life and that can take four or

395

00:17:41,029 --> 00:17:38,100

five hours so long and then of course

396

00:17:42,950 --> 00:17:41,039

however long the regression takes but uh

397

00:17:44,930 --> 00:17:42,960

success when it was great you know I

398

00:17:47,810 --> 00:17:44,940

have I have that session I even recorded

399

00:17:51,350 --> 00:17:47,820

it I have not edited it's been my

400

00:17:53,570 --> 00:17:51,360

Personal Collection or my files

401  
00:17:55,310 --> 00:17:53,580  
um I've had that for quite a long time

402  
00:17:57,770 --> 00:17:55,320  
now I don't know if I'll ever do

403  
00:18:00,110 --> 00:17:57,780  
anything with it but it was um very

404  
00:18:04,310 --> 00:18:00,120  
interesting to see how

405  
00:18:06,049 --> 00:18:04,320  
how that how that works and it gave me a

406  
00:18:09,890 --> 00:18:06,059  
different perspective about

407  
00:18:13,490 --> 00:18:09,900  
what that method allows to do is to kind

408  
00:18:18,169 --> 00:18:13,500  
of through a Surefire way process get

409  
00:18:20,870 --> 00:18:18,179  
you to go to places where before

410  
00:18:23,450 --> 00:18:20,880  
after my long experiences I was able to

411  
00:18:25,549 --> 00:18:23,460  
get through meditation but even prior to

412  
00:18:28,970 --> 00:18:25,559  
that before I knew anything just to get

413  
00:18:30,230 --> 00:18:28,980

your feet wet having to like get

414

00:18:31,549 --> 00:18:30,240

um like

415

00:18:34,850 --> 00:18:31,559

um using

416

00:18:37,490 --> 00:18:34,860

um like Ayahuasca or some of these other

417

00:18:39,110 --> 00:18:37,500

plants or basically just have a

418

00:18:41,330 --> 00:18:39,120

um any of these what they're considered

419

00:18:44,029 --> 00:18:41,340

hallucigens to get to that state where

420

00:18:45,650 --> 00:18:44,039

qhht does it just Naturally by guiding

421

00:18:47,990 --> 00:18:45,660

you through the process and it's amazing

422

00:18:51,169 --> 00:18:48,000

what Dolores was able to to basically

423

00:18:52,970 --> 00:18:51,179

achieve to get you to that state and if

424

00:18:54,890 --> 00:18:52,980

you're working with a good person they

425

00:18:58,130 --> 00:18:54,900

take that time and patience to get you

426

00:19:01,490 --> 00:18:58,140

to that to that area to where you speak

427

00:19:04,010 --> 00:19:01,500

about things that you know you know you

428

00:19:05,870 --> 00:19:04,020

didn't experience in this life and

429

00:19:08,210 --> 00:19:05,880

um just basically just say whatever

430

00:19:10,490 --> 00:19:08,220

whatever comes through and if you have

431

00:19:13,850 --> 00:19:10,500

the opportunity always record it because

432

00:19:15,470 --> 00:19:13,860

then just revisiting it there used to be

433

00:19:17,630 --> 00:19:15,480

there used to be I don't know what

434

00:19:20,510 --> 00:19:17,640

exactly what time process or what time

435

00:19:23,990 --> 00:19:20,520

span where people that went through that

436

00:19:26,210 --> 00:19:24,000

process were always unconscious and

437

00:19:28,250 --> 00:19:26,220

whoever came through to speak through

438

00:19:30,890 --> 00:19:28,260

them that they wouldn't remember it they

439

00:19:33,230 --> 00:19:30,900

would have to listen to that tape to see

440

00:19:34,430 --> 00:19:33,240

like wow that was me that said that that

441

00:19:36,529 --> 00:19:34,440

went through this process but then

442

00:19:38,630 --> 00:19:36,539

something happened I think it was right

443

00:19:40,850 --> 00:19:38,640

around 2012. I don't want to make this

444

00:19:42,470 --> 00:19:40,860

you know more mysterious than what it

445

00:19:45,049 --> 00:19:42,480

actually is but

446

00:19:48,110 --> 00:19:45,059

um of a sudden they noticed the switch

447

00:19:50,390 --> 00:19:48,120

switch or shift to where people are

448

00:19:51,650 --> 00:19:50,400

conscious through that process as

449

00:19:53,390 --> 00:19:51,660

whatever it is that they're going

450

00:19:55,730 --> 00:19:53,400

through so they remember actually so

451  
00:19:57,950 --> 00:19:55,740  
they don't need to re-listen I mean they

452  
00:19:59,990 --> 00:19:57,960  
can for reference but they're aware

453  
00:20:03,289 --> 00:20:00,000  
they're they're not having to go into

454  
00:20:05,210 --> 00:20:03,299  
this deep sleep to where they have to be

455  
00:20:07,549 --> 00:20:05,220  
unconscious in order for information to

456  
00:20:10,789 --> 00:20:07,559  
come through so anyway I'm sorry I went

457  
00:20:13,130 --> 00:20:10,799  
on on this tangent but um uh yes I went

458  
00:20:19,150 --> 00:20:13,140  
through the process myself and I would

459  
00:20:27,890 --> 00:20:23,390  
Verona said mystery presentation so so

460  
00:20:30,289 --> 00:20:27,900  
apologies if you covered this question

461  
00:20:32,110 --> 00:20:30,299  
um oh another question I see and

462  
00:20:34,610 --> 00:20:32,120  
everyone says doctor

463  
00:20:35,990 --> 00:20:34,620

Christopher kit green claims to have

464

00:20:38,090 --> 00:20:36,000

been

465

00:20:40,310 --> 00:20:38,100

um hoaxed at the Pentagon with fake

466

00:20:43,010 --> 00:20:40,320

alien autopsy material

467

00:20:44,029 --> 00:20:43,020

is this possible that this whistleblower

468

00:20:46,250 --> 00:20:44,039

Crush

469

00:20:48,049 --> 00:20:46,260

has been hoaxed and if so for what

470

00:20:51,110 --> 00:20:48,059

purpose well

471

00:20:54,470 --> 00:20:51,120

um that's interesting because

472

00:20:57,890 --> 00:20:54,480

um the possibility is always there the

473

00:21:01,130 --> 00:20:57,900

only thing different is that

474

00:21:04,610 --> 00:21:01,140

all these people before were always

475

00:21:06,590 --> 00:21:04,620

people that just came out to some

476  
00:21:09,830 --> 00:21:06,600  
obscure reporter that eventually made

477  
00:21:13,190 --> 00:21:09,840  
its way to an article or online but to

478  
00:21:16,130 --> 00:21:13,200  
have this individual having the ranks

479  
00:21:19,070 --> 00:21:16,140  
that he does and the connection to where

480  
00:21:21,590 --> 00:21:19,080  
Congress listens to him not that

481  
00:21:23,750 --> 00:21:21,600  
supposed to mean much but you know if

482  
00:21:25,370 --> 00:21:23,760  
we're gonna close our eyes and dumb

483  
00:21:27,230 --> 00:21:25,380  
ourselves down and think highly of

484  
00:21:29,210 --> 00:21:27,240  
Congress if they're listening to him

485  
00:21:31,669 --> 00:21:29,220  
there's something to him you know unless

486  
00:21:33,230 --> 00:21:31,679  
he's also hoax in Congress you know

487  
00:21:37,690 --> 00:21:33,240  
which then you get yourself in deep

488  
00:21:41,330 --> 00:21:37,700

trouble but so far I was usually look at

489

00:21:44,330 --> 00:21:41,340

John Greenwald Black Vault he runs that

490

00:21:46,549 --> 00:21:44,340

he has his opinions on that and some of

491

00:21:48,710 --> 00:21:46,559

the other people that are in the field

492

00:21:50,630 --> 00:21:48,720

that are concentrating more on on the

493

00:21:53,330 --> 00:21:50,640

nuts and bolts papers and Freedom of

494

00:21:56,630 --> 00:21:53,340

Information acts I don't concentrate in

495

00:21:59,029 --> 00:21:56,640

that at all anymore as I mentioned once

496

00:22:02,450 --> 00:21:59,039

you once you've had your own experiences

497

00:22:05,270 --> 00:22:02,460

there's no paper that will ever

498

00:22:07,070 --> 00:22:05,280

um but to help you figure out what's

499

00:22:08,690 --> 00:22:07,080

going on it just becomes this Soul

500

00:22:11,029 --> 00:22:08,700

journey to where

501  
00:22:13,730 --> 00:22:11,039  
um you you use a whole different set of

502  
00:22:15,590 --> 00:22:13,740  
tools basically to move forward and you

503  
00:22:16,909 --> 00:22:15,600  
leave books papers and other things

504  
00:22:19,310 --> 00:22:16,919  
behind

505  
00:22:22,490 --> 00:22:19,320  
um once once you've had that

506  
00:22:24,350 --> 00:22:22,500  
um now of course I'm not poo pooing that

507  
00:22:26,029 --> 00:22:24,360  
process because that process is

508  
00:22:28,130 --> 00:22:26,039  
important because I was there at one

509  
00:22:29,990 --> 00:22:28,140  
point but if you keep growing and

510  
00:22:32,630 --> 00:22:30,000  
eventually get there all these

511  
00:22:35,330 --> 00:22:32,640  
individuals that I'm hoping you seek out

512  
00:22:37,730 --> 00:22:35,340  
are important in your process in your

513  
00:22:42,350 --> 00:22:37,740

steps to getting to wherever you need to

514

00:22:42,360 --> 00:22:49,730

um Verona says I agree

515

00:22:55,669 --> 00:22:53,570

okay let's see let me let me check

516

00:22:58,310 --> 00:22:55,679

let me check telegram to see if we have

517

00:23:00,610 --> 00:22:58,320

someone who wants to speak yet nope so

518

00:23:03,830 --> 00:23:00,620

yeah don't be shy uh join me if you can

519

00:23:06,289 --> 00:23:03,840

speak to me otherwise like I said ask

520

00:23:08,149 --> 00:23:06,299

your questions please make sure you use

521

00:23:10,730 --> 00:23:08,159

the three asterisks before your question

522

00:23:13,610 --> 00:23:10,740

and they'll help me out a big deal

523

00:23:16,070 --> 00:23:13,620

otherwise like I said I'll just finish

524

00:23:18,529 --> 00:23:16,080

it off here and I'll catch you next week

525

00:23:22,370 --> 00:23:18,539

usually I have the the show

526

00:23:24,950 --> 00:23:22,380

um unless unless I you know until what

527

00:23:26,270 --> 00:23:24,960

the last time or the prior time I

528

00:23:28,130 --> 00:23:26,280

couldn't because

529

00:23:30,110 --> 00:23:28,140

um it was my daughter's birthday and all

530

00:23:37,190 --> 00:23:30,120

kinds of things were going on and I just

531

00:23:39,590 --> 00:23:37,789

[Music]

532

00:23:42,770 --> 00:23:39,600

um

533

00:23:44,690 --> 00:23:42,780

eckintar says I'm on telegram waiting

534

00:23:47,390 --> 00:23:44,700

um I'm not sure where on telegram you

535

00:23:49,130 --> 00:23:47,400

are but you have to telegram is a

536

00:23:51,890 --> 00:23:49,140

software that I don't control but you

537

00:23:53,450 --> 00:23:51,900

have to join the UFO Hub channel and in

538

00:23:55,730 --> 00:23:53,460

there you'll see a voice chat that's

539

00:23:57,590 --> 00:23:55,740

going on right now that you can join uh

540

00:24:00,470 --> 00:23:57,600

just being on telegram it's not going to

541

00:24:02,930 --> 00:24:00,480

get you directly to us in the

542

00:24:06,230 --> 00:24:02,940

description and below this video there's

543

00:24:09,710 --> 00:24:06,240

a link to the UFO up channel on telegram

544

00:24:09,720 --> 00:24:13,370

let's see what else we got

545

00:24:17,570 --> 00:24:15,770

I don't think this is specifically meant

546

00:24:19,250 --> 00:24:17,580

for me because I don't see the asterisk

547

00:24:23,450 --> 00:24:19,260

says but Kurt

548

00:24:26,390 --> 00:24:23,460

wrote so gresh went to arrow and

549

00:24:28,669 --> 00:24:26,400

Congress and talked yet there yet during

550

00:24:31,789 --> 00:24:28,679

the hearing Kirkpatrick told Congress no

551  
00:24:34,310 --> 00:24:31,799  
whistleblory came to him a lie and

552  
00:24:36,409 --> 00:24:34,320  
Congress knew it was a lie and said

553  
00:24:39,350 --> 00:24:36,419  
nothing

554  
00:24:39,360 --> 00:24:47,149  
sorry just trying to understand that

555  
00:24:50,510 --> 00:24:49,909  
oh I see okay I get it now

556  
00:24:52,730 --> 00:24:50,520  
um

557  
00:24:54,289 --> 00:24:52,740  
yeah well like I said there's there's

558  
00:24:56,149 --> 00:24:54,299  
other people like if you're on Twitter

559  
00:24:59,510 --> 00:24:56,159  
man I don't know

560  
00:25:01,610 --> 00:24:59,520  
um it's it it can get pretty heavy when

561  
00:25:03,409 --> 00:25:01,620  
it comes to uh being on there because

562  
00:25:06,169 --> 00:25:03,419  
people are bitching at each other

563  
00:25:08,450 --> 00:25:06,179

complaining accusing all kinds of things

564

00:25:10,430 --> 00:25:08,460

you know and so

565

00:25:12,049 --> 00:25:10,440

um uh if there's anyone that's going to

566

00:25:14,390 --> 00:25:12,059

come get to the bottom of it to figure

567

00:25:16,130 --> 00:25:14,400

out whether or not this is a lie uh if

568

00:25:18,049 --> 00:25:16,140

that would be that place

569

00:25:20,090 --> 00:25:18,059

because

570

00:25:22,370 --> 00:25:20,100

um especially when you have uh people

571

00:25:25,250 --> 00:25:22,380

that also want to get to the bottom of

572

00:25:29,510 --> 00:25:25,260

it and you have an imposter Adele easily

573

00:25:29,520 --> 00:25:35,810

all right let's see

574

00:25:40,310 --> 00:25:39,049

I can start saying I'm watching you on

575

00:25:42,350 --> 00:25:40,320

telegram

576

00:25:44,510 --> 00:25:42,360

um I think you can only

577

00:25:50,210 --> 00:25:44,520

listen to me on telegram because I don't

578

00:25:50,220 --> 00:25:55,250

all right

579

00:26:00,169 --> 00:25:58,190

okay yeah I'm sorry for those that are

580

00:26:01,549 --> 00:26:00,179

just listening um actually just kind of

581

00:26:03,529 --> 00:26:01,559

looking around seeing if there's any

582

00:26:05,330 --> 00:26:03,539

other questions or anyone else that

583

00:26:06,950 --> 00:26:05,340

wants to speak

584

00:26:08,750 --> 00:26:06,960

um if you are on telegram there should

585

00:26:10,789 --> 00:26:08,760

be a little button with a person that

586

00:26:12,649 --> 00:26:10,799

looks like a raised hand you tap that

587

00:26:15,010 --> 00:26:12,659

and tell me that you want to talk to me

588

00:26:18,649 --> 00:26:15,020

and that way I can bring you in

589

00:26:21,649 --> 00:26:18,659

otherwise those that are just listening

590

00:26:23,330 --> 00:26:21,659

or want to listen uh that's why telegram

591

00:26:24,289 --> 00:26:23,340

is there for and I don't usually bother

592

00:26:27,230 --> 00:26:24,299

them

593

00:26:29,149 --> 00:26:27,240

okay all right David let me bring David

594

00:26:32,510 --> 00:26:29,159

in

595

00:26:34,909 --> 00:26:32,520

and I'm mute him so David you are

596

00:26:36,890 --> 00:26:34,919

unmuted on my end I mute yourself on

597

00:26:39,890 --> 00:26:36,900

yours and you should be able to speak to

598

00:26:44,750 --> 00:26:42,769

I hope I did that right yep I hear you

599

00:26:47,210 --> 00:26:44,760

loud and clear how are you

600

00:26:49,669 --> 00:26:47,220

oh just dandy it's great to be on your

601  
00:26:53,090 --> 00:26:49,679  
show I wanted to talk about something

602  
00:26:57,110 --> 00:26:53,100  
that happened to me uh 26 years ago I'm

603  
00:26:58,850 --> 00:26:57,120  
in Phoenix Arizona and David David okay

604  
00:27:00,049 --> 00:26:58,860  
I'm sorry dude to David that I've been

605  
00:27:03,049 --> 00:27:00,059  
in touch with

606  
00:27:04,909 --> 00:27:03,059  
yes okay good deal all right yeah no now

607  
00:27:06,950 --> 00:27:04,919  
it makes sense so anyway let me just

608  
00:27:09,529 --> 00:27:06,960  
give some quick context so David wanted

609  
00:27:11,390 --> 00:27:09,539  
to share the story uh I don't want to

610  
00:27:13,730 --> 00:27:11,400  
take your time away but I'll leave it up

611  
00:27:16,850 --> 00:27:13,740  
to you but I'm glad you found out how to

612  
00:27:19,130 --> 00:27:16,860  
get to to Telegram and speak to me today

613  
00:27:22,430 --> 00:27:19,140

so all right I'll leave you be uh go

614

00:27:24,409 --> 00:27:22,440

ahead and tell tell your story please

615

00:27:27,350 --> 00:27:24,419

yeah it was um

616

00:27:31,330 --> 00:27:27,360

uh I'm an RN and at the time I was a

617

00:27:35,750 --> 00:27:31,340

hospice RN uh I did Hospice for 17 years

618

00:27:39,350 --> 00:27:35,760

and we had a 10 bed hospice inpatient

619

00:27:42,190 --> 00:27:39,360

unit in Mesa Arizona I lived in Phoenix

620

00:27:47,269 --> 00:27:42,200

so it was quite a drive back and forth

621

00:27:51,649 --> 00:27:47,279

and I did 12 hour shifts and uh March

622

00:27:55,490 --> 00:27:51,659

13th 1997 the night Sheriff that shift

623

00:27:58,250 --> 00:27:55,500

nurse came in late so I had to stay just

624

00:28:01,210 --> 00:27:58,260

a little bit later and that actually put

625

00:28:05,210 --> 00:28:01,220

me in the best place I could possibly be

626  
00:28:09,649 --> 00:28:05,220  
to have seen the Phoenix Lights so as I

627  
00:28:12,110 --> 00:28:09,659  
was driving home from Mesa to Phoenix I

628  
00:28:15,370 --> 00:28:12,120  
uh we have it at Route 60 at the time

629  
00:28:19,010 --> 00:28:15,380  
was undergoing a lot of

630  
00:28:21,409 --> 00:28:19,020  
remodeling and every time I came to an

631  
00:28:23,510 --> 00:28:21,419  
overpass I had to get off the freeway

632  
00:28:26,090 --> 00:28:23,520  
and go up the ramp and go over the

633  
00:28:28,730 --> 00:28:26,100  
overpass and then back onto the freeway

634  
00:28:32,090 --> 00:28:28,740  
so by the time I was getting almost into

635  
00:28:35,330 --> 00:28:32,100  
Tempe which is uh the suburb between

636  
00:28:38,390 --> 00:28:35,340  
Mesa and Phoenix I was going up over the

637  
00:28:40,490 --> 00:28:38,400  
overpass there was this huge mound of uh

638  
00:28:43,850 --> 00:28:40,500

construction dirt and I had to drive up

639

00:28:46,070 --> 00:28:43,860

on it and very close to me was a street

640

00:28:48,049 --> 00:28:46,080

light and the street light was about

641

00:28:50,810 --> 00:28:48,059

parallel with me maybe it was about two

642

00:28:53,029 --> 00:28:50,820

feet over my head that's how elevated I

643

00:28:55,850 --> 00:28:53,039

was uh in the air

644

00:28:58,190 --> 00:28:55,860

and I was about to go down the hill and

645

00:29:00,970 --> 00:28:58,200

get back onto the freeway having to look

646

00:29:04,730 --> 00:29:00,980

out my window and here's this massive

647

00:29:06,230 --> 00:29:04,740

Boomerang flying towards me very low

648

00:29:09,110 --> 00:29:06,240

Slow and Low

649

00:29:11,810 --> 00:29:09,120

so I slammed on my brakes and it had the

650

00:29:14,930 --> 00:29:11,820

brights on my truck I got out of my

651  
00:29:17,630 --> 00:29:14,940  
truck about four o'clock behind me was

652  
00:29:19,370 --> 00:29:17,640  
the street light very bright shining

653  
00:29:21,169 --> 00:29:19,380  
down I had a lot of light there was

654  
00:29:25,370 --> 00:29:21,179  
still some ambient light from the city

655  
00:29:29,029 --> 00:29:25,380  
kind of shining up and here comes this

656  
00:29:31,330 --> 00:29:29,039  
like a banana shape uh Boomerang you

657  
00:29:35,570 --> 00:29:31,340  
know about that angle of a of a banana

658  
00:29:37,909 --> 00:29:35,580  
flying and coming closer and closer and

659  
00:29:40,730 --> 00:29:37,919  
the lights since I'm looking at it

660  
00:29:43,730 --> 00:29:40,740  
almost horizontal maybe at a 20 degree

661  
00:29:48,830 --> 00:29:43,740  
angle from uh from your normal resting

662  
00:29:52,430 --> 00:29:48,840  
uh vision of your eyes uh it looked like

663  
00:29:54,830 --> 00:29:52,440

a fire was coming out of it and as I got

664

00:29:57,409 --> 00:29:54,840

closer and closer I was very concerned

665

00:30:01,010 --> 00:29:57,419

that I was going to get burned uh the

666

00:30:03,889 --> 00:30:01,020

nearest light was so close the if the

667

00:30:06,110 --> 00:30:03,899

craft had fallen to the ground I could

668

00:30:08,450 --> 00:30:06,120

have taken like two steps and kicked the

669

00:30:11,450 --> 00:30:08,460

tip of the left wing so it was almost

670

00:30:13,010 --> 00:30:11,460

exactly over my head as as it came up

671

00:30:16,610 --> 00:30:13,020

over me

672

00:30:18,529 --> 00:30:16,620

the uh the light was an opening in the

673

00:30:21,830 --> 00:30:18,539

bottom of the Craft

674

00:30:24,289 --> 00:30:21,840

um I could see a little bit of the uh

675

00:30:27,049 --> 00:30:24,299

The Far Side of the light maybe about

676

00:30:29,990 --> 00:30:27,059

eight inches up into it there was like a

677

00:30:33,289 --> 00:30:30,000

silver lining tube and out of that Port

678

00:30:35,990 --> 00:30:33,299

exactly what looked like lava and it was

679

00:30:38,570 --> 00:30:36,000

Orange Crush orange and it would drip

680

00:30:40,490 --> 00:30:38,580

down very thick in very viscous light

681

00:30:42,710 --> 00:30:40,500

come down

682

00:30:46,430 --> 00:30:42,720

um four to eight feet it would form

683

00:30:49,010 --> 00:30:46,440

large drips it would stop and then it

684

00:30:51,529 --> 00:30:49,020

went back up into the opening in the

685

00:30:54,169 --> 00:30:51,539

craft and there'd be you know five or

686

00:30:56,510 --> 00:30:54,179

six or seven huge massive drips of this

687

00:30:58,909 --> 00:30:56,520

stuff coming down and when someone's

688

00:31:02,029 --> 00:30:58,919

coming down someone's going back up kind

689

00:31:05,149 --> 00:31:02,039

of like a lava lamp but upside down

690

00:31:07,310 --> 00:31:05,159

and when the stuff returned back into

691

00:31:09,889 --> 00:31:07,320

the craft like if you're boiling

692

00:31:12,110 --> 00:31:09,899

something on the stove and boiling water

693

00:31:14,889 --> 00:31:12,120

the water splashes up and it goes up in

694

00:31:17,210 --> 00:31:14,899

the air and stops and it falls back down

695

00:31:20,090 --> 00:31:17,220

that's what the stuff looked like it

696

00:31:24,049 --> 00:31:20,100

looked like it fell up it it wasn't like

697

00:31:26,710 --> 00:31:24,059

sucked back up like a vacuum it looked

698

00:31:29,149 --> 00:31:26,720

like it fell up and this was

699

00:31:32,389 --> 00:31:29,159

continually going and there was like an

700

00:31:35,269 --> 00:31:32,399

orange glow on me from this stuff

701  
00:31:38,210 --> 00:31:35,279  
whatever it was that was coming out the

702  
00:31:40,730 --> 00:31:38,220  
bottom of the craft was indented with

703  
00:31:45,649 --> 00:31:40,740  
thousands and thousands of oval shaped

704  
00:31:49,130 --> 00:31:45,659  
indentations with a very clear sharp edged

705  
00:31:51,769 --> 00:31:49,140  
um indentations into it I'm going to say

706  
00:31:56,090 --> 00:31:51,779  
they were about maybe uh two two and a

707  
00:31:59,269 --> 00:31:56,100  
half feet uh wide they went horizontally

708  
00:32:01,250 --> 00:31:59,279  
from the tip the left tip as far as I

709  
00:32:04,190 --> 00:32:01,260  
could see them inward I would imagine

710  
00:32:06,970 --> 00:32:04,200  
perhaps the whole bottom was covered but

711  
00:32:10,909 --> 00:32:06,980  
this craft was at least a mile wide

712  
00:32:13,310 --> 00:32:10,919  
so I I was more focused on this this

713  
00:32:15,889 --> 00:32:13,320

lava stuff dripping down because I was

714

00:32:19,490 --> 00:32:15,899

afraid I was going to get burned it uh

715

00:32:22,250 --> 00:32:19,500

as it would stretch it would turn almost

716

00:32:25,490 --> 00:32:22,260

yellow and then what would form big

717

00:32:28,070 --> 00:32:25,500

drips it would go back to Orange and uh

718

00:32:30,769 --> 00:32:28,080

but there was no heat there was no sound

719

00:32:34,070 --> 00:32:30,779

there was no wind it didn't disturb the

720

00:32:37,490 --> 00:32:34,080

dust it didn't blow dust in my eye uh no

721

00:32:39,470 --> 00:32:37,500

odor uh my skin didn't tingle my hair

722

00:32:41,389 --> 00:32:39,480

didn't burn and I was paying attention

723

00:32:44,169 --> 00:32:41,399

to all that I'm a nurse and you think

724

00:32:47,510 --> 00:32:44,179

you know you know

725

00:32:50,090 --> 00:32:47,520

reactions to something like this it was

726

00:32:52,010 --> 00:32:50,100

absolutely no sound

727

00:32:54,830 --> 00:32:52,020

and um

728

00:32:57,049 --> 00:32:54,840

as it passed overhead

729

00:32:59,510 --> 00:32:57,059

um there was like streams of a colorful

730

00:33:01,130 --> 00:32:59,520

Mist it looked like like a flag from

731

00:33:04,789 --> 00:33:01,140

Disneyland It's kind of what it looked

732

00:33:07,630 --> 00:33:04,799

like it was uh thick as it came out of

733

00:33:10,549 --> 00:33:07,640

the back of the craft and then it would

734

00:33:13,130 --> 00:33:10,559

tapered down to just to find these thin

735

00:33:16,850 --> 00:33:13,140

Trail and it woe so kind of like a flag

736

00:33:19,310 --> 00:33:16,860

waving in in the wind and again I felt

737

00:33:21,470 --> 00:33:19,320

nothing there was no like Mist Falling

738

00:33:23,570 --> 00:33:21,480

on My Face there was no odor there

739

00:33:27,529 --> 00:33:23,580

wasn't anything like that

740

00:33:30,669 --> 00:33:27,539

and as it went out as the Mist went over

741

00:33:33,110 --> 00:33:30,679

my head and the craft was flying south

742

00:33:35,570 --> 00:33:33,120

it kind of veered a little bit to the

743

00:33:37,909 --> 00:33:35,580

West went down through Chandler Arizona

744

00:33:40,009 --> 00:33:37,919

and I just stood there you know staring

745

00:33:41,750 --> 00:33:40,019

at it until it went out of sight and I

746

00:33:44,690 --> 00:33:41,760

was hoping somebody would come up and

747

00:33:46,250 --> 00:33:44,700

and stop I wanted to share this moment

748

00:33:48,830 --> 00:33:46,260

with someone but it was just me out

749

00:33:51,950 --> 00:33:48,840

there and uh and I just stood there and

750

00:33:55,789 --> 00:33:51,960

I started crying I was just overwhelmed

751

00:33:57,950 --> 00:33:55,799

with like the sense of gratitude and I

752

00:34:00,769 --> 00:33:57,960

don't know if I did that to me or if the

753

00:34:05,029 --> 00:34:00,779

craft did that to me but that feeling

754

00:34:08,210 --> 00:34:05,039

has stayed with me for now 26 years and

755

00:34:10,970 --> 00:34:08,220

it's not just something I feel every now

756

00:34:13,190 --> 00:34:10,980

and then it's like 24 hours a day now

757

00:34:16,010 --> 00:34:13,200

for over a quarter of a century

758

00:34:18,470 --> 00:34:16,020

and I was a hospice nurse so you got to

759

00:34:21,109 --> 00:34:18,480

be kind of a nice guy anyway but yeah

760

00:34:23,329 --> 00:34:21,119

boy I'd get on the road oh I would have

761

00:34:25,250 --> 00:34:23,339

road rage and you know I'd be honking my

762

00:34:29,089 --> 00:34:25,260

horns and people and pulling in front of

763

00:34:31,490 --> 00:34:29,099

them slamming on the brakes and uh since

764

00:34:34,369 --> 00:34:31,500

that night I have never honked my horn

765

00:34:36,829 --> 00:34:34,379

once and I let people cut in line in

766

00:34:40,129 --> 00:34:36,839

front of me at the grocery store I let

767

00:34:43,089 --> 00:34:40,139

people go in front of me it's I've had

768

00:34:47,930 --> 00:34:43,099

such a positive wonderful uh benefit

769

00:34:50,389 --> 00:34:47,940

from seeing uh that craft at night I

770

00:34:53,210 --> 00:34:50,399

felt like something inside ticked like

771

00:34:55,790 --> 00:34:53,220

something in my head like maybe moved a

772

00:34:59,570 --> 00:34:55,800

quarter of an inch I just felt something

773

00:35:02,089 --> 00:34:59,580

something change and uh

774

00:35:04,010 --> 00:35:02,099

it's just been a blessing it's like

775

00:35:07,150 --> 00:35:04,020

hitting the lottery

776

00:35:11,270 --> 00:35:09,470

yeah I'm sorry to entrap them that's

777

00:35:14,030 --> 00:35:11,280

that's been an event that's

778

00:35:15,770 --> 00:35:14,040

um it's been very prevalent you know

779

00:35:18,170 --> 00:35:15,780

just for those who have been following

780

00:35:20,390 --> 00:35:18,180

ufology for a very long time and even

781

00:35:23,089 --> 00:35:20,400

the the uh was it the mayor of the

782

00:35:25,190 --> 00:35:23,099

governor that initially uh declined

783

00:35:27,109 --> 00:35:25,200

basically pooh-pooed it you know and

784

00:35:29,030 --> 00:35:27,119

then came back and said I'm sorry you

785

00:35:30,650 --> 00:35:29,040

know that I did that but he was worried

786

00:35:33,589 --> 00:35:30,660

for other reasons or whatever and

787

00:35:36,410 --> 00:35:33,599

actually confirmed that this event was

788

00:35:39,230 --> 00:35:36,420

happening over Phoenix

789

00:35:41,270 --> 00:35:39,240

yes the governor came out and made a big

790

00:35:44,150 --> 00:35:41,280

joke about it and had somebody dressed

791

00:35:47,210 --> 00:35:44,160

up in a in a you know a UFO an alien

792

00:35:48,950 --> 00:35:47,220

costume but at the time our governor was

793

00:35:51,290 --> 00:35:48,960

indicted

794

00:35:54,230 --> 00:35:51,300

um or there was some um uh building

795

00:35:56,390 --> 00:35:54,240

contracts that supposedly

796

00:35:59,630 --> 00:35:56,400

um he was involved in that he shouldn't

797

00:36:02,390 --> 00:35:59,640

have been and as I recall he was uh he

798

00:36:06,230 --> 00:36:02,400

was found guilty but Clinton

799

00:36:08,569 --> 00:36:06,240

um you know gave him a pardon and uh

800

00:36:11,150 --> 00:36:08,579

you know who knows what pressure was put

801  
00:36:13,430 --> 00:36:11,160  
on him at that time to say what he did

802  
00:36:16,970 --> 00:36:13,440  
but later he recanted all of it and said

803  
00:36:20,089 --> 00:36:16,980  
he saw it a lot of people saw it

804  
00:36:22,130 --> 00:36:20,099  
um and I spoke at um the last couple uh

805  
00:36:24,589 --> 00:36:22,140  
annual events we have here in in

806  
00:36:27,170 --> 00:36:24,599  
Scottsdale Arizona on the anniversary of

807  
00:36:29,990 --> 00:36:27,180  
the Phoenix Lights and a lot of people

808  
00:36:32,210 --> 00:36:30,000  
saw the light but not everybody saw the

809  
00:36:35,390 --> 00:36:32,220  
craft and some of the people saw the

810  
00:36:38,270 --> 00:36:35,400  
craft as a V and for me it was it was

811  
00:36:42,170 --> 00:36:38,280  
just a it was a nice smooth Sleek

812  
00:36:44,750 --> 00:36:42,180  
Boomerang shape and no one that I know

813  
00:36:47,390 --> 00:36:44,760

of saw this stuff dripping down I think

814

00:36:50,270 --> 00:36:47,400

they were looking up more directly into

815

00:36:54,410 --> 00:36:50,280

the light and as it would pour down

816

00:36:57,410 --> 00:36:54,420

maybe you know they would say um uh

817

00:37:00,290 --> 00:36:57,420

orange and yellow swirls I saw it at an

818

00:37:02,690 --> 00:37:00,300

angle and it was very high to it and as

819

00:37:04,430 --> 00:37:02,700

it came overhead I thought I wonder what

820

00:37:07,550 --> 00:37:04,440

it would hit that sound like if I hit it

821

00:37:10,430 --> 00:37:07,560

with a rock I was probably 30 feet

822

00:37:12,170 --> 00:37:10,440

underneath the tip of the left wing and

823

00:37:14,450 --> 00:37:12,180

I was sure I could hit it with a rock

824

00:37:16,609 --> 00:37:14,460

and I'm here on a construction site and

825

00:37:18,890 --> 00:37:16,619

there's rocks all over and I almost bent

826

00:37:21,470 --> 00:37:18,900

down to get one to you know Chuck a rock

827

00:37:24,290 --> 00:37:21,480

and is it going to Echo what you know

828

00:37:25,670 --> 00:37:24,300

who knows is it paper I don't know but

829

00:37:29,870 --> 00:37:25,680

then I got to thinking there might be

830

00:37:32,630 --> 00:37:29,880

some very bad consequences so um though

831

00:37:35,990 --> 00:37:32,640

now you know 26 years later I kind of do

832

00:37:37,430 --> 00:37:36,000

wish I'd thrown one but you know it's

833

00:37:40,190 --> 00:37:37,440

probably not a nice thing to have done

834

00:37:42,050 --> 00:37:40,200

well I wanted to ask you something um I

835

00:37:43,670 --> 00:37:42,060

don't want to interrupt if you if you

836

00:37:45,650 --> 00:37:43,680

wanted to just continue and and

837

00:37:47,329 --> 00:37:45,660

basically tell more of it I apologize

838

00:37:49,130 --> 00:37:47,339

you just got me intrigued to ask some

839

00:37:51,290 --> 00:37:49,140

questions so whichever way you want to

840

00:37:52,849 --> 00:37:51,300

go please just let me know I'll make

841

00:37:55,130 --> 00:37:52,859

sure you shut up

842

00:37:56,150 --> 00:37:55,140

um okay so it's okay if I interrupt you

843

00:37:58,430 --> 00:37:56,160

real quick

844

00:38:02,690 --> 00:37:58,440

sure all right uh what I wanted to ask

845

00:38:05,150 --> 00:38:02,700

so how long in its entirety uh can you

846

00:38:08,990 --> 00:38:05,160

do you did you even know how long did

847

00:38:14,150 --> 00:38:10,430

um I don't know how long it stayed over

848

00:38:16,970 --> 00:38:14,160

Phoenix um there's a timeline uh on a

849

00:38:21,710 --> 00:38:16,980

documentary it was like maybe 20 minutes

850

00:38:25,670 --> 00:38:21,720

uh 30 minutes over Phoenix proper and uh

851

00:38:27,710 --> 00:38:25,680

it came from uh Northern Arizona as I

852

00:38:30,890 --> 00:38:27,720

was told the first account was in

853

00:38:35,329 --> 00:38:30,900

Henderson Nevada and uh when you come

854

00:38:38,329 --> 00:38:35,339

north into Phoenix we have uh this huge

855

00:38:41,510 --> 00:38:38,339

uh elevation change we go from like five

856

00:38:43,190 --> 00:38:41,520

thousand feet down to to like five

857

00:38:46,370 --> 00:38:43,200

thousand probably three thirty five

858

00:38:49,670 --> 00:38:46,380

hundred feet down to a thousand feet and

859

00:38:52,910 --> 00:38:49,680

it's a it's a very quick and very steep

860

00:38:54,410 --> 00:38:52,920

uh we call it the switchbacks to drive

861

00:38:57,710 --> 00:38:54,420

down so

862

00:38:59,990 --> 00:38:57,720

it seemed to follow the terrain because

863

00:39:02,329 --> 00:39:00,000

the people I uh that I've also talked to

864

00:39:06,050 --> 00:39:02,339

said it just went over their rooftops

865

00:39:08,690 --> 00:39:06,060

and it was 30 feet over my head so it

866

00:39:10,430 --> 00:39:08,700

had to descend with the terrain into

867

00:39:12,950 --> 00:39:10,440

Phoenix

868

00:39:16,250 --> 00:39:12,960

um it went very slow it just was taking

869

00:39:17,990 --> 00:39:16,260

its time it was just coasting by I

870

00:39:20,030 --> 00:39:18,000

watched it for a good 10 minutes after

871

00:39:22,370 --> 00:39:20,040

it went over my head as it went down

872

00:39:25,250 --> 00:39:22,380

south and it seemed to go back over

873

00:39:29,510 --> 00:39:25,260

towards the freeway we have the freeway

874

00:39:32,810 --> 00:39:29,520

going down from Phoenix down to Tucson

875

00:39:34,849 --> 00:39:32,820

um you know I don't remember I was uh

876

00:39:35,870 --> 00:39:34,859

was it was it only one night or did it

877

00:39:38,030 --> 00:39:35,880

come back

878

00:39:42,170 --> 00:39:38,040

um several nights was that just one time

879

00:39:44,569 --> 00:39:42,180

thing interesting and years later

880

00:39:46,910 --> 00:39:44,579

um after 17 years of hospice I needed to

881

00:39:49,370 --> 00:39:46,920

see people get better for you know after

882

00:39:53,030 --> 00:39:49,380

for a change so I became an emergency

883

00:39:56,390 --> 00:39:53,040

new rumors for about uh nearly 20 years

884

00:39:57,970 --> 00:39:56,400

and one of my patients one day was a

885

00:40:01,310 --> 00:39:57,980

retired Sheriff from the Navajo

886

00:40:03,170 --> 00:40:01,320

reservation up in northern Arizona and I

887

00:40:05,569 --> 00:40:03,180

don't know how we got on the subject but

888

00:40:09,410 --> 00:40:05,579

we were talking about it and he said

889

00:40:12,829 --> 00:40:09,420

that for two days prior to the March

890

00:40:16,250 --> 00:40:12,839

13th sighting over Phoenix he said that

891

00:40:19,670 --> 00:40:16,260

there were at least 20 Craft on uh

892

00:40:21,890 --> 00:40:19,680

flying over the Navajo reservation and

893

00:40:24,650 --> 00:40:21,900

landing and he said he could see people

894

00:40:26,030 --> 00:40:24,660

on the mesas and a mesa's Like A flat

895

00:40:27,890 --> 00:40:26,040

hill

896

00:40:29,750 --> 00:40:27,900

um that the craft would land and he

897

00:40:31,910 --> 00:40:29,760

could see beings get out and look like

898

00:40:35,150 --> 00:40:31,920

they were working or something on on The

899

00:40:36,890 --> 00:40:35,160

Craft and get back in and he said there

900

00:40:39,230 --> 00:40:36,900

were so many that his neighbors actually

901  
00:40:41,690 --> 00:40:39,240  
took the lawn for the living room

902  
00:40:42,710 --> 00:40:41,700  
furniture and put it in the yard so they

903  
00:40:46,670 --> 00:40:42,720  
could watch

904  
00:40:48,290 --> 00:40:46,680  
and uh he talked he was the sheriff and

905  
00:40:50,210 --> 00:40:48,300  
he talked to others there and they

906  
00:40:51,829 --> 00:40:50,220  
decided not to report it because they

907  
00:40:53,990 --> 00:40:51,839  
didn't want a bunch of white people

908  
00:40:57,230 --> 00:40:54,000  
coming onto their land

909  
00:40:58,670 --> 00:40:57,240  
and it's like oh my gosh well that's no

910  
00:41:00,650 --> 00:40:58,680  
that's intriguing

911  
00:41:03,050 --> 00:41:00,660  
well you know especially with that event

912  
00:41:05,569 --> 00:41:03,060  
that's a that's a mass sighting I would

913  
00:41:08,390 --> 00:41:05,579

consider that just for Phoenix alone to

914

00:41:10,849 --> 00:41:08,400

have something that big hover over it

915

00:41:15,470 --> 00:41:10,859

um uh well especially what what was that

916

00:41:17,390 --> 00:41:15,480

90 97 right 97 yeah yeah especially

917

00:41:20,270 --> 00:41:17,400

people were different than people were

918

00:41:22,010 --> 00:41:20,280

outside more unless I'm gravely mistaken

919

00:41:24,589 --> 00:41:22,020

I was still I think I was still in

920

00:41:26,390 --> 00:41:24,599

Germany then but uh just understanding a

921

00:41:28,609 --> 00:41:26,400

little bit you know late 90s American

922

00:41:30,650 --> 00:41:28,619

culture you know people were a lot more

923

00:41:32,450 --> 00:41:30,660

outgoing than they are today and stuck

924

00:41:34,190 --> 00:41:32,460

in their homes watching Netflix all day

925

00:41:36,589 --> 00:41:34,200

you know so there must have been a lot

926  
00:41:38,270 --> 00:41:36,599  
more people that have seen this

927  
00:41:40,609 --> 00:41:38,280  
the um

928  
00:41:42,470 --> 00:41:40,619  
um the big thing here in Arizona I mean

929  
00:41:44,270 --> 00:41:42,480  
everywhere else in the country people

930  
00:41:46,490 --> 00:41:44,280  
are Frozen in in the winter well we're

931  
00:41:49,190 --> 00:41:46,500  
baked in in the summer here so when it's

932  
00:41:52,430 --> 00:41:49,200  
nice weather we are outside a lot but

933  
00:41:54,349 --> 00:41:52,440  
the hillbop comet was in the sky and a

934  
00:41:57,290 --> 00:41:54,359  
lot of people supposedly were outside to

935  
00:41:59,750 --> 00:41:57,300  
see the comet so it was like a perfect

936  
00:42:01,790 --> 00:41:59,760  
um time if something wanted to be seen

937  
00:42:03,170 --> 00:42:01,800  
and of course I have no idea if it did

938  
00:42:05,750 --> 00:42:03,180

or didn't

939

00:42:09,410 --> 00:42:05,760

um that it flew over the valley

940

00:42:12,109 --> 00:42:09,420

um Dr Lynn kitai wrote a book and did a

941

00:42:13,910 --> 00:42:12,119

documentary on this and she says for

942

00:42:17,710 --> 00:42:13,920

other reports that there were nine other

943

00:42:21,530 --> 00:42:17,720

craft between uh Western California

944

00:42:24,230 --> 00:42:21,540

across Arizona and into Eastern New

945

00:42:27,109 --> 00:42:24,240

Mexico that night she said it was almost

946

00:42:30,290 --> 00:42:27,119

like a UFO parade going from north to

947

00:42:32,329 --> 00:42:30,300

south and I guess one of the craft was

948

00:42:36,010 --> 00:42:32,339

seen later earlier in the morning

949

00:42:42,290 --> 00:42:39,109

oh that's that is awesome that is you

950

00:42:44,210 --> 00:42:42,300

know just um I mean I've heard about the

951  
00:42:45,410 --> 00:42:44,220  
event before I'm sorry I don't have all

952  
00:42:47,569 --> 00:42:45,420  
the details but I've never actually

953  
00:42:49,370 --> 00:42:47,579  
spoken to somebody who was there you

954  
00:42:51,410 --> 00:42:49,380  
know and um just listening to you

955  
00:42:53,329 --> 00:42:51,420  
obviously it's not any kind of

956  
00:42:54,950 --> 00:42:53,339  
scientific way to figure out whether or

957  
00:42:57,349 --> 00:42:54,960  
not you're telling the truth but I

958  
00:42:59,750 --> 00:42:57,359  
certainly you know uh trust your voice

959  
00:43:01,309 --> 00:42:59,760  
when I hear it um unless my Spidey

960  
00:43:04,569 --> 00:43:01,319  
senses are broken down too and you're

961  
00:43:08,210 --> 00:43:04,579  
just lying to me and I wouldn't know it

962  
00:43:10,309 --> 00:43:08,220  
the um well I sat on it for quite a bit

963  
00:43:12,050 --> 00:43:10,319

because especially when the governor

964

00:43:14,569 --> 00:43:12,060

came out and made such a big joke about

965

00:43:15,589 --> 00:43:14,579

it and uh

966

00:43:17,870 --> 00:43:15,599

um

967

00:43:20,510 --> 00:43:17,880

the nice thing I could talk about my to

968

00:43:23,030 --> 00:43:20,520

my friends my co-workers because so many

969

00:43:24,890 --> 00:43:23,040

other people saw it too and I worked

970

00:43:27,349 --> 00:43:24,900

with a social worker who's seen it that

971

00:43:29,510 --> 00:43:27,359

nice and another nurse

972

00:43:31,550 --> 00:43:29,520

um she worked at another facility but

973

00:43:35,150 --> 00:43:31,560

with the same company I would the same

974

00:43:38,329 --> 00:43:35,160

hospice I was with and she saw it but um

975

00:43:40,190 --> 00:43:38,339

over over the years I I didn't think

976  
00:43:45,290 --> 00:43:40,200  
anybody had any interest I knew nothing

977  
00:43:46,970 --> 00:43:45,300  
about mufon I had no interest in UFOs I

978  
00:43:49,150 --> 00:43:46,980  
later had a couple other weird things

979  
00:43:52,010 --> 00:43:49,160  
happen when I was camping in the desert

980  
00:43:54,890 --> 00:43:52,020  
and that's kind of brought you know my

981  
00:43:57,170 --> 00:43:54,900  
interest into UFOs and aliens

982  
00:44:00,349 --> 00:43:57,180  
um to the Forefront but I just found

983  
00:44:02,270 --> 00:44:00,359  
mufon just a few years ago and came

984  
00:44:05,050 --> 00:44:02,280  
forward with all this stuff

985  
00:44:07,069 --> 00:44:05,060  
it's um

986  
00:44:09,530 --> 00:44:07,079  
go ahead

987  
00:44:12,589 --> 00:44:09,540  
I don't it was it was

988  
00:44:14,210 --> 00:44:12,599

looking up at it I mean that's like the

989

00:44:16,130 --> 00:44:14,220

tip of the left wing was pretty much

990

00:44:18,950 --> 00:44:16,140

almost over my head

991

00:44:22,130 --> 00:44:18,960

and then looking at the tip of the right

992

00:44:24,290 --> 00:44:22,140

wing so that's a 90 degree angle between

993

00:44:27,770 --> 00:44:24,300

me looking directly up and then looking

994

00:44:30,829 --> 00:44:27,780

at the Horizon that craft took about 75

995

00:44:33,829 --> 00:44:30,839

degrees of that 90 degrees so my

996

00:44:36,530 --> 00:44:33,839

estimate would be at least a mile wide

997

00:44:38,990 --> 00:44:36,540

from tip to tip and those little

998

00:44:42,170 --> 00:44:39,000

indentations they were all over the

999

00:44:45,109 --> 00:44:42,180

place I they weren't on the side I could

1000

00:44:47,210 --> 00:44:45,119

see just a little bit up the side of the

1001  
00:44:49,550 --> 00:44:47,220  
tip of the left wing and when I see

1002  
00:44:51,950 --> 00:44:49,560  
people draw it they they make the the

1003  
00:44:54,170 --> 00:44:51,960  
again the craft look like a triangle

1004  
00:44:56,390 --> 00:44:54,180  
which it wasn't and they make the the

1005  
00:44:59,150 --> 00:44:56,400  
tip of the Wings a point and it wasn't

1006  
00:45:02,450 --> 00:44:59,160  
they were rounded horizontally and

1007  
00:45:05,450 --> 00:45:02,460  
rounded vertically and there was no

1008  
00:45:08,329 --> 00:45:05,460  
indentations on the side I couldn't see

1009  
00:45:10,790 --> 00:45:08,339  
up high I couldn't you know the

1010  
00:45:12,349 --> 00:45:10,800  
thickness of The Craft I have no idea if

1011  
00:45:15,050 --> 00:45:12,359  
there are windows or anything I could

1012  
00:45:20,210 --> 00:45:15,060  
just see the bottom and then that that

1013  
00:45:22,370 --> 00:45:20,220

mist coming out in flags and it was as

1014

00:45:26,930 --> 00:45:22,380

far as I could see they it was like

1015

00:45:29,630 --> 00:45:26,940

streams of this colorful sparkly Mist

1016

00:45:31,550 --> 00:45:29,640

um rainbow colored and and it just

1017

00:45:34,190 --> 00:45:31,560

dissipated afterwards

1018

00:45:36,589 --> 00:45:34,200

so if it wasn't a triangle I actually

1019

00:45:38,569 --> 00:45:36,599

want to ask a few questions that um one

1020

00:45:41,750 --> 00:45:38,579

regarding the design

1021

00:45:45,349 --> 00:45:41,760

um for what I remember was it because of

1022

00:45:48,530 --> 00:45:45,359

the the way the lights were laid out was

1023

00:45:50,150 --> 00:45:48,540

it more of a shape of a boomerang and um

1024

00:45:51,950 --> 00:45:50,160

uh the other question that I

1025

00:45:54,589 --> 00:45:51,960

specifically want to ask was more of

1026  
00:45:57,770 --> 00:45:54,599  
this like personal effect nature you

1027  
00:46:00,349 --> 00:45:57,780  
were have you talked to anyone else then

1028  
00:46:02,390 --> 00:46:00,359  
you know like you said in the in such a

1029  
00:46:04,849 --> 00:46:02,400  
detail to where they might have shared

1030  
00:46:07,069 --> 00:46:04,859  
similar story about this behavioral

1031  
00:46:09,170 --> 00:46:07,079  
change that you've experienced and also

1032  
00:46:11,990 --> 00:46:09,180  
were there any kind of like dreams or

1033  
00:46:14,750 --> 00:46:12,000  
anything weird for a long time happening

1034  
00:46:18,950 --> 00:46:17,870  
um the people I talked to and um you

1035  
00:46:21,349 --> 00:46:18,960  
know

1036  
00:46:23,569 --> 00:46:21,359  
at our annual event they would have

1037  
00:46:26,990 --> 00:46:23,579  
different Witnesses come up nobody

1038  
00:46:30,170 --> 00:46:27,000

seemed to have the same uh emotional

1039

00:46:33,670 --> 00:46:30,180

change that I had it was

1040

00:46:37,790 --> 00:46:33,680

I just felt like something in me change

1041

00:46:40,069 --> 00:46:37,800

and and I don't want to read into it uh

1042

00:46:42,829 --> 00:46:40,079

more than I want to keep everything as

1043

00:46:46,430 --> 00:46:42,839

authentic as to what exactly happened

1044

00:46:48,770 --> 00:46:46,440

that evening I don't know if if I did it

1045

00:46:50,870 --> 00:46:48,780

to myself or if they zap me with

1046

00:46:52,130 --> 00:46:50,880

something but I could feel like

1047

00:46:55,790 --> 00:46:52,140

something

1048

00:46:58,210 --> 00:46:55,800

like move just a fraction of an inch

1049

00:47:02,390 --> 00:46:58,220

inside like my head like a little tick

1050

00:47:05,390 --> 00:47:02,400

that's weird and I remember that but uh

1051  
00:47:09,109 --> 00:47:05,400  
the only change in my life was I've just

1052  
00:47:11,750 --> 00:47:09,119  
become a nicer gentler or peaceful

1053  
00:47:14,630 --> 00:47:11,760  
um smile I live alone and I sit here

1054  
00:47:16,849 --> 00:47:14,640  
at night and I smile and I catch myself

1055  
00:47:19,790 --> 00:47:16,859  
and my friends and my co-workers all

1056  
00:47:22,250 --> 00:47:19,800  
noticed a big change my personality and

1057  
00:47:24,589 --> 00:47:22,260  
now for over a quarter of a century

1058  
00:47:27,290 --> 00:47:24,599  
it's consistent it's not just now and

1059  
00:47:30,050 --> 00:47:27,300  
then it's 24 hours a day year after year

1060  
00:47:33,349 --> 00:47:30,060  
after year after year after year and uh

1061  
00:47:34,490 --> 00:47:33,359  
you know what what why was that I don't

1062  
00:47:37,609 --> 00:47:34,500  
know

1063  
00:47:40,430 --> 00:47:37,619

I have no idea and uh and the boom rank

1064

00:47:43,370 --> 00:47:40,440

shape I don't know why some people saw

1065

00:47:46,190 --> 00:47:43,380

it as a as a triangle I was talking to a

1066

00:47:49,010 --> 00:47:46,200

guy his name's Dawn something and he

1067

00:47:51,230 --> 00:47:49,020

does 3D animation and I he asked for my

1068

00:47:54,230 --> 00:47:51,240

phone number or my email address he's

1069

00:47:58,970 --> 00:47:54,240

writing a book doing a book on classic

1070

00:48:01,069 --> 00:47:58,980

UFOs and he's uh doing 3D animation

1071

00:48:03,349 --> 00:48:01,079

that's seeing something at a different

1072

00:48:06,290 --> 00:48:03,359

angle how it looks like a completely

1073

00:48:08,410 --> 00:48:06,300

different craft and he's doing a talk I

1074

00:48:10,910 --> 00:48:08,420

think it's coming up at the UFO Congress

1075

00:48:13,730 --> 00:48:10,920

in October

1076

00:48:16,370 --> 00:48:13,740

um I haven't heard back from him but he

1077

00:48:17,930 --> 00:48:16,380

wants to add some of my details when he

1078

00:48:20,510 --> 00:48:17,940

does the drawing on the Phoenix life

1079

00:48:23,510 --> 00:48:20,520

craft

1080

00:48:25,309 --> 00:48:23,520

okay so yeah what I'm um I I don't know

1081

00:48:27,410 --> 00:48:25,319

if you can because there's a delay

1082

00:48:29,210 --> 00:48:27,420

between uh Telegram and if you're

1083

00:48:31,430 --> 00:48:29,220

watching something so I'm glad you're

1084

00:48:33,470 --> 00:48:31,440

just on there with me on telegram so

1085

00:48:35,630 --> 00:48:33,480

that you don't get confused but in case

1086

00:48:38,510 --> 00:48:35,640

you are not watching I'm letting you

1087

00:48:40,250 --> 00:48:38,520

know I am watching okay I'm just showing

1088

00:48:43,370 --> 00:48:40,260

um just a quick search Phoenix Lights

1089

00:48:46,370 --> 00:48:43,380

graphic and um just seeing what Google

1090

00:48:47,510 --> 00:48:46,380

comes up with and um is if you are

1091

00:48:49,490 --> 00:48:47,520

seeing this

1092

00:48:52,730 --> 00:48:49,500

um what about this Phoenix slides

1093

00:48:55,849 --> 00:48:52,740

Wikipedia does that resemble that or is

1094

00:48:58,010 --> 00:48:55,859

it or is it something entirely different

1095

00:48:59,510 --> 00:48:58,020

they're on the on the top on the right

1096

00:49:01,730 --> 00:48:59,520

and the left where you just see the

1097

00:49:05,150 --> 00:49:01,740

lights and the Darkness these two uh you

1098

00:49:07,630 --> 00:49:05,160

can uh not the the other there you are

1099

00:49:12,170 --> 00:49:07,640

just the lights in the darkness

1100

00:49:15,710 --> 00:49:12,180

there that one yep yeah see it's got a

1101

00:49:19,309 --> 00:49:15,720

slight Bend to it it's uh that's

1102

00:49:21,410 --> 00:49:19,319

Boomerang versus the triangle drawing

1103

00:49:25,130 --> 00:49:21,420

but other people say they saw the

1104

00:49:28,730 --> 00:49:25,140

triangle and so many just saw lights and

1105

00:49:32,030 --> 00:49:28,740

saw no shape at all but maybe it's from

1106

00:49:35,230 --> 00:49:32,040

where I was in um in kind of Tempe going

1107

00:49:38,089 --> 00:49:35,240

into Phoenix that I could I saw it

1108

00:49:40,609 --> 00:49:38,099

sideways more than looking up at it I

1109

00:49:43,910 --> 00:49:40,619

saw it more horizontally right and as it

1110

00:49:46,790 --> 00:49:43,920

was I was elevated and the craft was low

1111

00:49:48,470 --> 00:49:46,800

so we were very close to each other I

1112

00:49:52,069 --> 00:49:48,480

was right and it's you know kind of

1113

00:49:54,950 --> 00:49:52,079

direct path and I could clearly see it

1114

00:49:56,990 --> 00:49:54,960

was Boomerang shape so

1115

00:50:00,530 --> 00:49:57,000

I I can't explain that and I can't

1116

00:50:03,109 --> 00:50:00,540

explain why no one else has uh reported

1117

00:50:06,170 --> 00:50:03,119

seeing this liquid lava stuff dripping

1118

00:50:08,390 --> 00:50:06,180

out and sucking back in I I just wanted

1119

00:50:10,130 --> 00:50:08,400

to pull something up so that anyone

1120

00:50:11,870 --> 00:50:10,140

watching can at least

1121

00:50:14,930 --> 00:50:11,880

um with your confirmation kind of get an

1122

00:50:17,390 --> 00:50:14,940

idea what exactly is it is that you saw

1123

00:50:20,270 --> 00:50:17,400

because this footage is you know good

1124

00:50:22,730 --> 00:50:20,280

old 1997 probably you know eight

1125

00:50:24,950 --> 00:50:22,740

millimeter can Canon camera

1126

00:50:26,930 --> 00:50:24,960

a lot of a lot of stuff that's still

1127

00:50:28,550 --> 00:50:26,940

available because I don't know was there

1128

00:50:30,950 --> 00:50:28,560

any news crew that was able to capture

1129

00:50:34,250 --> 00:50:30,960

it with their cameras do you know

1130

00:50:38,030 --> 00:50:34,260

I think it was out of sight before

1131

00:50:40,130 --> 00:50:38,040

um anyone officially went after it uh

1132

00:50:43,430 --> 00:50:40,140

who knows a friend of mine this lady I

1133

00:50:45,290 --> 00:50:43,440

met years later who um is by the air

1134

00:50:46,790 --> 00:50:45,300

force base on the other end of the

1135

00:50:49,089 --> 00:50:46,800

valley

1136

00:50:52,309 --> 00:50:49,099

um I guess the Air Force denied anything

1137

00:50:55,670 --> 00:50:52,319

uh was going on but she was in her

1138

00:50:58,569 --> 00:50:55,680

backyard and saw the craft saw a jet

1139

00:51:02,750 --> 00:50:58,579

take off from the Air Force and Chase it

1140

00:51:05,270 --> 00:51:02,760

so how can they deny that it flew over

1141

00:51:06,710 --> 00:51:05,280

Phoenix when you know there's here's at

1142

00:51:11,270 --> 00:51:06,720

least one I don't know how many other

1143

00:51:14,210 --> 00:51:11,280

Witnesses saw Kraft jets go after it

1144

00:51:16,190 --> 00:51:14,220

um I I don't know if anybody else was

1145

00:51:18,290 --> 00:51:16,200

out there taking pictures you know we

1146

00:51:21,109 --> 00:51:18,300

didn't have cell phones with cameras and

1147

00:51:23,150 --> 00:51:21,119

and in Arizona it gets so hot you don't

1148

00:51:26,210 --> 00:51:23,160

get used to keeping a camera in your car

1149

00:51:28,250 --> 00:51:26,220

because it'll burn up and if I did have

1150

00:51:31,069 --> 00:51:28,260

a camera in my truck I wouldn't have

1151  
00:51:33,109 --> 00:51:31,079  
taken my eyes off of this thing to run

1152  
00:51:35,329 --> 00:51:33,119  
in and get it and turn it on and wait

1153  
00:51:38,569 --> 00:51:35,339  
for it to power up and take the Liz Gap

1154  
00:51:39,530 --> 00:51:38,579  
off and back then you had to focus

1155  
00:51:41,390 --> 00:51:39,540  
um

1156  
00:51:42,950 --> 00:51:41,400  
yeah well when you see this I love the

1157  
00:51:45,049 --> 00:51:42,960  
initial explanation how they were like

1158  
00:51:47,690 --> 00:51:45,059  
oh these are flares

1159  
00:51:49,069 --> 00:51:47,700  
um military flares or whatever excuses

1160  
00:51:51,349 --> 00:51:49,079  
they came up with at that time

1161  
00:51:55,430 --> 00:51:51,359  
officially

1162  
00:51:58,309 --> 00:51:55,440  
yeah it's a and I saw it I mean I saw

1163  
00:52:00,589 --> 00:51:58,319

the the stuff that was glowing

1164

00:52:02,630 --> 00:52:00,599

people kind of like think it was like a

1165

00:52:05,210 --> 00:52:02,640

light bulb or something shining down out

1166

00:52:08,390 --> 00:52:05,220

of the bottom of the craft it was a hole

1167

00:52:11,809 --> 00:52:08,400

it was an opening and the light source

1168

00:52:14,809 --> 00:52:11,819

was this liquid stuff itself and it

1169

00:52:18,410 --> 00:52:14,819

dripped it dripped very slow like cold

1170

00:52:21,109 --> 00:52:18,420

syrup and strung down and formed big

1171

00:52:23,690 --> 00:52:21,119

drips and went back up into it it was

1172

00:52:26,270 --> 00:52:23,700

like Liquid Fire and I've never really

1173

00:52:28,670 --> 00:52:26,280

seen a flare I can't you know I claim I

1174

00:52:30,290 --> 00:52:28,680

know what flares really look like I see

1175

00:52:32,450 --> 00:52:30,300

little ones you know by the side of the

1176

00:52:33,770 --> 00:52:32,460

road but from the drawings and

1177

00:52:36,950 --> 00:52:33,780

everything that I've seen or something

1178

00:52:39,170 --> 00:52:36,960

on TV there was nothing like that and

1179

00:52:42,230 --> 00:52:39,180

there was no heat and there was no

1180

00:52:44,690 --> 00:52:42,240

Sizzle and there was no odor and I was I

1181

00:52:48,049 --> 00:52:44,700

was so close to it I would have felt

1182

00:52:50,089 --> 00:52:48,059

that uh I would have smelled it I I

1183

00:52:51,650 --> 00:52:50,099

would have heard it and there was

1184

00:52:53,630 --> 00:52:51,660

absolutely nothing there was total

1185

00:52:56,390 --> 00:52:53,640

silence a friend of mine the social

1186

00:52:58,730 --> 00:52:56,400

worker that um it went right over his

1187

00:53:02,210 --> 00:52:58,740

car and he was in northern Arizona at

1188

00:53:04,790 --> 00:53:02,220

the time and he says as it flew over uh

1189

00:53:07,790 --> 00:53:04,800

his truck that all the Crickets stopped

1190

00:53:09,950 --> 00:53:07,800

all sounds stopped until it went over

1191

00:53:11,750 --> 00:53:09,960

his car and then all the Crickets

1192

00:53:13,790 --> 00:53:11,760

started chirping again

1193

00:53:15,770 --> 00:53:13,800

so I don't know if it had something to

1194

00:53:17,990 --> 00:53:15,780

distort that or else it scared the

1195

00:53:20,030 --> 00:53:18,000

Crickets I don't know right so do you

1196

00:53:21,650 --> 00:53:20,040

have um sorry if I missed it earlier you

1197

00:53:24,109 --> 00:53:21,660

may be explaining this as you were going

1198

00:53:27,589 --> 00:53:24,119

through your your process so

1199

00:53:29,809 --> 00:53:27,599

um the so besides the physical uh

1200

00:53:32,690 --> 00:53:29,819

Sensations that you could feel of this

1201  
00:53:34,490 --> 00:53:32,700  
craft and all these other things so what

1202  
00:53:35,990 --> 00:53:34,500  
else what else was there was there

1203  
00:53:37,849 --> 00:53:36,000  
anything specifically

1204  
00:53:40,910 --> 00:53:37,859  
um happening with you physically because

1205  
00:53:43,569 --> 00:53:40,920  
of this close proximity

1206  
00:53:46,730 --> 00:53:43,579  
absolutely nothing and I paid attention

1207  
00:53:50,210 --> 00:53:46,740  
a while it was happening because I was

1208  
00:53:53,690 --> 00:53:50,220  
afraid I was afraid of burning and um

1209  
00:53:57,589 --> 00:53:53,700  
just all this this it was just like a

1210  
00:54:00,470 --> 00:53:57,599  
volcano lava bright and it was shiny I

1211  
00:54:02,630 --> 00:54:00,480  
mean I was orange from the glow

1212  
00:54:05,329 --> 00:54:02,640  
um that was coming off of that plus I

1213  
00:54:07,130 --> 00:54:05,339

you know I had my brights on it so that

1214

00:54:10,970 --> 00:54:07,140

orange glow was fighting the brights of

1215

00:54:12,589 --> 00:54:10,980

my truck plus I had that huge um uh uh

1216

00:54:15,530 --> 00:54:12,599

street light

1217

00:54:17,750 --> 00:54:15,540

um very close to me and because of that

1218

00:54:22,130 --> 00:54:17,760

I could see clearly the bottom of the

1219

00:54:25,370 --> 00:54:22,140

craft and the reflection and the Shadows

1220

00:54:27,829 --> 00:54:25,380

that the little indentations made from

1221

00:54:30,049 --> 00:54:27,839

one side from the orange from whatever

1222

00:54:33,470 --> 00:54:30,059

that stuff was dripping down

1223

00:54:34,910 --> 00:54:33,480

and then from my side from my uh the

1224

00:54:36,170 --> 00:54:34,920

headlights and then from the street

1225

00:54:39,109 --> 00:54:36,180

light

1226

00:54:40,670 --> 00:54:39,119

um I I was waiting for something to

1227

00:54:42,230 --> 00:54:40,680

happen it's like I remember thinking

1228

00:54:44,270 --> 00:54:42,240

should I get back in the in the truck

1229

00:54:46,309 --> 00:54:44,280

you know is the gas tank going to blow

1230

00:54:48,770 --> 00:54:46,319

up so to get behind the truck should I

1231

00:54:50,630 --> 00:54:48,780

run down the hill I mean I was going

1232

00:54:54,170 --> 00:54:50,640

through all this really quick as it was

1233

00:54:56,569 --> 00:54:54,180

coming up on me just to be safe not that

1234

00:54:59,930 --> 00:54:56,579

the thing was threatening me or scared

1235

00:55:00,890 --> 00:54:59,940

me I I was just thinking of safety and

1236

00:55:05,030 --> 00:55:00,900

then

1237

00:55:07,250 --> 00:55:05,040

it it you know after a pass maybe it was

1238

00:55:10,549 --> 00:55:07,260

the relief that I was uh was going to be

1239

00:55:13,190 --> 00:55:10,559

fine but it was just like

1240

00:55:15,410 --> 00:55:13,200

I I just I couldn't help I couldn't stop

1241

00:55:17,210 --> 00:55:15,420

crying and generally when I talk about

1242

00:55:21,049 --> 00:55:17,220

it I cry

1243

00:55:23,450 --> 00:55:21,059

um it it was so overwhelmingly it was

1244

00:55:27,049 --> 00:55:23,460

like this generosity I felt towards it

1245

00:55:29,510 --> 00:55:27,059

it was appreciation it was gratitude

1246

00:55:31,910 --> 00:55:29,520

uh I've never felt anything like that

1247

00:55:34,430 --> 00:55:31,920

I've buried my children I've buried my

1248

00:55:37,130 --> 00:55:34,440

whole family I've had I've had so many

1249

00:55:40,069 --> 00:55:37,140

things happen in life I never had a

1250

00:55:41,870 --> 00:55:40,079

feeling like this and it's been

1251  
00:55:44,630 --> 00:55:41,880  
consistent for over a quarter of a

1252  
00:55:46,670 --> 00:55:44,640  
century and that's my big takeaway from

1253  
00:55:49,549 --> 00:55:46,680  
it Beyond deciding and what an

1254  
00:55:50,990 --> 00:55:49,559  
incredible piece of Machinery it was I

1255  
00:55:53,390 --> 00:55:51,000  
would love to know who you know who had

1256  
00:55:55,609 --> 00:55:53,400  
their photo on the pothole and who built

1257  
00:55:57,589 --> 00:55:55,619  
it who's inside where'd it come from I

1258  
00:55:59,990 --> 00:55:57,599  
have no idea

1259  
00:56:01,370 --> 00:56:00,000  
well you know of course David I'm really

1260  
00:56:03,230 --> 00:56:01,380  
sorry to hear that about your family

1261  
00:56:04,849 --> 00:56:03,240  
it's

1262  
00:56:08,210 --> 00:56:04,859  
um

1263  
00:56:10,730 --> 00:56:08,220

I'm I'm you know just I'm sorry you had

1264

00:56:12,230 --> 00:56:10,740

to go through that and um um I don't

1265

00:56:14,390 --> 00:56:12,240

know when it comes to the rest of the

1266

00:56:15,770 --> 00:56:14,400

stuff maybe maybe enough will come out

1267

00:56:17,569 --> 00:56:15,780

to where I'm

1268

00:56:20,089 --> 00:56:17,579

um you know if and when eventual contact

1269

00:56:21,829 --> 00:56:20,099

is made you'll get to meet them or maybe

1270

00:56:24,170 --> 00:56:21,839

the government will come out and they

1271

00:56:28,069 --> 00:56:24,180

might have some more info who knows yeah

1272

00:56:30,410 --> 00:56:28,079

um yeah but um was this so this this

1273

00:56:34,430 --> 00:56:30,420

happening uh was it when your family was

1274

00:56:39,770 --> 00:56:36,770

um my children died you know probably

1275

00:56:43,010 --> 00:56:39,780

about eight years prior which

1276

00:56:46,190 --> 00:56:43,020

um I had uh you know learned my lessons

1277

00:56:48,290 --> 00:56:46,200

uh as your family passes before you or

1278

00:56:51,349 --> 00:56:48,300

you pass before your family it's either

1279

00:56:53,990 --> 00:56:51,359

one or the other I mean that's it and

1280

00:56:57,710 --> 00:56:54,000

that led me to become a hospice nurse

1281

00:57:00,470 --> 00:56:57,720

and I I did Hospice 17 years I also did

1282

00:57:04,370 --> 00:57:00,480

five years of hospice Pediatric and then

1283

00:57:07,670 --> 00:57:04,380

I went became a pediatric burn nurse so

1284

00:57:10,370 --> 00:57:07,680

it it really brought out a direction for

1285

00:57:12,829 --> 00:57:10,380

my life you know what was the what was

1286

00:57:15,049 --> 00:57:12,839

the the reaction of anyone else that was

1287

00:57:16,790 --> 00:57:15,059

then around you you know a co-worker

1288

00:57:19,430 --> 00:57:16,800

other other

1289

00:57:21,710 --> 00:57:19,440

um maybe relatives or family members you

1290

00:57:23,870 --> 00:57:21,720

were around uh did you share the story

1291

00:57:25,190 --> 00:57:23,880

with them did you keep quiet can you can

1292

00:57:26,230 --> 00:57:25,200

you tell me a little bit about about

1293

00:57:29,930 --> 00:57:26,240

that

1294

00:57:33,049 --> 00:57:29,940

well working hospice and and we had a 10

1295

00:57:35,990 --> 00:57:33,059

bed unit and our average life expectancy

1296

00:57:39,049 --> 00:57:36,000

there was 72 hours so we would lose a

1297

00:57:41,990 --> 00:57:39,059

couple patients a shift so you know

1298

00:57:45,770 --> 00:57:42,000

it was a uh we were very emotionally

1299

00:57:48,950 --> 00:57:45,780

supportive uh Team of nurses plus with

1300

00:57:51,650 --> 00:57:48,960

the families and with our patients we

1301  
00:57:54,170 --> 00:57:51,660  
had many experiences

1302  
00:57:56,690 --> 00:57:54,180  
um with our recently deceased patients

1303  
00:58:00,290 --> 00:57:56,700  
you can imagine probably every room at

1304  
00:58:02,809 --> 00:58:00,300  
least 500 people died in every in all of

1305  
00:58:05,809 --> 00:58:02,819  
our ten rooms there and we were there

1306  
00:58:07,970 --> 00:58:05,819  
for years and years and years so we felt

1307  
00:58:10,730 --> 00:58:07,980  
free about talking about things that we

1308  
00:58:13,130 --> 00:58:10,740  
saw and they were completely supportive

1309  
00:58:15,170 --> 00:58:13,140  
and especially you know turn on the TV

1310  
00:58:16,849 --> 00:58:15,180  
and there's you know there's a dozen

1311  
00:58:18,829 --> 00:58:16,859  
people well we you know flew right over

1312  
00:58:21,650 --> 00:58:18,839  
our house it flew over a school that

1313  
00:58:24,109 --> 00:58:21,660

flew over you know whatever so there was

1314

00:58:27,109 --> 00:58:24,119

a lot of support uh on the from the news

1315

00:58:28,910 --> 00:58:27,119

so no one thought I was nuts I think uh

1316

00:58:30,650 --> 00:58:28,920

the people that didn't see it were upset

1317

00:58:33,290 --> 00:58:30,660

that they weren't outside looking at the

1318

00:58:37,069 --> 00:58:33,300

sky at the time and had the night nurse

1319

00:58:39,589 --> 00:58:37,079

that replaced me had she been in on uh

1320

00:58:44,510 --> 00:58:39,599

come in on time I would have been home

1321

00:58:46,670 --> 00:58:44,520

and missed it so uh yeah yeah it was

1322

00:58:48,549 --> 00:58:46,680

just a fluke that had happened to me but

1323

00:58:52,069 --> 00:58:48,559

I couldn't have been in a better place

1324

00:58:52,789 --> 00:58:52,079

to see it at the angle that I saw it

1325

00:58:58,370 --> 00:58:52,799

um

1326

00:59:00,530 --> 00:58:58,380

David on the off chance that someone uh

1327

00:59:02,809 --> 00:59:00,540

that's watching now and later on this

1328

00:59:04,849 --> 00:59:02,819

will stay on on the web Forever Until it

1329

00:59:05,870 --> 00:59:04,859

you know until or if they ever take it

1330

00:59:08,569 --> 00:59:05,880

down

1331

00:59:10,309 --> 00:59:08,579

um someone from Phoenix and is looking

1332

00:59:12,109 --> 00:59:10,319

for a support group is there any kind of

1333

00:59:14,030 --> 00:59:12,119

information you could give out regarding

1334

00:59:16,010 --> 00:59:14,040

that and and that's your support group

1335

00:59:18,109 --> 00:59:16,020

but just you know you said this an event

1336

00:59:20,089 --> 00:59:18,119

that's happening regularly um and maybe

1337

00:59:24,170 --> 00:59:20,099

talk about that a little bit

1338

00:59:28,609 --> 00:59:24,180

yeah around March 13th of each year for

1339

00:59:30,589 --> 00:59:28,619

about the past 15 years we um they get

1340

00:59:34,190 --> 00:59:30,599

together in Scottsdale at a movie

1341

00:59:35,510 --> 00:59:34,200

theater uh Dr Lynn kitai I always spell

1342

00:59:36,170 --> 00:59:35,520

it wrong

1343

00:59:38,390 --> 00:59:36,180

um

1344

00:59:42,650 --> 00:59:38,400

who has written a book and done a

1345

00:59:44,870 --> 00:59:42,660

documentary on this plays the video and

1346

00:59:47,230 --> 00:59:44,880

um we have a couple Witnesses and it's

1347

00:59:49,789 --> 00:59:47,240

about a four or five hour uh afternoon

1348

00:59:53,750 --> 00:59:49,799

and we get to share it and that's really

1349

00:59:56,809 --> 00:59:53,760

nice she also has a website I I really

1350

00:59:59,990 --> 00:59:56,819

can't think of what it is phoenixlight

1351

01:00:02,329 --> 01:00:00,000

dot net or something like that there's

1352

01:00:04,010 --> 01:00:02,339

also a band group that happens here now

1353

01:00:06,410 --> 01:00:04,020

and they call themselves Phoenix Lights

1354

01:00:08,809 --> 01:00:06,420

so when you Google Phoenix Lights a lot

1355

01:00:12,049 --> 01:00:08,819

of it's a band group you kind of gotta

1356

01:00:15,109 --> 01:00:12,059

do Phoenix flights UFO if you're going

1357

01:00:17,809 --> 01:00:15,119

to search that we also have a local

1358

01:00:21,829 --> 01:00:17,819

mufon group that meets once a month I

1359

01:00:25,130 --> 01:00:21,839

attend that they they don't focus on the

1360

01:00:27,289 --> 01:00:25,140

Phoenix Lights months much but at the

1361

01:00:30,470 --> 01:00:27,299

Arizona Museum there's a permanent

1362

01:00:34,309 --> 01:00:30,480

display and a model of the Phoenix

1363

01:00:36,589 --> 01:00:34,319

Lights craft as a V and there's photos

1364

01:00:39,770 --> 01:00:36,599

on the wall it's been there for several

1365

01:00:42,289 --> 01:00:39,780

years and then there's videos you can

1366

01:00:44,569 --> 01:00:42,299

push a button play the video so that was

1367

01:00:47,390 --> 01:00:44,579

really nice that they do that they

1368

01:00:48,890 --> 01:00:47,400

supported this you know commemorated the

1369

01:00:51,289 --> 01:00:48,900

event

1370

01:00:53,870 --> 01:00:51,299

thank you for that information David so

1371

01:00:55,730 --> 01:00:53,880

uh is there anything else you would like

1372

01:00:57,109 --> 01:00:55,740

to you know share regarding this event

1373

01:00:59,390 --> 01:00:57,119

it's pertinent that you want to talk

1374

01:01:02,450 --> 01:01:00,589

um that's

1375

01:01:04,190 --> 01:01:02,460

that's pretty much what happened I mean

1376

01:01:10,490 --> 01:01:04,200

I

1377

01:01:13,130 --> 01:01:10,500

people that say oh yeah yeah my neighbor

1378

01:01:16,250 --> 01:01:13,140

saw that or I saw that

1379

01:01:18,770 --> 01:01:16,260

um there was a big cover up I know

1380

01:01:21,049 --> 01:01:18,780

um somebody that worked in along with

1381

01:01:24,829 --> 01:01:21,059

the governor who tried to come forward

1382

01:01:27,890 --> 01:01:24,839

about this almost lost her job for

1383

01:01:30,530 --> 01:01:27,900

speaking out about it but um

1384

01:01:32,510 --> 01:01:30,540

you know I think as the as the governor

1385

01:01:35,690 --> 01:01:32,520

was no longer governor and whatever

1386

01:01:39,230 --> 01:01:35,700

pressures he was under came forward and

1387

01:01:41,630 --> 01:01:39,240

he was a I believe a military pilot and

1388

01:01:44,030 --> 01:01:41,640

he said absolutely was nothing from this

1389

01:01:46,010 --> 01:01:44,040

planet I don't know where it was from

1390

01:01:50,510 --> 01:01:46,020

and I don't want to read into it but

1391

01:01:53,150 --> 01:01:50,520

that thing was absolutely massive and it

1392

01:01:55,549 --> 01:01:53,160

was silent and and it didn't even make

1393

01:01:59,569 --> 01:01:55,559

wind it didn't even you know blow my

1394

01:02:02,210 --> 01:01:59,579

hair it there was no sound there was no

1395

01:02:04,130 --> 01:02:02,220

odor there the next day I got up and I

1396

01:02:06,410 --> 01:02:04,140

looked in the mirror to see if I had you

1397

01:02:09,069 --> 01:02:06,420

know radiation burn or something nothing

1398

01:02:13,069 --> 01:02:09,079

I had absolutely

1399

01:02:15,530 --> 01:02:13,079

uh no negative effect from seeing it uh

1400

01:02:18,230 --> 01:02:15,540

it was just this positive thing this

1401

01:02:19,970 --> 01:02:18,240

positive effect it's been in my life and

1402

01:02:22,789 --> 01:02:19,980

uh and I just felt like a better person

1403

01:02:26,150 --> 01:02:22,799

for it but no one else seemed to have

1404

01:02:29,410 --> 01:02:26,160

had that effect so I don't know I stand

1405

01:02:36,910 --> 01:02:33,289

I'm getting old my health is failing and

1406

01:02:39,890 --> 01:02:36,920

I just wanted to to document what I saw

1407

01:02:41,510 --> 01:02:39,900

and uh you know maybe maybe someone will

1408

01:02:43,069 --> 01:02:41,520

maybe someone will get some answers

1409

01:02:45,289 --> 01:02:43,079

someday

1410

01:02:47,270 --> 01:02:45,299

well David I don't know um if you caught

1411

01:02:49,190 --> 01:02:47,280

the beginning of the show or if you

1412

01:02:50,089 --> 01:02:49,200

heard about the recent whistleblower

1413

01:02:51,829 --> 01:02:50,099

news

1414

01:02:54,650 --> 01:02:51,839

um do you yeah if you if you have do you

1415

01:02:57,530 --> 01:02:54,660

have any thoughts on that

1416

01:03:00,049 --> 01:02:57,540

um I I got kind of a

1417

01:03:02,809 --> 01:03:00,059

odd feeling

1418

01:03:04,789 --> 01:03:02,819

um it'll be interesting to say I don't

1419

01:03:07,970 --> 01:03:04,799

want to I don't want to pass judgment on

1420

01:03:09,890 --> 01:03:07,980

anybody else it just um

1421

01:03:12,349 --> 01:03:09,900

I I don't know when I talk about you

1422

01:03:14,990 --> 01:03:12,359

know when I hear myself talk about what

1423

01:03:17,870 --> 01:03:15,000

I saw I know people think that's just

1424

01:03:20,809 --> 01:03:17,880

crazy I mean how can that be so I don't

1425

01:03:23,150 --> 01:03:20,819

want to devalue anything anybody else

1426

01:03:24,829 --> 01:03:23,160

says that they've seen But I just kind

1427

01:03:27,410 --> 01:03:24,839

of Wonder

1428

01:03:28,910 --> 01:03:27,420

um about how much um how much truth is

1429

01:03:32,870 --> 01:03:28,920

coming out from the government or

1430

01:03:34,670 --> 01:03:32,880

ex-government people my dad

1431

01:03:37,910 --> 01:03:34,680

um when I was a kid when I was 10 years

1432

01:03:41,450 --> 01:03:37,920

old this is back in the in the mid 1960s

1433

01:03:44,210 --> 01:03:41,460

we lived in Ohio and we uh were driving

1434

01:03:47,030 --> 01:03:44,220

by Wright-Patterson Air Force Base in in

1435

01:03:49,130 --> 01:03:47,040

Dayton and I'm in the back seat reading

1436

01:03:51,589 --> 01:03:49,140

a comic book my dad's driving my mom's

1437

01:03:53,750 --> 01:03:51,599

next to him and he points to ability and

1438

01:03:55,730 --> 01:03:53,760

says to my mom he says that's the

1439

01:03:57,950 --> 01:03:55,740

building where we put the flying saucers

1440

01:03:59,990 --> 01:03:57,960

and the alien bodies

1441

01:04:02,510 --> 01:04:00,000

and I'm peeping up and I'm saying I want

1442

01:04:04,549 --> 01:04:02,520

to see the flying saucers well my dad

1443

01:04:06,349 --> 01:04:04,559

didn't realize I was listening and he

1444

01:04:08,150 --> 01:04:06,359

you know quickly changed the subjects he

1445

01:04:11,329 --> 01:04:08,160

says only special people get to see

1446

01:04:12,710 --> 01:04:11,339

those let's go get ice cream and then I

1447

01:04:15,349 --> 01:04:12,720

want to see the flying saucers and

1448

01:04:18,410 --> 01:04:15,359

there's no no no no no but you know he

1449

01:04:19,730 --> 01:04:18,420

quickly changed the subject and and you

1450

01:04:22,370 --> 01:04:19,740

know off we went

1451

01:04:24,170 --> 01:04:22,380

and over the years he would ask me you

1452

01:04:26,510 --> 01:04:24,180

know what do you think about UFOs I mean

1453

01:04:28,849 --> 01:04:26,520

it's like I've never really had any

1454

01:04:31,609 --> 01:04:28,859

interest in them whatsoever I still

1455

01:04:34,970 --> 01:04:31,619

don't I have an interest in what I saw

1456

01:04:36,650 --> 01:04:34,980

but um I really don't read about him or

1457

01:04:37,970 --> 01:04:36,660

you know I'll watch some videos now and

1458

01:04:40,309 --> 01:04:37,980

then

1459

01:04:42,829 --> 01:04:40,319

um but I always wonder you know what

1460

01:04:44,829 --> 01:04:42,839

went on with my dad uh he was in the

1461

01:04:49,309 --> 01:04:44,839

military from

1462

01:04:51,049 --> 01:04:49,319

1945 to 1952 or 53.

1463

01:04:53,809 --> 01:04:51,059

um I thought he was in the Army but now

1464

01:04:56,809 --> 01:04:53,819

looking stuff up it was Army Air Force

1465

01:04:59,510 --> 01:04:56,819

until about 1947 and then the Air Force

1466

01:05:02,210 --> 01:04:59,520

kind of took off on its own and and I

1467

01:05:05,750 --> 01:05:02,220

believe he went on with the Air Force so

1468

01:05:07,309 --> 01:05:05,760

I wonder what uh what he knew and I

1469

01:05:09,230 --> 01:05:07,319

wished I would have dug more I could

1470

01:05:11,569 --> 01:05:09,240

tell that my dad wanted to talk about it

1471

01:05:15,230 --> 01:05:11,579

but I I just had no interest

1472

01:05:18,650 --> 01:05:15,240

and my dad's dad his dad uh had a

1473

01:05:22,609 --> 01:05:18,660

clipping uh he saw a cigar-shaped object

1474

01:05:25,069 --> 01:05:22,619

in 1919 and he reported it to the local

1475

01:05:28,130 --> 01:05:25,079

newspaper and he had the clipping in his

1476

01:05:31,069 --> 01:05:28,140

uh his scrapbook and I was kids we'd

1477

01:05:33,109 --> 01:05:31,079

always when we went to see Grandpa we

1478

01:05:35,990 --> 01:05:33,119

would always pull out the Scrapbook and

1479

01:05:38,089 --> 01:05:36,000

and read about him uh seeing the

1480

01:05:40,549 --> 01:05:38,099

cigar-shaped craft flying over the trees

1481

01:05:43,190 --> 01:05:40,559

and houses and zipped off so it was

1482

01:05:46,490 --> 01:05:43,200

three generations of males that have

1483

01:05:48,289 --> 01:05:46,500

seen UFOs in our family and who knows if

1484

01:05:51,289 --> 01:05:48,299

my kids you know

1485

01:05:53,450 --> 01:05:51,299

uh we grew up who knows if they would

1486

01:05:55,250 --> 01:05:53,460

have seen something or not I don't know

1487

01:05:58,549 --> 01:05:55,260

but you know the way things are going

1488

01:06:00,950 --> 01:05:58,559

and if there's any truth to

1489

01:06:03,250 --> 01:06:00,960

um this government will you know

1490

01:06:05,930 --> 01:06:03,260

eventually whether by force or otherwise

1491

01:06:07,789 --> 01:06:05,940

releasing more and more if there was a

1492

01:06:10,849 --> 01:06:07,799

program that your father was involved

1493

01:06:12,430 --> 01:06:10,859

with I'm sure it's recorded and and

1494

01:06:14,990 --> 01:06:12,440

um you know um

1495

01:06:18,109 --> 01:06:15,000

like it's recorded somewhere you know

1496

01:06:21,049 --> 01:06:18,119

there's some paperwork some trail

1497

01:06:23,390 --> 01:06:21,059

wouldn't that be interesting yeah it's

1498

01:06:25,250 --> 01:06:23,400

um yeah these are great times to be a

1499

01:06:27,529 --> 01:06:25,260

young person because I think all this

1500

01:06:28,789 --> 01:06:27,539

stuff's going to come out for you guys I

1501

01:06:30,890 --> 01:06:28,799

think you guys are going to get the

1502

01:06:33,410 --> 01:06:30,900

answers and it's a shame the older

1503

01:06:36,289 --> 01:06:33,420

people my dad's generation that was

1504

01:06:40,130 --> 01:06:36,299

intimidated so much by saying anything

1505

01:06:42,589 --> 01:06:40,140

and I was watching an old uh Cartoon a

1506

01:06:46,130 --> 01:06:42,599

friend sent it to me and it was Daffy

1507

01:06:48,410 --> 01:06:46,140

Duck saw a UFO and how crazy he was he

1508

01:06:51,349 --> 01:06:48,420

was and they they put him in a straight

1509

01:06:53,210 --> 01:06:51,359

jacket and and carried him off that's a

1510

01:06:57,529 --> 01:06:53,220

what a horrible thing to have done to

1511

01:06:59,870 --> 01:06:57,539

people in the 1950s and now today it's

1512

01:07:02,270 --> 01:06:59,880

coming out it's on the news it's

1513

01:07:03,829 --> 01:07:02,280

this is amazing to be able to talk about

1514

01:07:06,529 --> 01:07:03,839

this freely

1515

01:07:08,329 --> 01:07:06,539

right yeah now now there's there's no

1516

01:07:10,730 --> 01:07:08,339

straight jacket for anybody say

1517

01:07:13,549 --> 01:07:10,740

everything anything it's it's out there

1518

01:07:15,230 --> 01:07:13,559

you know it's like no repercussions like

1519

01:07:18,230 --> 01:07:15,240

they used to have

1520

01:07:20,870 --> 01:07:18,240

it's it's a great time to be into this

1521

01:07:23,829 --> 01:07:20,880

topic you guys you guys are gonna l

1522

01:07:26,750 --> 01:07:23,839

think you guys are gonna get the answers

1523

01:07:28,910 --> 01:07:26,760

you know I'm hoping of course always the

1524

01:07:30,890 --> 01:07:28,920

best for you you know but you know just

1525

01:07:33,170 --> 01:07:30,900

if you stick around for another 10 years

1526

01:07:34,430 --> 01:07:33,180

it'll be it'll be quite a different

1527

01:07:37,670 --> 01:07:34,440

reality

1528

01:07:40,069 --> 01:07:37,680

I I believe it I think it's uh I think

1529

01:07:42,289 --> 01:07:40,079

the Snowball Effect is uh has

1530

01:07:44,750 --> 01:07:42,299

accumulated and so many people have come

1531

01:07:48,349 --> 01:07:44,760

forward and told their stories and they

1532

01:07:50,510 --> 01:07:48,359

refuse to shut up and uh that's what we

1533

01:07:53,450 --> 01:07:50,520

need we just uh we just need everybody

1534

01:07:56,029 --> 01:07:53,460

to speak up and and not just online but

1535

01:07:59,029 --> 01:07:56,039

to their friends our family you know it

1536

01:08:01,309 --> 01:07:59,039

was like me speaking to that um

1537

01:08:03,410 --> 01:08:01,319

um the retired Sheriff from the Navajo

1538

01:08:06,230 --> 01:08:03,420

reservation who knows if you would have

1539

01:08:08,630 --> 01:08:06,240

brought that up I I forget how the

1540

01:08:11,390 --> 01:08:08,640

conversation came up but you know what

1541

01:08:13,670 --> 01:08:11,400

went on up there and why were they so

1542

01:08:16,970 --> 01:08:13,680

free up there on the Navajo reservation

1543

01:08:19,309 --> 01:08:16,980

and not afraid to be seen it's uh

1544

01:08:21,769 --> 01:08:19,319

there's just so many questions uh it's

1545

01:08:23,990 --> 01:08:21,779

coming out it's coming out soon

1546

01:08:25,610 --> 01:08:24,000

well you know it's just uh still amazing

1547

01:08:27,709 --> 01:08:25,620

just even people within your own

1548

01:08:30,410 --> 01:08:27,719

vicinity I've talked about this a couple

1549

01:08:33,650 --> 01:08:30,420

weeks back so good for a good friend of

1550

01:08:35,269 --> 01:08:33,660

mine he finally like um it was Tucker

1551

01:08:38,510 --> 01:08:35,279

Carlson has mentioned something about

1552

01:08:40,430 --> 01:08:38,520

UFOs and he called me and shared the

1553

01:08:42,590 --> 01:08:40,440

article to tell me all about it you know

1554

01:08:44,450 --> 01:08:42,600

I was kind of making a little bit fun of

1555

01:08:46,849 --> 01:08:44,460

him because I'm like you you know that

1556

01:08:49,669 --> 01:08:46,859

you know you you preacher to the choir

1557

01:08:52,970 --> 01:08:49,679

here but um uh what he then proceeded to

1558

01:08:56,209 --> 01:08:52,980

do is just tell me in many ways that he

1559

01:08:59,150 --> 01:08:56,219

just never did before about how dad like

1560

01:09:01,610 --> 01:08:59,160

literally changed his reality he says

1561

01:09:04,789 --> 01:09:01,620

like it was like if something opened up

1562

01:09:07,130 --> 01:09:04,799

within him to where this is now a

1563

01:09:08,930 --> 01:09:07,140

possibility he says before I mean he's

1564

01:09:11,030 --> 01:09:08,940

been around me around other people I

1565

01:09:12,890 --> 01:09:11,040

mean he was the camera guy at the UFO

1566

01:09:16,130 --> 01:09:12,900

conference for for God's sake you know

1567

01:09:18,890 --> 01:09:16,140

and nothing took you know nothing you

1568

01:09:20,990 --> 01:09:18,900

know seeped through but it took someone

1569

01:09:22,789 --> 01:09:21,000

like you know that he trusts at least

1570

01:09:25,189 --> 01:09:22,799

from his point of view Tucker to say

1571

01:09:27,829 --> 01:09:25,199

something about UFOs and it changes

1572

01:09:29,630 --> 01:09:27,839

entire world and it was amazing just to

1573

01:09:31,550 --> 01:09:29,640

have that conversation with them you

1574

01:09:33,530 --> 01:09:31,560

know but uh things like that might be

1575

01:09:35,630 --> 01:09:33,540

happening to a lot more people you know

1576

01:09:37,970 --> 01:09:35,640

and uh good thing is that they've been

1577

01:09:40,070 --> 01:09:37,980

crazies like myself and you know

1578

01:09:41,689 --> 01:09:40,080

yourself and many others online that

1579

01:09:44,150 --> 01:09:41,699

have been talking about this for a long

1580

01:09:47,209 --> 01:09:44,160

time to where they can then just use

1581

01:09:49,729 --> 01:09:47,219

this as an online library for reference

1582

01:09:51,590 --> 01:09:49,739

the uh you know there's thousands and

1583

01:09:54,070 --> 01:09:51,600

thousands of people in the government

1584

01:09:56,990 --> 01:09:54,080

that know all this they know everything

1585

01:10:00,530 --> 01:09:57,000

we're still amazed at whites in the sky

1586

01:10:01,970 --> 01:10:00,540

they are so far beyond that I mean you

1587

01:10:04,310 --> 01:10:01,980

know that they've understood the lights

1588

01:10:06,950 --> 01:10:04,320

in the sky back in probably the 30s and

1589

01:10:10,189 --> 01:10:06,960

the 40s they are they know everything

1590

01:10:12,830 --> 01:10:10,199

about this they know they know so much

1591

01:10:16,070 --> 01:10:12,840

and we're still you know trying to get

1592

01:10:18,410 --> 01:10:16,080

you know the crust just the crust on the

1593

01:10:21,530 --> 01:10:18,420

outside of the loaf of bread and and

1594

01:10:24,110 --> 01:10:21,540

they've got the whole thing uh it's just

1595

01:10:25,149 --> 01:10:24,120

to let them release and for whatever

1596

01:10:28,130 --> 01:10:25,159

reason

1597

01:10:31,430 --> 01:10:28,140

there's there's got to be something

1598

01:10:33,770 --> 01:10:31,440

big time that they're just not wanting

1599

01:10:36,110 --> 01:10:33,780

to let go I don't I don't think they're

1600

01:10:37,970 --> 01:10:36,120

worried about our religion or you know

1601  
01:10:39,770 --> 01:10:37,980  
if we're gonna Panic there's something

1602  
01:10:41,570 --> 01:10:39,780  
going on that they're sitting on this

1603  
01:10:43,370 --> 01:10:41,580  
globally

1604  
01:10:45,290 --> 01:10:43,380  
for all these years

1605  
01:10:47,030 --> 01:10:45,300  
well I think

1606  
01:10:50,270 --> 01:10:47,040  
um just through because of my own

1607  
01:10:53,030 --> 01:10:50,280  
experiences and prior to to you know

1608  
01:10:54,830 --> 01:10:53,040  
sources you know uh like Bashar that I

1609  
01:10:56,990 --> 01:10:54,840  
trust very much at the end of the day

1610  
01:11:00,649 --> 01:10:57,000  
something very simple and very human

1611  
01:11:02,750 --> 01:11:00,659  
it's just simply uh the control the

1612  
01:11:05,510 --> 01:11:02,760  
control of the narrative you know

1613  
01:11:08,510 --> 01:11:05,520

because if you look at every uh

1614

01:11:11,630 --> 01:11:08,520

politician or the way things are set up

1615

01:11:13,610 --> 01:11:11,640

um in order for them to be looked at as

1616

01:11:16,010 --> 01:11:13,620

somebody to look up to or listen to

1617

01:11:18,229 --> 01:11:16,020

everything has to come through them so

1618

01:11:20,689 --> 01:11:18,239

that we go to them and listen to them

1619

01:11:22,970 --> 01:11:20,699

about what whatever it is saying uh it's

1620

01:11:24,950 --> 01:11:22,980

not until they reveal something then

1621

01:11:26,810 --> 01:11:24,960

it's true until they reveal something

1622

01:11:30,050 --> 01:11:26,820

then that's when we should pay attention

1623

01:11:32,330 --> 01:11:30,060

to and that is the the general issue

1624

01:11:35,930 --> 01:11:32,340

that I've personally experienced myself

1625

01:11:38,390 --> 01:11:35,940

is that this thing and I'm often

1626

01:11:40,850 --> 01:11:38,400

discussed in this way that when contact

1627

01:11:43,070 --> 01:11:40,860

happens there will not be you know a man

1628

01:11:45,530 --> 01:11:43,080

woman or child on the planet not even a

1629

01:11:48,169 --> 01:11:45,540

rock that will not be aware that contact

1630

01:11:51,110 --> 01:11:48,179

has occurred you know that's that's how

1631

01:11:53,390 --> 01:11:51,120

powerful this this is you know and

1632

01:11:55,430 --> 01:11:53,400

um that's what I just based on my

1633

01:11:57,050 --> 01:11:55,440

experiences what I foresee happening you

1634

01:11:58,970 --> 01:11:57,060

know it's not something because right

1635

01:12:00,410 --> 01:11:58,980

now we can still go well you know I'm

1636

01:12:02,510 --> 01:12:00,420

not into this because so many people

1637

01:12:04,130 --> 01:12:02,520

even to this day it's like hey um I

1638

01:12:06,110 --> 01:12:04,140

heard about this your four stuff you're

1639

01:12:08,450 --> 01:12:06,120

into that thing right you know I saw

1640

01:12:10,250 --> 01:12:08,460

this article whatever I'm like you live

1641

01:12:12,649 --> 01:12:10,260

on the same Planet if I'm not mistaken

1642

01:12:15,110 --> 01:12:12,659

like why is it my thing like you live

1643

01:12:17,810 --> 01:12:15,120

here too you know it's like why why is

1644

01:12:20,689 --> 01:12:17,820

this only you know a a niche that only I

1645

01:12:22,970 --> 01:12:20,699

cover and you are above it all you know

1646

01:12:24,290 --> 01:12:22,980

I was I didn't feel insulted I'm just

1647

01:12:26,950 --> 01:12:24,300

trying to understand the psychology

1648

01:12:29,870 --> 01:12:26,960

behind all of that

1649

01:12:31,310 --> 01:12:29,880

there's there's definitely power in

1650

01:12:33,530 --> 01:12:31,320

Secrets

1651  
01:12:35,630 --> 01:12:33,540  
um you know traditional religions have

1652  
01:12:39,050 --> 01:12:35,640  
realized that

1653  
01:12:42,350 --> 01:12:39,060  
um I I I agree they're they're using it

1654  
01:12:45,050 --> 01:12:42,360  
for control for whatever reason it's

1655  
01:12:46,910 --> 01:12:45,060  
going to be interesting and uh I you

1656  
01:12:49,310 --> 01:12:46,920  
know it's odd that some of these crafts

1657  
01:12:51,770 --> 01:12:49,320  
are certainly making themselves known

1658  
01:12:55,010 --> 01:12:51,780  
and they are evidently picking up people

1659  
01:12:56,990 --> 01:12:55,020  
and I you know I hear about abduction

1660  
01:12:58,970 --> 01:12:57,000  
stories and

1661  
01:13:01,070 --> 01:12:58,980  
um you know I wonder what the government

1662  
01:13:03,110 --> 01:13:01,080  
thinks about that are they are they

1663  
01:13:04,850 --> 01:13:03,120

ticked that uh you know they're showing

1664

01:13:06,470 --> 01:13:04,860

themselves to people or is that a part

1665

01:13:08,570 --> 01:13:06,480

of the plan

1666

01:13:11,510 --> 01:13:08,580

um I don't know I don't know I got I got

1667

01:13:13,790 --> 01:13:11,520

a thousand more questions than answers

1668

01:13:15,770 --> 01:13:13,800

right well you know did interviews with

1669

01:13:17,270 --> 01:13:15,780

a lot of people that that you know have

1670

01:13:20,450 --> 01:13:17,280

stories and opinions from that

1671

01:13:22,669 --> 01:13:20,460

perspective too you know just uh uh what

1672

01:13:24,470 --> 01:13:22,679

the government knows and and uh the

1673

01:13:26,630 --> 01:13:24,480

programs they're very involved with and

1674

01:13:29,390 --> 01:13:26,640

and you know still continue to this day

1675

01:13:32,149 --> 01:13:29,400

and as this article that I talked about

1676

01:13:33,770 --> 01:13:32,159

you know mentions but anyway I don't

1677

01:13:35,510 --> 01:13:33,780

know David I guess just like I said

1678

01:13:39,530 --> 01:13:35,520

stick around another 10 years it would

1679

01:13:41,870 --> 01:13:39,540

be it would be thrilling to see

1680

01:13:44,050 --> 01:13:41,880

I plan on doing that I certainly will

1681

01:13:46,970 --> 01:13:44,060

take my vitamins

1682

01:13:48,050 --> 01:13:46,980

and hang around and watch the news right

1683

01:13:49,669 --> 01:13:48,060

that's it

1684

01:13:52,729 --> 01:13:49,679

well David thank you very much thank you

1685

01:13:54,350 --> 01:13:52,739

so much no thank you from the bottom of

1686

01:13:56,570 --> 01:13:54,360

my heart I'm glad you're able to connect

1687

01:13:58,130 --> 01:13:56,580

and uh work it out I'm sorry you had

1688

01:14:00,470 --> 01:13:58,140

some difficulties with telegram but

1689

01:14:02,689 --> 01:14:00,480

you're sounding great which is always

1690

01:14:05,030 --> 01:14:02,699

perfect for any kind of recording

1691

01:14:07,669 --> 01:14:05,040

great thanks so much okay nice talking

1692

01:14:08,630 --> 01:14:07,679

to you yeah you take care don't be a

1693

01:14:11,870 --> 01:14:08,640

stranger

1694

01:14:14,990 --> 01:14:13,550

all right

1695

01:14:17,030 --> 01:14:15,000

let's see here

1696

01:14:19,370 --> 01:14:17,040

all right well there was that was David

1697

01:14:22,790 --> 01:14:19,380

thank you very much David I'm glad uh we

1698

01:14:24,470 --> 01:14:22,800

connected and um because last time when

1699

01:14:27,350 --> 01:14:24,480

I originally had planned to have open

1700

01:14:28,550 --> 01:14:27,360

line where I had to cancel last minute

1701

01:14:32,030 --> 01:14:28,560

um that's when

1702

01:14:33,770 --> 01:14:32,040

um he was wanting to uh was reaching out

1703

01:14:36,350 --> 01:14:33,780

it wanted to come on to tell the story

1704

01:14:38,330 --> 01:14:36,360

and it didn't work out but hey it all

1705

01:14:40,189 --> 01:14:38,340

works out later on

1706

01:14:41,810 --> 01:14:40,199

um let me see here what else we we have

1707

01:14:44,209 --> 01:14:41,820

here if there's anyone else that would

1708

01:14:46,790 --> 01:14:44,219

like to connect please do on telegram or

1709

01:14:49,910 --> 01:14:46,800

ask your question using three asterisks

1710

01:14:51,649 --> 01:14:49,920

in any of the um uh chats that are going

1711

01:14:52,910 --> 01:14:51,659

on right now whether it's on YouTube

1712

01:14:56,149 --> 01:14:52,920

twitch

1713

01:14:58,669 --> 01:14:56,159

um Facebook or Twitter

1714

01:15:00,830 --> 01:14:58,679

um he's a welcome

1715

01:15:03,890 --> 01:15:00,840

I saw earlier you wrote that you had

1716

01:15:05,689 --> 01:15:03,900

your um your

1717

01:15:08,209 --> 01:15:05,699

um operation I'm glad it worked out I'm

1718

01:15:11,330 --> 01:15:08,219

glad you were able to to to walk now

1719

01:15:14,209 --> 01:15:11,340

that that makes me happy so I'm I'm

1720

01:15:16,370 --> 01:15:14,219

hoping just whatever ailment it brought

1721

01:15:17,689 --> 01:15:16,380

to you that it just you overcome quickly

1722

01:15:20,870 --> 01:15:17,699

and just keep on living your life

1723

01:15:25,970 --> 01:15:23,390

uh Leslie great show Ed and thank you

1724

01:15:29,209 --> 01:15:25,980

for us I appreciate it and thanks for

1725

01:15:31,070 --> 01:15:29,219

watching and I don't often say it but if

1726

01:15:32,689 --> 01:15:31,080

you guys find this worth your while and

1727

01:15:35,330 --> 01:15:32,699

maybe someone else might want to see it

1728

01:15:37,010 --> 01:15:35,340

make sure you like and share subscribe

1729

01:15:39,169 --> 01:15:37,020

to the channel so

1730

01:15:40,570 --> 01:15:39,179

um I don't usually usually go through

1731

01:15:43,850 --> 01:15:40,580

those

1732

01:15:46,070 --> 01:15:43,860

requests but if you have some time it

1733

01:15:49,250 --> 01:15:46,080

won't hurt

1734

01:15:51,709 --> 01:15:49,260

all right what else do we have here

1735

01:15:54,530 --> 01:15:51,719

Bradley hi Bradley I haven't seen you in

1736

01:15:57,470 --> 01:15:54,540

a while as well um Bradley since south

1737

01:16:00,110 --> 01:15:57,480

of Africa if I'm not mistaken what

1738

01:16:02,090 --> 01:16:00,120

question you have you have you covering

1739

01:16:05,090 --> 01:16:02,100

the hearing this weekend

1740

01:16:07,790 --> 01:16:05,100

um I know there was a hearing last week

1741

01:16:10,610 --> 01:16:07,800

from NASA but I don't know if there was

1742

01:16:14,689 --> 01:16:10,620

one coming up about something if you can

1743

01:16:19,490 --> 01:16:17,149

um scr pop rock says can you talk about

1744

01:16:22,970 --> 01:16:19,500

Dolores Cannon and Sherry

1745

01:16:25,850 --> 01:16:22,980

right I don't know Sherry right

1746

01:16:28,370 --> 01:16:25,860

but um I don't know what specifically

1747

01:16:32,810 --> 01:16:28,380

you want to know about Dolores Cannon

1748

01:16:36,530 --> 01:16:32,820

um I met her on a few occasions and um

1749

01:16:38,450 --> 01:16:36,540

uh before I guess for like a better word

1750

01:16:40,610 --> 01:16:38,460

joined the family because

1751

01:16:41,510 --> 01:16:40,620

um my um

1752

01:16:44,390 --> 01:16:41,520

um

1753

01:16:48,290 --> 01:16:44,400

my wife is basically her granddaughter

1754

01:16:50,270 --> 01:16:48,300

and so by the time I came around Dolores

1755

01:16:53,510 --> 01:16:50,280

at Fort Hillary passed away so I didn't

1756

01:16:55,850 --> 01:16:53,520

get to know her in that way but I did

1757

01:16:57,470 --> 01:16:55,860

several interviews with her and a little

1758

01:17:07,330 --> 01:16:57,480

bit of time that I did spend with her

1759

01:17:07,340 --> 01:17:12,830

okay let's see what else we got here

1760

01:17:18,169 --> 01:17:15,770

Edward has joined welcome Edward

1761

01:17:20,810 --> 01:17:18,179

okay well if there's no other questions

1762

01:17:22,970 --> 01:17:20,820

and um no one else wanting to join

1763

01:17:26,750 --> 01:17:22,980

telegram to share the story I guess we

1764

01:17:28,850 --> 01:17:26,760

can let this be it and so I'm hoping you

1765

01:17:31,669 --> 01:17:28,860

check out some of the information we

1766

01:17:34,729 --> 01:17:31,679

covered earlier uh re-listen to David's

1767

01:17:36,890 --> 01:17:34,739

story uh very amazing I'm I'm glad I was

1768

01:17:37,910 --> 01:17:36,900

able to talk to him and uh you were

1769

01:17:43,189 --> 01:17:37,920

hearing

1770

01:17:45,169 --> 01:17:43,199

time so it's um I've I've always heard

1771

01:17:46,790 --> 01:17:45,179

about many people I've seen that event

1772

01:17:49,550 --> 01:17:46,800

but never talked to someone who was

1773

01:17:51,590 --> 01:17:49,560

actually there that close and so I

1774

01:17:53,209 --> 01:17:51,600

appreciate him taking the time to to

1775

01:17:55,370 --> 01:17:53,219

come on and talk to me about that very

1776

01:17:57,709 --> 01:17:55,380

much

1777

01:17:59,270 --> 01:17:57,719

okay

1778

01:17:59,870 --> 01:17:59,280

all right well

1779

01:18:02,390 --> 01:17:59,880

um

1780

01:18:05,750 --> 01:18:02,400

that's it pretty much thanks everyone

1781

01:18:07,790 --> 01:18:05,760

um again subscribe like share also

1782

01:18:10,189 --> 01:18:07,800

please keep in mind in the description

1783

01:18:11,870 --> 01:18:10,199

below not only do I have all the links

1784

01:18:14,450 --> 01:18:11,880

to the Articles and some information

1785

01:18:16,550 --> 01:18:14,460

about the upcoming interview with the

1786

01:18:20,450 --> 01:18:16,560

Whistleblower but there's

1787

01:18:22,669 --> 01:18:20,460

um uh the links to all the podcasts that

1788

01:18:24,830 --> 01:18:22,679

have been basically uploading I've been

1789

01:18:28,610 --> 01:18:24,840

turning every interview or every show

1790

01:18:30,530 --> 01:18:28,620

into a MP3 file and just it's a pretty

1791

01:18:34,130 --> 01:18:30,540

much on all the major podcasts I mean I

1792

01:18:36,470 --> 01:18:34,140

heart Amazon Google Apple you name it so

1793

01:18:38,990 --> 01:18:36,480

you can listen to this while you're

1794

01:18:42,050 --> 01:18:39,000

driving or uh whatever it is that you

1795

01:18:44,450 --> 01:18:42,060

happen to be doing and also I've been

1796

01:18:49,010 --> 01:18:44,460

branching out on Rumble to also have

1797

01:18:51,950 --> 01:18:49,020

telegram Rumble and twitch as my outside

1798

01:18:53,510 --> 01:18:51,960

sources for this for this channel so in

1799

01:18:56,750 --> 01:18:53,520

this case something happens to this

1800

01:18:58,610 --> 01:18:56,760

channel uh every show most most of the

1801

01:19:01,310 --> 01:18:58,620

time the next day if not few days after

1802

01:19:03,290 --> 01:19:01,320

is also uploaded on Rumble so please

1803

01:19:06,530 --> 01:19:03,300

subscribe there or follow the channel as

1804

01:19:08,930 --> 01:19:06,540

well and on Twitch because what YouTube

1805

01:19:11,450 --> 01:19:08,940

allows is besides the storing of a video

1806

01:19:14,209 --> 01:19:11,460

I can do a live show like this when they

1807

01:19:17,090 --> 01:19:14,219

take that away I kind of have to kind of

1808

01:19:17,990 --> 01:19:17,100

Branch out so do a live show on Twitter

1809

01:19:20,390 --> 01:19:18,000

page

1810

01:19:22,130 --> 01:19:20,400

and then basically take that save it and

1811

01:19:24,950 --> 01:19:22,140

then upload it to be able to re-watch

1812

01:19:26,930 --> 01:19:24,960

and Rumble so it's great what YouTube

1813

01:19:29,090 --> 01:19:26,940

has to offer but sometimes when they're

1814

01:19:32,330 --> 01:19:29,100

being anal about certain subjects or

1815

01:19:35,750 --> 01:19:32,340

things that I talk about already had

1816

01:19:37,610 --> 01:19:35,760

um one strike I think well two one

1817

01:19:40,850 --> 01:19:37,620

didn't take effect they just warned me

1818

01:19:43,130 --> 01:19:40,860

about it then one said if if the if if

1819

01:19:46,310 --> 01:19:43,140

it happens again I'll be down for seven

1820

01:19:48,110 --> 01:19:46,320

days and then one more for I'll have

1821

01:19:50,990 --> 01:19:48,120

many days and then cancellation of this

1822

01:19:54,110 --> 01:19:51,000

channel so please check out all the

1823

01:19:56,209 --> 01:19:54,120

links follow subscribe wherever telegram

1824

01:19:58,790 --> 01:19:56,219

is specifically because then you can

1825

01:20:01,390 --> 01:19:58,800

stay in touch with the channel this way

1826

01:20:03,649 --> 01:20:01,400

and come on to talk to me

1827

01:20:06,050 --> 01:20:03,659

because I'm basically covering

1828

01:20:07,729 --> 01:20:06,060

everything on my own I don't have a

1829

01:20:10,130 --> 01:20:07,739

producer or separate person they can

1830

01:20:12,410 --> 01:20:10,140

screen calls or anything like that so I

1831

01:20:14,810 --> 01:20:12,420

basically can see you getting onto that

1832

01:20:17,450 --> 01:20:14,820

screen and if you want to speak I can

1833

01:20:18,950 --> 01:20:17,460

kind of bring you in that way now what

1834

01:20:21,050 --> 01:20:18,960

intentions you have I don't know until

1835

01:20:23,450 --> 01:20:21,060

you go live but thankfully so far people

1836

01:20:25,970 --> 01:20:23,460

have been nice and so anyway and plus

1837

01:20:28,370 --> 01:20:25,980

anytime that anything is going on I can

1838

01:20:30,050 --> 01:20:28,380

immediately let all of you know on

1839

01:20:32,870 --> 01:20:30,060

telegram because it's kind of like my

1840

01:20:36,410 --> 01:20:32,880

instant messaging so if you want to be

1841

01:20:38,689 --> 01:20:36,420

more in contact with what's going on and

1842

01:20:41,270 --> 01:20:38,699

anything new that I would like to share

1843

01:20:42,770 --> 01:20:41,280

I try not to bother people with that too

1844

01:20:45,410 --> 01:20:42,780

much because I don't want to just

1845

01:20:47,390 --> 01:20:45,420

constantly post stuff but I always post

1846

01:20:51,110 --> 01:20:47,400

the shows coming up if there's something

1847

01:20:53,570 --> 01:20:51,120

more relevant worth worth sharing share

1848

01:20:57,050 --> 01:20:53,580

it sometimes forget about it but it is

1849

01:21:00,530 --> 01:20:57,060

kind of a direct line to me and so again

1850

01:21:02,209 --> 01:21:00,540

telegram Rumble and twitch are the other

1851

01:21:04,130 --> 01:21:02,219

ones I've been trying to kind of build

1852

01:21:06,229 --> 01:21:04,140

up so in case something happens to

1853

01:21:08,630 --> 01:21:06,239

YouTube you can find me there and all

1854

01:21:11,570 --> 01:21:08,640

the links are in the description below

1855

01:21:15,649 --> 01:21:11,580

okay well thanks again I appreciate all

1856

01:21:17,810 --> 01:21:15,659

of you uh watching and um I'm just I'm

1857

01:21:20,270 --> 01:21:17,820

hoping you are doing well wherever you

1858

01:21:22,490 --> 01:21:20,280

are and have a great rest of the weekend
