

**JOHN BURROUGHS ON: WHAT
YOU DON'T KNOW ABOUT THE
RENDLESHAM CASE . . .
WHAT'S GOING ON IN THE
FIELD TODAY . . .**

1
00:00:22,010 --> 00:00:03,260
now and you then you'll hear me do the

2
00:01:09,300 --> 00:00:34,480
[Music]

3
00:01:12,090 --> 00:01:09,310
and good morning from Philadelphia Frank

4
00:01:14,880 --> 00:01:12,100
here and today we've got a very special

5
00:01:17,250 --> 00:01:14,890
guest and what are the people in the UFO

6
00:01:19,080 --> 00:01:17,260
field I'm a really big fan of I'm a

7
00:01:20,550 --> 00:01:19,090
really big fan of John Burroughs and

8
00:01:22,730 --> 00:01:20,560
he's with us today

9
00:01:25,320 --> 00:01:22,740
good morning John how you doing today

10
00:01:27,810 --> 00:01:25,330
doing great Frank thanks for having me

11
00:01:31,770 --> 00:01:27,820
on absolutely this is really my pleasure

12
00:01:34,980 --> 00:01:31,780
because I've seen John obviously going

13
00:01:37,200 --> 00:01:34,990

back years and years and years I've had

14

00:01:39,600 --> 00:01:37,210

the opportunity to to get to correspond

15

00:01:41,310 --> 00:01:39,610

with them and I get them get to know him

16

00:01:43,770 --> 00:01:41,320

a little bit as best as you can know

17

00:01:46,350 --> 00:01:43,780

somebody through corresponding guy on

18

00:01:47,880 --> 00:01:46,360

line and all that and I'm just a big fan

19

00:01:50,130 --> 00:01:47,890

of John's and I'm really pleased

20

00:01:52,770 --> 00:01:50,140

especially pleased on a personal level

21

00:01:55,530 --> 00:01:52,780

to have him on here today so right let's

22

00:01:58,590 --> 00:01:55,540

say what's not let's not wait around and

23

00:02:01,140 --> 00:01:58,600

beat around the bush John obviously you

24

00:02:04,560 --> 00:02:01,150

were a prime witness in the very famous

25

00:02:07,800 --> 00:02:04,570

Rendlesham case going back to 1980

26

00:02:10,350 --> 00:02:07,810

that's that's what got you into all this

27

00:02:13,860 --> 00:02:10,360

in the first place and going back and

28

00:02:15,780 --> 00:02:13,870

forth it's been a famous case pretty

29

00:02:17,970 --> 00:02:15,790

much from the get-go hasn't it I mean

30

00:02:19,140 --> 00:02:17,980

not long after it happened words seeped

31

00:02:20,850 --> 00:02:19,150

out and it was getting some press

32

00:02:24,570 --> 00:02:20,860

coverage pretty much right away it

33

00:02:27,479 --> 00:02:24,580

wasn't that the case well I mean it did

34

00:02:30,330 --> 00:02:27,489

get leaked out I mean the the whole

35

00:02:31,979 --> 00:02:30,340

concept behind it was when we were

36

00:02:33,780 --> 00:02:31,989

involved with it when it first happened

37

00:02:38,130 --> 00:02:33,790

we were told it was going to be kept

38

00:02:40,140 --> 00:02:38,140

quiet and then they were able to get why

39

00:02:42,390 --> 00:02:40,150

they there was groups of people that

40

00:02:44,479 --> 00:02:42,400

found out about it early on the first

41

00:02:46,979 --> 00:02:44,489

group was three women in the UK actually

42

00:02:49,350 --> 00:02:46,989

one then the second one was brought in

43

00:02:51,210 --> 00:02:49,360

and the third one and they got some

44

00:02:53,729 --> 00:02:51,220

information about it right after it

45

00:02:57,720 --> 00:02:53,739

happened and they started digging and

46

00:02:59,729 --> 00:02:57,730

they were getting stonewalled so as it

47

00:03:02,520 --> 00:02:59,739

went along some people in the United

48

00:03:05,970 --> 00:03:02,530

States got involved and they were able

49

00:03:07,560 --> 00:03:05,980

to get this memo and the memo confirmed

50

00:03:10,500 --> 00:03:07,570

everything that both the British the

51
00:03:12,160 --> 00:03:10,510
American government were denying that

52
00:03:13,750 --> 00:03:12,170
something did happen and in

53
00:03:17,589 --> 00:03:13,760
up in a newspaper called news of the

54
00:03:19,540 --> 00:03:17,599
world and from that point on all of our

55
00:03:21,100 --> 00:03:19,550
lives changed because we started getting

56
00:03:23,800 --> 00:03:21,110
hunted down one by one

57
00:03:25,720 --> 00:03:23,810
and people started asking us what

58
00:03:28,750 --> 00:03:25,730
happened what went on and that's how the

59
00:03:31,150 --> 00:03:28,760
story started and I mean it really if it

60
00:03:32,470 --> 00:03:31,160
would have been kept quiet I mean I

61
00:03:35,860 --> 00:03:32,480
wouldn't be involved in any of this

62
00:03:37,660 --> 00:03:35,870
today so you would have just put it

63
00:03:39,910 --> 00:03:37,670

behind you and just moved on and not

64

00:03:42,100 --> 00:03:39,920

really worried about it well I mean it's

65

00:03:44,890 --> 00:03:42,110

a mess I mean it's been a mess from

66

00:03:47,830 --> 00:03:44,900

since the moment it saw the light of day

67

00:03:50,789 --> 00:03:47,840

it started out with the colonel who

68

00:03:54,100 --> 00:03:50,799

wrote the memo wasn't honest about oh

69

00:03:55,570 --> 00:03:54,110

whoa let me put it this way the memo was

70

00:03:57,550 --> 00:03:55,580

never supposed to see the light of day

71

00:03:59,680 --> 00:03:57,560

which is what you hear so much about

72

00:04:01,240 --> 00:03:59,690

when documents do get released on

73

00:04:03,520 --> 00:04:01,250

different things in different incidents

74

00:04:04,809 --> 00:04:03,530

this memo was an internal memo that was

75

00:04:07,780 --> 00:04:04,819

never supposed to see the light of day

76

00:04:09,370 --> 00:04:07,790

well if you look at the memo the memo is

77

00:04:11,860 --> 00:04:09,380

not factual it doesn't have the right

78

00:04:15,220 --> 00:04:11,870

dates times and everything else in it so

79

00:04:17,500 --> 00:04:15,230

the colonel himself lied is the cover

80

00:04:20,050 --> 00:04:17,510

story is is that he wrote a memo to give

81

00:04:22,240 --> 00:04:20,060

to the mod-2 explain what went on and

82

00:04:24,370 --> 00:04:22,250

this was his memo that he gave to them

83

00:04:27,460 --> 00:04:24,380

and he lied to the mo D that's the only

84

00:04:29,890 --> 00:04:27,470

way you can look at it unless the memo

85

00:04:31,300 --> 00:04:29,900

was just a cya that was done because the

86

00:04:33,430 --> 00:04:31,310

mo D had already been briefed and they

87

00:04:35,890 --> 00:04:33,440

wanted to have a memo ready in case

88

00:04:37,480 --> 00:04:35,900

things got too hot and then the cover

89

00:04:40,029 --> 00:04:37,490

story would be well we give it to the mo

90

00:04:41,529 --> 00:04:40,039

D and the CI Modi's problem and the mo D

91

00:04:43,900 --> 00:04:41,539

says no it's an American problem which

92

00:04:46,270 --> 00:04:43,910

is what they did and then oops the memo

93

00:04:48,190 --> 00:04:46,280

that sees the light of day just totally

94

00:04:49,570 --> 00:04:48,200

distorts what went on in the dates times

95

00:04:52,420 --> 00:04:49,580

and everything else which is what

96

00:04:54,610 --> 00:04:52,430

happened so from the get-go the colonel

97

00:04:57,279 --> 00:04:54,620

the lieutenant colonel at the time he

98

00:04:59,290 --> 00:04:57,289

ended up retiring as a colonel I wasn't

99

00:05:01,750 --> 00:04:59,300

truthful about what took place and what

100

00:05:04,900 --> 00:05:01,760

I mean by triple is what was released to

101
00:05:07,420 --> 00:05:04,910
the public so I have no idea what went

102
00:05:10,140 --> 00:05:07,430
on internally both public wise what was

103
00:05:12,520 --> 00:05:10,150
released about the case wasn't true so

104
00:05:14,110 --> 00:05:12,530
okay what the what said the time frame

105
00:05:16,719 --> 00:05:14,120
is this within a matter of weeks or

106
00:05:18,370 --> 00:05:16,729
months or well well that's the whole

107
00:05:19,810 --> 00:05:18,380
thing with the memo his cover story was

108
00:05:23,380 --> 00:05:19,820
at first he's stuck with the dates and

109
00:05:25,990 --> 00:05:23,390
times but then what happened was a lot

110
00:05:28,330 --> 00:05:26,000
of people start looking at this case

111
00:05:30,580 --> 00:05:28,340
and they started uncovering other

112
00:05:34,390 --> 00:05:30,590
documents and one of the first things

113
00:05:36,400 --> 00:05:34,400

that caused the his credibility to start

114

00:05:38,110 --> 00:05:36,410

to be questioned was that they found

115

00:05:40,420 --> 00:05:38,120

Bernie's police logs and the bridge

116

00:05:42,250 --> 00:05:40,430

police logs showed different dates than

117

00:05:45,370 --> 00:05:42,260

what the memo did okay

118

00:05:47,650 --> 00:05:45,380

but along the way as soon as I saw the

119

00:05:49,690 --> 00:05:47,660

memo and was asked about it I said it's

120

00:05:51,820 --> 00:05:49,700

not factual it's not factual in a lot of

121

00:05:54,460 --> 00:05:51,830

different ways and of course I got this

122

00:05:55,990 --> 00:05:54,470

I'm lying I'm covering it up on this and

123

00:05:58,780 --> 00:05:56,000

then I said well no this is the dates

124

00:06:00,430 --> 00:05:58,790

and times so people start digging and

125

00:06:04,570 --> 00:06:00,440

they started finding pieces of evidence

126

00:06:06,580 --> 00:06:04,580

that showed that um that yeah I was

127

00:06:10,780 --> 00:06:06,590

right and the memo was wrong for

128

00:06:12,730 --> 00:06:10,790

whatever reason okay so it got exposed

129

00:06:15,670 --> 00:06:12,740

and and then one of the more interesting

130

00:06:18,310 --> 00:06:15,680

pieces of document is one of the more

131

00:06:20,620 --> 00:06:18,320

interesting pieces that was released in

132

00:06:23,170 --> 00:06:20,630

in and this is another story it's been

133

00:06:26,110 --> 00:06:23,180

blown up and twisted and it's not

134

00:06:28,480 --> 00:06:26,120

factual was that awesome of our

135

00:06:31,719 --> 00:06:28,490

statements eventually serviced well you

136

00:06:33,940 --> 00:06:31,729

know this guy some ufologist in the UK

137

00:06:36,040 --> 00:06:33,950

who got proven out to be later to be a

138

00:06:38,800 --> 00:06:36,050

liar supposedly was the one that got

139

00:06:41,800 --> 00:06:38,810

them actually the statements were

140

00:06:44,020 --> 00:06:41,810

released originally from Hall to me and

141

00:06:45,690 --> 00:06:44,030

do a couple other guys that were

142

00:06:48,040 --> 00:06:45,700

interested in the case or even

143

00:06:49,840 --> 00:06:48,050

interested in maybe doing a book with

144

00:06:52,210 --> 00:06:49,850

Colonel halt night and then Penniston

145

00:06:54,610 --> 00:06:52,220

was going to be involved and we were on

146

00:06:56,560 --> 00:06:54,620

the set of unsolved mysteries and we're

147

00:06:58,659 --> 00:06:56,570

talking about this stuff and the guy

148

00:07:00,880 --> 00:06:58,669

that was was there with me or his name

149

00:07:02,620 --> 00:07:00,890

is Ben Jameson he's done he did more

150

00:07:04,060 --> 00:07:02,630

work I don't even know if he's still

151
00:07:06,219 --> 00:07:04,070
alive anymore he was older at the time

152
00:07:09,280 --> 00:07:06,229
anyway but he did more work on

153
00:07:11,440 --> 00:07:09,290
Bentwaters than most and so we're

154
00:07:14,650 --> 00:07:11,450
standing there on a break on a night

155
00:07:16,570 --> 00:07:14,660
film and we start talking and Ben being

156
00:07:19,570 --> 00:07:16,580
bet and just ask all about well there

157
00:07:21,430 --> 00:07:19,580
seems to be discrepancies in the dates

158
00:07:23,200 --> 00:07:21,440
and times and all this other stuff and

159
00:07:25,450 --> 00:07:23,210
John has pointed this in this I would

160
00:07:27,490 --> 00:07:25,460
say you colonel and the colonel said

161
00:07:31,450 --> 00:07:27,500
hold on and he pulls out these

162
00:07:33,370 --> 00:07:31,460
statements out of the out of his

163
00:07:35,290 --> 00:07:33,380

briefcase that he had with him like a

164

00:07:38,650 --> 00:07:35,300

little yeah actually had a regular

165

00:07:39,340 --> 00:07:38,660

briefcase at the time with him and so he

166

00:07:41,410 --> 00:07:39,350

hands him

167

00:07:43,000 --> 00:07:41,420

out and they start reading everybody

168

00:07:45,970 --> 00:07:43,010

starts reading them and all of a sudden

169

00:07:47,890 --> 00:07:45,980

been I didn't I was looking through them

170

00:07:50,410 --> 00:07:47,900

and I there was several of them so I

171

00:07:51,760 --> 00:07:50,420

hadn't gotten to mine yet and been his

172

00:07:54,040 --> 00:07:51,770

eyes got real big because he's looking

173

00:07:57,100 --> 00:07:54,050

at mine first and he said holy crap

174

00:08:00,550 --> 00:07:57,110

it says zero three hundred on 26

175

00:08:02,920 --> 00:08:00,560

December and he looks at me and and in

176

00:08:05,010 --> 00:08:02,930

bed it had doubts about me too and looks

177

00:08:07,930 --> 00:08:05,020

at Colonel halt he says Colonel halt

178

00:08:09,760 --> 00:08:07,940

your memo said a different date and time

179

00:08:13,570 --> 00:08:09,770

how can you explain that now and he says

180

00:08:15,100 --> 00:08:13,580

oh I must have made an error you know it

181

00:08:16,870 --> 00:08:15,110

was just an error and oversight on my

182

00:08:19,870 --> 00:08:16,880

part on what the real dates at times

183

00:08:22,150 --> 00:08:19,880

were gone when I wrote him and I said

184

00:08:23,980 --> 00:08:22,160

well excuse me colonel but according to

185

00:08:25,900 --> 00:08:23,990

what you've told some people is that you

186

00:08:28,240 --> 00:08:25,910

took the actual rule reports and these

187

00:08:29,560 --> 00:08:28,250

statements here and used it well if you

188

00:08:31,990 --> 00:08:29,570

did how could you

189

00:08:34,270 --> 00:08:32,000

misconstrue the dates and times and he

190

00:08:36,370 --> 00:08:34,280

didn't want to answer it he just never

191

00:08:39,550 --> 00:08:36,380

gave a straight and satisfactory answer

192

00:08:41,350 --> 00:08:39,560

and how he originally he gave the wrong

193

00:08:46,750 --> 00:08:41,360

dates in this memo that saw the public

194

00:08:48,790 --> 00:08:46,760

eye guy so he he he immediately was a

195

00:08:52,420 --> 00:08:48,800

part of some kind of cover-up as well I

196

00:08:54,400 --> 00:08:52,430

guess my point okay now you mentioned

197

00:08:56,230 --> 00:08:54,410

that this was part of your doing there

198

00:08:59,410 --> 00:08:56,240

the unsolved mystery show and I think

199

00:09:01,540 --> 00:08:59,420

that was my first exposure to this case

200

00:09:03,910 --> 00:09:01,550

that was that was not a media well that

201

00:09:06,160 --> 00:09:03,920

was a couple years three years four

202

00:09:09,040 --> 00:09:06,170

years after the actual incident I don't

203

00:09:10,840 --> 00:09:09,050

have the exact day a year but it was in

204

00:09:12,790 --> 00:09:10,850

the early 90s oh really ninety so

205

00:09:15,250 --> 00:09:12,800

several years after yeah it was yeah was

206

00:09:16,300 --> 00:09:15,260

that it was after Colonel Hall a matter

207

00:09:18,670 --> 00:09:16,310

of fact that what I think it have been

208

00:09:21,460 --> 00:09:18,680

about 92 ok then because Colonel Hall

209

00:09:25,930 --> 00:09:21,470

had just retired and he had just retired

210

00:09:30,940 --> 00:09:25,940

from active duty and and that was the

211

00:09:32,890 --> 00:09:30,950

first one he public appeared on ok but

212

00:09:36,700 --> 00:09:32,900

you had done some other things before

213

00:09:39,100 --> 00:09:36,710

that is why yourself or I mean back then

214

00:09:41,980 --> 00:09:39,110

I mean there wasn't like there is today

215

00:09:45,370 --> 00:09:41,990

where you've got 20 different networks

216

00:09:47,230 --> 00:09:45,380

covering UFOs and stuff um and somebody

217

00:09:49,540 --> 00:09:47,240

could prove me wrong maybe but because

218

00:09:51,130 --> 00:09:49,550

you know I'm not trying to be like some

219

00:09:53,090 --> 00:09:51,140

people and say well I've done so many I

220

00:09:54,860 --> 00:09:53,100

can't remember every detail but

221

00:09:56,900 --> 00:09:54,870

I don't think I'd done anything like

222

00:09:59,780 --> 00:09:56,910

that prior I think that was really the

223

00:10:01,190 --> 00:09:59,790

first one I had done and I think matter

224

00:10:04,160 --> 00:10:01,200

of fact I was the first one that really

225

00:10:06,620 --> 00:10:04,170

had been done on the incident itself and

226

00:10:08,870 --> 00:10:06,630

what I mean at a national level for me

227

00:10:11,390 --> 00:10:08,880

in a little video cut or something done

228

00:10:13,460 --> 00:10:11,400

prior but again you got to go back to

229

00:10:15,530 --> 00:10:13,470

the time frame TV was a lot different

230

00:10:17,420 --> 00:10:15,540

back then so that was about the only

231

00:10:19,550 --> 00:10:17,430

game in town I think there was a show on

232

00:10:20,960 --> 00:10:19,560

Fox called sightings I don't know if

233

00:10:23,600 --> 00:10:20,970

they ever touched on this case yeah

234

00:10:25,850 --> 00:10:23,610

actually they sightings touched on it

235

00:10:28,280 --> 00:10:25,860

after unsolved mysteries did I was on

236

00:10:30,290 --> 00:10:28,290

that one too yes okay okay yeah they

237

00:10:31,820 --> 00:10:30,300

were they were about the only games in

238

00:10:34,310 --> 00:10:31,830

town really and then that the

239

00:10:36,200 --> 00:10:34,320

basic-cable expanded and you did have a

240

00:10:38,690 --> 00:10:36,210

few more shows on basic cable like

241

00:10:41,420 --> 00:10:38,700

Discovery type channels it shows like

242

00:10:43,040 --> 00:10:41,430

that but yeah those were those we're in

243

00:10:44,660 --> 00:10:43,050

a lot of ways that sort of the dark ages

244

00:10:46,130 --> 00:10:44,670

as far as getting this kind of

245

00:10:47,990 --> 00:10:46,140

information out now you had mentioned

246

00:10:50,060 --> 00:10:48,000

that going through a lot of different

247

00:10:51,530 --> 00:10:50,070

statements that that were pulled out by

248

00:10:53,570 --> 00:10:51,540

your Colonel halt when you were there

249

00:10:57,200 --> 00:10:53,580

one of the things that I got from

250

00:11:00,800 --> 00:10:57,210

talking to you is there were a lot more

251
00:11:04,220 --> 00:11:00,810
hands-on you know upfront witnesses to

252
00:11:08,420 --> 00:11:04,230
these multiple incidents over two or

253
00:11:10,070 --> 00:11:08,430
three days if I recall correctly you you

254
00:11:12,800 --> 00:11:10,080
said you weren't even sure exactly how

255
00:11:15,920 --> 00:11:12,810
many but if I remember correctly you had

256
00:11:18,650 --> 00:11:15,930
estimated at least 60 maybe 70 actual

257
00:11:22,090 --> 00:11:18,660
witnesses on the ground through this

258
00:11:25,070 --> 00:11:22,100
through this incident well I mean okay

259
00:11:26,780 --> 00:11:25,080
I'm not sure if I've ever put a detail

260
00:11:29,420 --> 00:11:26,790
to count out I think other people have

261
00:11:31,550 --> 00:11:29,430
but you have to understand they every

262
00:11:33,380 --> 00:11:31,560
night the incident took place there was

263
00:11:35,780 --> 00:11:33,390

a security flight on duty and there was

264

00:11:38,830 --> 00:11:35,790

law enforcement flight on duty and all

265

00:11:41,150 --> 00:11:38,840

this stuff on went over the net so

266

00:11:43,580 --> 00:11:41,160

whatever the amount of people each night

267

00:11:45,290 --> 00:11:43,590

were are working would have been

268

00:11:48,680 --> 00:11:45,300

involved and it would probably have been

269

00:11:50,660 --> 00:11:48,690

in the 40 50 60 people range plus you

270

00:11:52,370 --> 00:11:50,670

had other agencies that had access to

271

00:11:54,620 --> 00:11:52,380

our radios that could listen the command

272

00:11:56,300 --> 00:11:54,630

post was listening so there was quite a

273

00:11:59,180 --> 00:11:56,310

few people that would have known about

274

00:12:01,100 --> 00:11:59,190

something taking place yeah you know

275

00:12:04,100 --> 00:12:01,110

during as the events took place and you

276

00:12:06,410 --> 00:12:04,110

had three all three night flights the

277

00:12:09,470 --> 00:12:06,420

different times involved so

278

00:12:10,970 --> 00:12:09,480

again you'd have each flight and and I

279

00:12:12,379 --> 00:12:10,980

can't remember exactly the number of

280

00:12:14,269 --> 00:12:12,389

security guys have worked every night

281

00:12:16,610 --> 00:12:14,279

but law enforcement was about twelve of

282

00:12:18,290 --> 00:12:16,620

us so again there's probably think there

283

00:12:20,960 --> 00:12:18,300

was at least fifty security so on a

284

00:12:22,699 --> 00:12:20,970

nightly basis there was at least sixty

285

00:12:25,069 --> 00:12:22,709

and on the one night the Colonel Hall

286

00:12:26,840 --> 00:12:25,079

tonight you had two flights overlap so

287

00:12:28,639 --> 00:12:26,850

that point you could have had over a

288

00:12:30,139 --> 00:12:28,649

hundred people that were you know it

289

00:12:32,180 --> 00:12:30,149

hurt we're listening or knew something

290

00:12:34,129 --> 00:12:32,190

was taking place God and that somehow

291

00:12:36,680 --> 00:12:34,139

the local cops got hold of this as well

292

00:12:40,490 --> 00:12:36,690

you were talking about police logs how

293

00:12:42,829 --> 00:12:40,500

would that have happened we the first

294

00:12:44,840 --> 00:12:42,839

night we called them if you start see

295

00:12:48,860 --> 00:12:44,850

that's the problem with and and I'm

296

00:12:51,620 --> 00:12:48,870

gonna I'm gonna bag on ufology they

297

00:12:54,199 --> 00:12:51,630

don't whatever people on both sides the

298

00:12:56,120 --> 00:12:54,209

skeptics ordered the bunkers and in the

299

00:12:58,519 --> 00:12:56,130

other side of it all they want to look

300

00:13:00,590 --> 00:12:58,529

for is a little piece of meat on the big

301
00:13:02,269 --> 00:13:00,600
bone about what once they'll support

302
00:13:03,439 --> 00:13:02,279
what they want to believe they don't

303
00:13:08,449 --> 00:13:03,449
really want to look at the big picture

304
00:13:11,329 --> 00:13:08,459
and on the the fact of the matter is

305
00:13:13,490 --> 00:13:11,339
that we went out there and what what

306
00:13:17,030 --> 00:13:13,500
what's crucial to this in the first

307
00:13:18,530 --> 00:13:17,040
place and the there's some de bunkers

308
00:13:19,939 --> 00:13:18,540
that try to get people involved in this

309
00:13:22,449 --> 00:13:19,949
and they brought our shift commander on

310
00:13:25,189 --> 00:13:22,459
and what happened was he said well um

311
00:13:27,319 --> 00:13:25,199
you know nothing really happened and it

312
00:13:29,780 --> 00:13:27,329
was like whoa okay well it's us the

313
00:13:31,759 --> 00:13:29,790

first question lieutenant um who he

314

00:13:33,740 --> 00:13:31,769

retired I think as a colonel anyway I

315

00:13:35,180 --> 00:13:33,750

says why did we go out there and he

316

00:13:37,639 --> 00:13:35,190

wouldn't answer it the reason why we

317

00:13:39,170 --> 00:13:37,649

went out there was because we picked up

318

00:13:41,660 --> 00:13:39,180

something strength we saw something

319

00:13:44,540 --> 00:13:41,670

strange outside our perimeter fence and

320

00:13:46,160 --> 00:13:44,550

in reality that isn't our problem unless

321

00:13:48,980 --> 00:13:46,170

it's a direct threat like we can

322

00:13:51,470 --> 00:13:48,990

identify Russia shoulders soldiers or

323

00:13:53,689 --> 00:13:51,480

you know some kind of group or something

324

00:13:56,389 --> 00:13:53,699

trying to charge the base we just saw

325

00:13:59,750 --> 00:13:56,399

some strange lights and we reported it

326

00:14:01,040 --> 00:13:59,760

okay and what happened was they started

327

00:14:04,340 --> 00:14:01,050

doing some checking

328

00:14:06,710 --> 00:14:04,350

in CS c and c SC cocked our radar rapcon

329

00:14:08,660 --> 00:14:06,720

which is part of our radar system and

330

00:14:10,759 --> 00:14:08,670

and and the call started being made to

331

00:14:13,100 --> 00:14:10,769

the british different british agents

332

00:14:15,650 --> 00:14:13,110

different radar facilities military and

333

00:14:17,360 --> 00:14:15,660

civilian and there was a confirmation

334

00:14:19,699 --> 00:14:17,370

that on radar something was over the

335

00:14:20,240 --> 00:14:19,709

area and disappeared so based on what we

336

00:14:23,180 --> 00:14:20,250

were seeing

337

00:14:24,860 --> 00:14:23,190

and what was what was a seen on radar

338

00:14:27,830 --> 00:14:24,870

they thought something may have went

339

00:14:30,110 --> 00:14:27,840

down so we were the closest to respond

340

00:14:31,910 --> 00:14:30,120

to try to start to figure out what was

341

00:14:34,040 --> 00:14:31,920

going on but at the same time we also

342

00:14:35,480 --> 00:14:34,050

contacted the local authorities to

343

00:14:38,540 --> 00:14:35,490

include the British police and fire

344

00:14:40,850 --> 00:14:38,550

department who also responded right so

345

00:14:42,980 --> 00:14:40,860

that's how they got brought into this it

346

00:14:44,720 --> 00:14:42,990

was off base okay and that's something

347

00:14:47,180 --> 00:14:44,730

that people don't want to take into

348

00:14:51,050 --> 00:14:47,190

account a lot of times we want outside

349

00:14:54,140 --> 00:14:51,060

our perimeter into a into you know a

350

00:14:55,720 --> 00:14:54,150

foreign country a property to

351

00:14:58,160 --> 00:14:55,730

investigate a possible downed aircraft

352

00:14:58,900 --> 00:14:58,170

okay yeah basically outside your

353

00:15:01,400 --> 00:14:58,910

jurisdiction

354

00:15:03,560 --> 00:15:01,410

well yeah it's called reciprocal

355

00:15:05,900 --> 00:15:03,570

jurisdiction we can actually assist just

356

00:15:08,120 --> 00:15:05,910

like they assisted us sometimes but but

357

00:15:10,220 --> 00:15:08,130

yes we were we were doing we were

358

00:15:12,230 --> 00:15:10,230

looking into something that was taking

359

00:15:14,900 --> 00:15:12,240

place off base for the British police

360

00:15:18,290 --> 00:15:14,910

until they could get there got it and

361

00:15:20,300 --> 00:15:18,300

did they get there and are there as far

362

00:15:22,580 --> 00:15:20,310

as I know there aren't any witnesses on

363

00:15:24,500 --> 00:15:22,590

the civilian side about this case not

364

00:15:26,510 --> 00:15:24,510

that I'm aware of anyway well no there's

365

00:15:28,730 --> 00:15:26,520

witnesses there's all kinds of witnesses

366

00:15:30,590 --> 00:15:28,740

that they found that saw strange things

367

00:15:33,140 --> 00:15:30,600

going on over that three night period

368

00:15:34,760 --> 00:15:33,150

oh the British police did get there they

369

00:15:36,140 --> 00:15:34,770

did arrive I guess before while we were

370

00:15:40,130 --> 00:15:36,150

stopped in the forest the first night

371

00:15:41,930 --> 00:15:40,140

and basically what what I've been able

372

00:15:45,020 --> 00:15:41,940

to look at was they showed up they

373

00:15:47,060 --> 00:15:45,030

didn't see anything and and by that time

374

00:15:48,950 --> 00:15:47,070

it was all over anyway by the time they

375

00:15:52,370 --> 00:15:48,960

got there because people understand the

376

00:15:54,680 --> 00:15:52,380

British police were like um were spread

377

00:15:56,510 --> 00:15:54,690

way out especially at night and in what

378

00:15:58,220 --> 00:15:56,520

one of the things that was funny was on

379

00:16:00,230 --> 00:15:58,230

the third night there was a British

380

00:16:03,260 --> 00:16:00,240

police they used to stop up at our law

381

00:16:05,000 --> 00:16:03,270

enforcement desks and they were actually

382

00:16:06,980 --> 00:16:05,010

up there as the event started happened

383

00:16:09,110 --> 00:16:06,990

with Colonel Hall and he was gonna

384

00:16:11,720 --> 00:16:09,120

respond out there right away supposedly

385

00:16:14,300 --> 00:16:11,730

but then a call came thirty miles or so

386

00:16:16,580 --> 00:16:14,310

a long distance away opposite of where

387

00:16:18,470 --> 00:16:16,590

we he was where we were for a post

388

00:16:20,630 --> 00:16:18,480

office break-in or something so

389

00:16:22,310 --> 00:16:20,640

allegedly he took off and left for that

390

00:16:24,380 --> 00:16:22,320

and didn't even go out to see what we

391

00:16:26,150 --> 00:16:24,390

were doing which I always found a little

392

00:16:28,910 --> 00:16:26,160

strange was here we have an event taking

393

00:16:30,860 --> 00:16:28,920

place off base in the forest and you

394

00:16:32,420 --> 00:16:30,870

would think they would want to tell what

395

00:16:34,100 --> 00:16:32,430

the heck was going on so

396

00:16:36,860 --> 00:16:34,110

I don't know if that was just used as a

397

00:16:38,480 --> 00:16:36,870

cover to keep from him having to emit he

398

00:16:40,310 --> 00:16:38,490

actually went out there saw something

399

00:16:41,450 --> 00:16:40,320

because there were reports from people

400

00:16:42,950 --> 00:16:41,460

that were out there that night the

401
00:16:44,240 --> 00:16:42,960
breeze police were out there and some of

402
00:16:47,960 --> 00:16:44,250
them were even taking pictures of what

403
00:16:50,420 --> 00:16:47,970
was going on okay okay and that's just

404
00:16:52,970 --> 00:16:50,430
you have a pretty strong idea that that

405
00:16:55,760 --> 00:16:52,980
is more likely how the story really got

406
00:16:58,699 --> 00:16:55,770
out a lot of it came through just the

407
00:17:00,590 --> 00:16:58,709
local cops local witnesses that type of

408
00:17:03,050 --> 00:17:00,600
thing and then no the story actually

409
00:17:04,939 --> 00:17:03,060
broke and this is another factor most

410
00:17:08,030 --> 00:17:04,949
people aren't aware of the story

411
00:17:10,100 --> 00:17:08,040
actually got leaked out the following I

412
00:17:13,010 --> 00:17:10,110
think it was like well it happened I

413
00:17:15,410 --> 00:17:13,020

think the last event that that I'm aware

414

00:17:17,360 --> 00:17:15,420

of may have taken ended on the morning

415

00:17:19,069 --> 00:17:17,370

of the 29th there may have been some

416

00:17:21,500 --> 00:17:19,079

stuff that took place on Sunday night

417

00:17:23,840 --> 00:17:21,510

the 28th I believe going into the

418

00:17:27,049 --> 00:17:23,850

morning the 29th well at a New Year's

419

00:17:28,880 --> 00:17:27,059

Eve party one of the one a cop that was

420

00:17:31,040 --> 00:17:28,890

in security police squadron he was a

421

00:17:34,310 --> 00:17:31,050

back-office guy working for the squadron

422

00:17:35,750 --> 00:17:34,320

commander who was friends with the one

423

00:17:39,049 --> 00:17:35,760

of the women that got involved in the

424

00:17:41,390 --> 00:17:39,059

initial investigation what we told her

425

00:17:42,890 --> 00:17:41,400

because she was involved in there MUFON

426
00:17:45,140 --> 00:17:42,900
type of thing over there everything else

427
00:17:46,910 --> 00:17:45,150
in a UFO that took place outside the

428
00:17:48,230 --> 00:17:46,920
gate over three years or nights or

429
00:17:50,419 --> 00:17:48,240
whatever I don't know exactly I'd have

430
00:17:52,640 --> 00:17:50,429
to go back and read their book but did

431
00:17:55,190 --> 00:17:52,650
stuff had taken place with the United

432
00:17:57,860 --> 00:17:55,200
States Air Force and UFOs so he leaked

433
00:17:59,660 --> 00:17:57,870
it to her and then she started she

434
00:18:01,760 --> 00:17:59,670
started calling her friends and letting

435
00:18:04,070 --> 00:18:01,770
them know what went on and they started

436
00:18:06,590 --> 00:18:04,080
an investigation so the week actually

437
00:18:09,620 --> 00:18:06,600
came from an Air Force person who was a

438
00:18:12,650 --> 00:18:09,630

cop that told some people that were that

439

00:18:14,950 --> 00:18:12,660

were interested in investigating UFOs in

440

00:18:19,400 --> 00:18:14,960

the United Kingdom there you go okay

441

00:18:20,720 --> 00:18:19,410

that's interesting and you are you still

442

00:18:22,130 --> 00:18:20,730

don't have all your quiet even though

443

00:18:24,230 --> 00:18:22,140

you were there and now went through it

444

00:18:28,340 --> 00:18:24,240

all all these years ago you still have

445

00:18:31,190 --> 00:18:28,350

some questions about this case um well I

446

00:18:33,680 --> 00:18:31,200

mean try to help me out here what do you

447

00:18:36,169 --> 00:18:33,690

mean by what questions as far as in what

448

00:18:37,669 --> 00:18:36,179

well I've seen that you've recently

449

00:18:39,019 --> 00:18:37,679

yeah or you'd mentioned you'd recently

450

00:18:40,570 --> 00:18:39,029

been banned from asking any more

451

00:18:46,249 --> 00:18:40,580

questions of the emod

452

00:18:48,950 --> 00:18:46,259

what okay yeah listening audience this

453

00:18:51,169 --> 00:18:48,960

just what yeah any reason this is a

454

00:18:53,180 --> 00:18:51,179

pretty recent with the last few weeks is

455

00:18:56,659 --> 00:18:53,190

that what what no no no I was banned

456

00:18:58,220 --> 00:18:56,669

back in 2014 actually oh okay it may

457

00:19:02,690 --> 00:18:58,230

have been misconstrued what happened was

458

00:19:04,489 --> 00:19:02,700

that this case has taken a huge it's

459

00:19:06,649 --> 00:19:04,499

really widened way out in a lot of

460

00:19:09,889 --> 00:19:06,659

different ways and one of the things

461

00:19:11,840 --> 00:19:09,899

that helped me get my settlement from

462

00:19:15,440 --> 00:19:11,850

the government on injuries that happened

463

00:19:17,570 --> 00:19:15,450

during the event was that I was told to

464

00:19:19,879 --> 00:19:17,580

look at released by the British

465

00:19:23,450 --> 00:19:19,889

government and that particular release

466

00:19:26,989 --> 00:19:23,460

is called project condign okay and so I

467

00:19:30,440 --> 00:19:26,999

was shown where to look for it I went to

468

00:19:32,659 --> 00:19:30,450

the site and it's I think it's like 400

469

00:19:36,139 --> 00:19:32,669

pages okay and it's a pretty detailed

470

00:19:39,080 --> 00:19:36,149

report and I went ahead and downloaded

471

00:19:41,629 --> 00:19:39,090

it and printed it out and I started

472

00:19:43,909 --> 00:19:41,639

reading it and as I was reading the

473

00:19:45,649 --> 00:19:43,919

report I could see a lot of things that

474

00:19:47,239 --> 00:19:45,659

they were talking about matched up to

475

00:19:49,669 --> 00:19:47,249

what I remember seeing and what was

476
00:19:53,149 --> 00:19:49,679
going on as far as the phenomenon itself

477
00:19:55,820 --> 00:19:53,159
and then I got to a section that in this

478
00:19:58,789 --> 00:19:55,830
report they said that the people that

479
00:20:00,529 --> 00:19:58,799
were working that made the people

480
00:20:04,190 --> 00:20:00,539
involved in Ron Smith so that may have

481
00:20:06,799 --> 00:20:04,200
been exposed to UAP higher than

482
00:20:08,960 --> 00:20:06,809
background level of you AP radiation so

483
00:20:11,239 --> 00:20:08,970
right in his project condign report that

484
00:20:13,759 --> 00:20:11,249
was being done about you upload to a

485
00:20:15,019 --> 00:20:13,769
piece and what they were and you know

486
00:20:18,889 --> 00:20:15,029
what to do with it

487
00:20:23,029 --> 00:20:18,899
Ben waters was in it and I was like holy

488
00:20:26,269 --> 00:20:23,039

crap you know right so I started digging

489

00:20:31,759 --> 00:20:26,279

deeper into that on top of I got sick

490

00:20:33,289 --> 00:20:31,769

after I came over in 10 and I had some

491

00:20:35,359 --> 00:20:33,299

medical issues and started fighting the

492

00:20:36,769 --> 00:20:35,369

government on all of it but I started

493

00:20:39,499 --> 00:20:36,779

sending for you off to the British

494

00:20:43,070 --> 00:20:39,509

government and what I was doing was I

495

00:20:44,960 --> 00:20:43,080

was taking Conn dying and asking

496

00:20:47,480 --> 00:20:44,970

questions about stuff that was redacted

497

00:20:48,570 --> 00:20:47,490

that which which a lot of people I think

498

00:20:50,730 --> 00:20:48,580

I don't know

499

00:20:53,130 --> 00:20:50,740

how versed your audience is in general

500

00:20:55,289 --> 00:20:53,140

but what people don't understand is the

501
00:20:57,149 --> 00:20:55,299
government likes to do this well here's

502
00:20:58,769 --> 00:20:57,159
a document or here's the report there's

503
00:21:00,630 --> 00:20:58,779
nothing to see here there's no smoking

504
00:21:02,460 --> 00:21:00,640
gun so don't worry about it ufos aren't

505
00:21:04,169 --> 00:21:02,470
real or there's nothing to them that's

506
00:21:06,299 --> 00:21:04,179
not defense significance so move along

507
00:21:07,740 --> 00:21:06,309
people but then what

508
00:21:10,200 --> 00:21:07,750
doesn't get reported by the mainstream

509
00:21:11,639 --> 00:21:10,210
press or people that analyze that

510
00:21:14,009 --> 00:21:11,649
especially to the bunkers or the

511
00:21:17,130 --> 00:21:14,019
skeptics is well why is so much of this

512
00:21:19,399 --> 00:21:17,140
redacted then there's so much of these

513
00:21:22,889 --> 00:21:19,409

big reports and stuff that are redacted

514

00:21:25,560 --> 00:21:22,899

so started asking questions about the

515

00:21:28,919 --> 00:21:25,570

redactions about certain pieces and

516

00:21:31,200 --> 00:21:28,929

hints that are inside this report and

517

00:21:33,629 --> 00:21:31,210

started getting very interesting answers

518

00:21:37,470 --> 00:21:33,639

to include the fact that they admitted

519

00:21:40,379 --> 00:21:37,480

they were holding back 18 more files and

520

00:21:42,240 --> 00:21:40,389

a mic what wait a minute your own

521

00:21:45,480 --> 00:21:42,250

website says you've released everything

522

00:21:48,450 --> 00:21:45,490

what's the deal and that got ugly and

523

00:21:51,480 --> 00:21:48,460

but what it led to was a series of

524

00:21:54,810 --> 00:21:51,490

questions that led to them admitting to

525

00:21:57,720 --> 00:21:54,820

me that they actually were studying the

526

00:21:59,639 --> 00:21:57,730

phenomenon were developing and had

527

00:22:02,730 --> 00:21:59,649

developed some technology off this

528

00:22:06,779 --> 00:22:02,740

phenomenon and I got a document that was

529

00:22:08,610 --> 00:22:06,789

highly redacted from them showing that

530

00:22:10,769 --> 00:22:08,620

what they were working on and what they

531

00:22:12,720 --> 00:22:10,779

learned and most of the agencies were

532

00:22:14,759 --> 00:22:12,730

blacked out but when you went through

533

00:22:18,029 --> 00:22:14,769

this document there were two things that

534

00:22:20,070 --> 00:22:18,039

stood out BAE Systems was involved and

535

00:22:22,320 --> 00:22:20,080

that's partly what they used to redact

536

00:22:25,100 --> 00:22:22,330

this was it was you know commercially

537

00:22:27,870 --> 00:22:25,110

based so they had patents and stuff but

538

00:22:30,570 --> 00:22:27,880

yeah BAE is our what that British

539

00:22:32,340 --> 00:22:30,580

Aerospace well it's British Aerospace it

540

00:22:35,990 --> 00:22:32,350

used to be Marconi when our incident

541

00:22:39,840 --> 00:22:36,000

took place okay that but there was this

542

00:22:42,320 --> 00:22:39,850

tank company in Ohio that was also

543

00:22:45,570 --> 00:22:42,330

exposed a little bit in this okay but

544

00:22:47,279 --> 00:22:45,580

ultimately i falled up and i got the

545

00:22:50,100 --> 00:22:47,289

kitchen sink thrown at me on this

546

00:22:51,779 --> 00:22:50,110

document about how they can't discuss

547

00:22:53,340 --> 00:22:51,789

this because it's national defense they

548

00:22:55,590 --> 00:22:53,350

can't discuss this there's like four or

549

00:23:00,200 --> 00:22:55,600

five exemptions they used and what I've

550

00:23:02,190 --> 00:23:00,210

talked to in most most rounds is is that

551

00:23:04,710 --> 00:23:02,200

very few times do you ever

552

00:23:05,610 --> 00:23:04,720

see this okay now remember and people

553

00:23:09,030 --> 00:23:05,620

need to understand this

554

00:23:11,910 --> 00:23:09,040

I wasn't approaching this as a UFO

555

00:23:14,370 --> 00:23:11,920

question I was approaching this as based

556

00:23:16,890 --> 00:23:14,380

on an official government report we have

557

00:23:19,170 --> 00:23:16,900

we have different things that are in it

558

00:23:21,300 --> 00:23:19,180

that lead to these conclusions or

559

00:23:22,890 --> 00:23:21,310

possible conclusions where did you get

560

00:23:24,780 --> 00:23:22,900

these how did you come to these

561

00:23:27,240 --> 00:23:24,790

conclusions and what documents and stuff

562

00:23:31,710 --> 00:23:27,250

do you have and stuff so that's how I

563

00:23:33,900 --> 00:23:31,720

got around the typical UFO FOIA request

564

00:23:35,940 --> 00:23:33,910

I didn't ask about UFOs I was asking

565

00:23:39,290 --> 00:23:35,950

about stuff that had been identified as

566

00:23:42,800 --> 00:23:39,300

technology and stuff okay okay so so I

567

00:23:45,990 --> 00:23:42,810

follow up with another question okay and

568

00:23:47,910 --> 00:23:46,000

that's when they section and people eyes

569

00:23:49,590 --> 00:23:47,920

get confused some British people said

570

00:23:53,150 --> 00:23:49,600

well they can't section an American

571

00:23:57,510 --> 00:23:53,160

citizen yeah they can they section me

572

00:24:01,230 --> 00:23:57,520

from asking any more questions about the

573

00:24:03,720 --> 00:24:01,240

mo d files or the questions I was going

574

00:24:06,420 --> 00:24:03,730

along the lines of with condign and

575

00:24:08,840 --> 00:24:06,430

Technology they told me there was no

576

00:24:12,420 --> 00:24:08,850

longer answer any of my questions on

577

00:24:16,710 --> 00:24:12,430

these you know particular things until a

578

00:24:18,450 --> 00:24:16,720

the arm the 18 files and all the

579

00:24:22,260 --> 00:24:18,460

documents in them were released well

580

00:24:25,050 --> 00:24:22,270

that was in 2014 now according to their

581

00:24:27,000 --> 00:24:25,060

own FOIA responses to me those files

582

00:24:29,940 --> 00:24:27,010

were supposed to been released no later

583

00:24:33,000 --> 00:24:29,950

than 14 then they delayed him to 15 then

584

00:24:35,280 --> 00:24:33,010

they deleted the 16 and now we're in the

585

00:24:38,190 --> 00:24:35,290

summer of 18 and they released 15 of the

586

00:24:40,800 --> 00:24:38,200

18 but three of those files the most

587

00:24:43,140 --> 00:24:40,810

important document files as far as

588

00:24:45,720 --> 00:24:43,150

policies and everything else are still

589

00:24:48,540 --> 00:24:45,730

being held back and the latest excuses

590

00:24:50,460 --> 00:24:48,550

is that and I just learned this myself

591

00:24:52,530 --> 00:24:50,470

recently because there was some another

592

00:24:54,990 --> 00:24:52,540

British researcher that some people

593

00:24:57,600 --> 00:24:55,000

don't like a lot and I didn't wasn't a

594

00:24:59,580 --> 00:24:57,610

big fan of his on certain things but I

595

00:25:01,950 --> 00:24:59,590

got I got I got into a conversation with

596

00:25:03,750 --> 00:25:01,960

him and he showed me a bunch of you know

597

00:25:05,850 --> 00:25:03,760

interaction he had with the mo D and he

598

00:25:07,860 --> 00:25:05,860

was doing a lot of for himself and he

599

00:25:10,350 --> 00:25:07,870

had actually figured out there was more

600

00:25:12,600 --> 00:25:10,360

files before I even did on the 18th

601
00:25:14,710 --> 00:25:12,610
and this is David Clark you mean yes

602
00:25:17,320 --> 00:25:14,720
this is dr. David Clark right and

603
00:25:19,659 --> 00:25:17,330
he actually was and one of the things I

604
00:25:21,909 --> 00:25:19,669
begged on him about for years was wait a

605
00:25:23,560 --> 00:25:21,919
minute David you went forth with with

606
00:25:24,549 --> 00:25:23,570
the British government and said hey this

607
00:25:26,620 --> 00:25:24,559
is all they have

608
00:25:28,240 --> 00:25:26,630
well David showed me the interactions

609
00:25:30,100 --> 00:25:28,250
with the mo Dee and what went on he's

610
00:25:32,169 --> 00:25:30,110
not he didn't hide things and like to

611
00:25:35,020 --> 00:25:32,179
hide things like Nick Pope does they

612
00:25:39,159 --> 00:25:35,030
actually why he was picked to do the

613
00:25:42,190 --> 00:25:39,169

last release was he had him by by there

614

00:25:43,779 --> 00:25:42,200

by you know you know maybe high right he

615

00:25:46,000 --> 00:25:43,789

had them that they were holding back

616

00:25:48,610 --> 00:25:46,010

certain things so what they did was they

617

00:25:51,460 --> 00:25:48,620

promised that he could redo this release

618

00:25:53,560 --> 00:25:51,470

and that they would release all the

619

00:25:56,200 --> 00:25:53,570

files so he went along with it he went

620

00:25:58,720 --> 00:25:56,210

on TV and said hey this is it this is it

621

00:26:01,510 --> 00:25:58,730

no more to see as far as this is all

622

00:26:03,549 --> 00:26:01,520

they've got well afterwards it became

623

00:26:06,610 --> 00:26:03,559

clear they were holding back files and

624

00:26:09,549 --> 00:26:06,620

he knew existed so they lied to him and

625

00:26:11,409 --> 00:26:09,559

then he from that point going forward to

626
00:26:13,210 --> 00:26:11,419
when we interviewed him and he's still

627
00:26:15,760 --> 00:26:13,220
doing this is fighting with them on

628
00:26:17,350 --> 00:26:15,770
these files and other files that haven't

629
00:26:19,990 --> 00:26:17,360
been identified yet that are still being

630
00:26:21,850 --> 00:26:20,000
held back okay because what he does is

631
00:26:23,409 --> 00:26:21,860
he sifts through all these documents and

632
00:26:25,720 --> 00:26:23,419
that's how he was the one that found

633
00:26:27,370 --> 00:26:25,730
condign in the first place he says

634
00:26:29,169 --> 00:26:27,380
through documents looking for certain

635
00:26:32,890 --> 00:26:29,179
things that lead to something else they

636
00:26:35,799 --> 00:26:32,900
don't like people like that okay so he

637
00:26:37,779 --> 00:26:35,809
you know got out a lot of this

638
00:26:40,360 --> 00:26:37,789

information is continuing to fight them

639

00:26:42,700 --> 00:26:40,370

on this and condign and everything else

640

00:26:46,480 --> 00:26:42,710

and what was interesting with dr. Clark

641

00:26:48,490 --> 00:26:46,490

that I never really had understood

642

00:26:50,110 --> 00:26:48,500

before or he has changed his tune a

643

00:26:53,620 --> 00:26:50,120

little bit and what I mean by that is

644

00:26:55,419 --> 00:26:53,630

this we may not agree and he even says

645

00:26:58,000 --> 00:26:55,429

this they throw all these documents out

646

00:26:59,620 --> 00:26:58,010

and they let people try to decide you've

647

00:27:01,390 --> 00:26:59,630

got that the bunkers of skeptics on one

648

00:27:03,399 --> 00:27:01,400

side forming their own opinion you've

649

00:27:05,230 --> 00:27:03,409

got that believers on the other but you

650

00:27:07,240 --> 00:27:05,240

don't have all the data first of all

651
00:27:09,460 --> 00:27:07,250
they hold stuff back and then they

652
00:27:11,350 --> 00:27:09,470
redact a lot of stuff also all right so

653
00:27:13,060 --> 00:27:11,360
you just you just see what you want to

654
00:27:17,260 --> 00:27:13,070
see and say what you want to say okay

655
00:27:19,480 --> 00:27:17,270
but he's not so sure exactly what this

656
00:27:22,270 --> 00:27:19,490
all means himself and what I mean by

657
00:27:23,590 --> 00:27:22,280
that is it's not so much is it UFOs or

658
00:27:25,840 --> 00:27:23,600
what are you folks really or what's

659
00:27:27,390 --> 00:27:25,850
going on but he clearly believes now

660
00:27:29,670 --> 00:27:27,400
that there is a cover-up

661
00:27:31,350 --> 00:27:29,680
they're covering hiding something okay

662
00:27:32,850 --> 00:27:31,360
what it is for sure we don't know

663
00:27:35,610 --> 00:27:32,860

because they're not giving us all the

664

00:27:38,520 --> 00:27:35,620

information to decipher what's going on

665

00:27:41,700 --> 00:27:38,530

and that leads to conspiracy people

666

00:27:44,160 --> 00:27:41,710

saying well they're hiding UFOs maybe or

667

00:27:46,590 --> 00:27:44,170

maybe they're hiding the technology that

668

00:27:48,540 --> 00:27:46,600

they've developed and is it your fault

669

00:27:50,490 --> 00:27:48,550

based not sure but if you look at

670

00:27:53,160 --> 00:27:50,500

condign in the report and different

671

00:27:55,050 --> 00:27:53,170

things in it it does seem that there

672

00:27:57,480 --> 00:27:55,060

really were interested in this UAP

673

00:28:00,090 --> 00:27:57,490

whatever it really is i mean they made

674

00:28:02,400 --> 00:28:00,100

some assumptions or he the guy did say

675

00:28:04,290 --> 00:28:02,410

what he thought it was it was really you

676
00:28:06,150 --> 00:28:04,300
know and what it was capable of doing

677
00:28:09,450 --> 00:28:06,160
and we definitely should study it more

678
00:28:11,730 --> 00:28:09,460
so it's clear that they'd taken a you a

679
00:28:14,550 --> 00:28:11,740
well used to be UFO and now they called

680
00:28:15,630 --> 00:28:14,560
it a UAP and identified it and they're

681
00:28:18,450 --> 00:28:15,640
studying it and they're trying to

682
00:28:20,700 --> 00:28:18,460
weaponize it yeah I remember if I

683
00:28:22,200 --> 00:28:20,710
remember correctly with Clark he came

684
00:28:24,540 --> 00:28:22,210
from a background or comes from a

685
00:28:28,290 --> 00:28:24,550
background of studying a lot of folklore

686
00:28:31,590 --> 00:28:28,300
and was looking at the UFO phenomena

687
00:28:33,630 --> 00:28:31,600
sort of through that that viewpoint was

688
00:28:36,330 --> 00:28:33,640

generally a little bit on the skeptical

689

00:28:37,920 --> 00:28:36,340

side but he's kind of moved at least

690

00:28:39,470 --> 00:28:37,930

that moved a little bit towards them

691

00:28:43,170 --> 00:28:39,480

being a little bit more open and

692

00:28:45,060 --> 00:28:43,180

thinking that there is at least that

693

00:28:47,490 --> 00:28:45,070

some kind of a cover-up going on well

694

00:28:50,280 --> 00:28:47,500

what what what what he's done is the

695

00:28:52,350 --> 00:28:50,290

best I can describe him is is this he's

696

00:28:56,520 --> 00:28:52,360

a guy that believes in open government

697

00:28:59,460 --> 00:28:56,530

okay okay and he is trying to hold the

698

00:29:01,230 --> 00:28:59,470

government to be an open and he does

699

00:29:03,360 --> 00:29:01,240

FOIA are more than just your clothes and

700

00:29:06,120 --> 00:29:03,370

stuff he does for you on a lot of

701
00:29:08,670 --> 00:29:06,130
different things but what he said on a

702
00:29:10,050 --> 00:29:08,680
radio show was that I get these

703
00:29:12,660 --> 00:29:10,060
documents released and I let people

704
00:29:16,620 --> 00:29:12,670
debate him now I want to go in to your

705
00:29:20,640 --> 00:29:16,630
listeners on a short little quote on

706
00:29:23,520 --> 00:29:20,650
from the document the the condign dark

707
00:29:25,500 --> 00:29:23,530
the unidentified aerial phenomena exists

708
00:29:28,260 --> 00:29:25,510
is indisputable credited with the

709
00:29:30,390 --> 00:29:28,270
ability to hover land takeoff accelerate

710
00:29:32,490 --> 00:29:30,400
to exceptional velocities and vanish

711
00:29:34,830 --> 00:29:32,500
they can reportedly alter their

712
00:29:37,260 --> 00:29:34,840
direction of flight suddenly and curly

713
00:29:39,480 --> 00:29:37,270

can exhibit aerodynamic characteristics

714

00:29:40,920 --> 00:29:39,490

well beyond those of any known aircraft

715

00:29:44,460 --> 00:29:40,930

or missile either man

716

00:29:50,040 --> 00:29:44,470

unmanned okay so what what what's going

717

00:29:52,350 --> 00:29:50,050

on here is the the government a world

718

00:29:56,490 --> 00:29:52,360

government and mrs. Amit something

719

00:29:58,290 --> 00:29:56,500

exists and if you dig into the report

720

00:29:59,910 --> 00:29:58,300

further they even say it should be

721

00:30:03,050 --> 00:29:59,920

studied further and weapon

722

00:30:06,480 --> 00:30:03,060

you know I for use of weapons okay so

723

00:30:08,790 --> 00:30:06,490

one of the things I believe you know and

724

00:30:11,040 --> 00:30:08,800

I'm speaking myself personally and I get

725

00:30:12,990 --> 00:30:11,050

the the hints of this from Clark is is

726

00:30:15,930 --> 00:30:13,000

there is something out there

727

00:30:18,120 --> 00:30:15,940

they're definitely studying it they're

728

00:30:20,130 --> 00:30:18,130

definitely looking at using it for

729

00:30:24,540 --> 00:30:20,140

weapons and they're covering some of

730

00:30:26,280 --> 00:30:24,550

this up so exactly what is a UAV you

731

00:30:27,750 --> 00:30:26,290

know which used to be a UFO because in

732

00:30:32,100 --> 00:30:27,760

their own policy files they changed it

733

00:30:35,010 --> 00:30:32,110

to do in 2002 to you ApS and that UFOs

734

00:30:38,100 --> 00:30:35,020

Hillary Clinton called it you ApS on

735

00:30:41,490 --> 00:30:38,110

national TV you know what I mean alright

736

00:30:44,100 --> 00:30:41,500

and and you've got to the stars now and

737

00:30:46,590 --> 00:30:44,110

and one of their the one of the bigger

738

00:30:49,560 --> 00:30:46,600

names in it which most people probably

739

00:30:51,270 --> 00:30:49,570

have what they see it to the stars as

740

00:30:54,740 --> 00:30:51,280

Tom DeLonge a rock star running around

741

00:30:57,300 --> 00:30:54,750

making an ass of himself am i okay and

742

00:31:00,150 --> 00:30:57,310

then they had this panel and the other

743

00:31:02,670 --> 00:31:00,160

rule face right now is Alessandro but in

744

00:31:05,190 --> 00:31:02,680

reality one of the guys in this panelist

745

00:31:06,930 --> 00:31:05,200

is physicists his name's how put off and

746

00:31:09,000 --> 00:31:06,940

he's been deep and good the government

747

00:31:12,270 --> 00:31:09,010

for years working on different projects

748

00:31:15,330 --> 00:31:12,280

okay but he talked about recently you

749

00:31:16,950 --> 00:31:15,340

ApS and how now just recently over the

750

00:31:18,750 --> 00:31:16,960

last few years some of this stuff is

751

00:31:20,880 --> 00:31:18,760

being Declassified you can talk a little

752

00:31:24,720 --> 00:31:20,890

bit about it without going to jail so

753

00:31:26,910 --> 00:31:24,730

there is something about a you ap now we

754

00:31:29,310 --> 00:31:26,920

can argue is that just the UFO then you

755

00:31:30,930 --> 00:31:29,320

ap was changed sofa voya and now they've

756

00:31:32,670 --> 00:31:30,940

changed these programs to different

757

00:31:34,890 --> 00:31:32,680

names they like to do that so boys are

758

00:31:37,590 --> 00:31:34,900

harder to get but there is something to

759

00:31:39,990 --> 00:31:37,600

what's going on and being seen and it's

760

00:31:41,940 --> 00:31:40,000

clearly the governments of the world

761

00:31:44,520 --> 00:31:41,950

especially the military end of it

762

00:31:47,550 --> 00:31:44,530

want to militarize it and that's what

763

00:31:50,460 --> 00:31:47,560

this whole thing inside the mo D is is

764

00:31:51,220 --> 00:31:50,470

they're clearly they're clearly covering

765

00:31:52,720 --> 00:31:51,230

up how there

766

00:31:57,880 --> 00:31:52,730

handling it and what they're doing with

767

00:32:00,130 --> 00:31:57,890

it as far as weaponization well you have

768

00:32:02,799 --> 00:32:00,140

well you talked about how put off and I

769

00:32:05,620 --> 00:32:02,809

know one of his colleagues is a guy

770

00:32:08,919 --> 00:32:05,630

named Eric Davis who you had on your

771

00:32:13,000 --> 00:32:08,929

very own talk show the one that you host

772

00:32:15,280 --> 00:32:13,010

every Thursday rkg ra and I'm really

773

00:32:18,280 --> 00:32:15,290

fascinated about that how you kind of

774

00:32:21,400 --> 00:32:18,290

evolved from a first-person witness to a

775

00:32:23,110 --> 00:32:21,410

major case and becoming involved in that

776

00:32:26,020 --> 00:32:23,120

end of things and hosting your own

777

00:32:27,669 --> 00:32:26,030

interview show it becoming really a fine

778

00:32:30,039 --> 00:32:27,679

interviewer especially for people who

779

00:32:31,720 --> 00:32:30,049

come from military background so when

780

00:32:33,970 --> 00:32:31,730

you have those kinds of guests on you've

781

00:32:36,100 --> 00:32:33,980

got questions that somebody like me or

782

00:32:38,110 --> 00:32:36,110

most interviewers wouldn't even think to

783

00:32:39,659 --> 00:32:38,120

ask and sometimes I don't even

784

00:32:42,730 --> 00:32:39,669

understand the questions or the answers

785

00:32:44,470 --> 00:32:42,740

but I get the sense that there's enough

786

00:32:45,909 --> 00:32:44,480

detail going on that if somebody was

787

00:32:48,039 --> 00:32:45,919

trying to sell you a bill of goods you'd

788

00:32:50,770 --> 00:32:48,049

sniff that out in pretty short order so

789

00:32:52,390 --> 00:32:50,780

if you can how I guess it's been what

790

00:32:53,350 --> 00:32:52,400

it's been what three or four years

791

00:32:56,169 --> 00:32:53,360

you've been doing the show down

792

00:32:57,909 --> 00:32:56,179

phenomenon radio live it would have been

793

00:33:00,520 --> 00:32:57,919

at the end of July it would have been

794

00:33:02,830 --> 00:33:00,530

three years that uh that I got involved

795

00:33:06,190 --> 00:33:02,840

with Kay GRA and started the radio show

796

00:33:08,380 --> 00:33:06,200

with Linda Moulton Howe yeah it's a

797

00:33:10,720 --> 00:33:08,390

great show it really is and I get you

798

00:33:13,720 --> 00:33:10,730

guys consistently booked really solid

799

00:33:15,549 --> 00:33:13,730

guests and do great interviews and you

800

00:33:17,680 --> 00:33:15,559

and Linda kind of tag-team back and

801
00:33:19,690 --> 00:33:17,690
forth and that both get there some

802
00:33:23,370 --> 00:33:19,700
excellent questions in from different

803
00:33:26,950 --> 00:33:23,380
perspectives how did that come about and

804
00:33:29,140 --> 00:33:26,960
what got you interested in doing it we

805
00:33:31,390 --> 00:33:29,150
never answered we excited they've added

806
00:33:33,430 --> 00:33:31,400
all that come about well so I don't take

807
00:33:35,860 --> 00:33:33,440
20 minutes explain this basically what

808
00:33:39,010 --> 00:33:35,870
it came down to was I when I got sick

809
00:33:41,230 --> 00:33:39,020
first of all before 2010 the 30th

810
00:33:43,510 --> 00:33:41,240
anniversary I decided this is before I

811
00:33:45,549 --> 00:33:43,520
really got sick that maybe it was time

812
00:33:47,080 --> 00:33:45,559
it was 30 years maybe it was time we can

813
00:33:49,120 --> 00:33:47,090

get some people together talk talking

814

00:33:51,909 --> 00:33:49,130

about it and maybe put a bigger dent

815

00:33:53,470 --> 00:33:51,919

into what took place and so I started

816

00:33:55,570 --> 00:33:53,480

reaching out to people working on this

817

00:33:57,909 --> 00:33:55,580

got Jim Penniston I started working

818

00:33:59,500 --> 00:33:57,919

together and behind the scenes a few

819

00:34:02,530 --> 00:33:59,510

other people got involved

820

00:34:05,170 --> 00:34:02,540

well after I came back from the 30th

821

00:34:08,530 --> 00:34:05,180

anniversary I got sick so that caused

822

00:34:12,760 --> 00:34:08,540

me a lot of issues and we also agreed to

823

00:34:14,889 --> 00:34:12,770

do a book with Nick Pope and Jim

824

00:34:16,899 --> 00:34:14,899

Penniston tonight so we agreed to do a

825

00:34:18,100 --> 00:34:16,909

book and I was having health issues and

826

00:34:20,080 --> 00:34:18,110

I was trying to dig and get more

827

00:34:23,020 --> 00:34:20,090

information so I did some radio shows

828

00:34:25,149 --> 00:34:23,030

and though the one network that was

829

00:34:27,909 --> 00:34:25,159

going on it was really heavily involved

830

00:34:30,369 --> 00:34:27,919

in you have UFO stuff and the paranormal

831

00:34:33,639 --> 00:34:30,379

stuff was KJ RA so they had several

832

00:34:35,530 --> 00:34:33,649

different hosts on that network that I

833

00:34:37,090 --> 00:34:35,540

did shows with and the producer was

834

00:34:39,850 --> 00:34:37,100

Ray's Hobbs who at the time was the

835

00:34:42,700 --> 00:34:39,860

owner of kg RA so racing I would talk on

836

00:34:44,200 --> 00:34:42,710

and off between the segments you know

837

00:34:46,540 --> 00:34:44,210

they're the breaks and everything and

838

00:34:49,480 --> 00:34:46,550

then he we talked we'll start talking a

839

00:34:51,550 --> 00:34:49,490

little bit afterwards well prior to me

840

00:34:54,190 --> 00:34:51,560

getting my settlement and there was a

841

00:34:56,590 --> 00:34:54,200

full-court press going on with United

842

00:34:59,710 --> 00:34:56,600

States senators and you know and some

843

00:35:01,390 --> 00:34:59,720

other people um race approached me with

844

00:35:04,300 --> 00:35:01,400

why don't you do a radio show and I'm

845

00:35:06,070 --> 00:35:04,310

thinking why not because might as well

846

00:35:07,630 --> 00:35:06,080

because maybe I can start putting more

847

00:35:11,850 --> 00:35:07,640

pressure on the government and all this

848

00:35:13,930 --> 00:35:11,860

but the idea was to do it based off of

849

00:35:17,280 --> 00:35:13,940

scientific stuff and different things

850

00:35:20,590 --> 00:35:17,290

that were going on within the UFO world

851

00:35:22,660 --> 00:35:20,600

that you know it wasn't just and I'm not

852

00:35:24,430 --> 00:35:22,670

bagging on experiences and people but we

853

00:35:26,740 --> 00:35:24,440

were just gonna not bring on Billy Bob

854

00:35:28,870 --> 00:35:26,750

and have Billy Bob talk about I saw you

855

00:35:30,490 --> 00:35:28,880

I follow in the forest you know what I

856

00:35:34,570 --> 00:35:30,500

mean type of thing we wanted to get into

857

00:35:37,360 --> 00:35:34,580

the technical end of it so so so we

858

00:35:39,760 --> 00:35:37,370

agreed and then um I started coming up

859

00:35:41,230 --> 00:35:39,770

with the guest list and one of the first

860

00:35:43,330 --> 00:35:41,240

ones obviously I was gonna ask on was

861

00:35:45,340 --> 00:35:43,340

Linda because of the fact that we've

862

00:35:47,350 --> 00:35:45,350

worked together on things and she was in

863

00:35:49,330 --> 00:35:47,360

the same you know she's she does

864

00:35:50,890 --> 00:35:49,340

coast-to-coast reports scientific stuff

865

00:35:52,480 --> 00:35:50,900

and different things - well when I

866

00:35:54,760 --> 00:35:52,490

talked to her about coming on she says

867

00:35:57,580 --> 00:35:54,770

wall can I join you in the show and I'm

868

00:35:59,470 --> 00:35:57,590

like okay that sounds good you know and

869

00:36:01,420 --> 00:35:59,480

you know darn well race love that

870

00:36:04,030 --> 00:36:01,430

because that just went from a

871

00:36:06,010 --> 00:36:04,040

little-known experimenter to one of the

872

00:36:08,200 --> 00:36:06,020

the people in the field is well known

873

00:36:10,450 --> 00:36:08,210

across right across the world with

874

00:36:12,850 --> 00:36:10,460

earthfiles so that's how we started the

875

00:36:14,590 --> 00:36:12,860

show we we decided if we do it and we'd

876
00:36:16,230 --> 00:36:14,600
see how long we could keep it going and

877
00:36:18,690 --> 00:36:16,240
and we're

878
00:36:20,640 --> 00:36:18,700
were I'm not saying we're out of guests

879
00:36:22,950 --> 00:36:20,650
and ideas because we continue to

880
00:36:23,430 --> 00:36:22,960
continues to evolve because of to the

881
00:36:25,770 --> 00:36:23,440
stars

882
00:36:28,470 --> 00:36:25,780
and these people that are popping up but

883
00:36:30,420 --> 00:36:28,480
you know we try to do top shelf work and

884
00:36:32,220 --> 00:36:30,430
what I mean by that is the top shelf

885
00:36:34,350 --> 00:36:32,230
people that are involved in this as

886
00:36:36,600 --> 00:36:34,360
close to we can get to them and because

887
00:36:37,590 --> 00:36:36,610
I would love to get help put off on and

888
00:36:39,870 --> 00:36:37,600

some of these other people and they're

889

00:36:42,060 --> 00:36:39,880

just not gonna do it but we've been able

890

00:36:44,820 --> 00:36:42,070

to get some of the people like a Kevin

891

00:36:46,800 --> 00:36:44,830

day who was involved in the you know Tic

892

00:36:50,730 --> 00:36:46,810

Tac incident and some of these other

893

00:36:52,620 --> 00:36:50,740

people on and um our goal is just to get

894

00:36:54,810 --> 00:36:52,630

people to have a better understanding of

895

00:36:57,300 --> 00:36:54,820

what's going on you know that's really

896

00:36:59,160 --> 00:36:57,310

what it is and it's been interesting and

897

00:37:01,080 --> 00:36:59,170

I've actually learned some stuff myself

898

00:37:03,210 --> 00:37:01,090

along the way from some of these guests

899

00:37:03,990 --> 00:37:03,220

both on the air and off the air yep

900

00:37:07,290 --> 00:37:04,000

absolutely

901
00:37:09,870 --> 00:37:07,300
that's uh I've only been at it three

902
00:37:11,550 --> 00:37:09,880
months and not three years but that's

903
00:37:14,460 --> 00:37:11,560
definitely a key and a good reason to

904
00:37:16,650 --> 00:37:14,470
keep it going you guys have two hours to

905
00:37:18,120 --> 00:37:16,660
fill that can be kind of tricky yeah how

906
00:37:19,980 --> 00:37:18,130
do you guys manage that you just figure

907
00:37:21,780 --> 00:37:19,990
well I'm gonna get an hour so I'll have

908
00:37:23,400 --> 00:37:21,790
enough questions to fill an hour and one

909
00:37:26,010 --> 00:37:23,410
that can handle her end of things how

910
00:37:28,260 --> 00:37:26,020
how exactly does that work none of its

911
00:37:32,640 --> 00:37:28,270
scripted um we just simply pick out a

912
00:37:35,970 --> 00:37:32,650
guess usually Linda because this is her

913
00:37:38,370 --> 00:37:35,980

work not mine this is at my work arm as

914

00:37:40,800 --> 00:37:38,380

far as you know my job does Linda does

915

00:37:42,930 --> 00:37:40,810

this for a living night time um Linda

916

00:37:45,000 --> 00:37:42,940

will usually follow up talk him a little

917

00:37:47,040 --> 00:37:45,010

bit on the phone sometimes not sometimes

918

00:37:50,310 --> 00:37:47,050

we don't even have the time they're busy

919

00:37:51,810 --> 00:37:50,320

she's busy but we we just basically get

920

00:37:54,360 --> 00:37:51,820

a grasp for their knowledge and what's

921

00:37:56,340 --> 00:37:54,370

going on and then we just go on live and

922

00:37:58,830 --> 00:37:56,350

we just she usually ask some questions

923

00:38:00,810 --> 00:37:58,840

put together and I do have usually I do

924

00:38:02,520 --> 00:38:00,820

a little research on the person if I

925

00:38:04,200 --> 00:38:02,530

don't know them very well and have a

926

00:38:06,000 --> 00:38:04,210

couple questions but I just play off of

927

00:38:06,960 --> 00:38:06,010

what they're saying and I just try to

928

00:38:09,360 --> 00:38:06,970

make sense of it

929

00:38:11,850 --> 00:38:09,370

especially from a military end of it you

930

00:38:13,350 --> 00:38:11,860

know as far as my background was I had

931

00:38:15,390 --> 00:38:13,360

an investigations background and

932

00:38:17,880 --> 00:38:15,400

everything else so I just tried to ask

933

00:38:19,830 --> 00:38:17,890

follow-up and and dig deeper and what

934

00:38:21,180 --> 00:38:19,840

they're saying and you know try to

935

00:38:22,680 --> 00:38:21,190

figure out where they're going and what

936

00:38:25,020 --> 00:38:22,690

they're saying and how this will implies

937

00:38:26,940 --> 00:38:25,030

and stuff so we just we don't really

938

00:38:28,410 --> 00:38:26,950

script it we don't really have who's

939

00:38:30,240 --> 00:38:28,420

gonna ask the most questions usually

940

00:38:32,010 --> 00:38:30,250

she'll do the lead-in question

941

00:38:34,140 --> 00:38:32,020

because she does all the initial work

942

00:38:38,370 --> 00:38:34,150

and the intro which she always does it's

943

00:38:41,040 --> 00:38:38,380

a very good intro every week so yeah

944

00:38:42,930 --> 00:38:41,050

I've I've always enjoyed the show

945

00:38:43,859 --> 00:38:42,940

obviously I you did you did have you

946

00:38:46,349 --> 00:38:43,869

were talking about some new people

947

00:38:48,000 --> 00:38:46,359

coming out of the woodwork I know this

948

00:38:50,130 --> 00:38:48,010

past week I've had a chance to listen to

949

00:38:51,900 --> 00:38:50,140

it myself unfortunately I'll get to it

950

00:38:54,480 --> 00:38:51,910

but you had someone on who I had a

951
00:38:57,000 --> 00:38:54,490
couple weeks back professor Knuth who'd

952
00:39:00,109 --> 00:38:57,010
written the the famous article it's been

953
00:39:03,000 --> 00:39:00,119
passed around quite a bit you know a

954
00:39:04,140 --> 00:39:03,010
physicist up at SUNY Albany who's

955
00:39:05,820 --> 00:39:04,150
starting to talk a little bit more

956
00:39:09,000 --> 00:39:05,830
openly and taking a little bit more

957
00:39:10,200 --> 00:39:09,010
seriously the UFO subject I think get

958
00:39:12,750 --> 00:39:10,210
some more of those people are going to

959
00:39:13,490 --> 00:39:12,760
start creeping out a little bit here and

960
00:39:16,109 --> 00:39:13,500
there

961
00:39:17,460 --> 00:39:16,119
well when you say that we have a guy

962
00:39:19,230 --> 00:39:17,470
coming on in a couple of weeks it's

963
00:39:22,109 --> 00:39:19,240

another physicist it's done a lot of

964

00:39:23,700 --> 00:39:22,119

work inside of this I'm not gonna give

965

00:39:26,099 --> 00:39:23,710

the name out yet because the wind is

966

00:39:27,990 --> 00:39:26,109

still working but won't be announced in

967

00:39:32,490 --> 00:39:28,000

that but we've got another physicist

968

00:39:34,859 --> 00:39:32,500

coming on that's well versed in the the

969

00:39:36,480 --> 00:39:34,869

field of you know abaca me drive and all

970

00:39:39,000 --> 00:39:36,490

this other stuff and what's really

971

00:39:41,160 --> 00:39:39,010

taking place with all this and that's

972

00:39:44,520 --> 00:39:41,170

one of the things I'm fascinated by is

973

00:39:46,620 --> 00:39:44,530

the fact that you know in the 60s when I

974

00:39:49,140 --> 00:39:46,630

was born a lot of the stuff that was

975

00:39:52,440 --> 00:39:49,150

science fiction is playing out today you

976
00:39:55,260 --> 00:39:52,450
know it's amazing where we got where we

977
00:39:58,050 --> 00:39:55,270
are and and and a lot of what was just

978
00:39:59,849 --> 00:39:58,060
viewed as science fiction in 60 70s and

979
00:40:01,740 --> 00:39:59,859
80s that's really happening in today's

980
00:40:05,370 --> 00:40:01,750
world well one thing that really baffles

981
00:40:07,950 --> 00:40:05,380
me is for a lot of years now scientists

982
00:40:10,410 --> 00:40:07,960
have been able to say I grew up watching

983
00:40:12,570 --> 00:40:10,420
Star Trek or I grew up reading science

984
00:40:14,640 --> 00:40:12,580
fiction and that was sort of that what

985
00:40:16,560 --> 00:40:14,650
got me interested in this and there have

986
00:40:19,530 --> 00:40:16,570
been a lot actual love books so I think

987
00:40:21,540 --> 00:40:19,540
Lawrence Krauss I wrote a book about the

988
00:40:25,109 --> 00:40:21,550

science of Star Trek and so on where

989

00:40:27,810 --> 00:40:25,119

it's okay to use the science fiction as

990

00:40:30,450 --> 00:40:27,820

a driver to get people interested in or

991

00:40:33,000 --> 00:40:30,460

talking about our future advancements in

992

00:40:36,180 --> 00:40:33,010

technology but somehow along the line at

993

00:40:37,920 --> 00:40:36,190

least up to this point using UFOs to do

994

00:40:40,680 --> 00:40:37,930

that to perform the same function and

995

00:40:43,200 --> 00:40:40,690

just hasn't clicked and has that created

996

00:40:44,240 --> 00:40:43,210

some problems that might be changing any

997

00:40:46,220 --> 00:40:44,250

thoughts on that

998

00:40:47,900 --> 00:40:46,230

well if you look at to the stars the

999

00:40:50,359 --> 00:40:47,910

first book we put out with science

1000

00:40:53,690 --> 00:40:50,369

fiction ok secret machines I think is

1001
00:40:58,160 --> 00:40:53,700
the title of it yeah um what I know is

1002
00:40:59,870 --> 00:40:58,170
this if you go science fiction if you

1003
00:41:02,930 --> 00:40:59,880
put it out science fiction it's a better

1004
00:41:06,109 --> 00:41:02,940
read than fiction you know nonfiction

1005
00:41:08,030 --> 00:41:06,119
because people don't question it they

1006
00:41:10,400 --> 00:41:08,040
just go into it with an open mind that

1007
00:41:13,910 --> 00:41:10,410
you know that this is here to entertain

1008
00:41:15,890 --> 00:41:13,920
me and what secret machines appeared to

1009
00:41:19,460 --> 00:41:15,900
be was they were trying to do this dance

1010
00:41:21,950 --> 00:41:19,470
between real and you know fiction and

1011
00:41:23,480 --> 00:41:21,960
they were trying to fill in pieces that

1012
00:41:26,000 --> 00:41:23,490
they couldn't talk about that were real

1013
00:41:27,410 --> 00:41:26,010

that would get him in trouble with you

1014

00:41:30,020 --> 00:41:27,420

know with the government themselves

1015

00:41:32,330 --> 00:41:30,030

there they were they want you to believe

1016

00:41:34,160 --> 00:41:32,340

they're dancing a fine line with what

1017

00:41:35,830 --> 00:41:34,170

they know and what's been declassified

1018

00:41:38,180 --> 00:41:35,840

and what they could talk about and

1019

00:41:40,580 --> 00:41:38,190

what's still being held back but they

1020

00:41:42,980 --> 00:41:40,590

can't talk about what's there and would

1021

00:41:45,109 --> 00:41:42,990

lead to opening up us going to the stars

1022

00:41:47,690 --> 00:41:45,119

that's kind of my take unto the Stars

1023

00:41:49,790 --> 00:41:47,700

what they're doing some of them you know

1024

00:41:51,530 --> 00:41:49,800

studied this phenomena and other guys

1025

00:41:54,109 --> 00:41:51,540

are trying to figure out the phenomenon

1026

00:41:56,630 --> 00:41:54,119

how we can use this to get us into deep

1027

00:41:58,760 --> 00:41:56,640

space and under stall travels so they're

1028

00:42:00,500 --> 00:41:58,770

trying to raise public funds you know

1029

00:42:02,420 --> 00:42:00,510

through stock offerings and offerings

1030

00:42:05,720 --> 00:42:02,430

remember how they're doing it to get the

1031

00:42:07,370 --> 00:42:05,730

money to go smooth the people to to get

1032

00:42:09,320 --> 00:42:07,380

the real money because anyone that

1033

00:42:10,790 --> 00:42:09,330

thinks because people go wow they've

1034

00:42:12,710 --> 00:42:10,800

raised several million dollars maybe

1035

00:42:15,230 --> 00:42:12,720

they have but that's not even gonna get

1036

00:42:16,700 --> 00:42:15,240

them a facility and a piece of equipment

1037

00:42:18,500 --> 00:42:16,710

to start building what we're talking

1038

00:42:21,530 --> 00:42:18,510

about so they need some heavy-duty

1039

00:42:24,020 --> 00:42:21,540

lifting coming from inside the defense

1040

00:42:26,599 --> 00:42:24,030

agencies you know as far as the defense

1041

00:42:29,089 --> 00:42:26,609

agencies learning the sponsor Boeing and

1042

00:42:32,599 --> 00:42:29,099

these different companies to build this

1043

00:42:34,490 --> 00:42:32,609

now what's interesting was I I do a lot

1044

00:42:37,460 --> 00:42:34,500

of snooping around based on different

1045

00:42:39,980 --> 00:42:37,470

things that they say and I posted

1046

00:42:42,589 --> 00:42:39,990

yesterday a document now this was 1990

1047

00:42:44,810 --> 00:42:42,599

and and that's the problem I have with a

1048

00:42:46,790 --> 00:42:44,820

lot of this but you know people just

1049

00:42:49,220 --> 00:42:46,800

don't read much I don't want to go very

1050

00:42:53,060 --> 00:42:49,230

deep and dissect documents and look for

1051
00:42:55,460 --> 00:42:53,070
things but it was a 1990 document but it

1052
00:42:56,569 --> 00:42:55,470
went into things these are all NASA

1053
00:42:58,999 --> 00:42:56,579
people an engineer

1054
00:43:01,130 --> 00:42:59,009
and stuff talking about the future of a

1055
00:43:03,049 --> 00:43:01,140
Sphynx travel and where we needed to be

1056
00:43:05,419 --> 00:43:03,059
in what we needed to do and how we

1057
00:43:07,069 --> 00:43:05,429
needed to go out in deep space so why we

1058
00:43:09,079 --> 00:43:07,079
need to go out in deep space and there's

1059
00:43:11,089 --> 00:43:09,089
more out there I've come across more

1060
00:43:13,189 --> 00:43:11,099
stuff that's more current but I just do

1061
00:43:15,109 --> 00:43:13,199
this document out and a couple things

1062
00:43:18,019 --> 00:43:15,119
that stood out that are being addressed

1063
00:43:21,650 --> 00:43:18,029

today and this was a 1990 was were

1064

00:43:24,319 --> 00:43:21,660

ruining our ecosystem so they're their

1065

00:43:26,469 --> 00:43:24,329

answer was let's go out and do all the

1066

00:43:30,140 --> 00:43:26,479

mechanical stuff and another planet and

1067

00:43:32,239 --> 00:43:30,150

keep earth pristine ok now there is a

1068

00:43:33,859 --> 00:43:32,249

race to go to deep space why is that is

1069

00:43:35,959 --> 00:43:33,869

it because they know we're destroying

1070

00:43:38,029 --> 00:43:35,969

everything so we can colonize these

1071

00:43:40,219 --> 00:43:38,039

other places grow our food and do our

1072

00:43:41,509 --> 00:43:40,229

stuff and do all to get all the minerals

1073

00:43:43,939 --> 00:43:41,519

and stuff them up there and stop

1074

00:43:46,400 --> 00:43:43,949

destroying what we have that's possible

1075

00:43:48,289 --> 00:43:46,410

they talked about that in 1990 but one

1076

00:43:50,449 --> 00:43:48,299

of the things that I really picked up on

1077

00:43:53,870 --> 00:43:50,459

which was very interesting was they

1078

00:43:57,199 --> 00:43:53,880

talked about sending out probes to other

1079

00:43:59,269 --> 00:43:57,209

set of places and then transmitting

1080

00:44:01,370 --> 00:43:59,279

consciousness human consciousness to

1081

00:44:06,259 --> 00:44:01,380

these probes and that would mean that we

1082

00:44:10,489 --> 00:44:06,269

now had human said occupied other other

1083

00:44:12,469 --> 00:44:10,499

planets or other locations and that

1084

00:44:14,089 --> 00:44:12,479

really was stunning to me that they

1085

00:44:15,919 --> 00:44:14,099

wanted to use human consciousness

1086

00:44:19,309 --> 00:44:15,929

because one of the things that's really

1087

00:44:21,349 --> 00:44:19,319

becoming a big word and ufology in this

1088

00:44:24,499 --> 00:44:21,359

field is consciousness itself how it

1089

00:44:26,390 --> 00:44:24,509

plays into all this so one of the things

1090

00:44:28,609 --> 00:44:26,400

that I'm questioning is is that's what's

1091

00:44:30,699 --> 00:44:28,619

already happened to us is what some of

1092

00:44:33,410 --> 00:44:30,709

what we're seeing and dealing with is

1093

00:44:36,140 --> 00:44:33,420

transmissions of consciousness from

1094

00:44:38,449 --> 00:44:36,150

other locations you know in the galaxy

1095

00:44:40,880 --> 00:44:38,459

or even deeper and farther out than that

1096

00:44:43,509 --> 00:44:40,890

you know and that's the interaction

1097

00:44:47,749 --> 00:44:43,519

we're having and have these

1098

00:44:49,759 --> 00:44:47,759

civilizations learned how to get back

1099

00:44:52,489 --> 00:44:49,769

and forth using black holes or whatever

1100

00:44:55,370 --> 00:44:52,499

and getting here and trying to

1101
00:44:57,169 --> 00:44:55,380
communicate with us now I'm glad you

1102
00:45:01,219 --> 00:44:57,179
brought up by the C word consciousness

1103
00:45:04,519 --> 00:45:01,229
because you have been involved at least

1104
00:45:06,559 --> 00:45:04,529
to some extent with what's getting

1105
00:45:07,849 --> 00:45:06,569
talked about a little bit here and there

1106
00:45:10,280 --> 00:45:07,859
at least among the other folks who are

1107
00:45:13,880 --> 00:45:10,290
following this whole subject

1108
00:45:18,050 --> 00:45:13,890
a study conducted by kick Greene and

1109
00:45:19,760 --> 00:45:18,060
Gary Nolan and Noland associated with

1110
00:45:25,220 --> 00:45:19,770
the to the Stars Academy as well

1111
00:45:28,220 --> 00:45:25,230
regarding consciousness telepathy eg

1112
00:45:30,740 --> 00:45:28,230
contact and so on I don't know how much

1113
00:45:33,190 --> 00:45:30,750

you can tell us about that but I know

1114

00:45:35,480 --> 00:45:33,200

you've you've confirmed it openly so

1115

00:45:39,349 --> 00:45:35,490

tell us everything you possibly can

1116

00:45:43,099 --> 00:45:39,359

about all I'll be happy to lay it out

1117

00:45:45,260 --> 00:45:43,109

okay basically you'd kind of ask me two

1118

00:45:47,660 --> 00:45:45,270

questions and one earlier about the

1119

00:45:50,510 --> 00:45:47,670

radio and then some of the other stuff

1120

00:45:53,180 --> 00:45:50,520

that happened right well went to a Steve

1121

00:45:56,150 --> 00:45:53,190

Bassett conference and it was it was a

1122

00:45:58,820 --> 00:45:56,160

mock citizens hearing on UFOs and they

1123

00:46:01,130 --> 00:45:58,830

brought he is retired count

1124

00:46:03,349 --> 00:46:01,140

congressional people okay a couple more

1125

00:46:06,830 --> 00:46:03,359

very interesting because one of them was

1126

00:46:09,680 --> 00:46:06,840

involved in the actual who's at the you

1127

00:46:12,530 --> 00:46:09,690

have not UFO it was a pentagon papers or

1128

00:46:14,300 --> 00:46:12,540

whatever okay this guy was had a heavy

1129

00:46:16,880 --> 00:46:14,310

background and understanding secret

1130

00:46:18,410 --> 00:46:16,890

government and what went on I and and if

1131

00:46:20,950 --> 00:46:18,420

you look at the interaction we have with

1132

00:46:23,510 --> 00:46:20,960

him he actually challenged us that what

1133

00:46:25,400 --> 00:46:23,520

what did we know that we weren't talking

1134

00:46:27,710 --> 00:46:25,410

about and we should tell them that day

1135

00:46:29,300 --> 00:46:27,720

and all the other people on the panel I

1136

00:46:30,980 --> 00:46:29,310

know though they don't have the rights

1137

00:46:34,450 --> 00:46:30,990

that we do don't don't say nothing you

1138

00:46:37,849 --> 00:46:34,460

know but anyway so we did this hearing

1139

00:46:42,170 --> 00:46:37,859

and it wasn't more than a couple weeks

1140

00:46:43,820 --> 00:46:42,180

later I get great contacts the lawyer

1141

00:46:46,460 --> 00:46:43,830

that was working with this and he was

1142

00:46:49,370 --> 00:46:46,470

really helping me on the whole thing

1143

00:46:50,870 --> 00:46:49,380

involving my illness the VA because it

1144

00:46:53,420 --> 00:46:50,880

was the lawyer or was that Daniel

1145

00:46:56,990 --> 00:46:53,430

Sheehan know that was pat force cornea a

1146

00:46:58,760 --> 00:46:57,000

guy that I met on yes he did a

1147

00:47:00,050 --> 00:46:58,770

conference in Mississippi and I start

1148

00:47:03,109 --> 00:47:00,060

talking to him about things and his

1149

00:47:05,990 --> 00:47:03,119

background was and he sued corporations

1150

00:47:07,880 --> 00:47:06,000

for wrongdoing it's okay so anyway we

1151

00:47:11,109 --> 00:47:07,890

were preparing the case and we were

1152

00:47:13,849 --> 00:47:11,119

using um we were using

1153

00:47:16,250 --> 00:47:13,859

John McCain was involved pretty much by

1154

00:47:18,980 --> 00:47:16,260

that point but we were going to take the

1155

00:47:24,350 --> 00:47:18,990

federal government to court and we were

1156

00:47:25,790 --> 00:47:24,360

going to do this this was not a like

1157

00:47:27,650 --> 00:47:25,800

you know we weren't trying to bluff him

1158

00:47:29,390 --> 00:47:27,660

we were going yeah and we're taking part

1159

00:47:31,280 --> 00:47:29,400

we were doing steps to do this because

1160

00:47:34,340 --> 00:47:31,290

what they had done was they had

1161

00:47:36,380 --> 00:47:34,350

classified my records so the VA was

1162

00:47:38,600 --> 00:47:36,390

going along lines as well we can't

1163

00:47:40,700 --> 00:47:38,610

really see what happened oh and by the

1164

00:47:42,560 --> 00:47:40,710

way anyway he really wasn't in when he

1165

00:47:44,300 --> 00:47:42,570

said the incident took place because the

1166

00:47:45,590 --> 00:47:44,310

documents we got from the Department of

1167

00:47:48,920 --> 00:47:45,600

Defense say didn't come in the Air Force

1168

00:47:50,420 --> 00:47:48,930

until 1980 do okay so based on the fact

1169

00:47:52,730 --> 00:47:50,430

that he wasn't in the Air Force when he

1170

00:47:54,230 --> 00:47:52,740

said the incident took place and the

1171

00:47:56,210 --> 00:47:54,240

fact that we don't have any medical

1172

00:48:00,530 --> 00:47:56,220

records and we have very little access

1173

00:48:02,600 --> 00:48:00,540

period to them we we can't make a you

1174

00:48:05,270 --> 00:48:02,610

know we can't judge or we're denying

1175

00:48:08,750 --> 00:48:05,280

this claim for being sick so we're like

1176

00:48:10,460 --> 00:48:08,760

well let us see what you have well we're

1177

00:48:12,290 --> 00:48:10,470

not gonna release his records well wait

1178

00:48:14,210 --> 00:48:12,300

a minute those are his records he has a

1179

00:48:16,250 --> 00:48:14,220

right to him we're not going to release

1180

00:48:18,830 --> 00:48:16,260

those records they are being held back

1181

00:48:21,650 --> 00:48:18,840

and the aides that worked on this behind

1182

00:48:25,190 --> 00:48:21,660

the scenes got verification they were in

1183

00:48:27,050 --> 00:48:25,200

a classified section or an agency inside

1184

00:48:28,640 --> 00:48:27,060

the federal government that usually

1185

00:48:31,850 --> 00:48:28,650

holds on the records that were involved

1186

00:48:33,940 --> 00:48:31,860

in Special Operations incidents okay one

1187

00:48:36,380 --> 00:48:33,950

of the guys on the panel was a

1188

00:48:39,890 --> 00:48:36,390

congressman who worked in Maryland and

1189

00:48:42,470 --> 00:48:39,900

his biggest issuance were people that

1190

00:48:44,360 --> 00:48:42,480

were in the CIA and different agencies

1191

00:48:46,190 --> 00:48:44,370

that were injured and they were having

1192

00:48:49,340 --> 00:48:46,200

trouble getting care because everything

1193

00:48:50,960 --> 00:48:49,350

was locked out so he helped us this

1194

00:48:53,090 --> 00:48:50,970

other senator knew some stuff that

1195

00:48:54,740 --> 00:48:53,100

helped us we had sent her to McCain in

1196

00:48:56,570 --> 00:48:54,750

the middle of it I got general Williams

1197

00:48:58,610 --> 00:48:56,580

involved and some other things and I

1198

00:49:00,640 --> 00:48:58,620

eventually got my settlement but along

1199

00:49:03,830 --> 00:49:00,650

comes this guy by the name of kid green

1200

00:49:07,720 --> 00:49:03,840

no idea I've never heard of him talks to

1201
00:49:10,940 --> 00:49:07,730
Pat goes down and visits Pat okay and

1202
00:49:15,290 --> 00:49:10,950
tells Pat that he was very interested in

1203
00:49:18,740 --> 00:49:15,300
our case and us directly all right

1204
00:49:21,830 --> 00:49:18,750
so basically he flies in and out like a

1205
00:49:24,560 --> 00:49:21,840
spook would that day right and what

1206
00:49:26,960 --> 00:49:24,570
wants to meet with this right so he

1207
00:49:29,180 --> 00:49:26,970
eventually I agree to meet with him is

1208
00:49:32,150 --> 00:49:29,190
Sedona he flies out brings Pat out and

1209
00:49:34,490 --> 00:49:32,160
his wife who's a lawyer and a certified

1210
00:49:36,470 --> 00:49:34,500
nurse out and wants to talk to me about

1211
00:49:38,950 --> 00:49:36,480
my condition what's going on and

1212
00:49:41,480 --> 00:49:38,960
why they're interested right in detail

1213
00:49:43,460 --> 00:49:41,490

okay and just for the record so

1214

00:49:44,630 --> 00:49:43,470

everybody understands is peniston's been

1215

00:49:46,700 --> 00:49:44,640

yelling and screaming about a lot of

1216

00:49:49,640 --> 00:49:46,710

this but Jim also took the time to meet

1217

00:49:51,140 --> 00:49:49,650

with this guy too and Rockford and came

1218

00:49:52,760 --> 00:49:51,150

and asked some very interesting

1219

00:49:54,980 --> 00:49:52,770

questions and came up with some things

1220

00:49:57,050 --> 00:49:54,990

too but what we may be getting out later

1221

00:50:00,200 --> 00:49:57,060

but getting back to this guy he shows up

1222

00:50:03,980 --> 00:50:00,210

and here's what he wants he wants to do

1223

00:50:08,570 --> 00:50:03,990

an MRI on me and to look into my brain

1224

00:50:13,910 --> 00:50:08,580

and then also he wants to take my DNA so

1225

00:50:16,849 --> 00:50:13,920

I'm like oh why and he gave me a rough

1226

00:50:19,190 --> 00:50:16,859

draft kind of a rough outline like

1227

00:50:22,520 --> 00:50:19,200

spooks do about why I'm not going into

1228

00:50:23,150 --> 00:50:22,530

great detail and I just thought that not

1229

00:50:25,970 --> 00:50:23,160

to interrupt

1230

00:50:27,859 --> 00:50:25,980

John but did he get did you get a sense

1231

00:50:29,150 --> 00:50:27,869

that he was fairly on and looking at

1232

00:50:31,670 --> 00:50:29,160

this sort of thing or this was kind of

1233

00:50:35,210 --> 00:50:31,680

an ongoing project he'd been through

1234

00:50:36,770 --> 00:50:35,220

many many times because it's still it

1235

00:50:41,480 --> 00:50:36,780

seems like it's still either going on

1236

00:50:43,010 --> 00:50:41,490

now or hasn't really gotten all that far

1237

00:50:46,220 --> 00:50:43,020

at this point and it seems like it's a

1238

00:50:48,290 --> 00:50:46,230

few years I'm not going to go into too

1239

00:50:51,050 --> 00:50:48,300

much of that end of it what I can tell

1240

00:50:52,910 --> 00:50:51,060

you is this they definitely had people

1241

00:50:56,510 --> 00:50:52,920

inside the military that were being

1242

00:50:58,609 --> 00:50:56,520

studied for different reasons okay um if

1243

00:51:00,380 --> 00:50:58,619

you read Annie Jacobson's book they

1244

00:51:02,390 --> 00:51:00,390

themselves explaining it a little bit

1245

00:51:04,670 --> 00:51:02,400

more in detail but what I could tell you

1246

00:51:06,470 --> 00:51:04,680

is it was an ongoing program that was

1247

00:51:08,510 --> 00:51:06,480

being sponsored they had funding for it

1248

00:51:10,070 --> 00:51:08,520

he wouldn't elaborate who the funding

1249

00:51:12,560 --> 00:51:10,080

was from whether it was federal

1250

00:51:14,859 --> 00:51:12,570

government or whatever but going forward

1251

00:51:18,650 --> 00:51:14,869

now you see that the government did fund

1252

00:51:21,710 --> 00:51:18,660

different programs through Bigelow and

1253

00:51:23,180 --> 00:51:21,720

bass and everything else so the you put

1254

00:51:25,400 --> 00:51:23,190

two a two together it was probably

1255

00:51:28,280 --> 00:51:25,410

government money that was being spent to

1256

00:51:31,970 --> 00:51:28,290

do this stuff okay okay but what he

1257

00:51:35,030 --> 00:51:31,980

wanted was to do the MRI and into arm

1258

00:51:37,490 --> 00:51:35,040

and to do a DNA testing well I'm like

1259

00:51:40,400 --> 00:51:37,500

whoa whoa am I gonna know what the

1260

00:51:43,099 --> 00:51:40,410

results are well yeah well we'll give

1261

00:51:45,349 --> 00:51:43,109

you a summary I go whoa what what kind

1262

00:51:46,910 --> 00:51:45,359

of second opinion can I get that well

1263

00:51:50,120 --> 00:51:46,920

there's really nobody else out there

1264

00:51:53,690 --> 00:51:50,130

that can give a second opinion this

1265

00:51:56,720 --> 00:51:53,700

is all top edge stuff on the MRI and

1266

00:51:59,450 --> 00:51:56,730

then the DNA and there's only two places

1267

00:52:01,880 --> 00:51:59,460

in the world that can do this DNA so I'm

1268

00:52:03,650 --> 00:52:01,890

like I don't think so

1269

00:52:06,259 --> 00:52:03,660

that's what I told him I says there's no

1270

00:52:08,509 --> 00:52:06,269

way so then he kept pushing and he said

1271

00:52:11,450 --> 00:52:08,519

well let's do at least through the MRI

1272

00:52:13,430 --> 00:52:11,460

this is okay well if I did the MRI we're

1273

00:52:15,529 --> 00:52:13,440

gonna do it in Mississippi we're gonna

1274

00:52:17,870 --> 00:52:15,539

do it at the hospital the past wife's

1275

00:52:19,940 --> 00:52:17,880

work so that you're gonna totally brief

1276

00:52:22,309 --> 00:52:19,950

this doctor on what you're looking for

1277

00:52:25,249 --> 00:52:22,319

what it is and I want to follow up by

1278

00:52:27,019 --> 00:52:25,259

their top neurologist you know in it

1279

00:52:27,799 --> 00:52:27,029

they're if what you're telling me is

1280

00:52:30,499 --> 00:52:27,809

true or not

1281

00:52:32,809 --> 00:52:30,509

whoa okay we could do that okay he

1282

00:52:34,370 --> 00:52:32,819

didn't really see that that excited at

1283

00:52:36,680 --> 00:52:34,380

that point then but we could do that so

1284

00:52:41,089 --> 00:52:36,690

he left and was driving down to the

1285

00:52:44,240 --> 00:52:41,099

valley okay so um I go back to my house

1286

00:52:45,740 --> 00:52:44,250

I lived in Sedona and my son hung out at

1287

00:52:47,150 --> 00:52:45,750

the hotel with Pat went swimming with

1288

00:52:48,890 --> 00:52:47,160

his son was out there or was hanging

1289

00:52:51,650 --> 00:52:48,900

around but time I got back from my house

1290

00:52:53,210 --> 00:52:51,660

Green had already called back from going

1291

00:52:54,920 --> 00:52:53,220

down to the valley and said well I

1292

00:52:56,599 --> 00:52:54,930

really can't do the MRI because he's got

1293

00:52:59,390 --> 00:52:56,609

a pacemaker and I could we could do it

1294

00:53:03,259 --> 00:52:59,400

as long as the MRI was a pacemaker is um

1295

00:53:06,049 --> 00:53:03,269

is a you know MRI compatible but it'd be

1296

00:53:08,329 --> 00:53:06,059

hard to justify doing it based on um on

1297

00:53:10,579 --> 00:53:08,339

what I'm looking for he goes but I

1298

00:53:12,230 --> 00:53:10,589

really want that DNA sample so here's

1299

00:53:15,859 --> 00:53:12,240

what we're doing I'm flying in Gary

1300

00:53:17,809 --> 00:53:15,869

Nolan in to Vegas meeting with Kelleher

1301

00:53:19,910 --> 00:53:17,819

and they're going to drive down for

1302

00:53:23,029 --> 00:53:19,920

Vegas tomorrow and meet you in Flagstaff

1303

00:53:26,210 --> 00:53:23,039

and we're gonna get your DNA so pat was

1304

00:53:28,279 --> 00:53:26,220

like what and he's and because I wasn't

1305

00:53:30,740 --> 00:53:28,289

even there he goes I'd have to ask John

1306

00:53:32,870 --> 00:53:30,750

if he'd be willing to do it and then

1307

00:53:35,569 --> 00:53:32,880

they hung up so by the time I got back

1308

00:53:37,789 --> 00:53:35,579

there Pat's telling me this and but

1309

00:53:39,470 --> 00:53:37,799

between that hang up and the next hang

1310

00:53:40,910 --> 00:53:39,480

up was kid had already called the back

1311

00:53:42,700 --> 00:53:40,920

and said they were gonna be coming the

1312

00:53:45,950 --> 00:53:42,710

tickets and everything had been booked

1313

00:53:48,470 --> 00:53:45,960

so I'm looking at Pat and I go I ain't

1314

00:53:50,720 --> 00:53:48,480

giving him my DNA so this [h__h] ain't

1315

00:53:53,839 --> 00:53:50,730

gonna fly well to make a long story

1316

00:53:57,170 --> 00:53:53,849

short they did come down this was like

1317

00:53:59,029 --> 00:53:57,180

from a movie okay but we went to the

1318

00:54:00,440 --> 00:53:59,039

canyon now morning we did we drove to

1319

00:54:02,809 --> 00:54:00,450

the canyon they came in mid late

1320

00:54:03,980 --> 00:54:02,819

afternoon we met him first we first of

1321

00:54:06,530 --> 00:54:03,990

all I stated

1322

00:54:07,790 --> 00:54:06,540

deniz with my son and his son and him

1323

00:54:10,250 --> 00:54:07,800

and his wife went down and met with

1324

00:54:12,109 --> 00:54:10,260

Kelleher and Nolan at this hotel they

1325

00:54:16,570 --> 00:54:12,119

had a person there to draw the blood and

1326
00:54:19,640 --> 00:54:16,580
get it out and everything else and um so

1327
00:54:20,780 --> 00:54:19,650
so yeah we did you know Kelleher and

1328
00:54:25,100 --> 00:54:20,790
knowing were at the time where these

1329
00:54:27,410 --> 00:54:25,110
guys I just had no idea basically up

1330
00:54:28,760 --> 00:54:27,420
until I met them and then started doing

1331
00:54:32,780 --> 00:54:28,770
some research on him um

1332
00:54:34,400 --> 00:54:32,790
Nolan especially um Kelleher you know he

1333
00:54:35,870 --> 00:54:34,410
had something to do with skinwalker so I

1334
00:54:37,730 --> 00:54:35,880
may have heard this name before but I

1335
00:54:40,550 --> 00:54:37,740
really had never looked at skinwalker or

1336
00:54:42,650 --> 00:54:40,560
anything else okay so so they they don't

1337
00:54:44,870 --> 00:54:42,660
take no for an answer so they come and

1338
00:54:47,810 --> 00:54:44,880

get me and I go back down and I talked

1339

00:54:50,690 --> 00:54:47,820

to him and I meet Nolan and color and um

1340

00:54:52,370 --> 00:54:50,700

I said well you tell your boss which oh

1341

00:54:53,780 --> 00:54:52,380

did bigelow I was pretty sure was

1342

00:54:55,070 --> 00:54:53,790

involved with this but then just what

1343

00:54:56,960 --> 00:54:55,080

they're saying and I had had

1344

00:54:58,070 --> 00:54:56,970

interactions with Diggle those people

1345

00:55:00,710 --> 00:54:58,080

for quite a while

1346

00:55:02,000 --> 00:55:00,720

at the time they kept contacting me and

1347

00:55:04,190 --> 00:55:02,010

wanting to talk to me and I kept telling

1348

00:55:07,400 --> 00:55:04,200

them no I said I'll talk to Bigelow not

1349

00:55:10,150 --> 00:55:07,410

you guys I don't talk to and they didn't

1350

00:55:12,859 --> 00:55:10,160

like that and I said and the other other

1351

00:55:14,690 --> 00:55:12,869

condition I have is I want to go up to

1352

00:55:16,190 --> 00:55:14,700

the ranch I'll meet with them at the

1353

00:55:18,140 --> 00:55:16,200

ranch and we could talk about this stuff

1354

00:55:20,120 --> 00:55:18,150

and stuff so I'd always get the well

1355

00:55:22,609 --> 00:55:20,130

we're not going to do that so well fine

1356

00:55:24,410 --> 00:55:22,619

and I don't talk to big law so anyway so

1357

00:55:25,849 --> 00:55:24,420

when I met with them I says I'm not in

1358

00:55:28,070 --> 00:55:25,859

any position to do this right now

1359

00:55:29,660 --> 00:55:28,080

because as you just told me again only

1360

00:55:32,870 --> 00:55:29,670

you could tell me what it is and there

1361

00:55:34,609 --> 00:55:32,880

is a lab in Germany they did does this

1362

00:55:36,080 --> 00:55:34,619

too so how am I going to get involved

1363

00:55:37,310 --> 00:55:36,090

you could tell me there's nothing to it

1364

00:55:39,530 --> 00:55:37,320

and there is there is something to it

1365

00:55:41,000 --> 00:55:39,540

what it is and I can't verify so I

1366

00:55:42,740 --> 00:55:41,010

really have no interest in this right

1367

00:55:44,060 --> 00:55:42,750

now I don't trust you I don't trust any

1368

00:55:46,940 --> 00:55:44,070

of this and I don't even know really who

1369

00:55:49,580 --> 00:55:46,950

you people are I said this is way beyond

1370

00:55:51,530 --> 00:55:49,590

what I what I can comprehend right now

1371

00:55:54,560 --> 00:55:51,540

and I needed more do more research

1372

00:55:58,160 --> 00:55:54,570

anyway so they were pissed okay they

1373

00:56:00,470 --> 00:55:58,170

just came down on a weekend and they

1374

00:56:02,000 --> 00:56:00,480

left Green calls up at almost

1375

00:56:04,550 --> 00:56:02,010

immediately afterwards and just going

1376

00:56:07,010 --> 00:56:04,560

ballistic and I basically just said you

1377

00:56:09,650 --> 00:56:07,020

know what you guys aren't giving me [\h__\h]

1378

00:56:11,210 --> 00:56:09,660

okay do i doing [\h__\h] for me why am I

1379

00:56:14,090 --> 00:56:11,220

gonna do [\h__\h] for you other than to tell

1380

00:56:15,740 --> 00:56:14,100

me I'm really sick that I may die in the

1381

00:56:17,420 --> 00:56:15,750

near future and

1382

00:56:19,850 --> 00:56:17,430

you kind of have an idea what it is but

1383

00:56:23,990 --> 00:56:19,860

I'm not going to do anything for you so

1384

00:56:26,390 --> 00:56:24,000

go to hell all right and so this started

1385

00:56:28,310 --> 00:56:26,400

this long interaction that once start

1386

00:56:28,760 --> 00:56:28,320

this was in July that's going on to this

1387

00:56:32,090 --> 00:56:28,770

day

1388

00:56:36,080 --> 00:56:32,100

but what did happen was shortly after

1389

00:56:37,880 --> 00:56:36,090

that um he met with Penniston and one of

1390

00:56:39,470 --> 00:56:37,890

the things that was interesting was him

1391

00:56:41,690 --> 00:56:39,480

and Penniston both agreed they told Pat

1392

00:56:43,580 --> 00:56:41,700

and he actually told me individually not

1393

00:56:45,320 --> 00:56:43,590

the same time on the phone that I have

1394

00:56:48,140 --> 00:56:45,330

something hidden away that I'll remember

1395

00:56:50,420 --> 00:56:48,150

someday that's very important okay but I

1396

00:56:52,280 --> 00:56:50,430

just kept telling them no I'm not giving

1397

00:56:54,230 --> 00:56:52,290

my DNA to the United States government

1398

00:56:57,230 --> 00:56:54,240

and you guys worth the fact that

1399

00:57:00,980 --> 00:56:57,240

nothing's being done for me so all of a

1400

00:57:04,370 --> 00:57:00,990

sudden out of the blue okay um and had

1401
00:57:08,360 --> 00:57:04,380
already gotten partial I've been seen by

1402
00:57:09,890 --> 00:57:08,370
the VA on on my disability complaint

1403
00:57:12,080 --> 00:57:09,900
okay okay

1404
00:57:14,690 --> 00:57:12,090
and they denied it right so I saw some

1405
00:57:17,720 --> 00:57:14,700
doctors there but Hollis sudden the VA

1406
00:57:20,270 --> 00:57:17,730
wanted to see me again okay they wanted

1407
00:57:23,570 --> 00:57:20,280
to see me and and I got this letter from

1408
00:57:26,020 --> 00:57:23,580
dr. Greene okay Pat got it actually he

1409
00:57:29,390 --> 00:57:26,030
ties that he ties this up very well in

1410
00:57:31,430 --> 00:57:29,400
attorney-client privileges okay so he

1411
00:57:33,440 --> 00:57:31,440
sends his letter to Pat and it's a

1412
00:57:36,620 --> 00:57:33,450
detailed explanation of what's going on

1413
00:57:39,620 --> 00:57:36,630

all right and he says you can hand this

1414

00:57:42,080 --> 00:57:39,630

over to a VA doctor who will know what

1415

00:57:45,050 --> 00:57:42,090

to do with this and the wheels will

1416

00:57:48,050 --> 00:57:45,060

start getting turning on this like okay

1417

00:57:49,580 --> 00:57:48,060

so I go and see my doctor I get my first

1418

00:57:51,920 --> 00:57:49,590

doctor's appointment and I'm getting

1419

00:57:55,070 --> 00:57:51,930

really sick I walk in a hand is to this

1420

00:57:56,840 --> 00:57:55,080

one doctor who I never you know he

1421

00:57:58,460 --> 00:57:56,850

wasn't even from that facility who's

1422

00:57:58,910 --> 00:57:58,470

from another facility I thought that was

1423

00:58:01,070 --> 00:57:58,920

strange

1424

00:58:03,110 --> 00:58:01,080

he immediately reads it gets up walks in

1425

00:58:04,580 --> 00:58:03,120

those talks to the main doctor you hear

1426

00:58:05,960 --> 00:58:04,590

I'm getting on the phone you can't hear

1427

00:58:07,130 --> 00:58:05,970

exactly what's being said but you can

1428

00:58:09,830 --> 00:58:07,140

hear because your office is right next

1429

00:58:11,270 --> 00:58:09,840

to where my exam room is next thing you

1430

00:58:13,790 --> 00:58:11,280

know they come flying in here and saying

1431

00:58:17,540 --> 00:58:13,800

oh okay we've already got your

1432

00:58:20,900 --> 00:58:17,550

cardiology appointment and Prescott

1433

00:58:22,580 --> 00:58:20,910

tomorrow or the next day on ba blah blah

1434

00:58:24,260 --> 00:58:22,590

goes to this cardiologist he's going to

1435

00:58:26,720 --> 00:58:24,270

deal with all this so I go in and see

1436

00:58:29,120 --> 00:58:26,730

this cardiologist who immediately gets

1437

00:58:31,370 --> 00:58:29,130

me rolling and gets me down into two

1438

00:58:33,620 --> 00:58:31,380

whoo which is the main cardiology

1439

00:58:35,840 --> 00:58:33,630

division in Arizona so I go down there

1440

00:58:38,780 --> 00:58:35,850

almost immediately and know this happens

1441

00:58:41,510 --> 00:58:38,790

normally in the VA okay yeah right well

1442

00:58:43,460 --> 00:58:41,520

well I well I'll occations for a

1443

00:58:47,660 --> 00:58:43,470

disability getting denied that happens

1444

00:58:49,160 --> 00:58:47,670

all the time well know how fast I study

1445

00:58:50,570 --> 00:58:49,170

right right right yeah suddenly yeah

1446

00:58:53,860 --> 00:58:50,580

suddenly a key got turned in the lock

1447

00:58:55,970 --> 00:58:53,870

well so I go down there and the initial

1448

00:58:58,700 --> 00:58:55,980

reason I was going down there was for

1449

00:59:00,260 --> 00:58:58,710

further evaluation to be looked at and

1450

00:59:02,480 --> 00:59:00,270

talked about possible surgery or what

1451
00:59:04,040 --> 00:59:02,490
they were gonna do I go in there and I

1452
00:59:06,590 --> 00:59:04,050
get early I get there early especially

1453
00:59:09,530 --> 00:59:06,600
on long drives and I noticed it's the

1454
00:59:11,150 --> 00:59:09,540
surgery area and the surgeons doctors

1455
00:59:13,850 --> 00:59:11,160
coming down calling everybody in and

1456
00:59:16,310 --> 00:59:13,860
then when it comes my turn a different

1457
00:59:18,500 --> 00:59:16,320
doctor calls me in and I'm like what's

1458
00:59:20,930 --> 00:59:18,510
going on here so I go back there and

1459
00:59:22,430 --> 00:59:20,940
they start negotiating with me on what

1460
00:59:24,830 --> 00:59:22,440
tests they want to do that day and

1461
00:59:27,110 --> 00:59:24,840
everything else and I'm like number one

1462
00:59:27,800 --> 00:59:27,120
I didn't come down here to stay

1463
00:59:29,240 --> 00:59:27,810

overnight

1464

00:59:32,090 --> 00:59:29,250

my son's playing the homecoming game

1465

00:59:34,070 --> 00:59:32,100

football tonight I'm not staying and I'm

1466

00:59:35,810 --> 00:59:34,080

not doing these tests and number two I

1467

00:59:37,610 --> 00:59:35,820

know enough about my board thicknesses

1468

00:59:39,170 --> 00:59:37,620

this is not the proper thing to do

1469

00:59:41,120 --> 00:59:39,180

because all you go to what you take this

1470

00:59:43,850 --> 00:59:41,130

and you'll be fine I'm not gonna do it

1471

00:59:46,550 --> 00:59:43,860

so he starts negotiations

1472

00:59:49,010 --> 00:59:46,560

um takes me back I meet the surgeon

1473

00:59:50,900 --> 00:59:49,020

who's bringing everybody else in so

1474

00:59:52,160 --> 00:59:50,910

there really was this I was gonna have

1475

00:59:54,380 --> 00:59:52,170

this same surgery done by this

1476
00:59:57,050 --> 00:59:54,390
particular surgeon who's really tops in

1477
00:59:59,810 --> 00:59:57,060
his field but um and in starts ago she

1478
01:00:01,430 --> 00:59:59,820
he starts talking about my echo that no

1479
01:00:02,930 --> 01:00:01,440
one else could see and this is you know

1480
01:00:04,370 --> 01:00:02,940
what let's go downstairs

1481
01:00:06,860 --> 01:00:04,380
we've got better equipment we're gonna

1482
01:00:09,290 --> 01:00:06,870
do another echo the guys doing the echo

1483
01:00:12,740 --> 01:00:09,300
looks at it starts freaking out make

1484
01:00:16,370 --> 01:00:12,750
some phone calls and I end up back back

1485
01:00:17,720 --> 01:00:16,380
um back to this doctor who I've now got

1486
01:00:19,280 --> 01:00:17,730
all these appointments scheduled and

1487
01:00:20,600 --> 01:00:19,290
they're gonna get the surgery done so

1488
01:00:24,620 --> 01:00:20,610

all of a sudden all this stuff happens

1489

01:00:26,630 --> 01:00:24,630

boom like this right so all this stuff

1490

01:00:28,250 --> 01:00:26,640

takes place I have a handler the whole

1491

01:00:30,590 --> 01:00:28,260

time whoever this other doctor is

1492

01:00:32,330 --> 01:00:30,600

because all these other patients the

1493

01:00:35,030 --> 01:00:32,340

surgeon dealt with him this guy was

1494

01:00:37,520 --> 01:00:35,040

everywhere I was he was he handled all

1495

01:00:39,020 --> 01:00:37,530

my everything you know how when you have

1496

01:00:40,760 --> 01:00:39,030

heart surgery they put holes in your

1497

01:00:42,800 --> 01:00:40,770

neck and they do all this stuff right

1498

01:00:44,900 --> 01:00:42,810

and the nurses the nurses will hang

1499

01:00:47,330 --> 01:00:44,910

all the tissue and everything from it

1500

01:00:50,510 --> 01:00:47,340

right okay he handled everything and he

1501

01:00:52,130 --> 01:00:50,520

bagged at all and everything and so he's

1502

01:00:54,500 --> 01:00:52,140

in there doing all this work with me

1503

01:00:58,400 --> 01:00:54,510

only and then he comes up to me and says

1504

01:00:59,930 --> 01:00:58,410

to me on Sunday he looks at me and we

1505

01:01:05,210 --> 01:00:59,940

start talking now I'm pretty [h__h] up

1506

01:01:06,560 --> 01:01:05,220

still I'm sorry excuse me outside I

1507

01:01:08,690 --> 01:01:06,570

don't even like that kind of language

1508

01:01:11,900 --> 01:01:08,700

out of you on your own show well I know

1509

01:01:16,190 --> 01:01:11,910

but I was a morphine so I was pretty

1510

01:01:18,590 --> 01:01:16,200

screwed up okay now um he asked me why

1511

01:01:21,650 --> 01:01:18,600

am i trying to cause problems for the

1512

01:01:24,830 --> 01:01:21,660

government why am i why I'm what I'm

1513

01:01:26,720 --> 01:01:24,840

trying to do is just disclose and and

1514

01:01:29,150 --> 01:01:26,730

and and interfere with classified

1515

01:01:30,800 --> 01:01:29,160

projects and I'm sitting there pretty

1516

01:01:33,860 --> 01:01:30,810

screwed up and I'm looking at him and

1517

01:01:36,500 --> 01:01:33,870

I'm like what and he asked me again it

1518

01:01:39,290 --> 01:01:36,510

says well first of all I'm pretty sick

1519

01:01:42,080 --> 01:01:39,300

so I got really nothing to lose but

1520

01:01:44,630 --> 01:01:42,090

really all I really want is to be taken

1521

01:01:46,850 --> 01:01:44,640

care of I said I want I've got my

1522

01:01:49,550 --> 01:01:46,860

surgery and it looks like I'll make a

1523

01:01:50,870 --> 01:01:49,560

recovery and I says but now I'm at the

1524

01:01:52,820 --> 01:01:50,880

point where I'm not going to be able to

1525

01:01:54,770 --> 01:01:52,830

work in the fields that I have and then

1526

01:01:57,620 --> 01:01:54,780

where I can make the most money so I am

1527

01:01:59,630 --> 01:01:57,630

looking for disability too so we talked

1528

01:02:02,830 --> 01:01:59,640

a little bit and he says I'm gonna do

1529

01:02:07,370 --> 01:02:02,840

some do a big blood draw and we're gonna

1530

01:02:10,220 --> 01:02:07,380

we're gonna take this blood and and and

1531

01:02:11,870 --> 01:02:10,230

we're gonna have it evaluated for more

1532

01:02:13,820 --> 01:02:11,880

details on your condition I'm like

1533

01:02:16,310 --> 01:02:13,830

[h__h] whatever so he takes the blood

1534

01:02:18,500 --> 01:02:16,320

long story short is I come to find out

1535

01:02:20,960 --> 01:02:18,510

later that was the blood draw they want

1536

01:02:23,960 --> 01:02:20,970

that green and put off wanted to do

1537

01:02:26,090 --> 01:02:23,970

early green wanted to do they not only

1538

01:02:29,660 --> 01:02:26,100

did they have my blood but they had

1539

01:02:32,300 --> 01:02:29,670

tissue they had tissue right so they got

1540

01:02:35,390 --> 01:02:32,310

what they wanted okay but it was

1541

01:02:38,060 --> 01:02:35,400

interesting because I I did get my

1542

01:02:40,580 --> 01:02:38,070

surgery um eventually I did get my

1543

01:02:43,760 --> 01:02:40,590

disability and everything happened and I

1544

01:02:46,010 --> 01:02:43,770

never really prior to my surgery I kept

1545

01:02:48,110 --> 01:02:46,020

bantering with them I want this and this

1546

01:02:51,830 --> 01:02:48,120

before I'll even deal with you people

1547

01:02:53,540 --> 01:02:51,840

right so then I get what I asked for but

1548

01:02:56,120 --> 01:02:53,550

they never came back and said we want

1549

01:02:57,350 --> 01:02:56,130

your DNA and

1550

01:02:59,390 --> 01:02:57,360

are the reason why I learned some of

1551

01:03:01,160 --> 01:02:59,400

this what they did I mean there was

1552

01:03:03,230 --> 01:03:01,170

questions and I actually tried to get my

1553

01:03:05,030 --> 01:03:03,240

records and I was denied access to most

1554

01:03:06,650 --> 01:03:05,040

of that other than a few things I did

1555

01:03:08,000 --> 01:03:06,660

get to see because I basically had to

1556

01:03:10,460 --> 01:03:08,010

moving me down the day after surgery

1557

01:03:12,200 --> 01:03:10,470

down to the records section I got some

1558

01:03:14,000 --> 01:03:12,210

of it but a lot of it was already in the

1559

01:03:16,880 --> 01:03:14,010

Vista system but anyway long story short

1560

01:03:18,830 --> 01:03:16,890

was John Alexander asked me so they come

1561

01:03:20,360 --> 01:03:18,840

after your DNA yet and then go well yeah

1562

01:03:21,830 --> 01:03:20,370

they want it but I didn't give it to him

1563

01:03:23,090 --> 01:03:21,840

and he laughs at me this is before we

1564

01:03:25,310 --> 01:03:23,100

did a radio interview go what do you

1565

01:03:27,470 --> 01:03:25,320

mean sorry got it they got it with your

1566

01:03:29,240 --> 01:03:27,480

surgery they got it with tissue on top

1567

01:03:32,240 --> 01:03:29,250

of it they know what they want to know

1568

01:03:34,730 --> 01:03:32,250

I'm like oh god I should have known

1569

01:03:36,410 --> 01:03:34,740

better but I did so I'm like fine so

1570

01:03:38,810 --> 01:03:36,420

again nothing happened for a while and

1571

01:03:42,320 --> 01:03:38,820

then it was like maybe six months later

1572

01:03:46,190 --> 01:03:42,330

I get this email I'm coming to visit you

1573

01:03:47,900 --> 01:03:46,200

and that was great I'm like okay so he

1574

01:03:49,910 --> 01:03:47,910

comes and visits me he gives me some

1575

01:03:53,030 --> 01:03:49,920

more documents to read and look at and

1576

01:03:55,190 --> 01:03:53,040

some some things to think about and

1577

01:03:58,640 --> 01:03:55,200

start looking into possibly doing and

1578

01:04:01,400 --> 01:03:58,650

and then he says would you would you

1579

01:04:04,460 --> 01:04:01,410

give us your DNA now and I'm like you

1580

01:04:07,370 --> 01:04:04,470

already have it and he goes well you

1581

01:04:11,600 --> 01:04:07,380

know we need it we need your permission

1582

01:04:13,130 --> 01:04:11,610

to use it and I'm like I look at MS as

1583

01:04:15,230 --> 01:04:13,140

well okay kid

1584

01:04:17,540 --> 01:04:15,240

that's fine I said I did always banter

1585

01:04:19,310 --> 01:04:17,550

you guys back and say if I got taken

1586

01:04:20,870 --> 01:04:19,320

care of you know and this is where

1587

01:04:23,150 --> 01:04:20,880

people think I got bought off okay I

1588

01:04:26,090 --> 01:04:23,160

didn't get really bought off but I did

1589

01:04:29,780 --> 01:04:26,100

get what I asked for I got the medical

1590

01:04:31,280 --> 01:04:29,790

surgery and I got disability they

1591

01:04:32,750 --> 01:04:31,290

finally cleared everything and they got

1592

01:04:34,850 --> 01:04:32,760

it taken care of it was a lot of people

1593

01:04:36,530 --> 01:04:34,860

working on this to include green was

1594

01:04:37,850 --> 01:04:36,540

behind the scenes working on it Williams

1595

01:04:40,160 --> 01:04:37,860

was working on it so they did give me

1596

01:04:43,040 --> 01:04:40,170

what I asked for and I said sure that's

1597

01:04:45,650 --> 01:04:43,050

fine I said if that's that important for

1598

01:04:48,320 --> 01:04:45,660

me to be in this study that Norman

1599

01:04:49,880 --> 01:04:48,330

involves mostly current events then yes

1600

01:04:52,580 --> 01:04:49,890

you can have my DNA

1601

01:04:53,870 --> 01:04:52,590

officially okay but the interesting

1602

01:04:57,680 --> 01:04:53,880

thing was they didn't want blood this

1603

01:05:04,340 --> 01:04:57,690

time they wanted just me to give the

1604

01:05:06,650 --> 01:05:04,350

typical spit so I did and but I had one

1605

01:05:07,850 --> 01:05:06,660

more request and I'm gonna clear this up

1606

01:05:09,980 --> 01:05:07,860

today if you don't mind

1607

01:05:12,320 --> 01:05:09,990

okay sure aye-aye

1608

01:05:13,190 --> 01:05:12,330

I'm adopted I don't know my family

1609

01:05:19,510 --> 01:05:13,200

heritage

1610

01:05:21,770 --> 01:05:19,520

I said so my son would like to know what

1611

01:05:23,900 --> 01:05:21,780

my background is he knows what his

1612

01:05:26,420 --> 01:05:23,910

mother's side of the family is but no

1613

01:05:28,160 --> 01:05:26,430

idea what what are I'm not okay what

1614

01:05:32,030 --> 01:05:28,170

mine is so that makes sense

1615

01:05:33,680 --> 01:05:32,040

that's a would you pay for a DNA study

1616

01:05:38,000 --> 01:05:33,690

arm

1617

01:05:39,560 --> 01:05:38,010

besides DNA for on me you know as far as

1618

01:05:42,020 --> 01:05:39,570

your study but would you take a separate

1619

01:05:44,660 --> 01:05:42,030

sample and his sample and see the

1620

01:05:46,460 --> 01:05:44,670

characteristics absolutely I'll do that

1621

01:05:49,220 --> 01:05:46,470

for you that's not a problem he goes I

1622

01:05:50,480 --> 01:05:49,230

can't um pay pay your money because

1623

01:05:52,190 --> 01:05:50,490

first you thought I wanted him to pay me

1624

01:05:54,470 --> 01:05:52,200

money right now so he goes we don't do

1625

01:05:57,730 --> 01:05:54,480

that right like whatever this is what I

1626

01:06:02,990 --> 01:05:57,740

want so he did okay so he sent off a

1627

01:06:05,900 --> 01:06:03,000

sample to this lab in Pennsylvania

1628

01:06:08,240 --> 01:06:05,910

believe it or not and um highly

1629

01:06:11,810 --> 01:06:08,250

accredited blah blah blah and everything

1630

01:06:13,700 --> 01:06:11,820

and on that part and then sent the

1631

01:06:15,890 --> 01:06:13,710

sample for the study which is ongoing

1632

01:06:17,720 --> 01:06:15,900

yes and the one thing I'll say about the

1633

01:06:19,400 --> 01:06:17,730

study with the military study of it is

1634

01:06:20,960 --> 01:06:19,410

one of the reasons why they use military

1635

01:06:22,970 --> 01:06:20,970

is pretty obvious

1636

01:06:24,079 --> 01:06:22,980

you've got confirmed events most of

1637

01:06:25,880 --> 01:06:24,089

these events suppose they have never

1638

01:06:27,859 --> 01:06:25,890

been declassified and people know about

1639

01:06:30,349 --> 01:06:27,869

but you also have access to military

1640

01:06:33,620 --> 01:06:30,359

personnel records and military records

1641

01:06:35,420 --> 01:06:33,630

so you have all this this in the bank so

1642

01:06:37,040 --> 01:06:35,430

you kind of know what these people were

1643

01:06:38,780 --> 01:06:37,050

involved with it's not like a civilian

1644

01:06:40,820 --> 01:06:38,790

not to say that civilities don't have

1645

01:06:45,220 --> 01:06:40,830

incidents but you can't really backtrack

1646

01:06:50,570 --> 01:06:47,660

additional evidence corroborating

1647

01:06:54,050 --> 01:06:50,580

witnesses radar physical evidence got

1648

01:06:56,720 --> 01:06:54,060

you got a lot more oh well here's where

1649

01:06:59,030 --> 01:06:56,730

this is it so that's that study it's

1650

01:07:00,950 --> 01:06:59,040

going on it's gone going they they're

1651
01:07:02,540 --> 01:07:00,960
doing it all I'm not gonna go into a lot

1652
01:07:03,620 --> 01:07:02,550
of detail just because I don't think

1653
01:07:05,390 --> 01:07:03,630
it's the right thing to do

1654
01:07:07,400 --> 01:07:05,400
because I don't even totally understand

1655
01:07:11,150 --> 01:07:07,410
it myself and I have never gotten any

1656
01:07:12,500 --> 01:07:11,160
results back okay on where it mixes and

1657
01:07:15,230 --> 01:07:12,510
everything else I've been promised I

1658
01:07:18,079 --> 01:07:15,240
will but I haven't gotten it back but a

1659
01:07:19,609 --> 01:07:18,089
few movements what major I think it

1660
01:07:21,530 --> 01:07:19,619
would have been this would have been May

1661
01:07:23,240 --> 01:07:21,540
in September or October I'd have to go

1662
01:07:28,220 --> 01:07:23,250
back and look at emails and anything

1663
01:07:30,080 --> 01:07:28,230

I got on I got a phone call and normally

1664

01:07:31,910 --> 01:07:30,090

we didn't interact that way it was an

1665

01:07:33,860 --> 01:07:31,920

email can I call you this but I got woke

1666

01:07:38,450 --> 01:07:33,870

up out of a dead sleep early in the

1667

01:07:40,550 --> 01:07:38,460

morning and he tells me he goes oh are

1668

01:07:42,200 --> 01:07:40,560

you sitting down I go you just woke me

1669

01:07:43,370 --> 01:07:42,210

up I'm standing here what do you want to

1670

01:07:44,300 --> 01:07:43,380

tell him he goes you need to sit down

1671

01:07:46,850 --> 01:07:44,310

okay

1672

01:07:50,450 --> 01:07:46,860

now unless this is green on the phone

1673

01:07:52,190 --> 01:07:50,460

this is green on okay okay um and I'm

1674

01:07:54,110 --> 01:07:52,200

only gonna tell you this much because

1675

01:07:56,960 --> 01:07:54,120

I'm because this has all come up

1676

01:07:59,360 --> 01:07:56,970

recently and I never was gonna make this

1677

01:08:00,710 --> 01:07:59,370

public other than I've talked to some

1678

01:08:02,750 --> 01:08:00,720

people behind the scenes and I've been

1679

01:08:08,090 --> 01:08:02,760

talking a little bit about what happened

1680

01:08:09,980 --> 01:08:08,100

with this and also what what to some

1681

01:08:11,870 --> 01:08:09,990

people that understand DNA and

1682

01:08:13,640 --> 01:08:11,880

everything else you know what I mean and

1683

01:08:15,920 --> 01:08:13,650

running these tests see I've tried to

1684

01:08:18,710 --> 01:08:15,930

get some verifications on this because

1685

01:08:21,950 --> 01:08:18,720

it's hard but I've got the reports and

1686

01:08:23,720 --> 01:08:21,960

the reports that what he told me backs

1687

01:08:25,610 --> 01:08:23,730

up what the report says in other words

1688

01:08:29,450 --> 01:08:25,620

he didn't lie to me about what the

1689

01:08:31,999 --> 01:08:29,460

report said okay okay so I've got copies

1690

01:08:33,920 --> 01:08:32,009

of this report now what's been tried to

1691

01:08:36,620 --> 01:08:33,930

use against me as I'm trying to add this

1692

01:08:39,530 --> 01:08:36,630

into the case and and screw the case up

1693

01:08:41,450 --> 01:08:39,540

I'm not this is what happened to me and

1694

01:08:44,539 --> 01:08:41,460

I have all the proof that this took

1695

01:08:47,059 --> 01:08:44,549

place to include the results from the

1696

01:08:49,550 --> 01:08:47,069

DNA testing and I'm not going to go into

1697

01:08:51,289 --> 01:08:49,560

it other than to say this his response

1698

01:08:53,690 --> 01:08:51,299

to me when I sat down was you're in your

1699

01:09:00,019 --> 01:08:53,700

senator to the most unique human beings

1700

01:09:02,269 --> 01:09:00,029

on earth and I'm like what come on okay

1701

01:09:04,220 --> 01:09:02,279

and and he says no I'm getting nude

1702

01:09:06,320 --> 01:09:04,230

reports and he send them to me that day

1703

01:09:08,930 --> 01:09:06,330

over email and then he sent me hard

1704

01:09:12,260 --> 01:09:08,940

copies too and he says based on your DNA

1705

01:09:15,890 --> 01:09:12,270

background and everything else you guys

1706

01:09:18,860 --> 01:09:15,900

are to the most unique individuals on

1707

01:09:20,480 --> 01:09:18,870

planet Earth your bloodline and your

1708

01:09:23,829 --> 01:09:20,490

bloodline and his mother's blood lying

1709

01:09:27,110 --> 01:09:23,839

and then what created Kate and I'm like

1710

01:09:29,809 --> 01:09:27,120

I'm like what and actually I should say

1711

01:09:31,999 --> 01:09:29,819

that he didn't have his mother stop he

1712

01:09:34,910 --> 01:09:32,009

said we need your mother's his mother's

1713

01:09:36,370 --> 01:09:34,920

arm DNA to verify some more things which

1714

01:09:38,260 --> 01:09:36,380

they did get

1715

01:09:40,809 --> 01:09:38,270

and then they what they told me and this

1716

01:09:43,209 --> 01:09:40,819

is all I'm gonna say is that his

1717

01:09:46,749 --> 01:09:43,219

bloodline my bloodline is mother

1718

01:09:50,050 --> 01:09:46,759

bloodline are very unique and that I've

1719

01:09:52,180 --> 01:09:50,060

got all the results but what I can say

1720

01:09:55,560 --> 01:09:52,190

to people is that when they tried to

1721

01:09:59,050 --> 01:09:55,570

twist this around is I have no way of

1722

01:10:01,570 --> 01:09:59,060

verifying this other than if I want to

1723

01:10:04,000 --> 01:10:01,580

spend six seven eight thousand dollars

1724

01:10:07,209 --> 01:10:04,010

because the test that he paid for was an

1725

01:10:09,700 --> 01:10:07,219

\$8,000 test okay it was like death so

1726

01:10:11,439 --> 01:10:09,710

for me to do this I have to drop several

1727

01:10:13,990 --> 01:10:11,449

thousand dollars to get some

1728

01:10:16,629 --> 01:10:14,000

verification on this okay which is not

1729

01:10:18,879 --> 01:10:16,639

something I'm going to do but this is

1730

01:10:21,669 --> 01:10:18,889

the problem with this whole incident in

1731

01:10:23,979 --> 01:10:21,679

this case and even me is you get this

1732

01:10:27,910 --> 01:10:23,989

stuff that comes out but it's hard to

1733

01:10:30,669 --> 01:10:27,920

verify and back things up but it is true

1734

01:10:32,680 --> 01:10:30,679

that I've had DNA testing done and

1735

01:10:35,110 --> 01:10:32,690

there's something that they feel is

1736

01:10:37,750 --> 01:10:35,120

unique about all this that much I will

1737

01:10:40,300 --> 01:10:37,760

say they feel I have no idea and can

1738

01:10:42,129 --> 01:10:40,310

confirm this for sure okay and you're

1739

01:10:43,660 --> 01:10:42,139

getting the sense in talking to people

1740

01:10:45,550 --> 01:10:43,670

because obviously you got a lot of

1741

01:10:48,550 --> 01:10:45,560

contacts around day you talk to some

1742

01:10:51,640 --> 01:10:48,560

other people who have been involved in

1743

01:10:53,229 --> 01:10:51,650

this this is from what Nolan has stated

1744

01:10:54,820 --> 01:10:53,239

pretty openly winning yet interviewed

1745

01:10:59,770 --> 01:10:54,830

with Whitley Strieber at the end of last

1746

01:11:07,540 --> 01:10:59,780

year this antenna that that you've got

1747

01:11:08,950 --> 01:11:07,550

that and I've never ever been told

1748

01:11:11,620 --> 01:11:08,960

because first of all remember now they

1749

01:11:15,419 --> 01:11:11,630

didn't do an MRI on me okay they've

1750

01:11:18,430 --> 01:11:15,429

never did an MRI so I've never been told

1751

01:11:20,919 --> 01:11:18,440

directly that I have an antenna okay in

1752

01:11:23,770 --> 01:11:20,929

other words that part of the study I did

1753

01:11:27,399 --> 01:11:23,780

participate in what I have been told is

1754

01:11:30,189 --> 01:11:27,409

my my DNA's unique okay that's what I've

1755

01:11:32,709 --> 01:11:30,199

been told now has there been innuendos

1756

01:11:35,860 --> 01:11:32,719

that whatever this intent is supposed to

1757

01:11:37,899 --> 01:11:35,870

be or whatever this all implies to

1758

01:11:40,720 --> 01:11:37,909

include psychic abilities have I had

1759

01:11:44,399 --> 01:11:40,730

innuendos that I had those abilities yes

1760

01:11:47,560 --> 01:11:44,409

did I got two flown down to how put off

1761

01:11:49,690 --> 01:11:47,570

facility and met with him over over a

1762

01:11:51,790 --> 01:11:49,700

whole weekend and I got

1763

01:11:54,370 --> 01:11:51,800

briefs on some stuff and Stargate and

1764

01:11:57,190 --> 01:11:54,380

some other stuff and pointed towards

1765

01:11:59,350 --> 01:11:57,200

certain things that I should look into

1766

01:12:00,820 --> 01:11:59,360

and I could be involved with and was

1767

01:12:04,900 --> 01:12:00,830

asked to be involved with certain things

1768

01:12:08,050 --> 01:12:04,910

and um I also was giving some practices

1769

01:12:10,570 --> 01:12:08,060

to start working on to enhance allegedly

1770

01:12:14,470 --> 01:12:10,580

my psychic ability and my psychic

1771

01:12:17,230 --> 01:12:14,480

ability so have they hinted it yes have

1772

01:12:19,180 --> 01:12:17,240

have do have it's been confirmed to me

1773

01:12:20,410 --> 01:12:19,190

that I have whatever this antenna could

1774

01:12:23,020 --> 01:12:20,420

be or whatever

1775

01:12:25,710 --> 01:12:23,030

oh no and what I want to say on this the

1776

01:12:28,810 --> 01:12:25,720

closes part out is this okay number one

1777

01:12:31,750 --> 01:12:28,820

once I got my settlement I was perfectly

1778

01:12:33,640 --> 01:12:31,760

content to go quiet okay and what I mean

1779

01:12:35,860 --> 01:12:33,650

by that was I was gonna let everybody

1780

01:12:38,890 --> 01:12:35,870

know thank you for all your help and yes

1781

01:12:42,190 --> 01:12:38,900

I did get a settlement okay number two

1782

01:12:44,280 --> 01:12:42,200

if kik ring had not come out on about

1783

01:12:47,320 --> 01:12:44,290

top secret and made a statement he make

1784

01:12:49,150 --> 01:12:47,330

about this whole thing on his own not I

1785

01:12:52,420 --> 01:12:49,160

mean I had no idea who's gonna do this

1786

01:12:55,900 --> 01:12:52,430

he did it on top of any Jacobson's book

1787

01:12:58,390 --> 01:12:55,910

right it came out on all of this to

1788

01:13:03,070 --> 01:12:58,400

pilot even further after kid green

1789

01:13:04,960 --> 01:13:03,080

statement Andy Jacobs book and then last

1790

01:13:05,860 --> 01:13:04,970

but not least to the stars and what

1791

01:13:08,850 --> 01:13:05,870

they're talking about

1792

01:13:11,920 --> 01:13:08,860

including experiences I would have just

1793

01:13:15,160 --> 01:13:11,930

ended the radio showed my part of it and

1794

01:13:18,160 --> 01:13:15,170

went all of my life why I've been sucked

1795

01:13:21,010 --> 01:13:18,170

into this further now how much of this

1796

01:13:23,830 --> 01:13:21,020

is true or not is open to debate and I

1797

01:13:25,360 --> 01:13:23,840

get the skeptics and you know that the

1798

01:13:27,490 --> 01:13:25,370

questions some of this aware is this

1799

01:13:29,950 --> 01:13:27,500

really going i'm skeptical about some of

1800

01:13:31,990 --> 01:13:29,960

this too and a lot of this reads like a

1801

01:13:33,970 --> 01:13:32,000

sci-fi novel do you know what I mean

1802

01:13:36,370 --> 01:13:33,980

sure no you bet I don't you mean

1803

01:13:38,880 --> 01:13:36,380

absolute oh I have a lot of issues with

1804

01:13:41,530 --> 01:13:38,890

this too and I ask questions

1805

01:13:44,020 --> 01:13:41,540

consistently to these guys and I don't

1806

01:13:46,810 --> 01:13:44,030

get the answers I'm looking for from

1807

01:13:48,790 --> 01:13:46,820

them based based on what they say

1808

01:13:50,980 --> 01:13:48,800

publicly and what goes on a document

1809

01:13:52,870 --> 01:13:50,990

Zion covered so I have interaction with

1810

01:13:56,110 --> 01:13:52,880

them I'm asking questions and I'm not

1811

01:13:57,670 --> 01:13:56,120

sold on all this okay and now I hear

1812

01:13:59,260 --> 01:13:57,680

that they're going to start putting some

1813

01:14:01,420 --> 01:13:59,270

of the results of this study out well

1814

01:14:02,350 --> 01:14:01,430

see here's my problem with that I was

1815

01:14:05,200 --> 01:14:02,360

told

1816

01:14:07,200 --> 01:14:05,210

originally by Nolan and Kelleher this

1817

01:14:09,520 --> 01:14:07,210

study was never going to be made public

1818

01:14:12,850 --> 01:14:09,530

that all this was going to be kept quiet

1819

01:14:14,350 --> 01:14:12,860

it was being used privately okay for

1820

01:14:17,500 --> 01:14:14,360

research and development

1821

01:14:19,780 --> 01:14:17,510

well that gone public with it okay all

1822

01:14:21,430 --> 01:14:19,790

right and now they're actually saying

1823

01:14:24,370 --> 01:14:21,440

they're going to release some of the

1824

01:14:27,640 --> 01:14:24,380

study's findings oh I don't like that

1825

01:14:29,470 --> 01:14:27,650

okay cuz here's the problem the world is

1826
01:14:32,709 --> 01:14:29,480
pretty messed up right now we don't get

1827
01:14:34,300 --> 01:14:32,719
along okay so now they're going to

1828
01:14:36,910 --> 01:14:34,310
release some of these studies and

1829
01:14:39,090 --> 01:14:36,920
findings based on their data which

1830
01:14:41,169 --> 01:14:39,100
hasn't been you know what I call

1831
01:14:44,080 --> 01:14:41,179
confirmed because there's no one else

1832
01:14:46,780 --> 01:14:44,090
that can really do this right there's no

1833
01:14:48,850 --> 01:14:46,790
really other place to do this they may

1834
01:14:52,359 --> 01:14:48,860
have some of these papers vetted you

1835
01:14:55,300 --> 01:14:52,369
know prepare review but the state is all

1836
01:14:59,439 --> 01:14:55,310
raw data supposedly that can't really be

1837
01:15:01,479 --> 01:14:59,449
verified and based on that alone and if

1838
01:15:03,160 --> 01:15:01,489

they release this could cause a huge

1839

01:15:05,680 --> 01:15:03,170

shitstorm for everybody do you

1840

01:15:08,109 --> 01:15:05,690

understand what I mean well by everybody

1841

01:15:09,970 --> 01:15:08,119

do you mean that just uh you have the

1842

01:15:10,990 --> 01:15:09,980

folks involved subjects of the study

1843

01:15:13,060 --> 01:15:11,000

you're talking about you like get

1844

01:15:16,479 --> 01:15:13,070

yourself and whoever else was involved

1845

01:15:19,000 --> 01:15:16,489

or yeah I mean here's some of the issues

1846

01:15:21,879 --> 01:15:19,010

I have they talked about hybrids right I

1847

01:15:23,680 --> 01:15:21,889

mean people talk about hybrids okay DNA

1848

01:15:25,840 --> 01:15:23,690

and there's other people that are from

1849

01:15:29,169 --> 01:15:25,850

somewhere else and the antenna theory

1850

01:15:31,359 --> 01:15:29,179

which is I added a discussion last night

1851

01:15:33,729 --> 01:15:31,369

from this Chris crystal Wolford is the

1852

01:15:36,040 --> 01:15:33,739

guy that you've had on chris is a great

1853

01:15:37,990 --> 01:15:36,050

guy talking about this well I said do

1854

01:15:39,580 --> 01:15:38,000

you understand what this means all yes I

1855

01:15:42,310 --> 01:15:39,590

understand it's best what's best for

1856

01:15:43,990 --> 01:15:42,320

mankind I don't understand that okay we

1857

01:15:47,410 --> 01:15:44,000

can't get along with each other we fight

1858

01:15:49,090 --> 01:15:47,420

wars on religion money you know and all

1859

01:15:51,820 --> 01:15:49,100

this other stuff we go to battle all the

1860

01:15:54,160 --> 01:15:51,830

time over this is me me me me so now

1861

01:15:56,169 --> 01:15:54,170

let's just say they introduced or give

1862

01:15:59,070 --> 01:15:56,179

the hint that there is another species

1863

01:16:01,899 --> 01:15:59,080

out there or something is different

1864

01:16:04,450 --> 01:16:01,909

what's that going to do how's that gonna

1865

01:16:06,520 --> 01:16:04,460

affect people do you know what I mean

1866

01:16:08,590 --> 01:16:06,530

how's it gonna affect a religious people

1867

01:16:10,180 --> 01:16:08,600

they claim some of these battles going

1868

01:16:11,950 --> 01:16:10,190

on internally have to do with these

1869

01:16:14,709 --> 01:16:11,960

religious people inside the government

1870

01:16:15,939 --> 01:16:14,719

the military and these agencies so if

1871

01:16:18,160 --> 01:16:15,949

they start dropping

1872

01:16:21,370 --> 01:16:18,170

hints out that some of this is real or

1873

01:16:23,469 --> 01:16:21,380

existed based on these studies I don't

1874

01:16:25,660 --> 01:16:23,479

really think that's such a smart idea in

1875

01:16:29,169 --> 01:16:25,670

my opinion okay especially when you

1876

01:16:30,729 --> 01:16:29,179

can't verify it well but yeah just not

1877

01:16:32,410 --> 01:16:30,739

that I don't know maybe this is a

1878

01:16:33,729 --> 01:16:32,420

subject change maybe it isn't but then

1879

01:16:35,410 --> 01:16:33,739

you'd mentioned something earlier I want

1880

01:16:37,419 --> 01:16:35,420

to follow up on you had talked about

1881

01:16:39,790 --> 01:16:37,429

them providing you was sort of a like a

1882

01:16:42,580 --> 01:16:39,800

psychic workout program and that type of

1883

01:16:44,979 --> 01:16:42,590

thing have you done it no what do you if

1884

01:16:47,649 --> 01:16:44,989

you have what are the results do you

1885

01:16:49,750 --> 01:16:47,659

think it's helping is it is it improving

1886

01:16:51,939 --> 01:16:49,760

or is it an interesting exercise what do

1887

01:16:54,430 --> 01:16:51,949

you think well what I could tell you is

1888

01:16:57,430 --> 01:16:54,440

this okay the programs they asked me to

1889

01:16:59,770 --> 01:16:57,440

work on our ancient that there's really

1890

01:17:02,919 --> 01:16:59,780

nothing to follow on most of it there's

1891

01:17:05,350 --> 01:17:02,929

a little bit out there on a couple

1892

01:17:08,949 --> 01:17:05,360

people they are that you know go back

1893

01:17:11,709 --> 01:17:08,959

and if studies is ancient these programs

1894

01:17:14,169 --> 01:17:11,719

and understand this so you can do some

1895

01:17:17,919 --> 01:17:14,179

research and have I worked on a little

1896

01:17:20,229 --> 01:17:17,929

bit yes and yes you can see some results

1897

01:17:22,569 --> 01:17:20,239

that's best I'm going to say there is

1898

01:17:24,699 --> 01:17:22,579

something too there is no doubt there is

1899

01:17:26,379 --> 01:17:24,709

something to meditation and all this and

1900

01:17:29,379 --> 01:17:26,389

different things that you can do with

1901

01:17:31,839 --> 01:17:29,389

the mind I don't dispute that at all but

1902

01:17:34,600 --> 01:17:31,849

again that's another problem

1903

01:17:36,850 --> 01:17:34,610

if you don't educate people the proper

1904

01:17:40,029 --> 01:17:36,860

way in other words if you don't explain

1905

01:17:42,910 --> 01:17:40,039

it back it up with documentation and

1906

01:17:45,040 --> 01:17:42,920

testing it can be verified you leave it

1907

01:17:46,989 --> 01:17:45,050

open to a huge mess which is what you

1908

01:17:49,750 --> 01:17:46,999

followed you really is you've got all

1909

01:17:51,729 --> 01:17:49,760

this stuff going on and you've got hints

1910

01:17:53,589 --> 01:17:51,739

and pieces and glimpse of what it could

1911

01:17:55,870 --> 01:17:53,599

be and what it couldn't be but it's all

1912

01:17:58,029 --> 01:17:55,880

open to interpretation and it causes

1913

01:18:00,430 --> 01:17:58,039

this big fight then and mess it goes on

1914

01:18:02,439 --> 01:18:00,440

now if they do this the same way with

1915

01:18:04,569 --> 01:18:02,449

the study and these experiences and

1916

01:18:06,910 --> 01:18:04,579

everything else to me that's not a good

1917

01:18:10,180 --> 01:18:06,920

thing I don't like it and I'm not very

1918

01:18:13,410 --> 01:18:10,190

comfortable okay okay understood but as

1919

01:18:18,669 --> 01:18:13,420

far as using a little bit of this

1920

01:18:20,410 --> 01:18:18,679

psychic stuff by yourself just you you

1921

01:18:22,209 --> 01:18:20,420

feel like gather some benefit to it that

1922

01:18:22,800 --> 01:18:22,219

you're enjoying it you get something out

1923

01:18:26,340 --> 01:18:22,810

of it

1924

01:18:28,110 --> 01:18:26,350

I don't know if I enjoy it or what the

1925

01:18:30,900 --> 01:18:28,120

benefits are it's I it's eye-opening

1926

01:18:33,770 --> 01:18:30,910

let's put it through that it's

1927

01:18:38,400 --> 01:18:33,780

eye-opening what we're capable of now

1928

01:18:40,980 --> 01:18:38,410

again let's get to that little caveat

1929

01:18:43,380 --> 01:18:40,990

does that mean everyone can do it and

1930

01:18:46,320 --> 01:18:43,390

there's nothing special about any of us

1931

01:18:48,660 --> 01:18:46,330

I don't know you know what I mean if

1932

01:18:50,400 --> 01:18:48,670

people start researching this and try it

1933

01:18:53,370 --> 01:18:50,410

it maybe everybody can do this which

1934

01:18:56,660 --> 01:18:53,380

means everybody's the same right the

1935

01:18:58,980 --> 01:18:56,670

problem I have is it's been it kind of

1936

01:19:01,380 --> 01:18:58,990

hinted at that there are people that

1937

01:19:04,770 --> 01:19:01,390

have that are different do you know what

1938

01:19:07,470 --> 01:19:04,780

I mean yeah yeah that that is something

1939

01:19:09,720 --> 01:19:07,480

that never goes boats well with people

1940

01:19:11,670 --> 01:19:09,730

you know and I mean and that's one of

1941

01:19:13,140 --> 01:19:11,680

the things like you get Linda going into

1942

01:19:14,580 --> 01:19:13,150

this you get other people well there's

1943

01:19:16,800 --> 01:19:14,590

hybrids and they're gonna replace this

1944

01:19:19,410 --> 01:19:16,810

well that's a real nice thing to tell

1945

01:19:20,760 --> 01:19:19,420

people you know and I mean that just

1946

01:19:23,610 --> 01:19:20,770

deal with the fact that we're eventually

1947

01:19:26,220 --> 01:19:23,620

gonna be replaced and no big deal just

1948

01:19:30,210 --> 01:19:26,230

just accept it move on with it nothing

1949

01:19:31,890 --> 01:19:30,220

to see here folks well I do think

1950

01:19:33,240 --> 01:19:31,900

obviously there's something to it I

1951

01:19:38,910 --> 01:19:33,250

played around a little bit with it

1952

01:19:40,650 --> 01:19:38,920

myself I've had enough enough unique

1953

01:19:42,990 --> 01:19:40,660

hits that I think it goes a little bit

1954

01:19:44,610 --> 01:19:43,000

beyond are a random chance I I think

1955

01:19:47,190 --> 01:19:44,620

there's something they are I think it's

1956

01:19:50,070 --> 01:19:47,200

a sense but you know our visions a sense

1957

01:19:52,740 --> 01:19:50,080

is our hearing is a sense our speaking

1958

01:19:55,320 --> 01:19:52,750

is a sense and they get fooled and

1959

01:19:58,170 --> 01:19:55,330

messed up all the time so this this

1960

01:20:02,640 --> 01:19:58,180

other sense this sort of a non-physical

1961

01:20:06,360 --> 01:20:02,650

sense is really open to a lot of a lot

1962

01:20:09,620 --> 01:20:06,370

of air here's the thing who's going to

1963

01:20:12,060 --> 01:20:09,630

teach you this number one and number two

1964

01:20:15,030 --> 01:20:12,070

you're basically what you're just

1965

01:20:16,830 --> 01:20:15,040

describing the Star Wars the Jedi's yeah

1966

01:20:18,870 --> 01:20:16,840

that's what you're describing

1967

01:20:21,630 --> 01:20:18,880

so that's science fiction from what the

1968

01:20:24,390 --> 01:20:21,640

eighties okay you look at the phenomenon

1969

01:20:27,450 --> 01:20:24,400

itself you look at contact the movie and

1970

01:20:29,730 --> 01:20:27,460

what she ended up interacting with you

1971

01:20:31,950 --> 01:20:29,740

look at it all so you look at Star Trek

1972

01:20:34,470 --> 01:20:31,960

The Next Generation and Q that's

1973

01:20:36,690 --> 01:20:34,480

basically what Q was supposed to be a

1974

01:20:38,640 --> 01:20:36,700

phenomenon that could take you

1975

01:20:42,420 --> 01:20:38,650

form shape but it was really energy

1976

01:20:44,760 --> 01:20:42,430

right so you have all these hints to

1977

01:20:47,280 --> 01:20:44,770

include that document that that I put

1978

01:20:49,230 --> 01:20:47,290

out now the 1991 on one of their looking

1979

01:20:51,810 --> 01:20:49,240

at this now you have consciousness

1980

01:20:53,430 --> 01:20:51,820

involved grant Cameron's under the

1981

01:20:56,070 --> 01:20:53,440

impression the consciousness means you

1982

01:20:57,750 --> 01:20:56,080

can travel from point A to B out into

1983

01:21:00,420 --> 01:20:57,760

into the universe

1984

01:21:02,070 --> 01:21:00,430

well okay well the those people that

1985

01:21:03,510 --> 01:21:02,080

were in this NASA study were kind of

1986

01:21:06,240 --> 01:21:03,520

saying that they were going to set up a

1987

01:21:08,960 --> 01:21:06,250

communications link and transform human

1988

01:21:12,030 --> 01:21:08,970

consciousness to another to another

1989

01:21:17,280 --> 01:21:12,040

location and the humans will now occupy

1990

01:21:20,970 --> 01:21:17,290

this area so it's very sci-fi it's very

1991

01:21:23,280 --> 01:21:20,980

hard to understand and there's not been

1992

01:21:24,900 --> 01:21:23,290

a lot of documents to support this one

1993

01:21:28,230 --> 01:21:24,910

way or another other than just what

1994

01:21:31,260 --> 01:21:28,240

we've been teased with it is my point

1995

01:21:32,790 --> 01:21:31,270

and I'm a black-and-white type of guy I

1996

01:21:35,490 --> 01:21:32,800

really like to have it laid out in front

1997

01:21:37,170 --> 01:21:35,500

of me and have it really hard to be

1998

01:21:39,420 --> 01:21:37,180

disputed now I'm not saying there's not

1999

01:21:41,520 --> 01:21:39,430

some give-and-take in it but it's just

2000

01:21:43,500 --> 01:21:41,530

like the binary then when it came up

2001

01:21:45,540 --> 01:21:43,510

I asked Prometheus right away is this

2002

01:21:48,120 --> 01:21:45,550

unspeakable oh yes we stand by our

2003

01:21:49,980 --> 01:21:48,130

research prometheus is the the ancient

2004

01:21:51,300 --> 01:21:49,990

aliens production company yeah it's a

2005

01:21:53,280 --> 01:21:51,310

production company we'll come to find

2006

01:21:55,650 --> 01:21:53,290

out there was a lot of holes in the

2007

01:21:57,510 --> 01:21:55,660

binary do you know what I mean yeah so

2008

01:22:00,390 --> 01:21:57,520

and it caused a lot of trouble for the

2009

01:22:02,250 --> 01:22:00,400

case so all I'm getting at is there are

2010

01:22:04,670 --> 01:22:02,260

some very crazy things going on right

2011

01:22:07,070 --> 01:22:04,680

now okay when you go to to the stars

2012

01:22:10,050 --> 01:22:07,080

these studies that are going on

2013

01:22:12,330 --> 01:22:10,060

Rendlesham is all over the place on what

2014

01:22:14,190 --> 01:22:12,340

could be and what couldn't be including

2015

01:22:17,130 --> 01:22:14,200

that there is a national phenomenon in

2016

01:22:18,690 --> 01:22:17,140

the area you you a pieces they liked it

2017

01:22:21,030 --> 01:22:18,700

then if I am now that's been identified

2018

01:22:24,060 --> 01:22:21,040

that's been studied there there's a book

2019

01:22:25,950 --> 01:22:24,070

written on that study on how this all

2020

01:22:27,600 --> 01:22:25,960

could interact into what we encountered

2021

01:22:30,060 --> 01:22:27,610

the technologies we've developed and

2022

01:22:33,030 --> 01:22:30,070

we're even testing over there so this is

2023

01:22:34,830 --> 01:22:33,040

a lot of unknowns that I would like to

2024

01:22:38,730 --> 01:22:34,840

see explained a lot better than it has

2025

01:22:40,890 --> 01:22:38,740

been absolutely absolutely well I on I

2026

01:22:42,510 --> 01:22:40,900

sure do appreciate you coming on you

2027

01:22:44,750 --> 01:22:42,520

covered everything I asked you about and

2028

01:22:47,400 --> 01:22:44,760

that gave me a actually a whole lot more

2029

01:22:48,030 --> 01:22:47,410

before we wrap up anything you've got

2030

01:22:50,150 --> 01:22:48,040

for us

2031

01:22:51,650 --> 01:22:50,160

you got anything coming up

2032

01:22:53,360 --> 01:22:51,660

that you want to tell us about I know

2033

01:22:55,640 --> 01:22:53,370

you you mentioned that you've got this

2034

01:22:58,070 --> 01:22:55,650

the unknown physicists coming up

2035

01:23:00,110 --> 01:22:58,080

hopefully on your show shortly

2036

01:23:03,260 --> 01:23:00,120

anything else you got for us before we

2037

01:23:05,240 --> 01:23:03,270

wrap up here oh not really just um you

2038

01:23:06,830 --> 01:23:05,250

know you guys are doing a great job I

2039

01:23:09,260 --> 01:23:06,840

appreciate all your help over the years

2040

01:23:11,710 --> 01:23:09,270

lutely and and the fact that you know

2041

01:23:14,060 --> 01:23:11,720

our show we're trying to put out

2042

01:23:17,330 --> 01:23:14,070

thought-provoking stuff for people to

2043

01:23:20,120 --> 01:23:17,340

start thinking about and but here's my

2044

01:23:23,270 --> 01:23:20,130

problem as guilty as the government is

2045

01:23:25,400 --> 01:23:23,280

of what they do um if you really want

2046

01:23:26,930 --> 01:23:25,410

some answers folks don't rely on others

2047

01:23:29,390 --> 01:23:26,940

go out there and do some of your own

2048

01:23:31,250 --> 01:23:29,400

research absolutely you know get educate

2049

01:23:34,910 --> 01:23:31,260

yourself on this there's a lot out there

2050

01:23:37,190 --> 01:23:34,920

um and you know form your own opinions

2051

01:23:38,390 --> 01:23:37,200

don't let other people direct what you

2052

01:23:39,740 --> 01:23:38,400

shouldn't shouldn't think of how you

2053

01:23:40,120 --> 01:23:39,750

should view it and what you should do

2054

01:23:43,850 --> 01:23:40,130

with it

2055

01:23:46,760 --> 01:23:43,860

absolutely well John thanks so very much

2056

01:23:49,970 --> 01:23:46,770

again for coming on you have a great day

2057

01:23:51,470 --> 01:23:49,980

and I'll be listening every Thursday as

2058

01:23:54,350 --> 01:23:51,480

soon as I get home from work to your

2059

01:23:56,500 --> 01:23:54,360

show over in kg alright I have a great

2060

01:24:02,360 --> 01:23:56,510

day and thanks again for joining us

2061

01:24:05,420 --> 01:24:02,370

thanks Frank and that ends our show for

2062

01:24:07,130 --> 01:24:05,430

this week and try to stay cool today

2063

01:24:10,250 --> 01:24:07,140

it's getting a little humid here in the

2064

01:24:12,080 --> 01:24:10,260

East so you have a good one and join us
