

**GRANT CAMERON ON:
WHO IS THE PH.D INTELLIGENCE INSIDER
WHO APPROACHED REID AND BIGELOW TO
START AATIP? ... ARE THE GIMBAL AND
GO FAST VIDEOS FROM THE SAME UFO
INCIDENT? ... WHAT IS WITH THE
ELIZONDO AND MELLON FEAR PORN SPIN
WHEN THEY APPEAR ON MAINSTREAM
NEWS? ... DID AATIP INVESTIGATE THE
2008 STEPHENVILLE, TEXAS CASE?**

1
00:00:05,690 --> 00:00:03,560
so we're gonna start streaming and what

2
00:00:07,639 --> 00:00:05,700
I'm gonna do is I'm gonna play a little

3
00:00:11,570 --> 00:00:07,649
intro music it will take about a minute

4
00:00:13,580 --> 00:00:11,580
so if you can guys couldn't keep it

5
00:00:15,410 --> 00:00:13,590
quiet and then you're not gonna be able

6
00:00:16,609 --> 00:00:15,420
to hear the music so I'll let you know

7
00:00:51,590 --> 00:00:16,619
when it's over I'll just say good

8
00:00:51,600 --> 00:01:21,840
[Music]

9
00:01:27,940 --> 00:01:24,340
good morning everybody this is Frank

10
00:01:29,920 --> 00:01:27,950
stalter in Philadelphia hey and this is

11
00:01:34,090 --> 00:01:29,930
James and Olli in Westchester New York

12
00:01:36,940 --> 00:01:34,100
and this is UFO news network Sunday and

13
00:01:37,630 --> 00:01:36,950

it is Sunday in Australia so we're ready

14

00:01:40,750 --> 00:01:37,640

to go

15

00:01:43,390 --> 00:01:40,760

we've got a grant Cameron here with us

16

00:01:46,600 --> 00:01:43,400

thanks for joining us grant thanks for

17

00:01:48,970 --> 00:01:46,610

getting us off to perhaps the best

18

00:01:50,290 --> 00:01:48,980

possible start we could ask well thank

19

00:01:51,010 --> 00:01:50,300

you very much for having me I really

20

00:01:54,370 --> 00:01:51,020

appreciate it

21

00:01:58,120 --> 00:01:54,380

okay so let's not waste any time let's

22

00:02:02,020 --> 00:01:58,130

get right to the questions grant have

23

00:02:05,080 --> 00:02:02,030

you figured out who the the intelligence

24

00:02:07,240 --> 00:02:05,090

insider who first approached Harry Reid

25

00:02:09,609 --> 00:02:07,250

and Bob Bigelow about getting the a chip

26
00:02:11,770 --> 00:02:09,619
program started if you have an idea who

27
00:02:16,390 --> 00:02:11,780
that is just yet know that you're

28
00:02:19,540 --> 00:02:16,400
talking about the NSA guy whoever yeah

29
00:02:21,730 --> 00:02:19,550
the intelligence insider no I I don't

30
00:02:25,090 --> 00:02:21,740
know but I eventually I will figure it

31
00:02:26,590 --> 00:02:25,100
out and I we there's a second interview

32
00:02:29,350 --> 00:02:26,600
that people don't know there's a second

33
00:02:31,120 --> 00:02:29,360
interview done with Senator Reid hasn't

34
00:02:34,090 --> 00:02:31,130
been made public yet but it may come out

35
00:02:37,210 --> 00:02:34,100
in that okay cuz he was in interviewed

36
00:02:41,080 --> 00:02:37,220
by New York magazine yeah recently and

37
00:02:44,260 --> 00:02:41,090
he said that whoever it was has a PhD in

38
00:02:46,240 --> 00:02:44,270

physics yeah so that would seem to rule

39

00:02:49,240 --> 00:02:46,250

some people out I know you were talking

40

00:02:50,820 --> 00:02:49,250

about maybe it was Jim semi van I was

41

00:02:53,380 --> 00:02:50,830

thinking it might be John Alexander

42

00:02:55,840 --> 00:02:53,390

neither of those guys have a degree in

43

00:02:59,920 --> 00:02:55,850

physics yeah my understanding is from

44

00:03:02,990 --> 00:02:59,930

NSA okay it could be a lot of people and

45

00:03:04,320 --> 00:03:03,000

there's also the story that it was

46

00:03:09,370 --> 00:03:04,330

[Music]

47

00:03:11,290 --> 00:03:09,380

Department of Defense intelligence that

48

00:03:14,259 --> 00:03:11,300

there was a rumor that somebody there

49

00:03:15,460 --> 00:03:14,269

had approached him but it won't take

50

00:03:16,570 --> 00:03:15,470

long to figure it out I don't think I

51

00:03:18,250 --> 00:03:16,580

and I think he said it was either

52

00:03:21,040 --> 00:03:18,260

physics or mathematics I don't know if

53

00:03:23,470 --> 00:03:21,050

it was physics and me and maybe

54

00:03:25,870 --> 00:03:23,480

additionally mathematics I was the quote

55

00:03:28,000 --> 00:03:25,880

that I read so there were there are a

56

00:03:30,430 --> 00:03:28,010

few guys who already involved in all

57

00:03:31,600 --> 00:03:30,440

this UFOs stuff who kind of fit that

58

00:03:34,720 --> 00:03:31,610

description

59

00:03:36,160 --> 00:03:34,730

one of them would be how put off you

60

00:03:38,759 --> 00:03:36,170

know do you think it's him or not you

61

00:03:41,380 --> 00:03:38,769

think there's a chance it might be him

62

00:03:43,270 --> 00:03:41,390

he has an essay background but that was

63

00:03:45,009 --> 00:03:43,280

many many years ago there's so many

64

00:03:47,289 --> 00:03:45,019

people that people really don't realize

65

00:03:50,380 --> 00:03:47,299

that we're actually involved that people

66

00:03:54,610 --> 00:03:50,390

don't know for example Tom DeLonge has a

67

00:03:56,350 --> 00:03:54,620

high-level general inside National

68

00:03:59,559 --> 00:03:56,360

Reconnaissance Organization I know that

69

00:04:04,150 --> 00:03:59,569

and if you listen back to Tom DeLonge

70

00:04:06,099 --> 00:04:04,160

his interview with Rogen he talks about

71

00:04:10,390 --> 00:04:06,109

being approached right after he puts out

72

00:04:12,819 --> 00:04:10,400

the book secret machines in a in April

73

00:04:14,920 --> 00:04:12,829

5th of 2016 he's approached by an

74

00:04:17,500 --> 00:04:14,930

intelligence guy that for sure is some

75

00:04:20,560 --> 00:04:17,510

even and any states that he was put in a

76

00:04:22,420 --> 00:04:20,570

room in a hotel room in San Diego and

77

00:04:24,850 --> 00:04:22,430

there was six intelligence agents who

78

00:04:26,590 --> 00:04:24,860

queried him for two days about who are

79

00:04:28,960 --> 00:04:26,600

you talking to how do you know this kind

80

00:04:30,550 --> 00:04:28,970

of stuff and once they heard who he was

81

00:04:32,260 --> 00:04:30,560

talking to they were sort of blown away

82

00:04:35,950 --> 00:04:32,270

I guess he was talking about general

83

00:04:39,879 --> 00:04:35,960

McCaslin and rot-weiss and all these

84

00:04:42,909 --> 00:04:39,889

guys and then if you look back the story

85

00:04:45,670 --> 00:04:42,919

that's being put out is that Oh Lou

86

00:04:47,980 --> 00:04:45,680

Elizondo came forward he's just retiring

87

00:04:49,480 --> 00:04:47,990

and that's how this whole story broke

88

00:04:51,820 --> 00:04:49,490

and it was just the New York Times doing

89

00:04:54,370 --> 00:04:51,830

good reporting which it is not really

90

00:04:55,600 --> 00:04:54,380

even close to the truth because there

91

00:04:57,400 --> 00:04:55,610

was the New York Times and there was

92

00:04:59,560 --> 00:04:57,410

also the Washington Post we know that

93

00:05:01,750 --> 00:04:59,570

that Blumenthal Finn the from the New

94

00:05:04,150 --> 00:05:01,760

York Times has a Pulitzer Prize you know

95

00:05:05,529 --> 00:05:04,160

40 years at the New York Times but most

96

00:05:07,990 --> 00:05:05,539

people don't realize that the guy it was

97

00:05:10,390 --> 00:05:08,000

at The Washington Post this work I had

98

00:05:12,400 --> 00:05:10,400

two Pulitzer Prizes and he was also

99

00:05:16,510 --> 00:05:12,410

shown documents and he was also shown

100

00:05:18,520 --> 00:05:16,520

videos when this thing set up and so you

101
00:05:20,560 --> 00:05:18,530
look back on that stuff you start going

102
00:05:22,659 --> 00:05:20,570
back and reviewing the old stuff so

103
00:05:24,700 --> 00:05:22,669
you'll go back and review the December

104
00:05:28,089 --> 00:05:24,710
18th New York Times article was written

105
00:05:29,950 --> 00:05:28,099
by Blumenthal and he talks about Leslie

106
00:05:31,270 --> 00:05:29,960
Kane being in a room and it was at

107
00:05:33,790 --> 00:05:31,280
Pentagon City outside the Pentagon

108
00:05:35,860 --> 00:05:33,800
Pentagon City and that there was a

109
00:05:39,909 --> 00:05:35,870
number of intelligence former and

110
00:05:44,950 --> 00:05:39,919
present intelligence officers and a head

111
00:05:45,270 --> 00:05:44,960
of a contractor a major contractor was

112
00:05:47,310 --> 00:05:45,280
in the

113
00:05:50,040 --> 00:05:47,320

so you start looking and you realize

114

00:05:52,080 --> 00:05:50,050

there's a lot of people I was told Jim

115

00:05:55,800 --> 00:05:52,090

Sam even as you know did any with my

116

00:05:58,920 --> 00:05:55,810

associate Melinda

117

00:06:00,330 --> 00:05:58,930

well Melinda and he stated 40-some I'd

118

00:06:01,980 --> 00:06:00,340

heard the same thing there's over 40

119

00:06:04,950 --> 00:06:01,990

people involved in this thing and some

120

00:06:06,180 --> 00:06:04,960

of them are just academic people like

121

00:06:09,000 --> 00:06:06,190

Diane pisanka

122

00:06:10,110 --> 00:06:09,010

who is sort of involved but not really

123

00:06:11,790 --> 00:06:10,120

involved she's just sort of on the

124

00:06:13,980 --> 00:06:11,800

outskirts they're there as they're

125

00:06:16,379 --> 00:06:13,990

asking for advice from various people on

126

00:06:18,930 --> 00:06:16,389

various subjects and so these are

127

00:06:21,150 --> 00:06:18,940

academics who really don't want to be

128

00:06:23,520 --> 00:06:21,160

public because what you see what you're

129

00:06:25,140 --> 00:06:23,530

seeing now is that a lot of them you

130

00:06:27,930 --> 00:06:25,150

take a lot of flack for being in this

131

00:06:30,090 --> 00:06:27,940

subject a lot of them want to help but

132

00:06:32,190 --> 00:06:30,100

they don't want their name out there I'm

133

00:06:38,219 --> 00:06:32,200

sure you could ask Gary Nolan about that

134

00:06:40,560 --> 00:06:38,229

he's getting his career go up in flames

135

00:06:41,670 --> 00:06:40,570

and I've had contact with him I mean he

136

00:06:43,590 --> 00:06:41,680

really didn't want to talk on the record

137

00:06:45,629 --> 00:06:43,600

but I've had contact with him for for

138

00:06:48,740 --> 00:06:45,639

quite a while because he is actually now

139

00:06:51,780 --> 00:06:48,750

stated that my my interpretation of

140

00:06:54,360 --> 00:06:51,790

what's going on is a hundred percent

141

00:06:56,340 --> 00:06:54,370

accurate so and a lot of people think

142

00:06:57,900 --> 00:06:56,350

I'm now I'm a spokesman for them but it

143

00:07:00,210 --> 00:06:57,910

comes down to this consciousness thing

144

00:07:01,650 --> 00:07:00,220

that I have sort of had to contact these

145

00:07:03,029 --> 00:07:01,660

guys and these guys are way farther

146

00:07:04,920 --> 00:07:03,039

ahead than people think they are it's

147

00:07:06,690 --> 00:07:04,930

it's not there's a lot of stuff that

148

00:07:08,550 --> 00:07:06,700

they're keeping off the record and you

149

00:07:10,560 --> 00:07:08,560

can't blame them because the way they

150

00:07:13,440 --> 00:07:10,570

describe it to me was there trying to

151
00:07:15,960 --> 00:07:13,450
get peer-reviewed papers out and when

152
00:07:17,909 --> 00:07:15,970
you're in that world where the the

153
00:07:21,240 --> 00:07:17,919
predominant view is the materialistic

154
00:07:23,790 --> 00:07:21,250
paradigm where there are no UFOs this is

155
00:07:25,560 --> 00:07:23,800
totally impossible this is nonsense it's

156
00:07:27,960 --> 00:07:25,570
very dangerous for these people to be

157
00:07:31,110 --> 00:07:27,970
trying to get a peer-reviewed paper out

158
00:07:33,090 --> 00:07:31,120
to these very very skeptical scientific

159
00:07:34,230 --> 00:07:33,100
people and so I can't blame them that

160
00:07:36,360 --> 00:07:34,240
they want to sort of be off the record

161
00:07:39,240 --> 00:07:36,370
and get it out there they're trying to

162
00:07:41,340 --> 00:07:39,250
do sort of valuable work in terms of

163
00:07:42,990 --> 00:07:41,350

establishing that there's a reality to

164

00:07:44,370 --> 00:07:43,000

the experience or phenomena that these

165

00:07:45,779 --> 00:07:44,380

people are actually interacting with

166

00:07:48,690 --> 00:07:45,789

somebody with with some sort of

167

00:07:51,779 --> 00:07:48,700

intelligence but you take a big risk in

168

00:07:56,010 --> 00:07:51,789

a world especially like Nolan supposedly

169

00:07:57,990 --> 00:07:56,020

was nominated for a Nobel Prize put up

170

00:07:58,710 --> 00:07:58,000

was nominated twice for the Nobel Prize

171

00:08:00,900 --> 00:07:58,720

so

172

00:08:02,550 --> 00:08:00,910

these are guys who are putting a lot at

173

00:08:04,980 --> 00:08:02,560

stake when they put their name out there

174

00:08:07,140 --> 00:08:04,990

associated with the UFO phenomena and it

175

00:08:08,670 --> 00:08:07,150

takes a while to that that whole lot

176

00:08:10,680 --> 00:08:08,680

getting published process it doesn't

177

00:08:13,200 --> 00:08:10,690

happen in a week or a month it's not

178

00:08:16,560 --> 00:08:13,210

like you know getting a feature into a

179

00:08:18,120 --> 00:08:16,570

into a magazine yeah and and I've seen I

180

00:08:19,680 --> 00:08:18,130

have an idea some of the stuff that

181

00:08:21,990 --> 00:08:19,690

they're doing and that they're they're

182

00:08:23,820 --> 00:08:22,000

gonna put out and it's pretty solid

183

00:08:26,280 --> 00:08:23,830

stuff it's not you know cuz that's what

184

00:08:27,840 --> 00:08:26,290

people say to me I always say the basic

185

00:08:29,640 --> 00:08:27,850

thing you got watching this phenomenon

186

00:08:33,450 --> 00:08:29,650

now is you know like just four different

187

00:08:34,890 --> 00:08:33,460

aspects to the stars outline there's the

188

00:08:36,870 --> 00:08:34,900

the documents which are going to be

189

00:08:39,930 --> 00:08:36,880

basically theoretical papers on

190

00:08:41,940 --> 00:08:39,940

propulsion which really not going to get

191

00:08:43,409 --> 00:08:41,950

you really very far the videos I say are

192

00:08:45,630 --> 00:08:43,419

total waste of time you can watch those

193

00:08:46,680 --> 00:08:45,640

videos for the next 70 years and it's

194

00:08:48,510 --> 00:08:46,690

gonna tell you something is strange

195

00:08:49,800 --> 00:08:48,520

going on and we probably didn't build it

196

00:08:51,630 --> 00:08:49,810

but it doesn't that's all it tells you

197

00:08:53,670 --> 00:08:51,640

it doesn't tell you anything and then

198

00:08:55,500 --> 00:08:53,680

you have the metal which is is going to

199

00:08:57,510 --> 00:08:55,510

be tell you a little bit more but it

200

00:08:58,920 --> 00:08:57,520

still doesn't tell you who's flying the

201
00:09:01,620 --> 00:08:58,930
craft and where they're from and and

202
00:09:03,150 --> 00:09:01,630
what they want the the only thing that I

203
00:09:05,130 --> 00:09:03,160
say is critically important and they've

204
00:09:06,360 --> 00:09:05,140
figured this out is the experimenter

205
00:09:08,820 --> 00:09:06,370
these are the people who are interacting

206
00:09:11,100 --> 00:09:08,830
with the phenomena who claim that that

207
00:09:13,050 --> 00:09:11,110
they can bring the phenomena in and

208
00:09:14,670 --> 00:09:13,060
stuff like that so they have spent and I

209
00:09:16,650 --> 00:09:14,680
give them credit they have actually

210
00:09:19,680 --> 00:09:16,660
taken this very seriously and they have

211
00:09:21,630 --> 00:09:19,690
set up some some actual tests where they

212
00:09:24,000 --> 00:09:21,640
can actually verify that this person's

213
00:09:26,130 --> 00:09:24,010

and experiencers cuz and one perfect

214

00:09:27,540 --> 00:09:26,140

example I can give you is that they like

215

00:09:30,600 --> 00:09:27,550

to do is you may know they're doing the

216

00:09:32,250 --> 00:09:30,610

DNA stuff so there's one experience or

217

00:09:34,140 --> 00:09:32,260

who's highly controversial that people

218

00:09:36,900 --> 00:09:34,150

say now it's a scam or whatever now he

219

00:09:38,550 --> 00:09:36,910

has a volunteer at his DNA stuff so

220

00:09:39,960 --> 00:09:38,560

you're gonna be able to determine

221

00:09:41,520 --> 00:09:39,970

whether this marker exists because

222

00:09:44,400 --> 00:09:41,530

apparently every experiencer has this

223

00:09:46,490 --> 00:09:44,410

marker that exists so you can start to

224

00:09:49,079 --> 00:09:46,500

do this kind of stuff where it's not

225

00:09:50,940 --> 00:09:49,089

anecdotal evidence in terms of this

226

00:09:52,800 --> 00:09:50,950

person said there so they talk to the

227

00:09:55,290 --> 00:09:52,810

alien or whatever they've actually got

228

00:09:58,050 --> 00:09:55,300

these two markers and one is supposedly

229

00:10:00,570 --> 00:09:58,060

this DNA marker that appears in all

230

00:10:02,280 --> 00:10:00,580

highly psychic people and experiencers

231

00:10:04,140 --> 00:10:02,290

and then there's this what the this

232

00:10:06,060 --> 00:10:04,150

brain pattern which is called the

233

00:10:08,329 --> 00:10:06,070

antenna and and that's the important

234

00:10:12,040 --> 00:10:08,339

part is that these people are sort of

235

00:10:13,360 --> 00:10:12,050

able to interact with this

236

00:10:14,740 --> 00:10:13,370

world of consciousness higher

237

00:10:17,519 --> 00:10:14,750

consciousness whatever we're dealing

238

00:10:19,990 --> 00:10:17,529

with here and that you can actually

239

00:10:21,759 --> 00:10:20,000

verify this is what these I think these

240

00:10:23,470 --> 00:10:21,769

peer-reviewed papers will be is that

241

00:10:24,699 --> 00:10:23,480

these people are actually exhibiting

242

00:10:26,380 --> 00:10:24,709

something you can actually put on a

243

00:10:29,199 --> 00:10:26,390

piece of paper and you can actually

244

00:10:32,079 --> 00:10:29,209

verify you know with numbers and

245

00:10:34,900 --> 00:10:32,089

equations I'm you're referring to the

246

00:10:36,850 --> 00:10:34,910

the the kick Green Gary Nolan study yeah

247

00:10:39,040 --> 00:10:36,860

that's the the sort of the the sort of

248

00:10:42,910 --> 00:10:39,050

the was described by Jim semi band is

249

00:10:47,740 --> 00:10:42,920

not really TSS a it's sort of a separate

250

00:10:51,370 --> 00:10:47,750

group and more secret and yeah I believe

251
00:10:53,079 --> 00:10:51,380
have a sponsor and it's them and John

252
00:10:55,780 --> 00:10:53,089
Alexander at one point talked about

253
00:10:57,850 --> 00:10:55,790
having a sponsor so I think he sort of

254
00:11:01,780 --> 00:10:57,860
maybe an advisor to this group and

255
00:11:03,430 --> 00:11:01,790
there's also an engineer at with put off

256
00:11:05,500 --> 00:11:03,440
that's involved so there's a bunch of

257
00:11:07,569 --> 00:11:05,510
people I've heard one particular tape

258
00:11:08,829 --> 00:11:07,579
that leaked out there there are a number

259
00:11:10,509 --> 00:11:08,839
of people working on this on this

260
00:11:12,639 --> 00:11:10,519
program with these experiences and

261
00:11:15,460 --> 00:11:12,649
that's sort of known as this thing with

262
00:11:17,350 --> 00:11:15,470
kid green who you know you look at the

263
00:11:18,970 --> 00:11:17,360

two guys that are in involved in this

264

00:11:21,160 --> 00:11:18,980

program you know Nolan you've already

265

00:11:25,269 --> 00:11:21,170

mentioned but if you look at kit green

266

00:11:27,819 --> 00:11:25,279

and he'll put off these two guys may

267

00:11:29,380 --> 00:11:27,829

have the longest held top-secret a CIA

268

00:11:30,730 --> 00:11:29,390

security clearance in the country

269

00:11:32,230 --> 00:11:30,740

they've had top secret NSA attic

270

00:11:34,060 --> 00:11:32,240

security clearances since the late

271

00:11:35,949 --> 00:11:34,070

nineteen sixty so these are guys who

272

00:11:37,329 --> 00:11:35,959

have been involved in the remote viewing

273

00:11:39,940 --> 00:11:37,339

program and I think they've sort of

274

00:11:41,230 --> 00:11:39,950

dragged remote viewing into the sort of

275

00:11:42,790 --> 00:11:41,240

thing they're sort of throwing

276

00:11:46,420 --> 00:11:42,800

everything that they can think of at

277

00:11:47,650 --> 00:11:46,430

this problem of the experiencers and the

278

00:11:49,900 --> 00:11:47,660

information that they may be walking

279

00:11:52,600 --> 00:11:49,910

around with in their heads well that

280

00:11:54,190 --> 00:11:52,610

makes me almost like sorry about that

281

00:11:57,400 --> 00:11:54,200

that makes to the Stars Academy almost

282

00:11:59,199 --> 00:11:57,410

like the tip of the iceberg yeah it did

283

00:12:00,819 --> 00:11:59,209

the way I look at to the Stars is just

284

00:12:04,630 --> 00:12:00,829

it was just a platform that was set up

285

00:12:07,150 --> 00:12:04,640

by Tom DeLonge and Tom DeLonge is is not

286

00:12:09,370 --> 00:12:07,160

a researcher he's not a you follow just

287

00:12:11,740 --> 00:12:09,380

training area he's basically a media guy

288

00:12:14,380 --> 00:12:11,750

so he wants to do movies he wants to do

289

00:12:15,910 --> 00:12:14,390

cartoons he wants to do books he's you

290

00:12:19,120 --> 00:12:15,920

know that's his thing he's selling toys

291

00:12:21,699 --> 00:12:19,130

and all this kind of and and so that's

292

00:12:23,530 --> 00:12:21,709

his thing he set up the program where

293

00:12:25,840 --> 00:12:23,540

these guys are operating but these guys

294

00:12:28,420 --> 00:12:25,850

are basically I think running the show

295

00:12:30,430 --> 00:12:28,430

there's a number of them that are doing

296

00:12:32,079 --> 00:12:30,440

this and one of the things I always try

297

00:12:33,629 --> 00:12:32,089

to point out to people when they're

298

00:12:35,740 --> 00:12:33,639

looking at to the Stars Academy is

299

00:12:37,389 --> 00:12:35,750

everybody keeps saying well you know Tom

300

00:12:39,309 --> 00:12:37,399

DeLonge set this thing up and I keep

301
00:12:41,050 --> 00:12:39,319
saying if you believe that you're going

302
00:12:43,030 --> 00:12:41,060
down the wrong road you're gonna get all

303
00:12:46,210 --> 00:12:43,040
sorts of stuff wrong Tom DeLonge did not

304
00:12:49,329 --> 00:12:46,220
set this thing up he started making the

305
00:12:51,939 --> 00:12:49,339
queries with this guy from from Lockheed

306
00:12:53,769 --> 00:12:51,949
but they set him up this is exactly Bill

307
00:12:56,829 --> 00:12:53,779
Moore of the 1980s exactly the same

308
00:12:58,870 --> 00:12:56,839
thing where he sort of indicated that he

309
00:13:02,920 --> 00:12:58,880
had some some input he had some power

310
00:13:05,499 --> 00:13:02,930
and he made this contact to this one guy

311
00:13:07,600 --> 00:13:05,509
at Lockheed then that guy invited him to

312
00:13:11,079 --> 00:13:07,610
this party that was being held at lock

313
00:13:12,819 --> 00:13:11,089

at the Lockheed family's in the parking

314

00:13:15,519 --> 00:13:12,829

lot he was asked to introduce the

315

00:13:16,870 --> 00:13:15,529

president and he said okay I got to talk

316

00:13:19,150 --> 00:13:16,880

to this guy for five minutes then he

317

00:13:21,490 --> 00:13:19,160

gets invited to area 51 they sent him to

318

00:13:23,230 --> 00:13:21,500

Pentagon City outside of Washington for

319

00:13:25,180 --> 00:13:23,240

this this meeting with these two

320

00:13:28,389 --> 00:13:25,190

intelligence guys they sent him to NASA

321

00:13:31,829 --> 00:13:28,399

NASA sends him to Ames then he meets the

322

00:13:35,800 --> 00:13:31,839

general then he goes to he gets sent to

323

00:13:37,900 --> 00:13:35,810

to Nora to the Space Command in Colorado

324

00:13:39,850 --> 00:13:37,910

and they basically move him around and

325

00:13:41,230 --> 00:13:39,860

set up this team for him he did not set

326

00:13:43,449 --> 00:13:41,240

up the team doesn't mean that he didn't

327

00:13:45,069 --> 00:13:43,459

do something significant and you know

328

00:13:46,600 --> 00:13:45,079

handled it properly when he got it but

329

00:13:48,790 --> 00:13:46,610

they basically set up the team all these

330

00:13:51,370 --> 00:13:48,800

people knew each other before it was all

331

00:13:54,009 --> 00:13:51,380

before Tom DeLonge got involved and he's

332

00:13:57,040 --> 00:13:54,019

just a platform that they can use to get

333

00:13:59,439 --> 00:13:57,050

out a message to young people and to

334

00:14:01,179 --> 00:13:59,449

help this gradual climate error

335

00:14:04,030 --> 00:14:01,189

confirmation that's what I'm saying has

336

00:14:05,379 --> 00:14:04,040

happened this confirmation and so what

337

00:14:08,590 --> 00:14:05,389

they have done is they've used Tom

338

00:14:11,920 --> 00:14:08,600

DeLong's platform and that he set up to

339

00:14:13,809 --> 00:14:11,930

operate and what they have done is they

340

00:14:15,730 --> 00:14:13,819

have done absolutely I can guarantee you

341

00:14:17,050 --> 00:14:15,740

they've done confirmation not disclosure

342

00:14:19,600 --> 00:14:17,060

everything's they keep using this word

343

00:14:20,829 --> 00:14:19,610

disclosure and what I say is you have to

344

00:14:22,240 --> 00:14:20,839

go back if you understand what's going

345

00:14:25,480 --> 00:14:22,250

on to go go back to an interview that

346

00:14:27,550 --> 00:14:25,490

was done by Bob Bigelow in 2013 on coast

347

00:14:29,769 --> 00:14:27,560

to coast with George now George Knapp

348

00:14:31,720 --> 00:14:29,779

says I think something's going on and I

349

00:14:33,759 --> 00:14:31,730

think if anybody knows what's going on

350

00:14:35,079 --> 00:14:33,769

things have changed it's Bob Bigelow so

351
00:14:36,910 --> 00:14:35,089
then he starts interviewing Bob Bigelow

352
00:14:39,560 --> 00:14:36,920
and he said are you in favor of

353
00:14:42,050 --> 00:14:39,570
disclosure and Bob Bigelow said no I'm

354
00:14:43,670 --> 00:14:42,060
and he said well what what do you what

355
00:14:44,749 --> 00:14:43,680
do you think and he said well we need

356
00:14:46,129 --> 00:14:44,759
confirmation

357
00:14:48,199 --> 00:14:46,139
we don't need disclosure we need

358
00:14:51,019 --> 00:14:48,209
confirmation what we need is to tell the

359
00:14:52,759 --> 00:14:51,029
American people that UFOs are real and

360
00:14:54,889 --> 00:14:52,769
stop right there

361
00:14:56,210 --> 00:14:54,899
disclosure will come a number of years

362
00:14:58,040 --> 00:14:56,220
down the road that's what we need and

363
00:14:59,900 --> 00:14:58,050

that is what they did if you look at

364

00:15:01,850 --> 00:14:59,910

what happened October the 11th news

365

00:15:07,249 --> 00:15:01,860

conference and then particularly the

366

00:15:09,110 --> 00:15:07,259

December 16th media story which was done

367

00:15:11,090 --> 00:15:09,120

by three different media's people forget

368

00:15:12,410 --> 00:15:11,100

this as well it wasn't just the New York

369

00:15:13,790 --> 00:15:12,420

Times it was New York Times Washington

370

00:15:16,370 --> 00:15:13,800

Post on Politico

371

00:15:18,800 --> 00:15:16,380

all three media outlets had really not

372

00:15:21,050 --> 00:15:18,810

done UFO stories and suddenly they all

373

00:15:23,809 --> 00:15:21,060

the same morning go out and what they

374

00:15:26,449 --> 00:15:23,819

did there is they did confirmation they

375

00:15:29,620 --> 00:15:26,459

basically said the US government says

376

00:15:31,699 --> 00:15:29,630

this is for real we have these things we

377

00:15:32,210 --> 00:15:31,709

that are flying around we don't know

378

00:15:34,280 --> 00:15:32,220

what they are

379

00:15:35,569 --> 00:15:34,290

we're investigating this but we're not

380

00:15:37,550 --> 00:15:35,579

saying it's alien we're not saying it's

381

00:15:38,809 --> 00:15:37,560

et and they said that's what Bigelow was

382

00:15:40,579 --> 00:15:38,819

saying you stop right there

383

00:15:42,530 --> 00:15:40,589

you don't go and alien so you don't go

384

00:15:44,420 --> 00:15:42,540

into where they're from what the mission

385

00:15:45,860 --> 00:15:44,430

is cattle mutilations abductions all

386

00:15:46,939 --> 00:15:45,870

that kinda stuff you just stop right

387

00:15:49,100 --> 00:15:46,949

there and that's what they've done they

388

00:15:51,740 --> 00:15:49,110

did confirmation they drop the story

389

00:15:53,660 --> 00:15:51,750

that the American government is involved

390

00:15:55,550 --> 00:15:53,670

in UFOs UFOs are real and they stopped

391

00:15:57,800 --> 00:15:55,560

right there and so what they have done

392

00:16:00,590 --> 00:15:57,810

is that basically why I say they fired

393

00:16:01,939 --> 00:16:00,600

the UFO community you're he's upset

394

00:16:03,620 --> 00:16:01,949

they're saying well why didn't they

395

00:16:05,509 --> 00:16:03,630

explain why didn't explain this why

396

00:16:07,730 --> 00:16:05,519

don't they do this because they don't

397

00:16:09,680 --> 00:16:07,740

care about us they don't care about the

398

00:16:11,090 --> 00:16:09,690

UFO community they bypass this and and

399

00:16:13,639 --> 00:16:11,100

in some of the interactions I've had

400

00:16:16,370 --> 00:16:13,649

with some of these people associated

401
00:16:19,370 --> 00:16:16,380
with to the Stars every contact starts

402
00:16:21,980 --> 00:16:19,380
the same way these conspiratorial you

403
00:16:23,420 --> 00:16:21,990
know theories and the UFO community and

404
00:16:25,730 --> 00:16:23,430
stuff and it they're all on the same

405
00:16:28,009 --> 00:16:25,740
party line it's like ignore these people

406
00:16:31,250 --> 00:16:28,019
they are just a pile of trouble and it's

407
00:16:32,929 --> 00:16:31,260
true because remember if you remember

408
00:16:35,090 --> 00:16:32,939
back no it wasn't in the interview that

409
00:16:36,710 --> 00:16:35,100
with Melinda we put it on on YouTube but

410
00:16:39,199 --> 00:16:36,720
she thought it was part of the interview

411
00:16:41,840 --> 00:16:39,209
but it wasn't it was I found out from

412
00:16:43,610 --> 00:16:41,850
her later that Jim had said to her do

413
00:16:45,290 --> 00:16:43,620

you remember back Lou Alessandro the big

414

00:16:48,350 --> 00:16:45,300

thing was Lou Elizondo was gonna go to

415

00:16:50,000 --> 00:16:48,360

UFO Congress and he was he was then

416

00:16:51,290 --> 00:16:50,010

suddenly it was like oh he can't go

417

00:16:53,820 --> 00:16:51,300

because there's his medical thing there

418

00:16:59,290 --> 00:16:53,830

may have been a medical thing going on

419

00:17:01,240 --> 00:16:59,300

but then the UFO Congress said ok we'll

420

00:17:02,830 --> 00:17:01,250

we'll interview and we'll fly to the

421

00:17:03,670 --> 00:17:02,840

place and we'll got all these questions

422

00:17:06,460 --> 00:17:03,680

from all these people and we'll

423

00:17:08,140 --> 00:17:06,470

interview them and to the stars said no

424

00:17:10,180 --> 00:17:08,150

you sent us the question we'll interview

425

00:17:12,190 --> 00:17:10,190

him and so they got to pick the question

426

00:17:13,810 --> 00:17:12,200

that's what I call when I wrote the book

427

00:17:16,120 --> 00:17:13,820

managing magic that's what's managed you

428

00:17:17,920 --> 00:17:16,130

magic that's to manage the story you

429

00:17:21,130 --> 00:17:17,930

control the story you control how it's

430

00:17:23,650 --> 00:17:21,140

coming out you don't let some reporter

431

00:17:25,510 --> 00:17:23,660

who may have some vested interest in

432

00:17:27,760 --> 00:17:25,520

asking tough questions to ask the

433

00:17:29,470 --> 00:17:27,770

question so Jim semi Vann actually told

434

00:17:33,010 --> 00:17:29,480

that to Melinda Leslie that the reason

435

00:17:35,020 --> 00:17:33,020

that John that Lou Elizondo didn't go to

436

00:17:38,410 --> 00:17:35,030

UFO Congress is because he was told not

437

00:17:41,530 --> 00:17:38,420

to go and Melinda if you interview her

438

00:17:43,870 --> 00:17:41,540

she'll tell you who it was that told him

439

00:17:46,060 --> 00:17:43,880

not to go wasn't Jim sent me back but it

440

00:17:48,670 --> 00:17:46,070

made sense because what he was told was

441

00:17:50,170 --> 00:17:48,680

if you go to Congress and you open

442

00:17:52,780 --> 00:17:50,180

yourself up you're gonna get also two

443

00:17:54,580 --> 00:17:52,790

hardball questions about things that

444

00:17:58,330 --> 00:17:54,590

maybe we don't want to talk about right

445

00:18:00,280 --> 00:17:58,340

now and when you answer those questions

446

00:18:01,720 --> 00:18:00,290

you're a counterintelligence officer

447

00:18:03,400 --> 00:18:01,730

with the Department of Defense they're

448

00:18:05,920 --> 00:18:03,410

not gonna believe you anyway so why go

449

00:18:07,950 --> 00:18:05,930

through it and I know there is this sort

450

00:18:09,880 --> 00:18:07,960

of thing that the UFO community is

451
00:18:13,690 --> 00:18:09,890
they're always asking these questions

452
00:18:15,340 --> 00:18:13,700
and we're sort of like there's every

453
00:18:16,690 --> 00:18:15,350
theory in the world all sorts of crazy

454
00:18:18,370 --> 00:18:16,700
theories and you have to deal with all

455
00:18:20,200 --> 00:18:18,380
the crazy stuff so what you do is you

456
00:18:22,390 --> 00:18:20,210
manage the magic you manage the story

457
00:18:24,580 --> 00:18:22,400
you make it come out the way you want so

458
00:18:26,200 --> 00:18:24,590
you go to the New York Times you go to

459
00:18:28,540 --> 00:18:26,210
Washington Post you go to political and

460
00:18:30,340 --> 00:18:28,550
you say we got this story and all three

461
00:18:32,620 --> 00:18:30,350
of them did if you if you take a look

462
00:18:34,120 --> 00:18:32,630
what's happening now we cannot get any

463
00:18:35,590 --> 00:18:34,130

confirmation of this thing we cannot get

464

00:18:37,300 --> 00:18:35,600

any confirmation if there's an eight put

465

00:18:39,160 --> 00:18:37,310

tip program we cannot get in

466

00:18:41,290 --> 00:18:39,170

confirmation that there's any documents

467

00:18:43,420 --> 00:18:41,300

the Department of Defense has said

468

00:18:45,970 --> 00:18:43,430

repeatedly we did not release any videos

469

00:18:48,160 --> 00:18:45,980

so it's a dead end but the thing is that

470

00:18:49,810 --> 00:18:48,170

politically that political Washington

471

00:18:51,910 --> 00:18:49,820

Post and New York Times ran with the

472

00:18:54,040 --> 00:18:51,920

story they would not have run with the

473

00:18:56,530 --> 00:18:54,050

story unless they had two independent

474

00:18:58,600 --> 00:18:56,540

sources inside the Pentagon who verified

475

00:18:59,830 --> 00:18:58,610

this thing was for real so what they've

476

00:19:03,040 --> 00:18:59,840

done is they've gone to the media

477

00:19:05,440 --> 00:19:03,050

they've said off the record this thing's

478

00:19:07,190 --> 00:19:05,450

for real so all three media run with the

479

00:19:10,010 --> 00:19:07,200

story they put out the video

480

00:19:11,750 --> 00:19:10,020

and the UFO community can't confirm it

481

00:19:14,600 --> 00:19:11,760

but what you get is if you look at the

482

00:19:16,220 --> 00:19:14,610

story CNN Fox all these people it's the

483

00:19:17,660 --> 00:19:16,230

same thing they've got the media on a

484

00:19:19,220 --> 00:19:17,670

leash they've got him exactly where they

485

00:19:21,530 --> 00:19:19,230

want him because the story always starts

486

00:19:23,870 --> 00:19:21,540

the same for example the third video

487

00:19:26,000 --> 00:19:23,880

that came out so you get CNN Fox so they

488

00:19:28,040 --> 00:19:26,010

write the story they say oh the Defense

489

00:19:30,620 --> 00:19:28,050

Department has released another UFO

490

00:19:32,150 --> 00:19:30,630

video and it's not true is it's but

491

00:19:33,620 --> 00:19:32,160

that's the way the story is now being

492

00:19:35,780 --> 00:19:33,630

spun is that the government is doing

493

00:19:38,030 --> 00:19:35,790

UFOs and they're releasing these videos

494

00:19:40,940 --> 00:19:38,040

and yet when you try to confirm it as

495

00:19:42,860 --> 00:19:40,950

part of a UFO community research effort

496

00:19:46,190 --> 00:19:42,870

you cannot confirm any of it I mean John

497

00:19:47,900 --> 00:19:46,200

Greenwald who's the expert 8000 fos is

498

00:19:51,290 --> 00:19:47,910

absolutely stonewalled he cannot get

499

00:19:54,290 --> 00:19:51,300

anything and is very frustrated Robert

500

00:19:59,150 --> 00:19:54,300

Powell has been filing for a couple

501
00:20:00,710 --> 00:19:59,160
years I had the reporter who did fast

502
00:20:03,440 --> 00:20:00,720
the first question of Hillary Clinton

503
00:20:05,090 --> 00:20:03,450
Damon steer in New Hampshire he filed

504
00:20:06,800 --> 00:20:05,100
right away I talked to him right when

505
00:20:08,720 --> 00:20:06,810
this event happened and said can you

506
00:20:11,360 --> 00:20:08,730
file fo a he phoned the Defense

507
00:20:13,610 --> 00:20:11,370
Department before he filed and this is

508
00:20:15,560 --> 00:20:13,620
back in December and they said I'm sorry

509
00:20:17,990 --> 00:20:15,570
sir we did not release any video and he

510
00:20:20,540 --> 00:20:18,000
said well who do I file the FOI with and

511
00:20:22,340 --> 00:20:20,550
they said sorry sir we cannot help you

512
00:20:24,440 --> 00:20:22,350
we did not we don't know we did not

513
00:20:25,730 --> 00:20:24,450

release any video so that's basically

514

00:20:28,700 --> 00:20:25,740

what they've done is they've managed the

515

00:20:30,290 --> 00:20:28,710

story by putting it through reporters

516

00:20:31,910 --> 00:20:30,300

who are off the record as to who

517

00:20:34,460 --> 00:20:31,920

confirmed this thing to them inside the

518

00:20:36,560 --> 00:20:34,470

Pentagon and now everybody in America

519

00:20:38,630 --> 00:20:36,570

and I bet you with this confirmation

520

00:20:40,850 --> 00:20:38,640

I'll bet you it's five to ten percent of

521

00:20:42,860 --> 00:20:40,860

people in America who have changed their

522

00:20:44,300 --> 00:20:42,870

opinion where they now say why the

523

00:20:46,100 --> 00:20:44,310

government's doing your host you know

524

00:20:48,200 --> 00:20:46,110

it's for real they've they've shifted

525

00:20:50,240 --> 00:20:48,210

the opinion of the public and down the

526

00:20:53,270 --> 00:20:50,250

road they may go to the next step of

527

00:20:55,910 --> 00:20:53,280

what's actually going on well I real

528

00:20:59,570 --> 00:20:55,920

quick grant as far as those videos are

529

00:21:03,260 --> 00:20:59,580

concerned the they go fast and the

530

00:21:05,750 --> 00:21:03,270

gimbal videos the the same voices on

531

00:21:10,040 --> 00:21:05,760

there saying my gosh

532

00:21:13,970 --> 00:21:10,050

there is a readout that I to the best of

533

00:21:16,540 --> 00:21:13,980

my knowledge relates to the infrared

534

00:21:19,430 --> 00:21:16,550

setting in nanometers

535

00:21:22,129 --> 00:21:19,440

1688 on both videos do you

536

00:21:25,669 --> 00:21:22,139

know whether or not those two videos are

537

00:21:28,669 --> 00:21:25,679

from the same incident the gimbal and

538

00:21:31,779 --> 00:21:28,679

the go the gimbal on the go fast

539

00:21:35,119 --> 00:21:31,789

they both are yeah I think they're both

540

00:21:37,549 --> 00:21:35,129

the 5th 15th off the East Coast that's

541

00:21:40,220 --> 00:21:37,559

was the rumors story well what I think

542

00:21:44,570 --> 00:21:40,230

they may have done and and when when

543

00:21:47,869 --> 00:21:44,580

they defer stood the the news conference

544

00:21:49,639 --> 00:21:47,879

October the 11th I and other people knew

545

00:21:52,549 --> 00:21:49,649

that that that nimitz video had already

546

00:21:53,840 --> 00:21:52,559

been out in 2007 right so when I did one

547

00:21:56,379 --> 00:21:53,850

of my updates I actually played the

548

00:22:00,740 --> 00:21:56,389

nimitz video because I got this Juliano

549

00:22:02,600 --> 00:22:00,750

Mary Kovac in in Europe who's absolutely

550

00:22:04,549 --> 00:22:02,610

knows where every video and audio and

551
00:22:07,340 --> 00:22:04,559
everything he's absolutely fantastic

552
00:22:08,720 --> 00:22:07,350
guys good he told me were were the

553
00:22:10,879 --> 00:22:08,730
archives were to find this thing so I

554
00:22:14,539 --> 00:22:10,889
pulled it and I played it and what you

555
00:22:15,950 --> 00:22:14,549
see is if you see the the video released

556
00:22:17,659 --> 00:22:15,960
by to the stars like they're saying oh

557
00:22:19,869 --> 00:22:17,669
no that's one of the things they said

558
00:22:22,460 --> 00:22:19,879
was when is the UFO community going to

559
00:22:22,669 --> 00:22:22,470
get to the fact that this thing's for

560
00:22:24,919 --> 00:22:22,679
real

561
00:22:27,019 --> 00:22:24,929
and quit questioning these videos like a

562
00:22:28,909 --> 00:22:27,029
bunch of conspiratorial didn't have Paul

563
00:22:30,590 --> 00:22:28,919

hat guys and that was kind of reaction I

564

00:22:32,149 --> 00:22:30,600

was getting from them it's this party

565

00:22:34,700 --> 00:22:32,159

line it's like the UFO community is just

566

00:22:36,470 --> 00:22:34,710

a you know a pain that they're hard to

567

00:22:38,110 --> 00:22:36,480

deal with and we don't need to deal with

568

00:22:41,210 --> 00:22:38,120

them we don't need to prove it to them

569

00:22:44,509 --> 00:22:41,220

but when I played the the nimitz video

570

00:22:46,190 --> 00:22:44,519

in October on one of my updates then you

571

00:22:47,629 --> 00:22:46,200

played that to the stars that has that

572

00:22:49,909 --> 00:22:47,639

vacuum cleaner thing going in the

573

00:22:51,529 --> 00:22:49,919

background and when Erik Davis was asked

574

00:22:53,930 --> 00:22:51,539

about it he said well that was an

575

00:22:55,970 --> 00:22:53,940

open-mic the guy left his mic open but

576
00:22:57,019 --> 00:22:55,980
all three videos have that boat noise in

577
00:23:00,710 --> 00:22:57,029
background so what we're saying all

578
00:23:03,619 --> 00:23:00,720
three f18 top fighter pilot guys left

579
00:23:05,690 --> 00:23:03,629
their mics open over like 11 years or

580
00:23:07,909 --> 00:23:05,700
whatever and what I think it's like the

581
00:23:10,580 --> 00:23:07,919
when I wrote managing magic cuz I say

582
00:23:11,600 --> 00:23:10,590
this has been going on since 1947

583
00:23:13,190 --> 00:23:11,610
they've been doing this they've been

584
00:23:14,779 --> 00:23:13,200
gradually there are people inside the

585
00:23:16,909 --> 00:23:14,789
government who want this story out so

586
00:23:18,769 --> 00:23:16,919
they're gradually leaking this stuff but

587
00:23:21,830 --> 00:23:18,779
what you do is I call it the high hurdle

588
00:23:24,440 --> 00:23:21,840

is when you've got a legitimate video

589

00:23:26,299 --> 00:23:24,450

how do you get it out Lou Elizondo

590

00:23:28,609 --> 00:23:26,309

doesn't get the videos when he walks out

591

00:23:30,379 --> 00:23:28,619

of the you know quits in discussed with

592

00:23:32,419 --> 00:23:30,389

the Defense Department they don't give

593

00:23:33,000 --> 00:23:32,429

you the videos though the UFO videos as

594

00:23:35,310 --> 00:23:33,010

a goodbye

595

00:23:37,680 --> 00:23:35,320

how do you get the videos out how do you

596

00:23:39,510 --> 00:23:37,690

get the medal out because this stuff is

597

00:23:43,350 --> 00:23:39,520

gonna be classified in and you have to

598

00:23:45,990 --> 00:23:43,360

get make a move so acclimatization means

599

00:23:47,400 --> 00:23:46,000

that you release it by altering it and

600

00:23:49,140 --> 00:23:47,410

that's what I believe happened with all

601
00:23:51,150 --> 00:23:49,150
the mj-12 documents and all this kind of

602
00:23:52,860 --> 00:23:51,160
stuff it was it was the whole thing was

603
00:23:54,870 --> 00:23:52,870
for real but what you do is you alter

604
00:23:56,700 --> 00:23:54,880
the document all you have to do is alter

605
00:23:58,919 --> 00:23:56,710
one or two words or something like that

606
00:24:01,350 --> 00:23:58,929
you spin the thing and then you can say

607
00:24:03,120 --> 00:24:01,360
it's a hoax it's not true and even Tom

608
00:24:04,890 --> 00:24:03,130
DeLonge if you listen to him he says he

609
00:24:06,870 --> 00:24:04,900
was told that's how it's done I've said

610
00:24:10,020 --> 00:24:06,880
for 20 years as oh it's done so what you

611
00:24:11,580 --> 00:24:10,030
do is you release a piece of of material

612
00:24:13,860 --> 00:24:11,590
and then you release the

613
00:24:15,450 --> 00:24:13,870

counterintelligence stuff that makes it

614

00:24:17,669 --> 00:24:15,460

spin around so nobody knows what's

615

00:24:21,120 --> 00:24:17,679

what's real so like in terms of area 51

616

00:24:22,980 --> 00:24:21,130

you show this stuff to Bob Lazar and

617

00:24:24,720 --> 00:24:22,990

he's got he's got this bad background

618

00:24:26,940 --> 00:24:24,730

but they're releasing it through John

619

00:24:28,830 --> 00:24:26,950

Lear so nobody's gonna believe John Lear

620

00:24:30,210 --> 00:24:28,840

John Lear is telling the story nobody

621

00:24:32,400 --> 00:24:30,220

believes it cuz it's John Lear telling

622

00:24:34,409 --> 00:24:32,410

the story then suddenly George Knapp

623

00:24:36,780 --> 00:24:34,419

gets involved because he's missing a

624

00:24:39,900 --> 00:24:36,790

guest on one show in the spring of 1989

625

00:24:41,640 --> 00:24:39,910

you put Bob Lazar on now it's you know

626
00:24:43,440 --> 00:24:41,650
this Emmy award-winning guy who's doing

627
00:24:45,120 --> 00:24:43,450
it not John Lear telling the story and

628
00:24:45,870 --> 00:24:45,130
suddenly the story goes viral it gets

629
00:24:47,220 --> 00:24:45,880
out of control

630
00:24:48,930 --> 00:24:47,230
so this is what they do is they put it

631
00:24:50,789 --> 00:24:48,940
out they take the information you

632
00:24:51,870 --> 00:24:50,799
surround it with disinformation and that

633
00:24:54,270 --> 00:24:51,880
may be what they're doing with the video

634
00:24:56,400 --> 00:24:54,280
is they change they alter it's the same

635
00:25:00,299 --> 00:24:56,410
video but what you do is they put either

636
00:25:02,280 --> 00:25:00,309
a goofy guy talking or you put some

637
00:25:04,380 --> 00:25:02,290
sound in the background so you can say

638
00:25:06,960 --> 00:25:04,390

no we did not not release that video

639

00:25:09,060 --> 00:25:06,970

that's that's a fake video and yet it's

640

00:25:10,409 --> 00:25:09,070

the real it's the real video so what

641

00:25:12,810 --> 00:25:10,419

you're doing is you're you're

642

00:25:14,850 --> 00:25:12,820

controlling managing the magic

643

00:25:17,039 --> 00:25:14,860

controlling the message making it come

644

00:25:18,390 --> 00:25:17,049

out slowly because it is as I said

645

00:25:20,909 --> 00:25:18,400

there's only three options you can do

646

00:25:22,230 --> 00:25:20,919

you can disclose East and the President

647

00:25:23,580 --> 00:25:22,240

of the United States out and you say

648

00:25:26,760 --> 00:25:23,590

this thing's for real or they head to

649

00:25:28,620 --> 00:25:26,770

the CIA you put out the videos you show

650

00:25:30,480 --> 00:25:28,630

them the craft the body so you have big

651
00:25:31,950 --> 00:25:30,490
news conference they're not disclosing

652
00:25:34,380 --> 00:25:31,960
no matter what anybody says they're not

653
00:25:35,669 --> 00:25:34,390
disclosing and they are not covering up

654
00:25:37,140 --> 00:25:35,679
because if they want to cover up they do

655
00:25:38,520 --> 00:25:37,150
it every other country in the world is

656
00:25:39,690 --> 00:25:38,530
doing and shut your mouth and quit

657
00:25:42,780 --> 00:25:39,700
talking about it this story would go

658
00:25:45,419 --> 00:25:42,790
away you don't cover up by saying you

659
00:25:46,440 --> 00:25:45,429
know I had having a Ferrum with my wife

660
00:25:47,850 --> 00:25:46,450
so what I'll

661
00:25:49,620 --> 00:25:47,860
I'll go to my wife and I'll tell her I'm

662
00:25:50,670 --> 00:25:49,630
having an affair with Betty and she

663
00:25:52,320 --> 00:25:50,680

won't know I'm having an affair with

664

00:25:54,540 --> 00:25:52,330

Mary I mean it doesn't make any sense to

665

00:25:55,680 --> 00:25:54,550

run around and tell people that you're

666

00:25:57,540 --> 00:25:55,690

doing this kind of stuff because all it

667

00:25:58,740 --> 00:25:57,550

does is invite more questions what

668

00:26:00,960 --> 00:25:58,750

they're doing is something in between

669

00:26:03,750 --> 00:26:00,970

they're doing this this sort of gradual

670

00:26:06,360 --> 00:26:03,760

release and the way you control the

671

00:26:08,400 --> 00:26:06,370

material the release is the material

672

00:26:10,230 --> 00:26:08,410

isn't clean so people really don't know

673

00:26:12,360 --> 00:26:10,240

you and I will be fighting or the

674

00:26:14,340 --> 00:26:12,370

example I always show is the one with

675

00:26:16,320 --> 00:26:14,350

the Holloman Air Force Base film which I

676

00:26:18,870 --> 00:26:16,330

worked on helped put off worked on Erik

677

00:26:20,640 --> 00:26:18,880

Davis worked on a number of us for many

678

00:26:22,380 --> 00:26:20,650

years were very interested because there

679

00:26:25,110 --> 00:26:22,390

was a reliable source that said this

680

00:26:26,730 --> 00:26:25,120

thing was for real and that in a 1975

681

00:26:29,180 --> 00:26:26,740

documentary they put eight seconds of

682

00:26:31,860 --> 00:26:29,190

the video in the in the in the

683

00:26:35,100 --> 00:26:31,870

documentary so we were chasing this

684

00:26:36,720 --> 00:26:35,110

thing around and so the the original

685

00:26:39,120 --> 00:26:36,730

date that was given to Bob a manager one

686

00:26:41,190 --> 00:26:39,130

of the producers was May of 1971

687

00:26:44,160 --> 00:26:41,200

so then Richard Doty has a meeting with

688

00:26:46,680 --> 00:26:44,170

Linda Howe in April of 83 and he said no

689

00:26:49,260 --> 00:26:46,690

no it wasn't May of 71 it was April of

690

00:26:50,940 --> 00:26:49,270

64 so now you have you know me and Linda

691

00:26:52,140 --> 00:26:50,950

telling two different stories they never

692

00:26:53,340 --> 00:26:52,150

he goes well you know I had said some

693

00:26:55,830 --> 00:26:53,350

big hoax because it's two different

694

00:26:58,620 --> 00:26:55,840

stories and and nobody knows that's what

695

00:27:00,720 --> 00:26:58,630

they do they sort of spin the story so

696

00:27:02,130 --> 00:27:00,730

that the material isn't coming out clean

697

00:27:04,110 --> 00:27:02,140

but they are trying to get the material

698

00:27:05,880 --> 00:27:04,120

out but to trying to release it slowly

699

00:27:08,190 --> 00:27:05,890

so it doesn't get out of control because

700

00:27:10,700 --> 00:27:08,200

once it gets out of control you may lose

701
00:27:12,750 --> 00:27:10,710
control of the story and then suddenly

702
00:27:17,580 --> 00:27:12,760
you're between a rock and a hard place

703
00:27:19,650 --> 00:27:17,590
and now you're it's um it's it's it's in

704
00:27:21,390 --> 00:27:19,660
a situation where you're being asked

705
00:27:23,340 --> 00:27:21,400
questions and suddenly everybody's at

706
00:27:24,720 --> 00:27:23,350
the white house demanding the president

707
00:27:26,400 --> 00:27:24,730
answer questions about this and that so

708
00:27:27,780 --> 00:27:26,410
that's why I believe what they're doing

709
00:27:29,970 --> 00:27:27,790
they're doing this gradual disclosure

710
00:27:32,460 --> 00:27:29,980
thing trying to manage the magic trying

711
00:27:34,650 --> 00:27:32,470
to slowly release this story and tell

712
00:27:36,660 --> 00:27:34,660
the American people what's going on why

713
00:27:38,940 --> 00:27:36,670

do you think that the White House press

714

00:27:40,470 --> 00:27:38,950

corps gave up on asking about this

715

00:27:43,320 --> 00:27:40,480

because remember they did at the one

716

00:27:45,870 --> 00:27:43,330

press conference the one fella Jordan I

717

00:27:48,480 --> 00:27:45,880

believe his name was yeah asked at first

718

00:27:50,610 --> 00:27:48,490

and then there were there was no

719

00:27:52,410 --> 00:27:50,620

follow-up at all and I thought just on

720

00:27:54,420 --> 00:27:52,420

principle they'd follow up on something

721

00:27:56,760 --> 00:27:54,430

like that and they didn't yeah that

722

00:27:59,310 --> 00:27:56,770

that's there's actually was three may it

723

00:28:00,419 --> 00:27:59,320

started May the 10th of 2016 when

724

00:28:01,590 --> 00:28:00,429

Hillary was

725

00:28:03,239 --> 00:28:01,600

was running around saying she was gonna

726

00:28:05,220 --> 00:28:03,249

disclose and the New York Times did

727

00:28:07,350 --> 00:28:05,230

their first sort of straight-up piece on

728

00:28:08,789 --> 00:28:07,360

May the 10th on the 11th that's when the

729

00:28:12,210 --> 00:28:08,799

first two reporter stepped up and said

730

00:28:13,739 --> 00:28:12,220

Oh Hillary's gonna disclose is Obama

731

00:28:16,350 --> 00:28:13,749

gonna beat him to the punch I mean is

732

00:28:18,720 --> 00:28:16,360

Obama gonna disclose before Hillary gets

733

00:28:21,389 --> 00:28:18,730

into office and that's when the the

734

00:28:23,159 --> 00:28:21,399

second press secretary said I don't have

735

00:28:24,480 --> 00:28:23,169

a tab in my briefing book for that and

736

00:28:25,859 --> 00:28:24,490

that was true I mean he he hadn't been

737

00:28:28,200 --> 00:28:25,869

briefed on it so that's how he sort of

738

00:28:33,539 --> 00:28:28,210

walked around it and then on the 16th

739

00:28:34,649 --> 00:28:33,549

this April Ryan April 16 2016 she asked

740

00:28:36,600 --> 00:28:34,659

the question what about Roswell is

741

00:28:38,220 --> 00:28:36,610

Roswell classified and then he starts to

742

00:28:39,509 --> 00:28:38,230

take a drink of water just look look

743

00:28:40,950 --> 00:28:39,519

you're doing the dance you're trying to

744

00:28:41,759 --> 00:28:40,960

avoid me or you're trying to you're

745

00:28:43,859 --> 00:28:41,769

trying to figure out what you're gonna

746

00:28:45,389 --> 00:28:43,869

say and you're not gonna get away with

747

00:28:47,999 --> 00:28:45,399

it and then the press secretary says

748

00:28:51,629 --> 00:28:48,009

well April you just keep trying and and

749

00:28:54,480 --> 00:28:51,639

then Fabian asked the question this year

750

00:28:58,739 --> 00:28:54,490

and the press secretary says to him

751

00:29:00,269 --> 00:28:58,749

walks around it by saying well I haven't

752

00:29:02,909 --> 00:29:00,279

talked to the president about that yet

753

00:29:06,119 --> 00:29:02,919

but I'll ask him and get back to you

754

00:29:08,940 --> 00:29:06,129

and Fabian releases that later after the

755

00:29:11,100 --> 00:29:08,950

news conference he went to Sarah Sanders

756

00:29:13,379 --> 00:29:11,110

and she said we knew that question might

757

00:29:14,700 --> 00:29:13,389

be coming that there's a possibility but

758

00:29:16,889 --> 00:29:14,710

we didn't think anybody would ask the

759

00:29:19,379 --> 00:29:16,899

question so she actually confirmed it so

760

00:29:22,320 --> 00:29:19,389

I contacted Fabian back a couple of

761

00:29:23,720 --> 00:29:22,330

times and said did did she get back to

762

00:29:26,399 --> 00:29:23,730

you because that's what she said I'll

763

00:29:29,580 --> 00:29:26,409

talk to the president and get back to

764

00:29:31,590 --> 00:29:29,590

you and the reason I think that that the

765

00:29:33,149 --> 00:29:31,600

White House is not doing it is because I

766

00:29:34,799 --> 00:29:33,159

always maintained that the president is

767

00:29:36,840 --> 00:29:34,809

the Wizard of Oz the president is the

768

00:29:39,269 --> 00:29:36,850

guy running to cover up and plausible

769

00:29:40,680 --> 00:29:39,279

deniability for every reason in the

770

00:29:42,090 --> 00:29:40,690

world you've got to keep the president

771

00:29:43,470 --> 00:29:42,100

out of it because if everybody realizes

772

00:29:45,869 --> 00:29:43,480

the President of the United States is

773

00:29:47,999 --> 00:29:45,879

running the cover-up it's over I mean he

774

00:29:49,409 --> 00:29:48,009

said he descends on the White House so

775

00:29:51,810 --> 00:29:49,419

you have this thing that the president's

776

00:29:53,220 --> 00:29:51,820

an idiot he doesn't know about Russia he

777

00:29:54,749 --> 00:29:53,230

doesn't know about iran-contra he

778

00:29:56,310 --> 00:29:54,759

doesn't know about whitewater he doesn't

779

00:29:58,200 --> 00:29:56,320

know about Monica Lewinsky he doesn't

780

00:29:59,549 --> 00:29:58,210

know about UFOs he doesn't he only knows

781

00:30:00,720 --> 00:29:59,559

about good stories things that happened

782

00:30:02,489 --> 00:30:00,730

good that the president knows that

783

00:30:03,899 --> 00:30:02,499

anything is bad the president you have

784

00:30:06,330 --> 00:30:03,909

this plausible deniability where you

785

00:30:07,560 --> 00:30:06,340

sort of protect the president so what

786

00:30:08,849 --> 00:30:07,570

they're doing is they're protecting the

787

00:30:10,769 --> 00:30:08,859

president what happens in the White

788

00:30:12,690 --> 00:30:10,779

House press corps was described by

789

00:30:13,950 --> 00:30:12,700

Deborah Oren and Deborah Oren was a

790

00:30:16,769 --> 00:30:13,960

conservative she were

791

00:30:20,039 --> 00:30:16,779

she wrote for the New York Post was

792

00:30:21,509 --> 00:30:20,049

really against Clinton you know was part

793

00:30:24,710 --> 00:30:21,519

of the breaking of the Monica Lewinsky

794

00:30:26,669 --> 00:30:24,720

story hated the Clintons and so we're in

795

00:30:28,289 --> 00:30:26,679

1997 most people don't realize there's

796

00:30:30,509 --> 00:30:28,299

almost never a question at the White

797

00:30:34,619 --> 00:30:30,519

House press corps so there was 1997 and

798

00:30:35,820 --> 00:30:34,629

then not until Hillary event in 2016 he

799

00:30:38,100 --> 00:30:35,830

was another question asked in the White

800

00:30:41,549 --> 00:30:38,110

House press corps so Debra Oren tells

801
00:30:43,560 --> 00:30:41,559
the story that when the Hubble came out

802
00:30:45,960 --> 00:30:43,570
in 1997 with his book friends in high

803
00:30:48,749 --> 00:30:45,970
places he says bill sent me out to find

804
00:30:50,249 --> 00:30:48,759
out who killed JFK and her their UFOs so

805
00:30:52,409 --> 00:30:50,259
she asked the question the day after the

806
00:30:54,659 --> 00:30:52,419
book was released did Bill Clinton send

807
00:30:56,789 --> 00:30:54,669
webster hubbell out to look for which

808
00:30:58,649 --> 00:30:56,799
there was UFOs and the press secretary

809
00:31:00,690 --> 00:30:58,659
basically had this joke there was this

810
00:31:02,879 --> 00:31:00,700
alien that used to appear on the week

811
00:31:04,590 --> 00:31:02,889
Weekly World News and he said no no we

812
00:31:06,869 --> 00:31:04,600
gave that story to the alien to work on

813
00:31:08,279 --> 00:31:06,879

and of course so he had a bade to the

814

00:31:10,289 --> 00:31:08,289

question so she asked him second

815

00:31:12,749 --> 00:31:10,299

question a follow-up and she said is

816

00:31:14,759 --> 00:31:12,759

what mr. Hubbell writes in his book true

817

00:31:16,470 --> 00:31:14,769

and then the press secretary said I'm

818

00:31:18,389 --> 00:31:16,480

not gonna comment what private people

819

00:31:20,190 --> 00:31:18,399

put in their private books so he walked

820

00:31:23,009 --> 00:31:20,200

around it and Deborah Orrin in a later

821

00:31:25,289 --> 00:31:23,019

interview said I waited for the rest of

822

00:31:27,450 --> 00:31:25,299

the White House press corps to follow up

823

00:31:29,489 --> 00:31:27,460

and they just all rolled over and played

824

00:31:31,529 --> 00:31:29,499

dead because they were afraid to lose

825

00:31:33,239 --> 00:31:31,539

their White House press credentials and

826

00:31:34,440 --> 00:31:33,249

that's the whole thing if you spend your

827

00:31:35,789 --> 00:31:34,450

time and you start you know in a

828

00:31:37,739 --> 00:31:35,799

small-town newspaper and you work your

829

00:31:40,379 --> 00:31:37,749

way up and you know you spent twenty

830

00:31:42,419 --> 00:31:40,389

years and suddenly you get the pass to

831

00:31:43,529 --> 00:31:42,429

be in the White House press corps you

832

00:31:45,330 --> 00:31:43,539

don't wanna be the guy to ask the dumb

833

00:31:47,279 --> 00:31:45,340

UFO question you want to ask about you

834

00:31:49,259 --> 00:31:47,289

know Somalia you know what's the

835

00:31:50,850 --> 00:31:49,269

economic situation in Somalia or some

836

00:31:52,529 --> 00:31:50,860

miss something that makes you sound like

837

00:31:54,210 --> 00:31:52,539

you're really smart nobody wants to ask

838

00:31:56,549 --> 00:31:54,220

you a full question and Billy Cox who

839

00:32:01,139 --> 00:31:56,559

you've probably interacted with told the

840

00:32:03,060 --> 00:32:01,149

story of when Robert Gates appeared this

841

00:32:04,919 --> 00:32:03,070

is with the Chase Brandon thing when

842

00:32:07,139 --> 00:32:04,929

chase Brandon came out in 2012 this

843

00:32:08,999 --> 00:32:07,149

high-level CIA guy came out and said

844

00:32:12,509 --> 00:32:09,009

Roswell was real extraterrestrial and

845

00:32:14,999 --> 00:32:12,519

there were bodies gates who was his boss

846

00:32:17,310 --> 00:32:15,009

at one time at CIA was in Florida and

847

00:32:19,259 --> 00:32:17,320

Billy Cox asked the question well what

848

00:32:20,999 --> 00:32:19,269

about chase Brandon and he told the

849

00:32:22,590 --> 00:32:21,009

story that went as he was asking the

850

00:32:24,450 --> 00:32:22,600

questions he could actually feel the

851
00:32:25,769 --> 00:32:24,460
reporters moving away from him and it

852
00:32:27,180 --> 00:32:25,779
was that kind of thing it was like oh

853
00:32:28,650 --> 00:32:27,190
he's gonna ask that

854
00:32:29,820 --> 00:32:28,660
the whole question and everybody wants

855
00:32:31,230 --> 00:32:29,830
to be cool so if you're in the White

856
00:32:32,670 --> 00:32:31,240
House press corps you want to be cool

857
00:32:35,070 --> 00:32:32,680
you're not gonna ask the UFO question

858
00:32:37,890 --> 00:32:35,080
and and even I ask Fabian like and he

859
00:32:40,260 --> 00:32:37,900
did an interview later about this asking

860
00:32:43,440 --> 00:32:40,270
this UFO question and he was asked by

861
00:32:45,390 --> 00:32:43,450
his news outlet and he said I would

862
00:32:47,190 --> 00:32:45,400
never ask the question again and so

863
00:32:49,590 --> 00:32:47,200

that's what it is I mean these guys are

864

00:32:50,970 --> 00:32:49,600

sort of too cool I were going after

865

00:32:52,410 --> 00:32:50,980

these other three reporters as well

866

00:32:55,800 --> 00:32:52,420

pressure basically is what you're saying

867

00:32:57,600 --> 00:32:55,810

yeah they won't even reply to me I said

868

00:32:59,070 --> 00:32:57,610

to them are you gonna follow up and

869

00:33:01,650 --> 00:32:59,080

because that was the whole thing Obama

870

00:33:03,510 --> 00:33:01,660

the only reason Hayes escaped in 2016

871

00:33:05,310 --> 00:33:03,520

was because Obama was in Japan at the

872

00:33:07,620 --> 00:33:05,320

time so they had the White House press

873

00:33:09,180 --> 00:33:07,630

secretary so if it had been Obama then

874

00:33:11,250 --> 00:33:09,190

Obama would have been in a box and if

875

00:33:13,140 --> 00:33:11,260

you see Obama Obama was big-time into

876

00:33:15,480 --> 00:33:13,150

UFOs he was leaking stuff all the time

877

00:33:17,280 --> 00:33:15,490

he was you know indirectly I mean even

878

00:33:19,950 --> 00:33:17,290

GQ magazine didn't follow up if he

879

00:33:21,840 --> 00:33:19,960

looked I say a lot of this was green

880

00:33:22,740 --> 00:33:21,850

lighted by Barack Obama in November of

881

00:33:25,680 --> 00:33:22,750

2015

882

00:33:27,180 --> 00:33:25,690

he goes to GQ magazine and the important

883

00:33:29,250 --> 00:33:27,190

thing is that he does not have to bring

884

00:33:30,780 --> 00:33:29,260

up UFOs this is a subject that until

885

00:33:33,030 --> 00:33:30,790

Bill Clinton came along

886

00:33:34,230 --> 00:33:33,040

no president ever talked about UFOs even

887

00:33:35,940 --> 00:33:34,240

Jimmy Carter people's I already talked

888

00:33:37,860 --> 00:33:35,950

about UFOs no he didn't he talked about

889

00:33:40,140 --> 00:33:37,870

it before he was elected he talked about

890

00:33:42,240 --> 00:33:40,150

after he was liked it when he was in the

891

00:33:45,030 --> 00:33:42,250

White House he never ever used the word

892

00:33:46,830 --> 00:33:45,040

UFO same as Gerald Ford Gerald Ford said

893

00:33:48,570 --> 00:33:46,840

we should get guys and we should put him

894

00:33:49,560 --> 00:33:48,580

on under us and we should find out

895

00:33:51,480 --> 00:33:49,570

what's going on with the you whole thing

896

00:33:53,070 --> 00:33:51,490

when he became president he never used

897

00:33:55,050 --> 00:33:53,080

the word UFO so it wasn't until Bill

898

00:33:56,700 --> 00:33:55,060

Clinton came along that they started

899

00:33:58,320 --> 00:33:56,710

using the word UFOs and dropping it into

900

00:34:00,480 --> 00:33:58,330

speeches and making jokes and stuff like

901
00:34:04,560 --> 00:34:00,490
that and so Barack Obama appears in this

902
00:34:06,240 --> 00:34:04,570
2015 GT GQ magazine and he's not asked

903
00:34:08,580 --> 00:34:06,250
to you have a question he's asked about

904
00:34:10,500 --> 00:34:08,590
the JFK files oh if you had the JFK

905
00:34:13,350 --> 00:34:10,510
files do you ever ask for all the secret

906
00:34:15,360 --> 00:34:13,360
stuff and Barack Obama starts in on UFOs

907
00:34:18,660 --> 00:34:15,370
he said you know everybody always ask me

908
00:34:19,770 --> 00:34:18,670
about UFOs and Roswell and aliens and I

909
00:34:22,260 --> 00:34:19,780
just want to tell you that that

910
00:34:23,790 --> 00:34:22,270
top-secret stuff isn't as top secret as

911
00:34:25,590 --> 00:34:23,800
you think it is and I'm going wow it's

912
00:34:27,570 --> 00:34:25,600
like holy cow he just actually confirmed

913
00:34:29,790 --> 00:34:27,580

this there's top-secret UFO material and

914

00:34:32,610 --> 00:34:29,800

the reporter as always joke either had a

915

00:34:34,380 --> 00:34:32,620

stroke or you know fell asleep or

916

00:34:36,180 --> 00:34:34,390

something because his next question was

917

00:34:39,150 --> 00:34:36,190

would you like to be a Supreme Court

918

00:34:40,530 --> 00:34:39,160

justice that's the whole thing the same

919

00:34:44,700 --> 00:34:40,540

with Reid when Reid got the

920

00:34:47,880 --> 00:34:44,710

questions the reporter he asked him were

921

00:34:50,480 --> 00:34:47,890

you briefed and he on the program so

922

00:34:53,460 --> 00:34:50,490

he's talking about the a tip program and

923

00:34:55,440 --> 00:34:53,470

he said no I left that alone

924

00:34:57,840 --> 00:34:55,450

well the question that they've they

925

00:34:59,580 --> 00:34:57,850

escaped asking and I and there was a

926
00:35:01,260 --> 00:34:59,590
second interview which has been done I

927
00:35:02,880 --> 00:35:01,270
don't know what happened but I was

928
00:35:04,260 --> 00:35:02,890
allowed to put questions in I said you

929
00:35:06,060 --> 00:35:04,270
got a read you got an interview with

930
00:35:08,850 --> 00:35:06,070
Reid and the person said yeah we do and

931
00:35:11,040 --> 00:35:08,860
I said can I ask some questions and they

932
00:35:13,590 --> 00:35:11,050
said yeah yeah you can you so I said you

933
00:35:15,300 --> 00:35:13,600
got to ask him where did you ask for a

934
00:35:17,790 --> 00:35:15,310
classified briefing so here you have

935
00:35:19,020 --> 00:35:17,800
read this NSA guy comes to him and he

936
00:35:21,210 --> 00:35:19,030
said we've got to work on this thing so

937
00:35:22,440 --> 00:35:21,220
if you're a senator you have like

938
00:35:23,640 --> 00:35:22,450

basically the same power as the

939

00:35:25,500 --> 00:35:23,650

president you have a security clearance

940

00:35:27,780 --> 00:35:25,510

so you can demand an answer to

941

00:35:30,210 --> 00:35:27,790

everything I represent whatever district

942

00:35:31,590 --> 00:35:30,220

and I'm demanding an answer to this and

943

00:35:33,030 --> 00:35:31,600

they have to they have to do it because

944

00:35:35,520 --> 00:35:33,040

you'd have a security clearance and and

945

00:35:37,710 --> 00:35:35,530

they have to you know give you something

946

00:35:39,510 --> 00:35:37,720

so I knew that Reid had been briefed I

947

00:35:41,940 --> 00:35:39,520

knew that he had asked for a classified

948

00:35:44,430 --> 00:35:41,950

briefing on UFOs and this like when this

949

00:35:46,650 --> 00:35:44,440

whole thing started so the question that

950

00:35:48,510 --> 00:35:46,660

they asked him was did you ask for

951
00:35:50,010 --> 00:35:48,520
briefings on the a tip program and he

952
00:35:52,080 --> 00:35:50,020
walked around he said no I left it alone

953
00:35:54,150 --> 00:35:52,090
I didn't really ask any any questions

954
00:35:56,010 --> 00:35:54,160
and then they said do you know material

955
00:35:57,570 --> 00:35:56,020
from that program that hasn't been

956
00:35:59,910 --> 00:35:57,580
released yet and he said yes I do

957
00:36:01,770 --> 00:35:59,920
so the question I asked was have you did

958
00:36:04,530 --> 00:36:01,780
you ask for a classified briefing on

959
00:36:06,390 --> 00:36:04,540
UFOs and to see what he'd say because

960
00:36:08,130 --> 00:36:06,400
that was a question has Cheney because

961
00:36:10,170 --> 00:36:08,140
Cheney had you know was always rumored

962
00:36:12,450 --> 00:36:10,180
to be the guy who is the inside guy and

963
00:36:14,850 --> 00:36:12,460

that was the question I said to him when

964

00:36:16,980 --> 00:36:14,860

I got him on a radio talk show in 2001 I

965

00:36:18,840 --> 00:36:16,990

said you know your jobs in government

966

00:36:21,180 --> 00:36:18,850

have you ever been briefed on the

967

00:36:22,500 --> 00:36:21,190

subject of UFOs if so when was it what

968

00:36:23,910 --> 00:36:22,510

were you told I don't care if you

969

00:36:25,950 --> 00:36:23,920

believe in UFOs I don't care what you

970

00:36:27,900 --> 00:36:25,960

think about UFOs I want to know did on

971

00:36:30,420 --> 00:36:27,910

the record did someone walk in your

972

00:36:31,860 --> 00:36:30,430

office swear you to secrecy and give you

973

00:36:33,720 --> 00:36:31,870

the briefing and the briefing will be

974

00:36:36,150 --> 00:36:33,730

the truth it will be what's actually

975

00:36:39,810 --> 00:36:36,160

going on so that was the one question I

976
00:36:41,310 --> 00:36:39,820
suggested to read the other question I

977
00:36:42,960 --> 00:36:41,320
asked was because he was a major

978
00:36:45,000 --> 00:36:42,970
supporter of Hillary Clinton and there

979
00:36:46,530 --> 00:36:45,010
was always this story just you know

980
00:36:48,330 --> 00:36:46,540
what's Hillary doing you know is she

981
00:36:49,290 --> 00:36:48,340
disclosing is she trying to get the UFO

982
00:36:51,810 --> 00:36:49,300
vote you know there's all this

983
00:36:54,880 --> 00:36:51,820
controversy so he knew Hillary very well

984
00:36:57,400 --> 00:36:54,890
and so the question was did you talk to

985
00:36:59,500 --> 00:36:57,410
about UFOs and what was Hillary actually

986
00:37:01,840 --> 00:36:59,510
doing was was she part of this

987
00:37:04,930 --> 00:37:01,850
disclosure effort cuz that is why I

988
00:37:06,220 --> 00:37:04,940

believe there was this huge delay I was

989

00:37:07,780 --> 00:37:06,230

told that this thing was gonna break

990

00:37:09,640 --> 00:37:07,790

I've known about this story for a number

991

00:37:12,880 --> 00:37:09,650

of years I was told that this story

992

00:37:16,870 --> 00:37:12,890

would break in in just before Christmas

993

00:37:18,760 --> 00:37:16,880

of 2016 and nothing and nothing happened

994

00:37:20,590 --> 00:37:18,770

so when hit and that was because Hillary

995

00:37:23,170 --> 00:37:20,600

lost the election so when Hillary lost

996

00:37:25,420 --> 00:37:23,180

the election I contacted the main source

997

00:37:27,790 --> 00:37:25,430

that I had and I said so what happens

998

00:37:29,950 --> 00:37:27,800

now and he said Oh nothing's changed

999

00:37:31,570 --> 00:37:29,960

it's actually more intense than it was

1000

00:37:34,210 --> 00:37:31,580

before they're they're moving but they

1001
00:37:35,050 --> 00:37:34,220
had to re shuffle the deck they had

1002
00:37:36,370 --> 00:37:35,060
to figure out what are they gonna do

1003
00:37:38,410 --> 00:37:36,380
Hillary's not part of this thing I

1004
00:37:40,120 --> 00:37:38,420
believe Hillary was gonna be the the

1005
00:37:43,090 --> 00:37:40,130
sort of the person that was going to

1006
00:37:44,770 --> 00:37:43,100
head man this whole gradual disclosure

1007
00:37:47,340 --> 00:37:44,780
thing but when she got knocked out

1008
00:37:49,930 --> 00:37:47,350
that's why nothing happened from

1009
00:37:53,560 --> 00:37:49,940
Christmas of 2016 until a news

1010
00:37:55,330 --> 00:37:53,570
conference in October of 2017 and if you

1011
00:37:57,940 --> 00:37:55,340
remember people were saying oh this is a

1012
00:38:00,250 --> 00:37:57,950
big scam this guy you know he's full of

1013
00:38:02,140 --> 00:38:00,260

it he's just making this stuff up and it

1014

00:38:03,910 --> 00:38:02,150

was a lot he was taking a lot of flak

1015

00:38:04,780 --> 00:38:03,920

because he didn't have any control over

1016

00:38:06,550 --> 00:38:04,790

this thing and that was the whole thing

1017

00:38:08,410 --> 00:38:06,560

it wasn't Tom DeLonge it was these

1018

00:38:09,730 --> 00:38:08,420

people behind Tom DeLonge who were

1019

00:38:11,890 --> 00:38:09,740

reshuffling the deck they had to make

1020

00:38:15,160 --> 00:38:11,900

these generals disappear McCaslin and

1021

00:38:19,210 --> 00:38:15,170

Mackay and Mackay and Robert Weiss had

1022

00:38:20,890 --> 00:38:19,220

been exposed in the in the the WikiLeaks

1023

00:38:22,210 --> 00:38:20,900

thing so they had to make these guys and

1024

00:38:23,530 --> 00:38:22,220

these guys are still around no matter

1025

00:38:25,210 --> 00:38:23,540

what name is these people are still

1026
00:38:26,560 --> 00:38:25,220
around they have not left they just had

1027
00:38:28,540 --> 00:38:26,570
to move them out of the scene it was

1028
00:38:31,120 --> 00:38:28,550
like so there's this sort of leak this

1029
00:38:32,410 --> 00:38:31,130
story Wow you know these guys were sort

1030
00:38:34,390 --> 00:38:32,420
of exposed now they're really not

1031
00:38:37,090 --> 00:38:34,400
involved I mean these guys I mean this

1032
00:38:38,500 --> 00:38:37,100
McCaslin guy is according to DeLong he

1033
00:38:40,630 --> 00:38:38,510
set up the whole team I mean he's the

1034
00:38:42,670 --> 00:38:40,640
main guy and if you look at the

1035
00:38:44,380 --> 00:38:42,680
WikiLeaks thing he's I there's actually

1036
00:38:47,050 --> 00:38:44,390
a memo in there where he's telling the

1037
00:38:49,300 --> 00:38:47,060
White House what to do you do this you

1038
00:38:51,250 --> 00:38:49,310

do that you've got a drag in Nassau he's

1039

00:38:52,990 --> 00:38:51,260

basically wrote a memo on how to do this

1040

00:38:54,190 --> 00:38:53,000

sort of thing so these guys are still

1041

00:38:56,530 --> 00:38:54,200

around and that's why there was this

1042

00:38:57,610 --> 00:38:56,540

huge delay is they had to reshuffle the

1043

00:39:00,010 --> 00:38:57,620

deck and figure out what they were gonna

1044

00:39:01,570 --> 00:39:00,020

do and semi van has sort of confirmed

1045

00:39:03,460 --> 00:39:01,580

that to us that a lot of this stuff is

1046

00:39:06,070 --> 00:39:03,470

very well-planned and when they made a

1047

00:39:07,690 --> 00:39:06,080

mistake with this vist balloon thing

1048

00:39:09,220 --> 00:39:07,700

which I discovered very early

1049

00:39:10,540 --> 00:39:09,230

on that they had made this mistake with

1050

00:39:12,010 --> 00:39:10,550

the balloon thing and I went to Eric

1051
00:39:13,720 --> 00:39:12,020
Davis and he was furious when I brought

1052
00:39:16,480 --> 00:39:13,730
up the balloon day I said you know like

1053
00:39:18,190 --> 00:39:16,490
what's with this this balloon thing and

1054
00:39:21,940 --> 00:39:18,200
he really didn't know when I first asked

1055
00:39:23,170 --> 00:39:21,950
him about it and so semi van said you

1056
00:39:25,599 --> 00:39:23,180
they're learning from what they're doing

1057
00:39:28,800 --> 00:39:25,609
and I believe like when I asked Melinda

1058
00:39:31,000 --> 00:39:28,810
Leslie I believe a lot of these guys are

1059
00:39:32,020 --> 00:39:31,010
legitimate guys who are trying to get

1060
00:39:34,089 --> 00:39:32,030
out the story most these guys are

1061
00:39:36,760 --> 00:39:34,099
experiences Jim semi vans an experiercer

1062
00:39:39,099 --> 00:39:36,770
Gary Nolan's experiercer according to

1063
00:39:41,319 --> 00:39:39,109

Jacque Sarfati who's an experiercer

1064

00:39:43,210 --> 00:39:41,329

he'll put off told him a story that

1065

00:39:44,740 --> 00:39:43,220

indicated he might be an experiercer so

1066

00:39:46,510 --> 00:39:44,750

most of these guys are guys who are just

1067

00:39:47,740 --> 00:39:46,520

they're interested like you and I

1068

00:39:49,540 --> 00:39:47,750

they're down the rabbit hole to trying

1069

00:39:51,579 --> 00:39:49,550

to figure this thing out and they have

1070

00:39:56,290 --> 00:39:51,589

made this move to to move the football

1071

00:40:00,339 --> 00:39:56,300

down the field so so when you get semi

1072

00:40:01,720 --> 00:40:00,349

van describing this to Melinda I said to

1073

00:40:03,970 --> 00:40:01,730

Melinda because you know Melinda can be

1074

00:40:05,589 --> 00:40:03,980

very conspiratorial and and doesn't

1075

00:40:07,060 --> 00:40:05,599

really believe what the government's you

1076

00:40:09,400 --> 00:40:07,070

know because she's been involved in all

1077

00:40:11,230 --> 00:40:09,410

this really dirty mill abs type stuff so

1078

00:40:12,309 --> 00:40:11,240

I said to her my first question after

1079

00:40:14,319 --> 00:40:12,319

because I knew the interview was

1080

00:40:15,760 --> 00:40:14,329

happening I knew long before and we

1081

00:40:17,170 --> 00:40:15,770

can't really go into who set up the

1082

00:40:19,480 --> 00:40:17,180

interviews very interesting who set up

1083

00:40:21,730 --> 00:40:19,490

the interview but well I said the Melin

1084

00:40:23,050 --> 00:40:21,740

my first question is okay so Melinda

1085

00:40:25,750 --> 00:40:23,060

you had a meeting with him because I

1086

00:40:28,960 --> 00:40:25,760

knew about semi vans since middle of

1087

00:40:30,609 --> 00:40:28,970

2015 and everybody that deals with semi

1088

00:40:34,359 --> 00:40:30,619

van says he's the greatest guy he's

1089

00:40:36,069 --> 00:40:34,369

absolutely down-to-earth he's honest all

1090

00:40:37,690 --> 00:40:36,079

this kind of stuff so I said to our case

1091

00:40:39,010 --> 00:40:37,700

so you met with a guy you haven't you

1092

00:40:40,780 --> 00:40:39,020

know you've always had this thing that

1093

00:40:42,250 --> 00:40:40,790

you know the government is up to no good

1094

00:40:44,770 --> 00:40:42,260

or whatever they're doing this kind of

1095

00:40:45,970 --> 00:40:44,780

stuff so what do you think good guy or

1096

00:40:47,770 --> 00:40:45,980

bad guy and that's what she made this

1097

00:40:49,809 --> 00:40:47,780

famous comment she said I'll tell you

1098

00:40:53,770 --> 00:40:49,819

what grant I didn't drink the kool-aid

1099

00:40:55,390 --> 00:40:53,780

but I had a sip once you actually meet

1100

00:40:57,670 --> 00:40:55,400

these guys that's what I found - I mean

1101

00:40:59,050 --> 00:40:57,680

I can tell a funny story that if people

1102

00:41:02,109 --> 00:40:59,060

want to check it can actually figure out

1103

00:41:04,000 --> 00:41:02,119

one of the people and I know how deeply

1104

00:41:05,680 --> 00:41:04,010

is involved under DeLong Lee I know he

1105

00:41:10,510 --> 00:41:05,690

talked to DeLong I know when he was when

1106

00:41:12,790 --> 00:41:10,520

DeLong was at NASA he met this guy and

1107

00:41:15,370 --> 00:41:12,800

this guy's an experimenter who I've

1108

00:41:17,620 --> 00:41:15,380

talked to he's very much into this thing

1109

00:41:20,140 --> 00:41:17,630

trying to figure this thing out when I

1110

00:41:21,609 --> 00:41:20,150

was on on dark journalists he was

1111

00:41:23,140 --> 00:41:21,619

actually phoning questions in and

1112

00:41:24,910 --> 00:41:23,150

and he the first question he asked is a

1113

00:41:27,160 --> 00:41:24,920

question that's got nothing to do with

1114

00:41:29,680 --> 00:41:27,170

UFOs and that was basically just to tell

1115

00:41:31,630 --> 00:41:29,690

me hey guess guess what I'm here and and

1116

00:41:34,569 --> 00:41:31,640

it was just amazing that these guys are

1117

00:41:36,309 --> 00:41:34,579

people who a lot most of them are

1118

00:41:38,109 --> 00:41:36,319

experiences I believe and they are

1119

00:41:39,670 --> 00:41:38,119

trying to get this thing out but you

1120

00:41:41,319 --> 00:41:39,680

have to work within the classified world

1121

00:41:43,390 --> 00:41:41,329

you have to protect your security

1122

00:41:44,859 --> 00:41:43,400

clearance and they're doing it according

1123

00:41:47,200 --> 00:41:44,869

to the law which is one of the questions

1124

00:41:49,269 --> 00:41:47,210

I asked Melinda which she really didn't

1125

00:41:51,759 --> 00:41:49,279

get an answer to my main question semi

1126

00:41:54,549 --> 00:41:51,769

van is is this thing legal and

1127

00:41:55,989 --> 00:41:54,559

constitutional are you obeying the law

1128

00:41:57,549 --> 00:41:55,999

and following the Constitution or is

1129

00:41:59,470 --> 00:41:57,559

this some sort of rogue thing where

1130

00:42:01,120 --> 00:41:59,480

people are just doing what they want and

1131

00:42:02,799 --> 00:42:01,130

if it's done by the law then it's it's

1132

00:42:04,690 --> 00:42:02,809

what I think has been going on for

1133

00:42:06,640 --> 00:42:04,700

seventy years is that the president's

1134

00:42:08,200 --> 00:42:06,650

hands are tied this thing is highly

1135

00:42:09,940 --> 00:42:08,210

classified the Canadian government top

1136

00:42:11,410 --> 00:42:09,950

secret memo of nineteen fifty said it's

1137

00:42:13,269 --> 00:42:11,420

the most highly classified subject the

1138

00:42:15,160 --> 00:42:13,279

United States and you have to figure a

1139

00:42:16,660 --> 00:42:15,170

way to do it and protect the

1140

00:42:19,450 --> 00:42:16,670

classification which has to do with

1141

00:42:21,099 --> 00:42:19,460

weapons and militarizing this thing and

1142

00:42:22,900 --> 00:42:21,109

stopping the Russians from getting it

1143

00:42:25,450 --> 00:42:22,910

and stopping al-qaeda from getting it

1144

00:42:26,650 --> 00:42:25,460

and all those things that go as part of

1145

00:42:28,329 --> 00:42:26,660

this thing that people sort of ignore

1146

00:42:30,880 --> 00:42:28,339

they just they just want the answer it's

1147

00:42:33,009 --> 00:42:30,890

sort of like you know we we got two cars

1148

00:42:34,960 --> 00:42:33,019

and a house and our kids are in school

1149

00:42:36,970 --> 00:42:34,970

and everything's going great now we want

1150

00:42:38,349 --> 00:42:36,980

disclosure we want something we knew we

1151

00:42:40,599 --> 00:42:38,359

want some new entertainment and

1152

00:42:44,529 --> 00:42:40,609

something to wear as to them it's it's a

1153

00:42:46,089 --> 00:42:44,539

very key element that has a lot of

1154

00:42:48,729 --> 00:42:46,099

military applications the telepathy

1155

00:42:51,339 --> 00:42:48,739

thing the ability to talk in people's

1156

00:42:53,979 --> 00:42:51,349

heads the ability to move through time

1157

00:42:55,269 --> 00:42:53,989

and space go through walls you look at

1158

00:42:57,690 --> 00:42:55,279

this kind of stuff and you can see why

1159

00:43:00,700 --> 00:42:57,700

they would be covering this stuff up

1160

00:43:03,160 --> 00:43:00,710

doubling back to the original fellow who

1161

00:43:05,739 --> 00:43:03,170

had contacted reading Bigelow another

1162

00:43:07,720 --> 00:43:05,749

guy who fits that description with the a

1163

00:43:12,549 --> 00:43:07,730

degree in physical doctorate in physics

1164

00:43:19,150 --> 00:43:12,559

and a a longtime interest in UFOs is Ron

1165

00:43:23,440 --> 00:43:19,160

Pandolfi now is the criticisms he's laid

1166

00:43:27,549 --> 00:43:23,450

at put off and the criticisms of TPS is

1167

00:43:29,499 --> 00:43:27,559

that's just a smokescreen or is that

1168

00:43:31,569 --> 00:43:29,509

legitimate oh it's absolutely a

1169

00:43:33,009 --> 00:43:31,579

smokescreen you got to realize all these

1170

00:43:34,630 --> 00:43:33,019

people if you look at the to the Stars

1171

00:43:35,350 --> 00:43:34,640

thing it's all retired guys so you've

1172

00:43:37,630 --> 00:43:35,360

got Lou

1173

00:43:39,970 --> 00:43:37,640

day after he retires he suddenly ooh

1174

00:43:42,250 --> 00:43:39,980

there and it was like oh no he retired

1175

00:43:43,720 --> 00:43:42,260

and he was gonna retire anyway and then

1176
00:43:46,120 --> 00:43:43,730
you listen to Tom DeLonge and he said I

1177
00:43:48,550 --> 00:43:46,130
hired him away and he actually referred

1178
00:43:51,750 --> 00:43:48,560
to him earlier on as mr. L he knew him

1179
00:43:53,920 --> 00:43:51,760
long before he retired and so you have

1180
00:43:55,720 --> 00:43:53,930
these guys who retired and you got to

1181
00:43:58,780 --> 00:43:55,730
remember Pandolfi is the only active guy

1182
00:44:00,820 --> 00:43:58,790
he's the only guy that would I refer to

1183
00:44:03,450 --> 00:44:00,830
him as he's the guy who has the keys he

1184
00:44:06,130 --> 00:44:03,460
is the guy that in terms of describing

1185
00:44:08,770 --> 00:44:06,140
briefings that when a senator comes up

1186
00:44:10,300 --> 00:44:08,780
and I saw an actual thing we're panned

1187
00:44:12,460 --> 00:44:10,310
up he's talking about this where he said

1188
00:44:14,890 --> 00:44:12,470

when when he's asked when senators

1189

00:44:17,050 --> 00:44:14,900

coppice say okay I wonder about UFOs he

1190

00:44:20,290 --> 00:44:17,060

says Tim okay here's the deal I have the

1191

00:44:21,520 --> 00:44:20,300

keys I can show you where it is and you

1192

00:44:23,350 --> 00:44:21,530

go find it it doesn't mean that I'm

1193

00:44:25,630 --> 00:44:23,360

gonna sit down and tell you what's going

1194

00:44:27,100 --> 00:44:25,640

on people have and I didn't realize he

1195

00:44:28,300 --> 00:44:27,110

said people haven't misunderstanding

1196

00:44:29,980 --> 00:44:28,310

about what a briefing is that you just

1197

00:44:32,050 --> 00:44:29,990

you're told where the material is and

1198

00:44:34,210 --> 00:44:32,060

you take the responsibility and you go

1199

00:44:36,070 --> 00:44:34,220

and there may be ramifications once you

1200

00:44:37,840 --> 00:44:36,080

get this material once you go and look

1201

00:44:39,430 --> 00:44:37,850

up this material or you can just let me

1202

00:44:41,530 --> 00:44:39,440

hold the keys and he said most people

1203

00:44:43,600 --> 00:44:41,540

will just let me hold the keys so he's a

1204

00:44:45,790 --> 00:44:43,610

guy who knows the whole thing for

1205

00:44:48,520 --> 00:44:45,800

example I'll give you an example when I

1206

00:44:50,530 --> 00:44:48,530

I knew but Jim semi van back I first

1207

00:44:51,850 --> 00:44:50,540

heard about him at least in summer of

1208

00:44:54,790 --> 00:44:51,860

2015

1209

00:44:57,070 --> 00:44:54,800

and I knew he was this high-level super

1210

00:44:58,690 --> 00:44:57,080

guy who has an experienter and the

1211

00:45:01,540 --> 00:44:58,700

beings in his room I knew the whole

1212

00:45:03,250 --> 00:45:01,550

story and how he had interacted with a

1213

00:45:05,200 --> 00:45:03,260

lot of very high-level people and were

1214

00:45:06,370 --> 00:45:05,210

telling him this thing was true and that

1215

00:45:08,380 --> 00:45:06,380

the president might have been abducted

1216

00:45:10,960 --> 00:45:08,390

and all these kind of things that this

1217

00:45:16,240 --> 00:45:10,970

is high elbow guy so when I brought it

1218

00:45:18,430 --> 00:45:16,250

up with Pandolfi spokesman is this Dan

1219

00:45:20,470 --> 00:45:18,440

Smith and Dan Smith is the same thing as

1220

00:45:22,360 --> 00:45:20,480

leaking the story to John Lear it's like

1221

00:45:23,740 --> 00:45:22,370

a dance man you don't listen to Dan

1222

00:45:25,180 --> 00:45:23,750

Smith the guy's crazy he's talking about

1223

00:45:27,370 --> 00:45:25,190

the end of the world you don't wanna be

1224

00:45:29,140 --> 00:45:27,380

and that's what you do because you want

1225

00:45:31,120 --> 00:45:29,150

to cover the story so what you do is you

1226

00:45:33,520 --> 00:45:31,130

release it to a source that nobody's

1227

00:45:34,900 --> 00:45:33,530

really going to 100% believe again if

1228

00:45:35,920 --> 00:45:34,910

you wanted to release it you'd put it

1229

00:45:37,840 --> 00:45:35,930

with the President of the United States

1230

00:45:38,590 --> 00:45:37,850

you could do it so you're not gonna do

1231

00:45:41,170 --> 00:45:38,600

it you're gonna put it through these

1232

00:45:43,870 --> 00:45:41,180

people who people sort of questioned so

1233

00:45:45,430 --> 00:45:43,880

Dan Smith is sort of his spokesman and I

1234

00:45:48,670 --> 00:45:45,440

remember when I first brought up Tom

1235

00:45:51,130 --> 00:45:48,680

DeLonge Dan Smith didn't know who he was

1236

00:45:53,200 --> 00:45:51,140

and you don't know who Tom DeLonge is I

1237

00:45:56,770 --> 00:45:53,210

said use claim you're at the center of

1238

00:45:59,410 --> 00:45:56,780

the of the the tornado here with with

1239

00:46:01,240 --> 00:45:59,420

what's going on and you've got this suit

1240

00:46:03,880 --> 00:46:01,250

here does have the highest level source

1241

00:46:05,950 --> 00:46:03,890

and and you don't know Tom belong is and

1242

00:46:08,530 --> 00:46:05,960

so we got going and then I brought up to

1243

00:46:10,780 --> 00:46:08,540

Jim semi ban thing and I said oh this is

1244

00:46:14,319 --> 00:46:10,790

Jim semi van guy and okay he's

1245

00:46:16,329 --> 00:46:14,329

high-level CIA you know 25 years started

1246

00:46:18,309 --> 00:46:16,339

the same year as Ron Pandolfi and what

1247

00:46:20,200 --> 00:46:18,319

does Ron say about him and he said who's

1248

00:46:22,599 --> 00:46:20,210

Jim sent me that I said come on he's

1249

00:46:24,700 --> 00:46:22,609

he's like this super high-level CIA guy

1250

00:46:26,319 --> 00:46:24,710

and he said no I've never I've never

1251

00:46:28,299 --> 00:46:26,329

I've never heard him I said we'll ask

1252

00:46:30,190 --> 00:46:28,309

Ron about him and he said well I never

1253

00:46:32,140 --> 00:46:30,200

asked Ron questions I just listened and

1254

00:46:34,420 --> 00:46:32,150

and the way he said it works is I sit

1255

00:46:36,010 --> 00:46:34,430

there and I listen and for 27 years Ron

1256

00:46:37,480 --> 00:46:36,020

will say something he'll only say it one

1257

00:46:39,160 --> 00:46:37,490

time and either you're listening or

1258

00:46:41,859 --> 00:46:39,170

you're not listening and he'll never

1259

00:46:44,440 --> 00:46:41,869

repeat it and if anybody asks him he'll

1260

00:46:46,870 --> 00:46:44,450

deny it so he Dan Smith said everything

1261

00:46:48,849 --> 00:46:46,880

he said to me for 27 years anybody ask

1262

00:46:50,829 --> 00:46:48,859

him Ron will say no Dan Smith made it up

1263

00:46:53,360 --> 00:46:50,839

ideal it's plausible deniability same

1264

00:46:58,140 --> 00:46:53,370

things the president so who says that

1265

00:47:03,099 --> 00:47:00,490

they even did an interview with his wife

1266

00:47:04,510 --> 00:47:03,109

Ron's wife did an interview and they

1267

00:47:07,000 --> 00:47:04,520

pulled it from the internet I can't find

1268

00:47:09,010 --> 00:47:07,010

any more but it was called maniac or

1269

00:47:10,329 --> 00:47:09,020

Messiah and they're playing on this

1270

00:47:12,579 --> 00:47:10,339

thing that Dan sometimes refers to

1271

00:47:14,470 --> 00:47:12,589

himself as being Jesus and he's he's the

1272

00:47:16,750 --> 00:47:14,480

Messiah that's why in magic-magic I

1273

00:47:19,930 --> 00:47:16,760

refer to the five messiahs there's you

1274

00:47:22,089 --> 00:47:19,940

know Steven Greer and and and Dan Smith

1275

00:47:24,579 --> 00:47:22,099

and and more and all these people who

1276

00:47:25,839 --> 00:47:24,589

believe that they're called to be the

1277

00:47:26,950 --> 00:47:25,849

person who brings disclosure to the

1278

00:47:29,170 --> 00:47:26,960

American people as I call them the

1279

00:47:30,819 --> 00:47:29,180

messiahs but he said okay see he has his

1280

00:47:32,079 --> 00:47:30,829

plausible deniability so I said well ask

1281

00:47:34,690 --> 00:47:32,089

him but send me then he said no I'd

1282

00:47:36,549 --> 00:47:34,700

never ask him questions and said next

1283

00:47:38,650 --> 00:47:36,559

day on open minds forum suddenly here's

1284

00:47:40,780 --> 00:47:38,660

Jim semi van and his name had never been

1285

00:47:42,160 --> 00:47:40,790

exposed I had been told I'd figured out

1286

00:47:43,450 --> 00:47:42,170

I was even told what his name was

1287

00:47:46,270 --> 00:47:43,460

I just was told what his first name was

1288

00:47:49,240 --> 00:47:46,280

and based upon stuff I figure who he was

1289

00:47:50,799 --> 00:47:49,250

and so then I'm going oh my god you know

1290

00:47:53,049 --> 00:47:50,809

I shouldn't have used his name now his

1291

00:47:55,720 --> 00:47:53,059

name's on open minds form and within an

1292

00:47:59,770 --> 00:47:55,730

hour it was off open minds form and and

1293

00:48:02,380 --> 00:47:59,780

and Dan posted he said Ron Ron has told

1294

00:48:05,980 --> 00:48:02,390

me to take this off

1295

00:48:09,130 --> 00:48:05,990

and quit posting material quit posting

1296

00:48:11,710 --> 00:48:09,140

lies from loons because you know Ron

1297

00:48:13,450 --> 00:48:11,720

Pandolfi statement is that everybody in

1298

00:48:16,329 --> 00:48:13,460

the UFO community is either a loon a

1299

00:48:17,710 --> 00:48:16,339

crook or worse and you want the few

1300

00:48:19,150 --> 00:48:17,720

people who ever took off the loon list

1301

00:48:21,640 --> 00:48:19,160

he said I know grants not a loon

1302

00:48:24,670 --> 00:48:21,650

but he had this calling me the Loon and

1303

00:48:26,950 --> 00:48:24,680

so I quit oh great great cuz he took off

1304

00:48:28,420 --> 00:48:26,960

semi vans name so then when I went back

1305

00:48:30,940 --> 00:48:28,430

and I was talking to him again and he

1306

00:48:32,680 --> 00:48:30,950

said well no he said semi van doesn't

1307

00:48:34,809 --> 00:48:32,690

exist and I said well some event does

1308

00:48:36,579 --> 00:48:34,819

exist dan let me tell you exists no he

1309

00:48:38,410 --> 00:48:36,589

doesn't and it went on and then he

1310

00:48:40,150 --> 00:48:38,420

actually made me see wrote me and he

1311

00:48:42,160 --> 00:48:40,160

said you know I think you should quit

1312

00:48:44,799 --> 00:48:42,170

using his name I don't think it's proper

1313

00:48:46,509 --> 00:48:44,809

he does not exist that's not true you

1314

00:48:48,190 --> 00:48:46,519

should stop using his name and I said

1315

00:48:49,870 --> 00:48:48,200

what do you want to see a photo of him

1316

00:48:51,789 --> 00:48:49,880

so I started sending photos and then

1317

00:48:54,549 --> 00:48:51,799

suddenly it changed it was like oh yeah

1318

00:48:57,190 --> 00:48:54,559

and a both both Kevin Albert who works

1319

00:48:58,240 --> 00:48:57,200

for he's doing projects for Ron in fact

1320

00:49:00,430 --> 00:48:58,250

there was an event that happened

1321

00:49:01,930 --> 00:49:00,440

yesterday which remind me if I forget an

1322

00:49:05,200 --> 00:49:01,940

event that happened yesterday with Kevin

1323

00:49:08,130 --> 00:49:05,210

elder who was working with Ron he's from

1324

00:49:12,789 --> 00:49:08,140

a late a sort of a producer from LA and

1325

00:49:15,249 --> 00:49:12,799

Dan and they they both started stay

1326
00:49:17,140 --> 00:49:15,259
saying that Ron had said oh yeah Jim

1327
00:49:19,240 --> 00:49:17,150
semi van does exist but that's not his

1328
00:49:21,640 --> 00:49:19,250
name and I remember arguing with Kevin

1329
00:49:23,440 --> 00:49:21,650
Albert I said well unless of everybody

1330
00:49:25,569 --> 00:49:23,450
in his family changed their name on

1331
00:49:27,400 --> 00:49:25,579
Facebook you go to semi vans Facebook

1332
00:49:28,749 --> 00:49:27,410
page and he's got like 50 semi bans on

1333
00:49:30,460 --> 00:49:28,759
there I don't think everybody changed

1334
00:49:32,109 --> 00:49:30,470
their name that is his name and they're

1335
00:49:34,120 --> 00:49:32,119
still now so I think they've actually

1336
00:49:36,400 --> 00:49:34,130
sort of now admitted that he exists but

1337
00:49:38,529 --> 00:49:36,410
there was this deal it's a you and and

1338
00:49:40,210 --> 00:49:38,539

when we asked semi van about it that was

1339

00:49:41,799 --> 00:49:40,220

one of the questions I had for for

1340

00:49:44,319 --> 00:49:41,809

Melinda and she asked semi van about it

1341

00:49:45,999 --> 00:49:44,329

what about Ron because Ron's calling you

1342

00:49:48,400 --> 00:49:46,009

guys a bunch of crooks and this is all a

1343

00:49:50,019 --> 00:49:48,410

scam or whatever and he said he has he

1344

00:49:52,180 --> 00:49:50,029

has to distance himself that was what

1345

00:49:54,370 --> 00:49:52,190

semi van said yeah it makes sense he has

1346

00:49:56,890 --> 00:49:54,380

the distance he can't be part of it he's

1347

00:49:58,839 --> 00:49:56,900

he's the guy that sorts of balancing act

1348

00:50:01,269 --> 00:49:58,849

it was the same thing you put out the

1349

00:50:02,920 --> 00:50:01,279

information and then you discount the

1350

00:50:04,359 --> 00:50:02,930

information with counterintelligence so

1351
00:50:05,890 --> 00:50:04,369
he comes out and says he'll is the

1352
00:50:09,370 --> 00:50:05,900
biggest crook that ever lived it's a big

1353
00:50:11,170 --> 00:50:09,380
Scientologist and it restarts to winter

1354
00:50:12,940 --> 00:50:11,180
well maybe I was a sign you know did be

1355
00:50:15,130 --> 00:50:12,950
it wasn't Scientology maybe he's a crook

1356
00:50:16,210 --> 00:50:15,140
maybe this is going on and they throw

1357
00:50:18,609 --> 00:50:16,220
the doubt into people's

1358
00:50:20,050 --> 00:50:18,619
so nobody really knows for sure what's

1359
00:50:21,460 --> 00:50:20,060
going on because if you really wanted

1360
00:50:23,470 --> 00:50:21,470
they would make an announcement that

1361
00:50:24,910 --> 00:50:23,480
he'll put off is a real guy and that

1362
00:50:27,160 --> 00:50:24,920
this program is going on but they do

1363
00:50:30,430 --> 00:50:27,170

this down the road in-between thing is

1364

00:50:32,190 --> 00:50:30,440

plausible deniability gradual drip

1365

00:50:34,630 --> 00:50:32,200

confirmation stuff that they're doing

1366

00:50:37,630 --> 00:50:34,640

you know grant I had a question about

1367

00:50:39,490 --> 00:50:37,640

Ron Pandolfi do you think that there are

1368

00:50:41,620 --> 00:50:39,500

unacknowledged program that he's not

1369

00:50:44,470 --> 00:50:41,630

aware of or you think he's he's he's the

1370

00:50:46,390 --> 00:50:44,480

kingpin of the whole thing with what my

1371

00:50:48,790 --> 00:50:46,400

understanding is that when it comes to

1372

00:50:50,380 --> 00:50:48,800

and he described it in 1991 to Dan Smith

1373

00:50:52,420 --> 00:50:50,390

this phenomenology that's another thing

1374

00:50:53,650 --> 00:50:52,430

I always point out to people because

1375

00:50:55,359 --> 00:50:53,660

most people still want to look at this

1376

00:50:56,859 --> 00:50:55,369

as nuts and bolts you know a little

1377

00:51:00,339 --> 00:50:56,869

aliens flying around in tin cans and

1378

00:51:01,750 --> 00:51:00,349

they got a you know a free energy motor

1379

00:51:03,339 --> 00:51:01,760

and if we can get the motor out we can

1380

00:51:05,680 --> 00:51:03,349

drive our SUV for free you know it's cuz

1381

00:51:10,690 --> 00:51:05,690

and what people don't realize is that

1382

00:51:12,250 --> 00:51:10,700

Ron stated already in 1991 that it was

1383

00:51:14,650 --> 00:51:12,260

called phenomenology that we have a

1384

00:51:16,480 --> 00:51:14,660

phenomenology problem so what it is it's

1385

00:51:18,460 --> 00:51:16,490

not just UFOs it's remote-viewing cuz

1386

00:51:21,250 --> 00:51:18,470

Ron Pandolfi was a guy shut the program

1387

00:51:23,470 --> 00:51:21,260

down in 1995 and moved it to the NSA so

1388

00:51:25,630 --> 00:51:23,480

he's basically like Blue Book you take

1389

00:51:28,150 --> 00:51:25,640

blue book off the white world and you

1390

00:51:29,740 --> 00:51:28,160

put it into the black world in 19 1969

1391

00:51:31,960 --> 00:51:29,750

you take the remote viewing program

1392

00:51:33,849 --> 00:51:31,970

because it was starting to leak Jim

1393

00:51:34,960 --> 00:51:33,859

Marrs was doing a book on it the story

1394

00:51:36,490 --> 00:51:34,970

was starting to leak that they had this

1395

00:51:37,060 --> 00:51:36,500

remote viewing program so what you do is

1396

00:51:38,890 --> 00:51:37,070

you shut up

1397

00:51:40,750 --> 00:51:38,900

you move it into the black world so he

1398

00:51:43,750 --> 00:51:40,760

was talked as as the guy with the keys

1399

00:51:46,870 --> 00:51:43,760

that that Dan has made all sorts of

1400

00:51:48,160 --> 00:51:46,880

claims that you know he could that he

1401

00:51:49,089 --> 00:51:48,170

could kill anybody in the country and

1402

00:51:51,460 --> 00:51:49,099

get away with it except for the

1403

00:51:53,620 --> 00:51:51,470

president and that he has ultimate power

1404

00:51:55,839 --> 00:51:53,630

there's nothing they can do to him there

1405

00:51:58,030 --> 00:51:55,849

is a story that was told by Ron's first

1406

00:52:00,370 --> 00:51:58,040

wife that that for a number of years ago

1407

00:52:01,750 --> 00:52:00,380

was run around the ron had told her his

1408

00:52:03,550 --> 00:52:01,760

job was more important than the

1409

00:52:06,430 --> 00:52:03,560

President of the United States so he

1410

00:52:10,089 --> 00:52:06,440

that's my understanding is that he does

1411

00:52:14,109 --> 00:52:10,099

have this very very high level security

1412

00:52:15,609 --> 00:52:14,119

because what you need is what's called

1413

00:52:18,760 --> 00:52:15,619

the keeper of the weird you you need

1414

00:52:22,120 --> 00:52:18,770

somebody who controls the classified

1415

00:52:25,030 --> 00:52:22,130

material that is the go-to guy so when

1416

00:52:28,660 --> 00:52:25,040

in you see the Rockefeller initiative

1417

00:52:31,090 --> 00:52:28,670

documents in 1993 when this Bill

1418

00:52:35,740 --> 00:52:34,390

the science advisor heard that

1419

00:52:37,510 --> 00:52:35,750

Rockefeller was coming to the White

1420

00:52:39,640 --> 00:52:37,520

House and they couldn't stop him he

1421

00:52:40,960 --> 00:52:39,650

asked for a UFO briefing and there's

1422

00:52:42,640 --> 00:52:40,970

it's in the documents there's no doubt

1423

00:52:44,770 --> 00:52:42,650

about it was given to Ron Pandolfi and

1424

00:52:47,080 --> 00:52:44,780

because Ron Pandolfi could not

1425

00:52:48,640 --> 00:52:47,090

acknowledge the CIA T was doing UFOs

1426

00:52:50,290 --> 00:52:48,650

that's when he gave it to Bruce Maccabee

1427

00:52:51,550 --> 00:52:50,300

and he phoned up Bruce Maccabee he said

1428

00:52:53,380 --> 00:52:51,560

you got to write a briefing for the

1429

00:52:55,030 --> 00:52:53,390

science advisor to the president you got

1430

00:52:56,650 --> 00:52:55,040

24 hours to do it it's gotta be in by 7

1431

00:52:57,820 --> 00:52:56,660

o'clock tomorrow morning and he stayed

1432

00:52:59,500 --> 00:52:57,830

up all night and wrote this this

1433

00:53:00,790 --> 00:52:59,510

briefing document because you can and

1434

00:53:02,560 --> 00:53:00,800

then you go in the back door and you do

1435

00:53:05,110 --> 00:53:02,570

the private briefing and in the backdoor

1436

00:53:07,600 --> 00:53:05,120

but you can't do it publicly so there's

1437

00:53:09,280 --> 00:53:07,610

so many indications that that he is very

1438

00:53:12,970 --> 00:53:09,290

high level and before him is KITT green

1439

00:53:14,590 --> 00:53:12,980

which is why the to the stars thing is

1440

00:53:16,420 --> 00:53:14,600

so important with the experience of

1441

00:53:19,840 --> 00:53:16,430

thing is that KITT green was the guy who

1442

00:53:22,120 --> 00:53:19,850

ran the program before Iran from 69 to

1443

00:53:26,050 --> 00:53:22,130

83 or 85 either of those two days and

1444

00:53:29,940 --> 00:53:26,060

the guy before him was Arthur Lundell

1445

00:53:32,800 --> 00:53:29,950

who ran it he's the guy that did the

1446

00:53:35,110 --> 00:53:32,810

photographic analysis for the Robertson

1447

00:53:37,300 --> 00:53:35,120

panel report in 1950 is round a navy

1448

00:53:38,380 --> 00:53:37,310

photograph lab and ended up running the

1449

00:53:41,140 --> 00:53:38,390

national photographic interpretation

1450

00:53:44,050 --> 00:53:41,150

center for the CIA which was the lab

1451

00:53:46,060 --> 00:53:44,060

that analyzed all the u2 sr-71 and all

1452

00:53:47,830 --> 00:53:46,070

the spy photographs and he was the guy

1453

00:53:49,660 --> 00:53:47,840

that ran the weird desk back then so you

1454

00:53:51,430 --> 00:53:49,670

have these these guys that are sort of

1455

00:53:54,910 --> 00:53:51,440

in charge of the classified material and

1456

00:53:58,270 --> 00:53:54,920

so when Ron says like as soon as if you

1457

00:54:00,340 --> 00:53:58,280

remember back as soon as the thing was

1458

00:54:02,350 --> 00:54:00,350

released we were actually helping Dan

1459

00:54:04,330 --> 00:54:02,360

Smith get online because I of course I

1460

00:54:06,160 --> 00:54:04,340

every time I talk to Dan something

1461

00:54:07,660 --> 00:54:06,170

breaks I go okay so what's Ron say now

1462

00:54:09,910 --> 00:54:07,670

and then he goes announced you know

1463

00:54:11,230 --> 00:54:09,920

he'll ask Ron and I try to find out you

1464

00:54:14,290 --> 00:54:11,240

know what's the reaction from Ron

1465

00:54:18,010 --> 00:54:14,300

Pandolfi so on December the 16th we were

1466

00:54:19,570 --> 00:54:18,020

helping him get online to watch oh no no

1467

00:54:22,030 --> 00:54:19,580

this is October the 11th we were getting

1468

00:54:24,940 --> 00:54:22,040

him online to watch the news conference

1469

00:54:27,880 --> 00:54:24,950

we news was coming up and so then within

1470

00:54:29,380 --> 00:54:27,890

an hour maybe two hours he was back to

1471

00:54:31,060 --> 00:54:29,390

us and said Ron said this is a

1472

00:54:33,220 --> 00:54:31,070

Scientology scam and all this kind of

1473

00:54:35,320 --> 00:54:33,230

stuff and Ron actually put it on

1474

00:54:38,080 --> 00:54:35,330

Wikileaks he did they actually had the

1475

00:54:39,970 --> 00:54:38,090

posting on WikiLeaks and Ron I'm sure

1476
00:54:41,860 --> 00:54:39,980
Ron wrote it because it was Ron's deal

1477
00:54:43,359 --> 00:54:41,870
about the scientology scam and and

1478
00:54:45,039 --> 00:54:43,369
they're using people stuff

1479
00:54:46,299 --> 00:54:45,049
so right from the word go Ron was

1480
00:54:48,789 --> 00:54:46,309
putting out this counterintelligence

1481
00:54:50,529 --> 00:54:48,799
thing like hours after and he basically

1482
00:54:52,599 --> 00:54:50,539
said and there may be some truth to it

1483
00:54:54,670 --> 00:54:52,609
is he said that it was done in front of

1484
00:54:55,900 --> 00:54:54,680
a simulator these these videos were

1485
00:54:59,200 --> 00:54:55,910
actually done in front of a simulator

1486
00:55:00,880 --> 00:54:59,210
and that that's where I sort of got on

1487
00:55:02,170 --> 00:55:00,890
this idea that because when I first saw

1488
00:55:03,370 --> 00:55:02,180

the video I go like how could they hope

1489

00:55:05,109 --> 00:55:03,380

something like that doesn't make any

1490

00:55:06,489 --> 00:55:05,119

sense and then when he brought up the

1491

00:55:07,900 --> 00:55:06,499

simulator thing and I was thinking oh

1492

00:55:10,299 --> 00:55:07,910

maybe it's the same thing as mj-12

1493

00:55:13,210 --> 00:55:10,309

document maybe they're they're releasing

1494

00:55:15,430 --> 00:55:13,220

something that is pretty true but it's

1495

00:55:17,259 --> 00:55:15,440

not 100% true and they can do the

1496

00:55:21,910 --> 00:55:17,269

plausible deniability thing and say it's

1497

00:55:24,519 --> 00:55:21,920

a hoax real quick did have you been able

1498

00:55:26,230 --> 00:55:24,529

to find out if a tip looked at all it

1499

00:55:28,749 --> 00:55:26,240

was what was probably the biggest

1500

00:55:31,390 --> 00:55:28,759

domestic UFO case while they were

1501
00:55:35,349 --> 00:55:31,400
running which was the Stephenville case

1502
00:55:37,480 --> 00:55:35,359
in 2008 well what you got to remember is

1503
00:55:40,989 --> 00:55:37,490
that like they have this gifts now like

1504
00:55:42,910 --> 00:55:40,999
Bigelow bill T skiffs to control all the

1505
00:55:45,489 --> 00:55:42,920
classified material and if you listen to

1506
00:55:48,370 --> 00:55:45,499
some of the interviews Bigelow basically

1507
00:55:50,589 --> 00:55:48,380
controls everything from 2007 I listen

1508
00:55:53,529 --> 00:55:50,599
to my my personal impression he controls

1509
00:55:56,410 --> 00:55:53,539
all the UFO material from 2007 on I mean

1510
00:55:58,450 --> 00:55:56,420
all the Federal Aviation stuff he bought

1511
00:56:02,979 --> 00:55:58,460
up all the carpenter abduction files

1512
00:56:05,289 --> 00:56:02,989
there was an effort to try to hire all

1513
00:56:07,749 --> 00:56:05,299

the free people who have of the 4,000

1514

00:56:10,329 --> 00:56:07,759

contactees experiencers the free

1515

00:56:14,890 --> 00:56:10,339

foundation he bought up all the stuff

1516

00:56:20,759 --> 00:56:14,900

from project plate hunter no 15 hours of

1517

00:56:26,079 --> 00:56:24,069

1977-78 all the the the videos and the

1518

00:56:27,970 --> 00:56:26,089

photographs and all the documents

1519

00:56:30,430 --> 00:56:27,980

Bigelow was buying up everything he

1520

00:56:32,259 --> 00:56:30,440

bought up I knew this back in the 1990s

1521

00:56:34,509 --> 00:56:32,269

because I knew I was going after some

1522

00:56:38,109 --> 00:56:34,519

files of a guy may have bunt commit

1523

00:56:40,269 --> 00:56:38,119

schemes guy he was a major hungaria made

1524

00:56:42,549 --> 00:56:40,279

a major from hungary who was working out

1525

00:56:44,710 --> 00:56:42,559

the UN who was writing all these letters

1526
00:56:46,450 --> 00:56:44,720
to the president and I knew I was into

1527
00:56:47,950 --> 00:56:46,460
the president so I was trying to get his

1528
00:56:50,259 --> 00:56:47,960
files when he died because he would

1529
00:56:51,609 --> 00:56:50,269
attach all these UFO documents to to

1530
00:56:54,460 --> 00:56:51,619
these requests to all the different

1531
00:56:56,470 --> 00:56:54,470
presidents and I was told that Bigelow

1532
00:56:57,339 --> 00:56:56,480
had bought the files so I went to Eric

1533
00:56:58,989 --> 00:56:57,349
Davis house when he

1534
00:57:00,910 --> 00:56:58,999
was still working for knids and I said

1535
00:57:02,620 --> 00:57:00,920
I'm looking for vodka whiskey's files

1536
00:57:04,059 --> 00:57:02,630
I'm gonna be in Las Vegas can you

1537
00:57:05,680 --> 00:57:04,069
arrange that I can look at these files

1538
00:57:08,170 --> 00:57:05,690

ice well look at these letters to the

1539

00:57:10,269 --> 00:57:08,180

President and he said oh I mean it comes

1540

00:57:12,190 --> 00:57:10,279

back and he said oh no we Bigelow

1541

00:57:13,749 --> 00:57:12,200

doesn't have this files and I said he

1542

00:57:16,059 --> 00:57:13,759

has the files cuz I know the guy I

1543

00:57:18,339 --> 00:57:16,069

talked to a guy antonia horniest helped

1544

00:57:19,960 --> 00:57:18,349

pack the files in antonio told me the

1545

00:57:21,160 --> 00:57:19,970

files went he helped pack the files they

1546

00:57:22,660 --> 00:57:21,170

went to Bigelow and then he came back

1547

00:57:23,829 --> 00:57:22,670

later he said well maybe he hasn't been

1548

00:57:25,749 --> 00:57:23,839

his private residence but he doesn't

1549

00:57:27,460 --> 00:57:25,759

have him here so that's what people got

1550

00:57:29,710 --> 00:57:27,470

remember is that Bigelow has bought up

1551
00:57:32,140 --> 00:57:29,720
everything for example the the the whole

1552
00:57:33,099 --> 00:57:32,150
controversy with with MUFON this whole

1553
00:57:34,479 --> 00:57:33,109
thing about the non-disclosure

1554
00:57:37,479 --> 00:57:34,489
agreements that all the mutant people

1555
00:57:38,859 --> 00:57:37,489
did in 2009 or whatever and the star

1556
00:57:40,930 --> 00:57:38,869
team and the first star team

1557
00:57:44,049 --> 00:57:40,940
investigation that was done was done

1558
00:57:45,969 --> 00:57:44,059
with Chris but so and Chris Bledsoe is

1559
00:57:47,739 --> 00:57:45,979
one of the key people in this whole

1560
00:57:49,779 --> 00:57:47,749
operation because what you got to

1561
00:57:51,729 --> 00:57:49,789
remember is that the no matter what

1562
00:57:54,219 --> 00:57:51,739
anybody says I say the experiences are

1563
00:57:56,499 --> 00:57:54,229

the key elements and that the military

1564

00:57:58,630 --> 00:57:56,509

intelligence and the government is

1565

00:58:00,940 --> 00:57:58,640

watching the experiences because Ron

1566

00:58:02,499 --> 00:58:00,950

Pandolfi had said at one point because

1567

00:58:05,620 --> 00:58:02,509

we cannot measure and control a

1568

00:58:07,329 --> 00:58:05,630

phenomena we watched the people who the

1569

00:58:08,920 --> 00:58:07,339

phenomena affects that's all they can

1570

00:58:11,799 --> 00:58:08,930

really do because if you look at

1571

00:58:14,380 --> 00:58:11,809

skinwalker ranch they had it within 75

1572

00:58:16,450 --> 00:58:14,390

square acres they had the top

1573

00:58:18,069 --> 00:58:16,460

researchers in the world all the money

1574

00:58:19,390 --> 00:58:18,079

in the world and they could not control

1575

00:58:20,620 --> 00:58:19,400

they could not measure the phenomena

1576

00:58:22,299 --> 00:58:20,630

they could not do anything it's one of

1577

00:58:25,059 --> 00:58:22,309

the reasons that gave up is because they

1578

00:58:26,410 --> 00:58:25,069

had this trickster thing they the join

1579

00:58:27,819 --> 00:58:26,420

Alexander said not only did the

1580

00:58:29,019 --> 00:58:27,829

phenomena know what they were doing it

1581

00:58:30,160 --> 00:58:29,029

knew what they were about to do they

1582

00:58:32,769 --> 00:58:30,170

could they couldn't measure it they

1583

00:58:36,819 --> 00:58:32,779

couldn't photograph it and so that's the

1584

00:58:41,410 --> 00:58:36,829

the key that that a lot of this material

1585

00:58:43,839 --> 00:58:41,420

is isn't is not verifiable and so that's

1586

00:58:46,660 --> 00:58:43,849

why they spent so much time and why

1587

00:58:50,380 --> 00:58:46,670

Bigelow is interested in experiences he

1588

00:58:52,390 --> 00:58:50,390

funded the the the the abduction

1589

00:58:52,900 --> 00:58:52,400

research thing in the 1990s that was

1590

00:58:55,539 --> 00:58:52,910

done

1591

00:58:57,400 --> 00:58:55,549

you know the Roper poll you take a look

1592

00:58:58,779 --> 00:58:57,410

at what bog Bigelow has done and he's

1593

00:59:00,489 --> 00:58:58,789

put a lot of money in this thing and he

1594

00:59:02,920 --> 00:59:00,499

basically I say he's like the guy on

1595

00:59:04,900 --> 00:59:02,930

contact the movie contact he's like this

1596

00:59:05,979 --> 00:59:04,910

super rich guy in the background who

1597

00:59:08,050 --> 00:59:05,989

knows everything who has all this

1598

00:59:13,270 --> 00:59:08,060

material

1599

00:59:15,250 --> 00:59:13,280

so and give me the question again it

1600

00:59:17,200 --> 00:59:15,260

relates to okay yeah I was about the

1601
00:59:17,560 --> 00:59:17,210
Stephenville case did they look at that

1602
00:59:18,880 --> 00:59:17,570
at all

1603
00:59:21,160 --> 00:59:18,890
because the videos that they're

1604
00:59:22,920 --> 00:59:21,170
releasing these are incidents that are

1605
00:59:25,330 --> 00:59:22,930
occurring over the ocean off the coast

1606
00:59:27,400 --> 00:59:25,340
there's no mention whatsoever about

1607
00:59:29,770 --> 00:59:27,410
anything that's happening over land in

1608
00:59:34,540 --> 00:59:29,780
the United States and that was the

1609
00:59:37,690 --> 00:59:34,550
number one case yeah see he was buying

1610
00:59:39,609 --> 00:59:37,700
up all the private stuff from UFO stuff

1611
00:59:42,010 --> 00:59:39,619
the stuff with the a tip as they pointed

1612
00:59:44,650 --> 00:59:42,020
out is just military so they didn't look

1613
00:59:46,930 --> 00:59:44,660

at any pilot sightings anything they

1614

00:59:48,850 --> 00:59:46,940

were getting it through mostly Navy

1615

00:59:51,370 --> 00:59:48,860

stuff so that's where the a tip program

1616

00:59:52,540 --> 00:59:51,380

and that's where you look at where I say

1617

00:59:54,160 --> 00:59:52,550

that people are sort of making a mistake

1618

00:59:56,170 --> 00:59:54,170

when you only look at one little thing

1619

00:59:57,490 --> 00:59:56,180

and you sort of buy one version of the

1620

00:59:59,470 --> 00:59:57,500

story like the New York Times is the

1621

01:00:01,390 --> 00:59:59,480

only the only story and they broke the

1622

01:00:03,370 --> 01:00:01,400

story and it's not true if you look at

1623

01:00:05,410 --> 01:00:03,380

the Washington Post story written by

1624

01:00:07,420 --> 01:00:05,420

this Warwick guy he said he was told

1625

01:00:08,859 --> 01:00:07,430

there was a number of programs and so

1626
01:00:10,570 --> 01:00:08,869
you gotta member he's got is a guy went

1627
01:00:12,190 --> 01:00:10,580
to Pulitzer Prizes National Security

1628
01:00:14,920 --> 01:00:12,200
investigator for the Washington Post

1629
01:00:16,780 --> 01:00:14,930
gets to invent confirmations at least

1630
01:00:18,970 --> 01:00:16,790
from inside the Pentagon and is told

1631
01:00:21,880 --> 01:00:18,980
there are other programs so the program

1632
01:00:27,609 --> 01:00:21,890
the 8a program is just it looks like

1633
01:00:28,690 --> 01:00:27,619
interactions with US Navy equipment and

1634
01:00:31,030 --> 01:00:28,700
there would be all these other programs

1635
01:00:32,710 --> 01:00:31,040
so there would be a program I don't care

1636
01:00:35,680 --> 01:00:32,720
what anybody says they they're watching

1637
01:00:37,330 --> 01:00:35,690
everything and there's other some other

1638
01:00:41,620 --> 01:00:37,340

program because the work I think

1639

01:00:44,170 --> 01:00:41,630

mentioned the fact that there was CIA

1640

01:00:46,510 --> 01:00:44,180

program that was going on and I know I

1641

01:00:48,820 --> 01:00:46,520

talked to Angela Joyner and she I it's

1642

01:00:52,030 --> 01:00:48,830

like I don't know whether I sort of had

1643

01:00:55,210 --> 01:00:52,040

a lucid moment or whatever but I

1644

01:00:56,920 --> 01:00:55,220

remember Angela Joyner telling me and

1645

01:00:58,960 --> 01:00:56,930

she's the one that broke the story sure

1646

01:01:01,510 --> 01:00:58,970

she was telling me she had to come

1647

01:01:04,090 --> 01:01:01,520

across another story in Oregon and if

1648

01:01:06,190 --> 01:01:04,100

she'd been contacted by Bigelow's people

1649

01:01:08,800 --> 01:01:06,200

and that because he remember he had

1650

01:01:10,540 --> 01:01:08,810

these 46 investigators so these 46

1651

01:01:12,430 --> 01:01:10,550

investigators are different than a tip

1652

01:01:14,890 --> 01:01:12,440

these are private investigators that

1653

01:01:16,630 --> 01:01:14,900

were working like when the star team was

1654

01:01:18,970 --> 01:01:16,640

shut down when he sort of broke off of

1655

01:01:20,170 --> 01:01:18,980

the star team the hid these 46

1656

01:01:21,380 --> 01:01:20,180

investigators and they were looking at

1657

01:01:24,140 --> 01:01:21,390

all sorts of stuff and

1658

01:01:25,850 --> 01:01:24,150

Angela said no he did never contact me

1659

01:01:27,830 --> 01:01:25,860

I'm thinking well I remember this thing

1660

01:01:29,390 --> 01:01:27,840

about some event in Oregon where

1661

01:01:32,690 --> 01:01:29,400

Bigelow's people were going in there

1662

01:01:34,250 --> 01:01:32,700

these high-level the private

1663

01:01:36,050 --> 01:01:34,260

investigators that he hired and people

1664

01:01:38,510 --> 01:01:36,060

like that and I talked to Michael Lee

1665

01:01:40,130 --> 01:01:38,520

Hill as well and Michael Lee Hill is he

1666

01:01:42,050 --> 01:01:40,140

claimed he you know his claim is that

1667

01:01:43,360 --> 01:01:42,060

his father's eric clapton he's an

1668

01:01:47,510 --> 01:01:43,370

experienced who had these experiences

1669

01:01:49,430 --> 01:01:47,520

UFO experiences over Lake Erie he's into

1670

01:01:52,780 --> 01:01:49,440

the Annunaki claims he was contacted by

1671

01:01:55,250 --> 01:01:52,790

the NSA and this guy inside the NSA and

1672

01:01:57,790 --> 01:01:55,260

he taught he tell I did an interview

1673

01:02:00,320 --> 01:01:57,800

with him which I put on my white US UFO

1674

01:02:03,230 --> 01:02:00,330

YouTube channel where he talks about

1675

01:02:04,760 --> 01:02:03,240

being contacted by Bigelow's people and

1676

01:02:06,590 --> 01:02:04,770

that they were telling him stuff about

1677

01:02:08,030 --> 01:02:06,600

the inside stuff so I swear to God

1678

01:02:09,920 --> 01:02:08,040

remember in this whole thing with

1679

01:02:11,480 --> 01:02:09,930

different sightings is that the amount

1680

01:02:13,580 --> 01:02:11,490

of material at Bigelow has when I heard

1681

01:02:15,470 --> 01:02:13,590

we had from this Brazil thing I mean it

1682

01:02:18,370 --> 01:02:15,480

was like thousands of pages and all the

1683

01:02:20,960 --> 01:02:18,380

videos are not I mean he's basically got

1684

01:02:22,490 --> 01:02:20,970

probably a thousand times more material

1685

01:02:24,140 --> 01:02:22,500

than people know they just think he's

1686

01:02:26,270 --> 01:02:24,150

got a couple of documents this guy has

1687

01:02:27,590 --> 01:02:26,280

been collecting UFO material for many

1688

01:02:29,540 --> 01:02:27,600

many years you got remember when he had

1689

01:02:31,070 --> 01:02:29,550

the knids program he had the top guys

1690

01:02:34,190 --> 01:02:31,080

there's all these Avery guys like KITT

1691

01:02:35,600 --> 01:02:34,200

green and there's a story penned off he

1692

01:02:37,850 --> 01:02:35,610

was I'm not sure Pandolfi was involved

1693

01:02:39,860 --> 01:02:37,860

but KITT green and Jack valet he had the

1694

01:02:41,390 --> 01:02:39,870

top people who he was picking their

1695

01:02:43,280 --> 01:02:41,400

brains he's bringing them in for a

1696

01:02:45,140 --> 01:02:43,290

couple day conferences six times a year

1697

01:02:46,340 --> 01:02:45,150

into Las Vegas and they were going

1698

01:02:47,750 --> 01:02:46,350

through all this stuff they did all the

1699

01:02:50,420 --> 01:02:47,760

cattle mutilation stuff he had unlimited

1700

01:02:52,850 --> 01:02:50,430

amounts of money and so anything that is

1701

01:02:54,890 --> 01:02:52,860

of any importance in the UFO field I can

1702

01:02:56,660 --> 01:02:54,900

guarantee you that Bob Bigelow has spent

1703

01:03:00,190 --> 01:02:56,670

a lot of money trying to get the the

1704

01:03:02,480 --> 01:03:00,200

actual data from that from those cases

1705

01:03:05,990 --> 01:03:02,490

now what do you think he plan to do with

1706

01:03:09,760 --> 01:03:06,000

all that data well to him at Timmy if

1707

01:03:12,800 --> 01:03:09,770

you listen to 2013 interview he said and

1708

01:03:14,960 --> 01:03:12,810

companies get it and it will be

1709

01:03:18,200 --> 01:03:14,970

proprietary and that's the way it should

1710

01:03:20,420 --> 01:03:18,210

be because they spent money so basically

1711

01:03:23,120 --> 01:03:20,430

you have a situation where you have the

1712

01:03:24,890 --> 01:03:23,130

government wants Bigelow is if you go

1713

01:03:27,230 --> 01:03:24,900

back to there's a statement made by

1714

01:03:29,180 --> 01:03:27,240

Steven Greer back in the in the days of

1715

01:03:31,670 --> 01:03:29,190

Clinton where he claims he got this

1716

01:03:33,860 --> 01:03:31,680

thing to this briefing thing to Bill and

1717

01:03:35,120 --> 01:03:33,870

that this friend of Bill comes back and

1718

01:03:37,850 --> 01:03:35,130

he said the president can't do

1719

01:03:39,950 --> 01:03:37,860

he's gonna end up like JFK he can't do

1720

01:03:41,270 --> 01:03:39,960

it but you can and so people got to

1721

01:03:42,800 --> 01:03:41,280

remember this is that what the

1722

01:03:43,940 --> 01:03:42,810

government I believe is trying to do is

1723

01:03:47,030 --> 01:03:43,950

they're trying to distance themselves

1724

01:03:48,590 --> 01:03:47,040

from the disclosure so bill is saying I

1725

01:03:50,660 --> 01:03:48,600

can't do it but you can and I've been

1726

01:03:52,700 --> 01:03:50,670

told this as well it's this idea that

1727

01:03:54,470 --> 01:03:52,710

what you're doing I think they're doing

1728

01:03:56,060 --> 01:03:54,480

is they're moving it into private

1729

01:03:58,880 --> 01:03:56,070

industry so they're moving all the stuff

1730

01:04:01,010 --> 01:03:58,890

into Bigelow Aerospace he controls all

1731

01:04:02,750 --> 01:04:01,020

this material and then it is Bigelow

1732

01:04:03,230 --> 01:04:02,760

that discloses and the government is off

1733

01:04:04,370 --> 01:04:03,240

the hook

1734

01:04:07,400 --> 01:04:04,380

the government doesn't want to be the

1735

01:04:10,550 --> 01:04:07,410

people almost like like Hillary where

1736

01:04:12,710 --> 01:04:10,560

she never ever brought up the UFO

1737

01:04:15,290 --> 01:04:12,720

subject she only answered questions it's

1738

01:04:17,210 --> 01:04:15,300

this idea that that you they want us to

1739

01:04:19,190 --> 01:04:17,220

force the issue they want us to bring

1740

01:04:20,480 --> 01:04:19,200

the disclosure to people they can't do

1741

01:04:22,340 --> 01:04:20,490

it because of this classified thing

1742

01:04:22,670 --> 01:04:22,350

plausible deniability all this kind of

1743

01:04:26,420 --> 01:04:22,680

stuff

1744

01:04:28,880 --> 01:04:26,430

and so that's what I think is and so

1745

01:04:31,640 --> 01:04:28,890

Bigelow controls it know that Greenwald

1746

01:04:34,010 --> 01:04:31,650

is saying that even though he controls

1747

01:04:36,250 --> 01:04:34,020

that the reports are still have to be

1748

01:04:38,900 --> 01:04:36,260

brought out now that's gonna be

1749

01:04:41,930 --> 01:04:38,910

rectified but Bigelow is not even

1750

01:04:44,900 --> 01:04:41,940

talking now so he's not talking and I

1751

01:04:47,150 --> 01:04:44,910

can one of the the to the stars people

1752

01:04:49,130 --> 01:04:47,160

said we have to maybe it was helped put

1753

01:04:52,130 --> 01:04:49,140

off do we have to negotiate with Bigelow

1754

01:04:53,540 --> 01:04:52,140

now to get material but Bigelow does

1755

01:04:55,850 --> 01:04:53,550

control it I believe he's an honest guy

1756

01:04:57,590 --> 01:04:55,860

that's trying to get the answers but

1757

01:04:59,330 --> 01:04:57,600

he's looking at it like a business guy I

1758

01:05:01,070 --> 01:04:59,340

mean if you control this thing it's same

1759

01:05:04,250 --> 01:05:01,080

as the military military's looking at it

1760

01:05:06,080 --> 01:05:04,260

for for for weapons stuff can we develop

1761

01:05:08,240 --> 01:05:06,090

a weapon can we stop the Russians from

1762

01:05:10,100 --> 01:05:08,250

developing a weapon or counter weapons

1763

01:05:12,140 --> 01:05:10,110

that the Russians may develop if you

1764

01:05:14,630 --> 01:05:12,150

listen to John Burroughs is saying that

1765

01:05:16,790 --> 01:05:14,640

the the documents from the rentals from

1766

01:05:18,560 --> 01:05:16,800

forests from the the British thing said

1767

01:05:20,240 --> 01:05:18,570

they've already created weapons based

1768

01:05:21,680 --> 01:05:20,250

upon what happened at realms from

1769

01:05:23,690 --> 01:05:21,690

forests so that's the military

1770

01:05:26,120 --> 01:05:23,700

application but Bigelow is looking at it

1771

01:05:29,270 --> 01:05:26,130

like if you can control this technology

1772

01:05:31,550 --> 01:05:29,280

you you controlled space I mean he's the

1773

01:05:34,190 --> 01:05:31,560

guy that's gonna control everything in

1774

01:05:37,010 --> 01:05:34,200

NASA you know the National Aeronautics

1775

01:05:38,480 --> 01:05:37,020

Space Administration NSA they're all

1776

01:05:40,190 --> 01:05:38,490

gonna have to come to him because he's

1777

01:05:42,800 --> 01:05:40,200

got the technology so he's a business

1778

01:05:45,170 --> 01:05:42,810

guy and he said in 2013 its proprietary

1779

01:05:46,670 --> 01:05:45,180

and the gump companies have the right to

1780

01:05:48,660 --> 01:05:46,680

do it because they paid the money now he

1781

01:05:50,400 --> 01:05:48,670

used other people's money to do it

1782

01:05:53,069 --> 01:05:50,410

he is brilliant he's absolutely

1783

01:05:56,730 --> 01:05:53,079

brilliant he has actually got control of

1784

01:06:00,569 --> 01:05:56,740

everything that a tip program is

1785

01:06:03,780 --> 01:06:00,579

essentially like a an inside job we got

1786

01:06:06,210 --> 01:06:03,790

the information that was coming in from

1787

01:06:07,799 --> 01:06:06,220

the military was basically an inside

1788

01:06:09,510 --> 01:06:07,809

heist it was fantastic

1789

01:06:11,400 --> 01:06:09,520

yeah and he'll put off help right the

1790

01:06:12,809 --> 01:06:11,410

the program like a lot of people think

1791

01:06:15,900 --> 01:06:12,819

it was a setup but only was a setup

1792

01:06:19,530 --> 01:06:15,910

there was there was a proposal put out

1793

01:06:21,210 --> 01:06:19,540

anybody could have bid on it but who

1794

01:06:22,950 --> 01:06:21,220

would have known I mean you know it

1795

01:06:25,549 --> 01:06:22,960

appears he'll put off rights he knows

1796

01:06:28,230 --> 01:06:25,559

exactly what to put in the proposal and

1797

01:06:30,480 --> 01:06:28,240

you know Reid puts out the you know the

1798

01:06:32,430 --> 01:06:30,490

request for a proposal and every other

1799

01:06:34,289 --> 01:06:32,440

company looks at it and you know really

1800

01:06:36,089 --> 01:06:34,299

not interested they've got the inside

1801

01:06:38,730 --> 01:06:36,099

track in the fact that they know what

1802

01:06:40,380 --> 01:06:38,740

this program is gonna do so they write

1803

01:06:42,720 --> 01:06:40,390

the thing and I think they legitimate ly

1804

01:06:45,720 --> 01:06:42,730

got the the the right to this a tip

1805

01:06:47,579 --> 01:06:45,730

thing from 2007 on and as it's been

1806

01:06:49,260 --> 01:06:47,589

pointed out it's still going on and and

1807

01:06:51,000 --> 01:06:49,270

I think put off actually said it's

1808

01:06:52,380 --> 01:06:51,010

intensified that it's actually more

1809

01:06:54,510 --> 01:06:52,390

intense than it was when they were

1810

01:06:55,920 --> 01:06:54,520

running the program but as the near

1811

01:06:57,390 --> 01:06:55,930

washing you're talking about you're

1812

01:06:59,039 --> 01:06:57,400

talking about filled incidents now

1813

01:07:00,690 --> 01:06:59,049

you're talking about citing cases that

1814

01:07:03,030 --> 01:07:00,700

are happening you know in the moment

1815

01:07:04,740 --> 01:07:03,040

basically yeah with with the military

1816

01:07:07,799 --> 01:07:04,750

stuff like with because it seems like

1817

01:07:10,140 --> 01:07:07,809

they're interacting with now that's this

1818

01:07:14,579 --> 01:07:10,150

threat thing that they're interacting

1819

01:07:16,440 --> 01:07:14,589

with military like naval carriers and

1820

01:07:19,680 --> 01:07:16,450

stuff like that and if you listen to Tom

1821

01:07:22,200 --> 01:07:19,690

DeLonge Tom DeLonge is saying in 2013

1822

01:07:26,400 --> 01:07:22,210

they shut down like a huge proportion of

1823

01:07:27,960 --> 01:07:26,410

all the the nuclear weapons on the

1824

01:07:29,910 --> 01:07:27,970

submarines around the world and they

1825

01:07:32,549 --> 01:07:29,920

affected the the satellites that were

1826

01:07:34,799 --> 01:07:32,559

sending the information to the

1827

01:07:35,940 --> 01:07:34,809

submarines so there had you have this

1828

01:07:38,900 --> 01:07:35,950

interaction I think that's what the a

1829

01:07:41,220 --> 01:07:38,910

tip thing is is this interaction with

1830

01:07:42,690 --> 01:07:41,230

military units so there would be all

1831

01:07:45,839 --> 01:07:42,700

sorts of different things like the

1832

01:07:49,829 --> 01:07:45,849

experiencer thing I'm sure is this this

1833

01:07:51,420 --> 01:07:49,839

program because John John Alexander in

1834

01:07:54,720 --> 01:07:51,430

one interview has asked why did you go

1835

01:07:57,329 --> 01:07:54,730

see Chris but so and he said well my

1836

01:07:58,770 --> 01:07:57,339

sponsor told me to go talk to him so

1837

01:08:00,510 --> 01:07:58,780

there's this thing about sponsor and

1838

01:08:01,810 --> 01:08:00,520

Kent green there's a tape that was

1839

01:08:04,390 --> 01:08:01,820

leaked

1840

01:08:05,710 --> 01:08:04,400

which I haven't really I've I haven't

1841

01:08:06,700 --> 01:08:05,720

really released it yeah but it's it's on

1842

01:08:09,820 --> 01:08:06,710

the internet if you know where to find

1843

01:08:11,470 --> 01:08:09,830

it and this is kit green dealing with

1844

01:08:13,030 --> 01:08:11,480

one of the experiences and you can hear

1845

01:08:18,039 --> 01:08:13,040

what they're doing inside this program

1846

01:08:19,930 --> 01:08:18,049

this program with help put off and Gary

1847

01:08:23,410 --> 01:08:19,940

Nolan and they're using some pretty

1848

01:08:28,059 --> 01:08:23,420

high-end remote viewing stuff and so

1849

01:08:29,769 --> 01:08:28,069

that that material is is is sort of out

1850

01:08:31,059 --> 01:08:29,779

there but it's it's more high classified

1851

01:08:33,880 --> 01:08:31,069

but it's separate from the 8a program

1852

01:08:36,099 --> 01:08:33,890

and Jim semi ban actually told melinda

1853

01:08:37,990 --> 01:08:36,109

leslie he said well that's not really

1854

01:08:41,110 --> 01:08:38,000

part of to the stars

1855

01:08:42,849 --> 01:08:41,120

it's sort of an independent sort of

1856

01:08:46,329 --> 01:08:42,859

thing it's related but it's independent

1857

01:08:48,010 --> 01:08:46,339

and it's more it's more secret so it's

1858

01:08:51,039 --> 01:08:48,020

got a sponsor now i don't know if the

1859

01:08:53,110 --> 01:08:51,049

sponsor is Bigelow or who the sponsor is

1860

01:08:54,820 --> 01:08:53,120

for that program but it's looking at

1861

01:08:57,610 --> 01:08:54,830

experiences and that's where I say the

1862

01:08:59,530 --> 01:08:57,620

ultimate answer is is that so you have

1863

01:09:02,470 --> 01:08:59,540

the a tip programs looking at the

1864

01:09:05,680 --> 01:09:02,480

interactions with with with military

1865

01:09:07,479 --> 01:09:05,690

units you have the this unit that's

1866

01:09:09,220 --> 01:09:07,489

looking at experiences and you have all

1867

01:09:11,079 --> 01:09:09,230

probably all sorts of different programs

1868

01:09:13,059 --> 01:09:11,089

they're looking at different aspects of

1869

01:09:15,970 --> 01:09:13,069

the thing and it probably all filters

1870

01:09:17,229 --> 01:09:15,980

into Bob Bigelow because that's where

1871

01:09:18,700 --> 01:09:17,239

you can protect it because this

1872

01:09:19,450 --> 01:09:18,710

proprietary it's gonna be very hard to

1873

01:09:21,579 --> 01:09:19,460

get it out of there

1874

01:09:23,620 --> 01:09:21,589

you have no fya that can sort of

1875

01:09:26,590 --> 01:09:23,630

influence this kind of stuff and only

1876

01:09:29,050 --> 01:09:26,600

Bigelow and the people that he allows in

1877

01:09:31,479 --> 01:09:29,060

know exactly what he's got in these

1878

01:09:34,570 --> 01:09:31,489

these skiffs in Las Vegas he'd have all

1879

01:09:36,490 --> 01:09:34,580

these documents and and various rumors

1880

01:09:38,229 --> 01:09:36,500

on hardware Linda was talking about it

1881

01:09:40,690 --> 01:09:38,239

the other night about this she believes

1882

01:09:42,640 --> 01:09:40,700

it's this this layered piece that they

1883

01:09:44,920 --> 01:09:42,650

have the Tom's along I was talks about

1884

01:09:48,760 --> 01:09:44,930

is the arts parts piece that she worked

1885

01:09:52,690 --> 01:09:48,770

on this magnesium zinc stuff back in

1886

01:09:59,320 --> 01:09:52,700

1996 that she did reports on and I know

1887

01:10:04,690 --> 01:09:59,330

this guy this experience here from NASA

1888

01:10:06,640 --> 01:10:04,700

he took Diane Poe salka and another

1889

01:10:09,040 --> 01:10:06,650

academic if you heard the interview of

1890

01:10:10,870 --> 01:10:09,050

Diane pessoa did with with the Greg

1891

01:10:13,000 --> 01:10:10,880

Bishop she talks about being taken there

1892

01:10:15,459 --> 01:10:13,010

and blindfolded on this site in New

1893

01:10:17,110 --> 01:10:15,469

Mexico this crash site in New Mexico why

1894

01:10:20,110 --> 01:10:17,120

the crash site was because I knew the

1895

01:10:22,450 --> 01:10:20,120

experience of in in in the National Air

1896

01:10:24,010 --> 01:10:22,460

and Space Administration I knew the guy

1897

01:10:26,380 --> 01:10:24,020

took him to the site so I know where the

1898

01:10:28,420 --> 01:10:26,390

site is and I've actually got a piece I

1899

01:10:30,160 --> 01:10:28,430

was given a piece and I cut off a little

1900

01:10:31,420 --> 01:10:30,170

piece and gave it back to the guy so

1901

01:10:35,560 --> 01:10:31,430

there's there's all these different

1902

01:10:37,240 --> 01:10:35,570

programs of metal jacques valet so that

1903

01:10:39,250 --> 01:10:37,250

meter went in there jack valet talks

1904

01:10:41,410 --> 01:10:39,260

about the stuff that's being thrown out

1905

01:10:43,330 --> 01:10:41,420

of ufos over the years these this

1906

01:10:44,860 --> 01:10:43,340

extruded material that ufos are

1907

01:10:46,450 --> 01:10:44,870

pretending like they're gonna crash and

1908

01:10:47,830 --> 01:10:46,460

then they shoot out this metal Jacques

1909

01:10:50,680 --> 01:10:47,840

valets got all this metal I'm sure

1910

01:10:54,310 --> 01:10:50,690

that's part of the material they've got

1911

01:11:00,640 --> 01:10:54,320

and then all the stuff Bigelow financed

1912

01:11:02,410 --> 01:11:00,650

all the the the abduction implant

1913

01:11:04,660 --> 01:11:02,420

research so he's got all that material

1914

01:11:06,550 --> 01:11:04,670

so that's the thing his Bob Bigelow is

1915

01:11:08,470 --> 01:11:06,560

the key to this whole thing he's got

1916

01:11:10,240 --> 01:11:08,480

control of all this stuff and has been

1917

01:11:13,000 --> 01:11:10,250

absolutely working on this thing for

1918

01:11:14,620 --> 01:11:13,010

probably 30 years and has managed to

1919

01:11:16,810 --> 01:11:14,630

gather all the material together and

1920

01:11:19,060 --> 01:11:16,820

it'll be up to him what what he

1921

01:11:21,189 --> 01:11:19,070

discloses or whether he just continues

1922

01:11:24,610 --> 01:11:21,199

to use this stuff to try to develop

1923

01:11:27,400 --> 01:11:24,620

technology as far as the the study goes

1924

01:11:29,050 --> 01:11:27,410

through green and Nolen I've got a

1925

01:11:31,479 --> 01:11:29,060

little bit will be picking up some more

1926

01:11:33,400 --> 01:11:31,489

on this but one thing they had which is

1927

01:11:35,110 --> 01:11:33,410

basically a confirmation of the obvious

1928

01:11:36,610 --> 01:11:35,120

they didn't have a control group of

1929

01:11:38,860 --> 01:11:36,620

course which you would want in any

1930

01:11:42,870 --> 01:11:38,870

scientific study and there was also a

1931

01:11:45,850 --> 01:11:42,880

lot of peer-to-peer psychic

1932

01:11:48,880 --> 01:11:45,860

experimentation since I guess they they

1933

01:11:50,280 --> 01:11:48,890

couldn't get et in on the study but they

1934

01:11:52,390 --> 01:11:50,290

had a lot of peer to peer

1935

01:11:54,430 --> 01:11:52,400

experimentation and I did hear one

1936

01:11:56,620 --> 01:11:54,440

interview you were talking about where

1937

01:11:58,209 --> 01:11:56,630

they separated or at least this was an

1938

01:12:00,850 --> 01:11:58,219

idea whether they actually pulled it off

1939

01:12:04,560 --> 01:12:00,860

or not they actually yes separated two

1940

01:12:06,970 --> 01:12:04,570

of the experiencers by some significant

1941

01:12:08,979 --> 01:12:06,980

geographical distance and put them both

1942

01:12:11,260 --> 01:12:08,989

in MRIs and they were trying this

1943

01:12:15,840 --> 01:12:11,270

experiment while they were in MRI

1944

01:12:18,880 --> 01:12:15,850

machines yeah there that correctly I

1945

01:12:21,820 --> 01:12:18,890

didn't hear that someone knew I knew

1946

01:12:24,580 --> 01:12:21,830

that kit green if you go and you can

1947

01:12:28,000 --> 01:12:24,590

actually search it MRI kit Green China

1948

01:12:29,320 --> 01:12:28,010

there's a guy was view at the Chinese

1949

01:12:32,230 --> 01:12:29,330

Academy of Science

1950

01:12:37,980 --> 01:12:32,240

and Gary Beckham so put Gary Beckham's

1951

01:12:41,080 --> 01:12:37,990

name in there in the search MRI and

1952

01:12:44,350 --> 01:12:41,090

national Chinese Academy of Sciences and

1953

01:12:46,150 --> 01:12:44,360

it'll pop up an experiment that oxy Gary

1954

01:12:48,100 --> 01:12:46,160

Beckham set up this soak it Green was

1955

01:12:50,860 --> 01:12:48,110

trying to run this already in 2008 and

1956

01:12:52,990 --> 01:12:50,870

Beckham said that he really kid green

1957

01:12:55,350 --> 01:12:53,000

never really talked to him after he put

1958

01:12:57,970 --> 01:12:55,360

this article public and it talked about

1959

01:13:01,180 --> 01:12:57,980

to psychics so wasn't talking about

1960

01:13:03,700 --> 01:13:01,190

experience it was talking about to like

1961

01:13:05,470 --> 01:13:03,710

remote viewing psychics in the MRI one

1962

01:13:06,760 --> 01:13:05,480

would be in China one would be in the

1963

01:13:09,160 --> 01:13:06,770

United States and what they're looking

1964

01:13:10,630 --> 01:13:09,170

at is this non-local thing so when they

1965

01:13:13,510 --> 01:13:10,640

send the target from one to the other

1966

01:13:17,380 --> 01:13:13,520

and they have in the MRIs is it an

1967

01:13:19,510 --> 01:13:17,390

instantaneous transfer of information so

1968

01:13:21,760 --> 01:13:19,520

this idea that that consciousness is

1969

01:13:23,590 --> 01:13:21,770

non-local and he was very upset about it

1970

01:13:25,630 --> 01:13:23,600

so I can see that they would be doing

1971

01:13:26,800 --> 01:13:25,640

this with experiences as well because

1972

01:13:29,440 --> 01:13:26,810

you got to remember that the guys that

1973

01:13:30,520 --> 01:13:29,450

are behind us like KITT green as I said

1974

01:13:32,530 --> 01:13:30,530

he has one of the longest held

1975

01:13:34,180 --> 01:13:32,540

top-secret SDI security clearances and

1976

01:13:37,240 --> 01:13:34,190

that's because he was the control

1977

01:13:39,670 --> 01:13:37,250

officer for the CIA when they ran the

1978

01:13:41,530 --> 01:13:39,680

remote viewing program in the 1970s so

1979

01:13:45,580 --> 01:13:41,540

he knew the whole deal he worked with

1980

01:13:48,040 --> 01:13:45,590

Uri Geller and that's part of where does

1981

01:13:49,510 --> 01:13:48,050

that mansion I think it was Annie

1982

01:13:52,090 --> 01:13:49,520

Jacobson who writes about it in

1983

01:13:53,800 --> 01:13:52,100

phenomena and talked on Lynda house show

1984

01:13:55,870 --> 01:13:53,810

for 35 minutes about this whole thing

1985

01:13:58,300 --> 01:13:55,880

her interactions with KITT green and

1986

01:14:00,040 --> 01:13:58,310

hearing Nolan and all these guys and

1987

01:14:02,680 --> 01:14:00,050

what they told her and that was that

1988

01:14:05,140 --> 01:14:02,690

it's not just they're looking for this

1989

01:14:07,390 --> 01:14:05,150

DNA marker and it's not just

1990

01:14:09,190 --> 01:14:07,400

experiencers but it's also highly

1991

01:14:12,310 --> 01:14:09,200

psychic people so they've got uri geller

1992

01:14:13,620 --> 01:14:12,320

z-- DNA of course your Geller is

1993

01:14:15,730 --> 01:14:13,630

probably an experience here based upon

1994

01:14:18,910 --> 01:14:15,740

what he what he's been talking about

1995

01:14:21,250 --> 01:14:18,920

Ingo Swann Joe mcmoneagle all these guys

1996

01:14:24,670 --> 01:14:21,260

and they're they're stating that there's

1997

01:14:28,600 --> 01:14:24,680

this similar marker in all the weather

1998

01:14:30,640 --> 01:14:28,610

experiences or remote viewers so they

1999

01:14:32,530 --> 01:14:30,650

yeah it doesn't surprise me that they're

2000

01:14:34,570 --> 01:14:32,540

going to draw they're going to do all

2001

01:14:38,260 --> 01:14:34,580

these kind of remote viewing experiments

2002

01:14:40,450 --> 01:14:38,270

because the tape I heard that was

2003

01:14:42,010 --> 01:14:40,460

released and KITT green doesn't want to

2004

01:14:42,700 --> 01:14:42,020

comment legally you can't comment on it

2005

01:14:45,070 --> 01:14:42,710

because

2006

01:14:46,750 --> 01:14:45,080

there was the person whose they were

2007

01:14:48,910 --> 01:14:46,760

working with that released the tape

2008

01:14:51,310 --> 01:14:48,920

it wasn't did green that released the

2009

01:14:52,900 --> 01:14:51,320

tape so he can't comment on it but in

2010

01:14:54,340 --> 01:14:52,910

that one what they do is they give all

2011

01:14:55,900 --> 01:14:54,350

the various cause I've got all these

2012

01:15:00,610 --> 01:14:55,910

experiences when I first heard about

2013

01:15:02,650 --> 01:15:00,620

this in 2015 I heard about this thing it

2014

01:15:05,380 --> 01:15:02,660

was that kid green was working with

2015

01:15:07,060 --> 01:15:05,390

experiencers and that if you have two

2016

01:15:09,130 --> 01:15:07,070

percent of people in the general

2017

01:15:11,470 --> 01:15:09,140

population who are experiences you're

2018

01:15:13,060 --> 01:15:11,480

gonna have two percent of the high level

2019

01:15:15,070 --> 01:15:13,070

government officials who are also

2020

01:15:16,870 --> 01:15:15,080

experiences so you may have the Vice

2021

01:15:18,910 --> 01:15:16,880

President or the president come and say

2022

01:15:20,979 --> 01:15:18,920

you know last night I had this dream and

2023

01:15:22,270 --> 01:15:20,989

I was on this spacecraft on a thing and

2024

01:15:24,970 --> 01:15:22,280

there was these grey aliens and stuff

2025

01:15:26,650 --> 01:15:24,980

and when that happens they send this is

2026

01:15:28,630 --> 01:15:26,660

what I was told in 2015 they send you

2027

01:15:31,570 --> 01:15:28,640

two kid green and kid green is working

2028

01:15:33,850 --> 01:15:31,580

on a contract to the CIA and he's you

2029

01:15:36,400 --> 01:15:33,860

know a physiologist he's an expert on

2030

01:15:38,860 --> 01:15:36,410

MRIs he's an expert on brains and stuff

2031

01:15:41,010 --> 01:15:38,870

and so you send these people to get

2032

01:15:44,500 --> 01:15:41,020

green and he determines is the person

2033

01:15:47,740 --> 01:15:44,510

hallucinating as the person crazy or is

2034

01:15:49,479 --> 01:15:47,750

the person an abductee and because you

2035

01:15:51,040 --> 01:15:49,489

basically wanna know if or as the

2036

01:15:53,020 --> 01:15:51,050

Russians got him it did the Russians get

2037

01:15:56,290 --> 01:15:53,030

into this person's head so they send

2038

01:15:58,420 --> 01:15:56,300

these people so in in 2015 I was told he

2039

01:16:01,900 --> 01:15:58,430

had 40 people now the latest interview

2040

01:16:03,850 --> 01:16:01,910

that that Tom DeLonge did with Joe Rogan

2041

01:16:05,020 --> 01:16:03,860

said there's a couple hundred so look at

2042

01:16:07,180 --> 01:16:05,030

these people who have been injured but

2043

01:16:09,220 --> 01:16:07,190

also very highly psychic people and in

2044

01:16:11,170 --> 01:16:09,230

this tape that was released by one of

2045

01:16:12,820 --> 01:16:11,180

the the people that was in in the

2046

01:16:14,590 --> 01:16:12,830

experiment what they did is they gave

2047

01:16:16,750 --> 01:16:14,600

people target numbers so there was ear

2048

01:16:18,870 --> 01:16:16,760

zero one zero zero two and whatever and

2049

01:16:21,550 --> 01:16:18,880

then they would take remote viewers and

2050

01:16:23,410 --> 01:16:21,560

according to the what I was told the

2051
01:16:25,270 --> 01:16:23,420
remote viewer that there was a tumor or

2052
01:16:27,070 --> 01:16:25,280
user are using we're up to 90 percent

2053
01:16:29,260 --> 01:16:27,080
accurate on the material that they could

2054
01:16:30,490 --> 01:16:29,270
verify ninety-five percent accurate so

2055
01:16:31,930 --> 01:16:30,500
what they would do is they'd take the

2056
01:16:33,940 --> 01:16:31,940
remote viewer and they would give him

2057
01:16:35,770 --> 01:16:33,950
the target number of the experimenter and

2058
01:16:37,120 --> 01:16:35,780
they'd say okay tell us about this

2059
01:16:39,760 --> 01:16:37,130
person and then they would describe the

2060
01:16:41,110 --> 01:16:39,770
person and they would you verify how

2061
01:16:43,150 --> 01:16:41,120
much of that material and then they

2062
01:16:44,979 --> 01:16:43,160
would say okay so who are they who are

2063
01:16:46,240 --> 01:16:44,989

they interacting with and on the one

2064

01:16:47,800 --> 01:16:46,250

tape I know if you've heard this tape on

2065

01:16:49,690 --> 01:16:47,810

the one tape they're talking about this

2066

01:16:52,030 --> 01:16:49,700

portal they're dealing with this alien

2067

01:16:53,680 --> 01:16:52,040

species and there's a portal off the

2068

01:16:56,139 --> 01:16:53,690

coast of California and stuff just

2069

01:16:57,819 --> 01:16:56,149

really fascinating stuff and it's

2070

01:16:59,560 --> 01:16:57,829

it's kid green running this experiment

2071

01:17:01,779 --> 01:16:59,570

so this is that there on the sort of the

2072

01:17:05,379 --> 01:17:01,789

leading edge of trying to use remote

2073

01:17:06,790 --> 01:17:05,389

viewers to try to get material out of

2074

01:17:08,649 --> 01:17:06,800

this and that's what I said to people is

2075

01:17:10,949 --> 01:17:08,659

that the experiences are the key things

2076

01:17:13,959 --> 01:17:10,959

that if you look at the free information

2077

01:17:15,549 --> 01:17:13,969

42% of all experiences say they have

2078

01:17:17,529 --> 01:17:15,559

mathematical technical or scientific

2079

01:17:19,419 --> 01:17:17,539

material that's downloaded into their

2080

01:17:21,879 --> 01:17:19,429

head and that they didn't get in school

2081

01:17:23,169 --> 01:17:21,889

or that 40% of all experiences say at

2082

01:17:24,310 --> 01:17:23,179

one point during their experience they

2083

01:17:26,379 --> 01:17:24,320

knew the answer to everything in the

2084

01:17:27,639 --> 01:17:26,389

universe that to me is like why would

2085

01:17:28,810 --> 01:17:27,649

you not talk to these people you can put

2086

01:17:30,580 --> 01:17:28,820

them through lie detectors do whatever

2087

01:17:32,560 --> 01:17:30,590

you got to do but but talk to these

2088

01:17:34,000 --> 01:17:32,570

people these people may have the answer

2089

01:17:36,399 --> 01:17:34,010

in their heads why and they're walking

2090

01:17:38,199 --> 01:17:36,409

around so they're sort of on the leading

2091

01:17:41,199 --> 01:17:38,209

edge and a lot of that stuff

2092

01:17:42,489 --> 01:17:41,209

they're just experimenting and I feel

2093

01:17:44,350 --> 01:17:42,499

sorry for them because they're you know

2094

01:17:47,859 --> 01:17:44,360

they're they're trying to stay inside

2095

01:17:50,439 --> 01:17:47,869

the scientific world where this stuff is

2096

01:17:52,899 --> 01:17:50,449

all frowned upon and they're they've got

2097

01:17:53,679 --> 01:17:52,909

these people that that may have answers

2098

01:17:55,270 --> 01:17:53,689

in the head and they're trying to figure

2099

01:17:57,819 --> 01:17:55,280

out what's going on and it all comes

2100

01:18:01,869 --> 01:17:57,829

down to what I call the antenna and and

2101

01:18:04,540 --> 01:18:01,879

I gave a lecture which I guess Nolan saw

2102

01:18:06,639 --> 01:18:04,550

and Nolan made this comment that when it

2103

01:18:08,679 --> 01:18:06,649

comes to UFOs and ETS I'm dead on the

2104

01:18:11,020 --> 01:18:08,689

mark and I think what he's referring to

2105

01:18:12,729 --> 01:18:11,030

I'm not 100% sure is this idea of the

2106

01:18:16,509 --> 01:18:12,739

antenna that they say that all

2107

01:18:18,580 --> 01:18:16,519

experiencers have a brain pattern that

2108

01:18:20,830 --> 01:18:18,590

they refer to and this is Annie Jacobson

2109

01:18:22,709 --> 01:18:20,840

says this publicly in her interviews

2110

01:18:26,020 --> 01:18:22,719

with them it's called the antenna that

2111

01:18:28,330 --> 01:18:26,030

experiencers are in touch they are able

2112

01:18:31,119 --> 01:18:28,340

to tap into whatever this phenomena is

2113

01:18:32,679 --> 01:18:31,129

and so that's why you have people like

2114

01:18:34,659 --> 01:18:32,689

Chris Bledsoe who has very very

2115

01:18:35,859 --> 01:18:34,669

high-level people in all sorts of

2116

01:18:37,659 --> 01:18:35,869

government agencies following because he

2117

01:18:39,399 --> 01:18:37,669

has a very high level of contact and

2118

01:18:40,810 --> 01:18:39,409

they're basically it's the idea you

2119

01:18:42,699 --> 01:18:40,820

cannot control the phenomena kind of

2120

01:18:44,469 --> 01:18:42,709

measure it so you could you watch the

2121

01:18:46,629 --> 01:18:44,479

people that the phenomena is interacting

2122

01:18:48,879 --> 01:18:46,639

with how do they actually interact and

2123

01:18:51,129 --> 01:18:48,889

that's why john alexander showed up to

2124

01:18:52,839 --> 01:18:51,139

talk to chris Bledsoe and so when John

2125

01:18:54,549 --> 01:18:52,849

Alexander's with Chris Bledsoe and John

2126
01:18:56,229 --> 01:18:54,559
Alexander actually describes it as being

2127
01:18:57,969 --> 01:18:56,239
one of the most fascinating things he'd

2128
01:18:59,560 --> 01:18:57,979
ever seen there standing on the Cape

2129
01:19:02,409 --> 01:18:59,570
Fear River where the abduction

2130
01:19:04,839 --> 01:19:02,419
experience happened in 2007 with five

2131
01:19:07,629 --> 01:19:04,849
witnesses 14 UFOs five different types

2132
01:19:09,099 --> 01:19:07,639
of aliens and and he's describing what

2133
01:19:09,690 --> 01:19:09,109
happened and wherever he was and what

2134
01:19:11,940 --> 01:19:09,700
happened

2135
01:19:14,610 --> 01:19:11,950
and then suddenly Chris says to Johnny

2136
01:19:16,260 --> 01:19:14,620
said they're here you're here and John

2137
01:19:17,700 --> 01:19:16,270
says why do you know they're here I just

2138
01:19:19,680 --> 01:19:17,710

know I just know they're here you're

2139

01:19:21,330 --> 01:19:19,690

here they're round and then a couple

2140

01:19:23,250 --> 01:19:21,340

seconds later boom this UFO appears over

2141

01:19:25,080 --> 01:19:23,260

their head and goes flying off and John

2142

01:19:27,570 --> 01:19:25,090

is just blown away and that's the whole

2143

01:19:29,580 --> 01:19:27,580

thing is that these people it's Chris

2144

01:19:31,140 --> 01:19:29,590

described it to me as once once you're

2145

01:19:33,060 --> 01:19:31,150

inside the craft and you become one with

2146

01:19:35,310 --> 01:19:33,070

the craft the craft is alive you become

2147

01:19:36,990 --> 01:19:35,320

one with the craft then you vibrate like

2148

01:19:38,760 --> 01:19:37,000

the craft so when the craft is in the

2149

01:19:40,440 --> 01:19:38,770

area you can pick up the vibration of

2150

01:19:42,690 --> 01:19:40,450

the craft and that's the kind of stuff

2151
01:19:45,060 --> 01:19:42,700
where it's the leading-edge stuff where

2152
01:19:47,370 --> 01:19:45,070
you watch the experiences and it's this

2153
01:19:50,130 --> 01:19:47,380
idea of the antenna that you can

2154
01:19:53,490 --> 01:19:50,140
actually these people are antenna so I

2155
01:19:56,310 --> 01:19:53,500
would describe people like if you if

2156
01:19:58,740 --> 01:19:56,320
you've ever talked to Joe Berks who work

2157
01:20:00,240 --> 01:19:58,750
he was sort of one of the lead people

2158
01:20:02,880 --> 01:20:00,250
with Steven Greer when he first started

2159
01:20:05,670 --> 01:20:02,890
and Joe Berks talks about this Russian

2160
01:20:07,410 --> 01:20:05,680
guy in he's running the California sort

2161
01:20:10,290 --> 01:20:07,420
of group thief they're doing ce-5

2162
01:20:11,940 --> 01:20:10,300
protocols and so it's sort of working is

2163
01:20:15,510 --> 01:20:11,950

sort of not working and suddenly this

2164

01:20:18,120 --> 01:20:15,520

guy appears from Russia and and and and

2165

01:20:20,550 --> 01:20:18,130

he he said as soon as this guy appeared

2166

01:20:22,440 --> 01:20:20,560

boom they started having contact all the

2167

01:20:25,680 --> 01:20:22,450

time and this is this idea of the

2168

01:20:27,810 --> 01:20:25,690

antenna or the project Rama or the

2169

01:20:30,210 --> 01:20:27,820

mission Rama group which I've talked

2170

01:20:31,860 --> 01:20:30,220

about endlessly for the last year or the

2171

01:20:35,550 --> 01:20:31,870

most I say the best story I've seen in

2172

01:20:36,990 --> 01:20:35,560

42 years we're gonna get yeah they

2173

01:20:39,930 --> 01:20:37,000

actually have their people to actually

2174

01:20:42,300 --> 01:20:39,940

call them antennas and so when I was

2175

01:20:43,560 --> 01:20:42,310

fascinated when I heard that that that

2176

01:20:45,450 --> 01:20:43,570

the to the stars

2177

01:20:48,420 --> 01:20:45,460

this group was calling this thing

2178

01:20:50,790 --> 01:20:48,430

antennas and these people actually refer

2179

01:20:51,990 --> 01:20:50,800

to the people who are interacting with

2180

01:20:54,390 --> 01:20:52,000

the beings and they can actually tell

2181

01:20:56,340 --> 01:20:54,400

you when the craft will appear to the

2182

01:20:58,170 --> 01:20:56,350

minute so when I had my first experience

2183

01:20:59,820 --> 01:20:58,180

with this mission Rama when they said

2184

01:21:01,710 --> 01:20:59,830

933 and suddenly this thing appeared

2185

01:21:03,990 --> 01:21:01,720

over my head at 9:33 let me tell you I

2186

01:21:06,000 --> 01:21:04,000

was amazed I was like wow these these

2187

01:21:19,610 --> 01:21:06,010

antennas are really really good as the

2188

01:21:21,740 --> 01:21:19,620

same idea it's like they're able I

2189

01:21:24,040 --> 01:21:21,750

just to jump in really quick with a

2190

01:21:27,650 --> 01:21:24,050

quick question for you

2191

01:21:32,390 --> 01:21:27,660

one thing that's not coming from as far

2192

01:21:34,430 --> 01:21:32,400

as I know from the contactees is you

2193

01:21:38,180 --> 01:21:34,440

know any kind of a threat this isn't a

2194

01:21:42,170 --> 01:21:38,190

threatening thing yet when Elizondo or

2195

01:21:45,590 --> 01:21:42,180

mellon get on TV they are raising that

2196

01:21:48,980 --> 01:21:45,600

there they're waiving the threat flag so

2197

01:21:50,450 --> 01:21:48,990

obviously that's a strategy can you kind

2198

01:22:01,760 --> 01:21:50,460

of give us some insight into what the

2199

01:22:05,890 --> 01:22:01,770

thinking is there hello oh yeah yeah we

2200

01:22:12,380 --> 01:22:08,480

let's let's do this

2201

01:22:16,190 --> 01:22:12,390

let's end this and what's in the car now

2202

01:22:19,610 --> 01:22:16,200

you want to keep going then grant hello

2203

01:22:21,080 --> 01:22:19,620

yeah okay yeah let's say let's wrap it

2204

01:22:29,590 --> 01:22:21,090

up and let's say let's call you back

2205

01:22:48,810 --> 01:22:31,439

you

2206

01:22:59,980 --> 01:22:52,840

yeah that doesn't seem to be working

2207

01:22:59,990 --> 01:23:06,630

you

2208

01:23:15,960 --> 01:23:12,010

uh-huh James yeah yeah okay I think we

2209

01:23:20,110 --> 01:23:15,970

have lost grant oh thanks

2210

01:23:25,830 --> 01:23:20,120

they got I think we have grant you're

2211

01:23:33,070 --> 01:23:30,640

yeah let's try this one more time I'm

2212

01:23:42,580 --> 01:23:33,080

gonna hang up again we'll give it a

2213

01:23:42,590 --> 01:23:52,850

you

2214

01:23:57,570 --> 01:23:55,590

hello hello Frank

2215

01:24:04,680 --> 01:23:57,580

yep I'm still here and we're not getting

2216

01:24:08,700 --> 01:24:07,260

did you send a co-opting oh yeah I'm

2217

01:24:10,350 --> 01:24:08,710

calling him now yeah he's in the group

2218

01:24:20,490 --> 01:24:10,360

call oh my god I mean yeah let me end

2219

01:24:52,870 --> 01:24:24,089

you

2220

01:24:52,880 --> 01:25:02,140

oh yeah

2221

01:25:07,820 --> 01:25:04,750

[Music]

2222

01:25:07,830 --> 01:25:12,140

hello

2223

01:25:21,030 --> 01:25:13,929

[Music]

2224

01:25:21,040 --> 01:25:32,160

a gret I cannot hear you again

2225

01:25:32,170 --> 01:25:36,560

hello Frank yeah

2226

01:25:41,090 --> 01:25:38,120

we're still missing grant yeah we're

2227

01:25:42,650 --> 01:25:41,100

still missing grant ah man

2228

01:25:52,910 --> 01:25:42,660

and that's weird to lose service just

2229

01:25:55,040 --> 01:25:52,920

like that okay got this nope

2230

01:25:57,350 --> 01:25:55,050

I mean yeah let me try grant one more

2231

01:26:07,920 --> 01:25:57,360

time all right you're still on the line

2232

01:26:07,930 --> 01:26:11,720

okay

2233

01:26:11,730 --> 01:26:19,290

think

2234

01:26:19,300 --> 01:26:40,570

let me let me end this call

2235

01:26:40,580 --> 01:26:47,979

you

2236

01:26:47,989 --> 01:26:59,070

I think we might lost them

2237

01:27:06,299 --> 01:27:02,170

[Music]

2238

01:27:12,149 --> 01:27:08,600

Oh grant

2239

01:27:14,879 --> 01:27:12,159

I cannot hear you

2240

01:27:18,089 --> 01:27:14,889

had James in just fine so I'm not sure

2241

01:27:19,649 --> 01:27:18,099

what the problem is but I can't hear you

2242

01:27:35,410 --> 01:27:19,659

at all I'm not sure if you can hear me

2243

01:27:35,420 --> 01:27:42,460

hello

2244

01:27:48,670 --> 01:27:44,740

we've got a connection but I'm not

2245

01:27:48,680 --> 01:27:56,700

oh yeah

2246

01:27:56,710 --> 01:28:10,459

you

2247

01:28:33,920 --> 01:28:12,410

come on

2248

01:28:33,930 --> 01:28:42,229

you

2249

01:28:42,239 --> 01:28:46,080

we'll give this one more shot

2250

01:29:04,699 --> 01:28:50,070

we did cover a lot of ground in about an

2251

01:29:04,709 --> 01:29:15,959

Oh

2252

01:29:22,920 --> 01:29:19,580

hello Frankie there yeah I'm here

2253

01:29:27,479 --> 01:29:22,930

grant he tried to reload Skype three

2254

01:29:29,100 --> 01:29:27,489

times he just emailed me okay I don't

2255

01:29:31,770 --> 01:29:29,110

know what the what the connection issue

2256

01:29:34,290 --> 01:29:31,780

is I'm not sure either but we did cover

2257

01:29:36,209 --> 01:29:34,300

an awful lot of ground we've run a good

2258

01:29:41,790 --> 01:29:36,219

hour and a half okay hang on let me give

2259

01:29:42,840 --> 01:29:41,800

it these calling in grant yes oh you're

2260

01:29:45,630 --> 01:29:42,850

back you're back

2261

01:29:48,990 --> 01:29:45,640

reboot the computer I was like oh my I

2262

01:29:51,630 --> 01:29:49,000

try restarted Skype three times and it

2263

01:29:54,900 --> 01:29:51,640

still had the delay and so okay so let

2264

01:29:58,200 --> 01:29:54,910

me they don't like the talk of antennas

2265

01:30:01,110 --> 01:29:58,210

I guess I guess not okay here now let's

2266

01:30:09,010 --> 01:30:01,120

see let me try to get James back in here

2267

01:30:17,959 --> 01:30:14,990

okay see if we can get James in

2268

01:30:20,060 --> 01:30:17,969

hopefully we can uh yeah when we started

2269

01:30:24,110 --> 01:30:20,070

breaking up what I was leading up to is

2270

01:30:25,790 --> 01:30:24,120

if you've got any thoughts on the sort

2271

01:30:29,209 --> 01:30:25,800

of the the disconnect between what the

2272

01:30:31,760 --> 01:30:29,219

contactees are saying and what Elizondo

2273

01:30:36,979 --> 01:30:31,770

and Mellon are saying regarding a threat

2274

01:30:39,229 --> 01:30:36,989

when they go on these TV interviews yeah

2275

01:30:43,370 --> 01:30:39,239

I can talk about that yep well yeah

2276

01:30:48,650 --> 01:30:43,380

we're we're on okay I just have to add

2277

01:30:50,600 --> 01:30:48,660

James okay yeah you want to wait till

2278

01:30:52,700 --> 01:30:50,610

James comes on you want me talk no go

2279

01:30:55,880 --> 01:30:52,710

ahead we've already taken enough of a

2280

01:30:59,720 --> 01:30:55,890

break here I want to okay yeah basically

2281

01:31:03,380 --> 01:30:59,730

what it comes down to is if you want to

2282

01:31:06,650 --> 01:31:03,390

finance a UFO program the only people

2283

01:31:07,790 --> 01:31:06,660

that have got any money is the military

2284

01:31:11,479 --> 01:31:07,800

and the only way you're going to get it

2285

01:31:14,150 --> 01:31:11,489

financed is to couch it as a threat

2286

01:31:15,800 --> 01:31:14,160

because if you say okay we think there's

2287

01:31:17,540 --> 01:31:15,810

some aliens and they're kind of

2288

01:31:20,000 --> 01:31:17,550

interesting and we'd like to you know

2289

01:31:21,290 --> 01:31:20,010

curious whatever no you know what it's

2290

01:31:22,550 --> 01:31:21,300

like nobody in the government wants

2291

01:31:26,000 --> 01:31:22,560

anything to do with this at all so

2292

01:31:28,520 --> 01:31:26,010

that's why you have to make it look like

2293

01:31:31,490 --> 01:31:28,530

it's a threat cuz you gotta sell it you

2294

01:31:33,350 --> 01:31:31,500

sell it with fear you say we got to like

2295

01:31:35,300 --> 01:31:33,360

as Reid says you got to get it before

2296

01:31:36,920 --> 01:31:35,310

the Russians and the Chinese there may

2297

01:31:38,660 --> 01:31:36,930

be technology there and they're gonna

2298

01:31:41,120 --> 01:31:38,670

come and they're going to blow us up

2299

01:31:43,070 --> 01:31:41,130

with UFO technology if we don't take it

2300

01:31:46,010 --> 01:31:43,080

that's the same way they sold the remote

2301
01:31:50,600 --> 01:31:46,020
viewing program in the 1970s because it

2302
01:31:53,000 --> 01:31:50,610
was a you know the edge topic that no

2303
01:31:54,860 --> 01:31:53,010
scientist wanted to touch he would ruin

2304
01:31:57,320 --> 01:31:54,870
your career and so they said you know

2305
01:31:59,209 --> 01:31:57,330
the Russians are working on this they're

2306
01:32:00,709 --> 01:31:59,219
able to you know hypnotize people in

2307
01:32:02,930 --> 01:32:00,719
banks and take the money and all this

2308
01:32:05,180 --> 01:32:02,940
kind of stuff and unless we work on this

2309
01:32:06,740 --> 01:32:05,190
I mean the Russians big bad Russians

2310
01:32:08,240 --> 01:32:06,750
could come in and you know destroy us

2311
01:32:09,770 --> 01:32:08,250
and so that's the way you sell the

2312
01:32:11,330 --> 01:32:09,780
program so I don't think they believed

2313
01:32:14,510 --> 01:32:11,340

it because I think the Louella Xander

2314

01:32:16,189 --> 01:32:14,520

was even asked you know is there a

2315

01:32:17,450 --> 01:32:16,199

threat you're calling it a threat is

2316

01:32:19,340 --> 01:32:17,460

there a threat and then he tells this

2317

01:32:21,470 --> 01:32:19,350

story about well you know you lock your

2318

01:32:22,670 --> 01:32:21,480

door at night and it doesn't mean that

2319

01:32:23,870 --> 01:32:22,680

you're gonna get broken in

2320

01:32:26,000 --> 01:32:23,880

- and then suddenly you find out there's

2321

01:32:28,460 --> 01:32:26,010

footprints in in the living room it

2322

01:32:29,540 --> 01:32:28,470

doesn't mean that they're bad but you

2323

01:32:31,250 --> 01:32:29,550

gotta find out whether it's footprints

2324

01:32:33,290 --> 01:32:31,260

in your in your living room when you

2325

01:32:35,300 --> 01:32:33,300

lock the door at night and so that's

2326

01:32:37,460 --> 01:32:35,310

there just to me they're just we're

2327

01:32:39,230 --> 01:32:37,470

selling the program by presenting as a

2328

01:32:40,550 --> 01:32:39,240

threat because otherwise you're not

2329

01:32:42,620 --> 01:32:40,560

gonna get any money you're not gonna get

2330

01:32:45,320 --> 01:32:42,630

any funding from anybody got it so it's

2331

01:32:47,120 --> 01:32:45,330

just a sales job do you know if any of

2332

01:32:49,610 --> 01:32:47,130

the folks involved in the other rama

2333

01:32:50,750 --> 01:32:49,620

group or the the zen drous group i don't

2334

01:32:52,820 --> 01:32:50,760

know if that's two different groups or

2335

01:32:56,630 --> 01:32:52,830

not do you know if they were a part of

2336

01:32:59,150 --> 01:32:56,640

any of the contactee studies no and in

2337

01:33:01,400 --> 01:32:59,160

fact they don't even they was one of

2338

01:33:02,960 --> 01:33:01,410

them sort of sort of wanted me to back

2339

01:33:05,540 --> 01:33:02,970

off the bed and because I'm sort of

2340

01:33:07,490 --> 01:33:05,550

dragging the two together and they have

2341

01:33:10,250 --> 01:33:07,500

they have a lot of a sort of a religious

2342

01:33:13,100 --> 01:33:10,260

message that goes along with their

2343

01:33:15,860 --> 01:33:13,110

experiences whatever and to me I you

2344

01:33:17,570 --> 01:33:15,870

know that's sort of like a filter idea

2345

01:33:19,430 --> 01:33:17,580

that you you've got some impression as

2346

01:33:20,780 --> 01:33:19,440

to what you think's going on stuff I'm

2347

01:33:22,370 --> 01:33:20,790

really not that interested I'm just

2348

01:33:26,330 --> 01:33:22,380

interested in this very bizarre

2349

01:33:28,460 --> 01:33:26,340

connection between that both are calling

2350

01:33:31,220 --> 01:33:28,470

them antennas and the same principle

2351

01:33:34,370 --> 01:33:31,230

that when you get a high level

2352

01:33:38,720 --> 01:33:34,380

experience or who a lot of stuff happens

2353

01:33:40,010 --> 01:33:38,730

around it's it's advantageous to to

2354

01:33:42,070 --> 01:33:40,020

investigate them and that's what the

2355

01:33:44,930 --> 01:33:42,080

that's what this program is doing with

2356

01:33:46,700 --> 01:33:44,940

with to the Stars this sort of teach

2357

01:33:49,070 --> 01:33:46,710

secret program I don't know if you've

2358

01:33:51,530 --> 01:33:49,080

even picked up on Rama I I only knew

2359

01:33:54,800 --> 01:33:51,540

about this project Rama as of last

2360

01:33:57,830 --> 01:33:54,810

August and before then as I tell the

2361

01:34:00,530 --> 01:33:57,840

story I mean I my book Charlie red star

2362

01:34:02,210 --> 01:34:00,540

I've been optioned for a movie and I had

2363

01:34:03,830 --> 01:34:02,220

no interest they wanted to they were

2364

01:34:06,260 --> 01:34:03,840

gonna try to sell the Rama story with my

2365

01:34:08,000 --> 01:34:06,270

book and I said well I don't you pay

2366

01:34:09,560 --> 01:34:08,010

your option of the movie I'm not

2367

01:34:12,920 --> 01:34:09,570

interested in this stupid group of

2368

01:34:15,500 --> 01:34:12,930

contactees and so go to mountains and

2369

01:34:18,020 --> 01:34:15,510

stuff and so I wasn't really interested

2370

01:34:20,930 --> 01:34:18,030

it wasn't until I got this message going

2371

01:34:23,210 --> 01:34:20,940

across the Las Vegas the Nevada desert

2372

01:34:25,340 --> 01:34:23,220

from his alien that said there was gonna

2373

01:34:28,430 --> 01:34:25,350

be a program sighting on Saturday night

2374

01:34:30,200 --> 01:34:28,440

and then these two antennas that needs

2375

01:34:33,590 --> 01:34:30,210

other people inside the group each group

2376

01:34:35,450 --> 01:34:33,600

has an antenna person who makes the

2377

01:34:36,439 --> 01:34:35,460

contact and does this automatic writing

2378

01:34:39,350 --> 01:34:36,449

thing

2379

01:34:41,660 --> 01:34:39,360

and when this PhD psychologist trained

2380

01:34:44,330 --> 01:34:41,670

at Columbia University showing me the

2381

01:34:47,060 --> 01:34:44,340

message that said 2133 and this thing

2382

01:34:48,979 --> 01:34:47,070

happened at 21 33 I mean I was just

2383

01:34:50,839 --> 01:34:48,989

blown away I went like wow we got a we

2384

01:34:53,540 --> 01:34:50,849

got a we got to investigate these people

2385

01:34:56,029 --> 01:34:53,550

man this is something that and because

2386

01:34:57,140 --> 01:34:56,039

it was all in Spanish nobody in the

2387

01:34:59,989 --> 01:34:57,150

english-speaking world really knows

2388

01:35:02,209 --> 01:34:59,999

about these people and so I am so my

2389

01:35:04,459 --> 01:35:02,219

role as getting their message out that

2390

01:35:06,589 --> 01:35:04,469

there are these people who I mean you

2391

01:35:08,540 --> 01:35:06,599

see I call it the c5 on steroids

2392

01:35:10,549 --> 01:35:08,550

I mean c5 you set up some lights and you

2393

01:35:11,779 --> 01:35:10,559

music and all this kind of stuff and you

2394

01:35:13,580 --> 01:35:11,789

sort of cross your fingers and hope

2395

01:35:15,500 --> 01:35:13,590

something will show up these people can

2396

01:35:17,330 --> 01:35:15,510

actually tell you like to the minute and

2397

01:35:18,350 --> 01:35:17,340

they'll tell you if there's Endre is

2398

01:35:22,069 --> 01:35:18,360

gonna be open these interdimensional

2399

01:35:24,199 --> 01:35:22,079

portals I was just blown away I mean the

2400

01:35:26,930 --> 01:35:24,209

one other event that happened across the

2401

01:35:30,379 --> 01:35:26,940

road where we were was this Enrique

2402

01:35:32,149 --> 01:35:30,389

Villanueva and he's he was not an

2403

01:35:36,739 --> 01:35:32,159

antenna when he started but he now he's

2404

01:35:38,810 --> 01:35:36,749

an antenna and he draws this this thing

2405

01:35:40,969 --> 01:35:38,820

that appears in a crop circle two days

2406

01:35:45,049 --> 01:35:40,979

later and I'm like wow it's like a

2407

01:35:46,640 --> 01:35:45,059

really complex structure that he had

2408

01:35:48,770 --> 01:35:46,650

drawn two days before that thing

2409

01:35:49,969 --> 01:35:48,780

appeared in in England and I was just

2410

01:35:51,919 --> 01:35:49,979

blown away I said this is the most

2411

01:35:54,140 --> 01:35:51,929

amazing story I've ever seen because it

2412

01:35:55,310 --> 01:35:54,150

it dealt with the fact that because we

2413

01:35:56,449 --> 01:35:55,320

always had the problem in the UFO thing

2414

01:35:58,640 --> 01:35:56,459

is how do you how do you actually deal

2415

01:36:00,080 --> 01:35:58,650

with the phenomena how do you verify it

2416

01:36:03,259 --> 01:36:00,090

how do you actually know what's going on

2417

01:36:05,660 --> 01:36:03,269

and the way I see it after dealing with

2418

01:36:08,149 --> 01:36:05,670

Rama and after following this to the

2419

01:36:10,520 --> 01:36:08,159

Stars thing is the only way you can do

2420

01:36:12,709 --> 01:36:10,530

it is through experiences that these

2421

01:36:13,939 --> 01:36:12,719

deaths your only hope is that maybe

2422

01:36:16,069 --> 01:36:13,949

these people are telling the truth

2423

01:36:18,469 --> 01:36:16,079

maybe some of them actually do have

2424

01:36:20,479 --> 01:36:18,479

interactions and contacts with the

2425

01:36:22,430 --> 01:36:20,489

beings and you can go through them to

2426

01:36:24,919 --> 01:36:22,440

find out what's going on otherwise the

2427

01:36:28,430 --> 01:36:24,929

videos you can not going to get you

2428

01:36:29,930 --> 01:36:28,440

anywhere the reports theoretical ideas

2429

01:36:31,729 --> 01:36:29,940

about space travel aren't gonna get you

2430

01:36:34,069 --> 01:36:31,739

anywhere even the middle I remember the

2431

01:36:36,439 --> 01:36:34,079

Canadian government in the early fifties

2432

01:36:37,430 --> 01:36:36,449

when I first started I was investigating

2433

01:36:39,410 --> 01:36:37,440

with the Canadian government knew in the

2434

01:36:41,810 --> 01:36:39,420

early 1950s and the Canadian government

2435

01:36:43,939 --> 01:36:41,820

clearly the the guy stated there was all

2436

01:36:46,669 --> 01:36:43,949

sorts of material coming to Canada from

2437

01:36:48,199 --> 01:36:46,679

the US Air Force and we're not the new

2438

01:36:50,330 --> 01:36:48,209

SFR she said it wasn't coming from US

2439

01:36:52,430 --> 01:36:50,340

Air Force it was coming from

2440

01:36:54,140 --> 01:36:52,440

official sources and it was up to you to

2441

01:36:56,470 --> 01:36:54,150

figure out where it was but the US Air

2442

01:36:59,210 --> 01:36:56,480

Force did not control the hardware and

2443

01:37:01,850 --> 01:36:59,220

the the the Wilbur Smith who was running

2444

01:37:04,070 --> 01:37:01,860

the program said that there was a place

2445

01:37:06,260 --> 01:37:04,080

in the Pentagon that had all this

2446

01:37:07,520 --> 01:37:06,270

hardware in it and then I guess it moved

2447

01:37:08,690 --> 01:37:07,530

to wright-patterson and then it moved

2448

01:37:11,510 --> 01:37:08,700

here area 51

2449

01:37:12,980 --> 01:37:11,520

but when I asked the metallurgist I said

2450

01:37:15,770 --> 01:37:12,990

how much of this material did you handle

2451

01:37:19,400 --> 01:37:15,780

in 1950s he said tons of it and his son

2452

01:37:21,200 --> 01:37:19,410

described blue cars military cars

2453

01:37:22,970 --> 01:37:21,210

dropping off stuff that was being

2454

01:37:25,160 --> 01:37:22,980

analyzed and stuff like that and even

2455

01:37:26,540 --> 01:37:25,170

then Wilbur Smith at one point said it

2456

01:37:28,460 --> 01:37:26,550

might as well be in the fourth dimension

2457

01:37:30,140 --> 01:37:28,470

for what it's worth because in the end

2458

01:37:31,910 --> 01:37:30,150

even with the metal stuff you can tell

2459

01:37:33,920 --> 01:37:31,920

some stuff but it really doesn't give me

2460

01:37:35,330 --> 01:37:33,930

the full idea it's not until you

2461

01:37:38,540 --> 01:37:35,340

interact with someone like Chris

2462

01:37:39,980 --> 01:37:38,550

Bludso's who definitely is in contact

2463

01:37:43,340 --> 01:37:39,990

with something there's it's happening

2464

01:37:45,800 --> 01:37:43,350

even last Friday he sent me he sent me

2465

01:37:47,450 --> 01:37:45,810

some photos and Jim semi van was with

2466

01:37:48,890 --> 01:37:47,460

him when he took these photos of this

2467

01:37:50,360 --> 01:37:48,900

famous tree and I won't get into the

2468

01:37:53,660 --> 01:37:50,370

tree his famous tree that's on this

2469

01:37:57,020 --> 01:37:53,670

property and with this sort of looks

2470

01:38:01,820 --> 01:37:57,030

like a real clearly defined sort of myth

2471

01:38:04,250 --> 01:38:01,830

smoke going around the tree and then on

2472

01:38:06,470 --> 01:38:04,260

Good Friday he said I got this I got

2473

01:38:08,360 --> 01:38:06,480

this I they told me to come outside and

2474

01:38:10,940 --> 01:38:08,370

he goes outside he films this this

2475

01:38:12,890 --> 01:38:10,950

object flying around and now that's the

2476

01:38:15,500 --> 01:38:12,900

kind of stuff that experiencers will say

2477

01:38:16,910 --> 01:38:15,510

is I'm watching this movie and I

2478

01:38:19,940 --> 01:38:16,920

suddenly get the ID I should go outside

2479

01:38:21,560 --> 01:38:19,950

in and was star watch and they walk out

2480

01:38:23,930 --> 01:38:21,570

and this UFO is there and that's this

2481

01:38:25,000 --> 01:38:23,940

idea that there are people I firmly

2482

01:38:27,830 --> 01:38:25,010

believe there are people who actually

2483

01:38:30,110 --> 01:38:27,840

are in contact with whatever this

2484

01:38:31,850 --> 01:38:30,120

phenomena is and you have to look at

2485

01:38:33,830 --> 01:38:31,860

them and you have to use them and that's

2486

01:38:36,530 --> 01:38:33,840

what the to the stars group is doing is

2487

01:38:38,390 --> 01:38:36,540

they're finding different ways to try to

2488

01:38:42,350 --> 01:38:38,400

interact I've even heard the story that

2489

01:38:44,060 --> 01:38:42,360

they're gonna set up like a I know would

2490

01:38:46,190 --> 01:38:44,070

you call it like a bait thing where the

2491

01:38:47,810 --> 01:38:46,200

person is going to try to they move the

2492

01:38:49,670 --> 01:38:47,820

person into a controlled environment can

2493

01:38:51,800 --> 01:38:49,680

you bring the phenomena in and make the

2494

01:38:54,290 --> 01:38:51,810

phenomena appear so they're on the very

2495

01:38:56,690 --> 01:38:54,300

leading edge of trying to see where can

2496

01:38:58,190 --> 01:38:56,700

we go with this thing which is I give

2497

01:39:00,200 --> 01:38:58,200

them every amount of credit because

2498

01:39:01,250 --> 01:39:00,210

majority of people will say how do you

2499

01:39:02,690 --> 01:39:01,260

know they're telling the truth is how

2500

01:39:03,660 --> 01:39:02,700

you know whatever let me go back to

2501

01:39:09,180 --> 01:39:03,670

watching

2502

01:39:10,770 --> 01:39:09,190

the best chance we've got and you're

2503

01:39:12,450 --> 01:39:10,780

actually going to go out and get

2504

01:39:14,910 --> 01:39:12,460

hands-on yourself a little bit later

2505

01:39:16,979 --> 01:39:14,920

this year with one of these groups well

2506

01:39:20,010 --> 01:39:16,989

yeah there's two groups there's one

2507

01:39:22,080 --> 01:39:20,020

that's going up on Mount Shasta they

2508

01:39:26,370 --> 01:39:22,090

have these there's about five of these

2509

01:39:27,810 --> 01:39:26,380

major contactee guys these probably

2510

01:39:30,300 --> 01:39:27,820

they're all trained trained in project

2511

01:39:31,770 --> 01:39:30,310

Rama some of them aren't part of Rama

2512

01:39:35,400 --> 01:39:31,780

anymore but they still have the

2513

01:39:38,729 --> 01:39:35,410

protocols one is Enrique Villanueva out

2514

01:39:41,760 --> 01:39:38,739
of LA and he has an event on the August

2515

01:39:44,790 --> 01:39:41,770
long weekend I may have trouble going to

2516

01:39:46,290 --> 01:39:44,800
that one because and he had more stuff

2517

01:39:48,120 --> 01:39:46,300
going on than we did I mean some of the

2518

01:39:51,600 --> 01:39:48,130
stuff that he had a 908 event

2519

01:39:52,950 --> 01:39:51,610
ours was 933 he had the the message at

2520

01:39:54,270 --> 01:39:52,960
908 there was gonna be event and he had

2521

01:39:55,860 --> 01:39:54,280
actual aliens at 9:08

2522

01:39:59,400 --> 01:39:55,870
looked up in these aliens were standing

2523

01:40:03,090 --> 01:39:59,410
there and so he has an event on the

2524

01:40:05,340 --> 01:40:03,100
August first weekend in August but then

2525

01:40:07,350 --> 01:40:05,350
when I talked to him in LA last week or

2526

01:40:09,660 --> 01:40:07,360

week before he said well he wanted to be

2527

01:40:11,550 --> 01:40:09,670

a because we were I got a fly in and

2528

01:40:14,550 --> 01:40:11,560

it's pretty hard to fly in there either

2529

01:40:16,350 --> 01:40:14,560

travel three days by car each way or I

2530

01:40:18,150 --> 01:40:16,360

fly in but you can't really flame with

2531

01:40:21,330 --> 01:40:18,160

camping equipment and these people all

2532

01:40:22,380 --> 01:40:21,340

these it's all Latino people his is an

2533

01:40:24,240 --> 01:40:22,390

English speaking group but it's mostly

2534

01:40:27,150 --> 01:40:24,250

Latino people that show up from around

2535

01:40:29,070 --> 01:40:27,160

the world and they camp and it's like

2536

01:40:31,140 --> 01:40:29,080

freezing cold up there and I would have

2537

01:40:34,410 --> 01:40:31,150

to bring in all this you know sort of

2538

01:40:36,390 --> 01:40:34,420

winter gear and tents and this kind of

2539

01:40:37,979 --> 01:40:36,400

stuff for these nighttime things cuz he

2540

01:40:39,930 --> 01:40:37,989

doesn't want people staying down at the

2541

01:40:41,939 --> 01:40:39,940

at the bottom of the mountain in the

2542

01:40:44,459 --> 01:40:41,949

town so I may not go to that but

2543

01:40:47,189 --> 01:40:44,469

definitely September the 8th a guy by

2544

01:40:48,870 --> 01:40:47,199

name Ricardo Gonzalez and he's the guy

2545

01:40:51,450 --> 01:40:48,880

that was running the event where I was

2546

01:40:53,520 --> 01:40:51,460

where there was like 150 people where

2547

01:40:55,260 --> 01:40:53,530

this 9:33 event happened where this

2548

01:40:58,350 --> 01:40:55,270

thing starts flashing over my head and

2549

01:41:00,090 --> 01:40:58,360

he's on September the 8th I'll be going

2550

01:41:02,100 --> 01:41:00,100

to that one for sure it'll be a lot

2551

01:41:04,140 --> 01:41:02,110

colder because it's it's nice during the

2552

01:41:06,419 --> 01:41:04,150

day but it gets very cold at the night

2553

01:41:08,729 --> 01:41:06,429

because what what happened is and the

2554

01:41:12,209 --> 01:41:08,739

important part is is that these guys are

2555

01:41:13,680 --> 01:41:12,219

able to open these the beings from time

2556

01:41:16,140 --> 01:41:13,690

to time will open what are called Zen

2557

01:41:17,820 --> 01:41:16,150

Duras and in the english-speaking world

2558

01:41:19,920 --> 01:41:17,830

we call it portal so I could listen to

2559

01:41:21,810 --> 01:41:19,930

Pandolfi and that whole camp they're

2560

01:41:24,000 --> 01:41:21,820

talking about portals to talk about you

2561

01:41:26,370 --> 01:41:24,010

know this experiment that supposedly

2562

01:41:28,860 --> 01:41:26,380

happened in Salt Lake City yesterday

2563

01:41:31,020 --> 01:41:28,870

with Joe firmage the Joe firmage has

2564

01:41:33,230 --> 01:41:31,030

been involved in this Joe for images an

2565

01:41:35,880 --> 01:41:33,240

experienced or high-level or a big

2566

01:41:38,460 --> 01:41:35,890

business guy you know built three

2567

01:41:41,820 --> 01:41:38,470

billion dollar computer company who gets

2568

01:41:43,620 --> 01:41:41,830

this being appear in his room and starts

2569

01:41:45,510 --> 01:41:43,630

talking about spaceflight and he says

2570

01:41:47,190 --> 01:41:45,520

you I'm willing to die for this suddenly

2571

01:41:50,070 --> 01:41:47,200

quits this company start spending all

2572

01:41:51,960 --> 01:41:50,080

his money on building a portal he's a

2573

01:41:53,460 --> 01:41:51,970

Mormon guy and one of the stories was

2574

01:41:55,260 --> 01:41:53,470

he's building this portal tomb arm in

2575

01:41:57,900 --> 01:41:55,270

heaven and he's trying to get this off

2576

01:42:01,170 --> 01:41:57,910

world thing and as of yesterday there's

2577

01:42:02,880 --> 01:42:01,180

an experiment that he was running and

2578

01:42:05,910 --> 01:42:02,890

Ron started leaked this stuff out on

2579

01:42:08,550 --> 01:42:05,920

open minds forum last week and the story

2580

01:42:11,190 --> 01:42:08,560

is that the experiment was run yesterday

2581

01:42:12,840 --> 01:42:11,200

and that there was people from all

2582

01:42:16,470 --> 01:42:12,850

around the world who'd come in there and

2583

01:42:19,350 --> 01:42:16,480

if you go to Joe firm ages face book

2584

01:42:21,780 --> 01:42:19,360

enough Facebook his YouTube page there's

2585

01:42:23,250 --> 01:42:21,790

an item on there in one of the V's only

2586

01:42:26,820 --> 01:42:23,260

got about six videos one of the videos

2587

01:42:28,770 --> 01:42:26,830

shows this it looks like a cage with a

2588

01:42:30,780 --> 01:42:28,780

spinning object on the inside of it and

2589

01:42:33,180 --> 01:42:30,790

this is the experiment that apparently

2590

01:42:35,930 --> 01:42:33,190

they've perfected they have got this

2591

01:42:39,150 --> 01:42:35,940

thing operational and there's a former

2592

01:42:41,490 --> 01:42:39,160

Republican congressman by name of Dan

2593

01:42:44,150 --> 01:42:41,500

Merritt who has put four million dollars

2594

01:42:49,380 --> 01:42:44,160

into this so Dan Merritt is the chairman

2595

01:42:52,050 --> 01:42:49,390

and there's Kevin Alber is the CEO and

2596

01:42:54,870 --> 01:42:52,060

then there's Joe firmage and they were

2597

01:42:56,370 --> 01:42:54,880

gonna run this thing yesterday to see if

2598

01:42:57,720 --> 01:42:56,380

it ah if it operated all these people

2599

01:43:01,350 --> 01:42:57,730

from around the world had flown in there

2600

01:43:04,230 --> 01:43:01,360

and then next week Ron Pandolfi his wife

2601
01:43:05,790 --> 01:43:04,240
Dan Smith and I guess the whole crew are

2602
01:43:08,280 --> 01:43:05,800
going to the mountain they're going to

2603
01:43:10,140 --> 01:43:08,290
Colorado and I know where they're going

2604
01:43:12,600 --> 01:43:10,150
but this is this this whole deal so

2605
01:43:14,910 --> 01:43:12,610
they're talking portals and I've talked

2606
01:43:16,860 --> 01:43:14,920
to people and they say no it's not a

2607
01:43:18,450 --> 01:43:16,870
portal it's this anti-gravity device

2608
01:43:21,270 --> 01:43:18,460
that he's that he's created that they

2609
01:43:22,920 --> 01:43:21,280
can maybe mass-produce and yet dan is

2610
01:43:23,910 --> 01:43:22,930
still talking about portals so the

2611
01:43:25,950 --> 01:43:23,920
english-speaking world they talk about

2612
01:43:28,590 --> 01:43:25,960
portals but the product the project

2613
01:43:30,630 --> 01:43:28,600

Ramar the mission Rama people have these

2614

01:43:31,740 --> 01:43:30,640

things that are actually on video they

2615

01:43:33,510 --> 01:43:31,750

actually videos of them

2616

01:43:35,280 --> 01:43:33,520

have photographs and they're called

2617

01:43:37,830 --> 01:43:35,290

xendrius and they are like

2618

01:43:39,630 --> 01:43:37,840

interdimensional bubbles that the the

2619

01:43:43,230 --> 01:43:39,640

beings create this interdimensional

2620

01:43:45,000 --> 01:43:43,240

bubble and you go into the bubble seven

2621

01:43:47,880 --> 01:43:45,010

at a time seven people are allowed into

2622

01:43:48,570 --> 01:43:47,890

it and you can either pop into another

2623

01:43:51,030 --> 01:43:48,580

world

2624

01:43:52,140 --> 01:43:51,040

so you're on another planet or you're in

2625

01:43:54,990 --> 01:43:52,150

this sort of thing where you're

2626

01:43:57,770 --> 01:43:55,000

interacting mentally with a message is

2627

01:44:02,190 --> 01:43:57,780

coming to you from an alien and in 2014

2628

01:44:04,230 --> 01:44:02,200

2015 at Mount Shasta where I was when

2629

01:44:06,810 --> 01:44:04,240

this event happened to me in August of

2630

01:44:10,500 --> 01:44:06,820

last year I heard that they had opened

2631

01:44:12,330 --> 01:44:10,510

these Endres in 2014 2015 and that paula

2632

01:44:15,390 --> 01:44:12,340

Harris who's a good friend of mine has

2633

01:44:17,130 --> 01:44:15,400

been in both xendrius so I when when I

2634

01:44:19,830 --> 01:44:17,140

got sort of fascinated with this whole

2635

01:44:21,930 --> 01:44:19,840

thing that they could make this UFO

2636

01:44:25,290 --> 01:44:21,940

flyby at exactly to the minute they said

2637

01:44:27,030 --> 01:44:25,300

I said the pollow I said can you take me

2638

01:44:29,760 --> 01:44:27,040

and show me where this they opened is

2639

01:44:31,650 --> 01:44:29,770

endre so she tells me she did we go

2640

01:44:35,850 --> 01:44:31,660

across this field to where Enrique's

2641

01:44:37,140 --> 01:44:35,860

group would be was working and she tells

2642

01:44:40,200 --> 01:44:37,150

me there's twenty two minute thing and I

2643

01:44:41,910 --> 01:44:40,210

put it on on YouTube she describes where

2644

01:44:42,720 --> 01:44:41,920

she is there's seven people they're

2645

01:44:45,120 --> 01:44:42,730

holding hands

2646

01:44:47,100 --> 01:44:45,130

just white bluish fog is coming off the

2647

01:44:49,470 --> 01:44:47,110

ground lighting up this completely dark

2648

01:44:50,700 --> 01:44:49,480

there's no moon or anything it's up on

2649

01:44:52,770 --> 01:44:50,710

the side of the mountain completely dark

2650

01:44:54,960 --> 01:44:52,780

is bluish white fog is coming up

2651
01:44:56,460 --> 01:44:54,970
lighting up the ground and they walk

2652
01:44:57,750 --> 01:44:56,470
through this fog and then they're told

2653
01:44:59,910 --> 01:44:57,760
as soon as you get through the fog let

2654
01:45:02,190 --> 01:44:59,920
go and they let go and there's this nine

2655
01:45:03,870 --> 01:45:02,200
to ten foot being standing there with a

2656
01:45:06,090 --> 01:45:03,880
with a hoodie on everybody describes the

2657
01:45:07,830 --> 01:45:06,100
same thing with this hoodie on and he's

2658
01:45:09,540 --> 01:45:07,840
got a very stern look on his face and

2659
01:45:12,720 --> 01:45:09,550
he's got this white sort of hair down to

2660
01:45:16,530 --> 01:45:12,730
his shoulders and he's got he's built

2661
01:45:19,920 --> 01:45:16,540
like a like a swimmer very muscular very

2662
01:45:21,060 --> 01:45:19,930
tight sort of bicycle suit on every

2663
01:45:23,160 --> 01:45:21,070

describing the same thing I was just

2664

01:45:25,380 --> 01:45:23,170

fascinated and then she said so so this

2665

01:45:27,630 --> 01:45:25,390

would be like a like a tall white man if

2666

01:45:30,180 --> 01:45:27,640

you know we have some of the the the

2667

01:45:33,300 --> 01:45:30,190

different descriptions that have been

2668

01:45:35,850 --> 01:45:33,310

floating around Oh white very human

2669

01:45:37,740 --> 01:45:35,860

looking yeah in fact very beauty the the

2670

01:45:41,040 --> 01:45:37,750

female is described as being very

2671

01:45:43,770 --> 01:45:41,050

beautiful he's very very the almost like

2672

01:45:45,119 --> 01:45:43,780

sculptured like the faces no flaws in

2673

01:45:46,770 --> 01:45:45,129

the face and

2674

01:45:48,359 --> 01:45:46,780

and when she said to me she said well

2675

01:45:51,719 --> 01:45:48,369

most of the people that were in the Zen

2676

01:45:53,549 --> 01:45:51,729

dress because in 2014-2015 both years

2677

01:45:55,649 --> 01:45:53,559

they had like nine or ten witnesses

2678

01:45:57,629 --> 01:45:55,659

either on the edge of the Zender or in

2679

01:46:00,119 --> 01:45:57,639

the Zandra and i'm going like wow this

2680

01:46:02,250 --> 01:46:00,129

is this t5 this is not you know

2681

01:46:04,169 --> 01:46:02,260

something that you know one person saw

2682

01:46:06,419 --> 01:46:04,179

or some sighting in the sky this is

2683

01:46:08,759 --> 01:46:06,429

actual where you can actually verify and

2684

01:46:10,229 --> 01:46:08,769

I said well let's go can can we

2685

01:46:12,209 --> 01:46:10,239

interview these people and we go and

2686

01:46:13,919 --> 01:46:12,219

never like scattering like rats I mean

2687

01:46:15,270 --> 01:46:13,929

they're they're all sitting in a sort of

2688

01:46:17,699 --> 01:46:15,280

a group because they've both sort of

2689

01:46:19,979 --> 01:46:17,709

follow these like Ricardo we'll have

2690

01:46:23,040 --> 01:46:19,989

these people go that he'll be in in

2691

01:46:26,879 --> 01:46:23,050

Spain or he'll be in Peru or he'll be in

2692

01:46:28,139 --> 01:46:26,889

Chile or in in in Russia and these

2693

01:46:30,359 --> 01:46:28,149

people sort of follow him around these

2694

01:46:31,500 --> 01:46:30,369

people are you know following him around

2695

01:46:35,189 --> 01:46:31,510

because they're doing these meditations

2696

01:46:37,979 --> 01:46:35,199

for rural peace and so these people are

2697

01:46:40,229 --> 01:46:37,989

all sort of together and I got about

2698

01:46:41,790 --> 01:46:40,239

maybe six of them on camera some of them

2699

01:46:43,439 --> 01:46:41,800

didn't want to go on camera because of

2700

01:46:45,029 --> 01:46:43,449

their English and stuff and basically

2701

01:46:48,119 --> 01:46:45,039

they all told the same story I said okay

2702

01:46:49,979 --> 01:46:48,129

so you were in this Xandra yeah and they

2703

01:46:51,599 --> 01:46:49,989

couldn't speak English very well and

2704

01:46:53,969 --> 01:46:51,609

they would say yeah and what do you do

2705

01:46:55,739 --> 01:46:53,979

oh I'm a housekeeper or I'm a gardener I

2706

01:46:57,719 --> 01:46:55,749

mean they just ordinary people and so

2707

01:47:01,020 --> 01:46:57,729

what you see oh there was this guy was

2708

01:47:02,549 --> 01:47:01,030

about ten feet tall and he had this long

2709

01:47:04,919 --> 01:47:02,559

white hair and he looked like he was in

2710

01:47:06,359 --> 01:47:04,929

a bicycle suit and he had this very

2711

01:47:07,709 --> 01:47:06,369

stern look understand everybody was

2712

01:47:09,750 --> 01:47:07,719

saying the same thing I go next person

2713

01:47:12,149 --> 01:47:09,760

did you see it oh yeah yeah I saw it you

2714

01:47:13,919 --> 01:47:12,159

know and it was I was just floored that

2715

01:47:16,139 --> 01:47:13,929

you actually had this sort of thing so

2716

01:47:17,369 --> 01:47:16,149

they they didn't open as Endre when I

2717

01:47:18,659 --> 01:47:17,379

was there because that's what they said

2718

01:47:20,909 --> 01:47:18,669

there would be a programme sighting and

2719

01:47:22,439 --> 01:47:20,919

I knew that it had these endres so I

2720

01:47:23,520 --> 01:47:22,449

thought holy cow maybe they'd open one

2721

01:47:25,319 --> 01:47:23,530

of these Enders I am I actually gonna

2722

01:47:27,149 --> 01:47:25,329

actually see an alien because I've you

2723

01:47:29,369 --> 01:47:27,159

know I've seen UFOs but I've never seen

2724

01:47:31,589 --> 01:47:29,379

anything like that so that's why I'm

2725

01:47:33,419 --> 01:47:31,599

going back is because they may open one

2726

01:47:35,040 --> 01:47:33,429

of these these endres now they all say

2727

01:47:36,359 --> 01:47:35,050

to me well it's you know it's not about

2728

01:47:38,189 --> 01:47:36,369

the circus and I say well yeah I just

2729

01:47:39,959 --> 01:47:38,199

want the circus because I'm sort of

2730

01:47:42,029 --> 01:47:39,969

turning it into the circus I say yeah it

2731

01:47:43,560 --> 01:47:42,039

is a circus I say take a look at Jesus

2732

01:47:45,899 --> 01:47:43,570

Christ I mean if Jesus Christ had walked

2733

01:47:47,669 --> 01:47:45,909

on water healed people you know fed

2734

01:47:49,049 --> 01:47:47,679

5,000 people with a couple of fish and a

2735

01:47:50,639 --> 01:47:49,059

couple of bread you never would have

2736

01:47:51,750 --> 01:47:50,649

heard of the guy you need the circus

2737

01:47:54,779 --> 01:47:51,760

that's what they're doing they're doing

2738

01:47:56,669 --> 01:47:54,789

the circus like so so you see a UFO why

2739

01:47:58,589 --> 01:47:56,679

do you always have lights on them so you

2740

01:47:58,830 --> 01:47:58,599

can see them they want you to see them

2741

01:48:00,300 --> 01:47:58,840

when

2742

01:48:02,459 --> 01:48:00,310

you see a UFO you're part of the game

2743

01:48:03,810 --> 01:48:02,469

because when they do abductions you

2744

01:48:05,550 --> 01:48:03,820

don't see them they can cloak themselves

2745

01:48:07,050 --> 01:48:05,560

whenever they want so when you see them

2746

01:48:09,510 --> 01:48:07,060

they want you to see them this is a

2747

01:48:12,270 --> 01:48:09,520

circus they're trying to drag you in and

2748

01:48:14,280 --> 01:48:12,280

when you have the experience then you're

2749

01:48:16,770 --> 01:48:14,290

hooked then you're there messenger you

2750

01:48:18,330 --> 01:48:16,780

know putting the message so yes it is a

2751

01:48:19,740 --> 01:48:18,340

circus and so they're trying to try to

2752

01:48:20,939 --> 01:48:19,750

back me off and say oh it's about the

2753

01:48:22,500 --> 01:48:20,949

meditation and some of the people that

2754

01:48:23,879 --> 01:48:22,510

are actually saying that actually left

2755

01:48:24,750 --> 01:48:23,889

Saturday night after the event the

2756

01:48:26,129 --> 01:48:24,760

Sunday morning they were still

2757

01:48:28,800 --> 01:48:26,139

meditating and these people laughing

2758

01:48:30,270 --> 01:48:28,810

okay you know if it says circus and if

2759

01:48:31,470 --> 01:48:30,280

it's a meditation for world peace like

2760

01:48:33,770 --> 01:48:31,480

where did you go Sunday morning you

2761

01:48:37,140 --> 01:48:33,780

weren't even there you took off you know

2762

01:48:38,790 --> 01:48:37,150

a lot of people go there and to me it's

2763

01:48:41,310 --> 01:48:38,800

like and it's a long trip for me it's

2764

01:48:43,770 --> 01:48:41,320

like 40 hours each way but for me just

2765

01:48:46,410 --> 01:48:43,780

the chance that one of these Enders may

2766

01:48:48,419 --> 01:48:46,420

open up I mean cuz I haven't seen much

2767

01:48:50,220 --> 01:48:48,429

paranormal stuff in my life I would just

2768

01:48:51,419 --> 01:48:50,230

I'll go there every year just for the

2769

01:48:53,129 --> 01:48:51,429

hope that some one of these things will

2770

01:48:55,740 --> 01:48:53,139

do it because these guys can open them

2771

01:48:59,490 --> 01:48:55,750

and and I started looking at events cuz

2772

01:49:01,500 --> 01:48:59,500

I'm doing a book on this and went once I

2773

01:49:04,020 --> 01:49:01,510

found out the Zen resort couldn't Mount

2774

01:49:05,760 --> 01:49:04,030

Shasta in 14 and 15 then I found out

2775

01:49:07,200 --> 01:49:05,770

they had opened one in 2008 only one

2776

01:49:09,930 --> 01:49:07,210

person went through it then I found out

2777

01:49:12,450 --> 01:49:09,940

there was one in near Mount Shasta in

2778

01:49:18,660 --> 01:49:12,460

1994 where 50 people went through and

2779

01:49:22,530 --> 01:49:18,670

the one guy's name is Joe his name he's

2780

01:49:24,330 --> 01:49:22,540

a 747 United Airlines pilot and I talked

2781

01:49:26,129 --> 01:49:24,340

to Joe Burks I said well would he go on

2782

01:49:28,080 --> 01:49:26,139

would he go on camera about this and he

2783

01:49:30,000 --> 01:49:28,090

said yeah thinking what so I'm gonna

2784

01:49:31,830 --> 01:49:30,010

interview this guy and he there was 49

2785

01:49:33,120 --> 01:49:31,840

people went through that Xandra there's

2786

01:49:37,399 --> 01:49:33,130

one you can actually look up on the

2787

01:49:38,810 --> 01:49:37,409

internet if you google search world's

2788

01:49:43,740 --> 01:49:38,820

world

2789

01:49:46,080 --> 01:49:43,750

ramaa conference uruguay 2009 Xandra

2790

01:49:47,399 --> 01:49:46,090

it'll pop up there's a video on the

2791

01:49:49,140 --> 01:49:47,409

internet this thing was there for two

2792

01:49:51,629 --> 01:49:49,150

days so we have lots of photos of these

2793

01:49:54,990 --> 01:49:51,639

these interdimensional things when they

2794

01:49:57,720 --> 01:49:55,000

appear and that 125 people went through

2795

01:49:59,820 --> 01:49:57,730

that Xandra and so I'm thinking like wow

2796

01:50:02,280 --> 01:49:59,830

I mean this is the most amazing story of

2797

01:50:03,689 --> 01:50:02,290

all these things were piles of these

2798

01:50:05,010 --> 01:50:03,699

people go through and then to interview

2799

01:50:06,870 --> 01:50:05,020

these people and say okay you were in

2800

01:50:08,339 --> 01:50:06,880

this thing what happened because it's

2801

01:50:11,790 --> 01:50:08,349

it's it's almost like a controllable

2802

01:50:12,750 --> 01:50:11,800

event if you go to enough events you're

2803

01:50:14,160 --> 01:50:12,760

going to be there one

2804

01:50:16,050 --> 01:50:14,170

these things actually opens up but they

2805

01:50:17,970 --> 01:50:16,060

still are into the thing about you know

2806

01:50:19,770 --> 01:50:17,980

there's this religious message and it's

2807

01:50:22,380 --> 01:50:19,780

about world peace and stuff and yeah

2808

01:50:26,730 --> 01:50:22,390

maybe about that but you know to me it's

2809

01:50:31,770 --> 01:50:26,740

it's still partly about the circus James

2810

01:50:35,990 --> 01:50:31,780

I think you're back with us correct okay

2811

01:50:39,120 --> 01:50:36,000

yes the and I had a question about well

2812

01:50:41,280 --> 01:50:39,130

getting invested is endres and the

2813

01:50:45,990 --> 01:50:41,290

antennas that's what dr. Joe Burke's had

2814

01:50:48,330 --> 01:50:46,000

called prime contactees which actually

2815

01:50:50,610 --> 01:50:48,340

probably dr. Steven Greer started off as

2816

01:50:54,960 --> 01:50:50,620

is when he had that event in Florida

2817

01:51:01,320 --> 01:50:54,970

that attracted the at that Beach during

2818

01:51:04,380 --> 01:51:01,330

that UFO flaps yeah but the the antennas

2819

01:51:06,060 --> 01:51:04,390

now you said Enrique said that and Rick

2820

01:51:07,740 --> 01:51:06,070

Yvonne would wave I said he didn't start

2821

01:51:11,190 --> 01:51:07,750

off as an antenna but he became one

2822

01:51:17,400 --> 01:51:11,200

right so one of the questions that I had

2823

01:51:21,360 --> 01:51:17,410

was if you know becoming an experienced

2824

01:51:23,220 --> 01:51:21,370

or having an experience or opens you up

2825

01:51:25,920 --> 01:51:23,230

to becoming an antenna by having a

2826
01:51:30,890 --> 01:51:25,930
sighting and and that maybe augments

2827
01:51:34,860 --> 01:51:30,900
people's psychic abilities yeah yeah it

2828
01:51:36,420 --> 01:51:34,870
somehow has to do with I think with the

2829
01:51:40,230 --> 01:51:36,430
interaction like when Chris Basso tells

2830
01:51:42,120 --> 01:51:40,240
me once you've been in the craft and

2831
01:51:44,430 --> 01:51:42,130
touched the craft to flight like who

2832
01:51:46,350 --> 01:51:44,440
flew the craft then you know when

2833
01:51:49,230 --> 01:51:46,360
they're around and it's this sort of and

2834
01:51:50,670 --> 01:51:49,240
so Steven Greer his whole thing starts

2835
01:51:52,800 --> 01:51:50,680
he has a sighting at eight years old and

2836
01:51:54,090 --> 01:51:52,810
then he's taken on board the craft when

2837
01:51:55,260 --> 01:51:54,100
he's eight eighteen years old and he

2838
01:51:58,050 --> 01:51:55,270

says it's not an abduction but it's

2839

01:51:59,850 --> 01:51:58,060

still the same thing you you sort of

2840

01:52:01,830 --> 01:51:59,860

like when you interact with it then it's

2841

01:52:04,110 --> 01:52:01,840

almost like you pick up or they teach

2842

01:52:06,870 --> 01:52:04,120

you like a lot of the experiences we'll

2843

01:52:10,440 --> 01:52:06,880

talk about being kids sitting in a room

2844

01:52:11,820 --> 01:52:10,450

and they they can't look up they can see

2845

01:52:14,130 --> 01:52:11,830

there's a being there but they can't see

2846

01:52:16,020 --> 01:52:14,140

the beings Edie I did have had a couple

2847

01:52:18,210 --> 01:52:16,030

to describe this and the kids are being

2848

01:52:20,550 --> 01:52:18,220

taught to levitate three different types

2849

01:52:23,010 --> 01:52:20,560

three different color balls one is very

2850

01:52:24,510 --> 01:52:23,020

easy one is sort of hard and one is very

2851
01:52:26,580 --> 01:52:24,520
very hard and they're teaching these

2852
01:52:28,860 --> 01:52:26,590
kids to levitate or the me laps

2853
01:52:30,330 --> 01:52:28,870
we'll talk about people they're out

2854
01:52:31,890 --> 01:52:30,340
there trying to find out what's their

2855
01:52:34,350 --> 01:52:31,900
psychic ability

2856
01:52:37,110 --> 01:52:34,360
can they levitate stuff can they operate

2857
01:52:39,140 --> 01:52:37,120
pieces of craft stuff like that so it's

2858
01:52:42,480 --> 01:52:39,150
once you interact with the craft so

2859
01:52:44,550 --> 01:52:42,490
Enrique may not have I'm just guessing

2860
01:52:47,580 --> 01:52:44,560
how he became an antenna because when he

2861
01:52:49,980 --> 01:52:47,590
first had it he was he had had some

2862
01:52:50,910 --> 01:52:49,990
sightings but he had not been on on a

2863
01:52:52,800 --> 01:52:50,920

craft or anything

2864

01:52:54,780 --> 01:52:52,810

and that's when he describes the thing

2865

01:52:56,430 --> 01:52:54,790

where he practices the automatic writing

2866

01:52:58,980 --> 01:52:56,440

nothing happens for three days and then

2867

01:53:01,200 --> 01:52:58,990

this being his standing there on the

2868

01:53:02,930 --> 01:53:01,210

third day and he said so you're gonna

2869

01:53:05,010 --> 01:53:02,940

dictate something to me and it's crazy

2870

01:53:07,380 --> 01:53:05,020

I'm ready and he said you're not the

2871

01:53:09,840 --> 01:53:07,390

antenna huh and then he goes back to his

2872

01:53:10,890 --> 01:53:09,850

group and that his group won't even

2873

01:53:12,930 --> 01:53:10,900

believe he won't believe this is the

2874

01:53:14,310 --> 01:53:12,940

story and he said the antenna will be

2875

01:53:16,500 --> 01:53:14,320

given to you it's already been chosen

2876

01:53:17,970 --> 01:53:16,510

and the one guy who wasn't at the

2877

01:53:19,950 --> 01:53:17,980

meeting when he backed went back to the

2878

01:53:22,380 --> 01:53:19,960

group the Rama group they was part of

2879

01:53:25,670 --> 01:53:22,390

the guy was missing and then the guy

2880

01:53:27,720 --> 01:53:25,680

came up and he said the guy was so so

2881

01:53:30,300 --> 01:53:27,730

into it that he was writing on napkins

2882

01:53:31,920 --> 01:53:30,310

and so I became the antenna but then he

2883

01:53:33,330 --> 01:53:31,930

started to have these encounters we

2884

01:53:35,460 --> 01:53:33,340

actually went on board the ship and that

2885

01:53:36,990 --> 01:53:35,470

baby when he became the antenna there

2886

01:53:38,610 --> 01:53:37,000

seems to be some sort of thing that when

2887

01:53:40,770 --> 01:53:38,620

you have the interaction with the beings

2888

01:53:42,120 --> 01:53:40,780

and that's the whole key is the people

2889

01:53:43,800 --> 01:53:42,130

who there are experiences that have

2890

01:53:47,160 --> 01:53:43,810

interacted with the being not one people

2891

01:53:48,960 --> 01:53:47,170

maybe a seen UFOs like I've seen UFOs

2892

01:53:51,060 --> 01:53:48,970

but I haven't had any sort of

2893

01:53:52,470 --> 01:53:51,070

interaction or ever actually interacted

2894

01:53:54,390 --> 01:53:52,480

with a being but once you've interacted

2895

01:53:56,550 --> 01:53:54,400

with the being then you become like this

2896

01:54:00,030 --> 01:53:56,560

experience or thing and then you form

2897

01:54:01,530 --> 01:54:00,040

this antenna pattern in the brain or it

2898

01:54:03,780 --> 01:54:01,540

may be there already that these people

2899

01:54:05,400 --> 01:54:03,790

are already chosen and then once they

2900

01:54:07,380 --> 01:54:05,410

interact with the craft it activates

2901

01:54:08,880 --> 01:54:07,390

this brain pattern and that's I guess

2902

01:54:11,130 --> 01:54:08,890

what they're trying to figure out is is

2903

01:54:12,900 --> 01:54:11,140

there something unique and from what

2904

01:54:15,260 --> 01:54:12,910

I've been told yes there is something

2905

01:54:17,310 --> 01:54:15,270

unique about the brain pattern of all

2906

01:54:17,760 --> 01:54:17,320

experiences and so we can actually

2907

01:54:19,800 --> 01:54:17,770

verify

2908

01:54:22,470 --> 01:54:19,810

somebody says they're an experiencer we

2909

01:54:23,670 --> 01:54:22,480

say okay we'll run a test and you send

2910

01:54:24,990 --> 01:54:23,680

the test and they'll tell you whether

2911

01:54:26,040 --> 01:54:25,000

you're actually an experiencer or

2912

01:54:27,720 --> 01:54:26,050

whether you just think you're an

2913

01:54:30,360 --> 01:54:27,730

experiencer you can actually find this

2914

01:54:33,330 --> 01:54:30,370

DNA marker and this brain pattern that

2915

01:54:34,770 --> 01:54:33,340

that is is reproducible and it can

2916

01:54:36,420 --> 01:54:34,780

actually prove to the scientific world

2917

01:54:38,610 --> 01:54:36,430

that these people aren't just people

2918

01:54:42,210 --> 01:54:38,620

making up stories

2919

01:54:44,540 --> 01:54:42,220

and as far as the contact DS go aside

2920

01:54:47,370 --> 01:54:44,550

from the message that you've been

2921

01:54:49,650 --> 01:54:47,380

hammering away on we're all connected

2922

01:54:51,870 --> 01:54:49,660

love is the answer

2923

01:54:54,920 --> 01:54:51,880

stuff that we probably shouldn't need eg

2924

01:54:57,000 --> 01:54:54,930

to tell us about is there anything else

2925

01:55:01,410 --> 01:54:57,010

consistent coming through any kind of a

2926
01:55:03,150 --> 01:55:01,420
message pattern beyond that well there's

2927
01:55:04,560 --> 01:55:03,160
the environmental message that most of

2928
01:55:06,780 --> 01:55:04,570
them get now some people are sort of

2929
01:55:08,760 --> 01:55:06,790
there's a dispute as to whether this is

2930
01:55:11,010 --> 01:55:08,770
actually an environmental message or

2931
01:55:12,480 --> 01:55:11,020
whether it's just testing fear powders

2932
01:55:16,110 --> 01:55:12,490
because they're they're very interested

2933
01:55:17,850 --> 01:55:16,120
in in the emotion of fear because they

2934
01:55:20,700 --> 01:55:17,860
don't seem to have it and fear is at a

2935
01:55:23,190 --> 01:55:20,710
left-brain emotion so one of the stories

2936
01:55:24,930 --> 01:55:23,200
was that all the implants were on the

2937
01:55:27,660 --> 01:55:24,940
right side of the body that was the

2938
01:55:29,040 --> 01:55:27,670

story I was told that Lear had said and

2939

01:55:30,480 --> 01:55:29,050

some people are disputing I've talked to

2940

01:55:32,460 --> 01:55:30,490

all the people that do abduction stuff

2941

01:55:34,230 --> 01:55:32,470

and that's the if it's on the right side

2942

01:55:36,840 --> 01:55:34,240

of the body then they're influencing the

2943

01:55:38,370 --> 01:55:36,850

right brain which is your non-local

2944

01:55:39,540 --> 01:55:38,380

brain your left brain rational

2945

01:55:43,560 --> 01:55:39,550

analytical brain is the one that's

2946

01:55:51,150 --> 01:55:43,570

basically shutting you out and that so

2947

01:55:55,260 --> 01:55:51,160

you have this pattern that is is

2948

01:56:01,410 --> 01:55:55,270

indicative of of the of the of the

2949

01:56:05,180 --> 01:56:01,420

contact okay we're coming up on two

2950

01:56:08,010 --> 01:56:05,190

hours despite the other the half time

2951
01:56:11,340 --> 01:56:08,020
difficulty do you have anything more for

2952
01:56:13,500 --> 01:56:11,350
grant James I know that's about it I

2953
01:56:16,380 --> 01:56:13,510
think I want to have grant down again it

2954
01:56:18,030 --> 01:56:16,390
possible he's open to that cuz we can go

2955
01:56:20,400 --> 01:56:18,040
off on a whole nother thing with the the

2956
01:56:23,250 --> 01:56:20,410
experiencers and rama and those Enders

2957
01:56:25,800 --> 01:56:23,260
because grass you might know I've been

2958
01:56:29,850 --> 01:56:25,810
involved in c-five for probably over a

2959
01:56:32,460 --> 01:56:29,860
decade yeah and and the the the antennas

2960
01:56:36,000 --> 01:56:32,470
that you talk about uh there's quite a

2961
01:56:40,500 --> 01:56:36,010
few of them within the c5 yeah I think

2962
01:56:42,090 --> 01:56:40,510
Joe Berks refers them as something has a

2963
01:56:43,620 --> 01:56:42,100

different name for so ever he's using

2964

01:56:45,060 --> 01:56:43,630

different names it's all this it's the

2965

01:56:47,550 --> 01:56:45,070

same principle that's where I was so

2966

01:56:49,620 --> 01:56:47,560

surprised that to the Stars was using

2967

01:56:52,320 --> 01:56:49,630

the actual antenna but it's you're not

2968

01:56:54,120 --> 01:56:52,330

yeah did you say it's an antenna pattern

2969

01:56:55,500 --> 01:56:54,130

but every is describing the same thing

2970

01:56:57,930 --> 01:56:55,510

so I I actually wrote a book called

2971

01:57:00,210 --> 01:56:57,940

inspired which is the paranormal world

2972

01:57:02,640 --> 01:57:00,220

of creativity where I go through all the

2973

01:57:05,400 --> 01:57:02,650

different like savants through musicians

2974

01:57:06,840 --> 01:57:05,410

artists people who write books and I

2975

01:57:08,640 --> 01:57:06,850

talked about these downloads things

2976

01:57:10,110 --> 01:57:08,650

where people get books downloaded in a

2977

01:57:11,970 --> 01:57:10,120

second it's the same thing it's this

2978

01:57:14,820 --> 01:57:11,980

antenna thing it's the ability to

2979

01:57:16,800 --> 01:57:14,830

disassociate from the left brain and tap

2980

01:57:18,840 --> 01:57:16,810

in to this phenomena this phenomena is

2981

01:57:20,820 --> 01:57:18,850

just beyond the physical world it's in

2982

01:57:22,740 --> 01:57:20,830

some sort of everything is consciousness

2983

01:57:24,930 --> 01:57:22,750

is a higher level and these people is

2984

01:57:28,380 --> 01:57:24,940

just the ability to dissociate so

2985

01:57:30,450 --> 01:57:28,390

antenna disassociation almost like a

2986

01:57:31,650 --> 01:57:30,460

medium you know you disassociate from

2987

01:57:32,850 --> 01:57:31,660

the physical world and suddenly you're

2988

01:57:34,320 --> 01:57:32,860

talking to your grandmother dead

2989

01:57:36,420 --> 01:57:34,330

grandmother and stuff like that it's

2990

01:57:38,730 --> 01:57:36,430

it's a basic principle that there's more

2991

01:57:41,130 --> 01:57:38,740

to the world in the physical world I've

2992

01:57:42,570 --> 01:57:41,140

got I've got one final question for you

2993

01:57:44,070 --> 01:57:42,580

if James if you've got something else

2994

01:57:46,260 --> 01:57:44,080

obviously I think grant will make the

2995

01:57:47,760 --> 01:57:46,270

time but my final question is let's say

2996

01:57:50,880 --> 01:57:47,770

somebody is listening to this and they

2997

01:57:52,680 --> 01:57:50,890

say to themselves I think this contact

2998

01:57:56,580 --> 01:57:52,690

stuff I think this is interesting I want

2999

01:57:58,680 --> 01:57:56,590

to give it a shot myself or maybe I want

3000

01:58:01,320 --> 01:57:58,690

to write the next great song the next

3001
01:58:03,750 --> 01:58:01,330
hit song that everybody sings as far as

3002
01:58:05,370 --> 01:58:03,760
creativity do you have any tips for some

3003
01:58:07,830 --> 01:58:05,380
of these people some things that they

3004
01:58:11,070 --> 01:58:07,840
might want to try out to help take their

3005
01:58:12,240 --> 01:58:11,080
game to the next level well there's lots

3006
01:58:14,250 --> 01:58:12,250
of different techniques that are used

3007
01:58:19,410 --> 01:58:14,260
there's pain

3008
01:58:21,500 --> 01:58:19,420
drumming psychedelics all these things

3009
01:58:24,030 --> 01:58:21,510
that that that shut down the ego-mind

3010
01:58:26,520 --> 01:58:24,040
meditation I say the number one that

3011
01:58:29,280 --> 01:58:26,530
people have to use is meditation you got

3012
01:58:33,990 --> 01:58:29,290
to shut your your talking brain down

3013
01:58:36,720 --> 01:58:34,000

your ego mind and learn to disassociate

3014

01:58:41,640 --> 01:58:36,730

there's piles of ways that people have

3015

01:58:43,500 --> 01:58:41,650

used to disassociate you know and so

3016

01:58:46,110 --> 01:58:43,510

once once you do that then you can pop

3017

01:58:48,930 --> 01:58:46,120

in but I think a lot of it is is natural

3018

01:58:51,630 --> 01:58:48,940

ability like musicians like I just wrote

3019

01:58:53,970 --> 01:58:51,640

this book called tuned in the paranormal

3020

01:58:56,460 --> 01:58:53,980

world of creative musicians and it's

3021

01:58:58,140 --> 01:58:56,470

like so many musicians are into UFOs and

3022

01:59:01,050 --> 01:58:58,150

and they've had download experiences

3023

01:59:03,090 --> 01:59:01,060

they're you know been on board ships and

3024

01:59:05,060 --> 01:59:03,100

stuff like that and so I think in a lot

3025

01:59:07,240 --> 01:59:05,070

of ways it's a natural thing that

3026

01:59:09,700 --> 01:59:07,250

musician

3027

01:59:11,890 --> 01:59:09,710

create artistic people are just more

3028

01:59:15,610 --> 01:59:11,900

right brained creative that's where when

3029

01:59:17,050 --> 01:59:15,620

they asked Roger Leir about the all the

3030

01:59:18,700 --> 01:59:17,060

people that he'd done the implants what

3031

01:59:21,240 --> 01:59:18,710

was the common thing with all these

3032

01:59:24,760 --> 01:59:21,250

people and he said they're all creative

3033

01:59:26,740 --> 01:59:24,770

they're all creative people and all

3034

01:59:28,660 --> 01:59:26,750

implants on the left side of the body

3035

01:59:30,370 --> 01:59:28,670

and this is this idea and he said

3036

01:59:33,160 --> 01:59:30,380

there's piles these people in Hollywood

3037

01:59:35,290 --> 01:59:33,170

so it's almost like because I know I I

3038

01:59:36,940 --> 01:59:35,300

did people say well you know there's all

3039

01:59:39,310 --> 01:59:36,950

sorts of experiences but I know I did a

3040

01:59:43,510 --> 01:59:39,320

thing for golfers I did a big thing at a

3041

01:59:45,340 --> 01:59:43,520

golf Country Club in in Scottsdale and I

3042

01:59:47,830 --> 01:59:45,350

was looking for a UFO experimenter who

3043

01:59:49,390 --> 01:59:47,840

was a golfer or somebody at a UFO said I

3044

01:59:52,990 --> 01:59:49,400

could not find a single one but if you

3045

01:59:55,090 --> 01:59:53,000

if you take musician and UFO put it into

3046

01:59:56,860 --> 01:59:55,100

a Google search your computer will start

3047

01:59:58,750 --> 01:59:56,870

on fire it's just unbelievable so I

3048

02:00:00,610 --> 01:59:58,760

think in some ways it's a natural

3049

02:00:03,130 --> 02:00:00,620

ability that people have almost like the

3050

02:00:05,230 --> 02:00:03,140

the mistake we make is is it one lifers

3051

02:00:07,270 --> 02:00:05,240

at multiple lives if it's reincarnation

3052

02:00:09,070 --> 02:00:07,280

it's multiple lives to hold UFO field

3053

02:00:11,560 --> 02:00:09,080

changes that a lot of these people are

3054

02:00:13,060 --> 02:00:11,570

coming into this world to have these

3055

02:00:15,070 --> 02:00:13,070

experiences that they already have the

3056

02:00:16,840 --> 02:00:15,080

ability when they come in and one of the

3057

02:00:18,790 --> 02:00:16,850

stories I had heard about the DNA marker

3058

02:00:21,160 --> 02:00:18,800

is it is there from birth I have not

3059

02:00:23,800 --> 02:00:21,170

confirmed that but if that is true then

3060

02:00:25,810 --> 02:00:23,810

it is an ability that you have when you

3061

02:00:27,310 --> 02:00:25,820

come in here and you may have planned to

3062

02:00:28,810 --> 02:00:27,320

have that ability you've you've planned

3063

02:00:31,780 --> 02:00:28,820

to be an experienced or you've planned

3064

02:00:35,560 --> 02:00:31,790

to have you know do this or whatever you

3065

02:00:40,750 --> 02:00:35,570

you came in to do god James you have

3066

02:00:48,730 --> 02:00:40,760

anything else just just one one more

3067

02:00:51,580 --> 02:00:48,740

question since you wrote unreleased

3068

02:00:53,590 --> 02:00:51,590

managing magic have there been any any

3069

02:00:55,360 --> 02:00:53,600

big revisions that you had because I

3070

02:00:56,680 --> 02:00:55,370

know you're coming out with the new few

3071

02:00:59,860 --> 02:00:56,690

new books one on those Enders but

3072

02:01:02,170 --> 02:00:59,870

another one concerning that I'm actually

3073

02:01:05,020 --> 02:01:02,180

not really no the only thing that I have

3074

02:01:08,410 --> 02:01:05,030

to change is Jim some even said I was

3075

02:01:10,300 --> 02:01:08,420

80% accurate and there was minor details

3076

02:01:11,320 --> 02:01:10,310

but the main thing was that he didn't

3077

02:01:13,360 --> 02:01:11,330

brief the President of the United States

3078

02:01:15,010 --> 02:01:13,370

I know where I heard that from somebody

3079

02:01:16,090 --> 02:01:15,020

else heard that but he said he didn't

3080

02:01:18,610 --> 02:01:16,100

brief the President of the United States

3081

02:01:20,040 --> 02:01:18,620

but really nothing what I'm adding on

3082

02:01:21,660 --> 02:01:20,050

now is is big

3083

02:01:23,220 --> 02:01:21,670

Stickley what happened from October on

3084

02:01:25,380 --> 02:01:23,230

because that book the book was written

3085

02:01:27,570 --> 02:01:25,390

before the news conference before it all

3086

02:01:30,540 --> 02:01:27,580

broke and there's a lot on Tom DeLonge

3087

02:01:31,710 --> 02:01:30,550

but it's more the the what we were

3088

02:01:33,540 --> 02:01:31,720

talking about today that's what the new

3089

02:01:35,460 --> 02:01:33,550

books gonna be about and particularly

3090

02:01:38,250 --> 02:01:35,470

this whole thing with with this

3091

02:01:40,350 --> 02:01:38,260

experience of thing which I a lot of

3092

02:01:42,180 --> 02:01:40,360

that stuff is being released right now I

3093

02:01:43,410 --> 02:01:42,190

knew a little bit about it be then I

3094

02:01:45,240 --> 02:01:43,420

didn't really write about it in the book

3095

02:01:48,450 --> 02:01:45,250

but really not much is gonna change in

3096

02:01:51,300 --> 02:01:48,460

in magic magic it was pretty pretty

3097

02:01:53,280 --> 02:01:51,310

accurate compared to you know from from

3098

02:02:00,030 --> 02:01:53,290

based upon all the stuff that's happened

3099

02:02:03,330 --> 02:02:00,040

since about two hours in Grant Cameron

3100

02:02:05,670 --> 02:02:03,340

I'll tell you what we may we may or may

3101

02:02:07,620 --> 02:02:05,680

not be experiencers on this end but

3102

02:02:10,260 --> 02:02:07,630

having you on the show is an experience

3103

02:02:13,110 --> 02:02:10,270

I'll tell you that well I appreciate

3104

02:02:15,750 --> 02:02:13,120

your interest and let's keep in touch

3105

02:02:17,520 --> 02:02:15,760

because stuff is happening as I say like

3106

02:02:19,230 --> 02:02:17,530

I really don't get really much time to

3107

02:02:21,330 --> 02:02:19,240

sleep I mean people do not realize how

3108

02:02:24,090 --> 02:02:21,340

much material is happening there's stuff

3109

02:02:26,460 --> 02:02:24,100

happening all the time here it's I'm a

3110

02:02:29,670 --> 02:02:26,470

sound silent but if you're interacting

3111

02:02:31,320 --> 02:02:29,680

with this these people there's a lot of

3112

02:02:32,760 --> 02:02:31,330

stuff and I think some important stuff I

3113

02:02:34,490 --> 02:02:32,770

mean you were getting some answers in

3114

02:02:40,740 --> 02:02:34,500

terms of what's actually going on and

3115

02:02:43,020 --> 02:02:40,750

the playoffs - yes and I said - I talked

3116

02:02:45,480 --> 02:02:43,030

to Jimmy Church because he's a big LA

3117

02:02:47,610 --> 02:02:45,490

fan and I said you know you won the Cup

3118

02:02:49,080 --> 02:02:47,620

in LA twice you didn't have a parade I

3119

02:02:50,610 --> 02:02:49,090

said you know if we win this down the

3120

02:02:52,350 --> 02:02:50,620

cup they're gonna burn the city down

3121

02:02:53,940 --> 02:02:52,360

because I mean I live in the middle of

3122

02:02:56,340 --> 02:02:53,950

nowhere nobody knows what the town is

3123

02:02:58,290 --> 02:02:56,350

and we have potentially one of the best

3124

02:03:00,510 --> 02:02:58,300

teams there is and we've never won a

3125

02:03:02,370 --> 02:03:00,520

playoff game and they have the big white

3126

02:03:03,600 --> 02:03:02,380

out they've closed an entire street

3127

02:03:05,610 --> 02:03:03,610

where everybody has to dress in white

3128

02:03:09,330 --> 02:03:05,620

there'll be 50,000 people outside the

3129

02:03:10,740 --> 02:03:09,340

arena and it's hopefully we don't get

3130

02:03:11,970 --> 02:03:10,750

knocked out in the first round but it's

3131

02:03:13,680 --> 02:03:11,980

like I don't think you will

3132

02:03:15,930 --> 02:03:13,690

yeah I like your chances in the first

3133

02:03:18,750 --> 02:03:15,940

round against the wild and sooner is

3134

02:03:20,010 --> 02:03:18,760

down I like your chances a lot yeah and

3135

02:03:21,600 --> 02:03:20,020

then the Nashville that'll be the big

3136

02:03:23,790 --> 02:03:21,610

one cuz in Nashville I like Nashville

3137

02:03:26,460 --> 02:03:23,800

I'd lay I don't mind if they win because

3138

02:03:27,810 --> 02:03:26,470

there's a town a sort of American place

3139

02:03:29,430 --> 02:03:27,820

where you never thought hockey would

3140

02:03:30,480 --> 02:03:29,440

take off where they do the same thing

3141

02:03:32,100 --> 02:03:30,490

where they put two people in the street

3142

02:03:33,419 --> 02:03:32,110

and stuff like that and they take it

3143

02:03:35,370 --> 02:03:33,429

serious so I read

3144

02:03:36,899 --> 02:03:35,380

if we lose to the to Nashville I think

3145

02:03:38,609 --> 02:03:36,909

we played them next so that'll be a big

3146

02:03:40,319 --> 02:03:38,619

series but there's a lot of big series

3147

02:03:42,419 --> 02:03:40,329

that means some big teams Boston there's

3148

02:03:44,310 --> 02:03:42,429

a lot of really good teams out there

3149

02:03:46,709 --> 02:03:44,320

this year yeah we should clinch here in

3150

02:03:54,600 --> 02:03:46,719

Philly today and we will see you in the

3151
02:03:56,370 --> 02:03:54,610
finals how about that absolutely and you

3152
02:03:58,199 --> 02:03:56,380
know that there that Wayne Gretzky guy I

3153
02:03:59,879 --> 02:03:58,209
think he had a little bit of psychic in

3154
02:04:01,859 --> 02:03:59,889
him with some of those passes he used to

3155
02:04:03,270 --> 02:04:01,869
make yeah yeah that's that's the thing

3156
02:04:04,770 --> 02:04:03,280
it's the ability it's like they are

3157
02:04:06,629 --> 02:04:04,780
talents like my kid was a pretty good

3158
02:04:08,219 --> 02:04:06,639
donkey player and some people are just

3159
02:04:11,370 --> 02:04:08,229
more talented than others they just seem

3160
02:04:13,049 --> 02:04:11,380
to pick it up faster well again thanks

3161
02:04:14,520 --> 02:04:13,059
for everything grant you got us off to

3162
02:04:16,439 --> 02:04:14,530
the best possible start we could

3163
02:04:17,910 --> 02:04:16,449

possibly have yes sure do appreciate it

3164

02:04:24,509 --> 02:04:17,920

thanks for having me first I appreciate

3165

02:04:30,989 --> 02:04:24,519

it sure thing sure thing okay James that

3166

02:04:33,179 --> 02:04:30,999

was fantastic oh yeah yeah I think

3167

02:04:37,319 --> 02:04:33,189

normally I'd like to do like a little

3168

02:04:39,120 --> 02:04:37,329

postgame wrap-up but this this one two

3169

02:04:42,270 --> 02:04:39,130

hours and I've got I've got some running

3170

02:04:44,429 --> 02:04:42,280

to do oh man I did there's so much that

3171

02:04:46,140 --> 02:04:44,439

he he was talking about that I had more

3172

02:04:51,239 --> 02:04:46,150

questions about like the all the other

3173

02:04:52,859 --> 02:04:51,249

programs no yes so much to say we had to

3174

02:04:55,589 --> 02:04:52,869

wear him down a little bit we had to get

3175

02:04:59,850 --> 02:04:55,599

him bonus later rounds before we could

3176

02:05:01,919 --> 02:04:59,860

get questions in he was gone oh yeah we

3177

02:05:05,609 --> 02:05:01,929

know that's that's the strategy next

3178

02:05:07,109 --> 02:05:05,619

time is we're gonna let himself out in

3179

02:05:10,890 --> 02:05:07,119

the first hour that we can get all our

3180

02:05:13,410 --> 02:05:10,900

questions in after that yeah oh man well

3181

02:05:15,810 --> 02:05:13,420

I wasn't let you go thanks for listening

3182

02:05:19,020 --> 02:05:15,820

everybody and we'll be back next week
