

**DR. LYNNE KITEI ON:**

**THE PHOENIX LIGHTS**

1  
00:01:21,270 --> 00:00:34,030

[Music]

2  
00:01:21,280 --> 00:01:30,030

in a row totally listen from each other

3  
00:01:34,930 --> 00:01:32,500

you know for the skies of Arizona gets a

4  
00:01:47,050 --> 00:01:34,940

lot of people wondering for what there's

5  
00:01:49,210 --> 00:01:47,060

gonna be time I would say it's like

6  
00:01:52,770 --> 00:01:49,220

nothing they've ever seen before many

7  
00:01:56,350 --> 00:01:52,780

investigators caught the largest

8  
00:01:59,249 --> 00:01:56,360

sighting lasting the longest amount of

9  
00:02:06,730 --> 00:01:59,259

time seen by the largest number of

10  
00:02:28,220 --> 00:02:06,740

itself explained shortly after 8:00 p.m.

11  
00:02:28,230 --> 00:02:31,690

[Music]

12  
00:02:31,700 --> 00:02:47,010

they were big they were

13  
00:03:40,940 --> 00:03:35,130

[Music]

14  
00:03:47,280 --> 00:03:44,070  
and good morning from Philadelphia Frank

15  
00:03:50,730 --> 00:03:47,290  
here James come in from West just in New

16  
00:03:53,040 --> 00:03:50,740  
York and this is UFO News Network Sunday

17  
00:03:55,830 --> 00:03:53,050  
we've got with us today dr. Lynn khatai

18  
00:03:58,860 --> 00:03:55,840  
and she's gonna tell us all about the

19  
00:04:00,870 --> 00:03:58,870  
Phoenix Lake case one of the really

20  
00:04:03,570 --> 00:04:00,880  
amazing cases where an entire community

21  
00:04:07,580 --> 00:04:03,580  
got up in arms and seems like cases like

22  
00:04:10,140 --> 00:04:07,590  
this maybe can come up once a decade I

23  
00:04:12,510 --> 00:04:10,150  
would say Stephenville was the most

24  
00:04:14,940 --> 00:04:12,520  
recent that was 2008 10 years ago

25  
00:04:17,580 --> 00:04:14,950  
already we are due for another one

26

00:04:21,030 --> 00:04:17,590

Phoenix lights set in the 90s going back

27

00:04:23,610 --> 00:04:21,040

to the 80s Hudson Valley in the 60s in

28

00:04:26,000 --> 00:04:23,620

cases up in Michigan but this is one of

29

00:04:28,620 --> 00:04:26,010

those once-a-decade kinds of cases and

30

00:04:32,160 --> 00:04:28,630

dr. Lynn you were right in the middle of

31

00:04:33,540 --> 00:04:32,170

all this tell us and yeah you're still

32

00:04:35,660 --> 00:04:33,550

in the middle of all this I still

33

00:04:38,160 --> 00:04:35,670

keeping this case going as still

34

00:04:45,300 --> 00:04:38,170

disseminating information about what

35

00:04:46,890 --> 00:04:45,310

happened 20 21 years ago already where

36

00:04:48,630 --> 00:04:46,900

do you want to start that do you want to

37

00:04:52,950 --> 00:04:48,640

start with that how you got into it all

38

00:04:56,310 --> 00:04:52,960

you want to start talking about actually

39

00:04:58,080 --> 00:04:56,320

those are intertwined because and by the

40

00:05:01,620 --> 00:04:58,090

way thank you so much Frank and James

41

00:05:04,400 --> 00:05:01,630

for you know having me share this

42

00:05:06,780 --> 00:05:04,410

information which by the way even UFO

43

00:05:08,790 --> 00:05:06,790

experts and colleagues

44

00:05:10,470 --> 00:05:08,800

unless you've read the book the Phoenix

45

00:05:14,100 --> 00:05:10,480

lights a skeptics discovery that we are

46

00:05:16,440 --> 00:05:14,110

not alone that took over seven years to

47

00:05:19,200 --> 00:05:16,450

in the making after the mass sighting in

48

00:05:20,370 --> 00:05:19,210

1997 for me to come forward I did not

49

00:05:24,330 --> 00:05:20,380

want to come forward and we'll talk

50

00:05:26,880 --> 00:05:24,340

about that there is so much more to the

51  
00:05:29,640 --> 00:05:26,890  
story that people have not heard I felt

52  
00:05:32,460 --> 00:05:29,650  
it was really important to share the

53  
00:05:34,650 --> 00:05:32,470  
data as it unfolded in the story itself

54  
00:05:39,630 --> 00:05:34,660  
is really fascinating from but for

55  
00:05:41,490 --> 00:05:39,640  
myself going back to 95 1995 I had no

56  
00:05:43,890 --> 00:05:41,500  
interest or knowledge in this topic at

57  
00:05:46,469 --> 00:05:43,900  
all in fact I stayed away from it was

58  
00:05:50,760 --> 00:05:46,479  
very busy my life's work not only as a

59  
00:05:51,120 --> 00:05:50,770  
medical doctor since 1976 but I focused

60  
00:05:53,610 --> 00:05:51,130  
not

61  
00:05:55,800 --> 00:05:53,620  
and finally practice internal medicine

62  
00:05:57,390 --> 00:05:55,810  
adolescent medicine but on medical

63  
00:05:59,970 --> 00:05:57,400

communications because I felt it was

64

00:06:01,560 --> 00:05:59,980

important to get information out to the

65

00:06:05,120 --> 00:06:01,570

public which I've been doing now for

66

00:06:07,850 --> 00:06:05,130

over 40 years on vital health issues

67

00:06:11,400 --> 00:06:07,860

actually started in Philadelphia Frank

68

00:06:14,940 --> 00:06:11,410

came over you at the NBC affiliate was

69

00:06:17,520 --> 00:06:14,950

the stellar team of Jessica savage and

70

00:06:19,590 --> 00:06:17,530

morkrum and Vince Leonard actually a

71

00:06:21,210 --> 00:06:19,600

pioneer in the field nobody was doing

72

00:06:23,430 --> 00:06:21,220

this then but I started doing health

73

00:06:26,100 --> 00:06:23,440

reporting I saw the need to really let

74

00:06:30,180 --> 00:06:26,110

the public know about these vital issues

75

00:06:32,430 --> 00:06:30,190

health issues and a syndication grew

76  
00:06:35,700 --> 00:06:32,440  
from that which when we moved to Phoenix

77  
00:06:37,950 --> 00:06:35,710  
in 1980 and this is all building up to

78  
00:06:40,860 --> 00:06:37,960  
the Phoenix lights by the way they were

79  
00:06:43,290 --> 00:06:40,870  
already showing the the syndication here

80  
00:06:46,730 --> 00:06:43,300  
in Phoenix which was really exciting and

81  
00:06:49,320 --> 00:06:46,740  
then NBC here asked me to do reporting

82  
00:06:53,250 --> 00:06:49,330  
segments for them on the news and then

83  
00:06:54,840 --> 00:06:53,260  
us a cable so by the mid 80s not only

84  
00:06:57,270 --> 00:06:54,850  
was I very versed because I was doing

85  
00:06:59,010 --> 00:06:57,280  
everything myself as far as researching

86  
00:07:01,770 --> 00:06:59,020  
and writing and going out in the field

87  
00:07:04,590 --> 00:07:01,780  
and shooting the the pieces and going

88  
00:07:06,480 --> 00:07:04,600

back and editing them at the station and

89

00:07:08,130 --> 00:07:06,490

then being on set with whoever or

90

00:07:10,080 --> 00:07:08,140

whether it was Jessica savage or whoever

91

00:07:12,540 --> 00:07:10,090

the hosts would be in answering

92

00:07:15,450 --> 00:07:12,550

questions by the mid 80s I was also

93

00:07:17,400 --> 00:07:15,460

seeing kids in the practice adolescents

94

00:07:18,480 --> 00:07:17,410

who are drowning in substance abuse and

95

00:07:20,760 --> 00:07:18,490

when is it do something really

96

00:07:23,390 --> 00:07:20,770

productive to wake them up to the

97

00:07:26,280 --> 00:07:23,400

reality and I got experts in the field

98

00:07:28,740 --> 00:07:26,290

the celebrities because my other hat

99

00:07:31,200 --> 00:07:28,750

before I went to medical school which is

100

00:07:33,150 --> 00:07:31,210

part of this whole story that was

101  
00:07:35,460 --> 00:07:33,160  
actually professional musical theater on

102  
00:07:37,290 --> 00:07:35,470  
Broadway I toured with Gordon MacRae in

103  
00:07:39,960 --> 00:07:37,300  
Oklahoma and Betty Grable and Guys and

104  
00:07:42,510 --> 00:07:39,970  
Dolls and understudy Barbra and sound of

105  
00:07:44,850 --> 00:07:42,520  
music and it Alice now it's a wonderland

106  
00:07:47,430 --> 00:07:44,860  
like Sherman Hemsley mr. Jefferson and

107  
00:07:49,470 --> 00:07:47,440  
if anybody's seen by the way the movie

108  
00:07:55,050 --> 00:07:49,480  
Waiting Arizona did you guys see that

109  
00:07:58,860 --> 00:07:55,060  
movie that's a good movie I played the

110  
00:08:01,440 --> 00:07:58,870  
mother of the quintuplets Lawrence and

111  
00:08:02,909 --> 00:08:01,450  
you know ironically and I do not believe

112  
00:08:04,110 --> 00:08:02,919  
in coincidence anymore

113  
00:08:06,540 --> 00:08:04,120

and this is one of the

114

00:08:10,260 --> 00:08:06,550

coincidences it came out ten years

115

00:08:12,659 --> 00:08:10,270

before the mass sighting in 87 and

116

00:08:14,129 --> 00:08:12,669

somebody came up to me a few years ago

117

00:08:15,659 --> 00:08:14,139

and I hadn't watched it since the 80s

118

00:08:19,530 --> 00:08:15,669

and said you know there's a reference to

119

00:08:21,450 --> 00:08:19,540

your character Florence Arizona and UFOs

120

00:08:25,680 --> 00:08:21,460

I said really I didn't even remember I

121

00:08:27,060 --> 00:08:25,690

go back and actually in the film after

122

00:08:29,010 --> 00:08:27,070

one of the and it's a it's a black

123

00:08:32,730 --> 00:08:29,020

comedy for anybody that hasn't seen it a

124

00:08:35,490 --> 00:08:32,740

cult favorite and really a incredible

125

00:08:37,709 --> 00:08:35,500

fun movie it's a pretty early Coen

126  
00:08:39,899 --> 00:08:37,719  
Brothers movie yes it was their second

127  
00:08:41,399 --> 00:08:39,909  
movie actually their first movie was

128  
00:08:43,740 --> 00:08:41,409  
Blood Simple and this was their second

129  
00:08:45,420 --> 00:08:43,750  
movie and it started Nicolas Cage and

130  
00:08:48,960 --> 00:08:45,430  
Holly Hunter and John Goodman and

131  
00:08:50,579 --> 00:08:48,970  
Frances McDormand and William Forsythe I

132  
00:08:52,200 --> 00:08:50,589  
mean what a cast and they were all

133  
00:08:54,590 --> 00:08:52,210  
starting I think Nick was the only one

134  
00:08:58,920 --> 00:08:54,600  
that had done some films before and and

135  
00:09:02,010 --> 00:08:58,930  
at any rate after a Nicolas Cage and

136  
00:09:05,519 --> 00:09:02,020  
Holly Hunter can have a can conceive

137  
00:09:09,360 --> 00:09:05,529  
they figure the Arizona family had

138  
00:09:11,340 --> 00:09:09,370

quintuplets they can miss you know they

139

00:09:13,079 --> 00:09:11,350

won't miss one of them so they kidnapped

140

00:09:16,350 --> 00:09:13,089

one of the quintuplets and again this is

141

00:09:20,970 --> 00:09:16,360

a black comedy and after the the baby

142

00:09:22,769 --> 00:09:20,980

was kidnapped they have a press

143

00:09:24,750 --> 00:09:22,779

conference in front of our home which is

144

00:09:27,510 --> 00:09:24,760

actually Cokie and for anybody that

145

00:09:30,630 --> 00:09:27,520

knows Phoenix at the phoenicians resort

146

00:09:32,760 --> 00:09:30,640

it's a beautiful Inn and standing in

147

00:09:34,410 --> 00:09:32,770

front of it one of the reporters six of

148

00:09:36,390 --> 00:09:34,420

microphone and my husband's face and

149

00:09:39,600 --> 00:09:36,400

says there's a rumor that your son was

150

00:09:42,090 --> 00:09:39,610

abducted by UFOs is there any truth to

151  
00:09:43,769 --> 00:09:42,100  
that and my husband says Oakley son

152  
00:09:53,760 --> 00:09:43,779  
please don't print that if his mama

153  
00:09:56,850 --> 00:09:53,770  
reads actual lose all hope which we'll

154  
00:09:59,430 --> 00:09:56,860  
get to but the other ironic thing is

155  
00:10:01,769 --> 00:09:59,440  
that the cinematographer who also was

156  
00:10:06,150 --> 00:10:01,779  
just getting started at the time in

157  
00:10:08,460 --> 00:10:06,160  
mainstream films I went on to do big in

158  
00:10:12,449 --> 00:10:08,470  
When Harry Met Sally and The Addams

159  
00:10:14,520 --> 00:10:12,459  
Family and so forth and he also which is

160  
00:10:17,970 --> 00:10:14,530  
really interesting to me talk about a

161  
00:10:20,130 --> 00:10:17,980  
little coincidence actually created

162  
00:10:28,560 --> 00:10:20,140  
and directed the men and black series

163  
00:10:29,850 --> 00:10:28,570

very subtle well just one little thing

164

00:10:32,760 --> 00:10:29,860

about that movie you didn't mention that

165

00:10:36,000 --> 00:10:32,770

ex Cobb lived for a while and feelings

166

00:10:40,100 --> 00:10:36,010

in that movie as well yes actually the

167

00:10:43,530 --> 00:10:40,110

hunter I guess the motorcycle guy who

168

00:10:49,050 --> 00:10:43,540

who hunts down you know the baby as well

169

00:10:51,870 --> 00:10:49,060

and really um that was kind of ironic

170

00:10:54,720 --> 00:10:51,880

and that was 10 years before the mass

171

00:10:57,920 --> 00:10:54,730

sighting that you know happens to be

172

00:11:01,440 --> 00:10:57,930

part of the movie but in any rate

173

00:11:03,420 --> 00:11:01,450

jumping forward to 95 um without any

174

00:11:05,220 --> 00:11:03,430

interest or dollars unit and actually

175

00:11:07,020 --> 00:11:05,230

stayed away from the topics to tell you

176

00:11:09,390 --> 00:11:07,030

the truth the UFO topic because of all

177

00:11:12,990 --> 00:11:09,400

the scary stories out there and I was so

178

00:11:14,700 --> 00:11:13,000

busy you know by then I had produced an

179

00:11:18,240 --> 00:11:14,710

AIDS and teen pregnancy and substance

180

00:11:20,760 --> 00:11:18,250

abuse prevention education videos that

181

00:11:23,100 --> 00:11:20,770

have won all kinds of awards with as I

182

00:11:26,340 --> 00:11:23,110

mentioned kids kids that had been there

183

00:11:27,870 --> 00:11:26,350

to tell their stories experts in the

184

00:11:29,340 --> 00:11:27,880

field and I have Magic Johnson and

185

00:11:31,050 --> 00:11:29,350

Michael Jordan and the original cast

186

00:11:33,060 --> 00:11:31,060

from Beverly Hills night so I know and

187

00:11:35,760 --> 00:11:33,070

Paul Abdul and a whole host of wonderful

188

00:11:38,010 --> 00:11:35,770

celebrities that shared poignant

189

00:11:40,020 --> 00:11:38,020

messages to wake kids up to the reality

190

00:11:42,650 --> 00:11:40,030

of these things Discovery Education has

191

00:11:45,750 --> 00:11:42,660

been distributing them for decades and

192

00:11:47,730 --> 00:11:45,760

when this fell in my lap literally and

193

00:11:49,590 --> 00:11:47,740

figuratively my husband who is also a

194

00:11:52,980 --> 00:11:49,600

physician and a healthy skeptic I have

195

00:11:54,720 --> 00:11:52,990

to add that was standing at our window

196

00:11:56,070 --> 00:11:54,730

and we lived mountainside just so you

197

00:11:57,840 --> 00:11:56,080

can picture it if anybody's near a

198

00:12:01,470 --> 00:11:57,850

computer and they want to get on the

199

00:12:04,440 --> 00:12:01,480

Phoenix lights Network website WWF

200

00:12:06,840 --> 00:12:04,450

Phoenix lights net which is packed with

201  
00:12:08,910 --> 00:12:06,850  
information I you know they want to

202  
00:12:11,550 --> 00:12:08,920  
explore and consider what's what's on

203  
00:12:13,260 --> 00:12:11,560  
there I welcome anybody that to come

204  
00:12:17,120 --> 00:12:13,270  
there because there is so much data on

205  
00:12:21,300 --> 00:12:17,130  
there to enjoy and learn and and anyway

206  
00:12:22,680 --> 00:12:21,310  
what wait what happened was that we live

207  
00:12:24,840 --> 00:12:22,690  
mountainside in Paradise Valley if you

208  
00:12:26,400 --> 00:12:24,850  
go to the photo page there's a very

209  
00:12:28,170 --> 00:12:26,410  
unique collection of thirty

210  
00:12:30,240 --> 00:12:28,180  
five-millimeter photographs that have

211  
00:12:31,410 --> 00:12:30,250  
been analyzed and authenticated by

212  
00:12:34,380 --> 00:12:31,420  
military and you

213  
00:12:38,220 --> 00:12:34,390

varsity optical physicist as true

214

00:12:40,020 --> 00:12:38,230

unknowns but what happened was that one

215

00:12:41,970 --> 00:12:40,030

wall of our bedroom we're pretty high on

216

00:12:43,920 --> 00:12:41,980

the mountain so we have a panoramic view

217

00:12:45,810 --> 00:12:43,930

of the city skyline and you can see one

218

00:12:49,140 --> 00:12:45,820

of the pictures on the photo page shows

219

00:12:51,270 --> 00:12:49,150

the topography and so we were very used

220

00:12:52,860 --> 00:12:51,280

to seeing planes and coming into Sky

221

00:12:55,860 --> 00:12:52,870

Harbor International Airport and

222

00:12:58,560 --> 00:12:55,870

helicopters and street lights and car

223

00:13:00,810 --> 00:12:58,570

lights and so forth as well it happened

224

00:13:03,120 --> 00:13:00,820

to be the night before the eve of my

225

00:13:06,120 --> 00:13:03,130

birthday February 6 my birthday February

226

00:13:08,670 --> 00:13:06,130

7th and I was in the other room taking a

227

00:13:10,800 --> 00:13:08,680

nice warm bag and my husband was

228

00:13:12,720 --> 00:13:10,810

standing on wall of our bedroom is a

229

00:13:15,180 --> 00:13:12,730

window so we see whatever pops up out

230

00:13:17,250 --> 00:13:15,190

there and he happened to be standing

231

00:13:18,810 --> 00:13:17,260

there talking to his mom my

232

00:13:21,300 --> 00:13:18,820

mother-in-law called to wish me a happy

233

00:13:25,620 --> 00:13:21,310

birthday from Philadelphia where I was

234

00:13:27,300 --> 00:13:25,630

you know born and raised and and all of

235

00:13:29,550 --> 00:13:27,310

a sudden and he's on several medical

236

00:13:32,100 --> 00:13:29,560

boards and hospital boards and never one

237

00:13:33,690 --> 00:13:32,110

to be ruffled that anything was very

238

00:13:35,430 --> 00:13:33,700

alarmed he says oh my god what the hell

239

00:13:37,790 --> 00:13:35,440

is that get over here quick and I jump

240

00:13:41,250 --> 00:13:37,800

out of the bath with a towel in my hand

241

00:13:44,010 --> 00:13:41,260

wringing wet and literally below us

242

00:13:46,350 --> 00:13:44,020

about 50 75 feet off the desert

243

00:13:49,230 --> 00:13:46,360

landscape which is very treacherous and

244

00:13:53,310 --> 00:13:49,240

and you know loaded with cactus and all

245

00:13:56,970 --> 00:13:53,320

that behind the home underneath us was

246

00:13:58,560 --> 00:13:56,980

actually three orbs and I call them an

247

00:14:02,730 --> 00:13:58,570

ore because the light did not extend

248

00:14:04,230 --> 00:14:02,740

outside the edge and in a pyramid

249

00:14:06,420 --> 00:14:04,240

formation one on top and two closely

250

00:14:08,490 --> 00:14:06,430

aligned underneath and immediately

251  
00:14:09,750 --> 00:14:08,500  
coming from a video background I thought

252  
00:14:12,600 --> 00:14:09,760  
oh my goodness I've got to get a picture

253  
00:14:13,770 --> 00:14:12,610  
of this but my video camera was

254  
00:14:14,310 --> 00:14:13,780  
downstairs I didn't want to miss

255  
00:14:16,200 --> 00:14:14,320  
anything

256  
00:14:17,990 --> 00:14:16,210  
and you'll hear that over and over again

257  
00:14:20,880 --> 00:14:18,000  
guys that when people see something

258  
00:14:23,040 --> 00:14:20,890  
totally extraordinary they're there

259  
00:14:25,140 --> 00:14:23,050  
they're stuck they're there and they

260  
00:14:27,630 --> 00:14:25,150  
don't want to move and I try to take

261  
00:14:29,490 --> 00:14:27,640  
everything in mentally the size the

262  
00:14:31,050 --> 00:14:29,500  
shape the color they were about three to

263  
00:14:33,510 --> 00:14:31,060

six feet each depending on how close

264

00:14:35,610 --> 00:14:33,520

they were they were orbs again because

265

00:14:37,320 --> 00:14:35,620

elected not extend outside the edge it

266

00:14:40,500 --> 00:14:37,330

was self-contained and it was a very

267

00:14:42,360 --> 00:14:40,510

uniform amber light and you will hear

268

00:14:44,070 --> 00:14:42,370

again people that see these phenomena

269

00:14:44,970 --> 00:14:44,080

called the Phoenix lights and one

270

00:14:47,490 --> 00:14:44,980

similar to them

271

00:14:49,290 --> 00:14:47,500

well amber like they're not yellow

272

00:14:52,500 --> 00:14:49,300

they're not orange they're amber it's

273

00:14:54,930 --> 00:14:52,510

just the name that pops in your head and

274

00:14:57,270 --> 00:14:54,940

they were actually oval shape like an

275

00:14:59,460 --> 00:14:57,280

egg on its side and there were three

276

00:15:01,350 --> 00:14:59,470

distinct objects and I really took

277

00:15:03,360 --> 00:15:01,360

everything in that I could mentally and

278

00:15:05,730 --> 00:15:03,370

I saw it and the other thing was that

279

00:15:07,440 --> 00:15:05,740

they didn't even to layer every other

280

00:15:09,960 --> 00:15:07,450

light out there glared has lights street

281

00:15:11,820 --> 00:15:09,970

lights car light these did not glare

282

00:15:13,590 --> 00:15:11,830

they were very soothing very mesmerizing

283

00:15:15,210 --> 00:15:13,600

and I thought if I don't get a picture

284

00:15:17,730 --> 00:15:15,220

of this nobody's gonna believe it and I

285

00:15:19,320 --> 00:15:17,740

go running to the closet to grab my 35

286

00:15:20,810 --> 00:15:19,330

millimeter and thank goodness that was

287

00:15:23,100 --> 00:15:20,820

what I would tuck these pictures with

288

00:15:26,700 --> 00:15:23,110

because they're in the negative it

289

00:15:28,950 --> 00:15:26,710

cannot be denied and I collect sunsets

290

00:15:31,500 --> 00:15:28,960

so I had it handy right there and I go

291

00:15:34,950 --> 00:15:31,510

running to the closet to grab my camera

292

00:15:37,590 --> 00:15:34,960

and by the way there's two amazing

293

00:15:39,750 --> 00:15:37,600

sunset shots on that photo page if you

294

00:15:41,940 --> 00:15:39,760

go to the bottom of the last two where I

295

00:15:46,110 --> 00:15:41,950

also call it a month apart

296

00:15:48,540 --> 00:15:46,120

in the same location these giant rod

297

00:15:51,990 --> 00:15:48,550

shaped craft that have been seen not

298

00:15:53,940 --> 00:15:52,000

only throughout Arizona particularly up

299

00:15:55,950 --> 00:15:53,950

at the Navajo Nation I'm working with

300

00:15:59,490 --> 00:15:55,960

Navajo Rangers now who are who are

301  
00:16:00,720 --> 00:15:59,500  
actually studying and law enforcement

302  
00:16:02,820 --> 00:16:00,730  
that's taking this seriously

303  
00:16:06,090 --> 00:16:02,830  
but that's they're pretty interesting I

304  
00:16:07,200 --> 00:16:06,100  
didn't see these objects when I took the

305  
00:16:11,070 --> 00:16:07,210  
picture but they're in the negative

306  
00:16:13,380 --> 00:16:11,080  
anyway I go to grab my get over your

307  
00:16:17,430 --> 00:16:13,390  
quick one of them is disappearing and as

308  
00:16:22,290 --> 00:16:17,440  
we watched in and shear off the top orb

309  
00:16:26,040 --> 00:16:22,300  
and it's so hard to describe logically

310  
00:16:27,990 --> 00:16:26,050  
but it started to shrink very very

311  
00:16:31,320 --> 00:16:28,000  
slowly the only thing I could liken it

312  
00:16:33,180 --> 00:16:31,330  
to and you know other than Star Trek and

313  
00:16:37,560 --> 00:16:33,190

et and Close Encounters because we have

314

00:16:39,060 --> 00:16:37,570

two boys at the time you know that sort

315

00:16:42,330 --> 00:16:39,070

that went in my head was do you remember

316

00:16:45,780 --> 00:16:42,340

how the Romulan Romulan cloaking device

317

00:16:47,510 --> 00:16:45,790

would like waiver before well these

318

00:16:52,350 --> 00:16:47,520

didn't do that I just really took that

319

00:16:54,270 --> 00:16:52,360

it seemed like but it didn't budge from

320

00:16:56,910 --> 00:16:54,280

the other two it's like it was shrinking

321

00:16:58,860 --> 00:16:56,920

and fading like a dimmer light until it

322

00:17:00,960 --> 00:16:58,870

was gone but

323

00:17:03,450 --> 00:17:00,970

felt like it was still there even though

324

00:17:05,100 --> 00:17:03,460

we didn't see it where did we go okay I

325

00:17:06,929 --> 00:17:05,110

go out on the balcony I shoot a quick

326

00:17:09,390 --> 00:17:06,939

picture the two lower orbs in that

327

00:17:11,929 --> 00:17:09,400

picture is on the photo plate on the

328

00:17:16,350 --> 00:17:11,939

Phoenix lights Network website and

329

00:17:18,689 --> 00:17:16,360

immediately noticed an eerie silence as

330

00:17:20,819 --> 00:17:18,699

if time had stopped I always go back to

331

00:17:23,280 --> 00:17:20,829

this first sighting in 95 because it's

332

00:17:26,309 --> 00:17:23,290

as real as I'm talking to you now I mean

333

00:17:29,250 --> 00:17:26,319

this was so bizarre as if time had

334

00:17:32,610 --> 00:17:29,260

stopped and as intently as I'm watching

335

00:17:34,830 --> 00:17:32,620

the two lower orbs and I did not admit

336

00:17:37,140 --> 00:17:34,840

this to anyone until two years later

337

00:17:39,210 --> 00:17:37,150

when I finally admitted to Jim Dolorosa

338

00:17:41,340 --> 00:17:39,220

one of the chief investigators after the

339

00:17:44,460 --> 00:17:41,350

mass sighting that going through my mind

340

00:17:46,680 --> 00:17:44,470

at that moment because it is intently as

341

00:17:48,750 --> 00:17:46,690

I was watching these two lower orbs it

342

00:17:51,240 --> 00:17:48,760

felt like something was watching me and

343

00:17:53,280 --> 00:17:51,250

I was thinking who are you what are you

344

00:17:55,549 --> 00:17:53,290

do know that I'm here I'd love to meet

345

00:17:58,140 --> 00:17:55,559

you and the next thing I remember

346

00:18:00,510 --> 00:17:58,150

something told me to take a picture and

347

00:18:03,870 --> 00:18:00,520

as I'm ready to take the picture the

348

00:18:05,850 --> 00:18:03,880

left bottom orb started to shrink very

349

00:18:08,040 --> 00:18:05,860

very slow mechanically as if there was

350

00:18:09,360 --> 00:18:08,050

an intelligence behind it and I quickly

351

00:18:11,490 --> 00:18:09,370

shot a picture for that that was the

352

00:18:14,160 --> 00:18:11,500

only one that turned out at the time but

353

00:18:16,919 --> 00:18:14,170

for me it was unbelievable that I happen

354

00:18:19,169 --> 00:18:16,929

to catch this one or the left bottom or

355

00:18:21,120 --> 00:18:19,179

half disappeared and one stole there

356

00:18:23,190 --> 00:18:21,130

would you verified to me that something

357

00:18:25,620 --> 00:18:23,200

strange didn't happen I caught her on

358

00:18:27,240 --> 00:18:25,630

the 35 millimeter but I didn't know

359

00:18:29,220 --> 00:18:27,250

anybody that was into the topic I didn't

360

00:18:30,690 --> 00:18:29,230

even know who to show it to and I just

361

00:18:32,669 --> 00:18:30,700

wondered and I'm a pretty educated

362

00:18:35,370 --> 00:18:32,679

person and I knew nothing about this

363

00:18:37,500 --> 00:18:35,380

topic at all what this advanced

364

00:18:39,299 --> 00:18:37,510

technology was doing outside our bedroom

365

00:18:42,090 --> 00:18:39,309

window particularly and I have to know

366

00:18:42,690 --> 00:18:42,100

this since we lived nestled in the

367

00:18:46,290 --> 00:18:42,700

mountains

368

00:18:48,180 --> 00:18:46,300

it's a no-fly zone and so there's

369

00:18:51,360 --> 00:18:48,190

definitely no chance that it was

370

00:18:53,549 --> 00:18:51,370

military but very interestingly if you

371

00:18:55,860 --> 00:18:53,559

go to those pictures and I did find it

372

00:18:58,440 --> 00:18:55,870

out after we start to investigate it two

373

00:19:01,070 --> 00:18:58,450

years later that I had more pictures on

374

00:19:04,890 --> 00:19:01,080

those strips from the close sighting and

375

00:19:07,169 --> 00:19:04,900

I ended up sending the first and the

376

00:19:09,390 --> 00:19:07,179

last picture to dr. Bruce Maccabee and

377

00:19:11,970 --> 00:19:09,400

this is getting a little ahead of myself

378

00:19:12,540 --> 00:19:11,980

but I I think it's important to share

379

00:19:17,820 --> 00:19:12,550

this

380

00:19:19,320 --> 00:19:17,830

close sighting because I don't know you

381

00:19:20,820 --> 00:19:19,330

know it's something did happen because

382

00:19:23,100 --> 00:19:20,830

what I shared with you is what I

383

00:19:25,230 --> 00:19:23,110

remember that's I don't remember going

384

00:19:27,090 --> 00:19:25,240

inside I don't remember looking at the

385

00:19:29,490 --> 00:19:27,100

clock what I share with you is what I

386

00:19:32,040 --> 00:19:29,500

remember but the pictures themselves I

387

00:19:33,990 --> 00:19:32,050

sent to dr. Bruce Maccabee Navy optical

388

00:19:36,960 --> 00:19:34,000

physicist very well respected in the

389

00:19:40,740 --> 00:19:36,970

field on the UFO field as well as you

390

00:19:42,450 --> 00:19:40,750

know in the military yeah and he gave me

391

00:19:44,130 --> 00:19:42,460

a call a couple weeks later and this was

392

00:19:47,040 --> 00:19:44,140

like an afterthought by the way because

393

00:19:48,120 --> 00:19:47,050

the lights not only appear on march 13th

394

00:19:50,310 --> 00:19:48,130

which we'll get to but they were

395

00:19:52,830 --> 00:19:50,320

appearing for weeks before and then they

396

00:19:55,290 --> 00:19:52,840

appeared again a year later and we have

397

00:19:57,510 --> 00:19:55,300

that video from four different vantage

398

00:20:00,180 --> 00:19:57,520

points in the documentary that people

399

00:20:02,160 --> 00:20:00,190

can take a look at and I sent the four

400

00:20:03,870 --> 00:20:02,170

copies to dr. Maccabee and as an

401  
00:20:06,060 --> 00:20:03,880  
afterthought I sent the first and last

402  
00:20:09,330 --> 00:20:06,070  
picture to him and he called me a couple

403  
00:20:10,650 --> 00:20:09,340  
weeks later and he said you told me that

404  
00:20:13,050 --> 00:20:10,660  
the close sighting was only a couple

405  
00:20:15,360 --> 00:20:13,060  
minutes I said great he said are you

406  
00:20:16,620 --> 00:20:15,370  
sure I said that's what I remember he

407  
00:20:20,220 --> 00:20:16,630  
said to ask your husband well

408  
00:20:22,560 --> 00:20:20,230  
interestingly as a little aside he would

409  
00:20:24,720 --> 00:20:22,570  
never talk about it now he was inside I

410  
00:20:26,160 --> 00:20:24,730  
was outside they said he's one that

411  
00:20:27,720 --> 00:20:26,170  
would never be ruffled about anything

412  
00:20:29,610 --> 00:20:27,730  
but every time I brought the close

413  
00:20:30,810 --> 00:20:29,620

sighting up he would get agitated and

414

00:20:33,420 --> 00:20:30,820

didn't want to talk about it so I

415

00:20:38,520 --> 00:20:33,430

stopped talking about it and to me it

416

00:20:40,230 --> 00:20:38,530

was wondering you know just still in awe

417

00:20:42,450 --> 00:20:40,240

and always looking up at the sky to see

418

00:20:45,030 --> 00:20:42,460

if I saw anything similar which I didn't

419

00:20:47,070 --> 00:20:45,040

for two years but at any rate um I sat

420

00:20:48,600 --> 00:20:47,080

my husband down because dr. McAfee said

421

00:20:51,180 --> 00:20:48,610

look you have to cooperate with him

422

00:20:52,830 --> 00:20:51,190

since he saw - and I said look we're not

423

00:20:54,960 --> 00:20:52,840

gonna talk about this close sighting but

424

00:20:56,850 --> 00:20:54,970

just tell me how long you sort of you

425

00:20:58,920 --> 00:20:56,860

know remember it being he said I don't

426  
00:21:02,190 --> 00:20:58,930  
know two three four minutes tops I said

427  
00:21:06,630 --> 00:21:02,200  
fine I go back to dr. McAfee and again

428  
00:21:07,950 --> 00:21:06,640  
if anybody is on the web you know it's

429  
00:21:09,870 --> 00:21:07,960  
really interesting if you can look at

430  
00:21:11,850 --> 00:21:09,880  
the pictures you'll see because again

431  
00:21:14,160 --> 00:21:11,860  
they're 35 millimeter and it's on the

432  
00:21:17,700 --> 00:21:14,170  
negative it cannot be denied he says

433  
00:21:22,790 --> 00:21:17,710  
first of all the same phenomena this is

434  
00:21:25,720 --> 00:21:22,800  
really poignant facts and data the same

435  
00:21:29,380 --> 00:21:25,730  
mile wide phenomenon the

436  
00:21:32,380 --> 00:21:29,390  
I would also catch on thirty

437  
00:21:34,120 --> 00:21:32,390  
five-millimeter and then on video on

438  
00:21:35,590 --> 00:21:34,130

thirty five-millimeter two months before

439

00:21:36,220 --> 00:21:35,600

the mass sighting and we'll get to that

440

00:21:38,170 --> 00:21:36,230

in a second

441

00:21:41,140 --> 00:21:38,180

and during the mass sighting on video

442

00:21:45,430 --> 00:21:41,150

was in the background in the same exact

443

00:21:46,540 --> 00:21:45,440

location as 97 that was one thing I

444

00:21:48,970 --> 00:21:46,550

would have never noticed it I just

445

00:21:50,980 --> 00:21:48,980

thought it was part of the landscape but

446

00:21:54,310 --> 00:21:50,990

it's right there I mean the same exact

447

00:21:57,190 --> 00:21:54,320

phenomenon plus he said look at this

448

00:21:58,840 --> 00:21:57,200

look at the skyline him before before I

449

00:22:02,860 --> 00:21:58,850

mentioned that I want to just mention

450

00:22:05,740 --> 00:22:02,870

they during the mass sighting people

451  
00:22:07,210 --> 00:22:05,750  
actually saw these orbs detach I mean

452  
00:22:09,910 --> 00:22:07,220  
the technology was incredible which will

453  
00:22:11,710 --> 00:22:09,920  
get to detach from the main object go

454  
00:22:13,810 --> 00:22:11,720  
out into the environment and then redock

455  
00:22:16,330 --> 00:22:13,820  
with it later is that what might have

456  
00:22:17,470 --> 00:22:16,340  
happened in 95 we can only speculate but

457  
00:22:19,420 --> 00:22:17,480  
be that as it may

458  
00:22:21,060 --> 00:22:19,430  
dr. Maccabee says to me but the most

459  
00:22:23,170 --> 00:22:21,070  
important thing about these pictures

460  
00:22:27,070 --> 00:22:23,180  
from the first picture in the last

461  
00:22:29,320 --> 00:22:27,080  
picture is this skyline I said okay he

462  
00:22:31,210 --> 00:22:29,330  
says look at the skyline in the first

463  
00:22:33,610 --> 00:22:31,220

picture there's many more lights that

464

00:22:36,340 --> 00:22:33,620

are on in the first picture and we're

465

00:22:40,120 --> 00:22:36,350

talking groups of lights that are off in

466

00:22:42,100 --> 00:22:40,130

the last picture and he says and we're

467

00:22:43,270 --> 00:22:42,110

talking many we're talking at least a

468

00:22:45,250 --> 00:22:43,280

half a dozen or more

469

00:22:46,510 --> 00:22:45,260

he says that doesn't happen in a couple

470

00:22:50,050 --> 00:22:46,520

minutes he says I want you to do an

471

00:22:52,360 --> 00:22:50,060

experiment and by the way his 21 page

472

00:22:54,520 --> 00:22:52,370

report is on the website if anybody

473

00:22:57,520 --> 00:22:54,530

wants to read it but anyway he says I

474

00:22:59,980 --> 00:22:57,530

want to do an experiment and to go out

475

00:23:03,400 --> 00:22:59,990

to you know approximately the same

476  
00:23:05,500 --> 00:23:03,410  
location that you were shooting at in 95

477  
00:23:07,300 --> 00:23:05,510  
and shoot the skyline and keep in mind

478  
00:23:10,060 --> 00:23:07,310  
that this is three years later but he

479  
00:23:12,010 --> 00:23:10,070  
said you know shoots a skyline one night

480  
00:23:13,600 --> 00:23:12,020  
every hour the next night every half

481  
00:23:15,910 --> 00:23:13,610  
hour and I actually did another night

482  
00:23:17,620 --> 00:23:15,920  
every 15 minutes to see when these

483  
00:23:20,980 --> 00:23:17,630  
lights these groups of lights go out

484  
00:23:23,140 --> 00:23:20,990  
well he analyzed the whole thing very

485  
00:23:26,110 --> 00:23:23,150  
meticulously I mean he is an incredible

486  
00:23:29,110 --> 00:23:26,120  
incredible scientist and what he came

487  
00:23:32,320 --> 00:23:29,120  
back with by the way he presented this

488  
00:23:35,290 --> 00:23:32,330

case and I did not share it I'll do that

489

00:23:39,010 --> 00:23:35,300

in 10 with the public but because it's

490

00:23:40,780 --> 00:23:39,020

so bizarre but he shared this case

491

00:23:43,150 --> 00:23:40,790

and he asked me can I please share this

492

00:23:45,850 --> 00:23:43,160

case at the MUFON the upcoming MUFON

493

00:23:48,460 --> 00:23:45,860

1999 international symposium in

494

00:23:50,290 --> 00:23:48,470

Washington DC and I said dr. McAfee this

495

00:23:53,740 --> 00:23:50,300

is your baby I would have never ever

496

00:23:56,560 --> 00:23:53,750

noticed and realizes that it unless you

497

00:23:59,110 --> 00:23:56,570

had analyzed it I said but please keep

498

00:24:01,540 --> 00:23:59,120

my name out of it I stayed anonymous and

499

00:24:03,910 --> 00:24:01,550

I mean anonymous for seven years and he

500

00:24:05,890 --> 00:24:03,920

was kind enough as for the handful of

501  
00:24:08,980 --> 00:24:05,900  
other people didn't do the data that I

502  
00:24:12,850 --> 00:24:08,990  
had that I was having analyzed presented

503  
00:24:16,299 --> 00:24:12,860  
the case in 1999 as the first if not the

504  
00:24:20,140 --> 00:24:16,309  
only authenticated photographic evidence

505  
00:24:23,350 --> 00:24:20,150  
of missing time that there were hours in

506  
00:24:25,860 --> 00:24:23,360  
between those pictures not just minutes

507  
00:24:32,860 --> 00:24:25,870  
and we can get to that later because

508  
00:24:36,760 --> 00:24:32,870  
their timestamp in the actual photos he

509  
00:24:40,240 --> 00:24:36,770  
did is strictly by analyzing the the

510  
00:24:43,360 --> 00:24:40,250  
skyline you can read it and I also have

511  
00:24:45,280 --> 00:24:43,370  
it in the latest edition of the book you

512  
00:24:47,500 --> 00:24:45,290  
know how he analyzed this and the

513  
00:24:50,320 --> 00:24:47,510

details of that but I just wanted to you

514

00:24:52,540 --> 00:24:50,330

know interject this here because the 95

515

00:24:56,200 --> 00:24:52,550

sighting was so unusual and so

516

00:24:57,730 --> 00:24:56,210

incredibly mind-boggling and and

517

00:25:00,970 --> 00:24:57,740

powerful and I have thirty

518

00:25:03,730 --> 00:25:00,980

five-millimeter photographs to confirm

519

00:25:07,780 --> 00:25:03,740

that it really did happen the two years

520

00:25:11,890 --> 00:25:07,790

later after not seeing anything even

521

00:25:15,850 --> 00:25:11,900

close to those close phenomena I noticed

522

00:25:17,980 --> 00:25:15,860

three giant balls of amber light in a

523

00:25:23,320 --> 00:25:17,990

line formation equidistant from each

524

00:25:25,570 --> 00:25:23,330

other far west this was January 97 and I

525

00:25:28,299 --> 00:25:25,580

watched them for a while and it started

526  
00:25:30,190 --> 00:25:28,309  
to sink in at number one they were huge

527  
00:25:33,220 --> 00:25:30,200  
and they were at distance but they were

528  
00:25:35,560 --> 00:25:33,230  
in a line formation equidistant from

529  
00:25:38,640 --> 00:25:35,570  
each other they were amber and as I

530  
00:25:42,549 --> 00:25:38,650  
watched each one from right to left

531  
00:25:44,110 --> 00:25:42,559  
imploded shrunk just like 95 and I

532  
00:25:46,810 --> 00:25:44,120  
mentioned to my husband he kind of blew

533  
00:25:48,400 --> 00:25:46,820  
it off and the next night he was at a

534  
00:25:51,040 --> 00:25:48,410  
medical board meeting and I was about

535  
00:25:52,360 --> 00:25:51,050  
eight o'clock and I see the same three

536  
00:25:55,269 --> 00:25:52,370  
orbs

537  
00:25:57,180 --> 00:25:55,279  
now in front of South Mountain and again

538  
00:26:00,000 --> 00:25:57,190

if you look at the picture of topography

539

00:26:03,640 --> 00:26:00,010

on the Phoenix lights Network photo page

540

00:26:07,390 --> 00:26:03,650

you'll see that the airport is just in

541

00:26:09,789 --> 00:26:07,400

front of South Mountain which has red

542

00:26:11,769 --> 00:26:09,799

blinking lights on top of the mountain

543

00:26:14,019 --> 00:26:11,779

to alert planes coming in to Sky Harbor

544

00:26:17,710 --> 00:26:14,029

that there's a mountain there and I

545

00:26:19,690 --> 00:26:17,720

noticed immediately that these orbs were

546

00:26:22,960 --> 00:26:19,700

in front of South Mountain they were

547

00:26:25,149 --> 00:26:22,970

lower than these red blinking lights and

548

00:26:27,430 --> 00:26:25,159

I thought okay enough I'm gonna get

549

00:26:29,710 --> 00:26:27,440

video of this and I run out front I get

550

00:26:32,110 --> 00:26:29,720

about 18 seconds worth and the battery

551  
00:26:34,720 --> 00:26:32,120  
goes dead and it was charged okay so I

552  
00:26:37,510 --> 00:26:34,730  
go on go inside I hook up the battery I

553  
00:26:40,779 --> 00:26:37,520  
go outside they're going about a half

554  
00:26:42,700 --> 00:26:40,789  
hour later at 8:30 I go outside I hear

555  
00:26:44,289 --> 00:26:42,710  
my husband coming up the drive and I go

556  
00:26:47,049 --> 00:26:44,299  
outside and I said honey remember I told

557  
00:26:50,320 --> 00:26:47,059  
you about those three amber orbs in a

558  
00:26:52,000 --> 00:26:50,330  
row and a line would just a mine um last

559  
00:26:53,769 --> 00:26:52,010  
night Farwest well about a half an hour

560  
00:26:55,830 --> 00:26:53,779  
ago they were right in front of South

561  
00:26:58,539 --> 00:26:55,840  
Mountain as I'm pointing

562  
00:27:01,779 --> 00:26:58,549  
they've reappeared in the same spot I

563  
00:27:03,580 --> 00:27:01,789

kid you not but I my god I've got to get

564

00:27:04,960 --> 00:27:03,590

a picture of this now again I don't

565

00:27:07,090 --> 00:27:04,970

believe in coincidence anymore because

566

00:27:09,669 --> 00:27:07,100

it's in video and it's very important to

567

00:27:11,860 --> 00:27:09,679

share this in video though it does not

568

00:27:15,039 --> 00:27:11,870

do these lights justice they're much

569

00:27:19,149 --> 00:27:15,049

smaller they white they flicker very

570

00:27:21,430 --> 00:27:19,159

unlike the huge amber balls that people

571

00:27:23,440 --> 00:27:21,440

were seeing and these were but I go

572

00:27:26,860 --> 00:27:23,450

upstairs I grab my 35 millimeter I'm

573

00:27:29,919 --> 00:27:26,870

ready to take this to me suddenly six

574

00:27:33,639 --> 00:27:29,929

lights pop on above the three massive

575

00:27:35,350 --> 00:27:33,649

spent over a mile wide I started to

576

00:27:38,649 --> 00:27:35,360

shake and if you look at the first

577

00:27:41,889 --> 00:27:38,659

picture of that series in January of 97

578

00:27:44,710 --> 00:27:41,899

it's wavy because I was shaking not an

579

00:27:46,630 --> 00:27:44,720

answer yeah not having an answer for 95

580

00:27:50,139 --> 00:27:46,640

I mean going through my mind is oh my

581

00:27:52,960 --> 00:27:50,149

god is this a mothership or that unusual

582

00:27:55,180 --> 00:27:52,970

but I kept clicking away thank goodness

583

00:27:58,960 --> 00:27:55,190

because the second picture which is

584

00:28:01,600 --> 00:27:58,970

really important is exactly what people

585

00:28:04,810 --> 00:28:01,610

would describe two months later during

586

00:28:05,810 --> 00:28:04,820

the mass sighting on March 13 1997

587

00:28:08,630 --> 00:28:05,820

it's

588

00:28:11,480 --> 00:28:08,640

five lights and a v-formation massive

589

00:28:14,000 --> 00:28:11,490

spam with two lights following and if

590

00:28:16,760 --> 00:28:14,010

you look at that picture it's the center

591

00:28:19,400 --> 00:28:16,770

one is really big and then there's two

592

00:28:21,530 --> 00:28:19,410

lights on each side five lights with two

593

00:28:24,500 --> 00:28:21,540

it looks underneath that's exactly what

594

00:28:27,410 --> 00:28:24,510

people saw two months later and then as

595

00:28:32,180 --> 00:28:27,420

I'm clicking away as I'm catching this

596

00:28:35,480 --> 00:28:32,190

phenomenon head-on it starts turning to

597

00:28:37,190 --> 00:28:35,490

the right and I caught it again I mean I

598

00:28:39,740 --> 00:28:37,200

caught these pictures as it was turning

599

00:28:43,100 --> 00:28:39,750

well I have to admit thighs that it was

600

00:28:44,960 --> 00:28:43,110

very unnerving and I next morning I

601  
00:28:46,160 --> 00:28:44,970  
figured look being a healthy skeptic

602  
00:28:48,470 --> 00:28:46,170  
that I am there must be a logical

603  
00:28:51,020 --> 00:28:48,480  
explanation for this somebody else must

604  
00:28:53,390 --> 00:28:51,030  
have seen this this was massive and I

605  
00:28:55,490 --> 00:28:53,400  
called around found air-traffic

606  
00:28:58,310 --> 00:28:55,500  
controllers at Sky Harbor International

607  
00:29:01,010 --> 00:28:58,320  
Airport who saw the same thing and they

608  
00:29:03,860 --> 00:29:01,020  
were very forthcoming initially and we

609  
00:29:07,220 --> 00:29:03,870  
even had a briefing after the mass

610  
00:29:10,010 --> 00:29:07,230  
sighting which is in the book at the

611  
00:29:13,310 --> 00:29:10,020  
same time as I was shooting this they

612  
00:29:15,020 --> 00:29:13,320  
were seeing this phenomena over Class B

613  
00:29:17,480 --> 00:29:15,030

restricted airspace now let me explain

614

00:29:19,760 --> 00:29:17,490

there's a 30-mile radius around the

615

00:29:21,470 --> 00:29:19,770

center of the airport it's anyone that

616

00:29:23,180 --> 00:29:21,480

goes into that airspace particularly a

617

00:29:26,060 --> 00:29:23,190

thousand feet altitudes at this

618

00:29:27,260 --> 00:29:26,070

phenomena wise must call into the tower

619

00:29:29,990 --> 00:29:27,270

and no one did

620

00:29:31,700 --> 00:29:30,000

so they got bill armed and this was this

621

00:29:34,100 --> 00:29:31,710

is closer than that it was like five

622

00:29:36,680 --> 00:29:34,110

miles out they took their binoculars to

623

00:29:39,260 --> 00:29:36,690

look and in their own words this is what

624

00:29:40,730 --> 00:29:39,270

they described six points of like

625

00:29:43,310 --> 00:29:40,740

totally equidistant from each other

626

00:29:45,980 --> 00:29:43,320

massive span over a mile wide that

627

00:29:47,690 --> 00:29:45,990

seemed to be attached to something but

628

00:29:50,090 --> 00:29:47,700

they couldn't quite see what it was

629

00:29:51,920 --> 00:29:50,100

attached to or as if there was a force

630

00:29:53,540 --> 00:29:51,930

field in between holding him a rock

631

00:29:55,730 --> 00:29:53,550

solid formation which you would hear

632

00:29:56,240 --> 00:29:55,740

over and over again by thousands of

633

00:29:57,950 --> 00:29:56,250

people

634

00:29:59,500 --> 00:29:57,960

two months later during the mass

635

00:30:01,370 --> 00:29:59,510

sighting and one of them was a

636

00:30:03,410 --> 00:30:01,380

meteorologist and knew what he was

637

00:30:07,040 --> 00:30:03,420

talking about and said it actually this

638

00:30:08,020 --> 00:30:07,050

whole thing turned as a unit against the

639

00:30:11,720 --> 00:30:08,030

wind

640

00:30:15,110 --> 00:30:11,730

elevated slowly in synchrony and moved

641

00:30:17,990 --> 00:30:15,120

slowly behind mountain so I said so what

642

00:30:19,660 --> 00:30:18,000

were they and there was silence and then

643

00:30:24,330 --> 00:30:19,670

one of them said beats me I said you're

644

00:30:27,330 --> 00:30:24,340

traffic control they ruled out every

645

00:30:32,800 --> 00:30:27,340

conventional aircraft balloons

646

00:30:35,080 --> 00:30:32,810

helicopters even skydivers and flares by

647

00:30:38,200 --> 00:30:35,090

the way and even skydivers with lights

648

00:30:40,480 --> 00:30:38,210

they ruled out everything plus another

649

00:30:43,870 --> 00:30:40,490

interesting aside which just came to

650

00:30:45,490 --> 00:30:43,880

light a few months ago and I actually

651  
00:30:49,960 --> 00:30:45,500  
have it in the book

652  
00:30:52,720 --> 00:30:49,970  
because two months later during the mass

653  
00:30:54,780 --> 00:30:52,730  
sighting which I'll get to details in a

654  
00:30:58,300 --> 00:30:54,790  
second which is in itself mind-boggling

655  
00:31:02,560 --> 00:30:58,310  
there was a pilot on approach to Sky

656  
00:31:06,790 --> 00:31:02,570  
Harbor and I got video of these lights

657  
00:31:09,070 --> 00:31:06,800  
as it was happening and he was approved

658  
00:31:11,380 --> 00:31:09,080  
about five miles out and called into the

659  
00:31:16,690 --> 00:31:11,390  
tower to say what the hell are these

660  
00:31:19,690 --> 00:31:16,700  
lights totally they shared it with me I

661  
00:31:22,300 --> 00:31:19,700  
have it in the in the book well the

662  
00:31:25,480 --> 00:31:22,310  
person that this happens though this

663  
00:31:27,640 --> 00:31:25,490

private pilot happens to be and he just

664

00:31:30,310 --> 00:31:27,650

came forward a few months ago when his

665

00:31:32,710 --> 00:31:30,320

new movie guardians of the galaxy or

666

00:31:37,510 --> 00:31:32,720

whatever came forward was actor Kurt

667

00:31:39,940 --> 00:31:37,520

Russell yes and if you go to the news

668

00:31:42,280 --> 00:31:39,950

page on the Phoenix lights Network

669

00:31:45,700 --> 00:31:42,290

website you'll see the link that has his

670

00:31:48,250 --> 00:31:45,710

interview in UK where they asked him

671

00:31:50,710 --> 00:31:48,260

about this and he divulged jiz for the

672

00:31:53,110 --> 00:31:50,720

first time they he was on approached

673

00:31:56,530 --> 00:31:53,120

with his son his son was coming to

674

00:31:58,090 --> 00:31:56,540

Phoenix they have a home here and right

675

00:32:00,940 --> 00:31:58,100

in front of them were these lights and

676

00:32:03,040 --> 00:32:00,950

he actually didn't even think about it

677

00:32:04,750 --> 00:32:03,050

until a couple years ago there was a

678

00:32:06,730 --> 00:32:04,760

show about the Phoenix lights on TV and

679

00:32:09,130 --> 00:32:06,740

Goldie Hawn who he has been his partner

680

00:32:10,750 --> 00:32:09,140

for some years was watching it and he

681

00:32:13,830 --> 00:32:10,760

walked in and said wait a minute

682

00:32:17,260 --> 00:32:13,840

I saw that and he went back to his log

683

00:32:19,570 --> 00:32:17,270

and actually looked it up and that was

684

00:32:21,220 --> 00:32:19,580

him he has all the information there

685

00:32:23,500 --> 00:32:21,230

from that night which is another little

686

00:32:26,710 --> 00:32:23,510

interesting aside but getting back to

687

00:32:29,590 --> 00:32:26,720

the mass sighting two months later after

688

00:32:31,600 --> 00:32:29,600

this happened I continued taking video

689

00:32:33,640 --> 00:32:31,610

and photographs of these anomalous

690

00:32:36,940 --> 00:32:33,650

phenomena as other people were

691

00:32:39,990 --> 00:32:36,950

by the way and move on I should add and

692

00:32:44,170 --> 00:32:40,000

I'll be presenting at the night at the

693

00:32:47,350 --> 00:32:44,180

2018 mufon international symposium July

694

00:32:50,020 --> 00:32:47,360

27th 28th 27th and 28th Friday and

695

00:32:53,050 --> 00:32:50,030

Saturday in Cherry Hill New Jersey and

696

00:32:56,340 --> 00:32:53,060

Cherry Hill New Jersey on Friday I'll be

697

00:32:59,740 --> 00:32:56,350

presenting free for the public a

698

00:33:01,450 --> 00:32:59,750

two-hour presentation and people can

699

00:33:02,560 --> 00:33:01,460

come in and see the pictures and all

700

00:33:04,900 --> 00:33:02,570

that good stuff and I'm going to get

701  
00:33:06,910 --> 00:33:04,910  
into a lot more and how the media out

702  
00:33:09,070 --> 00:33:06,920  
unfolded through the media as well and

703  
00:33:12,250 --> 00:33:09,080  
then on Saturday morning I'm lecturing

704  
00:33:13,570 --> 00:33:12,260  
at 10:30 and then showing the

705  
00:33:16,300 --> 00:33:13,580  
documentary or internationally

706  
00:33:18,360 --> 00:33:16,310  
award-winning documentary the Phoenix

707  
00:33:22,390 --> 00:33:18,370  
lights beyond top-secret the latest

708  
00:33:24,430 --> 00:33:22,400  
edition at noon for free for anyone

709  
00:33:27,130 --> 00:33:24,440  
that's in the neighborhood so I invite

710  
00:33:29,830 --> 00:33:27,140  
people to come there but at any rate as

711  
00:33:31,780 --> 00:33:29,840  
I said I knew no one who was involved

712  
00:33:34,450 --> 00:33:31,790  
with this topic and it was getting

713  
00:33:37,210 --> 00:33:34,460

ridiculous running outside every I just

714

00:33:40,060 --> 00:33:37,220

felt compelled to get these phenomenon

715

00:33:43,180 --> 00:33:40,070

these strange mysterious awesome

716

00:33:45,820 --> 00:33:43,190

phenomena on photographs and video and

717

00:33:48,670 --> 00:33:45,830

finally this is enough I mean I've got

718

00:33:50,710 --> 00:33:48,680

to find somebody to ask what's going on

719

00:33:53,590 --> 00:33:50,720

and this is how close I was guys a

720

00:33:56,410 --> 00:33:53,600

friend of a friend had a neighbor who

721

00:33:59,230 --> 00:33:56,420

had a friend who knew the past president

722

00:34:01,720 --> 00:33:59,240

of MUFON mutual UFO network so I called

723

00:34:03,760 --> 00:34:01,730

him up and I said look I have a picture

724

00:34:04,750 --> 00:34:03,770

from 95 that I know is authentic but I

725

00:34:06,670 --> 00:34:04,760

certainly would like someone who

726

00:34:09,070 --> 00:34:06,680

cleanest to take a look at it and tell

727

00:34:11,200 --> 00:34:09,080

me what it is and I've been seeing these

728

00:34:14,200 --> 00:34:11,210

orbs in different formations that are

729

00:34:15,970 --> 00:34:14,210

really really strange and he hadn't

730

00:34:19,480 --> 00:34:15,980

heard about it but there were other

731

00:34:23,889 --> 00:34:19,490

people that did get these lights on

732

00:34:27,250 --> 00:34:23,899

video in fact there was one Steve Lander

733

00:34:31,720 --> 00:34:27,260

who called MUFON up to his balcony on

734

00:34:34,360 --> 00:34:31,730

March 13 1997 they were standing up

735

00:34:36,580 --> 00:34:34,370

there suddenly there's giant formation

736

00:34:38,380 --> 00:34:36,590

of five lights and and I always say the

737

00:34:41,800 --> 00:34:38,390

data speaks for itself all you have to

738

00:34:43,630 --> 00:34:41,810

do is look at the video again it doesn't

739

00:34:45,730 --> 00:34:43,640

do it justice are much smaller they're

740

00:34:46,389 --> 00:34:45,740

white they flicker but the formation

741

00:34:47,530 --> 00:34:46,399

itself

742

00:34:50,560 --> 00:34:47,540

these lights are

743

00:34:53,230 --> 00:34:50,570

rock solid in a v-formation like a an

744

00:34:55,630 --> 00:34:53,240

arrowhead formation and they caught it

745

00:34:57,790 --> 00:34:55,640

on video on march 13th well when March

746

00:35:00,640 --> 00:34:57,800

13th getting back to it to March 13th

747

00:35:03,910 --> 00:35:00,650

because what what this guy did was say

748

00:35:05,590 --> 00:35:03,920

you know what next week you know I'm

749

00:35:07,480 --> 00:35:05,600

gonna set up an appointment with you and

750

00:35:10,600 --> 00:35:07,490

a field investigator which we had for

751

00:35:13,450 --> 00:35:10,610

Wednesday the following week the guy

752

00:35:15,250 --> 00:35:13,460

calls me up on Tuesday to say the then

753

00:35:16,990 --> 00:35:15,260

state director wanted to be at that

754

00:35:18,370 --> 00:35:17,000

meeting but his mom had passed on

755

00:35:21,190 --> 00:35:18,380

Saturday and a funeral is Wednesday

756

00:35:23,530 --> 00:35:21,200

morning could we meet another day and

757

00:35:26,920 --> 00:35:23,540

the only window of opportunity talk

758

00:35:28,780 --> 00:35:26,930

about serendipity the only window of

759

00:35:32,260 --> 00:35:28,790

opportunity I had for another 2-3 weeks

760

00:35:36,850 --> 00:35:32,270

was Friday morning at 10:00 a.m. he said

761

00:35:40,030 --> 00:35:36,860

fine I knock on his door and by the way

762

00:35:42,700 --> 00:35:40,040

the night before I saw the same exact

763

00:35:47,260 --> 00:35:42,710

phenomena in the same exact location

764

00:35:48,310 --> 00:35:47,270

again and I caught it on video which I

765

00:35:49,450 --> 00:35:48,320

was thrilled because I had the

766

00:35:50,920 --> 00:35:49,460

appointment with the guy the next

767

00:35:53,020 --> 00:35:50,930

morning and called the air traffic

768

00:35:55,600 --> 00:35:53,030

controllers see if they saw it they saw

769

00:35:57,550 --> 00:35:55,610

the same exact thing in the same exact

770

00:35:59,980 --> 00:35:57,560

location about a thousand feet altitude

771

00:36:01,720 --> 00:35:59,990

over Class B restricted airspace and

772

00:36:04,420 --> 00:36:01,730

also told me about this Private Pilot

773

00:36:08,110 --> 00:36:04,430

that called into the tower which was

774

00:36:09,820 --> 00:36:08,120

Kurt Russell and he said to me as he

775

00:36:12,010 --> 00:36:09,830

opens the door do you see the man cited

776

00:36:13,780 --> 00:36:12,020

last night and I said well I caught

777

00:36:16,180 --> 00:36:13,790

video or something similar last night -

778

00:36:17,830 --> 00:36:16,190

I that I told you about you know that I

779

00:36:19,300 --> 00:36:17,840

saw the same thing in the same location

780

00:36:20,650 --> 00:36:19,310

two months ago and I told in my

781

00:36:21,880 --> 00:36:20,660

conversation with the air traffic

782

00:36:24,190 --> 00:36:21,890

controllers no no no you don't

783

00:36:26,830 --> 00:36:24,200

understand hundreds if not thousands of

784

00:36:29,230 --> 00:36:26,840

people so these mild to larger and we

785

00:36:31,030 --> 00:36:29,240

just found out we had a whole big

786

00:36:33,010 --> 00:36:31,040

weekend because of the 20th anniversary

787

00:36:35,710 --> 00:36:33,020

of the Phoenix lights in Oregon

788

00:36:37,330 --> 00:36:35,720

McMinnville last year and I found out

789

00:36:40,480 --> 00:36:37,340

for the first time after all these years

790

00:36:42,250 --> 00:36:40,490

Peter Davenport the head of the UFO

791

00:36:45,580 --> 00:36:42,260

Reporting Center national UFO Reporting

792

00:36:47,950 --> 00:36:45,590

Center in Seattle Washington shared at

793

00:36:50,740 --> 00:36:47,960

one of these crafts and I'll get to that

794

00:36:53,350 --> 00:36:50,750

it was more than one with eight miles

795

00:36:56,170 --> 00:36:53,360

wide eight miles wide

796

00:36:59,080 --> 00:36:56,180

that is mind-boggling but anyway this

797

00:37:01,319 --> 00:36:59,090

guy says to me hundreds if not thousands

798

00:37:04,140 --> 00:37:01,329

of people saw these mile wide at large

799

00:37:07,620 --> 00:37:04,150

deformations of lights and some crafts

800

00:37:08,249 --> 00:37:07,630

and NBC was coming to interview him in a

801  
00:37:11,190 --> 00:37:08,259  
half an hour

802  
00:37:13,259 --> 00:37:11,200  
I said whoa I said I used to do health

803  
00:37:15,719 --> 00:37:13,269  
reporting for NBC here in the early 80s

804  
00:37:17,219 --> 00:37:15,729  
and we're talking about 1997 now but I

805  
00:37:19,739 --> 00:37:17,229  
said they might recognize me and I don't

806  
00:37:22,289 --> 00:37:19,749  
know you know what we're dealing with if

807  
00:37:24,359 --> 00:37:22,299  
it's a hoax or its military or whatever

808  
00:37:26,039 --> 00:37:24,369  
but it doesn't matter it's not about me

809  
00:37:28,680 --> 00:37:26,049  
and I have to tell you guys it's never

810  
00:37:31,650 --> 00:37:28,690  
been about me it's about the data and I

811  
00:37:33,719 --> 00:37:31,660  
said take a copy of the video share with

812  
00:37:38,370 --> 00:37:33,729  
whoever you like I'm out of here

813  
00:37:41,370 --> 00:37:38,380

I left well afternoon very next day

814

00:37:45,180 --> 00:37:41,380

after the mass sighting I'm sitting in

815

00:37:48,989 --> 00:37:45,190

front of my DVR ready to go every news

816

00:37:51,630 --> 00:37:48,999

station that was the giant big news of

817

00:37:54,509 --> 00:37:51,640

the day was showing my video it was so

818

00:37:56,339 --> 00:37:54,519

bizarre it was exciting because people

819

00:38:00,019 --> 00:37:56,349

were seeing what we saw in my video is

820

00:38:04,979 --> 00:38:00,029

of the three end points of a giant V or

821

00:38:08,370 --> 00:38:04,989

triangle object o Class B restricted

822

00:38:11,160 --> 00:38:08,380

airspace and by nine o'clock news a

823

00:38:13,890 --> 00:38:11,170

couple other videos came out C blunders

824

00:38:17,910 --> 00:38:13,900

with the MUFON arrowhead video came out

825

00:38:20,489 --> 00:38:17,920

and a boomerang shaped giant now it's

826

00:38:23,400 --> 00:38:20,499

important to note here that my video and

827

00:38:27,089 --> 00:38:23,410

Steve's video were captured before 10

828

00:38:28,499 --> 00:38:27,099

o'clock the air were to boomerang videos

829

00:38:30,420 --> 00:38:28,509

and I have to say one of them is a

830

00:38:32,699 --> 00:38:30,430

little haphazard so I've never used that

831

00:38:34,499 --> 00:38:32,709

in anything but if you look at the

832

00:38:38,309 --> 00:38:34,509

Kristin boomerang which has gotten the

833

00:38:40,410 --> 00:38:38,319

most publicity and also has been tried

834

00:38:44,430 --> 00:38:40,420

to be discredited as flares which we'll

835

00:38:47,789 --> 00:38:44,440

get to it's so impressive it was like oh

836

00:38:50,789 --> 00:38:47,799

my gosh now thousands of people saw it I

837

00:38:52,709 --> 00:38:50,799

had been seeing it was mind-boggling I

838

00:38:56,160 --> 00:38:52,719

mean it was exciting and mind-boggling

839

00:38:59,579 --> 00:38:56,170

and just I mean it was just an awesome

840

00:39:02,279 --> 00:38:59,589

awesome situation we're starting the

841

00:39:05,130 --> 00:39:02,289

very next day not only did I start

842

00:39:07,019 --> 00:39:05,140

keeping track of every report and every

843

00:39:09,870 --> 00:39:07,029

day there was reports showing my video

844

00:39:11,819 --> 00:39:09,880

by the way for weeks on the news they

845

00:39:15,370 --> 00:39:11,829

really covered it amazingly well on

846

00:39:18,250 --> 00:39:15,380

there a model for what should happen

847

00:39:20,350 --> 00:39:18,260

I started keeping a journal a very

848

00:39:23,380 --> 00:39:20,360

intricate journal I actually pushed

849

00:39:26,230 --> 00:39:23,390

aside my entire professional medical

850

00:39:28,170 --> 00:39:26,240

career to try to find a logical source

851  
00:39:30,400 --> 00:39:28,180  
of meaning for what I had witnessed and

852  
00:39:34,030 --> 00:39:30,410  
photographed which I have yet to find by

853  
00:39:37,510 --> 00:39:34,040  
the way but every single day I kept a

854  
00:39:40,630 --> 00:39:37,520  
journal of everything of witness reports

855  
00:39:42,610 --> 00:39:40,640  
of media reports of anything I could get

856  
00:39:44,440 --> 00:39:42,620  
my hands on and also started studying

857  
00:39:47,080 --> 00:39:44,450  
the topic I wanted to find out what the

858  
00:39:49,060 --> 00:39:47,090  
heck was going on and boy did that open

859  
00:39:52,240 --> 00:39:49,070  
up a whole new world to me I had no idea

860  
00:39:54,490 --> 00:39:52,250  
in fact a week later after the mass

861  
00:39:58,230 --> 00:39:54,500  
sighting I see my video on TV news again

862  
00:40:02,350 --> 00:39:58,240  
but there they're interviewing a fella

863  
00:40:04,930 --> 00:40:02,360

who is showing from his vast database

864

00:40:09,400 --> 00:40:04,940

because he happened to have a computer

865

00:40:12,490 --> 00:40:09,410

lab here in Tempe were ASU Arizona State

866

00:40:15,520 --> 00:40:12,500

University is and on the side for like

867

00:40:19,240 --> 00:40:15,530

20 30 years he was analyzing for the

868

00:40:22,810 --> 00:40:19,250

government and others pictures and video

869

00:40:24,490 --> 00:40:22,820

from other countries of the same exact

870

00:40:25,900 --> 00:40:24,500

phenomena that was the first I heard of

871

00:40:28,870 --> 00:40:25,910

it a week after the mass sighting that

872

00:40:31,420 --> 00:40:28,880

these same phenomenon were occurring in

873

00:40:35,080 --> 00:40:31,430

other countries in the 90s we're talking

874

00:40:36,550 --> 00:40:35,090

about the UK and Belgium Belgium

875

00:40:38,170 --> 00:40:36,560

actually is a model for what should

876  
00:40:40,870 --> 00:40:38,180  
happen they came to the United States

877  
00:40:42,520 --> 00:40:40,880  
and asked are we doing this and the

878  
00:40:45,040 --> 00:40:42,530  
United States flatly denied that they

879  
00:40:47,560 --> 00:40:45,050  
were and they joined forces with

880  
00:40:50,410 --> 00:40:47,570  
civilians and scientists and

881  
00:40:52,030 --> 00:40:50,420  
universities and the military to try to

882  
00:40:55,030 --> 00:40:52,040  
get to the bottom of it that's what

883  
00:40:57,130 --> 00:40:55,040  
should happen and I mean it was just

884  
00:40:58,570 --> 00:40:57,140  
mind-boggling to me here I'm finding out

885  
00:41:01,030 --> 00:40:58,580  
that this is happening worldwide and

886  
00:41:05,070 --> 00:41:01,040  
actually found out that a month before

887  
00:41:08,320 --> 00:41:05,080  
our mass sighting on March 13th 1997

888  
00:41:11,800 --> 00:41:08,330

there was another mass sighting but in

889

00:41:13,720 --> 00:41:11,810

st. Petersburg Russia and not only did

890

00:41:15,970 --> 00:41:13,730

air traffic controllers also see these

891

00:41:19,690 --> 00:41:15,980

phenomena and reported it over there

892

00:41:24,280 --> 00:41:19,700

formats but there were people that got

893

00:41:26,760 --> 00:41:24,290

video of the same exact different craft

894

00:41:28,849 --> 00:41:26,770

that I will share with you now because

895

00:41:31,220 --> 00:41:28,859

what the general public

896

00:41:34,630 --> 00:41:31,230

aim to learn from the media which is

897

00:41:37,220 --> 00:41:34,640

very distorted and and has it's me it's

898

00:41:38,599 --> 00:41:37,230

misinformation and one of the reasons I

899

00:41:41,239 --> 00:41:38,609

finally decided to come forward after

900

00:41:43,339 --> 00:41:41,249

seven years of anonymity was that there

901  
00:41:46,130 --> 00:41:43,349  
wasn't just one or two events on March

902  
00:41:49,400 --> 00:41:46,140  
13th 1997 not only were these phenomena

903  
00:41:53,900 --> 00:41:49,410  
appearing for weeks before but on March

904  
00:41:56,269 --> 00:41:53,910  
13th there were thousands of people that

905  
00:41:58,609 --> 00:41:56,279  
saw these my account and now we learn

906  
00:42:00,920 --> 00:41:58,619  
eight-mile-wide craft and there were ten

907  
00:42:04,190 --> 00:42:00,930  
different crafts and if you go to the

908  
00:42:06,200 --> 00:42:04,200  
Gap page g80 do you spatial animation

909  
00:42:11,059 --> 00:42:06,210  
project and look on the on the left side

910  
00:42:13,819 --> 00:42:11,069  
of the homepage and you'll see doc I've

911  
00:42:16,190 --> 00:42:13,829  
got that I've got that video saved and

912  
00:42:23,660 --> 00:42:16,200  
what I'd like to do is run it when we

913  
00:42:25,460 --> 00:42:23,670

wrap up okay twelve year compilation

914

00:42:26,749 --> 00:42:25,470

from the national UFO Reporting Center

915

00:42:29,749 --> 00:42:26,759

in Seattle Washington

916

00:42:31,670 --> 00:42:29,759

Arizona MUFON Village labs as well as

917

00:42:33,890 --> 00:42:31,680

Frances Barwood who will get to

918

00:42:35,749 --> 00:42:33,900

Councilwoman Frances Barwood who was the

919

00:42:38,210 --> 00:42:35,759

only elected official that innocently

920

00:42:39,950 --> 00:42:38,220

asked for an investigation in May like

921

00:42:41,749 --> 00:42:39,960

months later because so many of her

922

00:42:43,190 --> 00:42:41,759

constituents were asking her why isn't

923

00:42:45,049 --> 00:42:43,200

there an investigation we'll talk about

924

00:42:47,690 --> 00:42:45,059

that but I wanted to get to some of the

925

00:42:51,739 --> 00:42:47,700

some of the incredible technology of

926  
00:42:54,559 --> 00:42:51,749  
March 13th phenomena but anyway after

927  
00:42:57,170 --> 00:42:54,569  
that after 12 years and two or more

928  
00:42:59,989 --> 00:42:57,180  
people had to see the same craft it was

929  
00:43:01,609 --> 00:42:59,999  
concluded that whether it was one craft

930  
00:43:03,950 --> 00:43:01,619  
that could morph into looking

931  
00:43:05,630 --> 00:43:03,960  
differently whether it was perspective

932  
00:43:07,609 --> 00:43:05,640  
from where the person was standing or an

933  
00:43:10,960 --> 00:43:07,619  
actual parade and that's what I wanted

934  
00:43:13,579 --> 00:43:10,970  
to get to because on March 13th

935  
00:43:15,859 --> 00:43:13,589  
starting at 3:00 p.m. was the first

936  
00:43:18,620 --> 00:43:15,869  
daylight sighting in Arizona that was

937  
00:43:21,589 --> 00:43:18,630  
reported five o'clock hour in New Mexico

938  
00:43:24,440 --> 00:43:21,599

by Native Americans 7 o'clock hour in

939

00:43:26,120 --> 00:43:24,450

California in fact at 8:30 that night

940

00:43:30,019 --> 00:43:26,130

which was reporting we have some of that

941

00:43:32,569 --> 00:43:30,029

video the report that we recorded report

942

00:43:34,190 --> 00:43:32,579

from an alleged crewman from Luke Air

943

00:43:36,589 --> 00:43:34,200

Force Base called a national UFO

944

00:43:39,470 --> 00:43:36,599

Reporting Center at 3 a.m. the next

945

00:43:40,820 --> 00:43:39,480

morning to report in very great detail

946

00:43:42,950 --> 00:43:40,830

that one of

947

00:43:46,430 --> 00:43:42,960

yoi craft was hovering right over

948

00:43:49,040 --> 00:43:46,440

central Phenix at 8:30 and military jets

949

00:43:50,480 --> 00:43:49,050

were sent out to intercept it get gun

950

00:43:53,660 --> 00:43:50,490

camera film which we heard that they did

951  
00:43:56,270 --> 00:43:53,670  
and as they approached the lights dimmed

952  
00:43:58,820 --> 00:43:56,280  
and then the entire thing blinked out

953  
00:44:01,010 --> 00:43:58,830  
and disappeared and which freaked out

954  
00:44:02,690 --> 00:44:01,020  
one of the pilots he said that he helped

955  
00:44:04,040 --> 00:44:02,700  
one of them out of their aircraft and by

956  
00:44:08,120 --> 00:44:04,050  
the way there were civilians that saw

957  
00:44:10,760 --> 00:44:08,130  
this going on and once the military left

958  
00:44:14,930 --> 00:44:10,770  
the Jets left not only did Luke go on a

959  
00:44:17,990 --> 00:44:14,940  
lockdown but the phenomena appeared

960  
00:44:20,750 --> 00:44:18,000  
again and then continued and this is

961  
00:44:24,140 --> 00:44:20,760  
what was so eerie to everybody is that

962  
00:44:25,730 --> 00:44:24,150  
not only was it very low like rooftop

963  
00:44:27,320 --> 00:44:25,740

level these phenomena whether it was

964

00:44:29,450 --> 00:44:27,330

just lights that seemed to be attached

965

00:44:31,700 --> 00:44:29,460

to something in an equidistant array or

966

00:44:33,590 --> 00:44:31,710

actual craft and people did see gunmetal

967

00:44:35,630 --> 00:44:33,600

we have a pilot in the documentary that

968

00:44:38,780 --> 00:44:35,640

looked right into one of what he called

969

00:44:40,550 --> 00:44:38,790

a canister a well of spinning energy it

970

00:44:42,710 --> 00:44:40,560

did not reflect out it was all

971

00:44:44,480 --> 00:44:42,720

self-contained and other people saw

972

00:44:46,190 --> 00:44:44,490

these orbs detach from the main object

973

00:44:48,020 --> 00:44:46,200

or adding to the environment and then

974

00:44:50,900 --> 00:44:48,030

redock with it later some people saw the

975

00:44:53,480 --> 00:44:50,910

wings actually fold in and then take off

976  
00:44:55,850 --> 00:44:53,490  
at blink speed without even dispersing

977  
00:44:58,010 --> 00:44:55,860  
the air they were totally silent that

978  
00:45:00,470 --> 00:44:58,020  
was eerie to everybody is it this

979  
00:45:04,000 --> 00:45:00,480  
gigantic massive thing whatever it was

980  
00:45:07,400 --> 00:45:04,010  
was so low and you couldn't hear a sound

981  
00:45:08,960 --> 00:45:07,410  
and there people would see it not only

982  
00:45:11,510 --> 00:45:08,970  
take off at blink speed but as I

983  
00:45:13,370 --> 00:45:11,520  
mentioned disappear as the military said

984  
00:45:15,860 --> 00:45:13,380  
and we have one of the crafts loop it

985  
00:45:18,920 --> 00:45:15,870  
into and then bow shot up we're talking

986  
00:45:22,970 --> 00:45:18,930  
about incredible technology that we have

987  
00:45:25,700 --> 00:45:22,980  
never seen in 21 years anyway sightings

988  
00:45:27,530 --> 00:45:25,710

continued 11 o'clock hour and I have

989

00:45:30,440 --> 00:45:27,540

that report in the book which is really

990

00:45:33,800 --> 00:45:30,450

interesting there were two commercial

991

00:45:36,620 --> 00:45:33,810

airline pilots that saw the same thing

992

00:45:39,500 --> 00:45:36,630

these this mile wide or whatever a

993

00:45:42,650 --> 00:45:39,510

larger craft covered Las Vegas and they

994

00:45:44,630 --> 00:45:42,660

tried reporting it and with their their

995

00:45:46,970 --> 00:45:44,640

story and itself was really really

996

00:45:49,790 --> 00:45:46,980

interesting and then the sightings

997

00:45:51,950 --> 00:45:49,800

continued now of course a bulk and this

998

00:45:53,720 --> 00:45:51,960

is what the media picked up doing the

999

00:45:54,769 --> 00:45:53,730

bulk of reports came in from other

1000

00:45:57,259 --> 00:45:54,779

reports came in

1001  
00:46:00,049 --> 00:45:57,269  
during that time but the phenomena

1002  
00:46:01,849 --> 00:46:00,059  
continued all the way till 5:30 the next

1003  
00:46:06,079 --> 00:46:01,859  
morning the last report I have

1004  
00:46:07,849 --> 00:46:06,089  
personally was contacted by a Boeing

1005  
00:46:10,219 --> 00:46:07,859  
crewman who was coming in to work with

1006  
00:46:12,049 --> 00:46:10,229  
his crew and so one of these crafts

1007  
00:46:14,359 --> 00:46:12,059  
hovering over the tarmac

1008  
00:46:17,779 --> 00:46:14,369  
so we're talking not one or two events

1009  
00:46:20,959 --> 00:46:17,789  
not one or two hours but many hours and

1010  
00:46:22,609 --> 00:46:20,969  
over a dozen hours and many many events

1011  
00:46:25,489 --> 00:46:22,619  
happening at the same time and that's

1012  
00:46:27,919 --> 00:46:25,499  
what the investigators did this 12-year

1013  
00:46:30,979 --> 00:46:27,929

study concluded that there was a parade

1014

00:46:33,439 --> 00:46:30,989

happening throughout Arizona and I have

1015

00:46:35,659 --> 00:46:33,449

to also mention really important we'll

1016

00:46:37,219 --> 00:46:35,669

get to the consciousness and how it

1017

00:46:41,169 --> 00:46:37,229

affected people in real-time in

1018

00:46:43,249 --> 00:46:41,179

long-term after I give a little

1019

00:46:44,989 --> 00:46:43,259

unfolding of what happened after this

1020

00:46:48,679 --> 00:46:44,999

but it's really important to note that

1021

00:46:51,699 --> 00:46:48,689

in 21 years over 21 years now there has

1022

00:46:53,899 --> 00:46:51,709

not been one credible report of harm

1023

00:46:55,549 --> 00:46:53,909

threat or abduction

1024

00:46:57,469 --> 00:46:55,559

associated with the Phoenix lights

1025

00:46:59,929 --> 00:46:57,479

phenomena can't speak for others in

1026

00:47:02,959 --> 00:46:59,939

frescoes in the 15th and 16th century

1027

00:47:06,769 --> 00:47:02,969

and of course during World War two we

1028

00:47:08,539 --> 00:47:06,779

heard actually a pilot who saw during

1029

00:47:13,339 --> 00:47:08,549

World War 2 they called them Foo

1030

00:47:15,049 --> 00:47:13,349

Fighters me his act orbs these rocks all

1031

00:47:17,149 --> 00:47:15,059

informations in twos and threes like my

1032

00:47:19,549 --> 00:47:17,159

husband saw outside our window in 95

1033

00:47:20,959 --> 00:47:19,559

we're flying around aircraft and each

1034

00:47:23,959 --> 00:47:20,969

sights what the other side had this

1035

00:47:25,399 --> 00:47:23,969

advanced technology but when they after

1036

00:47:29,269 --> 00:47:25,409

the war when they tried to find out who

1037

00:47:35,299 --> 00:47:29,279

had it nobody did and to this day they

1038

00:47:38,539 --> 00:47:35,309

have never you know discovered I mean

1039

00:47:42,559 --> 00:47:38,549

even in years before our mass sighting

1040

00:47:44,599 --> 00:47:42,569

in 1896 that's what they reported sound

1041

00:47:46,640 --> 00:47:44,609

familiar well this was six years before

1042

00:47:49,099 --> 00:47:46,650

the flight the Wright brothers took

1043

00:47:51,489 --> 00:47:49,109

flight and then we fast forward to the

1044

00:47:55,579 --> 00:47:51,499

Lubbock lights and is and of course the

1045

00:47:57,049 --> 00:47:55,589

the UK and Belgium sightings and and

1046

00:48:00,079 --> 00:47:57,059

Stephenville as you would mentioned

1047

00:48:02,599 --> 00:48:00,089

earlier in 2008 very similar I mean this

1048

00:48:04,729 --> 00:48:02,609

has been going on for many many many

1049

00:48:08,059 --> 00:48:04,739

centuries and there's another little

1050

00:48:09,319 --> 00:48:08,069

aside if I can share on six months

1051  
00:48:14,039 --> 00:48:09,329  
before

1052  
00:48:16,440 --> 00:48:14,049  
this is really for the listeners to to

1053  
00:48:18,089 --> 00:48:16,450  
learn about because this was the first I

1054  
00:48:20,339 --> 00:48:18,099  
had learned about it and it's pretty

1055  
00:48:23,190 --> 00:48:20,349  
entrust their at the time and there's a

1056  
00:48:24,960 --> 00:48:23,200  
basic in between South Mountain which is

1057  
00:48:28,440 --> 00:48:24,970  
just south of the airport and then a few

1058  
00:48:30,750 --> 00:48:28,450  
miles but is the Estrella Mountain Range

1059  
00:48:33,510 --> 00:48:30,760  
and again there's a basin in between

1060  
00:48:36,480 --> 00:48:33,520  
those two where the very sacred ground

1061  
00:48:39,660 --> 00:48:36,490  
of the Gila Bend Indians and they

1062  
00:48:41,579 --> 00:48:39,670  
actually don't talk to outsiders I

1063  
00:48:44,819 --> 00:48:41,589

present in my program and the Mount

1064

00:48:47,039 --> 00:48:44,829

weather substance abuse problem so and I

1065

00:48:47,609 --> 00:48:47,049

said is that funny and they said are you

1066

00:48:49,049 --> 00:48:47,619

kidding

1067

00:48:52,490 --> 00:48:49,059

we've been looking up at these for

1068

00:48:55,680 --> 00:48:52,500

centuries we call them sky people like

1069

00:48:58,500 --> 00:48:55,690

these phenomena the Hopi right here in

1070

00:49:01,740 --> 00:48:58,510

Arizona and others have protocols to

1071

00:49:03,420 --> 00:49:01,750

invite them in and many of them many of

1072

00:49:07,680 --> 00:49:03,430

the indigenous peoples feel that these

1073

00:49:10,730 --> 00:49:07,690

words especially our spirit world coming

1074

00:49:12,809 --> 00:49:10,740

to give them guidance and comfort and

1075

00:49:17,789 --> 00:49:12,819

inspiration and I have to say I sort of

1076

00:49:18,480 --> 00:49:17,799

like it it's fired by this but be that

1077

00:49:21,539 --> 00:49:18,490

as it may

1078

00:49:24,299 --> 00:49:21,549

that's an interesting aside because not

1079

00:49:27,359 --> 00:49:24,309

only the native cultures welcome and and

1080

00:49:29,490 --> 00:49:27,369

and feel that these phenomena are really

1081

00:49:30,839 --> 00:49:29,500

important and we're connected to these

1082

00:49:34,380 --> 00:49:30,849

phenomena which I'll get into a little

1083

00:49:37,230 --> 00:49:34,390

later but but that's just an interesting

1084

00:49:38,970 --> 00:49:37,240

aside that happened to happen because of

1085

00:49:41,450 --> 00:49:38,980

my meeting six months before the mass

1086

00:49:45,450 --> 00:49:41,460

sighting anyway after the mass sighting

1087

00:49:49,019 --> 00:49:45,460

story unfolding is intriguing in and of

1088

00:49:50,910 --> 00:49:49,029

itself because here are thousand we're

1089

00:49:52,410 --> 00:49:50,920

talking over 10,000 people that I hosted

1090

00:49:54,269 --> 00:49:52,420

this guy's Dale Harkin k theaters has

1091

00:49:58,680 --> 00:49:54,279

been sold out ever since our document

1092

00:50:02,250 --> 00:49:58,690

since 1997 and yet this is just Lawson

1093

00:50:06,380 --> 00:50:02,260

Lee asked for an investigation as a

1094

00:50:09,089 --> 00:50:06,390

public service public safety issue was

1095

00:50:11,670 --> 00:50:09,099

Councilwoman Frances Barwood and she was

1096

00:50:15,630 --> 00:50:11,680

nailed to the wall by the print media

1097

00:50:18,210 --> 00:50:15,640

there was much harassment and ridicule

1098

00:50:20,700 --> 00:50:18,220

and criticism and discrediting going on

1099

00:50:21,840 --> 00:50:20,710

I was very happy to stay anonymous and

1100

00:50:24,150 --> 00:50:21,850

do my homework

1101  
00:50:26,340 --> 00:50:24,160  
seven years because it wasn't pretty not

1102  
00:50:30,710 --> 00:50:26,350  
happening in all this was the the famous

1103  
00:50:32,490 --> 00:50:30,720  
Fife Symington that Prescott oh yeah

1104  
00:50:38,010 --> 00:50:32,500  
interesting I'm glad you brought that up

1105  
00:50:42,690 --> 00:50:38,020  
because there was nothing until June

1106  
00:50:47,220 --> 00:50:42,700  
18th 1997 front page USA Today article

1107  
00:50:50,880 --> 00:50:47,230  
with a picture that simply drawn of what

1108  
00:50:54,060 --> 00:50:50,890  
he saw that night of the v-shape with

1109  
00:50:59,100 --> 00:50:54,070  
five lights opened our sighting for the

1110  
00:51:02,040 --> 00:50:59,110  
first time outside of Arizona worldwide

1111  
00:51:03,780 --> 00:51:02,050  
we were deluge overnight we didn't have

1112  
00:51:07,050 --> 00:51:03,790  
social media at that time and it went

1113  
00:51:09,240 --> 00:51:07,060

viral overnight by the next morning I

1114

00:51:11,190 --> 00:51:09,250

mean if people were traveling all over

1115

00:51:14,070 --> 00:51:11,200

the world to come to talk to the

1116

00:51:16,920 --> 00:51:14,080

witnesses and their their reports were

1117

00:51:18,300 --> 00:51:16,930

so detailed and so heartfelt they too

1118

00:51:20,160 --> 00:51:18,310

were saying why isn't there an

1119

00:51:23,130 --> 00:51:20,170

investigation why isn't there an

1120

00:51:25,440 --> 00:51:23,140

explanation very interestingly for the

1121

00:51:28,200 --> 00:51:25,450

first time we get this announcement in

1122

00:51:32,190 --> 00:51:28,210

the morning the very next morning on

1123

00:51:34,230 --> 00:51:32,200

June 19th that then Governor Fife

1124

00:51:36,360 --> 00:51:34,240

Symington was calling a press conference

1125

00:51:39,690 --> 00:51:36,370

an unscheduled press conference for that

1126  
00:51:42,300 --> 00:51:39,700  
afternoon the next day to divulge and

1127  
00:51:44,910 --> 00:51:42,310  
this was after the USA Today article to

1128  
00:51:47,280 --> 00:51:44,920  
divulge the culprit of the lights over

1129  
00:51:50,540 --> 00:51:47,290  
Phoenix which I was thrilled I mean I

1130  
00:51:53,970 --> 00:51:50,550  
wonder what the heck was going on here

1131  
00:51:56,670 --> 00:51:53,980  
really seriously and he comes marching

1132  
00:51:59,520 --> 00:51:56,680  
out one of his aides in a giant alien

1133  
00:52:01,800 --> 00:51:59,530  
head costume and made a mockery of the

1134  
00:52:03,330 --> 00:52:01,810  
whole thing which was I have to tell you

1135  
00:52:06,840 --> 00:52:03,340  
it really really disconcerting

1136  
00:52:09,390 --> 00:52:06,850  
especially for the witnesses especially

1137  
00:52:11,430 --> 00:52:09,400  
those parents that were with children

1138  
00:52:13,980 --> 00:52:11,440

and had this thing that was as big as

1139

00:52:17,070 --> 00:52:13,990

two giant walls go right over their head

1140

00:52:18,930 --> 00:52:17,080

and he's making a joke out of it well it

1141

00:52:19,860 --> 00:52:18,940

did put a lid on it but I have to tell

1142

00:52:21,840 --> 00:52:19,870

you that didn't stop me from

1143

00:52:23,250 --> 00:52:21,850

investigating because I had the

1144

00:52:26,640 --> 00:52:23,260

conversations in my book

1145

00:52:29,640 --> 00:52:26,650

they were very comical when I started

1146

00:52:32,400 --> 00:52:29,650

calling and I tried to get as high up as

1147

00:52:35,579 --> 00:52:32,410

I could of military in the bases around

1148

00:52:37,319 --> 00:52:35,589

Arizona Luke Air Force Base David Monson

1149

00:52:39,959 --> 00:52:37,329

and so forth and the Air National Guard

1150

00:52:42,989 --> 00:52:39,969

and their conversations were very

1151

00:52:45,359 --> 00:52:42,999

interesting in that months period after

1152

00:52:48,120 --> 00:52:45,369

the USA Today article they were just as

1153

00:52:51,029 --> 00:52:48,130

curious as we were what was going on in

1154

00:52:53,339 --> 00:52:51,039

fact one of the higher-ups that I talked

1155

00:52:56,160 --> 00:52:53,349

to say the only one who knows who did

1156

00:52:59,190 --> 00:52:56,170

this was God and whoever did this I mean

1157

00:53:04,140 --> 00:52:59,200

that was his answer okay interestingly I

1158

00:53:05,910 --> 00:53:04,150

get a call on July 24th from one of the

1159

00:53:07,620 --> 00:53:05,920

heads of PR at the Air National Guard

1160

00:53:09,089 --> 00:53:07,630

and she's Oh dr. Lynn I think we know

1161

00:53:09,989 --> 00:53:09,099

what those Lloyd's were back in March

1162

00:53:12,029 --> 00:53:09,999

and I said that's great

1163

00:53:15,209 --> 00:53:12,039

but were they she says do you believe

1164

00:53:16,979 --> 00:53:15,219

that nobody ever looked at the log for

1165

00:53:18,900 --> 00:53:16,989

visiting Air National Guard and the

1166

00:53:21,809 --> 00:53:18,910

Maryland Air National Guard was in town

1167

00:53:24,630 --> 00:53:21,819

sending off flares military illumination

1168

00:53:26,700 --> 00:53:24,640

flares in operation Snowbird which she

1169

00:53:28,799 --> 00:53:26,710

later found out by the way in military

1170

00:53:31,259 --> 00:53:28,809

terms means diversionary tactical

1171

00:53:33,569 --> 00:53:31,269

maneuvers so I have no doubt and they

1172

00:53:35,249 --> 00:53:33,579

knew I mean if you know they sent checks

1173

00:53:36,839 --> 00:53:35,259

out from Luke Air Force Base to try to

1174

00:53:40,620 --> 00:53:36,849

intercept this thing at 8:30 so they

1175

00:53:43,019 --> 00:53:40,630

knew what was going on right that flares

1176  
00:53:44,309 --> 00:53:43,029  
may have been deployed since I've heard

1177  
00:53:46,469 --> 00:53:44,319  
attention away from the true unknowns

1178  
00:53:51,059 --> 00:53:46,479  
but that's not what over 10,000 people

1179  
00:53:53,339 --> 00:53:51,069  
saw part of what they do they they get

1180  
00:53:56,459 --> 00:53:53,349  
their own gear up in the air and that's

1181  
00:53:58,259 --> 00:53:56,469  
part of the protocol there you go there

1182  
00:54:01,049 --> 00:53:58,269  
you go but anyway she says that must be

1183  
00:54:03,059 --> 00:54:01,059  
what some people saw that's exactly what

1184  
00:54:05,130 --> 00:54:03,069  
she said and I said well wait a minute I

1185  
00:54:07,950 --> 00:54:05,140  
said when was the Maryland Air National

1186  
00:54:09,930 --> 00:54:07,960  
Guard in town she says March 1st to the

1187  
00:54:12,749 --> 00:54:09,940  
15th I said were they in town in January

1188  
00:54:16,109 --> 00:54:12,759

she said no no I said are you sure she

1189

00:54:17,150 --> 00:54:16,119

said absolutely not I said well I happen

1190

00:54:19,829 --> 00:54:17,160

to have thirty five-millimeter

1191

00:54:23,190 --> 00:54:19,839

photographs of the same exact phenomena

1192

00:54:26,819 --> 00:54:23,200

in the same exact location in January as

1193

00:54:28,589 --> 00:54:26,829

March 13 confirmed those in January and

1194

00:54:30,479 --> 00:54:28,599

the morning after the mass sighting by

1195

00:54:32,579 --> 00:54:30,489

air traffic controllers at Sky Harbor

1196

00:54:35,880 --> 00:54:32,589

International Airport as hovering over

1197

00:54:39,180 --> 00:54:35,890

Class B restricted a Class B restricted

1198

00:54:42,239 --> 00:54:39,190

space thousand feet altitude and she

1199

00:54:43,259 --> 00:54:42,249

says you never told me that and then I

1200

00:54:45,450 --> 00:54:43,269

said well wait a minute and you're

1201  
00:54:47,900 --> 00:54:45,460  
trying to tell me and I educated myself

1202  
00:54:49,450 --> 00:54:47,910  
to military flares anything logical but

1203  
00:54:51,820 --> 00:54:49,460  
you're trying

1204  
00:54:55,960 --> 00:54:51,830  
you got Kurt Russell on this one well

1205  
00:54:58,270 --> 00:54:55,970  
yeah you're trying to tell me that

1206  
00:55:00,070 --> 00:54:58,280  
military illumination flares it cannot

1207  
00:55:01,480 --> 00:55:00,080  
keep information they drift and drop

1208  
00:55:04,180 --> 00:55:01,490  
with the wind they're on parachutes

1209  
00:55:06,550 --> 00:55:04,190  
they're they they have huge smoke trails

1210  
00:55:11,170 --> 00:55:06,560  
that are illuminated by the flare itself

1211  
00:55:14,620 --> 00:55:11,180  
which not one not one person witness to

1212  
00:55:17,290 --> 00:55:14,630  
the true unknowns divulged or reported

1213  
00:55:19,859 --> 00:55:17,300

and you're trying to tell me that these

1214

00:55:22,089 --> 00:55:19,869

lights in rock solid formation

1215

00:55:25,300 --> 00:55:22,099

equidistant from each other over a mile

1216

00:55:28,089 --> 00:55:25,310

wide traverse the entire state for hours

1217

00:55:32,710 --> 00:55:28,099

and she says I have a call coming and

1218

00:55:37,000 --> 00:55:35,320

at any rate at that point it was really

1219

00:55:39,730 --> 00:55:37,010

disconcerting in fact right after her

1220

00:55:42,130 --> 00:55:39,740

call I called my sister-in-law and in

1221

00:55:44,800 --> 00:55:42,140

Delaware to wish her a happy birthday

1222

00:55:47,200 --> 00:55:44,810

her birthday is July 24th the first

1223

00:55:49,359 --> 00:55:47,210

thing she says to me and it hasn't even

1224

00:55:52,180 --> 00:55:49,369

been announced here yet the first thing

1225

00:55:55,060 --> 00:55:52,190

she says to me is oh I just saw in the

1226

00:55:57,880 --> 00:55:55,070

news that they discovered what the

1227

00:55:59,560 --> 00:55:57,890

lights were back and back in March they

1228

00:56:01,930 --> 00:55:59,570

were military illumination flare she

1229

00:56:04,329 --> 00:56:01,940

they were showing this back east before

1230

00:56:06,670 --> 00:56:04,339

it was even announced here which was the

1231

00:56:09,550 --> 00:56:06,680

next morning the headlines were the

1232

00:56:11,829 --> 00:56:09,560

Phoenix lights were flares okay and that

1233

00:56:15,640 --> 00:56:11,839

has been the only explanation that ever

1234

00:56:19,450 --> 00:56:15,650

came forth and I had to wonder the years

1235

00:56:22,089 --> 00:56:19,460

why you know when people ask me all the

1236

00:56:23,980 --> 00:56:22,099

time and first of all it's a logical

1237

00:56:25,599 --> 00:56:23,990

explanation that those that can't deal

1238

00:56:27,370 --> 00:56:25,609

with this topic and I have to say I'm

1239

00:56:30,160 --> 00:56:27,380

not here to convince anyone of anything

1240

00:56:32,349 --> 00:56:30,170

I'm just sharing the data people who

1241

00:56:34,120 --> 00:56:32,359

decide for themselves it is what it is

1242

00:56:35,710 --> 00:56:34,130

and some people can't deal with this

1243

00:56:36,940 --> 00:56:35,720

some people don't want to and that's

1244

00:56:39,730 --> 00:56:36,950

okay that's okay

1245

00:56:41,829 --> 00:56:39,740

everyone in their own time but now at

1246

00:56:43,450 --> 00:56:41,839

least there's data that people can look

1247

00:56:45,670 --> 00:56:43,460

at and that's what I felt was important

1248

00:56:47,410 --> 00:56:45,680

because again I wish my whole medical

1249

00:56:48,550 --> 00:56:47,420

career aside for seven years I've

1250

00:56:51,190 --> 00:56:48,560

actually pushed to the side now for

1251  
00:56:54,820 --> 00:56:51,200  
twenty-one but at the time seven years

1252  
00:56:57,490 --> 00:56:54,830  
to find out what was going on and here

1253  
00:56:59,020 --> 00:56:57,500  
you know they're they're telling telling

1254  
00:57:01,300 --> 00:56:59,030  
us that it was flares I realized that

1255  
00:57:02,920 --> 00:57:01,310  
they could blow off and and and

1256  
00:57:05,710 --> 00:57:02,930  
discredit

1257  
00:57:09,730 --> 00:57:05,720  
people's reports which by the way the

1258  
00:57:11,920 --> 00:57:09,740  
only report and Councilwoman Barwood

1259  
00:57:14,230 --> 00:57:11,930  
says it's in the film the owner II

1260  
00:57:16,720 --> 00:57:14,240  
report out of over a thousand that she

1261  
00:57:19,120 --> 00:57:16,730  
received was from a teenager and I have

1262  
00:57:21,250 --> 00:57:19,130  
all the respect for teenagers my work

1263  
00:57:24,010 --> 00:57:21,260

with them and my specialty is adolescent

1264

00:57:25,930 --> 00:57:24,020

medicine but this teenager reported that

1265

00:57:28,690 --> 00:57:25,940

he looks through his telescope and saw

1266

00:57:32,020 --> 00:57:28,700

planes okay and that's what the media

1267

00:57:34,210 --> 00:57:32,030

reported that was plane which was

1268

00:57:36,010 --> 00:57:34,220

ridiculous but be that as it may and now

1269

00:57:39,760 --> 00:57:36,020

they're saying that it was flares well

1270

00:57:42,520 --> 00:57:39,770

the point is the only hard evidence that

1271

00:57:45,640 --> 00:57:42,530

they had to debunk because the the

1272

00:57:48,339 --> 00:57:45,650

videos if you really look at them okay

1273

00:57:50,260 --> 00:57:48,349

and again it's very easy to mistake them

1274

00:57:51,670 --> 00:57:50,270

for flares because they're there the

1275

00:57:54,069 --> 00:57:51,680

lights are much smaller they're white

1276

00:57:57,339 --> 00:57:54,079

they flicker but the formations

1277

00:57:59,079 --> 00:57:57,349

themselves are so compelling I'm sorry

1278

00:58:01,990 --> 00:57:59,089

those lights are either attached to

1279

00:58:03,880 --> 00:58:02,000

something or you know I mean part of a

1280

00:58:07,960 --> 00:58:03,890

craft or have a force field in between

1281

00:58:09,789 --> 00:58:07,970

but they had to debunk the the videos

1282

00:58:11,319 --> 00:58:09,799

there's only a handful of videos I have

1283

00:58:13,000 --> 00:58:11,329

to remember people ask me this all the

1284

00:58:15,280 --> 00:58:13,010

time as well why weren't there more

1285

00:58:17,349 --> 00:58:15,290

pictures well first of all cellphones

1286

00:58:20,260 --> 00:58:17,359

were real clunky at the time they just

1287

00:58:24,640 --> 00:58:20,270

come out and they did not have cameras

1288

00:58:26,980 --> 00:58:24,650

in them so who can I mean the four of us

1289

00:58:29,829 --> 00:58:26,990

that did take a video from from

1290

00:58:32,260 --> 00:58:29,839

different locations the Christian my

1291

00:58:34,000 --> 00:58:32,270

Kristin happened to be filming cleaning

1292

00:58:36,490 --> 00:58:34,010

his camera when it was happening

1293

00:58:38,650 --> 00:58:36,500

Steve blonder was up on his balcony was

1294

00:58:41,770 --> 00:58:38,660

mufon when it happened I had my camera

1295

00:58:43,690 --> 00:58:41,780

in the corner of our bedroom because of

1296

00:58:45,400 --> 00:58:43,700

all the sayings I was seeing so we

1297

00:58:47,289 --> 00:58:45,410

happen to have our timers so there is a

1298

00:58:50,109 --> 00:58:47,299

handful of videos but that's the only

1299

00:58:51,490 --> 00:58:50,119

thing that they had to debunk so whoever

1300

00:58:54,640 --> 00:58:51,500

came up with the flare thing was

1301

00:58:57,970 --> 00:58:54,650

brilliant I had to because they could

1302

00:59:01,599 --> 00:58:57,980

easily the video but the 35-millimeter

1303

00:59:03,160 --> 00:59:01,609

could not okay as the story unfolds now

1304

00:59:06,760 --> 00:59:03,170

when they came out with the flare theory

1305

00:59:08,349 --> 00:59:06,770

that really you know put a put a I mean

1306

00:59:10,420 --> 00:59:08,359

a blanket over the whole thing and many

1307

00:59:14,380 --> 00:59:10,430

people fed into that because it seems so

1308

00:59:17,020 --> 00:59:14,390

logical okay well interestingly three

1309

00:59:19,880 --> 00:59:17,030

years after the mass say

1310

00:59:22,030 --> 00:59:19,890

Councilwoman Frances Barwood was then

1311

00:59:26,180 --> 00:59:22,040

running for secretary of state of

1312

00:59:27,890 --> 00:59:26,190

Arizona on a platform to get answers for

1313

00:59:29,660 --> 00:59:27,900

the Phoenix lights she had so many of

1314

00:59:31,670 --> 00:59:29,670

her constituents that were so angry that

1315

00:59:33,770 --> 00:59:31,680

they came out with this Slayer thing and

1316

00:59:35,990 --> 00:59:33,780

we're blowing it off and she also was

1317

00:59:39,050 --> 00:59:36,000

asking for a reenactment which was a

1318

00:59:41,600 --> 00:59:39,060

logical thing and and again I'm open to

1319

00:59:45,110 --> 00:59:41,610

it show me ok show me I'm open to a

1320

00:59:47,810 --> 00:59:45,120

logical explanation well if you go on a

1321

00:59:50,210 --> 00:59:47,820

new page on the Phoenix lights Network

1322

00:59:52,580 --> 00:59:50,220

website and go about the middle of the

1323

00:59:56,600 --> 00:59:52,590

page and there's a block it says AZ

1324

00:59:59,600 --> 00:59:56,610

family which is calm which is a CNN

1325

01:00:03,320 --> 00:59:59,610

affiliate actually took video that night

1326  
01:00:05,990 --> 01:00:03,330  
of their attempted flare drop because we

1327  
01:00:07,670 --> 01:00:06,000  
got an announcement on March 7 that they

1328  
01:00:09,290 --> 01:00:07,680  
were gonna be sending off there's three

1329  
01:00:12,170 --> 01:00:09,300  
air national guard's I believe it was

1330  
01:00:15,560 --> 01:00:12,180  
New York Michigan in California to show

1331  
01:00:18,680 --> 01:00:15,570  
everyone the Phoenix like okay show us

1332  
01:00:22,460 --> 01:00:18,690  
well it was talk about a joke it was so

1333  
01:00:24,760 --> 01:00:22,470  
lame and they tried to make a triangle

1334  
01:00:28,370 --> 01:00:24,770  
it was upside down

1335  
01:00:31,220 --> 01:00:28,380  
immediatly had you smoked ribs just

1336  
01:00:33,440 --> 01:00:31,230  
what flares do talk about putting a nail

1337  
01:00:36,050 --> 01:00:33,450  
in the coffin for that explanation

1338  
01:00:38,630 --> 01:00:36,060

because any of the witnesses that saw

1339

01:00:40,940 --> 01:00:38,640

the real deal knew immediately that that

1340

01:00:44,270 --> 01:00:40,950

was not the Phoenix voice and they have

1341

01:00:47,600 --> 01:00:44,280

to this day have never been re-enacted

1342

01:00:48,920 --> 01:00:47,610

or explained and by the way just a

1343

01:00:51,650 --> 01:00:48,930

couple years ago and that's another

1344

01:00:54,350 --> 01:00:51,660

video we have on a news page a fella who

1345

01:00:56,240 --> 01:00:54,360

has state of the art technology took the

1346

01:00:58,520 --> 01:00:56,250

boomerang video which is the only one my

1347

01:00:59,810 --> 01:00:58,530

video has actually been confirmed as a

1348

01:01:02,690 --> 01:00:59,820

true unknown by the air traffic

1349

01:01:04,820 --> 01:01:02,700

controllers by dr. Bruce Maccabee and

1350

01:01:07,130 --> 01:01:04,830

others University University of Arizona

1351  
01:01:10,460 --> 01:01:07,140  
Brooks Institute of photography because

1352  
01:01:12,500 --> 01:01:10,470  
it was over Phoenix I mean it is what it

1353  
01:01:14,990 --> 01:01:12,510  
is but the boomerang which happened

1354  
01:01:16,880 --> 01:01:15,000  
after 10 o'clock has really come under

1355  
01:01:18,710 --> 01:01:16,890  
fire ever since they came out with the

1356  
01:01:21,230 --> 01:01:18,720  
flare thing for being flares well this

1357  
01:01:24,170 --> 01:01:21,240  
guy took the boomerang video and put it

1358  
01:01:27,140 --> 01:01:24,180  
in a stabilization video and slowed you

1359  
01:01:29,780 --> 01:01:27,150  
know slow-mo and shows unequivocally not

1360  
01:01:32,360 --> 01:01:29,790  
only does these lights not

1361  
01:01:34,670 --> 01:01:32,370  
change formation for a couple in a few

1362  
01:01:36,350 --> 01:01:34,680  
minutes but one of them actually one of

1363  
01:01:39,440 --> 01:01:36,360

these late separates and actually

1364

01:01:41,870 --> 01:01:39,450

elevates and breaks into I mean flares

1365

01:01:44,570 --> 01:01:41,880

don't do that okay so we've pretty much

1366

01:01:47,870 --> 01:01:44,580

put the flare theory to rest so and by

1367

01:01:50,270 --> 01:01:47,880

the way the craft that people saw the 10

1368

01:01:53,330 --> 01:01:50,280

different crafts that people saw was

1369

01:01:55,670 --> 01:01:53,340

never the craft was never addressed by

1370

01:01:58,780 --> 01:01:55,680

the military or the government to this

1371

01:02:02,030 --> 01:01:58,790

day and as you mentioned getting back to

1372

01:02:04,280 --> 01:02:02,040

Governor vice Symington right after the

1373

01:02:06,830 --> 01:02:04,290

10th anniversary and I don't know what

1374

01:02:10,460 --> 01:02:06,840

possessed him to do this after he had

1375

01:02:13,640 --> 01:02:10,470

knocked the side and debunked it in 97

1376

01:02:16,400 --> 01:02:13,650

he came forward to disclose that he

1377

01:02:19,820 --> 01:02:16,410

actually saw he witnessed one of these

1378

01:02:22,520 --> 01:02:19,830

craft and as an awarded military pilot

1379

01:02:26,290 --> 01:02:22,530

he said that it was definitely not

1380

01:02:32,450 --> 01:02:26,300

flares and but that it was other-worldly

1381

01:02:40,910 --> 01:02:32,460

and hello yeah I'm still here I'm still

1382

01:02:43,220 --> 01:02:40,920

here because he's read the book

1383

01:02:44,960 --> 01:02:43,230

it's how the the Phoenix lights affected

1384

01:02:47,030 --> 01:02:44,970

people in real time and long-term and

1385

01:02:49,880 --> 01:02:47,040

and the connection I found between all

1386

01:02:52,280 --> 01:02:49,890

all unexplained phenomena as I was doing

1387

01:02:55,970 --> 01:02:52,290

my inquiry and keeping an intricate

1388

01:02:59,330 --> 01:02:55,980

journal every day and 50 page journal

1389

01:03:01,970 --> 01:02:59,340

that I ultimately condensed for 250

1390

01:03:03,620 --> 01:03:01,980

pages and it's now in its third print

1391

01:03:07,340 --> 01:03:03,630

and I keep adding the story keeps

1392

01:03:10,100 --> 01:03:07,350

evolving as the years go on it was such

1393

01:03:11,330 --> 01:03:10,110

intriguing data and more credible people

1394

01:03:13,790 --> 01:03:11,340

and that was one of the reasons I came

1395

01:03:15,470 --> 01:03:13,800

forward to say hey you know I don't know

1396

01:03:17,540 --> 01:03:15,480

what these things are but I know that

1397

01:03:21,080 --> 01:03:17,550

they are and that it's time we get this

1398

01:03:23,300 --> 01:03:21,090

at me open address it accept it and

1399

01:03:25,460 --> 01:03:23,310

study it so we can find out not only

1400

01:03:28,370 --> 01:03:25,470

who's driving these things but certainly

1401  
01:03:31,040 --> 01:03:28,380  
move forward in our own evolution and

1402  
01:03:33,920 --> 01:03:31,050  
that's why I finally came forward and

1403  
01:03:36,140 --> 01:03:33,930  
also as a physician to let people know

1404  
01:03:39,350 --> 01:03:36,150  
that they're not alone on the most

1405  
01:03:41,540 --> 01:03:39,360  
anomalies can be explained only a very

1406  
01:03:43,000 --> 01:03:41,550  
small amount maybe 510 percent at most

1407  
01:03:44,560 --> 01:03:43,010  
can not

1408  
01:03:47,410 --> 01:03:44,570  
but just because we don't have the

1409  
01:03:49,360 --> 01:03:47,420  
technology yet to the finically define

1410  
01:03:51,130 --> 01:03:49,370  
what these things are it doesn't mean

1411  
01:03:54,400 --> 01:03:51,140  
they're not real we may just be looking

1412  
01:03:56,200 --> 01:03:54,410  
on an a.m. dial for an FM frequency so

1413  
01:03:58,120 --> 01:03:56,210

it was important for me not only as a

1414

01:03:59,680 --> 01:03:58,130

scientist and as an experimenter and

1415

01:04:01,630 --> 01:03:59,690

certainly as an educator to get the

1416

01:04:03,850 --> 01:04:01,640

facts out and let people decide for

1417

01:04:05,500 --> 01:04:03,860

themselves and learn what really

1418

01:04:08,050 --> 01:04:05,510

happened here but certainly as a

1419

01:04:10,180 --> 01:04:08,060

physician and as an experimenter knowing

1420

01:04:12,490 --> 01:04:10,190

how it affected me and and getting back

1421

01:04:15,220 --> 01:04:12,500

to how it affected other people what was

1422

01:04:19,240 --> 01:04:15,230

really interesting and we have a section

1423

01:04:22,510 --> 01:04:19,250

of the documentary if I can that talks

1424

01:04:24,970 --> 01:04:22,520

about how the media and Hollywood has

1425

01:04:27,160 --> 01:04:24,980

portrayed these phenomena over and over

1426

01:04:31,870 --> 01:04:27,170

again in a fearful content in a

1427

01:04:33,310 --> 01:04:31,880

threatening content and and dr. Gary

1428

01:04:34,720 --> 01:04:33,320

Schwartz who is the head of the

1429

01:04:36,730 --> 01:04:34,730

consciousness study department at the

1430

01:04:40,150 --> 01:04:36,740

University of Arizona and actually wrote

1431

01:04:42,880 --> 01:04:40,160

the introduction to my book it says very

1432

01:04:45,280 --> 01:04:42,890

pointedly in the documentary that you're

1433

01:04:47,680 --> 01:04:45,290

so inundated with this retro threatened

1434

01:04:51,850 --> 01:04:47,690

harm hornworm how do you think people

1435

01:04:54,310 --> 01:04:51,860

are going to react something massive and

1436

01:04:57,250 --> 01:04:54,320

strange as the Phoenix lights well what

1437

01:05:01,180 --> 01:04:57,260

was really interesting is that that did

1438

01:05:02,620 --> 01:05:01,190

not happen people were in awe in wonder

1439

01:05:05,170 --> 01:05:02,630

in fact six months before the mass

1440

01:05:08,590 --> 01:05:05,180

sighting the movie Independence Day was

1441

01:05:11,380 --> 01:05:08,600

really popular yep bang children that's

1442

01:05:13,360 --> 01:05:11,390

another interesting aside we're usually

1443

01:05:15,250 --> 01:05:13,370

the first ones to see this mile or

1444

01:05:16,930 --> 01:05:15,260

larger v-formation of lights coming

1445

01:05:19,420 --> 01:05:16,940

towards them and we're jumping up and

1446

01:05:25,180 --> 01:05:19,430

down Independence Day Independence Day

1447

01:05:27,850 --> 01:05:25,190

but came over everyone adults and

1448

01:05:31,600 --> 01:05:27,860

children alike a connectedness to the

1449

01:05:32,980 --> 01:05:31,610

phenomena that once it passed the kids

1450

01:05:35,170 --> 01:05:32,990

wanted to run after it or have their

1451

01:05:38,710 --> 01:05:35,180

their parents get in the car and chase

1452

01:05:42,400 --> 01:05:38,720

it people were in awe and over again in

1453

01:05:44,980 --> 01:05:42,410

wonder in amazement and people some

1454

01:05:46,300 --> 01:05:44,990

people felt blessed that they saw that

1455

01:05:49,690 --> 01:05:46,310

they had the opportunity in their

1456

01:05:53,530 --> 01:05:49,700

lifetime to see something so incredible

1457

01:05:55,480 --> 01:05:53,540

and talk about long-term we have people

1458

01:05:56,710 --> 01:05:55,490

that and I'm still hearing from people

1459

01:05:59,080 --> 01:05:56,720

by the way and I'm here

1460

01:06:01,270 --> 01:05:59,090

from a lot of retired military and

1461

01:06:04,150 --> 01:06:01,280

pilots now who saw similar phenomena

1462

01:06:07,690 --> 01:06:04,160

where we're here at the time to confirm

1463

01:06:09,880 --> 01:06:07,700

that this was not not anything earthly

1464

01:06:11,260 --> 01:06:09,890

that we know of and and we certainly

1465

01:06:12,220 --> 01:06:11,270

haven't seen any technology that comes

1466

01:06:13,720 --> 01:06:12,230

close to this and with the

1467

01:06:15,580 --> 01:06:13,730

precariousness of what's happening in

1468

01:06:17,110 --> 01:06:15,590

the Middle East and around the world you

1469

01:06:19,270 --> 01:06:17,120

would think that we would have seen some

1470

01:06:22,360 --> 01:06:19,280

kind of inkling of this technology if we

1471

01:06:24,880 --> 01:06:22,370

had it but be that as it may they change

1472

01:06:27,940 --> 01:06:24,890

their eating habit some of them went I

1473

01:06:29,050 --> 01:06:27,950

don't eat meat anymore other people went

1474

01:06:30,850 --> 01:06:29,060

into the peace movement the

1475

01:06:31,870 --> 01:06:30,860

environmental movement it just woke

1476

01:06:34,540 --> 01:06:31,880

people up

1477

01:06:37,450 --> 01:06:34,550

what would whoever did this not only

1478

01:06:40,480 --> 01:06:37,460

wanted to let us know in a very very

1479

01:06:43,450 --> 01:06:40,490

gentle non-threatening way again no one

1480

01:06:45,880 --> 01:06:43,460

was harmed threatened or abducted that

1481

01:06:48,820 --> 01:06:45,890

they're here that they're real and it

1482

01:06:50,590 --> 01:06:48,830

also woke people up in a very very deep

1483

01:06:53,050 --> 01:06:50,600

level and let me let me explain that a

1484

01:06:55,990 --> 01:06:53,060

little bit which I do get into the book

1485

01:06:58,150 --> 01:06:56,000

very simply a number of the witnesses

1486

01:07:01,840 --> 01:06:58,160

shared with me that they had had

1487

01:07:04,930 --> 01:07:01,850

near-death experiences as children that

1488

01:07:07,810 --> 01:07:04,940

was reawakened by the Phoenix lights

1489

01:07:11,710 --> 01:07:07,820

mass sighting which I found really

1490

01:07:13,540 --> 01:07:11,720

powerful and poignant because I did too

1491

01:07:15,490 --> 01:07:13,550

when I was eight years old and I won't

1492

01:07:18,160 --> 01:07:15,500

get into it now I'm not gonna be a

1493

01:07:21,040 --> 01:07:18,170

spoiler but I did have a very profound

1494

01:07:21,910 --> 01:07:21,050

change of life experience when I was

1495

01:07:25,270 --> 01:07:21,920

eight years old

1496

01:07:26,560 --> 01:07:25,280

confirming that we are not alone okay be

1497

01:07:27,820 --> 01:07:26,570

that as it may which may have been the

1498

01:07:30,400 --> 01:07:27,830

foundation I've been asked many times

1499

01:07:32,830 --> 01:07:30,410

and I leave it open and healthy skeptic

1500

01:07:35,130 --> 01:07:32,840

in me but may have been the foundation

1501  
01:07:37,780 --> 01:07:35,140  
for what happened when I saw the three

1502  
01:07:40,060 --> 01:07:37,790  
orbs outside my bedroom window the eve

1503  
01:07:42,460 --> 01:07:40,070  
of my birthday be that as it may I

1504  
01:07:45,880 --> 01:07:42,470  
thought jeez could there possibly be a

1505  
01:07:48,480 --> 01:07:45,890  
connection between all all unexplained

1506  
01:07:50,800 --> 01:07:48,490  
phenomena be it near-death experience

1507  
01:07:53,050 --> 01:07:50,810  
out-of-body experience or unexplained

1508  
01:07:55,660 --> 01:07:53,060  
aerial phenomena that have a mystical

1509  
01:07:57,940 --> 01:07:55,670  
light associated with the experience and

1510  
01:07:59,110 --> 01:07:57,950  
lo and behold when I started looking and

1511  
01:08:01,000 --> 01:07:59,120  
that's what I urged people to do just

1512  
01:08:03,850 --> 01:08:01,010  
look if you really look for crap double

1513  
01:08:06,670 --> 01:08:03,860

data it's there the Omega project which

1514

01:08:07,900 --> 01:08:06,680

was like a four inch book at the dr.

1515

01:08:10,480 --> 01:08:07,910

Kenneth ring at University of

1516

01:08:13,180 --> 01:08:10,490

Connecticut just that's what he did he

1517

01:08:15,160 --> 01:08:13,190

compared these new experience that

1518

01:08:17,800 --> 01:08:15,170

experience unexplained aerial phenomena

1519

01:08:21,840 --> 01:08:17,810

and found not only a connection and dr.

1520

01:08:24,999 --> 01:08:21,850

John Mack surprise winning Harvard Fame

1521

01:08:27,459 --> 01:08:25,009

also came to the same conclusion not

1522

01:08:29,860 --> 01:08:27,469

only is the experience I lay out very

1523

01:08:32,260 --> 01:08:29,870

simply in the book whatever the

1524

01:08:36,099 --> 01:08:32,270

unexplained phenomena experience is very

1525

01:08:39,789 --> 01:08:36,109

very similar and I began calling all

1526

01:08:42,400 --> 01:08:39,799

unexplained phenomena and up because it

1527

01:08:44,349 --> 01:08:42,410

is about the positive awakening and this

1528

01:08:47,349 --> 01:08:44,359

was really got me and I know personally

1529

01:08:49,809 --> 01:08:47,359

what happened to me I mean my life is a

1530

01:08:52,740 --> 01:08:49,819

picture of what happens if someone has

1531

01:08:56,890 --> 01:08:52,750

an unexplained phenomenon up experience

1532

01:08:58,720 --> 01:08:56,900

just being aware that there is so much

1533

01:09:00,729 --> 01:08:58,730

more out there in the universe that

1534

01:09:02,950 --> 01:09:00,739

we're not alone that we're connected

1535

01:09:04,749 --> 01:09:02,960

we're all connected to the earth to the

1536

01:09:07,120 --> 01:09:04,759

universe to each other in such a

1537

01:09:08,979 --> 01:09:07,130

profound important way and that we're

1538

01:09:10,570 --> 01:09:08,989

spiritual beings and I don't I'm not

1539

01:09:13,840 --> 01:09:10,580

getting into the will I'm talking about

1540

01:09:16,930 --> 01:09:13,850

the reality of how we as human beings

1541

01:09:20,170 --> 01:09:16,940

can make this world a better world and

1542

01:09:23,349 --> 01:09:20,180

and and do good for this earth and for

1543

01:09:26,410 --> 01:09:23,359

each other which I only wish would

1544

01:09:28,530 --> 01:09:26,420

happen at this time in our history but

1545

01:09:31,979 --> 01:09:28,540

the people that have had true-up

1546

01:09:34,660 --> 01:09:31,989

experiences or you don't have to have an

1547

01:09:37,570 --> 01:09:34,670

experience to have this positive

1548

01:09:40,329 --> 01:09:37,580

transformation all you need to do is

1549

01:09:43,059 --> 01:09:40,339

learn about it have an open mind and an

1550

01:09:45,700 --> 01:09:43,069

open heart and learn about it and you

1551

01:09:48,940 --> 01:09:45,710

start to see if you really open your

1552

01:09:52,019 --> 01:09:48,950

eyes and your heart serendipities that

1553

01:09:54,880 --> 01:09:52,029

start to happen that show you that that

1554

01:09:57,030 --> 01:09:54,890

there is so much more out there and

1555

01:09:59,620 --> 01:09:57,040

whether it's frequencies vibrations

1556

01:10:02,260 --> 01:09:59,630

whatever there is so much more out there

1557

01:10:05,290 --> 01:10:02,270

in this wondrous universe and and let's

1558

01:10:07,420 --> 01:10:05,300

be real okay not only do we know now

1559

01:10:11,110 --> 01:10:07,430

from the Hubble and the Kepler telescope

1560

01:10:12,970 --> 01:10:11,120

and others that there are trillions of

1561

01:10:15,340 --> 01:10:12,980

other galaxies out there that are older

1562

01:10:17,620 --> 01:10:15,350

than our Milky Way galaxy closed our

1563

01:10:19,300 --> 01:10:17,630

solar system is a very young solar

1564

01:10:21,820 --> 01:10:19,310

system it's only forty six billion years

1565

01:10:24,340 --> 01:10:21,830

old there are scientists now postulating

1566

01:10:27,700 --> 01:10:24,350

that there could be intelligence since

1567

01:10:30,550 --> 01:10:27,710

and he's out there billions billions of

1568

01:10:34,270 --> 01:10:30,560

years ahead of us that is just such a

1569

01:10:37,480 --> 01:10:34,280

mind-boggling thought the reason that I

1570

01:10:40,720 --> 01:10:37,490

ultimately shared the missing time data

1571

01:10:44,320 --> 01:10:40,730

is not only to show that our concept of

1572

01:10:47,590 --> 01:10:44,330

time from my close encounter that they

1573

01:10:50,100 --> 01:10:47,600

when it felt like Tom had stopped it not

1574

01:10:53,410 --> 01:10:50,110

only it's time our concept of time

1575

01:10:56,140 --> 01:10:53,420

primitive past present and future but

1576

01:10:58,030 --> 01:10:56,150

they it's there are other times and

1577

01:11:00,130 --> 01:10:58,040

spaces along with ours that now the

1578

01:11:01,810 --> 01:11:00,140

string theory and bubble theory are

1579

01:11:04,030 --> 01:11:01,820

populating there are 10 or 11 different

1580

01:11:07,210 --> 01:11:04,040

dimensions out there so if there's other

1581

01:11:09,670 --> 01:11:07,220

times and spaces along with ours why is

1582

01:11:11,770 --> 01:11:09,680

it such a leap to think that there might

1583

01:11:14,410 --> 01:11:11,780

be other intelligences in those other

1584

01:11:19,120 --> 01:11:14,420

times and spaces that we get glimpses of

1585

01:11:22,660 --> 01:11:19,130

if we're open to them or invited got it

1586

01:11:25,660 --> 01:11:22,670

now I'm getting back to Simonson you did

1587

01:11:27,250 --> 01:11:25,670

have that change of heart have you met

1588

01:11:30,760 --> 01:11:27,260

this guy have you ever talked to a

1589

01:11:33,160 --> 01:11:30,770

little bit about what was with the the

1590

01:11:36,340 --> 01:11:33,170

press conference the silliness there and

1591

01:11:39,460 --> 01:11:36,350

then his change of heart later on that's

1592

01:11:41,620 --> 01:11:39,470

a really good question because I have

1593

01:11:44,980 --> 01:11:41,630

tried I have tried a number of times

1594

01:11:47,500 --> 01:11:44,990

that's very I don't know I don't know

1595

01:11:50,020 --> 01:11:47,510

why he is not we I have reached out to

1596

01:11:52,000 --> 01:11:50,030

him numerous times I have gotten him the

1597

01:11:55,780 --> 01:11:52,010

book and the documentary and by the way

1598

01:11:57,880 --> 01:11:55,790

once the book came out in 2004 I mean I

1599

01:11:59,380 --> 01:11:57,890

I had going back to work chief cleanup a

1600

01:12:01,570 --> 01:11:59,390

consultant at the Arizona Heart

1601  
01:12:02,740 --> 01:12:01,580  
Institute for a few years to help put

1602  
01:12:06,940 --> 01:12:02,750  
our younger son through Medical School

1603  
01:12:10,090 --> 01:12:06,950  
he's a neurologist now I I was just

1604  
01:12:12,670 --> 01:12:10,100  
amazed and the the doctors and the

1605  
01:12:13,990 --> 01:12:12,680  
nurses that would come up and and start

1606  
01:12:17,260 --> 01:12:14,000  
telling me their stories of their

1607  
01:12:19,420 --> 01:12:17,270  
unusual paranormal or UFO experiences

1608  
01:12:21,130 --> 01:12:19,430  
there's millions of people out there

1609  
01:12:23,080 --> 01:12:21,140  
that have had near-death experiences

1610  
01:12:25,840 --> 01:12:23,090  
have seen strange things in the sky

1611  
01:12:28,660 --> 01:12:25,850  
again most can be explained but what was

1612  
01:12:31,300 --> 01:12:28,670  
really interesting is that the response

1613  
01:12:33,610 --> 01:12:31,310

to my work I mean hope I mean I wanted

1614

01:12:37,150 --> 01:12:33,620

to get once he came forward in 2010

1615

01:12:38,140 --> 01:12:37,160

because in 2005 now after being pursued

1616

01:12:40,300 --> 01:12:38,150

by a number of

1617

01:12:42,580 --> 01:12:40,310

Maker's while I was at the Arizona Heart

1618

01:12:44,350 --> 01:12:42,590

Institute working full-time 7:00 to 7:00

1619

01:12:46,689 --> 01:12:44,360

and then doing radio programs like this

1620

01:12:49,390 --> 01:12:46,699

into the night and wise and Noble and

1621

01:12:52,000 --> 01:12:49,400

borders tours for the book on the

1622

01:12:54,610 --> 01:12:52,010

weekend I was also being pursued by

1623

01:12:56,649 --> 01:12:54,620

filmmakers I had no time I wanted to do

1624

01:12:59,290 --> 01:12:56,659

something Julianne and finally one of

1625

01:13:01,030 --> 01:12:59,300

them Steve Lance who had graduated from

1626  
01:13:02,830 --> 01:13:01,040  
the Brooks Institute of photography and

1627  
01:13:05,590 --> 01:13:02,840  
his parents lived here as doctor his

1628  
01:13:07,390 --> 01:13:05,600  
father as a doctor said I'm coming with

1629  
01:13:10,000 --> 01:13:07,400  
my equipment and we're starting to film

1630  
01:13:12,640 --> 01:13:10,010  
and May I said wait I said first of all

1631  
01:13:13,959 --> 01:13:12,650  
I said nonnamous for seven years I don't

1632  
01:13:15,340 --> 01:13:13,969  
know if people would want to come

1633  
01:13:17,860 --> 01:13:15,350  
forward I understand that I mean people

1634  
01:13:20,140 --> 01:13:17,870  
and I take confidentiality as a

1635  
01:13:22,540 --> 01:13:20,150  
physician very seriously or anything

1636  
01:13:24,459 --> 01:13:22,550  
that wants to contact me it's really

1637  
01:13:27,280 --> 01:13:24,469  
important when you have a paranormal

1638  
01:13:29,380 --> 01:13:27,290

experience to share it with at least one

1639

01:13:31,750 --> 01:13:29,390

person it's very cathartic cuz if you

1640

01:13:34,149 --> 01:13:31,760

don't it festers and it's not healthy so

1641

01:13:36,130 --> 01:13:34,159

just sharing with one other person and

1642

01:13:38,229 --> 01:13:36,140

again I get emails or messages on

1643

01:13:41,140 --> 01:13:38,239

Facebook the Phoenix lights Network

1644

01:13:42,910 --> 01:13:41,150

Facebook page every single day and it's

1645

01:13:44,229 --> 01:13:42,920

important and I'm happy to be there for

1646

01:13:46,090 --> 01:13:44,239

people to just let them know that

1647

01:13:47,830 --> 01:13:46,100

they're not crazy that they're not alone

1648

01:13:52,240 --> 01:13:47,840

that there's a lot more data out there

1649

01:13:55,720 --> 01:13:52,250

that they can explore but anyway the

1650

01:13:57,370 --> 01:13:55,730

fact is that after I started he came

1651  
01:14:01,060 --> 01:13:57,380  
with his equipment every single person

1652  
01:14:03,010 --> 01:14:01,070  
there and I and I saw you University

1653  
01:14:06,160 --> 01:14:03,020  
professors can lose their grants if they

1654  
01:14:09,280 --> 01:14:06,170  
mention the word UFO at the time but

1655  
01:14:11,080 --> 01:14:09,290  
every single one in including the head

1656  
01:14:14,050 --> 01:14:11,090  
of the optical sciences department who

1657  
01:14:17,770 --> 01:14:14,060  
worked on the Star Wars program for the

1658  
01:14:20,140 --> 01:14:17,780  
president is in the documentary and I

1659  
01:14:22,990 --> 01:14:20,150  
thought okay that's a sign plus effect

1660  
01:14:25,149 --> 01:14:23,000  
some parents and this is another project

1661  
01:14:26,620 --> 01:14:25,159  
that I just finished actually because

1662  
01:14:29,229 --> 01:14:26,630  
I'm working on a curriculum and we'll be

1663  
01:14:34,630 --> 01:14:29,239

talking about that at the 2018 MUFON

1664

01:14:37,149 --> 01:14:34,640

international symposium in July that you

1665

01:14:39,070 --> 01:14:37,159

know they invited me to a school here

1666

01:14:41,350 --> 01:14:39,080

which was like well I mean they'll

1667

01:14:45,070 --> 01:14:41,360

actually let me in the door to talk to a

1668

01:14:47,709 --> 01:14:45,080

middle school about this topic and I to

1669

01:14:49,149 --> 01:14:47,719

200 middle school students in this

1670

01:14:51,970 --> 01:14:49,159

auditorium and there were teachers and

1671

01:14:55,660 --> 01:14:51,980

parents there you could hear a

1672

01:14:57,970 --> 01:14:55,670

and rot they thirst for this knowledge

1673

01:14:58,960 --> 01:14:57,980

and it was a first time that I realized

1674

01:15:01,900 --> 01:14:58,970

my goodness

1675

01:15:05,230 --> 01:15:01,910

I mean there is nothing nothing in our

1676

01:15:08,500 --> 01:15:05,240

history books about this topic and that

1677

01:15:11,260 --> 01:15:08,510

really pushed me it was like a big sign

1678

01:15:14,260 --> 01:15:11,270

to say I've got something visually we

1679

01:15:16,960 --> 01:15:14,270

started production by July it was like I

1680

01:15:21,880 --> 01:15:16,970

mean I had to make a choice and in July

1681

01:15:24,700 --> 01:15:21,890

of 2004 I left my job and and went on to

1682

01:15:27,610 --> 01:15:24,710

finish a documentary it was released in

1683

01:15:29,290 --> 01:15:27,620

2005 we went over a dozen international

1684

01:15:32,470 --> 01:15:29,300

film festival wars which is unheard of

1685

01:15:35,680 --> 01:15:32,480

and I welcome people it's it's on Amazon

1686

01:15:36,940 --> 01:15:35,690

Amazon Prime I just want to get the

1687

01:15:39,490 --> 01:15:36,950

information out there and let people

1688

01:15:42,160 --> 01:15:39,500

decide for themselves and hopefully

1689

01:15:44,080 --> 01:15:42,170

they'll embrace that and appreciate the

1690

01:15:46,620 --> 01:15:44,090

hard work not only myself but so many

1691

01:15:49,720 --> 01:15:46,630

other people have done and and actually

1692

01:15:51,940 --> 01:15:49,730

when I came forward with the documentary

1693

01:15:54,190 --> 01:15:51,950

I got the documentary and booked to

1694

01:15:57,640 --> 01:15:54,200

Symington and he is in the documentary

1695

01:16:01,060 --> 01:15:57,650

from an interview that he did on CNN but

1696

01:16:04,330 --> 01:16:01,070

I have yet to meet with him and you know

1697

01:16:07,510 --> 01:16:04,340

I just I don't know why I just wanted to

1698

01:16:09,670 --> 01:16:07,520

thank him but he has really stayed in

1699

01:16:12,250 --> 01:16:09,680

the shadows he's very hard to to reach

1700

01:16:14,350 --> 01:16:12,260

him into to interview him these days but

1701

01:16:16,570 --> 01:16:14,360

I'm very great I think it was very great

1702

01:16:20,470 --> 01:16:16,580

for him to come forward better late than

1703

01:16:25,030 --> 01:16:20,480

never know that he saw it and that it

1704

01:16:27,970 --> 01:16:25,040

was in his own words other-worldly now I

1705

01:16:30,070 --> 01:16:27,980

John McCain was asked about the case in

1706

01:16:32,260 --> 01:16:30,080

the immediate aftermath and he talked a

1707

01:16:33,550 --> 01:16:32,270

little vaguely about well people do have

1708

01:16:35,860 --> 01:16:33,560

the right to know what's flying around

1709

01:16:37,840 --> 01:16:35,870

in the skies but have you ever heard

1710

01:16:40,390 --> 01:16:37,850

anything about any kind of follow-up did

1711

01:16:42,580 --> 01:16:40,400

he take any action did he do anything

1712

01:16:44,440 --> 01:16:42,590

besides respond to a question during an

1713

01:16:46,300 --> 01:16:44,450

interview about good question good

1714

01:16:47,530 --> 01:16:46,310

question in fact I tried to get in touch

1715

01:16:50,110 --> 01:16:47,540

with him at the time

1716

01:16:53,380 --> 01:16:50,120

and this was before he was running for

1717

01:16:55,660 --> 01:16:53,390

president and and I I was kind of

1718

01:16:57,130 --> 01:16:55,670

stonewalled myself I mean they wanted a

1719

01:17:00,190 --> 01:16:57,140

lot of information I didn't want to get

1720

01:17:02,730 --> 01:17:00,200

involved but Frances Barwood chats when

1721

01:17:05,649 --> 01:17:02,740

Frances Barwood did and she actually

1722

01:17:07,330 --> 01:17:05,659

contacted him

1723

01:17:09,549 --> 01:17:07,340

he has said that he's was stonewalled

1724

01:17:10,089 --> 01:17:09,559

but he got her letter and he said he

1725

01:17:11,890 --> 01:17:10,099

made a letter

1726

01:17:13,629 --> 01:17:11,900

let her up and sent it to the National

1727

01:17:19,299 --> 01:17:13,639

Archives she talks about it in the film

1728

01:17:21,429 --> 01:17:19,309

which is just that a repository and

1729

01:17:23,020 --> 01:17:21,439

that's about the extent of it that's all

1730

01:17:26,229 --> 01:17:23,030

he ever did that we know of and

1731

01:17:28,330 --> 01:17:26,239

Symington does say quite clearly in his

1732

01:17:29,770 --> 01:17:28,340

interviews that he was stonewalled and

1733

01:17:32,109 --> 01:17:29,780

he tried to find out what was going on

1734

01:17:35,429 --> 01:17:32,119

so but never you know and he felt bad I

1735

01:17:38,259 --> 01:17:35,439

know he felt bad that he he says he did

1736

01:17:39,879 --> 01:17:38,269

that he made a joke of it at first and

1737

01:17:42,759 --> 01:17:39,889

and I guess I got the better of him and

1738

01:17:45,580 --> 01:17:42,769

after seeing that you know people really

1739

01:17:47,709 --> 01:17:45,590

appreciate it and took my my coming

1740

01:17:49,270 --> 01:17:47,719

forward seriously because the media here

1741

01:17:52,029 --> 01:17:49,280

and it's such a model for what should

1742

01:17:53,770 --> 01:17:52,039

happen because going back again to the

1743

01:17:55,509 --> 01:17:53,780

early 80s when I was doing health

1744

01:17:57,640 --> 01:17:55,519

reporting a lot of the people that I

1745

01:17:59,949 --> 01:17:57,650

worked with at that time who were

1746

01:18:01,689 --> 01:17:59,959

underlings and just in production or

1747

01:18:04,390 --> 01:18:01,699

whatever behind the scenes when I came

1748

01:18:07,779 --> 01:18:04,400

forward in 2004 we're now the head of

1749

01:18:10,209 --> 01:18:07,789

the news department at ABC the the head

1750

01:18:12,850 --> 01:18:10,219

of production at Fox I mean they they

1751

01:18:15,279 --> 01:18:12,860

said you're dr. X which is what which

1752

01:18:17,080 --> 01:18:15,289

labs called the person who had the video

1753

01:18:19,779 --> 01:18:17,090

and pictures dr. X

1754

01:18:22,149 --> 01:18:19,789

they said you well come on over and they

1755

01:18:23,919 --> 01:18:22,159

have been so kind and so credible I mean

1756

01:18:26,409 --> 01:18:23,929

that's that's what's so important to

1757

01:18:28,149 --> 01:18:26,419

keep this credible did you share the

1758

01:18:30,159 --> 01:18:28,159

data and let people know that it's there

1759

01:18:33,009 --> 01:18:30,169

which I really appreciate you letting me

1760

01:18:35,140 --> 01:18:33,019

do and now back to the kids I've been

1761

01:18:38,259 --> 01:18:35,150

working on a curriculum for half a dozen

1762

01:18:42,310 --> 01:18:38,269

years for the 20th anniversary I came

1763

01:18:44,979 --> 01:18:42,320

out with a graphic novel activities

1764

01:18:46,839 --> 01:18:44,989

coloring book for all ages this is

1765

01:18:49,060 --> 01:18:46,849

really 21 years in the making

1766

01:18:50,799 --> 01:18:49,070

they just done the Phoenix lights it's

1767

01:18:55,600 --> 01:18:50,809

called Phoenix lights UFOs and crop

1768

01:18:59,859 --> 01:18:55,610

circles adventure of sue fo fields of

1769

01:19:01,600 --> 01:18:59,869

the burger and Hugh ate ugh Hugh fo and

1770

01:19:04,449 --> 01:19:01,610

he's a little alien I work with a Disney

1771

01:19:08,439 --> 01:19:04,459

illustrator and amazing teachers and a

1772

01:19:10,449 --> 01:19:08,449

map maker who actually took the study

1773

01:19:14,560 --> 01:19:10,459

the twelve-year study came out and took

1774

01:19:18,279 --> 01:19:14,570

pictures and and measured it's amazing

1775

01:19:18,880 --> 01:19:18,289

this graphic novel is just packed with

1776

01:19:21,340 --> 01:19:18,890

such

1777

01:19:23,860 --> 01:19:21,350

incredible information there's a

1778

01:19:25,890 --> 01:19:23,870

black-and-white copy for only \$9.99 on

1779

01:19:28,090 --> 01:19:25,900

Amazon and then there's a colored copy

1780

01:19:31,270 --> 01:19:28,100

which shows you know how you can call

1781

01:19:33,730 --> 01:19:31,280

her it's really beautiful but anyway not

1782

01:19:34,990 --> 01:19:33,740

only do we base the story on a true

1783

01:19:38,770 --> 01:19:35,000

thing that happened there were kids out

1784

01:19:40,690 --> 01:19:38,780

playing baseball and see this V coming

1785

01:19:42,460 --> 01:19:40,700

towards them and I try to get both sides

1786

01:19:44,200 --> 01:19:42,470

I have kids saying you know it's

1787

01:19:47,260 --> 01:19:44,210

balloons and somebody saying no it

1788

01:19:48,660 --> 01:19:47,270

couldn't keep that well firm ation and

1789

01:19:51,460 --> 01:19:48,670

another person saying I was helicopter

1790

01:19:53,860 --> 01:19:51,470

kids saying no it couldn't be there's no

1791

01:19:56,140 --> 01:19:53,870

sound and on and on and on and the next

1792

01:19:57,880 --> 01:19:56,150

day it was the buzz at school and Sue is

1793

01:19:59,920 --> 01:19:57,890

really into it and the teacher says why

1794

01:20:02,200 --> 01:19:59,930

don't you go to the History Museum and

1795

01:20:03,640 --> 01:20:02,210

see if there is any kind of history of

1796

01:20:06,190 --> 01:20:03,650

these phenomena and of course we do a

1797

01:20:08,800 --> 01:20:06,200

whole history section and I actually got

1798

01:20:11,320 --> 01:20:08,810

iconic pictures that people can draw

1799

01:20:13,240 --> 01:20:11,330

underneath in there there are just

1800

01:20:16,180 --> 01:20:13,250

amazing amazing pictures including a

1801  
01:20:18,070 --> 01:20:16,190  
picture of a plane during World War two

1802  
01:20:20,830 --> 01:20:18,080  
with Foo Fighters around it you know

1803  
01:20:23,680 --> 01:20:20,840  
I've seen that picture yeah of course we

1804  
01:20:26,380 --> 01:20:23,690  
have the picture of the Capitol building

1805  
01:20:28,450 --> 01:20:26,390  
in 52 with you know the same phenomena

1806  
01:20:31,510 --> 01:20:28,460  
around the Capitol building and so forth

1807  
01:20:33,520 --> 01:20:31,520  
and and we also show pictures of the

1808  
01:20:36,280 --> 01:20:33,530  
difference between flares and two

1809  
01:20:39,370 --> 01:20:36,290  
unknowns which is really powerful to

1810  
01:20:41,470 --> 01:20:39,380  
just see it up close because the two

1811  
01:20:42,910 --> 01:20:41,480  
unknowns are so rock-solid and equal

1812  
01:20:44,950 --> 01:20:42,920  
just information and the flares or

1813  
01:20:48,280 --> 01:20:44,960

haphazard with huge smoke trails and

1814

01:20:51,160 --> 01:20:48,290

then we have a whole section on crop

1815

01:20:53,050 --> 01:20:51,170

circles 80 beautiful amazing crop

1816

01:20:55,740 --> 01:20:53,060

circles I tried to pick the ones that

1817

01:20:58,240 --> 01:20:55,750

were the most complicated with geometric

1818

01:21:03,070 --> 01:20:58,250

formations and so forth the mathematic

1819

01:21:06,220 --> 01:21:03,080

mathematical background as well as

1820

01:21:08,500 --> 01:21:06,230

activities and we have crossword puzzles

1821

01:21:10,600 --> 01:21:08,510

and word finders and for all ages and

1822

01:21:12,400 --> 01:21:10,610

it's such a great thing and and what I

1823

01:21:14,500 --> 01:21:12,410

wanted to do is help parents and

1824

01:21:17,950 --> 01:21:14,510

grandparents to introduce this topic in

1825

01:21:20,380 --> 01:21:17,960

a very gentle informative way to their

1826

01:21:22,030 --> 01:21:20,390

children and grandchildren as well as

1827

01:21:23,620 --> 01:21:22,040

themselves because it's packed with

1828

01:21:26,080 --> 01:21:23,630

information and then we have the answers

1829

01:21:29,110 --> 01:21:26,090

as well to all these incredible

1830

01:21:32,419 --> 01:21:29,120

activities the black and white copy is

1831

01:21:35,149 --> 01:21:32,429

150 pages in the color copy is 106

1832

01:21:36,979 --> 01:21:35,159

pages and I welcome people to take a

1833

01:21:38,449 --> 01:21:36,989

peek of that because it's really amazing

1834

01:21:41,239 --> 01:21:38,459

and I'll have some of those of course

1835

01:21:43,219 --> 01:21:41,249

with the book and documentary DVD which

1836

01:21:45,319 --> 01:21:43,229

has incredible bonus features that's not

1837

01:21:48,379 --> 01:21:45,329

Edgar Mitchell is in it and in the bonus

1838

01:21:50,750 --> 01:21:48,389

feature not only is the in it in the end

1839

01:21:53,169 --> 01:21:50,760

the regular movie and he's he was being

1840

01:21:55,429 --> 01:21:53,179

contacted he was actually in real time

1841

01:21:57,500 --> 01:21:55,439

contacted while the mass sighting was

1842

01:21:59,419 --> 01:21:57,510

going on and he also talks about the

1843

01:22:01,969 --> 01:21:59,429

cover-up which I do not address in the

1844

01:22:04,609 --> 01:22:01,979

in the documentary but he does in the

1845

01:22:06,379 --> 01:22:04,619

and the bonus features plus coincidences

1846

01:22:08,719 --> 01:22:06,389

they'll going back to coincidences if I

1847

01:22:10,879 --> 01:22:08,729

could just relate this real quick there

1848

01:22:13,160 --> 01:22:10,889

were coincidences on March 13th

1849

01:22:15,169 --> 01:22:13,170

we have time for me to share that oh

1850

01:22:16,689 --> 01:22:15,179

yeah we've got that we've got all the

1851  
01:22:22,459 --> 01:22:16,699  
time in the world now you said that you

1852  
01:22:24,350 --> 01:22:22,469  
said you had now I got one more question

1853  
01:22:26,209 --> 01:22:24,360  
I really want to get in but yeah you go

1854  
01:22:28,520 --> 01:22:26,219  
for it okay well real quickly the

1855  
01:22:31,910 --> 01:22:28,530  
coincidences just on march 13th itself

1856  
01:22:34,489 --> 01:22:31,920  
or are pretty intriguing because number

1857  
01:22:36,739 --> 01:22:34,499  
one a satellite that was built in

1858  
01:22:39,859 --> 01:22:36,749  
Chandler Arizona and they reported this

1859  
01:22:41,810 --> 01:22:39,869  
to village labs at the time that is

1860  
01:22:44,089 --> 01:22:41,820  
supposed to was supposed to detect

1861  
01:22:49,489 --> 01:22:44,099  
incoming missiles went dead that night

1862  
01:22:54,049 --> 01:22:49,499  
on March 13 1997 second months later in

1863  
01:22:56,270 --> 01:22:54,059

July of 1997 in scientific America they

1864

01:22:57,739 --> 01:22:56,280

did not mention the Phoenix lights but

1865

01:23:00,229 --> 01:22:57,749

they mentioned a whole article

1866

01:23:02,870 --> 01:23:00,239

multi-page article about strange gamma

1867

01:23:06,859 --> 01:23:02,880

rays they came into our atmosphere on

1868

01:23:09,919 --> 01:23:06,869

march 13th 1997 now if you remember n

1869

01:23:12,589 --> 01:23:09,929

President Clinton Bill Clinton was down

1870

01:23:17,209 --> 01:23:12,599

in Florida was the golfer Craig Norman

1871

01:23:19,819 --> 01:23:17,219

and what was the the the buzz was that

1872

01:23:21,949 --> 01:23:19,829

he was rushed out from his house and

1873

01:23:24,500 --> 01:23:21,959

actually supposedly broke his knee and

1874

01:23:27,350 --> 01:23:24,510

there's no pictures of that to a hundred

1875

01:23:30,799 --> 01:23:27,360

words location and the fourth thing and

1876

01:23:32,839 --> 01:23:30,809

to me this is just you know speculation

1877

01:23:35,299 --> 01:23:32,849

but it was told to me by some insiders

1878

01:23:37,939 --> 01:23:35,309

that we went to DEFCON three that night

1879

01:23:40,279 --> 01:23:37,949

so these are some thorium the

1880

01:23:42,469 --> 01:23:40,289

coincidence is it happened on March 13th

1881

01:23:44,600 --> 01:23:42,479

and with that I just you know want to

1882

01:23:45,650 --> 01:23:44,610

want to share that um you know it's a

1883

01:23:47,690 --> 01:23:45,660

joy being with you

1884

01:23:51,080 --> 01:23:47,700

and I hope this has been informative and

1885

01:23:53,390 --> 01:23:51,090

there's a lot more to this well we've

1886

01:23:59,090 --> 01:23:53,400

got we got we got them warmed up for you

1887

01:24:00,650 --> 01:23:59,100

well you got a more in-depth for you one

1888

01:24:03,710 --> 01:24:00,660

question I really want to get in though

1889

01:24:05,480 --> 01:24:03,720

is we talked about pot I'm assuming this

1890

01:24:07,820 --> 01:24:05,490

is an estimate ten thousand witnesses

1891

01:24:09,680 --> 01:24:07,830

maybe twenty thousand witnesses but how

1892

01:24:12,140 --> 01:24:09,690

many people like would you estimate that

1893

01:24:14,600 --> 01:24:12,150

between you and anyone else who's a

1894

01:24:16,580 --> 01:24:14,610

compiled data on this particular case

1895

01:24:19,900 --> 01:24:16,590

how many witnesses would you say you've

1896

01:24:23,270 --> 01:24:19,910

got on record I'm not as anonymously

1897

01:24:25,430 --> 01:24:23,280

full names full details or just yeah I

1898

01:24:28,490 --> 01:24:25,440

saw it how many people you think are on

1899

01:24:31,760 --> 01:24:28,500

record as having witnessed this in one

1900

01:24:34,370 --> 01:24:31,770

way or another I know myself that I have

1901

01:24:39,820 --> 01:24:34,380

over 20 emails from 20,000 emails from

1902

01:24:45,230 --> 01:24:42,320

somebody tells me I can share and we do

1903

01:24:47,810 --> 01:24:45,240

have a share page on the website on

1904

01:24:50,000 --> 01:24:47,820

where people can you know we very

1905

01:24:52,850 --> 01:24:50,010

interesting reports that people have

1906

01:24:54,830 --> 01:24:52,860

given me permission to share and some of

1907

01:24:57,080 --> 01:24:54,840

them are from military and pilots so

1908

01:24:58,880 --> 01:24:57,090

they can get a taste and certainly in

1909

01:25:00,950 --> 01:24:58,890

the book and in the documentary itself

1910

01:25:03,470 --> 01:25:00,960

though hear from people first-hand and

1911

01:25:06,650 --> 01:25:03,480

we have military and pilots and nurses

1912

01:25:09,890 --> 01:25:06,660

and detectives and some wonderful people

1913

01:25:12,140 --> 01:25:09,900

that have shared you know their stories

1914

01:25:14,720 --> 01:25:12,150

and and it's a very heartfelt and it's

1915

01:25:17,210 --> 01:25:14,730

very detailed and it is what it is so

1916

01:25:18,920 --> 01:25:17,220

okay I'm glad I asked because I was

1917

01:25:20,690 --> 01:25:18,930

speaking well they say 10,000 that's

1918

01:25:22,790 --> 01:25:20,700

probably an estimate but they probably

1919

01:25:27,040 --> 01:25:22,800

in a big case like this they might have

1920

01:25:31,010 --> 01:25:29,360

you know received over a thousand

1921

01:25:34,190 --> 01:25:31,020

herself and and this was just at the

1922

01:25:36,320 --> 01:25:34,200

time okay and and national UFO Reporting

1923

01:25:38,660 --> 01:25:36,330

Center and they've received thousands

1924

01:25:40,250 --> 01:25:38,670

you can go on their website and see for

1925

01:25:43,400 --> 01:25:40,260

yourself where people sent them pictures

1926

01:25:46,000 --> 01:25:43,410

and drawings diagrams and so forth I

1927

01:25:49,280 --> 01:25:46,010

mean it's thousands and thousands and

1928

01:25:51,340 --> 01:25:49,290

it's mind-boggling to me when I go out

1929

01:25:53,060 --> 01:25:51,350

and about and I'm speaking about this

1930

01:25:55,980 --> 01:25:53,070

inevitably there's people in the

1931

01:25:58,350 --> 01:25:55,990

audience that also saw it they you know

1932

01:26:00,060 --> 01:25:58,360

I had met before though I mean it's and

1933

01:26:02,040 --> 01:26:00,070

certainly every year we have our

1934

01:26:04,320 --> 01:26:02,050

sold-out event at Scottsdale Harkins a

1935

01:26:07,080 --> 01:26:04,330

theater around the anniversary time that

1936

01:26:08,940 --> 01:26:07,090

you know I asked and and there's

1937

01:26:12,060 --> 01:26:08,950

thousands and thousands of people alone

1938

01:26:15,960 --> 01:26:12,070

that I through through the years doing

1939

01:26:19,200 --> 01:26:15,970

this since 2005 they have told me their

1940

01:26:21,060 --> 01:26:19,210

stories so personally so you know we're

1941

01:26:23,220 --> 01:26:21,070

talking I mean at least 10,000 people

1942

01:26:25,050 --> 01:26:23,230

yeah yeah I didn't like I said I thought

1943

01:26:27,000 --> 01:26:25,060

that was maybe an estimate and there may

1944

01:26:30,870 --> 01:26:27,010

be a few hundred that have actually

1945

01:26:32,280 --> 01:26:30,880

provided some detailed account but yeah

1946

01:26:34,200 --> 01:26:32,290

I didn't realize the number was that big

1947

01:26:36,540 --> 01:26:34,210

that's amazing that's really amazing

1948

01:26:40,050 --> 01:26:36,550

yes it is it is that's why I cannot be

1949

01:26:42,690 --> 01:26:40,060

denied or or explain to this day and you

1950

01:26:46,560 --> 01:26:42,700

know I hope one day we do find out you

1951

01:26:48,420 --> 01:26:46,570

know who is behind it and I'm open to

1952

01:26:50,760 --> 01:26:48,430

any logical explanation but there is yet

1953

01:26:53,640 --> 01:26:50,770

to be one putting it in a dr. lee

1954

01:26:56,970 --> 01:26:53,650

context that they did no harm well

1955

01:26:59,610 --> 01:26:56,980

that's one of the important things for

1956

01:27:02,550 --> 01:26:59,620

me to come forward to share with people

1957

01:27:05,070 --> 01:27:02,560

because as I said we're so inundated

1958

01:27:08,630 --> 01:27:05,080

with fear fear fear and threat with

1959

01:27:11,880 --> 01:27:08,640

Hollywood and and you know the media

1960

01:27:13,170 --> 01:27:11,890

that you know how are people supposed to

1961

01:27:15,900 --> 01:27:13,180

react when they see something so unusual

1962

01:27:18,720 --> 01:27:15,910

so hopefully and again I'm just I don't

1963

01:27:19,950 --> 01:27:18,730

know what else is out there I'm focusing

1964

01:27:20,970 --> 01:27:19,960

on the Phoenix lights phenomena itself

1965

01:27:23,910 --> 01:27:20,980

and I can tell you from firsthand

1966

01:27:27,180 --> 01:27:23,920

knowledge it has been nothing but a joy

1967

01:27:29,490 --> 01:27:27,190

and awesome and inspiring and just

1968

01:27:31,080 --> 01:27:29,500

amazing my entire journey and of course

1969

01:27:33,210 --> 01:27:31,090

there are some people out there that

1970

01:27:35,160 --> 01:27:33,220

can't deal with it don't want to deal

1971

01:27:38,310 --> 01:27:35,170

with it or want to discredit and that's

1972

01:27:39,450 --> 01:27:38,320

that's you know very very sad that you

1973

01:27:41,340 --> 01:27:39,460

know people want to discredit the

1974

01:27:43,200 --> 01:27:41,350

messenger so they won't listen to the

1975

01:27:44,610 --> 01:27:43,210

message so I appreciate that you're

1976

01:27:47,070 --> 01:27:44,620

letting me share the message and I hope

1977

01:27:50,280 --> 01:27:47,080

people seek out the the website which is

1978

01:27:53,490 --> 01:27:50,290

totally free and packed with information

1979

01:27:55,710 --> 01:27:53,500

as well as the book and in fact the

1980

01:27:57,510 --> 01:27:55,720

Kindle version the latest edition which

1981

01:27:59,190 --> 01:27:57,520

I share another picture which is mind

1982

01:28:02,280 --> 01:27:59,200

boggling which actually and I won't ruin

1983

01:28:06,650 --> 01:28:02,290

it I will not spoil a or which actually

1984

01:28:09,660 --> 01:28:06,660

prompted me put the tail you know the

1985

01:28:14,400 --> 01:28:09,670

icing on the cake to prompt me

1986

01:28:16,950 --> 01:28:14,410

to come forward in 2004 so I finally put

1987

01:28:18,930 --> 01:28:16,960

it in the latest version of the book the

1988

01:28:21,750 --> 01:28:18,940

third edition and the Kindle version by

1989

01:28:24,450 --> 01:28:21,760

the way has colored pictures it also has

1990

01:28:25,890 --> 01:28:24,460

links so people you know I tried to put

1991

01:28:29,400 --> 01:28:25,900

links throughout the book so people can

1992

01:28:33,990 --> 01:28:29,410

explore other options and and it's only

1993

01:28:37,169 --> 01:28:34,000

\$9.99 on Amazon so I really tried to

1994

01:28:39,750 --> 01:28:37,179

keep it at a very reasonable price on

1995

01:28:42,720 --> 01:28:39,760

the documentary right now it's not only

1996

01:28:46,620 --> 01:28:42,730

the DVD is offered with incredible bonus

1997

01:28:49,500 --> 01:28:46,630

features we have a 93 year young french

1998

01:28:52,320 --> 01:28:49,510

pilot who was actually a witness to the

1999

01:28:55,979 --> 01:28:52,330

Foo Fighters and he in World War 2 and

2000

01:28:57,540 --> 01:28:55,989

he tells his story and how he tried to

2001

01:28:59,459 --> 01:28:57,550

report it and what happened to him when

2002

01:29:02,939 --> 01:28:59,469

he tried to report it very interesting

2003

01:29:04,979 --> 01:29:02,949

as well as a pilot a commercial pilot

2004

01:29:07,650 --> 01:29:04,989

Vietnam pilot who was right underneath

2005

01:29:10,350 --> 01:29:07,660

one of these craft and looked into one

2006

01:29:11,970 --> 01:29:10,360

of the wells canisters as he called it

2007

01:29:14,040 --> 01:29:11,980

and talks about how it could never be

2008

01:29:16,080 --> 01:29:14,050

flares and and lots more and the

2009

01:29:18,450 --> 01:29:16,090

coincidences and lots more in the bonus

2010

01:29:21,600 --> 01:29:18,460

features but we also have it offered if

2011

01:29:25,620 --> 01:29:21,610

you have Amazon Prime for free and and

2012

01:29:27,810 --> 01:29:25,630

at a very you know minimal rate if you

2013

01:29:30,090 --> 01:29:27,820

don't have Amazon Prime so you know

2014

01:29:34,410 --> 01:29:30,100

people can can take a look at it and

2015

01:29:36,810 --> 01:29:34,420

decide for themselves and you're gonna

2016

01:29:38,669 --> 01:29:36,820

be in Cherry Hill New Jersey towards the

2017

01:29:40,229 --> 01:29:38,679

end the next month I think there's a

2018

01:29:45,300 --> 01:29:40,239

very good likelihood I'm gonna be there

2019

01:29:47,310 --> 01:29:45,310

myself yeah I think so I think so I hope

2020

01:29:49,800 --> 01:29:47,320

so I hope we finally get to meet fry

2021

01:29:52,080 --> 01:29:49,810

because they're on Facebook for some

2022

01:29:54,060 --> 01:29:52,090

years and you know I I remember I

2023

01:29:55,709 --> 01:29:54,070

remember one of our first exchanges I

2024

01:29:57,870 --> 01:29:55,719

don't know if you do or not but I kept

2025

01:30:00,810 --> 01:29:57,880

telling you just hang in there because

2026

01:30:02,430 --> 01:30:00,820

this stuff that I find is old stuff

2027

01:30:04,200 --> 01:30:02,440

generally the really interesting stuff

2028

01:30:04,950 --> 01:30:04,210

it's old stuff it's been floating around

2029

01:30:07,350 --> 01:30:04,960

for years

2030

01:30:09,510 --> 01:30:07,360

nobody really found it and made a big

2031

01:30:11,910 --> 01:30:09,520

deal about it and that's kind of where I

2032

01:30:13,680 --> 01:30:11,920

had some early success researching all

2033

01:30:15,959 --> 01:30:13,690

this stuff and I remember telling you

2034

01:30:17,910 --> 01:30:15,969

dr. Lynn you just hang in there because

2035

01:30:20,130 --> 01:30:17,920

more is going to be coming your way I

2036

01:30:22,410 --> 01:30:20,140

don't know in what form or what it's

2037

01:30:23,010 --> 01:30:22,420

going to be but that's the way it goes

2038

01:30:25,200 --> 01:30:23,020

in this

2039

01:30:27,150 --> 01:30:25,210

crazy UFO business it doesn't all come

2040

01:30:29,670 --> 01:30:27,160

out at once it comes out in drips and

2041

01:30:33,510 --> 01:30:29,680

drops sometimes over a period of years

2042

01:30:34,560 --> 01:30:33,520

and even decades you're absolutely

2043

01:30:37,710 --> 01:30:34,570

absolutely

2044

01:30:41,040 --> 01:30:37,720

in fact books in the third print the

2045

01:30:43,410 --> 01:30:41,050

video is a third version and now we have

2046

01:30:46,710 --> 01:30:43,420

the graphic novel activities coloring

2047

01:30:49,800 --> 01:30:46,720

book and with each you know new version

2048

01:30:51,990 --> 01:30:49,810

or addition there is every time there's

2049

01:30:54,030 --> 01:30:52,000

new information we're just learning that

2050

01:30:56,970 --> 01:30:54,040

the ingredients of life are out there

2051  
01:30:58,830 --> 01:30:56,980  
whether it's amino acids or oxygen and

2052  
01:31:02,010 --> 01:30:58,840  
hydrogen and so forth I mean we're made

2053  
01:31:04,560 --> 01:31:02,020  
of Stardust when a star bursts these

2054  
01:31:06,750 --> 01:31:04,570  
these organic materials are sent all

2055  
01:31:10,260 --> 01:31:06,760  
over the universe and you know it's just

2056  
01:31:13,650 --> 01:31:10,270  
to think that there is no other life out

2057  
01:31:16,440 --> 01:31:13,660  
there essentially out there is is really

2058  
01:31:18,810 --> 01:31:16,450  
limiting our mind and the possibility so

2059  
01:31:20,520 --> 01:31:18,820  
you know all I can say is that you know

2060  
01:31:22,980 --> 01:31:20,530  
the Phoenix lights is what it is it has

2061  
01:31:24,810 --> 01:31:22,990  
evolved as you said new information

2062  
01:31:26,100 --> 01:31:24,820  
keeps coming forward you know some

2063  
01:31:27,690 --> 01:31:26,110

people say oh it's such old news well

2064

01:31:30,210 --> 01:31:27,700

you know what it's not old news at all

2065

01:31:34,890 --> 01:31:30,220

those new news coming forward like Kurt

2066

01:31:36,860 --> 01:31:34,900

Russell or like coming forward you know

2067

01:31:40,140 --> 01:31:36,870

in the New York Times

2068

01:31:42,600 --> 01:31:40,150

admitting that there has been a 22

2069

01:31:45,480 --> 01:31:42,610

million dollar study headed by you know

2070

01:31:47,280 --> 01:31:45,490

Henry Reid at the Pentagon for pilot and

2071

01:31:49,710 --> 01:31:47,290

military and that's all they're

2072

01:31:52,620 --> 01:31:49,720

admitting though it's probably a lot

2073

01:31:54,990 --> 01:31:52,630

more for many many many decades new

2074

01:31:57,000 --> 01:31:55,000

material comes out all the time and I

2075

01:31:59,670 --> 01:31:57,010

you know I try to keep up with it in

2076

01:32:02,880 --> 01:31:59,680

fact on the website and then the Phoenix

2077

01:32:06,200 --> 01:32:02,890

lights Network page on Facebook I by the

2078

01:32:10,170 --> 01:32:06,210

way took what he feels was a benevolent

2079

01:32:13,440 --> 01:32:10,180

contact and made it scary but he'll be

2080

01:32:15,140 --> 01:32:13,450

speaking also in showing his storm at

2081

01:32:18,150 --> 01:32:15,150

the MUFON international symposium on

2082

01:32:22,560 --> 01:32:18,160

Friday and Saturday the 27th 28th of

2083

01:32:24,750 --> 01:32:22,570

July so for free as Y so I hope that

2084

01:32:27,150 --> 01:32:24,760

many people in the area will come visit

2085

01:32:28,740 --> 01:32:27,160

us and hear the rest of the story

2086

01:32:31,170 --> 01:32:28,750

because there are a lot more that I

2087

01:32:33,590 --> 01:32:31,180

could get into but I'll let people enjoy

2088

01:32:35,970 --> 01:32:33,600

it for themselves in the documentary and

2089

01:32:36,880 --> 01:32:35,980

hopefully come and visit us and I hope

2090

01:32:39,670 --> 01:32:36,890

to meet you too

2091

01:32:41,050 --> 01:32:39,680

yeah yeah 95 I would say 95 plus percent

2092

01:32:45,640 --> 01:32:41,060

chance I'm gonna be there

2093

01:32:48,580 --> 01:32:45,650

excellent I really appreciate your time

2094

01:32:51,790 --> 01:32:48,590

and and again people can contact me

2095

01:32:53,560 --> 01:32:51,800

either via the the website contact is a

2096

01:32:56,380 --> 01:32:53,570

link right at the top of the page or

2097

01:32:58,270 --> 01:32:56,390

through Facebook because I love to hear

2098

01:33:02,890 --> 01:32:58,280

from people and hear their stories and

2099

01:33:05,710 --> 01:33:02,900

I'm there for them yeah you know to let

2100

01:33:09,910 --> 01:33:05,720

them know that we're not alone and and I

2101  
01:33:12,190 --> 01:33:09,920  
urge people also again the unexplained

2102  
01:33:14,410 --> 01:33:12,200  
phenomenon up to keep looking up the

2103  
01:33:16,450 --> 01:33:14,420  
double undone we're doing we do for a

2104  
01:33:18,400 --> 01:33:16,460  
once a decade a case like this comes

2105  
01:33:20,620 --> 01:33:18,410  
along and we're due for another one

2106  
01:33:22,660 --> 01:33:20,630  
well actually this has been Hale the

2107  
01:33:26,680 --> 01:33:22,670  
Phoenix place has been held now globally

2108  
01:33:29,350 --> 01:33:26,690  
as the most witnessed most documented

2109  
01:33:32,920 --> 01:33:29,360  
and most important mass anomalous aerial

2110  
01:33:36,130 --> 01:33:32,930  
survey ting in modern history yep yep

2111  
01:33:38,650 --> 01:33:36,140  
yep it got got Phoenix pretty worked up

2112  
01:33:41,830 --> 01:33:38,660  
I yeah I can't think of another case

2113  
01:33:44,200 --> 01:33:41,840

that got a community as large as Phoenix

2114

01:33:46,450 --> 01:33:44,210

so yeah wait absolutely makes sense that

2115

01:33:48,190 --> 01:33:46,460

it's not just Phoenix it's Arizona and

2116

01:33:49,750 --> 01:33:48,200

by the way I should mention too that it

2117

01:33:52,570 --> 01:33:49,760

wasn't just Arizona as I mentioned

2118

01:33:55,000 --> 01:33:52,580

earlier it was New Mexico California and

2119

01:33:58,360 --> 01:33:55,010

Nevada also we're seeing the same exact

2120

01:34:00,280 --> 01:33:58,370

phenomena over that doesn't our period

2121

01:34:02,980 --> 01:34:00,290

on March 13th that we were seeing

2122

01:34:05,500 --> 01:34:02,990

throughout Arizona so it's much more

2123

01:34:07,840 --> 01:34:05,510

far-reaching and yeah there's a lot more

2124

01:34:09,610 --> 01:34:07,850

you know intricate details in the book

2125

01:34:11,980 --> 01:34:09,620

that I hope people will search out

2126

01:34:13,750 --> 01:34:11,990

absolutely yeah yeah we we covered a lot

2127

01:34:14,470 --> 01:34:13,760

of ground but I I know that we didn't

2128

01:34:17,200 --> 01:34:14,480

cover at all

2129

01:34:18,820 --> 01:34:17,210

so Dr Lin I think a very good chance

2130

01:34:21,460 --> 01:34:18,830

I'll be seeing you and about a month or

2131

01:34:25,660 --> 01:34:21,470

so over in Cherry Hill thanks for

2132

01:34:27,940 --> 01:34:25,670

joining us it was fantastic this is the

2133

01:34:29,670 --> 01:34:27,950

first time I've really we've had the

2134

01:34:32,500 --> 01:34:29,680

chance to have somebody on to talk about

2135

01:34:34,740 --> 01:34:32,510

one of these more modern cases who was

2136

01:34:37,660 --> 01:34:34,750

involved directly witnessed yourself

2137

01:34:39,730 --> 01:34:37,670

thanks for coming on we got more we got

2138

01:34:41,170 --> 01:34:39,740

more coming up like this I think John

2139

01:34:43,900 --> 01:34:41,180

Burroughs is gonna do our show next

2140

01:34:45,700 --> 01:34:43,910

month that that's going to be good yeah

2141

01:34:47,110 --> 01:34:45,710

these these cases are interesting in

2142

01:34:49,960 --> 01:34:47,120

that like I was telling you before we

2143

01:34:51,090 --> 01:34:49,970

went on their cases because you guys are

2144

01:34:53,110 --> 01:34:51,100

still out there you

2145

01:34:55,240 --> 01:34:53,120

finding stuff out and you're doing the

2146

01:34:57,070 --> 01:34:55,250

research so I kind of lay off looking at

2147

01:34:59,140 --> 01:34:57,080

them too closely but I've learned a lot

2148

01:35:02,020 --> 01:34:59,150

today thank you so very much for coming

2149

01:35:05,530 --> 01:35:02,030

on well thank you for having me on and

2150

01:35:06,970 --> 01:35:05,540

and keep looking up you know there's

2151

01:35:09,720 --> 01:35:06,980

there's many things happening out there

2152

01:35:12,430 --> 01:35:09,730

with an open mind and an open heart and

2153

01:35:20,470 --> 01:35:12,440

thank you again for letting me share not

2154

01:35:23,229 --> 01:35:20,480

a problem you have a great day and what

2155

01:35:26,590 --> 01:35:23,239

I am going to do now is there is a video

2156

01:35:28,560 --> 01:35:26,600

at the Phoenix lights website that I'm

2157

01:35:31,930 --> 01:35:28,570

gonna play goes into some detail about

2158

01:35:35,080 --> 01:35:31,940

how how the site is kind of laid out

2159

01:35:37,270 --> 01:35:35,090

they're mapped the trajectory a lot of

2160

01:35:40,000 --> 01:35:37,280

detail so I'm gonna run that now we'll

2161

01:35:41,290 --> 01:35:40,010

be done now when that video closes down

2162

01:35:44,439 --> 01:35:41,300

I'm going to shut down the livestream

2163

01:35:48,189 --> 01:35:44,449

but I'm gonna play that now and enjoy it

2164

01:35:50,350 --> 01:35:48,199

I think it's a lace things out visually

2165

01:35:57,580 --> 01:35:50,360

as well as just with some narration so

2166

01:37:36,709 --> 01:36:15,540

[Music]

2167

01:37:40,099 --> 01:37:36,719

fighter jets approached aptitude test

2168

01:37:42,259 --> 01:37:40,109

the odd degree then proceeded towards

2169

01:38:11,949 --> 01:37:42,269

the South Mountain this is second round

2170

01:38:23,689 --> 01:38:17,869

sweep was seen at an altitude of

2171

01:38:26,659 --> 01:38:23,699

approximately 1500 feet 300 feet away we

2172

01:38:29,299 --> 01:38:26,669

recorded as divided from the hood and it

2173

01:38:32,179 --> 01:38:29,309

appeared decent return there were before

2174

01:38:33,040 --> 01:38:32,189

our eyes on the leading edges and have

2175

01:38:37,010 --> 01:38:33,050

revenue

2176

01:38:42,290 --> 01:38:37,020

object the object was to destroy the

2177

01:38:47,350 --> 01:38:42,300

witch this is my I wanted someone else

2178

2180

01:39:07,250 --> 01:38:57,390

it is believed this is a particular

2181

01:39:09,740 --> 01:39:07,260

object to the south another view a lot

2182

01:39:12,950 --> 01:39:09,750

of trial estimated to be around 25 an

2183

01:39:15,260 --> 01:39:12,960
