and your time and effort to be on our

26

00:02:14,500 --> 00:02:12,230

show I wanted to read a little bit about

27

00:02:16,420 --> 00:02:14,510

your background for our viewer our

28

00:02:18,039 --> 00:02:16,430

listeners although you don't really need

29

00:02:19,509 --> 00:02:18,049

an introduction but I just wanted to

30

00:02:23,080 --> 00:02:19,519

share a little bit about yourself with

31

00:02:26,289 --> 00:02:23,090

our listeners and that is URI is a judge

32

00:02:28,420 --> 00:02:26,299

on Israel's Got Talent his regular

33

00:02:31,059 --> 00:02:28,430

museum is located in old Jaffa is

34

00:02:32,860 --> 00:02:31,069

currently being developed and will be

35

00:02:35,620 --> 00:02:32,870

finished soon we will be talking to him

36

00:02:37,660 --> 00:02:35,630

about that Murray Geller's Fame and part

37

00:02:40,059 --> 00:02:37,670

comes from performances of spoon bending

38

00:02:42,009 --> 00:02:40,069

and other psychic feats he has appeared

39

00:02:44,340 --> 00:02:42,019

in various television shows across the

40

00:02:47,020 --> 00:02:44,350

world that have astounded his viewers in

41

00:02:50,319 --> 00:02:47,030

1975 Geller published his first

42

00:02:53,379 --> 00:02:50,329

autobiography my story Geller starred in

43

00:02:55,089 --> 00:02:53,389

the 2001 horror film sanitarium he

44

00:02:56,949 --> 00:02:55,099

appeared as a contestant on the first

45

00:02:59,140 --> 00:02:56,959

series of the British reality TV show

46

00:03:01,150 --> 00:02:59,150

I'm a celebrity get me out of here

47

00:03:04,750 --> 00:03:01,160

Geller co-produced the book of knowledge

48

00:03:06,190 --> 00:03:04,760

which was released in April 2008 he

49

00:03:08,559 --> 00:03:06,200

started his career as a nightclub

50

00:03:10,960 --> 00:03:08,569

entertainer for smaller audiences he

51
00:03:12,729 --> 00:03:10,970
also did a show on Dutch television he

52
00:03:15,009 --> 00:03:12,739
has been studied by the world's leading

53
00:03:17,800 --> 00:03:15,019
scientists including a few who worked

54
00:03:20,649 --> 00:03:17,810
with Albert Einstein hurry I had a few

55
00:03:22,210 --> 00:03:20,659
questions for you from our listeners do

56
00:03:23,830 --> 00:03:22,220
you mind if I go ahead and start with

57
00:03:25,630 --> 00:03:23,840
that no apps

58
00:03:28,600 --> 00:03:25,640
solutely but you know what before you

59
00:03:30,070 --> 00:03:28,610
start yes this is very interesting

60
00:03:33,100 --> 00:03:30,080
because I think that most of your

61
00:03:35,320 --> 00:03:33,110
listeners are open-minded and not

62
00:03:37,930 --> 00:03:35,330
skeptics but because I'm so

63
00:03:40,449 --> 00:03:37,940

controversial and I have been

64

00:03:43,210 --> 00:03:40,459

controversial for 50 years those people

65

00:03:45,039 --> 00:03:43,220

who just think that I'm just a simple

66

00:03:46,509 --> 00:03:45,049

magician and everything is done with

67

00:03:48,789 --> 00:03:46,519

trickery

68

00:03:53,920 --> 00:03:48,799

you know the Tesla's I have gone under

69

00:03:56,319 --> 00:03:53,930

through the hands of incredibly famous

70

00:03:58,750 --> 00:03:56,329

scientists like dr. Verner von Braun

71

00:04:00,280 --> 00:03:58,760

like Captain Edgar Mitchell who was a

72

00:04:03,280 --> 00:04:00,290

six man to walk on the moon

73

00:04:06,550 --> 00:04:03,290

and the CIA mi5 Mossad

74

00:04:10,030 --> 00:04:06,560

let me just read out one conclusion from

75

00:04:13,210 --> 00:04:10,040

the CIA and this is from their manual

76

00:04:16,150 --> 00:04:13,220

and this is what they concluded as a

77

00:04:19,810 --> 00:04:16,160

result of Geller's success in this

78

00:04:22,480 --> 00:04:19,820

experimental period we consider that he

79

00:04:25,529 --> 00:04:22,490

has demonstrated his paranormal

80

00:04:28,690 --> 00:04:25,539

perceptual ability in a convincing and

81

00:04:32,080 --> 00:04:28,700

unambiguous manner and if some of you

82

00:04:34,719 --> 00:04:32,090

can't believe that the CIA concluded

83

00:04:38,010 --> 00:04:34,729

this simply go to the CIA's official

84

00:04:41,290 --> 00:04:38,020

website it's there so let's put that

85

00:04:43,839 --> 00:04:41,300

behind our back the skeptics and let's

86

00:04:48,070 --> 00:04:43,849

talk about amazing things that happened

87

00:04:49,719 --> 00:04:48,080

to me and to you listeners absolutely I

88

00:04:51,969 --> 00:04:49,729

agree with you and so our listeners

89

00:04:53,830 --> 00:04:51,979

understand where early is talking about

90

00:04:56,560 --> 00:04:53,840

what you do is you would go ahead and

91

00:04:58,360 --> 00:04:56,570

look up CIA's a web site regarding their

92

00:05:01,000 --> 00:04:58,370

archives their library that they have so

93

00:05:03,310 --> 00:05:01,010

you'd go to CIA dot gov slash library

94

00:05:07,120 --> 00:05:03,320

then you would type an aries name and

95

00:05:09,670 --> 00:05:07,130

you will see ten to eleven pages which

96

00:05:12,430 --> 00:05:09,680

is absolutely astounding regarding the

97

00:05:15,580 --> 00:05:12,440

amount of data that they have of

98

00:05:18,279 --> 00:05:15,590

documents on early early thank you very

99

00:05:20,980 --> 00:05:18,289

much for being so kind as to let us know

100

00:05:23,370 --> 00:05:20,990

that information about yourself I have a

101

00:05:26,560 --> 00:05:23,380

question question from one of our

102

00:05:28,240 --> 00:05:26,570

listeners Dave Beatty who is an Emmy

103

00:05:30,899 --> 00:05:28,250

award-winning creator of the Nimitz

104

00:05:34,300 --> 00:05:30,909

Encounters movie he wants to know about

105

00:05:37,650 --> 00:05:34,310

Apple parts Apple ports can you touch on

106

00:05:39,690 --> 00:05:37,660

that subject please well you know

107

00:05:42,570 --> 00:05:39,700

this is a fascinating question because

108

00:05:46,170 --> 00:05:42,580

I'm going to a [h__h] slide away or bend

109

00:05:49,100 --> 00:05:46,180

a little away from that exact topic but

110

00:05:52,230 --> 00:05:49,110

I'm going to talk about a very unusual

111

00:05:53,970 --> 00:05:52,240

poltergeist effect that happened and the

112

00:05:58,110 --> 00:05:53,980

reason I'm bringing this up because it's

113

00:06:01,170 --> 00:05:58,120

to do with that this question when the

114

00:06:01,970 --> 00:06:01,180

CIA tested me in Palo Alto Langley

115

00:06:04,830 --> 00:06:01,980

Virginia

116

00:06:07,860 --> 00:06:04,840

the American Naval Surface weapons

117

00:06:10,020 --> 00:06:07,870

Center in Baltimore and where they build

118

00:06:13,890 --> 00:06:10,030

nuclear weapons they Lawrence liberal

119

00:06:16,770 --> 00:06:13,900

radiation labs in Livermore something

120

00:06:19,560 --> 00:06:16,780

very old happened an MI I fight the

121

00:06:24,630 --> 00:06:19,570

British Secret Service wanted also to

122

00:06:27,480 --> 00:06:24,640

test me so they flew me to the UK it was

123

00:06:31,020 --> 00:06:27,490

under it quite a bit elaborate

124

00:06:34,590 --> 00:06:31,030

camouflage where they invited me to do a

125

00:06:36,120 --> 00:06:34,600

TV show with a very famous presenter

126

00:06:39,330 --> 00:06:36,130

called David Dimbleby who is still

127

00:06:43,290 --> 00:06:39,340

around but parallel to that secretly

128

00:06:46,760 --> 00:06:43,300

they started testing my abilities one of

129

00:06:49,710 --> 00:06:46,770

the experimenters was no other than

130

00:06:52,020 --> 00:06:49,720

Professor David Bohm who was actually a

131

00:06:54,480 --> 00:06:52,030

friend of Albert Einstein you know the

132

00:06:57,600 --> 00:06:54,490

David Bohm effect very well known

133

00:06:59,970 --> 00:06:57,610

worldwide scientifically and something

134

00:07:03,810 --> 00:06:59,980

very odd happened a materialization

135

00:07:07,050 --> 00:07:03,820

happened and they they translated it to

136

00:07:10,860 --> 00:07:07,060

Anna port or to poltergeist

137

00:07:14,460 --> 00:07:10,870

now when those documents go to the CIA

138

00:07:17,820 --> 00:07:14,470

they also were handed to NSA National

139

00:07:21,810 --> 00:07:17,830

Security Agency that blew their minds

140

00:07:25,110 --> 00:07:21,820

and NSA decided the following they said

141

00:07:27,920 --> 00:07:25,120

look if all regular can do this he can

142

00:07:32,790 --> 00:07:27,930

move an object from point A to point B

143

00:07:36,240 --> 00:07:32,800

what would happen if 10 irregular will

144

00:07:39,150 --> 00:07:36,250

be trained to do such a feat to make

145

00:07:42,060 --> 00:07:39,160

something disappear and I'm not kidding

146

00:07:46,800 --> 00:07:42,070

you but they were planning on making a

147

00:07:49,110 --> 00:07:46,810

Russian city disappear now if it's hard

148

00:07:51,900 --> 00:07:49,120

for you to swallow if it's if this is

149

00:07:54,630 --> 00:07:51,910

hard for you to believe simply go to

150

00:07:57,600 --> 00:07:54,640

my website go to the NSA documents

151
00:08:01,170 --> 00:07:57,610
secret documents that were also released

152
00:08:04,140 --> 00:08:01,180
recently and it's in there it's actually

153
00:08:07,020 --> 00:08:04,150
mind blowing so I definitely believe

154
00:08:10,920 --> 00:08:07,030
that the power of the mind is capable to

155
00:08:13,410 --> 00:08:10,930
do psychokinetic feats there is there's

156
00:08:14,250 --> 00:08:13,420
no doubt in my mind that a thousand

157
00:08:16,260 --> 00:08:14,260
years from now

158
00:08:20,210 --> 00:08:16,270
probably everybody will be able to

159
00:08:24,030 --> 00:08:20,220
master up or tations the teleportations

160
00:08:26,610 --> 00:08:24,040
dematerialization and so forth thank you

161
00:08:30,750 --> 00:08:26,620
for covering that the next question

162
00:08:33,870 --> 00:08:30,760
comes from UFO researcher and author you

163
00:08:36,630 --> 00:08:33,880

have grant cameron working on his

164

00:08:39,240 --> 00:08:36,640

contact modality book and he was

165

00:08:41,909 --> 00:08:39,250

tweeting and I noticed a question he had

166

00:08:43,860 --> 00:08:41,919

and he actually posted a link directly

167

00:08:46,170 --> 00:08:43,870

to your website regarding his question

168

00:08:48,930 --> 00:08:46,180

and so I'll go ahead and read off his

169

00:08:50,760 --> 00:08:48,940

tweet and then mention your link to your

170

00:08:53,010 --> 00:08:50,770

website and then tell you why he did

171

00:08:55,410 --> 00:08:53,020

that so this is a tweet that grant

172

00:08:57,810 --> 00:08:55,420

Cameron had working on my contact

173

00:08:59,550 --> 00:08:57,820

modality book and the modality of a

174

00:09:02,760 --> 00:08:59,560

purports which was big at skinwalker

175

00:09:04,740 --> 00:09:02,770

ranch I think it is all related to the

176

00:09:07,500 --> 00:09:04,750

metal supposedly falling off flying

177

00:09:09,870 --> 00:09:07,510

saucers around the world so I asked how

178

00:09:11,640 --> 00:09:09,880

about it he met Hal put off and then he

179

00:09:16,920 --> 00:09:11,650

went ahead and included a link directly

180

00:09:19,860 --> 00:09:16,930

to your website URI URI Geller calm the

181

00:09:21,750 --> 00:09:19,870

metalbenders chapter 19 regarding

182

00:09:25,590 --> 00:09:21,760

teleportation do you have any comments

183

00:09:27,930 --> 00:09:25,600

on that early look my website is so huge

184

00:09:30,690 --> 00:09:27,940

and I urge you to go and visit it

185

00:09:34,200 --> 00:09:30,700

because most of my books are available

186

00:09:38,700 --> 00:09:34,210

to read free of charge and it's loaded

187

00:09:41,670 --> 00:09:38,710

with scientific information UFOs you

188

00:09:45,660 --> 00:09:41,680

name it it's all on my website so I

189

00:09:48,570 --> 00:09:45,670

can't exactly put my finger on that page

190

00:09:49,470 --> 00:09:48,580

of the book if I would only know what

191

00:09:53,190 --> 00:09:49,480

he's talking about

192

00:09:55,290 --> 00:09:53,200

I will be able to elaborate on it okay

193

00:09:58,890 --> 00:09:55,300

you know by any chance what he what are

194

00:10:01,770 --> 00:09:58,900

you read and from which book is it taken

195

00:10:05,130 --> 00:10:01,780

right so what I think he might be

196

00:10:05,639 --> 00:10:05,140

referring to is he appears to be

197

00:10:09,509 --> 00:10:05,649

referred

198

00:10:11,850 --> 00:10:09,519

- metal supposedly falling off actual

199

00:10:14,670 --> 00:10:11,860

extraterrestrial craft around the world

200

00:10:17,670 --> 00:10:14,680

and he is somehow combining your

201
00:10:21,030 --> 00:10:17,680
research regarding teleportation and it

202
00:10:24,389 --> 00:10:21,040
is chapter 19 and the title of it says

203
00:10:26,999 --> 00:10:24,399
further detail of teleportation and I

204
00:10:31,079 --> 00:10:27,009
think he just wanted to know if you feel

205
00:10:32,879 --> 00:10:31,089
like it's possible that parts that are

206
00:10:38,009 --> 00:10:32,889
falling off of extraterrestrial crafts

207
00:10:40,759 --> 00:10:38,019
may have the possibility of having the

208
00:10:44,939 --> 00:10:40,769
topic of teleportation combined with yes

209
00:10:49,139 --> 00:10:44,949
okay let me talk about my teleportation

210
00:10:51,359 --> 00:10:49,149
okay experiences and encounters but let

211
00:10:52,889 --> 00:10:51,369
me start with John Lennon John Lennon

212
00:10:55,859 --> 00:10:52,899
was a very good friend

213
00:10:57,569 --> 00:10:55,869

I lived on 57th Street and First Avenue

214

00:10:59,939 --> 00:10:57,579

in New York he lived in the Dakota

215

00:11:02,160 --> 00:10:59,949

building one day he wakes me up in the

216

00:11:05,129 --> 00:11:02,170

middle of the night and he says Ori Ori

217

00:11:07,019 --> 00:11:05,139

Ori come to me I go to meet you so I

218

00:11:08,759 --> 00:11:07,029

didn't feel like jogging all the way to

219

00:11:11,040 --> 00:11:08,769

the Kotter building which is on the

220

00:11:15,389 --> 00:11:11,050

other side of Central Park I said to him

221

00:11:17,869 --> 00:11:15,399

let's meet in a hotel in between so we

222

00:11:21,299 --> 00:11:17,879

met there and it was kind of shaking and

223

00:11:23,669 --> 00:11:21,309

then he tells me this most bizarre story

224

00:11:27,480 --> 00:11:23,679

he says that he was lying down in his

225

00:11:31,230 --> 00:11:27,490

bed half asleep suddenly it's fear of

226

00:11:36,360 --> 00:11:31,240

light appeared in front of him by by the

227

00:11:40,019 --> 00:11:36,370

foot of the bed and he kind of jumped up

228

00:11:43,650 --> 00:11:40,029

and suddenly an extraterrestrial hand

229

00:11:47,400 --> 00:11:43,660

was stretched out towards him from this

230

00:11:50,129 --> 00:11:47,410

sphere of light and he was compelled to

231

00:11:56,100 --> 00:11:50,139

stretch his hand and open his hand and

232

00:12:00,360 --> 00:11:56,110

this etc still hand handed him something

233

00:12:03,929 --> 00:12:00,370

that looked like a bronze egg and he

234

00:12:07,530 --> 00:12:03,939

pulls it out of his pocket in the hotel

235

00:12:10,169 --> 00:12:07,540

that we met and he says this is it this

236

00:12:14,669 --> 00:12:10,179

was given to me tonight by this crazy

237

00:12:16,889 --> 00:12:14,679

thing and he dropped it into my hand and

238

00:12:18,050 --> 00:12:16,899

I was shocked because it's a rather

239

00:12:20,390 --> 00:12:18,060

small

240

00:12:24,590 --> 00:12:20,400

that looks that like it's made from

241

00:12:27,460 --> 00:12:24,600

bronze but it's extremely heavy and he

242

00:12:30,830 --> 00:12:27,470

said to me I want you to keep it and

243

00:12:35,300 --> 00:12:30,840

carry it with you all the time and very

244

00:12:38,200 --> 00:12:35,310

soon after that he was murdered and I

245

00:12:41,750 --> 00:12:38,210

have that egg with me all the time I get

246

00:12:43,820 --> 00:12:41,760

hundreds if not thousands of emails from

247

00:12:47,180 --> 00:12:43,830

people from all around the world asking

248

00:12:51,110 --> 00:12:47,190

me Auri why don't you have this egg

249

00:12:54,950 --> 00:12:51,120

tested and find out from what material

250

00:12:57,800 --> 00:12:54,960

it is and my answer is very simple I say

251

00:13:00,230 --> 00:12:57,810

I don't want to test this because I

252

00:13:03,020 --> 00:13:00,240

don't want to be disappointed that it's

253

00:13:06,140 --> 00:13:03,030

made in Taiwan I want to believe in John

254

00:13:10,340 --> 00:13:06,150

Lennon's words and just recently a few

255

00:13:14,720 --> 00:13:10,350

weeks ago I managed to buy John Lennon's

256

00:13:17,270 --> 00:13:14,730

the only UFO drawing he drew it was

257

00:13:19,520 --> 00:13:17,280

auctioned in Los Angeles and I managed

258

00:13:23,510 --> 00:13:19,530

to buy it so that's going to be

259

00:13:26,510 --> 00:13:23,520

displayed in my museum his UFO drawing

260

00:13:29,090 --> 00:13:26,520

which is a pencil drawing and the egg

261

00:13:32,840 --> 00:13:29,100

and a few other items that I have from

262

00:13:35,150 --> 00:13:32,850

him so whether that egg has anything to

263

00:13:38,240 --> 00:13:35,160

do with teleportation

264

00:13:42,380 --> 00:13:38,250

maybe because once a year around

265

00:13:45,040 --> 00:13:42,390

December if you shake the egg it's feels

266

00:13:49,040 --> 00:13:45,050

like there is something moving inside

267

00:13:52,370 --> 00:13:49,050

that lasts for about two weeks and then

268

00:13:56,120 --> 00:13:52,380

that feeling Erbs away and if the egg

269

00:13:58,520 --> 00:13:56,130

becomes solid again I mean if you google

270

00:14:02,840 --> 00:13:58,530

uri geller John Lennon egg that stories

271

00:14:05,510 --> 00:14:02,850

will come up fast now teleportation yes

272

00:14:12,250 --> 00:14:05,520

listen what I'm about to tell you all is

273

00:14:14,750 --> 00:14:12,260

so again so bizarre weird fantastic and

274

00:14:17,680 --> 00:14:14,760

it's like taken out of a science fiction

275

00:14:23,650 --> 00:14:17,690

movie but it it really happened to me

276

00:14:30,560 --> 00:14:23,660

when I lived in New York from 1972 to 83

277

00:14:31,670 --> 00:14:30,570

one day I was jogging to a shop to buy a

278

00:14:34,490 --> 00:14:31,680

binocular

279

00:14:38,930 --> 00:14:34,500

for a doctor friend of ours it was his

280

00:14:42,110 --> 00:14:38,940

birthday I bought a binocular and on the

281

00:14:44,240 --> 00:14:42,120

way back to my apartment which was on

282

00:14:47,810 --> 00:14:44,250

57th Street and 1st Avenue

283

00:14:50,600 --> 00:14:47,820

I stopped by our very very close friend

284

00:14:53,750 --> 00:14:50,610

who is Byron Janice was an a renowned

285

00:14:56,420 --> 00:14:53,760

American classical pianist and his wife

286

00:14:59,210 --> 00:14:56,430

Maria Janice Cooper who happens to be

287

00:15:02,540 --> 00:14:59,220

Gary Cooper's daughter their film actor

288

00:15:05,120 --> 00:15:02,550

and I went up to their apartment we

289

00:15:07,610 --> 00:15:05,130

chatted and then I said alright I'm

290

00:15:09,440 --> 00:15:07,620

going home now I had I was holding the

291

00:15:11,570 --> 00:15:09,450

binocular in my hand it was all packed

292

00:15:14,990 --> 00:15:11,580

thing I bought it in Bloomingdale's if

293

00:15:19,900 --> 00:15:15,000

I'm not mistaken as I was kind of

294

00:15:23,180 --> 00:15:19,910

walking fast on 57th Street suddenly I

295

00:15:25,820 --> 00:15:23,190

looked down at the pavement and I'm no

296

00:15:28,639 --> 00:15:25,830

longer walking on the pavement and the

297

00:15:32,120 --> 00:15:28,649

next thing I can remember I was flying

298

00:15:35,840 --> 00:15:32,130

through the air and in front of me there

299

00:15:38,300 --> 00:15:35,850

was a scream a mesh you know those

300

00:15:42,320 --> 00:15:38,310

screens to keep flies away out from

301
00:15:45,680 --> 00:15:42,330
windows yes and I stretched my hands to

302
00:15:49,400 --> 00:15:45,690
protect my face and I crashed into a

303
00:15:52,160 --> 00:15:49,410
porch onto a round table the glass slid

304
00:15:52,940 --> 00:15:52,170
out from under my hands and I fell on

305
00:15:56,449 --> 00:15:52,950
the floor

306
00:15:59,990 --> 00:15:56,459
I for the mo for this first seconds I

307
00:16:03,199 --> 00:16:00,000
didn't realize where I was but then the

308
00:16:06,500 --> 00:16:03,209
porch looked familiar and I was in

309
00:16:09,650 --> 00:16:06,510
Ossining New York 36 miles out of

310
00:16:12,920 --> 00:16:09,660
Manhattan in the house of dr. Andrew

311
00:16:16,970 --> 00:16:12,930
Puharich who was involved in bringing me

312
00:16:20,900 --> 00:16:16,980
out of Israel who who had ties and links

313
00:16:23,810 --> 00:16:20,910

to the CIA there I was I started

314

00:16:26,990 --> 00:16:23,820

screaming Andrea Andrea it took him a

315

00:16:30,590 --> 00:16:27,000

few minutes to find me and I told him I

316

00:16:33,620 --> 00:16:30,600

just left Maria's apartment and he

317

00:16:35,840 --> 00:16:33,630

called Maria and he says Maria Ori is

318

00:16:39,410 --> 00:16:35,850

here and she says what do you mean he

319

00:16:42,319 --> 00:16:39,420

just left our apartment so this was one

320

00:16:44,750 --> 00:16:42,329

of the most shocking teleportation that

321

00:16:45,190 --> 00:16:44,760

I've ever experienced I never had it

322

00:16:48,400 --> 00:16:45,200

before

323

00:16:50,560 --> 00:16:48,410

or I never had it after and it's it I

324

00:16:53,140 --> 00:16:50,570

know it happened this is why I don't

325

00:16:55,450 --> 00:16:53,150

ever way from this story I wrote about

326

00:17:00,640 --> 00:16:55,460

it in all my books I talked about it in

327

00:17:04,150 --> 00:17:00,650

documentaries so yeah I I mean what was

328

00:17:05,620 --> 00:17:04,160

that I I don't know hurry I'm really

329

00:17:07,720 --> 00:17:05,630

glad you covered that and you also

330

00:17:09,370 --> 00:17:07,730

covered something very key and important

331

00:17:11,410 --> 00:17:09,380

that I had wanted to talk about later

332

00:17:14,260 --> 00:17:11,420

with you but really glad they were able

333

00:17:16,030 --> 00:17:14,270

to go into detail regarding the UFO art

334

00:17:17,439 --> 00:17:16,040

by John Lennon that everybody should

335

00:17:21,010 --> 00:17:17,449

take a look at because we're showing

336

00:17:22,770 --> 00:17:21,020

that during the interview and wanted to

337

00:17:25,329 --> 00:17:22,780

move on to the next question

338

00:17:27,520 --> 00:17:25,339

regarding and also want to mention to

339

00:17:30,970 --> 00:17:27,530

our listeners by the way that wonderful

340

00:17:34,930 --> 00:17:30,980

piece of UFO art that early did acquire

341

00:17:37,510 --> 00:17:34,940

was acquired for his fantastic Museum

342

00:17:41,350 --> 00:17:37,520

which will be going into later that he

343

00:17:43,990 --> 00:17:41,360

has an old Jaffa the next question that

344

00:17:48,820 --> 00:17:44,000

grant Cameron had is have you had any

345

00:17:51,640 --> 00:17:48,830

brain scans or MRIs yoke I was tested so

346

00:17:53,980 --> 00:17:51,650

many so many times again if you get on

347

00:17:56,590 --> 00:17:53,990

my website and click on what scientists

348

00:18:00,250 --> 00:17:56,600

say about aura gather you'll be shocked

349

00:18:03,580 --> 00:18:00,260

and which high caliber the scientists of

350

00:18:07,890 --> 00:18:03,590

the president scientists from nuclear

351

00:18:12,510 --> 00:18:07,900

centers scientists from hospitals

352

00:18:16,750 --> 00:18:12,520

scientists from many different arenas of

353

00:18:20,260 --> 00:18:16,760

the scientific community so I had yes I

354

00:18:22,620 --> 00:18:20,270

had brain scans and my gosh what would

355

00:18:25,660 --> 00:18:22,630

in and I have but but there is one

356

00:18:27,760 --> 00:18:25,670

amazing encounter that I did have and I

357

00:18:31,690 --> 00:18:27,770

want to talk about it when I was five

358

00:18:34,960 --> 00:18:31,700

years old I I was born in Israel so we

359

00:18:37,930 --> 00:18:34,970

lived in a small street of Rochelle

360

00:18:41,440 --> 00:18:37,940

Boulevard called the Cholula a number

361

00:18:44,800 --> 00:18:41,450

thirteen and across our small street was

362

00:18:49,510 --> 00:18:44,810

a huge Arabic garden now today there is

363

00:18:52,390 --> 00:18:49,520

a big bank on that plot and I was inside

364

00:18:55,030 --> 00:18:52,400

the garden and I heard kittens cry and I

365

00:18:58,870 --> 00:18:55,040

was looking for them and suddenly like

366

00:18:59,080 --> 00:18:58,880

the John Lennon story I saw in front of

367

00:19:04,660 --> 00:18:59,090

my

368

00:19:08,920 --> 00:19:04,670

is a huge gigantic sphere of light and I

369

00:19:13,620 --> 00:19:08,930

just stared at it and maybe in 15 to 20

370

00:19:17,200 --> 00:19:13,630

seconds a beam shot out of it and laser

371

00:19:19,930 --> 00:19:17,210

beam like very solid in tanjur will hit

372

00:19:22,390 --> 00:19:19,940

my forehead it was so powerful that it

373

00:19:25,090 --> 00:19:22,400

pushed me into the grass I don't know

374

00:19:27,130 --> 00:19:25,100

how long I lay there but I ran home and

375

00:19:29,200 --> 00:19:27,140

told my mother of course she didn't

376

00:19:33,850 --> 00:19:29,210

believe me she thought that I was either

377

00:19:37,180 --> 00:19:33,860

making it up or I dreamt it or she just

378

00:19:39,580 --> 00:19:37,190

didn't believe but it was real I I know

379

00:19:41,740 --> 00:19:39,590

it happened anyhow I lived with his

380

00:19:46,030 --> 00:19:41,750

story for decades I wrote about it

381

00:19:48,550 --> 00:19:46,040

everywhere I spoke about it and then a

382

00:19:51,940 --> 00:19:48,560

little miracle happened ten years ago

383

00:19:55,420 --> 00:19:51,950

when a BBC documentary was playing in

384

00:19:59,230 --> 00:19:55,430

Israel and I was talking about that

385

00:20:04,420 --> 00:19:59,240

encounter I get a frantic email from an

386

00:20:07,660 --> 00:20:04,430

a retired airforce officer Israeli Air

387

00:20:10,540 --> 00:20:07,670

Force who says to me hurry I just saw

388

00:20:12,250 --> 00:20:10,550

this documentary and I heard you talking

389

00:20:15,370 --> 00:20:12,260

about this fear of flight and a laser

390

00:20:19,420 --> 00:20:15,380

beam and let me tell you something I was

391

00:20:20,860 --> 00:20:19,430

there so I grabbed I emailed him back to

392

00:20:22,360 --> 00:20:20,870

give me his phone I called him and he

393

00:20:24,790 --> 00:20:22,370

says I told him what do you mean you

394

00:20:27,280 --> 00:20:24,800

were there he said to me I was a young

395

00:20:30,220 --> 00:20:27,290

soldier and I was walking on road shall

396

00:20:32,140 --> 00:20:30,230

do levar to my parents his home and on

397

00:20:33,850 --> 00:20:32,150

the right there was this huge garden and

398

00:20:37,540 --> 00:20:33,860

I saw a little boy with a white shirt

399

00:20:41,670 --> 00:20:37,550

curly hair and there appeared suddenly

400

00:20:44,470 --> 00:20:41,680

out of nowhere huge sphere strobing and

401
00:20:47,350 --> 00:20:44,480
the boy ran towards his apartment

402
00:20:50,020 --> 00:20:47,360
building and this sphere of light

403
00:20:53,680 --> 00:20:50,030
followed him and when the little boy

404
00:20:55,660 --> 00:20:53,690
that wouldn't blow as me entered the

405
00:20:57,670 --> 00:20:55,670
entrance to this apartment to my

406
00:21:02,410 --> 00:20:57,680
apartment building which was only four

407
00:21:04,690 --> 00:21:02,420
floors high that mass of light exploded

408
00:21:07,660 --> 00:21:04,700
on the building and left a kind of a

409
00:21:09,880 --> 00:21:07,670
darkish residue and I told this guy

410
00:21:12,899 --> 00:21:09,890
whose name is raha me I told him my

411
00:21:15,629 --> 00:21:12,909
goodness you just validated something

412
00:21:18,810 --> 00:21:15,639
so important for me because nobody

413
00:21:22,379 --> 00:21:18,820

believed this story and very soon after

414

00:21:26,099 --> 00:21:22,389

that mice the first spoon bent in my

415

00:21:28,320 --> 00:21:26,109

hand when I was eating soup also it's

416

00:21:30,499 --> 00:21:28,330

important to note is that URIs mother

417

00:21:36,089 --> 00:21:30,509

believed that he developed these

418

00:21:39,060 --> 00:21:36,099

incredible powers from Sigmund Freud in

419

00:21:42,330 --> 00:21:39,070

would that be correct that you count on

420

00:21:45,060 --> 00:21:42,340

him as an actual relative oh yeah my

421

00:21:47,519 --> 00:21:45,070

name is actually my British passport

422

00:21:50,249 --> 00:21:47,529

it's aura gala Freud my mother was a

423

00:21:54,210 --> 00:21:50,259

Freud and it was Clement Freud and

424

00:21:58,379 --> 00:21:54,220

Lucian Freud the very famous painter the

425

00:22:02,460 --> 00:21:58,389

artist the artist yes they convinced me

426
00:22:04,859 --> 00:22:02,470
to leave New York in 1983 and come and

427
00:22:09,719 --> 00:22:04,869
live in England and I listened to them

428
00:22:13,169 --> 00:22:09,729
and from 1983 to three years ago we

429
00:22:14,519 --> 00:22:13,179
lived in England all these years so yeah

430
00:22:17,609 --> 00:22:14,529
that's that's true

431
00:22:20,700 --> 00:22:17,619
fantastic now we have a question from

432
00:22:22,619 --> 00:22:20,710
UFO researcher Tony Bragg alia he wants

433
00:22:25,320 --> 00:22:22,629
to know about your attempts at bending

434
00:22:29,719 --> 00:22:25,330
the shape-memory alloy nitinol psycho

435
00:22:33,180 --> 00:22:29,729
kinetically at the Navy Lab yes that was

436
00:22:36,389 --> 00:22:33,190
the experiments were headed by a

437
00:22:39,539 --> 00:22:36,399
scientist called Eldon bird and they I

438
00:22:43,070 --> 00:22:39,549

if I'm not mistaken the inventor of of

439

00:22:50,489 --> 00:22:43,080

nitinol was also there I believe it was

440

00:22:52,669 --> 00:22:50,499

from a Chinese descent you're right

441

00:22:55,769 --> 00:22:52,679

about me you're right about that

442

00:22:59,519 --> 00:22:55,779

remember and there were another three

443

00:23:04,200 --> 00:22:59,529

scientists from - from CIA and one from

444

00:23:06,389 --> 00:23:04,210

NASA and in front of them I didn't know

445

00:23:08,549 --> 00:23:06,399

what nitinol was of course but they

446

00:23:13,440 --> 00:23:08,559

explained me they showed me a wire and

447

00:23:18,570 --> 00:23:13,450

they said to me that they're they're

448

00:23:21,629 --> 00:23:18,580

going to let me remember how he was I

449

00:23:24,719 --> 00:23:21,639

think that they were bent it with their

450

00:23:26,550 --> 00:23:24,729

fingers and they showed me that if they

451

00:23:28,860 --> 00:23:26,560

put it in hot water

452

00:23:33,630 --> 00:23:28,870

it would spring back to the original

453

00:23:36,210 --> 00:23:33,640

shape and they told me to without

454

00:23:38,580 --> 00:23:36,220

touching it it was I believe it was

455

00:23:40,860 --> 00:23:38,590

under a bell jar to concentrate on it

456

00:23:43,710 --> 00:23:40,870

and try to alter the molecular structure

457

00:23:45,870 --> 00:23:43,720

which I did took me maybe five minutes I

458

00:23:47,940 --> 00:23:45,880

didn't know what they they were waiting

459

00:23:50,160 --> 00:23:47,950

for what type of outcome they were

460

00:23:52,410 --> 00:23:50,170

waiting for after five

461

00:23:55,410 --> 00:23:52,420

I mean it's they took it out of the bell

462

00:23:58,350 --> 00:23:55,420

jar and they bent it and they put it in

463

00:24:01,830 --> 00:23:58,360

boiling water and he didn't jump back to

464

00:24:03,680 --> 00:24:01,840

its original shape so that's the story I

465

00:24:07,020 --> 00:24:03,690

remember to the best of my recollection

466

00:24:09,210 --> 00:24:07,030

thank you early that's a wonderful story

467

00:24:12,510 --> 00:24:09,220

and we have a question from UFO

468

00:24:17,520 --> 00:24:12,520

researcher Rodrigo Vieira what do you

469

00:24:20,570 --> 00:24:17,530

think about the AAT IP / TT s a program

470

00:24:23,160 --> 00:24:20,580

that stands for advanced aviation threat

471

00:24:27,840 --> 00:24:23,170

identification program and to the stars

472

00:24:31,410 --> 00:24:27,850

Academy what do you think of that job I

473

00:24:33,900 --> 00:24:31,420

really don't know about that but what I

474

00:24:37,020 --> 00:24:33,910

can tell you is that you know rather

475

00:24:40,050 --> 00:24:37,030

than direct they you know rather than me

476
00:24:43,130 --> 00:24:40,060
talking about whether this research goes

477
00:24:47,190 --> 00:24:43,140
on I'm so open-minded that I know that

478
00:24:50,520 --> 00:24:47,200
extraterrestrial life exists I mean you

479
00:24:52,560 --> 00:24:50,530
know from the movie if there was no life

480
00:24:55,040 --> 00:24:52,570
out there than what a waste of space I

481
00:24:58,440 --> 00:24:55,050
mean of course there is life out there

482
00:25:02,400 --> 00:24:58,450
there's life in outer space and there is

483
00:25:05,190 --> 00:25:02,410
life in inner space you know the if you

484
00:25:08,060 --> 00:25:05,200
hold a pen in your hand or a pencil the

485
00:25:10,290 --> 00:25:08,070
tip of the pencil probably also holds

486
00:25:14,630 --> 00:25:10,300
universes and cosmesis in inner space

487
00:25:17,100 --> 00:25:14,640
and there's no end it's infinity both

488
00:25:19,590 --> 00:25:17,110

outwards to the cosmos there's no end

489

00:25:22,790 --> 00:25:19,600

and there's no end to inner space now

490

00:25:25,770 --> 00:25:22,800

there are so many so many endless

491

00:25:28,860 --> 00:25:25,780

civilizations out there and of course

492

00:25:30,840 --> 00:25:28,870

many of them are visiting us absolutely

493

00:25:33,210 --> 00:25:30,850

I believe that extraterrestrials are

494

00:25:36,960 --> 00:25:33,220

walking among us listen I was very close

495

00:25:38,790 --> 00:25:36,970

to Edgar Mitchell Edgar Mitchell sixth

496

00:25:40,350 --> 00:25:38,800

man to walk on the moon he told me

497

00:25:43,230 --> 00:25:40,360

things that

498

00:25:47,250 --> 00:25:43,240

my mind my hair stands on end right now

499

00:25:52,860 --> 00:25:47,260

as I think as I remember what he has

500

00:25:55,110 --> 00:25:52,870

told me incredible things but hey I mean

501
00:25:55,919 --> 00:25:55,120
what's the big deal of course we're not

502
00:26:00,240 --> 00:25:55,929
alone

503
00:26:03,720 --> 00:26:00,250
so all these research groups that are

504
00:26:06,360 --> 00:26:03,730
trying to prove and say and or and many

505
00:26:09,740 --> 00:26:06,370
of them are trying to debunk it and I

506
00:26:13,650 --> 00:26:09,750
mean sooner or later a UFO we land

507
00:26:18,480 --> 00:26:13,660
openly and hopefully on the White House

508
00:26:21,770 --> 00:26:18,490
lawn and we'll all see them and all I

509
00:26:24,690 --> 00:26:21,780
can say is that I hope that a friendly

510
00:26:27,090 --> 00:26:24,700
civilization will and here I believe

511
00:26:30,750 --> 00:26:27,100
that all the extraterrestrial contacts

512
00:26:33,659 --> 00:26:30,760
and UFO sightings and abductions etc etc

513
00:26:36,060 --> 00:26:33,669

etc there are happening for decades if

514

00:26:38,370 --> 00:26:36,070

not for centuries if not for thousands

515

00:26:41,250 --> 00:26:38,380

of years because I believe that Bible I

516

00:26:43,890 --> 00:26:41,260

mean is is loaded with extraterrestrial

517

00:26:46,650 --> 00:26:43,900

stories I think that they're all

518

00:26:48,780 --> 00:26:46,660

friendly because if there weren't they

519

00:26:52,680 --> 00:26:48,790

could easily destroy us with a flick of

520

00:26:55,350 --> 00:26:52,690

a finger okay thank you very much we

521

00:27:00,090 --> 00:26:55,360

have another question and grant actually

522

00:27:02,039 --> 00:27:00,100

just had his person communicate with me

523

00:27:04,830 --> 00:27:02,049

to ask you this question grant Cameron

524

00:27:06,810 --> 00:27:04,840

did he wants to know what do you think

525

00:27:09,570 --> 00:27:06,820

about grant Cameron's proposed

526

00:27:12,270 --> 00:27:09,580

experiment to test if the DNA of Trance

527

00:27:15,150 --> 00:27:12,280

Chandler actually changes when the

528

00:27:18,930 --> 00:27:15,160

channeler is in a trance as opposed to

529

00:27:20,159 --> 00:27:18,940

their normal DNA look that's a good

530

00:27:23,940 --> 00:27:20,169

question

531

00:27:27,210 --> 00:27:23,950

I believe if there is a genuine Chandler

532

00:27:31,230 --> 00:27:27,220

that does bring information from an

533

00:27:34,409 --> 00:27:31,240

extraterrestrial source maybe something

534

00:27:37,049 --> 00:27:34,419

does happen to the DNA maybe to the

535

00:27:40,169 --> 00:27:37,059

cross a chromosome system maybe to the

536

00:27:43,320 --> 00:27:40,179

mind maybe to the body maybe to the soul

537

00:27:46,260 --> 00:27:43,330

I'm not an expert in this I'm not a

538

00:27:47,580 --> 00:27:46,270

prophet I'm not a guru and I'm not a

539

00:27:50,940 --> 00:27:47,590

miracle worker

540

00:27:53,310 --> 00:27:50,950

all I know is that I was born a believer

541

00:27:54,030 --> 00:27:53,320

and I think that that's embedded into my

542

00:27:56,700 --> 00:27:54,040

DNA

543

00:27:59,280 --> 00:27:56,710

but I'm also religious man I believe in

544

00:28:03,150 --> 00:27:59,290

God I believe me there's a creator out

545

00:28:05,490 --> 00:28:03,160

there and ever since I was a child I'll

546

00:28:06,090 --> 00:28:05,500

never forget it when I was 3 or 4 years

547

00:28:08,340 --> 00:28:06,100

old

548

00:28:10,860 --> 00:28:08,350

my father would bring bullet heads back

549

00:28:14,760 --> 00:28:10,870

home from the army he was a professional

550

00:28:18,000 --> 00:28:14,770

soldier and I would fantasize that the

551

00:28:20,610 --> 00:28:18,010

bullet head is a rocket and I'm sitting

552

00:28:23,400 --> 00:28:20,620

inside and I'm flying through space and

553

00:28:26,940 --> 00:28:23,410

the little garden under our house was

554

00:28:30,600 --> 00:28:26,950

another planet so my gosh where did that

555

00:28:34,980 --> 00:28:30,610

information come from so I'm a huge huge

556

00:28:39,630 --> 00:28:34,990

huge believer and no skeptic can dent my

557

00:28:43,290 --> 00:28:39,640

belief system and I yeah I'm with you

558

00:28:45,300 --> 00:28:43,300

all because that your listeners I think

559

00:28:48,320 --> 00:28:45,310

most of them are open-minded and believe

560

00:28:51,420 --> 00:28:48,330

and I'm with you guys

561

00:28:53,040 --> 00:28:51,430

wonderful I believe Frank my co-host

562

00:28:55,470 --> 00:28:53,050

wants to go ahead and ask you a few

563

00:28:57,810 --> 00:28:55,480

questions thank you yeah we're obviously

564

00:29:00,870 --> 00:28:57,820

yeah we've got a hard core following a

565

00:29:03,270 --> 00:29:00,880

big chunk of our listenership is UFO

566

00:29:06,660 --> 00:29:03,280

researchers and I know that they are

567

00:29:09,930 --> 00:29:06,670

fascinated by your direct work over here

568

00:29:12,180 --> 00:29:09,940

in the states with some UFO researchers

569

00:29:13,890 --> 00:29:12,190

and you had mentioned him already but I

570

00:29:15,990 --> 00:29:13,900

want to go into a little bit more detail

571

00:29:20,220 --> 00:29:16,000

about how this all came about how he

572

00:29:22,350 --> 00:29:20,230

contacted you and really helped take

573

00:29:25,260 --> 00:29:22,360

your fame to another level and that is a

574

00:29:27,660 --> 00:29:25,270

aundrea Puharich how did he first

575

00:29:29,310 --> 00:29:27,670

contact you and just what did you think

576

00:29:31,430 --> 00:29:29,320

with this guy making this sort of

577

00:29:34,800 --> 00:29:31,440

contact with you what was your yeah okay

578

00:29:36,990 --> 00:29:34,810

he was a maverick he was a genius he was

579

00:29:39,360 --> 00:29:37,000

an amazing person we felt him and we

580

00:29:42,510 --> 00:29:39,370

found Edgar Mitchell I wouldn't be all

581

00:29:46,940 --> 00:29:42,520

regular today look before I tell you I

582

00:29:51,590 --> 00:29:46,950

urge you again to get on my website and

583

00:29:54,720 --> 00:29:51,600

go to books click on free books and read

584

00:29:56,700 --> 00:29:54,730

under priorities book which is available

585

00:30:00,630 --> 00:29:56,710

to read free on my website it's called

586

00:30:04,080 --> 00:30:00,640

Horry by Andre porridge I mean the book

587

00:30:07,260 --> 00:30:04,090

freaks out people who don't know whether

588

00:30:07,980 --> 00:30:07,270

to believe in UFOs or not it's such a

589

00:30:10,379 --> 00:30:07,990

fantastic

590

00:30:12,180 --> 00:30:10,389

and let me tell you a little secret do

591

00:30:15,029 --> 00:30:12,190

you know who pushed the book through to

592

00:30:17,609 --> 00:30:15,039

double date no other than the wife of

593

00:30:21,330 --> 00:30:17,619

President Kennedy Jacqueline Kennedy

594

00:30:23,999 --> 00:30:21,340

Onassis she loved the story she loved

595

00:30:25,919 --> 00:30:24,009

the book and she persuaded the head of

596

00:30:29,039 --> 00:30:25,929

Doubleday I believe his name was

597

00:30:32,070 --> 00:30:29,049

sergeant to publish the book the book

598

00:30:35,310 --> 00:30:32,080

came out it was translated into like I

599

00:30:38,269 --> 00:30:35,320

don't know 30 or 40 languages and was so

600

00:30:41,330 --> 00:30:38,279

controversial it's so it's so

601
00:30:46,070 --> 00:30:41,340
mind-blowing but I urge you to read it

602
00:30:48,989 --> 00:30:46,080
Andrea came to me through the CIA

603
00:30:53,720 --> 00:30:48,999
apparently the CIA what what happened is

604
00:30:57,690 --> 00:30:53,730
this I was working for the Mossad and

605
00:31:01,200 --> 00:30:57,700
Mossad which to those who don't know is

606
00:31:05,549 --> 00:31:01,210
the Israeli Secret Service they were

607
00:31:08,279 --> 00:31:05,559
aghast in at all the information I was

608
00:31:12,389 --> 00:31:08,289
bringing to them but they didn't know

609
00:31:16,560 --> 00:31:12,399
how I did it they didn't know the mine

610
00:31:19,499 --> 00:31:16,570
technology I was using and one of the

611
00:31:23,609 --> 00:31:19,509
Mossad scientists say look send him to

612
00:31:26,580 --> 00:31:23,619
the CIA let the CIA testing and you can

613
00:31:30,180 --> 00:31:26,590

actually see a CIA operative on my

614

00:31:33,450 --> 00:31:30,190

website his name is Keith green if you

615

00:31:37,440 --> 00:31:33,460

go to my I think the video is on second

616

00:31:39,600 --> 00:31:37,450

or third page of my home page where he

617

00:31:42,330 --> 00:31:39,610

tells a story how he got a phone call in

618

00:31:45,299 --> 00:31:42,340

Langley Virginia from an ally which was

619

00:31:49,369 --> 00:31:45,309

Israel Mossad and they said we've got

620

00:31:53,430 --> 00:31:49,379

this guy who bends metal it does amazing

621

00:31:56,190 --> 00:31:53,440

telepathy and that was the beginning now

622

00:32:00,239 --> 00:31:56,200

before the CIA took me out of Israel

623

00:32:02,609 --> 00:32:00,249

they sent Andre porridge to test me just

624

00:32:04,850 --> 00:32:02,619

to make sure that I'm not a magician or

625

00:32:08,489 --> 00:32:04,860

I'm not fooling everyone

626

00:32:11,340 --> 00:32:08,499

saundra came to Tel Aviv he rented a

627

00:32:14,159 --> 00:32:11,350

small apartment in Herzliya which is in

628

00:32:17,249 --> 00:32:14,169

the suburb of Tel Aviv and he tested me

629

00:32:21,210 --> 00:32:17,259

under controlled conditions with his

630

00:32:21,840 --> 00:32:21,220

apparatus and he was mind blown I did

631

00:32:23,820 --> 00:32:21,850

all kind

632

00:32:27,270 --> 00:32:23,830

things move the hands of the watch I

633

00:32:31,350 --> 00:32:27,280

moved compass needles I materialize and

634

00:32:35,100 --> 00:32:31,360

dematerialize cartridges of pens and he

635

00:32:38,520 --> 00:32:35,110

freaked out he contacted the CIA and

636

00:32:41,760 --> 00:32:38,530

said to them this is this guy's real and

637

00:32:43,700 --> 00:32:41,770

I left Israel in 1972 first I went to

638

00:32:47,520 --> 00:32:43,710

Germany I was really scared to go to

639

00:32:50,100 --> 00:32:47,530

Palo Alto but then I spent a few months

640

00:32:53,010 --> 00:32:50,110

in Germany and then I I went over to

641

00:32:56,250 --> 00:32:53,020

America and he was helped put off and a

642

00:32:58,740 --> 00:32:56,260

russel tog who met me in san francisco

643

00:33:01,410 --> 00:32:58,750

airport and the rest is history

644

00:33:04,710 --> 00:33:01,420

and just about over a year ago the CIA

645

00:33:08,160 --> 00:33:04,720

released some of the documents they were

646

00:33:10,740 --> 00:33:08,170

secret about the telepathy experiments

647

00:33:13,980 --> 00:33:10,750

i've done and you should watch this the

648

00:33:16,530 --> 00:33:13,990

secret CIA movie that sr i released

649

00:33:18,240 --> 00:33:16,540

that's a great highly recommended

650

00:33:21,720 --> 00:33:18,250

absolute i rewatched it in preparation

651
00:33:24,990 --> 00:33:21,730
for this show one thing that who haratz

652
00:33:27,870 --> 00:33:25,000
claimed about you is that well they

653
00:33:30,030 --> 00:33:27,880
better claim regarding himself and that

654
00:33:32,010 --> 00:33:30,040
that related to you was that and

655
00:33:34,260 --> 00:33:32,020
obviously this is why the books is are

656
00:33:35,700 --> 00:33:34,270
controversial and might get people more

657
00:33:37,580 --> 00:33:35,710
interested in reading it over at your

658
00:33:39,810 --> 00:33:37,590
website but that he claimed that

659
00:33:42,690 --> 00:33:39,820
extraterrestrial beings had communicated

660
00:33:45,090 --> 00:33:42,700
to him that you were in fact the chosen

661
00:33:47,330 --> 00:33:45,100
savior of humanity and been given the

662
00:33:51,180 --> 00:33:47,340
ability to contact flying saucers and

663
00:33:53,010 --> 00:33:51,190

perform various paranormal phenomena now

664

00:33:55,440 --> 00:33:53,020

at this point in time you're a young guy

665

00:33:58,470 --> 00:33:55,450

you're in your mid-20s and this is

666

00:34:00,300 --> 00:33:58,480

coming out in the book I mean how

667

00:34:03,210 --> 00:34:00,310

comfortable are you with all this being

668

00:34:06,510 --> 00:34:03,220

claims about you all right it's a

669

00:34:11,580 --> 00:34:06,520

brilliant question yeah you asked it

670

00:34:13,890 --> 00:34:11,590

also the right way front look uh if I

671

00:34:18,240 --> 00:34:13,900

have to reflect on hundreds book today I

672

00:34:23,370 --> 00:34:18,250

will tell you this every and read my

673

00:34:30,710 --> 00:34:23,380

lips you can't but imagine every word in

674

00:34:35,580 --> 00:34:30,720

that book is true nothing in it was

675

00:34:39,260 --> 00:34:35,590

reported or exaggerated but here

676
00:34:43,440 --> 00:34:39,270
the big but the way he translated it and

677
00:34:48,080 --> 00:34:43,450
interpreted it was so mind-blowing to me

678
00:34:52,020 --> 00:34:48,090
at that age that I couldn't handle it I

679
00:34:56,430 --> 00:34:52,030
couldn't absorb it I couldn't take it in

680
00:34:58,500 --> 00:34:56,440
it was too much for me I just I had a

681
00:35:02,400 --> 00:34:58,510
big showdown with priority in Ossining

682
00:35:06,090 --> 00:35:02,410
New York I said to him Andrea you got a

683
00:35:07,860 --> 00:35:06,100
you know he was so obsessed with me he

684
00:35:10,530 --> 00:35:07,870
was like my Svengali

685
00:35:13,980 --> 00:35:10,540
he was my girl he wanted to owe me

686
00:35:16,380 --> 00:35:13,990
everything so he signed me on a contract

687
00:35:18,960 --> 00:35:16,390
not for the money he didn't care about

688
00:35:20,970 --> 00:35:18,970

money he didn't want to lose me and

689

00:35:23,610 --> 00:35:20,980

being so young

690

00:35:24,930 --> 00:35:23,620

at that time not really having any

691

00:35:28,110 --> 00:35:24,940

financial backing

692

00:35:30,630 --> 00:35:28,120

I came to America Brooke I wanted the

693

00:35:33,450 --> 00:35:30,640

Johnny Carson's I wanted to be on Merv

694

00:35:37,170 --> 00:35:33,460

Griffin I wanted to be on Mike Douglas I

695

00:35:42,540 --> 00:35:37,180

wanted the glory I was after fame and

696

00:35:44,670 --> 00:35:42,550

fortune I was on an ego trip so I'll

697

00:35:50,580 --> 00:35:44,680

never forget the day the showdown came

698

00:35:53,970 --> 00:35:50,590

it was in his Ossining house it was for

699

00:35:55,680 --> 00:35:53,980

if I'm not mistaken 47 hawks Avenue in

700

00:35:58,260 --> 00:35:55,690

Ossining New York that's where sinking

701

00:36:02,850 --> 00:35:58,270

is and I lived there for a while with

702

00:36:05,850 --> 00:36:02,860

him it was yeah it was crazy grandfather

703

00:36:07,050 --> 00:36:05,860

clocks took off things were smashing

704

00:36:11,850 --> 00:36:07,060

against the walls

705

00:36:14,640 --> 00:36:11,860

I was unbelievable but I adhere to to

706

00:36:16,950 --> 00:36:14,650

that theory now I don't want to talk

707

00:36:19,440 --> 00:36:16,960

about me being a savior and all that

708

00:36:22,200 --> 00:36:19,450

because it's just not right but I am

709

00:36:26,220 --> 00:36:22,210

doing certain things that I cannot talk

710

00:36:30,510 --> 00:36:26,230

about you know there's a red line up to

711

00:36:33,510 --> 00:36:30,520

where I can talk and hopefully someday

712

00:36:36,060 --> 00:36:33,520

it will come out so I hope that answer

713

00:36:38,730 --> 00:36:36,070

is part of the question there most

714

00:36:39,930 --> 00:36:38,740

definitely and then coming up later on I

715

00:36:42,600 --> 00:36:39,940

mean you've already dropped some of

716

00:36:44,820 --> 00:36:42,610

these names that I had lined up to ask

717

00:36:47,040 --> 00:36:44,830

you about but there are some individuals

718

00:36:49,230 --> 00:36:47,050

who you know we've got a UFO buff

719

00:36:51,480 --> 00:36:49,240

audience here so a lot of the

720

00:36:53,660 --> 00:36:51,490

names they're still active in this field

721

00:36:56,340 --> 00:36:53,670

in that one form or another

722

00:36:58,859 --> 00:36:56,350

suddenly you're working with the help

723

00:37:01,410 --> 00:36:58,869

put off and Russell Targ and they've got

724

00:37:03,270 --> 00:37:01,420

scientific experiments in the movie that

725

00:37:05,580 --> 00:37:03,280

you had mentioned the secret life of Uri

726

00:37:08,609 --> 00:37:05,590

Geller you had talked about already

727

00:37:10,260 --> 00:37:08,619

working operationally for the Mossad but

728

00:37:12,710 --> 00:37:10,270

that what these guys want to do is they

729

00:37:15,180 --> 00:37:12,720

want to test you more scientifically and

730

00:37:17,010 --> 00:37:15,190

what were your initial impressions of

731

00:37:18,450 --> 00:37:17,020

pull off and Targ when you were first

732

00:37:23,190 --> 00:37:18,460

introduced to these fellows and kick

733

00:37:26,400 --> 00:37:23,200

green as well you know Russell Targ and

734

00:37:28,530 --> 00:37:26,410

how put off I never knew about them I

735

00:37:30,450 --> 00:37:28,540

knew about Edgar Mitchell because he

736

00:37:33,450 --> 00:37:30,460

sent me a signed picture of him walking

737

00:37:35,460 --> 00:37:33,460

on the moon to Israel and and I couldn't

738

00:37:39,390 --> 00:37:35,470

believe it I opened the envelope and

739

00:37:41,940 --> 00:37:39,400

there we was and he says to irregular my

740

00:37:44,010 --> 00:37:41,950

best wishes and Edgar Mitchell I really

741

00:37:46,490 --> 00:37:44,020

freaked out that I'm getting a picture

742

00:37:48,870 --> 00:37:46,500

from an astronaut who walked on the moon

743

00:37:50,910 --> 00:37:48,880

let me tell you something I'm sorry I'm

744

00:37:53,760 --> 00:37:50,920

jumping off to Goddard Space laboratory

745

00:37:55,950 --> 00:37:53,770

but Verdun from Braun

746

00:37:59,099 --> 00:37:55,960

remember Verner von Braun was in Nazi

747

00:38:02,640 --> 00:37:59,109

yeah he started in Germany he I mean he

748

00:38:05,310 --> 00:38:02,650

was Hitler a scientist he created the v1

749

00:38:09,780 --> 00:38:05,320

in the v2 that killed people in in the

750

00:38:12,390 --> 00:38:09,790

in England but he was so clever that the

751

00:38:15,120 --> 00:38:12,400

Americans brought him over to America so

752

00:38:17,010 --> 00:38:15,130

there he is taking his wedding ring off

753

00:38:19,320 --> 00:38:17,020

and he says you're not gonna touch my

754

00:38:22,410 --> 00:38:19,330

wedding wedding ring but if I if you

755

00:38:24,210 --> 00:38:22,420

bend it in my palm in my in his palm I

756

00:38:26,700 --> 00:38:24,220

will believe in your powers and of

757

00:38:29,220 --> 00:38:26,710

course I put my hand over his hand they

758

00:38:30,900 --> 00:38:29,230

and the bit his wedding ring totally

759

00:38:34,290 --> 00:38:30,910

bent out of shape he couldn't put it on

760

00:38:36,900 --> 00:38:34,300

his finger then happens an amazing

761

00:38:39,000 --> 00:38:36,910

amazing event and this is the first time

762

00:38:41,430 --> 00:38:39,010

I'm talking about it I've never really

763

00:38:44,670 --> 00:38:41,440

said this before he took me to a back

764

00:38:48,000 --> 00:38:44,680

room he again if I'm not mistaken it was

765

00:38:49,740 --> 00:38:48,010

goddard space laboratory in NASA or he

766

00:38:51,900 --> 00:38:49,750

could have been another laboratory again

767

00:38:54,050 --> 00:38:51,910

it's hard for me to remember because I

768

00:38:58,410 --> 00:38:54,060

was tested in so many different places

769

00:39:01,560 --> 00:38:58,420

he sits me down at the table and he puts

770

00:39:03,080 --> 00:39:01,570

on the table a black attache case and he

771

00:39:05,870 --> 00:39:03,090

opens it in

772

00:39:06,950 --> 00:39:05,880

in it was a piece of metal to me it

773

00:39:10,220 --> 00:39:06,960

looked like metal

774

00:39:13,820 --> 00:39:10,230

it was curly at one end and he said to

775

00:39:17,570 --> 00:39:13,830

me put your hands on it and tell me

776

00:39:20,140 --> 00:39:17,580

where you think this comes from so I

777

00:39:23,510 --> 00:39:20,150

placed my hand he allowed me to touch it

778

00:39:27,290 --> 00:39:23,520

it was it felt very very cold almost

779

00:39:30,500 --> 00:39:27,300

like he took it out of a freezer and I

780

00:39:33,410 --> 00:39:30,510

said this is the part of the UFO and he

781

00:39:36,260 --> 00:39:33,420

said thank you or Rogalla and he shut

782

00:39:42,620 --> 00:39:36,270

that ash a case I can still hear they

783

00:39:47,360 --> 00:39:42,630

took you know knobs clicking and he

784

00:39:50,740 --> 00:39:47,370

walked out of the room this is this this

785

00:39:53,300 --> 00:39:50,750

is amazing I never spoke about this um

786

00:39:54,650 --> 00:39:53,310

now what was your original question how

787

00:39:56,570 --> 00:39:54,660

I felt about how it would happen

788

00:39:58,220 --> 00:39:56,580

yeah I mean here you are I mean you're

789

00:40:01,280 --> 00:39:58,230

in your mid twenties or you're a young

790

00:40:05,180 --> 00:40:01,290

guy and all this all of a sudden now

791

00:40:06,980 --> 00:40:05,190

you're going to be I mean from seeing

792

00:40:09,670 --> 00:40:06,990

the movie I mean you've already had some

793

00:40:12,320 --> 00:40:09,680

extraordinary life experiences already a

794

00:40:15,040 --> 00:40:12,330

wounded combat veteran already working

795

00:40:16,970 --> 00:40:15,050

for the Mossad but here you are and land

796

00:40:19,730 --> 00:40:16,980

far from home

797

00:40:23,690 --> 00:40:19,740

basically you're being studied by these

798

00:40:25,310 --> 00:40:23,700

two fellows I mean they're had they have

799

00:40:26,450 --> 00:40:25,320

you gained your trust you know I mean

800

00:40:28,010 --> 00:40:26,460

they must have made some kind of

801
00:40:29,540 --> 00:40:28,020
positive impression on you for you to

802
00:40:32,930 --> 00:40:29,550
decide to work with them in the first

803
00:40:35,570 --> 00:40:32,940
place look they were just very nice you

804
00:40:39,050 --> 00:40:35,580
know they were smiling and welcomed and

805
00:40:43,070 --> 00:40:39,060
all that but I feared the experiments I

806
00:40:46,010 --> 00:40:43,080
was really concerned of failure I I knew

807
00:40:48,440 --> 00:40:46,020
that I could perform on stage I knew

808
00:40:51,590 --> 00:40:48,450
that I I could perform for under

809
00:40:54,230 --> 00:40:51,600
prohorich because it was easygoing it

810
00:40:57,140 --> 00:40:54,240
was a rented apartment but what I

811
00:41:03,400 --> 00:40:57,150
realized I'm being filmed and watched

812
00:41:06,710 --> 00:41:03,410
and bell jars and Faraday cage I was I

813
00:41:10,040 --> 00:41:06,720

was worried I didn't want I didn't want

814

00:41:12,560 --> 00:41:10,050

to fail I wanted to succeed and then you

815

00:41:15,230 --> 00:41:12,570

know lo and behold every time I did

816

00:41:16,840 --> 00:41:15,240

something he worked so they gave me a

817

00:41:20,050 --> 00:41:16,850

very nice feeling

818

00:41:22,000 --> 00:41:20,060

they're brilliant people help put off in

819

00:41:23,950 --> 00:41:22,010

Russell Targ god bless them they're

820

00:41:27,540 --> 00:41:23,960

amazing do you know why they're amazing

821

00:41:30,700 --> 00:41:27,550

because they stuck their necks out the

822

00:41:34,720 --> 00:41:30,710

you know to be a scientist today if you

823

00:41:36,910 --> 00:41:34,730

go a bit UFO stuff your grants could be

824

00:41:39,490 --> 00:41:36,920

stopped you'll be ridiculed by

825

00:41:43,600 --> 00:41:39,500

colleagues etc etc you know that Jack oh

826

00:41:45,970 --> 00:41:43,610

yeah so but they they they went out on

827

00:41:49,240 --> 00:41:45,980

you know on everything they said

828

00:41:52,360 --> 00:41:49,250

everything and they adhere to eat until

829

00:41:55,000 --> 00:41:52,370

to this day and you know I wouldn't be

830

00:41:57,610 --> 00:41:55,010

surprised this is my opinion I wouldn't

831

00:42:00,640 --> 00:41:57,620

be surprised if they're still not

832

00:42:03,640 --> 00:42:00,650

attached somehow or maybe subliminally

833

00:42:08,440 --> 00:42:03,650

to some kind of film secret agency

834

00:42:11,140 --> 00:42:08,450

government agency maybe I'm I'm allowed

835

00:42:13,480 --> 00:42:11,150

to voice my opinion well of course a

836

00:42:15,340 --> 00:42:13,490

doctor put off is involved in the to the

837

00:42:17,110 --> 00:42:15,350

stars Academy he's on the board there

838

00:42:19,540 --> 00:42:17,120

he's still very active in all this and

839

00:42:21,460 --> 00:42:19,550

that's why you know I want to get those

840

00:42:22,630 --> 00:42:21,470

kind of questions in because that's you

841

00:42:24,670 --> 00:42:22,640

know that's what our fans want to hear

842

00:42:26,410 --> 00:42:24,680

you know they love this stuff so and

843

00:42:29,110 --> 00:42:26,420

also another a gentleman who was

844

00:42:32,260 --> 00:42:29,120

featured in The Secret Life of the IRA

845

00:42:34,870 --> 00:42:32,270

Geller movie was kick green of course he

846

00:42:37,720 --> 00:42:34,880

still actively involved studying the

847

00:42:39,400 --> 00:42:37,730

contactees and not doing brain scans and

848

00:42:41,350 --> 00:42:39,410

so on I think that's what that might

849

00:42:41,830 --> 00:42:41,360

have prompted Grant Cameron's question

850

00:42:45,010 --> 00:42:41,840

about that

851
00:42:46,300 --> 00:42:45,020
and he was involved in all this and what

852
00:42:51,040 --> 00:42:46,310
can you tell him about him about working

853
00:42:54,520 --> 00:42:51,050
with him I the only time I worked with

854
00:42:58,090 --> 00:42:54,530
him was and watch that clip please on my

855
00:43:00,460 --> 00:42:58,100
website is when he held a book in

856
00:43:02,560 --> 00:43:00,470
Langley Virginia and I was in Palo Alto

857
00:43:05,230 --> 00:43:02,570
now remember we're talking about the 70s

858
00:43:07,210 --> 00:43:05,240
there were no iPhones there were no no

859
00:43:09,730 --> 00:43:07,220
FaceTime there was no Twitter

860
00:43:12,010 --> 00:43:09,740
there was no Instagram there was no

861
00:43:14,410 --> 00:43:12,020
internet there was an old-fashioned

862
00:43:17,290 --> 00:43:14,420
black phone and to the white house there

863
00:43:23,380 --> 00:43:17,300

was a red phone which I used a few times

864

00:43:25,750 --> 00:43:23,390

and he said to me what can you tell me

865

00:43:28,990 --> 00:43:25,760

you they say you can see from afar I

866

00:43:30,820 --> 00:43:29,000

said he says well what am i holding in

867

00:43:32,830 --> 00:43:30,830

my hand then I say

868

00:43:34,750 --> 00:43:32,840

book and he says I'm looking at a

869

00:43:37,210 --> 00:43:34,760

picture in the book what is it so I

870

00:43:39,010 --> 00:43:37,220

started drawing drawing and I threw most

871

00:43:43,240 --> 00:43:39,020

of the drawings in the trashcan but then

872

00:43:46,420 --> 00:43:43,250

I said I feel that it's something like

873

00:43:49,630 --> 00:43:46,430

scrambled eggs but what's coming in very

874

00:43:53,170 --> 00:43:49,640

strong is the word architectural and I

875

00:43:55,930 --> 00:43:53,180

wrote architectural on that page now he

876

00:43:59,920 --> 00:43:55,940

got the drawing later and he freaked out

877

00:44:02,770 --> 00:43:59,930

because he looked that the drawing was a

878

00:44:05,950 --> 00:44:02,780

picture of the brain a cut of the brain

879

00:44:07,930 --> 00:44:05,960

from some kind of fair and an anatomical

880

00:44:11,590 --> 00:44:07,940

book that he was preparing for a lecture

881

00:44:13,720 --> 00:44:11,600

and he with his own handwriting has

882

00:44:19,030 --> 00:44:13,730

written on that page the word

883

00:44:21,610 --> 00:44:19,040

architecture so you know I mean that's

884

00:44:26,230 --> 00:44:21,620

you know basically telepathy call it

885

00:44:29,920 --> 00:44:26,240

whatever remote viewing and that I

886

00:44:31,270 --> 00:44:29,930

believe impressed him tremendously yeah

887

00:44:33,400 --> 00:44:31,280

and now that I thought that was very

888

00:44:34,990 --> 00:44:33,410

interesting rewatching it I'd sort of

889

00:44:36,670 --> 00:44:35,000

forgotten that segment because I first

890

00:44:38,470 --> 00:44:36,680

saw the movie a number of years ago and

891

00:44:41,050 --> 00:44:38,480

then re-watched and preparing for this

892

00:44:43,870 --> 00:44:41,060

and talking about sort of the nuts and

893

00:44:47,070 --> 00:44:43,880

bolts of psychic abilities that is a

894

00:44:50,350 --> 00:44:47,080

very interesting and fairly common

895

00:44:53,200 --> 00:44:50,360

result where you kind of get the general

896

00:44:57,160 --> 00:44:53,210

form of something but don't get the

897

00:44:59,410 --> 00:44:57,170

exact you don't get the the object

898

00:45:01,360 --> 00:44:59,420

exactly but you'll get the general form

899

00:45:04,390 --> 00:45:01,370

of it you know scrambled eggs looking a

900

00:45:06,670 --> 00:45:04,400

bit like the human brain yeah but no no

901
00:45:10,120 --> 00:45:06,680
I have to correct you joke okay because

902
00:45:13,990 --> 00:45:10,130
the most sorry friend in most of the

903
00:45:17,110 --> 00:45:14,000
cases I got the drawing precisely there

904
00:45:20,380 --> 00:45:17,120
was one drawing by the CIA of a bunch of

905
00:45:23,200 --> 00:45:20,390
grapes and I got the same sized bunch of

906
00:45:25,720 --> 00:45:23,210
grapes in Palo Alto even to the number I

907
00:45:28,150 --> 00:45:25,730
think it was 24 grapes most of my

908
00:45:30,580 --> 00:45:28,160
drawings are precise some were religious

909
00:45:32,710 --> 00:45:30,590
drawings like they drew the devil with a

910
00:45:35,740 --> 00:45:32,720
trident I couldn't get the devil I got

911
00:45:38,260 --> 00:45:35,750
the Trident but and then I got the Ten

912
00:45:40,180 --> 00:45:38,270
Commandments coming up behind Earth so

913
00:45:43,630 --> 00:45:40,190

that was very interesting I don't know

914

00:45:45,080 --> 00:45:43,640

how that translated into my mind as

915

00:45:50,690 --> 00:45:45,090

maybe a religious

916

00:45:55,700 --> 00:45:50,700

a religious iconic figure that is

917

00:45:57,980 --> 00:45:55,710

negative so amazing but in most cases

918

00:46:01,250 --> 00:45:57,990

when I do telepathy not only do I get

919

00:46:04,240 --> 00:46:01,260

the same drawing but I also get the same

920

00:46:09,350 --> 00:46:04,250

size to the millimeter to the millimeter

921

00:46:12,890 --> 00:46:09,360

you know chatting Frank I must tell you

922

00:46:15,050 --> 00:46:12,900

that when you say that this program that

923

00:46:18,230 --> 00:46:15,060

you're doing is kind of a target

924

00:46:20,720 --> 00:46:18,240

audience no it's not it's actually for

925

00:46:24,530 --> 00:46:20,730

everyone because I don't know if you

926
00:46:27,560 --> 00:46:24,540
realize but almost 76 percent of all

927
00:46:30,410 --> 00:46:27,570
Americans you know that believes are

928
00:46:33,350 --> 00:46:30,420
believers are the majority paranormal

929
00:46:35,180 --> 00:46:33,360
acceptance in America has been rising

930
00:46:38,810 --> 00:46:35,190
and rising and rising

931
00:46:41,600 --> 00:46:38,820
I mean people believe in lost

932
00:46:44,510 --> 00:46:41,610
civilizations they believe in alien

933
00:46:46,760 --> 00:46:44,520
encounters past and present they believe

934
00:46:49,100 --> 00:46:46,770
in telekinesis they believe in

935
00:46:54,350 --> 00:46:49,110
fortune-telling they believe in Bigfoot

936
00:46:59,230 --> 00:46:54,360
and they believe in haunting spirits 76%

937
00:47:02,990 --> 00:46:59,240
of Americans believe in at least one

938
00:47:06,800 --> 00:47:03,000

paranormal phenomenon this is amazing

939

00:47:12,620 --> 00:47:06,810

and if you go to the east you go to the

940

00:47:16,760 --> 00:47:12,630

Far East to Japan to Taiwan to China I

941

00:47:17,680 --> 00:47:16,770

mean this is accepted no big deal UFOs

942

00:47:23,810 --> 00:47:17,690

exist

943

00:47:25,370 --> 00:47:23,820

there for centuries people experience it

944

00:47:27,560 --> 00:47:25,380

in one way or another I think that

945

00:47:30,590 --> 00:47:27,570

that's what puts them over you have some

946

00:47:32,030 --> 00:47:30,600

kind of an experience whatever it is so

947

00:47:34,220 --> 00:47:32,040

the proof is in the pudding and if you

948

00:47:35,840 --> 00:47:34,230

experience it yourself well that that's

949

00:47:37,700 --> 00:47:35,850

what puts it over I think with with

950

00:47:39,650 --> 00:47:37,710

those people they've had some kind of

951
00:47:42,620 --> 00:47:39,660
paranormal experience during the course

952
00:47:46,460 --> 00:47:42,630
of their lives and I think that accounts

953
00:47:48,530 --> 00:47:46,470
a little bit for you know the UFO

954
00:47:51,560 --> 00:47:48,540
audience sometimes skews a little bit

955
00:47:54,410 --> 00:47:51,570
dumb more mature then let's say the pop

956
00:47:56,630 --> 00:47:54,420
music audience and the longer you live

957
00:47:58,180 --> 00:47:56,640
the more likely you are to that to have

958
00:48:00,829 --> 00:47:58,190
something like that happen to

959
00:48:03,980 --> 00:48:00,839
and look there are millions and millions

960
00:48:07,280 --> 00:48:03,990
and millions of people saw UFOs zooming

961
00:48:10,059 --> 00:48:07,290
in tremendous speeds that no airplane

962
00:48:13,280 --> 00:48:10,069
can fly no rocket flies in that speed

963
00:48:17,089 --> 00:48:13,290

zooming through our skies there enough

964

00:48:19,490 --> 00:48:17,099

UFO photographs you know thousands

965

00:48:23,030 --> 00:48:19,500

probably there are enough stories of

966

00:48:27,650 --> 00:48:23,040

abductees of people being abducted of

967

00:48:31,579 --> 00:48:27,660

UFOs landing both pilots credible pilots

968

00:48:35,109 --> 00:48:31,589

flying airplanes who has seen them so

969

00:48:38,799 --> 00:48:35,119

radar radar and radar clear evidence

970

00:48:42,680 --> 00:48:38,809

credible information is available and

971

00:48:46,240 --> 00:48:42,690

there is no doubt I believe that there

972

00:48:49,040 --> 00:48:46,250

are extraterrestrials walking among us

973

00:48:51,140 --> 00:48:49,050

now I there was another incident that

974

00:48:52,910 --> 00:48:51,150

was gone over in the movie a little bit

975

00:48:54,500 --> 00:48:52,920

you seemed a little hesitant at least at

976
00:48:57,290 --> 00:48:54,510
the time that the movie was produced to

977
00:49:00,680 --> 00:48:57,300
talk about it much detail but this

978
00:49:05,480 --> 00:49:00,690
regarded the raid on Entebbe the rescue

979
00:49:09,650 --> 00:49:05,490
of an Israeli plane with hostages taken

980
00:49:12,289 --> 00:49:09,660
in the held in Uganda and obviously a

981
00:49:14,870 --> 00:49:12,299
successful military raid that got those

982
00:49:16,880 --> 00:49:14,880
hostages out of there and I don't know

983
00:49:18,740 --> 00:49:16,890
it can you go into a little bit more

984
00:49:20,839 --> 00:49:18,750
detail now that it's been a few years

985
00:49:22,849 --> 00:49:20,849
since the movie was released and talk

986
00:49:24,859 --> 00:49:22,859
about your involvement in that some

987
00:49:26,720 --> 00:49:24,869
people have claimed that you were

988
00:49:29,420 --> 00:49:26,730

involved in shutting down the radar

989

00:49:31,670 --> 00:49:29,430

which allowed the commandos to get

990

00:49:35,260 --> 00:49:31,680

access to the plane through the hostages

991

00:49:43,099 --> 00:49:35,270

and get them out of there a-ok yeah I'm

992

00:49:46,280 --> 00:49:43,109

sorry the part in that film the secret

993

00:49:51,380 --> 00:49:46,290

of irregular comes from I believe

994

00:49:53,230 --> 00:49:51,390

Elden bird or the producer who is victim

995

00:49:56,000 --> 00:49:53,240

Jayanthi was an oscar-winning producer

996

00:49:59,900 --> 00:49:56,010

he won an Oscar for a Muhammad Ali

997

00:50:02,599 --> 00:49:59,910

documentary I cannot comment on Israeli

998

00:50:05,390 --> 00:50:02,609

stuff or go never have all I can say I

999

00:50:08,089 --> 00:50:05,400

work for the Mossad and that's that's

1000

00:50:11,190 --> 00:50:08,099

where the I draw the line okay but those

1001

00:50:15,000 --> 00:50:11,200

claim is about you are out there so

1002

00:50:16,079 --> 00:50:15,010

I understood understood not a problem

1003

00:50:19,280 --> 00:50:16,089

not a problem

1004

00:50:24,319 --> 00:50:19,290

yeah and that what's interesting is that

1005

00:50:28,800 --> 00:50:24,329

part of the the CIA released documents

1006

00:50:32,339 --> 00:50:28,810

talk about the experiments but then I

1007

00:50:34,410 --> 00:50:32,349

worked also for CIA and on and they sent

1008

00:50:39,750 --> 00:50:34,420

me on many missions and it's interesting

1009

00:50:42,000 --> 00:50:39,760

how they even used me it was the idea

1010

00:50:44,040 --> 00:50:42,010

brainchild of Senator Claiborne Pell who

1011

00:50:46,560 --> 00:50:44,050

was then the head of the American

1012

00:50:48,990 --> 00:50:46,570

Foreign Relations Committee he believed

1013

00:50:51,480 --> 00:50:49,000

that I can convince the Russians to sign

1014

00:50:54,000 --> 00:50:51,490

the nuclear arms reduction treaty so

1015

00:50:57,210 --> 00:50:54,010

what he did he sent over to London to

1016

00:51:01,109 --> 00:50:57,220

brief me ambassador Max kampelman was a

1017

00:51:04,349 --> 00:51:01,119

huge figure in Washington I believe you

1018

00:51:09,720 --> 00:51:04,359

also got the president star and Max

1019

00:51:12,210 --> 00:51:09,730

kampelman briefed me and then they flew

1020

00:51:16,829 --> 00:51:12,220

me to Geneva Al Gore was there beside me

1021

00:51:19,500 --> 00:51:16,839

and I got vehicles to univer on self who

1022

00:51:22,470 --> 00:51:19,510

was a head of the Russian nuclear arms

1023

00:51:27,480 --> 00:51:22,480

reduction negotiator and I bombarded his

1024

00:51:29,280 --> 00:51:27,490

mind sign sign sign and they signed so I

1025

00:51:32,760 --> 00:51:29,290

have influenced a lot of people

1026
00:51:36,059 --> 00:51:32,770
throughout my life in a positive way I I

1027
00:51:38,579 --> 00:51:36,069
don't do negative stuff I was asked to

1028
00:51:41,640 --> 00:51:38,589
do very bad things but I always refused

1029
00:51:44,190 --> 00:51:41,650
God and I wonder fella where you had

1030
00:51:46,680 --> 00:51:44,200
mentioned earlier a real American hero

1031
00:51:49,650 --> 00:51:46,690
and he's been an influence on me and

1032
00:51:52,290 --> 00:51:49,660
problem on what you said is he's been an

1033
00:51:54,300 --> 00:51:52,300
influence on you six men to walk on the

1034
00:51:55,920 --> 00:51:54,310
moon Edgar Mitchell wasn't for him you

1035
00:51:57,569 --> 00:51:55,930
might not like here talking to us if it

1036
00:51:59,430 --> 00:51:57,579
wasn't for him I probably wouldn't be

1037
00:52:00,540 --> 00:51:59,440
doing this show so what can you tell us

1038
00:52:03,089 --> 00:52:00,550

a little bit about your personal

1039

00:52:03,870 --> 00:52:03,099

impressions of Edgar Mitchell Real

1040

00:52:11,130 --> 00:52:03,880

American Hero

1041

00:52:12,839 --> 00:52:11,140

what what a beautiful soul he was and he

1042

00:52:16,859 --> 00:52:12,849

is because I believe in life after death

1043

00:52:19,920 --> 00:52:16,869

that's another whole area that there's

1044

00:52:24,089 --> 00:52:19,930

no doubt that you know we don't die I

1045

00:52:24,960 --> 00:52:24,099

mean our spirit our soul survives we go

1046

00:52:27,720 --> 00:52:24,970

to another place

1047

00:52:29,599 --> 00:52:27,730

to another dimension and what's amazing

1048

00:52:32,099 --> 00:52:29,609

is that so many people kind of have

1049

00:52:34,230 --> 00:52:32,109

difficulty in believing in life after

1050

00:52:37,589 --> 00:52:34,240

death and I tell them look Albert

1051

00:52:40,410 --> 00:52:37,599

Einstein proved it he proved it with the

1052

00:52:42,089 --> 00:52:40,420

very simple equation e equals MC square

1053

00:52:44,630 --> 00:52:42,099

in 1924

1054

00:52:49,170 --> 00:52:44,640

how do Tyson came out with this

1055

00:52:51,359 --> 00:52:49,180

incredibly amazing equation where he

1056

00:52:53,820 --> 00:52:51,369

proved with that equation scientifically

1057

00:52:57,180 --> 00:52:53,830

that everything in the universe is made

1058

00:52:59,750 --> 00:52:57,190

from energy your energy I'm energy the

1059

00:53:02,790 --> 00:52:59,760

phone I'm holding in my hand is energy

1060

00:53:05,130 --> 00:53:02,800

tables are energy they might feel solid

1061

00:53:08,940 --> 00:53:05,140

but there are basically energy they are

1062

00:53:11,640 --> 00:53:08,950

vibrating in a certain frequency that to

1063

00:53:17,190 --> 00:53:11,650

us that they feel solid but its energy

1064

00:53:20,640 --> 00:53:17,200

and then he further proved that energy

1065

00:53:22,650 --> 00:53:20,650

cannot be destroyed so you have to ask

1066

00:53:24,960 --> 00:53:22,660

the question if energy cannot be

1067

00:53:27,359 --> 00:53:24,970

destroyed then what happens when we die

1068

00:53:31,890 --> 00:53:27,369

what happens to her energy so that's

1069

00:53:34,079 --> 00:53:31,900

that my afterlife explanation and edgar

1070

00:53:36,800 --> 00:53:34,089

mittell believed in it - this is why I

1071

00:53:41,310 --> 00:53:36,810

believe he is now in another dimension

1072

00:53:45,120 --> 00:53:41,320

with all the other you know icons of the

1073

00:53:47,609 --> 00:53:45,130

world and the universe and so he was a

1074

00:53:50,810 --> 00:53:47,619

beautiful person

1075

00:53:55,530 --> 00:53:50,820

very very very highly intellectual

1076
00:53:57,780 --> 00:53:55,540
genius he could he taught me so many

1077
00:54:01,230 --> 00:53:57,790
things and it was a pleasant man and we

1078
00:54:04,260 --> 00:54:01,240
had in a teleportation with him at

1079
00:54:07,170 --> 00:54:04,270
Stanford Research Institute where we're

1080
00:54:10,740 --> 00:54:07,180
walking in the corridor and suddenly we

1081
00:54:12,960 --> 00:54:10,750
heard something hitting the wall and on

1082
00:54:15,870 --> 00:54:12,970
the red carpet rolled a piece of metal

1083
00:54:18,960 --> 00:54:15,880
and Ed picked it up didn't know what it

1084
00:54:21,960 --> 00:54:18,970
was put in his pocket and then we were

1085
00:54:26,400 --> 00:54:21,970
having ice cream in the cafeteria and I

1086
00:54:29,940 --> 00:54:26,410
put a mouthful of vanilla ice cream into

1087
00:54:32,790 --> 00:54:29,950
my mouth a spoonful and suddenly I feel

1088
00:54:37,320 --> 00:54:32,800

that there is a mathematic object in the

1089

00:54:38,099 --> 00:54:37,330

ice cream so I spit it out and I'm kind

1090

00:54:42,049 --> 00:54:38,109

of surprised

1091

00:54:46,999 --> 00:54:42,059

is that you know what is metal doing in

1092

00:54:50,400 --> 00:54:47,009

inside my ice cream and I look at Ed and

1093

00:54:54,150 --> 00:54:50,410

Ed's face ashens

1094

00:54:59,309 --> 00:54:54,160

he picks up a piece of metal he pulls

1095

00:55:04,049 --> 00:54:59,319

out from the pocket his pocket the other

1096

00:55:07,170 --> 00:55:04,059

piece that came rolling and hitting the

1097

00:55:10,140 --> 00:55:07,180

wall in the corridor and he puts it

1098

00:55:15,239 --> 00:55:10,150

together and he says my god this is my

1099

00:55:20,519 --> 00:55:15,249

typing I received it from NASA as a gift

1100

00:55:26,099 --> 00:55:20,529

and I received it five years ago and I

1101

00:55:27,960 --> 00:55:26,109

lost it on a beach in Florida now that

1102

00:55:32,579 --> 00:55:27,970

would be the very definition of an app

1103

00:55:34,620 --> 00:55:32,589

or something like that absolutely and I

1104

00:55:37,769 --> 00:55:34,630

was there the John wanted a piece that

1105

00:55:40,859 --> 00:55:37,779

he gave you absolutely so you know we're

1106

00:55:42,739 --> 00:55:40,869

talking about such amazing things you

1107

00:55:47,220 --> 00:55:42,749

know I can't remember everything now but

1108

00:55:50,880 --> 00:55:47,230

but we are spoken about this so many

1109

00:55:55,319 --> 00:55:50,890

times and Ed's kept that typing in his

1110

00:55:58,829 --> 00:55:55,329

safe in his home in Florida you know you

1111

00:56:02,160 --> 00:55:58,839

know that now you understand why I'm so

1112

00:56:05,609 --> 00:56:02,170

controversial I remember when I was

1113

00:56:10,559 --> 00:56:05,619

doing Johnny Carson you know I was told

1114

00:56:12,599 --> 00:56:10,569

that if I do Johnny Carson everybody we

1115

00:56:16,650 --> 00:56:12,609

believe in or we gather it's a huge show

1116

00:56:19,799 --> 00:56:16,660

in America and he was so skeptical he

1117

00:56:22,259 --> 00:56:19,809

was scoffing and sneering and I bent a

1118

00:56:25,229 --> 00:56:22,269

spoon in Ricardo montalban's hand it

1119

00:56:27,390 --> 00:56:25,239

wasn't him good enough for him and I

1120

00:56:30,960 --> 00:56:27,400

thought that this is this show will

1121

00:56:34,680 --> 00:56:30,970

destroy me forever and when I finished

1122

00:56:38,009 --> 00:56:34,690

the show I went back to the hotel in Los

1123

00:56:40,079 --> 00:56:38,019

Angeles I fell on the bed devastated and

1124

00:56:42,359 --> 00:56:40,089

I said in the next morning I'm going to

1125

00:56:44,640 --> 00:56:42,369

pack up and fly dr. Israel because I

1126

00:56:47,700 --> 00:56:44,650

thought this is it the Johnny Carson

1127

00:56:50,789 --> 00:56:47,710

destroyed me next morning I get a phone

1128

00:56:52,050 --> 00:56:50,799

call from the operator and she says to

1129

00:56:55,320 --> 00:56:52,060

me

1130

00:56:58,500 --> 00:56:55,330

mr. Geller I haven't Merv Griffin on the

1131

00:57:01,050 --> 00:56:58,510

line for you so I said you mean lemur

1132

00:57:05,370 --> 00:57:01,060

and Griffin she says yeah he says that's

1133

00:57:08,220 --> 00:57:05,380

that's him and I pick up the phone she

1134

00:57:11,040 --> 00:57:08,230

clicks it clicks his voice on and he

1135

00:57:14,820 --> 00:57:11,050

says to me or I gather I saw you last

1136

00:57:18,930 --> 00:57:14,830

night on Johnny Carson I want you on my

1137

00:57:21,660 --> 00:57:18,940

show this week and you know that's when

1138

00:57:23,760 --> 00:57:21,670

I realize that all publicity is good

1139

00:57:27,990 --> 00:57:23,770

publicity as soon as I spell my name

1140

00:57:30,450 --> 00:57:28,000

correctly and I have to go back to Oscar

1141

00:57:33,270 --> 00:57:30,460

Wilde a hundred years ago Oscar Wilde

1142

00:57:35,490 --> 00:57:33,280

said there is only one worst thing in

1143

00:57:40,980 --> 00:57:35,500

life than being talked about and that's

1144

00:57:43,740 --> 00:57:40,990

not being talked about so we're

1145

00:57:47,460 --> 00:57:43,750

believers but there are few skeptics out

1146

00:57:53,330 --> 00:57:47,470

there but the non-believers to me our

1147

00:57:55,560 --> 00:57:53,340

tiny molecular insignificant minority

1148

00:57:57,510 --> 00:57:55,570

and now let me yeah let me turn things

1149

00:57:59,910 --> 00:57:57,520

back to chant I know she's got some more

1150

00:58:01,320 --> 00:57:59,920

questions for you I do thank you very

1151
00:58:04,740 --> 00:58:01,330
much Frank that was absolutely

1152
00:58:07,200 --> 00:58:04,750
fascinating and hurry I had a question

1153
00:58:10,350 --> 00:58:07,210
for you regarding the cloning of John

1154
00:58:13,950 --> 00:58:10,360
Lennon you were featured in a few

1155
00:58:16,380 --> 00:58:13,960
publications regarding your having

1156
00:58:18,090 --> 00:58:16,390
bought a lock of John Lennon's hair from

1157
00:58:20,970 --> 00:58:18,100
which if it is legal and ethical you

1158
00:58:23,040 --> 00:58:20,980
planned allegedly to ask Israeli

1159
00:58:29,160 --> 00:58:23,050
scientists to clones Beatle is this true

1160
00:58:32,010 --> 00:58:29,170
and do you plan on doing that in my

1161
00:58:34,950 --> 00:58:32,020
opinion I just came up with this idea it

1162
00:58:40,740 --> 00:58:34,960
was a crazy idea because I do have his

1163
00:58:43,500 --> 00:58:40,750

hair now I I doubt that I will do

1164

00:58:44,250 --> 00:58:43,510

something of this nature the are you

1165

00:58:50,670 --> 00:58:44,260

with me by the way

1166

00:58:53,450 --> 00:58:50,680

oh I doubt this nature but you never

1167

00:58:57,360 --> 00:58:53,460

know time goes by you never know what

1168

00:59:00,090 --> 00:58:57,370

science can bring about and so for so so

1169

00:59:01,770 --> 00:59:00,100

the question yes and I'm sorry actually

1170

00:59:03,960 --> 00:59:01,780

I interjected while you were talking

1171

00:59:05,070 --> 00:59:03,970

because I you broke up for a moment and

1172

00:59:05,760 --> 00:59:05,080

I didn't care you but thank you for

1173

00:59:07,680 --> 00:59:05,770

actually

1174

00:59:12,180 --> 00:59:07,690

attending to that question the other

1175

00:59:15,000 --> 00:59:12,190

question I had for you is and I have a

1176

00:59:17,370 --> 00:59:15,010

few but I'll be very fast are you in

1177

00:59:22,550 --> 00:59:17,380

communication with extraterrestrials or

1178

00:59:27,590 --> 00:59:22,560

do you feel you ever have been no doubt

1179

00:59:31,080 --> 00:59:27,600

through very strange means and ways and

1180

00:59:34,980 --> 00:59:31,090

yeah I'm a believer and I rather not

1181

00:59:37,410 --> 00:59:34,990

talk about my connection to Exeter SGA's

1182

00:59:38,130 --> 00:59:37,420

because he's a reason that I cannot talk

1183

00:59:41,790 --> 00:59:38,140

about it

1184

00:59:43,500 --> 00:59:41,800

okay solid reason understood the other

1185

00:59:46,470 --> 00:59:43,510

question I wanted to ask you about is

1186

00:59:50,150 --> 00:59:46,480

that wonderful piece of UFO art by John

1187

00:59:54,450 --> 00:59:50,160

Lennon what is your interpretation of it

1188

00:59:57,800 --> 00:59:54,460

my feeling is that he actually really

1189

01:00:02,850 --> 00:59:57,810

got it from an exaggeration source

1190

01:00:08,730 --> 01:00:02,860

there's no doubt in my mind again there

1191

01:00:11,690 --> 01:00:08,740

is a tiny tiny percent maybe 99.99 I I

1192

01:00:15,300 --> 01:00:11,700

believe but there's always that little

1193

01:00:19,670 --> 01:00:15,310

doubt in me that maybe I'm wrong maybe

1194

01:00:24,230 --> 01:00:19,680

he pulled something on me you know I

1195

01:00:32,390 --> 01:00:29,460

I see thank you for answering that and

1196

01:00:35,250 --> 01:00:32,400

then I did also want to ask you about

1197

01:00:38,070 --> 01:00:35,260

UFOs and consciousness which is a huge

1198

01:00:42,480 --> 01:00:38,080

topic in the UFO community it's a rather

1199

01:00:44,670 --> 01:00:42,490

broad topic but I wanted to ask you if

1200

01:00:46,890 --> 01:00:44,680

you feel like commenting in in any

1201

01:00:49,590 --> 01:00:46,900

perspective with regards to UFOs in

1202

01:00:51,990 --> 01:00:49,600

consciousness meaning extraterrestrial

1203

01:00:56,310 --> 01:00:52,000

craft and consciousness I'll give you an

1204

01:01:00,050 --> 01:00:56,320

example Stanton Friedman had studied the

1205

01:01:02,490 --> 01:01:00,060

Betty the Betty and Barney Hill case

1206

01:01:04,470 --> 01:01:02,500

exclusively and through his

1207

01:01:07,609 --> 01:01:04,480

investigation he found out that Barney

1208

01:01:10,830 --> 01:01:07,619

Hill had felt he had been telepathically

1209

01:01:13,890 --> 01:01:10,840

in communication with aliens that had

1210

01:01:16,470 --> 01:01:13,900

landed and that's an iconic case

1211

01:01:18,960 --> 01:01:16,480

everybody is pretty aware of I wanted to

1212

01:01:19,470 --> 01:01:18,970

know do you feel like consciousness and

1213

01:01:22,650 --> 01:01:19,480

extra tree

1214

01:01:24,440 --> 01:01:22,660

between humans exists and if so can you

1215

01:01:27,960 --> 01:01:24,450

give us a little bit of input on that

1216

01:01:31,680 --> 01:01:27,970

yeah I definitely believe in its because

1217

01:01:34,050 --> 01:01:31,690

look if we have to explain or decipher

1218

01:01:38,070 --> 01:01:34,060

what consciousness is basically

1219

01:01:43,590 --> 01:01:38,080

consciousness is the state or quality of

1220

01:01:46,470 --> 01:01:43,600

awareness or of being aware of an

1221

01:01:50,690 --> 01:01:46,480

external object or something within

1222

01:01:56,670 --> 01:01:50,700

oneself and it has been defined as

1223

01:01:59,870 --> 01:01:56,680

sentience awareness it has been it's the

1224

01:02:03,359 --> 01:01:59,880

ability to experience or to feel

1225

01:02:06,840 --> 01:02:03,369

wakefulness having a sense of self-rule

1226

01:02:10,550 --> 01:02:06,850

and the executive control of the mind

1227

01:02:13,710 --> 01:02:10,560

and there's no doubt that

1228

01:02:18,450 --> 01:02:13,720

extraterrestrial energy extraterrestrial

1229

01:02:21,120 --> 01:02:18,460

contact Exeter SL telepathy can

1230

01:02:22,440 --> 01:02:21,130

penetrate our consciousness if that

1231

01:02:26,970 --> 01:02:22,450

answers the question

1232

01:02:30,359 --> 01:02:26,980

it does I also wanted this a little bit

1233

01:02:33,480 --> 01:02:30,369

going back to a doctor for Irish you

1234

01:02:37,050 --> 01:02:33,490

let's see gonna go through my notes here

1235

01:02:39,660 --> 01:02:37,060

but at one point he talked about both he

1236

01:02:42,240 --> 01:02:39,670

and you communicating with super

1237

01:02:44,970 --> 01:02:42,250

intelligent computers or what do you

1238

01:02:47,700 --> 01:02:44,980

think technology might hold for us in

1239

01:02:49,440 --> 01:02:47,710

terms of a psychic ability there do you

1240

01:02:52,680 --> 01:02:49,450

think there's some enhancement I know

1241

01:02:54,450 --> 01:02:52,690

going back earlier a good decade before

1242

01:02:57,090 --> 01:02:54,460

he met you he was there very much

1243

01:02:58,730 --> 01:02:57,100

involved in the studying psychedelic

1244

01:03:01,260 --> 01:02:58,740

mushrooms I know you don't recommend

1245

01:03:03,540 --> 01:03:01,270

drug use as part of it enhancing the

1246

01:03:05,580 --> 01:03:03,550

ability now what about technology and

1247

01:03:10,950 --> 01:03:05,590

the future that might hold for psychic

1248

01:03:13,070 --> 01:03:10,960

ability you know I would like to go into

1249

01:03:16,200 --> 01:03:13,080

something much bigger than psychic

1250

01:03:25,980 --> 01:03:16,210

ability if you look at the state or

1251

01:03:29,450 --> 01:03:25,990

planet is the Desai's the Sun wars that

1252

01:03:32,970 --> 01:03:29,460

are raging in the neighborhood that you

1253

01:03:36,250 --> 01:03:32,980

beside beside

1254

01:03:38,380 --> 01:03:36,260

they are still raging I mean you know

1255

01:03:41,380 --> 01:03:38,390

every three seconds I mean this is

1256

01:03:45,610 --> 01:03:41,390

catastrophic but every three seconds a

1257

01:03:50,820 --> 01:03:45,620

baby dies from hunger somewhere around

1258

01:03:56,010 --> 01:03:50,830

the world and this is now this is today

1259

01:04:03,730 --> 01:03:59,370

occurrences of global warming

1260

01:04:09,100 --> 01:04:03,740

the oceans are getting higher the ice

1261

01:04:15,600 --> 01:04:09,110

caps are melting the weather is getting

1262

01:04:19,540 --> 01:04:15,610

hotter the possibility of a meteorite

1263

01:04:23,590 --> 01:04:19,550

hitting our planet Earth and spinning it

1264

01:04:27,550 --> 01:04:23,600

out of control I mean those the things I

1265

01:04:31,900 --> 01:04:27,560

just mentioned are real I mean it's real

1266

01:04:38,380 --> 01:04:31,910

it could happen so if we don't find ways

1267

01:04:42,220 --> 01:04:38,390

of controlling the pollution that we are

1268

01:04:44,950 --> 01:04:42,230

emitting we're going to dry up and all

1269

01:04:48,430 --> 01:04:44,960

these science fiction films that you see

1270

01:04:52,600 --> 01:04:48,440

about the end of Earth and gigantic

1271

01:04:59,370 --> 01:04:52,610

tsunamis drowning coastal cities that's

1272

01:05:01,440 --> 01:04:59,380

going to happen something

1273

01:05:08,250 --> 01:05:01,450

extraterrestrial

1274

01:05:11,980 --> 01:05:08,260

saves us it's that simple I don't see a

1275

01:05:14,880 --> 01:05:11,990

hundred years or 200 years or even 300

1276

01:05:18,940 --> 01:05:14,890

years that we will be able to stop these

1277

01:05:23,380 --> 01:05:18,950

existing catastrophes what's gonna

1278

01:05:25,630 --> 01:05:23,390

happen is when mankind civilization will

1279

01:05:28,810 --> 01:05:25,640

realize that we can't stop it

1280

01:05:31,720 --> 01:05:28,820

we're going to start traveling and feed

1281

01:05:35,380 --> 01:05:31,730

other planets we'll take off with

1282

01:05:39,010 --> 01:05:35,390

spacecrafts rockets whatever and find

1283

01:05:40,780 --> 01:05:39,020

other plants to live on like in the

1284

01:05:43,660 --> 01:05:40,790

movies there are so many movies about

1285

01:05:46,560 --> 01:05:43,670

this subject which actually segues yes

1286

01:05:48,570 --> 01:05:46,570

go ahead replace no so that's my

1287

01:05:51,180 --> 01:05:48,580

you know my main concern about our

1288

01:05:53,370 --> 01:05:51,190

beautiful climate thank you for that

1289

01:05:55,590 --> 01:05:53,380

that segues into a question I had for

1290

01:05:59,010 --> 01:05:55,600

you about metamaterials exotic alloy

1291

01:06:00,810 --> 01:05:59,020

materials which also may involve

1292

01:06:02,430 --> 01:06:00,820

cloaking with regards to

1293

01:06:04,880 --> 01:06:02,440

extraterrestrial crafts having the

1294

01:06:08,070 --> 01:06:04,890

ability to do that but moving along

1295

01:06:09,330 --> 01:06:08,080

governments whether they be first world

1296

01:06:12,750 --> 01:06:09,340

governments or just governments around

1297

01:06:13,710 --> 01:06:12,760

the world being able to get within their

1298

01:06:16,110 --> 01:06:13,720

grasp

1299

01:06:20,250 --> 01:06:16,120

metamaterials from extraterrestrial

1300

01:06:22,440 --> 01:06:20,260

technology reverse engineering it how do

1301

01:06:24,120 --> 01:06:22,450

you feel about that possibility that

1302

01:06:27,180 --> 01:06:24,130

there might be governments around the

1303

01:06:31,740 --> 01:06:27,190

world that have had within their

1304

01:06:34,730 --> 01:06:31,750

position both now and in the past over a

1305

01:06:36,840 --> 01:06:34,740

period of decades been able to attain

1306

01:06:39,750 --> 01:06:36,850

metamaterials from extraterrestrial

1307

01:06:42,330 --> 01:06:39,760

crafts or find exotic alloys that have

1308

01:06:44,730 --> 01:06:42,340

strange extraordinary powers to them do

1309

01:06:47,820 --> 01:06:44,740

you have any input on that well I

1310

01:06:50,220 --> 01:06:47,830

definitely believe that what dr. Verner

1311

01:06:55,170 --> 01:06:50,230

from brown showed me and allowed me to

1312

01:06:58,860 --> 01:06:55,180

touch was an extraterrestrial alloy it

1313

01:07:01,740 --> 01:06:58,870

was really honestly super cold and I

1314

01:07:04,320 --> 01:07:01,750

don't know what happened to it why he

1315

01:07:07,830 --> 01:07:04,330

wanted to know this what they did with

1316

01:07:11,540 --> 01:07:07,840

this maybe I do know but I can't talk

1317

01:07:15,690 --> 01:07:11,550

about it so yes it is a possibility

1318

01:07:20,180 --> 01:07:15,700

there isn't there is that opening that

1319

01:07:25,230 --> 01:07:20,190

they use this type of material to

1320

01:07:28,260 --> 01:07:25,240

develop something that will that will

1321

01:07:31,920 --> 01:07:28,270

allow us to travel through space and

1322

01:07:35,300 --> 01:07:31,930

time okay and then we just have two

1323

01:07:38,820 --> 01:07:35,310

questions left from our listeners early

1324

01:07:41,340 --> 01:07:38,830

one question is from Roxy and she wants

1325

01:07:44,160 --> 01:07:41,350

to know why was the island you bought in

1326

01:07:51,170 --> 01:07:44,170

2009 which was called the lamb important

1327

01:07:59,250 --> 01:07:55,050

first of all you know the reason I

1328

01:08:00,780 --> 01:07:59,260

bought the island is because it's

1329

01:08:08,790 --> 01:08:00,790

mysterious

1330

01:08:12,960 --> 01:08:08,800

and it's enigmatic the island has a it's

1331

01:08:16,380 --> 01:08:12,970

a magnetic center point for UFOs

1332

01:08:19,230 --> 01:08:16,390

I knew that immediately when I read

1333

01:08:23,220 --> 01:08:19,240

about the island and when I I saw the

1334

01:08:26,789 --> 01:08:23,230

island also the island claimed to be one

1335

01:08:32,490 --> 01:08:26,799

of the you know it's it's basically a

1336

01:08:36,000 --> 01:08:32,500

volcanic outcrop and there is some type

1337

01:08:36,720 --> 01:08:36,010

of an energy that emanates out of this

1338

01:08:40,970 --> 01:08:36,730

island

1339

01:08:44,760 --> 01:08:40,980

I call it ley lines and the ley lines

1340

01:08:48,420 --> 01:08:44,770

reach Rosslyn Chapel and from Rosslyn

1341

01:08:52,800 --> 01:08:48,430

Chapel they go straight to the pyramids

1342

01:08:55,440 --> 01:08:52,810

in Egypt and this is very interesting

1343

01:08:58,340 --> 01:08:55,450

because the connection has been known

1344

01:09:01,530 --> 01:08:58,350

for centuries you can read about it in a

1345

01:09:04,860 --> 01:09:01,540

15th century manuscript called the

1346

01:09:08,820 --> 01:09:04,870

Scottie crone by an abbot a Scottish

1347

01:09:13,050 --> 01:09:08,830

abbot his name was Walter Bower so when

1348

01:09:17,160 --> 01:09:13,060

I heard that lamp island was for sale I

1349

01:09:20,700 --> 01:09:17,170

felt a very strong instinctive urge to

1350

01:09:23,579 --> 01:09:20,710

buy it and the more I delved into the

1351

01:09:26,910 --> 01:09:23,589

history and the archaeological lore

1352

01:09:29,990 --> 01:09:26,920

which surrounds it the more certain I

1353

01:09:34,770 --> 01:09:30,000

became but this is one of the most

1354

01:09:38,039 --> 01:09:34,780

significant sites in Britain I mean this

1355

01:09:42,329 --> 01:09:38,049

is amazing this island is links not only

1356

01:09:45,539 --> 01:09:42,339

to the pyramids but to King Arthur King

1357

01:09:50,550 --> 01:09:45,549

Robert the Bruce to the ancient kings of

1358

01:09:53,670 --> 01:09:50,560

Ireland incredible and the connections

1359

01:09:56,760 --> 01:09:53,680

to to myth can only be understood by

1360

01:09:59,280 --> 01:09:56,770

tracing ley lines and those you know

1361

01:10:03,210 --> 01:09:59,290

y'all know what ley lines a mysterious

1362

01:10:06,230 --> 01:10:03,220

invisible paths which dowsers claim to

1363

01:10:08,640 --> 01:10:06,240

be able to sense a flowing

1364

01:10:11,810 --> 01:10:08,650

what-do-you-call-it lines of energy too

1365

01:10:14,009 --> 01:10:11,820

many dowsers ley lines are as real as

1366

01:10:20,370 --> 01:10:14,019

streams of underground

1367

01:10:24,569 --> 01:10:20,380

and when I was told that people actually

1368

01:10:28,919 --> 01:10:24,579

seen UFOs over land island I wasn't

1369

01:10:33,120 --> 01:10:28,929

surprised so it's a beacon it's a

1370

01:10:36,359 --> 01:10:33,130

magnetic cousin cosmic some kind of an

1371

01:10:38,790 --> 01:10:36,369

energy point on our planet thank you for

1372

01:10:42,750 --> 01:10:38,800

answering that by the way I just wanted

1373

01:10:44,939 --> 01:10:42,760

to mention a Roxy our listener just like

1374

01:10:47,459 --> 01:10:44,949

many of our listeners are very well

1375

01:10:49,859 --> 01:10:47,469

educated in the area you're speaking of

1376

01:10:52,140 --> 01:10:49,869

she did mention because I actually

1377

01:10:54,839 --> 01:10:52,150

didn't read her entire question part of

1378

01:10:56,669 --> 01:10:54,849

it was was it because of the correlation

1379

01:10:58,319 --> 01:10:56,679

to the Knights Templar as you said the

1380

01:11:00,000 --> 01:10:58,329

island lies in a triangle formed by

1381

01:11:02,189 --> 01:11:00,010

three sites associated with Knights

1382

01:11:03,899 --> 01:11:02,199

Templar or was it because the forum it

1383

01:11:05,879 --> 01:11:03,909

makes with the two other islands fitra

1384

01:11:07,620 --> 01:11:05,889

and Craig's Leith which resembles a

1385

01:11:09,540 --> 01:11:07,630

layout of the Giza pyramids so I think

1386

01:11:11,759 --> 01:11:09,550

that you answered that nicely thank you

1387

01:11:14,970 --> 01:11:11,769

and then the other question I have is

1388

01:11:16,770 --> 01:11:14,980

from Brian Jackson he wants to know

1389

01:11:19,140 --> 01:11:16,780

currently what is your perspective about

1390

01:11:21,479 --> 01:11:19,150

how the CIA remote viewing program has

1391

01:11:23,180 --> 01:11:21,489

evolved do you believe intelligence

1392

01:11:25,680 --> 01:11:23,190

groups are pursuing even more esoteric

1393

01:11:27,720 --> 01:11:25,690

psychic initiatives it sounds like

1394

01:11:29,129 --> 01:11:27,730

that's two different questions I'll go

1395

01:11:31,290 --> 01:11:29,139

ahead and let you know the first one as

1396

01:11:33,569 --> 01:11:31,300

of today Ori what is your perspective

1397

01:11:37,979 --> 01:11:33,579

about how the CIA remote viewing program

1398

01:11:39,959 --> 01:11:37,989

has evolved every intelligence service

1399

01:11:44,939 --> 01:11:39,969

in the world I'm talking about the major

1400

01:11:49,709 --> 01:11:44,949

ones America Russia China Spain Germany

1401

01:11:53,100 --> 01:11:49,719

Italy Britain they all engage remote

1402

01:11:57,600 --> 01:11:53,110

viewers because remote viewers can bring

1403

01:12:02,029 --> 01:11:57,610

in incredibly valid information that

1404

01:12:04,770 --> 01:12:02,039

although our satellites are immensely

1405

01:12:07,589 --> 01:12:04,780

technologically evolved in the Europe

1406

01:12:09,989 --> 01:12:07,599

they can see through clouds today what

1407

01:12:13,080 --> 01:12:09,999

you couldn't see in the 70s there's

1408

01:12:14,750 --> 01:12:13,090

still information that secret services

1409

01:12:18,660 --> 01:12:14,760

cannot put their hands on

1410

01:12:22,589 --> 01:12:18,670

therefore they use intuitive they use

1411

01:12:27,180 --> 01:12:22,599

remote viewers psychic espionage goes on

1412

01:12:27,830 --> 01:12:27,190

all the time and it's cheap you know you

1413

01:12:30,430 --> 01:12:27,840

don't have to

1414

01:12:34,790 --> 01:12:30,440

spend hundreds of millions of dollars

1415

01:12:38,390 --> 01:12:34,800

all you know to do is to take a group of

1416

01:12:41,209 --> 01:12:38,400

psychics intuitive sit them by computers

1417

01:12:43,280 --> 01:12:41,219

in a darkened room and they send their

1418

01:12:46,430 --> 01:12:43,290

mind through space and time and bring

1419

01:12:51,620 --> 01:12:46,440

back information so the answer is yes

1420

01:12:55,820 --> 01:12:51,630

it's ok and I just have two questions

1421

01:12:57,709 --> 01:12:55,830

left early and that's it and that is do

1422

01:13:01,310 --> 01:12:57,719

you believe intelligence groups are

1423

01:13:07,070 --> 01:13:01,320

pursuing even more esoteric psychic

1424

01:13:09,379 --> 01:13:07,080

initiatives by Brian Jackson I repeat

1425

01:13:12,410 --> 01:13:09,389

the question is do you believe

1426

01:13:14,390 --> 01:13:12,420

intelligence groups are pursuing even

1427

01:13:15,890 --> 01:13:14,400

more esoteric psychic initiatives I

1428

01:13:18,040 --> 01:13:15,900

believe he means the intelligence

1429

01:13:19,970 --> 01:13:18,050

community is what he's talking about so

1430

01:13:23,300 --> 01:13:19,980

I'll go ahead and rephrase it

1431

01:13:26,030 --> 01:13:23,310

do you believe intelligence groups in

1432

01:13:28,520 --> 01:13:26,040

the intelligence community are pursuing

1433

01:13:34,450 --> 01:13:28,530

even more esoteric psychic initiatives

1434

01:13:39,260 --> 01:13:34,460

of course but it's all gone deep black

1435

01:13:41,149 --> 01:13:39,270

it's no publicity you won't find it in

1436

01:13:46,010 --> 01:13:41,159

the Washington Post or in the New York

1437

01:13:49,010 --> 01:13:46,020

Times stop top secret what they're doing

1438

01:13:49,729 --> 01:13:49,020

and they have to because the enemy is

1439

01:13:55,879 --> 01:13:49,739

doing it

1440

01:13:59,479 --> 01:13:55,889

do you understand I mean it's incredible

1441

01:14:03,740 --> 01:13:59,489

what I know what's very interesting also

1442

01:14:06,109 --> 01:14:03,750

is that in my museum which will open in

1443

01:14:08,990 --> 01:14:06,119

seven months time I'm actually building

1444

01:14:13,010 --> 01:14:09,000

now the largest spoon in the world it's

1445

01:14:15,530 --> 01:14:13,020

gonna weigh ten tons and the length of

1446

01:14:17,180 --> 01:14:15,540

it will be 18 meters and hopefully I'll

1447

01:14:19,580 --> 01:14:17,190

be able to place it two or three weeks

1448

01:14:23,120 --> 01:14:19,590

from now just before your vision comes

1449

01:14:25,459 --> 01:14:23,130

to Israel I was dancing inside there in

1450

01:14:28,790 --> 01:14:25,469

my museum and you can you can see the

1451

01:14:30,950 --> 01:14:28,800

museum on my website and I felt that

1452

01:14:32,359 --> 01:14:30,960

there's something under the ground I got

1453

01:14:35,390 --> 01:14:32,369

permission from the Israeli Antiquities

1454

01:14:39,680 --> 01:14:35,400

authorities to clear there the earth and

1455

01:14:41,930 --> 01:14:39,690

lo and behold we found a seven eight

1456

01:14:45,470 --> 01:14:41,940

hundred year old so fat

1457

01:14:47,450 --> 01:14:45,480

because at that time the Muslims did not

1458

01:14:50,530 --> 01:14:47,460

buy itself from Europe because it was

1459

01:14:56,290 --> 01:14:50,540

made from pig oil so this is the first

1460

01:14:59,810 --> 01:14:56,300

olive oil soap factory in all Jaffa and

1461

01:15:03,290 --> 01:14:59,820

some of their color archeologists said

1462

01:15:05,630 --> 01:15:03,300

to me well if you can can find if you

1463

01:15:09,040 --> 01:15:05,640

found this what else can you find for us

1464

01:15:13,580 --> 01:15:09,050

and one of them came up to me and said

1465

01:15:15,800 --> 01:15:13,590

can you find the Ark of the Covenant now

1466

01:15:19,160 --> 01:15:15,810

I mean you know the Ark of the Covenant

1467

01:15:23,150 --> 01:15:19,170

ever since the Babylonian captivity of

1468

01:15:25,340 --> 01:15:23,160

Jerusalem in the sixth century BCE their

1469

01:15:28,370 --> 01:15:25,350

whereabouts of the Ark of the Covenant

1470

01:15:30,110 --> 01:15:28,380

has been a mystery you know it has been

1471

01:15:32,840 --> 01:15:30,120

described in the Old Testament of the

1472

01:15:37,100 --> 01:15:32,850

Bible the ark served I said

1473

01:15:40,160 --> 01:15:37,110

visible sign of God's presence to the

1474

01:15:42,890 --> 01:15:40,170

Israelites see it's amazing according to

1475

01:15:46,070 --> 01:15:42,900

the Bible the Ark was last known to have

1476

01:15:49,340 --> 01:15:46,080

rested I think in the Temple of Solomon

1477

01:15:53,390 --> 01:15:49,350

in Jerusalem whether it was destroyed

1478

01:15:55,490 --> 01:15:53,400

stolen moved or remained hidden after

1479

01:15:58,720 --> 01:15:55,500

the Babylonian forces conquered the city

1480

01:16:05,000 --> 01:15:58,730

and leveled the temple in I think it was

1481

01:16:06,680 --> 01:16:05,010

587 BCE is not known but and in another

1482

01:16:10,610 --> 01:16:06,690

by the way in another mystery concerning

1483

01:16:13,910 --> 01:16:10,620

the Ark is its content the Ark is said

1484

01:16:17,960 --> 01:16:13,920

to contain numerous sacred relics

1485

01:16:21,710 --> 01:16:17,970

including the tables of the law of the

1486

01:16:23,000 --> 01:16:21,720

law from God that Moses brought back

1487

01:16:27,320 --> 01:16:23,010

from Mount Sinai

1488

01:16:31,540 --> 01:16:27,330

this is unbelievable now here is the

1489

01:16:35,170 --> 01:16:31,550

other twist the ark possessed a

1490

01:16:38,210 --> 01:16:35,180

supernatural power that awed and

1491

01:16:45,350 --> 01:16:38,220

overwhelmed those who viewed it and it

1492

01:16:49,880 --> 01:16:45,360

served also as means through which God

1493

01:16:50,810 --> 01:16:49,890

could express his will now this is so

1494

01:16:52,560 --> 01:16:50,820

amazing

1495

01:16:57,000 --> 01:16:52,570

so fine

1496

01:16:59,690 --> 01:16:57,010

tastic that a lot of people tell me that

1497

01:17:04,500 --> 01:16:59,700

maybe that itself was an

1498

01:17:07,440 --> 01:17:04,510

extraterrestrial energy involved with

1499

01:17:11,630 --> 01:17:07,450

the Ark of the Covenant and I'm about to

1500

01:17:15,240 --> 01:17:11,640

go out and look for it I'm gonna set out

1501

01:17:19,650 --> 01:17:15,250

probably this summer or maybe next year

1502

01:17:21,240 --> 01:17:19,660

and I think I know where it is what's

1503

01:17:22,280 --> 01:17:21,250

extraordinary is I was actually going to

1504

01:17:25,860 --> 01:17:22,290

ask you about that

1505

01:17:28,440 --> 01:17:25,870

the ark and you just covered it hurry I

1506

01:17:29,910 --> 01:17:28,450

had I wanted to go over your Museum but

1507

01:17:31,800 --> 01:17:29,920

she brought it up and I'm really glad

1508

01:17:33,660 --> 01:17:31,810

that you did because it's very important

1509

01:17:35,340 --> 01:17:33,670

for people to understand that you've

1510

01:17:38,370 --> 01:17:35,350

worked very hard on this museum and that

1511

01:17:41,340 --> 01:17:38,380

you're seven months away from being able

1512

01:17:43,050 --> 01:17:41,350

to finish it and it has a an

1513

01:17:45,240 --> 01:17:43,060

extraordinary collection of eclectic

1514

01:17:47,160 --> 01:17:45,250

items in it do you mind

1515

01:17:48,420 --> 01:17:47,170

naming a few of the items that you plan

1516

01:17:52,710 --> 01:17:48,430

on having in your Museum

1517

01:17:56,640 --> 01:17:52,720

oh the reason I'm calling it the regular

1518

01:17:58,890 --> 01:17:56,650

museum is because I'm going to display

1519

01:18:00,720 --> 01:17:58,900

gifts that I got from quite

1520

01:18:01,920 --> 01:18:00,730

extraordinary people like I work with

1521

01:18:06,530 --> 01:18:01,930

Salvador Dali

1522

01:18:13,980 --> 01:18:06,540

he gave me sculptures and the Warhol

1523

01:18:16,890 --> 01:18:13,990

painting David Bowie pika so the there

1524

01:18:20,310 --> 01:18:16,900

will be sculptures are very unusual by

1525

01:18:22,440 --> 01:18:20,320

British artists I've got the pipe that

1526

01:18:24,630 --> 01:18:22,450

belonged to Albert Einstein in an

1527

01:18:27,120 --> 01:18:24,640

amazing letter that he has written to

1528

01:18:28,920 --> 01:18:27,130

David Bohm and the reason I got the

1529

01:18:29,850 --> 01:18:28,930

letter is because I knew David Bowie

1530

01:18:33,810 --> 01:18:29,860

studied me

1531

01:18:38,880 --> 01:18:33,820

I've got Freud's Sigmund Freud's pipe

1532

01:18:41,220 --> 01:18:38,890

I've got sedan Sadat's pipe there will

1533

01:18:45,450 --> 01:18:41,230

be oh in my Cadillac

1534

01:18:46,710 --> 01:18:45,460

that my Cadillac actually a 7 1976

1535

01:18:49,740 --> 01:18:46,720

Fleetwood Brougham

1536

01:18:52,800 --> 01:18:49,750

it's so unusual that it stood in the

1537

01:18:55,410 --> 01:18:52,810

museum Israel for a year and from there

1538

01:18:58,230 --> 01:18:55,420

it went to the visionary Museum of Art

1539

01:19:01,640 --> 01:18:58,240

in Baltimore and from them there to many

1540

01:19:03,980 --> 01:19:01,650

other museums because I covered it with

1541

01:19:06,360 --> 01:19:03,990

2000 bent spoons

1542

01:19:09,050 --> 01:19:06,370

most of the spoons belong to

1543

01:19:14,430 --> 01:19:09,060

people like the Pope like Mick Jagger

1544

01:19:17,490 --> 01:19:14,440

like Kennedy Muhammad Ali I Michael

1545

01:19:22,560 --> 01:19:17,500

Jackson I mean I can go on Elvis Presley

1546

01:19:25,260 --> 01:19:22,570

and the most extraordinary item is the

1547

01:19:27,120 --> 01:19:25,270

mascot of the Cadillac and here is the

1548

01:19:31,200 --> 01:19:27,130

story and with this we'll end the

1549

01:19:33,780 --> 01:19:31,210

interview in the early 70s Salvador Dali

1550

01:19:37,020 --> 01:19:33,790

I freaked out from my powers you know

1551

01:19:40,080 --> 01:19:37,030

here already in the 30s he painted the

1552

01:19:42,620 --> 01:19:40,090

benz food so suddenly comes this young

1553

01:19:46,080 --> 01:19:42,630

guy from Israel bend the spoon cream and

1554

01:19:49,260 --> 01:19:46,090

he blows his mind because you know you

1555

01:19:52,560 --> 01:19:49,270

can only bend spoons on canvas see

1556

01:19:57,410 --> 01:19:52,570

realistically so he brings out from his

1557

01:20:00,660 --> 01:19:57,420

bedroom a beautiful rock crystal sphere

1558

01:20:02,490 --> 01:20:00,670

you know rock crystal is gorgeous and he

1559

01:20:04,650 --> 01:20:02,500

hands it to me and he says I want you to

1560

01:20:08,040 --> 01:20:04,660

have this as a gift this belonged to

1561

01:20:12,240 --> 01:20:08,050

learn out of the Vinci so I smiled I

1562

01:20:15,240 --> 01:20:12,250

didn't believe him and I looked at my

1563

01:20:16,200 --> 01:20:15,250

brother-in-law he also smiled we thought

1564

01:20:18,540 --> 01:20:16,210

it was a joke

1565

01:20:22,770 --> 01:20:18,550

but I took it because it's so beautiful

1566

01:20:25,170 --> 01:20:22,780

and heavy so I can't read it into my

1567

01:20:27,870 --> 01:20:25,180

homes I put it here and I put it there

1568

01:20:31,380 --> 01:20:27,880

and in the end I decided to put it on it

1569

01:20:34,380 --> 01:20:31,390

on three bent forks which would look

1570

01:20:36,810 --> 01:20:34,390

it's the tongues of the folks would hold

1571

01:20:39,660 --> 01:20:36,820

the sphere onto the Cadillac and that

1572

01:20:40,280 --> 01:20:39,670

was a mascot of the Cadillac now listen

1573

01:20:43,710 --> 01:20:40,290

to this

1574

01:20:47,610 --> 01:20:43,720

just before I made a comeback to Israel

1575

01:20:50,520 --> 01:20:47,620

three years ago I opened the Times in

1576

01:20:53,610 --> 01:20:50,530

London and I read an interesting story

1577

01:20:57,380 --> 01:20:53,620

about alone our da Vinci painting that

1578

01:21:03,630 --> 01:20:57,390

was found in an attic of a house of

1579

01:21:07,800 --> 01:21:03,640

Jesus Christ what is Jesus Christ

1580

01:21:15,180 --> 01:21:07,810

holding in his hair my rock

1581

01:21:17,970 --> 01:21:15,190

Christian the Dali wasn't joking I don't

1582

01:21:20,100 --> 01:21:17,980

know how Dali got the crystal but

1583

01:21:22,740 --> 01:21:20,110

because he was who he was

1584

01:21:26,310 --> 01:21:22,750

somebody probably you know I don't know

1585

01:21:29,910 --> 01:21:26,320

from the Givenchy family and gave it to

1586

01:21:31,920 --> 01:21:29,920

him and he gave it to me and the reason

1587

01:21:39,510 --> 01:21:31,930

I know it's the same crystal is because

1588

01:21:42,600 --> 01:21:39,520

I screamed to my wife and it's identical

1589

01:21:45,420 --> 01:21:42,610

the painting is called Salvador Mundi

1590

01:21:49,170 --> 01:21:45,430

you can google it and the painting was

1591

01:21:54,060 --> 01:21:49,180

sold just recently for are you holding

1592

01:21:57,960 --> 01:21:54,070

are you sitting down I am I sold for 450

1593

01:22:03,450 --> 01:21:57,970

million dollars to the louver in Abu

1594

01:22:07,640 --> 01:22:03,460

Dhabi amazing and I have that crystal so

1595

01:22:11,550 --> 01:22:07,650

the museum will have such eclectic and

1596

01:22:14,610 --> 01:22:11,560

interesting collection of gifts I

1597

01:22:18,210 --> 01:22:14,620

received from very unusual people

1598

01:22:22,650 --> 01:22:18,220

so listen Frank I would like to end the

1599

01:22:26,160 --> 01:22:22,660

interview by saying the following this

1600

01:22:28,260 --> 01:22:26,170

is important a few things and you can

1601
01:22:29,210 --> 01:22:28,270
keep me all until I finish what I want

1602
01:22:33,710 --> 01:22:29,220
to say

1603
01:22:37,140 --> 01:22:33,720
Albert Einstein said I know it by heart

1604
01:22:40,440 --> 01:22:37,150
this is Albert Einstein the most

1605
01:22:44,250 --> 01:22:40,450
beautiful thing we can experience is the

1606
01:22:49,200 --> 01:22:44,260
mysterious it is the source of all true

1607
01:22:54,060 --> 01:22:49,210
art and science he to whom this emotion

1608
01:22:58,770 --> 01:22:54,070
is a stranger who can no longer pause to

1609
01:23:04,980 --> 01:22:58,780
wonder and stand rapt in all is as good

1610
01:23:07,650 --> 01:23:04,990
as dead his eyes are closed and Albert

1611
01:23:12,060 --> 01:23:07,660
said the only real valuable thing is

1612
01:23:17,130 --> 01:23:12,070
intuition and when I get hundreds of

1613
01:23:21,180 --> 01:23:17,140

emails a week I get about 300 a day and

1614

01:23:23,430 --> 01:23:21,190

many many come from young people who say

1615

01:23:25,470 --> 01:23:23,440

to me all mr. Geller please teach us how

1616

01:23:27,240 --> 01:23:25,480

to bend the spoon because you know spoon

1617

01:23:29,190 --> 01:23:27,250

bending became iconic you know George

1618

01:23:29,610 --> 01:23:29,200

Clooney played me Robert De Niro played

1619

01:23:33,300 --> 01:23:29,620

me

1620

01:23:35,490 --> 01:23:33,310

and I know

1621

01:23:38,700 --> 01:23:35,500

I'm sounding like I'm boasting now are

1622

01:23:41,700 --> 01:23:38,710

showing off big rock band sing about me

1623

01:23:44,040 --> 01:23:41,710

and so on so when kids ask me to teach

1624

01:23:46,620 --> 01:23:44,050

you how to be in the spoon my answer is

1625

01:23:50,190 --> 01:23:46,630

is the following I say to them

1626
01:23:52,640 --> 01:23:50,200
forget spoon bending instead focus on

1627
01:23:56,190 --> 01:23:52,650
school believe in yourself

1628
01:23:59,460 --> 01:23:56,200
start thinking positive become a

1629
01:24:00,600 --> 01:23:59,470
positive thinker create a target goal to

1630
01:24:04,020 --> 01:24:00,610
go to university

1631
01:24:06,930 --> 01:24:04,030
never ever smoke never ever touch drugs

1632
01:24:09,150 --> 01:24:06,940
always think of success because if you

1633
01:24:11,100 --> 01:24:09,160
can go there with your mind you can go

1634
01:24:13,380 --> 01:24:11,110
there with your body because whatever

1635
01:24:16,230 --> 01:24:13,390
you can visualize you can materialize

1636
01:24:20,220 --> 01:24:16,240
and there's nothing that you cannot be

1637
01:24:25,470 --> 01:24:20,230
do or have because we are the architects

1638
01:24:27,750 --> 01:24:25,480

of our own lives so whatever you did

1639

01:24:30,240 --> 01:24:27,760

01:25:33,510 --> 01:25:31,180
answer you know to 300 emails a day but

1663
01:25:39,780 --> 01:25:33,520

that's what I get from from around the

1664

01:25:42,390 --> 01:25:39,790

world so god bless lots of love and tons

1665

01:25:45,899 --> 01:25:42,400

of positive energy good night thank you

1666

01:25:53,010 --> 01:25:49,350

and there we have it chant Hanna that

1667

01:25:55,229 --> 01:25:53,020

was a fantastic show I think yes it was

1668

01:25:57,600 --> 01:25:55,239

absolutely fabulous you and I were

1669

01:25:58,439 --> 01:25:57,610

talking before the show about how this

1670

01:26:00,750 --> 01:25:58,449

would be a once-in-a-lifetime

1671

01:26:02,459 --> 01:26:00,760

opportunity and we will always remember

1672

01:26:04,140 --> 01:26:02,469

this for the rest of our lives and I

1673

01:26:06,660 --> 01:26:04,150

have to concur with you on that Frank

1674

01:26:10,470 --> 01:26:06,670

I'm really touched by this interview and

1675

01:26:12,090 --> 01:26:10,480

I really feel like all of our listeners

1676

01:26:13,950 --> 01:26:12,100

have been gifted with having the

1677

01:26:17,370 --> 01:26:13,960

privilege and opportunity to listen to a

1678

01:26:18,930 --> 01:26:17,380

great man yep no doubt about it and I do

1679

01:26:21,149 --> 01:26:18,940

want to get in a little plug for our old

1680

01:26:24,540 --> 01:26:21,159

friend Danny silver from silver record

1681

01:26:26,610 --> 01:26:24,550

calm react he we had his question on the

1682

01:26:29,280 --> 01:26:26,620

list talking about the orb experience

1683

01:26:30,720 --> 01:26:29,290

and her he got to it before we had asked

1684

01:26:32,340 --> 01:26:30,730

the question so he hovered in some

1685

01:26:33,810 --> 01:26:32,350

detail there was no point in asking but

1686

01:26:37,770 --> 01:26:33,820

I did want to give a shout out to Danny

1687

01:26:40,919 --> 01:26:37,780

and so a happy Easter to everyone was

1688

01:26:42,689 --> 01:26:40,929

not expecting to work on a holiday but

1689

01:26:45,990 --> 01:26:42,699

here we are but I think it was worth it

1690

01:26:47,430 --> 01:26:46,000

yes happy holiday to everybody and we

1691

01:26:49,649 --> 01:26:47,440

thank you very much to our listeners

1692

01:26:51,870 --> 01:26:49,659

this was a big deal as soon as we

1693

01:26:54,120 --> 01:26:51,880

announced this to the UFO community that

1694

01:26:57,360 --> 01:26:54,130

we had the opportunity to interview

1695

01:26:58,830 --> 01:26:57,370

early everybody jumped in to support us

1696

01:27:02,640 --> 01:26:58,840
