**UFONN
SUNDAY**

1
00:01:06,110 --> 00:00:25,760

[Music]

2
00:01:12,690 --> 00:01:09,030

and good evening from Philadelphia Frank

3
00:01:15,120 --> 00:01:12,700

stalter here doing a special Tuesday

4
00:01:16,080 --> 00:01:15,130

evening edition of UFO news network

5
00:01:18,990 --> 00:01:16,090

Sunday

6
00:01:21,840 --> 00:01:19,000

James again is off tonight he's been

7
00:01:23,219 --> 00:01:21,850

busy working lots of overtime maybe yeah

8
00:01:26,940 --> 00:01:23,229

some of you folks have seen this in the

9
00:01:27,660 --> 00:01:26,950

news but Jackie Gleason's a UFO house is

10
00:01:30,359 --> 00:01:27,670

up for sale

11
00:01:32,310 --> 00:01:30,369

there are the asking price is only 12

12
00:01:34,080 --> 00:01:32,320

million dollars and James is working a

13
00:01:35,430 --> 00:01:34,090

lot of overtime and in an effort to get

14

00:01:37,740 --> 00:01:35,440

the money together to put down a down

15

00:01:41,749 --> 00:01:37,750

payment on that place so he's looking to

16

00:01:45,120 --> 00:01:41,759

buy it and perhaps a move in by

17

00:01:47,580 --> 00:01:45,130

Halloween Thanksgiving at the latest but

18

00:01:50,580 --> 00:01:47,590

tonight I've got the Stefan Verstappen

19

00:01:55,230 --> 00:01:50,590

with me yeah Stefan is the author of a

20

00:01:58,230 --> 00:01:55,240

number of books on the subject of well a

21

00:02:00,540 --> 00:01:58,240

psychopath which is primarily what we're

22

00:02:04,410 --> 00:02:00,550

going to be speaking about tonight but

23

00:02:05,639 --> 00:02:04,420

also he's the author of the art of urban

24

00:02:09,949 --> 00:02:05,649

survival aceite

25

00:02:15,770 --> 00:02:09,959

family safety and self-defense manual

26

00:02:18,630 --> 00:02:15,780

the 36 strategies of ancient China and

27

00:02:20,309 --> 00:02:18,640

defense against the psychopath he's also

28

00:02:21,870 --> 00:02:20,319

got a video put together of that on

29

00:02:24,510 --> 00:02:21,880

YouTube which is easy enough to find

30

00:02:25,650 --> 00:02:24,520

defense against the psychopath and again

31

00:02:29,220 --> 00:02:25,660

we're going to be spending a lot of time

32

00:02:32,309 --> 00:02:29,230

on that tonight as well as blind Zen

33

00:02:35,010 --> 00:02:32,319

martial arts and Zen for the blind and

34

00:02:37,170 --> 00:02:35,020

vision-impaired Stefan thanks for coming

35

00:02:39,510 --> 00:02:37,180

on tonight I sure do appreciate it

36

00:02:41,699 --> 00:02:39,520

no problem Frank thanks for inviting me

37

00:02:43,740 --> 00:02:41,709

yeah absolutely and I'm sure a lot of

38

00:02:47,430 --> 00:02:43,750

you folks in the audience are wondering

39

00:02:49,170 --> 00:02:47,440

and maybe Stefan is too why would why

40

00:02:52,350 --> 00:02:49,180

would I invite somebody who's an expert

41

00:02:54,420 --> 00:02:52,360

on Psychopaths to appear on a UFO show

42

00:02:55,830 --> 00:02:54,430

but if you think about it it's a term

43

00:02:58,220 --> 00:02:55,840

that's getting thrown around more and

44

00:03:01,680 --> 00:02:58,230

more these days even in the UFO field

45

00:03:03,540 --> 00:03:01,690

dr. Steven Greer has openly discussed

46

00:03:06,540 --> 00:03:03,550

the psychopaths who are keeping the the

47

00:03:08,839 --> 00:03:06,550

truth of the UFO phenomenon at least as

48

00:03:12,030 --> 00:03:08,849

he sees it from the public as well as

49

00:03:14,250 --> 00:03:12,040

suppressing free-energy knowledge again

50

00:03:15,960 --> 00:03:14,260

that's his opinion but the people are

51
00:03:18,300 --> 00:03:15,970
responsible for all that

52
00:03:20,160 --> 00:03:18,310
as far as dr. Greer is concerned are

53
00:03:22,770 --> 00:03:20,170
psychopaths there are some other

54
00:03:24,570 --> 00:03:22,780
high-profile people who throw the

55
00:03:27,630 --> 00:03:24,580
Psychopaths the P word around that

56
00:03:30,030 --> 00:03:27,640
fairly fairly frequently and they do

57
00:03:32,940 --> 00:03:30,040
touch on the UFO subjects now and again

58
00:03:34,740 --> 00:03:32,950
one of them is David Icke who spends a

59
00:03:37,500 --> 00:03:34,750
lot of time talking about how

60
00:03:41,240 --> 00:03:37,510
psychopaths rule the earth and also how

61
00:03:44,820 --> 00:03:41,250
the earth is sometimes is ruled by

62
00:03:46,950 --> 00:03:44,830
reptilian lizard people who run our

63
00:03:49,320 --> 00:03:46,960

world I'm not so sure about that

64

00:03:51,270 --> 00:03:49,330

particular theory but he does lean hard

65

00:03:53,340 --> 00:03:51,280

on the P word as does another fellow

66

00:03:55,380 --> 00:03:53,350

who's been in the news lately Alex Jones

67

00:03:58,050 --> 00:03:55,390

he once in a while now and again touches

68

00:04:00,120 --> 00:03:58,060

on UFOs he throws the P word around

69

00:04:00,780 --> 00:04:00,130

quite a bit in describing the people who

70

00:04:04,410 --> 00:04:00,790

run the world

71

00:04:07,920 --> 00:04:04,420

and well I can't say that I agree with

72

00:04:11,010 --> 00:04:07,930

any of those three guys all the time I

73

00:04:14,460 --> 00:04:11,020

can certainly say that they are throwing

74

00:04:16,199 --> 00:04:14,470

the P word around a fair amount and they

75

00:04:18,920 --> 00:04:16,209

might not be wrong about that that the

76
00:04:22,190 --> 00:04:18,930
psychopath might well run this earth and

77
00:04:25,590 --> 00:04:22,200
Stefan for stepping as I would say yeah

78
00:04:27,450 --> 00:04:25,600
thinking that carved out a real unique

79
00:04:29,310 --> 00:04:27,460
niche for himself in terms of expertise

80
00:04:31,290 --> 00:04:29,320
on this field you're not a medical

81
00:04:33,930 --> 00:04:31,300
doctor you don't you don't have that

82
00:04:37,230 --> 00:04:33,940
kind of background correct Stefan no I

83
00:04:39,540 --> 00:04:37,240
don't I had two years of college

84
00:04:44,150 --> 00:04:39,550
psychology okay but I never let that

85
00:04:47,850 --> 00:04:44,160
interfere with my with my education God

86
00:04:50,340 --> 00:04:47,860
and you've taken a closer look at least

87
00:04:52,980 --> 00:04:50,350
one aspect of that which is the the

88
00:04:55,170 --> 00:04:52,990

issue of a psychopath and again Stefan's

89

00:04:57,420 --> 00:04:55,180

carved that kind of a unique niche for

90

00:05:00,180 --> 00:04:57,430

himself but he is really focused on I

91

00:05:02,940 --> 00:05:00,190

guess recognising and really defending

92

00:05:05,969 --> 00:05:02,950

yourself and your normal day-to-day life

93

00:05:07,980 --> 00:05:05,979

against these of malignant types yeah

94

00:05:09,780 --> 00:05:07,990

you know I I didn't set out to become an

95

00:05:12,240 --> 00:05:09,790

expert on Psychopaths that wasn't my

96

00:05:14,219 --> 00:05:12,250

intention at all and I think you know my

97

00:05:16,590 --> 00:05:14,229

video defense against a psychopath it's

98

00:05:19,140 --> 00:05:16,600

just about ten years old now and I think

99

00:05:21,600 --> 00:05:19,150

it helps spur the common knowledge about

100

00:05:23,940 --> 00:05:21,610

Psychopaths because before my video came

101
00:05:27,779 --> 00:05:23,950
out I didn't hear anybody really talking

102
00:05:29,730 --> 00:05:27,789
about it too much and then my video came

103
00:05:32,730 --> 00:05:29,740
out and then now recently everyone

104
00:05:34,950 --> 00:05:32,740
using two psychopaths terminology to

105
00:05:38,129 --> 00:05:34,960
describe events and it's good and it's

106
00:05:40,050 --> 00:05:38,139
bad all at the same time but we do have

107
00:05:42,180 --> 00:05:40,060
to raise awareness but the reason I

108
00:05:45,089 --> 00:05:42,190
became an expert in psychopaths is

109
00:05:47,670 --> 00:05:45,099
because I have always been what you

110
00:05:49,650 --> 00:05:47,680
would call a seeker of truth this

111
00:05:52,800 --> 00:05:49,660
started with me at a very young age when

112
00:05:54,180 --> 00:05:52,810
I was 12 years old and you know and and

113
00:05:58,260 --> 00:05:54,190

you know that's when I started reading

114

00:06:00,510 --> 00:05:58,270

about UFOs as well Erich von Daniken's

115

00:06:02,279 --> 00:06:00,520

Chariots of the Gods out I'd read that

116

00:06:05,610 --> 00:06:02,289

book I think four times when I was like

117

00:06:08,219 --> 00:06:05,620

13 and you know I loved it but I was

118

00:06:09,779 --> 00:06:08,229

always looking for truth and the answers

119

00:06:11,460 --> 00:06:09,789

you know the big questions you know

120

00:06:13,200 --> 00:06:11,470

you've heard it once you've heard it a

121

00:06:15,960 --> 00:06:13,210

hundred of times there's certain people

122

00:06:17,760 --> 00:06:15,970

like me and you probably Frank that are

123

00:06:19,740 --> 00:06:17,770

born that way we're just bored we want

124

00:06:22,409 --> 00:06:19,750

to know we want to know you know right

125

00:06:25,589 --> 00:06:22,419

and and not because we want power or to

126
00:06:27,510 --> 00:06:25,599
you know self-aggrandizing or become

127
00:06:30,120 --> 00:06:27,520
great preachers no we just want to know

128
00:06:32,879 --> 00:06:30,130
for our own curiosity you know I think

129
00:06:35,040 --> 00:06:32,889
curiosity is the key ingredient to

130
00:06:37,110 --> 00:06:35,050
learning I mean if you're curious about

131
00:06:40,020 --> 00:06:37,120
things you want to learn about it and

132
00:06:43,439 --> 00:06:40,030
then it's fun to learn you can't teach

133
00:06:45,089 --> 00:06:43,449
somebody that has no curiosity you know

134
00:06:46,439 --> 00:06:45,099
you'd have to force them you'd have to

135
00:06:49,580 --> 00:06:46,449
beat them you know think of public

136
00:06:51,719 --> 00:06:49,590
education for example you know kills

137
00:06:53,730 --> 00:06:51,729
curiosity right kills it right away so

138
00:06:56,249 --> 00:06:53,740

now you have to imprison children and in

139

00:06:57,839 --> 00:06:56,259

these institutions for 12 years

140

00:07:01,950 --> 00:06:57,849

ridiculous anyways

141

00:07:04,740 --> 00:07:01,960

so one of the big questions Frank was

142

00:07:08,070 --> 00:07:04,750

why is there so much evil in the world I

143

00:07:11,490 --> 00:07:08,080

mean we have the resources we have the

144

00:07:14,010 --> 00:07:11,500

technology we have the money we have you

145

00:07:17,879 --> 00:07:14,020

know everything we need to make a

146

00:07:20,610 --> 00:07:17,889

paradise on earth I mean there's no need

147

00:07:23,580 --> 00:07:20,620

for anyone to go hungry or to be

148

00:07:26,010 --> 00:07:23,590

homeless or or to suffer from you know

149

00:07:29,189 --> 00:07:26,020

debilitating diseases all of that is

150

00:07:31,680 --> 00:07:29,199

easily within our grasp to make it a

151
00:07:33,930 --> 00:07:31,690
paradise so how come it's not how come

152
00:07:37,829 --> 00:07:33,940
instead when I read history in our love

153
00:07:41,820 --> 00:07:37,839
history why is history a 4,000 year

154
00:07:42,150 --> 00:07:41,830
litany of murder and war and torture and

155
00:07:44,940 --> 00:07:42,160
give

156
00:07:47,190 --> 00:07:44,950
an imprisonment and enslavement over and

157
00:07:49,980 --> 00:07:47,200
over over and over again it doesn't

158
00:07:52,620 --> 00:07:49,990
matter which country history you study

159
00:07:54,900 --> 00:07:52,630
you know from China to Japan to Rome to

160
00:07:57,660 --> 00:07:54,910
you know France and England every

161
00:08:00,090 --> 00:07:57,670
history it's war murder war murder

162
00:08:03,240 --> 00:08:00,100
enslavement war murder I mean it's just

163
00:08:06,000 --> 00:08:03,250

insane we are we are a species that are

164

00:08:08,280 --> 00:08:06,010

insane you know we could have just said

165

00:08:10,440 --> 00:08:08,290

okay let's build paradise and then

166

00:08:12,360 --> 00:08:10,450

there's no need for war and murder and

167

00:08:14,010 --> 00:08:12,370

robbery and enslavement we could have

168

00:08:16,170 --> 00:08:14,020

had this paradise already for the last

169

00:08:18,830 --> 00:08:16,180

two thousand years so one of my

170

00:08:21,120 --> 00:08:18,840

questions you know in going through life

171

00:08:23,790 --> 00:08:21,130

you know the meaning of life why is

172

00:08:25,950 --> 00:08:23,800

there all this evil in the world and I

173

00:08:28,640 --> 00:08:25,960

started to recognize a pattern when I

174

00:08:33,089 --> 00:08:28,650

was researching history a pattern of the

175

00:08:35,010 --> 00:08:33,099

personality types of the rulers and the

176

00:08:37,770 --> 00:08:35,020

aristocracy and the Kings and the

177

00:08:42,029 --> 00:08:37,780

Emperor's and the Queens and man these

178

00:08:44,520 --> 00:08:42,039

were nasty people almost no one ever in

179

00:08:48,360 --> 00:08:44,530

the history throughout Europe and Asia

180

00:08:50,580 --> 00:08:48,370

and South America you know no one became

181

00:08:52,350 --> 00:08:50,590

King without at least murdering a couple

182

00:08:56,130 --> 00:08:52,360

of dozen of their close family members

183

00:08:58,710 --> 00:08:56,140

you know and and so well what does that

184

00:09:00,720 --> 00:08:58,720

tell you that the rulers the people that

185

00:09:03,030 --> 00:09:00,730

get to become the rulers are the type of

186

00:09:04,500 --> 00:09:03,040

people that are willing to murder their

187

00:09:07,050 --> 00:09:04,510

parents murder their brothers and

188

00:09:09,450 --> 00:09:07,060

sisters their aunts and uncles and their

189

00:09:11,070 --> 00:09:09,460

own kids they'll murder anybody that

190

00:09:13,740 --> 00:09:11,080

gets in there where no poisons are

191

00:09:15,360 --> 00:09:13,750

though you know they'll lock them up

192

00:09:18,060 --> 00:09:15,370

they'll imprison them starve them to

193

00:09:20,570 --> 00:09:18,070

death they will kill people so what we

194

00:09:23,970 --> 00:09:20,580

have is a four thousand year history of

195

00:09:27,480 --> 00:09:23,980

serial killers in charge of things so I

196

00:09:29,970 --> 00:09:27,490

mean the evidence is undeniable

197

00:09:31,680 --> 00:09:29,980

so when you know you were saying like

198

00:09:33,960 --> 00:09:31,690

David Icke was saying the psychopath

199

00:09:35,460 --> 00:09:33,970

rules the world but actually in that I

200

00:09:38,160 --> 00:09:35,470

have to agree with David Icke as well

201
00:09:41,510 --> 00:09:38,170
Psychopaths do rule the world we are

202
00:09:45,090 --> 00:09:41,520
society everything in it is a product of

203
00:09:46,680 --> 00:09:45,100
sick twisted minds because if you

204
00:09:48,510 --> 00:09:46,690
weren't sick and twisted you would not

205
00:09:52,650 --> 00:09:48,520
create the system that we live under now

206
00:09:56,010 --> 00:09:52,660
so what are these people that you know

207
00:09:58,740 --> 00:09:56,020
now psychology and most importantly the

208
00:10:02,100 --> 00:09:58,750
work of people like Harvey check Lee and

209
00:10:03,930 --> 00:10:02,110
Robert hare who did the original kind of

210
00:10:06,150 --> 00:10:03,940
research into psychopathy and helped

211
00:10:08,340 --> 00:10:06,160
coined the term psychopathy well I think

212
00:10:11,070 --> 00:10:08,350
check Lee called it people of the lie I

213
00:10:12,900 --> 00:10:11,080

just just a button now what though

214

00:10:14,490 --> 00:10:12,910

what kind of years are we talking about

215

00:10:15,660 --> 00:10:14,500

when they coined that term it can't be

216

00:10:18,810 --> 00:10:15,670

that all it can be much more than a

217

00:10:21,390 --> 00:10:18,820

century old if it's that no reject Lee

218

00:10:23,490 --> 00:10:21,400

is oh boy I'm going off the top of my

219

00:10:26,310 --> 00:10:23,500

head now it's in my it's in the

220

00:10:27,720 --> 00:10:26,320

bibliography and in the pamphlet defense

221

00:10:31,820 --> 00:10:27,730

against the psychopath that you can

222

00:10:34,250 --> 00:10:31,830

download for my website but I'm thinking

223

00:10:37,290 --> 00:10:34,260

1950s ok ok ok

224

00:10:39,450 --> 00:10:37,300

because because you drop the e word a

225

00:10:41,370 --> 00:10:39,460

couple times evil and I think that sort

226

00:10:43,410 --> 00:10:41,380

of connotes like evil spirits and some

227

00:10:46,410 --> 00:10:43,420

some sort of possession and

228

00:10:48,720 --> 00:10:46,420

paranormality sadly there's nothing

229

00:10:50,070 --> 00:10:48,730

paranormal about this at all this is

230

00:10:52,380 --> 00:10:50,080

something we got to kind of live with

231

00:10:55,410 --> 00:10:52,390

and figure out what to do about well

232

00:10:57,630 --> 00:10:55,420

yeah you know because again I'm a very

233

00:10:59,250 --> 00:10:57,640

practical person so for me to use the

234

00:11:02,850 --> 00:10:59,260

term evil I'm using it on purpose

235

00:11:07,770 --> 00:11:02,860

because it is like you said it has a

236

00:11:09,690 --> 00:11:07,780

religious moral connotation but there's

237

00:11:11,820 --> 00:11:09,700

no other word to describe what these

238

00:11:13,830 --> 00:11:11,830

people are you can say they're deranged

239

00:11:15,810 --> 00:11:13,840

you can say they're narcissistic you can

240

00:11:17,070 --> 00:11:15,820

say that they don't have a conscious

241

00:11:19,320 --> 00:11:17,080

that they're malevolent that they're

242

00:11:21,870 --> 00:11:19,330

destructive yeah that would all apply

243

00:11:23,250 --> 00:11:21,880

but if you wanted to use one word that

244

00:11:26,310 --> 00:11:23,260

would actually describe what they are

245

00:11:29,130 --> 00:11:26,320

and that is evil I have tried to find a

246

00:11:32,910 --> 00:11:29,140

mechanism by which Psychopaths would fit

247

00:11:35,010 --> 00:11:32,920

into human or not human age but nature

248

00:11:36,450 --> 00:11:35,020

in general and we know we have three

249

00:11:39,540 --> 00:11:36,460

relationships in nature we have

250

00:11:42,570 --> 00:11:39,550

predatory we have a symbiotic and we

251
00:11:44,430 --> 00:11:42,580
have parasitic and those are the three

252
00:11:46,050 --> 00:11:44,440
relations interspecies relationships

253
00:11:48,360 --> 00:11:46,060
that we have you either kill something

254
00:11:52,620 --> 00:11:48,370
and eat it or you cooperate together or

255
00:11:55,470 --> 00:11:52,630
you're a parasite and so Psychopaths

256
00:11:58,230 --> 00:11:55,480
would fall under this survival strategy

257
00:11:59,880 --> 00:11:58,240
of parasitism that's what they are

258
00:12:03,750 --> 00:11:59,890
they're their parasites they live off of

259
00:12:05,280 --> 00:12:03,760
other people and now that may you know I

260
00:12:06,009 --> 00:12:05,290
don't believe it because there's just

261
00:12:08,019 --> 00:12:06,019
not enough

262
00:12:10,600 --> 00:12:08,029
miracle evidence but if you were to say

263
00:12:14,859 --> 00:12:10,610

that they are interdimensional parasites

264

00:12:16,629 --> 00:12:14,869

that suck off of your life energy that

265

00:12:18,400 --> 00:12:16,639

would be a way to describe it I can't

266

00:12:20,889 --> 00:12:18,410

say there's any proof or evidence that

267

00:12:23,919 --> 00:12:20,899

that's what happens but that would be a

268

00:12:27,150 --> 00:12:23,929

way to describe it so previous to you

269

00:12:30,160 --> 00:12:27,160

know her rejection and Robert hare and a

270

00:12:32,470 --> 00:12:30,170

couple of others that kind of coined the

271

00:12:35,530 --> 00:12:32,480

term psychopath starting in the 50s and

272

00:12:38,879 --> 00:12:35,540

more recently in the early 90s with

273

00:12:40,900 --> 00:12:38,889

Robert Harris books the mask of sanity

274

00:12:44,199 --> 00:12:40,910

prior to that there was no way to

275

00:12:47,319 --> 00:12:44,209

describe these people so I think in

276

00:12:51,929 --> 00:12:47,329

medieval times they used the terms

277

00:12:54,699 --> 00:12:51,939

vampire and ghoul or demonic possession

278

00:12:56,410 --> 00:12:54,709

because that was the only only tools

279

00:12:58,359 --> 00:12:56,420

they had to describe these type of

280

00:13:00,639 --> 00:12:58,369

people they didn't have science didn't

281

00:13:02,619 --> 00:13:00,649

have brain imaging they didn't have

282

00:13:04,629 --> 00:13:02,629

genetic research there was no way to

283

00:13:06,309 --> 00:13:04,639

tell what were these things what were

284

00:13:09,629 --> 00:13:06,319

these people and again the key word is

285

00:13:12,489 --> 00:13:09,639

evil so if you were medieval you know

286

00:13:14,139 --> 00:13:12,499

scholar and you came across these people

287

00:13:16,569 --> 00:13:14,149

or that well you'd have to use a

288

00:13:20,319 --> 00:13:16,579

biblical reference and refer to them as

289

00:13:21,699 --> 00:13:20,329

demonic but with modern research we have

290

00:13:25,259 --> 00:13:21,709

another word for it now we have

291

00:13:28,419 --> 00:13:25,269

psychopathy but to be honest with you

292

00:13:30,489 --> 00:13:28,429

you know is psychopathy any more

293

00:13:33,129 --> 00:13:30,499

accurate than saying demonic I don't

294

00:13:35,499 --> 00:13:33,139

know again I don't I'm not saying they

295

00:13:37,629 --> 00:13:35,509

are demonic I'm just saying that we

296

00:13:39,280 --> 00:13:37,639

think that science always has a better

297

00:13:42,220 --> 00:13:39,290

explanation and now that we've come up

298

00:13:44,650 --> 00:13:42,230

with a new word that means it's better

299

00:13:47,199 --> 00:13:44,660

you know we can all make up words I

300

00:13:49,659 --> 00:13:47,209

could call them you know Fabul God's you

301
00:13:50,639 --> 00:13:49,669
know and oh well now that scientific

302
00:13:52,780 --> 00:13:50,649
Fabul gods

303
00:13:54,400 --> 00:13:52,790
it's just that just because you're

304
00:13:58,509 --> 00:13:54,410
renaming something doesn't mean it's

305
00:14:01,439 --> 00:13:58,519
necessarily better however there is now

306
00:14:04,809 --> 00:14:01,449
with modern scientific research into

307
00:14:07,239 --> 00:14:04,819
brain scans and genetic research we now

308
00:14:09,669 --> 00:14:07,249
do see that there is something different

309
00:14:11,679 --> 00:14:09,679
about the brains of these people so

310
00:14:15,460 --> 00:14:11,689
psychopathy is what the term that we use

311
00:14:17,799 --> 00:14:15,470
now but it's used to describe a segment

312
00:14:19,460 --> 00:14:17,809
of our population that is so

313
00:14:22,220 --> 00:14:19,470

dysfunctional and an

314

00:14:24,620 --> 00:14:22,230

and frankly evil they're morally

315

00:14:26,480 --> 00:14:24,630

bankrupt but it's again it's more than

316

00:14:30,020 --> 00:14:26,490

that because like I said I tried to

317

00:14:32,660 --> 00:14:30,030

figure out and I'm pretty sure they're

318

00:14:35,930 --> 00:14:32,670

using a parasite strategy we all use

319

00:14:38,270 --> 00:14:35,940

survival strategies most of us use the

320

00:14:39,890 --> 00:14:38,280

strategy of symbiosis you and I work

321

00:14:41,630 --> 00:14:39,900

together we start a business we sell

322

00:14:43,790 --> 00:14:41,640

some products we'll make money you know

323

00:14:46,850 --> 00:14:43,800

I'm not murdering Frank in his sleep and

324

00:14:48,140 --> 00:14:46,860

stealing his stuff so you know most of

325

00:14:50,810 --> 00:14:48,150

us we're gonna symbiotic kind of

326

00:14:53,030 --> 00:14:50,820

relationship in our society these people

327

00:14:53,510 --> 00:14:53,040

are always parasites and often predators

328

00:14:55,550 --> 00:14:53,520

too

329

00:14:58,250 --> 00:14:55,560

the serial killer would for example

330

00:15:01,640 --> 00:14:58,260

would be the predator type but even in

331

00:15:04,340 --> 00:15:01,650

nature even studying predators and

332

00:15:08,030 --> 00:15:04,350

parasites you do not come across any

333

00:15:12,890 --> 00:15:08,040

other animal on the planet that enjoys

334

00:15:15,980 --> 00:15:12,900

torture that enjoys seeing its prey

335

00:15:17,540 --> 00:15:15,990

suffer and Psychopaths do they love to

336

00:15:20,600 --> 00:15:17,550

see it no other creature on the planet

337

00:15:22,820 --> 00:15:20,610

would starve another species to death

338

00:15:26,180 --> 00:15:22,830

just for the sheer pleasure of seeing

339

00:15:29,570 --> 00:15:26,190

them starve to death we do Psychopaths

340

00:15:31,660 --> 00:15:29,580

do so there's something more to it you

341

00:15:34,430 --> 00:15:31,670

know there's something more to it Frank

342

00:15:36,260 --> 00:15:34,440

now while you had mentioned taking a

343

00:15:39,830 --> 00:15:36,270

couple years worth of our courses in

344

00:15:42,530 --> 00:15:39,840

psychology in college and I was kind of

345

00:15:44,090 --> 00:15:42,540

curious I the psych psychological

346

00:15:46,220 --> 00:15:44,100

community they've they've got this

347

00:15:48,980 --> 00:15:46,230

knowledge they know this but they seem

348

00:15:51,470 --> 00:15:48,990

awfully apprehensive in terms of really

349

00:15:53,420 --> 00:15:51,480

discussing it openly and really

350

00:15:55,400 --> 00:15:53,430

spreading that around it seems that it

351

00:15:57,800 --> 00:15:55,410

takes a it takes a Mavericks like

352

00:16:00,080 --> 00:15:57,810

yourself and Ian Hughes is another guy

353

00:16:02,780 --> 00:16:00,090

who's over in Europe a physicist of from

354

00:16:04,790 --> 00:16:02,790

all backgrounds who's discussing the

355

00:16:07,220 --> 00:16:04,800

undue influence of psychopaths have on

356

00:16:10,220 --> 00:16:07,230

our world if you have any thoughts on

357

00:16:13,070 --> 00:16:10,230

that yeah well first of all I don't

358

00:16:15,620 --> 00:16:13,080

trust universities I think if you have a

359

00:16:17,930 --> 00:16:15,630

degree from a university it's basically

360

00:16:19,430 --> 00:16:17,940

a certificate of stupidity you have to

361

00:16:22,030 --> 00:16:19,440

understand that the people that go

362

00:16:24,860 --> 00:16:22,040

through it's a system it's a machine and

363

00:16:27,290 --> 00:16:24,870

everybody that all these professors that

364

00:16:30,820 --> 00:16:27,300

teach these different courses with a few

365

00:16:33,830 --> 00:16:30,830

exceptions like stem like the STEM

366

00:16:35,630 --> 00:16:33,840

subjects they are at least BAE

367

00:16:37,940 --> 00:16:35,640

based on mathematics and mechanics and

368

00:16:39,860 --> 00:16:37,950

things that can be verifiable and

369

00:16:44,360 --> 00:16:39,870

replicated but a lot of this stuff like

370

00:16:47,090 --> 00:16:44,370

philosophy psychology they're taught by

371

00:16:49,490 --> 00:16:47,100

professors that read books written by

372

00:16:51,320 --> 00:16:49,500

other professors that read books that

373

00:16:54,200 --> 00:16:51,330

were written by other professors I mean

374

00:16:57,680 --> 00:16:54,210

it's just its fourth hand information

375

00:16:59,600 --> 00:16:57,690

and if you knew college professors to

376

00:17:03,550 --> 00:16:59,610

say that your college professor does not

377

00:17:07,130 --> 00:17:03,560

bestow in my mind the authority of

378

00:17:09,890 --> 00:17:07,140

authenticity I mean look at the I don't

379

00:17:11,900 --> 00:17:09,900

know if you were following the the riots

380

00:17:13,730 --> 00:17:11,910

and the anti fun and things like that oh

381

00:17:15,500 --> 00:17:13,740

yeah I get to look at that well yeah we

382

00:17:16,940 --> 00:17:15,510

might get into you know the politics of

383

00:17:19,010 --> 00:17:16,950

what's going on today a little bit as

384

00:17:21,350 --> 00:17:19,020

well so look at the politics of what's

385

00:17:23,630 --> 00:17:21,360

going on look at these lunatics that are

386

00:17:25,370 --> 00:17:23,640

dressed up and in these weird outfits

387

00:17:28,730 --> 00:17:25,380

and then they're beating people with

388

00:17:30,710 --> 00:17:28,740

bicycle locks and screaming at reporters

389

00:17:33,620 --> 00:17:30,720

that you're not allowed here to turn all

390

00:17:35,480 --> 00:17:33,630

college professors some of them are yep

391

00:17:37,730 --> 00:17:35,490

some of them a lot of them are how to

392

00:17:39,680 --> 00:17:37,740

held it I wouldn't I wouldn't guess that

393

00:17:41,240 --> 00:17:39,690

they would be qualified to teach

394

00:17:43,250 --> 00:17:41,250

kindergarten but they're college

395

00:17:45,650 --> 00:17:43,260

professors so you know all this

396

00:17:47,780 --> 00:17:45,660

information all that we'd get nowadays

397

00:17:51,860 --> 00:17:47,790

and again this is part of our

398

00:17:53,750 --> 00:17:51,870

psychopathic culture and so that college

399

00:17:55,940 --> 00:17:53,760

professors are avoiding or they're very

400

00:17:57,470 --> 00:17:55,950

hesitant to talk about psychopathy I

401
00:18:00,020 --> 00:17:57,480
don't know why because I think it's

402
00:18:02,060 --> 00:18:00,030
probably the most important subject

403
00:18:04,130 --> 00:18:02,070
psychology and psychiatry should be

404
00:18:07,850 --> 00:18:04,140
studying because it is singly

405
00:18:10,370 --> 00:18:07,860
responsible for like 90% of the misery

406
00:18:13,220 --> 00:18:10,380
and suffering that occurs among not just

407
00:18:14,960 --> 00:18:13,230
people but animals nature I mean these

408
00:18:17,570 --> 00:18:14,970
people are destroying the planet they're

409
00:18:20,090 --> 00:18:17,580
killing and inflicting pain and

410
00:18:22,150 --> 00:18:20,100
suffering everywhere I think they would

411
00:18:25,400 --> 00:18:22,160
be they should be studied quite

412
00:18:30,170 --> 00:18:25,410
intensively right right exactly exactly

413
00:18:34,430 --> 00:18:30,180

and in the political realm I see us so

414

00:18:36,470 --> 00:18:34,440

much criticized the criticism is just

415

00:18:39,170 --> 00:18:36,480

you know you see a terrorist attack of

416

00:18:41,390 --> 00:18:39,180

or a physical attack of one type or

417

00:18:44,990 --> 00:18:41,400

another but people have a tendency to

418

00:18:46,100 --> 00:18:45,000

focus on sort of the symptom and just

419

00:18:48,260 --> 00:18:46,110

sit this

420

00:18:49,970 --> 00:18:48,270

kappa 'they can pop up anywhere so

421

00:18:52,330 --> 00:18:49,980

really you can be of any religion you

422

00:18:55,190 --> 00:18:52,340

could be of any race you can be of any

423

00:18:57,020 --> 00:18:55,200

political persuasion you can be a

424

00:18:59,480 --> 00:18:57,030

psychopath and do something really

425

00:19:01,070 --> 00:18:59,490

really horrible and because you do that

426

00:19:03,380 --> 00:19:01,080

doesn't mean that every other member of

427

00:19:05,600 --> 00:19:03,390

your religion is a horrible person

428

00:19:09,320 --> 00:19:05,610

doesn't mean every other member of your

429

00:19:13,400 --> 00:19:09,330

race or nationality or ethnic background

430

00:19:14,510 --> 00:19:13,410

anything like that but if that group is

431

00:19:15,980 --> 00:19:14,520

large enough they're going to be some

432

00:19:18,289 --> 00:19:15,990

psychopaths in there and they're likely

433

00:19:20,870 --> 00:19:18,299

to do some serious damage and when

434

00:19:21,919 --> 00:19:20,880

people point the finger at the the the

435

00:19:25,549 --> 00:19:21,929

evil act

436

00:19:27,880 --> 00:19:25,559

they're often criticizing that is the

437

00:19:30,650 --> 00:19:27,890

the symptom which is you know the the

438

00:19:32,840 --> 00:19:30,660

the local identity of a who's ever doing

439

00:19:35,780 --> 00:19:32,850

the evil act and not the underlying

440

00:19:39,020 --> 00:19:35,790

disease if you if I explain that okay

441

00:19:40,850 --> 00:19:39,030

sure yeah and and and that's the problem

442

00:19:45,169 --> 00:19:40,860

with the Psychopaths I mean for example

443

00:19:50,360 --> 00:19:45,179

I mean you could like religion gets a

444

00:19:52,250 --> 00:19:50,370

bad rep and for good reasons as well but

445

00:19:54,500 --> 00:19:52,260

acted a lot of psychopaths over the

446

00:19:56,570 --> 00:19:54,510

years but they feed a lot of people -

447

00:19:59,060 --> 00:19:56,580

they do a lot of that stuff - but they

448

00:20:01,419 --> 00:19:59,070

do a lot of good - you know but because

449

00:20:03,740 --> 00:20:01,429

you know it's it's you know one guy

450

00:20:05,330 --> 00:20:03,750

excuse my language hits in the punch

451
00:20:08,060 --> 00:20:05,340
bowl you know it just ruins it for

452
00:20:10,970 --> 00:20:08,070
everybody and so you get these these

453
00:20:12,890 --> 00:20:10,980
these lunatics Psychopaths that take

454
00:20:16,370 --> 00:20:12,900
advantage of people because the other

455
00:20:20,270 --> 00:20:16,380
thing too is with certain subjects like

456
00:20:23,510 --> 00:20:20,280
religion like psychiatry and even like

457
00:20:25,070 --> 00:20:23,520
UFOs and and and you know Bigfoot and

458
00:20:28,250 --> 00:20:25,080
Loch Ness monster and all that kind of

459
00:20:32,060 --> 00:20:28,260
stuff you have a ready-made audience of

460
00:20:35,450 --> 00:20:32,070
people that are already suspending

461
00:20:39,110 --> 00:20:35,460
disbelief you see let's take psychiatry

462
00:20:41,510 --> 00:20:39,120
or psychology for an example because

463
00:20:44,299 --> 00:20:41,520

they're all college professors and they

464

00:20:46,130 --> 00:20:44,309

have the dsm-v and they wear white lab

465

00:20:47,810 --> 00:20:46,140

coats and then they they tell people

466

00:20:49,610 --> 00:20:47,820

that the reason they were depressed is

467

00:20:52,520 --> 00:20:49,620

because there's a chemical imbalance in

468

00:20:55,250 --> 00:20:52,530

the brain and you know and so you need

469

00:20:58,460 --> 00:20:55,260

to take these drugs now there's not a

470

00:20:59,630 --> 00:20:58,470

shred of truth in any of that they don't

471

00:21:01,850 --> 00:20:59,640

know what

472

00:21:03,590 --> 00:21:01,860

what chemicals in the brain name the

473

00:21:05,650 --> 00:21:03,600

chemicals give me the chemical formulas

474

00:21:07,880 --> 00:21:05,660

and what is the difference between

475

00:21:10,370 --> 00:21:07,890

balanced chemicals in the brain and

476

00:21:11,780 --> 00:21:10,380

imbalanced chemicals in the brain they

477

00:21:14,270 --> 00:21:11,790

can't answer any of these questions

478

00:21:16,640 --> 00:21:14,280

because the problem is you can't see

479

00:21:20,060 --> 00:21:16,650

into the brain you cannot I cannot look

480

00:21:22,550 --> 00:21:20,070

into Frank's mind and see exactly what's

481

00:21:25,220 --> 00:21:22,560

going on what Frank's thoughts are or

482

00:21:27,590 --> 00:21:25,230

what Frank's feelings are or what

483

00:21:30,320 --> 00:21:27,600

Frank's instincts are okay I can see

484

00:21:32,420 --> 00:21:30,330

into your mind anything you know would

485

00:21:34,580 --> 00:21:32,430

be just third-hand information from an

486

00:21:36,230 --> 00:21:34,590

outside observer and it's the same thing

487

00:21:38,540 --> 00:21:36,240

with these psychiatrists so for them to

488

00:21:41,570 --> 00:21:38,550

come up with some idea that oh well you

489

00:21:43,370 --> 00:21:41,580

know you know we have this this chemical

490

00:21:45,860 --> 00:21:43,380

imbalance and we have to put you all on

491

00:21:47,600 --> 00:21:45,870

drugs and of course what drugs how do

492

00:21:50,450 --> 00:21:47,610

you know this drug is going to cure the

493

00:21:51,800 --> 00:21:50,460

imbalance we don't know basically what

494

00:21:53,870 --> 00:21:51,810

they're doing is feeding you opium

495

00:21:56,210 --> 00:21:53,880

that's been around for 6,000 years you

496

00:21:59,120 --> 00:21:56,220

know everybody knows you feel a lot

497

00:22:00,260 --> 00:21:59,130

better after a hit of opium so that's

498

00:22:02,510 --> 00:22:00,270

basically what you're doing it's

499

00:22:04,970 --> 00:22:02,520

synthesized opium it's opiates you know

500

00:22:09,670 --> 00:22:04,980

and and you know the source of the

501
00:22:11,870 --> 00:22:09,680
scourge of the of the antioxidant

502
00:22:13,880 --> 00:22:11,880
scourge that we have now in the states

503
00:22:16,010 --> 00:22:13,890
where did that all come from well do

504
00:22:18,500 --> 00:22:16,020
chemical imbalance and you know I mean

505
00:22:20,690 --> 00:22:18,510
all of it is just a big lie they don't

506
00:22:23,960 --> 00:22:20,700
know what they're talking about but you

507
00:22:26,120 --> 00:22:23,970
have an audience that is predisposed

508
00:22:28,160 --> 00:22:26,130
predisposed to disbelief so you get this

509
00:22:31,280 --> 00:22:28,170
guy in a white lab coat and he's gonna

510
00:22:34,550 --> 00:22:31,290
tell you about something he has no way

511
00:22:36,170 --> 00:22:34,560
of knowing they don't know what goes on

512
00:22:37,970 --> 00:22:36,180
in the mines they don't know what the

513
00:22:40,190 --> 00:22:37,980

chemicals are involved they don't know

514

00:22:41,690 --> 00:22:40,200

why people are insane I don't know why

515

00:22:43,400 --> 00:22:41,700

people are schizophrenic see they don't

516

00:22:44,990 --> 00:22:43,410

know why people are psychopathic they

517

00:22:47,960 --> 00:22:45,000

don't know why they're psychotic they

518

00:22:50,690 --> 00:22:47,970

don't know anything it's all a big lie

519

00:22:52,970 --> 00:22:50,700

but now you're in a university you paid

520

00:22:55,520 --> 00:22:52,980

you know fifteen thousand dollars a year

521

00:22:57,170 --> 00:22:55,530

to be there you are going to suspend

522

00:22:58,460 --> 00:22:57,180

disbelief because you don't want to tell

523

00:23:00,710 --> 00:22:58,470

yourself that you spent all this time

524

00:23:03,260 --> 00:23:00,720

and money to have a bunch of lunatics

525

00:23:06,680 --> 00:23:03,270

[h__h] to you about stuff they have no

526

00:23:08,660 --> 00:23:06,690

possible way of knowing so that's the

527

00:23:10,520 --> 00:23:08,670

problem and also the solution is usually

528

00:23:12,120 --> 00:23:10,530

pretty easy I take two of these and call

529

00:23:14,310 --> 00:23:12,130

me in the morning that that helps

530

00:23:15,660 --> 00:23:14,320

a little bit too as compared with G you

531

00:23:17,730 --> 00:23:15,670

might want to change your diet around

532

00:23:19,020 --> 00:23:17,740

that might that might help you feel a

533

00:23:20,670 --> 00:23:19,030

little bit better you might want to do

534

00:23:22,320 --> 00:23:20,680

so a little bit of exercise something

535

00:23:23,550 --> 00:23:22,330

along those lines you have to get off

536

00:23:26,850 --> 00:23:23,560

your ass and do a little bit of work

537

00:23:31,020 --> 00:23:26,860

yeah and notice that well I noticed

538

00:23:36,140 --> 00:23:31,030

there is no psychological treatment that

539

00:23:41,940 --> 00:23:38,760

never explored it they never take it

540

00:23:43,530 --> 00:23:41,950

into consideration at least take it into

541

00:23:45,540 --> 00:23:43,540

consideration it wouldn't be that

542

00:23:47,010 --> 00:23:45,550

difficult to come up with a study to

543

00:23:48,990 --> 00:23:47,020

find whether or not depression is

544

00:23:50,880 --> 00:23:49,000

related to people's diets and things

545

00:23:52,230 --> 00:23:50,890

like that it's an easy study I could

546

00:23:54,990 --> 00:23:52,240

come up with that give me a couple of

547

00:23:58,320 --> 00:23:55,000

million bucks or get started but they

548

00:24:09,180 --> 00:23:58,330

don't work on your check okay okay my

549

00:24:11,400 --> 00:24:09,190

checkbook out right now so it's it's

550

00:24:14,970 --> 00:24:11,410

fascinating and it's disturbing at the

551
00:24:17,190 --> 00:24:14,980
at the same time I know a little bit

552
00:24:18,810 --> 00:24:17,200
about the UFO field and I don't know

553
00:24:20,670 --> 00:24:18,820
that I would describe anyone who's

554
00:24:22,410 --> 00:24:20,680
actually in the field and there's a lot

555
00:24:25,710 --> 00:24:22,420
of snake oil salesmen let's not kid

556
00:24:29,070 --> 00:24:25,720
ourselves but you might not know but

557
00:24:30,390 --> 00:24:29,080
their listeners listeners at home let's

558
00:24:33,120 --> 00:24:30,400
not kid ourselves there's a there's a

559
00:24:34,650 --> 00:24:33,130
more than I wanted to private sector

560
00:24:37,170 --> 00:24:34,660
opportunist people are out there

561
00:24:40,110 --> 00:24:37,180
spreading bad information in the field

562
00:24:41,910 --> 00:24:40,120
making up ridiculous claims and so on I

563
00:24:43,890 --> 00:24:41,920

don't know that anyone in the field

564

00:24:47,910 --> 00:24:43,900

don't quite rises to the level of

565

00:24:51,060 --> 00:24:47,920

psychopathy oh that's a that's a pretty

566

00:24:53,510 --> 00:24:51,070

hard reasonably high bar to get over but

567

00:24:57,000 --> 00:24:53,520

I do think there are a few sociopaths

568

00:25:00,150 --> 00:24:57,010

likely even more narcissists can you

569

00:25:01,650 --> 00:25:00,160

break down how now there the gradations

570

00:25:03,150 --> 00:25:01,660

work a little bit for the folks at home

571

00:25:04,770 --> 00:25:03,160

who might not be that familiar with it

572

00:25:06,860 --> 00:25:04,780

psychopaths I guess would be the worst

573

00:25:09,590 --> 00:25:06,870

sociopath kind of in the middle and

574

00:25:12,210 --> 00:25:09,600

someone with MPD or narcissistic

575

00:25:13,530 --> 00:25:12,220

personality disorder which is actually

576

00:25:15,240 --> 00:25:13,540

quite different than somebody who spends

577

00:25:17,280 --> 00:25:15,250

all their time looking in the mirror

578

00:25:18,510 --> 00:25:17,290

that's not exactly what that is but yeah

579

00:25:20,910 --> 00:25:18,520

if you can break it down for the folks

580

00:25:23,940 --> 00:25:20,920

at home a little bit that would help a

581

00:25:25,500 --> 00:25:23,950

lot I think okay so you know again I'm

582

00:25:27,870 --> 00:25:25,510

not a I don't

583

00:25:31,200 --> 00:25:27,880

a degree in psychology but I have spent

584

00:25:34,080 --> 00:25:31,210

what is it 16 years now more than that

585

00:25:36,720 --> 00:25:34,090

20 years researching this subject now if

586

00:25:38,250 --> 00:25:36,730

you spend 20 years reading all the you

587

00:25:40,350 --> 00:25:38,260

know all the papers all the books

588

00:25:42,690 --> 00:25:40,360

watching all the videos listening to all

589

00:25:43,140 --> 00:25:42,700

the lectures you get to be pretty good

590

00:25:44,730 --> 00:25:43,150

at it

591

00:25:46,290 --> 00:25:44,740

you know if you were to devote you know

592

00:25:48,870 --> 00:25:46,300

20 years of your life to studying

593

00:25:53,760 --> 00:25:48,880

something you get pretty good at it so

594

00:25:56,400 --> 00:25:53,770

what now with me I tried to make sense

595

00:26:00,420 --> 00:25:56,410

of it using the you know the standard of

596

00:26:03,260 --> 00:26:00,430

diagnostic and statistics manual got a

597

00:26:06,420 --> 00:26:03,270

tongue twister diagnostics and

598

00:26:09,060 --> 00:26:06,430

statistics manual which is the Bible of

599

00:26:11,520 --> 00:26:09,070

the psychology psychiatric industry in

600

00:26:13,770 --> 00:26:11,530

which it is listed all the mental

601
00:26:16,590 --> 00:26:13,780
disorders and the symptoms and it's

602
00:26:18,480 --> 00:26:16,600
updated every couple of years and the

603
00:26:20,490 --> 00:26:18,490
problem is that every time it's updated

604
00:26:25,050 --> 00:26:20,500
the the meanings have changed around so

605
00:26:27,990 --> 00:26:25,060
the dsm-v definition of psychopathy from

606
00:26:31,020 --> 00:26:28,000
19 or 75 is different than the

607
00:26:34,590 --> 00:26:31,030
description of psychopathy from 1995

608
00:26:38,660 --> 00:26:34,600
they changed it so most people will have

609
00:26:42,150 --> 00:26:38,670
heard the terms psychopath sociopath and

610
00:26:46,310 --> 00:26:42,160
narcissist and multiple personality

611
00:26:48,210 --> 00:26:46,320
disorder boy that's another one that's

612
00:26:51,510 --> 00:26:48,220
I'll get to that last

613
00:26:54,150 --> 00:26:51,520

okay so Psychopaths and sociopaths it

614

00:26:56,310 --> 00:26:54,160

used to be some also antisocial

615

00:26:59,790 --> 00:26:56,320

personality disorder it's another one

616

00:27:01,050 --> 00:26:59,800

and bipolar no anti personality disorder

617

00:27:03,570 --> 00:27:01,060

and it's a they come up with a bunch of

618

00:27:06,210 --> 00:27:03,580

different names but the descriptions are

619

00:27:10,950 --> 00:27:06,220

kind of vague and they cross over a lot

620

00:27:12,990 --> 00:27:10,960

now it used to be what I understood the

621

00:27:15,120 --> 00:27:13,000

original time the first time I read

622

00:27:17,520 --> 00:27:15,130

through it and psychopathy was something

623

00:27:21,480 --> 00:27:17,530

like a professional somebody that was

624

00:27:23,880 --> 00:27:21,490

like you know a an entrepreneur CEO of a

625

00:27:26,880 --> 00:27:23,890

company now he's the kind of guy that

626

00:27:29,160 --> 00:27:26,890

would you know remember two mergers and

627

00:27:31,080 --> 00:27:29,170

acquisitions remember the the Wall

628

00:27:32,790 --> 00:27:31,090

Street traders you know greed is good

629

00:27:35,010 --> 00:27:32,800

you know what was his name Michael

630

00:27:36,660 --> 00:27:35,020

Milken you know this guy was a social

631

00:27:39,320 --> 00:27:36,670

odd this guy was a psychopath you know

632

00:27:42,800 --> 00:27:39,330

he he destroyed

633

00:27:44,750 --> 00:27:42,810

lives by you know the hostile takeovers

634

00:27:46,760 --> 00:27:44,760

of their company and then causing the

635

00:27:48,950 --> 00:27:46,770

bankruptcy of the company so they

636

00:27:50,960 --> 00:27:48,960

could sell off the assets and throwing

637

00:27:53,390 --> 00:27:50,970

tens of thousands of people out of work

638

00:27:55,220 --> 00:27:53,400

and just and stealing their pensions and

639

00:27:56,840 --> 00:27:55,230

you know just so this guy could have a

640

00:27:59,330 --> 00:27:56,850

couple extra millions so that he can

641

00:28:00,980 --> 00:27:59,340

afford a few more hookers and you know a

642

00:28:04,820 --> 00:28:00,990

couple more grams of coke I mean it was

643

00:28:07,300 --> 00:28:04,830

just ridiculous a bridled greed and

644

00:28:09,470 --> 00:28:07,310

destruction that this guy had reaped

645

00:28:12,140 --> 00:28:09,480

throughout the United States and this

646

00:28:16,130 --> 00:28:12,150

was I think in the early eighties is a

647

00:28:17,720 --> 00:28:16,140

psychopath you know now sociopaths used

648

00:28:20,750 --> 00:28:17,730

to be somebody that was more like a

649

00:28:23,180 --> 00:28:20,760

career criminal so when you see you know

650

00:28:26,480 --> 00:28:23,190

like some Hells Angel guy that's got

651
00:28:29,510 --> 00:28:26,490
tattoos on his neck and it's been in and

652
00:28:31,820 --> 00:28:29,520
out of prison for you know the 3040

653
00:28:33,860 --> 00:28:31,830
armed robberies assaults possession of

654
00:28:35,690 --> 00:28:33,870
firearms possession of narcotics you

655
00:28:37,700 --> 00:28:35,700
know and he somebody's got a criminal

656
00:28:38,960 --> 00:28:37,710
record as long as your your you know

657
00:28:40,940 --> 00:28:38,970
your bedroom

658
00:28:44,300 --> 00:28:40,950
these people were typically called

659
00:28:45,920 --> 00:28:44,310
sociopaths so but what is the difference

660
00:28:49,760 --> 00:28:45,930
between a psychopath and a sociopath

661
00:28:51,890 --> 00:28:49,770
well they won't say but I think it's

662
00:28:55,670 --> 00:28:51,900
pretty obvious it's really quite simple

663
00:28:58,310 --> 00:28:55,680

just like we have gradations among

664

00:29:01,010 --> 00:28:58,320

normal people between intelligence and

665

00:29:03,740 --> 00:29:01,020

creative and talented and people that

666

00:29:06,860 --> 00:29:03,750

are kind of dumb and have no idea so we

667

00:29:09,470 --> 00:29:06,870

have those same kind of gradations among

668

00:29:11,420 --> 00:29:09,480

Psychopaths so a psychopath that maybe

669

00:29:14,600 --> 00:29:11,430

was born to a good family like the

670

00:29:17,750 --> 00:29:14,610

Rothschilds you know or the the Clintons

671

00:29:19,760 --> 00:29:17,760

or the bushes you know where they're

672

00:29:22,190 --> 00:29:19,770

born into a wealthy family of

673

00:29:25,130 --> 00:29:22,200

psychopaths that you know raised him to

674

00:29:27,260 --> 00:29:25,140

being a psychopath and they got you know

675

00:29:30,080 --> 00:29:27,270

some kind of a decent education decent

676

00:29:32,840 --> 00:29:30,090

according to you know the more mores of

677

00:29:34,430 --> 00:29:32,850

our current society which personally I

678

00:29:37,370 --> 00:29:34,440

don't think is a decent education but

679

00:29:38,990 --> 00:29:37,380

I'm rad achill that way but let's say

680

00:29:40,940 --> 00:29:39,000

they got a decent education so now to go

681

00:29:43,190 --> 00:29:40,950

out in the world and they write or I get

682

00:29:45,890 --> 00:29:43,200

hired for some high-level position and

683

00:29:48,290 --> 00:29:45,900

all that there's still a psychopath they

684

00:29:50,330 --> 00:29:48,300

still cause the same amount of or maybe

685

00:29:52,279 --> 00:29:50,340

more destruction and

686

00:29:55,130 --> 00:29:52,289

evil and misery that's all they spread

687

00:29:56,870 --> 00:29:55,140

around them because you know the the

688

00:29:58,640 --> 00:29:56,880

principle characteristic of all these

689

00:30:00,649 --> 00:29:58,650

characters is they have no conscience

690

00:30:02,360 --> 00:30:00,659

let me put that out there first for it

691

00:30:04,220 --> 00:30:02,370

for the listener that doesn't know all

692

00:30:06,880 --> 00:30:04,230

these terms refer to people

693

00:30:09,409 --> 00:30:06,890

I mean psychopath sociopath narcissist

694

00:30:12,049 --> 00:30:09,419

refer to people that don't care about

695

00:30:14,330 --> 00:30:12,059

anything but themselves now the degree

696

00:30:18,320 --> 00:30:14,340

that they don't care about anybody but

697

00:30:20,600 --> 00:30:18,330

themselves varies somewhat you know in

698

00:30:23,419 --> 00:30:20,610

the extreme they think they're God and

699

00:30:26,060 --> 00:30:23,429

so in the less extreme they think

700

00:30:28,580 --> 00:30:26,070

they're perfect but yeah okay

701

00:30:30,799 --> 00:30:28,590

it just goes between I'm perfect and I

702

00:30:33,769 --> 00:30:30,809

am God you know and everyone should bow

703

00:30:37,580 --> 00:30:33,779

and worship me while I inflict my wrath

704

00:30:40,909 --> 00:30:37,590

on them no that's that's the - you know

705

00:30:42,380 --> 00:30:40,919

polls of that kind of dynamic they don't

706

00:30:44,180 --> 00:30:42,390

have a conscious they don't care about

707

00:30:45,409 --> 00:30:44,190

people they don't care about animals

708

00:30:47,600 --> 00:30:45,419

they don't care about pain and suffering

709

00:30:49,669 --> 00:30:47,610

they don't care that a little baby is

710

00:30:52,730 --> 00:30:49,679

hungry that they don't care about that

711

00:30:55,159 --> 00:30:52,740

stuff they only care about themselves so

712

00:30:57,350 --> 00:30:55,169

it's just the level of degree and how

713

00:31:00,919 --> 00:30:57,360

destructive they are in society so the

714

00:31:03,320 --> 00:31:00,929

professional psychopath might be some

715

00:31:05,690 --> 00:31:03,330

guy that either he was born rich or a

716

00:31:07,460 --> 00:31:05,700

you know clawed his way up out of the

717

00:31:09,320 --> 00:31:07,470

gutter but now he's in a powerful

718

00:31:13,639 --> 00:31:09,330

position he's a minister he's a

719

00:31:16,370 --> 00:31:13,649

politician mostly a politician he's a

720

00:31:18,649 --> 00:31:16,380

business leader you know you know

721

00:31:21,889 --> 00:31:18,659

anyways you're still psychopaths

722

00:31:24,440 --> 00:31:21,899

it's just that they're smart enough not

723

00:31:27,350 --> 00:31:24,450

to go to jail for it now you get a

724

00:31:29,330 --> 00:31:27,360

psychopath again that has no conscience

725

00:31:32,330 --> 00:31:29,340

only things about themselves short-term

726

00:31:33,769 --> 00:31:32,340

goals you know self aggrandizement what

727

00:31:35,990 --> 00:31:33,779

they want there's you know they're

728

00:31:38,000 --> 00:31:36,000

driven by their selfish needs moment by

729

00:31:41,120 --> 00:31:38,010

moment but they're not too bright so

730

00:31:43,639 --> 00:31:41,130

they can't think up well how to start

731

00:31:45,409 --> 00:31:43,649

out as savings and loan company and

732

00:31:48,860 --> 00:31:45,419

build people out of millions of dollars

733

00:31:51,350 --> 00:31:48,870

so they robbed a grocery store okay

734

00:31:55,250 --> 00:31:51,360

okay so though that would be the

735

00:31:55,639 --> 00:31:55,260

sociopath however the last time I read

736

00:31:58,100 --> 00:31:55,649

it

737

00:31:59,990 --> 00:31:58,110

they had reversed those two now they're

738

00:32:01,940 --> 00:32:00,000

saying sociopaths are professionals and

739

00:32:03,290 --> 00:32:01,950

Psychopaths are the grocery store

740

00:32:05,540 --> 00:32:03,300

robbers you know

741

00:32:08,260 --> 00:32:05,550

I don't know you know because they don't

742

00:32:12,170 --> 00:32:08,270

know again we're talking about

743

00:32:15,560 --> 00:32:12,180

professionals quote endquote and

744

00:32:18,470 --> 00:32:15,570

professors they don't know so it's gone

745

00:32:21,290 --> 00:32:18,480

back and forth so for me it's basically

746

00:32:24,260 --> 00:32:21,300

interchangeable the common denominator

747

00:32:27,410 --> 00:32:24,270

is they don't care they only want what

748

00:32:31,190 --> 00:32:27,420

they want and they don't care if they

749

00:32:33,320 --> 00:32:31,200

have to set you on fire to get it that's

750

00:32:35,540 --> 00:32:33,330

what they'll do now the difference

751

00:32:37,700 --> 00:32:35,550

though is are you dealing with some

752

00:32:40,430 --> 00:32:37,710

low-level street trash that's just gonna

753

00:32:42,890 --> 00:32:40,440

put take a a straight razor to your

754

00:32:45,650 --> 00:32:42,900

throat and get your wallet or are you

755

00:32:48,320 --> 00:32:45,660

dealing with the CEO like you know Mark

756

00:32:49,520 --> 00:32:48,330

Zuckerberg you know plastic professional

757

00:32:51,710 --> 00:32:49,530

psychopaths

758

00:32:56,390 --> 00:32:51,720

you know we stole the software screwed

759

00:32:59,030 --> 00:32:56,400

all those business partners at that

760

00:33:01,160 --> 00:32:59,040

congressional hearing oh my god the guy

761

00:33:03,710 --> 00:33:01,170

looks like he should have that Hannibal

762

00:33:06,320 --> 00:33:03,720

Lecter mask on oh I mean this guy's the

763

00:33:08,750 --> 00:33:06,330

evil that exudes from his dead eyes is

764

00:33:10,640 --> 00:33:08,760

just frightening to watch I did make I

765

00:33:13,930 --> 00:33:10,650

can't eat after watching this guy for

766

00:33:19,100 --> 00:33:16,370

well obviously obviously you're not a

767

00:33:20,600 --> 00:33:19,110

big guy bicha Zuckerberg but certainly

768

00:33:22,850 --> 00:33:20,610

other people who were doing a lot worse

769

00:33:24,350 --> 00:33:22,860

things in the world then then Zuckerberg

770

00:33:27,440 --> 00:33:24,360

I mean they're they're either or they're

771

00:33:28,970 --> 00:33:27,450

Putin's out there rather Assad's out

772

00:33:30,950 --> 00:33:28,980

there running around there are King John

773

00:33:32,780 --> 00:33:30,960

wounds out there running around there

774

00:33:36,350 --> 00:33:32,790

the kind of damage that somebody who

775

00:33:37,940 --> 00:33:36,360

runs a government with a regardless of

776

00:33:40,520 --> 00:33:37,950

value when a class of I'm a malignant

777

00:33:42,140 --> 00:33:40,530

personality disorder these are the kind

778

00:33:43,940 --> 00:33:42,150

of people who were really doing the

779

00:33:47,480 --> 00:33:43,950

serious damage to the world and have

780

00:33:49,040 --> 00:33:47,490

throughout history yeah you know the

781

00:33:51,470 --> 00:33:49,050

difference is how much power do they

782

00:33:54,380 --> 00:33:51,480

have you know if you got some low-level

783

00:33:56,720 --> 00:33:54,390

psychopath he has no money has no

784

00:34:00,140 --> 00:33:56,730

education he had not too high not cute

785

00:34:01,790 --> 00:34:00,150

well you know like serial killers well

786

00:34:04,130 --> 00:34:01,800

they can kill you know upwards of

787

00:34:06,230 --> 00:34:04,140

hundred people in their lifetime in

788

00:34:07,940 --> 00:34:06,240

their career maybe 200 people I actually

789

00:34:10,490 --> 00:34:07,950

get what the highest number of Syria

790

00:34:12,350 --> 00:34:10,500

people killed by us here okay couple

791

00:34:16,760 --> 00:34:12,360

hundred people but you get a you get a

792

00:34:19,460 --> 00:34:16,770

psychopath like George Bush jr.

793

00:34:22,550 --> 00:34:19,470

that launches a war on Iraq that kills a

794

00:34:25,340 --> 00:34:22,560

million people what's the difference

795

00:34:29,060 --> 00:34:25,350

between the serial killer and George

796

00:34:30,260 --> 00:34:29,070

Bush jr. well the amount of power they

797

00:34:33,139 --> 00:34:30,270

have that's all the difference

798

00:34:35,930 --> 00:34:33,149

mentally emotionally morally of course

799

00:34:38,149 --> 00:34:35,940

morally most important the none of them

800

00:34:41,659 --> 00:34:38,159

have a moral code that's you know the

801
00:34:43,940 --> 00:34:41,669
key characteristic of these people so

802
00:34:46,730 --> 00:34:43,950
what what is worse you know

803
00:34:52,159 --> 00:34:46,740
you know the Green River Killer or

804
00:34:56,270 --> 00:34:52,169
George Bush jr. or or Madeleine Albright

805
00:34:58,460 --> 00:34:56,280
or Barack Obama or Hillary Clinton or

806
00:35:00,530 --> 00:34:58,470
Bill Clinton well the green or every

807
00:35:03,500 --> 00:35:00,540
killer well we know it killed 40 maybe

808
00:35:04,730 --> 00:35:03,510
80 people pretty horrible everybody

809
00:35:06,620 --> 00:35:04,740
thinks she's like the most evil thing

810
00:35:09,590 --> 00:35:06,630
that walked her planet no he's nothing

811
00:35:12,110 --> 00:35:09,600
he's a baby compared to the politicians

812
00:35:14,450 --> 00:35:12,120
that run this world they kill hundreds

813
00:35:16,190 --> 00:35:14,460

of thousands and millions of people and

814

00:35:18,500 --> 00:35:16,200

they killed them in much more horrible

815

00:35:20,090 --> 00:35:18,510

ways than these serial killers too but

816

00:35:22,850 --> 00:35:20,100

you know we're all horrified by the

817

00:35:25,370 --> 00:35:22,860

serial killer but we're ready to vote

818

00:35:26,690 --> 00:35:25,380

for the other guy you know look there is

819

00:35:29,450 --> 00:35:26,700

no difference between the two the

820

00:35:31,880 --> 00:35:29,460

difference is one guy wears it to the

821

00:35:34,220 --> 00:35:31,890

\$5,000 Amani suit and the other guy

822

00:35:35,390 --> 00:35:34,230

worse you know a leather jacket that's

823

00:35:37,520 --> 00:35:35,400

the only difference

824

00:35:44,510 --> 00:35:37,530

but they're all Psychopaths and

825

00:35:46,070 --> 00:35:44,520

sociopaths and yeah now one of the

826

00:35:49,070 --> 00:35:46,080

things that that we want to get into

827

00:35:50,900 --> 00:35:49,080

when I cycle back to the UFO situation a

828

00:35:53,720 --> 00:35:50,910

little bit now I you had stayed

829

00:35:55,550 --> 00:35:53,730

obviously yeah that if you were an

830

00:35:58,670 --> 00:35:55,560

advanced DT you would just stay the hell

831

00:36:00,860 --> 00:35:58,680

away from Planet Earth and since I think

832

00:36:02,270 --> 00:36:00,870

there's at least a good chance that we

833

00:36:05,180 --> 00:36:02,280

are being visited every once in a while

834

00:36:07,450 --> 00:36:05,190

you have to think that the the

835

00:36:10,490 --> 00:36:07,460

psychopath is a pretty interesting

836

00:36:13,640 --> 00:36:10,500

subject for research from these advanced

837

00:36:15,560 --> 00:36:13,650

ETS that they if you were here if you

838

00:36:17,360 --> 00:36:15,570

were able to look at a society run by a

839

00:36:18,860 --> 00:36:17,370

psychopath you might be kind of

840

00:36:20,040 --> 00:36:18,870

interested in that you might you might

841

00:36:23,820 --> 00:36:20,050

get into a little bit

842

00:36:27,090 --> 00:36:23,830

wonder how the world ticks with those

843

00:36:28,590 --> 00:36:27,100

kind of folks in charge no no there

844

00:36:32,340 --> 00:36:28,600

wouldn't be interested in Psychopaths at

845

00:36:34,920 --> 00:36:32,350

all psychopaths are boring there there's

846

00:36:37,260 --> 00:36:34,930

nothing to them through machines they're

847

00:36:39,330 --> 00:36:37,270

not they're not really human they don't

848

00:36:42,060 --> 00:36:39,340

have a soul this is what I believe they

849

00:36:46,400 --> 00:36:42,070

have no soul they have no creative urge

850

00:36:49,170 --> 00:36:46,410

they are just this mindless sucking

851
00:36:51,710 --> 00:36:49,180
machine that that that completely

852
00:36:54,180 --> 00:36:51,720
impersonal through the suffering and

853
00:36:55,770 --> 00:36:54,190
sensibilities of people around they're

854
00:36:58,140 --> 00:36:55,780
not they're not interesting at all

855
00:37:00,660 --> 00:36:58,150
because they're all exactly this same

856
00:37:03,330 --> 00:37:00,670
the all's they care about is themselves

857
00:37:09,290 --> 00:37:03,340
and they will do whatever it takes lie

858
00:37:12,510 --> 00:37:09,300
cheat steal Rob seduce manipulate Forge

859
00:37:14,280 --> 00:37:12,520
plagiarize what I'll do whatever it

860
00:37:16,620 --> 00:37:14,290
takes to get what they want

861
00:37:18,390 --> 00:37:16,630
it's boring they're very boring people

862
00:37:20,370 --> 00:37:18,400
because you know what they want well

863
00:37:23,550 --> 00:37:20,380

what do they want money and power money

864

00:37:25,140 --> 00:37:23,560

and power and you know and that there's

865

00:37:27,780 --> 00:37:25,150

nothing interesting about them so I

866

00:37:30,750 --> 00:37:27,790

really don't think that any

867

00:37:33,030 --> 00:37:30,760

extraterrestrial or advanced

868

00:37:36,330 --> 00:37:33,040

civilization would be the least bit

869

00:37:38,130 --> 00:37:36,340

interested in in Psychopaths it would be

870

00:37:40,130 --> 00:37:38,140

like you know coming to Planet Earth and

871

00:37:43,500 --> 00:37:40,140

finding some great fascination with

872

00:37:45,240 --> 00:37:43,510

leeches you know or bad books you know

873

00:37:46,890 --> 00:37:45,250

like oh I'll come to Planet Earth I'm

874

00:37:49,020 --> 00:37:46,900

gonna study bedbugs what would it bet

875

00:37:51,210 --> 00:37:49,030

they'd sneak up on you and they suck the

876

00:37:53,340 --> 00:37:51,220

blood out of you it's what psychopaths

877

00:37:55,560 --> 00:37:53,350

do there's nothing interesting about

878

00:37:58,160 --> 00:37:55,570

them I I personally don't think et would

879

00:38:02,730 --> 00:37:58,170

be interested in humanity at all because

880

00:38:04,320 --> 00:38:02,740

the human race and it's not just me

881

00:38:05,700 --> 00:38:04,330

saying this you know but because like I

882

00:38:08,610 --> 00:38:05,710

said I've you know went through the

883

00:38:10,320 --> 00:38:08,620

whole journey of searching for answers

884

00:38:12,690 --> 00:38:10,330

but a lot of the great wise men

885

00:38:14,970 --> 00:38:12,700

throughout history the sages the

886

00:38:17,070 --> 00:38:14,980

Philosopher's well they've all said the

887

00:38:19,530 --> 00:38:17,080

same thing we are species that's gone

888

00:38:23,300 --> 00:38:19,540

insane there is something seriously

889

00:38:27,290 --> 00:38:23,310

ingrained that is wrong with humanity

890

00:38:29,820 --> 00:38:27,300

because why why would you settle for

891

00:38:32,220 --> 00:38:29,830

five thousand six thousand years of

892

00:38:33,970 --> 00:38:32,230

murder and enslavement and mayhem when

893

00:38:36,430 --> 00:38:33,980

you could easily have created paradise

894

00:38:38,980 --> 00:38:36,440

along why would you choose the war

895

00:38:42,040 --> 00:38:38,990

instead of the peace like in my first

896

00:38:45,580 --> 00:38:42,050

video on paradise stolen like I mean

897

00:38:48,430 --> 00:38:45,590

Americans are perfectly okay with with

898

00:38:51,099 --> 00:38:48,440

paying taxes and that cost you know six

899

00:38:51,790 --> 00:38:51,109

trillion dollars to bomb Iraq that's

900

00:38:54,040 --> 00:38:51,800

okay

901

00:38:56,590 --> 00:38:54,050

I'll go you know the six trillion

902

00:38:59,620 --> 00:38:56,600

dollars could have bought a house for

903

00:39:02,470 --> 00:38:59,630

every family in America on a nice piece

904

00:39:04,420 --> 00:39:02,480

of property where the backyard could

905

00:39:06,580 --> 00:39:04,430

have done that with the money no let's

906

00:39:08,290 --> 00:39:06,590

go kill people that never did anything

907

00:39:10,720 --> 00:39:08,300

to us that we don't know anything about

908

00:39:12,490 --> 00:39:10,730

in the country ninety nine percent of

909

00:39:15,609 --> 00:39:12,500

americans couldn't point out on a map

910

00:39:17,050 --> 00:39:15,619

okay we have the money to go kill those

911

00:39:20,320 --> 00:39:17,060

people but we don't have the money to

912

00:39:23,920 --> 00:39:20,330

create paradise in america for ourselves

913

00:39:26,230 --> 00:39:23,930

so what kind of what kind of a species

914

00:39:29,760 --> 00:39:26,240

would do that what kind of a species

915

00:39:33,280 --> 00:39:29,770

would choose death and destruction over

916

00:39:36,400 --> 00:39:33,290

happiness and harmony and peace every

917

00:39:39,010 --> 00:39:36,410

single time every single time to go

918

00:39:41,470 --> 00:39:39,020

world war one is civil war the

919

00:39:43,480 --> 00:39:41,480

spanish-american war over and over and

920

00:39:45,490 --> 00:39:43,490

over again oh yeah we have billions of

921

00:39:47,830 --> 00:39:45,500

dollars to spend killing people we have

922

00:39:49,900 --> 00:39:47,840

no money for homeless people we've got

923

00:39:51,940 --> 00:39:49,910

billions of dollars to spend murdering

924

00:39:53,950 --> 00:39:51,950

people we have no money for medical

925

00:39:56,890 --> 00:39:53,960

research I mean what kind of a species

926

00:40:00,070 --> 00:39:56,900

are weeds that chooses death and

927

00:40:03,700 --> 00:40:00,080

destruction over that every time it's

928

00:40:08,080 --> 00:40:03,710

only a species that is completely insane

929

00:40:11,490 --> 00:40:08,090

now why would et come and visit us let

930

00:40:14,170 --> 00:40:11,500

me ask you Frank have you ever been or

931

00:40:15,190 --> 00:40:14,180

visited an asylum for the criminally

932

00:40:20,970 --> 00:40:15,200

insane

933

00:40:23,170 --> 00:40:20,980

I have not right would you want to go I

934

00:40:25,420 --> 00:40:23,180

probably wouldn't seek it out but you

935

00:40:26,650 --> 00:40:25,430

know what I think if I had the

936

00:40:28,060 --> 00:40:26,660

opportunity to do it let's say I had a

937

00:40:29,260 --> 00:40:28,070

friend who worked there and said yeah

938

00:40:31,330 --> 00:40:29,270

it's stopped out for the day and that

939

00:40:33,430 --> 00:40:31,340

they'll take a look around I might take

940

00:40:35,020 --> 00:40:33,440

him up on that but it was the

941

00:40:36,370 --> 00:40:35,030

opportunity would have to come my way it

942

00:40:38,980 --> 00:40:36,380

let's put it that way I wouldn't seek it

943

00:40:40,420 --> 00:40:38,990

out exactly you wouldn't seek it out now

944

00:40:42,090 --> 00:40:40,430

you wouldn't go there and try and teach

945

00:40:45,040 --> 00:40:42,100

them about

946

00:40:46,150 --> 00:40:45,050

give classes on algebra and biology

947

00:40:48,220 --> 00:40:46,160

right

948

00:40:49,990 --> 00:40:48,230

I probably well I wouldn't be qualified

949

00:40:52,420 --> 00:40:50,000

but even if I were I don't think I would

950

00:40:55,120 --> 00:40:52,430

know I don't know I don't know if I

951
00:40:55,920 --> 00:40:55,130
would commit to a regular visits let's

952
00:40:59,140 --> 00:40:55,930
put it that way

953
00:41:00,400 --> 00:40:59,150
exactly and that's so you and I I

954
00:41:04,990 --> 00:41:00,410
wouldn't do it either

955
00:41:06,430 --> 00:41:05,000
I play folk music but obviously those

956
00:41:08,980 --> 00:41:06,440
stéfano there are people who do they

957
00:41:11,260 --> 00:41:08,990
work there you know they're the really

958
00:41:12,880 --> 00:41:11,270
insane you know they're not left to

959
00:41:20,590 --> 00:41:12,890
their own devices there's staff there

960
00:41:22,120 --> 00:41:20,600
their profession so see I wouldn't go

961
00:41:23,530 --> 00:41:22,130
there and neither would you and neither

962
00:41:26,020 --> 00:41:23,540
would I go there in an attempt to teach

963
00:41:28,600 --> 00:41:26,030

them something so imagine an alien

964

00:41:32,380 --> 00:41:28,610

species and in order for them to reach

965

00:41:33,820 --> 00:41:32,390

this planet from whatever nearest you

966

00:41:36,070 --> 00:41:33,830

know Alpha Centauri I believe is the

967

00:41:39,880 --> 00:41:36,080

nearest star which is what four

968

00:41:43,480 --> 00:41:39,890

light-years away you know that would

969

00:41:46,480 --> 00:41:43,490

take you know the Space Shuttle what 150

970

00:41:48,340 --> 00:41:46,490

thousand years to get here right you

971

00:41:49,660 --> 00:41:48,350

know like they would travel even if they

972

00:41:52,510 --> 00:41:49,670

could travel at the speed of light

973

00:41:54,910 --> 00:41:52,520

switch again all of this is just we

974

00:41:56,740 --> 00:41:54,920

don't know any of this is real the speed

975

00:41:58,870 --> 00:41:56,750

of light the distance between planets

976

00:42:00,910 --> 00:41:58,880

you know we don't know that this is real

977

00:42:02,530 --> 00:42:00,920

yeah it's some professor I don't know do

978

00:42:04,300 --> 00:42:02,540

I know these guys maybe they're idiots

979

00:42:07,000 --> 00:42:04,310

maybe they're making it up to published

980

00:42:11,560 --> 00:42:07,010

books what do I know what I do know is

981

00:42:14,440 --> 00:42:11,570

the infinite capability of mankind to

982

00:42:17,620 --> 00:42:14,450

deceive themselves and others so keeping

983

00:42:19,000 --> 00:42:17,630

that in mind so let's just of course I

984

00:42:20,950 --> 00:42:19,010

was going to jump in and ask if houses

985

00:42:22,600 --> 00:42:20,960

good a time as any was how did these

986

00:42:24,280 --> 00:42:22,610

Psychopaths get away with it they run

987

00:42:26,800 --> 00:42:24,290

things out why are they left in charge

988

00:42:28,330 --> 00:42:26,810

here woody I have some ideas of what I

989

00:42:33,070 --> 00:42:28,340

think it might be but I want to know

990

00:42:35,470 --> 00:42:33,080

what you think I don't know Frank that's

991

00:42:38,560 --> 00:42:35,480

that's the big question

992

00:42:40,960 --> 00:42:38,570

and I could describe it in terms of you

993

00:42:44,680 --> 00:42:40,970

know from a philosophical a kind of

994

00:42:47,320 --> 00:42:44,690

mystical tradition which you know I'll

995

00:42:49,270 --> 00:42:47,330

again most of the great sages and

996

00:42:51,940 --> 00:42:49,280

philosophers have described many times

997

00:42:54,040 --> 00:42:51,950

and that is humanity is asleep and

998

00:42:57,100 --> 00:42:54,050

they're all sleepwalking

999

00:43:00,040 --> 00:42:57,110

kerchief would say that our machines

1000

00:43:03,850 --> 00:43:00,050

they're just program response machines

1001
00:43:06,880 --> 00:43:03,860
very complex ones very talented complex

1002
00:43:09,570 --> 00:43:06,890
ones but that's all it is and I would

1003
00:43:14,050 --> 00:43:09,580
have to agree with that humanity is

1004
00:43:15,460 --> 00:43:14,060
asleep and that's saying that's the best

1005
00:43:19,990 --> 00:43:15,470
case scenario because if they aren't

1006
00:43:21,850 --> 00:43:20,000
asleep then they're insane so I would

1007
00:43:23,350 --> 00:43:21,860
prefer to because if you're awake and

1008
00:43:26,260 --> 00:43:23,360
you allow all this to happen then you

1009
00:43:28,030 --> 00:43:26,270
are insane okay I'm sorry I mean why

1010
00:43:29,680 --> 00:43:28,040
would you why would you allow this why

1011
00:43:33,010 --> 00:43:29,690
would you speak out on how many people

1012
00:43:34,960 --> 00:43:33,020
speak out against all these destructive

1013
00:43:36,930 --> 00:43:34,970

policies from the government's and the

1014

00:43:38,980 --> 00:43:36,940

schools and you know the the

1015

00:43:42,010 --> 00:43:38,990

pharmaceutical companies forcing

1016

00:43:44,710 --> 00:43:42,020

vaccinations and drugs and getting six

1017

00:43:46,810 --> 00:43:44,720

year old kids to transition into I mean

1018

00:43:49,540 --> 00:43:46,820

come on oh my god they're all insane

1019

00:43:51,640 --> 00:43:49,550

either they're insane or they're asleep

1020

00:43:54,520 --> 00:43:51,650

and they're being manipulated by

1021

00:43:56,980 --> 00:43:54,530

Psychopaths so that's that's the only

1022

00:43:59,500 --> 00:43:56,990

choice two choices I can come up with so

1023

00:44:03,580 --> 00:43:59,510

to be positive I would say they're all

1024

00:44:07,630 --> 00:44:03,590

sleepwalking and my theory is that you

1025

00:44:10,780 --> 00:44:07,640

you are born with a seed that can grow

1026

00:44:13,600 --> 00:44:10,790

into a soul or it will die and then you

1027

00:44:16,090 --> 00:44:13,610

just become a zombie and and some people

1028

00:44:18,520 --> 00:44:16,100

that seed dies in them very young and

1029

00:44:21,100 --> 00:44:18,530

their whole lives are spent as a zombie

1030

00:44:23,380 --> 00:44:21,110

and some people they might live a little

1031

00:44:24,820 --> 00:44:23,390

bit older and then the seed dies when in

1032

00:44:27,220 --> 00:44:24,830

middle age and then they become a zombie

1033

00:44:29,440 --> 00:44:27,230

after that because if you don't nourish

1034

00:44:31,450 --> 00:44:29,450

the seed you don't water it you don't

1035

00:44:33,160 --> 00:44:31,460

feed it it won't grow into a soul I

1036

00:44:35,620 --> 00:44:33,170

don't believe everybody's born with the

1037

00:44:37,990 --> 00:44:35,630

soul I really don't because I've been

1038

00:44:40,390 --> 00:44:38,000

around I look in people's eyes I just

1039

00:44:44,320 --> 00:44:40,400

there's so many times that you meet

1040

00:44:45,730 --> 00:44:44,330

people and you know nobody's home so you

1041

00:44:47,770 --> 00:44:45,740

know what does it mean when nobody's

1042

00:44:49,690 --> 00:44:47,780

home okay they're not aware they have a

1043

00:44:51,970 --> 00:44:49,700

low IQ what but but what really does

1044

00:44:53,350 --> 00:44:51,980

that mean you you have a feeling for it

1045

00:44:54,730 --> 00:44:53,360

Frank you know not you know what I'm

1046

00:44:56,620 --> 00:44:54,740

talking about I do I do

1047

00:44:58,540 --> 00:44:56,630

alright you talk to people and you know

1048

00:45:00,370 --> 00:44:58,550

there are there's you know the lights

1049

00:45:03,970 --> 00:45:00,380

are on but there's nobody there there's

1050

00:45:05,830 --> 00:45:03,980

nothing behind those eyes so what is it

1051
00:45:07,150 --> 00:45:05,840
that is that you do see when you see

1052
00:45:09,430 --> 00:45:07,160
somebody that has

1053
00:45:12,640 --> 00:45:09,440
light in their eyes I'm you know we

1054
00:45:14,530 --> 00:45:12,650
could you know make up words for it but

1055
00:45:18,340 --> 00:45:14,540
the best word I would say right now is a

1056
00:45:22,120 --> 00:45:18,350
soul or a spirit I don't know what else

1057
00:45:24,940 --> 00:45:22,130
can you call it self-awareness but

1058
00:45:27,430 --> 00:45:24,950
either you have it or you don't and if

1059
00:45:31,330 --> 00:45:27,440
you don't feed it and nurture the

1060
00:45:33,240 --> 00:45:31,340
beginnings of this then it will die and

1061
00:45:35,410 --> 00:45:33,250
I think that's why we have so many

1062
00:45:37,450 --> 00:45:35,420
soulless zombies running around because

1063
00:45:40,270 --> 00:45:37,460

I think the educational system and and

1064

00:45:43,060 --> 00:45:40,280

the iPhone and the entertainments I

1065

00:45:45,580 --> 00:45:43,070

think it kills that seed I think it

1066

00:45:47,800 --> 00:45:45,590

you're just pouring poison on it and it

1067

00:45:49,270 --> 00:45:47,810

never grows and so now you have a lot of

1068

00:45:51,550 --> 00:45:49,280

people that they're zombies

1069

00:45:55,600 --> 00:45:51,560

there's nothing there so you could say

1070

00:45:58,570 --> 00:45:55,610

they're asleep but if you lose that seed

1071

00:45:59,980 --> 00:45:58,580

and you lose that spark yeah you might

1072

00:46:02,140 --> 00:45:59,990

be asleep but you have no chance of

1073

00:46:04,900 --> 00:46:02,150

waking up people that still have that

1074

00:46:06,550 --> 00:46:04,910

spark in them they can wake up and I

1075

00:46:07,300 --> 00:46:06,560

think if you wake up then the

1076

00:46:10,090 --> 00:46:07,310

Psychopaths

1077

00:46:12,700 --> 00:46:10,100

will not lead you and influence you and

1078

00:46:15,580 --> 00:46:12,710

the problem is that they have control

1079

00:46:18,940 --> 00:46:15,590

over our society and everything they do

1080

00:46:21,100 --> 00:46:18,950

to our society is designed to destroy

1081

00:46:23,680 --> 00:46:21,110

that seed so that's how they get away

1082

00:46:25,720 --> 00:46:23,690

with it they've destroyed that spark you

1083

00:46:28,030 --> 00:46:25,730

know has been many different ways you

1084

00:46:31,450 --> 00:46:28,040

know the chemtrails the the fluoride in

1085

00:46:34,030 --> 00:46:31,460

the water the GMO the synthetic foods

1086

00:46:35,950 --> 00:46:34,040

the education system you know on and on

1087

00:46:38,380 --> 00:46:35,960

and on all these structures and

1088

00:46:41,010 --> 00:46:38,390

institutions are designed to kill the

1089

00:46:43,510 --> 00:46:41,020

human spirit and they've succeeded

1090

00:46:45,010 --> 00:46:43,520

magnificently look at all the people

1091

00:46:47,260 --> 00:46:45,020

that are running around they are

1092

00:46:50,200 --> 00:46:47,270

completely mesmerized totally hypnotized

1093

00:46:53,340 --> 00:46:50,210

by that goddamn smartphone they no

1094

00:46:56,170 --> 00:46:53,350

longer experience life firsthand

1095

00:46:59,560 --> 00:46:56,180

everything is a secondhand experience

1096

00:47:01,720 --> 00:46:59,570

through the cell phone this is what

1097

00:47:04,990 --> 00:47:01,730

kills your soul you have to be in this

1098

00:47:07,990 --> 00:47:05,000

life to to develop this soul if you're

1099

00:47:09,700 --> 00:47:08,000

not in the life then you die and then

1100

00:47:13,320 --> 00:47:09,710

there's nothing left but this empty

1101
00:47:15,790 --> 00:47:13,330
machine that just goes through the paces

1102
00:47:18,970 --> 00:47:15,800
I'm gonna throw in that a very famous

1103
00:47:21,970 --> 00:47:18,980
quote from Lord Acton who was a 19th

1104
00:47:23,380 --> 00:47:21,980
century British politician but it's a

1105
00:47:24,430 --> 00:47:23,390
pretty famous quote I'm gonna read the

1106
00:47:26,800 --> 00:47:24,440
whole thing I'm sure you're familiar

1107
00:47:29,200 --> 00:47:26,810
with it I mean Howard tends to corrupt

1108
00:47:30,460 --> 00:47:29,210
an absolute power corrupts absolutely it

1109
00:47:32,950 --> 00:47:30,470
goes a little further than that though

1110
00:47:35,200 --> 00:47:32,960
just usually the first sentence is the

1111
00:47:37,000 --> 00:47:35,210
one that gets the most attention but he

1112
00:47:39,880 --> 00:47:37,010
goes on to say great men are almost

1113
00:47:42,790 --> 00:47:39,890

always bad men so I guess he doesn't

1114

00:47:45,910 --> 00:47:42,800

allow that sometimes once in a while now

1115

00:47:48,790 --> 00:47:45,920

and again a decent individual does look

1116

00:47:50,620 --> 00:47:48,800

through and rise to the level of having

1117

00:47:52,450 --> 00:47:50,630

some authority in this world and I think

1118

00:47:54,280 --> 00:47:52,460

that's probably correct I don't think I

1119

00:47:56,530 --> 00:47:54,290

they're all psychopaths but plenty of

1120

00:47:58,780 --> 00:47:56,540

them are but even when they exercise

1121

00:48:00,640 --> 00:47:58,790

influence and let me go back to the

1122

00:48:02,950 --> 00:48:00,650

beginning here I got the sidetrack

1123

00:48:04,720 --> 00:48:02,960

they're great men are almost always bad

1124

00:48:07,120 --> 00:48:04,730

men even when they exercise influence

1125

00:48:09,370 --> 00:48:07,130

with non-authority still more when you

1126
00:48:11,590 --> 00:48:09,380
super had the tendency of the certainty

1127
00:48:14,080 --> 00:48:11,600
of corruption by Authority so this is a

1128
00:48:16,180 --> 00:48:14,090
guy who I kind of knew exactly what

1129
00:48:18,400 --> 00:48:16,190
we're spending the last hour is so

1130
00:48:20,470 --> 00:48:18,410
talking about didn't have the same

1131
00:48:21,850 --> 00:48:20,480
verbiage to describe it but it seems

1132
00:48:25,540 --> 00:48:21,860
like he hit the nail pretty well on the

1133
00:48:26,860 --> 00:48:25,550
head yeah yeah yeah and I'm glad you

1134
00:48:29,560 --> 00:48:26,870
read the full quote because everybody

1135
00:48:32,170 --> 00:48:29,570
always stops at the first sentence which

1136
00:48:34,240 --> 00:48:32,180
is you know informative enough but the

1137
00:48:36,160 --> 00:48:34,250
full quote really goes into the what he

1138
00:48:38,320 --> 00:48:36,170

thinks about that and I agree with him

1139

00:48:41,830 --> 00:48:38,330

he's right you know from my study of

1140

00:48:45,580 --> 00:48:41,840

history there have been occasionally

1141

00:48:49,960 --> 00:48:45,590

benign rulers you know like Ashoka in

1142

00:48:53,020 --> 00:48:49,970

India or the second Ming Emperor I think

1143

00:48:55,570 --> 00:48:53,030

was what was his name I forget and these

1144

00:48:57,460 --> 00:48:55,580

people kind of came to power by accident

1145

00:49:00,220 --> 00:48:57,470

they were born into it but they weren't

1146

00:49:02,770 --> 00:49:00,230

psychopaths so they didn't have to you

1147

00:49:06,210 --> 00:49:02,780

know murder their way to the top like

1148

00:49:09,070 --> 00:49:06,220

just about everybody else does and so

1149

00:49:13,360 --> 00:49:09,080

you will occasionally find rulers that

1150

00:49:15,520 --> 00:49:13,370

are benign and and when you have you

1151
00:49:18,240 --> 00:49:15,530
know that kind of power they can do a

1152
00:49:22,480 --> 00:49:18,250
lot of good in the world you know they

1153
00:49:24,490 --> 00:49:22,490
so know not all of them are are our

1154
00:49:27,160 --> 00:49:24,500
Psychopaths but certainly the vast

1155
00:49:29,910 --> 00:49:27,170
majority and there are a lot of the kind

1156
00:49:32,170 --> 00:49:29,920
we see in the world it seems to be

1157
00:49:35,680 --> 00:49:32,180
Psychopaths versus Psychopaths though

1158
00:49:37,359 --> 00:49:35,690
like villain versus villain and you know

1159
00:49:38,890 --> 00:49:37,369
an old professional wrestling match

1160
00:49:41,200 --> 00:49:38,900
there they used to book those once in a

1161
00:49:42,099 --> 00:49:41,210
while or you'd have two bad guys going

1162
00:49:43,690 --> 00:49:42,109
up against each other

1163
00:49:46,799 --> 00:49:43,700

now that seems to be a lot of what a lot

1164

00:49:49,000 --> 00:49:46,809

of the conflict in the world often is

1165

00:49:52,059 --> 00:49:49,010

unfortunately they do they don't seem to

1166

00:49:54,700 --> 00:49:52,069

have any problems going up against their

1167

00:49:56,620 --> 00:49:54,710

own and starting up with their own and

1168

00:49:57,819 --> 00:49:56,630

generating conflicts with them that

1169

00:50:01,630 --> 00:49:57,829

doesn't seem to be a problem or a

1170

00:50:04,030 --> 00:50:01,640

sticking point yeah no it's true you

1171

00:50:06,609 --> 00:50:04,040

know for example just about every ruler

1172

00:50:08,920 --> 00:50:06,619

throughout history was paranoid they

1173

00:50:11,020 --> 00:50:08,930

were terrified of everybody their family

1174

00:50:12,670 --> 00:50:11,030

their closest friends they distrusted

1175

00:50:16,260 --> 00:50:12,680

everybody but you know what they were

1176

00:50:19,150 --> 00:50:16,270

right everybody is out to get you

1177

00:50:21,609 --> 00:50:19,160

especially when you're when you at the

1178

00:50:24,160 --> 00:50:21,619

upper echelons of power because the

1179

00:50:26,589 --> 00:50:24,170

upper echelons attract every psychopath

1180

00:50:28,960 --> 00:50:26,599

in the country everybody wants to be a

1181

00:50:30,849 --> 00:50:28,970

courtier everybody wants a position in

1182

00:50:32,589 --> 00:50:30,859

government everybody wants to be a

1183

00:50:35,920 --> 00:50:32,599

congressman I mean everybody that's a

1184

00:50:37,780 --> 00:50:35,930

psychopath so once you're at the top

1185

00:50:39,400 --> 00:50:37,790

there you are surrounded by Psychopaths

1186

00:50:41,349 --> 00:50:39,410

and they all want your power so they all

1187

00:50:43,539 --> 00:50:41,359

become paranoid but they're absolutely

1188

00:50:46,450 --> 00:50:43,549

right me kind of being paranoid because

1189

00:50:48,309 --> 00:50:46,460

they everybody wants to kill them and

1190

00:50:49,839 --> 00:50:48,319

even if you do have some altruistic

1191

00:50:52,180 --> 00:50:49,849

tendencies you and like you're saying

1192

00:50:54,039 --> 00:50:52,190

you're surrounded by Psychopaths so you

1193

00:50:55,380 --> 00:50:54,049

might get some really bad advice and end

1194

00:50:57,640 --> 00:50:55,390

up doing some very bad things that

1195

00:51:00,010 --> 00:50:57,650

otherwise that you might not do if you

1196

00:51:00,579 --> 00:51:00,020

had a better brain trust working on your

1197

00:51:03,220 --> 00:51:00,589

behalf

1198

00:51:05,200 --> 00:51:03,230

well you wouldn't be altruistic and last

1199

00:51:08,799 --> 00:51:05,210

very long that's the problem you know

1200

00:51:10,839 --> 00:51:08,809

you either cave in to the dictates of

1201

00:51:12,460 --> 00:51:10,849

the social environment which is

1202

00:51:15,670 --> 00:51:12,470

psychopathic I mean you either become

1203

00:51:20,109 --> 00:51:15,680

like them or they will kill you so you

1204

00:51:22,870 --> 00:51:20,119

know there were stories you know two

1205

00:51:25,809 --> 00:51:22,880

brothers are set to inherit the throne

1206

00:51:27,819 --> 00:51:25,819

you know and the good brother is the

1207

00:51:29,440 --> 00:51:27,829

eldest man he should inherit first but

1208

00:51:31,839 --> 00:51:29,450

he's got a younger brother and the

1209

00:51:34,480 --> 00:51:31,849

younger brother is a psychopath Sok gets

1210

00:51:36,700 --> 00:51:34,490

who inherits the throne right right

1211

00:51:40,240 --> 00:51:36,710

older brother the older brother dies

1212

00:51:40,900 --> 00:51:40,250

mysteriously poison accident or he just

1213

00:51:45,600 --> 00:51:40,910

disappears

1214

00:51:52,210 --> 00:51:50,620

motivations but not for too long yeah

1215

00:51:54,850 --> 00:51:52,220

you got it you gotta toughen up a little

1216

00:51:56,620 --> 00:51:54,860

bit out there for sure now one question

1217

00:51:58,300 --> 00:51:56,630

I've got to ask you what we're seeing a

1218

00:52:02,140 --> 00:51:58,310

material from you and that some of the

1219

00:52:04,270 --> 00:52:02,150

people that you cited earlier about what

1220

00:52:06,820 --> 00:52:04,280

these folks are and what they're all

1221

00:52:09,340 --> 00:52:06,830

about yet at the same time in you can

1222

00:52:11,230 --> 00:52:09,350

dig and dig and dig and you don't find

1223

00:52:13,510 --> 00:52:11,240

any manuals or handbooks or anything

1224

00:52:16,390 --> 00:52:13,520

along those lines going back years and

1225

00:52:18,280 --> 00:52:16,400

years on how to be a good psychopath you

1226
00:52:20,500 --> 00:52:18,290
know how to take over your country and

1227
00:52:23,410 --> 00:52:20,510
kill all your enemies now there's no

1228
00:52:26,050 --> 00:52:23,420
handbook a rule book for that yes yes

1229
00:52:30,280 --> 00:52:26,060
yes there is okay well yeah just Larson

1230
00:52:32,770 --> 00:52:30,290
oh there are okay okay Machiavelli's

1231
00:52:35,320 --> 00:52:32,780
different prints okay okay okay there's

1232
00:52:37,030 --> 00:52:35,330
the protocols of the Elders of Zion okay

1233
00:52:38,920 --> 00:52:37,040
whether or not you believe it's a true

1234
00:52:40,480 --> 00:52:38,930
thing or not a true thing read that

1235
00:52:43,480 --> 00:52:40,490
thing it's a blueprint for how to

1236
00:52:48,190 --> 00:52:43,490
destroy and subvert and take over any

1237
00:52:51,640 --> 00:52:48,200
civilization it works okay you know read

1238
00:52:53,950 --> 00:52:51,650

the Koran you know okay there's a lot of

1239

00:52:56,320 --> 00:52:53,960

blueprints for how to destroy and take

1240

00:52:58,840 --> 00:52:56,330

over our society written for psychopaths

1241

00:53:00,190 --> 00:52:58,850

okay like I said I think about it mind

1242

00:53:03,400 --> 00:53:00,200

comprar might have been one of those too

1243

00:53:07,090 --> 00:53:03,410

but I never read that actually I heard

1244

00:53:11,680 --> 00:53:07,100

it and no mind conf isn't okay no it's

1245

00:53:14,710 --> 00:53:11,690

actually you know like it you have to

1246

00:53:15,250 --> 00:53:14,720

understand it everything I learned was a

1247

00:53:17,740 --> 00:53:15,260

lie

1248

00:53:19,870 --> 00:53:17,750

so I had to relearn everything in the

1249

00:53:22,450 --> 00:53:19,880

last 20 years I start from the beginning

1250

00:53:24,040 --> 00:53:22,460

and all the things that I assumed was

1251
00:53:26,620 --> 00:53:24,050
something like for example we all

1252
00:53:28,420 --> 00:53:26,630
assumed like mine camp is some evil book

1253
00:53:30,850 --> 00:53:28,430
on how to take over the world and kill

1254
00:53:37,990 --> 00:53:30,860
Jews actually it's nothing like that at

1255
00:53:41,050 --> 00:53:38,000
all so but the protocols of Zion it's

1256
00:53:44,260 --> 00:53:41,060
dead on and Hitler also wrote that about

1257
00:53:46,150 --> 00:53:44,270
10 years before he took power and he was

1258
00:53:48,550 --> 00:53:46,160
sitting in jail at the time because of a

1259
00:53:51,310 --> 00:53:48,560
failed attempt so he might have been

1260
00:53:52,960 --> 00:53:51,320
maybe a little bit cowed in the moment

1261
00:53:55,810 --> 00:53:52,970
and bit more

1262
00:53:57,280 --> 00:53:55,820
strain but well obviously we know what

1263
00:53:59,290 --> 00:53:57,290

the end results were and I guess he

1264

00:54:05,250 --> 00:53:59,300

really is kind of the poster boy for

1265

00:54:07,780 --> 00:54:05,260

what psychopathy is worst leads to yeah

1266

00:54:10,120 --> 00:54:07,790

but again Frank you know I don't believe

1267

00:54:12,580 --> 00:54:10,130

anything I'm told these days it's just

1268

00:54:14,710 --> 00:54:12,590

that after all my many years of this

1269

00:54:16,330 --> 00:54:14,720

planet I'm 61 but you know I was

1270

00:54:19,359 --> 00:54:16,340

studying this stuff since I was 12 so

1271

00:54:21,820 --> 00:54:19,369

you know it's 40 years I've been

1272

00:54:23,560 --> 00:54:21,830

researching and reading and trying to

1273

00:54:25,000 --> 00:54:23,570

find out what the truth is and now I

1274

00:54:27,460 --> 00:54:25,010

know that everything's a lie

1275

00:54:30,010 --> 00:54:27,470

so I don't know what was he an evil man

1276

00:54:34,210 --> 00:54:30,020

I don't know I would I would say so yeah

1277

00:54:37,560 --> 00:54:34,220

I would say based on what based on

1278

00:54:39,970 --> 00:54:37,570

enough evidence from our own guys

1279

00:54:41,710 --> 00:54:39,980

liberating Germany and discovering what

1280

00:54:43,570 --> 00:54:41,720

they discovered and the fact that the

1281

00:54:48,310 --> 00:54:43,580

war itself started even in the first

1282

00:54:48,849 --> 00:54:48,320

place yeah you know I'm not convinced of

1283

00:54:51,580 --> 00:54:48,859

any of that

1284

00:54:54,520 --> 00:54:51,590

you know and also I'm not convinced that

1285

00:54:56,140 --> 00:54:54,530

America is the good guy no no we have

1286

00:54:57,849 --> 00:54:56,150

our moments there's no doubt about it I

1287

00:54:58,890 --> 00:54:57,859

mean the Civil War is the most

1288

00:55:01,660 --> 00:54:58,900

horrifying

1289

00:55:04,270 --> 00:55:01,670

the fact that that happened here in the

1290

00:55:06,520 --> 00:55:04,280

States not that much more than a century

1291

00:55:10,240 --> 00:55:06,530

ago it's just horrifying it's apt you

1292

00:55:12,930 --> 00:55:10,250

know over all over a desire for some

1293

00:55:23,560 --> 00:55:12,940

states thinking it's perfectly okay to

1294

00:55:25,810 --> 00:55:23,570

traffic in human beings that was the

1295

00:55:27,520 --> 00:55:25,820

main reason that was understand that

1296

00:55:32,109 --> 00:55:27,530

everything we were taught was alive none

1297

00:55:35,920 --> 00:55:32,119

of that is true and and also you know

1298

00:55:40,210 --> 00:55:35,930

like there are photographs of piles of

1299

00:55:41,849 --> 00:55:40,220

human heads in piled up in pyramids from

1300

00:55:44,560 --> 00:55:41,859

the Spanish yes

1301

00:55:45,910 --> 00:55:44,570

American War you know that when when

1302

00:55:47,260 --> 00:55:45,920

when the Americans invaded the

1303

00:55:49,060 --> 00:55:47,270

Philippines and that now we're all

1304

00:55:50,890 --> 00:55:49,070

horrified when we see those videos from

1305

00:55:53,410 --> 00:55:50,900

Saudi Arabia they're chopping heads

1306

00:55:54,820 --> 00:55:53,420

operate our own guys did that already a

1307

00:55:56,859 --> 00:55:54,830

hundred years ago not just a couple

1308

00:55:59,380 --> 00:55:56,869

heads hundreds and hundreds they piled

1309

00:56:03,040 --> 00:55:59,390

them up into big piles I mean listen

1310

00:56:05,680 --> 00:56:03,050

nobody we live in a psychopathic society

1311

00:56:06,160 --> 00:56:05,690

and our history and our education has

1312

00:56:12,880 --> 00:56:06,170

the

1313

00:56:14,530 --> 00:56:12,890

anything that's my my premise so yeah go

1314

00:56:16,840 --> 00:56:14,540

out in there verify it for yourself

1315

00:56:19,570 --> 00:56:16,850

I mean I'm convinced I'm most definitely

1316

00:56:21,700 --> 00:56:19,580

convinced but you know to each his own

1317

00:56:23,410 --> 00:56:21,710

as far as opinions go yeah

1318

00:56:26,020 --> 00:56:23,420

no no yeah you know look I'm just saying

1319

00:56:29,440 --> 00:56:26,030

I'm just giving you my opinion and when

1320

00:56:31,000 --> 00:56:29,450

I whatever I say I preface it with the

1321

00:56:32,920 --> 00:56:31,010

idea that I don't know what I'm talking

1322

00:56:35,200 --> 00:56:32,930

about either okay

1323

00:56:39,750 --> 00:56:35,210

ultimately none of us know there's a

1324

00:56:42,810 --> 00:56:39,760

saying that the man this the scholar

1325

00:56:45,760 --> 00:56:42,820

knows the world and calls this knowledge

1326
00:56:50,950 --> 00:56:45,770
this sage knows nothing and calls this

1327
00:56:52,540 --> 00:56:50,960
wisdom so I'm at this age level I don't

1328
00:56:54,910 --> 00:56:52,550
know anything but there's a certain

1329
00:56:57,370 --> 00:56:54,920
wisdom and saying that you don't know

1330
00:56:59,410 --> 00:56:57,380
anything because all of this stuff all

1331
00:57:01,960 --> 00:56:59,420
of it comes through books written by

1332
00:57:03,810 --> 00:57:01,970
people you and I have never met who may

1333
00:57:06,520 --> 00:57:03,820
or may not have done the real research

1334
00:57:08,980 --> 00:57:06,530
who may or may not have fudged the

1335
00:57:11,620 --> 00:57:08,990
statistics or the figures or the stories

1336
00:57:14,310 --> 00:57:11,630
who may have been influenced about you

1337
00:57:17,290 --> 00:57:14,320
know tilting and slanting his books to

1338
00:57:19,930 --> 00:57:17,300

you know sell more copies to make more

1339

00:57:21,610 --> 00:57:19,940

money we don't know this stuff so yeah

1340

00:57:23,290 --> 00:57:21,620

okay they teach it in you know there's

1341

00:57:25,570 --> 00:57:23,300

you know ten books written on the civil

1342

00:57:27,550 --> 00:57:25,580

war oh we you know we were the South

1343

00:57:29,560 --> 00:57:27,560

wanted slavery in the north then well

1344

00:57:31,930 --> 00:57:29,570

you know theirs but to be honest with

1345

00:57:33,550 --> 00:57:31,940

you just just as many books now you know

1346

00:57:36,210 --> 00:57:33,560

the Democrats were the ones that were

1347

00:57:39,070 --> 00:57:36,220

all in favor of slavery and and

1348

00:57:41,260 --> 00:57:39,080

certainly Lincoln was a tyrant for me

1349

00:57:49,360 --> 00:57:41,270

how the guy was evil son of a [h__h]

1350

00:57:52,120 --> 00:57:49,370

I'm glad his wife shot him but we have

1351

00:57:53,470 --> 00:57:52,130

statues to him okay we live in a society

1352

00:57:56,080 --> 00:57:53,480

where we take the greatest mass

1353

00:57:59,620 --> 00:57:56,090

murderers and we build monuments and

1354

00:58:03,160 --> 00:57:59,630

their honor like Churchill and in the

1355

00:58:05,440 --> 00:58:03,170

Lincoln and you know and General

1356

00:58:07,480 --> 00:58:05,450

Pershing that goddamn bastard you know

1357

00:58:09,430 --> 00:58:07,490

when I read what he did in World War one

1358

00:58:11,860 --> 00:58:09,440

but no there's they named the tank after

1359

00:58:13,390 --> 00:58:11,870

there's a big statue atom of him in West

1360

00:58:14,290 --> 00:58:13,400

Point General Pershing you know the

1361

00:58:15,430 --> 00:58:14,300

First World War

1362

00:58:18,490 --> 00:58:15,440

what and he

1363

00:58:21,640 --> 00:58:18,500

son of a [h__h] my console this is the

1364

00:58:24,460 --> 00:58:21,650

world we live in we create monuments to

1365

00:58:26,859 --> 00:58:24,470

the worst monsters our society produces

1366

00:58:29,559 --> 00:58:26,869

so why am I going to believe anything I

1367

00:58:30,550 --> 00:58:29,569

don't care if everybody thinks Lincoln

1368

00:58:33,430 --> 00:58:30,560

was a great man

1369

00:58:34,960 --> 00:58:33,440

we know what he really did he rounded up

1370

00:58:37,540 --> 00:58:34,970

people that disagree when we shut down

1371

00:58:39,970 --> 00:58:37,550

the newspapers he ran concentration

1372

00:58:42,490 --> 00:58:39,980

camps where prisoners were abused in

1373

00:58:44,770 --> 00:58:42,500

horrific manners I mean all of this is

1374

00:58:47,410 --> 00:58:44,780

documented to right people that write

1375

00:58:49,150 --> 00:58:47,420

his biography to not deny that he did

1376

00:58:50,319 --> 00:58:49,160

all these things but he's still a great

1377

00:58:53,170 --> 00:58:50,329

man Oh No

1378

00:58:55,420 --> 00:58:53,180

look I'm sorry all right I'm a great man

1379

00:58:57,790 --> 00:58:55,430

okay I never killed anybody

1380

00:59:00,130 --> 00:58:57,800

I never tortured anybody I never

1381

00:59:01,780 --> 00:59:00,140

imprisoned anybody that's saying more

1382

00:59:05,880 --> 00:59:01,790

about me than just about every

1383

00:59:10,000 --> 00:59:05,890

historical figure in American history

1384

00:59:11,290 --> 00:59:10,010

yep sorry Frank I know I know I got a

1385

00:59:12,970 --> 00:59:11,300

little but I get a little bit heated

1386

00:59:14,230 --> 00:59:12,980

about this but ultimately we got to

1387

00:59:16,690 --> 00:59:14,240

understand that we really don't know

1388

00:59:18,940 --> 00:59:16,700

things so the same thing with the UFO

1389

00:59:21,040 --> 00:59:18,950

and I remember you were talking earlier

1390

00:59:23,670 --> 00:59:21,050

about the alternate event energy our

1391

00:59:26,680 --> 00:59:23,680

psychopath suppressing that absolutely I

1392

00:59:29,950 --> 00:59:26,690

believe there is unlimited free energy I

1393

00:59:32,950 --> 00:59:29,960

am a firm believer in Tesla I mean like

1394

00:59:35,410 --> 00:59:32,960

see for me there is empirical evidence I

1395

00:59:36,520 --> 00:59:35,420

don't believe in channeling you know all

1396

00:59:38,470 --> 00:59:36,530

this information comes through

1397

00:59:39,370 --> 00:59:38,480

channeling and all right I think it's a

1398

00:59:43,059 --> 00:59:39,380

lot of horseshit

1399

00:59:46,300 --> 00:59:43,069

but but Tesla channeled this stuff he

1400

00:59:48,250 --> 00:59:46,310

did you he writes that each day no that

1401

00:59:50,829 --> 00:59:48,260

he writes that it came from a source

1402

00:59:53,829 --> 00:59:50,839

outside himself that worked through him

1403

00:59:55,990 --> 00:59:53,839

now normally I would say again another

1404

00:59:59,230 --> 00:59:56,000

one of these lunatics full of crap

1405

01:00:00,970 --> 00:59:59,240

channeled this yeah okay but your

1406

01:00:03,960 --> 01:00:00,980

electricity works because of Tesla

1407

01:00:07,240 --> 01:00:03,970

alternating current work look at what he

1408

01:00:09,609 --> 01:00:07,250

invented oh my god the evidence is

1409

01:00:11,410 --> 01:00:09,619

irrefutable every time I turn on the

1410

01:00:12,760 --> 01:00:11,420

engine on the car there's an electric

1411

01:00:14,349 --> 01:00:12,770

motor that starts if there's an

1412

01:00:16,809 --> 01:00:14,359

alternator that changed the currency

1413

01:00:19,150 --> 01:00:16,819

there's a spark but I mean the radio the

1414

01:00:20,680 --> 01:00:19,160

inner I mean he invented all this stuff

1415

01:00:23,860 --> 01:00:20,690

and he channeled it so what am I gonna

1416

01:00:25,660 --> 01:00:23,870

say I don't believe in channelers

1417

01:00:28,240 --> 01:00:25,670

and somebody comes or they channeled

1418

01:00:30,910 --> 01:00:28,250

some you know et alien from the from the

1419

01:00:33,280 --> 01:00:30,920

you know Cassiopeia galaxy oh come on

1420

01:00:36,220 --> 01:00:33,290

Jesus Christ you know okay I will

1421

01:00:38,050 --> 01:00:36,230

believe you in all the channeling and

1422

01:00:40,120 --> 01:00:38,060

I've had conversations because I know a

1423

01:00:42,460 --> 01:00:40,130

few people that you know they were on

1424

01:00:44,230 --> 01:00:42,470

large cults and the people that follow

1425

01:00:47,650 --> 01:00:44,240

them because they channel stuff right

1426

01:00:50,620 --> 01:00:47,660

okay and they get direct information

1427

01:00:54,250 --> 01:00:50,630

from ETS in another galaxy okay all

1428

01:00:58,720 --> 01:00:54,260

right okay did they give you the formula

1429

01:01:00,220 --> 01:00:58,730

to cure cancer because that works let's

1430

01:01:03,310 --> 01:01:00,230

get something in here that works can you

1431

01:01:05,590 --> 01:01:03,320

give me one thing that works just one

1432

01:01:08,110 --> 01:01:05,600

okay I don't care about 90% of it is

1433

01:01:10,720 --> 01:01:08,120

about you know Jesus was an alien or

1434

01:01:12,340 --> 01:01:10,730

Bigfoot is the advanced scouting party

1435

01:01:14,290 --> 01:01:12,350

for now I don't care about all that

1436

01:01:16,360 --> 01:01:14,300

stuff okay great that'd be wonderful if

1437

01:01:19,120 --> 01:01:16,370

it was true very interesting makes a

1438

01:01:22,210 --> 01:01:19,130

good story but in all your channelling

1439

01:01:24,790 --> 01:01:22,220

did you ever once come across anything

1440

01:01:26,410 --> 01:01:24,800

like oh well if you put together these

1441

01:01:27,010 --> 01:01:26,420

two ingredients you can run your car on

1442

01:01:29,860 --> 01:01:27,020

water

1443

01:01:32,410 --> 01:01:29,870

you know something oh my god something

1444

01:01:35,890 --> 01:01:32,420

but Tesla did so I cannot discount

1445

01:01:38,740 --> 01:01:35,900

channeling because Tesla obviously was

1446

01:01:40,510 --> 01:01:38,750

the real deal but everybody else that's

1447

01:01:43,300 --> 01:01:40,520

claiming channeling this is that in the

1448

01:01:45,910 --> 01:01:43,310

other well give me something one goddamn

1449

01:01:49,210 --> 01:01:45,920

thing that would be a benefit to

1450

01:01:50,980 --> 01:01:49,220

humanity and not some vague riddle some

1451

01:01:53,500 --> 01:01:50,990

new-age e-stop some new-age bro

1452

01:01:54,010 --> 01:01:53,510

unlimited free energy I have no doubt

1453

01:01:56,140 --> 01:01:54,020

about that

1454

01:01:59,680 --> 01:01:56,150

I believe Tesla was one of these guys

1455

01:02:03,070 --> 01:01:59,690

that actually could tap in to a cosmic

1456

01:02:05,500 --> 01:02:03,080

kind of awareness or consciousness that

1457

01:02:08,440 --> 01:02:05,510

I just know either explanation for it I

1458

01:02:11,320 --> 01:02:08,450

have to believe it because what what

1459

01:02:13,030 --> 01:02:11,330

other theory or paradigm can you come up

1460

01:02:16,390 --> 01:02:13,040

with that would explain that other than

1461

01:02:18,160 --> 01:02:16,400

that he really did do that he still had

1462

01:02:19,360 --> 01:02:18,170

the chops behind it to sort of figure it

1463

01:02:21,700 --> 01:02:19,370

out and piece it together

1464

01:02:24,570 --> 01:02:21,710

well let's say that I did let's say that

1465

01:02:27,790 --> 01:02:24,580

tonight I decided to meditate and

1466

01:02:30,040 --> 01:02:27,800

contact an advanced DT even if they gave

1467

01:02:31,720 --> 01:02:30,050

me all those all that information I

1468

01:02:32,920 --> 01:02:31,730

might not be able to I probably wouldn't

1469

01:02:34,990 --> 01:02:32,930

be able to understand it and figure it

1470

01:02:36,670 --> 01:02:35,000

out and do anything with it you still

1471

01:02:37,500 --> 01:02:36,680

have to have the the basic knowledge of

1472

01:02:39,300 --> 01:02:37,510

the science

1473

01:02:41,910 --> 01:02:39,310

behind it to be able to make some

1474

01:02:43,530 --> 01:02:41,920

practical use of it well you know I

1475

01:02:50,040 --> 01:02:43,540

could give you the recipe to bake bread

1476

01:02:51,599 --> 01:02:50,050

you know wouldn't be it's easy enough

1477

01:02:53,069 --> 01:02:51,609

for me to spend a dollar at the food

1478

01:02:55,920 --> 01:02:53,079

store and pick up my own to tell you the

1479

01:02:57,660 --> 01:02:55,930

truth you could channel that and it

1480

01:03:00,030 --> 01:02:57,670

wouldn't be beyond your capabilities to

1481

01:03:02,280 --> 01:03:00,040

putting it into action you know I I

1482

01:03:04,530 --> 01:03:02,290

remember I read a lot of Edgar Cayce

1483

01:03:06,900 --> 01:03:04,540

stuff I read everything from Edgar Cayce

1484

01:03:09,089 --> 01:03:06,910

remember that sure absolutely sleeping

1485

01:03:10,200 --> 01:03:09,099

prophet yeah the sleeping prophet I read

1486

01:03:13,349 --> 01:03:10,210

everything about it and I was really

1487

01:03:17,579 --> 01:03:13,359

interested in his cures for the various

1488

01:03:19,589 --> 01:03:17,589

diseases and he you know what the major

1489

01:03:22,319 --> 01:03:19,599

ingredient that he prescribed for all

1490

01:03:25,079 --> 01:03:22,329

these people was gelatin right really

1491

01:03:27,480 --> 01:03:25,089

okay yeah gelatin just go to you can get

1492

01:03:29,069 --> 01:03:27,490

a drugstore go and get jonesing caplets

1493

01:03:32,069 --> 01:03:29,079

you know it's I think it's 2 bucks for

1494

01:03:34,650 --> 01:03:32,079

500 right it's just the same stuff is in

1495

01:03:36,900 --> 01:03:34,660

jello for some reason he prescribed that

1496

01:03:38,849 --> 01:03:36,910

now they claim it work and this that and

1497

01:03:43,760 --> 01:03:38,859

the other and castor oil he like to

1498

01:03:46,349 --> 01:03:43,770

prescribe castor oil yeah okay and so

1499

01:03:48,569 --> 01:03:46,359

it's not beyond your capabilities right

1500

01:03:51,270 --> 01:03:48,579

I mean if one of these Chandler's could

1501

01:03:54,900 --> 01:03:51,280

say well the way to you know live an

1502

01:03:55,950 --> 01:03:54,910

extra 20 years is you know eat castor

1503

01:03:57,660 --> 01:03:55,960

oil and gelatin

1504

01:04:00,750 --> 01:03:57,670

you know I've ever worked I could handle

1505

01:04:03,359 --> 01:04:00,760

that no problem exactly so it doesn't

1506

01:04:05,910 --> 01:04:03,369

always like I mean Tesla yeah the

1507

01:04:08,970 --> 01:04:05,920

complexity of the inventions and and I

1508

01:04:10,290 --> 01:04:08,980

mean yeah beyond my scope to Frank I

1509

01:04:11,520 --> 01:04:10,300

won't be able to put that stuff together

1510

01:04:13,950 --> 01:04:11,530

I mean I know a little bit of

1511

01:04:15,540 --> 01:04:13,960

electronics and put together a bunch of

1512

01:04:18,480 --> 01:04:15,550

heath kids when I was a kid you remember

1513

01:04:20,760 --> 01:04:18,490

dad oh yeah I can that's swap out a hard

1514

01:04:24,150 --> 01:04:20,770

drive I can do that yeah I can change

1515

01:04:27,140 --> 01:04:24,160

the CPU you know yeah I did a couple

1516

01:04:30,000 --> 01:04:27,150

years ago mine was heat up too much so

1517

01:04:33,000 --> 01:04:30,010

so yeah you know we can do stuff like

1518

01:04:36,210 --> 01:04:33,010

that I cannot invent a Tesla coil from

1519

01:04:39,059 --> 01:04:36,220

scratch even with the blueprints I'd

1520

01:04:40,559 --> 01:04:39,069

have some trouble yeah okay so we've got

1521

01:04:43,040 --> 01:04:40,569

this problem we've got the the

1522

01:04:46,460 --> 01:04:43,050

psychopathy issue to deal with here is a

1523

01:04:48,800 --> 01:04:46,470

as a humanity they're a little bit

1524

01:04:50,660 --> 01:04:48,810

different than the rest of us do you

1525

01:04:53,630 --> 01:04:50,670

ever see it that getting solved that do

1526

01:04:55,310 --> 01:04:53,640

you see do you see us over cut you know

1527

01:04:57,560 --> 01:04:55,320

we're not going to be able to round them

1528

01:04:59,360 --> 01:04:57,570

up and eliminate them I mean that would

1529

01:05:01,760 --> 01:04:59,370

be psychopathic in itself so that's not

1530

01:05:04,010 --> 01:05:01,770

really a solution fight psychopathy was

1531

01:05:06,140 --> 01:05:04,020

psychopathy seems like we've done a fair

1532

01:05:07,490 --> 01:05:06,150

amount of that throughout history and we

1533

01:05:10,340 --> 01:05:07,500

don't want to know we don't want to go

1534

01:05:11,860 --> 01:05:10,350

there what are we doing are we ever

1535

01:05:18,230 --> 01:05:11,870

going to be successful at it

1536

01:05:19,910 --> 01:05:18,240

no okay if there is no successful

1537

01:05:22,580 --> 01:05:19,920

mechanism to eliminate them from society

1538

01:05:24,500 --> 01:05:22,590

because it's like you said let's say we

1539

01:05:26,540 --> 01:05:24,510

come up with a test and then we're going

1540

01:05:29,870 --> 01:05:26,550

to abort every baby that has this

1541

01:05:31,850 --> 01:05:29,880

genetic makeup you know but you know

1542

01:05:34,850 --> 01:05:31,860

there would be some babies that we would

1543

01:05:37,220 --> 01:05:34,860

have had a mistaken identification of

1544

01:05:39,050 --> 01:05:37,230

and we'd be killing innocent children or

1545

01:05:40,940 --> 01:05:39,060

we wait till they're grown up and then

1546

01:05:42,860 --> 01:05:40,950

we do a test a psychological test on

1547

01:05:44,720 --> 01:05:42,870

them and then we round them up and throw

1548

01:05:46,970 --> 01:05:44,730

him into prison now if that ever came

1549

01:05:48,200 --> 01:05:46,980

about the first people that would be in

1550

01:05:55,010 --> 01:05:48,210

charge of those tests would be

1551

01:05:56,630 --> 01:05:55,020

Psychopaths exactly traded right so if

1552

01:05:58,760 --> 01:05:56,640

we were to say okay we're gonna round up

1553

01:06:00,770 --> 01:05:58,770

all the Psychopaths and put them in gas

1554

01:06:01,970 --> 01:06:00,780

chambers well guess who we were doing

1555

01:06:03,530 --> 01:06:01,980

the rounding up and guess who'll be

1556

01:06:04,760 --> 01:06:03,540

getting gassed if we decide a

1557

01:06:07,670 --> 01:06:04,770

surrounding up the people that have

1558

01:06:10,100 --> 01:06:07,680

conscience so that I can be there is no

1559

01:06:12,800 --> 01:06:10,110

mechanism whereby we can use state

1560

01:06:14,180 --> 01:06:12,810

enforcement to stop this because they

1561

01:06:16,790 --> 01:06:14,190

control the state and they'll be in

1562

01:06:18,560 --> 01:06:16,800

charge of it right you know so there's

1563

01:06:21,200 --> 01:06:18,570

no mechanism so how else do we do well

1564

01:06:24,800 --> 01:06:21,210

the only other possibility is that we

1565

01:06:25,610 --> 01:06:24,810

wake up enough people but that's never

1566

01:06:30,530 --> 01:06:25,620

gonna happen either

1567

01:06:32,690 --> 01:06:30,540

it's a sad and tragic fact that you know

1568

01:06:35,180 --> 01:06:32,700

70 80 percent of human population

1569

01:06:37,490 --> 01:06:35,190

they're just hopeless idiots they're not

1570

01:06:39,140 --> 01:06:37,500

going to wake up they're not going to

1571

01:06:40,580 --> 01:06:39,150

get it they're not going to change their

1572

01:06:42,680 --> 01:06:40,590

lifestyle they're not going to take an

1573

01:06:44,090 --> 01:06:42,690

interest in to their society they're not

1574

01:06:45,800 --> 01:06:44,100

going to be able to have the balls and

1575

01:06:48,020 --> 01:06:45,810

the courage to fight back against these

1576

01:06:50,180 --> 01:06:48,030

people they're sheep they go with the

1577

01:06:52,820 --> 01:06:50,190

flow they're machines they're just

1578

01:06:54,710 --> 01:06:52,830

programmed by media and education

1579

01:06:56,720 --> 01:06:54,720

everything they think

1580

01:06:58,430 --> 01:06:56,730

everything they feel their favorite

1581

01:07:01,190 --> 01:06:58,440

color all that's already been programmed

1582

01:07:02,660 --> 01:07:01,200

into them they never decided any of that

1583

01:07:04,849 --> 01:07:02,670

they are not authentic

1584

01:07:09,530 --> 01:07:04,859

none of this stuff comes from some deep

1585

01:07:11,810 --> 01:07:09,540

well of spiritual understanding or

1586

01:07:13,520 --> 01:07:11,820

anything like that my favorite color is

1587

01:07:15,200 --> 01:07:13,530

pink well you know every girl's gonna

1588

01:07:16,700 --> 01:07:15,210

say that because it's for that pink

1589

01:07:19,160 --> 01:07:16,710

Barbie dolls they grew up with it was

1590

01:07:20,480 --> 01:07:19,170

you know every commercial has pink for

1591

01:07:22,310 --> 01:07:20,490

the girls so now all these girls think

1592

01:07:24,680 --> 01:07:22,320

pink is your favorite color I mean and

1593

01:07:26,510 --> 01:07:24,690

that goes for everything else in the

1594

01:07:29,060 --> 01:07:26,520

world you know they're just it's all

1595

01:07:30,830 --> 01:07:29,070

been programs so you cannot you know

1596

01:07:33,109 --> 01:07:30,840

it's like I say you know you can't

1597

01:07:35,810 --> 01:07:33,119

convince a toaster to become a

1598

01:07:37,820 --> 01:07:35,820

refrigerator okay okay

1599

01:07:39,230 --> 01:07:37,830

you can't talk them into listen you

1600

01:07:40,310 --> 01:07:39,240

don't want to be a toaster you want to

1601
01:07:42,980 --> 01:07:40,320
be a microwave

1602
01:07:44,390 --> 01:07:42,990
yeah microwave you know you can't do

1603
01:07:47,990 --> 01:07:44,400
that you're talking about people that

1604
01:07:51,320 --> 01:07:48,000
are incapable of self reflection self

1605
01:07:54,230 --> 01:07:51,330
awareness self direction they can't

1606
01:07:57,380 --> 01:07:54,240
focus and change for themselves you

1607
01:07:59,240 --> 01:07:57,390
cannot get them to wake up and so if

1608
01:08:01,490 --> 01:07:59,250
they don't wake up they're gonna be in

1609
01:08:04,099 --> 01:08:01,500
control of the people that are happy to

1610
01:08:05,150 --> 01:08:04,109
manipulate them happy to take advantage

1611
01:08:07,250 --> 01:08:05,160
of them and that's going to be the

1612
01:08:09,140 --> 01:08:07,260
psycho-pass see I know there's a lot of

1613
01:08:11,359 --> 01:08:09,150

stupid people around me and you know I

1614

01:08:14,180 --> 01:08:11,369

could screw them I could take advantage

1615

01:08:17,030 --> 01:08:14,190

of them I could convince them to lend me

1616

01:08:24,740 --> 01:08:17,040

money or or sleep I never pay them back

1617

01:08:26,300 --> 01:08:24,750

I never pay them back because what I

1618

01:08:29,030 --> 01:08:26,310

know what the Psychopaths know I know

1619

01:08:31,430 --> 01:08:29,040

how they think and I know that they look

1620

01:08:34,010 --> 01:08:31,440

on these people as deserving what they

1621

01:08:36,380 --> 01:08:34,020

get because you're stupid see I can't do

1622

01:08:39,950 --> 01:08:36,390

that even though I do believe they don't

1623

01:08:43,729 --> 01:08:39,960

have a lot on the ball I still think

1624

01:08:46,039 --> 01:08:43,739

it's immoral for me to use my my

1625

01:08:48,320 --> 01:08:46,049

intellect or whatever it is to take

1626

01:08:50,599 --> 01:08:48,330

advantage of it it's immoral I won't do

1627

01:08:52,760 --> 01:08:50,609

it I'd like it would be like me taking

1628

01:08:56,209 --> 01:08:52,770

advantage of [h__\h] people

1629

01:08:58,640 --> 01:08:56,219

why wouldn't it - that would never occur

1630

01:09:01,970 --> 01:08:58,650

to me or me taking advantage of young

1631

01:09:04,519 --> 01:09:01,980

children you know I could never do that

1632

01:09:07,519 --> 01:09:04,529

it's dishonorable its dishonorable and

1633

01:09:09,769 --> 01:09:07,529

it's immoral so even though

1634

01:09:11,689 --> 01:09:09,779

no technically I have the knowledge sure

1635

01:09:13,849 --> 01:09:11,699

I know how these guys work I read books

1636

01:09:18,220 --> 01:09:13,859

on con artists and every Con in the

1637

01:09:21,249 --> 01:09:18,230

world I mean and the volumes involving

1638

01:09:24,379 --> 01:09:21,259

subject I mean and it goes back thousand

1639

01:09:26,899 --> 01:09:24,389

ancient Rome they all had con artists

1640

01:09:28,849 --> 01:09:26,909

running scams even ancient China there's

1641

01:09:32,749 --> 01:09:28,859

all these con scams that they were right

1642

01:09:34,160 --> 01:09:32,759

just like today I can't do that and I

1643

01:09:35,930 --> 01:09:34,170

know this psychopaths look on these

1644

01:09:37,789 --> 01:09:35,940

people as like you deserve it you're too

1645

01:09:40,609 --> 01:09:37,799

stupid to figure out I'm screwing you so

1646

01:09:43,129 --> 01:09:40,619

screw you that's how they think I can't

1647

01:09:45,019 --> 01:09:43,139

think like that so how can we defeat the

1648

01:09:47,089 --> 01:09:45,029

Psychopaths well you'd have to wake the

1649

01:09:49,999 --> 01:09:47,099

people up but you can't wake them up you

1650

01:09:53,450 --> 01:09:50,009

can't enforce any kind of a government

1651
01:09:54,790 --> 01:09:53,460
program to rid our society of them so

1652
01:09:58,279 --> 01:09:54,800
that's not gonna work so what's left

1653
01:10:02,600 --> 01:09:58,289
what what can we do to fight against

1654
01:10:04,189 --> 01:10:02,610
them there's nothing just as individuals

1655
01:10:07,270 --> 01:10:04,199
be aware of it and protect yourself at

1656
01:10:09,979 --> 01:10:07,280
all times that's really about it exactly

1657
01:10:11,990 --> 01:10:09,989
can you know and that's why I created

1658
01:10:14,299 --> 01:10:12,000
the video defense against the psychopath

1659
01:10:15,709 --> 01:10:14,309
it wasn't to solve society's problems

1660
01:10:17,870 --> 01:10:15,719
because that's not that's almost

1661
01:10:21,470 --> 01:10:17,880
unsolvable we are a species that's

1662
01:10:24,350 --> 01:10:21,480
completely insane so how are you gonna

1663
01:10:26,270 --> 01:10:24,360

get you know hey exercise you can say

1664

01:10:28,660 --> 01:10:26,280

that to a schizophrenic it may or may

1665

01:10:32,600 --> 01:10:28,670

not know but I don't know but if you do

1666

01:10:35,089 --> 01:10:32,610

but we're a species that's insane so on

1667

01:10:37,609 --> 01:10:35,099

a societal level I don't think there is

1668

01:10:39,709 --> 01:10:37,619

an answer but on a personal level which

1669

01:10:41,450 --> 01:10:39,719

is why I made the video on why I put

1670

01:10:45,379 --> 01:10:41,460

that chapter in my book the art of urban

1671

01:10:49,160 --> 01:10:45,389

survival is at least what I can do is

1672

01:10:51,680 --> 01:10:49,170

help individuals protect themselves

1673

01:10:53,359 --> 01:10:51,690

personally so that you personally won't

1674

01:10:55,970 --> 01:10:53,369

get screwed over by these people that

1675

01:10:58,910 --> 01:10:55,980

you won't marry one that you won't you

1676

01:11:01,220 --> 01:10:58,920

know go into business with one right a

1677

01:11:05,089 --> 01:11:01,230

lot of trouble is you can avoid that and

1678

01:11:07,040 --> 01:11:05,099

so on a one on one to one level I can

1679

01:11:08,779 --> 01:11:07,050

help people through my writing and

1680

01:11:10,850 --> 01:11:08,789

through my talks and that's what I try

1681

01:11:13,250 --> 01:11:10,860

to do that's what I do these shows but

1682

01:11:13,910 --> 01:11:13,260

on a societal level no I I don't have

1683

01:11:20,620 --> 01:11:13,920

any answer

1684

01:11:26,390 --> 01:11:23,420

Stephanie to have been a fantastic hour

1685

01:11:28,040 --> 01:11:26,400

plus I'm glad you came on I hope people

1686

01:11:30,290 --> 01:11:28,050

give this a listen now we didn't delve

1687

01:11:32,120 --> 01:11:30,300

too much into the UFO stuff but I think

1688

01:11:35,240 --> 01:11:32,130

we covered the psychopathy stuff very

1689

01:11:37,490 --> 01:11:35,250

well if Beatty is visiting then he's got

1690

01:11:38,690 --> 01:11:37,500

to take an interest maybe disagrees with

1691

01:11:40,160 --> 01:11:38,700

you a little bit and thinks it's a

1692

01:11:42,500 --> 01:11:40,170

little bit more interesting than that

1693

01:11:45,110 --> 01:11:42,510

you would if you were able to travel the

1694

01:11:47,060 --> 01:11:45,120

galaxy at a spaceship but now this was a

1695

01:11:49,130 --> 01:11:47,070

lot of fun if you add half as much fun

1696

01:11:53,330 --> 01:11:49,140

as I did talking this last hour plus

1697

01:11:55,790 --> 01:11:53,340

than you had again I'm so glad you did

1698

01:11:57,350 --> 01:11:55,800

it I think folks or to avail themselves

1699

01:12:00,230 --> 01:11:57,360

of the information you've got out there

1700

01:12:03,380 --> 01:12:00,240

and again protect yourself at all times

1701

01:12:05,360 --> 01:12:03,390

folks and maybe we will figure it out

1702

01:12:07,550 --> 01:12:05,370

we'll keep talking about this and maybe

1703

01:12:10,580 --> 01:12:07,560

some ideas will come to a four to the

1704

01:12:13,010 --> 01:12:10,590

fore will have a better world you know

1705

01:12:16,820 --> 01:12:13,020

maybe within the next few years you

1706

01:12:18,140 --> 01:12:16,830

never know but your work is it's a step

1707

01:12:19,850 --> 01:12:18,150

in the right direction stuff and I

1708

01:12:22,280 --> 01:12:19,860

should appreciate you coming on oh

1709

01:12:23,810 --> 01:12:22,290

thanks for having me on Frank and thanks

1710

01:12:26,000 --> 01:12:23,820

for being a supporter of my work for so

1711

01:12:27,260 --> 01:12:26,010

many years absolutely absolutely well

1712

01:12:27,800 --> 01:12:27,270

you know what I didn't really get into

1713

01:12:29,270 --> 01:12:27,810

this hello

1714

01:12:30,860 --> 01:12:29,280

we've got that you got a little bit of

1715

01:12:33,590 --> 01:12:30,870

time I'll get into a little bit yeah

1716

01:12:35,510 --> 01:12:33,600

obviously long before I knew who you

1717

01:12:36,710 --> 01:12:35,520

were I kind of figured this out for

1718

01:12:39,490 --> 01:12:36,720

myself that you were a hundred percent

1719

01:12:41,900 --> 01:12:39,500

correct about that the the various

1720

01:12:46,160 --> 01:12:41,910

malignant personality types just through

1721

01:12:49,310 --> 01:12:46,170

bad experiences in life and you know a

1722

01:12:51,170 --> 01:12:49,320

couple people I came across they were

1723

01:12:53,180 --> 01:12:51,180

[h__h] to such level I thought to

1724

01:12:55,940 --> 01:12:53,190

myself there's got to be a clinical name

1725

01:12:57,380 --> 01:12:55,950

for this yeah and I had typed in you

1726

01:12:57,980 --> 01:12:57,390

know it went through a Google search of

1727

01:12:59,870 --> 01:12:57,990

LinkedIn

1728

01:13:01,490 --> 01:12:59,880

what I thought was wrong with the the

1729

01:13:03,830 --> 01:13:01,500

person that I was having the issues with

1730

01:13:07,070 --> 01:13:03,840

and lo and behold I came across it and I

1731

01:13:08,390 --> 01:13:07,080

I do believe that you've got this nailed

1732

01:13:11,120 --> 01:13:08,400

and keep up the good work

1733

01:13:13,520 --> 01:13:11,130

yeah thanks Frank and again it it's for

1734

01:13:17,150 --> 01:13:13,530

us as individuals I mean I have a bleak

1735

01:13:19,640 --> 01:13:17,160

picture of the society as a whole but it

1736

01:13:22,670 --> 01:13:19,650

doesn't mean that each person can't live

1737

01:13:24,410 --> 01:13:22,680

a happy fulfilling life and that's the

1738

01:13:26,900 --> 01:13:24,420

whole point of all my writings is to

1739

01:13:27,740 --> 01:13:26,910

give people the tools that you know you

1740

01:13:30,140 --> 01:13:27,750

can't save

1741

01:13:32,600 --> 01:13:30,150

xiety but you can save yourself and you

1742

01:13:34,400 --> 01:13:32,610

can't save your family yeah and I guess

1743

01:13:36,260 --> 01:13:34,410

I've enough of us do it maybe yes

1744

01:13:37,970 --> 01:13:36,270

Society benefits in some way shape or

1745

01:13:40,250 --> 01:13:37,980

form it would it would if enough of us

1746

01:13:42,980 --> 01:13:40,260

do it the rest of society benefits as

1747

01:13:45,770 --> 01:13:42,990

well already fantastic Stefan or you

1748

01:13:47,990 --> 01:13:45,780

stay in touch and I'm going to wrap the

1749

01:13:49,910 --> 01:13:48,000

show up and folks are we got some more

1750

01:13:51,860 --> 01:13:49,920

great guests coming we're going to have

1751

01:13:54,170 --> 01:13:51,870

some some challenging guests with some

1752

01:13:55,970 --> 01:13:54,180

interesting ideas continuing through the

1753

01:13:58,520 --> 01:13:55,980

fall so thanks for tuning in tonight and

1754

01:13:59,120 --> 01:13:58,530

catch us next time around you have a
