

CHRIS WOLFORD ON: THE TO  
THE STARS ACADEMY, THE  
GREEN/NOLAN STUDY AND  
HIS OWN CONTACT  
EXPERIENCES.

**UFONN**  
**SUNDAY**

1  
00:00:00,030 --> 00:00:11,160  
streaming

2  
00:01:11,940 --> 00:00:23,060  
[Music]

3  
00:01:14,670 --> 00:01:11,950  
and good morning from Philadelphia and

4  
00:01:18,310 --> 00:01:14,680  
James coming in from West us in New York

5  
00:01:19,450 --> 00:01:18,320  
this is UFO News Network Sunday we've

6  
00:01:21,039 --> 00:01:19,460  
got with us today

7  
00:01:23,859 --> 00:01:21,049  
Chris Wolford joining us after our

8  
00:01:26,170 --> 00:01:23,869  
little two-week vacation and Chris good

9  
00:01:28,690 --> 00:01:26,180  
morning to you sir good morning how are

10  
00:01:31,149 --> 00:01:28,700  
you gentlemen I'm doing fine ready to go

11  
00:01:34,870 --> 00:01:31,159  
I enjoyed my vacation but I'm glad to be

12  
00:01:38,740 --> 00:01:34,880  
getting back into this chris is a UFO

13  
00:01:41,410 --> 00:01:38,750

researcher a contact he himself had some

14

00:01:44,469 --> 00:01:41,420

contact with the the Nolan green study

15

00:01:47,200 --> 00:01:44,479

as a prospective subject with that

16

00:01:48,969 --> 00:01:47,210

particular study and we were talking

17

00:01:51,249 --> 00:01:48,979

before we even got rolling we were

18

00:01:52,630 --> 00:01:51,259

talking a little bit about a little bit

19

00:01:54,609 --> 00:01:52,640

about everything with sprite which is I

20

00:01:57,669 --> 00:01:54,619

was probably good enough to put on the

21

00:02:00,039 --> 00:01:57,679

air but we got into it a little soon now

22

00:02:01,990 --> 00:02:00,049

we were talking about the the atacama

23

00:02:06,490 --> 00:02:02,000

mummy and the controversy surrounding

24

00:02:08,590 --> 00:02:06,500

that with Steven Greer making all sorts

25

00:02:12,370 --> 00:02:08,600

of claims negative claims about Stanford

26  
00:02:13,780 --> 00:02:12,380  
University and Gary Nolan and Chris you

27  
00:02:16,270 --> 00:02:13,790  
know Gary no hole a little bit I've

28  
00:02:18,819 --> 00:02:16,280  
dealt with him a little bit - James

29  
00:02:21,630 --> 00:02:18,829  
you've dealt with him a little bit - we

30  
00:02:27,340 --> 00:02:21,640  
think he's an okay guy don't we yeah

31  
00:02:29,199 --> 00:02:27,350  
yeah of the to the stars Academy group I

32  
00:02:30,819 --> 00:02:29,209  
think he's you know at least on the

33  
00:02:33,880 --> 00:02:30,829  
grassroots as far as dealing with

34  
00:02:39,880 --> 00:02:33,890  
researchers he's been the most open and

35  
00:02:42,729 --> 00:02:39,890  
receptive to offering you know his his

36  
00:02:44,470 --> 00:02:42,739  
version of in what you know alluding to

37  
00:02:49,120 --> 00:02:44,480  
what the direction may be in certain

38  
00:02:52,240 --> 00:02:49,130

topics he's not well let me a lot yeah I

39

00:02:54,789 --> 00:02:52,250

know you know I was gonna say a lot of

40

00:02:57,720 --> 00:02:54,799

the other a lot of the other TTS a guys

41

00:03:00,699 --> 00:02:57,730

are just completely silent on that I

42

00:03:02,949 --> 00:03:00,709

would agree and or they believe their

43

00:03:05,830 --> 00:03:02,959

Facebook's or they you can't add them

44

00:03:09,550 --> 00:03:05,840

you had the message of madness to come

45

00:03:11,590 --> 00:03:09,560

very very hard no no one has been

46

00:03:14,409 --> 00:03:11,600

wonderful I mean the first interaction

47

00:03:16,569 --> 00:03:14,419

ever had with him he came to my aid when

48

00:03:18,250 --> 00:03:16,579

I was being attacked for sharing my

49

00:03:22,900 --> 00:03:18,260

experience

50

00:03:25,690 --> 00:03:22,910

whatever this phenomenon is at 4 years

51  
00:03:28,180 --> 00:03:25,700  
old and he said to the people listen

52  
00:03:31,000 --> 00:03:28,190  
Chris if he's experienced that then he

53  
00:03:32,650 --> 00:03:31,010  
knows there's no question in his mind

54  
00:03:36,310 --> 00:03:32,660  
now other people they can have questions

55  
00:03:37,990 --> 00:03:36,320  
that's fine but in his mind it really

56  
00:03:41,110 --> 00:03:38,000  
didn't happen so you had to lease to

57  
00:03:45,190 --> 00:03:41,120  
listen to him and take his word on it

58  
00:03:49,540 --> 00:03:45,200  
versus just wanting to debunk me and or

59  
00:03:52,930 --> 00:03:49,550  
throw rocks at my you know what I've

60  
00:03:55,270 --> 00:03:52,940  
said so he's been nothing but very nice

61  
00:03:57,820 --> 00:03:55,280  
and cordial even when I had to deal with

62  
00:03:59,560 --> 00:03:57,830  
a situation that was not my own with him

63  
00:04:01,300 --> 00:03:59,570

kind of loosely with another UFO

64

00:04:05,950 --> 00:04:01,310

researcher which we will get into later

65

00:04:09,160 --> 00:04:05,960

on ok ok so basically that bad that

66

00:04:13,840 --> 00:04:09,170

contact with dr. Nolan that predates

67

00:04:15,390 --> 00:04:13,850

your possibly getting involved with the

68

00:04:19,440 --> 00:04:15,400

study that he's working on with that

69

00:04:23,440 --> 00:04:19,450

yeah it was well before that I basically

70

00:04:26,920 --> 00:04:23,450

what happened with me I found out

71

00:04:30,100 --> 00:04:26,930

because of two things one was grant

72

00:04:32,650 --> 00:04:30,110

Cameron had picked up on that he was

73

00:04:34,780 --> 00:04:32,660

part of this experience her study at

74

00:04:37,480 --> 00:04:34,790

state not so much at Stanford but on his

75

00:04:39,580 --> 00:04:37,490

own and working with kit green maybe

76

00:04:42,120 --> 00:04:39,590

it's Stanford I don't know I don't

77

00:04:44,620 --> 00:04:42,130

really ask you know how much they do

78

00:04:49,450 --> 00:04:44,630

really look at that stuff there I don't

79

00:04:50,980 --> 00:04:49,460

know I wasn't told but so I became aware

80

00:04:53,770 --> 00:04:50,990

through grand Cameron in the book

81

00:04:57,400 --> 00:04:53,780

phenomenon from Amy Jacobson and then I

82

00:04:59,620 --> 00:04:57,410

realized early on that John burrows was

83

00:05:03,000 --> 00:04:59,630

also one of the first people that they

84

00:05:06,700 --> 00:05:03,010

had worked with so I kind of knew that

85

00:05:10,210 --> 00:05:06,710

if I was ever gonna get as close as I

86

00:05:13,150 --> 00:05:10,220

could to what I dealt with he'd be

87

00:05:15,490 --> 00:05:13,160

probably a good guy to interact with and

88

00:05:17,590 --> 00:05:15,500

I would I wouldn't bug him that's the

89

00:05:20,260 --> 00:05:17,600

thing like I I don't want to come off as

90

00:05:21,970 --> 00:05:20,270

like I didn't want to bug him so I would

91

00:05:26,380 --> 00:05:21,980

message him here and there and we talked

92

00:05:29,469 --> 00:05:26,390

and finally I would say early January

93

00:05:30,890 --> 00:05:29,479

right after Christmas this past January

94

00:05:33,560 --> 00:05:30,900

we really

95

00:05:34,010 --> 00:05:33,570

in on facebook messenger to go back and

96

00:05:37,610 --> 00:05:34,020

forth

97

00:05:40,430 --> 00:05:37,620

I shared my experience he said he didn't

98

00:05:44,510 --> 00:05:40,440

get to read it initially because he was

99

00:05:46,490 --> 00:05:44,520

so busy and I sent to him another link

100

00:05:49,969 --> 00:05:46,500

that was on Facebook that was a written

101  
00:05:52,400 --> 00:05:49,979  
testimony that he could easily digest

102  
00:05:54,260 --> 00:05:52,410  
and understand and he got back to me

103  
00:05:57,439 --> 00:05:54,270  
like a month later done till February

104  
00:06:01,730 --> 00:05:57,449  
and I basically said listen I would love

105  
00:06:03,650 --> 00:06:01,740  
to be a part of this study if I you know

106  
00:06:06,710 --> 00:06:03,660  
if you're willing to even entertain that

107  
00:06:09,200 --> 00:06:06,720  
idea and he said yeah let me look at

108  
00:06:14,270 --> 00:06:09,210  
your experience again let me get back to

109  
00:06:19,490 --> 00:06:14,280  
you and basically how it went down is he

110  
00:06:22,580 --> 00:06:19,500  
never really committed to me yes no he

111  
00:06:25,640 --> 00:06:22,590  
just strum me I shouldn't say strung me

112  
00:06:28,250 --> 00:06:25,650  
along but alluded to the fact that yes

113  
00:06:31,790 --> 00:06:28,260

you would be a good consideration with

114

00:06:34,580 --> 00:06:31,800

what you've had to happen and your your

115

00:06:37,040 --> 00:06:34,590

background with you having open heart

116

00:06:40,250 --> 00:06:37,050

surgery it's very intriguing not that

117

00:06:41,990 --> 00:06:40,260

that was the case of like my open heart

118

00:06:44,960 --> 00:06:42,000

surgery wasn't the cause of what I

119

00:06:48,010 --> 00:06:44,970

experienced but it was interesting of

120

00:06:50,390 --> 00:06:48,020

note that because I've had these other

121

00:06:52,520 --> 00:06:50,400

surgeries or other medical issues they

122

00:06:56,570 --> 00:06:52,530

thought that was very interesting and

123

00:07:01,060 --> 00:06:56,580

that was a very good way to kind of

124

00:07:03,860 --> 00:07:01,070

approach my experiences through that so

125

00:07:07,790 --> 00:07:03,870

basically two things happened

126  
00:07:10,640 --> 00:07:07,800  
the MJB Nyhus Tabaco with him and then

127  
00:07:12,770 --> 00:07:10,650  
the John Burroughs on my own kind of

128  
00:07:16,850 --> 00:07:12,780  
bugging John Burroughs a little a little

129  
00:07:19,250 --> 00:07:16,860  
bit here and there asking him you know

130  
00:07:22,070 --> 00:07:19,260  
what do I expect you know what is the

131  
00:07:24,620 --> 00:07:22,080  
protocol and basically John Burroughs

132  
00:07:25,969 --> 00:07:24,630  
who is a nice guy we had yes he is

133  
00:07:28,159 --> 00:07:25,979  
absolutely a nice guy

134  
00:07:30,920 --> 00:07:28,169  
yeah he we have to remember he is a nice

135  
00:07:33,320 --> 00:07:30,930  
guy he went to a very traumatic event I

136  
00:07:36,620 --> 00:07:33,330  
may not agree with everything he says

137  
00:07:40,730 --> 00:07:36,630  
but with that being said he still was

138  
00:07:43,909 --> 00:07:40,740

part of this nolan kit green study and i

139

00:07:48,800 --> 00:07:43,919

wanted it desperately to find out what

140

00:07:51,790 --> 00:07:48,810

it was like and that's when dr. Gary

141

00:07:55,100 --> 00:07:51,800

Nolan got back in touch with me and said

142

00:07:57,490 --> 00:07:55,110

Chris sadly you're no longer being

143

00:08:00,529 --> 00:07:57,500

considered as the candidate for this

144

00:08:02,570 --> 00:08:00,539

study because you're not you weren't in

145

00:08:03,830 --> 00:08:02,580

the military okay and I kind of knew

146

00:08:06,290 --> 00:08:03,840

that was gonna be the case because

147

00:08:09,260 --> 00:08:06,300

everything I had read and been told it

148

00:08:13,339 --> 00:08:09,270

was former military people there were a

149

00:08:16,909 --> 00:08:13,349

few civilians but I don't know let's our

150

00:08:17,420 --> 00:08:16,919

blood so I would be only one that I'm

151

00:08:20,830 --> 00:08:17,430

aware of

152

00:08:23,930 --> 00:08:20,840

okay Whitley Strieber really screams

153

00:08:27,769 --> 00:08:23,940

alright so well maybe I'm not popular

154

00:08:33,110 --> 00:08:27,779

enough yet but you got to get a couple

155

00:08:34,640 --> 00:08:33,120

yeah I would think that you know nobody

156

00:08:36,680 --> 00:08:34,650

said anything but I think a prime

157

00:08:39,319 --> 00:08:36,690

candidate that they would have looked at

158

00:08:43,279 --> 00:08:39,329

for as far as not another it would be

159

00:08:45,380 --> 00:08:43,289

Travis Walton just cuz of how just yeah

160

00:08:47,540 --> 00:08:45,390

and honestly I would not be surprised if

161

00:08:49,519 --> 00:08:47,550

that that he is a candidate and nobody's

162

00:08:50,840 --> 00:08:49,529

kind of opened a lid on that but who

163

00:08:53,540 --> 00:08:50,850

knows who knows that's just my own

164

00:08:55,910 --> 00:08:53,550

speculation yeah and then I tried to

165

00:08:58,939 --> 00:08:55,920

because I kind of took that news kind of

166

00:09:01,250 --> 00:08:58,949

hard then I was exploring the option of

167

00:09:02,990 --> 00:09:01,260

tracking down kit green because I don't

168

00:09:05,210 --> 00:09:03,000

think people realize he lives in here in

169

00:09:07,100 --> 00:09:05,220

Michigan where I live currently and he

170

00:09:09,740 --> 00:09:07,110

doesn't live that far away from me and I

171

00:09:11,990 --> 00:09:09,750

know where the hospital he works at now

172

00:09:14,390 --> 00:09:12,000

and I didn't want to get like stalkerish

173

00:09:16,069 --> 00:09:14,400

I didn't want to go and just bombard him

174

00:09:17,840 --> 00:09:16,079

one day at work and be like hey I would

175

00:09:19,340 --> 00:09:17,850

like to do it because I've heard through

176

00:09:21,560 --> 00:09:19,350

the grapevine that he just shuts people

177

00:09:25,550 --> 00:09:21,570

down big time you wanna talk about

178

00:09:27,530 --> 00:09:25,560

anything just some job off the street so

179

00:09:30,640 --> 00:09:27,540

I didn't think that was the best

180

00:09:34,970 --> 00:09:30,650

approach so I can't let Gary Nolan be

181

00:09:37,280 --> 00:09:34,980

and then he always would be nice to me

182

00:09:40,180 --> 00:09:37,290

and I would ask him questions about to

183

00:09:43,519 --> 00:09:40,190

the stars and he'd share some things and

184

00:09:45,800 --> 00:09:43,529

I've always thought he was an up and up

185

00:09:48,199 --> 00:09:45,810

guy he was there's nothing shady about

186

00:09:50,750 --> 00:09:48,209

him the only thing that I did not like

187

00:09:52,370 --> 00:09:50,760

and it kind of resolved itself a little

188

00:09:54,829 --> 00:09:52,380

bit now that he's on Twitter and he's

189

00:09:57,410 --> 00:09:54,839

talking a little bit is he delete his

190

00:09:57,990 --> 00:09:57,420

facebook account because supposedly the

191

00:10:01,380 --> 00:09:58,000

whole camera

192

00:10:03,150 --> 00:10:01,390

Jenica thing which is hilarious to me

193

00:10:05,250 --> 00:10:03,160

but whatever I mean if you wanted this

194

00:10:08,670 --> 00:10:05,260

privacy one in his privacy I get it

195

00:10:10,650 --> 00:10:08,680

but I just don't buy that was the sole

196

00:10:13,890 --> 00:10:10,660

reason why he wanted to delete his

197

00:10:16,680 --> 00:10:13,900

facebook I believe that he was he was at

198

00:10:18,960 --> 00:10:16,690

one point we and you guys could attest

199

00:10:22,370 --> 00:10:18,970

to this he was talking to a lot of

200

00:10:26,730 --> 00:10:22,380

people on favor he was talking to me

201  
00:10:28,740 --> 00:10:26,740  
examples well I'm just saying that he

202  
00:10:32,850 --> 00:10:28,750  
was saying a lot of things that I don't

203  
00:10:37,110 --> 00:10:32,860  
think to the Stars was necessarily happy

204  
00:10:40,020 --> 00:10:37,120  
to have to control him so they basically

205  
00:10:43,170 --> 00:10:40,030  
and I don't know this but it would make

206  
00:10:45,480 --> 00:10:43,180  
sense to me my own opinion to basically

207  
00:10:48,270 --> 00:10:45,490  
tell him hey you need to cool it either

208  
00:10:51,060 --> 00:10:48,280  
delete your Facebook or don't go on

209  
00:10:52,980 --> 00:10:51,070  
there and he obviously if he still has a

210  
00:10:55,050 --> 00:10:52,990  
Facebook people are gonna bug him and

211  
00:10:57,570 --> 00:10:55,060  
he's gonna want to respond eventually so

212  
00:10:59,370 --> 00:10:57,580  
just deleted it and he gave a weeks

213  
00:11:01,620 --> 00:10:59,380

notice but I just found that very

214

00:11:03,840 --> 00:11:01,630

interesting and then also I will say

215

00:11:05,850 --> 00:11:03,850

also there's some other interesting

216

00:11:08,340 --> 00:11:05,860

people I would say in the in the

217

00:11:10,980 --> 00:11:08,350

invisible college world that were

218

00:11:13,260 --> 00:11:10,990

connected to going on loosely or

219

00:11:15,450 --> 00:11:13,270

absolutely I'm sure Diane was all caught

220

00:11:18,060 --> 00:11:15,460

being number one and she deleted her

221

00:11:21,329 --> 00:11:18,070

facebook to because she said that she

222

00:11:23,520 --> 00:11:21,339

delete it because it was a conflict of

223

00:11:27,000 --> 00:11:23,530

interest with the school which again I

224

00:11:29,070 --> 00:11:27,010

don't buy whatsoever but that's that

225

00:11:30,630 --> 00:11:29,080

whatever but I just find that very

226

00:11:35,520 --> 00:11:30,640

interesting that all these people there

227

00:11:39,620 --> 00:11:35,530

that are close to whatever the supposed

228

00:11:42,420 --> 00:11:39,630

truth is they go dark and yeah

229

00:11:44,250 --> 00:11:42,430

disheartening a little bit you kind of

230

00:11:47,570 --> 00:11:44,260

have to follow them and be stalkerish

231

00:11:52,020 --> 00:11:47,580

because you really have no choice I mean

232

00:11:56,400 --> 00:11:52,030

two stars has done I thought a fantastic

233

00:11:58,860 --> 00:11:56,410

job of relating these events and getting

234

00:11:59,460 --> 00:11:58,870

them out and Tom DeLonge love them or

235

00:12:02,970 --> 00:11:59,470

hate them

236

00:12:04,980 --> 00:12:02,980

he's been as good as he could be getting

237

00:12:08,280 --> 00:12:04,990

his stuff out on social media now that

238

00:12:10,890 --> 00:12:08,290

doesn't come into the whole Joe Rogan

239

00:12:11,670 --> 00:12:10,900

podcast debacle and I'm gonna get into

240

00:12:14,310 --> 00:12:11,680

it

241

00:12:17,880 --> 00:12:14,320

I think that he's done a very good job

242

00:12:22,980 --> 00:12:17,890

at least on social media giving us what

243

00:12:24,360 --> 00:12:22,990

we need in other elements to to kind of

244

00:12:27,150 --> 00:12:24,370

piece this together and realize that

245

00:12:29,519 --> 00:12:27,160

this is not something a that we've seen

246

00:12:31,980 --> 00:12:29,529

before and B this is totally something

247

00:12:33,900 --> 00:12:31,990

new and C we really need to pay

248

00:12:37,139 --> 00:12:33,910

attention to it because it's literally

249

00:12:38,490 --> 00:12:37,149

changing by the day yeah in the

250

00:12:40,920 --> 00:12:38,500

Washington Post they just did another

251  
00:12:42,930 --> 00:12:40,930  
article the other day you know saying

252  
00:12:46,079 --> 00:12:42,940  
you know this is you know you can thank

253  
00:12:49,130 --> 00:12:46,089  
the guy that guy from blink-182 for the

254  
00:12:52,620 --> 00:12:49,140  
media taking your photo seriously I

255  
00:12:54,240 --> 00:12:52,630  
counted 10 articles now some of them

256  
00:12:55,800 --> 00:12:54,250  
were the original Washington Post

257  
00:12:59,010 --> 00:12:55,810  
article but some of them are new

258  
00:13:01,070 --> 00:12:59,020  
articles Newsweek rodent wrote on it so

259  
00:13:05,070 --> 00:13:01,080  
fret wrote on it which is a military

260  
00:13:07,139 --> 00:13:05,080  
trade publication there was a science

261  
00:13:10,019 --> 00:13:07,149  
now I know this is like a legitimate

262  
00:13:12,269 --> 00:13:10,029  
science website in the sense of like

263  
00:13:14,190 --> 00:13:12,279

it's like accredited or anything but the

264

00:13:16,590 --> 00:13:14,200

fact that they picked up on the story is

265

00:13:18,570 --> 00:13:16,600

huge in my opinion yeah a scientific

266

00:13:20,310 --> 00:13:18,580

American wrote an article they talked to

267

00:13:23,370 --> 00:13:20,320

a justice from to the stars

268

00:13:25,410 --> 00:13:23,380

really yeah this is back this was back

269

00:13:28,590 --> 00:13:25,420

either late December or early January

270

00:13:30,180 --> 00:13:28,600

but they did some science sites are

271

00:13:35,460 --> 00:13:30,190

picking up on a little bit here and

272

00:13:37,980 --> 00:13:35,470

they're not I mean most of them most of

273

00:13:39,840 --> 00:13:37,990

them I think have at least touched on it

274

00:13:42,990 --> 00:13:39,850

at least a little bit they've written

275

00:13:45,240 --> 00:13:43,000

the story here a story there but and

276

00:13:47,400 --> 00:13:45,250

Billy Cox is back in the game the so

277

00:13:48,480 --> 00:13:47,410

yeah the [h\_\_\h] back in the game and I

278

00:13:49,949 --> 00:13:48,490

kind of knew that was going to happen

279

00:13:52,470 --> 00:13:49,959

one of the something was going to bring

280

00:13:55,110 --> 00:13:52,480

him back in and this did it so he's back

281

00:13:58,079 --> 00:13:55,120

in the end you know he's always bringing

282

00:14:00,960 --> 00:13:58,089

his curmudgeonly attitude to every

283

00:14:04,040 --> 00:14:00,970

situation but he's great you know he's

284

00:14:07,050 --> 00:14:04,050

one of the guys whose great nap is on it

285

00:14:09,030 --> 00:14:07,060

it is picking up it is picking up but

286

00:14:11,400 --> 00:14:09,040

not a whole lot of new information and

287

00:14:14,250 --> 00:14:11,410

one thing that's not coming out at all

288

00:14:16,949 --> 00:14:14,260

from the to to the stars Academy is the

289

00:14:18,810 --> 00:14:16,959

contactee angle there's not touching

290

00:14:20,430 --> 00:14:18,820

that with the 10-foot Pole openly even

291

00:14:23,040 --> 00:14:20,440

though we know behind the scenes they're

292

00:14:24,269 --> 00:14:23,050

doing it and I think that's kind of

293

00:14:24,870 --> 00:14:24,279

interesting what are your thoughts on

294

00:14:28,530 --> 00:14:24,880

all that Chris

295

00:14:31,079 --> 00:14:28,540

I honestly agree with Grant Cameron you

296

00:14:33,900 --> 00:14:31,089

have to lead and walk the public to a

297

00:14:34,379 --> 00:14:33,910

this phenomenon is real that's the first

298

00:14:39,300 --> 00:14:34,389

step

299

00:14:42,569 --> 00:14:39,310

number two would be to release some more

300

00:14:44,550 --> 00:14:42,579

footage maybe some more papers and give

301  
00:14:47,999 --> 00:14:44,560  
them to the Washington Post New York

302  
00:14:50,999 --> 00:14:48,009  
Times stuff like that and let it being

303  
00:14:52,860 --> 00:14:51,009  
the the the zeitgeist of America for a

304  
00:14:54,809 --> 00:14:52,870  
while or even the whole world for a

305  
00:14:58,920 --> 00:14:54,819  
little bit so I can look like ferment

306  
00:15:02,430 --> 00:14:58,930  
and then you go of the angle of well

307  
00:15:05,129 --> 00:15:02,440  
alright so this phenomenon is real what

308  
00:15:07,889 --> 00:15:05,139  
is this phenomenon and who is behind

309  
00:15:11,720 --> 00:15:07,899  
this phenomenon and I think if you were

310  
00:15:15,559 --> 00:15:11,730  
just to say simply that they're aliens

311  
00:15:19,290 --> 00:15:15,569  
you would be doing a giant disservice to

312  
00:15:21,689 --> 00:15:19,300  
your own program your own agenda and

313  
00:15:25,490 --> 00:15:21,699

quite honestly you get the real cool

314

00:15:28,980 --> 00:15:25,500

factor right back going 100% or again

315

00:15:30,870 --> 00:15:28,990

within at least America and Americans

316

00:15:34,379 --> 00:15:30,880

will not take it seriously but if you

317

00:15:36,210 --> 00:15:34,389

slowly welcome to this phenomenon that's

318

00:15:39,780 --> 00:15:36,220

real and the government the US

319

00:15:42,540 --> 00:15:39,790

government has been studying it for

320

00:15:44,220 --> 00:15:42,550

quite a long time then I think you're

321

00:15:46,410 --> 00:15:44,230

gonna get somewhere but if you just come

322

00:15:48,720 --> 00:15:46,420

out and say me yet they're aliens and

323

00:15:51,449 --> 00:15:48,730

you proper mate that yes we have not

324

00:15:53,730 --> 00:15:51,459

been alone for the last whatever many

325

00:15:56,100 --> 00:15:53,740

millions or hundreds of thousands years

326

00:15:58,499 --> 00:15:56,110

you're gonna look kind of silly in my

327

00:16:03,090 --> 00:15:58,509

opinion and I honestly think that's why

328

00:16:04,920 --> 00:16:03,100

they have not chose to go with that the

329

00:16:06,179 --> 00:16:04,930

others you know they're not talking

330

00:16:08,340 --> 00:16:06,189

about the others they're only talking

331

00:16:12,210 --> 00:16:08,350

about it was a tic-tac we have to go

332

00:16:16,199 --> 00:16:12,220

fast video we had the nimitz event with

333

00:16:20,280 --> 00:16:16,209

it being underwater and you have stuff

334

00:16:21,780 --> 00:16:20,290

above the water in the sky so I don't

335

00:16:23,960 --> 00:16:21,790

think right now we're to the point where

336

00:16:26,370 --> 00:16:23,970

we're gonna want to talk about the

337

00:16:29,720 --> 00:16:26,380

possible perspective the you know

338

00:16:32,420 --> 00:16:29,730

extra-terrestrial hypothesis just yet so

339

00:16:34,650 --> 00:16:32,430

[Music]

340

00:16:37,170 --> 00:16:34,660

yeah the other thing to talk about a

341

00:16:39,360 --> 00:16:37,180

little bit is the materials

342

00:16:42,060 --> 00:16:39,370

and that's some pretty interesting stuff

343

00:16:43,970 --> 00:16:42,070

and that goes back quite a ways I mean

344

00:16:49,500 --> 00:16:43,980

that actually goes back decades at

345

00:16:53,190 --> 00:16:49,510

various possibly ETF fragments pieces of

346

00:16:56,040 --> 00:16:53,200

metal alloys have been turned up they

347

00:16:58,850 --> 00:16:56,050

have been studied and professor peter

348

00:17:02,570 --> 00:16:58,860

Sturrock from stanford wrote a paper

349

00:17:05,370 --> 00:17:02,580

just at the tail end of the last century

350

00:17:07,320 --> 00:17:05,380

late 1990s i believe it there's no

351

00:17:09,600 --> 00:17:07,330

specific day on it but based on that of

352

00:17:11,970 --> 00:17:09,610

the citations he includes I would have

353

00:17:15,870 --> 00:17:11,980

to say it was written in the late 90s he

354

00:17:18,210 --> 00:17:15,880

couldn't figure out where this this

355

00:17:21,600 --> 00:17:18,220

piece that he these pieces he came

356

00:17:26,310 --> 00:17:21,610

across from the Yuba tuba incident in

357

00:17:28,050 --> 00:17:26,320

Brazil which goes back apparently yeah

358

00:17:31,680 --> 00:17:28,060

the incident itself happened in the

359

00:17:33,990 --> 00:17:31,690

thirties 1930s and the material started

360

00:17:34,890 --> 00:17:34,000

getting studied in the 1950s he couldn't

361

00:17:37,230 --> 00:17:34,900

figure out where the stuff was

362

00:17:40,440 --> 00:17:37,240

manufactured which is kind of important

363

00:17:44,310 --> 00:17:40,450

kind of kind of it's it's important you

364

00:17:45,710 --> 00:17:44,320

know that's he dug pretty deep he went

365

00:17:48,240 --> 00:17:45,720

through in this paper

366

00:17:51,380 --> 00:17:48,250

how much digging he did and still

367

00:17:56,160 --> 00:17:51,390

couldn't figure out who made this stuff

368

00:18:01,290 --> 00:17:56,170

yeah to be honest I don't think that

369

00:18:03,030 --> 00:18:01,300

will ever truly understand the the metal

370

00:18:05,430 --> 00:18:03,040

material and amount of materials a

371

00:18:07,560 --> 00:18:05,440

hundred percent I think we're gonna just

372

00:18:10,350 --> 00:18:07,570

on the same enough that they're they're

373

00:18:13,500 --> 00:18:10,360

not from here that doesn't mean that

374

00:18:15,150 --> 00:18:13,510

they're ie extraterrestrial were they

375

00:18:17,970 --> 00:18:15,160

coming from in there and they can't be

376

00:18:19,920 --> 00:18:17,980

manufactured by processes that we have

377

00:18:22,050 --> 00:18:19,930

currently on earth or machines or

378

00:18:25,050 --> 00:18:22,060

technology here on earth which is very

379

00:18:28,470 --> 00:18:25,060

interesting I know Jimmy Korbelt and

380

00:18:31,260 --> 00:18:28,480

patient 17 with nano man he talks about

381

00:18:33,630 --> 00:18:31,270

that length that the stuff is not found

382

00:18:37,590 --> 00:18:33,640

here on earth and it cannot be machined

383

00:18:40,050 --> 00:18:37,600

here on earth so where's the stuff from

384

00:18:42,570 --> 00:18:40,060

I mean you you are left with a few

385

00:18:44,010 --> 00:18:42,580

answers you know and again that would

386

00:18:46,500 --> 00:18:44,020

then point back against his

387

00:18:49,560 --> 00:18:46,510

extraterrestrial but I would argue let's

388

00:18:49,760 --> 00:18:49,570

not go that route just yeah let's kind

389

00:18:52,430 --> 00:18:49,770

of

390

00:18:55,430 --> 00:18:52,440

look at this phenomenon as a whole and

391

00:19:00,320 --> 00:18:55,440

now how it interacts with people and how

392

00:19:04,850 --> 00:19:00,330

it affects people and how it has a

393

00:19:08,780 --> 00:19:04,860

trickster innate nature to itself when

394

00:19:11,300 --> 00:19:08,790

Yuri look in this topic deeply it looks

395

00:19:13,340 --> 00:19:11,310

back at you and I'm not the only one

396

00:19:15,920 --> 00:19:13,350

saying this I've talked to quite a few

397

00:19:17,960 --> 00:19:15,930

researchers quite a few experiencers

398

00:19:20,780 --> 00:19:17,970

they all say the same thing when you

399

00:19:23,870 --> 00:19:20,790

truly get through the one on one stuff

400

00:19:26,960 --> 00:19:23,880

and you start to look and dig down the

401  
00:19:28,280 --> 00:19:26,970  
phenomenon actually looks back at you no

402  
00:19:31,070 --> 00:19:28,290  
no I'm not gonna say like a grey alien

403  
00:19:33,560 --> 00:19:31,080  
appears in your house or anything or you

404  
00:19:36,830 --> 00:19:33,570  
have a ship hovering above your house

405  
00:19:39,080 --> 00:19:36,840  
but you you start to pick up on little

406  
00:19:42,710 --> 00:19:39,090  
weird things that happen to you in your

407  
00:19:45,080 --> 00:19:42,720  
life that cannot be explained I could

408  
00:19:46,820 --> 00:19:45,090  
share those experiences that I've had in

409  
00:19:49,520 --> 00:19:46,830  
my life yeah yeah we want to get to that

410  
00:19:51,250 --> 00:19:49,530  
we do all right actually I did ee ee

411  
00:19:54,200 --> 00:19:51,260  
back before we get to that though let's

412  
00:19:57,470 --> 00:19:54,210  
what were you able to pick up about what

413  
00:20:00,740 --> 00:19:57,480

the the green Nolan study I was going to

414

00:20:03,110 --> 00:20:00,750

do as far as you know I bring in bring

415

00:20:04,340 --> 00:20:03,120

in contact these and studying them we

416

00:20:06,400 --> 00:20:04,350

talked a little bit about this before

417

00:20:08,840 --> 00:20:06,410

there was going to be a control group

418

00:20:10,970 --> 00:20:08,850

grant has talked about an experiment

419

00:20:13,580 --> 00:20:10,980

where they would have a contact you get

420

00:20:16,940 --> 00:20:13,590

location a being in it in an MRI machine

421

00:20:20,330 --> 00:20:16,950

and then another one also in an MRI at

422

00:20:23,150 --> 00:20:20,340

point B and apparently what they were

423

00:20:25,100 --> 00:20:23,160

going to do is try to send psychic

424

00:20:28,670 --> 00:20:25,110

messages back and forth and a little

425

00:20:32,450 --> 00:20:28,680

literally a measure the speed how is a

426

00:20:34,430 --> 00:20:32,460

literally thought faster than light that

427

00:20:37,670 --> 00:20:34,440

type of thing have you heard anything

428

00:20:39,380 --> 00:20:37,680

about that I did not hear I did hear

429

00:20:43,610 --> 00:20:39,390

about the MRI because obviously that's

430

00:20:46,820 --> 00:20:43,620

what dr. green works with is MRI

431

00:20:50,540 --> 00:20:46,830

machines you know he's a neuro scientist

432

00:20:56,480 --> 00:20:50,550

I forget the exact exact expertise he's

433

00:21:01,520 --> 00:20:56,490

in but from what I was told is first of

434

00:21:03,410 --> 00:21:01,530

all you need to sign an NDA for 15 years

435

00:21:06,980 --> 00:21:03,420

you don't get to talk about what

436

00:21:10,730 --> 00:21:06,990

they do whatsoever number twos they do

437

00:21:13,130 --> 00:21:10,740

take vowel your blood because they're

438

00:21:17,390 --> 00:21:13,140

gonna go test that both at Stanford and

439

00:21:20,960 --> 00:21:17,400

here at the DMC and Michigan where kit

440

00:21:24,080 --> 00:21:20,970

green is located that and again the

441

00:21:26,660 --> 00:21:24,090

prospect honestly when I brought this up

442

00:21:29,780 --> 00:21:26,670

to my wife I kind of hid it from her for

443

00:21:31,610 --> 00:21:29,790

a couple of months and she was like do

444

00:21:35,210 --> 00:21:31,620

you really want to be a guinea pig and I

445

00:21:37,010 --> 00:21:35,220

I kind of agreed with him like once you

446

00:21:39,920 --> 00:21:37,020

going on that rabbit hole and you do

447

00:21:41,990 --> 00:21:39,930

that I don't know that you could ever go

448

00:21:44,450 --> 00:21:42,000

back not that like anything the fairies

449

00:21:48,230 --> 00:21:44,460

would happen and I'm very curious as to

450

00:21:50,450 --> 00:21:48,240

see what they would come up with but I

451  
00:21:52,850 --> 00:21:50,460  
just don't know that I would wanna do

452  
00:21:56,060 --> 00:21:52,860  
that you know I I don't know it's just

453  
00:21:58,160 --> 00:21:56,070  
me well you've got a sign at MDA I mean

454  
00:22:00,770 --> 00:21:58,170  
that's one thing you get involved in all

455  
00:22:02,810 --> 00:22:00,780  
the stuff you find things out and you

456  
00:22:05,450 --> 00:22:02,820  
want to share it but you son your son

457  
00:22:07,490 --> 00:22:05,460  
it's cause your agreement exactly so

458  
00:22:09,800 --> 00:22:07,500  
that kind of just turned me off and I

459  
00:22:13,850 --> 00:22:09,810  
was actually glad in the end that was

460  
00:22:16,940 --> 00:22:13,860  
not a candidate in their their mind I

461  
00:22:19,160 --> 00:22:16,950  
still would like to pursue eventually to

462  
00:22:22,400 --> 00:22:19,170  
go and try to find doctor kit green and

463  
00:22:24,200 --> 00:22:22,410

kind of like possibly talk to him but

464

00:22:26,360 --> 00:22:24,210

again from what I've been told

465

00:22:28,810 --> 00:22:26,370

he's very apprehensive to talking to

466

00:22:31,250 --> 00:22:28,820

people and I don't want to just bug

467

00:22:33,830 --> 00:22:31,260

random stranger I know that I wouldn't

468

00:22:35,720 --> 00:22:33,840

like that so I've got to kind of pick

469

00:22:37,820 --> 00:22:35,730

and choose whether I really want to do

470

00:22:41,000 --> 00:22:37,830

that or not it's very tempting because

471

00:22:42,920 --> 00:22:41,010

again he lives not that far away from me

472

00:22:44,960 --> 00:22:42,930

I know exactly what hospital he works at

473

00:22:52,040 --> 00:22:44,970

I know exactly what department he works

474

00:22:55,190 --> 00:22:52,050

at so it's kind of hard for me we'll see

475

00:22:59,090 --> 00:22:55,200

maybe eventually if I work up gumption

476

00:23:01,970 --> 00:22:59,100

maybe I'll do that I don't know but as

477

00:23:03,920 --> 00:23:01,980

far as the actual study they were very

478

00:23:06,770 --> 00:23:03,930

tight-lipped other than yes I had to

479

00:23:08,780 --> 00:23:06,780

sign NDA and you will have to give blood

480

00:23:10,730 --> 00:23:08,790

and you would have to basically I would

481

00:23:12,740 --> 00:23:10,740

have since I'm not in California I would

482

00:23:14,630 --> 00:23:12,750

have to obviously be tested here in

483

00:23:17,060 --> 00:23:14,640

Michigan and then they did probably send

484

00:23:20,870 --> 00:23:17,070

that those samples to Gary Nolan and

485

00:23:22,789 --> 00:23:20,880

California so you know I don't know more

486

00:23:25,580 --> 00:23:22,799

than that they don't tell you a whole

487

00:23:28,190 --> 00:23:25,590

lot and you know you guys dealt with

488

00:23:30,320 --> 00:23:28,200

during on he kind of yeah he'll let you

489

00:23:33,049 --> 00:23:30,330

eat on some things but he also holds his

490

00:23:36,710 --> 00:23:33,059

cards tied to his chest he doesn't tell

491

00:23:38,690 --> 00:23:36,720

you everything and you know there was

492

00:23:40,340 --> 00:23:38,700

also a lot of you'd ask him a question

493

00:23:41,930 --> 00:23:40,350

he'd say that's a good question i l

494

00:23:43,789 --> 00:23:41,940

don't know the answer I got to find out

495

00:23:46,159 --> 00:23:43,799

and then you would never get the answer

496

00:23:47,899 --> 00:23:46,169

you know I have no doubt that he asked

497

00:23:50,629 --> 00:23:47,909

but it's like you probably didn't get

498

00:23:52,909 --> 00:23:50,639

the answer either you Walt yeah and then

499

00:23:54,830 --> 00:23:52,919

I don't honestly know how much they're

500

00:23:57,529 --> 00:23:54,840

actually including him in on because

501  
00:24:01,460 --> 00:23:57,539  
he's technically just a the scientific

502  
00:24:03,379 --> 00:24:01,470  
adviser to to the stars and his study

503  
00:24:07,190 --> 00:24:03,389  
that he's doing with green is actually

504  
00:24:09,740 --> 00:24:07,200  
separate from two stars so and they kind

505  
00:24:12,200 --> 00:24:09,750  
of lean on it but to kind of dump so I I

506  
00:24:14,450 --> 00:24:12,210  
don't know how much of the crossover

507  
00:24:17,450 --> 00:24:14,460  
there is I don't know it is interesting

508  
00:24:22,129 --> 00:24:17,460  
that he is talking again and at least on

509  
00:24:30,590 --> 00:24:22,139  
Twitter and but he's again he's like the

510  
00:24:32,720 --> 00:24:30,600  
Riddler you know he'll well yeah let's

511  
00:24:34,639 --> 00:24:32,730  
let's double back to the experiences

512  
00:24:36,200 --> 00:24:34,649  
that you had yourself that put you in a

513  
00:24:37,240 --> 00:24:36,210

position to at least be talking to these

514

00:24:40,580 --> 00:24:37,250

guys a little bit

515

00:24:43,310 --> 00:24:40,590

you said day you had one at beginning at

516

00:24:45,889 --> 00:24:43,320

four that's pretty young yeah it was

517

00:24:48,019 --> 00:24:45,899

that my grandmother's house here in the

518

00:24:51,830 --> 00:24:48,029

thumb of Michigan and a small town

519

00:24:54,769 --> 00:24:51,840

called sibling I would spend routinely

520

00:24:56,629 --> 00:24:54,779

like like part of my summer there and it

521

00:25:02,840 --> 00:24:56,639

this took place in the summertime in

522

00:25:05,330 --> 00:25:02,850

1984 and I will say this I don't know

523

00:25:08,299 --> 00:25:05,340

what I interacted with just the the

524

00:25:11,360 --> 00:25:08,309

before I get into this the this story I

525

00:25:15,169 --> 00:25:11,370

don't know what I interacted with but I

526

00:25:17,389 --> 00:25:15,179

will say that it did take place and the

527

00:25:19,519 --> 00:25:17,399

reason why I know that is because of my

528

00:25:23,450 --> 00:25:19,529

sense of smell you can't smell in your

529

00:25:25,279 --> 00:25:23,460

dreams now I say that by there is a

530

00:25:27,080 --> 00:25:25,289

researcher that everybody should be

531

00:25:28,789 --> 00:25:27,090

reading his books he's a good friend of

532

00:25:30,860 --> 00:25:28,799

mine Josh McCutcheon the brimstone

533

00:25:33,770 --> 00:25:30,870

deceit book is

534

00:25:37,780 --> 00:25:33,780

fantastic because it shows without a

535

00:25:40,580 --> 00:25:37,790

shadow of doubt that your sense of smell

536

00:25:46,130 --> 00:25:40,590

with paranormal events or even UFO

537

00:25:49,040 --> 00:25:46,140

events is very much part of the van it's

538

00:25:51,080 --> 00:25:49,050

almost more so than anything else that's

539

00:25:53,060 --> 00:25:51,090

taking place you would think that's not

540

00:25:55,220 --> 00:25:53,070

the case but when you read this book you

541

00:25:59,570 --> 00:25:55,230

kind of see that the sense of smell is a

542

00:26:02,840 --> 00:25:59,580

very unique sense in that it actually

543

00:26:04,430 --> 00:26:02,850

records it on your brain where if you

544

00:26:06,290 --> 00:26:04,440

remember something you kind of forget it

545

00:26:07,820 --> 00:26:06,300

but if it's something significant and

546

00:26:10,460 --> 00:26:07,830

you can remember that smell

547

00:26:11,660 --> 00:26:10,470

you're you almost like go back to what

548

00:26:17,270 --> 00:26:11,670

happened to you

549

00:26:19,580 --> 00:26:17,280

so there's summertime I don't know

550

00:26:22,310 --> 00:26:19,590

exactly what month in the summer but was

551  
00:26:24,470 --> 00:26:22,320  
summertime in 1984 I would spend like I

552  
00:26:29,120 --> 00:26:24,480  
said summers up with my grandma there

553  
00:26:31,220 --> 00:26:29,130  
and she had fall asleep and she did not

554  
00:26:34,790 --> 00:26:31,230  
have a bed for me and I would just sleep

555  
00:26:38,030 --> 00:26:34,800  
in her same bed and she left the door

556  
00:26:40,940 --> 00:26:38,040  
open and when you would look through

557  
00:26:44,120 --> 00:26:40,950  
that door opening you would lead you to

558  
00:26:46,040 --> 00:26:44,130  
a big bay window and I just got the

559  
00:26:48,380 --> 00:26:46,050  
sense to wake up

560  
00:26:50,030 --> 00:26:48,390  
nothing told me they just I get the

561  
00:26:52,970 --> 00:26:50,040  
sense that hey wake up

562  
00:26:55,340 --> 00:26:52,980  
as I woke up and was looking out that

563  
00:26:58,970 --> 00:26:55,350

bay window through the door frame

564

00:27:00,919 --> 00:26:58,980

because the door was open and again I

565

00:27:03,020 --> 00:27:00,929

know this is gonna sound weird but from

566

00:27:05,150 --> 00:27:03,030

what I've been talking to other

567

00:27:08,600 --> 00:27:05,160

experiences and other researchers the

568

00:27:12,290 --> 00:27:08,610

weird is the more likely it really did

569

00:27:14,780 --> 00:27:12,300

happen because the weirder it gets yes

570

00:27:18,560 --> 00:27:14,790

yes yes I understand exactly what you're

571

00:27:21,740 --> 00:27:18,570

talking about keep God so basically what

572

00:27:23,750 --> 00:27:21,750

I can articulate is it was like the

573

00:27:27,140 --> 00:27:23,760

Apollo rocket was leaning in Reverse so

574

00:27:28,640 --> 00:27:27,150

basically a SpaceX a SpaceX rocket was

575

00:27:31,669 --> 00:27:28,650

landing before obviously there was a

576  
00:27:34,700 --> 00:27:31,679  
SpaceX rocket it was laying in Reverse

577  
00:27:39,980 --> 00:27:34,710  
and the next thing I remember was

578  
00:27:42,440 --> 00:27:39,990  
there's three gray I will say gray beans

579  
00:27:44,630 --> 00:27:42,450  
in the room that would look like the

580  
00:27:47,000 --> 00:27:44,640  
prototypical Whitley Strieber

581  
00:27:48,380 --> 00:27:47,010  
Union gray aliens I'm not gonna say

582  
00:27:50,390 --> 00:27:48,390  
they're aliens because I don't know what

583  
00:27:51,980 --> 00:27:50,400  
they are I don't know where they came

584  
00:27:53,600 --> 00:27:51,990  
from they didn't show me star map they

585  
00:27:57,230 --> 00:27:53,610  
didn't talk to me they didn't do

586  
00:28:00,320 --> 00:27:57,240  
anything they just were there the next

587  
00:28:03,550 --> 00:28:00,330  
thing I remember is being outside on the

588  
00:28:06,200 --> 00:28:03,560

side of the house were it would be I

589

00:28:08,770 --> 00:28:06,210

would say word that Apollo rocket had

590

00:28:11,480 --> 00:28:08,780

landed but it wasn't there at that time

591

00:28:13,490 --> 00:28:11,490

and I get the sense that that was not

592

00:28:17,390 --> 00:28:13,500

walking but floating because I don't

593

00:28:21,320 --> 00:28:17,400

remember touching the ground and they

594

00:28:24,560 --> 00:28:21,330

just basically floated me to the other

595

00:28:29,090 --> 00:28:24,570

side of the house where the corn field

596

00:28:31,280 --> 00:28:29,100

was pretty tall but wasn't the full

597

00:28:33,500 --> 00:28:31,290

length yet but it's pretty tall and at

598

00:28:36,350 --> 00:28:33,510

that point two things happened one I

599

00:28:40,550 --> 00:28:36,360

could hear a hooting of an owl and then

600

00:28:43,460 --> 00:28:40,560

a much taller maybe some foot tall again

601  
00:28:46,310 --> 00:28:43,470  
typical communion grey alien came out of

602  
00:28:49,940 --> 00:28:46,320  
the cornfield and that's all I remember

603  
00:28:52,490 --> 00:28:49,950  
of that the next thing I remember I was

604  
00:28:55,880 --> 00:28:52,500  
back in my grandmother's bedroom I'm

605  
00:28:58,100 --> 00:28:55,890  
looking back out that door frame back

606  
00:29:00,920 --> 00:28:58,110  
through the bay window and that same

607  
00:29:04,280 --> 00:29:00,930  
Apollo rocket taking back off and it was

608  
00:29:06,200 --> 00:29:04,290  
gone next morning comes I tell my

609  
00:29:07,820 --> 00:29:06,210  
grandmother hey did you see that rocket

610  
00:29:11,600 --> 00:29:07,830  
she's like oh Chris you were just

611  
00:29:14,840 --> 00:29:11,610  
imagining you're dreaming but like I

612  
00:29:17,780 --> 00:29:14,850  
said that sense of smell came back and

613  
00:29:20,620 --> 00:29:17,790

it was always imprinted on me that when

614

00:29:24,050 --> 00:29:20,630

you excuse me when you grow up on a farm

615

00:29:27,650 --> 00:29:24,060

or you're around a farm there is that

616

00:29:30,500 --> 00:29:27,660

sulfur smelled the earth it's like you

617

00:29:31,550 --> 00:29:30,510

cannot mistake that and the entire time

618

00:29:35,210 --> 00:29:31,560

that we were in the side of the house

619

00:29:38,000 --> 00:29:35,220

where the cornfield was I could smell

620

00:29:40,220 --> 00:29:38,010

that imprinted on me I can like gray now

621

00:29:42,710 --> 00:29:40,230

I could just I'm right back at that time

622

00:29:45,920 --> 00:29:42,720

in 1984 I could just I could see it my

623

00:29:47,570 --> 00:29:45,930

mind that that that's what happened I'm

624

00:29:48,200 --> 00:29:47,580

not dreaming this and then not making

625

00:29:52,970 --> 00:29:48,210

this up

626

00:29:55,690 --> 00:29:52,980

soul fish flash forward to 2016 I had a

627

00:29:58,010 --> 00:29:55,700

conversation with my clone the owl guy

628

00:30:00,920 --> 00:29:58,020

the the guy who wrote

629

00:30:05,000 --> 00:30:00,930

both excuse me both those books on UFOs

630

00:30:07,490 --> 00:30:05,010

and abductees and howls on how they all

631

00:30:11,660 --> 00:30:07,500

come together he found it very

632

00:30:14,150 --> 00:30:11,670

interesting to that the sense of smell

633

00:30:15,140 --> 00:30:14,160

was very pronounced he thought that was

634

00:30:17,870 --> 00:30:15,150

very interesting

635

00:30:19,730 --> 00:30:17,880

the other interesting thing he thought

636

00:30:34,360 --> 00:30:19,740

was the fact that I had open-heart

637

00:30:42,410 --> 00:30:40,250

get some water go ahead Frank talk about

638

00:30:44,420 --> 00:30:42,420

something that yeah yeah I've seen that

639

00:30:46,310 --> 00:30:44,430

book and I was thinking the owl said

640

00:30:49,760 --> 00:30:46,320

that is kind of odd it never gave much

641

00:30:53,990 --> 00:30:49,770

thought to it but apparently it does

642

00:30:56,390 --> 00:30:54,000

come up not infrequently yeah it was

643

00:31:00,970 --> 00:30:56,400

interesting to talk to him because he

644

00:31:04,430 --> 00:31:00,980

also lived in Michigan during his youth

645

00:31:07,310 --> 00:31:04,440

and he had an experience in Southfield

646

00:31:10,760 --> 00:31:07,320

which is not that far away from me and

647

00:31:12,800 --> 00:31:10,770

he was walking home from school and he

648

00:31:16,400 --> 00:31:12,810

got or from a football game excuse me

649

00:31:17,810 --> 00:31:16,410

and got basically taken but he just

650

00:31:22,340 --> 00:31:17,820

thought that was very interesting and he

651  
00:31:24,620 --> 00:31:22,350  
said the other thing that is in his

652  
00:31:29,810 --> 00:31:24,630  
research that would really really really

653  
00:31:33,800 --> 00:31:29,820  
bothers me and it bothers my wife excuse

654  
00:31:37,150 --> 00:31:33,810  
me I'm so sorry guys um was in his

655  
00:31:41,260 --> 00:31:37,160  
research and this is kind of creepy

656  
00:31:44,200 --> 00:31:41,270  
people who have a name Chris or

657  
00:31:47,810 --> 00:31:44,210  
permutations of Christopher Christoph

658  
00:31:51,520 --> 00:31:47,820  
Christine they tend to have interactions

659  
00:31:55,130 --> 00:31:51,530  
with such phenomenon and I was like what

660  
00:31:58,310 --> 00:31:55,140  
he's like yeah I'm like what he goes

661  
00:32:00,260 --> 00:31:58,320  
awesome this I did not say this or talk

662  
00:32:02,720 --> 00:32:00,270  
to him about this he just asked me

663  
00:32:06,200 --> 00:32:02,730

point-blank he's like are you German to

664

00:32:11,060 --> 00:32:06,210

people who with German hereditary are

665

00:32:11,690 --> 00:32:11,070

with a heritage tend to also be involved

666

00:32:16,159 --> 00:32:11,700

with this fan

667

00:32:19,850 --> 00:32:16,169

I was like oMG holy mackerel

668

00:32:22,190 --> 00:32:19,860

so that for me confirmed like this

669

00:32:25,490 --> 00:32:22,200

this event really did take place and

670

00:32:27,560 --> 00:32:25,500

then no I just add just a jump in here

671

00:32:29,899 --> 00:32:27,570

real quick a Wolford that that's a

672

00:32:31,549 --> 00:32:29,909

pretty English name is it not yeah

673

00:32:33,710 --> 00:32:31,559

that's on my dad's side but alright so

674

00:32:37,730 --> 00:32:33,720

your mom's side now your grandmother

675

00:32:39,919 --> 00:32:37,740

Rossio it was she your dad's mom or she

676

00:32:44,389 --> 00:32:39,929

your mom my mom's mom there you go there

677

00:32:46,490 --> 00:32:44,399

you go yeah exactly so just it really is

678

00:32:53,000 --> 00:32:46,500

going against me that this really did

679

00:32:56,419 --> 00:32:53,010

take place so basically saw from 4 to 11

680

00:32:59,029 --> 00:32:56,429

I don't I didn't I didn't get involved

681

00:33:01,700 --> 00:32:59,039

with the subject really I'd hear about

682

00:33:02,629 --> 00:33:01,710

UFO here there but I really kind of just

683

00:33:07,549 --> 00:33:02,639

forgot about it

684

00:33:11,899 --> 00:33:07,559

and then it wasn't until 11 when we were

685

00:33:12,889 --> 00:33:11,909

on Sanibel Island and we had gone there

686

00:33:15,320 --> 00:33:12,899

for spring break

687

00:33:18,169 --> 00:33:15,330

my parents had taken me and some of my

688

00:33:21,379 --> 00:33:18,179

other family members and we were there

689

00:33:23,060 --> 00:33:21,389

and we saw some orange glowing orbs that

690

00:33:26,029 --> 00:33:23,070

were doing maneuvers that aircrafts

691

00:33:28,610 --> 00:33:26,039

couldn't do and this is shortly after I

692

00:33:31,039 --> 00:33:28,620

would say the Gulf Breeze flap had kind

693

00:33:32,690 --> 00:33:31,049

of died down a little bit and that was

694

00:33:35,779 --> 00:33:32,700

interesting because the stuff that these

695

00:33:38,029 --> 00:33:35,789

orbs were doing I was very like

696

00:33:42,620 --> 00:33:38,039

technical there's no way an airplane

697

00:33:44,180 --> 00:33:42,630

could do that in my opinion so we saw

698

00:33:46,909 --> 00:33:44,190

that there was multiple witnesses I

699

00:33:48,379 --> 00:33:46,919

would say 1213 people saw that there was

700

00:33:50,450 --> 00:33:48,389

one win as soon as the doctor who kept

701  
00:33:52,279 --> 00:33:50,460  
saying it was a boat mast and my father

702  
00:33:54,019 --> 00:33:52,289  
and I were like there's no way at the

703  
00:33:55,310 --> 00:33:54,029  
bow mass it's too high in the sky but

704  
00:33:57,860 --> 00:33:55,320  
whatever if you want to say it's a boat

705  
00:34:02,090 --> 00:33:57,870  
mast it's a boat mass for you and then

706  
00:34:04,039 --> 00:34:02,100  
not till 1993 I was walking to middle

707  
00:34:06,590 --> 00:34:04,049  
school on that middle school my bus stop

708  
00:34:08,990 --> 00:34:06,600  
excused me for middle school and I got

709  
00:34:12,290 --> 00:34:09,000  
the sense that somebody's watching me so

710  
00:34:14,629 --> 00:34:12,300  
I turned around and above the pine tree

711  
00:34:18,290 --> 00:34:14,639  
that was in front of our house maybe 50

712  
00:34:20,869 --> 00:34:18,300  
feet above that was a bob lazar sport

713  
00:34:24,740 --> 00:34:20,879

model clears day there's a daylight

714

00:34:25,490 --> 00:34:24,750

sighting and as soon as I said oh my god

715

00:34:30,290 --> 00:34:25,500

it blinked

716

00:34:32,270 --> 00:34:30,300

was gone and then from 93 until 2016 I

717

00:34:34,340 --> 00:34:32,280

didn't have any events and really to be

718

00:34:36,680 --> 00:34:34,350

honest I kind of lost interest in this

719

00:34:39,830 --> 00:34:36,690

whole field and this whole topic to be

720

00:34:43,129 --> 00:34:39,840

honest I was until 2016 when they

721

00:34:47,990 --> 00:34:43,139

decided to interact with me again I

722

00:34:52,520 --> 00:34:48,000

would say so what what happened then

723

00:34:56,750 --> 00:34:52,530

what happened in 2016 what this one was

724

00:35:01,100 --> 00:34:56,760

interesting and won the respect of I

725

00:35:03,050 --> 00:35:01,110

thought it was going crazy because I

726

00:35:08,180 --> 00:35:03,060

started to really start to look at this

727

00:35:12,050 --> 00:35:08,190

topic again and take it seriously and

728

00:35:14,390 --> 00:35:12,060

really dig down and deep into it and I

729

00:35:16,430 --> 00:35:14,400

decided I was gonna go to this MUFON

730

00:35:18,050 --> 00:35:16,440

conference the State Michigan State

731

00:35:24,440 --> 00:35:18,060

Michigan MUFON conference the big one

732

00:35:26,960 --> 00:35:24,450

there was the anniversary for the swamp

733

00:35:30,710 --> 00:35:26,970

gas right all right right swamp gas

734

00:35:32,960 --> 00:35:30,720

sighting but I want to leave in the

735

00:35:35,390 --> 00:35:32,970

morning to go to the conference I go

736

00:35:38,120 --> 00:35:35,400

step out my front door of my house and

737

00:35:41,030 --> 00:35:38,130

also the voice is not my own entered my

738

00:35:43,340 --> 00:35:41,040

mind said if you go to this conference

739

00:35:45,650 --> 00:35:43,350

we will no longer interact with you and

740

00:35:47,450 --> 00:35:45,660

I just paused so that's interesting

741

00:35:48,170 --> 00:35:47,460

didn't really think much about it at

742

00:35:50,360 --> 00:35:48,180

that point

743

00:35:51,680 --> 00:35:50,370

and continue on my way went to the

744

00:35:54,110 --> 00:35:51,690

conference didn't think a whole lot

745

00:35:57,200 --> 00:35:54,120

until I got home from the conference

746

00:35:59,840 --> 00:35:57,210

then it kind of dawned on me like that

747

00:36:02,060 --> 00:35:59,850

was really weird it's like am I going

748

00:36:05,300 --> 00:36:02,070

nuts I know enough on that going nuts

749

00:36:08,210 --> 00:36:05,310

but that wasn't my voice it was it

750

00:36:14,570 --> 00:36:08,220

stopped me in my tracks then it wasn't

751  
00:36:17,480 --> 00:36:14,580  
until May or run on Memorial Day of 2017

752  
00:36:20,630 --> 00:36:17,490  
so last year again similar thing but

753  
00:36:22,850 --> 00:36:20,640  
this time we were in upstate New York my

754  
00:36:25,910 --> 00:36:22,860  
wife wanted to go to Sharon Springs New

755  
00:36:28,220 --> 00:36:25,920  
York for something that she wanted to go

756  
00:36:29,960 --> 00:36:28,230  
do is like a little mini vacation now

757  
00:36:32,900 --> 00:36:29,970  
we're sitting in this hotel room with my

758  
00:36:35,870 --> 00:36:32,910  
daughter and again the same kind of

759  
00:36:39,040 --> 00:36:35,880  
voice came in my mind and told me you

760  
00:36:42,070 --> 00:36:39,050  
need to pay attention to Robert Bigelow

761  
00:36:44,020 --> 00:36:42,080  
and how he I'm surmising I don't

762  
00:36:46,990 --> 00:36:44,030  
remember exactly what it said but

763  
00:36:48,190 --> 00:36:47,000

basically the message was you need to

764

00:36:51,880 --> 00:36:48,200

take a look at him

765

00:36:54,010 --> 00:36:51,890

excuse me and how he relates to the long

766

00:36:56,230 --> 00:36:54,020

effort which I thought was very

767

00:36:57,150 --> 00:36:56,240

interesting no wonder you're such a good

768

00:36:59,800 --> 00:36:57,160

fan

769

00:37:06,820 --> 00:36:59,810

I'm sorry what did you say no wonder

770

00:37:10,210 --> 00:37:06,830

you're such a big fan yeah yeah I I get

771

00:37:12,520 --> 00:37:10,220

so much for that but whatever but but

772

00:37:14,770 --> 00:37:12,530

you are and I think I think all three of

773

00:37:17,050 --> 00:37:14,780

us are you know I mean we all have our

774

00:37:19,720 --> 00:37:17,060

criticisms here and there but by and

775

00:37:21,730 --> 00:37:19,730

large this show wouldn't be happening if

776

00:37:24,250 --> 00:37:21,740

it wasn't for their efforts oh yeah why

777

00:37:27,970 --> 00:37:24,260

they're doing what they're doing some

778

00:37:30,310 --> 00:37:27,980

things over absolutely now you uh you've

779

00:37:31,450 --> 00:37:30,320

been a little bit critical of some of

780

00:37:32,830 --> 00:37:31,460

the researchers out there have been

781

00:37:47,260 --> 00:37:32,840

taking some shots at them

782

00:37:49,270 --> 00:37:47,270

oh yes possibly I don't know or at least

783

00:37:51,430 --> 00:37:49,280

people made the friend me I don't know

784

00:37:53,140 --> 00:37:51,440

and I really don't care I'm not trying

785

00:37:55,750 --> 00:37:53,150

to like bang off anybody but it's the

786

00:37:59,140 --> 00:37:55,760

truth and actually a little disclaimer

787

00:38:03,640 --> 00:37:59,150

Frank and I talked back in April on on

788

00:38:05,170 --> 00:38:03,650

skype about this whole ordeal and I had

789

00:38:07,240 --> 00:38:05,180

photographic proof that I sent to him

790

00:38:08,980 --> 00:38:07,250

that I'm not just making this up I

791

00:38:11,440 --> 00:38:08,990

really did have these conversations with

792

00:38:13,990 --> 00:38:11,450

these people so what do you want to

793

00:38:17,290 --> 00:38:14,000

begin Robby Graham Orange Ibanez neguin

794

00:38:23,020 --> 00:38:21,190

I saw something from that dr. Joe Burke

795

00:38:26,650 --> 00:38:23,030

so we'd been on our Shore a few weeks

796

00:38:28,359 --> 00:38:26,660

back posted from Graham rubbed me the

797

00:38:35,170 --> 00:38:28,369

wrong way it really wasn't about to the

798

00:38:37,150 --> 00:38:35,180

stars per se but it was about I thought

799

00:38:40,660 --> 00:38:37,160

I thought it was a rather elitist and

800

00:38:43,359 --> 00:38:40,670

really exclusionary in terms of people

801  
00:38:44,320 --> 00:38:43,369  
getting involved in UFOs that well

802  
00:38:46,510 --> 00:38:44,330  
here's Yachvili

803  
00:38:48,700 --> 00:38:46,520  
and you know who do you think you are

804  
00:38:51,400 --> 00:38:48,710  
compared with him and you know it's like

805  
00:38:53,529 --> 00:38:51,410  
I'm an old hockey player you know I

806  
00:38:54,730 --> 00:38:53,539  
I am I was a hockey player when I was

807  
00:38:56,200 --> 00:38:54,740  
younger you know who's never Wayne

808  
00:38:59,109 --> 00:38:56,210  
Gretzky but that didn't keep me from

809  
00:39:01,390 --> 00:38:59,119  
playing yeah you know what I mean yeah

810  
00:39:08,440 --> 00:39:01,400  
that was something I didn't like so what

811  
00:39:11,770 --> 00:39:08,450  
what a gram say that you didn't so I

812  
00:39:13,029 --> 00:39:11,780  
have a good relationship I would say or

813  
00:39:15,430 --> 00:39:13,039

at least they did up until this point

814

00:39:18,370 --> 00:39:15,440

this interview if he's listening he's

815

00:39:21,640 --> 00:39:18,380

probably not but whatever Robert Gamez a

816

00:39:24,099 --> 00:39:21,650

good guy and he's always been very nice

817

00:39:27,730 --> 00:39:24,109

to me when I talked to him and I've

818

00:39:31,420 --> 00:39:27,740

talked to him quite a lot via facebook

819

00:39:33,250 --> 00:39:31,430

Messenger he's been very kind to me so

820

00:39:36,160 --> 00:39:33,260

I'm not like again I'm not trying to

821

00:39:39,160 --> 00:39:36,170

bash him we can disagree without being

822

00:39:41,710 --> 00:39:39,170

disagreeable yeah but I'm gonna stay

823

00:39:45,250 --> 00:39:41,720

fact and the fact of the matter is is

824

00:39:47,380 --> 00:39:45,260

for a year leading up to the October

825

00:39:50,410 --> 00:39:47,390

11th press conference for to the stars

826

00:39:53,980 --> 00:39:50,420

all he did was try to throw me off the

827

00:39:56,109 --> 00:39:53,990

the told the long train he kept telling

828

00:39:57,819 --> 00:39:56,119

me it's a waste your time to waste your

829

00:39:59,589 --> 00:39:57,829

time don't bother with it

830

00:40:01,480 --> 00:39:59,599

don't bother with time too long there's

831

00:40:04,839 --> 00:40:01,490

nothing gonna come of it and he was very

832

00:40:06,940 --> 00:40:04,849

adamant that he's be that Tom DeLonge is

833

00:40:08,589 --> 00:40:06,950

being used by the intelligence community

834

00:40:11,559 --> 00:40:08,599

for something that we'll never truly

835

00:40:14,859 --> 00:40:11,569

know and I just never bought that I was

836

00:40:16,809 --> 00:40:14,869

like Robbie I disagree with you but I

837

00:40:18,190 --> 00:40:16,819

love your book silver screen saucer is

838

00:40:20,200 --> 00:40:18,200

probably one of the best written UFO

839

00:40:22,779 --> 00:40:20,210

books ever in the last 15 years

840

00:40:25,329 --> 00:40:22,789

but I totally disagree with you and he

841

00:40:26,680 --> 00:40:25,339

for a year would just say Chris why

842

00:40:29,079 --> 00:40:26,690

you're wasting your time and then he

843

00:40:31,900 --> 00:40:29,089

bought those two pieces for mysterious

844

00:40:34,390 --> 00:40:31,910

universe part 1 and part 2 that the long

845

00:40:36,789 --> 00:40:34,400

delusion which again at that point I

846

00:40:39,700 --> 00:40:36,799

don't even think really looking back in

847

00:40:42,190 --> 00:40:39,710

it now he kind of got a lot of things

848

00:40:44,829 --> 00:40:42,200

wrong with the whole dawn delusion both

849

00:40:47,109 --> 00:40:44,839

parts but whatever that's a criticism of

850

00:40:50,410 --> 00:40:47,119

mine so he just tried to throw me off

851  
00:40:51,039 --> 00:40:50,420  
and not say that this was gonna amount

852  
00:40:53,680 --> 00:40:51,049  
to anything

853  
00:40:55,510 --> 00:40:53,690  
and that there was and then though in

854  
00:40:56,829 --> 00:40:55,520  
the last conversations he just kept

855  
00:40:57,490 --> 00:40:56,839  
saying it's going to be money grab it's

856  
00:40:59,859 --> 00:40:57,500  
all about the money

857  
00:41:01,750 --> 00:40:59,869  
that's what all these UFO people say or

858  
00:41:03,010 --> 00:41:01,760  
at least these aleus UFO people it's all

859  
00:41:05,440 --> 00:41:03,020  
about the money that's all they're

860  
00:41:07,359 --> 00:41:05,450  
trying to get money it's stock options

861  
00:41:09,550 --> 00:41:07,369  
it's the same thing it's like you're

862  
00:41:11,620 --> 00:41:09,560  
like a broken record shut up it's it's

863  
00:41:13,930 --> 00:41:11,630

the carrot they always dangle in front

864

00:41:16,150 --> 00:41:13,940

of the UFO community they Dingle that

865

00:41:19,390 --> 00:41:16,160

money carrot because it it separates the

866

00:41:21,250 --> 00:41:19,400

wheat from the chaff the people who will

867

00:41:22,810 --> 00:41:21,260

but clean onto the they're just trying

868

00:41:24,940 --> 00:41:22,820

to make money well clean on to that and

869

00:41:27,790 --> 00:41:24,950

then they won't go any further so any

870

00:41:30,490 --> 00:41:27,800

case Robert Graham him and I disagreed

871

00:41:34,000 --> 00:41:30,500

and then the big point for me where I

872

00:41:38,440 --> 00:41:34,010

kind of knew that I needed to go my

873

00:41:41,980 --> 00:41:38,450

separate way with my research from

874

00:41:46,300 --> 00:41:41,990

talking to Robert Graham is win he kept

875

00:41:49,000 --> 00:41:46,310

telling me that Jacques Vallee quit the

876

00:41:51,670 --> 00:41:49,010

whole - this is before to the stars but

877

00:41:53,380 --> 00:41:51,680

he quit the DeLonge effort and that he

878

00:41:56,770 --> 00:41:53,390

wasn't working with him and he found out

879

00:41:58,750 --> 00:41:56,780

that Tom DeLonge was a fraud and that he

880

00:42:01,569 --> 00:41:58,760

wasn't to be taken seriously in that

881

00:42:05,680 --> 00:42:01,579

this whole time the long Eifert was

882

00:42:09,670 --> 00:42:05,690

gonna be nothing but a joke and then I I

883

00:42:11,680 --> 00:42:09,680

sent that message to Grant Cameron and

884

00:42:14,410 --> 00:42:11,690

grants like I don't know about that

885

00:42:16,780 --> 00:42:14,420

buddy like Chris I don't think that's

886

00:42:19,839 --> 00:42:16,790

the case I I'm talking to people right

887

00:42:23,200 --> 00:42:19,849

now that say that grand Caymans still in

888

00:42:25,270 --> 00:42:23,210

that you know organization now mind you

889

00:42:28,720 --> 00:42:25,280

this is again before to the stars so I

890

00:42:33,430 --> 00:42:28,730

would say this was January or late

891

00:42:35,530 --> 00:42:33,440

December of 2008 2016 early 2017

892

00:42:38,440 --> 00:42:35,540

when this kind of what transpired and

893

00:42:41,620 --> 00:42:38,450

then then I said to Robby grandma said

894

00:42:43,630 --> 00:42:41,630

you know Greg's telling me that you know

895

00:42:46,630 --> 00:42:43,640

John collee stole very much part of this

896

00:42:48,400 --> 00:42:46,640

whole thing and basically Robby's like

897

00:42:51,819 --> 00:42:48,410

you can't believe grant cuz he's just

898

00:42:55,150 --> 00:42:51,829

crazy that's an okay so you're gonna go

899

00:42:57,550 --> 00:42:55,160

that route okay whatever that's fine

900

00:42:59,890 --> 00:42:57,560

and then Christopher blood so share

901  
00:43:01,300 --> 00:42:59,900  
something with me that I don't think he

902  
00:43:05,380 --> 00:43:01,310  
shared with a lot of other people was a

903  
00:43:08,140 --> 00:43:05,390  
photo of him Tom DeLonge and Zach Vella

904  
00:43:11,230 --> 00:43:08,150  
Jacques Frere in the same picture and

905  
00:43:15,430 --> 00:43:11,240  
this was after supposedly Jacques fillet

906  
00:43:18,069 --> 00:43:15,440  
had quit so then I said that or I talked

907  
00:43:18,789 --> 00:43:18,079  
to Robbie grandma about that he's like

908  
00:43:27,069 --> 00:43:18,799  
no that

909  
00:43:29,079 --> 00:43:27,079  
made up oh yeah we're done here so that

910  
00:43:31,089 --> 00:43:29,089  
kind of just turned me off to Robby

911  
00:43:33,759 --> 00:43:31,099  
Graham and now he doesn't really talk

912  
00:43:36,189 --> 00:43:33,769  
about the whole two stars thing at all

913  
00:43:39,429 --> 00:43:36,199

he just says it's beyond him he's well

914

00:43:41,199 --> 00:43:39,439

he's elitist now he doesn't he he shoves

915

00:43:43,569 --> 00:43:41,209

his nose in there whenever it gets

916

00:43:46,559 --> 00:43:43,579

talked about which that's fine and most

917

00:43:49,539 --> 00:43:46,569

beautiful researchers oh I should say a

918

00:43:51,729 --> 00:43:49,549

majority of UFO researchers at least the

919

00:43:53,529 --> 00:43:51,739

big-name ones have kind of shown their

920

00:43:55,569 --> 00:43:53,539

true colors because they see the

921

00:43:57,609 --> 00:43:55,579

tsunamis coming and it's gonna wash them

922

00:44:00,489 --> 00:43:57,619

away because nobody's gonna believe what

923

00:44:03,039 --> 00:44:00,499

were they saying more because the the

924

00:44:06,489 --> 00:44:03,049

long effort is gonna be I would say

925

00:44:09,130 --> 00:44:06,499

probably the lead people to be the ones

926

00:44:11,169 --> 00:44:09,140

talking about the subject it's not going

927

00:44:13,779 --> 00:44:11,179

to be the Robby Graham's the world it's

928

00:44:16,179 --> 00:44:13,789

not gonna be the no I don't want to

929

00:44:17,620 --> 00:44:16,189

mention any other names but it's not

930

00:44:20,679 --> 00:44:17,630

gonna be the people who you think it's

931

00:44:21,819 --> 00:44:20,689

gonna be talking about this no well

932

00:44:23,469 --> 00:44:21,829

there have been a couple guys who I

933

00:44:26,009 --> 00:44:23,479

think have come up really short in terms

934

00:44:29,880 --> 00:44:26,019

of the the materials aspect of all this

935

00:44:33,429 --> 00:44:29,890

the one guy is John Greenawalt who keeps

936

00:44:35,229 --> 00:44:33,439

that keeps harping on FOIA requests that

937

00:44:39,640 --> 00:44:35,239

whatever he doesn't seem to get about

938

00:44:42,249 --> 00:44:39,650

all this is that not all this is in

939

00:44:44,529 --> 00:44:42,259

government hands a lot of this material

940

00:44:47,910 --> 00:44:44,539

has been floating around in private

941

00:44:50,289 --> 00:44:47,920

hands for years and as a result of that

942

00:44:52,689 --> 00:44:50,299

what does a FOIA request going to get

943

00:44:55,479 --> 00:44:52,699

you the government never had it never

944

00:44:57,219 --> 00:44:55,489

held it never studied it so they're not

945

00:44:58,900 --> 00:44:57,229

going to have anything on it so it's

946

00:45:01,929 --> 00:44:58,910

like if you're a hammer everything looks

947

00:45:03,279 --> 00:45:01,939

like a nail to you and for your requests

948

00:45:05,559 --> 00:45:03,289

are just not going to solve that and

949

00:45:07,150 --> 00:45:05,569

these running around saying well I've

950

00:45:09,339 --> 00:45:07,160

sent for your requests I'm not getting

951  
00:45:11,199 --> 00:45:09,349  
anywhere with them well you know guess

952  
00:45:12,609 --> 00:45:11,209  
what you're not gonna get anywhere with

953  
00:45:14,919 --> 00:45:12,619  
for your requests on that particular

954  
00:45:17,140 --> 00:45:14,929  
aspect but there's a lot out there and

955  
00:45:19,989 --> 00:45:17,150  
another guy who did an interview I think

956  
00:45:21,400 --> 00:45:19,999  
with a UFO hub who generally is well

957  
00:45:25,419 --> 00:45:21,410  
regarded generally I well-regarded

958  
00:45:28,449 --> 00:45:25,429  
Richard Dolan he's talking about the the

959  
00:45:30,850 --> 00:45:28,459  
discrepancy between alloys and meta

960  
00:45:34,870 --> 00:45:30,860  
materials it was deliberate and

961  
00:45:37,090 --> 00:45:34,880  
it was a you know a CIA plot that they

962  
00:45:39,760 --> 00:45:37,100  
deliberately planned that it's just a

963  
00:45:41,860 --> 00:45:39,770

language discrepancy it's not that big a

964

00:45:43,090 --> 00:45:41,870

deal and he's talking about his sources

965

00:45:44,980 --> 00:45:43,100

are telling him this about men and

966

00:45:46,330 --> 00:45:44,990

materials you've got three scientists

967

00:45:49,270 --> 00:45:46,340

are on the record talking about this

968

00:45:50,830 --> 00:45:49,280

stuff Valais himself Nolan who he talked

969

00:45:52,750 --> 00:45:50,840

about planning and also Peter Sturrock

970

00:45:54,240 --> 00:45:52,760

who I mentioned earlier well three of

971

00:45:56,710 --> 00:45:54,250

them are on the record either doing

972

00:46:01,150 --> 00:45:56,720

presentations and before symposiums

973

00:46:03,940 --> 00:46:01,160

writing papers doing a little AMA s

974

00:46:05,500 --> 00:46:03,950

online about it this stuff is out there

975

00:46:07,360 --> 00:46:05,510

it's been out there and they've kind of

976  
00:46:09,280 --> 00:46:07,370  
dropped the ball on this the only other

977  
00:46:11,110 --> 00:46:09,290  
guy besides me who's really compiled a

978  
00:46:13,390 --> 00:46:11,120  
lot of information that regarding this

979  
00:46:15,130 --> 00:46:13,400  
that's pretty accurate is a guy named

980  
00:46:17,290 --> 00:46:15,140  
the red pill junky whose real name I

981  
00:46:20,170 --> 00:46:17,300  
can't remember off the Miguel Romero

982  
00:46:23,710 --> 00:46:20,180  
there you go there you go Miguel yeah

983  
00:46:25,450 --> 00:46:23,720  
yeah yeah he's been on it too and that

984  
00:46:25,840 --> 00:46:25,460  
information is out there make of it what

985  
00:46:28,300 --> 00:46:25,850  
you will

986  
00:46:29,650 --> 00:46:28,310  
but I believe that they believe they're

987  
00:46:31,510 --> 00:46:29,660  
onto something and that's that's really

988  
00:46:33,430 --> 00:46:31,520

as far as it goes there's a limited

989

00:46:36,490 --> 00:46:33,440

amount of information on it not that

990

00:46:38,770 --> 00:46:36,500

much and you know that's kind of the way

991

00:46:40,240 --> 00:46:38,780

it goes but at least even if there's not

992

00:46:41,650 --> 00:46:40,250

a lot of information you should make

993

00:46:43,900 --> 00:46:41,660

sure that your information is accurate

994

00:46:45,250 --> 00:46:43,910

and they're not really doing that

995

00:46:48,190 --> 00:46:45,260

they're not really digging in and

996

00:46:51,370 --> 00:46:48,200

finding out the whole story behind that

997

00:46:53,200 --> 00:46:51,380

aspect of the phenomenon no they really

998

00:46:55,780 --> 00:46:53,210

have dropped the ball I would agree and

999

00:46:59,410 --> 00:46:55,790

John Greenwald is hilarious he gets so

1000

00:47:01,810 --> 00:46:59,420

angry that the fact that how dare the

1001  
00:47:04,630 --> 00:47:01,820  
government not respond to my FOIA

1002  
00:47:06,490 --> 00:47:04,640  
request it's like dude and here's the

1003  
00:47:09,670 --> 00:47:06,500  
other thing I'm gonna get to this with

1004  
00:47:12,280 --> 00:47:09,680  
MJ benaiah and it kind of shows you that

1005  
00:47:14,740 --> 00:47:12,290  
we as a community are being watched and

1006  
00:47:17,890 --> 00:47:14,750  
it's all about how you communicate and

1007  
00:47:21,730 --> 00:47:17,900  
deal with these people on a personal

1008  
00:47:23,830 --> 00:47:21,740  
level even when dr. Nolan was still on

1009  
00:47:25,840 --> 00:47:23,840  
Facebook and I would even probably say

1010  
00:47:27,190 --> 00:47:25,850  
if you're nice to my twitter he'll be

1011  
00:47:29,530 --> 00:47:27,200  
nice to you and he'll give you a little

1012  
00:47:32,710 --> 00:47:29,540  
bit but if you're gonna be a jerk and

1013  
00:47:34,930 --> 00:47:32,720

you're just gonna to say this is this is

1014

00:47:36,390 --> 00:47:34,940

stupid and why are we wasting their time

1015

00:47:38,680 --> 00:47:36,400

cuz it's all about the money again

1016

00:47:41,110 --> 00:47:38,690

they're not gonna give you anything and

1017

00:47:43,570 --> 00:47:41,120

furthermore they're not gonna work with

1018

00:47:44,280 --> 00:47:43,580

you because they're watching everybody

1019

00:47:46,410 --> 00:47:44,290

there

1020

00:47:48,870 --> 00:47:46,420

literally watching everybody I hope

1021

00:47:50,880 --> 00:47:48,880

everybody realizes that they're watching

1022

00:47:52,830 --> 00:47:50,890

all of us I know some people would say

1023

00:47:54,930 --> 00:47:52,840

how do you know that well I know that

1024

00:47:57,150 --> 00:47:54,940

because basically Gary Nolan came out

1025

00:48:00,360 --> 00:47:57,160

and said they hit to the stars

1026

00:48:03,890 --> 00:48:00,370

his people that are watching explicitly

1027

00:48:05,720 --> 00:48:03,900

the UFO community on Facebook okay so I

1028

00:48:08,700 --> 00:48:05,730

don't know what that means like

1029

00:48:09,990 --> 00:48:08,710

intelligence apparatus of to the stars I

1030

00:48:12,330 --> 00:48:10,000

don't think so obviously some of them

1031

00:48:15,450 --> 00:48:12,340

are ex-cia but they're watching us and

1032

00:48:17,820 --> 00:48:15,460

they're trying to see what we do with

1033

00:48:21,000 --> 00:48:17,830

this information so far some of us have

1034

00:48:22,980 --> 00:48:21,010

not been very kind to this whole effort

1035

00:48:24,750 --> 00:48:22,990

and kind of like try to poopoo it before

1036

00:48:28,740 --> 00:48:24,760

it even got going which I don't

1037

00:48:32,310 --> 00:48:28,750

understand so we we beg and we want that

1038

00:48:34,170 --> 00:48:32,320

we want more data a new data and we get

1039

00:48:38,210 --> 00:48:34,180

it but then those people get pissed

1040

00:48:40,410 --> 00:48:38,220

pissy and crappy about it and basically

1041

00:48:43,050 --> 00:48:40,420

shrug their shoulders and say this is

1042

00:48:45,450 --> 00:48:43,060

nothing new when it is it's totally do I

1043

00:48:47,550 --> 00:48:45,460

don't I don't understand his disconnect

1044

00:48:51,050 --> 00:48:47,560

and I just I don't know I don't have

1045

00:48:55,920 --> 00:48:51,060

time for those people anymore really no

1046

00:48:58,980 --> 00:48:55,930

so yeah so getting back to MJ binaya

1047

00:49:02,400 --> 00:48:58,990

so again another guy another younger

1048

00:49:06,330 --> 00:49:02,410

researcher who I respect but I'm gonna

1049

00:49:09,150 --> 00:49:06,340

tell a spade is a spade this story and

1050

00:49:12,000 --> 00:49:09,160

it is it all happened I sent Frank the

1051  
00:49:14,010 --> 00:49:12,010  
photos of the conversations so I'm not

1052  
00:49:16,260 --> 00:49:14,020  
making this up I know MJ probably get

1053  
00:49:18,000 --> 00:49:16,270  
mad for me talking about this but I

1054  
00:49:19,950 --> 00:49:18,010  
don't really care the UFO community

1055  
00:49:22,770 --> 00:49:19,960  
needs to realize there are certain

1056  
00:49:25,530 --> 00:49:22,780  
cliques in this community that don't

1057  
00:49:27,720 --> 00:49:25,540  
want us to succeed whatsoever and they

1058  
00:49:29,970 --> 00:49:27,730  
wanted to desperately fail and they'll

1059  
00:49:35,220 --> 00:49:29,980  
do anything in their power to basically

1060  
00:49:38,100 --> 00:49:35,230  
try to mitigate or talk down about this

1061  
00:49:42,270 --> 00:49:38,110  
whole effort that the long campaign has

1062  
00:49:43,650 --> 00:49:42,280  
had so MJ benaiah again it was right

1063  
00:49:44,760 --> 00:49:43,660

around the time that I was talking to

1064

00:49:47,430 --> 00:49:44,770

Gary Nolan a lot

1065

00:49:49,710 --> 00:49:47,440

MJ by nice message does me out of the

1066

00:49:51,810 --> 00:49:49,720

blue cuz I kind of hinted towards him

1067

00:49:55,080 --> 00:49:51,820

that I was gonna be possibly considered

1068

00:49:57,660 --> 00:49:55,090

for the study and MJ was like in a

1069

00:50:00,150 --> 00:49:57,670

frantic panic mode one day he's a career

1070

00:50:02,160 --> 00:50:00,160

you need to tell dr. Nolan I'm so sorry

1071

00:50:05,550 --> 00:50:02,170

that my two-year-old grabbed my phone in

1072

00:50:07,770 --> 00:50:05,560

December Ghibli gobbly [h\_\_h] message and

1073

00:50:11,190 --> 00:50:07,780

I apologize for that because basically

1074

00:50:15,630 --> 00:50:11,200

what happened was MJ's kid got hold of

1075

00:50:19,070 --> 00:50:15,640

his phone instead of like a a jumbled

1076

00:50:22,380 --> 00:50:19,080

message - Nolan so Nolan took that is

1077

00:50:25,560 --> 00:50:22,390

and they'd be nice messing with them so

1078

00:50:28,740 --> 00:50:25,570

he got pissed although I had every right

1079

00:50:30,540 --> 00:50:28,750

so he got pissed and said you know why

1080

00:50:32,850 --> 00:50:30,550

should I even waste my time with

1081

00:50:35,310 --> 00:50:32,860

somebody like this and that's when he

1082

00:50:38,340 --> 00:50:35,320

let kind of know let slip that hey we're

1083

00:50:40,620 --> 00:50:38,350

watching this community and we were

1084

00:50:43,470 --> 00:50:40,630

watching how you interact with us or

1085

00:50:47,970 --> 00:50:43,480

other members and how we give you

1086

00:50:52,430 --> 00:50:47,980

information basically and MJ screwed

1087

00:50:57,120 --> 00:50:52,440

that relationship a relationship up by a

1088

00:50:59,609 --> 00:50:57,130

he he had told Nolan all right exactly

1089

00:51:02,820 --> 00:50:59,619

what used telling me but I want creative

1090

00:51:03,900 --> 00:51:02,830

control over how I write this piece

1091

00:51:05,490 --> 00:51:03,910

because I guess he was gonna write

1092

00:51:07,380 --> 00:51:05,500

something for his blog or something and

1093

00:51:10,920 --> 00:51:07,390

basically no one says absolutely not

1094

00:51:12,840 --> 00:51:10,930

I get total control over what is written

1095

00:51:15,120 --> 00:51:12,850

about me and the story if you don't like

1096

00:51:17,310 --> 00:51:15,130

that then go take a hike and that's

1097

00:51:19,560 --> 00:51:17,320

where MJ and binaya she's like I'm not

1098

00:51:21,570 --> 00:51:19,570

I'm not gonna give in to that that's a

1099

00:51:25,440 --> 00:51:21,580

that's a totally unacceptable demand

1100

00:51:27,540 --> 00:51:25,450

what you're asking a guy who's connected

1101  
00:51:31,170 --> 00:51:27,550  
to to the Stars she's gonna waste his

1102  
00:51:34,680 --> 00:51:31,180  
time with your little blog and you're

1103  
00:51:36,510 --> 00:51:34,690  
gonna tell him that you want total

1104  
00:51:39,420 --> 00:51:36,520  
control no no I don't think you

1105  
00:51:42,150 --> 00:51:39,430  
understand how this works you have to be

1106  
00:51:44,370 --> 00:51:42,160  
nice to him and kind of like toggle to

1107  
00:51:46,740 --> 00:51:44,380  
his needs it's not the other way around

1108  
00:51:48,960 --> 00:51:46,750  
cuz he's got what you want you had

1109  
00:51:50,940 --> 00:51:48,970  
nothing that he needs why well I went

1110  
00:51:54,000 --> 00:51:50,950  
through this a little bit with dr. Nolan

1111  
00:51:57,630 --> 00:51:54,010  
back in December when we put together my

1112  
00:52:00,990 --> 00:51:57,640  
little story on the materials I think it

1113  
00:52:03,090 --> 00:52:01,000

was really more about being technically

1114

00:52:04,830 --> 00:52:03,100

correct because he had written a lot of

1115

00:52:08,490 --> 00:52:04,840

things sort of on the fly very ad hoc

1116

00:52:10,380 --> 00:52:08,500

and when he saw it and I said basically

1117

00:52:11,279 --> 00:52:10,390

what happened was he started doing this

1118

00:52:16,240 --> 00:52:11,289

and

1119

00:52:19,930 --> 00:52:16,250

Year's just very much on the fly you

1120

00:52:22,960 --> 00:52:19,940

know winging it basically but I'd said

1121

00:52:24,190 --> 00:52:22,970

look this is very valuable material this

1122

00:52:27,460 --> 00:52:24,200

should be out there it's gonna get

1123

00:52:29,319 --> 00:52:27,470

buried at my group under tons of other

1124

00:52:31,870 --> 00:52:29,329

stuff as new stuff comes up what I'd

1125

00:52:34,930 --> 00:52:31,880

like to do is you know take it and

1126  
00:52:37,269 --> 00:52:34,940  
basically copy and paste it over and put

1127  
00:52:38,650 --> 00:52:37,279  
it in an article at my website so people

1128  
00:52:40,690 --> 00:52:38,660  
can see it and they can find it easily

1129  
00:52:42,910 --> 00:52:40,700  
and they can go check it out and he was

1130  
00:52:45,190 --> 00:52:42,920  
fine with that but there were a couple

1131  
00:52:47,380 --> 00:52:45,200  
things that he wanted to clean up from a

1132  
00:52:47,980 --> 00:52:47,390  
technical standpoint and I said yeah

1133  
00:52:50,049 --> 00:52:47,990  
absolutely

1134  
00:52:52,150 --> 00:52:50,059  
let's make sure that we get this right I

1135  
00:52:54,039 --> 00:52:52,160  
had no problems with that and that might

1136  
00:52:55,930 --> 00:52:54,049  
very well be the case you know when you

1137  
00:52:58,180 --> 00:52:55,940  
get into some of this more technical

1138  
00:53:00,789 --> 00:52:58,190

material you want to make sure it's

1139

00:53:03,039 --> 00:53:00,799

right you know what I mean no I know and

1140

00:53:05,890 --> 00:53:03,049

I get that you know yeah I get that back

1141

00:53:10,259 --> 00:53:05,900

wall my qualms with MGB diocese is like

1142

00:53:14,349 --> 00:53:10,269

he was trying to get me to you know get

1143

00:53:16,240 --> 00:53:14,359

dr. green a night dr. doing dr. Nolan to

1144

00:53:18,430 --> 00:53:16,250

come back and talk to him it's like

1145

00:53:20,620 --> 00:53:18,440

that's not my place that's your it's

1146

00:53:22,870 --> 00:53:20,630

your fault okay I get the two year old

1147

00:53:26,289 --> 00:53:22,880

grabs a cell phone and sends a message

1148

00:53:28,960 --> 00:53:26,299

to dr. Nolan yeah you need to email him

1149

00:53:32,470 --> 00:53:28,970

and send Paula Jean blah blah blah blah

1150

00:53:36,849 --> 00:53:32,480

blah but if you're not okay with him

1151  
00:53:39,490 --> 00:53:36,859  
having total control of what he says and

1152  
00:53:41,829 --> 00:53:39,500  
you better print exactly what he says

1153  
00:53:44,170 --> 00:53:41,839  
then why bother wasting your time with

1154  
00:53:46,210 --> 00:53:44,180  
him you know if you know that that's

1155  
00:53:48,730 --> 00:53:46,220  
what he's gonna do is you seen other

1156  
00:53:51,460 --> 00:53:48,740  
people do or interact with them then why

1157  
00:53:54,339 --> 00:53:51,470  
is it such a big deal and MJ was really

1158  
00:53:56,079 --> 00:53:54,349  
mad with me how dare you know this is

1159  
00:53:59,170 --> 00:53:56,089  
why nobody trusts you you know to the

1160  
00:54:00,579 --> 00:53:59,180  
stars Mike no I think they just want to

1161  
00:54:02,079 --> 00:54:00,589  
get stuff right and they don't want you

1162  
00:54:04,390 --> 00:54:02,089  
just to write whatever the hell you so

1163  
00:54:06,339 --> 00:54:04,400

some of it can get very involved and I

1164

00:54:12,190 --> 00:54:06,349

think getting it right is a little bit

1165

00:54:13,809 --> 00:54:12,200

more important than it's a compromise

1166

00:54:16,390 --> 00:54:13,819

but I think it's a compliment it's worth

1167

00:54:21,160 --> 00:54:16,400

it because you want to get things as

1168

00:54:22,990 --> 00:54:21,170

right as possible and that way that was

1169

00:54:25,210 --> 00:54:23,000

my opinion on it I didn't think twice

1170

00:54:27,880 --> 00:54:25,220

about it but in my pin

1171

00:54:32,170 --> 00:54:27,890

that just shows in those two examples

1172

00:54:34,030 --> 00:54:32,180

how cliquish and how naive these

1173

00:54:37,839 --> 00:54:34,040

researchers are and then I've done a

1174

00:54:40,270 --> 00:54:37,849

podcast with MJ bias right shortly after

1175

00:54:43,930 --> 00:54:40,280

the October 11th announcement of two

1176  
00:54:44,710 --> 00:54:43,940  
stars and he on that podcast that's out

1177  
00:54:48,790 --> 00:54:44,720  
there

1178  
00:54:53,589 --> 00:54:48,800  
it was Jason MacLennan's podcast he

1179  
00:54:55,480 --> 00:54:53,599  
tells the group that he never once read

1180  
00:54:58,750 --> 00:54:55,490  
anything the time long has to talked

1181  
00:55:00,400 --> 00:54:58,760  
about or any interviews or listen to any

1182  
00:55:02,440 --> 00:55:00,410  
of the interviews that Tom DeLonge has

1183  
00:55:04,870 --> 00:55:02,450  
given he's just going off the cuff of

1184  
00:55:06,730 --> 00:55:04,880  
what he's seen and heard in the

1185  
00:55:09,010 --> 00:55:06,740  
community so basically going off of

1186  
00:55:11,859 --> 00:55:09,020  
other people's opinions that's not being

1187  
00:55:13,660 --> 00:55:11,869  
a very good researcher now but you get

1188  
00:55:16,089 --> 00:55:13,670

it you get into the telephone game there

1189

00:55:18,250 --> 00:55:16,099

because they don't necessarily recount

1190

00:55:20,530 --> 00:55:18,260

things as they accurately happened and

1191

00:55:24,670 --> 00:55:20,540

it goes through a couple more hands and

1192

00:55:27,760 --> 00:55:24,680

it gets even more jar bold and jumbled

1193

00:55:31,120 --> 00:55:27,770

up and messed up and that's what you end

1194

00:55:33,640 --> 00:55:31,130

up with you end up with going with a

1195

00:55:36,370 --> 00:55:33,650

misrepresentation forming Europeans

1196

00:55:42,940 --> 00:55:36,380

represent with a you end up with Joe

1197

00:55:46,630 --> 00:55:42,950

Rogan so it's just a sad state of

1198

00:55:50,079 --> 00:55:46,640

affairs to see the community not as a

1199

00:55:52,059 --> 00:55:50,089

whole but at least certain cliques have

1200

00:55:54,220 --> 00:55:52,069

dropped the ball because they just they

1201

00:55:55,960 --> 00:55:54,230

desperately don't want this to succeed

1202

00:55:57,670 --> 00:55:55,970

because they don't want to be wrong at

1203

00:55:59,230 --> 00:55:57,680

the end of the day that's what boils

1204

00:56:01,780 --> 00:55:59,240

down to do is they don't want to be

1205

00:56:04,839 --> 00:56:01,790

wrong they want to be proven correct and

1206

00:56:07,870 --> 00:56:04,849

say see we wrote in on a white horse we

1207

00:56:11,380 --> 00:56:07,880

are correct word we are the gods of

1208

00:56:12,730 --> 00:56:11,390

knowledge for this this the subject we

1209

00:56:15,760 --> 00:56:12,740

are the only ones that you should be

1210

00:56:18,880 --> 00:56:15,770

listening to dole is just some a rock

1211

00:56:21,640 --> 00:56:18,890

star in his CIA assets and his

1212

00:56:22,390 --> 00:56:21,650

scientific assets dollars to them they

1213

00:56:22,960 --> 00:56:22,400

don't know what the hell they're talking

1214

00:56:25,359 --> 00:56:22,970

about

1215

00:56:27,730 --> 00:56:25,369

but listen to what no no that's not how

1216

00:56:28,569 --> 00:56:27,740

it works everybody I'm sorry but it's

1217

00:56:31,329 --> 00:56:28,579

not how it works

1218

00:56:33,130 --> 00:56:31,339

and I know a lot of people get really

1219

00:56:36,579 --> 00:56:33,140

mad with me but that's the case I mean

1220

00:56:39,099 --> 00:56:36,589

you're just being a bludgeon about it

1221

00:56:42,120 --> 00:56:39,109

really no I think

1222

00:56:44,829 --> 00:56:42,130

everything generally I really like dawn

1223

00:56:48,670 --> 00:56:44,839

yes but I think he's really dropped the

1224

00:56:51,009 --> 00:56:48,680

ball yeah yeah you know a lot of things

1225

00:56:52,539 --> 00:56:51,019

obviously I've listened to the show it's

1226

00:56:53,739 --> 00:56:52,549

been a while so I listen to it a lot it

1227

00:56:56,140 --> 00:56:53,749

kind of conflicts with my work schedule

1228

00:57:00,309 --> 00:56:56,150

now but I've listened to him in the past

1229

00:57:02,109 --> 00:57:00,319

quite a bit you do kind of run out of

1230

00:57:05,109 --> 00:57:02,119

material after a little while when it

1231

00:57:07,209 --> 00:57:05,119

comes to the UFO stuff and you sort of

1232

00:57:10,120 --> 00:57:07,219

branched over into the politics see what

1233

00:57:12,339 --> 00:57:10,130

a lot of guys will do that Dolan hasn't

1234

00:57:15,309 --> 00:57:12,349

and yeah I do really respect this is

1235

00:57:17,890 --> 00:57:15,319

that he has not really compromised on

1236

00:57:19,839 --> 00:57:17,900

the UFO stuff for the most part I think

1237

00:57:23,380 --> 00:57:19,849

he's getting like I said I think he got

1238

00:57:26,499 --> 00:57:23,390

that materials aspect of what's going on

1239

00:57:28,900 --> 00:57:26,509

right now wrong but in general he

1240

00:57:31,209 --> 00:57:28,910

doesn't reach on the UFO stuff he stays

1241

00:57:33,759 --> 00:57:31,219

pretty conservative with that he doesn't

1242

00:57:35,620 --> 00:57:33,769

go too far out with it and a lot of

1243

00:57:37,599 --> 00:57:35,630

people do do that they hit a point where

1244

00:57:39,400 --> 00:57:37,609

they run out of material so they start

1245

00:57:41,829 --> 00:57:39,410

pushing further and further and further

1246

00:57:45,789 --> 00:57:41,839

out and relying on a weaker and weaker

1247

00:57:47,769 --> 00:57:45,799

material to keep themselves being able

1248

00:57:49,359 --> 00:57:47,779

to generate fresh material but the fresh

1249

00:57:51,969 --> 00:57:49,369

material isn't really fresh material

1250

00:57:54,279 --> 00:57:51,979

it's bad material there's a there are

1251  
00:57:56,289 --> 00:57:54,289  
plenty of guys who do that Dolan to his

1252  
00:57:59,650 --> 00:57:56,299  
credit has not but I think he's way off

1253  
00:58:02,680 --> 00:57:59,660  
on the materials yeah based on what I

1254  
00:58:07,140 --> 00:58:02,690  
heard in that one interview anyway how

1255  
00:58:10,049 --> 00:58:07,150  
are you good yeah I can understand that

1256  
00:58:12,729 --> 00:58:10,059  
you know the community in general is

1257  
00:58:15,729 --> 00:58:12,739  
really at you know super apprehensive

1258  
00:58:18,880 --> 00:58:15,739  
about just accepting what to the Stars

1259  
00:58:20,650 --> 00:58:18,890  
Academy says I mean you know when when

1260  
00:58:22,359 --> 00:58:20,660  
to the Stars Academy first came along I

1261  
00:58:23,799 --> 00:58:22,369  
was you know I was very suspect to the

1262  
00:58:28,509 --> 00:58:23,809  
whole operation myself and I said you

1263  
00:58:31,599 --> 00:58:28,519

got you know Tom DeLonge you have some

1264

00:58:32,920 --> 00:58:31,609

guys from the CIA and the Pentagon you

1265

00:58:36,039 --> 00:58:32,930

know what's going on here hold on a

1266

00:58:38,019 --> 00:58:36,049

second and then you know first it looked

1267

00:58:40,120 --> 00:58:38,029

like maybe nothing was gonna even hat it

1268

00:58:43,239 --> 00:58:40,130

was gonna happen then he came out with a

1269

00:58:46,059 --> 00:58:43,249

picture of him you know in Washington

1270

00:58:48,160 --> 00:58:46,069

with John Podesta yeah first it was

1271

00:58:50,529 --> 00:58:48,170

going to be a documentary you remember

1272

00:58:51,670 --> 00:58:50,539

he was just DeLong was just gonna do a

1273

00:58:54,260 --> 00:58:51,680

documentary

1274

00:58:55,850 --> 00:58:54,270

yeah and yeah a little clip we're

1275

00:58:57,110 --> 00:58:55,860

sitting down with Podesta I was thinking

1276  
00:58:58,520 --> 00:58:57,120  
to myself oh this could be a pretty good

1277  
00:59:00,800 --> 00:58:58,530  
documentary I'll definitely watch it

1278  
00:59:04,280 --> 00:59:00,810  
I'll I'll watch a bad UFO documentary on

1279  
00:59:07,010 --> 00:59:04,290  
wall but that that would look pretty

1280  
00:59:09,650 --> 00:59:07,020  
good and then apparently there was more

1281  
00:59:12,710 --> 00:59:09,660  
and you know we've gotten a lot more

1282  
00:59:15,860 --> 00:59:12,720  
chitchat about UFOs found out some new

1283  
00:59:18,800 --> 00:59:15,870  
stuff I got tipped off again about the

1284  
00:59:21,380 --> 00:59:18,810  
material stuff it was funny I was after

1285  
00:59:24,560 --> 00:59:21,390  
it came out I was talking to a UFO

1286  
00:59:26,870 --> 00:59:24,570  
researcher I know George Hansen and he

1287  
00:59:29,090 --> 00:59:26,880  
was like oh yes yes that who's been at

1288  
00:59:31,010 --> 00:59:29,100

this for years you understand he said oh

1289

00:59:32,570 --> 00:59:31,020

yes yes sir that that materially

1290

00:59:34,430 --> 00:59:32,580

nubatable of material that was talking

1291

00:59:36,170 --> 00:59:34,440

about quite a bit back in the 80s well

1292

00:59:37,970 --> 00:59:36,180

you know that's great George but I

1293

00:59:39,710 --> 00:59:37,980

wasn't researching this stuff back in

1294

00:59:41,390 --> 00:59:39,720

the day because I had no idea about I've

1295

00:59:43,880 --> 00:59:41,400

interviewed prettier Stewart before and

1296

00:59:46,130 --> 00:59:43,890

I had no idea he was so heavily involved

1297

00:59:49,220 --> 00:59:46,140

in all this so this was news to me and

1298

00:59:52,240 --> 00:59:49,230

again it's a an interesting aspect of

1299

00:59:53,510 --> 00:59:52,250

the phenomena that's worth a closer look

1300

00:59:56,390 --> 00:59:53,520

yeah

1301  
00:59:58,310 --> 00:59:56,400  
well again what I was saying is that you

1302  
01:00:00,080 --> 00:59:58,320  
have if at first it almost looks like

1303  
01:00:01,790 --> 01:00:00,090  
nothing's gonna happen then stuff starts

1304  
01:00:03,380 --> 01:00:01,800  
actually happening people are Cola on

1305  
01:00:05,150 --> 01:00:03,390  
wait a second you know this is actually

1306  
01:00:07,970 --> 01:00:05,160  
real you know what they're going forward

1307  
01:00:11,270 --> 01:00:07,980  
with so and you know it was actually

1308  
01:00:13,040 --> 01:00:11,280  
pretty well coordinated where a lot was

1309  
01:00:14,690 --> 01:00:13,050  
done they had I mean it's clear that to

1310  
01:00:16,370 --> 01:00:14,700  
the Stars Academy had their ducks in a

1311  
01:00:19,040 --> 01:00:16,380  
row before they really came out and

1312  
01:00:29,390 --> 01:00:19,050  
that's how they were able to us succeed

1313  
01:00:32,090 --> 01:00:29,400

I think and that's what it's so annoying

1314

01:00:33,410 --> 01:00:32,100

I mean like come on that was an unforced

1315

01:00:35,780 --> 01:00:33,420

error that's for sure that was a

1316

01:00:37,580 --> 01:00:35,790

turnover yeah and and a funny thing

1317

01:00:39,170 --> 01:00:37,590

about that is what that came Jimmy

1318

01:00:41,840 --> 01:00:39,180

Church made a big post about that and

1319

01:00:43,400 --> 01:00:41,850

all this like months after the fact like

1320

01:00:44,870 --> 01:00:43,410

you're just realizing that they use that

1321

01:00:50,090 --> 01:00:44,880

picture now didn't you watch the press

1322

01:00:53,060 --> 01:00:50,100

conference and like that for a creative

1323

01:00:55,250 --> 01:00:53,070

you know representation I mean it's

1324

01:00:57,470 --> 01:00:55,260

obvious when I saw it when I when I

1325

01:00:59,240 --> 01:00:57,480

first saw the but that was the picture

1326

01:01:01,190 --> 01:00:59,250

that fighters refused that the website

1327

01:01:03,260 --> 01:01:01,200

used they were able to go over to read

1328

01:01:05,880 --> 01:01:03,270

the fire sweep article which I did right

1329

01:01:07,350 --> 01:01:05,890

away of course yeah which is what

1330

01:01:13,730 --> 01:01:07,360

the article they cited in the

1331

01:01:17,190 --> 01:01:13,740

presentation you know to me the whole

1332

01:01:19,260 --> 01:01:17,200

Jimmy Church I so he interviews time too

1333

01:01:21,030 --> 01:01:19,270

long I remember that interview like what

1334

01:01:23,930 --> 01:01:21,040

happened yesterday a very good interview

1335

01:01:26,700 --> 01:01:23,940

very interesting and then he goes and

1336

01:01:27,000 --> 01:01:26,710

wants to talk crap about that whole

1337

01:01:30,030 --> 01:01:27,010

thing

1338

01:01:32,640 --> 01:01:30,040

I don't know I think that it's like he

1339

01:01:35,310 --> 01:01:32,650

wants his boy Cory good to succeed and

1340

01:01:37,500 --> 01:01:35,320

not have his money train be stopped and

1341

01:01:39,450 --> 01:01:37,510

so he has to talk crap about to hold the

1342

01:01:40,830 --> 01:01:39,460

lawn operation but hey you know I'm not

1343

01:01:43,680 --> 01:01:40,840

trying to make anybody mad but that's

1344

01:01:45,870 --> 01:01:43,690

just my observation and I think that

1345

01:01:48,410 --> 01:01:45,880

that Jimmy Church has people whispering

1346

01:01:52,650 --> 01:01:48,420

in his ear and telling him that it's

1347

01:01:54,300 --> 01:01:52,660

some kind of you know clandestine

1348

01:01:56,160 --> 01:01:54,310

operation that's gonna mislead the

1349

01:01:59,070 --> 01:01:56,170

public and he's taking that on note and

1350

01:02:00,930 --> 01:01:59,080

and going with as if that's all you know

1351  
01:02:04,170 --> 01:02:00,940  
the absolute truth wouldn't really none

1352  
01:02:06,870 --> 01:02:04,180  
of us really know well for me if it was

1353  
01:02:08,970 --> 01:02:06,880  
a total disinformation campaign like

1354  
01:02:10,860 --> 01:02:08,980  
some have not disinformation it would be

1355  
01:02:13,890 --> 01:02:10,870  
misinformation but miss young what you

1356  
01:02:16,140 --> 01:02:13,900  
want even some disinformation if that

1357  
01:02:19,110 --> 01:02:16,150  
was truly a campaign that the u.s.

1358  
01:02:20,370 --> 01:02:19,120  
government was playing then they

1359  
01:02:22,140 --> 01:02:20,380  
wouldn't give us anything grant

1360  
01:02:24,960 --> 01:02:22,150  
Cameron's right they wouldn't talk about

1361  
01:02:29,550 --> 01:02:24,970  
anything that that they were wanting

1362  
01:02:32,760 --> 01:02:29,560  
this out in this way they wanted out for

1363  
01:02:36,300 --> 01:02:32,770

a reason and I believe the reason like

1364

01:02:38,550 --> 01:02:36,310

grant has said before is they painted

1365

01:02:41,220 --> 01:02:38,560

themselves into a corner and this is the

1366

01:02:41,760 --> 01:02:41,230

best way for them to get out of that

1367

01:02:45,780 --> 01:02:41,770

corner

1368

01:02:50,310 --> 01:02:45,790

without having their sort of point their

1369

01:02:52,560 --> 01:02:50,320

fingerprints on said phenomena because

1370

01:02:54,900 --> 01:02:52,570

if this Dave you just come out and say

1371

01:02:58,230 --> 01:02:54,910

yeah we've been researching this that

1372

01:02:59,940 --> 01:02:58,240

another thing and they come out or the

1373

01:03:01,940 --> 01:02:59,950

president comes out and says you know by

1374

01:03:05,580 --> 01:03:01,950

the way we're not along that's gonna be

1375

01:03:08,490 --> 01:03:05,590

game over people are gonna lose their

1376

01:03:11,010 --> 01:03:08,500

stuff and the world will stop in two

1377

01:03:12,720 --> 01:03:11,020

seconds but the way they're doing it

1378

01:03:13,980 --> 01:03:12,730

through private industry you know

1379

01:03:16,440 --> 01:03:13,990

everything's coming through Bigelow

1380

01:03:19,050 --> 01:03:16,450

Aerospace nothing's coming from the

1381

01:03:19,740 --> 01:03:19,060

government per se and even the people

1382

01:03:23,490 --> 01:03:19,750

who are saying

1383

01:03:25,740 --> 01:03:23,500

while we didn't get official papers from

1384

01:03:27,360 --> 01:03:25,750

this whole tic-tac event of course

1385

01:03:29,810 --> 01:03:27,370

you're not you're not gonna get

1386

01:03:32,580 --> 01:03:29,820

something with the Department of Navy or

1387

01:03:34,950 --> 01:03:32,590

something with letterhead from the NSA

1388

01:03:36,900 --> 01:03:34,960

or the DIA or anybody like that you're

1389

01:03:37,680 --> 01:03:36,910

not gonna get that stuff that's not how

1390

01:03:43,590 --> 01:03:37,690

it works

1391

01:03:46,320 --> 01:03:43,600

the stuff and yes it did get a pass to

1392

01:03:49,020 --> 01:03:46,330

get released maybe not as in the correct

1393

01:03:51,060 --> 01:03:49,030

way like Paul Dean had said but they got

1394

01:03:52,770 --> 01:03:51,070

released and you have to deal with that

1395

01:03:54,660 --> 01:03:52,780

and people are still saying oh it could

1396

01:03:57,930 --> 01:03:54,670

be CGI or you have Nick West

1397

01:04:00,510 --> 01:03:57,940

oh my god it could be a bird Nick you

1398

01:04:02,580 --> 01:04:00,520

know what you go fly away okay you'd be

1399

01:04:04,050 --> 01:04:02,590

a bird if they you know if it's a boy I

1400

01:04:06,270 --> 01:04:04,060

have to admit when I first saw that

1401

01:04:07,880 --> 01:04:06,280

go-fast video I thought could that be a

1402

01:04:10,380 --> 01:04:07,890

bird

1403

01:04:13,110 --> 01:04:10,390

I've seen his explanation I I don't

1404

01:04:16,100 --> 01:04:13,120

agree with it but I'm okay with Nick

1405

01:04:20,520 --> 01:04:16,110

West I like Nick West I can't see in him

1406

01:04:24,000 --> 01:04:20,530

I can't deal with people who just want

1407

01:04:26,040 --> 01:04:24,010

everything about the UFO phenomenon at

1408

01:04:28,860 --> 01:04:26,050

all yeah I don't have time for it

1409

01:04:30,690 --> 01:04:28,870

anymore it's either not that I am saying

1410

01:04:33,030 --> 01:04:30,700

that you had to agree with me but at

1411

01:04:34,890 --> 01:04:33,040

least be open to the possibility and

1412

01:04:37,890 --> 01:04:34,900

he's not even open he's saying no but

1413

01:04:42,210 --> 01:04:37,900

the bird and I'm an expert in Raytheon

1414

01:04:44,220 --> 01:04:42,220

für devices I'm not sure I'm so sure

1415

01:04:50,280 --> 01:04:44,230

that's exactly what he say but he is

1416

01:04:52,290 --> 01:04:50,290

trying to offer it now I'm okay with

1417

01:04:53,610 --> 01:04:52,300

that with a good honest skeptic I am I

1418

01:04:57,810 --> 01:04:53,620

don't have any problems with it that

1419

01:04:59,940 --> 01:04:57,820

they have made points that does that

1420

01:05:02,490 --> 01:04:59,950

have forced me to tighten up my

1421

01:05:05,280 --> 01:05:02,500

arguments a little bit I think that if

1422

01:05:07,230 --> 01:05:05,290

you stay open mind into a good skeptic

1423

01:05:10,440 --> 01:05:07,240

not just a naysayer and they say oh yeah

1424

01:05:12,780 --> 01:05:10,450

I saying isn't being a good skeptic that

1425

01:05:15,720 --> 01:05:12,790

it can that can benefit your work let's

1426

01:05:17,430 --> 01:05:15,730

put it that way no I know that I'm not

1427

01:05:21,390 --> 01:05:17,440

part of that but when you continually

1428

01:05:23,880 --> 01:05:21,400

just be a pessimist about every little

1429

01:05:26,670 --> 01:05:23,890

thing that has come out and so much

1430

01:05:30,270 --> 01:05:26,680

evidence it's ridiculous like how much

1431

01:05:33,599 --> 01:05:30,280

more do you actually need for you

1432

01:05:35,789 --> 01:05:33,609

finally to maybe open let that door Oh

1433

01:05:37,289 --> 01:05:35,799

a little bit like how much more do you

1434

01:05:39,809 --> 01:05:37,299

actually do you need to land on your

1435

01:05:41,609 --> 01:05:39,819

front lawn I mean do you or do you want

1436

01:05:43,700 --> 01:05:41,619

yeah for some people that's what it's

1437

01:05:49,079 --> 01:05:43,710

gonna take

1438

01:05:50,309 --> 01:05:49,089

right now I will I wouldn't wish this be

1439

01:05:52,079 --> 01:05:50,319

honest and you can talk to other

1440

01:05:53,729 --> 01:05:52,089

experiencers to other people that dealt

1441

01:05:57,539 --> 01:05:53,739

with the paranormal but I want to wish

1442

01:05:59,489 --> 01:05:57,549

it on anybody you don't want you you

1443

01:06:01,140 --> 01:05:59,499

thinking I'm not seeing you but I'm just

1444

01:06:03,989 --> 01:06:01,150

saying people who like I want to be

1445

01:06:06,239 --> 01:06:03,999

abducted no you don't it's not a fun

1446

01:06:09,630 --> 01:06:06,249

thing like it's not like a joy ride at

1447

01:06:13,680 --> 01:06:09,640

Disneyland no it matches with your head

1448

01:06:16,140 --> 01:06:13,690

it causes you to examine yourself are

1449

01:06:19,200 --> 01:06:16,150

you crazy you know I for a while there

1450

01:06:22,769 --> 01:06:19,210

my wife and I were free in with each

1451

01:06:24,839 --> 01:06:22,779

other because she wants me to like get

1452

01:06:28,410 --> 01:06:24,849

away from the subject because it doesn't

1453

01:06:31,739 --> 01:06:28,420

bring anything but bad to my health and

1454

01:06:33,599 --> 01:06:31,749

my well-being when I talk about this and

1455

01:06:35,729 --> 01:06:33,609

that's why I wanted this interview to be

1456

01:06:37,410 --> 01:06:35,739

my last and certainly the phenomenon

1457

01:06:41,339 --> 01:06:37,420

doesn't allow that to happen

1458

01:06:43,979 --> 01:06:41,349

you got more line not people just came

1459

01:06:45,930 --> 01:06:43,989

out of the woodwork and said hey we want

1460

01:06:48,059 --> 01:06:45,940

you to do your show I'm like oh come on

1461

01:06:48,690 --> 01:06:48,069

like I really don't want to talk about

1462

01:06:52,019 --> 01:06:48,700

this anymore

1463

01:06:54,660 --> 01:06:52,029

no I just want to focus on my wife my

1464

01:06:56,759 --> 01:06:54,670

own research and be done with it but my

1465

01:07:01,499 --> 01:06:56,769

point is you don't want to be abducted

1466

01:07:03,180 --> 01:07:01,509

you don't want to per se be in the

1467

01:07:05,309 --> 01:07:03,190

presence of this phenomenon because it

1468

01:07:07,349 --> 01:07:05,319

messes with you and in messages your

1469

01:07:10,259 --> 01:07:07,359

head and sometimes the message is your

1470

01:07:11,999 --> 01:07:10,269

family and it's not something that you

1471

01:07:14,789 --> 01:07:12,009

should take lightly I know some people

1472

01:07:17,160 --> 01:07:14,799

say when it would be so much fun

1473

01:07:19,049 --> 01:07:17,170

I don't know that that's the word I use

1474

01:07:21,329 --> 01:07:19,059

to describe what happened you know

1475

01:07:23,970 --> 01:07:21,339

especially the fact that you can just in

1476

01:07:26,099 --> 01:07:23,980

your mind and tell you stuff and then it

1477

01:07:29,849 --> 01:07:26,109

just clicks off and you don't hear from

1478

01:07:32,940 --> 01:07:29,859

it again for like another year or or the

1479

01:07:35,970 --> 01:07:32,950

fact that you see these things and by

1480

01:07:38,099 --> 01:07:35,980

the way going back to my event I was

1481

01:07:41,309 --> 01:07:38,109

never scared of those things like I've

1482

01:07:45,420 --> 01:07:41,319

never had fear but in the years prior

1483

01:07:47,040 --> 01:07:45,430

after that especially in the years after

1484

01:07:50,010 --> 01:07:47,050

that especially when communion came

1485

01:07:52,890 --> 01:07:50,020

the movie all I was definitely afraid I

1486

01:07:54,810 --> 01:07:52,900

wouldn't even come close to my bedroom

1487

01:07:58,290 --> 01:07:54,820

at nighttime I was definitely afraid I

1488

01:08:00,210 --> 01:07:58,300

just knew something was off something if

1489

01:08:01,859 --> 01:08:00,220

I was alone that something that's going

1490

01:08:03,300 --> 01:08:01,869

to come and get me and I will add

1491

01:08:05,040 --> 01:08:03,310

because I know we're kind of beyond that

1492

01:08:07,740 --> 01:08:05,050

we were talking to the stars well let's

1493

01:08:09,930 --> 01:08:07,750

go back to my event real quick I took my

1494

01:08:12,750 --> 01:08:09,940

daughter to this farmhouse my uncle is

1495

01:08:15,330 --> 01:08:12,760

there now this past April April 1st and

1496

01:08:18,300 --> 01:08:15,340

my aunt and uncle lived there still and

1497

01:08:20,789 --> 01:08:18,310

this is interesting the window and their

1498

01:08:23,130 --> 01:08:20,799

bedroom that looks down where the corn

1499

01:08:24,510 --> 01:08:23,140

field would be they have paranormal

1500

01:08:27,269 --> 01:08:24,520

stuff happening their house quite often

1501

01:08:29,610 --> 01:08:27,279

with that window were the the drapes or

1502

01:08:31,980 --> 01:08:29,620

the the window dressings get messed with

1503

01:08:34,050 --> 01:08:31,990

either at night or they'll be in the

1504

01:08:39,180 --> 01:08:34,060

living room where that big bay window is

1505

01:08:43,160 --> 01:08:39,190

and you'll hear and it is so weird that

1506

01:08:45,780 --> 01:08:43,170

they said that just this past April I

1507

01:08:48,059 --> 01:08:45,790

thought I had to add dad totally forgot

1508

01:08:50,430 --> 01:08:48,069

that I should add that but it's very

1509

01:08:54,450 --> 01:08:50,440

interesting that like this whatever is

1510

01:08:56,970 --> 01:08:54,460

there may not just be extraterrestrial

1511

01:08:58,829 --> 01:08:56,980

it could be something else or who knows

1512

01:09:01,380 --> 01:08:58,839

I don't know that's why I'm not I'm not

1513

01:09:03,059 --> 01:09:01,390

in the camp of it's got to be et I know

1514

01:09:06,840 --> 01:09:03,069

that's going to turn some people off but

1515

01:09:09,480 --> 01:09:06,850

that's my god honest truth yeah well you

1516

01:09:12,749 --> 01:09:09,490

know generally you know I guess it just

1517

01:09:15,269 --> 01:09:12,759

happens to be a lot of people that you

1518

01:09:19,590 --> 01:09:15,279

know end up having a UFO or et

1519

01:09:21,749 --> 01:09:19,600

experience they they normally from what

1520

01:09:23,460 --> 01:09:21,759

I understand have a lot of different

1521

01:09:25,800 --> 01:09:23,470

other experiences that would be

1522

01:09:29,130 --> 01:09:25,810

considered paranormal you know yeah

1523

01:09:32,190 --> 01:09:29,140

whatever the reason that is yeah I mean

1524

01:09:35,400 --> 01:09:32,200

some people would say it's connected to

1525

01:09:36,749 --> 01:09:35,410

how much stresses in your life and James

1526

01:09:39,059 --> 01:09:36,759

you and I are and Frank were talking

1527

01:09:40,740 --> 01:09:39,069

before the show started to how you asked

1528

01:09:41,970 --> 01:09:40,750

if my wife had seen the UFO and I said

1529

01:09:44,490 --> 01:09:41,980

no but we had a paranormal experience

1530

01:09:46,499 --> 01:09:44,500

together and this place in Michigan is

1531

01:09:48,480 --> 01:09:46,509

almost like a skinwalker ranch type of

1532

01:09:50,400 --> 01:09:48,490

place I would say because I know there's

1533

01:09:54,650 --> 01:09:50,410

other phenomenon that's happened there

1534

01:09:57,000 --> 01:09:54,660

in the past but our experience was very

1535

01:09:58,410 --> 01:09:57,010

poltergeist in the sense of like the

1536

01:09:59,370 --> 01:09:58,420

water would Ripple I'm not going to go

1537

01:10:02,580 --> 01:09:59,380

into that event

1538

01:10:04,860 --> 01:10:02,590

but the water rippled and was angry the

1539

01:10:06,630 --> 01:10:04,870

temperature it was a November day the

1540

01:10:08,850 --> 01:10:06,640

temperature went from 70 degrees here in

1541

01:10:11,750 --> 01:10:08,860

Michigan which is a not a typical time

1542

01:10:14,640 --> 01:10:11,760

to be that warm in there late November

1543

01:10:15,720 --> 01:10:14,650

but it dropped 40 degrees they got to

1544

01:10:18,240 --> 01:10:15,730

the point where you could see her breath

1545

01:10:21,300 --> 01:10:18,250

in the matter of seconds and whatever

1546

01:10:24,060 --> 01:10:21,310

was happening in this Park this Native

1547

01:10:27,480 --> 01:10:24,070

American petroglyph Park in the thumb of

1548

01:10:29,220 --> 01:10:27,490

Michigan whatever was happening was very

1549

01:10:30,570 --> 01:10:29,230

angry at what we were doing and we

1550

01:10:32,970 --> 01:10:30,580

weren't really doing anything we're just

1551  
01:10:36,570 --> 01:10:32,980  
walking around in the park and I knew

1552  
01:10:38,550 --> 01:10:36,580  
from my dad's experience with Native

1553  
01:10:41,610 --> 01:10:38,560  
Americans is you need to give an

1554  
01:10:44,160 --> 01:10:41,620  
offering of something and my wife at

1555  
01:10:45,930 --> 01:10:44,170  
that time smoked and I told her give me

1556  
01:10:47,610 --> 01:10:45,940  
a cigarette let me break it up and we'll

1557  
01:10:48,990 --> 01:10:47,620  
give it to backhoe and everything calmed

1558  
01:10:51,660 --> 01:10:49,000  
down the water calm down

1559  
01:10:55,200 --> 01:10:51,670  
the temperature came back up and that

1560  
01:10:57,990 --> 01:10:55,210  
that I'm this feeling went away I can't

1561  
01:10:59,940 --> 01:10:58,000  
explain it was me my wife my cousin so

1562  
01:11:05,100 --> 01:10:59,950  
there was three people that experienced

1563  
01:11:10,230 --> 01:11:05,110

it excuse me so yeah phenomenon ways to

1564

01:11:13,890 --> 01:11:10,240

smoke yeah yeah it's I've heard other

1565

01:11:17,160 --> 01:11:13,900

stories of like almost like little Pudge

1566

01:11:21,210 --> 01:11:17,170

walkie looking creatures in that Park

1567

01:11:23,370 --> 01:11:21,220

I've heard we were my cousin's nine we

1568

01:11:24,870 --> 01:11:23,380

had heard like Bigfoot calls I know this

1569

01:11:26,970 --> 01:11:24,880

is not a Bigfoot show and I'm not trying

1570

01:11:30,330 --> 01:11:26,980

to get into cryptozoology but I'll be

1571

01:11:33,660 --> 01:11:30,340

honest we we heard what you would think

1572

01:11:36,210 --> 01:11:33,670

is the Sasquatch and calling it was

1573

01:11:38,430 --> 01:11:36,220

really strange and I will say this too

1574

01:11:40,290 --> 01:11:38,440

you know some people say there's not

1575

01:11:43,920 --> 01:11:40,300

like a factor when they're in the

1576

01:11:46,260 --> 01:11:43,930

presence of a UFO or the time like kind

1577

01:11:49,350 --> 01:11:46,270

of starts it kind of felt that way too

1578

01:11:51,840 --> 01:11:49,360

during that entire time when we were in

1579

01:11:55,170 --> 01:11:51,850

that Park when this this event took

1580

01:11:57,690 --> 01:11:55,180

place so that's all I can say and really

1581

01:11:59,340 --> 01:11:57,700

since then I haven't messed with

1582

01:12:01,620 --> 01:11:59,350

anything I haven't gone anywhere I

1583

01:12:04,350 --> 01:12:01,630

really haven't had any other experiences

1584

01:12:07,380 --> 01:12:04,360

I will say this I've told Frank this

1585

01:12:12,090 --> 01:12:07,390

before it almost seems that every time I

1586

01:12:12,809 --> 01:12:12,100

try to distance myself from this subject

1587

01:12:15,089 --> 01:12:12,819

or

1588

01:12:18,689 --> 01:12:15,099

the phenomenon and get away from it it

1589

01:12:20,759 --> 01:12:18,699

pulls me back in it's so weird and I've

1590

01:12:22,889 --> 01:12:20,769

talked to other researchers and some

1591

01:12:25,199 --> 01:12:22,899

other experiences and they all say the

1592

01:12:28,169 --> 01:12:25,209

same thing that it doesn't let you do

1593

01:12:32,369 --> 01:12:28,179

that it just it keeps you going forward

1594

01:12:34,319 --> 01:12:32,379

it keeps you on the you know the page

1595

01:12:37,619 --> 01:12:34,329

that you need to be on and if you

1596

01:12:40,709 --> 01:12:37,629

deviate it like it just your research

1597

01:12:42,569 --> 01:12:40,719

just takes a nosedive or what you should

1598

01:12:45,689 --> 01:12:42,579

be looking in that I don't know how to

1599

01:12:48,599 --> 01:12:45,699

explain it like I can't articulate you

1600

01:12:51,869 --> 01:12:48,609

just have to experience yourself it just

1601

01:12:56,669 --> 01:12:51,879

kind of like goes away it's weird

1602

01:12:58,229 --> 01:12:56,679

so yeah I know Chris what do you think

1603

01:12:58,679 --> 01:12:58,239

we've got coming up over the next few

1604

01:13:00,899 --> 01:12:58,689

months

1605

01:13:05,729 --> 01:13:00,909

what by the end of the year what do you

1606

01:13:08,909 --> 01:13:05,739

think we're going to be from my

1607

01:13:11,369 --> 01:13:08,919

interaction with Gary Nolan he'd said

1608

01:13:15,059 --> 01:13:11,379

that 2018 would be a very interesting

1609

01:13:17,309 --> 01:13:15,069

year for this subject and then going off

1610

01:13:20,339 --> 01:13:17,319

of what Grant had said both to me

1611

01:13:23,729 --> 01:13:20,349

privately in the on public is I do

1612

01:13:27,089 --> 01:13:23,739

believe his sources are correct and that

1613

01:13:29,159 --> 01:13:27,099

two stars probably has 20 plus videos

1614

01:13:33,119 --> 01:13:29,169

and they're going to get better with

1615

01:13:35,129 --> 01:13:33,129

each one again it's a walk the public to

1616

01:13:37,829 --> 01:13:35,139

this phenomenon not run them to this

1617

01:13:41,729 --> 01:13:37,839

phenomenon and don't don't get them

1618

01:13:44,309 --> 01:13:41,739

scared you know slowly hold their hand

1619

01:13:47,909 --> 01:13:44,319

and bring them to the realization that

1620

01:13:50,250 --> 01:13:47,919

this is indeed real and that this

1621

01:13:52,049 --> 01:13:50,260

phenomenon represents something what I

1622

01:13:53,819 --> 01:13:52,059

don't know like I I'm not going to sit

1623

01:13:55,770 --> 01:13:53,829

here and say that it is gonna be your

1624

01:13:57,569 --> 01:13:55,780

best friend but at the same time I don't

1625

01:13:58,979 --> 01:13:57,579

think he's out to kill people but they

1626

01:14:02,039 --> 01:13:58,989

think it has the potential to do that

1627

01:14:05,159 --> 01:14:02,049

and I know some people and the eth

1628

01:14:07,259 --> 01:14:05,169

community would probably not like me

1629

01:14:09,209 --> 01:14:07,269

saying that that you know ETS are you

1630

01:14:11,219 --> 01:14:09,219

know third they're here for peace I

1631

01:14:13,259 --> 01:14:11,229

don't necessarily Groot that and I'm not

1632

01:14:14,520 --> 01:14:13,269

saying here in saying that they're here

1633

01:14:15,539 --> 01:14:14,530

to destroy us either because if they

1634

01:14:18,209 --> 01:14:15,549

wanted to they probably would the

1635

01:14:22,159 --> 01:14:18,219

destroyer is a long time ago but I just

1636

01:14:26,069 --> 01:14:22,169

I feel that we're gonna learn a lot more

1637

01:14:26,490 --> 01:14:26,079

in 2018 I think it's going to be a year

1638

01:14:29,550 --> 01:14:26,500

for

1639

01:14:34,440 --> 01:14:29,560

or people to look back in time and say

1640

01:14:37,770 --> 01:14:34,450

this was the year late 2017 and 2018 was

1641

01:14:40,710 --> 01:14:37,780

the timeframe where we really in the

1642

01:14:43,500 --> 01:14:40,720

public have started to take started to

1643

01:14:45,600 --> 01:14:43,510

take this phenomenon serious and for

1644

01:14:48,450 --> 01:14:45,610

real and that it's not for ridicule it's

1645

01:14:49,950 --> 01:14:48,460

no longer x-files music and hahaha

1646

01:14:51,690 --> 01:14:49,960

there's lights or you're gonna get

1647

01:14:52,920 --> 01:14:51,700

probed or anything like that

1648

01:14:56,090 --> 01:14:52,930

they're actually taking it seriously

1649

01:14:57,900 --> 01:14:56,100

which for me is awesome because now we

1650

01:15:00,690 --> 01:14:57,910

me you Frank

1651

01:15:02,760 --> 01:15:00,700

James and everybody else that we like we

1652

01:15:04,860 --> 01:15:02,770

don't look like crazy people anymore you

1653

01:15:08,160 --> 01:15:04,870

know before you kind of get ridiculed

1654

01:15:10,320 --> 01:15:08,170

that you're just all your UFO guy well I

1655

01:15:12,420 --> 01:15:10,330

hate to say it's a real thing you need

1656

01:15:15,330 --> 01:15:12,430

that you need to deal with that you know

1657

01:15:18,120 --> 01:15:15,340

some people it's gonna be really hard

1658

01:15:20,790 --> 01:15:18,130

for people I'm not gonna call the

1659

01:15:23,190 --> 01:15:20,800

religious way but it's gonna be hard for

1660

01:15:25,710 --> 01:15:23,200

some people to accept that yeah there's

1661

01:15:29,670 --> 01:15:25,720

this other stuff there's like Grant says

1662

01:15:31,140 --> 01:15:29,680

there's no there there it's endless

1663

01:15:33,510 --> 01:15:31,150

you know who knows what we're dealing

1664

01:15:35,280 --> 01:15:33,520

with I don't know I will never say for

1665

01:15:36,750 --> 01:15:35,290

claim yes we were dealing with

1666

01:15:39,540 --> 01:15:36,760

extraterrestrials or we deal with

1667

01:15:41,490 --> 01:15:39,550

Internet dimensionals or anything like

1668

01:15:44,570 --> 01:15:41,500

that I don't know I just know it's

1669

01:15:47,700 --> 01:15:44,580

really weird it interacts with people in

1670

01:15:49,980 --> 01:15:47,710

individual way yes people can have like

1671

01:15:52,260 --> 01:15:49,990

mass sightings but typically the UFO

1672

01:15:55,920 --> 01:15:52,270

phenomenon is the individual one it's

1673

01:15:58,320 --> 01:15:55,930

not a group thing you know so no I I

1674

01:16:00,210 --> 01:15:58,330

think 2018 is gonna be a very big year I

1675

01:16:03,270 --> 01:16:00,220

think we're gonna learn a lot I think

1676

01:16:06,060 --> 01:16:03,280

we're gonna see a lot and honestly I

1677

01:16:08,220 --> 01:16:06,070

think it's gonna be really really fun I

1678

01:16:12,290 --> 01:16:08,230

think for some people it's gonna be kind

1679

01:16:14,700 --> 01:16:12,300

of upsetting because they're gonna be

1680

01:16:16,800 --> 01:16:14,710

there are a lot of people out there who

1681

01:16:20,220 --> 01:16:16,810

look to find things to get upset about

1682

01:16:22,560 --> 01:16:20,230

so you're or the outrage of the day but

1683

01:16:25,170 --> 01:16:22,570

it's again it's you got to deal with it

1684

01:16:26,940 --> 01:16:25,180

though that's the problem like you had

1685

01:16:28,770 --> 01:16:26,950

to deal with the fact that the report on

1686

01:16:30,540 --> 01:16:28,780

the nimitz event was released you had to

1687

01:16:33,480 --> 01:16:30,550

deal with it you had to deal with the

1688

01:16:37,200 --> 01:16:33,490

fact that the tic-tac video now granted

1689

01:16:39,300 --> 01:16:37,210

I had that two weeks prior to it being

1690

01:16:39,720 --> 01:16:39,310

released from two stars I was given to

1691

01:16:44,669 --> 01:16:39,730

it

1692

01:16:46,800 --> 01:16:44,679

given to me by a person that was loosely

1693

01:16:49,560 --> 01:16:46,810

associated with Jimmy Carvel and that

1694

01:16:51,930 --> 01:16:49,570

video mysteriously has disappeared off

1695

01:16:53,510 --> 01:16:51,940

of my facebook messenger but I did have

1696

01:16:57,030 --> 01:16:53,520

that tic-tac video two weeks prior to

1697

01:17:04,140 --> 01:16:57,040

two stars releasing it which is

1698

01:17:04,590 --> 01:17:04,150

interesting but uh there's more on the

1699

01:17:07,830 --> 01:17:04,600

way

1700

01:17:11,400 --> 01:17:07,840

yeah there's I mean I don't know for

1701

01:17:13,910 --> 01:17:11,410

sure what is coming up other than we

1702

01:17:17,850 --> 01:17:13,920

will not be disappointed I'll say that

1703

01:17:20,100 --> 01:17:17,860

and this is also from Chris Bledsoe who

1704

01:17:21,720 --> 01:17:20,110

was part of the whole to the stars thing

1705

01:17:26,330 --> 01:17:21,730

and they kind of went in his separate

1706

01:17:28,860 --> 01:17:26,340

ways once they at least what I was told

1707

01:17:32,520 --> 01:17:28,870

he did not like the way that that group

1708

01:17:34,470 --> 01:17:32,530

was gonna push the evil alien agenda and

1709

01:17:37,350 --> 01:17:34,480

that he didn't think that this was evil

1710

01:17:40,220 --> 01:17:37,360

in any way shape or form so he parted

1711

01:17:42,180 --> 01:17:40,230

ways and he had told me a few times that

1712

01:17:44,669 --> 01:17:42,190

brothers there's gonna be a lot coming

1713

01:17:47,310 --> 01:17:44,679

he couldn't get into he gets again he

1714

01:17:50,370 --> 01:17:47,320

sent Andy a but what he did say to me

1715

01:17:52,740 --> 01:17:50,380

was interesting that you know there's a

1716

01:17:56,880 --> 01:17:52,750

lot and there's a lot to this it's not

1717

01:17:59,040 --> 01:17:56,890

just some kind of SIOP for the public

1718

01:18:01,260 --> 01:17:59,050

you know and again I think the UFO

1719

01:18:04,320 --> 01:18:01,270

community does it deserves a disservice

1720

01:18:06,240 --> 01:18:04,330

to themselves this whole Dolan effort is

1721

01:18:08,820 --> 01:18:06,250

not pointing at us it's pointing at the

1722

01:18:13,080 --> 01:18:08,830

public it's not for us it's for the

1723

01:18:16,169 --> 01:18:13,090

public we are not I mean yes they do

1724

01:18:18,720 --> 01:18:16,179

watch us but they're we're nothing that

1725

01:18:21,689 --> 01:18:18,730

we're not the intended target for this

1726

01:18:25,110 --> 01:18:21,699

campaign the public is because now you

1727

01:18:28,140 --> 01:18:25,120

see people talking about this and taking

1728

01:18:29,250 --> 01:18:28,150

us seriously which never would happen

1729

01:18:31,680 --> 01:18:29,260

before never

1730

01:18:33,930 --> 01:18:31,690

and I'm sorry people who say this has

1731

01:18:36,570 --> 01:18:33,940

been done before you're wrong this has

1732

01:18:39,060 --> 01:18:36,580

never happened we've never had this much

1733

01:18:43,520 --> 01:18:39,070

media attention and this many articles

1734

01:18:46,530 --> 01:18:43,530

in this much attention on the details of

1735

01:18:49,890 --> 01:18:46,540

what this phenomenon possibly represents

1736

01:18:51,810 --> 01:18:49,900

ever and if do you think otherwise

1737

01:18:52,920 --> 01:18:51,820

that's fine that's your opinion but in

1738

01:18:55,260 --> 01:18:52,930

my opinion

1739

01:18:56,790 --> 01:18:55,270

I don't remember time ever and that the

1740

01:18:58,890 --> 01:18:56,800

people I've talked to researchers and

1741

01:19:01,050 --> 01:18:58,900

evening experiences they all agree that

1742

01:19:03,200 --> 01:19:01,060

they've never seen this much activity

1743

01:19:08,190 --> 01:19:03,210

ever so something is happening something

1744

01:19:10,470 --> 01:19:08,200

clearly is happening so yeah I know I

1745

01:19:13,800 --> 01:19:10,480

don't know what else you would like to

1746

01:19:14,840 --> 01:19:13,810

talk about but do you have anything else

1747

01:19:17,700 --> 01:19:14,850

there James

1748

01:19:20,130 --> 01:19:17,710

no no that's just about it other than to

1749

01:19:24,330 --> 01:19:20,140

say that yeah it's been going you know

1750

01:19:26,910 --> 01:19:24,340

pretty strong since the December 2017

1751

01:19:30,150 --> 01:19:26,920

article with the New York Times it

1752

01:19:32,550 --> 01:19:30,160

really hasn't led up that much well

1753

01:19:37,680 --> 01:19:32,560

people would say has though that's the

1754

01:19:39,900 --> 01:19:37,690

problem like I somebody commented what

1755

01:19:44,280 --> 01:19:39,910

was to the Stars done anything lately

1756

01:19:46,680 --> 01:19:44,290

I'm like yeah they just have you lived

1757

01:19:49,560 --> 01:19:46,690

under rock I mean here's the other thing

1758

01:19:51,540 --> 01:19:49,570

is and I can't prove this okay I'm just

1759

01:19:53,640 --> 01:19:51,550

gonna put this on here and Frank or

1760

01:19:55,800 --> 01:19:53,650

James you could speak to this possibly

1761

01:19:57,990 --> 01:19:55,810

to and I can't prove this I can't

1762

01:20:00,930 --> 01:19:58,000

I have no factual proof on this but I'm

1763

01:20:04,910 --> 01:20:00,940

just gonna let it go is it interesting

1764

01:20:09,000 --> 01:20:04,920

that Jimmy Korbelt and both George Nant

1765

01:20:11,550 --> 01:20:09,010

somehow always had the goods that is

1766

01:20:13,650 --> 01:20:11,560

slightly it's slightly connected to the

1767

01:20:20,040 --> 01:20:13,660

Stars but not quite but it kind of is

1768

01:20:21,960 --> 01:20:20,050

and they somehow get the the the the big

1769

01:20:24,030 --> 01:20:21,970

scoop I should say you know like with

1770

01:20:25,980 --> 01:20:24,040

Korbelt he gets to put up the skinwalker

1771

01:20:27,780 --> 01:20:25,990

movie he gets to put out the Baba's our

1772

01:20:30,530 --> 01:20:27,790

definitive documentary which by the way

1773

01:20:33,300 --> 01:20:30,540

two stars is gonna be putting out the

1774

01:20:35,970 --> 01:20:33,310

autobiography of Bob Lazar you know

1775

01:20:37,650 --> 01:20:35,980

people don't realize that though so I

1776

01:20:39,720 --> 01:20:37,660

just I find it interesting that those

1777

01:20:41,970 --> 01:20:39,730

those guys and then again I don't know

1778

01:20:45,570 --> 01:20:41,980

what they're working together jeremy has

1779

01:20:47,900 --> 01:20:45,580

never indicated that he is but I find it

1780

01:20:52,590 --> 01:20:47,910

very interesting that he gets so much

1781

01:20:55,110 --> 01:20:52,600

and he gets AB you know Jeremy Korbelt

1782

01:20:56,550 --> 01:20:55,120

mean he's you know he's been commenting

1783

01:20:59,070 --> 01:20:56,560

on this and if you if you listen to when

1784

01:21:00,570 --> 01:20:59,080

he talks he you know he's a letting on

1785

01:21:02,760 --> 01:21:00,580

that he knows a little more than he key

1786

01:21:05,670 --> 01:21:02,770

and say every time talks and you know

1787

01:21:06,610 --> 01:21:05,680

going back to even 2016 where I think he

1788

01:21:11,140 --> 01:21:06,620

did an interview

1789

01:21:14,620 --> 01:21:11,150

Church and you know I would assume that

1790

01:21:18,910 --> 01:21:14,630

you know a lot of this stuff he he knew

1791

01:21:24,970 --> 01:21:18,920

you know like the the other name for a

1792

01:21:26,980 --> 01:21:24,980

tip I you know I for him to know that

1793

01:21:28,690 --> 01:21:26,990

you know really before any of it was

1794

01:21:30,880 --> 01:21:28,700

being leaked out George Knapp is a

1795

01:21:35,230 --> 01:21:30,890

little more careful but he'll let some

1796

01:21:36,940 --> 01:21:35,240

of it out but you know I think that

1797

01:21:40,810 --> 01:21:36,950

Jeremy Korbek knew that well before

1798

01:21:43,450 --> 01:21:40,820

happen I agree and then when it started

1799

01:21:48,580 --> 01:21:43,460

to kind of like ripple out from Paul

1800

01:21:52,240 --> 01:21:48,590

Dean and and some of the other people he

1801  
01:21:54,040 --> 01:21:52,250  
posted the photo with the Dean the flag

1802  
01:21:55,600 --> 01:21:54,050  
with the name in the photo what you

1803  
01:21:58,720 --> 01:21:55,610  
pulled it out on Twitter like hey look

1804  
01:22:01,240 --> 01:21:58,730  
at that yeah I don't think he just took

1805  
01:22:03,460 --> 01:22:01,250  
that photo that day no I don't think

1806  
01:22:06,160 --> 01:22:03,470  
he's been working on this stuff for a

1807  
01:22:08,560 --> 01:22:06,170  
while and you hit the like for people to

1808  
01:22:11,560 --> 01:22:08,570  
realize is he's he's been in the same

1809  
01:22:14,080 --> 01:22:11,570  
car with time too long so it's yeah I

1810  
01:22:15,940 --> 01:22:14,090  
mean it's not that much of a stretch to

1811  
01:22:18,370 --> 01:22:15,950  
say that they are working in it and

1812  
01:22:20,080 --> 01:22:18,380  
that's why I include their work with

1813  
01:22:22,270 --> 01:22:20,090

this whole two stars even though they're

1814

01:22:25,180 --> 01:22:22,280

not under the umbrella two stars I

1815

01:22:26,980 --> 01:22:25,190

stolen get because we're getting so much

1816

01:22:28,390 --> 01:22:26,990

it's ridiculous we're getting so much

1817

01:22:30,340 --> 01:22:28,400

you can't keep up with it

1818

01:22:31,930 --> 01:22:30,350

yeah exactly and that's for the first

1819

01:22:33,760 --> 01:22:31,940

time in a long time that you know where

1820

01:22:35,710 --> 01:22:33,770

you it's really hard to keep up with

1821

01:22:38,550 --> 01:22:35,720

everything's going on and bob lazar like

1822

01:22:41,950 --> 01:22:38,560

you said you know jeremy Korbelt is doing

1823

01:22:45,490 --> 01:22:41,960

the documentary on him yet tom delonge

1824

01:22:48,460 --> 01:22:45,500

is doing his biography yeah you know and

1825

01:22:51,400 --> 01:22:48,470

bob lazar as an associate with with

1826

01:22:53,500 --> 01:22:51,410

people really so for him to be

1827

01:22:56,380 --> 01:22:53,510

associated with Tom DeLonge and with

1828

01:22:58,630 --> 01:22:56,390

Jeremy Korbel was you know evident of

1829

01:23:00,970 --> 01:22:58,640

something yeah there's clearly a

1830

01:23:02,740 --> 01:23:00,980

consortium there you know there's to the

1831

01:23:07,210 --> 01:23:02,750

stars and then you've got connections

1832

01:23:10,120 --> 01:23:07,220

back to big lows either bass or needs or

1833

01:23:13,050 --> 01:23:10,130

whatever corporation he's formed to get

1834

01:23:15,760 --> 01:23:13,060

this or that done the green Nolan study

1835

01:23:18,130 --> 01:23:15,770

jacques valet but maybe sort of a

1836

01:23:19,160 --> 01:23:18,140

freelancer doing what he wants when he

1837

01:23:22,880 --> 01:23:19,170

wants

1838

01:23:24,290 --> 01:23:22,890

you know it's always interesting a lot

1839

01:23:26,660 --> 01:23:24,300

of the guys that they talk about it

1840

01:23:28,910 --> 01:23:26,670

being a CIA operation obviously there

1841

01:23:33,110 --> 01:23:28,920

are some guys who worked in the past the

1842

01:23:35,870 --> 01:23:33,120

semi van and Elizondo himself worked in

1843

01:23:37,820 --> 01:23:35,880

defense intelligence so there is that

1844

01:23:40,760 --> 01:23:37,830

but by the same token they've got their

1845

01:23:44,120 --> 01:23:40,770

names on this thing - yeah well I'm

1846

01:23:47,150 --> 01:23:44,130

George Knapp I'm gonna assume you know

1847

01:23:50,540 --> 01:23:47,160

he he says in in the preview for Jeremy

1848

01:23:53,330 --> 01:23:50,550

corbels movie hunt for the skinwalker

1849

01:23:55,310 --> 01:23:53,340

that he had to sign an NDA and had all

1850

01:23:58,280 --> 01:23:55,320

the information and when all those

1851  
01:24:00,830 --> 01:23:58,290  
studies were going on years ago I would

1852  
01:24:04,310 --> 01:24:00,840  
make a bet that he knew all this stuff

1853  
01:24:07,160 --> 01:24:04,320  
oh no he knew I don't know about

1854  
01:24:09,860 --> 01:24:07,170  
everything but he knew all I I think

1855  
01:24:12,710 --> 01:24:09,870  
most of this just because he you know

1856  
01:24:16,010 --> 01:24:12,720  
the whole you know Jeremy corbels kind

1857  
01:24:18,620 --> 01:24:16,020  
of pushing that all this stuff with

1858  
01:24:20,930 --> 01:24:18,630  
skinwalker ranch has an association with

1859  
01:24:23,720 --> 01:24:20,940  
a tip and I was going back to the

1860  
01:24:26,270 --> 01:24:23,730  
beginning of the 8a program I will give

1861  
01:24:27,770 --> 01:24:26,280  
you guys a little and they now won't

1862  
01:24:30,020 --> 01:24:27,780  
mention the person's name I'll just say

1863  
01:24:33,410 --> 01:24:30,030

they are a person doesn't know that

1864

01:24:36,500 --> 01:24:33,420

lives in Michigan this person is the

1865

01:24:39,650 --> 01:24:36,510

experiencer and they had interactions

1866

01:24:43,790 --> 01:24:39,660

during the time that Bigelow owned MUFON

1867

01:24:46,370 --> 01:24:43,800

and this person went to the big MUFON

1868

01:24:48,500 --> 01:24:46,380

conference I in Colorado I probably you

1869

01:24:51,710 --> 01:24:48,510

mean shouldn't say this but I'll let a

1870

01:24:58,880 --> 01:24:51,720

little bit out and it's interesting I've

1871

01:25:02,480 --> 01:24:58,890

known this person basically got pulled

1872

01:25:04,310 --> 01:25:02,490

to the side Starbucks with George lamp

1873

01:25:06,740 --> 01:25:04,320

and George net basically told this

1874

01:25:12,650 --> 01:25:06,750

person yeah you're having use events at

1875

01:25:19,250 --> 01:25:15,110

Barbara big law would be very interested

1876  
01:25:21,590 --> 01:25:19,260  
in hearing more about your events and

1877  
01:25:23,570 --> 01:25:21,600  
that never just that never really took

1878  
01:25:29,950 --> 01:25:23,580  
place but it also this person wasn't

1879  
01:25:31,939 --> 01:25:29,960  
MUFON and they were on the star team and

1880  
01:25:37,100 --> 01:25:31,949  
they

1881  
01:25:40,490 --> 01:25:37,110  
people that were on star teams had to

1882  
01:25:44,660 --> 01:25:40,500  
sign NDA because that's when big law had

1883  
01:25:47,090 --> 01:25:44,670  
bought basically MUFON and the Rapid

1884  
01:25:50,240 --> 01:25:47,100  
Response Teams and this person kind of

1885  
01:25:52,610 --> 01:25:50,250  
figured out that big law was the person

1886  
01:25:54,470 --> 01:25:52,620  
behind this and here's the interesting

1887  
01:25:56,840 --> 01:25:54,480  
part that there was some kind of

1888  
01:25:59,810 --> 01:25:56,850

military aspect to it now they didn't

1889

01:26:01,910 --> 01:25:59,820

know who but they did realize that there

1890

01:26:05,990 --> 01:26:01,920

was a military aspect to this whole

1891

01:26:08,510 --> 01:26:06,000

project but this person decided against

1892

01:26:10,820 --> 01:26:08,520

being on that group because they just

1893

01:26:12,590 --> 01:26:10,830

wanted to be left alone they just wanted

1894

01:26:14,900 --> 01:26:12,600

to live their life and kind of just

1895

01:26:17,870 --> 01:26:14,910

forget about what had happened and they

1896

01:26:22,250 --> 01:26:17,880

didn't want any more shenanigans going

1897

01:26:24,050 --> 01:26:22,260

on and basically this person didn't want

1898

01:26:26,390 --> 01:26:24,060

to deal with the whole MUFON thing

1899

01:26:28,220 --> 01:26:26,400

didn't want to deal with the whole I had

1900

01:26:32,900 --> 01:26:28,230

to sign the NDA and all that rigmarole

1901

01:26:34,520 --> 01:26:32,910

so this person excused themselves from

1902

01:26:39,770 --> 01:26:34,530

that situation but it is interesting

1903

01:26:43,729 --> 01:26:39,780

that MUFON got bought out by Robert

1904

01:26:46,280 --> 01:26:43,739

Bigelow and now we know that the DIA was

1905

01:26:48,229 --> 01:26:46,290

that contract and it's very interesting

1906

01:26:50,959 --> 01:26:48,239

because this was a person that has

1907

01:26:53,060 --> 01:26:50,969

nothing to gain from Tommy this and

1908

01:26:57,380 --> 01:26:53,070

again I'm not going to get into who this

1909

01:26:59,600 --> 01:26:57,390

person is but I can vouch for him and it

1910

01:27:01,939 --> 01:26:59,610

just is interesting for me to hand a

1911

01:27:04,189 --> 01:27:01,949

little window into the fact that yes

1912

01:27:05,780 --> 01:27:04,199

that was the case and I think Bible and

1913

01:27:07,520 --> 01:27:05,790

then you're saying basically the George

1914

01:27:09,140 --> 01:27:07,530

Knapp was acting as a bit of a talent

1915

01:27:17,810 --> 01:27:09,150

scout for Bigelow winner when he was

1916

01:27:20,330 --> 01:27:17,820

going yes yes yes yeah oh that's what I

1917

01:27:22,550 --> 01:27:20,340

was gonna say Alejandro Rojas he was one

1918

01:27:26,689 --> 01:27:22,560

of the people that also kind of figured

1919

01:27:28,490 --> 01:27:26,699

out that this was a dia but again he had

1920

01:27:31,610 --> 01:27:28,500

signed I wanted to say he had signed the

1921

01:27:34,400 --> 01:27:31,620

NDA so he can talk about it and then

1922

01:27:36,410 --> 01:27:34,410

people were like MUFON I guess like blew

1923

01:27:38,990 --> 01:27:36,420

up internally they they had the people

1924

01:27:40,820 --> 01:27:39,000

are like how dare we have people have to

1925

01:27:43,040 --> 01:27:40,830

sign NDA's and work with the government

1926

01:27:45,110 --> 01:27:43,050

in the this guy Barbara Bigelow and then

1927

01:27:45,890 --> 01:27:45,120

you had to half that kept saying you

1928

01:27:47,390 --> 01:27:45,900

know this is

1929

01:27:49,820 --> 01:27:47,400

excellent this is great you know let's

1930

01:27:51,890 --> 01:27:49,830

do this but they didn't realize what all

1931

01:27:53,899 --> 01:27:51,900

came with that you know and again I

1932

01:27:56,899 --> 01:27:53,909

don't know if those people got actually

1933

01:27:59,120 --> 01:27:56,909

paid I don't know or they assumed they

1934

01:28:01,490 --> 01:27:59,130

would or at least got paid for their

1935

01:28:04,850 --> 01:28:01,500

services to go on on the ground because

1936

01:28:07,760 --> 01:28:04,860

Bigelow supposedly had not money were

1937

01:28:11,209 --> 01:28:07,770

basically this response team could land

1938

01:28:13,850 --> 01:28:11,219

in any state within what a day or so or

1939

01:28:15,560 --> 01:28:13,860

even a couple hours it seems like if you

1940

01:28:17,240 --> 01:28:15,570

were I don't know how closely you were

1941

01:28:19,189 --> 01:28:17,250

following things but this kind of blew

1942

01:28:22,340 --> 01:28:19,199

up just at the time I was getting really

1943

01:28:24,620 --> 01:28:22,350

serious and really starting to do some

1944

01:28:26,990 --> 01:28:24,630

hardcore research in this it was kind of

1945

01:28:32,360 --> 01:28:27,000

in the aftermath of the Stephenville

1946

01:28:34,580 --> 01:28:32,370

case yeah really like the last big you

1947

01:28:37,640 --> 01:28:34,590

know case where you really had an entire

1948

01:28:39,470 --> 01:28:37,650

community seeing things and being up in

1949

01:28:41,780 --> 01:28:39,480

arms about it and they're getting a lot

1950

01:28:44,570 --> 01:28:41,790

of national attention so that happened I

1951

01:28:47,000 --> 01:28:44,580

think in late 2008 and it was still just

1952

01:28:49,250 --> 01:28:47,010

kind of dying down but that seems to

1953

01:28:52,370 --> 01:28:49,260

maybe been the catalyst a little bit of

1954

01:28:55,490 --> 01:28:52,380

a fire under Bigelow to get some people

1955

01:28:58,100 --> 01:28:55,500

out in the field a little bit more well

1956

01:29:00,439 --> 01:28:58,110

it's interesting that big law it's like

1957

01:29:03,200 --> 01:29:00,449

grant has mentioned this I believe even

1958

01:29:05,570 --> 01:29:03,210

on your show he went out and tried to

1959

01:29:07,189 --> 01:29:05,580

buy a lot of data and he did buy a lot

1960

01:29:09,050 --> 01:29:07,199

of data but there's something that he

1961

01:29:11,959 --> 01:29:09,060

just they did they do it wasn't for sale

1962

01:29:16,820 --> 01:29:11,969

like the free organization data right

1963

01:29:20,750 --> 01:29:16,830

experiencers but you know it's it's

1964

01:29:23,209 --> 01:29:20,760

interesting I mean that tells me as an

1965

01:29:26,000 --> 01:29:23,219

educated person that he obviously knows

1966

01:29:30,410 --> 01:29:26,010

way more than what you or I know you

1967

01:29:32,030 --> 01:29:30,420

mean big yeah and obviously he alluded

1968

01:29:34,310 --> 01:29:32,040

to that fact in the sixty minutes

1969

01:29:36,830 --> 01:29:34,320

interview and then since then he's gone

1970

01:29:40,430 --> 01:29:36,840

silent he hasn't said a word nobody's

1971

01:29:41,990 --> 01:29:40,440

been able to contact him nothing we

1972

01:29:44,000 --> 01:29:42,000

haven't heard crap from him

1973

01:29:46,040 --> 01:29:44,010

which I find very interesting but I

1974

01:29:48,590 --> 01:29:46,050

think it was the first salvo in this

1975

01:29:51,200 --> 01:29:48,600

this whole ongoing thing I think it was

1976

01:29:53,209 --> 01:29:51,210

like the little his tidbit that he

1977

01:29:53,810 --> 01:29:53,219

wanted to get out and then he went back

1978

01:29:56,870 --> 01:29:53,820

in the shadows

1979

01:29:59,180 --> 01:29:56,880

I know his daughter is on like Facebook

1980

01:29:59,480 --> 01:29:59,190

and an Instagram but she isn't posting

1981

01:30:01,400 --> 01:29:59,490

anything

1982

01:30:03,350 --> 01:30:01,410

very interesting and really that's kind

1983

01:30:05,120 --> 01:30:03,360

of stalkerish that you know people are

1984

01:30:08,120 --> 01:30:05,130

even trying to do that but from what

1985

01:30:09,830 --> 01:30:08,130

I've changed she's not been forthright

1986

01:30:13,520 --> 01:30:09,840

with whatever you know her father is

1987

01:30:15,740 --> 01:30:13,530

doing so I don't know it's just it's so

1988

01:30:16,310 --> 01:30:15,750

interesting such Copeland dagger stuff

1989

01:30:18,620 --> 01:30:16,320

guys

1990

01:30:20,150 --> 01:30:18,630

such cooking the good stuff it does get

1991

01:30:23,000 --> 01:30:20,160

interesting and that is interesting is

1992

01:30:24,320 --> 01:30:23,010

that the phenomenon itself but the the

1993

01:30:26,960 --> 01:30:24,330

soap opera around it does get

1994

01:30:29,630 --> 01:30:26,970

interesting now and then yeah what I

1995

01:30:31,130 --> 01:30:29,640

can't understand is though yeah Robert

1996

01:30:32,420 --> 01:30:31,140

Bigelow is not the only rich guy in the

1997

01:30:35,750 --> 01:30:32,430

world he's not the only rich guy who

1998

01:30:38,480 --> 01:30:35,760

uses financial resources to pursue a

1999

01:30:41,600 --> 01:30:38,490

passion or an interest a lot of guys

2000

01:30:43,610 --> 01:30:41,610

that money they might collect cars or

2001

01:30:47,120 --> 01:30:43,620

art or something along those lines but

2002

01:30:48,440 --> 01:30:47,130

the payoff is always they kind of let

2003

01:30:50,840 --> 01:30:48,450

you know they've got it you know they

2004

01:30:52,400 --> 01:30:50,850

don't keep that a secret yeah you might

2005

01:30:54,110 --> 01:30:52,410

not be able to they might not let you

2006

01:30:55,520 --> 01:30:54,120

drive the car but they'll show you a

2007

01:30:58,970 --> 01:30:55,530

picture they'll show you their garage

2008

01:31:01,910 --> 01:30:58,980

where they've got you know a dozen or so

2009

01:31:03,860 --> 01:31:01,920

or antique cars stacked or here's this

2010

01:31:05,750 --> 01:31:03,870

masterpiece I collected and that's

2011

01:31:07,520 --> 01:31:05,760

hanging on the wall of my living room

2012

01:31:09,380 --> 01:31:07,530

they'll let you know they've got it

2013

01:31:13,430 --> 01:31:09,390

they'll let you know what it is but

2014

01:31:17,690 --> 01:31:13,440

Bigelow is very tight-lipped about the

2015

01:31:21,710 --> 01:31:17,700

specifics in terms of what he's got yeah

2016

01:31:23,750 --> 01:31:21,720

yeah yeah you wonder what the endgame is

2017

01:31:25,790 --> 01:31:23,760

because you know I'm not that not to be

2018

01:31:27,590 --> 01:31:25,800

morbid or anything but the guy is into

2019

01:31:29,420 --> 01:31:27,600

his seventies it's like well what's

2020

01:31:31,640 --> 01:31:29,430

gonna happen with this stuff what would

2021

01:31:34,850 --> 01:31:31,650

happen with all the materials gathered

2022

01:31:36,250 --> 01:31:34,860

if you know by chance he falls ill or

2023

01:31:40,430 --> 01:31:36,260

drops dead tomorrow

2024

01:31:42,050 --> 01:31:40,440

that's a fantastic question I mean you

2025

01:31:50,390 --> 01:31:42,060

know like to get big oil on and ask him

2026

01:31:53,060 --> 01:31:50,400

myself but you know yeah I mean with

2027

01:31:56,540 --> 01:31:53,070

race Stanford the guys sitting on tons

2028

01:31:59,750 --> 01:31:56,550

of data and he's got like he also and I

2029

01:32:02,870 --> 01:31:59,760

want to say 60s or 70s he doesn't I'm

2030

01:32:04,280 --> 01:32:02,880

track he's got to be pushing 80 yes but

2031

01:32:06,650 --> 01:32:04,290

in the sixties or seventies I don't know

2032

01:32:08,570 --> 01:32:06,660

which it is but he had a government

2033

01:32:12,080 --> 01:32:08,580

contract from the Air Force to shoot

2034

01:32:13,480 --> 01:32:12,090

lasers at your folks that is truth as

2035

01:32:16,180 --> 01:32:13,490

the guy last true

2036

01:32:18,790 --> 01:32:16,190

they'd call him grace Stanford up and

2037

01:32:21,370 --> 01:32:18,800

huge shoot lasers at UFOs when they came

2038

01:32:23,470 --> 01:32:21,380

near his house I'm not making it up

2039

01:32:25,720 --> 01:32:23,480

that's that's the god-honest truth and

2040

01:32:27,370 --> 01:32:25,730

he's a guy he's got tons of data

2041

01:32:29,560 --> 01:32:27,380

he's got film footage for crying out

2042

01:32:31,360 --> 01:32:29,570

loud but he doesn't want to release it

2043

01:32:32,770 --> 01:32:31,370

he doesn't want to release it and then

2044

01:32:34,930 --> 01:32:32,780

the also wants to talk about his

2045

01:32:37,990 --> 01:32:34,940

dinosaur collection which that's fine

2046

01:32:40,810 --> 01:32:38,000

I just wish these guys that were Scopus

2047

01:32:44,140 --> 01:32:40,820

amounts of data just let it go I mean

2048

01:32:46,870 --> 01:32:44,150

and I solve it yeah I don't know I mean

2049

01:32:48,550 --> 01:32:46,880

and I get that or some people are saying

2050

01:32:51,250 --> 01:32:48,560

well see they don't have anything I

2051

01:32:55,960 --> 01:32:51,260

disagree I mean if he spent that much

2052

01:32:58,930 --> 01:32:55,970

money to build a hangar in like like

2053

01:33:00,280 --> 01:32:58,940

infrastructure to houses stuff then

2054

01:33:02,920 --> 01:33:00,290

obviously there's something to this

2055

01:33:04,570 --> 01:33:02,930

phenomenon or he brought that's another

2056

01:33:07,510 --> 01:33:04,580

thing I wanted to bring up a lot gets

2057

01:33:09,340 --> 01:33:07,520

made about that but to the best of my

2058

01:33:10,750 --> 01:33:09,350

knowledge a lot of these materials in

2059

01:33:13,390 --> 01:33:10,760

these fragments they're really not that

2060

01:33:15,310 --> 01:33:13,400

big so no when somebody said they they

2061

01:33:17,560 --> 01:33:15,320

they refit it or they repurposed the

2062

01:33:20,110 --> 01:33:17,570

building it might just be like one or

2063

01:33:22,570 --> 01:33:20,120

two rooms within a building that they're

2064

01:33:24,460 --> 01:33:22,580

using for a lot of other purposes as

2065

01:33:25,930 --> 01:33:24,470

well office space or whatever that

2066

01:33:30,670 --> 01:33:25,940

doesn't mean that they've got this

2067

01:33:32,200 --> 01:33:30,680

entire warehouse filled with that like

2068

01:33:34,750 --> 01:33:32,210

that's for or anything like that

2069

01:33:36,250 --> 01:33:34,760

exactly exactly it would be very

2070

01:33:38,140 --> 01:33:36,260

interesting to go take a walk through

2071

01:33:40,900 --> 01:33:38,150

and see what they have absolutely no

2072

01:33:44,080 --> 01:33:40,910

absolutely but it's in any office

2073

01:33:46,000 --> 01:33:44,090

building when let's say an accountant

2074

01:33:47,650 --> 01:33:46,010

moves out and the dentist moves in well

2075

01:33:49,000 --> 01:33:47,660

they're gonna change the the office

2076

01:33:51,790 --> 01:33:49,010

around a little bit for the dentist

2077

01:33:54,160 --> 01:33:51,800

purposes or you know a jewelry store is

2078

01:33:55,960 --> 01:33:54,170

compared to a yoga studio the jewelry

2079

01:33:58,030 --> 01:33:55,970

store is going to need more security

2080

01:34:00,040 --> 01:33:58,040

that type of thing I went what what kind

2081

01:34:01,570 --> 01:34:00,050

of security need for a yoga studio you

2082

01:34:03,340 --> 01:34:01,580

know what I mean it's like any kind of

2083

01:34:06,760 --> 01:34:03,350

thing happens all the time I think it's

2084

01:34:09,670 --> 01:34:06,770

just getting taken through the literally

2085

01:34:11,860 --> 01:34:09,680

to the extreme you know what I mean yeah

2086

01:34:13,630 --> 01:34:11,870

and I would love to find out who is

2087

01:34:16,720 --> 01:34:13,640

actually the security for the whole

2088

01:34:18,610 --> 01:34:16,730

Bigelow Aerospace you know is the EG&G

2089

01:34:20,830 --> 01:34:18,620

is it somebody else is it some kind of

2090

01:34:24,190 --> 01:34:20,840

private military contractor who is it

2091

01:34:25,960 --> 01:34:24,200

cuz that we could possibly find out that

2092

01:34:26,669 --> 01:34:25,970

would be an interesting angle because if

2093

01:34:28,830 --> 01:34:26,679

it's the same people

2094

01:34:30,689 --> 01:34:28,840

who are secured you over areas that the

2095

01:34:33,419 --> 01:34:30,699

one they'd be very interesting in my

2096

01:34:35,879 --> 01:34:33,429

opinion but I I mean I guess I had to

2097

01:34:37,830 --> 01:34:35,889

actually start to work on that it's just

2098

01:34:40,080 --> 01:34:37,840

like a idea in my head it's not

2099

01:34:43,020 --> 01:34:40,090

something I've actually looked into but

2100

01:34:44,520 --> 01:34:43,030

um yeah it's this whole thing is very

2101

01:34:47,129 --> 01:34:44,530

interesting I we live in very

2102

01:34:49,410 --> 01:34:47,139

interesting times I'm very excited I

2103

01:34:50,219 --> 01:34:49,420

will say that and hopefully there's

2104

01:34:51,959 --> 01:34:50,229

three years old

2105

01:34:53,310 --> 01:34:51,969

you know I'm obtained for her you know

2106

01:34:57,390 --> 01:34:53,320

this is gonna be pretty cool

2107

01:35:01,259 --> 01:34:57,400

yep maybe I don't know I I think it will

2108

01:35:02,819 --> 01:35:01,269

be I think I I am I'm I'm excited by the

2109

01:35:06,239 --> 01:35:02,829

subject obviously I wouldn't have been

2110

01:35:08,640 --> 01:35:06,249

into it as long as I had been and the

2111

01:35:10,109 --> 01:35:08,650

last not quite II I guess three quarters

2112

01:35:13,350 --> 01:35:10,119

of a year whatever it's been since last

2113

01:35:15,540 --> 01:35:13,360

October things have picked up there's no

2114

01:35:19,020 --> 01:35:15,550

doubt about that Chris said you have

2115

01:35:21,449 --> 01:35:19,030

anything else for us oh no do you have

2116

01:35:23,219 --> 01:35:21,459

any more questions I don't really I

2117

01:35:26,219 --> 01:35:23,229

think we're good that we we filled our

2118

01:35:27,929 --> 01:35:26,229

hour-and-a-half it flew by you know

2119

01:35:28,589 --> 01:35:27,939

hopefully you guys got something out of

2120

01:35:31,109 --> 01:35:28,599

it maybe

2121

01:35:32,699 --> 01:35:31,119

absolutely absolutely yeah it's been

2122

01:35:33,989 --> 01:35:32,709

fine it's been a fun conversation it's

2123

01:35:39,689 --> 01:35:33,999

nice to get back in the saddle after

2124

01:35:41,279 --> 01:35:39,699

cuts off and we'll let you go and thanks

2125

01:35:43,529 --> 01:35:41,289

very much for coming on obviously

2126  
01:35:46,199 --> 01:35:43,539  
there's gonna be more to more stuff to

2127  
01:35:48,839 --> 01:35:46,209  
talk about down the road and we'd be

2128  
01:35:51,120 --> 01:35:48,849  
more than happy to to have you back so

2129  
01:36:00,959 --> 01:35:51,130  
long as you don't finally fully retire

2130  
01:36:03,660 --> 01:36:00,969  
from talking about not the case I'm

2131  
01:36:05,580 --> 01:36:03,670  
gonna be around right great so I yeah

2132  
01:36:06,149 --> 01:36:05,590  
what's let's wrap it up thanks again

2133  
01:36:09,149 --> 01:36:06,159  
Chris

2134  
01:36:12,239 --> 01:36:09,159  
James you know I don't think we lost the

2135  
01:36:14,250 --> 01:36:12,249  
step at all during our vacation no not

2136  
01:36:17,520 --> 01:36:14,260  
at all not at all as good as can come

2137  
01:36:19,140 --> 01:36:17,530  
back so we've got 18 guys not a problem

2138  
01:36:22,109 --> 01:36:19,150

I'm glad to have you Chris thanks again

2139

01:36:26,609 --> 01:36:22,119

and that's about it we'll be back next

2140

01:36:29,819 --> 01:36:26,619

week Adam Dodd we're going to have Adam

2141

01:36:31,350 --> 01:36:29,829

died on this month and dr. Lyn khatai is

2142

01:36:34,109 --> 01:36:31,360

gonna be on that later this month

2143

01:36:36,620 --> 01:36:34,119

talking about Phoenix lights and dr.

2144

01:36:40,080 --> 01:36:36,630

Dodd is a

2145

01:36:43,740 --> 01:36:40,090

researcher in Australia who's written a

2146

01:36:45,930 --> 01:36:43,750

good bit about science and scientists

2147

01:36:47,280 --> 01:36:45,940

and their attitudes towards UFOs so

2148

01:36:50,130 --> 01:36:47,290

that's gonna be a lot of fun and

2149

01:36:52,290 --> 01:36:50,140

obviously we'll have more bookings come

2150

01:36:57,330 --> 01:36:52,300

up and we'll let you know as they do and
