

PAOLA HARRIS

ON KENNETH ARNOLD, ALLEN HYNEK,
PHIL CORSO, JOHN MACK AND THE
CONTACTEE PHENOMENON

WITH CHANT HANNAH

UFONN
SUNDAY

1
00:01:03,850 --> 00:00:19,190

[Music]

2
00:01:10,480 --> 00:01:06,649

and good afternoon from Philadelphia

3
00:01:13,820 --> 00:01:10,490

Frank here ready to go with a special

4
00:01:15,889 --> 00:01:13,830

Wednesday afternoon version of UFO news

5
00:01:18,889 --> 00:01:15,899

network Sunday we've got a jam-packed

6
00:01:22,100 --> 00:01:18,899

show a fantastic guest my co-host today

7
00:01:23,749 --> 00:01:22,110

chant is going to bring her in in just a

8
00:01:25,880 --> 00:01:23,759

moment we've got a little bit of news

9
00:01:28,310 --> 00:01:25,890

we're going to discuss I'm pretty

10
00:01:32,749 --> 00:01:28,320

confident that I know exactly where all

11
00:01:33,469 --> 00:01:32,759

the very best UFO data goes for the US

12
00:01:34,999 --> 00:01:33,479

military

13
00:01:37,309 --> 00:01:35,009

I'm gonna talk about that a little bit

14

00:01:39,020 --> 00:01:37,319

later and lay that out but first things

15

00:01:42,410 --> 00:01:39,030

first that we've got a fantastic guest

16

00:01:44,779 --> 00:01:42,420

so let me bring in my coast chant Hannah

17

00:01:46,639 --> 00:01:44,789

and chant good afternoon well good

18

00:01:50,359 --> 00:01:46,649

morning to you good afternoon from the

19

00:01:52,880 --> 00:01:50,369

east how are you today and why don't you

20

00:01:54,800 --> 00:01:52,890

introduce our special guests okay I'm

21

00:01:57,889 --> 00:01:54,810

doing great Frank thank you so much yes

22

00:02:00,550 --> 00:01:57,899

we have a very special guest on today we

23

00:02:01,669 --> 00:02:00,560

have Paola Harris an Italian American

24

00:02:03,440 --> 00:02:01,679

photojournalist

25

00:02:05,960 --> 00:02:03,450

and investigative reporter in the field

26

00:02:08,749 --> 00:02:05,970

of UFOs and extraterrestrial related

27

00:02:10,880 --> 00:02:08,759

phenomena research she is also a widely

28

00:02:13,250 --> 00:02:10,890

published freelance writer especially in

29

00:02:16,400 --> 00:02:13,260

Europe she has studied extraterrestrial

30

00:02:18,050 --> 00:02:16,410

related phenomena since 1979 and is on

31

00:02:20,720 --> 00:02:18,060

personal terms with many of the leading

32

00:02:24,229 --> 00:02:20,730

researchers in the field from 1980

33

00:02:26,600 --> 00:02:24,239

through 1986 she assisted dr. J Allen

34

00:02:29,360 --> 00:02:26,610

Hynek with his UFO investigations and

35

00:02:31,070 --> 00:02:29,370

has interviewed many top military

36

00:02:34,640 --> 00:02:31,080

witnesses concerning their involvement

37

00:02:37,009 --> 00:02:34,650

in the government truth embargo in 97

38

00:02:39,199 --> 00:02:37,019

miss Harris met and interviewed Colonel

39

00:02:41,630 --> 00:02:39,209

Philip Corso in Roswell New Mexico and

40

00:02:44,149 --> 00:02:41,640

became a personal friend and confidant

41

00:02:46,070 --> 00:02:44,159

she was instrumental in having his book

42

00:02:48,050 --> 00:02:46,080

the day after Roswell for which she

43

00:02:50,509 --> 00:02:48,060

wrote the preface translated into

44

00:02:53,059 --> 00:02:50,519

Italian she returned to Roswell in the

45

00:02:55,309 --> 00:02:53,069

summer of 2003 for the American debut of

46

00:02:58,100 --> 00:02:55,319

her newly revised book connecting the

47

00:03:00,800 --> 00:02:58,110

dots making sense of the UFO phenomena

48

00:03:03,020 --> 00:03:00,810

her second book is entitled how do you

49

00:03:05,540 --> 00:03:03,030

speak to a ball of light details

50

00:03:09,140 --> 00:03:05,550

possible conclusions to UFO enigma and

51
00:03:10,819 --> 00:03:09,150
orbs and spheres of light one of pale is

52
00:03:13,600 --> 00:03:10,829
most recently published books

53
00:03:17,510 --> 00:03:13,610
Exopolitics stargate - a new reality

54
00:03:20,270 --> 00:03:17,520
contains 23 new exciting interviews with

55
00:03:22,550 --> 00:03:20,280
international expert witnesses and has

56
00:03:25,610 --> 00:03:22,560
also been translated into Italian and

57
00:03:28,339 --> 00:03:25,620
Spanish her book all of the above all

58
00:03:29,839 --> 00:03:28,349
the above and beyond has ten earner view

59
00:03:32,229 --> 00:03:29,849
interviews with Latin American

60
00:03:34,460 --> 00:03:32,239
contactees about meeting human-like

61
00:03:36,500 --> 00:03:34,470
extraterrestrials who are coming off

62
00:03:40,870 --> 00:03:36,510
ships to interact with humans in Latin

63
00:03:43,970 --> 00:03:40,880

America released in 2018 her latest book

64

00:03:46,449 --> 00:03:43,980

conversations with Colonel Corso details

65

00:03:47,570 --> 00:03:46,459

the armies and Corsos role and

66

00:03:50,449 --> 00:03:47,580

back-engineering

67

00:03:52,340 --> 00:03:50,459

alien technology and the Pentagon miss

68

00:03:55,850 --> 00:03:52,350

harris has her own youtube channel and

69

00:03:58,250 --> 00:03:55,860

is also in the video fast walkers put

70

00:04:00,589 --> 00:03:58,260

out by safe space producer robert miles

71

00:04:03,170 --> 00:04:00,599

and her interview of canadian former

72

00:04:05,420 --> 00:04:03,180

Minister of Defence Paul Hellyer has

73

00:04:07,400 --> 00:04:05,430

been translated into four languages and

74

00:04:09,380 --> 00:04:07,410

many of her interviews are on YouTube

75

00:04:11,449 --> 00:04:09,390

she has spoken all through Europe

76

00:04:15,710 --> 00:04:11,459

Ireland England Norway Switzerland

77

00:04:18,289 --> 00:04:15,720

Colombia Argentina Chile Germany and

78

00:04:21,039 --> 00:04:18,299

Belgium of the importance of full

79

00:04:25,340 --> 00:04:21,049

disclosure her new production company

80

00:04:27,860 --> 00:04:25,350

star works USA produces these star works

81

00:04:30,680 --> 00:04:27,870

USA Laughlin UFOs and consciousness

82

00:04:32,840 --> 00:04:30,690

November conferences it will continue to

83

00:04:34,880 --> 00:04:32,850

bring international speakers to the USA

84

00:04:37,730 --> 00:04:34,890

the intention being to promote

85

00:04:41,060 --> 00:04:37,740

disclosure consciousness-raising an EXO

86

00:04:43,340 --> 00:04:41,070

political dialogue worldwide Paola lives

87

00:04:46,909 --> 00:04:43,350

in Longmont Colorado and travels to Rome

88

00:04:48,409 --> 00:04:46,919

and Italy often she has a master's

89

00:04:51,260 --> 00:04:48,419

degree in education

90

00:04:54,830 --> 00:04:51,270

she teaches history and photojournalism

91

00:04:58,190 --> 00:04:54,840

and online classes in Exopolitics for

92

00:04:59,690 --> 00:04:58,200

dr. michael Salas Exopolitics Institute

93

00:05:03,460 --> 00:04:59,700

for which she is an international

94

00:05:07,010 --> 00:05:03,470

liaison director welcome Paola

95

00:05:09,770 --> 00:05:07,020

well I it's easier to say Paula Harris

96

00:05:12,740 --> 00:05:09,780

let's do fall out it falls in America

97

00:05:16,520 --> 00:05:12,750

yeah for the American audience Paula

98

00:05:18,620 --> 00:05:16,530

loves really hard you know so I think

99

00:05:19,969 --> 00:05:18,630

Paula would be good in think you I've

100

00:05:22,880 --> 00:05:19,979

been looking forward to this you've been

101
00:05:24,820 --> 00:05:22,890
writing to me so I've been following you

102
00:05:27,350 --> 00:05:24,830
on facebook

103
00:05:32,059 --> 00:05:27,360
wonderful we're so glad to have you here

104
00:05:34,159 --> 00:05:32,069
the show with us well thanks it's

105
00:05:37,279 --> 00:05:34,169
important that you know we talked about

106
00:05:39,740 --> 00:05:37,289
this because this subject is something

107
00:05:41,779 --> 00:05:39,750
that I dream about should be in the

108
00:05:43,480 --> 00:05:41,789
university I mean what's happened is

109
00:05:46,730 --> 00:05:43,490
it's become a fringe subject

110
00:05:49,969 --> 00:05:46,740
entertainment little great aliens a lot

111
00:05:51,890 --> 00:05:49,979
of silliness and I you know having a

112
00:05:54,200 --> 00:05:51,900
master's in education and being a high

113
00:05:57,020 --> 00:05:54,210

school English teacher for 30 years I

114

00:05:59,540 --> 00:05:57,030

really want to talk to serious people

115

00:06:03,170 --> 00:05:59,550

about all of the data which is so much

116

00:06:05,540 --> 00:06:03,180

out there I mean and I wish we could do

117

00:06:08,320 --> 00:06:05,550

that in a university setting so I'm

118

00:06:11,089 --> 00:06:08,330

gonna say that right off the bat that

119

00:06:13,040 --> 00:06:11,099

well real quick I want to jump right in

120

00:06:14,990 --> 00:06:13,050

and I looked over all your stuff and

121

00:06:17,689 --> 00:06:15,000

you've covered a lot of ground over the

122

00:06:20,360 --> 00:06:17,699

years but I've got to tell you I've got

123

00:06:22,700 --> 00:06:20,370

a real fascination for anything related

124

00:06:25,249 --> 00:06:22,710

to UFOs going back to the Truman years

125

00:06:27,740 --> 00:06:25,259

and the first case the one that got

126

00:06:32,329 --> 00:06:27,750

everybody's attention back in the summer

127

00:06:34,369 --> 00:06:32,339

of 1947 was the Kenneth Arnold case not

128

00:06:38,059 --> 00:06:34,379

too long ago you had the opportunity to

129

00:06:39,469 --> 00:06:38,069

interview Kim Arnold and who's the

130

00:06:41,779 --> 00:06:39,479

daughter of that Kenneth Arnold

131

00:06:45,050 --> 00:06:41,789

I loved the interview I thought it was

132

00:06:47,890 --> 00:06:45,060

fantastic how did you find camera did

133

00:06:51,350 --> 00:06:47,900

she find you how did all that come about

134

00:06:56,149 --> 00:06:51,360

well I've been on coast to coast and and

135

00:06:57,829 --> 00:06:56,159

Arnold's granddaughter came on and after

136

00:07:00,920 --> 00:06:57,839

speak to me

137

00:07:04,850 --> 00:07:00,930

shanell her name is Janelle and that's

138

00:07:06,559 --> 00:07:04,860

Kenneth Arnold's granddaughter so I you

139

00:07:07,850 --> 00:07:06,569

know contact her she left her telephone

140

00:07:11,659 --> 00:07:07,860

number and I said can I speak to your

141

00:07:13,879 --> 00:07:11,669

mom and really it was very very tense

142

00:07:15,829 --> 00:07:13,889

because Kim Arnold did not want to speak

143

00:07:19,640 --> 00:07:15,839

she I'm Neil and journalist that ever

144

00:07:22,700 --> 00:07:19,650

got to her she said because ever since

145

00:07:25,399 --> 00:07:22,710

her father had this sighting and this is

146

00:07:27,860 --> 00:07:25,409

Oh happens a lot with that her family

147

00:07:29,390 --> 00:07:27,870

have gone through how that she didn't

148

00:07:31,129 --> 00:07:29,400

want it you know she was a little girl

149

00:07:33,920 --> 00:07:31,139

yeah well look through it again the

150

00:07:36,559 --> 00:07:33,930

people went after them that they came to

151
00:07:39,379 --> 00:07:36,569
their house that you know they accused

152
00:07:40,970 --> 00:07:39,389
her father of being a liar and you know

153
00:07:43,760 --> 00:07:40,980
what she I want to deal with all

154
00:07:45,920 --> 00:07:43,770
the UFO community and I'm gonna add

155
00:07:48,260 --> 00:07:45,930
Colonel Corso said the same thing he

156
00:07:51,380 --> 00:07:48,270
sorry he ever read the book he said the

157
00:07:54,440 --> 00:07:51,390
whole community as you know came after

158
00:07:56,780 --> 00:07:54,450
him to in the sad part Frank is that our

159
00:07:59,690 --> 00:07:56,790
own people our own researchers become

160
00:08:01,220 --> 00:07:59,700
the debunkers they don't do the

161
00:08:04,160 --> 00:08:01,230
background they don't do the homework

162
00:08:06,530 --> 00:08:04,170
all they do is it's just anybody that

163
00:08:08,570 --> 00:08:06,540

comes out of the woodwork with somebody

164

00:08:10,490 --> 00:08:08,580

like Colonel Corso who worked in the

165

00:08:13,400 --> 00:08:10,500

Pentagon went through hell so he never

166

00:08:16,670 --> 00:08:13,410

spoke in the United States he ended up

167

00:08:19,070 --> 00:08:16,680

we I was living in Italy for 15 years so

168

00:08:26,510 --> 00:08:19,080

we ended up bringing him to Europe and

169

00:08:27,920 --> 00:08:26,520

that's enough yes I'm here low yep okay

170

00:08:29,620 --> 00:08:27,930

yeah you broke up a little bit sorry

171

00:08:32,240 --> 00:08:29,630

about that

172

00:08:34,130 --> 00:08:32,250

well he's Europe is well I'll

173

00:08:36,880 --> 00:08:34,140

just recap what I said he didn't speak

174

00:08:41,030 --> 00:08:36,890

in the United States poke in Europe

175

00:08:43,010 --> 00:08:41,040

okay now the Arnold case it's really

176

00:08:47,600 --> 00:08:43,020

again it's a really fascinating case

177

00:08:49,400 --> 00:08:47,610

basically he was flying east that he was

178

00:08:51,560 --> 00:08:49,410

a salesman and had a large enough

179

00:08:54,380 --> 00:08:51,570

territory that he literally used to fly

180

00:08:56,360 --> 00:08:54,390

from appointment to appointment to go

181

00:08:59,780 --> 00:08:56,370

out and see his customers and he was

182

00:09:02,720 --> 00:08:59,790

flying east roughly towards Mount

183

00:09:04,670 --> 00:09:02,730

Rainier he was able to pick up the UFOs

184

00:09:07,790 --> 00:09:04,680

roughly around Mount Ranier

185

00:09:10,250 --> 00:09:07,800

and they flew basically across his field

186

00:09:12,170 --> 00:09:10,260

of view down towards Mount Hood and

187

00:09:14,510 --> 00:09:12,180

because he had sort of those mile

188

00:09:17,530 --> 00:09:14,520

markers to determine the speed he

189

00:09:20,420 --> 00:09:17,540

estimated that speed at roughly 900 to

190

00:09:22,370 --> 00:09:20,430

1500 miles an hour give or take I don't

191

00:09:25,460 --> 00:09:22,380

have the details in front of me but he

192

00:09:27,110 --> 00:09:25,470

estimated this enormous speed and that

193

00:09:29,480 --> 00:09:27,120

of course in those days there was no

194

00:09:30,920 --> 00:09:29,490

aircraft on earth capable of flying at

195

00:09:33,710 --> 00:09:30,930

those kind of speeds and that's what

196

00:09:36,590 --> 00:09:33,720

really got his attention that's what got

197

00:09:38,510 --> 00:09:36,600

national attention and that's what got

198

00:09:40,130 --> 00:09:38,520

the Air Force's attention as well of

199

00:09:41,720 --> 00:09:40,140

course the Air Force came out they

200

00:09:44,900 --> 00:09:41,730

interviewed him they investigated the

201
00:09:46,940 --> 00:09:44,910
case and they basically gave him sort of

202
00:09:49,580 --> 00:09:46,950
their seal of approval that this guy's a

203
00:09:52,760 --> 00:09:49,590
solid witness and that we think he saw

204
00:09:53,530 --> 00:09:52,770
what he said he saw and that as you're

205
00:09:56,139 --> 00:09:53,540
saying that

206
00:09:57,730 --> 00:09:56,149
seemed to help with the public too much

207
00:10:01,019 --> 00:09:57,740
he got a lot of heat from the public I

208
00:10:05,050 --> 00:10:01,029
want a negative reaction you're saying

209
00:10:08,680 --> 00:10:05,060
yeah yeah and some researchers I mean

210
00:10:11,650 --> 00:10:08,690
researchers in general that was 1947

211
00:10:13,660 --> 00:10:11,660
remember 1947 is a big year the reason

212
00:10:17,590 --> 00:10:13,670
why I can assign old assailants is he

213
00:10:20,819 --> 00:10:17,600

coined the phrase flying saucer but 1947

214

00:10:25,480 --> 00:10:20,829

is also 7 as the year of Roswell

215

00:10:30,790 --> 00:10:25,490

so 1947 but I've been researching a

216

00:10:32,439 --> 00:10:30,800

crash in San Antonio New Mexico 1945 so

217

00:10:35,379 --> 00:10:32,449

and I've been working on it for seven

218

00:10:37,180 --> 00:10:35,389

years so the Army Air Force at that time

219

00:10:40,509 --> 00:10:37,190

it was not just the Air Force they were

220

00:10:42,970 --> 00:10:40,519

together know about UFOs they knew about

221

00:10:44,889 --> 00:10:42,980

it I mean if you're having crashes in

222

00:10:47,620 --> 00:10:44,899

the New Mexico area right after the

223

00:10:49,840 --> 00:10:47,630

atomic bomb goes off you're not going to

224

00:10:52,990 --> 00:10:49,850

throw away all the stuff you're not

225

00:10:55,269 --> 00:10:53,000

going to not pay attention and the one

226
00:10:57,129 --> 00:10:55,279
in in San Antonio happened one month

227
00:11:01,180 --> 00:10:57,139
after the atomic bomb went off in

228
00:11:04,090 --> 00:11:01,190
Trinity site at the Trinity site near

229
00:11:05,800 --> 00:11:04,100
Socorro so they all knew they all knew

230
00:11:08,500 --> 00:11:05,810
but this all started because of the

231
00:11:11,769 --> 00:11:08,510
atomic bomb explosion somebody's

232
00:11:15,370 --> 00:11:11,779
attention was captured in other words

233
00:11:18,699 --> 00:11:15,380
somebody out there in an all the you

234
00:11:19,720 --> 00:11:18,709
know UFO land that was flying around is

235
00:11:23,829 --> 00:11:19,730
going to notice

236
00:11:28,030 --> 00:11:23,839
that's just species have gone into the

237
00:11:30,900 --> 00:11:28,040
nuclear age Paula you're talking about

238
00:11:34,300 --> 00:11:30,910

the law needs more incident right and

239

00:11:40,990 --> 00:11:34,310

the out came a little bit that came in

240

00:11:48,970 --> 00:11:41,000

right 60 okay so yeah it happened in

241

00:11:55,090 --> 00:11:48,980

August of 1947 yeah 45 not 27 two years

242

00:11:58,319 --> 00:11:55,100

before the bomb went off July 16 1945 I

243

00:12:02,590 --> 00:11:58,329

know that because I was born that year

244

00:12:04,120 --> 00:12:02,600

the thing the thing is that if there is

245

00:12:07,120 --> 00:12:04,130

a crash and it's called a San Antonio

246

00:12:09,660 --> 00:12:07,130

crash people can go online too

247

00:12:14,680 --> 00:12:09,670

little boy's room Ibaka and Jose Padilla

248

00:12:17,890 --> 00:12:14,690

saw the crash saw the craft went up to

249

00:12:20,770 --> 00:12:17,900

it reported it to the Army Air Force it

250

00:12:25,780 --> 00:12:20,780

took a week to clean up all these

251

00:12:28,300 --> 00:12:25,790

witnesses this happened the same year as

252

00:12:32,380 --> 00:12:28,310

Roger lo but it's in that New Mexico

253

00:12:36,870 --> 00:12:32,390

area then the Army Air Force knows that

254

00:12:40,840 --> 00:12:36,880

there are UFOs already in 45 before

255

00:12:42,610 --> 00:12:40,850

Kenneth Arnold before because they're

256

00:12:46,510 --> 00:12:42,620

seeing them there's pictures of them

257

00:12:49,480 --> 00:12:46,520

over the Trinity site where we exploded

258

00:12:52,270 --> 00:12:49,490

the bomb for me as a researcher the

259

00:12:57,130 --> 00:12:52,280

explosion of the atomic bomb started all

260

00:12:59,440 --> 00:12:57,140

the UFO activity yeah getting back to

261

00:13:01,000 --> 00:12:59,450

Arnold a little bit after he had his

262

00:13:02,860 --> 00:13:01,010

sighting and that initially got a lot of

263

00:13:06,100 --> 00:13:02,870

attention in a lot of ways he sort of

264

00:13:08,800 --> 00:13:06,110

became the very first UFO researcher he

265

00:13:11,980 --> 00:13:08,810

really got into it did Kim go into any

266

00:13:13,890 --> 00:13:11,990

all that a little bit I mean it was

267

00:13:16,930 --> 00:13:13,900

obviously fascinated by it

268

00:13:19,000 --> 00:13:16,940

yeah but they you know like anybody they

269

00:13:21,280 --> 00:13:19,010

try to deflect him he was interested in

270

00:13:25,180 --> 00:13:21,290

the Mori Island case that you probably

271

00:13:27,040 --> 00:13:25,190

read about oh yeah what he believes he

272

00:13:39,070 --> 00:13:27,050

believes was real but they tried to

273

00:13:41,860 --> 00:13:39,080

convince him was it basically trouble

274

00:13:44,640 --> 00:13:41,870

because it was being kept secret and you

275

00:13:47,170 --> 00:13:44,650

can't ask too many questions

276

00:13:48,910 --> 00:13:47,180

well that Maury Island case was quite a

277

00:13:50,460 --> 00:13:48,920

case because two of the the two

278

00:13:53,350 --> 00:13:50,470

investigators who had actually

279

00:13:55,480 --> 00:13:53,360

originally interviewed Arnold went they

280

00:13:57,790 --> 00:13:55,490

are investigated that case as well

281

00:14:00,850 --> 00:13:57,800

they picked up some sort of fragment

282

00:14:04,090 --> 00:14:00,860

from the UFO that it had dropped some

283

00:14:06,190 --> 00:14:04,100

sort of like molten metal into a boat I

284

00:14:09,340 --> 00:14:06,200

believe that the one of the witnesses

285

00:14:10,870 --> 00:14:09,350

was on and they picked it up and they

286

00:14:14,020 --> 00:14:10,880

were actually killed in a plane crash

287

00:14:16,120 --> 00:14:14,030

while they were flying back to their

288

00:14:17,800 --> 00:14:16,130

base yeah well they are trying to

289

00:14:20,560 --> 00:14:17,810
complete their investigation it's

290

00:14:21,940 --> 00:14:20,570
actually considered the first incident

291

00:14:25,180 --> 00:14:21,950
we're witness claimed that a man in

292

00:14:28,060 --> 00:14:25,190
black intimidated them him into silence

293

00:14:31,480 --> 00:14:28,070
and it took place before the Roswell

294

00:14:38,200 --> 00:14:31,490
crash there are many similarities

295

00:14:41,800 --> 00:14:38,210
between the two yeah but it's Roswell

296

00:14:45,070 --> 00:14:41,810
crash and the Roswell crash is a crash

297

00:14:47,230 --> 00:14:45,080
this is people reporting UFOs in the

298

00:14:49,960 --> 00:14:47,240
newspaper and it's getting attention so

299

00:14:51,790 --> 00:14:49,970
we got a look at the media attention and

300

00:14:54,370 --> 00:14:51,800
and this upset if you're watching

301

00:14:56,950 --> 00:14:54,380

Project Blue Book's on the History

302

00:14:59,200 --> 00:14:56,960

Channel any kind of mention in the

303

00:15:04,570 --> 00:14:59,210

newspapers can upset the powers that

304

00:15:07,980 --> 00:15:04,580

want to control this right yes yeah now

305

00:15:10,870 --> 00:15:07,990

you had mentioned Project Blue Book and

306

00:15:13,570 --> 00:15:10,880

I'm assuming very early on when you

307

00:15:17,020 --> 00:15:13,580

started researching UFOs this is when

308

00:15:20,220 --> 00:15:17,030

you came a came in contact with J Allen

309

00:15:25,290 --> 00:15:20,230

Hynek so once you tell us a little bit

310

00:15:27,700 --> 00:15:25,300

know the movie movie Close Encounters

311

00:15:29,200 --> 00:15:27,710

was like I'm not interested in you

312

00:15:31,810 --> 00:15:29,210

that's awesome I mean I was not

313

00:15:33,640 --> 00:15:31,820

interested but I was teaching school

314

00:15:35,470 --> 00:15:33,650

because I'm masters in education

315

00:15:40,770 --> 00:15:35,480

teaching science fiction and I saw Close

316

00:15:44,800 --> 00:15:40,780

Encounters in 79 blue book began in 1952

317

00:15:46,750 --> 00:15:44,810

20 years before it ended in 69 here at

318

00:15:49,480 --> 00:15:46,760

the University of Colorado with the

319

00:15:52,300 --> 00:15:49,490

condom committee comes a report that

320

00:15:54,850 --> 00:15:52,310

just whitewashed the whole thing in a

321

00:15:57,130 --> 00:15:54,860

wall about that here in Colorado bad

322

00:16:00,580 --> 00:15:57,140

karma you know whitewashed it so I

323

00:16:04,470 --> 00:16:00,590

didn't meet Alan until ten years later

324

00:16:08,020 --> 00:16:04,480

in 1979 1980 when I saw Close Encounters

325

00:16:09,820 --> 00:16:08,030

and I I went to his house in Evanston

326

00:16:14,200 --> 00:16:09,830

not his house but the Center for UFO

327

00:16:16,930 --> 00:16:14,210

studies in Evanston Illinois and there

328

00:16:19,030 --> 00:16:16,940

he was and with you know what I must

329

00:16:20,800 --> 00:16:19,040

step out to me what's happening here on

330

00:16:23,830 --> 00:16:20,810

television they don't give him the pipe

331

00:16:25,870 --> 00:16:23,840

the whole time with Allen the whole the

332

00:16:28,360 --> 00:16:25,880

whole six years he never took that pipe

333

00:16:30,040 --> 00:16:28,370

out of his mouth I mean he was chewing

334

00:16:33,730 --> 00:16:30,050

on it he smoked it

335

00:16:36,600 --> 00:16:33,740

there's no pipe here I'm going crazy

336

00:16:39,430 --> 00:16:36,610

anyway he came he came around the corner

337

00:16:43,180 --> 00:16:39,440

with this pipe and he said to me you

338

00:16:45,430 --> 00:16:43,190

338 speak Italian 1979 I said yes he said

339

00:16:48,220 --> 00:16:45,440

will you work and translate all the

340

00:16:50,860 --> 00:16:48,230

Italian sightings and that's when I

341

00:16:53,200 --> 00:16:50,870

brought Roberto peanuttu that we had

342

00:16:55,540 --> 00:16:53,210

talked about from the Kuhn over the

343

00:16:58,720 --> 00:16:55,550

America I brought him over for Allen

344

00:16:59,680 --> 00:16:58,730

Hynek and then I began working with

345

00:17:02,020 --> 00:16:59,690

Allen Hynek

346

00:17:04,990 --> 00:17:02,030

but I'll tell you all that was was

347

00:17:06,910 --> 00:17:05,000

putting pins and math I mean he called

348

00:17:09,910 --> 00:17:06,920

me and just say you know there's there's

349

00:17:12,700 --> 00:17:09,920

a flap over Indiana put five pens over

350

00:17:16,000 --> 00:17:12,710

these cities and at that time I was so

351

00:17:17,770 --> 00:17:16,010

naive and I knew nothing that I didn't

352

00:17:19,450 --> 00:17:17,780

want to deal with anything inside the

353

00:17:22,480 --> 00:17:19,460

spaceship I just wanted to put the pins

354

00:17:25,720 --> 00:17:22,490

in the map right I have gone I've gone

355

00:17:29,080 --> 00:17:25,730

360 since then I'm working Latin America

356

00:17:31,090 --> 00:17:29,090

with contactees and Thank You chance for

357

00:17:34,630 --> 00:17:31,100

mentioning that book all of the above

358

00:17:37,240 --> 00:17:34,640

and beyond contact he's in Peru that are

359

00:17:40,960 --> 00:17:37,250

seeing spacemen walk off ships I've gone

360

00:17:42,730 --> 00:17:40,970

a long way yes we'd like to talk to you

361

00:17:44,830 --> 00:17:42,740

later about that that's very interesting

362

00:17:47,860 --> 00:17:44,840

I have my own questions about that

363

00:17:49,360 --> 00:17:47,870

I would like to hear more about dr.

364

00:17:58,750 --> 00:17:49,370

Hynek though if you'd like to share more

365

00:18:01,510 --> 00:17:58,760

about him anything personal yeah Taurus

366

00:18:03,610 --> 00:18:01,520

was Sagittarius rising I was a Taurus

367

00:18:06,460 --> 00:18:03,620

legendary this Friday he basically was

368

00:18:08,890 --> 00:18:06,470

very absent-minded I drove the car when

369

00:18:11,260 --> 00:18:08,900

he was here in Colorado and he'd forget

370

00:18:13,600 --> 00:18:11,270

his umbrella has hi everything and so

371

00:18:16,780 --> 00:18:13,610

but we would discuss he was an

372

00:18:23,110 --> 00:18:16,790

astronomer no he would say to me Paulo

373

00:18:25,570 --> 00:18:23,120

don't ever mistake Venus for a UFO close

374

00:18:29,050 --> 00:18:25,580

friends with the family Mimi

375

00:18:30,220 --> 00:18:29,060

Hynek was amazing she's nothing nothing

376

00:18:35,680 --> 00:18:30,230

like the one on TV

377

00:18:38,980 --> 00:18:35,690

nothing archaeology very intellectual

378

00:18:43,390 --> 00:18:38,990

lady and of course I'm friends with pop

379

00:18:45,250 --> 00:18:43,400

Hynek his younger son and I'm going to

380

00:18:47,529 --> 00:18:45,260

be doing some work with him here in

381

00:18:50,349 --> 00:18:47,539

Colorado he's coming to do

382

00:18:52,180 --> 00:18:50,359

lecture so I knew the family I knew this

383

00:18:53,859 --> 00:18:52,190

was real I mean you're you're working

384

00:18:55,419 --> 00:18:53,869

with an astronomer you don't ask our

385

00:18:58,149 --> 00:18:55,429

UFOs real when you're working with a

386

00:19:02,109 --> 00:18:58,159

scientist but I have nothing to do with

387

00:19:05,919 --> 00:19:02,119

the 701 Blue Book cases because they

388

00:19:12,580 --> 00:19:05,929

closed that program in 1969 we were on

389

00:19:14,830 --> 00:19:12,590

to other stuff I see so basically he was

390

00:19:16,869 --> 00:19:14,840

reaching out now looking for more of the

391

00:19:19,599 --> 00:19:16,879

international cases you had mentioned

392

00:19:20,799 --> 00:19:19,609

being focused on Italy was do you know

393

00:19:23,409 --> 00:19:20,809

if he had somebody else who could speak

394

00:19:26,169 --> 00:19:23,419

French or Portuguese and pick up cases

395

00:19:29,619 --> 00:19:26,179

for maybe Brazil or France or he was

396

00:19:32,859 --> 00:19:29,629

working on that he was and if you want

397

00:19:34,810 --> 00:19:32,869

to know about where he was he came to

398

00:19:37,029 --> 00:19:34,820

Italy about four times but that's

399

00:19:39,879 --> 00:19:37,039

because I know Italy but if you want to

400

00:19:41,710 --> 00:19:39,889

work uh you want to read the real story

401
00:19:45,219 --> 00:19:41,720
of what was going on you have to read

402
00:19:47,649 --> 00:19:45,229
jock ballets volume three forbidden

403
00:19:50,229 --> 00:19:47,659
science because it's a diary of all the

404
00:19:54,180 --> 00:19:50,239
places Hynek was and Jacques de Molay

405
00:19:56,619 --> 00:19:54,190
was a Brit is a brilliant writer and

406
00:19:59,560 --> 00:19:56,629
volume three forbidden science says

407
00:20:02,529 --> 00:19:59,570
everything it has the the CIA

408
00:20:03,969 --> 00:20:02,539
involvement you know what they all they

409
00:20:08,109 --> 00:20:03,979
want to spend this

410
00:20:11,109 --> 00:20:08,119
allons frustration his going to Brazil

411
00:20:13,570 --> 00:20:11,119
and Latin America it has all of that but

412
00:20:15,669 --> 00:20:13,580
my frustration chant is that people

413
00:20:17,950 --> 00:20:15,679

don't read anymore what they do is get

414

00:20:21,219 --> 00:20:17,960

their information quick and dirty on the

415

00:20:23,589 --> 00:20:21,229

internet yeah they take very little time

416

00:20:26,169 --> 00:20:23,599

to do research I research day and night

417

00:20:31,479 --> 00:20:26,179

and I've been telling people the same

418

00:20:36,389 --> 00:20:31,489

thing which I stand behind and that is

419

00:20:39,609 --> 00:20:36,399

the topic of UF ology is similar to me

420

00:20:43,029 --> 00:20:39,619

to science in that you can never really

421

00:20:46,989 --> 00:20:43,039

know all of it and be an expert on it in

422

00:20:50,460 --> 00:20:46,999

its in totality but you can be an expert

423

00:20:55,269 --> 00:20:50,470

on it or try to be in in different

424

00:20:57,460 --> 00:20:55,279

respects of it so I think you can only

425

00:20:59,249 --> 00:20:57,470

be an expert on it because you know I'm

426

00:21:00,360 --> 00:20:59,259

a teacher I'm gonna say this chip I

427

00:21:06,060 --> 00:21:00,370

can't

428

00:21:08,990 --> 00:21:06,070

is reading the books I mean nobody read

429

00:21:11,610 --> 00:21:09,000

the books about the original source of

430

00:21:19,950 --> 00:21:11,620

anthropology or history how can you

431

00:21:22,530 --> 00:21:19,960

teach all these people I know everybody

432

00:21:26,280 --> 00:21:22,540

in the field from John Mack to Jesse

433

00:21:29,360 --> 00:21:26,290

Marcel you're the colonel Corso to

434

00:21:35,850 --> 00:21:29,370

everybody so I not only read everything

435

00:21:40,440 --> 00:21:35,860

but I yes including experiencers

436

00:21:43,169 --> 00:21:40,450

contactees and the like you had

437

00:21:45,450 --> 00:21:43,179

mentioned crossing paths with the Hynek

438

00:21:46,919 --> 00:21:45,460

and then mentioned ballet I did while

439

00:21:48,600 --> 00:21:46,929

you were working with Hynek or since

440

00:21:50,549 --> 00:21:48,610

then have you ever crossed paths with

441

00:21:53,760 --> 00:21:50,559

him because he is still at it even after

442

00:21:55,890 --> 00:21:53,770

all these years he's still involved yeah

443

00:21:58,860 --> 00:21:55,900

last year I met him for the first time I

444

00:22:00,450 --> 00:21:58,870

was fascinated with him he is the best

445

00:22:05,070 --> 00:22:00,460

of the best of the best

446

00:22:07,980 --> 00:22:05,080

he's almost 79 now and I think he has

447

00:22:10,799 --> 00:22:07,990

more answers than anybody and it's

448

00:22:13,260 --> 00:22:10,809

making the most sense he's amazing he's

449

00:22:16,919 --> 00:22:13,270

an amazing man I love that man he's very

450

00:22:19,350 --> 00:22:16,929

gentle but then he gave me three of his

451
00:22:21,510 --> 00:22:19,360
volumes of forbidden science and I went

452
00:22:23,340 --> 00:22:21,520
through them with you know you just like

453
00:22:30,660 --> 00:22:23,350
to do in high school with what'd he call

454
00:22:32,910 --> 00:22:30,670
it oh my god what I've been looking for

455
00:22:34,830 --> 00:22:32,920
here's the answer and I highlighted all

456
00:22:37,590 --> 00:22:34,840
the books and I'm going oh this is

457
00:22:40,200 --> 00:22:37,600
everything this is what I wanted it he

458
00:22:42,210 --> 00:22:40,210
did it all I mean yes he knows where I

459
00:22:44,610 --> 00:22:42,220
didn't know him back then but I guess

460
00:22:50,940 --> 00:22:44,620
destiny had it that I would not need him

461
00:22:54,530 --> 00:22:50,950
until he was like 79 didn't dr. Hynek

462
00:22:58,020 --> 00:22:54,540
ever expressed to you any irritation or

463
00:23:00,600 --> 00:22:58,030

frustration at scepticism that he might

464

00:23:05,490 --> 00:23:00,610

have encountered regarding his studies

465

00:23:07,650 --> 00:23:05,500

of the phenomenon of us ology yeah chat

466

00:23:09,720 --> 00:23:07,660

because you know he was a skeptic you

467

00:23:13,440 --> 00:23:09,730

know that he's the one that claimed the

468

00:23:14,310 --> 00:23:13,450

term swamp gap yes which I know he felt

469

00:23:17,610 --> 00:23:14,320

very hurt

470

00:23:19,919 --> 00:23:17,620

about yeah he changed his mind and

471

00:23:21,600 --> 00:23:19,929

everybody didn't give him a break they

472

00:23:24,120 --> 00:23:21,610

go up to and say well we knew it was

473

00:23:26,909 --> 00:23:24,130

real before you did and you used swamp

474

00:23:30,539 --> 00:23:26,919

gas and you and you should never said

475

00:23:32,580 --> 00:23:30,549

that and you know and you use you know I

476

00:23:34,799 --> 00:23:32,590

know he said it in passing and then

477

00:23:37,799 --> 00:23:34,809

journalist jumped all over him about

478

00:23:40,259 --> 00:23:37,809

that took it ran with it and used that

479

00:23:42,990 --> 00:23:40,269

as the focus the focal point you know

480

00:23:45,480 --> 00:23:43,000

for their articles but did he ever tell

481

00:23:48,090 --> 00:23:45,490

you privately you know did he ever have

482

00:23:50,970 --> 00:23:48,100

any complaints to make about having to

483

00:23:53,909 --> 00:23:50,980

deal with mainstream media or anybody

484

00:23:57,149 --> 00:23:53,919

regarding skepticism about what he was

485

00:23:58,830 --> 00:23:57,159

doing for you apology because he did a

486

00:24:05,009 --> 00:23:58,840

lot for you apology after he did an

487

00:24:06,749 --> 00:24:05,019

about-face I want to know what's going

488

00:24:09,600 --> 00:24:06,759

on before I die I wish they would tell

489

00:24:11,850 --> 00:24:09,610

me and say that I want to know I want to

490

00:24:15,600 --> 00:24:11,860

know what's going on but you know that

491

00:24:18,450 --> 00:24:15,610

it's now in deep black projects I mean I

492

00:24:21,629 --> 00:24:18,460

just did an interview with Emery Smith

493

00:24:24,060 --> 00:24:21,639

from and he's really involved in deep

494

00:24:26,100 --> 00:24:24,070

back projects I couldn't even believe

495

00:24:27,330 --> 00:24:26,110

that it's gone underground but it's gone

496

00:24:31,169 --> 00:24:27,340

underground in the military-industrial

497

00:24:33,090 --> 00:24:31,179

complex I mean the real reason you don't

498

00:24:34,769 --> 00:24:33,100

know anything we don't know anything is

499

00:24:37,009 --> 00:24:34,779

because they're making money off of it

500

00:24:39,690 --> 00:24:37,019

and they're not about to tell everybody

501
00:24:42,379 --> 00:24:39,700
and it's got nothing to do with the

502
00:24:45,029 --> 00:24:42,389
religion it's got nothing to do with

503
00:24:47,909 --> 00:24:45,039
scaring people it's got nothing to do

504
00:24:49,440 --> 00:24:47,919
with that it's an economic issue and I

505
00:24:52,230 --> 00:24:49,450
didn't understand that until I met

506
00:24:54,419 --> 00:24:52,240
Colonel Corso and he told me all the

507
00:24:57,299 --> 00:24:54,429
companies he went to with the artifacts

508
00:25:01,100 --> 00:24:57,309
that he had and that they were making

509
00:25:04,350 --> 00:25:01,110
money off of it and he said the primary

510
00:25:07,409 --> 00:25:04,360
source was to make weapons of war of

511
00:25:10,259 --> 00:25:07,419
course he changed his mind like kind of

512
00:25:12,690 --> 00:25:10,269
changed his mind like John Mack changed

513
00:25:15,690 --> 00:25:12,700

his mind these people that began as

514

00:25:18,090 --> 00:25:15,700

skeptics that saw things one way they

515

00:25:21,779 --> 00:25:18,100

change their mind when they saw things

516

00:25:24,450 --> 00:25:21,789

another way and I really admired those

517

00:25:27,509 --> 00:25:24,460

people because those people didn't you

518

00:25:28,259 --> 00:25:27,519

know when someone tells you that it's

519

00:25:30,359 --> 00:25:28,269

not it

520

00:25:33,779 --> 00:25:30,369

shouldn't be making weapons of war and

521

00:25:36,209 --> 00:25:33,789

using these these these technologies for

522

00:25:37,649 --> 00:25:36,219

for this and then you change your mind

523

00:25:41,669 --> 00:25:37,659

and say no I'm going to talk about it

524

00:25:45,119 --> 00:25:41,679

you become a hero and that's who I dealt

525

00:25:47,549 --> 00:25:45,129

with with all of these heroes that I

526

00:25:51,599 --> 00:25:47,559

consider heroes who are no longer with

527

00:25:53,849 --> 00:25:51,609

us unfortunately you and mentioned of

528

00:25:56,119 --> 00:25:53,859

course oh and how did you cross paths

529

00:26:02,940 --> 00:25:56,129

with him how did all that come about

530

00:26:04,589 --> 00:26:02,950

yeah well something I'm on my way to the

531

00:26:07,909 --> 00:26:04,599

consciousness life Expo to do a

532

00:26:12,419 --> 00:26:07,919

presentation on all the coincidences and

533

00:26:14,940 --> 00:26:12,429

the stuff in my life and that was one of

534

00:26:17,729 --> 00:26:14,950

them I was living in Italy my boss said

535

00:26:19,829 --> 00:26:17,739

you got to go to the 50th anniversary of

536

00:26:21,449 --> 00:26:19,839

Roswell we know it's a big party

537

00:26:24,149 --> 00:26:21,459

everybody in the world who's anybody

538

00:26:27,599 --> 00:26:24,159

will be there but we want you to find

539

00:26:29,669 --> 00:26:27,609

this man named Philip Corso and we want

540

00:26:31,949 --> 00:26:29,679

an interview for Italy now we want you

541

00:26:34,259 --> 00:26:31,959

to invite him here well I don't want to

542

00:26:37,680 --> 00:26:34,269

go I talk about this because I was

543

00:26:39,779 --> 00:26:37,690

getting over a a romantic love up there

544

00:26:41,129 --> 00:26:39,789

I was in depression we want to go again

545

00:26:43,319 --> 00:26:41,139

I was in depression I said I'm not

546

00:26:46,229 --> 00:26:43,329

leaving Italy knee goes yes you are

547

00:26:50,310 --> 00:26:46,239

you're going and you know the story my

548

00:26:53,459 --> 00:26:50,320

boss and I went to Roswell and course

549

00:26:56,849 --> 00:26:53,469

all the hotels are booked as of February

550

00:26:58,889 --> 00:26:56,859

and this is happening in July and I

551

00:27:00,989 --> 00:26:58,899

couldn't find a place to stay I went to

552

00:27:03,209 --> 00:27:00,999

the media place I said I'm an Italian

553

00:27:05,789 --> 00:27:03,219

journalist I need to sleep here in

554

00:27:08,579 --> 00:27:05,799

Roswell where can I get a place and they

555

00:27:11,639 --> 00:27:08,589

said open up the phone book and I opened

556

00:27:14,699 --> 00:27:11,649

up the phone book and it was I call the

557

00:27:16,949 --> 00:27:14,709

first place I saw the Sallyport in they

558

00:27:20,029 --> 00:27:16,959

had a room for three days in the room

559

00:27:23,009 --> 00:27:20,039

was next to Philip Corso there you go

560

00:27:31,609 --> 00:27:23,019

hahaha that's incredible I don't think

561

00:27:31,619 --> 00:27:38,700

yeah but if that's my whole life

562

00:27:45,330 --> 00:27:42,260

so since I had I found him at

563

00:27:46,740 --> 00:27:45,340

Museum he said he wanted to talk to me

564

00:27:50,490 --> 00:27:46,750

because he was the head of intelligence

565

00:27:53,730 --> 00:27:50,500

in 1945 in Rome he's Italian

566

00:27:56,250 --> 00:27:53,740

he's Sicilian he wants to talk to me and

567

00:27:59,550 --> 00:27:56,260

here he is in the room next to me and so

568

00:28:02,520 --> 00:27:59,560

that's a story that's holy that's a

569

00:28:04,830 --> 00:28:02,530

whole show in itself if you want to talk

570

00:28:07,440 --> 00:28:04,840

to me about that someday because when he

571

00:28:10,080 --> 00:28:07,450

came in to do the interview he gave me

572

00:28:12,870 --> 00:28:10,090

an interview about contact of whites and

573

00:28:15,390 --> 00:28:12,880

he did not give me the back-engineering

574

00:28:18,660 --> 00:28:15,400

stuff and so when he gave me the contact

575

00:28:20,550 --> 00:28:18,670

interview that he had with an ET i as a

576

00:28:23,250 --> 00:28:20,560

journalist thought people would think he

577

00:28:25,260 --> 00:28:23,260

was crazy and i didn't print it and I'm

578

00:28:27,600 --> 00:28:25,270

ashamed of that I mean I'm you know I'm

579

00:28:31,500 --> 00:28:27,610

really upset about what I did I didn't

580

00:28:33,630 --> 00:28:31,510

print it till he died but I wanted what

581

00:28:36,840 --> 00:28:33,640

I wanted was the story of his being at

582

00:28:39,600 --> 00:28:36,850

the Pentagon in the 1960s of general

583

00:28:42,570 --> 00:28:39,610

Trudeau giving him all of the artifacts

584

00:28:46,320 --> 00:28:42,580

in a file now remember this is Army so

585

00:28:48,690 --> 00:28:46,330

the Air Force had some this is only army

586

00:28:50,250 --> 00:28:48,700

because people criticize him by saying

587

00:28:51,810 --> 00:28:50,260

oh but they were already working on the

588

00:28:54,120 --> 00:28:51,820

laser but they were already working on

589

00:28:55,680 --> 00:28:54,130

this of course if the Air Force had some

590

00:28:58,860 --> 00:28:55,690

they're already going to be working on

591

00:29:00,570 --> 00:28:58,870

it the army got it when Corso had it

592

00:29:03,660 --> 00:29:00,580

when he was working in research and

593

00:29:06,930 --> 00:29:03,670

development and they and then of course

594

00:29:10,200 --> 00:29:06,940

it was very blunt about the companies he

595

00:29:13,740 --> 00:29:10,210

went to like the night screaming devices

596

00:29:16,080 --> 00:29:13,750

and the high tenacity fibers that he you

597

00:29:18,960 --> 00:29:16,090

know are like Kevlar and I'd screaming

598

00:29:21,480 --> 00:29:18,970

he said help the soldiers in Vietnam see

599

00:29:25,770 --> 00:29:21,490

you know Knights Guinea and that came he

600

00:29:27,630 --> 00:29:25,780

told me from the lens of the et and if

601
00:29:30,420 --> 00:29:27,640
you've seen this fan tilly footage they

602
00:29:34,860 --> 00:29:30,430
peel off the eye and that's the lens the

603
00:29:36,840 --> 00:29:34,870
et had a pupil under there so Corso told

604
00:29:39,120 --> 00:29:36,850
me he said I had the lens and yeah I

605
00:29:40,770 --> 00:29:39,130
could see at night we would walk up and

606
00:29:42,690 --> 00:29:40,780
down the halls of the Pentagon and could

607
00:29:48,030 --> 00:29:42,700
see all the furniture so they back

608
00:29:50,070 --> 00:29:48,040
engineered that hmm do you believe that

609
00:29:51,990 --> 00:29:50,080
all the documents in that book because

610
00:29:54,760 --> 00:29:52,000
I've read that book repeatedly the copy

611
00:29:56,649 --> 00:29:54,770
I have is worn out

612
00:29:59,159 --> 00:29:56,659
I wanted to know do you feel the

613
00:30:04,180 --> 00:29:59,169

documents in that book are all

614

00:30:06,340 --> 00:30:04,190

legitimate the problem with anything is

615

00:30:08,169 --> 00:30:06,350

when you have a ghostwriter or when you

616

00:30:11,500 --> 00:30:08,179

have a co-writer and that was Bill

617

00:30:12,880 --> 00:30:11,510

Murray the criticism that all the people

618

00:30:13,450 --> 00:30:12,890

went after him for words there were

619

00:30:15,190 --> 00:30:13,460

mistakes

620

00:30:18,039 --> 00:30:15,200

Colonel quartz it was never at Roswell

621

00:30:20,769 --> 00:30:18,049

he was at Fort Riley Kansas when he saw

622

00:30:23,320 --> 00:30:20,779

the bodies he was not at Roswell he was

623

00:30:25,840 --> 00:30:23,330

at Fort Riley and when there's mistakes

624

00:30:28,180 --> 00:30:25,850

all you need is two mistakes and they

625

00:30:29,889 --> 00:30:28,190

canceled the whole book the documents

626
00:30:32,769 --> 00:30:29,899
and project horizon that you're talking

627
00:30:35,529 --> 00:30:32,779
about chant which is taking a nuclear

628
00:30:40,799 --> 00:30:35,539
device to the moon and exploding it

629
00:30:44,649 --> 00:30:42,970
that's what we mean you know the species

630
00:30:46,990 --> 00:30:44,659
human are gonna say oh yeah we just

631
00:30:51,820 --> 00:30:47,000
discovered the moon let's take a bomb

632
00:30:54,639 --> 00:30:51,830
there and anybody you know the

633
00:30:56,529 --> 00:30:54,649
thinking is insane it's insane but

634
00:30:58,480 --> 00:30:56,539
that's what was happening

635
00:31:00,700 --> 00:30:58,490
I believe those documents were real but

636
00:31:04,450 --> 00:31:00,710
I believe there are mistakes in the book

637
00:31:06,730 --> 00:31:04,460
but then I come to find out that they

638
00:31:09,070 --> 00:31:06,740

put mistakes and a lot of whistleblowers

639

00:31:12,070 --> 00:31:09,080

books so they can have what's called

640

00:31:14,950 --> 00:31:12,080

plausible deniability Oh which means

641

00:31:16,779 --> 00:31:14,960

that they can crucify throw out the

642

00:31:19,120 --> 00:31:16,789

whole book because of two mistakes and

643

00:31:21,430 --> 00:31:19,130

you don't get the real truth plausible

644

00:31:23,830 --> 00:31:21,440

deniability is one thing that the big

645

00:31:25,600 --> 00:31:23,840

you know the wizard the insiders or

646

00:31:28,870 --> 00:31:25,610

whatever you want to call him the people

647

00:31:33,070 --> 00:31:28,880

that worked on these projects use so

648

00:31:35,409 --> 00:31:33,080

yeah I mean what we got was his original

649

00:31:38,740 --> 00:31:35,419

manuscript and that's called

650

00:31:43,180 --> 00:31:38,750

dawn of a new age and you can download

651
00:31:47,710 --> 00:31:43,190
that on open mind TV network or open

652
00:31:50,320 --> 00:31:47,720
minds TV it had to row us and Jung round

653
00:31:51,159 --> 00:31:50,330
those guys my actually my boss gave it

654
00:31:53,620 --> 00:31:51,169
to them

655
00:31:55,690 --> 00:31:53,630
amount each you used to work for them in

656
00:31:57,700 --> 00:31:55,700
Maui chill gave them the original

657
00:32:00,970 --> 00:31:57,710
manuscript with the permission of the

658
00:32:03,879 --> 00:32:00,980
Corso family of and it's called dawn of

659
00:32:06,389 --> 00:32:03,889
a new age not the day after Roswell yeah

660
00:32:08,310 --> 00:32:06,399
I'm there I see it right there

661
00:32:09,630 --> 00:32:08,320
okay and

662
00:32:14,400 --> 00:32:09,640
I understand what you mean about

663
00:32:16,620 --> 00:32:14,410

plausible deniability also I just wanted

664

00:32:18,570 --> 00:32:16,630

to mention to our listeners about

665

00:32:20,850 --> 00:32:18,580

project horizons so they understand a

666

00:32:23,130 --> 00:32:20,860

little bit more about it project horizon

667

00:32:25,710 --> 00:32:23,140

was a 1959 study to determine the

668

00:32:28,049 --> 00:32:25,720

feasibility of constructing a scientific

669

00:32:30,570 --> 00:32:28,059

military base on the moon at a time when

670

00:32:32,490 --> 00:32:30,580

the US Department of the army Department

671

00:32:35,220 --> 00:32:32,500

of the Navy Department of the Air Force

672

00:32:40,500 --> 00:32:35,230

had total responsibility for u.s. space

673

00:32:42,810 --> 00:32:40,510

program plans did you want to continue

674

00:32:45,870 --> 00:32:42,820

talking about corso or did you want to

675

00:32:51,510 --> 00:32:45,880

move on to dr. John Mack because I had a

676
00:32:53,640 --> 00:32:51,520
few questions oh well when I was

677
00:32:54,930 --> 00:32:53,650
teaching in Rome and that's how I you

678
00:32:56,310 --> 00:32:54,940
know had the money to do all this

679
00:32:58,620 --> 00:32:56,320
because this all come out of my pocket

680
00:33:01,530 --> 00:32:58,630
I've never been sponsored by anybody and

681
00:33:03,750 --> 00:33:01,540
that's that's why researchers do not go

682
00:33:06,390 --> 00:33:03,760
on location and go find out for

683
00:33:08,610 --> 00:33:06,400
themselves I was teaching at the

684
00:33:11,790 --> 00:33:08,620
American overseas school I was there for

685
00:33:14,700 --> 00:33:11,800
15 years I brought over everybody to

686
00:33:18,530 --> 00:33:14,710
speak in Italy I brought over Ryan wood

687
00:33:21,810 --> 00:33:18,540
and Linda Howe and Jesse Marcel and and

688
00:33:24,180 --> 00:33:21,820

John Mack and just a lot of different

689

00:33:26,730 --> 00:33:24,190

people John stayed with me in my

690

00:33:30,080 --> 00:33:26,740

apartment in Rome and we got to talk

691

00:33:34,880 --> 00:33:30,090

about a lot of his research at Harvard

692

00:33:38,190 --> 00:33:34,890

University and he explained to me that

693

00:33:41,730 --> 00:33:38,200

the whatever abduction scenario which

694

00:33:43,740 --> 00:33:41,740

has been which has been the focal point

695

00:33:48,720 --> 00:33:43,750

of all ufology in the United States

696

00:33:50,730 --> 00:33:48,730

alone graylien has finished in 1994 in

697

00:33:54,419 --> 00:33:50,740

Colonel Corso told me that was just a

698

00:33:57,720 --> 00:33:54,429

clone they were afraid of the human type

699

00:34:00,330 --> 00:33:57,730

people aliens that made them because he

700

00:34:03,000 --> 00:34:00,340

said the little gray is just a clone to

701
00:34:05,220 --> 00:34:03,010
fly the ship who told me a lot about the

702
00:34:08,159 --> 00:34:05,230
same thing is young male I mean this

703
00:34:10,980 --> 00:34:08,169
thing that our field here has become all

704
00:34:13,970 --> 00:34:10,990
abductions a little gray aliens is a big

705
00:34:18,570 --> 00:34:13,980
distraction to the fact that we had

706
00:34:21,750 --> 00:34:18,580
space people in the 1950s to the 1960s

707
00:34:25,680 --> 00:34:21,760
in giant Rock Southern California

708
00:34:28,230 --> 00:34:25,690
Van Tassel Adamski or fail Angelou Qi

709
00:34:31,110 --> 00:34:28,240
and Howard meander I had to go back and

710
00:34:33,000 --> 00:34:31,120
study that and go back to Southern

711
00:34:36,210 --> 00:34:33,010
California and to speak to all the

712
00:34:38,840 --> 00:34:36,220
people that knew those guys in the 1950s

713
00:34:43,919 --> 00:34:38,850

to understand we were visited by people

714

00:34:47,760 --> 00:34:43,929

space people and so all of this John

715

00:34:50,399 --> 00:34:47,770

Mack is telling me finish in 1994 and he

716

00:34:52,260 --> 00:34:50,409

said people are being directly

717

00:34:54,830 --> 00:34:52,270

downloaded tall in other words people

718

00:34:59,400 --> 00:34:54,840

are being contacted through meditation

719

00:35:03,950 --> 00:34:59,410

through you know seeing five you know

720

00:35:06,870 --> 00:35:03,960

just even Greer's protocols going out in

721

00:35:10,230 --> 00:35:06,880

you know meditating and doing calling

722

00:35:12,570 --> 00:35:10,240

down UFOs or being involved in wanting

723

00:35:15,660 --> 00:35:12,580

to communicate with them especially if

724

00:35:18,420 --> 00:35:15,670

people have like psychic abilities and

725

00:35:21,330 --> 00:35:18,430

ESP so I'm dedicating my whole

726

00:35:24,630 --> 00:35:21,340

conference this year in November 1

727

00:35:28,170 --> 00:35:24,640

through 4 in Laughlin Nevada to remote

728

00:35:30,240 --> 00:35:28,180

viewing an ESP because that's what the

729

00:35:34,200 --> 00:35:30,250

government was using to communicate with

730

00:35:36,750 --> 00:35:34,210

you know and the people in s RI and the

731

00:35:38,880 --> 00:35:36,760

ESP remote viewing is the only way you

732

00:35:41,100 --> 00:35:38,890

can really touch base with a culture

733

00:35:44,040 --> 00:35:41,110

cosmic culture that isn't going to

734

00:35:46,860 --> 00:35:44,050

school to speak your language and the

735

00:35:50,850 --> 00:35:46,870

thing is that I got interested in this

736

00:35:53,970 --> 00:35:50,860

because I have to not pay attention to

737

00:35:57,450 --> 00:35:53,980

what the mainstream UFO stuff is which

738

00:35:59,250 --> 00:35:57,460

is still little grey alien and I had to

739

00:36:02,460 --> 00:35:59,260

go back and study that we had space

740

00:36:06,030 --> 00:36:02,470

brothers and that these people were real

741

00:36:08,520 --> 00:36:06,040

and if they stopped coming here chance

742

00:36:12,090 --> 00:36:08,530

they went to Latin America to Peru to

743

00:36:15,450 --> 00:36:12,100

the chilka desert to see snow paws and

744

00:36:20,820 --> 00:36:15,460

the group in the 1970s so I had to see

745

00:36:22,950 --> 00:36:20,830

why we are hell-bent on still abductions

746

00:36:25,440 --> 00:36:22,960

little grey aliens and entertainment and

747

00:36:27,960 --> 00:36:25,450

we're not looking at the messages coming

748

00:36:30,480 --> 00:36:27,970

out of Latin America yes you touched on

749

00:36:31,110 --> 00:36:30,490

a lot of stuff there go ahead yeah real

750

00:36:34,440 --> 00:36:31,120

quick

751

00:36:35,190 --> 00:36:34,450

you had mentioned corso seeing et

752

00:36:37,589 --> 00:36:35,200

remains

753

00:36:39,750 --> 00:36:37,599

but also having a contact experience the

754

00:36:41,010 --> 00:36:39,760

he had a car I was not aware of this if

755

00:36:42,030 --> 00:36:41,020

that's the fact that unless I'm

756

00:36:45,870 --> 00:36:42,040

misunderstanding you

757

00:36:48,150 --> 00:36:45,880

he had an et contact experience is that

758

00:36:50,220 --> 00:36:48,160

correct yeah yeah do you want me to talk

759

00:36:52,819 --> 00:36:50,230

about yeah yeah yeah I'm kind of curious

760

00:36:55,710 --> 00:36:52,829

about that because I wasn't aware of it

761

00:36:59,190 --> 00:36:55,720

happened you know I was next door in the

762

00:37:01,109 --> 00:36:59,200

room next door he comes over and he says

763

00:37:04,650 --> 00:37:01,119

to me Paul I need to tell you about what

764

00:37:07,289 --> 00:37:04,660

happened to me in 1957 he says I think

765

00:37:10,140 --> 00:37:07,299

he said there was a crash over Roswell

766

00:37:13,849 --> 00:37:10,150

in 47 and the other credit there were

767

00:37:16,589 --> 00:37:13,859

two you know craft and one appeared in

768

00:37:19,620 --> 00:37:16,599

1957 that in other words there was a

769

00:37:22,170 --> 00:37:19,630

time warp went through a portal and

770

00:37:24,569 --> 00:37:22,180

appeared in 57 at White Sands and I said

771

00:37:27,420 --> 00:37:24,579

how do you know that and he said because

772

00:37:30,420 --> 00:37:27,430

he said as I was driving in the desert

773

00:37:32,730 --> 00:37:30,430

I saw craft sitting on the ground on

774

00:37:36,329 --> 00:37:32,740

near White Sands he told me where it was

775

00:37:38,339 --> 00:37:36,339

near Red Canyon and he said I went up to

776

00:37:40,799 --> 00:37:38,349

it I was alone I was in a jeep he said

777

00:37:42,960 --> 00:37:40,809

and the craft was appearing and

778

00:37:46,289 --> 00:37:42,970

disappearing so I threw some cactus

779

00:37:48,450 --> 00:37:46,299

under it it splashed the cactus he said

780

00:37:51,390 --> 00:37:48,460

so I knew it was physical and from the

781

00:37:54,000 --> 00:37:51,400

left-hand side of you out of a cave came

782

00:37:56,579 --> 00:37:54,010

a little being it was a little man it

783

00:38:00,059 --> 00:37:56,589

was not a grey he had a helmet and he

784

00:38:01,230 --> 00:38:00,069

had a silver band with a red stone in

785

00:38:04,260 --> 00:38:01,240

the middle which she called the

786

00:38:06,539 --> 00:38:04,270

interface and then he added because I

787

00:38:08,609 --> 00:38:06,549

listened very carefully we had seven or

788

00:38:11,730 --> 00:38:08,619

several of those in the Pentagon and I

789

00:38:13,500 --> 00:38:11,740

thought whoa and he said that rental

790

00:38:15,180 --> 00:38:13,510

cars are being Italian and Sicilian

791

00:38:17,760 --> 00:38:15,190

pulled out his beretta has gone and

792

00:38:20,609 --> 00:38:17,770

pointed about the being in the being

793

00:38:23,039 --> 00:38:20,619

said could you shut down your radars

794

00:38:25,620 --> 00:38:23,049

they are interfering and I can't leave

795

00:38:28,170 --> 00:38:25,630

and that is why all the crashes because

796

00:38:31,500 --> 00:38:28,180

of the the interference of the radars

797

00:38:34,530 --> 00:38:31,510

with the propulsion of these craft and

798

00:38:37,620 --> 00:38:34,540

so Pearl Corso said yeah but what will

799

00:38:40,319 --> 00:38:37,630

you have to offer me no he said are you

800

00:38:43,230 --> 00:38:40,329

a friend or a foe any points for done

801
00:38:45,089 --> 00:38:43,240
and he asked me what do you think he

802
00:38:48,720 --> 00:38:45,099
said Paul and I said and said neither

803
00:38:48,930 --> 00:38:48,730
and that's what he said neither I'm not

804
00:38:50,700 --> 00:38:48,940
you

805
00:38:53,040 --> 00:38:50,710
friend or foe that's the bottom line of

806
00:38:54,540 --> 00:38:53,050
ETA contact by the way they're not

807
00:38:58,470 --> 00:38:54,550
friends and they're not posed they're

808
00:39:00,270 --> 00:38:58,480
just there uh and he said we shut down

809
00:39:02,339 --> 00:39:00,280
your Ito's and Colonel Corso said what

810
00:39:05,099 --> 00:39:02,349
do you have to offer me and the being

811
00:39:08,130 --> 00:39:05,109
said and Colonel courser writes this on

812
00:39:11,069 --> 00:39:08,140
a napkin and he said a new world if you

813
00:39:12,930 --> 00:39:11,079

can take it and then he and Corso turns

814

00:39:16,109 --> 00:39:12,940

around Kimmy says what does that mean

815

00:39:18,660 --> 00:39:16,119

Paulo and my answer and I'm ashamed

816

00:39:20,130 --> 00:39:18,670

about it I don't care I don't want to

817

00:39:24,510 --> 00:39:20,140

know what that means I said I need

818

00:39:26,550 --> 00:39:24,520

another kind of interview it's like I'm

819

00:39:29,069 --> 00:39:26,560

going don't give me that then it was too

820

00:39:31,859 --> 00:39:29,079

hard for me a new world if you can take

821

00:39:33,569 --> 00:39:31,869

it I have to offer you if you let me go

822

00:39:36,839 --> 00:39:33,579

or you want to come aboard the ship a

823

00:39:38,700 --> 00:39:36,849

new world if you can take it so a lot of

824

00:39:41,220 --> 00:39:38,710

my colleagues in the field have used

825

00:39:44,220 --> 00:39:41,230

that phrase which comes from the core so

826

00:39:47,579 --> 00:39:44,230

contact you know it's been used over and

827

00:39:50,609 --> 00:39:47,589

over again and this contact is in that

828

00:39:53,160 --> 00:39:50,619

open minds manuscript a new world if you

829

00:39:56,670 --> 00:39:53,170

can take it so we all knew about it but

830

00:39:59,730 --> 00:39:56,680

I didn't want to write about it until

831

00:40:02,010 --> 00:39:59,740

after he died and Corso had told me you

832

00:40:03,839 --> 00:40:02,020

could read my book conversations and

833

00:40:06,720 --> 00:40:03,849

crew on Colonel Corso and there's a

834

00:40:09,480 --> 00:40:06,730

drawing of the being because he sent it

835

00:40:13,349 --> 00:40:09,490

to me via fax and the being has suction

836

00:40:15,120 --> 00:40:13,359

cups on his finger it's very interesting

837

00:40:17,430 --> 00:40:15,130

and this is not an abduction by the way

838

00:40:19,920 --> 00:40:17,440

I'd like to change the word abduction to

839

00:40:24,680 --> 00:40:19,930

contact because contact is a whole

840

00:40:27,450 --> 00:40:24,690

different world you know I was abducted

841

00:40:29,609 --> 00:40:27,460

somebody chant when you abduct a kid or

842

00:40:30,809 --> 00:40:29,619

a woman you slit their wrists you rate

843

00:40:31,950 --> 00:40:30,819

them and throw them in the trash and

844

00:40:34,200 --> 00:40:31,960

nobody does that

845

00:40:35,760 --> 00:40:34,210

you know I mean this is a human

846

00:40:40,380 --> 00:40:35,770

abduction which is horrible

847

00:40:42,660 --> 00:40:40,390

and and what contact is is different

848

00:40:47,309 --> 00:40:42,670

it's I think that's why I talked about

849

00:40:50,069 --> 00:40:47,319

my conference it's an effort to raise

850

00:40:52,680 --> 00:40:50,079

consciousness so I know we only have an

851
00:40:54,750 --> 00:40:52,690
hour but my bottom line is that I'm

852
00:40:58,349 --> 00:40:54,760
working to raise human consciousness so

853
00:41:01,170 --> 00:40:58,359
that this species grows up okay they're

854
00:41:02,640 --> 00:41:01,180
waiting for us to grow up yeah I'm glad

855
00:41:05,670 --> 00:41:02,650
you're talking about contact

856
00:41:07,859 --> 00:41:05,680
than the type of contact I wanted to ask

857
00:41:10,499 --> 00:41:07,869
you something before I ask you another

858
00:41:12,930 --> 00:41:10,509
question and that is you mentioned ce-5

859
00:41:14,400 --> 00:41:12,940
contact I'm gonna make a statement here

860
00:41:18,390 --> 00:41:14,410
and then I want you to correct me if I'm

861
00:41:20,730 --> 00:41:18,400
wrong and that is the ce4 category was

862
00:41:24,150 --> 00:41:20,740
not explicitly approved by dr. Hynek but

863
00:41:26,069 --> 00:41:24,160

is in wide use also the ce-5 category

864

00:41:28,890 --> 00:41:26,079

was added and created by dr. Greer from

865

00:41:30,809 --> 00:41:28,900

the C SETI organization the ce-5 is a

866

00:41:33,329 --> 00:41:30,819

term describing a fifth category of

867

00:41:34,980 --> 00:41:33,339

close encounter with extraterrestrial

868

00:41:37,440 --> 00:41:34,990

intelligence characterized by mutual

869

00:41:40,220 --> 00:41:37,450

bilateral communication rather than

870

00:41:46,130 --> 00:41:40,230

unilateral contact is that all correct

871

00:41:48,930 --> 00:41:46,140

yeah that's great that's great yes okay

872

00:41:51,480 --> 00:41:48,940

well I also wanted to make a statement

873

00:41:54,989 --> 00:41:51,490

about you and then ask you about it my

874

00:41:57,680 --> 00:41:54,999

understanding and from the many years

875

00:42:00,329 --> 00:41:57,690

that you have been deeply involved and

876

00:42:03,539 --> 00:42:00,339

dedicating your life to the topic of you

877

00:42:06,720 --> 00:42:03,549

apology and also to remote viewing now I

878

00:42:10,019 --> 00:42:06,730

wanted to know at what point did you

879

00:42:12,479 --> 00:42:10,029

start connecting the dots between UF

880

00:42:14,700 --> 00:42:12,489

ology and consciousness because I know

881

00:42:15,829 --> 00:42:14,710

you didn't necessarily start out that

882

00:42:18,749 --> 00:42:15,839

way

883

00:42:24,059 --> 00:42:18,759

two years ago but I'm not the only one

884

00:42:26,220 --> 00:42:24,069

so did grab camera the three of us Colin

885

00:42:28,890 --> 00:42:26,230

Andrews wrote a book called the edge of

886

00:42:31,620 --> 00:42:28,900

reality it's all on consciousness grant

887

00:42:33,029 --> 00:42:31,630

Cameron went from presidential UFO to

888

00:42:35,670 --> 00:42:33,039

consciousness we've been peeved at my

889

00:42:37,979 --> 00:42:35,680

conference every year because he goes to

890

00:42:40,440 --> 00:42:37,989

consciousness it's a bottom line it's

891

00:42:42,839 --> 00:42:40,450

like chant it's like the graduate school

892

00:42:44,190 --> 00:42:42,849

I can't go back to third grade and I

893

00:42:47,279 --> 00:42:44,200

don't want to play around in third and

894

00:42:50,670 --> 00:42:47,289

fourth grade anymore it's been 30 to 40

895

00:42:53,609 --> 00:42:50,680

years now and the messages from Latin

896

00:42:57,749 --> 00:42:53,619

America the messages from the giant rock

897

00:42:59,910 --> 00:42:57,759

people all of that was you I mean just

898

00:43:02,970 --> 00:42:59,920

watch The Day the Earth Stood Still a

899

00:43:05,759 --> 00:43:02,980

speech that Klaatu makes at the end

900

00:43:07,710 --> 00:43:05,769

about this species better grow up

901
00:43:10,410 --> 00:43:07,720
otherwise they will not be allowed to be

902
00:43:14,700 --> 00:43:10,420
part of a federation of kind of cosmic

903
00:43:16,470 --> 00:43:14,710
peoples and logically just logically

904
00:43:18,540 --> 00:43:16,480
because I dealt when I was in

905
00:43:19,820 --> 00:43:18,550
I dealt with one senior could audible

906
00:43:22,320 --> 00:43:19,830
dude she was a good friend

907
00:43:24,120 --> 00:43:22,330
logically God just didn't create humans

908
00:43:27,630 --> 00:43:24,130
on this planet he created humans all

909
00:43:30,000 --> 00:43:27,640
over the place and and all over planets

910
00:43:32,099 --> 00:43:30,010
we can't even see the ones from Latin

911
00:43:35,099 --> 00:43:32,109
America and I want to recommend this

912
00:43:38,160 --> 00:43:35,109
book contact from Planet Apple by

913
00:43:41,420 --> 00:43:38,170

Ricardo Gonzalez is talking about the

914

00:43:44,340 --> 00:43:41,430

the spaceman coming off the ship and

915

00:43:47,870 --> 00:43:44,350

Ricardo's from Argentina but grew up in

916

00:43:50,340 --> 00:43:47,880

Peru the spaceman with the ecological

917

00:43:52,680 --> 00:43:50,350

messages and the messages are coming off

918

00:43:55,220 --> 00:43:52,690

the ships with right now who say they're

919

00:43:57,830 --> 00:43:55,230

related to us and they're in the

920

00:43:59,910 --> 00:43:57,840

constellation of Alpha Centauri so

921

00:44:03,270 --> 00:43:59,920

logically there's people all over the

922

00:44:07,050 --> 00:44:03,280

place and some of them are more advanced

923

00:44:09,240 --> 00:44:07,060

and want us to grow up so that the

924

00:44:12,599 --> 00:44:09,250

definition of consciousness that I have

925

00:44:14,820 --> 00:44:12,609

is can you you know a feeling of being

926

00:44:18,030 --> 00:44:14,830

awakened aware of everything of

927

00:44:21,690 --> 00:44:18,040

everything so that was only two years

928

00:44:23,670 --> 00:44:21,700

ago okay and I wanted to make a comment

929

00:44:25,440 --> 00:44:23,680

about two books your reference so folks

930

00:44:29,580 --> 00:44:25,450

can know a little bit more about them

931

00:44:31,980 --> 00:44:29,590

one is an iconic book that's a highly

932

00:44:34,560 --> 00:44:31,990

recommended that people read to know

933

00:44:38,220 --> 00:44:34,570

more about the topics were discussing

934

00:44:41,520 --> 00:44:38,230

here and more it's called the edge of

935

00:44:44,580 --> 00:44:41,530

reality which Paulo mentioned it's a

936

00:44:45,690 --> 00:44:44,590

legendary book which was written by dr.

937

00:44:58,830 --> 00:44:45,700

Allen Hynek

938

00:45:01,140 --> 00:44:58,840

and dr. Zhang okay he wrote it but I

939

00:45:03,930 --> 00:45:01,150

mentioned Colin Andrews is a crop circle

940

00:45:06,420 --> 00:45:03,940

researcher kind of look the edge of

941

00:45:08,310 --> 00:45:06,430

reality I think would jog relays so cuz

942

00:45:11,190 --> 00:45:08,320

young Willy believes it's all paranormal

943

00:45:13,140 --> 00:45:11,200

that a lot of this is paranormal right

944

00:45:17,310 --> 00:45:13,150

he has his own reality

945

00:45:20,099 --> 00:45:17,320

yeah is when Colin Andrews had his

946

00:45:21,900 --> 00:45:20,109

change of heart because he had a Colin

947

00:45:25,140 --> 00:45:21,910

it lives in Connecticut in fact you

948

00:45:26,790 --> 00:45:25,150

might want to interview him he's amazing

949

00:45:29,760 --> 00:45:26,800

and he wrote the edge of reality

950

00:45:31,650 --> 00:45:29,770

realized the crop circle phenomenon

951
00:45:34,620 --> 00:45:31,660
what people's consciousness even the

952
00:45:39,000 --> 00:45:34,630
fake ones creating the crop circle which

953
00:45:42,180 --> 00:45:39,010
were amazing I'm glad yeah and then the

954
00:45:44,160 --> 00:45:42,190
other one is is going to be I mean I

955
00:45:46,200 --> 00:45:44,170
talk about consciousness and in my last

956
00:45:47,870 --> 00:45:46,210
book all of the above and beyond but the

957
00:45:50,850 --> 00:45:47,880
other one is grant Cameron

958
00:45:53,070 --> 00:45:50,860
all right grant Cameron wrote about

959
00:45:56,970 --> 00:45:53,080
consciousness and him last books he's

960
00:46:00,060 --> 00:45:56,980
written four books now and in and and

961
00:46:02,190 --> 00:46:00,070
he's he's looking at ESP talking to the

962
00:46:04,230 --> 00:46:02,200
contactees he used to be just

963
00:46:06,900 --> 00:46:04,240

presidential UFO it used to just do

964

00:46:09,450 --> 00:46:06,910

presidents so Colin Andrews

965

00:46:10,680 --> 00:46:09,460

and the other person is is Steven Greer

966

00:46:14,370 --> 00:46:10,690

my god

967

00:46:17,820 --> 00:46:14,380

the the unacknowledged book his you know

968

00:46:19,920 --> 00:46:17,830

hidden truth look he's always been into

969

00:46:24,630 --> 00:46:19,930

consciousness Steven Greer always been

970

00:46:27,510 --> 00:46:24,640

into it knowledge is the Greer book yeah

971

00:46:29,580 --> 00:46:27,520

yeah thank you yeah let's go ahead I'm

972

00:46:31,830 --> 00:46:29,590

gonna go ahead and restate that book

973

00:46:34,050 --> 00:46:31,840

again it's actually a very long title

974

00:46:35,910 --> 00:46:34,060

but it's definitely worth the read it's

975

00:46:38,040 --> 00:46:35,920

called on the edge of reality hidden

976
00:46:40,490 --> 00:46:38,050
technology powers of the mind quantum

977
00:46:42,810 --> 00:46:40,500
physics paranormal phenomena orbs UFOs

978
00:46:45,660 --> 00:46:42,820
harmonic transmissions and crop circles

979
00:46:47,700 --> 00:46:45,670
by Colin Andrews and Cynthia answers the

980
00:46:52,560 --> 00:46:47,710
other book that you mentioned was called

981
00:46:56,670 --> 00:46:52,570
UFO contact with a from clinic ir a-- is

982
00:46:58,820 --> 00:46:56,680
that how i pronounce it no you're

983
00:47:02,010 --> 00:46:58,830
talking about the time travel book

984
00:47:04,200 --> 00:47:02,020
contact from operas by ricardo gazelle

985
00:47:08,910 --> 00:47:04,210
from office okay let me go ahead and

986
00:47:10,410 --> 00:47:08,920
look what i wanted to you AP you god by

987
00:47:12,300 --> 00:47:10,420
the way that'll blow you away that'll

988
00:47:14,640 --> 00:47:12,310

change your mind about everything that

989

00:47:17,430 --> 00:47:14,650

bad book is is contact from a poo

990

00:47:20,670 --> 00:47:17,440

because ricardo goes all over the world

991

00:47:22,800 --> 00:47:20,680

to meet with these time travelers who

992

00:47:25,680 --> 00:47:22,810

are telling him what's happening

993

00:47:28,110 --> 00:47:25,690

and recog doing himself is doing a

994

00:47:30,630 --> 00:47:28,120

retreat in crest own colorado in august

995

00:47:33,180 --> 00:47:30,640

and he was at my conference last year

996

00:47:35,790 --> 00:47:33,190

and when they cut the gonzalez speaks

997

00:47:38,430 --> 00:47:35,800

out the room empties and he goes out of

998

00:47:41,070 --> 00:47:38,440

the room everybody follows them he's a

999

00:47:43,620 --> 00:47:41,080

contact ii that has contact with with

1000

00:47:45,600 --> 00:47:43,630

space people no not you know

1001

00:47:48,720 --> 00:47:45,610

I'm trying to get away from this little

1002

00:47:51,150 --> 00:47:48,730

gray alien thing from space people of

1003

00:47:54,870 --> 00:47:51,160

real messages to say they care about us

1004

00:47:58,200 --> 00:47:54,880

and you know that that changed my whole

1005

00:48:00,660 --> 00:47:58,210

view and I've been to Colombia I've been

1006

00:48:04,560 --> 00:48:00,670

to the Atacama Desert with Ricardo I've

1007

00:48:08,460 --> 00:48:04,570

been to Argentina and I'm going back to

1008

00:48:10,530 --> 00:48:08,470

Peru in May because I don't work in the

1009

00:48:13,100 --> 00:48:10,540

United States very much chant anymore

1010

00:48:16,080 --> 00:48:13,110

because it's all one type of ufology

1011

00:48:18,510 --> 00:48:16,090

right now I wanted to go back to the

1012

00:48:20,340 --> 00:48:18,520

consciousness thing again and thank you

1013

00:48:22,770 --> 00:48:20,350

very much for having corrected me on the

1014

00:48:24,680 --> 00:48:22,780

books and because it's important that

1015

00:48:27,750 --> 00:48:24,690

the people who are listening to this

1016

00:48:30,420 --> 00:48:27,760

interview get the privilege of being

1017

00:48:33,150 --> 00:48:30,430

able to read these incredible books that

1018

00:48:36,270 --> 00:48:33,160

connect what we're talking about and how

1019

00:48:40,140 --> 00:48:36,280

important consciousness is to the topic

1020

00:48:43,680 --> 00:48:40,150

of ufology regarding how you encountered

1021

00:48:45,630 --> 00:48:43,690

the thought process of marrying UF ology

1022

00:48:48,060 --> 00:48:45,640

and consciousness together you said was

1023

00:48:50,370 --> 00:48:48,070

a couple years ago for you

1024

00:48:54,330 --> 00:48:50,380

was it remote viewing was that one of

1025

00:49:00,750 --> 00:48:54,340

the reasons that allowed you to start

1026
00:49:02,700 --> 00:49:00,760
looking more at consciousness but I

1027
00:49:04,350 --> 00:49:02,710
never stopped long enough to meditate I

1028
00:49:08,190 --> 00:49:04,360
mean I wish I could say I did all these

1029
00:49:10,920 --> 00:49:08,200
things no it was when I interviewed the

1030
00:49:18,900 --> 00:49:10,930
ten latin-american contactees that I

1031
00:49:20,730 --> 00:49:18,910
changed everything it's the night and I

1032
00:49:24,030 --> 00:49:20,740
thought oh my god were really living in

1033
00:49:26,910 --> 00:49:24,040
la-la land here in America and I had

1034
00:49:30,360 --> 00:49:26,920
also contacted and talked to the people

1035
00:49:33,270 --> 00:49:30,370
in Italy about the friendship amici Zia

1036
00:49:34,890 --> 00:49:33,280
case right I would like to send you you

1037
00:49:37,380 --> 00:49:34,900
know that one I'd like to send you the

1038
00:49:41,100 --> 00:49:37,390

link on that if that's ok can you read

1039

00:49:44,250 --> 00:49:41,110

that again yeah is it called friendship

1040

00:49:45,420 --> 00:49:44,260

I mean sheets in Italian and but I call

1041

00:49:48,720 --> 00:49:45,430

friendship you could look at a

1042

00:49:49,830 --> 00:49:48,730

friendship case right yeah no I I knew

1043

00:49:51,330 --> 00:49:49,840

about it I just didn't know how to

1044

00:49:52,710 --> 00:49:51,340

pronounce it properly I was going to ask

1045

00:49:56,460 --> 00:49:52,720

you about that because I don't know how

1046

00:50:04,530 --> 00:50:01,349

oh those guys those guys that was the

1047

00:50:08,130 --> 00:50:04,540

case that happened in 1956 for ten years

1048

00:50:10,680 --> 00:50:08,140

again in the 50s and I went personally

1049

00:50:13,559 --> 00:50:10,690

to interview everybody that's like that

1050

00:50:15,630 --> 00:50:13,569

survived that in other words the people

1051
00:50:19,470 --> 00:50:15,640
that are still living that were part of

1052
00:50:22,140 --> 00:50:19,480
that community with the ETS on the you

1053
00:50:24,630 --> 00:50:22,150
know city of Pescara Italy near the

1054
00:50:26,849 --> 00:50:24,640
Adriatic Sea er there's only like five

1055
00:50:29,460 --> 00:50:26,859
still alive in there in their 90's so I

1056
00:50:31,890 --> 00:50:29,470
went to talk to them about what the ETS

1057
00:50:34,849 --> 00:50:31,900
were saying what they wanted what the

1058
00:50:36,839 --> 00:50:34,859
messages were and I interviewed them

1059
00:50:39,150 --> 00:50:36,849
personally and that was two years ago

1060
00:50:40,829 --> 00:50:39,160
that's one of the reasons they made me

1061
00:50:41,430 --> 00:50:40,839
change because I was not only in Latin

1062
00:50:44,400 --> 00:50:41,440
America

1063
00:50:47,880 --> 00:50:44,410

I was I was realizing that these ETS are

1064

00:50:50,849 --> 00:50:47,890

walking among us and I would you know

1065

00:50:53,910 --> 00:50:50,859

and so you you were able to communicate

1066

00:50:56,880 --> 00:50:53,920

with both short and tall ETS and were

1067

00:51:00,960 --> 00:50:56,890

they called were some or one of them

1068

00:51:04,800 --> 00:51:00,970

called an Tyrells know that aunt Adele

1069

00:51:09,329 --> 00:51:04,810

is Ricardo Gonzalez okay and that is

1070

00:51:13,020 --> 00:51:09,339

contact from ATO and that is they are

1071

00:51:17,160 --> 00:51:13,030

their opinion and they live in base in

1072

00:51:19,710 --> 00:51:17,170

in Peru and that is one that's Latin

1073

00:51:22,710 --> 00:51:19,720

America the ones of the friendship case

1074

00:51:25,079 --> 00:51:22,720

are called w50 sixes because the

1075

00:51:29,940 --> 00:51:25,089

Italians didn't know what to call them

1076
00:51:34,079 --> 00:51:29,950
and it was 1956 the book written about

1077
00:51:37,440 --> 00:51:34,089
that is called math contacts by stefano

1078
00:51:39,240 --> 00:51:37,450
Boresha at mass context they can get it

1079
00:51:42,690 --> 00:51:39,250
on Amazon I helped

1080
00:51:44,730 --> 00:51:42,700
stefano translated into english because

1081
00:51:47,280 --> 00:51:44,740
i wanted everybody to know about it

1082
00:51:50,460 --> 00:51:47,290
because you follow Jesus not American

1083
00:51:53,370 --> 00:51:50,470
it's universal and I helped him

1084
00:51:57,000 --> 00:51:53,380
translate that and then he gave me since

1085
00:51:59,550 --> 00:51:57,010
died the voices of these beings talking

1086
00:52:03,230 --> 00:51:59,560
to the Italians the voices of them

1087
00:52:06,900 --> 00:52:03,240
talking in Italian to the Italians and I

1088
00:52:08,970 --> 00:52:06,910

realized that there have been an

1089

00:52:10,840 --> 00:52:08,980

advancement in contact

1090

00:52:14,110 --> 00:52:10,850

it's not about unit con

1091

00:52:17,200 --> 00:52:14,120

in other countries and that it was my

1092

00:52:19,420 --> 00:52:17,210

job to get the books translated and to

1093

00:52:23,170 --> 00:52:19,430

tell the world who wants to study this

1094

00:52:25,390 --> 00:52:23,180

so I'm going to send you the that the

1095

00:52:28,330 --> 00:52:25,400

link for the friendship case remember

1096

00:52:31,320 --> 00:52:28,340

that's Italy and then I want to send you

1097

00:52:34,570 --> 00:52:31,330

probably a picture I'll do it today of

1098

00:52:37,110 --> 00:52:34,580

Ricardo Gonzalez's book with on Fidel

1099

00:52:42,150 --> 00:52:37,120

now I don't have time to talk about this

1100

00:52:44,650 --> 00:52:42,160

but I saw on Terra in chest and in 2014

1101
00:52:48,610 --> 00:52:44,660
physically right we had wanted to ask

1102
00:52:49,420 --> 00:52:48,620
actually actually ask it it's very

1103
00:52:53,170 --> 00:52:49,430
private

1104
00:52:56,010 --> 00:52:53,180
I was not alone I was seven people and

1105
00:52:58,930 --> 00:52:56,020
it was it caused me to have

1106
00:53:00,130 --> 00:52:58,940
post-traumatic stress because I it's

1107
00:53:03,040 --> 00:53:00,140
like seeing a ghost

1108
00:53:05,770 --> 00:53:03,050
it's not it was not it's not anything

1109
00:53:08,650 --> 00:53:05,780
that he was standing next to a tree he

1110
00:53:11,650 --> 00:53:08,660
was ten foot tall he was talking in a

1111
00:53:14,380 --> 00:53:11,660
language that I didn't understand I was

1112
00:53:15,910 --> 00:53:14,390
right next to two Spanish who am and

1113
00:53:17,310 --> 00:53:15,920

everybody was speaking Spanish and

1114

00:53:20,560 --> 00:53:17,320

Shasta because there was a Kannada

1115

00:53:22,780 --> 00:53:20,570

everything in Spanish so wasn't Spanish

1116

00:53:25,390 --> 00:53:22,790

this man was speaking I don't know what

1117

00:53:28,390 --> 00:53:25,400

he was speaking and if he was speaking

1118

00:53:30,190 --> 00:53:28,400

to me he had a hoodie on he was ten foot

1119

00:53:33,130 --> 00:53:30,200

tall I heard what he was saying it was

1120

00:53:36,150 --> 00:53:33,140

like an echo and at the very end in

1121

00:53:41,620 --> 00:53:36,160

English and I thought I was going nuts

1122

00:53:42,340 --> 00:53:41,630

he said in a robotic voice thank you in

1123

00:53:44,080 --> 00:53:42,350

English

1124

00:53:48,340 --> 00:53:44,090

turns around and walks back into the

1125

00:53:50,650 --> 00:53:48,350

forest was he holographic like no no he

1126
00:53:52,290 --> 00:53:50,660
was physical he was physical no no he I

1127
00:53:56,140 --> 00:53:52,300
could hear the crunching of the leaves

1128
00:53:59,080 --> 00:53:56,150
on his boots no no he was not out not

1129
00:54:02,370 --> 00:53:59,090
that time the year later he was in the

1130
00:54:06,040 --> 00:54:02,380
hologram and so he Chilean walked back

1131
00:54:07,750 --> 00:54:06,050
yeah everybody yeah there was two people

1132
00:54:10,000 --> 00:54:07,760
in front of me and I was standing in a

1133
00:54:14,260 --> 00:54:10,010
line with three people that the weird

1134
00:54:16,510 --> 00:54:14,270
part about that is where he kind of came

1135
00:54:20,350 --> 00:54:16,520
to me when he invited me to chef that he

1136
00:54:22,420 --> 00:54:20,360
said I I said no no no because I don't

1137
00:54:23,630 --> 00:54:22,430
camp I hate camping and I hate being

1138
00:54:26,180 --> 00:54:23,640

cold

1139

00:54:28,850 --> 00:54:26,190

I didn't realize and I didn't realize

1140

00:54:31,040 --> 00:54:28,860

they were fasting so I had like one

1141

00:54:32,720 --> 00:54:31,050

Apple like cutting 16 pieces that try to

1142

00:54:35,330 --> 00:54:32,730

last for three days

1143

00:54:40,430 --> 00:54:35,340

oh my gosh oh my god they didn't tell me

1144

00:54:42,500 --> 00:54:40,440

there you know me so when the thing was

1145

00:54:44,210 --> 00:54:42,510

over Friday night I was I couldn't wait

1146

00:54:45,590 --> 00:54:44,220

to get food I was going I'm going to a

1147

00:54:47,270 --> 00:54:45,600

restaurant I can't the end of this is

1148

00:54:49,610 --> 00:54:47,280

wonderful meditation for three days is

1149

00:54:52,880 --> 00:54:49,620

wonderful he comes down and he kneels

1150

00:54:54,680 --> 00:54:52,890

down and he said Paula

1151
00:54:57,800 --> 00:54:54,690
antonella's in the forest you think you

1152
00:55:00,980 --> 00:54:57,810
can handle it do you remember those

1153
00:55:04,700 --> 00:55:00,990
words do you remember if you can handle

1154
00:55:07,130 --> 00:55:04,710
it the current of course Oh words there

1155
00:55:11,720 --> 00:55:07,140
you go so yeah there you go

1156
00:55:13,580 --> 00:55:11,730
and I said I I didn't know what to say

1157
00:55:15,620 --> 00:55:13,590
because I I didn't believe it you know

1158
00:55:17,690 --> 00:55:15,630
like I'm going are you kidding I'm gonna

1159
00:55:18,550 --> 00:55:17,700
go down in the dark there can you use a

1160
00:55:21,410 --> 00:55:18,560
flashlight

1161
00:55:21,830 --> 00:55:21,420
he had me hold hands with two other

1162
00:55:24,620 --> 00:55:21,840
women

1163
00:55:25,850 --> 00:55:24,630

but you know that's what happened and I

1164

00:55:28,220 --> 00:55:25,860

said yes

1165

00:55:34,640 --> 00:55:28,230

so chance everybody that asks you

1166

00:55:38,480 --> 00:55:34,650

anything say yes that's the story okay

1167

00:55:40,990 --> 00:55:38,490

yes so so the Rama group is there any

1168

00:55:48,710 --> 00:55:41,000

thing that you can say about that oh

1169

00:55:53,180 --> 00:55:48,720

they're not Rama they're just not Rama

1170

00:55:54,920 --> 00:55:53,190

belongs to C so pause and it means he's

1171

00:55:56,840 --> 00:55:54,930

so uncharged and I interviewed both

1172

00:55:59,150 --> 00:55:56,850

Charley and sister because they were the

1173

00:56:01,160 --> 00:55:59,160

young men in the chintha desert that

1174

00:56:03,650 --> 00:56:01,170

went aboard the ship with seven other

1175

00:56:05,750 --> 00:56:03,660

young men so there they have all each

1176

00:56:07,430 --> 00:56:05,760

other to you know to verify their

1177

00:56:10,610 --> 00:56:07,440

stories they went aboard ships with

1178

00:56:13,400 --> 00:56:10,620

these face people they started Rama and

1179

00:56:17,990 --> 00:56:13,410

Ricardo is not Rama or any part of Rama

1180

00:56:20,750 --> 00:56:18,000

so if yeah I just yeah it's not it no he

1181

00:56:23,690 --> 00:56:20,760

doesn't he has his own group and if his

1182

00:56:27,080 --> 00:56:23,700

group is connected with Nicholas Roerich

1183

00:56:28,670 --> 00:56:27,090

who is a Russian mystic who designed the

1184

00:56:31,250 --> 00:56:28,680

first peace flag for the League of

1185

00:56:31,670 --> 00:56:31,260

Nations which is the United Nations

1186

00:56:35,390 --> 00:56:31,680

today

1187

00:56:37,370 --> 00:56:35,400

Nicholas rorish was a painter and lived

1188

00:56:40,190 --> 00:56:37,380

in India so it

1189

00:56:42,559 --> 00:56:40,200

that goes back to Altai India he goes to

1190

00:56:45,620 --> 00:56:42,569

India I know how many times so he's more

1191

00:56:49,390 --> 00:56:45,630

for world peace so I support that

1192

00:56:52,880 --> 00:56:49,400

world peace movement much more because

1193

00:56:55,819 --> 00:56:52,890

the message along the board on

1194

00:56:58,579 --> 00:56:55,829

everybody's message even my amici says

1195

00:57:00,920 --> 00:56:58,589

you guys better unite in order to

1196

00:57:02,900 --> 00:57:00,930

survive on this planet so that means

1197

00:57:06,249 --> 00:57:02,910

peace that means inner peace before

1198

00:57:08,900 --> 00:57:06,259

outer peace but that's why I support the

1199

00:57:10,819 --> 00:57:08,910

Rotich movement the peace movement that

1200

00:57:17,200 --> 00:57:10,829

white flag with the three dots that you

1201

00:57:20,660 --> 00:57:17,210

see on my Facebook all the time okay and

1202

00:57:22,190 --> 00:57:20,670

there's a lot a lot to cover here we'll

1203

00:57:25,640 --> 00:57:22,200

try and do it in a shorter amount of

1204

00:57:31,160 --> 00:57:25,650

time as possible but you started out

1205

00:57:36,170 --> 00:57:31,170

talking about certain extraterrestrials

1206

00:57:38,690 --> 00:57:36,180

you have come in contact with were these

1207

00:57:41,959 --> 00:57:38,700

short and tall a tease is that correct

1208

00:57:44,120 --> 00:57:41,969

I'm never come in contact well I'm sorry

1209

00:57:46,370 --> 00:57:44,130

there was no let me rephrase that I

1210

00:57:48,079 --> 00:57:46,380

apologize it was it's a group I cannot

1211

00:57:54,109 --> 00:57:48,089

pronounce it's the it's the Italian

1212

00:57:56,390 --> 00:57:54,119

group the friendship oh thank you yeah a

1213

00:58:00,979 --> 00:57:56,400

variety of extraterrestrials were they

1214

00:58:03,440 --> 00:58:00,989

both short and tall et's and also they

1215

00:58:05,239 --> 00:58:03,450

were not grave right okay good thing

1216

00:58:07,249 --> 00:58:05,249

people there were people got it could

1217

00:58:09,920 --> 00:58:07,259

they cloak and bend light change her

1218

00:58:12,829 --> 00:58:09,930

frequency could they come and go how

1219

00:58:15,799 --> 00:58:12,839

could how could one describe these these

1220

00:58:18,289 --> 00:58:15,809

people okay

1221

00:58:20,359 --> 00:58:18,299

these people said they were doing an

1222

00:58:22,849 --> 00:58:20,369

experiment and it wasn't just insist

1223

00:58:26,089 --> 00:58:22,859

gotta Italy there's a friendship case in

1224

00:58:28,039 --> 00:58:26,099

Chile if you study this also in Chile

1225

00:58:28,700 --> 00:58:28,049

and they said we can live among you

1226

00:58:30,979 --> 00:58:28,710

people

1227

00:58:33,019 --> 00:58:30,989

we will live among you in fact bruno

1228

00:58:35,150 --> 00:58:33,029

summer chicha that put those guys in a

1229

00:58:37,359 --> 00:58:35,160

castle physically they're physical

1230

00:58:40,759 --> 00:58:37,369

people like I'm still a physical person

1231

00:58:42,979 --> 00:58:40,769

he put them in a castle and he also was

1232

00:58:44,150 --> 00:58:42,989

in charge of bringing huge truckloads of

1233

00:58:47,719 --> 00:58:44,160

fruits and vegetables because they're

1234

00:58:49,819 --> 00:58:47,729

vegetarian to eat so they got together

1235

00:58:50,870 --> 00:58:49,829

with ten Italians and I'm going to give

1236

00:58:53,660 --> 00:58:50,880

you the link so every

1237

00:58:55,579 --> 00:58:53,670

he can look at it and they said we'll

1238

00:58:58,099 --> 00:58:55,589

live among you as long as you guys don't

1239

00:59:01,730 --> 00:58:58,109

fight among yourselves and he said they

1240

00:59:03,259 --> 00:59:01,740

said we have different kinds of ETS in

1241

00:59:06,259 --> 00:59:03,269

this group

1242

00:59:08,839 --> 00:59:06,269

I mean people space people and they said

1243

00:59:11,299 --> 00:59:08,849

we have a technology called Ojeda which

1244

00:59:13,640 --> 00:59:11,309

means harmony and if you guys can't keep

1245

00:59:15,499 --> 00:59:13,650

harmony we had a leave well it lasted

1246

00:59:18,470 --> 00:59:15,509

ten years and then they started to fight

1247

00:59:20,480 --> 00:59:18,480

among each other so when I interviewed

1248

00:59:23,380 --> 00:59:20,490

Gustav dilemma and his wife were part of

1249

00:59:25,910 --> 00:59:23,390

those ten Italians they gave me a

1250

00:59:28,970 --> 00:59:25,920

manifesto that was one of the ETS had

1251

00:59:32,720 --> 00:59:28,980

given them about staying united and

1252

00:59:35,420 --> 00:59:32,730

having a common purpose they and that's

1253

00:59:37,549 --> 00:59:35,430

on my youtube channel of people can go

1254

00:59:39,640 --> 00:59:37,559

to that I had to go to Lake Como where

1255

00:59:42,470 --> 00:59:39,650

George Clooney lives to interview that

1256

00:59:45,380 --> 00:59:42,480

got that a dilemma so that's on YouTube

1257

00:59:47,420 --> 00:59:45,390

you can see him showing me what the et

1258

00:59:50,029 --> 00:59:47,430

had written about staying together and

1259

00:59:52,039 --> 00:59:50,039

that on my YouTube channel are the

1260

00:59:54,079 --> 00:59:52,049

interviews with the South Americans

1261

00:59:55,880 --> 00:59:54,089

word-for-word I'm sitting in front of

1262

01:00:00,339 --> 00:59:55,890

them and they're telling me what

1263

01:00:02,450 --> 01:00:00,349

happened so that might help a little bit

1264

01:00:05,900 --> 01:00:02,460

okay thank you very much for having

1265

01:00:07,460 --> 01:00:05,910

answered that Paul I appreciate that is

1266

01:00:11,509 --> 01:00:07,470

there any more that you would like to

1267

01:00:15,680 --> 01:00:11,519

say about Mount Shasta in general well

1268

01:00:18,319 --> 01:00:15,690

everybody in the world goes yeah I hear

1269

01:00:20,120 --> 01:00:18,329

a lot about it I hear a lot of stories

1270

01:00:21,920 --> 01:00:20,130

about March last I just wanna know if

1271

01:00:25,849 --> 01:00:21,930

maybe you wanted to share anything about

1272

01:00:28,130 --> 01:00:25,859

that become New Age capital of the world

1273

01:00:29,690 --> 01:00:28,140

I mean I don't want to go back there and

1274

01:00:30,740 --> 01:00:29,700

necessarily because there's everybody

1275

01:00:32,180 --> 01:00:30,750

and his brother is there and they're

1276

01:00:37,069 --> 01:00:32,190

doing all kinds of different things I

1277

01:00:39,259 --> 01:00:37,079

went there in 2014 and 15 because I was

1278

01:00:43,160 --> 01:00:39,269

asked to go back in the forest there and

1279

01:00:44,690 --> 01:00:43,170

the when I went back in 2015 you're

1280

01:00:47,930 --> 01:00:44,700

really you're really good cuz because

1281

01:00:52,039 --> 01:00:47,940

you're breaking me say this when I went

1282

01:00:55,370 --> 01:00:52,049

back in 2015 I saw aunt Adele and two

1283

01:00:57,140 --> 01:00:55,380

others in holographic form and I I

1284

01:00:59,329 --> 01:00:57,150

freaked out I freaked myself out so

1285

01:01:01,940 --> 01:00:59,339

badly I was shaking I just couldn't you

1286

01:01:03,920 --> 01:01:01,950

know deal with it but the message that I

1287

01:01:04,460 --> 01:01:03,930

got was if you will lead we will match

1288

01:01:06,530 --> 01:01:04,470

her

1289

01:01:10,130 --> 01:01:06,540

which means the et's will help if

1290

01:01:12,230 --> 01:01:10,140

somebody cares in other words they will

1291

01:01:14,630 --> 01:01:12,240

step in and help I don't think they'll

1292

01:01:16,579 --> 01:01:14,640

ever let this planet blow up but if

1293

01:01:19,809 --> 01:01:16,589

somebody cares and somebody has to care

1294

01:01:23,420 --> 01:01:19,819

that they don't just hang out there and

1295

01:01:25,730 --> 01:01:23,430

that was the message I got so my job is

1296

01:01:27,530 --> 01:01:25,740

just to record it through history I have

1297

01:01:30,200 --> 01:01:27,540

no hope there's going to be any

1298

01:01:32,420 --> 01:01:30,210

legitimate disclosure because it's all

1299

01:01:34,309 --> 01:01:32,430

in the hands of you know the latest

1300

01:01:35,960 --> 01:01:34,319

flavor of ice cream I don't know what to

1301

01:01:37,819 --> 01:01:35,970

say but it's all in the hands of

1302

01:01:41,599 --> 01:01:37,829

whoever's using the technology and

1303

01:01:44,180 --> 01:01:41,609

whatever and I just want to record what

1304

01:01:46,430 --> 01:01:44,190

everybody said so that whoever studied

1305

01:01:49,430 --> 01:01:46,440

this and you you're really a great

1306

01:01:51,380 --> 01:01:49,440

students kid couldn't even figure it out

1307

01:01:52,670 --> 01:01:51,390

can figure it out for themselves they

1308

01:01:54,980 --> 01:01:52,680

can figure it out they're all stupid

1309

01:01:57,290 --> 01:01:54,990

they don't read everything they put it

1310

01:02:00,290 --> 01:01:57,300

together for me Jacques ballets books

1311

01:02:03,800 --> 01:02:00,300

for the best and his books are called

1312

01:02:08,300 --> 01:02:03,810

forbidden science vol 1 2 & 3 and he's

1313

01:02:10,040 --> 01:02:08,310

coming out with vol 4 ok I wanted to

1314

01:02:11,960 --> 01:02:10,050

make a statement and then I wanted to

1315

01:02:13,250 --> 01:02:11,970

ask you about something I happen to

1316

01:02:15,920 --> 01:02:13,260

agree with you about there not being

1317

01:02:21,020 --> 01:02:15,930

legitimate disclosure going on right now

1318

01:02:24,380 --> 01:02:21,030

at all I wanted to talk about ETS in the

1319

01:02:28,190 --> 01:02:24,390

ocean mountains of Italy I'm sorry ETS

1320

01:02:33,260 --> 01:02:28,200

in the ocean underground all around the

1321

01:02:35,809 --> 01:02:33,270

world also with regards to portals are

1322

01:02:40,099 --> 01:02:35,819

there any statements you'd like to make

1323

01:02:43,040 --> 01:02:40,109

about that topic well I I had a hard

1324

01:02:45,950 --> 01:02:43,050

time with the ETS underwater because the

1325

01:02:47,630 --> 01:02:45,960

W 56 has had an underwater base and then

1326

01:02:49,460 --> 01:02:47,640

when I'm talking to the fishermen there

1327

01:02:51,829 --> 01:02:49,470

they're telling me these tunnels of

1328

01:02:54,440 --> 01:02:51,839

water coming up and they refused to go

1329

01:02:57,380 --> 01:02:54,450

out fish on the on a dreary Coast so

1330

01:03:00,109 --> 01:02:57,390

there was an underwater base in the

1331

01:03:02,390 --> 01:03:00,119

Adriatic Sea but but it's not what we

1332

01:03:05,180 --> 01:03:02,400

picture it it's another dimension is

1333

01:03:08,660 --> 01:03:05,190

another dimension and a portal is

1334

01:03:10,339 --> 01:03:08,670

another dimension and and I I'm not sure

1335

01:03:11,540 --> 01:03:10,349

I don't know where those are but I think

1336

01:03:14,960 --> 01:03:11,550

somebody wants to know where they all

1337

01:03:18,470 --> 01:03:14,970

are I think that chest probably the

1338

01:03:21,710 --> 01:03:18,480

mountain itself may have some kind of

1339

01:03:24,349 --> 01:03:21,720

mystical bass I know the opponents have

1340

01:03:27,590 --> 01:03:24,359

their based on a wass Quran which is an

1341

01:03:31,910 --> 01:03:27,600

ayah a very very very very tall mountain

1342

01:03:34,010 --> 01:03:31,920

in in Peru and the Andes and it's normal

1343

01:03:35,990 --> 01:03:34,020

for them and maybe you just you know you

1344

01:03:37,790 --> 01:03:36,000

don't dig away maybe it's just another

1345

01:03:40,250 --> 01:03:37,800

dimension but in order to understand

1346

01:03:42,109 --> 01:03:40,260

this read the shocked the books because

1347

01:03:44,900 --> 01:03:42,119

he talks about dimensionality and other

1348

01:03:47,150 --> 01:03:44,910

dimensions simultaneously and that's

1349

01:03:50,480 --> 01:03:47,160

hard for us because we're locked into a

1350

01:03:52,310 --> 01:03:50,490

time space dimension we gotta touch it

1351

01:03:55,250 --> 01:03:52,320

feel it and all this kind of stuff and

1352

01:03:57,440 --> 01:03:55,260

that's not the way reality is I'm glad

1353

01:03:59,090 --> 01:03:57,450

you're behind you yeah I'm glad you're

1354

01:04:03,109 --> 01:03:59,100

bringing up the topic of dimensions

1355

01:04:04,820 --> 01:04:03,119

because I just wanted to interrupt your

1356

01:04:06,440 --> 01:04:04,830

I apologize for interrupting but just to

1357

01:04:08,720 --> 01:04:06,450

make a statement and I hope maybe you

1358

01:04:11,630 --> 01:04:08,730

would make a comment about it and that

1359

01:04:16,340 --> 01:04:11,640

is interdimensional and extra

1360

01:04:19,820 --> 01:04:16,350

dimensional and iki ET contact are all

1361

01:04:23,810 --> 01:04:19,830

different is that correct yeah and it's

1362

01:04:30,260 --> 01:04:23,820

all real like somebody interplanetary or

1363

01:04:32,830 --> 01:04:30,270

interdimensional that's the reality what

1364

01:04:36,230 --> 01:04:32,840

we're living right now not but those

1365

01:04:39,880 --> 01:04:36,240

those terms delineate from one another

1366

01:04:42,200 --> 01:04:39,890

very clearly right they they are being

1367

01:04:45,340 --> 01:04:42,210

interdimensional and then extra

1368

01:04:56,630 --> 01:04:45,350

dimensional two different things correct

1369

01:04:58,940 --> 01:04:56,640

yeah because and you know I really hope

1370

01:05:01,040 --> 01:04:58,950

I really hope you an interview Colin

1371

01:05:03,500 --> 01:05:01,050

Andrews because he's got Colin Andrews

1372

01:05:05,120 --> 01:05:03,510

and I are almost the same age he's

1373

01:05:07,430 --> 01:05:05,130

figured it out because he was in the

1374

01:05:09,470 --> 01:05:07,440

crop circle thing and Jimmy he said to

1375

01:05:12,080 --> 01:05:09,480

meet Allah he said would you believe

1376

01:05:15,020 --> 01:05:12,090

that even the fake crop circle makers

1377

01:05:17,150 --> 01:05:15,030

would get the idea from somewhere and

1378

01:05:19,340 --> 01:05:17,160

they wouldn't finish the crop circle and

1379

01:05:23,210 --> 01:05:19,350

they'd wake up and it was finished by

1380

01:05:25,280 --> 01:05:23,220

somebody something and I'm going you're

1381

01:05:27,380 --> 01:05:25,290

kidding and he goes yeah and that makes

1382

01:05:28,609 --> 01:05:27,390

it valid because they didn't finish up

1383

01:05:30,380 --> 01:05:28,619

the night before they wake up and

1384

01:05:32,340 --> 01:05:30,390

finished something else is finishing it

1385

01:05:34,380 --> 01:05:32,350

and we're dealing with something

1386

01:05:37,410 --> 01:05:34,390

and Jacque is amazing because he talks

1387

01:05:38,850 --> 01:05:37,420

about something else he doesn't call it

1388

01:05:41,520 --> 01:05:38,860

anything but I've come to the conclusion

1389

01:05:43,260 --> 01:05:41,530

anymore that it's something else more

1390

01:05:45,150 --> 01:05:43,270

than even though I know there's

1391

01:05:48,360 --> 01:05:45,160

interplanetary travelers like the

1392

01:05:49,950 --> 01:05:48,370

opinions from Alpha and Centauri

1393

01:05:51,870 --> 01:05:49,960

even though I know they're real and

1394

01:05:56,280 --> 01:05:51,880

they're physical there's also this other

1395

01:05:58,500 --> 01:05:56,290

component that is so weird

1396

01:06:01,830 --> 01:05:58,510

talk about weird science that people

1397

01:06:03,630 --> 01:06:01,840

need to understand that too I wonder if

1398

01:06:05,910 --> 01:06:03,640

people who are involved in you ethology

1399

01:06:08,570 --> 01:06:05,920

as serious researchers come to the

1400

01:06:13,170 --> 01:06:08,580

conclusion and that they will eventually

1401

01:06:15,090 --> 01:06:13,180

connect consciousness to this topic so

1402

01:06:18,230 --> 01:06:15,100

we've covered a little bit regarding

1403

01:06:21,030 --> 01:06:18,240

crop circles I think you may have even

1404

01:06:25,410 --> 01:06:21,040

mentioned orbs I'm not sure but then

1405

01:06:29,160 --> 01:06:25,420

also remote viewing I wanted to ask you

1406

01:06:31,110 --> 01:06:29,170

why remote viewing for you what does why

1407

01:06:33,060 --> 01:06:31,120

does remote viewing matter to you it

1408

01:06:36,540 --> 01:06:33,070

matters to me I'm just letting you know

1409

01:06:39,320 --> 01:06:36,550

that now matters well I hope to see you

1410

01:06:41,580 --> 01:06:39,330

in November because it took you know

1411

01:06:42,840 --> 01:06:41,590

because they're all there I mean

1412

01:06:45,360 --> 01:06:42,850

everybody that was working with that

1413

01:06:47,280 --> 01:06:45,370

Russell Targ with Fri they were working

1414

01:06:49,470 --> 01:06:47,290

they were they were using it for

1415

01:06:51,390 --> 01:06:49,480

military purposes like crank or so said

1416

01:06:53,850 --> 01:06:51,400

everything strong but to find out what

1417

01:06:57,510 --> 01:06:53,860

Russia had but I'm very close friends

1418

01:06:59,640 --> 01:06:57,520

with the regular and three and I when I

1419

01:07:02,220 --> 01:06:59,650

was in Europe I saw him a lot and he's

1420

01:07:04,050 --> 01:07:02,230

going to Skype in and remote viewing is

1421

01:07:06,720 --> 01:07:04,060

a way of seeing other dimensions

1422

01:07:10,770 --> 01:07:06,730

I mean remote viewing is also the the

1423

01:07:13,980 --> 01:07:10,780

ESP component the the P it's a direct

1424

01:07:17,310 --> 01:07:13,990

transfer psychics use ESP when they do

1425

01:07:20,160 --> 01:07:17,320

readings when they do you know future

1426

01:07:23,250 --> 01:07:20,170

projections they can they eliminate the

1427

01:07:25,860 --> 01:07:23,260

time element which is such a blockage so

1428

01:07:28,200 --> 01:07:25,870

an ET that's going to speak to Colonel

1429

01:07:29,940 --> 01:07:28,210

courses not necessarily gonna speak to

1430

01:07:33,450 --> 01:07:29,950

him in his language UT didn't go to

1431

01:07:36,120 --> 01:07:33,460

school so what he's doing is he's doing

1432

01:07:38,850 --> 01:07:36,130

and Colonel Carson said that the that he

1433

01:07:40,950 --> 01:07:38,860

was wearing was an interface which means

1434

01:07:43,380 --> 01:07:40,960

the direct transfer when I think

1435

01:07:45,030 --> 01:07:43,390

something that's going in your brain you

1436

01:07:46,140 --> 01:07:45,040

know it doesn't matter what language it

1437

01:07:48,990 --> 01:07:46,150

is it's direct

1438

01:07:50,579 --> 01:07:49,000

transfer it I mean logically if these

1439

01:07:53,190 --> 01:07:50,589

people are getting messages from all

1440

01:07:57,990 --> 01:07:53,200

over the place there you know that it

1441

01:07:59,880 --> 01:07:58,000

has to be a technology that has direct

1442

01:08:02,339 --> 01:07:59,890

thought transfer I'm fascinated with

1443

01:08:04,289 --> 01:08:02,349

that so we're going to talk about

1444

01:08:05,700 --> 01:08:04,299

consciousness so I'm Nick Pope coming

1445

01:08:08,370 --> 01:08:05,710

and he's going to talk about the remote

1446

01:08:10,200 --> 01:08:08,380

viewing program I'm going to talk about

1447

01:08:12,089 --> 01:08:10,210

for the first time ever the Michael

1448

01:08:14,670 --> 01:08:12,099

Wolfe couvent case catchers of heaven

1449

01:08:18,240 --> 01:08:14,680

because I was the only journalist to go

1450

01:08:20,550 --> 01:08:18,250

visit him in Hartford and he was remote

1451

01:08:23,399 --> 01:08:20,560

viewers for the you know the CIA for the

1452

01:08:26,099 --> 01:08:23,409

government and and also had a lot of

1453

01:08:31,380 --> 01:08:26,109

weird paranormal contact stuff around

1454

01:08:33,660 --> 01:08:31,390

him so it's just new research and it's

1455

01:08:37,200 --> 01:08:33,670

bringing all the people together and

1456

01:08:39,870 --> 01:08:37,210

it's a dialogue and as I said at the

1457

01:08:41,789 --> 01:08:39,880

beginning of this program I really loved

1458

01:08:44,370 --> 01:08:41,799

the idea of studying this like an

1459

01:08:46,320 --> 01:08:44,380

academic subject and I hope to see you

1460

01:08:48,720 --> 01:08:46,330

there because you'll enjoy speaking to

1461

01:08:51,720 --> 01:08:48,730

the people yeah I look forward to doing

1462

01:08:53,789 --> 01:08:51,730

whatever I can to to go to that

1463

01:08:57,030 --> 01:08:53,799

important conference by the way you

1464

01:08:59,309 --> 01:08:57,040

mentioned Michael Wolfe and the alien

1465

01:09:00,899 --> 01:08:59,319

will I wanted to ask you about the alien

1466

01:09:06,479 --> 01:09:00,909

incident do you have anything to say

1467

01:09:07,919 --> 01:09:06,489

about that the alien incident yeah I was

1468

01:09:10,229 --> 01:09:07,929

just curious that there was some

1469

01:09:14,280 --> 01:09:10,239

research I had been doing it I came

1470

01:09:16,099 --> 01:09:14,290

across that you mean that when I went to

1471

01:09:19,649 --> 01:09:16,109

interview Michael Wolff and we have

1472

01:09:34,320 --> 01:09:19,659

interference yeah can you talk about

1473

01:09:38,189 --> 01:09:34,330

that because I think Michael Wolfe with

1474

01:09:40,649 --> 01:09:38,199

to get his statement with Adriana's or

1475

01:09:44,220 --> 01:09:40,659

Jonah who is my boss now in Italy I

1476

01:09:47,269 --> 01:09:44,230

write for X Times Magazine this was

1477

01:09:50,220 --> 01:09:47,279

years ago it was very young in DNA

1478

01:09:53,039 --> 01:09:50,230

shared a hotel room that to save money

1479

01:09:56,970 --> 01:09:53,049

we went to see Michael off we were with

1480

01:09:59,490 --> 01:09:56,980

him all day we saw that commence we saw

1481

01:09:59,940 --> 01:09:59,500

photos of him he played a double agent

1482

01:10:02,220 --> 01:09:59,950

either

1483

01:10:04,200 --> 01:10:02,230

the double agent said he he was with the

1484

01:10:05,880 --> 01:10:04,210

leaning played an actor in eight and a

1485

01:10:07,890 --> 01:10:05,890

half so we saw the photographs of him

1486

01:10:09,180 --> 01:10:07,900

and ain't Napoli we were there a whole

1487

01:10:11,310 --> 01:10:09,190

day I'm walking out of his apartment

1488

01:10:13,470 --> 01:10:11,320

without Diana and I hear all these

1489

01:10:15,810 --> 01:10:13,480

dolphin sounds and I said I Janna dude

1490

01:10:18,300 --> 01:10:15,820

what's going on I said he sounds like

1491

01:10:21,380 --> 01:10:18,310

dolphins and he said well probably

1492

01:10:24,660 --> 01:10:21,390

elevator is is you know rusty and

1493

01:10:29,100 --> 01:10:24,670

squeaky and whatever and we got in the

1494

01:10:31,170 --> 01:10:29,110

elevator it was it was loud and then we

1495

01:10:33,420 --> 01:10:31,180

left the building and it was gone that

1496

01:10:35,820 --> 01:10:33,430

night at 3:00 in the morning I wake up

1497

01:10:37,710 --> 01:10:35,830

and look up in the window and something

1498

01:10:39,870 --> 01:10:37,720

is coming in the window that has some

1499

01:10:42,810 --> 01:10:39,880

kind of spiral this brought a blue

1500

01:10:44,850 --> 01:10:42,820

spiral and I'm going oh something's

1501

01:10:46,740 --> 01:10:44,860

coming in the window and I Gianna from

1502

01:10:50,970 --> 01:10:46,750

the other side of the room screaming and

1503

01:10:54,480 --> 01:10:50,980

yelling ha ha ha I hear a voice and he

1504

01:10:59,250 --> 01:10:54,490

heard a female robotic voice in his head

1505

01:11:02,430 --> 01:10:59,260

saying you are soul you know like SL UL

1506

01:11:04,350 --> 01:11:02,440

and he kept the lights on all night and

1507

01:11:06,270 --> 01:11:04,360

we'll call this the next day and said

1508

01:11:07,800 --> 01:11:06,280

why aren't you here and we said we

1509

01:11:10,350 --> 01:11:07,810

freaked out because all of this was

1510

01:11:12,420 --> 01:11:10,360

happening he goes well he said I sent my

1511

01:11:14,670 --> 01:11:12,430

friends to visit you didn't you see they

1512

01:11:16,530 --> 01:11:14,680

walked out with you from my apartment

1513

01:11:18,960 --> 01:11:16,540

he said because they're trying to

1514

01:11:20,670 --> 01:11:18,970

understand human love and I'm thinking

1515

01:11:23,910 --> 01:11:20,680

no I didn't see anything but man did I

1516

01:11:27,210 --> 01:11:23,920

hear dolphin sounds you know like crazy

1517

01:11:31,470 --> 01:11:27,220

like and then you know and I read the

1518

01:11:34,050 --> 01:11:31,480

crane Iran's book on remote viewing and

1519

01:11:36,330 --> 01:11:34,060

he said that the chirping founder that

1520

01:11:38,850 --> 01:11:36,340

often you know the dolphin sounds and

1521

01:11:41,280 --> 01:11:38,860

Michael Wolf's original contact was a

1522

01:11:43,170 --> 01:11:41,290

little grey called Kota do you read

1523

01:11:45,330 --> 01:11:43,180

caches of heaven which is very difficult

1524

01:11:48,090 --> 01:11:45,340

coatless picture photograph is on the

1525

01:11:50,780 --> 01:11:48,100

front cover and the human alien on the

1526

01:11:52,020 --> 01:11:50,790

back cover and that's odd the blonde the

1527

01:11:54,720 --> 01:11:52,030

blonde

1528

01:11:59,880 --> 01:11:54,730

that he was working with the government

1529

01:12:02,580 --> 01:11:59,890

to you know interface with so the that

1530

01:12:05,520 --> 01:12:02,590

was the first time and thank God I

1531

01:12:08,010 --> 01:12:05,530

wasn't alone and so audriana's willing

1532

01:12:10,620 --> 01:12:08,020

to talk about that because that really

1533

01:12:12,960 --> 01:12:10,630

did happen we did do the story we did

1534

01:12:13,680 --> 01:12:12,970

print the story it was wonderful because

1535

01:12:15,870 --> 01:12:13,690

we

1536

01:12:18,540 --> 01:12:15,880

I got to see him two more times after

1537

01:12:19,470 --> 01:12:18,550

that before he died he was an amazing

1538

01:12:22,320 --> 01:12:19,480

man

1539

01:12:24,810 --> 01:12:22,330

like a wolf cravat thank you for that

1540

01:12:27,780 --> 01:12:24,820

story Paula um I wanted to ask you about

1541

01:12:30,600 --> 01:12:27,790

Clifford stone and the Holloman Air

1542

01:12:34,830 --> 01:12:30,610

Force Base film that was at his house

1543

01:12:35,110 --> 01:12:34,840

when he visited my god you did a lot of

1544

01:12:38,660 --> 01:12:35,120

research

1545

01:12:42,540 --> 01:12:38,670

[Laughter]

1546

01:12:44,010 --> 01:12:42,550

yeah well that happened because I didn't

1547

01:12:47,910 --> 01:12:44,020

know what I was doing in when I went to

1548

01:12:50,970 --> 01:12:47,920

see Corso in 1945 when I was you know

1549

01:12:52,350 --> 01:12:50,980

when it was 50th anniversary you know I

1550

01:12:53,940 --> 01:12:52,360

was trying to get to see Corso and

1551

01:12:55,980 --> 01:12:53,950

everything but then Clifford stone whom

1552

01:12:58,500 --> 01:12:55,990

I had never met came up to me and said I

1553

01:13:01,530 --> 01:12:58,510

have stuff in my apartment that you

1554

01:13:04,050 --> 01:13:01,540

researchers should see and I looked at

1555

01:13:06,480 --> 01:13:04,060

another researchers Victoria Pocket

1556

01:13:08,970 --> 01:13:06,490

Cheney from Brazil we were international

1557

01:13:11,460 --> 01:13:08,980

researchers right nobody came to his

1558

01:13:14,730 --> 01:13:11,470

house nobody just Papa Cheney and me

1559

01:13:16,770 --> 01:13:14,740

Italy and Brazil we went to herself and

1560

01:13:18,780 --> 01:13:16,780

I didn't I had a movie camera I was

1561

01:13:20,730 --> 01:13:18,790

supposed to report back to my so I

1562

01:13:22,740 --> 01:13:20,740

started filming it and and cliff it

1563

01:13:26,130 --> 01:13:22,750

comes out throws all this microfilm in

1564

01:13:29,460 --> 01:13:26,140

this canister on would he call it on the

1565

01:13:31,110 --> 01:13:29,470

coffee table so my job is just I I don't

1566

01:13:35,070 --> 01:13:31,120

know what I'm looking at so I'm just

1567

01:13:37,830 --> 01:13:35,080

filming everything and um I sent it back

1568

01:13:39,450 --> 01:13:37,840

to Maui to my boss and in Italy a FedEx

1569

01:13:41,160 --> 01:13:39,460

and he goes you know what you just don't

1570

01:13:43,620 --> 01:13:41,170

he said that's at Holloman landing it

1571

01:13:45,330 --> 01:13:43,630

was you know that canister that was

1572

01:13:47,730 --> 01:13:45,340

right there what didn't you want to see

1573

01:13:50,310 --> 01:13:47,740

it so I called course and I said why

1574

01:13:53,370 --> 01:13:50,320

didn't you tell me and he said well he

1575

01:13:55,380 --> 01:13:53,380

said what the intelligence community

1576

01:13:57,660 --> 01:13:55,390

said was that the real researchers will

1577

01:13:59,310 --> 01:13:57,670

never come over my house that they

1578

01:14:02,850 --> 01:13:59,320

really don't care about the truth that

1579

01:14:05,010 --> 01:14:02,860

if somebody asks you to see it you show

1580

01:14:07,710 --> 01:14:05,020

it to him that it's the first eight

1581

01:14:09,660 --> 01:14:07,720

minutes of the meeting of these beings

1582

01:14:11,130 --> 01:14:09,670

and they were not gray they were Semitic

1583

01:14:14,160 --> 01:14:11,140

looking if people want to know what

1584

01:14:17,790 --> 01:14:14,170

happened at Holloman go see the film it

1585

01:14:19,650 --> 01:14:17,800

has begun by M&A Goertz got jug valet

1586

01:14:22,020 --> 01:14:19,660

and the twilight zone guy brought

1587

01:14:24,090 --> 01:14:22,030

certainly and they portray what's on the

1588

01:14:25,560 --> 01:14:24,100

first eight minutes of that film and I

1589

01:14:27,089 --> 01:14:25,570

said covert I didn't ask because I

1590

01:14:29,100 --> 01:14:27,099

didn't know what it was and he goes

1591

01:14:30,750 --> 01:14:29,110

well I had to give it back to him the

1592

01:14:32,939 --> 01:14:30,760

next day because they were right

1593

01:14:34,649 --> 01:14:32,949

none of the researchers came over I

1594

01:14:37,919 --> 01:14:34,659

filmed it but I didn't know what it was

1595

01:14:40,410 --> 01:14:37,929

I'm not gonna ask him such thing and I

1596

01:14:42,810 --> 01:14:40,420

learned you know I learned it took me a

1597

01:14:44,939 --> 01:14:42,820

long time chance to figure anything out

1598

01:14:45,959 --> 01:14:44,949

because I know buddy told me I didn't go

1599

01:14:50,100 --> 01:14:45,969

to school for this

1600

01:14:51,419 --> 01:14:50,110

so do I feel bad yeah cuz if I had asked

1601
01:14:53,910 --> 01:14:51,429
he would have shown it to me that was

1602
01:14:55,890 --> 01:14:53,920
the instruction that Clifford stone got

1603
01:14:59,729 --> 01:14:55,900
if anybody asks you show me the first 8

1604
01:15:01,620 --> 01:14:59,739
minutes and 20 I wanted to ask you about

1605
01:15:06,439 --> 01:15:01,630
the people that you brought to Rome on

1606
01:15:09,689 --> 01:15:06,449
your own money can you talk about that

1607
01:15:12,810 --> 01:15:09,699
yeah okay let's see

1608
01:15:14,640 --> 01:15:12,820
I brought Jesse Marcel jr. the people

1609
01:15:16,109 --> 01:15:14,650
thought he was well they loved him

1610
01:15:18,270 --> 01:15:16,119
because Jesse Marcel jr. was a

1611
01:15:22,290 --> 01:15:18,280
nine-year-old that you know touched all

1612
01:15:24,000 --> 01:15:22,300
the he touched all the fragments as that

1613
01:15:25,620 --> 01:15:24,010

brought him in that night and it was a

1614

01:15:28,470 --> 01:15:25,630

weather balloon he certainly is a little

1615

01:15:31,379 --> 01:15:28,480

brings fragments to his wife and kid to

1616

01:15:33,990 --> 01:15:31,389

touch he told Jesse that this was

1617

01:15:35,939 --> 01:15:34,000

something from another world um and

1618

01:15:37,950 --> 01:15:35,949

Jesse explained to me that was all over

1619

01:15:40,160 --> 01:15:37,960

the kitchen table and there wasn't just

1620

01:15:44,490 --> 01:15:40,170

one i-beam there was like four i-beams

1621

01:15:46,649 --> 01:15:44,500

or more and so I had him and his family

1622

01:15:49,740 --> 01:15:46,659

and then I had dr. John Mack and I took

1623

01:15:51,660 --> 01:15:49,750

dr. John Mack to speak in Florence he

1624

01:15:54,629 --> 01:15:51,670

was amazing he spoke with young people

1625

01:15:58,350 --> 01:15:54,639

he loved young people probably the man

1626

01:16:01,740 --> 01:15:58,360

that I loved the most you know when when

1627

01:16:04,500 --> 01:16:01,750

we were working is dr. Mack he was very

1628

01:16:06,540 --> 01:16:04,510

present he was very intellectual he was

1629

01:16:09,540 --> 01:16:06,550

very kind and he changed his mind so

1630

01:16:13,950 --> 01:16:09,550

many times that I talked about contact

1631

01:16:17,310 --> 01:16:13,960

it as contact and then Ryan would who

1632

01:16:19,979 --> 01:16:17,320

had the book MJ it's called eyes only it

1633

01:16:22,859 --> 01:16:19,989

has 93 crashes and that's where I saw

1634

01:16:27,680 --> 01:16:22,869

that one on San Antonio right I brought

1635

01:16:33,419 --> 01:16:27,690

Ryan wood I brought over Russell Targ

1636

01:16:38,310 --> 01:16:33,429

several times goodness Olinda how spoke

1637

01:16:40,940 --> 01:16:38,320

for us just Richard Dolan and his family

1638

01:16:45,790 --> 01:16:40,950

paul davids who did was

1639

01:16:49,970 --> 01:16:45,800

the the director of the movie Roswell Oh

1640

01:16:51,440 --> 01:16:49,980

so many I can't remember them all who

1641

01:16:55,040 --> 01:16:51,450

came and they all stayed in my apartment

1642

01:16:57,230 --> 01:16:55,050

Oh Travis Walton twice so they all slept

1643

01:16:59,510 --> 01:16:57,240

in my bedroom so just like George

1644

01:17:03,740 --> 01:16:59,520

Washington had that that everybody slept

1645

01:17:05,660 --> 01:17:03,750

in but I have that too Robert Dean at

1646

01:17:08,990 --> 01:17:05,670

least twice

1647

01:17:10,460 --> 01:17:09,000

good grief just so many and therefore I

1648

01:17:12,580 --> 01:17:10,470

got to be personal friends that could

1649

01:17:16,580 --> 01:17:12,590

talk to them about the real situation

1650

01:17:18,590 --> 01:17:16,590

yes thank you very much for answering

1651

01:17:21,830 --> 01:17:18,600

those questions I wanted to ask you

1652

01:17:25,490 --> 01:17:21,840

something that is it might be a little

1653

01:17:28,490 --> 01:17:25,500

emotional but I'll ask nonetheless do

1654

01:17:32,840 --> 01:17:28,500

you how do you feel the topic of you

1655

01:17:36,050 --> 01:17:32,850

apology may have possibly destroyed your

1656

01:17:42,500 --> 01:17:36,060

career as a teacher in Rome if that did

1657

01:17:45,050 --> 01:17:42,510

occur but I've ever talked to done this

1658

01:17:47,420 --> 01:17:45,060

work including poor ecar dollars that

1659

01:17:54,320 --> 01:17:47,430

was it was a pharmaceutical it was a

1660

01:17:56,720 --> 01:17:54,330

pharmaceutical he got fired I mean I

1661

01:18:00,050 --> 01:17:56,730

would have happened to me if I ended my

1662

01:18:04,160 --> 01:18:00,060

career because and it was a natural

1663

01:18:06,380 --> 01:18:04,170

ending because I was replaced with a

1664

01:18:11,420 --> 01:18:06,390

first year teacher after 15 years and it

1665

01:18:14,510 --> 01:18:11,430

forced me to it forced me to confront

1666

01:18:18,410 --> 01:18:14,520

the educational system I was told from

1667

01:18:19,790 --> 01:18:18,420

day one do not talk about this ever in

1668

01:18:23,000 --> 01:18:19,800

the classroom but kids aren't stupid

1669

01:18:24,860 --> 01:18:23,010

they saw the website and I never did

1670

01:18:26,600 --> 01:18:24,870

talk about it in the classroom that if

1671

01:18:28,550 --> 01:18:26,610

they wanted to go to McDonald's in Rome

1672

01:18:31,670 --> 01:18:28,560

I talked to them about it because young

1673

01:18:34,190 --> 01:18:31,680

people are really really interested what

1674

01:18:36,380 --> 01:18:34,200

freaks young people about it is that

1675

01:18:38,030 --> 01:18:36,390

it's real I mean Here I am dealing with

1676

01:18:40,280 --> 01:18:38,040

an astronomer I mean it's real I'm not

1677

01:18:42,830 --> 01:18:40,290

talking to people that are making things

1678

01:18:46,520 --> 01:18:42,840

up or whatever they have backgrounds and

1679

01:18:49,100 --> 01:18:46,530

I think chant what really happened was

1680

01:18:51,260 --> 01:18:49,110

that whoever is guiding my career didn't

1681

01:18:53,120 --> 01:18:51,270

want me doing that anymore they

1682

01:18:54,100 --> 01:18:53,130

basically wanted me to go out in the

1683

01:18:55,900 --> 01:18:54,110

field and of course I

1684

01:18:59,920 --> 01:18:55,910

can't do that when I have a full-time

1685

01:19:03,550 --> 01:18:59,930

job so when that all I you know when I

1686

01:19:06,810 --> 01:19:03,560

ended my career there in I think it was

1687

01:19:10,270 --> 01:19:06,820

2005 I was invited to speak in Canada

1688

01:19:13,600 --> 01:19:10,280

with Paul Hellyer and I became else I

1689

01:19:16,390 --> 01:19:13,610

couldn't go and it was Paul Hellyer

1690

01:19:20,410 --> 01:19:16,400

coming out with Stanton Friedman Richard

1691

01:19:21,970 --> 01:19:20,420

Dolan and Steve Bassett and it was

1692

01:19:24,220 --> 01:19:21,980

University of Toronto and I was supposed

1693

01:19:27,820 --> 01:19:24,230

to be the woman I'm always the token

1694

01:19:38,200 --> 01:19:27,830

woman everywhere so never I know yeah

1695

01:19:40,840 --> 01:19:38,210

that happened in Barcelona - I was yeah

1696

01:19:42,790 --> 01:19:40,850

that's the problem is that they don't

1697

01:19:43,450 --> 01:19:42,800

take you seriously no I look I'm going

1698

01:19:46,510 --> 01:19:43,460

okay

1699

01:19:50,320 --> 01:19:46,520

you know I'm looking at this and and you

1700

01:19:52,480 --> 01:19:50,330

you don't understand that this for me as

1701

01:19:56,050 --> 01:19:52,490

an educator if I have a massive that's

1702

01:19:59,770 --> 01:19:56,060

how I think I think as an educator this

1703

01:20:02,710 --> 01:19:59,780

is serious business so I then figured

1704

01:20:06,250 --> 01:20:02,720

out that some whoever it is that's

1705

01:20:10,240 --> 01:20:06,260

guiding this research didn't want me

1706

01:20:13,380 --> 01:20:10,250

working full-time so I flew to Canada on

1707

01:20:15,760 --> 01:20:13,390

my own dime after I became well and I

1708

01:20:20,290 --> 01:20:15,770

interviewed Paul Hellyer in a went viral

1709

01:20:22,270 --> 01:20:20,300

and I interviewed him in in his office

1710

01:20:24,910 --> 01:20:22,280

and he could see the CN tower but you

1711

01:20:26,500 --> 01:20:24,920

know that started my career is going all

1712

01:20:28,150 --> 01:20:26,510

over the world interviewing people

1713

01:20:29,800 --> 01:20:28,160

because I believe the people should just

1714

01:20:32,440 --> 01:20:29,810

that's why I want him to go in YouTube

1715

01:20:35,380 --> 01:20:32,450

channel decide for themselves and for me

1716

01:20:36,460 --> 01:20:35,390

Paul Hellyer is a hero but everybody

1717

01:20:39,520 --> 01:20:36,470

that was sitting there didn't pay

1718

01:20:42,910 --> 01:20:39,530

attention to him and I'm going why he

1719

01:20:45,370 --> 01:20:42,920

because Paul Hellyer said that kernel

1720

01:20:47,590 --> 01:20:45,380

courses look convinced him and he had

1721

01:20:50,500 --> 01:20:47,600

called the general in the United States

1722

01:20:52,540 --> 01:20:50,510

to verify Corso and the general said to

1723

01:20:57,040 --> 01:20:52,550

him the Corsa was telling the truth and

1724

01:20:59,740 --> 01:20:57,050

more he added and more so you know

1725

01:21:01,540 --> 01:20:59,750

that's why Paul used the famous phrase

1726

01:21:03,910 --> 01:21:01,550

and he's Minister of Defence like

1727

01:21:06,430 --> 01:21:03,920

McNamara was in the same period of time

1728

01:21:07,580 --> 01:21:06,440

he said UFOs are as real as the

1729

01:21:09,950 --> 01:21:07,590

airplanes overhead

1730

01:21:15,410 --> 01:21:09,960

can you tell me what more disclosure you

1731

01:21:18,830 --> 01:21:15,420

want them back I mean the Minister of

1732

01:21:21,500 --> 01:21:18,840

Defense he's not nuts I mean this is

1733

01:21:23,510 --> 01:21:21,510

what you know him and all the other

1734

01:21:26,330 --> 01:21:23,520

military people the disclosure project

1735

01:21:29,990 --> 01:21:26,340

with Steven Greer in 2009 I went to the

1736

01:21:32,600 --> 01:21:30,000

Citizen hearing with 36 generals from

1737

01:21:35,390 --> 01:21:32,610

South America Kennedy was there Frank

1738

01:21:37,130 --> 01:21:35,400

and you know people from England and all

1739

01:21:38,960 --> 01:21:37,140

over and they're testifying in front of

1740

01:21:45,590 --> 01:21:38,970

these Congress people yeah our friend

1741

01:21:47,720 --> 01:21:45,600

Alex Jay daddy was there too yeah I mean

1742

01:21:51,200 --> 01:21:47,730

what is it entertainment you just want

1743

01:21:54,800 --> 01:21:51,210

the next flavor of ice cream I mean it

1744

01:21:56,470 --> 01:21:54,810

it's real the generals of South America

1745

01:21:59,510 --> 01:21:56,480

were freaked out they can't control

1746

01:22:02,240 --> 01:21:59,520

their air air they can't control the the

1747

01:22:04,100 --> 01:22:02,250

the you know the airports Sarat the

1748

01:22:06,620 --> 01:22:04,110

military airports because UFOs are

1749

01:22:13,130 --> 01:22:06,630

flying over them and by the way the UFOs

1750

01:22:15,590 --> 01:22:13,140

are not on vacation I mean what are they

1751

01:22:17,180 --> 01:22:15,600

just flying over these military airports

1752

01:22:19,250 --> 01:22:17,190

because they have nothing better to do I

1753

01:22:24,560 --> 01:22:19,260

mean you know people aren't using their

1754

01:22:27,110 --> 01:22:24,570

brain yeah you mentioned just very

1755

01:22:31,190 --> 01:22:27,120

slightly about females and UF ology I

1756

01:22:34,940 --> 01:22:31,200

deal with that on a regular regarding

1757

01:22:36,680 --> 01:22:34,950

people not everybody but certain

1758

01:22:39,110 --> 01:22:36,690

individuals you might treat me in

1759

01:22:43,300 --> 01:22:39,120

differently because I am female I know

1760

01:22:46,820 --> 01:22:43,310

you've had decades of more research on

1761

01:22:51,350 --> 01:22:46,830

me in this field and wanted to know have

1762

01:22:56,390 --> 01:22:51,360

you dealt with it in a manner that you

1763

01:22:58,340 --> 01:22:56,400

felt was extremely negative oh yeah in

1764

01:23:01,420 --> 01:22:58,350

the beginning mm-hmm

1765

01:23:03,680 --> 01:23:01,430

you know Frank asked me about the Coons

1766

01:23:05,090 --> 01:23:03,690

anthropological nuttin Ella and I come

1767

01:23:07,010 --> 01:23:05,100

in and I give a lecture on Richard

1768

01:23:09,260 --> 01:23:07,020

Hoagland could have spent three weeks at

1769

01:23:10,940 --> 01:23:09,270

his house talking about Mars and they

1770

01:23:13,370 --> 01:23:10,950

hand around to each other I said how did

1771

01:23:15,920 --> 01:23:13,380

she get in there how did she go to

1772

01:23:17,600 --> 01:23:15,930

Hogwarts house and the reason was

1773

01:23:19,340 --> 01:23:17,610

because Richard Hoagland invited me to

1774

01:23:21,410 --> 01:23:19,350

his house and he would ask me to read

1775

01:23:23,270 --> 01:23:21,420

he'd say you're a guest here I want you

1776

01:23:26,080 --> 01:23:23,280

read all these books I'm giving you and

1777

01:23:28,370 --> 01:23:26,090

I'd have to go to my room and read and

1778

01:23:31,400 --> 01:23:28,380

what did they think I was doing there

1779

01:23:34,130 --> 01:23:31,410

you know I mean and then he give me the

1780

01:23:37,340 --> 01:23:34,140

story and then I I would tell the

1781

01:23:38,990 --> 01:23:37,350

Italians and and unfortunately the old

1782

01:23:41,390 --> 01:23:39,000

boys club that's what I call the old

1783

01:23:44,720 --> 01:23:41,400

boys club whether it's in Italy with

1784

01:23:47,959 --> 01:23:44,730

that or you know it was MUFON afro

1785

01:23:50,030 --> 01:23:47,969

Koufos when I went to work for Koufos

1786

01:23:52,370 --> 01:23:50,040

Center for UFO studies with Allen Hynek

1787

01:23:54,800 --> 01:23:52,380

there was a Perl Area phenomenal and

1788

01:23:57,620 --> 01:23:54,810

research organization I'm very close to

1789

01:24:01,250 --> 01:23:57,630

MUFON I love Jim Marrs am but there's

1790

01:24:05,330 --> 01:24:01,260

you know very few women so you've got

1791

01:24:07,189 --> 01:24:05,340

all these older guys who you know they

1792

01:24:10,100 --> 01:24:07,199

back to the old days and they do an

1793

01:24:13,630 --> 01:24:10,110

amazing job but what we need is young

1794

01:24:17,090 --> 01:24:13,640

people and we need more serious

1795

01:24:18,770 --> 01:24:17,100

researchers that do an read that read

1796

01:24:20,510 --> 01:24:18,780

the materials are go all over the world

1797

01:24:23,689 --> 01:24:20,520

and interview people I mean we need that

1798

01:24:25,550 --> 01:24:23,699

kind of stuff and it takes money Jan I

1799

01:24:27,260 --> 01:24:25,560

mean if I even I could give you the

1800

01:24:29,390 --> 01:24:27,270

names of all the people that you could

1801
01:24:30,830 --> 01:24:29,400
interview that you've mentioned to me so

1802
01:24:33,590 --> 01:24:30,840
you've gotta fly there you're gonna stay

1803
01:24:35,360 --> 01:24:33,600
in a hotel and it takes money and I'm

1804
01:24:37,490 --> 01:24:35,370
convinced that's one of the reasons like

1805
01:24:39,530 --> 01:24:37,500
a lot of the guys that they would say

1806
01:24:41,600 --> 01:24:39,540
I'm not gonna spend my money on this

1807
01:24:43,820 --> 01:24:41,610
stuff you're nuts you spend all your

1808
01:24:47,000 --> 01:24:43,830
money and my kids are going you could go

1809
01:24:53,360 --> 01:24:47,010
you could go to the Caribbean mom on the

1810
01:24:56,360 --> 01:24:53,370
beach in year old yeah right well I

1811
01:24:58,939 --> 01:24:56,370
don't have a choice anybody that you

1812
01:25:02,000 --> 01:24:58,949
speak to that is a serious researcher is

1813
01:25:04,729 --> 01:25:02,010

driven because they don't have a choice

1814

01:25:07,550 --> 01:25:04,739

I agree I agree with you on that

1815

01:25:09,890 --> 01:25:07,560

I feel driven every day I study this day

1816

01:25:12,169 --> 01:25:09,900

and night by the way you mentioned

1817

01:25:14,120 --> 01:25:12,179

somebody who is a really wonderful

1818

01:25:17,840 --> 01:25:14,130

person by the name of Jan horizon--

1819

01:25:21,169 --> 01:25:17,850

that's executive director of MUFON and I

1820

01:25:22,939 --> 01:25:21,179

interviewed him twice Frank and I

1821

01:25:26,000 --> 01:25:22,949

actually interviewed him recently he's a

1822

01:25:27,680 --> 01:25:26,010

wonderful person and we thoroughly

1823

01:25:32,090 --> 01:25:27,690

enjoyed having had the privilege of

1824

01:25:35,240 --> 01:25:32,100

interviewing Kim I love him but there

1825

01:25:37,450 --> 01:25:35,250

again you know Jan worked for IBM so why

1826

01:25:40,160 --> 01:25:37,460

Jim doing this because he had a sighting

1827

01:25:44,000 --> 01:25:40,170

and it changes your life I mean I think

1828

01:25:47,030 --> 01:25:44,010

I didn't get Bob till I was 32 yeah

1829

01:25:48,440 --> 01:25:47,040

there's something I watched a movie uh I

1830

01:25:50,780 --> 01:25:48,450

want to come back to that but there's

1831

01:25:52,970 --> 01:25:50,790

only two people to my knowledge and

1832

01:25:55,430 --> 01:25:52,980

MUFON that make money and I'll let me

1833

01:25:57,800 --> 01:25:55,440

I'll explain that in a moment and that

1834

01:25:59,810 --> 01:25:57,810

is his personal secretary and then

1835

01:26:02,900 --> 01:25:59,820

himself they receive a salary

1836

01:26:05,510 --> 01:26:02,910

it's a pittance it's not hardly anything

1837

01:26:07,760 --> 01:26:05,520

they don't make any money at all

1838

01:26:10,700 --> 01:26:07,770

off of this topic I want to make that

1839

01:26:15,860 --> 01:26:10,710

clear but regarding the movie that you

1840

01:26:17,600 --> 01:26:15,870

saw which one wasn't good garden a lot

1841

01:26:20,120 --> 01:26:17,610

that you've mentioned a movie that you

1842

01:26:29,840 --> 01:26:20,130

saw that you felt was influenced

1843

01:26:32,630 --> 01:26:29,850

encounters I'm glad you mentioned have

1844

01:26:35,120 --> 01:26:32,640

anything happened yeah dr. Allen Hynek

1845

01:26:36,920 --> 01:26:35,130

said on an interview that it was a

1846

01:26:39,710 --> 01:26:36,930

interview Frank pointed out to me to

1847

01:26:42,320 --> 01:26:39,720

listen to the interviewer mentioned that

1848

01:26:44,720 --> 01:26:42,330

movie and Hynek said something to the

1849

01:26:46,310 --> 01:26:44,730

effect of the 18 million dollar movie

1850

01:27:00,620 --> 01:26:46,320

with a thousand dollar title because

1851

01:27:03,290 --> 01:27:00,630

that's all he got for that movie oh no

1852

01:27:08,150 --> 01:27:03,300

that was yeah no he was being in her

1853

01:27:10,760 --> 01:27:08,160

voice yeah okay well I don't know he

1854

01:27:14,450 --> 01:27:10,770

coined the phrase you know when a fourth

1855

01:27:18,530 --> 01:27:14,460

time third kind and so forth but in the

1856

01:27:20,540 --> 01:27:18,540

end the problem you know even with

1857

01:27:21,950 --> 01:27:20,550

people not you know the US the UFO

1858

01:27:24,560 --> 01:27:21,960

community in general not getting

1859

01:27:27,050 --> 01:27:24,570

together is the money it's like who gets

1860

01:27:30,050 --> 01:27:27,060

more money than who and all the money

1861

01:27:35,180 --> 01:27:30,060

people and all that it I can't look at

1862

01:27:36,860 --> 01:27:35,190

that I have to as a professor or a

1863

01:27:40,010 --> 01:27:36,870

teacher I want to know

1864

01:27:43,580 --> 01:27:40,020

and that's my motivation I want to know

1865

01:27:46,010 --> 01:27:43,590

I'll do what I can to for instance I

1866

01:27:49,899 --> 01:27:46,020

sponsored the Laughlin conference and

1867

01:27:55,100 --> 01:27:49,909

I've had to refinance my house three

1868

01:27:59,030 --> 01:27:55,110

it's coming out of my pocket and and the

1869

01:28:01,189 --> 01:27:59,040

people are the I mean we have 300 people

1870

01:28:03,950 --> 01:28:01,199

but you get other conferences that have

1871

01:28:06,800 --> 01:28:03,960

abduction experiencers and all that and

1872

01:28:08,540 --> 01:28:06,810

they have thousands of people and I'm

1873

01:28:10,339 --> 01:28:08,550

going okay no I'm trying to change the

1874

01:28:12,770 --> 01:28:10,349

paradigm and I want you to know what the

1875

01:28:16,550 --> 01:28:12,780

real story is with Fri with Nick Pope

1876

01:28:19,310 --> 01:28:16,560

talking about their documents with all

1877

01:28:22,430 --> 01:28:19,320

the people involved I want us to end the

1878

01:28:26,089 --> 01:28:22,440

end see that this is not entertainment

1879

01:28:27,020 --> 01:28:26,099

what this is is an effort to bring the

1880

01:28:30,680 --> 01:28:27,030

history together

1881

01:28:34,459 --> 01:28:30,690

so that the humanity can unite unite in

1882

01:28:36,290 --> 01:28:34,469

some way if there are cosmic cultures

1883

01:28:37,820 --> 01:28:36,300

that want to give a him as don't

1884

01:28:41,689 --> 01:28:37,830

announce that if you lead will match

1885

01:28:44,089 --> 01:28:41,699

your efforts they can't do it if they're

1886

01:28:45,709 --> 01:28:44,099

individually caught up in a movie star

1887

01:28:47,859 --> 01:28:45,719

status mm-hm

1888

01:28:50,720 --> 01:28:47,869

they they have to do it to come together

1889

01:28:53,600 --> 01:28:50,730

like recovered the Gonzalez is doing in

1890

01:28:57,500 --> 01:28:53,610

Creston on August yeah everybody's got

1891

01:29:00,859 --> 01:28:57,510

that yeah well I was I was a consultant

1892

01:29:04,070 --> 01:29:00,869

and did the movie serious with Steven

1893

01:29:07,310 --> 01:29:04,080

Brill and I also as a consultant for

1894

01:29:10,490 --> 01:29:07,320

unacknowledged with Steven Greer and at

1895

01:29:13,729 --> 01:29:10,500

the end of the six days and we saw UFOs

1896

01:29:17,750 --> 01:29:13,739

I mean but but we were totally quiet it

1897

01:29:21,410 --> 01:29:17,760

was not a circus it was an effort you

1898

01:29:24,560 --> 01:29:21,420

know Steven does the puja ceremony in in

1899

01:29:26,240 --> 01:29:24,570

Sanskrit where he recites it now at that

1900

01:29:29,240 --> 01:29:26,250

time because of the movie we had nine

1901

01:29:31,640 --> 01:29:29,250

box cameras on trees and everything and

1902

01:29:34,100 --> 01:29:31,650

the stuff that was over our heads when

1903

01:29:36,050 --> 01:29:34,110

he was doing the puja ceremony one of

1904

01:29:39,709 --> 01:29:36,060

the photos as this huge angel with wings

1905

01:29:42,260 --> 01:29:39,719

but other photos have unlike beings as

1906

01:29:43,760 --> 01:29:42,270

we're in that circle and these are not

1907

01:29:47,780 --> 01:29:43,770

things you could see with the naked eye

1908

01:29:50,689 --> 01:29:47,790

so I fell in love with crest owns from

1909

01:29:54,200 --> 01:29:50,699

that movie and I bought five acres of

1910

01:29:56,240 --> 01:29:54,210

land because you can't to get to customs

1911

01:29:56,689 --> 01:29:56,250

a real challenge if there's nothing

1912

01:29:58,189 --> 01:29:56,699

there

1913

01:30:01,450 --> 01:29:58,199

I mean it's like in the middle of

1914

01:30:02,750 --> 01:30:01,460

nowhere in southern Colorado so I

1915

01:30:04,820 --> 01:30:02,760

realize

1916

01:30:06,260 --> 01:30:04,830

that if people want to communicate you

1917

01:30:07,970 --> 01:30:06,270

could see the whole Milky Way every

1918

01:30:11,540 --> 01:30:07,980

single star in the sky there's no light

1919

01:30:14,360 --> 01:30:11,550

pollution and the whole story of crest

1920

01:30:15,830 --> 01:30:14,370

own is that it was an experiment where

1921

01:30:18,860 --> 01:30:15,840

all the religions were together because

1922

01:30:22,250 --> 01:30:18,870

there's like by - rams the carnival

1923

01:30:25,100 --> 01:30:22,260

Carmelite nuns humane was a Zen Center

1924

01:30:28,460 --> 01:30:25,110

and it is an experiment and it was made

1925

01:30:30,800 --> 01:30:28,470

by some Canadian Hannah strong and her

1926

01:30:32,720 --> 01:30:30,810

husband Maurice strong they had money

1927

01:30:35,479 --> 01:30:32,730

from Lawrence Rockefeller to create

1928

01:30:39,920 --> 01:30:35,489

crush stones which people don't know

1929

01:30:42,740 --> 01:30:39,930

this but it's a special spot so for me

1930

01:30:45,080 --> 01:30:42,750

to have five acres of land to invite the

1931

01:30:48,740 --> 01:30:45,090

COG doesn't speak about you know the

1932

01:30:51,200 --> 01:30:48,750

messages and world peace is something

1933

01:30:54,530 --> 01:30:51,210

that I would rather do than appear on

1934

01:30:57,470 --> 01:30:54,540

television appear on any TV program you

1935

01:31:00,170 --> 01:30:57,480

know promote my career or anything to me

1936

01:31:02,690 --> 01:31:00,180

it's a lot of satisfaction to be there

1937

01:31:05,870 --> 01:31:02,700

with all these people in unison under

1938

01:31:08,090 --> 01:31:05,880

the stars yeah I wanted to ask you about

1939

01:31:10,370 --> 01:31:08,100

the event at crust on but first if you

1940

01:31:12,620 --> 01:31:10,380

don't mind I wanted to mention some

1941

01:31:18,410 --> 01:31:12,630

filmography you have been involved in is

1942

01:31:20,750 --> 01:31:18,420

that okay come what something yeah a

1943

01:31:23,479 --> 01:31:20,760

filmography that you've been involved in

1944

01:31:25,790 --> 01:31:23,489

how about I started with listing them

1945

01:31:30,050 --> 01:31:25,800

off and you can tell me if you're

1946

01:31:31,430 --> 01:31:30,060

involved with them that is open minds is

1947

01:31:35,810 --> 01:31:31,440

that correct

1948

01:31:41,660 --> 01:31:35,820

beyond belief which originally beyond

1949

01:31:43,880 --> 01:31:41,670

belief yeah okay okay I have a just

1950

01:31:45,380 --> 01:31:43,890

mentioned a list here ETS among us UFO

1951

01:31:48,410 --> 01:31:45,390

witnesses and whistleblowers is that

1952

01:31:52,370 --> 01:31:48,420

correct yeah but I don't remember who

1953

01:31:56,210 --> 01:31:52,380

did it who did that right then there's

1954

01:31:58,070 --> 01:31:56,220

UFOs and international perspective yeah

1955

01:32:00,440 --> 01:31:58,080

these are all talks I did the

1956

01:32:02,870 --> 01:32:00,450

videography stuff these are videography

1957

01:32:05,000 --> 01:32:02,880

so that the the the films were safe

1958

01:32:07,400 --> 01:32:05,010

space you mentioned that because I

1959

01:32:10,190 --> 01:32:07,410

brought Monsignor Balducci to Washington

1960

01:32:13,190 --> 01:32:10,200

and and I have I'm with Balducci

1961

01:32:16,130 --> 01:32:13,200

translating that's Robert miles safe

1962

01:32:16,580 --> 01:32:16,140

space I did that I was a consultant on

1963

01:32:20,060 --> 01:32:16,590

on

1964

01:32:22,250 --> 01:32:20,070

knowledged and serious serious changed

1965

01:32:23,570 --> 01:32:22,260

my life I mean six days out in the

1966

01:32:25,910 --> 01:32:23,580

wilderness my god

1967

01:32:29,030 --> 01:32:25,920

and with Steven Greer and me at the M

1968

01:32:30,709 --> 01:32:29,040

Stephen says to me

1969

01:32:33,350 --> 01:32:30,719

at the very end he doesn't want to go I

1970

01:32:36,290 --> 01:32:33,360

mean he goes why would you want to do

1971

01:32:40,490 --> 01:32:36,300

anything else and I'm thinking my god

1972

01:32:49,160 --> 01:32:40,500

yeah I just look up at the stars why

1973

01:32:51,050 --> 01:32:49,170

would I want to do anything else like

1974

01:32:54,379 --> 01:32:51,060

everybody's yelling and screaming and

1975

01:33:00,910 --> 01:32:54,389

you know take us and all it has to be

1976

01:33:03,140 --> 01:33:00,920

to'd occasion so it's a different thing

1977

01:33:06,800 --> 01:33:03,150

yeah Paul you're breaking up a little

1978

01:33:09,080 --> 01:33:06,810

bit yeah yeah I think somebody was

1979

01:33:13,010 --> 01:33:09,090

trying to call that can you hear

1980

01:33:15,530 --> 01:33:13,020

me now yeah you're crying again I'm

1981

01:33:18,109 --> 01:33:15,540

breaking up you're working right now

1982

01:33:21,200 --> 01:33:18,119

yeah we can hear you right now and then

1983

01:33:24,680 --> 01:33:21,210

also did you do a documentary called

1984

01:33:27,260 --> 01:33:24,690

fast walkers yeah that would say face

1985

01:33:30,939 --> 01:33:27,270

that's what okay called thank god and

1986

01:33:35,120 --> 01:33:30,949

then is there the day before disclosure

1987

01:33:38,720 --> 01:33:35,130

yeah that was that was I think tersh

1988

01:33:43,760 --> 01:33:38,730

from Norway and he asked me about all

1989

01:33:44,990 --> 01:33:43,770

the people I had interviewed and he

1990

01:33:47,930 --> 01:33:45,000

couldn't believe I was all over the

1991

01:33:51,050 --> 01:33:47,940

place it's like he couldn't believe I

1992

01:33:53,000 --> 01:33:51,060

talked to all those people but yeah that

1993

01:33:55,970 --> 01:33:53,010

was that's a good one because I just

1994

01:33:58,220 --> 01:33:55,980

recount what everybody said right that

1995

01:34:00,439 --> 01:33:58,230

was done in 2010 and then I have another

1996

01:34:06,919 --> 01:34:00,449

one that's called the conspiracy show

1997

01:34:08,600 --> 01:34:06,929

with Richard surrett well that's okay

1998

01:34:10,850 --> 01:34:08,610

about the secret space program is that

1999

01:34:13,070 --> 01:34:10,860

right yeah but I don't know anything

2000

01:34:17,660 --> 01:34:13,080

about the Germans did a secret space

2001
01:34:18,979 --> 01:34:17,670
program but that that also you know I

2002
01:34:21,379 --> 01:34:18,989
don't want to make any comments on that

2003
01:34:23,030 --> 01:34:21,389
Germans did and there is a secret space

2004
01:34:26,810 --> 01:34:23,040
program at some times but I'm not sure

2005
01:34:29,209 --> 01:34:26,820
we know all the details of that okay

2006
01:34:30,390 --> 01:34:29,219
guys that really that I will tell you

2007
01:34:33,450 --> 01:34:30,400
this

2008
01:34:37,050 --> 01:34:33,460
to move on to their conference in July

2009
01:34:38,970 --> 01:34:37,060
they had gary mckinnon on who was the

2010
01:34:41,910 --> 01:34:38,980
one that found out all the astronauts

2011
01:34:44,729 --> 01:34:41,920
space astronauts he's amazing

2012
01:34:48,899 --> 01:34:44,739
people should be talking to him they

2013
01:34:50,910 --> 01:34:48,909

threatened it said nobody's going on

2014

01:34:54,060 --> 01:34:50,920

television shows after that episode

2015

01:34:55,979 --> 01:34:54,070

after episode McKinnon was so freaked

2016

01:34:58,080 --> 01:34:55,989

out when they came after him that he had

2017

01:35:00,209 --> 01:34:58,090

a cyanide pill ready to commit suicide

2018

01:35:02,250 --> 01:35:00,219

if you're involved in these programs

2019

01:35:05,610 --> 01:35:02,260

really and nobody wants you to talk

2020

01:35:07,709 --> 01:35:05,620

you're not going to talk and I was just

2021

01:35:11,130 --> 01:35:07,719

blown away with Gary McKinnon my god I

2022

01:35:13,979 --> 01:35:11,140

he was he doesn't he talked for MUFON at

2023

01:35:18,090 --> 01:35:13,989

that conference and I taped him but he's

2024

01:35:20,250 --> 01:35:18,100

the real deal okay thank you for

2025

01:35:23,010 --> 01:35:20,260

mentioning that back to your event at

2026

01:35:24,950 --> 01:35:23,020

crest stone which is it true that you're

2027

01:35:26,070 --> 01:35:24,960

hosting that in the summer is that right

2028

01:35:29,399 --> 01:35:26,080

yeah

2029

01:35:31,820 --> 01:35:29,409

August 23rd to 25th the first hundred

2030

01:35:37,979 --> 01:35:31,830

people would sign up they can go on the

2031

01:35:40,919 --> 01:35:37,989

www Starworks usa.com website and it's

2032

01:35:43,740 --> 01:35:40,929

I'm not involved if Chicago was going to

2033

01:35:45,540 --> 01:35:43,750

do it we have a interpreter who will

2034

01:35:48,209 --> 01:35:45,550

interpret because he's you know so to

2035

01:35:50,010 --> 01:35:48,219

speak of Spanish it and the interpreter

2036

01:35:52,350 --> 01:35:50,020

he speaks good they're pretty good

2037

01:35:55,229 --> 01:35:52,360

English but but we have an interpreter

2038

01:35:58,560 --> 01:35:55,239

for him and it's three days out across

2039

01:36:00,120 --> 01:35:58,570

them okay and can you mention all the

2040

01:36:02,189 --> 01:36:00,130

conference's that you will be doing this

2041

01:36:06,540 --> 01:36:02,199

year aside from crest onin the one in

2042

01:36:09,330 --> 01:36:06,550

November are there more yeah I'm on my

2043

01:36:12,300 --> 01:36:09,340

way to the consciousness light Expo and

2044

01:36:15,540 --> 01:36:12,310

I'm going to be interviewing Emery Smith

2045

01:36:17,459 --> 01:36:15,550

on stage on the second day and people

2046

01:36:21,149 --> 01:36:17,469

should look into Emery Smith sees with

2047

01:36:23,340 --> 01:36:21,159

Gaia TV and he has an insider and I am

2048

01:36:26,520 --> 01:36:23,350

going to be doing a lecture at ions in

2049

01:36:28,740 --> 01:36:26,530

Petaluma on the 12th of February then

2050

01:36:32,310 --> 01:36:28,750

I'm going to Peru for a month with the

2051
01:36:34,740 --> 01:36:32,320
camera crew to look at the contacts of

2052
01:36:37,649 --> 01:36:34,750
the seventy and then I'm going with

2053
01:36:41,430 --> 01:36:37,659
Regina Meredith and May to dial and of

2054
01:36:42,930 --> 01:36:41,440
Sardinia and finally hardly anybody goes

2055
01:36:45,839 --> 01:36:42,940
to that island but they have these

2056
01:36:48,899 --> 01:36:45,849
15-foot tall

2057
01:36:53,220 --> 01:36:48,909
they have 15 foot long tooth and they

2058
01:36:56,939 --> 01:36:53,230
have giant bones of giant and so guy is

2059
01:36:59,819 --> 01:36:56,949
doing a special I'm going with Regina

2060
01:37:01,560 --> 01:36:59,829
Meredith there and my boss Adriano John

2061
01:37:05,370 --> 01:37:01,570
and we're going to be on that island and

2062
01:37:07,919 --> 01:37:05,380
then I'm coming back and doing alien con

2063
01:37:08,729 --> 01:37:07,929

on Colonel under what's his name Ellen

2064

01:37:11,640 --> 01:37:08,739

hi Nicholas

2065

01:37:14,310 --> 01:37:11,650

Paul hi Nick his son I'm doing I'm going

2066

01:37:19,830 --> 01:37:14,320

to go to the move on conference because

2067

01:37:22,979 --> 01:37:19,840

I support MUFON 150% in July and then I

2068

01:37:26,910 --> 01:37:22,989

speak in Canada and Toronto at their

2069

01:37:29,310 --> 01:37:26,920

MUFON conference and then I then there's

2070

01:37:31,950 --> 01:37:29,320

mine and in November where I'm bringing

2071

01:37:34,560 --> 01:37:31,960

all these people together to talk about

2072

01:37:38,310 --> 01:37:34,570

UFOs remote viewing and communication

2073

01:37:42,319 --> 01:37:38,320

with et okay and how do people find out

2074

01:37:46,950 --> 01:37:42,329

more about that one that's on my website

2075

01:37:49,950 --> 01:37:46,960

Paola Harris pa Ola Harris calm and on

2076

01:37:51,750 --> 01:37:49,960

star wars and on star wars right now

2077

01:37:53,790 --> 01:37:51,760

we're getting a special anybody that

2078

01:37:56,040 --> 01:37:53,800

signs up they get a free remote viewing

2079

01:37:59,790 --> 01:37:56,050

class from Sean McNamara and that is

2080

01:38:02,459 --> 01:37:59,800

really a treat so because I mean remote

2081

01:38:05,819 --> 01:38:02,469

viewing actually that's just the ability

2082

01:38:07,439 --> 01:38:05,829

to see and to understand your

2083

01:38:09,270 --> 01:38:07,449

environment I mean can you imagine if

2084

01:38:11,490 --> 01:38:09,280

you could remove your your car keys if

2085

01:38:17,129 --> 01:38:11,500

you lose them I mean you don't have to

2086

01:38:18,930 --> 01:38:17,139

do military remote viewing SP for god

2087

01:38:20,459 --> 01:38:18,940

sakes I mean you could feel remote

2088

01:38:21,720 --> 01:38:20,469

viewing is you could feel people you

2089

01:38:23,220 --> 01:38:21,730

know they're gonna be your friend or

2090

01:38:26,189 --> 01:38:23,230

enemy I mean if they're these these

2091

01:38:28,680 --> 01:38:26,199

talents are very important in everyday

2092

01:38:31,530 --> 01:38:28,690

life it's not just you know weirdness

2093

01:38:33,390 --> 01:38:31,540

Paulo have you ever used remote viewing

2094

01:38:37,080 --> 01:38:33,400

as part of your research to generate

2095

01:38:38,339 --> 01:38:37,090

leads or fear anything up that any

2096

01:38:41,790 --> 01:38:38,349

questions you might have had in your own

2097

01:38:44,910 --> 01:38:41,800

mind you know Frank I'm terrible I never

2098

01:38:49,890 --> 01:38:44,920

stopped to you I'm terrible I'm terrible

2099

01:38:52,500 --> 01:38:49,900

I mean every the only way that I will do

2100

01:39:01,020 --> 01:38:52,510

meditation doing is if you drive me out

2101
01:39:06,910 --> 01:39:05,169
you're fading again unfortunately I said

2102
01:39:09,010 --> 01:39:06,920
you have to drag me out into the

2103
01:39:11,379 --> 01:39:09,020
wilderness and let me meditate that's

2104
01:39:14,709 --> 01:39:11,389
the only time it's quiet my mind got it

2105
01:39:16,930 --> 01:39:14,719
got it okay I wanted to ask you about

2106
01:39:18,339 --> 01:39:16,940
Bruce Maccabee do you ever have any

2107
01:39:22,330 --> 01:39:18,349
contact with him

2108
01:39:27,549 --> 01:39:22,340
Paula I know he's at the ex conferences

2109
01:39:29,770 --> 01:39:27,559
that I spoke at with with um you know

2110
01:39:32,620 --> 01:39:29,780
Steve Bassett invited me to speak of 5x

2111
01:39:34,839 --> 01:39:32,630
conferences but what I do know about him

2112
01:39:38,620 --> 01:39:34,849
is that he researched the Gulf Breeze

2113
01:39:41,620 --> 01:39:38,630

case which I support can you talk a

2114

01:39:43,450 --> 01:39:41,630

little bit about it yeah well I went to

2115

01:39:45,819 --> 01:39:43,460

Gulf Breeze I was invited to speak there

2116

01:39:47,919 --> 01:39:45,829

and I went to the school where there was

2117

01:39:49,569 --> 01:39:47,929

the mark of the you know the craft

2118

01:39:54,069 --> 01:39:49,579

landed and what happens with all these

2119

01:39:56,530 --> 01:39:54,079

poor you know contactees like like ed

2120

01:39:58,990 --> 01:39:56,540

Walters is they just like the total core

2121

01:40:01,270 --> 01:39:59,000

so our own people bash them so much they

2122

01:40:03,970 --> 01:40:01,280

give up and they just leave yeah go

2123

01:40:05,830 --> 01:40:03,980

underground so I know that Bruce

2124

01:40:07,299 --> 01:40:05,840

Maccabee worked on that I've read the

2125

01:40:09,129 --> 01:40:07,309

books and I talked to the people there

2126
01:40:11,859 --> 01:40:09,139
and that was a real case but it's gone

2127
01:40:14,290 --> 01:40:11,869
it's because our own people go after

2128
01:40:16,959 --> 01:40:14,300
these people and they say oh no like

2129
01:40:21,040 --> 01:40:16,969
bill I the most famous is billionaire

2130
01:40:22,569 --> 01:40:21,050
this is pretty minor I talk to the

2131
01:40:25,660 --> 01:40:22,579
people the Japanese came and bought

2132
01:40:29,799 --> 01:40:25,670
everything including the kid scrap metal

2133
01:40:31,569 --> 01:40:29,809
them there had dashes that case it's

2134
01:40:34,450 --> 01:40:31,579
over nobody's gonna go there and I

2135
01:40:36,879 --> 01:40:34,460
talked to the townspeople saw the photos

2136
01:40:41,350 --> 01:40:36,889
by the way Photoshop was not invented

2137
01:40:44,020 --> 01:40:41,360
until 1992 and those photos were 1970s

2138
01:40:48,370 --> 01:40:44,030

so nobody's even using their brain mm-hm

2139

01:40:50,260 --> 01:40:48,380

you know and that case I believe is

2140

01:40:52,060 --> 01:40:50,270

totally real but we've just dismissed

2141

01:40:54,010 --> 01:40:52,070

all these cases because somebody comes

2142

01:40:58,089 --> 01:40:54,020

you know they're gonna holler hoax

2143

01:40:59,589 --> 01:40:58,099

without doing any real research they're

2144

01:41:02,649 --> 01:40:59,599

gonna hire hooks for everything

2145

01:41:04,620 --> 01:41:02,659

everything I'm Tony who's he who's the

2146

01:41:09,819 --> 01:41:04,630

case in Italy that takes incredible

2147

01:41:11,859 --> 01:41:09,829

movies of metal UFOs I'm no name for 25

2148

01:41:12,430 --> 01:41:11,869

years and I was in Mexico City when he

2149

01:41:16,420 --> 01:41:12,440

pointed

2150

01:41:18,910 --> 01:41:16,430

when out to me and the Mexican would

2151

01:41:21,729 --> 01:41:18,920

call it television came out and filmed

2152

01:41:24,130 --> 01:41:21,739

it he's a contact II that somehow they

2153

01:41:25,720 --> 01:41:24,140

fly over his place they're telling me

2154

01:41:28,720 --> 01:41:25,730

those are metal buttons and all these

2155

01:41:31,870 --> 01:41:28,730

people are crazy I mean I've known I'm

2156

01:41:34,180 --> 01:41:31,880

telling you for 20 years and before

2157

01:41:36,850 --> 01:41:34,190

everybody even heard of him inside his

2158

01:41:39,459 --> 01:41:36,860

films some of these whether they're up

2159

01:41:42,100 --> 01:41:39,469

close and personal or beautiful is not

2160

01:41:44,680 --> 01:41:42,110

an excuse for calling it a hope you're

2161

01:41:47,650 --> 01:41:44,690

going to have to do heavy heavy research

2162

01:41:50,350 --> 01:41:47,660

and it can't be photographic research

2163

01:41:52,900 --> 01:41:50,360

because Billy Meyer the photos are real

2164

01:41:54,700 --> 01:41:52,910

and I talked to what's-his-name little

2165

01:41:57,280 --> 01:41:54,710

speedos before he died he wasn't there

2166

01:41:59,620 --> 01:41:57,290

Wendell Stevens was there she told me

2167

01:42:01,330 --> 01:41:59,630

that Billy would get a call he would

2168

01:42:03,070 --> 01:42:01,340

walk out in the snow his footprints

2169

01:42:05,439 --> 01:42:03,080

would disappear they'd have to go to

2170

01:42:07,930 --> 01:42:05,449

cities over to pick him up so everybody

2171

01:42:11,050 --> 01:42:07,940

and I'd say to just miss the Billy Mayer

2172

01:42:13,479 --> 01:42:11,060

case it's over and they will dismiss any

2173

01:42:15,400 --> 01:42:13,489

other case that comes out you know you

2174

01:42:19,270 --> 01:42:15,410

have to I talk to the townspeople and

2175

01:42:23,290 --> 01:42:19,280

you met Rudy it was real so I'm glad

2176

01:42:24,280 --> 01:42:23,300

yeah thank you for mentioning I'm sorry

2177

01:42:25,810 --> 01:42:24,290

to interrupt you thank you for

2178

01:42:27,880 --> 01:42:25,820

mentioning all the difficulty a

2179

01:42:30,820 --> 01:42:27,890

researcher can have in this field if

2180

01:42:32,410 --> 01:42:30,830

they bring forth authentic cases and

2181

01:42:35,260 --> 01:42:32,420

which leads me to a question I had

2182

01:42:37,959 --> 01:42:35,270

wanted to ask you and that is the amount

2183

01:42:40,180 --> 01:42:37,969

of time you spend studying this topic

2184

01:42:42,959 --> 01:42:40,190

was it worth all the time you put into

2185

01:42:47,709 --> 01:42:45,520

the only motive it certainly isn't money

2186

01:42:49,770 --> 01:42:47,719

and it certainly isn't fame and fortune

2187

01:42:53,740 --> 01:42:49,780

who in the world wants that over this

2188

01:42:56,200 --> 01:42:53,750

you know you lose don't even go into

2189

01:42:58,750 --> 01:42:56,210

what you lose I mean because if your

2190

01:43:02,470 --> 01:42:58,760

family isn't into it it's really

2191

01:43:04,810 --> 01:43:02,480

difficult the thing is this that I want

2192

01:43:07,959 --> 01:43:04,820

to know uh it's like Close Encounters

2193

01:43:10,270 --> 01:43:07,969

when Roy Neary goes up to the government

2194

01:43:17,050 --> 01:43:10,280

says tell me what's going on I want to

2195

01:43:19,360 --> 01:43:17,060

know do you remember that in the ground

2196

01:43:22,510 --> 01:43:19,370

tell me tell me well nobody's going to

2197

01:43:24,189 --> 01:43:22,520

tell you right it's big top secret so

2198

01:43:26,260 --> 01:43:24,199

the only way you could figure it out

2199

01:43:28,570 --> 01:43:26,270

it's put the pieces of the puzzle to the

2200

01:43:31,300 --> 01:43:28,580

they're connected us which is my first

2201

01:43:34,840 --> 01:43:31,310

book connecting the dots make any sense

2202

01:43:37,270 --> 01:43:34,850

of the UFO and then reading read jocks

2203

01:43:41,050 --> 01:43:37,280

book or jock actually connects all the

2204

01:43:43,240 --> 01:43:41,060

dots job Jack's books forbidden I think

2205

01:43:45,280 --> 01:43:43,250

it's called forbidden science vol 1 that

2206

01:43:48,250 --> 01:43:45,290

she vol 3 is the best because it's the

2207

01:43:52,930 --> 01:43:48,260

most current but you know he's connected

2208

01:43:54,910 --> 01:43:52,940

so many dots in there and and I I just

2209

01:43:56,560 --> 01:43:54,920

you know I just want to figure it out

2210

01:43:59,830 --> 01:43:56,570

it's like a detective

2211

01:44:02,050 --> 01:43:59,840

that's the only reason and to realize

2212

01:44:06,160 --> 01:44:02,060

that in the end when we mentioned

2213

01:44:08,710 --> 01:44:06,170

consciousness you need Frank are part of

2214

01:44:12,700 --> 01:44:08,720

something greater they're part of

2215

01:44:15,570 --> 01:44:12,710

something huge in the cosmos in the

2216

01:44:19,720 --> 01:44:15,580

cosmos so that that's the bottom line

2217

01:44:22,300 --> 01:44:19,730

um Paula if you could go back in your

2218

01:44:27,300 --> 01:44:22,310

UFO research and do anything differently

2219

01:44:34,030 --> 01:44:30,220

I'd have people with me it's really hard

2220

01:44:37,720 --> 01:44:34,040

like a camera crew unlike somebody to

2221

01:44:41,020 --> 01:44:37,730

transcribe everything I need help like a

2222

01:44:45,240 --> 01:44:41,030

crew a crew of people not run around all

2223

01:44:50,380 --> 01:44:48,880

love to be part of a same tank where

2224

01:44:52,150 --> 01:44:50,390

what you find out you'd go to the

2225

01:44:53,680 --> 01:44:52,160

University or sit on you know in a

2226

01:44:55,750 --> 01:44:53,690

conference room and everybody says tell

2227

01:44:57,940 --> 01:44:55,760

me what you think tell me what you think

2228

01:45:02,500 --> 01:44:57,950

coming from research you're not coming

2229

01:45:04,350 --> 01:45:02,510

from your brain what do you think I'd

2230

01:45:08,350 --> 01:45:04,360

love to be part of a serious situation

2231

01:45:11,230 --> 01:45:08,360

not not entertainment silly mess a doing

2232

01:45:14,290 --> 01:45:11,240

a race time about stuff it's I would

2233

01:45:16,560 --> 01:45:14,300

love to be just sit around and say woody

2234

01:45:23,650 --> 01:45:16,570

what do you think is happening from all

2235

01:45:26,560 --> 01:45:23,660

perspectives worldwide ok and if you had

2236

01:45:29,590 --> 01:45:26,570

a message that you would leave the world

2237

01:45:34,450 --> 01:45:29,600

with if you had only one minute left to

2238

01:45:37,210 --> 01:45:34,460

live what would it be read I like that I

2239

01:45:39,730 --> 01:45:37,220

like that I'm a strong proponent about

2240

01:45:40,189 --> 01:45:39,740

myself I'm a reader so I know what you

2241

01:45:42,890 --> 01:45:40,199

need

2242

01:45:44,239 --> 01:45:42,900

well yeah Hynek wrote a book read Hynix

2243

01:45:46,549 --> 01:45:44,249

book if Charles Hall wrote a book

2244

01:45:48,709 --> 01:45:46,559

readers book the book on Billy Mayer is

2245

01:45:51,229 --> 01:45:48,719

called it's still night I read Colin

2246

01:45:55,669 --> 01:45:51,239

Andrews book go to the source go to the

2247

01:45:58,580 --> 01:45:55,679

source and read the source right yeah

2248

01:46:00,589 --> 01:45:58,590

you know I so I'll go on to Facebook

2249

01:46:02,359 --> 01:46:00,599

like anybody and when I'm scrolling down

2250

01:46:04,879 --> 01:46:02,369

the timeline of Facebook

2251

01:46:06,680 --> 01:46:04,889

I'll see these articles that say the

2252

01:46:08,689 --> 01:46:06,690

title of the article and it'll say two

2253

01:46:12,529 --> 01:46:08,699

minute read or three minute rate because

2254

01:46:15,649 --> 01:46:12,539

people are so unwilling to spend their

2255

01:46:18,140 --> 01:46:15,659

discretionary time to just read just

2256

01:46:21,080 --> 01:46:18,150

just read it you know the article or the

2257

01:46:23,120 --> 01:46:21,090

book they want to be payable to and be

2258

01:46:25,609 --> 01:46:23,130

told all these cheap notes on something

2259

01:46:28,540 --> 01:46:25,619

yeah and tell me something go ahead who

2260

01:46:31,069 --> 01:46:28,550

would you hire who is your an aerospace

2261

01:46:33,799 --> 01:46:31,079

who would you hire they didn't do the

2262

01:46:36,080 --> 01:46:33,809

studying if you're an anthropology who

2263

01:46:43,279 --> 01:46:36,090

would you hire that didn't study the

2264

01:46:45,589 --> 01:46:43,289

subject seriously yeah that says they

2265

01:46:49,330 --> 01:46:45,599

didn't want to read a book right that's

2266

01:46:51,799 --> 01:46:49,340

that's a good question I agree

2267

01:46:54,500 --> 01:46:51,809

Frank did you have any questions I've

2268

01:46:57,469 --> 01:46:54,510

been got you guys were rolling and

2269

01:46:58,370 --> 01:46:57,479

before before we wrap up the shot Paul I

2270

01:47:00,109 --> 01:46:58,380

don't know if you want to hang around

2271

01:47:08,810 --> 01:47:00,119

this but I've got a little something

2272

01:47:11,239 --> 01:47:08,820

related to where I am 95% sure the best

2273

01:47:14,719 --> 01:47:11,249

UFO data gathered by the governor

2274

01:47:19,279 --> 01:47:14,729

military is going and I do want to get

2275

01:47:20,509 --> 01:47:19,289

to that I'm ready to get to that every

2276

01:47:22,969 --> 01:47:20,519

Paul if you want to hang around and

2277

01:47:26,779 --> 01:47:22,979

listen to this you're more than welcome

2278

01:47:28,750 --> 01:47:26,789

but I do want to get to it can't do you

2279

01:47:32,390 --> 01:47:28,760

mind if I ask her when does a question

2280

01:47:34,790 --> 01:47:32,400

your heart okay if you could say

2281

01:47:38,180 --> 01:47:34,800

anything about just the topic of you

2282

01:47:41,959 --> 01:47:38,190

apology in general aside from read Paul

2283

01:47:44,330 --> 01:47:41,969

what would you say if we are part of

2284

01:47:48,649 --> 01:47:44,340

something greater like I just mentioned

2285

01:47:50,989 --> 01:47:48,659

and we are not just mere humans walking

2286

01:47:53,390 --> 01:47:50,999

on this planet and our history has to be

2287

01:47:54,520 --> 01:47:53,400

totally rewritten if you watch ancient

2288

01:47:58,550 --> 01:47:54,530

aliens

2289

01:48:01,660 --> 01:47:58,560

wouldn't you want to know and this is

2290

01:48:05,060 --> 01:48:01,670

the last thing I can really say it's

2291

01:48:08,839 --> 01:48:05,070

have some intellectual curiosity go to

2292

01:48:10,669 --> 01:48:08,849

the source and hang around with people

2293

01:48:12,919 --> 01:48:10,679

that are studying this seriously and

2294

01:48:17,379 --> 01:48:12,929

take it away from the entertainment

2295

01:48:20,510 --> 01:48:17,389

industry and and making it a circus or

2296

01:48:23,149 --> 01:48:20,520

entertainment or silliness and it's

2297

01:48:26,120 --> 01:48:23,159

probably the most important subject as

2298

01:48:28,490 --> 01:48:26,130

Robert Dean would say connected with

2299

01:48:31,040 --> 01:48:28,500

humanity it's the most important subject

2300

01:48:32,899 --> 01:48:31,050

you can research and unfortunately guys

2301

01:48:35,740 --> 01:48:32,909

I gotta go cuz it went longer than I

2302

01:48:39,589 --> 01:48:37,040

yeah

2303

01:48:43,640 --> 01:48:39,599

thank you very much Paula we are very

2304

01:48:50,270 --> 01:48:43,650

grateful to everybody

2305

01:48:51,919 --> 01:48:50,280

bye-bye bye-bye okay well thanks a chant

2306

01:48:54,439 --> 01:48:51,929

that was a really good interview that

2307

01:48:56,180 --> 01:48:54,449

was very interesting thank you that was

2308

01:48:59,060 --> 01:48:56,190

thoroughly enjoyable and I learned a lot

2309

01:49:02,359 --> 01:48:59,070

yep absolutely absolutely so and now we

2310

01:49:04,550 --> 01:49:02,369

want to get to the part of the show that

2311

01:49:06,830 --> 01:49:04,560

we've got running across on the news

2312

01:49:11,419 --> 01:49:06,840

feed where I'm gonna discuss a little

2313

01:49:13,250 --> 01:49:11,429

bit about where the very best evidence

2314

01:49:17,330 --> 01:49:13,260

and when I say very best evidence I'm

2315

01:49:19,479 --> 01:49:17,340

talking about the radar data I'm talking

2316

01:49:22,760 --> 01:49:19,489

about the gun camera footage

2317

01:49:24,919 --> 01:49:22,770

much better much more convincing much

2318

01:49:28,070 --> 01:49:24,929

less ambiguous footage than we've seen

2319

01:49:30,800 --> 01:49:28,080

released over the last year or so the

2320

01:49:33,229 --> 01:49:30,810

actual witness accounts where does that

2321

01:49:35,570 --> 01:49:33,239

data go that's gathered by the US

2322

01:49:40,339 --> 01:49:35,580

military we know they're doing it where

2323

01:49:42,200 --> 01:49:40,349

does it go where is this central

2324

01:49:45,709 --> 01:49:42,210

repository now I'm a hundred percent

2325

01:49:47,060 --> 01:49:45,719

convinced that such a place exists so

2326

01:49:49,370 --> 01:49:47,070

there's no doubt in my mind that it

2327

01:49:54,669 --> 01:49:49,380

exists somewhere but we're in this

2328

01:49:58,189 --> 01:49:54,679

gigantic military operation does it go

2329

01:50:01,939 --> 01:49:58,199

and based on a little bit of research on

2330

01:50:05,330 --> 01:50:01,949

95 percent convinced that the central

2331

01:50:06,390 --> 01:50:05,340

repository for the very best UF data UFO

2332

01:50:10,229 --> 01:50:06,400

data

2333

01:50:18,109 --> 01:50:10,239

- are you ready drum roll please drum

2334

01:50:22,550 --> 01:50:18,119

roll I'm okay it goes to the Joint Base

2335

01:50:27,209 --> 01:50:22,560

anacostia-bolling in Washington DC

2336

01:50:30,660 --> 01:50:27,219

well that's where I think it goes so

2337

01:50:32,430 --> 01:50:30,670

yeah I know a lot of folks at home as

2338

01:50:33,120 --> 01:50:32,440

soon as I said that there I knew it I

2339

01:50:34,850 --> 01:50:33,130

knew it all along

2340

01:50:37,439 --> 01:50:34,860

you're right of course the Joint Base

2341

01:50:38,910 --> 01:50:37,449

anacostia-bolling but I will go into a

2342

01:50:42,750 --> 01:50:38,920

little bit of background about what goes

2343

01:50:46,169 --> 01:50:42,760

on there and that is obviously a big

2344

01:50:48,330 --> 01:50:46,179

part of what convinced me I'm sorry I

2345

01:50:49,950 --> 01:50:48,340

want I want you to spell that because

2346

01:50:51,899 --> 01:50:49,960

there's some people who might hear it

2347

01:50:54,839 --> 01:50:51,909

and hear it kind of roll off your tongue

2348

01:50:59,609 --> 01:50:54,849

when you say Anacostia Bolling it is a

2349

01:51:01,649 --> 01:50:59,619

and a co STI a - B's and baby Oh double

2350

01:51:04,620 --> 01:51:01,659

Li and G is that correct that is correct

2351

01:51:08,430 --> 01:51:04,630

that virtually now what it is it's a

2352

01:51:11,160 --> 01:51:08,440

joint naval and Air Force Base so yeah

2353

01:51:14,040 --> 01:51:11,170

Anacostia was a naval well still is a

2354

01:51:16,379 --> 01:51:14,050

Naval Support Facility and balling is of

2355

01:51:18,270 --> 01:51:16,389

course balling Air Force Base now what

2356

01:51:20,850 --> 01:51:18,280

Boeing Air Force Base has an interesting

2357

01:51:22,979 --> 01:51:20,860

history related to UFOs a couple of

2358

01:51:27,770 --> 01:51:22,989

interesting things came out from there

2359

01:51:33,060 --> 01:51:27,780

going back to the early 50s during the

2360

01:51:34,709 --> 01:51:33,070

Washington DC UFO case of 1952 the head

2361

01:51:37,979 --> 01:51:34,719

of a project Bluebook at that time

2362

01:51:40,919 --> 01:51:37,989

Captain Edward ruppelt happened to be in

2363

01:51:43,050 --> 01:51:40,929

town he was stationed at the

2364

01:51:46,560 --> 01:51:43,060

wright-patterson Air Force Base Blue

2365

01:51:49,500 --> 01:51:46,570

Book was under the umbrella of the a

2366

01:51:51,629 --> 01:51:49,510

tick the air technical Intelligence

2367

01:51:54,000 --> 01:51:51,639

Center but he happened to be in town and

2368

01:51:57,149 --> 01:51:54,010

when he was briefed on the goings on

2369

01:51:59,729 --> 01:51:57,159

over Washington DC back in July of 1952

2370

01:52:01,740 --> 01:51:59,739

that's where he received his briefing at

2371

01:52:03,419 --> 01:52:01,750

Boeing Air Force Base so that's a little

2372

01:52:09,709 --> 01:52:03,429

bit interesting a little bit of history

2373

01:52:12,209 --> 01:52:09,719

and also in the 90s the Bill Clinton had

2374

01:52:15,479 --> 01:52:12,219

requisitioned a report on the Roswell

2375

01:52:18,089 --> 01:52:15,489

crash from the Air Force and that report

2376

01:52:19,270 --> 01:52:18,099

was generated also out of balling Air

2377

01:52:21,939 --> 01:52:19,280

Force

2378

01:52:24,219 --> 01:52:21,949

that is the location for the air force

2379

01:52:27,330 --> 01:52:24,229

the headquarters for the Air Force

2380

01:52:29,739 --> 01:52:27,340

historical Support Division that is the

2381

01:52:31,419 --> 01:52:29,749

organization that generated that report

2382

01:52:33,189 --> 01:52:31,429

for Clinton that a lot of people have

2383

01:52:35,469 --> 01:52:33,199

ripped and he asked what about the

2384

01:52:37,870 --> 01:52:35,479

bodies and so on and so forth but that

2385

01:52:40,779 --> 01:52:37,880

is there and also another interesting

2386

01:52:43,600 --> 01:52:40,789

little aside that balling Air Force Base

2387

01:52:45,069 --> 01:52:43,610

is also the headquarters for a fuzzy the

2388

01:52:47,739 --> 01:52:45,079

Air Force Office of Special

2389

01:52:49,509 --> 01:52:47,749

Investigations now I'm going to get to

2390

01:52:54,129 --> 01:52:49,519

the map here we're gonna take a closer

2391

01:52:56,830 --> 01:52:54,139

look at balling yeah at the Anacostia

2392

01:52:59,649 --> 01:52:56,840

Bolling Joint Base they're the bases

2393

01:53:01,149 --> 01:52:59,659

were merged I believe in the 1990s now

2394

01:53:02,020 --> 01:53:01,159

if you look at the map you'll see off to

2395

01:53:04,870 --> 01:53:02,030

the left

2396

01:53:07,120 --> 01:53:04,880

very interesting facility over there the

2397

01:53:11,020 --> 01:53:07,130

Naval Research Laboratory that

2398

01:53:14,140 --> 01:53:11,030

particular lab is under the umbrella of

2399

01:53:17,339 --> 01:53:14,150

the Office of Naval Research now the

2400

01:53:20,229 --> 01:53:17,349

Office of Naval Research has been around

2401

01:53:22,120 --> 01:53:20,239

well since before World War two I didn't

2402

01:53:23,529 --> 01:53:22,130

check the the exact date when it was

2403

01:53:27,160 --> 01:53:23,539

founded my guess is probably around

2404

01:53:29,679 --> 01:53:27,170

World War one but that has never changed

2405

01:53:31,810 --> 01:53:29,689

names it has been the naval of the

2406

01:53:34,449 --> 01:53:31,820

Office of Naval Research and it

2407

01:53:37,479 --> 01:53:34,459

continues to be to this very day going

2408

01:53:40,959 --> 01:53:37,489

way back to the immediate post-world War

2409

01:53:44,140 --> 01:53:40,969

two period the titanium industry was

2410

01:53:45,879 --> 01:53:44,150

founded in the the commercial titanium

2411

01:53:49,390 --> 01:53:45,889

industry I should say was founded in

2412

01:53:51,040 --> 01:53:49,400

December 1948 a year and a half after

2413

01:53:53,500 --> 01:53:51,050

the Roswell crash

2414

01:53:56,410 --> 01:53:53,510

now this Naval Research Lab studies

2415

01:54:00,509 --> 01:53:56,420

things like plasma space physics and

2416

01:54:03,219 --> 01:54:00,519

material sciences again getting back to

2417

01:54:06,370 --> 01:54:03,229

the founding of the titanium industry

2418

01:54:09,729 --> 01:54:06,380

which I think quite possibly could have

2419

01:54:12,879 --> 01:54:09,739

been prompted by discovering that the

2420

01:54:15,330 --> 01:54:12,889

Roswell craft that crashed might well

2421

01:54:17,350 --> 01:54:15,340

have been made out of in some part

2422

01:54:20,129 --> 01:54:17,360

titanium there was no commercial

2423

01:54:23,979 --> 01:54:20,139

industry for it before December of 1948

2424

01:54:26,679 --> 01:54:23,989

the Office of Naval Research is also

2425

01:54:31,179 --> 01:54:26,689

involved in the development of nitinol

2426
01:54:32,510 --> 01:54:31,189
which is a shape-memory alloy that it

2427
01:54:39,140 --> 01:54:32,520
was developed in the early

2428
01:54:42,160 --> 01:54:39,150
1960s that was all so let me see here

2429
01:54:44,390 --> 01:54:42,170
how can i how can i phrase this that

2430
01:54:46,880 --> 01:54:44,400
well there the shape memory alloy

2431
01:54:50,240 --> 01:54:46,890
somewhat mimic some of the descriptions

2432
01:54:52,660 --> 01:54:50,250
of morphing metal that were described by

2433
01:54:55,550 --> 01:54:52,670
various and sundry roswell witnesses and

2434
01:54:56,960 --> 01:54:55,560
also some of the other things that the

2435
01:55:00,770 --> 01:54:56,970
office of naval research has been

2436
01:55:04,370 --> 01:55:00,780
involved in is commissioning a study

2437
01:55:07,700 --> 01:55:04,380
from duke university on the capabilities

2438
01:55:11,120 --> 01:55:07,710

of squid and octopus to camouflage

2439

01:55:13,430 --> 01:55:11,130

themselves so that was if you are seeing

2440

01:55:16,010 --> 01:55:13,440

different films of a squid knocked up i

2441

01:55:17,660 --> 01:55:16,020

either in the wild or in the lab where

2442

01:55:20,090 --> 01:55:17,670

they are able to camouflage themselves

2443

01:55:22,490 --> 01:55:20,100

basically against their surroundings

2444

01:55:24,620 --> 01:55:22,500

very interesting work obviously they do

2445

01:55:26,660 --> 01:55:24,630

a lot more than just that and also have

2446

01:55:29,450 --> 01:55:26,670

you been keeping up on the recent

2447

01:55:33,380 --> 01:55:29,460

stories regarding a tip you know that

2448

01:55:37,730 --> 01:55:33,390

there was a release of a list of studies

2449

01:55:41,450 --> 01:55:37,740

conducted on behalf of a tip and among

2450

01:55:44,210 --> 01:55:41,460

them among others were papers are ever

2451
01:55:46,910 --> 01:55:44,220
guarding a camouflage so there's that

2452
01:55:49,970 --> 01:55:46,920
and perhaps most interesting of all at

2453
01:55:52,540 --> 01:55:49,980
this facility right snap a smack dab in

2454
01:55:54,890 --> 01:55:52,550
the center is the headquarters of the

2455
01:55:58,850 --> 01:55:54,900
defense intelligence agency

2456
01:56:02,360 --> 01:55:58,860
so got a few things there and like i

2457
01:56:07,310 --> 01:56:02,370
said i am not quite convinced 95%

2458
01:56:10,130 --> 01:56:07,320
certain that the best UFO data that the

2459
01:56:13,100 --> 01:56:10,140
military gathers goes somewhere and i

2460
01:56:16,610 --> 01:56:13,110
believe that somewhere to be the Joint

2461
01:56:20,780 --> 01:56:16,620
Base anacostia-bolling so that's our

2462
01:56:23,180 --> 01:56:20,790
little little bit of news for today that

2463
01:56:25,460 --> 01:56:23,190

we've generated ourselves here the

2464

01:56:28,610 --> 01:56:25,470

reason I put it out now and again I am

2465

01:56:30,710 --> 01:56:28,620

NOT a hundred percent sure but just in a

2466

01:56:32,720 --> 01:56:30,720

couple of days of doing a little bit of

2467

01:56:35,330 --> 01:56:32,730

research I've had the opportunity to

2468

01:56:38,860 --> 01:56:35,340

come across what goes on at this base

2469

01:56:42,830 --> 01:56:38,870

and like I say I'm 95 percent sure that

2470

01:56:44,090 --> 01:56:42,840

this is where the best information goes

2471

01:56:46,280 --> 01:56:44,100

and I put that out there because

2472

01:56:48,860 --> 01:56:46,290

obviously we want to get a few other

2473

01:56:49,460 --> 01:56:48,870

eyes on the situation that have them

2474

01:56:52,040 --> 01:56:49,470

take a look

2475

01:56:53,810 --> 01:56:52,050

get some researchers on this I'm gonna

2476

01:56:56,330 --> 01:56:53,820

continue to keep looking at any kind of

2477

01:56:57,530 --> 01:56:56,340

updates I might have I'm certainly gonna

2478

01:56:59,060 --> 01:56:57,540

bring them out here we're not gonna

2479

01:56:59,600 --> 01:56:59,070

waste any time and we're gonna get right

2480

01:57:01,220 --> 01:56:59,610

to it

2481

01:57:04,310 --> 01:57:01,230

even though like I said don't have this

2482

01:57:05,990 --> 01:57:04,320

100% pinned down but I think it's a lead

2483

01:57:07,340 --> 01:57:06,000

it's a lead for us some of the

2484

01:57:11,540 --> 01:57:07,350

researchers that are listening out there

2485

01:57:13,520 --> 01:57:11,550

and I think that the closer we look at

2486

01:57:16,190 --> 01:57:13,530

this particular facility of what goes on

2487

01:57:20,240 --> 01:57:16,200

there they will become apparent as time

2488

01:57:23,120 --> 01:57:20,250

goes on that that is where the central

2489

01:57:28,310 --> 01:57:23,130

repository of the best UFO data gathered

2490

01:57:28,790 --> 01:57:28,320

by the military ends up so there so for

2491

01:57:31,880 --> 01:57:28,800

the day

2492

01:57:33,740 --> 01:57:31,890

they're instrumental is that kind I

2493

01:57:36,350 --> 01:57:33,750

think that is the like I said I think

2494

01:57:39,620 --> 01:57:36,360

that is the central repository now all

2495

01:57:41,900 --> 01:57:39,630

the hard drives when we had PJ on our

2496

01:57:45,830 --> 01:57:41,910

show a couple weeks back talking about

2497

01:57:49,040 --> 01:57:45,840

how he was on the Nimitz and how the Air

2498

01:57:50,810 --> 01:57:49,050

Force officers that came off the

2499

01:57:52,970 --> 01:57:50,820

mainland and came onto the ship and

2500

01:57:55,670 --> 01:57:52,980

gathered up the hard drives I think

2501

01:57:57,770 --> 01:57:55,680

those hard drives end up their hard

2502

01:58:01,720 --> 01:57:57,780

drive so again with the radar data with

2503

01:58:04,910 --> 01:58:01,730

the gun camera footage with the

2504

01:58:07,220 --> 01:58:04,920

interviews of witnesses and so on it

2505

01:58:08,510 --> 01:58:07,230

goes somewhere I'm certain of that where

2506

01:58:11,240 --> 01:58:08,520

is that somewhere it's got to be

2507

01:58:13,100 --> 01:58:11,250

somewhere I think that is the location

2508

01:58:15,410 --> 01:58:13,110

of the somewhere well it is an

2509

01:58:19,250 --> 01:58:15,420

interesting timeline of the Office of

2510

01:58:21,020 --> 01:58:19,260

Naval Research called onr was created

2511

01:58:26,090 --> 01:58:21,030

with the blessings of President Harry

2512

01:58:28,160 --> 01:58:26,100

Truman August 1st of 1946 and it

2513

01:58:29,690 --> 01:58:28,170

executes its mission through science and

2514

01:58:31,250 --> 01:58:29,700

technology departments corporate

2515

01:58:34,370 --> 01:58:31,260

programs and naval research laboratory

2516

01:58:39,170 --> 01:58:34,380

and the Office of Naval Research global

2517

01:58:42,980 --> 01:58:39,180

office regarding the nitinol which is

2518

01:58:46,010 --> 01:58:42,990

nickel 2 titanium part of a shape memory

2519

01:58:47,720 --> 01:58:46,020

alloy it's a metal alloy of nickel and

2520

01:58:50,540 --> 01:58:47,730

titanium where the two elements are

2521

01:58:54,140 --> 01:58:50,550

present and roughly equal atomic

2522

01:58:55,550 --> 01:58:54,150

percentages what does that have to do

2523

01:58:56,630 --> 01:58:55,560

with anything does it have to do with

2524

01:58:58,640 --> 01:58:56,640

the

2525

01:59:01,100 --> 01:58:58,650

list that you were mentioning regarding

2526

01:59:03,890 --> 01:59:01,110

the AAT IP academic studies list and the

2527

01:59:05,810 --> 01:59:03,900

new discoveries I'd have to go back over

2528

01:59:08,090 --> 01:59:05,820

the list I don't think so but what

2529

01:59:10,610 --> 01:59:08,100

nitinol is is basically a shape memory

2530

01:59:15,620 --> 01:59:10,620

alloy it's a morphing metal essentially

2531

01:59:18,020 --> 01:59:15,630

which is described by some of the

2532

01:59:19,580 --> 01:59:18,030

Roswell witnesses that the metal of some

2533

01:59:22,730 --> 01:59:19,590

of the metal fragments that were found

2534

01:59:25,130 --> 01:59:22,740

also has those properties those shape

2535

01:59:28,820 --> 01:59:25,140

memory problems okay I see how you're

2536

01:59:29,480 --> 01:59:28,830

marrying that into background

2537

01:59:32,200 --> 01:59:29,490

information

2538

01:59:35,570 --> 01:59:32,210

you know I understood okay got it

2539

01:59:38,540 --> 01:59:35,580

alright by the way did you want to say

2540

01:59:41,600 --> 01:59:38,550

anything else about that AAT IP academic

2541

01:59:43,400 --> 01:59:41,610

studies list not right now we'll be

2542

01:59:45,560 --> 01:59:43,410

covering it in a little bit more detail

2543

01:59:48,350 --> 01:59:45,570

I think James is putting together a show

2544

01:59:48,830 --> 01:59:48,360

on that I will have a Danny Silva back

2545

01:59:52,060 --> 01:59:48,840

on again

2546

01:59:55,760 --> 01:59:52,070

I believe Keith Bester field will be on

2547

01:59:58,640 --> 01:59:55,770

discussing that probably within roughly

2548

02:00:00,650 --> 01:59:58,650

the next month but I did want to get

2549

02:00:03,140 --> 02:00:00,660

this out there today like I said I think

2550

02:00:06,260 --> 02:00:03,150

it's a very good lead I think this is

2551
02:00:08,840 --> 02:00:06,270
where the data goes so so there's that I

2552
02:00:10,820 --> 02:00:08,850
could be wrong but if I am hey tell me

2553
02:00:12,620 --> 02:00:10,830
tell me where the right place is because

2554
02:00:16,460 --> 02:00:12,630
I am a hundred percent convinced that

2555
02:00:18,260 --> 02:00:16,470
that best UFO data goes somewhere it's

2556
02:00:20,030 --> 02:00:18,270
gotta go somewhere that's a great way to

2557
02:00:21,830 --> 02:00:20,040
put it if they think that you're wrong

2558
02:00:24,110 --> 02:00:21,840
maybe they should point you in the right

2559
02:00:25,880 --> 02:00:24,120
direction exactly exactly so I'm

2560
02:00:29,210 --> 02:00:25,890
throwing it out there right now I'm

2561
02:00:32,390 --> 02:00:29,220
confident like I said 95% confident that

2562
02:00:35,180 --> 02:00:32,400
this is the place but we will see if I'm

2563
02:00:36,800 --> 02:00:35,190

wrong again I'd like to see I'd like to

2564

02:00:39,650 --> 02:00:36,810

I'd like to correct the answer so I'm

2565

02:00:41,450 --> 02:00:39,660

throwing it out there and any folks

2566

02:00:44,240 --> 02:00:41,460

listening you want to do a little bit of

2567

02:00:45,950 --> 02:00:44,250

research by all means I'd get to it

2568

02:00:49,100 --> 02:00:45,960

let's say let's see what we come up with

2569

02:00:51,890 --> 02:00:49,110

because obviously the powers that be are

2570

02:00:53,690 --> 02:00:51,900

being really cooperative on all that but

2571

02:00:56,300 --> 02:00:53,700

we know if we know the data is there the

2572

02:00:58,100 --> 02:00:56,310

radar physical evidence of UFOs I've

2573

02:00:59,840 --> 02:00:58,110

been hammering that point home for a few

2574

02:01:02,180 --> 02:00:59,850

years now that's what it is it's

2575

02:01:04,970 --> 02:01:02,190

physical evidence form of remote sensing

2576
02:01:07,820 --> 02:01:04,980
the gun camera footage much better gun

2577
02:01:09,120 --> 02:01:07,830
camera footage then the FLIR and the

2578
02:01:11,070 --> 02:01:09,130
go-fast

2579
02:01:14,930 --> 02:01:11,080
videos that we've seen released so far

2580
02:01:18,360 --> 02:01:14,940
much better much less ambiguous clearly

2581
02:01:18,930 --> 02:01:18,370
graphed not of this earth that kind of

2582
02:01:22,500 --> 02:01:18,940
material

2583
02:01:25,470 --> 02:01:22,510
is located somewhere again 95% sure at

2584
02:01:27,420 --> 02:01:25,480
this point that that place is the Joint

2585
02:01:30,000 --> 02:01:27,430
Base anacostia-bolling

2586
02:01:32,010 --> 02:01:30,010
so we will see well we'll see if this

2587
02:01:33,780 --> 02:01:32,020
turns into anything like I say I think

2588
02:01:35,190 --> 02:01:33,790

it's a good lead I think it's worth your

2589

02:01:36,960 --> 02:01:35,200
time to take a closer look at and

2590

02:01:39,830 --> 02:01:36,970
obviously I'm going to be continuing to

2591

02:01:42,060 --> 02:01:39,840
do that as well so there we have it

2592

02:01:44,880 --> 02:01:42,070
fantastic Frank well thank you very much

2593

02:01:50,610 --> 02:01:44,890
for ending on that note and I would also

2594

02:01:52,230 --> 02:01:50,620
like to thank Paula Harris the Italian

2595

02:01:53,970 --> 02:01:52,240
American photojournalist an

2596

02:01:55,860 --> 02:01:53,980
investigative reporter in the field of

2597

02:01:58,440 --> 02:01:55,870
UFOs and extraterrestrial related

2598

02:02:00,660 --> 02:01:58,450
phenomenon phenomena for having been on

2599

02:02:02,910 --> 02:02:00,670
our show today but you kept her engaged

2600

02:02:04,740 --> 02:02:02,920
she was she told us initially she'd have

2601
02:02:06,690 --> 02:02:04,750
an hour for us and that you kept her on

2602
02:02:09,140 --> 02:02:06,700
the line for about an hour 45 so

2603
02:02:11,730 --> 02:02:09,150
obviously she enjoyed talking to you

2604
02:02:14,670 --> 02:02:11,740
yeah she's a wonderful person and I

2605
02:02:16,790 --> 02:02:14,680
would also like to mention that I look

2606
02:02:19,350 --> 02:02:16,800
forward to future interviews with her

2607
02:02:21,540 --> 02:02:19,360
all right so let's wrap it up we've hit

2608
02:02:23,610 --> 02:02:21,550
the two-hour mark let's wrap it up we've

2609
02:02:25,920 --> 02:02:23,620
got more shows coming up next week we'll

2610
02:02:28,290 --> 02:02:25,930
start spamming and promoting them as a

2611
02:02:30,660 --> 02:02:28,300
little bit closer but for now I think I

2612
02:02:32,340 --> 02:02:30,670
think we had a good day great interview

2613
02:02:34,440 --> 02:02:32,350

with Paula and some interesting

2614

02:02:36,960 --> 02:02:34,450

information that hopefully provides some

2615

02:02:39,060 --> 02:02:36,970

leads to some of our other armchair

2616

02:02:40,710 --> 02:02:39,070

researchers or not so armchair

2617

02:02:42,870 --> 02:02:40,720

researchers who are out there now

2618

02:02:45,150 --> 02:02:42,880

looking to find out more looking to gain

2619

02:02:47,160 --> 02:02:45,160

knowledge as John Mack might say looking

2620

02:02:49,410 --> 02:02:47,170

to gain knowledge about this UFO subject

2621

02:02:51,240 --> 02:02:49,420

so let's wrap it up thanks everybody for

2622

02:02:54,720 --> 02:02:51,250

listening you have a great rest of the

2623

02:02:56,400 --> 02:02:54,730

week and we will be back later next week

2624

02:02:58,950 --> 02:02:56,410

Thursday and Friday I think we've got a

2625

02:03:00,960 --> 02:02:58,960

couple shows lined up and more more is
