

UFO HUB

LIVE STREAM

1
00:00:02,639 --> 00:00:27,010
foreign

2
00:01:02,709 --> 00:00:56,450
[Music]

3
00:01:08,990 --> 00:01:05,690
welcome to dual 4hub live stream today's

4
00:01:11,630 --> 00:01:09,000
guest is going to be Samuel Chung and he

5
00:01:14,270 --> 00:01:11,640
will be talking about a book that's

6
00:01:15,770 --> 00:01:14,280
called taiba prophecy I know I'm

7
00:01:18,289 --> 00:01:15,780
probably butchering it but he'll correct

8
00:01:21,050 --> 00:01:18,299
me later and it was originally a title

9
00:01:24,230 --> 00:01:21,060
abduction to the ninth planet written by

10
00:01:26,390 --> 00:01:24,240
Michelle de Marquis but Samuel was very

11
00:01:29,149 --> 00:01:26,400
instrumental in publishing the book in

12
00:01:33,649 --> 00:01:29,159
China and Taiwan and unfortunately the

13
00:01:35,390 --> 00:01:33,659

author I believe died in 2018 but Samuel

14

00:01:38,270 --> 00:01:35,400

is still continuing the promotion of

15

00:01:40,910 --> 00:01:38,280

this and I'm glad he is and I will talk

16

00:01:43,550 --> 00:01:40,920

to him about this some more but first as

17

00:01:46,789 --> 00:01:43,560

always in the description below you will

18

00:01:49,609 --> 00:01:46,799

find Sam's links or Samuel I don't know

19

00:01:52,190 --> 00:01:49,619

if he likes being called Sam Samuel's

20

00:01:53,990 --> 00:01:52,200

links and links to the books as well so

21

00:01:56,030 --> 00:01:54,000

please check those out and for any other

22

00:01:59,030 --> 00:01:56,040

information that you would would like to

23

00:02:01,130 --> 00:01:59,040

know and also we're going to be taking

24

00:02:03,350 --> 00:02:01,140

some questions later on so you can

25

00:02:05,990 --> 00:02:03,360

either you use telegram to ask the

26

00:02:08,690 --> 00:02:06,000

question of Samuel directly or in the

27

00:02:11,210 --> 00:02:08,700

chat you can simply put three asterix's

28

00:02:13,850 --> 00:02:11,220

and write your question down so that way

29

00:02:15,890 --> 00:02:13,860

I know it's for Samuel and of course the

30

00:02:18,589 --> 00:02:15,900

telegram you can download it and install

31

00:02:20,449 --> 00:02:18,599

on your phone and computer and you'll in

32

00:02:22,610 --> 00:02:20,459

the description you'll find a link to

33

00:02:25,729 --> 00:02:22,620

the UFO Hub telegram Channel where

34

00:02:28,190 --> 00:02:25,739

you'll see a a live voice chat going on

35

00:02:30,530 --> 00:02:28,200

right now and you'll be able to hear us

36

00:02:32,869 --> 00:02:30,540

there and join to ask the questions then

37

00:02:35,449 --> 00:02:32,879

or if you just want to use telegram to

38

00:02:37,610 --> 00:02:35,459

listen and use that as audio that's an

39

00:02:41,630 --> 00:02:37,620

option because currently we should be

40

00:02:44,830 --> 00:02:41,640

live streaming on YouTube on Twitch and

41

00:02:47,390 --> 00:02:44,840

Twitter and Facebook so

42

00:02:49,130 --> 00:02:47,400

uh let me see I think I have everything

43

00:02:53,089 --> 00:02:49,140

else in order and covered a lot of

44

00:02:56,869 --> 00:02:53,099

things and so anyway without any further

45

00:02:59,930 --> 00:02:56,879

Ado let me bring Samuel in

46

00:03:01,309 --> 00:02:59,940

hi Samuel how are you good thanks for

47

00:03:03,470 --> 00:03:01,319

having me here

48

00:03:05,449 --> 00:03:03,480

well thank you very much for uh

49

00:03:07,850 --> 00:03:05,459

connecting with me I'm I'm glad we're

50

00:03:09,530 --> 00:03:07,860

able to join uh we talked a little bit

51
00:03:10,850 --> 00:03:09,540
before the show and

52
00:03:12,530 --> 00:03:10,860
um I mentioned to you that I did read

53
00:03:14,509 --> 00:03:12,540
this book but unfortunately very very

54
00:03:16,790 --> 00:03:14,519
long time ago and I don't remember a lot

55
00:03:19,369 --> 00:03:16,800
of details but it was very riveting and

56
00:03:22,130 --> 00:03:19,379
I'm glad you're uh talking about this so

57
00:03:23,990 --> 00:03:22,140
I guess without any further Ado I wanted

58
00:03:26,509 --> 00:03:24,000
to basically just ask you if you could

59
00:03:28,670 --> 00:03:26,519
just give us a little background about

60
00:03:32,390 --> 00:03:28,680
yourself and how you initially connected

61
00:03:34,490 --> 00:03:32,400
with the author to then be be here today

62
00:03:37,970 --> 00:03:34,500
to speak to me about this

63
00:03:40,970 --> 00:03:37,980

sure I was born in Beijing China about

64

00:03:43,610 --> 00:03:40,980

45 years ago I came to the us at the age

65

00:03:46,430 --> 00:03:43,620

of 15 went to UC Berkeley studied

66

00:03:48,050 --> 00:03:46,440

economics and went to London School of

67

00:03:50,809 --> 00:03:48,060

economics and studied economic history

68

00:03:52,490 --> 00:03:50,819

and also University in Spain I studied

69

00:03:57,250 --> 00:03:52,500

financial analysis

70

00:04:00,050 --> 00:03:57,260

so I was into making a lot of money but

71

00:04:03,229 --> 00:04:00,060

deeply inside of my mind I always wanted

72

00:04:06,110 --> 00:04:03,239

to explore the unknown the answers of

73

00:04:09,649 --> 00:04:06,120

the Paranormal since I was very young

74

00:04:12,589 --> 00:04:09,659

so back in 2014 I was searching for

75

00:04:15,649 --> 00:04:12,599

information or books written by ET

76

00:04:18,830 --> 00:04:15,659

contact teeth believing that if the ETS

77

00:04:21,289 --> 00:04:18,840

could contact us or visit us they must

78

00:04:23,749 --> 00:04:21,299

have Advanced Technologies or

79

00:04:26,270 --> 00:04:23,759

civilization that we can just learn from

80

00:04:29,810 --> 00:04:26,280

them and progress at a much faster Pace

81

00:04:32,150 --> 00:04:29,820

without going through all the process of

82

00:04:34,070 --> 00:04:32,160

learning step by step I was trying to

83

00:04:37,850 --> 00:04:34,080

find a shortcut by learning from the

84

00:04:39,890 --> 00:04:37,860

messages from the ET contact keys so I

85

00:04:42,770 --> 00:04:39,900

found this book at that time it was

86

00:04:45,230 --> 00:04:42,780

written the title was abduction to the

87

00:04:47,930 --> 00:04:45,240

next planet and I checked it out and I

88

00:04:50,390 --> 00:04:47,940

couldn't put the book down because it

89

00:04:52,610 --> 00:04:50,400

answered all the my questions about the

90

00:04:55,310 --> 00:04:52,620

Paranormal like who built a group

91

00:04:57,590 --> 00:04:55,320

Pyramid of Egypt for what purposes

92

00:05:00,530 --> 00:04:57,600

what happens in the Bermuda Triangle

93

00:05:02,570 --> 00:05:00,540

what about the statues on Easter Island

94

00:05:05,450 --> 00:05:02,580

what about the stories in the Bible the

95

00:05:07,450 --> 00:05:05,460

human energy field and also the

96

00:05:10,370 --> 00:05:07,460

abilities to heal

97

00:05:13,330 --> 00:05:10,380

people with diseases

98

00:05:18,050 --> 00:05:13,340

and what about the the

99

00:05:19,850 --> 00:05:18,060

fact that there's a there's not a single

100

00:05:22,730 --> 00:05:19,860

record in the Bible that talks about

101
00:05:26,570 --> 00:05:22,740
Jesus performing Miracles before the age

102
00:05:29,990 --> 00:05:26,580
of 30. everything happened after he

103
00:05:31,249 --> 00:05:30,000
began preaching why is that the case so

104
00:05:33,529 --> 00:05:31,259
I also

105
00:05:36,290 --> 00:05:33,539
like having all these questions on this

106
00:05:37,189 --> 00:05:36,300
book answers all the questions in my

107
00:05:40,010 --> 00:05:37,199
mind

108
00:05:42,469 --> 00:05:40,020
so I read a book and I decided to

109
00:05:46,790 --> 00:05:42,479
explore further and everything within

110
00:05:48,890 --> 00:05:46,800
the book can be verified and validated

111
00:05:51,110 --> 00:05:48,900
but in the PostScript it says that more

112
00:05:53,210 --> 00:05:51,120
incredible things that the author

113
00:05:55,670 --> 00:05:53,220

Michelle de Marquez was not allowed to

114

00:05:58,610 --> 00:05:55,680

write in a book because we were far far

115

00:05:59,689 --> 00:05:58,620

understanding them that got me extremely

116

00:06:01,790 --> 00:05:59,699

curious

117

00:06:04,310 --> 00:06:01,800

the content of the book is really

118

00:06:06,529 --> 00:06:04,320

incredible enough what's more incredible

119

00:06:09,230 --> 00:06:06,539

about it that the author was not allowed

120

00:06:13,310 --> 00:06:09,240

to write in a book so I decided to track

121

00:06:16,790 --> 00:06:13,320

him down and to ask him in person

122

00:06:19,670 --> 00:06:16,800

that's the reason that I spent my own

123

00:06:22,550 --> 00:06:19,680

money and took a trip to Vietnam where

124

00:06:25,010 --> 00:06:22,560

he was living at that time just to meet

125

00:06:27,710 --> 00:06:25,020

with him and to ask him the questions

126

00:06:29,150 --> 00:06:27,720

what else he knew but didn't write in a

127

00:06:31,129 --> 00:06:29,160

book

128

00:06:33,590 --> 00:06:31,139

I didn't know exactly where he was

129

00:06:36,050 --> 00:06:33,600

living but I found a photo of his

130

00:06:39,350 --> 00:06:36,060

Bungalow where he was living on the

131

00:06:42,170 --> 00:06:39,360

internet so I printed that photo and

132

00:06:45,770 --> 00:06:42,180

showed that photo to a taxi driver after

133

00:06:48,170 --> 00:06:45,780

landed on folk Island in Vietnam and the

134

00:06:51,670 --> 00:06:48,180

taxi driver just took me there so it had

135

00:06:53,570 --> 00:06:51,680

just happened I was very lucky I guess

136

00:06:56,510 --> 00:06:53,580

and then

137

00:06:59,270 --> 00:06:56,520

he was not very happy at my visit

138

00:07:01,670 --> 00:06:59,280

because he was a very private person

139

00:07:05,830 --> 00:07:01,680

living a very um

140

00:07:09,050 --> 00:07:05,840

like a private life over there

141

00:07:11,450 --> 00:07:09,060

but then on the third day just two days

142

00:07:14,029 --> 00:07:11,460

before I was about to depart

143

00:07:17,590 --> 00:07:14,039

he showed me a contract that he signed

144

00:07:23,629 --> 00:07:20,689

he said that they paid him two thousand

145

00:07:25,370 --> 00:07:23,639

dollars for the copyright fee but he

146

00:07:27,890 --> 00:07:25,380

never heard from them again he didn't

147

00:07:30,529 --> 00:07:27,900

know whether the book was published in

148

00:07:31,670 --> 00:07:30,539

China or not he wanted me to follow up

149

00:07:34,730 --> 00:07:31,680

with them

150

00:07:37,670 --> 00:07:34,740

that was my opportunity to form a closer

151
00:07:39,650 --> 00:07:37,680
relationship with him so that he could

152
00:07:42,529 --> 00:07:39,660
tell me what he knew but didn't write in

153
00:07:44,990 --> 00:07:42,539
the book so I took the opportunity and

154
00:07:47,749 --> 00:07:45,000
contacted that publisher in China

155
00:07:49,370 --> 00:07:47,759
the publisher turned it turns out that

156
00:07:51,950 --> 00:07:49,380
they didn't want to have the book

157
00:07:53,089 --> 00:07:51,960
published because of the censorship in

158
00:07:57,170 --> 00:07:53,099
China

159
00:07:59,629 --> 00:07:57,180
so I told Michelle demarque and he said

160
00:08:03,170 --> 00:07:59,639
find a different publisher just no

161
00:08:05,930 --> 00:08:03,180
matter what happens whether it gets

162
00:08:08,029 --> 00:08:05,940
published in China Taiwan Singapore Hong

163
00:08:09,820 --> 00:08:08,039

Kong just have the book published in

164

00:08:11,270 --> 00:08:09,830

Chinese and

165

00:08:14,029 --> 00:08:11,280

[Music]

166

00:08:15,950 --> 00:08:14,039

I worked really hard and had a book

167

00:08:19,909 --> 00:08:15,960

published in China in Taiwan where it

168

00:08:25,969 --> 00:08:22,969

well Samuel I'm glad you did that and

169

00:08:27,710 --> 00:08:25,979

especially you know just to get the word

170

00:08:30,650 --> 00:08:27,720

out in multiple multiple languages

171

00:08:32,990 --> 00:08:30,660

because it's one thing is in English but

172

00:08:34,850 --> 00:08:33,000

not everybody speaks English and a lot

173

00:08:36,649 --> 00:08:34,860

of times you know us in the Western

174

00:08:39,350 --> 00:08:36,659

World we're kind of ignorant about that

175

00:08:41,690 --> 00:08:39,360

fact that there's other people in other

176
00:08:43,370 --> 00:08:41,700
countries that you know need that kind

177
00:08:45,889 --> 00:08:43,380
of translated you know instead of just

178
00:08:48,470 --> 00:08:45,899
taking it for how it was originally

179
00:08:51,170 --> 00:08:48,480
written whether it's English or what but

180
00:08:54,050 --> 00:08:51,180
um so can you I figured now is the best

181
00:08:57,290 --> 00:08:54,060
time uh to just start out about what

182
00:09:00,170 --> 00:08:57,300
what is it specifically that uh these

183
00:09:01,730 --> 00:09:00,180
contacts or this abduction uh what what

184
00:09:04,070 --> 00:09:01,740
did it bring about

185
00:09:06,470 --> 00:09:04,080
um obviously it's called the the it's a

186
00:09:07,970 --> 00:09:06,480
prophecy so can you just tell us a

187
00:09:09,710 --> 00:09:07,980
little bit about it what whatever it was

188
00:09:12,829 --> 00:09:09,720

that that was told to him

189

00:09:15,410 --> 00:09:12,839

sure the book reads about the Michelle

190

00:09:18,470 --> 00:09:15,420

Demarcus personal experiences are being

191

00:09:20,990 --> 00:09:18,480

taken by this group of ETS

192

00:09:23,930 --> 00:09:21,000

that have advanced civilization to their

193

00:09:26,690 --> 00:09:23,940

planet called the Jehovah for nine days

194

00:09:30,829 --> 00:09:26,700

and then came back and he was informed

195

00:09:33,170 --> 00:09:30,839

of a lot of the knowledge for example

196

00:09:35,570 --> 00:09:33,180

where we all came from the black people

197

00:09:39,530 --> 00:09:35,580

the yellow people the Caucasians and the

198

00:09:43,130 --> 00:09:39,540

Jewish people the pollinations and how

199

00:09:44,090 --> 00:09:43,140

everything was created by this the great

200

00:09:46,370 --> 00:09:44,100

spirit

201
00:09:50,269 --> 00:09:46,380
how everything got started in the very

202
00:09:52,610 --> 00:09:50,279
beginning and also a lot of the

203
00:09:54,949 --> 00:09:52,620
knowledge that was lost in the ancient

204
00:09:57,009 --> 00:09:54,959
past for example there were ancient

205
00:10:01,850 --> 00:09:57,019
civilizations such as

206
00:10:04,130 --> 00:10:01,860
lemuria and Atlantis and also explains

207
00:10:05,150 --> 00:10:04,140
about the stories and inconsistencies in

208
00:10:07,910 --> 00:10:05,160
the Bible

209
00:10:11,449 --> 00:10:07,920
so is the the book is very dense book

210
00:10:14,449 --> 00:10:11,459
and Michelle demarquet was a landscaper

211
00:10:17,030 --> 00:10:14,459
in Australia he was living in cranes

212
00:10:20,990 --> 00:10:17,040
Australia he didn't have a lot of

213
00:10:24,829 --> 00:10:21,000

Education he didn't know how to

214

00:10:26,990 --> 00:10:24,839

type or use the technology in fact

215

00:10:30,829 --> 00:10:27,000

before he passed away he still didn't

216

00:10:34,550 --> 00:10:30,839

know how to serve the internet

217

00:10:36,310 --> 00:10:34,560

um and this is how he was at that time

218

00:10:39,829 --> 00:10:36,320

um but he had this kind of wonderful

219

00:10:41,870 --> 00:10:39,839

experience and being informed of the

220

00:10:43,269 --> 00:10:41,880

knowledge and specific facts that we can

221

00:10:47,210 --> 00:10:43,279

verify

222

00:10:49,430 --> 00:10:47,220

you know I read other books written by

223

00:10:51,710 --> 00:10:49,440

E.T contact keys I found them

224

00:10:55,250 --> 00:10:51,720

interesting but this book is a little

225

00:10:57,050 --> 00:10:55,260

bit different because I verify the fact

226

00:11:00,889 --> 00:10:57,060

reading the book and so there are

227

00:11:02,930 --> 00:11:00,899

specific verifiable facts I tend to

228

00:11:04,210 --> 00:11:02,940

believe in in things that I have

229

00:11:09,009 --> 00:11:04,220

foundations

230

00:11:12,050 --> 00:11:09,019

and and proofs so to me this book is

231

00:11:14,870 --> 00:11:12,060

very interesting and

232

00:11:16,730 --> 00:11:14,880

experience so many things that we have

233

00:11:19,009 --> 00:11:16,740

been looking for

234

00:11:21,170 --> 00:11:19,019

so it happened in

235

00:11:24,710 --> 00:11:21,180

June 1987

236

00:11:26,930 --> 00:11:24,720

so that's before the internet age before

237

00:11:32,150 --> 00:11:26,940

the internet started in Australia

238

00:11:36,590 --> 00:11:32,160

so he didn't know why but one day

239

00:11:39,290 --> 00:11:36,600

one night he woke up Suddenly in the

240

00:11:42,470 --> 00:11:39,300

middle of the night and he left the note

241

00:11:44,630 --> 00:11:42,480

to his wife Lena saying that he would be

242

00:11:47,930 --> 00:11:44,640

gone for 10 days or so

243

00:11:51,829 --> 00:11:47,940

and then he walked outside of his house

244

00:11:57,170 --> 00:11:51,839

to his yard and he was lifted up where

245

00:12:00,290 --> 00:11:57,180

he saw a very beautiful tall and

246

00:12:07,670 --> 00:12:03,130

nine foot tall ten foot tall blonde

247

00:12:10,009 --> 00:12:07,680

Caucasian E.T with spacesuit

248

00:12:13,490 --> 00:12:10,019

and she was lifted up to the to the

249

00:12:15,590 --> 00:12:13,500

middle of the air and and placed into a

250

00:12:20,210 --> 00:12:15,600

parallel universe

251
00:12:24,110 --> 00:12:20,220
so he saw everything changed the scenes

252
00:12:27,590 --> 00:12:24,120
changed and the the insect sounds

253
00:12:30,790 --> 00:12:27,600
stopped so everything changed and he was

254
00:12:33,530 --> 00:12:30,800
told that this happened because he

255
00:12:35,150 --> 00:12:33,540
entered a parallel universe in which

256
00:12:36,889 --> 00:12:35,160
time stops

257
00:12:42,530 --> 00:12:36,899
and

258
00:12:43,930 --> 00:12:42,540
that people on Earth wouldn't be able to

259
00:12:46,449 --> 00:12:43,940
see

260
00:12:51,290 --> 00:12:46,459
that they took him

261
00:12:52,850 --> 00:12:51,300
and and then after he was explained why

262
00:12:55,009 --> 00:12:52,860
so many people just simply gone

263
00:12:57,530 --> 00:12:55,019

Vanishing national parks and then in the

264

00:13:01,850 --> 00:12:57,540

Bermuda Triangle he was taken into their

265

00:13:04,210 --> 00:13:01,860

spacecraft in which first he was

266

00:13:08,530 --> 00:13:04,220

um kind of

267

00:13:11,769 --> 00:13:08,540

going into a process of um

268

00:13:16,430 --> 00:13:11,779

eliminating all the bacteria

269

00:13:18,949 --> 00:13:16,440

and or the in his body they did that

270

00:13:21,410 --> 00:13:18,959

using yellow light and blue light

271

00:13:23,810 --> 00:13:21,420

so I did some research certain

272

00:13:26,750 --> 00:13:23,820

wavelengths of yellow light and blue

273

00:13:29,509 --> 00:13:26,760

light do have antibacterial and have

274

00:13:31,129 --> 00:13:29,519

very effects so they used light to

275

00:13:34,009 --> 00:13:31,139

disinfect him

276

00:13:36,350 --> 00:13:34,019

yellow light and blue light and then

277

00:13:38,870 --> 00:13:36,360

they used another form of

278

00:13:41,690 --> 00:13:38,880

kind of a radiation to disinfect him and

279

00:13:45,470 --> 00:13:41,700

he had a lot of body experience as well

280

00:13:48,290 --> 00:13:45,480

during the the disinfection process

281

00:13:49,910 --> 00:13:48,300

and then he was told about the

282

00:13:51,949 --> 00:13:49,920

all the different things about the

283

00:13:54,769 --> 00:13:51,959

history of Earth where people came from

284

00:13:56,329 --> 00:13:54,779

it turns out that the

285

00:13:57,829 --> 00:13:56,339

um the black people and the yellow

286

00:14:00,290 --> 00:13:57,839

people on earth

287

00:14:01,850 --> 00:14:00,300

originally came from a planet called

288

00:14:05,449 --> 00:14:01,860

bakaratini

289

00:14:08,050 --> 00:14:05,459

about 1.35 million years ago

290

00:14:12,110 --> 00:14:08,060

and the Caucasian people came afterwards

291

00:14:15,530 --> 00:14:12,120

then the Polynesians came from a

292

00:14:17,150 --> 00:14:15,540

different planet called arima X3

293

00:14:20,030 --> 00:14:17,160

um they were

294

00:14:22,430 --> 00:14:20,040

actually the ancestors

295

00:14:30,829 --> 00:14:22,440

of

296

00:14:34,850 --> 00:14:30,839

Pacific Ocean called lemuria

297

00:14:37,190 --> 00:14:34,860

and they had a great civilization until

298

00:14:40,430 --> 00:14:37,200

the entire continent sunk into the ocean

299

00:14:43,310 --> 00:14:40,440

14 500 years ago

300

00:14:45,889 --> 00:14:43,320

so that's a lot of civilization

301
00:14:48,829 --> 00:14:45,899
and the Jewish people came afterwards

302
00:14:50,710 --> 00:14:48,839
about 12 000 years ago from a planet

303
00:14:52,269 --> 00:14:50,720
called hebra

304
00:14:55,550 --> 00:14:52,279
so

305
00:14:58,910 --> 00:14:55,560
and in the universe there are a total of

306
00:15:01,730 --> 00:14:58,920
90 different categories of planets so

307
00:15:04,189 --> 00:15:01,740
the Earth is a category of one planet

308
00:15:07,009 --> 00:15:04,199
the lowest category like Elementary

309
00:15:09,009 --> 00:15:07,019
School students are learning the basics

310
00:15:11,810 --> 00:15:09,019
and the theubens

311
00:15:14,329 --> 00:15:11,820
come from or came from category nine

312
00:15:15,650 --> 00:15:14,339
Planet they're like college professors

313
00:15:17,810 --> 00:15:15,660

or mentors

314

00:15:19,310 --> 00:15:17,820

in fact they have been guiding us

315

00:15:21,949 --> 00:15:19,320

throughout history

316

00:15:23,150 --> 00:15:21,959

as documented in the ancient scriptures

317

00:15:25,490 --> 00:15:23,160

in the Bible

318

00:15:28,310 --> 00:15:25,500

they were responsible for the discretion

319

00:15:30,670 --> 00:15:28,320

of the two cities Southern Gomorrah

320

00:15:34,670 --> 00:15:30,680

and they were responsible for leading

321

00:15:38,629 --> 00:15:34,680

Moses out of Egypt so Moses as we all

322

00:15:42,889 --> 00:15:38,639

know led the Hebrews out of Egypt and

323

00:15:46,910 --> 00:15:42,899

they helped to part a sea of Rhys and

324

00:15:49,310 --> 00:15:46,920

leading Moses out of Egypt

325

00:15:53,269 --> 00:15:49,320

and they were responsible for

326

00:15:55,069 --> 00:15:53,279

the birth of Jesus and also Christ

327

00:15:58,220 --> 00:15:55,079

and

328

00:16:00,050 --> 00:15:58,230

different things such as

329

00:16:03,410 --> 00:16:00,060

[Music]

330

00:16:07,129 --> 00:16:03,420

allowing the U.S government to be ahead

331

00:16:10,129 --> 00:16:07,139

of Germany in developing the atomic bomb

332

00:16:11,569 --> 00:16:10,139

and in World War II earlier than

333

00:16:13,550 --> 00:16:11,579

otherwise

334

00:16:16,970 --> 00:16:13,560

so a lot of facts are written the book

335

00:16:19,250 --> 00:16:16,980

that people can just verify for example

336

00:16:21,170 --> 00:16:19,260

the fact that they prevented Germany

337

00:16:24,170 --> 00:16:21,180

from being the first country to develop

338

00:16:27,350 --> 00:16:24,180

the atomic bomb I found that there's a

339

00:16:30,829 --> 00:16:27,360

German scientist called Heisenberg

340

00:16:33,410 --> 00:16:30,839

who was a head of the U.S scientist in

341

00:16:36,230 --> 00:16:33,420

developing the atomic bomb

342

00:16:39,350 --> 00:16:36,240

but for some reason one reason or

343

00:16:41,930 --> 00:16:39,360

another maybe he made a stupid mistake

344

00:16:45,829 --> 00:16:41,940

or maybe otherwise he wrote a report to

345

00:16:49,749 --> 00:16:45,839

Hitler that was read by Hitler that it

346

00:16:53,329 --> 00:16:49,759

would require Germany to have um like

347

00:16:55,009 --> 00:16:53,339

the amount of uranium and resources that

348

00:16:57,769 --> 00:16:55,019

would have been impossible at that time

349

00:17:00,889 --> 00:16:57,779

so that Hitler gave out the plan of

350

00:17:04,449 --> 00:17:00,899

developing the atomic bomb

351

00:17:08,390 --> 00:17:04,459

um so that's why Hitler decided to

352

00:17:09,549 --> 00:17:08,400

forsake the plan and U.S government was

353

00:17:13,030 --> 00:17:09,559

able to

354

00:17:16,850 --> 00:17:13,040

deploy the bomb material than Germany

355

00:17:19,010 --> 00:17:16,860

on the two and then two cities in Japan

356

00:17:21,949 --> 00:17:19,020

so a lot of things are written in the

357

00:17:25,669 --> 00:17:21,959

book and and so it's um it's fascinating

358

00:17:28,490 --> 00:17:25,679

and intriguing it was strongly suggest

359

00:17:31,970 --> 00:17:28,500

people to to read it to find out

360

00:17:34,010 --> 00:17:31,980

um on their own to about the the story

361

00:17:39,010 --> 00:17:34,020

that Michelle de Marquez experienced and

362

00:17:46,130 --> 00:17:43,310

uh so what kind of prophecies regarding

363

00:17:48,230 --> 00:17:46,140

today uh can you can you draw from that

364

00:17:51,890 --> 00:17:48,240

book for us

365

00:17:54,409 --> 00:17:51,900

well the book was originally titled as

366

00:17:57,049 --> 00:17:54,419

abduction to the ninth planet

367

00:17:59,330 --> 00:17:57,059

and Michelle DeMarco wanted to title the

368

00:18:02,150 --> 00:17:59,340

book The Golden planet

369

00:18:05,510 --> 00:18:02,160

but Tom jungle wanted to wanted to

370

00:18:08,630 --> 00:18:05,520

create like a sensational title so he

371

00:18:12,350 --> 00:18:08,640

suggested to title the book The Other

372

00:18:15,350 --> 00:18:12,360

prophecy which is a misnomer the book

373

00:18:19,430 --> 00:18:15,360

contains no prophecy on its own

374

00:18:22,130 --> 00:18:19,440

if you are to say that there's a certain

375

00:18:25,970 --> 00:18:22,140

trophy in the book I would counter that

376

00:18:29,210 --> 00:18:25,980

the future depends on our actions

377

00:18:32,210 --> 00:18:29,220

well the past is fixed we can go to the

378

00:18:34,970 --> 00:18:32,220

Past using a time machine or by looking

379

00:18:36,409 --> 00:18:34,980

at the akashic records some people can

380

00:18:39,350 --> 00:18:36,419

do that

381

00:18:43,430 --> 00:18:39,360

but a future is

382

00:18:46,490 --> 00:18:43,440

really depend depended on our actions

383

00:18:50,450 --> 00:18:46,500

because the future is changeable

384

00:18:52,930 --> 00:18:50,460

um so even the theobans say that they

385

00:18:56,210 --> 00:18:52,940

cannot foresee or foretell the future

386

00:18:59,210 --> 00:18:56,220

100 years ahead of time so they can only

387

00:19:01,669 --> 00:18:59,220

like kind of predict what's likely to

388

00:19:04,789 --> 00:19:01,679

happen within 100 years or so but they

389

00:19:07,789 --> 00:19:04,799

cannot tell what's going to happen after

390

00:19:11,390 --> 00:19:07,799

100 years so this is what they say about

391

00:19:14,930 --> 00:19:11,400

the future and I think this is why it's

392

00:19:17,330 --> 00:19:14,940

important for us to be more spiritual

393

00:19:18,789 --> 00:19:17,340

and raise our Collective Consciousness

394

00:19:24,529 --> 00:19:18,799

consciousness

395

00:19:29,630 --> 00:19:27,110

um so then I guess let me rephrase that

396

00:19:31,730 --> 00:19:29,640

so is there any sayings or anything any

397

00:19:35,390 --> 00:19:31,740

message like regarding the financial

398

00:19:39,350 --> 00:19:35,400

system or or the political State we're

399

00:19:40,970 --> 00:19:39,360

in or you know just any any mentions

400

00:19:44,150 --> 00:19:40,980

regarding that

401
00:19:45,650 --> 00:19:44,160
yes the book suggests us to look at

402
00:19:47,870 --> 00:19:45,660
around look around what's really

403
00:19:51,710 --> 00:19:47,880
happening around us look at what's

404
00:19:54,830 --> 00:19:51,720
really happening in in the world

405
00:19:58,130 --> 00:19:54,840
um and go beyond the

406
00:20:01,310 --> 00:19:58,140
um the show in which like political

407
00:20:02,230 --> 00:20:01,320
parties are just like puppets in your

408
00:20:04,909 --> 00:20:02,240
show

409
00:20:07,190 --> 00:20:04,919
Republicans and Democrats they are

410
00:20:10,130 --> 00:20:07,200
always fighting against each other but

411
00:20:13,010 --> 00:20:10,140
look at the Deep state or maybe the

412
00:20:15,230 --> 00:20:13,020
everything behind the scenes and this

413
00:20:19,070 --> 00:20:15,240

there's a group of financiers that are

414

00:20:24,830 --> 00:20:19,080

that that is always running behind the

415

00:20:27,590 --> 00:20:24,840

show and the the way to really

416

00:20:29,990 --> 00:20:27,600

resolve the issues on Earth

417

00:20:32,330 --> 00:20:30,000

is that we need to realize there are

418

00:20:35,690 --> 00:20:32,340

four actually four or five main dangers

419

00:20:39,350 --> 00:20:35,700

on Earth number one money number two

420

00:20:42,710 --> 00:20:39,360

politicians number three drugs and

421

00:20:46,970 --> 00:20:42,720

journalists and number four religions so

422

00:20:50,510 --> 00:20:46,980

once we know that we can really respond

423

00:20:54,049 --> 00:20:50,520

to the challenges and and using

424

00:20:57,470 --> 00:20:54,059

Collective form of actions and also

425

00:21:01,430 --> 00:20:57,480

non-violence to rise up against tyranny

426
00:21:06,830 --> 00:21:01,440
and to really

427
00:21:09,890 --> 00:21:06,840
go against the the people who are

428
00:21:11,630 --> 00:21:09,900
kind of running the show

429
00:21:13,310 --> 00:21:11,640
um Michelle de Marquez didn't write that

430
00:21:14,450 --> 00:21:13,320
in a book but he said there are 12

431
00:21:16,730 --> 00:21:14,460
families

432
00:21:19,070 --> 00:21:16,740
that are controlling everything that

433
00:21:21,710 --> 00:21:19,080
people don't know who they are that they

434
00:21:24,950 --> 00:21:21,720
are running the show and the way to do

435
00:21:28,190 --> 00:21:24,960
that is to have a

436
00:21:30,470 --> 00:21:28,200
Collective action to form a strike but

437
00:21:32,690 --> 00:21:30,480
using non-violent resistance just like

438
00:21:36,169 --> 00:21:32,700

candy did in India

439

00:21:37,850 --> 00:21:36,179

because they rely on us to work for them

440

00:21:40,190 --> 00:21:37,860

in order to profit

441

00:21:43,070 --> 00:21:40,200

if we all stop working

442

00:21:47,770 --> 00:21:43,080

we would lose very little but they would

443

00:21:53,210 --> 00:21:51,350

by us working for them if we start

444

00:21:56,570 --> 00:21:53,220

working for them then they have to cater

445

00:21:58,490 --> 00:21:56,580

to our wishes and demands

446

00:22:02,090 --> 00:21:58,500

so basically in a way it's it's like

447

00:22:04,190 --> 00:22:02,100

supporting the system and if we just

448

00:22:06,409 --> 00:22:04,200

stop supporting it they'll basically

449

00:22:08,450 --> 00:22:06,419

stop them in their tracks too

450

00:22:11,390 --> 00:22:08,460

that's correct but people have to know

451
00:22:13,730 --> 00:22:11,400
that have to act together you using

452
00:22:17,029 --> 00:22:13,740
non-violent resistance because violence

453
00:22:19,909 --> 00:22:17,039
doesn't doesn't really go far

454
00:22:21,649 --> 00:22:19,919
right and so um if was there any other

455
00:22:23,710 --> 00:22:21,659
information regarding this group that

456
00:22:26,390 --> 00:22:23,720
you can tell us about

457
00:22:28,909 --> 00:22:26,400
well for this group of people I have

458
00:22:31,789 --> 00:22:28,919
always been trying to find out who they

459
00:22:34,970 --> 00:22:31,799
are and what can be done about them and

460
00:22:36,830 --> 00:22:34,980
I guess um you know this book is very

461
00:22:39,230 --> 00:22:36,840
specific and very particular in the

462
00:22:42,169 --> 00:22:39,240
sense that it covers a variety of

463
00:22:44,690 --> 00:22:42,179

different topics such as the ancient

464

00:22:47,390 --> 00:22:44,700

civilizations and modern political

465

00:22:50,090 --> 00:22:47,400

system but it only touches upon the

466

00:22:52,010 --> 00:22:50,100

topic Spirit superficially without going

467

00:22:56,090 --> 00:22:52,020

depth

468

00:22:59,470 --> 00:22:56,100

um it really wants us to do the work do

469

00:23:02,289 --> 00:22:59,480

the homework to find out how to

470

00:23:05,149 --> 00:23:02,299

respond to our challenges

471

00:23:07,490 --> 00:23:05,159

they don't want to

472

00:23:11,390 --> 00:23:07,500

serve the new plate

473

00:23:17,529 --> 00:23:11,400

so they would encourage us to to find

474

00:23:24,830 --> 00:23:22,070

and well so usually when it comes to

475

00:23:27,590 --> 00:23:24,840

like usually somebody always talked

476

00:23:31,010 --> 00:23:27,600

about for example 911 like 9 11 had a

477

00:23:33,169 --> 00:23:31,020

lot of inconsistencies to worm I kind of

478

00:23:35,810 --> 00:23:33,179

I for lack a better word woke up and

479

00:23:38,810 --> 00:23:35,820

started looking more into what was just

480

00:23:41,450 --> 00:23:38,820

generally told obviously dad did not

481

00:23:43,310 --> 00:23:41,460

have the same effect to everybody else

482

00:23:45,230 --> 00:23:43,320

um is there any mention in the book

483

00:23:48,350 --> 00:23:45,240

regarding you know

484

00:23:51,110 --> 00:23:48,360

um is there going to be events have this

485

00:23:53,149 --> 00:23:51,120

911 was it one of those events that

486

00:23:54,409 --> 00:23:53,159

basically helps waking people up you

487

00:23:56,450 --> 00:23:54,419

know or are they saying that people

488

00:23:58,850 --> 00:23:56,460

eventually would just be drawn to that

489

00:24:02,450 --> 00:23:58,860

kind of information on their own

490

00:24:05,029 --> 00:24:02,460

well the book was published in 1993 way

491

00:24:08,390 --> 00:24:05,039

before 9 11 happened

492

00:24:10,490 --> 00:24:08,400

so the book actually encourages people

493

00:24:14,630 --> 00:24:10,500

to wake up

494

00:24:17,270 --> 00:24:14,640

the book was published after the breakup

495

00:24:20,810 --> 00:24:17,280

of the former Soviet Union

496

00:24:24,649 --> 00:24:20,820

and that that was a timing and people

497

00:24:26,630 --> 00:24:24,659

were looking for kind of Awakenings and

498

00:24:29,870 --> 00:24:26,640

I think there are going to be events in

499

00:24:33,170 --> 00:24:29,880

the future that are going to cause

500

00:24:33,470 --> 00:24:33,180

people to rethink about the realities

501
00:24:34,730 --> 00:24:33,480

[Music]

502
00:24:36,830 --> 00:24:34,740
um

503
00:24:38,409 --> 00:24:36,840
I I know in the last three years a lot

504
00:24:41,570 --> 00:24:38,419
of people have been looking for answers

505
00:24:44,090 --> 00:24:41,580
and this book was very popular for a

506
00:24:46,370 --> 00:24:44,100
reason uh in the last few years as well

507
00:24:48,649 --> 00:24:46,380
in China and Taiwan because people have

508
00:24:52,430 --> 00:24:48,659
been looking for answers so I guess in

509
00:24:55,850 --> 00:24:52,440
the future when opportunities come when

510
00:24:57,649 --> 00:24:55,860
certain events happen people will tend

511
00:25:00,350 --> 00:24:57,659
to look for answers

512
00:25:04,610 --> 00:25:00,360
and one thing I want you

513
00:25:06,970 --> 00:25:04,620

bring out is that when people read the

514

00:25:10,250 --> 00:25:06,980

postgrip of the book

515

00:25:12,830 --> 00:25:10,260

They're likely going to render what else

516

00:25:16,250 --> 00:25:12,840

the author knew but didn't write in a

517

00:25:17,529 --> 00:25:16,260

book well I was fortunate to know that

518

00:25:19,970 --> 00:25:17,539

one thing

519

00:25:23,950 --> 00:25:19,980

but I was

520

00:25:26,450 --> 00:25:23,960

learned not to tell anyone else

521

00:25:28,970 --> 00:25:26,460

because Michelle de Marquez said that

522

00:25:29,870 --> 00:25:28,980

how the the ET taught him to tell me

523

00:25:31,130 --> 00:25:29,880

that

524

00:25:33,409 --> 00:25:31,140

well

525

00:25:36,110 --> 00:25:33,419

what they didn't tell me was that I

526

00:25:38,330 --> 00:25:36,120

couldn't write an article about it and

527

00:25:41,330 --> 00:25:38,340

to give as many as many Clues as

528

00:25:43,789 --> 00:25:41,340

possible and giving given him as many

529

00:25:46,310 --> 00:25:43,799

hints as possible about that one thing

530

00:25:49,549 --> 00:25:46,320

that Michelle de Marquez was told but

531

00:25:50,930 --> 00:25:49,559

wasn't allowed to write in a book so

532

00:25:52,210 --> 00:25:50,940

that's why I wrote an article on my

533

00:25:55,970 --> 00:25:52,220

website

534

00:25:58,370 --> 00:25:55,980

and the title of the article is the

535

00:26:01,010 --> 00:25:58,380

second coming of Christ

536

00:26:04,730 --> 00:26:01,020

I'm going to give you certain hints and

537

00:26:08,330 --> 00:26:04,740

illustrations and kind of Clues

538

00:26:11,269 --> 00:26:08,340

people know that there's a Book of Enoch

539

00:26:14,810 --> 00:26:11,279

written by probably by someone

540

00:26:17,990 --> 00:26:14,820

describing what Enoch

541

00:26:21,490 --> 00:26:18,000

um did and how he was taken by by what

542

00:26:25,549 --> 00:26:21,500

they call Gods actually he was taken by

543

00:26:29,510 --> 00:26:25,559

the Jehovah or a few of God is God but

544

00:26:32,510 --> 00:26:29,520

Jehovah is Jehovah the let me show them

545

00:26:35,450 --> 00:26:32,520

okay after he

546

00:26:37,970 --> 00:26:35,460

went public about his book someone

547

00:26:41,210 --> 00:26:37,980

showed him the Book of Enoch and he read

548

00:26:43,190 --> 00:26:41,220

it he found a lot of resemblance to what

549

00:26:46,130 --> 00:26:43,200

Enoch experienced

550

00:26:48,409 --> 00:26:46,140

and the descriptions of Enoch to what he

551
00:26:52,490 --> 00:26:48,419
personally experienced

552
00:26:54,830 --> 00:26:52,500
so he kind of encouraged people to read

553
00:26:58,730 --> 00:26:54,840
The Book of Enoch

554
00:27:02,090 --> 00:26:58,740
so if you know what happened to Ino and

555
00:27:06,110 --> 00:27:02,100
Noah you're going to know that Noah

556
00:27:09,230 --> 00:27:06,120
was the great grandson of Enoch so after

557
00:27:13,430 --> 00:27:09,240
enough was taking away a few decades

558
00:27:16,909 --> 00:27:13,440
later Noah was told to build an ark

559
00:27:18,169 --> 00:27:16,919
and Michelle DeMarco was told to write a

560
00:27:21,529 --> 00:27:18,179
book

561
00:27:25,549 --> 00:27:21,539
and you can imagine if we don't

562
00:27:27,350 --> 00:27:25,559
change the ways how we live what's going

563
00:27:30,409 --> 00:27:27,360

to happen in the future

564

00:27:32,870 --> 00:27:30,419

and I think it's important for people to

565

00:27:37,010 --> 00:27:32,880

learn the messages in a book one of the

566

00:27:40,370 --> 00:27:37,020

most important messages in the book is

567

00:27:41,930 --> 00:27:40,380

technology should assist to our

568

00:27:44,930 --> 00:27:41,940

Spiritual Development

569

00:27:47,090 --> 00:27:44,940

and now to enslave us in a more

570

00:27:49,549 --> 00:27:47,100

materialistic world

571

00:27:51,830 --> 00:27:49,559

which is temporary anyway because we

572

00:27:54,890 --> 00:27:51,840

reincarnate after we die

573

00:27:58,370 --> 00:27:54,900

and the most important thing is the

574

00:28:01,310 --> 00:27:58,380

gain spiritual Lessons In Our Lifetime

575

00:28:04,190 --> 00:28:01,320

to grow spiritually

576

00:28:07,970 --> 00:28:04,200

and when you encounter challenges in

577

00:28:11,210 --> 00:28:07,980

life look inside and not to follow a

578

00:28:14,149 --> 00:28:11,220

specific government leader or a specific

579

00:28:17,210 --> 00:28:14,159

religion because when God created every

580

00:28:19,610 --> 00:28:17,220

one of us it inserted a tiny portion of

581

00:28:22,370 --> 00:28:19,620

itself to each one of our physical

582

00:28:24,110 --> 00:28:22,380

bodies so that we are part of God and

583

00:28:26,570 --> 00:28:24,120

God is part of us

584

00:28:31,130 --> 00:28:26,580

so everyone has a

585

00:28:34,610 --> 00:28:31,140

has a Divine spark from God the Creator

586

00:28:35,710 --> 00:28:34,620

so when we do encounter challenges in

587

00:28:39,830 --> 00:28:35,720

life

588

00:28:43,730 --> 00:28:39,840

we should ask ourselves

589

00:28:46,850 --> 00:28:43,740

and look inside through meditation

590

00:28:50,029 --> 00:28:46,860

or midi or having a good night of sleep

591

00:28:53,210 --> 00:28:50,039

because we can connect to a higher self

592

00:28:56,350 --> 00:28:53,220

to the process of meditation

593

00:29:01,549 --> 00:28:56,360

or through the process of having a dream

594

00:29:03,529 --> 00:29:01,559

so that if the answers are beneficial to

595

00:29:06,470 --> 00:29:03,539

our Spiritual Development

596

00:29:10,070 --> 00:29:06,480

then the answers will be given to us

597

00:29:12,649 --> 00:29:10,080

through dreams or through other forms of

598

00:29:15,590 --> 00:29:12,659

messages

599

00:29:17,870 --> 00:29:15,600

the book

600

00:29:20,710 --> 00:29:17,880

and it also gives a lot of practical

601
00:29:24,049 --> 00:29:20,720
advice and practical Solutions

602
00:29:26,690 --> 00:29:24,059
to how we can live a better and

603
00:29:29,630 --> 00:29:26,700
healthier life

604
00:29:32,810 --> 00:29:29,640
so Samuel with these different alien

605
00:29:34,909 --> 00:29:32,820
races also being there in prison is this

606
00:29:37,250 --> 00:29:34,919
some kind of hierarchy or an order of

607
00:29:40,370 --> 00:29:37,260
which ones are making contact with us at

608
00:29:42,590 --> 00:29:40,380
at what time at what stage or can you

609
00:29:46,070 --> 00:29:42,600
please speak a little bit about that

610
00:29:47,889 --> 00:29:46,080
yes in our galaxy The Milky Way galaxy

611
00:29:50,760 --> 00:29:47,899
there are a list

612
00:29:51,950 --> 00:29:50,770
hundreds of different ETS

613
00:29:54,289 --> 00:29:51,960

[Music]

614

00:29:56,570 --> 00:29:54,299

in different living on different levels

615

00:29:59,690 --> 00:29:56,580

different categories of planets

616

00:30:03,289 --> 00:29:59,700

and the Cubans live on category nine

617

00:30:06,230 --> 00:30:03,299

Planet there are total of three category

618

00:30:09,830 --> 00:30:06,240

nine planets in our galaxy so they have

619

00:30:12,909 --> 00:30:09,840

the rows of being the mentors to lower

620

00:30:16,130 --> 00:30:12,919

categories of planets

621

00:30:18,710 --> 00:30:16,140

we live a category of land planet and

622

00:30:20,830 --> 00:30:18,720

there are other category of one planets

623

00:30:24,230 --> 00:30:20,840

in our galaxy

624

00:30:27,169 --> 00:30:24,240

the yellow people the black people the

625

00:30:29,570 --> 00:30:27,179

Caucasians and the pollinations

626

00:30:32,450 --> 00:30:29,580

all came from a category of one planet

627

00:30:35,330 --> 00:30:32,460

or recently from different planets

628

00:30:38,750 --> 00:30:35,340

but the Jewish people they came from

629

00:30:41,389 --> 00:30:38,760

originally came from Category 3 planet

630

00:30:44,090 --> 00:30:41,399

so that's why kind of there are a lot of

631

00:30:47,690 --> 00:30:44,100

jealousies and a lot of discriminations

632

00:30:48,710 --> 00:30:47,700

against Jewish people and the Hebrews

633

00:30:57,649 --> 00:30:48,720

and

634

00:30:59,450 --> 00:30:57,659

Hebrews were the chosen people for for a

635

00:31:02,510 --> 00:30:59,460

lot of reasons

636

00:31:03,889 --> 00:31:02,520

and a lot of other stories in the Bible

637

00:31:07,250 --> 00:31:03,899

so

638

00:31:10,549 --> 00:31:07,260

um we do have different categories of

639

00:31:14,630 --> 00:31:10,559

planets and we do evolve and move on

640

00:31:16,010 --> 00:31:14,640

when we when we re incarnate so for

641

00:31:19,130 --> 00:31:16,020

example

642

00:31:20,090 --> 00:31:19,140

right now I'm leaving a category of one

643

00:31:22,970 --> 00:31:20,100

planet

644

00:31:26,990 --> 00:31:22,980

but if I purify my Spiritual Development

645

00:31:29,750 --> 00:31:27,000

everything Advanced or evolve enough and

646

00:31:33,169 --> 00:31:29,760

my spiritual advancement is

647

00:31:36,310 --> 00:31:33,179

um up to a certain level then in my next

648

00:31:39,049 --> 00:31:36,320

lifetime I can

649

00:31:41,990 --> 00:31:39,059

reincarnate a different category maybe a

650

00:31:44,389 --> 00:31:42,000

category two or a category three planet

651
00:31:48,049 --> 00:31:44,399
so we move up a letter depending on how

652
00:31:52,370 --> 00:31:48,059
we you how we evolve spiritually

653
00:31:55,190 --> 00:31:52,380
and the more we evolve the more advanced

654
00:31:58,269 --> 00:31:55,200
levels we are and

655
00:32:02,690 --> 00:31:58,279
the category nine Planet

656
00:32:06,350 --> 00:32:02,700
residents or inhabitants they are

657
00:32:08,210 --> 00:32:06,360
so evolved that day can perform all the

658
00:32:11,810 --> 00:32:08,220
Miracles that's performed by Jesus

659
00:32:14,450 --> 00:32:11,820
Christ as documented in the Bible they

660
00:32:17,450 --> 00:32:14,460
can levitate they can materialized

661
00:32:19,070 --> 00:32:17,460
objects they can communicate through

662
00:32:24,110 --> 00:32:19,080
telepathy

663
00:32:26,990 --> 00:32:24,120

they can heal people and just like a few

664

00:32:29,990 --> 00:32:27,000

different other diseases we can name off

665

00:32:34,070 --> 00:32:30,000

they can disappear in front of us so all

666

00:32:37,130 --> 00:32:34,080

the Miracles performed by Christ

667

00:32:41,450 --> 00:32:37,140

as described in the Bible can be

668

00:32:44,269 --> 00:32:41,460

performed by them in fact they can live

669

00:32:46,669 --> 00:32:44,279

forever and they look Forever Young they

670

00:32:48,950 --> 00:32:46,679

they all look in their 30s

671

00:32:51,649 --> 00:32:48,960

so they don't die they don't they don't

672

00:32:55,430 --> 00:32:51,659

age at all they can regenerate their

673

00:33:00,350 --> 00:32:55,440

body tissues they can also make

674

00:33:02,450 --> 00:33:00,360

adult human being within 24 hours so

675

00:33:05,389 --> 00:33:02,460

they can do all the miraculous things

676

00:33:09,370 --> 00:33:05,399

that we can think of

677

00:33:13,070 --> 00:33:09,380

their masters of nature so they know how

678

00:33:15,049 --> 00:33:13,080

universal laws and natural laws work

679

00:33:18,549 --> 00:33:15,059

um so they're category they live on

680

00:33:21,830 --> 00:33:18,559

category nine Planet but we have nothing

681

00:33:23,509 --> 00:33:21,840

to be ashamed of ourselves because we

682

00:33:26,230 --> 00:33:23,519

are learning the basics

683

00:33:31,970 --> 00:33:26,240

and just like

684

00:33:34,990 --> 00:33:31,980

just like a kindergarten people like and

685

00:33:37,549 --> 00:33:35,000

we can grow and we can move up and

686

00:33:40,430 --> 00:33:37,559

depending on how we do in our lifetime

687

00:33:42,710 --> 00:33:40,440

we also we all make mistakes and and

688

00:33:44,930 --> 00:33:42,720

this is the meaning of life we learn

689

00:33:48,830 --> 00:33:44,940

from our mistakes we learn spiritual

690

00:33:51,710 --> 00:33:48,840

lessons from mistakes and this is a gist

691

00:33:54,649 --> 00:33:51,720

of the book and oh by the way Michelle

692

00:33:56,529 --> 00:33:54,659

DeMarco also mentioned about the

693

00:34:00,009 --> 00:33:56,539

the grace

694

00:34:04,730 --> 00:34:00,019

that some people have been talking about

695

00:34:07,329 --> 00:34:04,740

indeed the Greece put implants

696

00:34:11,270 --> 00:34:07,339

to us

697

00:34:13,690 --> 00:34:11,280

by the year 1995 there are about 150 or

698

00:34:16,490 --> 00:34:13,700

so people had implants from the grace

699

00:34:18,669 --> 00:34:16,500

the grease also come from a category of

700

00:34:21,649 --> 00:34:18,679

one planet

701
00:34:25,310 --> 00:34:21,659
they put the implants on us because they

702
00:34:27,849 --> 00:34:25,320
wanted to observe us how we respond to

703
00:34:30,770 --> 00:34:27,859
our increasingly decreased immune system

704
00:34:34,430 --> 00:34:30,780
because we have been losing our immune

705
00:34:36,889 --> 00:34:34,440
system since 1948 and they have been

706
00:34:40,250 --> 00:34:36,899
losing theirs since a long time as well

707
00:34:42,770 --> 00:34:40,260
they wanted to they wanted to see how we

708
00:34:43,849 --> 00:34:42,780
respond to the same situation to learn

709
00:34:47,030 --> 00:34:43,859
from us

710
00:34:49,030 --> 00:34:47,040
but according to the Philippines there's

711
00:34:51,649 --> 00:34:49,040
absolutely no danger

712
00:34:53,810 --> 00:34:51,659
from the implants that they put to us

713
00:34:56,329 --> 00:34:53,820

and they have been monitoring their

714

00:34:59,750 --> 00:34:56,339

activities as well just to ensure that

715

00:35:00,770 --> 00:34:59,760

no harm is caused by their implants our

716

00:35:03,170 --> 00:35:00,780

house

717

00:35:05,450 --> 00:35:03,180

you know I I think

718

00:35:08,150 --> 00:35:05,460

if the grids come from a category one

719

00:35:09,050 --> 00:35:08,160

planet and if the U.S government has

720

00:35:11,990 --> 00:35:09,060

been

721

00:35:13,030 --> 00:35:12,000

reverse engineering the Technologies and

722

00:35:21,170 --> 00:35:13,040

the

723

00:35:23,390 --> 00:35:21,180

rethink about

724

00:35:24,650 --> 00:35:23,400

the fact that they are learning from

725

00:35:27,589 --> 00:35:24,660

their peers

726

00:35:31,130 --> 00:35:27,599

if ever the US government if I ever

727

00:35:32,089 --> 00:35:31,140

someone I always want to learn from the

728

00:35:34,910 --> 00:35:32,099

Masters

729

00:35:37,550 --> 00:35:34,920

from the inhabitants of category nine

730

00:35:38,810 --> 00:35:37,560

planets learn from the Masters learn

731

00:35:41,690 --> 00:35:38,820

from the best

732

00:35:44,030 --> 00:35:41,700

and this is my life motto I wouldn't

733

00:35:46,310 --> 00:35:44,040

want to learn from the peers

734

00:35:49,790 --> 00:35:46,320

so this is my suggestion to the people

735

00:35:51,470 --> 00:35:49,800

who really want to research the griefs I

736

00:35:55,270 --> 00:35:51,480

would encourage them to read this book

737

00:36:00,829 --> 00:35:58,550

excuse me so but they're not necessarily

738

00:36:06,190 --> 00:36:00,839

asking the grace I mean they're not

739

00:36:11,390 --> 00:36:09,109

they're not necessarily asking them for

740

00:36:13,130 --> 00:36:11,400

permission to interact you know or are

741

00:36:15,890 --> 00:36:13,140

they just doing their own thing or or

742

00:36:17,210 --> 00:36:15,900

are they controlling what they can or

743

00:36:19,490 --> 00:36:17,220

cannot do

744

00:36:20,810 --> 00:36:19,500

they are actually kind of protected and

745

00:36:22,430 --> 00:36:20,820

I'm sorry just real quick not just

746

00:36:23,690 --> 00:36:22,440

regarding the Grace regarding any of

747

00:36:26,450 --> 00:36:23,700

these races

748

00:36:30,349 --> 00:36:26,460

um that that are mentioned if if any

749

00:36:31,970 --> 00:36:30,359

okay so one thing was that the one thing

750

00:36:35,630 --> 00:36:31,980

is that Michelle de Marquez had a public

751
00:36:39,890 --> 00:36:35,640
lecture in which he thought that the Tao

752
00:36:42,710 --> 00:36:39,900
or the ET the humans told him that we

753
00:36:45,410 --> 00:36:42,720
are not ready we were not ready and we

754
00:36:49,550 --> 00:36:45,420
are not ready to explore outside of our

755
00:36:51,410 --> 00:36:49,560
solar system or or even to go on the

756
00:36:53,150 --> 00:36:51,420
moon again

757
00:36:55,670 --> 00:36:53,160
um so a lot of people I have been

758
00:36:58,490 --> 00:36:55,680
wondering about uh why we haven't been

759
00:37:00,670 --> 00:36:58,500
back on the moon for 50 years or so even

760
00:37:05,030 --> 00:37:00,680
though we had more Advanced Technologies

761
00:37:05,750 --> 00:37:05,040
and we have lower costs

762
00:37:08,450 --> 00:37:05,760
um

763
00:37:11,030 --> 00:37:08,460

and and the reason is that we were worn

764

00:37:14,750 --> 00:37:11,040

down from the Moon and we were not ready

765

00:37:17,329 --> 00:37:14,760

and we are not ready because they

766

00:37:20,690 --> 00:37:17,339

think that we

767

00:37:24,050 --> 00:37:20,700

would Prelude pollute other planets if

768

00:37:27,290 --> 00:37:24,060

you are allowed to explore other planets

769

00:37:29,810 --> 00:37:27,300

they give an example imagine that you go

770

00:37:32,870 --> 00:37:29,820

to a forest in China

771

00:37:34,849 --> 00:37:32,880

where you see a two groups of gorillas

772

00:37:37,190 --> 00:37:34,859

fighting against each other

773

00:37:38,569 --> 00:37:37,200

would you want to invite them to a

774

00:37:40,970 --> 00:37:38,579

beautiful mansion

775

00:37:42,849 --> 00:37:40,980

you wouldn't because they would mess

776

00:37:46,190 --> 00:37:42,859

your mention up and and

777

00:37:49,550 --> 00:37:46,200

your beautiful house and would be

778

00:37:52,370 --> 00:37:49,560

polluted by them similarly on Earth

779

00:37:54,470 --> 00:37:52,380

right now we still have wars and we

780

00:37:56,810 --> 00:37:54,480

still don't know how to get along with

781

00:38:00,530 --> 00:37:56,820

each other we are not spiritually

782

00:38:04,670 --> 00:38:00,540

Advanced we are not spiritually ready to

783

00:38:08,510 --> 00:38:04,680

explore the the other planets yet

784

00:38:10,430 --> 00:38:08,520

so if this is the case then of course

785

00:38:11,390 --> 00:38:10,440

they would prevent other

786

00:38:15,410 --> 00:38:11,400

et's

787

00:38:17,810 --> 00:38:15,420

who are not ready to come to visit us

788

00:38:20,150 --> 00:38:17,820

and to intervene with us or interfere

789

00:38:22,069 --> 00:38:20,160

with our affairs

790

00:38:24,349 --> 00:38:22,079

in fact

791

00:38:27,710 --> 00:38:24,359

a lot of different kinds of ETS have

792

00:38:28,450 --> 00:38:27,720

been visiting us but they just observe

793

00:38:32,329 --> 00:38:28,460

us

794

00:38:35,089 --> 00:38:32,339

they come here as observance they don't

795

00:38:36,710 --> 00:38:35,099

intervene or interfere with our Affairs

796

00:38:39,770 --> 00:38:36,720

at all

797

00:38:41,270 --> 00:38:39,780

um because that's not their role and

798

00:38:43,670 --> 00:38:41,280

like

799

00:38:45,470 --> 00:38:43,680

if you see two groups of gorillas

800

00:38:47,270 --> 00:38:45,480

fighting against each other would you

801
00:38:50,630 --> 00:38:47,280
want to

802
00:38:53,450 --> 00:38:50,640
really intervene or would you would you

803
00:38:54,470 --> 00:38:53,460
just wait until they finish finish their

804
00:38:59,030 --> 00:38:54,480
own business

805
00:39:02,569 --> 00:38:59,040
so this is a similar analogy or a

806
00:39:04,370 --> 00:39:02,579
comparison to to what we are at right

807
00:39:08,690 --> 00:39:04,380
now

808
00:39:10,849 --> 00:39:08,700
so uh you intrigue my curiosity so who

809
00:39:11,990 --> 00:39:10,859
was it that warned warned them off the

810
00:39:13,730 --> 00:39:12,000
Moon

811
00:39:15,890 --> 00:39:13,740
okay

812
00:39:19,190 --> 00:39:15,900
so it's very interesting that you asked

813
00:39:22,010 --> 00:39:19,200

this because there are ET bases or

814

00:39:23,930 --> 00:39:22,020

artificial bases on The Far Side of the

815

00:39:26,290 --> 00:39:23,940

Moon

816

00:39:29,089 --> 00:39:26,300

so

817

00:39:30,609 --> 00:39:29,099

this is why like people have to read a

818

00:39:34,970 --> 00:39:30,619

book to know more background information

819

00:39:37,490 --> 00:39:34,980

so originally there wasn't a moon around

820

00:39:40,609 --> 00:39:37,500

Earth but the moon was captured

821

00:39:42,829 --> 00:39:40,619

because of the uh the

822

00:39:43,970 --> 00:39:42,839

the the gravity of Earth and other

823

00:39:46,370 --> 00:39:43,980

forces

824

00:39:49,510 --> 00:39:46,380

and then

825

00:39:52,730 --> 00:39:49,520

about 300 000 years ago

826

00:39:55,790 --> 00:39:52,740

the planet a remote X3

827

00:39:58,370 --> 00:39:55,800

due to the overpopulation problem

828

00:40:00,530 --> 00:39:58,380

they wanted to migrate their people to a

829

00:40:03,290 --> 00:40:00,540

different planet

830

00:40:06,230 --> 00:40:03,300

so this is some people just

831

00:40:08,630 --> 00:40:06,240

say that there's a

832

00:40:10,190 --> 00:40:08,640

one world government or New World Order

833

00:40:15,470 --> 00:40:10,200

that

834

00:40:17,630 --> 00:40:15,480

want to tell the people who want to

835

00:40:19,690 --> 00:40:17,640

depopulate us there's a different

836

00:40:22,910 --> 00:40:19,700

solution you can migrate

837

00:40:24,069 --> 00:40:22,920

the people to a different planet so you

838

00:40:28,849 --> 00:40:24,079

don't have to

839

00:40:31,089 --> 00:40:28,859

depopulate us on Earth so so on that

840

00:40:33,530 --> 00:40:31,099

planet people were thinking about

841

00:40:34,730 --> 00:40:33,540

migrating to a different planet of the

842

00:40:37,849 --> 00:40:34,740

same category

843

00:40:41,390 --> 00:40:37,859

so they explored different planets and

844

00:40:43,670 --> 00:40:41,400

found the Earth to be their liking

845

00:40:45,410 --> 00:40:43,680

at that time there was the continent of

846

00:40:48,410 --> 00:40:45,420

lemuria

847

00:40:50,210 --> 00:40:48,420

on the Pacific Ocean

848

00:40:53,990 --> 00:40:50,220

and they were trying to migrate their

849

00:40:56,089 --> 00:40:54,000

people to uh to the places on Earth and

850

00:40:58,010 --> 00:40:56,099

but they encountered resistance

851
00:40:59,329 --> 00:40:58,020
from the Chinese people the yellow

852
00:41:04,550 --> 00:40:59,339
people

853
00:41:06,050 --> 00:41:04,560
still very suspicious I can testify

854
00:41:09,770 --> 00:41:06,060
because I'm Chinese

855
00:41:12,109 --> 00:41:09,780
we are very suspicious by Nature

856
00:41:14,810 --> 00:41:12,119
so there was a war between the people

857
00:41:18,650 --> 00:41:14,820
from original X3 and the Chinese

858
00:41:21,650 --> 00:41:18,660
and being spiritual people and the

859
00:41:24,890 --> 00:41:21,660
people from arima X3 didn't want to have

860
00:41:27,890 --> 00:41:24,900
the war so they decided to build like

861
00:41:29,750 --> 00:41:27,900
E.T bases on the far side on the back

862
00:41:31,849 --> 00:41:29,760
side of the moon

863
00:41:34,990 --> 00:41:31,859

so it's a transfer station

864

00:41:40,089 --> 00:41:35,000

so that they could migrate their people

865

00:41:43,609 --> 00:41:40,099

face by face to the continent of Lemuria

866

00:41:50,150 --> 00:41:47,329

kind of unpopulated at that time

867

00:41:52,790 --> 00:41:50,160

only a small group of Chinese people

868

00:41:54,950 --> 00:41:52,800

were living on the

869

00:41:57,790 --> 00:41:54,960

North

870

00:42:00,650 --> 00:41:57,800

Western corner of the continent

871

00:42:03,530 --> 00:42:00,660

so they did that step by step so that's

872

00:42:06,290 --> 00:42:03,540

why their artificial man-made structures

873

00:42:07,970 --> 00:42:06,300

on The Far Side of the Moon

874

00:42:09,410 --> 00:42:07,980

um

875

00:42:12,710 --> 00:42:09,420

so

876

00:42:16,430 --> 00:42:12,720

that's uh that's that's why

877

00:42:18,770 --> 00:42:16,440

like some people say they saw something

878

00:42:22,370 --> 00:42:18,780

on the Moon yes indeed

879

00:42:25,490 --> 00:42:22,380

that's true but uh

880

00:42:28,370 --> 00:42:25,500

I I suspect Michelle demarcade didn't

881

00:42:31,670 --> 00:42:28,380

say that but I suspect that is the uh

882

00:42:33,950 --> 00:42:31,680

people from a room like three or maybe

883

00:42:35,630 --> 00:42:33,960

other kinds of ETS that weren't the

884

00:42:38,810 --> 00:42:35,640

astronauts

885

00:42:42,950 --> 00:42:40,550

yeah you know what's it was interesting

886

00:42:45,290 --> 00:42:42,960

I was I can't remember if it was a

887

00:42:47,990 --> 00:42:45,300

documentary but I saw

888

00:42:50,990 --> 00:42:48,000

um one of the NASA representatives and

889

00:42:53,270 --> 00:42:51,000

quite literally was like oh I would if I

890

00:42:54,890 --> 00:42:53,280

would uh how did he say it like I would

891

00:42:57,349 --> 00:42:54,900

love to go back to the Moon in a

892

00:42:59,510 --> 00:42:57,359

heartbeat but we lost all the data on

893

00:43:01,670 --> 00:42:59,520

how to go back there and it would take

894

00:43:03,109 --> 00:43:01,680

too much I guess to reconstruct it I'm

895

00:43:05,150 --> 00:43:03,119

thinking myself like are you serious

896

00:43:07,490 --> 00:43:05,160

right now

897

00:43:10,309 --> 00:43:07,500

you know and just uh you know whatever

898

00:43:12,710 --> 00:43:10,319

the case you know is whatever the the

899

00:43:15,290 --> 00:43:12,720

story behind all of that that was just

900

00:43:17,630 --> 00:43:15,300

such an absurd statement you know to to

901
00:43:19,430 --> 00:43:17,640
to hear but anyway

902
00:43:23,030 --> 00:43:19,440
um I just wanted to put that out there

903
00:43:25,849 --> 00:43:23,040
especially in regards to the moon so

904
00:43:28,790 --> 00:43:25,859
are we you know based on like what you

905
00:43:31,309 --> 00:43:28,800
know about the book are we uh still in

906
00:43:32,750 --> 00:43:31,319
this transition period to where

907
00:43:34,849 --> 00:43:32,760
um all these things that are happening

908
00:43:37,609 --> 00:43:34,859
are there to wake us up and that we will

909
00:43:40,130 --> 00:43:37,619
eventually get there or basically were

910
00:43:43,010 --> 00:43:40,140
they hopeful for our future or you know

911
00:43:45,109 --> 00:43:43,020
uh where they're basically saying I

912
00:43:46,910 --> 00:43:45,119
don't know it might not work out for all

913
00:43:50,990 --> 00:43:46,920

of you here

914

00:43:57,530 --> 00:43:53,870

you know I have a search I had a such a

915

00:43:59,510 --> 00:43:57,540

very strange um dream before maybe like

916

00:44:02,809 --> 00:43:59,520

a lucid dream in which

917

00:44:05,089 --> 00:44:02,819

I was determined to give it a try to

918

00:44:07,970 --> 00:44:05,099

wake people up I thought it would be

919

00:44:10,250 --> 00:44:07,980

very easy because with all the knowledge

920

00:44:12,349 --> 00:44:10,260

I thought the information the facts

921

00:44:16,130 --> 00:44:12,359

contained in the book are so

922

00:44:18,730 --> 00:44:16,140

intuitive and so kind of specific and

923

00:44:22,370 --> 00:44:18,740

verifiable that people would really

924

00:44:25,370 --> 00:44:22,380

follow the suggestions in the book

925

00:44:27,470 --> 00:44:25,380

that I would it would be a very easy job

926
00:44:29,210 --> 00:44:27,480
for me to promote the messages in the

927
00:44:32,630 --> 00:44:29,220
book and to wake people up

928
00:44:34,849 --> 00:44:32,640
and and I'm determined to give it a try

929
00:44:36,349 --> 00:44:34,859
no matter what happens

930
00:44:38,809 --> 00:44:36,359
so

931
00:44:40,370 --> 00:44:38,819
um I think I'm still very optimistic

932
00:44:44,390 --> 00:44:40,380
about the future

933
00:44:48,470 --> 00:44:44,400
and because I'm going to put the 100 or

934
00:44:50,710 --> 00:44:48,480
150 percent of my efforts into

935
00:44:53,569 --> 00:44:50,720
waking people up

936
00:44:55,910 --> 00:44:53,579
so I think even though the future is

937
00:44:58,910 --> 00:44:55,920
Dependable on our actions

938
00:45:00,170 --> 00:44:58,920

I think we are going to have a very

939

00:45:03,410 --> 00:45:00,180

bright future

940

00:45:05,270 --> 00:45:03,420

for a lot of us yeah

941

00:45:08,150 --> 00:45:05,280

all right well good deal

942

00:45:09,950 --> 00:45:08,160

um Samuel uh what do you think uh uh are

943

00:45:11,809 --> 00:45:09,960

you ready to take some questions

944

00:45:13,370 --> 00:45:11,819

yes I'm ready to take attractions yes

945

00:45:15,050 --> 00:45:13,380

all right good deal I mean the questions

946

00:45:16,370 --> 00:45:15,060

from everyone else watching of course

947

00:45:19,069 --> 00:45:16,380

you've been answering questions the

948

00:45:21,470 --> 00:45:19,079

whole time so anyway for those of you

949

00:45:23,270 --> 00:45:21,480

who are on telegram uh you can simply

950

00:45:25,730 --> 00:45:23,280

click and raise your hand and talk to

951
00:45:28,730 --> 00:45:25,740
Samuel directly and ask him a question

952
00:45:31,370 --> 00:45:28,740
that way if you are watching in any of

953
00:45:33,530 --> 00:45:31,380
the other platforms please include three

954
00:45:35,450 --> 00:45:33,540
asterisks before your question so that

955
00:45:38,630 --> 00:45:35,460
way I know it's meant for Samuel

956
00:45:40,790 --> 00:45:38,640
directly and I'll give all of you a

957
00:45:43,490 --> 00:45:40,800
chance to submit them now please and

958
00:45:46,190 --> 00:45:43,500
until then uh Samuel I wanted to ask you

959
00:45:47,990 --> 00:45:46,200
then this this last question at least

960
00:45:51,290 --> 00:45:48,000
from me

961
00:45:52,849 --> 00:45:51,300
when it comes to at least the I know we

962
00:45:54,829 --> 00:45:52,859
talked I mentioned a little bit about

963
00:45:56,870 --> 00:45:54,839

that if you could maybe go into into

964

00:45:58,250 --> 00:45:56,880

this detail because a lot of us always

965

00:45:59,930 --> 00:45:58,260

want to know

966

00:46:02,630 --> 00:45:59,940

um you know what they look like how are

967

00:46:04,309 --> 00:46:02,640

you know who are they specifically I

968

00:46:05,510 --> 00:46:04,319

remember when I read this a long time

969

00:46:07,970 --> 00:46:05,520

ago

970

00:46:09,650 --> 00:46:07,980

um one particular trip that he was on

971

00:46:12,829 --> 00:46:09,660

with them he was trying to figure out

972

00:46:14,510 --> 00:46:12,839

whether they're male or female and they

973

00:46:16,550 --> 00:46:14,520

basically was confusing him because

974

00:46:19,730 --> 00:46:16,560

whichever way he thought

975

00:46:22,430 --> 00:46:19,740

it you know they'll they could go girl

976
00:46:24,050 --> 00:46:22,440
or they can go boy you know it and so

977
00:46:27,109 --> 00:46:24,060
can you speak a little bit about that

978
00:46:30,890 --> 00:46:27,119
and about that specific encounter

979
00:46:32,809 --> 00:46:30,900
yes uh the theobans the ETS they're very

980
00:46:37,250 --> 00:46:32,819
beautiful like nine or ten foot tall

981
00:46:39,290 --> 00:46:37,260
they're blown uh they have uh very sexy

982
00:46:41,089 --> 00:46:39,300
body but they're hermaphroditized so

983
00:46:43,490 --> 00:46:41,099
that means they have both male and

984
00:46:45,230 --> 00:46:43,500
female sexual organs

985
00:46:47,870 --> 00:46:45,240
um the reason is that they want to

986
00:46:50,809 --> 00:46:47,880
control their birth the birth of their

987
00:46:53,450 --> 00:46:50,819
children so they don't have to go to the

988
00:46:55,370 --> 00:46:53,460

travel of having a relationship busy

989

00:46:58,010 --> 00:46:55,380

opposite sex

990

00:47:01,730 --> 00:46:58,020

and to that question and Michelle de

991

00:47:05,870 --> 00:47:01,740

Marquez was told that we have male and

992

00:47:08,569 --> 00:47:05,880

females on Earth and the

993

00:47:10,569 --> 00:47:08,579

purpose of

994

00:47:13,670 --> 00:47:10,579

um having sex

995

00:47:16,069 --> 00:47:13,680

one purpose is to procreate to have our

996

00:47:18,349 --> 00:47:16,079

Offspring to have our children the other

997

00:47:20,390 --> 00:47:18,359

purpose is to have a kind of like energy

998

00:47:22,970 --> 00:47:20,400

Exchange

999

00:47:27,109 --> 00:47:22,980

in the sense that there are six or seven

1000

00:47:29,390 --> 00:47:27,119

major energy centers you know human body

1001
00:47:32,150 --> 00:47:29,400
so this is consistent with what the

1002
00:47:35,710 --> 00:47:32,160
ancient Indians say the chakras

1003
00:47:38,349 --> 00:47:35,720
the the energy centers in our body

1004
00:47:40,970 --> 00:47:38,359
that affect

1005
00:47:43,609 --> 00:47:40,980
our physical body

1006
00:47:46,069 --> 00:47:43,619
or the energy field the human energy

1007
00:47:47,089 --> 00:47:46,079
field so when two people have sex

1008
00:47:51,370 --> 00:47:47,099
together

1009
00:47:53,930 --> 00:47:51,380
if the potent chakras of the two people

1010
00:47:56,290 --> 00:47:53,940
they cannot interact

1011
00:47:59,690 --> 00:47:56,300
and have kind of an energy exchange

1012
00:48:02,150 --> 00:47:59,700
that's good for the health and the

1013
00:48:05,089 --> 00:48:02,160

well-being is up to two people but only

1014

00:48:08,750 --> 00:48:05,099

when the two people are really in love

1015

00:48:10,910 --> 00:48:08,760

so and the book goes on to explain other

1016

00:48:14,089 --> 00:48:10,920

aspects of different activities

1017

00:48:16,730 --> 00:48:14,099

different activities on Earth and so

1018

00:48:17,410 --> 00:48:16,740

this is a very very interesting

1019

00:48:19,140 --> 00:48:17,420

um

1020

00:48:20,630 --> 00:48:19,150

thing and

1021

00:48:23,809 --> 00:48:20,640

[Music]

1022

00:48:27,170 --> 00:48:23,819

and Michelle trache actually saw what

1023

00:48:28,370 --> 00:48:27,180

they look like when they were naked on

1024

00:48:30,170 --> 00:48:28,380

the other

1025

00:48:32,210 --> 00:48:30,180

and

1026

00:48:33,650 --> 00:48:32,220

he actually

1027

00:48:37,609 --> 00:48:33,660

uh

1028

00:48:40,870 --> 00:48:37,619

was amazed either their beauty and the

1029

00:48:42,589 --> 00:48:40,880

abilities and also compassion and love

1030

00:48:45,470 --> 00:48:42,599

they

1031

00:48:47,809 --> 00:48:45,480

there are always like a very happy it

1032

00:48:51,109 --> 00:48:47,819

seems to message that they were always

1033

00:48:52,910 --> 00:48:51,119

happy constantly receiving good news

1034

00:48:55,190 --> 00:48:52,920

every second

1035

00:48:58,250 --> 00:48:55,200

and one of the questions that they asked

1036

00:49:01,069 --> 00:48:58,260

constantly asked is that why

1037

00:49:04,670 --> 00:49:01,079

did Michelle de Marquez look so sad

1038

00:49:08,750 --> 00:49:04,680

so so to them all like earthlings like

1039

00:49:11,870 --> 00:49:08,760

us we we are artificial expressions are

1040

00:49:13,790 --> 00:49:11,880

not as happy as they are so they think

1041

00:49:16,910 --> 00:49:13,800

that we are sad people

1042

00:49:18,589 --> 00:49:16,920

so this is how they look like and on the

1043

00:49:20,930 --> 00:49:18,599

planet feel that

1044

00:49:25,970 --> 00:49:24,290

is there are two different aspects in

1045

00:49:28,670 --> 00:49:25,980

which Michelle tamarque had to take

1046

00:49:31,970 --> 00:49:28,680

precaution one is that the gravity on

1047

00:49:32,750 --> 00:49:31,980

the planet is lighter than that is on

1048

00:49:35,089 --> 00:49:32,760

Earth

1049

00:49:36,950 --> 00:49:35,099

so Michelle had to be careful when he

1050

00:49:39,650 --> 00:49:36,960

was moving around

1051

00:49:42,829 --> 00:49:39,660

the other is that that planet has a lot

1052

00:49:45,550 --> 00:49:42,839

of very strong yellow strong colors and

1053

00:49:49,190 --> 00:49:45,560

lights so Michelle de Marque had to wear

1054

00:49:50,569 --> 00:49:49,200

like sunglasses or facial masks to

1055

00:49:53,510 --> 00:49:50,579

filter out

1056

00:49:56,569 --> 00:49:53,520

the light and colors otherwise he would

1057

00:49:58,790 --> 00:49:56,579

have been drunken by the light and

1058

00:50:02,089 --> 00:49:58,800

colors

1059

00:50:04,390 --> 00:50:02,099

um and before he landed on the planet he

1060

00:50:08,630 --> 00:50:04,400

described the planet as a golden Planet

1061

00:50:10,270 --> 00:50:08,640

before because it seemed to him that

1062

00:50:14,089 --> 00:50:10,280

there's um

1063

00:50:16,190 --> 00:50:14,099

like golden Mists

1064

00:50:19,309 --> 00:50:16,200

surround that planet

1065

00:50:21,770 --> 00:50:19,319

that is so beautiful just like uh steams

1066

00:50:23,329 --> 00:50:21,780

like golden steams

1067

00:50:26,390 --> 00:50:23,339

um surround the planet

1068

00:50:28,250 --> 00:50:26,400

so it's it's hard to describe it even

1069

00:50:31,550 --> 00:50:28,260

from a shelter Marquette like a French

1070

00:50:33,130 --> 00:50:31,560

man the book was originally written in

1071

00:50:36,230 --> 00:50:33,140

French language

1072

00:50:39,349 --> 00:50:36,240

even for him using French it was

1073

00:50:41,750 --> 00:50:39,359

difficult to describe the beauty of the

1074

00:50:46,430 --> 00:50:44,450

well thank you for that so um I think

1075

00:50:47,870 --> 00:50:46,440

this uh first question you might have

1076

00:50:50,809 --> 00:50:47,880

answered earlier in the show but I'll

1077

00:50:52,910 --> 00:50:50,819

ask it anyway uh Jules is asking can you

1078

00:50:55,370 --> 00:50:52,920

please explain more about category one

1079

00:50:56,050 --> 00:50:55,380

in three planets

1080

00:50:57,589 --> 00:50:56,060

yes

1081

00:50:58,730 --> 00:50:57,599

[Music]

1082

00:51:01,370 --> 00:50:58,740

well

1083

00:51:04,250 --> 00:51:01,380

you know the higher the category the

1084

00:51:07,069 --> 00:51:04,260

longer the longevity we have

1085

00:51:10,250 --> 00:51:07,079

so I would say that on category one

1086

00:51:13,250 --> 00:51:10,260

planet we live probably like a hundred

1087

00:51:15,410 --> 00:51:13,260

years or 200 years or so or so uh

1088

00:51:17,870 --> 00:51:15,420

category three planet we may be able to

1089

00:51:21,730 --> 00:51:17,880

live longer maybe like a thousand years

1090

00:51:24,890 --> 00:51:21,740

or so so this is why in the ancient

1091

00:51:28,430 --> 00:51:24,900

scriptures in the Bible you see that

1092

00:51:30,250 --> 00:51:28,440

like in the past people lived 900 years

1093

00:51:34,370 --> 00:51:30,260

or so but gradually

1094

00:51:36,170 --> 00:51:34,380

they their longevity was reduced

1095

00:51:38,750 --> 00:51:36,180

and um

1096

00:51:41,870 --> 00:51:38,760

but you know

1097

00:51:44,109 --> 00:51:41,880

I'm going to kind of encourage you to

1098

00:51:46,549 --> 00:51:44,119

read a book to learn more about

1099

00:51:49,609 --> 00:51:46,559

why the Jewish people the Hebrews but

1100

00:51:51,230 --> 00:51:49,619

the chosen people because it's a very

1101
00:51:53,930 --> 00:51:51,240
controversial topic

1102
00:51:58,010 --> 00:51:53,940
even

1103
00:52:00,589 --> 00:51:58,020
for people who are spiritual and I think

1104
00:52:01,970 --> 00:52:00,599
the explanations given a book are very

1105
00:52:04,069 --> 00:52:01,980
logical

1106
00:52:06,109 --> 00:52:04,079
and

1107
00:52:09,109 --> 00:52:06,119
they mentioned the fact that the Jewish

1108
00:52:11,150 --> 00:52:09,119
people they don't intermarry which is

1109
00:52:13,670 --> 00:52:11,160
the most

1110
00:52:16,549 --> 00:52:13,680
like which is very like which is which

1111
00:52:20,270 --> 00:52:16,559
is still to the to the most most extent

1112
00:52:24,230 --> 00:52:20,280
through today and and I think it's very

1113
00:52:29,809 --> 00:52:26,930

we thank you for that well for those of

1114

00:52:33,530 --> 00:52:29,819

you who are just now tuning in uh We've

1115

00:52:35,210 --> 00:52:33,540

uh we're doing Q a with um uh Samuel and

1116

00:52:37,010 --> 00:52:35,220

so if you have any questions please

1117

00:52:39,230 --> 00:52:37,020

submit them now uh because we're in this

1118

00:52:40,970 --> 00:52:39,240

process just wanted to let all of you

1119

00:52:43,069 --> 00:52:40,980

know because I know everyone comes to

1120

00:52:46,190 --> 00:52:43,079

goes to different times

1121

00:52:50,089 --> 00:52:46,200

um also so Samuel the next question from

1122

00:52:51,650 --> 00:52:50,099

Natalie asks do you believe we do you

1123

00:52:54,470 --> 00:52:51,660

believe we all still have the Divine

1124

00:52:57,349 --> 00:52:54,480

spark the Book of Matthew speaks of the

1125

00:53:00,130 --> 00:52:57,359

tares or bad seeds planted essentially

1126
00:53:04,370 --> 00:53:00,140
empty vessels

1127
00:53:07,130 --> 00:53:04,380
well I think a lot of the scriptures in

1128
00:53:08,450 --> 00:53:07,140
the Bible were distorted by the

1129
00:53:11,750 --> 00:53:08,460
different

1130
00:53:14,030 --> 00:53:11,760
consoles of the Catholic Church

1131
00:53:16,849 --> 00:53:14,040
specifically actually in fact this book

1132
00:53:20,150 --> 00:53:16,859
named at four different Church Council

1133
00:53:23,329 --> 00:53:20,160
meetings in which the original meanings

1134
00:53:26,390 --> 00:53:23,339
of the ancient scriptures were distorted

1135
00:53:28,250 --> 00:53:26,400
by them for example the Council of next

1136
00:53:32,150 --> 00:53:28,260
year was one of the four

1137
00:53:35,450 --> 00:53:32,160
and I personally believe that

1138
00:53:38,990 --> 00:53:35,460

is the Free Will that caused all the

1139

00:53:42,170 --> 00:53:39,000

issues that we have encountering in our

1140

00:53:45,109 --> 00:53:42,180

in our current world it's not like a

1141

00:53:48,829 --> 00:53:45,119

devil or evil or anything like that it's

1142

00:53:50,690 --> 00:53:48,839

a free will so when when God created us

1143

00:53:56,750 --> 00:53:50,700

it

1144

00:54:00,710 --> 00:53:56,760

the individuals so we all have

1145

00:54:02,150 --> 00:54:00,720

individual liberty we determine how we

1146

00:54:04,790 --> 00:54:02,160

live our lives

1147

00:54:07,569 --> 00:54:04,800

we can be very disciplined and following

1148

00:54:11,270 --> 00:54:07,579

the the teachings of Christ which I do

1149

00:54:12,770 --> 00:54:11,280

we can also deviate from the teachings

1150

00:54:15,770 --> 00:54:12,780

of Christ

1151

00:54:20,089 --> 00:54:15,780

so it's the deviation of the right path

1152

00:54:23,390 --> 00:54:20,099

that caused a lot of the issues nowadays

1153

00:54:25,849 --> 00:54:23,400

and also is the lack of knowledge that

1154

00:54:28,849 --> 00:54:25,859

caused a lot of the issues we encounter

1155

00:54:30,829 --> 00:54:28,859

today like for example this book tells

1156

00:54:35,390 --> 00:54:30,839

people that drugs are very dangerous

1157

00:54:39,430 --> 00:54:35,400

because it gives people they gave people

1158

00:54:42,770 --> 00:54:39,440

like a false Paradigm of false

1159

00:54:47,030 --> 00:54:42,780

like imagination is harmful for the

1160

00:54:50,030 --> 00:54:47,040

astral body of an individual

1161

00:54:52,490 --> 00:54:50,040

so it says never to use drugs because

1162

00:54:54,109 --> 00:54:52,500

you're gonna pay in your next

1163

00:54:56,829 --> 00:54:54,119

reincarnation

1164

00:54:59,510 --> 00:54:56,839

I verified that

1165

00:55:02,150 --> 00:54:59,520

by talking to people who can see the

1166

00:55:03,490 --> 00:55:02,160

human energy field people who can see

1167

00:55:06,490 --> 00:55:03,500

orders

1168

00:55:10,069 --> 00:55:06,500

and they say that people who use drugs

1169

00:55:13,730 --> 00:55:10,079

they mean hallucinogenic drugs

1170

00:55:17,390 --> 00:55:13,740

um they're always look very ugly

1171

00:55:20,510 --> 00:55:17,400

that means they tend to age faster than

1172

00:55:24,710 --> 00:55:20,520

people who don't use drugs and tend to

1173

00:55:26,809 --> 00:55:24,720

have like units or physical problems a

1174

00:55:29,750 --> 00:55:26,819

few years down the road

1175

00:55:31,730 --> 00:55:29,760

because the human energy field

1176

00:55:35,329 --> 00:55:31,740

determines

1177

00:55:37,970 --> 00:55:35,339

how the physical body is going to be a

1178

00:55:39,170 --> 00:55:37,980

few years or maybe like a few months

1179

00:55:42,950 --> 00:55:39,180

afterwards

1180

00:55:44,630 --> 00:55:42,960

for example the former the former NASA

1181

00:55:46,370 --> 00:55:44,640

scientist Barbara Brenner wrote a book

1182

00:55:50,089 --> 00:55:46,380

hands of light

1183

00:55:52,609 --> 00:55:50,099

she could see human energy through the

1184

00:55:56,690 --> 00:55:52,619

colors of auras so one day if you sell

1185

00:55:58,430 --> 00:55:56,700

like a grease color in the liver area of

1186

00:56:02,210 --> 00:55:58,440

one of her friends

1187

00:56:04,609 --> 00:56:02,220

and she was afraid to tell her friend

1188

00:56:07,069 --> 00:56:04,619

but three months later her friend was

1189

00:56:09,950 --> 00:56:07,079

diagnosed of liver cancer

1190

00:56:11,809 --> 00:56:09,960

so it can actually predict that foretail

1191

00:56:14,210 --> 00:56:11,819

what's going to happen in the physical

1192

00:56:17,990 --> 00:56:14,220

body

1193

00:56:21,890 --> 00:56:18,000

so that's some of the interesting facts

1194

00:56:25,010 --> 00:56:21,900

stated in the book that I later verified

1195

00:56:27,349 --> 00:56:25,020

great thank you for that so silky B is

1196

00:56:31,430 --> 00:56:27,359

asking do you have information about

1197

00:56:35,210 --> 00:56:31,440

dark matter and its role in the universe

1198

00:56:39,710 --> 00:56:37,970

uh I'm not sure what if I know what what

1199

00:56:41,329 --> 00:56:39,720

that is

1200

00:56:42,950 --> 00:56:41,339

um

1201

00:56:45,430 --> 00:56:42,960

I'm trying to find a good way to

1202

00:56:48,470 --> 00:56:45,440

describe it it's basically

1203

00:56:51,109 --> 00:56:48,480

it's they talk about it all the time in

1204

00:56:53,829 --> 00:56:51,119

astrophysics about

1205

00:56:56,390 --> 00:56:53,839

um basically Dark Matter

1206

00:56:57,950 --> 00:56:56,400

yeah that controlled so or like it's

1207

00:56:59,870 --> 00:56:57,960

it's in

1208

00:57:03,290 --> 00:56:59,880

um I don't know how to describe it it's

1209

00:57:05,809 --> 00:57:03,300

basically like in the way the planets

1210

00:57:08,510 --> 00:57:05,819

um you know are moving and and the way

1211

00:57:10,790 --> 00:57:08,520

things are controlled uh they always you

1212

00:57:12,410 --> 00:57:10,800

know just call that like that dark

1213

00:57:14,870 --> 00:57:12,420

matter has something to do with that

1214

00:57:16,970 --> 00:57:14,880

process but I don't personally know if

1215

00:57:19,069 --> 00:57:16,980

they're figured it out themselves or if

1216

00:57:21,530 --> 00:57:19,079

they just gave it this General name of

1217

00:57:23,450 --> 00:57:21,540

dark matter but sorry I can't speak more

1218

00:57:26,510 --> 00:57:23,460

intelligently on it

1219

00:57:28,670 --> 00:57:26,520

yeah I I see what uh what you're saying

1220

00:57:31,970 --> 00:57:28,680

uh the book doesn't really mention

1221

00:57:35,150 --> 00:57:31,980

anything about dark matter but it tells

1222

00:57:38,990 --> 00:57:35,160

a lot of the clues for our astronomers

1223

00:57:41,510 --> 00:57:39,000

to to verify and validate

1224

00:57:45,049 --> 00:57:41,520

one of the things that tells us is that

1225

00:57:48,710 --> 00:57:45,059

the Universe has a pattern

1226
00:57:50,290 --> 00:57:48,720
um nine planets revolve around a star

1227
00:57:55,010 --> 00:57:50,300
like the sun

1228
00:57:57,890 --> 00:57:55,020
and Nine Stars or Sons revolve around a

1229
00:58:00,890 --> 00:57:57,900
bigger star a night bigger Stars revolve

1230
00:58:02,930 --> 00:58:00,900
around the even bigger star until the

1231
00:58:05,990 --> 00:58:02,940
center of the universe

1232
00:58:08,870 --> 00:58:06,000
so this is like a universal pattern

1233
00:58:11,809 --> 00:58:08,880
that I later found out that like a few

1234
00:58:13,910 --> 00:58:11,819
years ago or astronomers found out that

1235
00:58:17,630 --> 00:58:13,920
there's another solar system just like

1236
00:58:19,910 --> 00:58:17,640
ours in which nine planets revolve

1237
00:58:22,910 --> 00:58:19,920
around a star

1238
00:58:24,049 --> 00:58:22,920

so I think if the astronomers explore

1239

00:58:26,150 --> 00:58:24,059

further

1240

00:58:27,650 --> 00:58:26,160

into the universe they're gonna find

1241

00:58:30,470 --> 00:58:27,660

more and more

1242

00:58:33,349 --> 00:58:30,480

solar systems like our solar system in

1243

00:58:34,069 --> 00:58:33,359

which nine planets revolve around the

1244

00:58:36,770 --> 00:58:34,079

star

1245

00:58:40,250 --> 00:58:36,780

and they're also going to see hopefully

1246

00:58:42,829 --> 00:58:40,260

next star's revolver even like a bigger

1247

00:58:44,270 --> 00:58:42,839

star like a sparrow

1248

00:58:48,470 --> 00:58:44,280

pattern

1249

00:58:50,510 --> 00:58:48,480

and also tells a lot of the facts that

1250

00:58:53,089 --> 00:58:50,520

we have been wondering about whether we

1251
00:58:54,470 --> 00:58:53,099
can travel at the speed faster than

1252
00:58:57,650 --> 00:58:54,480
speed of light

1253
00:59:00,170 --> 00:58:57,660
yes indeed we would be able to do so if

1254
00:59:03,109 --> 00:59:00,180
we are if we have the knowledge

1255
00:59:05,210 --> 00:59:03,119
in in fact they traveled at a few times

1256
00:59:06,890 --> 00:59:05,220
speed of light

1257
00:59:09,829 --> 00:59:06,900
um

1258
00:59:13,430 --> 00:59:09,839
and it is doable but when when we travel

1259
00:59:15,950 --> 00:59:13,440
when they travel at that kind of fast

1260
00:59:18,109 --> 00:59:15,960
speed they have to use what they call

1261
00:59:20,510 --> 00:59:18,119
the um

1262
00:59:23,150 --> 00:59:20,520
the

1263
00:59:26,450 --> 00:59:23,160

like anti-matter guns

1264

00:59:29,089 --> 00:59:26,460

to really destroy the space dusts and

1265

00:59:32,089 --> 00:59:29,099

the small the small like asteroids or

1266

00:59:35,210 --> 00:59:32,099

stones in in space otherwise like even

1267

00:59:38,510 --> 00:59:35,220

small dust could destroy

1268

00:59:40,069 --> 00:59:38,520

their spacecraft when they travel at a

1269

00:59:42,109 --> 00:59:40,079

such speed

1270

00:59:43,430 --> 00:59:42,119

faster faster than the speed of the

1271

00:59:46,250 --> 00:59:43,440

light

1272

00:59:47,690 --> 00:59:46,260

um so this is one fact that they

1273

00:59:50,150 --> 00:59:47,700

revealed

1274

00:59:54,170 --> 00:59:50,160

so this is one one thing that I would

1275

00:59:57,230 --> 00:59:54,180

advise uh or like NASA or

1276

01:00:00,530 --> 00:59:57,240

like uh Elon Musk if you want to travel

1277

01:00:02,990 --> 01:00:00,540

fast you have to consider like an

1278

01:00:05,210 --> 01:00:03,000

antimatter gun to destroy the space

1279

01:00:07,309 --> 01:00:05,220

tests

1280

01:00:11,150 --> 01:00:07,319

they also told a lot of other

1281

01:00:13,190 --> 01:00:11,160

interesting facts relating to physics

1282

01:00:14,710 --> 01:00:13,200

and also

1283

01:00:16,930 --> 01:00:14,720

um

1284

01:00:19,130 --> 01:00:16,940

interesting Technologies such as

1285

01:00:20,510 --> 01:00:19,140

anti-gravity anti-gravitational

1286

01:00:23,870 --> 01:00:20,520

Technologies

1287

01:00:26,809 --> 01:00:23,880

they say that the Great Pyramid of Egypt

1288

01:00:29,230 --> 01:00:26,819

and thus the statues on Easter Island

1289

01:00:31,670 --> 01:00:29,240

were built using

1290

01:00:36,109 --> 01:00:31,680

anti-gravitational Technologies

1291

01:00:40,490 --> 01:00:36,119

and supersonic laboratory systems to cut

1292

01:00:43,490 --> 01:00:40,500

the huge stones in a very precise manner

1293

01:00:46,730 --> 01:00:43,500

so anti-gravity is achievable

1294

01:00:49,670 --> 01:00:46,740

if you can find out the

1295

01:00:52,849 --> 01:00:49,680

the vibrational frequency that would

1296

01:00:55,849 --> 01:00:52,859

neutralize the gravity of Earth

1297

01:00:57,710 --> 01:00:55,859

so this is their hint that we have to do

1298

01:01:00,829 --> 01:00:57,720

our own homework

1299

01:01:06,109 --> 01:01:00,839

we can also come up with a supersonic

1300

01:01:09,950 --> 01:01:06,119

knife or vibratory system to cut certain

1301

01:01:12,650 --> 01:01:09,960

objects but we have to do the homework

1302

01:01:14,390 --> 01:01:12,660

we can also split water molecules

1303

01:01:16,130 --> 01:01:14,400

using

1304

01:01:19,190 --> 01:01:16,140

or combined

1305

01:01:20,390 --> 01:01:19,200

hydrogen and oxygen atoms to make water

1306

01:01:24,410 --> 01:01:20,400

molecules

1307

01:01:27,650 --> 01:01:24,420

if we know the the right vibrational

1308

01:01:30,170 --> 01:01:27,660

frequency that can break or form the

1309

01:01:33,890 --> 01:01:30,180

covalent bond between

1310

01:01:36,890 --> 01:01:33,900

hydrogen and oxygen atoms so this is the

1311

01:01:40,370 --> 01:01:36,900

hint in the book and the book also gives

1312

01:01:42,650 --> 01:01:40,380

a lot of very practical advice and hints

1313

01:01:44,230 --> 01:01:42,660

and other things and that people can

1314

01:01:47,630 --> 01:01:44,240

really

1315

01:01:50,510 --> 01:01:47,640

apply in their daily lives like the

1316

01:01:55,670 --> 01:01:53,210

well greet the Samuel thanks for that uh

1317

01:01:57,049 --> 01:01:55,680

so just a real quick uh just so that I

1318

01:01:58,730 --> 01:01:57,059

don't leave people with the wrong

1319

01:02:00,589 --> 01:01:58,740

information I had to look this up

1320

01:02:02,569 --> 01:02:00,599

exactly because I was like I can't

1321

01:02:05,329 --> 01:02:02,579

believe I'd never really you know

1322

01:02:07,130 --> 01:02:05,339

formulate or or always heard about dark

1323

01:02:08,569 --> 01:02:07,140

matter but never really looked it up so

1324

01:02:09,589 --> 01:02:08,579

I want to I want to give the statement

1325

01:02:11,990 --> 01:02:09,599

out

1326

01:02:15,309 --> 01:02:12,000

um so dark matter them reading this off

1327

01:02:18,470 --> 01:02:15,319

of Wikipedia online dark matter is a

1328

01:02:21,170 --> 01:02:18,480

hypothetical form of matter uh taught to

1329

01:02:23,450 --> 01:02:21,180

account for approximately 85 percent of

1330

01:02:25,250 --> 01:02:23,460

the matter in the universe dark matter

1331

01:02:28,510 --> 01:02:25,260

is called Dark because it does not

1332

01:02:31,010 --> 01:02:28,520

appear to interact with the

1333

01:02:33,250 --> 01:02:31,020

electromagnetic field which means it

1334

01:02:35,990 --> 01:02:33,260

does not absorb reflect or emit

1335

01:02:40,089 --> 01:02:36,000

electromagnetic radiation and is

1336

01:02:42,770 --> 01:02:40,099

therefore difficult to detect various

1337

01:02:45,289 --> 01:02:42,780

astrophysical observations including

1338

01:02:48,609 --> 01:02:45,299

gravitational effects which cannot be

1339

01:02:51,829 --> 01:02:48,619

explained by current Uh current

1340

01:02:54,890 --> 01:02:51,839

currently accept theories of gravity

1341

01:02:58,910 --> 01:02:54,900

unless more matter is present than can

1342

01:03:00,829 --> 01:02:58,920

be seen imply Dark Matters a presence

1343

01:03:02,750 --> 01:03:00,839

anyway so I just want to leave that

1344

01:03:04,010 --> 01:03:02,760

every one day because that was what I

1345

01:03:06,470 --> 01:03:04,020

was telling them initially I was like

1346

01:03:09,049 --> 01:03:06,480

well the planet but I'm like okay so now

1347

01:03:10,609 --> 01:03:09,059

you have the full definition and so uh

1348

01:03:13,430 --> 01:03:10,619

you're a little bit smarter for everyone

1349

01:03:15,950 --> 01:03:13,440

else watching leaving us here today

1350

01:03:17,150 --> 01:03:15,960

um all right well uh Samuel thank you

1351

01:03:19,250 --> 01:03:17,160

very much again

1352

01:03:21,589 --> 01:03:19,260

um I really appreciate it I'm glad we

1353

01:03:23,329 --> 01:03:21,599

were able to connect and uh able to do

1354

01:03:26,450 --> 01:03:23,339

this as I mentioned in the very

1355

01:03:28,250 --> 01:03:26,460

beginning or of the show all your links

1356

01:03:30,890 --> 01:03:28,260

that you've provided me are in the

1357

01:03:32,990 --> 01:03:30,900

description below and uh I certainly

1358

01:03:34,970 --> 01:03:33,000

hope people check them out and read more

1359

01:03:37,309 --> 01:03:34,980

about what else you have on your site

1360

01:03:39,349 --> 01:03:37,319

and of course there was one other book I

1361

01:03:42,049 --> 01:03:39,359

believe you said that you have covered

1362

01:03:43,789 --> 01:03:42,059

no translated if you can just uh mention

1363

01:03:45,410 --> 01:03:43,799

where they can go get that I believe I

1364

01:03:46,910 --> 01:03:45,420

have the link but if you can speak a

1365

01:03:48,410 --> 01:03:46,920

little bit about that and any other

1366

01:03:49,430 --> 01:03:48,420

sites you would like to leave to people

1367

01:03:51,470 --> 01:03:49,440

with

1368

01:03:53,150 --> 01:03:51,480

yes that's the other book that I

1369

01:03:56,630 --> 01:03:53,160

translated from Germany into English

1370

01:04:00,530 --> 01:03:56,640

it's called the 334

1371

01:04:03,289 --> 01:04:00,540

000th life I i e f is supposedly written

1372

01:04:06,530 --> 01:04:03,299

by the former chair the highest degree

1373

01:04:07,910 --> 01:04:06,540

chair of secret society that was founded

1374

01:04:10,549 --> 01:04:07,920

in Germany

1375

01:04:13,849 --> 01:04:10,559

in the entire book it doesn't really use

1376

01:04:16,069 --> 01:04:13,859

the word Illuminati but I checked out

1377

01:04:20,510 --> 01:04:16,079

checked my own resources and found out

1378

01:04:22,609 --> 01:04:20,520

that it was very likely to be the

1379

01:04:24,890 --> 01:04:22,619

Illuminati

1380

01:04:26,510 --> 01:04:24,900

um and it's a very interesting book but

1381

01:04:30,109 --> 01:04:26,520

it's not for everyone because it

1382

01:04:33,530 --> 01:04:30,119

contains a very graphic descriptions of

1383

01:04:35,450 --> 01:04:33,540

the um horrendous rituals that they do

1384

01:04:36,910 --> 01:04:35,460

to people

1385

01:04:40,549 --> 01:04:36,920

um they're they're

1386

01:04:42,589 --> 01:04:40,559

revealing but a very very graphic but

1387

01:04:44,870 --> 01:04:42,599

the author at the end realized

1388

01:04:48,230 --> 01:04:44,880

everything is about love

1389

01:04:51,710 --> 01:04:48,240

and and it also tells the reason for him

1390

01:04:55,309 --> 01:04:51,720

to reveal the secrets of the secret

1391

01:04:59,030 --> 01:04:55,319

society was to really wake people up and

1392

01:05:02,750 --> 01:04:59,040

so that the secret society can be

1393

01:05:06,170 --> 01:05:02,760

can be broken from within so he revealed

1394

01:05:09,770 --> 01:05:06,180

a special form of astrology in which can

1395

01:05:11,150 --> 01:05:09,780

predict certain things in the future it

1396

01:05:14,930 --> 01:05:11,160

reveals

1397

01:05:18,530 --> 01:05:14,940

how they control people's thinking and

1398

01:05:22,190 --> 01:05:18,540

mind and and they do a lot of mind

1399

01:05:24,770 --> 01:05:22,200

control and how they operate

1400

01:05:28,609 --> 01:05:24,780

in in North America and Europe and

1401

01:05:30,650 --> 01:05:28,619

things like that very interesting book

1402

01:05:33,770 --> 01:05:30,660

great well thank you for that well

1403

01:05:35,630 --> 01:05:33,780

Samuel thank you again I appreciate it

1404

01:05:38,150 --> 01:05:35,640

um everyone else watching thank you all

1405

01:05:40,010 --> 01:05:38,160

very much for joining us today I'm glad

1406

01:05:42,049 --> 01:05:40,020

you're able to make it again in the

1407

01:05:45,770 --> 01:05:42,059

description please make use of the links

1408

01:05:47,990 --> 01:05:45,780

and um next week uh Wednesday at 7 pm

1409

01:05:49,730 --> 01:05:48,000

we're going to have either open lines or

1410

01:05:53,030 --> 01:05:49,740

maybe another guest but either way tune

1411

01:05:55,370 --> 01:05:53,040

in and uh Samuel again thanks a lot and

1412

01:05:56,690 --> 01:05:55,380

I hope we can do this again sometime

1413

01:05:57,890 --> 01:05:56,700

thank you

1414

01:06:00,289 --> 01:05:57,900

all right
