SUNDAY

**REY HERNANDEZ ON: HIS FOUNDATION FOR RESEARCH INTO
EXTRATERRESTRIAL ENCOUNTERS (FREE) ... THE
FOUNDATION'S RECENT STUDY OF CONTACTEES ... HIS OWN
CONTACT EXPERIENCE ...**

1
00:01:06,220 --> 00:00:17,930

[Music]

2
00:01:08,480 --> 00:01:06,230

and good afternoon for Philadelphia

3
00:01:12,350 --> 00:01:08,490

James coming up from Westchester New

4
00:01:15,680 --> 00:01:12,360

York Frank here welcome to UFO news

5
00:01:17,990 --> 00:01:15,690

network Sunday this afternoon we've got

6
00:01:20,570 --> 00:01:18,000

the first of a number of huge shows

7
00:01:23,330 --> 00:01:20,580

we've got coming up we've got Ranieri o

8
00:01:24,860 --> 00:01:23,340

Hernandez phat co-founder of the

9
00:01:28,010 --> 00:01:24,870

foundation for research into

10
00:01:31,820 --> 00:01:28,020

extraterrestrial encounters contact

11
00:01:34,370 --> 00:01:31,830

himself and he's got also going to talk

12
00:01:39,380 --> 00:01:34,380

about a survey that the free foundation

13
00:01:41,870 --> 00:01:39,390

did of more than 3,200 contactees and

14

00:01:47,170 --> 00:01:41,880

what that data reveals ray thanks for

15

00:01:53,389 --> 00:01:50,660

right coming right there yes thank you

16

00:01:54,950 --> 00:01:53,399

for invitation absolutely absolutely

17

00:01:57,230 --> 00:01:54,960

now before we get into the meat and

18

00:01:58,730 --> 00:01:57,240

potatoes with Ray though normally yeah

19

00:02:00,950 --> 00:01:58,740

we can get right into it but then we've

20

00:02:02,420 --> 00:02:00,960

actually got that quite a lineup of

21

00:02:05,240 --> 00:02:02,430

shows and we want to start plugging him

22

00:02:07,130 --> 00:02:05,250

now this is like the holiday season and

23

00:02:09,440 --> 00:02:07,140

the folks are getting some early

24

00:02:12,050 --> 00:02:09,450

Christmas presents from us the first one

25

00:02:14,540 --> 00:02:12,060

is that the show here today with ray but

26
00:02:18,800 --> 00:02:14,550
over the next few weeks we're gonna have

27
00:02:21,170 --> 00:02:18,810
next week a Twitter roundtable a second

28
00:02:23,300 --> 00:02:21,180
one of those Danny Silva's gonna be back

29
00:02:23,630 --> 00:02:23,310
James is that right correct that's

30
00:02:25,760 --> 00:02:23,640
correct

31
00:02:29,390 --> 00:02:25,770
Twitter Jay is gonna be in on that one

32
00:02:30,860 --> 00:02:29,400
Chris Wilford is gonna be a Chris

33
00:02:33,680 --> 00:02:30,870
Wolford is going to be back with us on

34
00:02:35,540 --> 00:02:33,690
that one and in a bit of a coup as far

35
00:02:38,809 --> 00:02:35,550
as I know is a first appearance on a

36
00:02:42,380 --> 00:02:38,819
podcast related to UFOs anywhere Ryan

37
00:02:45,350 --> 00:02:42,390
from post disclosure world UFO Jesus

38
00:02:46,910 --> 00:02:45,360

himself this yep UFO Jesus himself is

39

00:02:49,580 --> 00:02:46,920

gonna be here so that's gonna be a lot

40

00:02:52,160 --> 00:02:49,590

of fun we've got that coming up we've

41

00:02:55,339 --> 00:02:52,170

also got in the works no specific date

42

00:02:57,050 --> 00:02:55,349

set but some of the attendees are

43

00:02:58,790 --> 00:02:57,060

already locked in there they've already

44

00:03:00,940 --> 00:02:58,800

agreed to do with this sort of an

45

00:03:04,250 --> 00:03:00,950

ultimate Rendlesham forest incident

46

00:03:05,660 --> 00:03:04,260

roundtable with John Burroughs who was

47

00:03:08,180 --> 00:03:05,670

there so he should know a little bit

48

00:03:10,069 --> 00:03:08,190

about it grant Cameron we've got a

49

00:03:10,699 --> 00:03:10,079

couple more folks Danny's coming back on

50

00:03:11,780 --> 00:03:10,709

that one as well

51

00:03:14,100 --> 00:03:11,790

Jane

52

00:03:17,850 --> 00:03:14,110

correct yeah yeah he wrote the article

53

00:03:19,080 --> 00:03:17,860

on his website silver record and you

54

00:03:22,050 --> 00:03:19,090

know he did a pretty good overview and

55

00:03:24,480 --> 00:03:22,060

and he's gonna have some commentary on

56

00:03:26,460 --> 00:03:24,490

that too okay so we've got that we don't

57

00:03:28,440 --> 00:03:26,470

have a date set on that but that I would

58

00:03:29,670 --> 00:03:28,450

think we'll get that put together before

59

00:03:33,630 --> 00:03:29,680

the end of the year is that about right

60

00:03:37,230 --> 00:03:33,640

James oh for sure for sure yeah so we've

61

00:03:40,020 --> 00:03:37,240

got those two shows they're booked we've

62

00:03:42,150 --> 00:03:40,030

got let's see yeah well we should have

63

00:03:43,440 --> 00:03:42,160

at least a one other show I would think

64

00:03:46,470 --> 00:03:43,450

that before the end of the year we've

65

00:03:48,510 --> 00:03:46,480

got a few irons in the fire so those

66

00:03:50,310 --> 00:03:48,520

will be good shows at least one more so

67

00:03:53,160 --> 00:03:50,320

we've got two basically you have four

68

00:03:55,020 --> 00:03:53,170

four holiday presents for the folks

69

00:03:57,090 --> 00:03:55,030

listening at home and today we don't

70

00:03:58,470 --> 00:03:57,100

we've got one of them already so let's

71

00:04:01,530 --> 00:03:58,480

get that one open because I'm all

72

00:04:05,250 --> 00:04:01,540

excited ray Hernandez a co-founder of

73

00:04:08,670 --> 00:04:05,260

the free foundation involved in putting

74

00:04:10,950 --> 00:04:08,680

together the contactee study ray sorry

75

00:04:13,290 --> 00:04:10,960

to keep you waiting there but we got to

76

00:04:14,820 --> 00:04:13,300

get our good news out and the rest of

77

00:04:17,280 --> 00:04:14,830

the show is for you to get your good

78

00:04:19,160 --> 00:04:17,290

news out how are you today right very

79

00:04:22,680 --> 00:04:19,170

good thank you for the invitation

80

00:04:25,770 --> 00:04:22,690

absolutely absolutely so a ray the the

81

00:04:29,880 --> 00:04:25,780

free foundation was co-founded with you

82

00:04:31,350 --> 00:04:29,890

Rudy shield Mary rod well and a name I

83

00:04:33,690 --> 00:04:31,360

think most of our listeners will

84

00:04:36,150 --> 00:04:33,700

absolutely have heard before the sixth

85

00:04:38,340 --> 00:04:36,160

man to walk on the moon Edgar Mitchell

86

00:04:40,500 --> 00:04:38,350

can you tell tell the folks a little bit

87

00:04:42,840 --> 00:04:40,510

about how the free foundation that got

88

00:04:44,970 --> 00:04:42,850

organized in the first place okay first

89

00:04:48,840 --> 00:04:44,980

of all the name of the organization is

90

00:04:51,030 --> 00:04:48,850

the dr. Edgar Mitchell foundation for

91

00:04:55,500 --> 00:04:51,040

research into extraterrestrial and

92

00:04:58,440 --> 00:04:55,510

extraordinary experiences secondly we

93

00:05:01,260 --> 00:04:58,450

are an academic research institute the

94

00:05:05,220 --> 00:05:01,270

vast majority of our board of directors

95

00:05:08,130 --> 00:05:05,230

and advisers are PhDs most of them are

96

00:05:10,920 --> 00:05:08,140

academics so this is not just raid on

97

00:05:14,490 --> 00:05:10,930

end there's putting a little dog and

98

00:05:18,030 --> 00:05:14,500

pony show here these are retired PhD

99

00:05:20,909 --> 00:05:18,040

academics we've had a total of three PhD

100

00:05:23,490 --> 00:05:20,919

physicists 5ps these psychologists

101
00:05:24,900 --> 00:05:23,500
apiece the neuroscientist two medical

102
00:05:29,070 --> 00:05:24,910
doctors

103
00:05:31,620 --> 00:05:29,080
and ten other PhDs that are non

104
00:05:34,490 --> 00:05:31,630
academics for example like dr. Claude

105
00:05:45,089 --> 00:05:34,500
Swanson has a PhD in physics from

106
00:05:51,290 --> 00:05:45,099
Princeton University dr. oh my goodness

107
00:05:55,650 --> 00:05:51,300
my my Alzheimer's is kicking in we have

108
00:05:57,180 --> 00:05:55,660
dr. Dean Radin for example Wow

109
00:06:02,100 --> 00:05:57,190
the chief scientists at the Institute

110
00:06:04,700 --> 00:06:02,110
for noetic sciences dr. Kenneth ring for

111
00:06:07,830 --> 00:06:04,710
example the the world's most famous

112
00:06:12,350 --> 00:06:07,840
academic that's research near-death

113
00:06:15,960 --> 00:06:12,360

experiences the the director of our

114

00:06:20,460 --> 00:06:15,970

organization our academic research

115

00:06:25,469 --> 00:06:20,470

institute is dr. rudy shields rudy is a

116

00:06:36,330 --> 00:06:25,479

retired professor of astral array you

117

00:06:37,560 --> 00:06:36,340

dropped off yeah you dropped off so as

118

00:06:42,390 --> 00:06:37,570

you were talking about Rudy

119

00:06:45,649 --> 00:06:42,400

yes rudy is a retired PhD professor of

120

00:06:49,439 --> 00:06:45,659

astrophysics at Harvard University so

121

00:06:51,060 --> 00:06:49,449

and then we have other individuals who

122

00:06:53,339 --> 00:06:51,070

are non academics but people that have

123

00:06:55,980 --> 00:06:53,349

been pioneers in this field that were

124

00:06:59,760 --> 00:06:55,990

also a member of our board of directors

125

00:07:01,290 --> 00:06:59,770

Leo sprinkle has a PhD was a professor

126

00:07:03,839 --> 00:07:01,300

of PhD psychology

127

00:07:04,830 --> 00:07:03,849

Leo's one of the early pioneers in this

128

00:07:07,559 --> 00:07:04,840

field

129

00:07:10,350 --> 00:07:07,569

Cathleen Mardan who both of you know

130

00:07:13,020 --> 00:07:10,360

she's probably one of the world's

131

00:07:14,700 --> 00:07:13,030

leading authorities on individuals that

132

00:07:17,700 --> 00:07:14,710

have seen UFOs and have had contact

133

00:07:21,350 --> 00:07:17,710

experiences married rod well she has

134

00:07:25,290 --> 00:07:21,360

research and supported over 3,000

135

00:07:28,010 --> 00:07:25,300

experiencers Barbara lamb again another

136

00:07:31,529 --> 00:07:28,020

person that has worked with thousands of

137

00:07:35,250 --> 00:07:31,539

experiencers and that's just a name a

138

00:07:37,409 --> 00:07:35,260

few denise toner is another person she

139

00:07:38,220 --> 00:07:37,419

has worked with hundreds of experiencers

140

00:07:43,160 --> 00:07:38,230

she's

141

00:07:46,140 --> 00:07:43,170

mph on their experience or research team

142

00:07:49,740 --> 00:07:46,150

that's just to give you an I brought

143

00:07:52,440 --> 00:07:49,750

Steiger I mean the lead leading writer

144

00:07:55,470 --> 00:07:52,450

on the paranormal he's published more

145

00:07:58,340 --> 00:07:55,480

than 200 books on different paranormal

146

00:08:02,550 --> 00:07:58,350

related topics including 20 books

147

00:08:05,340 --> 00:08:02,560

dealing with ufology so just to give you

148

00:08:07,290 --> 00:08:05,350

an idea of the type of people that were

149

00:08:09,780 --> 00:08:07,300

involved in this academic research study

150

00:08:11,610 --> 00:08:09,790

okay so this is a real all-star team

151
00:08:13,170 --> 00:08:11,620
you've got together but how did it get

152
00:08:15,660 --> 00:08:13,180
put together in the first place and how

153
00:08:23,250 --> 00:08:15,670
did Edgar Mitchell get involved well it

154
00:08:25,200 --> 00:08:23,260
was synchronicity I won't give you the

155
00:08:26,790 --> 00:08:25,210
full exact details of how it started but

156
00:08:29,670 --> 00:08:26,800
it pretty much started over a three-day

157
00:08:32,940 --> 00:08:29,680
period where I was put in contact with

158
00:08:35,580 --> 00:08:32,950
Mary Ron well I was then put in contact

159
00:08:37,560 --> 00:08:35,590
with dr. Rudi shields and he in turn put

160
00:08:39,900 --> 00:08:37,570
me in contact with Edgar Mitchell who

161
00:08:42,060 --> 00:08:39,910
invited me to his house on day number

162
00:08:44,130 --> 00:08:42,070
three and it was at the home of dr.

163
00:08:49,050 --> 00:08:44,140

Edgar Mitchell where the organization

164

00:08:50,940 --> 00:08:49,060

was was co-founded why did you go into

165

00:08:54,120 --> 00:08:50,950

why cuz he already had is an Institute

166

00:08:56,550 --> 00:08:54,130

of noetic Sciences together why why was

167

00:08:58,500 --> 00:08:56,560

the need to the the feeling that it was

168

00:09:00,150 --> 00:08:58,510

required to start a separate

169

00:09:02,280 --> 00:09:00,160

organization why didn't they you just do

170

00:09:02,940 --> 00:09:02,290

this work under that already established

171

00:09:05,250 --> 00:09:02,950

umbrella

172

00:09:08,820 --> 00:09:05,260

yeah the Institute for neurotic sciences

173

00:09:11,910 --> 00:09:08,830

they will not touch the topic of UFOs

174

00:09:14,190 --> 00:09:11,920

they will not fully embrace the topic of

175

00:09:16,110 --> 00:09:14,200

near-death experiences they will not

176

00:09:19,260 --> 00:09:16,120

fully embrace the topic of out-of-body

177

00:09:22,790 --> 00:09:19,270

experiences most of their work is in

178

00:09:27,350 --> 00:09:22,800

mainstream parapsychology which is

179

00:09:29,940 --> 00:09:27,360

mainly that aspects of ESP precognition

180

00:09:32,520 --> 00:09:29,950

they do dabble a little bit in energy

181

00:09:36,750 --> 00:09:32,530

healing and that's mainly because these

182

00:09:38,670 --> 00:09:36,760

topics are still controversial topics to

183

00:09:42,810 --> 00:09:38,680

certain extent even within the field of

184

00:09:46,410 --> 00:09:42,820

parapsychology because they will have

185

00:09:49,660 --> 00:09:46,420

lost funding for their Institute if it

186

00:09:53,430 --> 00:09:49,670

was associated with with these topics

187

00:09:55,930 --> 00:09:53,440

understood understood okay now let's see

188

00:09:58,330 --> 00:09:55,940

and also what a lot of people don't know

189

00:10:00,310 --> 00:09:58,340

is that Edgar was also one of the

190

00:10:02,710 --> 00:10:00,320

cofounders of this organization called

191

00:10:05,230 --> 00:10:02,720

Eternia and Eternia deals with

192

00:10:08,200 --> 00:10:05,240

near-death experiences so Edgar knew

193

00:10:12,400 --> 00:10:08,210

that all of the this phenomena which we

194

00:10:14,890 --> 00:10:12,410

are calling the contact modalities which

195

00:10:16,690 --> 00:10:14,900

all the different ways that humans are

196

00:10:18,990 --> 00:10:16,700

piercing the veil and having contact

197

00:10:21,660 --> 00:10:19,000

with non-human intelligence for example

198

00:10:24,240 --> 00:10:21,670

UFO contact near-death experiences

199

00:10:27,370 --> 00:10:24,250

out-of-body experiences remote viewing

200

00:10:29,640 --> 00:10:27,380

channeling people that see and

201
00:10:32,080 --> 00:10:29,650
communicate with ghosts and spirits

202
00:10:34,540 --> 00:10:32,090
mystical meditation hallucinogenic

203
00:10:36,340 --> 00:10:34,550
journeys all of these different ways

204
00:10:39,370 --> 00:10:36,350
that people are having communication

205
00:10:41,590 --> 00:10:39,380
with non-human intelligence Edgar dr.

206
00:10:44,140 --> 00:10:41,600
Rudi shields and all of the members of

207
00:10:46,780 --> 00:10:44,150
our organization they know that it's one

208
00:10:49,090 --> 00:10:46,790
phenomenon but science at this point

209
00:10:54,640 --> 00:10:49,100
cannot explain it just like they cannot

210
00:10:58,450 --> 00:10:54,650
explain teleportation the entanglement

211
00:10:59,890 --> 00:10:58,460
theory the the slit experiment the

212
00:11:02,890 --> 00:10:59,900
double slit experiment in quantum

213
00:11:05,410 --> 00:11:02,900

physics these all things that that

214

00:11:07,360 --> 00:11:05,420

physics knows about they've embraced it

215

00:11:10,780 --> 00:11:07,370

but they just don't have the science at

216

00:11:15,070 --> 00:11:10,790

this point to to put it in a laboratory

217

00:11:16,720 --> 00:11:15,080

to test it out reduplicated but everyone

218

00:11:19,630 --> 00:11:16,730

knows in our organization that it's all

219

00:11:22,780 --> 00:11:19,640

interrelated and that was why we decided

220

00:11:26,280 --> 00:11:22,790

to do the UFO contact experience for

221

00:11:28,960 --> 00:11:26,290

research as the first of many research

222

00:11:33,010 --> 00:11:28,970

enterprises in the contact modalities

223

00:11:35,920 --> 00:11:33,020

and now you've got a survey together

224

00:11:38,110 --> 00:11:35,930

which you've compiled into a book beyond

225

00:11:40,780 --> 00:11:38,120

UFOs the science of consciousness in

226

00:11:43,450 --> 00:11:40,790

contact with non-human intelligence one

227

00:11:47,200 --> 00:11:43,460

sentence really jumped out at me when I

228

00:11:50,320 --> 00:11:47,210

first read it basically yeah it's a this

229

00:11:51,730 --> 00:11:50,330

is a direct quote the true story of UAP

230

00:11:54,730 --> 00:11:51,740

related contact with non-human

231

00:11:56,860 --> 00:11:54,740

intelligence was not accurately be was

232

00:11:59,530 --> 00:11:56,870

not being accurately presented freeze

233

00:12:02,590 --> 00:11:59,540

work is the stay paradigm shifting event

234

00:12:03,640 --> 00:12:02,600

route right that is a that's a pretty

235

00:12:06,280 --> 00:12:03,650

bold statement

236

00:12:08,680 --> 00:12:06,290

well it's accurate let me ask you a

237

00:12:10,990 --> 00:12:08,690

question how many academic studies have

238

00:12:12,970 --> 00:12:11,000

there been done on people that have seen

239

00:12:14,980 --> 00:12:12,980

UFOs and have had contact with non-human

240

00:12:17,590 --> 00:12:14,990

intelligence I'm assuming yours is the

241

00:12:20,140 --> 00:12:17,600

first let me I mean you're in this field

242

00:12:22,150 --> 00:12:20,150

right right you you spoke with hundreds

243

00:12:24,190 --> 00:12:22,160

of experiences so let me throw the

244

00:12:26,400 --> 00:12:24,200

question to you how many academic

245

00:12:29,410 --> 00:12:26,410

studies have there been on this topic

246

00:12:32,860 --> 00:12:29,420

maybe maybe you could say max work was

247

00:12:35,950 --> 00:12:32,870

an academic study dr. John Mack well

248

00:12:37,540 --> 00:12:35,960

what he did is he only had 200

249

00:12:41,440 --> 00:12:37,550

individuals that knocked on his office

250

00:12:43,180 --> 00:12:41,450

and wanted it to seek therapy okay so

251
00:12:45,010 --> 00:12:43,190
that's not really academic research

252
00:12:48,580 --> 00:12:45,020
study that's just 200 people that

253
00:12:50,680 --> 00:12:48,590
knocked on his door just just like David

254
00:12:53,230 --> 00:12:50,690
Jacobs that most he worked and he

255
00:12:55,450 --> 00:12:53,240
publicly has stated it 200 people just

256
00:12:56,560 --> 00:12:55,460
like but Hopkins that's it so these are

257
00:12:59,800 --> 00:12:56,570
200 people that have knocked on your

258
00:13:03,550 --> 00:12:59,810
door and you've got you've gotten a

259
00:13:06,700 --> 00:13:03,560
surveys from more than 3200 individuals

260
00:13:08,650 --> 00:13:06,710
well it's it's four thousand two

261
00:13:11,470 --> 00:13:08,660
thousand four thousand five hundred

262
00:13:16,590 --> 00:13:11,480
individuals for more than 100 countries

263
00:13:19,720 --> 00:13:16,600

okay and ours was both quantitative and

264

00:13:22,690 --> 00:13:19,730

qualitative we asked over 600

265

00:13:24,310 --> 00:13:22,700

quantitative questions and again that

266

00:13:26,980 --> 00:13:24,320

was prepared by this team that I told

267

00:13:29,680 --> 00:13:26,990

you about and we also asked 70

268

00:13:31,480 --> 00:13:29,690

open-ended questions that means we asked

269

00:13:34,120 --> 00:13:31,490

70 specific questions and we asked

270

00:13:36,430 --> 00:13:34,130

individual to write out responses to

271

00:13:40,840 --> 00:13:36,440

these 70 questions we wound up with more

272

00:13:42,520 --> 00:13:40,850

than 10,000 pages of writings from at

273

00:13:45,760 --> 00:13:42,530

that point the cutoff that we did the

274

00:13:50,290 --> 00:13:45,770

cutoff was April 1st 2017

275

00:13:52,840 --> 00:13:50,300

so that was 3200 individuals from over a

276

00:13:55,360 --> 00:13:52,850

hundred countries also what makes us

277

00:13:57,610 --> 00:13:55,370

distinct from any other research study

278

00:14:00,880 --> 00:13:57,620

is that like I told you before Kathy

279

00:14:04,690 --> 00:14:00,890

Martin maybe five years ago she and Ken

280

00:14:08,080 --> 00:14:04,700

and Annie stoner who both both of them

281

00:14:10,210 --> 00:14:08,090

worked on this research study are

282

00:14:14,290 --> 00:14:10,220

developing questions and and and

283

00:14:17,310 --> 00:14:14,300

reviewing it they did a sistah chol

284

00:14:19,949 --> 00:14:17,320

study where the only asked 50 questions

285

00:14:22,650 --> 00:14:19,959

and they only had 50 individuals and

286

00:14:26,129 --> 00:14:22,660

these 50 individuals were selected by

287

00:14:29,189 --> 00:14:26,139

them these were basically abductees okay

288

00:14:31,590 --> 00:14:29,199

so and then the the type of questions

289

00:14:34,019 --> 00:14:31,600

that they asked were mainly abduction

290

00:14:36,180 --> 00:14:34,029

related type of questions now what we

291

00:14:39,329 --> 00:14:36,190

discovered in our survey was that only

292

00:14:41,610 --> 00:14:39,339

1/3 of the people that have seen UFOs

293

00:14:44,490 --> 00:14:41,620

and have had contact with non-human

294

00:14:46,920 --> 00:14:44,500

intelligence are actually abductees so

295

00:14:48,420 --> 00:14:46,930

that means that her study and some of

296

00:14:50,999 --> 00:14:48,430

the other smaller studies that have been

297

00:14:53,249 --> 00:14:51,009

done in the past again very limited

298

00:14:55,350 --> 00:14:53,259

number of participants in questions they

299

00:14:58,379 --> 00:14:55,360

only focused on one third of these

300

00:15:02,480 --> 00:14:58,389

individuals so that's why we made that

301
00:15:05,400 --> 00:15:02,490
bold statement that we knew absolutely

302
00:15:08,519 --> 00:15:05,410
almost nothing about this phenomenon

303
00:15:10,860 --> 00:15:08,529
before our survey and I still stand by

304
00:15:13,439 --> 00:15:10,870
and every member of our board still

305
00:15:16,199 --> 00:15:13,449
stands by it and the reason why a lot of

306
00:15:19,499 --> 00:15:16,209
our findings contradict much of what's

307
00:15:24,480 --> 00:15:19,509
is circulating in ufology is because the

308
00:15:27,569 --> 00:15:24,490
data was never derived okay we never had

309
00:15:33,269 --> 00:15:27,579
that data and now how this data was

310
00:15:35,069 --> 00:15:33,279
administered we administered it first of

311
00:15:37,879 --> 00:15:35,079
all we sent emails anyone that's ever

312
00:15:44,480 --> 00:15:37,889
written a book about the paranormal or

313
00:15:48,780 --> 00:15:44,490

UFOs or you know aliens or abductions

314

00:15:51,540 --> 00:15:48,790

each of these individuals got a an email

315

00:15:54,360 --> 00:15:51,550

we also sent it off to different

316

00:15:57,509 --> 00:15:54,370

websites that have ufology related

317

00:16:00,019 --> 00:15:57,519

topics they all received one we also

318

00:16:02,990 --> 00:16:00,029

appeared in over a hundred radio shows

319

00:16:05,400 --> 00:16:03,000

the members of board of directors and

320

00:16:08,340 --> 00:16:05,410

this was you know one radio show every

321

00:16:11,550 --> 00:16:08,350

week at least over a three year period

322

00:16:15,240 --> 00:16:11,560

we also advertise it on Facebook on over

323

00:16:19,379 --> 00:16:15,250

500 Facebook sites these included new

324

00:16:22,290 --> 00:16:19,389

follow G MUFON abductions aliens the

325

00:16:25,230 --> 00:16:22,300

paranormal any place that there could be

326

00:16:26,460 --> 00:16:25,240

someone that have might have seen a UFO

327

00:16:29,309 --> 00:16:26,470

and have contact without him

328

00:16:29,940 --> 00:16:29,319

intelligence that Facebook site got one

329

00:16:32,790 --> 00:16:29,950

post

330

00:16:35,490 --> 00:16:32,800

once a week for three years announcing

331

00:16:41,819 --> 00:16:35,500

our surveys and that's why we got so

332

00:16:45,480 --> 00:16:41,829

many people yeah all the groups correct

333

00:16:47,040 --> 00:16:45,490

as you mention James so if someone had

334

00:16:49,920 --> 00:16:47,050

these experiences they knew about our

335

00:16:52,230 --> 00:16:49,930

survey now our survey took forever to

336

00:16:54,720 --> 00:16:52,240

complete that was the major complaint by

337

00:16:57,750 --> 00:16:54,730

so many people it just took so long to

338

00:16:59,250 --> 00:16:57,760

do because we had so many questions the

339

00:17:01,199 --> 00:16:59,260

Phase three questions he's opening the

340

00:17:03,780 --> 00:17:01,209

questions it took people days to

341

00:17:06,210 --> 00:17:03,790

complete these questions even the Phase

342

00:17:07,829 --> 00:17:06,220

two you could not do that at one sitting

343

00:17:10,020 --> 00:17:07,839

you had to do it over several days

344

00:17:12,179 --> 00:17:10,030

because it literally the average was

345

00:17:14,970 --> 00:17:12,189

anywhere from between two to five hours

346

00:17:16,530 --> 00:17:14,980

to complete because we even had another

347

00:17:19,860 --> 00:17:16,540

instrument that measured how long it

348

00:17:25,439 --> 00:17:19,870

took the people to complete it so this

349

00:17:28,470 --> 00:17:25,449

was a comprehensive survey developed and

350

00:17:30,539 --> 00:17:28,480

supervised by both academics and non

351

00:17:32,850 --> 00:17:30,549

academics that were experts in this

352

00:17:35,730 --> 00:17:32,860

field it was done in a neutral setting

353

00:17:37,650 --> 00:17:35,740

the questions that we asked were

354

00:17:39,900 --> 00:17:37,660

abduction related questions non

355

00:17:42,630 --> 00:17:39,910

abduction related questions you know for

356

00:17:44,730 --> 00:17:42,640

the good the bad and the ugly okay so it

357

00:17:46,799 --> 00:17:44,740

wasn't biased in any way if someone had

358

00:17:48,120 --> 00:17:46,809

a negative experience they had numerous

359

00:17:50,400 --> 00:17:48,130

opportunities to talk about that

360

00:17:53,580 --> 00:17:50,410

negative experience in multiple sets of

361

00:17:55,409 --> 00:17:53,590

questions so for the first time we're

362

00:17:57,810 --> 00:17:55,419

able to find out what the hell is really

363

00:18:01,380 --> 00:17:57,820

going on with this phenomenon and that's

364

00:18:04,680 --> 00:18:01,390

why our study is so important and yet

365

00:18:07,789 --> 00:18:04,690

the field of mainstream ufology has not

366

00:18:10,610 --> 00:18:07,799

recognized this they're having you know

367

00:18:13,289 --> 00:18:10,620

you know all of these these people

368

00:18:16,620 --> 00:18:13,299

invited to these UFO conferences all

369

00:18:18,510 --> 00:18:16,630

over the world and you know these people

370

00:18:20,280 --> 00:18:18,520

are not even experiencers so many of

371

00:18:22,620 --> 00:18:20,290

these people and the stories that

372

00:18:26,640 --> 00:18:22,630

they're telling have nothing to do with

373

00:18:29,820 --> 00:18:26,650

what these 4,200 people have told us it

374

00:18:31,650 --> 00:18:29,830

just seems like totally out of place and

375

00:18:34,770 --> 00:18:31,660

yet these people are not researchers

376

00:18:36,480 --> 00:18:34,780

they have no data and they have nothing

377

00:18:39,360 --> 00:18:36,490

to back up the statements that they make

378

00:18:41,880 --> 00:18:39,370

so our approach is an academic approach

379

00:18:43,740 --> 00:18:41,890

a scientific approach comprehensive

380

00:18:46,590 --> 00:18:43,750

approach based upon data

381

00:18:49,049 --> 00:18:46,600

from real experiences now another issue

382

00:18:52,230 --> 00:18:49,059

people are saying oh people can make up

383

00:18:53,700 --> 00:18:52,240

they can lie whatever you know well if

384

00:18:56,250 --> 00:18:53,710

someone is gonna be lying and making

385

00:18:58,830 --> 00:18:56,260

stuff up they would have had to spend at

386

00:19:02,549 --> 00:18:58,840

least eight hours to do these surveys

387

00:19:04,380 --> 00:19:02,559

okay yeah who the hell is gonna be going

388

00:19:06,600 --> 00:19:04,390

out of their way to lie and to deceive

389

00:19:08,279 --> 00:19:06,610

if they got to spend eight hours doing

390

00:19:11,310 --> 00:19:08,289

this okay that's number one

391

00:19:14,789 --> 00:19:11,320

secondly we've had interest in the

392

00:19:16,710 --> 00:19:14,799

English language 4200 people so even if

393

00:19:19,110 --> 00:19:16,720

10% of the people were lying

394

00:19:20,640 --> 00:19:19,120

that's 420 people yeah you've got it you

395

00:19:23,399 --> 00:19:20,650

got a big enough universe that it's

396

00:19:25,200 --> 00:19:23,409

gonna sort of wash that out exactly and

397

00:19:30,720 --> 00:19:25,210

you're not gonna have 420 people lying

398

00:19:33,330 --> 00:19:30,730

maybe 1% maybe 42 okay so but then we

399

00:19:36,090 --> 00:19:33,340

also did in in our book as you saw in

400

00:19:39,210 --> 00:19:36,100

the very beginning we did a statistical

401
00:19:41,970 --> 00:19:39,220
analysis per countries per country we

402
00:19:44,880 --> 00:19:41,980
grouped the US as one category Canada as

403
00:19:48,060 --> 00:19:44,890
another one Australia and New Zealand as

404
00:19:50,190 --> 00:19:48,070
another one we had the UK as a separate

405
00:19:52,649 --> 00:19:50,200
group and mainland Europe and what we

406
00:19:54,750 --> 00:19:52,659
discovered when we put all of the

407
00:19:57,440 --> 00:19:54,760
different responses to the questions in

408
00:20:00,180 --> 00:19:57,450
these different country groups that the

409
00:20:02,279 --> 00:20:00,190
percentage variance in how they

410
00:20:04,250 --> 00:20:02,289
responded to the questions did not

411
00:20:07,470 --> 00:20:04,260
deviate more than ten percentage points

412
00:20:10,860 --> 00:20:07,480
okay it was consistent no matter what

413
00:20:12,299 --> 00:20:10,870

country they were from what area so that

414

00:20:15,240 --> 00:20:12,309

means that people were answering the

415

00:20:17,850 --> 00:20:15,250

same way to the same question all over

416

00:20:21,870 --> 00:20:17,860

the world and that's another tool to

417

00:20:24,539 --> 00:20:21,880

test whether our statistical study was

418

00:20:26,580 --> 00:20:24,549

valid or not well that also kind of

419

00:20:28,940 --> 00:20:26,590

points into the direction that this this

420

00:20:30,960 --> 00:20:28,950

phenomenon or these phenomena are

421

00:20:33,930 --> 00:20:30,970

transcultural they transcend all

422

00:20:35,549 --> 00:20:33,940

cultures correct transcend languages

423

00:20:38,970 --> 00:20:35,559

because we did it in multiple languages

424

00:20:42,180 --> 00:20:38,980

well in Spanish we have almost 850

425

00:20:44,310 --> 00:20:42,190

people that took all surveys and for

426

00:20:46,230 --> 00:20:44,320

them very consistent to the English

427

00:20:49,470 --> 00:20:46,240

language it's actually more positive

428

00:20:53,010 --> 00:20:49,480

much more positive experiences in the

429

00:20:55,080 --> 00:20:53,020

Spanish language a couple of other

430

00:20:56,810 --> 00:20:55,090

things I want to note is that our

431

00:20:58,430 --> 00:20:56,820

organization just

432

00:21:01,190 --> 00:20:58,440

some of your listeners that are out

433

00:21:03,740 --> 00:21:01,200

there we are not a ufology organization

434

00:21:07,370 --> 00:21:03,750

we have zero interest in nuts and bolts

435

00:21:09,980 --> 00:21:07,380

ufology reviewing photos videos metals

436

00:21:12,169 --> 00:21:09,990

of you ApS conspiracy theories secret

437

00:21:13,129 --> 00:21:12,179

space program a question I want to throw

438

00:21:14,570 --> 00:21:13,139

to both of you

439

00:21:16,970 --> 00:21:14,580

both of you have been following you

440

00:21:20,240 --> 00:21:16,980

follow G for many years now over the

441

00:21:26,419 --> 00:21:20,250

last 70 years what have we learned from

442

00:21:28,430 --> 00:21:26,429

ufology well as what you can say from

443

00:21:30,409 --> 00:21:28,440

Jacques Ellul a will say is that we

444

00:21:33,889 --> 00:21:30,419

we've discovered that ufology has no

445

00:21:37,299 --> 00:21:33,899

ontology okay it's mostly grounded in

446

00:21:39,980 --> 00:21:37,309

ideology I'm just pointing that out yeah

447

00:21:42,080 --> 00:21:39,990

myself and myself I think there's

448

00:21:43,730 --> 00:21:42,090

something there I do like the cases I do

449

00:21:45,590 --> 00:21:43,740

like their nuts and bolts cases that are

450

00:21:47,690 --> 00:21:45,600

backed up at where the witnesses are

451
00:21:49,490 --> 00:21:47,700
backed up by radar I like those case so

452
00:21:51,830 --> 00:21:49,500
I think they're important cases too okay

453
00:21:54,529 --> 00:21:51,840
but I like it all I think it's also we

454
00:21:56,960 --> 00:21:54,539
know UFOs exist if you're an experiencer

455
00:21:57,740 --> 00:21:56,970
or if you've seen UFOs yourself you know

456
00:22:00,200 --> 00:21:57,750
they exist

457
00:22:02,180 --> 00:22:00,210
okay you know that there are videos out

458
00:22:03,740 --> 00:22:02,190
there you know there are photos out

459
00:22:08,389 --> 00:22:03,750
there some of you might have even taken

460
00:22:10,639 --> 00:22:08,399
photos okay outside of that I mean what

461
00:22:12,950 --> 00:22:10,649
else have we learned now compare that

462
00:22:20,210 --> 00:22:12,960
with what we've learned from the data

463
00:22:23,930 --> 00:22:20,220

from our book okay Alexander he also

464

00:22:25,999 --> 00:22:23,940

correct he wrote one of the chapters in

465

00:22:29,480 --> 00:22:26,009

our book now what people don't know

466

00:22:31,669 --> 00:22:29,490

about dr. Alexander is that he wrote his

467

00:22:34,639 --> 00:22:31,679

PhD dissertation on near-death

468

00:22:36,350 --> 00:22:34,649

experiences his dissertation adviser was

469

00:22:39,710 --> 00:22:36,360

Elizabeth kubler-ross

470

00:22:42,169 --> 00:22:39,720

okay he also after Kenneth ring founded

471

00:22:44,600 --> 00:22:42,179

it with Raymond moody and this other

472

00:22:46,159 --> 00:22:44,610

individual he became the president of

473

00:22:48,649 --> 00:22:46,169

the International Association of

474

00:22:51,200 --> 00:22:48,659

near-death studies he also spent several

475

00:22:53,869 --> 00:22:51,210

months with Robert Monroe learning how

476
00:22:56,960 --> 00:22:53,879
to do out-of-body experiences he also

477
00:22:59,149 --> 00:22:56,970
worked for many many months with remote

478
00:23:01,340 --> 00:22:59,159
viewers he knows all of the major remote

479
00:23:02,899 --> 00:23:01,350
viewers by first-name basis you know how

480
00:23:05,570 --> 00:23:02,909
to do remote viewing he learned how to

481
00:23:09,450 --> 00:23:05,580
do it he's also gone to all the

482
00:23:10,920 --> 00:23:09,460
continents to work with shaman's

483
00:23:13,860 --> 00:23:10,930
I don't think he'll admit it but I know

484
00:23:15,990 --> 00:23:13,870
his wife has experimented with ayahuasca

485
00:23:20,490 --> 00:23:16,000
they've been there in mushroom

486
00:23:23,550 --> 00:23:20,500
ceremonies ayahuasca ceremonies he also

487
00:23:28,350 --> 00:23:23,560
has visited numerous times John of God

488
00:23:31,710 --> 00:23:28,360

in in Brazil where all these healings

489

00:23:34,410 --> 00:23:31,720

have taken place okay so here is the man

490

00:23:36,930 --> 00:23:34,420

that knows about the contact modalities

491

00:23:38,490 --> 00:23:36,940

he knows that it's all interrelated and

492

00:23:41,100 --> 00:23:38,500

that's what he wrote about in our

493

00:23:43,760 --> 00:23:41,110

chapter okay and you know he has a book

494

00:23:47,700 --> 00:23:43,770

he has a book called the reality denied

495

00:23:49,260 --> 00:23:47,710

and in the book he kind of goes over a

496

00:23:51,840 --> 00:23:49,270

lot he goes you know from everything

497

00:23:54,000 --> 00:23:51,850

from psychic phenomenon yeah and you

498

00:23:55,740 --> 00:23:54,010

know you ap and and all these different

499

00:23:58,760 --> 00:23:55,750

experiences he taught as a chapter where

500

00:24:01,050 --> 00:23:58,770

he's out with Chris Bledsoe and and

501
00:24:02,910 --> 00:24:01,060
Chris Bledsoe says hey wait I think

502
00:24:04,320 --> 00:24:02,920
they're here and they look up and boom

503
00:24:06,990 --> 00:24:04,330
you know there's a crap right there and

504
00:24:08,910 --> 00:24:07,000
you know - Chris Bledsoe and John

505
00:24:12,750 --> 00:24:08,920
Alexander's credit the reason I brought

506
00:24:17,010 --> 00:24:12,760
John Alexander up and in this context

507
00:24:18,480 --> 00:24:17,020
was that in ufology you know see the

508
00:24:23,100 --> 00:24:18,490
point you're making is we haven't really

509
00:24:26,100 --> 00:24:23,110
found out too much but a lot of the good

510
00:24:28,230 --> 00:24:26,110
data is kind of you know tucked away so

511
00:24:29,940 --> 00:24:28,240
to speak and you know Bigelow might be

512
00:24:33,690 --> 00:24:29,950
you know have some of it and you know

513
00:24:35,550 --> 00:24:33,700

some of it were in those you know secret

514

00:24:39,180 --> 00:24:35,560

but not classified programs like a tip

515

00:24:41,130 --> 00:24:39,190

north so and you know he was kind of in

516

00:24:43,140 --> 00:24:41,140

those circles so you know he was exposed

517

00:24:44,760 --> 00:24:43,150

to some of the some of the actual

518

00:24:46,530 --> 00:24:44,770

research that's going on that really

519

00:24:47,490 --> 00:24:46,540

hasn't come out to publicly like with

520

00:24:53,640 --> 00:24:47,500

nades and Bess

521

00:24:59,310 --> 00:24:53,650

well I talked to him you know quite

522

00:25:01,980 --> 00:24:59,320

frequently I used him use him to to give

523

00:25:04,110 --> 00:25:01,990

me ideas about what other researchers

524

00:25:06,000 --> 00:25:04,120

are out there because what we're trying

525

00:25:07,950 --> 00:25:06,010

to do and free for our next volume or

526

00:25:10,950 --> 00:25:07,960

volume two is we're going to try to

527

00:25:13,680 --> 00:25:10,960

write a book that's a theoretical book

528

00:25:18,510 --> 00:25:13,690

about the contact modalities and the

529

00:25:22,760 --> 00:25:18,520

question that we're asking is what is

530

00:25:28,580 --> 00:25:25,260

cosmology which is the true nature of

531

00:25:31,710 --> 00:25:28,590

our universe and contact with non-human

532

00:25:34,320 --> 00:25:31,720

intelligence via the contact modalities

533

00:25:36,930 --> 00:25:34,330

and he's one of the few people that

534

00:25:38,970 --> 00:25:36,940

actually understands it just like

535

00:25:41,850 --> 00:25:38,980

members of our board of directors like

536

00:25:44,910 --> 00:25:41,860

rudy shields and edgar mitchell mary rod

537

00:25:46,920 --> 00:25:44,920

well Kathy Martin who just came out of

538

00:25:49,320 --> 00:25:46,930

the closet at our free conference

539

00:25:51,990 --> 00:25:49,330

several months ago as a full-blown

540

00:25:53,880 --> 00:25:52,000

experiencer and she's had many

541

00:25:59,010 --> 00:25:53,890

experiences through the contact

542

00:26:01,380 --> 00:25:59,020

modalities so and so what he told me

543

00:26:03,180 --> 00:26:01,390

rate was that ray most of the

544

00:26:05,310 --> 00:26:03,190

individuals that he's spoken with the

545

00:26:07,560 --> 00:26:05,320

the Parata folks in the

546

00:26:11,100 --> 00:26:07,570

parapsychological Association

547

00:26:13,730 --> 00:26:11,110

he's also associated with the Society

548

00:26:16,830 --> 00:26:13,740

for scientific exploration and they're

549

00:26:21,710 --> 00:26:16,840

like the premier scientific organization

550

00:26:25,640 --> 00:26:21,720

that's focusing on alternative theories

551
00:26:29,070 --> 00:26:25,650
on the paranormal on consciousness and

552
00:26:30,990 --> 00:26:29,080
parapsychology on ufology etc as a

553
00:26:34,280 --> 00:26:31,000
matter of fact Jacques Vallee was one of

554
00:26:37,050 --> 00:26:34,290
the keynote speakers there at their last

555
00:26:39,840 --> 00:26:37,060
event as well as the parapsychological

556
00:26:43,290 --> 00:26:39,850
Association was Jacques Vallee okay yeah

557
00:26:45,570 --> 00:26:43,300
and so our focus in our organization

558
00:26:48,420 --> 00:26:45,580
we're not a nuts-and-bolts ufology

559
00:26:51,360 --> 00:26:48,430
organization our focus is on

560
00:26:53,570 --> 00:26:51,370
consciousness okay because that's the

561
00:26:56,910 --> 00:26:53,580
key to understanding this phenomenon

562
00:26:58,950 --> 00:26:56,920
what is the nature of our reality by

563
00:27:01,950 --> 00:26:58,960

undertaking cross comparative research

564

00:27:04,050 --> 00:27:01,960

of individuals that are having contact

565

00:27:07,440 --> 00:27:04,060

with non-human intelligence via the

566

00:27:10,020 --> 00:27:07,450

contact modalities and what we what

567

00:27:11,910 --> 00:27:10,030

organization not just ray Fernandez this

568

00:27:14,450 --> 00:27:11,920

is all of these people in organization

569

00:27:16,620 --> 00:27:14,460

we hypothesize that we are entering

570

00:27:19,410 --> 00:27:16,630

interacting with non-human intelligence

571

00:27:21,990 --> 00:27:19,420

via various paranormal modalities and

572

00:27:24,300 --> 00:27:22,000

that all of these contact modalities is

573

00:27:27,180 --> 00:27:24,310

in fact one phenomenon and that

574

00:27:30,930 --> 00:27:27,190

consciousness is the glue that unifies

575

00:27:33,630 --> 00:27:30,940

the contact modalities and and again

576
00:27:35,850 --> 00:27:33,640
Edgar Newton knew about it Rudy knew

577
00:27:38,639 --> 00:27:35,860
about it dr. Dean Radin

578
00:27:40,830 --> 00:27:38,649
knows about it dr. Claude Swanson the

579
00:27:42,389 --> 00:27:40,840
PhD physicist from Princeton who wrote a

580
00:27:46,200 --> 00:27:42,399
book 20 years ago titled

581
00:27:49,139 --> 00:27:46,210
the synchronized universe dr. Kenneth

582
00:27:51,659 --> 00:27:49,149
ring knows about it brats Tiger knew

583
00:27:55,320 --> 00:27:51,669
about it and many many other individuals

584
00:27:59,490 --> 00:27:55,330
but mainstream ufology is still and and

585
00:28:01,740 --> 00:27:59,500
also Jacques Vallee knows about it ok

586
00:28:04,590 --> 00:28:01,750
but we're still stuck in this

587
00:28:07,320 --> 00:28:04,600
materialist mindset of mainstream

588
00:28:10,830 --> 00:28:07,330

ufology and what we think is that the

589

00:28:12,659 --> 00:28:10,840

data from our book can begin to point a

590

00:28:15,509 --> 00:28:12,669

direction towards a different direction

591

00:28:19,529 --> 00:28:15,519

a different paradigm and that is a non

592

00:28:22,620 --> 00:28:19,539

materialist paradigm of nonlocality what

593

00:28:25,200 --> 00:28:22,630

does nonlocality means ok it means that

594

00:28:28,769 --> 00:28:25,210

consciousness is independent of the

595

00:28:30,570 --> 00:28:28,779

brain that when individuals are having

596

00:28:33,180 --> 00:28:30,580

these experiences through the contact

597

00:28:38,340 --> 00:28:33,190

modalities the vast majority of these

598

00:28:42,990 --> 00:28:38,350

are at an arena that's independent of

599

00:28:45,000 --> 00:28:43,000

our 3d reality ok for example we've had

600

00:28:49,279 --> 00:28:45,010

almost double the number of individuals

601
00:28:53,430 --> 00:28:49,289
that were taken to what I call a matrix

602
00:28:57,210 --> 00:28:53,440
reality ok and and that's defined as a

603
00:28:58,799 --> 00:28:57,220
non 3-dimensional reality where your

604
00:29:00,539 --> 00:28:58,809
consciousness is brought to that

605
00:29:02,190 --> 00:29:00,549
location ok

606
00:29:05,009 --> 00:29:02,200
like for example have you guys seen the

607
00:29:05,639 --> 00:29:05,019
movie contact with Jodie Foster oh yes

608
00:29:09,029 --> 00:29:05,649
of course

609
00:29:11,940 --> 00:29:09,039
ok all right very very well-known and

610
00:29:15,690 --> 00:29:11,950
also like the Matrix movie movies ok

611
00:29:17,789 --> 00:29:15,700
where your consciousness are taken out

612
00:29:20,370 --> 00:29:17,799
and you brought to another reality ok

613
00:29:22,080 --> 00:29:20,380

we've had almost double the number of

614

00:29:24,470 --> 00:29:22,090

people that have had that experience

615

00:29:28,769 --> 00:29:24,480

then people that have had an abduction

616

00:29:33,060 --> 00:29:28,779

ok yeah now does mainstream ufology know

617

00:29:33,480 --> 00:29:33,070

about that no but the researchers in the

618

00:29:37,680 --> 00:29:33,490

field

619

00:29:42,240 --> 00:29:37,690

leo sprinkle Barbara Lam okay Denise

620

00:29:44,279 --> 00:29:42,250

toner marry rod well Kathy Mardon okay

621

00:29:45,810 --> 00:29:44,289

all of these people have been working

622

00:29:48,690 --> 00:29:45,820

with experiences for many many years

623

00:29:49,440 --> 00:29:48,700

they know that David Jacobs and but

624

00:29:52,159 --> 00:29:49,450

Hopkins

625

00:29:54,419 --> 00:29:52,169

never accepted that because anytime

626

00:29:57,000 --> 00:29:54,429

anyone approached them with a positive

627

00:29:59,340 --> 00:29:57,010

experience they'd say well why don't you

628

00:30:00,419 --> 00:29:59,350

go to see Leo sprinkle okay cuz I can't

629

00:30:02,820 --> 00:30:00,429

help you okay

630

00:30:04,680 --> 00:30:02,830

even my cleveland discussed that

631

00:30:06,180 --> 00:30:04,690

publicly Reverend Michael Carter

632

00:30:08,100 --> 00:30:06,190

discussed that publicly

633

00:30:10,680 --> 00:30:08,110

I've spoken with three or four people

634

00:30:12,240 --> 00:30:10,690

that had gone to Budd Hopkins and he

635

00:30:14,039 --> 00:30:12,250

basically told them look I can't work

636

00:30:17,549 --> 00:30:14,049

with you because I don't accept that

637

00:30:19,259 --> 00:30:17,559

you know and so and let alone people

638

00:30:21,060 --> 00:30:19,269

being brought to this matrix reality

639

00:30:23,970 --> 00:30:21,070

they said look that's not within my

640

00:30:27,600 --> 00:30:23,980

paradigm I don't accept it I cannot work

641

00:30:29,850 --> 00:30:27,610

with you and so a lot of that literature

642

00:30:33,060 --> 00:30:29,860

never got publicized because the

643

00:30:35,279 --> 00:30:33,070

paradigm was established by people by

644

00:30:37,310 --> 00:30:35,289

those individuals you look at Whitley

645

00:30:39,659 --> 00:30:37,320

Strieber when he first started off okay

646

00:30:44,549 --> 00:30:39,669

very very similar to the Budd Hopkins

647

00:30:47,460 --> 00:30:44,559

David Jacobs paradigm okay but then over

648

00:30:49,529 --> 00:30:47,470

time his experiences changed just like

649

00:30:52,549 --> 00:30:49,539

the vast majority the people in our

650

00:30:54,899 --> 00:30:52,559

surveys okay it became more positive

651
00:30:57,330 --> 00:30:54,909
instead of dealing with the Grays he

652
00:31:01,440 --> 00:30:57,340
began associating with human looking

653
00:31:04,409 --> 00:31:01,450
beings okay with energy beings with

654
00:31:07,169 --> 00:31:04,419
ghost and spirit type of beings and no

655
00:31:08,669 --> 00:31:07,179
longer with these Gray's that's the same

656
00:31:11,340 --> 00:31:08,679
pattern that we found out in our

657
00:31:12,870 --> 00:31:11,350
research study and a subsequent result

658
00:31:15,779 --> 00:31:12,880
from that was that the experiences

659
00:31:19,470 --> 00:31:15,789
became more positive now he's all love

660
00:31:20,730 --> 00:31:19,480
and light okay the man that that made

661
00:31:23,490 --> 00:31:20,740
famous you know

662
00:31:25,740 --> 00:31:23,500
anal probes okay and just the sheer

663
00:31:27,779 --> 00:31:25,750

fright of the of contact with not with

664

00:31:31,620 --> 00:31:27,789

with aliens

665

00:31:35,029 --> 00:31:31,630

okay now he's the total opposite of it

666

00:31:38,009 --> 00:31:35,039

now he gives thanks to them for

667

00:31:39,899 --> 00:31:38,019

illuminating his life okay that those

668

00:31:41,639 --> 00:31:39,909

are the same findings that we have in

669

00:31:44,100 --> 00:31:41,649

our research study but mainstream

670

00:31:45,930 --> 00:31:44,110

ufology they will not accept rate

671

00:31:49,350 --> 00:31:45,940

whitley strieber but they did it embrace

672

00:31:51,419 --> 00:31:49,360

him when he first began okay yeah

673

00:31:52,950 --> 00:31:51,429

Jacques Vallee what he first stopped

674

00:31:55,110 --> 00:31:52,960

publishing these things they all fully

675

00:31:58,879 --> 00:31:55,120

embrace them but now that valet is

676
00:32:01,070 --> 00:31:58,889
talking about non extra-terrestrial

677
00:32:03,510 --> 00:32:01,080
definitions of what might be going on

678
00:32:05,850 --> 00:32:03,520
consciousness related definition

679
00:32:07,770 --> 00:32:05,860
okay all of a sudden he won't go to

680
00:32:09,560 --> 00:32:07,780
these ufology conferences because he

681
00:32:12,570 --> 00:32:09,570
says they're all filled with with coops

682
00:32:15,090 --> 00:32:12,580
okay and and and that's not direction

683
00:32:17,280 --> 00:32:15,100
that ufology needs to go to so it

684
00:32:20,400 --> 00:32:17,290
totally is disassociated with these

685
00:32:22,680 --> 00:32:20,410
people and and so what what we're trying

686
00:32:25,680 --> 00:32:22,690
to do in our organization is we're

687
00:32:28,740 --> 00:32:25,690
trying for the first time ever okay is

688
00:32:31,920 --> 00:32:28,750

to bring data of the experimenter to this

689

00:32:33,840 --> 00:32:31,930

phenomenon data grounded in science and

690

00:32:35,790 --> 00:32:33,850

in academic research and what it's

691

00:32:37,920 --> 00:32:35,800

demonstrating is that much of what's

692

00:32:43,710 --> 00:32:37,930

been circulating in mainstream ufology

693

00:32:44,700 --> 00:32:43,720

is totally off all right no oh go ahead

694

00:32:47,730 --> 00:32:44,710

guy James

695

00:32:49,110 --> 00:32:47,740

no go ahead rhea how did you get

696

00:32:51,270 --> 00:32:49,120

involved in all this in the first place

697

00:32:53,670 --> 00:32:51,280

you sound like a you're pretty driven

698

00:32:56,520 --> 00:32:53,680

for getting this information out and the

699

00:32:58,710 --> 00:32:56,530

question is obviously yeah how come well

700

00:33:00,390 --> 00:32:58,720

I don't want to go into too much details

701
00:33:05,550 --> 00:33:00,400
because it'll take forever but basically

702
00:33:08,400 --> 00:33:05,560
I have an academic background I went to

703
00:33:10,290 --> 00:33:08,410
Cornell for a master's I went to

704
00:33:13,680 --> 00:33:10,300
University of California Berkeley for a

705
00:33:15,920 --> 00:33:13,690
PhD that's the University that has the

706
00:33:20,760 --> 00:33:15,930
most Nobel Prize winners in the world

707
00:33:23,190 --> 00:33:20,770
and I completed all of my coursework all

708
00:33:24,240 --> 00:33:23,200
of my written and oral exams and I was

709
00:33:27,780 --> 00:33:24,250
on my way to writing my dissertation

710
00:33:31,200 --> 00:33:27,790
when my ex-wife got a brain aneurysm and

711
00:33:33,720 --> 00:33:31,210
I had a family to feed and I had a quit

712
00:33:35,430 --> 00:33:33,730
writing my dissertation and and take two

713
00:33:38,960 --> 00:33:35,440

full time jobs so I was never able to

714

00:33:42,510 --> 00:33:38,970

get my PhD I then later on in life

715

00:33:45,720 --> 00:33:42,520

became an attorney and and that's my

716

00:33:48,150 --> 00:33:45,730

profession now so but I I did teach for

717

00:33:49,800 --> 00:33:48,160

six years as an attorney at the New

718

00:33:52,920 --> 00:33:49,810

School for Social Research and at the

719

00:33:55,860 --> 00:33:52,930

City University of New York but my

720

00:34:00,270 --> 00:33:55,870

mindset is still as an academic so I was

721

00:34:05,250 --> 00:34:00,280

a total rationalist atheist materialist

722

00:34:07,440 --> 00:34:05,260

until March 4th of 2012 and now it

723

00:34:10,970 --> 00:34:07,450

should be very very brief basically this

724

00:34:14,520 --> 00:34:10,980

energy being appeared in my living room

725

00:34:17,040 --> 00:34:14,530

took my wife and my dog into some other

726
00:34:17,230 --> 00:34:17,050
type of location my wife has 45 minutes

727
00:34:19,500 --> 00:34:17,240
of

728
00:34:22,659 --> 00:34:19,510
time our dog we were gonna be

729
00:34:24,850 --> 00:34:22,669
euthanizing later that afternoon when my

730
00:34:26,379 --> 00:34:24,860
dog Reid appeared with my wife right in

731
00:34:29,470 --> 00:34:26,389
front of me

732
00:34:33,310 --> 00:34:29,480
the dog was completely healed completely

733
00:34:36,850 --> 00:34:33,320
healed before she was totally paralyzed

734
00:34:39,280 --> 00:34:36,860
and then two months later my wife saw a

735
00:34:43,720 --> 00:34:39,290
big gigantic UFO right outside our house

736
00:34:48,100 --> 00:34:43,730
I called them you AP's unidentified

737
00:34:49,750 --> 00:34:48,110
aerial phenomenon and then my wife went

738
00:34:52,899 --> 00:34:49,760

to Mexico for a month and there she

739

00:34:55,270 --> 00:34:52,909

called down without even knowing the

740

00:34:57,400 --> 00:34:55,280

terminology or even know knowing that

741

00:34:59,920 --> 00:34:57,410

there some people use protocols no she

742

00:35:02,380 --> 00:34:59,930

was just praying to see her angels again

743

00:35:04,420 --> 00:35:02,390

and lo and behold poof you know these

744

00:35:06,880 --> 00:35:04,430

these ships would appear sometimes very

745

00:35:08,890 --> 00:35:06,890

close up and one time she saw three

746

00:35:12,430 --> 00:35:08,900

human-looking being seven to eight feet

747

00:35:14,080 --> 00:35:12,440

tall with bald heads with a white munch

748

00:35:16,359 --> 00:35:14,090

robes that floated right in front of her

749

00:35:19,510 --> 00:35:16,369

so she had been having these experiences

750

00:35:22,780 --> 00:35:19,520

of mekin Mexico she comes back and then

751

00:35:25,840 --> 00:35:22,790

I then again without not knowing the

752

00:35:27,490 --> 00:35:25,850

terminology or any protocols I just was

753

00:35:31,330 --> 00:35:27,500

outside one night waiting for a friend

754

00:35:32,800 --> 00:35:31,340

and I wanted to see you know this

755

00:35:35,140 --> 00:35:32,810

non-human intelligence that I've been

756

00:35:38,010 --> 00:35:35,150

interacting with my wife and I wanted to

757

00:35:40,660 --> 00:35:38,020

give them thanks for healing our dog and

758

00:35:42,609 --> 00:35:40,670

the very beginning I wasn't very sincere

759

00:35:46,200 --> 00:35:42,619

but then I became very very sincere and

760

00:35:49,990 --> 00:35:46,210

within 15 minutes this football stadium

761

00:35:52,060 --> 00:35:50,000

size object appears right on top of my

762

00:35:55,540 --> 00:35:52,070

next-door neighbor's house it was like

763

00:35:58,000 --> 00:35:55,550

five feet from his roof and 30 feet away

764

00:36:00,370 --> 00:35:58,010

from me and then there was telepathic

765

00:36:02,920 --> 00:36:00,380

communication that took place eventually

766

00:36:06,550 --> 00:36:02,930

my daughter was with me for 45 minutes

767

00:36:08,560 --> 00:36:06,560

and these three adult friends and and

768

00:36:11,560 --> 00:36:08,570

then after it was after that incident

769

00:36:14,740 --> 00:36:11,570

that then it was like an explosion of

770

00:36:17,050 --> 00:36:14,750

the contact modalities with me in terms

771

00:36:19,810 --> 00:36:17,060

of out-of-body experiences near-death

772

00:36:23,320 --> 00:36:19,820

related type of experiences telepathic

773

00:36:27,220 --> 00:36:23,330

communication downloads of science and

774

00:36:29,380 --> 00:36:27,230

physics you know very similar to what

775

00:36:31,130 --> 00:36:29,390

you you've heard from from Chris Bledsoe

776

00:36:33,320 --> 00:36:31,140

and several other individuals

777

00:36:36,500 --> 00:36:33,330

and that lasted for like an additional

778

00:36:38,360 --> 00:36:36,510

two years and so what I did is

779

00:36:40,910 --> 00:36:38,370

immediately after it first started I

780

00:36:43,220 --> 00:36:40,920

thought was paranormal related so not

781

00:36:45,500 --> 00:36:43,230

knowing anything about these topics I

782

00:36:47,870 --> 00:36:45,510

went to the Internet and all that it was

783

00:36:50,960 --> 00:36:47,880

just confused me two months afterwards I

784

00:36:53,060 --> 00:36:50,970

then realized two months later then

785

00:36:55,160 --> 00:36:53,070

realized that this might be you were

786

00:36:57,950 --> 00:36:55,170

four related because my wife had seen

787

00:37:01,100 --> 00:36:57,960

that huge object outside her house she

788

00:37:04,190 --> 00:37:01,110

goes oh I saw my angels last night they

789

00:37:05,840 --> 00:37:04,200

came a beautiful angelic craft with

790

00:37:08,510 --> 00:37:05,850

stained glass windows just like our

791

00:37:10,820 --> 00:37:08,520

church you know so I asked her to draw

792

00:37:13,580 --> 00:37:10,830

it what she drew was a beach again the

793

00:37:17,060 --> 00:37:13,590

Goodyear blimp with lights on on the

794

00:37:19,820 --> 00:37:17,070

edges these colorful lights and so and

795

00:37:22,880 --> 00:37:19,830

then I began to go into UFOs I I bought

796

00:37:24,860 --> 00:37:22,890

tons of books I was hooked or all the

797

00:37:27,050 --> 00:37:24,870

different you know websites and YouTube

798

00:37:29,540 --> 00:37:27,060

videos and all that did was just

799

00:37:31,250 --> 00:37:29,550

confused me more because all these folks

800

00:37:35,060 --> 00:37:31,260

were contradicting each other that's

801
00:37:37,160 --> 00:37:35,070
number one and then secondly half of

802
00:37:39,470 --> 00:37:37,170
these folks consider themselves experts

803
00:37:42,440 --> 00:37:39,480
on the field and they're the only ones

804
00:37:44,540 --> 00:37:42,450
that had the answers you know so but yet

805
00:37:47,690 --> 00:37:44,550
when I when I did an academic literature

806
00:37:51,320 --> 00:37:47,700
review of the phenomenon what I realized

807
00:37:53,180 --> 00:37:51,330
it was almost Zippo almost nothing was

808
00:37:54,950 --> 00:37:53,190
written about it academically you just

809
00:37:57,700 --> 00:37:54,960
had a hundred people going to these

810
00:38:00,590 --> 00:37:57,710
lecture circuits just uh you know

811
00:38:03,200 --> 00:38:00,600
talking about what they had spoken to

812
00:38:06,650 --> 00:38:03,210
other experiencers and so I quickly

813
00:38:08,210 --> 00:38:06,660

realized that this field while they

814

00:38:10,370 --> 00:38:08,220

might have an understanding of what they

815

00:38:12,440 --> 00:38:10,380

think might be going on we really don't

816

00:38:14,630 --> 00:38:12,450

know because the formal research

817

00:38:16,660 --> 00:38:14,640

comprehensive research had never been

818

00:38:21,200 --> 00:38:16,670

done before

819

00:38:23,480 --> 00:38:21,210

and then at some point you guys started

820

00:38:26,240 --> 00:38:23,490

contacting people and word got to dr.

821

00:38:27,740 --> 00:38:26,250

Mitchell and then he contacted you know

822

00:38:31,220 --> 00:38:27,750

it was a little bit more interesting

823

00:38:33,710 --> 00:38:31,230

than that but I'd rather not get into it

824

00:38:36,170 --> 00:38:33,720

because uh once you tell people what how

825

00:38:38,960 --> 00:38:36,180

it really went down then you start being

826

00:38:40,790 --> 00:38:38,970

attacked for making things up and losing

827

00:38:43,130 --> 00:38:40,800

credibility so you know I really don't

828

00:38:45,150 --> 00:38:43,140

want to go there but if I read the the

829

00:38:47,220 --> 00:38:45,160

prelude to the book the free

830

00:38:51,230 --> 00:38:47,230

the detail of how free got started is in

831

00:38:53,370 --> 00:38:51,240

there got it got it okay okay so uh

832

00:38:55,260 --> 00:38:53,380

basically the proof is in the pudding

833

00:38:57,960 --> 00:38:55,270

you've got the the data you've got the

834

00:39:01,770 --> 00:38:57,970

survey done at least phase one and two

835

00:39:04,230 --> 00:39:01,780

of it and the big takeaway really is two

836

00:39:07,670 --> 00:39:04,240

thirds sixty-six percent came away with

837

00:39:10,110 --> 00:39:07,680

a positive result from the experience

838

00:39:11,490 --> 00:39:10,120

twenty nine neutral I guess it's not

839

00:39:12,720 --> 00:39:11,500

kind of hard to figure out how you could

840

00:39:15,060 --> 00:39:12,730

have an experience like that and have it

841

00:39:18,510 --> 00:39:15,070

be neutral but really ninety-five

842

00:39:20,880 --> 00:39:18,520

percent people are not negative let's

843

00:39:22,140 --> 00:39:20,890

put it that way yeah I mean we asked

844

00:39:24,990 --> 00:39:22,150

that question let me look at that pie

845

00:39:27,960 --> 00:39:25,000

chart we asked that question how would

846

00:39:30,570 --> 00:39:27,970

you describe your experiences okay was

847

00:39:33,630 --> 00:39:30,580

it positive negative or neutral and this

848

00:39:35,250 --> 00:39:33,640

was a forced choice response so I mean

849

00:39:37,290 --> 00:39:35,260

people how to answer this in order to

850

00:39:39,480 --> 00:39:37,300

move forward okay and what what they

851
00:39:44,130 --> 00:39:39,490
answered was that 66 percent said it was

852
00:39:46,380 --> 00:39:44,140
positive neutral was 29% and negative

853
00:39:47,760 --> 00:39:46,390
was five percent but we also asked that

854
00:39:51,780 --> 00:39:47,770
question in more than twenty different

855
00:39:53,550 --> 00:39:51,790
ways okay let me just go over the the

856
00:39:57,480 --> 00:39:53,560
the four major findings very very

857
00:39:59,730 --> 00:39:57,490
briefly okay number one contact was

858
00:40:03,690 --> 00:39:59,740
overwhelmingly positive that's number

859
00:40:05,940 --> 00:40:03,700
one number to contact resulted in a

860
00:40:07,770 --> 00:40:05,950
positive transformation of the

861
00:40:10,500 --> 00:40:07,780
experiencer you know their psychological

862
00:40:11,760 --> 00:40:10,510
profile of who they are okay number

863
00:40:15,660 --> 00:40:11,770

three

864

00:40:18,960 --> 00:40:15,670

contact was primarily not physical it

865

00:40:20,730 --> 00:40:18,970

was primarily paranormal and what I mean

866

00:40:23,790 --> 00:40:20,740

by that is that okay you might have seen

867

00:40:25,530 --> 00:40:23,800

a couple of UFOs you might have had a

868

00:40:27,660 --> 00:40:25,540

being or to you know appear in your

869

00:40:29,010 --> 00:40:27,670

living room that sort of thing but once

870

00:40:31,260 --> 00:40:29,020

you're talking about these paranormal

871

00:40:33,720 --> 00:40:31,270

experiences it's just overwhelmed your

872

00:40:34,770 --> 00:40:33,730

life if you talk to Chris blood so he

873

00:40:37,410 --> 00:40:34,780

would tell you the same thing

874

00:40:39,570 --> 00:40:37,420

okay he you know he had these physical

875

00:40:41,250 --> 00:40:39,580

experiences and and some of them

876

00:40:43,950 --> 00:40:41,260

continued here and there mainly through

877

00:40:47,550 --> 00:40:43,960

seeing orbs and and seeing some objects

878

00:40:49,920 --> 00:40:47,560

in the sky but over the last ten years

879

00:40:51,990 --> 00:40:49,930

it's been you know numerous hundreds

880

00:40:54,420 --> 00:40:52,000

thousands of paranormal experiences okay

881

00:40:57,090 --> 00:40:54,430

that's why that's what I mean by that

882

00:40:58,769 --> 00:40:57,100

topic area and that's my case in

883

00:41:00,899 --> 00:40:58,779

everyone else's cases that

884

00:41:02,489 --> 00:41:00,909

our survey so that's number three is

885

00:41:05,609 --> 00:41:02,499

primarily a paranormal and not a

886

00:41:06,839 --> 00:41:05,619

physical experience number four and this

887

00:41:10,499 --> 00:41:06,849

as follows

888

00:41:12,929 --> 00:41:10,509

Jacques Vallee Allen Hynek Jean Mack and

889

00:41:16,169 --> 00:41:12,939

all of the UFO researchers that are in

890

00:41:19,890 --> 00:41:16,179

our organization that contact involves a

891

00:41:22,499 --> 00:41:19,900

manipulation of space-time okay all

892

00:41:24,630 --> 00:41:22,509

right and what this in turn leads to the

893

00:41:27,390 --> 00:41:24,640

possibility that is much more

894

00:41:28,229 --> 00:41:27,400

complicated than just extraterrestrial

895

00:41:30,479 --> 00:41:28,239

nuts-and-bolts

896

00:41:33,769 --> 00:41:30,489

okay and that quite possibly these

897

00:41:37,229 --> 00:41:33,779

experiences might be interdimensional

898

00:41:39,449 --> 00:41:37,239

okay with non-human intelligence popping

899

00:41:42,899 --> 00:41:39,459

in out of space-time being able to

900

00:41:46,109 --> 00:41:42,909

manipulate space-time for example taking

901
00:41:47,689 --> 00:41:46,119
you okay so many people have been taken

902
00:41:49,949 --> 00:41:47,699
out of where they were their 3d reality

903
00:41:51,959 --> 00:41:49,959
they thought that they were somewhere

904
00:41:53,880 --> 00:41:51,969
else you know for a half an hour 20

905
00:41:55,919 --> 00:41:53,890
minutes or a couple hours but yet they

906
00:41:57,689 --> 00:41:55,929
get brought back to the same radio

907
00:42:01,199 --> 00:41:57,699
interview that they were listening to in

908
00:42:05,909 --> 00:42:01,209
their car and that was my situation

909
00:42:09,239 --> 00:42:05,919
that's all free got started you're taken

910
00:42:11,039 --> 00:42:09,249
out from from a 3d reality in my case

911
00:42:14,729 --> 00:42:11,049
was the middle of a trial missing a beat

912
00:42:18,120 --> 00:42:14,739
of the radio interview okay so this is

913
00:42:21,689 --> 00:42:18,130

not just 3d extraterrestrial stuff that

914

00:42:23,999 --> 00:42:21,699

that is mainly circulating in in

915

00:42:26,069 --> 00:42:24,009

mainstream ufology so those are the four

916

00:42:27,870 --> 00:42:26,079

major findings now in terms of the

917

00:42:29,909 --> 00:42:27,880

positive aspects okay as I said before

918

00:42:31,799 --> 00:42:29,919

we ask that question numerous numerous

919

00:42:32,399 --> 00:42:31,809

times let me go over some of these

920

00:42:34,739 --> 00:42:32,409

questions

921

00:42:39,390 --> 00:42:34,749

do you want your et contact experiences

922

00:42:41,759 --> 00:42:39,400

to stop okay 84% said no do you believe

923

00:42:45,059 --> 00:42:41,769

that ETS would or non-human challenges

924

00:42:48,469 --> 00:42:45,069

are bad or malevolent only nine point

925

00:42:53,640 --> 00:42:48,479

seven percent said yes okay

926
00:42:55,769 --> 00:42:53,650
we asked have they tried to help you 62%

927
00:42:56,099 --> 00:42:55,779
said yes these beings have tried to help

928
00:42:58,469 --> 00:42:56,109
me

929
00:43:00,779 --> 00:42:58,479
66% I felt love in front of these

930
00:43:02,429 --> 00:43:00,789
non-human intelligence even when we

931
00:43:04,979 --> 00:43:02,439
looked at the specific types of beings

932
00:43:06,719 --> 00:43:04,989
the physical beings okay because part of

933
00:43:08,370 --> 00:43:06,729
the contact was physical and part was

934
00:43:10,079 --> 00:43:08,380
non-physical but even the physical

935
00:43:12,390 --> 00:43:10,089
beings that were seeing okay

936
00:43:14,490 --> 00:43:12,400
the number one type of being

937
00:43:16,620 --> 00:43:14,500
was not the small race the short race

938
00:43:21,000 --> 00:43:16,630

the number one was the energy being at

939

00:43:24,120 --> 00:43:21,010

55% human looking beings were number two

940

00:43:28,019 --> 00:43:24,130

at 52% the short greys were number three

941

00:43:32,730 --> 00:43:28,029

at 51% the ghost and spirit form that's

942

00:43:35,250 --> 00:43:32,740

at 47% okay and then the Tor Gray's or

943

00:43:37,380 --> 00:43:35,260

at 33% and then there were other

944

00:43:39,240 --> 00:43:37,390

categories but I'm gonna skip yeah just

945

00:43:41,549 --> 00:43:39,250

to jump in really quick I would not like

946

00:43:42,660 --> 00:43:41,559

that you're talking since all those

947

00:43:45,059 --> 00:43:42,670

numbers add up to more than a hundred

948

00:43:47,250 --> 00:43:45,069

percent you've got a few people in there

949

00:43:49,109 --> 00:43:47,260

that have seen multiple times yes yes

950

00:43:50,519 --> 00:43:49,119

the vast majority of people have seen

951
00:43:53,220 --> 00:43:50,529
multiple types of beings the vast

952
00:43:55,559 --> 00:43:53,230
majority I mean if you just seen one

953
00:43:58,079 --> 00:43:55,569
type of being that's a rarity like in my

954
00:43:59,880 --> 00:43:58,089
case I only saw an energy being I didn't

955
00:44:01,260 --> 00:43:59,890
see anything else and maybe a

956
00:44:02,099 --> 00:44:01,270
human-looking being but that'll be a

957
00:44:04,920 --> 00:44:02,109
story for another day

958
00:44:07,710 --> 00:44:04,930
now let me focus on the negative

959
00:44:10,680 --> 00:44:07,720
experiences okay for the energy being

960
00:44:13,170 --> 00:44:10,690
only 7% said it was negative for the

961
00:44:15,150 --> 00:44:13,180
human looking being only 5% was negative

962
00:44:18,240 --> 00:44:15,160
now why would you guess was the negative

963
00:44:19,589 --> 00:44:18,250

rate for the Evod rated short graze that

964

00:44:21,779 --> 00:44:19,599

you always see on the Internet

965

00:44:26,130 --> 00:44:21,789

carving people up with little knives and

966

00:44:27,809 --> 00:44:26,140

and taking their ovum ovaries out and

967

00:44:29,490 --> 00:44:27,819

stuff like that you know so for the

968

00:44:32,880 --> 00:44:29,500

short grace what percentage do you think

969

00:44:36,000 --> 00:44:32,890

stay there was mainly negative you set

970

00:44:38,579 --> 00:44:36,010

up to now and say ten percent roughly

971

00:44:42,480 --> 00:44:38,589

well you're very close it's 11 percent

972

00:44:43,440 --> 00:44:42,490

okay this is not one or two or three or

973

00:44:48,779 --> 00:44:43,450

four or five people

974

00:44:50,400 --> 00:44:48,789

this is 751 people okay that had

975

00:44:52,710 --> 00:44:50,410

experience in short grace now it's over

976
00:44:54,450 --> 00:44:52,720
a thousand a thousand one hundred for

977
00:44:56,359 --> 00:44:54,460
the people have taken or survey so this

978
00:44:59,789 --> 00:44:56,369
is not just a little tiny sample okay

979
00:45:01,920 --> 00:44:59,799
okay and what they're saying is now more

980
00:45:04,289 --> 00:45:01,930
than a thousand people 11 percent said

981
00:45:07,349 --> 00:45:04,299
it was mainly negative that's it okay

982
00:45:09,839 --> 00:45:07,359
now now the evil dreaded reptilians okay

983
00:45:12,539 --> 00:45:09,849
I mean the the kind that will rape your

984
00:45:16,200 --> 00:45:12,549
wife and eat your children okay the the

985
00:45:19,620 --> 00:45:16,210
ones that that President Obama was evil

986
00:45:21,299 --> 00:45:19,630
reptilian and and and you know that

987
00:45:23,460 --> 00:45:21,309
that's he's on the internet all the time

988
00:45:23,819 --> 00:45:23,470

that you see right now 22 ruling the

989

00:45:25,710 --> 00:45:23,829

world

990

00:45:29,370 --> 00:45:25,720

okay ruining the

991

00:45:31,920 --> 00:45:29,380

they're ruling the world okay these 25%

992

00:45:34,589 --> 00:45:31,930

of the people that took our survey at

993

00:45:36,510 --> 00:45:34,599

that time was 368 people now it's more

994

00:45:38,460 --> 00:45:36,520

than 500 said that they have had

995

00:45:41,790 --> 00:45:38,470

experiences with reptilians

996

00:45:44,970 --> 00:45:41,800

okay 25% that's not a small number it's

997

00:45:46,950 --> 00:45:44,980

a lot of people okay now the kinds that

998

00:45:48,810 --> 00:45:46,960

rape your wife and eat your children how

999

00:45:54,210 --> 00:45:48,820

many you think people said that was

1000

00:45:56,190 --> 00:45:54,220

negative you just said about 25% no no

1001
00:46:01,020 --> 00:45:56,200
that was how many people saw it okay

1002
00:46:03,240 --> 00:46:01,030
okay okay so 100% of that 25% what

1003
00:46:05,280 --> 00:46:03,250
percentage I'd be higher than the greys

1004
00:46:06,780 --> 00:46:05,290
I would guess maybe 15 to 20

1005
00:46:08,339 --> 00:46:06,790
okay well it's twenty three percent

1006
00:46:09,900 --> 00:46:08,349
forty three percent said that their

1007
00:46:12,240 --> 00:46:09,910
experiences were mainly negative now

1008
00:46:14,010 --> 00:46:12,250
when we went to phase three phase three

1009
00:46:16,920 --> 00:46:14,020
words people wrote out the details of

1010
00:46:18,839 --> 00:46:16,930
their experiences and we looked at the

1011
00:46:22,290 --> 00:46:18,849
people that had reptilian type of

1012
00:46:26,430 --> 00:46:22,300
experiences the vast majority of them

1013
00:46:27,930 --> 00:46:26,440

over 95% of those people stated that it

1014

00:46:31,310 --> 00:46:27,940

was negative because of what it looked

1015

00:46:34,589 --> 00:46:31,320

like not because of what it did yeah

1016

00:46:37,620 --> 00:46:34,599

okay because if you have in front of you

1017

00:46:40,320 --> 00:46:37,630

a being that seven to eight feet tall

1018

00:46:44,070 --> 00:46:40,330

that's 500 pounds it's got a crocodile

1019

00:46:46,740 --> 00:46:44,080

head and a long tail okay and it's

1020

00:46:49,560 --> 00:46:46,750

looking right at you a couple of feet

1021

00:46:53,550 --> 00:46:49,570

away from you you're gonna be defecating

1022

00:46:55,470 --> 00:46:53,560

in your pants okay it's just natural and

1023

00:46:58,740 --> 00:46:55,480

for a lot of people they might have had

1024

00:47:00,599 --> 00:46:58,750

just had that experience once okay so

1025

00:47:04,230 --> 00:47:00,609

that trauma still remains with a lot of

1026

00:47:05,940 --> 00:47:04,240

people okay and and again

1027

00:47:08,640 --> 00:47:05,950

that's not information that's

1028

00:47:10,620 --> 00:47:08,650

circulating in ufology because most of

1029

00:47:12,660 --> 00:47:10,630

the people think that these experiences

1030

00:47:15,870 --> 00:47:12,670

are were totally negative when in fact

1031

00:47:18,150 --> 00:47:15,880

sixty-six percent it was neutral what

1032

00:47:19,859 --> 00:47:18,160

these beings most of the time did was

1033

00:47:22,349 --> 00:47:19,869

just stay in front of you just look at

1034

00:47:24,750 --> 00:47:22,359

you and you looked at them and all of a

1035

00:47:28,440 --> 00:47:24,760

sudden would phase out of reality okay

1036

00:47:30,089 --> 00:47:28,450

and that's the and we also asked the

1037

00:47:32,190 --> 00:47:30,099

question as I've said before if you

1038

00:47:32,970 --> 00:47:32,200

could stop your experiences would you

1039

00:47:34,920 --> 00:47:32,980

okay

1040

00:47:37,680 --> 00:47:34,930

eighty-four percent no so if these

1041

00:47:39,480 --> 00:47:37,690

beings were just so evil so dreaded so

1042

00:47:43,530 --> 00:47:39,490

horrible why did they 84

1043

00:47:46,200 --> 00:47:43,540

said keep it coming okay okay so we

1044

00:47:48,300 --> 00:47:46,210

asked that question in like 20 different

1045

00:47:50,250 --> 00:47:48,310

ways okay that's just one different way

1046

00:47:52,290 --> 00:47:50,260

now let's look at the positive

1047

00:47:56,820 --> 00:47:52,300

transformation okay

1048

00:47:59,730 --> 00:47:56,830

overall between 75 to 85 percent because

1049

00:48:04,140 --> 00:47:59,740

we asked more than 60 questions on this

1050

00:48:06,870 --> 00:48:04,150

this topic area individuals underwent a

1051
00:48:10,710 --> 00:48:06,880
profound psychological profile change

1052
00:48:13,290 --> 00:48:10,720
for the positive okay between 73 the 85%

1053
00:48:15,800 --> 00:48:13,300
depending on the question now let me go

1054
00:48:18,359 --> 00:48:15,810
over the questions the questions were

1055
00:48:21,870 --> 00:48:18,369
since I first became interested in my

1056
00:48:24,060 --> 00:48:21,880
UFO experiences okay and then we had the

1057
00:48:26,220 --> 00:48:24,070
specific question and that I said that

1058
00:48:28,740 --> 00:48:26,230
it strongly increased increased somewhat

1059
00:48:31,230 --> 00:48:28,750
had not changed decreased somewhat or

1060
00:48:33,750 --> 00:48:31,240
Deek are strongly decreased now let's

1061
00:48:36,420 --> 00:48:33,760
look at what strongly decreased was and

1062
00:48:39,180 --> 00:48:36,430
increased somewhat okay the categories

1063
00:48:42,180 --> 00:48:39,190

that increased okay my desire to help

1064

00:48:44,040 --> 00:48:42,190

others my compassion for others my

1065

00:48:46,740 --> 00:48:44,050

appreciation of the ordinary things of

1066

00:48:49,770 --> 00:48:46,750

life my sensitivity to the suffering of

1067

00:48:52,380 --> 00:48:49,780

others okay my concern with spiritual

1068

00:48:54,960 --> 00:48:52,390

matters my desire to achieve a higher

1069

00:48:57,720 --> 00:48:54,970

state of consciousness my appreciation

1070

00:48:59,670 --> 00:48:57,730

of nature my spiritual feelings my

1071

00:49:02,280 --> 00:48:59,680

concern with the welfare of planet Earth

1072

00:49:05,040 --> 00:49:02,290

my understanding of what life is all

1073

00:49:08,250 --> 00:49:05,050

about my personal sense of purpose my

1074

00:49:11,430 --> 00:49:08,260

concern with ecological matters all of

1075

00:49:14,099 --> 00:49:11,440

these were above 80% okay in terms of in

1076
00:49:17,099 --> 00:49:14,109
terms of increased okay now let's look

1077
00:49:20,250 --> 00:49:17,109
at what decreased okay very interesting

1078
00:49:22,830 --> 00:49:20,260
but decreased my concern with material

1079
00:49:24,720 --> 00:49:22,840
things of life all of a sudden material

1080
00:49:26,730 --> 00:49:24,730
things are not important to you my

1081
00:49:30,060 --> 00:49:26,740
interest in organized religion again

1082
00:49:31,800 --> 00:49:30,070
decreased why because you moved in

1083
00:49:33,840 --> 00:49:31,810
direction of spirituality instead of

1084
00:49:36,390 --> 00:49:33,850
organized religion my competitive

1085
00:49:38,880 --> 00:49:36,400
tendencies all of a sudden you care

1086
00:49:42,660 --> 00:49:38,890
about others not squashing other people

1087
00:49:44,730 --> 00:49:42,670
my fear of death why because now you

1088
00:49:47,070 --> 00:49:44,740

become more spiritual you know that

1089

00:49:49,710 --> 00:49:47,080

you're an eternal spiritual be okay

1090

00:49:52,470 --> 00:49:49,720

fear of death was decreased by 73

1091

00:49:52,810 --> 00:49:52,480

percent my desire to become a well-known

1092

00:49:55,450 --> 00:49:52,820

per

1093

00:49:56,830 --> 00:49:55,460

okay all of a sudden you know that

1094

00:50:04,810 --> 00:49:56,840

that's not important anymore

1095

00:50:06,720 --> 00:50:04,820

okay so my question is if if almost 85%

1096

00:50:08,950 --> 00:50:06,730

of the people at Turk or surveys

1097

00:50:13,590 --> 00:50:08,960

underwent this profound psychological

1098

00:50:15,790 --> 00:50:13,600

transformation okay my perspective is

1099

00:50:17,950 --> 00:50:15,800

these beings why don't you do what

1100

00:50:20,830 --> 00:50:17,960

everyone in the world what do you have

1101
00:50:23,290 --> 00:50:20,840
contact with everyone because the person

1102
00:50:25,570 --> 00:50:23,300
that's evolved from the contact

1103
00:50:29,830 --> 00:50:25,580
experience is a person that I would want

1104
00:50:33,340 --> 00:50:29,840
is a friend a neighbor my ally okay

1105
00:50:36,520 --> 00:50:33,350
instead of human beings killing off 100

1106
00:50:38,790 --> 00:50:36,530
million people in the last century maybe

1107
00:50:42,220 --> 00:50:38,800
that could have been avoided if they

1108
00:50:45,310 --> 00:50:42,230
interacted with everyone now don't you

1109
00:50:49,270 --> 00:50:45,320
find that finding important much more

1110
00:50:54,250 --> 00:50:49,280
important than just the the the chemical

1111
00:50:56,950 --> 00:50:54,260
analysis of this new metal alloy that

1112
00:50:59,680 --> 00:50:56,960
came from a ship where are people

1113
00:51:03,340 --> 00:50:59,690

talking about this metal alloy that this

1114

00:51:05,530 --> 00:51:03,350

um that these CIA agents have okay and

1115

00:51:08,170 --> 00:51:05,540

why they're not talking about this

1116

00:51:10,080 --> 00:51:08,180

research study that talks about how

1117

00:51:14,700 --> 00:51:10,090

people have been totally transformed

1118

00:51:19,360 --> 00:51:14,710

were they a video that was circulated

1119

00:51:21,520 --> 00:51:19,370

that was put out okay and that about the

1120

00:51:25,810 --> 00:51:21,530

whole aspect that this phenomenon is

1121

00:51:27,820 --> 00:51:25,820

mainly paranormal it's not physical yes

1122

00:51:29,140 --> 00:51:27,830

what we're trying to do here we're

1123

00:51:34,320 --> 00:51:29,150

trying to cover them all you know

1124

00:51:37,960 --> 00:51:34,330

yeah sorry on that saying that you know

1125

00:51:39,370 --> 00:51:37,970

Ray for us you know you know people who

1126

00:51:40,960 --> 00:51:39,380

have been affected by the contact

1127

00:51:43,810 --> 00:51:40,970

experience you know I want to say

1128

00:51:46,150 --> 00:51:43,820

sometimes you almost take for granted

1129

00:51:48,130 --> 00:51:46,160

our experience not not an over way but

1130

00:51:49,840 --> 00:51:48,140

it's easy for us to make that leap and

1131

00:51:52,480 --> 00:51:49,850

understand that there's there's deeper

1132

00:51:56,050 --> 00:51:52,490

foundation of truth and and you know

1133

00:51:58,840 --> 00:51:56,060

that's really where the the

1134

00:52:02,110 --> 00:51:58,850

transformation comes from but some of

1135

00:52:03,640 --> 00:52:02,120

these people you know that analysis of

1136

00:52:06,070 --> 00:52:03,650

materials that's their kick in the

1137

00:52:06,730 --> 00:52:06,080

behind to say oh wait hold on wait maybe

1138

00:52:08,740 --> 00:52:06,740

there is something

1139

00:52:11,200 --> 00:52:08,750

because that you know that the contact

1140

00:52:14,109 --> 00:52:11,210

experience is the the paradigm shift

1141

00:52:16,470 --> 00:52:14,119

that's the the cosmic iOpener that's

1142

00:52:19,330 --> 00:52:16,480

really gonna you know and dr. John Mack

1143

00:52:22,060 --> 00:52:19,340

had comments on that you know the

1144

00:52:24,340 --> 00:52:22,070

passport to the cosmos when you have one

1145

00:52:26,620 --> 00:52:24,350

of these experiences you don't just have

1146

00:52:28,600 --> 00:52:26,630

a UFO sighting first of all number one

1147

00:52:30,970 --> 00:52:28,610

is that sighting of random probably not

1148

00:52:33,910 --> 00:52:30,980

number two you're opened up to the

1149

00:52:35,740 --> 00:52:33,920

contact modalities now you know yeah so

1150

00:52:37,630 --> 00:52:35,750

you know weather and and and whether you

1151

00:52:39,430 --> 00:52:37,640

have a near-death experience person than

1152

00:52:41,680 --> 00:52:39,440

the UFO sighting and then the psychic

1153

00:52:44,350 --> 00:52:41,690

phenomenon experience you know what

1154

00:52:45,370 --> 00:52:44,360

you're gonna have all these so it's it's

1155

00:52:47,830 --> 00:52:45,380

not just like you're gonna have one of

1156

00:52:50,290 --> 00:52:47,840

the other so it's kind of easy it's easy

1157

00:52:54,190 --> 00:52:50,300

for us so I still have a deep compassion

1158

00:52:57,040 --> 00:52:54,200

for people who who need to see these

1159

00:52:59,560 --> 00:52:57,050

metal analysis is because you know I

1160

00:53:00,910 --> 00:52:59,570

know that you know they need they need

1161

00:53:02,590 --> 00:53:00,920

that for a reason they've been

1162

00:53:04,180 --> 00:53:02,600

conditioned they've been brought up to

1163

00:53:06,280 --> 00:53:04,190

believe you know I don't hold that

1164

00:53:08,250 --> 00:53:06,290

against them so you know I think the

1165

00:53:11,730 --> 00:53:08,260

best thing we can do you know is

1166

00:53:14,530 --> 00:53:11,740

continue to keep plugging away yeah yeah

1167

00:53:17,740 --> 00:53:14,540

but also I you know I I still have a

1168

00:53:19,450 --> 00:53:17,750

great appreciation for people working on

1169

00:53:22,960 --> 00:53:19,460

the materialist again because honestly

1170

00:53:26,410 --> 00:53:22,970

we needed that we need every everything

1171

00:53:29,500 --> 00:53:26,420

that we can get yeah as you know James

1172

00:53:31,690 --> 00:53:29,510

if you are an experienter for example

1173

00:53:34,359 --> 00:53:31,700

and here you are you know you're

1174

00:53:36,490 --> 00:53:34,369

meditating calling down to see non-human

1175

00:53:39,340 --> 00:53:36,500

intelligence and then 15 minutes later

1176

00:53:55,660 --> 00:53:39,350

it shows up okay you know that this

1177

00:53:57,370 --> 00:53:55,670

material is paradigm and I think even

1178

00:53:59,050 --> 00:53:57,380

you know we have this consciousness

1179

00:54:00,310 --> 00:53:59,060

aspect and the consciousness end of this

1180

00:54:03,820 --> 00:54:00,320

stuff which is really the heart of

1181

00:54:05,349 --> 00:54:03,830

everything and I have a strong have a

1182

00:54:06,940 --> 00:54:05,359

strong belief that you know

1183

00:54:10,120 --> 00:54:06,950

consciousness you know it plays out in

1184

00:54:12,070 --> 00:54:10,130

its own way in maybe some kind of

1185

00:54:15,970 --> 00:54:12,080

pattern or design or intelligence and

1186

00:54:17,710 --> 00:54:15,980

that everything you know you know even

1187

00:54:20,559 --> 00:54:17,720

the deepest parts of consciousness and

1188

00:54:22,209 --> 00:54:20,569

manifestation and how everything unfolds

1189

00:54:27,449 --> 00:54:22,219

there's like you know there's a

1190

00:54:30,819 --> 00:54:27,459

scientific method to that you know and I

1191

00:54:33,370 --> 00:54:30,829

think that that's that's still a almost

1192

00:54:35,169 --> 00:54:33,380

just as important yeah well that's what

1193

00:54:36,579 --> 00:54:35,179

we're gonna be talking about in our

1194

00:54:39,909 --> 00:54:36,589

volume two and hopefully I'll have some

1195

00:54:42,400 --> 00:54:39,919

time in the show to be able to focus on

1196

00:54:44,799 --> 00:54:42,410

that because that that's where the field

1197

00:54:46,179 --> 00:54:44,809

needs to move towards but let me just

1198

00:54:48,909 --> 00:54:46,189

finished I went over the positive

1199

00:54:51,489 --> 00:54:48,919

aspects I went over the transformational

1200

00:54:56,709 --> 00:54:51,499

aspects and let me go over the the

1201
00:54:58,509 --> 00:54:56,719
paranormal aspects for example um we've

1202
00:55:01,419 --> 00:54:58,519
had let me go over some of these

1203
00:55:04,959 --> 00:55:01,429
questions here okay

1204
00:55:06,729 --> 00:55:04,969
we asked goodness about 50 questions

1205
00:55:11,109 --> 00:55:06,739
that dealt with paranormal aspects of

1206
00:55:14,349 --> 00:55:11,119
the phenomenon okay and again these are

1207
00:55:17,349 --> 00:55:14,359
mind-blowing responses okay for people

1208
00:55:20,679 --> 00:55:17,359
that are in this field the mainstream

1209
00:55:22,779 --> 00:55:20,689
field okay but the research they know

1210
00:55:25,179 --> 00:55:22,789
that this is taking place okay for

1211
00:55:26,589 --> 00:55:25,189
example 80 percent eat out of ten of

1212
00:55:28,419 --> 00:55:26,599
these individuals that took our survey

1213
00:55:31,599 --> 00:55:28,429

stating I have stated they've had an

1214

00:55:34,630 --> 00:55:31,609

out-of-body experience okay 37 percent

1215

00:55:36,370 --> 00:55:34,640

had a near-death experience medical

1216

00:55:38,579 --> 00:55:36,380

healings and that's the chapter in our

1217

00:55:41,229 --> 00:55:38,589

book that dr. Joseph book our Brooks

1218

00:55:45,039 --> 00:55:41,239

Burke's our wrote with our Preston

1219

00:55:46,929 --> 00:55:45,049

Dennett okay 50% 50% of the people

1220

00:55:47,439 --> 00:55:46,939

stated that they or a member of their

1221

00:55:50,140 --> 00:55:47,449

family

1222

00:55:52,749 --> 00:55:50,150

have had a medical healing but not by

1223

00:55:57,370 --> 00:55:52,759

non-human intelligence okay the question

1224

00:55:59,349 --> 00:55:57,380

of of did you experience involve some

1225

00:56:01,839 --> 00:55:59,359

type of telepathic communication or

1226
00:56:03,519 --> 00:56:01,849
thought transference or direct knowing

1227
00:56:07,120 --> 00:56:03,529
being given to you by non-human

1228
00:56:09,099 --> 00:56:07,130
intelligence 78% it's almost 8 out of 10

1229
00:56:11,679 --> 00:56:09,109
people and you know if you do feel

1230
00:56:13,689 --> 00:56:11,689
contact work you get that all the time

1231
00:56:14,890 --> 00:56:13,699
oh they just gave this thing this

1232
00:56:17,380 --> 00:56:14,900
thought to me or I've gotten this

1233
00:56:19,569 --> 00:56:17,390
information you know and and a lot of it

1234
00:56:22,929 --> 00:56:19,579
was very direct like like either a voice

1235
00:56:23,829 --> 00:56:22,939
or or information or a thought that was

1236
00:56:26,469 --> 00:56:23,839
put right into you

1237
00:56:28,089 --> 00:56:26,479
as I said before 50% of these

1238
00:56:33,549 --> 00:56:28,099

individuals have been brought to a

1239

00:56:34,150 --> 00:56:33,559

matrix reality 50% okay 66% have had a

1240

00:56:38,890 --> 00:56:34,160

past

1241

00:56:41,920 --> 00:56:38,900

memory the people that have seen a ghost

1242

00:56:43,630 --> 00:56:41,930

or a spirit 76% almost a dot

1243

00:56:45,640 --> 00:56:43,640

three-quarters of other people three out

1244

00:56:46,870 --> 00:56:45,650

of four people have seen a ghost or a

1245

00:56:50,110 --> 00:56:46,880

spirit okay

1246

00:56:53,380 --> 00:56:50,120

46% of these individuals have received

1247

00:56:56,470 --> 00:56:53,390

the glimpse of heaven or what might be

1248

00:56:58,270 --> 00:56:56,480

called the spirit world seen not via a

1249

00:57:02,880 --> 00:56:58,280

picture not be a photo but direct

1250

00:57:06,280 --> 00:57:02,890

physically Cina a small colored orb 67%

1251

00:57:09,670 --> 00:57:06,290

okay two out of three people objects

1252

00:57:11,920 --> 00:57:09,680

materially mysteriously appear in right

1253

00:57:14,080 --> 00:57:11,930

in front of you and those are called

1254

00:57:17,230 --> 00:57:14,090

eight ports in the parapsychology field

1255

00:57:19,660 --> 00:57:17,240

okay 25% one out of four people have had

1256

00:57:22,690 --> 00:57:19,670

objects materially appear right in front

1257

00:57:25,390 --> 00:57:22,700

of them okay objects that have fallen or

1258

00:57:28,530 --> 00:57:25,400

suddenly moved around your house without

1259

00:57:31,360 --> 00:57:28,540

any reasonable explanation 61 percent

1260

00:57:33,880 --> 00:57:31,370

individuals that can see energy or auras

1261

00:57:35,950 --> 00:57:33,890

around other people seventy four percent

1262

00:57:37,660 --> 00:57:35,960

and that's very common with both people

1263

00:57:39,970 --> 00:57:37,670

that came back from a near-death

1264

00:57:42,700 --> 00:57:39,980

experience and people that came came

1265

00:57:45,640 --> 00:57:42,710

back from these matrix realities okay

1266

00:57:48,190 --> 00:57:45,650

they're able to see energy auras they

1267

00:57:51,760 --> 00:57:48,200

become energy healers total

1268

00:57:53,800 --> 00:57:51,770

transformation 49 percent of these

1269

00:57:56,380 --> 00:57:53,810

people have seen their bodies out in

1270

00:57:57,520 --> 00:57:56,390

space leaving earth all of a sudden

1271

00:57:58,750 --> 00:57:57,530

you're looking at the earth and you're

1272

00:58:02,530 --> 00:57:58,760

like flying away from it

1273

00:58:05,230 --> 00:58:02,540

half the people okay forty percent seven

1274

00:58:09,340 --> 00:58:05,240

percent have met and conversed with a

1275

00:58:10,710 --> 00:58:09,350

deceased person okay twenty-nine percent

1276

00:58:13,690 --> 00:58:10,720

have channeled our non-human

1277

00:58:16,060 --> 00:58:13,700

intelligence sixty percent have

1278

00:58:19,510 --> 00:58:16,070

repeatedly experienced objects moving in

1279

00:58:21,400 --> 00:58:19,520

their home 47 percent have I've seen

1280

00:58:23,770 --> 00:58:21,410

what can be considered shadow people in

1281

00:58:25,720 --> 00:58:23,780

their homes and as beings that look

1282

00:58:27,700 --> 00:58:25,730

cloudy human-like that streak across

1283

00:58:30,820 --> 00:58:27,710

their home I remember speaking to Chris

1284

00:58:33,130 --> 00:58:30,830

and his wife and they've seen it I've

1285

00:58:34,840 --> 00:58:33,140

seen it in my house as well the matter

1286

00:58:37,200 --> 00:58:34,850

type one time we were in a Skype call

1287

00:58:40,930 --> 00:58:37,210

that had a camera and we had one lady

1288

00:58:42,580 --> 00:58:40,940

from Canada and another lady

1289

00:58:44,530 --> 00:58:42,590

they were both volunteers for our

1290

00:58:48,329 --> 00:58:44,540

support group and one of the ladies

1291

00:58:52,750 --> 00:58:51,190

because this shadow person just went

1292

00:58:56,319 --> 00:58:52,760

right behind me and went right through

1293

00:58:57,700 --> 00:58:56,329

the glass door okay and so I said that's

1294

00:59:00,069 --> 00:58:57,710

just a shadow person don't worry about

1295

00:59:04,329 --> 00:59:00,079

it you know it's everything is cool you

1296

00:59:08,230 --> 00:59:04,339

know don't freak out you know and now in

1297

00:59:10,000 --> 00:59:08,240

terms of physically seen an orb 66% of

1298

00:59:13,540 --> 00:59:10,010

the people that I've seen the orb said

1299

00:59:16,180 --> 00:59:13,550

it was inside their home okay see 46%

1300

00:59:19,510 --> 00:59:16,190

saw the orb go through an object such as

1301

00:59:23,650 --> 00:59:19,520

a wall and 82% believe that these orbs

1302

00:59:25,720 --> 00:59:23,660

or conscious intelligence and this is an

1303

00:59:28,030 --> 00:59:25,730

example what I'm telling you of how the

1304

00:59:30,190 --> 00:59:28,040

vast majority of these experiences are

1305

00:59:33,089 --> 00:59:30,200

primarily paranormal because they don't

1306

00:59:35,200 --> 00:59:33,099

accrue once they accrue multiple times

1307

00:59:37,540 --> 00:59:35,210

like when you're seeing orbs you're

1308

00:59:40,089 --> 00:59:37,550

seeing these orbs tons of times when

1309

00:59:42,460 --> 00:59:40,099

you're getting telepathic communications

1310

00:59:43,990 --> 00:59:42,470

it's not just once it's tons of times

1311

00:59:45,819 --> 00:59:44,000

okay

1312

00:59:47,200 --> 00:59:45,829

the out-of-body experience is once

1313

00:59:49,000 --> 00:59:47,210

you've had contact we're not even

1314

00:59:53,140 --> 00:59:49,010

telogen all of a sudden you begin having

1315

00:59:55,839 --> 00:59:53,150

OBEs not once but many times okay

1316

00:59:57,339 --> 00:59:55,849

the other thing is we can go over a

1317

00:59:58,720 --> 00:59:57,349

whole lot of thematic topic areas you

1318

01:00:01,870 --> 00:59:58,730

guys let me know what your interested

1319

01:00:03,609 --> 01:00:01,880

one somatic topic area is what has been

1320

01:00:05,980 --> 01:00:03,619

the information that they've received

1321

01:00:07,690 --> 01:00:05,990

from non-human intelligence we even have

1322

01:00:10,030 --> 01:00:07,700

a whole section on the physical

1323

01:00:14,040 --> 01:00:10,040

experiences the abduction type of

1324

01:00:16,680 --> 01:00:14,050

experiences we have another question on

1325

01:00:20,230 --> 01:00:16,690

series of questions related to

1326

01:00:23,470 --> 01:00:20,240

experiences onboard a UFO

1327

01:00:25,990 --> 01:00:23,480

let me see we have well yeah I'm not

1328

01:00:27,790 --> 01:00:26,000

really curious about what the folks are

1329

01:00:30,040 --> 01:00:27,800

getting in terms of you were talking

1330

01:00:32,800 --> 01:00:30,050

about some downloads in the area of a

1331

01:00:35,680 --> 01:00:32,810

science and technology there's anything

1332

01:00:37,900 --> 01:00:35,690

in that information look interesting yes

1333

01:00:40,150 --> 01:00:37,910

let me look at that the information

1334

01:00:42,160 --> 01:00:40,160

that's received we've had 80% of the

1335

01:00:43,270 --> 01:00:42,170

people have received direct

1336

01:00:46,450 --> 01:00:43,280

communications from non-human

1337

01:00:50,140 --> 01:00:46,460

intelligence let me see in terms of the

1338

01:00:52,200 --> 01:00:50,150

science related type of stuff well just

1339

01:00:56,260 --> 01:00:52,210

75 percent was in their native language

1340

01:00:59,290 --> 01:00:56,270

61 percent 54 percent were spiritual

1341

01:01:00,490 --> 01:00:59,300

messages 54 percent were messages of

1342

01:01:03,670 --> 01:01:00,500

love and oneness

1343

01:01:07,240 --> 01:01:03,680

45% were regarding her humanities

1344

01:01:10,570 --> 01:01:07,250

behavior environment environmental

1345

01:01:14,620 --> 01:01:10,580

messages was 39% science and physics

1346

01:01:17,020 --> 01:01:14,630

related messages and Technology 42% very

1347

01:01:21,790 --> 01:01:17,030

large number or science and physics

1348

01:01:24,790 --> 01:01:21,800

related messages messages regarding the

1349

01:01:27,160 --> 01:01:24,800

parallel universes the multiverse 31%

1350

01:01:33,130 --> 01:01:27,170

messages about God or a universal

1351
01:01:36,010 --> 01:01:33,140
creator 31% about the death process 30%

1352
01:01:39,089 --> 01:01:36,020
were told about what death is like the

1353
01:01:41,400 --> 01:01:39,099
concept of time 30%

1354
01:01:44,710 --> 01:01:41,410
let me see their mission here on earth

1355
01:01:46,599 --> 01:01:44,720
29% did the ETS provide you with that

1356
01:01:50,050 --> 01:01:46,609
information about science topic that was

1357
01:01:52,300 --> 01:01:50,060
not physics related so it was 28% so

1358
01:01:54,130 --> 01:01:52,310
majority of the science related type of

1359
01:01:56,920 --> 01:01:54,140
questions were physics related that's 40

1360
01:01:58,990 --> 01:01:56,930
42 percent involved you know science and

1361
01:02:01,390 --> 01:01:59,000
physics now to those twenty eight

1362
01:02:05,890 --> 01:02:01,400
percent were science related but they

1363
01:02:07,990 --> 01:02:05,900

did not deal with physics reincarnation

1364

01:02:12,250 --> 01:02:08,000

26 percent were told about reincarnation

1365

01:02:18,220 --> 01:02:12,260

and agreement okay with these beings 26

1366

01:02:22,320 --> 01:02:18,230

percent okay I mean those were just some

1367

01:02:27,579 --> 01:02:25,599

if I'm interrupting you I just wanted to

1368

01:02:31,180 --> 01:02:27,589

you know obviously you've had your own

1369

01:02:33,160 --> 01:02:31,190

experiences so you know you have a kind

1370

01:02:35,170 --> 01:02:33,170

of a strong footing in this but you know

1371

01:02:38,710 --> 01:02:35,180

going from that point from when you had

1372

01:02:42,130 --> 01:02:38,720

your own experience you know ton of

1373

01:02:45,520 --> 01:02:42,140

experiences obviously to the academic

1374

01:02:47,500 --> 01:02:45,530

study what was one of the most

1375

01:02:50,620 --> 01:02:47,510

interesting things or surprising things

1376
01:02:53,520 --> 01:02:50,630
that you found or discovered you know

1377
01:02:56,260 --> 01:02:53,530
after seeing so many of these results

1378
01:02:59,440 --> 01:02:56,270
well it wasn't just me we're talking

1379
01:03:01,030 --> 01:02:59,450
about the whole team okay yeah we're

1380
01:03:02,680 --> 01:03:01,040
talking about you know Kathy Martin

1381
01:03:05,170 --> 01:03:02,690
that's been this for 30 years

1382
01:03:07,450 --> 01:03:05,180
mary rod well for more than 30 years Leo

1383
01:03:10,240 --> 01:03:07,460
sprinkle 50 years okay

1384
01:03:11,710 --> 01:03:10,250
they knew that much of this had been

1385
01:03:14,050 --> 01:03:11,720
going on but they never had the data

1386
01:03:15,880 --> 01:03:14,060
okay for example they were

1387
01:03:18,490 --> 01:03:15,890
only surprised that 80% were having

1388
01:03:20,980 --> 01:03:18,500

out-of-body experiences okay okay okay

1389

01:03:23,260 --> 01:03:20,990

they were totally surprised that 50% had

1390

01:03:25,360 --> 01:03:23,270

medical healings I mean you hear these

1391

01:03:27,820 --> 01:03:25,370

stories and pressed and then it wrote a

1392

01:03:31,330 --> 01:03:27,830

book 20 years ago titled UFO healings

1393

01:03:32,770 --> 01:03:31,340

and that was 200 cases and but you

1394

01:03:38,920 --> 01:03:32,780

didn't know it was so large it was like

1395

01:03:41,050 --> 01:03:38,930

half the people okay and you know the

1396

01:03:42,430 --> 01:03:41,060

the near-death experiences we know that

1397

01:03:45,100 --> 01:03:42,440

a lot of experiences had near-death

1398

01:03:47,680 --> 01:03:45,110

experiences but we didn't know was 37%

1399

01:03:49,810 --> 01:03:47,690

but what we found out was that the NDE

1400

01:03:56,140 --> 01:03:49,820

for many many people was like a

1401
01:03:56,800 --> 01:03:56,150
triggering mechanism all of a sudden the

1402
01:04:00,610 --> 01:03:56,810
sikraft

1403
01:04:02,230 --> 01:04:00,620
you know what my question is okay all of

1404
01:04:04,780 --> 01:04:02,240
these materialists they said there's

1405
01:04:06,760 --> 01:04:04,790
nothing to do with this you know seeing

1406
01:04:09,010 --> 01:04:06,770
a physical craft and and near-death

1407
01:04:11,140 --> 01:04:09,020
experiences you're having a life review

1408
01:04:13,660 --> 01:04:11,150
that has nothing to do with the physical

1409
01:04:17,710 --> 01:04:13,670
gray taking out your ovaries okay yes

1410
01:04:20,380 --> 01:04:17,720
and and so well the data is telling us

1411
01:04:21,760 --> 01:04:20,390
you know otherwise now if we would have

1412
01:04:23,980 --> 01:04:21,770
known this stuff we would have just

1413
01:04:28,150 --> 01:04:23,990

added a lot of additional questions and

1414

01:04:30,670 --> 01:04:28,160

for example do additional questions

1415

01:04:33,490 --> 01:04:30,680

regarding in terms of when the the

1416

01:04:34,750 --> 01:04:33,500

near-death experiences start when did

1417

01:04:38,500 --> 01:04:34,760

you first see the UFO

1418

01:04:40,330 --> 01:04:38,510

did your the UFO contact experiences

1419

01:04:43,870 --> 01:04:40,340

increase and how much that increase

1420

01:04:45,610 --> 01:04:43,880

after an NDE okay but these are the

1421

01:04:48,850 --> 01:04:45,620

issues that we found out subsequently

1422

01:04:50,500 --> 01:04:48,860

afterwards okay okay but we were able to

1423

01:04:53,950 --> 01:04:50,510

find out a lot of this through the

1424

01:04:57,070 --> 01:04:53,960

writings in phase three but again we're

1425

01:04:59,500 --> 01:04:57,080

not able to document the numbers that we

1426

01:05:01,660 --> 01:04:59,510

just know that it's a trigger that the

1427

01:05:03,670 --> 01:05:01,670

nd has been a trigger but many of the

1428

01:05:06,040 --> 01:05:03,680

researchers knew that n DS were triggers

1429

01:05:08,590 --> 01:05:06,050

but they were neighbor never able to

1430

01:05:12,490 --> 01:05:08,600

quantify so a lot of the paranormal

1431

01:05:15,460 --> 01:05:12,500

stuff we knew that it was oh the other

1432

01:05:17,950 --> 01:05:15,470

thing the matrix reality okay we had no

1433

01:05:21,580 --> 01:05:17,960

idea that being brought to our matrix

1434

01:05:24,550 --> 01:05:21,590

reality was almost double the number of

1435

01:05:27,770 --> 01:05:24,560

people that have had abductions because

1436

01:05:29,990 --> 01:05:27,780

most of these folks they meet people

1437

01:05:32,390 --> 01:05:30,000

regarding an abduction they're there

1438

01:05:34,400 --> 01:05:32,400

they're petrified they're scared so they

1439

01:05:37,760 --> 01:05:34,410

go to Mary rod well will he go to Denis

1440

01:05:39,440 --> 01:05:37,770

stoner and they they they talk about it

1441

01:05:41,150 --> 01:05:39,450

and and what's circulating on the

1442

01:05:45,470 --> 01:05:41,160

Internet and again this is what the

1443

01:05:47,180 --> 01:05:45,480

internet does you have an experience and

1444

01:05:50,900 --> 01:05:47,190

then you go to an internet for answers

1445

01:05:54,110 --> 01:05:50,910

okay after you read a hundred abduction

1446

01:05:57,260 --> 01:05:54,120

abduction stories and you go to David

1447

01:05:58,940 --> 01:05:57,270

Jacobs okay Jacobs might lead you in a

1448

01:06:00,530 --> 01:05:58,950

certain direction all of a sudden you're

1449

01:06:03,500 --> 01:06:00,540

talking about abduction abduction that

1450

01:06:05,420 --> 01:06:03,510

abduction everything okay so but by

1451

01:06:07,580 --> 01:06:05,430

actually going to the internet for a lot

1452

01:06:10,550 --> 01:06:07,590

of people does a lot of disservice okay

1453

01:06:13,130 --> 01:06:10,560

now what's totally struck the number of

1454

01:06:15,890 --> 01:06:13,140

all of our research was how many people

1455

01:06:19,730 --> 01:06:15,900

actually were brought to this matrix

1456

01:06:23,270 --> 01:06:19,740

reality this is this again is we did the

1457

01:06:26,060 --> 01:06:23,280

cut off at 3200 but now we have more

1458

01:06:30,380 --> 01:06:26,070

than 4500 people that have answered our

1459

01:06:32,060 --> 01:06:30,390

surveys so this was as of April of 2017

1460

01:06:34,700 --> 01:06:32,070

because that's when we began to

1461

01:06:36,830 --> 01:06:34,710

publicize our data once we publicize our

1462

01:06:38,570 --> 01:06:36,840

data then we cut down you know we shut

1463

01:06:40,670 --> 01:06:38,580

off the survey I mean people are still

1464

01:06:45,280 --> 01:06:40,680

answering their surveys but we didn't

1465

01:06:48,740 --> 01:06:45,290

counted okay now as of that time we had

1466

01:06:50,690 --> 01:06:48,750

489 people that had abduction related

1467

01:06:53,930 --> 01:06:50,700

experiences and that's a force taking

1468

01:06:56,330 --> 01:06:53,940

without their consent but we had 749

1469

01:06:59,360 --> 01:06:56,340

people that were brought to these matrix

1470

01:07:02,720 --> 01:06:59,370

realities okay what we discovered was

1471

01:07:06,200 --> 01:07:02,730

that only one-third of the people had an

1472

01:07:08,000 --> 01:07:06,210

abduction yet two-thirds did not have an

1473

01:07:11,330 --> 01:07:08,010

abduction so that means that all these

1474

01:07:13,580 --> 01:07:11,340

previous abduction related studies they

1475

01:07:18,500 --> 01:07:13,590

were totally missed what we found out

1476

01:07:21,410 --> 01:07:18,510

that the type of beings that people were

1477

01:07:24,710 --> 01:07:21,420

interacting with in these matrix type of

1478

01:07:27,470 --> 01:07:24,720

realities was primarily the energy being

1479

01:07:30,320 --> 01:07:27,480

and the human and the human looking beam

1480

01:07:32,540 --> 01:07:30,330

and for two-thirds of these people their

1481

01:07:35,060 --> 01:07:32,550

consciousness was separated from their

1482

01:07:36,560 --> 01:07:35,070

body okay yeah it wasn't like their

1483

01:07:39,260 --> 01:07:36,570

their body was taken it was their

1484

01:07:41,030 --> 01:07:39,270

consciousness was taken okay

1485

01:07:42,440 --> 01:07:41,040

and and and

1486

01:07:45,320 --> 01:07:42,450

again what we don't understand is

1487

01:07:46,640 --> 01:07:45,330

whether time was stopped for the people

1488

01:07:48,950 --> 01:07:46,650

all around you like for example in that

1489

01:07:51,440 --> 01:07:48,960

traffic jam that I was in my car okay

1490

01:07:54,860 --> 01:07:51,450

yeah maybe time stopped for everybody

1491

01:07:56,900 --> 01:07:54,870

else and they took my my my body out of

1492

01:07:59,690 --> 01:07:56,910

my consciousness out or both you know

1493

01:08:01,970 --> 01:07:59,700

and and then they brought me back

1494

01:08:03,920 --> 01:08:01,980

you know because time had stopped you

1495

01:08:06,320 --> 01:08:03,930

you know we read hundreds of these types

1496

01:08:09,530 --> 01:08:06,330

of stories you know where they were

1497

01:08:12,260 --> 01:08:09,540

taken out and and again it was outside

1498

01:08:14,660 --> 01:08:12,270

of space-time now in this matrix reality

1499

01:08:17,809 --> 01:08:14,670

56 percent stated that their thoughts

1500

01:08:20,030 --> 01:08:17,819

were sped up seventy-five percent stated

1501

01:08:23,150 --> 01:08:20,040

that their senses were more vivid than

1502

01:08:25,970 --> 01:08:23,160

usual forty-nine percent stated that in

1503

01:08:29,030 --> 01:08:25,980

this reality time stopped or was slowed

1504

01:08:32,180 --> 01:08:29,040

down significantly slowed down 55

1505

01:08:35,390 --> 01:08:32,190

percent felt that they were united or

1506

01:08:37,340 --> 01:08:35,400

one with the world thirty eight percent

1507

01:08:39,020 --> 01:08:37,350

stated that the suddenly seemed to

1508

01:08:41,420 --> 01:08:39,030

understand everything about the universe

1509

01:08:44,480 --> 01:08:41,430

okay and that's what happened to Edgar

1510

01:08:49,220 --> 01:08:44,490

Mitchell okay he had an experience where

1511

01:08:54,590 --> 01:08:49,230

all of a sudden he had you know Ray

1512

01:08:57,050 --> 01:08:54,600

you're dropping off Ray Ray Ray you

1513

01:08:58,520 --> 01:08:57,060

dropped off hello yeah you dropped off

1514

01:09:03,320 --> 01:08:58,530

as you're talking about Edgar Mitchell's

1515

01:09:07,010 --> 01:09:03,330

experience Edgar Mitchell

1516

01:09:09,860 --> 01:09:07,020

dr. Mitchell yes that he had his own

1517

01:09:14,000 --> 01:09:09,870

experience out in space where he was

1518

01:09:16,700 --> 01:09:14,010

given all all knowledge that we are all

1519

01:09:19,010 --> 01:09:16,710

united that we're all one okay and

1520

01:09:20,570 --> 01:09:19,020

that's what led him to found the

1521

01:09:22,250 --> 01:09:20,580

Institute for noetic Sciences because he

1522

01:09:25,160 --> 01:09:22,260

wanted to find out what happened to him

1523

01:09:27,740 --> 01:09:25,170

and what he realized later after

1524

01:09:30,470 --> 01:09:27,750

inquiring with so many individuals was

1525

01:09:32,930 --> 01:09:30,480

they had a samadhi experience a samadhi

1526

01:09:36,530 --> 01:09:32,940

experience and that was when you're

1527

01:09:39,650 --> 01:09:36,540

given universal knowledge and in this

1528

01:09:42,380 --> 01:09:39,660

matrix reality 83% stated that this

1529

01:09:45,170 --> 01:09:42,390

experience was very very real just as

1530

01:09:47,270 --> 01:09:45,180

quote-unquote just as real or normal as

1531

01:09:52,160 --> 01:09:47,280

speaking with a family member next to

1532

01:09:54,400 --> 01:09:52,170

you okay so and then this matrix reality

1533

01:09:56,530 --> 01:09:54,410

the the human looking being well

1534

01:09:58,540 --> 01:09:56,540

the number one type of being the ghost

1535

01:10:03,040 --> 01:09:58,550

and spirit type of beings and the energy

1536

01:10:05,170 --> 01:10:03,050

beings were the main beings in this also

1537

01:10:07,780 --> 01:10:05,180

the spirit world and spirituality that's

1538

01:10:10,780 --> 01:10:07,790

another major topic that mainstream

1539

01:10:11,980 --> 01:10:10,790

ufology does not talk about ninety seven

1540

01:10:13,150 --> 01:10:11,990

percent believe that non-human

1541

01:10:15,430 --> 01:10:13,160

intelligence can travel to other

1542

01:10:17,530 --> 01:10:15,440

dimensions ninety-one percent believed

1543

01:10:19,480 --> 01:10:17,540

that there's a grand plan in motion and

1544

01:10:21,280 --> 01:10:19,490

that experiences RuPaul of it

1545

01:10:22,450 --> 01:10:21,290

eighty-nine percent believe that there

1546

01:10:24,480 --> 01:10:22,460

is a connection between non-human

1547

01:10:26,440 --> 01:10:24,490

intelligence and the paranormal

1548

01:10:27,430 --> 01:10:26,450

eighty-three percent said that there's a

1549

01:10:30,340 --> 01:10:27,440

connection between non-human

1550

01:10:34,960 --> 01:10:30,350

intelligence and the spirit world okay

1551

01:10:37,240 --> 01:10:34,970

now what the beings told them okay

1552

01:10:38,580 --> 01:10:37,250

thirty one percent were given a message

1553

01:10:42,130 --> 01:10:38,590

about God

1554

01:10:45,220 --> 01:10:42,140

thirty percent were told about the death

1555

01:10:46,660 --> 01:10:45,230

process and the spirit world twenty-six

1556

01:10:49,450 --> 01:10:46,670

percent were given a message about

1557

01:10:51,270 --> 01:10:49,460

reincarnation twenty five percent were

1558

01:10:54,460 --> 01:10:51,280

told about their mission here on earth

1559

01:10:57,370 --> 01:10:54,470

twenty five percent were shown how to do

1560

01:10:59,170 --> 01:10:57,380

energy work twenty four percent were

1561

01:11:02,470 --> 01:10:59,180

told by non-human intelligence about

1562

01:11:04,030 --> 01:11:02,480

their past life now all this in terms of

1563

01:11:06,400 --> 01:11:04,040

the spirituality aspects of this

1564

01:11:08,830 --> 01:11:06,410

phenomenon and the matrix reality of

1565

01:11:10,780 --> 01:11:08,840

this phenomenon leads me to what you had

1566

01:11:13,540 --> 01:11:10,790

mentioned dr. John Mac in his book

1567

01:11:16,180 --> 01:11:13,550

passport to the cosmos human

1568

01:11:19,210 --> 01:11:16,190

transformation and alien encounters he

1569

01:11:21,040 --> 01:11:19,220

stated in his book quote people know

1570

01:11:23,530 --> 01:11:21,050

their experiences and what they have

1571

01:11:27,190 --> 01:11:23,540

undergone does not fit with the

1572

01:11:30,010 --> 01:11:27,200

prevailing mechanistic world view large

1573

01:11:33,700 --> 01:11:30,020

percentages of people seem to know there

1574

01:11:37,890 --> 01:11:33,710

is an unseen world or hidden dimensions

1575

01:11:41,290 --> 01:11:37,900

of reality okay and that's where

1576

01:11:44,350 --> 01:11:41,300

mainstream ufology needs to go to okay

1577

01:11:48,030 --> 01:11:44,360

it needs to follow to where dr. John

1578

01:11:50,050 --> 01:11:48,040

Mack was going towards before he was

1579

01:11:52,330 --> 01:11:50,060

before he was killed

1580

01:11:53,350 --> 01:11:52,340

you know before his time but that's

1581

01:11:55,780 --> 01:11:53,360

where he was going

1582

01:11:58,840 --> 01:11:55,790

dr. Rudy Shields was a very very dear

1583

01:12:02,020 --> 01:11:58,850

friend of dr. John Mack okay Edgar

1584

01:12:04,330 --> 01:12:02,030

Mitchell also knew dr. Mack very well

1585

01:12:06,700 --> 01:12:04,340

Dennis briefer was a member of our board

1586

01:12:07,550 --> 01:12:06,710

of directors is actually was the

1587

01:12:11,330 --> 01:12:07,560

director of the

1588

01:12:15,710 --> 01:12:11,340

Mack Institute dr. Diane Hennessy Powell

1589

01:12:17,510 --> 01:12:15,720

a medical doctor and an author on ESP

1590

01:12:20,990 --> 01:12:17,520

and a scholar

1591

01:12:21,740 --> 01:12:21,000

on on the from the Paris Psychological

1592

01:12:23,240 --> 01:12:21,750

Association

1593

01:12:25,340 --> 01:12:23,250

she was also a professor at Harvard

1594

01:12:28,040 --> 01:12:25,350

Medical School when dr. Mack was there

1595

01:12:30,980 --> 01:12:28,050

okay she's also a counselor to us okay

1596

01:12:33,230 --> 01:12:30,990

they all knew that dr. Mack was heading

1597

01:12:35,630 --> 01:12:33,240

in the direction that we took our free

1598

01:12:39,520 --> 01:12:35,640

study and again if people want to know

1599

01:12:43,280 --> 01:12:39,530

more about our our research we have an

1600

01:12:46,070 --> 01:12:43,290

820 page academic book titled you can

1601

01:12:49,760 --> 01:12:46,080

get it on Amazon it's titled beyond UFOs

1602

01:12:52,910 --> 01:12:49,770

the science of consciousness and contact

1603

01:12:55,430 --> 01:12:52,920

with non-human intelligence and if you

1604

01:12:58,870 --> 01:12:55,440

send an email to us I will send to you

1605

01:13:03,500 --> 01:12:58,880

for free chapter one and various other

1606

01:13:07,720 --> 01:13:03,510

parts of our book total 160 pages and

1607

01:13:12,800 --> 01:13:07,730

our email is info at experienced org

1608

01:13:16,520 --> 01:13:12,810

info at experience org and our website

1609

01:13:18,260 --> 01:13:16,530

is experience org yeah all right I'm

1610

01:13:20,120 --> 01:13:18,270

gonna I'm gonna link everything all

1611

01:13:21,980 --> 01:13:20,130

those links in the description so people

1612

01:13:24,290 --> 01:13:21,990

who are interested just look in the

1613

01:13:26,570 --> 01:13:24,300

description and I'm going to post all

1614

01:13:29,720 --> 01:13:26,580

the links that uh that Rey Hernandez

1615

01:13:32,150 --> 01:13:29,730

here is discussing yeah just a real

1616

01:13:36,560 --> 01:13:32,160

quick Rey you've got the this treasure

1617

01:13:38,870 --> 01:13:36,570

trove of data you're you know it raises

1618

01:13:41,060 --> 01:13:38,880

a it answers a few questions but it

1619

01:13:44,080 --> 01:13:41,070

raises a few more what's next for the

1620

01:13:47,720 --> 01:13:44,090

free organization okay we've got two

1621

01:13:51,310 --> 01:13:47,730

projects that we want to undertake one

1622

01:13:55,850 --> 01:13:51,320

is the the reason why we undertook this

1623

01:13:59,990 --> 01:13:55,860

research on UFO contactees was that we

1624

01:14:04,160 --> 01:14:00,000

had no data in order for us to undertake

1625

01:14:07,820 --> 01:14:04,170

a cross comparative analysis of people

1626
01:14:09,950 --> 01:14:07,830
have had UFO experiences with people

1627
01:14:11,750 --> 01:14:09,960
have had near-death experiences where

1628
01:14:13,820 --> 01:14:11,760
people have had out-of-body experiences

1629
01:14:16,390 --> 01:14:13,830
where people have had remote viewing

1630
01:14:18,200 --> 01:14:16,400
experiences people that have had

1631
01:14:21,379 --> 01:14:18,210
communication with ghosts and spirits

1632
01:14:24,139 --> 01:14:21,389
and what took place etc etc

1633
01:14:27,350 --> 01:14:24,149
different contact modalities you need

1634
01:14:29,209 --> 01:14:27,360
data to compare it to we do have lots of

1635
01:14:31,069 --> 01:14:29,219
data from near-death experiences we do

1636
01:14:33,469 --> 01:14:31,079
have lots of data from out-of-body

1637
01:14:38,060 --> 01:14:33,479
experiences and even with shamanic

1638
01:14:39,589 --> 01:14:38,070

journeys we have some data from some of

1639

01:14:42,040 --> 01:14:39,599

the recent studies that are taking place

1640

01:14:45,799 --> 01:14:42,050

we're talking about academic research on

1641

01:14:48,080 --> 01:14:45,809

hallucinogens okay but for the UFO

1642

01:14:51,889 --> 01:14:48,090

related contact experience er what data

1643

01:14:54,409 --> 01:14:51,899

do we have nothing okay

1644

01:14:57,169 --> 01:14:54,419

nothing so you could not be able to do

1645

01:14:59,000 --> 01:14:57,179

these cross comparative analyses and for

1646

01:15:01,549 --> 01:14:59,010

us that's where we need to move forward

1647

01:15:05,149 --> 01:15:01,559

with we need to be able to begin to

1648

01:15:08,270 --> 01:15:05,159

undertake a unified theory of the

1649

01:15:10,600 --> 01:15:08,280

contact modality so that was why we did

1650

01:15:13,250 --> 01:15:10,610

this now in terms of where we're going

1651

01:15:16,790 --> 01:15:13,260

no one reads this book okay

1652

01:15:18,529 --> 01:15:16,800

it's 820 pages even people in our board

1653

01:15:20,509 --> 01:15:18,539

of directors when I've given them a free

1654

01:15:23,000 --> 01:15:20,519

copy I won't mention their names oh I

1655

01:15:26,449 --> 01:15:23,010

apologize Ray I only read my chapter and

1656

01:15:28,790 --> 01:15:26,459

and this other person's chapter and this

1657

01:15:31,129 --> 01:15:28,800

goes for everybody nobody reads these

1658

01:15:33,609 --> 01:15:31,139

books and let alone an academic research

1659

01:15:40,089 --> 01:15:33,619

studies like when you've got you know

1660

01:15:56,060 --> 01:15:51,229

entertaining dissecting 200 e t--'s you

1661

01:15:59,629 --> 01:15:56,070

know or 3,000 e t--'s mean you have dan

1662

01:16:02,689 --> 01:15:59,639

burisch who was the main person that

1663

01:16:05,479 --> 01:16:02,699

bill Thompkins substantiated regarding

1664

01:16:06,500 --> 01:16:05,489

his dissection of ETS I was sent that in

1665

01:16:09,830 --> 01:16:06,510

confidence

1666

01:16:12,139 --> 01:16:09,840

okay by a major major player in this

1667

01:16:14,719 --> 01:16:12,149

field well no one I've ever mentioned

1668

01:16:18,049 --> 01:16:14,729

before said ray we've just got this sent

1669

01:16:20,149 --> 01:16:18,059

to us from the estate of Dan Burrage who

1670

01:16:21,020 --> 01:16:20,159

was the person that built hunt can

1671

01:16:23,569 --> 01:16:21,030

substantiate it

1672

01:16:26,179 --> 01:16:23,579

he said that dan birch worked at area 51

1673

01:16:28,609 --> 01:16:26,189

he's got four or five pieces he's the

1674

01:16:31,399 --> 01:16:28,619

only one that that took care of j-rod

1675

01:16:34,069 --> 01:16:31,409

that little ET and area 51 and now we

1676

01:16:35,740 --> 01:16:34,079

have his autopsy report we can't find a

1677

01:16:38,419 --> 01:16:35,750

PhD biochemist

1678

01:16:40,189 --> 01:16:38,429

when we met you and Rudy when I met you

1679

01:16:42,439 --> 01:16:40,199

and Rudy last time in this specific

1680

01:16:43,820 --> 01:16:42,449

place okay you mentioned that you had a

1681

01:16:46,300 --> 01:16:43,830

boatload of peace these that are

1682

01:16:48,590 --> 01:16:46,310

associated with free can you find the

1683

01:16:51,050 --> 01:16:48,600

biochemists to review this dissection

1684

01:16:52,910 --> 01:16:51,060

and I said well I know of a few let me

1685

01:16:54,830 --> 01:16:52,920

see if their interest interested so I

1686

01:16:56,660 --> 01:16:54,840

responded back to this person yes two of

1687

01:16:58,520 --> 01:16:56,670

them will take a look at it they sent

1688

01:17:03,260 --> 01:16:58,530

that to me this whole dissection of

1689

01:17:05,030 --> 01:17:03,270

j-rod yeah okay it was a 60 page report

1690

01:17:08,120 --> 01:17:05,040

okay one person

1691

01:17:10,939 --> 01:17:08,130

these are PhD biochemists right wrote 16

1692

01:17:13,669 --> 01:17:10,949

pages the other person wrote six pages

1693

01:17:14,750 --> 01:17:13,679

both of them basically said ray you got

1694

01:17:18,560 --> 01:17:14,760

to be freaking kidding me

1695

01:17:23,240 --> 01:17:18,570

okay this is like a high school kid okay

1696

01:17:26,979 --> 01:17:23,250

with a horrible SAT scores attempting to

1697

01:17:31,250 --> 01:17:26,989

pass off as some type of advanced

1698

01:17:35,510 --> 01:17:31,260

scientific autopsy report but but

1699

01:17:38,090 --> 01:17:35,520

everything was totally wrong okay so

1700

01:17:41,180 --> 01:17:38,100

people yeah just so people know j-rod

1701

01:17:42,859 --> 01:17:41,190

was allegedly one of the survivors one

1702

01:17:44,919 --> 01:17:42,869

of the alleged extraterrestrial

1703

01:17:48,290 --> 01:17:44,929

survivors from the Roswell crash correct

1704

01:17:49,700 --> 01:17:48,300

correct yes so people are familiar with

1705

01:17:50,780 --> 01:17:49,710

the one worse than when we say J right

1706

01:17:51,340 --> 01:17:50,790

who we're talking about what we're

1707

01:17:53,720 --> 01:17:51,350

talking about

1708

01:17:56,180 --> 01:17:53,730

okay now the person that so-called

1709

01:17:58,640 --> 01:17:56,190

started the secret space prom program

1710

01:18:00,500 --> 01:17:58,650

backed up this guy dan burisch okay oh

1711

01:18:02,660 --> 01:18:00,510

yeah I knew him I saw he worked there

1712

01:18:05,330 --> 01:18:02,670

yeah he took care of j-rod right well we

1713

01:18:06,439 --> 01:18:05,340

just called out your boy as a fraud so

1714

01:18:08,720 --> 01:18:06,449

what does that make you

1715

01:18:10,640 --> 01:18:08,730

bill Thompkins who's now deceased okay

1716

01:18:13,669 --> 01:18:10,650

the founder of the secret space program

1717

01:18:15,890 --> 01:18:13,679

also this guy Emory Smith so-called

1718

01:18:20,300 --> 01:18:15,900

dissected 2,000 people okay and

1719

01:18:22,609 --> 01:18:20,310

meanwhile he has no phd's okay yeah all

1720

01:18:25,340 --> 01:18:22,619

right he has no academic background

1721

01:18:27,649 --> 01:18:25,350

whatsoever and yet the military

1722

01:18:30,590 --> 01:18:27,659

intelligence selected him out of

1723

01:18:32,390 --> 01:18:30,600

thousands of PhDs all over the world to

1724

01:18:34,220 --> 01:18:32,400

be able to do this work please

1725

01:18:36,140 --> 01:18:34,230

so anyway but the point that I'm getting

1726

01:18:38,240 --> 01:18:36,150

at is that someone that's interested in

1727

01:18:39,680 --> 01:18:38,250

this field they'd be willing to click on

1728

01:18:42,500 --> 01:18:39,690

this hit that's got a million hits from

1729

01:18:44,540 --> 01:18:42,510

Emory Smith or Corey Goode over ray

1730

01:18:46,760 --> 01:18:44,550

Hernandez talking about this academic

1731

01:18:48,320 --> 01:18:46,770

research study and that's why this field

1732

01:18:51,470 --> 01:18:48,330

is totally clueless about

1733

01:18:54,140 --> 01:18:51,480

we're doing yeah I mean it's it's it's

1734

01:18:56,180 --> 01:18:54,150

tough because now it actually is

1735

01:18:59,210 --> 01:18:56,190

becoming more you know it always has

1736

01:19:00,560 --> 01:18:59,220

kind of been in the subculture of pop

1737

01:19:02,930 --> 01:19:00,570

culture you know UFO was

1738

01:19:04,460 --> 01:19:02,940

extraterrestrials and you know

1739

01:19:05,990 --> 01:19:04,470

everything that's kind of tied to it and

1740

01:19:08,600 --> 01:19:06,000

now it's it's becoming more and more

1741

01:19:13,430 --> 01:19:08,610

popular you know the internet hits a

1742

01:19:16,850 --> 01:19:13,440

ridiculous and in all reality you know

1743

01:19:19,790 --> 01:19:16,860

other than clickbait you know people are

1744

01:19:21,170 --> 01:19:19,800

going to be I think at first its its

1745

01:19:24,560 --> 01:19:21,180

initial thing people are going to be

1746

01:19:26,600 --> 01:19:24,570

attracted to the the entertainment to

1747

01:19:28,160 --> 01:19:26,610

the really high quality production that

1748

01:19:30,170 --> 01:19:28,170

you have Gaia doing you know where

1749

01:19:33,440 --> 01:19:30,180

everything looks and you know it's well

1750

01:19:35,210 --> 01:19:33,450

produced I'm not gonna say you know you

1751

01:19:37,580 --> 01:19:35,220

know forget the information it's the

1752

01:19:39,590 --> 01:19:37,590

quality of the production seems like to

1753

01:19:40,850 --> 01:19:39,600

be like a network or professionally done

1754

01:19:44,120 --> 01:19:40,860

thing so people are going to look at

1755

01:19:46,340 --> 01:19:44,130

that and go wow you know story some

1756

01:19:48,050 --> 01:19:46,350

entertaining and you know what if it

1757

01:19:49,790 --> 01:19:48,060

works as a gateway drug just to get

1758

01:19:51,620 --> 01:19:49,800

people in until they go and they until

1759

01:19:53,810 --> 01:19:51,630

they start questioning wait wait wait a

1760

01:19:57,050 --> 01:19:53,820

second hold on a second so you tell me

1761

01:19:58,640 --> 01:19:57,060

all this happened what you know how do I

1762

01:20:01,190 --> 01:19:58,650

know you know and hopefully they start

1763

01:20:03,470 --> 01:20:01,200

questioning more when they see that kind

1764

01:20:05,690 --> 01:20:03,480

of stuff and I think they will I think a

1765

01:20:07,340 --> 01:20:05,700

lot of people you know I hope that it's

1766

01:20:09,170 --> 01:20:07,350

just kind of a thing that they like a

1767

01:20:10,940 --> 01:20:09,180

phase or something they go through and

1768

01:20:13,250 --> 01:20:10,950

then hopefully they get into the to the

1769

01:20:16,100 --> 01:20:13,260

deeper stuff where there's there's data

1770

01:20:17,780 --> 01:20:16,110

and there's a lot you know there's

1771

01:20:21,910 --> 01:20:17,790

evidence behind what people are saying

1772

01:20:25,010 --> 01:20:21,920

and and and you know studies done and

1773

01:20:27,590 --> 01:20:25,020

kind of thing well I'm an agreement with

1774

01:20:32,120 --> 01:20:27,600

you you know it might like it can be

1775

01:20:34,190 --> 01:20:32,130

interpreted as an awakened but but but

1776

01:20:38,870 --> 01:20:34,200

people need to utilize discernment you

1777

01:20:41,420 --> 01:20:38,880

know and in this analysis like for

1778

01:20:42,740 --> 01:20:41,430

example when Laura or Eisenhower all of

1779

01:20:44,540 --> 01:20:42,750

a sudden she's involved in a secret

1780

01:20:47,120 --> 01:20:44,550

space program why because it's making

1781

01:20:48,800 --> 01:20:47,130

money Corey Goode is getting thousands

1782

01:20:51,200 --> 01:20:48,810

and thousands of dollars to appear at

1783

01:20:54,590 --> 01:20:51,210

these conferences and yet in one major

1784

01:20:57,200 --> 01:20:54,600

conference where he was pitted to speak

1785

01:20:58,670 --> 01:20:57,210

at the same time as one of our members

1786

01:21:01,470 --> 01:20:58,680

of our board a very very well-known

1787

01:21:03,600 --> 01:21:01,480

member very highly respected you

1788

01:21:06,660 --> 01:21:03,610

Richard Dolan no I'm not mention any

1789

01:21:10,560 --> 01:21:06,670

names okay this is a member of our board

1790

01:21:13,470 --> 01:21:10,570

that's a highly respected that does real

1791

01:21:16,350 --> 01:21:13,480

academic research okay when this person

1792

01:21:18,450 --> 01:21:16,360

was was pitted at the same time at a

1793

01:21:24,630 --> 01:21:18,460

major conference to compete with Corey

1794

01:21:27,930 --> 01:21:24,640

Goode he had like a full house like over

1795

01:21:32,070 --> 01:21:27,940

500 people 750 people that paid an extra

1796

01:21:34,080 --> 01:21:32,080

75 dollars to go see him meanwhile this

1797

01:21:36,720 --> 01:21:34,090

other person who's credible and

1798

01:21:40,140 --> 01:21:36,730

reputable she this person barely had ten

1799

01:21:42,240 --> 01:21:40,150

people in her room okay so it just tells

1800

01:21:45,900 --> 01:21:42,250

you where we're at in terms of this

1801

01:21:48,510 --> 01:21:45,910

field now for this reason that's why

1802

01:21:51,660 --> 01:21:48,520

we're doing two projects we're doing one

1803

01:21:55,470 --> 01:21:51,670

project that is a documentary okay we

1804

01:21:58,350 --> 01:21:55,480

have this documentary team that did many

1805

01:22:00,960 --> 01:21:58,360

of the Star Trek documentaries one was

1806

01:22:02,850 --> 01:22:00,970

in search of spark which is on Netflix

1807

01:22:06,810 --> 01:22:02,860

right now and the other one is the

1808

01:22:10,200 --> 01:22:06,820

captain's that Leonard Nimoy not let on

1809

01:22:12,330 --> 01:22:10,210

my William Shatner was the host and and

1810

01:22:15,180 --> 01:22:12,340

so they produced both of these documents

1811

01:22:18,210 --> 01:22:15,190

for which is now currently running on

1812

01:22:21,960 --> 01:22:18,220

Netflix they're doing this work with us

1813

01:22:24,630 --> 01:22:21,970

at a pro bono basis and for we have

1814

01:22:27,590 --> 01:22:24,640

thousands of hours already of film and

1815

01:22:32,190 --> 01:22:27,600

what we're trying to do is interview

1816

01:22:34,050 --> 01:22:32,200

many many many academics to talk about

1817

01:22:36,890 --> 01:22:34,060

the same topics that I just talked about

1818

01:22:39,060 --> 01:22:36,900

today we're going to be interviewing

1819

01:22:40,470 --> 01:22:39,070

experiences of the various contact

1820

01:22:42,750 --> 01:22:40,480

modalities we're going to be

1821

01:22:45,810 --> 01:22:42,760

incorporating data from our research

1822

01:22:49,140 --> 01:22:45,820

study and interviewing many members of

1823

01:22:51,600 --> 01:22:49,150

our free research team and and and an

1824

01:22:54,060 --> 01:22:51,610

Board of Directors so what we're trying

1825

01:22:56,970 --> 01:22:54,070

to introduce is to introduce science and

1826
01:23:00,750 --> 01:22:56,980
physics into this presentation hopefully

1827
01:23:03,810 --> 01:23:00,760
making in an entertaining way and so now

1828
01:23:05,750 --> 01:23:03,820
we're able to to compete with Gaia Gaia

1829
01:23:08,100 --> 01:23:05,760
is basically it's a metaphysical

1830
01:23:10,229 --> 01:23:08,110
organization they are a profit-making

1831
01:23:12,240 --> 01:23:10,239
organization that's why they able to

1832
01:23:15,240 --> 01:23:12,250
make these slick productions mean well a

1833
01:23:17,430 --> 01:23:15,250
couple of videos that I put out

1834
01:23:19,320 --> 01:23:17,440
was made by a friend a very dear friend

1835
01:23:21,060 --> 01:23:19,330
but this is person that's just in his

1836
01:23:23,490 --> 01:23:21,070
living room is is putting some of the

1837
01:23:25,380 --> 01:23:23,500
stuff out you know versus a professional

1838
01:23:27,180 --> 01:23:25,390

crew so this documentary is going to be

1839

01:23:29,460 --> 01:23:27,190

professionally run and it's going to be

1840

01:23:33,300 --> 01:23:29,470

introducing the audience to the topic of

1841

01:23:36,240 --> 01:23:33,310

science consciousness contact with

1842

01:23:38,520 --> 01:23:36,250

non-human intelligence and cosmology you

1843

01:23:42,020 --> 01:23:38,530

know the nature of our universe again

1844

01:23:46,310 --> 01:23:42,030

presented by by a diverse team of

1845

01:23:50,010 --> 01:23:46,320

scientists physicists neuroscientists

1846

01:23:51,690 --> 01:23:50,020

experiencers and researchers and then

1847

01:23:53,520 --> 01:23:51,700

that's one project

1848

01:23:55,920 --> 01:23:53,530

the second major project it was we're

1849

01:23:58,530 --> 01:23:55,930

doing a volume two to our book now

1850

01:24:01,080 --> 01:23:58,540

volume two is not going to be based off

1851

01:24:03,330 --> 01:24:01,090

of our research study it's gonna be a

1852

01:24:05,790 --> 01:24:03,340

theoretical book it's going to answer

1853

01:24:09,210 --> 01:24:05,800

it's gonna answer that that question

1854

01:24:10,920 --> 01:24:09,220

through hypotheses because no one knows

1855

01:24:13,100 --> 01:24:10,930

what the hell is going on I mean Edgar

1856

01:24:15,600 --> 01:24:13,110

Mitchell and every member of our board

1857

01:24:18,030 --> 01:24:15,610

Edgar Mitchell once told me he says ray

1858

01:24:21,840 --> 01:24:18,040

we know the equivalent of one grain of

1859

01:24:25,470 --> 01:24:21,850

sand in an entire Beach okay and my

1860

01:24:27,720 --> 01:24:25,480

response to Edgar was I associated him

1861

01:24:30,270 --> 01:24:27,730

telling me that the entire beach is like

1862

01:24:33,000 --> 01:24:30,280

our universe so my response to him was

1863

01:24:36,350 --> 01:24:33,010

and that's just one beach in other words

1864

01:24:39,570 --> 01:24:36,360

yes oh and that's just one universe okay

1865

01:24:41,910 --> 01:24:39,580

so in other words we know nothing about

1866

01:24:43,920 --> 01:24:41,920

this phenomenon and anyone is out there

1867

01:24:46,920 --> 01:24:43,930

that's acting like they know it all

1868

01:24:50,340 --> 01:24:46,930

they're all full of it okay so however

1869

01:24:52,740 --> 01:24:50,350

we are going to take attempt a stab at

1870

01:24:55,680 --> 01:24:52,750

this in phase two we're gonna throw out

1871

01:24:58,530 --> 01:24:55,690

hypotheses okay of a lot of brilliant

1872

01:25:03,030 --> 01:24:58,540

minds and we're gonna ask an OK Joe

1873

01:25:04,380 --> 01:25:03,040

Schmoe mr. dr. X okay you're 75 years

1874

01:25:06,090 --> 01:25:04,390

old right now you're a theoretical

1875

01:25:09,060 --> 01:25:06,100

physicist from Princeton University

1876

01:25:11,880 --> 01:25:09,070

you are dr. Claude swans and you've put

1877

01:25:14,280 --> 01:25:11,890

out in these various books on the

1878

01:25:15,570 --> 01:25:14,290

synchronization of our universe you have

1879

01:25:18,300 --> 01:25:15,580

an interest in the paranormal

1880

01:25:21,570 --> 01:25:18,310

all right Claude what the is going

1881

01:25:24,390 --> 01:25:21,580

on so basically you're basically gonna

1882

01:25:27,000 --> 01:25:24,400

speculate wildly which is perfectly okay

1883

01:25:28,970 --> 01:25:27,010

we need that but it'll be based on

1884

01:25:31,230 --> 01:25:28,980

something and you

1885

01:25:33,570 --> 01:25:31,240

as circulation

1886

01:25:35,670 --> 01:25:33,580

exactly like like clots Watson as I said

1887

01:25:37,470 --> 01:25:35,680

before this guy's got a PhD in physics

1888

01:25:39,180 --> 01:25:37,480

from Princeton the University that

1889

01:25:42,180 --> 01:25:39,190

Einstein taught after he came over from

1890

01:25:49,620 --> 01:25:42,190

Germany okay probably one of the top two

1891

01:25:50,430 --> 01:25:49,630

or three physics or universities in the

1892

01:25:52,680 --> 01:25:50,440

world okay

1893

01:25:55,920 --> 01:25:52,690

Claude for the last thirty years has

1894

01:25:57,390 --> 01:25:55,930

been working on consciousness and the

1895

01:25:58,200 --> 01:25:57,400

contact modalities how it's all

1896

01:26:01,500 --> 01:25:58,210

interrelated

1897

01:26:03,870 --> 01:26:01,510

Claude I was gonna say his book on

1898

01:26:09,300 --> 01:26:03,880

energy and Chi and all that kind of said

1899

01:26:13,020 --> 01:26:09,310

was absolutely amazing it's an academic

1900

01:26:15,810 --> 01:26:13,030

okay so he's writing a chapter in our

1901

01:26:18,540 --> 01:26:15,820

book say okay Claude you're 75 years old

1902

01:26:24,810 --> 01:26:18,550

okay you're gonna die six months from

1903

01:26:27,720 --> 01:26:24,820

now this is what I told everybody I want

1904

01:26:29,970 --> 01:26:27,730

you to leave a legacy for Humanity okay

1905

01:26:32,820 --> 01:26:29,980

tell us what the is inside your

1906

01:26:36,630 --> 01:26:32,830

mind what the hell is going on how do

1907

01:26:40,950 --> 01:26:36,640

you explain the relationship between

1908

01:26:42,840 --> 01:26:40,960

consciousness or cosmology and contact

1909

01:26:44,490 --> 01:26:42,850

with non-human intelligence via the

1910

01:26:46,710 --> 01:26:44,500

contact modalities how do you explain

1911

01:26:48,720 --> 01:26:46,720

that now as a background to your

1912

01:26:50,760 --> 01:26:48,730

audience members okay when we're talking

1913

01:26:53,960 --> 01:26:50,770

about the topic of consciousness

1914

01:26:56,130 --> 01:26:53,970

consciousness first of all in mainstream

1915

01:26:57,390 --> 01:26:56,140

materialist consciousness research is

1916

01:26:59,700 --> 01:26:57,400

mainly focused on the brain

1917

01:27:02,340 --> 01:26:59,710

consciousness starts and ends with the

1918

01:27:03,990 --> 01:27:02,350

brain okay then you have a small group

1919

01:27:06,630 --> 01:27:04,000

of individuals that understand that

1920

01:27:08,460 --> 01:27:06,640

consciousness is non-local that

1921

01:27:12,960 --> 01:27:08,470

consciousness is independent of the

1922

01:27:14,640 --> 01:27:12,970

brain okay however both groups the local

1923

01:27:17,720 --> 01:27:14,650

and the non-local you know researchers

1924

01:27:20,700 --> 01:27:17,730

of consciousness they rarely if are all

1925

01:27:24,500 --> 01:27:20,710

bring into that conversation the topic

1926

01:27:26,520 --> 01:27:24,510

of non-human intelligence okay

1927

01:27:28,170 --> 01:27:26,530

for example Dean Radin

1928

01:27:29,970 --> 01:27:28,180

we have an interview with them and

1929

01:27:33,150 --> 01:27:29,980

hopefully we release it in our

1930

01:27:35,750 --> 01:27:33,160

documentary at least parts of it okay he

1931

01:27:38,100 --> 01:27:35,760

says that our organization the research

1932

01:27:40,589 --> 01:27:38,110

paradigm that we have in our

1933

01:27:42,689 --> 01:27:40,599

organization that what we want to do

1934

01:27:45,389 --> 01:27:42,699

is where ions the Institute of noetic

1935

01:27:47,069 --> 01:27:45,399

Sciences needs to go to he said it's

1936

01:27:49,649 --> 01:27:47,079

where the parapsychology

1937

01:27:52,799 --> 01:27:49,659

parapsychological Association needs to

1938

01:27:57,089 --> 01:27:52,809

move forward to okay yeah that's great

1939

01:27:58,679 --> 01:27:57,099

yeah no I was gonna say real quick

1940

01:28:01,889 --> 01:27:58,689

because you know I've read his books and

1941

01:28:03,839 --> 01:28:01,899

his books are awesome Dean Radin and I

1942

01:28:05,459 --> 01:28:03,849

actually tried to reach out to him

1943

01:28:07,589 --> 01:28:05,469

before you know and social networking

1944

01:28:09,659 --> 01:28:07,599

and and things like that about this

1945

01:28:11,849 --> 01:28:09,669

subject because I was I was fascinated

1946

01:28:13,949 --> 01:28:11,859

to hear what he would have to say you

1947

01:28:16,979 --> 01:28:13,959

know obviously my own experiences and c5

1948

01:28:19,529 --> 01:28:16,989

and whatever I had wanted to hear his

1949

01:28:22,560 --> 01:28:19,539

feedback on that so that you know I love

1950

01:28:24,359 --> 01:28:22,570

to see that James after interview I'm

1951

01:28:26,849 --> 01:28:24,369

gonna send it to your personal email and

1952

01:28:28,830 --> 01:28:26,859

to Frank under the condition that you

1953

01:28:30,479 --> 01:28:28,840

don't circulate it okay the

1954

01:28:33,060 --> 01:28:30,489

hour-and-a-half interview that we did

1955

01:28:35,759 --> 01:28:33,070

with Dean Radin okay and it really is

1956

01:28:39,569 --> 01:28:35,769

it's its paradigm busting its supporting

1957

01:28:41,909 --> 01:28:39,579

where we're going with this okay and so

1958

01:28:44,040 --> 01:28:41,919

we asked that question too numerous

1959

01:28:46,319 --> 01:28:44,050

numerous individuals most of them are

1960

01:28:49,409 --> 01:28:46,329

academics one person that both of you

1961

01:28:56,310 --> 01:28:49,419

know is dr. Joseph Burks okay because

1962

01:28:59,119 --> 01:28:56,320

the word MD Joseph Burke's MD okay and

1963

01:29:01,409 --> 01:28:59,129

and Joseph has his own particular

1964

01:29:04,169 --> 01:29:01,419

hypotheses of what might be going on but

1965

01:29:06,389 --> 01:29:04,179

he never wrote it out okay he was just

1966

01:29:07,889 --> 01:29:06,399

in our conversations that you know he

1967

01:29:09,959 --> 01:29:07,899

was explaining some of this of what he

1968

01:29:11,609 --> 01:29:09,969

thinks is behind this phenomenon I said

1969

01:29:13,139 --> 01:29:11,619

Joe well you just self-nominated

1970

01:29:16,409 --> 01:29:13,149

yourself to write a chapter in a book

1971

01:29:18,839 --> 01:29:16,419

okay what I want you to do is to put it

1972

01:29:21,500 --> 01:29:18,849

down in writing for the first time the

1973

01:29:26,609 --> 01:29:21,510

many conversations that we've had okay

1974

01:29:27,869 --> 01:29:26,619

about the virtual experience yes yes let

1975

01:29:29,520 --> 01:29:27,879

me give you a side note on that because

1976

01:29:33,509 --> 01:29:29,530

I was actually speaking with a friend

1977

01:29:34,949 --> 01:29:33,519

yeah who had you know is this my friends

1978

01:29:36,959 --> 01:29:34,959

actually we're scientists working on the

1979

01:29:41,189 --> 01:29:36,969

stuff in the background Oh some people

1980

01:29:51,060 --> 01:29:41,199

know who he is but he's just one

1981

01:29:52,889 --> 01:29:51,070

component the virtual piece one piece of

1982

01:29:54,200 --> 01:29:52,899

his theory his theory is multi-layered

1983

01:29:57,290 --> 01:29:54,210

that's just one layer

1984

01:30:00,140 --> 01:29:57,300

and but it was funny that somebody

1985

01:30:04,070 --> 01:30:00,150

confirmed to me that in full wage way

1986

01:30:07,070 --> 01:30:04,080

also even in cases that he's studying at

1987

01:30:08,990 --> 01:30:07,080

this moment this is seems to be kind of

1988

01:30:12,740 --> 01:30:09,000

evident you know so when I brought that

1989

01:30:15,140 --> 01:30:12,750

the virtual experience hypothesis or

1990

01:30:17,420 --> 01:30:15,150

modality to them you know they were

1991

01:30:21,320 --> 01:30:17,430

basically saying yes Jaffa Lai has come

1992

01:30:22,790 --> 01:30:21,330

to find the same thing and I wish I

1993

01:30:28,970 --> 01:30:22,800

could get him to write a chapter for a

1994

01:30:32,120 --> 01:30:28,980

book we're having someone close we're

1995

01:30:34,580 --> 01:30:32,130

having Breton rains who's been in the

1996

01:30:38,990 --> 01:30:34,590

field of ufology for more than 45 years

1997

01:30:42,160 --> 01:30:39,000

since he was a teenager and he is

1998

01:30:46,370 --> 01:30:42,170

writing a book about John keel ok and so

1999

01:30:50,900 --> 01:30:46,380

so brent is writing another chapter not

2000

01:30:55,930 --> 01:30:50,910

only about John keel but about John keel

2001

01:30:58,580 --> 01:30:55,940

Jacques Vallee Bernhard is his Schwarz

2002

01:31:02,090 --> 01:30:58,590

piece these psychologists who again had

2003

01:31:05,720 --> 01:31:02,100

these uh non-local consciousness aspect

2004

01:31:10,220 --> 01:31:05,730

of the UFO contact phenomenon but very

2005

01:31:13,040 --> 01:31:10,230

very similar the the theories among the

2006

01:31:15,410 --> 01:31:13,050

the three but it's a it's quite

2007

01:31:17,890 --> 01:31:15,420

different from each other but what what

2008

01:31:20,690 --> 01:31:17,900

holds them together is that

2009

01:31:25,300 --> 01:31:20,700

consciousness is involved the paranormal

2010

01:31:27,620 --> 01:31:25,310

is involved and the non non

2011

01:31:30,740 --> 01:31:27,630

extraterrestrial hypotheses mixed with

2012

01:31:32,930 --> 01:31:30,750

the paranormal is is involved so that's

2013

01:31:35,479 --> 01:31:32,940

where our book is heading towards we

2014

01:31:37,880 --> 01:31:35,489

have the dr. Rudi shields dr. John clemo

2015

01:31:41,570 --> 01:31:37,890

who's the world's one of the world's

2016

01:31:44,930 --> 01:31:41,580

leading academics on the paranormal he's

2017

01:31:47,180 --> 01:31:44,940

was a tenured professor for 40 years and

2018

01:31:49,040 --> 01:31:47,190

most of his research in writings was on

2019

01:31:51,770 --> 01:31:49,050

the paranormal this is dr. John clemo

2020

01:31:53,810 --> 01:31:51,780

so he's writing a chapter for a book

2021

01:31:57,590 --> 01:31:53,820

Edgar before he died he had agreed to

2022

01:32:00,610 --> 01:31:57,600

publish his what I call his magnum opus

2023

01:32:02,690 --> 01:32:00,620

major around that's on reason yeah

2024

01:32:05,120 --> 01:32:02,700

unconsciousness in the quantum hologram

2025

01:32:07,669 --> 01:32:05,130

that's going to be in our book so I mean

2026

01:32:10,550 --> 01:32:07,679

that this book is is a paradigm

2027

01:32:12,860 --> 01:32:10,560

busting book as it's gone establish a

2028

01:32:14,899 --> 01:32:12,870

theoretical mindset of how to approach

2029

01:32:18,140 --> 01:32:14,909

the topic of UFO from a theoretical

2030

01:32:20,000 --> 01:32:18,150

perspective now again yeah when do you

2031

01:32:20,600 --> 01:32:20,010

think we're gonna that might see the

2032

01:32:23,020 --> 01:32:20,610

light of day

2033

01:32:26,630 --> 01:32:23,030

probably the summer of this coming year

2034

01:32:28,370 --> 01:32:26,640

awesome yeah and again we're not saying

2035

01:32:31,310 --> 01:32:28,380

that anyone has the answers here these

2036

01:32:34,189 --> 01:32:31,320

are just hypotheses but again hypotheses

2037

01:32:36,110 --> 01:32:34,199

from brilliant individuals yeah well

2038

01:32:38,450 --> 01:32:36,120

we're not talking Laura Eisenhower

2039

01:32:42,380 --> 01:32:38,460

talking about you know her experience

2040

01:32:46,280 --> 01:32:42,390

with reptilians here ok yeah yeah oh

2041

01:32:47,570 --> 01:32:46,290

yeah well you know we're coming to the

2042

01:32:50,300 --> 01:32:47,580

end of the show over here just because

2043

01:32:53,419 --> 01:32:50,310

you know we had a lot to do this has

2044

01:32:54,410 --> 01:32:53,429

been a fantastic discussion Greg you

2045

01:32:56,030 --> 01:32:54,420

know I definitely

2046

01:32:59,209 --> 01:32:56,040

we're gonna have some we're gonna have

2047

01:33:01,490 --> 01:32:59,219

some private talk soon but you know

2048

01:33:06,229 --> 01:33:01,500

thank you so much for coming on I do

2049

01:33:09,320 --> 01:33:06,239

have one question for you yes I do not

2050

01:33:10,390 --> 01:33:09,330

have to answer this I understand if you

2051

01:33:14,930 --> 01:33:10,400

do not want to go there

2052

01:33:17,300 --> 01:33:14,940

but what is the rumor with them that TSA

2053

01:33:18,169 --> 01:33:17,310

wanted to see your database or something

2054

01:33:21,290 --> 01:33:18,179

along those lines

2055

01:33:23,959 --> 01:33:21,300

answer that otherwise no no no I think

2056

01:33:27,020 --> 01:33:23,969

grant got it wrong when I told it to him

2057

01:33:35,050 --> 01:33:27,030

okay yeah I'll could talk about it you

2058

01:33:37,070 --> 01:33:35,060

know what happened was that we had a PhD

2059

01:33:39,560 --> 01:33:37,080

neuroscientist that was a member of our

2060

01:33:41,840 --> 01:33:39,570

board of directors and one of the chairs

2061

01:33:46,880 --> 01:33:41,850

of our research study for about two and

2062

01:33:49,550 --> 01:33:46,890

a half years dr. Bob Davis okay and he's

2063

01:33:52,640 --> 01:33:49,560

no longer associated with free but he

2064

01:33:54,979 --> 01:33:52,650

was an integral component for for many

2065

01:33:58,220 --> 01:33:54,989

many years and Bob is a retired

2066

01:34:03,200 --> 01:33:58,230

professor of neuroscience he got a PhD

2067

01:34:05,120 --> 01:34:03,210

from Ohio State and he taught in upstate

2068

01:34:08,050 --> 01:34:05,130

New York at one of the sunís I don't

2069

01:34:11,300 --> 01:34:08,060

know where I was SUNY Binghamton er

2070

01:34:13,880 --> 01:34:11,310

wonderful even SUNY Albany were a

2071

01:34:15,020 --> 01:34:13,890

professor kevin can do this I forgot

2072

01:34:17,120 --> 01:34:15,030

which one no I don't think was Albany

2073

01:34:18,459 --> 01:34:17,130

okay but it was was one of the Sunnis

2074

01:34:20,740 --> 01:34:18,469

okay so

2075

01:34:27,370 --> 01:34:20,750

we're talking about a real-deal academic

2076

01:34:29,290 --> 01:34:27,380

professor here okay and so anyway he

2077

01:34:31,300 --> 01:34:29,300

eventually became interested in what we

2078

01:34:36,180 --> 01:34:31,310

were doing because he had written a book

2079

01:34:38,470 --> 01:34:36,190

about UFOs saying that basically that

2080

01:34:39,670 --> 01:34:38,480

ufology has given us very very little

2081

01:34:43,479 --> 01:34:39,680

over seventy years

2082

01:34:46,080 --> 01:34:43,489

okay and that we need to be able to

2083

01:34:48,430 --> 01:34:46,090

establish scientific research study

2084

01:34:51,160 --> 01:34:48,440

instead of just what had been going on

2085

01:34:53,979 --> 01:34:51,170

you know but really to put in a lot of

2086

01:34:55,959 --> 01:34:53,989

money to study this scientifically and

2087

01:34:58,420 --> 01:34:55,969

so I had a phone call with him and I

2088

01:34:59,979 --> 01:34:58,430

told him I said Bob you know this is so

2089

01:35:03,430 --> 01:34:59,989

much more than the nuts and bolts

2090

01:35:04,660 --> 01:35:03,440

ufology you know and then over many

2091

01:35:07,390 --> 01:35:04,670

months I would give him a lot of

2092

01:35:09,670 --> 01:35:07,400

materials to read and he became totally

2093

01:35:11,590 --> 01:35:09,680

fascinated so then at a certain point

2094

01:35:14,050 --> 01:35:11,600

where he became interested I said would

2095

01:35:15,550 --> 01:35:14,060

you like to join us and he joined us so

2096

01:35:16,959 --> 01:35:15,560

anyway he was working with us for over

2097

01:35:19,959 --> 01:35:16,969

two and a half years he made tremendous

2098

01:35:22,030 --> 01:35:19,969

contributions to what we were doing he

2099

01:35:23,380 --> 01:35:22,040

really was was a foundation together

2100

01:35:25,750 --> 01:35:23,390

with dr. John clemo

2101

01:35:27,910 --> 01:35:25,760

you know and myself you know towards uh

2102

01:35:29,920 --> 01:35:27,920

for this research study so what had

2103

01:35:31,680 --> 01:35:29,930

happened was that he didn't know he

2104

01:35:34,270 --> 01:35:31,690

didn't let me know but he reached out to

2105

01:35:38,290 --> 01:35:34,280

to Tom the long okay

2106

01:35:42,520 --> 01:35:38,300

and so Tom DeLonge then set up a time to

2107

01:35:47,620 --> 01:35:42,530

to discuss with us okay now with me my

2108

01:35:51,340 --> 01:35:47,630

position was that while I don't agree at

2109

01:35:53,200 --> 01:35:51,350

all with Tom DeLonge's statements that he

2110

01:35:56,140 --> 01:35:53,210

made in the Jimmy Church radio interview

2111

01:36:01,560 --> 01:35:56,150

where he said yeah where he said we need

2112

01:36:07,030 --> 01:36:04,720

yeah and we need to throw nuclear bombs

2113

01:36:09,010 --> 01:36:07,040

out in outer space to squash like bugs

2114

01:36:12,160 --> 01:36:09,020

and and I said this guy's freaking crazy

2115

01:36:13,660 --> 01:36:12,170

you know and then you know and then I

2116

01:36:15,760 --> 01:36:13,670

you know realized that is it to you that

2117

01:36:19,320 --> 01:36:15,770

he has never had an experience and all

2118

01:36:22,030 --> 01:36:19,330

he did was just to read UFO books and

2119

01:36:25,209 --> 01:36:22,040

naturally if you read you know four of

2120

01:36:26,919 --> 01:36:25,219

David Jacobs books you know yeah that's

2121

01:36:29,770 --> 01:36:26,929

what you're gonna get you know and so

2122

01:36:32,350 --> 01:36:29,780

and plus there was never any academic

2123

01:36:34,570 --> 01:36:32,360

research on on the UFO contact

2124

01:36:35,560 --> 01:36:34,580

phenomenon with non-heme intelligence

2125

01:36:37,300 --> 01:36:35,570

we're talking about I'm from the

2126

01:36:39,640 --> 01:36:37,310

experencer side there have been a lot

2127

01:36:41,290 --> 01:36:39,650

of books on you know Roswell running

2128

01:36:43,390 --> 01:36:41,300

some forests and you know a lot of cases

2129

01:36:46,810 --> 01:36:43,400

you know but but from the experencer

2130

01:36:48,729 --> 01:36:46,820

side nothing ok so and so then you know

2131

01:36:50,620 --> 01:36:48,739

we're on the phone call with us and and

2132

01:36:52,359 --> 01:36:50,630

this guy was telling about to us that

2133

01:36:53,919 --> 01:36:52,369

he's gonna be raising millions of

2134

01:36:55,419 --> 01:36:53,929

dollars for this millions of dollar for

2135

01:36:57,490 --> 01:36:55,429

that million for that and he says but

2136

01:36:59,859 --> 01:36:57,500

he's got no one that's working on the

2137

01:37:02,200 --> 01:36:59,869

experencer side to do research on the

2138

01:37:05,320 --> 01:37:02,210

experiencer and that the academics and

2139

01:37:08,680 --> 01:37:05,330

free that eventually he can pay for our

2140

01:37:10,180 --> 01:37:08,690

research okay yeah and so he said and

2141

01:37:12,430 --> 01:37:10,190

you Ray you don't have to work anymore

2142

01:37:13,780 --> 01:37:12,440

you know like cuz I I'm a tax attorney

2143

01:37:15,430 --> 01:37:13,790

he says you know you don't have to work

2144

01:37:17,590 --> 01:37:15,440

anymore we can pay for it okay

2145

01:37:20,680 --> 01:37:17,600

and so it's not like he wanted to buy

2146

01:37:23,680 --> 01:37:20,690

the data you know but he said basically

2147

01:37:25,990 --> 01:37:23,690

you can come and work for us now I

2148

01:37:28,030 --> 01:37:26,000

always had the position that the

2149

01:37:30,700 --> 01:37:28,040

research that we were doing has to be

2150

01:37:32,950 --> 01:37:30,710

totally independent totally independent

2151

01:37:35,680 --> 01:37:32,960

they cannot be manipulated from any

2152

01:37:38,200 --> 01:37:35,690

outside source or used for any outside

2153

01:37:39,640 --> 01:37:38,210

you know agenda the data will speak for

2154

01:37:41,470 --> 01:37:39,650

itself if it came out that it was

2155

01:37:42,609 --> 01:37:41,480

negative then that's what it is if it

2156

01:37:46,270 --> 01:37:42,619

came out there was this way it was that

2157

01:37:48,850 --> 01:37:46,280

way you know and and that's how everyone

2158

01:37:51,250 --> 01:37:48,860

in organization approach this okay that

2159

01:37:53,649 --> 01:37:51,260

led the day to speak for itself so you

2160

01:37:56,109 --> 01:37:53,659

know at that point I interjected myself

2161

01:37:57,490 --> 01:37:56,119

and I told him I said you know we're not

2162

01:37:59,530 --> 01:37:57,500

interested in associating with you

2163

01:38:02,290 --> 01:37:59,540

because it appears like you have your

2164

01:38:04,120 --> 01:38:02,300

own personal agenda I told them your own

2165

01:38:08,070 --> 01:38:04,130

personal mindset of how you view this

2166

01:38:11,080 --> 01:38:08,080

phenomenon and it's not what our data is

2167

01:38:15,280 --> 01:38:11,090

revealing our data shows the complete

2168

01:38:17,700 --> 01:38:15,290

opposite okay so we're not here to to

2169

01:38:21,010 --> 01:38:17,710

work with any outside organization and

2170

01:38:24,310 --> 01:38:21,020

and we're here to approach this in an

2171

01:38:27,790 --> 01:38:24,320

academic and an unbiased way to continue

2172

01:38:30,070 --> 01:38:27,800

doing this research and that and that

2173

01:38:32,109 --> 01:38:30,080

also our approach is not materialist

2174

01:38:34,870 --> 01:38:32,119

that we're really focusing on the

2175

01:38:39,149 --> 01:38:34,880

consciousness aspect of it and and

2176
01:38:41,589 --> 01:38:39,159
that's how we left it yeah and yeah and

2177
01:38:45,040 --> 01:38:41,599
and so it wasn't like he was trying to

2178
01:38:45,820 --> 01:38:45,050
buy our data you know it was a little

2179
01:38:48,590 --> 01:38:45,830
bit more

2180
01:38:51,890 --> 01:38:48,600
complicated than that yeah I appreciate

2181
01:38:53,420 --> 01:38:51,900
you for clearing that up that I first

2182
01:38:55,940 --> 01:38:53,430
heard it mentioned that there was any

2183
01:38:57,800 --> 01:38:55,950
you know it's surprising - I mean you

2184
01:38:59,810 --> 01:38:57,810
gotta give yourself some credit for that

2185
01:39:02,780 --> 01:38:59,820
that a time DeLong was interested in

2186
01:39:05,960 --> 01:39:02,790
your work you know and of course Tom

2187
01:39:08,180 --> 01:39:05,970
DeLonge I you know I'm optimist that he

2188
01:39:10,820 --> 01:39:08,190

he's doing what he's what he thinks is

2189

01:39:13,400 --> 01:39:10,830

right you know I don't think that he's

2190

01:39:15,440 --> 01:39:13,410

trying to be malicious with his the way

2191

01:39:18,470 --> 01:39:15,450

he perceives this I think that you know

2192

01:39:20,060 --> 01:39:18,480

if anything he's you know of course like

2193

01:39:22,010 --> 01:39:20,070

again he didn't have his own experience

2194

01:39:25,460 --> 01:39:22,020

so he's he's basing a lot of this other

2195

01:39:28,190 --> 01:39:25,470

stuff on theories of other people and

2196

01:39:30,800 --> 01:39:28,200

and allegedly what he's what information

2197

01:39:34,040 --> 01:39:30,810

is he's being fed through his different

2198

01:39:35,360 --> 01:39:34,050

contacts but again you know you have

2199

01:39:36,470 --> 01:39:35,370

different people being fed information

2200

01:39:38,390 --> 01:39:36,480

and they're coming out with these

2201
01:39:41,390 --> 01:39:38,400
different stories you have Tom DeLonge

2202
01:39:44,090 --> 01:39:41,400
who you know has all these insiders

2203
01:39:47,390 --> 01:39:44,100
allegedly well he does have them and

2204
01:39:49,310 --> 01:39:47,400
he's kind of has this negative spin on

2205
01:39:51,470 --> 01:39:49,320
the phenomenon that you know it's a bad

2206
01:39:54,350 --> 01:39:51,480
thing for us and then you have dr. Greer

2207
01:39:56,560 --> 01:39:54,360
who has all the you know he has insiders

2208
01:39:59,840 --> 01:39:56,570
as well and he has a completely

2209
01:40:02,180 --> 01:39:59,850
different story you know regardless of

2210
01:40:05,000 --> 01:40:02,190
dr. Greer is persona and all that he you

2211
01:40:07,280 --> 01:40:05,010
know he has a different message even

2212
01:40:08,750 --> 01:40:07,290
though they're they probably have you

2213
01:40:10,250 --> 01:40:08,760

know carry over on their on their

2214

01:40:13,850 --> 01:40:10,260

insiders their price because some of the

2215

01:40:17,270 --> 01:40:13,860

same people yeah but for both groups the

2216

01:40:20,960 --> 01:40:17,280

key here is that the basic statistical

2217

01:40:23,360 --> 01:40:20,970

research was never done and and that's

2218

01:40:25,910 --> 01:40:23,370

why you know if you speak to enough

2219

01:40:27,710 --> 01:40:25,920

people that you associate with you know

2220

01:40:30,020 --> 01:40:27,720

you're gonna be getting certain

2221

01:40:31,550 --> 01:40:30,030

information if you as I said if I hang

2222

01:40:33,500 --> 01:40:31,560

out with David Jacobs you know for the

2223

01:40:35,450 --> 01:40:33,510

next three years I'm gonna be meeting a

2224

01:40:37,970 --> 01:40:35,460

whole lot of people that he associates

2225

01:40:39,860 --> 01:40:37,980

with that have that perspective if I

2226

01:40:42,590 --> 01:40:39,870

hang out with Steven Greer you know for

2227

01:40:44,060 --> 01:40:42,600

three years I'm gonna be introduced to

2228

01:40:46,430 --> 01:40:44,070

people that have you know his

2229

01:40:48,080 --> 01:40:46,440

perspective and but but again that's not

2230

01:40:50,060 --> 01:40:48,090

academic research you know academic

2231

01:40:54,230 --> 01:40:50,070

research needs to be totally independent

2232

01:40:56,420 --> 01:40:54,240

it has to be done under an academic

2233

01:40:59,300 --> 01:40:56,430

research methodology for example dr.

2234

01:41:01,520 --> 01:40:59,310

John clemo who taught

2235

01:41:03,740 --> 01:41:01,530

wanted to give me qualitative research

2236

01:41:07,550 --> 01:41:03,750

methodology for over 40 years

2237

01:41:09,860 --> 01:41:07,560

okay he and he was the chair of our

2238

01:41:11,390 --> 01:41:09,870

academic research study okay here's the

2239

01:41:13,850 --> 01:41:11,400

guy that actually taught research

2240

01:41:16,640 --> 01:41:13,860

academic research at the graduate level

2241

01:41:18,530 --> 01:41:16,650

for master's and PhD students you know

2242

01:41:20,450 --> 01:41:18,540

he was in charge of it and we had a

2243

01:41:23,510 --> 01:41:20,460

whole team of people that were pedes

2244

01:41:26,990 --> 01:41:23,520

these that took our could research

2245

01:41:28,700 --> 01:41:27,000

methodology at a graduate level I had

2246

01:41:31,550 --> 01:41:28,710

you know I had a year and a half of

2247

01:41:33,890 --> 01:41:31,560

Statistics you know these are the people

2248

01:41:35,810 --> 01:41:33,900

that were involved in developing this so

2249

01:41:37,730 --> 01:41:35,820

you know just hanging around with Steve

2250

01:41:41,210 --> 01:41:37,740

angry or David Jacobs that's not

2251

01:41:42,980 --> 01:41:41,220

academic research or Tom DeLonge and and

2252

01:41:45,350 --> 01:41:42,990

and and that's where we're we're at you

2253

01:41:47,990 --> 01:41:45,360

know it has to be grounded in in in

2254

01:41:49,430 --> 01:41:48,000

science and academics you gotta go out

2255

01:41:51,590 --> 01:41:49,440

you got to do the work you got to get

2256

01:41:54,050 --> 01:41:51,600

the data and you got to get it from you

2257

01:41:56,890 --> 01:41:54,060

know more than just a few dozen people

2258

01:42:00,320 --> 01:41:56,900

what what you guys did

2259

01:42:02,510 --> 01:42:00,330

3200 that plus respondents that's a lot

2260

01:42:06,410 --> 01:42:02,520

of data yeah from over a hundred

2261

01:42:09,650 --> 01:42:06,420

countries yeah we did it in multiple

2262

01:42:11,180 --> 01:42:09,660

languages and in the different languages

2263

01:42:13,250 --> 01:42:11,190

we still get the same results actually

2264

01:42:16,760 --> 01:42:13,260

in Spanish that's even more of a

2265

01:42:20,270 --> 01:42:16,770

transformation and more positive the

2266

01:42:22,340 --> 01:42:20,280

experiences you're right you have

2267

01:42:25,220 --> 01:42:22,350

anything else for us we're just about

2268

01:42:28,430 --> 01:42:25,230

ready to wrap up here no it's just that

2269

01:42:31,130 --> 01:42:28,440

our documentary will probably take about

2270

01:42:34,310 --> 01:42:31,140

another year to develop we're a volume

2271

01:42:37,450 --> 01:42:34,320

two book is gonna be put out in the

2272

01:42:41,060 --> 01:42:37,460

summer of next year our website is

2273

01:42:43,090 --> 01:42:41,070

experience org we have two websites the

2274

01:42:45,080 --> 01:42:43,100

other website is consciousness and

2275

01:42:47,570 --> 01:42:45,090

contact org

2276

01:42:50,690 --> 01:42:47,580

and then if anyone wants to send me an

2277

01:42:53,180 --> 01:42:50,700

email and if you want to receive a copy

2278

01:42:55,250 --> 01:42:53,190

of chapter one which is the main chapter

2279

01:42:55,970 --> 01:42:55,260

of our book and I'm just gonna send it

2280

01:42:59,240 --> 01:42:55,980

out to you for free

2281

01:43:04,010 --> 01:42:59,250

send us an email to info at experience

2282

01:43:06,590 --> 01:43:04,020

org info at experiencer dot org and and

2283

01:43:09,320 --> 01:43:06,600

myself married rod Roland dr. Rudy

2284

01:43:12,320 --> 01:43:09,330

shields have been invited to speak at

2285

01:43:15,290 --> 01:43:12,330

several major in UFO conferences

2286

01:43:19,120 --> 01:43:15,300

first one is UFO Megacon and that's

2287

01:43:23,090 --> 01:43:19,130

gotta be in March of 20 of this year

2288

01:43:25,730 --> 01:43:23,100

2019 UFO Megacon we were also invited to

2289

01:43:30,650 --> 01:43:25,740

speak at contact in the desert and

2290

01:43:32,360 --> 01:43:30,660

that's the first week of June and all of

2291

01:43:35,030 --> 01:43:32,370

us all three of us will be there in the

2292

01:43:36,500 --> 01:43:35,040

first time the UFO Megacon conference

2293

01:43:38,060 --> 01:43:36,510

which is going to be held in Las Vegas

2294

01:43:38,690 --> 01:43:38,070

where all three of us are going to be

2295

01:43:41,360 --> 01:43:38,700

together

2296

01:43:45,140 --> 01:43:41,370

and I was also invited to speak at the

2297

01:43:51,500 --> 01:43:45,150

Arkansas UFO conference and that is in

2298

01:43:53,600 --> 01:43:51,510

May of 2019 and the lady from Dolores

2299

01:43:56,120 --> 01:43:53,610

cannons press her daughter

2300

01:44:01,190 --> 01:43:56,130

I forgot the formal name of the company

2301

01:44:04,760 --> 01:44:01,200

is interested in publishing a a smaller

2302

01:44:07,220 --> 01:44:04,770

revised version of freeze research and

2303

01:44:10,040 --> 01:44:07,230

of our theoretical book we're going to

2304

01:44:12,950 --> 01:44:10,050

be merging them both together putting it

2305

01:44:16,790 --> 01:44:12,960

under 250 pages and reading it and

2306

01:44:19,910 --> 01:44:16,800

presenting it so the masses the

2307

01:44:22,400 --> 01:44:19,920

non-academic audience is able to

2308

01:44:26,420 --> 01:44:22,410

understand what what we're doing that's

2309

01:44:28,280 --> 01:44:26,430

good idea well this is a fantastic array

2310

01:44:30,050 --> 01:44:28,290

I certainly appreciate you coming on

2311

01:44:33,020 --> 01:44:30,060

with this we covered everything that

2312

01:44:38,290 --> 01:44:33,030

we're looking to cover and James you got

2313

01:44:41,540 --> 01:44:38,300

anything else of course I do but we got

2314

01:44:44,030 --> 01:44:41,550

ours ray you know I could probably talk

2315

01:44:47,390 --> 01:44:44,040

to you for days days days it's nonstop

2316

01:44:49,040 --> 01:44:47,400

this is a fascinating and we have not

2317

01:44:53,360 --> 01:44:49,050

spoken about my experiences which is

2318

01:44:55,580 --> 01:44:53,370

great you know I appreciate that

2319

01:44:57,500 --> 01:44:55,590

to an extent because for me too I like

2320

01:44:59,570 --> 01:44:57,510

to focus on the work and and yeah and

2321

01:45:01,610 --> 01:44:59,580

the data and stuff like that and and

2322

01:45:03,290 --> 01:45:01,620

communicating that because you know our

2323

01:45:05,180 --> 01:45:03,300

our own experiences are kind of like

2324

01:45:09,770 --> 01:45:05,190

impetuses themselves to kind of get

2325

01:45:11,060 --> 01:45:09,780

involved in them take this on you know

2326

01:45:12,860 --> 01:45:11,070

and and you know they can be very

2327

01:45:14,600 --> 01:45:12,870

personal well I understand that yeah I

2328

01:45:17,570 --> 01:45:14,610

don't mind talking about it in the

2329

01:45:19,430 --> 01:45:17,580

proper form but but but what it does it

2330

01:45:21,650 --> 01:45:19,440

just takes up a lot of time even talking

2331

01:45:23,480 --> 01:45:21,660

about this yeah and if you mix it with

2332

01:45:26,439 --> 01:45:23,490

the data you're gonna get comments from

2333

01:45:29,479 --> 01:45:26,449

people saying this guy so he's

2334

01:45:31,760 --> 01:45:29,489

yeah yeah and that's you know that's not

2335

01:45:33,620 --> 01:45:31,770

my battle with one of the the work I'm

2336

01:45:34,939 --> 01:45:33,630

doing is that you know I like I don't

2337

01:45:39,140 --> 01:45:34,949

put my own stuff out there like that I

2338

01:45:41,600 --> 01:45:39,150

just focus on the work yeah yeah and but

2339

01:45:48,020 --> 01:45:41,610

you know hope you know we'll definitely

2340

01:45:49,760 --> 01:45:48,030

have you on again especially and also

2341

01:45:52,300 --> 01:45:49,770

hanging around after you stop the

2342

01:45:54,350 --> 01:45:52,310

recording and we can continue to chat

2343

01:45:56,030 --> 01:45:54,360

yeah yeah right

2344

01:45:57,650 --> 01:45:56,040

well I look sad let's get right to that

2345

01:46:00,260 --> 01:45:57,660

let's wrap it up thanks everybody for

2346

01:46:02,180 --> 01:46:00,270

joining in first Christmas present I

2347

01:46:02,600 --> 01:46:02,190

think you got a good one we got more on

2348

01:46:05,390 --> 01:46:02,610

the way

2349

01:46:07,250 --> 01:46:05,400

rave thanks so very much again everybody

2350

01:46:09,350 --> 01:46:07,260

have a great week and that we will see

2351

01:46:11,630 --> 01:46:09,360

you next week with our tour to circle

2352

01:46:14,570 --> 01:46:11,640

round table featuring the one and only

2353

01:46:16,880 --> 01:46:14,580

Ryan from post disclosure world
