and good evening Frank here with another

3
00:01:13,330 --> 00:01:10,760
edition of UFO news network Sunday

4
00:01:15,370 --> 00:01:13,340
tonight on a Monday evening we've got a

5
00:01:18,070 --> 00:01:15,380
special guest so let me bring in my

honors thank you Frank

9
00:01:26,950 --> 00:01:25,220
I think our show got abducted for a

10
00:01:29,440 --> 00:01:26,960
moment we had some minor technical

11
00:01:31,030 --> 00:01:29,450
difficulties but anyway thank you very

12
00:01:32,620 --> 00:01:31,040
much for that fine introduction we have

13
00:01:35,620 --> 00:01:32,630

a very special person on our show

14

00:01:37,719 --> 00:01:35,630

National Science Foundation ph.d

33

00:02:17,070 --> 00:02:15,950

fellowship welcome ray how are you doing

34

00:02:29,020 --> 00:02:17,080

this evening

35

00:02:31,420 --> 00:02:29,030

muchisimas gracias como star a coma stop

36

00:02:32,530 --> 00:02:31,430

Oh fantastic fantastic well Maria I

37

00:02:34,420 --> 00:02:32,540

wanted to bring up something interesting

38

00:02:37,000 --> 00:02:34,430

brea ports are very different from

39

00:02:38,980 --> 00:02:37,010

telepathy or clairvoyance ports may not

40

00:02:40,839 --> 00:02:38,990

necessarily happen on command either as

41

00:02:43,150 --> 00:02:40,849

some mediums or non mediums have tried

42

00:02:44,920 --> 00:02:43,160

successfully but also failed at this -

43

00:02:47,110 --> 00:02:44,930

please tell us the difference in the

44

00:02:48,520 --> 00:02:47,120

definition of this topic being a ports

45

00:02:52,870 --> 00:02:48,530

and then if you don't mind explaining

46

00:02:56,170 --> 00:02:52,880

teleportation also okay I could only

47

00:02:58,449 --> 00:02:56,180

speak by reference of individuals that

48

00:03:01,449 --> 00:02:58,459

have taken our survey and individuals

49

00:03:05,170 --> 00:03:01,459

that are spoken with approximately 25

50

00:03:06,960 --> 00:03:05,180

percent of the individuals of the 4,200

51

00:03:10,720 --> 00:03:06,970

individuals that took our survey

52

00:03:12,940 --> 00:03:10,730

mentioned that they had eight ports that

53

00:03:16,660 --> 00:03:12,950

just mysteriously appeared out of

54

00:03:19,810 --> 00:03:16,670

nowhere a ports are Fizz

55

00:03:23,170 --> 00:03:19,820

objects that were not originally in your

56

00:03:26,110 --> 00:03:23,180

home were in your room and that most of

57

00:03:28,930 --> 00:03:26,120

the time they appear in front of you or

58

00:03:32,170 --> 00:03:28,940

in a place where it's easy for you to to

59

00:03:34,210 --> 00:03:32,180

see there was a lady that you had on

60

00:03:36,160 --> 00:03:34,220

your show I think a while back ago that

61

00:03:38,860 --> 00:03:36,170

said that a penny just appeared right in

62

00:03:44,410 --> 00:03:38,870

front of her that happened to my wife

63

00:03:45,970 --> 00:03:44,420

twice where a penny just flew out of

64

00:03:47,980 --> 00:03:45,980

nowhere and put right in front of her

65

00:03:53,110 --> 00:03:47,990

and it was a penny that she had placed

66

00:03:58,510 --> 00:03:53,120

under the bed of this deceased person

67

00:04:03,250 --> 00:03:58,520

that had collected pennies and so that's

68

00:04:05,110 --> 00:04:03,260

one incident but the the most important

69

00:04:07,420 --> 00:04:05,120

person that I've known that it has had

70

00:04:13,900 --> 00:04:07,430

countless of eight ports is my best

71

00:04:17,740 --> 00:04:13,910

friend who lives here in Miami and he

72

00:04:20,830 --> 00:04:17,750

has a whole shelf of a ports and it was

73

00:04:24,550 --> 00:04:20,840

seen by dr. Joseph Burks by dr. John

74

00:04:28,570 --> 00:04:24,560

Alexander dr. Jeffery Mishlove was a PhD

75

00:04:32,340 --> 00:04:28,580

in parapsychology oh yeah he he actually

76

00:04:35,710 --> 00:04:32,350

wrote a book many many years ago I

77

00:04:37,930 --> 00:04:35,720

forgot the name of the of the

78

00:04:41,800 --> 00:04:37,940

experimenter but it's a broad experience

79

00:04:44,140 --> 00:04:41,810

ER that that had many many a ports and

80

00:04:48,430 --> 00:04:44,150

he wrote that book maybe 25 to 30 years

81

00:04:50,950 --> 00:04:48,440

ago and and and and I was introduced to

82

00:04:51,790 --> 00:04:50,960

that topic by I believe it was Stanley

83

00:04:54,100 --> 00:04:51,800

Crippler

84

00:04:56,680 --> 00:04:54,110

who wrote a paper and he's also very

85

00:04:59,440 --> 00:04:56,690

very famous parapsychologist he was a

86

00:05:02,050 --> 00:04:59,450

professor for many many years I believe

87

00:05:04,960 --> 00:05:02,060

Stanley's in his either late 80s or

88

00:05:07,870 --> 00:05:04,970

early 90s and and he was the one that

89

00:05:09,580 --> 00:05:07,880

really publicized this whole topic of a

90

00:05:13,719 --> 00:05:09,590

ports and let me just give you an

91

00:05:16,330 --> 00:05:13,729

illustration my where's ports are wrong

92

00:05:19,690 --> 00:05:16,340

neck these are objects that just

93

00:05:24,250 --> 00:05:19,700

mysteriously appeared he has four rings

94

00:05:27,070 --> 00:05:24,260

that have been brought here and all of

95

00:05:29,140 --> 00:05:27,080

them are his exact ring size and he's

96

00:05:36,250 --> 00:05:29,150

had tons of other objects

97

00:05:38,740 --> 00:05:36,260

and and chains have been transported we

98

00:05:41,140 --> 00:05:38,750

don't we know almost nothing about this

99

00:05:43,570 --> 00:05:41,150

phenomenon we can only describe the

100

00:05:45,520 --> 00:05:43,580

object and describe how it just popped

101
00:05:47,650 --> 00:05:45,530
into a lot of these people but the way

102
00:05:49,560 --> 00:05:47,660
he described a lot of them is that he's

103
00:05:52,390 --> 00:05:49,570
watching TV on his living room couch

104
00:05:54,430 --> 00:05:52,400
sometimes his wife is with him and all

105
00:05:56,650 --> 00:05:54,440
of a sudden he hear like a pop right

106
00:06:00,250 --> 00:05:56,660
next to him on the couch and he looks

107
00:06:05,050 --> 00:06:00,260
and there's this metallic object and for

108
00:06:08,740 --> 00:06:05,060
them were chains metal objects that he

109
00:06:12,310 --> 00:06:08,750
identified as Tibetan other them looked

110
00:06:15,640 --> 00:06:12,320
like like meteorites some of them were

111
00:06:18,370 --> 00:06:15,650
actually real change with objects one

112
00:06:22,090 --> 00:06:18,380
had a dragon with like a diamond on it

113
00:06:26,620 --> 00:06:22,100

another was another object that had like

114

00:06:28,270 --> 00:06:26,630

a ruby on it so these were real chains

115

00:06:30,700 --> 00:06:28,280

that someone wore at one time because

116

00:06:33,040 --> 00:06:30,710

these are man-made so we know very very

117

00:06:34,570 --> 00:06:33,050

little about it what we do know at least

118

00:06:37,060 --> 00:06:34,580

is the rings that they all fitted him

119

00:06:39,159 --> 00:06:37,070

all the five rings right that's

120

00:06:42,610 --> 00:06:39,169

fascinating I wanted to ask you kind of

121

00:06:43,839 --> 00:06:42,620

an odd question although I'm not sure if

122

00:06:46,029 --> 00:06:43,849

there's such thing as an odd question

123

00:06:48,850 --> 00:06:46,039

with this kind of interesting topic but

124

00:06:53,010 --> 00:06:48,860

do you think some items and museums are

125

00:06:56,830 --> 00:06:53,020

a quartz and people don't even know it

126

00:07:00,400 --> 00:06:56,840

that's just speculation I can't I could

127

00:07:05,200 --> 00:07:00,410

only comment on what I know and this man

128

00:07:06,670 --> 00:07:05,210

is a retired federal DEA agent for many

129

00:07:09,219 --> 00:07:06,680

many years his wife is a PhD

130

00:07:12,070 --> 00:07:09,229

psychologist their daughters a PhD

131

00:07:15,490 --> 00:07:12,080

psychologist and all three of them are

132

00:07:17,589 --> 00:07:15,500

experienced but the wife and my friend

133

00:07:20,770 --> 00:07:17,599

the male friend they're both in their

134

00:07:24,339 --> 00:07:20,780

early 70s and braver educated people

135

00:07:26,650 --> 00:07:24,349

very professional and and the airport's

136

00:07:29,770 --> 00:07:26,660

it's just one little fraction of the

137

00:07:30,969 --> 00:07:29,780

type of experiences that bad and the

138

00:07:33,400 --> 00:07:30,979

people that I spoken with the

139

00:07:35,890 --> 00:07:33,410

experiencers again the airports is one

140

00:07:37,990 --> 00:07:35,900

type of paranormal phenomenon but these

141

00:07:40,029 --> 00:07:38,000

people are having a whole array of

142

00:07:40,900 --> 00:07:40,039

paranormal experiences and we can talk

143

00:07:43,390 --> 00:07:40,910

about that later

144

00:07:46,900 --> 00:07:43,400

so that eight ports is just one of the

145

00:07:48,850 --> 00:07:46,910

many components to the paranormal

146

00:07:52,780 --> 00:07:48,860

reality in life that these experiences

147

00:07:54,430 --> 00:07:52,790

are living okay and also I wanted to

148

00:07:56,710 --> 00:07:54,440

mention to you we've had a huge leap of

149

00:07:57,640 --> 00:07:56,720

the evolution of learning on a short

150

00:07:59,380 --> 00:07:57,650

time here on earth

151
00:08:01,900 --> 00:07:59,390
we've gone from seemingly a caveman

152
00:08:04,060 --> 00:08:01,910
level thinking with stone tools to being

153
00:08:05,830 --> 00:08:04,070
brilliant prodigies who now use complex

154
00:08:08,650 --> 00:08:05,840
languages and rely upon the planet with

155
00:08:10,420 --> 00:08:08,660
our agriculture and technology how did

156
00:08:12,880 --> 00:08:10,430
we get here so fast do you think that

157
00:08:15,010 --> 00:08:12,890
it's possible those in the past were

158
00:08:18,120 --> 00:08:15,020
exposed to a quartz that may have

159
00:08:21,820 --> 00:08:18,130
allowed technology at that time to have

160
00:08:25,630 --> 00:08:21,830
accelerated learning again I could only

161
00:08:27,370 --> 00:08:25,640
talk about what has either been in our

162
00:08:29,890 --> 00:08:27,380
survey what thousands of people have

163
00:08:32,620 --> 00:08:29,900

told us or what individuals have told us

164

00:08:34,209 --> 00:08:32,630

so that's just speculation that you know

165

00:08:37,240 --> 00:08:34,219

that question that you asked but what I

166

00:08:40,180 --> 00:08:37,250

can say is that approximately 25 percent

167

00:08:42,250 --> 00:08:40,190

of the individuals in our survey we're

168

00:08:44,890 --> 00:08:42,260

talking over 4,000 people from over a

169

00:08:48,640 --> 00:08:44,900

hundred countries have told them have

170

00:08:53,200 --> 00:08:48,650

were told by non-human intelligence that

171

00:08:56,830 --> 00:08:53,210

they were upgraded okay that their DNA

172

00:08:59,170 --> 00:08:56,840

was upgraded okay and that's a common

173

00:09:01,600 --> 00:08:59,180

theme that's being widely discussed by

174

00:09:03,910 --> 00:09:01,610

numerous experiencers but here we have

175

00:09:06,310 --> 00:09:03,920

you know hundreds and hundreds of

176

00:09:08,160 --> 00:09:06,320

individuals all over the world said that

177

00:09:10,600 --> 00:09:08,170

they don't believe it's not like they

178

00:09:13,690 --> 00:09:10,610

hypothesize no they were told by

179

00:09:16,630 --> 00:09:13,700

non-human intelligence that humans are

180

00:09:19,020 --> 00:09:16,640

being periodically upgraded understood I

181

00:09:22,810 --> 00:09:19,030

was listening to Stanley krypter earlier

182

00:09:23,950 --> 00:09:22,820

and he was on the show as you know

183

00:09:25,900 --> 00:09:23,960

because I know I think you've been on

184

00:09:27,910 --> 00:09:25,910

this show before the new thinking aloud

185

00:09:29,140 --> 00:09:27,920

with the host Jeffrey Mishlove the PhD

186

00:09:30,970 --> 00:09:29,150

who's author of the roots of

187

00:09:32,320 --> 00:09:30,980

consciousness and PSI development

188

00:09:34,150 --> 00:09:32,330

systems and the PK man

189

00:09:36,340 --> 00:09:34,160

Stanley krypter was on a show and he

190

00:09:38,500 --> 00:09:36,350

said that the higher ego the higher

191

00:09:41,410 --> 00:09:38,510

geomagnetic force of sorry about that

192

00:09:43,870 --> 00:09:41,420

the higher geomagnetic field the higher

193

00:09:47,740 --> 00:09:43,880

the more likely anomalous experiences

194

00:09:49,170 --> 00:09:47,750

are going to occur and he said that in

195

00:09:51,120 --> 00:09:49,180

conjunction with having

196

00:09:53,100 --> 00:09:51,130

talking about imports so he felt that

197

00:09:54,900 --> 00:09:53,110

the possibility of ports actually

198

00:09:57,270 --> 00:09:54,910

occurring have to do with the

199

00:10:00,000 --> 00:09:57,280

geomagnetic field of the earth being of

200

00:10:03,390 --> 00:10:00,010

being at a stronger level how do you

201
00:10:05,310 --> 00:10:03,400
feel about that well I don't have any

202
00:10:07,800 --> 00:10:05,320
evidence for that I've never read any

203
00:10:12,650 --> 00:10:07,810
events to that I've never seen anyone

204
00:10:18,210 --> 00:10:15,660
what we do know from our research study

205
00:10:21,150 --> 00:10:18,220
this again aren't is representing the

206
00:10:23,580 --> 00:10:21,160
entire free foundation the academics we

207
00:10:26,340 --> 00:10:23,590
have nine PhD academics associated with

208
00:10:29,280 --> 00:10:26,350
our organization is that when

209
00:10:32,580 --> 00:10:29,290
individuals have been exposed to either

210
00:10:35,760 --> 00:10:32,590
a near-death experience an out-of-body

211
00:10:39,120 --> 00:10:35,770
experience or direct physical contact

212
00:10:41,970 --> 00:10:39,130
with the nonhuman intelligence or have

213
00:10:46,280 --> 00:10:41,980

been aboard what is usually described as

214

00:10:52,550 --> 00:10:46,290

a UFO craft okay these individuals have

215

00:10:56,580 --> 00:10:52,560

a increased paranormal experiences okay

216

00:10:59,550 --> 00:10:56,590

it seems to be accelerated after these

217

00:11:01,350 --> 00:10:59,560

experiences and the hypotheses that a

218

00:11:05,730 --> 00:11:01,360

lot of people are circulating is that

219

00:11:08,700 --> 00:11:05,740

somehow they have crossed the bridge or

220

00:11:13,620 --> 00:11:08,710

the the field of this multi-dimensional

221

00:11:18,260 --> 00:11:13,630

reality and then it's opened up these

222

00:11:21,630 --> 00:11:18,270

multi-dimensional paranormal experiences

223

00:11:24,360 --> 00:11:21,640

to their lives and again a lot of it is

224

00:11:26,880 --> 00:11:24,370

consciousness based if sort of let me

225

00:11:31,550 --> 00:11:26,890

give a simplistic way of explaining it

226

00:11:33,900 --> 00:11:31,560

okay if all of a sudden you've had a

227

00:11:35,900 --> 00:11:33,910

near-death experience or you've been

228

00:11:39,800 --> 00:11:35,910

brought to a multi-dimensional reality

229

00:11:42,210 --> 00:11:39,810

by a nonhuman intelligence okay and

230

00:11:44,250 --> 00:11:42,220

almost double the people that have taken

231

00:11:46,440 --> 00:11:44,260

or separated that I've been abducted

232

00:11:49,650 --> 00:11:46,450

double the amount have been brought to a

233

00:11:50,880 --> 00:11:49,660

matrix reality from our survey okay so

234

00:11:53,550 --> 00:11:50,890

we're talking in a hell of a lot of

235

00:11:57,930 --> 00:11:53,560

people so once that has happened it

236

00:12:01,170 --> 00:11:57,940

seems like your brain is serves as a

237

00:12:03,000 --> 00:12:01,180

filtering device so it filters all of

238

00:12:05,970 --> 00:12:03,010

the information fields

239

00:12:09,630 --> 00:12:05,980

from our physical unconsciousness

240

00:12:10,980 --> 00:12:09,640

reality so what ray do you mind if I

241

00:12:14,700 --> 00:12:10,990

jump in here real quick and ask you a

242

00:12:16,230 --> 00:12:14,710

question what what convinces these folks

243

00:12:22,020 --> 00:12:16,240

that they were brought into this kind of

244

00:12:23,730 --> 00:12:22,030

virtual matrix reality well the best way

245

00:12:27,420 --> 00:12:23,740

to describe is the people that describe

246

00:12:29,460 --> 00:12:27,430

a near-death experience okay if you've

247

00:12:33,360 --> 00:12:29,470

ever seen the picture from Jodie Foster

248

00:12:35,640 --> 00:12:33,370

contact your okay I've had that

249

00:12:38,460 --> 00:12:35,650

experience and it's extremely difficult

250

00:12:42,030 --> 00:12:38,470

to describe it because it seems physical

251

00:12:44,940 --> 00:12:42,040

and non-physical okay it's a reality

252

00:12:48,360 --> 00:12:44,950

where there's no time when I had my

253

00:12:50,880 --> 00:12:48,370

experience you get brought out and by

254

00:12:54,990 --> 00:12:50,890

the time I returned no time have been

255

00:12:57,930 --> 00:12:55,000

spent so it you know you're not in a

256

00:13:01,080 --> 00:12:57,940

three-dimensional reality but it seems

257

00:13:03,930 --> 00:13:01,090

very physical in a sense but what you're

258

00:13:07,200 --> 00:13:03,940

seeing and you're observing is not

259

00:13:09,030 --> 00:13:07,210

physical I I guess like the best way to

260

00:13:11,220 --> 00:13:09,040

do is for people to start reading the

261

00:13:13,740 --> 00:13:11,230

literature listen to the YouTube videos

262

00:13:16,730 --> 00:13:13,750

of near-death experiences describing

263

00:13:19,860 --> 00:13:16,740

that that place that they get brought to

264

00:13:22,800 --> 00:13:19,870

so it's very easy for you to understand

265

00:13:24,600 --> 00:13:22,810

that this is not 3d I understand I

266

00:13:25,770 --> 00:13:24,610

wanted to read something that's kind of

267

00:13:28,740 --> 00:13:25,780

interesting and see if you have a

268

00:13:30,660 --> 00:13:28,750

comment on it it says spirit mediums

269

00:13:32,790 --> 00:13:30,670

fall into two categories mental or

270

00:13:35,040 --> 00:13:32,800

physical a mental medium communicates

271

00:13:37,080 --> 00:13:35,050

with spirits using ESP and is this type

272

00:13:39,390 --> 00:13:37,090

of mediumship that is demonstrated most

273

00:13:41,160 --> 00:13:39,400

often in public physical mediumship is

274

00:13:44,360 --> 00:13:41,170

rarer more dramatic and is characterized

275

00:13:46,560 --> 00:13:44,370

by levitations wrappings supports

276

00:13:49,290 --> 00:13:46,570

telekinesis of objects psychic lights

277

00:13:51,420 --> 00:13:49,300

and so on and then it says Alan Kardec

278

00:13:53,820 --> 00:13:51,430

whose real name was you know what HIPPA

279

00:13:56,730 --> 00:13:53,830

lady was a French doctor and author of

280

00:13:58,290 --> 00:13:56,740

the spirits book and kardec accumulated

281

00:14:01,380 --> 00:13:58,300

a wealth of info about spirits through

282

00:14:03,030 --> 00:14:01,390

various mediums and he said this the

283

00:14:05,010 --> 00:14:03,040

spirit world is the normal primitive

284

00:14:06,360 --> 00:14:05,020

eternal world pre-existent - and

285

00:14:08,670 --> 00:14:06,370

surviving everything else

286

00:14:11,280 --> 00:14:08,680

spirits temporarily assume a perishable

287

00:14:13,230 --> 00:14:11,290

material envelope the destruction of

288

00:14:16,320 --> 00:14:13,240

which by death restores them to Liberty

289

00:14:17,040 --> 00:14:16,330

the soul is incarnated spirit whose body

290

00:14:19,560 --> 00:14:17,050

is only

291

00:14:22,470 --> 00:14:19,570

it's envelope a spirit therefore is not

292

00:14:24,750 --> 00:14:22,480

an abstract undefined being only to be

293

00:14:28,440 --> 00:14:24,760

conceived of by our thought it is real

294

00:14:31,500 --> 00:14:28,450

circumscribed being wanted to ask you it

295

00:14:32,730 --> 00:14:31,510

says also to explain the PSI events that

296

00:14:35,580 --> 00:14:32,740

occur in the presence of physical

297

00:14:38,430 --> 00:14:35,590

mediums car duck car duck further claims

298

00:14:41,580 --> 00:14:38,440

that spirits are everywhere in space and

299

00:14:44,340 --> 00:14:41,590

around us seeing us mix in mixing with

300

00:14:47,610 --> 00:14:44,350

us incessantly they act both upon matter

301
00:14:49,350 --> 00:14:47,620
and a pomp thought and constitute one of

302
00:14:51,780 --> 00:14:49,360
the powers of nature the efficient cause

303
00:14:54,030 --> 00:14:51,790
of many classes of phenomena here two

304
00:14:56,400 --> 00:14:54,040
unexplained or misinterpreted since

305
00:14:59,100 --> 00:14:56,410
spirits according to that idea are

306
00:15:01,530 --> 00:14:59,110
around us in mixing with us incessantly

307
00:15:05,520 --> 00:15:01,540
and they act upon both matter and pond

308
00:15:08,610 --> 00:15:05,530
thought is it possible that spirits have

309
00:15:12,330 --> 00:15:08,620
been responsible for reports do you feel

310
00:15:14,970 --> 00:15:12,340
that that's a possibility we just and we

311
00:15:17,400 --> 00:15:14,980
know very little about it so everything

312
00:15:19,410 --> 00:15:17,410
is up in the air let me just state that

313
00:15:22,050 --> 00:15:19,420

dr. Gary Schwartz I don't know if you've

314

00:15:24,570 --> 00:15:22,060

ever heard the name dr. Gary Schwartz

315

00:15:27,690 --> 00:15:24,580

received a PhD in psychology from

316

00:15:29,940 --> 00:15:27,700

Harvard University he then taught at

317

00:15:32,760 --> 00:15:29,950

Harvard University and then became a

318

00:15:34,140 --> 00:15:32,770

tenured professor at Yale University so

319

00:15:37,650 --> 00:15:34,150

we're talking the cream of the crop here

320

00:15:40,140 --> 00:15:37,660

and he was lured approximately 18 years

321

00:15:41,790 --> 00:15:40,150

ago to the University of Arizona because

322

00:15:43,800 --> 00:15:41,800

they gave him a whole boatload of money

323

00:15:46,020 --> 00:15:43,810

they said most of the time you could

324

00:15:48,450 --> 00:15:46,030

dedicate yourself to research and they

325

00:15:50,930 --> 00:15:48,460

gave him and he was able to secure

326

00:15:58,350 --> 00:15:50,940

additional money for a research lab

327

00:16:00,180 --> 00:15:58,360

myself free director dr. Rudy shields

328

00:16:04,440 --> 00:16:00,190

who is an emeritus professor of

329

00:16:08,280 --> 00:16:04,450

astrophysics at Harvard University and

330

00:16:10,500 --> 00:16:08,290

several other of our academics we toured

331

00:16:11,310 --> 00:16:10,510

his facility at the University of

332

00:16:13,440 --> 00:16:11,320

Arizona

333

00:16:16,200 --> 00:16:13,450

he has approximately ten different rooms

334

00:16:19,640 --> 00:16:16,210

with sophisticated electronic devices

335

00:16:25,050 --> 00:16:19,650

and what he's doing is exactly discussed

336

00:16:30,390 --> 00:16:25,060

him with mediums and trying to get the

337

00:16:33,810 --> 00:16:30,400

deceased entities to interfere with

338

00:16:37,590 --> 00:16:33,820

with different electronic hardware so

339

00:16:39,780 --> 00:16:37,600

it's it's um it's it's um psychokinesis

340

00:16:42,210 --> 00:16:39,790

taking place through a medium by a

341

00:16:44,280 --> 00:16:42,220

spirit for just a little brief example

342

00:16:47,940 --> 00:16:44,290

they have a machine that's like a laser

343

00:16:50,700 --> 00:16:47,950

and they have a measuring instrument

344

00:16:52,920 --> 00:16:50,710

that records 100% when the laser is

345

00:16:54,240 --> 00:16:52,930

being unimpeded you put your hand

346

00:16:57,269 --> 00:16:54,250

through it and all of a sudden it goes

347

00:16:59,940 --> 00:16:57,279

to zero okay so they'll tell the medium

348

00:17:02,250 --> 00:16:59,950

to communicate with the spirit that they

349

00:17:05,280 --> 00:17:02,260

communicate with and they said if the

350

00:17:07,799 --> 00:17:05,290

the spirit can impede into that and so

351

00:17:11,370 --> 00:17:07,809

it goes in there and it impedes it now

352

00:17:14,309 --> 00:17:11,380

whether it's the medium or the spirit we

353

00:17:17,850 --> 00:17:14,319

just don't know okay but they do put the

354

00:17:22,110 --> 00:17:17,860

medium in a in a Faraday cage under

355

00:17:26,010 --> 00:17:22,120

controlled mechanisms I don't know the

356

00:17:29,450 --> 00:17:26,020

full details of his protocols but he

357

00:17:31,799 --> 00:17:29,460

went into detail how all of this was a

358

00:17:36,390 --> 00:17:31,809

double-blind experiments things of that

359

00:17:39,330 --> 00:17:36,400

sort so dr. Gary Schwartz is has 15

360

00:17:41,070 --> 00:17:39,340

years worth of data a hard core data the

361

00:17:42,930 --> 00:17:41,080

problem is is that where in the hell

362

00:17:45,450 --> 00:17:42,940

he's gonna be able to publish it because

363

00:17:47,720 --> 00:17:45,460

no reputable quote-unquote scientific

364

00:17:50,490 --> 00:17:47,730

academic would publish this thing

365

00:17:53,760 --> 00:17:50,500

because here is this this you know

366

00:17:55,880 --> 00:17:53,770

professor was a full tenured professor

367

00:18:00,930 --> 00:17:55,890

at Harvard and Yale and now at Arizona

368

00:18:04,140 --> 00:18:00,940

with with numerous publications which

369

00:18:07,919 --> 00:18:04,150

shows actual data all done according to

370

00:18:11,310 --> 00:18:07,929

academic standards for four different

371

00:18:13,500 --> 00:18:11,320

psychological tests so what you just

372

00:18:14,850 --> 00:18:13,510

said is is being duplicated right now

373

00:18:16,470 --> 00:18:14,860

and he's not the only one there's

374

00:18:20,280 --> 00:18:16,480

several others that are doing it Dean

375

00:18:22,169 --> 00:18:20,290

Radin is doing many uh he's the the

376

00:18:24,660 --> 00:18:22,179

chief scientist at the Institute for

377

00:18:26,549 --> 00:18:24,670

noetic Sciences and that's the Institute

378

00:18:28,590 --> 00:18:26,559

that one of our co-founders the late dr.

379

00:18:32,610 --> 00:18:28,600

Edgar Mitchell found founded back in

380

00:18:35,330 --> 00:18:32,620

1972 for over 20 years he's been doing

381

00:18:38,970 --> 00:18:35,340

again scientific double-blind

382

00:18:42,830 --> 00:18:38,980

experiments on psychokinesis on on

383

00:18:45,560 --> 00:18:42,840

channeling but mainly the eatest

384

00:18:48,649 --> 00:18:45,570

and again it's a beyond a shadow of a

385

00:18:50,899 --> 00:18:48,659

doubt he's shown that ESP is

386

00:18:53,419 --> 00:18:50,909

statistically significant yes it does

387

00:18:55,129 --> 00:18:53,429

exist I wanted to mention something

388

00:18:56,869 --> 00:18:55,139

interesting for our listeners and that

389

00:18:58,639 --> 00:18:56,879

is the Stanford University Museum has

390

00:19:01,460 --> 00:18:58,649

supported objects they just keep that

391

00:19:03,830 --> 00:19:01,470

under cover and the University of

392

00:19:06,619 --> 00:19:03,840

Manitoba Canada also has all of Stanley

393

00:19:09,919 --> 00:19:06,629

Crippler supports also were you aware of

394

00:19:12,529 --> 00:19:09,929

that yes I was and I'm sure that there's

395

00:19:14,299 --> 00:19:12,539

many individuals all over the world that

396

00:19:16,580 --> 00:19:14,309

have a ports like my friend Alberto if

397

00:19:18,230 --> 00:19:16,590

he were to die his wife would would

398

00:19:19,820 --> 00:19:18,240

probably give them away to everybody not

399

00:19:22,070 --> 00:19:19,830

really tell them they said well this is

400

00:19:24,320 --> 00:19:22,080

something special I popped in you know

401
00:19:26,480 --> 00:19:24,330
and he might give me a few give someone

402
00:19:28,279 --> 00:19:26,490
else a few he's given away like more

403
00:19:31,460 --> 00:19:28,289
than half of his eight ports to other

404
00:19:33,680 --> 00:19:31,470
experiences and but people keep quiet

405
00:19:35,600 --> 00:19:33,690
about it what we determined in our

406
00:19:38,090 --> 00:19:35,610
survey was that the overwhelmingly

407
00:19:40,430 --> 00:19:38,100
majority of people that took our surveys

408
00:19:42,499 --> 00:19:40,440
they've never spoken to anyone about the

409
00:19:45,799 --> 00:19:42,509
experiences that said maybe a close

410
00:19:47,359 --> 00:19:45,809
relative so it's no one knows about

411
00:19:49,279 --> 00:19:47,369
these eight points very few people I

412
00:19:51,769 --> 00:19:49,289
wanted to bring up something that Grand

413
00:19:55,519 --> 00:19:51,779

actually sent me and that was on another

414

00:19:58,249 --> 00:19:55,529

show we did regarding of ports and hmm

415

00:20:01,909 --> 00:19:58,259

and that was a document that says

416

00:20:03,830 --> 00:20:01,919

confidential July 1972 fully developed

417

00:20:05,539 --> 00:20:03,840

this technique it just goes on because

418

00:20:07,190 --> 00:20:05,549

it's actually it's a part of another

419

00:20:09,440 --> 00:20:07,200

document so I'm just gonna go and start

420

00:20:11,869 --> 00:20:09,450

talking from from the fragment of the

421

00:20:13,340 --> 00:20:11,879

sentence it says fully developed this

422

00:20:15,470 --> 00:20:13,350

technique would make possible the

423

00:20:17,720 --> 00:20:15,480

abduction of actual objects including

424

00:20:19,779 --> 00:20:17,730

documents in enemy territory and

425

00:20:22,340 --> 00:20:19,789

therefore transfer to friendly territory

426

00:20:24,139 --> 00:20:22,350

objects so abducted are known as

427

00:20:25,669 --> 00:20:24,149

supports they could be returned to the

428

00:20:26,989 --> 00:20:25,679

point of origin without the enemy

429

00:20:29,330 --> 00:20:26,999

becoming aware of this temporary

430

00:20:30,919 --> 00:20:29,340

abduction says number three some of the

431

00:20:33,680 --> 00:20:30,929

world's most eminent scientists from the

432

00:20:35,090 --> 00:20:33,690

late 1800s and the early 1900's have

433

00:20:35,840 --> 00:20:35,100

claimed to have witnessed a port

434

00:20:38,930 --> 00:20:35,850

phenomena

435

00:20:41,539 --> 00:20:38,940

these include Sir William Crookes 1832

436

00:20:43,279 --> 00:20:41,549

to 1919 British chemist and physicist

437

00:20:44,899 --> 00:20:43,289

discoverer of the element thallium and

438

00:20:46,549 --> 00:20:44,909

former president of the British

439

00:20:50,119 --> 00:20:46,559

Association for the Advancement of

440

00:20:52,940 --> 00:20:50,129

science Alfred Russel Wallace 1823 to

441

00:20:55,159 --> 00:20:52,950

1913 British naturalist and Co discover

442

00:20:56,300 --> 00:20:55,169

with Charles Darwin of the theory of

443

00:21:00,410 --> 00:20:56,310

evolution and

444

00:21:01,970 --> 00:21:00,420

John KF Zollner 1834 to 1882 professor

445

00:21:04,520 --> 00:21:01,980

of physical astronomy at the University

446

00:21:06,740 --> 00:21:04,530

of Leeds eastern Germany says number

447

00:21:08,630 --> 00:21:06,750

four in the discussion of such esoteric

448

00:21:10,700 --> 00:21:08,640

subjects as courts it is deemed

449

00:21:12,050 --> 00:21:10,710

sufficient to relate only one experience

450

00:21:14,390 --> 00:21:12,060

claimed to have occurred to Sir William

451

00:21:17,030 --> 00:21:14,400

Crookes the interested reader can't

452

00:21:18,770 --> 00:21:17,040

consult the non cited bibliography for

453

00:21:20,660 --> 00:21:18,780

further references I wanted to actually

454

00:21:23,300 --> 00:21:20,670

ask you a question about that gave me an

455

00:21:25,610 --> 00:21:23,310

idea regarding the abduction of actual

456

00:21:27,860 --> 00:21:25,620

objects including documents in enemy

457

00:21:29,720 --> 00:21:27,870

territory and then they're transferred

458

00:21:33,950 --> 00:21:29,730

to friendly territory do you think it's

459

00:21:36,080 --> 00:21:33,960

possible that our government or any

460

00:21:38,600 --> 00:21:36,090

government around the world might be

461

00:21:41,780 --> 00:21:38,610

involved in attempting to aport objects

462

00:21:43,790 --> 00:21:41,790

for intelligence purposes there's so

463

00:21:51,860 --> 00:21:43,800

much going on on the Internet

464

00:21:54,260 --> 00:21:51,870

okay and so I've never seen anything

465

00:21:57,560 --> 00:21:54,270

written about it to substantiate it any

466

00:21:59,180 --> 00:21:57,570

documentation nothing about it to me

467

00:22:00,140 --> 00:21:59,190

it's just another that's taking

468

00:22:03,740 --> 00:22:00,150

place on the Internet

469

00:22:06,800 --> 00:22:03,750

I however like any instrument

470

00:22:09,530 --> 00:22:06,810

it does contain kernels of truths in it

471

00:22:12,950 --> 00:22:09,540

okay so all those people that have seen

472

00:22:14,870 --> 00:22:12,960

a ports that's the truth okay all those

473

00:22:16,310 --> 00:22:14,880

people and let me throw in now Edgar

474

00:22:19,940 --> 00:22:16,320

Mitchell let me tell you two stories of

475

00:22:22,060 --> 00:22:19,950

eight ports that Edgar told me okay he

476

00:22:25,370 --> 00:22:22,070

was at the Stanford Research Institute

477

00:22:28,730 --> 00:22:25,380

1972 he was the person that flew out to

478

00:22:30,230 --> 00:22:28,740

Israel to bring in uri geller he was the

479

00:22:32,540 --> 00:22:30,240

first person that they began to do

480

00:22:36,530 --> 00:22:32,550

experiments with okay this is for the

481

00:22:38,570 --> 00:22:36,540

remote viewing project okay and it was

482

00:22:40,040 --> 00:22:38,580

some intelligence person from Israeli

483

00:22:42,440 --> 00:22:40,050

intelligence told someone from the US

484

00:22:45,830 --> 00:22:42,450

intelligence who then told Edgar Edgar

485

00:22:47,570 --> 00:22:45,840

then got the telephone number contacted

486

00:22:49,820 --> 00:22:47,580

the Israeli intelligence person they

487

00:22:51,440 --> 00:22:49,830

told him about Yuri Geller and they said

488

00:22:52,790 --> 00:22:51,450

can I go and meet this guy he went out

489

00:22:55,070 --> 00:22:52,800

there and interviewed him and then

490

00:22:57,380 --> 00:22:55,080

convinced him to come to the Stanford

491

00:22:59,630 --> 00:22:57,390

Research Institute Edgar told me that

492

00:23:02,210 --> 00:22:59,640

two things were all of a sudden

493

00:23:06,280 --> 00:23:02,220

mysteriously transported to him things

494

00:23:09,470 --> 00:23:06,290

that he had lost okay one was a TSP

495

00:23:10,070 --> 00:23:09,480

holder like when you take a teaspoon and

496

00:23:14,299 --> 00:23:10,080

you squeeze

497

00:23:16,430 --> 00:23:14,309

I forgot the formal name for that that

498

00:23:19,810 --> 00:23:16,440

all of a sudden felt like a weighted

499

00:23:23,720 --> 00:23:19,820

thing on his jacket on his suit jacket

500

00:23:27,889 --> 00:23:23,730

and when he reached in there okay it was

501
00:23:31,460 --> 00:23:27,899
the teaspoon holder and it was you know

502
00:23:34,009 --> 00:23:31,470
it's quite heavy and he he wore that

503
00:23:37,460 --> 00:23:34,019
suit a lot of time you know the last

504
00:23:39,440 --> 00:23:37,470
month okay and and he had you know

505
00:23:41,720 --> 00:23:39,450
dry-cleaned and all of this stuff so

506
00:23:44,060 --> 00:23:41,730
this thing just mysteriously appeared

507
00:23:44,870 --> 00:23:44,070
the other thing was his shirt in his

508
00:23:47,090 --> 00:23:44,880
shirt pocket

509
00:23:50,389 --> 00:23:47,100
he had lost he said it was like a medal

510
00:23:53,240 --> 00:23:50,399
of his brother from the Korean War and

511
00:23:56,149 --> 00:23:53,250
he was so upset because he had lost it

512
00:23:59,269 --> 00:23:56,159
and I believe his his brother had died I

513
00:24:01,370 --> 00:23:59,279

don't recall that part but I believe

514

00:24:03,049 --> 00:24:01,380

that's what he told me and then all of a

515

00:24:07,070 --> 00:24:03,059

sudden in his shirt pocket

516

00:24:09,289 --> 00:24:07,080

okay was this medal of his brother that

517

00:24:11,960 --> 00:24:09,299

all of a sudden was like banging on his

518

00:24:13,820 --> 00:24:11,970

chest you know he was like what the hell

519

00:24:16,100 --> 00:24:13,830

is that and he loved it he popped it out

520

00:24:18,019 --> 00:24:16,110

and he says both of the times he was

521

00:24:22,519 --> 00:24:18,029

walking down the hall with Uri Geller oh

522

00:24:24,950 --> 00:24:22,529

my gosh okay and and as told the story

523

00:24:26,659 --> 00:24:24,960

before you would have to go through you

524

00:24:28,909 --> 00:24:26,669

know hundreds of his interviews to try

525

00:24:31,940 --> 00:24:28,919

to pull that out but Edgar told me that

526

00:24:36,500 --> 00:24:31,950

story yeah and he told me lots of other

527

00:24:38,000 --> 00:24:36,510

stuff about about uri geller yeah and

528

00:24:40,909 --> 00:24:38,010

also I find it interesting about the

529

00:24:42,710 --> 00:24:40,919

spoon story because for the item related

530

00:24:44,810 --> 00:24:42,720

to the spoon because Murray has

531

00:24:47,299 --> 00:24:44,820

supposedly probably the biggest

532

00:24:49,669 --> 00:24:47,309

collection of spoons on the planet and

533

00:24:51,169 --> 00:24:49,679

as you know that's that's his thing so

534

00:24:53,750 --> 00:24:51,179

it's just interesting that happened

535

00:24:56,509 --> 00:24:53,760

while he was there wanted to bring up an

536

00:24:58,909 --> 00:24:56,519

interesting report that I found and that

537

00:25:01,129 --> 00:24:58,919

is a teleportation physics study that

538

00:25:04,129 --> 00:25:01,139

was done by the Air Force Research

539

00:25:06,289 --> 00:25:04,139

Laboratory at Air Force Materiel Command

540

00:25:08,090 --> 00:25:06,299

Edwards Air Force Base and his

541

00:25:09,379 --> 00:25:08,100

teleportation physics study I'll go

542

00:25:11,539 --> 00:25:09,389

ahead and just read the abstract it's

543

00:25:12,590 --> 00:25:11,549

very short it says this study was tasked

544

00:25:14,840 --> 00:25:12,600

with the purpose of collecting

545

00:25:16,549 --> 00:25:14,850

information described describing a

546

00:25:18,320 --> 00:25:16,559

teleportation of material objects

547

00:25:21,049 --> 00:25:18,330

providing a description of teleportation

548

00:25:23,510 --> 00:25:21,059

as it occurs in physics it's theoretical

549

00:25:25,460 --> 00:25:23,520

and experimental status and

550

00:25:27,110 --> 00:25:25,470

objection of potential applications it

551

00:25:29,300 --> 00:25:27,120

goes on for a while regarding

552

00:25:32,080 --> 00:25:29,310

contemporary physics and of course

553

00:25:38,150 --> 00:25:32,090

wanted to ask you do you feel that

554

00:25:40,270 --> 00:25:38,160

physics can it can't support the idea of

555

00:25:42,980 --> 00:25:40,280

a quartz or are we alone we often that

556

00:25:44,230 --> 00:25:42,990

well I mean the whole topic of

557

00:25:47,000 --> 00:25:44,240

teleportation

558

00:25:48,950 --> 00:25:47,010

you know physicists and scientists have

559

00:25:51,200 --> 00:25:48,960

known about it for many many many years

560

00:25:53,780 --> 00:25:51,210

I think the first experiment and again

561

00:25:56,090 --> 00:25:53,790

I'm not a physicist it's just that I

562

00:25:58,850 --> 00:25:56,100

have a personal interest in this so I'm

563

00:26:02,080 --> 00:25:58,860

talking outside of free you know just my

564

00:26:06,710 --> 00:26:02,090

own personal interest that they actually

565

00:26:12,080 --> 00:26:06,720

teleported I think it was it was a

566

00:26:14,060 --> 00:26:12,090

photon from in the Canary Islands which

567

00:26:15,980 --> 00:26:14,070

was I forgot how many miles it was

568

00:26:19,100 --> 00:26:15,990

eighty miles that was the first time

569

00:26:22,670 --> 00:26:19,110

that they ever had a teleported a a

570

00:26:25,580 --> 00:26:22,680

photon which is a light particle and

571

00:26:27,860 --> 00:26:25,590

then I forgot how long ago that wasn't

572

00:26:30,170 --> 00:26:27,870

it was 15 years ago again I'm not an

573

00:26:32,110 --> 00:26:30,180

expert in this but I know that now

574

00:26:34,220 --> 00:26:32,120

most of the major universities

575

00:26:36,830 --> 00:26:34,230

physics-based universities around the

576

00:26:40,850 --> 00:26:36,840

world have duplicated that and I've

577

00:26:43,280 --> 00:26:40,860

actually gone from from a photon to I

578

00:26:45,770 --> 00:26:43,290

believed molecules it's very simple

579

00:26:48,440 --> 00:26:45,780

molecules so it is taking place and

580

00:26:50,270 --> 00:26:48,450

there was also speculation that in the

581

00:26:52,640 --> 00:26:50,280

future as this technology gets developed

582

00:26:55,550 --> 00:26:52,650

that eventually you might be able to

583

00:26:58,190 --> 00:26:55,560

teleport you know larger physical

584

00:27:00,050 --> 00:26:58,200

objects including the possibility in the

585

00:27:02,630 --> 00:27:00,060

very in the future we don't know how

586

00:27:04,550 --> 00:27:02,640

long but of actual people but the

587

00:27:07,220 --> 00:27:04,560

problem is with teleportation is that

588

00:27:09,890 --> 00:27:07,230

the waste theoretically it works is that

589

00:27:11,840 --> 00:27:09,900

you're destroying an object and you're

590

00:27:15,560 --> 00:27:11,850

recreating the object at the other end

591

00:27:17,780 --> 00:27:15,570

so you're getting returned and as you're

592

00:27:20,270 --> 00:27:17,790

destroying it but you're making like a

593

00:27:22,730 --> 00:27:20,280

copy of it and you're beaming the copy

594

00:27:25,370 --> 00:27:22,740

to another location and at least that's

595

00:27:27,560 --> 00:27:25,380

my late person's understanding of it but

596

00:27:30,050 --> 00:27:27,570

but yes it's teleportation is taking

597

00:27:32,660 --> 00:27:30,060

place I had a situation occur to me that

598

00:27:34,850 --> 00:27:32,670

I wanted to talk to you about I was

599

00:27:36,410 --> 00:27:34,860

living alone for a while it was probably

600

00:27:38,720 --> 00:27:36,420

about

601
00:27:40,880 --> 00:27:38,730
I can't remember me a couple decades or

602
00:27:45,500 --> 00:27:40,890
more ago I didn't really think anything

603
00:27:49,250 --> 00:27:45,510
of this I woke up and on my kitchen

604
00:27:51,260 --> 00:27:49,260
counter was a strawberry a crystal that

605
00:27:52,310 --> 00:27:51,270
it's actually called strawberry crystal

606
00:27:54,830 --> 00:27:52,320
I think it's like from Russia or

607
00:27:56,480 --> 00:27:54,840
something but I collect I'm a rock

608
00:27:58,520 --> 00:27:56,490
collector and I had been looking for

609
00:28:00,890 --> 00:27:58,530
this rock everywhere I knew it was gone

610
00:28:03,799 --> 00:28:00,900
because that was my favorite rock I

611
00:28:06,530 --> 00:28:03,809
walked in my kitchen and on the island

612
00:28:10,010 --> 00:28:06,540
of my kitchen there was my strawberry

613
00:28:13,880 --> 00:28:10,020

crystal sitting there and I knew I had

614

00:28:16,010 --> 00:28:13,890

not found it nobody was in my house so I

615

00:28:18,650 --> 00:28:16,020

couldn't understand what happened and

616

00:28:21,289 --> 00:28:18,660

then when I asked grant Cameron to do

617

00:28:25,400 --> 00:28:21,299

Shana ports it suddenly occurred to me

618

00:28:26,930 --> 00:28:25,410

that that could be a possibility but it

619

00:28:29,960 --> 00:28:26,940

was very difficult for me to wrap my

620

00:28:33,049 --> 00:28:29,970

mind around it because this object had

621

00:28:37,010 --> 00:28:33,059

not been there for a long time and

622

00:28:38,659 --> 00:28:37,020

suddenly just appeared and then what I

623

00:28:40,220 --> 00:28:38,669

did was they put it in a safe place I

624

00:28:41,750 --> 00:28:40,230

know the place I put it in because I

625

00:28:43,640 --> 00:28:41,760

would always check it to make sure it

626

00:28:45,919 --> 00:28:43,650

was there it disappeared

627

00:28:49,430 --> 00:28:45,929

oh yeah yeah it's extremely common I

628

00:28:51,350 --> 00:28:49,440

have a friend my best friend again that

629

00:28:53,870 --> 00:28:51,360

had an ancient Chinese sword appeared to

630

00:28:56,030 --> 00:28:53,880

him and he captured it with a Polaroid

631

00:28:57,530 --> 00:28:56,040

camera I think I might have sent it to

632

00:29:01,010 --> 00:28:57,540

you awhile when you had that show in a

633

00:29:04,730 --> 00:29:01,020

ports mm-hmm okay this is a huge Chinese

634

00:29:07,130 --> 00:29:04,740

sword from 600 BC and and that was

635

00:29:09,440 --> 00:29:07,140

immediately after this uh Chinese

636

00:29:12,409 --> 00:29:09,450

warlord physically appeared to him and

637

00:29:14,539 --> 00:29:12,419

told him about about his past life they

638

00:29:17,060 --> 00:29:14,549

told them you know the Warlord's name

639

00:29:19,460 --> 00:29:17,070

that he was his adopted son in a past

640

00:29:21,470 --> 00:29:19,470

life and and told him his name in his

641

00:29:23,000 --> 00:29:21,480

history and when it's a detail and I

642

00:29:25,430 --> 00:29:23,010

said if you don't believe me go to the

643

00:29:27,650 --> 00:29:25,440

book store look up my name go to the

644

00:29:29,600 --> 00:29:27,660

library and and if it's a good book it

645

00:29:32,659 --> 00:29:29,610

should mention your name as well okay so

646

00:29:34,730 --> 00:29:32,669

the next day he read to the library and

647

00:29:37,090 --> 00:29:34,740

he did find that book you know from the

648

00:29:39,560 --> 00:29:37,100

600 BC very famous Chinese warlord

649

00:29:41,870 --> 00:29:39,570

everything was all there it even

650

00:29:44,270 --> 00:29:41,880

mentioned he had 23 kills you know this

651

00:29:46,820 --> 00:29:44,280

is my friend that his past life well a

652

00:29:49,070 --> 00:29:46,830

few days later in the living room boom

653

00:29:51,109 --> 00:29:49,080

there you know a noise and

654

00:29:53,409 --> 00:29:51,119

you know he runs over there and is this

655

00:29:58,789 --> 00:29:53,419

sword and guess how many notches it had

656

00:30:01,129 --> 00:29:58,799

23 23 notches his wife who's the PC

657

00:30:03,289 --> 00:30:01,139

psychologist they they lead a crazy

658

00:30:05,600 --> 00:30:03,299

paranormal life SOTA they didn't blink

659

00:30:07,100 --> 00:30:05,610

an eye right and he read he had told

660

00:30:09,499 --> 00:30:07,110

that the story about the warlord and

661

00:30:12,200 --> 00:30:09,509

this other statute this Chinese statute

662

00:30:13,279 --> 00:30:12,210

of the warlord had been a appearing and

663

00:30:15,889 --> 00:30:13,289

disappearing appearing and disappearing

664

00:30:18,320 --> 00:30:15,899

you know for a couple of days now and

665

00:30:19,970 --> 00:30:18,330

then the sword stayed in their house I

666

00:30:22,279 --> 00:30:19,980

have for the day they would taking

667

00:30:23,539 --> 00:30:22,289

polaroid pictures of it the wife was the

668

00:30:27,320 --> 00:30:23,549

wife didn't want to touch it you know

669

00:30:29,599 --> 00:30:27,330

and and and then by the end of the day

670

00:30:32,359 --> 00:30:29,609

both they put it in a safe place you

671

00:30:36,619 --> 00:30:32,369

know in the corner somewhere and poof it

672

00:30:38,749 --> 00:30:36,629

was gone so I was gonna ask you that

673

00:30:41,119 --> 00:30:38,759

strawberry crystal that appeared in my

674

00:30:44,119 --> 00:30:41,129

on the island in my kitchen and then

675

00:30:48,560 --> 00:30:44,129

just disappeared later much to my

676
00:30:50,720 --> 00:30:48,570
disappointment when I had that show with

677
00:30:53,419 --> 00:30:50,730
the Frank and Grant Cameron and many

678
00:30:56,149 --> 00:30:53,429
other people on a ports if suddenly

679
00:30:58,669 --> 00:30:56,159
struck me during the show but I didn't

680
00:31:02,840 --> 00:30:58,679
bring it up the question I have is is it

681
00:31:05,119 --> 00:31:02,850
possible for ports to just become sort

682
00:31:06,710 --> 00:31:05,129
of a liminal object liminal means it's

683
00:31:09,349 --> 00:31:06,720
neither here nor there

684
00:31:12,409 --> 00:31:09,359
it will never be stationary it will just

685
00:31:14,779 --> 00:31:12,419
always travel is that possible that it

686
00:31:17,419 --> 00:31:14,789
will always just be in a port or objects

687
00:31:19,759 --> 00:31:17,429
that are accorded that is the pattern

688
00:31:23,180 --> 00:31:19,769

that they will encounter for the rest of

689

00:31:24,769 --> 00:31:23,190

their object lives so to speak it's not

690

00:31:27,950 --> 00:31:24,779

the eight ports of my friend he's had

691

00:31:30,200 --> 00:31:27,960

the vast majority of state some of them

692

00:31:33,710 --> 00:31:30,210

have disappeared but very few of them

693

00:31:36,080 --> 00:31:33,720

have disappeared now in terms of you

694

00:31:39,289 --> 00:31:36,090

know what is this we can only speculate

695

00:31:41,840 --> 00:31:39,299

we don't know if this is some non-human

696

00:31:44,060 --> 00:31:41,850

intelligence that is always around us

697

00:31:46,609 --> 00:31:44,070

that's interacting with us like you have

698

00:31:48,289 --> 00:31:46,619

you know guardian angel around you

699

00:31:50,479 --> 00:31:48,299

that's always interacting with you and

700

00:31:52,789 --> 00:31:50,489

you you know you thought about it and

701
00:31:55,489 --> 00:31:52,799
then Puma gave you that to say look you

702
00:31:57,710 --> 00:31:55,499
know our reality is not what it is begin

703
00:32:01,310 --> 00:31:57,720
to think a little more more complex

704
00:32:01,910 --> 00:32:01,320
about our reality okay and it did lead

705
00:32:05,780 --> 00:32:01,920
that

706
00:32:07,280 --> 00:32:05,790
once you've had these April's you start

707
00:32:10,730 --> 00:32:07,290
thinking a little bit more deeply about

708
00:32:12,380 --> 00:32:10,740
your reality okay or maybe another

709
00:32:14,810 --> 00:32:12,390
hypotheses the way to look at is that

710
00:32:16,250 --> 00:32:14,820
look this is not some external non-human

711
00:32:19,250 --> 00:32:16,260
intelligence but this is your

712
00:32:21,290 --> 00:32:19,260
consciousness okay because our reality

713
00:32:25,040 --> 00:32:21,300

is a consciousness based reality it's

714

00:32:25,610 --> 00:32:25,050

not really primarily a physical it's

715

00:32:28,460 --> 00:32:25,620

reality

716

00:32:30,800 --> 00:32:28,470

it's primarily a consciousness based

717

00:32:32,600 --> 00:32:30,810

reality and so what it is is that your

718

00:32:36,020 --> 00:32:32,610

consciousness which is independent of

719

00:32:38,150 --> 00:32:36,030

your body okay wanted that you've been

720

00:32:41,210 --> 00:32:38,160

wanting it for so long that you wished

721

00:32:45,320 --> 00:32:41,220

it and and and it appeared okay now

722

00:32:48,580 --> 00:32:45,330

again this you've heard these theories

723

00:32:50,660 --> 00:32:48,590

that we live in a simulated reality yes

724

00:32:53,690 --> 00:32:50,670

okay that entails that there's a

725

00:32:57,380 --> 00:32:53,700

computer simulator behind that there is

726

00:33:00,860 --> 00:32:57,390

a universal mind behind it whatever this

727

00:33:06,830 --> 00:33:00,870

is we always think of this as an anthro

728

00:33:08,690 --> 00:33:06,840

prowl you know a a man-made type of God

729

00:33:10,850 --> 00:33:08,700

where it's like a human with a beard and

730

00:33:12,710 --> 00:33:10,860

things of that sort but we just don't

731

00:33:13,370 --> 00:33:12,720

know the vast complexities of what this

732

00:33:19,790 --> 00:33:13,380

could be

733

00:33:22,640 --> 00:33:19,800

super advanced intelligence that has no

734

00:33:25,280 --> 00:33:22,650

physical form that we are part of it

735

00:33:29,030 --> 00:33:25,290

okay that we're interacting as part of a

736

00:33:30,680 --> 00:33:29,040

conscious maist phenomenon these are

737

00:33:33,950 --> 00:33:30,690

just theories that many many PhD

738

00:33:36,380 --> 00:33:33,960

physicists are circulating in in prints

739

00:33:37,940 --> 00:33:36,390

and I was there saying MIT alone there

740

00:33:40,130 --> 00:33:37,950

are three tenured three vertical

741

00:33:41,450 --> 00:33:40,140

physicists that believe in the simulated

742

00:33:42,980 --> 00:33:41,460

reality okay

743

00:33:48,230 --> 00:33:42,990

and there's countless of other

744

00:33:49,610 --> 00:33:48,240

philosophers I mean from Plato the

745

00:33:51,710 --> 00:33:49,620

allegory in the cave you're talking

746

00:33:53,810 --> 00:33:51,720

about well that's just an example but

747

00:33:55,880 --> 00:33:53,820

but the whole aspect of debate of

748

00:33:59,930 --> 00:33:55,890

philosophy of the mind which started

749

00:34:04,910 --> 00:33:59,940

with the way before the Greeks you know

750

00:34:09,320 --> 00:34:04,920

even with the with the Indian Vedic

751
00:34:12,990 --> 00:34:09,330
philosophy all the way through Middle

752
00:34:17,270 --> 00:34:14,940
through the Greeks and the Romans you

753
00:34:19,530 --> 00:34:17,280
know this whole concept that our

754
00:34:21,359 --> 00:34:19,540
materiality is not primary that it's

755
00:34:24,090 --> 00:34:21,369
consciousness based so the allegory of

756
00:34:27,270 --> 00:34:24,100
the cave is just a Western concept of

757
00:34:29,280 --> 00:34:27,280
that that uh that uh was at that Plato

758
00:34:31,770 --> 00:34:29,290
you know wrote and which is very

759
00:34:34,050 --> 00:34:31,780
well-known in Western civilization so

760
00:34:36,210 --> 00:34:34,060
again that what I think that is

761
00:34:38,580 --> 00:34:36,220
happening is that these types of

762
00:34:41,190 --> 00:34:38,590
phenomenon are getting us to step

763
00:34:43,080 --> 00:34:41,200

outside of our shoes comfort zone and

764

00:34:45,619 --> 00:34:43,090

start thinking about a little bit more

765

00:34:48,930 --> 00:34:45,629

of the complexities and this is what

766

00:34:51,389 --> 00:34:48,940

what the free organization is doing okay

767

00:34:53,580 --> 00:34:51,399

because our perspective is we're not a

768

00:34:55,830 --> 00:34:53,590

ufology organization we're an

769

00:34:58,230 --> 00:34:55,840

organization that's studying what is

770

00:35:00,540 --> 00:34:58,240

consciousness what is the relationship

771

00:35:02,880 --> 00:35:00,550

between consciousness and our cosmology

772

00:35:05,250 --> 00:35:02,890

because we have numerous physicists in

773

00:35:07,080 --> 00:35:05,260

our organization and what is the

774

00:35:10,050 --> 00:35:07,090

relationship between consciousness or

775

00:35:13,380 --> 00:35:10,060

cosmology and what we call the contact

776

00:35:16,230 --> 00:35:13,390

modalities now for your audience members

777

00:35:17,970 --> 00:35:16,240

the contact modalities very simple way

778

00:35:20,370 --> 00:35:17,980

of looking at it is all the different

779

00:35:22,380 --> 00:35:20,380

ways that humans are piercing the wheel

780

00:35:26,210 --> 00:35:22,390

and having contact with non-human

781

00:35:28,440 --> 00:35:26,220

intelligence for example UFO contact

782

00:35:31,200 --> 00:35:28,450

out-of-body experiences near-death

783

00:35:32,940 --> 00:35:31,210

experiences remote viewing people that

784

00:35:36,210 --> 00:35:32,950

have seen and communicate with ghosts

785

00:35:40,770 --> 00:35:36,220

and and spirits hallucinogenic journeys

786

00:35:43,380 --> 00:35:40,780

okay etc etc all of these phenomena are

787

00:35:45,000 --> 00:35:43,390

different ways that humans are having

788

00:35:47,160 --> 00:35:45,010

contact with non-human intelligence and

789

00:35:50,640 --> 00:35:47,170

we believe that it's all interrelated

790

00:35:52,230 --> 00:35:50,650

now the one of the components that

791

00:35:54,960 --> 00:35:52,240

they're interrelated is that all of them

792

00:35:58,620 --> 00:35:54,970

involve a manipulation of space-time and

793

00:36:01,770 --> 00:35:58,630

by definition that means that this is

794

00:36:04,620 --> 00:36:01,780

multi-dimensional in nature okay

795

00:36:07,920 --> 00:36:04,630

and we also further to add on top of

796

00:36:10,590 --> 00:36:07,930

that is that we believe that our reality

797

00:36:13,230 --> 00:36:10,600

is consciousness based which even adds

798

00:36:15,599 --> 00:36:13,240

another layer to it and the reason why

799

00:36:18,450 --> 00:36:15,609

we did our academic research study on

800

00:36:20,820 --> 00:36:18,460

UFO contact experiences was that there

801
00:36:22,950 --> 00:36:20,830
was absolutely nothing that has been

802
00:36:25,140 --> 00:36:22,960
written academically about the UFO

803
00:36:25,860 --> 00:36:25,150
contact phenomenon we actually knew

804
00:36:28,650 --> 00:36:25,870
almost

805
00:36:31,170 --> 00:36:28,660
nothing about the phenomenon so how

806
00:36:34,410 --> 00:36:31,180
could you then begin to compare the UFO

807
00:36:36,000 --> 00:36:34,420
contact experiences with the experiences

808
00:36:38,130 --> 00:36:36,010
of the near-death experiences which

809
00:36:40,110 --> 00:36:38,140
there's a whole ton of academic

810
00:36:42,810 --> 00:36:40,120
literature on you just could make that

811
00:36:46,200 --> 00:36:42,820
comparison but now we have the basic

812
00:36:48,570 --> 00:36:46,210
data to be able to begin to analyze how

813
00:36:51,570 --> 00:36:48,580

are they common and we have identified

814

00:36:52,500 --> 00:36:51,580

more than 50 commonalities just between

815

00:36:56,490 --> 00:36:52,510

ntes

816

00:36:59,100 --> 00:36:56,500

and UFO contact experiences can you give

817

00:37:01,500 --> 00:36:59,110

us a like a quick quick example that

818

00:37:02,970 --> 00:37:01,510

really stand out now quick two or three

819

00:37:07,890 --> 00:37:02,980

that really jump out at you

820

00:37:11,220 --> 00:37:07,900

similarities I'll give you just a just a

821

00:37:13,590 --> 00:37:11,230

few of them okay let me give it a talk

822

00:37:15,330 --> 00:37:13,600

about very very quickly okay first of

823

00:37:17,340 --> 00:37:15,340

all communication in a near-death

824

00:37:19,800 --> 00:37:17,350

experience and communication with

825

00:37:23,700 --> 00:37:19,810

ufo-related non-human intelligence how

826

00:37:26,400 --> 00:37:23,710

is it it's telepathic it's no man it's

827

00:37:29,250 --> 00:37:26,410

not mouth to mouth also in certain ones

828

00:37:32,550 --> 00:37:29,260

native language did you guys ever think

829

00:37:35,250 --> 00:37:32,560

about that okay both of these phenomenon

830

00:37:37,590 --> 00:37:35,260

involving out-of-body experience in the

831

00:37:39,630 --> 00:37:37,600

UFO contact experiences eighty percent

832

00:37:43,320 --> 00:37:39,640

of the individuals had an out-of-body

833

00:37:45,720 --> 00:37:43,330

experience in again the vast majority of

834

00:37:47,970 --> 00:37:45,730

these near-death experiences it starts

835

00:37:49,770 --> 00:37:47,980

off with an OBE people are seeing their

836

00:37:51,540 --> 00:37:49,780

body underneath okay

837

00:37:55,230 --> 00:37:51,550

or people that their consciousness

838

00:37:57,720 --> 00:37:55,240

leaves their body okay also the number

839

00:38:00,270 --> 00:37:57,730

one type of being in our free

840

00:38:02,010 --> 00:38:00,280

ufo-related study that people have

841

00:38:04,560 --> 00:38:02,020

interacted with that I've seen is an

842

00:38:09,150 --> 00:38:04,570

energy being what's the number one being

843

00:38:12,060 --> 00:38:09,160

in an NDE an energy being okay also

844

00:38:15,150 --> 00:38:12,070

people are seeing spirit forms that's

845

00:38:17,880 --> 00:38:15,160

the number four form in the UFO contact

846

00:38:20,580 --> 00:38:17,890

experience that's also one of the major

847

00:38:23,300 --> 00:38:20,590

type of entities that individuals are

848

00:38:26,160 --> 00:38:23,310

seeing in an NDEs also human looking

849

00:38:28,740 --> 00:38:26,170

non-human intelligence same thing that

850

00:38:31,170 --> 00:38:28,750

was number two in our research study the

851
00:38:33,210 --> 00:38:31,180
grace roli number three so here we've

852
00:38:36,300 --> 00:38:33,220
got number one number two and number

853
00:38:38,550 --> 00:38:36,310
four the energy being this the the

854
00:38:39,390 --> 00:38:38,560
spirit ghost type of beings and the

855
00:38:42,839 --> 00:38:39,400
human looking be

856
00:38:45,900 --> 00:38:42,849
things are in both NDEs and UFO contact

857
00:38:47,370 --> 00:38:45,910
also both phenomenon involve medical

858
00:38:50,190 --> 00:38:47,380
healings okay

859
00:38:52,230 --> 00:38:50,200
in our survey 50% of the people that

860
00:38:55,230 --> 00:38:52,240
answered our survey have had a medical

861
00:38:58,260 --> 00:38:55,240
healing by non-human intelligence in the

862
00:39:00,329 --> 00:38:58,270
NDE phenomenon the literature is

863
00:39:02,339 --> 00:39:00,339

literally spread throughout with

864

00:39:03,839 --> 00:39:02,349

individuals that had an NDE and were

865

00:39:08,240 --> 00:39:03,849

medically healed

866

00:39:11,880 --> 00:39:08,250

damon brinkley is very very famous case

867

00:39:15,210 --> 00:39:11,890

azusa marginese her last name i forgot

868

00:39:17,430 --> 00:39:15,220

her love she the most feminine famous

869

00:39:20,069 --> 00:39:17,440

case she had total cancer all over her

870

00:39:21,660 --> 00:39:20,079

body all of a sudden she had an NDE the

871

00:39:22,650 --> 00:39:21,670

god being that she identified his God

872

00:39:24,660 --> 00:39:22,660

told her look you know I've already

873

00:39:26,519 --> 00:39:24,670

healed you tell the doctors and you go

874

00:39:28,140 --> 00:39:26,529

back don't do all this chemotherapy and

875

00:39:30,359 --> 00:39:28,150

all this other junk you're healed

876

00:39:32,370 --> 00:39:30,369

okay so when she got back to her body

877

00:39:33,779 --> 00:39:32,380

she told the doctors doctor said we're

878

00:39:35,640 --> 00:39:33,789

not gonna do it anyway cuz you've only

879

00:39:37,260 --> 00:39:35,650

got a few hours to live you know you

880

00:39:39,120 --> 00:39:37,270

just came you only just came out of your

881

00:39:40,319 --> 00:39:39,130

coma well guess what in two weeks he was

882

00:39:41,609 --> 00:39:40,329

walking out of the hospital totally

883

00:39:45,809 --> 00:39:41,619

healed okay

884

00:39:48,500 --> 00:39:45,819

dr. eben Alexander okay a medical doctor

885

00:39:51,750 --> 00:39:48,510

at the Harvard Medical School he was a

886

00:39:53,700 --> 00:39:51,760

neurosurgeon was medically healed

887

00:39:57,150 --> 00:39:53,710

because his brain was mush

888

00:39:58,710 --> 00:39:57,160

okay his brain was much and all of a

889

00:40:02,130 --> 00:39:58,720

sudden two weeks later he's walking home

890

00:40:04,769 --> 00:40:02,140

okay also both experiences involved

891

00:40:10,260 --> 00:40:04,779

reincarnation with the UFO contact

892

00:40:11,849 --> 00:40:10,270

experiences and the NDE phenomenon their

893

00:40:14,010 --> 00:40:11,859

visions of the future both of them

894

00:40:15,930 --> 00:40:14,020

involved visions of the future and both

895

00:40:19,109 --> 00:40:15,940

of them involve visions of the past and

896

00:40:21,000 --> 00:40:19,119

I think Hannah you John Hannah you

897

00:40:23,849 --> 00:40:21,010

wanted to talk about that as well okay

898

00:40:27,240 --> 00:40:23,859

for example for the UFO contact

899

00:40:29,130 --> 00:40:27,250

experiences but the in terms of these

900

00:40:31,859 --> 00:40:29,140

visions the vast majority of the future

901
00:40:33,569 --> 00:40:31,869
people are being shown the ecological

902
00:40:34,380 --> 00:40:33,579
destruction of our planet if we don't

903
00:40:36,720 --> 00:40:34,390
take care of it

904
00:40:39,210 --> 00:40:36,730
also people are having very specific

905
00:40:42,510 --> 00:40:39,220
visions of themselves in the future if

906
00:40:44,579 --> 00:40:42,520
you don't change okay now for the NDE

907
00:40:45,950 --> 00:40:44,589
people are having a life review they're

908
00:40:48,870 --> 00:40:45,960
being shown their whole life

909
00:40:51,510 --> 00:40:48,880
instantaneously okay and for many people

910
00:40:52,770 --> 00:40:51,520
it seems like it lasts you know many

911
00:40:54,840 --> 00:40:52,780
many many years

912
00:40:57,480 --> 00:40:54,850
my own father's life reviews he told me

913
00:40:59,430 --> 00:40:57,490

lasted 20 of the 30 years same thing

914

00:41:02,040 --> 00:40:59,440

with the UFO contactee spheres as people

915

00:41:03,930 --> 00:41:02,050

are being shown visions of their past of

916

00:41:06,900 --> 00:41:03,940

their childhood okay and they're seeing

917

00:41:08,130 --> 00:41:06,910

it all right now also both of these

918

00:41:11,370 --> 00:41:08,140

experiences involve

919

00:41:13,620 --> 00:41:11,380

a total personality transformation

920

00:41:16,530 --> 00:41:13,630

psychological personality transformation

921

00:41:18,510 --> 00:41:16,540

for the positive okay that was

922

00:41:21,990 --> 00:41:18,520

demonstrated in dr. Kenneth rings book

923

00:41:24,810 --> 00:41:22,000

the Omega project in 1986 which is a

924

00:41:28,890 --> 00:41:24,820

statistical study where he compared 85

925

00:41:31,190 --> 00:41:28,900

abductees with 85 NDE experiences what

926
00:41:34,050 --> 00:41:31,200
he found out was that 85% of both groups

927
00:41:36,840 --> 00:41:34,060
underwent a complete psychological

928
00:41:40,350 --> 00:41:36,850
transformation for the positive we

929
00:41:43,050 --> 00:41:40,360
duplicated 60 of those questions and now

930
00:41:46,580 --> 00:41:43,060
it's not 85 people now we had thousands

931
00:41:49,770 --> 00:41:46,590
of people that said the same thing okay

932
00:41:52,020 --> 00:41:49,780
taken to a matrix reality and then deu

933
00:41:53,730 --> 00:41:52,030
are being taken to a matrix reality we

934
00:41:56,430 --> 00:41:53,740
had almost double the number of people

935
00:41:58,260 --> 00:41:56,440
in our free ufology survey that were

936
00:42:00,030 --> 00:41:58,270
taken to a matrix reality than people

937
00:42:03,240 --> 00:42:00,040
that have had an abduction okay

938
00:42:05,640 --> 00:42:03,250

precognition both people return from

939

00:42:08,970 --> 00:42:05,650

contact with heighten precognition

940

00:42:10,530 --> 00:42:08,980

skills heightened paranormal experiences

941

00:42:12,450 --> 00:42:10,540

both group all of a sudden we talked

942

00:42:14,220 --> 00:42:12,460

about a little bit off the air have this

943

00:42:17,010 --> 00:42:14,230

heightened paranormal experiences after

944

00:42:17,520 --> 00:42:17,020

their contact experiences for both

945

00:42:19,710 --> 00:42:17,530

groups

946

00:42:22,680 --> 00:42:19,720

after the Contra experiences they then

947

00:42:25,260 --> 00:42:22,690

began to see ghosts and spirits okay

948

00:42:29,000 --> 00:42:25,270

both groups involving manipulation of

949

00:42:32,610 --> 00:42:29,010

electronic devices okay wearing watches

950

00:42:33,900 --> 00:42:32,620

going on the streetlamps computers you

951
00:42:35,880 --> 00:42:33,910
know constantly but you know

952
00:42:38,220 --> 00:42:35,890
malfunctioning on people but especially

953
00:42:40,650 --> 00:42:38,230
the watches the electronic watches for

954
00:42:43,470 --> 00:42:40,660
both the NDE experiences and the UFO

955
00:42:46,830 --> 00:42:43,480
contact expresses spiritual messages

956
00:42:48,330 --> 00:42:46,840
what we discovered was that 85% of these

957
00:42:51,720 --> 00:42:48,340
individuals underwent a complete

958
00:42:53,250 --> 00:42:51,730
spiritual transformation more than 50%

959
00:42:56,370 --> 00:42:53,260
of these people were given spiritual

960
00:42:57,600 --> 00:42:56,380
messages by non-human intelligence well

961
00:42:58,200 --> 00:42:57,610
guess what happens in a near-death

962
00:43:02,490 --> 00:42:58,210
experience

963
00:43:04,440 --> 00:43:02,500

the same thing okay also for a bolt up

964

00:43:05,540 --> 00:43:04,450
of experiences demonstrate that

965

00:43:08,120 --> 00:43:05,550
consciousness is

966

00:43:10,400 --> 00:43:08,130
local consciousness not does not begin

967

00:43:11,840 --> 00:43:10,410
and start with our brain for both of

968

00:43:14,510 --> 00:43:11,850
these experiences it shows that we are

969

00:43:16,280 --> 00:43:14,520
much more than just our brain ok if

970

00:43:19,610 --> 00:43:16,290
you've had an out-of-body experience

971

00:43:23,030 --> 00:43:19,620
that's 100% certified okay you're out of

972

00:43:25,130 --> 00:43:23,040
your body you know hey you know my mind

973

00:43:27,080 --> 00:43:25,140
my consciousness is not my body because

974

00:43:30,920 --> 00:43:27,090
my body's down there and what the hell

975

00:43:32,420 --> 00:43:30,930
is it up here okay it's it's a much more

976

00:43:34,430 --> 00:43:32,430

complicated so consciousness is

977

00:43:36,620 --> 00:43:34,440

non-local as demonstrated by both

978

00:43:40,910 --> 00:43:36,630

experience also both experiences involve

979

00:43:42,730 --> 00:43:40,920

a manipulation of space-time okay also

980

00:43:44,860 --> 00:43:42,740

both experiences involve

981

00:43:47,030 --> 00:43:44,870

multi-dimensional reality

982

00:43:49,160 --> 00:43:47,040

multi-dimensional experiences by

983

00:43:51,650 --> 00:43:49,170

definition if there's an amenable ation

984

00:43:53,690 --> 00:43:51,660

of space-time you're taken out of your

985

00:43:56,090 --> 00:43:53,700

body you're being brought to a matrix

986

00:44:00,190 --> 00:43:56,100

reality to a spirit world by definition

987

00:44:03,410 --> 00:44:00,200

so this is just a very quick run-through

988

00:44:06,880 --> 00:44:03,420

okay of the similarities but yet these

989

00:44:09,970 --> 00:44:06,890

topics are not discussed in ufology

990

00:44:12,440 --> 00:44:09,980

because ufology is not sand bolts

991

00:44:14,960 --> 00:44:12,450

ufology the field of ufology has

992

00:44:17,780 --> 00:44:14,970

actually contributed very little over

993

00:44:19,940 --> 00:44:17,790

the last 75 years to understand this

994

00:44:21,530 --> 00:44:19,950

phenomenon and look at in our five-year

995

00:44:25,520 --> 00:44:21,540

academic research study what have we

996

00:44:27,140 --> 00:44:25,530

discovered we have discovered so many of

997

00:44:31,790 --> 00:44:27,150

our research findings that totally

998

00:44:33,890 --> 00:44:31,800

contradict what ufology thinks the

999

00:44:35,750 --> 00:44:33,900

phenomenon is and I haven't discussed

1000

00:44:40,340 --> 00:44:35,760

that yet because we haven't had that

1001
00:44:42,230 --> 00:44:40,350
opportunity but so our reality is much

1002
00:44:45,860 --> 00:44:42,240
more complicated than just a nuts and

1003
00:44:48,590 --> 00:44:45,870
bolts you Falah djegal approach why

1004
00:44:51,350 --> 00:44:48,600
don't you ask you how do you feel array

1005
00:44:54,050 --> 00:44:51,360
about the work of Rupert Sheldrake I

1006
00:44:58,190 --> 00:44:54,060
know you are familiar with him regarding

1007
00:45:00,290 --> 00:44:58,200
his morphic resonance theory and how a

1008
00:45:02,750 --> 00:45:00,300
posits that memory is inherent in nature

1009
00:45:04,130 --> 00:45:02,760
and natural systems in here in a

1010
00:45:06,620 --> 00:45:04,140
collective memory from all previous

1011
00:45:08,290 --> 00:45:06,630
things of their kind and Sheldrake

1012
00:45:10,610 --> 00:45:08,300
proposes that it's also responsible

1013
00:45:12,530 --> 00:45:10,620

responsible for telepathy type

1014

00:45:14,730 --> 00:45:12,540

interconnections between organism

1015

00:45:17,490 --> 00:45:14,740

organisms

1016

00:45:23,460 --> 00:45:17,500

in our second book which is going to be

1017

00:45:26,370 --> 00:45:23,470

a theoretical book on and this is sort

1018

00:45:29,640 --> 00:45:26,380

of the the the scientific lingo

1019

00:45:33,390 --> 00:45:29,650

associated with the second book oh it's

1020

00:45:37,589 --> 00:45:33,400

gonna be titled beyond materialism okay

1021

00:45:39,839 --> 00:45:37,599

beyond materialism let me give you the

1022

00:45:43,200 --> 00:45:39,849

formal name of it okay

1023

00:45:46,310 --> 00:45:43,210

beyond materialism the new paradigm of

1024

00:45:49,920 --> 00:45:46,320

consciousness and contact with non-human

1025

00:45:51,900 --> 00:45:49,930

intelligence via the unified contact

1026

00:45:54,930 --> 00:45:51,910

mode Ollie's what it is is you're going

1027

00:45:59,790 --> 00:45:54,940

to be having over 45 individuals roughly

1028

00:46:01,500 --> 00:45:59,800

PhD 15 PhD academics researchers about

1029

00:46:06,710 --> 00:46:01,510

10 of them and the rest will be

1030

00:46:10,530 --> 00:46:06,720

experiencers telling humanity about

1031

00:46:12,960 --> 00:46:10,540

their reality is not a material reality

1032

00:46:15,510 --> 00:46:12,970

it's a consciousness based reality and

1033

00:46:18,540 --> 00:46:15,520

that they indeed are having all of these

1034

00:46:20,730 --> 00:46:18,550

contact modalities okay and that they're

1035

00:46:26,640 --> 00:46:20,740

all interrelated so it's a theoretical

1036

00:46:29,430 --> 00:46:26,650

book now Rupert Sheldrake is wrote a

1037

00:46:31,230 --> 00:46:29,440

theory which is parallel to Edgar

1038

00:46:34,230 --> 00:46:31,240

Mitchell's quantum hologram theory of

1039

00:46:37,500 --> 00:46:34,240

consciousness that article which is

1040

00:46:40,349 --> 00:46:37,510

going to be roughly 60 pages is going to

1041

00:46:43,520 --> 00:46:40,359

be in our new book and it's it's pretty

1042

00:46:48,210 --> 00:46:43,530

much very similar to Rupert Sheldrake's

1043

00:46:50,849 --> 00:46:48,220

except both of them wrote it pretty much

1044

00:46:53,430 --> 00:46:50,859

at the same time starting in in the late

1045

00:46:55,200 --> 00:46:53,440

80s and they were publicly publicizing a

1046

00:46:58,470 --> 00:46:55,210

series of articles as time went on and

1047

00:47:01,470 --> 00:46:58,480

so what it is it's about information

1048

00:47:04,200 --> 00:47:01,480

fields information fields that our

1049

00:47:06,380 --> 00:47:04,210

reality is based upon information fields

1050

00:47:08,970 --> 00:47:06,390

that these information fields our

1051
00:47:13,200 --> 00:47:08,980
consciousness is able to retrieve them

1052
00:47:15,630 --> 00:47:13,210
okay and and these information fields

1053
00:47:17,579 --> 00:47:15,640
store information now where Rudi shields

1054
00:47:20,099 --> 00:47:17,589
comes in is he's an expert in black

1055
00:47:23,339 --> 00:47:20,109
holes and what he discovered 30 years

1056
00:47:26,520 --> 00:47:23,349
ago was that black holes are information

1057
00:47:28,930 --> 00:47:26,530
repositories they store information just

1058
00:47:31,000 --> 00:47:28,940
like a hard drive okay

1059
00:47:34,030 --> 00:47:31,010
so then the theory that Edgar and Rudy

1060
00:47:37,589 --> 00:47:34,040
were working on is how our consciousness

1061
00:47:40,089 --> 00:47:37,599
is able to use the information fields

1062
00:47:43,420 --> 00:47:40,099
embedded in the very fabric of our

1063
00:47:46,660 --> 00:47:43,430

cosmology and take information which is

1064

00:47:49,120 --> 00:47:46,670

stored in these black holes okay and and

1065

00:47:52,180 --> 00:47:49,130

so what what Rupert Sheldrake did is

1066

00:47:54,550 --> 00:47:52,190

basically took that that generalist

1067

00:47:57,010 --> 00:47:54,560

theory and began to apply to a lot of

1068

00:47:59,230 --> 00:47:57,020

different aspects of our reality and

1069

00:48:02,349 --> 00:47:59,240

that's where ever was going and he did

1070

00:48:05,950 --> 00:48:02,359

talk a lot about that but Edgar was not

1071

00:48:09,309 --> 00:48:05,960

a very speculative person okay but but

1072

00:48:12,309 --> 00:48:09,319

he did direction he was going was that

1073

00:48:15,250 --> 00:48:12,319

our experiences that we're having were

1074

00:48:16,569 --> 00:48:15,260

consciousness based experiences and that

1075

00:48:20,140 --> 00:48:16,579

we need to be able to understand that

1076

00:48:22,150 --> 00:48:20,150

phenomenon because um it begins to

1077

00:48:25,059 --> 00:48:22,160

highlight how all of the contact

1078

00:48:26,770 --> 00:48:25,069

modalities NDEs Obie's ghosts and

1079

00:48:28,599 --> 00:48:26,780

spirits how they're able to interact

1080

00:48:31,569 --> 00:48:28,609

with the information fields in our

1081

00:48:34,930 --> 00:48:31,579

reality to interact with us so yes

1082

00:48:38,980 --> 00:48:34,940

Rupert Sheldrake and also his article is

1083

00:48:41,500 --> 00:48:38,990

on our free website as well yes I'm say

1084

00:48:43,359 --> 00:48:41,510

you'd brought up Sheldrake another guy I

1085

00:48:45,400 --> 00:48:43,369

find kind of interesting is somebody

1086

00:48:49,540 --> 00:48:45,410

named Tom Campbell I don't know how

1087

00:48:52,589 --> 00:48:49,550

familiar you are with his work yes my

1088

00:48:57,460 --> 00:48:52,599

big toe yes exactly theory of everything

1089

00:49:00,390 --> 00:48:57,470

and his his position is more like

1090

00:49:03,430 --> 00:49:00,400

literally we're all information as well

1091

00:49:05,410 --> 00:49:03,440

that we're essentially a repositories of

1092

00:49:08,349 --> 00:49:05,420

information that said I hope I'm not

1093

00:49:10,359 --> 00:49:08,359

mistaking that but I my understanding of

1094

00:49:12,730 --> 00:49:10,369

his material is that's what he's saying

1095

00:49:15,010 --> 00:49:12,740

that well your information is well what

1096

00:49:18,490 --> 00:49:15,020

it is is that all of these radical

1097

00:49:21,010 --> 00:49:18,500

thinkers think exactly the same way okay

1098

00:49:25,000 --> 00:49:21,020

that that there is no separation between

1099

00:49:26,440 --> 00:49:25,010

us and source god whatever you might

1100

00:49:29,800 --> 00:49:26,450

want to call it that we're actually part

1101
00:49:32,079 --> 00:49:29,810
of God and that what Edgar was talking

1102
00:49:35,980 --> 00:49:32,089
about is how did that mechanism work you

1103
00:49:39,299 --> 00:49:35,990
know of retrieving information to our

1104
00:49:41,880 --> 00:49:39,309
consciousness through our consciousness

1105
00:49:44,459 --> 00:49:41,890
but but Campbell basically does not talk

1106
00:49:46,559 --> 00:49:44,469
about non-human intelligence and and

1107
00:49:48,899 --> 00:49:46,569
really he talks about the contact

1108
00:49:50,880 --> 00:49:48,909
modalities what we're doing is we're

1109
00:49:52,829 --> 00:49:50,890
putting all the picture together we're

1110
00:49:55,199 --> 00:49:52,839
throwing in consciousness we're talking

1111
00:49:57,269 --> 00:49:55,209
about our cosmology we're talking about

1112
00:50:00,029 --> 00:49:57,279
information fields we're talking about

1113
00:50:01,979 --> 00:50:00,039

non-human intelligence and we're talking

1114

00:50:04,079 --> 00:50:01,989

about the contact modalities and no one

1115

00:50:05,789 --> 00:50:04,089

has ever done that before this book is

1116

00:50:09,089 --> 00:50:05,799

gonna be the first attempt to present

1117

00:50:11,399 --> 00:50:09,099

this now what this is that many of these

1118

00:50:12,689 --> 00:50:11,409

advanced thinkers people like even

1119

00:50:15,899 --> 00:50:12,699

Raymond Moody

1120

00:50:18,120 --> 00:50:15,909

Geoffrey long Kenneth ring a very very

1121

00:50:19,559 --> 00:50:18,130

famous near-death experiencers they've

1122

00:50:20,249 --> 00:50:19,569

all talked about these things among

1123

00:50:24,269 --> 00:50:20,259

themselves

1124

00:50:25,380 --> 00:50:24,279

Geoffrey michl off we have a Dean Radin

1125

00:50:28,559 --> 00:50:25,390

Edgar Mitchell

1126
00:50:32,370 --> 00:50:28,569
Rudy shields Gary Schwartz all these

1127
00:50:34,709 --> 00:50:32,380
vigils are advisers to free dr. Claude

1128
00:50:37,169 --> 00:50:34,719
Swanson PhD physicist from Princeton

1129
00:50:40,289 --> 00:50:37,179
University's a member of our advisory

1130
00:50:42,529 --> 00:50:40,299
board they all think the same way but

1131
00:50:46,229 --> 00:50:42,539
what it is that no one has really put

1132
00:50:47,819 --> 00:50:46,239
academic articles together before it was

1133
00:50:49,890 --> 00:50:47,829
just things that they speculated and

1134
00:50:51,509 --> 00:50:49,900
they talked among themselves and they

1135
00:50:53,069 --> 00:50:51,519
might have had an article here and there

1136
00:50:55,979 --> 00:50:53,079
that talked about a separate component

1137
00:50:58,199 --> 00:50:55,989
of it but what we're having those 45

1138
00:51:02,519 --> 00:50:58,209

chapters that talks about the whole

1139

00:51:04,620 --> 00:51:02,529

integration of all these things I wanted

1140

00:51:07,229 --> 00:51:04,630

to ask you a little bit about Robert

1141

00:51:09,419 --> 00:51:07,239

Monroe who created the Monroe Institute

1142

00:51:13,399 --> 00:51:09,429

my understanding is he created that

1143

00:51:17,729 --> 00:51:13,409

Institute out of have having had a

1144

00:51:20,219 --> 00:51:17,739

out-of-body experiences and I understand

1145

00:51:23,849 --> 00:51:20,229

that his Institute is organization was

1146

00:51:26,370 --> 00:51:23,859

created to explore and understand better

1147

00:51:28,199 --> 00:51:26,380

consciousness how do you feel about that

1148

00:51:30,630 --> 00:51:28,209

organization do you feel that they were

1149

00:51:34,499 --> 00:51:30,640

able to get very far regarding their

1150

00:51:37,380 --> 00:51:34,509

research on that topic well I don't know

1151

00:51:39,899 --> 00:51:37,390

a lot about that the research studies

1152

00:51:41,279 --> 00:51:39,909

there what I do know is that there are

1153

00:51:44,630 --> 00:51:41,289

various organizations that have

1154

00:51:48,059 --> 00:51:44,640

continued to do academic research on

1155

00:51:50,130 --> 00:51:48,069

OBEs and consciousness we gave up

1156

00:51:51,880 --> 00:51:50,140

without dr. Bob Davis who was a retired

1157

00:51:54,910 --> 00:51:51,890

professor of neuroscience

1158

00:51:57,460 --> 00:51:54,920

also a member of our board and co-author

1159

00:52:01,200 --> 00:51:57,470

of a paper that we published at the

1160

00:52:04,240 --> 00:52:01,210

journal for the Society for scientific

1161

00:52:07,300 --> 00:52:04,250

exploration which is a peer-reviewed

1162

00:52:09,880 --> 00:52:07,310

academic research article we gave a

1163

00:52:13,060 --> 00:52:09,890

presentation of a paper that we did

1164

00:52:17,050 --> 00:52:13,070

about two and a half years ago to this

1165

00:52:18,580 --> 00:52:17,060

Institute called Society for

1166

00:52:20,440 --> 00:52:18,590

consciousness studies I believe it's

1167

00:52:23,200 --> 00:52:20,450

cold but they have a journal called the

1168

00:52:25,330 --> 00:52:23,210

Journal of consciousness and that our

1169

00:52:27,850 --> 00:52:25,340

paper was also a different version of

1170

00:52:30,610 --> 00:52:27,860

the paper was also published there and

1171

00:52:33,220 --> 00:52:30,620

so they've been doing for the last 20

1172

00:52:37,600 --> 00:52:33,230

years continuation the work of Robert

1173

00:52:39,660 --> 00:52:37,610

Monroe and and they have managed to be

1174

00:52:41,800 --> 00:52:39,670

able to like Robert Monroe stimulate

1175

00:52:44,410 --> 00:52:41,810

out-of-body experiences they're able to

1176

00:52:46,930 --> 00:52:44,420

teach out-of-body experiences but what

1177

00:52:49,360 --> 00:52:46,940

it is is that we just don't understand

1178

00:52:52,360 --> 00:52:49,370

it what we know is that it involves

1179

00:52:54,400 --> 00:52:52,370

non-local consciousness it involves that

1180

00:52:56,740 --> 00:52:54,410

your spirit your consciousness whatever

1181

00:52:59,230 --> 00:52:56,750

you might want to call it is outside of

1182

00:53:02,020 --> 00:52:59,240

the body it can travel now the most

1183

00:53:04,710 --> 00:53:02,030

we're gonna be having two articles in

1184

00:53:07,120 --> 00:53:04,720

our book by highly advanced OBE

1185

00:53:09,310 --> 00:53:07,130

experiences now both of these

1186

00:53:11,980 --> 00:53:09,320

individuals over the many many many

1187

00:53:14,110 --> 00:53:11,990

years have learned to control their OBEs

1188

00:53:16,450 --> 00:53:14,120

they first started hovering above their

1189

00:53:19,060 --> 00:53:16,460

bed then in their house then in their

1190

00:53:23,740 --> 00:53:19,070

neighborhood okay and then they went off

1191

00:53:26,560 --> 00:53:23,750

to you know outer regions they even gone

1192

00:53:29,470 --> 00:53:26,570

outer space and and these people now are

1193

00:53:34,900 --> 00:53:29,480

doing interdimensional travels they go

1194

00:53:38,110 --> 00:53:34,910

to other realities I know of five major

1195

00:53:41,170 --> 00:53:38,120

individuals that are doing this okay one

1196

00:53:44,170 --> 00:53:41,180

is a medical doctor the smartest person

1197

00:53:46,900 --> 00:53:44,180

I've ever met my life okay we're talking

1198

00:53:51,520 --> 00:53:46,910

number one his class at you know college

1199

00:53:53,860 --> 00:53:51,530

medical schools I mean a genius okay has

1200

00:53:57,070 --> 00:53:53,870

been doing this since since this person

1201
00:54:01,140 --> 00:53:57,080
was 18 years old and and what he does is

1202
00:54:03,760 --> 00:54:01,150
he he lives in that that other reality

1203
00:54:05,410 --> 00:54:03,770
that other dimension so

1204
00:54:10,600 --> 00:54:05,420
just don't we know very little about it

1205
00:54:12,220 --> 00:54:10,610
and and but in our paper that we're

1206
00:54:14,109 --> 00:54:12,230
going to be having we'll be presenting

1207
00:54:17,290 --> 00:54:14,119
some of these journeys and some of these

1208
00:54:19,270 --> 00:54:17,300
discussions for the first time so at

1209
00:54:21,550 --> 00:54:19,280
least people can begin to understand

1210
00:54:23,710 --> 00:54:21,560
that as part of the contact modalities

1211
00:54:25,840 --> 00:54:23,720
that involves consciousness involves the

1212
00:54:27,700 --> 00:54:25,850
manipulation of space-time and it deals

1213
00:54:29,830 --> 00:54:27,710

with our relationship between

1214

00:54:34,359 --> 00:54:29,840

consciousness and our multi-dimensional

1215

00:54:37,930 --> 00:54:34,369

reality psychoanalysts dr. Sigmund Freud

1216

00:54:40,720 --> 00:54:37,940

and Carl Jung both had interesting

1217

00:54:43,120 --> 00:54:40,730

things to say about the subconscious do

1218

00:54:45,250 --> 00:54:43,130

you feel like the subconscious mind has

1219

00:54:47,050 --> 00:54:45,260

anything to do with anything we've been

1220

00:54:48,280 --> 00:54:47,060

talking about one thing I wanted to

1221

00:54:51,670 --> 00:54:48,290

mention to you is it's my understanding

1222

00:54:54,250 --> 00:54:51,680

that it's possible that we use 5% of our

1223

00:54:57,100 --> 00:54:54,260

conscious brain and then we use of our

1224

00:54:59,290 --> 00:54:57,110

mind and then 95% the rest of that is

1225

00:55:01,240 --> 00:54:59,300

subconscious related how do you feel

1226
00:55:03,760 --> 00:55:01,250
about the possibility of subconscious

1227
00:55:05,380 --> 00:55:03,770
mind playing into whatever it is we're

1228
00:55:08,349 --> 00:55:05,390
talking about all the topics we've

1229
00:55:11,500 --> 00:55:08,359
covered yeah again I'm not an expert in

1230
00:55:13,660 --> 00:55:11,510
that field dr. Jeffrey Mishler would

1231
00:55:17,740 --> 00:55:13,670
probably be a better person to discuss

1232
00:55:20,830 --> 00:55:17,750
these things but but let's touch upon a

1233
00:55:24,750 --> 00:55:20,840
couple of things one is called Jones the

1234
00:55:27,970 --> 00:55:24,760
collective unconsciousness okay which is

1235
00:55:31,210 --> 00:55:27,980
again a highly abstract theory of how

1236
00:55:34,120 --> 00:55:31,220
our consciousness interrelates with our

1237
00:55:36,910 --> 00:55:34,130
multi-dimensional reality how things are

1238
00:55:40,030 --> 00:55:36,920

possibly recreated and again he didn't

1239

00:55:42,490 --> 00:55:40,040

fully on the understand how our reality

1240

00:55:43,930 --> 00:55:42,500

works you know no one does okay but he

1241

00:55:47,920 --> 00:55:43,940

was just trying to come up with theories

1242

00:55:49,450 --> 00:55:47,930

of of trying to explain things some of

1243

00:55:51,580 --> 00:55:49,460

the paranormal things that he had heard

1244

00:55:55,180 --> 00:55:51,590

of and even wrote a book are called

1245

00:55:57,010 --> 00:55:55,190

young on UFOs oh yeah alluding to that

1246

00:55:59,980 --> 00:55:57,020

as again part of the collective

1247

00:56:03,730 --> 00:55:59,990

unconsciousness now the other thing in

1248

00:56:05,620 --> 00:56:03,740

terms of dreams okay Stanley Crippler

1249

00:56:07,930 --> 00:56:05,630

again would let's mention him he first

1250

00:56:10,630 --> 00:56:07,940

became well known by doing these

1251

00:56:12,580 --> 00:56:10,640

academic studies on dreams and the

1252

00:56:15,860 --> 00:56:12,590

relationship to dreams and our reality

1253

00:56:21,740 --> 00:56:18,440

I'm not a psychologist my daughter loves

1254

00:56:23,330 --> 00:56:21,750

psychology she wants to study that when

1255

00:56:26,390 --> 00:56:23,340

she eventually graduated from college

1256

00:56:28,340 --> 00:56:26,400

but but but again all of these topics

1257

00:56:31,480 --> 00:56:28,350

that we're talking about but we could

1258

00:56:34,060 --> 00:56:31,490

only speculate about them you know I

1259

00:56:36,530 --> 00:56:34,070

imagine that there's kernels of truth

1260

00:56:39,470 --> 00:56:36,540

between a lot of these concepts that

1261

00:56:47,920 --> 00:56:39,480

we've been discussing but I'm not a

1262

00:56:52,550 --> 00:56:51,140

hasn't it to to accepting a lot of

1263

00:56:55,850 --> 00:56:52,560

theories out there unless I have

1264

00:56:57,950 --> 00:56:55,860

something to back it up and you know

1265

00:57:00,110 --> 00:56:57,960

from our research study now we've got

1266

00:57:01,580 --> 00:57:00,120

data it's not just one person we've got

1267

00:57:03,920 --> 00:57:01,590

thousands of people that are saying the

1268

00:57:05,990 --> 00:57:03,930

same thing so at least we can say that

1269

00:57:08,690 --> 00:57:06,000

look you know thousands of people this

1270

00:57:12,230 --> 00:57:08,700

percent have told us this information so

1271

00:57:14,420 --> 00:57:12,240

we can then hypothesize that and also we

1272

00:57:16,370 --> 00:57:14,430

did studies in our research study where

1273

00:57:18,970 --> 00:57:16,380

we looked upon different geographic

1274

00:57:21,770 --> 00:57:18,980

areas we we had a peach these

1275

00:57:23,600 --> 00:57:21,780

psychologists who's a statistician PC

1276

00:57:25,160 --> 00:57:23,610

statistician that looked at the

1277

00:57:26,420 --> 00:57:25,170

different country groupings he put all

1278

00:57:29,840 --> 00:57:26,430

people in the u.s. together

1279

00:57:31,090 --> 00:57:29,850

Great Britain simi the United Kingdom

1280

00:57:33,860 --> 00:57:31,100

not Great Britain the United Kingdom

1281

00:57:37,010 --> 00:57:33,870

continental Europe Canada as a separate

1282

00:57:39,950 --> 00:57:37,020

group and then Australia and New Zealand

1283

00:57:42,290 --> 00:57:39,960

and he looked at how people answered all

1284

00:57:44,890 --> 00:57:42,300

of the questions and what he found out

1285

00:57:47,960 --> 00:57:44,900

was that there was very little

1286

00:57:49,460 --> 00:57:47,970

percentage difference no matter what

1287

00:57:51,230 --> 00:57:49,470

country you were for each of the

1288

00:57:54,560 --> 00:57:51,240

questions it was less than ten percent

1289

00:57:56,930 --> 00:57:54,570

so if in the US they answered whatever

1290

00:58:00,980 --> 00:57:56,940

55 percent in Great Britain they might

1291

00:58:02,600 --> 00:58:00,990

have answered at 65 percent okay at in

1292

00:58:05,840 --> 00:58:02,610

Canada might have been you know

1293

00:58:08,270 --> 00:58:05,850

fifty-seven percent so then we could you

1294

00:58:10,130 --> 00:58:08,280

know make a hypotheses that look these

1295

00:58:12,710 --> 00:58:10,140

people are having the same type of

1296

00:58:16,190 --> 00:58:12,720

experiences all over the world for each

1297

00:58:17,840 --> 00:58:16,200

of these questions so and then what

1298

00:58:19,700 --> 00:58:17,850

we've just been talking about is a lot

1299

00:58:22,490 --> 00:58:19,710

of theory a lot of speculation the

1300

00:58:25,580 --> 00:58:22,500

reason why is because all of the members

1301

00:58:29,510 --> 00:58:25,590

of our organization all of us have the

1302

00:58:30,230 --> 00:58:29,520

position that we have no idea what the

1303

00:58:33,140 --> 00:58:30,240

hell

1304

00:58:35,260 --> 00:58:33,150

we're totally clueless yeah and that if

1305

00:58:36,470 --> 00:58:35,270

anyone comes out like they know it all

1306

00:58:39,050 --> 00:58:36,480

okay

1307

00:58:40,970 --> 00:58:39,060

run away from that person right because

1308

00:58:43,130 --> 00:58:40,980

their total the total fraud

1309

00:58:46,130 --> 00:58:43,140

you know total fraud they try to push on

1310

00:58:49,700 --> 00:58:46,140

you we're just beginning to understand

1311

00:58:51,920 --> 00:58:49,710

what questions to ask okay let alone

1312

00:58:52,820 --> 00:58:51,930

what answers so all these questions that

1313

00:58:55,790 --> 00:58:52,830

you're talking about we can only

1314

00:58:56,900 --> 00:58:55,800

speculate about but that's all those

1315

00:58:58,610 --> 00:58:56,910

questions that you're asking other

1316

00:59:01,640 --> 00:58:58,620

questions that we need to move forward

1317

00:59:04,130 --> 00:59:01,650

about not how big was the UFO how fast

1318

00:59:06,440 --> 00:59:04,140

was it flying was its cylindrical shape

1319

00:59:10,070 --> 00:59:06,450

you know please what has that given us

1320

00:59:12,110 --> 00:59:10,080

in 75 years very good point wanted to

1321

00:59:14,450 --> 00:59:12,120

ask well yeah let me jump in here and

1322

00:59:15,950 --> 00:59:14,460

ask you a real quick question you had

1323

00:59:18,260 --> 00:59:15,960

mentioned that people have had these

1324

00:59:21,740 --> 00:59:18,270

types of experiences seeing an

1325

00:59:24,050 --> 00:59:21,750

improvement in precognition that type of

1326

00:59:26,090 --> 00:59:24,060

thing have you been able to put them to

1327

00:59:28,310 --> 00:59:26,100

any kind of test like a Zener card test

1328

00:59:30,290 --> 00:59:28,320

or anything along those lines to see

1329

00:59:32,000 --> 00:59:30,300

about what that improvement might be or

1330

00:59:35,030 --> 00:59:32,010

if they they score better than random

1331

00:59:37,720 --> 00:59:35,040

chance I know that Dean has tried to do

1332

00:59:41,660 --> 00:59:37,730

that but the difficulty is getting

1333

00:59:43,450 --> 00:59:41,670

someone that just had a UFO contact

1334

00:59:46,540 --> 00:59:43,460

experience through his laboratory or

1335

00:59:49,550 --> 00:59:46,550

having someone that's having a

1336

00:59:51,290 --> 00:59:49,560

near-death experience you know to his

1337

00:59:55,850 --> 00:59:51,300

laboratory or to the laboratory of Gary

1338

00:59:58,910 --> 00:59:55,860

Schwartz that's you know if P if they

1339

01:00:00,260 --> 00:59:58,920

had money big megabucks money you'd be

1340

01:00:02,660 --> 01:00:00,270

able to fly these people and do these

1341

01:00:04,820 --> 01:00:02,670

types of studies but just for our free

1342

01:00:08,000 --> 01:00:04,830

research study which took five years to

1343

01:00:11,180 --> 01:00:08,010

do we had no funding whatsoever it was

1344

01:00:13,370 --> 01:00:11,190

all self funding the the actual members

1345

01:00:16,220 --> 01:00:13,380

of our risk research committee were

1346

01:00:19,310 --> 01:00:16,230

funding these initiatives so it's uh

1347

01:00:21,590 --> 01:00:19,320

indeed rate and he works with uh with a

1348

01:00:24,440 --> 01:00:21,600

shoestring budget as well so the answer

1349

01:00:27,350 --> 01:00:24,450

to you question is no and also in terms

1350

01:00:29,410 --> 01:00:27,360

of the changes of improve improvements

1351

01:00:33,020 --> 01:00:29,420

what-what I mentioned were the

1352

01:00:35,840 --> 01:00:33,030

psychological profile changes of these

1353

01:00:37,070 --> 01:00:35,850

individuals and maybe if you don't mind

1354

01:00:40,640 --> 01:00:37,080

if I could go a little bit into that

1355

01:00:42,859 --> 01:00:40,650

yeah because that these are very very

1356

01:00:46,249 --> 01:00:42,869

important findings uh

1357

01:00:47,660 --> 01:00:46,259

what has happened is that contact you

1358

01:00:50,480 --> 01:00:47,670

have all related contact with non-human

1359

01:00:53,329 --> 01:00:50,490

intelligence resulted in a positive

1360

01:00:55,579 --> 01:00:53,339

transformation of the experimenter and I

1361

01:00:58,009 --> 01:00:55,589

stated before we asked close to 80

1362

01:01:00,559 --> 01:00:58,019

questions in our research study which we

1363

01:01:04,039 --> 01:01:00,569

borrowed from the Omega project it's a

1364

01:01:06,019 --> 01:01:04,049

book published in 1988 by dr. Kenneth

1365

01:01:07,910 --> 01:01:06,029

ring who was a tenured professor at the

1366

01:01:09,739 --> 01:01:07,920

University of Connecticut one of the

1367

01:01:11,900 --> 01:01:09,749

world's leading experts on near-death

1368

01:01:14,950 --> 01:01:11,910

experiences and the name of the book is

1369

01:01:18,739 --> 01:01:14,960

the Omega project near-death experiences

1370

01:01:20,539 --> 01:01:18,749

UFO encounters and the mind at large

1371

01:01:22,999 --> 01:01:20,549

okay remember we were talking about

1372

01:01:25,400 --> 01:01:23,009

about the mind at large topic well he

1373

01:01:28,759 --> 01:01:25,410

speculates about and again he compared

1374

01:01:32,359 --> 01:01:28,769

85 people had NDEs with 85 people that

1375

01:01:36,319 --> 01:01:32,369

had an abduction experience and what

1376

01:01:38,599 --> 01:01:36,329

both he found out and we found out in a

1377

01:01:41,239 --> 01:01:38,609

research study 73 percent of the

1378

01:01:44,150 --> 01:01:41,249

individuals had a positive we asked the

1379

01:01:47,299 --> 01:01:44,160

question how did ET contact change your

1380

01:01:50,049 --> 01:01:47,309

life okay 73 percent said it had a

1381

01:01:53,690 --> 01:01:50,059

positive effect in change in their life

1382

01:01:57,589 --> 01:01:53,700

these are all the questions 70 percents

1383

01:02:00,380 --> 01:01:57,599

I had a neutral effect okay slightly

1384

01:02:01,819 --> 01:02:00,390

negative fact was six percent and highly

1385

01:02:05,749 --> 01:02:01,829

negative effect in changing their life

1386

01:02:09,799 --> 01:02:05,759

was four percent now let me go into some

1387

01:02:12,410 --> 01:02:09,809

of the specifics okay depending on the

1388

01:02:15,259 --> 01:02:12,420

question it was between 73 to 85 percent

1389

01:02:17,239 --> 01:02:15,269

individuals underwent a profound

1390

01:02:19,339 --> 01:02:17,249

psychological profile change for the

1391

01:02:22,729 --> 01:02:19,349

positive now let me give you an example

1392

01:02:25,220 --> 01:02:22,739

these are the people that the question

1393

01:02:31,329 --> 01:02:25,230

is since I first became interested in my

1394

01:02:36,890 --> 01:02:34,670

phenomenon increased okay either

1395

01:02:43,069 --> 01:02:36,900

strongly increased or increased somewhat

1396

01:02:47,359 --> 01:02:43,079

so my desire to help others 75 percent

1397

01:02:49,700 --> 01:02:47,369

my compassion for others 80 percent my

1398

01:02:50,180 --> 01:02:49,710

appreciation of the ordinary things of

1399

01:02:53,420 --> 01:02:50,190

life

1400

01:02:56,300 --> 01:02:53,430

74 percent my sensitivity to the

1401
01:02:58,790 --> 01:02:56,310
suffering of others 78 percent

1402
01:03:02,900 --> 01:02:58,800
Mikan sperm my concern with spiritual

1403
01:03:07,790 --> 01:03:02,910
matters 83% my desire to achieve a

1404
01:03:12,380 --> 01:03:07,800
higher consciousness we're talking 90 89

1405
01:03:15,860 --> 01:03:12,390
% okay my appreciation of nature 84

1406
01:03:18,380 --> 01:03:15,870
percent my spiritual feelings 83 percent

1407
01:03:22,700 --> 01:03:18,390
my concern with the welfare of planet

1408
01:03:25,220 --> 01:03:22,710
Earth 85 percent my understanding of

1409
01:03:28,160 --> 01:03:25,230
what life is all about okay

1410
01:03:32,750 --> 01:03:28,170
82 percent my personal sense of purpose

1411
01:03:36,140 --> 01:03:32,760
in life 78 percent my concern with

1412
01:03:39,080 --> 01:03:36,150
ecological matters 80 percent okay now

1413
01:03:42,290 --> 01:03:39,090

let's look at the opposite things that

1414

01:03:43,670 --> 01:03:42,300

decreased okay my concern with material

1415

01:03:45,530 --> 01:03:43,680

things all of a sudden they didn't care

1416

01:03:48,440 --> 01:03:45,540

about money money money getting a new

1417

01:03:51,560 --> 01:03:48,450

Mercedes every year okay my interest in

1418

01:03:54,770 --> 01:03:51,570

organized religion my competitive

1419

01:03:56,990 --> 01:03:54,780

tendencies my fear of death my desire to

1420

01:04:00,860 --> 01:03:57,000

become well-known now let me ask both of

1421

01:04:03,380 --> 01:04:00,870

you a question okay we this is the

1422

01:04:05,150 --> 01:04:03,390

profile of someone that in my opinion I

1423

01:04:07,670 --> 01:04:05,160

would want to have as my best friend I

1424

01:04:10,100 --> 01:04:07,680

would want to have as my wife my brother

1425

01:04:12,110 --> 01:04:10,110

my parents you know how you want to

1426

01:04:15,950 --> 01:04:12,120

raise your kids your children my cohort

1427

01:04:20,780 --> 01:04:18,470

what would happen if these ETS did that

1428

01:04:23,720 --> 01:04:20,790

to everybody in the world what type of a

1429

01:04:26,270 --> 01:04:23,730

world would we have don't matter okay

1430

01:04:29,780 --> 01:04:26,280

what we have a world with no suffering

1431

01:04:33,080 --> 01:04:29,790

with no people going hunger with no

1432

01:04:35,230 --> 01:04:33,090

highly a wide range of income with

1433

01:04:37,970 --> 01:04:35,240

people going you know starving to death

1434

01:04:40,400 --> 01:04:37,980

okay with people getting ahead of each

1435

01:04:43,130 --> 01:04:40,410

other inches you know doing anything to

1436

01:04:44,780 --> 01:04:43,140

get ahead of them okay our people that

1437

01:04:47,990 --> 01:04:44,790

are non spiritual versus of people are

1438

01:04:53,060 --> 01:04:48,000

now highly spiritual okay people with no

1439

01:04:55,760 --> 01:04:53,070

fear of death okay now that's uh from my

1440

01:04:59,630 --> 01:04:55,770

perspective let these ETS do this don't

1441

01:05:01,940 --> 01:04:59,640

took all of humanity okay now again this

1442

01:05:03,970 --> 01:05:01,950

is 4,200 people that took our survey

1443

01:05:08,050 --> 01:05:03,980

survey from over a hundred countries

1444

01:05:09,910 --> 01:05:08,060

again mainstream materialists ufology is

1445

01:05:13,480 --> 01:05:09,920

totally clueless

1446

01:05:15,849 --> 01:05:13,490

about this okay they're still chasing

1447

01:05:18,670 --> 01:05:15,859

the latest New York Times article that

1448

01:05:21,099 --> 01:05:18,680

came out yesterday about all this new

1449

01:05:23,079 --> 01:05:21,109

revelation of the pilot there's one

1450

01:05:24,970 --> 01:05:23,089

pilot that the interviewed have seen a

1451

01:05:31,120 --> 01:05:24,980

UFO big deal

1452

01:05:33,280 --> 01:05:31,130

okay close thirty feet away

1453

01:05:35,140 --> 01:05:33,290

my wife has called down like four or

1454

01:05:37,569 --> 01:05:35,150

five UFOs all right

1455

01:05:38,500 --> 01:05:37,579

my daughter has seen a UFO right next to

1456

01:05:41,859 --> 01:05:38,510

me thirty feet away

1457

01:05:43,359 --> 01:05:41,869

big deal okay there are tens of

1458

01:05:45,190 --> 01:05:43,369

thousands hundreds of thousands of

1459

01:05:48,510 --> 01:05:45,200

people all over the world that are

1460

01:05:51,490 --> 01:05:48,520

seeing UFOs doctors lawyers physicians

1461

01:05:53,140 --> 01:05:51,500

dr. Joseph Brooks is a physician we have

1462

01:05:55,030 --> 01:05:53,150

four physicians that are part of the

1463

01:05:57,549 --> 01:05:55,040

free organization all of them are

1464

01:05:59,980 --> 01:05:57,559

experiencers I've already spoken in the

1465

01:06:04,539 --> 01:05:59,990

last month to three physicians one the

1466

01:06:06,970 --> 01:06:04,549

latest one was a was a pediatrician okay

1467

01:06:09,250 --> 01:06:06,980

who has had tons of paranormal

1468

01:06:11,770 --> 01:06:09,260

experiences twice she's seen huge UFOs

1469

01:06:13,750 --> 01:06:11,780

that blotted out the stars in the sky

1470

01:06:17,770 --> 01:06:13,760

she was in a car with her husband okay

1471

01:06:20,410 --> 01:06:17,780

so give me a frickin break New

1472

01:06:22,210 --> 01:06:20,420

York Times article this course is taking

1473

01:06:24,430 --> 01:06:22,220

place but it's taking place from the

1474

01:06:35,950 --> 01:06:24,440

bottom up we don't need your

1475

01:06:37,539 --> 01:06:35,960

military I just listening I I'm just

1476
01:06:40,780 --> 01:06:37,549
here for the doughnuts and free coffee I

1477
01:06:42,280 --> 01:06:40,790
love listening to you yeah I didn't die

1478
01:06:51,720 --> 01:06:42,290
didn't reach the mute button in time

1479
01:06:57,220 --> 01:06:54,819
okay you talk to Joseph dosa Brooks a

1480
01:06:58,900 --> 01:06:57,230
retired medical doctor telling you he's

1481
01:07:02,730 --> 01:06:58,910
seen you of always turns of your

1482
01:07:06,190 --> 01:07:02,740
votes you talk to doctors lawyers

1483
01:07:08,200 --> 01:07:06,200
professors okay for wall walk people

1484
01:07:09,789 --> 01:07:08,210
from all walks of life and all of a

1485
01:07:11,859 --> 01:07:09,799
sudden the New York Times is coming out

1486
01:07:18,130 --> 01:07:11,869
with this and everybody in ufology is

1487
01:07:19,990 --> 01:07:18,140
going batshit crazy you know is

1488
01:07:22,840 --> 01:07:20,000

trying to control the narrative now

1489

01:07:25,930 --> 01:07:22,850

because now people are speaking out pop

1490

01:07:28,570 --> 01:07:25,940

about this phenomenon okay disclosure is

1491

01:07:30,490 --> 01:07:28,580

taking place from the bottom up we don't

1492

01:07:33,130 --> 01:07:30,500

need no government disclosure

1493

01:07:35,280 --> 01:07:33,140

panel in Washington DC to tell us what

1494

01:07:38,410 --> 01:07:35,290

the is going on because true

1495

01:07:41,230 --> 01:07:38,420

experiencers are living it on they've

1496

01:07:43,870 --> 01:07:41,240

lived these experiences and we're just

1497

01:07:46,300 --> 01:07:43,880

as credible as a fighter pilot okay I

1498

01:07:48,250 --> 01:07:46,310

went to Berkeley for a PhD okay

1499

01:07:50,410 --> 01:07:48,260

so don't give me this that this

1500

01:07:56,980 --> 01:07:50,420

fighter pilot is more credible than I am

1501

01:08:00,850 --> 01:07:56,990

I was just gonna say I love less ET

1502

01:08:02,860 --> 01:08:00,860

raide you're left speechless by that I

1503

01:08:08,170 --> 01:08:02,870

know that's a rare thing even I can't

1504

01:08:10,660 --> 01:08:08,180

accomplish that we don't either I'm a

1505

01:08:12,130 --> 01:08:10,670

tax attorney with the IRS out of Miami

1506

01:08:14,650 --> 01:08:12,140

Florida okay

1507

01:08:16,690 --> 01:08:14,660

my supervisor knows about my experiences

1508

01:08:18,670 --> 01:08:16,700

he had a paranormal ghost experience

1509

01:08:21,849 --> 01:08:18,680

himself that he told me okay

1510

01:08:23,830 --> 01:08:21,859

so please and I'm almost about to retire

1511

01:08:25,900 --> 01:08:23,840

I'm almost 63 years old I only have a

1512

01:08:31,210 --> 01:08:25,910

few years left they can't do to me

1513

01:08:33,790 --> 01:08:31,220

unless I screw up okay so again I stand

1514

01:08:36,400 --> 01:08:33,800

by my words even gonna be go meet you

1515

01:08:40,060 --> 01:08:36,410

two we love you for saying them by the

1516

01:08:44,620 --> 01:08:40,070

way ray is has the honor of having said

1517

01:08:45,910 --> 01:08:44,630

the f-word repeatedly since I've been on

1518

01:08:48,880 --> 01:08:45,920

with you Frank that's the second time

1519

01:08:50,530 --> 01:08:48,890

Dean Alioto was the movie director he

1520

01:08:59,950 --> 01:08:50,540

was the first person that actually did

1521

01:09:01,599 --> 01:08:59,960

that yeah people are under the false

1522

01:09:06,880 --> 01:09:01,609

impression that we have to adhere to

1523

01:09:10,300 --> 01:09:06,890

those broadcast Angelina Frank and

1524

01:09:13,480 --> 01:09:10,310

chant I get so upset by that stuff okay

1525

01:09:16,750 --> 01:09:13,490

I get so upset because it's being front

1526

01:09:18,280 --> 01:09:16,760

page on the New York Times and yet they

1527

01:09:21,820 --> 01:09:18,290

won't even give the decency of

1528

01:09:24,580 --> 01:09:21,830

interviewing dr. Rudy Shields who's the

1529

01:09:26,530 --> 01:09:24,590

director of our organization who is a 79

1530

01:09:29,650 --> 01:09:26,540

year old emeritus professor of

1531

01:09:32,050 --> 01:09:29,660

astrophysics Harvard University for over

1532

01:09:34,120 --> 01:09:32,060

45 years he has just as many

1533

01:09:36,609 --> 01:09:34,130

peer-reviewed publication publications

1534

01:09:38,649 --> 01:09:36,619

as Stephen Hawking okay

1535

01:09:41,109 --> 01:09:38,659

but yet they won't even go near him

1536

01:09:43,209 --> 01:09:41,119

Klaus Swanson who has a PhD in physics

1537

01:09:45,309 --> 01:09:43,219

from Princeton University the same

1538

01:09:47,260 --> 01:09:45,319

University that Albert Einstein taught

1539

01:09:49,809 --> 01:09:47,270

when he came from Germany they won't

1540

01:09:52,720 --> 01:09:49,819

have the decency to interview him okay

1541

01:09:56,020 --> 01:09:52,730

dr. Gary Schwartz okay this man got a

1542

01:09:57,760 --> 01:09:56,030

PhD from Harvard okay he was a professor

1543

01:09:59,530 --> 01:09:57,770

at Yale University a full professor not

1544

01:10:01,479 --> 01:09:59,540

he's trying to get tenured know he was a

1545

01:10:03,459 --> 01:10:01,489

tenured professor with tons of

1546

01:10:06,280 --> 01:10:03,469

publications they don't have the decency

1547

01:10:09,160 --> 01:10:06,290

of interviewing him I could go on and on

1548

01:10:11,709 --> 01:10:09,170

and on with all these academics and yet

1549

01:10:13,359 --> 01:10:11,719

the interview this guy who is a pilot he

1550

01:10:16,240 --> 01:10:13,369

was just a pilot that's it and

1551
01:10:18,700 --> 01:10:16,250
he retired after ten years and he's like

1552
01:10:22,209 --> 01:10:18,710
they're using him as like the father of

1553
01:10:24,520 --> 01:10:22,219
disclosure you know and I could

1554
01:10:26,770 --> 01:10:24,530
give him right now tons of of retired

1555
01:10:29,260 --> 01:10:26,780
medical doctors lawyers attorneys

1556
01:10:32,050 --> 01:10:29,270
retired professors that have called on a

1557
01:10:34,600 --> 01:10:32,060
UFO and I've seen UFOs so if you really

1558
01:10:36,310 --> 01:10:34,610
want to get the real story please get

1559
01:10:37,600 --> 01:10:36,320
out of that military controlled

1560
01:10:38,470 --> 01:10:37,610
operation that people are being

1561
01:10:41,649 --> 01:10:38,480
spoon-fed

1562
01:10:44,750 --> 01:10:41,659
and wake up to reality I think you

1563
01:10:51,300 --> 01:10:44,760

should have your own talk show yeah

1564

01:10:56,379 --> 01:10:53,979

because everyone thinks the same way

1565

01:10:59,760 --> 01:10:56,389

under the table they talk about it much

1566

01:11:01,839 --> 01:10:59,770

much you know I just don't give a

1567

01:11:04,839 --> 01:11:01,849

how we love you for it

1568

01:11:06,550 --> 01:11:04,849

yeah it's something I can hear the New

1569

01:11:12,030 --> 01:11:06,560

York coming out of him you spend a lot

1570

01:11:18,640 --> 01:11:16,450

oh my gosh

1571

01:11:20,200 --> 01:11:18,650

all right we use that we used to living

1572

01:11:22,570 --> 01:11:20,210

up there during the the Hudson Valley

1573

01:11:26,800 --> 01:11:22,580

cases already already moved south that

1574

01:11:30,250 --> 01:11:26,810

let me see I was there in I went to

1575

01:11:32,859 --> 01:11:30,260

Rutgers I left there in 79 okay yeah I

1576

01:11:35,260 --> 01:11:32,869

think in 79 I care it that happened

1577

01:11:36,820 --> 01:11:35,270

later I think and then I returned back

1578

01:11:40,540 --> 01:11:36,830

to New York in 88

1579

01:11:43,149 --> 01:11:40,550

after I left Berkeley so in in the

1580

01:11:46,149 --> 01:11:43,159

towards the end the fall of 88 I moved

1581

01:11:47,890 --> 01:11:46,159

back to New York and we lived in Queens

1582

01:11:50,169 --> 01:11:47,900

at that time do you remember all that

1583

01:11:50,410 --> 01:11:50,179

because it was up up further up the

1584

01:11:53,140 --> 01:11:50,420

river

1585

01:11:55,240 --> 01:11:53,150

a little bit about where I had no idea

1586

01:11:57,450 --> 01:11:55,250

that these things were taking place yeah

1587

01:12:00,250 --> 01:11:57,460

zero interest in these things

1588

01:12:01,840 --> 01:12:00,260

yeah I know the area a little bit up

1589

01:12:03,729 --> 01:12:01,850

near Indian point where the nuclear

1590

01:12:05,080 --> 01:12:03,739

plant is and all up through that area

1591

01:12:06,040 --> 01:12:05,090

that's for a lot of those sightings

1592

01:12:11,580 --> 01:12:06,050

right

1593

01:12:17,470 --> 01:12:16,300

yeah Bear Mountain exactly yeah any of

1594

01:12:19,720 --> 01:12:17,480

these things that we're talking about

1595

01:12:22,660 --> 01:12:19,730

until 2012 I thought all of you were

1596

01:12:31,479 --> 01:12:22,670

crazy okay so there was that it was that

1597

01:12:33,580 --> 01:12:31,489

reason I got that's got some good pills

1598

01:12:35,350 --> 01:12:33,590

to give you you know because I know

1599

01:12:44,590 --> 01:12:35,360

family members that are taking them and

1600

01:12:46,270 --> 01:12:44,600

I was totally clueless I just love

1601
01:12:47,880 --> 01:12:46,280
listening to Ray I don't care what he's

1602
01:12:50,890 --> 01:12:47,890
talking about

1603
01:12:53,080 --> 01:12:50,900
um ray would you mind giving abbreviated

1604
01:12:56,290 --> 01:12:53,090
version of what occurred to you and what

1605
01:12:57,790 --> 01:12:56,300
caused you to be sort of initiate

1606
01:12:59,919 --> 01:12:57,800
yourself into the process of learning

1607
01:13:03,479 --> 01:12:59,929
where you're at I like that word

1608
01:13:06,400 --> 01:13:03,489
initiate it was more like a two-by-four

1609
01:13:10,209 --> 01:13:06,410
ET two-by-four that knocked the out

1610
01:13:12,189 --> 01:13:10,219
of me you know what it was we had a dog

1611
01:13:16,410 --> 01:13:12,199
that was 15 years old a Jack Russell

1612
01:13:19,030 --> 01:13:16,420
terrier she had been quite ill for uh

1613
01:13:21,370 --> 01:13:19,040

for about a year and a half she was

1614

01:13:24,660 --> 01:13:21,380

taking viagra for her heart she was

1615

01:13:27,250 --> 01:13:24,670

taking Durrett extol acquitted her body

1616

01:13:29,560 --> 01:13:27,260

she had severe arthritis she couldn't

1617

01:13:30,910 --> 01:13:29,570

run she couldn't jump but we just didn't

1618

01:13:34,240 --> 01:13:30,920

want to euthanize her because she was

1619

01:13:36,070 --> 01:13:34,250

like our first daughter and so you know

1620

01:13:37,479 --> 01:13:36,080

all that medication would cost a lot of

1621

01:13:40,360 --> 01:13:37,489

money and Plus taking her to the vet all

1622

01:13:44,459 --> 01:13:40,370

the time and so then one evening on a

1623

01:13:48,189 --> 01:13:44,469

Saturday night at about eight o'clock

1624

01:13:51,280 --> 01:13:48,199

she became totally paralyzed and so then

1625

01:13:53,320 --> 01:13:51,290

I called our vet and I described to him

1626

01:13:54,640 --> 01:13:53,330

what was happening he says what you're

1627

01:13:57,550 --> 01:13:54,650

telling me it seems like she had a

1628

01:14:00,250 --> 01:13:57,560

cerebral hemorrhage a stroke and he says

1629

01:14:02,439 --> 01:14:00,260

look I'll open up the office tomorrow so

1630

01:14:04,370 --> 01:14:02,449

we can euthanize her so then my wife had

1631

01:14:06,140 --> 01:14:04,380

come from a three-day

1632

01:14:07,940 --> 01:14:06,150

retreat at the Catholic Church it was

1633

01:14:10,670 --> 01:14:07,950

all praying that's all you do for three

1634

01:14:12,500 --> 01:14:10,680

days is pray you know and me it was like

1635

01:14:15,230 --> 01:14:12,510

the only way she got me to the church as

1636

01:14:17,240 --> 01:14:15,240

if you know she grabbed me by the

1637

01:14:18,950 --> 01:14:17,250

you-know-what you know and said you're

1638

01:14:21,110 --> 01:14:18,960

not gonna get any dinner you know for

1639

01:14:22,820 --> 01:14:21,120

the next month unless you go to church

1640

01:14:25,790 --> 01:14:22,830

with me you know so that's how I would

1641

01:14:30,290 --> 01:14:25,800

go and so so she already had come back

1642

01:14:31,400 --> 01:14:30,300

from three days of prayer and so I told

1643

01:14:33,380 --> 01:14:31,410

her what had happened she was very

1644

01:14:35,900 --> 01:14:33,390

depressed she started to cry and mealy

1645

01:14:38,300 --> 01:14:35,910

she started to pray so all night she was

1646

01:14:40,640 --> 01:14:38,310

praying like 12 o'clock I went to sleep

1647

01:14:43,790 --> 01:14:40,650

you know that's that's that's her stuff

1648

01:14:46,040 --> 01:14:43,800

let her pray away you know now I know

1649

01:14:47,630 --> 01:14:46,050

that this power in prayer but back then

1650

01:14:49,730 --> 01:14:47,640

I was totally clueless about these

1651

01:14:52,490 --> 01:14:49,740

things so in the morning at 6 o'clock

1652

01:14:54,290 --> 01:14:52,500

the dog was barking we both woke up we

1653

01:14:56,120 --> 01:14:54,300

checked her out and we thought maybe she

1654

01:14:57,800 --> 01:14:56,130

was you know she had it was better maybe

1655

01:15:01,100 --> 01:14:57,810

it's just a temporary thing but no she

1656

01:15:02,750 --> 01:15:01,110

was still totally paralyzed so I went

1657

01:15:04,550 --> 01:15:02,760

back to sleep and my wife carried her

1658

01:15:07,940 --> 01:15:04,560

down the stairs to see if she could go

1659

01:15:09,410 --> 01:15:07,950

to the bathroom so in the in the living

1660

01:15:13,010 --> 01:15:09,420

room and the corner of the living room

1661

01:15:15,740 --> 01:15:13,020

my wife saw an object that was semi

1662

01:15:18,830 --> 01:15:15,750

physical but was in and out of reality

1663

01:15:22,820 --> 01:15:18,840

it was like silverish and like mounish

1664

01:15:24,320 --> 01:15:22,830

color semi-transparent but sometimes be

1665

01:15:26,000 --> 01:15:24,330

more physical other times it would be

1666

01:15:30,860 --> 01:15:26,010

less physical and it looked like an

1667

01:15:33,230 --> 01:15:30,870

upside-down you approximately recall was

1668

01:15:36,730 --> 01:15:33,240

about a foot wide by a foot and a half

1669

01:15:39,560 --> 01:15:36,740

in height just picture like an upside

1670

01:15:42,050 --> 01:15:39,570

semi-metallic facing in and out of

1671

01:15:45,080 --> 01:15:42,060

reality for harbouring four feet off the

1672

01:15:46,130 --> 01:15:45,090

ground and then she maybe she thought it

1673

01:15:48,080 --> 01:15:46,140

was an angel because she had been

1674

01:15:49,790 --> 01:15:48,090

praying all night you know for a miracle

1675

01:15:51,890 --> 01:15:49,800

she says this is my angels come and

1676

01:15:54,380 --> 01:15:51,900

visit at me she started you know right

1677

01:15:56,420 --> 01:15:54,390

there praying and then from that object

1678

01:15:59,360 --> 01:15:56,430

these two green lights started beaming

1679

01:16:02,540 --> 01:15:59,370

up on her like a beam okay like a laser

1680

01:16:04,730 --> 01:16:02,550

beam and then it shot from this side

1681

01:16:06,110 --> 01:16:04,740

white fluorescent light so then she

1682

01:16:07,550 --> 01:16:06,120

started calling me not because she was

1683

01:16:09,650 --> 01:16:07,560

scared but she wanted me to see her

1684

01:16:11,840 --> 01:16:09,660

angel she was totally convinced that was

1685

01:16:16,730 --> 01:16:11,850

an angel and it turned out that she was

1686

01:16:18,259 --> 01:16:16,740

correct okay so then I told ignored her

1687

01:16:20,569 --> 01:16:18,269

she then went upstairs

1688

01:16:22,819 --> 01:16:20,579

and she hauled me out of bed physically

1689

01:16:24,589 --> 01:16:22,829

grabbed me and what is it what is it

1690

01:16:27,799 --> 01:16:24,599

you'll see you'll see what is it what is

1691

01:16:29,450 --> 01:16:27,809

it you'll see and so we both went down

1692

01:16:33,229 --> 01:16:29,460

the stairs she was walking ahead of me

1693

01:16:35,930 --> 01:16:33,239

like a couple of steps like three or

1694

01:16:38,270 --> 01:16:35,940

four steps are in front of me and then

1695

01:16:40,250 --> 01:16:38,280

when she got down to the living room all

1696

01:16:42,799 --> 01:16:40,260

again what I'm gonna tell you now happen

1697

01:16:44,930 --> 01:16:42,809

instantaneously so as I'm saying it

1698

01:16:48,290 --> 01:16:44,940

takes a long time to explain it but this

1699

01:16:50,029 --> 01:16:48,300

took you know fractions of a second all

1700

01:16:54,049 --> 01:16:50,039

of a sudden she disappears in front of

1701
01:16:56,000 --> 01:16:54,059
me with the dog then immediately some

1702
01:16:59,209 --> 01:16:56,010
type of intelligence took over my mind

1703
01:17:00,470 --> 01:16:59,219
my consciousness I didn't care that my

1704
01:17:03,200 --> 01:17:00,480
wife disappeared that the dog

1705
01:17:05,839 --> 01:17:03,210
disappeared I then had all of my

1706
01:17:08,149 --> 01:17:05,849
peripheral vision was gone the only

1707
01:17:10,220 --> 01:17:08,159
thing I could see was one corner of the

1708
01:17:12,290 --> 01:17:10,230
living room it's sort of like as if you

1709
01:17:14,779 --> 01:17:12,300
put your uh you get your hand you put a

1710
01:17:15,890 --> 01:17:14,789
circle like a funnel and you put it to

1711
01:17:18,859 --> 01:17:15,900
your eye like you're looking through a

1712
01:17:21,680 --> 01:17:18,869
binocular everything around was all dark

1713
01:17:24,350 --> 01:17:21,690

it was only that center spot okay and so

1714

01:17:28,330 --> 01:17:24,360

in that center spot was what I call an

1715

01:17:31,370 --> 01:17:28,340

energy being okay it was roughly

1716

01:17:35,930 --> 01:17:31,380

two-and-a-half feet wide by a foot in

1717

01:17:37,850 --> 01:17:35,940

height it was rectangular in shape but

1718

01:17:41,259 --> 01:17:37,860

didn't have any edges because it was

1719

01:17:43,430 --> 01:17:41,269

pure energy four feet off the ground

1720

01:17:45,709 --> 01:17:43,440

multi-coloured numerous colors and they

1721

01:17:47,239 --> 01:17:45,719

were all waving like like a desert

1722

01:17:49,520 --> 01:17:47,249

Mirage you know how it waves

1723

01:17:53,029 --> 01:17:49,530

it was all these colors were waving it

1724

01:17:54,950 --> 01:17:53,039

was semi-transparent okay and then I did

1725

01:17:57,229 --> 01:17:54,960

something for six months I didn't

1726

01:17:59,989 --> 01:17:57,239

understand why I did it but basically I

1727

01:18:02,720 --> 01:17:59,999

looked at that object I squinted at it

1728

01:18:05,390 --> 01:18:02,730

and I waved my hand at it and I said I

1729

01:18:06,649 --> 01:18:05,400

this is what she got me down

1730

01:18:09,649 --> 01:18:06,659

here for for this crap

1731

01:18:11,000 --> 01:18:09,659

and I went ACK then I turned around I

1732

01:18:14,390 --> 01:18:11,010

walked up the stairs

1733

01:18:16,069 --> 01:18:14,400

I went to bed I merely got to bed I put

1734

01:18:17,989 --> 01:18:16,079

my hands on my chest I look straight up

1735

01:18:21,859 --> 01:18:17,999

at the ceiling and I was knocked out

1736

01:18:23,600 --> 01:18:21,869

okay 45 minutes later I look forward if

1737

01:18:24,140 --> 01:18:23,610

I I know it's 45 because when I got

1738

01:18:25,609 --> 01:18:24,150

downstairs

1739

01:18:28,310 --> 01:18:25,619

I eventually looked at the clock right

1740

01:18:31,250 --> 01:18:28,320

45 minutes later I woke up and that was

1741

01:18:32,000 --> 01:18:31,260

fully conscious I got my mind back okay

1742

01:18:34,400 --> 01:18:32,010

I

1743

01:18:35,750 --> 01:18:34,410

ran down the stairs and puffed my wife

1744

01:18:39,680 --> 01:18:35,760

is in the middle of living room saying

1745

01:18:40,790 --> 01:18:39,690

in Spanish hello saengil is like what I

1746

01:18:43,460 --> 01:18:40,800

don't know something like her are Oh

1747

01:18:46,550 --> 01:18:43,470

hallelujah hallelujah the Angels cured

1748

01:18:48,500 --> 01:18:46,560

her the Angels cured her okay and the

1749

01:18:50,720 --> 01:18:48,510

dog was running around the whole living

1750

01:18:53,180 --> 01:18:50,730

room not like the dog that she was

1751

01:18:54,800 --> 01:18:53,190

before because she couldn't run she

1752

01:18:56,900 --> 01:18:54,810

couldn't jump she was like a teenager

1753

01:18:58,970 --> 01:18:56,910

running around the whole living room

1754

01:19:00,950 --> 01:18:58,980

jumping and jumping and celebrating she

1755

01:19:02,570 --> 01:19:00,960

would pick her up and dance with her and

1756

01:19:04,130 --> 01:19:02,580

hug her and kiss her and put her down

1757

01:19:05,990 --> 01:19:04,140

and she would continue celebrating and

1758

01:19:09,200 --> 01:19:06,000

the dog was running around holder now

1759

01:19:11,060 --> 01:19:09,210

for me it was like an atom bomb exploded

1760

01:19:14,870 --> 01:19:11,070

in my head okay

1761

01:19:17,990 --> 01:19:14,880

boom your whole conception of reality is

1762

01:19:20,780 --> 01:19:18,000

totally destroyed okay you don't know

1763

01:19:23,330 --> 01:19:20,790

whether this was a dream still going on

1764

01:19:25,250 --> 01:19:23,340

okay whether that was a dream you don't

1765

01:19:26,660 --> 01:19:25,260

know what the hell is happening right so

1766

01:19:28,310 --> 01:19:26,670

then I began to ask her tons of

1767

01:19:30,230 --> 01:19:28,320

questions I said what the hell happen

1768

01:19:31,790 --> 01:19:30,240

where were you you disappeared I didn't

1769

01:19:35,390 --> 01:19:31,800

disappear I was here the whole time I

1770

01:19:36,680 --> 01:19:35,400

said no and she says it was the angels

1771

01:19:38,480 --> 01:19:36,690

they came in the curia I said what

1772

01:19:40,670 --> 01:19:38,490

angels I didn't see any angels she said

1773

01:19:42,950 --> 01:19:40,680

you were there you saw it and and I said

1774

01:19:45,920 --> 01:19:42,960

what I saw that I describe the energy

1775

01:19:48,170 --> 01:19:45,930

being but you were there when I saw that

1776

01:19:50,840 --> 01:19:48,180

you were gone she's I didn't see that

1777

01:19:53,150 --> 01:19:50,850

then she described what she saw what had

1778

01:19:56,240 --> 01:19:53,160

happened it was only six months later

1779

01:19:58,820 --> 01:19:56,250

after a third major experience that I

1780

01:20:00,920 --> 01:19:58,830

called MUFON I was on the internet and I

1781

01:20:03,140 --> 01:20:00,930

found out that this organization and

1782

01:20:06,170 --> 01:20:03,150

then this lady named Mary Margaret

1783

01:20:10,490 --> 01:20:06,180

Zimmer came by my house he was a retired

1784

01:20:12,170 --> 01:20:10,500

school teacher her husband is retired he

1785

01:20:14,420 --> 01:20:12,180

worked for the Hurricane Center he was a

1786

01:20:15,710 --> 01:20:14,430

meteorologist he had just retired he was

1787

01:20:18,590 --> 01:20:15,720

an elderly man

1788

01:20:21,950 --> 01:20:18,600

they were both elderly and and they she

1789

01:20:24,740 --> 01:20:21,960

she she she came first he came the

1790

01:20:27,590 --> 01:20:24,750

second time they came to visit and and

1791

01:20:30,710 --> 01:20:27,600

so she took down all of our information

1792

01:20:32,660 --> 01:20:30,720

and then I asked her I said oh and then

1793

01:20:35,150 --> 01:20:32,670

she told us what happened with your wife

1794

01:20:37,640 --> 01:20:35,160

is she had missing time and then she

1795

01:20:39,080 --> 01:20:37,650

went on to explain it I had no idea what

1796

01:20:41,270 --> 01:20:39,090

missing time was okay

1797

01:20:44,540 --> 01:20:41,280

we had no conception of what that was

1798

01:20:45,870 --> 01:20:44,550

and and so she then explained it went

1799

01:20:48,240 --> 01:20:45,880

into the details

1800

01:20:51,120 --> 01:20:48,250

for my wife she had gone down the stairs

1801
01:20:52,800 --> 01:20:51,130
in front of me she then looked down the

1802
01:20:55,590 --> 01:20:52,810
dog was running around and she started

1803
01:20:57,570 --> 01:20:55,600
celebrating okay she had no idea where

1804
01:20:58,860 --> 01:20:57,580
she was those 45 minutes okay she

1805
01:21:03,899 --> 01:20:58,870
thought I was behind her the whole time

1806
01:21:06,120 --> 01:21:03,909
okay all right and so you know initially

1807
01:21:08,430 --> 01:21:06,130
I thought it was in her normal related

1808
01:21:10,220 --> 01:21:08,440
so I was on the internet you know eight

1809
01:21:12,000 --> 01:21:10,230
hours a day on the Internet you know

1810
01:21:14,610 --> 01:21:12,010
paranormal this paranormal that

1811
01:21:16,200 --> 01:21:14,620
paranormal this and then I said maybe

1812
01:21:19,260 --> 01:21:16,210
was you a four related because in

1813
01:21:22,590 --> 01:21:19,270

Spanish she said say Perez here como una

1814

01:21:27,780 --> 01:21:22,600

pequeña Navi it looked like a small

1815

01:21:29,459 --> 01:21:27,790

craft okay and then later later on she

1816

01:21:32,580 --> 01:21:29,469

said she could have sworn that there was

1817

01:21:34,080 --> 01:21:32,590

the people inside that craft okay but

1818

01:21:35,490 --> 01:21:34,090

that was much later on when she was like

1819

01:21:37,950 --> 01:21:35,500

thinking about it okay

1820

01:21:39,689 --> 01:21:37,960

so but then I said maybe it's you were

1821

01:21:41,640 --> 01:21:39,699

related but UFOs are supposed to be

1822

01:21:43,890 --> 01:21:41,650

outside there's supposed to be these big

1823

01:21:46,110 --> 01:21:43,900

things you know well why why was this

1824

01:21:49,500 --> 01:21:46,120

thing inside our living room small you

1825

01:21:52,050 --> 01:21:49,510

know and so it was total bedlam and

1826

01:21:54,510 --> 01:21:52,060

confusion okay and it was until two

1827

01:21:57,750 --> 01:21:54,520

months later that the dog woke my wife

1828

01:22:00,750 --> 01:21:57,760

up at 3:30 in the morning okay my wife

1829

01:22:04,500 --> 01:22:00,760

then got up and went down the stairs to

1830

01:22:06,840 --> 01:22:04,510

try to open the back door well we had a

1831

01:22:07,979 --> 01:22:06,850

dog door a little doggie door you know

1832

01:22:09,209 --> 01:22:07,989

to go into the back she didn't want to

1833

01:22:11,280 --> 01:22:09,219

go there she was jumping on the front

1834

01:22:14,610 --> 01:22:11,290

door which she never did unless we had a

1835

01:22:16,290 --> 01:22:14,620

chain right so then my wife opened the

1836

01:22:19,140 --> 01:22:16,300

front door she went down the stairs with

1837

01:22:21,570 --> 01:22:19,150

the dog and then she heard this huge

1838

01:22:24,000 --> 01:22:21,580

gigantic noise that lasted like a minute

1839

01:22:26,280 --> 01:22:24,010

she said was like a 747 jet was right

1840

01:22:28,770 --> 01:22:26,290

above her and then after that stopped

1841

01:22:32,280 --> 01:22:28,780

she looked up and it was a huge gigantic

1842

01:22:34,590 --> 01:22:32,290

UFO and this one was physical it was

1843

01:22:37,590 --> 01:22:34,600

like the Goodyear blimp and she had

1844

01:22:40,020 --> 01:22:37,600

colored she says oh my angels came and

1845

01:22:42,689 --> 01:22:40,030

visited me last night they came in a

1846

01:22:44,580 --> 01:22:42,699

beautiful angelic craft and it had

1847

01:22:48,419 --> 01:22:44,590

stained glass windows just like our

1848

01:22:50,790 --> 01:22:48,429

church you know and then I answered to

1849

01:22:52,020 --> 01:22:50,800

describe it into draw it and she drew

1850

01:22:53,910 --> 01:22:52,030

like a Goodyear blimp

1851

01:22:57,450 --> 01:22:53,920

except on the edges it had all these

1852

01:22:59,790 --> 01:22:57,460

stained-glass windows and and so I said

1853

01:23:01,290 --> 01:22:59,800

you to see angels you saw you of all

1854

01:23:04,500 --> 01:23:01,300

she was all you wouldn't understand

1855

01:23:08,360 --> 01:23:04,510

you're an atheist you know so that was

1856

01:23:10,920 --> 01:23:08,370

the and and back then I hadn't had my

1857

01:23:13,500 --> 01:23:10,930

IET contact experiences where they gave

1858

01:23:16,980 --> 01:23:13,510

me spirituality that's a lengthy

1859

01:23:18,750 --> 01:23:16,990

discussion of how that took place but

1860

01:23:21,450 --> 01:23:18,760

but but that was the first time that I

1861

01:23:23,430 --> 01:23:21,460

said this is your four related okay and

1862

01:23:25,170 --> 01:23:23,440

then about a month and a half later she

1863

01:23:27,750 --> 01:23:25,180

went to Mexico she stayed a month in

1864

01:23:30,690 --> 01:23:27,760

Mexico with her with her family with my

1865

01:23:34,020 --> 01:23:30,700

daughter and four times she called out

1866

01:23:38,520 --> 01:23:34,030

her angels and guess what four times

1867

01:23:40,650 --> 01:23:38,530

they appeared okay and then one time she

1868

01:23:43,410 --> 01:23:40,660

described three human looking beings

1869

01:23:44,940 --> 01:23:43,420

that were seven to eight feet tall that

1870

01:23:48,210 --> 01:23:44,950

would dress in white monk's robes

1871

01:23:51,090 --> 01:23:48,220

she said that they didn't look human but

1872

01:23:53,220 --> 01:23:51,100

they were very close to human and there

1873

01:23:55,710 --> 01:23:53,230

they we had bald heads their head was

1874

01:23:57,960 --> 01:23:55,720

not like a normal human head and that

1875

01:24:00,720 --> 01:23:57,970

they floated right in front of her let

1876

01:24:02,520 --> 01:24:00,730

it walk they floated and that a certain

1877

01:24:06,180 --> 01:24:02,530

distance they D materialized and

1878

01:24:09,090 --> 01:24:06,190

disappeared and then and she was having

1879

01:24:12,900 --> 01:24:09,100

tons of these how should I call

1880

01:24:14,700 --> 01:24:12,910

precognition abilities tongue it was

1881

01:24:18,390 --> 01:24:14,710

like months and months she detected a

1882

01:24:20,160 --> 01:24:18,400

tumor on my back okay

1883

01:24:22,800 --> 01:24:20,170

she like put her hand on my back you got

1884

01:24:24,450 --> 01:24:22,810

a tumor right there I said what I don't

1885

01:24:27,540 --> 01:24:24,460

feel like that you know and then she

1886

01:24:29,670 --> 01:24:27,550

touched it you know no but she would

1887

01:24:32,010 --> 01:24:29,680

then put her hand on top of it like she

1888

01:24:34,740 --> 01:24:32,020

read it and you got a - I went to the

1889

01:24:37,800 --> 01:24:34,750

doctor yeah boy you got a tumor back

1890

01:24:41,280 --> 01:24:37,810

there needs operation and he and he he

1891

01:24:43,140 --> 01:24:41,290

cut open like you know the surgeon like

1892

01:24:45,570 --> 01:24:43,150

an eight inch scar to my back and took

1893

01:24:47,310 --> 01:24:45,580

out this huge tumor and I always tell

1894

01:24:54,630 --> 01:24:47,320

people about my wife nice to me you know

1895

01:24:59,250 --> 01:24:54,640

she got pissed off at me conference in

1896

01:25:01,020 --> 01:24:59,260

Sebring Maine in 2013 that was right

1897

01:25:02,220 --> 01:25:01,030

before I had my out-of-body experience

1898

01:25:05,730 --> 01:25:02,230

where they broke into this matrix

1899

01:25:07,980 --> 01:25:05,740

reality like a couple of days afterwards

1900

01:25:11,520 --> 01:25:07,990

and that's where I met grant Cameron and

1901

01:25:13,170 --> 01:25:11,530

he introduced me to Chris bludso okay he

1902

01:25:13,320 --> 01:25:13,180

called Chris bludsoe right in front of

1903

01:25:19,560 --> 01:25:13,330

me

1904

01:25:21,330 --> 01:25:19,570

healed right in front of him right front

1905

01:25:23,310 --> 01:25:21,340

of grant right and then there's another

1906

01:25:27,090 --> 01:25:23,320

story later on with Chris Bledsoe you

1907

01:25:29,250 --> 01:25:27,100

know a crazy story involving me and him

1908

01:25:32,280 --> 01:25:29,260

in advanced physics which I won't go

1909

01:25:33,450 --> 01:25:32,290

into I was very proud right private but

1910

01:25:35,520 --> 01:25:33,460

anyway I was going to go to this

1911

01:25:37,650 --> 01:25:35,530

conference where that's where I met

1912

01:25:38,910 --> 01:25:37,660

Kathy Martin I hadn't become friends

1913

01:25:39,570 --> 01:25:38,920

with her at the conference was much

1914

01:25:42,420 --> 01:25:39,580

later on

1915

01:25:44,700 --> 01:25:42,430

Denise stoner dragged Carmen spoke and

1916

01:25:46,980 --> 01:25:44,710

it was a conference by Paulo Harris okay

1917

01:25:49,740 --> 01:25:46,990

and so it was at this workshop that

1918

01:25:50,670 --> 01:25:49,750

Yvonne Smith held in the morning where

1919

01:25:52,710 --> 01:25:50,680

people were talking about their

1920

01:25:54,780 --> 01:25:52,720

experiences so my wife and I talked

1921

01:25:57,330 --> 01:25:54,790

about our experience and it was grant

1922

01:25:58,890 --> 01:25:57,340

and grant that came to us afterwards he

1923

01:26:00,480 --> 01:25:58,900

says I just came from the home of prison

1924

01:26:01,920 --> 01:26:00,490

blood so where his door was like

1925

01:26:04,020 --> 01:26:01,930

spouting blood all over the freaking

1926

01:26:05,970 --> 01:26:04,030

place and Chris grabbed the towel and

1927

01:26:08,340 --> 01:26:05,980

put it right on him and the blood

1928

01:26:11,250 --> 01:26:08,350

stopped but we tried looking for the cut

1929

01:26:13,260 --> 01:26:11,260

there was no cut but if he was spewing

1930

01:26:15,630 --> 01:26:13,270

blood all over the place you know and

1931

01:26:16,950 --> 01:26:15,640

then and then the dog was wagging his

1932

01:26:18,750 --> 01:26:16,960

tail running around like nothing had

1933

01:26:20,340 --> 01:26:18,760

happened it was totally healed was a

1934

01:26:22,890 --> 01:26:20,350

totally healing right in front of okay

1935

01:26:25,380 --> 01:26:22,900

so that's when he he called Chris blood

1936

01:26:28,950 --> 01:26:25,390

so right in front of me you know and and

1937

01:26:30,990 --> 01:26:28,960

so anyway my a week before that event

1938

01:26:32,520 --> 01:26:31,000

that conference I'm not going up there

1939

01:26:34,980 --> 01:26:32,530

I'm not going up there it's like a

1940

01:26:36,900 --> 01:26:34,990

three-hour trip the car is gonna explode

1941

01:26:38,400 --> 01:26:36,910

the cars gonna explode I said what do

1942

01:26:39,600 --> 01:26:38,410

you mean the car's gonna explode she

1943

01:26:40,980 --> 01:26:39,610

said their condition is not working

1944

01:26:42,840 --> 01:26:40,990

their condition is not working I put my

1945

01:26:45,060 --> 01:26:42,850

hand on the collision look I'm freezing

1946

01:26:47,100 --> 01:26:45,070

my freaking ass off look look at the

1947

01:26:48,960 --> 01:26:47,110

hand you know what do you mean there

1948

01:26:50,010 --> 01:26:48,970

this is that working I going up there

1949

01:26:52,530 --> 01:26:50,020

the cars got explored ain't going up

1950

01:26:54,390 --> 01:26:52,540

there finally a few days before the

1951

01:26:56,370 --> 01:26:54,400

conference because it took me almost a

1952

01:26:57,540 --> 01:26:56,380

month to convince her to go up there I

1953

01:27:00,300 --> 01:26:57,550

said look sweet it's gonna be a

1954

01:27:01,560 --> 01:27:00,310

honeymoon okay we're gonna spend most of

1955

01:27:03,690 --> 01:27:01,570

the time in bed instead of at the

1956

01:27:07,350 --> 01:27:03,700

conference and then she's okay I'll go

1957

01:27:09,030 --> 01:27:07,360

you know and and so you know cuz you

1958

01:27:13,020 --> 01:27:09,040

know couples really we get out you know

1959

01:27:14,670 --> 01:27:13,030

and so um so here we are I said bad

1960

01:27:16,020 --> 01:27:14,680

I got a bait to stick happen right so I

1961

01:27:18,720 --> 01:27:16,030

brought the car to the mechanic right

1962

01:27:20,430 --> 01:27:18,730

just to shut her up with a cat exam well

1963

01:27:22,800 --> 01:27:20,440

guess what you're lucky you didn't go to

1964

01:27:26,100 --> 01:27:22,810

that trip because the engine would have

1965

01:27:27,210 --> 01:27:26,110

exploded all right so these are just

1966

01:27:31,260 --> 01:27:27,220

examples

1967

01:27:33,750 --> 01:27:31,270

of my wife okay of these snakes but yet

1968

01:27:35,760 --> 01:27:33,760

our survey came up with these things

1969

01:27:37,230 --> 01:27:35,770

tons of people were having these

1970

01:27:39,720 --> 01:27:37,240

precognition skills and it's not just

1971

01:27:42,740 --> 01:27:39,730

your phone contact experiences its NDE

1972

01:27:45,240 --> 01:27:42,750

contact experiences okay and again

1973

01:27:48,450 --> 01:27:45,250

mainstream ufology these people are

1974

01:27:50,010 --> 01:27:48,460

totally clueless okay all these people

1975

01:27:51,960 --> 01:27:50,020

that I go to these I'm gonna be going to

1976

01:27:53,940 --> 01:27:51,970

all these conferences to tour cat I look

1977

01:27:59,970 --> 01:27:53,950

at them and in my head I'm thinking

1978

01:28:01,470 --> 01:27:59,980

you're clueless you know I'm

1979

01:28:11,460 --> 01:28:01,480

still laughing about what he said about

1980

01:28:14,210 --> 01:28:11,470

earlier I won't mention Freight Frank

1981

01:28:16,950 --> 01:28:14,220

and I both know Chris bludsoe he's a

1982

01:28:18,960 --> 01:28:16,960

wonderful person he left him he's so

1983

01:28:21,420 --> 01:28:18,970

fantastic such a warm-hearted person

1984

01:28:25,290 --> 01:28:21,430

very caring very loving very giving very

1985

01:28:26,880 --> 01:28:25,300

good family man and has nothing but the

1986

01:28:28,380 --> 01:28:26,890

highest respect for people and he just

1987

01:28:31,440 --> 01:28:28,390

treats people really well and we just

1988

01:28:34,770 --> 01:28:31,450

really adore him yeah I love Chris and I

1989

01:28:37,020 --> 01:28:34,780

love his wife too yes and later on off

1990

01:28:38,850 --> 01:28:37,030

the air but it's a very very lengthy

1991

01:28:42,270 --> 01:28:38,860

conversation I might tell you you know

1992

01:28:46,020 --> 01:28:42,280

how this whole thing with Chris God got

1993

01:28:48,270 --> 01:28:46,030

got together but again it's it's it's hi

1994

01:28:50,790 --> 01:28:48,280

strangers on top of highest ranges from

1995

01:28:53,760 --> 01:28:50,800

both of us not just him from both of us

1996

01:28:56,340 --> 01:28:53,770

and and we maintained a lifelong link

1997

01:28:58,560 --> 01:28:56,350

because of these two highs cases of high

1998

01:29:01,170 --> 01:28:58,570

strangeness which forced me to go up

1999

01:29:02,780 --> 01:29:01,180

there to his house and well rate let me

2000

01:29:04,890 --> 01:29:02,790

jump in and ask you this do you think

2001

01:29:07,080 --> 01:29:04,900

yeah well when you get together with

2002

01:29:08,880 --> 01:29:07,090

other folks and they you've talked about

2003

01:29:11,580 --> 01:29:08,890

having these experiences with mrs.

2004

01:29:12,810 --> 01:29:11,590

Hernandez do you think when there are a

2005

01:29:14,730 --> 01:29:12,820

couple of you are more get together

2006

01:29:16,770 --> 01:29:14,740

that's kind of a force multiplier in

2007

01:29:19,680 --> 01:29:16,780

terms of bringing this type of a high

2008

01:29:22,590 --> 01:29:19,690

strangeness out oh I definitely think

2009

01:29:24,180 --> 01:29:22,600

especially with ce-5 when you do ce-5 it

2010

01:29:27,240 --> 01:29:24,190

can't be these huge groups of 200 people

2011

01:29:30,390 --> 01:29:27,250

okay it has to be a small group and if

2012

01:29:32,400 --> 01:29:30,400

you get people that that live like

2013

01:29:34,290 --> 01:29:32,410

paranormal lives you know high level

2014

01:29:37,380 --> 01:29:34,300

experiences you're gonna have a show

2015

01:29:40,839 --> 01:29:37,390

okay you guys know Mike Marburg well I

2016

01:29:43,839 --> 01:29:40,849

do not know okay no no okay he's an

2017

01:29:46,810 --> 01:29:43,849

a Princeton graduate ok he's an attorney

2018

01:29:48,790 --> 01:29:46,820

in North Florida again New York Times

2019

01:29:53,680 --> 01:29:48,800

interview Mike ok he graduated from

2020

01:29:56,109 --> 01:29:53,690

Princeton ok New York Times interview

2021

01:29:59,979 --> 01:29:56,119

I forgot always mispronounce her name

2022

01:30:01,839 --> 01:29:59,989

the Nancy the Tatra ok I know yeah yeah

2023

01:30:04,060 --> 01:30:01,849

she's in North Jersey I know her correct

2024

01:30:06,669 --> 01:30:04,070

another Princeton grad Hollis Polk

2025

01:30:09,430 --> 01:30:06,679

another Princeton grad major contact

2026

01:30:12,189 --> 01:30:09,440

experience er she then went to Harvard

2027

01:30:13,959 --> 01:30:12,199

to get an MBA from Harvard ok all these

2028

01:30:16,720 --> 01:30:13,969

three these are just examples off the

2029

01:30:18,580 --> 01:30:16,730

top of interview you okay you'll give

2030

01:30:20,620 --> 01:30:18,590

them some great quotes you know I mean

2031

01:30:23,620 --> 01:30:20,630

these are all high-level experiences I'm

2032

01:30:26,260 --> 01:30:23,630

sure people of 10 people from Florida

2033

01:30:28,540 --> 01:30:26,270

most of them were high level experiences

2034

01:30:31,000 --> 01:30:28,550

to go up there the problem was that we

2035

01:30:34,240 --> 01:30:31,010

went there last year in February okay

2036

01:30:36,580 --> 01:30:34,250

cold as hell we were freezing our asses

2037

01:30:38,439 --> 01:30:36,590

off right so everybody by 12 o'clock

2038

01:30:41,260 --> 01:30:38,449

went in they said screw this you know

2039

01:30:44,109 --> 01:30:41,270

and so at 12:30 something in my head

2040

01:30:47,200 --> 01:30:44,119

said go out there again which I did okay

2041

01:30:53,649 --> 01:30:47,210

well 15 minutes later guess what appears

2042

01:30:55,530 --> 01:30:53,659

a hundred feet above us okay an object

2043

01:30:58,660 --> 01:30:55,540

that was twice the size of a school bus

2044

01:31:01,930 --> 01:30:58,670

okay that flew directly right above us

2045

01:31:04,600 --> 01:31:01,940

100 meters above us it was like the moon

2046

01:31:06,220 --> 01:31:04,610

except it was very long and one guy goes

2047

01:31:08,830 --> 01:31:06,230

look it's got no wings it's got no wings

2048

01:31:10,839 --> 01:31:08,840

okay so that's what happens when you get

2049

01:31:13,359 --> 01:31:10,849

you know hardcore experiences together

2050

01:31:17,800 --> 01:31:13,369

and mike is a hardcore experiencer and

2051
01:31:21,310 --> 01:31:17,810
and again new york times please you go

2052
01:31:24,189 --> 01:31:21,320
into the wrong sources my friends okay I

2053
01:31:26,740 --> 01:31:24,199
wanted to ask you what do you think the

2054
01:31:31,479 --> 01:31:26,750
takeaway is for your wife regarding what

2055
01:31:33,520 --> 01:31:31,489
happened to her do you think that I can

2056
01:31:35,319 --> 01:31:33,530
imagine it it actually changed her in

2057
01:31:39,430 --> 01:31:35,329
many ways but what's the moral of the

2058
01:31:40,810 --> 01:31:39,440
story for her well it's very very

2059
01:31:42,430 --> 01:31:40,820
difficult first of all she doesn't want

2060
01:31:45,910 --> 01:31:42,440
to talk about these things because to

2061
01:31:48,550 --> 01:31:45,920
her it all reverts back to God revert

2062
01:31:50,700 --> 01:31:48,560
back to source and I agree with her okay

2063
01:31:52,930 --> 01:31:50,710

except she sees it through a religiously

2064

01:31:54,520 --> 01:31:52,940

semi-religious let's not the full

2065

01:31:57,250 --> 01:31:54,530

hardcore Catholic religious

2066

01:31:59,649 --> 01:31:57,260

because he's seen the UFOs you see the

2067

01:32:01,660 --> 01:31:59,659

crabs she's seen these entities so she

2068

01:32:04,450 --> 01:32:01,670

knows we're not just talking about the

2069

01:32:06,250 --> 01:32:04,460

the Bible verbatim we're talking a

2070

01:32:09,040 --> 01:32:06,260

little bit more complex than than the

2071

01:32:11,140 --> 01:32:09,050

Bible okay but she says that the way

2072

01:32:12,939 --> 01:32:11,150

that she sees she grew up going to the

2073

01:32:15,399 --> 01:32:12,949

church since she was little

2074

01:32:17,799 --> 01:32:15,409

okay they lived in the church you know

2075

01:32:19,419 --> 01:32:17,809

her family so that's how her way of

2076

01:32:22,270 --> 01:32:19,429

connecting with God okay

2077

01:32:23,890 --> 01:32:22,280

and so she tells me that look you know I

2078

01:32:25,479 --> 01:32:23,900

understand that this is full of

2079

01:32:27,549 --> 01:32:25,489

that that is full of you know the

2080

01:32:29,830 --> 01:32:27,559

priestess the priests that whatever but

2081

01:32:32,109 --> 01:32:29,840

from her own perspective that's how she

2082

01:32:33,279 --> 01:32:32,119

is able to communicate but she also she

2083

01:32:34,720 --> 01:32:33,289

can be killed him in the case with God

2084

01:32:37,510 --> 01:32:34,730

all the time right here in her house

2085

01:32:39,339 --> 01:32:37,520

she goes outside she hugs trees she

2086

01:32:43,689 --> 01:32:39,349

never kills any animals just like I do

2087

01:32:46,390 --> 01:32:43,699

even little bugs even ants okay I mean

2088

01:32:49,060 --> 01:32:46,400

she loves animals plants he doesn't

2089

01:32:51,250 --> 01:32:49,070

destroy any plans whatever because she

2090

01:32:53,589 --> 01:32:51,260

knows that there's God in into them okay

2091

01:32:56,020 --> 01:32:53,599

now these are not purely religious

2092

01:32:57,520 --> 01:32:56,030

Catholic religious types of concepts you

2093

01:33:00,129 --> 01:32:57,530

know these are more people that are

2094

01:33:02,770 --> 01:33:00,139

spiritually evolved so that's how my

2095

01:33:05,470 --> 01:33:02,780

wife is a very complex personality but

2096

01:33:08,350 --> 01:33:05,480

she doesn't want to talk about them just

2097

01:33:12,370 --> 01:33:08,360

like so many people because again it

2098

01:33:14,020 --> 01:33:12,380

gets from it takes her out of the plane

2099

01:33:16,240 --> 01:33:14,030

of reality of dealing with our daughter

2100

01:33:19,330 --> 01:33:16,250

raising our daughter you know having to

2101

01:33:22,149 --> 01:33:19,340

deal with our reality it gets her out of

2102

01:33:25,180 --> 01:33:22,159

the comfort zone so a question I have

2103

01:33:27,459 --> 01:33:25,190

for you is a person who may find

2104

01:33:29,290 --> 01:33:27,469

themselves in your position years ago

2105

01:33:32,950 --> 01:33:29,300

where your mind was trying to wrap

2106

01:33:35,500 --> 01:33:32,960

itself around this strange sir reality

2107

01:33:37,029 --> 01:33:35,510

that was happening to you where the

2108

01:33:38,979 --> 01:33:37,039

person you loved disappeared for a

2109

01:33:41,049 --> 01:33:38,989

moment and then you saw a strange being

2110

01:33:44,589 --> 01:33:41,059

that was translucent and then it seems

2111

01:33:46,149 --> 01:33:44,599

solid or more solid and you had these

2112

01:33:47,740 --> 01:33:46,159

strange experiences that occurred

2113

01:33:50,680 --> 01:33:47,750

multiple times throughout from that

2114

01:33:54,189 --> 01:33:50,690

point on forward when that happens to a

2115

01:33:56,890 --> 01:33:54,199

person and they can't they can't deal

2116

01:33:58,779 --> 01:33:56,900

with it what advice do you have to give

2117

01:34:00,490 --> 01:33:58,789

to them can they reach out to your

2118

01:34:04,479 --> 01:34:00,500

organization so they can learn more

2119

01:34:07,600 --> 01:34:04,489

about what's going on yes we used to

2120

01:34:10,060 --> 01:34:07,610

have many volunteers

2121

01:34:12,310 --> 01:34:10,070

again it's it's a lot of work trying to

2122

01:34:15,160 --> 01:34:12,320

maintain that going and I tell people

2123

01:34:18,370 --> 01:34:15,170

just shoot me an email I'll send you the

2124

01:34:21,160 --> 01:34:18,380

free copy of chapter one okay so you can

2125

01:34:23,290 --> 01:34:21,170

read it's 120 pages I will send you a

2126

01:34:26,020 --> 01:34:23,300

five page summary of our research

2127

01:34:28,120 --> 01:34:26,030

findings I will send you a copy of our

2128

01:34:29,230 --> 01:34:28,130

peer reviewed publication that we've

2129

01:34:31,360 --> 01:34:29,240

published okay

2130

01:34:33,550 --> 01:34:31,370

and I will even talk to you you know

2131

01:34:36,150 --> 01:34:33,560

people who every week I talk to you like

2132

01:34:38,380 --> 01:34:36,160

I told you I was a matter-of-fact

2133

01:34:40,810 --> 01:34:38,390

organism tomorrow and speaking with

2134

01:34:42,280 --> 01:34:40,820

another medical doctor in let me just

2135

01:34:44,770 --> 01:34:42,290

tell you she's from Australia

2136

01:34:48,610 --> 01:34:44,780

yeah she's a retired medical doctor from

2137

01:34:50,230 --> 01:34:48,620

Australia okay two weeks ago I spoke to

2138

01:34:52,600 --> 01:34:50,240

a retired medical doctor that lives in

2139

01:34:54,910 --> 01:34:52,610

New Hampshire okay

2140

01:34:58,750 --> 01:34:54,920

the pediatrician lives in a Midwestern

2141

01:35:00,580 --> 01:34:58,760

state okay she's in her early 60s I mean

2142

01:35:04,540 --> 01:35:00,590

I could go on and on people call me all

2143

01:35:07,330 --> 01:35:04,550

the time and and again people call me

2144

01:35:09,130 --> 01:35:07,340

you know wanting someone to talk so want

2145

01:35:11,740 --> 01:35:09,140

trying to get answers to all of this and

2146

01:35:13,630 --> 01:35:11,750

what I thought is that looking the

2147

01:35:15,790 --> 01:35:13,640

world's biggest jigsaw puzzle there

2148

01:35:17,710 --> 01:35:15,800

aren't any answers to this I could only

2149

01:35:20,350 --> 01:35:17,720

tell them what I and the other members

2150

01:35:22,000 --> 01:35:20,360

of our free organization hypothesize and

2151
01:35:24,190 --> 01:35:22,010
the data from our research study that

2152
01:35:26,380 --> 01:35:24,200
this is not you know should not be seen

2153
01:35:27,880 --> 01:35:26,390
as a scary phenomenon that the whole

2154
01:35:31,060 --> 01:35:27,890
whelming number of people has been

2155
01:35:32,260 --> 01:35:31,070
totally transformative over many many

2156
01:35:35,290 --> 01:35:32,270
years they see it as a positive

2157
01:35:37,480 --> 01:35:35,300
phenomenon initially 36% buted is

2158
01:35:40,450 --> 01:35:37,490
negative but then towards the end it's

2159
01:35:44,170 --> 01:35:40,460
less than 5% view it as highly negative

2160
01:35:45,760 --> 01:35:44,180
okay and on and on and on so I try to

2161
01:35:47,560 --> 01:35:45,770
tell people with thousands of people all

2162
01:35:49,540 --> 01:35:47,570
over the world you're saying so it

2163
01:35:53,190 --> 01:35:49,550

relieves their fear so you could send an

2164

01:35:56,500 --> 01:35:53,200

email to info at experienced or calm

2165

01:35:59,950 --> 01:35:56,510

info as you be or if info at experienced

2166

01:36:01,840 --> 01:35:59,960

org info at experienced org and I will

2167

consciousness and contact dot org we

2184

01:36:46,950 --> 01:36:44,410

have numerous articles they're written

2185

01:36:49,500 --> 01:36:46,960

by both experiencers and researchers and

2186

01:36:51,360 --> 01:36:49,510

we have much of our data on our website

2187

01:36:54,000 --> 01:36:51,370

and you could also download not only

2188

01:36:55,650 --> 01:36:54,010

chapter one but also many other chapters

2189

01:36:58,370 --> 01:36:55,660

one is the chapter on medical healings

2190

01:37:02,790 --> 01:36:58,380

that was written by Preston Dennett and

2191

01:37:06,890 --> 01:37:02,800

dr. Joseph Burks and also you can

2192

01:37:09,810 --> 01:37:06,900

download the chapter by the late

2193

01:37:12,480 --> 01:37:09,820

Godfather of the paranormal Brad Steiger

2194

01:37:16,650 --> 01:37:12,490

he wrote the conclusion to our book Brad

2195

01:37:18,450 --> 01:37:16,660

wrote more than 220 books mainly on on

2196

01:37:20,270 --> 01:37:18,460

everything of the cont involving the

2197

01:37:22,950 --> 01:37:20,280

contact models from UFOs to

2198

01:37:25,050 --> 01:37:22,960

reincarnation to ghosts and spirits that

2199

01:37:26,610 --> 01:37:25,060

the whole works you know out-of-body

2200

01:37:28,650 --> 01:37:26,620

experiences near-death experience

2201

01:37:31,830 --> 01:37:28,660

that was our Brad Steiger he wrote that

2202

01:37:33,270 --> 01:37:31,840

book so so yes please do reach out to me

2203

01:37:35,940 --> 01:37:33,280

I will send you the free copy of that

2204

01:37:38,100 --> 01:37:35,950

chapter and and I will certainly chat

2205

01:37:40,820 --> 01:37:38,110

with you now in my case for an entire

2206

01:37:43,110 --> 01:37:40,830

year I had no one to talk to okay

2207

01:37:46,380 --> 01:37:43,120

my experience has lasted approximately

2208

01:37:49,320 --> 01:37:46,390

two years okay but in those two years it

2209

01:37:52,110 --> 01:37:49,330

was like you know 63 years of

2210

01:37:54,600 --> 01:37:52,120

experiences compacted into those two

2211

01:37:57,090 --> 01:37:54,610

years there was non-stop non-stop to the

2212

01:38:00,240 --> 01:37:57,100

point where after I hadn't experienced

2213

01:38:02,790 --> 01:38:00,250

that involved reincarnation past lives

2214

01:38:06,270 --> 01:38:02,800
and mission here on earth okay I just

2215

01:38:09,510 --> 01:38:06,280
freaked out and I began to get drunk for

2216

01:38:12,870 --> 01:38:09,520
an entire week okay I just couldn't

2217

01:38:15,710 --> 01:38:12,880
handle it anymore until whatever this

2218

01:38:20,910 --> 01:38:15,720
intelligence is that's working with me

2219

01:38:24,020 --> 01:38:20,920
managed to to send me a savior I will

2220

01:38:27,510 --> 01:38:24,030
get into these details okay but it's a

2221

01:38:30,150 --> 01:38:27,520
someone that basically got me back on

2222

01:38:33,119 --> 01:38:30,160
track and this person was another

2223

01:38:36,270 --> 01:38:33,129
high-profile experiencer

2224

01:38:38,699 --> 01:38:36,280
all right right and you know I actually

2225

01:38:41,279 --> 01:38:38,709
had the pleasure of interviewing you

2226

01:38:44,759 --> 01:38:41,289

earlier I think it was last year and

2227

01:38:46,349 --> 01:38:44,769

what I had done was up I had heard about

2228

01:38:47,790 --> 01:38:46,359

you for many people and heard such

2229

01:38:49,439 --> 01:38:47,800

wonderful things about you they have

2230

01:38:53,129 --> 01:38:49,449

nothing but the deepest respect for you

2231

01:38:54,899 --> 01:38:53,139

and I really wanted to interview you so

2232

01:38:56,639 --> 01:38:54,909

what I asked you is if I could do a

2233

01:38:58,889 --> 01:38:56,649

text-based interview and just submit

2234

01:39:01,080 --> 01:38:58,899

questions to you and you were so kind

2235

01:39:03,479 --> 01:39:01,090

you actually went over them very

2236

01:39:06,299 --> 01:39:03,489

carefully in a very thoughtful manner

2237

01:39:08,489 --> 01:39:06,309

and answered as many as you felt were

2238

01:39:10,859 --> 01:39:08,499

relevant to what you and the free

2239

01:39:13,589 --> 01:39:10,869

organization does and they just want to

2240

01:39:15,540 --> 01:39:13,599

really thank you for having done that no

2241

01:39:18,089 --> 01:39:15,550

no thank you for giving me the

2242

01:39:21,869 --> 01:39:18,099

opportunity because what we're trying to

2243

01:39:25,199 --> 01:39:21,879

do that both of you know is to create a

2244

01:39:27,779 --> 01:39:25,209

new paradigm we're presenting a new

2245

01:39:29,969 --> 01:39:27,789

paradigm of our reality and a new

2246

01:39:33,029 --> 01:39:29,979

paradigm of viewing these paranormal

2247

01:39:35,129 --> 01:39:33,039

experiences and it's totally radical and

2248

01:39:37,379 --> 01:39:35,139

it's very very difficult to understand I

2249

01:39:39,659 --> 01:39:37,389

mean when you're talking that

2250

01:39:43,319 --> 01:39:39,669

consciousness is primary that's some

2251

01:39:44,969 --> 01:39:43,329

deep okay that people have a very

2252

01:39:47,909 --> 01:39:44,979

difficult time of wrapping themselves

2253

01:39:53,339 --> 01:39:47,919

around with and just like this very

2254

01:39:54,839 --> 01:39:53,349

prominent speaker in the UFO field you

2255

01:39:57,359 --> 01:39:54,849

know whenever you hear someone talking

2256

01:39:59,969 --> 01:39:57,369

about the paranormal aspects of it

2257

01:40:01,649 --> 01:39:59,979

totally dismissive of it because oh

2258

01:40:03,299 --> 01:40:01,659

that's not science that's not real

2259

01:40:06,209 --> 01:40:03,309

science that's impossible you know and

2260

01:40:08,520 --> 01:40:06,219

this is a guy that appears that most of

2261

01:40:10,469 --> 01:40:08,530

these major UFO conferences and he just

2262

01:40:14,719 --> 01:40:10,479

repeats the same historical

2263

01:40:17,779 --> 01:40:14,729

over and over again okay and so the

2264

01:40:20,669 --> 01:40:17,789

someone that's such a materialist

2265

01:40:22,290 --> 01:40:20,679

nuts-and-bolts person trying to act like

2266

01:40:23,969 --> 01:40:22,300

he's the world's authority on this topic

2267

01:40:26,790 --> 01:40:23,979

I looked that guy straight in the eye

2268

01:40:30,229 --> 01:40:26,800

and I and I say to myself you are

2269

01:40:32,790 --> 01:40:30,239

freakin clueless you know and so by you

2270

01:40:34,649 --> 01:40:32,800

allowing me to do that allows me the

2271

01:40:37,949 --> 01:40:34,659

opportunity to present this totally

2272

01:40:40,589 --> 01:40:37,959

radical visionary way of viewing or

2273

01:40:42,569 --> 01:40:40,599

reality and it's not my way either this

2274

01:40:45,389 --> 01:40:42,579

is all the members of our board of

2275

01:40:46,490 --> 01:40:45,399

directors mainly PhD academics at the

2276

01:40:49,310 --> 01:40:46,500

highest level

2277

01:40:52,010 --> 01:40:49,320

and thousands of experiencers high-level

2278

01:40:54,590 --> 01:40:52,020

experiences that are living paranormal

2279

01:40:56,330 --> 01:40:54,600

realities wanted to mention somebody at

2280

01:40:59,180 --> 01:40:56,340

when I asked you during that text-based

2281

01:41:01,340 --> 01:40:59,190

interview I'll go ahead and repeat the

2282

01:41:03,590 --> 01:41:01,350

question I asked you and that was where

2283

01:41:05,030 --> 01:41:03,600

some of the iconic ufologists you admire

2284

01:41:07,370 --> 01:41:05,040

and respect regarding their serious

2285

01:41:10,070 --> 01:41:07,380

research by the way that term ufologists

2286

01:41:11,060 --> 01:41:10,080

I'm sorry to have used that but I should

2287

01:41:12,110 --> 01:41:11,070

have just said who are some of the

2288

01:41:14,120 --> 01:41:12,120

people that you admire and respect

2289

01:41:18,860 --> 01:41:14,130

regarding their serious research and

2290

01:41:24,200 --> 01:41:18,870

that is dr. Jacques Vallee yes most

2291

01:41:29,540 --> 01:41:24,210

definitely 110% he tell us why because

2292

01:41:31,820 --> 01:41:29,550

over 40 years ago he said I do not

2293

01:41:35,780 --> 01:41:31,830

believe that what we're dealing with is

2294

01:41:38,930 --> 01:41:35,790

ET okay we're that we're dealing with

2295

01:41:43,120 --> 01:41:38,940

some type of physical entity that comes

2296

01:41:46,310 --> 01:41:43,130

from some type of physical planet okay

2297

01:41:48,860 --> 01:41:46,320

what he hypothesized and he never said

2298

01:41:51,310 --> 01:41:48,870

it directly he always said it indirectly

2299

01:41:53,510 --> 01:41:51,320

that we're dealing with some

2300

01:41:55,960 --> 01:41:53,520

consciousness based non-human

2301

01:41:58,550 --> 01:41:55,970

intelligence that's might be

2302

01:42:02,120 --> 01:41:58,560

multi-dimensional and the best way of

2303

01:42:04,460 --> 01:42:02,130

him phrasing this is that is that we

2304

01:42:07,400 --> 01:42:04,470

just don't understand space time

2305

01:42:10,130 --> 01:42:07,410

he said that in numerous of interviews

2306

01:42:12,350 --> 01:42:10,140

we just do not understand space-time now

2307

01:42:14,240 --> 01:42:12,360

what did he mean by that what he meant

2308

01:42:16,790 --> 01:42:14,250

was that these experiences that we're

2309

01:42:19,790 --> 01:42:16,800

dealing with involves a manipulation of

2310

01:42:22,670 --> 01:42:19,800

of space-time of both space which means

2311

01:42:26,000 --> 01:42:22,680

like a multi-dimensional aspect and time

2312

01:42:27,860 --> 01:42:26,010

that we're not dealing with that we're

2313

01:42:31,130 --> 01:42:27,870

dealing with the past president future

2314

01:42:33,440 --> 01:42:31,140

simultaneously okay so that involves

2315

01:42:37,280 --> 01:42:33,450

being possibility of reincarnation of

2316

01:42:40,400 --> 01:42:37,290

the future and of the past and now that

2317

01:42:44,360 --> 01:42:40,410

there is no now okay because there is no

2318

01:42:46,880 --> 01:42:44,370

time so valet had it down pat he also

2319

01:42:49,940 --> 01:42:46,890

said that that this is a program as

2320

01:42:53,660 --> 01:42:49,950

being undertaken okay a program on

2321

01:42:55,070 --> 01:42:53,670

humanity now a program can be involved

2322

01:42:56,720 --> 01:42:55,080

that there is some non-human

2323

01:42:57,500 --> 01:42:56,730

intelligence whatever you might call it

2324

01:43:00,049 --> 01:42:57,510

source

2325

01:43:03,200 --> 01:43:00,059

okay the universal mind whatever

2326

01:43:05,990 --> 01:43:03,210

that's interacting with humanity via in

2327

01:43:07,100 --> 01:43:06,000

terms of a changing of an evolution so

2328

01:43:10,370 --> 01:43:07,110

what they're doing is that they're

2329

01:43:12,740 --> 01:43:10,380

slowly changing and evolving us okay so

2330

01:43:15,229 --> 01:43:12,750

he understood it that a program is

2331

01:43:18,229 --> 01:43:15,239

taking place and I agree with that okay

2332

01:43:21,040 --> 01:43:18,239

and and I think the program is a program

2333

01:43:22,250 --> 01:43:21,050

for us to avoid our self-destruction

2334

01:43:24,109 --> 01:43:22,260

okay

2335

01:43:26,660 --> 01:43:24,119

for us to become more loving with each

2336

01:43:28,220 --> 01:43:26,670

other less materialistic to protect our

2337

01:43:29,209 --> 01:43:28,230

planet exactly those changes that I

2338

01:43:31,160 --> 01:43:29,219

talked about okay

2339

01:43:33,560 --> 01:43:31,170

I think what they did is that they did

2340

01:43:35,990 --> 01:43:33,570

an experiment of just a few people okay

2341

01:43:39,140 --> 01:43:36,000

of a small sample to see if it works

2342

01:43:42,350 --> 01:43:39,150

and and lo and behold it is working very

2343

01:43:45,229 --> 01:43:42,360

very well so my perspective now let's do

2344

01:43:47,660 --> 01:43:45,239

it on everybody now okay because if not

2345

01:43:50,600 --> 01:43:47,670

we as humans are not going to be lasting

2346

01:43:52,160 --> 01:43:50,610

on this life long life I'm pretty much

2347

01:43:53,930 --> 01:43:52,170

longer I think the New York Times came

2348

01:43:56,209 --> 01:43:53,940

out one of the very few things that they

2349

01:43:57,560 --> 01:43:56,219

did that that was good and they came out

2350

01:44:00,229 --> 01:43:57,570

with an article a couple of weeks ago

2351
01:44:03,890 --> 01:44:00,239
talked about more than 1 million species

2352
01:44:09,740 --> 01:44:03,900
of wildlife and plant life that's going

2353
01:44:12,049 --> 01:44:09,750
extinct right now 1 million ok as we

2354
01:44:14,959 --> 01:44:12,059
speak so imagine that over the next

2355
01:44:17,299 --> 01:44:14,969
hundred years ok we talked about you

2356
01:44:19,939 --> 01:44:17,309
know the elephant the the lion the big

2357
01:44:21,649 --> 01:44:19,949
game becoming totally extinct ok

2358
01:44:23,270 --> 01:44:21,659
I think Botswana it's just a little ha

2359
01:44:25,549 --> 01:44:23,280
elephant hunting again

2360
01:44:27,319 --> 01:44:25,559
give me a break how many elephants are

2361
01:44:30,709 --> 01:44:27,329
there alive in this world but because

2362
01:44:32,779 --> 01:44:30,719
some some king of politician about Swan

2363
01:44:34,580 --> 01:44:32,789

is getting paid under the table you know

2364

01:44:36,200 --> 01:44:34,590

hundreds of thousands of dollars from

2365

01:44:38,870 --> 01:44:36,210

this rich white man to go over there and

2366

01:44:42,109 --> 01:44:38,880

to kill an elephant to cut off its head

2367

01:44:43,549 --> 01:44:42,119

and put it on his living room you know I

2368

01:44:45,229 --> 01:44:43,559

mean that that's what we're dealing with

2369

01:44:48,020 --> 01:44:45,239

we're dealing with the total destruction

2370

01:44:49,760 --> 01:44:48,030

of our planet and and I think they want

2371

01:44:52,669 --> 01:44:49,770

us to become more spiritual become more

2372

01:44:54,290 --> 01:44:52,679

loving more consciously aware that we

2373

01:44:55,700 --> 01:44:54,300

don't just live in a physical reality

2374

01:44:58,370 --> 01:44:55,710

that will much more complex than that

2375

01:45:00,560 --> 01:44:58,380

and so I think that's the agenda of

2376

01:45:03,049 --> 01:45:00,570

what's taking place well I wanted to

2377

01:45:06,319 --> 01:45:03,059

before I say goodbye and wrap up the

2378

01:45:07,970 --> 01:45:06,329

show in also ask Frank there's anything

2379

01:45:11,120 --> 01:45:07,980

else he house that lets you know that

2380

01:45:14,010 --> 01:45:11,130

Chris Bledsoe actually contacted me back

2381

01:45:16,440 --> 01:45:14,020

and said to say hello to you

2382

01:45:19,950 --> 01:45:16,450

I'll tell Chris and his wife that I love

2383

01:45:21,840 --> 01:45:19,960

them both I did actually and he better

2384

01:45:25,110 --> 01:45:21,850

get his ass down to Miami and give me a

2385

01:45:27,930 --> 01:45:25,120

call next time me next time I will tell

2386

01:45:30,900 --> 01:45:27,940

him that and I also just want to let

2387

01:45:32,640 --> 01:45:30,910

everybody know that the dr. Edgar

2388

01:45:34,050 --> 01:45:32,650

Mitchell foundation for research into

2389

01:45:37,800 --> 01:45:34,060

extraterrestrial and extraordinary

2390

01:45:40,080 --> 01:45:37,810

experiences or also known as free he ray

2391

01:45:43,440 --> 01:45:40,090

adnan the stairs on the research

2392

01:45:45,270 --> 01:45:43,450

committee for that and just wanted to

2393

01:45:47,550 --> 01:45:45,280

ask you are there any other things that

2394

01:45:49,200 --> 01:45:47,560

you can share with people about free you

2395

01:45:50,910 --> 01:45:49,210

shared the website you did say it's down

2396

01:45:53,280 --> 01:45:50,920

temporarily for maintenance it will go

2397

01:45:55,020 --> 01:45:53,290

back up so everybody needs to understand

2398

01:45:57,060 --> 01:45:55,030

that if they go to the website it may

2399

01:45:58,890 --> 01:45:57,070

just show that it's down temporarily but

2400

01:46:01,650 --> 01:45:58,900

it will be active again in a few days

2401

01:46:03,180 --> 01:46:01,660

and then also he did share his email

2402

01:46:04,710 --> 01:46:03,190

address so you can contact him directly

2403

01:46:06,480 --> 01:46:04,720

he'll go ahead and say that again before

2404

01:46:08,040 --> 01:46:06,490

we get off the air and Frank did you

2405

01:46:10,470 --> 01:46:08,050

have anything else that you wanted to

2406

01:46:12,840 --> 01:46:10,480

add we just wanted to tell ray how much

2407

01:46:16,530 --> 01:46:12,850

I enjoyed having day you back on with us

2408

01:46:18,330 --> 01:46:16,540

again like really love the speculation I

2409

01:46:19,760 --> 01:46:18,340

mean that that part of it is fun you

2410

01:46:21,420 --> 01:46:19,770

know kicking around some of these ideas

2411

01:46:24,030 --> 01:46:21,430

it's wild

2412

01:46:25,980 --> 01:46:24,040

we don't understand it and you know

2413

01:46:28,560 --> 01:46:25,990

you're not that coming on saying well oh

2414

01:46:30,330 --> 01:46:28,570

yeah definitely it's this way or that

2415

01:46:32,670 --> 01:46:30,340

way it's like yeah you're speculating

2416

01:46:34,110 --> 01:46:32,680

but I think speculation is a good thing

2417

01:46:37,170 --> 01:46:34,120

I think that we've got to do a lot of it

2418

01:46:38,790 --> 01:46:37,180

it's just got to be reasonable and you

2419

01:46:41,220 --> 01:46:38,800

know just be clear that what you're

2420

01:46:42,690 --> 01:46:41,230

doing is speculating and as long as you

2421

01:46:45,660 --> 01:46:42,700

do that and say okay in my book

2422

01:46:48,300 --> 01:46:45,670

well the speculation that I've done is

2423

01:46:51,330 --> 01:46:48,310

based off what thousands of experiencers

2424

01:46:54,060 --> 01:46:51,340

have told us yep yep okay for example I

2425

01:46:57,240 --> 01:46:54,070

know that a matrix reality exists

2426

01:46:58,790 --> 01:46:57,250

because I went there I know my friend

2427

01:47:00,780 --> 01:46:58,800

Alberto has gone there and I know

2428

01:47:02,820 --> 01:47:00,790

thousands of other people that took our

2429

01:47:04,920 --> 01:47:02,830

survey have gone there I know

2430

01:47:07,470 --> 01:47:04,930

and experiences have gone to a matrix

2431

01:47:11,210 --> 01:47:07,480

reality except it was through an NDE

2432

01:47:13,740 --> 01:47:11,220

okay so there's certain things that are

2433

01:47:16,980 --> 01:47:13,750

speculation but they're based upon fact

2434

01:47:18,990 --> 01:47:16,990

yeah but people are saying okay yeah we

2435

01:47:22,290 --> 01:47:19,000

also know we're regarding a multiverse

2436

01:47:27,020 --> 01:47:22,300

that all PhD physicists all of them

2437

01:47:29,700 --> 01:47:27,030

adhere to a multiverse theory okay

2438

01:47:31,500 --> 01:47:29,710

rudely shields told me he says ray if

2439

01:47:34,350 --> 01:47:31,510

you graduated with a PhD in theoretical

2440

01:47:36,150 --> 01:47:34,360

physics today you are an adherent to a

2441

01:47:38,480 --> 01:47:36,160

multiverse theory okay

2442

01:47:41,550 --> 01:47:38,490

so it means that all these high-level

2443

01:47:43,520 --> 01:47:41,560

PhD theoretical physicists they all know

2444

01:47:46,170 --> 01:47:43,530

that we don't live in just one reality

2445

01:47:49,080 --> 01:47:46,180

okay but yet we're the totally clueless

2446

01:47:50,940 --> 01:47:49,090

ones okay and we've got these

2447

01:47:52,920 --> 01:47:50,950

materialists saying oh that's full of

2448

01:47:54,570 --> 01:47:52,930

because that's not real but yet you

2449

01:47:56,730 --> 01:47:54,580

got this three physicist from MIT

2450

01:47:58,800 --> 01:47:56,740

talking about a simulation reality and

2451

01:48:01,320 --> 01:47:58,810

all the theoretical physics all around

2452

01:48:04,080 --> 01:48:01,330

world you know understanding that we

2453

01:48:06,620 --> 01:48:04,090

live in a multiverse so you know who's

2454

01:48:09,260 --> 01:48:06,630

talking and who is not okay

2455

01:48:12,990 --> 01:48:09,270

I'll go with the theoretical physicists

2456

01:48:18,080 --> 01:48:13,000

instead of with mainstream nuts and

2457

01:48:24,660 --> 01:48:20,850

Chris did get your message and he will

2458

01:48:26,430 --> 01:48:24,670

get back to you on it people know is

2459

01:48:29,180 --> 01:48:26,440

that for a year and a half we've been

2460

01:48:33,450 --> 01:48:29,190

working on a science-based documentary

2461

01:48:35,670 --> 01:48:33,460

okay and we've been interviewing a whole

2462

01:48:39,180 --> 01:48:35,680

boatload of scientists and experiencers

2463

01:48:41,340 --> 01:48:39,190

again to present this new theory it's

2464

01:48:43,530 --> 01:48:41,350

going to involve the same topic as our

2465

01:48:45,810 --> 01:48:43,540

book that's that we're gonna try to make

2466

01:48:47,250 --> 01:48:45,820

it entertaining and present the science

2467

01:48:49,170 --> 01:48:47,260

physics of this reality that we're

2468

01:48:52,110 --> 01:48:49,180

dealing with through scientists and

2469

01:48:54,090 --> 01:48:52,120

through experiences because they're both

2470

01:48:55,820 --> 01:48:54,100

saying the same thing except they're

2471

01:48:58,170 --> 01:48:55,830

saying it a little bit differently

2472

01:48:59,760 --> 01:48:58,180

understand I do know that you gave two

2473

01:49:03,480 --> 01:48:59,770

lectures I believe in Los Angeles on

2474

01:49:07,170 --> 01:49:03,490

January 15th and 16th of this year and I

2475

01:49:08,610 --> 01:49:07,180

think that was at you pars LA you did a

2476

01:49:10,650 --> 01:49:08,620

lecture on what is the relationship

2477

01:49:13,020 --> 01:49:10,660

between consciousness or cosmology in

2478

01:49:15,090 --> 01:49:13,030

contact with non-human intelligence via

2479

01:49:15,690 --> 01:49:15,100

the contact modalities isn't that

2480

01:49:18,870 --> 01:49:15,700

correct

2481

01:49:22,410 --> 01:49:18,880

yes and this weekend I will be at

2482

01:49:23,880 --> 01:49:22,420

contact in the desert and I know it's

2483

01:49:26,730 --> 01:49:23,890

not Palm Springs but it's one of those

2484

01:49:30,950 --> 01:49:26,740

desert communities just look up contact

2485

01:49:35,520 --> 01:49:30,960

in the desert I will also be speaking at

2486

01:49:39,570 --> 01:49:35,530

alien UFO Con in Knoxville Tennessee in

2487

01:49:40,530 --> 01:49:39,580

the second week of August the first week

2488

01:49:44,010 --> 01:49:40,540

of August

2489

01:49:45,930 --> 01:49:44,020

be speaking in Hong Kong to a major UFO

2490

01:49:48,479 --> 01:49:45,940

conference last year they had a thousand

2491

01:49:51,900 --> 01:49:48,489

three hundred people that will be there

2492

01:49:53,430 --> 01:49:51,910

and again it's going to be an awkward

2493

01:49:59,850 --> 01:49:53,440

situation because the another main

2494

01:50:02,130 --> 01:49:59,860

speaker is uh Laura Eisenhower so you

2495

01:50:06,270 --> 01:50:02,140

already know you know my way of seeing

2496

01:50:12,330 --> 01:50:06,280

things and then also I will be speaking

2497

01:50:14,930 --> 01:50:12,340

again in Los Angeles at at the goodness

2498

01:50:22,590 --> 01:50:14,940

I always get the name wrong Neil Gore's

2499

01:50:25,770 --> 01:50:22,600

organization which is forgive me Neil

2500

01:50:27,810 --> 01:50:25,780

but it's ascension the ascension

2501
01:50:31,260 --> 01:50:27,820
conference in Los Angeles and that

2502
01:50:34,890 --> 01:50:31,270
portal to ascension portal yep and and

2503
01:50:37,680 --> 01:50:34,900
that'll be the first week of of October

2504
01:50:40,650 --> 01:50:37,690
portal to ascension and that's in Irvine

2505
01:50:42,330 --> 01:50:40,660
California so the four major conferences

2506
01:50:45,570 --> 01:50:42,340
that I'll be speaking at this year and

2507
01:50:47,430 --> 01:50:45,580
plus the the free organization we've had

2508
01:50:50,220 --> 01:50:47,440
two conferences over the last two years

2509
01:50:54,450 --> 01:50:50,230
here in Miami and this year we're gonna

2510
01:50:56,189 --> 01:50:54,460
have a conference in the first either

2511
01:50:59,970 --> 01:50:56,199
the first week of the second week of our

2512
01:51:04,850 --> 01:50:59,980
of November and our featured speaker is

2513
01:51:18,209 --> 01:51:14,700

and we'll have other experiences tell

2514

01:51:24,870 --> 01:51:18,219

her we said hello and vikon us tell her

2515

01:51:26,370 --> 01:51:24,880

I said that okay okay wonderful well I'm

2516

01:51:27,870 --> 01:51:26,380

very glad that you were able to let us

2517

01:51:30,540 --> 01:51:27,880

know about that portal to ascension

2518

01:51:32,189 --> 01:51:30,550

Conference 2019 I'll go ahead and I did

2519

01:51:34,979 --> 01:51:32,199

drop a couple links regarding the

2520

01:51:36,450 --> 01:51:34,989

conference's that she'll be at and we're

2521

01:51:38,820 --> 01:51:36,460

just so grateful to have had you on the

2522

01:51:40,709 --> 01:51:38,830

show tonight thank you for your having

2523

01:51:42,120 --> 01:51:40,719

taken the time to spend with us tonight
