

ANDREW RAZ

DISCUSSES HIS CONTACT
EXPERIENCES IN THE USA AND
AUSTRALIA

UFONN
SUNDAY

1
00:00:42,939 --> 00:00:40,510
and good evening from Philadelphia Frank

2
00:00:46,540 --> 00:00:42,949
here with yet another edition of UFO

3
00:00:48,729 --> 00:00:46,550
news network Sunday and my usual co-host

4
00:00:53,579 --> 00:00:48,739
chant Hannah is off tonight

5
00:00:57,790 --> 00:00:53,589
so we are going to go it alone and

6
00:01:02,079 --> 00:00:57,800
tonight my guest is my old pal Andrew R

7
00:01:04,329 --> 00:01:02,089
as awaits from New York now in Australia

8
00:01:05,079 --> 00:01:04,339
Raz thanks for coming on tonight sure -

9
00:01:07,120 --> 00:01:05,089
appreciate it

10
00:01:08,889 --> 00:01:07,130
oh absolutely Frank it's a pleasure to

11
00:01:10,660 --> 00:01:08,899
be on it's great to reconnect you again

12
00:01:13,749 --> 00:01:10,670
yeah it's been a while since we talked

13
00:01:16,180 --> 00:01:13,759

directly but Raz is a great guy's got a

14

00:01:19,540 --> 00:01:16,190

lot of great contact the experiences

15

00:01:22,029 --> 00:01:19,550

primarily but one thing I I must say

16

00:01:23,350 --> 00:01:22,039

Reza you've been in Australia maybe I

17

00:01:25,270 --> 00:01:23,360

don't know six eight months now

18

00:01:27,070 --> 00:01:25,280

something along those lines and you have

19

00:01:29,859 --> 00:01:27,080

completely lost your New York accent

20

00:01:32,620 --> 00:01:29,869

this is amazing this really impresses me

21

00:01:33,940 --> 00:01:32,630

you know you've blended right in some

22

00:01:35,260 --> 00:01:33,950

heads when you're walking around there

23

00:01:37,540 --> 00:01:35,270

and you start opening your mouth don't

24

00:01:39,190 --> 00:01:37,550

ya oh absolutely I mean they sort of

25

00:01:40,449 --> 00:01:39,200

think I have an accent but yeah it's

26

00:01:42,990 --> 00:01:40,459

pretty cool talking to people from back

27

00:01:47,620 --> 00:01:43,000

home and here in the difference now yeah

28

00:01:49,749 --> 00:01:47,630

so what I'm gonna do is that let's kind

29

00:01:51,609 --> 00:01:49,759

of start it how you ended up in

30

00:01:53,790 --> 00:01:51,619

Australia in the first place obviously

31

00:01:57,100 --> 00:01:53,800

you were in New York cher fighter and

32

00:01:58,749 --> 00:01:57,110

you've got you're getting quite a bit of

33

00:02:01,119 --> 00:01:58,759

press a nice little article there in the

34

00:02:03,699 --> 00:02:01,129

New York Post and getting some attention

35

00:02:06,729 --> 00:02:03,709

and then all of a sudden you end up down

36

00:02:08,889 --> 00:02:06,739

in Australia why I know why you did it

37

00:02:09,669 --> 00:02:08,899

but that tell the folks at home why you

38

00:02:13,240 --> 00:02:09,679

did that

39

00:02:15,550 --> 00:02:13,250

oh absolutely so the easiest way to sum

40

00:02:18,910 --> 00:02:15,560

this up basically my first connection to

41

00:02:20,979 --> 00:02:18,920

Australia was marry rod well now I had

42

00:02:21,880 --> 00:02:20,989

heard of marry rod well being a famous

43

00:02:24,660 --> 00:02:21,890

researcher

44

00:02:27,280 --> 00:02:24,670

through ray Hernandez and some other

45

00:02:29,080 --> 00:02:27,290

ufology people out there but I did not

46

00:02:31,900 --> 00:02:29,090

know her personally

47

00:02:35,320 --> 00:02:31,910

and then I did an interview with Michael

48

00:02:38,430 --> 00:02:35,330

Harrell in December of 2017 I believe

49

00:02:40,660 --> 00:02:38,440

and while we were doing the interview

50

00:02:43,660 --> 00:02:40,670

something happened while he was speaking

51
00:02:45,789 --> 00:02:43,670
to me he said you're turning blue and I

52
00:02:47,500 --> 00:02:45,799
said what he goes you're turning blue I

53
00:02:49,850 --> 00:02:47,510
go what are you talking about I'm not

54
00:02:51,920 --> 00:02:49,860
blue and I started looking at these

55
00:02:53,570 --> 00:02:51,930
which we were doing like it was like a

56
00:02:56,090 --> 00:02:53,580
Skype interview that he put on YouTube

57
00:02:57,950 --> 00:02:56,100
and you could see as I would talk I

58
00:03:00,620 --> 00:02:57,960
would start to turn different shades of

59
00:03:03,020 --> 00:03:00,630
blue even so like a real dark blue now I

60
00:03:05,660 --> 00:03:03,030
hadn't previously experienced that I

61
00:03:06,770 --> 00:03:05,670
didn't know what it was I had no idea I

62
00:03:10,070 --> 00:03:06,780
just I didn't know if it was an

63
00:03:13,370 --> 00:03:10,080

equipment malfunction or something else

64

00:03:14,930 --> 00:03:13,380

so Michael was great because he said to

65

00:03:18,560 --> 00:03:14,940

me he said Andrew I think what's going

66

00:03:20,690 --> 00:03:18,570

on is you're experiencing a 4d reality

67

00:03:22,520 --> 00:03:20,700

like a fourth dimensional experience so

68

00:03:25,370 --> 00:03:22,530

why don't we tap into this I had never

69

00:03:28,699 --> 00:03:25,380

done that with someone before so I just

70

00:03:31,760 --> 00:03:28,709

continued to share my story and as I

71

00:03:34,820 --> 00:03:31,770

kept talking about certain spiritual

72

00:03:37,880 --> 00:03:34,830

experiences then I start the color

73

00:03:39,650 --> 00:03:37,890

started to change so we did this

74

00:03:42,740 --> 00:03:39,660

interview and it was about two hours

75

00:03:45,650 --> 00:03:42,750

that he recorded and he decided to post

76
00:03:47,480 --> 00:03:45,660
it and of course we got some interesting

77
00:03:49,880 --> 00:03:47,490
feedback to say the least some people

78
00:03:51,920 --> 00:03:49,890
were saying flat out this is a fraud

79
00:03:54,770 --> 00:03:51,930
you're lying you're faking this you're

80
00:03:56,240 --> 00:03:54,780
doing also it's a nonsense and I just

81
00:03:58,430 --> 00:03:56,250
said I don't know what's going on I

82
00:04:01,400 --> 00:03:58,440
can't really say I just know I've never

83
00:04:04,340 --> 00:04:01,410
had this happen before well Mary Rodwell

84
00:04:07,009 --> 00:04:04,350
saw this video and she reached out to me

85
00:04:09,530 --> 00:04:07,019
and posted on the page that of Michael

86
00:04:11,300 --> 00:04:09,540
Harold's page and said I'd like to talk

87
00:04:14,300 --> 00:04:11,310
to Andrew about this I feel that he's

88
00:04:16,580 --> 00:04:14,310

activating his DNA now that's the first

89

00:04:20,900 --> 00:04:16,590

time I had heard that phrase use DNA

90

00:04:22,640 --> 00:04:20,910

activation so I contacted Mary and I

91

00:04:24,350 --> 00:04:22,650

just said all right you know what do you

92

00:04:26,270 --> 00:04:24,360

think you know I don't know but you have

93

00:04:28,250 --> 00:04:26,280

a lot of experience with this and she

94

00:04:30,530 --> 00:04:28,260

says well I'd like to do a session with

95

00:04:33,320 --> 00:04:30,540

you and do a regression and see what

96

00:04:35,810 --> 00:04:33,330

comes up now I had never prior to that

97

00:04:38,090 --> 00:04:35,820

done a regression and I was not for them

98

00:04:40,790 --> 00:04:38,100

I was very iffy about getting regressed

99

00:04:43,490 --> 00:04:40,800

I didn't want to look outside of what I

100

00:04:45,400 --> 00:04:43,500

couldn't see around me because my

101
00:04:47,960 --> 00:04:45,410
experiences had been going outside

102
00:04:50,210 --> 00:04:47,970
seeing things photographing them

103
00:04:52,760 --> 00:04:50,220
videotaping them and I didn't want to go

104
00:04:55,280 --> 00:04:52,770
into Fantasyland with anyone and I miss

105
00:04:57,950 --> 00:04:55,290
involves hypnosis and all that yeah this

106
00:05:00,050 --> 00:04:57,960
is a hypnosis regression and she said

107
00:05:02,450 --> 00:05:00,060
you know she said I will let you record

108
00:05:03,290 --> 00:05:02,460
this you know and both ends I'll record

109
00:05:06,530 --> 00:05:03,300
it you record

110
00:05:08,780 --> 00:05:06,540
and I like I said I had never done this

111
00:05:10,190 --> 00:05:08,790
before so I didn't know exactly her

112
00:05:12,890 --> 00:05:10,200
method or how we were going to do this

113
00:05:14,570 --> 00:05:12,900

but I trusted her enough and of course

114

00:05:16,430 --> 00:05:14,580

something internally was telling me

115

00:05:18,890 --> 00:05:16,440

listen to her the lady has a lot of

116

00:05:20,090 --> 00:05:18,900

experience and just remain open and I

117

00:05:21,350 --> 00:05:20,100

think that's very important through this

118

00:05:23,720 --> 00:05:21,360

whole process and through this whole

119

00:05:26,300 --> 00:05:23,730

phenomena is for all of us to remain

120

00:05:28,490 --> 00:05:26,310

open and so we have proof of something

121

00:05:31,040 --> 00:05:28,500

not being accurate and not being true I

122

00:05:33,440 --> 00:05:31,050

like to look into things do my homework

123

00:05:37,040 --> 00:05:33,450

do my research before I just make a

124

00:05:38,870 --> 00:05:37,050

judgement on anything or anyone so I was

125

00:05:42,350 --> 00:05:38,880

open to Mary doing this I recorded it

126

00:05:45,410 --> 00:05:42,360

and she put me under and about 40

127

00:05:48,470 --> 00:05:45,420

minutes later she's like Andrew you were

128

00:05:50,560 --> 00:05:48,480

turning blue the entire time during the

129

00:05:54,770 --> 00:05:50,570

regression she does that's impossible I

130

00:05:56,600 --> 00:05:54,780

said okay so what do I do next and she

131

00:05:58,250 --> 00:05:56,610

said well you got to find a geneticist

132

00:06:01,280 --> 00:05:58,260

she goes I think you're activating

133

00:06:03,860 --> 00:06:01,290

something in your DNA but I don't have

134

00:06:06,620 --> 00:06:03,870

the equipment to test your DNA so you

135

00:06:08,960 --> 00:06:06,630

know if you can find a geneticist and

136

00:06:10,760 --> 00:06:08,970

you know somebody to look into this we

137

00:06:12,260 --> 00:06:10,770

get your DNA tested or at least get

138

00:06:16,490 --> 00:06:12,270

their opinion and see where to go from

139

00:06:18,740 --> 00:06:16,500

there so now for me being a New York

140

00:06:21,500 --> 00:06:18,750

City firefighter it's not exactly easy

141

00:06:23,540 --> 00:06:21,510

for me to walk into a geneticists office

142

00:06:24,980 --> 00:06:23,550

in Manhattan and say hey yeah I'm

143

00:06:25,610 --> 00:06:24,990

turning blue I think something's wrong

144

00:06:29,540 --> 00:06:25,620

with me

145

00:06:31,430 --> 00:06:29,550

they might refer me to get some mental

146

00:06:33,560 --> 00:06:31,440

help or some therapy you know that's not

147

00:06:35,570 --> 00:06:33,570

a normal thing for a geneticist to hear

148

00:06:37,490 --> 00:06:35,580

so I had to keep in mind and be mindful

149

00:06:40,460 --> 00:06:37,500

that I have to find a geneticist that

150

00:06:42,320 --> 00:06:40,470

would be open-minded and I don't know

151

00:06:45,650 --> 00:06:42,330

Jim a geneticist I really didn't know

152

00:06:48,950 --> 00:06:45,660

any but through a few mutual friends I

153

00:06:51,830 --> 00:06:48,960

was connected with dr. Gary Nolan and I

154

00:06:54,500 --> 00:06:51,840

reached out to him sent him some

155

00:06:56,150 --> 00:06:54,510

pictures I had taken some video but most

156

00:06:58,880 --> 00:06:56,160

importantly he was interested in hearing

157

00:07:02,060 --> 00:06:58,890

my experience and I told him my

158

00:07:03,500 --> 00:07:02,070

experiences we spoke and he said to me

159

00:07:05,630 --> 00:07:03,510

he said you know I I definitely feel

160

00:07:08,570 --> 00:07:05,640

something is going on I don't think

161

00:07:11,000 --> 00:07:08,580

you're crazy he goes but not everyone

162

00:07:14,180 --> 00:07:11,010

experiences this he said what I feel is

163

00:07:16,670 --> 00:07:14,190

going on my initial assessment is he

164

00:07:17,240 --> 00:07:16,680

said inside of our brains some people

165

00:07:19,460 --> 00:07:17,250

have a

166

00:07:23,090 --> 00:07:19,470

within the brain it's called an antenna

167

00:07:26,450 --> 00:07:23,100

and he said somehow you're activating

168

00:07:29,450 --> 00:07:26,460

this antenna and you're able to send and

169

00:07:32,450 --> 00:07:29,460

receive which is why you might be

170

00:07:34,670 --> 00:07:32,460

experiencing something's changing color

171

00:07:37,010 --> 00:07:34,680

or shape while you take pictures and

172

00:07:39,050 --> 00:07:37,020

videos not to say that your skin is

173

00:07:40,670 --> 00:07:39,060

actually turning blue right people

174

00:07:44,690 --> 00:07:40,680

aren't seeing this in the room with you

175

00:07:46,460 --> 00:07:44,700

they're only seeing it well at that at

176

00:07:48,290 --> 00:07:46,470

that point when people were seeing this

177

00:07:50,990 --> 00:07:48,300

through video yes that was true however

178

00:07:53,420 --> 00:07:51,000

we'll get to this later on in meditation

179

00:07:55,820 --> 00:07:53,430

circles meditation circles that I've

180

00:07:57,830 --> 00:07:55,830

been part of three years people have

181

00:08:00,950 --> 00:07:57,840

told me and they still have told me even

182

00:08:03,440 --> 00:08:00,960

people in Australia they claim they had

183

00:08:04,550 --> 00:08:03,450

seen me changing color but of course

184

00:08:06,440 --> 00:08:04,560

that's open to debate

185

00:08:08,810 --> 00:08:06,450

all I know is something happened on that

186

00:08:11,090 --> 00:08:08,820

video that got the attention of Mary and

187

00:08:13,640 --> 00:08:11,100

Gary Nolan - pretty well-established

188

00:08:14,659 --> 00:08:13,650

people in these fields so I'm just

189

00:08:17,810 --> 00:08:14,669

rolling with that for now

190

00:08:20,180 --> 00:08:17,820

and I I spoke with Gary Nolan at length

191

00:08:21,770 --> 00:08:20,190

about this and he said well actually you

192

00:08:24,050 --> 00:08:21,780

know if you're interested he goes we

193

00:08:25,820 --> 00:08:24,060

actually have different programs out

194

00:08:27,860 --> 00:08:25,830

there where we're looking into people

195

00:08:30,080 --> 00:08:27,870

that are experiencing this type of

196

00:08:32,510 --> 00:08:30,090

phenomena we we feel that there may be a

197

00:08:34,459 --> 00:08:32,520

genetic link he said as any of your

198

00:08:36,649 --> 00:08:34,469

relatives experiences I said well I have

199

00:08:38,390 --> 00:08:36,659

a brother and yeah me and my brother

200

00:08:41,750 --> 00:08:38,400

have experienced the phenomena forever

201
00:08:44,120 --> 00:08:41,760
you know absolutely my parents yes my

202
00:08:46,220 --> 00:08:44,130
parents my grandparents aunts uncles so

203
00:08:48,920 --> 00:08:46,230
I would say that qualifies as relatives

204
00:08:50,930 --> 00:08:48,930
as well and now I don't have to get my

205
00:08:53,030 --> 00:08:50,940
DNA tests did you know that I just know

206
00:08:54,410 --> 00:08:53,040
that from my life experience we've all

207
00:08:56,930 --> 00:08:54,420
looks we've all experienced these things

208
00:08:59,120 --> 00:08:56,940
however I'm the person that has brought

209
00:09:00,740 --> 00:08:59,130
this forward people in my family they

210
00:09:03,050 --> 00:09:00,750
don't want to come forward and share

211
00:09:05,810 --> 00:09:03,060
their experience and I respect that this

212
00:09:08,000 --> 00:09:05,820
is not for everyone to talk about on a

213
00:09:10,910 --> 00:09:08,010

radio show or to end up in the newspaper

214

00:09:13,850 --> 00:09:10,920

or that I've experienced which we'll get

215

00:09:14,210 --> 00:09:13,860

into of course so I have no problem with

216

00:09:17,180 --> 00:09:14,220

that

217

00:09:19,579 --> 00:09:17,190

so Gary Nolan has been very helpful I'd

218

00:09:22,070 --> 00:09:19,589

sent you know several correspondences

219

00:09:24,260 --> 00:09:22,080

back and forth we've spoken we Skyped

220

00:09:26,930 --> 00:09:24,270

all that stuff and we've been in touch

221

00:09:28,760 --> 00:09:26,940

now for over a year and he's been

222

00:09:30,280 --> 00:09:28,770

extremely helpful with me making sense

223

00:09:32,680 --> 00:09:30,290

of this stuff

224

00:09:33,879 --> 00:09:32,690

so I have to thank him you know everyone

225

00:09:35,949 --> 00:09:33,889

doesn't get along in this world of

226

00:09:37,509 --> 00:09:35,959

ufology it's a shame but there's been a

227

00:09:39,519 --> 00:09:37,519

lot of great people that have helped me

228

00:09:41,170 --> 00:09:39,529

along the way that may not get along I

229

00:09:42,790 --> 00:09:41,180

don't care about that stuff I'm not here

230

00:09:44,230 --> 00:09:42,800

to take sides I'm here because I'm

231

00:09:46,509 --> 00:09:44,240

grateful for the people that have helped

232

00:09:48,189 --> 00:09:46,519

me and stayed by my side through this

233

00:09:52,210 --> 00:09:48,199

train I mean it's like an up-and-down

234

00:09:56,139 --> 00:09:52,220

roller coaster at times so I meet Gary

235

00:09:58,090 --> 00:09:56,149

this is like last I guess January

236

00:09:59,680 --> 00:09:58,100

February right around that time and then

237

00:10:02,530 --> 00:09:59,690

we stayed in touch and we're still in

238

00:10:04,990 --> 00:10:02,540

touch to this day and I had said to Mary

239

00:10:05,530 --> 00:10:05,000

rod well I go well I have a month loss

240

00:10:08,259 --> 00:10:05,540

and March

241

00:10:10,210 --> 00:10:08,269

I'd like to come to Australia you know

242

00:10:11,620 --> 00:10:10,220

and she goes great I go I'd love to get

243

00:10:13,689 --> 00:10:11,630

together with you in person

244

00:10:15,850 --> 00:10:13,699

because once again we did this all

245

00:10:18,280 --> 00:10:15,860

through video at first but I'm a face to

246

00:10:20,470 --> 00:10:18,290

face in the mud kind of person when I

247

00:10:23,110 --> 00:10:20,480

have experiences that's just the way I

248

00:10:25,329 --> 00:10:23,120

am and it wasn't enough for me just to

249

00:10:27,250 --> 00:10:25,339

do a video and a skype thing and talk on

250

00:10:30,040 --> 00:10:27,260

the internet that's great but I love

251

00:10:32,050 --> 00:10:30,050

going and doing field work so I'm

252

00:10:36,160 --> 00:10:32,060

getting prepped to go over to Australia

253

00:10:39,730 --> 00:10:36,170

and then I get a request a friend

254

00:10:42,009 --> 00:10:39,740

request from a girl named Jessica who

255

00:10:44,230 --> 00:10:42,019

says you know hey how are you you know I

256

00:10:46,389 --> 00:10:44,240

saw one of your interviews I know your

257

00:10:47,860 --> 00:10:46,399

friends Mary and I go oh so we're here

258

00:10:49,840 --> 00:10:47,870

we had one mutual friend on Facebook

259

00:10:51,460 --> 00:10:49,850

very Rodwell why but what are the

260

00:10:53,050 --> 00:10:51,470

chances of this right so I'm like well I

261

00:10:54,699 --> 00:10:53,060

just happened to be coming to Australia

262

00:10:56,110 --> 00:10:54,709

I'm leaving in like a week or two well

263

00:10:57,579 --> 00:10:56,120

you want to meet up I mean at some point

264

00:11:00,550 --> 00:10:57,589

I could meet up him there for like a

265

00:11:01,990 --> 00:11:00,560

month she goes yeah sure so that's all I

266

00:11:04,480 --> 00:11:02,000

was thinking at the moment I flew to

267

00:11:05,980 --> 00:11:04,490

Australia I ended up staying with Mary

268

00:11:08,590 --> 00:11:05,990

rod Wells son who lives right in her

269

00:11:10,060 --> 00:11:08,600

neighborhood and he's a great guy Timmy

270

00:11:12,730 --> 00:11:10,070

what a great great guy him and his wife

271

00:11:16,300 --> 00:11:12,740

and sister a lot of good good people

272

00:11:18,069 --> 00:11:16,310

what's amazing this is all the way up

273

00:11:20,949 --> 00:11:18,079

like the North Shore it's called a

274

00:11:22,329 --> 00:11:20,959

little place called Agnes water and it's

275

00:11:24,189 --> 00:11:22,339

like basically you fly into Brisbane

276

00:11:26,620 --> 00:11:24,199

Airport and I drove all the way up the

277

00:11:28,689 --> 00:11:26,630

coast all the way north pretty much as

278

00:11:30,400 --> 00:11:28,699

far as you can go is it was unbelievable

279

00:11:32,110 --> 00:11:30,410

unbelievable experience I was alone I

280

00:11:33,759 --> 00:11:32,120

travelled alone just got a rent-a-car

281

00:11:36,370 --> 00:11:33,769

went on and like a spiritual mission

282

00:11:39,430 --> 00:11:36,380

whatever you want to call it and drove

283

00:11:41,680 --> 00:11:39,440

up there and I sat with Mary and we said

284

00:11:44,200 --> 00:11:41,690

at length and this is where it gets real

285

00:11:46,660 --> 00:11:44,210

interesting and of course I

286

00:11:49,000 --> 00:11:46,670

I'm skeptical about things especially at

287

00:11:51,460 --> 00:11:49,010

first you know I want to be open but I

288

00:11:53,829 --> 00:11:51,470

have to be skeptical especially if it's

289

00:11:56,380 --> 00:11:53,839

something sounds like it's off-the-wall

290

00:11:58,320 --> 00:11:56,390

so I'm sitting face-to-face with Mary

291

00:12:00,850 --> 00:11:58,330

and she says why did you come here I

292

00:12:02,230 --> 00:12:00,860

said I don't know I go I know there's

293

00:12:05,829 --> 00:12:02,240

more to this I'm just not quite sure

294

00:12:07,389 --> 00:12:05,839

what so we had a session and and this is

295

00:12:08,889 --> 00:12:07,399

not a regression this is not a hypnosis

296

00:12:11,320 --> 00:12:08,899

we just did like what you would consider

297

00:12:13,240 --> 00:12:11,330

sitting down with a psychic or another

298

00:12:15,699 --> 00:12:13,250

intuitive person we had a session this

299

00:12:18,639 --> 00:12:15,709

is incredible and she said to me she

300

00:12:20,530 --> 00:12:18,649

goes well she goes you have children I

301

00:12:23,350 --> 00:12:20,540

said what I got don't have any children

302

00:12:24,850 --> 00:12:23,360

she goes yes you have children I go what

303

00:12:27,280 --> 00:12:24,860

are you talking about she goes they're

304

00:12:29,769 --> 00:12:27,290

up on the craft she goes but you haven't

305

00:12:31,300 --> 00:12:29,779

seen them yet you haven't met them

306

00:12:33,460 --> 00:12:31,310

you've been getting some signs along the

307

00:12:35,710 --> 00:12:33,470

way but you haven't actually seen them

308

00:12:37,960 --> 00:12:35,720

but you're going to see them very soon

309

00:12:41,139 --> 00:12:37,970

and you're gonna meet the mother of your

310

00:12:42,940 --> 00:12:41,149

children as well so I'm like I'm not

311

00:12:44,260 --> 00:12:42,950

even thinking about any female or

312

00:12:46,630 --> 00:12:44,270

nothing at this point you know I was

313

00:12:48,699 --> 00:12:46,640

single at the time I'm like what are you

314

00:12:49,000 --> 00:12:48,709

talking about so I got right well you

315

00:12:50,650 --> 00:12:49,010

know what

316

00:12:52,750 --> 00:12:50,660

I'm skeptical but I'll just hold that

317

00:12:56,050 --> 00:12:52,760

one in my back pocket let's just see

318

00:12:58,630 --> 00:12:56,060

where the rest of this goes so I left

319

00:13:00,310 --> 00:12:58,640

Mary's and that's how I met Jess

320

00:13:04,030 --> 00:13:00,320

literally right after leaving Mary's

321

00:13:05,769 --> 00:13:04,040

home I picked up Jess and immediately we

322

00:13:08,350 --> 00:13:05,779

met and we were sitting outside at night

323

00:13:10,180 --> 00:13:08,360

down in the little area called Byron Bay

324

00:13:12,579 --> 00:13:10,190

which is beautiful

325

00:13:14,320 --> 00:13:12,589

was this a few hour drive like a six

326

00:13:17,050 --> 00:13:14,330

seven hour drive from Harry's all the

327

00:13:18,850 --> 00:13:17,060

way down to pick us up at the airport in

328

00:13:21,010 --> 00:13:18,860

Brisbane and then drive down to Byron

329

00:13:23,980 --> 00:13:21,020

Bay so this was a mission and a half but

330

00:13:25,269 --> 00:13:23,990

it was incredible and we're outside and

331

00:13:27,819 --> 00:13:25,279

all of a sudden we're seeing the lights

332

00:13:29,740 --> 00:13:27,829

in the sky we're seeing the orbs then

333

00:13:32,170 --> 00:13:29,750

we're seeing on the ground he's subtle

334

00:13:36,130 --> 00:13:32,180

energy beings which some people say are

335

00:13:38,110 --> 00:13:36,140

et's artificial intelligence angels call

336

00:13:40,300 --> 00:13:38,120

them whatever you want whatever makes

337

00:13:42,160 --> 00:13:40,310

sense to people that's up to them I just

338

00:13:43,540 --> 00:13:42,170

know some sort of energy form that was

339

00:13:46,930 --> 00:13:43,550

around us that we were able to

340

00:13:49,750 --> 00:13:46,940

photograph and photographing the orbs in

341

00:13:53,890 --> 00:13:49,760

the sky I started to see faces in them

342

00:13:56,079 --> 00:13:53,900

like small baby faces so I make when I'm

343

00:13:57,880 --> 00:13:56,089

getting a download then I'm getting a

344

00:14:00,460 --> 00:13:57,890

download and they're telling me that you

345

00:14:03,310 --> 00:14:00,470

and I are the parents of them those are

346

00:14:05,980 --> 00:14:03,320

our children so she said I'm getting the

347

00:14:07,930 --> 00:14:05,990

same thing now of course I just met her

348

00:14:10,120 --> 00:14:07,940

so of course I'm skeptical I'm like well

349

00:14:11,980 --> 00:14:10,130

I need more proof than that I'm saying

350

00:14:14,110 --> 00:14:11,990

this internally though I'm not telling

351

00:14:15,370 --> 00:14:14,120

this girl that in my mind I'm saying I

352

00:14:17,740 --> 00:14:15,380

need more than that

353

00:14:20,530 --> 00:14:17,750

so she walks inside she goes to the back

354

00:14:22,720 --> 00:14:20,540

room I walk inside I go to a bedroom

355

00:14:25,240 --> 00:14:22,730

window of this place we was staying at

356

00:14:27,610 --> 00:14:25,250

and I said okay if this is really

357

00:14:28,690 --> 00:14:27,620

happening if you guys are our children

358

00:14:30,490 --> 00:14:28,700

and you're on this craft and you're

359

00:14:32,860 --> 00:14:30,500

trying to send us a sign or a signal I

360

00:14:34,449 --> 00:14:32,870

want you to come across the house

361

00:14:36,340 --> 00:14:34,459

because they were on the other side of

362

00:14:38,470 --> 00:14:36,350

the house I couldn't see them now at

363

00:14:40,690 --> 00:14:38,480

this bedroom window I was at I said come

364

00:14:42,540 --> 00:14:40,700

across and come to this window and show

365

00:14:45,759 --> 00:14:42,550

yourself to mommy

366

00:14:47,440 --> 00:14:45,769

Jess walks out of the bathroom comes

367

00:14:49,750 --> 00:14:47,450

into the bedroom and I opened the

368

00:14:51,850 --> 00:14:49,760

curtain to the window and the craft

369

00:14:53,740 --> 00:14:51,860

manifests right there and it stayed

370

00:14:57,069 --> 00:14:53,750

there for the next 3-4 days that we

371

00:14:58,840 --> 00:14:57,079

stayed at this place stood oh we were

372

00:15:00,579 --> 00:14:58,850

taking pictures every night having

373

00:15:02,350 --> 00:15:00,589

interactions with these things talking

374

00:15:05,980 --> 00:15:02,360

to them going back and forth and forth

375

00:15:08,100 --> 00:15:05,990

and to me this was going somewhere you

376

00:15:11,050 --> 00:15:08,110

know am I sold that these are my my

377

00:15:13,990 --> 00:15:11,060

children and they have all this amazing

378

00:15:16,620 --> 00:15:14,000

information I'm open to the idea but I

379

00:15:19,090 --> 00:15:16,630

try not to get too attached to anything

380

00:15:20,949 --> 00:15:19,100

just because I've heard stories through

381

00:15:23,019 --> 00:15:20,959

talking to Gary Nolan and to other

382

00:15:25,329 --> 00:15:23,029

people that sometimes people have

383

00:15:27,759 --> 00:15:25,339

negative interactions or they get let

384

00:15:29,829 --> 00:15:27,769

along by these things and maybe they get

385

00:15:32,410 --> 00:15:29,839

led one way and it turns out being bad

386

00:15:34,180 --> 00:15:32,420

or the craft vanish or that's not been

387

00:15:36,100 --> 00:15:34,190

my experience though I've only had

388

00:15:38,290 --> 00:15:36,110

positive interactions with these things

389

00:15:40,449 --> 00:15:38,300

but I'm always vigilant and I'm always

390

00:15:43,870 --> 00:15:40,459

on guard I want to protect myself and

391

00:15:45,639 --> 00:15:43,880

the people around me so we just kept

392

00:15:47,920 --> 00:15:45,649

getting downloads and information from

393

00:15:50,920 --> 00:15:47,930

them and signs more importantly the

394

00:15:54,009 --> 00:15:50,930

signs the pictures the faces this was

395

00:15:55,210 --> 00:15:54,019

happening on a daily basis and me and

396

00:15:57,670 --> 00:15:55,220

Jeff spent the rest of that week

397

00:16:00,069 --> 00:15:57,680

together I flew back to New York the

398

00:16:01,930 --> 00:16:00,079

next month which you know I was like

399

00:16:04,329 --> 00:16:01,940

they're like the end of March so I came

400

00:16:06,309 --> 00:16:04,339

back to New York in April and then what

401
00:16:08,980 --> 00:16:06,319
happened was I would call Jess from New

402
00:16:10,449 --> 00:16:08,990
York and she and I at the same time

403
00:16:11,769 --> 00:16:10,459
while we'd be on the phone we look

404
00:16:13,869 --> 00:16:11,779
outside

405
00:16:16,989 --> 00:16:13,879
we will be taking pictures of the same

406
00:16:19,869 --> 00:16:16,999
craft it was in two places at once

407
00:16:21,610 --> 00:16:19,879
and that's the first time I experienced

408
00:16:23,410 --> 00:16:21,620
anything like that I mean it was

409
00:16:26,319 --> 00:16:23,420
unbelievable we would get a feeling like

410
00:16:28,420 --> 00:16:26,329
an internal feeling I I you know people

411
00:16:29,619 --> 00:16:28,430
call it the pole you know or a download

412
00:16:31,720 --> 00:16:29,629
whatever you want to call it I get

413
00:16:33,879 --> 00:16:31,730

literally like a feeling in my heart or

414

00:16:35,559 --> 00:16:33,889

chest area and it's just like a loving

415

00:16:37,600 --> 00:16:35,569

feeling and I know they're literally

416

00:16:40,090 --> 00:16:37,610

right around the corner a store I'll get

417

00:16:42,069 --> 00:16:40,100

a direct coordinate or a point or a time

418

00:16:44,559 --> 00:16:42,079

that that the craft will be there or a

419

00:16:47,799 --> 00:16:44,569

pole that's so strong that they're there

420

00:16:50,379 --> 00:16:47,809

right there at the window and I was

421

00:16:52,119 --> 00:16:50,389

living in Coney Island New York and I

422

00:16:54,939 --> 00:16:52,129

was just literally every night having

423

00:16:59,860 --> 00:16:54,949

contact with these same crafts and yes

424

00:17:02,829 --> 00:16:59,870

was having that press so then in May

425

00:17:04,510 --> 00:17:02,839

just came back to visit me and the same

426
00:17:06,189 --> 00:17:04,520
thing happened when she came here we

427
00:17:08,169 --> 00:17:06,199
were on the beach and we were taking

428
00:17:09,730 --> 00:17:08,179
photographs together where the

429
00:17:12,880 --> 00:17:09,740
photographs and some of these pictures

430
00:17:15,640 --> 00:17:12,890
do not look like us at all sometimes the

431
00:17:18,309 --> 00:17:15,650
color changes sometimes the background

432
00:17:21,909 --> 00:17:18,319
changes but there's craft or phenomena

433
00:17:24,970 --> 00:17:21,919
in the background or around us and some

434
00:17:28,570 --> 00:17:24,980
of these orbs that we would see they are

435
00:17:31,149 --> 00:17:28,580
the size of a tic tac they are so tiny

436
00:17:34,330 --> 00:17:31,159
but when they illuminate they look huge

437
00:17:36,760 --> 00:17:34,340
and I've had them come literally within

438
00:17:38,919 --> 00:17:36,770

feet of my head and they'll come that

439

00:17:42,460 --> 00:17:38,929

close to me while I'm in a meditation or

440

00:17:44,440 --> 00:17:42,470

outside making contact on the and I just

441

00:17:46,419 --> 00:17:44,450

kept getting a download from them that I

442

00:17:48,399 --> 00:17:46,429

was with the right person that we were

443

00:17:50,380 --> 00:17:48,409

meant to be together

444

00:17:53,440 --> 00:17:50,390

but obviously there's more to that than

445

00:17:54,310 --> 00:17:53,450

just you know and et telling us this we

446

00:17:56,680 --> 00:17:54,320

had a connection

447

00:17:57,909 --> 00:17:56,690

you know we immediately quote each

448

00:17:59,950 --> 00:17:57,919

other's attention and just totally

449

00:18:02,919 --> 00:17:59,960

trusted each other and we fell in love

450

00:18:05,919 --> 00:18:02,929

immediately so she decided to come back

451

00:18:09,580 --> 00:18:05,929

in July and she came back with her

452

00:18:11,049 --> 00:18:09,590

children to Coney Island and just as two

453

00:18:12,639 --> 00:18:11,059

children which are now my children cuz

454

00:18:14,639 --> 00:18:12,649

we eventually got married we actually

455

00:18:17,740 --> 00:18:14,649

got married a week ago so

456

00:18:20,440 --> 00:18:17,750

congratulations thank you so our dream

457

00:18:23,139 --> 00:18:20,450

as well experiencers and they're 10 and

458

00:18:24,909 --> 00:18:23,149

11 and they have been experiencers way

459

00:18:25,600 --> 00:18:24,919

before I met them this is not because of

460

00:18:27,790 --> 00:18:25,610

me

461

00:18:29,560 --> 00:18:27,800

or because of her they have had their

462

00:18:32,230 --> 00:18:29,570

own experiences and that's their story

463

00:18:35,950 --> 00:18:32,240

but they also do experience the

464

00:18:39,250 --> 00:18:35,960

phenomena with us which is not that

465

00:18:41,680 --> 00:18:39,260

nothing erupted but for anybody who is

466

00:18:46,060 --> 00:18:41,690

skeptical about that what you've got to

467

00:18:47,380 --> 00:18:46,070

say your marriage to Jess is real and it

468

00:18:50,890 --> 00:18:47,390

wouldn't have happened without all this

469

00:18:53,650 --> 00:18:50,900

stuff no way it's impossible

470

00:18:56,530 --> 00:18:53,660

so the synchronicities and the signs of

471

00:18:58,060 --> 00:18:56,540

prior going to meeting Jess face the

472

00:19:00,430 --> 00:18:58,070

face or even meeting her on Facebook

473

00:19:02,920 --> 00:19:00,440

I remember meditating and making contact

474

00:19:05,260 --> 00:19:02,930

and asking the craft I would say

475

00:19:08,020 --> 00:19:05,270

continue to put the right people in my

476

00:19:10,210 --> 00:19:08,030

path you know you can ask for anything I

477

00:19:12,040 --> 00:19:10,220

am a believer of that but I've also

478

00:19:13,510 --> 00:19:12,050

lived it I'm not saying give me a

479

00:19:16,090 --> 00:19:13,520

million dollars you can't ask for

480

00:19:17,500 --> 00:19:16,100

selfish things but asking for the least

481

00:19:19,240 --> 00:19:17,510

that's my experience but when you ask

482

00:19:20,980 --> 00:19:19,250

for things that are wholeheartedly and

483

00:19:23,440 --> 00:19:20,990

for more love and unity

484

00:19:25,570 --> 00:19:23,450

I've had them happen to me that's just

485

00:19:27,040 --> 00:19:25,580

my experience I haven't asked for

486

00:19:29,170 --> 00:19:27,050

negative things I've just asked for the

487

00:19:31,540 --> 00:19:29,180

right people to come in my path and when

488

00:19:35,230 --> 00:19:31,550

that happened oh boy does it happened

489

00:19:36,790 --> 00:19:35,240

fast I'll tell you that and me and Jess

490

00:19:38,260 --> 00:19:36,800

have been having these experiences now

491

00:19:41,020 --> 00:19:38,270

and we were having them with the

492

00:19:43,900 --> 00:19:41,030

children and it was interesting I had

493

00:19:46,600 --> 00:19:43,910

gotten I got a text message well Jess

494

00:19:48,550 --> 00:19:46,610

was with me around July 4th from a

495

00:19:52,630 --> 00:19:48,560

journalist from the New York Post and

496

00:19:54,550 --> 00:19:52,640

the message was I wrote an article about

497

00:19:58,450 --> 00:19:54,560

you and publishing it tomorrow I want to

498

00:19:59,770 --> 00:19:58,460

comment so I said well who are you how

499

00:20:01,450 --> 00:19:59,780

did you hear about me and what are you

500

00:20:02,560 --> 00:20:01,460

writing I don't even know what that I

501
00:20:05,380 --> 00:20:02,570
have no idea what she's talking about

502
00:20:07,210 --> 00:20:05,390
and she said well I've seen your high

503
00:20:09,670 --> 00:20:07,220
strangeness in Brooklyn and Facebook

504
00:20:12,400 --> 00:20:09,680
page and I just want to get a comment

505
00:20:15,130 --> 00:20:12,410
from you I was like what I go whoa II

506
00:20:17,080 --> 00:20:15,140
you've done all this research and you

507
00:20:18,670 --> 00:20:17,090
just want a line for me out what did you

508
00:20:21,400 --> 00:20:18,680
write in the article and she's like I'm

509
00:20:23,710 --> 00:20:21,410
not gonna tell you that so right away of

510
00:20:25,420 --> 00:20:23,720
course I was like oh man is she gonna

511
00:20:27,910 --> 00:20:25,430
try to write some crazy article about me

512
00:20:29,290 --> 00:20:27,920
and make me look like a nutjob you know

513
00:20:30,640 --> 00:20:29,300

New York City firefighters these

514

00:20:32,080 --> 00:20:30,650

extraterrestrials or whatever she's

515

00:20:33,580 --> 00:20:32,090

gonna write them of course I was

516

00:20:36,700 --> 00:20:33,590

concerned about that so I called my

517

00:20:38,440 --> 00:20:36,710

buddy ray Hernandez because he's an

518

00:20:39,600 --> 00:20:38,450

attorney and I got some great legal

519

00:20:42,119 --> 00:20:39,610

advice from him

520

00:20:45,389 --> 00:20:42,129

and I decided to take his advice and

521

00:20:47,940 --> 00:20:45,399

just give no comment and the journalist

522

00:20:49,200 --> 00:20:47,950

wrote back and said okay well I have

523

00:20:51,239 --> 00:20:49,210

enough to write about you I'm just gonna

524

00:20:53,759 --> 00:20:51,249

print the article anyway so a few weeks

525

00:20:58,440 --> 00:20:53,769

later boom article comes out in the New

526
00:21:00,570 --> 00:20:58,450
York Post so that came out and I got a

527
00:21:02,840 --> 00:21:00,580
lot of support from the New York City

528
00:21:06,029 --> 00:21:02,850
Fire Department the guys were awesome

529
00:21:07,680 --> 00:21:06,039
people at the press desk I had to call

530
00:21:09,749 --> 00:21:07,690
them proactively and just let them know

531
00:21:12,149 --> 00:21:09,759
what was going on or what possibly could

532
00:21:14,039 --> 00:21:12,159
be and they had my back they said we

533
00:21:15,210 --> 00:21:14,049
have no problem with the article we have

534
00:21:16,739 --> 00:21:15,220
no problem with them writing something

535
00:21:19,080 --> 00:21:16,749
about you it's nothing negative you're

536
00:21:20,909 --> 00:21:19,090
stating that you've experienced some

537
00:21:22,830 --> 00:21:20,919
things and it's nothing there that

538
00:21:24,299 --> 00:21:22,840

you're stating so if you're helping

539

00:21:26,009 --> 00:21:24,309

people are you doing healings or you're

540

00:21:28,320 --> 00:21:26,019

involve group meditations and people are

541

00:21:29,849 --> 00:21:28,330

getting healed great we don't care about

542

00:21:31,109 --> 00:21:29,859

that we and we actually need more people

543

00:21:35,310 --> 00:21:31,119

like that on the job that's great

544

00:21:36,840 --> 00:21:35,320

so ill the only negative feedback I got

545

00:21:38,669 --> 00:21:36,850

was just of course from people in the

546

00:21:40,619 --> 00:21:38,679

community that do not know me at all

547

00:21:42,749 --> 00:21:40,629

or wouldn't take the time to reach out

548

00:21:45,180 --> 00:21:42,759

to me or question me but that comes with

549

00:21:49,889 --> 00:21:45,190

the territory there was a guy from that

550

00:21:52,049 --> 00:21:49,899

show Star Trek Brad Tukey and he was on

551
00:21:53,970 --> 00:21:52,059
I don't know what which how many years

552
00:21:56,159 --> 00:21:53,980
he was on but one of the guys that was

553
00:21:58,499 --> 00:21:56,169
on there he wrote a Twitter article and

554
00:22:00,720 --> 00:21:58,509
just wrote am i really experiencing this

555
00:22:02,580 --> 00:22:00,730
or is this my imagination well I

556
00:22:04,619 --> 00:22:02,590
directly reached out to him and I said

557
00:22:06,359 --> 00:22:04,629
hey I would love for you to come to

558
00:22:08,399 --> 00:22:06,369
Coney Island one night and I could show

559
00:22:09,570 --> 00:22:08,409
you my imagination please sit on the

560
00:22:12,539 --> 00:22:09,580
beach with me under the stars and you

561
00:22:15,599 --> 00:22:12,549
tell me what you think and of course I

562
00:22:18,149 --> 00:22:15,609
got no response no nothing so I don't

563
00:22:19,950 --> 00:22:18,159

quite understand the point of him or any

564

00:22:22,109 --> 00:22:19,960

other journalists or ufologists or

565

00:22:25,349 --> 00:22:22,119

people out there that won't take the

566

00:22:27,060 --> 00:22:25,359

time to ask somebody for a comment or to

567

00:22:28,830 --> 00:22:27,070

at least have the you know decency to

568

00:22:30,389 --> 00:22:28,840

sit down and interview them or talk to

569

00:22:31,139 --> 00:22:30,399

them and then hey you want to write an

570

00:22:33,690 --> 00:22:31,149

article about me

571

00:22:35,430 --> 00:22:33,700

fire away I have no problem criticism

572

00:22:38,279 --> 00:22:35,440

but you're not going to even reach out

573

00:22:39,659 --> 00:22:38,289

to hear the person side of it to me that

574

00:22:41,310 --> 00:22:39,669

just poured journalism Frank

575

00:22:42,599 --> 00:22:41,320

I mean you've you've been around this

576

00:22:49,440 --> 00:22:42,609

stuff long enough you know how it goes

577

00:22:51,120 --> 00:22:49,450

yep oh yeah dad's going right now we're

578

00:22:53,130 --> 00:22:51,130

focused on you tonight

579

00:22:54,270 --> 00:22:53,140

I'm just saying I know people out there

580

00:22:56,010 --> 00:22:54,280

that your audience I know people can

581

00:22:57,990 --> 00:22:56,020

relate to this it's not John that I know

582

00:22:58,440 --> 00:22:58,000

it's about my interviewer but it's not

583

00:22:59,700 --> 00:22:58,450

about me

584

00:23:01,560 --> 00:22:59,710

ultimately it's about us we're all in

585

00:23:03,600 --> 00:23:01,570

this together so you know I'm just

586

00:23:06,120 --> 00:23:03,610

trying to keep the focus on there's so

587

00:23:07,890 --> 00:23:06,130

much for synchronicities and following

588

00:23:11,100 --> 00:23:07,900

when you get a sign or a signal coming

589

00:23:16,049 --> 00:23:11,110

through these are an interesting

590

00:23:17,970 --> 00:23:16,059

thing so yes so that happened and at

591

00:23:19,049 --> 00:23:17,980

this point me and Jes right around the

592

00:23:21,840 --> 00:23:19,059

article when it came out we were

593

00:23:23,370 --> 00:23:21,850

discussing her moving to America or me

594

00:23:26,010 --> 00:23:23,380

coming to Australia for us to be

595

00:23:29,190 --> 00:23:26,020

together and since she had children and

596

00:23:32,399 --> 00:23:29,200

a family in Australia I decided that it

597

00:23:34,680 --> 00:23:32,409

was okay for me to move on and leave

598

00:23:36,149 --> 00:23:34,690

nior can come here and the Florida point

599

00:23:38,430 --> 00:23:36,159

was great they gave me plenty of time

600

00:23:41,970 --> 00:23:38,440

and it's not an issue for me to figure

601
00:23:43,740 --> 00:23:41,980
out what I'd like to do so I said well I

602
00:23:45,210 --> 00:23:43,750
can always come here and come back or do

603
00:23:47,310 --> 00:23:45,220
whatever I want it's not a big deal

604
00:23:49,950 --> 00:23:47,320
right now I got a little time to figure

605
00:23:54,810 --> 00:23:49,960
that out so I decided to come here and I

606
00:23:58,020 --> 00:23:54,820
came here in the end of August and after

607
00:24:00,180 --> 00:23:58,030
settling in of course synchronicity I

608
00:24:03,210 --> 00:24:00,190
was getting I was getting a signal to

609
00:24:04,830 --> 00:24:03,220
contact Peter Maxwell Slattery who's an

610
00:24:06,960 --> 00:24:04,840
experiencer in Melbourne who's been

611
00:24:10,110 --> 00:24:06,970
making amazing contact for several years

612
00:24:11,399 --> 00:24:10,120
and Mary Rodwell of course said I think

613
00:24:12,630 --> 00:24:11,409

you should reach out to Peter I think

614

00:24:14,399 --> 00:24:12,640

you know you and him might be able to

615

00:24:16,230 --> 00:24:14,409

you know get along and discuss a few

616

00:24:17,520 --> 00:24:16,240

common things I'm like all right cool

617

00:24:19,440 --> 00:24:17,530

but I don't know this guy I never

618

00:24:21,720 --> 00:24:19,450

followed him before I just heard of the

619

00:24:24,630 --> 00:24:21,730

name you know so so I tracked him down a

620

00:24:27,060 --> 00:24:24,640

few months ago and me and Pete met up

621

00:24:29,700 --> 00:24:27,070

and then we went to a Sky Watch that he

622

00:24:32,310 --> 00:24:29,710

did in January which he records some

623

00:24:33,990 --> 00:24:32,320

phenomenal footage he's got a 4k HD

624

00:24:36,419 --> 00:24:34,000

night-vision camera and a bunch of other

625

00:24:38,789 --> 00:24:36,429

goodies and he's doing some great work

626
00:24:39,450 --> 00:24:38,799
here in Melbourne and I brought our 10

627
00:24:45,120 --> 00:24:39,460
year old son

628
00:24:46,890 --> 00:24:45,130
an amazing contact experience and what

629
00:24:48,870 --> 00:24:46,900
was beautiful was I was sitting down

630
00:24:51,390 --> 00:24:48,880
with my eleven year old or outside of

631
00:24:52,919 --> 00:24:51,400
the Sky Watch and we're looking in the

632
00:24:55,320 --> 00:24:52,929
sky and he's like Andrew he's like I

633
00:24:56,850 --> 00:24:55,330
don't see anything you know what do you

634
00:24:58,950 --> 00:24:56,860
what what do you think we could do to

635
00:25:00,120 --> 00:24:58,960
make it appear and I said well just like

636
00:25:02,310 --> 00:25:00,130
we do at night when we sit in the

637
00:25:05,000 --> 00:25:02,320
backyard I said let's focus on one spot

638
00:25:08,300 --> 00:25:05,010

in the sky so we looked at one

639

00:25:11,030 --> 00:25:08,310

of the sky and then we put our intention

640

00:25:12,590 --> 00:25:11,040

and our energy there and then literally

641

00:25:13,310 --> 00:25:12,600

for the next two and a half hours

642

00:25:15,620 --> 00:25:13,320

non-stop

643

00:25:18,290 --> 00:25:15,630

they were craft appearing in that area

644

00:25:21,020 --> 00:25:18,300

and around it so the power of intention

645

00:25:23,270 --> 00:25:21,030

with this even with a 11 year old which

646

00:25:25,010 --> 00:25:23,280

I mean the younger they are the better I

647

00:25:27,770 --> 00:25:25,020

wish I would have started doing this

648

00:25:29,630 --> 00:25:27,780

kind of work at 11 this is unbelievable

649

00:25:32,240 --> 00:25:29,640

that he has the awareness that this

650

00:25:35,270 --> 00:25:32,250

works you know and he can stick with it

651
00:25:37,340 --> 00:25:35,280
and we were with a group of about 50 16

652
00:25:39,290 --> 00:25:37,350
people and they were children of all

653
00:25:41,660 --> 00:25:39,300
ages someone brought their dog I mean

654
00:25:43,190 --> 00:25:41,670
this was not a you know sitting in the

655
00:25:46,040 --> 00:25:43,200
circle out in the desert in California

656
00:25:47,960 --> 00:25:46,050
and full of people I've been to one of

657
00:25:49,700 --> 00:25:47,970
these events where we had a really big

658
00:25:52,550 --> 00:25:49,710
crowd where there were several several

659
00:25:57,260 --> 00:25:52,560
dozen people and yeah a lot of fun you

660
00:25:59,330 --> 00:25:57,270
know sure I've been to big groups like

661
00:26:01,460 --> 00:25:59,340
that before we have too many people and

662
00:26:04,010 --> 00:26:01,470
then this is early on back in the day

663
00:26:05,960 --> 00:26:04,020

and the contact was difficult because

664

00:26:08,180 --> 00:26:05,970

people that were more evolved or more in

665

00:26:09,470 --> 00:26:08,190

tune we're seeing things that some of

666

00:26:10,880 --> 00:26:09,480

the people that were new weren't and

667

00:26:11,690 --> 00:26:10,890

some of the new people got frustrated

668

00:26:14,360 --> 00:26:11,700

and never came back

669

00:26:15,980 --> 00:26:14,370

so it's for me it's all about awareness

670

00:26:17,570 --> 00:26:15,990

the deeper you go internally that

671

00:26:19,190 --> 00:26:17,580

doesn't have to take 20 years to go

672

00:26:21,260 --> 00:26:19,200

deeper internally you could wake up

673

00:26:22,640 --> 00:26:21,270

right now it's your choice you know you

674

00:26:24,710 --> 00:26:22,650

get a scent you get ascend to the

675

00:26:26,600 --> 00:26:24,720

highest realms and some more you know to

676
00:26:28,490 --> 00:26:26,610
the next dimension or whatever you want

677
00:26:30,350 --> 00:26:28,500
to consider it you can do it instantly

678
00:26:31,940 --> 00:26:30,360
you know you don't have to take time

679
00:26:33,740 --> 00:26:31,950
when you're ready and you fully

680
00:26:35,900 --> 00:26:33,750
surrender to the moment that's from my

681
00:26:38,210 --> 00:26:35,910
experience at least then you're aware of

682
00:26:39,680 --> 00:26:38,220
all of it and if you can work with

683
00:26:41,900 --> 00:26:39,690
somebody who's young they're already

684
00:26:43,970 --> 00:26:41,910
like in that state they're so far ahead

685
00:26:46,040 --> 00:26:43,980
of the game they don't have to do all

686
00:26:48,350 --> 00:26:46,050
the nonsense that 30 and 40 year olds

687
00:26:52,220 --> 00:26:48,360
like myself have to deal with you know

688
00:26:54,050 --> 00:26:52,230

it's like wow there's no there's there's

689

00:26:56,180 --> 00:26:54,060

no doubt about it it was meant to be to

690

00:26:57,980 --> 00:26:56,190

me just to be with her family the

691

00:27:01,370 --> 00:26:57,990

children and to have all the surround

692

00:27:02,590 --> 00:27:01,380

and we're having a child of our own good

693

00:27:05,600 --> 00:27:02,600

thank you

694

00:27:07,490 --> 00:27:05,610

absolutely incredible you know at the

695

00:27:09,590 --> 00:27:07,500

very least if all of this means is that

696

00:27:12,650 --> 00:27:09,600

somehow I met just by coincidence this

697

00:27:15,800 --> 00:27:12,660

was a dream come true but I know and

698

00:27:18,310 --> 00:27:15,810

just knows it's much deeper and and a

699

00:27:20,409 --> 00:27:18,320

much more meaningful than that

700

00:27:22,419 --> 00:27:20,419

Jess's profession she's a mental health

701

00:27:23,529 --> 00:27:22,429

professional so people will ask me like

702

00:27:26,470 --> 00:27:23,539

oh you know how do you know you're not

703

00:27:28,779 --> 00:27:26,480

crazy how does your girl know crazy yes

704

00:27:31,810 --> 00:27:28,789

well she's been working in mental health

705

00:27:33,730 --> 00:27:31,820

is several years and she's a medium

706

00:27:35,649 --> 00:27:33,740

and she you know she's clairvoyant and

707

00:27:38,080 --> 00:27:35,659

hoarding in and those tarot cards in the

708

00:27:40,269 --> 00:27:38,090

whole nine I don't do all the same stuff

709

00:27:43,090 --> 00:27:40,279

she does but the mix of us together is

710

00:27:45,220 --> 00:27:43,100

just phenomenal the way we gel and blend

711

00:27:47,350 --> 00:27:45,230

together is just awesome and we get

712

00:27:51,369 --> 00:27:47,360

validations every day we sit outside and

713

00:27:53,529 --> 00:27:51,379

we will say show us a craft to show that

714

00:27:55,450 --> 00:27:53,539

we're on the right path or to show that

715

00:27:56,919 --> 00:27:55,460

you know we're doing the right things or

716

00:27:59,049 --> 00:27:56,929

it doesn't matter what you say but when

717

00:28:00,759 --> 00:27:59,059

we say it it is to the point now where

718

00:28:03,940 --> 00:28:00,769

we can't even get the words out of our

719

00:28:05,769 --> 00:28:03,950

valves any enormous craft will appear or

720

00:28:07,749 --> 00:28:05,779

something on the ground or in a picture

721

00:28:09,220 --> 00:28:07,759

so I haven't experienced that with

722

00:28:11,860 --> 00:28:09,230

everyone around me you know that's not

723

00:28:13,690 --> 00:28:11,870

every single person that's around me the

724

00:28:16,180 --> 00:28:13,700

more open that someone is when they are

725

00:28:20,680 --> 00:28:16,190

around me though yes the high

726

00:28:21,639 --> 00:28:20,690

strangeness potential is unlimited so

727

00:28:24,159 --> 00:28:21,649

yeah I mean it's just absolutely

728

00:28:26,769 --> 00:28:24,169

incredible and you know putting that

729

00:28:28,539 --> 00:28:26,779

being in the New York Post and putting

730

00:28:30,430 --> 00:28:28,549

myself out there you know indirectly

731

00:28:32,409 --> 00:28:30,440

directly however you want to consider it

732

00:28:34,180 --> 00:28:32,419

you know yeah I put myself out there on

733

00:28:36,340 --> 00:28:34,190

social media I knew people might find

734

00:28:38,080 --> 00:28:36,350

out I was willing to put it all on the

735

00:28:40,389 --> 00:28:38,090

line you know I didn't care what the

736

00:28:42,610 --> 00:28:40,399

result was it is what it is I know what

737

00:28:44,259 --> 00:28:42,620

I'm experiencing is real I'm having it

738

00:28:46,149 --> 00:28:44,269

validated by people that have a lot of

739

00:28:48,639 --> 00:28:46,159

experience in this field and by people

740

00:28:50,649 --> 00:28:48,649

in the scientific community so that's

741

00:28:52,690 --> 00:28:50,659

what I was trying to do is blend the

742

00:28:54,039 --> 00:28:52,700

spiritual component of this you know the

743

00:28:56,409 --> 00:28:54,049

regressions and all that stuff and

744

00:28:59,799 --> 00:28:56,419

hopefully find a scientist which I did

745

00:29:02,320 --> 00:28:59,809

that was open to working with me and and

746

00:29:04,029 --> 00:29:02,330

helping me make sense of this and just

747

00:29:06,129 --> 00:29:04,039

help me me to understand that I'm not

748

00:29:07,990 --> 00:29:06,139

insane and not imagining or

749

00:29:09,190 --> 00:29:08,000

hallucinating or you know I don't drink

750

00:29:11,200 --> 00:29:09,200

or do any drugs or anything like that

751
00:29:14,200 --> 00:29:11,210
anyway but um you know you have to

752
00:29:15,610 --> 00:29:14,210
question is this real or is this a giant

753
00:29:17,919 --> 00:29:15,620
projection is this artificial

754
00:29:19,690 --> 00:29:17,929
intelligence is it all nonsense you know

755
00:29:21,730 --> 00:29:19,700
I don't have those answers I don't know

756
00:29:23,200 --> 00:29:21,740
oh yeah I think they're great questions

757
00:29:25,840 --> 00:29:23,210
though I mean I'm not a hundred percent

758
00:29:27,460 --> 00:29:25,850
sure to I think you might be onto

759
00:29:29,379 --> 00:29:27,470
something there I'm very open to those

760
00:29:31,290 --> 00:29:29,389
types of things with it the entire

761
00:29:34,410 --> 00:29:31,300
universe is

762
00:29:37,740 --> 00:29:34,420
you know the simulation that type of

763
00:29:38,970 --> 00:29:37,750

thing it could explain a lot you know if

764

00:29:41,220 --> 00:29:38,980

you only want to think about it

765

00:29:42,240 --> 00:29:41,230

yeah I think that's really important for

766

00:29:44,670 --> 00:29:42,250

me at least

767

00:29:46,800 --> 00:29:44,680

through this whole thing the best advice

768

00:29:49,530 --> 00:29:46,810

I got from from Gary Nolan when I asked

769

00:29:51,060 --> 00:29:49,540

him what is this what's going on you

770

00:29:53,580 --> 00:29:51,070

know what is the phenomena and it was

771

00:29:55,890 --> 00:29:53,590

the best he said we're not sure I don't

772

00:29:58,560 --> 00:29:55,900

know I can't tell you for sure Andrew

773

00:30:00,960 --> 00:29:58,570

and that was the best advice I got and I

774

00:30:03,270 --> 00:30:00,970

continue to remember that when I'm

775

00:30:06,090 --> 00:30:03,280

looking at something or I hear a insane

776
00:30:08,040 --> 00:30:06,100
conspiracy theory or some sort of you

777
00:30:09,690 --> 00:30:08,050
know artificial intelligence thing or I

778
00:30:12,150 --> 00:30:09,700
just say you know what I don't know I'm

779
00:30:13,410 --> 00:30:12,160
not gonna say no I'll keep that one on

780
00:30:15,090 --> 00:30:13,420
the back burner for now because I don't

781
00:30:18,510 --> 00:30:15,100
have enough information at this moment

782
00:30:20,190 --> 00:30:18,520
but is it possible I've seen and

783
00:30:22,770 --> 00:30:20,200
interacted with these things where I

784
00:30:24,300 --> 00:30:22,780
think I have it figured out and then

785
00:30:27,090 --> 00:30:24,310
I'll tell them show me something and

786
00:30:29,580 --> 00:30:27,100
then literally I will see a black disc

787
00:30:31,890 --> 00:30:29,590
shoot from a few hundred feet away

788
00:30:34,140 --> 00:30:31,900

across the water coming towards me and

789

00:30:36,990 --> 00:30:34,150

it'll be hovering ten feet away from me

790

00:30:40,380 --> 00:30:37,000

silent seamless and I've looked at these

791

00:30:42,930 --> 00:30:40,390

these black round objects and the water

792

00:30:45,210 --> 00:30:42,940

in the ocean will stop moving

793

00:30:46,950 --> 00:30:45,220

I don't know how to explain that Frank I

794

00:30:48,810 --> 00:30:46,960

have no idea I don't know what that

795

00:30:50,790 --> 00:30:48,820

means what I've taken let me ask you

796

00:30:52,500 --> 00:30:50,800

this you spent some time involved in

797

00:30:54,870 --> 00:30:52,510

this kind of work in the New York area

798

00:30:56,730 --> 00:30:54,880

and now you're down in Australia shows

799

00:31:00,150 --> 00:30:56,740

it as things picked up have things

800

00:31:02,820 --> 00:31:00,160

picked up oh yeah yes it's been you know

801
00:31:04,230 --> 00:31:02,830
it was a daily occurrence there it's a

802
00:31:06,960 --> 00:31:04,240
daily occurrence here what's beautiful

803
00:31:09,000 --> 00:31:06,970
is is you know sharing it with people

804
00:31:11,670 --> 00:31:09,010
I'm sharing on a daily basis with with

805
00:31:13,380 --> 00:31:11,680
my wife with my children with people

806
00:31:15,060 --> 00:31:13,390
like Peter Maxwell Slattery you know and

807
00:31:17,400 --> 00:31:15,070
others that I've met from contact groups

808
00:31:19,740 --> 00:31:17,410
is it more intense absolutely it's one

809
00:31:21,300 --> 00:31:19,750
of those things Frank where I didn't

810
00:31:23,310 --> 00:31:21,310
know this at first but I started to

811
00:31:25,740 --> 00:31:23,320
figure this out with working with people

812
00:31:27,840 --> 00:31:25,750
like dr. Steven Greer Gary Nolan and

813
00:31:29,550 --> 00:31:27,850

other people out there where I didn't

814

00:31:31,470 --> 00:31:29,560

know that I could transmit something at

815

00:31:33,660 --> 00:31:31,480

first Frank I thought I was just seeing

816

00:31:35,640 --> 00:31:33,670

things by chance and that I was like a

817

00:31:36,840 --> 00:31:35,650

lucky person and fortunate I didn't know

818

00:31:38,730 --> 00:31:36,850

or I was cursed

819

00:31:40,890 --> 00:31:38,740

it depends your perception of it right I

820

00:31:42,660 --> 00:31:40,900

don't know what this is but when I

821

00:31:45,570 --> 00:31:42,670

realized wait I can meditate and then

822

00:31:48,570 --> 00:31:45,580

send a signal out and when I told

823

00:31:50,010 --> 00:31:48,580

or in my mind telepathically I don't

824

00:31:51,720 --> 00:31:50,020

even have to say anything I could be

825

00:31:54,570 --> 00:31:51,730

thinking about something and then see it

826

00:31:56,460 --> 00:31:54,580

literally in 3d or see the person or

827

00:31:59,100 --> 00:31:56,470

seeing objects so the synchronicities

828

00:32:01,260 --> 00:31:59,110

now are at a level a different level

829

00:32:03,720 --> 00:32:01,270

than they've ever been and that has

830

00:32:06,029 --> 00:32:03,730

attracted some people in my life

831

00:32:07,950 --> 00:32:06,039

as of recent that once you hear the

832

00:32:09,720 --> 00:32:07,960

message you know there were people in

833

00:32:11,370 --> 00:32:09,730

ufology at first when this came out that

834

00:32:13,080 --> 00:32:11,380

you know I got I got some advice from

835

00:32:14,730 --> 00:32:13,090

people when I was experiencing things

836

00:32:16,560 --> 00:32:14,740

and they said well why don't you call

837

00:32:18,270 --> 00:32:16,570

the local news channel and have them

838

00:32:21,419 --> 00:32:18,280

come to Coney Island and you know

839

00:32:23,520 --> 00:32:21,429

interview you I said if I do that I'm

840

00:32:25,080 --> 00:32:23,530

gonna be in the newspaper and I'm gonna

841

00:32:26,640 --> 00:32:25,090

lose my job or I'm gonna be called down

842

00:32:29,279 --> 00:32:26,650

to headquarters what on earth are you

843

00:32:31,200 --> 00:32:29,289

doing that's not you know if I go out

844

00:32:33,840 --> 00:32:31,210

openly and say hey I'm in the paper look

845

00:32:35,610 --> 00:32:33,850

at me I can't do that and I didn't want

846

00:32:38,070 --> 00:32:35,620

to do that I just knew I was going to

847

00:32:39,390 --> 00:32:38,080

share my story and if somebody saw it or

848

00:32:40,890 --> 00:32:39,400

picked it up that's up to them and if

849

00:32:43,440 --> 00:32:40,900

not I don't care I'm gonna keep doing

850

00:32:45,659 --> 00:32:43,450

what I'm doing so I wasn't gonna do that

851
00:32:47,669 --> 00:32:45,669
and then I got advice from some

852
00:32:49,529 --> 00:32:47,679
ufologists well you need a scientist to

853
00:32:51,720 --> 00:32:49,539
back you you need a legit research in

854
00:32:53,880 --> 00:32:51,730
the back yeah well I found Gary Nolan to

855
00:32:55,380 --> 00:32:53,890
work with and the Mary rod well I did

856
00:32:57,659 --> 00:32:55,390
all this stuff right that I thought you

857
00:32:58,980 --> 00:32:57,669
follow G or people wanted and then they

858
00:33:00,659 --> 00:32:58,990
won't they wouldn't touch my story

859
00:33:02,490 --> 00:33:00,669
they're like I along you faking like

860
00:33:04,289 --> 00:33:02,500
what are you talking about I did

861
00:33:06,690 --> 00:33:04,299
everything you asked for so I realized

862
00:33:08,789 --> 00:33:06,700
wow maybe I'm trying to appeal to the

863
00:33:11,010 --> 00:33:08,799

wrong audience you know maybe there's

864

00:33:13,080 --> 00:33:11,020

more people out there in this field that

865

00:33:15,180 --> 00:33:13,090

I need to find somehow like yourself

866

00:33:16,830 --> 00:33:15,190

Frank like chant like people like that

867

00:33:18,210 --> 00:33:16,840

there are good people that are all

868

00:33:20,010 --> 00:33:18,220

around it's like life there's good this

869

00:33:21,000 --> 00:33:20,020

bed and were there's people that I want

870

00:33:22,409 --> 00:33:21,010

to talk to in these people that I don't

871

00:33:23,820 --> 00:33:22,419

want to talk so not that they're go to

872

00:33:26,070 --> 00:33:23,830

bed they just they just have their own

873

00:33:28,320 --> 00:33:26,080

ideas and we either resonate and can

874

00:33:30,120 --> 00:33:28,330

work together or we'll fight and I just

875

00:33:32,039 --> 00:33:30,130

have no room for that nonsense I'm not

876

00:33:34,799 --> 00:33:32,049

into that stuff that's not my thing but

877

00:33:37,409 --> 00:33:34,809

this has attracted people at many

878

00:33:40,230 --> 00:33:37,419

different levels I was contacted by you

879

00:33:43,020 --> 00:33:40,240

know multiple television networks and

880

00:33:45,330 --> 00:33:43,030

companies like that where some companies

881

00:33:47,010 --> 00:33:45,340

contacted me and said hey we like your

882

00:33:49,350 --> 00:33:47,020

story but can you put this in the

883

00:33:51,750 --> 00:33:49,360

beginning and change it and I said

884

00:33:52,890 --> 00:33:51,760

absolutely not I will tell my story but

885

00:33:55,350 --> 00:33:52,900

I'm telling my story

886

00:33:57,360 --> 00:33:55,360

I'm not fabricating it I'm not lying I'm

887

00:33:59,190 --> 00:33:57,370

not changing the introduction because

888

00:34:01,470 --> 00:33:59,200

then it's not my story I can't do

889

00:34:04,019 --> 00:34:01,480

that right and you know some people

890

00:34:06,389 --> 00:34:04,029

didn't want to hear that you know I even

891

00:34:08,700 --> 00:34:06,399

had conversations with you know I'm sure

892

00:34:10,319 --> 00:34:08,710

you heard of the movie communion I had

893

00:34:13,109 --> 00:34:10,329

conversations with the director from

894

00:34:14,399 --> 00:34:13,119

communion so Lamora and we spoke at

895

00:34:16,290 --> 00:34:14,409

length and he's a gentleman and he's a

896

00:34:18,089 --> 00:34:16,300

great guy and we just talked about and

897

00:34:19,680 --> 00:34:18,099

he found it very intriguing what I had

898

00:34:21,540 --> 00:34:19,690

went through and we discuss things and

899

00:34:22,980 --> 00:34:21,550

what will that bring in the future I

900

00:34:23,579 --> 00:34:22,990

don't know we'll see what happens I'm

901
00:34:28,859 --> 00:34:23,589
open

902
00:34:31,079 --> 00:34:28,869
my story and being Who I am and having

903
00:34:33,240 --> 00:34:31,089
amazing people around me to help me it

904
00:34:36,060 --> 00:34:33,250
has attracted people like Philip Mora

905
00:34:38,639 --> 00:34:36,070
and others out there to at least speak

906
00:34:40,680 --> 00:34:38,649
to me and hear the story and and the

907
00:34:42,510 --> 00:34:40,690
vision I had had with all this is at

908
00:34:43,800 --> 00:34:42,520
first I just wanted to speak at one UFO

909
00:34:45,869 --> 00:34:43,810
conference I said I just want to speak

910
00:34:48,750 --> 00:34:45,879
at one conference get my story out and

911
00:34:51,359 --> 00:34:48,760
that's it whereas now anything that

912
00:34:53,010 --> 00:34:51,369
comes I'm just trying to remain open you

913
00:34:55,710 --> 00:34:53,020

know anything that comes my way I will

914

00:34:57,420 --> 00:34:55,720

try to remain open to and if it feels

915

00:34:59,700 --> 00:34:57,430

right if the energy is right just like

916

00:35:02,069 --> 00:34:59,710

it was when I met Jess Mary and Gary and

917

00:35:04,109 --> 00:35:02,079

all these people I will go ahead with it

918

00:35:05,880 --> 00:35:04,119

I will trust the universe to keep

919

00:35:09,440 --> 00:35:05,890

guiding me on the path that I've been on

920

00:35:13,230 --> 00:35:09,450

so it's yeah it's been pretty incredible

921

00:35:15,240 --> 00:35:13,240

now the amazing thing to me and you know

922

00:35:17,280 --> 00:35:15,250

people can think what they want I could

923

00:35:20,040 --> 00:35:17,290

talk to experiencers in contact these

924

00:35:22,290 --> 00:35:20,050

five times a day if I wanted to the

925

00:35:26,940 --> 00:35:22,300

thing that you did that blows my mind is

926

00:35:28,050 --> 00:35:26,950

you relocated to Australia for me I'm

927

00:35:30,750 --> 00:35:28,060

not sure which would be the bigger

928

00:35:32,670 --> 00:35:30,760

adjustment moving to Australia or moving

929

00:35:36,540 --> 00:35:32,680

to an alien planet I'm not kidding yeah

930

00:35:38,520 --> 00:35:36,550

yeah you're down there now and tell me a

931

00:35:40,559 --> 00:35:38,530

little bit about some of the adjustments

932

00:35:41,849 --> 00:35:40,569

that you've got to go through I think

933

00:35:44,640 --> 00:35:41,859

there would be a little bit of culture

934

00:35:47,940 --> 00:35:44,650

shock there oh yeah well it's not New

935

00:35:49,980 --> 00:35:47,950

York City I can tell you that you know

936

00:35:52,290 --> 00:35:49,990

it's not 24/7 non-stop I mean you have

937

00:35:54,450 --> 00:35:52,300

no one city here which is beautiful but

938

00:35:55,260 --> 00:35:54,460

you know the people are great it's

939

00:35:59,160 --> 00:35:55,270

smaller

940

00:36:01,500 --> 00:35:59,170

people are more open and accepting to

941

00:36:03,020 --> 00:36:01,510

some of these topics at least from the

942

00:36:05,970 --> 00:36:03,030

feedback that I've gotten from people

943

00:36:07,559 --> 00:36:05,980

the weather is a lot warmer it's a much

944

00:36:08,819 --> 00:36:07,569

more bearable than the New York I'm done

945

00:36:12,990 --> 00:36:08,829

with that New York winter forget about

946

00:36:14,670 --> 00:36:13,000

that you know and the the contacts

947

00:36:18,510 --> 00:36:14,680

I mean yeah I haven't had any sort of

948

00:36:20,010 --> 00:36:18,520

interference you know as far as yeah

949

00:36:22,140 --> 00:36:20,020

well I Andrew what do you eat there I

950

00:36:24,450 --> 00:36:22,150

mean you can't get up at 3 o'clock in

951
00:36:28,050 --> 00:36:24,460
the morning there come on man there's

952
00:36:29,400 --> 00:36:28,060
nothing I mean they got 7/11 but they

953
00:36:32,070 --> 00:36:29,410
you know they close on the weekends so

954
00:36:33,660 --> 00:36:32,080
yeah I mean it is completely different

955
00:36:35,580 --> 00:36:33,670
night and day but I knew in my heart

956
00:36:37,950 --> 00:36:35,590
that this was the right decision and I'm

957
00:36:39,750 --> 00:36:37,960
all-in with this and you know there's

958
00:36:41,460 --> 00:36:39,760
greater and greater things that are

959
00:36:43,349 --> 00:36:41,470
coming and have come since coming here

960
00:36:46,410 --> 00:36:43,359
you know the people here have been kind

961
00:36:48,089 --> 00:36:46,420
they speak a little different you know

962
00:36:49,950 --> 00:36:48,099
some of the slang and the terminology is

963
00:36:51,690 --> 00:36:49,960

different but they've been they've been

964

00:36:53,730 --> 00:36:51,700

loving and accepting and the family

965

00:36:55,890 --> 00:36:53,740

around here my neighbors are awesome and

966

00:36:57,330 --> 00:36:55,900

just like anything you know I put in my

967

00:36:58,410 --> 00:36:57,340

time did what I had to do in New York

968

00:37:00,390 --> 00:36:58,420

City for all those years

969

00:37:02,070 --> 00:37:00,400

but I take that with me you know I take

970

00:37:05,370 --> 00:37:02,080

that with me here and I apply it and

971

00:37:07,080 --> 00:37:05,380

I've met some incredible spiritual

972

00:37:09,060 --> 00:37:07,090

people of all people contact these

973

00:37:12,420 --> 00:37:09,070

experiences so it's showing me that it's

974

00:37:14,280 --> 00:37:12,430

not as different as I thought because I

975

00:37:16,770 --> 00:37:14,290

did the same thing in New York I'm doing

976

00:37:18,030 --> 00:37:16,780

the same thing here contact wise and you

977

00:37:19,470 --> 00:37:18,040

know and work in school and all that

978

00:37:21,510 --> 00:37:19,480

stuff he's here it's basically the same

979

00:37:24,780 --> 00:37:21,520

stuff that's a little bit warmer the

980

00:37:26,070 --> 00:37:24,790

people a little bit nicer you know you

981

00:37:27,180 --> 00:37:26,080

know but I lived in New York City I

982

00:37:29,940 --> 00:37:27,190

lived in Brooklyn you know I live all

983

00:37:31,710 --> 00:37:29,950

over the place in New York so you know I

984

00:37:33,390 --> 00:37:31,720

kind of grew up in a rougher type

985

00:37:35,310 --> 00:37:33,400

environment over the years and living in

986

00:37:36,660 --> 00:37:35,320

different places and was a little street

987

00:37:38,490 --> 00:37:36,670

smart I guess you could say so

988

00:37:43,829 --> 00:37:38,500

yeah I've had to tone it down a few

989

00:37:45,810 --> 00:37:43,839

levels with you know I don't I heard

990

00:37:47,370 --> 00:37:45,820

that Australians use a lot of profanity

991

00:37:51,270 --> 00:37:47,380

as in in New York I've been little

992

00:37:52,890 --> 00:37:51,280

shocked by that you know well it's like

993

00:37:54,839 --> 00:37:52,900

sometimes I'm like wow these people the

994

00:37:56,820 --> 00:37:54,849

to come they're too nice man he's got a

995

00:38:03,599 --> 00:37:56,830

conspiracy right they men in black

996

00:38:05,070 --> 00:38:03,609

what's you know what's going exact same

997

00:38:07,020 --> 00:38:05,080

stuff wherever you go people are great

998

00:38:08,760 --> 00:38:07,030

overall you know there's always a couple

999

00:38:10,349 --> 00:38:08,770

but uh the people here have been so

1000

00:38:13,020 --> 00:38:10,359

loving and open and now I'm closer to

1001
00:38:15,540 --> 00:38:13,030
Mary and I get to see Peter Maxwell all

1002
00:38:17,520 --> 00:38:15,550
the time he's not far from me so there's

1003
00:38:19,710 --> 00:38:17,530
no doubt that I was meant to meet Jess

1004
00:38:22,410 --> 00:38:19,720
and then have this family life and meet

1005
00:38:24,540 --> 00:38:22,420
Peter and be with Mary and have all the

1006
00:38:26,010 --> 00:38:24,550
right people right close to me within

1007
00:38:26,730 --> 00:38:26,020
driving distance you know that I can

1008
00:38:28,980 --> 00:38:26,740
come and see

1009
00:38:31,500 --> 00:38:28,990
and spend time with and continue to do

1010
00:38:32,400 --> 00:38:31,510
this work which got me here you know

1011
00:38:33,599 --> 00:38:32,410
what I mean I'm not just here and I'm

1012
00:38:35,790 --> 00:38:33,609
just dumped off and there's nothing

1013
00:38:36,630 --> 00:38:35,800

around this is where this went to

1014

00:38:37,829 --> 00:38:36,640

another level

1015

00:38:39,599 --> 00:38:37,839

I mean where did this is for me it's at

1016

00:38:40,980 --> 00:38:39,609

a different level a higher level of

1017

00:38:43,859 --> 00:38:40,990

ascension if you want to call whatever

1018

00:38:46,290 --> 00:38:43,869

it is more awareness so I'm ready for

1019

00:38:50,280 --> 00:38:46,300

the next thing you know and I finished

1020

00:38:52,670 --> 00:38:50,290

making a documentary with a student from

1021

00:38:55,140 --> 00:38:52,680

Harvard University when I was in America

1022

00:38:58,079 --> 00:38:55,150

so that will be out I don't know exactly

1023

00:39:00,089 --> 00:38:58,089

when but that'll be really cool yeah we

1024

00:39:01,680 --> 00:39:00,099

had talked about this and I'm seeing

1025

00:39:04,950 --> 00:39:01,690

some of his other work and it's really

1026

00:39:05,910 --> 00:39:04,960

good so I'm hoping that what he comes up

1027

00:39:08,700 --> 00:39:05,920

with with you

1028

00:39:10,560 --> 00:39:08,710

matches up and if it does with the stuff

1029

00:39:12,810 --> 00:39:10,570

he's already done it'll be a good watch

1030

00:39:14,280 --> 00:39:12,820

it'll be a lot of fun well people always

1031

00:39:16,349 --> 00:39:14,290

used to say why don't you get a bit of

1032

00:39:18,300 --> 00:39:16,359

camera why are you just using iPhone get

1033

00:39:20,490 --> 00:39:18,310

this get back at that and I would say I

1034

00:39:23,339 --> 00:39:20,500

know you don't understand this but my

1035

00:39:24,990 --> 00:39:23,349

Higher Self or the e t--'s or the aliens

1036

00:39:27,960 --> 00:39:25,000

or a god or they ain't whatever you want

1037

00:39:29,550 --> 00:39:27,970

to call them they keep telling me keep

1038

00:39:31,829 --> 00:39:29,560

taking the photos the way you are

1039

00:39:33,180 --> 00:39:31,839

eventually you will come cross with

1040

00:39:35,280 --> 00:39:33,190

somebody that has this equipment and

1041

00:39:37,440 --> 00:39:35,290

they will be part of this experience

1042

00:39:39,540 --> 00:39:37,450

with you because it's all about us being

1043

00:39:42,000 --> 00:39:39,550

together what I tried to do is take

1044

00:39:44,099 --> 00:39:42,010

pictures to show people all you need is

1045

00:39:45,599 --> 00:39:44,109

a basic phone in your pocket you could

1046

00:39:47,430 --> 00:39:45,609

take some pictures yes and they the

1047

00:39:49,320 --> 00:39:47,440

highest resolution highest quality

1048

00:39:51,060 --> 00:39:49,330

no but iPhones are a lot better today

1049

00:39:53,040 --> 00:39:51,070

than they were when I first had one back

1050

00:39:55,470 --> 00:39:53,050

in the day so you'll get a better

1051

00:39:57,900 --> 00:39:55,480

quality photo and it led me to people

1052

00:39:59,849 --> 00:39:57,910

like the like this student from Harvard

1053

00:40:02,099 --> 00:39:59,859

and I'm also working on a documentary

1054

00:40:04,380 --> 00:40:02,109

with a student from SVA the School of

1055

00:40:06,089 --> 00:40:04,390

Visual Arts from New York City

1056

00:40:07,440 --> 00:40:06,099

same thing another amazing thing that

1057

00:40:09,599 --> 00:40:07,450

will come out of let you know all about

1058

00:40:11,160 --> 00:40:09,609

that when that's done and then meeting

1059

00:40:13,079 --> 00:40:11,170

somebody like Peter Maxwell Slattery who

1060

00:40:14,910 --> 00:40:13,089

has the best footage I've ever met of an

1061

00:40:16,890 --> 00:40:14,920

experience he's going to give and I've

1062

00:40:19,710 --> 00:40:16,900

seen I've seen gear he's got he's he's

1063

00:40:21,240 --> 00:40:19,720

good to go he's good to go so it's great

1064

00:40:23,790 --> 00:40:21,250

because if I did all that did all that

1065

00:40:25,980 --> 00:40:23,800

on myself I'm sure I'd hear nothing from

1066

00:40:27,599 --> 00:40:25,990

ufology but OC selfish it's all about

1067

00:40:30,210 --> 00:40:27,609

him look at him know we're all in this

1068

00:40:32,280 --> 00:40:30,220

together and to me this was part of my

1069

00:40:34,320 --> 00:40:32,290

story I only have my story but my story

1070

00:40:37,560 --> 00:40:34,330

is were all in this together all

1071

00:40:40,529 --> 00:40:37,570

evolving us with this intelligence of hi

1072

00:40:42,329 --> 00:40:40,539

strangers we're all evolving together

1073

00:40:44,339 --> 00:40:42,339

we need each other we're all in this

1074

00:40:46,289 --> 00:40:44,349

together all ascending together or in

1075

00:40:48,179 --> 00:40:46,299

some people's cases we're descending

1076
00:40:51,059 --> 00:40:48,189
together it depends how you look at this

1077
00:40:54,209 --> 00:40:51,069
right I mean oh yeah yeah it's it's been

1078
00:40:57,349 --> 00:40:54,219
a fabulous field because it really is a

1079
00:40:59,699 --> 00:40:57,359
catalyst for self-actualization

1080
00:41:01,109 --> 00:40:59,709
exactly you you you got a you got a

1081
00:41:03,900 --> 00:41:01,119
marriage on if it I haven't gotten that

1082
00:41:05,549 --> 00:41:03,910
yet I'm not sure I want to take it I'm

1083
00:41:07,799 --> 00:41:05,559
not sure I want to take my ascension as

1084
00:41:08,819 --> 00:41:07,809
far as you have you know but you know

1085
00:41:11,249 --> 00:41:08,829
I've learned how to put together a

1086
00:41:11,729 --> 00:41:11,259
podcast I put together my website years

1087
00:41:13,289 --> 00:41:11,739
ago

1088
00:41:14,909 --> 00:41:13,299

you know I would never have done that

1089

00:41:16,049 --> 00:41:14,919

because I wouldn't have had any content

1090

00:41:18,449 --> 00:41:16,059

to put in it so I wouldn't have bothered

1091

00:41:19,650 --> 00:41:18,459

but it's been a fabulous experience I

1092

00:41:22,309 --> 00:41:19,660

wouldn't trade it for the world

1093

00:41:24,870 --> 00:41:22,319

no and I have to say what's interesting

1094

00:41:26,900 --> 00:41:24,880

the whole reason that all of this

1095

00:41:29,969 --> 00:41:26,910

happened or I was aware of this is

1096

00:41:31,890 --> 00:41:29,979

trauma the trauma that I faced in my

1097

00:41:33,150 --> 00:41:31,900

life which if you wouldn't mind I just

1098

00:41:35,159 --> 00:41:33,160

wanted to kind of go to the beginning

1099

00:41:36,929 --> 00:41:35,169

and just explain so people gotta have

1100

00:41:38,519 --> 00:41:36,939

understanding of how the heck did this

1101
00:41:41,669 --> 00:41:38,529
thought what's going on there just

1102
00:41:44,009 --> 00:41:41,679
happened out of nowhere so I told my

1103
00:41:47,609 --> 00:41:44,019
mother when I was about four years old I

1104
00:41:49,319 --> 00:41:47,619
said mommy I died I said I died already

1105
00:41:51,509 --> 00:41:49,329
I drowned in the water I went to heaven

1106
00:41:53,339 --> 00:41:51,519
I was with Jesus and now I'm back here

1107
00:41:55,819 --> 00:41:53,349
and you're my mommy now

1108
00:42:00,089 --> 00:41:55,829
she didn't tell me this until I was 35

1109
00:42:01,919 --> 00:42:00,099
so much she said you you said this when

1110
00:42:04,319 --> 00:42:01,929
you were four years old so that's the

1111
00:42:06,419 --> 00:42:04,329
earliest memory that my mom told me of

1112
00:42:07,439 --> 00:42:06,429
something and I remember seeing things

1113
00:42:09,299 --> 00:42:07,449

at a very young age

1114

00:42:10,919 --> 00:42:09,309

once again I just didn't know what was

1115

00:42:12,479 --> 00:42:10,929

going on I couldn't tell you that was

1116

00:42:12,870 --> 00:42:12,489

the experience but if I said it to my

1117

00:42:14,909 --> 00:42:12,880

mother

1118

00:42:17,130 --> 00:42:14,919

well I'm telling you that's the truth my

1119

00:42:19,859 --> 00:42:17,140

mom wouldn't lie about this so she told

1120

00:42:22,469 --> 00:42:19,869

me that and then at five not long after

1121

00:42:25,759 --> 00:42:22,479

at five my best friend my childhood best

1122

00:42:29,579 --> 00:42:25,769

friend passed away and since that moment

1123

00:42:31,620 --> 00:42:29,589

things were different my awareness of

1124

00:42:34,319 --> 00:42:31,630

things things started to change

1125

00:42:35,699 --> 00:42:34,329

I I was really I wasn't quite sure what

1126
00:42:37,380 --> 00:42:35,709
was going on around me and why people

1127
00:42:39,479 --> 00:42:37,390
would just hear one moment and then gone

1128
00:42:41,189 --> 00:42:39,489
the next I'm like what is going on but

1129
00:42:44,849 --> 00:42:41,199
at five that's kind of hard to formulate

1130
00:42:47,939 --> 00:42:44,859
to someone you know so then as we go on

1131
00:42:51,149 --> 00:42:47,949
now we're at about 13 years old my best

1132
00:42:54,000 --> 00:42:51,159
friend dies in high school and Here I am

1133
00:42:55,890 --> 00:42:54,010
I'm like wow is this me like

1134
00:42:58,080 --> 00:42:55,900
should I just not like be friends with

1135
00:43:00,450 --> 00:42:58,090
people and not really open up but

1136
00:43:03,480 --> 00:43:00,460
something in me was like no no let's go

1137
00:43:05,070 --> 00:43:03,490
further and my vision or things I was

1138
00:43:07,200 --> 00:43:05,080

looking at around me my vision about

1139

00:43:09,210 --> 00:43:07,210

life was changing it was like you know

1140

00:43:10,349 --> 00:43:09,220

what if I want to do something do it you

1141

00:43:12,900 --> 00:43:10,359

never know right if we'll be here

1142

00:43:16,050 --> 00:43:12,910

tomorrow right just go all out live the

1143

00:43:17,910 --> 00:43:16,060

most you can have the most fun and I

1144

00:43:20,040 --> 00:43:17,920

started to do that I started to really

1145

00:43:21,980 --> 00:43:20,050

you know experiment and go out and try

1146

00:43:24,599 --> 00:43:21,990

things and just try new things sports

1147

00:43:26,520 --> 00:43:24,609

make new friends you know whatever it

1148

00:43:29,460 --> 00:43:26,530

was just try to really get sociable and

1149

00:43:31,950 --> 00:43:29,470

I was watching the show unsolved

1150

00:43:34,020 --> 00:43:31,960

mysteries for several years with my

1151
00:43:36,330 --> 00:43:34,030
grandmother and we would always talk

1152
00:43:39,240 --> 00:43:36,340
about oh wow look at that ghost story

1153
00:43:41,760 --> 00:43:39,250
look at those UFOs now I didn't know

1154
00:43:43,230 --> 00:43:41,770
exactly what the phenomena was I just

1155
00:43:44,849 --> 00:43:43,240
would watch that and go well I believe

1156
00:43:47,010 --> 00:43:44,859
in that I don't know why but this I I

1157
00:43:49,410 --> 00:43:47,020
believe that's true and I believe that

1158
00:43:52,050 --> 00:43:49,420
this spirits I'm seeing things around me

1159
00:43:55,050 --> 00:43:52,060
but I don't know what they are and my

1160
00:43:56,609 --> 00:43:55,060
grandmother told me some paranormal

1161
00:43:58,230 --> 00:43:56,619
experiences that she had experienced

1162
00:44:00,780 --> 00:43:58,240
throughout her whole life and seeing

1163
00:44:03,630 --> 00:44:00,790

UFOs and we would talk about these

1164

00:44:05,640 --> 00:44:03,640

things openly but I still I couldn't go

1165

00:44:07,830 --> 00:44:05,650

to school I couldn't you know bring this

1166

00:44:09,090 --> 00:44:07,840

up in my own home just because not that

1167

00:44:11,010 --> 00:44:09,100

I get yelled at but like my parents

1168

00:44:13,140 --> 00:44:11,020

weren't into that like that they just

1169

00:44:14,340 --> 00:44:13,150

didn't have an awareness of it you know

1170

00:44:19,470 --> 00:44:14,350

like where it was talked about at the

1171

00:44:21,300 --> 00:44:19,480

kitchen table in 1986 on the table I

1172

00:44:22,530 --> 00:44:21,310

didn't even have cable TV to watch them

1173

00:44:23,760 --> 00:44:22,540

solve mysteries I'd have to go to my

1174

00:44:25,320 --> 00:44:23,770

grandmother's to watch it you know what

1175

00:44:27,720 --> 00:44:25,330

I mean so like it was a whole a whole

1176

00:44:29,220 --> 00:44:27,730

production and as time went on I

1177

00:44:31,470 --> 00:44:29,230

remember saying to my grandmother I go

1178

00:44:34,530 --> 00:44:31,480

Graham whenever you die and you go to

1179

00:44:37,500 --> 00:44:34,540

heaven and you're a grandpa please come

1180

00:44:39,870 --> 00:44:37,510

back and show me a sign just show me

1181

00:44:41,760 --> 00:44:39,880

something but not like a feather a bird

1182

00:44:44,700 --> 00:44:41,770

feather or a coin on the ground like I

1183

00:44:46,800 --> 00:44:44,710

need to know what you please and she

1184

00:44:50,340 --> 00:44:46,810

looked at me and she goes I'm gonna come

1185

00:44:51,720 --> 00:44:50,350

back and haunt you because no of course

1186

00:44:54,990 --> 00:44:51,730

honey I love you of course I'll come

1187

00:44:56,820 --> 00:44:55,000

back all right Graham thanks and well

1188

00:44:58,920 --> 00:44:56,830

I'll tell you this so your first wedding

1189

00:45:02,430 --> 00:44:58,930

now you go in a couple years I'm seeing

1190

00:45:04,920 --> 00:45:02,440

things like this things around me now

1191

00:45:07,410 --> 00:45:04,930

i'm down in the gulf of mexico I'm in

1192

00:45:07,800 --> 00:45:07,420

the Caribbean and I'm in the u.s. Coast

1193

00:45:09,870 --> 00:45:07,810

Guard

1194

00:45:12,390 --> 00:45:09,880

and this is in New York Post article as

1195

00:45:13,980 --> 00:45:12,400

well and the Nightwatchman right so

1196

00:45:15,480 --> 00:45:13,990

there's one night watchman per night

1197

00:45:17,640 --> 00:45:15,490

you're on top of the boat and you're

1198

00:45:19,710 --> 00:45:17,650

scanning the entire city you have these

1199

00:45:21,090 --> 00:45:19,720

giant binoculars you have hand

1200

00:45:23,610 --> 00:45:21,100

binoculars and you have night-vision

1201
00:45:27,510 --> 00:45:23,620
goggles I don't know what generation

1202
00:45:29,580 --> 00:45:27,520
they were at that's HA 1999 whatever it

1203
00:45:30,690 --> 00:45:29,590
was maybe they would generation 3 I'm

1204
00:45:32,340 --> 00:45:30,700
not positive though but they were the

1205
00:45:34,740 --> 00:45:32,350
top of the line at the time I know that

1206
00:45:36,300 --> 00:45:34,750
so I'm looking at the sky and I'm only

1207
00:45:37,620 --> 00:45:36,310
up top for like you know you only go up

1208
00:45:40,230 --> 00:45:37,630
there for like 20 minutes and equipped

1209
00:45:43,020 --> 00:45:40,240
and you rotate so I'm up there and I

1210
00:45:45,000 --> 00:45:43,030
look and I see these two silver object

1211
00:45:46,860 --> 00:45:45,010
and they're flying in formation not

1212
00:45:51,330 --> 00:45:46,870
side-by-side but kind of like you know

1213
00:45:53,640 --> 00:45:51,340

like just like slash you know like just

1214

00:45:55,620 --> 00:45:53,650

like a backward slash you know so it's

1215

00:45:57,270 --> 00:45:55,630

like one and one that's it and they're

1216

00:45:58,590 --> 00:45:57,280

staggered so one is a little bit ahead

1217

00:46:00,900 --> 00:45:58,600

of the other but they look like they're

1218

00:46:02,520 --> 00:46:00,910

moving together now I'm like oh it's got

1219

00:46:03,990 --> 00:46:02,530

to be a satellite right King I'm not

1220

00:46:05,280 --> 00:46:04,000

even thinking UFO I'm just like what is

1221

00:46:07,530 --> 00:46:05,290

that but it's got to be satellite or

1222

00:46:10,620 --> 00:46:07,540

something we could identify so I call

1223

00:46:13,080 --> 00:46:10,630

down to the bridge and that's where the

1224

00:46:14,880 --> 00:46:13,090

officer on duty was he came up and he

1225

00:46:16,500 --> 00:46:14,890

looks with his night-vision and next

1226

00:46:18,780 --> 00:46:16,510

thing you know it's like 2 o'clock in

1227

00:46:20,970 --> 00:46:18,790

the morning next thing you know he woke

1228

00:46:22,710 --> 00:46:20,980

the captain up so to wake the captain up

1229

00:46:24,960 --> 00:46:22,720

at 2:00 in the morning on a Coast Guard

1230

00:46:26,610 --> 00:46:24,970

mission out at sea when we're chasing

1231

00:46:27,810 --> 00:46:26,620

drug runners if we're looking at

1232

00:46:29,850 --> 00:46:27,820

something else now and waking the

1233

00:46:32,040 --> 00:46:29,860

captain up at 2 a.m. it must be serious

1234

00:46:34,710 --> 00:46:32,050

it must be something concerning that

1235

00:46:36,480 --> 00:46:34,720

whoa alright what's going on so next

1236

00:46:38,640 --> 00:46:36,490

thing I know there's about 20 people up

1237

00:46:40,740 --> 00:46:38,650

there and we're all looking we're

1238

00:46:43,230 --> 00:46:40,750

passing the night-vision goggles now at

1239

00:46:45,600 --> 00:46:43,240

this point I could see these objects

1240

00:46:47,250 --> 00:46:45,610

with my naked eye at first it was only

1241

00:46:49,380 --> 00:46:47,260

with the night vision but when I took

1242

00:46:51,570 --> 00:46:49,390

the night vision away I could see them

1243

00:46:53,640 --> 00:46:51,580

with my naked eye so we're looking at

1244

00:46:56,670 --> 00:46:53,650

them all of a sudden I could see the

1245

00:46:59,220 --> 00:46:56,680

objects now this is maybe I don't know

1246

00:47:00,720 --> 00:46:59,230

exactly 10 15 minutes it's hard to

1247

00:47:03,540 --> 00:47:00,730

remember the exact time because I was so

1248

00:47:05,520 --> 00:47:03,550

fixated on this I was just amazed at

1249

00:47:07,830 --> 00:47:05,530

what was going on I could see the two

1250

00:47:10,440 --> 00:47:07,840

objects come together and when the two

1251
00:47:12,420 --> 00:47:10,450
objects came together they did not shoot

1252
00:47:14,910 --> 00:47:12,430
in any direction they touch together

1253
00:47:20,370 --> 00:47:14,920
they formed as one and they just

1254
00:47:21,599 --> 00:47:20,380
vanished no smoke no trail nothing so I

1255
00:47:24,120 --> 00:47:21,609
looked at the guys around

1256
00:47:27,660 --> 00:47:24,130
and gals I'm like what the heck was that

1257
00:47:30,239 --> 00:47:27,670
and and we all were like I don't know so

1258
00:47:33,059 --> 00:47:30,249
the next morning we we got a breakfast

1259
00:47:35,489 --> 00:47:33,069
and not a word was said now also it's

1260
00:47:37,650 --> 00:47:35,499
important to remember there was nothing

1261
00:47:40,289 --> 00:47:37,660
said to say don't even mention that

1262
00:47:42,720 --> 00:47:40,299
there was no briefing nothing nothing at

1263
00:47:45,690 --> 00:47:42,730

all so that is why I'm sharing this

1264

00:47:48,599 --> 00:47:45,700

story and I'm always skeptical or weary

1265

00:47:50,190 --> 00:47:48,609

about people that were prior service who

1266

00:47:53,339 --> 00:47:50,200

were doing top-secret missions and

1267

00:47:55,079 --> 00:47:53,349

they're sharing the story now because my

1268

00:47:56,999 --> 00:47:55,089

understanding being in the service the

1269

00:47:58,829 --> 00:47:57,009

way it works is if you experiencing

1270

00:48:00,059 --> 00:47:58,839

something and you're briefed on it or

1271

00:48:02,249 --> 00:48:00,069

there's something going on you're never

1272

00:48:03,870 --> 00:48:02,259

talking about that ever that's a matter

1273

00:48:06,180 --> 00:48:03,880

of national security that's my

1274

00:48:09,180 --> 00:48:06,190

understanding though oh yeah the guys I

1275

00:48:10,829 --> 00:48:09,190

talk to there are from whatever reason

1276

00:48:12,870 --> 00:48:10,839

there are some guys who are told don't

1277

00:48:14,999 --> 00:48:12,880

talk and other guys who are you know not

1278

00:48:19,979 --> 00:48:15,009

told anything and it's the guys who are

1279

00:48:21,269 --> 00:48:19,989

not told anything yeah yeah I've heard

1280

00:48:23,039 --> 00:48:21,279

I've heard that too I've heard that

1281

00:48:25,890 --> 00:48:23,049

people that are speaking they have

1282

00:48:27,660 --> 00:48:25,900

authorization to because you cannot just

1283

00:48:29,099 --> 00:48:27,670

say oh no one knows this but I'm gonna

1284

00:48:31,049 --> 00:48:29,109

tell you this just like Frank I would

1285

00:48:33,269 --> 00:48:31,059

never tell you and your audience oh this

1286

00:48:34,650 --> 00:48:33,279

happened but this was a secret no no no

1287

00:48:37,349 --> 00:48:34,660

they never said anything so I'm not

1288

00:48:39,029 --> 00:48:37,359

breaking any code we don't know what it

1289

00:48:41,039 --> 00:48:39,039

was I don't even know how they would

1290

00:48:43,140 --> 00:48:41,049

have reported that if they did report it

1291

00:48:45,029 --> 00:48:43,150

we were all blown away I mean this is

1292

00:48:46,950 --> 00:48:45,039

the late 90s Frank this is not recently

1293

00:48:49,589 --> 00:48:46,960

you know the technology then is not what

1294

00:48:52,739 --> 00:48:49,599

it was today however the way this object

1295

00:48:54,870 --> 00:48:52,749

move the rate of speed and and what I

1296

00:48:56,849 --> 00:48:54,880

saw the shape and size of it from the

1297

00:48:59,430 --> 00:48:56,859

distance I was I mean the thing was

1298

00:49:01,559 --> 00:48:59,440

enormous and how it just vanished

1299

00:49:04,470 --> 00:49:01,569

I know this if it was a military craft

1300

00:49:06,779 --> 00:49:04,480

or was some experimental technology now

1301

00:49:10,049 --> 00:49:06,789

if if they were taking the chance of

1302

00:49:13,019 --> 00:49:10,059

putting the 72 crew members on my boat

1303

00:49:14,519 --> 00:49:13,029

at risk by coming by us appearing like

1304

00:49:17,370 --> 00:49:14,529

that and vanishing knowing very well

1305

00:49:19,829 --> 00:49:17,380

that we try to contact them right you'd

1306

00:49:22,410 --> 00:49:19,839

contact any ships in the air or at sea

1307

00:49:23,789 --> 00:49:22,420

if they don't respond to you if they

1308

00:49:25,620 --> 00:49:23,799

don't respond that's it we shoot them

1309

00:49:27,630 --> 00:49:25,630

that that's it there is no negotiation

1310

00:49:29,249 --> 00:49:27,640

if they're not responding and they won't

1311

00:49:32,849 --> 00:49:29,259

communicate with us we would have shot

1312

00:49:35,550 --> 00:49:32,859

them so if they would have put that at

1313

00:49:38,130 --> 00:49:35,560

risk their life I don't know but I I

1314

00:49:39,360 --> 00:49:38,140

I find that extremely disappointing if

1315

00:49:41,430 --> 00:49:39,370

they would have done that because that

1316

00:49:43,500 --> 00:49:41,440

could have been a very sticky situation

1317

00:49:45,270 --> 00:49:43,510

so maybe they did maybe they didn't but

1318

00:49:47,730 --> 00:49:45,280

I know any people were on the deck with

1319

00:49:49,740 --> 00:49:47,740

you saw this oh this is about 20 there

1320

00:49:51,570 --> 00:49:49,750

was 72 members on the boat there was

1321

00:49:53,160 --> 00:49:51,580

about 20 total when they woke up the

1322

00:49:55,380 --> 00:49:53,170

captain all the other officers came up

1323

00:49:57,480 --> 00:49:55,390

and then a couple of guys we call the

1324

00:49:59,010 --> 00:49:57,490

deck force the guys that are driving the

1325

00:50:00,570 --> 00:49:59,020

boat the deckhands walk people up to

1326

00:50:02,370 --> 00:50:00,580

like you got to see this I mean this is

1327

00:50:03,810 --> 00:50:02,380

this is like I don't I asked though the

1328

00:50:05,850 --> 00:50:03,820

guys like have you seen anything or and

1329

00:50:07,560 --> 00:50:05,860

a lot of guys were like now and some

1330

00:50:10,260 --> 00:50:07,570

old-timers like yeah you know we've seen

1331

00:50:11,970 --> 00:50:10,270

things but once again you don't want to

1332

00:50:13,350 --> 00:50:11,980

be that guy you don't want to go to the

1333

00:50:16,740 --> 00:50:13,360

boss and say hey I want to make a report

1334

00:50:18,570 --> 00:50:16,750

now they would be like whoa no no no

1335

00:50:20,820 --> 00:50:18,580

because then you gonna have I G you know

1336

00:50:22,230 --> 00:50:20,830

the investigations come and forget it do

1337

00:50:23,760 --> 00:50:22,240

they're gonna lift you off your boat and

1338

00:50:25,590 --> 00:50:23,770

you're never gonna work on a boat again

1339

00:50:27,870 --> 00:50:25,600

if they don't throw you out right so

1340

00:50:29,490 --> 00:50:27,880

that that seems to be changing I'm sure

1341

00:50:31,140 --> 00:50:29,500

you've seen the news it might not have

1342

00:50:33,000 --> 00:50:31,150

been that news down in Australia but I

1343

00:50:34,920 --> 00:50:33,010

know you stay up on the UFO stuff

1344

00:50:38,430 --> 00:50:34,930

through Facebook and so on about the

1345

00:50:41,220 --> 00:50:38,440

change in the Navy policy it seems like

1346

00:50:43,530 --> 00:50:41,230

the Navy really wants their guys and

1347

00:50:47,190 --> 00:50:43,540

gals to come forward if they do see

1348

00:50:48,660 --> 00:50:47,200

something they want that now yeah well I

1349

00:50:52,530 --> 00:50:48,670

could say this I'm very grateful for

1350

00:50:56,280 --> 00:50:52,540

that because I have family that are you

1351

00:50:59,190 --> 00:50:56,290

know active-duty pilots in the military

1352

00:51:00,540 --> 00:50:59,200

that this affects and you know they

1353

00:51:01,980 --> 00:51:00,550

don't share their stories with me

1354

00:51:03,870 --> 00:51:01,990

nothing like that they never will

1355

00:51:05,940 --> 00:51:03,880

because their active duty and even when

1356

00:51:07,470 --> 00:51:05,950

they retire they don't they never did

1357

00:51:09,540 --> 00:51:07,480

that anyway but I have relatives that

1358

00:51:11,190 --> 00:51:09,550

you know did their time in the Navy and

1359

00:51:13,410 --> 00:51:11,200

then one of them worked for skunk works

1360

00:51:15,090 --> 00:51:13,420

but regardless they never said anything

1361

00:51:16,680 --> 00:51:15,100

to me they're like they don't they don't

1362

00:51:18,630 --> 00:51:16,690

even respond when I try to ask them

1363

00:51:20,160 --> 00:51:18,640

about this stuff because they had

1364

00:51:22,020 --> 00:51:20,170

clearances and whatever the clearances

1365

00:51:23,490 --> 00:51:22,030

are they obviously did not go away and I

1366

00:51:25,710 --> 00:51:23,500

respect that you know I respect that

1367

00:51:27,960 --> 00:51:25,720

people that for whatever reasons it's

1368

00:51:29,760 --> 00:51:27,970

that sensitive that they can't tell me

1369

00:51:31,080 --> 00:51:29,770

to tell people and whatever else and you

1370

00:51:33,300 --> 00:51:31,090

know what that's obviously none of my

1371

00:51:34,860 --> 00:51:33,310

business so I just stay away from that

1372

00:51:36,750 --> 00:51:34,870

you know for whatever reasons let them

1373

00:51:38,190 --> 00:51:36,760

do whatever they have to do they have a

1374

00:51:40,200 --> 00:51:38,200

job when they're in the military to do

1375

00:51:42,660 --> 00:51:40,210

that job let him do that job you know

1376

00:51:45,180 --> 00:51:42,670

that's fine and it is nice to see that

1377

00:51:46,470 --> 00:51:45,190

then at least these pilots or even ship

1378

00:51:48,660 --> 00:51:46,480

men or people that are out there if they

1379

00:51:49,490 --> 00:51:48,670

see something hey they could then now

1380

00:51:52,280 --> 00:51:49,500

they could report it

1381

00:51:54,140 --> 00:51:52,290

looking like a nutjob because they have

1382

00:51:56,330 --> 00:51:54,150

been seeing things since the beginning

1383

00:51:57,950 --> 00:51:56,340

of the military times I'm like you know

1384

00:52:00,980 --> 00:51:57,960

fifth generation five generations going

1385

00:52:03,050 --> 00:52:00,990

back and my family of you know Navy Navy

1386

00:52:05,720 --> 00:52:03,060

people and people in the military and

1387

00:52:07,940 --> 00:52:05,730

I'm a third generation New York City

1388

00:52:09,170 --> 00:52:07,950

firefighter as well and you know there's

1389

00:52:10,820 --> 00:52:09,180

there's things that have been happening

1390

00:52:13,550 --> 00:52:10,830

since the beginning of these times that

1391

00:52:15,050 --> 00:52:13,560

it was just taboo you never brought that

1392

00:52:17,390 --> 00:52:15,060

up at work you don't want to be that

1393

00:52:19,820 --> 00:52:17,400

person but now I think people are waking

1394

00:52:23,420 --> 00:52:19,830

up at the right places well you got a

1395

00:52:25,370 --> 00:52:23,430

little bit of credibility in the fire

1396

00:52:28,160 --> 00:52:25,380

department when you were there because

1397

00:52:30,050 --> 00:52:28,170

you had a bad feeling that something

1398

00:52:32,000 --> 00:52:30,060

very very bad was gonna happen

1399

00:52:35,020 --> 00:52:32,010

so why don't you tell the folks about

1400

00:52:41,720 --> 00:52:35,030

that that is our an amazing story oh

1401
00:52:45,320 --> 00:52:41,730
sure sure of course so yes this was this

1402
00:52:47,420 --> 00:52:45,330
is about 2016 right around that year so

1403
00:52:50,480 --> 00:52:47,430
only a couple years ago we were

1404
00:52:51,830 --> 00:52:50,490
responding to a fire right in

1405
00:52:54,800 --> 00:52:51,840
neighboring neighborhood in Brooklyn

1406
00:52:57,050 --> 00:52:54,810
called Greenpoint and we go to this fire

1407
00:52:58,580 --> 00:52:57,060
and there were it's a shame but there

1408
00:53:00,980 --> 00:52:58,590
were two people that died in the place

1409
00:53:02,450 --> 00:53:00,990
two civilians and I remember pulling up

1410
00:53:04,730 --> 00:53:02,460
to the place hearing you know they lost

1411
00:53:06,590 --> 00:53:04,740
water and there were firefighters that

1412
00:53:08,180 --> 00:53:06,600
were jumping out of windows because it

1413
00:53:11,270 --> 00:53:08,190

was getting that dad like it was really

1414

00:53:14,120 --> 00:53:11,280

bad this is a residence right this is a

1415

00:53:16,130 --> 00:53:14,130

four story home multiple apartments so a

1416

00:53:17,390 --> 00:53:16,140

multiple dwelling type building so there

1417

00:53:18,350 --> 00:53:17,400

was regular people just sleeping there

1418

00:53:21,950 --> 00:53:18,360

in the middle of the night like 1:00

1419

00:53:24,170 --> 00:53:21,960

a.m. and we pull up and we get to the

1420

00:53:28,160 --> 00:53:24,180

front of the building and a chief comes

1421

00:53:29,930 --> 00:53:28,170

over and he says okay you guys you know

1422

00:53:31,730 --> 00:53:29,940

my company goes get ready to go in

1423

00:53:34,640 --> 00:53:31,740

you're going into the fourth floor as

1424

00:53:37,990 --> 00:53:34,650

soon as he said that Frank I'm telling

1425

00:53:41,390 --> 00:53:38,000

you I I could hear see my grandmother's

1426

00:53:43,430 --> 00:53:41,400

if you want to call it aura or spirit

1427

00:53:44,300 --> 00:53:43,440

obviously she's in spirit form right now

1428

00:53:46,850 --> 00:53:44,310

she's not alive

1429

00:53:49,960 --> 00:53:46,860

she died so she was in spirit form and I

1430

00:53:52,730 --> 00:53:49,970

could hear her say don't go in there I

1431

00:53:54,410 --> 00:53:52,740

could it's clear as day and I looked at

1432

00:53:56,000 --> 00:53:54,420

the four guys with me and I said hold on

1433

00:53:58,040 --> 00:53:56,010

we're not going in there and they look

1434

00:53:59,630 --> 00:53:58,050

back at me and they're like what and one

1435

00:54:02,210 --> 00:53:59,640

guy next to me was brand-new he had the

1436

00:54:03,380 --> 00:54:02,220

orange Probie patch on and I said just

1437

00:54:05,299 --> 00:54:03,390

wait I said why

1438

00:54:08,029 --> 00:54:05,309

look at the window and I'm telling you

1439

00:54:10,339 --> 00:54:08,039

not even 30 seconds 40 seconds later

1440

00:54:11,839 --> 00:54:10,349

fire blew out of every window on that

1441

00:54:13,490 --> 00:54:11,849

floor we were going in the fourth floor

1442

00:54:15,829 --> 00:54:13,500

and the whole building went on fire and

1443

00:54:17,240 --> 00:54:15,839

they pulled everyone out emergency so we

1444

00:54:19,849 --> 00:54:17,250

probably there's a good chance we would

1445

00:54:21,380 --> 00:54:19,859

have been incinerated or you know burnt

1446

00:54:21,799 --> 00:54:21,390

really bad or something horrific so

1447

00:54:24,680 --> 00:54:21,809

right

1448

00:54:26,870 --> 00:54:24,690

that to me is an is one of the many

1449

00:54:29,329 --> 00:54:26,880

examples that I get of this phenomena of

1450

00:54:31,039 --> 00:54:29,339

oh I just see a lightness guy oh why am

1451
00:54:33,470 --> 00:54:31,049
i hearing my grandmother's voice oh why

1452
00:54:35,359 --> 00:54:33,480
am I having this this voice tell me to

1453
00:54:37,579 --> 00:54:35,369
connect with Mary Rodwell hua jests or

1454
00:54:39,500 --> 00:54:37,589
or Gary Nolan or whatever it is whoever

1455
00:54:40,730 --> 00:54:39,510
in my life these are all the

1456
00:54:41,839 --> 00:54:40,740
synchronicities that I think are

1457
00:54:44,059 --> 00:54:41,849
available to us

1458
00:54:45,920 --> 00:54:44,069
that that we can either choose to listen

1459
00:54:47,420 --> 00:54:45,930
to them or we could choose to listen to

1460
00:54:52,039 --> 00:54:47,430
the negative synchronicities and wonder

1461
00:54:55,190 --> 00:54:52,049
why life isn't getting any better it's

1462
00:54:57,049 --> 00:54:55,200
so obvious it's all right there there's

1463
00:54:59,000 --> 00:54:57,059

its creation there's no creating

1464

00:55:01,460 --> 00:54:59,010

anything I feel that it's all here just

1465

00:55:03,230 --> 00:55:01,470

yet to be found by us or discover but

1466

00:55:04,789 --> 00:55:03,240

we're not creating it it's all been left

1467

00:55:06,710 --> 00:55:04,799

here kind of like breadcrumbs everywhere

1468

00:55:08,329 --> 00:55:06,720

but once you see it you're like wow okay

1469

00:55:09,940 --> 00:55:08,339

that's what it is I knew what I felt in

1470

00:55:12,109 --> 00:55:09,950

it you know I felt that the whole time

1471

00:55:14,920 --> 00:55:12,119

you know that was an intense experience

1472

00:55:18,049 --> 00:55:14,930

I had had I had seen something like that

1473

00:55:20,599 --> 00:55:18,059

and then really interesting Frank not

1474

00:55:23,779 --> 00:55:20,609

too long after that I remember being

1475

00:55:25,730 --> 00:55:23,789

working in a firehouse one night and I

1476
00:55:27,440 --> 00:55:25,740
remember hearing a voice saying turn

1477
00:55:29,690 --> 00:55:27,450
around this is in the middle of the

1478
00:55:33,170 --> 00:55:29,700
night like 2:00 in the morning and I

1479
00:55:37,400 --> 00:55:33,180
turn around and there are a for about 7

1480
00:55:39,559 --> 00:55:37,410
to 8 foot tall white glowing things what

1481
00:55:41,779 --> 00:55:39,569
are they at that moment I couldn't tell

1482
00:55:43,960 --> 00:55:41,789
you they were just 7 to 8 foot tall they

1483
00:55:46,880 --> 00:55:43,970
look like humanoid type bodies or

1484
00:55:48,289 --> 00:55:46,890
artificial intelligence outlines subtle

1485
00:55:49,970 --> 00:55:48,299
energy forms I don't have the

1486
00:55:51,410 --> 00:55:49,980
terminology everyone's got their own

1487
00:55:53,539 --> 00:55:51,420
terms but there were four things

1488
00:55:55,670 --> 00:55:53,549

standing there glowing there and I

1489

00:55:57,529 --> 00:55:55,680

looked at them and I thought alright I'm

1490

00:55:58,960 --> 00:55:57,539

just imagining this right there like no

1491

00:56:01,249 --> 00:55:58,970

one else is around to see this of course

1492

00:56:02,930 --> 00:56:01,259

because if they were they probably would

1493

00:56:04,759 --> 00:56:02,940

freak out that's the first thing because

1494

00:56:06,829 --> 00:56:04,769

how could I explain to them oh don't

1495

00:56:08,690 --> 00:56:06,839

worry guys I see aliens and spirits all

1496

00:56:10,160 --> 00:56:08,700

the time it's nothing what I mean at

1497

00:56:12,319 --> 00:56:10,170

this point nobody knew what I was doing

1498

00:56:13,670 --> 00:56:12,329

you know like making contact I wasn't

1499

00:56:14,990 --> 00:56:13,680

just gonna break it out then to go oh

1500

00:56:17,300 --> 00:56:15,000

yeah they're with me guys don't worry

1501

00:56:19,850 --> 00:56:17,310

about it so I see these things I

1502

00:56:22,790 --> 00:56:19,860

walks through them and I walked into a

1503

00:56:26,570 --> 00:56:22,800

back bathroom and I could see around me

1504

00:56:29,810 --> 00:56:26,580

this haze it was like steamy fog coming

1505

00:56:32,420 --> 00:56:29,820

down people have described it and they

1506

00:56:35,660 --> 00:56:32,430

have told me oh that's like as Endre now

1507

00:56:37,340 --> 00:56:35,670

I don't use that term maybe that was as

1508

00:56:39,830 --> 00:56:37,350

Endre but all I know is around these

1509

00:56:41,540 --> 00:56:39,840

beings and like a good radius around

1510

00:56:43,880 --> 00:56:41,550

them like a good you know 20 feet in

1511

00:56:46,280 --> 00:56:43,890

each direction there was like this haze

1512

00:56:48,020 --> 00:56:46,290

but there was no smoke I obviously would

1513

00:56:50,090 --> 00:56:48,030

know what smoke would smell like okay

1514

00:56:51,860 --> 00:56:50,100

now is endre the Haight considered the

1515

00:56:55,340 --> 00:56:51,870

haze or is that that name for the entire

1516

00:56:56,540 --> 00:56:55,350

being or Xandra is just like a for me

1517

00:56:58,670 --> 00:56:56,550

and my understanding is just like a

1518

00:57:00,770 --> 00:56:58,680

bubble there's like as Endre around the

1519

00:57:02,930 --> 00:57:00,780

beings like they come in in an orb and

1520

00:57:04,460 --> 00:57:02,940

then a Zandra will be around them and

1521

00:57:06,020 --> 00:57:04,470

then you're able to go like in and out

1522

00:57:09,530 --> 00:57:06,030

of it that's what was told to me all I

1523

00:57:11,420 --> 00:57:09,540

know is I saw this giant hazy sparkly

1524

00:57:12,710 --> 00:57:11,430

thing but it was enormous Frank and I

1525

00:57:15,650 --> 00:57:12,720

could put my hand in front of my face

1526
00:57:17,840 --> 00:57:15,660
and it was foggy so something was in the

1527
00:57:19,670 --> 00:57:17,850
air some energy so I walked back out of

1528
00:57:21,350 --> 00:57:19,680
the bathroom and I walked through these

1529
00:57:22,670 --> 00:57:21,360
things right I'm thinking they're gone

1530
00:57:25,280 --> 00:57:22,680
right they had to have left there's no

1531
00:57:26,990 --> 00:57:25,290
way it's my imagination I walk about ten

1532
00:57:28,790 --> 00:57:27,000
feet away I turn back around and stare

1533
00:57:31,550 --> 00:57:28,800
at them I'm looking at them and they

1534
00:57:33,140 --> 00:57:31,560
turn to me at first when I saw them they

1535
00:57:34,610 --> 00:57:33,150
were two beings and two beings but they

1536
00:57:36,530 --> 00:57:34,620
were like kind of facing each other I

1537
00:57:39,370 --> 00:57:36,540
looked at them and I just said to them I

1538
00:57:41,600 --> 00:57:39,380

said it's okay you can show yourselves

1539

00:57:43,760 --> 00:57:41,610

because at first Frank I thought maybe

1540

00:57:46,340 --> 00:57:43,770

they were just spirits of guys that

1541

00:57:48,410 --> 00:57:46,350

passed away on September 11th you know

1542

00:57:49,880 --> 00:57:48,420

like I didn't know what what these were

1543

00:57:51,950 --> 00:57:49,890

and I looked at them and I just said I

1544

00:57:53,210 --> 00:57:51,960

said what are you what like what who are

1545

00:57:54,650 --> 00:57:53,220

you what you know what's going on it's

1546

00:57:57,350 --> 00:57:54,660

okay for you to be and what are you and

1547

00:57:59,150 --> 00:57:57,360

they said to me this is telepathically

1548

00:58:00,800 --> 00:57:59,160

because they were just seven to eight

1549

00:58:02,330 --> 00:58:00,810

foot tall white glowing things they

1550

00:58:04,610 --> 00:58:02,340

didn't have mouths they didn't have

1551
00:58:06,530 --> 00:58:04,620
voices but I could I was getting like

1552
00:58:08,330 --> 00:58:06,540
this pulsation in my brain and the

1553
00:58:12,020 --> 00:58:08,340
download and the telepathic

1554
00:58:13,880 --> 00:58:12,030
communication was we are angels just

1555
00:58:15,230 --> 00:58:13,890
like you would see in your Old Testament

1556
00:58:17,150 --> 00:58:15,240
that's the best way we could describe

1557
00:58:19,340 --> 00:58:17,160
ourselves now that just could just mean

1558
00:58:21,470 --> 00:58:19,350
messenger once again that's a matter of

1559
00:58:22,940 --> 00:58:21,480
interpretation if I don't study the

1560
00:58:24,230 --> 00:58:22,950
Bible and I read the Koran or whatever

1561
00:58:25,850 --> 00:58:24,240
else is out there I don't know what

1562
00:58:27,770 --> 00:58:25,860
they're talking about you know so it's

1563
00:58:29,990 --> 00:58:27,780

all a matter of where you're at if that

1564

00:58:31,240 --> 00:58:30,000

makes sense to you to me they were

1565

00:58:33,360 --> 00:58:31,250

relaying some message

1566

00:58:36,280 --> 00:58:33,370

said okay what else what's going on and

1567

00:58:38,800 --> 00:58:36,290

they told me I and I know this sounds

1568

00:58:40,360 --> 00:58:38,810

nuts and I'm like okay let's hear it so

1569

00:58:43,510 --> 00:58:40,370

they told me to contact a certain

1570

00:58:47,350 --> 00:58:43,520

experiencer Chris Bledsoe might have

1571

00:58:49,450 --> 00:58:47,360

heard him I'm spoken to Chris so I did

1572

00:58:51,310 --> 00:58:49,460

not know everything about Chris at the

1573

00:58:52,840 --> 00:58:51,320

time I had heard of him a little bit but

1574

00:58:55,750 --> 00:58:52,850

I didn't know him that well

1575

00:58:58,090 --> 00:58:55,760

so I just reached out to him and when I

1576

00:58:59,740 --> 00:58:58,100

reached out to him I described the

1577

00:59:03,790 --> 00:58:59,750

beings that I saw what they look like

1578

00:59:05,530 --> 00:59:03,800

four of them and lo and behold I heard a

1579

00:59:08,170 --> 00:59:05,540

similar type story of Chris being woken

1580

00:59:09,790 --> 00:59:08,180

up being led out of his house by for

1581

00:59:13,960 --> 00:59:09,800

seven to eight foot tall white glowing

1582

00:59:16,300 --> 00:59:13,970

beings so were they the same ones that I

1583

00:59:17,770 --> 00:59:16,310

that's to me I have no doubt they were

1584

00:59:18,550 --> 00:59:17,780

ever I'm not even gonna question that

1585

00:59:21,010 --> 00:59:18,560

because there's been more

1586

00:59:23,320 --> 00:59:21,020

synchronicities with he and I since that

1587

00:59:25,630 --> 00:59:23,330

date to confirm it I definitely have

1588

00:59:28,690 --> 00:59:25,640

seen similar type entities and figures

1589

00:59:30,400 --> 00:59:28,700

that he has is it at the same time no

1590

00:59:32,500 --> 00:59:30,410

I've never been side by side with him

1591

00:59:34,900 --> 00:59:32,510

but that doesn't matter to me we're all

1592

00:59:36,400 --> 00:59:34,910

connected in this and me and him formed

1593

00:59:38,950 --> 00:59:36,410

a very good friendship me him and his

1594

00:59:40,780 --> 00:59:38,960

family since then I send you guys a

1595

00:59:43,300 --> 00:59:40,790

picture of him wearing a t-shirt from my

1596

00:59:45,100 --> 00:59:43,310

firehouse just to show you that it's

1597

00:59:46,810 --> 00:59:45,110

that close of a relationship between he

1598

00:59:49,570 --> 00:59:46,820

and I you know he's a good person he's a

1599

00:59:52,690 --> 00:59:49,580

great man and I've met other experiences

1600

00:59:54,970 --> 00:59:52,700

with weird isolated events like that

1601

00:59:56,800 --> 00:59:54,980

where either I was told contact this

1602

00:59:58,840 --> 00:59:56,810

person right now and I did and they

1603

01:00:00,280 --> 00:59:58,850

would either say wait I was just looking

1604

01:00:02,500 --> 01:00:00,290

on your name you know I was on Google

1605

01:00:03,640 --> 01:00:02,510

search looking up your name and you just

1606

01:00:05,920 --> 01:00:03,650

sent me a message but I don't even know

1607

01:00:08,110 --> 01:00:05,930

who you are or vice versa like some

1608

01:00:09,970 --> 01:00:08,120

weird thing will happen and I'm like hey

1609

01:00:12,700 --> 01:00:09,980

that's the synchronicities right you

1610

01:00:14,950 --> 01:00:12,710

just gotta wrote that and they never

1611

01:00:17,110 --> 01:00:14,960

stopped you know all the way to the

1612

01:00:19,540 --> 01:00:17,120

point me and Chris were having these I

1613

01:00:22,540 --> 01:00:19,550

was having more and more contact in the

1614

01:00:25,390 --> 01:00:22,550

firehouse of course I'm not sharing this

1615

01:00:26,770 --> 01:00:25,400

in the firehouse right because how can I

1616

01:00:29,080 --> 01:00:26,780

explain this to the guy she I'm seeing

1617

01:00:31,120 --> 01:00:29,090

aliens and ghosts and angels floating

1618

01:00:32,320 --> 01:00:31,130

around of people we know you know

1619

01:00:34,020 --> 01:00:32,330

they're gonna be like dude you know you

1620

01:00:36,460 --> 01:00:34,030

need to get some help and rightfully so

1621

01:00:38,560 --> 01:00:36,470

this I understand I understand what

1622

01:00:42,010 --> 01:00:38,570

they're saying however it so did you

1623

01:00:44,410 --> 01:00:42,020

shift guys started to see I was posting

1624

01:00:45,160 --> 01:00:44,420

things on social media videos psychic

1625

01:00:46,990 --> 01:00:45,170

readings

1626
01:00:50,079 --> 01:00:47,000
next thing you know I'm doing psychic

1627
01:00:52,839 --> 01:00:50,089
reading on guys after work at their home

1628
01:00:54,400 --> 01:00:52,849
I'm doing readings for their wives for

1629
01:00:57,279 --> 01:00:54,410
their relatives for their relatives that

1630
01:00:59,500 --> 01:00:57,289
I don't even know so to know spot on

1631
01:01:01,599 --> 01:00:59,510
things about their family that I could

1632
01:01:04,120 --> 01:01:01,609
not have known people started to believe

1633
01:01:05,559 --> 01:01:04,130
it because they were witnessing it it's

1634
01:01:08,319 --> 01:01:05,569
not a matter of believing oh I believe

1635
01:01:11,620 --> 01:01:08,329
that guy no no to me Frank the way I am

1636
01:01:13,630 --> 01:01:11,630
I want to see it with you I want to be

1637
01:01:16,059 --> 01:01:13,640
there and experience it with you or

1638
01:01:17,980 --> 01:01:16,069

obviously if an entity shows up and I

1639

01:01:19,990 --> 01:01:17,990

take a picture of it and I send you a

1640

01:01:22,299 --> 01:01:20,000

picture of this entity and say have you

1641

01:01:24,640 --> 01:01:22,309

seen this and you send me a picture back

1642

01:01:26,620 --> 01:01:24,650

of the same entity I know what going

1643

01:01:29,019 --> 01:01:26,630

somewhere so that's happened with people

1644

01:01:31,359 --> 01:01:29,029

like myself Chris Bledsoe and others

1645

01:01:33,250 --> 01:01:31,369

where hey we're not physically together

1646

01:01:34,809 --> 01:01:33,260

but if we're recording the same things

1647

01:01:36,759 --> 01:01:34,819

to me there's something to that

1648

01:01:37,960 --> 01:01:36,769

it's a synchronicity you write here a

1649

01:01:41,799 --> 01:01:37,970

weird story for me

1650

01:01:43,690 --> 01:01:41,809

got a couple movies oh yeah okay I'm at

1651

01:01:45,670 --> 01:01:43,700

my usual right at the desk here just

1652

01:01:47,890 --> 01:01:45,680

like I am now talking to you and looking

1653

01:01:52,180 --> 01:01:47,900

at the computer got the door open right

1654

01:01:54,970 --> 01:01:52,190

and on a not infrequent basis fairly

1655

01:01:56,920 --> 01:01:54,980

regularly overeat of weeks out of the

1656

01:02:00,460 --> 01:01:56,930

corner of my eye I can see out the door

1657

01:02:03,390 --> 01:02:00,470

into the hallway and any number of times

1658

01:02:06,249 --> 01:02:03,400

it would look like a person was walking

1659

01:02:07,870 --> 01:02:06,259

down the hallway towards you know the

1660

01:02:09,130 --> 01:02:07,880

other room that's on the other side of

1661

01:02:12,789 --> 01:02:09,140

the wall that I'm looking at right now

1662

01:02:14,559 --> 01:02:12,799

so this is going on fairly often in it

1663

01:02:16,240 --> 01:02:14,569

it's convincing enough to me that

1664

01:02:17,380 --> 01:02:16,250

there's a real person there that I'm

1665

01:02:18,819 --> 01:02:17,390

looking out in the hallway

1666

01:02:20,109 --> 01:02:18,829

you know I'm looking to see you somebody

1667

01:02:21,430 --> 01:02:20,119

in the bathroom because I think I might

1668

01:02:22,839 --> 01:02:21,440

have to go in a little bit I don't want

1669

01:02:24,940 --> 01:02:22,849

somebody in the bathroom clogging it up

1670

01:02:27,249 --> 01:02:24,950

for a half-hour you know I'm keeping my

1671

01:02:30,309 --> 01:02:27,259

eye I'm thinking it's looking to me like

1672

01:02:32,950 --> 01:02:30,319

there's a real person there so this goes

1673

01:02:34,890 --> 01:02:32,960

on for a little bit and I asked a mutual

1674

01:02:36,130 --> 01:02:34,900

friend of ours if you remember Angela

1675

01:02:38,620 --> 01:02:36,140

yep

1676

01:02:41,440 --> 01:02:38,630

okay so I asked her what do you think

1677

01:02:42,789 --> 01:02:41,450

about all this again well you know so we

1678

01:02:45,880 --> 01:02:42,799

talked about a little bit no big deal

1679

01:02:51,120 --> 01:02:45,890

and no sooner did I mention it to her it

1680

01:02:53,680 --> 01:02:51,130

stopped having wow isn't that weird Wow

1681

01:02:57,009 --> 01:02:53,690

yeah that's really weird it's

1682

01:02:58,750 --> 01:02:57,019

interesting yeah I think you know you're

1683

01:03:02,109 --> 01:02:58,760

not the only person who's weird

1684

01:03:03,630 --> 01:03:02,119

you know difficult you know I just

1685

01:03:05,800 --> 01:03:03,640

usually keep them to myself on the show

1686

01:03:07,570 --> 01:03:05,810

yeah bring it out of me your for

1687

01:03:10,630 --> 01:03:07,580

something out of it no I love it that's

1688

01:03:12,790 --> 01:03:10,640

great and and you know this is all

1689

01:03:15,550 --> 01:03:12,800

happening and and in the midst of this

1690

01:03:18,070 --> 01:03:15,560

you know my grandmother passes away my

1691

01:03:20,080 --> 01:03:18,080

grandmother ends up passing away this is

1692

01:03:21,400 --> 01:03:20,090

in 2010 okay so just to backtrack a

1693

01:03:23,349 --> 01:03:21,410

little bit but this is very important

1694

01:03:25,690 --> 01:03:23,359

she passes away and a month like a month

1695

01:03:27,370 --> 01:03:25,700

later I walk into a restaurant in town

1696

01:03:30,370 --> 01:03:27,380

with my mom we grew up in Floral Park

1697

01:03:31,990 --> 01:03:30,380

New York I walk in and I'm in there and

1698

01:03:33,760 --> 01:03:32,000

this guy comes up to me and my mom and

1699

01:03:35,349 --> 01:03:33,770

says you just lost somebody in your

1700

01:03:37,870 --> 01:03:35,359

family they died they had cancer on the

1701

01:03:39,790 --> 01:03:37,880

face it spread up to the body and

1702

01:03:42,609 --> 01:03:39,800

eventually went into their brain like

1703

01:03:44,770 --> 01:03:42,619

yeah and he says which one if he was

1704

01:03:47,050 --> 01:03:44,780

born on Easter Sunday my mom is born in

1705

01:03:48,820 --> 01:03:47,060

Easter Sunday so I'm like wow who was

1706

01:03:50,590 --> 01:03:48,830

this guy what's going on and he's like

1707

01:03:55,540 --> 01:03:50,600

oh I'm Robert Hanssen I'm a medium I

1708

01:03:57,849 --> 01:03:55,550

said okay so that got my attention I

1709

01:04:00,099 --> 01:03:57,859

wasn't sold but that kind of opened a

1710

01:04:02,320 --> 01:04:00,109

doorway up right to like know something

1711

01:04:04,599 --> 01:04:02,330

psychic I was a pretty good guess you

1712

01:04:07,000 --> 01:04:04,609

know what I mean and then he said who's

1713

01:04:08,590 --> 01:04:07,010

the firefighter and I'm like well I

1714

01:04:10,390 --> 01:04:08,600

wasn't wearing anything it's an FDNY but

1715

01:04:12,550 --> 01:04:10,400

I'm still thinking oh this guy knows my

1716

01:04:14,800 --> 01:04:12,560

friend he was at the funeral maybe he

1717

01:04:17,770 --> 01:04:14,810

knew somebody right I have like being in

1718

01:04:19,930 --> 01:04:17,780

3d in this reality it's been brain like

1719

01:04:21,580 --> 01:04:19,940

ingrained into my brain to just question

1720

01:04:22,990 --> 01:04:21,590

everything and and don't believe it

1721

01:04:25,660 --> 01:04:23,000

there's got to be another way right

1722

01:04:27,340 --> 01:04:25,670

until I have proof so this got this guy

1723

01:04:30,940 --> 01:04:27,350

was unbelievable spot-on

1724

01:04:34,120 --> 01:04:30,950

so we fast forward about maybe year and

1725

01:04:35,920 --> 01:04:34,130

a half and I had gone through a horrible

1726

01:04:38,320 --> 01:04:35,930

situation my house was under water from

1727

01:04:41,530 --> 01:04:38,330

Hurricane sandy just went through a

1728

01:04:43,420 --> 01:04:41,540

tough tough time in life my dog dies the

1729

01:04:45,460 --> 01:04:43,430

next day I tracked down this psychic

1730

01:04:47,080 --> 01:04:45,470

Robert Hansen I go in there he let me

1731

01:04:49,420 --> 01:04:47,090

record the session I still have it on my

1732

01:04:51,040 --> 01:04:49,430

phone and he says to me he goes you just

1733

01:04:52,359 --> 01:04:51,050

lost someone in your family they had

1734

01:04:55,359 --> 01:04:52,369

cancer in the belly and it moved

1735

01:04:56,470 --> 01:04:55,369

throughout their body and I go and I did

1736

01:04:58,330 --> 01:04:56,480

say to him now if he would say oh you

1737

01:05:01,330 --> 01:04:58,340

fed him I said him I go does it have to

1738

01:05:04,810 --> 01:05:01,340

be human and he says to me he goes no

1739

01:05:07,140 --> 01:05:04,820

and he says to me Odie my dog's name was

1740

01:05:09,820 --> 01:05:07,150

Odie who had just died the day before

1741

01:05:11,200 --> 01:05:09,830

and nope nobody knew and he goes he

1742

01:05:12,430 --> 01:05:11,210

tells me he goes you had to pick him up

1743

01:05:13,569 --> 01:05:12,440

and bring him to the water bowl

1744

01:05:14,890 --> 01:05:13,579

bring him outside to go to the bathroom

1745

01:05:17,829 --> 01:05:14,900

then pick him up and bring him back in

1746

01:05:20,050 --> 01:05:17,839

that's exactly what I did to him so I go

1747

01:05:22,210 --> 01:05:20,060

nobody knows that Frank I didn't tell

1748

01:05:24,099 --> 01:05:22,220

anybody that that was some deep stuff

1749

01:05:26,920 --> 01:05:24,109

between me and my dog you know what I

1750

01:05:28,390 --> 01:05:26,930

mean that was like my son and he read me

1751
01:05:31,150 --> 01:05:28,400
for an hour and a half and at the end he

1752
01:05:33,910 --> 01:05:31,160
said Andrew he goes you have this

1753
01:05:36,430 --> 01:05:33,920
ability and I go what he goes you you

1754
01:05:38,260 --> 01:05:36,440
can do this I go nah man I'm New York

1755
01:05:41,109 --> 01:05:38,270
City five I'm not a psychic that's crazy

1756
01:05:42,970 --> 01:05:41,119
come on I said okay so what do i do then

1757
01:05:45,280 --> 01:05:42,980
how do i tap into this or whatever he

1758
01:05:46,870 --> 01:05:45,290
goes come here Saturday he goes it

1759
01:05:49,000 --> 01:05:46,880
doesn't cost anything he goes but if you

1760
01:05:51,579 --> 01:05:49,010
like it he goes after the first time he

1761
01:05:54,910 --> 01:05:51,589
goes it's \$25 for three to four hours of

1762
01:05:57,220 --> 01:05:54,920
training \$25 total that's not bad that's

1763
01:05:59,020 --> 01:05:57,230

not bad that's phenomenal for four hours

1764

01:06:00,579 --> 01:05:59,030

total that's that's like nothing man I

1765

01:06:02,740 --> 01:06:00,589

mean people charge 30 an hour sometimes

1766

01:06:04,150 --> 01:06:02,750

for training so 225 for three to four

1767

01:06:07,030 --> 01:06:04,160

hours oh my god let me give it a shot I

1768

01:06:08,589 --> 01:06:07,040

went back to the sky and random people

1769

01:06:09,880 --> 01:06:08,599

were coming in you know twenty thirty

1770

01:06:12,309 --> 01:06:09,890

people that I didn't know I was sitting

1771

01:06:14,140 --> 01:06:12,319

around them seeing things and they would

1772

01:06:15,730 --> 01:06:14,150

say to me I don't know you but somehow

1773

01:06:17,890 --> 01:06:15,740

whatever you're saying is accurate I

1774

01:06:19,720 --> 01:06:17,900

still didn't believe it and then it got

1775

01:06:22,660 --> 01:06:19,730

to the point where I read one person and

1776

01:06:25,120 --> 01:06:22,670

I said to her I go you lost somebody a

1777

01:06:27,609 --> 01:06:25,130

young girl her name begins with a V and

1778

01:06:29,890 --> 01:06:27,619

she died around fourth of July or a

1779

01:06:31,540 --> 01:06:29,900

holiday that's a major holiday I said

1780

01:06:33,490 --> 01:06:31,550

there's a missing kid around her name

1781

01:06:35,650 --> 01:06:33,500

begins with a V and she died and she's

1782

01:06:37,420 --> 01:06:35,660

showing me an Avengers costume and a

1783

01:06:39,609 --> 01:06:37,430

pink shirt with white writing on it and

1784

01:06:41,500 --> 01:06:39,619

the girl goes no I don't know about the

1785

01:06:44,200 --> 01:06:41,510

Avengers costume or the pink shirt with

1786

01:06:45,510 --> 01:06:44,210

the white writing but my my friend had a

1787

01:06:48,730 --> 01:06:45,520

daughter I believe her name is Victoria

1788

01:06:50,740 --> 01:06:48,740

she drowned on a holiday and she thought

1789

01:06:54,730 --> 01:06:50,750

she we thought she was we thought she

1790

01:06:57,010 --> 01:06:54,740

was missing at first so I go okay so she

1791

01:07:00,089 --> 01:06:57,020

shows me a Facebook memorial page they

1792

01:07:03,640 --> 01:07:00,099

set up for this little girl Victoria and

1793

01:07:06,280 --> 01:07:03,650

there's a man in an Avengers costume and

1794

01:07:07,660 --> 01:07:06,290

I go who is that she goes oh that was

1795

01:07:09,099 --> 01:07:07,670

her stepfather he raised him like a

1796

01:07:10,990 --> 01:07:09,109

child though I said she showed me an

1797

01:07:13,240 --> 01:07:11,000

Avengers costume you know that the face

1798

01:07:15,970 --> 01:07:13,250

that I go Wow and then there's a picture

1799

01:07:17,589 --> 01:07:15,980

of this little girl the girl that passed

1800

01:07:19,270 --> 01:07:17,599

away when she was alive there was a

1801

01:07:22,180 --> 01:07:19,280

picture of her in a pink shirt with

1802

01:07:24,160 --> 01:07:22,190

white writing on it I was like wow okay

1803

01:07:26,020 --> 01:07:24,170

now I believe that maybe I have some

1804

01:07:26,200 --> 01:07:26,030

sort of ability because how could I have

1805

01:07:30,310 --> 01:07:26,210

no

1806

01:07:32,920 --> 01:07:30,320

then I kept raining kept doing this

1807

01:07:35,910 --> 01:07:32,930

stuff reading people and then I was

1808

01:07:39,550 --> 01:07:35,920

lucky enough to meet dr. Steven Greer in

1809

01:07:41,410 --> 01:07:39,560

2011 not long after and he put the

1810

01:07:44,920 --> 01:07:41,420

connection to me that I can send out a

1811

01:07:46,980 --> 01:07:44,930

signal or receive it and that psychic

1812

01:07:49,630 --> 01:07:46,990

ability and all these other experiences

1813

01:07:51,910 --> 01:07:49,640

are available like on this giant wheel

1814

01:07:54,280 --> 01:07:51,920

like ray Hernandez had seen when he got

1815

01:07:56,109 --> 01:07:54,290

a download experience that it's all out

1816

01:07:58,630 --> 01:07:56,119

of body experiences psychic intuition

1817

01:08:00,940 --> 01:07:58,640

all the stuff near-death experience all

1818

01:08:02,800 --> 01:08:00,950

of it is connected you know once you tap

1819

01:08:04,990 --> 01:08:02,810

into the realm it's limitless but I

1820

01:08:06,849 --> 01:08:05,000

didn't understand this at first Frank so

1821

01:08:08,620 --> 01:08:06,859

I would just do psychic work or I would

1822

01:08:11,980 --> 01:08:08,630

just do you have a phone work and then

1823

01:08:14,440 --> 01:08:11,990

eventually a couple years ago Frank I'm

1824

01:08:16,599 --> 01:08:14,450

outside and I'm making contact and and

1825

01:08:18,729 --> 01:08:16,609

I'm looking out the window in Coney

1826

01:08:22,240 --> 01:08:18,739

Island and I and I'm on the phone with a

1827

01:08:24,910 --> 01:08:22,250

PhD this lady Marilyn go walk and I said

1828

01:08:26,860 --> 01:08:24,920

Marilyn I miss my dog Odie so much right

1829

01:08:29,709 --> 01:08:26,870

now I wish I could just hold him and hug

1830

01:08:31,809 --> 01:08:29,719

him as I'm saying that I see this

1831

01:08:33,370 --> 01:08:31,819

enormous craft come by in the water in

1832

01:08:34,900 --> 01:08:33,380

Coney Island it looks like it's like

1833

01:08:37,240 --> 01:08:34,910

coasting right on top of the water I

1834

01:08:40,300 --> 01:08:37,250

grab my phone I take a couple pictures

1835

01:08:41,349 --> 01:08:40,310

and a video and to me and the people

1836

01:08:44,349 --> 01:08:41,359

that have looked at it you could see a

1837

01:08:47,110 --> 01:08:44,359

gray being with blackish eyes holding

1838

01:08:50,829 --> 01:08:47,120

what looks like an energy form of my dog

1839

01:08:53,110 --> 01:08:50,839

as I was saying I missed him to me that

1840

01:08:55,809 --> 01:08:53,120

was the download that completed it and

1841

01:08:59,530 --> 01:08:55,819

put all of this together show that the

1842

01:09:01,870 --> 01:08:59,540

animals and the et's and spirits they're

1843

01:09:03,430 --> 01:09:01,880

all connected to this phenomena whatever

1844

01:09:05,380 --> 01:09:03,440

this is whatever you want to call it

1845

01:09:07,570 --> 01:09:05,390

this strangeness it's all connected

1846

01:09:10,329 --> 01:09:07,580

together it was proven to me and then it

1847

01:09:11,709 --> 01:09:10,339

just blew up from there got it now I

1848

01:09:15,420 --> 01:09:11,719

love ya I'm gonna make you an offer

1849

01:09:18,070 --> 01:09:15,430

right now live right on you okay now

1850

01:09:21,039 --> 01:09:18,080

myself and now this other guy yeah buddy

1851

01:09:23,410 --> 01:09:21,049

over at alien protocols are looking to

1852

01:09:26,470 --> 01:09:23,420

put together some live remote viewing

1853

01:09:28,660 --> 01:09:26,480

demonstrations contest games like a

1854

01:09:30,550 --> 01:09:28,670

psychic Olympics are you interested

1855

01:09:32,349 --> 01:09:30,560

we've got a long way to go we got a lot

1856

01:09:34,269 --> 01:09:32,359

of details to work out but are you

1857

01:09:36,490 --> 01:09:34,279

interested oh of course

1858

01:09:37,840 --> 01:09:36,500

anything anything to help people in the

1859

01:09:40,200 --> 01:09:37,850

community that are doing the right thing

1860

01:09:42,000 --> 01:09:40,210

and if youth you feel he is

1861

01:09:43,800 --> 01:09:42,010

that's good enough for me yeah all right

1862

01:09:45,360 --> 01:09:43,810

all right I'll be in touch about that

1863

01:09:47,160 --> 01:09:45,370

like I said we got to work out some

1864

01:09:49,950 --> 01:09:47,170

details we've got to make sure that the

1865

01:09:51,450 --> 01:09:49,960

protocols are in place where you know

1866

01:09:53,040 --> 01:09:51,460

nobody a lot of question there that

1867

01:09:55,500 --> 01:09:53,050

we're cheating or faking or anything

1868

01:09:57,570 --> 01:09:55,510

like that and those details have to be

1869

01:09:59,160 --> 01:09:57,580

worked out I'll run them all by you and

1870

01:10:01,650 --> 01:09:59,170

we'll see what happens

1871

01:10:04,080 --> 01:10:01,660

I appreciate oh no of course Frank no

1872

01:10:05,190 --> 01:10:04,090

problem at all it'll be it'll probably

1873

01:10:08,610 --> 01:10:05,200

be about this time of day

1874

01:10:09,540 --> 01:10:08,620

so this is for you it's what it's now

1875

01:10:12,120 --> 01:10:09,550

Friday

1876

01:10:12,930 --> 01:10:12,130

what roughly one in the afternoon

1877

01:10:14,880 --> 01:10:12,940

something like that

1878

01:10:15,960 --> 01:10:14,890

yeah it's about one o'clock yep okay

1879

01:10:20,250 --> 01:10:15,970

okay got it

1880

01:10:22,050 --> 01:10:20,260

this Australian times so messed up like

1881

01:10:24,260 --> 01:10:22,060

it's it's tomorrow there it's Friday

1882

01:10:26,550 --> 01:10:24,270

afternoon there and it's like you know

1883

01:10:31,080 --> 01:10:26,560

then they drive on the right or the

1884

01:10:36,690 --> 01:10:31,090

British side of the way over there oh

1885

01:10:39,770 --> 01:10:36,700

they do I wasn't sure if they did it

1886

01:10:47,840 --> 01:10:39,780

down there now was that an adjustment oh

1887

01:10:53,610 --> 01:10:52,050

I'd be killing people yeah tough time

1888

01:10:54,840 --> 01:10:53,620

driving around you know outside of

1889

01:10:57,450 --> 01:10:54,850

Philly I have a tough time driving

1890

01:11:01,110 --> 01:10:57,460

around here you know on the side of the

1891

01:11:02,340 --> 01:11:01,120

road that I'm used to yeah you know then

1892

01:11:03,720 --> 01:11:02,350

people are honking because you're

1893

01:11:05,400 --> 01:11:03,730

driving too slow yet I don't even know

1894

01:11:08,580 --> 01:11:05,410

how to drive properly yet so I'm like

1895

01:11:09,780 --> 01:11:08,590

I'm just right and easy and oh yeah but

1896

01:11:11,490 --> 01:11:09,790

you get used to it the same they got a

1897

01:11:13,050 --> 01:11:11,500

subway you know like an elevated train

1898

01:11:15,120 --> 01:11:13,060

and everything here so it's easy to get

1899

01:11:17,190 --> 01:11:15,130

around though it's fun yeah yeah and

1900

01:11:20,580 --> 01:11:17,200

another thing that when you flush the

1901

01:11:22,740 --> 01:11:20,590

toilet in Australia the water spins down

1902

01:11:25,410 --> 01:11:22,750

the drain in the opposite direction that

1903

01:11:30,480 --> 01:11:25,420

you're used to right do you notice this

1904

01:11:32,250 --> 01:11:30,490

is like wow people have it's interesting

1905

01:11:33,720 --> 01:11:32,260

when I posted I'm here and social media

1906

01:11:35,490 --> 01:11:33,730

people always have those questions like

1907

01:11:36,780 --> 01:11:35,500

what about the toilet water and I'm like

1908

01:11:46,380 --> 01:11:36,790

what about the beach or something

1909

01:11:50,130 --> 01:11:46,390

beautiful oh yeah absolutely you know

1910

01:11:53,430 --> 01:11:50,140

they tell me a couple other things that

1911

01:11:53,940 --> 01:11:53,440

really looks like what what's going on

1912

01:11:55,500 --> 01:11:53,950

here when you

1913

01:11:57,030 --> 01:11:55,510

move down there there's got to be a

1914

01:11:58,590 --> 01:11:57,040

couple things that nobody would ever

1915

01:12:02,580 --> 01:11:58,600

think of except in New Yorker was

1916

01:12:04,140 --> 01:12:02,590

located oh my god well I mean it got a

1917

01:12:06,600 --> 01:12:04,150

little confusing everyone here says how

1918

01:12:08,220 --> 01:12:06,610

you going cuz I'm like I'm like what are

1919

01:12:15,300 --> 01:12:08,230

you talking about it's how are you doing

1920

01:12:16,560 --> 01:12:15,310

or where are you going so I when I say

1921

01:12:19,110 --> 01:12:16,570

that to them what they say how you

1922

01:12:21,000 --> 01:12:19,120

travelin and I'm like I'm traveling on

1923

01:12:22,560 --> 01:12:21,010

the train or I'm in a white SUV and

1924

01:12:31,020 --> 01:12:22,570

they're like no no that just means like

1925

01:12:34,770 --> 01:12:33,090

that slang will come right back in a

1926

01:12:40,140 --> 01:12:34,780

second you're my wife of course you say

1927

01:12:41,820 --> 01:12:40,150

don't go Brooklyn on them please you

1928

01:12:43,830 --> 01:12:41,830

know the pizza here huge adjustment

1929

01:12:45,500 --> 01:12:43,840

can't find good pizza of course there's

1930

01:12:48,450 --> 01:12:45,510

nothing like Brooklyn pizza in New York

1931

01:12:49,530 --> 01:12:48,460

oh my god you know the bagels the bread

1932

01:12:51,000 --> 01:12:49,540

is definitely different

1933

01:12:52,650 --> 01:12:51,010

they have exceptional bread it's not

1934

01:12:54,390 --> 01:12:52,660

that it's bad it's just different so

1935

01:12:55,950 --> 01:12:54,400

some of the foods you eat are a little

1936

01:13:00,360 --> 01:12:55,960

bit different but you know the holidays

1937

01:13:02,070 --> 01:13:00,370

I'd want a stick down there yeah well

1938

01:13:03,090 --> 01:13:02,080

you know I mean they have there's

1939

01:13:04,710 --> 01:13:03,100

different animals

1940

01:13:06,030 --> 01:13:04,720

of course than they then they have

1941

01:13:07,860 --> 01:13:06,040

something people have in the states that

1942

01:13:10,160 --> 01:13:07,870

they can eat here and the big and the

1943

01:13:14,550 --> 01:13:10,170

Kangaroos and all this stuff and I mean

1944

01:13:15,480 --> 01:13:14,560

I I don't I don't know yeah they got a

1945

01:13:17,220 --> 01:13:15,490

little state you know and the

1946

01:13:19,800 --> 01:13:17,230

aboriginals they do their own thing here

1947

01:13:21,420 --> 01:13:19,810

which that that is one area that I'm

1948

01:13:23,700 --> 01:13:21,430

looking into more and more I've gone and

1949

01:13:25,230 --> 01:13:23,710

met some of the aboriginals cancer

1950

01:13:26,880 --> 01:13:25,240

meeting more and more because you want

1951

01:13:28,890 --> 01:13:26,890

to talk about hi strangers in contact

1952

01:13:31,740 --> 01:13:28,900

and traditions those are the people you

1953

01:13:33,720 --> 01:13:31,750

want to vibrate to and just stick and

1954

01:13:35,130 --> 01:13:33,730

learn everything you can from wow they

1955

01:13:36,960 --> 01:13:35,140

got some knowledge of the Stars and

1956

01:13:39,930 --> 01:13:36,970

everything amazing star people

1957

01:13:42,090 --> 01:13:39,940

absolutely oh yeah oh yeah they got some

1958

01:13:43,410 --> 01:13:42,100

and they know they know it's like you're

1959

01:13:44,760 --> 01:13:43,420

talking me and you right now we're

1960

01:13:45,960 --> 01:13:44,770

appealing to an audience that there are

1961

01:13:47,850 --> 01:13:45,970

other people that aren't listening they

1962

01:13:49,440 --> 01:13:47,860

might listen to it somehow and they'll

1963

01:13:51,240 --> 01:13:49,450

say oh this is crazy oh that's not

1964

01:13:54,240 --> 01:13:51,250

possible you talk to the aboriginals

1965

01:13:56,220 --> 01:13:54,250

it's completely normal everything like

1966

01:13:57,450 --> 01:13:56,230

oh yeah the universe is everything is

1967

01:13:59,340 --> 01:13:57,460

infinite impossible of course it's

1968

01:14:01,230 --> 01:13:59,350

possible they'll show you you know they

1969

01:14:02,310 --> 01:14:01,240

have ways to show you and sit out on the

1970

01:14:04,920 --> 01:14:02,320

stores with you and they'll make contact

1971

01:14:06,540 --> 01:14:04,930

with you so I know there was a reason I

1972

01:14:07,830 --> 01:14:06,550

was pulled to Australia and there's a

1973

01:14:09,840 --> 01:14:07,840

lot of creation myths

1974

01:14:11,280 --> 01:14:09,850

or creation stories that people believe

1975

01:14:13,290 --> 01:14:11,290

from here and there's no doubt that I

1976

01:14:14,790 --> 01:14:13,300

resonated to the right space but of

1977

01:14:16,380 --> 01:14:14,800

course I'm gonna end up coming back to

1978

01:14:18,750 --> 01:14:16,390

the states at some point with Jess and

1979

01:14:20,070 --> 01:14:18,760

the kids and I have a few projects at

1980

01:14:21,390 --> 01:14:20,080

some point that I'll be doing in the

1981

01:14:23,130 --> 01:14:21,400

States and I'll keep you fully in tune

1982

01:14:25,200 --> 01:14:23,140

with that you'll be there of course

1983

01:14:26,940 --> 01:14:25,210

first to know as always man all the

1984

01:14:28,590 --> 01:14:26,950

people that have been supportive and

1985

01:14:30,420 --> 01:14:28,600

amazing and even the new people that

1986

01:14:31,590 --> 01:14:30,430

I've met on this path I always keep

1987

01:14:33,270 --> 01:14:31,600

people in the loop man when I know

1988

01:14:34,980 --> 01:14:33,280

anything I let people know what's going

1989

01:14:37,230 --> 01:14:34,990

on when I can there's a few things I

1990

01:14:39,240 --> 01:14:37,240

cannot talk about just from you know

1991

01:14:41,340 --> 01:14:39,250

some agreements I saw but what do you

1992

01:14:42,750 --> 01:14:41,350

think you can't talk about what do you

1993

01:14:44,310 --> 01:14:42,760

think you're the United States

1994

01:14:46,080 --> 01:14:44,320

government now what's going on just you

1995

01:14:50,760 --> 01:14:46,090

can't talk about that stuff what's going

1996

01:14:52,440 --> 01:14:50,770

on here you know once once there's

1997

01:14:54,060 --> 01:14:52,450

certain people telling me we just can't

1998

01:14:56,220 --> 01:14:54,070

discuss this for legal terms it's okay

1999

01:14:58,170 --> 01:14:56,230

well then I'm not discussing it's

2000

01:15:00,090 --> 01:14:58,180

nothing bad there's projects that I'm

2001

01:15:02,310 --> 01:15:00,100

working on that are incredible and when

2002

01:15:04,290 --> 01:15:02,320

I know what they are and where we're

2003

01:15:05,880 --> 01:15:04,300

going oh I will unleash it but I just

2004

01:15:07,080 --> 01:15:05,890

don't you don't want to give people an

2005

01:15:09,090 --> 01:15:07,090

impression that it's going to be this

2006

01:15:10,560 --> 01:15:09,100

and then on the dotted line

2007

01:15:12,330 --> 01:15:10,570

it's something else and they say well

2008

01:15:13,800 --> 01:15:12,340

you promised this and I don't know I

2009

01:15:15,750 --> 01:15:13,810

don't have those answers but there's

2010

01:15:17,850 --> 01:15:15,760

some amazing energy and things happening

2011

01:15:19,500 --> 01:15:17,860

since I've come here and I've gotten the

2012

01:15:22,050 --> 01:15:19,510

attention of some people that have been

2013

01:15:24,480 --> 01:15:22,060

very helpful and are leading us in the

2014

01:15:26,880 --> 01:15:24,490

right direction to present this to the

2015

01:15:29,130 --> 01:15:26,890

masses that's Mike I want to present

2016

01:15:30,630 --> 01:15:29,140

this to everybody because I feel that

2017

01:15:32,100 --> 01:15:30,640

people are ready to heat way they want

2018

01:15:33,990 --> 01:15:32,110

to hear this they want to it's all over

2019

01:15:35,610 --> 01:15:34,000

the place Frank you know it's all people

2020

01:15:37,020 --> 01:15:35,620

like tarkman you know Tucker Carlson and

2021

01:15:39,630 --> 01:15:37,030

people that mainstream people are

2022

01:15:41,490 --> 01:15:39,640

covering this stuff so yeah it's is

2023

01:15:44,010 --> 01:15:41,500

involved let's do it yeah you know

2024

01:15:47,370 --> 01:15:44,020

actually Carlson he was doing the

2025

01:15:50,820 --> 01:15:47,380

occasional UFO show or a segment on his

2026

01:15:52,830 --> 01:15:50,830

show even before all the T TSA stuff but

2027

01:15:54,780 --> 01:15:52,840

yeah he has picked up the pace no doubt

2028

01:15:56,340 --> 01:15:54,790

about it I have a friend that brought me

2029

01:15:58,830 --> 01:15:56,350

in the studio there at Fox and I met

2030

01:16:02,070 --> 01:15:58,840

what is it Shepard Smith right right

2031

01:16:04,950 --> 01:16:02,080

he's on before Tucker so I'm not saying

2032

01:16:06,270 --> 01:16:04,960

definitely but I would in a second love

2033

01:16:08,220 --> 01:16:06,280

to talk to him about this at some point

2034

01:16:10,410 --> 01:16:08,230

when I I'm back in the States because he

2035

01:16:12,450 --> 01:16:10,420

as well has been addressing it he's got

2036

01:16:14,370 --> 01:16:12,460

a couple of segments that he's done in

2037

01:16:16,620 --> 01:16:14,380

this stuff so you never know the people

2038

01:16:17,820 --> 01:16:16,630

that you make you meet and and and you

2039

01:16:19,860 --> 01:16:17,830

know connect with and make a good

2040

01:16:20,910 --> 01:16:19,870

impression with they passed this story

2041

01:16:23,190 --> 01:16:20,920

on and there's

2042

01:16:24,960 --> 01:16:23,200

more of us out there the next wave

2043

01:16:26,550 --> 01:16:24,970

that's coming I know this because I'm

2044

01:16:28,500 --> 01:16:26,560

hearing it from people in media from

2045

01:16:31,080 --> 01:16:28,510

major companies the next wave they're

2046

01:16:33,090 --> 01:16:31,090

looking for is experiencers you know

2047

01:16:36,060 --> 01:16:33,100

it's great T TSA and all these people

2048

01:16:37,140 --> 01:16:36,070

they're saying this and that but you

2049

01:16:38,910 --> 01:16:37,150

know what you know what though they're

2050

01:16:41,790 --> 01:16:38,920

doing you a favor you know what I mean

2051
01:16:45,090 --> 01:16:41,800
yes because we're giving you that virgin

2052
01:16:47,520 --> 01:16:45,100
territory exactly and I'm not one for

2053
01:16:49,410 --> 01:16:47,530
fourth and 15 information I want it

2054
01:16:51,120 --> 01:16:49,420
directly from me or directly from

2055
01:16:52,650 --> 01:16:51,130
someone like Peter Maxwell that I could

2056
01:16:54,060 --> 01:16:52,660
say hey I've been there with a guy we

2057
01:16:55,860 --> 01:16:54,070
did this that's that and we have it on

2058
01:16:57,570 --> 01:16:55,870
video that's the proof I don't want to

2059
01:16:59,280 --> 01:16:57,580
hear fourth and fifth and information

2060
01:17:00,420 --> 01:16:59,290
written in a book about a story of a

2061
01:17:01,920 --> 01:17:00,430
story of a story which might even be

2062
01:17:04,320 --> 01:17:01,930
fake it might be this info how do we

2063
01:17:06,750 --> 01:17:04,330

really know you know what I mean I am

2064

01:17:08,370 --> 01:17:06,760

more of my experience has been hands on

2065

01:17:11,540 --> 01:17:08,380

pull out the phone get the recorder up

2066

01:17:15,840 --> 01:17:11,550

recorded and that's it it is what it is

2067

01:17:17,460 --> 01:17:15,850

well you have anything else whether I'm

2068

01:17:19,740 --> 01:17:17,470

gonna wrap this up soon I mean you're

2069

01:17:21,480 --> 01:17:19,750

gonna what are you what do you got it's

2070

01:17:23,730 --> 01:17:21,490

getting a little bit late here as a you

2071

01:17:25,290 --> 01:17:23,740

realize it's Thursday not that I get up

2072

01:17:27,120 --> 01:17:25,300

and go to work in the morning and I

2073

01:17:29,700 --> 01:17:27,130

don't know what usual sidekick to carry

2074

01:17:31,670 --> 01:17:29,710

the ball so what do you got let's wrap

2075

01:17:36,030 --> 01:17:31,680

this up leave us with something good

2076

01:17:37,890 --> 01:17:36,040

yeah I would say you know these things

2077

01:17:40,050 --> 01:17:37,900

whatever this is I've noticed over the

2078

01:17:41,760 --> 01:17:40,060

years Frank like I explained they

2079

01:17:44,070 --> 01:17:41,770

they've come to me when I've gone

2080

01:17:45,750 --> 01:17:44,080

through traumatic experience and I know

2081

01:17:46,770 --> 01:17:45,760

a lot of people out there that have told

2082

01:17:49,860 --> 01:17:46,780

me the same thing

2083

01:17:51,180 --> 01:17:49,870

so I heard people going oh yeah I'm sure

2084

01:17:52,800 --> 01:17:51,190

right I mean so many people in this

2085

01:17:54,420 --> 01:17:52,810

community it's it's beautiful and

2086

01:17:56,670 --> 01:17:54,430

sometimes when we're going through a

2087

01:17:59,580 --> 01:17:56,680

rough patch or we feel down and out you

2088

01:18:01,770 --> 01:17:59,590

realize eventually it's a blessing it's

2089

01:18:04,110 --> 01:18:01,780

giving you the chance to reflect and go

2090

01:18:06,810 --> 01:18:04,120

in it's not about reading more stuff on

2091

01:18:09,210 --> 01:18:06,820

YouTube or Facebook or all this nonsense

2092

01:18:12,510 --> 01:18:09,220

which 90% of its nonsense I'm convinced

2093

01:18:15,510 --> 01:18:12,520

based on my experience for me when I sat

2094

01:18:18,120 --> 01:18:15,520

in silence and I meditated and and I

2095

01:18:20,580 --> 01:18:18,130

started to just go in and sit in total

2096

01:18:22,470 --> 01:18:20,590

silence all of this stuff revealed

2097

01:18:23,820 --> 01:18:22,480

itself so when people ask me how can I

2098

01:18:25,830 --> 01:18:23,830

do this - how could I start out or I

2099

01:18:27,780 --> 01:18:25,840

don't know anyone you know my

2100

01:18:30,060 --> 01:18:27,790

recommendation based on my experience

2101
01:18:32,100 --> 01:18:30,070
will work for me was going in more it's

2102
01:18:33,690 --> 01:18:32,110
not about seeking outside of yourself

2103
01:18:34,890 --> 01:18:33,700
you don't have to add anything to

2104
01:18:37,430 --> 01:18:34,900
yourself

2105
01:18:39,959 --> 01:18:37,440
let it unfold naturally remote-viewing

2106
01:18:42,540 --> 01:18:39,969
levitation psychic ability all of these

2107
01:18:43,350 --> 01:18:42,550
things when you try to train and become

2108
01:18:45,750 --> 01:18:43,360
them

2109
01:18:47,850 --> 01:18:45,760
it can be very difficult dr. Steven

2110
01:18:50,189 --> 01:18:47,860
Greer told me in 2011 another forget it

2111
01:18:52,110 --> 01:18:50,199
he said Andrew when you sit let these

2112
01:18:53,700 --> 01:18:52,120
things unfold naturally as you go

2113
01:18:56,040 --> 01:18:53,710

further inside and you meditate and you

2114

01:18:58,110 --> 01:18:56,050

go deeper and deeper and deeper Steven

2115

01:18:59,760 --> 01:18:58,120

Greer and Emory Smith who was there as

2116

01:19:01,140 --> 01:18:59,770

well who's an amazing person who really

2117

01:19:04,200 --> 01:19:01,150

helped me a lot with this stuff and

2118

01:19:06,870 --> 01:19:04,210

still has to this day they've completely

2119

01:19:08,340 --> 01:19:06,880

changed my life by telling me just go in

2120

01:19:10,620 --> 01:19:08,350

you don't need to go out and I've done

2121

01:19:13,470 --> 01:19:10,630

that Frank and it's by going internally

2122

01:19:14,669 --> 01:19:13,480

and doing the tough tough work that

2123

01:19:16,439 --> 01:19:14,679

people don't want to do they just want

2124

01:19:18,090 --> 01:19:16,449

to take a drug or a medication or forget

2125

01:19:20,729 --> 01:19:18,100

about it you know what just go in

2126
01:19:23,459 --> 01:19:20,739
meditate break down those barriers and

2127
01:19:26,130 --> 01:19:23,469
if you have the gift of seeing your life

2128
01:19:28,050 --> 01:19:26,140
shatter into a million pieces and you

2129
01:19:29,760 --> 01:19:28,060
have the gift of picking up of the floor

2130
01:19:31,649 --> 01:19:29,770
up off the floor and picking it up and

2131
01:19:34,919 --> 01:19:31,659
putting it back together that's a

2132
01:19:38,669 --> 01:19:34,929
blessing from your higher self so I

2133
01:19:40,620 --> 01:19:38,679
don't know if that makes sense but it

2134
01:19:42,149 --> 01:19:40,630
does I appreciate that I appreciate you

2135
01:19:45,899 --> 01:19:42,159
coming on - Andrew it's always great

2136
01:19:47,040 --> 01:19:45,909
talking to you I'm so happy for you even

2137
01:19:52,950 --> 01:19:47,050
though you are living in Australia

2138
01:19:55,290 --> 01:19:52,960

really that was before before I wrap up

2139

01:20:01,880 --> 01:19:55,300

sports now are you into this Australian

2140

01:20:06,600 --> 01:20:04,229

bombers so I watch the games with them

2141

01:20:09,240 --> 01:20:06,610

but yeah I'm still streaming NFL

2142

01:20:11,250 --> 01:20:09,250

football and enjoy hockey of course I

2143

01:20:13,830 --> 01:20:11,260

will never ever let go of my sports and

2144

01:20:15,750 --> 01:20:13,840

we have all the need the American sports

2145

01:20:17,939 --> 01:20:15,760

here they all have adult leagues so I'm

2146

01:20:19,979 --> 01:20:17,949

back in to playing and I'm picking up

2147

01:20:20,880 --> 01:20:19,989

right where it left off Frank but people

2148

01:20:21,870 --> 01:20:20,890

ask me what are you doing what do you

2149

01:20:24,450 --> 01:20:21,880

know what your life or your career or

2150

01:20:26,399 --> 01:20:24,460

this and that I am going all in with

2151
01:20:29,220 --> 01:20:26,409
this phenomena stuff I'll just leave it

2152
01:20:31,169 --> 01:20:29,230
at that let me tell ya just as we were

2153
01:20:33,959 --> 01:20:31,179
starting to get acquainted you posted a

2154
01:20:36,270 --> 01:20:33,969
picture on Facebook and standing in a

2155
01:20:37,830 --> 01:20:36,280
bar with Grant Marshall and I told

2156
01:20:43,379 --> 01:20:37,840
myself I knew this guy's cool I know

2157
01:20:45,360 --> 01:20:43,389
this guy's cool and you thanks so much

2158
01:20:47,870 --> 01:20:45,370
for coming on and

2159
01:20:50,070 --> 01:20:47,880
we'll be back Monday with another

2160
01:20:51,810 --> 01:20:50,080
Australia but he's native and he's into

2161
01:20:53,400 --> 01:20:51,820
Australian rules football so I'll

2162
01:20:54,510 --> 01:20:53,410
explain it all you have no idea what

2163
01:20:57,480 --> 01:20:54,520

they're doing running around on that

2164

01:20:59,790 --> 01:20:57,490

field but that is Paul Dean I think a

2165

01:21:01,560 --> 01:20:59,800

week from Monday we've got Calvin Parker

2166

01:21:03,120 --> 01:21:01,570

coming on who had his sighting himself

2167

01:21:05,010 --> 01:21:03,130

and a little bit of an abduction

2168

01:21:06,810 --> 01:21:05,020

experience down in the Gulf Coast

2169

01:21:09,600 --> 01:21:06,820

way back when so that's going to be fun

2170

01:21:11,400 --> 01:21:09,610

we got a few things coming up so by all

2171

01:21:13,320 --> 01:21:11,410

means stay on top of what we're up to
