

MELINDA LESLIE
DISCUSSES THE LATEST ON
THE ADMIRAL WILSON
DOCUMENTS

UFONN
SUNDAY

1
00:01:14,200 --> 00:00:25,960

[Music]

2
00:01:19,550 --> 00:01:17,180

and good evening from Philadelphia Frank

3
00:01:22,220 --> 00:01:19,560

here with it but what is tonight it's

4
00:01:23,600 --> 00:01:22,230

Thursday a Thursday night edition of UFO

5
00:01:25,850 --> 00:01:23,610

news network Sunday it's hard keeping

6
00:01:28,250 --> 00:01:25,860

these days straight with so much going

7
00:01:30,560 --> 00:01:28,260

on but before I bring in my co-host

8
00:01:32,390 --> 00:01:30,570

Johanna and before she brings in our

9
00:01:34,640 --> 00:01:32,400

special guests for this evening I'm

10
00:01:36,710 --> 00:01:34,650

gonna go through some recent news that

11
00:01:39,500 --> 00:01:36,720

that we have discovered that I have

12
00:01:42,800 --> 00:01:39,510

discovered regarding these admiral

13
00:01:45,380 --> 00:01:42,810

wilson documents and this one is a

14

00:01:48,020 --> 00:01:45,390

little bit negative as far as the

15

00:01:50,480 --> 00:01:48,030

genuineness of these documents now what

16

00:01:54,110 --> 00:01:50,490

I want to do is I refer er you all to

17

00:01:56,570 --> 00:01:54,120

page 5 of these documents listing live

18

00:01:57,800 --> 00:01:56,580

you can go to the immigrant file and

19

00:01:59,630 --> 00:01:57,810

take a look for yourself

20

00:02:02,719 --> 00:01:59,640

we've got them up here probably not the

21

00:02:08,300 --> 00:02:02,729

the best the best to look at but let's

22

00:02:10,460 --> 00:02:08,310

do this let's just the that page 5 that

23

00:02:12,950 --> 00:02:10,470

we want to take a closer look at this is

24

00:02:14,990 --> 00:02:12,960

her Admiral Thomas Wilson came to test

25

00:02:17,330 --> 00:02:15,000

site special area to wrap up projects he

26
00:02:18,800 --> 00:02:17,340
began in 98 successor can't be bothered

27
00:02:20,870 --> 00:02:18,810
right now for a lack of time and

28
00:02:24,190 --> 00:02:20,880
knowledge did tour audit say goodbye to

29
00:02:27,199 --> 00:02:24,200
folks trip set up by NNSA

30
00:02:30,979 --> 00:02:27,209
National Nuclear Security Agency rich

31
00:02:33,440 --> 00:02:30,989
and Doug new PWD meeting Eric Davis know

32
00:02:35,960 --> 00:02:33,450
them a Pheo members told about how new

33
00:02:38,800 --> 00:02:35,970
Las Vegas chapter needed guest speakers

34
00:02:41,540 --> 00:02:38,810
for chapter public venue raise money etc

35
00:02:44,090 --> 00:02:41,550
okay so rich end up we've got that rich

36
00:02:47,060 --> 00:02:44,100
and Doug name and I mentioned on Sunday

37
00:02:51,740 --> 00:02:47,070
I think I knew who rich was and perusing

38
00:02:54,530 --> 00:02:51,750

through the the online documentation at

39

00:02:57,890 --> 00:02:54,540

the a Pio site I was able to find their

40

00:02:59,479 --> 00:02:57,900

newsletter for the year 2002 that in

41

00:03:01,699 --> 00:02:59,489

fact covered some interesting

42

00:03:05,270 --> 00:03:01,709

information and let's take a closer look

43

00:03:09,170 --> 00:03:05,280

at that right okay so there we see page

44

00:03:11,720 --> 00:03:09,180

14 from the 2002 FeO newsletter and let

45

00:03:14,360 --> 00:03:11,730

me get over to one that I can look at a

46

00:03:17,840 --> 00:03:14,370

little bit more clearly and what we see

47

00:03:20,180 --> 00:03:17,850

is obviously a new report so the monthly

48

00:03:23,240 --> 00:03:20,190

reports for the month of October about

49

00:03:25,280 --> 00:03:23,250

2002 what they're the different the

50

00:03:25,760 --> 00:03:25,290

different chapters of a Pheo around the

51
00:03:27,590 --> 00:03:25,770
country

52
00:03:29,360 --> 00:03:27,600
RUP - and it seems like that whenever

53
00:03:31,400 --> 00:03:29,370
they have a special speaker come in they

54
00:03:33,890 --> 00:03:31,410
mention it like this particular chapter

55
00:03:36,260 --> 00:03:33,900
here I cut off round the location but

56
00:03:39,200 --> 00:03:36,270
they've got brought in Michael Salazar

57
00:03:40,460 --> 00:03:39,210
the the Florida Suncoast chapter looks

58
00:03:43,400 --> 00:03:40,470
like they brought in a guy named bob

59
00:03:44,750 --> 00:03:43,410
sumner this chapter here well they bring

60
00:03:47,120 --> 00:03:44,760
in guest speakers I mean that's what

61
00:03:48,740 --> 00:03:47,130
these kind of organizations do here's a

62
00:03:50,900 --> 00:03:48,750
here's a real interesting guest speaker

63
00:03:53,810 --> 00:03:50,910

for the FeO New England chapter in

64

00:03:55,820 --> 00:03:53,820

October 2002 you had a retired Major

65

00:03:58,040 --> 00:03:55,830

General ed Thompson spoil you speaking

66

00:03:59,330 --> 00:03:58,050

about the u.s. remote-viewing program so

67

00:04:00,620 --> 00:03:59,340

that's kind of interesting something you

68

00:04:01,520 --> 00:04:00,630

never know what you might find when you

69

00:04:05,330 --> 00:04:01,530

go through some of this our

70

00:04:08,090 --> 00:04:05,340

documentation but bottom right you look

71

00:04:10,190 --> 00:04:08,100

very closely we've got at the very well

72

00:04:12,560 --> 00:04:10,200

what's a weave it looks like there are a

73

00:04:14,870 --> 00:04:12,570

couple of chapters in Nevada one is

74

00:04:17,000 --> 00:04:14,880

North Sierra chapter and it looks like

75

00:04:20,660 --> 00:04:17,010

they're kickoff meeting so it seems like

76

00:04:23,210 --> 00:04:20,670

in September this was perhaps a new a

77

00:04:24,350 --> 00:04:23,220

Pio chapter and then at the very bottom

78

00:04:26,630 --> 00:04:24,360

a very bottom right

79

00:04:28,880 --> 00:04:26,640

in October the new a Pheo Las Vegas

80

00:04:30,680 --> 00:04:28,890

chapter held its first meeting so that

81

00:04:33,590 --> 00:04:30,690

part of the document checks out that it

82

00:04:36,590 --> 00:04:33,600

was a new chapter of this organization a

83

00:04:40,580 --> 00:04:36,600

Pheo that checks out as far as you know

84

00:04:43,460 --> 00:04:40,590

perhaps a reason that the Admiral Wilson

85

00:04:45,920 --> 00:04:43,470

might go to Vegas but it seems to me the

86

00:04:48,260 --> 00:04:45,930

implication in what he's telling Davis

87

00:04:49,640 --> 00:04:48,270

per these notes is that he's going out

88

00:04:52,120 --> 00:04:49,650

there he's there to speak he's there to

89

00:04:55,010 --> 00:04:52,130

help generate membership and get the

90

00:04:56,840 --> 00:04:55,020

organization off to a good start yet it

91

00:04:58,850 --> 00:04:56,850

doesn't mention anything in there about

92

00:05:00,590 --> 00:04:58,860

what happened at this October meeting

93

00:05:02,330 --> 00:05:00,600

doesn't say that Admiral Wilson was

94

00:05:03,680 --> 00:05:02,340

there you would think you know why would

95

00:05:05,770 --> 00:05:03,690

you keep something that Gladys secret

96

00:05:08,450 --> 00:05:05,780

who would care it doesn't really matter

97

00:05:10,100 --> 00:05:08,460

you know he's going out nobody knows

98

00:05:12,560 --> 00:05:10,110

he's going out and he's going to reveal

99

00:05:14,900 --> 00:05:12,570

all to Eric Davis so you see out there

100

00:05:16,670 --> 00:05:14,910

on some some old government business he

101

00:05:18,860 --> 00:05:16,680

wants to clear up and he can also help

102

00:05:20,810 --> 00:05:18,870

out these Accio guys and get their new

103

00:05:22,550 --> 00:05:20,820

chapters started in Vegas but it doesn't

104

00:05:24,710 --> 00:05:22,560

say anything about that it says in

105

00:05:27,440 --> 00:05:24,720

October the new a Pheo Las Vegas chapter

106

00:05:28,520 --> 00:05:27,450

held its first meeting but that doesn't

107

00:05:30,140 --> 00:05:28,530

say anything that happened at the

108

00:05:32,570 --> 00:05:30,150

meeting again you would think that if

109

00:05:36,280 --> 00:05:32,580

Wilson was there and he was supposedly

110

00:05:40,060 --> 00:05:36,290

in Vegas yeah on October the 6:00

111

00:05:41,350 --> 00:05:40,070

you know these guys dog in rich I would

112

00:05:43,210 --> 00:05:41,360

certainly have to think that rich is

113

00:05:45,730 --> 00:05:43,220

exactly who I was suspect that he was

114

00:05:47,400 --> 00:05:45,740

rich in elk owned the president of new

115

00:05:49,570 --> 00:05:47,410

chapter now why wouldn't you bring

116

00:05:50,980 --> 00:05:49,580

Wilson out that to your very first

117

00:05:52,540 --> 00:05:50,990

meeting and have him speak at your very

118

00:05:55,540 --> 00:05:52,550

first meeting why wouldn't you do that

119

00:06:02,010 --> 00:05:55,550

and if he did do that why was there no

120

00:06:21,910 --> 00:06:06,610

so there's that little tough I think for

121

00:06:23,890 --> 00:06:21,920

the okay Frank thank you so much by the

122

00:06:26,170 --> 00:06:23,900

way I think your audio was just a little

123

00:06:31,090 --> 00:06:26,180

bit broken up there I'm not sure you

124

00:06:33,010 --> 00:06:31,100

know my sound levels are okay um yeah I

125

00:06:34,780 --> 00:06:33,020

just heard a little bit of breaks while

126
00:06:38,050 --> 00:06:34,790
you're talking but we do have a special

127
00:06:40,690 --> 00:06:38,060
guest on tonight and we have interviewed

128
00:06:42,910 --> 00:06:40,700
her before her name is Melinda Leslie

129
00:06:44,980 --> 00:06:42,920
she really needs no introduction at all

130
00:06:47,560 --> 00:06:44,990
she's very well known in the UFO

131
00:06:49,180 --> 00:06:47,570
community and but I'm gonna go ahead and

132
00:06:51,160 --> 00:06:49,190
give a little bit of background on her

133
00:06:54,160 --> 00:06:51,170
just in case that we we have folks who

134
00:06:55,300 --> 00:06:54,170
have never heard of her before she's an

135
00:06:57,430 --> 00:06:55,310
investigator in the field of ufology

136
00:07:00,520 --> 00:06:57,440
with 30 years of experience and research

137
00:07:01,270 --> 00:07:00,530
individuals involved in its cover-up for

138
00:07:03,160 --> 00:07:01,280

28 years

139

00:07:05,470 --> 00:07:03,170

for nine years she has been the owner of

140

00:07:09,340 --> 00:07:05,480

UFO sighting tours in Sedona Arizona

141

00:07:10,810 --> 00:07:09,350

where she has conducted over 1050 tours

142

00:07:14,440 --> 00:07:10,820

with the use of military night-vision

143

00:07:16,360 --> 00:07:14,450

goggles to date Melinda's 7502 our

144

00:07:18,640 --> 00:07:16,370

clients have felt they have always had

145

00:07:21,340 --> 00:07:18,650

true UFO sightings on every tour except

146

00:07:23,020 --> 00:07:21,350

for only one Melinda is a UFO abductees

147

00:07:25,210 --> 00:07:23,030

and has been public with her own

148

00:07:27,460 --> 00:07:25,220

extraterrestrial and covert ops human

149

00:07:29,590 --> 00:07:27,470

abduction experiences for almost 30

150

00:07:31,960 --> 00:07:29,600

years and is considered by many to be

151

00:07:34,150 --> 00:07:31,970

the authority on covert military and

152

00:07:36,850 --> 00:07:34,160

intelligence agency involvement in UFO

153

00:07:38,530 --> 00:07:36,860

abduction cases both her research and

154

00:07:40,900 --> 00:07:38,540

personal experiences have been featured

155

00:07:43,330 --> 00:07:40,910

in 24 books by prominent authors in

156

00:07:45,370 --> 00:07:43,340

ufology Melinda has lectured for

157

00:07:47,700 --> 00:07:45,380

numerous organizations including UFO

158

00:07:49,870 --> 00:07:47,710

Megacon UFO contact in the desert

159

00:07:52,060 --> 00:07:49,880

international UFO Congress

160

00:07:54,430 --> 00:07:52,070

MUFON chapters the X conference a big

161

00:07:56,770 --> 00:07:54,440

area UFO Expo the whole life Expo and

162

00:07:59,590 --> 00:07:56,780

more she is a frequent guest on radio

163

00:08:02,260 --> 00:07:59,600

shoes shows including as a repeat on

164

00:08:04,540 --> 00:08:02,270

coast to coast am appeared on several

165

00:08:06,250 --> 00:08:04,550

television television shows and is

166

00:08:08,620 --> 00:08:06,260

featured in the new film documentary

167

00:08:10,570 --> 00:08:08,630

extraordinary the seating and we will

168

00:08:12,760 --> 00:08:10,580

definitely show you the link to that and

169

00:08:16,510 --> 00:08:12,770

also give you the link to her UFO

170

00:08:19,030 --> 00:08:16,520

sighting tours calm and the film trailer

171

00:08:20,650 --> 00:08:19,040

to the seating welcome Melinda how are

172

00:08:23,740 --> 00:08:20,660

you doing this evening thank you so much

173

00:08:28,720 --> 00:08:23,750

for coming in to join us tonight from

174

00:08:30,580 --> 00:08:28,730

the beautiful area of Arizona Sedona yes

175

00:08:32,520 --> 00:08:30,590

thank you thank you Chan for having me

176
00:08:34,990 --> 00:08:32,530
in Frank - thank you guys for having me

177
00:08:37,060 --> 00:08:35,000
yeah I've actually been to Sedona many

178
00:08:40,450 --> 00:08:37,070
times it's such a beautiful area I bet

179
00:08:43,420 --> 00:08:40,460
you love living out there I I do I do

180
00:08:45,580 --> 00:08:43,430
I had come to Sedona on and off since

181
00:08:47,080 --> 00:08:45,590
the early 80s it was like my second trip

182
00:08:49,780 --> 00:08:47,090
I ever had here I thought one day I

183
00:08:52,510 --> 00:08:49,790
gotta live here I just adored it so much

184
00:08:53,770 --> 00:08:52,520
and about nine years ago everything came

185
00:08:56,170 --> 00:08:53,780
together in my life to make that

186
00:08:58,450 --> 00:08:56,180
possible and Here I am and then I've

187
00:09:00,610 --> 00:08:58,460
been doing my business for about eight

188
00:09:02,620 --> 00:09:00,620

and a half years now quite successfully

189

00:09:04,900 --> 00:09:02,630

luckily so there we go that is so

190

00:09:06,730 --> 00:09:04,910

fantastic now I just kind of wanted to

191

00:09:08,950 --> 00:09:06,740

get straight to it there's an

192

00:09:10,960 --> 00:09:08,960

interesting topic kind of something

193

00:09:13,330 --> 00:09:10,970

that's been trending heavily in the UFO

194

00:09:16,900 --> 00:09:13,340

community and I understand that you

195

00:09:18,370 --> 00:09:16,910

wanted to talk a little bit about top do

196

00:09:21,970 --> 00:09:18,380

you want to go ahead and touch on that

197

00:09:24,250 --> 00:09:21,980

now sure are you referring to the

198

00:09:26,320 --> 00:09:24,260

documents yep let's go in and start no

199

00:09:29,200 --> 00:09:26,330

the documents that would be great thank

200

00:09:33,190 --> 00:09:29,210

you so much well I think for people to

201
00:09:37,360 --> 00:09:33,200
know what got me in involved in this

202
00:09:41,410 --> 00:09:37,370
story you know a week ago I think it's

203
00:09:43,750 --> 00:09:41,420
been just over a week since the kind of

204
00:09:45,310 --> 00:09:43,760
big release even though certain

205
00:09:47,560 --> 00:09:45,320
documents had been released prior to

206
00:09:50,110 --> 00:09:47,570
that and then even the the main

207
00:09:52,390 --> 00:09:50,120
documents so far in question the Wilson

208
00:09:57,250 --> 00:09:52,400
one had been released privately but had

209
00:10:00,550 --> 00:09:57,260
not kind of made it into into the minds

210
00:10:03,610 --> 00:10:00,560
and and into the view of a lot of people

211
00:10:06,280 --> 00:10:03,620
in the field the few people who

212
00:10:08,350 --> 00:10:06,290
sieved it before were sitting on it for

213
00:10:10,390 --> 00:10:08,360

a variety of reasons I've talked to many

214

00:10:13,390 --> 00:10:10,400

of them and and they had good reasons

215

00:10:15,460 --> 00:10:13,400

for why they were waiting mostly let's

216

00:10:18,040 --> 00:10:15,470

see if it comes out on its own let's see

217

00:10:19,300 --> 00:10:18,050

if stuff comes up I can verify it they

218

00:10:21,700 --> 00:10:19,310

all knew that they were sitting on a

219

00:10:25,570 --> 00:10:21,710

virtual time doing with a research

220

00:10:28,360 --> 00:10:25,580

partner Randi coping and I've been very

221

00:10:32,170 --> 00:10:28,370

involved in the UFO field for about 30

222

00:10:34,270 --> 00:10:32,180

years now start with sightings out at

223

00:10:36,520 --> 00:10:34,280

area 51 and discovering eyes and abdic

224

00:10:39,490 --> 00:10:36,530

key and then just discovering I was a

225

00:10:42,880 --> 00:10:39,500

mil Aviv Daqi that's mal for military

226
00:10:44,710 --> 00:10:42,890
and AV for abduction and trying to come

227
00:10:48,550 --> 00:10:44,720
to terms with that but in the midst of

228
00:10:53,170 --> 00:10:48,560
my Miller experience and and research I

229
00:10:55,330 --> 00:10:53,180
felt kind of into something which is a

230
00:10:59,350 --> 00:10:55,340
long story which this whole program

231
00:11:01,810 --> 00:10:59,360
doesn't need to be about I do have an

232
00:11:03,490 --> 00:11:01,820
additional link that I know chant and

233
00:11:05,650 --> 00:11:03,500
Frank I believe I haven't looked but I

234
00:11:08,950 --> 00:11:05,660
believe they put this up for me besides

235
00:11:11,500 --> 00:11:08,960
to the new documentary movie I'm in

236
00:11:13,060 --> 00:11:11,510
about the hybridization program and

237
00:11:14,710 --> 00:11:13,070
abductions called the seeding which is

238
00:11:17,170 --> 00:11:14,720

going to be what's called extraordinary

239

00:11:19,210 --> 00:11:17,180

Cassini it's going to be it is an

240

00:11:22,930 --> 00:11:19,220

incredible movie I've seen it and it

241

00:11:25,840 --> 00:11:22,940

comes out September 3rd to be released

242

00:11:28,840 --> 00:11:25,850

on all pay-per-view formats on September

243

00:11:32,140 --> 00:11:28,850

3rd and I'm going to be sharing that

244

00:11:34,990 --> 00:11:32,150

widely when that happens but there is a

245

00:11:36,220 --> 00:11:35,000

Facebook page for the seating so I

246

00:11:38,290 --> 00:11:36,230

recommend everybody look up

247

00:11:40,630 --> 00:11:38,300

extraordinary the seating on Facebook

248

00:11:44,820 --> 00:11:40,640

join that page you'll get the updates

249

00:11:48,160 --> 00:11:44,830

and it is currently out where people can

250

00:11:49,900 --> 00:11:48,170

pre-order it you know pre-order to own

251

00:11:52,900 --> 00:11:49,910

in and so even what 12 or 13 bucks

252

00:11:54,400 --> 00:11:52,910

pre-order to actually own it on Amazon

253

00:11:56,980 --> 00:11:54,410

Prime and iTunes

254

00:11:59,230 --> 00:11:56,990

I blew it oh no Vimeo not on Amazon

255

00:12:02,170 --> 00:11:59,240

Prime I think it's on Vimeo pre per

256

00:12:03,760 --> 00:12:02,180

order and your pre-order and iTunes but

257

00:12:05,860 --> 00:12:03,770

again if you go to the Facebook page for

258

00:12:08,080 --> 00:12:05,870

extraordinary the seating and we have a

259

00:12:09,760 --> 00:12:08,090

link there to the trailer as she said no

260

00:12:11,770 --> 00:12:09,770

but the other thing isn't of course a

261

00:12:14,380 --> 00:12:11,780

link to my website for my UFO sighting

262

00:12:16,430 --> 00:12:14,390

tours here in Sedona so that link is up

263

00:12:22,939 --> 00:12:16,440

there but the third link

264

00:12:25,160 --> 00:12:22,949

is a lecture I gave which I gave a year

265

00:12:27,740 --> 00:12:25,170

and a half ago for Lori and Fenton

266

00:12:29,540 --> 00:12:27,750

producer of what is called UFO con

267

00:12:32,420 --> 00:12:29,550

that's not alien con that's the one

268

00:12:34,639 --> 00:12:32,430

going on this current weekend the LA

269

00:12:38,689 --> 00:12:34,649

Convention Center but no us o con in the

270

00:12:41,990 --> 00:12:38,699

Bay Area a smaller conference but very

271

00:12:44,300 --> 00:12:42,000

important and and she had me give a

272

00:12:48,920 --> 00:12:44,310

complete presentation for the first time

273

00:12:51,319 --> 00:12:48,930

ever on my 40 year history I should say

274

00:12:53,150 --> 00:12:51,329

Randi cope hangs in my research of the

275

00:12:55,879 --> 00:12:53,160

40 year history of the working group and

276

00:12:58,160 --> 00:12:55,889

so so I'm going to occasionally be

277

00:13:00,920 --> 00:12:58,170

referencing that please people watch

278

00:13:04,300 --> 00:13:00,930

that presentation everything that is

279

00:13:07,009 --> 00:13:04,310

going on in the current disclosure story

280

00:13:09,590 --> 00:13:07,019

combined with everything going on with

281

00:13:12,499 --> 00:13:09,600

these documents will be much better

282

00:13:13,819 --> 00:13:12,509

understood by everyone and I'm not doing

283

00:13:16,340 --> 00:13:13,829

this to toot my own horn oh it's my

284

00:13:19,150 --> 00:13:16,350

lecture no it's about the evidence in

285

00:13:22,280 --> 00:13:19,160

there and the research and it's a

286

00:13:25,370 --> 00:13:22,290

28-year research project by Randy and I

287

00:13:27,860 --> 00:13:25,380

we started at 28 years ago but it covers

288

00:13:29,509 --> 00:13:27,870

the 40-year history at least what we

289

00:13:31,879 --> 00:13:29,519

could document is about 40 year history

290

00:13:35,090 --> 00:13:31,889

of this group and they've been

291

00:13:38,350 --> 00:13:35,100

continually involved in the UFO research

292

00:13:42,079 --> 00:13:38,360

subject from then up to the present day

293

00:13:44,540 --> 00:13:42,089

now I can get more into that later but

294

00:13:47,569 --> 00:13:44,550

because of that knowledge and because of

295

00:13:50,629 --> 00:13:47,579

that history I you know there's a lot of

296

00:13:52,309 --> 00:13:50,639

information that I know so I'm the

297

00:13:55,790 --> 00:13:52,319

Saturday now I know that the Wilson

298

00:13:59,480 --> 00:13:55,800

document came out whatever we could go

299

00:14:01,660 --> 00:13:59,490

on Friday if I'm not mistaken correct it

300

00:14:04,160 --> 00:14:01,670

was the Thursday well we could go today

301
00:14:06,799 --> 00:14:04,170
two weeks ago what was Thursday yet was

302
00:14:09,679 --> 00:14:06,809
like believe though late Thursday night

303
00:14:11,360 --> 00:14:09,689
it was technically after midnight so in

304
00:14:14,629 --> 00:14:11,370
other words was early Friday morning as

305
00:14:17,420 --> 00:14:14,639
my understanding is when it first came

306
00:14:20,179 --> 00:14:17,430
up and showed up I believe at that point

307
00:14:22,730 --> 00:14:20,189
in Reddit and a young guns discussion

308
00:14:28,340 --> 00:14:22,740
group on reddit if I'm not mistaken yeah

309
00:14:29,689 --> 00:14:28,350
came out some time back on April was

310
00:14:32,269 --> 00:14:29,699
posted on imgur back in

311
00:14:35,030 --> 00:14:32,279
April and then grant and a few other

312
00:14:37,879 --> 00:14:35,040
researchers were given various documents

313
00:14:40,099 --> 00:14:37,889

or pages of documents approximately a

314

00:14:42,379 --> 00:14:40,109

year ago or on and off over the last

315

00:14:45,530 --> 00:14:42,389

year leading up to this but again those

316

00:14:49,039 --> 00:14:45,540

people sat on it Grant had approached

317

00:14:52,489 --> 00:14:49,049

Michael hall for as a lawyer as his

318

00:14:53,720 --> 00:14:52,499

attorney to say do I need to be careful

319

00:14:56,359 --> 00:14:53,730

of anything here I don't want to break

320

00:14:58,429 --> 00:14:56,369

any laws this and that and Michael said

321

00:15:01,729 --> 00:14:58,439

you can publish it your upcoming book as

322

00:15:04,069 --> 00:15:01,739

long it is as it is redacted heavily

323

00:15:06,349 --> 00:15:04,079

redacted removing all names Bruton

324

00:15:09,229 --> 00:15:06,359

removing certain you know individual

325

00:15:11,299 --> 00:15:09,239

names of people and group names etc and

326

00:15:14,090 --> 00:15:11,309

so grandpa's going to do that and was

327

00:15:16,549 --> 00:15:14,100

quite happy alluding to the fact he had

328

00:15:18,470 --> 00:15:16,559

something and as you guys know the story

329

00:15:20,479 --> 00:15:18,480

in case other people out there done and

330

00:15:23,599 --> 00:15:20,489

then all of a sudden it gets released

331

00:15:26,629 --> 00:15:23,609

whatever Thursday night Friday me and I

332

00:15:29,960 --> 00:15:26,639

didn't get whiff of it till really

333

00:15:33,429 --> 00:15:29,970

following and chant knows and you do to

334

00:15:37,069 --> 00:15:33,439

friends I'm very active in a bunch of

335

00:15:39,139 --> 00:15:37,079

Facebook pages dealing with the whole to

336

00:15:43,009 --> 00:15:39,149

the Stars Academy a tip etcetera

337

00:15:44,840 --> 00:15:43,019

etcetera and and so I was getting whiff

338

00:15:47,960 --> 00:15:44,850

of something I hadn't looked at it

339

00:15:51,829 --> 00:15:47,970

finally I did know jumping to the chase

340

00:15:53,419 --> 00:15:51,839

here now now we know to and everyone's

341

00:15:56,829 --> 00:15:53,429

saying the Wilson document I think we

342

00:16:00,529 --> 00:15:56,839

need to correct ourselves about that

343

00:16:02,629 --> 00:16:00,539

because these are actually a series of

344

00:16:06,559 --> 00:16:02,639

documents of which there are more to

345

00:16:09,199 --> 00:16:06,569

come that were in the possession of the

346

00:16:10,939 --> 00:16:09,209

late dr. Edgar Mitchell astronaut Edgar

347

00:16:15,789 --> 00:16:10,949

Mitchell and how do you know that so I

348

00:16:19,129 --> 00:16:15,799

think well through a number of things

349

00:16:25,220 --> 00:16:19,139

some of the people who handed coffee

350

00:16:29,779 --> 00:16:25,230

sets to certain key individuals like

351

00:16:33,650 --> 00:16:29,789

grant have said that yes it it came out

352

00:16:36,049 --> 00:16:33,660

of that you made an additional well and

353

00:16:37,249 --> 00:16:36,059

and and some others and not to go into

354

00:16:38,840 --> 00:16:37,259

great detail right now it's almost

355

00:16:41,689 --> 00:16:38,850

doesn't matter but yes so these

356

00:16:44,170 --> 00:16:41,699

individuals are saying yes in addition

357

00:16:50,540 --> 00:16:47,689

in addition to the third document which

358

00:16:54,559 --> 00:16:50,550

grant released whatever 48 hours ago

359

00:16:56,120 --> 00:16:54,569

yesterday I believe 24 hours and I think

360

00:16:58,699 --> 00:16:56,130

there's more maybe dig before yesterday

361

00:17:00,740 --> 00:16:58,709

okay okay but grant released an

362

00:17:02,689 --> 00:17:00,750

additional document that he had in his

363

00:17:04,340 --> 00:17:02,699

possession given to him at the time that

364

00:17:06,679 --> 00:17:04,350

all of them were given but he thought

365

00:17:10,610 --> 00:17:06,689

this one was important because it is a

366

00:17:13,429 --> 00:17:10,620

letter from Robert Bigelow to dr. Edgar

367

00:17:16,340 --> 00:17:13,439

Mitchell and and yet referencing his

368

00:17:18,679 --> 00:17:16,350

attending an upcoming meeting and that

369

00:17:20,899 --> 00:17:18,689

meeting was a meeting for knids National

370

00:17:24,399 --> 00:17:20,909

Institute of Discovery Science and it is

371

00:17:27,829 --> 00:17:24,409

clearly on mids letterhead very clearly

372

00:17:30,560 --> 00:17:27,839

and from everything I can see having had

373

00:17:32,810 --> 00:17:30,570

seen past documents referencing their

374

00:17:35,299 --> 00:17:32,820

letterhead and everything that that I

375

00:17:38,090 --> 00:17:35,309

and others believe that to be legit and

376

00:17:40,310 --> 00:17:38,100

Robert Bigelow wrote this letter it says

377

00:17:42,620 --> 00:17:40,320

at the bottom it has little initials

378

00:17:44,539 --> 00:17:42,630

that show him and then slash and then

379

00:17:46,010 --> 00:17:44,549

obviously assist in or secretary you

380

00:17:47,930 --> 00:17:46,020

know having it actually typed it up

381

00:17:49,549 --> 00:17:47,940

having it been in that position for many

382

00:17:53,810 --> 00:17:49,559

years in the past myself you know I

383

00:17:59,110 --> 00:17:53,820

instantly recognize that and and it went

384

00:18:01,700 --> 00:17:59,120

to dr. Edgar Mitchell about about his

385

00:18:03,529 --> 00:18:01,710

involvement in these upcoming meetings

386

00:18:06,560 --> 00:18:03,539

that he was going to be traveling to be

387

00:18:10,340 --> 00:18:06,570

a part of for the board of directors and

388

00:18:11,840 --> 00:18:10,350

consultants to knids it doesn't state

389

00:18:13,370 --> 00:18:11,850

everyone who's going to be involved but

390

00:18:15,620 --> 00:18:13,380

it states a few of the individuals

391

00:18:17,570 --> 00:18:15,630

within the context letter and the nature

392

00:18:19,159 --> 00:18:17,580

of what they were going to be discussing

393

00:18:21,740 --> 00:18:19,169

in the meeting various projects and

394

00:18:24,710 --> 00:18:21,750

whatnot but clearly this is something

395

00:18:27,470 --> 00:18:24,720

that went from Bigelow to dr. Edgar

396

00:18:31,120 --> 00:18:27,480

Mitchell most of the key researchers and

397

00:18:35,180 --> 00:18:31,130

I yesterday I've spent over the last

398

00:18:38,649 --> 00:18:35,190

five days lot of hours on the phone with

399

00:18:43,820 --> 00:18:38,659

key researchers with Richard Dolan with

400

00:18:46,460 --> 00:18:43,830

Grant Cameron with Rey Hernandez who

401
00:18:49,610 --> 00:18:46,470
knew dr. Edgar Mitchell well and as the

402
00:18:51,320 --> 00:18:49,620
director of free that found dr. Edgar

403
00:18:54,590 --> 00:18:51,330
Mitchell foundation for research into

404
00:18:56,240 --> 00:18:54,600
extraterrestrial encounters and and and

405
00:18:59,570 --> 00:18:56,250
and others

406
00:19:00,380 --> 00:18:59,580
so I talked to I haven't tossed directly

407
00:19:03,020 --> 00:19:00,390
to James

408
00:19:07,159 --> 00:19:03,030
but these people at least Grant and

409
00:19:12,169 --> 00:19:07,169
Richard did etc so I feel like I I know

410
00:19:15,470 --> 00:19:12,179
where she stands on it and etc so so

411
00:19:18,620 --> 00:19:15,480
again and and my research partner Randi

412
00:19:21,470 --> 00:19:18,630
coping and attorney Daniel Sheehan you

413
00:19:23,270 --> 00:19:21,480

know and and others so I'm just you know

414

00:19:25,159 --> 00:19:23,280

for announcing names but not to nestle

415

00:19:28,970 --> 00:19:25,169

drink named doctor but I'm talking to

416

00:19:32,680 --> 00:19:28,980

some very responsible people and we are

417

00:19:35,840 --> 00:19:32,690

all in agreement because the evidence

418

00:19:37,909 --> 00:19:35,850

suggests that these at least came out of

419

00:19:40,820 --> 00:19:37,919

the files of dr. Edgar Mitchell and

420

00:19:43,730 --> 00:19:40,830

grant has more documents and more

421

00:19:46,399 --> 00:19:43,740

apparently that say you know to Edgar

422

00:19:50,020 --> 00:19:46,409

Mitchell or referencing that these so at

423

00:19:53,600 --> 00:19:50,030

the time dr. Edgar Mitchell was on the

424

00:19:56,450 --> 00:19:53,610

board of directors for MIT he was

425

00:19:58,310 --> 00:19:56,460

actually my understanding and I'll stand

426
00:19:59,930 --> 00:19:58,320
correct if this is not true but my

427
00:20:02,299 --> 00:19:59,940
understanding is he was a paid

428
00:20:03,950 --> 00:20:02,309
consultant at the time which is why this

429
00:20:09,710 --> 00:20:03,960
letter goes to him about his involvement

430
00:20:12,950 --> 00:20:09,720
in the meeting there are some series

431
00:20:15,049 --> 00:20:12,960
that have been expressed to me or maybe

432
00:20:18,860 --> 00:20:15,059
even people with a little bit insight as

433
00:20:21,890 --> 00:20:18,870
to how these got leaked from what I am

434
00:20:24,529 --> 00:20:21,900
hearing it is not suggesting at this

435
00:20:26,840 --> 00:20:24,539
point we could change this you know this

436
00:20:31,250 --> 00:20:26,850
is this is morphing and changing nobody

437
00:20:34,100 --> 00:20:31,260
hang your hat on any hypothesis we don't

438
00:20:36,529 --> 00:20:34,110

know enough I'm just saying this is what

439

00:20:40,510 --> 00:20:36,539

the evidence suggests this is what these

440

00:20:42,890 --> 00:20:40,520

key researchers are saying which is that

441

00:20:46,370 --> 00:20:42,900

someone in conjunction with Edgar

442

00:20:48,710 --> 00:20:46,380

Mitchell releases now there could be a

443

00:20:51,830 --> 00:20:48,720

list of motives and I list some of those

444

00:20:53,750 --> 00:20:51,840

we can get to those later that are my

445

00:20:55,399 --> 00:20:53,760

thoughts based upon what I know about

446

00:21:02,390 --> 00:20:55,409

the subject and what I think some of the

447

00:21:04,850 --> 00:21:02,400

motives might be Rey Hernandez suggested

448

00:21:08,720 --> 00:21:04,860

an individual to me that I shared with

449

00:21:10,080 --> 00:21:08,730

Richard Dolan Dolan disagreed with me

450

00:21:12,989 --> 00:21:10,090

heavily

451
00:21:16,259 --> 00:21:12,999
but admitted he could be wrong he didn't

452
00:21:19,049 --> 00:21:16,269
actually know but his evidence suggested

453
00:21:21,359 --> 00:21:19,059
maybe not as far as that individual when

454
00:21:26,489 --> 00:21:21,369
I spoke about that same individual with

455
00:21:29,999 --> 00:21:26,499
Grant Cameron he said likely and if not

456
00:21:33,989 --> 00:21:30,009
directly then that person who certainly

457
00:21:36,570 --> 00:21:33,999
had access to Edgar's files if not in

458
00:21:40,320 --> 00:21:36,580
possession of them may have then passed

459
00:21:42,209 --> 00:21:40,330
it along now in an effort to protect

460
00:21:44,940 --> 00:21:42,219
either that individual or others

461
00:21:46,849 --> 00:21:44,950
involved who may be doing this with

462
00:21:51,450 --> 00:21:46,859
really good intentions

463
00:21:57,749 --> 00:21:51,460

obviously risking anything from possible

464

00:22:00,359 --> 00:21:57,759

legal action to to to at least ridicule

465

00:22:02,899 --> 00:22:00,369

and even possibly their well-being

466

00:22:05,430 --> 00:22:02,909

you know life or hell threatened so I

467

00:22:09,029 --> 00:22:05,440

agree and I've talked to all these other

468

00:22:11,099 --> 00:22:09,039

researchers about even if we think we

469

00:22:13,789 --> 00:22:11,109

know even if we're certain at some point

470

00:22:16,769 --> 00:22:13,799

we do know we are not sharing that name

471

00:22:18,919 --> 00:22:16,779

so as a right now I can just say I

472

00:22:23,129 --> 00:22:18,929

there's evidence to suggest something

473

00:22:26,459 --> 00:22:23,139

and multiple pieces that make perfect

474

00:22:28,109 --> 00:22:26,469

logic sense as to who did this but going

475

00:22:32,430 --> 00:22:28,119

back to my involvement so that's just

476

00:22:34,499 --> 00:22:32,440

kind of a a sideline is so here Randy

477

00:22:36,779 --> 00:22:34,509

and I have been researching this group I

478

00:22:38,129 --> 00:22:36,789

provided an additional document you guys

479

00:22:42,749 --> 00:22:38,139

I'll get into in a minute

480

00:22:44,639 --> 00:22:42,759

but when this when I saw this on

481

00:22:49,529 --> 00:22:44,649

Saturday and I read it for the first

482

00:22:52,769 --> 00:22:49,539

time what do you tell my job now the

483

00:22:55,440 --> 00:22:52,779

Wilson documents so far three documents

484

00:22:58,440 --> 00:22:55,450

have come out one is really a series of

485

00:23:02,129 --> 00:22:58,450

documents in that they are copies of

486

00:23:05,549 --> 00:23:02,139

emails so that is the first one is the

487

00:23:09,389 --> 00:23:05,559

series of emails and that is about the

488

00:23:12,299 --> 00:23:09,399

alien autopsy Ray Santilli film etc etc

489

00:23:14,820 --> 00:23:12,309

and that these individuals were having a

490

00:23:17,369 --> 00:23:14,830

group all the individuals mentioned in

491

00:23:20,789 --> 00:23:17,379

those at the time were involved either

492

00:23:23,750 --> 00:23:20,799

directly or indirectly with MS clearly

493

00:23:27,770 --> 00:23:23,760

so this is a knids project okay

494

00:23:30,080 --> 00:23:27,780

then the N and dr. Edgar Mitchell is

495

00:23:31,700 --> 00:23:30,090

getting copied on the documents because

496

00:23:34,070 --> 00:23:31,710

he is active with them at the time

497

00:23:35,630 --> 00:23:34,080

attending meetings and so everybody's

498

00:23:41,060 --> 00:23:35,640

getting copies at everything it makes

499

00:23:42,320 --> 00:23:41,070

perfect sense and then and then and

500

00:23:44,950 --> 00:23:42,330

again I'm not saying that

501
00:23:47,090 --> 00:23:44,960
Edgar's leaked these or asked them to be

502
00:23:48,830 --> 00:23:47,100
you know that dr. Mitchell did this

503
00:23:49,910 --> 00:23:48,840
before he died saying when I'm gone I

504
00:23:52,250 --> 00:23:49,920
don't think so

505
00:23:54,920 --> 00:23:52,260
I talked to Ray Hernandez extensively

506
00:23:57,170 --> 00:23:54,930
about this he had quite a lengthy

507
00:24:01,160 --> 00:23:57,180
discussion to say why he didn't think

508
00:24:03,830 --> 00:24:01,170
Edgar would do that because of who he

509
00:24:07,550 --> 00:24:03,840
was and the nature of the man but could

510
00:24:11,000 --> 00:24:07,560
he have in allowing someone to have or

511
00:24:14,090 --> 00:24:11,010
ant have copies of and fork access to

512
00:24:16,400 --> 00:24:14,100
his files could that person upon his

513
00:24:19,940 --> 00:24:16,410

passing have a reason to do this

514

00:24:23,720 --> 00:24:19,950

absolutely or it may even be a group of

515

00:24:25,190 --> 00:24:23,730

people and then they started to get the

516

00:24:28,160 --> 00:24:25,200

documents out there to certain

517

00:24:30,110 --> 00:24:28,170

researchers and we don't know and I

518

00:24:33,470 --> 00:24:30,120

don't know how to say I don't know who

519

00:24:36,020 --> 00:24:33,480

to this day posted the Wilson document

520

00:24:38,090 --> 00:24:36,030

anyways or even the poor even the emails

521

00:24:40,520 --> 00:24:38,100

one on imgur or read it I don't know I

522

00:24:45,200 --> 00:24:40,530

don't think anybody does or if someone

523

00:24:47,210 --> 00:24:45,210

does their home back on that but but for

524

00:24:49,100 --> 00:24:47,220

instance you know James Rigney has said

525

00:24:51,170 --> 00:24:49,110

I'm not going to disclose who gave this

526

00:24:52,670 --> 00:24:51,180

to me it doesn't matter it's about the

527

00:24:54,800 --> 00:24:52,680

content and I agree

528

00:24:57,830 --> 00:24:54,810

everyone's getting hung up and it's like

529

00:24:59,810 --> 00:24:57,840

guys I think all the evidence says that

530

00:25:03,050 --> 00:24:59,820

these were knids documents that want

531

00:25:04,610 --> 00:25:03,060

went to Edgar Mitchell that would make

532

00:25:07,220 --> 00:25:04,620

perfect sense for him to be in

533

00:25:10,880 --> 00:25:07,230

possession grant does say he has a few

534

00:25:14,390 --> 00:25:10,890

more that he may release we believe

535

00:25:15,860 --> 00:25:14,400

there may be others it's alluded to by

536

00:25:17,330 --> 00:25:15,870

some of the researchers who were given

537

00:25:20,120 --> 00:25:17,340

copies that whoever gave them to him

538

00:25:21,950 --> 00:25:20,130

said there there are more and so maybe

539

00:25:23,810 --> 00:25:21,960

more are going to be coming out I think

540

00:25:25,430 --> 00:25:23,820

grant has one more he's going to come

541

00:25:27,110 --> 00:25:25,440

forward with and I believe that I

542

00:25:30,640 --> 00:25:27,120

suspect others will come forward we

543

00:25:33,260 --> 00:25:30,650

don't know how many if it is copies of

544

00:25:36,440 --> 00:25:33,270

everything dr. Mitchell it was copied on

545

00:25:37,260 --> 00:25:36,450

while his involvement as paid consultant

546

00:25:39,090 --> 00:25:37,270

tune is that you know

547

00:25:40,890 --> 00:25:39,100

if if he was involved in that

548

00:25:44,550 --> 00:25:40,900

organization he could have been copied

549

00:25:46,380 --> 00:25:44,560

everything for whatever period of time

550

00:25:47,790 --> 00:25:46,390

that he was involved and maybe prior to

551
00:25:50,220 --> 00:25:47,800
bring him up to speed and maybe

552
00:25:51,510 --> 00:25:50,230
afterwards because you know maybe in

553
00:25:55,500 --> 00:25:51,520
case he was going to be involved again

554
00:25:57,210 --> 00:25:55,510
so we don't know how much but so far we

555
00:25:59,610 --> 00:25:57,220
do know that three documents have come

556
00:26:01,530 --> 00:25:59,620
out when it's a series of emails one is

557
00:26:03,240 --> 00:26:01,540
one we're calling the Wilson document

558
00:26:06,270 --> 00:26:03,250
that's the second thing and that of

559
00:26:10,110 --> 00:26:06,280
course is the interview duck dr. Eric

560
00:26:13,830 --> 00:26:10,120
Davis interviewing Vice Admiral Thomas

561
00:26:16,080 --> 00:26:13,840
Wilson and then the third one is the

562
00:26:18,600 --> 00:26:16,090
letter from Bigelow to dr. Edgar

563
00:26:20,520 --> 00:26:18,610

Mitchell on knids letterhead so those

564

00:26:23,580 --> 00:26:20,530

are the three we know about at this

565

00:26:26,010 --> 00:26:23,590

point now I didn't know about these

566

00:26:29,580 --> 00:26:26,020

other two as of Saturday I had not

567

00:26:31,680 --> 00:26:29,590

caught the story of and I made this

568

00:26:33,840 --> 00:26:31,690

clear to Chan I was unaware of the email

569

00:26:36,060 --> 00:26:33,850

saying I mean since then I started to

570

00:26:39,180 --> 00:26:36,070

get aware of it of course I now looked

571

00:26:42,170 --> 00:26:39,190

at it you know but initially I did not

572

00:26:45,180 --> 00:26:42,180

know that part all I know is here's this

573

00:26:47,400 --> 00:26:45,190

interview notes people were calling it

574

00:26:50,580 --> 00:26:47,410

transcription but it's not active it's

575

00:26:54,060 --> 00:26:50,590

not a word-for-word transcription it is

576

00:26:56,960 --> 00:26:54,070

clearly notes so parts of it read almost

577

00:27:01,310 --> 00:26:56,970

like a transcription but it's really dr.

578

00:27:07,080 --> 00:27:01,320

Eric Davis's notes of that interview so

579

00:27:09,840 --> 00:27:07,090

so I I see that on Saturday and I read

580

00:27:12,390 --> 00:27:09,850

it and instantly someone something jumps

581

00:27:14,880 --> 00:27:12,400

out at me and and in talking now

582

00:27:17,160 --> 00:27:14,890

extensively with Grant Cameron for many

583

00:27:20,070 --> 00:27:17,170

many hours on the phone Grant said it is

584

00:27:25,140 --> 00:27:20,080

the thing that immediately jumped out at

585

00:27:27,450 --> 00:27:25,150

him over a year ago at about a year and

586

00:27:30,270 --> 00:27:27,460

a half ago at the same conference where

587

00:27:34,260 --> 00:27:30,280

Grant was given these documents by James

588

00:27:38,490 --> 00:27:34,270

Whitney which was not last years but the

589

00:27:41,820 --> 00:27:38,500

previous year Starworks conference put

590

00:27:44,010 --> 00:27:41,830

on by pal Eris that that's where he gave

591

00:27:45,720 --> 00:27:44,020

these to grant Pryor just prior to us

592

00:27:47,910 --> 00:27:45,730

leaving the hotel for him and I think

593

00:27:49,590 --> 00:27:47,920

you know grant was looking at him on the

594

00:27:50,850 --> 00:27:49,600

shuttle to the airport it's my

595

00:27:56,480 --> 00:27:50,860

understanding but

596

00:28:00,500 --> 00:27:56,490

Arlis that's when he for some and and

597

00:28:03,270 --> 00:28:00,510

and at that same conference I had become

598

00:28:06,690 --> 00:28:03,280

involved with grant camera and sharing

599

00:28:10,380 --> 00:28:06,700

research had heard him reference some

600

00:28:12,210 --> 00:28:10,390

other documents and a history of what

601
00:28:14,490 --> 00:28:12,220
we're calling the working group or more

602
00:28:17,610 --> 00:28:14,500
accurately the advanced theoretical

603
00:28:20,190 --> 00:28:17,620
physics working group or the AP working

604
00:28:21,720 --> 00:28:20,200
group or the AP group okay this is all

605
00:28:26,549 --> 00:28:21,730
gonna matter here in a minute

606
00:28:28,650 --> 00:28:26,559
that that I decided or not just me i

607
00:28:31,080 --> 00:28:28,660
Randi coping and I it was kind of my

608
00:28:33,870 --> 00:28:31,090
idea but I called Randy and I Randy

609
00:28:36,539 --> 00:28:33,880
grants onto this he's following it on

610
00:28:39,630 --> 00:28:36,549
his website presidential UFO or whatever

611
00:28:41,400 --> 00:28:39,640
you know Whitehouse UFO he's got this

612
00:28:43,289 --> 00:28:41,410
history he knows part of it not all that

613
00:28:45,450 --> 00:28:43,299

and he's right but we have more and we

614

00:28:46,919 --> 00:28:45,460

can help push his research way down the

615

00:28:49,620 --> 00:28:46,929

road and I think you know I love grant

616

00:28:53,190 --> 00:28:49,630

he's a friend let's share this Randy

617

00:28:56,580 --> 00:28:53,200

agree so I came with a full set of our

618

00:29:00,000 --> 00:28:56,590

complete timeline of research up to that

619

00:29:02,610 --> 00:29:00,010

minute up to that day to that conference

620

00:29:04,020 --> 00:29:02,620

I was attending anyways but when I saw

621

00:29:06,000 --> 00:29:04,030

grant was going to be a speaker it was

622

00:29:09,659 --> 00:29:06,010

the perfect opportunity to share that

623

00:29:11,900 --> 00:29:09,669

with him since then grant and I have

624

00:29:15,240 --> 00:29:11,910

been in communication and sharing

625

00:29:16,799 --> 00:29:15,250

research we were kind of calling

626

00:29:18,270 --> 00:29:16,809

ourselves research partners for a while

627

00:29:20,039 --> 00:29:18,280

but not really I just you know more

628

00:29:23,310 --> 00:29:20,049

loosely than that so just so people kind

629

00:29:24,720 --> 00:29:23,320

understand so I knew when grant thought

630

00:29:27,180 --> 00:29:24,730

or when he told me when he saw that

631

00:29:29,039 --> 00:29:27,190

document this immediately jumped out he

632

00:29:32,480 --> 00:29:29,049

had the same reaction to it that I did

633

00:29:38,820 --> 00:29:32,490

and then he went on to read more and

634

00:29:40,710 --> 00:29:38,830

what do you mean that I wanted to print

635

00:29:48,900 --> 00:29:40,720

it out and have in front of me but there

636

00:29:54,390 --> 00:29:48,910

is early on Wilson is saying to - Eric -

637

00:29:56,370 --> 00:29:54,400

Eric Davis he is saying okay well both

638

00:29:59,190 --> 00:29:56,380

Shannon said I can trust you you're an

639

00:30:00,690 --> 00:29:59,200

upstanding guy okay so it's the comments

640

00:30:03,900 --> 00:30:00,700

regarding oke Oke

641

00:30:04,260 --> 00:30:03,910

you know this last name initiate in and

642

00:30:06,120 --> 00:30:04,270

the way

643

00:30:09,360 --> 00:30:06,130

so okay so anyone who's seen the

644

00:30:11,400 --> 00:30:09,370

document is seen that now if I started

645

00:30:13,680 --> 00:30:11,410

to hear about this and here are people

646

00:30:15,840 --> 00:30:13,690

commenting and eventually the first I

647

00:30:19,919 --> 00:30:15,850

think it was on Sunday was the first

648

00:30:22,200 --> 00:30:19,929

post put up by Richard Dolan referencing

649

00:30:24,180 --> 00:30:22,210

this and it's this infamous smoking gun

650

00:30:26,669 --> 00:30:24,190

video that he did yeah that Richard

651
00:30:28,049 --> 00:30:26,679
don't matter and then I saw that but I

652
00:30:30,000 --> 00:30:28,059
thought wait a second everyone I

653
00:30:32,100 --> 00:30:30,010
everything I'm seeing out there is

654
00:30:33,480 --> 00:30:32,110
addressing different parts of this but

655
00:30:35,400 --> 00:30:33,490
no one's addressing this

656
00:30:38,520 --> 00:30:35,410
no one's addressing the significance of

657
00:30:40,320 --> 00:30:38,530
this and I contacted grant and he said

658
00:30:45,570 --> 00:30:40,330
yeah you know and I'm like this is weird

659
00:30:47,790 --> 00:30:45,580
you know and and so I suggested to grant

660
00:30:50,520 --> 00:30:47,800
I suggested to attorney Daniel Sheehan

661
00:30:52,380 --> 00:30:50,530
and to Randy and some other people wait

662
00:30:55,320 --> 00:30:52,390
a second I've got this Randy and I have

663
00:30:56,760 --> 00:30:55,330

this missing part I think I should jump

664

00:31:00,810 --> 00:30:56,770

in and add it because I think it's

665

00:31:04,590 --> 00:31:00,820

significant which is that it's face it

666

00:31:07,500 --> 00:31:04,600

says it says like here it is

667

00:31:08,400 --> 00:31:07,510

Admiral Wilson telling Eric okay I know

668

00:31:11,460 --> 00:31:08,410

why you're here

669

00:31:13,049 --> 00:31:11,470

Oh cannon told me all about the group he

670

00:31:16,230 --> 00:31:13,059

told me about the history told me about

671

00:31:18,780 --> 00:31:16,240

the meeting in 85 at BDM he mentions

672

00:31:22,530 --> 00:31:18,790

that in the interview he's saying at the

673

00:31:24,360 --> 00:31:22,540

meeting at BDM corporation which is in

674

00:31:27,060 --> 00:31:24,370

Virginia which happened in 85 he's

675

00:31:27,630 --> 00:31:27,070

mentioning that and he says the AP - 10

676
00:31:29,610 --> 00:31:27,640
group

677
00:31:31,890 --> 00:31:29,620
well as soon as I say AP I know that's

678
00:31:34,260 --> 00:31:31,900
the abyss physics group I do not know

679
00:31:35,790 --> 00:31:34,270
what the - 10 means in all honesty I've

680
00:31:37,290 --> 00:31:35,800
never come across that in my research

681
00:31:39,900 --> 00:31:37,300
that is new to me

682
00:31:42,360 --> 00:31:39,910
it may mean 10 people were at the

683
00:31:44,760 --> 00:31:42,370
initial meeting maybe it may mean that

684
00:31:47,669 --> 00:31:44,770
the BDM file fix your file room where

685
00:31:51,210 --> 00:31:47,679
they did this was room 10 oh I don't

686
00:31:53,460 --> 00:31:51,220
know unless to speculate about what -

687
00:31:55,500 --> 00:31:53,470
can means but it says the AP - 10 group

688
00:31:58,200 --> 00:31:55,510

and then it goes on to say with the

689

00:32:00,120 --> 00:31:58,210

initials J a and I think and then

690

00:32:02,280 --> 00:32:00,130

Shannon saying I think J is a liar and

691

00:32:04,470 --> 00:32:02,290

all this kind of stuff but blenny one

692

00:32:06,240 --> 00:32:04,480

who's read it most researchers right

693

00:32:08,460 --> 00:32:06,250

right away know that the course that

694

00:32:11,160 --> 00:32:08,470

refers to John Alexander of course yeah

695

00:32:14,700 --> 00:32:11,170

yeah and John Alexander wrote in two of

696

00:32:17,190 --> 00:32:14,710

his books most notably in UFOs myths and

697

00:32:18,180 --> 00:32:17,200

conspiracies about his involvement in

698

00:32:24,660 --> 00:32:18,190

forming this

699

00:32:28,620 --> 00:32:26,250

I have to interrupt you here for a

700

00:32:34,230 --> 00:32:28,630

second Melinda I want to make it clear

701
00:32:37,380 --> 00:32:34,240
that we are not saying that that is John

702
00:32:41,160 --> 00:32:37,390
Alexander as a fact that that is

703
00:32:42,870 --> 00:32:41,170
allegedly him because that is definitely

704
00:32:45,930 --> 00:32:42,880
one thing I don't want to do with these

705
00:32:50,820 --> 00:32:45,940
documents we don't have any proof that

706
00:32:54,320 --> 00:32:50,830
is him and I I don't want to have to

707
00:32:57,990 --> 00:32:54,330
deal with any repercussions of that okay

708
00:33:01,130 --> 00:32:58,000
that's not no I understand I understand

709
00:33:03,510 --> 00:33:01,140
okay I'll roll with you there but any

710
00:33:05,820 --> 00:33:03,520
seasoned researcher knowing this story

711
00:33:07,920 --> 00:33:05,830
certainly grant I and all the names I've

712
00:33:10,260 --> 00:33:07,930
already mentioned knew right away who

713
00:33:12,600 --> 00:33:10,270

was because again now we can state this

714

00:33:14,820 --> 00:33:12,610

on the rock on the record John Alexander

715

00:33:17,250 --> 00:33:14,830

publishes his involvement in the group

716

00:33:19,500 --> 00:33:17,260

first it comes out most notably in a

717

00:33:21,330 --> 00:33:19,510

book by Howard bloom about the history

718

00:33:22,980 --> 00:33:21,340

the group and he mentioned some of the

719

00:33:24,900 --> 00:33:22,990

names and something about it and then it

720

00:33:26,310 --> 00:33:24,910

meant an 85 and you know so the first

721

00:33:28,980 --> 00:33:26,320

one to really write about it or

722

00:33:30,660 --> 00:33:28,990

publicize it in a very open sense that

723

00:33:32,940 --> 00:33:30,670

had been talked about in some closed

724

00:33:36,330 --> 00:33:32,950

manner but openly was Howard gloom and

725

00:33:39,090 --> 00:33:36,340

then as as information gut tossed around

726

00:33:43,500 --> 00:33:39,100

in ufology about this over the years

727

00:33:45,360 --> 00:33:43,510

that I think that prompted you know John

728

00:33:46,920 --> 00:33:45,370

has entered to write about it in his

729

00:33:48,840 --> 00:33:46,930

book right like a chapter on it so you

730

00:33:50,910 --> 00:33:48,850

know here's the background and I was the

731

00:33:53,100 --> 00:33:50,920

director of it so he talks about things

732

00:33:56,010 --> 00:33:53,110

up so we could certainly fight that that

733

00:33:56,820 --> 00:33:56,020

is clearly in John's into this book he's

734

00:33:59,760 --> 00:33:56,830

talked about it

735

00:34:01,470 --> 00:33:59,770

yes and I also started I'm sorry to

736

00:34:03,360 --> 00:34:01,480

interrupt you can if you feel like you

737

00:34:05,340 --> 00:34:03,370

want to say John Alexander's name please

738

00:34:07,110 --> 00:34:05,350

do so freely just please use the word

739

00:34:10,680 --> 00:34:07,120

alleged that's all I ask

740

00:34:12,510 --> 00:34:10,690

okay because this was my group he wrote

741

00:34:14,100 --> 00:34:12,520

about it he admits that he's published

742

00:34:18,210 --> 00:34:14,110

it that's not a secret

743

00:34:20,520 --> 00:34:18,220

okay but I knew about this group many

744

00:34:23,010 --> 00:34:20,530

many years before that many years before

745

00:34:24,690 --> 00:34:23,020

how it bloomed is did I'm not I just

746

00:34:26,940 --> 00:34:24,700

can't say before he did but before he

747

00:34:28,950 --> 00:34:26,950

wrote about before he published it Randy

748

00:34:30,760 --> 00:34:28,960

and I had been following this and were

749

00:34:34,030 --> 00:34:30,770

well aware

750

00:34:36,010 --> 00:34:34,040

uh Bob Brown the original producer of

751

00:34:38,700 --> 00:34:36,020

international UFO Congress before it

752

00:34:41,020 --> 00:34:38,710

went over to open minds and then now to

753

00:34:44,260 --> 00:34:41,030

Alejandro Rojas and Karen Baird but

754

00:34:48,210 --> 00:34:44,270

before that when it was just solely open

755

00:34:51,460 --> 00:34:48,220

minds owned by genre and and before that

756

00:34:54,570 --> 00:34:51,470

for many years of course for I can give

757

00:34:58,630 --> 00:34:54,580

us 25 years it was owned and operated by

758

00:34:59,140 --> 00:34:58,640

initially Bob Brown and Colonel Wendell

759

00:35:01,270 --> 00:34:59,150

Stevens

760

00:35:03,329 --> 00:35:01,280

until Wendell's passing and then there

761

00:35:05,349 --> 00:35:03,339

was still a board of directors of

762

00:35:07,960 --> 00:35:05,359

international researchers and bought

763

00:35:12,720 --> 00:35:07,970

involved on its board of directors back

764

00:35:15,820 --> 00:35:12,730

in the early 90s they had Randy and I

765

00:35:18,460 --> 00:35:15,830

give a presentation at International UFO

766

00:35:20,829 --> 00:35:18,470

Congress about our research up to that

767

00:35:22,150 --> 00:35:20,839

date you know and I laugh now because I

768

00:35:24,280 --> 00:35:22,160

said it seemed like we're getting a

769

00:35:25,630 --> 00:35:24,290

komal a you know accumulation that this

770

00:35:28,150 --> 00:35:25,640

is our research that's what we'd come up

771

00:35:30,010 --> 00:35:28,160

with and it was like a year or two after

772

00:35:32,530 --> 00:35:30,020

the fact you know that we're finally

773

00:35:35,740 --> 00:35:32,540

going public with it little did I know

774

00:35:38,290 --> 00:35:35,750

that that would be the very beginning of

775

00:35:41,440 --> 00:35:38,300

what has continued up into this

776

00:35:44,079 --> 00:35:41,450

conversation right now you know so going

777

00:35:47,980 --> 00:35:44,089

back to reading the Wilson document that

778

00:35:50,530 --> 00:35:47,990

hit me like a ton of bricks and I think

779

00:35:53,740 --> 00:35:50,540

it's extremely significant for a number

780

00:35:55,780 --> 00:35:53,750

of reasons it's certainly significant to

781

00:35:59,320 --> 00:35:55,790

Randy and I because here is a total

782

00:36:02,950 --> 00:35:59,330

separate document possibly very

783

00:36:04,450 --> 00:36:02,960

important very possibly allegedly you

784

00:36:07,690 --> 00:36:04,460

know what you're just saying out of the

785

00:36:09,820 --> 00:36:07,700

files of Edgar Mitchell who was copied

786

00:36:11,710 --> 00:36:09,830

on these because of his involvement with

787

00:36:18,550 --> 00:36:11,720

knids at the time it all makes perfect

788

00:36:21,390 --> 00:36:18,560

logic sense and that and that after his

789

00:36:24,150 --> 00:36:21,400

passing someone took it upon themselves

790

00:36:27,040 --> 00:36:24,160

possibly at his request

791

00:36:29,140 --> 00:36:27,050

probably not but someone else who knew

792

00:36:32,710 --> 00:36:29,150

the importance and knew the timeliness

793

00:36:35,200 --> 00:36:32,720

now with the current disclosure story to

794

00:36:37,540 --> 00:36:35,210

come out with this and certainly knowing

795

00:36:39,760 --> 00:36:37,550

his involvement in the current story

796

00:36:41,230 --> 00:36:39,770

which I can explain more in a minute to

797

00:36:43,570 --> 00:36:41,240

connect and you between this really

798

00:36:44,320 --> 00:36:43,580

quick Richard Dolan has said he saw a

799

00:36:46,330 --> 00:36:44,330

couple page

800

00:36:48,550 --> 00:36:46,340

of these documents more than ten years

801
00:36:51,190 --> 00:36:48,560
ago which is well before Edgar Mitchell

802
00:36:52,990 --> 00:36:51,200
passed away I'm not I'm not aware that

803
00:36:54,610 --> 00:36:53,000
he's saying more than ten years ago if

804
00:36:56,620 --> 00:36:54,620
he has said that like that's news to me

805
00:36:58,210 --> 00:36:56,630
okay I thought it was more recent with I

806
00:37:00,550 --> 00:36:58,220
thought he said like ten months ago

807
00:37:03,760 --> 00:37:00,560
my understanding is Richard Dolan was

808
00:37:06,910 --> 00:37:03,770
handed two pages ten months ago which

809
00:37:09,400 --> 00:37:06,920
was well after when Grant was given his

810
00:37:11,800 --> 00:37:09,410
set but grant for a lot of reasons

811
00:37:14,620 --> 00:37:11,810
mostly at Michael's directions sat on

812
00:37:16,810 --> 00:37:14,630
his we understand that

813
00:37:18,100 --> 00:37:16,820

Richard sat on his he only had two pages

814

00:37:19,720 --> 00:37:18,110

he was wondering if more was going to

815

00:37:22,750 --> 00:37:19,730

come out he didn't know what to make of

816

00:37:24,670 --> 00:37:22,760

it he was just kind of waiting to see

817

00:37:26,170 --> 00:37:24,680

you know is there more what do I do you

818

00:37:28,240 --> 00:37:26,180

know kind of thing and he only had two

819

00:37:30,730 --> 00:37:28,250

pages of it is what he says which I

820

00:37:34,000 --> 00:37:30,740

believe him and I'm fairly certain he

821

00:37:36,520 --> 00:37:34,010

says like ten months ago okay so going

822

00:37:38,530 --> 00:37:36,530

back to so that paragraph immediately

823

00:37:40,630 --> 00:37:38,540

hits me just like it did Grant when he

824

00:37:42,430 --> 00:37:40,640

was handed it leaving the Star Wars

825

00:37:44,230 --> 00:37:42,440

conference year-and-a-half ago or two

826

00:37:47,020 --> 00:37:44,240

years ago yeah so the same thing so

827

00:37:49,180 --> 00:37:47,030

Stuart strikes me and I'm like wait a

828

00:37:51,700 --> 00:37:49,190

second and I instantly saw up Shannon's

829

00:37:54,910 --> 00:37:51,710

name I had known about that name and its

830

00:37:57,250 --> 00:37:54,920

existence in the group prior okay we

831

00:37:59,860 --> 00:37:57,260

Randy and I'd compiled from multiple

832

00:38:01,720 --> 00:37:59,870

sources a list of names that we were

833

00:38:04,630 --> 00:38:01,730

certain of and so a few others that were

834

00:38:07,300 --> 00:38:04,640

probable and so on Howard bloom release

835

00:38:09,220 --> 00:38:07,310

names it verified what we had and then

836

00:38:11,350 --> 00:38:09,230

John Alexander which added a few more

837

00:38:13,270 --> 00:38:11,360

names and it verified what we had in

838

00:38:17,530 --> 00:38:13,280

conjunction with others that neither of

839

00:38:19,540 --> 00:38:17,540

them have mentioned if you've got all

840

00:38:22,120 --> 00:38:19,550

this couldn't also a hoax or have gotten

841

00:38:24,250 --> 00:38:22,130

all this and ginned up this particular

842

00:38:25,600 --> 00:38:24,260

document this Wilson document and it

843

00:38:26,920 --> 00:38:25,610

just happened to fall into the hands of

844

00:38:28,660 --> 00:38:26,930

Edgar Mitchell I mean he's got to keep

845

00:38:33,820 --> 00:38:28,670

that but just because it was in his

846

00:38:37,090 --> 00:38:33,830

possession doesn't make it I really

847

00:38:39,250 --> 00:38:37,100

we really feel Frank you know and and

848

00:38:42,280 --> 00:38:39,260

I'm talking about all those names I've

849

00:38:46,390 --> 00:38:42,290

mentioned very feel very certain you

850

00:38:49,570 --> 00:38:46,400

know that that especially with Grant

851

00:38:52,570 --> 00:38:49,580

releasing the the third letter that this

852

00:38:55,810 --> 00:38:52,580

is from the files of Edgar Mitchell who

853

00:38:57,460 --> 00:38:55,820

got copied while with knids on knids

854

00:38:58,859 --> 00:38:57,470

correspondence at the time that's not a

855

00:39:02,230 --> 00:38:58,869

big mystery

856

00:39:04,660 --> 00:39:02,240

copied on the course on it no no it's

857

00:39:06,400 --> 00:39:04,670

not a problem it's not a problem but the

858

00:39:09,700 --> 00:39:06,410

Wilson document is the one that really

859

00:39:13,839 --> 00:39:09,710

has the eioping material and and this

860

00:39:17,830 --> 00:39:13,849

speaks to why Eric was there Eric was

861

00:39:19,990 --> 00:39:17,840

currently paid by Bigelow and part of he

862

00:39:22,810 --> 00:39:20,000

was he was actually on the board for

863

00:39:28,000 --> 00:39:22,820

knids at the time so Eric was involved

864

00:39:30,700 --> 00:39:28,010

in this and so when when Admiral Wilson

865

00:39:32,470 --> 00:39:30,710

is saying ok an intone me all about the

866

00:39:34,810 --> 00:39:32,480

history of the group I know about the

867

00:39:37,480 --> 00:39:34,820

history I know about the meeting at BDM

868

00:39:41,620 --> 00:39:37,490

and he's letting Eric know it's ok to

869

00:39:43,660 --> 00:39:41,630

talk about this folk clued me in ok so

870

00:39:46,150 --> 00:39:43,670

it's very obviously saying Oh clued me

871

00:39:48,849 --> 00:39:46,160

in I know about the history now what was

872

00:39:51,040 --> 00:39:48,859

news to Randy and I it's yes we know

873

00:39:55,780 --> 00:39:51,050

about Eric's involvement with niz I

874

00:39:58,990 --> 00:39:55,790

never had anything saying that Eric had

875

00:40:01,990 --> 00:39:59,000

involvement in the working group which

876

00:40:05,050 --> 00:40:02,000

goes back to 85 but here Wilson is

877

00:40:07,060 --> 00:40:05,060

saying oh Shannon told me I know all

878

00:40:08,980 --> 00:40:07,070

about it in other words he's - he's

879

00:40:10,750 --> 00:40:08,990

letting Eric know I know about the

880

00:40:13,300 --> 00:40:10,760

history and all about it suggesting that

881

00:40:15,880 --> 00:40:13,310

at the very least and not just

882

00:40:16,270 --> 00:40:15,890

suggesting it absolutely stating and it

883

00:40:18,640 --> 00:40:16,280

worked

884

00:40:20,050 --> 00:40:18,650

greatly implied that Eric knew all about

885

00:40:22,570 --> 00:40:20,060

the history knew all about it

886

00:40:25,870 --> 00:40:22,580

and that's also implying that maybe

887

00:40:28,329 --> 00:40:25,880

Erika's involved I that's a reach but I

888

00:40:31,540 --> 00:40:28,339

can say okay he's clearly letting Eric

889

00:40:33,700 --> 00:40:31,550

know I know about the history I and and

890

00:40:35,140 --> 00:40:33,710

the reference to Jay a you know there

891

00:40:40,810 --> 00:40:35,150

you go who was director of the group

892

00:40:41,620 --> 00:40:40,820

okay so that is Wilson saying I agree to

893

00:40:44,200 --> 00:40:41,630

talk to you

894

00:40:46,870 --> 00:40:44,210

Oh Janet said I can trust you your good

895

00:40:49,329 --> 00:40:46,880

guy you know security oaths blah blah

896

00:40:52,690 --> 00:40:49,339

blah you're totally reliable and that

897

00:40:55,329 --> 00:40:52,700

you know all this part which is the

898

00:40:56,890 --> 00:40:55,339

history of the group so suddenly for the

899

00:41:00,130 --> 00:40:56,900

first time in Randy's in my research

900

00:41:02,500 --> 00:41:00,140

there's a link linking Eric to that

901
00:41:04,150 --> 00:41:02,510
knowledge okay if not involvement at

902
00:41:07,120 --> 00:41:04,160
least to knowing its history but that

903
00:41:09,970 --> 00:41:07,130
would make sense being his activity with

904
00:41:12,010 --> 00:41:09,980
MS and all the way to the present with

905
00:41:13,630 --> 00:41:12,020
his working with hell and it's

906
00:41:16,090 --> 00:41:13,640
dr. Adam project going to everything

907
00:41:18,790 --> 00:41:16,100
that he would know all that is not a

908
00:41:20,440 --> 00:41:18,800
mystery but what makes this significant

909
00:41:23,650 --> 00:41:20,450
to at least Randy and I here's a piece

910
00:41:26,710 --> 00:41:23,660
of documentation supporting that so it's

911
00:41:28,570 --> 00:41:26,720
not just theory that is what is so

912
00:41:31,210 --> 00:41:28,580
important about the Wilson document are

913
00:41:34,810 --> 00:41:31,220

all three of these dots is it shows the

914

00:41:38,170 --> 00:41:34,820

depth of knowledge and interest by these

915

00:41:40,480 --> 00:41:38,180

individuals and a lot of things that

916

00:41:43,600 --> 00:41:40,490

have been speculated at for yours or

917

00:41:47,080 --> 00:41:43,610

hinted to we now have documentation in

918

00:41:49,840 --> 00:41:47,090

support of so these become now evidence

919

00:41:52,900 --> 00:41:49,850

to back up what many people already knew

920

00:41:55,270 --> 00:41:52,910

but that's I'm gonna ask the question I

921

00:41:59,110 --> 00:41:55,280

don't think that equals evidence

922

00:42:02,140 --> 00:41:59,120

necessarily I'll tell you why if these

923

00:42:05,170 --> 00:42:02,150

documents did come from Edgar Mitchell's

924

00:42:08,440 --> 00:42:05,180

files which by the way do we have

925

00:42:10,210 --> 00:42:08,450

evidence that they came from his files

926
00:42:11,950 --> 00:42:10,220
that's just a yes or no question do we

927
00:42:14,020 --> 00:42:11,960
have evidence that these letters can't

928
00:42:17,800 --> 00:42:14,030
the Bigelow letter the Bigelow letter is

929
00:42:20,620 --> 00:42:17,810
addressed to him I'm asking about say

930
00:42:23,200 --> 00:42:20,630
for example the alien autopsy memo and

931
00:42:26,440 --> 00:42:23,210
also The Smoking Gun don't because

932
00:42:28,540 --> 00:42:26,450
because because Edgar Mitchell is in

933
00:42:30,670 --> 00:42:28,550
that list of people that would have died

934
00:42:34,030 --> 00:42:30,680
no but you know that wouldn't be feed on

935
00:42:35,980 --> 00:42:34,040
stuff but do we have I know that but we

936
00:42:36,880 --> 00:42:35,990
have Edgar Mitchell was a member of knit

937
00:42:39,490 --> 00:42:36,890
that's not a secret

938
00:42:41,980 --> 00:42:39,500

I mean as a consulting member of MIT I'd

939

00:42:46,210 --> 00:42:41,990

never asked that I asked do we have

940

00:42:49,420 --> 00:42:46,220

evidence if these letters came from the

941

00:42:53,320 --> 00:42:49,430

estate of Edgar Mitchell his files we

942

00:42:55,900 --> 00:42:53,330

have we have evidence in that one of the

943

00:42:58,180 --> 00:42:55,910

documents is address but it's not the

944

00:43:00,370 --> 00:42:58,190

alien autopsy doc and it's not the

945

00:43:05,170 --> 00:43:00,380

smoking no doc I know it right okay so

946

00:43:08,920 --> 00:43:05,180

we were given I was given a grant at the

947

00:43:17,170 --> 00:43:08,930

same time together I understand that but

948

00:43:18,430 --> 00:43:17,180

let's be clear there has been what

949

00:43:20,740 --> 00:43:18,440

you're saying and I know you're trying

950

00:43:23,710 --> 00:43:20,750

to be clear but I think I need to move a

951
00:43:25,720 --> 00:43:23,720
little thank you because I go Christian

952
00:43:28,570 --> 00:43:25,730
does not mean I'm belittling

953
00:43:31,210 --> 00:43:28,580
the reason yes okay and I guess you can

954
00:43:32,890 --> 00:43:31,220
I'm sorry it is because a seat this is

955
00:43:34,240 --> 00:43:32,900
the thing I want to make this clear to

956
00:43:37,930 --> 00:43:34,250
everybody who's listening to this

957
00:43:40,990 --> 00:43:37,940
broadcast when a researcher asks for

958
00:43:41,890 --> 00:43:41,000
evidence there should be nothing wrong

959
00:43:44,970 --> 00:43:41,900
with that

960
00:43:49,060 --> 00:43:44,980
now when I ask whether there's evidence

961
00:43:51,190 --> 00:43:49,070
regarding the alien autopsy doc and the

962
00:43:57,070 --> 00:43:51,200
smoking gun doc also known as a core

963
00:43:59,800 --> 00:43:57,080

secret stock that Michael J Hall went

964

00:44:01,420 --> 00:43:59,810

ahead and went over with us a few times

965

00:44:03,700 --> 00:44:01,430

I think in three different broadcasts

966

00:44:05,290 --> 00:44:03,710

actually three different shows if people

967

00:44:07,090 --> 00:44:05,300

don't know what they are I'll go ahead

968

00:44:11,440 --> 00:44:07,100

and provide links to those later in our

969

00:44:14,470 --> 00:44:11,450

broadcast that smoking gun talk details

970

00:44:15,970 --> 00:44:14,480

a journal of Eric Davis talking about

971

00:44:17,980 --> 00:44:15,980

certain things and then in the middle

972

00:44:21,700 --> 00:44:17,990

and ejected in the middle of that 15 or

973

00:44:24,640 --> 00:44:21,710

17 page Journal allegedly written by

974

00:44:28,270 --> 00:44:24,650

Eric Davis there is a letter allegedly

975

00:44:31,150 --> 00:44:28,280

written by Miller to Eric Davis and that

976

00:44:34,570 --> 00:44:31,160

doc and the alien autopsy doc which

977

00:44:38,800 --> 00:44:34,580

allegedly was a series of emails by kit

978

00:44:41,440 --> 00:44:38,810

green : okay all right okay and I chose

979

00:44:43,330 --> 00:44:41,450

your thing there's no evidence to PI and

980

00:44:46,120 --> 00:44:43,340

I want to add it to the evidence that I

981

00:44:48,130 --> 00:44:46,130

have so let's dial this man let me to

982

00:44:49,960 --> 00:44:48,140

say I don't ask me to speculate on

983

00:44:53,860 --> 00:44:49,970

things I don't I'm not asked all I can

984

00:44:56,470 --> 00:44:53,870

say in third in grants possession is

985

00:44:58,780 --> 00:44:56,480

addressed to Edgar Mitchell right yeah I

986

00:45:01,750 --> 00:44:58,790

know gentlemen who knew Edgar Mitch look

987

00:45:04,060 --> 00:45:01,760

closely I thought who had conversations

988

00:45:05,050 --> 00:45:04,070

with them regarding these mainly raised

989

00:45:07,540 --> 00:45:05,060

and renowned us

990

00:45:09,430 --> 00:45:07,550

I just asked ray Hernandez says I'm

991

00:45:12,730 --> 00:45:09,440

aware of these things all being in

992

00:45:15,580 --> 00:45:12,740

Edgar's possession we talked about them

993

00:45:18,550 --> 00:45:15,590

Edgar talked about his communications

994

00:45:21,340 --> 00:45:18,560

with nibs and he and he says different

995

00:45:25,090 --> 00:45:21,350

absolutely it has been with objects that

996

00:45:26,020 --> 00:45:25,100

air that and that dr. Mitchell had in

997

00:45:29,620 --> 00:45:26,030

his possession

998

00:45:31,960 --> 00:45:29,630

okay so there's an internal logic here

999

00:45:34,480 --> 00:45:31,970

I'm just saying this is what it looks

1000

00:45:36,820 --> 00:45:34,490

like I'm okay I know what you're saying

1001
00:45:39,460 --> 00:45:36,830
I can't produce that let me get back to

1002
00:45:41,800 --> 00:45:39,470
the evidence that I do have okay

1003
00:45:44,230 --> 00:45:41,810
had I had a question and that is part

1004
00:45:47,800 --> 00:45:44,240
this part and parcel of my question if

1005
00:45:50,320 --> 00:45:47,810
there is no evidence to provide that the

1006
00:45:55,359 --> 00:45:50,330
alien autopsy doc and the smoking gun

1007
00:45:57,700 --> 00:45:55,369
doc was actually retrieved through like

1008
00:45:59,500 --> 00:45:57,710
if there's no proof of that or evidence

1009
00:46:03,490 --> 00:45:59,510
that they were actually retrieved from

1010
00:46:08,560 --> 00:46:03,500
Edgar Mitchell's files or his estate I

1011
00:46:10,599 --> 00:46:08,570
mean real evidence okay okay that's

1012
00:46:11,980 --> 00:46:10,609
we're talking about but again I don't

1013
00:46:13,599 --> 00:46:11,990

know so I can just sit here and say I

1014

00:46:16,480 --> 00:46:13,609

don't know I'm not on the interviewed so

1015

00:46:18,370 --> 00:46:16,490

it's I I don't know I still have to make

1016

00:46:20,380 --> 00:46:18,380

my point I when I'm clear I don't know

1017

00:46:23,790 --> 00:46:20,390

so okay all I can say it's the third

1018

00:46:27,460 --> 00:46:23,800

piece that was given all as one grouping

1019

00:46:32,950 --> 00:46:27,470

okay what clearly states that it was

1020

00:46:35,710 --> 00:46:32,960

sent to Edgar Mitchell I think that

1021

00:46:36,880 --> 00:46:35,720

certain range being familiar right okay

1022

00:46:37,420 --> 00:46:36,890

so you have just right here named as

1023

00:46:39,180 --> 00:46:37,430

yourself

1024

00:46:42,010 --> 00:46:39,190

you should have mine Rey Hernandez

1025

00:46:43,810 --> 00:46:42,020

familiarity with his closeness with dr.

1026
00:46:45,730 --> 00:46:43,820
Mitchell to know that these documents

1027
00:46:49,870 --> 00:46:45,740
were something that Eric Mitchell had

1028
00:46:52,150 --> 00:46:49,880
can I say anything about the Wilson

1029
00:46:53,589 --> 00:46:52,160
document though did he say that was the

1030
00:46:56,620 --> 00:46:53,599
kind of thing that he knew that thank

1031
00:46:58,480 --> 00:46:56,630
you yeah yes yes without it he went to

1032
00:47:00,609 --> 00:46:58,490
the history because he was so close to

1033
00:47:02,500 --> 00:47:00,619
earth Mitchell he had interviewed Eric

1034
00:47:05,020 --> 00:47:02,510
Mitchell on the record multiple times

1035
00:47:08,339 --> 00:47:05,030
about that meeting with Greer and about

1036
00:47:13,450 --> 00:47:08,349
Eric Mitchell's personal relationship to

1037
00:47:15,430 --> 00:47:13,460
Willard Miller okay so so he knows all

1038
00:47:19,000 --> 00:47:15,440

about that he interviewed and had many

1039

00:47:19,570 --> 00:47:19,010

discussions with dr. Mitchell regarding

1040

00:47:21,990 --> 00:47:19,580

these things

1041

00:47:26,349 --> 00:47:22,000

okay I'm gonna stick to I have

1042

00:47:29,530 --> 00:47:26,359

documentation from about that original

1043

00:47:32,440 --> 00:47:29,540

BDM meeting from one of the individuals

1044

00:47:34,900 --> 00:47:32,450

who was present at it who I became

1045

00:47:37,930 --> 00:47:34,910

friends with I don't mind saying his

1046

00:47:42,760 --> 00:47:37,940

name now it's late late Jack out dr.

1047

00:47:45,760 --> 00:47:42,770

Jack out okay and he and and after being

1048

00:47:49,780 --> 00:47:45,770

his friend upon his passing I don't want

1049

00:47:51,670 --> 00:47:49,790

to go into great deal here but another

1050

00:47:52,800 --> 00:47:51,680

friend of mine and I doing research on

1051

00:47:57,750 --> 00:47:52,810

this

1052

00:48:01,410 --> 00:47:57,760

we're given a file that he had had at

1053

00:48:04,400 --> 00:48:01,420

home basically to go through now he had

1054

00:48:08,040 --> 00:48:04,410

a big interest and involvement in

1055

00:48:14,160 --> 00:48:08,050

psychokinesis and was a researcher and

1056

00:48:17,100 --> 00:48:14,170

scientist in that etc he is a space

1057

00:48:19,440 --> 00:48:17,110

engineer scientist heading up projects

1058

00:48:22,860 --> 00:48:19,450

for I'll go and say it for Boeing or

1059

00:48:25,230 --> 00:48:22,870

aerospace at the time and etc now my

1060

00:48:28,620 --> 00:48:25,240

friend and I were mostly interested at

1061

00:48:30,180 --> 00:48:28,630

that moment in the documents the

1062

00:48:33,870 --> 00:48:30,190

training manuals and the stuff he has

1063

00:48:36,900 --> 00:48:33,880

had on psychokinesis and his family knew

1064

00:48:39,870 --> 00:48:36,910

that and provided some stuff to us but

1065

00:48:42,030 --> 00:48:39,880

my friend knowing enough about what

1066

00:48:45,140 --> 00:48:42,040

Randy and I had already come across with

1067

00:48:49,620 --> 00:48:45,150

the working group for many years found

1068

00:48:52,740 --> 00:48:49,630

certain documents that jumped out naming

1069

00:48:56,250 --> 00:48:52,750

specifically the meeting at BDM some

1070

00:48:58,950 --> 00:48:56,260

handwritten notes by Jack an agenda of

1071

00:49:02,580 --> 00:48:58,960

the meeting minutes for the meeting and

1072

00:49:05,190 --> 00:49:02,590

overhead projection transparency that

1073

00:49:07,080 --> 00:49:05,200

had been made into copies that jacket

1074

00:49:08,130 --> 00:49:07,090

either copied to transparencies and/or

1075

00:49:09,750 --> 00:49:08,140

at the time of the meeting had been

1076

00:49:11,370 --> 00:49:09,760

given to the plastic things weren't in

1077

00:49:12,720 --> 00:49:11,380

there you know because it was back in 85

1078

00:49:15,570 --> 00:49:12,730

there's no such thing as PowerPoint you

1079

00:49:17,430 --> 00:49:15,580

know so he was given probably for the

1080

00:49:22,290 --> 00:49:17,440

meeting a copy said of the transparency

1081

00:49:24,840 --> 00:49:22,300

so and and the state about the group its

1082

00:49:28,280 --> 00:49:24,850

objectives and motives and everything

1083

00:49:31,770 --> 00:49:28,290

which now come into play because that

1084

00:49:34,430 --> 00:49:31,780

meeting specifically and oak Shannon was

1085

00:49:37,200 --> 00:49:34,440

in attendance that is all specifically

1086

00:49:40,020 --> 00:49:37,210

mentioned by Wilson in the interview

1087

00:49:42,350 --> 00:49:40,030

with with dr. with dr. Davis so it

1088

00:49:45,330 --> 00:49:42,360

specifically mentioned and and I have

1089

00:49:48,240 --> 00:49:45,340

the documentation saying at least that

1090

00:49:50,940 --> 00:49:48,250

meeting happened okay

1091

00:49:53,930 --> 00:49:50,950

multiple things from it you know that

1092

00:49:56,730 --> 00:49:53,940

that that had happened that was now

1093

00:49:58,770 --> 00:49:56,740

Randy and I do not believe that that was

1094

00:50:01,880 --> 00:49:58,780

necessary the absolute kickoff of this

1095

00:50:05,070 --> 00:50:01,890

group they may have existed before that

1096

00:50:06,390 --> 00:50:05,080

and I can get into this whole big story

1097

00:50:07,920 --> 00:50:06,400

of what we have that goes

1098

00:50:10,800 --> 00:50:07,930

or that but it almost doesn't matter but

1099

00:50:14,270 --> 00:50:10,810

that they these are regrouped or

1100

00:50:16,380 --> 00:50:14,280

formulated and and came up with plans

1101
00:50:19,020 --> 00:50:16,390
and everything you know like maybe it

1102
00:50:21,090 --> 00:50:19,030
was just kind of a regather inori

1103
00:50:24,420 --> 00:50:21,100
branding or you know you know but

1104
00:50:29,070 --> 00:50:24,430
kicking off a new a new you know new

1105
00:50:32,160 --> 00:50:29,080
projects in this meeting in 85 and and

1106
00:50:33,690 --> 00:50:32,170
so when this Wilson document when the

1107
00:50:36,210 --> 00:50:33,700
Wilson interview mentioned that I

1108
00:50:37,890 --> 00:50:36,220
realized I have documentation to at

1109
00:50:41,690 --> 00:50:37,900
least support that that happen

1110
00:50:44,880 --> 00:50:41,700
now I do know that the working group

1111
00:50:47,070 --> 00:50:44,890
morphed over the time people came in and

1112
00:50:49,920 --> 00:50:47,080
out and it went on for years

1113
00:50:52,590 --> 00:50:49,930

and it got Bigelow involved and Bigelow

1114

00:50:56,640 --> 00:50:52,600

was funding projects and things these

1115

00:50:59,430 --> 00:50:56,650

guys were doing and and then it became

1116

00:51:02,370 --> 00:50:59,440

at one point missed so there was kind of

1117

00:51:03,870 --> 00:51:02,380

a morphing in tune it's of course anyone

1118

00:51:06,570 --> 00:51:03,880

who studied the history of the current

1119

00:51:09,660 --> 00:51:06,580

disclosure story most that knids morphed

1120

00:51:12,780 --> 00:51:09,670

into bass bass worked into a SAP and a

1121

00:51:14,850 --> 00:51:12,790

tip and and then begat you know to the

1122

00:51:16,650 --> 00:51:14,860

Stars Academy so there's there's an

1123

00:51:19,200 --> 00:51:16,660

overlap it's not like one ends one

1124

00:51:21,600 --> 00:51:19,210

begins I actually have a timeline in

1125

00:51:23,690 --> 00:51:21,610

that presentation that I gave you guys

1126

00:51:26,400 --> 00:51:23,700

believe for the 40 year history

1127

00:51:29,730 --> 00:51:26,410

presentation where I have actually

1128

00:51:32,700 --> 00:51:29,740

grafted this out with what seems to be

1129

00:51:35,160 --> 00:51:32,710

about when projects and groups began

1130

00:51:37,050 --> 00:51:35,170

when they might have loosely ended are

1131

00:51:39,450 --> 00:51:37,060

being quoted by members of ending versus

1132

00:51:42,030 --> 00:51:39,460

them still doing stuff and I have it

1133

00:51:44,160 --> 00:51:42,040

grafted out but even if you tasted the

1134

00:51:46,800 --> 00:51:44,170

dates that these guys say it existed

1135

00:51:48,420 --> 00:51:46,810

till here there's overlap wasn't like

1136

00:51:51,060 --> 00:51:48,430

mids end in a year later but you know

1137

00:51:54,780 --> 00:51:51,070

bass begins there being clearly

1138

00:51:58,110 --> 00:51:54,790

overlapped by you know but here's even

1139

00:52:01,710 --> 00:51:58,120

clearer overlap so so I have that

1140

00:52:03,540 --> 00:52:01,720

grafted out and then it's but it's you

1141

00:52:06,420 --> 00:52:03,550

know where do I get my daddy you know

1142

00:52:09,030 --> 00:52:06,430

Randy and eyes very detailed research

1143

00:52:11,760 --> 00:52:09,040

for 28 years and it's not it's not a

1144

00:52:13,620 --> 00:52:11,770

little data it's a lot so and my

1145

00:52:16,650 --> 00:52:13,630

interviewing individuals involved I

1146

00:52:19,230 --> 00:52:16,660

ended up becoming friends with some of

1147

00:52:21,450 --> 00:52:19,240

the individuals involved which goes to

1148

00:52:24,299 --> 00:52:21,460

this very

1149

00:52:26,549 --> 00:52:24,309

and at times they were guarded in

1150

00:52:32,819 --> 00:52:26,559

answering questions and at times they've

1151
00:52:35,579 --> 00:52:32,829
been very candid and and so so again

1152
00:52:37,710 --> 00:52:35,589
this jumped out at me at that point I

1153
00:52:41,370 --> 00:52:37,720
talked to some of the key researchers

1154
00:52:43,920 --> 00:52:41,380
and they said you need to add your too

1155
00:52:45,779 --> 00:52:43,930
thin sense on this and what you know at

1156
00:52:48,329 --> 00:52:45,789
least that I have the proof of that

1157
00:52:51,059 --> 00:52:48,339
meeting because why is that important

1158
00:52:52,589 --> 00:52:51,069
relationship to the Wilson document it's

1159
00:52:55,710 --> 00:52:52,599
important because it speaks to the

1160
00:53:03,809 --> 00:52:55,720
motive of why Eric is there literally

1161
00:53:05,880 --> 00:53:03,819
his and again you know you just to jump

1162
00:53:08,400 --> 00:53:05,890
in really quick what it seems like is

1163
00:53:10,079 --> 00:53:08,410

that you're looking at to validate these

1164

00:53:11,789 --> 00:53:10,089

documents and then not looking at them

1165

00:53:14,760 --> 00:53:11,799

or live the Wilson document at all

1166

00:53:15,480 --> 00:53:14,770

critically no no that's not true don't

1167

00:53:22,710 --> 00:53:15,490

even go there

1168

00:53:24,809 --> 00:53:22,720

came forward stop right no you're

1169

00:53:29,220 --> 00:53:24,819

reading stuff in and anyone who knows me

1170

00:53:31,349 --> 00:53:29,230

well thank you and I haven't talked

1171

00:53:32,760 --> 00:53:31,359

about this you don't know what my actual

1172

00:53:34,980 --> 00:53:32,770

feelings and thoughts are on this so

1173

00:53:39,150 --> 00:53:34,990

please please don't go there I am saying

1174

00:53:41,370 --> 00:53:39,160

that I asked others I said I have a

1175

00:53:43,730 --> 00:53:41,380

piece of information regarding that BDM

1176
00:53:46,500 --> 00:53:43,740
meeting happening and so other people

1177
00:53:48,089 --> 00:53:46,510
said including Daniel Sheehan said I

1178
00:53:50,220 --> 00:53:48,099
think you should come forward with that

1179
00:53:52,740 --> 00:53:50,230
I think it's important because I can say

1180
00:53:57,029 --> 00:53:52,750
that that happens okay now I can also

1181
00:53:59,760 --> 00:53:57,039
say that speaks to the motivation of why

1182
00:54:02,970 --> 00:53:59,770
Eric would have been there because it

1183
00:54:06,089 --> 00:54:02,980
was done by knit they said interview

1184
00:54:07,980 --> 00:54:06,099
this guy and Shannon is making reference

1185
00:54:09,839 --> 00:54:07,990
or Wilson is to the working group to say

1186
00:54:12,089 --> 00:54:09,849
oh Shannon told me about the whole

1187
00:54:14,099 --> 00:54:12,099
history I know so it's okay its Affairs

1188
00:54:14,609 --> 00:54:14,109

we can talk about that I know about it

1189

00:54:18,720 --> 00:54:14,619

already

1190

00:54:20,730 --> 00:54:18,730

Oh clued me in and then obviously Wilson

1191

00:54:23,730 --> 00:54:20,740

is bringing that up because that speaks

1192

00:54:27,210 --> 00:54:23,740

to the motivation of why eric is there

1193

00:54:29,490 --> 00:54:27,220

and why would he have typed up his notes

1194

00:54:33,870 --> 00:54:29,500

from this it's because he knows he's

1195

00:54:35,940 --> 00:54:33,880

going to share copies with MS

1196

00:54:38,880 --> 00:54:35,950

sent him to the meeting he's going to

1197

00:54:41,340 --> 00:54:38,890

share them copies and I have I've talked

1198

00:54:43,140 --> 00:54:41,350

to five six key researchers on this and

1199

00:54:45,300 --> 00:54:43,150

as soon as I bring this up they say

1200

00:54:47,580 --> 00:54:45,310

absolutely that totally speaks to the

1201
00:54:50,340 --> 00:54:47,590
motivation it makes perfect congruence

1202
00:54:53,130 --> 00:54:50,350
sense what would have put him there was

1203
00:54:55,020 --> 00:54:53,140
mid sent him you know to do this okay

1204
00:54:56,640 --> 00:54:55,030
because of oak Shannon saying hey this

1205
00:54:59,550 --> 00:54:56,650
guy wants to talk to you because it was

1206
00:55:02,940 --> 00:54:59,560
years later the original meeting and and

1207
00:55:05,370 --> 00:55:02,950
and Wilson's digging into stuff

1208
00:55:08,130 --> 00:55:05,380
obviously happened over the many years

1209
00:55:12,930 --> 00:55:08,140
preceding that so this interview didn't

1210
00:55:14,580 --> 00:55:12,940
happen till 2002 but 2002 was when knids

1211
00:55:18,090 --> 00:55:14,590
was very active so it makes perfect

1212
00:55:19,830 --> 00:55:18,100
sense okay mids is active you know and

1213
00:55:22,140 --> 00:55:19,840

and then baths so bathroom needs are

1214

00:55:23,940 --> 00:55:22,150

active there's a direct connection here

1215

00:55:26,580 --> 00:55:23,950

basses active at the things I you know

1216

00:55:29,430 --> 00:55:26,590

this is active at the point that Eric

1217

00:55:31,320 --> 00:55:29,440

goes and does this and it's no mystery

1218

00:55:33,630 --> 00:55:31,330

it's well established that Eric was a

1219

00:55:36,780 --> 00:55:33,640

member of knit so so there you go so

1220

00:55:39,990 --> 00:55:36,790

they sent him he interviews the guy he

1221

00:55:41,420 --> 00:55:40,000

makes notes because he they're you know

1222

00:55:44,130 --> 00:55:41,430

that's what he's gonna give everyone

1223

00:55:45,810 --> 00:55:44,140

Aaron is also a member of a Pheo the

1224

00:55:48,780 --> 00:55:45,820

association of former intelligence

1225

00:55:52,680 --> 00:55:48,790

officers and that is the imported reason

1226
00:55:56,460 --> 00:55:52,690
for the the Admiral for being there I'm

1227
00:55:58,890 --> 00:55:56,470
a Wilson well but Admiral Wilson is

1228
00:56:00,840 --> 00:55:58,900
saying okay Shannon says I should talk

1229
00:56:02,940 --> 00:56:00,850
to you and he's talking all about the

1230
00:56:05,310 --> 00:56:02,950
working group so it there's it actually

1231
00:56:06,870 --> 00:56:05,320
says in the document I know about the

1232
00:56:07,800 --> 00:56:06,880
working group he's basically saying I

1233
00:56:13,200 --> 00:56:07,810
know why you're here

1234
00:56:15,210 --> 00:56:13,210
I mean clearly Wilson in Vegas on the

1235
00:56:19,770 --> 00:56:15,220
date have you been able to do that I

1236
00:56:22,680 --> 00:56:19,780
don't know anything about that well a

1237
00:56:24,360 --> 00:56:22,690
place tonight well okay no it doesn't

1238
00:56:27,050 --> 00:56:24,370

place him there and what I said was that

1239

00:56:30,240 --> 00:56:27,060

there Eric is a member of a Pheo and

1240

00:56:32,400 --> 00:56:30,250

that is the reason that that Wilson

1241

00:56:35,910 --> 00:56:32,410

gives in the notes that he is in Vegas

1242

00:56:39,120 --> 00:56:35,920

part to help out have now now here's

1243

00:56:45,930 --> 00:56:39,130

another thing I have additional evidence

1244

00:56:47,730 --> 00:56:45,940

in that what I went on in great depth

1245

00:56:50,490 --> 00:56:47,740

about and I don't wish to cut

1246

00:56:52,859 --> 00:56:50,500

much time about it tonight it's last

1247

00:56:57,839 --> 00:56:52,869

night in the last hour and a half of

1248

00:56:59,250 --> 00:56:57,849

Dave Scott radio program called you know

1249

00:57:01,800 --> 00:56:59,260

with it spaced out written about radio

1250

00:57:04,290 --> 00:57:01,810

it's baked out ready with Dave Scott for

1251
00:57:07,079 --> 00:57:04,300
the I was he wanted me on the whole time

1252
00:57:09,120 --> 00:57:07,089
I had one of my UFO sighting tours with

1253
00:57:10,560 --> 00:57:09,130
a large group of people when I tried to

1254
00:57:13,109 --> 00:57:10,570
change the date so I'd be able to do

1255
00:57:15,630 --> 00:57:13,119
this with them these people and for me

1256
00:57:17,880 --> 00:57:15,640
that was their only night to town and

1257
00:57:19,200 --> 00:57:17,890
that they came just to do my tour so of

1258
00:57:21,180 --> 00:57:19,210
course I'm gonna do that for him

1259
00:57:24,089 --> 00:57:21,190
so I let Dave know okay I can only go on

1260
00:57:26,280 --> 00:57:24,099
at the end I came on for the last about

1261
00:57:29,130 --> 00:57:26,290
an hour and a half last hour and a half

1262
00:57:30,870 --> 00:57:29,140
and before that my research associate

1263
00:57:33,599 --> 00:57:30,880

and dear friend Laurie and Fenton was on

1264

00:57:35,460 --> 00:57:33,609

and as guests and they said is if you

1265

00:57:35,849 --> 00:57:35,470

get in I said if I can get in at 10:30 I

1266

00:57:37,920 --> 00:57:35,859

will

1267

00:57:39,930 --> 00:57:37,930

the latest side come on as 11 and

1268

00:57:43,320 --> 00:57:39,940

luckily I was able to call them at 10:30

1269

00:57:45,960 --> 00:57:43,330

and get on and we talked all about my

1270

00:57:47,870 --> 00:57:45,970

past relationship not past my current

1271

00:57:51,270 --> 00:57:47,880

very current cuz I just talk to him

1272

00:57:54,900 --> 00:57:51,280

whatever three days ago with Jim semi

1273

00:57:58,680 --> 00:57:54,910

Dan and and how that came to be and why

1274

00:58:01,950 --> 00:57:58,690

that factors in I'm sure most people

1275

00:58:05,099 --> 00:58:01,960

following this have followed what Dolan

1276

00:58:07,849 --> 00:58:05,109

is saying about this and his I believe

1277

00:58:10,109 --> 00:58:07,859

it's four videos now posted about it and

1278

00:58:15,359 --> 00:58:10,119

then those are also transcribed and

1279

00:58:17,550 --> 00:58:15,369

written up on his website on but him and

1280

00:58:19,980 --> 00:58:17,560

Tracy the in a couple of rich did

1281

00:58:22,190 --> 00:58:19,990

Richard did by himself and a couple of

1282

00:58:25,140 --> 00:58:22,200

them were with his wife Tracy on camera

1283

00:58:27,030 --> 00:58:25,150

but in one of those he references that

1284

00:58:30,470 --> 00:58:27,040

he had had a discussion without put off

1285

00:58:34,589 --> 00:58:30,480

of course to the Stars member and and

1286

00:58:36,390 --> 00:58:34,599

and and working with you know their that

1287

00:58:38,160 --> 00:58:36,400

his day-to-day business is

1288

00:58:46,400 --> 00:58:38,170

bread-and-butter business is with Eric

1289

00:58:53,250 --> 00:58:50,190

that's well established and and then we

1290

00:58:55,349 --> 00:58:53,260

know Davis's involvement in the whole

1291

00:58:57,570 --> 00:58:55,359

current story as far as not directly as

1292

00:58:59,970 --> 00:58:57,580

a reward member for to the stars but as

1293

00:59:00,900 --> 00:58:59,980

an extended individual involved combined

1294

00:59:03,300 --> 00:59:00,910

with the Adam

1295

00:59:06,240 --> 00:59:03,310

project and the metamaterials and the

1296

00:59:08,430 --> 00:59:06,250

science are starting to do on possible

1297

00:59:10,350 --> 00:59:08,440

crash retrieved pieces and the atom

1298

00:59:11,430 --> 00:59:10,360

project and as well as implants and

1299

00:59:14,370 --> 00:59:11,440

other things that they're looking into

1300

00:59:18,980 --> 00:59:14,380

so that's kind of well established to

1301
00:59:23,610 --> 00:59:18,990
people following the story and and and

1302
00:59:25,890 --> 00:59:23,620
so how had spoken to Richard and then I

1303
00:59:28,650 --> 00:59:25,900
guess agreed to send him a paragraph

1304
00:59:31,680 --> 00:59:28,660
through email that could be quoted and

1305
00:59:39,540 --> 00:59:31,690
published but I don't have in front of

1306
00:59:41,220 --> 00:59:39,550
me but I agree with Richard well I would

1307
00:59:43,200 --> 00:59:41,230
put off said was we're not going to

1308
00:59:44,040 --> 00:59:43,210
comment on anything that might have been

1309
00:59:47,130 --> 00:59:44,050
classified

1310
00:59:50,040 --> 00:59:47,140
regardless yeah but it was carefully it

1311
00:59:52,110 --> 00:59:50,050
is a well-crafted again agree with what

1312
00:59:53,790 --> 00:59:52,120
Richard says here when you read it you

1313
00:59:54,900 --> 00:59:53,800

kind of read between the lines it is a

1314

00:59:57,390 --> 00:59:54,910

well-crafted

1315

01:00:00,060 --> 00:59:57,400

you know kind of brilliant non-denial

1316

01:00:01,950 --> 01:00:00,070

they're not denying they're you know

1317

01:00:04,470 --> 01:00:01,960

they're they're saying no comment yes

1318

01:00:07,350 --> 01:00:04,480

but it's the way they're saying it well

1319

01:00:09,780 --> 01:00:07,360

I ended up telling Richard I don't

1320

01:00:10,290 --> 01:00:09,790

necessarily agree it's a no they're not

1321

01:00:15,690 --> 01:00:10,300

commenting

1322

01:00:19,130 --> 01:00:15,700

well that means no comment hey wait hang

1323

01:00:23,280 --> 01:00:19,140

on Frank hang hang on the reason I agree

1324

01:00:26,520 --> 01:00:23,290

with Richards assessment it's because I

1325

01:00:28,740 --> 01:00:26,530

had a forty three minutes forty two and

1326

01:00:31,520 --> 01:00:28,750

a half I think it's forty two point

1327

01:00:35,070 --> 01:00:31,530

thirty six or something you know

1328

01:00:38,340 --> 01:00:35,080

conversation on the phone with Jim semi

1329

01:00:43,440 --> 01:00:38,350

van that was a forty three minute

1330

01:00:45,540 --> 01:00:43,450

version of exactly what Richard relayed

1331

01:00:48,110 --> 01:00:45,550

to me that his conversation was how and

1332

01:00:51,390 --> 01:00:48,120

how and of course the email from house I

1333

01:00:57,270 --> 01:00:51,400

had a forty three minute long version of

1334

01:00:59,810 --> 01:00:57,280

that which was a a non-denial okay at a

1335

01:01:04,170 --> 01:00:59,820

forty three minute long non-denial and

1336

01:01:09,350 --> 01:01:04,180

and but rich and I talked about this on

1337

01:01:13,500 --> 01:01:09,360

Grant etc and it is appearing from the

1338

01:01:14,530 --> 01:01:13,510

reaction of to the stars of Eric of how

1339

01:01:18,340 --> 01:01:14,540

every

1340

01:01:20,410 --> 01:01:18,350

is that I jokingly said these guys you

1341

01:01:23,710 --> 01:01:20,420

know they circled the wagons and they

1342

01:01:25,630 --> 01:01:23,720

blocked arms and including Willard

1343

01:01:28,270 --> 01:01:25,640

Miller but they circled the wagons

1344

01:01:30,550 --> 01:01:28,280

locked arms and have a unanimous front

1345

01:01:32,410 --> 01:01:30,560

for their position of this and I

1346

01:01:34,090 --> 01:01:32,420

actually asked Jim send me then I said

1347

01:01:37,510 --> 01:01:34,100

what's to the Stars physician says we

1348

01:01:41,800 --> 01:01:37,520

don't have a disposition okay that's a

1349

01:01:43,630 --> 01:01:41,810

quote well another nation melon went

1350

01:01:47,280 --> 01:01:43,640

further with Billy Cox when he said he

1351

01:01:49,780 --> 01:01:47,290

thought that the the scenario of one

1352

01:01:52,720 --> 01:01:49,790

contractor one aerospace contractor

1353

01:01:56,020 --> 01:01:52,730

controlling such a thing was implausible

1354

01:01:58,450 --> 01:01:56,030

to him it was in the Billy Cox Chris

1355

01:02:00,730 --> 01:01:58,460

melon who said that Chris Miller Billy

1356

01:02:04,300 --> 01:02:00,740

Cox yeah well okay but but basically

1357

01:02:05,620 --> 01:02:04,310

these guys none of them are acting

1358

01:02:08,710 --> 01:02:05,630

independent of each other in the

1359

01:02:11,800 --> 01:02:08,720

response to this they Jim told me we had

1360

01:02:13,270 --> 01:02:11,810

a meeting we talked about it and I said

1361

01:02:14,950 --> 01:02:13,280

you don't have a position you know he'd

1362

01:02:16,150 --> 01:02:14,960

get my I'm saying here you know he's

1363

01:02:17,260 --> 01:02:16,160

saying we're gonna have a position I

1364

01:02:19,690 --> 01:02:17,270

know you had a meeting and you talked

1365

01:02:22,510 --> 01:02:19,700

about this you know you have obviously

1366

01:02:25,750 --> 01:02:22,520

are concerned you know and I will go on

1367

01:02:28,060 --> 01:02:25,760

to say from from my conversation with

1368

01:02:30,430 --> 01:02:28,070

Jim the tone of his voice

1369

01:02:33,220 --> 01:02:30,440

you know if there's reading between the

1370

01:02:35,320 --> 01:02:33,230

lines of what how wrote there certainly

1371

01:02:38,050 --> 01:02:35,330

listening between the lines between the

1372

01:02:40,660 --> 01:02:38,060

phrases that Jim said and that they are

1373

01:02:42,250 --> 01:02:40,670

concerned they're obviously very good

1374

01:02:44,350 --> 01:02:42,260

sometimes you have to go what do you do

1375

01:02:46,000 --> 01:02:44,360

research you need to go a little bit

1376
01:02:49,840 --> 01:02:46,010
beyond reading in there and Elijah and

1377
01:02:52,750 --> 01:02:49,850
actually do some research we've done

1378
01:02:54,520 --> 01:02:52,760
that I think I did I called and had a 43

1379
01:02:57,370 --> 01:02:54,530
minute conversation with Jim Sammy ban

1380
01:02:59,260 --> 01:02:57,380
okay okay that's my research I called

1381
01:03:00,850 --> 01:02:59,270
him and said I need your take on this

1382
01:03:03,550 --> 01:03:00,860
what are you saying and then I had to

1383
01:03:05,800 --> 01:03:03,560
listen very carefully and ask really

1384
01:03:08,500 --> 01:03:05,810
thoughtful questions and I tried every

1385
01:03:11,320 --> 01:03:08,510
which way to ask a question to give him

1386
01:03:13,900 --> 01:03:11,330
an out to give him an out to give him a

1387
01:03:17,620 --> 01:03:13,910
chance to deny he never did so these

1388
01:03:21,820 --> 01:03:17,630

guys are concerned and he gave me some

1389

01:03:25,540 --> 01:03:21,830

very interesting things to say about it

1390

01:03:28,750 --> 01:03:25,550

and and we talked for 43 minutes about

1391

01:03:32,410 --> 01:03:28,760

it so I'm telling you

1392

01:03:34,839 --> 01:03:32,420

from that what I truly felt and

1393

01:03:37,000 --> 01:03:34,849

perceived is that these guys have

1394

01:03:39,990 --> 01:03:37,010

circled the wagons or I jokingly say

1395

01:03:42,279 --> 01:03:40,000

circled the fighter jets locked on her

1396

01:03:45,730 --> 01:03:42,289

that's an inside joke circle the fighter

1397

01:03:48,339 --> 01:03:45,740

jets lock arms and and they're having

1398

01:03:51,900 --> 01:03:48,349

unanimous front in what they say and

1399

01:03:55,210 --> 01:03:51,910

don't say now they could have just

1400

01:03:58,480 --> 01:03:55,220

denied this easily but they haven't and

1401

01:04:02,440 --> 01:03:58,490

I think that's very telling none of

1402

01:04:06,460 --> 01:04:02,450

these guys have denied okay and and I

1403

01:04:12,190 --> 01:04:06,470

think it's because they know that that

1404

01:04:14,140 --> 01:04:12,200

interview happened you know now anyway

1405

01:04:16,180 --> 01:04:14,150

so that don't anybody looking at known

1406

01:04:18,039 --> 01:04:16,190

samples of Eric Davis is writing and

1407

01:04:19,900 --> 01:04:18,049

comparing them to the notes you know if

1408

01:04:22,599 --> 01:04:19,910

anyone's taken that step to do that I

1409

01:04:26,020 --> 01:04:22,609

know I don't know that anyone has access

1410

01:04:28,120 --> 01:04:26,030

to know if anyone has made an effort to

1411

01:04:29,319 --> 01:04:28,130

see if Admiral Wilson was invaded I mean

1412

01:04:31,420 --> 01:04:29,329

that would go do CUC

1413

01:04:32,710 --> 01:04:31,430

to do okay now I I don't know anything

1414

01:04:34,359 --> 01:04:32,720

about that Franken yes those are good

1415

01:04:35,819 --> 01:04:34,369

points I don't think anybody's got I

1416

01:04:38,559 --> 01:04:35,829

don't know of anyone that's got

1417

01:04:40,990 --> 01:04:38,569

documents typed up by Eric that they

1418

01:04:44,500 --> 01:04:41,000

could compare okay other than official

1419

01:04:46,150 --> 01:04:44,510

documents stated on on how in Eric's

1420

01:04:48,579 --> 01:04:46,160

businesses web site earth tech you know

1421

01:04:50,019 --> 01:04:48,589

and the atom project stuff but those are

1422

01:04:52,870 --> 01:04:50,029

you know things done up on a computer

1423

01:04:54,760 --> 01:04:52,880

there's you know is there a style of

1424

01:04:56,440 --> 01:04:54,770

writing we don't know if it how wrote it

1425

01:04:58,839 --> 01:04:56,450

or Eric wrote it you know who knows mate

1426

01:05:00,940 --> 01:04:58,849

you know so it's hard to say it's I

1427

01:05:03,339 --> 01:05:00,950

don't know of anyone that has that if

1428

01:05:06,190 --> 01:05:03,349

they do great if they do and they have

1429

01:05:08,529 --> 01:05:06,200

any documentation or ever received

1430

01:05:10,480 --> 01:05:08,539

documents or a letter or an agreement or

1431

01:05:15,000 --> 01:05:10,490

contract or anything from Eric's please

1432

01:05:19,150 --> 01:05:17,319

there's no an example of this that came

1433

01:05:21,490 --> 01:05:19,160

up in the news within the last year or

1434

01:05:23,170 --> 01:05:21,500

so regarding a an op-ed piece that was

1435

01:05:25,569 --> 01:05:23,180

supposedly written by a White House

1436

01:05:27,519 --> 01:05:25,579

insider that was saying you know the

1437

01:05:29,680 --> 01:05:27,529

steady state is in control don't worry

1438

01:05:32,109 --> 01:05:29,690

about Trump blah blah blah and the word

1439

01:05:34,059 --> 01:05:32,119

lodestar was used in it and people

1440

01:05:36,130 --> 01:05:34,069

immediately pointed the Vice President

1441

01:05:38,740 --> 01:05:36,140

Mike Pence because he frequently uses

1442

01:05:40,990 --> 01:05:38,750

that so you know there are things that

1443

01:05:42,849 --> 01:05:41,000

again it doesn't probably think one way

1444

01:05:44,680 --> 01:05:42,859

so who's got documents to compare so I

1445

01:05:45,970 --> 01:05:44,690

want to stay out of that Frank I'm not

1446

01:05:47,170 --> 01:05:45,980

going there I don't know who has

1447

01:05:48,730 --> 01:05:47,180

documents to compare I don't know if

1448

01:05:50,530 --> 01:05:48,740

anyone's done it I don't think they have

1449

01:05:51,940 --> 01:05:50,540

I haven't heard anyone say they have

1450

01:05:54,130 --> 01:05:51,950

other documents from Eric if they do

1451

01:06:02,740 --> 01:05:54,140

please come forward because well that

1452

01:06:04,480 --> 01:06:02,750

should be compared the working group of

1453

01:06:06,940 --> 01:06:04,490

which Oceania was a part of is

1454

01:06:12,180 --> 01:06:06,950

referenced in the letter or in the

1455

01:06:15,040 --> 01:06:12,190

interview understood and those people

1456

01:06:18,940 --> 01:06:15,050

you know there's a big crossover between

1457

01:06:20,920 --> 01:06:18,950

that group and niz I have 28 years of

1458

01:06:22,570 --> 01:06:20,930

research showing that why why do you

1459

01:06:23,800 --> 01:06:22,580

think that Eric Davis would use

1460

01:06:26,280 --> 01:06:23,810

everybody else's full name but

1461

01:06:29,470 --> 01:06:26,290

abbreviate John Alexander who is very

1462

01:06:32,560 --> 01:06:29,480

the information is very dismissive of

1463

01:06:34,540 --> 01:06:32,570

what do you think that would be for that

1464

01:06:36,849 --> 01:06:34,550

reason I don't know you have to ask him

1465

01:06:38,950 --> 01:06:36,859

I don't know I'm right when I read it it

1466

01:06:42,339 --> 01:06:38,960

made sense to me because it was such a

1467

01:06:44,320 --> 01:06:42,349

dismissive comment okay what immediately

1468

01:06:46,630 --> 01:06:44,330

jumped out to me I asked Michael and he

1469

01:06:48,070 --> 01:06:46,640

he seems to feel he has pinned down it

1470

01:06:52,800 --> 01:06:48,080

was meant to be John Alexander so

1471

01:06:58,200 --> 01:06:55,599

you know I feel like we need to move on

1472

01:07:01,150 --> 01:06:58,210

some things there just make so much

1473

01:07:03,849 --> 01:07:01,160

consistent logic if some things are so

1474

01:07:07,990 --> 01:07:03,859

blaming consistently logical let's go to

1475

01:07:15,040 --> 01:07:08,000

what is in the document okay and and

1476

01:07:16,839 --> 01:07:15,050

maybe white it was very significant Illi

1477

01:07:19,270 --> 01:07:16,849

agree with that I think there's

1478

01:07:20,800 --> 01:07:19,280

something very very interesting about

1479

01:07:22,060 --> 01:07:20,810

the documents clearly written by an

1480

01:07:23,770 --> 01:07:22,070

insider I don't think there's any

1481

01:07:29,349 --> 01:07:23,780

question about that somebody who knows a

1482

01:07:31,089 --> 01:07:29,359

lot so we need documents that someone

1483

01:07:33,609 --> 01:07:31,099

has come out with because they add

1484

01:07:35,530 --> 01:07:33,619

access to them and there a number of

1485

01:07:37,720 --> 01:07:35,540

people who had access to Edgar Mitchell

1486

01:07:39,760 --> 01:07:37,730

styles and since he was at those

1487

01:07:42,339 --> 01:07:39,770

meetings and copied on everything that's

1488

01:07:47,760 --> 01:07:42,349

not a far reach particularly since the

1489

01:07:51,670 --> 01:07:49,870

let me talk for a second here

1490

01:07:53,840 --> 01:07:51,680

everybody's talked for a long time I've

1491

01:07:56,180 --> 01:07:53,850

been listening I have

1492

01:07:59,860 --> 01:07:56,190

Malinda my question that I did not get a

1493

01:08:02,930 --> 01:07:59,870

chance to ask her okay my question is

1494

01:08:06,380 --> 01:08:02,940

since we know there is no evidence to

1495

01:08:09,080 --> 01:08:06,390

provide that The Smoking Gun doc and the

1496

01:08:11,660 --> 01:08:09,090

alien autopsy emails came from the

1497

01:08:12,760 --> 01:08:11,670

estate or the files of Edgar Mitchell

1498

01:08:16,340 --> 01:08:12,770

yet

1499

01:08:19,720 --> 01:08:16,350

I'm not saying okay I'm permanent I get

1500

01:08:23,660 --> 01:08:19,730

that I'm good okay then how do we know

1501

01:08:26,410 --> 01:08:23,670

that all this supposed or alleged

1502

01:08:29,110 --> 01:08:26,420

sensitive information or alleged

1503

01:08:33,640 --> 01:08:29,120

top-secret information or alleged

1504

01:08:36,290 --> 01:08:33,650

classified information was not

1505

01:08:40,580 --> 01:08:36,300

manipulated and put together by somebody

1506

01:08:43,400 --> 01:08:40,590

that had direct access to the Edgar

1507

01:08:48,770 --> 01:08:43,410

Mitchell estate slash files how do I

1508

01:08:51,140 --> 01:08:48,780

know we don't know that Melinda what I

1509

01:08:55,400 --> 01:08:51,150

would like to know along that thought

1510

01:08:56,690 --> 01:08:55,410

process is how do we and I'm gonna go

1511

01:08:59,000 --> 01:08:56,700

ahead and repeat what I just said so I

1512

01:09:01,370 --> 01:08:59,010

can finish the thought process and going

1513

01:09:04,250 --> 01:09:01,380

along that thought of how do we know

1514

01:09:08,950 --> 01:09:04,260

that somebody did not manipulate or put

1515

01:09:12,470 --> 01:09:08,960

together a kaleidoscope of information

1516

01:09:16,060 --> 01:09:12,480

from the Edgar Mitchell estate or files

1517

01:09:19,880 --> 01:09:16,070

of his to create a dense information

1518

01:09:22,340 --> 01:09:19,890

package to then drop for everybody to

1519

01:09:24,020 --> 01:09:22,350

look at I found the timing interesting

1520

01:09:26,150 --> 01:09:24,030

people can say they've seen some of

1521

01:09:27,950 --> 01:09:26,160

these documents for years okay then why

1522

01:09:30,230 --> 01:09:27,960

are they talking about them all in

1523

01:09:32,540 --> 01:09:30,240

totality now and I mean the two Doc's

1524

01:09:34,340 --> 01:09:32,550

not the three that just came out I'm not

1525

01:09:36,650 --> 01:09:34,350

talking about the third I'm talking

1526

01:09:38,900 --> 01:09:36,660

about the alien autopsy doc and The

1527

01:09:41,240 --> 01:09:38,910

Smoking Gun doc now a lot of people have

1528

01:09:42,560 --> 01:09:41,250

been talking in the UFO community about

1529

01:09:44,900 --> 01:09:42,570

how there's so much sensitive

1530

01:09:45,890 --> 01:09:44,910

information in these Doc's a one how do

1531

01:09:48,170 --> 01:09:45,900

we know it's really sensitive

1532

01:09:50,660 --> 01:09:48,180

information that's fine if we can verify

1533

01:09:52,160 --> 01:09:50,670

that I'm good with that let's even say

1534

01:09:53,540 --> 01:09:52,170

that there is real classified

1535

01:09:54,080 --> 01:09:53,550

information in there I'm fine with that

1536

01:09:56,630 --> 01:09:54,090

too

1537

01:10:01,850 --> 01:09:56,640

my question is still how do we know that

1538

01:10:04,130 --> 01:10:01,860

there's not some kind of disinfo program

1539

01:10:07,060 --> 01:10:04,140

going by an intelligence agent or

1540

01:10:10,240 --> 01:10:07,070

somebody who is smart enough to act like

1541

01:10:12,820 --> 01:10:10,250

and put all this stuff together so that

1542

01:10:18,550 --> 01:10:12,830

we will have circular conversations on

1543

01:10:21,340 --> 01:10:18,560

it for infinity well it and it goes to

1544

01:10:25,690 --> 01:10:21,350

what might be the motive and we're left

1545

01:10:27,250 --> 01:10:25,700

to speculate but granted the most the

1546

01:10:31,600 --> 01:10:27,260

motives I thought of were in

1547

01:10:34,870 --> 01:10:31,610

relationship to why why if if these were

1548

01:10:37,330 --> 01:10:34,880

if I'm saying if donate by jump on me if

1549

01:10:39,850 --> 01:10:37,340

these were in the possession of dr.

1550

01:10:42,760 --> 01:10:39,860

Mitchell and it was someone associated

1551
01:10:48,340 --> 01:10:42,770
with them who brought this information

1552
01:10:51,220 --> 01:10:48,350
forward that there's a a line of

1553
01:10:51,700 --> 01:10:51,230
reasoning to motive there now you're

1554
01:10:54,430 --> 01:10:51,710
right

1555
01:10:57,160 --> 01:10:54,440
could it be because I even speculated

1556
01:11:00,790 --> 01:10:57,170
and I said this to in a conversation

1557
01:11:02,260 --> 01:11:00,800
with Richard Dolan I said basically

1558
01:11:03,430 --> 01:11:02,270
you'll you'll be happy to hear this I

1559
01:11:04,690 --> 01:11:03,440
have this exact same kind of

1560
01:11:10,270 --> 01:11:04,700
conversation with Richard Roehm where I

1561
01:11:13,540 --> 01:11:10,280
said what if this is is a brilliant

1562
01:11:18,280 --> 01:11:13,550
plausible deniability way to release the

1563
01:11:20,410 --> 01:11:18,290

docs but make it point to Edgar Mitchell

1564

01:11:23,320 --> 01:11:20,420

because it's easy to blame the dead guy

1565

01:11:25,330 --> 01:11:23,330

you know I not to belittle the wonderful

1566

01:11:27,520 --> 01:11:25,340

life of dr. Edgar Mitchell but you know

1567

01:11:30,130 --> 01:11:27,530

being that he's passed away you can't

1568

01:11:31,810 --> 01:11:30,140

you can't blame the dead guy so you go

1569

01:11:33,510 --> 01:11:31,820

back to okay if these were in his

1570

01:11:37,510 --> 01:11:33,520

possession it was someone that knew him

1571

01:11:41,500 --> 01:11:37,520

and it the timing is the timing is is

1572

01:11:45,550 --> 01:11:41,510

the motive it is the timing it is in

1573

01:11:48,730 --> 01:11:45,560

relationship to what is going on that to

1574

01:11:52,270 --> 01:11:48,740

the Stars is generating with what's

1575

01:11:54,520 --> 01:11:52,280

going on politically with the Navy the

1576

01:11:57,490 --> 01:11:54,530

Air Force you know the president being

1577

01:11:59,830 --> 01:11:57,500

questioned by Stephanopoulos now now as

1578

01:12:03,760 --> 01:11:59,840

of today the senators saying they were

1579

01:12:06,700 --> 01:12:03,770

briefed I mean this is deliberate and it

1580

01:12:09,970 --> 01:12:06,710

doesn't take a rocket scientist to see

1581

01:12:12,640 --> 01:12:09,980

that this is all very deliberate okay

1582

01:12:17,260 --> 01:12:12,650

and and pushing it in closed-door

1583

01:12:20,500 --> 01:12:17,270

meetings you know in DC was to the stars

1584

01:12:23,110 --> 01:12:20,510

so they're directly involved and

1585

01:12:26,080 --> 01:12:23,120

whether someone is using them as a front

1586

01:12:28,000 --> 01:12:26,090

or whether this is something that they

1587

01:12:29,650 --> 01:12:28,010

are really generating we could debate

1588

01:12:33,400 --> 01:12:29,660

till the end of the planet and I don't

1589

01:12:36,070 --> 01:12:33,410

wish to because I don't know but I I put

1590

01:12:39,370 --> 01:12:36,080

that out as a possibility to Richard

1591

01:12:41,140 --> 01:12:39,380

what is and he said at this point we do

1592

01:12:43,690 --> 01:12:41,150

you know Richard was very fair about it

1593

01:12:45,190 --> 01:12:43,700

and we were told greement at this point

1594

01:12:47,260 --> 01:12:45,200

and you probably it sounds like you know

1595

01:12:48,850 --> 01:12:47,270

you guys would be too we don't know like

1596

01:12:51,430 --> 01:12:48,860

you were just bringing up we don't know

1597

01:12:53,320 --> 01:12:51,440

that that's not a possibility I'm not

1598

01:12:56,260 --> 01:12:53,330

here to answer all those questions all I

1599

01:12:58,960 --> 01:12:56,270

can say is I have two pieces of evidence

1600

01:13:01,810 --> 01:12:58,970

that are puzzle pieces that can help us

1601

01:13:06,340 --> 01:13:01,820

with this one is I do know the history

1602

01:13:09,010 --> 01:13:06,350

of that group I do understand why some

1603

01:13:11,860 --> 01:13:09,020

people might be at odds with some of

1604

01:13:14,800 --> 01:13:11,870

their choices I do know the history

1605

01:13:17,260 --> 01:13:14,810

leading up long before and leading up to

1606

01:13:20,410 --> 01:13:17,270

the formation and is and for mids to

1607

01:13:23,680 --> 01:13:20,420

bass to us up to a tip to to to start so

1608

01:13:26,620 --> 01:13:23,690

so there is an interconnection this here

1609

01:13:29,500 --> 01:13:26,630

and it and I and I have expressed

1610

01:13:31,120 --> 01:13:29,510

although Richard disagree with me but

1611

01:13:33,640 --> 01:13:31,130

grant did agree with me that this is a

1612

01:13:36,190 --> 01:13:33,650

shot across the bow from someone this is

1613

01:13:37,570 --> 01:13:36,200

a problem for these guys grant a thing

1614

01:13:40,270 --> 01:13:37,580

this and every interview is done in the

1615

01:13:42,880 --> 01:13:40,280

last three days this is a problem for

1616

01:13:45,970 --> 01:13:42,890

these guys they are saying oh it's not a

1617

01:13:47,890 --> 01:13:45,980

problem but it's a forty three minute

1618

01:13:50,560 --> 01:13:47,900

explanation of how this isn't a problem

1619

01:13:54,070 --> 01:13:50,570

for us and it's and it's a official

1620

01:13:56,530 --> 01:13:54,080

written statement by he'll you know the

1621

01:14:02,710 --> 01:13:56,540

idea that those protests too much comes

1622

01:14:05,470 --> 01:14:02,720

to mind okay okay so okay so so I agree

1623

01:14:07,090 --> 01:14:05,480

with you that these are the things as I

1624

01:14:09,910 --> 01:14:07,100

just said I stated them

1625

01:14:12,360 --> 01:14:09,920

just yesterday to Richard we have to

1626

01:14:15,280 --> 01:14:12,370

consider these are other possibilities

1627

01:14:17,560 --> 01:14:15,290

sure but all I know is and the only

1628

01:14:19,570 --> 01:14:17,570

reason I was so busy right now with work

1629

01:14:21,760 --> 01:14:19,580

I'm I'm busy all day with clients I'm

1630

01:14:23,710 --> 01:14:21,770

busy with big tour groups every night I

1631

01:14:25,510 --> 01:14:23,720

just came from speaking it not in

1632

01:14:28,590 --> 01:14:25,520

contact but another conference that was

1633

01:14:31,600 --> 01:14:28,600

kind of a small private seminar thing I

1634

01:14:34,270 --> 01:14:31,610

came back to you know just landing in

1635

01:14:36,670 --> 01:14:34,280

the mist of being busy I'm planning to

1636

01:14:38,230 --> 01:14:36,680

I was planning three trips coming up one

1637

01:14:39,790 --> 01:14:38,240

that's been canceled but to others to

1638

01:14:42,640 --> 01:14:39,800

conferences where I'm going to have

1639

01:14:44,170 --> 01:14:42,650

exhibit tables you know vendor table I'm

1640

01:14:47,230 --> 01:14:44,180

not speaking either but I have a vendor

1641

01:14:49,300 --> 01:14:47,240

table you know and so and so I'm in the

1642

01:14:51,370 --> 01:14:49,310

midst of my just having too much on my

1643

01:14:56,500 --> 01:14:51,380

plate I'm not able to get through it all

1644

01:14:58,150 --> 01:14:56,510

this happened I don't be a part of this

1645

01:15:00,130 --> 01:14:58,160

yeah yeah join the club you got it

1646

01:15:01,960 --> 01:15:00,140

Richard and you know grant and I have

1647

01:15:03,760 --> 01:15:01,970

said this in conversations like this

1648

01:15:07,180 --> 01:15:03,770

could be worse timing for all of us I

1649

01:15:10,960 --> 01:15:07,190

mean it's just like you know and but I

1650

01:15:15,430 --> 01:15:10,970

have I had the evidence in the history

1651
01:15:17,800 --> 01:15:15,440
of the group and and Eric's involvement

1652
01:15:21,580 --> 01:15:17,810
and you know or possible involvement and

1653
01:15:24,010 --> 01:15:21,590
and certainly oak in Jays involvement

1654
01:15:25,540 --> 01:15:24,020
you know and so and you go okay and and

1655
01:15:28,420 --> 01:15:25,550
I have this additional thing and I'm

1656
01:15:30,220 --> 01:15:28,430
like I can at least say those three

1657
01:15:31,960 --> 01:15:30,230
paragraphs that talk about that are

1658
01:15:33,100 --> 01:15:31,970
talking about something accurate so I

1659
01:15:35,320 --> 01:15:33,110
thought I have a Pete I have

1660
01:15:36,850 --> 01:15:35,330
documentation to support that I should

1661
01:15:38,320 --> 01:15:36,860
come forward with that and I had a

1662
01:15:39,730 --> 01:15:38,330
number of researchers who have already

1663
01:15:44,470 --> 01:15:39,740

mentioned who supported me in doing so

1664

01:15:46,750 --> 01:15:44,480

and then and then additionally and it

1665

01:15:48,730 --> 01:15:46,760

wasn't right away I waited a couple days

1666

01:15:53,380 --> 01:15:48,740

because I avoided doing it like the

1667

01:15:56,680 --> 01:15:53,390

plague I just spoke to I really try not

1668

01:15:58,300 --> 01:15:56,690

to be a thorn in his side you know

1669

01:16:02,530 --> 01:15:58,310

because I don't want to wear out the

1670

01:16:04,750 --> 01:16:02,540

welcome mat at all for talking to Jim

1671

01:16:06,310 --> 01:16:04,760

semi van and I just talked to him a week

1672

01:16:07,420 --> 01:16:06,320

before about something else and I'm like

1673

01:16:08,530 --> 01:16:07,430

oh my god he died I asked him I just

1674

01:16:10,240 --> 01:16:08,540

talked to him I don't want a burden

1675

01:16:11,980 --> 01:16:10,250

right you know because he'll start

1676

01:16:14,110 --> 01:16:11,990

avoiding my calls or you know right

1677

01:16:16,710 --> 01:16:14,120

that's what I'm thinking so I said but I

1678

01:16:20,500 --> 01:16:16,720

as days went by I went

1679

01:16:22,690 --> 01:16:20,510

especially when but I was thinking I

1680

01:16:24,490 --> 01:16:22,700

should call and I was thinking thinking

1681

01:16:27,850 --> 01:16:24,500

I was telling research I might call him

1682

01:16:30,760 --> 01:16:27,860

and then all of a sudden rich puts out

1683

01:16:32,650 --> 01:16:30,770

there I talked to hell or he tells me on

1684

01:16:34,960 --> 01:16:32,660

the phone he hadn't put it out he made

1685

01:16:37,510 --> 01:16:34,970

the video that night but that day Rich's

1686

01:16:40,450 --> 01:16:37,520

telling me I talked to hell he sent me

1687

01:16:42,430 --> 01:16:40,460

an email and I went oh my god and I said

1688

01:16:45,220 --> 01:16:42,440

I actually at that point I told Richard

1689

01:16:47,950 --> 01:16:45,230

Richard Dolan in other words that I had

1690

01:16:49,090 --> 01:16:47,960

called Jim and we had played phone tag

1691

01:16:50,979 --> 01:16:49,100

because I'd actually called him the day

1692

01:16:54,070 --> 01:16:50,989

before he called me back in the morning

1693

01:16:54,910 --> 01:16:54,080

but it was really early and and I didn't

1694

01:16:59,050 --> 01:16:54,920

take the call

1695

01:17:02,229 --> 01:16:59,060

and so I'm telling Richard okay I called

1696

01:17:04,060 --> 01:17:02,239

him I was even wondering if I should

1697

01:17:06,160 --> 01:17:04,070

have you know and then all of a sudden

1698

01:17:08,680 --> 01:17:06,170

you're saying you talked to hell this is

1699

01:17:11,260 --> 01:17:08,690

the response from how and he said we got

1700

01:17:12,790 --> 01:17:11,270

a cop you know you gotta come back you

1701

01:17:16,209 --> 01:17:12,800

know Richard's like come back I know but

1702

01:17:18,220 --> 01:17:16,219

he said and I did and like I said we had

1703

01:17:21,180 --> 01:17:18,230

a 43 minute conversation and I ended up

1704

01:17:24,160 --> 01:17:21,190

getting back to richer and saying he's

1705

01:17:27,310 --> 01:17:24,170

saying the same things out you know but

1706

01:17:29,470 --> 01:17:27,320

he did say a few extra minor things that

1707

01:17:31,690 --> 01:17:29,480

I thought were in addition that we're

1708

01:17:38,560 --> 01:17:31,700

interesting but find him on my notes

1709

01:17:42,870 --> 01:17:38,570

here um oh my goodness Oh Mike here he

1710

01:17:47,530 --> 01:17:45,340

everything he was saying was along the

1711

01:17:49,600 --> 01:17:47,540

lines of explaining no comment and

1712

01:17:52,690 --> 01:17:49,610

explaining why they couldn't comment and

1713

01:17:54,640 --> 01:17:52,700

going quite in depth about they all have

1714

01:17:56,890 --> 01:17:54,650

their security oath

1715

01:17:59,800 --> 01:17:56,900

till death you know he said we have our

1716

01:18:01,360 --> 01:17:59,810

security oath till we die and those are

1717

01:18:04,870 --> 01:18:01,370

very serious and we all take them very

1718

01:18:06,640 --> 01:18:04,880

seriously but he said the following he

1719

01:18:10,000 --> 01:18:06,650

said and this is I'm going to quote and

1720

01:18:12,970 --> 01:18:10,010

quote even if one sentence on a document

1721

01:18:16,450 --> 01:18:12,980

is classified or dealing with something

1722

01:18:18,250 --> 01:18:16,460

that is we cannot comment on the entire

1723

01:18:22,900 --> 01:18:18,260

document I'm glad you brought that up

1724

01:18:24,310 --> 01:18:22,910

because you know the reading that kind

1725

01:18:27,310 --> 01:18:24,320

of blows the reading between the lines

1726

01:18:28,660 --> 01:18:27,320

lines and oh that's a non-denial denial

1727

01:18:29,110 --> 01:18:28,670

it seems love that a little out of the

1728

01:18:34,360 --> 01:18:29,120

water

1729

01:18:38,530 --> 01:18:34,370

Frank no I get a great Linda let me let

1730

01:18:40,180 --> 01:18:38,540

me ask you a question regarding that you

1731

01:18:42,160 --> 01:18:40,190

just said something that's really

1732

01:18:43,690 --> 01:18:42,170

interesting and that is and I'm just

1733

01:18:45,700 --> 01:18:43,700

going to go ahead and start a paraphrase

1734

01:18:47,440 --> 01:18:45,710

it and that is if anything in the

1735

01:18:50,290 --> 01:18:47,450

document even once and it's refers to

1736

01:18:53,020 --> 01:18:50,300

something classified we cannot comment

1737

01:18:55,479 --> 01:18:53,030

in any way on the whole entire document

1738

01:18:59,260 --> 01:18:55,489

if there's one sentence there we can't

1739

01:19:01,480 --> 01:18:59,270

comment on it that idea right yeah I'm

1740

01:19:03,460 --> 01:19:01,490

gonna go ahead and go to

1741

01:19:07,060 --> 01:19:03,470

another area regarding that idea and

1742

01:19:09,190 --> 01:19:07,070

that is something that dr. Mitchell has

1743

01:19:12,280 --> 01:19:09,200

been attributed to having said and that

1744

01:19:13,990 --> 01:19:12,290

is the UFO program that the Admiral

1745

01:19:16,960 --> 01:19:14,000

sought would be in this category

1746

01:19:19,330 --> 01:19:16,970

thus by law he would be required to deny

1747

01:19:22,090 --> 01:19:19,340

the existence of such a program for a

1748

01:19:23,860 --> 01:19:22,100

core secret SAP even a no comment would

1749

01:19:27,010 --> 01:19:23,870

be a breach of security same idea right

1750

01:19:30,310 --> 01:19:27,020

well my question is this then if all

1751
01:19:32,890 --> 01:19:30,320
these people are saying are saying that

1752
01:19:36,970 --> 01:19:32,900
they have no comment or even if they

1753
01:19:40,030 --> 01:19:36,980
have made a comment about these

1754
01:19:44,230 --> 01:19:40,040
documents that would mean in essence

1755
01:19:47,920 --> 01:19:44,240
that they just breached security so why

1756
01:19:55,570 --> 01:19:47,930
then should I believe them that's true

1757
01:19:57,730 --> 01:19:55,580
that's true that's a very good why but

1758
01:20:01,930 --> 01:19:57,740
I'd like to bring it up because it's

1759
01:20:04,810 --> 01:20:01,940
important no I agree with you we famous

1760
01:20:07,720 --> 01:20:04,820
talk-show hosts that are going over this

1761
01:20:11,800 --> 01:20:07,730
as though they are the authorities on

1762
01:20:13,570 --> 01:20:11,810
this document which is fine if it had

1763
01:20:15,130 --> 01:20:13,580

been researching it extensively I'm

1764

01:20:21,640 --> 01:20:15,140

totally fine with that

1765

01:20:23,950 --> 01:20:21,650

however they some are using this idea

1766

01:20:27,580 --> 01:20:23,960

that no comment would be a breach of

1767

01:20:30,850 --> 01:20:27,590

security well then you can't cherry pick

1768

01:20:33,850 --> 01:20:30,860

your research you either are with that

1769

01:20:36,570 --> 01:20:33,860

or you're not and that is folks

1770

01:20:39,850 --> 01:20:36,580

allegedly involved in these two Doc's

1771

01:20:43,090 --> 01:20:39,860

some are saying that they've either been

1772

01:20:44,830 --> 01:20:43,100

involved or they sort of they sort of

1773

01:20:46,990 --> 01:20:44,840

have been involved maybe they're

1774

01:20:50,740 --> 01:20:47,000

flirting with the idea of it or they're

1775

01:20:54,250 --> 01:20:50,750

saying no comment and so by the virtue

1776

01:20:58,960 --> 01:20:54,260

of them speaking at all again that means

1777

01:21:02,650 --> 01:20:58,970

that they just broke security they just

1778

01:21:05,260 --> 01:21:02,660

basically broke their oath if they even

1779

01:21:08,110 --> 01:21:05,270

had one regarding possible classified

1780

01:21:10,420 --> 01:21:08,120

material why are people not considering

1781

01:21:13,270 --> 01:21:10,430

that okay well I want to move on and you

1782

01:21:14,400 --> 01:21:13,280

may be right I think that's a nice valid

1783

01:21:16,140 --> 01:21:14,410

point to bring up

1784

01:21:17,460 --> 01:21:16,150

and that's that's an interesting you

1785

01:21:19,080 --> 01:21:17,470

know thing to think about

1786

01:21:21,930 --> 01:21:19,090

I mean believe me I've tried to look at

1787

01:21:24,360 --> 01:21:21,940

this from every angle possible I don't

1788

01:21:26,430 --> 01:21:24,370

have a dog in the race I have a document

1789

01:21:28,710 --> 01:21:26,440

about that other meeting I said I can at

1790

01:21:30,630 --> 01:21:28,720

least come forward with with information

1791

01:21:32,790 --> 01:21:30,640

that says that meeting as mentioned by

1792

01:21:35,640 --> 01:21:32,800

oak Shannon and that involvement

1793

01:21:37,650 --> 01:21:35,650

happened okay and in additional to

1794

01:21:40,110 --> 01:21:37,660

anything Alexander said I have an

1795

01:21:42,570 --> 01:21:40,120

independent of that piece of information

1796

01:21:45,990 --> 01:21:42,580

so I thought that was important and then

1797

01:21:47,610 --> 01:21:46,000

I called Jim and had a 43 minute

1798

01:21:51,150 --> 01:21:47,620

conversation so I think it's important

1799

01:21:53,460 --> 01:21:51,160

to offer that up there was only one part

1800

01:21:54,780 --> 01:21:53,470

of the conversation I had with Jim where

1801

01:21:56,580 --> 01:21:54,790

I said oh this next part kind of

1802

01:21:58,650 --> 01:21:56,590

off-the-record it has nothing to do with

1803

01:22:00,000 --> 01:21:58,660

the documents or those security

1804

01:22:02,670 --> 01:22:00,010

clearances or any of this conversation

1805

01:22:04,710 --> 01:22:02,680

it was about future projects for to the

1806

01:22:06,330 --> 01:22:04,720

stars completely unrelated was kind of

1807

01:22:08,390 --> 01:22:06,340

one of their entertainment projects and

1808

01:22:11,940 --> 01:22:08,400

he said don't share this part and I

1809

01:22:14,220 --> 01:22:11,950

agreed not to because he may be doing

1810

01:22:15,450 --> 01:22:14,230

that to test that I would not share that

1811

01:22:17,910 --> 01:22:15,460

so I'm not going to share about that

1812

01:22:20,850 --> 01:22:17,920

future plan I don't think it was any big

1813

01:22:24,660 --> 01:22:20,860

deal that he shared with me but it just

1814

01:22:26,640 --> 01:22:24,670

the fact that he did yeah yeah yeah yeah

1815

01:22:28,950 --> 01:22:26,650

so I honor that and and because if I

1816

01:22:31,800 --> 01:22:28,960

didn't honor that and if I said anything

1817

01:22:34,890 --> 01:22:31,810

that I think he had a huge problem with

1818

01:22:36,660 --> 01:22:34,900

I would lose my you know contact of

1819

01:22:38,910 --> 01:22:36,670

being able to talk to him now I want

1820

01:22:41,730 --> 01:22:38,920

everyone to know I do so very garde Lee

1821

01:22:44,190 --> 01:22:41,740

he talks to me very guarded and I talked

1822

01:22:47,100 --> 01:22:44,200

to him very guarded he's willing to talk

1823

01:22:49,410 --> 01:22:47,110

to me so I am gonna do anything to burn

1824

01:22:52,980 --> 01:22:49,420

that bridge okay I have an open

1825

01:22:55,020 --> 01:22:52,990

communication and I can quote I can

1826

01:22:57,060 --> 01:22:55,030

quote mr. semi van saying this that I am

1827

01:22:57,450 --> 01:22:57,070

the only person in ufology he's talking

1828

01:23:00,030 --> 01:22:57,460

to

1829

01:23:02,280 --> 01:23:00,040

in fact he joked about it except for Tom

1830

01:23:04,020 --> 01:23:02,290

exam accepted Shaun Alexander

1831

01:23:07,230 --> 01:23:04,030

and how put out who he talks to all the

1832

01:23:08,760 --> 01:23:07,240

time and and but he said why don't

1833

01:23:10,260 --> 01:23:08,770

consider them and ufology and I said I

1834

01:23:12,780 --> 01:23:10,270

think pretty much he followed you would

1835

01:23:15,420 --> 01:23:12,790

not consider really you know would not

1836

01:23:18,150 --> 01:23:15,430

really consider how or John Alexander in

1837

01:23:20,190 --> 01:23:18,160

ufology as well as they wouldn't but I

1838

01:23:21,570 --> 01:23:20,200

couldn't could if he did make a joke

1839

01:23:24,480 --> 01:23:21,580

about that he goes well I guess they're

1840

01:23:26,220 --> 01:23:24,490

not really ufology and I go no but he

1841

01:23:27,300 --> 01:23:26,230

said otherwise you know out of the

1842

01:23:28,259 --> 01:23:27,310

research community

1843

01:23:31,029 --> 01:23:28,269

now grin

1844

01:23:33,189 --> 01:23:31,039

members of the board talked to different

1845

01:23:36,429 --> 01:23:33,199

people you know other members involved

1846

01:23:38,620 --> 01:23:36,439

into the Stars have life how talking to

1847

01:23:41,770 --> 01:23:38,630

Dolan and of course everyone but Jim

1848

01:23:44,620 --> 01:23:41,780

talking to George Knapp okay but as far

1849

01:23:46,870 --> 01:23:44,630

as Jim Sammy Vance who it used to say on

1850

01:23:48,850 --> 01:23:46,880

their website was director of operations

1851
01:23:50,620 --> 01:23:48,860
and somewhere along the way because you

1852
01:23:52,209 --> 01:23:50,630
know number months ago that I looked at

1853
01:23:53,919 --> 01:23:52,219
it after not having it looked at it in

1854
01:23:55,929 --> 01:23:53,929
many many months it no longer said

1855
01:23:58,600 --> 01:23:55,939
Director of Operations has said vice

1856
01:24:00,790 --> 01:23:58,610
president to the Stars and co-founder of

1857
01:24:02,439 --> 01:24:00,800
course president being Tom DeLonge and

1858
01:24:06,069 --> 01:24:02,449
founder being Tom DeLonge so it says

1859
01:24:08,409 --> 01:24:06,079
co-founder and vice president so going

1860
01:24:11,649 --> 01:24:08,419
back to any has a long extensive very

1861
01:24:15,909 --> 01:24:11,659
high-level CIA background a number of

1862
01:24:19,299 --> 01:24:15,919
people have looked into that so now he

1863
01:24:20,799 --> 01:24:19,309

went on to say and I think this was a

1864

01:24:22,899 --> 01:24:20,809

little bit of the tip of the hat I

1865

01:24:25,000 --> 01:24:22,909

thought if there was any point in 43

1866

01:24:26,890 --> 01:24:25,010

minutes where I felt he you know I would

1867

01:24:29,709 --> 01:24:26,900

say he's flipped or anything was him

1868

01:24:31,989 --> 01:24:29,719

saying that they're friends with many of

1869

01:24:35,109 --> 01:24:31,999

the individuals mentioned meaning in the

1870

01:24:36,459 --> 01:24:35,119

Wilson document and he said and they

1871

01:24:40,629 --> 01:24:36,469

don't want to create problems

1872

01:24:43,029 --> 01:24:40,639

difficulties or you know that that that

1873

01:24:44,709 --> 01:24:43,039

could be you know for those people

1874

01:24:47,020 --> 01:24:44,719

mentioned he said it could be very

1875

01:24:48,489 --> 01:24:47,030

embarrassing for some of them it could

1876

01:24:50,049 --> 01:24:48,499

cause them grief I mean you know these

1877

01:24:51,459 --> 01:24:50,059

kind of quotes he was saying they they

1878

01:24:53,890 --> 01:24:51,469

could be embarrassing I'm kind of

1879

01:24:55,779 --> 01:24:53,900

paraphrasing him here embarrassing for

1880

01:24:57,580 --> 01:24:55,789

them Cosman grease would cause

1881

01:25:00,939 --> 01:24:57,590

legalities and could be detrimental

1882

01:25:02,409 --> 01:25:00,949

towards their jobs or positions and in

1883

01:25:04,000 --> 01:25:02,419

but he said and we're friends with them

1884

01:25:06,250 --> 01:25:04,010

so we don't want to be detrimental to

1885

01:25:07,540 --> 01:25:06,260

their jobs or positions cause legalities

1886

01:25:10,659 --> 01:25:07,550

cause and grace or cause them

1887

01:25:12,909 --> 01:25:10,669

embarrassment sure you know but he but

1888

01:25:15,159 --> 01:25:12,919

he said we do know and in any didn't

1889

01:25:17,350 --> 01:25:15,169

there could be all sorts of reasons for

1890

01:25:19,089 --> 01:25:17,360

that kind of embarrassment yeah we had

1891

01:25:22,449 --> 01:25:19,099

already discussed him and I on the phone

1892

01:25:24,159 --> 01:25:22,459

it's mention of oh by the way he knows

1893

01:25:25,929 --> 01:25:24,169

it's John Alexander we've talked about

1894

01:25:27,819 --> 01:25:25,939

that on the phone so there you go how do

1895

01:25:29,500 --> 01:25:27,829

you know that's not Jake Oh didn't send

1896

01:25:31,299 --> 01:25:29,510

me Ben and I talked about it it was

1897

01:25:34,810 --> 01:25:31,309

clear to him it was John Alexander so

1898

01:25:38,799 --> 01:25:34,820

that's not a mystery that's nice for

1899

01:25:41,769 --> 01:25:38,809

everybody so yeah he said it was John so

1900

01:25:44,019 --> 01:25:41,779

okay so so but he said other other other

1901

01:25:45,909 --> 01:25:44,029

John and oak and Eric and you know and

1902

01:25:47,379 --> 01:25:45,919

Wilson you know and Willard you know

1903

01:25:49,589 --> 01:25:47,389

other than that he meant other

1904

01:25:51,489 --> 01:25:49,599

individuals in there that they are

1905

01:25:52,689 --> 01:25:51,499

associated with her friends with and

1906

01:25:54,429 --> 01:25:52,699

they don't want to cause them grief or

1907

01:25:56,499 --> 01:25:54,439

embarrassment to admit that he knew

1908

01:25:59,679 --> 01:25:56,509

other people involved well to me I think

1909

01:26:01,509 --> 01:25:59,689

that was maybe a little bit of a slip

1910

01:26:03,279 --> 01:26:01,519

I'm he's being very honest and trying to

1911

01:26:06,699 --> 01:26:03,289

earn very fine sand friendly with me and

1912

01:26:08,409 --> 01:26:06,709

he may have in doing so you know that

1913

01:26:11,739 --> 01:26:08,419

was a tip of the hat so there you go

1914

01:26:14,679 --> 01:26:11,749

that's that was my takeaway I can tell

1915

01:26:17,259 --> 01:26:14,689

by the fact was a 43 minute conversation

1916

01:26:22,649 --> 01:26:17,269

the nature of how he said it you know

1917

01:26:25,269 --> 01:26:22,659

that that you know that these guys are

1918

01:26:26,499 --> 01:26:25,279

aware he clearly said it you know he had

1919

01:26:29,259 --> 01:26:26,509

read it I asked him that right from the

1920

01:26:32,019 --> 01:26:29,269

beginning they've seen everything they

1921

01:26:34,299 --> 01:26:32,029

discussed it and obviously it's a

1922

01:26:37,029 --> 01:26:34,309

concern to them which might speak to

1923

01:26:40,959 --> 01:26:37,039

whoever put it out there in their

1924

01:26:44,469 --> 01:26:40,969

motivations was to be of concern to

1925

01:26:45,789 --> 01:26:44,479

these individual okay because they

1926

01:26:47,439 --> 01:26:45,799

caught the problem she was done

1927

01:26:49,899 --> 01:26:47,449

deliberately to cause them problems what

1928

01:26:51,939 --> 01:26:49,909

you're saying yeah yeah and I'm gonna

1929

01:26:53,679 --> 01:26:51,949

throw out now this is just Melinda this

1930

01:26:59,049 --> 01:26:53,689

is just me and I admit this so you guys

1931

01:27:02,019 --> 01:26:59,059

this is just from okay from all the

1932

01:27:03,629 --> 01:27:02,029

stuff that I know so far from the

1933

01:27:05,769 --> 01:27:03,639

conversations that I've had with

1934

01:27:11,229 --> 01:27:05,779

everybody I've already mentioned in this

1935

01:27:13,659 --> 01:27:11,239

interview is that was I to do with that

1936

01:27:14,019 --> 01:27:13,669

I had inside me to like move stuff

1937

01:27:19,439 --> 01:27:14,029

around

1938

01:27:27,009 --> 01:27:19,449

sorry if I'm speculating here the

1939

01:27:28,539 --> 01:27:27,019

reasons yes if just semi vented say oh

1940

01:27:29,739 --> 01:27:28,549

doesn't cause any problems for us we're

1941

01:27:33,099 --> 01:27:29,749

not concerned when we had one meeting

1942

01:27:36,819 --> 01:27:33,109

about it you know okay that's you know

1943

01:27:40,209 --> 01:27:36,829

I'm quoting him okay but if they're

1944

01:27:42,699 --> 01:27:40,219

concerned and have locked arms in a

1945

01:27:44,469 --> 01:27:42,709

unanimous voice in a response and are

1946

01:27:48,189 --> 01:27:44,479

getting marching orders on how to

1947

01:27:51,009 --> 01:27:48,199

respond from anyone in the UFO community

1948

01:27:54,430 --> 01:27:51,019

research to me and or the media how to

1949

01:27:57,220 --> 01:27:54,440

respond to this they have a game plan

1950

01:27:59,140 --> 01:27:57,230

apparent okay I don't think that's a far

1951

01:28:02,950 --> 01:27:59,150

reach to suggest these guys have a game

1952

01:28:04,960 --> 01:28:02,960

plan and I think that the reason someone

1953

01:28:06,700 --> 01:28:04,970

may have released this now a lot of what

1954

01:28:09,850 --> 01:28:06,710

i investor-state the speculation based

1955

01:28:13,780 --> 01:28:09,860

upon if if and I'm saying if you guys

1956

01:28:15,520 --> 01:28:13,790

these were the files of dr. Edgar

1957

01:28:17,500 --> 01:28:15,530

Mitchell because if he was copied on

1958

01:28:20,470 --> 01:28:17,510

everything during its time with knids

1959

01:28:23,050 --> 01:28:20,480

and that someone has now released that

1960

01:28:25,090 --> 01:28:23,060

after his death whether at its request

1961

01:28:27,610 --> 01:28:25,100

or not but someone has released that

1962

01:28:30,940 --> 01:28:27,620

stuff so let's go with that as a working

1963

01:28:32,440 --> 01:28:30,950

premise okay based upon that premise I

1964

01:28:34,420 --> 01:28:32,450

was well what could be the reasons for

1965

01:28:37,360 --> 01:28:34,430

release and some of these were things

1966

01:28:40,180 --> 01:28:37,370

that I discussed with because I do not

1967

01:28:42,460 --> 01:28:40,190

know dr. Mitchell many research and

1968

01:28:45,280 --> 01:28:42,470

field staff have met him but someone

1969

01:28:51,220 --> 01:28:45,290

that I know quite well it was very very

1970

01:28:53,740 --> 01:28:51,230

close to him and that is the rank of the

1971

01:28:55,600 --> 01:28:53,750

organization free yes sir right so after

1972

01:28:57,760 --> 01:28:55,610

conversation of him I and him and I

1973

01:28:59,500 --> 01:28:57,770

speculated and then I went on and then I

1974

01:29:02,620 --> 01:28:59,510

talked to Grant and so this again I'll

1975

01:29:04,240 --> 01:29:02,630

own this this is Melinda speculation but

1976

01:29:07,440 --> 01:29:04,250

the reasons for the release and these

1977

01:29:09,640 --> 01:29:07,450

aren't a particular order so one was

1978

01:29:11,920 --> 01:29:09,650

that I said I don't know if the person

1979

01:29:14,140 --> 01:29:11,930

who did this is trying to just push the

1980

01:29:16,090 --> 01:29:14,150

subject way forward due to being

1981

01:29:18,910 --> 01:29:16,100

impatient with the current disclosure

1982

01:29:21,160 --> 01:29:18,920

trajectory if some of these things and

1983

01:29:22,660 --> 01:29:21,170

we have mean really you know we all

1984

01:29:25,470 --> 01:29:22,670

talked about the Wilson document to

1985

01:29:28,960 --> 01:29:25,480

Randy and I and our research the letter

1986

01:29:31,810 --> 01:29:28,970

from Bigelow to dr. Mitchell is

1987

01:29:33,700 --> 01:29:31,820

extremely important because one thing

1988

01:29:37,120 --> 01:29:33,710

Randy and I have come up with with our

1989

01:29:41,470 --> 01:29:37,130

research of these individuals and their

1990

01:29:44,980 --> 01:29:41,480

involvement in the UFO subject is a huge

1991

01:29:47,170 --> 01:29:44,990

high degree of interest in abductions

1992

01:29:49,060 --> 01:29:47,180

and abduction research an abduction

1993

01:29:52,200 --> 01:29:49,070

accounts and in the science from

1994

01:29:54,940 --> 01:29:52,210

abductions and in the implants etc etc

1995

01:29:58,180 --> 01:29:54,950

and they're doing that now as everyone

1996

01:30:00,580 --> 01:29:58,190

knows with the dr. Davis and the KITT

1997

01:30:02,740 --> 01:30:00,590

green and that Jacques de la you know

1998

01:30:05,380 --> 01:30:02,750

involvement and the work they've done

1999

01:30:08,230 --> 01:30:05,390

with abductees this is not a secret to

2000

01:30:10,960 --> 01:30:08,240

this day and yet there's a history going

2001

01:30:15,340 --> 01:30:10,970

back in the 40-year history going back

2002

01:30:18,100 --> 01:30:15,350

to the original meeting and I gave you

2003

01:30:20,110 --> 01:30:18,110

guys a Genda and the first two pages a

2004

01:30:22,780 --> 01:30:20,120

part of the transparencies now the

2005

01:30:25,690 --> 01:30:22,790

highlighting on there is something I did

2006

01:30:28,960 --> 01:30:25,700

in a rush because I was taking photos of

2007

01:30:33,790 --> 01:30:28,970

those documents to include before last

2008

01:30:36,130 --> 01:30:33,800

August in my powerpoint presentation for

2009

01:30:38,830 --> 01:30:36,140

speaking for Lori Ann first date first

2010

01:30:41,920 --> 01:30:38,840

in the March before that for us Oh Kahn

2011

01:30:45,070 --> 01:30:41,930

and then the following August for her

2012

01:30:46,780 --> 01:30:45,080

MUFON Sonoma you know Mendocino I move

2013

01:30:51,310 --> 01:30:46,790

on Marin County I'm sorry Marine County

2014

01:30:52,540 --> 01:30:51,320

Sonoma so um and so I had I wanted to

2015

01:30:55,420 --> 01:30:52,550

include those as kind of last-minute

2016

01:30:57,010 --> 01:30:55,430

idea I highlighted them so when I took

2017

01:30:59,470 --> 01:30:57,020

pictures of them I could actually show

2018

01:31:01,810 --> 01:30:59,480

the documents and highlight the parts

2019

01:31:04,240 --> 01:31:01,820

that I thought were significant to the

2020

01:31:06,760 --> 01:31:04,250

presentation I was giving but one of the

2021

01:31:10,480 --> 01:31:06,770

they had three stated goals in their

2022

01:31:14,650 --> 01:31:10,490

meeting in 1985 one was about the

2023

01:31:18,520 --> 01:31:14,660

technology to was sigh paranormal

2024

01:31:21,040 --> 01:31:18,530

abilities three was abduction now if you

2025

01:31:23,800 --> 01:31:21,050

go back to the group behind all of this

2026

01:31:26,050 --> 01:31:23,810

there's this common thread this common

2027

01:31:27,490 --> 01:31:26,060

thread group in their meeting stating

2028

01:31:31,570 --> 01:31:27,500

these are our plans over the next number

2029

01:31:33,790 --> 01:31:31,580

of years are these interests in USO

2030

01:31:35,320 --> 01:31:33,800

technology SCI functioning site

2031

01:31:37,530 --> 01:31:35,330

component the site part of the

2032

01:31:40,630 --> 01:31:37,540

technology as well as abduction and

2033

01:31:43,480 --> 01:31:40,640

abductions themselves of course this has

2034

01:31:46,720 --> 01:31:43,490

always dug tailed right in with my

2035

01:31:48,700 --> 01:31:46,730

Miletus research and some of these same

2036

01:31:52,840 --> 01:31:48,710

names and individuals have come up

2037

01:31:55,660 --> 01:31:52,850

repeatedly with my new lab cases that

2038

01:31:59,140 --> 01:31:55,670

they've had strong interest in these

2039

01:32:02,520 --> 01:31:59,150

Malad cases strong interest in the

2040

01:32:05,200 --> 01:32:02,530

abject ease and the same the same

2041

01:32:07,900 --> 01:32:05,210

abductees that these same individuals

2042

01:32:11,110 --> 01:32:07,910

have shown interest in some of those

2043

01:32:14,680 --> 01:32:11,120

same abductees also are my new lab cases

2044

01:32:17,980 --> 01:32:14,690

in addition so all along these games

2045

01:32:20,440 --> 01:32:17,990

kept coming up no I'm not saying and I

2046

01:32:21,669 --> 01:32:20,450

have never been able to find an absolute

2047

01:32:24,130 --> 01:32:21,679

well actually

2048

01:32:26,620 --> 01:32:24,140

that bet I think that back I have found

2049

01:32:29,350 --> 01:32:26,630

very little absolute links but there are

2050

01:32:30,790 --> 01:32:29,360

some directly to mil have related

2051
01:32:34,630 --> 01:32:30,800
scenarios so I can't say there's nothing

2052
01:32:38,350 --> 01:32:34,640
there are including one individual who

2053
01:32:42,120 --> 01:32:38,360
is part of the original group my one of

2054
01:32:46,360 --> 01:32:42,130
my cases worked for him during that time

2055
01:32:48,810 --> 01:32:46,370
he owed her some back pay she went to

2056
01:32:52,120 --> 01:32:48,820
take him to court he threatened her by

2057
01:32:55,090 --> 01:32:52,130
saying and he went into great detail

2058
01:32:59,470 --> 01:32:55,100
about one of her actual milla military

2059
01:33:04,780 --> 01:32:59,480
abduction scenarios as if he was present

2060
01:33:07,000 --> 01:33:04,790
during it and/or watched a video taken

2061
01:33:08,729 --> 01:33:07,010
of her event in other words like the

2062
01:33:11,470 --> 01:33:08,739
military perpetrators in her event

2063
01:33:13,810 --> 01:33:11,480

filmed the whole thing and he saw a

2064

01:33:16,750 --> 01:33:13,820

video of it or he was actually present

2065

01:33:19,120 --> 01:33:16,760

when it happened because he knew details

2066

01:33:22,360 --> 01:33:19,130

about an experience that was a mill

2067

01:33:25,300 --> 01:33:22,370

above Dutch and used that to threaten

2068

01:33:26,620 --> 01:33:25,310

her to say not only will you not take me

2069

01:33:29,680 --> 01:33:26,630

to court over this money but you're

2070

01:33:31,300 --> 01:33:29,690

gonna drop this because I know all this

2071

01:33:33,340 --> 01:33:31,310

and used it as a way to threaten her and

2072

01:33:36,580 --> 01:33:33,350

she called me and said no Linda he knew

2073

01:33:37,990 --> 01:33:36,590

every detail that account so that is one

2074

01:33:40,090 --> 01:33:38,000

of the individuals involved another

2075

01:33:43,450 --> 01:33:40,100

individual involved I've had at least

2076

01:33:46,260 --> 01:33:43,460

three people placed that individual

2077

01:33:48,610 --> 01:33:46,270

there during their interrogations

2078

01:33:50,350 --> 01:33:48,620

interrogated underground base that

2079

01:33:52,959 --> 01:33:50,360

gentleman there and I've had three

2080

01:33:54,700 --> 01:33:52,969

separate people placed in there so ok so

2081

01:33:56,919 --> 01:33:54,710

I'm not gonna name names because I'm not

2082

01:34:00,760 --> 01:33:56,929

gonna set myself up for you know major

2083

01:34:03,280 --> 01:34:00,770

flak but but these are the same people

2084

01:34:06,100 --> 01:34:03,290

so there's it's always dug tailed

2085

01:34:08,229 --> 01:34:06,110

directly in that way anyways with my new

2086

01:34:11,229 --> 01:34:08,239

lab researches which has kept me going

2087

01:34:14,620 --> 01:34:11,239

to this day where you go well why should

2088

01:34:18,430 --> 01:34:14,630

send me van talking to me all you guys I

2089

01:34:21,070 --> 01:34:18,440

bet you yes ok I just told you my ok so

2090

01:34:23,890 --> 01:34:21,080

so but also told you that my labs aren't

2091

01:34:25,959 --> 01:34:23,900

happening - no he didn't tell me that he

2092

01:34:28,120 --> 01:34:25,969

did not tell me that he's never told me

2093

01:34:31,600 --> 01:34:28,130

that I don't know where you're getting

2094

01:34:35,600 --> 01:34:31,610

that from he never told me that fact he

2095

01:34:37,430 --> 01:34:35,610

told me something very opposite of that

2096

01:34:39,140 --> 01:34:37,440

we've had multiple discussions and it

2097

01:34:40,939 --> 01:34:39,150

was very much the opposite of that so I

2098

01:34:42,200 --> 01:34:40,949

want to go back into these reasons for

2099

01:34:44,990 --> 01:34:42,210

the release of the documents because I

2100

01:34:47,180 --> 01:34:45,000

think this is important so I said so

2101
01:34:49,430 --> 01:34:47,190
so whoever released this may be trying

2102
01:34:51,229 --> 01:34:49,440
to push the subject way for due to being

2103
01:34:53,270 --> 01:34:51,239
very impatient with the current

2104
01:34:54,770 --> 01:34:53,280
disclosure trajectory these guys are

2105
01:34:56,630 --> 01:34:54,780
taking too long too slow they're not

2106
01:34:58,580 --> 01:34:56,640
admitting everything they know and so

2107
01:35:01,160 --> 01:34:58,590
let's push this forward that's reason

2108
01:35:03,560 --> 01:35:01,170
one number two whoever did this doesn't

2109
01:35:05,930 --> 01:35:03,570
like where it's going specifically with

2110
01:35:07,729 --> 01:35:05,940
the threat perspective they may not like

2111
01:35:09,649 --> 01:35:07,739
the threat perspective and so they're

2112
01:35:12,229 --> 01:35:09,659
going to kind of expose these guys know

2113
01:35:14,270 --> 01:35:12,239

better or or that they are generating

2114

01:35:16,490 --> 01:35:14,280

that for a reason okay

2115

01:35:17,570 --> 01:35:16,500

meaning the guys doing disclosure that

2116

01:35:19,490 --> 01:35:17,580

they're generating that threat

2117

01:35:22,280 --> 01:35:19,500

perspective for a reason okay number

2118

01:35:25,280 --> 01:35:22,290

three the person doing this may wish to

2119

01:35:26,510 --> 01:35:25,290

expose that these folks actually know a

2120

01:35:29,270 --> 01:35:26,520

lot more than they're saying

2121

01:35:31,580 --> 01:35:29,280

look clearly these documents suggests

2122

01:35:34,820 --> 01:35:31,590

these folks know a lot more than they've

2123

01:35:37,250 --> 01:35:34,830

said publicly or published or anything

2124

01:35:41,600 --> 01:35:37,260

so so someone could be trying to expose

2125

01:35:43,760 --> 01:35:41,610

that for obviously in a four - they may

2126
01:35:47,600 --> 01:35:43,770
be trying to redirect the disclosure

2127
01:35:50,090 --> 01:35:47,610
conversation more towards the truth or

2128
01:35:51,290 --> 01:35:50,100
at least bigger more truthful story in

2129
01:35:53,330 --> 01:35:51,300
other words the bigger story so they're

2130
01:35:56,870 --> 01:35:53,340
trying to direct it towards the truth of

2131
01:35:59,240 --> 01:35:56,880
the bigger story and five I said to

2132
01:36:01,669 --> 01:35:59,250
point out or actually to actually expose

2133
01:36:03,500 --> 01:36:01,679
the agenda of the people involved with

2134
01:36:05,000 --> 01:36:03,510
the current disclosure story so I just

2135
01:36:07,939 --> 01:36:05,010
threw those out there those are my

2136
01:36:09,620 --> 01:36:07,949
theories as to the motivation by someone

2137
01:36:11,450 --> 01:36:09,630
to do this and I admit they're just mine

2138
01:36:12,740 --> 01:36:11,460

but they're based upon logic they're

2139

01:36:17,180 --> 01:36:12,750

based upon my talking to other

2140

01:36:19,130 --> 01:36:17,190

researchers they're based upon a bunch

2141

01:36:21,260 --> 01:36:19,140

of you know interlinking things that I

2142

01:36:23,209 --> 01:36:21,270

think why would someone come forward

2143

01:36:24,649 --> 01:36:23,219

with these well and the timing and it's

2144

01:36:27,220 --> 01:36:24,659

all based on the timing because

2145

01:36:30,050 --> 01:36:27,230

everything I just said reflects that

2146

01:36:32,000 --> 01:36:30,060

timing issue of why it's happening right

2147

01:36:34,280 --> 01:36:32,010

now there is they're trying to push it

2148

01:36:36,770 --> 01:36:34,290

forward faster or throw a wrench in the

2149

01:36:38,209 --> 01:36:36,780

works or expose it or something okay so

2150

01:36:40,820 --> 01:36:38,219

I just threw that out there and I just

2151
01:36:42,860 --> 01:36:40,830
wanted to offer that up a millennia

2152
01:36:48,040 --> 01:36:42,870
doesn't the smoking gun document

2153
01:36:53,540 --> 01:36:50,270
no okay

2154
01:36:56,930 --> 01:36:53,550
I don't think it does say that well our

2155
01:36:59,510 --> 01:36:56,940
jock gansler does say I think I think I

2156
01:37:04,280 --> 01:36:59,520
don't think it says that okay I think

2157
01:37:06,470 --> 01:37:04,290
that someone is is not you know I'd have

2158
01:37:07,430 --> 01:37:06,480
to go back refer to me I don't have it

2159
01:37:09,410 --> 01:37:07,440
right in front of me

2160
01:37:10,939 --> 01:37:09,420
so refer to me we're on the document it

2161
01:37:12,800 --> 01:37:10,949
says that in the context of which it

2162
01:37:16,010 --> 01:37:12,810
says yeah hang on let me let me find

2163
01:37:18,709 --> 01:37:16,020

that page for I think I'm really dark

2164

01:37:20,959 --> 01:37:18,719

which I do remember okay

2165

01:37:30,140 --> 01:37:20,969

it's time to but somebody eric is

2166

01:37:32,750 --> 01:37:30,150

quoting eric is quoting okay yes Erica's

2167

01:37:34,939 --> 01:37:32,760

quoting Wilson is saying that Wilson is

2168

01:37:37,250 --> 01:37:34,949

saying he was told that by someone else

2169

01:37:39,379 --> 01:37:37,260

I'm not it doesn't even say that Wilson

2170

01:37:41,360 --> 01:37:39,389

believes that okay he's quoting somebody

2171

01:37:42,740 --> 01:37:41,370

else so Eric voting Wilson quoting

2172

01:37:44,419 --> 01:37:42,750

somebody else you don't know what

2173

01:37:46,430 --> 01:37:44,429

actually someone believes and then I

2174

01:37:48,740 --> 01:37:46,440

think the third document tosses that on

2175

01:37:50,930 --> 01:37:48,750

its head because the third document and

2176

01:37:52,939 --> 01:37:50,940

these came out together to grant and

2177

01:37:58,640 --> 01:37:52,949

though everyone should keep that in mind

2178

01:38:02,810 --> 01:37:58,650

someone handed to him well I'm right

2179

01:38:06,050 --> 01:38:02,820

here okay let's go give her a call back

2180

01:38:08,180 --> 01:38:06,060

if she did drop off maybe or my Clinton

2181

01:38:08,959 --> 01:38:08,190

you cuz I see her right there yeah she's

2182

01:38:10,939 --> 01:38:08,969

the one I want

2183

01:38:15,080 --> 01:38:10,949

yeah she is you know she might be having

2184

01:38:16,729 --> 01:38:15,090

an audio issue right there but just one

2185

01:38:19,939 --> 01:38:16,739

sec I'm looking at the document right

2186

01:38:26,990 --> 01:38:19,949

now regarding the abduction not being

2187

01:38:29,479 --> 01:38:27,000

real scenario okay yeah well we look for

2188

01:38:31,669 --> 01:38:29,489

that just wanted to kind of mention

2189

01:38:33,890 --> 01:38:31,679

something interesting this has been a

2190

01:38:35,750 --> 01:38:33,900

really great discussion with Melinda I'm

2191

01:38:38,000 --> 01:38:35,760

hoping that we can get her back on oh

2192

01:38:40,310 --> 01:38:38,010

yeah her work on this working group and

2193

01:38:44,330 --> 01:38:40,320

all that is absolutely top-notch it's

2194

01:38:47,180 --> 01:38:44,340

just we've obviously got some problems

2195

01:38:49,310 --> 01:38:47,190

with with the Wilson with the Wilson

2196

01:38:50,959 --> 01:38:49,320

dock we've got a problem so I think

2197

01:38:53,689 --> 01:38:50,969

we've joined up some more information

2198

01:38:56,510 --> 01:38:53,699

tonight that presents a problem with it

2199

01:38:58,939 --> 01:38:56,520

that our feeling is that too many a UFO

2200

01:39:00,500 --> 01:38:58,949

researchers and just sort of accepted it

2201

01:39:06,320 --> 01:39:00,510

and not looked at it critically

2202

01:39:08,120 --> 01:39:06,330

yeah this is let's see what's it I'm

2203

01:39:09,680 --> 01:39:08,130

adding her right now by the way just so

2204

01:39:16,270 --> 01:39:09,690

you know I'm trying to get her right now

2205

01:39:19,220 --> 01:39:16,280

so she okay okay Melissa okay go ahead

2206

01:39:20,050 --> 01:39:19,230

okay I'm trying to remember where I was

2207

01:39:22,310 --> 01:39:20,060

anyway

2208

01:39:24,890 --> 01:39:22,320

so I was saying that there that there

2209

01:39:28,340 --> 01:39:24,900

you know so far what we know is it

2210

01:39:29,270 --> 01:39:28,350

appears to come from one source okay now

2211

01:39:30,920 --> 01:39:29,280

we don't know if there's a group of

2212

01:39:35,479 --> 01:39:30,930

people behind that but at this point

2213

01:39:37,880 --> 01:39:35,489

okay at least all the Melinda there is

2214

01:39:40,460 --> 01:39:37,890

one person that we do know had all these

2215

01:39:42,110 --> 01:39:40,470

docs collected in one package at one

2216

01:39:49,960 --> 01:39:42,120

point in time and that and that was

2217

01:39:54,770 --> 01:39:52,790

cabinet to grant James says this is

2218

01:39:55,580 --> 01:39:54,780

everything I have Grant says this is

2219

01:39:57,440 --> 01:39:55,590

everything I have

2220

01:39:58,760 --> 01:39:57,450

Jane says I don't know the source who

2221

01:40:02,990 --> 01:39:58,770

gave me to me is going to give out more

2222

01:40:06,320 --> 01:40:03,000

stuff or not okay so and and and so we

2223

01:40:11,540 --> 01:40:06,330

don't know if there's I've given

2224

01:40:14,420 --> 01:40:11,550

everything I had okay industry my point

2225

01:40:16,400 --> 01:40:14,430

my point being the third thing that

2226
01:40:18,830 --> 01:40:16,410
grant just came out with it you know he

2227
01:40:20,960 --> 01:40:18,840
has a few others but he's he's waiting

2228
01:40:22,820 --> 01:40:20,970
til you know he thinks it's important

2229
01:40:24,440 --> 01:40:22,830
you know whatever he's kind of laying

2230
01:40:25,550 --> 01:40:24,450
low I did it there's we just talked

2231
01:40:28,760 --> 01:40:25,560
about there's a lot of reasons that's

2232
01:40:31,010 --> 01:40:28,770
you know just grant okay so so but he

2233
01:40:34,100 --> 01:40:31,020
came forward with this other one because

2234
01:40:38,780 --> 01:40:34,110
he thought being that it was was a

2235
01:40:42,220 --> 01:40:38,790
letter from Bigelow to dr. Mitchell that

2236
01:40:45,080 --> 01:40:42,230
it is it certainly showed or was

2237
01:40:46,520 --> 01:40:45,090
circumstantial evidence okay to suggest

2238
01:40:50,240 --> 01:40:46,530

that these were from Mitchell's file

2239

01:40:52,160 --> 01:40:50,250

okay but in addition to that what's

2240

01:40:53,660 --> 01:40:52,170

important to Randi coping and I is

2241

01:40:55,820 --> 01:40:53,670

something we've said because it goes

2242

01:40:57,620 --> 01:40:55,830

back to that original meeting and all

2243

01:41:00,080 --> 01:40:57,630

has been a big part of their focus all

2244

01:41:01,880 --> 01:41:00,090

along was an intense focus on abduction

2245

01:41:03,500 --> 01:41:01,890

research that's one of their primary

2246

01:41:05,000 --> 01:41:03,510

things now you're not hearing to the

2247

01:41:07,190 --> 01:41:05,010

start or anybody talked about that yet

2248

01:41:08,959 --> 01:41:07,200

I'm not even talking about experience in

2249

01:41:11,450 --> 01:41:08,969

general yeah but there is a history

2250

01:41:14,360 --> 01:41:11,460

going back with this group I mean I I

2251

01:41:15,890 --> 01:41:14,370

gave a whole two hour long lecture it

2252

01:41:17,990 --> 01:41:15,900

if anybody goes to the link I gave you

2253

01:41:21,320 --> 01:41:18,000

guys and watches it all about the

2254

01:41:23,090 --> 01:41:21,330

history and and it's a significant part

2255

01:41:25,180 --> 01:41:23,100

of it is their constant interest in

2256

01:41:27,530 --> 01:41:25,190

abductions and and involved with

2257

01:41:29,270 --> 01:41:27,540

abductees I mean these guys are going

2258

01:41:31,250 --> 01:41:29,280

and spending the night at abductees

2259

01:41:33,830 --> 01:41:31,260

house to investigate their cases

2260

01:41:35,450 --> 01:41:33,840

multiple people and I'm insisting a

2261

01:41:38,780 --> 01:41:35,460

little bit this is a lot you know and

2262

01:41:41,720 --> 01:41:38,790

and funding Bigelow's funding abduction

2263

01:41:43,970 --> 01:41:41,730

research organizations he funded by the

2264

01:41:46,430 --> 01:41:43,980

way the third document the letter

2265

01:41:47,480 --> 01:41:46,440

Bigelow is telling telling Henry we're

2266

01:41:49,070 --> 01:41:47,490

gonna talk about this we're gonna talk

2267

01:41:52,970 --> 01:41:49,080

about this we're gonna talk about the

2268

01:41:56,150 --> 01:41:52,980

fact that we sent abduction implants

2269

01:41:58,310 --> 01:41:56,160

removed implants we sent them to Los

2270

01:42:00,050 --> 01:41:58,320

Alamos they've got results for us we're

2271

01:42:03,770 --> 01:42:00,060

going to discuss those results from Los

2272

01:42:05,270 --> 01:42:03,780

Alamos labs of these implants and you

2273

01:42:07,010 --> 01:42:05,280

know what whose implants those were

2274

01:42:09,200 --> 01:42:07,020

those were all from dr. Roger Leir

2275

01:42:11,750 --> 01:42:09,210

because they were funding the surgeries

2276

01:42:13,310 --> 01:42:11,760

of dr. Leir that's well-established they

2277

01:42:15,170 --> 01:42:13,320

were funding those surgeries it doesn't

2278

01:42:17,090 --> 01:42:15,180

mention Lear in the letter but anyone

2279

01:42:18,800 --> 01:42:17,100

who knows the history knows okay these

2280

01:42:20,660 --> 01:42:18,810

are Lear's implants isn't that

2281

01:42:22,250 --> 01:42:20,670

interesting all of you guys who had you

2282

01:42:24,290 --> 01:42:22,260

know surgeries with leered that your

2283

01:42:27,260 --> 01:42:24,300

implants went to Los Alamos but uh guess

2284

01:42:30,080 --> 01:42:27,270

what that's it right there you know and

2285

01:42:32,030 --> 01:42:30,090

it shows and it shows the importance of

2286

01:42:33,920 --> 01:42:32,040

abduction research in that letter it

2287

01:42:36,050 --> 01:42:33,930

states clearly repeatedly it's almost in

2288

01:42:38,120 --> 01:42:36,060

every paragraph their interest in

2289

01:42:40,460 --> 01:42:38,130

abduction research it's clearly stated

2290

01:42:42,290 --> 01:42:40,470

and to Randi and I we already knew that

2291

01:42:44,210 --> 01:42:42,300

we knew it from multiple sources boom

2292

01:42:46,160 --> 01:42:44,220

there's a whole new Oh brand-new

2293

01:42:48,380 --> 01:42:46,170

document backing up what we've been

2294

01:42:49,790 --> 01:42:48,390

saying about okay Melinda I'm gonna go

2295

01:42:52,340 --> 01:42:49,800

and break in here yeah I'm sorry I

2296

01:42:56,780 --> 01:42:52,350

didn't mean page fourteen at page 15 it

2297

01:42:57,740 --> 01:42:56,790

says TW UFOs are real so-called alien

2298

01:43:00,920 --> 01:42:57,750

abductions

2299

01:43:04,190 --> 01:43:00,930

not real gansler said this that's the

2300

01:43:07,190 --> 01:43:04,200

quote that comes from the alleged that

2301
01:43:08,720 --> 01:43:07,200
smoking gun but the source he's getting

2302
01:43:10,400 --> 01:43:08,730
it from this are the source but also

2303
01:43:11,900 --> 01:43:10,410
aren't going to tell him everything so

2304
01:43:13,670 --> 01:43:11,910
why would they tell him the truth about

2305
01:43:15,260 --> 01:43:13,680
that they're not telling him everything

2306
01:43:16,910 --> 01:43:15,270
he's saying they're not giving me

2307
01:43:19,220 --> 01:43:16,920
everything I went to that meeting

2308
01:43:21,050 --> 01:43:19,230
they're not giving me everything I did

2309
01:43:23,000 --> 01:43:21,060
not get everything and and when they

2310
01:43:25,220 --> 01:43:23,010
told me this let's take it for what it's

2311
01:43:26,660 --> 01:43:25,230
worth it probably isn't true Wilson

2312
01:43:26,960 --> 01:43:26,670
saying I was told it doesn't mean it's

2313
01:43:28,279 --> 01:43:26,970

true

2314

01:43:32,569 --> 01:43:28,289

it just means

2315

01:43:33,949 --> 01:43:32,579

says I was told this you know I'm it I

2316

01:43:36,199 --> 01:43:33,959

don't think that I don't think we need

2317

01:43:37,789 --> 01:43:36,209

to imply anything about what Wilson

2318

01:43:40,369 --> 01:43:37,799

believed or not believed there he's just

2319

01:43:42,199 --> 01:43:40,379

saying they told me this okay I'd like

2320

01:43:42,439 --> 01:43:42,209

to let everybody know who Roger Leir was

2321

01:43:47,869 --> 01:43:42,449

I

2322

01:43:51,020 --> 01:43:47,879

about him back in the day he goes way

2323

01:43:52,849 --> 01:43:51,030

back and I think people need to

2324

01:43:55,399 --> 01:43:52,859

understand who he was he was an American

2325

01:43:58,189 --> 01:43:55,409

Poe diet I can never say this right by

2326
01:44:00,709 --> 01:43:58,199
the way cocoa diet Rick doctor surgeon

2327
01:44:02,899 --> 01:44:00,719
yeah and you fall just best known as an

2328
01:44:05,299 --> 01:44:02,909
investigator of alleged alien implants

2329
01:44:06,770 --> 01:44:05,309
Lee wrote books such as the alien and

2330
01:44:08,479 --> 01:44:06,780
the scalpel and appeared on various

2331
01:44:10,699 --> 01:44:08,489
radio and television shows including

2332
01:44:12,109 --> 01:44:10,709
coast-to-coast am claiming he had

2333
01:44:14,270 --> 01:44:12,119
discovered proof of non terrestrial

2334
01:44:16,309 --> 01:44:14,280
experimentation on man my god it's so

2335
01:44:19,549 --> 01:44:16,319
funny reading from wikipedia sometimes

2336
01:44:20,899 --> 01:44:19,559
isn't it I know yeah but yeah I didn't

2337
01:44:22,909 --> 01:44:20,909
need to pull up Wikipedia but I just

2338
01:44:24,859 --> 01:44:22,919

wanted to find out find something to

2339

01:44:26,209 --> 01:44:24,869

read about him quickly so folks can go

2340

01:44:28,429 --> 01:44:26,219

ahead and look him up I just want to

2341

01:44:32,119 --> 01:44:28,439

spell his last name so folks can

2342

01:44:35,839 --> 01:44:32,129

actually find him and that is l e r

2343

01:44:37,879 --> 01:44:35,849

Roger Leir and he was heavily involved

2344

01:44:40,399 --> 01:44:37,889

in ufology but anyway go ahead Melinda

2345

01:44:43,699 --> 01:44:40,409

to make your point sir he did 17 he did

2346

01:44:47,979 --> 01:44:43,709

17 surgical removal of alien implants

2347

01:44:50,479 --> 01:44:47,989

the left the last surgery patient 17 a

2348

01:44:53,770 --> 01:44:50,489

documentary was made by a very good

2349

01:44:56,419 --> 01:44:53,780

documentary was made by Jeremy carbo

2350

01:44:58,189 --> 01:44:56,429

jeremy carr belt wrote an amazing doctor

2351

01:45:00,109 --> 01:44:58,199

who made it you know produced and

2352

01:45:03,049 --> 01:45:00,119

directed an amazing documentary about

2353

01:45:05,599 --> 01:45:03,059

that last surgery and the work of dr.

2354

01:45:07,579 --> 01:45:05,609

Roger Leir so for people to know more I

2355

01:45:10,729 --> 01:45:07,589

also recommend that they go and watch

2356

01:45:12,949 --> 01:45:10,739

patient 17 okay someone who wanted to

2357

01:45:16,699 --> 01:45:12,959

make a point so let me just go ahead and

2358

01:45:18,349 --> 01:45:16,709

bring this up regarding TW and this is

2359

01:45:19,669 --> 01:45:18,359

okay so everybody understands I'm

2360

01:45:24,129 --> 01:45:19,679

reading this from the smoking gun

2361

01:45:26,599 --> 01:45:24,139

document and it says TW UFOs are real

2362

01:45:28,579 --> 01:45:26,609

so-called alien abductions not real

2363

01:45:31,669 --> 01:45:28,589

gansler said this I'm pulling that from

2364

01:45:35,809 --> 01:45:31,679

the doc from The Smoking Gun memo as

2365

01:45:38,269 --> 01:45:35,819

it's called a one-inch Wilson never will

2366

01:45:41,269 --> 01:45:38,279

done odin gamblers having had told him

2367

01:45:42,899 --> 01:45:41,279

that okay hold on what I wanted to say

2368

01:45:47,040 --> 01:45:42,909

is

2369

01:45:50,459 --> 01:45:47,050

if we are to not believe that one quote

2370

01:45:53,040 --> 01:45:50,469

out of The Smoking Gun doc but believe

2371

01:45:53,939 --> 01:45:53,050

partner you know Wow I'm not saying

2372

01:45:55,919 --> 01:45:53,949

don't believe it

2373

01:45:58,859 --> 01:45:55,929

Wilson said it I don't doubt for a

2374

01:45:59,250 --> 01:45:58,869

minute that Wilson said Gansler told me

2375

01:46:02,359 --> 01:45:59,260

this

2376

01:46:04,770 --> 01:46:02,369

it doesn't mean Gansler was telling him

2377

01:46:06,419 --> 01:46:04,780

maybe cancer doesn't know about

2378

01:46:08,609 --> 01:46:06,429

obsessions there could be a million

2379

01:46:11,280 --> 01:46:08,619

reasons why he would say oil abductions

2380

01:46:13,379 --> 01:46:11,290

are there could be a million reasons why

2381

01:46:15,359 --> 01:46:13,389

you would say that to Wilson so you

2382

01:46:17,640 --> 01:46:15,369

can't read in who knows what get what

2383

01:46:19,589 --> 01:46:17,650

gambler meant maybe he did maybe he

2384

01:46:21,209 --> 01:46:19,599

wanted to not have Wilson look into

2385

01:46:23,100 --> 01:46:21,219

abductions they think oh there's nothing

2386

01:46:25,890 --> 01:46:23,110

to that like don't bother looking maybe

2387

01:46:27,479 --> 01:46:25,900

that was so you know I understand what

2388

01:46:29,490 --> 01:46:27,489

you mean when you say you can't read in

2389

01:46:31,979 --> 01:46:29,500

I get that from your perspective but I

2390

01:46:33,930 --> 01:46:31,989

always do I will always read into

2391

01:46:36,510 --> 01:46:33,940

documents it's just something I do well

2392

01:46:38,580 --> 01:46:36,520

we don't know why Gansler said it well

2393

01:46:42,540 --> 01:46:38,590

if we're believing that this is a real

2394

01:46:45,089 --> 01:46:42,550

interview and eric is writing down what

2395

01:46:46,919 --> 01:46:45,099

Wilson said Wilson is saying gambler

2396

01:46:49,050 --> 01:46:46,929

said there are none okay mate maybe

2397

01:46:50,310 --> 01:46:49,060

gansler believed that in tonight you

2398

01:46:51,780 --> 01:46:50,320

know you guys are subduction so let's

2399

01:46:53,580 --> 01:46:51,790

not even you know I don't want to go

2400

01:46:55,890 --> 01:46:53,590

there I'm an abject key I've had nine

2401

01:46:58,379 --> 01:46:55,900

mill events let's not go there

2402

01:47:00,810 --> 01:46:58,389

okay that's a person a button with me

2403

01:47:02,459 --> 01:47:00,820

obviously good and the third the third

2404

01:47:04,350 --> 01:47:02,469

thing which was came out with these

2405

01:47:05,490 --> 01:47:04,360

again if we think of these I don't want

2406

01:47:08,490 --> 01:47:05,500

to keep saying Bill tonight but I want

2407

01:47:09,720 --> 01:47:08,500

to call these you know I want you to

2408

01:47:11,370 --> 01:47:09,730

call them the Mitchell documents all

2409

01:47:12,870 --> 01:47:11,380

right you're right if there's no

2410

01:47:14,939 --> 01:47:12,880

absolute that they came from Mitchell I

2411

01:47:17,970 --> 01:47:14,949

guess we can but they came together you

2412

01:47:19,589 --> 01:47:17,980

can say these documents that were came

2413

01:47:21,660 --> 01:47:19,599

out together okay

2414

01:47:24,780 --> 01:47:21,670

from one single source it appears you

2415

01:47:26,640 --> 01:47:24,790

know so if you know given that is highly

2416

01:47:30,600 --> 01:47:26,650

likely because that's the story we're

2417

01:47:34,439 --> 01:47:30,610

all are getting so far that that that

2418

01:47:35,729 --> 01:47:34,449

the third scene clearly shows and we

2419

01:47:37,439 --> 01:47:35,739

know there's a long history there's no

2420

01:47:39,570 --> 01:47:37,449

question that knids had an interest in

2421

01:47:41,580 --> 01:47:39,580

abductions I mean ID's itself it's fun

2422

01:47:44,209 --> 01:47:41,590

it funded what was you know became the

2423

01:47:47,520 --> 01:47:44,219

carpenter debacle and and it funded a

2424

01:47:48,959 --> 01:47:47,530

the abduction transcription project of

2425

01:47:51,720 --> 01:47:48,969

MUFON and you know everything so this

2426

01:47:53,939 --> 01:47:51,730

this is well established that they had a

2427

01:47:55,410 --> 01:47:53,949

huge interest they were working with

2428

01:47:58,680 --> 01:47:55,420

advocates and that they are

2429

01:48:00,930 --> 01:47:58,690

to this day at least you know when I met

2430

01:48:04,020 --> 01:48:00,940

with semi van a year and a half ago the

2431

01:48:06,000 --> 01:48:04,030

first time for lunch where where he told

2432

01:48:08,700 --> 01:48:06,010

me and I didn't ask him this he offered

2433

01:48:10,080 --> 01:48:08,710

this up the to the stars Academy as we

2434

01:48:12,420 --> 01:48:10,090

know at the ten twelve people on their

2435

01:48:13,920 --> 01:48:12,430

website that is the public face of the

2436

01:48:16,260 --> 01:48:13,930

bigger group that he said was more like

2437

01:48:17,610 --> 01:48:16,270

50 people in the recent conversation I

2438

01:48:19,920 --> 01:48:17,620

just had with him I brought that up

2439

01:48:21,180 --> 01:48:19,930

again for clarity I specifically said

2440

01:48:22,770 --> 01:48:21,190

you once said to me is this still the

2441

01:48:24,690 --> 01:48:22,780

case he said yes

2442

01:48:26,750 --> 01:48:24,700

okay it's still the case it's a much

2443

01:48:29,460 --> 01:48:26,760

bigger group that's just the public face

2444

01:48:31,260 --> 01:48:29,470

realize it's a much bigger group of

2445

01:48:35,280 --> 01:48:31,270

people running the show on this thing

2446

01:48:39,030 --> 01:48:35,290

and and so you know so he said that and

2447

01:48:41,490 --> 01:48:39,040

part of that bigger group contains a

2448

01:48:44,610 --> 01:48:41,500

group of people doing research with

2449

01:48:47,220 --> 01:48:44,620

abductees an abduction organization they

2450

01:48:50,790 --> 01:48:47,230

went I went it's in my presentation I

2451
01:48:53,880 --> 01:48:50,800
went I went and called because I'd heard

2452
01:48:56,460 --> 01:48:53,890
a story regarding these guys trying to

2453
01:48:59,460 --> 01:48:56,470
fund free and they went to the board and

2454
01:49:03,930 --> 01:48:59,470
there was a I believe a conference that

2455
01:49:06,180 --> 01:49:03,940
called and where DeLong actually offered

2456
01:49:08,450 --> 01:49:06,190
the board of directors for free money

2457
01:49:11,810 --> 01:49:08,460
for all their research and stuff free

2458
01:49:15,630 --> 01:49:11,820
ray tells me they knew at the time that

2459
01:49:18,000 --> 01:49:15,640
because of the carpenter debacle and the

2460
01:49:20,730 --> 01:49:18,010
MUFON debacle and everything else they

2461
01:49:22,740 --> 01:49:20,740
said you know what no and they also said

2462
01:49:27,770 --> 01:49:22,750
we're we're you know CEO one three is

2463
01:49:32,310 --> 01:49:29,910

nonprofit and they said we can't accept

2464

01:49:34,170 --> 01:49:32,320

corporate money so no we don't want your

2465

01:49:35,550 --> 01:49:34,180

money and that was their out but they

2466

01:49:37,740 --> 01:49:35,560

said we knew the history these these

2467

01:49:40,770 --> 01:49:37,750

guys had a history that wasn't good

2468

01:49:41,160 --> 01:49:40,780

towards abductees and therefore no thank

2469

01:49:43,440 --> 01:49:41,170

you

2470

01:49:46,040 --> 01:49:43,450

we don't want to be involved a I guess

2471

01:49:50,700 --> 01:49:46,050

what free is very concerned of course

2472

01:49:53,250 --> 01:49:50,710

with the direction towards a kind of a

2473

01:49:55,140 --> 01:49:53,260

bent towards et's being a threat

2474

01:49:58,380 --> 01:49:55,150

obviously they're very concerned with

2475

01:50:01,410 --> 01:49:58,390

that well okay I just wanted to throw

2476

01:50:03,180 --> 01:50:01,420

that out there but but so that this

2477

01:50:06,510 --> 01:50:03,190

group has an interest in that

2478

01:50:09,350 --> 01:50:06,520

whether one guy told Wilson something he

2479

01:50:11,570 --> 01:50:09,360

thinks or feels or he said he was told

2480

01:50:13,970 --> 01:50:11,580

or maybe he told Wilson to throw Wilson

2481

01:50:16,790 --> 01:50:13,980

Ops III think it's such a minor pointed

2482

01:50:19,399 --> 01:50:16,800

it does not discredit the document come

2483

01:50:23,359 --> 01:50:19,409

on it's it's one it's one guy's opinion

2484

01:50:25,850 --> 01:50:23,369

that he's telling Wilson is if Wilson it

2485

01:50:27,919 --> 01:50:25,860

Wilson maybe quoting incorrectly it

2486

01:50:29,359 --> 01:50:27,929

doesn't mean a guy we don't know why the

2487

01:50:33,470 --> 01:50:29,369

guy well the same could be said about

2488

01:50:35,810 --> 01:50:33,480

the entire dock then if he could Wilson

2489

01:50:38,000 --> 01:50:35,820

is quoting the guy accurately okay so if

2490

01:50:39,620 --> 01:50:38,010

this is a true interview and Wilson's

2491

01:50:42,680 --> 01:50:39,630

quoting the guy ACK really the guy told

2492

01:50:45,350 --> 01:50:42,690

him that there that's it's don't again

2493

01:50:46,729 --> 01:50:45,360

but I told him that so much the guy told

2494

01:50:48,260 --> 01:50:46,739

him that it doesn't mean there's no

2495

01:50:53,479 --> 01:50:48,270

abductions it doesn't mean the whole

2496

01:50:56,810 --> 01:50:53,489

thing you're putting words in my mouth I

2497

01:51:02,330 --> 01:50:56,820

would like to say I'm just getting

2498

01:51:04,520 --> 01:51:02,340

worked out up here because I move on let

2499

01:51:05,899 --> 01:51:04,530

me just say one thing okay because for

2500

01:51:06,890 --> 01:51:05,909

the majority of the interview I would

2501

01:51:10,070 --> 01:51:06,900

say percentage-wise

2502

01:51:12,290 --> 01:51:10,080

you've been able to speak about 90% of

2503

01:51:14,689 --> 01:51:12,300

it I would like to say just something

2504

01:51:17,990 --> 01:51:14,699

okay and that is it's not really

2505

01:51:20,870 --> 01:51:18,000

something that's that epic but I would

2506

01:51:24,140 --> 01:51:20,880

like to say that I do have a problem

2507

01:51:26,149 --> 01:51:24,150

with that part of the document with

2508

01:51:27,680 --> 01:51:26,159

regard it's saying alien abductions are

2509

01:51:29,120 --> 01:51:27,690

not real and I'm not the only one on

2510

01:51:31,640 --> 01:51:29,130

this because there's other people I know

2511

01:51:33,320 --> 01:51:31,650

who feel the same way and now that's not

2512

01:51:35,720 --> 01:51:33,330

to say these Doc's are not real I'm not

2513

01:51:38,209 --> 01:51:35,730

singing in that respect I'm not saying

2514

01:51:41,209 --> 01:51:38,219

that I'm just saying my perspective my

2515

01:51:44,090 --> 01:51:41,219

own personal opinion is alien abductions

2516

01:51:46,520 --> 01:51:44,100

are real that was just the only point I

2517

01:51:48,979 --> 01:51:46,530

wanted to make aside from the other

2518

01:51:53,410 --> 01:51:48,989

point and that is that document does

2519

01:51:56,060 --> 01:51:53,420

state that there well obviously you know

2520

01:51:57,979 --> 01:51:56,070

will quote a guy we don't know why

2521

01:52:01,160 --> 01:51:57,989

the guy told Wilson that if this is all

2522

01:52:03,620 --> 01:52:01,170

an accurate and real document then you

2523

01:52:05,600 --> 01:52:03,630

know it if it is we got you know based

2524

01:52:07,820 --> 01:52:05,610

on that premise then you go see Wilson's

2525

01:52:10,160 --> 01:52:07,830

quoting this guy who knows why that guy

2526

01:52:11,660 --> 01:52:10,170

said that to Wilson it does Wilson's

2527

01:52:13,430 --> 01:52:11,670

quoted it's probably coating them

2528

01:52:14,930 --> 01:52:13,440

accurately it doesn't mean it's an

2529

01:52:17,510 --> 01:52:14,940

accurate statement he's just quoting the

2530

01:52:19,100 --> 01:52:17,520

guy telling them that you know so if

2531

01:52:21,560 --> 01:52:19,110

we're to go straight forward with words

2532

01:52:23,060 --> 01:52:21,570

a quotes accurate I don't know all I

2533

01:52:25,390 --> 01:52:23,070

know is those three

2534

01:52:28,460 --> 01:52:25,400

paragraphs that are quotes between oak

2535

01:52:30,380 --> 01:52:28,470

Shannon and Wilson and Aaron Wilson

2536

01:52:31,010 --> 01:52:30,390

saying oak told me this and Eric we know

2537

01:52:34,160 --> 01:52:31,020

all about it

2538

01:52:36,290 --> 01:52:34,170

i I have evidence in support of all that

2539

01:52:38,480 --> 01:52:36,300

that I've come forward with now and I

2540

01:52:41,360 --> 01:52:38,490

also have an addition story in that I

2541

01:52:45,560 --> 01:52:41,370

went to Jim Sammy van and got a very

2542

01:52:47,510 --> 01:52:45,570

similar response to Dolan and and Jim

2543

01:52:49,700 --> 01:52:47,520

said those additional things that I

2544

01:52:51,860 --> 01:52:49,710

thought were very telling he did admit

2545

01:52:55,160 --> 01:52:51,870

to me they know people mentioned in it

2546

01:52:56,900 --> 01:52:55,170

you know and and that you know they

2547

01:52:59,240 --> 01:52:56,910

don't create grief for those people so

2548

01:53:03,550 --> 01:52:59,250

okay and I know there's a reason what

2549

01:53:06,410 --> 01:53:03,560

are you going to do if one of the folks

2550

01:53:09,460 --> 01:53:06,420

allegedly involved in a smoking gun dock

2551

01:53:13,460 --> 01:53:09,470

and I'm not talking about Miller either

2552

01:53:17,210 --> 01:53:13,470

state said that he is not involved with

2553

01:53:19,820 --> 01:53:17,220

this dock and not only is he not that he

2554

01:53:23,570 --> 01:53:19,830

believes this entire dock being The

2555

01:53:26,030 --> 01:53:23,580

Smoking Gun talk is a fake what is

2556

01:53:27,650 --> 01:53:26,040

everybody going to do then that's my

2557

01:53:29,870 --> 01:53:27,660

question you know what I think the

2558

01:53:33,640 --> 01:53:29,880

answer is going to be I think it's going

2559

01:53:39,170 --> 01:53:33,650

to be the same thing and that is is that

2560

01:53:44,900 --> 01:53:39,180

by even saying something that that would

2561

01:53:47,480 --> 01:53:44,910

be considered a part of their hold on

2562

01:53:49,160 --> 01:53:47,490

Melinda let me finish that by by saying

2563

01:53:51,590 --> 01:53:49,170

that they're not a part of that that

2564

01:53:54,230 --> 01:53:51,600

they're not allowed to say it because of

2565

01:53:56,060 --> 01:53:54,240

some NDA or something they signed so

2566

01:53:58,550 --> 01:53:56,070

then we go back into our circular

2567

01:54:01,070 --> 01:53:58,560

discussion that an innocent person is

2568

01:54:04,280 --> 01:54:01,080

not allowed to refute these documents

2569

01:54:06,260 --> 01:54:04,290

because everybody is saying oh no no

2570

01:54:08,120 --> 01:54:06,270

they signed something to say they can't

2571

01:54:12,170 --> 01:54:08,130

say something so then how can an

2572

01:54:14,360 --> 01:54:12,180

innocent person defend themselves well

2573

01:54:23,600 --> 01:54:14,370

look I don't want to even go there I

2574

01:54:29,500 --> 01:54:23,610

don't know guys mention in the document

2575

01:54:35,090 --> 01:54:32,270

people in the document have been

2576
01:54:36,759 --> 01:54:35,100
approached and asked that's why I said

2577
01:54:39,069 --> 01:54:36,769
they circle the wagons they

2578
01:54:40,059 --> 01:54:39,079
locked arms they're all saying no

2579
01:54:42,719 --> 01:54:40,069
comment

2580
01:54:46,299 --> 01:54:42,729
well they're not all servers reef little

2581
01:54:49,169 --> 01:54:46,309
brief little things that aren't saying

2582
01:54:52,509 --> 01:54:49,179
it's real they're there they obviously

2583
01:54:55,599 --> 01:54:52,519
start speaking with a unanimous voice

2584
01:54:57,459 --> 01:54:55,609
they've spoken to each other there's an

2585
01:54:58,719 --> 01:54:57,469
agreement they're all coming across the

2586
01:55:01,209 --> 01:54:58,729
same way they're all saying similar

2587
01:55:03,519 --> 01:55:01,219
things where is your where is your

2588
01:55:05,739 --> 01:55:03,529

evidence that every single person in The

2589

01:55:14,769 --> 01:55:05,749

Smoking Gun doc I'm not saying everyone

2590

01:55:17,829 --> 01:55:14,779

did approach remains the same and that

2591

01:55:20,169 --> 01:55:17,839

is how can an innocent person defend

2592

01:55:24,699 --> 01:55:20,179

themselves from being accused of having

2593

01:55:26,679 --> 01:55:24,709

been involved in this doc allegedly that

2594

01:55:28,719 --> 01:55:26,689

you know what they do because because

2595

01:55:32,079 --> 01:55:28,729

they have security oaths they say what

2596

01:55:34,329 --> 01:55:32,089

they're saying which is so we'll see to

2597

01:55:35,859 --> 01:55:34,339

me that there's no that that's why our

2598

01:55:39,519 --> 01:55:35,869

IRA brought that up

2599

01:55:43,359 --> 01:55:39,529

I already van told me no on the pension

2600

01:55:45,069 --> 01:55:43,369

in the document is correct they can't

2601
01:55:47,139 --> 01:55:45,079
comment on the whole thing so in other

2602
01:55:49,959 --> 01:55:47,149
words all they can do is say because

2603
01:55:54,779 --> 01:55:49,969
there because this may have classified

2604
01:55:57,339 --> 01:55:54,789
stuff we can't comment on it if a person

2605
01:56:01,089 --> 01:55:57,349
allegedly involved in The Smoking Gun

2606
01:56:04,059 --> 01:56:01,099
dog is truly innocent and they have

2607
01:56:05,339 --> 01:56:04,069
nothing to do with the document how are

2608
01:56:08,109 --> 01:56:05,349
they supposed to defend themselves

2609
01:56:10,209 --> 01:56:08,119
against something like that it's just

2610
01:56:13,089 --> 01:56:10,219
going to cut a circular conspiracy cut

2611
01:56:15,729 --> 01:56:13,099
it because their training and Jim

2612
01:56:17,879 --> 01:56:15,739
explained to me their CIA training there

2613
01:56:20,769 --> 01:56:17,889

their intelligence training is is

2614

01:56:23,739 --> 01:56:20,779

because of their security oath they

2615

01:56:25,149 --> 01:56:23,749

cannot comment it okay well I can't no

2616

01:56:28,059 --> 01:56:25,159

well I said what do you guys can do he

2617

01:56:30,459 --> 01:56:28,069

said all we can do is say no comment

2618

01:56:33,639 --> 01:56:30,469

that's all we can do so based on that

2619

01:56:36,309 --> 01:56:33,649

logic that type of logic according to

2620

01:56:38,259 --> 01:56:36,319

your logic how is anybody going to

2621

01:56:40,569 --> 01:56:38,269

defend themselves if they are truly

2622

01:56:44,259 --> 01:56:40,579

innocent as nothing to do with The

2623

01:56:45,729 --> 01:56:44,269

Smoking Gun dark but what do you mean

2624

01:56:46,799 --> 01:56:45,739

defend themself no one's being accused

2625

01:56:49,239 --> 01:56:46,809

of anything

2626

01:56:50,290 --> 01:56:49,249

John Alexander's being accused of being

2627

01:56:54,160 --> 01:56:50,300

a liar

2628

01:56:58,920 --> 01:56:54,170

commander Miller okay you know what you

2629

01:57:01,900 --> 01:56:58,930

know John no comments in more men on it

2630

01:57:04,120 --> 01:57:01,910

comment on it smoking gun doc that's

2631

01:57:06,250 --> 01:57:04,130

okay I don't want to go this I don't

2632

01:57:08,290 --> 01:57:06,260

want to do this with you guys we're in

2633

01:57:14,440 --> 01:57:08,300

agreement here they they're they are

2634

01:57:17,220 --> 01:57:14,450

saying so far no comment they're not

2635

01:57:21,970 --> 01:57:17,230

denying it but they're saying no comment

2636

01:57:25,030 --> 01:57:21,980

Miller he's not said a word John

2637

01:57:26,950 --> 01:57:25,040

Alexander has well I'm ok I'm telling

2638

01:57:30,910 --> 01:57:26,960

you what I talked to did send me Ben

2639

01:57:33,220 --> 01:57:30,920

about that okay and and that is an

2640

01:57:35,950 --> 01:57:33,230

authority on John Alexander except for

2641

01:57:37,510 --> 01:57:35,960

John Alexander no one can see I'm saying

2642

01:57:38,740 --> 01:57:37,520

him and send me ban talk all the time

2643

01:57:40,360 --> 01:57:38,750

they're friends okay I'm just going with

2644

01:57:41,620 --> 01:57:40,370

what Jim said but they're saying no

2645

01:57:44,020 --> 01:57:41,630

comments they're all saying no you're on

2646

01:57:45,880 --> 01:57:44,030

that that's the point to our 43 minute

2647

01:57:48,730 --> 01:57:45,890

conversation with him to explain to me

2648

01:57:55,360 --> 01:57:48,740

why because of their security oath they

2649

01:58:01,960 --> 01:57:55,370

have to say no I'm not I'm not going to

2650

01:58:04,510 --> 01:58:01,970

accept it all I'm saying is I'm quoting

2651
01:58:07,780 --> 01:58:04,520
the guy that's it under what's exactly

2652
01:58:09,190 --> 01:58:07,790
guy as a researcher that no time that

2653
01:58:11,980 --> 01:58:09,200
means that's a roadblock there's no

2654
01:58:14,260 --> 01:58:11,990
point in pursuing it because that's just

2655
01:58:16,210 --> 01:58:14,270
be clear everybody understands john

2656
01:58:20,980 --> 01:58:16,220
alexander has not said a word about this

2657
01:58:23,560 --> 01:58:20,990
and that does not mean he is involved in

2658
01:58:26,800 --> 01:58:23,570
the dark he has to have an opportunity

2659
01:58:30,600 --> 01:58:26,810
to defend himself and now he cannot

2660
01:58:33,550 --> 01:58:30,610
nobody doesn't know he doesn't need to

2661
01:58:36,070 --> 01:58:33,560
say no comment for the reason but the

2662
01:58:38,770 --> 01:58:36,080
reason Jim told me they can't say

2663
01:58:42,580 --> 01:58:38,780

anything else they're bound by security

2664

01:58:43,900 --> 01:58:42,590

oath no comment a no comment would be a

2665

01:58:45,550 --> 01:58:43,910

breach of security

2666

01:58:47,800 --> 01:58:45,560

so then how are we so that's what

2667

01:58:50,320 --> 01:58:47,810

they're saying look all I can do is

2668

01:58:52,930 --> 01:58:50,330

quote you know I can quote the gun and I

2669

01:58:54,960 --> 01:58:52,940

and and and and she's always in quote

2670

01:58:57,460 --> 01:58:54,970

what household in that's all we got

2671

01:58:59,260 --> 01:58:57,470

exactly exactly exactly my point is

2672

01:59:01,300 --> 01:58:59,270

that's all they're going to give you so

2673

01:59:01,939 --> 01:59:01,310

some research needs to be done around

2674

01:59:04,520 --> 01:59:01,949

like

2675

01:59:06,109 --> 01:59:04,530

your your research on the the meeting

2676

01:59:10,879 --> 01:59:06,119

and all that that's great stuff but

2677

01:59:14,989 --> 01:59:10,889

nobody is placed Wilson in Vegas on the

2678

01:59:16,879 --> 01:59:14,999

proposed purported you and many many

2679

01:59:18,799 --> 01:59:16,889

interviews bring that up you're right

2680

01:59:22,339 --> 01:59:18,809

Frank why don't you take that on why

2681

01:59:31,339 --> 01:59:22,349

don't you find went with what I've got

2682

01:59:32,600 --> 01:59:31,349

and great wait I'm I'm sorry Frank I

2683

01:59:35,509 --> 01:59:32,610

heard the beginning the show before I

2684

01:59:37,040 --> 01:59:35,519

went on you did break up a little in it

2685

01:59:39,080 --> 01:59:37,050

so it'll part at the end of it was hard

2686

01:59:42,049 --> 01:59:39,090

to hear were you saying you did find

2687

01:59:46,879 --> 01:59:42,059

evidence placing him there no what I

2688

01:59:48,439 --> 01:59:46,889

found was that the FI oh let's see the

2689

01:59:52,069 --> 01:59:48,449

association of former intelligence

2690

01:59:55,270 --> 01:59:52,079

officers the Vegas chapter was in fact

2691

02:00:01,790 --> 01:59:55,280

new as is mentioned in the Wilson notes

2692

02:00:03,469 --> 02:00:01,800

but what is not clear is that he

2693

02:00:05,390 --> 02:00:03,479

appeared there it seems as though he

2694

02:00:07,520 --> 02:00:05,400

didn't and it seems as though in the

2695

02:00:10,069 --> 02:00:07,530

notes it's indicated that part of the

2696

02:00:11,629 --> 02:00:10,079

reason he is there is because of a some

2697

02:00:15,439 --> 02:00:11,639

unfinished business from when he was

2698

02:00:18,080 --> 02:00:15,449

still on active duty and also to appear

2699

02:00:20,239 --> 02:00:18,090

at it helped with getting this Vegas

2700

02:00:23,209 --> 02:00:20,249

chapter off the ground and there's no

2701
02:00:25,100 --> 02:00:23,219
mention of him having appeared there in

2702
02:00:29,949 --> 02:00:25,110
the news and print the problem is even

2703
02:00:35,569 --> 02:00:32,899
it's not proof you met with Eric right

2704
02:00:38,660 --> 02:00:35,579
exactly it's not proof but let's say

2705
02:00:41,199 --> 02:00:38,670
what what if it were proven that he was

2706
02:00:46,629 --> 02:00:41,209
in let's say Minneapolis maybe

2707
02:00:51,890 --> 02:00:49,580
circumstantial that okay we can put him

2708
02:00:53,479 --> 02:00:51,900
there well we can relate these to

2709
02:00:55,339 --> 02:00:53,489
Mitchell you know so these are all

2710
02:01:03,129 --> 02:00:55,349
circumstantial things and you guys

2711
02:01:10,279 --> 02:01:06,080
I hope I don't get like attacked out

2712
02:01:14,300 --> 02:01:10,289
there in the field at all I just think I

2713
02:01:18,080 --> 02:01:15,860

Semmy van because i'm in that unique

2714

02:01:20,270 --> 02:01:18,090

position I understand that but I'd like

2715

02:01:22,160 --> 02:01:20,280

to say is I just wanted to say something

2716

02:01:23,720 --> 02:01:22,170

real quick I find it quite hilarious

2717

02:01:26,630 --> 02:01:23,730

something that happened to me recently

2718

02:01:28,400 --> 02:01:26,640

and that is I was I'm not going to make

2719

02:01:30,770 --> 02:01:28,410

I'm not going to mention any names I'm

2720

02:01:32,420 --> 02:01:30,780

just gonna say what happened and I do

2721

02:01:34,910 --> 02:01:32,430

have witnesses regarding what happened

2722

02:01:36,920 --> 02:01:34,920

there were actually a multitude of them

2723

02:01:39,140 --> 02:01:36,930

that witnessed what happened to me and

2724

02:01:42,260 --> 02:01:39,150

this is related to what we're talking

2725

02:01:45,440 --> 02:01:42,270

about I was in a group discussing the

2726

02:01:48,620 --> 02:01:45,450

idea of hoping for more research and

2727

02:01:51,620 --> 02:01:48,630

data evidence and possibly more proof

2728

02:01:56,000 --> 02:01:51,630

and another individual entered into that

2729

02:01:57,050 --> 02:01:56,010

thread and personally attacked me for a

2730

02:01:59,420 --> 02:01:57,060

very long time

2731

02:02:02,480 --> 02:01:59,430

and then took me on to someone else's

2732

02:02:05,180 --> 02:02:02,490

timeline to try and prove that The

2733

02:02:07,160 --> 02:02:05,190

Smoking Gun Doc's were real by making

2734

02:02:09,800 --> 02:02:07,170

someone else tell me they word that was

2735

02:02:11,720 --> 02:02:09,810

a very high-profile person and that

2736

02:02:13,520 --> 02:02:11,730

worked against them when they did that

2737

02:02:16,360 --> 02:02:13,530

because it's when that high profile

2738

02:02:19,780 --> 02:02:16,370

person realized that this person was a

2739

02:02:24,590 --> 02:02:19,790

verbally uh basically abusing me and

2740

02:02:29,180 --> 02:02:24,600

trying to attack me for my my well then

2741

02:02:31,820 --> 02:02:29,190

I expected that that happened let me let

2742

02:02:33,830 --> 02:02:31,830

me finish when that high profile person

2743

02:02:37,730 --> 02:02:33,840

realized what was going on they then

2744

02:02:39,890 --> 02:02:37,740

told that person this if a researcher

2745

02:02:43,730 --> 02:02:39,900

does not have the right to question a

2746

02:02:46,700 --> 02:02:43,740

topic how does that keep the topic

2747

02:02:49,940 --> 02:02:46,710

honest it doesn't so then what happened

2748

02:02:51,710 --> 02:02:49,950

after that is a per se person who

2749

02:02:53,600 --> 02:02:51,720

decided to go ahead and go on that

2750

02:02:56,510 --> 02:02:53,610

rampage against me which was quite

2751

02:02:59,030 --> 02:02:56,520

hilarious they then threatened to out

2752

02:03:00,440 --> 02:02:59,040

that person on something that I don't

2753

02:03:02,540 --> 02:03:00,450

know whether it was true or not but it

2754

02:03:04,970 --> 02:03:02,550

was something meaningless because they

2755

02:03:08,840 --> 02:03:04,980

didn't get their way and something I'd

2756

02:03:12,260 --> 02:03:08,850

like to see about that is this I will

2757

02:03:17,380 --> 02:03:12,270

never ever blindly believe something

2758

02:03:23,060 --> 02:03:17,390

without information evidence and or

2759

02:03:26,810 --> 02:03:23,070

proof and and I don't care what anybody

2760

02:03:28,250 --> 02:03:26,820

says they are not going to kowtow me for

2761

02:03:30,770 --> 02:03:28,260

not jumping on

2762

02:03:33,140 --> 02:03:30,780

becoming a bandwagon er and a fanboy of

2763

02:03:36,260 --> 02:03:33,150

a conspiracy or a theory or a

2764

02:03:40,070 --> 02:03:36,270

hypothetical or anything I will believe

2765

02:03:42,860 --> 02:03:40,080

and what I want if I happen to have an

2766

02:03:45,680 --> 02:03:42,870

opinion and if I want to research it I

2767

02:03:49,730 --> 02:03:45,690

will and I have noticed that ever since

2768

02:03:50,990 --> 02:03:49,740

I have contacted folks involved with The

2769

02:03:53,870 --> 02:03:51,000

Smoking Gun Doc's

2770

02:03:57,110 --> 02:03:53,880

a smoking gun doc and also the alien

2771

02:03:59,600 --> 02:03:57,120

autopsy doc I have had a huge amount of

2772

02:04:02,030 --> 02:03:59,610

support for people saying yes good do

2773

02:04:04,750 --> 02:04:02,040

you research it go ahead and gain the

2774

02:04:08,990 --> 02:04:04,760

data whatever data I mean you may find

2775

02:04:12,440 --> 02:04:09,000

compile it and then share it if you wish

2776

02:04:17,150 --> 02:04:12,450

I have another very small group of

2777

02:04:20,780 --> 02:04:17,160

people who have actually put for some

2778

02:04:23,540 --> 02:04:20,790

weird reason hated me for researching it

2779

02:04:26,060 --> 02:04:23,550

and have acted out against me in their

2780

02:04:29,720 --> 02:04:26,070

own childish way and what I have to say

2781

02:04:31,670 --> 02:04:29,730

to that is that's too bad if you don't

2782

02:04:34,040 --> 02:04:31,680

like it that I'm searching these

2783

02:04:36,410 --> 02:04:34,050

documents and interviewing people about

2784

02:04:38,480 --> 02:04:36,420

them because nothing is going to stop me

2785

02:04:41,150 --> 02:04:38,490

from doing that and another thing I'd

2786

02:04:43,190 --> 02:04:41,160

like to say is just because I'm

2787

02:04:47,030 --> 02:04:43,200

researching them does not mean I'm

2788

02:04:50,510 --> 02:04:47,040

saying oh these documents are fake what

2789

02:04:55,460 --> 02:04:50,520

I'm saying is this it's distinctly

2790

02:04:59,180 --> 02:04:55,470

different I need evidence and proof that

2791

02:05:02,210 --> 02:04:59,190

these Doc's are real and there's nothing

2792

02:05:04,550 --> 02:05:02,220

wrong with that well that's why I came

2793

02:05:06,860 --> 02:05:04,560

forward because exactly what you're

2794

02:05:09,170 --> 02:05:06,870

saying with the puzzle pieces that I had

2795

02:05:10,790 --> 02:05:09,180

both the comments from my conversation

2796

02:05:13,280 --> 02:05:10,800

with Jim because that was uniquely

2797

02:05:16,970 --> 02:05:13,290

separate combined with that I had a

2798

02:05:19,490 --> 02:05:16,980

document about a meeting referenced

2799

02:05:21,530 --> 02:05:19,500

within the interview and I felt I should

2800

02:05:24,170 --> 02:05:21,540

come forward with something so at least

2801

02:05:27,320 --> 02:05:24,180

I can say this part is true I'm not

2802

02:05:28,970 --> 02:05:27,330

saying the whole I do want to jump in

2803

02:05:30,830 --> 02:05:28,980

and I don't want to speak for Chad but I

2804

02:05:32,980 --> 02:05:30,840

do want to say I'm absolutely convinced

2805

02:05:35,210 --> 02:05:32,990

that this Admiral Wilson document is

2806

02:05:37,400 --> 02:05:35,220

exceptionally well researched if not

2807

02:05:40,370 --> 02:05:37,410

genuine I will say that it's well

2808

02:05:44,270 --> 02:05:42,950

I I'm with you guys I'm actually Frank I

2809

02:05:47,570 --> 02:05:44,280

just completely agree with what you just

2810

02:05:51,830 --> 02:05:47,580

said so I think you know we're learning

2811

02:05:53,810 --> 02:05:51,840

yeah we wish the person ever leaked

2812

02:05:55,790 --> 02:05:53,820

these would you know come forward maybe

2813

02:05:58,210 --> 02:05:55,800

they will at some point we're left with

2814

02:06:00,680 --> 02:05:58,220

the documents and a little bit of

2815

02:06:02,750 --> 02:06:00,690

provenance in a little bit of the

2816

02:06:05,060 --> 02:06:02,760

background and focus to the content of

2817

02:06:08,000 --> 02:06:05,070

them because there's some really

2818

02:06:09,440 --> 02:06:08,010

powerful things if if this is a real

2819

02:06:11,330 --> 02:06:09,450

interview and Wilson wheeler said this

2820

02:06:12,770 --> 02:06:11,340

and he went out and tried to really find

2821

02:06:15,770 --> 02:06:12,780

that analyst and let's be clear here

2822

02:06:17,420 --> 02:06:15,780

that even if the document itself is fake

2823

02:06:19,820 --> 02:06:17,430

it may be telling some very interesting

2824

02:06:22,760 --> 02:06:19,830

truths contained and that too and that

2825

02:06:24,710 --> 02:06:22,770

too and if it is real and it's very open

2826

02:06:26,900 --> 02:06:24,720

if they're known it's like you know I'll

2827

02:06:28,460 --> 02:06:26,910

throw out my whole scenario if it's mid

2828

02:06:31,160 --> 02:06:28,470

slash working group you know flash bass

2829

02:06:33,200 --> 02:06:31,170

you know sending Eric you know okay go

2830

02:06:35,690 --> 02:06:33,210

check this out and he goes and checks it

2831

02:06:38,420 --> 02:06:35,700

out and and interviews the guy and then

2832

02:06:40,310 --> 02:06:38,430

copies it for everyone you know if it's

2833

02:06:42,590 --> 02:06:40,320

in fact that's the background story that

2834

02:06:44,900 --> 02:06:42,600

placed him there and oak Shan had made

2835

02:06:47,690 --> 02:06:44,910

the connection to place him there okay

2836

02:06:49,610 --> 02:06:47,700

let's say all that's you know true he

2837

02:06:51,350 --> 02:06:49,620

interviews him he shares it with

2838

02:06:53,420 --> 02:06:51,360

everyone in it obviously they had an

2839

02:06:56,270 --> 02:06:53,430

interest a very vested interest in the

2840

02:06:57,830 --> 02:06:56,280

results of that and the guy said look I

2841

02:07:00,560 --> 02:06:57,840

looked into this and I was shut out the

2842

02:07:02,900 --> 02:07:00,570

main core story here of this document if

2843

02:07:04,070 --> 02:07:02,910

it's real and no one lose track of you

2844

02:07:07,490 --> 02:07:04,080

know well why does this even matter

2845

02:07:09,830 --> 02:07:07,500

first off a guy who was head of the

2846

02:07:12,170 --> 02:07:09,840

intelligence for joint chief that the

2847

02:07:14,120 --> 02:07:12,180

assistant director of intelligence for

2848

02:07:17,270 --> 02:07:14,130

the Joint Chiefs of Staff the position

2849

02:07:20,630 --> 02:07:17,280

as n2 was was shut out from looking into

2850

02:07:22,670 --> 02:07:20,640

this that's huge and then he was told a

2851

02:07:27,500 --> 02:07:22,680

little bit and the little bit he was

2852

02:07:29,300 --> 02:07:27,510

told is a time bomb you know that's a

2853

02:07:30,950 --> 02:07:29,310

time bomb the little pieces he was told

2854

02:07:34,340 --> 02:07:30,960

if in fact that's true and if in fact

2855

02:07:36,110 --> 02:07:34,350

you were truly told that okay so he was

2856

02:07:38,360 --> 02:07:36,120

told that that's a time bomb but it also

2857

02:07:39,770 --> 02:07:38,370

suggests well they weren't reading him

2858

02:07:41,720 --> 02:07:39,780

into the whole program they're certainly

2859

02:07:43,820 --> 02:07:41,730

not telling him everything so they're

2860

02:07:46,610 --> 02:07:43,830

just telling him a little bit but

2861

02:07:48,680 --> 02:07:46,620

because they probably given his position

2862

02:07:50,600 --> 02:07:48,690

and he said this is my purview you guys

2863

02:07:52,970 --> 02:07:50,610

fell under me this would be my job you

2864

02:07:54,790 --> 02:07:52,980

I'd be your I'd be your boss's boss on

2865

02:07:57,740 --> 02:07:54,800

this stuff yeah

2866

02:07:59,840 --> 02:07:57,750

these dogs just to fill people in if

2867

02:08:02,570 --> 02:07:59,850

they're not aware Mitchell and Greer

2868

02:08:04,580 --> 02:08:02,580

spoke publicly about this meeting in the

2869

02:08:08,590 --> 02:08:04,590

aftermath of it long before these dogs

2870

02:08:12,080 --> 02:08:08,600

that was the initial meeting where where

2871

02:08:13,850 --> 02:08:12,090

where they were Joel Greer telling him

2872

02:08:15,020 --> 02:08:13,860

all about the disclosure project and

2873

02:08:16,130 --> 02:08:15,030

what they were doing and the people

2874

02:08:17,960 --> 02:08:16,140

coming forward and what was not you know

2875

02:08:21,800 --> 02:08:17,970

wherever wherever they were all briefing

2876

02:08:23,780 --> 02:08:21,810

him on caused him to go huh maybe I

2877

02:08:26,900 --> 02:08:23,790

should ask around and then he spent some

2878

02:08:29,060 --> 02:08:26,910

time asking around you know it was told

2879

02:08:31,070 --> 02:08:29,070

just a little but not being able to be

2880

02:08:32,810 --> 02:08:31,080

read in or told more apparently made him

2881

02:08:35,420 --> 02:08:32,820

furious and angry

2882

02:08:37,190 --> 02:08:35,430

Oh having had probably you know being a

2883

02:08:40,400 --> 02:08:37,200

naval intelligence I so Chams background

2884

02:08:43,160 --> 02:08:40,410

worked with him knew he was mad and said

2885

02:08:44,570 --> 02:08:43,170

hey hey to his buddies at nits hey you

2886

02:08:45,830 --> 02:08:44,580

guys should talk to this guy you should

2887

02:08:48,470 --> 02:08:45,840

you should hear what I'm here in front

2888

02:08:50,750 --> 02:08:48,480

of you know it all makes perfect sense

2889

02:08:52,700 --> 02:08:50,760

to me okay and who says oh okay well

2890

02:08:54,320 --> 02:08:52,710

we'll send Eric you know get Eric's a

2891

02:08:56,650 --> 02:08:54,330

good guy don't like you like Eric what's

2892

02:08:59,150 --> 02:08:56,660

that Eric I can just imagine you know I

2893

02:09:02,240 --> 02:08:59,160

am imagining but I just did you know

2894

02:09:03,890 --> 02:09:02,250

cement and they're so they sent Eric and

2895

02:09:06,200 --> 02:09:03,900

Eric interview them and he shares the

2896

02:09:09,350 --> 02:09:06,210

documents with them and someone who got

2897

02:09:11,720 --> 02:09:09,360

that document is connected to someone

2898

02:09:14,090 --> 02:09:11,730

who released it and I and again I go to

2899

02:09:15,020 --> 02:09:14,100

that likely source being in the files of

2900

02:09:16,820 --> 02:09:15,030

Mitchell

2901
02:09:18,650 --> 02:09:16,830
because after his death a couple people

2902
02:09:22,010 --> 02:09:18,660
had access to his files so there you go

2903
02:09:25,330 --> 02:09:22,020
so and that's that's that's what I'm

2904
02:09:29,540 --> 02:09:25,340
offering up that's as much as as I know

2905
02:09:31,940 --> 02:09:29,550
but you know to understand the whole

2906
02:09:33,800 --> 02:09:31,950
scenario the group why Eric was there

2907
02:09:37,040 --> 02:09:33,810
what's the Oceania thing all that if

2908
02:09:38,900 --> 02:09:37,050
people watch my presentation that I you

2909
02:09:40,820 --> 02:09:38,910
know gave and that's not about me it's

2910
02:09:43,130 --> 02:09:40,830
about the information there it's about

2911
02:09:44,870 --> 02:09:43,140
twenty eight years or work that Randy

2912
02:09:47,840 --> 02:09:44,880
and I did you're gonna get a huge

2913
02:09:49,580 --> 02:09:47,850

insight I'm going on we're on over two

2914

02:09:53,630 --> 02:09:49,590

hours here so we're we do want to wrap

2915

02:09:55,610 --> 02:09:53,640

up I know a little bit at certain points

2916

02:09:57,980 --> 02:09:55,620

in time we love your research on the

2917

02:10:01,100 --> 02:09:57,990

back end and yeah if nobody else wants

2918

02:10:02,900 --> 02:10:01,110

to do it and I think we're I think the

2919

02:10:05,630 --> 02:10:02,910

three of us here are in a mutual

2920

02:10:07,939 --> 02:10:05,640

admiration society you know absolutely I

2921

02:10:09,680 --> 02:10:07,949

mean we're you know

2922

02:10:11,779 --> 02:10:09,690

we're emotionally involved and that's

2923

02:10:14,149 --> 02:10:11,789

okay because we care because we're

2924

02:10:16,250 --> 02:10:14,159

passionate about the subject we compare

2925

02:10:19,100 --> 02:10:16,260

our emotions aside and go okay let's

2926

02:10:21,949 --> 02:10:19,110

stick with the facts let's stick with

2927

02:10:24,140 --> 02:10:21,959

you know the evidence and and and and I

2928

02:10:26,779 --> 02:10:24,150

applaud you guys for addressing this you

2929

02:10:28,100 --> 02:10:26,789

know a lot of a lot of the field doesn't

2930

02:10:29,870 --> 02:10:28,110

care about this right now

2931

02:10:32,629 --> 02:10:29,880

and to me that's a shame because I think

2932

02:10:36,620 --> 02:10:32,639

they're missing the point the point is

2933

02:10:38,029 --> 02:10:36,630

that again the findings of Wilson if in

2934

02:10:40,040 --> 02:10:38,039

fact this interview happened this is

2935

02:10:42,049 --> 02:10:40,050

Goga Wilson document you know I'll start

2936

02:10:44,449 --> 02:10:42,059

with that in the Wilson document if if

2937

02:10:46,339 --> 02:10:44,459

this you know conversation stuff

2938

02:10:47,330 --> 02:10:46,349

happened and Wilson really was shut out

2939

02:10:49,669 --> 02:10:47,340
from these things

2940

02:10:52,899 --> 02:10:49,679
that's huge it speaks to how the

2941

02:10:55,520 --> 02:10:52,909
cover-up happens it is it it explains

2942

02:10:58,549 --> 02:10:55,530
how some of the cover-up happens how

2943

02:11:01,459 --> 02:10:58,559
it's privatized how it's gone to private

2944

02:11:03,439 --> 02:11:01,469
industry that's huge and then the

2945

02:11:06,379 --> 02:11:03,449
document the people telling him this

2946

02:11:08,359 --> 02:11:06,389
mention mj-12 so he's saying they told

2947

02:11:11,350 --> 02:11:08,369
him about MJ flow which is that here you

2948

02:11:14,390 --> 02:11:11,360
have a total independent document

2949

02:11:18,410 --> 02:11:14,400
suggesting the reality of mj-12 okay

2950

02:11:19,640 --> 02:11:18,420
then also you know besides it being at

2951

02:11:23,930 --> 02:11:19,650

the reality of mj-12

2952

02:11:26,600 --> 02:11:23,940

besides it being about this guy in his

2953

02:11:29,000 --> 02:11:26,610

level being the position of j2 not

2954

02:11:31,879 --> 02:11:29,010

having access to it and how the

2955

02:11:33,790 --> 02:11:31,889

compartmentalization works but what is

2956

02:11:38,449 --> 02:11:33,800

the information doesn't have access to

2957

02:11:41,899 --> 02:11:38,459

crush retrieved technology working craft

2958

02:11:44,839 --> 02:11:41,909

in our possession and a reverse

2959

02:11:48,589 --> 02:11:44,849

engineering program being managed by

2960

02:11:50,120 --> 02:11:48,599

private industry on behalf of a secret

2961

02:11:51,979 --> 02:11:50,130

or shadow government shadow space

2962

02:11:55,239 --> 02:11:51,989

program I mean it's all spelled out in

2963

02:11:57,589 --> 02:11:55,249

this if this is real and that's why it's

2964

02:11:59,299 --> 02:11:57,599

important do we know what everyone says

2965

02:12:01,640 --> 02:11:59,309

well we're we knew that yeah but how

2966

02:12:05,719 --> 02:12:01,650

many times have we a documentation in

2967

02:12:08,270 --> 02:12:05,729

support of what we quote know or what we

2968

02:12:10,339 --> 02:12:08,280

figured out you know very rare okay and

2969

02:12:12,529 --> 02:12:10,349

this is actually a document in support

2970

02:12:16,189 --> 02:12:12,539

that and then the additional letter gets

2971

02:12:18,439 --> 02:12:16,199

into lids and their interest and an

2972

02:12:21,109 --> 02:12:18,449

abduction research which like I said to

2973

02:12:21,649 --> 02:12:21,119

Randy and I so big and you know and and

2974

02:12:22,910 --> 02:12:21,659

and for

2975

02:12:25,550 --> 02:12:22,920

and everything you know and their

2976

02:12:28,340 --> 02:12:25,560

involvement and then you know the

2977

02:12:30,530 --> 02:12:28,350

original thing released speaks to the

2978

02:12:31,790 --> 02:12:30,540

Santilli step note could be and someone

2979

02:12:33,770 --> 02:12:31,800

said well did they actually think that

2980

02:12:35,120 --> 02:12:33,780

was real and I said look back when those

2981

02:12:37,760 --> 02:12:35,130

emails happen

2982

02:12:39,740 --> 02:12:37,770

the majority of ufology thought it was

2983

02:12:40,669 --> 02:12:39,750

real you know so they could have been

2984

02:12:42,979 --> 02:12:40,679

looking into it

2985

02:12:45,260 --> 02:12:42,989

do they still feel that way about it now

2986

02:12:46,189 --> 02:12:45,270

who knows maybe they don't still feel

2987

02:12:48,590 --> 02:12:46,199

about it that way

2988

02:12:50,090 --> 02:12:48,600

maybe at the time they did but doesn't

2989

02:12:52,280 --> 02:12:50,100

mean they feel that way now it just

2990

02:12:53,720 --> 02:12:52,290

means like all of you fought G was

2991

02:12:56,330 --> 02:12:53,730

believing it back then we didn't have

2992

02:12:58,250 --> 02:12:56,340

all the facts to make a decision so they

2993

02:13:01,010 --> 02:12:58,260

were talking based upon the information

2994

02:13:03,140 --> 02:13:01,020

they had a million and I'd be very

2995

02:13:05,270 --> 02:13:03,150

surprised if the individuals and I

2996

02:13:07,910 --> 02:13:05,280

should call Jim semi van and say okay

2997

02:13:10,370 --> 02:13:07,920

that first thing do any of you guys

2998

02:13:11,660 --> 02:13:10,380

actually feel that that the person he'd

2999

02:13:15,220 --> 02:13:11,670

say no comment because you know I

3000

02:13:19,280 --> 02:13:15,230

couldn't even say how they feel about

3001

02:13:21,020 --> 02:13:19,290

about the the autopsy film or the you

3002

02:13:23,120 --> 02:13:21,030

know the whole Santilli story he said he

3003

02:13:26,720 --> 02:13:23,130

probably couldn't even comment on it

3004

02:13:28,370 --> 02:13:26,730

because again if one word let alone is

3005

02:13:31,010 --> 02:13:28,380

quoting him a sentence in there is

3006

02:13:32,899 --> 02:13:31,020

covert you know is is classified they

3007

02:13:33,979 --> 02:13:32,909

can't talk about so he pries say we

3008

02:13:35,209 --> 02:13:33,989

don't have a position on it

3009

02:13:37,280 --> 02:13:35,219

he'd probably okay and I'm glad I

3010

02:13:38,390 --> 02:13:37,290

brought up yes until he film I just want

3011

02:13:41,810 --> 02:13:38,400

to go ahead make a comment on that

3012

02:13:46,129 --> 02:13:41,820

regarding earlier to data talk with Dave

3013

02:13:49,750 --> 02:13:46,139

Altman a wonderful person and he told me

3014

02:13:54,709 --> 02:13:49,760

right after he spoke to Ray Santilli

3015

02:13:57,620 --> 02:13:54,719

that because he actually contacted him

3016

02:13:59,840 --> 02:13:57,630

and actually nobody had contacted him so

3017

02:14:02,140 --> 02:13:59,850

kudos to him for having done his

3018

02:14:04,610 --> 02:14:02,150

research and due diligence regarding

3019

02:14:08,390 --> 02:14:04,620

doing something nobody had done before

3020

02:14:12,080 --> 02:14:08,400

and a letter that ray wrote back to him

3021

02:14:13,550 --> 02:14:12,090

it was an email it says Dave thank you

3022

02:14:15,560 --> 02:14:13,560

for the link I have always maintained

3023

02:14:17,240 --> 02:14:15,570

the alien autopsy footage is real and

3024

02:14:20,270 --> 02:14:17,250

that my story and respect of the its

3025

02:14:22,399 --> 02:14:20,280

acquisition is true yes we restored and

3026

02:14:24,229 --> 02:14:22,409

enhanced parts of the footage but it

3027

02:14:26,180 --> 02:14:24,239

doesn't alter the significance of the

3028

02:14:28,250 --> 02:14:26,190

film and what it represents I have

3029

02:14:29,899 --> 02:14:28,260

purposely kept away from further comment

3030

02:14:31,700 --> 02:14:29,909

but I'm very pleased that official

3031

02:14:34,800 --> 02:14:31,710

documents are now surfacing which help

3032

02:14:37,320 --> 02:14:34,810

verify the events of the 1947 of

3033

02:14:39,240 --> 02:14:37,330

19:47 and the film which I still have I

3034

02:14:41,010 --> 02:14:39,250

have remained confident over the years

3035

02:14:43,380 --> 02:14:41,020

that evidence would surface in support

3036

02:14:46,590 --> 02:14:43,390

of the film and all I needed to do was

3037

02:14:48,210 --> 02:14:46,600

wait regards and it was Ray who said

3038

02:14:49,770 --> 02:14:48,220

that to embrace Antilles so that's some

3039

02:14:51,960 --> 02:14:49,780

interesting news that came out tonight

3040

02:14:55,140 --> 02:14:51,970

and I thank you Dave very much for

3041

02:15:01,500 --> 02:14:55,150

having contacted Ray and would like to

3042

02:15:03,300 --> 02:15:01,510

state that I also want to say it's very

3043

02:15:07,530 --> 02:15:03,310

important people get to Sedona Arizona

3044

02:15:10,050 --> 02:15:07,540

too please contact melinda leslie do one

3045

02:15:11,970 --> 02:15:10,060

of her tours I plan on doing it myself

3046

02:15:14,580 --> 02:15:11,980

Sedona is one of the most beautiful

3047

02:15:16,800 --> 02:15:14,590

parts of Arizona and she does an

3048

02:15:19,650 --> 02:15:16,810

absolutely lovely to her she has

3049

02:15:21,660 --> 02:15:19,660

military style of binoculars that have

3050

02:15:25,500 --> 02:15:21,670

night vision so folks can actually see

3051

02:15:28,320 --> 02:15:25,510

the beautiful sky and see the UFOs above

3052

02:15:29,850 --> 02:15:28,330

and satellites as well along with

3053

02:15:33,390 --> 02:15:29,860

anything else that might be up in the

3054

02:15:35,970 --> 02:15:33,400

sky that's worth looking at Melinda you

3055

02:15:38,100 --> 02:15:35,980

mentioned that you do that at dusk in

3056

02:15:40,710 --> 02:15:38,110

Sedona and it depends on the time of

3057

02:15:42,660 --> 02:15:40,720

year we only have about two minutes left

3058

02:15:44,790 --> 02:15:42,670

here did you want to just mention a

3059

02:15:47,130 --> 02:15:44,800

little bit about that lovely tour you do

3060

02:15:48,780 --> 02:15:47,140

yeah yeah I I mean I guarantee sightings

3061

02:15:50,280 --> 02:15:48,790

your money back and it's a good thing we

3062

02:15:52,590 --> 02:15:50,290

really see stuff or I'd go broke in a

3063

02:15:53,760 --> 02:15:52,600

hurry but I do about a year into it we

3064

02:15:55,860 --> 02:15:53,770

were seeing stuff every time I never

3065

02:15:57,720 --> 02:15:55,870

dreamt in a million years when I started

3066

02:16:00,060 --> 02:15:57,730

doing these tours we'd have sightings

3067

02:16:02,070 --> 02:16:00,070

every time but we do and I'm it's not

3068

02:16:04,410 --> 02:16:02,080

just satellite folks I spend a half hour

3069

02:16:07,650 --> 02:16:04,420

in the beginning educating everybody on

3070

02:16:09,060 --> 02:16:07,660

everything up in the sky and probably 15

3071

02:16:11,160 --> 02:16:09,070

minutes of that half hour it's all about

3072

02:16:12,360 --> 02:16:11,170

satellites so you guys know when you're

3073

02:16:13,740 --> 02:16:12,370

seeing them I've taken out many

3074

02:16:14,910 --> 02:16:13,750

satellite experts I've learned the

3075

02:16:17,220 --> 02:16:14,920

restrictions what they can do what they

3076

02:16:20,160 --> 02:16:17,230

can't do and we see things that stop

3077

02:16:22,470 --> 02:16:20,170

turn change direction fly in formations

3078

02:16:25,020 --> 02:16:22,480

we've seen objects growing all amber all

3079

02:16:27,540 --> 02:16:25,030

blue all green you know which is ionized

3080

02:16:29,790 --> 02:16:27,550

air of a huge electrical field you know

3081

02:16:31,770 --> 02:16:29,800

we flash them with the laser we've had

3082

02:16:33,510 --> 02:16:31,780

objects flash back we go one two three

3083

02:16:35,580 --> 02:16:33,520

they go one two three you know this kind

3084

02:16:39,150 --> 02:16:35,590

of thing we've seen fully structured

3085

02:16:42,060 --> 02:16:39,160

crap you know big discs big ovals big

3086

02:16:45,930 --> 02:16:42,070

great big triangles big cylinders big

3087

02:16:48,510 --> 02:16:45,940

boomerang shapes on 24 of the tours 36

3088

02:16:50,730 --> 02:16:48,520

structured objects 36 structured

3089

02:16:52,650 --> 02:16:50,740

objects on 24 the tours luckily we

3090

02:16:53,520 --> 02:16:52,660

always see stuff like I said or I'd go

3091

02:16:55,380 --> 02:16:53,530

broke in a hurry

3092

02:16:56,850 --> 02:16:55,390

and that's even discounting all the

3093

02:16:59,491 --> 02:16:56,860

satellites we're seeing stuff that

3094

02:17:02,581 --> 02:16:59,501

clearly is doing things satellites can't

3095

02:17:05,491 --> 02:17:02,591

do anyway so I love doing it I've taken

3096

02:17:08,820 --> 02:17:05,501

out as you said earlier over 7500 people

3097

02:17:13,621 --> 02:17:08,830

I've done 1000s last night last night

3098

02:17:14,970 --> 02:17:13,631

was tour number 1050 the other thing I

3099

02:17:16,650 --> 02:17:14,980

want to let everybody know is a

3100

02:17:18,930 --> 02:17:16,660

wonderful new film documentary

3101

02:17:21,210 --> 02:17:18,940

extraordinary the seating I did share

3102

02:17:22,650 --> 02:17:21,220

the link also just so you know the three

3103

02:17:24,150 --> 02:17:22,660

links you shared with us tonight Melinda

3104

02:17:26,070 --> 02:17:24,160

Frank actually sharing them in the

3105

02:17:28,411 --> 02:17:26,080

summary beneath a post I also shared

3106

02:17:30,780 --> 02:17:28,421

them in the chat so it's a new film

3107

02:17:33,331 --> 02:17:30,790

documentary extra-extraordinary the

3108

02:17:34,741 --> 02:17:33,341

seating and to see the film's trailer go

3109

02:17:37,230 --> 02:17:34,751

ahead and click on one of those links

3110

02:17:40,470 --> 02:17:37,240

and also Melinda's website which is UFO

3111

02:17:43,291 --> 02:17:40,480

sighting tours calm that's UFO sighting

3112

02:17:44,760 --> 02:17:43,301

tours calm Melinda thank you for having

3113

02:17:47,701 --> 02:17:44,770

been on the show we actually interviewed

3114

02:17:50,010 --> 02:17:47,711

you I think it was on the 14th of this

3115

02:17:52,320 --> 02:17:50,020

year so it was a to 14 of this year

3116

02:17:54,270 --> 02:17:52,330

believe it was and it was a lovely

3117

02:17:55,890 --> 02:17:54,280

interview was about mill labs and we

3118

02:17:57,991 --> 02:17:55,900

look forward to having the privilege and

3119

02:17:59,640 --> 02:17:58,001

honor of interviewing you again thank

3120

02:18:01,440 --> 02:17:59,650

you for having been with us and I

3121

02:18:03,630 --> 02:18:01,450

appreciate that you guys are willing to

3122

02:18:05,970 --> 02:18:03,640

have such a lively discussion with me

3123

02:18:07,621 --> 02:18:05,980

you know we can agree to disagree on

3124

02:18:11,241 --> 02:18:07,631

some points and yet we're all in this

3125

02:18:13,380 --> 02:18:11,251

together where we're all equal with

3126

02:18:15,180 --> 02:18:13,390

passionate about the truth of the

3127

02:18:16,800 --> 02:18:15,190

subject and I think we're you know

3128

02:18:20,310 --> 02:18:16,810

definitely like I said a mutual

3129

02:18:23,070 --> 02:18:20,320

admiration society between the three of

3130

02:18:25,350 --> 02:18:23,080

us and and I had nothing but respect for

3131

02:18:27,661 --> 02:18:25,360

you guys and what you do and I very much

3132

02:18:29,581 --> 02:18:27,671

appreciate coming on the show we are

3133

02:18:31,170 --> 02:18:29,591

grateful and honored and privileged to

3134

02:18:41,720 --> 02:18:31,180

have you had you on our show Thank You

3135

02:18:44,970 --> 02:18:41,730

Melinda there was fun thank you alright

3136

02:18:47,520 --> 02:18:44,980

thanks again and chant we're gonna wrap

3137

02:18:49,411 --> 02:18:47,530

this up I do want to reiterate the the

3138

02:18:52,260 --> 02:18:49,421

find from earlier it's at the top of the

3139

02:18:55,140 --> 02:18:52,270

video so if you missed it go back and

3140

02:18:58,500 --> 02:18:55,150

check that out it is information from

3141

02:19:01,440 --> 02:18:58,510

the a Pheo newsletter from back in 2002

3142

02:19:01,919 --> 02:19:01,450

and it is very interesting in terms of

3143

02:19:05,059 --> 02:19:01,929

the law

3144

02:19:08,910 --> 02:19:05,069

Vegas chapter being a new chapter as the

3145

02:19:10,349 --> 02:19:08,920

documents represent but not indicating

3146

02:19:12,150 --> 02:19:10,359

that Admiral Wilson was there for their

3147

02:19:16,439 --> 02:19:12,160

first meeting which happened in October

3148

02:19:18,089 --> 02:19:16,449

of 2002 so there's that so I thought

3149

02:19:21,030 --> 02:19:18,099

that was interesting and I'm glad I got

3150

02:19:22,979 --> 02:19:21,040

there out there with it if still they

3151

02:19:24,360 --> 02:19:22,989

don't they don't have Wilson in Vegas

3152

02:19:26,790 --> 02:19:24,370

and that's where he needs to be for

3153

02:19:28,679 --> 02:19:26,800

these docks to be legit and nobody seems

3154

02:19:30,089 --> 02:19:28,689

to have that just yet so that's all

3155

02:19:31,469 --> 02:19:30,099

we've got for now we'll have more when

3156

02:19:34,259 --> 02:19:31,479

we get it we're not gonna sit on

3157

02:19:36,059 --> 02:19:34,269

anything we get it you're gonna find out

3158

02:19:38,610 --> 02:19:36,069

all about it yes and I would like to

3159

02:19:42,059 --> 02:19:38,620

make a little comment but I'm not gonna

3160

02:19:43,169 --> 02:19:42,069

reveal anything but I would if everybody

3161

02:19:46,259 --> 02:19:43,179

is listening right now

3162

02:19:49,920 --> 02:19:46,269

I would definitely listen in on Sunday

3163

02:19:53,910 --> 02:19:49,930

because we have a special guest on that

3164

02:19:57,389 --> 02:19:53,920

day that is going to really be very

3165

02:20:01,830 --> 02:19:57,399

interesting and let me put it this way

3166

02:20:04,080 --> 02:20:01,840

this guest has to do with the current

3167

02:20:05,939 --> 02:20:04,090

trend that's going on right now in the

3168

02:20:08,570 --> 02:20:05,949

UFO community and that is the smoking

3169

02:20:12,150 --> 02:20:08,580

gun Doc's and the alien autopsy emails

3170

02:20:16,110 --> 02:20:12,160

we have a guest from one of those Doc's

3171

02:20:17,250 --> 02:20:16,120

actually actually it would be from no

3172

02:20:19,110 --> 02:20:17,260

that would be correct Frank Wright from

3173

02:20:20,939 --> 02:20:19,120

one of those docs from one of those dogs

3174

02:20:23,639 --> 02:20:20,949

yes from one of those Doc's who will be

3175

02:20:25,889 --> 02:20:23,649

on our show on Sunday and that is going

3176

02:20:27,150 --> 02:20:25,899

to be a fascinating interview so we look

3177

02:20:30,179 --> 02:20:27,160

forward to that

3178

02:20:32,610 --> 02:20:30,189

that will be at noon West Coast time on

3179

02:20:34,679 --> 02:20:32,620

Sunday so please tune in to that show
