an allegedly anomalous sample such as

69

00:04:01,409 --> 00:03:58,510

the elongated skulls in the Starchild

70

00:04:04,170 --> 00:04:01,419

skull she is committed to an ethical and

00:04:06,449 --> 00:04:04,180

professional evidence-based approach to

72

00:04:08,670 --> 00:04:06,459

the UFO phenomenon there is no

73

00:04:10,740 --> 00:04:08,680

compromise when the truth is at stake

74

00:04:15,179 --> 00:04:10,750

chase thank you for coming on to our

75

00:04:17,969 --> 00:04:15,189

show today it is so my pleasure can't

76  
00:04:22,219 --> 00:04:17,979  
you have the most beautiful radio voice

77  
00:04:28,529 --> 00:04:22,229  
of a female I've ever heard thank you

78  
00:04:29,850 --> 00:04:28,539  
that was actually frank talking we're

79  
00:04:31,379 --> 00:04:29,860  
just so thrilled they have you on the

80  
00:04:33,810 --> 00:04:31,389  
show today thank you for being here with

81  
00:04:36,000 --> 00:04:33,820  
us oh I'm looking forward to it as well

82  
00:04:38,010 --> 00:04:36,010  
yeah thanks a lot chase I really

83  
00:04:39,480 --> 00:04:38,020  
appreciate it and let's say let's not

84  
00:04:40,980 --> 00:04:39,490  
beat around the bush you've been

85  
00:04:44,370 --> 00:04:40,990  
involved in a little bit of controversy

86  
00:04:46,830 --> 00:04:44,380  
recently and this one obviously involves

87  
00:04:50,580 --> 00:04:46,840  
your involvement long-term involvement

88  
00:04:51,689 --> 00:04:50,590

with MUFON and when you recently you

89

00:04:55,170 --> 00:04:51,699

stepped down as director of

90

00:04:59,460 --> 00:04:55,180

investigations and going back through

91

00:05:01,649 --> 00:04:59,470

your bio you had been deputy director

92

00:05:06,060 --> 00:05:01,659

investigative investigations and start

93

00:05:08,939 --> 00:05:06,070

team manager through 2011 you started

94

00:05:12,240 --> 00:05:08,949

with MUFON in 96 and you had those two

95

00:05:14,460 --> 00:05:12,250

spots in 2011 then is if I'm reading

96

00:05:17,760 --> 00:05:14,470

your bio correctly you took a step back

97

00:05:19,589 --> 00:05:17,770

and then got Rhian volved and became or

98

00:05:21,060 --> 00:05:19,599

at least your involvement became a

99

00:05:23,209 --> 00:05:21,070

little bit more heightened and big and

100

00:05:27,409 --> 00:05:23,219

became director of investigations in

101  
00:05:31,409 --> 00:05:27,419  
2018 so tell us a little bit about

102  
00:05:35,909 --> 00:05:31,419  
why you step back in 2011 and then you

103  
00:05:39,320 --> 00:05:35,919  
step back up in 2018 yeah it I guess it

104  
00:05:42,059 --> 00:05:39,330  
can look quite confusing if you're I

105  
00:05:45,659 --> 00:05:42,069  
don't get that not me that knows all the

106  
00:05:47,699 --> 00:05:45,669  
details it's there's a lot of titles of

107  
00:05:49,709 --> 00:05:47,709  
booth on which annoys everybody

108  
00:05:52,049 --> 00:05:49,719  
including everyone and move on that's

109  
00:05:54,809 --> 00:05:52,059  
okay but the titles are important

110  
00:05:58,619 --> 00:05:54,819  
because they designate your job or

111  
00:06:02,569 --> 00:05:58,629  
position and we all know that the most

112  
00:06:05,429 --> 00:06:02,579  
prominent and important title in mufon

113  
00:06:09,559 --> 00:06:05,439

absolutely the most prestigious is field

114

00:06:12,089 --> 00:06:09,569

investigator and state director so I

115

00:06:15,119 --> 00:06:12,099

wanted to make that really clear because

116

00:06:18,959 --> 00:06:15,129

for 18 years and Buffon that's what I

117

00:06:21,839 --> 00:06:18,969

was a field investigator and then I had

118

00:06:24,679 --> 00:06:21,849

a chance to become the star team manager

119

00:06:27,499 --> 00:06:24,689

by just filling out a one sheet of paper

120

00:06:31,350 --> 00:06:27,509

sending it to the board of directors

121

00:06:33,809 --> 00:06:31,360

like everyone else explaining what I

122

00:06:35,999 --> 00:06:33,819

would do as a star team manager what I

123

00:06:38,969 --> 00:06:36,009

bring to the table and I was selected

124

00:06:42,869 --> 00:06:38,979

from that one piece of paper and I love

125

00:06:45,119 --> 00:06:42,879

this story because can I jump in here

126

00:06:47,850 --> 00:06:45,129

and ask for a little bit of clear up now

127

00:06:50,029 --> 00:06:47,860

was this start team was this together at

128

00:06:52,469 --> 00:06:50,039

that point or was this sort of a new

129

00:06:57,029 --> 00:06:52,479

little organization within the little

130

00:06:59,309 --> 00:06:57,039

organization or how did that all work it

131

00:07:02,850 --> 00:06:59,319

was about a year after the Bigelow

132

00:07:06,899 --> 00:07:02,860

contract you know which failed miserably

133

00:07:09,029 --> 00:07:06,909

we all know that and and unfortunately

134

00:07:11,429 --> 00:07:09,039

it was a really good idea with the wrong

135

00:07:13,949 --> 00:07:11,439

leadership in charge at that time but

136

00:07:16,559 --> 00:07:13,959

for now you know for now it was about a

137

00:07:19,109 --> 00:07:16,569

year later and we knew we needed a

138

00:07:21,929 --> 00:07:19,119

National Response Group because it was

139

00:07:23,669 --> 00:07:21,939

such a great idea and program so that

140

00:07:26,579 --> 00:07:23,679

was my job was to put this all together

141

00:07:28,529 --> 00:07:26,589

but now in a volunteer sense because

142

00:07:31,379 --> 00:07:28,539

when Bigelow had the contract with MUFON

143

00:07:34,739 --> 00:07:31,389

they were paid star team was paid which

144

00:07:38,969 --> 00:07:34,749

is amazing they weren't paid necessarily

145

00:07:39,959 --> 00:07:38,979

but their ways and means and their

146

00:07:41,609 --> 00:07:39,969

logistics

147

00:07:44,459 --> 00:07:41,619

level and all of that was reimbursed

148

00:07:47,729 --> 00:07:44,469

which was amazing I've never had that

149

00:07:51,689 --> 00:07:47,739

that's so great right so it was my job

150

00:07:55,399 --> 00:07:51,699

to bring back a national star team and

151  
00:07:59,129 --> 00:07:55,409  
that's basically to look into hot cases

152  
00:08:05,399 --> 00:07:59,139  
category three which is a case with

153  
00:08:06,749 --> 00:08:05,409  
physical evidence so I got a call and

154  
00:08:08,459 --> 00:08:06,759  
they said this is just a great story I

155  
00:08:11,249 --> 00:08:08,469  
just have to throw in because it meant

156  
00:08:13,409 --> 00:08:11,259  
so much to me Chuck Weaver called to

157  
00:08:19,139 --> 00:08:13,419  
offer me the position this was you know

158  
00:08:20,579 --> 00:08:19,149  
back in 2009 and he he had my husband

159  
00:08:22,469 --> 00:08:20,589  
answered the phone he asked for chase I

160  
00:08:24,659 --> 00:08:22,479  
get on the phone and he kind of stumbled

161  
00:08:26,729 --> 00:08:24,669  
for a moment which I didn't think much

162  
00:08:29,579 --> 00:08:26,739  
of it and he just apologized he said

163  
00:08:31,409 --> 00:08:29,589

chase I I'm sorry I'm calling at this a

164

00:08:33,689 --> 00:08:31,419

Chuck Reaver of you know Board of

165

00:08:35,159 --> 00:08:33,699

Directors a MUFON and we're calling to

166

00:08:38,129 --> 00:08:35,169

offer you the start team manager

167

00:08:39,869 --> 00:08:38,139

position but I'm a little dumbstruck

168

00:08:44,280 --> 00:08:39,879

because the one thing we didn't know is

169

00:08:45,840 --> 00:08:44,290

that you were female chase and I guess

170

00:08:49,019 --> 00:08:45,850

with my credentials it never occurred to

171

00:08:49,679 --> 00:08:49,029

them I was a female and he said this is

172

00:08:52,499 --> 00:08:49,689

even better

173

00:08:56,220 --> 00:08:52,509

and I love that because I got that job

174

00:08:59,090 --> 00:08:56,230

without any kind of gender identity it

175

00:09:02,100 --> 00:08:59,100

was all on what I brought to the table

176

00:09:04,980 --> 00:09:02,110

so it's it's one of my favorite stories

177

00:09:07,829 --> 00:09:04,990

I'd like to look back on and and I like

178

00:09:10,769 --> 00:09:07,839

to remind people sometimes when you know

179

00:09:13,439 --> 00:09:10,779

they want to talk about you know the

180

00:09:16,710 --> 00:09:13,449

treatment of women and move on it's like

181

00:09:19,249 --> 00:09:16,720

I don't know guys I maybe you expect too

182

00:09:21,869 --> 00:09:19,259

much I don't know but I love that story

183

00:09:24,569 --> 00:09:21,879

I did take a little break after star

184

00:09:28,769 --> 00:09:24,579

team that's very public it's well known

185

00:09:31,170 --> 00:09:28,779

and then I came back and I met Jan

186

00:09:36,449 --> 00:09:31,180

horizon-- for the first time at a

187

00:09:39,360 --> 00:09:36,459

conference and I was avoiding him like

188

00:09:43,429 --> 00:09:39,370

the plague actually and he invited me to

189

00:09:45,990 --> 00:09:43,439

lunch and I surprisingly even to myself

190

00:09:48,120 --> 00:09:46,000

said sure I'll go to lunch with you

191

00:09:50,189 --> 00:09:48,130

and I remember following him down the

192

00:09:52,470 --> 00:09:50,199

escalator and I'm thinking I'm not gonna

193

00:09:54,090 --> 00:09:52,480

like this man and I have definitely not

194

00:09:57,150 --> 00:09:54,100

gonna trust him

195

00:09:59,130 --> 00:09:57,160

but how interesting you know that I'm

196

00:10:02,220 --> 00:09:59,140

going to lunch with this guy I don't

197

00:10:04,350 --> 00:10:02,230

like and about 15 minutes when lunch

198

00:10:07,680 --> 00:10:04,360

started I forgot all about that

199

00:10:09,810 --> 00:10:07,690

he became really great allies and

200

00:10:11,420 --> 00:10:09,820

colleagues and I worked together ever

201  
00:10:14,790 --> 00:10:11,430  
since

202  
00:10:16,110 --> 00:10:14,800  
and then in 2018 you became a director

203  
00:10:18,329 --> 00:10:16,120  
of investigations

204  
00:10:20,100 --> 00:10:18,339  
now is this the same spot that Chris

205  
00:10:22,980 --> 00:10:20,110  
Cogswell had and then turned around and

206  
00:10:25,590 --> 00:10:22,990  
dropped fairly quickly or was he

207  
00:10:27,960 --> 00:10:25,600  
director of scientific investigations or

208  
00:10:28,620 --> 00:10:27,970  
how did the spot become available in the

209  
00:10:32,819 --> 00:10:28,630  
first place

210  
00:10:37,139 --> 00:10:32,829  
in 2018 yeah director of Investigation

211  
00:10:40,290 --> 00:10:37,149  
is move on to number two it's literally

212  
00:10:43,319 --> 00:10:40,300  
right under Jan Tarzan and the spot

213  
00:10:45,990 --> 00:10:43,329

became available because the other DOI

214

00:10:48,509 --> 00:10:46,000

or the last one was Steve Hudgens and

215

00:10:51,750 --> 00:10:48,519

not only was he being transferred to

216

00:10:53,190 --> 00:10:51,760

international it's a tough job I mean

217

00:10:55,740 --> 00:10:53,200

you know he had done it for six years

218

00:10:57,889 --> 00:10:55,750

and you know it was just time to roll

219

00:11:03,329 --> 00:10:57,899

over and do something else for a while

220

00:11:06,840 --> 00:11:03,339

so I I absolutely took the position I

221

00:11:08,939 --> 00:11:06,850

accepted it and I loved every second of

222

00:11:11,550 --> 00:11:08,949

it I have wanted to be the keyhole High

223

00:11:15,210 --> 00:11:11,560

and move on since I started everyone

224

00:11:19,319 --> 00:11:15,220

knew that I was so thrilled to have that

225

00:11:23,639 --> 00:11:19,329

position and then there just came a

226

00:11:25,800 --> 00:11:23,649

point when I'm out there I fly out to

227

00:11:27,960 --> 00:11:25,810

California in a meeting with Jan in the

228

00:11:30,389 --> 00:11:27,970

office which was funny because some of

229

00:11:32,730 --> 00:11:30,399

these rumors about us not getting along

230

00:11:35,220 --> 00:11:32,740

dropped when I was in California at the

231

00:11:37,199 --> 00:11:35,230

office as we're working together having

232

00:11:38,550 --> 00:11:37,209

a great time by the way and we're just

233

00:11:44,400 --> 00:11:38,560

looking at each other like wait what

234

00:11:48,210 --> 00:11:44,410

wait what but um you know it just things

235

00:11:53,730 --> 00:11:48,220

start piling up and the reason I step

236

00:11:56,009 --> 00:11:53,740

down as do i 100% is this how selfish it

237

00:12:01,110 --> 00:11:56,019

would be for me to continue in that

238

00:12:05,370 --> 00:12:01,120

position that really requires 40 to 60

239

00:12:07,730 --> 00:12:05,380

hours a week when almost monthly I have

240

00:12:11,900 --> 00:12:07,740

to ask everybody state direct

241

00:12:15,140 --> 00:12:11,910

and everyone else hey guys keep that

242

00:12:17,300 --> 00:12:15,150

stuff on your plate I have to go to Peru

243

00:12:19,700 --> 00:12:17,310

for two weeks and then the next month

244

00:12:21,200 --> 00:12:19,710

I'm going to be gone the entire month

245

00:12:25,730 --> 00:12:21,210

because I'm traveling with this project

246

00:12:28,640 --> 00:12:25,740

and and I promise you guys it's July

247

00:12:31,100 --> 00:12:28,650

August and maybe maybe parts of

248

00:12:34,670 --> 00:12:31,110

September but I also have two huge

249

00:12:36,080 --> 00:12:34,680

conferences in September and I realized

250

00:12:39,980 --> 00:12:36,090

oh my gosh

251

00:12:42,800 --> 00:12:39,990

I truly bit off more than I can chew so

252

00:12:46,880 --> 00:12:42,810

what do you take off your plate the

253

00:12:49,850 --> 00:12:46,890

whole thing I could take off would be

254

00:12:53,210 --> 00:12:49,860

the fairness and not to be selfish I

255

00:12:55,910 --> 00:12:53,220

wanted that job you guys oh my gosh but

256

00:12:58,190 --> 00:12:55,920

it but it wasn't fair to everyone else

257

00:13:00,320 --> 00:12:58,200

who could put the hours in who could

258

00:13:02,540 --> 00:13:00,330

give these state directors and the field

259

00:13:05,240 --> 00:13:02,550

investigators you know the full-time

260

00:13:07,280 --> 00:13:05,250

attention they deserve they deserve that

261

00:13:09,560 --> 00:13:07,290

attention they haven't always gotten it

262

00:13:12,080 --> 00:13:09,570

in the past so by me taking that

263

00:13:16,280 --> 00:13:12,090

position and just asking them to hang on

264

00:13:19,580 --> 00:13:16,290

because you know I love you guys it was

265

00:13:22,400 --> 00:13:19,590

just selfish and being able to step down

266

00:13:26,120 --> 00:13:22,410

as number two in move on to go back to

267

00:13:29,510 --> 00:13:26,130

exactly where I was a year ago I'm still

268

00:13:31,610 --> 00:13:29,520

in sat I'm still like everything the

269

00:13:34,040 --> 00:13:31,620

only thing that changed was I'm not the

270

00:13:37,220 --> 00:13:34,050

director of Investigations anymore still

271

00:13:40,400 --> 00:13:37,230

very very loyal to MUFON I'm still a

272

00:13:44,660 --> 00:13:40,410

MUFON I'm still kicking it Jan and I get

273

00:13:47,450 --> 00:13:44,670

along fabulously I we where we just got

274

00:13:50,360 --> 00:13:47,460

back from a cruise together not me and

275

00:13:52,370 --> 00:13:50,370

him together that sounded bad my husband

276

00:13:56,480 --> 00:13:52,380

was there his wife it was a MUFON

277

00:13:59,690 --> 00:13:56,490

speaking cruise you know it's a seminar

278

00:14:01,580 --> 00:13:59,700

at sea basically it was awesome we had

279

00:14:04,040 --> 00:14:01,590

the best time

280

00:14:07,100 --> 00:14:04,050

not only onboard but you know we were

281

00:14:10,160 --> 00:14:07,110

touring Mayan ruins going through

282

00:14:11,960 --> 00:14:10,170

jungles walking up these drastic steps

283

00:14:13,940 --> 00:14:11,970

and you know everybody kind of keeping

284

00:14:16,870 --> 00:14:13,950

an eye on each other and it was just an

285

00:14:20,540 --> 00:14:16,880

amazing experience but the truth is

286

00:14:21,319 --> 00:14:20,550

giving up the DOI position I still

287

00:14:26,449 --> 00:14:21,329

didn't have to give

288

00:14:29,600 --> 00:14:26,459

investigating for MUFON I just had to

289

00:14:32,720 --> 00:14:29,610

step down to the most prestigious or

290

00:14:36,019 --> 00:14:32,730

step down to the most prestigious title

291

00:14:39,559 --> 00:14:36,029

and MUFON investigator can't get that

292

00:14:43,100 --> 00:14:39,569

being number two and MUFON you know with

293

00:14:45,019 --> 00:14:43,110

more I don't know it was it was awesome

294

00:14:48,679 --> 00:14:45,029

it was a chance to maybe effect some

295

00:14:50,359 --> 00:14:48,689

changes and we did and if I if I could

296

00:14:53,419 --> 00:14:50,369

just monopolize another couple minutes

297

00:14:56,479 --> 00:14:53,429

sure happy I really wanted to say that

298

00:14:59,210 --> 00:14:56,489

in that short time as do I a lot of

299

00:15:01,160 --> 00:14:59,220

things changed and one of the things I

300

00:15:04,400 --> 00:15:01,170

loved was we needed to update the state

301

00:15:06,289 --> 00:15:04,410

directors handbook and this is because

302

00:15:08,749 --> 00:15:06,299

there are other changes in MUFON going

303

00:15:13,699 --> 00:15:08,759

on and some policy changes we had to put

304

00:15:16,660 --> 00:15:13,709

in a zero tolerance policy so for our

305

00:15:20,059 --> 00:15:16,670

zero tolerance for water any kind of

306

00:15:22,280 --> 00:15:20,069

discrimination against women race gender

307

00:15:24,859 --> 00:15:22,290

I mean all of it it's a zero policy

308

00:15:28,789 --> 00:15:24,869

against any kind of discrimination or

309

00:15:31,429 --> 00:15:28,799

any type of actions that are

310

00:15:35,179 --> 00:15:31,439

inappropriate with regards to those

311

00:15:37,389 --> 00:15:35,189

topics complete zero tolerance so you

312

00:15:40,669 --> 00:15:37,399

know there have been things in the past

313

00:15:42,859 --> 00:15:40,679

you know that a plague move on unfairly

314

00:15:45,259 --> 00:15:42,869

by the way but they still have plagued

315

00:15:46,729 --> 00:15:45,269

us because you're a MUFON member when

316

00:15:48,559 --> 00:15:46,739

it's convenient and you do something

317

00:15:50,179 --> 00:15:48,569

wrong when we're out there doing great

318

00:15:54,400 --> 00:15:50,189

things you're not a MUFON member then

319

00:15:58,129 --> 00:15:54,410

put that's just how it goes but anyway I

320

00:16:00,199 --> 00:15:58,139

in the past the state directors handbook

321

00:16:02,269 --> 00:16:00,209

was always done by the director of

322

00:16:04,069 --> 00:16:02,279

investigations and the executive

323

00:16:07,579 --> 00:16:04,079

director so that would have been me and

324

00:16:09,559 --> 00:16:07,589

Jan and I decided wait a minute the

325

00:16:11,749 --> 00:16:09,569

state directors handbook why are we not

326

00:16:14,269 --> 00:16:11,759

asking the state directors what is most

327

00:16:17,569 --> 00:16:14,279

effective they would be the experts on

328

00:16:20,419 --> 00:16:17,579

this topic so instead of Jan and I doing

329

00:16:22,309 --> 00:16:20,429

it I decided that this year or this time

330

00:16:24,530 --> 00:16:22,319

I was going to invite the state

331

00:16:28,579 --> 00:16:24,540

directors so I write down for the names

332

00:16:31,309 --> 00:16:28,589

that were like some of our best state

333

00:16:33,619 --> 00:16:31,319

directors but also our most interactive

334

00:16:35,150 --> 00:16:33,629

there they always have great ideas they

335

00:16:37,280 --> 00:16:35,160

spot issues

336

00:16:39,920 --> 00:16:37,290

you know quickly but they always come

337

00:16:43,699 --> 00:16:39,930

with sensible answers and it turned out

338

00:16:46,699 --> 00:16:43,709

to be all women so here at C's for women

339

00:16:50,809 --> 00:16:46,709

and me for the first time in MUFON an

340

00:16:52,639 --> 00:16:50,819

all-female team work you want to give

341

00:16:53,929 --> 00:16:52,649

these ladies they're doin a mom or oh

342

00:16:56,629 --> 00:16:53,939

absolutely

343

00:16:58,600 --> 00:16:56,639

dinah it down the state director in

344

00:17:03,650 --> 00:16:58,610

florida absolutely an amazing

345

00:17:07,279 --> 00:17:03,660

hard-working very fun prominent and

346

00:17:09,260 --> 00:17:07,289

successful investigator and role model

347

00:17:12,140 --> 00:17:09,270

and state director in florida and then

348

00:17:15,020 --> 00:17:12,150

we had oh my god Cheryl in South

349

00:17:18,649 --> 00:17:15,030

Carolina just a dominant force she's

350

00:17:21,350 --> 00:17:18,659

tiny she's a little dynamo so smart they

351

00:17:24,069 --> 00:17:21,360

really understand investigations and

352

00:17:26,840 --> 00:17:24,079

team-building and then we had Maureen

353

00:17:30,649 --> 00:17:26,850

Morgan in Washington the state of

354

00:17:33,799 --> 00:17:30,659

Washington just one of our newest and

355

00:17:38,750 --> 00:17:33,809

best talents she's just amazing she

356

00:17:41,710 --> 00:17:38,760

brings a lot of knowledge into her title

357

00:17:45,620 --> 00:17:41,720

and into that state and then we have

358

00:17:49,520 --> 00:17:45,630

Stacey Wright from Phoenix MUFON who

359

00:17:51,500 --> 00:17:49,530

everyone knows I just I hold them on a

360

00:17:55,039 --> 00:17:51,510

pedestal but they deserve it

361

00:17:57,409 --> 00:17:55,049

MUFON Phoenix MUFON they're untouchable

362

00:17:59,659 --> 00:17:57,419

then golden we had her on a little over

363

00:18:02,330 --> 00:17:59,669

a week ago great oh my gosh then you

364

00:18:04,159 --> 00:18:02,340

know she's just amazing and she and Jim

365

00:18:06,289 --> 00:18:04,169

Mann run the state she's actually an

366

00:18:09,350 --> 00:18:06,299

assistant state director we forget that

367

00:18:14,029 --> 00:18:09,360

sometimes because the gym and Stacey are

368

00:18:17,840 --> 00:18:14,039

at the dynamic duo of MUFON and but just

369

00:18:19,880 --> 00:18:17,850

the most capable smart women and for the

370

00:18:23,210 --> 00:18:19,890

end we broke that ceiling for the first

371

00:18:27,740 --> 00:18:23,220

time a major project the document that

372

00:18:29,630 --> 00:18:27,750

will basically run the ethics and rules

373

00:18:35,240 --> 00:18:29,640

and procedures of state directors was

374

00:18:36,770 --> 00:18:35,250

done by women oh my gosh so men did get

375

00:18:39,020 --> 00:18:36,780

a little riled a you know there was a

376

00:18:41,120 --> 00:18:39,030

comment about well you know maybe that

377

00:18:42,529 --> 00:18:41,130

you know maybe a guy should and I knew

378

00:18:44,539 --> 00:18:42,539

they couldn't stand it was almost like

379

00:18:49,100 --> 00:18:44,549

well don't you think a guy should maybe

380

00:18:51,919 --> 00:18:49,110

see if the girls were okay but

381

00:18:54,350 --> 00:18:51,929

it was awesome and I know that Jan not

382

00:18:56,090 --> 00:18:54,360

only is gonna continue to support that

383

00:18:56,989 --> 00:18:56,100

that he's not going to touch that with a

384

00:19:00,470 --> 00:18:56,999

ten-foot pole

385

00:19:03,499 --> 00:19:00,480

he loves that by the way and keeping it

386

00:19:06,139 --> 00:19:03,509

the same got it now there has been some

387

00:19:08,779 --> 00:19:06,149

controversy involving you within the

388

00:19:10,399 --> 00:19:08,789

last eight weeks or so and likely you're

389

00:19:12,859 --> 00:19:10,409

stepping down is going to raise some

390

00:19:14,930 --> 00:19:12,869

conversation as to whether or not this

391

00:19:17,239 --> 00:19:14,940

played a role in your decision to step

392

00:19:20,690 --> 00:19:17,249

down and that is the infamous leach

393

00:19:22,849 --> 00:19:20,700

letter it came out obviously he's not

394

00:19:25,190 --> 00:19:22,859

one of your big fans chase I don't think

395

00:19:28,430 --> 00:19:25,200

there's too much debate about that but

396

00:19:30,349 --> 00:19:28,440

did that have any role did that add to

397

00:19:32,509 --> 00:19:30,359

any frustration that you might have had

398

00:19:35,180 --> 00:19:32,519

in continuing all these different

399

00:19:37,009 --> 00:19:35,190

efforts and deciding to excise the

400

00:19:42,340 --> 00:19:37,019

director of an investigation spotted

401  
00:19:46,609 --> 00:19:42,350  
MUFON absolutely not I can tell you that

402  
00:19:50,269 --> 00:19:46,619  
his letter affected MUFON not even a

403  
00:19:53,599 --> 00:19:50,279  
little bit by the way we had our largest

404  
00:19:54,159 --> 00:19:53,609  
membership month last month in over two

405  
00:19:56,989 --> 00:19:54,169  
years

406  
00:20:00,259 --> 00:19:56,999  
we had no mass exit people weren't

407  
00:20:02,930 --> 00:20:00,269  
quitting out of horror kind of felt

408  
00:20:06,470 --> 00:20:02,940  
sorry for him because you know he writes

409  
00:20:10,580 --> 00:20:06,480  
also about 14 people and MUFON supported

410  
00:20:12,649 --> 00:20:10,590  
him and and I just I had knots in my

411  
00:20:14,869 --> 00:20:12,659  
stomach when I read that because I felt

412  
00:20:16,909 --> 00:20:14,879  
so sorry for him because I thought there

413  
00:20:21,229 --> 00:20:16,919

are thousands of people and move on I

414

00:20:24,950 --> 00:20:21,239

had hundreds of letters you had 14 Wow

415

00:20:28,609 --> 00:20:24,960

yikes and you think that's okay and good

416

00:20:31,999 --> 00:20:28,619

okay I really feel bad for this guy not

417

00:20:36,970 --> 00:20:32,009

to mention that it's really hard to have

418

00:20:40,659 --> 00:20:36,980

you feelings hurt or to feel at all

419

00:20:44,830 --> 00:20:40,669

targeted when most of it was lies

420

00:20:48,590 --> 00:20:44,840

misinformation and absolute

421

00:20:50,539 --> 00:20:48,600

interpretation oh my gosh I do not run

422

00:20:53,029 --> 00:20:50,549

the fad team who has a secret lab in

423

00:20:58,460 --> 00:20:53,039

John Ben trees basement in Pennsylvania

424

00:21:00,859 --> 00:20:58,470

and the fact that there's just one after

425

00:21:02,600 --> 00:21:00,869

another accusation that he wrote in that

426

00:21:05,120 --> 00:21:02,610

letter that everyone now know

427

00:21:06,650 --> 00:21:05,130

was untrue thousands of people in MUFON

428

00:21:11,030 --> 00:21:06,660

knew it wasn't true the minute they read

429

00:21:12,919 --> 00:21:11,040

it it's like well how many untruth does

430

00:21:14,840 --> 00:21:12,929

he get to stay before people kind of

431

00:21:17,210 --> 00:21:14,850

write him off as who don't know what

432

00:21:19,430 --> 00:21:17,220

your deal is but whatever that childhood

433

00:21:22,660 --> 00:21:19,440

trauma is does it belong to Che split

434

00:21:27,140 --> 00:21:22,670

ski and that's exactly what happened

435

00:21:29,660 --> 00:21:27,150

my friends are fine I you know I you

436

00:21:32,539 --> 00:21:29,670

know most people knew exactly what it

437

00:21:34,940 --> 00:21:32,549

was and they were correct but when there

438

00:21:37,070 --> 00:21:34,950

was so much wrong in it and so many

439

00:21:39,770 --> 00:21:37,080

false accusations that people knew

440

00:21:40,310 --> 00:21:39,780

immediately what what are you gonna do

441

00:21:43,820 --> 00:21:40,320

with that

442

00:21:45,919 --> 00:21:43,830

it's like Erica Luc's who just recently

443

00:21:48,830 --> 00:21:45,929

put out a post as soon as she heard that

444

00:21:51,650 --> 00:21:48,840

I stepped down chase chase is removed

445

00:21:54,650 --> 00:21:51,660

for misconduct these people don't

446

00:21:57,289 --> 00:21:54,660

fact-check these people aren't going to

447

00:21:59,590 --> 00:21:57,299

the sources these people aren't telling

448

00:22:02,270 --> 00:21:59,600

the truth they have no verification

449

00:22:05,539 --> 00:22:02,280

they're not reporters they don't even

450

00:22:08,030 --> 00:22:05,549

have ethics where's the integrity when

451

00:22:11,930 --> 00:22:08,040

you call yourself an investigator and

452

00:22:14,530 --> 00:22:11,940

put out so much crap and expect people

453

00:22:18,740 --> 00:22:14,540

to believe you every week I I don't

454

00:22:21,500 --> 00:22:18,750

understand this and yet it kind of goes

455

00:22:24,650 --> 00:22:21,510

over their head when their phone isn't

456

00:22:27,500 --> 00:22:24,660

ringing first of all it's me but as many

457

00:22:29,450 --> 00:22:27,510

many other people because I'm still

458

00:22:31,130 --> 00:22:29,460

getting invited to conferences I'm

459

00:22:35,240 --> 00:22:31,140

speaking at Congress this year I'm

460

00:22:38,080 --> 00:22:35,250

speaking at you know a gem six and this

461

00:22:41,030 --> 00:22:38,090

isn't bragging I'm so fortunate so

462

00:22:44,180 --> 00:22:41,040

fortunate and I worked so hard I put in

463

00:22:46,460 --> 00:22:44,190

that money I put in that time I I seek

464

00:22:48,680 --> 00:22:46,470

out certifications and you know

465

00:22:52,909 --> 00:22:48,690

validation for skill sets you know to

466

00:22:55,159 --> 00:22:52,919

make our field more legit I teach you

467

00:22:59,570 --> 00:22:55,169

know I anyone who wants to know I help I

468

00:23:02,990 --> 00:22:59,580

mentor it's it's ridiculous but I think

469

00:23:04,789 --> 00:23:03,000

people are seeing these things there's

470

00:23:06,680 --> 00:23:04,799

an audience for it there's a very very

471

00:23:11,870 --> 00:23:06,690

small audience for the Jerry Springer

472

00:23:14,750 --> 00:23:11,880

antics of you know UFO radio but for the

473

00:23:16,370 --> 00:23:14,760

most part I don't see them going to

474

00:23:18,950 --> 00:23:16,380

anywhere anymore I just

475

00:23:21,740 --> 00:23:18,960

don't and there's a lot of talk that

476  
00:23:25,040 --> 00:23:21,750  
they may not be aware of in support of

477  
00:23:29,660 --> 00:23:25,050  
everyone else I guess I guess it's

478  
00:23:32,690 --> 00:23:29,670  
really hard to put into words what do

479  
00:23:34,910 --> 00:23:32,700  
you do with people that you can't reason

480  
00:23:37,190 --> 00:23:34,920  
with they're not looking for the truth

481  
00:23:38,360 --> 00:23:37,200  
they're just hurting people they don't

482  
00:23:41,450 --> 00:23:38,370  
want to know the truth

483  
00:23:44,060 --> 00:23:41,460  
if they did then Ericka Luke owes me an

484  
00:23:46,400 --> 00:23:44,070  
apology and move on for lying and

485  
00:23:48,920 --> 00:23:46,410  
putting out fake information that I was

486  
00:23:52,970 --> 00:23:48,930  
dismissed over misconduct it's

487  
00:23:57,710 --> 00:23:52,980  
ridiculous Janet I laugh on the phone

488  
00:24:00,890 --> 00:23:57,720

over this it's it's bizarre and yet when

489

00:24:03,140 --> 00:24:00,900

they're caught or it's very clear that

490

00:24:04,390 --> 00:24:03,150

the last 10 things they've said is

491

00:24:08,150 --> 00:24:04,400

untrue

492

00:24:10,940 --> 00:24:08,160

they don't apologize they don't make it

493

00:24:13,760 --> 00:24:10,950

right they double down on why they have

494

00:24:16,760 --> 00:24:13,770

to do it or they just move on to the

495

00:24:20,600 --> 00:24:16,770

next victim and you do feel victimized

496

00:24:23,290 --> 00:24:20,610

after a while when you're you know kind

497

00:24:26,000 --> 00:24:23,300

of ganged up on we have to remember that

498

00:24:29,420 --> 00:24:26,010

Erica Lutz was definitely involved with

499

00:24:32,960 --> 00:24:29,430

Phillip leach and Phil leach and Erica

500

00:24:36,050 --> 00:24:32,970

were involved with you know the guys the

501  
00:24:38,960 --> 00:24:36,060  
UFO guys from Virginia oh boy the Ben

502  
00:24:44,330 --> 00:24:38,970  
moss and his partner Tony

503  
00:24:47,600 --> 00:24:44,340  
I know I know his name yeah and then you

504  
00:24:52,040 --> 00:24:47,610  
have you know and norm Gagnon and they

505  
00:24:54,080 --> 00:24:52,050  
find an article that was proven fake ten

506  
00:24:58,490 --> 00:24:54,090  
years ago which is why it's no longer

507  
00:25:00,110 --> 00:24:58,500  
available and easy to find that proof

508  
00:25:02,750 --> 00:25:00,120  
that Chase Plex key lied about the

509  
00:25:05,180 --> 00:25:02,760  
cornfield incident there's no proof in

510  
00:25:08,420 --> 00:25:05,190  
there there's no y in there it was

511  
00:25:10,910 --> 00:25:08,430  
clickbait by the same author that two

512  
00:25:13,040 --> 00:25:10,920  
weeks later posted chased let's key

513  
00:25:17,180 --> 00:25:13,050

quits Buffon to join the Church of

514

00:25:20,420 --> 00:25:17,190

mammoths two weeks later he authored an

515

00:25:23,480 --> 00:25:20,430

article called fingering flipper yeah

516

00:25:26,980 --> 00:25:23,490

let's take you're talking about Jeffrey

517

00:25:30,030 --> 00:25:26,990

preacher absolutely so let's take the

518

00:25:34,190 --> 00:25:30,040

credentials of that person and then

519

00:25:38,640 --> 00:25:34,200

sneak it I have to tell you guys they

520

00:25:41,070 --> 00:25:38,650

emailed behind backs like all the little

521

00:25:43,560 --> 00:25:41,080

friends around me and conferences about

522

00:25:46,740 --> 00:25:43,570

look what we have on chase let's key

523

00:25:48,390 --> 00:25:46,750

they didn't email me my husband and I

524

00:25:49,789 --> 00:25:48,400

look at each other and he's like these

525

00:25:53,580 --> 00:25:49,799

grown men

526

00:25:57,539 --> 00:25:53,590

you know we're horrified it's like take

527

00:25:59,090 --> 00:25:57,549

a my tall boys you're talking about Moss

528

00:26:02,280 --> 00:25:59,100

and Angie Olin out doing all this

529

00:26:04,320 --> 00:26:02,290

absolutely and and who are they

530

00:26:09,330 --> 00:26:04,330

contacting the whole time and she sits

531

00:26:11,310 --> 00:26:09,340

back like Erica friggin looks it just to

532

00:26:13,380 --> 00:26:11,320

jump in really quick I was on Erica show

533

00:26:18,539 --> 00:26:13,390

last summer and that debated moss about

534

00:26:20,340 --> 00:26:18,549

the Socorro case and hide every it's

535

00:26:24,120 --> 00:26:20,350

still up I invite everybody to give it a

536

00:26:26,190 --> 00:26:24,130

listen that's all I have to say Moss

537

00:26:28,919 --> 00:26:26,200

Moss never does Moss never invites

538

00:26:31,620 --> 00:26:28,929

people to listen to me debate him I'm

539

00:26:35,270 --> 00:26:31,630

more than happy to have people listen to

540

00:26:42,480 --> 00:26:39,419

boss and his integrity in presenting the

541

00:26:44,730 --> 00:26:42,490

truth and what we're finding at that

542

00:26:48,840 --> 00:26:44,740

birds of a feather flock together

543

00:26:51,030 --> 00:26:48,850

so as Tony and his partner been in this

544

00:26:52,919 --> 00:26:51,040

norm Gagnon you know all band together

545

00:26:55,560 --> 00:26:52,929

and they're sending out these emails

546

00:26:58,289 --> 00:26:55,570

like who look what we have on chase and

547

00:27:02,400 --> 00:26:58,299

they put it out on this new website they

548

00:27:05,039 --> 00:27:02,410

have I have to admit I'm a little

549

00:27:09,330 --> 00:27:05,049

horrified and I'm just like oh my gosh

550

00:27:12,690 --> 00:27:09,340

and again the investigators the guys

551  
00:27:17,430 --> 00:27:12,700  
with the integrity do not source check

552  
00:27:20,850 --> 00:27:17,440  
they do not vet their information they

553  
00:27:23,610 --> 00:27:20,860  
don't fact-check anything and so what

554  
00:27:27,330 --> 00:27:23,620  
what am i left to do in Moss's case they

555  
00:27:30,450 --> 00:27:27,340  
just make stuff up correct correct

556  
00:27:33,480 --> 00:27:30,460  
so what do I do well I take that screen

557  
00:27:35,039 --> 00:27:33,490  
shot of the website and I take their

558  
00:27:37,380 --> 00:27:35,049  
email that they were passing around

559  
00:27:40,230 --> 00:27:37,390  
behind backs and you know really slimy

560  
00:27:43,560 --> 00:27:40,240  
maneuvers and I'm emailed it to all my

561  
00:27:45,930 --> 00:27:43,570  
contacts and my friends in

562  
00:27:48,240 --> 00:27:45,940  
action companies and History Channel and

563  
00:27:51,810 --> 00:27:48,250

a and E and you know like look what

564

00:27:54,390 --> 00:27:51,820

these guys are doing so you know I

565

00:27:57,210 --> 00:27:54,400

didn't have to counter anything I just

566

00:27:59,460 --> 00:27:57,220

helped them along you want this out well

567

00:28:01,620 --> 00:27:59,470

let's make sure everyone gets it

568

00:28:03,630 --> 00:28:01,630

including the people you didn't want to

569

00:28:06,390 --> 00:28:03,640

see it because they were smart enough

570

00:28:09,810 --> 00:28:06,400

not to send it to Richard Dolan or Linda

571

00:28:12,530 --> 00:28:09,820

Moulton Howe or erase Hobbes so or a

572

00:28:16,290 --> 00:28:12,540

chant or a frank somebody with integrity

573

00:28:20,120 --> 00:28:16,300

out here and really my last complaint

574

00:28:23,910 --> 00:28:20,130

with this with this whole little gang of

575

00:28:28,380 --> 00:28:23,920

character Slayers what do we call him I

576

00:28:31,610 --> 00:28:28,390

don't even know is is what are they

577

00:28:34,110 --> 00:28:31,620

doing for the field absolutely nothing

578

00:28:37,140 --> 00:28:34,120

jaesik let's keep stepping down as do I

579

00:28:38,760 --> 00:28:37,150

was an internal matter in MUFON my

580

00:28:41,370 --> 00:28:38,770

friends all know why I'm stepping down

581

00:28:44,910 --> 00:28:41,380

and it wasn't even it's like oh my gosh

582

00:28:48,180 --> 00:28:44,920

I'm not leaving MUFON it I was just so

583

00:28:51,600 --> 00:28:48,190

shocked this became such a big deal but

584

00:28:53,760 --> 00:28:51,610

it's for me it's in the end what do

585

00:28:56,940 --> 00:28:53,770

these people what are their motives

586

00:29:00,030 --> 00:28:56,950

it's absolutely diabolical it's

587

00:29:02,250 --> 00:29:00,040

character assassination and they get

588

00:29:05,910 --> 00:29:02,260

away with it because no one stands up to

589

00:29:07,560 --> 00:29:05,920

them no one does you can't argue with

590

00:29:09,870 --> 00:29:07,570

people that don't care about the truth

591

00:29:11,820 --> 00:29:09,880

you can't argue with people that want to

592

00:29:14,070 --> 00:29:11,830

do the right that don't want to do the

593

00:29:16,770 --> 00:29:14,080

right thing you can imagine if I call

594

00:29:18,150 --> 00:29:16,780

her and and talk to her about this her

595

00:29:21,090 --> 00:29:18,160

meaning Erica Luke's

596

00:29:23,280 --> 00:29:21,100

or a Ben Moss these guys and they just

597

00:29:25,470 --> 00:29:23,290

oh my they don't even know how to handle

598

00:29:28,440 --> 00:29:25,480

something like that so you know what you

599

00:29:30,750 --> 00:29:28,450

do you take it to a lawyer you go

600

00:29:33,270 --> 00:29:30,760

through the legal system because what

601  
00:29:35,160 --> 00:29:33,280  
they're doing is not only wrong there's

602  
00:29:39,000 --> 00:29:35,170  
a huge backlash in this country right

603  
00:29:43,110 --> 00:29:39,010  
now about publicly calling yourself news

604  
00:29:46,680 --> 00:29:43,120  
or media or some sort of avenue of

605  
00:29:51,150 --> 00:29:46,690  
information and lying if you can't prove

606  
00:29:53,460 --> 00:29:51,160  
what you just said guess what you're in

607  
00:29:55,350 --> 00:29:53,470  
big trouble you know and that's and

608  
00:29:57,240 --> 00:29:55,360  
that's where I'm going I'm not getting

609  
00:29:59,580 --> 00:29:57,250  
into the he said she said with

610  
00:30:01,410 --> 00:29:59,590  
any of these people and I know that

611  
00:30:03,420 --> 00:30:01,420  
they're gonna rile up and I'll be on her

612  
00:30:06,150 --> 00:30:03,430  
show next week about chase klutz key

613  
00:30:07,890 --> 00:30:06,160

again chase cookie said that we had no

614

00:30:14,310 --> 00:30:07,900

integrity because we get caught in lies

615

00:30:15,810 --> 00:30:14,320

and and yet they do so you know it's

616

00:30:21,300 --> 00:30:15,820

just a legal matters where where do you

617

00:30:22,560 --> 00:30:21,310

go from here right I don't where to go

618

00:30:25,620 --> 00:30:22,570

from here because you dropped a few

619

00:30:29,310 --> 00:30:25,630

names in there while you were just going

620

00:30:32,550 --> 00:30:29,320

on about all this that have a connection

621

00:30:35,700 --> 00:30:32,560

to Kay GRA and I think that's where a

622

00:30:39,420 --> 00:30:35,710

lot of people first became aware of you

623

00:30:41,070 --> 00:30:39,430

and all your work and what I'm still a

624

00:30:43,080 --> 00:30:41,080

fan of what they do over there was a fan

625

00:30:46,620 --> 00:30:43,090

pretty much from the day they started I

626

00:30:48,330 --> 00:30:46,630

know I first started talking a little

627

00:30:49,800 --> 00:30:48,340

bit the race this is way back in the day

628

00:30:52,110 --> 00:30:49,810

he probably wouldn't even remember this

629

00:30:54,930 --> 00:30:52,120

but this was going back to the days of

630

00:30:57,630 --> 00:30:54,940

Jamie Havok hands little radio network

631

00:31:00,390 --> 00:30:57,640

and I think race not too long after that

632

00:31:01,830 --> 00:31:00,400

decided to hang out his own shingle so

633

00:31:05,430 --> 00:31:01,840

why don't you tell us a little bit about

634

00:31:08,610 --> 00:31:05,440

race hobbs and k gra because i'm a fan

635

00:31:10,550 --> 00:31:08,620

of what they do over there me too oh my

636

00:31:13,200 --> 00:31:10,560

gosh i think you asked that and

637

00:31:16,500 --> 00:31:13,210

recognized that I had such a like a

638

00:31:18,530 --> 00:31:16,510

history with them first and I mean I

639

00:31:22,980 --> 00:31:18,540

don't mean to insult anyone out here but

640

00:31:25,980 --> 00:31:22,990

no races the king of radio and radio

641

00:31:29,640 --> 00:31:25,990

production he has the smoothest voice

642

00:31:31,230 --> 00:31:29,650

ever I love him he's my baby brother

643

00:31:33,810 --> 00:31:31,240

everyone knows that we've kind of

644

00:31:36,480 --> 00:31:33,820

adopted each other we can throw down

645

00:31:40,170 --> 00:31:36,490

every once in a while and but you know

646

00:31:42,750 --> 00:31:40,180

in the end we're always family yeah I I

647

00:31:44,370 --> 00:31:42,760

love K GRA I think they're killing it

648

00:31:46,860 --> 00:31:44,380

they're still killing it they're top of

649

00:31:47,910 --> 00:31:46,870

their game there's some other big things

650

00:31:50,660 --> 00:31:47,920

coming in the future

651  
00:31:56,370 --> 00:31:50,670  
they're not done growing and expanding

652  
00:31:59,730 --> 00:31:56,380  
and this all started with a couple of

653  
00:32:02,610 --> 00:31:59,740  
guys who are just disgusted again with

654  
00:32:04,710 --> 00:32:02,620  
how they were being treated and decided

655  
00:32:08,130 --> 00:32:04,720  
to stand up and move on without them and

656  
00:32:11,070 --> 00:32:08,140  
and in a lot of ways that's exactly what

657  
00:32:15,060 --> 00:32:11,080  
we're doing out here is

658  
00:32:17,489 --> 00:32:15,070  
I'm not touching any of this with you

659  
00:32:21,060 --> 00:32:17,499  
know the Ben mosses and his partner Tony

660  
00:32:23,279 --> 00:32:21,070  
and you know norm Gagnon the Erica and

661  
00:32:25,889 --> 00:32:23,289  
the Phil they could go crazy for another

662  
00:32:29,070 --> 00:32:25,899  
month I'm not listening I'm not giving

663  
00:32:31,289 --> 00:32:29,080

you any time going to Peru I won't be

664

00:32:35,159 --> 00:32:31,299

there for two weeks I'm working I'm

665

00:32:36,989 --> 00:32:35,169

doing things out in the field so knock

666

00:32:40,739 --> 00:32:36,999

yourselves out and it's kind of what

667

00:32:41,999 --> 00:32:40,749

race race did with Kay GRA he drew and

668

00:32:43,710 --> 00:32:42,009

and like everything else you have

669

00:32:46,259 --> 00:32:43,720

different positions and different people

670

00:32:49,379 --> 00:32:46,269

around you but there's always been a

671

00:32:51,989 --> 00:32:49,389

core group there and that's his family

672

00:32:55,409 --> 00:32:51,999

that's his tribe and that includes his

673

00:32:58,470 --> 00:32:55,419

big sister and I love Kay GRA I love

674

00:33:02,310 --> 00:32:58,480

these guys and you're right they've

675

00:33:04,739 --> 00:33:02,320

offered me such an immense amount of

676

00:33:07,830 --> 00:33:04,749

opportunity to be the voice of fate

677

00:33:11,639 --> 00:33:07,840

magazine radio oh my gosh or that little

678

00:33:13,229 --> 00:33:11,649

nothing girl with those you know silly

679

00:33:14,999 --> 00:33:13,239

little radio show called Project white

680

00:33:17,789 --> 00:33:15,009

paper that I knew nothing of what I was

681

00:33:18,509 --> 00:33:17,799

doing at all it was crazy you learn as

682

00:33:21,840 --> 00:33:18,519

you go

683

00:33:25,349 --> 00:33:21,850

I I just I booked on to fate magazine

684

00:33:28,529 --> 00:33:25,359

and you know and then again it's I have

685

00:33:30,869 --> 00:33:28,539

a problem Frank and champ

686

00:33:32,999 --> 00:33:30,879

I want to do everything so I think

687

00:33:35,639 --> 00:33:33,009

things come up I'm like yeah I'll do

688

00:33:39,090 --> 00:33:35,649

that that sounds awesome and sure I'll

689

00:33:41,099 --> 00:33:39,100

do that and I find my calendar actually

690

00:33:44,249 --> 00:33:41,109

being double-booked sometimes it's such

691

00:33:48,149 --> 00:33:44,259

a mess that's crazy but I want to keep

692

00:33:50,759 --> 00:33:48,159

rolling until I can't anymore and last

693

00:33:53,489 --> 00:33:50,769

year I had a lot of I had a health scare

694

00:33:56,460 --> 00:33:53,499

I stopped still dealing with it and you

695

00:34:00,629 --> 00:33:56,470

know it was prominent it was it's

696

00:34:03,570 --> 00:34:00,639

serious but I'm not slowing down it's

697

00:34:06,330 --> 00:34:03,580

it's I need to keep doing what I'm doing

698

00:34:07,830 --> 00:34:06,340

until I can't do it anymore and as long

699

00:34:12,990 --> 00:34:07,840

as I can still take corners on two

700

00:34:14,280 --> 00:34:13,000

wheels I want to do that and one of the

701  
00:34:17,250 --> 00:34:14,290  
things that you're working on is

702  
00:34:20,369 --> 00:34:17,260  
something called the beltway team DC and

703  
00:34:23,220 --> 00:34:20,379  
I believe you have actually relocated to

704  
00:34:23,980 --> 00:34:23,230  
the DC area so where you are attempting

705  
00:34:26,200 --> 00:34:23,990  
to do

706  
00:34:28,329 --> 00:34:26,210  
kind of the the Steve Bassett thing and

707  
00:34:30,099 --> 00:34:28,339  
get the members of Congress more

708  
00:34:30,730 --> 00:34:30,109  
interested in the UFO topic is that

709  
00:34:36,010 --> 00:34:30,740  
about right

710  
00:34:38,440 --> 00:34:36,020  
it is um it's so it's amazing it's a

711  
00:34:41,470 --> 00:34:38,450  
game-changer and the first it's a

712  
00:34:43,720 --> 00:34:41,480  
game-changer that I first witnessed was

713  
00:34:47,889 --> 00:34:43,730

the citizens hearing for disclosure back

714

00:34:50,560 --> 00:34:47,899

in 2013 and that was Steve's baby oh my

715

00:34:52,899 --> 00:34:50,570

gosh and he did I couldn't believe what

716

00:34:57,120 --> 00:34:52,909

he did for the field that was a huge

717

00:35:01,150 --> 00:34:57,130

game changer and it set things up for

718

00:35:03,609 --> 00:35:01,160

our next big round of raising the bar

719

00:35:05,829 --> 00:35:03,619

bringing in true professionalism but

720

00:35:08,430 --> 00:35:05,839

what I witnessed was on a Monday you

721

00:35:11,500 --> 00:35:08,440

know you had this group of former

722

00:35:14,200 --> 00:35:11,510

lawmakers up on a panel that were being

723

00:35:17,290 --> 00:35:14,210

polite very polite and attentive and by

724

00:35:19,150 --> 00:35:17,300

Wednesday and mostly on Friday they

725

00:35:20,620 --> 00:35:19,160

themselves are standing up pointing

726

00:35:23,079 --> 00:35:20,630

fingers saying we need to open those

727

00:35:25,750 --> 00:35:23,089

rods well files we need to open that

728

00:35:27,640 --> 00:35:25,760

Rendlesham file we need to get some

729

00:35:32,020 --> 00:35:27,650

answers on this and you know other

730

00:35:35,170 --> 00:35:32,030

little topics and I witnessed when you

731

00:35:37,960 --> 00:35:35,180

present your best witnesses or your best

732

00:35:40,570 --> 00:35:37,970

cases your most credible and you're

733

00:35:43,750 --> 00:35:40,580

leaving out the silliness of you know

734

00:35:46,990 --> 00:35:43,760

alien antennas and you know a lot of the

735

00:35:50,200 --> 00:35:47,000

words like mothership and they

736

00:35:55,599 --> 00:35:50,210

understood they got it so if these

737

00:35:58,630 --> 00:35:55,609

former lawmakers could understand with

738

00:36:00,120 --> 00:35:58,640

the proper Avenue that that's how

739

00:36:04,120 --> 00:36:00,130

they're used to getting information

740

00:36:07,210 --> 00:36:04,130

that's how they're used to disseminating

741

00:36:11,070 --> 00:36:07,220

and understanding information handed to

742

00:36:13,000 --> 00:36:11,080

them in a situation like a hearing

743

00:36:16,120 --> 00:36:13,010

Intelligence hearing we see them all the

744

00:36:18,849 --> 00:36:16,130

time on television then why aren't we

745

00:36:21,310 --> 00:36:18,859

doing that so I left that citizens

746

00:36:23,770 --> 00:36:21,320

hearing completely changed no one we

747

00:36:27,370 --> 00:36:23,780

need to up the game and the first thing

748

00:36:33,870 --> 00:36:27,380

I realized we needed was more evidence

749

00:36:37,030 --> 00:36:33,880

or more evidence based reports and

750

00:36:39,220 --> 00:36:37,040

investigation report dispositions and

751  
00:36:41,140 --> 00:36:39,230  
needed to be scientific and the only way

752  
00:36:44,230 --> 00:36:41,150  
to do that was with forensics and

753  
00:36:46,600 --> 00:36:44,240  
following the same rules as the

754  
00:36:48,340 --> 00:36:46,610  
Institute of Justice so I went and got

755  
00:36:51,370 --> 00:36:48,350  
my certification on evidence collection

756  
00:36:53,320 --> 00:36:51,380  
and then I realized now we need to go

757  
00:36:55,960 --> 00:36:53,330  
talk to them because now we're finding

758  
00:36:58,240 --> 00:36:55,970  
the evidence and I have to say oh my

759  
00:37:02,920 --> 00:36:58,250  
gosh guys and I feel like I'm talking

760  
00:37:05,950 --> 00:37:02,930  
too much but one of the things that I

761  
00:37:09,130 --> 00:37:05,960  
realized also a couple years ago there

762  
00:37:11,350 --> 00:37:09,140  
is so much evidence in UFOs and we all

763  
00:37:14,370 --> 00:37:11,360

know that but why doesn't the rest of

764

00:37:17,890 --> 00:37:14,380

the world or Congress no one cares

765

00:37:21,280 --> 00:37:17,900

we're not messaging correctly so that's

766

00:37:23,530 --> 00:37:21,290

when I realized the proper way for these

767

00:37:26,760 --> 00:37:23,540

people to understand what we're saying

768

00:37:29,950 --> 00:37:26,770

or to even listen in the right

769

00:37:32,260 --> 00:37:29,960

temperature to understand was by doing

770

00:37:34,840 --> 00:37:32,270

it their way the way things are set up

771

00:37:38,710 --> 00:37:34,850

their rules which isn't offensive to us

772

00:37:43,720 --> 00:37:38,720

by the way so I think going forward and

773

00:37:47,710 --> 00:37:43,730

now presenting what our real evidence is

774

00:37:49,870 --> 00:37:47,720

and how it works then people will care

775

00:37:54,070 --> 00:37:49,880

and we saw that with the nimitz video

776

00:37:56,050 --> 00:37:54,080

and the tic tac when a tip came out now

777

00:37:59,130 --> 00:37:56,060

people are paying attention and that's

778

00:38:01,540 --> 00:37:59,140

another game-changer it's so awesome I

779

00:38:03,240 --> 00:38:01,550

had a question for you it was really

780

00:38:07,270 --> 00:38:03,250

interesting when we were talking earlier

781

00:38:10,360 --> 00:38:07,280

off the air about your DC group the

782

00:38:12,760 --> 00:38:10,370

Beltway team DC group that you have

783

00:38:14,260 --> 00:38:12,770

about a kitchen cabinet reference I was

784

00:38:16,690 --> 00:38:14,270

curious if you could share with our

785

00:38:19,840 --> 00:38:16,700

listeners a little bit about that I love

786

00:38:22,210 --> 00:38:19,850

this group there is so much talent in

787

00:38:24,390 --> 00:38:22,220

this area as you can imagine and people

788

00:38:28,330 --> 00:38:24,400

that are genuinely interested in the

789

00:38:32,140 --> 00:38:28,340

topic of UFOs that in previous careers

790

00:38:34,210 --> 00:38:32,150

never could be involved so you know we

791

00:38:37,210 --> 00:38:34,220

have a former commander not my husband

792

00:38:40,120 --> 00:38:37,220

by the way this is a female and we have

793

00:38:44,110 --> 00:38:40,130

an international attorney who is amazing

794

00:38:47,370 --> 00:38:44,120

and a very aggressive and well thought

795

00:38:50,260 --> 00:38:47,380

attorney that specializes in war crimes

796

00:38:51,049 --> 00:38:50,270

you know there's just this huge group

797

00:38:53,659 --> 00:38:51,059

out here

798

00:38:56,479 --> 00:38:53,669

that we pulled together so that we could

799

00:39:00,679 --> 00:38:56,489

properly write statements talking points

800

00:39:03,469 --> 00:39:00,689

and dossiers so that when we are in and

801  
00:39:07,009 --> 00:39:03,479  
when we are able to speak to you know

802  
00:39:09,799 --> 00:39:07,019  
congressional leadership or even junior

803  
00:39:13,120 --> 00:39:09,809  
staff senior staff of some of the

804  
00:39:17,449 --> 00:39:13,130  
Senators and Congress out there so

805  
00:39:19,579 --> 00:39:17,459  
that's the group that we have but I love

806  
00:39:21,799 --> 00:39:19,589  
the kitchen cabinet reference and so we

807  
00:39:24,589 --> 00:39:21,809  
kind of call ourselves that which is

808  
00:39:27,769 --> 00:39:24,599  
funny it's a nickname and that goes back

809  
00:39:30,109 --> 00:39:27,779  
to when Jefferson was president of

810  
00:39:34,459 --> 00:39:30,119  
course he had a cabinet like we have

811  
00:39:36,769 --> 00:39:34,469  
today and they were always meeting and

812  
00:39:38,390 --> 00:39:36,779  
getting together telling him what was

813  
00:39:40,609 --> 00:39:38,400

best for the country what he needed to

814

00:39:42,739 --> 00:39:40,619

do and he didn't always agree so he

815

00:39:46,989 --> 00:39:42,749

would take that back into the kitchen

816

00:39:49,880 --> 00:39:46,999

where he would meet with a couple of the

817

00:39:51,859 --> 00:39:49,890

elected officials that he trusted but

818

00:39:54,140 --> 00:39:51,869

also a couple of his friends that always

819

00:39:56,059 --> 00:39:54,150

had good advice and because they met in

820

00:39:58,489 --> 00:39:56,069

the kitchen they clean themselves the

821

00:39:59,749 --> 00:39:58,499

kitchen cabinet I love that that's

822

00:40:02,929 --> 00:39:59,759

fantastic

823

00:40:05,269 --> 00:40:02,939

yeah so we we call ourselves the kitchen

824

00:40:07,999 --> 00:40:05,279

cabinet right now it's really just you

825

00:40:12,169 --> 00:40:08,009

know really good friends and you know

826

00:40:13,759 --> 00:40:12,179

for the good of UFOs where do we find

827

00:40:17,239 --> 00:40:13,769

our best information that we can put

828

00:40:19,819 --> 00:40:17,249

forward because we now we're now having

829

00:40:24,019 --> 00:40:19,829

that ear these doors in DC are opening

830

00:40:25,640 --> 00:40:24,029

and they're opening quickly and we have

831

00:40:29,120 --> 00:40:25,650

to be ready and we have to be ready with

832

00:40:31,939 --> 00:40:29,130

the right the right tone and the right

833

00:40:34,669 --> 00:40:31,949

material or we can shut them before

834

00:40:37,999 --> 00:40:34,679

other people get involved so we're aware

835

00:40:40,159 --> 00:40:38,009

of that huge responsibility of we don't

836

00:40:42,079 --> 00:40:40,169

screw it up for those behind us because

837

00:40:45,559 --> 00:40:42,089

there will be those behind us we're not

838

00:40:48,349 --> 00:40:45,569

the tell-all so right yeah very excited

839

00:40:50,449 --> 00:40:48,359

about this regarding international team

840

00:40:52,159 --> 00:40:50,459

of dreamers and exhibition investigators

841

00:40:54,380 --> 00:40:52,169

and people working together and building

842

00:40:58,880 --> 00:40:54,390

good relationships and doing some real

843

00:41:00,649 --> 00:40:58,890

good UFO related work and more I think

844

00:41:02,269 --> 00:41:00,659

that you were mentioning at one point

845

00:41:03,330 --> 00:41:02,279

that you worked with Timothy I'll be

846

00:41:07,260 --> 00:41:03,340

here you know

847

00:41:10,220 --> 00:41:07,270

and Anselm iboga Kree ruse can you

848

00:41:13,800 --> 00:41:10,230

explain a little bit more about that I

849

00:41:17,310 --> 00:41:13,810

love these guys so this is where I get

850

00:41:21,530 --> 00:41:17,320

involved a lot in South America Peru

851  
00:41:26,010 --> 00:41:21,540  
Bolivia the Amazon Amazon basin and

852  
00:41:28,740 --> 00:41:26,020  
there's an incredible exploration team

853  
00:41:30,930 --> 00:41:28,750  
called boja Cruz I post them on my

854  
00:41:33,570 --> 00:41:30,940  
Facebook all the time and I hope that

855  
00:41:36,420 --> 00:41:33,580  
the listening audience Google's them to

856  
00:41:40,170 --> 00:41:36,430  
learn more about them but they're just

857  
00:41:44,130 --> 00:41:40,180  
amazing and they're explorers that he he

858  
00:41:46,530 --> 00:41:44,140  
and his team he meaning ants on and this

859  
00:41:50,670 --> 00:41:46,540  
group actually are the founders of the

860  
00:41:52,110 --> 00:41:50,680  
candelabra in Caracas and they also take

861  
00:41:56,550 --> 00:41:52,120  
care of it and of course they call it

862  
00:42:00,030 --> 00:41:56,560  
the it's the sea sphere or the Trident

863  
00:42:03,150 --> 00:42:00,040

of South America it's just amazing

864

00:42:06,690 --> 00:42:03,160

discoveries and this is the team that I

865

00:42:10,410 --> 00:42:06,700

work with currently that's also led by

866

00:42:13,200 --> 00:42:10,420

Timothy albariño so Timothy runs Inca

867

00:42:16,860 --> 00:42:13,210

quest and they have partnered with boja

868

00:42:21,690 --> 00:42:16,870

cruise on this huge expedition down

869

00:42:25,680 --> 00:42:21,700

there now I joined them last year and a

870

00:42:28,050 --> 00:42:25,690

lot of time like almost a month in the

871

00:42:30,840 --> 00:42:28,060

Amazon which by the way everything wants

872

00:42:35,790 --> 00:42:30,850

to eat you plants animals insects

873

00:42:39,630 --> 00:42:35,800

everything wants a bite and we explored

874

00:42:43,440 --> 00:42:39,640

for something specific that I can't

875

00:42:45,660 --> 00:42:43,450

disclose in an area that human feet have

876  
00:42:47,610 --> 00:42:45,670  
never that the Amazon had never seen

877  
00:42:51,540 --> 00:42:47,620  
human feet so this is we were the first

878  
00:42:54,470 --> 00:42:51,550  
people in to this area and it's

879  
00:42:59,670 --> 00:42:54,480  
astounding the opportunity to work with

880  
00:43:02,220 --> 00:42:59,680  
these type of people that you know not

881  
00:43:04,590 --> 00:43:02,230  
to digress but you can imagine how much

882  
00:43:07,800 --> 00:43:04,600  
time you want to spend on these do leech

883  
00:43:11,250 --> 00:43:07,810  
letters and Erica Luke's you know just

884  
00:43:16,200 --> 00:43:11,260  
raping you for your freaks and I'm I'm

885  
00:43:17,870 --> 00:43:16,210  
in the Amazon it's they really don't

886  
00:43:24,030 --> 00:43:17,880  
mean that much to

887  
00:43:26,010 --> 00:43:24,040  
we wanted to also know I just had a

888  
00:43:28,470 --> 00:43:26,020

random question for you and just to go

889

00:43:31,859 --> 00:43:28,480

backwards in time what gave you the

890

00:43:34,829 --> 00:43:31,869

impetus and motivation to even be

891

00:43:37,470 --> 00:43:34,839

involved in the area of your follow G I

892

00:43:40,400 --> 00:43:37,480

wanted to know you know when you were a

893

00:43:44,069 --> 00:43:40,410

kid did you look up in the sky and gain

894

00:43:47,069 --> 00:43:44,079

knowledge or hope or have any dreams

895

00:43:49,950 --> 00:43:47,079

through that route or were you reading a

896

00:43:52,589 --> 00:43:49,960

lot what what caused you to become so

897

00:43:56,790 --> 00:43:52,599

curious about this topic we all love to

898

00:44:00,750 --> 00:43:56,800

cover it was um I was home sick from

899

00:44:01,950 --> 00:44:00,760

school and my stepmother handed me Erich

900

00:44:03,630 --> 00:44:01,960

von Daniken's books

901  
00:44:05,400 --> 00:44:03,640  
Chariots of the Gods which I wanted

902  
00:44:08,280 --> 00:44:05,410  
nothing to do with because it was a

903  
00:44:10,079 --> 00:44:08,290  
church book and after a couple hours of

904  
00:44:11,790 --> 00:44:10,089  
complete I can't stand the boredom

905  
00:44:13,710 --> 00:44:11,800  
anymore I picked it up and started

906  
00:44:17,099 --> 00:44:13,720  
thumbing through it ended up reading the

907  
00:44:20,550 --> 00:44:17,109  
whole book loved it I was so shocked I

908  
00:44:22,319 --> 00:44:20,560  
think at my age that I didn't even

909  
00:44:26,190 --> 00:44:22,329  
realize you could ask questions like

910  
00:44:27,630 --> 00:44:26,200  
that against things you're told you know

911  
00:44:29,250 --> 00:44:27,640  
like this is it this is what you're

912  
00:44:32,880 --> 00:44:29,260  
supposed to believe this church says

913  
00:44:35,670 --> 00:44:32,890

this and that's it and yet there was

914

00:44:39,059 --> 00:44:35,680

always that question and I always felt

915

00:44:40,589 --> 00:44:39,069

like that person that Eve would either

916

00:44:43,530 --> 00:44:40,599

bit my tongue or got in trouble for

917

00:44:45,980 --> 00:44:43,540

asking things so when when I'm reading

918

00:44:49,290 --> 00:44:45,990

this and he's just asking questions and

919

00:44:51,870 --> 00:44:49,300

bringing out hypothesis that maybe

920

00:44:54,240 --> 00:44:51,880

support why he considers asking another

921

00:44:54,930 --> 00:44:54,250

one I just thought that was freaking

922

00:44:59,120 --> 00:44:54,940

awesome

923

00:45:01,950 --> 00:44:59,130

and it was also freeing in a lot of ways

924

00:45:05,760 --> 00:45:01,960

because I'm kind of that girl that you

925

00:45:07,319 --> 00:45:05,770

know in the desert with Moses I wouldn't

926  
00:45:08,790 --> 00:45:07,329  
have waited forty years after about

927  
00:45:11,010 --> 00:45:08,800  
three I probably would tapped him on the

928  
00:45:14,790 --> 00:45:11,020  
shoulder and said hey beau can I see

929  
00:45:17,120 --> 00:45:14,800  
that map for a minute you know if I

930  
00:45:23,280 --> 00:45:17,130  
thought that was just brilliant

931  
00:45:25,500 --> 00:45:23,290  
questioning yeah also wanted to know do

932  
00:45:29,099 --> 00:45:25,510  
you feel like the future of ufology is

933  
00:45:31,079 --> 00:45:29,109  
headed in a manner towards full

934  
00:45:33,690 --> 00:45:31,089  
disclosure from governments around

935  
00:45:35,609 --> 00:45:33,700  
world or you know it's funny I've asked

936  
00:45:39,690 --> 00:45:35,619  
this question of every single guest and

937  
00:45:41,789 --> 00:45:39,700  
I've heard different perspectives like

938  
00:45:44,489 --> 00:45:41,799

you would not believe everybody has a

939

00:45:46,079 --> 00:45:44,499

different point of view on that question

940

00:45:48,719 --> 00:45:46,089

some people believe disclosure has

941

00:45:51,029 --> 00:45:48,729

already happened regarding governments

942

00:45:53,069 --> 00:45:51,039

around the world other people feel like

943

00:45:57,450 --> 00:45:53,079

they've had their own form of disclosure

944

00:45:59,489 --> 00:45:57,460

and in various ways what what is

945

00:46:01,859 --> 00:45:59,499

disclosure to you and how do you feel

946

00:46:07,709 --> 00:46:01,869

about it in terms of the topic of your

947

00:46:11,279 --> 00:46:07,719

follow gee I I love the I love the idea

948

00:46:14,819 --> 00:46:11,289

of disclosure I wonder in the political

949

00:46:16,440 --> 00:46:14,829

arena because I think people tend to

950

00:46:18,930 --> 00:46:16,450

think of the United States and

951  
00:46:21,329 --> 00:46:18,940  
disclosure from our government and what

952  
00:46:23,700 --> 00:46:21,339  
our people would how they would react

953  
00:46:27,059 --> 00:46:23,710  
and you know and then I think of China

954  
00:46:29,339 --> 00:46:27,069  
and Russia and you know what would they

955  
00:46:31,170 --> 00:46:29,349  
do with an American president standing

956  
00:46:33,930 --> 00:46:31,180  
up saying something like this I think it

957  
00:46:36,989 --> 00:46:33,940  
would be like almost a joke it would it

958  
00:46:40,019 --> 00:46:36,999  
this would it could go in so many

959  
00:46:41,910 --> 00:46:40,029  
different directions that I believe this

960  
00:46:43,620 --> 00:46:41,920  
has to come from science and most people

961  
00:46:48,630 --> 00:46:43,630  
know that I believe all government knows

962  
00:46:51,120 --> 00:46:48,640  
that and I also believe this comes from

963  
00:46:53,900 --> 00:46:51,130

just the confirmation that yeah we

964

00:46:58,019 --> 00:46:53,910

definitely have some things going on and

965

00:47:03,120 --> 00:46:58,029

this is happening in drips but it's

966

00:47:05,489 --> 00:47:03,130

happening at a rapid pace and I go back

967

00:47:07,499 --> 00:47:05,499

to the 60 Minutes interview with robert

968

00:47:10,620 --> 00:47:07,509

bigelow who you know as a very

969

00:47:14,370 --> 00:47:10,630

successful CEO an incredibly successful

970

00:47:16,140 --> 00:47:14,380

CEO billionaire multi billionaire who

971

00:47:18,029 --> 00:47:16,150

stands up and says they're right under

972

00:47:20,670 --> 00:47:18,039

our nose you don't have to go to space

973

00:47:23,670 --> 00:47:20,680

to find life on other planets it's right

974

00:47:26,249 --> 00:47:23,680

here under our own noses and he had no

975

00:47:30,120 --> 00:47:26,259

apology whatsoever for saying that UFOs

976  
00:47:34,729 --> 00:47:30,130  
are real and then government officials

977  
00:47:38,700 --> 00:47:34,739  
and again we have this ugly ugly troll

978  
00:47:41,729 --> 00:47:38,710  
behavior that when new guys enter or a

979  
00:47:44,880 --> 00:47:41,739  
new idea or a new way of doing things

980  
00:47:47,400 --> 00:47:44,890  
enters our field you know there's no

981  
00:47:50,160 --> 00:47:47,410  
source checking again no fact-checking

982  
00:47:53,970 --> 00:47:50,170  
they don't call the source they just

983  
00:47:59,430 --> 00:47:53,980  
start raping and shredding and calling

984  
00:48:02,910 --> 00:47:59,440  
out and I think of a tip and definitely

985  
00:48:06,920 --> 00:48:02,920  
to the Stars Academy recently we have

986  
00:48:10,680 --> 00:48:06,930  
you know somebody just talking about

987  
00:48:13,380 --> 00:48:10,690  
what Liars they are and yet they can't

988  
00:48:15,270 --> 00:48:13,390

tell you one lie and again this is what

989

00:48:17,010 --> 00:48:15,280

we're dealing with is you know these

990

00:48:19,290 --> 00:48:17,020

statements that people will just make

991

00:48:22,470 --> 00:48:19,300

against one another and they can't they

992

00:48:23,010 --> 00:48:22,480

can't prove it they don't want to prove

993

00:48:26,910 --> 00:48:23,020

it

994

00:48:29,910 --> 00:48:26,920

and how many things can they get wrong

995

00:48:32,400 --> 00:48:29,920

before we no longer listen to them we

996

00:48:34,530 --> 00:48:32,410

don't right they're wrong from the

997

00:48:35,850 --> 00:48:34,540

get-go I mean Frank go ahead but I just

998

00:48:39,180 --> 00:48:35,860

wanted to make a little comment about

999

00:48:42,890 --> 00:48:39,190

that as I never knew that this level of

1000

00:48:47,000 --> 00:48:42,900

crazy that Chase has been describing

1001

00:48:50,460 --> 00:48:47,010

existed until they open their mouths

1002

00:48:52,440 --> 00:48:50,470

unbelievable yeah yeah I did just want

1003

00:48:57,870 --> 00:48:52,450

to jump in because excuse me you brought

1004

00:49:00,660 --> 00:48:57,880

out through the Stars Academy and you

1005

00:49:03,840 --> 00:49:00,670

did for the MUFON Journal the interview

1006

00:49:05,880 --> 00:49:03,850

with Louie Elizondo and tell us a little

1007

00:49:07,770 --> 00:49:05,890

bit about that how the interview got

1008

00:49:11,010 --> 00:49:07,780

hooked up and what were your impressions

1009

00:49:14,790 --> 00:49:11,020

and did he drop any bombshells during

1010

00:49:17,640 --> 00:49:14,800

the interview I I love that interview

1011

00:49:20,280 --> 00:49:17,650

and it's fair to say that Lou and I are

1012

00:49:24,600 --> 00:49:20,290

close friends to this day I still in

1013

00:49:28,500 --> 00:49:24,610

contact with him I recently had the

1014

00:49:30,450 --> 00:49:28,510

opportunity to also meet one of my I was

1015

00:49:34,590 --> 00:49:30,460

total geek guys I was total groupie

1016

00:49:35,970 --> 00:49:34,600

Steve justice from skunk works I know

1017

00:49:38,940 --> 00:49:35,980

everybody would think it would be Tom

1018

00:49:41,610 --> 00:49:38,950

long our Tom DeLonge which you know he's

1019

00:49:44,640 --> 00:49:41,620

awesome but I'd never heard of his music

1020

00:49:46,650 --> 00:49:44,650

that would be my kids music I am the

1021

00:49:49,110 --> 00:49:46,660

biggest geek with Steve justice from

1022

00:49:53,550 --> 00:49:49,120

skunk works oh my gosh with the head

1023

00:49:56,580 --> 00:49:53,560

engineer of the sr-71 I I felt like I

1024

00:49:58,530 --> 00:49:56,590

was sitting with royalty so but to get

1025

00:50:02,580 --> 00:49:58,540

back to Lou Lou is

1026

00:50:06,690 --> 00:50:02,590

open he's trying really really hard to

1027

00:50:09,480 --> 00:50:06,700

tell us everything he can he was stunned

1028

00:50:13,890 --> 00:50:09,490

with the way he was treated and the

1029

00:50:16,410 --> 00:50:13,900

immediate backlash that he experienced

1030

00:50:18,600 --> 00:50:16,420

to the point where I don't think they

1031

00:50:21,120 --> 00:50:18,610

ever will talk to other ufologist and

1032

00:50:23,850 --> 00:50:21,130

get them involved in their projects and

1033

00:50:28,410 --> 00:50:23,860

I don't blame them and I applaud them

1034

00:50:30,780 --> 00:50:28,420

for the absolute if you can't play with

1035

00:50:34,260 --> 00:50:30,790

integrity we can't have you in our arena

1036

00:50:36,630 --> 00:50:34,270

we all are getting to that point I I

1037

00:50:40,680 --> 00:50:36,640

certainly wouldn't invite an Erica Lutz

1038

00:50:43,890 --> 00:50:40,690

or a do pan or a Tony or you know norm

1039

00:50:45,360 --> 00:50:43,900

Gagnon or a Phil leach ever to be on the

1040

00:50:47,010 --> 00:50:45,370

team with me or to work with me I don't

1041

00:50:49,560 --> 00:50:47,020

know who would how could you trust them

1042

00:50:53,070 --> 00:50:49,570

you know they hopefully Ray witnesses

1043

00:50:55,320 --> 00:50:53,080

they have openly betrayed colleagues and

1044

00:51:00,030 --> 00:50:55,330

confidence and and have said things that

1045

00:51:03,150 --> 00:51:00,040

were untrue how could you do it but he

1046

00:51:07,890 --> 00:51:03,160

was very shocked I could tell you not

1047

00:51:10,110 --> 00:51:07,900

only have I vetted his service career we

1048

00:51:13,350 --> 00:51:10,120

have to forget I think a lot of people

1049

00:51:16,800 --> 00:51:13,360

forget this is an honorable veteran who

1050

00:51:18,990 --> 00:51:16,810

cannot falsify credentials there are

1051  
00:51:21,360 --> 00:51:19,000  
laws against this I mean people are so

1052  
00:51:23,280 --> 00:51:21,370  
stupid sometimes with their accusations

1053  
00:51:26,910 --> 00:51:23,290  
that he was saying he was more than he

1054  
00:51:30,300 --> 00:51:26,920  
was this guy is the real deal I will say

1055  
00:51:33,240 --> 00:51:30,310  
when I when I leave him I like him so

1056  
00:51:35,340 --> 00:51:33,250  
much he was so open I got so much great

1057  
00:51:37,380 --> 00:51:35,350  
information and the next thing that I

1058  
00:51:39,660 --> 00:51:37,390  
think of is oh that's right he's an

1059  
00:51:41,400 --> 00:51:39,670  
intelligence operator I'm supposed to

1060  
00:51:43,830 --> 00:51:41,410  
feel this way because he's really good

1061  
00:51:47,940 --> 00:51:43,840  
at what he does right right absolutely

1062  
00:51:50,120 --> 00:51:47,950  
and the truth is it is his job but

1063  
00:51:54,030 --> 00:51:50,130

that's not the job he's doing today and

1064

00:51:56,490 --> 00:51:54,040

this what it what if they what if they

1065

00:51:59,160 --> 00:51:56,500

said this not true what disinformation

1066

00:52:00,840 --> 00:51:59,170

are they putting out there well what

1067

00:52:03,570 --> 00:52:00,850

they're what they have done and they

1068

00:52:07,350 --> 00:52:03,580

have made this mistake going back to the

1069

00:52:10,410 --> 00:52:07,360

first presentation that they did to the

1070

00:52:11,700 --> 00:52:10,420

logs appearance on the Joe Rogan show

1071

00:52:15,359 --> 00:52:11,710

and also even

1072

00:52:17,400 --> 00:52:15,369

last fall at the Italian conference that

1073

00:52:20,310 --> 00:52:17,410

the long end Elizondo appeared at is

1074

00:52:23,790 --> 00:52:20,320

that they have presented graphics video

1075

00:52:26,820 --> 00:52:23,800

or images that in fact weren't what they

1076  
00:52:29,250 --> 00:52:26,830  
said they were they have they have made

1077  
00:52:31,800 --> 00:52:29,260  
that mistake maybe a little bit too much

1078  
00:52:34,650 --> 00:52:31,810  
you know and and they own it I can tell

1079  
00:52:37,200 --> 00:52:34,660  
you that they own it and they know that

1080  
00:52:40,800 --> 00:52:37,210  
things get out of hand and you know tom

1081  
00:52:42,630 --> 00:52:40,810  
was not ready he's a rock star you know

1082  
00:52:44,670 --> 00:52:42,640  
he's used to a couple tough interview so

1083  
00:52:46,109 --> 00:52:44,680  
let's face it he's a rock star when

1084  
00:52:48,510 --> 00:52:46,119  
you're interviewed by Rolling Stones

1085  
00:52:51,180 --> 00:52:48,520  
they they treat you like royalty they're

1086  
00:52:52,920 --> 00:52:51,190  
giving him drinks there's accolades they

1087  
00:52:55,579 --> 00:52:52,930  
did not have any idea what they were

1088  
00:52:58,020 --> 00:52:55,589

stepping into they really didn't and

1089

00:53:00,150 --> 00:52:58,030

unfortunately have they done this ten

1090

00:53:02,820 --> 00:53:00,160

years ago or back in the days when it

1091

00:53:05,880 --> 00:53:02,830

you know ufology was led by shuffle a

1092

00:53:10,079 --> 00:53:05,890

and john mack and you know oh my gosh

1093

00:53:14,640 --> 00:53:10,089

good hopkins they probably would have

1094

00:53:18,210 --> 00:53:14,650

felt this you know this is a it's a mess

1095

00:53:20,250 --> 00:53:18,220

it's a mess out here and I think ufology

1096

00:53:23,730 --> 00:53:20,260

need to start standing up for itself we

1097

00:53:27,440 --> 00:53:23,740

need to seize our destiny and the best

1098

00:53:31,530 --> 00:53:27,450

way to do that is to no longer tolerate

1099

00:53:32,490 --> 00:53:31,540

you know these bad actor and to the

1100

00:53:35,460 --> 00:53:32,500

stars Academy

1101

00:53:38,609 --> 00:53:35,470

that's not these guys I don't know what

1102

00:53:42,540 --> 00:53:38,619

happened to us when like Dan and I talk

1103

00:53:46,109 --> 00:53:42,550

all the time about how how badly we have

1104

00:53:49,740 --> 00:53:46,119

begged for military members to come out

1105

00:53:52,140 --> 00:53:49,750

and tell us what they know and Intel and

1106

00:53:55,410 --> 00:53:52,150

agency people and government officials

1107

00:53:58,109 --> 00:53:55,420

and and then when we do look what we put

1108

00:54:04,670 --> 00:53:58,119

them through and we haven't even dented

1109

00:54:10,440 --> 00:54:07,770

you talking about elizondo's I am I'm

1110

00:54:12,660 --> 00:54:10,450

sorry yes I am and I'm I'm so disgusted

1111

00:54:15,390 --> 00:54:12,670

because how dare they call out this

1112

00:54:17,609 --> 00:54:15,400

veteran when they haven't even looked at

1113

00:54:19,980 --> 00:54:17,619

it CD 214 they haven't even talked to

1114

00:54:22,620 --> 00:54:19,990

him I can guarantee you that half the

1115

00:54:25,440 --> 00:54:22,630

people that are on them right now have

1116

00:54:28,109 --> 00:54:25,450

never spoken to any of them at to the

1117

00:54:30,780 --> 00:54:28,119

Stars Academy I'm a huge fan of what

1118

00:54:32,609 --> 00:54:30,790

they're doing of course anybody that's

1119

00:54:35,730 --> 00:54:32,619

collecting evidence and having it

1120

00:54:38,700 --> 00:54:35,740

analyzed properly meeting the scientific

1121

00:54:46,200 --> 00:54:38,710

scrutiny and admissible 'ti I'm all for

1122

00:54:49,920 --> 00:54:46,210

if Robert Bigelow offered me \$1 offered

1123

00:54:54,980 --> 00:54:49,930

to fund my work I would do it because

1124

00:55:02,490 --> 00:54:59,069

there's nothing immoral over any of this

1125

00:55:05,280 --> 00:55:02,500

and I absolutely would love to get some

1126

00:55:07,290 --> 00:55:05,290

sort of you'll move it forward in the

1127

00:55:11,310 --> 00:55:07,300

field and that's what to the Stars is

1128

00:55:16,170 --> 00:55:11,320

going to do when did we reject any

1129

00:55:18,540 --> 00:55:16,180

military member ne-yo I just don't

1130

00:55:23,520 --> 00:55:18,550

understand I mean is it be or have we

1131

00:55:28,440 --> 00:55:23,530

not wanted this decade well I do know

1132

00:55:30,510 --> 00:55:28,450

that excuse me again I do know that they

1133

00:55:32,400 --> 00:55:30,520

have been a huge catalyst in the wheel

1134

00:55:35,490 --> 00:55:32,410

that a lot of people working

1135

00:55:38,130 --> 00:55:35,500

independently of them have stepped up

1136

00:55:41,190 --> 00:55:38,140

their game because of what they've done

1137

00:55:43,290 --> 00:55:41,200

a lot of military witnesses have come

1138

00:55:45,359 --> 00:55:43,300

forward especially in relation to the

1139

00:55:48,030 --> 00:55:45,369

Nimitz case a lot of that is a lot

1140

00:55:50,220 --> 00:55:48,040

better fleshed out as a direct result of

1141

00:55:52,740 --> 00:55:50,230

them and it takes somebody like a Dave

1142

00:55:54,900 --> 00:55:52,750

Beatty who's kind of set up his own

1143

00:55:57,030 --> 00:55:54,910

little infrastructure to get some of

1144

00:55:58,740 --> 00:55:57,040

those guys to come forward but that he

1145

00:56:00,599 --> 00:55:58,750

has done an amazing job with that

1146

00:56:01,950 --> 00:56:00,609

they've been a real they've been a real

1147

00:56:03,839 --> 00:56:01,960

catalyst in the field I don't know

1148

00:56:07,190 --> 00:56:03,849

wouldn't exist if it wasn't for what

1149

00:56:11,000 --> 00:56:07,200

they did so right look at you

1150

00:56:14,640 --> 00:56:11,010

absolutely that is some of the smartest

1151

00:56:16,559 --> 00:56:14,650

observations absolutely and it's great

1152

00:56:20,069 --> 00:56:16,569

that's exactly how it's supposed to be

1153

00:56:23,790 --> 00:56:20,079

these guys 58 bring a game changer and

1154

00:56:27,210 --> 00:56:23,800

they up that they up the bar and they're

1155

00:56:30,930 --> 00:56:27,220

making contacts and and they have the

1156

00:56:34,440 --> 00:56:30,940

names and the titles that can call the

1157

00:56:36,809 --> 00:56:34,450

president of France why are we gonna be

1158

00:56:38,309 --> 00:56:36,819

against them and oh my gosh

1159

00:56:39,210 --> 00:56:38,319

because they're going to get the

1160

00:56:42,990 --> 00:56:39,220

information to the

1161

00:56:45,450 --> 00:56:43,000

people there they throw everything out

1162

00:56:47,250 --> 00:56:45,460

into the field and they send the fields

1163

00:56:49,380 --> 00:56:47,260

gonna spend five years shredding it

1164

00:56:52,230 --> 00:56:49,390

pulling it apart you know people that

1165

00:56:54,120 --> 00:56:52,240

have never even you know tested material

1166

00:56:56,670 --> 00:56:54,130

will weigh in on it the whole thing gets

1167

00:56:59,400 --> 00:56:56,680

so polluted or do they just hand the

1168

00:57:02,400 --> 00:56:59,410

canvas material they changed the game

1169

00:57:04,230 --> 00:57:02,410

it's not for us anymore what if they

1170

00:57:06,510 --> 00:57:04,240

just deliver it to the people that can

1171

00:57:10,020 --> 00:57:06,520

actually do something about it hmm

1172

00:57:12,150 --> 00:57:10,030

talking about Congress now yes and it's

1173

00:57:15,450 --> 00:57:12,160

different than how we've done it before

1174

00:57:19,470 --> 00:57:15,460

it doesn't make it wrong it doesn't make

1175

00:57:21,030 --> 00:57:19,480

it against us it just makes them out

1176

00:57:27,420 --> 00:57:21,040

front right now

1177

00:57:30,599 --> 00:57:27,430

it truly does and and I believe how they

1178

00:57:33,210 --> 00:57:30,609

plan to make this work is actually going

1179

00:57:37,260 --> 00:57:33,220

to work because every time we put things

1180

00:57:39,089 --> 00:57:37,270

out in the public our best cases look

1181

00:57:41,160 --> 00:57:39,099

what's happened with the Travis Walton

1182

00:57:44,640 --> 00:57:41,170

case which I think it's absolutely fit

1183

00:57:47,760 --> 00:57:44,650

with it and bulletproof and look what

1184

00:57:50,089 --> 00:57:47,770

they do to Travis look what they do to

1185

00:57:52,470 --> 00:57:50,099

render them and you know john burroughs

1186

00:57:54,839 --> 00:57:52,480

look at some of the things that we hear

1187

00:57:57,900 --> 00:57:54,849

about that if it maybe it's time we

1188

00:58:01,290 --> 00:57:57,910

don't we don't play in that arena

1189

00:58:03,089 --> 00:58:01,300

anymore and we start only speaking with

1190

00:58:06,420 --> 00:58:03,099

the people that can actually move this

1191

00:58:08,370 --> 00:58:06,430

forward I'm not against that could

1192

00:58:10,620 --> 00:58:08,380

especially considering what's been going

1193

00:58:16,200 --> 00:58:10,630

on that I'm just realizing it to what

1194

00:58:19,200 --> 00:58:16,210

extent of fleas people are capable of um

1195

00:58:23,160 --> 00:58:19,210

chase you have a really wonderful thing

1196

00:58:25,530 --> 00:58:23,170

that just happened to you and rightfully

1197

00:58:27,030 --> 00:58:25,540

so I think you should mention it if you

1198

00:58:29,280 --> 00:58:27,040

haven't already I'm sorry I had to step

1199

00:58:31,740 --> 00:58:29,290

away for a moment and that is an

1200

00:58:35,130 --> 00:58:31,750

award-winning best documentary film

1201

00:58:37,440 --> 00:58:35,140

called the seating can you share with us

1202

00:58:45,859 --> 00:58:37,450

our listeners a little bit about that oh

1203

00:58:48,270 --> 00:58:45,869

my gosh and I have had this interest and

1204

00:58:51,089 --> 00:58:48,280

there's just me I think it's because I'm

1205

00:58:53,040 --> 00:58:51,099

a female and I'm a mom but it's the

1206

00:58:56,630 --> 00:58:53,050

missing foetus syndrome

1207

00:58:58,530 --> 00:58:56,640

that we've heard about for so long and I

1208

00:59:01,500 --> 00:58:58,540

didn't really think there was a lot of

1209

00:59:03,570 --> 00:59:01,510

attention but it's just something that's

1210

00:59:08,550 --> 00:59:03,580

been in my heart for such a long time

1211

00:59:10,500 --> 00:59:08,560

and Jack Roth in Florida approached me

1212

00:59:15,930 --> 00:59:10,510

about writing a book with him about this

1213

00:59:17,550 --> 00:59:15,940

topic and before we could really dig in

1214

00:59:20,070 --> 00:59:17,560

deep on that you know we were already

1215

00:59:23,880 --> 00:59:20,080

talking to witnesses and getting some of

1216

00:59:28,040 --> 00:59:23,890

our research done in background and Jack

1217

00:59:32,850 --> 00:59:28,050

and John known as such a fantastic and

1218

00:59:34,110 --> 00:59:32,860

really moneymakers at Netflix with some

1219

00:59:36,420 --> 00:59:34,120

of their documentaries they've already

1220

00:59:40,770 --> 00:59:36,430

gotten in there were called by the

1221

00:59:43,260 --> 00:59:40,780

orchard group to California and they

1222

00:59:44,790 --> 00:59:43,270

said hey we want we want more from you

1223

00:59:49,020 --> 00:59:44,800

guys you're amazing

1224

00:59:50,910 --> 00:59:49,030

so Jack dropped the missing fetus

1225

00:59:53,100 --> 00:59:50,920

syndrome which is how I became associate

1226  
00:59:56,100 --> 00:59:53,110  
producer I would have given them this

1227  
01:00:00,450 --> 00:59:56,110  
just because we have a brilliant

1228  
01:00:03,930 --> 01:00:00,460  
brilliant duo in filmmaking you know

1229  
01:00:06,540 --> 01:00:03,940  
with the attention on this topic but how

1230  
01:00:08,670 --> 01:00:06,550  
classy that they're like no chase

1231  
01:00:10,650 --> 01:00:08,680  
let's get you involved as associate

1232  
01:00:13,080 --> 01:00:10,660  
producer and you know help us get the

1233  
01:00:14,790 --> 01:00:13,090  
witnesses and you'll help us get some

1234  
01:00:17,490 --> 01:00:14,800  
people in like you know Richard Dolan

1235  
01:00:23,430 --> 01:00:17,500  
and you know just there's some great

1236  
01:00:27,990 --> 01:00:23,440  
stars in this and I don't and we filmed

1237  
01:00:30,210 --> 01:00:28,000  
and I when I watch this I couldn't

1238  
01:00:32,790 --> 01:00:30,220

believe it I couldn't believe it it's

1239

01:00:34,710 --> 01:00:32,800

really really good it is so good these

1240

01:00:36,390 --> 01:00:34,720

guys are brilliant and I can't and I and

1241

01:00:40,560 --> 01:00:36,400

I have to mention Laurie Wagner because

1242

01:00:43,350 --> 01:00:40,570

Laurie it's just oh my gosh

1243

01:00:47,850 --> 01:00:43,360

her influence is in here you can see it

1244

01:00:50,580 --> 01:00:47,860

it's just amazing and to know that these

1245

01:00:52,380 --> 01:00:50,590

guys like Netflix if it loves it already

1246

01:00:54,360 --> 01:00:52,390

working on number three because they

1247

01:00:57,840 --> 01:00:54,370

like it so much right so we got a third

1248

01:01:00,690 --> 01:00:57,850

one but it's winning in these film

1249

01:01:05,730 --> 01:01:00,700

festivals and I'm so proud of the guys I

1250

01:01:06,920 --> 01:01:05,740

really am the the awards that this film

1251  
01:01:14,170 --> 01:01:06,930  
is receiving

1252  
01:01:17,660 --> 01:01:14,180  
is really about John Jack and Laurie and

1253  
01:01:20,000 --> 01:01:17,670  
I'm just so proud I am so proud that my

1254  
01:01:21,860 --> 01:01:20,010  
name is even associated and that I could

1255  
01:01:23,420 --> 01:01:21,870  
even be a very very small part and I

1256  
01:01:26,540 --> 01:01:23,430  
what I'm not being modest that was a

1257  
01:01:29,420 --> 01:01:26,550  
very small part of this and my heart and

1258  
01:01:32,060 --> 01:01:29,430  
just pounded like I own that because it

1259  
01:01:36,590 --> 01:01:32,070  
is a really good film but it's great

1260  
01:01:38,600 --> 01:01:36,600  
because it features a topic that I I

1261  
01:01:41,090 --> 01:01:38,610  
mean listening to some of these

1262  
01:01:43,040 --> 01:01:41,100  
witnesses and and the story behind this

1263  
01:01:45,290 --> 01:01:43,050

my heart's pounding like stomachs and my

1264

01:01:45,830 --> 01:01:45,300

eyes I mean I'm just wrapped into this

1265

01:01:49,370 --> 01:01:45,840

story

1266

01:01:50,840 --> 01:01:49,380

it was brilliant I loved it so tell us

1267

01:01:55,220 --> 01:01:50,850

about the story tell us about what the

1268

01:01:59,480 --> 01:01:55,230

film is about I can't write if it's not

1269

01:02:01,670 --> 01:01:59,490

released yet and but just know it really

1270

01:02:03,890 --> 01:02:01,680

focuses on handles and there will be two

1271

01:02:06,770 --> 01:02:03,900

of them on the missing fetus syndrome

1272

01:02:10,910 --> 01:02:06,780

and it's called extraordinary receding

1273

01:02:13,430 --> 01:02:10,920

and Laporte soon very soon it's already

1274

01:02:15,700 --> 01:02:13,440

making its way through film festivals

1275

01:02:18,260 --> 01:02:15,710

which means really state should be

1276

01:02:19,970 --> 01:02:18,270

eminent as long as it keeps living

1277

01:02:21,860 --> 01:02:19,980

though it keeps stalling that release

1278

01:02:24,320 --> 01:02:21,870

date and that's why it it's stalled

1279

01:02:28,580 --> 01:02:24,330

because well if it won this one let's

1280

01:02:30,470 --> 01:02:28,590

put it into more right yeah um actually

1281

01:02:32,330 --> 01:02:30,480

I did have another question for you and

1282

01:02:36,140 --> 01:02:32,340

that is the investigation of the Malibu

1283

01:02:39,500 --> 01:02:36,150

underwater base we had an opportunity to

1284

01:02:40,910 --> 01:02:39,510

peek at the report regarding that and I

1285

01:02:43,700 --> 01:02:40,920

wanted to know if he wouldn't mind

1286

01:02:47,840 --> 01:02:43,710

talking a little bit about that

1287

01:02:51,560 --> 01:02:47,850

it's fascinating topic I love that case

1288

01:02:54,860 --> 01:02:51,570

because again if people want to say we

1289

01:02:58,340 --> 01:02:54,870

don't do scientific investigations and I

1290

01:03:00,770 --> 01:02:58,350

just roll my eyes like I can do your

1291

01:03:03,080 --> 01:03:00,780

homework who doesn't do scientific

1292

01:03:05,390 --> 01:03:03,090

investigations because let me give you

1293

01:03:08,540 --> 01:03:05,400

this report let me show you the method

1294

01:03:10,430 --> 01:03:08,550

that we're using out here real quick I

1295

01:03:13,250 --> 01:03:10,440

just to jump in this is a real

1296

01:03:15,680 --> 01:03:13,260

interesting piece of geography out in

1297

01:03:19,640 --> 01:03:15,690

the sort of a little bit east of Point

1298

01:03:20,870 --> 01:03:19,650

Mugu there been lots of famous cases the

1299

01:03:23,330 --> 01:03:20,880

Nimitz case was not too

1300

01:03:25,580 --> 01:03:23,340

far from there the Kelly Johnson case

1301

01:03:28,750 --> 01:03:25,590

where he had a sighting in the early 50s

1302

01:03:31,190 --> 01:03:28,760

out that way of a UFO over Point Mugu

1303

01:03:33,980 --> 01:03:31,200

for those who don't know Kelly Johnson

1304

01:03:36,500 --> 01:03:33,990

is basically the founder of area 51

1305

01:03:40,130 --> 01:03:36,510

he was the first head of the Lockheed

1306

01:03:43,070 --> 01:03:40,140

skunkworks so he's a guy who knows his

1307

01:03:45,170 --> 01:03:43,080

Aviation two-time winner of the Collier

1308

01:03:48,320 --> 01:03:45,180

trophy not too many people have done

1309

01:03:50,420 --> 01:03:48,330

that and he is a big deal in that or

1310

01:03:52,400 --> 01:03:50,430

yeah he's past right now but he was a

1311

01:03:55,220 --> 01:03:52,410

big deal in the aviation field that

1312

01:03:57,380 --> 01:03:55,230

regard is one of the the top people ever

1313

01:04:00,170 --> 01:03:57,390

in the field he had a sighting out that

1314

01:04:02,510 --> 01:04:00,180

way and like I said the Nimitz case was

1315

01:04:04,520 --> 01:04:02,520

not too far from there this is a real

1316

01:04:06,800 --> 01:04:04,530

interesting piece of geography out that

1317

01:04:10,010 --> 01:04:06,810

way a lot of sightings in that Catalina

1318

01:04:14,090 --> 01:04:10,020

channel area and there was a photograph

1319

01:04:16,040 --> 01:04:14,100

I believe from a Google Earth that led

1320

01:04:17,900 --> 01:04:16,050

some folks to believe that there might

1321

01:04:20,030 --> 01:04:17,910

be some sort of underwater structure in

1322

01:04:23,300 --> 01:04:20,040

the area is that about right that's

1323

01:04:25,160 --> 01:04:23,310

exactly right and I think the reason

1324

01:04:29,480 --> 01:04:25,170

people were so quick to jump on this

1325

01:04:33,200 --> 01:04:29,490

Malibu underwater base allegedly was

1326  
01:04:36,950 --> 01:04:33,210  
because of all the legit UFO activity or

1327  
01:04:37,990 --> 01:04:36,960  
unknown aerial activity that goes on in

1328  
01:04:41,240 --> 01:04:38,000  
that area

1329  
01:04:43,310 --> 01:04:41,250  
nobody's debunking that at all that is a

1330  
01:04:46,520 --> 01:04:43,320  
hot zone and we've known that for years

1331  
01:04:50,120 --> 01:04:46,530  
but this structure was too good to be

1332  
01:04:55,520 --> 01:04:50,130  
true most people if you just at Google

1333  
01:05:00,350 --> 01:04:55,530  
Malibu underwater structure Google Maps

1334  
01:05:03,170 --> 01:05:00,360  
this prominent picture appears something

1335  
01:05:05,720 --> 01:05:03,180  
that looks like the entrance of an

1336  
01:05:08,510 --> 01:05:05,730  
underground base or a tunnel base under

1337  
01:05:11,690 --> 01:05:08,520  
the water and I was really struck by

1338  
01:05:14,300 --> 01:05:11,700

that because of course if it's true we

1339

01:05:18,020 --> 01:05:14,310

have evidence we have testable we could

1340

01:05:18,710 --> 01:05:18,030

go down and verify evidence and that's

1341

01:05:23,180 --> 01:05:18,720

what we did

1342

01:05:27,020 --> 01:05:23,190

so I boarded a research vessel decibel

1343

01:05:28,970 --> 01:05:27,030

I boarded a research vessel named the

1344

01:05:31,570 --> 01:05:28,980

bold horizon which is owned by the

1345

01:05:34,500 --> 01:05:31,580

Eclipse group and the eclipse group is

1346

01:05:38,940 --> 01:05:34,510

deepwater salvage that

1347

01:05:41,990 --> 01:05:38,950

they save everything from you know

1348

01:05:44,520 --> 01:05:42,000

sunken submarines to downed aircraft

1349

01:05:46,530 --> 01:05:44,530

they're an amazing group but they also

1350

01:05:49,830 --> 01:05:46,540

found the Titanic for Steven Spielberg

1351

01:05:51,810 --> 01:05:49,840

and did a lot of that work with the

1352

01:05:54,720 --> 01:05:51,820

exact same equipment I had a chance to

1353

01:05:57,810 --> 01:05:54,730

work with which was the Mohawk to the

1354

01:05:59,850 --> 01:05:57,820

ROV just to jump in really quick there

1355

01:06:02,010 --> 01:05:59,860

was this a clips group were they looking

1356

01:06:03,930 --> 01:06:02,020

for this structure as well or where they

1357

01:06:06,240 --> 01:06:03,940

happen happened to be looking for

1358

01:06:08,400 --> 01:06:06,250

something else in the area and you just

1359

01:06:10,710 --> 01:06:08,410

got the invite to go along since they

1360

01:06:12,570 --> 01:06:10,720

were in the neighborhood anyway I got

1361

01:06:14,490 --> 01:06:12,580

the invite to go along because this was

1362

01:06:16,920 --> 01:06:14,500

a TV show they were sitting together

1363

01:06:20,580 --> 01:06:16,930

with Jamie and that's how they call the

1364

01:06:23,100 --> 01:06:20,590

Eclipse group because Amy put a lot of

1365

01:06:26,520 --> 01:06:23,110

bankroll behind the show because it was

1366

01:06:32,190 --> 01:06:26,530

Rob Lowe and ah that explains all the

1367

01:06:35,850 --> 01:06:32,200

pictures with Rob Lowe yeah and and Rob

1368

01:06:38,160 --> 01:06:35,860

Rob Lowe grew up in Malibu so he was

1369

01:06:41,160 --> 01:06:38,170

always fascinated by the rumors of

1370

01:06:43,890 --> 01:06:41,170

submarines going in and out and you know

1371

01:06:45,510 --> 01:06:43,900

could go under the continental US under

1372

01:06:48,690 --> 01:06:45,520

these tunnels and thought that this

1373

01:06:50,550 --> 01:06:48,700

might be the entrance to it well as an

1374

01:06:52,740 --> 01:06:50,560

investigator I started like really

1375

01:06:55,050 --> 01:06:52,750

looking at this and you know immediately

1376

01:06:56,790 --> 01:06:55,060

I started having questions like both we

1377

01:07:00,600 --> 01:06:56,800

can see this structure at the depth that

1378

01:07:02,640 --> 01:07:00,610

it is why aren't we finding the lost you

1379

01:07:06,330 --> 01:07:02,650

know aircraft and both in the Bahamas

1380

01:07:08,760 --> 01:07:06,340

and why are we not seeing a lot more why

1381

01:07:10,410 --> 01:07:08,770

is it just this structure and we're not

1382

01:07:12,240 --> 01:07:10,420

really seeing anything much around it

1383

01:07:14,880 --> 01:07:12,250

like it just seemed bizarre it almost

1384

01:07:17,580 --> 01:07:14,890

seemed hoped which it was not a hope but

1385

01:07:22,710 --> 01:07:17,590

the the photo almost seemed like a hope

1386

01:07:26,550 --> 01:07:22,720

so we get on the craft it was three days

1387

01:07:28,740 --> 01:07:26,560

out to see the first 12 hours I think

1388

01:07:30,990 --> 01:07:28,750

there was only 11 out of 40 that were

1389

01:07:32,550 --> 01:07:31,000

not hanging over the rails I was one of

1390

01:07:39,480 --> 01:07:32,560

them so is Bob Lowe and they actually

1391

01:07:41,730 --> 01:07:39,490

filmed him puking over the rails so then

1392

01:07:44,520 --> 01:07:41,740

we got to work a lot and put the rover

1393

01:07:47,820 --> 01:07:44,530

in so we get right over the structure we

1394

01:07:51,000 --> 01:07:47,830

drop Mohawk down

1395

01:07:53,730 --> 01:07:51,010

it lands on top we're scanning the

1396

01:07:58,350 --> 01:07:53,740

structure with side scanning radar we

1397

01:08:00,810 --> 01:07:58,360

have HD photographs and and video being

1398

01:08:02,460 --> 01:08:00,820

taken at the same time and what we're

1399

01:08:04,920 --> 01:08:02,470

finding is that the top of the structure

1400

01:08:08,160 --> 01:08:04,930

isn't anything like what with the UNAM

1401

01:08:11,100 --> 01:08:08,170

the picture it's not even flat it's this

1402

01:08:16,020 --> 01:08:11,110

big upward angle like a teepee or a

1403

01:08:19,140 --> 01:08:16,030

frame home and that was shocking and so

1404

01:08:20,370 --> 01:08:19,150

of course then we lower the Mohawk in

1405

01:08:23,579 --> 01:08:20,380

front of it while we're taking

1406

01:08:25,079 --> 01:08:23,589

photographs and video and then drop in

1407

01:08:28,230 --> 01:08:25,089

front of the openings and we go back and

1408

01:08:29,849 --> 01:08:28,240

forth we're not finding fillers or you

1409

01:08:33,570 --> 01:08:29,859

know 90-degree angles that you know

1410

01:08:35,280 --> 01:08:33,580

things that we need to find that would

1411

01:08:39,090 --> 01:08:35,290

give us any hope this was man-made or

1412

01:08:43,520 --> 01:08:39,100

are constructed and not a natural

1413

01:08:46,800 --> 01:08:43,530

phenomena well in the end I ended up

1414

01:08:48,390 --> 01:08:46,810

doing something that from everyone I

1415

01:08:50,460 --> 01:08:48,400

talked to that had been investigating

1416

01:08:52,890 --> 01:08:50,470

the Malibu structure had not done I

1417

01:08:55,200 --> 01:08:52,900

called Google because I couldn't get

1418

01:08:57,120 --> 01:08:55,210

over why are we not seeing all these

1419

01:09:01,050 --> 01:08:57,130

other things in the ocean if we could

1420

01:09:02,490 --> 01:09:01,060

see an underwater base right and they

1421

01:09:08,490 --> 01:09:02,500

explained that that's not a photograph

1422

01:09:11,220 --> 01:09:08,500

that the way Google Earth works is that

1423

01:09:13,110 --> 01:09:11,230

they take satellite images and it could

1424

01:09:16,440 --> 01:09:13,120

be from a satellite or it could be

1425

01:09:20,790 --> 01:09:16,450

photographs from a balloon or a boat I

1426

01:09:23,099 --> 01:09:20,800

mean and from GPS coordinates they dot

1427

01:09:25,650 --> 01:09:23,109

it in well the computer will fill in the

1428

01:09:29,250 --> 01:09:25,660

rest so this is really a

1429

01:09:32,370 --> 01:09:29,260

computer-generated image over some of

1430

01:09:34,200 --> 01:09:32,380

the information it had and so it's not a

1431

01:09:38,640 --> 01:09:34,210

photograph well I found that very

1432

01:09:42,420 --> 01:09:38,650

interesting and and then also you know

1433

01:09:44,490 --> 01:09:42,430

ended up calling court Hueneme because

1434

01:09:47,430 --> 01:09:44,500

what we hear all the time is Port Magoo

1435

01:09:49,290 --> 01:09:47,440

Point Mugu and I'm thinking wait a

1436

01:09:51,660 --> 01:09:49,300

minute everybody's got attention on this

1437

01:09:54,810 --> 01:09:51,670

Navy base or this military base right

1438

01:09:57,540 --> 01:09:54,820

here but they're ignoring you models up

1439

01:09:59,880 --> 01:09:57,550

the road is Hueneme which is a Navy base

1440

01:10:01,160 --> 01:09:59,890

home of the Seabees which is the

1441

01:10:03,320 --> 01:10:01,170

Construction Battalion

1442

01:10:06,200 --> 01:10:03,330

and it's the home of the underwater

1443

01:10:08,780 --> 01:10:06,210

construction I'm like how is nobody

1444

01:10:10,760 --> 01:10:08,790

talking to them because if there is an

1445

01:10:14,810 --> 01:10:10,770

underwater construction they'd be the

1446

01:10:16,940 --> 01:10:14,820

guys behind it and maintaining it and so

1447

01:10:19,640 --> 01:10:16,950

I called them two and I got a hold of I

1448

01:10:21,980 --> 01:10:19,650

believe team to talk to the CDO which is

1449

01:10:24,620 --> 01:10:21,990

the command duty officer at the time I

1450

01:10:28,040 --> 01:10:24,630

think he was a first-class off to go

1451

01:10:29,810 --> 01:10:28,050

back to my notes but you know he was

1452

01:10:31,250 --> 01:10:29,820

pretty open he kind of laughed and said

1453

01:10:33,950 --> 01:10:31,260

yeah I know about that picture and he

1454

01:10:36,950 --> 01:10:33,960

goes you know we we talk about that all

1455

01:10:40,160 --> 01:10:36,960

the time and he's he very clearly was

1456

01:10:41,420 --> 01:10:40,170

like that's not what it is and I said

1457

01:10:44,420 --> 01:10:41,430

what do you think it is I said well I

1458

01:10:47,030 --> 01:10:44,430

think it's a thrust fault because that

1459

01:10:49,370 --> 01:10:47,040

structure is right on top of the

1460

01:10:51,290 --> 01:10:49,380

intersection of the Point Dume fault

1461

01:10:55,670 --> 01:10:51,300

lines and the santa monica fault lines

1462

01:10:59,720 --> 01:10:55,680

and when these plates move it's called a

1463

01:11:04,190 --> 01:10:59,730

thrust fault and that's exactly what it

1464

01:11:06,290 --> 01:11:04,200

is but it's also been you know verified

1465

01:11:10,760 --> 01:11:06,300

is that by many many other sources I

1466

01:11:13,990 --> 01:11:10,770

even have like a from radar a little

1467

01:11:16,820 --> 01:11:14,000

raft in there that shows you know depth

1468

01:11:17,990 --> 01:11:16,830

like a fish finder so you could even see

1469

01:11:21,440 --> 01:11:18,000

where the point comes up on the

1470

01:11:23,060 --> 01:11:21,450

structure and back down and you know but

1471

01:11:26,150 --> 01:11:23,070

I love that because this was something

1472

01:11:28,550 --> 01:11:26,160

that we could debunk or we could find

1473

01:11:30,920 --> 01:11:28,560

the truth on immediately of course we

1474

01:11:31,520 --> 01:11:30,930

wanted an alien base we got a thrust

1475

01:11:35,660 --> 01:11:31,530

fault

1476

01:11:37,400 --> 01:11:35,670

but to me it crosses off another anomaly

1477

01:11:40,300 --> 01:11:37,410

off our list that we don't have to worry

1478

01:11:44,150 --> 01:11:40,310

about anymore we know what it is done

1479

01:11:46,880 --> 01:11:44,160

but there is still a lot of great stuff

1480

01:11:49,550 --> 01:11:46,890

to look at in that Malibu area I love

1481

01:11:51,950 --> 01:11:49,560

that area a lot of great cases out that

1482

01:11:53,630 --> 01:11:51,960

way and there has been talk about UFO

1483

01:11:56,150 --> 01:11:53,640

bases underwater in that neck of the

1484

01:11:58,450 --> 01:11:56,160

woods for a long time just because there

1485

01:12:04,550 --> 01:11:58,460

are so many sightings out that way

1486

01:12:07,310 --> 01:12:04,560

correct yeah I wanted to ask you a

1487

01:12:10,070 --> 01:12:07,320

little bit about your family your

1488

01:12:11,840 --> 01:12:10,080

brother has and I know you've covered

1489

01:12:14,389 --> 01:12:11,850

this but it's really interesting you

1490

01:12:17,569 --> 01:12:14,399

know race hobbs has spent

1491

01:12:20,270 --> 01:12:17,579

copious amounts of time working very

1492

01:12:23,359 --> 01:12:20,280

hard on I think you might even be the

1493

01:12:27,379 --> 01:12:23,369

corner of kgr you'll have to tell me but

1494

01:12:29,839 --> 01:12:27,389

on his podcast and station making sure

1495

01:12:32,179 --> 01:12:29,849

people have all this wonderful

1496

01:12:35,629 --> 01:12:32,189

information about the area of your

1497

01:12:37,759 --> 01:12:35,639

follow G and other phenomena how did how

1498

01:12:40,520 --> 01:12:37,769

did he get involved in that it's just so

1499

01:12:44,149 --> 01:12:40,530

fascinating to me that you both in

1500

01:12:48,799 --> 01:12:44,159

tandem are deeply involved in this area

1501

01:12:50,779 --> 01:12:48,809

together it's bizarre and just to be

1502

01:12:55,790 --> 01:12:50,789

very honest and clear he's not my real

1503

01:13:02,270 --> 01:12:55,800

brother we brought it but you can't tell

1504

01:13:04,399 --> 01:13:02,280

our hearts that right but he he started

1505

01:13:08,000 --> 01:13:04,409

a radio as a teenager he's always had

1506

01:13:12,729 --> 01:13:08,010

that voice and that race huh boys oh boy

1507

01:13:16,639 --> 01:13:12,739

it's wings women around the world and

1508

01:13:18,589 --> 01:13:16,649

he's really easy to listen to yeah there

1509

01:13:20,540 --> 01:13:18,599

are some program Pro broadcasters who

1510

01:13:24,649 --> 01:13:20,550

aren't but race is a real easy guy to

1511

01:13:26,299 --> 01:13:24,659

listen and he's also of feisty he

1512

01:13:28,459 --> 01:13:26,309

doesn't he doesn't mind getting a little

1513

01:13:31,699 --> 01:13:28,469

riled up every once in a while and it's

1514

01:13:36,919 --> 01:13:31,709

sincere and he is a sincere truth seeker

1515

01:13:38,929 --> 01:13:36,929

and he's also one that understands that

1516

01:13:41,899 --> 01:13:38,939

you know a few mistakes you made as a

1517

01:13:44,779 --> 01:13:41,909

child or in your past that you've paid

1518

01:13:46,009 --> 01:13:44,789

the price for whatever shouldn't be held

1519

01:13:53,060 --> 01:13:46,019

against you for the rest of your life

1520

01:13:54,979 --> 01:13:53,070

and he has stood by the best Linda

1521

01:13:57,169 --> 01:13:54,989

Moulton Howe loves him don't mess with

1522

01:14:00,679 --> 01:13:57,179

her little racy oh my god

1523

01:14:05,299 --> 01:14:00,689

and and Richard Dolan from day one has

1524

01:14:10,089 --> 01:14:05,309

been with K GRA and he got a camera to

1525

01:14:12,439 --> 01:14:10,099

do a show yeah exactly and this is um

1526

01:14:14,109 --> 01:14:12,449

you know I again I don't want to insult

1527

01:14:16,429 --> 01:14:14,119

anybody but when it comes to networks

1528

01:14:19,459 --> 01:14:16,439

absolutely top of the game I you know I

1529

01:14:21,290 --> 01:14:19,469

think you know KJ RA is number one out

1530

01:14:26,719 --> 01:14:21,300

there and no one's going to touch them

1531

01:14:27,860 --> 01:14:26,729

so and just to give a little nod to the

1532

01:14:30,050 --> 01:14:27,870

job that when

1533

01:14:33,530 --> 01:14:30,060

and John have done with their phenomenon

1534

01:14:35,720 --> 01:14:33,540

radios over the last year and change in

1535

01:14:38,240 --> 01:14:35,730

particular they have gotten some really

1536

01:14:39,770 --> 01:14:38,250

good guess I mean honestly the shows

1537

01:14:41,960 --> 01:14:39,780

they've done it right up there with some

1538

01:14:44,150 --> 01:14:41,970

of the shows that nori has done or not

1539

01:14:46,790 --> 01:14:44,160

I'm sorry not nori but George Knapp has

1540

01:14:48,620 --> 01:14:46,800

done over on coast to coast in terms of

1541

01:14:52,400 --> 01:14:48,630

in getting some really top-notch

1542

01:14:54,320 --> 01:14:52,410

exclusive interviews you know my hats

1543

01:14:55,820 --> 01:14:54,330

off to him I'm a big fan I'm not gonna

1544

01:14:58,130 --> 01:14:55,830

and when it came and when it came time

1545

01:15:02,450 --> 01:14:58,140

for Linda to pick one meaning coast to

1546

01:15:07,610 --> 01:15:02,460

coast of kg RA she picked kg RA that's

1547

01:15:09,500 --> 01:15:07,620

amazing volume and I think to answer the

1548

01:15:11,570 --> 01:15:09,510

question was I think race just always

1549

01:15:14,900 --> 01:15:11,580

had an interest in UFOs and in that

1550

01:15:16,790 --> 01:15:14,910

radio and just kind of found himself

1551

01:15:19,970 --> 01:15:16,800

able to start building something like

1552

01:15:23,290 --> 01:15:19,980

this but it started when he and I talked

1553

01:15:26,930 --> 01:15:23,300

I would start he manager at the time and

1554

01:15:29,000 --> 01:15:26,940

he was just it was just crazy like how

1555

01:15:31,460 --> 01:15:29,010

some of the best friends that you have

1556

01:15:34,580 --> 01:15:31,470

how you meet and it's so random and and

1557

01:15:35,690 --> 01:15:34,590

quick but but just just to be clear here

1558

01:15:37,490 --> 01:15:35,700

just to clear this up because this is

1559

01:15:39,710 --> 01:15:37,500

something that I had heard the you two

1560

01:15:41,240 --> 01:15:39,720

were actually brother and sister but in

1561

01:15:44,750 --> 01:15:41,250

fact that's just the more of an honorary

1562

01:15:46,220 --> 01:15:44,760

sort of thing but I love the fact that

1563

01:15:48,040 --> 01:15:46,230

people don't know the difference anymore

1564

01:15:53,480 --> 01:15:48,050

that's impossible

1565

01:15:55,730 --> 01:15:53,490

like you know I wanted to bring up

1566

01:15:59,330 --> 01:15:55,740

something really important also and that

1567

01:16:01,910 --> 01:15:59,340

is a few things I'm gonna jump to a

1568

01:16:05,720 --> 01:16:01,920

different subject lobbying for the UFO

1569

01:16:08,270 --> 01:16:05,730

field is so critical and you're ready to

1570

01:16:10,280 --> 01:16:08,280

take that on you know in a very

1571

01:16:14,680 --> 01:16:10,290

passionate manner Steve Bassett as

1572

01:16:18,080 --> 01:16:14,690

everybody knows has been at it for years

1573

01:16:21,740 --> 01:16:18,090

regarding his project a lobbying project

1574

01:16:23,930 --> 01:16:21,750

on et disclosure he's also from what I

1575

01:16:27,550 --> 01:16:23,940

understand I don't mind being incorrect

1576

01:16:29,870 --> 01:16:27,560

on this but at one point the only man in

1577

01:16:33,790 --> 01:16:29,880

Washington that was lobbying on behalf

1578

01:16:36,260 --> 01:16:33,800

of UFO well the topic of you apology

1579

01:16:39,350 --> 01:16:36,270

would it be true to say you are now the

1580

01:16:40,979 --> 01:16:39,360

only woman lobbying on behalf of all of

1581

01:16:46,990 --> 01:16:40,989

us

1582

01:16:48,850 --> 01:16:47,000

the same time why is lobbying so

1583

01:16:54,100 --> 01:16:48,860

important in Washington I know it is but

1584

01:16:55,570 --> 01:16:54,110

why I believe I am the only woman I

1585

01:16:59,020 --> 01:16:55,580

believe Steve and I are still the only

1586

01:17:01,180 --> 01:16:59,030

two yes I hate he doesn't call himself a

1587

01:17:05,830 --> 01:17:01,190

lobbyist though or even a ufologist he's

1588

01:17:07,479 --> 01:17:05,840

an advocate I think he is registered

1589

01:17:08,860 --> 01:17:07,489

isn't there a registration process you

1590

01:17:11,560 --> 01:17:08,870

have to go through to become a lobbyist

1591

01:17:16,090 --> 01:17:11,570

oh my gosh if you went through that yes

1592

01:17:19,360 --> 01:17:16,100

yes it's all that I if he is I'm the

1593

01:17:21,280 --> 01:17:19,370

card-carrying I'd be wearing yes it's

1594

01:17:24,370 --> 01:17:21,290

brutal it's all done through the office

1595

01:17:27,820 --> 01:17:24,380

of campaign finance so and it's not an

1596

01:17:30,370 --> 01:17:27,830

easy thing to get and there's a lot of

1597

01:17:32,460 --> 01:17:30,380

you know background check and you know

1598

01:17:34,990 --> 01:17:32,470

there's a lot of Hoops to jump through

1599

01:17:38,790 --> 01:17:35,000

but once you get it it's worth it and

1600

01:17:41,170 --> 01:17:38,800

the reason I lobbying is so important

1601

01:17:44,530 --> 01:17:41,180

and I do believe Steve and I are the

1602

01:17:46,660 --> 01:17:44,540

only two doing that even though I'm you

1603

01:17:48,250 --> 01:17:46,670

know pulling a team together so it will

1604

01:17:51,550 --> 01:17:48,260

be a team effort and a team going

1605

01:17:55,030 --> 01:17:51,560

forward and it's it's important because

1606

01:17:56,770 --> 01:17:55,040

who else is going to change this we have

1607

01:17:59,140 --> 01:17:56,780

all the evidence in the world that have

1608

01:18:01,750 --> 01:17:59,150

been presented by Grant Cameron's and

1609

01:18:04,300 --> 01:18:01,760

Richard Dolan's and you know just like

1610

01:18:07,870 --> 01:18:04,310

the biggest names out here and no one

1611

01:18:09,729 --> 01:18:07,880

cares no one cares look at the radar we

1612

01:18:12,880 --> 01:18:09,739

have look at you know just the mountains

1613

01:18:15,490 --> 01:18:12,890

of evidence and yet we're still trying

1614

01:18:17,320 --> 01:18:15,500

to convince people this is real and it's

1615

01:18:19,710 --> 01:18:17,330

because we're not the people that are

1616

01:18:23,550 --> 01:18:19,720

going to affect any type of disclosure

1617

01:18:26,380 --> 01:18:23,560

confirmation this has to go through

1618

01:18:29,290 --> 01:18:26,390

certain channels to even be legitimized

1619

01:18:32,950 --> 01:18:29,300

by other countries it's the way politics

1620

01:18:34,810 --> 01:18:32,960

in an international setting work I'm

1621

01:18:36,940 --> 01:18:34,820

glad you mentioned radar because radar

1622

01:18:39,940 --> 01:18:36,950

is key in my book it's physical evidence

1623

01:18:41,830 --> 01:18:39,950

of the UFOs it happens but I don't think

1624

01:18:43,900 --> 01:18:41,840

that point gets here at home enough

1625

01:18:46,360 --> 01:18:43,910

I've been big on it every time I have a

1626

01:18:48,220 --> 01:18:46,370

physicist have the opportunity to talk

1627

01:18:50,050 --> 01:18:48,230

to one of those guys always ask them do

1628

01:18:51,580 --> 01:18:50,060

you consider radar physical evidence the

1629

01:18:55,160 --> 01:18:51,590

answer is yes

1630

01:18:59,810 --> 01:18:55,170

and and it is physical evidence and it's

1631

01:19:03,439 --> 01:18:59,820

also proof because of what radar tells

1632

01:19:06,770 --> 01:19:03,449

us in every other situation so why is it

1633

01:19:10,310 --> 01:19:06,780

faulty on this one so I wanted to bring

1634

01:19:13,189 --> 01:19:10,320

up something that Steve Bassett said

1635

01:19:15,229 --> 01:19:13,199

when he was asked what do you see is the

1636

01:19:17,029 --> 01:19:15,239

ultimate goal and they meant the

1637

01:19:21,049 --> 01:19:17,039

interviewer meant in the context of

1638

01:19:23,629 --> 01:19:21,059

lobbying in Washington he said this the

1639

01:19:27,020 --> 01:19:23,639

disclosure advocacy movement has a very

1640

01:19:30,500 --> 01:19:27,030

clear goal formal formal acknowledgement

1641

01:19:33,589 --> 01:19:30,510

by world governments of an et presence

1642

01:19:35,719 --> 01:19:33,599

engaging the human race at this time the

1643

01:19:38,239 --> 01:19:35,729

focus of the movement is on the United

1644

01:19:40,279 --> 01:19:38,249

States and at that time it was President

1645

01:19:42,979 --> 01:19:40,289

Obama I'm gonna ask you the same

1646

01:19:45,169 --> 01:19:42,989

question this interviewer asked Steve

1647

01:19:49,879 --> 01:19:45,179

Bassett what is the ultimate goal for

1648

01:19:55,759 --> 01:19:49,889

you regarding your being so passionate

1649

01:19:58,699 --> 01:19:55,769

and engaging in getting involved in

1650

01:20:00,589 --> 01:19:58,709

becoming a lobbyist trying to get the

1651  
01:20:03,560 --> 01:20:00,599  
government so to speak to do something

1652  
01:20:07,910 --> 01:20:03,570  
what are you trying to do exactly and

1653  
01:20:11,540 --> 01:20:07,920  
why it's it's to find the truth of what

1654  
01:20:13,219 --> 01:20:11,550  
what this phenomena is we have no

1655  
01:20:14,479 --> 01:20:13,229  
evidence that this is all good and

1656  
01:20:16,370 --> 01:20:14,489  
they're going to come down and save us

1657  
01:20:20,509 --> 01:20:16,380  
we have a community that believes that

1658  
01:20:22,790 --> 01:20:20,519  
and yet the evidence doesn't does it

1659  
01:20:25,819 --> 01:20:22,800  
support that neither does the evidence

1660  
01:20:28,370 --> 01:20:25,829  
support it's all evil and a national

1661  
01:20:30,350 --> 01:20:28,380  
security threat so we're still up in the

1662  
01:20:32,120 --> 01:20:30,360  
air on exactly who they are and what

1663  
01:20:35,149 --> 01:20:32,130

they want we're not debating that

1664

01:20:37,489 --> 01:20:35,159

they're real we are now debating who are

1665

01:20:40,370 --> 01:20:37,499

they and what is the reason that they're

1666

01:20:43,819 --> 01:20:40,380

interacting with humans what is what is

1667

01:20:47,899 --> 01:20:43,829

the role here and of course going

1668

01:20:50,979 --> 01:20:47,909

through governments it has to be a

1669

01:20:54,890 --> 01:20:50,989

security risk anything's a security risk

1670

01:20:56,839 --> 01:20:54,900

you know a foreign bird you don't found

1671

01:21:00,199 --> 01:20:56,849

on a beach don't touch it we don't know

1672

01:21:02,779 --> 01:21:00,209

if it's poisonous right so until we know

1673

01:21:04,580 --> 01:21:02,789

what this is we have to treat the

1674

01:21:10,350 --> 01:21:04,590

phenomena

1675

01:21:13,380 --> 01:21:10,360

with an observable skepticism and with

1676  
01:21:15,990 --> 01:21:13,390  
the scientific method and we just can't

1677  
01:21:17,910 --> 01:21:16,000  
go in believing it's bad and shooting

1678  
01:21:20,750 --> 01:21:17,920  
them up and we can't believe they're

1679  
01:21:24,810 --> 01:21:20,760  
it's as great and open our arms and so

1680  
01:21:29,160 --> 01:21:24,820  
if we have something we can study and I

1681  
01:21:31,050 --> 01:21:29,170  
believe 100% that we've been

1682  
01:21:33,419 --> 01:21:31,060  
investigating and doing it right for a

1683  
01:21:36,860 --> 01:21:33,429  
long time but even MUFON has a little

1684  
01:21:40,740 --> 01:21:36,870  
over 100 thousand investigative

1685  
01:21:43,770 --> 01:21:40,750  
investigated eyewitness reports what

1686  
01:21:46,200 --> 01:21:43,780  
take this now and we treat it like a

1687  
01:21:48,000 --> 01:21:46,210  
counterintelligence operation which is

1688  
01:21:51,390 --> 01:21:48,010

also what a police department would do

1689

01:21:54,660 --> 01:21:51,400

with a new gang in town so that's what

1690

01:21:57,810 --> 01:21:54,670

my beltway group does is we sit down and

1691

01:22:00,510 --> 01:21:57,820

we systematically look at what are they

1692

01:22:01,919 --> 01:22:00,520

how are they communicating where are

1693

01:22:04,680 --> 01:22:01,929

they living how are they getting here

1694

01:22:09,419 --> 01:22:04,690

what is the proof do we have answers on

1695

01:22:12,270 --> 01:22:09,429

this what are their motives like what do

1696

01:22:15,660 --> 01:22:12,280

they seem most interested in where's the

1697

01:22:17,820 --> 01:22:15,670

proof where's the data so by going after

1698

01:22:20,820 --> 01:22:17,830

the data and eyewitness reports in

1699

01:22:23,790 --> 01:22:20,830

Buffon and new force which is Peter

1700

01:22:26,370 --> 01:22:23,800

Davenport's a sight speaking to

1701

01:22:29,040 --> 01:22:26,380

countries that keep data like Chile and

1702

01:22:32,130 --> 01:22:29,050

France who openly their governments

1703

01:22:35,030 --> 01:22:32,140

openly investigate UFOs and dealing with

1704

01:22:37,680 --> 01:22:35,040

other countries that do the same

1705

01:22:40,400 --> 01:22:37,690

ufologists in Russia and we start

1706

01:22:44,100 --> 01:22:40,410

gathering as much information or

1707

01:22:47,580 --> 01:22:44,110

intelligence that we can and we just

1708

01:22:52,770 --> 01:22:47,590

start processing this with a scientific

1709

01:22:54,720 --> 01:22:52,780

and skeptic puzzle it's just a big

1710

01:22:58,290 --> 01:22:54,730

puzzle and we put together our best

1711

01:23:00,570 --> 01:22:58,300

hypothesis from that and that's what

1712

01:23:02,850 --> 01:23:00,580

we'll be putting forward because that's

1713

01:23:04,290 --> 01:23:02,860

what they'll be doing in Congress that's

1714

01:23:07,350 --> 01:23:04,300

what they'll be doing around the table

1715

01:23:10,470 --> 01:23:07,360

is well what does this mean so we have

1716

01:23:14,810 --> 01:23:10,480

this tic-tac video and we what does that

1717

01:23:17,430 --> 01:23:14,820

mean to us and considering the the

1718

01:23:18,359 --> 01:23:17,440

issues going on that they need to deal

1719

01:23:22,589 --> 01:23:18,369

with about our

1720

01:23:25,500 --> 01:23:22,599

country can let alone the swamp the

1721

01:23:27,239 --> 01:23:25,510

swamp garbage like FISA warrants and you

1722

01:23:30,299 --> 01:23:27,249

know collusion and all that stuff going

1723

01:23:32,549 --> 01:23:30,309

on just the day-to-day operations of the

1724

01:23:34,350 --> 01:23:32,559

government is difficult enough now let's

1725

01:23:38,790 --> 01:23:34,360

bring them something they know nothing

1726

01:23:42,419 --> 01:23:38,800

about you they don't Congress does not

1727

01:23:44,459 --> 01:23:42,429

have information on UFOs Senate doesn't

1728

01:23:47,549 --> 01:23:44,469

intelligent committee does not threat

1729

01:23:51,540 --> 01:23:47,559

assessment does not and this is where Lu

1730

01:23:54,989 --> 01:23:51,550

was frustrated in a tip not having the

1731

01:23:58,529 --> 01:23:54,999

access to the people that most needed

1732

01:24:03,089 --> 01:23:58,539

the information so would they take it on

1733

01:24:05,009 --> 01:24:03,099

a private level yeah the one of the few

1734

01:24:08,339 --> 01:24:05,019

things that yeah well let me jump in

1735

01:24:11,040 --> 01:24:08,349

here well the real question well well

1736

01:24:13,830 --> 01:24:11,050

they're all real questions but a

1737

01:24:15,600 --> 01:24:13,840

question real quick about the frequency

1738

01:24:17,879 --> 01:24:15,610

you talked about the motivations that

1739

01:24:20,580 --> 01:24:17,889

might be a little tough to get to but if

1740

01:24:23,040 --> 01:24:20,590

we had more data especially from the

1741

01:24:26,489 --> 01:24:23,050

military we might be able to come up

1742

01:24:30,209 --> 01:24:26,499

with a reasonable speculation as to how

1743

01:24:33,239 --> 01:24:30,219

often these UFO cases are in fact that's

1744

01:24:35,310 --> 01:24:33,249

something I've never really heard anyone

1745

01:24:37,319 --> 01:24:35,320

come out with and I just want to get

1746

01:24:40,619 --> 01:24:37,329

your thoughts really quick how frequent

1747

01:24:43,560 --> 01:24:40,629

do you think this is happening I well

1748

01:24:49,799 --> 01:24:43,570

what Lou tells us is more than we

1749

01:24:54,359 --> 01:24:49,809

believe and more than we're told and I

1750

01:24:56,850 --> 01:24:54,369

believe that there's you know we hear

1751

01:24:58,889 --> 01:24:56,860

all the time you know military people

1752

01:25:01,049 --> 01:24:58,899

coming out saying you know what we

1753

01:25:04,159 --> 01:25:01,059

tracked it but you know I was just told

1754

01:25:08,790 --> 01:25:04,169

to forget about it and so in that sense

1755

01:25:13,109 --> 01:25:08,800

I think a lot I think there's a lot more

1756

01:25:15,419 --> 01:25:13,119

than knowingly monthly daily I can't

1757

01:25:17,669 --> 01:25:15,429

speculate but that's one of the

1758

01:25:19,229 --> 01:25:17,679

questions we'd like to know and the only

1759

01:25:22,139 --> 01:25:19,239

way we're going to get that information

1760

01:25:25,649 --> 01:25:22,149

is by cooperating and working with our

1761

01:25:27,569 --> 01:25:25,659

lawmakers again when did they become the

1762

01:25:29,069 --> 01:25:27,579

bad guys that we can't trust a single

1763

01:25:32,279 --> 01:25:29,079

one of them because they used to work

1764

01:25:35,669 --> 01:25:32,289

for the CIA or they used to work

1765

01:25:38,879 --> 01:25:35,679

for or they used to be a senator

1766

01:25:40,379 --> 01:25:38,889

I love Senator Reid and when you listen

1767

01:25:43,759 --> 01:25:40,389

to what he comes out and says that

1768

01:25:46,379 --> 01:25:43,769

Russia and the and and China are

1769

01:25:49,830 --> 01:25:46,389

aggressively going after this technology

1770

01:25:51,959 --> 01:25:49,840

as well if you what did he just say whoa

1771

01:25:55,919 --> 01:25:51,969

oh my gosh guys right

1772

01:25:59,609 --> 01:25:55,929

he just said Russia and China are going

1773

01:26:02,790 --> 01:25:59,619

after UFO technology why would this man

1774

01:26:04,620 --> 01:26:02,800

at his age and dealing with the health

1775

01:26:06,990 --> 01:26:04,630

issues he's dealing with even feel like

1776

01:26:09,990 --> 01:26:07,000

he should say something like that if it

1777

01:26:11,939 --> 01:26:10,000

wasn't true and he wasn't concerned we

1778

01:26:15,120 --> 01:26:11,949

need to start listening to these people

1779

01:26:18,029 --> 01:26:15,130

that actually have the secrets or some

1780

01:26:20,250 --> 01:26:18,039

of them just to follow up on that Reid

1781

01:26:23,129 --> 01:26:20,260

of course is out he's no longer senator

1782

01:26:26,430 --> 01:26:23,139

from Nevada he's making these statements

1783

01:26:28,919 --> 01:26:26,440

so basically as a private citizen again

1784

01:26:32,310 --> 01:26:28,929

and there does seem to be that really

1785

01:26:34,259 --> 01:26:32,320

weird thing that has gone on for a long

1786

01:26:37,379 --> 01:26:34,269

time really even going back to the 50s

1787

01:26:39,540 --> 01:26:37,389

where when they're in they don't say

1788

01:26:41,399 --> 01:26:39,550

anything but sometimes they will let's

1789

01:26:42,959 --> 01:26:41,409

start talking a little bit more once

1790

01:26:43,410 --> 01:26:42,969

they're out can you speak to that a

1791

01:26:45,810 --> 01:26:43,420

little bit

1792

01:26:49,589 --> 01:26:45,820

yeah it's called you know the the

1793

01:26:52,649 --> 01:26:49,599

secrecy so even in the citizens hearing

1794

01:26:54,450 --> 01:26:52,659

there were I believe it was Rendlesham

1795

01:26:59,700 --> 01:26:54,460

and when they were putting up some of

1796

01:27:02,609 --> 01:26:59,710

the evidence that they had from you know

1797

01:27:05,879 --> 01:27:02,619

just physical aspects one of the

1798

01:27:07,169 --> 01:27:05,889

Senators was afraid even as a former

1799

01:27:09,049 --> 01:27:07,179

that he did not have the security

1800

01:27:11,459 --> 01:27:09,059

clearance to read what was in that file

1801  
01:27:13,620 --> 01:27:11,469  
and that's how it works

1802  
01:27:17,779 --> 01:27:13,630  
so once you're in one of these

1803  
01:27:20,879 --> 01:27:17,789  
committees you're held to Secrets and

1804  
01:27:25,259 --> 01:27:20,889  
depending on you know your level or how

1805  
01:27:27,419 --> 01:27:25,269  
long your secrecy oaths expire or how

1806  
01:27:30,359 --> 01:27:27,429  
long you're held to that or when things

1807  
01:27:33,390 --> 01:27:30,369  
are Declassified or it's safe to talk

1808  
01:27:35,870 --> 01:27:33,400  
these guys can't it's the same thing

1809  
01:27:38,959 --> 01:27:35,880  
with Bigelow Bigelow wasn't hiding

1810  
01:27:42,089 --> 01:27:38,969  
information as much as he's not allowed

1811  
01:27:46,089 --> 01:27:42,099  
he's a contractor and he's a defense

1812  
01:27:49,959 --> 01:27:46,099  
contractor so when he gets these defense

1813  
01:27:53,080 --> 01:27:49,969

and part of that discovers UFO

1814

01:27:56,199 --> 01:27:53,090

technology well he's still under that

1815

01:27:58,919 --> 01:27:56,209

secrecy it's a top-secret program you

1816

01:28:01,299 --> 01:27:58,929

can't let the whole world see this and

1817

01:28:04,149 --> 01:28:01,309

that's what we're learning at this point

1818

01:28:07,810 --> 01:28:04,159

it isn't that he wanted to keep it

1819

01:28:10,750 --> 01:28:07,820

secret he had to so what is the best way

1820

01:28:13,719 --> 01:28:10,760

to make these things public you

1821

01:28:16,689 --> 01:28:13,729

privatize the information so that it's

1822

01:28:18,910 --> 01:28:16,699

no longer classified then you can give

1823

01:28:23,459 --> 01:28:18,920

it to your scientists and they can move

1824

01:28:27,640 --> 01:28:23,469

forward with this technology that may be

1825

01:28:29,529 --> 01:28:27,650

our biggest game-changer yet so think

1826

01:28:32,910 --> 01:28:29,539

about what I just said there and that

1827

01:28:37,029 --> 01:28:32,920

actually makes sense and once again

1828

01:28:39,779 --> 01:28:37,039

these guys aren't concerned with what

1829

01:28:42,910 --> 01:28:39,789

UFO people like chase clusky think

1830

01:28:45,640 --> 01:28:42,920

Bigelow could care less what I think

1831

01:28:49,870 --> 01:28:45,650

he's made that clear yeah

1832

01:28:51,790 --> 01:28:49,880

and I don't blame him he's great great

1833

01:28:55,479 --> 01:28:51,800

minds that are ready to help him and

1834

01:28:59,500 --> 01:28:55,489

push this forward and I would be excited

1835

01:29:04,649 --> 01:28:59,510

if Joe Blow the plumber found the

1836

01:29:07,390 --> 01:29:04,659

smoking gun if it helped the cause I

1837

01:29:10,089 --> 01:29:07,400

just don't think that Joe the Plumber or

1838

01:29:13,629 --> 01:29:10,099

chase let's key or Richard Dolan or any

1839

01:29:17,910 --> 01:29:13,639

of these guys or any of us holding the

1840

01:29:21,419 --> 01:29:17,920

smoking gun would ever be able to

1841

01:29:25,029 --> 01:29:21,429

scientifically present that evidence

1842

01:29:28,560 --> 01:29:25,039

just think of just the UFO field alone

1843

01:29:31,600 --> 01:29:28,570

right you know and it it's polluting

1844

01:29:34,140 --> 01:29:31,610

everything we've done right is this this

1845

01:29:36,879 --> 01:29:34,150

Jerry Springer attitude and antics is

1846

01:29:40,629 --> 01:29:36,889

polluting everything we've done right so

1847

01:29:42,819 --> 01:29:40,639

far I was just gonna make a kind of a

1848

01:29:43,810 --> 01:29:42,829

side comment and that is even I'm not

1849

01:29:45,370 --> 01:29:43,820

going to pronounce the name of the

1850

01:29:49,029 --> 01:29:45,380

country very well by the way you'll have

1851  
01:29:50,919 --> 01:29:49,039  
to correct me but even AG way they have

1852  
01:29:52,600 --> 01:29:50,929  
an Air Force that has conducted UFO

1853  
01:29:58,419 --> 01:29:52,610  
investigations since 89

1854  
01:29:59,160 --> 01:29:58,429  
yes and reportedly analyzed 2100 cases

1855  
01:30:03,360 --> 01:29:59,170  
of

1856  
01:30:07,320 --> 01:30:03,370  
they regard approximately 2% as lacking

1857  
01:30:10,350 --> 01:30:07,330  
explanation now just wanted to say that

1858  
01:30:14,840 --> 01:30:10,360  
there's all kinds of governments around

1859  
01:30:18,209 --> 01:30:14,850  
the world that are actively pursuing

1860  
01:30:19,500 --> 01:30:18,219  
investigating this topic and for good

1861  
01:30:22,140 --> 01:30:19,510  
reason

1862  
01:30:25,110 --> 01:30:22,150  
they have aircrafts - they have

1863  
01:30:28,020 --> 01:30:25,120

satellites also they want to learn more

1864

01:30:30,689 --> 01:30:28,030

about these anomalous objects in the sky

1865

01:30:33,270 --> 01:30:30,699

if it's not for defense reasons it's

1866

01:30:36,419 --> 01:30:33,280

just plain curiosity it has to do with

1867

01:30:40,770 --> 01:30:36,429

Science and Technology wanted to know do

1868

01:30:43,410 --> 01:30:40,780

you feel like what would happen I have

1869

01:30:46,590 --> 01:30:43,420

kind of a strange question for you what

1870

01:30:49,560 --> 01:30:46,600

do you think would happen if ETS landed

1871

01:30:51,600 --> 01:30:49,570

on the planet right now and I'd like to

1872

01:30:55,590 --> 01:30:51,610

make a comment about that by the way

1873

01:30:58,500 --> 01:30:55,600

what how I feel about that I know people

1874

01:31:00,390 --> 01:30:58,510

who would still deny them right there

1875

01:31:02,729 --> 01:31:00,400

within feet of them that they were

1876

01:31:05,160 --> 01:31:02,739

actually there now I'm not saying that's

1877

01:31:07,620 --> 01:31:05,170

bad I'm just saying that's how they will

1878

01:31:10,830 --> 01:31:07,630

react how do you think our planet will

1879

01:31:12,990 --> 01:31:10,840

react if that occurred I think you're

1880

01:31:18,600 --> 01:31:13,000

right I think it's Hopi people this is a

1881

01:31:21,630 --> 01:31:18,610

false flag operation I think that we

1882

01:31:23,400 --> 01:31:21,640

would all be gathered around with

1883

01:31:26,070 --> 01:31:23,410

probably our best friends I call my

1884

01:31:29,130 --> 01:31:26,080

kitchen cabinet or it's not my kitchen

1885

01:31:30,780 --> 01:31:29,140

we're together but all right I'd call my

1886

01:31:32,970 --> 01:31:30,790

kitchen cabinet and we'd be around that

1887

01:31:35,850 --> 01:31:32,980

TV and I call my husband saying oh my

1888

01:31:39,740 --> 01:31:35,860

gosh can you believe this and and we'd

1889

01:31:44,100 --> 01:31:39,750

be glued and it would be on television

1890

01:31:47,310 --> 01:31:44,110

24/7 for weeks and people would just be

1891

01:31:50,459 --> 01:31:47,320

more interested and I think it would be

1892

01:31:53,939 --> 01:31:50,469

an observable until you know depending

1893

01:31:58,709 --> 01:31:53,949

on the next move from the occupants of

1894

01:32:00,660 --> 01:31:58,719

that craft that landed but I don't think

1895

01:32:04,740 --> 01:32:00,670

people are going to freak out and commit

1896

01:32:07,620 --> 01:32:04,750

suicide and lose a religion just because

1897

01:32:09,030 --> 01:32:07,630

of you know the countries that are

1898

01:32:12,800 --> 01:32:09,040

already doing that like you mentioned

1899

01:32:16,160 --> 01:32:12,810

earth way and Chile and para France

1900

01:32:18,390 --> 01:32:16,170

no mass freak-outs nobody's going crazy

1901

01:32:21,930 --> 01:32:18,400

knowing their government is

1902

01:32:23,940 --> 01:32:21,940

investigating UFO activity and this is

1903

01:32:26,910 --> 01:32:23,950

something we also remind people and

1904

01:32:31,830 --> 01:32:26,920

bring forward but I really think it

1905

01:32:35,310 --> 01:32:31,840

would be like any other world events I

1906

01:32:37,230 --> 01:32:35,320

think everybody would pause almost hold

1907

01:32:40,110 --> 01:32:37,240

your breath and we'd be gathered around

1908

01:32:43,140 --> 01:32:40,120

that TV we've always sort of known that

1909

01:32:46,100 --> 01:32:43,150

really anybody who takes UFOs seriously

1910

01:32:48,300 --> 01:32:46,110

he's always known that yeah even though

1911

01:32:51,450 --> 01:32:48,310

the Air Force said they don't

1912

01:32:53,910 --> 01:32:51,460

investigate UFO cases anymore after a

1913

01:32:56,070 --> 01:32:53,920

blue book closed up but it's literally

1914

01:32:58,080 --> 01:32:56,080

their jobs to get up in the air or to

1915

01:33:00,570 --> 01:32:58,090

track things on radar or whatever the

1916

01:33:05,310 --> 01:33:00,580

case may be if s something they don't

1917

01:33:06,990 --> 01:33:05,320

recognize is if they can see it so we

1918

01:33:08,820 --> 01:33:07,000

always kind of knew that they were

1919

01:33:11,670 --> 01:33:08,830

looking into the subject it's not like

1920

01:33:14,310 --> 01:33:11,680

it it should we I guess I'd the details

1921

01:33:16,050 --> 01:33:14,320

maybe have been a bit of a surprise and

1922

01:33:19,470 --> 01:33:16,060

a catalyst and a game-changer like you

1923

01:33:23,460 --> 01:33:19,480

said but it really shouldn't have been I

1924

01:33:25,560 --> 01:33:23,470

mean even not Paul Dean found not last

1925

01:33:27,240 --> 01:33:25,570

year but I believe the year before that

1926

01:33:29,610 --> 01:33:27,250

they've been investigating this stuff

1927

01:33:33,170 --> 01:33:29,620

all the time they used the UFO acronym

1928

01:33:35,190 --> 01:33:33,180

to this day in within the military and

1929

01:33:36,960 --> 01:33:35,200

it shouldn't have been too much of a

1930

01:33:44,220 --> 01:33:36,970

surprise but I guess to the general

1931

01:33:47,900 --> 01:33:44,230

public it has mentalization so and you

1932

01:33:51,600 --> 01:33:47,910

know the media has played a huge part in

1933

01:33:53,910 --> 01:33:51,610

making sure that the you know that the

1934

01:33:57,540 --> 01:33:53,920

public finds us to be a ridiculous topic

1935

01:34:01,170 --> 01:33:57,550

and the hasn't been a lot of scrutiny

1936

01:34:05,640 --> 01:34:01,180

we've lost our media we've almost lost

1937

01:34:08,510 --> 01:34:05,650

our UFO media we have so much stuff out

1938

01:34:10,380 --> 01:34:08,520

there I feel sorry for any new person

1939

01:34:12,210 --> 01:34:10,390

that's trying to find information

1940

01:34:14,100 --> 01:34:12,220

because there's so much crap they have

1941

01:34:17,760 --> 01:34:14,110

to wade through that it's a wonder

1942

01:34:21,890 --> 01:34:17,770

anybody stays with us after a while and

1943

01:34:25,470 --> 01:34:21,900

which is why a place like MUFON is the

1944

01:34:30,120 --> 01:34:25,480

perfect place to land

1945

01:34:33,800 --> 01:34:30,130

but uh I totally forgot your question

1946

01:34:35,940 --> 01:34:33,810

Frank that we always knew that the

1947

01:34:37,950 --> 01:34:35,950

military has been investigating these

1948

01:34:39,570 --> 01:34:37,960

cases all along responding to something

1949

01:34:42,300 --> 01:34:39,580

that comes up in real time that type of

1950

01:34:44,460 --> 01:34:42,310

thing yeah and this is something where

1951  
01:34:46,770 --> 01:34:44,470  
like I said earlier you know we've been

1952  
01:34:47,700 --> 01:34:46,780  
begging for confirmation that this is

1953  
01:34:50,910 --> 01:34:47,710  
what's been going on

1954  
01:34:52,770 --> 01:34:50,920  
we've known we have we absolutely knew

1955  
01:34:54,930 --> 01:34:52,780  
they were doing that and now that we

1956  
01:34:57,780 --> 01:34:54,940  
have it what are we doing to these

1957  
01:34:59,730 --> 01:34:57,790  
people are we are we betting what

1958  
01:35:02,100 --> 01:34:59,740  
they're saying they're not telling us to

1959  
01:35:04,200 --> 01:35:02,110  
buy it hook line and sinker but you know

1960  
01:35:07,010 --> 01:35:04,210  
when this information gets put out by

1961  
01:35:10,530 --> 01:35:07,020  
these same people my god

1962  
01:35:13,200 --> 01:35:10,540  
I'm just shocked it hey we're behaving

1963  
01:35:16,020 --> 01:35:13,210

out here and and not embracing until we

1964

01:35:19,790 --> 01:35:16,030

have a reason when you catch people

1965

01:35:23,220 --> 01:35:19,800

obviously putting out false information

1966

01:35:26,220 --> 01:35:23,230

when you catch people that aren't

1967

01:35:28,590 --> 01:35:26,230

telling the truth that's when you cut

1968

01:35:30,060 --> 01:35:28,600

them but you don't assume that because

1969

01:35:32,250 --> 01:35:30,070

you know somebody used to be an

1970

01:35:35,370 --> 01:35:32,260

intelligent agent that they're going to

1971

01:35:36,930 --> 01:35:35,380

put out disinformation there's a

1972

01:35:39,270 --> 01:35:36,940

difference here and I think this is

1973

01:35:40,680 --> 01:35:39,280

important to bring up enough to

1974

01:35:42,840 --> 01:35:40,690

interrupt you sorry about that but

1975

01:35:44,700 --> 01:35:42,850

there's a difference between making an

1976

01:35:48,510 --> 01:35:44,710

honest mistake and putting out false

1977

01:35:51,360 --> 01:35:48,520

information oh absolutely because I you

1978

01:35:52,980 --> 01:35:51,370

know I I made you know I've certainly

1979

01:35:55,560 --> 01:35:52,990

made my share of mistakes of all this

1980

01:35:58,280 --> 01:35:55,570

and it does happen but you know there's

1981

01:36:00,840 --> 01:35:58,290

a difference again between knowingly

1982

01:36:03,270 --> 01:36:00,850

misrepresenting facts or making up facts

1983

01:36:05,540 --> 01:36:03,280

or that sort of thing and making an

1984

01:36:07,620 --> 01:36:05,550

honest mistake a huge difference my book

1985

01:36:11,670 --> 01:36:07,630

absolutely frança what did you do when

1986

01:36:13,980 --> 01:36:11,680

you realize that right exactly I just

1987

01:36:15,660 --> 01:36:13,990

sent an email out to a couple of friends

1988

01:36:19,500 --> 01:36:15,670

here in Virginia and said I have to eat

1989

01:36:23,520 --> 01:36:19,510

some crow absolutely if I said something

1990

01:36:26,280 --> 01:36:23,530

like I will own it I will fix it and you

1991

01:36:28,710 --> 01:36:26,290

know that's my that's my issue it's um

1992

01:36:30,750 --> 01:36:28,720

but that's integrity and we also know

1993

01:36:33,900 --> 01:36:30,760

that integrity is something that you do

1994

01:36:36,060 --> 01:36:33,910

when people are not looking and you know

1995

01:36:38,850 --> 01:36:36,070

we kind of started the show talking

1996

01:36:39,270 --> 01:36:38,860

about like the dirty side that seems to

1997

01:36:43,460 --> 01:36:39,280

be

1998

01:36:48,120 --> 01:36:43,470

Pullman ating and you know grown men

1999

01:36:51,270 --> 01:36:48,130

picking on you know a colleague a female

2000

01:36:53,850 --> 01:36:51,280

colleague or the gang mentality how they

2001  
01:36:55,800 --> 01:36:53,860  
all collude and let's do this and I'll

2002  
01:36:57,420 --> 01:36:55,810  
bring you on the show and we'll get her

2003  
01:37:01,560 --> 01:36:57,430  
to what end

2004  
01:37:03,390 --> 01:37:01,570  
to our professionals that we've been

2005  
01:37:06,720 --> 01:37:03,400  
wanting to come out for decades or

2006  
01:37:08,910 --> 01:37:06,730  
military people are you know agency

2007  
01:37:11,100 --> 01:37:08,920  
people my god if there's no room for

2008  
01:37:13,080 --> 01:37:11,110  
these people and ufology to come talk to

2009  
01:37:16,740 --> 01:37:13,090  
us and tell us what they know or or to

2010  
01:37:20,100 --> 01:37:16,750  
give us what they can and we not

2011  
01:37:24,360 --> 01:37:20,110  
understand secrecy or you know what a

2012  
01:37:25,890 --> 01:37:24,370  
clearance means they don't need to be

2013  
01:37:27,810 --> 01:37:25,900

listen they don't need to be the people

2014

01:37:29,610 --> 01:37:27,820

talking to them then if they don't

2015

01:37:32,730 --> 01:37:29,620

understand how it works

2016

01:37:34,770 --> 01:37:32,740

it just it's be it blows my mind really

2017

01:37:38,370 --> 01:37:34,780

I'll have to admit sometimes I don't

2018

01:37:40,290 --> 01:37:38,380

understand how it works either but still

2019

01:37:45,170 --> 01:37:40,300

you know it's it's part of the game you

2020

01:37:52,350 --> 01:37:49,140

yeah yeah yeah it's okay if I make a

2021

01:37:54,300 --> 01:37:52,360

statement about that or cuz I thought

2022

01:37:59,970 --> 01:37:54,310

well what I had to say is gonna last a

2023

01:38:01,710 --> 01:37:59,980

little while so oh okay well early in

2024

01:38:04,140 --> 01:38:01,720

our show we were talking about trolls

2025

01:38:07,440 --> 01:38:04,150

haters that kind of thing one thing I

2026

01:38:09,450 --> 01:38:07,450

like to point out is the very thing

2027

01:38:12,180 --> 01:38:09,460

these chronic whiners complain about

2028

01:38:14,730 --> 01:38:12,190

they're guilty of at the same time

2029

01:38:17,460 --> 01:38:14,740

well these abusers are claiming abuse

2030

01:38:19,410 --> 01:38:17,470

they're busy abusing the first thing

2031

01:38:21,960 --> 01:38:19,420

that happened a chase when news of her

2032

01:38:24,570 --> 01:38:21,970

having left MUFON got out was someone

2033

01:38:28,260 --> 01:38:24,580

who never even took the time like any

2034

01:38:30,570 --> 01:38:28,270

journalist or reporter of news should

2035

01:38:33,360 --> 01:38:30,580

and that is take the effort to contact

2036

01:38:35,880 --> 01:38:33,370

Chase to find out why she left the

2037

01:38:37,500 --> 01:38:35,890

organization in the manner she did she

2038

01:38:40,230 --> 01:38:37,510

didn't completely leave it either in

2039

01:38:42,810 --> 01:38:40,240

fact the first thing they did was write

2040

01:38:44,820 --> 01:38:42,820

up a few sentences added a byline and

2041

01:38:47,880 --> 01:38:44,830

for some reason it was called not only

2042

01:38:51,270 --> 01:38:47,890

an article but breaking news this news

2043

01:38:53,070 --> 01:38:51,280

was not based on facts it was a poorly

2044

01:38:55,830 --> 01:38:53,080

written series of what a few Senate

2045

01:38:58,200 --> 01:38:55,840

is and not grammatically correct either

2046

01:39:00,330 --> 01:38:58,210

news is written so a twelve-year-old can

2047

01:39:01,710 --> 01:39:00,340

understand it but in this case it was

2048

01:39:04,470 --> 01:39:01,720

written like a five-year-old wrote it

2049

01:39:07,290 --> 01:39:04,480

well how about the source of what the

2050

01:39:09,450 --> 01:39:07,300

actual article or these sentences so

2051  
01:39:13,470 --> 01:39:09,460  
poorly written are supposed to be based

2052  
01:39:15,720 --> 01:39:13,480  
on that wasn't there either it had not

2053  
01:39:18,570 --> 01:39:15,730  
only misleading information but

2054  
01:39:20,880 --> 01:39:18,580  
unfounded allegations all formulated in

2055  
01:39:23,610 --> 01:39:20,890  
the classic manner a bully would try to

2056  
01:39:25,130 --> 01:39:23,620  
accomplish to try to drag someone's name

2057  
01:39:29,640 --> 01:39:25,140  
through the mud

2058  
01:39:31,980 --> 01:39:29,650  
sources are important that few sentences

2059  
01:39:33,020 --> 01:39:31,990  
those those few sentences didn't have

2060  
01:39:35,700 --> 01:39:33,030  
them

2061  
01:39:37,860 --> 01:39:35,710  
although these whiners mentalities are

2062  
01:39:41,220 --> 01:39:37,870  
at a two-year-old it's all about me

2063  
01:39:43,890 --> 01:39:41,230

level they can get very dangerous one

2064

01:39:46,140 --> 01:39:43,900

case reminds me of how something got so

2065

01:39:46,790 --> 01:39:46,150

out of hand it was like the movie Lord

2066

01:39:49,590 --> 01:39:46,800

of the Flies

2067

01:39:51,090 --> 01:39:49,600

case in point Alex Jones turned from

2068

01:39:53,160 --> 01:39:51,100

claiming he was using his First

2069

01:39:55,680 --> 01:39:53,170

Amendment rights and did an about-face

2070

01:39:58,590 --> 01:39:55,690

claiming psychosis was the reason why he

2071

01:40:00,330 --> 01:39:58,600

bullied and abused the victims regarding

2072

01:40:03,360 --> 01:40:00,340

a famous and horrific massacre of

2073

01:40:05,640 --> 01:40:03,370

children one of these days one of these

2074

01:40:07,740 --> 01:40:05,650

bullies who think it's so entertaining

2075

01:40:10,410 --> 01:40:07,750

and satisfying to abuse people at their

2076

01:40:12,810 --> 01:40:10,420

expense is gonna find themselves with

2077

01:40:15,720 --> 01:40:12,820

the lawsuit or serious criminal charges

2078

01:40:19,740 --> 01:40:15,730

against them but what did these cowards

2079

01:40:22,230 --> 01:40:19,750

do every time they blame it on everyone

2080

01:40:25,560 --> 01:40:22,240

and everything else but themselves it's

2081

01:40:28,550 --> 01:40:25,570

a known pattern abusers are predictable

2082

01:40:31,770 --> 01:40:28,560

that's because they're serial abusers

2083

01:40:33,840 --> 01:40:31,780

funny thing as soon as you criticize one

2084

01:40:36,510 --> 01:40:33,850

of these cowards the first thing they do

2085

01:40:38,880 --> 01:40:36,520

is start a cycle of whining that has a

2086

01:40:42,000 --> 01:40:38,890

life of its own that lasts years and

2087

01:40:43,320 --> 01:40:42,010

they always hide behind a facade of not

2088

01:40:45,870 --> 01:40:43,330

claiming to be an abuser

2089

01:40:48,240 --> 01:40:45,880

while abusing people there are many

2090

01:40:50,460 --> 01:40:48,250

reasons why weak people like this do

2091

01:40:52,170 --> 01:40:50,470

this sort of thing one is they're

2092

01:40:54,060 --> 01:40:52,180

passing on abuse they had to deal with

2093

01:40:56,280 --> 01:40:54,070

and or they have a very low

2094

01:40:58,410 --> 01:40:56,290

self-confidence and yet another factor

2095

01:41:01,590 --> 01:40:58,420

they're dealing with are serious

2096

01:41:03,660 --> 01:41:01,600

psychological issues none of this is an

2097

01:41:05,070 --> 01:41:03,670

excuse to create social media hate

2098

01:41:08,100 --> 01:41:05,080

campaigns again

2099

01:41:11,430 --> 01:41:08,110

anyone ever and while they're claiming

2100

01:41:13,560 --> 01:41:11,440

they aren't they are they always claim

2101

01:41:16,340 --> 01:41:13,570

it has to do with some great point they

2102

01:41:19,110 --> 01:41:16,350

have against a person or an organization

2103

01:41:22,470 --> 01:41:19,120

show me an organization that has been

2104

01:41:25,920 --> 01:41:22,480

around for decades and is perfect not

2105

01:41:28,530 --> 01:41:25,930

many even Lockheed probably a

2106

01:41:30,510 --> 01:41:28,540

multi-billion dollar corporation now

2107

01:41:32,700 --> 01:41:30,520

dealing with the lawsuit of a

2108

01:41:34,830 --> 01:41:32,710

whistleblower does that mean they're bad

2109

01:41:37,020 --> 01:41:34,840

they must be pretty good at something

2110

01:41:39,060 --> 01:41:37,030

they get hired on a regular for

2111

01:41:43,170 --> 01:41:39,070

contracts and the hundreds of millions

2112

01:41:46,530 --> 01:41:43,180

of dollars does one issue they have make

2113

01:41:48,600 --> 01:41:46,540

all their employees but no it means

2114

01:41:50,370 --> 01:41:48,610

there was an issue and it's being

2115

01:41:51,210 --> 01:41:50,380

addressed now through a series of checks

2116

01:41:54,000 --> 01:41:51,220

and balances

2117

01:41:57,090 --> 01:41:54,010

that's it now psychologists shaman's

2118

01:41:59,610 --> 01:41:57,100

leaders healers atheists or folks with

2119

01:42:00,060 --> 01:41:59,620

no faith-based belief system around the

2120

01:42:03,000 --> 01:42:00,070

world

2121

01:42:05,640 --> 01:42:03,010

and just about every culture will tell

2122

01:42:08,070 --> 01:42:05,650

you use the experiences you've had to

2123

01:42:10,770 --> 01:42:08,080

make you a better person make the world

2124

01:42:13,560 --> 01:42:10,780

a better place let go of the past and

2125

01:42:15,570 --> 01:42:13,570

move forward it also helps with health

2126  
01:42:17,550 --> 01:42:15,580  
being negative at the level these

2127  
01:42:19,950 --> 01:42:17,560  
bullies are at can cause heart attacks

2128  
01:42:22,230 --> 01:42:19,960  
lower the immune system cause health

2129  
01:42:24,690 --> 01:42:22,240  
issues of all kinds more important than

2130  
01:42:27,990 --> 01:42:24,700  
the bullies health my health your health

2131  
01:42:30,360 --> 01:42:28,000  
the listeners health who have had to

2132  
01:42:32,760 --> 01:42:30,370  
listen to these whiners broken record

2133  
01:42:34,400 --> 01:42:32,770  
about all the in justices that have

2134  
01:42:37,590 --> 01:42:34,410  
occurred to them over their entire

2135  
01:42:39,840 --> 01:42:37,600  
lifetime even their protests about what

2136  
01:42:42,690 --> 01:42:39,850  
I'm saying here yet more whining you

2137  
01:42:44,790 --> 01:42:42,700  
know why they live and feed off of this

2138  
01:42:47,130 --> 01:42:44,800

negativity they feel they're more

2139

01:42:49,710 --> 01:42:47,140

special than all of us that their

2140

01:42:53,670 --> 01:42:49,720

problems are your problems don't fall

2141

01:42:55,110 --> 01:42:53,680

for that everyone has problems if they

2142

01:42:58,530 --> 01:42:55,120

don't it's because they aren't breathing

2143

01:43:01,260 --> 01:42:58,540

they're dead why not be grateful

2144

01:43:03,390 --> 01:43:01,270

millions of people around the world face

2145

01:43:06,630 --> 01:43:03,400

serious crisis whether it be political

2146

01:43:09,120 --> 01:43:06,640

health environmental or more there are

2147

01:43:11,640 --> 01:43:09,130

unspeakable brutalities being committed

2148

01:43:13,790 --> 01:43:11,650

against children in millions of people

2149

01:43:16,470 --> 01:43:13,800

dealing with cancer or other diseases

2150

01:43:18,750 --> 01:43:16,480

people born with serious disabilities

2151

01:43:21,990 --> 01:43:18,760

point here be grateful

2152

01:43:24,300 --> 01:43:22,000

your petty issues are not ours let me

2153

01:43:26,820 --> 01:43:24,310

tell you what a real problem is I woke

2154

01:43:28,950 --> 01:43:26,830

up one day and found out I had cancer it

2155

01:43:31,590 --> 01:43:28,960

was the worst type of woman can get it

2156

01:43:34,620 --> 01:43:31,600

was triple negative cancer five years

2157

01:43:37,560 --> 01:43:34,630

later almost to the very day I had

2158

01:43:41,040 --> 01:43:37,570

breast cancer yet again what did I do

2159

01:43:42,900 --> 01:43:41,050

I had to pretend I liked it why because

2160

01:43:45,570 --> 01:43:42,910

if you throw yourself down the self-pity

2161

01:43:48,540 --> 01:43:45,580

trap and live out the negativity of the

2162

01:43:50,880 --> 01:43:48,550

challenge you're facing you can die your

2163

01:43:53,280 --> 01:43:50,890

immune system can drop you can go to a

2164

01:43:55,979 --> 01:43:53,290

worst stage of cancer almost overnight I

2165

01:43:58,950 --> 01:43:55,989

chose the positive vibe to face my

2166

01:44:02,100 --> 01:43:58,960

cancer twice in a row and I faced it

2167

01:44:04,800 --> 01:44:02,110

alone the second time I did this so I

2168

01:44:09,810 --> 01:44:04,810

could focus on healing and I did and I

2169

01:44:12,120 --> 01:44:09,820

moved on going forward is key it's a key

2170

01:44:14,610 --> 01:44:12,130

step these whiners are missing in the

2171

01:44:16,800 --> 01:44:14,620

steps towards healing guess what I'm

2172

01:44:18,690 --> 01:44:16,810

doing tomorrow I'm going in for my

2173

01:44:21,720 --> 01:44:18,700

seventh reconstruction surgery related

2174

01:44:24,600 --> 01:44:21,730

to my mastectomy back to these abusers

2175

01:44:27,150 --> 01:44:24,610

they are very purposefully not doing

2176

01:44:29,300 --> 01:44:27,160

these key steps why because they're

2177

01:44:32,310 --> 01:44:29,310

hooked on feeling sorry for themselves

2178

01:44:34,920 --> 01:44:32,320

again they think they are more special

2179

01:44:37,260 --> 01:44:34,930

than we are well they're protesting they

2180

01:44:39,930 --> 01:44:37,270

aren't they are acting and sending out

2181

01:44:42,090 --> 01:44:39,940

signals that they are what are our

2182

01:44:44,040 --> 01:44:42,100

listeners looking for some knowledge and

2183

01:44:46,650 --> 01:44:44,050

inspiration about the topic we all love

2184

01:44:49,130 --> 01:44:46,660

to cover here not Inquirer related

2185

01:44:52,110 --> 01:44:49,140

gossip mongering and hate towards others

2186

01:44:55,410 --> 01:44:52,120

lastly how many of us have had to deal

2187

01:44:57,600 --> 01:44:55,420

with broken promises and in Justices was

2188

01:45:01,380 --> 01:44:57,610

seven point seven billion people on the

2189

01:45:03,060 --> 01:45:01,390

planet I would say all all of them from

2190

01:45:05,160 --> 01:45:03,070

the point they were born something

2191

01:45:07,620 --> 01:45:05,170

probably occurred that was not perfect

2192

01:45:09,840 --> 01:45:07,630

as this person grows up they will face

2193

01:45:12,030 --> 01:45:09,850

broken promises multiple kinds of

2194

01:45:14,430 --> 01:45:12,040

injustice I've had to deal with sexual

2195

01:45:16,890 --> 01:45:14,440

harassment since the age of 14 or 15

2196

01:45:19,380 --> 01:45:16,900

when I entered the workforce I dealt

2197

01:45:23,280 --> 01:45:19,390

with harassment of all types for decades

2198

01:45:24,420 --> 01:45:23,290

it wasn't just one time it was too many

2199

01:45:26,729 --> 01:45:24,430

times to count

2200

01:45:30,090 --> 01:45:26,739

both women and men have abused one

2201  
01:45:31,800 --> 01:45:30,100  
another for thousands of years I've been

2202  
01:45:32,550 --> 01:45:31,810  
passed up for promotions because I'm

2203  
01:45:34,500 --> 01:45:32,560  
female

2204  
01:45:36,300 --> 01:45:34,510  
both men and women have sexualized

2205  
01:45:38,430 --> 01:45:36,310  
situations in the workplace using their

2206  
01:45:41,190 --> 01:45:38,440  
higher rank to try to take advantage of

2207  
01:45:44,100 --> 01:45:41,200  
a situation but let much like my

2208  
01:45:46,830 --> 01:45:44,110  
situation with cancer twice I persevered

2209  
01:45:50,190 --> 01:45:46,840  
and billions of people around a planet

2210  
01:45:53,280 --> 01:45:50,200  
in the same situations due to Dave

2211  
01:45:55,230 --> 01:45:53,290  
persevered you don't hear me going on ad

2212  
01:45:57,720 --> 01:45:55,240  
nauseam about these challenges on a

2213  
01:46:01,410 --> 01:45:57,730

regular why because although they're

2214

01:46:04,050 --> 01:46:01,420

valid issues everyone has valid issues

2215

01:46:07,770 --> 01:46:04,060

what would happen if we spent all of our

2216

01:46:10,260 --> 01:46:07,780

time crying and psychoanalyzing all of

2217

01:46:12,570 --> 01:46:10,270

our issues we would never look up at the

2218

01:46:14,750 --> 01:46:12,580

sky any more we wouldn't have admit

2219

01:46:17,730 --> 01:46:14,760

advancements in science medicine

2220

01:46:20,730 --> 01:46:17,740

technology and more no one would get

2221

01:46:23,280 --> 01:46:20,740

anything done and that's exactly what's

2222

01:46:26,670 --> 01:46:23,290

happening here do any of these bullies

2223

01:46:30,150 --> 01:46:26,680

ever get it no they don't get it on

2224

01:46:32,460 --> 01:46:30,160

purpose why because they get to take

2225

01:46:34,440 --> 01:46:32,470

advantage of the same privileges you and

2226

01:46:36,600 --> 01:46:34,450

I have worked hard to create while

2227

01:46:38,790 --> 01:46:36,610

publicly dragging people down they don't

2228

01:46:41,610 --> 01:46:38,800

like down at the same time

2229

01:46:43,920 --> 01:46:41,620

character assassination is easy how

2230

01:46:46,020 --> 01:46:43,930

about getting thicker skin and doing

2231

01:46:48,330 --> 01:46:46,030

some real research and hard work like

2232

01:46:50,520 --> 01:46:48,340

we're doing here on a regular basis and

2233

01:46:52,200 --> 01:46:50,530

that's not going to happen they don't

2234

01:46:54,450 --> 01:46:52,210

have the skill sets to deal with trauma

2235

01:46:58,440 --> 01:46:54,460

or challenges in life so they attack

2236

01:47:00,930 --> 01:46:58,450

people like chase me or Frank or you the

2237

01:47:02,070 --> 01:47:00,940

listeners remember the last time you had

2238

01:47:04,770 --> 01:47:02,080

to tolerate a crybaby

2239

01:47:06,690 --> 01:47:04,780

it gets old doesn't it if that's what

2240

01:47:09,570 --> 01:47:06,700

they want to be remembered as they will

2241

01:47:12,720 --> 01:47:09,580

soon be forgotten history does not

2242

01:47:15,030 --> 01:47:12,730

remember people like that we remember

2243

01:47:17,700 --> 01:47:15,040

those making the world a better place

2244

01:47:19,500 --> 01:47:17,710

well these crybabies are busy convincing

2245

01:47:21,810 --> 01:47:19,510

everyone their issues are epically

2246

01:47:23,370 --> 01:47:21,820

important Frank and I are going to carry

2247

01:47:26,070 --> 01:47:23,380

on the torch of others who have passed

2248

01:47:27,600 --> 01:47:26,080

it to myself and other young guns to

2249

01:47:31,920 --> 01:47:27,610

continue with the serious study of you

2250

01:47:34,200 --> 01:47:31,930

apology Chase is going to continue with

2251

01:47:35,600 --> 01:47:34,210

her important UFO research and lobbying

2252

01:47:39,990 --> 01:47:35,610

to make the world a better place

2253

01:47:43,550 --> 01:47:40,000

that's my rant chants rants thanks Jay

2254

01:47:46,140 --> 01:47:43,560

Oh can't I I have knots in my stomach

2255

01:47:47,820 --> 01:47:46,150

I'm almost in tears I feel

2256

01:47:49,950 --> 01:47:47,830

horrible about and I know that's not

2257

01:47:54,510 --> 01:47:49,960

what you want is sympathy and I know

2258

01:47:56,760 --> 01:47:54,520

this because you shared your your story

2259

01:47:59,040 --> 01:47:56,770

is that the first time you told people

2260

01:48:02,850 --> 01:47:59,050

about having cancer breast yes in

2261

01:48:05,340 --> 01:48:02,860

publicly on on air yes I have well I was

2262

01:48:08,479 --> 01:48:05,350

sharing as well I found out I have lung

2263

01:48:12,360 --> 01:48:08,489

cancer and I have been fighting that for

2264

01:48:15,090 --> 01:48:12,370

about a year of I go through the steps

2265

01:48:18,209 --> 01:48:15,100

and honestly right now

2266

01:48:20,790 --> 01:48:18,219

I took a procedure that gives me 50%

2267

01:48:21,840 --> 01:48:20,800

chance I have five more years and I'm

2268

01:48:24,390 --> 01:48:21,850

gonna tell you champ

2269

01:48:27,540 --> 01:48:24,400

they're not gonna care that we struggle

2270

01:48:30,660 --> 01:48:27,550

like this I to have not one time balled

2271

01:48:33,209 --> 01:48:30,670

up and cried that I had cancer not one

2272

01:48:36,149 --> 01:48:33,219

time my husband Terrance my heart out

2273

01:48:37,890 --> 01:48:36,159

but I do not feel sorry for myself and I

2274

01:48:41,490 --> 01:48:37,900

haven't made it an issue in ufology

2275

01:48:45,060 --> 01:48:41,500

either I went to the Amazon with cancer

2276

01:48:48,000 --> 01:48:45,070

never told the guys you know stayed step

2277

01:48:51,330 --> 01:48:48,010

by step fought like hell keep its

2278

01:48:53,610 --> 01:48:51,340

secrets when I hurt but I'm gonna keep

2279

01:48:56,070 --> 01:48:53,620

doing it and I'm sharing this also

2280

01:48:58,410 --> 01:48:56,080

publicly for the first time ever my

2281

01:49:01,010 --> 01:48:58,420

close friends no but I have kept this

2282

01:49:03,600 --> 01:49:01,020

but I'll tell you why they won't care

2283

01:49:05,810 --> 01:49:03,610

because the people that are tacked to be

2284

01:49:10,110 --> 01:49:05,820

right now know I have cancer

2285

01:49:15,660 --> 01:49:10,120

I'm very sorry hear it anyway yes they

2286

01:49:18,660 --> 01:49:15,670

know I'm fighting and you know it's yeah

2287

01:49:21,870 --> 01:49:18,670

I had no intentions hooker public with

2288

01:49:25,290 --> 01:49:21,880

that but um maybe it's important chant

2289

01:49:27,600 --> 01:49:25,300

and I wasn't you know you being such an

2290

01:49:28,950 --> 01:49:27,610

amazing person and sharing that story I

2291

01:49:31,709 --> 01:49:28,960

wasn't gonna let you do that alone

2292

01:49:35,040 --> 01:49:31,719

knowing what I had as well so we're

2293

01:49:37,350 --> 01:49:35,050

bonded in sisterhood and you know I

2294

01:49:39,030 --> 01:49:37,360

consider myself a lung cancer survivor

2295

01:49:43,590 --> 01:49:39,040

and I'm actually on that program right

2296

01:49:46,410 --> 01:49:43,600

now so let's see if that 50% is mine but

2297

01:49:48,750 --> 01:49:46,420

in the meantime I have a lot of karma

2298

01:49:52,380 --> 01:49:48,760

I'm making up or I don't want to be

2299

01:49:54,300 --> 01:49:52,390

around those people like you said even

2300

01:49:58,560 --> 01:49:54,310

listening to them it gives you a

2301  
01:49:58,919 --> 01:49:58,570  
thickness it brings you down and until

2302  
01:50:00,719 --> 01:49:58,929  
they see

2303  
01:50:04,919 --> 01:50:00,729  
making things right or just dropping it

2304  
01:50:07,770 --> 01:50:04,929  
I oh my gosh but they can't hurt us

2305  
01:50:10,620 --> 01:50:07,780  
chant they can't they could say negative

2306  
01:50:12,419 --> 01:50:10,630  
things and it makes them feel good it's

2307  
01:50:14,069 --> 01:50:12,429  
not taking us out of anything

2308  
01:50:17,189 --> 01:50:14,079  
it's not even hurting my feelings

2309  
01:50:23,370 --> 01:50:17,199  
because I'm in Peru I'm not listening

2310  
01:50:26,310 --> 01:50:23,380  
and and and your great spirit and you're

2311  
01:50:28,469 --> 01:50:26,320  
so sweet and you're the you and Frank

2312  
01:50:31,949 --> 01:50:28,479  
the only ones that stood up and said

2313  
01:50:34,770 --> 01:50:31,959

let's do this the only ones I'm so proud

2314

01:50:36,509 --> 01:50:34,780

of you I am so proud of you honestly

2315

01:50:39,330 --> 01:50:36,519

and I want to thank you and Frank

2316

01:50:42,330 --> 01:50:39,340

honestly and let's fight let's move

2317

01:50:44,580 --> 01:50:42,340

forward it's been a great interview

2318

01:50:46,770 --> 01:50:44,590

really has been to all my friends out

2319

01:50:49,739 --> 01:50:46,780

there I don't want to talk about it it's

2320

01:50:52,080 --> 01:50:49,749

like I forget that I have cancer because

2321

01:50:55,830 --> 01:50:52,090

it's such a little problem that I treat

2322

01:50:57,600 --> 01:50:55,840

it as something I deal with but you know

2323

01:50:59,910 --> 01:50:57,610

I can't wait to go to Peru do you feel

2324

01:51:01,620 --> 01:50:59,920

that same way can't I do and I would

2325

01:51:03,149 --> 01:51:01,630

like to give some advice to your friends

2326

01:51:06,179 --> 01:51:03,159

who love you very much friends and

2327

01:51:07,379 --> 01:51:06,189

family and and just so they understand

2328

01:51:09,629 --> 01:51:07,389

where I'm coming from they may have

2329

01:51:12,209 --> 01:51:09,639

missed what I said I did the second

2330

01:51:15,739 --> 01:51:12,219

cancer alone for a reason the first time

2331

01:51:18,419 --> 01:51:15,749

I did it my family which is huge

2332

01:51:21,060 --> 01:51:18,429

contacted me on a regular which was

2333

01:51:23,399 --> 01:51:21,070

wonderful but they were always talking

2334

01:51:26,219 --> 01:51:23,409

about the downside of cancer which it is

2335

01:51:28,919 --> 01:51:26,229

it it is it there it is only a downside

2336

01:51:31,679 --> 01:51:28,929

but there is another angle to it and

2337

01:51:35,279 --> 01:51:31,689

that is it can make you a stronger

2338

01:51:37,770 --> 01:51:35,289

person yes and so on the days that

2339

01:51:40,799 --> 01:51:37,780

you're not strong they're there for you

2340

01:51:44,580 --> 01:51:40,809

what the advice I have for your friends

2341

01:51:49,310 --> 01:51:44,590

and family having been a cancer survivor

2342

01:51:53,759 --> 01:51:49,320

twice is please do not talk to chase

2343

01:51:56,459 --> 01:51:53,769

about the downside of cancer make her

2344

01:52:00,419 --> 01:51:56,469

laugh make her feel good

2345

01:52:03,689 --> 01:52:00,429

and also above all let her know how much

2346

01:52:06,179 --> 01:52:03,699

you love her we all love her you know

2347

01:52:08,250 --> 01:52:06,189

look I never even had the privilege of

2348

01:52:10,800 --> 01:52:08,260

actually talking to chase until recently

2349

01:52:13,470 --> 01:52:10,810

but I followed her and

2350

01:52:16,170 --> 01:52:13,480

all the hard work that she's done I

2351  
01:52:19,350 --> 01:52:16,180  
don't know if you realize this chase but

2352  
01:52:23,220 --> 01:52:19,360  
there's literally thousands of people

2353  
01:52:24,990 --> 01:52:23,230  
out there who follow what you do and the

2354  
01:52:27,240 --> 01:52:25,000  
thing I wanted to make a point of I just

2355  
01:52:29,490 --> 01:52:27,250  
spoke to a friend Keith about this

2356  
01:52:31,710 --> 01:52:29,500  
recently and this ties into what I'm

2357  
01:52:33,900 --> 01:52:31,720  
talking about here I said there's so

2358  
01:52:35,640 --> 01:52:33,910  
many jerks out there doing exactly what

2359  
01:52:38,760 --> 01:52:35,650  
you know we're all talking about here

2360  
01:52:41,220 --> 01:52:38,770  
and he said you know what though the

2361  
01:52:44,460 --> 01:52:41,230  
beauty of what we're involved in is for

2362  
01:52:48,030 --> 01:52:44,470  
every jerk there's 500 more people who

2363  
01:52:50,180 --> 01:52:48,040

care about what you do it just so

2364

01:52:52,980 --> 01:52:50,190

happens that these few jerks are loud

2365

01:52:55,410 --> 01:52:52,990

they're louder some than these quiet

2366

01:52:56,940 --> 01:52:55,420

people who want to learn more well all

2367

01:52:59,610 --> 01:52:56,950

these quiet people that want to learn

2368

01:53:03,540 --> 01:52:59,620

more we all support you we're all here

2369

01:53:07,800 --> 01:53:03,550

for you chase thank you thank you so

2370

01:53:12,270 --> 01:53:07,810

much this is a it's been a good talk you

2371

01:53:14,340 --> 01:53:12,280

guys this has been a huge interview yes

2372

01:53:16,950 --> 01:53:14,350

it's been a fantastic and epic interview

2373

01:53:18,630 --> 01:53:16,960

thank you yeah we're glad you came on

2374

01:53:20,340 --> 01:53:18,640

chase I really appreciate we've never

2375

01:53:21,960 --> 01:53:20,350

spoken directly before but I've been a

2376

01:53:24,780 --> 01:53:21,970

fan like I said since I first became

2377

01:53:29,700 --> 01:53:24,790

aware you back in your cage er a days

2378

01:53:32,250 --> 01:53:29,710

and just really exciting and I can tell

2379

01:53:34,260 --> 01:53:32,260

you you know my my I do have my problems

2380

01:53:36,780 --> 01:53:34,270

in life of course like everybody else

2381

01:53:38,910 --> 01:53:36,790

they shrink the insignificant compared

2382

01:53:42,090 --> 01:53:38,920

to what they you guys have had to deal

2383

01:53:45,210 --> 01:53:42,100

with but one thing about this field and

2384

01:53:47,850 --> 01:53:45,220

it gets me excited it that takes my mind

2385

01:53:49,800 --> 01:53:47,860

off sort of the first world problems

2386

01:53:52,290 --> 01:53:49,810

when I get to deal with but it's very

2387

01:53:54,240 --> 01:53:52,300

good for that and it seems like it's

2388

01:53:57,570 --> 01:53:54,250

helped you guys through much more

2389

01:54:00,030 --> 01:53:57,580

significant health issues and it's a

2390

01:54:02,400 --> 01:54:00,040

good thing overall you know the UFO

2391

01:54:06,030 --> 01:54:02,410

field is not perfect but by and large

2392

01:54:09,120 --> 01:54:06,040

it's very good it's very exciting it's a

2393

01:54:11,370 --> 01:54:09,130

I think it's a it can play a really big

2394

01:54:15,990 --> 01:54:11,380

role in self-actualization which I'm

2395

01:54:18,270 --> 01:54:16,000

very much a fan of and I like it and I I

2396

01:54:20,130 --> 01:54:18,280

really appreciate you coming on and

2397

01:54:22,270 --> 01:54:20,140

sharing everything that you did with us

2398

01:54:25,090 --> 01:54:22,280

answering all our questions and I really

2399

01:54:27,490 --> 01:54:25,100

appreciate thank you so much and like

2400

01:54:29,860 --> 01:54:27,500

you guys I'm not going anywhere I think

2401

01:54:32,740 --> 01:54:29,870

the same thing I love this field I've

2402

01:54:33,640 --> 01:54:32,750

been doing it since 1994 join MUFON in

2403

01:54:36,100 --> 01:54:33,650

96

2404

01:54:39,130 --> 01:54:36,110

I'm not leaving MUFON either I'm a huge

2405

01:54:42,130 --> 01:54:39,140

advocate for this amazing organization

2406

01:54:44,130 --> 01:54:42,140

that's been standing for 50 years I'm

2407

01:54:48,190 --> 01:54:44,140

going to be around for another 50 years

2408

01:54:52,290 --> 01:54:48,200

MUFON is the world's historians and

2409

01:54:55,450 --> 01:54:52,300

archivists or eyewitness investigated

2410

01:54:57,760 --> 01:54:55,460

cases and that's where our data is going

2411

01:55:00,430 --> 01:54:57,770

to be want to make it very clear

2412

01:55:03,190 --> 01:55:00,440

I love Jan Tarzan I think he's a

2413

01:55:06,370 --> 01:55:03,200

wonderful person and we continue to be

2414

01:55:08,140 --> 01:55:06,380

great friends and colleagues and we will

2415

01:55:12,580 --> 01:55:08,150

be working together on big cases in the

2416

01:55:15,790 --> 01:55:12,590

future and chant and Frank you guys are

2417

01:55:19,600 --> 01:55:15,800

2424

01:55:35,380 --> 01:55:33,890

thoughts there champ I just would like

2425

01:55:37,270 --> 01:55:35,390

to say it's been a real privilege and an

2426

01:55:41,410 --> 01:55:37,280

honor to have had the opportunity to

2427

01:55:44,500 --> 01:55:41,420

interview you cheese thank you

2428

01:55:46,900 --> 01:55:44,510

2429

01:55:51,880 --> 01:55:46,910

2433

01:56:02,620 --> 01:56:00,230

exciting guests coming on and we'll keep

2434

01:56:05,920 --> 01:56:02,630

it going the goal here of course is as

2435

01:56:07,260 --> 01:56:05,930

always the gain and share knowledge in

2436

01:56:09,340 --> 01:56:07,270

our case we can do it pretty well

2437

01:56:12,010 --> 01:56:09,350

instantaneously because we live stream

2438

01:56:13,750 --> 01:56:12,020

of course gain and share knowledge about

2439

01:56:16,210 --> 01:56:13,760

UFOs that's what we're here for and

2440

01:56:19,330 --> 01:56:16,220

that's what we're gonna stick to a chant

2441

01:56:20,860 --> 01:56:19,340

thanks again and enjoy the rest of your

2442

01:56:25,820 --> 01:56:20,870
