

GARY HESELTINE

DISCUSSES THE NEW DOCUMENTARY
ON THE RENDLESHAM CASE
"CAPEL GREEN"

WITH CHANT HANNAH

UFONN
SUNDAY

1
00:01:10,830 --> 00:00:19,940
[Music]

2
00:01:16,010 --> 00:01:13,150
oh

3
00:01:30,590 --> 00:01:16,020
[Applause]

4
00:01:30,600 --> 00:01:42,260
oh my gosh

5
00:02:12,070 --> 00:01:57,440
[Music]

6
00:02:12,790 --> 00:02:12,080
i saw a red light come in came down over

7
00:02:17,670 --> 00:02:12,800
the field

8
00:02:20,390 --> 00:02:19,110
i was scared to death i didn't know what

9
00:02:21,190 --> 00:02:20,400
that was i didn't know if it was gonna

10
00:02:25,110 --> 00:02:21,200
hurt me

11
00:02:27,910 --> 00:02:25,120
it was like a thick beam that was

12
00:02:29,110 --> 00:02:27,920
scanning the whole thing like he was

13
00:02:31,750 --> 00:02:29,120

looking for something

14

00:02:33,750 --> 00:02:31,760

when it broke into three pieces the

15

00:02:35,030 --> 00:02:33,760

whole thing just blew us away what told

16

00:02:51,790 --> 00:02:35,040

me this was alive

17

00:02:53,190 --> 00:02:51,800

is that when they move

18

00:02:55,910 --> 00:02:53,200

[Music]

19

00:02:58,630 --> 00:02:55,920

and good afternoon from philadelphia

20

00:03:01,830 --> 00:02:58,640

frank here with a special

21

00:03:02,949 --> 00:03:01,840

thursday afternoon edition of ufo news

22

00:03:05,990 --> 00:03:02,959

network sunday

23

00:03:06,710 --> 00:03:06,000

joined as always by uh my co-host chant

24

00:03:09,350 --> 00:03:06,720

hannah

25

00:03:11,589 --> 00:03:09,360

and chant we're back at it again after a

26

00:03:13,509 --> 00:03:11,599

very interesting show last night

27

00:03:15,910 --> 00:03:13,519

and we've got another fantastic guest

28

00:03:18,390 --> 00:03:15,920

today so why don't you come on in and

29

00:03:19,430 --> 00:03:18,400

tell us all about it yeah i'm so glad to

30

00:03:23,190 --> 00:03:19,440

be here frank how

31

00:03:25,030 --> 00:03:23,200

are you by the way uh ready to go

32

00:03:27,270 --> 00:03:25,040

yeah everything's going really well we

33

00:03:28,630 --> 00:03:27,280

have a very special guest on today gary

34

00:03:31,589 --> 00:03:28,640

heiseltine

35

00:03:32,710 --> 00:03:31,599

gary was born in 1960 in skinthorpe

36

00:03:34,869 --> 00:03:32,720

lincolnshire

37

00:03:37,830 --> 00:03:34,879

he served in the royal air force police

38

00:03:40,390 --> 00:03:37,840

and from 83 to 89 before spending almost

39

00:03:43,509 --> 00:03:40,400

24-year career in british transport

40

00:03:45,589 --> 00:03:43,519

police from 89 to 2013.

41

00:03:48,070 --> 00:03:45,599

he was a detective constable for 19

42

00:03:50,070 --> 00:03:48,080

years in january 2002

43

00:03:51,990 --> 00:03:50,080

while serving as a police officer he

44

00:03:53,830 --> 00:03:52,000

launched an unofficial national database

45

00:03:56,309 --> 00:03:53,840

for police officers reporting ufo

46

00:03:57,350 --> 00:03:56,319

sightings in the uk which can be found

47

00:04:00,470 --> 00:03:57,360

at profos

48

00:04:03,190 --> 00:04:00,480

police database dot co uk

49

00:04:05,190 --> 00:04:03,200

in 2010 he was presented with the prg

50

00:04:06,550 --> 00:04:05,200

disclosure award in washington dc by

51

00:04:09,350 --> 00:04:06,560

steve bassett

52

00:04:10,710 --> 00:04:09,360

in 2012 he was given the exo politics

53

00:04:11,990 --> 00:04:10,720

great britain award

54

00:04:13,910 --> 00:04:12,000

he is also one of the leading

55

00:04:14,869 --> 00:04:13,920

researchers in the renal shem forest

56

00:04:17,430 --> 00:04:14,879

incident

57

00:04:18,870 --> 00:04:17,440

britain's most famous ufo case he's

58

00:04:20,550 --> 00:04:18,880

currently the lead researcher and

59

00:04:23,110 --> 00:04:20,560

co-writer of a major independent

60

00:04:23,749 --> 00:04:23,120

feature length documentary called cable

61

00:04:25,270 --> 00:04:23,759

green

62

00:04:26,950 --> 00:04:25,280

that is currently in production in the

63

00:04:29,430 --> 00:04:26,960

uk and the us

64

00:04:31,189 --> 00:04:29,440

based on his police experience gary has

65

00:04:32,870 --> 00:04:31,199

examined the best evidence from around

66

00:04:35,510 --> 00:04:32,880

the world and concluded

67

00:04:35,909 --> 00:04:35,520

on a circumstantial evidence basis that

68

00:04:38,390 --> 00:04:35,919

some

69

00:04:40,710 --> 00:04:38,400

ufo sightings involve extraterrestrials

70

00:04:42,790 --> 00:04:40,720

who are interacting with planet earth

71

00:04:44,070 --> 00:04:42,800

as a result of this belief he retired

72

00:04:46,790 --> 00:04:44,080

early from the police

73

00:04:48,150 --> 00:04:46,800

in 2013 to create and launch ufo truth

74

00:04:51,430 --> 00:04:48,160

magazine

75

00:04:53,430 --> 00:04:51,440

it is a 96-page bi-monthly e-sign

76
00:04:55,909 --> 00:04:53,440
created especially for those people who

77
00:04:57,110 --> 00:04:55,919
believe that some ufo incidents involve

78
00:04:59,909 --> 00:04:57,120
ets

79
00:05:01,670 --> 00:04:59,919
in april 2013 he spoke on behalf of

80
00:05:03,590 --> 00:05:01,680
police officers worldwide

81
00:05:05,350 --> 00:05:03,600
who had experienced ufo sightings at the

82
00:05:07,110 --> 00:05:05,360
citizens hearing at the national press

83
00:05:09,029 --> 00:05:07,120
club in washington d.c

84
00:05:11,350 --> 00:05:09,039
the magazine holds two international

85
00:05:14,950 --> 00:05:11,360
conferences per year in london

86
00:05:16,870 --> 00:05:14,960
home first west yorkshire respectively

87
00:05:19,350 --> 00:05:16,880
welcome gary to our show it's so

88
00:05:22,310 --> 00:05:19,360

wonderful having you here with us today

89

00:05:23,670 --> 00:05:22,320

thank you for having me as a guest yes

90

00:05:27,029 --> 00:05:23,680

it's the 35th

91

00:05:27,670 --> 00:05:27,039

issue of your wonderful magazine ufo

92

00:05:31,029 --> 00:05:27,680

truth

93

00:05:33,350 --> 00:05:31,039

and i noticed in the introduction to it

94

00:05:35,029 --> 00:05:33,360

you said it's a start of a new year

95

00:05:36,550 --> 00:05:35,039

you're optimistic that there could be

96

00:05:38,150 --> 00:05:36,560

some important developments in the world

97

00:05:40,390 --> 00:05:38,160

of disclosure over the coming months

98

00:05:43,430 --> 00:05:40,400

what did you mean by that

99

00:05:47,270 --> 00:05:43,440

well there is what i see

100

00:05:49,909 --> 00:05:47,280

a two-pronged attack on the disclosure

101
00:05:51,029 --> 00:05:49,919
issue at the moment one that you'll be

102
00:05:53,749 --> 00:05:51,039
well familiar with

103
00:05:56,629 --> 00:05:53,759
in the united states which is the atip

104
00:05:58,150 --> 00:05:56,639
tom deloine etc luis elizondo

105
00:06:01,909 --> 00:05:58,160
and the obviously the pentagon

106
00:06:04,390 --> 00:06:01,919
admissions from december 2017

107
00:06:05,189 --> 00:06:04,400
are crucial we should never forget those

108
00:06:08,550 --> 00:06:05,199
i think

109
00:06:10,870 --> 00:06:08,560
at the same time what emerged for me

110
00:06:11,990 --> 00:06:10,880
on a personal level was uh something of

111
00:06:15,110 --> 00:06:12,000
a surprise

112
00:06:17,990 --> 00:06:15,120
in early september of 2018

113
00:06:18,790 --> 00:06:18,000

when i got an invitation uh via don

114

00:06:22,390 --> 00:06:18,800

schmidt

115

00:06:25,590 --> 00:06:22,400

obviously from uh from roswell fame uh

116

00:06:27,029 --> 00:06:25,600

invited me to go to moscow uh to attend

117

00:06:30,870 --> 00:06:27,039

an inaugural

118

00:06:32,550 --> 00:06:30,880

kind of uh initial

119

00:06:33,990 --> 00:06:32,560

business meeting for one of a better

120

00:06:36,870 --> 00:06:34,000

expression uh

121

00:06:37,510 --> 00:06:36,880

with a chinese delegation and some

122

00:06:40,629 --> 00:06:37,520

russian

123

00:06:42,230 --> 00:06:40,639

delegation about a possible chinese

124

00:06:45,590 --> 00:06:42,240

funded initiative

125

00:06:47,430 --> 00:06:45,600

and uh basically i'd never been to

126

00:06:51,029 --> 00:06:47,440

moscow it's a place i always wanted

127

00:06:55,029 --> 00:06:51,039

to go so i was keen to go went

128

00:06:56,950 --> 00:06:55,039

and uh it was a fascinating to

129

00:06:58,390 --> 00:06:56,960

meet with the chinese that were going to

130

00:07:01,670 --> 00:06:58,400

fund this initiative

131

00:07:02,790 --> 00:07:01,680

and whilst it's still in its very early

132

00:07:04,710 --> 00:07:02,800

stages

133

00:07:06,230 --> 00:07:04,720

although i am in the background heavily

134

00:07:09,430 --> 00:07:06,240

involved

135

00:07:13,270 --> 00:07:09,440

i can say that the basic premise

136

00:07:17,830 --> 00:07:13,280

is to uh form

137

00:07:21,110 --> 00:07:17,840

an organization of world recognized ufo

138

00:07:22,230 --> 00:07:21,120

delegates each from at least 30

139

00:07:25,189 --> 00:07:22,240

countries

140

00:07:27,029 --> 00:07:25,199

you need a minimum it seems of 30

141

00:07:30,150 --> 00:07:27,039

national delegates

142

00:07:32,390 --> 00:07:30,160

so that you can go to the un

143

00:07:33,909 --> 00:07:32,400

and unesco and be recognized as a world

144

00:07:35,990 --> 00:07:33,919

organization

145

00:07:37,430 --> 00:07:36,000

uh and so we're in the process of

146

00:07:39,189 --> 00:07:37,440

gathering delegates

147

00:07:42,390 --> 00:07:39,199

from all around the world recognize

148

00:07:45,589 --> 00:07:42,400

experts one per country at this stage

149

00:07:46,790 --> 00:07:45,599

to get that uh to reach that limit and

150

00:07:49,029 --> 00:07:46,800

be recognized

151

00:07:49,830 --> 00:07:49,039

uh that's an ongoing process i think

152

00:07:51,909 --> 00:07:49,840

that will

153

00:07:53,990 --> 00:07:51,919

be achieved in the next three to five

154

00:07:55,189 --> 00:07:54,000

months and then i think after that you

155

00:07:57,350 --> 00:07:55,199

will begin

156

00:07:58,390 --> 00:07:57,360

to hear more about what we're trying to

157

00:08:00,309 --> 00:07:58,400

do publicly

158

00:08:02,309 --> 00:08:00,319

because at the moment it's all very low

159

00:08:03,749 --> 00:08:02,319

key and we're just trying to organize

160

00:08:05,350 --> 00:08:03,759

ourselves first

161

00:08:07,110 --> 00:08:05,360

now the folks who were involved in this

162

00:08:09,510 --> 00:08:07,120

on the russian and chinese side

163

00:08:11,189 --> 00:08:09,520

or at least the chinese side are they

164

00:08:14,150 --> 00:08:11,199

are they scientists are the

165

00:08:14,950 --> 00:08:14,160

government officials are they uh private

166

00:08:17,270 --> 00:08:14,960

individuals

167

00:08:19,270 --> 00:08:17,280

who are interested in the field uh who

168

00:08:22,230 --> 00:08:19,280

makes up that group

169

00:08:22,710 --> 00:08:22,240

well uh i can't say too much at this

170

00:08:26,150 --> 00:08:22,720

stage

171

00:08:29,350 --> 00:08:26,160

because it's still very much kind of not

172

00:08:31,990 --> 00:08:29,360

uh hush-hush but because it's still

173

00:08:34,149 --> 00:08:32,000

in its formative process uh they don't

174

00:08:35,350 --> 00:08:34,159

want to reveal too much and i've got to

175

00:08:37,750 --> 00:08:35,360

stand by that

176

00:08:39,990 --> 00:08:37,760

uh what it what i what i can say is that

177

00:08:43,750 --> 00:08:40,000

the idea comes from

178

00:08:45,750 --> 00:08:43,760

a chinese researcher ufo researcher

179

00:08:48,550 --> 00:08:45,760

who i wasn't familiar with because i'm

180

00:08:50,790 --> 00:08:48,560

not that off here with chinese ufology

181

00:08:51,829 --> 00:08:50,800

but some of my colleagues did know of

182

00:08:54,949 --> 00:08:51,839

him

183

00:08:57,990 --> 00:08:54,959

and he's the one proposing it and

184

00:08:58,949 --> 00:08:58,000

all i can say is at this stage uh it's

185

00:09:01,190 --> 00:08:58,959

going to be funded

186

00:09:02,790 --> 00:09:01,200

solely by the chinese now you're going

187

00:09:05,110 --> 00:09:02,800

to ask me the obvious question

188

00:09:07,030 --> 00:09:05,120

who is that funding from and the answer

189

00:09:09,190 --> 00:09:07,040

is i don't know for certain

190

00:09:10,230 --> 00:09:09,200

so at this stage i'm not going to say

191

00:09:12,310 --> 00:09:10,240

got it got it

192

00:09:14,230 --> 00:09:12,320

now one thing i have heard about chinese

193

00:09:16,070 --> 00:09:14,240

ufo research they do tend to take it

194

00:09:19,350 --> 00:09:16,080

pretty seriously over there

195

00:09:20,870 --> 00:09:19,360

but you literally have to be have to

196

00:09:22,790 --> 00:09:20,880

have a doctorate

197

00:09:23,990 --> 00:09:22,800

in order to be sort of i guess a

198

00:09:25,990 --> 00:09:24,000

registered ufo

199

00:09:28,630 --> 00:09:26,000

investigator do you know anything about

200

00:09:29,110 --> 00:09:28,640

that yes i mean in the past there has

201
00:09:31,269 --> 00:09:29,120
been

202
00:09:32,710 --> 00:09:31,279
some conferences i think there was a big

203
00:09:36,230 --> 00:09:32,720
international conference

204
00:09:39,990 --> 00:09:36,240
in 2005 and then it was very

205
00:09:43,030 --> 00:09:40,000
it's a very uh academic subject in china

206
00:09:46,870 --> 00:09:43,040
uh but uh that has not uh got in the way

207
00:09:50,070 --> 00:09:46,880
of what uh is proposed now and i think

208
00:09:53,190 --> 00:09:50,080
that in order to get a

209
00:09:54,790 --> 00:09:53,200
recognized world body as it were uh

210
00:09:56,310 --> 00:09:54,800
not everybody has that kind of

211
00:09:57,190 --> 00:09:56,320
background minds a police background

212
00:10:00,550 --> 00:09:57,200
other people

213
00:10:01,110 --> 00:10:00,560

who are scientists are some scientists

214

00:10:04,470 --> 00:10:01,120

are

215

00:10:05,670 --> 00:10:04,480

some of the delegates but it's a very

216

00:10:07,509 --> 00:10:05,680

broad mix

217

00:10:09,269 --> 00:10:07,519

and i don't think we could deliver that

218

00:10:11,509 --> 00:10:09,279

in quite the academic terms

219

00:10:12,710 --> 00:10:11,519

i think it is just getting recognized

220

00:10:15,990 --> 00:10:12,720

ufo experts

221

00:10:19,990 --> 00:10:16,000

and i think they're very reliant

222

00:10:22,389 --> 00:10:20,000

uh to a degree on the european

223

00:10:24,310 --> 00:10:22,399

side of thing where there are so many

224

00:10:27,430 --> 00:10:24,320

countries like south america

225

00:10:29,030 --> 00:10:27,440

that they've the big input aj javad

226

00:10:30,710 --> 00:10:29,040

who i'm sure you're aware of who runs

227

00:10:34,069 --> 00:10:30,720

the brazilian ufo magazine

228

00:10:36,949 --> 00:10:34,079

he's the delegate for brazil and uh

229

00:10:39,430 --> 00:10:36,959

also now a part of an executive council

230

00:10:42,150 --> 00:10:39,440

uh as the continental director

231

00:10:43,829 --> 00:10:42,160

and so when you think of south america

232

00:10:45,590 --> 00:10:43,839

when you think of europe

233

00:10:47,350 --> 00:10:45,600

there are a whole host of countries and

234

00:10:50,710 --> 00:10:47,360

then it's a question of

235

00:10:53,910 --> 00:10:50,720

literally amongst our peer group

236

00:10:57,110 --> 00:10:53,920

uh nominating people who we believe

237

00:11:00,230 --> 00:10:57,120

um will want to do the role

238

00:11:01,110 --> 00:11:00,240

and believe implicitly that some ufos

239

00:11:03,990 --> 00:11:01,120

are e.t

240

00:11:05,910 --> 00:11:04,000

that is the basic criteria uh to be a

241

00:11:07,190 --> 00:11:05,920

delegate you have to sign an off an

242

00:11:08,949 --> 00:11:07,200

official auth

243

00:11:10,230 --> 00:11:08,959

that says that you believe that some

244

00:11:12,310 --> 00:11:10,240

ufos are e.t

245

00:11:13,269 --> 00:11:12,320

that the case is proven and now it's

246

00:11:15,269 --> 00:11:13,279

really about

247

00:11:18,150 --> 00:11:15,279

moving on and preparing for a level of

248

00:11:21,430 --> 00:11:18,160

contact and protocols

249

00:11:24,389 --> 00:11:21,440

and uh what would the next step be for

250

00:11:26,150 --> 00:11:24,399

me personally my feeling is let's try to

251

00:11:28,870 --> 00:11:26,160

figure out how often

252

00:11:30,550 --> 00:11:28,880

it's et uh what uh what would they the

253

00:11:31,910 --> 00:11:30,560

next step be as far as you know from

254

00:11:34,710 --> 00:11:31,920

this organization or what would your

255

00:11:37,509 --> 00:11:34,720

next step be if you ran the organization

256

00:11:39,350 --> 00:11:37,519

well one i don't run the organization so

257

00:11:41,910 --> 00:11:39,360

that would be improper for me to say

258

00:11:43,269 --> 00:11:41,920

but uh i guess all of these things are

259

00:11:46,310 --> 00:11:43,279

going to be worked out

260

00:11:47,030 --> 00:11:46,320

at a a next meeting which is probably

261

00:11:54,310 --> 00:11:47,040

going to

262

00:11:57,350 --> 00:11:54,320

in china uh because they're funding it

263

00:11:59,269 --> 00:11:57,360

uh it will be in china i do not have

264

00:12:01,750 --> 00:11:59,279

details of that yet

265

00:12:03,430 --> 00:12:01,760

but i think it would be prudent to wait

266

00:12:07,110 --> 00:12:03,440

until see what comes out of that

267

00:12:09,670 --> 00:12:07,120

but the way i look at this is that

268

00:12:10,949 --> 00:12:09,680

anybody who is serious about wanting

269

00:12:14,150 --> 00:12:10,959

disclosure

270

00:12:16,470 --> 00:12:14,160

we should be included in a process

271

00:12:17,430 --> 00:12:16,480

until such a time as we don't believe in

272

00:12:19,350 --> 00:12:17,440

the process

273

00:12:20,470 --> 00:12:19,360

it's better to be on the inside and find

274

00:12:24,310 --> 00:12:20,480

out what's going on

275

00:12:26,790 --> 00:12:24,320

and hope that it's a genuine initiative

276

00:12:27,670 --> 00:12:26,800

and at this stage i believe that

277

00:12:30,389 --> 00:12:27,680

entirely

278

00:12:30,870 --> 00:12:30,399

and so let's go with the floor let's see

279

00:12:33,350 --> 00:12:30,880

how

280

00:12:34,949 --> 00:12:33,360

it is intended to work what its real

281

00:12:36,949 --> 00:12:34,959

aims are going to be

282

00:12:38,710 --> 00:12:36,959

and i think this is something that will

283

00:12:40,710 --> 00:12:38,720

come out in a few months time

284

00:12:42,230 --> 00:12:40,720

uh did you pick up any info on any

285

00:12:44,550 --> 00:12:42,240

specific cases that

286

00:12:45,750 --> 00:12:44,560

may have happened in china or russia

287

00:12:48,870 --> 00:12:45,760

that we here in the west

288

00:12:50,550 --> 00:12:48,880

aren't familiar with uh no but it was

289

00:12:54,230 --> 00:12:50,560

quite a high-level meeting

290

00:12:58,230 --> 00:12:54,240

like in it was hosted in moscow and uh

291

00:13:01,430 --> 00:12:58,240

there were two cosmonauts there

292

00:13:03,190 --> 00:13:01,440

uh both in uniform um

293

00:13:04,470 --> 00:13:03,200

both retired but both in military

294

00:13:06,790 --> 00:13:04,480

uniform so

295

00:13:08,470 --> 00:13:06,800

this you can see that it was it was a

296

00:13:10,870 --> 00:13:08,480

quite a big publicity thing

297

00:13:11,590 --> 00:13:10,880

and there was a big chinese delegation

298

00:13:15,750 --> 00:13:11,600

there

299

00:13:17,509 --> 00:13:15,760

um so i think uh i think it's early days

300

00:13:19,430 --> 00:13:17,519

but let's see where it goes that's

301
00:13:22,069 --> 00:13:19,440
that's what i'm saying to people

302
00:13:23,509 --> 00:13:22,079
who we are approaching to be delegates

303
00:13:25,110 --> 00:13:23,519
so it looks like you might have a busy

304
00:13:28,790 --> 00:13:25,120
year ahead of you

305
00:13:32,470 --> 00:13:28,800
yeah to be fair

306
00:13:35,110 --> 00:13:32,480
um i have always wanted to

307
00:13:37,509 --> 00:13:35,120
in a sense get into the political arena

308
00:13:40,389 --> 00:13:37,519
on in terms of ufology

309
00:13:42,790 --> 00:13:40,399
uh but up until now i think it would be

310
00:13:45,269 --> 00:13:42,800
fair to say that historically

311
00:13:47,670 --> 00:13:45,279
when you look at the ufo subject

312
00:13:50,150 --> 00:13:47,680
worldwide we've not been very good at

313
00:13:52,069 --> 00:13:50,160

organizing ourselves and putting our

314

00:13:54,949 --> 00:13:52,079

best foot forward collectively

315

00:13:55,990 --> 00:13:54,959

it's been very ego driven and my group's

316

00:13:57,430 --> 00:13:56,000

better than your group

317

00:13:59,110 --> 00:13:57,440

my personality is better than your

318

00:14:01,910 --> 00:13:59,120

personality which

319

00:14:02,949 --> 00:14:01,920

uh has led to as not really having a

320

00:14:05,509 --> 00:14:02,959

political

321

00:14:08,310 --> 00:14:05,519

force which you'd think after 70 odd

322

00:14:12,710 --> 00:14:08,320

years we should have had by now

323

00:14:15,910 --> 00:14:12,720

gary in your uh ezine ufo truth

324

00:14:17,189 --> 00:14:15,920

you said while the ufo uap enigma is

325

00:14:19,269 --> 00:14:17,199

complex

326

00:14:21,590 --> 00:14:19,279

it is clear to you that there is a

327

00:14:22,389 --> 00:14:21,600

non-human presence interacting with the

328

00:14:24,230 --> 00:14:22,399

earth

329

00:14:25,910 --> 00:14:24,240

and it acts with clear signs of

330

00:14:28,470 --> 00:14:25,920

intelligence can you

331

00:14:28,949 --> 00:14:28,480

give us a few examples of what you mean

332

00:14:32,150 --> 00:14:28,959

by

333

00:14:34,949 --> 00:14:32,160

clear signs of intelligence well

334

00:14:36,870 --> 00:14:34,959

if you see a ufo close quarters and you

335

00:14:38,069 --> 00:14:36,880

flash a flashlight towards it it will

336

00:14:39,910 --> 00:14:38,079

come towards you

337

00:14:41,670 --> 00:14:39,920

has often been reported by police

338

00:14:43,910 --> 00:14:41,680

officers talking to me

339

00:14:44,710 --> 00:14:43,920

sometimes the object will come curious

340

00:14:48,629 --> 00:14:44,720

and then

341

00:14:50,629 --> 00:14:48,639

go away when you look at pilot reports

342

00:14:52,069 --> 00:14:50,639

where there's real interaction they turn

343

00:14:54,069 --> 00:14:52,079

off all the cabin lights

344

00:14:56,310 --> 00:14:54,079

and then the object puts all its lights

345

00:14:59,430 --> 00:14:56,320

on and things like that

346

00:15:03,030 --> 00:14:59,440

if you look if you think of the uh uh

347

00:15:06,069 --> 00:15:03,040

iranian uh uh chess uh

348

00:15:09,750 --> 00:15:06,079

jet pilot chase um

349

00:15:12,949 --> 00:15:09,760

when he got to class the object uh

350

00:15:13,509 --> 00:15:12,959

fired in all intents and purposes a red

351
00:15:15,509 --> 00:15:13,519
object

352
00:15:16,870 --> 00:15:15,519
directly on a collision course with the

353
00:15:19,910 --> 00:15:16,880
plane as if it was like

354
00:15:21,509 --> 00:15:19,920
throwing out chaff and the pilot thought

355
00:15:24,310 --> 00:15:21,519
he was going to die so i mean this is

356
00:15:27,110 --> 00:15:24,320
all very clear intelligence what we're

357
00:15:29,269 --> 00:15:27,120
looking at is only a small percentage of

358
00:15:30,870 --> 00:15:29,279
cases reported worldwide and i think

359
00:15:34,150 --> 00:15:30,880
perhaps i would agree with

360
00:15:34,949 --> 00:15:34,160
only the overall general term of three

361
00:15:38,870 --> 00:15:34,959
percent

362
00:15:40,550 --> 00:15:38,880
you call down

363
00:15:42,150 --> 00:15:40,560

and you look at the very best cases

364

00:15:44,550 --> 00:15:42,160

after investigation

365

00:15:46,389 --> 00:15:44,560

then you end up with about three percent

366

00:15:48,389 --> 00:15:46,399

but that's three percent of millions of

367

00:15:51,509 --> 00:15:48,399

cases over the years

368

00:15:54,230 --> 00:15:51,519

you said also in uh your ezine

369

00:15:55,430 --> 00:15:54,240

their origins may be interdimensional or

370

00:15:57,030 --> 00:15:55,440

multiverse

371

00:15:58,870 --> 00:15:57,040

but at its heart you believe that a

372

00:16:00,310 --> 00:15:58,880

proportion of sightings are definitely

373

00:16:03,910 --> 00:16:00,320

et and origin

374

00:16:06,829 --> 00:16:03,920

how do you feel about the topic of ufos

375

00:16:07,990 --> 00:16:06,839

or rather extraterrestrial crafts and

376

00:16:09,829 --> 00:16:08,000

extraterrestrials

377

00:16:11,269 --> 00:16:09,839

with regards to the topic of

378

00:16:14,150 --> 00:16:11,279

consciousness

379

00:16:15,430 --> 00:16:14,160

do you feel like those two topics uh

380

00:16:18,230 --> 00:16:15,440

connect at all

381

00:16:18,629 --> 00:16:18,240

well absolutely yeah i mean many years

382

00:16:21,269 --> 00:16:18,639

ago

383

00:16:22,629 --> 00:16:21,279

it was a bit more uh it was very much

384

00:16:24,230 --> 00:16:22,639

black and white there were those that

385

00:16:26,389 --> 00:16:24,240

believed in the nuts and bolts

386

00:16:28,710 --> 00:16:26,399

the major donald kehoe's of the world

387

00:16:30,710 --> 00:16:28,720

and then as time went on when you look

388

00:16:33,590 --> 00:16:30,720

at valet coming into the field

389

00:16:35,590 --> 00:16:33,600

it got much more expanded and i think

390

00:16:38,310 --> 00:16:35,600

that's where we are at the moment and

391

00:16:40,470 --> 00:16:38,320

obviously i think like with the the god

392

00:16:42,629 --> 00:16:40,480

particle the higgs boson particle

393

00:16:44,389 --> 00:16:42,639

now people say that and i'm not a

394

00:16:47,110 --> 00:16:44,399

scientist but they will say that

395

00:16:48,310 --> 00:16:47,120

there are now definite uh multiple

396

00:16:50,389 --> 00:16:48,320

universes

397

00:16:51,749 --> 00:16:50,399

that can all be all coexistent at the

398

00:16:54,389 --> 00:16:51,759

same time

399

00:16:55,509 --> 00:16:54,399

time travel may be possible

400

00:16:58,790 --> 00:16:55,519

interdimensional

401

00:17:01,110 --> 00:16:58,800

i think all of that aspects are true now

402

00:17:02,949 --> 00:17:01,120

and and there are very many parallels

403

00:17:04,470 --> 00:17:02,959

now that we accept

404

00:17:06,470 --> 00:17:04,480

into the paranormal world there are

405

00:17:09,669 --> 00:17:06,480

crossovers there often

406

00:17:12,150 --> 00:17:09,679

creatures bigfoot

407

00:17:13,189 --> 00:17:12,160

strange creatures are seen alongside ufo

408

00:17:14,549 --> 00:17:13,199

sightings

409

00:17:16,949 --> 00:17:14,559

it's something that would have never

410

00:17:19,029 --> 00:17:16,959

been talked about 30 40 years ago

411

00:17:20,789 --> 00:17:19,039

but i think people are more open to that

412

00:17:23,510 --> 00:17:20,799

but i think at the heart

413

00:17:25,750 --> 00:17:23,520

what you if you are to accept that

414

00:17:27,429 --> 00:17:25,760

the abduction phenomena

415

00:17:28,950 --> 00:17:27,439

or a percentage of the abduction

416

00:17:31,669 --> 00:17:28,960

phenomena is real

417

00:17:32,950 --> 00:17:31,679

and i definitely believe that then you

418

00:17:33,510 --> 00:17:32,960

know you're looking at millions of

419

00:17:36,549 --> 00:17:33,520

people

420

00:17:38,710 --> 00:17:36,559

around the world often describing

421

00:17:39,990 --> 00:17:38,720

what what could probably be described as

422

00:17:43,029 --> 00:17:40,000

four or five

423

00:17:46,070 --> 00:17:43,039

main types of what looks like something

424

00:17:48,390 --> 00:17:46,080

that ct other than say the nordics

425

00:17:49,750 --> 00:17:48,400

and then you you go into different areas

426

00:17:51,750 --> 00:17:49,760

so i think that

427

00:17:53,029 --> 00:17:51,760

if you accept that there is an abduction

428

00:17:56,070 --> 00:17:53,039

phenomena

429

00:17:58,789 --> 00:17:56,080

then part of the ufo enigma

430

00:17:59,590 --> 00:17:58,799

is at related it may well be many more

431

00:18:01,430 --> 00:17:59,600

things

432

00:18:03,029 --> 00:18:01,440

but i personally believe that there's

433

00:18:05,270 --> 00:18:03,039

definitely an et link

434

00:18:07,430 --> 00:18:05,280

and if you think about what we're trying

435

00:18:10,789 --> 00:18:07,440

to do reach out into space

436

00:18:12,870 --> 00:18:10,799

and what we now know uh through

437

00:18:13,990 --> 00:18:12,880

astronomy of how many billions of

438

00:18:17,430 --> 00:18:14,000

billions of planets

439

00:18:20,150 --> 00:18:17,440

and uh stars and with around

440

00:18:21,029 --> 00:18:20,160

every uh star now they're saying there's

441

00:18:23,990 --> 00:18:21,039

literally

442

00:18:25,110 --> 00:18:24,000

anywhere between six and ten uh

443

00:18:28,230 --> 00:18:25,120

satellites

444

00:18:31,430 --> 00:18:28,240

uh moons etc planets

445

00:18:33,909 --> 00:18:31,440

so every single uh star

446

00:18:34,549 --> 00:18:33,919

will have a planetary system and of

447

00:18:37,430 --> 00:18:34,559

those

448

00:18:37,990 --> 00:18:37,440

in that planetary system probably two or

449

00:18:40,150 --> 00:18:38,000

three

450

00:18:41,190 --> 00:18:40,160

are what's called in the goldilocks zone

451

00:18:44,230 --> 00:18:41,200

not too hot

452

00:18:47,190 --> 00:18:44,240

not too cold that can support life

453

00:18:47,909 --> 00:18:47,200

all it takes is for i mean i often say

454

00:18:50,710 --> 00:18:47,919

this the

455

00:18:51,669 --> 00:18:50,720

the star trek argument is a great way to

456

00:18:54,789 --> 00:18:51,679

look at this

457

00:18:57,270 --> 00:18:54,799

it's ridiculous for astronomers to say

458

00:18:59,990 --> 00:18:57,280

oh well look at the light years that's

459

00:19:02,950 --> 00:19:00,000

because you're thinking in earthly terms

460

00:19:04,870 --> 00:19:02,960

by our own level of knowledge but if you

461

00:19:08,870 --> 00:19:04,880

were a civilization that

462

00:19:11,590 --> 00:19:08,880

emerged uh technologically 10 000 years

463

00:19:13,270 --> 00:19:11,600

earlier than where we are now then they

464

00:19:16,870 --> 00:19:13,280

wouldn't be driving around

465

00:19:19,350 --> 00:19:16,880

in petrol driven cars and jet engined uh

466

00:19:21,029 --> 00:19:19,360

jet jet aircraft uh so they would have

467

00:19:22,830 --> 00:19:21,039

developed new methods of propulsion

468

00:19:24,150 --> 00:19:22,840

but that's only ten thousand what if a

469

00:19:25,909 --> 00:19:24,160

civilization

470

00:19:27,750 --> 00:19:25,919

out there in space is a million years

471

00:19:30,950 --> 00:19:27,760

ahead they may be able to

472

00:19:32,870 --> 00:19:30,960

uh go between the star system

473

00:19:34,950 --> 00:19:32,880

by whatever method is in propulsion but

474

00:19:36,830 --> 00:19:34,960

undoubtedly they will have been found

475

00:19:37,990 --> 00:19:36,840

in the blink of an eye and maybe

476

00:19:39,750 --> 00:19:38,000

consciousness

477

00:19:42,710 --> 00:19:39,760

plays a part in that because a lot of

478

00:19:45,510 --> 00:19:42,720

people will say that the art of travel

479

00:19:47,909 --> 00:19:45,520

in the future may be through the mind

480

00:19:49,909 --> 00:19:47,919

okay well uh it sounds like you and stan

481

00:19:52,150 --> 00:19:49,919

friedman who you've known since 2004

482

00:19:54,630 --> 00:19:52,160

when you met him in ireland

483

00:19:56,870 --> 00:19:54,640

and has also been a contributor to your

484

00:19:58,789 --> 00:19:56,880

ezone for the last two years

485

00:20:00,630 --> 00:19:58,799

and you relate to what you just talked

486

00:20:02,070 --> 00:20:00,640

about he actually said

487

00:20:03,909 --> 00:20:02,080

that he believes advanced

488

00:20:05,669 --> 00:20:03,919

extraterrestrial civilizations have the

489

00:20:07,830 --> 00:20:05,679

capability of telepathy

490

00:20:09,990 --> 00:20:07,840

mind control communication at a distance

491

00:20:12,390 --> 00:20:10,000

and causing amnesia so people will not

492

00:20:14,710 --> 00:20:12,400

remember their abduction experiences

493

00:20:17,190 --> 00:20:14,720

um i wanted to bring up an interesting

494

00:20:20,310 --> 00:20:17,200

topic bob lazar has brought up

495

00:20:22,630 --> 00:20:20,320

uh repeatedly and that is

496

00:20:24,310 --> 00:20:22,640

uh the ability for crafts these

497

00:20:28,630 --> 00:20:24,320

extraterrestrial crafts to

498

00:20:31,510 --> 00:20:28,640

traverse interstellar space and

499

00:20:32,390 --> 00:20:31,520

he proposes the idea that element 115

500

00:20:35,590 --> 00:20:32,400

that decays

501
00:20:39,190 --> 00:20:35,600
into element 116 allows

502
00:20:42,549 --> 00:20:39,200
these crafts to

503
00:20:45,190 --> 00:20:42,559
to travel for long distances

504
00:20:46,870 --> 00:20:45,200
with nominal amounts very small amounts

505
00:20:49,029 --> 00:20:46,880
of element 116.

506
00:20:50,950 --> 00:20:49,039
how do you feel about that is that

507
00:20:51,430 --> 00:20:50,960
possible what do you think these crafts

508
00:20:54,549 --> 00:20:51,440
run on

509
00:20:56,070 --> 00:20:54,559
if it's not that well i i'm not a

510
00:20:57,190 --> 00:20:56,080
scientist so i'm not going to go into

511
00:20:59,430 --> 00:20:57,200
areas that i'm not

512
00:21:00,950 --> 00:20:59,440
secure on suffice to say that obviously

513
00:21:04,149 --> 00:21:00,960

i'm well aware of bubbles are

514

00:21:05,590 --> 00:21:04,159

and it's a fascinating account uh and

515

00:21:07,909 --> 00:21:05,600

the fact that he was talking about

516

00:21:11,270 --> 00:21:07,919

element 115 before it was

517

00:21:14,710 --> 00:21:11,280

officially acknowledged is interesting

518

00:21:16,070 --> 00:21:14,720

however in many ways as i reviewed in

519

00:21:19,110 --> 00:21:16,080

the magazine in issue

520

00:21:20,630 --> 00:21:19,120

34 i liked the documentary and he's

521

00:21:23,669 --> 00:21:20,640

always good on screen

522

00:21:26,950 --> 00:21:23,679

as his george knapp but in terms of

523

00:21:28,470 --> 00:21:26,960

evidence to prove categorically that he

524

00:21:29,029 --> 00:21:28,480

worked where he said he worked that he

525

00:21:30,870 --> 00:21:29,039

had the

526

00:21:33,029 --> 00:21:30,880

qualifications that he said i think

527

00:21:35,750 --> 00:21:33,039

that's still very light on the ground

528

00:21:37,270 --> 00:21:35,760

as compelling as i find him and i do

529

00:21:39,430 --> 00:21:37,280

find him compelling

530

00:21:41,110 --> 00:21:39,440

and i can't i kind of like his his

531

00:21:42,149 --> 00:21:41,120

attitude when he's on the screen of well

532

00:21:44,870 --> 00:21:42,159

i can only tell you

533

00:21:46,549 --> 00:21:44,880

how i see it is very he's very matter of

534

00:21:49,350 --> 00:21:46,559

fact and that is quite

535

00:21:51,270 --> 00:21:49,360

impressive for me uh that he's he's

536

00:21:54,710 --> 00:21:51,280

never really changed his story

537

00:21:56,149 --> 00:21:54,720

from 89 onwards and and he is very

538

00:21:57,830 --> 00:21:56,159

confident in himself

539

00:22:00,070 --> 00:21:57,840

but i know i've spoken with stanton

540

00:22:02,149 --> 00:22:00,080

friedman about it on several occasions

541

00:22:04,230 --> 00:22:02,159

he he will say that there's not enough

542

00:22:05,990 --> 00:22:04,240

evidence to prove who he says he is

543

00:22:07,350 --> 00:22:06,000

uh but i personally find him quite

544

00:22:10,470 --> 00:22:07,360

compelling but

545

00:22:11,190 --> 00:22:10,480

if you're asking me uh the documentary i

546

00:22:13,190 --> 00:22:11,200

enjoyed it

547

00:22:14,230 --> 00:22:13,200

but was there anything really new from

548

00:22:16,390 --> 00:22:14,240

89

549

00:22:17,669 --> 00:22:16,400

not at all but i do find him a

550

00:22:19,590 --> 00:22:17,679

compelling character

551
00:22:20,710 --> 00:22:19,600
and i think george knapp is always good

552
00:22:23,430 --> 00:22:20,720
on camera

553
00:22:24,310 --> 00:22:23,440
well i did have a question though and

554
00:22:27,029 --> 00:22:24,320
that is how

555
00:22:27,430 --> 00:22:27,039
do these crafts because what my question

556
00:22:32,549 --> 00:22:27,440
was

557
00:22:33,270 --> 00:22:32,559
is bob proposes that the propulsion

558
00:22:37,190 --> 00:22:33,280
system

559
00:22:41,190 --> 00:22:37,200
of these crafts run on some kind

560
00:22:44,789 --> 00:22:41,200
of source the source he suggested

561
00:22:47,029 --> 00:22:44,799
was a decayed element 115 which turns

562
00:22:50,390 --> 00:22:47,039
into element 116.

563
00:22:51,190 --> 00:22:50,400

if it's not that uh what kind of

564

00:22:52,310 --> 00:22:51,200

propulsion

565

00:22:54,549 --> 00:22:52,320

system do you feel these

566

00:22:57,990 --> 00:22:54,559

extraterrestrial craft uh

567

00:23:00,470 --> 00:22:58,000

not all but some uh consists of

568

00:23:01,350 --> 00:23:00,480

well as i say i'm not a scientist or a

569

00:23:03,830 --> 00:23:01,360

physicist so

570

00:23:05,110 --> 00:23:03,840

what i would say is that they they have

571

00:23:08,230 --> 00:23:05,120

harnessed

572

00:23:09,750 --> 00:23:08,240

uh antigravity in some way and are

573

00:23:12,070 --> 00:23:09,760

anti-gravity

574

00:23:13,190 --> 00:23:12,080

in their propulsion system that way that

575

00:23:15,510 --> 00:23:13,200

they can move

576
00:23:16,390 --> 00:23:15,520
they can do the right angle turns that

577
00:23:19,190 --> 00:23:16,400
if it was

578
00:23:21,669 --> 00:23:19,200
a man-made machine we couldn't do that

579
00:23:24,710 --> 00:23:21,679
instant acceleration incident stop

580
00:23:27,029 --> 00:23:24,720
reversals instant reversal incident stop

581
00:23:29,029 --> 00:23:27,039
vertical ascent vertical descent all at

582
00:23:29,430 --> 00:23:29,039
high speed we can do that the g-forces

583
00:23:32,470 --> 00:23:29,440
are

584
00:23:34,789 --> 00:23:32,480
way too much uh so i think the the et

585
00:23:35,510 --> 00:23:34,799
travels by obviously some method of

586
00:23:37,510 --> 00:23:35,520
propulsion

587
00:23:39,350 --> 00:23:37,520
and i suspect it's some form of

588
00:23:40,549 --> 00:23:39,360

anti-gravity now what powers the

589

00:23:42,950 --> 00:23:40,559

anti-gravity

590

00:23:45,510 --> 00:23:42,960

i don't know but i just look at it in

591

00:23:47,990 --> 00:23:45,520

simple terms are there very good cases

592

00:23:48,549 --> 00:23:48,000

around the world that you can eliminate

593

00:23:52,390 --> 00:23:48,559

everything

594

00:23:53,430 --> 00:23:52,400

astronomical et cetera and i think the

595

00:23:56,870 --> 00:23:53,440

answer is yes

596

00:23:59,029 --> 00:23:56,880

and that three percent hardcore is

597

00:23:59,909 --> 00:23:59,039

a very definite given that something not

598

00:24:02,310 --> 00:23:59,919

man-made

599

00:24:04,230 --> 00:24:02,320

and and if you if you think back to the

600

00:24:07,710 --> 00:24:04,240

pentagon admissions uh

601
00:24:10,950 --> 00:24:07,720
that's why was on december the 16th

602
00:24:11,510 --> 00:24:10,960
2017 when luis elizondo said that there

603
00:24:14,310 --> 00:24:11,520
are

604
00:24:16,149 --> 00:24:14,320
exotic aircraft flying around in the u.s

605
00:24:16,950 --> 00:24:16,159
airspace that are beyond the technology

606
00:24:19,590 --> 00:24:16,960
of anything

607
00:24:21,510 --> 00:24:19,600
that the us possesses then that was one

608
00:24:22,950 --> 00:24:21,520
stop shot of saying it was e.t and

609
00:24:24,549 --> 00:24:22,960
and he and he basically had said he

610
00:24:25,190 --> 00:24:24,559
couldn't say it was e.t because it then

611
00:24:27,830 --> 00:24:25,200
become

612
00:24:28,789 --> 00:24:27,840
classified and you then get into a kind

613
00:24:32,630 --> 00:24:28,799

of a political

614

00:24:35,830 --> 00:24:32,640

uh military uh uh quagmire

615

00:24:38,310 --> 00:24:35,840

but that was a significant in my mind

616

00:24:39,430 --> 00:24:38,320

disclosure with a small d because it was

617

00:24:43,510 --> 00:24:39,440

the first time

618

00:24:47,190 --> 00:24:43,520

and obviously he had run a five-year

619

00:24:50,390 --> 00:24:47,200

pentagon program that nobody knew about

620

00:24:51,430 --> 00:24:50,400

which again addressed many questions if

621

00:24:53,510 --> 00:24:51,440

you think about it

622

00:24:55,510 --> 00:24:53,520

the official u.s air force stance is

623

00:24:57,750 --> 00:24:55,520

that since the closure of plu

624

00:24:59,350 --> 00:24:57,760

project blue book in 69 they've not

625

00:25:01,909 --> 00:24:59,360

researched you were forced now any

626
00:25:04,390 --> 00:25:01,919
mainstream researcher

627
00:25:05,510 --> 00:25:04,400
of his of any decent knowledge will know

628
00:25:08,230 --> 00:25:05,520
that that's been

629
00:25:09,350 --> 00:25:08,240
a lie but for them to admit that there

630
00:25:12,390 --> 00:25:09,360
was a

631
00:25:13,269 --> 00:25:12,400
uh that there was such a program that

632
00:25:16,310 --> 00:25:13,279
did not have

633
00:25:18,950 --> 00:25:16,320
senate oversight congress oversight uh

634
00:25:20,710 --> 00:25:18,960
was pretty interesting and what it also

635
00:25:23,269 --> 00:25:20,720
emerged from that that was

636
00:25:24,630 --> 00:25:23,279
even more interesting and i think louise

637
00:25:26,870 --> 00:25:24,640
elizondor said it i think

638
00:25:28,870 --> 00:25:26,880

uh senator harry reid said it if there's

639

00:25:30,549 --> 00:25:28,880

one program that was uh

640

00:25:31,990 --> 00:25:30,559

clandestine how do you know that there

641

00:25:33,510 --> 00:25:32,000

are not many others

642

00:25:35,350 --> 00:25:33,520

that are still running and i think the

643

00:25:37,590 --> 00:25:35,360

answer is there probably is uh but

644

00:25:39,590 --> 00:25:37,600

they're in special access programs

645

00:25:40,630 --> 00:25:39,600

now you'd mention that the to the stars

646

00:25:42,230 --> 00:25:40,640

academy and

647

00:25:43,669 --> 00:25:42,240

there's also a case i know you know a

648

00:25:45,590 --> 00:25:43,679

little bit about we're going to get into

649

00:25:48,230 --> 00:25:45,600

more detail about that shortly

650

00:25:50,390 --> 00:25:48,240

but there have been some reports that uh

651
00:25:53,750 --> 00:25:50,400
to the stars academy

652
00:25:56,070 --> 00:25:53,760
has received a on the ground uh sample

653
00:25:57,510 --> 00:25:56,080
uh from the rendelstrom site do you know

654
00:25:58,549 --> 00:25:57,520
anything about that have you heard about

655
00:26:00,149 --> 00:25:58,559
that or do you know any

656
00:26:02,549 --> 00:26:00,159
details about that that we're not aware

657
00:26:06,230 --> 00:26:02,559
of i don't know

658
00:26:09,750 --> 00:26:06,240
for certain what uh that alludes to

659
00:26:12,630 --> 00:26:09,760
uh suffice to say that louise elizondo

660
00:26:15,269 --> 00:26:12,640
when he spoke in rome a few months ago

661
00:26:17,269 --> 00:26:15,279
and that was organized by a colleague of

662
00:26:19,830 --> 00:26:17,279
mine roberto pernotti he was the

663
00:26:21,350 --> 00:26:19,840

italian delegate and will be part of the

664

00:26:23,909 --> 00:26:21,360

the chinese initiative

665

00:26:25,909 --> 00:26:23,919

uh uh he had organised a conference and

666

00:26:27,909 --> 00:26:25,919

louise elizondo came over

667

00:26:29,110 --> 00:26:27,919

and mentioned this that within four

668

00:26:31,669 --> 00:26:29,120

months uh

669

00:26:32,549 --> 00:26:31,679

would they be revealing things about uh

670

00:26:36,310 --> 00:26:32,559

reynolds

671

00:26:37,110 --> 00:26:36,320

uh i have yet to see any credence to

672

00:26:40,390 --> 00:26:37,120

that

673

00:26:43,590 --> 00:26:40,400

um is it possible they've got some

674

00:26:46,789 --> 00:26:43,600

piece of uh recovered craft

675

00:26:48,230 --> 00:26:46,799

who knows i'm not aware of it but

676
00:26:51,430 --> 00:26:48,240
suffice to say that

677
00:26:53,510 --> 00:26:51,440
uh i think the reynoldson case uh

678
00:26:55,590 --> 00:26:53,520
with the release of careful green will

679
00:26:57,669 --> 00:26:55,600
will be enhanced a great deal

680
00:26:58,710 --> 00:26:57,679
by what we've emerged from my

681
00:27:01,350 --> 00:26:58,720
investigation

682
00:27:03,510 --> 00:27:01,360
yeah now let's uh let's get over and dig

683
00:27:05,830 --> 00:27:03,520
a little deeper on that cable green this

684
00:27:08,630 --> 00:27:05,840
is a documentary that's coming out

685
00:27:09,590 --> 00:27:08,640
later this year this summer you told me

686
00:27:11,909 --> 00:27:09,600
it was a

687
00:27:12,950 --> 00:27:11,919
a proposed release date a scheduled

688
00:27:16,070 --> 00:27:12,960

release date

689

00:27:18,389 --> 00:27:16,080

and uh brendelsham is obviously

690

00:27:21,190 --> 00:27:18,399

one of the great cases a top 10 case all

691

00:27:22,470 --> 00:27:21,200

time in my view is never had to the best

692

00:27:24,149 --> 00:27:22,480

of my knowledge a full-fledged

693

00:27:27,510 --> 00:27:24,159

documentary made about it

694

00:27:28,789 --> 00:27:27,520

uh you're involved in it uh tell us uh

695

00:27:30,710 --> 00:27:28,799

tell us all about it how did you get

696

00:27:33,430 --> 00:27:30,720

involved in it and uh what can the folks

697

00:27:36,630 --> 00:27:33,440

look forward to as far as the movie goes

698

00:27:38,710 --> 00:27:36,640

well again that that has got a a bit of

699

00:27:40,789 --> 00:27:38,720

a tale to it because again that came

700

00:27:43,590 --> 00:27:40,799

completely out of the blue

701
00:27:45,430 --> 00:27:43,600
uh literally what happened i'm just

702
00:27:46,870 --> 00:27:45,440
letting my two dogs in

703
00:27:49,190 --> 00:27:46,880
uh because they've been outside in the

704
00:27:50,950 --> 00:27:49,200
garden right here we go

705
00:27:53,110 --> 00:27:50,960
all right basically what happened was

706
00:27:55,190 --> 00:27:53,120
that i got a phone call

707
00:27:56,789 --> 00:27:55,200
from what turns out to be the director

708
00:27:58,789 --> 00:27:56,799
of the documentary called

709
00:28:00,470 --> 00:27:58,799
and he's called dion johnson who had

710
00:28:03,990 --> 00:28:00,480
never heard of

711
00:28:07,350 --> 00:28:04,000
and he basically had said that he had

712
00:28:09,350 --> 00:28:07,360
accidentally bumped into larry warren

713
00:28:12,310 --> 00:28:09,360

the original military whistleblower of

714

00:28:14,310 --> 00:28:12,320

the case whilst walking round

715

00:28:16,070 --> 00:28:14,320

uh reynolds from forest now there is a

716

00:28:17,909 --> 00:28:16,080

trail now uh

717

00:28:19,990 --> 00:28:17,919

for the public so they're assigned posts

718

00:28:21,669 --> 00:28:20,000

etc there is now a proper

719

00:28:24,389 --> 00:28:21,679

trail it's not that accurate but there

720

00:28:25,510 --> 00:28:24,399

is a trail uh that the council the local

721

00:28:27,269 --> 00:28:25,520

authority put out

722

00:28:28,789 --> 00:28:27,279

and people go walk around it because

723

00:28:31,669 --> 00:28:28,799

it's nice woods

724

00:28:32,950 --> 00:28:31,679

and he'd actually bumped into him uh and

725

00:28:34,549 --> 00:28:32,960

approached him

726

00:28:36,710 --> 00:28:34,559

and said are you larry warren and larry

727

00:28:39,669 --> 00:28:36,720

warren i think was a bit reticent

728

00:28:40,230 --> 00:28:39,679

um and uh but he had his daughter with

729

00:28:42,389 --> 00:28:40,240

him and

730

00:28:43,510 --> 00:28:42,399

they got talking and he said i know of

731

00:28:45,830 --> 00:28:43,520

your case i don't know

732

00:28:46,950 --> 00:28:45,840

too much about it but i i know that

733

00:28:49,110 --> 00:28:46,960

you're involved in

734

00:28:50,789 --> 00:28:49,120

in this reynolds room incident and and

735

00:28:54,230 --> 00:28:50,799

then he basically said

736

00:28:57,590 --> 00:28:54,240

uh i'd like to make a documentary

737

00:29:00,630 --> 00:28:57,600

about what happened to you and larry

738

00:29:01,990 --> 00:29:00,640

said okay thinking probably nothing more

739

00:29:04,870 --> 00:29:02,000

would come from this

740

00:29:06,070 --> 00:29:04,880

uh and he gave him my number because he

741

00:29:09,750 --> 00:29:06,080

knows i'm a reynolds

742

00:29:13,590 --> 00:29:09,760

researcher in the uk and so dion rang me

743

00:29:17,029 --> 00:29:13,600

now when dion rings me i'm thinking is

744

00:29:19,430 --> 00:29:17,039

it's a proposal to get funding

745

00:29:21,669 --> 00:29:19,440

to make a tv documentary because he said

746

00:29:24,230 --> 00:29:21,679

he'd worked in tv blah blah blah

747

00:29:25,750 --> 00:29:24,240

and so i'm thinking that he's ringing up

748

00:29:27,350 --> 00:29:25,760

to try to get funding

749

00:29:29,590 --> 00:29:27,360

and he wants me to get on board to help

750

00:29:30,549 --> 00:29:29,600

with that so i basically said are you

751

00:29:32,389 --> 00:29:30,559

aware of

752

00:29:34,549 --> 00:29:32,399

the larry warren controversy at the

753

00:29:35,990 --> 00:29:34,559

moment and he said i know a bit about it

754

00:29:38,470 --> 00:29:36,000

i said well i think you should know

755

00:29:39,350 --> 00:29:38,480

more about it and i said to get your

756

00:29:42,549 --> 00:29:39,360

funding

757

00:29:45,029 --> 00:29:42,559

what i would recommend is that you uh

758

00:29:46,230 --> 00:29:45,039

you see if larry warren will do a uh

759

00:29:48,230 --> 00:29:46,240

polygraph test

760

00:29:49,350 --> 00:29:48,240

uh and then of course if he passes that

761

00:29:50,789 --> 00:29:49,360

you'll get your funding

762

00:29:52,470 --> 00:29:50,799

and again i'm still thinking this is

763

00:29:53,750 --> 00:29:52,480

gonna be a tv project

764

00:29:55,510 --> 00:29:53,760

and that's how you're going to get your

765

00:29:56,630 --> 00:29:55,520

funding because if you passes the

766

00:29:58,230 --> 00:29:56,640

polygraph test

767

00:29:59,750 --> 00:29:58,240

that asserts that he was there and what

768

00:30:01,350 --> 00:29:59,760

he said is true then

769

00:30:02,870 --> 00:30:01,360

that would give the financial backing to

770

00:30:06,870 --> 00:30:02,880

make the documentary

771

00:30:09,350 --> 00:30:06,880

however the story then went that he said

772

00:30:10,070 --> 00:30:09,360

okay then uh do you know any polygraph

773

00:30:12,230 --> 00:30:10,080

examiners

774

00:30:13,190 --> 00:30:12,240

and i said no because it it's not used

775

00:30:14,950 --> 00:30:13,200

in the uk

776

00:30:17,590 --> 00:30:14,960

by the police although it does happen

777

00:30:18,789 --> 00:30:17,600

privately and there is some talk about

778

00:30:21,510 --> 00:30:18,799

it coming into the police

779

00:30:22,230 --> 00:30:21,520

but it isn't there yet so i said i don't

780

00:30:24,070 --> 00:30:22,240

have any

781

00:30:27,029 --> 00:30:24,080

knowledge of a polygraph examiner in the

782

00:30:30,149 --> 00:30:27,039

uk uh but see if he can go find one

783

00:30:31,750 --> 00:30:30,159

he rings me up about two weeks later

784

00:30:34,470 --> 00:30:31,760

and he says i've got britain's top

785

00:30:36,710 --> 00:30:34,480

polygraph examiner to do it for free

786

00:30:38,310 --> 00:30:36,720

and i said oh that's good why for three

787

00:30:40,310 --> 00:30:38,320

because it's something different

788

00:30:41,830 --> 00:30:40,320

out of a normal remit and she's just

789

00:30:43,350 --> 00:30:41,840

fascinated by

790

00:30:46,630 --> 00:30:43,360

the chance to do something a little bit

791

00:30:48,950 --> 00:30:46,640

different so her name is patty musicaro

792

00:30:51,110 --> 00:30:48,960

she's done over she's an american lives

793

00:30:54,149 --> 00:30:51,120

in england married to an english guy

794

00:30:56,230 --> 00:30:54,159

and lives near london and uh

795

00:30:57,430 --> 00:30:56,240

basically she's done over 2 000

796

00:30:59,590 --> 00:30:57,440

polygraph tests

797

00:31:01,669 --> 00:30:59,600

in her career she obviously has her own

798

00:31:03,750 --> 00:31:01,679

business she's i think the

799

00:31:05,110 --> 00:31:03,760

secretary of the british association of

800

00:31:07,430 --> 00:31:05,120

polygraph examiners

801
00:31:09,190 --> 00:31:07,440
forgive me for the wrong quote there but

802
00:31:12,870 --> 00:31:09,200
but basically that

803
00:31:15,350 --> 00:31:12,880
and and and basically uh

804
00:31:15,990 --> 00:31:15,360
he said uh it's arranged for this day do

805
00:31:17,430 --> 00:31:16,000
you want to

806
00:31:19,909 --> 00:31:17,440
come down and get involved we're going

807
00:31:22,789 --> 00:31:19,919
to film it on remote cameras

808
00:31:23,110 --> 00:31:22,799
and so i said yeah of course fascinating

809
00:31:24,870 --> 00:31:23,120
uh

810
00:31:27,029 --> 00:31:24,880
and so that's what happened i went down

811
00:31:31,190 --> 00:31:27,039
to london to her address

812
00:31:33,750 --> 00:31:31,200
and uh five remote cameras were set up

813
00:31:34,549 --> 00:31:33,760

to record the actual test when it came

814

00:31:38,149 --> 00:31:34,559

to the actual

815

00:31:40,389 --> 00:31:38,159

test um we were told to leave the house

816

00:31:41,509 --> 00:31:40,399

and nobody by the examiner and larry

817

00:31:43,509 --> 00:31:41,519

warren were there

818

00:31:44,950 --> 00:31:43,519

and the cameras were just left running

819

00:31:47,990 --> 00:31:44,960

and literally

820

00:31:49,909 --> 00:31:48,000

it was about 30 35 minutes later

821

00:31:51,029 --> 00:31:49,919

we get a phone call you can come back

822

00:31:52,950 --> 00:31:51,039

now it's done

823

00:31:54,149 --> 00:31:52,960

and i ain't going to go into too much

824

00:31:55,830 --> 00:31:54,159

dear detail

825

00:31:57,669 --> 00:31:55,840

suffice to say that you passed and you

826

00:31:59,110 --> 00:31:57,679

pass me flying colours and that will be

827

00:32:01,269 --> 00:31:59,120

covered in the film

828

00:32:02,789 --> 00:32:01,279

obviously because we had five cameras

829

00:32:05,669 --> 00:32:02,799

and that's very revealing

830

00:32:08,389 --> 00:32:05,679

uh and i think a lot of people will find

831

00:32:11,750 --> 00:32:08,399

that very very interesting

832

00:32:13,750 --> 00:32:11,760

now uh you had mentioned that uh

833

00:32:15,430 --> 00:32:13,760

the the controversy surrounding larry

834

00:32:16,230 --> 00:32:15,440

warren now why don't you fill the folks

835

00:32:18,549 --> 00:32:16,240

in about that

836

00:32:20,470 --> 00:32:18,559

obviously a lot of folks are out there

837

00:32:21,750 --> 00:32:20,480

questioning his credibility

838

00:32:23,909 --> 00:32:21,760

regarding the case i don't think there's

839

00:32:26,310 --> 00:32:23,919

any question he was stationed there

840

00:32:27,990 --> 00:32:26,320

uh at one point in time i i talked to

841

00:32:29,430 --> 00:32:28,000

john burroughs quite a bit i i consider

842

00:32:32,149 --> 00:32:29,440

john a friend of mine he's been a good

843

00:32:33,509 --> 00:32:32,159

friend of the show back in the day he

844

00:32:35,430 --> 00:32:33,519

said he wasn't sure

845

00:32:37,350 --> 00:32:35,440

if larry was there at all but now he's

846

00:32:38,149 --> 00:32:37,360

of the opinion that larry simply wasn't

847

00:32:39,990 --> 00:32:38,159

there it was

848

00:32:41,669 --> 00:32:40,000

remember the case is right before

849

00:32:43,029 --> 00:32:41,679

christmas time and that larry actually

850

00:32:45,430 --> 00:32:43,039

wasn't even at the base

851
00:32:47,029 --> 00:32:45,440
at christmas time that he was on leave

852
00:32:49,750 --> 00:32:47,039
so i wanted to tell us a little bit

853
00:32:52,149 --> 00:32:49,760
about the the controversy surrounding

854
00:32:53,509 --> 00:32:52,159
larry's credibility

855
00:32:55,029 --> 00:32:53,519
well what you've got to understand is

856
00:32:56,310 --> 00:32:55,039
that larry warren was the original

857
00:32:59,750 --> 00:32:56,320
military whistleblower

858
00:33:01,509 --> 00:32:59,760
who came forward to talk about the case

859
00:33:03,750 --> 00:33:01,519
and i'm saying military listen although

860
00:33:05,750 --> 00:33:03,760
there were civilian investigators

861
00:33:06,789 --> 00:33:05,760
uh brenda butler and dot street and then

862
00:33:08,789 --> 00:33:06,799
jenny randalls

863
00:33:11,590 --> 00:33:08,799

who researched it from the uk point of

864

00:33:13,029 --> 00:33:11,600

view early on literally from within days

865

00:33:14,470 --> 00:33:13,039

yeah if you don't if you don't mind let

866

00:33:15,909 --> 00:33:14,480

me jump in i did get some background

867

00:33:18,149 --> 00:33:15,919

from john on this uh the word

868

00:33:20,230 --> 00:33:18,159

about the incident actually got out very

869

00:33:23,190 --> 00:33:20,240

quickly because the base security

870

00:33:23,909 --> 00:33:23,200

contacted the local police uh for their

871

00:33:26,230 --> 00:33:23,919

help

872

00:33:27,909 --> 00:33:26,240

in what was going on and that showed up

873

00:33:28,310 --> 00:33:27,919

in the police logs and the press picked

874

00:33:30,230 --> 00:33:28,320

it up

875

00:33:31,990 --> 00:33:30,240

very quickly so the news of the actual

876

00:33:35,350 --> 00:33:32,000

incident got out very quickly uh

877

00:33:37,590 --> 00:33:35,360

is that about right uh not really

878

00:33:38,710 --> 00:33:37,600

in the sense of yes the police were

879

00:33:41,830 --> 00:33:38,720

contacted

880

00:33:45,110 --> 00:33:41,840

by the base but those records were

881

00:33:49,509 --> 00:33:45,120

confirmed only many months later

882

00:33:53,110 --> 00:33:49,519

the i think the first newspaper clipping

883

00:33:56,630 --> 00:33:53,120

jenny randalls was may of 2000 uh

884

00:33:57,750 --> 00:33:56,640

may of 1981 but within days within a

885

00:34:01,430 --> 00:33:57,760

couple of days

886

00:34:02,470 --> 00:34:01,440

uh brenda had been told by some security

887

00:34:05,590 --> 00:34:02,480

police person

888

00:34:07,830 --> 00:34:05,600

who i know that it who that is uh uh

889

00:34:09,829 --> 00:34:07,840

who used the pseudonym of steve roberts

890

00:34:10,790 --> 00:34:09,839

he basically told her that an incident

891

00:34:12,550 --> 00:34:10,800

in the field

892

00:34:13,829 --> 00:34:12,560

in a farmer's field had occurred were

893

00:34:17,669 --> 00:34:13,839

and there had been

894

00:34:19,990 --> 00:34:17,679

uh entities seen in a landed craft

895

00:34:21,750 --> 00:34:20,000

and that senior officers had turned up

896

00:34:24,389 --> 00:34:21,760

which is exactly what larry warren

897

00:34:25,430 --> 00:34:24,399

said several years later a couple years

898

00:34:28,149 --> 00:34:25,440

later

899

00:34:29,510 --> 00:34:28,159

but the way larry became the original

900

00:34:33,349 --> 00:34:29,520

military whistleblower

901
00:34:35,270 --> 00:34:33,359
is acknowledged uh by everyone uh

902
00:34:37,109 --> 00:34:35,280
and what people tried to say that he

903
00:34:40,470 --> 00:34:37,119
wasn't but the reality is this

904
00:34:43,349 --> 00:34:40,480
is that in 1982 larry warren

905
00:34:44,950 --> 00:34:43,359
read a newspaper report uh he was living

906
00:34:47,909 --> 00:34:44,960
in the states at that time

907
00:34:49,349 --> 00:34:47,919
and he read about the betty andreas

908
00:34:51,109 --> 00:34:49,359
abduction story

909
00:34:53,349 --> 00:34:51,119
and it turned out that they were living

910
00:34:56,069 --> 00:34:53,359
bob and betty luca as they are now

911
00:34:56,790 --> 00:34:56,079
uh she married uh bob luca uh we're

912
00:34:59,990 --> 00:34:56,800
living

913
00:35:02,310 --> 00:35:00,000

states at that time

914

00:35:03,030 --> 00:35:02,320

and so he rang and he said that he

915

00:35:05,990 --> 00:35:03,040

worked

916

00:35:07,670 --> 00:35:06,000

at some factory or some place and so he

917

00:35:08,390 --> 00:35:07,680

rang the place and eventually got to

918

00:35:11,430 --> 00:35:08,400

speak

919

00:35:12,790 --> 00:35:11,440

with uh bob luca and and bob lu and he

920

00:35:14,790 --> 00:35:12,800

kind of explained that something had

921

00:35:17,190 --> 00:35:14,800

happened to him while he was in england

922

00:35:17,990 --> 00:35:17,200

and so bob luke invited him to go see

923

00:35:21,270 --> 00:35:18,000

betsy

924

00:35:23,510 --> 00:35:21,280

uh and basically from that

925

00:35:25,750 --> 00:35:23,520

he told them the same story that he told

926
00:35:27,829 --> 00:35:25,760
now the capo green scenario

927
00:35:28,870 --> 00:35:27,839
the landed craft the beans the meeting

928
00:35:32,390 --> 00:35:28,880
with senior officers

929
00:35:34,470 --> 00:35:32,400
it was filmed etc he basically told

930
00:35:35,589 --> 00:35:34,480
them about it and they said well we know

931
00:35:38,550 --> 00:35:35,599
a connecticut

932
00:35:40,550 --> 00:35:38,560
uh detective called uh larry fawcett who

933
00:35:41,990 --> 00:35:40,560
was making a book called clear intent

934
00:35:45,349 --> 00:35:42,000
with barry greenwood

935
00:35:46,230 --> 00:35:45,359
uh and up until that time so we're

936
00:35:48,950 --> 00:35:46,240
talking

937
00:35:50,550 --> 00:35:48,960
82 when he meets bob and betty uh and

938
00:35:53,270 --> 00:35:50,560

it's early 83

939

00:35:54,390 --> 00:35:53,280

up until that time there were rumors of

940

00:35:56,870 --> 00:35:54,400

military people

941

00:35:58,950 --> 00:35:56,880

being there nobody knew about the memo

942

00:35:59,589 --> 00:35:58,960

absolutely nobody knew that a memo had

943

00:36:01,349 --> 00:35:59,599

been written

944

00:36:03,910 --> 00:36:01,359

you're talking about the halt memo now

945

00:36:06,069 --> 00:36:03,920

the whole memo that was really

946

00:36:06,950 --> 00:36:06,079

something that caught everybody by

947

00:36:09,190 --> 00:36:06,960

surprise

948

00:36:10,710 --> 00:36:09,200

but the way it came out was

949

00:36:14,069 --> 00:36:10,720

inadvertently

950

00:36:15,589 --> 00:36:14,079

triggered because of larry fawcett

951

00:36:17,109 --> 00:36:15,599

speaking to larry warren

952

00:36:19,589 --> 00:36:17,119

as soon as larry warren said i'm

953

00:36:21,750 --> 00:36:19,599

prepared to go public with this

954

00:36:22,630 --> 00:36:21,760

then he knew that he had a definite

955

00:36:25,670 --> 00:36:22,640

witness

956

00:36:28,150 --> 00:36:25,680

that he could then go to cause

957

00:36:28,790 --> 00:36:28,160

obviously the the agency that managed to

958

00:36:31,990 --> 00:36:28,800

get the

959

00:36:33,030 --> 00:36:32,000

uh the memo released but nobody knew

960

00:36:34,950 --> 00:36:33,040

there was a memo

961

00:36:37,030 --> 00:36:34,960

but on the strength of knowing that he

962

00:36:37,510 --> 00:36:37,040

had a definite witness who said i was

963

00:36:39,670 --> 00:36:37,520

there

964

00:36:41,829 --> 00:36:39,680

on that time and here's my name and was

965

00:36:44,310 --> 00:36:41,839

prepared to go public

966

00:36:45,510 --> 00:36:44,320

on the strength of that they knew that

967

00:36:46,790 --> 00:36:45,520

there should be some kind of

968

00:36:49,670 --> 00:36:46,800

documentation

969

00:36:50,950 --> 00:36:49,680

and i think what happens is they do it

970

00:36:52,150 --> 00:36:50,960

because they've written and written

971

00:36:53,589 --> 00:36:52,160

trying to get everything

972

00:36:55,750 --> 00:36:53,599

and the americans had stalled the

973

00:36:57,270 --> 00:36:55,760

british had stalled no aim for any

974

00:37:00,710 --> 00:36:57,280

documents whatsoever

975

00:37:02,150 --> 00:37:00,720

but then after that after that that then

976
00:37:05,190 --> 00:37:02,160
did another troll

977
00:37:07,430 --> 00:37:05,200
of the military systems and it turned up

978
00:37:09,109 --> 00:37:07,440
had been retrieved by the america

979
00:37:11,990 --> 00:37:09,119
americans had kept a copy

980
00:37:13,190 --> 00:37:12,000
not the british and they admitted that

981
00:37:15,349 --> 00:37:13,200
there was a memo

982
00:37:17,109 --> 00:37:15,359
and that's how it came to be released

983
00:37:18,470 --> 00:37:17,119
larry warren certainly didn't know that

984
00:37:19,510 --> 00:37:18,480
there's a memo being written he was an

985
00:37:21,109 --> 00:37:19,520
airman first class

986
00:37:23,750 --> 00:37:21,119
why would he know he was the lowest of

987
00:37:26,230 --> 00:37:23,760
the low he was just arrived on the base

988
00:37:28,150 --> 00:37:26,240

but suffice to say that inadvertently

989

00:37:31,030 --> 00:37:28,160

through talking to larry fawcett

990

00:37:31,349 --> 00:37:31,040

that's how the memo troll uh well the

991

00:37:34,390 --> 00:37:31,359

the

992

00:37:36,069 --> 00:37:34,400

happened again

993

00:37:37,510 --> 00:37:36,079

and it threw up the memorandum and then

994

00:37:40,310 --> 00:37:37,520

of course the memorandum

995

00:37:41,990 --> 00:37:40,320

uh it becomes one of the top five

996

00:37:42,550 --> 00:37:42,000

military documents in the world i would

997

00:37:47,109 --> 00:37:42,560

say

998

00:37:50,630 --> 00:37:49,829

um uh gary i had a question for you

999

00:37:53,750 --> 00:37:50,640

about the

1000

00:37:56,069 --> 00:37:53,760

cable green story um can you share a

1001

00:37:59,030 --> 00:37:56,079

little bit more about that

1002

00:37:59,430 --> 00:37:59,040

yeah yeah i mean in fact i just realized

1003

00:38:01,349 --> 00:37:59,440

that

1004

00:38:03,589 --> 00:38:01,359

to to answer this the second part of

1005

00:38:06,150 --> 00:38:03,599

your point about the controversy

1006

00:38:08,470 --> 00:38:06,160

when larry warren came forward

1007

00:38:10,390 --> 00:38:08,480

essentially the story brought publicly

1008

00:38:13,829 --> 00:38:10,400

in the news of the world

1009

00:38:15,589 --> 00:38:13,839

in october of 1983 this was a story that

1010

00:38:18,069 --> 00:38:15,599

was never meant to get out

1011

00:38:19,109 --> 00:38:18,079

and this was a story that should have

1012

00:38:20,950 --> 00:38:19,119

never got out

1013

00:38:22,630 --> 00:38:20,960

if you listen to the americans listen to

1014

00:38:26,069 --> 00:38:22,640

the british military

1015

00:38:26,630 --> 00:38:26,079

and uh uh civilian in terms of

1016

00:38:28,710 --> 00:38:26,640

government

1017

00:38:31,030 --> 00:38:28,720

nobody wanted that to come out nobody

1018

00:38:33,030 --> 00:38:31,040

even really outside of the base knew

1019

00:38:35,670 --> 00:38:33,040

that that would be

1020

00:38:37,510 --> 00:38:35,680

that comes out that then confirms that

1021

00:38:39,430 --> 00:38:37,520

they've been a serious incident

1022

00:38:40,550 --> 00:38:39,440

and holt in the memorial is an

1023

00:38:44,230 --> 00:38:40,560

incredible

1024

00:38:45,349 --> 00:38:44,240

uh uh piece of paper because it's only

1025

00:38:47,430 --> 00:38:45,359

three paragraphs

1026

00:38:49,030 --> 00:38:47,440

but admittedly it says on the first

1027

00:38:50,790 --> 00:38:49,040

paragraph that there's been a landed

1028

00:38:53,430 --> 00:38:50,800

triangular craft in the forest

1029

00:38:55,910 --> 00:38:53,440

which is the first night hulk punished

1030

00:38:57,750 --> 00:38:55,920

penicillin burrows and kobanzak

1031

00:38:59,510 --> 00:38:57,760

which we all know about and then it

1032

00:39:01,190 --> 00:38:59,520

alludes that two nights later

1033

00:39:03,270 --> 00:39:01,200

there was another incident that involved

1034

00:39:05,910 --> 00:39:03,280

holt himself and a team going out

1035

00:39:06,790 --> 00:39:05,920

and seen multiple ufos so this was

1036

00:39:09,430 --> 00:39:06,800

pretty

1037

00:39:10,950 --> 00:39:09,440

amazing document now the controversy is

1038

00:39:14,950 --> 00:39:10,960

that larry came out

1039

00:39:18,230 --> 00:39:14,960

and immediately uh the ufo community

1040

00:39:18,710 --> 00:39:18,240

of that era when he started talking

1041

00:39:20,790 --> 00:39:18,720

about

1042

00:39:22,069 --> 00:39:20,800

the landing craft entities that it was

1043

00:39:24,310 --> 00:39:22,079

being filmed

1044

00:39:25,270 --> 00:39:24,320

he was being told when you go to ufo

1045

00:39:27,349 --> 00:39:25,280

conferences

1046

00:39:28,870 --> 00:39:27,359

well you can't mention entities you

1047

00:39:30,790 --> 00:39:28,880

can't mention aliens that's

1048

00:39:31,910 --> 00:39:30,800

that's a bit too far for us well

1049

00:39:33,670 --> 00:39:31,920

nowadays it's

1050

00:39:35,670 --> 00:39:33,680

it's very common because we're well

1051

00:39:38,870 --> 00:39:35,680

aware of the abduction phenomena etc

1052

00:39:41,510 --> 00:39:38,880

but not in 1983 when he went public

1053

00:39:42,069 --> 00:39:41,520

and he was uh he would be he wanted to

1054

00:39:43,670 --> 00:39:42,079

talk about

1055

00:39:46,470 --> 00:39:43,680

certain things and then he was told by

1056

00:39:47,190 --> 00:39:46,480

the organist organizers you cannot talk

1057

00:39:48,790 --> 00:39:47,200

about that

1058

00:39:50,710 --> 00:39:48,800

so he would not know whether he was

1059

00:39:53,670 --> 00:39:50,720

coming or going with the ufo community

1060

00:39:54,630 --> 00:39:53,680

for a long while but essentially when

1061

00:39:56,870 --> 00:39:54,640

this came out

1062

00:39:57,670 --> 00:39:56,880

right from the off as soon as halt

1063

00:40:00,470 --> 00:39:57,680

retired

1064

00:40:02,150 --> 00:40:00,480

he became offensive and said uh

1065

00:40:03,589 --> 00:40:02,160

basically larry warren's just a

1066

00:40:05,750 --> 00:40:03,599

charlotte and he was busted out

1067

00:40:08,470 --> 00:40:05,760

he did drugs blah blah blah tried to put

1068

00:40:10,550 --> 00:40:08,480

him out as a dubious character

1069

00:40:11,829 --> 00:40:10,560

over the time it wasn't long after that

1070

00:40:14,790 --> 00:40:11,839

around the uh

1071

00:40:15,829 --> 00:40:14,800

the time of penniston and burroughs

1072

00:40:18,309 --> 00:40:15,839

coming out

1073

00:40:20,069 --> 00:40:18,319

they immediately said no no we story

1074

00:40:21,910 --> 00:40:20,079

don't add up blah blah blah

1075

00:40:24,309 --> 00:40:21,920

it doesn't sit well with the rest of us

1076

00:40:25,030 --> 00:40:24,319

well that's how he was for many many

1077

00:40:28,069 --> 00:40:25,040

years

1078

00:40:30,550 --> 00:40:28,079

but larry warren's book and story of the

1079

00:40:32,710 --> 00:40:30,560

landed craft the capable green scenario

1080

00:40:33,990 --> 00:40:32,720

is basically he's picked up from a

1081

00:40:35,750 --> 00:40:34,000

perimeter post

1082

00:40:37,109 --> 00:40:35,760

he's told to get in the back of a truck

1083

00:40:39,349 --> 00:40:37,119

close his post down

1084

00:40:40,870 --> 00:40:39,359

they then go on to the base look for

1085

00:40:42,630 --> 00:40:40,880

light holes which are big lighty

1086

00:40:45,109 --> 00:40:42,640

portable lighting generators

1087

00:40:46,950 --> 00:40:45,119

to light up the forest uh they go to the

1088

00:40:47,829 --> 00:40:46,960

motor pool to collect those they go into

1089

00:40:50,550 --> 00:40:47,839

the forest

1090

00:40:52,390 --> 00:40:50,560

and then he is then told to go with

1091

00:40:54,790 --> 00:40:52,400

others small groups

1092

00:40:55,510 --> 00:40:54,800

into uh through the forest and then ends

1093

00:40:57,190 --> 00:40:55,520

up

1094

00:40:58,710 --> 00:40:57,200

at the edge of a farmer's field it's the

1095

00:41:01,349 --> 00:40:58,720

same as farmers field

1096

00:41:03,190 --> 00:41:01,359

that hulk follows the craft through and

1097

00:41:04,710 --> 00:41:03,200

it's the same farmers field

1098

00:41:06,630 --> 00:41:04,720

there's the farmhouse on the opposite

1099

00:41:09,190 --> 00:41:06,640

side 300 meters away

1100

00:41:10,470 --> 00:41:09,200

but different location larry warren will

1101
00:41:12,630 --> 00:41:10,480
say when he got

1102
00:41:13,750 --> 00:41:12,640
to the edge of the field uh there was a

1103
00:41:16,069 --> 00:41:13,760
mist on the ground about

1104
00:41:18,150 --> 00:41:16,079
50 feet off the ground 50 feet in

1105
00:41:21,750 --> 00:41:18,160
diameter that was maybe

1106
00:41:22,470 --> 00:41:21,760
a foot uh 30 centimeters 12 inches off

1107
00:41:24,710 --> 00:41:22,480
the ground

1108
00:41:25,510 --> 00:41:24,720
and it was like uh just hugging in a

1109
00:41:26,870 --> 00:41:25,520
circle

1110
00:41:28,950 --> 00:41:26,880
along the ground there were security

1111
00:41:30,950 --> 00:41:28,960
policemen already personnel

1112
00:41:33,190 --> 00:41:30,960
already out there there was a guy

1113
00:41:35,510 --> 00:41:33,200

filming it on the right hand side of the

1114

00:41:36,630 --> 00:41:35,520

of these personnel uh and the right-hand

1115

00:41:38,470 --> 00:41:36,640

side of the mist

1116

00:41:41,190 --> 00:41:38,480

and then basically what he will say is

1117

00:41:44,069 --> 00:41:41,200

that he is told to go into the field

1118

00:41:45,109 --> 00:41:44,079

with sergeant adrian bustinza goes into

1119

00:41:46,950 --> 00:41:45,119

the field

1120

00:41:49,750 --> 00:41:46,960

and then basically they're told to move

1121

00:41:52,870 --> 00:41:49,760

closer to the mist and then suddenly

1122

00:41:54,710 --> 00:41:52,880

he hears over the radio here it comes

1123

00:41:56,230 --> 00:41:54,720

and then he sees a red light coming in

1124

00:41:58,950 --> 00:41:56,240

from the direction of the sea

1125

00:42:00,710 --> 00:41:58,960

it stops over the mist it's about the

1126

00:42:04,470 --> 00:42:00,720

size of a basketball

1127

00:42:05,829 --> 00:42:04,480

beach ball it stops over the yellow mist

1128

00:42:07,910 --> 00:42:05,839

and then suddenly there's an explosion

1129

00:42:10,230 --> 00:42:07,920

of light when his eyes readjust

1130

00:42:11,829 --> 00:42:10,240

where the mist had been there is now a

1131

00:42:16,069 --> 00:42:11,839

30 foot wide

1132

00:42:19,510 --> 00:42:16,079

uh diamond shirt morphing type of

1133

00:42:21,990 --> 00:42:19,520

craft in front of him okay

1134

00:42:23,829 --> 00:42:22,000

finish up gary sorry about that yeah no

1135

00:42:27,349 --> 00:42:23,839

so basically the controversy

1136

00:42:29,829 --> 00:42:27,359

comes from this account uh and it's

1137

00:42:31,270 --> 00:42:29,839

people have said in particular over the

1138

00:42:33,190 --> 00:42:31,280

last three years

1139

00:42:35,109 --> 00:42:33,200

they've tried to write him out of it but

1140

00:42:35,750 --> 00:42:35,119

there's very good reasons why people

1141

00:42:38,470 --> 00:42:35,760

would

1142

00:42:39,190 --> 00:42:38,480

uh try to write him out of it if it were

1143

00:42:40,630 --> 00:42:39,200

true

1144

00:42:42,630 --> 00:42:40,640

and what i'm saying to you is my

1145

00:42:43,190 --> 00:42:42,640

research which will be revealed in the

1146

00:42:45,510 --> 00:42:43,200

film

1147

00:42:47,270 --> 00:42:45,520

will show this was indeed true and there

1148

00:42:49,829 --> 00:42:47,280

are many many confirmations

1149

00:42:50,309 --> 00:42:49,839

of the careful green scenario and of

1150

00:42:52,550 --> 00:42:50,319

course

1151

00:42:54,390 --> 00:42:52,560

one of the witnesses that will be

1152

00:42:56,309 --> 00:42:54,400

featured in the documentary

1153

00:42:58,230 --> 00:42:56,319

as has already been revealed in one of

1154

00:42:58,870 --> 00:42:58,240

the trailers we'll say he was out in the

1155

00:43:00,390 --> 00:42:58,880

forest

1156

00:43:02,470 --> 00:43:00,400

and he'd been through training with him

1157

00:43:03,030 --> 00:43:02,480

so he recognized him in the forest that

1158

00:43:06,550 --> 00:43:03,040

night

1159

00:43:07,750 --> 00:43:06,560

that's a that's done and dusted we're

1160

00:43:09,670 --> 00:43:07,760

going to put this to bed

1161

00:43:12,390 --> 00:43:09,680

but there's so much more to come out of

1162

00:43:15,589 --> 00:43:12,400

this story and what i would say to you

1163

00:43:17,190 --> 00:43:15,599

is are there good reasons why the

1164

00:43:20,309 --> 00:43:17,200

americans and the british

1165

00:43:21,430 --> 00:43:20,319

would not want this story if it were

1166

00:43:24,390 --> 00:43:21,440

true to come out

1167

00:43:25,349 --> 00:43:24,400

and the obvious answer is yes would the

1168

00:43:28,550 --> 00:43:25,359

americans

1169

00:43:30,550 --> 00:43:28,560

and the british want the base commander

1170

00:43:33,430 --> 00:43:30,560

of a nuclear strike base

1171

00:43:35,270 --> 00:43:33,440

we've got multiple uh confirmations on

1172

00:43:37,030 --> 00:43:35,280

films it's a nuclear base

1173

00:43:38,550 --> 00:43:37,040

by military personnel that will be in

1174

00:43:41,430 --> 00:43:38,560

the film

1175

00:43:41,910 --> 00:43:41,440

multiple confirmations it's a nuclear

1176

00:43:49,349 --> 00:43:41,920

base

1177

00:43:51,829 --> 00:43:49,359

and approaches the craft where there is

1178

00:43:52,950 --> 00:43:51,839

three small entities whatever you want

1179

00:43:55,910 --> 00:43:52,960

to call them

1180

00:43:56,790 --> 00:43:55,920

uh floating next to this translucent

1181

00:43:58,950 --> 00:43:56,800

craft

1182

00:43:59,910 --> 00:43:58,960

and that there is some kind of silent

1183

00:44:01,510 --> 00:43:59,920

communication

1184

00:44:03,270 --> 00:44:01,520

or a face off for one of a better

1185

00:44:08,870 --> 00:44:03,280

expression it sounds like

1186

00:44:11,030 --> 00:44:08,880

star trek however if that were true

1187

00:44:12,870 --> 00:44:11,040

think about it the nuclear-based

1188

00:44:16,150 --> 00:44:12,880

commander meeting with entities

1189

00:44:17,510 --> 00:44:16,160

in a field at a time of heightened cold

1190

00:44:19,430 --> 00:44:17,520

war tensions

1191

00:44:20,870 --> 00:44:19,440

do you not think that that would be a

1192

00:44:23,829 --> 00:44:20,880

pretty major story

1193

00:44:25,270 --> 00:44:23,839

if it were true so when you say yeah the

1194

00:44:25,829 --> 00:44:25,280

base commander you mean halt is that

1195

00:44:28,309 --> 00:44:25,839

correct

1196

00:44:29,589 --> 00:44:28,319

oh no no i'm saying colonel williams

1197

00:44:32,710 --> 00:44:29,599

williams okay okay

1198

00:44:34,950 --> 00:44:32,720

okay i know what you mean all right let

1199

00:44:36,950 --> 00:44:34,960

me say this i believe halt was there too

1200

00:44:38,069 --> 00:44:36,960

okay let's talk about that in the in the

1201
00:44:40,390 --> 00:44:38,079
documentary so

1202
00:44:41,349 --> 00:44:40,400
this is a complicated case so let's try

1203
00:44:45,190 --> 00:44:41,359
to clear this

1204
00:44:48,150 --> 00:44:45,200
little bit you've got one sighting

1205
00:44:50,069 --> 00:44:48,160
involving burrows peniston and i believe

1206
00:44:52,069 --> 00:44:50,079
one or two other individuals

1207
00:44:53,589 --> 00:44:52,079
on the first sighting is that about

1208
00:44:57,030 --> 00:44:53,599
right

1209
00:45:00,150 --> 00:44:57,040
essentially the accepted story

1210
00:45:02,550 --> 00:45:00,160
is that there's a sighting off

1211
00:45:04,069 --> 00:45:02,560
about over the woods by the east gate

1212
00:45:07,670 --> 00:45:04,079
about 300 meters away

1213
00:45:10,630 --> 00:45:07,680

from the east gate people go out there

1214

00:45:11,589 --> 00:45:10,640

which is kabanzak penis and burroughs

1215

00:45:13,430 --> 00:45:11,599

okay

1216

00:45:15,349 --> 00:45:13,440

trees and eventually find a landing

1217

00:45:18,550 --> 00:45:15,359

craft well it's a landed

1218

00:45:19,109 --> 00:45:18,560

triangular craft to jim peniston but

1219

00:45:20,790 --> 00:45:19,119

from jim

1220

00:45:22,230 --> 00:45:20,800

john borough's point of view it's a bank

1221

00:45:23,510 --> 00:45:22,240

of lights he doesn't see it as a

1222

00:45:26,550 --> 00:45:23,520

structured craft

1223

00:45:28,470 --> 00:45:26,560

uh john burroughs uh and

1224

00:45:30,150 --> 00:45:28,480

ed cabanza will say that all three

1225

00:45:32,630 --> 00:45:30,160

remain together all the time

1226

00:45:33,670 --> 00:45:32,640

jim peniston will say that commander was

1227

00:45:35,750 --> 00:45:33,680

pushed further back

1228

00:45:36,870 --> 00:45:35,760

to act as a radio relay so you've got

1229

00:45:38,790 --> 00:45:36,880

all these different things but the

1230

00:45:41,030 --> 00:45:38,800

accepted story

1231

00:45:42,710 --> 00:45:41,040

over all the last 30 odd years of

1232

00:45:44,630 --> 00:45:42,720

reporting by tv

1233

00:45:47,349 --> 00:45:44,640

and you say about documentaries there's

1234

00:45:48,150 --> 00:45:47,359

been about 50 to 60 documentaries done

1235

00:45:50,230 --> 00:45:48,160

worldwide

1236

00:45:51,510 --> 00:45:50,240

on reynolds there are many many tv

1237

00:45:53,349 --> 00:45:51,520

documentaries done

1238

00:45:54,550 --> 00:45:53,359

so there is a wealth of material but

1239

00:45:57,190 --> 00:45:54,560

none have ever really

1240

00:45:58,710 --> 00:45:57,200

showed the true story and that's there's

1241

00:46:01,430 --> 00:45:58,720

reasons why that is

1242

00:46:03,270 --> 00:46:01,440

uh and that can we talk about that later

1243

00:46:06,390 --> 00:46:03,280

but essentially the first night

1244

00:46:08,390 --> 00:46:06,400

is is uh peniston boros kabanza the

1245

00:46:09,270 --> 00:46:08,400

second night which nobody knew about for

1246

00:46:11,430 --> 00:46:09,280

many years

1247

00:46:13,990 --> 00:46:11,440

we now refer to as lieutenant bonnie

1248

00:46:17,910 --> 00:46:14,000

tamplin who was the shift commander

1249

00:46:21,109 --> 00:46:17,920

something happened to her that was so uh

1250

00:46:23,670 --> 00:46:21,119

scary that she uh was had to go

1251
00:46:25,030 --> 00:46:23,680
off sick uh taken off duty and then was

1252
00:46:27,349 --> 00:46:25,040
[h__\h] back to the states

1253
00:46:28,230 --> 00:46:27,359
never went back on shift we'll talk

1254
00:46:31,910 --> 00:46:28,240
about that

1255
00:46:34,630 --> 00:46:31,920
uh in great detail in capable green

1256
00:46:36,069 --> 00:46:34,640
for the first time the story emerges uh

1257
00:46:38,069 --> 00:46:36,079
and what we'll also

1258
00:46:40,150 --> 00:46:38,079
be talking about is then the accepted

1259
00:46:43,190 --> 00:46:40,160
what's classed as the third night

1260
00:46:44,309 --> 00:46:43,200
which is the halt uh night going out

1261
00:46:46,390 --> 00:46:44,319
with the team

1262
00:46:48,630 --> 00:46:46,400
uh and then also it's the crossover

1263
00:46:49,829 --> 00:46:48,640

night that if you believe the larry

1264

00:46:52,150 --> 00:46:49,839

warren story

1265

00:46:53,349 --> 00:46:52,160

it's running more or less parallel at

1266

00:46:55,670 --> 00:46:53,359

the same time

1267

00:46:56,550 --> 00:46:55,680

or certainly within parts of the same

1268

00:46:58,309 --> 00:46:56,560

night

1269

00:46:59,589 --> 00:46:58,319

yeah and you're saying that uh base

1270

00:47:01,670 --> 00:46:59,599

commander williams was

1271

00:47:03,829 --> 00:47:01,680

also out there at the same time or this

1272

00:47:05,990 --> 00:47:03,839

was uh even a separate and a part

1273

00:47:07,030 --> 00:47:06,000

uh sighting that he had he was involved

1274

00:47:09,109 --> 00:47:07,040

with

1275

00:47:10,630 --> 00:47:09,119

he was called out as the if you you're

1276

00:47:12,390 --> 00:47:10,640

the base commander

1277

00:47:15,270 --> 00:47:12,400

and you have some incident where you

1278

00:47:16,069 --> 00:47:15,280

have multiple security police on british

1279

00:47:18,309 --> 00:47:16,079

soil

1280

00:47:21,430 --> 00:47:18,319

running around and they are reporting

1281

00:47:23,589 --> 00:47:21,440

ufos which is what the case was

1282

00:47:25,109 --> 00:47:23,599

and undoubtedly it would have been fed

1283

00:47:27,510 --> 00:47:25,119

back to the base commander

1284

00:47:29,349 --> 00:47:27,520

he turns up it's believed he turns up

1285

00:47:31,349 --> 00:47:29,359

with other senior officers

1286

00:47:32,390 --> 00:47:31,359

goes into the field and has this

1287

00:47:34,549 --> 00:47:32,400

scenario

1288

00:47:36,390 --> 00:47:34,559

now we'll talk about but this uh this

1289

00:47:38,069 --> 00:47:36,400

sighting is separate and apart from the

1290

00:47:40,870 --> 00:47:38,079

halt sighting where he had

1291

00:47:42,710 --> 00:47:40,880

you know a team okay okay you

1292

00:47:45,910 --> 00:47:42,720

essentially think of

1293

00:47:48,630 --> 00:47:45,920

uh williams being involved in the

1294

00:47:50,470 --> 00:47:48,640

the capitol green larry warren scenario

1295

00:47:52,870 --> 00:47:50,480

uh he's the only person

1296

00:47:53,670 --> 00:47:52,880

uh along with adrian bustinza that will

1297

00:47:55,430 --> 00:47:53,680

say

1298

00:47:57,349 --> 00:47:55,440

that colonel williams was there all

1299

00:48:00,309 --> 00:47:57,359

right suffice to say

1300

00:48:02,230 --> 00:48:00,319

that that is not part of halt's story

1301
00:48:03,829 --> 00:48:02,240
but what's going to emerge is that for

1302
00:48:04,710 --> 00:48:03,839
the first time we're going to reveal all

1303
00:48:09,510 --> 00:48:04,720
of the facts

1304
00:48:12,870 --> 00:48:09,520
we move into the controversy

1305
00:48:16,230 --> 00:48:12,880
i think the real controversy stems from

1306
00:48:17,910 --> 00:48:16,240
we cannot have this young upstart airman

1307
00:48:19,430 --> 00:48:17,920
telling the truth about what really

1308
00:48:21,589 --> 00:48:19,440
happened in that field

1309
00:48:22,630 --> 00:48:21,599
because if that happens that could be a

1310
00:48:25,190 --> 00:48:22,640
game changer

1311
00:48:26,710 --> 00:48:25,200
and we'll get so much heat and this

1312
00:48:27,829 --> 00:48:26,720
could be a major game changer for the

1313
00:48:29,829 --> 00:48:27,839

ufo field

1314

00:48:32,069 --> 00:48:29,839

imagine what i'm saying is if the

1315

00:48:34,470 --> 00:48:32,079

scenario was indeed true

1316

00:48:36,230 --> 00:48:34,480

that colonel williams as then colonel

1317

00:48:36,790 --> 00:48:36,240

went out the base commander of a nuclear

1318

00:48:39,109 --> 00:48:36,800

base

1319

00:48:40,630 --> 00:48:39,119

met with entities or had a face off with

1320

00:48:43,670 --> 00:48:40,640

entities in a field so

1321

00:48:44,790 --> 00:48:43,680

grounded and was filmed on motion

1322

00:48:48,470 --> 00:48:44,800

picture footage

1323

00:48:50,309 --> 00:48:48,480

in cine and on early video and larry was

1324

00:48:52,549 --> 00:48:50,319

the only one that ever said that

1325

00:48:53,670 --> 00:48:52,559

there are many confirmations of that now

1326
00:48:55,430 --> 00:48:53,680
taking place

1327
00:48:57,829 --> 00:48:55,440
that will be revealed in the film that i

1328
00:48:59,829 --> 00:48:57,839
can't reveal now

1329
00:49:01,270 --> 00:48:59,839
that scenario which i believe is

1330
00:49:03,990 --> 00:49:01,280
absolutely true

1331
00:49:05,030 --> 00:49:04,000
that is why larry warren got so much

1332
00:49:07,190 --> 00:49:05,040
grief because

1333
00:49:08,390 --> 00:49:07,200
people are covering up and do not want

1334
00:49:09,750 --> 00:49:08,400
they're happy to have

1335
00:49:11,829 --> 00:49:09,760
hulk running around out there they're

1336
00:49:14,390 --> 00:49:11,839
happy to talk about pedestrian boroughs

1337
00:49:15,030 --> 00:49:14,400
they can't contain that because the memo

1338
00:49:16,870 --> 00:49:15,040

came out

1339

00:49:18,309 --> 00:49:16,880

accidentally that's out in the public

1340

00:49:21,030 --> 00:49:18,319

domain okay

1341

00:49:22,630 --> 00:49:21,040

so they can't do anything the cat so

1342

00:49:24,309 --> 00:49:22,640

what you're suggesting here is that

1343

00:49:26,470 --> 00:49:24,319

there's something of a limited hangout

1344

00:49:28,549 --> 00:49:26,480

regarding this case

1345

00:49:30,069 --> 00:49:28,559

there is a little cover up i'm not

1346

00:49:33,829 --> 00:49:30,079

suggesting a hangout i'm saying

1347

00:49:36,150 --> 00:49:33,839

there is an automatic cover-up goes in

1348

00:49:37,829 --> 00:49:36,160

and if you're a whistleblower it

1349

00:49:39,109 --> 00:49:37,839

generally doesn't end wealthy if you

1350

00:49:41,990 --> 00:49:39,119

think of snowden

1351

00:49:43,750 --> 00:49:42,000

uh people like that uh julian assange

1352

00:49:45,430 --> 00:49:43,760

whistleblowers pay a heavy price

1353

00:49:48,950 --> 00:49:45,440

and i think larry warren has paid a very

1354

00:49:51,349 --> 00:49:48,960

heavy price now to compound that

1355

00:49:53,109 --> 00:49:51,359

is that two and a half three years ago

1356

00:49:56,710 --> 00:49:53,119

his number one supporter

1357

00:49:58,630 --> 00:49:56,720

who was an online lady

1358

00:49:59,750 --> 00:49:58,640

she was his number one fan for nine

1359

00:50:01,829 --> 00:49:59,760

years

1360

00:50:03,109 --> 00:50:01,839

uh wrong radio show saying get him on

1361

00:50:04,790 --> 00:50:03,119

get him on he's the best thing about

1362

00:50:05,910 --> 00:50:04,800

reynolds get him on get him on she

1363

00:50:07,750 --> 00:50:05,920

really hounded people

1364

00:50:09,109 --> 00:50:07,760

in a positive way getting money is the

1365

00:50:12,309 --> 00:50:09,119

best thing about reynolds

1366

00:50:13,990 --> 00:50:12,319

suddenly she goes 180 degrees

1367

00:50:15,670 --> 00:50:14,000

the other way to become somebody who

1368

00:50:17,750 --> 00:50:15,680

wants to destroy larry warren

1369

00:50:19,349 --> 00:50:17,760

don't really know why but that's what's

1370

00:50:21,430 --> 00:50:19,359

happened and she then

1371

00:50:22,710 --> 00:50:21,440

begins uh to lead a number of other

1372

00:50:24,870 --> 00:50:22,720

people in the uk

1373

00:50:26,470 --> 00:50:24,880

to try to say he's not there he's lying

1374

00:50:28,710 --> 00:50:26,480

this that and the other uh

1375

00:50:30,549 --> 00:50:28,720

he's lied about even waking up in the

1376

00:50:32,470 --> 00:50:30,559

morning basically just

1377

00:50:33,990 --> 00:50:32,480

so obsessed putting material out

1378

00:50:35,829 --> 00:50:34,000

material out material out

1379

00:50:37,589 --> 00:50:35,839

so over the last two and a half to three

1380

00:50:41,109 --> 00:50:37,599

years there is a

1381

00:50:43,990 --> 00:50:41,119

huge body of uh

1382

00:50:45,030 --> 00:50:44,000

by about 50 individuals mainly about

1383

00:50:48,790 --> 00:50:45,040

four or five

1384

00:50:51,670 --> 00:50:48,800

hardcore about 20 of a group of about 50

1385

00:50:53,270 --> 00:50:51,680

in the uk there are bombarding radio

1386

00:50:54,069 --> 00:50:53,280

stations saying he's a liar this has

1387

00:50:56,150 --> 00:50:54,079

been proved

1388

00:50:57,510 --> 00:50:56,160

now when i got involved a couple of

1389

00:50:59,349 --> 00:50:57,520

years ago

1390

00:51:01,109 --> 00:50:59,359

uh through accidentally through being

1391

00:51:03,990 --> 00:51:01,119

asked to do purple green

1392

00:51:05,589 --> 00:51:04,000

i looked at their evidence and literally

1393

00:51:07,750 --> 00:51:05,599

i'd been a detective

1394

00:51:09,829 --> 00:51:07,760

for 19 years i knew what police evidence

1395

00:51:11,430 --> 00:51:09,839

was a police officer for 24 years

1396

00:51:13,190 --> 00:51:11,440

a detective i was an advanced

1397

00:51:15,829 --> 00:51:13,200

interviewer of suspects and witnesses

1398

00:51:17,829 --> 00:51:15,839

i was well used to looking at evidence

1399

00:51:20,069 --> 00:51:17,839

in documentary form written evidence

1400

00:51:21,589 --> 00:51:20,079

and when i looked at all of the evidence

1401
00:51:24,710 --> 00:51:21,599
it didn't stack up

1402
00:51:28,150 --> 00:51:24,720
but it was persuasive for people who

1403
00:51:29,829 --> 00:51:28,160
didn't know the law yeah i could

1404
00:51:30,630 --> 00:51:29,839
understand how some people would be

1405
00:51:32,390 --> 00:51:30,640
taken in

1406
00:51:33,670 --> 00:51:32,400
and i actually think that peter robbins

1407
00:51:36,069 --> 00:51:33,680
was taken in

1408
00:51:36,790 --> 00:51:36,079
and he thought that oh larry warren is

1409
00:51:38,950 --> 00:51:36,800
going down

1410
00:51:39,829 --> 00:51:38,960
so i'm going to jump ship and sadly he

1411
00:51:42,870 --> 00:51:39,839
jumped ship

1412
00:51:44,390 --> 00:51:42,880
but what was it about the evidence uh uh

1413
00:51:46,069 --> 00:51:44,400

that was uh presented

1414

00:51:47,589 --> 00:51:46,079

that you had a problem with it and let's

1415

00:51:50,950 --> 00:51:47,599

talk about that evidence there were

1416

00:51:52,309 --> 00:51:50,960

uh some photoshopping of a warren into

1417

00:51:53,910 --> 00:51:52,319

photographs with

1418

00:51:55,829 --> 00:51:53,920

john lennon there was some other

1419

00:51:56,710 --> 00:51:55,839

material i wanted to talk about that a

1420

00:52:01,510 --> 00:51:56,720

little bit

1421

00:52:03,750 --> 00:52:01,520

and uh what raised the red flags for you

1422

00:52:05,589 --> 00:52:03,760

well what do you mean by red flags i

1423

00:52:07,109 --> 00:52:05,599

don't have a red flag do i think larry

1424

00:52:08,950 --> 00:52:07,119

warren was involved in reynolds from

1425

00:52:11,670 --> 00:52:08,960

absolutely 100

1426

00:52:12,790 --> 00:52:11,680

do you i'm not sure that's why i'm

1427

00:52:14,790 --> 00:52:12,800

asking you

1428

00:52:16,230 --> 00:52:14,800

well well let me tell you when i've

1429

00:52:18,470 --> 00:52:16,240

looked at the evidence

1430

00:52:19,829 --> 00:52:18,480

uh that was presented by this so-called

1431

00:52:22,870 --> 00:52:19,839

group it didn't add up

1432

00:52:25,589 --> 00:52:22,880

uh for example one uh guy

1433

00:52:26,549 --> 00:52:25,599

uh who who was part of that group of

1434

00:52:29,589 --> 00:52:26,559

four

1435

00:52:31,510 --> 00:52:29,599

he contacted me and said uh

1436

00:52:33,829 --> 00:52:31,520

he's manipulated some of his military

1437

00:52:35,750 --> 00:52:33,839

records bear in mind he did not have any

1438

00:52:37,270 --> 00:52:35,760

original records to check with he just

1439

00:52:39,829 --> 00:52:37,280

took photographs

1440

00:52:40,470 --> 00:52:39,839

uh off off the computer basically screen

1441

00:52:42,710 --> 00:52:40,480

grabs

1442

00:52:43,910 --> 00:52:42,720

and from that he had said oh no he's

1443

00:52:46,549 --> 00:52:43,920

changed the signatures

1444

00:52:48,470 --> 00:52:46,559

blah blah blah so when he showed me this

1445

00:52:51,109 --> 00:52:48,480

before looking into it i said

1446

00:52:51,750 --> 00:52:51,119

are you a police accredited handwriting

1447

00:52:54,150 --> 00:52:51,760

expert

1448

00:52:55,990 --> 00:52:54,160

and he went no i said well that means

1449

00:52:56,710 --> 00:52:56,000

that your evidence does not count as

1450

00:52:59,910 --> 00:52:56,720

evidence at

1451
00:53:01,430 --> 00:52:59,920
all i cannot give medical opinion about

1452
00:53:03,750 --> 00:53:01,440
somebody for a brain injury

1453
00:53:05,829 --> 00:53:03,760
unless i'm a brain neurosurgeon you have

1454
00:53:07,190 --> 00:53:05,839
to be an expert in your field and it's

1455
00:53:09,349 --> 00:53:07,200
the same in the police

1456
00:53:11,190 --> 00:53:09,359
so anybody who claims to have and

1457
00:53:13,190 --> 00:53:11,200
writing expert if you've just done it

1458
00:53:14,630 --> 00:53:13,200
because it's a bit of a hobby of yours

1459
00:53:16,790 --> 00:53:14,640
unless you're an accredited police

1460
00:53:18,069 --> 00:53:16,800
handwriting expert that is not evidence

1461
00:53:21,190 --> 00:53:18,079
it doesn't stack up

1462
00:53:23,030 --> 00:53:21,200
yeah and basically it was never done

1463
00:53:25,829 --> 00:53:23,040

against original documents

1464

00:53:26,870 --> 00:53:25,839

during the course of my investigation

1465

00:53:28,950 --> 00:53:26,880

i've checked

1466

00:53:32,150 --> 00:53:28,960

larry warren's documents and many of

1467

00:53:34,230 --> 00:53:32,160

them are in double and triplicate

1468

00:53:36,309 --> 00:53:34,240

which obviously all they had was a

1469

00:53:37,109 --> 00:53:36,319

screen grab and believe me they're all

1470

00:53:39,430 --> 00:53:37,119

genuine

1471

00:53:41,349 --> 00:53:39,440

so that doesn't add up so that's the

1472

00:53:43,910 --> 00:53:41,359

kind of story that you get

1473

00:53:44,630 --> 00:53:43,920

now the problem that comes with these

1474

00:53:46,950 --> 00:53:44,640

people

1475

00:53:47,750 --> 00:53:46,960

and it is a definite campaign and if

1476

00:53:50,309 --> 00:53:47,760

anybody

1477

00:53:50,950 --> 00:53:50,319

is interested to know about how this

1478

00:53:54,069 --> 00:53:50,960

group

1479

00:53:54,630 --> 00:53:54,079

works then i did a pdf investigation

1480

00:53:56,710 --> 00:53:54,640

document

1481

00:53:57,910 --> 00:53:56,720

called winter is here and if they email

1482

00:54:00,230 --> 00:53:57,920

me at hazeltinegarry

1483

00:54:01,190 --> 00:54:00,240

hotmail.com i will gladly send it to

1484

00:54:03,670 --> 00:54:01,200

them and it's their

1485

00:54:05,030 --> 00:54:03,680

own words screen grabs by them put out

1486

00:54:07,030 --> 00:54:05,040

on public prominent

1487

00:54:08,710 --> 00:54:07,040

facebook comments it's their own words

1488

00:54:09,510 --> 00:54:08,720

and that you'll see what these people

1489

00:54:12,150 --> 00:54:09,520

are like

1490

00:54:13,349 --> 00:54:12,160

but the problem is anybody that

1491

00:54:16,150 --> 00:54:13,359

disagrees

1492

00:54:17,430 --> 00:54:16,160

with their so-called evidence then

1493

00:54:19,270 --> 00:54:17,440

becomes targeted

1494

00:54:21,349 --> 00:54:19,280

so as soon as i said well your evidence

1495

00:54:24,390 --> 00:54:21,359

doesn't stack up since then

1496

00:54:24,790 --> 00:54:24,400

they effing blind about me swear about

1497

00:54:27,349 --> 00:54:24,800

me

1498

00:54:29,510 --> 00:54:27,359

i'm a liar a con man of fraud do you

1499

00:54:31,109 --> 00:54:29,520

think that's acceptable frank chan

1500

00:54:32,470 --> 00:54:31,119

uh i wouldn't accept that if it weren't

1501

00:54:33,670 --> 00:54:32,480

uh i wouldn't accept that even if it

1502

00:54:35,750 --> 00:54:33,680

were true but if it weren't i

1503

00:54:37,349 --> 00:54:35,760

certainly wouldn't accept it so i'm i'm

1504

00:54:37,990 --> 00:54:37,359

sorry i'm given verbal abuse the

1505

00:54:40,710 --> 00:54:38,000

magazine

1506

00:54:41,349 --> 00:54:40,720

is derogatory comments you're this that

1507

00:54:44,470 --> 00:54:41,359

and the other

1508

00:54:46,549 --> 00:54:44,480

do you think that's acceptable uh

1509

00:54:48,390 --> 00:54:46,559

no even if you disagree about something

1510

00:54:50,870 --> 00:54:48,400

you shouldn't be disappointed about it

1511

00:54:51,990 --> 00:54:50,880

so in reality frank and chan what you're

1512

00:54:54,230 --> 00:54:52,000

saying is that we have

1513

00:54:55,750 --> 00:54:54,240

normal civility uh we can have

1514

00:54:57,750 --> 00:54:55,760
disagreements especially all the

1515

00:55:00,230 --> 00:54:57,760
politics religion etc

1516

00:55:02,069 --> 00:55:00,240
but we'll agree to disagree well here's

1517

00:55:04,069 --> 00:55:02,079
the difference with this group of people

1518

00:55:05,109 --> 00:55:04,079
if you disagree with them you then

1519

00:55:06,789 --> 00:55:05,119
become the enemy

1520

00:55:08,950 --> 00:55:06,799
and then you become targeted for

1521

00:55:10,230 --> 00:55:08,960
personal abuse and this is what i keep

1522

00:55:13,349 --> 00:55:10,240
kicking off about

1523

00:55:15,910 --> 00:55:13,359
because it's unacceptable in any subject

1524

00:55:18,069 --> 00:55:15,920
in any walk of life you cannot go around

1525

00:55:18,549 --> 00:55:18,079
calling people an f in this and f in

1526

00:55:20,630 --> 00:55:18,559

that

1527

00:55:22,470 --> 00:55:20,640

just because you disagree with their

1528

00:55:24,950 --> 00:55:22,480

opinion you have to be

1529

00:55:27,270 --> 00:55:24,960

civilized and agree to disagree and this

1530

00:55:29,829 --> 00:55:27,280

is a massive problem for social media

1531

00:55:31,829 --> 00:55:29,839

people are committing suicide teenagers

1532

00:55:32,950 --> 00:55:31,839

have been bombarded with images from

1533

00:55:35,430 --> 00:55:32,960

instagram things like that

1534

00:55:37,589 --> 00:55:35,440

and so people commit suicide so social

1535

00:55:39,990 --> 00:55:37,599

media needs to get its act together

1536

00:55:41,349 --> 00:55:40,000

and there needs to be a reform because

1537

00:55:43,990 --> 00:55:41,359

if you have to use

1538

00:55:45,750 --> 00:55:44,000

personal abuse which is what i've got

1539

00:55:48,230 --> 00:55:45,760

for the last two and a half years

1540

00:55:50,710 --> 00:55:48,240

from these people just for standing up

1541

00:55:53,270 --> 00:55:50,720

and saying i disagree with you

1542

00:55:53,990 --> 00:55:53,280

then it is wrong and people should count

1543

00:55:57,829 --> 00:55:54,000

them out

1544

00:55:59,750 --> 00:55:57,839

that's unacceptable

1545

00:56:01,270 --> 00:55:59,760

here's the problem frank and chance that

1546

00:56:03,750 --> 00:56:01,280

the ufo community

1547

00:56:05,270 --> 00:56:03,760

does not call them out why because

1548

00:56:05,910 --> 00:56:05,280

they're so frightened that they might

1549

00:56:08,069 --> 00:56:05,920

get the

1550

00:56:09,190 --> 00:56:08,079

torrent of abuse themselves so what does

1551
00:56:11,109 --> 00:56:09,200
that tell you about

1552
00:56:12,870 --> 00:56:11,119
some of the people in our hierarchy of

1553
00:56:15,270 --> 00:56:12,880
ufology many of them

1554
00:56:16,069 --> 00:56:15,280
are weak and they will not who could

1555
00:56:18,150 --> 00:56:16,079
make a difference

1556
00:56:19,670 --> 00:56:18,160
and say this is unacceptable if you've

1557
00:56:21,750 --> 00:56:19,680
gotten a point you put it out

1558
00:56:23,190 --> 00:56:21,760
you put it out there fine you can have a

1559
00:56:24,789 --> 00:56:23,200
disagreement i'm happy

1560
00:56:26,630 --> 00:56:24,799
for skepticism and this that and the

1561
00:56:28,390 --> 00:56:26,640
other but you do it in a civil way

1562
00:56:30,230 --> 00:56:28,400
then you should not target people with

1563
00:56:32,309 --> 00:56:30,240

abuse because you don't agree

1564

00:56:34,230 --> 00:56:32,319

well this is how that group operates so

1565

00:56:36,710 --> 00:56:34,240

if you want to mix with those people

1566

00:56:38,870 --> 00:56:36,720

then that's fine and believe me the

1567

00:56:41,349 --> 00:56:38,880

people that now mix with them regularly

1568

00:56:42,549 --> 00:56:41,359

sadly are peter robbins who joins in on

1569

00:56:44,470 --> 00:56:42,559

that abuse

1570

00:56:45,910 --> 00:56:44,480

not through direct personal abuse but

1571

00:56:47,670 --> 00:56:45,920

joins in on their strings

1572

00:56:49,829 --> 00:56:47,680

and he's quite happily when they're

1573

00:56:50,710 --> 00:56:49,839

targeting me to go along and call them

1574

00:56:53,829 --> 00:56:50,720

friends

1575

00:56:55,670 --> 00:56:53,839

nick pope who i was always affable with

1576

00:56:57,030 --> 00:56:55,680

known him for many years had dinner with

1577

00:57:00,150 --> 00:56:57,040

him sat across him

1578

00:57:02,549 --> 00:57:00,160

one to one and dinner with him uh he is

1579

00:57:05,589 --> 00:57:02,559

now saying i should be arrested

1580

00:57:06,470 --> 00:57:05,599

for perpetrating a hoax on the ufo

1581

00:57:09,030 --> 00:57:06,480

community

1582

00:57:09,750 --> 00:57:09,040

well why would i do that frank why would

1583

00:57:12,230 --> 00:57:09,760

i do that

1584

00:57:13,990 --> 00:57:12,240

why would i risk my reputation something

1585

00:57:16,870 --> 00:57:14,000

that i tried to develop

1586

00:57:18,710 --> 00:57:16,880

since 2002 with the police database why

1587

00:57:19,670 --> 00:57:18,720

would i do that unless i had absolute

1588

00:57:21,910 --> 00:57:19,680

conviction

1589

00:57:22,870 --> 00:57:21,920

that the evidence that i'd accumulated

1590

00:57:25,829 --> 00:57:22,880

was genuine

1591

00:57:27,829 --> 00:57:25,839

so why would he get use it and he has

1592

00:57:30,390 --> 00:57:27,839

used recently personal abuse

1593

00:57:31,829 --> 00:57:30,400

against me for the first time so not

1594

00:57:32,870 --> 00:57:31,839

only is he saying i should be arrested

1595

00:57:35,589 --> 00:57:32,880

he's now using

1596

00:57:37,190 --> 00:57:35,599

personal abuse and i said that is

1597

00:57:39,510 --> 00:57:37,200

unacceptable frank

1598

00:57:41,270 --> 00:57:39,520

and that should be unacceptable for

1599

00:57:43,670 --> 00:57:41,280

everybody in ufology

1600

00:57:44,950 --> 00:57:43,680

one but the real motive is why the real

1601
00:57:47,829 --> 00:57:44,960
question is why

1602
00:57:49,109 --> 00:57:47,839
why that is odd for nick because he does

1603
00:57:51,349 --> 00:57:49,119
have a

1604
00:57:52,870 --> 00:57:51,359
like him or not or i think he brings

1605
00:57:55,109 --> 00:57:52,880
good material or not

1606
00:57:57,670 --> 00:57:55,119
uh he's got a long track record of being

1607
00:57:59,750 --> 00:57:57,680
a civil guy

1608
00:58:01,589 --> 00:57:59,760
he's not now and i can show you the

1609
00:58:02,710 --> 00:58:01,599
documentary evidence that proves that if

1610
00:58:04,230 --> 00:58:02,720
you wish me to do that

1611
00:58:06,150 --> 00:58:04,240
i can send you the links and you can put

1612
00:58:06,549 --> 00:58:06,160
that up on your your links after the

1613
00:58:08,470 --> 00:58:06,559

show

1614

00:58:10,470 --> 00:58:08,480

i'm quite happy i've got the evidence

1615

00:58:13,589 --> 00:58:10,480

can prove that but the point is

1616

00:58:15,829 --> 00:58:13,599

these people are all heavily involved

1617

00:58:17,109 --> 00:58:15,839

with the team of trolls well well let me

1618

00:58:17,510 --> 00:58:17,119

let me turn around the other way you

1619

00:58:19,109 --> 00:58:17,520

said

1620

00:58:21,510 --> 00:58:19,119

why would uh why would you do this uh

1621

00:58:24,150 --> 00:58:21,520

why you you're saying that uh

1622

00:58:25,430 --> 00:58:24,160

you're basically accusing nick of being

1623

00:58:27,109 --> 00:58:25,440

part of a cover-up and that's

1624

00:58:29,349 --> 00:58:27,119

why he's engaging in this abuse is that

1625

00:58:32,069 --> 00:58:29,359

about right or am i wrong on that

1626

00:58:32,789 --> 00:58:32,079

well i i think the obvious answer to

1627

00:58:35,990 --> 00:58:32,799

that is

1628

00:58:37,270 --> 00:58:36,000

indirectly yes um why would he go

1629

00:58:39,109 --> 00:58:37,280

from somebody that had always been

1630

00:58:41,030 --> 00:58:39,119

affable with me to now saying i should

1631

00:58:41,670 --> 00:58:41,040

be arrested laughable with everybody not

1632

00:58:43,270 --> 00:58:41,680

just you

1633

00:58:45,109 --> 00:58:43,280

i mean i think he's pretty well known

1634

00:58:46,630 --> 00:58:45,119

for that but but why

1635

00:58:48,230 --> 00:58:46,640

but why would he do that why would he

1636

00:58:50,069 --> 00:58:48,240

become abusive now

1637

00:58:52,230 --> 00:58:50,079

and it doesn't make sense like you say

1638

00:58:54,309 --> 00:58:52,240

is a very soft-spoken guy normally

1639

00:58:55,510 --> 00:58:54,319

and that's the nick i knew until about

1640

00:58:58,470 --> 00:58:55,520

18 months ago

1641

00:58:59,190 --> 00:58:58,480

when he then started regularly mixing on

1642

00:59:01,589 --> 00:58:59,200

online

1643

00:59:02,630 --> 00:59:01,599

uh discussions with these trolls so he's

1644

00:59:06,069 --> 00:59:02,640

associated

1645

00:59:09,270 --> 00:59:06,079

and what's sadly behind this even more

1646

00:59:12,069 --> 00:59:09,280

is that they report back to colonel hull

1647

00:59:12,549 --> 00:59:12,079

the trolls uh direct link to colonel

1648

00:59:14,309 --> 00:59:12,559

holt

1649

00:59:16,630 --> 00:59:14,319

who doesn't get involved himself he

1650

00:59:18,549 --> 00:59:16,640

oversees it but he is good friends with

1651

00:59:21,750 --> 00:59:18,559

all of these people who are

1652

00:59:23,910 --> 00:59:21,760

dishing out abuse to myself to anyone

1653

00:59:25,430 --> 00:59:23,920

who has me on a show something like that

1654

00:59:27,910 --> 00:59:25,440

they ring up the radio show

1655

00:59:29,109 --> 00:59:27,920

you can't have him on there he's a liar

1656

00:59:30,710 --> 00:59:29,119

a con man or a fraud

1657

00:59:32,390 --> 00:59:30,720

i mean is that normal behavior and the

1658

00:59:34,470 --> 00:59:32,400

answer is no

1659

00:59:36,390 --> 00:59:34,480

but the question is this is the way they

1660

00:59:39,750 --> 00:59:36,400

operate and it's wrong and

1661

00:59:42,470 --> 00:59:39,760

unfortunately the ufo community

1662

00:59:43,510 --> 00:59:42,480

have been allowed them to do this in

1663

00:59:45,750 --> 00:59:43,520

such a way

1664

00:59:47,109 --> 00:59:45,760

that many people have privately told me

1665

00:59:49,030 --> 00:59:47,119

you run magazines

1666

00:59:51,349 --> 00:59:49,040

oh yeah we agree with you gary but we

1667

00:59:53,829 --> 00:59:51,359

don't want to face the abuse ourselves

1668

00:59:55,670 --> 00:59:53,839

well i can only speak for myself and

1669

00:59:57,990 --> 00:59:55,680

think that i'm disappointed

1670

00:59:58,789 --> 00:59:58,000

that if they'd have acted strongly very

1671

01:00:01,190 --> 00:59:58,799

early on

1672

01:00:02,309 --> 01:00:01,200

two years ago none of this abuse that

1673

01:00:05,430 --> 01:00:02,319

has been going on

1674

01:00:08,789 --> 01:00:05,440

daily for two years towards me

1675

01:00:10,230 --> 01:00:08,799

towards larry for three years four years

1676

01:00:12,150 --> 01:00:10,240

he shouldn't it should have been ruled

1677

01:00:15,589 --> 01:00:12,160

out straight from the off if the

1678

01:00:18,789 --> 01:00:15,599

people who were in place magazine orders

1679

01:00:20,390 --> 01:00:18,799

organizers radio shows etc had said no

1680

01:00:22,150 --> 01:00:20,400

that's an acceptable behavior if you've

1681

01:00:24,309 --> 01:00:22,160

got a point raise it

1682

01:00:25,510 --> 01:00:24,319

but let's not behave like that and that

1683

01:00:28,390 --> 01:00:25,520

should have been the

1684

01:00:29,910 --> 01:00:28,400

response from the ufo community so the

1685

01:00:31,990 --> 01:00:29,920

so-called

1686

01:00:33,109 --> 01:00:32,000

evidence doesn't stack up to answer your

1687

01:00:34,789 --> 01:00:33,119

question uh

1688

01:00:36,230 --> 01:00:34,799

and that will all be revealed in the

1689

01:00:38,549 --> 01:00:36,240

film uh

1690

01:00:39,430 --> 01:00:38,559

and honestly i'm not gonna put my name

1691

01:00:41,750 --> 01:00:39,440

to this

1692

01:00:43,270 --> 01:00:41,760

unless i felt that it was absolutely

1693

01:00:44,309 --> 01:00:43,280

genuine and the evidence that i will

1694

01:00:47,190 --> 01:00:44,319

produce

1695

01:00:47,589 --> 01:00:47,200

as the co-writer and researcher will

1696

01:00:50,789 --> 01:00:47,599

show

1697

01:00:52,549 --> 01:00:50,799

that it's very real uh and larry warren

1698

01:00:55,030 --> 01:00:52,559

has paid a very high price

1699

01:00:56,710 --> 01:00:55,040

for telling the truth now there are

1700

01:00:58,230 --> 01:00:56,720

other witnesses uh from

1701

01:01:00,230 --> 01:00:58,240

rendelsham in the moment that are

1702

01:01:02,710 --> 01:01:00,240

involved in this film i saw a couple of

1703

01:01:05,430 --> 01:01:02,720

gentlemen and i recognized lori refelt

1704

01:01:07,270 --> 01:01:05,440

so uh can you tell can you id the other

1705

01:01:08,230 --> 01:01:07,280

two gentlemen who you interviewed were

1706

01:01:09,510 --> 01:01:08,240

witnesses and

1707

01:01:11,349 --> 01:01:09,520

uh can you tell us a little bit about

1708

01:01:13,990 --> 01:01:11,359

laurie's involvement

1709

01:01:15,030 --> 01:01:14,000

well laurie laurie has a very good case

1710

01:01:17,990 --> 01:01:15,040

herself from

1711

01:01:20,150 --> 01:01:18,000

february of 1980 so some 10 months

1712

01:01:22,630 --> 01:01:20,160

before the late december sightings

1713

01:01:23,670 --> 01:01:22,640

and she has been talking about this

1714

01:01:26,309 --> 01:01:23,680

openly on

1715

01:01:28,789 --> 01:01:26,319

social media for a long time but

1716

01:01:31,589 --> 01:01:28,799

essentially she's been shunned by the

1717

01:01:32,150 --> 01:01:31,599

principal people that you can talk about

1718

01:01:34,470 --> 01:01:32,160

who were

1719

01:01:36,230 --> 01:01:34,480

well associated with the case uh it

1720

01:01:37,670 --> 01:01:36,240

didn't take place in december therefore

1721

01:01:41,349 --> 01:01:37,680

it's not part of anything

1722

01:01:44,549 --> 01:01:41,359

however in making purple green

1723

01:01:47,829 --> 01:01:44,559

we realized or we came across three

1724

01:01:50,789 --> 01:01:47,839

what i would call three precursor cases

1725

01:01:51,670 --> 01:01:50,799

that are actually uh i think telling a

1726

01:01:54,789 --> 01:01:51,680

story

1727

01:01:57,510 --> 01:01:54,799

about the ufo involvement uh that leads

1728

01:01:59,589 --> 01:01:57,520

up to the december sightings so

1729

01:02:00,630 --> 01:01:59,599

we cover laurie's sighting in a

1730

01:02:02,789 --> 01:02:00,640

re-enactment

1731

01:02:04,950 --> 01:02:02,799

which has never been done before uh in

1732

01:02:06,710 --> 01:02:04,960

four this is also at rendelsham now even

1733

01:02:08,789 --> 01:02:06,720

though it didn't happen oh yeah

1734

01:02:09,750 --> 01:02:08,799

they're all windows from related events

1735

01:02:13,029 --> 01:02:09,760

um but

1736

01:02:16,150 --> 01:02:13,039

they just pre-date what we accept as the

1737

01:02:18,870 --> 01:02:16,160

uh rfi which is late december of 1980.

1738

01:02:20,710 --> 01:02:18,880

so you've got lorries in february and

1739

01:02:23,029 --> 01:02:20,720

then we've got an incident

1740

01:02:24,069 --> 01:02:23,039

uh with michael stacy smith who was in

1741

01:02:26,309 --> 01:02:24,079

one of the trailers

1742

01:02:29,750 --> 01:02:26,319

you'll see him with a big m60 machine

1743

01:02:32,390 --> 01:02:29,760

gun and he had an incident on base

1744

01:02:35,270 --> 01:02:32,400

this is on base close to the weapon

1745

01:02:37,430 --> 01:02:35,280

storage area uh he had an incident

1746

01:02:39,109 --> 01:02:37,440

which will be revealed in full but

1747

01:02:40,230 --> 01:02:39,119

you've seen a snip that he's involved

1748

01:02:42,549 --> 01:02:40,240

and that's in the

1749

01:02:43,270 --> 01:02:42,559

the summer and then there is a november

1750

01:02:45,990 --> 01:02:43,280

sighting

1751
01:02:48,309 --> 01:02:46,000
which is being reenacted and we're not

1752
01:02:49,750 --> 01:02:48,319
releasing his details yet but there is

1753
01:02:52,230 --> 01:02:49,760
another sighting

1754
01:02:53,029 --> 01:02:52,240
with somebody and then what the one of

1755
01:02:56,789 --> 01:02:53,039
the trailers

1756
01:02:58,549 --> 01:02:56,799
shows is uh steve longero uh who is uh

1757
01:03:00,150 --> 01:02:58,559
went through training with larry warren

1758
01:03:03,190 --> 01:03:00,160
coming forward uh

1759
01:03:05,109 --> 01:03:03,200
saying that he'd seen beams from a uf

1760
01:03:05,670 --> 01:03:05,119
force scanning into the weapon storage

1761
01:03:08,789 --> 01:03:05,680
area

1762
01:03:09,990 --> 01:03:08,799
and significantly he was inside as a

1763
01:03:12,309 --> 01:03:10,000

security policeman

1764

01:03:13,670 --> 01:03:12,319

inside the nuclear weapons storage area

1765

01:03:16,870 --> 01:03:13,680

when this is taking place

1766

01:03:17,510 --> 01:03:16,880

so that is dynamite and as nobody's ever

1767

01:03:19,829 --> 01:03:17,520

said

1768

01:03:20,549 --> 01:03:19,839

to a name nobody's ever put their name

1769

01:03:23,109 --> 01:03:20,559

to it

1770

01:03:24,069 --> 01:03:23,119

has been inside seeing the ufo shining

1771

01:03:26,069 --> 01:03:24,079

it so that's going to

1772

01:03:27,349 --> 01:03:26,079

emerge the full details and that is an

1773

01:03:30,390 --> 01:03:27,359

amazing story

1774

01:03:33,430 --> 01:03:30,400

uh that has got many other aspects to it

1775

01:03:36,150 --> 01:03:33,440

that will be revealed in careful green

1776

01:03:37,670 --> 01:03:36,160

um i just wanted to break in and um ask

1777

01:03:38,870 --> 01:03:37,680

a question that might be a little

1778

01:03:42,230 --> 01:03:38,880

different

1779

01:03:44,150 --> 01:03:42,240

uh moving along jim peniston who is a

1780

01:03:47,589 --> 01:03:44,160

contributor to

1781

01:03:52,390 --> 01:03:47,599

your using you said in the latest

1782

01:03:56,069 --> 01:03:52,400

issue of your publication that

1783

01:03:58,150 --> 01:03:56,079

jim peniston regarding his alleged

1784

01:04:00,789 --> 01:03:58,160

binary code download

1785

01:04:01,589 --> 01:04:00,799

when touching a landed craft on the

1786

01:04:03,349 --> 01:04:01,599

first night

1787

01:04:05,990 --> 01:04:03,359

of the now famous reynoldshim forest

1788

01:04:08,230 --> 01:04:06,000

incident uh you you gave a little bit

1789

01:04:09,270 --> 01:04:08,240
of information regarding that in an

1790

01:04:12,150 --> 01:04:09,280
article you wrote

1791

01:04:13,750 --> 01:04:12,160
can you just share something about that

1792

01:04:15,430 --> 01:04:13,760
because i found that article

1793

01:04:17,270 --> 01:04:15,440
fascinating i didn't want to give too

1794

01:04:19,990 --> 01:04:17,280
much away i was hoping you would share

1795

01:04:21,910 --> 01:04:20,000
you know a little blurb with us about us

1796

01:04:23,750 --> 01:04:21,920
on that topic

1797

01:04:25,029 --> 01:04:23,760
don't know i'm fine to talk about that

1798

01:04:27,990 --> 01:04:25,039
but i think you need to say

1799

01:04:28,390 --> 01:04:28,000
and clarify that it wasn't jim peniston

1800

01:04:31,910 --> 01:04:28,400
who

1801
01:04:35,029 --> 01:04:31,920
did not

1802
01:04:36,549 --> 01:04:35,039
it was gary osborne yeah who is working

1803
01:04:38,870 --> 01:04:36,559
with june peniston

1804
01:04:40,150 --> 01:04:38,880
gary osborne is the guy looking at the

1805
01:04:43,029 --> 01:04:40,160
binary code

1806
01:04:44,950 --> 01:04:43,039
and its implications whatsoever now up

1807
01:04:48,710 --> 01:04:44,960
until this point

1808
01:04:51,990 --> 01:04:48,720
i had uh never uh had any communication

1809
01:04:54,230 --> 01:04:52,000
with uh gary osborne i knew of him and i

1810
01:04:57,510 --> 01:04:54,240
knew that there was a book coming out so

1811
01:05:00,069 --> 01:04:57,520
when uh he i saw him on uh

1812
01:05:00,710 --> 01:05:00,079
a facebook page uh and i sent him a

1813
01:05:02,309 --> 01:05:00,720

message

1814

01:05:04,230 --> 01:05:02,319

i said are you talking about the binary

1815

01:05:05,589 --> 01:05:04,240

chord when's your book coming out blah

1816

01:05:08,789 --> 01:05:05,599

blah blah

1817

01:05:09,750 --> 01:05:08,799

and that then led to what turned out to

1818

01:05:12,470 --> 01:05:09,760

be a very

1819

01:05:13,349 --> 01:05:12,480

lengthy discussion about the binary

1820

01:05:15,349 --> 01:05:13,359

chords

1821

01:05:16,950 --> 01:05:15,359

uh and and it was such a good discussion

1822

01:05:18,150 --> 01:05:16,960

that i thought it should be in the

1823

01:05:19,750 --> 01:05:18,160

magazine because

1824

01:05:22,150 --> 01:05:19,760

i don't really know about the binary

1825

01:05:23,829 --> 01:05:22,160

chords only what i've been told only

1826

01:05:25,270 --> 01:05:23,839

what i've seen in documentaries

1827

01:05:27,750 --> 01:05:25,280

and so i thought this would be

1828

01:05:30,710 --> 01:05:27,760

interesting for my readers

1829

01:05:32,069 --> 01:05:30,720

now uh it's out there and basically it's

1830

01:05:34,710 --> 01:05:32,079

going into the fact

1831

01:05:35,910 --> 01:05:34,720

and he produces many pages of the binary

1832

01:05:39,349 --> 01:05:35,920

the 16 pages

1833

01:05:41,990 --> 01:05:39,359

in total but the binary story

1834

01:05:43,190 --> 01:05:42,000

is controversial from my point of view

1835

01:05:45,589 --> 01:05:43,200

because

1836

01:05:47,589 --> 01:05:45,599

other than jim peniston there is no

1837

01:05:50,630 --> 01:05:47,599

corroborative evidence whatsoever

1838

01:05:51,430 --> 01:05:50,640

to say that he had a download and i

1839

01:05:55,829 --> 01:05:51,440

think that's

1840

01:05:58,230 --> 01:05:55,839

where which is what fascinated me

1841

01:05:59,829 --> 01:05:58,240

to speak with gary and what i said

1842

01:06:02,230 --> 01:05:59,839

during the course

1843

01:06:03,750 --> 01:06:02,240

of the discussion that's in the article

1844

01:06:06,950 --> 01:06:03,760

in the magazine

1845

01:06:10,309 --> 01:06:06,960

is that basically i would recommend

1846

01:06:13,829 --> 01:06:10,319

because it's a standalone story

1847

01:06:14,630 --> 01:06:13,839

no corroboration that that at the very

1848

01:06:18,309 --> 01:06:14,640

least

1849

01:06:19,990 --> 01:06:18,319

jim peniston submits to a polygraph

1850

01:06:21,510 --> 01:06:20,000

examination

1851

01:06:23,829 --> 01:06:21,520

because if he passes that then that

1852

01:06:25,910 --> 01:06:23,839

again is as much as he can do

1853

01:06:27,589 --> 01:06:25,920

uh saying that from his point of view

1854

01:06:28,230 --> 01:06:27,599

it's a real event and that would help

1855

01:06:29,750 --> 01:06:28,240

robert

1856

01:06:32,710 --> 01:06:29,760

that it was a real event that it was not

1857

01:06:33,510 --> 01:06:32,720

made up etc so i recommended that he do

1858

01:06:36,789 --> 01:06:33,520

that

1859

01:06:38,470 --> 01:06:36,799

and also suggested as i think jim has

1860

01:06:41,750 --> 01:06:38,480

already suggested

1861

01:06:44,789 --> 01:06:41,760

uh previously that the paper and ink

1862

01:06:47,510 --> 01:06:44,799

uh should be given over to independent

1863

01:06:49,829 --> 01:06:47,520

ufo researchers to check the edge of the

1864

01:06:52,470 --> 01:06:49,839

ink in the edge of the paper

1865

01:06:53,349 --> 01:06:52,480

now he mentions i think that it was has

1866

01:06:55,910 --> 01:06:53,359

been

1867

01:06:57,430 --> 01:06:55,920

the pocketbook which didn't nobody knew

1868

01:06:59,349 --> 01:06:57,440

about the pocketbook for many years and

1869

01:07:02,390 --> 01:06:59,359

it only turned up in the documentary

1870

01:07:03,829 --> 01:07:02,400

until the mid-2000s uh so

1871

01:07:05,910 --> 01:07:03,839

he never mentioned it and then suddenly

1872

01:07:08,870 --> 01:07:05,920

it's there so again

1873

01:07:09,670 --> 01:07:08,880

uh you need to check and verify the edge

1874

01:07:12,230 --> 01:07:09,680

of the ink

1875

01:07:13,510 --> 01:07:12,240

now that may well be covered in the book

1876
01:07:14,150 --> 01:07:13,520
that's coming out i don't know what's in

1877
01:07:15,750 --> 01:07:14,160
the book

1878
01:07:18,150 --> 01:07:15,760
but it was an interesting discussion i'd

1879
01:07:19,510 --> 01:07:18,160
never had any kind of communication with

1880
01:07:21,910 --> 01:07:19,520
gary osborne before

1881
01:07:23,109 --> 01:07:21,920
but i think a lot of people will be

1882
01:07:26,630 --> 01:07:23,119
fascinated

1883
01:07:28,630 --> 01:07:26,640
to hear about the records i personally

1884
01:07:30,069 --> 01:07:28,640
am very suspicious of them and i will

1885
01:07:32,630 --> 01:07:30,079
i've finally said that

1886
01:07:34,789 --> 01:07:32,640
because they're a standalone account and

1887
01:07:37,670 --> 01:07:34,799
without any kind of cooperation

1888
01:07:38,710 --> 01:07:37,680

whereas if we try people try to say that

1889

01:07:40,230 --> 01:07:38,720

larry warren

1890

01:07:42,230 --> 01:07:40,240

wasn't in the field that night well you

1891

01:07:43,029 --> 01:07:42,240

best tell that to steve longero we saw

1892

01:07:45,029 --> 01:07:43,039

him out there

1893

01:07:46,230 --> 01:07:45,039

and arrived at the base with him and uh

1894

01:07:47,270 --> 01:07:46,240

did the training with him i think he

1895

01:07:49,430 --> 01:07:47,280

would recognize him

1896

01:07:51,270 --> 01:07:49,440

if he saw him in the forest and he did

1897

01:07:53,510 --> 01:07:51,280

so that kind of ends that one

1898

01:07:55,349 --> 01:07:53,520

uh but adrian bustenza put larry warren

1899

01:07:56,069 --> 01:07:55,359

there on many occasions so we'll talk

1900

01:07:57,910 --> 01:07:56,079

about

1901
01:07:59,270 --> 01:07:57,920
the level of corroboration other people

1902
01:08:01,990 --> 01:07:59,280
have put in there as well

1903
01:08:03,190 --> 01:08:02,000
so there is corroboration ferrari warren

1904
01:08:06,470 --> 01:08:03,200
being there

1905
01:08:07,109 --> 01:08:06,480
unfortunately jim's story is that's the

1906
01:08:09,029 --> 01:08:07,119
problem

1907
01:08:10,230 --> 01:08:09,039
i'm sorry reject i had kind of a

1908
01:08:12,470 --> 01:08:10,240
different question

1909
01:08:14,150 --> 01:08:12,480
um and that is regarding the

1910
01:08:16,229 --> 01:08:14,160
authenticity of something since we're

1911
01:08:17,829 --> 01:08:16,239
talking about that idea

1912
01:08:20,870 --> 01:08:17,839
jim penniston brought up something

1913
01:08:24,870 --> 01:08:20,880

interesting not that long ago

1914

01:08:28,550 --> 01:08:24,880

uh i did a post regarding um aatip

1915

01:08:32,309 --> 01:08:28,560

videos and regarding one of them

1916

01:08:34,550 --> 01:08:32,319

jim said the film clip is doctored

1917

01:08:35,510 --> 01:08:34,560

and he said that he felt the object on

1918

01:08:38,789 --> 01:08:35,520

the nose cam

1919

01:08:39,349 --> 01:08:38,799

had been masked and in other words he

1920

01:08:42,630 --> 01:08:39,359

feels

1921

01:08:46,390 --> 01:08:42,640

like the aatip videos one

1922

01:08:49,510 --> 01:08:46,400

of them at least is either a hoax

1923

01:08:51,669 --> 01:08:49,520

or a disinformation attempt now

1924

01:08:52,709 --> 01:08:51,679

it's not so much that it's jim peniston

1925

01:08:55,030 --> 01:08:52,719

saying that

1926

01:08:57,030 --> 01:08:55,040

but it's a good example of somebody who

1927

01:09:00,309 --> 01:08:57,040

has a high profile

1928

01:09:02,950 --> 01:09:00,319

in the ufo community who is

1929

01:09:04,789 --> 01:09:02,960

pointing out that one of these videos

1930

01:09:07,990 --> 01:09:04,799

that people really rely on

1931

01:09:10,149 --> 01:09:08,000

for information from the government

1932

01:09:13,430 --> 01:09:10,159

regarding a uap

1933

01:09:17,829 --> 01:09:13,440

interaction with the military could be

1934

01:09:20,870 --> 01:09:17,839

a hoax do you feel the aatip videos

1935

01:09:23,749 --> 01:09:20,880

one or all are hoaxed

1936

01:09:24,470 --> 01:09:23,759

well i certainly i i don't have it i'm

1937

01:09:26,550 --> 01:09:24,480

not aware

1938

01:09:28,229 --> 01:09:26,560

that he said that but my reaction to

1939

01:09:30,309 --> 01:09:28,239

that would be well

1940

01:09:32,149 --> 01:09:30,319

i think there is clear evidence to say

1941

01:09:32,789 --> 01:09:32,159

that the three that have been released

1942

01:09:34,870 --> 01:09:32,799

were

1943

01:09:35,829 --> 01:09:34,880

put through the pentagon release system

1944

01:09:39,349 --> 01:09:35,839

so do

1945

01:09:41,749 --> 01:09:39,359

appear to be official certainly the

1946

01:09:42,870 --> 01:09:41,759

best case that's of the videos that's

1947

01:09:45,510 --> 01:09:42,880

come out is the one

1948

01:09:47,669 --> 01:09:45,520

involved in the uss nimitz uh and

1949

01:09:49,269 --> 01:09:47,679

commander david fravar the pilot who has

1950

01:09:51,269 --> 01:09:49,279

done multiple interviews

1951

01:09:52,550 --> 01:09:51,279

uh and now he's even turning up at ufo

1952

01:09:55,430 --> 01:09:52,560

conferences uh

1953

01:09:56,149 --> 01:09:55,440

and i think that the recently the nimitz

1954

01:09:59,270 --> 01:09:56,159

uh

1955

01:10:02,390 --> 01:09:59,280

um special effects video that

1956

01:10:02,709 --> 01:10:02,400

mr beatty put out recently was superb

1957

01:10:10,390 --> 01:10:02,719

the

1958

01:10:12,950 --> 01:10:10,400

that uh nimitz incidents into focus

1959

01:10:14,310 --> 01:10:12,960

about the tic-tac so i have no doubt

1960

01:10:17,110 --> 01:10:14,320

that the tic-tac incident

1961

01:10:18,630 --> 01:10:17,120

is real and and that is a major major

1962

01:10:19,590 --> 01:10:18,640

case because of the caliber of the

1963

01:10:22,310 --> 01:10:19,600

people involved

1964

01:10:24,070 --> 01:10:22,320

i've not heard that the other videos uh

1965

01:10:24,950 --> 01:10:24,080

are hoaxes and you would hope that they

1966

01:10:27,510 --> 01:10:24,960

are not

1967

01:10:29,510 --> 01:10:27,520

uh because that would undermine the

1968

01:10:30,470 --> 01:10:29,520

credibility of louise elizondo and all

1969

01:10:32,470 --> 01:10:30,480

the other people

1970

01:10:34,310 --> 01:10:32,480

at the to the stars of canon academy et

1971

01:10:36,310 --> 01:10:34,320

cetera so let's hope not

1972

01:10:38,390 --> 01:10:36,320

yeah just uh for your information that

1973

01:10:41,430 --> 01:10:38,400

we've had dave on the show uh uh

1974

01:10:43,590 --> 01:10:41,440

three times actually and uh he does feel

1975

01:10:45,430 --> 01:10:43,600

that he has nailed down that that

1976

01:10:46,870 --> 01:10:45,440

the two videos that you're talking about

1977

01:10:49,750 --> 01:10:46,880

were actually from uh

1978

01:10:50,550 --> 01:10:49,760

the same incident on the east coast of

1979

01:10:53,110 --> 01:10:50,560

the us

1980

01:10:54,630 --> 01:10:53,120

in 2015. so he feels he's got that

1981

01:10:57,990 --> 01:10:54,640

nailed down

1982

01:11:01,110 --> 01:10:58,000

excuse me but he's still not 100

1983

01:11:02,790 --> 01:11:01,120

sure if the audio that is included is

1984

01:11:03,910 --> 01:11:02,800

legitimate so that's where he's at on

1985

01:11:05,830 --> 01:11:03,920

that and he's looked at it

1986

01:11:08,950 --> 01:11:05,840

probably as close as anyone just just so

1987

01:11:10,709 --> 01:11:08,960

you know yeah no i i appreciate that i i

1988

01:11:11,270 --> 01:11:10,719

mean all i can say is that the special

1989

01:11:13,750 --> 01:11:11,280

effects

1990

01:11:15,430 --> 01:11:13,760

that he's uh the the animation that he

1991

01:11:17,669 --> 01:11:15,440

put together to bring the tic tac

1992

01:11:21,270 --> 01:11:17,679

incident to life was amazing

1993

01:11:23,110 --> 01:11:21,280

and uh i i i failed to see how anybody

1994

01:11:25,669 --> 01:11:23,120

could not be impressed by that if they

1995

01:11:27,110 --> 01:11:25,679

watch it and uh also uh

1996

01:11:29,110 --> 01:11:27,120

an additional step that he did he

1997

01:11:30,229 --> 01:11:29,120

actually got kevin day who was the radar

1998

01:11:32,870 --> 01:11:30,239

operator

1999

01:11:34,070 --> 01:11:32,880

on the uh on the princeton that was part

2000

01:11:36,310 --> 01:11:34,080

of that naval group

2001
01:11:37,910 --> 01:11:36,320
uh to help out with the voice overs and

2002
01:11:39,030 --> 01:11:37,920
help a little bit with the dialogue to

2003
01:11:39,990 --> 01:11:39,040
add a little bit of additional

2004
01:11:43,910 --> 01:11:40,000
authenticity

2005
01:11:47,270 --> 01:11:43,920
it was fantastic absolutely superb

2006
01:11:48,950 --> 01:11:47,280
and full credit and we need people uh

2007
01:11:50,310 --> 01:11:48,960
with those skills to bring these

2008
01:11:52,229 --> 01:11:50,320
incidents to life and

2009
01:11:53,750 --> 01:11:52,239
and that's in a sense actually moves

2010
01:11:56,229 --> 01:11:53,760
back to capital green

2011
01:11:58,229 --> 01:11:56,239
because for the very first time based on

2012
01:12:00,630 --> 01:11:58,239
actual witness descriptions

2013
01:12:02,390 --> 01:12:00,640

we are using top special effects to

2014

01:12:03,990 --> 01:12:02,400

bring these incidents to life

2015

01:12:06,390 --> 01:12:04,000

in a way that they've never been done in

2016

01:12:10,630 --> 01:12:06,400

documentaries before and i think

2017

01:12:12,870 --> 01:12:10,640

when you see uh the many many different

2018

01:12:14,870 --> 01:12:12,880

types of objects that were seen and

2019

01:12:15,189 --> 01:12:14,880

there are quite a lot of commonalities

2020

01:12:20,149 --> 01:12:15,199

the

2021

01:12:21,430 --> 01:12:20,159

ball size object crops up several times

2022

01:12:24,229 --> 01:12:21,440

throughout the documentary

2023

01:12:25,030 --> 01:12:24,239

from different military witnesses uh you

2024

01:12:27,030 --> 01:12:25,040

know we

2025

01:12:29,189 --> 01:12:27,040

when you see them brought to light how

2026

01:12:31,430 --> 01:12:29,199

anybody can still talk about

2027

01:12:33,110 --> 01:12:31,440

it's a lighthouse you'll see how

2028

01:12:36,149 --> 01:12:33,120

ludicrous that always was

2029

01:12:38,870 --> 01:12:36,159

but one of my main aims

2030

01:12:40,550 --> 01:12:38,880

is to challenge the the way the

2031

01:12:42,630 --> 01:12:40,560

mainstream media

2032

01:12:45,110 --> 01:12:42,640

have portrayed the rendering case

2033

01:12:48,149 --> 01:12:45,120

because there is a lot more information

2034

01:12:49,510 --> 01:12:48,159

old and new that has never ever featured

2035

01:12:52,870 --> 01:12:49,520

in documentaries

2036

01:12:56,550 --> 01:12:52,880

because it's tv driven money driven

2037

01:12:58,550 --> 01:12:56,560

tv ufo bias driven and they only tell

2038

01:13:00,790 --> 01:12:58,560

part of the story they don't give people

2039

01:13:02,870 --> 01:13:00,800

the facts so what i promise people

2040

01:13:04,950 --> 01:13:02,880

and i'll say again on air i've done it

2041

01:13:06,790 --> 01:13:04,960

on every show is i'll make a pledge that

2042

01:13:08,709 --> 01:13:06,800

you'll get more information

2043

01:13:10,950 --> 01:13:08,719

about reynolds room than has ever been

2044

01:13:13,110 --> 01:13:10,960

put out in any documentary ever

2045

01:13:15,590 --> 01:13:13,120

and there is a lot of new information

2046

01:13:17,510 --> 01:13:15,600

and a lot of important old information

2047

01:13:19,270 --> 01:13:17,520

that i'm not going to go into now that

2048

01:13:21,030 --> 01:13:19,280

is relevant that should have been put

2049

01:13:23,590 --> 01:13:21,040

out there by the mainstream

2050

01:13:24,310 --> 01:13:23,600

and they haven't done it so that begs

2051
01:13:27,590 --> 01:13:24,320
the question

2052
01:13:28,390 --> 01:13:27,600
why are investigated journalists best

2053
01:13:29,750 --> 01:13:28,400
evidence

2054
01:13:31,990 --> 01:13:29,760
and i think anybody who knows the

2055
01:13:34,070 --> 01:13:32,000
subject closely and followed it over

2056
01:13:35,030 --> 01:13:34,080
many years we'll say that there is a

2057
01:13:37,110 --> 01:13:35,040
cover-up

2058
01:13:38,470 --> 01:13:37,120
involved in the mainstream media and i

2059
01:13:40,149 --> 01:13:38,480
absolutely buy into that

2060
01:13:41,750 --> 01:13:40,159
it is a cover-up and you have not been

2061
01:13:43,430 --> 01:13:41,760
told everything that you should have

2062
01:13:45,910 --> 01:13:43,440
been told about reynolds

2063
01:13:47,350 --> 01:13:45,920

gary to the stars academy the public

2064

01:13:51,270 --> 01:13:47,360

benefit corporation

2065

01:13:56,149 --> 01:13:53,990

they have announced their flagship

2066

01:13:58,390 --> 01:13:56,159

research project known as adam

2067

01:14:00,470 --> 01:13:58,400

which stands for acquisition and data

2068

01:14:03,750 --> 01:14:00,480

analysis of materials

2069

01:14:06,790 --> 01:14:03,760

to collect and evaluate material samples

2070

01:14:09,510 --> 01:14:06,800

from crashed ufos

2071

01:14:10,470 --> 01:14:09,520

the meta materials that they are

2072

01:14:13,590 --> 01:14:10,480

collecting

2073

01:14:15,189 --> 01:14:13,600

allegedly is being headed up by dr hal

2074

01:14:17,030 --> 01:14:15,199

put off whom you know

2075

01:14:18,550 --> 01:14:17,040

uh very well regarding you know who he

2076

01:14:21,590 --> 01:14:18,560

is and

2077

01:14:23,350 --> 01:14:21,600

his history and i wanted to know do you

2078

01:14:26,310 --> 01:14:23,360

feel like this year or

2079

01:14:27,510 --> 01:14:26,320

in the coming months or anytime soon uh

2080

01:14:29,510 --> 01:14:27,520

ttsa

2081

01:14:31,030 --> 01:14:29,520

or any organization including the

2082

01:14:34,790 --> 01:14:31,040

government or any

2083

01:14:37,110 --> 01:14:34,800

government around the world

2084

01:14:37,910 --> 01:14:37,120

will come up with anything with regards

2085

01:14:42,709 --> 01:14:37,920

to uap

2086

01:14:46,070 --> 01:14:42,719

fragments or exotic alloys of any kind

2087

01:14:48,550 --> 01:14:46,080

uh i think that what we can

2088

01:14:49,830 --> 01:14:48,560

do now is that bigelow has effectively

2089

01:14:52,229 --> 01:14:49,840

collected a lot of

2090

01:14:54,870 --> 01:14:52,239

material from all over the world i

2091

01:15:01,830 --> 01:14:58,709

and uh the question is when is he gonna

2092

01:15:05,430 --> 01:15:01,840

really up the ante and release that

2093

01:15:08,070 --> 01:15:05,440

the the analysis reports uh to the world

2094

01:15:09,350 --> 01:15:08,080

if he has lots of material and they have

2095

01:15:11,910 --> 01:15:09,360

got some incredible

2096

01:15:12,550 --> 01:15:11,920

analysis reports that say these things

2097

01:15:15,830 --> 01:15:12,560

are

2098

01:15:17,750 --> 01:15:15,840

earth

2099

01:15:19,270 --> 01:15:17,760

they're put together in a way that we

2100

01:15:21,750 --> 01:15:19,280

can't replicate on earth

2101
01:15:22,790 --> 01:15:21,760
then my personal opinion is that we

2102
01:15:24,470 --> 01:15:22,800
should be moving

2103
01:15:25,990 --> 01:15:24,480
to a stage where there is a big

2104
01:15:27,990 --> 01:15:26,000
announcement he's a billionaire

2105
01:15:30,229 --> 01:15:28,000
he can surely get a lot of publicity if

2106
01:15:32,310 --> 01:15:30,239
he wants to push this forward

2107
01:15:34,790 --> 01:15:32,320
i do sense that something is is

2108
01:15:37,910 --> 01:15:34,800
happening on the disclosure front

2109
01:15:38,790 --> 01:15:37,920
and uh it's amazing how louise alizonda

2110
01:15:40,550 --> 01:15:38,800
just came out

2111
01:15:42,470 --> 01:15:40,560
from the woodwork and we suddenly find

2112
01:15:42,950 --> 01:15:42,480
that there'd been this five-year secret

2113
01:15:44,870 --> 01:15:42,960

program

2114

01:15:46,070 --> 01:15:44,880

i suspect there are many other special

2115

01:15:49,750 --> 01:15:46,080

access programs

2116

01:15:51,910 --> 01:15:49,760

uh uh dr put off did an

2117

01:15:53,270 --> 01:15:51,920

incredible address a few months ago

2118

01:15:55,510 --> 01:15:53,280

sometime last year

2119

01:15:57,350 --> 01:15:55,520

and the things he's talking about this

2120

01:15:59,590 --> 01:15:57,360

which we featured in the magazine

2121

01:16:01,110 --> 01:15:59,600

was like reading science fiction but

2122

01:16:03,350 --> 01:16:01,120

it's all stuff that he'd worked

2123

01:16:05,510 --> 01:16:03,360

on so i think for somebody of his

2124

01:16:08,709 --> 01:16:05,520

stature to be going public

2125

01:16:11,669 --> 01:16:08,719

and making these kind of comments

2126
01:16:12,630 --> 01:16:11,679
says that we are moving towards a time

2127
01:16:15,669 --> 01:16:12,640
where

2128
01:16:18,229 --> 01:16:15,679
um we're probably getting

2129
01:16:18,950 --> 01:16:18,239
towards a real disclosure sooner rather

2130
01:16:20,870 --> 01:16:18,960
than later

2131
01:16:22,709 --> 01:16:20,880
and what i mean by that is within five

2132
01:16:24,149 --> 01:16:22,719
years okay well

2133
01:16:25,830 --> 01:16:24,159
there's all kinds of scientific

2134
01:16:28,790 --> 01:16:25,840
applications regarding

2135
01:16:29,830 --> 01:16:28,800
metamaterials one of them is cloaking do

2136
01:16:32,070 --> 01:16:29,840
you feel like

2137
01:16:34,070 --> 01:16:32,080
any government around the world has

2138
01:16:35,830 --> 01:16:34,080

access to that kind of technology

2139

01:16:38,470 --> 01:16:35,840

if not cloaking any other kind with

2140

01:16:41,910 --> 01:16:38,480

regards to metamaterial discoveries

2141

01:16:45,510 --> 01:16:41,920

i think the real answer to that is

2142

01:16:48,229 --> 01:16:45,520

the the ufo field that we know about

2143

01:16:49,510 --> 01:16:48,239

i would estimate we only know 10 percent

2144

01:16:52,709 --> 01:16:49,520

in the public domain

2145

01:16:54,870 --> 01:16:52,719

worldwide that means in the secret world

2146

01:16:58,149 --> 01:16:54,880

of governments and intelligence services

2147

01:17:01,110 --> 01:16:58,159

and intelligence research there is 90

2148

01:17:03,750 --> 01:17:01,120

we don't know and i suspect we do have

2149

01:17:06,709 --> 01:17:03,760

man-made recovered retrieved

2150

01:17:07,430 --> 01:17:06,719

uh ufos for one of a better expression

2151
01:17:11,590 --> 01:17:07,440
we may have

2152
01:17:13,910 --> 01:17:11,600
space plate but as yet

2153
01:17:14,709 --> 01:17:13,920
we don't have the accumulative evidence

2154
01:17:16,709 --> 01:17:14,719
to prove it

2155
01:17:18,149 --> 01:17:16,719
in the public domain i think a lot of

2156
01:17:19,189 --> 01:17:18,159
people who've researched this subject

2157
01:17:21,350 --> 01:17:19,199
for a long time

2158
01:17:22,790 --> 01:17:21,360
will think and suspect that there is a

2159
01:17:24,790 --> 01:17:22,800
secret space program

2160
01:17:26,390 --> 01:17:24,800
but we've just not been told it to what

2161
01:17:27,830 --> 01:17:26,400
level who knows

2162
01:17:30,310 --> 01:17:27,840
but do we think that there is other

2163
01:17:31,830 --> 01:17:30,320

things going on and that maybe nasa is

2164

01:17:34,149 --> 01:17:31,840

just a front for other

2165

01:17:35,510 --> 01:17:34,159

uh research going on in the moon mars

2166

01:17:37,189 --> 01:17:35,520

etc who knows

2167

01:17:38,550 --> 01:17:37,199

but i think a lot of people suspect that

2168

01:17:41,830 --> 01:17:38,560

there are programs

2169

01:17:43,750 --> 01:17:41,840

um in the secret domain

2170

01:17:45,510 --> 01:17:43,760

i have no doubt that we've probably

2171

01:17:47,110 --> 01:17:45,520

harnessed maybe antigravity

2172

01:17:49,510 --> 01:17:47,120

and we have made some reproduction

2173

01:17:52,229 --> 01:17:49,520

models but however not on the

2174

01:17:53,430 --> 01:17:52,239

scale of people say the tr-3b everybody

2175

01:17:56,709 --> 01:17:53,440

mentions a triangular

2176
01:17:58,470 --> 01:17:56,719
ufo sighting or tr3b well we may have a

2177
01:18:00,709 --> 01:17:58,480
tr-3b i don't know

2178
01:18:02,870 --> 01:18:00,719
but i don't think there are many and you

2179
01:18:03,750 --> 01:18:02,880
certainly not have them over in low over

2180
01:18:06,709 --> 01:18:03,760
cities

2181
01:18:08,310 --> 01:18:06,719
uh like many police officers reported to

2182
01:18:10,390 --> 01:18:08,320
me even in the uk

2183
01:18:11,990 --> 01:18:10,400
objects the size of a football field in

2184
01:18:13,990 --> 01:18:12,000
one case two officers

2185
01:18:15,669 --> 01:18:14,000
told me an object the size of three

2186
01:18:17,910 --> 01:18:15,679
football fields black triangle

2187
01:18:19,590 --> 01:18:17,920
silent just over some trees and i said

2188
01:18:20,470 --> 01:18:19,600

how do you know it was the size of three

2189

01:18:22,310 --> 01:18:20,480

football fields

2190

01:18:28,310 --> 01:18:22,320

and he says because when we saw it it

2191

01:18:32,470 --> 01:18:30,310

description so if these things are

2192

01:18:34,709 --> 01:18:32,480

around i think most bt

2193

01:18:36,790 --> 01:18:34,719

i think they have the ability to cloak

2194

01:18:38,790 --> 01:18:36,800

and unclog forms of a better phrase

2195

01:18:40,790 --> 01:18:38,800

at will uh they have harnessed

2196

01:18:43,750 --> 01:18:40,800

technology far beyond ours

2197

01:18:45,510 --> 01:18:43,760

i think in terms of space we're a bit

2198

01:18:47,430 --> 01:18:45,520

like the ant in the playground

2199

01:18:49,590 --> 01:18:47,440

we think that we're pretty clever but in

2200

01:18:50,070 --> 01:18:49,600

reality we're at a very early stage of

2201

01:18:52,229 --> 01:18:50,080

our

2202

01:18:54,149 --> 01:18:52,239

cosmic awareness and we're the ant in

2203

01:18:54,630 --> 01:18:54,159

the playground and do we talk to ants no

2204

01:18:56,630 --> 01:18:54,640

we don't

2205

01:18:57,750 --> 01:18:56,640

because we think we're far superior to

2206

01:19:00,870 --> 01:18:57,760

an ant

2207

01:19:02,630 --> 01:19:00,880

what if they think the same and so

2208

01:19:04,550 --> 01:19:02,640

thank you for answering that a different

2209

01:19:07,990 --> 01:19:04,560

question that is

2210

01:19:09,510 --> 01:19:08,000

uh okay it's a little complicated i'll

2211

01:19:11,270 --> 01:19:09,520

go ahead and start off by saying this

2212

01:19:14,390 --> 01:19:11,280

stanton friedman a friend of yours

2213

01:19:16,870 --> 01:19:14,400

and retired nuclear physicist uh

2214

01:19:18,870 --> 01:19:16,880

iconic individual in the ufology

2215

01:19:20,709 --> 01:19:18,880

community he's researched the mj12

2216

01:19:22,070 --> 01:19:20,719

documents he's an expert on them he

2217

01:19:24,950 --> 01:19:22,080

studied them for decades

2218

01:19:27,030 --> 01:19:24,960

now and he first became aware of them

2219

01:19:28,470 --> 01:19:27,040

from william moore and jamie shandera in

2220

01:19:30,790 --> 01:19:28,480

1984.

2221

01:19:31,590 --> 01:19:30,800

he's concluded that a few of the mj-12

2222

01:19:34,870 --> 01:19:31,600

documents

2223

01:19:38,390 --> 01:19:34,880

are probably authentic

2224

01:19:41,510 --> 01:19:38,400

recently michael w hall the attorney for

2225

01:19:43,270 --> 01:19:41,520

uh grant cameron revealed on a show uh

2226

01:19:43,830 --> 01:19:43,280

for the first time and it just so

2227

01:19:47,669 --> 01:19:43,840

happened

2228

01:19:50,229 --> 01:19:47,679

that frank and i were on that show uh

2229

01:19:51,430 --> 01:19:50,239

that grant cameron had come into

2230

01:19:54,870 --> 01:19:51,440

possession

2231

01:19:57,910 --> 01:19:54,880

of documents that were not classified

2232

01:19:59,270 --> 01:19:57,920

at all and he believes that they are

2233

01:20:02,630 --> 01:19:59,280

authentic

2234

01:20:05,990 --> 01:20:02,640

mj 12 documents do you believe

2235

01:20:07,669 --> 01:20:06,000

in mj 12 documentation

2236

01:20:09,750 --> 01:20:07,679

i have not done the research that

2237

01:20:11,510 --> 01:20:09,760

stanton has but i've spoken at length

2238

01:20:12,310 --> 01:20:11,520

with stanton about this and we are good

2239

01:20:14,470 --> 01:20:12,320

friends

2240

01:20:16,070 --> 01:20:14,480

uh and we've we've met many times over

2241

01:20:18,870 --> 01:20:16,080

the years and became good friends

2242

01:20:19,669 --> 01:20:18,880

and i really really admire the man uh

2243

01:20:21,910 --> 01:20:19,679

he's a legend

2244

01:20:23,590 --> 01:20:21,920

uh on he's done the research and they

2245

01:20:25,669 --> 01:20:23,600

think he told me that he believed that

2246

01:20:29,189 --> 01:20:25,679

four of the documents were authentic

2247

01:20:30,390 --> 01:20:29,199

yeah and and christ why am i gonna

2248

01:20:32,629 --> 01:20:30,400

criticize or

2249

01:20:34,229 --> 01:20:32,639

uh go against what stanton freeman said

2250

01:20:36,870 --> 01:20:34,239

he was a he's an archivist

2251

01:20:38,390 --> 01:20:36,880

he knows his documents uh well and

2252

01:20:40,390 --> 01:20:38,400

probably better than any man in the

2253

01:20:42,070 --> 01:20:40,400

in the world in ufology and if he said

2254

01:20:44,550 --> 01:20:42,080

that for a genuine then i believe

2255

01:20:46,870 --> 01:20:44,560

stanton's right uh do i believe

2256

01:20:47,910 --> 01:20:46,880

generally that there is an mj-12 or that

2257

01:20:50,470 --> 01:20:47,920

kind of structure

2258

01:20:52,629 --> 01:20:50,480

absolutely and if i think that roswell

2259

01:20:53,830 --> 01:20:52,639

was real as an e.t recovered craft which

2260

01:20:56,870 --> 01:20:53,840

i do

2261

01:20:58,470 --> 01:20:56,880

then i think that 1947 the creation of

2262

01:21:00,550 --> 01:20:58,480

certain agencies

2263

01:21:02,870 --> 01:21:00,560

that was done very quickly in light of

2264

01:21:05,110 --> 01:21:02,880

the recovery of what went on there

2265

01:21:06,950 --> 01:21:05,120

then i think it all makes sense that

2266

01:21:09,510 --> 01:21:06,960

there would be a secret group

2267

01:21:10,950 --> 01:21:09,520

and so inevitably there will be some

2268

01:21:14,390 --> 01:21:10,960

documentation

2269

01:21:15,030 --> 01:21:14,400

um so whether it was called majestic who

2270

01:21:16,790 --> 01:21:15,040

knows

2271

01:21:18,870 --> 01:21:16,800

but there would probably almost

2272

01:21:22,229 --> 01:21:18,880

certainly if that scenario

2273

01:21:25,270 --> 01:21:22,239

did occur i think certain organizations

2274

01:21:27,270 --> 01:21:25,280

and a very clandestine group a secret

2275

01:21:28,470 --> 01:21:27,280

group would have been created to try to

2276

01:21:31,990 --> 01:21:28,480

control

2277

01:21:34,070 --> 01:21:32,000

what was then an incredible discovery

2278

01:21:36,550 --> 01:21:34,080

at a time just after the second world

2279

01:21:38,709 --> 01:21:36,560

war and i would say this as well that

2280

01:21:40,709 --> 01:21:38,719

at the time i think they had every right

2281

01:21:43,830 --> 01:21:40,719

to keep it secret

2282

01:21:46,950 --> 01:21:43,840

my argument would be that once the

2283

01:21:49,350 --> 01:21:46,960

soviet union collapsed uh the

2284

01:21:50,229 --> 01:21:49,360

the end of that era then they should

2285

01:21:52,709 --> 01:21:50,239

have released all

2286

01:21:53,830 --> 01:21:52,719

and gone and and and gone public with

2287

01:21:57,030 --> 01:21:53,840

what they really know about

2288

01:21:58,550 --> 01:21:57,040

e.t uh i did have another question do

2289

01:22:01,590 --> 01:21:58,560

you feel society

2290

01:22:03,030 --> 01:22:01,600

uh and if you don't mind i've i

2291

01:22:04,470 --> 01:22:03,040

i normally don't ask people to do this

2292

01:22:06,070 --> 01:22:04,480

but if you could keep your answer brief

2293

01:22:07,750 --> 01:22:06,080

because i have another question for you

2294

01:22:09,830 --> 01:22:07,760

right after this one and that is

2295

01:22:10,870 --> 01:22:09,840

do you feel gary's society's evolved to

2296

01:22:12,310 --> 01:22:10,880

the point where it feels there's

2297

01:22:13,510 --> 01:22:12,320

extraterrestrial activity and they're

2298

01:22:14,950 --> 01:22:13,520

more willing to acknowledge the

2299

01:22:20,709 --> 01:22:14,960

possibility of it

2300

01:22:22,870 --> 01:22:20,719

yes okay that's fantastic thank you

2301

01:22:24,790 --> 01:22:22,880

okay the other question i have for you

2302

01:22:26,229 --> 01:22:24,800

is how long have you felt there could be

2303

01:22:28,070 --> 01:22:26,239

the presence or possibility of

2304

01:22:30,709 --> 01:22:28,080

extraterrestrial civilizations

2305

01:22:32,149 --> 01:22:30,719

and what was the defining moment in your

2306

01:22:35,270 --> 01:22:32,159

life that convinced you

2307

01:22:36,629 --> 01:22:35,280

extraterrestrial civilizations exist so

2308

01:22:38,470 --> 01:22:36,639

how long you felt there could be the

2309

01:22:40,070 --> 01:22:38,480

presence of e.t civilizations

2310

01:22:41,830 --> 01:22:40,080

and what was the defining moment in your

2311

01:22:43,430 --> 01:22:41,840

life and that allowed you to believe

2312

01:22:46,629 --> 01:22:43,440

that

2313

01:22:49,430 --> 01:22:46,639

i had a sighting when i was 16 of

2314

01:22:50,070 --> 01:22:49,440

an object that appeared to trigger a

2315

01:22:52,070 --> 01:22:50,080

number of

2316

01:22:53,110 --> 01:22:52,080

power grid failures in the area where i

2317

01:22:55,430 --> 01:22:53,120

lived

2318

01:22:57,430 --> 01:22:55,440

i moved a mile approximately from one

2319

01:22:58,950 --> 01:22:57,440

position to a second position following

2320

01:23:01,110 --> 01:22:58,960

a light in the sky

2321

01:23:02,709 --> 01:23:01,120

just a bright white light nothing

2322

01:23:04,950 --> 01:23:02,719

spaceship or anything like that

2323

01:23:06,550 --> 01:23:04,960

but then uh when i reached my home

2324

01:23:09,030 --> 01:23:06,560

having moved a mile

2325

01:23:10,629 --> 01:23:09,040

uh the object passed over the roof top

2326

01:23:11,350 --> 01:23:10,639

of my house i was in the bottom of the

2327

01:23:14,149 --> 01:23:11,360

garden

2328

01:23:15,830 --> 01:23:14,159

i looked back at my house put my arm up

2329

01:23:18,149 --> 01:23:15,840

as if i'm answering the question

2330

01:23:20,229 --> 01:23:18,159

in the school room answering a question

2331

01:23:23,110 --> 01:23:20,239

and as soon as the object went

2332

01:23:24,550 --> 01:23:23,120

beyond the 90 degrees of my arm i saw

2333

01:23:25,669 --> 01:23:24,560

effectively i was then behind the

2334

01:23:27,990 --> 01:23:25,679

object's flight path

2335

01:23:29,189 --> 01:23:28,000

the whole area was plunged into darkness

2336

01:23:31,669 --> 01:23:29,199

and at that point there

2337

01:23:33,750 --> 01:23:31,679

i said to myself having moved to a

2338

01:23:36,550 --> 01:23:33,760

second geographical position

2339

01:23:38,390 --> 01:23:36,560

how could i have predicted a power cut

2340

01:23:40,390 --> 01:23:38,400

that object whatever it was

2341

01:23:42,070 --> 01:23:40,400

must have interacted with the power grid

2342

01:23:42,790 --> 01:23:42,080

and that's where my interest stemmed

2343

01:23:45,189 --> 01:23:42,800

from

2344

01:23:46,070 --> 01:23:45,199

but i didn't get involved into active

2345

01:23:48,790 --> 01:23:46,080

research

2346

01:23:50,709 --> 01:23:48,800

until i was 42 when i went public with

2347

01:23:52,310 --> 01:23:50,719

the launch of the police database

2348

01:23:54,229 --> 01:23:52,320

uh but i think the evidence is

2349

01:23:55,350 --> 01:23:54,239

cumulative worldwide if you look at the

2350

01:23:57,830 --> 01:23:55,360

best evidence

2351
01:23:59,430 --> 01:23:57,840
uh from especially from pilots one of my

2352
01:24:02,390 --> 01:23:59,440
favorite cases

2353
01:24:03,270 --> 01:24:02,400
uh military pilots like commander david

2354
01:24:05,030 --> 01:24:03,280
fravor

2355
01:24:06,709 --> 01:24:05,040
why are these people going to lie why

2356
01:24:09,669 --> 01:24:06,719
they're going to go public

2357
01:24:10,950 --> 01:24:09,679
and then we now have the ability through

2358
01:24:13,430 --> 01:24:10,960
animation and

2359
01:24:14,149 --> 01:24:13,440
computer graphics to bring these cases

2360
01:24:16,709 --> 01:24:14,159
to life

2361
01:24:17,590 --> 01:24:16,719
right from the 40s so when i delved into

2362
01:24:21,189 --> 01:24:17,600
the history

2363
01:24:23,270 --> 01:24:21,199

and saw that pilots were chasing ufos

2364

01:24:25,189 --> 01:24:23,280

right through the second world war and

2365

01:24:26,950 --> 01:24:25,199

in fact there's two incidents that not

2366

01:24:29,590 --> 01:24:26,960

really well known

2367

01:24:30,709 --> 01:24:29,600

that we talk about foo fighters during

2368

01:24:33,189 --> 01:24:30,719

the second world war

2369

01:24:34,550 --> 01:24:33,199

as balls of light but they weren't only

2370

01:24:36,149 --> 01:24:34,560

just balls of light

2371

01:24:38,709 --> 01:24:36,159

uh there are two sightings that the

2372

01:24:40,950 --> 01:24:38,719

british had the crew of the like two

2373

01:24:42,709 --> 01:24:40,960

crews of a lancaster bomber which was a

2374

01:24:43,750 --> 01:24:42,719

four-engine bomber a big bomber of the

2375

01:24:47,750 --> 01:24:43,760

second world war

2376

01:24:52,310 --> 01:24:47,760

two crews in 1944 and 1942

2377

01:24:53,030 --> 01:24:52,320

saw huge metallic circular disc shaped

2378

01:24:55,430 --> 01:24:53,040

objects

2379

01:24:56,390 --> 01:24:55,440

flying alongside their aircraft that

2380

01:24:58,390 --> 01:24:56,400

were the

2381

01:24:59,830 --> 01:24:58,400

the dwarf their planes are like four or

2382

01:25:01,990 --> 01:24:59,840

five times the size

2383

01:25:03,110 --> 01:25:02,000

of what was a large bomber of the second

2384

01:25:05,910 --> 01:25:03,120

world war uh

2385

01:25:06,709 --> 01:25:05,920

so there were structured objects flying

2386

01:25:08,470 --> 01:25:06,719

throughout the

2387

01:25:10,550 --> 01:25:08,480

second world war that had been seen and

2388

01:25:11,750 --> 01:25:10,560

documented and we have those records in

2389

01:25:15,270 --> 01:25:11,760

the british archives

2390

01:25:18,390 --> 01:25:15,280

so i think really from the 40s onwards

2391

01:25:21,270 --> 01:25:18,400

i think as soon as we drop

2392

01:25:23,350 --> 01:25:21,280

we detonate an atomic weapon that sends

2393

01:25:26,950 --> 01:25:23,360

a shockwave out into space

2394

01:25:29,990 --> 01:25:26,960

that says to people out there that this

2395

01:25:31,110 --> 01:25:30,000

uh species on planet earth has reached a

2396

01:25:34,550 --> 01:25:31,120

level of attainment

2397

01:25:35,750 --> 01:25:34,560

that they can create fusion and detonate

2398

01:25:38,149 --> 01:25:35,760

a nuclear weapon

2399

01:25:39,189 --> 01:25:38,159

now i also personally believe and

2400

01:25:41,669 --> 01:25:39,199

suspect

2401
01:25:42,870 --> 01:25:41,679
that in our deepest ocean countries we

2402
01:25:45,669 --> 01:25:42,880
probably do have

2403
01:25:47,750 --> 01:25:45,679
uh ufo bases and there's a lot of

2404
01:25:50,550 --> 01:25:47,760
evidence to suggest that that's the case

2405
01:25:51,990 --> 01:25:50,560
because ufos historically have been seen

2406
01:25:54,790 --> 01:25:52,000
worldwide coming in

2407
01:25:56,390 --> 01:25:54,800
and out of water uh and in fact many

2408
01:25:59,590 --> 01:25:56,400
military encounters

2409
01:26:01,510 --> 01:25:59,600
uh that are recorded uh of objects seen

2410
01:26:03,510 --> 01:26:01,520
near ships military ships

2411
01:26:04,950 --> 01:26:03,520
uh diving in or coming out of the water

2412
01:26:06,870 --> 01:26:04,960
multiple objects

2413
01:26:09,590 --> 01:26:06,880

that says to me in our deep distortions

2414

01:26:12,629 --> 01:26:09,600

we only know five percent of the oceans

2415

01:26:14,950 --> 01:26:12,639

we know more about the surface of mars

2416

01:26:15,990 --> 01:26:14,960

and the moon than we do about our own

2417

01:26:18,229 --> 01:26:16,000

ocean depths

2418

01:26:19,030 --> 01:26:18,239

so i think it's entirely possible that

2419

01:26:21,910 --> 01:26:19,040

it's their

2420

01:26:23,350 --> 01:26:21,920

habitat too so i think there's a big

2421

01:26:25,270 --> 01:26:23,360

correlation between

2422

01:26:26,470 --> 01:26:25,280

ufos and nuclear weapons that's been

2423

01:26:29,189 --> 01:26:26,480

well established

2424

01:26:29,830 --> 01:26:29,199

since the detonation of the first atomic

2425

01:26:31,669 --> 01:26:29,840

bomb

2426

01:26:33,110 --> 01:26:31,679

if you think of roswell the first atomic

2427

01:26:35,110 --> 01:26:33,120

bomb squadron

2428

01:26:37,110 --> 01:26:35,120

of all the places in all the bars in all

2429

01:26:38,709 --> 01:26:37,120

the world that's where they turn up so

2430

01:26:40,390 --> 01:26:38,719

it's no coincidence

2431

01:26:42,550 --> 01:26:40,400

people don't see that connection but

2432

01:26:44,470 --> 01:26:42,560

it's so obvious they turn up

2433

01:26:46,070 --> 01:26:44,480

over roswell because it's an atomic bomb

2434

01:26:47,750 --> 01:26:46,080

squadron the first in the world

2435

01:26:50,870 --> 01:26:47,760

that's where they turn up they're turned

2436

01:26:53,110 --> 01:26:50,880

up at northern nuclear power plants uh

2437

01:26:54,070 --> 01:26:53,120

and and nuclear missile storage areas

2438

01:26:56,390 --> 01:26:54,080

have shut down

2439

01:26:58,870 --> 01:26:56,400

weapons storage areas as has been

2440

01:27:01,110 --> 01:26:58,880

reported by the likes of robert salas

2441

01:27:03,189 --> 01:27:01,120

etc they can shut down their

2442

01:27:06,149 --> 01:27:03,199

technologies far superior

2443

01:27:07,510 --> 01:27:06,159

and i think the message is that maybe

2444

01:27:09,750 --> 01:27:07,520

it's their habitat too

2445

01:27:11,510 --> 01:27:09,760

i.e if you live some of them in a deep

2446

01:27:13,270 --> 01:27:11,520

extortion trench on a base

2447

01:27:14,709 --> 01:27:13,280

then they do not want to see their

2448

01:27:17,430 --> 01:27:14,719

habitat destroyed

2449

01:27:18,709 --> 01:27:17,440

through mankind's ignorance and stupid

2450

01:27:21,510 --> 01:27:18,719

stupidity

2451

01:27:22,709 --> 01:27:21,520

um frank do i have time to ask one or

2452

01:27:25,030 --> 01:27:22,719

two more questions

2453

01:27:26,709 --> 01:27:25,040

uh yeah yeah i do have to get rolling

2454

01:27:30,229 --> 01:27:26,719

but yeah one or two that'll work

2455

01:27:31,590 --> 01:27:30,239

okay uh gary do you see a major change

2456

01:27:32,149 --> 01:27:31,600

in the way the media and scientific

2457

01:27:33,910 --> 01:27:32,159

community

2458

01:27:35,270 --> 01:27:33,920

treats the subject we've been talking

2459

01:27:36,709 --> 01:27:35,280

about ufology

2460

01:27:38,310 --> 01:27:36,719

or do you believe the scientific and

2461

01:27:40,870 --> 01:27:38,320

journalistic communities are purposely

2462

01:27:44,149 --> 01:27:40,880

ignoring the possibility of the presence

2463

01:27:45,990 --> 01:27:44,159

of ets or et civilizations however you

2464

01:27:48,870 --> 01:27:46,000

want to frame that question

2465

01:27:49,910 --> 01:27:48,880

i think there is a slight change to the

2466

01:27:52,950 --> 01:27:49,920

positive

2467

01:27:55,910 --> 01:27:52,960

following the the release of the

2468

01:27:56,390 --> 01:27:55,920

uh pentagon admissions and luis elizondo

2469

01:27:58,229 --> 01:27:56,400

and

2470

01:28:00,550 --> 01:27:58,239

the video the nimitz incident is

2471

01:28:02,950 --> 01:28:00,560

attracting a lot of attention and

2472

01:28:05,030 --> 01:28:02,960

now it's backed up with the uh superb

2473

01:28:06,950 --> 01:28:05,040

graphics by uh mr beatty

2474

01:28:08,629 --> 01:28:06,960

then uh it's bringing it to life in a

2475

01:28:10,629 --> 01:28:08,639

way and and people

2476
01:28:11,669 --> 01:28:10,639
if anybody in the media says to

2477
01:28:13,350 --> 01:28:11,679
ufologists

2478
01:28:14,950 --> 01:28:13,360
where's your evidence you point them

2479
01:28:16,790 --> 01:28:14,960
back to december the 16th

2480
01:28:18,310 --> 01:28:16,800
and there's a clear admission by a guy

2481
01:28:20,310 --> 01:28:18,320
who run a pentagon program

2482
01:28:21,750 --> 01:28:20,320
that says exotic aircraft are flying

2483
01:28:23,430 --> 01:28:21,760
around in our airspace

2484
01:28:24,790 --> 01:28:23,440
that's way beyond the technology of

2485
01:28:26,950 --> 01:28:24,800
anything that america has

2486
01:28:28,790 --> 01:28:26,960
by process of elimination that means

2487
01:28:31,189 --> 01:28:28,800
it's easy

2488
01:28:32,070 --> 01:28:31,199

fantastic and any parting thoughts on

2489

01:28:34,470 --> 01:28:32,080

the topic

2490

01:28:36,550 --> 01:28:34,480

of ufology in general something you have

2491

01:28:38,470 --> 01:28:36,560

not covered on the show

2492

01:28:41,910 --> 01:28:38,480

do you have anything else you'd like to

2493

01:28:45,189 --> 01:28:41,920

cover regarding the topic of ufology

2494

01:28:47,750 --> 01:28:45,199

uh no not really i i think it's a

2495

01:28:49,750 --> 01:28:47,760

i think there are signs that uh with if

2496

01:28:51,350 --> 01:28:49,760

if the chinese initiative which i'm

2497

01:28:53,830 --> 01:28:51,360

personally involved in so obviously got

2498

01:28:55,669 --> 01:28:53,840

a big interest if that

2499

01:28:58,470 --> 01:28:55,679

goes anywhere which i hope it does and

2500

01:28:59,270 --> 01:28:58,480

we can get 30 representatives 30

2501

01:29:03,110 --> 01:28:59,280

countries

2502

01:29:05,830 --> 01:29:03,120

uh get recognized then have a platform

2503

01:29:07,830 --> 01:29:05,840

which will be discussed and no doubt uh

2504

01:29:09,510 --> 01:29:07,840

be broadcast in due course

2505

01:29:11,430 --> 01:29:09,520

when it's the right time to to come

2506

01:29:13,830 --> 01:29:11,440

forward if we can organize

2507

01:29:15,590 --> 01:29:13,840

ourselves on a worldwide basis then i

2508

01:29:18,790 --> 01:29:15,600

think that would be a major step

2509

01:29:22,070 --> 01:29:18,800

step forward to creating a political

2510

01:29:23,750 --> 01:29:22,080

element to put pressure on various

2511

01:29:24,390 --> 01:29:23,760

governments to release what they really

2512

01:29:26,070 --> 01:29:24,400

know

2513

01:29:27,830 --> 01:29:26,080

so i think hand in hand with what's

2514

01:29:30,310 --> 01:29:27,840

emerging through atip

2515

01:29:31,189 --> 01:29:30,320

uh that it's all good if you want

2516

01:29:33,430 --> 01:29:31,199

disclosure i think

2517

01:29:35,270 --> 01:29:33,440

i think we are moving towards it in that

2518

01:29:38,070 --> 01:29:35,280

i think the mainstream media

2519

01:29:39,990 --> 01:29:38,080

should not ever be allowed to forget

2520

01:29:40,709 --> 01:29:40,000

what louise elizondo said on december

2521

01:29:43,430 --> 01:29:40,719

the 16th

2522

01:29:44,470 --> 01:29:43,440

2017 and everybody has a duty to push

2523

01:29:46,149 --> 01:29:44,480

them back to that

2524

01:29:48,550 --> 01:29:46,159

because they cannot get away with it

2525

01:29:49,189 --> 01:29:48,560

ever again we know that these things are

2526

01:29:51,110 --> 01:29:49,199

out there

2527

01:29:53,430 --> 01:29:51,120

they're way beyond anything that america

2528

01:29:55,750 --> 01:29:53,440

has and that was an incredible admission

2529

01:29:56,629 --> 01:29:55,760

and so i think that the mainstream media

2530

01:29:58,950 --> 01:29:56,639

are

2531

01:29:59,669 --> 01:29:58,960

beginning to realize that and i think

2532

01:30:02,550 --> 01:29:59,679

and actually

2533

01:30:05,270 --> 01:30:02,560

in a strange kind of way the success of

2534

01:30:08,390 --> 01:30:05,280

the project blue book tv series

2535

01:30:11,270 --> 01:30:08,400

which is very much 98 fiction

2536

01:30:13,350 --> 01:30:11,280

2 based on a bit of truth uh but

2537

01:30:14,470 --> 01:30:13,360

nevertheless it's become a hit tv series

2538

01:30:16,229 --> 01:30:14,480

and it's well made

2539

01:30:17,510 --> 01:30:16,239

it's entertaining if you treat it as

2540

01:30:20,070 --> 01:30:17,520

fiction but

2541

01:30:20,870 --> 01:30:20,080

nevertheless it all the shows

2542

01:30:23,030 --> 01:30:20,880

effectively

2543

01:30:26,070 --> 01:30:23,040

are about a cover-up by a secretive

2544

01:30:28,950 --> 01:30:26,080

group if that captures the imagination

2545

01:30:29,990 --> 01:30:28,960

of the world through media then i think

2546

01:30:32,310 --> 01:30:30,000

that's a good thing

2547

01:30:34,070 --> 01:30:32,320

and we just then point them towards the

2548

01:30:35,990 --> 01:30:34,080

pentagon admissions and other things

2549

01:30:37,590 --> 01:30:36,000

and our best cases from around the world

2550

01:30:39,110 --> 01:30:37,600

and i think we're edging towards a

2551

01:30:40,629 --> 01:30:39,120

disclosure of time

2552

01:30:42,470 --> 01:30:40,639

that's wonderful i would like to point

2553

01:30:43,510 --> 01:30:42,480

out something to our listeners and that

2554

01:30:46,629 --> 01:30:43,520

is a wonderful

2555

01:30:49,350 --> 01:30:46,639

offer that gary has

2556

01:30:50,870 --> 01:30:49,360

given to people who are listening to our

2557

01:30:54,149 --> 01:30:50,880

show today

2558

01:30:58,950 --> 01:30:54,159

if they actually write to gary

2559

01:31:00,470 --> 01:30:58,960

at hesselteenhazelteamgaryhotmail.com

2560

01:31:01,990 --> 01:31:00,480

uh gary you'll have to correct me on

2561

01:31:05,350 --> 01:31:02,000

your last name on by the

2562

01:31:06,790 --> 01:31:05,360

way but hazeltinegary hotmail.com and

2563

01:31:07,750 --> 01:31:06,800

i'll i'll go ahead and spell that in a

2564

01:31:11,510 --> 01:31:07,760

moment

2565

01:31:11,990 --> 01:31:11,520

they can get a free magazine easing from

2566

01:31:15,510 --> 01:31:12,000

gary

2567

01:31:16,950 --> 01:31:15,520

ufo truth one of many they just have to

2568

01:31:19,270 --> 01:31:16,960

choose which one and he'll give more

2569

01:31:21,590 --> 01:31:19,280

details on that right now

2570

01:31:22,390 --> 01:31:21,600

yeah basically it's hazel tyne gary you

2571

01:31:24,950 --> 01:31:22,400

forgot

2572

01:31:26,070 --> 01:31:24,960

earlier hazeltine gary hotmail.com if

2573

01:31:29,110 --> 01:31:26,080

they email me

2574

01:31:30,709 --> 01:31:29,120

they can choose one complimentary issue

2575

01:31:33,110 --> 01:31:30,719

from one of 35 issues

2576

01:31:34,550 --> 01:31:33,120

that we've had today it's bi-monthly and

2577

01:31:36,229 --> 01:31:34,560

if you like it then you are putting a

2578

01:31:37,910 --> 01:31:36,239

link but it's entirely up to you

2579

01:31:40,070 --> 01:31:37,920

all you have to do is email me and say

2580

01:31:42,229 --> 01:31:40,080

i'll listen to the chant hannah show

2581

01:31:44,470 --> 01:31:42,239

and basically i will send them whatever

2582

01:31:46,310 --> 01:31:44,480

number they request

2583

01:31:47,990 --> 01:31:46,320

right and actually if they just say that

2584

01:31:50,550 --> 01:31:48,000

they listen to

2585

01:31:52,229 --> 01:31:50,560

you fun the ufo news network or they

2586

01:31:54,790 --> 01:31:52,239

could just say the ufo news network that

2587

01:31:57,910 --> 01:31:54,800

would be fantastic

2588

01:31:59,750 --> 01:31:57,920

yep whatever for all all as they have to

2589

01:32:00,790 --> 01:31:59,760

do is acknowledge that this show that

2590

01:32:02,229 --> 01:32:00,800

we've made today

2591

01:32:05,030 --> 01:32:02,239

and i will send them a complimentary

2592

01:32:06,709 --> 01:32:05,040

copy of whichever number they wish

2593

01:32:08,390 --> 01:32:06,719

we appreciate your time today gary thank

2594

01:32:09,990 --> 01:32:08,400

you so very much we it was a real

2595

01:32:12,149 --> 01:32:10,000

privilege to have you on the show

2596

01:32:13,430 --> 01:32:12,159

now you're welcome and and what you've

2597

01:32:14,870 --> 01:32:13,440

got to understand is

2598

01:32:16,790 --> 01:32:14,880

because i know what's going to be in the

2599

01:32:17,830 --> 01:32:16,800

documentary the director will kill me if

2600

01:32:21,270 --> 01:32:17,840

i say too much

2601
01:32:22,070 --> 01:32:21,280
about giving so i have to be a bit

2602
01:32:23,750 --> 01:32:22,080
guarded

2603
01:32:25,830 --> 01:32:23,760
but i suggest that when you watch the

2604
01:32:27,030 --> 01:32:25,840
documentary you will see the amount of

2605
01:32:28,870 --> 01:32:27,040
material that's come out

2606
01:32:30,550 --> 01:32:28,880
and i think you will probably want to

2607
01:32:31,669 --> 01:32:30,560
talk to me again when i can be more

2608
01:32:35,030 --> 01:32:31,679
freely available

2609
01:32:37,350 --> 01:32:35,040
about what i can say we will do that

2610
01:32:38,790 --> 01:32:37,360
sounds good alrighty uh gary i

2611
01:32:39,510 --> 01:32:38,800
appreciate it we're going to wrap up

2612
01:32:42,950 --> 01:32:39,520
here

2613
01:32:44,470 --> 01:32:42,960

and i've got to get going and do

2614

01:32:46,070 --> 01:32:44,480

get back into the real world so we're

2615

01:32:46,629 --> 01:32:46,080

going to wrap up real quick uh thanks

2616

01:32:49,750 --> 01:32:46,639

gary

2617

01:32:51,590 --> 01:32:49,760

thanks chant and uh everybody uh enjoy

2618

01:32:53,270 --> 01:32:51,600

the rest of your week and we're going to

2619

01:32:55,590 --> 01:32:53,280

be back i think it's uh

2620

01:32:56,390 --> 01:32:55,600

next week uh with some more shows for

2621

01:32:59,430 --> 01:32:56,400

you and

2622

01:33:01,669 --> 01:32:59,440

the promos and all that the spam will be
