UFO believers from 2007 to 2010 Dominic

said I'm a UF ologist in the paranormal

31
00:02:28,690 --> 00:02:27,200
investigator I have interviewed and

32
00:02:30,850 --> 00:02:28,700
spoke to many people in the field over

33
00:02:33,190 --> 00:02:30,860
the years and he's gained a database of

34
00:02:34,750 --> 00:02:33,200
knowledge the reason why many of us get

35
00:02:37,119 --> 00:02:34,760
into the subject is because we either

36
00:02:40,180 --> 00:02:37,129
believe or we have had an experience

37
00:02:41,920 --> 00:02:40,190
which he has and he said plus my

38
00:02:43,420 --> 00:02:41,930

experience working in private

39

00:02:43,960 --> 00:02:43,430

establishments and the Ministry of

40

00:02:45,670 --> 00:02:43,970

Defense

41

00:02:47,020 --> 00:02:45,680

welcome Dominic to our show thank you

42

00:02:49,839 --> 00:02:47,030

for being on with us today

43

00:02:51,940 --> 00:02:49,849

thank you for inviting me yeah I also

44

00:02:54,400 --> 00:02:51,950

wanted to note to our listeners that

45

00:02:57,250 --> 00:02:54,410

you're a blogger an active blogger and

46

00:02:59,440 --> 00:02:57,260

you've written many stories and that

47

00:03:01,690 --> 00:02:59,450

would be on WordPress can you give the

48

00:03:03,550 --> 00:03:01,700

URL to that isn't that solar system

49

00:03:05,140 --> 00:03:03,560

collective dot wordpress.com is that

50

00:03:06,880 --> 00:03:05,150

right yeah yep that's it yeah you got it

51
00:03:08,770 --> 00:03:06,890
right okay I want to repeat that for

52
00:03:11,850 --> 00:03:08,780
everybody it's Solar System collective

53
00:03:13,370 --> 00:03:11,860
dot wordpress.com I wanted to ask you

54
00:03:19,320 --> 00:03:13,380
what

55
00:03:23,700 --> 00:03:19,330
to get involved in UF ology or other

56
00:03:24,930 --> 00:03:23,710
phenomena well from a young age I

57
00:03:29,000 --> 00:03:24,940
remember having an out-of-body

58
00:03:31,950 --> 00:03:29,010
experience hitting the ceiling and and

59
00:03:33,870 --> 00:03:31,960
you know everyone said it could be sleep

60
00:03:35,910 --> 00:03:33,880
prizes or anything like that I just

61
00:03:40,800 --> 00:03:35,920
found that was strange but um on

62
00:03:46,410 --> 00:03:40,810
Christmas Day in 1980 as she grew up in

63
00:03:48,510 --> 00:03:46,420

the Jewish community of Jewish mentally

64

00:03:52,400 --> 00:03:48,520

handicapped people he called you know

65

00:03:56,600 --> 00:03:52,410

both either physical mental you know

66

00:04:00,180 --> 00:03:56,610

defects and so it's quite a challenging

67

00:04:03,390 --> 00:04:00,190

upbringing it's writing Java but we're

68

00:04:04,800 --> 00:04:03,400

all sat down and obviously Futurity

69

00:04:06,930 --> 00:04:04,810

don't celebrate christmas so my parents

70

00:04:10,170 --> 00:04:06,940

made sure we had that little Christmas

71

00:04:13,620 --> 00:04:10,180

and stuff and I just remember you know

72

00:04:15,720 --> 00:04:13,630

he had my dinner after dinner going out

73

00:04:18,030 --> 00:04:15,730

in there down all the residents are sat

74

00:04:21,240 --> 00:04:18,040

and you've got this big dip that goes

75

00:04:25,410 --> 00:04:21,250

down this hill because a a golf course

76

00:04:28,200 --> 00:04:25,420

as well and I saw a couple addresses

77

00:04:30,480 --> 00:04:28,210

them to turn around and epic and they've

78

00:04:33,180 --> 00:04:30,490

you know they you know quite a few some

79

00:04:34,770 --> 00:04:33,190

of them and I looked out my parents are

80

00:04:37,350 --> 00:04:34,780

doing something with medicine or

81

00:04:40,860 --> 00:04:37,360

something at the back of the chalet and

82

00:04:43,710 --> 00:04:40,870

I saw this object I can't tell if it was

83

00:04:46,020 --> 00:04:43,720

like a shiny black or silver or

84

00:04:48,480 --> 00:04:46,030

something like is this weird I had like

85

00:04:51,180 --> 00:04:48,490

a glow and just traversed across the

86

00:04:53,730 --> 00:04:51,190

field it must have been 200 yards away

87

00:04:57,300 --> 00:04:53,740

or something and before it disappeared

88

00:04:58,680 --> 00:04:57,310

behind the golf course and I I didn't

89

00:05:00,810 --> 00:04:58,690

know what it was I thought it was a

90

00:05:04,590 --> 00:05:00,820

helicopter without the helicopter bit

91

00:05:06,240 --> 00:05:04,600

and I was looking at the other residents

92

00:05:09,090 --> 00:05:06,250

I was calling a mom dad what did I just

93

00:05:10,680 --> 00:05:09,100

say day was like oh you don't we said oh

94

00:05:12,360 --> 00:05:10,690

I don't know what Easter he's hot see

95

00:05:16,410 --> 00:05:12,370

how he got to it out you know how sunny

96

00:05:19,170 --> 00:05:16,420

seven at the time and it just it just

97

00:05:21,240 --> 00:05:19,180

really got me thinking I noticed around

98

00:05:23,550 --> 00:05:21,250

the time of closing counters and there's

99

00:05:27,630 --> 00:05:23,560

a you know he was a couple years later

100

00:05:31,290 --> 00:05:27,640

and at the time

101
00:05:32,790 --> 00:05:31,300
my dad was into erich von daniken they

102
00:05:37,590 --> 00:05:32,800
was always telling me this sort of stuff

103
00:05:39,720 --> 00:05:37,600
and that to fear and you know and to see

104
00:05:44,280 --> 00:05:39,730
our residents not that but they can

105
00:05:46,830 --> 00:05:44,290
speak they can question anything they've

106
00:05:50,160 --> 00:05:46,840
always played my luncheon you know yeah

107
00:05:52,350 --> 00:05:50,170
I know we've talked extensively about

108
00:05:54,630 --> 00:05:52,360
these kinds of things over the years you

109
00:05:57,210 --> 00:05:54,640
and I we we become very close friends

110
00:05:59,130 --> 00:05:57,220
and I wanted to ask you when he said

111
00:06:01,520 --> 00:05:59,140
that experience you had when you were 7

112
00:06:04,730 --> 00:06:01,530
what area of the country was that

113
00:06:06,960 --> 00:06:04,740

alright nothing cry form in Berkshire

114

00:06:09,990 --> 00:06:06,970

Canada's and a place called Raven

115

00:06:12,030 --> 00:06:10,000

village it's it's still there now and a

116

00:06:14,490 --> 00:06:12,040

lot of its derelict and not looked after

117

00:06:16,320 --> 00:06:14,500

by the by the trust apparently I've been

118

00:06:19,230 --> 00:06:16,330

told I've made some people actually work

119

00:06:20,670 --> 00:06:19,240

that yeah I wanted to ask you about

120

00:06:22,230 --> 00:06:20,680

something you may not be able to talk

121

00:06:24,180 --> 00:06:22,240

about if you can't don't don't worry

122

00:06:26,730 --> 00:06:24,190

about it just let me know I mean you

123

00:06:28,200 --> 00:06:26,740

mentioned that you had a job with the

124

00:06:30,380 --> 00:06:28,210

Ministry of Defence are you allowed to

125

00:06:33,780 --> 00:06:30,390

expand upon that or give any information

126

00:06:35,640 --> 00:06:33,790

yes nothing to you know there's lots

127

00:06:39,360 --> 00:06:35,650

place that I wasn't allowed to go but I

128

00:06:41,820 --> 00:06:39,370

basically worked as water specialist for

129

00:06:44,580 --> 00:06:41,830

Legionella control and I did help him

130

00:06:47,820 --> 00:06:44,590

safety as well for part of their

131

00:06:49,170 --> 00:06:47,830

barracks so as a contractor wasn't

132

00:06:50,820 --> 00:06:49,180

actually employed by the Ministry of

133

00:06:54,060 --> 00:06:50,830

Defence so it gave ran to a lot of

134

00:06:56,760 --> 00:06:54,070

actual lot of internation all around

135

00:06:59,370 --> 00:06:56,770

Berkshire and southern England from

136

00:07:01,940 --> 00:06:59,380

Windsor barracks the Headley core to out

137

00:07:05,400 --> 00:07:01,950

hangout that were at this experience and

138

00:07:08,130 --> 00:07:05,410

it's just lates of yeah it's really fun

139

00:07:10,410 --> 00:07:08,140

job you know it's okay and they take it

140

00:07:13,350 --> 00:07:10,420

really seriously their secrecy there's

141

00:07:15,210 --> 00:07:13,360

so many places you can't go and a lot of

142

00:07:17,280 --> 00:07:15,220

the time you're followed by armed guard

143

00:07:20,190 --> 00:07:17,290

as well which is strange England because

144

00:07:24,650 --> 00:07:20,200

we don't see armed police and supply on

145

00:07:28,890 --> 00:07:27,240

and I actually have some more personal

146

00:07:33,150 --> 00:07:28,900

questions for you but I had one random

147

00:07:35,670 --> 00:07:33,160

question and that is the area 51 for the

148

00:07:38,100 --> 00:07:35,680

UK what is that can you tell us what

149

00:07:40,369 --> 00:07:38,110

would parallel you know the area 51 in

150

00:07:44,309 --> 00:07:40,379

America I don't know the name

151
00:07:46,200 --> 00:07:44,319
you got me in the hot it's a placement

152
00:07:49,249 --> 00:07:46,210
Farnborough that's not one said that

153
00:07:51,929 --> 00:07:49,259
there's like a secret test facility

154
00:07:53,550 --> 00:07:51,939
there and I've seen pictures on the now

155
00:07:56,070 --> 00:07:53,560
that she driven past it loads of times

156
00:07:57,779 --> 00:07:56,080
it's got a really long drive and but

157
00:08:00,360 --> 00:07:57,789
it's a people can google it some

158
00:08:03,480 --> 00:08:00,370
Presonus Farnborough probably heavily

159
00:08:07,110 --> 00:08:03,490
restricted I'm sure yeah it was gonna

160
00:08:09,330 --> 00:08:07,120
also ask you about a UFO that made you

161
00:08:11,339 --> 00:08:09,340
sick after having worked with the

162
00:08:13,529 --> 00:08:11,349
Ministry of Defense can you tell us a

163
00:08:17,279 --> 00:08:13,539

little bit more about that yes sure Adam

164

00:08:22,369 --> 00:08:17,289

my testing RAF a panga and that's near

165

00:08:25,050 --> 00:08:22,379

Borden in Hampshire and there's a pub

166

00:08:28,409 --> 00:08:25,060

around the corner we went there just for

167

00:08:29,700 --> 00:08:28,419

a couple of drinks and mail just after

168

00:08:32,819 --> 00:08:29,710

where I met the friend he works in a

169

00:08:36,509 --> 00:08:32,829

world in business and it started to get

170

00:08:38,909 --> 00:08:36,519

dark it must have been I can't remember

171

00:08:41,130 --> 00:08:38,919

the date or time or any apologize I just

172

00:08:43,620 --> 00:08:41,140

know it's in T Falcon types I made when

173

00:08:46,050 --> 00:08:43,630

I was working and and it is like a

174

00:08:48,150 --> 00:08:46,060

summer come to the end of summer and I

175

00:08:51,269 --> 00:08:48,160

spent that nine nine o'clock or

176

00:08:58,110 --> 00:08:51,279

something like that it's getting talk on

177

00:09:02,670 --> 00:08:58,120

the ED wondering when I started coming

178

00:09:03,389 --> 00:09:02,680

up I took a write up to right behind

179

00:09:06,990 --> 00:09:03,399

Daria

180

00:09:09,750 --> 00:09:07,000

oh and I saw this left spotlight in this

181

00:09:11,519 --> 00:09:09,760

in the sky that's like what I'm

182

00:09:13,500 --> 00:09:11,529

obviously being into what you're into

183

00:09:15,000 --> 00:09:13,510

you're you're a king you know Sky Watch

184

00:09:19,079 --> 00:09:15,010

he always looking out for weight stuff

185

00:09:21,060 --> 00:09:19,089

and I just lift that up and sort of

186

00:09:22,889 --> 00:09:21,070

spotlight and I put it the weirdest

187

00:09:24,360 --> 00:09:22,899

hanging out it's looked like a spotlight

188

00:09:27,329 --> 00:09:24,370

and there's not like a talked

189

00:09:29,220 --> 00:09:27,339

look at this China money and I just mark

190

00:09:30,720 --> 00:09:29,230

my first things thing first I'm gonna

191

00:09:33,720 --> 00:09:30,730

follow it I mean what is that

192

00:09:35,819 --> 00:09:33,730

so just you know was looking up and down

193

00:09:37,980 --> 00:09:35,829

at the same time looking at this thing

194

00:09:40,280 --> 00:09:37,990

and then it got really intense

195

00:09:43,710 --> 00:09:40,290

I'll tell it's really like a mate

196

00:09:45,810 --> 00:09:43,720

emotions I felt overwhelmed and this

197

00:09:49,110 --> 00:09:45,820

finger really bright I had to this

198

00:09:51,660 --> 00:09:49,120

pillow I'm pulling over by paste box and

199

00:09:54,120 --> 00:09:51,670

I saw this man washing up I need a song

200

00:09:58,550 --> 00:09:54,130

yet I can't I just had to throw up there

201
00:10:02,340 --> 00:09:58,560
this wasn't I lived up in those guns and

202
00:10:03,960 --> 00:10:02,350
I was just like what the hell happened I

203
00:10:07,949 --> 00:10:03,970
can't explain I didn't see what it was

204
00:10:11,009 --> 00:10:07,959
you know what is it military you know

205
00:10:13,259 --> 00:10:11,019
test vehicle would I do some so in a

206
00:10:15,090 --> 00:10:13,269
light projection they have mechanical

207
00:10:18,420 --> 00:10:15,100
effect see I just don't know I'm not I'm

208
00:10:20,610 --> 00:10:18,430
not saying if there's anything extra

209
00:10:23,519 --> 00:10:20,620
terrestrial they could have been a test

210
00:10:26,400 --> 00:10:23,529
thing but I know it's a radar facility

211
00:10:29,389 --> 00:10:26,410
so they would have had any anything like

212
00:10:32,699 --> 00:10:29,399
that so it's just strange really strange

213
00:10:34,110 --> 00:10:32,709

well would you be fair about the

214

00:10:36,180 --> 00:10:34,120

possibility that it could have been an

215

00:10:37,889 --> 00:10:36,190

extraterrestrial craft although you're

216

00:10:40,800 --> 00:10:37,899

not saying that I wanted to also point

217

00:10:43,769 --> 00:10:40,810

out that there's been hundreds of

218

00:10:47,129 --> 00:10:43,779

stories probably thousands of people

219

00:10:51,389 --> 00:10:47,139

having gotten sick after having contact

220

00:10:53,850 --> 00:10:51,399

with a craft and some people surmise it

221

00:10:56,309 --> 00:10:53,860

could be radiation from the ship or the

222

00:11:00,240 --> 00:10:56,319

lights were too bright for their bodies

223

00:11:02,840 --> 00:11:00,250

you know things like that but I wanted

224

00:11:11,040 --> 00:11:02,850

to ask you did you have a missing time

225

00:11:13,230 --> 00:11:11,050

no okay and yeah also just to go over to

226
00:11:15,660 --> 00:11:13,240
the Rendlesham forest incident do you

227
00:11:18,420 --> 00:11:15,670
mind talking about that a little bit or

228
00:11:21,120 --> 00:11:18,430
gee I'm not an expert on it I'll be

229
00:11:24,600 --> 00:11:21,130
honest with you I've been there I made

230
00:11:27,629 --> 00:11:24,610
yeah I think you're really great you've

231
00:11:30,389 --> 00:11:27,639
got your knowledge on it's based on the

232
00:11:32,639 --> 00:11:30,399
basic research you know read a book on

233
00:11:34,920 --> 00:11:32,649
it age I think I've seen everyone seen

234
00:11:37,139 --> 00:11:34,930
documentaries on it right yeah actually

235
00:11:38,970 --> 00:11:37,149
I'm only worn that question differently

236
00:11:40,620 --> 00:11:38,980
sorry I should have asked you are you

237
00:11:42,269 --> 00:11:40,630
nearby it are you within driving

238
00:11:45,980 --> 00:11:42,279

distance if so how long would it take

239

00:11:48,540 --> 00:11:45,990

for you to get this free I was wow

240

00:11:50,069 --> 00:11:48,550

that's that's a really short distance

241

00:11:54,860 --> 00:11:50,079

have you been there yourself

242

00:12:02,040 --> 00:11:58,470

about 15 years ago yes it's nice nice

243

00:12:05,730 --> 00:12:02,050

little area just tranquil it's got a UFO

244

00:12:08,030 --> 00:12:05,740

oh okay I don't think a lot of people

245

00:12:10,820 --> 00:12:08,040

know that actually

246

00:12:13,940 --> 00:12:10,830

wanted to also ask you about your

247

00:12:17,330 --> 00:12:13,950

amateur astrology experience how did you

248

00:12:19,550 --> 00:12:17,340

get into photography and astrology to

249

00:12:22,550 --> 00:12:19,560

the extent you are because you're a very

250

00:12:26,420 --> 00:12:22,560

active in that area for years now yeah

251

00:12:30,140 --> 00:12:26,430

well really it's quite I'm just I'm just

252

00:12:32,840 --> 00:12:30,150

really really am I just just look you

253

00:12:34,640 --> 00:12:32,850

know it's a comment I won the better

254

00:12:37,610 --> 00:12:34,650

telescopes like look at nebula but had a

255

00:12:39,890 --> 00:12:37,620

very dark and sometimes black and white

256

00:12:43,100 --> 00:12:39,900

you can't see the color because he can't

257

00:12:47,180 --> 00:12:43,110

see she's really nice looking at the

258

00:12:48,620 --> 00:12:47,190

planet sometimes just a great hope you

259

00:12:51,470 --> 00:12:48,630

passed I mean I'm teaching my son

260

00:12:55,190 --> 00:12:51,480

afternoon also with the photography I've

261

00:12:58,790 --> 00:12:55,200

only just upgraded my dear fellow cams

262

00:13:01,910 --> 00:12:58,800

so I've ordered I can a new scape for it

263

00:13:04,460 --> 00:13:01,920

so I can you know do some really good

264

00:13:10,790 --> 00:13:04,470

photography and you know paste it paste

265

00:13:20,330 --> 00:13:10,800

it out my blog and grapes and stuff on a

266

00:13:25,010 --> 00:13:20,340

a 400 day it's like a start isn't it

267

00:13:27,710 --> 00:13:25,020

yeah I think so yeah yeah yeah those

268

00:13:31,340 --> 00:13:27,720

have really good reviews oh I was also

269

00:13:33,800 --> 00:13:31,350

gonna ask you just jumping over to you

270

00:13:35,450 --> 00:13:33,810

Union the United family of anomaly

271

00:13:37,400 --> 00:13:35,460

hunters just so our listeners know what

272

00:13:39,920 --> 00:13:37,410

that is can you tell us a little bit

273

00:13:42,920 --> 00:13:39,930

more about that and then also could you

274

00:13:45,440 --> 00:13:42,930

explain why did you get involved in that

275

00:13:48,980 --> 00:13:45,450

organization and why is it important to

276

00:13:50,540 --> 00:13:48,990

you well you know it you know youth the

277

00:13:53,750 --> 00:13:50,550

you know your family even only hunters

278

00:13:56,630 --> 00:13:53,760

we its what it is it's we set for

279

00:13:59,360 --> 00:13:56,640

anomalies in it's mainly Mars and moon

280

00:14:02,780 --> 00:13:59,370

and anywhere where our Rovers have been

281

00:14:07,000 --> 00:14:02,790

all of our researchers have been in

282

00:14:10,910 --> 00:14:07,010

papers documentaries on Netflix films

283

00:14:12,620 --> 00:14:10,920

it's a really big relation if you type

284

00:14:16,130 --> 00:14:12,630

in Google it's the first thing that come

285

00:14:18,950 --> 00:14:16,140

up it's it's pretty known in the

286

00:14:20,930 --> 00:14:18,960

industry you know Richard C Hoagland

287

00:14:23,240 --> 00:14:20,940

does similar sort of stuff he

288

00:14:25,370 --> 00:14:23,250

as a lot of our guest members on the

289

00:14:27,710 --> 00:14:25,380

show all the time like Will Ferrell and

290

00:14:29,990 --> 00:14:27,720

people like that and you know it's just

291

00:14:31,610 --> 00:14:30,000

a bit of fun you know I try a little bit

292

00:14:34,700 --> 00:14:31,620

of anomaly hunting myself I found a

293

00:14:39,590 --> 00:14:34,710

couple of things you know like a weird

294

00:14:41,900 --> 00:14:39,600

object on the moon and it just looks

295

00:14:44,930 --> 00:14:41,910

like a like a rod or something like that

296

00:14:48,620 --> 00:14:44,940

in a cave it's really odd and also I

297

00:14:51,980 --> 00:14:48,630

found on Mars like a strange Aboriginal

298

00:14:54,440 --> 00:14:51,990

looking creature on the rock

299

00:14:56,270 --> 00:14:54,450

it could be don't furrow something

300

00:14:57,860 --> 00:14:56,280

that's decayed on the rock you know that

301

00:15:02,360 --> 00:14:57,870

faces the fact that we found anomalies

302

00:15:06,230 --> 00:15:02,370

it's the whole point of it news Domenic

303

00:15:08,510 --> 00:15:06,240

about the group of scientists who

304

00:15:11,540 --> 00:15:08,520

written a paper saying they think

305

00:15:15,490 --> 00:15:11,550

they've seen something akin to mushrooms

306

00:15:17,690 --> 00:15:15,500

growing on mars yes yes yeah yeah very

307

00:15:19,910 --> 00:15:17,700

interesting yeah looks really weird have

308

00:15:22,220 --> 00:15:19,920

you seen it yeah yeah yeah I read the

309

00:15:24,380 --> 00:15:22,230

paper yeah it's pretty interesting what

310

00:15:27,980 --> 00:15:24,390

they did was they went out there they

311

00:15:31,190 --> 00:15:27,990

saw these these roundish objects and

312

00:15:33,890 --> 00:15:31,200

very curious and of course what they did

313

00:15:36,350 --> 00:15:33,900

was that they took it around to various

314

00:15:38,690 --> 00:15:36,360

and sundry a mushroom fungus specialist

315

00:15:40,850 --> 00:15:38,700

and said what do you think this is and

316

00:15:42,500 --> 00:15:40,860

they said that they look look they look

317

00:15:47,000 --> 00:15:42,510

like mushrooms to us at least from the

318

00:15:48,350 --> 00:15:47,010

photograph it looks pretty weird I've

319

00:15:49,880 --> 00:15:48,360

seen the pitch and you know some of them

320

00:15:54,200 --> 00:15:49,890

elevates off the ground a little bit

321

00:15:56,750 --> 00:15:54,210

yeah the mundane explanation coming from

322

00:16:00,020 --> 00:15:56,760

NASA is that it's a mineral known as

323

00:16:06,140 --> 00:16:00,030

hematite but right now nobody knows for

324

00:16:07,730 --> 00:16:06,150

sure yeah yeah I also wanted to just let

325

00:16:11,660 --> 00:16:07,740

our listeners know that there are

326

00:16:13,370 --> 00:16:11,670

thousands of people probably hundreds of

327

00:16:15,800 --> 00:16:13,380

thousands who are actively involved in

328

00:16:20,870 --> 00:16:15,810

trying to find anomalies on the moon on

329

00:16:24,320 --> 00:16:20,880

Mars on meteors and also wanted to ask

330

00:16:27,320 --> 00:16:24,330

you Dominic you're you're posting being

331

00:16:29,710 --> 00:16:27,330

an officer in that organization can you

332

00:16:33,650 --> 00:16:29,720

explain what it is so people understand

333

00:16:34,759 --> 00:16:33,660

um well I explained earlier that we just

334

00:16:37,189 --> 00:16:34,769

normally hunting

335

00:16:39,220 --> 00:16:37,199

and I'll make as posting office there

336

00:16:43,910 --> 00:16:39,230

okay around the groups making sure that

337

00:16:45,619 --> 00:16:43,920

our finds that posted to the right

338

00:16:47,960 --> 00:16:45,629

places on our page

339

00:16:50,269 --> 00:16:47,970

I've just got a rough date needs and you

340

00:16:53,030 --> 00:16:50,279

know you do admin work and that sort of

341

00:16:58,069 --> 00:16:53,040

stuff right yeah you know I'm a small

342

00:17:00,229 --> 00:16:58,079

will in the big [h__h] you know it's great

343

00:17:01,699 --> 00:17:00,239

it's a lot of fun can you tell us a

344

00:17:04,010 --> 00:17:01,709

little bit more about your blog and the

345

00:17:08,899 --> 00:17:04,020

kinds of subjects that you cover yeah

346

00:17:11,019 --> 00:17:08,909

and anything from UFOs to do a

347

00:17:14,149 --> 00:17:11,029

paranormal anything to do with

348

00:17:16,730 --> 00:17:14,159

interstellar space travel you know

349

00:17:19,370 --> 00:17:16,740

anything that minterm it's just a new

350

00:17:22,760 --> 00:17:19,380

blog it's only a year old and only got

351

00:17:25,189 --> 00:17:22,770

like five articles on the main as he

352

00:17:27,230 --> 00:17:25,199

nature I'm only just starting to you

353

00:17:29,870 --> 00:17:27,240

know peek my head and start in this

354

00:17:31,730 --> 00:17:29,880

industry you know like yourself you're

355

00:17:35,299 --> 00:17:31,740

doing really you know great great things

356

00:17:40,519 --> 00:17:35,309

and you know some just takes time to be

357

00:17:42,919 --> 00:17:40,529

able to build stuff up yeah you were

358

00:17:46,100 --> 00:17:42,929

mentioning to me earlier about Timothy

359

00:17:48,200 --> 00:17:46,110

good and a certain book do you have any

360

00:17:49,340 --> 00:17:48,210

information to share about anything you

361

00:17:50,180 --> 00:17:49,350

may have discovered through your

362

00:17:53,539 --> 00:17:50,190

research

363

00:17:57,049 --> 00:17:53,549

yeah I think Timothy could one be

364

00:17:59,060 --> 00:17:57,059

specific school need to know and it's I

365

00:18:04,789 --> 00:17:59,070

read it a couple years after had died

366

00:18:07,760 --> 00:18:04,799

stand when I was ill and basically it

367

00:18:11,600 --> 00:18:07,770

had one part near the back of the book

368

00:18:14,500 --> 00:18:11,610

where had a I think it was a journalist

369

00:18:18,320 --> 00:18:14,510

was driving back and it was dark and she

370

00:18:20,930 --> 00:18:18,330

saw the light and it's shown on her she

371

00:18:23,180 --> 00:18:20,940

felt sick yeah she actually physically

372

00:18:26,389 --> 00:18:23,190

felt sick when she looked it's done so

373

00:18:29,450 --> 00:18:26,399

it's one story that's really family

374

00:18:31,850 --> 00:18:29,460

sticks out in that book so yeah it's

375

00:18:33,950 --> 00:18:31,860

really fast me yeah and just so our

376

00:18:36,680 --> 00:18:33,960

listeners know which book that is

377

00:18:39,470 --> 00:18:36,690

because I'll go ahead and repeat it and

378

00:18:41,570 --> 00:18:39,480

that is a author Timothy good need to

379

00:18:44,810 --> 00:18:41,580

know UFOs military and intelligence

380

00:18:47,920 --> 00:18:44,820

really good book and you can find that

381

00:18:50,320 --> 00:18:47,930

really anywhere including Amazon

382

00:18:54,190 --> 00:18:50,330

also wanted to ask you a little bit

383

00:18:56,770 --> 00:18:54,200

about Erich von däniken you know I read

384

00:19:00,310 --> 00:18:56,780

Chariots of the Gods when I was growing

385

00:19:03,670 --> 00:19:00,320

up just my book in fact it's almost

386

00:19:05,440 --> 00:19:03,680

really unreadable you know because I've

387

00:19:07,570 --> 00:19:05,450

read it so many times I was gonna ask

388

00:19:10,030 --> 00:19:07,580

you did that book make an impact on your

389

00:19:12,580 --> 00:19:10,040

life if it did did Whitley strippers

390

00:19:18,670 --> 00:19:12,590

book and any other books make an impact

391

00:19:23,500 --> 00:19:18,680

on you yeah no mainly yeah may need Eric

392

00:19:27,340 --> 00:19:23,510

Fonda and or say all the works of trying

393

00:19:29,380 --> 00:19:27,350

to think he's my Graham Hancock us

394

00:19:32,530 --> 00:19:29,390

phases the ones that all my friends

395

00:19:35,410 --> 00:19:32,540

because I was growing up and that age

396

00:19:37,180 --> 00:19:35,420

case got later but had fantastic we

397

00:19:38,680 --> 00:19:37,190

wanted to move on over to the unknown

398

00:19:41,830 --> 00:19:38,690

Aki side of things

399

00:19:43,840 --> 00:19:41,840

Anunnaki that subject matter is really

400

00:19:45,790 --> 00:19:43,850

interesting subject a lot of ancient

401
00:19:49,870 --> 00:19:45,800
alien theorists love talking about it

402
00:19:52,270 --> 00:19:49,880
and you seem to cover that a lot can you

403
00:19:55,660 --> 00:19:52,280
tell us a little bit yeah a little bit

404
00:19:58,690 --> 00:19:55,670
Anunnaki history is Billy Carson is

405
00:20:00,820 --> 00:19:58,700
great and he found it and he's on

406
00:20:04,330 --> 00:20:00,830
Instagram everywhere but it's really

407
00:20:06,820 --> 00:20:04,340
popular yeah we basically anything from

408
00:20:10,720 --> 00:20:06,830
the great flood anything from biblical

409
00:20:15,840 --> 00:20:10,730
from Mesopotamia from Egypt and Greece

410
00:20:18,310 --> 00:20:15,850
as well anything to do with mystical

411
00:20:20,560 --> 00:20:18,320
beliefs basically whether they're true

412
00:20:23,350 --> 00:20:20,570
or not the minister and we all believe

413
00:20:25,270 --> 00:20:23,360

that the Anunnaki gods ruled there's the

414

00:20:27,310 --> 00:20:25,280

Kings list as well that has all the

415

00:20:29,680 --> 00:20:27,320

Kings that ruled and a lot of these

416

00:20:32,549 --> 00:20:29,690

Kings they wrote 400 see it hundreds of

417

00:20:34,690 --> 00:20:32,559

years and and it's in the first

418

00:20:36,460 --> 00:20:34,700

scriptures that earn from the old

419

00:20:38,470 --> 00:20:36,470

scriptures on earth actually the first

420

00:20:49,210 --> 00:20:38,480

written language so it's always really

421

00:20:59,900 --> 00:20:54,620

my fluster drop and she did left so

422

00:21:01,760 --> 00:20:59,910

let's read her to the call i'm just let

423

00:21:04,340 --> 00:21:01,770

you know franklin because of the mix-up

424

00:21:06,350 --> 00:21:04,350

in time so kb and our past

425

00:21:08,330 --> 00:21:06,360

uh yeah that's fine that's why so

426
00:21:08,750 --> 00:21:08,340
another ten minutes yeah yeah you're

427
00:21:11,120 --> 00:21:08,760
back

428
00:21:11,960 --> 00:21:11,130
oh yeah no I'm sorry I meant to ask I

429
00:21:13,970 --> 00:21:11,970
don't know if anybody heard my question

430
00:21:16,220 --> 00:21:13,980
but I meant that you dropped out you

431
00:21:17,720 --> 00:21:16,230
dropped out okay yeah about a really

432
00:21:20,390 --> 00:21:17,730
fascinating subject I'll go ahead and

433
00:21:22,010 --> 00:21:20,400
just start over and that is about the

434
00:21:25,130 --> 00:21:22,020
subject of anunnaki

435
00:21:28,190 --> 00:21:25,140
and it's really a fascinating subject a

436
00:21:30,110 --> 00:21:28,200
lot of ancient astronaut theorists love

437
00:21:32,510 --> 00:21:30,120
talking about this subject and for good

438
00:21:35,270 --> 00:21:32,520

reason I know dominic has studied it for

439

00:21:38,210 --> 00:21:35,280

many years and he also went to a certain

440

00:21:41,390 --> 00:21:38,220

Museum and had a basically a field trip

441

00:21:43,100 --> 00:21:41,400

with a really famous guest to show him

442

00:21:44,780 --> 00:21:43,110

around I wanted to know if you could

443

00:21:48,110 --> 00:21:44,790

start off by talking a little bit about

444

00:21:50,930 --> 00:21:48,120

the Annunaki that subject and then move

445

00:21:56,810 --> 00:21:50,940

on to that I think he might have got cut

446

00:21:58,250 --> 00:21:56,820

off when I was speaking about it yeah

447

00:22:00,170 --> 00:21:58,260

I've got some interesting stuff to

448

00:22:03,230 --> 00:22:00,180

disclose about actually chart I'm glad

449

00:22:06,500 --> 00:22:03,240

you asked that question right then let's

450

00:22:09,290 --> 00:22:06,510

go get on with it I yeah I took Jaden

451

00:22:11,900 --> 00:22:09,300

Smith out yes Moni and Museum in Oxford

452

00:22:15,560 --> 00:22:11,910

he wanted to see the king's list which I

453

00:22:17,390 --> 00:22:15,570

was talking about earlier so um yeah so

454

00:22:19,360 --> 00:22:17,400

I met up with him he took his best

455

00:22:22,730 --> 00:22:19,370

friend the other bodyguard burger and

456

00:22:25,180 --> 00:22:22,740

yeah aid him around all the Egyptian

457

00:22:29,420 --> 00:22:25,190

stuff obviously we were there to see the

458

00:22:32,810 --> 00:22:29,430

Sumerian relics and the clay tablets so

459

00:22:34,160 --> 00:22:32,820

I took him to see all those which really

460

00:22:37,100 --> 00:22:34,170

really you know it's a really

461

00:22:39,710 --> 00:22:37,110

fascinating um day out so we started

462

00:22:41,480 --> 00:22:39,720

talking about life you know flat what

463

00:22:44,450 --> 00:22:41,490

are those ask me questions about why do

464

00:22:46,760 --> 00:22:44,460

people do flat earth and all this sauce

465

00:22:48,860 --> 00:22:46,770

though I don't believe in that and we

466

00:22:50,570 --> 00:22:48,870

that conversation about that and then he

467

00:22:55,190 --> 00:22:50,580

started talking about when he met brocco

468

00:22:56,660 --> 00:22:55,200

bomber and as like Isis brought it out

469

00:22:58,880 --> 00:22:56,670

of the blue and he said that I would say

470

00:23:01,190 --> 00:22:58,890

brought a bumper and the first thing

471

00:23:04,160 --> 00:23:01,200

said to me this

472

00:23:06,140 --> 00:23:04,170

I cannot confirm or deny the existence

473

00:23:08,750 --> 00:23:06,150

of aliens and that's all I'm going to

474

00:23:09,890 --> 00:23:08,760

say and that that was it and he told me

475

00:23:11,150 --> 00:23:09,900

there he said I should be telling you

476

00:23:17,540 --> 00:23:11,160

yes I probably shouldn't be telling you

477

00:23:18,650 --> 00:23:17,550

this I did have a question of course you

478

00:23:22,160 --> 00:23:18,660

know I would have a question about that

479

00:23:25,310 --> 00:23:22,170

for first of all well I'm a little

480

00:23:26,630 --> 00:23:25,320

speechless here just to be clear first

481

00:23:29,450 --> 00:23:26,640

let me tell my listeners a little bit

482

00:23:31,430 --> 00:23:29,460

about who Jaden Smith is although I'm

483

00:23:35,150 --> 00:23:31,440

sure everybody's guessed that is the son

484

00:23:37,430 --> 00:23:35,160

of Will Smith and he was born in 98 es

485

00:23:40,520 --> 00:23:37,440

American rapper singer songwriter actor

486

00:23:44,960 --> 00:23:40,530

and also people just loved following him

487

00:23:46,940 --> 00:23:44,970

on social media wanted to ask you you

488

00:23:49,010 --> 00:23:46,950

are talking about Jaden Smith when you

489

00:23:51,110 --> 00:23:49,020

say that having visited Obama that's a

490

00:23:53,870 --> 00:23:51,120

part of me address is that correct just

491

00:23:55,460 --> 00:23:53,880

what yeah okay and then regarding what

492

00:23:57,860 --> 00:23:55,470

you just said that's something he

493

00:23:59,060 --> 00:23:57,870

disclosed to you is that correct yes yes

494

00:24:02,870 --> 00:23:59,070

that's right yes she went home of his

495

00:24:04,880 --> 00:24:02,880

dad so I don't know if he said that to

496

00:24:06,290 --> 00:24:04,890

him because he knows his dad was in men

497

00:24:08,480 --> 00:24:06,300

and black and he wanted to know so you

498

00:24:14,030 --> 00:24:08,490

just come out of it to say I'm doing

499

00:24:16,730 --> 00:24:14,040

this now and that's it we don't really

500

00:24:19,280 --> 00:24:16,740

know the contacts yes joking around or

501
00:24:21,230 --> 00:24:19,290
being semi-serious or serie night by the

502
00:24:26,110 --> 00:24:21,240
way he said it to me it was that he was

503
00:24:29,000 --> 00:24:26,120
being serious yeah

504
00:24:30,460 --> 00:24:29,010
after having you know I missed the part

505
00:24:33,020 --> 00:24:30,470
when you're talking about the Anunnaki

506
00:24:35,870 --> 00:24:33,030
what I wanted to ask you is what

507
00:24:39,140 --> 00:24:35,880
motivated you to become so fascinated

508
00:24:42,560 --> 00:24:39,150
about such an interesting topic well

509
00:24:45,890 --> 00:24:42,570
having a Catholic upbringing and I went

510
00:24:48,980 --> 00:24:45,900
to school at the nunnery and you fed all

511
00:24:50,420 --> 00:24:48,990
these lies and deceits and stuff like

512
00:24:52,910 --> 00:24:50,430
that but I just found some of the

513
00:24:56,510 --> 00:24:52,920

stories especially Old Testament really

514

00:24:59,870 --> 00:24:56,520

fascinating so after you know I ditched

515

00:25:01,220 --> 00:24:59,880

religions inside left school but didn't

516

00:25:05,330 --> 00:25:01,230

wanna be a Catholic anymore I just

517

00:25:08,240 --> 00:25:05,340

didn't like it and I iced but some of

518

00:25:10,010 --> 00:25:08,250

the stories wrong train there well I was

519

00:25:11,780 --> 00:25:10,020

always told they were true by the nuns

520

00:25:13,250 --> 00:25:11,790

and then when I got older they said no

521

00:25:14,049 --> 00:25:13,260

that your stories to tell you at

522

00:25:15,489 --> 00:25:14,059

meanings

523

00:25:17,769 --> 00:25:15,499

like that so there's a lot of

524

00:25:20,409 --> 00:25:17,779

contradictions in their religion itself

525

00:25:22,209 --> 00:25:20,419

I noticed one of the interesting

526

00:25:24,369 --> 00:25:22,219

articles you've got at your website is

527

00:25:26,619 --> 00:25:24,379

related to some of that ancient art and

528

00:25:27,849 --> 00:25:26,629

there's a little bit of a crossover I

529

00:25:30,609 --> 00:25:27,859

think and some of the things that have

530

00:25:32,259 --> 00:25:30,619

been pointed out where they're sort of a

531

00:25:33,849 --> 00:25:32,269

religious in nature but maybe there's a

532

00:25:35,830 --> 00:25:33,859

little bit of a UFO stuck in the

533

00:25:36,969 --> 00:25:35,840

background so I you wrote that up a

534

00:25:43,409 --> 00:25:36,979

little bit once you tell us a little bit

535

00:25:47,589 --> 00:25:45,580

just having a look through my book now

536

00:25:51,009 --> 00:25:47,599

no I did I

537

00:25:56,169 --> 00:25:51,019

I did like her fascinating art history

538

00:25:57,909 --> 00:25:56,179

of UFOs scratching from you know a

539

00:26:06,639 --> 00:25:57,919

hundred years ago a hundred year history

540

00:26:10,659 --> 00:26:06,649

and also I did a video on the sts-80

541

00:26:13,389 --> 00:26:10,669

incident which I finds one of the most

542

00:26:15,310 --> 00:26:13,399

incredible pieces of footage I've ever

543

00:26:17,950 --> 00:26:15,320

seen in my life that still fascinates me

544

00:26:21,249 --> 00:26:17,960

just today this was I think that's the

545

00:26:22,839 --> 00:26:21,259

shuttle flight where the UFO sort of

546

00:26:27,609 --> 00:26:22,849

does the right angle does that real

547

00:26:29,919 --> 00:26:27,619

sharp angle turn it yet yeah but it's

548

00:26:33,219 --> 00:26:29,929

not that footage that I put on there

549

00:26:36,219 --> 00:26:33,229

it's yes the footage where these orbs

550

00:26:38,349 --> 00:26:36,229

try vests they go into like a hexagon or

551
00:26:40,029 --> 00:26:38,359
something and these like lights it's

552
00:26:42,129 --> 00:26:40,039
like they're showing off at a camera and

553
00:26:44,619 --> 00:26:42,139
and they disappear and they're all

554
00:26:47,019 --> 00:26:44,629
flying around you know it's really

555
00:26:50,529 --> 00:26:47,029
fascinating that hello to the blog and

556
00:26:52,089 --> 00:26:50,539
much it's really good it's the full

557
00:26:54,969 --> 00:26:52,099
footage is where you get to see it's

558
00:26:56,619 --> 00:26:54,979
unedited from NASA as well so it's you

559
00:26:59,440 --> 00:26:56,629
know it's really good and just that's

560
00:27:01,989 --> 00:26:59,450
just amazing but you know you it people

561
00:27:04,149 --> 00:27:01,999
say could be particles or stuff but no

562
00:27:06,849 --> 00:27:04,159
way do they stop make a formation and

563
00:27:09,759 --> 00:27:06,859

then disperse it's just it's really cool

564

00:27:11,799 --> 00:27:09,769

i'm dominic people like nick pope and

565

00:27:15,759 --> 00:27:11,809

many others have said that and

566

00:27:20,469 --> 00:27:15,769

rightfully so and that your government

567

00:27:22,869 --> 00:27:20,479

may be hiding decades do you think that

568

00:27:24,940 --> 00:27:22,879

it is a good idea for governments to

569

00:27:26,769 --> 00:27:24,950

keep some information like that secret

570

00:27:27,890 --> 00:27:26,779

and not disclose it to the public or

571

00:27:29,240 --> 00:27:27,900

deserve

572

00:27:31,790 --> 00:27:29,250

do you think the public has a right to

573

00:27:34,660 --> 00:27:31,800

know I think that probably has the right

574

00:27:36,830 --> 00:27:34,670

to know I think it's deeply umbria

575

00:27:40,970 --> 00:27:36,840

I've read stories about Winston

576
00:27:43,610 --> 00:27:40,980
Churchill having meetings with President

577
00:27:45,620 --> 00:27:43,620
Roosevelt or something about all deaths

578
00:27:47,690 --> 00:27:45,630
and to cover it up

579
00:27:51,740 --> 00:27:47,700
the Queen's involved apparently Prince

580
00:27:53,570 --> 00:27:51,750
Phillip is that he's a dear if I believe

581
00:27:55,610 --> 00:27:53,580
and really he's a researcher on

582
00:27:57,320 --> 00:27:55,620
apparently it's the key quarter I've

583
00:27:59,240 --> 00:27:57,330
heard that I got me back in the day I

584
00:28:02,090 --> 00:27:59,250
think Lord Mountbatten before he was

585
00:28:04,370 --> 00:28:02,100
young yes much into it as well yeah yeah

586
00:28:14,830 --> 00:28:04,380
that's good to know more about Britain

587
00:28:20,660 --> 00:28:14,840
to me really I think our military

588
00:28:22,730 --> 00:28:20,670

definitely actively debunking hiding I'm

589

00:28:24,830 --> 00:28:22,740

reminiscing about eight years ago but

590

00:28:27,560 --> 00:28:24,840

this woman's horses got mutilated in

591

00:28:30,049 --> 00:28:27,570

England and it's just really weird how

592

00:28:34,430 --> 00:28:30,059

they what happened to them their bits

593

00:28:37,730 --> 00:28:34,440

missing how lady she did interview on

594

00:28:39,410 --> 00:28:37,740

post the case about it and the police

595

00:28:41,480 --> 00:28:39,420

did not want to have anything to do with

596

00:28:48,740 --> 00:28:41,490

it even though it had evidence of

597

00:28:51,680 --> 00:28:48,750

witness and stuff like they said that

598

00:28:58,870 --> 00:28:51,690

every time you I mean I remember in a

599

00:29:01,820 --> 00:28:58,880

2000 2008 there was in Wales there was a

600

00:29:06,620 --> 00:29:01,830

UFO seen by policeman in a helicopter

601
00:29:09,650 --> 00:29:06,630
and no one would listen to them I how

602
00:29:11,960 --> 00:29:09,660
high up it goes yeah you know the

603
00:29:14,000 --> 00:29:11,970
subject of black helicopters and Adamle

604
00:29:17,480 --> 00:29:14,010
relations go back decades

605
00:29:19,130 --> 00:29:17,490
I remember reading a lot just copious

606
00:29:23,380 --> 00:29:19,140
amounts of material about Linda Moulton

607
00:29:26,120 --> 00:29:23,390
Howes research and in fact in New Mexico

608
00:29:27,890 --> 00:29:26,130
and for those folks who are around the

609
00:29:30,440 --> 00:29:27,900
world New Mexico's in the United States

610
00:29:32,810 --> 00:29:30,450
that state is the only state in the

611
00:29:35,210 --> 00:29:32,820
world I'm sorry in the in the in the US

612
00:29:38,570 --> 00:29:35,220
that has its own Sheriff's Posse to

613
00:29:40,780 --> 00:29:38,580

investigate cattle mutilations or animal

614

00:29:43,110 --> 00:29:40,790

mutilations is

615

00:29:46,630 --> 00:29:43,120

is there a phenomenon going on regarding

616

00:29:49,900 --> 00:29:46,640

animal mutilations at all in England no

617

00:29:52,570 --> 00:29:49,910

not not told not that I hear of okay

618

00:29:57,070 --> 00:29:52,580

well we we're famous for our crop cycle

619

00:29:58,570 --> 00:29:57,080

song can you share just a little bit

620

00:30:01,150 --> 00:29:58,580

about that like have you ever driven by

621

00:30:03,700 --> 00:30:01,160

one or have you seen the episode one

622

00:30:05,950 --> 00:30:03,710

I've seen I've seen loads from the time

623

00:30:10,510 --> 00:30:05,960

it's not snow meter South of England

624

00:30:13,690 --> 00:30:10,520

near coal more above Cornwall's that

625

00:30:21,039 --> 00:30:13,700

that there may need yeah it mainly seen

626

00:30:23,320 --> 00:30:21,049

I mean partly it's not really a northern

627

00:30:27,419 --> 00:30:23,330

thing in England it's more suffering

628

00:30:30,280 --> 00:30:27,429

because it the farm grain or something

629

00:30:33,970 --> 00:30:30,290

but there is a UFO map you can google

630

00:30:36,600 --> 00:30:33,980

and it sits back crop the circle sorry

631

00:30:38,799 --> 00:30:36,610

and it's just a massive massively

632

00:30:40,930 --> 00:30:38,809

everywhere in the world it's obviously

633

00:30:42,669 --> 00:30:40,940

where the main hub but I'm it's

634

00:30:45,039 --> 00:30:42,679

spreading everywhere so whether it's

635

00:30:47,350 --> 00:30:45,049

hopes is I believe most of them are

636

00:30:49,180 --> 00:30:47,360

unfair sleeper seen some of the

637

00:30:51,760 --> 00:30:49,190

intricate ones that he's seen and

638

00:30:53,049 --> 00:30:51,770

they've popped up overnight and the

639

00:30:55,210 --> 00:30:53,059

farmers like no way

640

00:30:57,850 --> 00:30:55,220

kids of someone I've done that you know

641

00:30:59,380 --> 00:30:57,860

and yeah I would not know I was noticed

642

00:31:01,240 --> 00:30:59,390

you know and and it's normally in the

643

00:31:03,190 --> 00:31:01,250

summer so you don't get much nighttime

644

00:31:08,730 --> 00:31:03,200

you know don't get much you know so you

645

00:31:11,650 --> 00:31:08,740

might get five hours nighttime so yeah

646

00:31:13,659 --> 00:31:11,660

yeah it must be interesting if NASA

647

00:31:16,900 --> 00:31:13,669

happens to have a satellite you know

648

00:31:24,909 --> 00:31:16,910

right on a on an area where a crop

649

00:31:27,430 --> 00:31:24,919

circles forming you know they probably

650

00:31:30,130 --> 00:31:27,440

have information on that um I was gonna

651
00:31:31,750 --> 00:31:30,140
ask you about this closure you know

652
00:31:34,890 --> 00:31:31,760
there was a really interesting article

653
00:31:39,730 --> 00:31:34,900
that came out I think it was December 16

654
00:31:41,650 --> 00:31:39,740
2007 teen about a few videos that the

655
00:31:43,570 --> 00:31:41,660
government disclosed being the United

656
00:31:48,280 --> 00:31:43,580
States government about some interesting

657
00:31:51,100 --> 00:31:48,290
of flying objects and was going to ask

658
00:31:52,630 --> 00:31:51,110
you there there's a little bit of trip

659
00:31:54,490 --> 00:31:52,640
going on you know a little bit of

660
00:31:58,570 --> 00:31:54,500
information from governments around the

661
00:31:59,710 --> 00:31:58,580
world about UFOs and stuff like that do

662
00:32:02,370 --> 00:31:59,720
you think that there's going to be

663
00:32:04,090 --> 00:32:02,380

disclosure in our lifetime about

664

00:32:06,670 --> 00:32:04,100

extraterrestrial intelligence from

665

00:32:08,560 --> 00:32:06,680

governments yeah but as some when you

666

00:32:12,190 --> 00:32:08,570

cut out I didn't say to Frank I've got

667

00:32:14,350 --> 00:32:12,200

leave at half past this would be my last

668

00:32:15,700 --> 00:32:14,360

question to finish it off and I think we

669

00:32:21,190 --> 00:32:15,710

could do this properly another day um

670

00:32:23,580 --> 00:32:21,200

but yes a disclosure I think the way

671

00:32:26,530 --> 00:32:23,590

that the world's going and the way that

672

00:32:28,750 --> 00:32:26,540

everyone's acting everyone's more aware

673

00:32:31,360 --> 00:32:28,760

the world has become a closed net place

674

00:32:33,250 --> 00:32:31,370

now because of the internet technology

675

00:32:35,110 --> 00:32:33,260

is getting better there's only a certain

676
00:32:37,240 --> 00:32:35,120
amount of time and I'm I'm hoping that

677
00:32:40,260 --> 00:32:37,250
the government will get property to Lynn

678
00:32:42,820 --> 00:32:40,270
and they will say enough enough let's

679
00:32:45,460 --> 00:32:42,830
disclose it I think it's not the

680
00:32:47,650 --> 00:32:45,470
government I think it's the military you

681
00:32:52,300 --> 00:32:47,660
know complex industrial military complex

682
00:32:54,640 --> 00:32:52,310
but people call it it's it's it's so

683
00:32:56,620 --> 00:32:54,650
embedded in the military I think the

684
00:32:58,150 --> 00:32:56,630
military are the ones actually in

685
00:33:01,510 --> 00:32:58,160
control of this I don't think the

686
00:33:04,090 --> 00:33:01,520
government after power you know there's

687
00:33:05,740 --> 00:33:04,100
stuff that it's I mean let's say your

688
00:33:09,010 --> 00:33:05,750

president wanted to walk into area 51

689

00:33:09,940 --> 00:33:09,020

and I want to see files on everything

690

00:33:13,350 --> 00:33:09,950

ain't gonna happen

691

00:33:17,590 --> 00:33:13,360

no not for love nor money you know

692

00:33:20,410 --> 00:33:17,600

always we've just got to make the save

693

00:33:22,120 --> 00:33:20,420

well I would love to go ahead and just

694

00:33:25,320 --> 00:33:22,130

you shared about President Obama and

702
00:33:45,640 --> 00:33:42,700

Frank for me okay go ahead yeah I wanted

to ask you have you ever had the

721

00:34:42,550 --> 00:34:40,520

opportunity to go to England no I've

722

00:34:44,409 --> 00:34:42,560

never been there someday I will get over

723

00:34:46,360 --> 00:34:44,419

there someday yes I'm actually gonna

724

00:34:51,010 --> 00:34:46,370

drive when I go I'm gonna drive on the

725

00:34:52,659 --> 00:34:51,020

long side of the road I would love to go

726

00:34:54,250 --> 00:34:52,669

to England it's absolutely stunning over

727

00:34:55,990 --> 00:34:54,260

there well I'm just so glad that we had

728

00:34:57,490 --> 00:34:56,000

this show today and thank you so much by

729

00:35:01,480 --> 00:34:57,500

the way you know it wouldn't surprise me

730

00:35:04,300 --> 00:35:01,490

if you know some media outlets ran with

731

00:35:05,980 --> 00:35:04,310

what was just said here on our show this

732

00:35:08,080 --> 00:35:05,990

might end up being a bigger show than we

733

00:35:08,620 --> 00:35:08,090

realise you just never know yep you

734

00:35:10,510 --> 00:35:08,630

never know

735

00:35:12,280 --> 00:35:10,520

okay well let's wrap it up we're gonna

736

00:35:13,330 --> 00:35:12,290

be back Sunday yeah chant you want to go

737

00:35:15,720 --> 00:35:13,340

ahead and announce who's gonna be

738

00:35:21,640 --> 00:35:15,730

joining us Sunday we want to hold that

739

00:35:24,040 --> 00:35:21,650

very so this will be a good one right

740

00:35:25,630 --> 00:35:24,050

we've had a very busy week with a lot of

741

00:35:27,160 --> 00:35:25,640

important guests and one of the

742

00:35:28,990 --> 00:35:27,170

important guests will have who's known

743

00:35:30,340 --> 00:35:29,000

worldwide actually is chase klutz key

744

00:35:34,230 --> 00:35:30,350

she's a former director of

745

00:35:36,040 --> 00:35:34,240

investigations for a MUFON a

746

00:35:39,490 --> 00:35:36,050

organization that's been around for half

747

00:35:43,330 --> 00:35:39,500

a century and she had an incredibly

748

00:35:46,140 --> 00:35:43,340

great run there and she left on her own

749

00:35:48,910 --> 00:35:46,150

terms which was extremely positive and

750

00:35:51,190 --> 00:35:48,920

just wanted to let everybody know fact

751
00:35:53,620 --> 00:35:51,200
from fiction regarding her having left

752
00:35:56,830 --> 00:35:53,630
that will be this Sunday at 10:00 a.m.

753
00:35:58,830 --> 00:35:56,840
Mountain Standard time and also wanted

754
00:36:01,600 --> 00:35:58,840
to let everybody know an interesting

755
00:36:03,910 --> 00:36:01,610
thing I discovered and it's kind of an

756
00:36:06,850 --> 00:36:03,920
odd thing but when you type in Mountain

757
00:36:08,830 --> 00:36:06,860
Standard Time I've noticed that there's

758
00:36:11,170 --> 00:36:08,840
sometimes an issue break maybe you can

759
00:36:12,790 --> 00:36:11,180
chime in on this but so so for example I

760
00:36:15,880 --> 00:36:12,800
spent a lot of time in the southwest

761
00:36:18,820 --> 00:36:15,890
both in New Mexico Arizona Las Vegas

762
00:36:20,680 --> 00:36:18,830
California and when I'm in Arizona

763
00:36:22,690 --> 00:36:20,690

and I tell people okay I'm going to be

764

00:36:24,430 --> 00:36:22,700

on at 10:00 a.m. Mountain Standard you

765

00:36:26,560 --> 00:36:24,440

know what I was thinking about that you

766

00:36:27,730 --> 00:36:26,570

can you explain that issue you know

767

00:36:30,310 --> 00:36:27,740

because there seems to be an issue

768

00:36:32,470 --> 00:36:30,320

regarding our yeah Arizona is one of the

769

00:36:34,900 --> 00:36:32,480

few states that doesn't move their

770

00:36:37,870 --> 00:36:34,910

clocks forward and spring and summer and

771

00:36:39,220 --> 00:36:37,880

into fall no way leaving the same year

772

00:36:41,080 --> 00:36:39,230

round it's not about right I don't know

773

00:36:43,120 --> 00:36:41,090

I don't live there right and me by

774

00:36:44,980 --> 00:36:43,130

surprise here you know what you got to

775

00:36:47,170 --> 00:36:44,990

do then is just tell people you're on

776

00:36:49,210 --> 00:36:47,180

West Coast time now okay okay I'll do

777

00:36:50,980 --> 00:36:49,220

that it's very big just resolve it but

778

00:36:53,200 --> 00:36:50,990

let me explain a little bit about what

779

00:36:55,510 --> 00:36:53,210

why that's an issue so when people look

780

00:36:58,870 --> 00:36:55,520

at Mountain Standard Time so for example

781

00:36:59,380 --> 00:36:58,880

right now I just so happened to be in

782

00:37:02,770 --> 00:36:59,390

Arizona

783

00:37:04,180 --> 00:37:02,780

it's 10:30 4:00 a.m. but if you I think

784

00:37:05,950 --> 00:37:04,190

if you look up Mountain Standard Time

785

00:37:08,920 --> 00:37:05,960

although we're on that we're considered

786

00:37:11,260 --> 00:37:08,930

on that it says 11:30 for that is

787

00:37:13,180 --> 00:37:11,270

because Arizona is the weird outlier

788

00:37:15,700 --> 00:37:13,190

state that does not change its clocks

789

00:37:19,060 --> 00:37:15,710

around that where our state has been

790

00:37:24,450 --> 00:37:19,070

abducted extraterrestrials could be

791

00:37:26,800 --> 00:37:24,460

could be you've got time time loss there

792

00:37:31,810 --> 00:37:26,810

oh yeah that would be the simplest thing

793

00:37:35,130 --> 00:37:31,820

to do because la you know Oh weird you

794

00:37:38,830 --> 00:37:35,140

know right now it's also 10:35 in LA

795

00:37:40,510 --> 00:37:38,840

it's probably 10:35 in Denver to if I'm

796

00:37:44,230 --> 00:37:40,520

sure Colorado moves their clocks around

797

00:37:45,670 --> 00:37:44,240

so is that one weird state well yeah

798

00:37:48,670 --> 00:37:45,680

just tell people you were in LA time

799

00:37:50,530 --> 00:37:48,680

that's all West Coast yeah since you

800

00:37:52,090 --> 00:37:50,540

don't move your clocks and then when

801
00:37:54,930 --> 00:37:52,100
everybody else moves their clocks back

802
00:37:57,520 --> 00:37:54,940
then you're on Mountain Time that's all

803
00:37:58,960 --> 00:37:57,530
you just resolved everything right there

804
00:38:01,810 --> 00:37:58,970
in a few moments thank you for you go

805
00:38:03,700 --> 00:38:01,820
alright well I gotta go myself I just a

806
00:38:05,950 --> 00:38:03,710
busy week and chase klutz key on Sunday
