

# DISINFORMATION EXPOSED!

FRANK AND CHANT REVEAL  
NEW INFORMATION ON THE  
FAKE ADMIRAL WILSON  
"DOCUMENTS"

**UFONN**  
**SUNDAY**

1  
00:01:22,690 --> 00:00:39,290

[Music]

2  
00:01:28,870 --> 00:01:25,570

and good evening from Philadelphia Frank

3  
00:01:32,410 --> 00:01:28,880

here with another episode of UFO news

4  
00:01:33,850 --> 00:01:32,420

network Sunday tonight on a Monday night

5  
00:01:36,520 --> 00:01:33,860

yeah it's Monday night that's right it's

6  
00:01:38,800 --> 00:01:36,530

Monday night and we are ready to go kind

7  
00:01:41,109 --> 00:01:38,810

of an unusual show tonight I don't have

8  
00:01:42,279 --> 00:01:41,119

we don't have a guest which is kind of

9  
00:01:43,779 --> 00:01:42,289

unusual but though we've got a little

10  
00:01:45,190 --> 00:01:43,789

bit of a presentation for you about

11  
00:01:48,070 --> 00:01:45,200

what's been going on the last couple

12  
00:01:52,090 --> 00:01:48,080

weeks and let me get everything started

13  
00:01:55,149 --> 00:01:52,100

here with my co-host as always dant

14

00:01:57,550 --> 00:01:55,159

Hannah dant how are you I'm doing really

15

00:01:59,770 --> 00:01:57,560

well thank you so much for asking um how

16

00:02:01,389 --> 00:01:59,780

are you doing Frank doing good doing

17

00:02:02,559 --> 00:02:01,399

good we're ready to get started of

18

00:02:05,350 --> 00:02:02,569

course so we've got some more

19

00:02:07,749 --> 00:02:05,360

information on these very exciting

20

00:02:10,150 --> 00:02:07,759

Admiral Wilson documents that has

21

00:02:12,400 --> 00:02:10,160

everybody believing that they are

22

00:02:14,080 --> 00:02:12,410

legitimate and not disinformation well

23

00:02:16,780 --> 00:02:14,090

everybody but us of course we've been

24

00:02:18,850 --> 00:02:16,790

digging in and basically yeah what we're

25

00:02:21,070 --> 00:02:18,860

going to try to do is for some folks

26

00:02:22,300 --> 00:02:21,080

playing a little bit of catch-up we're

27

00:02:25,539 --> 00:02:22,310

gonna go in a little bit of

28

00:02:29,080 --> 00:02:25,549

chronological order here and go back to

29

00:02:32,140 --> 00:02:29,090

an interview that chantin and I had with

30

00:02:34,210 --> 00:02:32,150

Michael Hall who is the lawyer for Grant

31

00:02:36,460 --> 00:02:34,220

Cameron who had hold of these documents

32

00:02:39,610 --> 00:02:36,470

and what we're gonna do is we're gonna

33

00:02:42,490 --> 00:02:39,620

play a little video from that and let's

34

00:02:45,430 --> 00:02:42,500

go back in time to March 26 it was a

35

00:02:47,620 --> 00:02:45,440

three months ago I guess what Wednesday

36

00:02:49,479 --> 00:02:47,630

three months ago Wednesday when we

37

00:02:52,030 --> 00:02:49,489

talked to Michael hall and what I did at

38

00:02:53,440 --> 00:02:52,040

that point in time is I had a little bit

39

00:02:55,780 --> 00:02:53,450  
of a presentation a little bit of a

40

00:02:57,550 --> 00:02:55,790  
warning for him to give him a heads up

41

00:03:00,039 --> 00:02:57,560  
in terms of what to look out for in

42

00:03:01,509 --> 00:03:00,049  
terms of disinformation and this is

43

00:03:04,060 --> 00:03:01,519  
gonna run about I think about eight

44

00:03:06,009 --> 00:03:04,070  
minutes or so so chant you and I all

45

00:03:07,300 --> 00:03:06,019  
have to be quiet on our end but I want

46

00:03:09,039 --> 00:03:07,310  
the folks to hear at home that that

47

00:03:10,599 --> 00:03:09,049  
particular interview did not get quite

48

00:03:12,550 --> 00:03:10,609  
as many views as our second interview

49

00:03:15,789 --> 00:03:12,560  
with Michael so he may not have heard it

50

00:03:17,979 --> 00:03:15,799  
and may not have heard my warning or

51  
00:03:19,690 --> 00:03:17,989  
both grant and Michael regarding these

52  
00:03:23,190 --> 00:03:19,700  
documents end up putting too much stock

53  
00:03:35,800 --> 00:03:23,200  
in them so let's go to that now people

54  
00:03:38,589 --> 00:03:35,810  
okay it could be true it probably is

55  
00:03:39,640 --> 00:03:38,599  
okay so yeah when I first got involved

56  
00:03:44,410 --> 00:03:39,650  
in all this

57  
00:03:47,589 --> 00:03:44,420  
the majestic 12 documents were a pretty

58  
00:03:50,290 --> 00:03:47,599  
good research tool for me and led me to

59  
00:03:52,900 --> 00:03:50,300  
look at things like the documentation on

60  
00:03:55,479 --> 00:03:52,910  
the Truman at the Truman library and it

61  
00:03:59,050 --> 00:03:55,489  
was very helpful to me but by the same

62  
00:04:01,839 --> 00:03:59,060  
token I don't believe that they are in

63  
00:04:04,240 --> 00:04:01,849

fact true now I've got one of the one of

64  
00:04:07,210 --> 00:04:04,250  
the more famous majestic 12 documents up

65  
00:04:09,550 --> 00:04:07,220  
here now folks can look at it I would

66  
00:04:12,400 --> 00:04:09,560  
say that these documents are to a large

67  
00:04:14,259 --> 00:04:12,410  
extent pretty well researched I believe

68  
00:04:15,970 --> 00:04:14,269  
it's been pretty well established by

69  
00:04:20,129 --> 00:04:15,980  
maybe some of the more skeptical

70  
00:04:22,690 --> 00:04:20,139  
researchers that these documents are not

71  
00:04:25,780 --> 00:04:22,700  
legitimate that they were put together

72  
00:04:28,600 --> 00:04:25,790  
by a fuzzy the Air Force Office of

73  
00:04:31,090 --> 00:04:28,610  
Special Investigations which has in fact

74  
00:04:33,700 --> 00:04:31,100  
over the years let a number of UFO

75  
00:04:36,850 --> 00:04:33,710  
researchers astray with this this type

76

00:04:38,379 --> 00:04:36,860

of bogus information but this is one of

77

00:04:41,560 --> 00:04:38,389

the more famous documents we've got up

78

00:04:43,240 --> 00:04:41,570

now with a little bit of additional

79

00:04:46,390 --> 00:04:43,250

information kind of photoshopped that

80

00:04:48,870 --> 00:04:46,400

towards the bottom but this document

81

00:04:52,810 --> 00:04:48,880

here that I've got up is basically

82

00:04:56,680 --> 00:04:52,820

Truman's ordering that the the majestic

83

00:04:59,020 --> 00:04:56,690

12 operation begins and it's started

84

00:05:03,279 --> 00:04:59,030

with James Forrestal and Vannevar Bush

85

00:05:06,700 --> 00:05:03,289

on a date September 24th 1947 a quick

86

00:05:08,740 --> 00:05:06,710

perusal of the president's calendar at

87

00:05:11,740 --> 00:05:08,750

the Truman website reveals that in fact

88

00:05:14,580 --> 00:05:11,750

he did meet on that particular day with

89

00:05:16,810 --> 00:05:14,590

a James Forrestal in Vannevar bush in

90

00:05:18,670 --> 00:05:16,820

probably the Oval Office he met with him

91

00:05:20,800 --> 00:05:18,680

somewhere in the White House but he did

92

00:05:22,900 --> 00:05:20,810

meet with those two gentlemen and I

93

00:05:25,060 --> 00:05:22,910

certainly don't think that proves that

94

00:05:27,219 --> 00:05:25,070

this is a legitimate document but what

95

00:05:29,260 --> 00:05:27,229

it proves is it was a fairly well

96

00:05:31,180 --> 00:05:29,270

researched document I don't think

97

00:05:32,740 --> 00:05:31,190

there's any question about that they

98

00:05:34,570 --> 00:05:32,750

they put some time and they put some

99

00:05:37,719 --> 00:05:34,580

effort and when the original majestic 12

100

00:05:41,080 --> 00:05:37,729

documents were released on a piece of

101

00:05:43,210 --> 00:05:41,090

microphone microfilm sent to a film

102

00:05:46,089 --> 00:05:43,220

producer by the name of J&J Miche and

103

00:05:48,010 --> 00:05:46,099

array this was back in the 1980s so this

104

00:05:49,839 --> 00:05:48,020

predates the

105

00:05:52,119 --> 00:05:49,849

Internet obviously and the Truman

106

00:05:54,189 --> 00:05:52,129

library online archives so whoever

107

00:05:56,230 --> 00:05:54,199

picked up this information and tied this

108

00:05:58,300 --> 00:05:56,240

particular date and these particular

109

00:06:00,249 --> 00:05:58,310

individuals Vannevar Bush and then

110

00:06:02,920 --> 00:06:00,259

Secretary of Defense James Forrestal

111

00:06:04,330 --> 00:06:02,930

through this meeting did some research

112

00:06:07,089 --> 00:06:04,340

they did one of two things

113

00:06:09,879 --> 00:06:07,099

they either almost certainly either went

114

00:06:12,189 --> 00:06:09,889

to the Truman library directly and went

115

00:06:13,719 --> 00:06:12,199

through the archives and looked at the

116

00:06:15,369 --> 00:06:13,729

president's calendar and said oh my

117

00:06:16,930 --> 00:06:15,379

goodness this looks like an interesting

118

00:06:20,439 --> 00:06:16,940

date to tie this particular bogus

119

00:06:22,990 --> 00:06:20,449

document to or they hired a researcher

120

00:06:24,820 --> 00:06:23,000

for hire who went to the Truman library

121

00:06:26,890 --> 00:06:24,830

that sort of thing is available you

122

00:06:29,320 --> 00:06:26,900

could hire a local researcher we'll go

123

00:06:30,790 --> 00:06:29,330

to the Truman library and give them some

124

00:06:32,740 --> 00:06:30,800

information like I want everything on

125

00:06:34,719 --> 00:06:32,750

James Forrestal and they'll dig that up

126

00:06:36,550 --> 00:06:34,729

for you and get it back to you so one of

127

00:06:39,370 --> 00:06:36,560

those two things did happen certainly

128

00:06:44,740 --> 00:06:39,380

the Air Force does in fact have the

129

00:06:47,170 --> 00:06:44,750

resources to get a an intelligence

130

00:06:48,879 --> 00:06:47,180

officer to the Truman library and go in

131

00:06:50,260 --> 00:06:48,889

there and dig some stuff up but it might

132

00:06:52,089 --> 00:06:50,270

have been done the other way but either

133

00:06:53,350 --> 00:06:52,099

our that's what I think what happened

134

00:06:55,059 --> 00:06:53,360

there but this is the type of thing that

135

00:06:56,559 --> 00:06:55,069

you're often looking at with some of

136

00:06:59,589 --> 00:06:56,569

these bogus documents where they do

137

00:07:01,870 --> 00:06:59,599

actually tied the bogus do something

138

00:07:04,089 --> 00:07:01,880

that absolutely did in fact happen so

139

00:07:06,820 --> 00:07:04,099

that's that document another interesting

140

00:07:09,629 --> 00:07:06,830

document in the Majestic twelve archives

141

00:07:12,370 --> 00:07:09,639

and unfortunately that is not available

142

00:07:13,899 --> 00:07:12,380

very early on there was a website that

143

00:07:15,879 --> 00:07:13,909

had all of them in there and they were

144

00:07:18,370 --> 00:07:15,889

on PDFs and you could download them that

145

00:07:20,920 --> 00:07:18,380

website unfortunately no longer exists

146

00:07:23,140 --> 00:07:20,930

but it did at one point and I was able

147

00:07:24,939 --> 00:07:23,150

to grab a few of the PDFs this is

148

00:07:28,320 --> 00:07:24,949

another majestic 12 document that I

149

00:07:33,249 --> 00:07:28,330

think is especially interesting approved

150

00:07:37,209 --> 00:07:33,259

by Harry Truman goes into needs to know

151

00:07:39,309 --> 00:07:37,219

and what was discovered from the Roswell

152

00:07:40,899 --> 00:07:39,319

crash and so on and so forth again I

153

00:07:46,959 --> 00:07:40,909

note the date towards the top of the

154

00:07:49,120 --> 00:07:46,969

page 19 September 1947 and on page 14 of

155

00:07:52,629 --> 00:07:49,130

that particular document a number of

156

00:07:54,459 --> 00:07:52,639

organizations have let's see based on

157

00:07:56,320 --> 00:07:54,469

all available evidence collected from

158

00:07:58,300 --> 00:07:56,330

recovered exhibits currently under study

159

00:08:00,330 --> 00:07:58,310

and goes on to list a number of

160

00:08:02,520 --> 00:08:00,340

organizations at NACA we

161

00:08:03,660 --> 00:08:02,530

was the precursor to NASA another one

162

00:08:06,690 --> 00:08:03,670

that's listed which i think is

163

00:08:10,500 --> 00:08:06,700

particularly interesting the in the

164

00:08:13,710 --> 00:08:10,510

second spot after the NACA is Rand which

165

00:08:16,860 --> 00:08:13,720

is short for RAND Corporation the red

166

00:08:20,430 --> 00:08:16,870

flag here is again let's go back to that

167

00:08:22,860 --> 00:08:20,440

original date September 19th 1947 and

168

00:08:24,300 --> 00:08:22,870

Rand of course referring to the RAND

169

00:08:26,640 --> 00:08:24,310

Corporation which has had some

170

00:08:29,970 --> 00:08:26,650

involvement with UFOs over the years the

171

00:08:32,700 --> 00:08:29,980

RAND Corporation was not founded until

172

00:08:36,150 --> 00:08:32,710

the following year the the middle part

173

00:08:38,070 --> 00:08:36,160

of 1948 so that is a strong indicator

174

00:08:43,110 --> 00:08:38,080

that that particular document is again

175

00:08:45,690 --> 00:08:43,120

bogus and also here we've got Michael

176

00:08:47,280 --> 00:08:45,700

and mentioned Steven Greer and his most

177

00:08:49,590 --> 00:08:47,290

recent film was a film called

178

00:08:51,830 --> 00:08:49,600

unacknowledged where one of his major

179

00:08:54,750 --> 00:08:51,840

hooks in terms of getting the film

180

00:08:57,690 --> 00:08:54,760

promoted and sold was a purported

181

00:09:00,360 --> 00:08:57,700

document tying the death of Marilyn

182

00:09:01,740 --> 00:09:00,370

Monroe to her knowledge about UFOs and

183

00:09:04,770 --> 00:09:01,750

in fact she was murdered because she

184

00:09:07,230 --> 00:09:04,780

knew too much about UFOs this document

185

00:09:09,780 --> 00:09:07,240

is also bogus I got that from Paul Dean

186

00:09:12,180 --> 00:09:09,790

directly we discussed that and I'm very

187

00:09:13,020 --> 00:09:12,190

confident in his expertise on this

188

00:09:16,170 --> 00:09:13,030

particular matter

189

00:09:18,720 --> 00:09:16,180

and also there is the serpo material

190

00:09:20,610 --> 00:09:18,730

which is floated around and let me let

191

00:09:23,160 --> 00:09:20,620

me jump ahead here because I'm gonna get

192

00:09:26,160 --> 00:09:23,170

to another piece it's over in the serpro

193

00:09:28,410 --> 00:09:26,170

material acerbo org is a website that

194

00:09:31,260 --> 00:09:28,420

still exists and you can go to its urban

195

00:09:34,260 --> 00:09:31,270

org we'd all the serpo material there

196

00:09:36,060 --> 00:09:34,270

very entertaining I enjoy reading this

197

00:09:38,190 --> 00:09:36,070

stuff I think I read through just about

198

00:09:41,100 --> 00:09:38,200

all of it way back in the day haven't

199

00:09:42,690 --> 00:09:41,110

looked at it for a while but one of the

200

00:09:45,480 --> 00:09:42,700

things that's outlined in the serpro

201

00:09:48,450 --> 00:09:45,490

material relates to a direct contact

202

00:09:49,740 --> 00:09:48,460

between extraterrestrials the eben says

203

00:09:52,800 --> 00:09:49,750

they were referred to in the serpo

204

00:09:56,460 --> 00:09:52,810

material and the United States Air Force

205

00:09:59,700 --> 00:09:56,470

and what they do here is discuss a

206

00:10:03,360 --> 00:09:59,710

landing they the Air Force had received

207

00:10:05,760 --> 00:10:03,370

messages from the eben in December of 63

208

00:10:09,330 --> 00:10:05,770

that the following year they'd make some

209

00:10:11,130 --> 00:10:09,340

kind of direct contact and it mentions a

210

00:10:13,140 --> 00:10:11,140

couple paragraphs below and I'll read

211

00:10:14,820 --> 00:10:13,150

this verbatim the first eben craft

212

00:10:18,360 --> 00:10:14,830

entered our atmosphere during the

213

00:10:20,730 --> 00:10:18,370

afternoon of April 24th 1964 the eben

214

00:10:23,610 --> 00:10:20,740

craft landed at the wrong location near

215

00:10:26,130 --> 00:10:23,620

Socorro New Mexico again this is

216

00:10:28,080 --> 00:10:26,140

attempting to tie this material to a

217

00:10:31,290 --> 00:10:28,090

known incident and what happened on

218

00:10:33,990 --> 00:10:31,300

April 24th 1964 near Socorro New Mexico

219

00:10:35,700 --> 00:10:34,000

was of course the Lonnie Zamora case and

220

00:10:37,980 --> 00:10:35,710

think when you like about that

221

00:10:40,800 --> 00:10:37,990

particular case I don't know anybody who

222

00:10:43,770 --> 00:10:40,810

is seriously putting forth that mr.

223

00:10:46,350 --> 00:10:43,780

Zamora saw a UFO in fact I'm of the

224

00:10:49,320 --> 00:10:46,360

opinion that what he witnessed was a

225

00:10:51,780 --> 00:10:49,330

balloon launched by some local college

226  
00:10:54,720 --> 00:10:51,790  
students from the New Mexico Institute

227  
00:10:57,060 --> 00:10:54,730  
of mining and technology so again this

228  
00:10:58,320 --> 00:10:57,070  
is kind of a fuzzy trick this is

229  
00:11:01,800 --> 00:10:58,330  
something that they do on a regular

230  
00:11:05,220 --> 00:11:01,810  
basis trying to tie made up facts within

231  
00:11:07,980 --> 00:11:05,230  
their their their fantasy writings to

232  
00:11:10,800 --> 00:11:07,990  
real events that we know did happen and

233  
00:11:13,230 --> 00:11:10,810  
finally and this is the one where I I do

234  
00:11:15,570 --> 00:11:13,240  
express some legitimate concern to both

235  
00:11:17,520 --> 00:11:15,580  
Michael and grant before putting too

236  
00:11:20,400 --> 00:11:17,530  
much stock in this material of course I

237  
00:11:22,050 --> 00:11:20,410  
wish them the best I hope they they come

238  
00:11:24,240 --> 00:11:22,060

a cropper with this and they hit the

239

00:11:27,120 --> 00:11:24,250

jackpot but this is another document

240

00:11:30,360 --> 00:11:27,130

that is in the serpo material released

241

00:11:32,370 --> 00:11:30,370

27a and this is a transcript a lengthy

242

00:11:35,310 --> 00:11:32,380

transcript Stav an alleged meeting

243

00:11:38,700 --> 00:11:35,320

between the then president ronald reagan

244

00:11:41,490 --> 00:11:38,710

and an individual who apparently is

245

00:11:44,820 --> 00:11:41,500

referred to in the conversation as the

246

00:11:47,130 --> 00:11:44,830

caretaker but basically he is the person

247

00:11:49,410 --> 00:11:47,140

who keeps all the UFO secrets and he is

248

00:11:52,230 --> 00:11:49,420

briefing Ronald Reagan about all this

249

00:11:54,060 --> 00:11:52,240

and again it's released 27a you can go

250

00:11:55,890 --> 00:11:54,070

ahead and you can read all through it

251  
00:11:58,980 --> 00:11:55,900  
and like I say I think it's a very

252  
00:12:01,140 --> 00:11:58,990  
entertaining fiction but this this

253  
00:12:02,970 --> 00:12:01,150  
briefing never did take place I did take

254  
00:12:04,680 --> 00:12:02,980  
a look at Reagan's schedule and on the

255  
00:12:07,890 --> 00:12:04,690  
date let's see the recording was made

256  
00:12:09,480 --> 00:12:07,900  
March 6th and 8th 1981 and in fact I did

257  
00:12:11,280 --> 00:12:09,490  
look at Reagan's schedule he was at Camp

258  
00:12:13,410 --> 00:12:11,290  
David at that particular point again a

259  
00:12:17,460 --> 00:12:13,420  
good bit of research was done on it but

260  
00:12:19,260 --> 00:12:17,470  
so this briefing is tied to a definitive

261  
00:12:21,280 --> 00:12:19,270  
event he was at Camp David on those

262  
00:12:25,840 --> 00:12:21,290  
dates but again if you read the

263  
00:12:28,600 --> 00:12:25,850

I think it's up obviously yeah it was

264

00:12:30,190 --> 00:12:28,610

written at least to my eyes the way I

265

00:12:32,740 --> 00:12:30,200

read it it was something it was written

266

00:12:33,730 --> 00:12:32,750

as compared to a transcript of an actual

267

00:12:36,220 --> 00:12:33,740

conversation

268

00:12:38,350 --> 00:12:36,230

it just doesn't read like any kind of

269

00:12:40,240 --> 00:12:38,360

conversation that any normal person

270

00:12:42,790 --> 00:12:40,250

would have and that would include

271

00:12:45,130 --> 00:12:42,800

President Ronald Reagan and William

272

00:12:46,870 --> 00:12:45,140

Casey and Michael Deaver and some of the

273

00:12:49,210 --> 00:12:46,880

under other individuals who are

274

00:12:51,390 --> 00:12:49,220

purportedly at this meeting so there you

275

00:12:53,680 --> 00:12:51,400

go I'm off my soapbox now Michael and

276

00:12:55,840 --> 00:12:53,690

take it away what do you think about all

277

00:12:58,060 --> 00:12:55,850

that I'm highly skeptical of this

278

00:12:59,230 --> 00:12:58,070

document the grant says he's got well

279

00:13:01,870 --> 00:12:59,240

I'm sure he's got it but I'm highly

280

00:13:04,450 --> 00:13:01,880

skeptical of the document yeah yeah well

281

00:13:06,550 --> 00:13:04,460

you know Frank this is why I called you

282

00:13:15,580 --> 00:13:06,560

enchant the Bonnie and Clyde of

283

00:13:17,380 --> 00:13:15,590

paranormal radio this material in almost

284

00:13:18,730 --> 00:13:17,390

10 years now it's a bit a long time

285

00:13:20,380 --> 00:13:18,740

since I dug through this stuff so I

286

00:13:26,620 --> 00:13:20,390

really had to refresh my memory let me

287

00:13:28,690 --> 00:13:26,630

tell you okay and that is that that what

288

00:13:30,850 --> 00:13:28,700

we warned Michael and grant about and of

289

00:13:34,390 --> 00:13:30,860

course what we saw when that doc was

290

00:13:36,100 --> 00:13:34,400

released was a lot of those plot devices

291

00:13:39,730 --> 00:13:36,110

a lot of those little tricks of the

292

00:13:42,730 --> 00:13:39,740

trade that that has been used in terms

293

00:13:45,520 --> 00:13:42,740

of developing a misinformation and what

294

00:13:47,710 --> 00:13:45,530

we want to do is really get into it I

295

00:13:50,470 --> 00:13:47,720

can tell you the smoking gun if you want

296

00:13:54,070 --> 00:13:50,480

to use that term the smoking gun for me

297

00:13:57,210 --> 00:13:54,080

was of course when I saw that in the

298

00:14:00,520 --> 00:13:57,220

letter or in the notes that that

299

00:14:06,100 --> 00:14:00,530

commander will Miller asked regarding a

300

00:14:08,920 --> 00:14:06,110

series of different different questions

301  
00:14:12,780 --> 00:14:08,930  
that he had for this Aggie keeper group

302  
00:14:16,270 --> 00:14:12,790  
this watch committee that supposedly was

303  
00:14:21,210 --> 00:14:16,280  
informing Admiral Wilson and let's see

304  
00:14:24,790 --> 00:14:21,220  
if I have that I want to order here

305  
00:14:26,050 --> 00:14:24,800  
let's see I don't have that here so

306  
00:14:28,780 --> 00:14:26,060  
let's say we're getting ahead of

307  
00:14:31,780 --> 00:14:28,790  
ourselves but basically it's listed that

308  
00:14:33,170 --> 00:14:31,790  
will excuse me that Miller asked about

309  
00:14:37,220 --> 00:14:33,180  
the

310  
00:14:39,889 --> 00:14:37,230  
roswell case Rendlesham case a couple

311  
00:14:41,960 --> 00:14:39,899  
other cases but also about the Holloman

312  
00:14:44,900 --> 00:14:41,970  
case which is the Holloman Air Force

313  
00:14:47,030 --> 00:14:44,910

Base case where supposedly et had a meet

314

00:14:49,460 --> 00:14:47,040

up with the Air Force and the Socorro

315

00:14:51,230 --> 00:14:49,470

case because in the serpro material as

316

00:14:55,129 --> 00:14:51,240

you saw if you watch the earlier video

317

00:14:56,480 --> 00:14:55,139

that that the meet up supposedly

318

00:14:59,210 --> 00:14:56,490

happened on the day of the Lonnie Zamora

319

00:15:02,230 --> 00:14:59,220

sighting and again that was the real red

320

00:15:05,269 --> 00:15:02,240

flag and as soon as I saw that I said

321

00:15:07,460 --> 00:15:05,279

I'm convinced that this is a likely

322

00:15:09,249 --> 00:15:07,470

disinformation and I was definitely

323

00:15:11,720 --> 00:15:09,259

going to follow up with it from there I

324

00:15:14,210 --> 00:15:11,730

contacted commander Miller I was able to

325

00:15:18,079 --> 00:15:14,220

get hold of his contact information and

326

00:15:21,920 --> 00:15:18,089

spoke with him on the following Monday

327

00:15:23,179 --> 00:15:21,930

after this document came out and asked

328

00:15:24,470 --> 00:15:23,189

him two questions I didn't have a whole

329

00:15:26,749 --> 00:15:24,480

lot of time because I had to leave the

330

00:15:27,980 --> 00:15:26,759

house but the two questions I had for

331

00:15:30,920 --> 00:15:27,990

him were basically did he remember

332

00:15:32,739 --> 00:15:30,930

writing the letter to Aaron Davis and he

333

00:15:36,799 --> 00:15:32,749

said he wasn't sure he didn't know and

334

00:15:38,389 --> 00:15:36,809

obviously that's to be expected but one

335

00:15:40,340 --> 00:15:38,399

thing that somebody remembers I mean if

336

00:15:42,350 --> 00:15:40,350

you're into UFOs and nobody questions

337

00:15:43,759 --> 00:15:42,360

that the commander Miller is interested

338

00:15:45,889 --> 00:15:43,769

in UFOs he thinks there's really

339

00:15:48,079 --> 00:15:45,899

something through the subject and that

340

00:15:49,549 --> 00:15:48,089

the one thing that you remember is what

341

00:15:51,499 --> 00:15:49,559

are your favorite cases what are that

342

00:15:55,160 --> 00:15:51,509

what are the top cases in your mind the

343

00:15:57,679 --> 00:15:55,170

same way a normal person a non UFO buff

344

00:16:00,079 --> 00:15:57,689

might always remember their their

345

00:16:04,280 --> 00:16:00,089

favorite movie or their their favorite

346

00:16:06,199 --> 00:16:04,290

musicians or their favorite you know

347

00:16:08,509 --> 00:16:06,209

sport teams or whatever they're gonna

348

00:16:10,699 --> 00:16:08,519

remember that and when commander Miller

349

00:16:14,989 --> 00:16:10,709

asked me what's the Socorro case I

350

00:16:17,179 --> 00:16:14,999

believed him I believed that okay that's

351

00:16:19,249 --> 00:16:17,189

what I believe that's what convinced me

352

00:16:22,489 --> 00:16:19,259

that there was some serious issues with

353

00:16:25,970 --> 00:16:22,499

this documentation so from there we've

354

00:16:30,460 --> 00:16:25,980

got let's see we've also got a little

355

00:16:33,889 --> 00:16:30,470

segment involving the reasoning why

356

00:16:36,799 --> 00:16:33,899

ostensibly Admiral Wilson was in Vegas

357

00:16:41,269 --> 00:16:36,809

in the first place and basically what he

358

00:16:44,379 --> 00:16:41,279

says is he came to a special area to do

359

00:16:46,090 --> 00:16:44,389

some some follow-up work that his

360

00:16:49,540 --> 00:16:46,100

predecessor in his

361

00:16:52,660 --> 00:16:49,550

position with the NSA excuse me with the

362

00:16:54,010 --> 00:16:52,670

DIA was not really following up he

363

00:16:56,500 --> 00:16:54,020

didn't really care about it that would

364

00:17:01,360 --> 00:16:56,510

it would be Jacoby and the trip was set

365

00:17:03,730 --> 00:17:01,370

up by NSA members rich and Doug you Eric

366

00:17:06,069 --> 00:17:03,740

Davis know them a Pheo members told

367

00:17:08,680 --> 00:17:06,079

about how new Las Vegas chapter needed

368

00:17:11,829 --> 00:17:08,690

guest speakers for a chapter public

369

00:17:14,110 --> 00:17:11,839

venue raise money membership etc now it

370

00:17:15,880 --> 00:17:14,120

doesn't say specifically that that was

371

00:17:17,860 --> 00:17:15,890

part of the reason his he was coming out

372

00:17:21,490 --> 00:17:17,870

there yeah but they set up his trip to

373

00:17:23,710 --> 00:17:21,500

the new National Nuclear Security Agency

374

00:17:25,569 --> 00:17:23,720

and to do that work and you know you

375

00:17:27,670 --> 00:17:25,579

ease there anyway and it's a brand new

376

00:17:29,410 --> 00:17:27,680

chapter and that is a fact that is a new

377

00:17:32,200 --> 00:17:29,420

chapter was a new chapter in October

378

00:17:35,230 --> 00:17:32,210

2002 when this meeting allegedly took

379

00:17:37,930 --> 00:17:35,240

place but there is literally no record

380

00:17:39,790 --> 00:17:37,940

of Admiral Wilson being there and on the

381

00:17:42,190 --> 00:17:39,800

last show we did mention that that we

382

00:17:46,690 --> 00:17:42,200

went back into the the periscope which

383

00:17:53,440 --> 00:17:46,700

is the newsletter for a Pheo and chanc I

384

00:17:55,060 --> 00:17:53,450

have what do you want okay all right

385

00:17:57,220 --> 00:17:55,070

well yeah let me yeah let me go through

386

00:17:58,330 --> 00:17:57,230

what I got and then you can you can

387

00:18:00,550 --> 00:17:58,340

follow up because you did some

388

00:18:03,430 --> 00:18:00,560

additional follow-up on this but again

389

00:18:05,710 --> 00:18:03,440

in this periscope newsletter it does

390

00:18:08,890 --> 00:18:05,720

mention that the other Vegas chapter is

391

00:18:11,650 --> 00:18:08,900

brand new in October 2002 they did have

392

00:18:13,240 --> 00:18:11,660

their their inaugural meeting and you

393

00:18:14,740 --> 00:18:13,250

know you would think that maybe if

394

00:18:15,730 --> 00:18:14,750

Admiral Wilson had spoken at this

395

00:18:18,100 --> 00:18:15,740

meeting it would have been a pretty good

396

00:18:19,390 --> 00:18:18,110

inaugural guest and they would have

397

00:18:20,590 --> 00:18:19,400

mentioned the fact that he had been

398

00:18:22,900 --> 00:18:20,600

there and spoke to them at the very

399

00:18:25,270 --> 00:18:22,910

first meeting but again no mention at

400

00:18:30,010 --> 00:18:25,280

all there of that and then finally a

401  
00:18:33,970 --> 00:18:30,020  
chant of see where we at now okay this

402  
00:18:36,760 --> 00:18:33,980  
again tying back to the the serpo

403  
00:18:39,130 --> 00:18:36,770  
material where the president meets at

404  
00:18:42,070 --> 00:18:39,140  
Camp David with the caretaker and then

405  
00:18:44,560 --> 00:18:42,080  
of course from the notes the Admiral

406  
00:18:46,540 --> 00:18:44,570  
Wilson was able to meet with that

407  
00:18:50,350 --> 00:18:46,550  
gatekeeper is the watch committee you

408  
00:18:52,270 --> 00:18:50,360  
know no and nobody named just they they

409  
00:18:55,390 --> 00:18:52,280  
give themselves these these silly names

410  
00:18:57,730 --> 00:18:55,400  
to to add drama to the the fictional

411  
00:18:59,590 --> 00:18:57,740  
narrative so there's that let's call

412  
00:19:02,440 --> 00:18:59,600  
back to that and chant you were

413  
00:19:21,299 --> 00:19:02,450

able to get an official an official on

414

00:19:21,309 --> 00:19:30,240

I'm sorry could you run that by me again

415

00:19:36,039 --> 00:19:33,100

it doesn't say that it doesn't say that

416

00:19:37,659 --> 00:19:36,049

specifically but the the implication is

417

00:19:40,860 --> 00:19:37,669

clearly that one of the things he

418

00:19:44,460 --> 00:19:40,870

intends to do on during this trip is to

419

00:19:46,840 --> 00:19:44,470

handle his business with the N DDS

420

00:19:48,669 --> 00:19:46,850

obviously meet with Eric Davis I don't

421

00:19:50,409 --> 00:19:48,679

think that is at the top of that list

422

00:19:52,419 --> 00:19:50,419

and also since he's in the neighborhood

423

00:19:54,220 --> 00:19:52,429

anyway and these guys form a Pheo set up

424

00:19:56,590 --> 00:19:54,230

the trip but there's a little quid pro

425

00:20:04,350 --> 00:19:56,600

quo going on and that Wilson would help

426

00:20:08,289 --> 00:20:04,360

them kick start their new chapter I

427

00:20:09,880 --> 00:20:08,299

contacted a person who has been a member

428

00:20:13,270 --> 00:20:09,890

of the Association of former

429

00:20:17,500 --> 00:20:13,280

intelligence officers for decades in Las

430

00:20:21,310 --> 00:20:17,510

Vegas and he went ahead and I've

431

00:20:24,340 --> 00:20:21,320

actually spoken to him twice and he sent

432

00:20:26,260 --> 00:20:24,350

me an email stating this I am a charter

433

00:20:28,860 --> 00:20:26,270

member of the Las Vegas Chapter of

434

00:20:32,039 --> 00:20:28,870

Appeal and have served as an officer

435

00:20:35,890 --> 00:20:32,049

continuously I can state without

436

00:20:39,280 --> 00:20:35,900

equivocation that at no time in any year

437

00:20:42,909 --> 00:20:39,290

did we have Admiral Wilson as a speaker

438

00:20:47,830 --> 00:20:42,919

that he had any part in starting a

439

00:20:50,230 --> 00:20:47,840

chapter is patently false so you know

440

00:20:53,590 --> 00:20:50,240

this is the real problem for the

441

00:20:56,320 --> 00:20:53,600

products people okay you have to prove

442

00:20:57,970 --> 00:20:56,330

that Wilson was in Vegas on the date in

443

00:21:00,789 --> 00:20:57,980

question if you don't have that these

444

00:21:02,680 --> 00:21:00,799

docs are absolutely fake and you know

445

00:21:04,210 --> 00:21:02,690

going into it I thought they're well

446

00:21:07,000 --> 00:21:04,220

researched enough there was a very

447

00:21:09,669 --> 00:21:07,010

reasonable chance that it might turn out

448

00:21:11,620 --> 00:21:09,679

that in fact he was in Vegas on that

449

00:21:15,700 --> 00:21:11,630

particular date but it's starting to

450

00:21:19,450 --> 00:21:15,710

look more and more and more as if he was

451  
00:21:21,820 --> 00:21:19,460  
not so this is a serious problem for the

452  
00:21:23,980 --> 00:21:21,830  
products folks the folks are saying this

453  
00:21:27,460 --> 00:21:23,990  
is going to be very difficult to debunk

454  
00:21:29,760 --> 00:21:27,470  
well you know so far it hasn't proved

455  
00:21:31,380 --> 00:21:29,770  
that difficult at all maybe did

456  
00:21:34,200 --> 00:21:31,390  
prove thoroughly and completely that

457  
00:21:36,870 --> 00:21:34,210  
it's a fake but we're gathering lots of

458  
00:21:39,570 --> 00:21:36,880  
evidence to to really knock this

459  
00:21:41,669 --> 00:21:39,580  
material down and the products folks are

460  
00:21:43,470 --> 00:21:41,679  
really coming out with nothing and I

461  
00:21:47,940 --> 00:21:43,480  
mean nothing other than the docks

462  
00:21:49,890 --> 00:21:47,950  
themselves to the claim at that it's

463  
00:21:51,570 --> 00:21:49,900

real and there's no there's no

464

00:21:53,640 --> 00:21:51,580

additional evidence to prove that it's

465

00:21:57,090 --> 00:21:53,650

real and in fact the docks themselves

466

00:21:59,340 --> 00:21:57,100

sort of a sort of self-destruct when you

467

00:22:03,180 --> 00:21:59,350

take a closer look at them so there's

468

00:22:06,690 --> 00:22:03,190

that but but there's more there's more

469

00:22:09,090 --> 00:22:06,700

so what what else do we have June did

470

00:22:11,700 --> 00:22:09,100

you feel like going on to the alien

471

00:22:18,210 --> 00:22:11,710

autopsy memo to go over that a little

472

00:22:23,220 --> 00:22:18,220

bit I think you have some notes on pages

473

00:22:25,320 --> 00:22:23,230

4 6 9 and 10 yes

474

00:22:28,110 --> 00:22:25,330

yeah I just want to follow along at home

475

00:22:30,690 --> 00:22:28,120

they can and what I'm gonna do right now

476

00:22:33,780 --> 00:22:30,700

for the folks is I'm gonna grab a link

477

00:22:36,600 --> 00:22:33,790

to that actual document so people aren't

478

00:22:39,120 --> 00:22:36,610

just like wondering what are we talking

479

00:22:42,750 --> 00:22:39,130

about so they can actually follow along

480

00:22:44,580 --> 00:22:42,760

so there's the link regarding the

481

00:22:48,870 --> 00:22:44,590

document that we are about to talk about

482

00:22:51,330 --> 00:22:48,880

and that is called colloquially as the

483

00:22:57,090 --> 00:22:51,340

alien autopsy memo

484

00:23:00,630 --> 00:22:57,100

now these documents in my view are fate

485

00:23:04,350 --> 00:23:00,640

I will share some opinions points and

486

00:23:06,090 --> 00:23:04,360

evidence now I'm going to call the alien

487

00:23:11,210 --> 00:23:06,100

autopsy memo

488

00:23:15,350 --> 00:23:11,220

I am so when I say that acronym I am I'm

489

00:23:21,020 --> 00:23:15,360

talking about the alien autopsy memo

490

00:23:23,790 --> 00:23:21,030

okay one again I will share opinions

491

00:23:26,430 --> 00:23:23,800

points and evidence so you will hear a

492

00:23:29,780 --> 00:23:26,440

mixture of that when I'm talking one a

493

00:23:32,730 --> 00:23:29,790

scientist of kit grains magnitude I

494

00:23:41,820 --> 00:23:32,740

believe does not use the word nope and

495

00:23:46,749 --> 00:23:41,830

ope on page six on page six

496

00:23:49,889 --> 00:23:46,759

and I believe would not use all caps

497

00:23:54,340 --> 00:23:49,899

either when referring to anything

498

00:23:57,639 --> 00:23:54,350

amongst all of his peers at any time

499

00:24:01,479 --> 00:23:57,649

whether it be a memo or email any kind

500

00:24:03,369 --> 00:24:01,489

of communication maybe in jest but I

501  
00:24:08,789 --> 00:24:03,379  
don't believe that that person would use

502  
00:24:11,769 --> 00:24:08,799  
screaming caps throughout an entire memo

503  
00:24:14,469 --> 00:24:11,779  
document or a series of emails or an

504  
00:24:20,259 --> 00:24:14,479  
email or any kind of communication to

505  
00:24:23,080 --> 00:24:20,269  
peers in at a professional level - if

506  
00:24:26,589 --> 00:24:23,090  
you go to page six terms use like reggae

507  
00:24:31,570 --> 00:24:26,599  
our UGA when they're talking about the

508  
00:24:36,009 --> 00:24:31,580  
brain and that part of the document the

509  
00:24:39,149 --> 00:24:36,019  
term used called ruggy

510  
00:24:43,330 --> 00:24:39,159  
is incorrect for describing brain folds

511  
00:24:46,330 --> 00:24:43,340  
Rugg a are ridges folds around the stump

512  
00:24:51,509 --> 00:24:46,340  
folds found in the stomach digestive

513  
00:24:57,119 --> 00:24:51,519

systems that allow for expansion the

514

00:25:02,950 --> 00:24:59,769

dr. Greene would have been more precise

515

00:25:06,729 --> 00:25:02,960

about this and he would have known this

516

00:25:11,710 --> 00:25:06,739

kind of information so the term used

517

00:25:15,659 --> 00:25:11,720

like reggae it seems to me that he would

518

00:25:18,399 --> 00:25:15,669

have had the knowledge base to

519

00:25:21,789 --> 00:25:18,409

definitely not have used a term like

520

00:25:28,810 --> 00:25:21,799

this this medical term in an incorrect

521

00:25:32,469 --> 00:25:28,820

manner number three on page nine emails

522

00:25:36,899 --> 00:25:32,479

from KITT Hal and John show that in

523

00:25:42,180 --> 00:25:36,909

January 7th 2001 they all have a

524

00:25:49,139 --> 00:25:42,190

Singapore located in the email address

525

00:25:54,369 --> 00:25:49,149

now I've already confirmed from John

526

00:25:54,880 --> 00:25:54,379

Alexander himself that he not only did

527

00:25:59,800 --> 00:25:54,890

not

528

00:26:03,550 --> 00:25:59,810

work for General Motors he never worked

529

00:26:10,390 --> 00:26:03,560

for General Motors and he never ever

530

00:26:14,950 --> 00:26:10,400

worked in Singapore also he'll from my

531

00:26:18,160 --> 00:26:14,960

research I have discovered and I believe

532

00:26:20,950 --> 00:26:18,170

it to be correct never work for General

533

00:26:25,840 --> 00:26:20,960

Motors and never worked in Singapore

534

00:26:31,570 --> 00:26:25,850

that is a located on page nine so

535

00:26:34,570 --> 00:26:31,580

already we know it is a fact that John B

536

00:26:39,660 --> 00:26:34,580

Alexander who is referenced in this

537

00:26:46,450 --> 00:26:39,670

alien autopsy talk or memo rather with a

538

00:26:48,880 --> 00:26:46,460

at GM dot-com SG email address he never

539

00:26:54,070 --> 00:26:48,890

ever once worked for General Motors and

540

00:26:57,550 --> 00:26:54,080

he never ever worked in Singapore now on

541

00:27:02,770 --> 00:26:57,560

page ten there is an email showing it at

542

00:27:07,540 --> 00:27:02,780

a GM are calm in looking at Kristin

543

00:27:12,450 --> 00:27:07,550

Zimmerman email we see a us underscore

544

00:27:21,250 --> 00:27:12,460

GM underscore wrn underscore t c-101

545

00:27:24,670 --> 00:27:21,260

at notes GM are calm now an individual

546

00:27:29,350 --> 00:27:24,680

who I spoke with told me that he knows

547

00:27:35,470 --> 00:27:29,360

from working in the army that this could

548

00:27:38,320 --> 00:27:35,480

be referring to TAC om tech um which is

549

00:27:44,550 --> 00:27:38,330

an army tank automotive and armaments

550

00:27:51,580 --> 00:27:44,560

command Warren meaning Warren Michigan

551  
00:27:55,060 --> 00:27:51,590  
so the US Army Tom I am sta - CSP this

552  
00:27:59,170 --> 00:27:55,070  
is her address six five zero one east 11

553  
00:28:03,820 --> 00:27:59,180  
Mile Road Warren Michigan four eight

554  
00:28:05,710 --> 00:28:03,830  
three nine seven - 5,000 and this is

555  
00:28:07,600 --> 00:28:05,720  
where he said we make our tracked

556  
00:28:09,970 --> 00:28:07,610  
vehicles

557  
00:28:13,360 --> 00:28:09,980  
General Motors is also located in

558  
00:28:16,750 --> 00:28:13,370  
Michigan anyone working in the IT world

559  
00:28:19,470 --> 00:28:16,760  
knows that syntax for male domains are

560  
00:28:22,180 --> 00:28:19,480  
very specific and consistent for

561  
00:28:24,040 --> 00:28:22,190  
organizations he said so I'm going to

562  
00:28:26,560 --> 00:28:24,050  
read that again because that's extremely

563  
00:28:31,120 --> 00:28:26,570

important on page 10 there's an email

564

00:28:33,280 --> 00:28:31,130

now showing it at a GM are calm in

565

00:28:36,700 --> 00:28:33,290

looking at Kristin Zimmerman's

566

00:28:40,890 --> 00:28:36,710

email we see a u.s. underscore GM

567

00:28:45,760 --> 00:28:40,900

underscore wrn underscore TC 1 0 1 @

568

00:28:48,310 --> 00:28:45,770

notes dodgem are calm he said I do know

569

00:28:52,860 --> 00:28:48,320

from working here in the army that this

570

00:29:00,270 --> 00:28:52,870

could be referring to taka ta c om in

571

00:29:02,560 --> 00:29:00,280

Warren again Warren Michigan and he said

572

00:29:05,230 --> 00:29:02,570

this is where we make our tracked

573

00:29:07,540 --> 00:29:05,240

vehicles General Motors is also located

574

00:29:09,580 --> 00:29:07,550

in Michigan anyone working in the IT

575

00:29:13,300 --> 00:29:09,590

world knows that syntax were male

576

00:29:14,830 --> 00:29:13,310

domains male M ail domains are very

577

00:29:18,190 --> 00:29:14,840

specific and consistent for

578

00:29:23,560 --> 00:29:18,200

organizations we seek it underscore

579

00:29:28,810 --> 00:29:23,570

green at GM our notes three dot GM our

580

00:29:39,190 --> 00:29:28,820

comm comma KITT underscore green at GMR

581

00:29:42,850 --> 00:29:39,200

comm comma KITT green at G m.com SG just

582

00:29:45,340 --> 00:29:42,860

so everybody is aware KITT green from

583

00:29:48,720 --> 00:29:45,350

the research that I have been able to

584

00:29:54,760 --> 00:29:48,730

locate through the help of another

585

00:29:56,680 --> 00:29:54,770

well-known researcher and this was this

586

00:29:59,830 --> 00:29:56,690

is really important that everybody knows

587

00:30:02,260 --> 00:29:59,840

this and this actually up I mean let me

588

00:30:04,600 --> 00:30:02,270

preface let me restate that again the

589

00:30:07,270 --> 00:30:04,610

individual that gave me the information

590

00:30:10,420 --> 00:30:07,280

that he did not work in Singapore which

591

00:30:15,000 --> 00:30:10,430

was John Alexander he told me that KITT

592

00:30:19,720 --> 00:30:15,010

green was the VP for General Motors in

593

00:30:21,370 --> 00:30:19,730

Singapore so that part of the email

594

00:30:24,640 --> 00:30:21,380

address for that person

595

00:30:27,610 --> 00:30:24,650

in this memo is correct but for how and

596

00:30:32,909 --> 00:30:27,620

for John Alexander dot simi Amell email

597

00:30:38,049 --> 00:30:32,919

address is not now going to page for

598

00:30:42,360 --> 00:30:38,059

kick green slash us slash GM slash GMC

599

00:30:46,659 --> 00:30:42,370

at GM that's missing a.com

600

00:30:49,630 --> 00:30:46,669

why did nobody notice this it's right in

601  
00:30:53,919 --> 00:30:49,640  
front of all of us see this is a thing

602  
00:30:58,360 --> 00:30:53,929  
Frank everybody is taking all of these

603  
00:31:02,140 --> 00:30:58,370  
documents as though they are completely

604  
00:31:05,230 --> 00:31:02,150  
real without looking at the obvious

605  
00:31:08,830 --> 00:31:05,240  
aspects that are staring at us right in

606  
00:31:11,200 --> 00:31:08,840  
our face all we have to do is stare at

607  
00:31:14,020 --> 00:31:11,210  
this document and scrutinize it a little

608  
00:31:18,370 --> 00:31:14,030  
bit harder and you will see some strange

609  
00:31:23,860 --> 00:31:18,380  
anomalies such as on page 4 the kid

610  
00:31:27,640 --> 00:31:23,870  
green slash us slash GM / GMC at GM is

611  
00:31:30,250 --> 00:31:27,650  
missing a.com now I have tried to email

612  
00:31:33,220 --> 00:31:30,260  
people without the dot-com it has never

613  
00:31:35,320 --> 00:31:33,230

worked it never will work and that just

614

00:31:38,770 --> 00:31:35,330

will not happen for a very valid email

615

00:31:41,740 --> 00:31:38,780

address error message exactly so either

616

00:31:47,289 --> 00:31:41,750

somebody forgot to copy and paste the

617

00:31:49,690 --> 00:31:47,299

rest of that or it's unknown but I can

618

00:31:52,390 --> 00:31:49,700

tell you this the email that came out of

619

00:31:54,370 --> 00:31:52,400

that particular part of the document on

620

00:31:57,310 --> 00:31:54,380

page 4 where you can see an email

621

00:31:59,500 --> 00:31:57,320

underneath it there's no way that email

622

00:32:03,700 --> 00:31:59,510

actually could have gone through

623

00:32:07,120 --> 00:32:03,710

correctly because of that calm part

624

00:32:11,350 --> 00:32:07,130

missing for that individual at least now

625

00:32:15,460 --> 00:32:11,360

the last email such masters does not

626  
00:32:19,000 --> 00:32:15,470  
have the correct email construct there

627  
00:32:21,789 --> 00:32:19,010  
are two twos so we'll look into that in

628  
00:32:26,500 --> 00:32:21,799  
just a moment when we see two twos

629  
00:32:27,490 --> 00:32:26,510  
there's two twice so I'll look at that

630  
00:32:32,039 --> 00:32:27,500  
in just a moment

631  
00:32:34,020 --> 00:32:32,049  
now kit is calling Hal on page ten

632  
00:32:35,850 --> 00:32:34,030  
Halbert

633  
00:32:38,580 --> 00:32:35,860  
just so everybody is aware I'm gonna

634  
00:32:40,530 --> 00:32:38,590  
read that again on page 10 let's look at

635  
00:32:45,750 --> 00:32:40,540  
that it's right in front of us

636  
00:32:48,090 --> 00:32:45,760  
KIT is calling Hal Halbert now why

637  
00:32:53,070 --> 00:32:48,100  
would anybody who has known hell for

638  
00:33:02,840 --> 00:32:53,080

years call Hal Halbert when he'll put

639

00:33:10,260 --> 00:33:08,130

okay so that is very odd to me and I

640

00:33:14,190 --> 00:33:10,270

know that this might sound a little

641

00:33:16,860 --> 00:33:14,200

redundant but it's really important for

642

00:33:20,550 --> 00:33:16,870

people to understand that there are

643

00:33:27,690 --> 00:33:20,560

people who are shopping around this memo

644

00:33:29,460 --> 00:33:27,700

as though it is authentic now it doesn't

645

00:33:33,210 --> 00:33:29,470

really matter does it

646

00:33:37,460 --> 00:33:33,220

who is saying it is this document is

647

00:33:40,230 --> 00:33:37,470

authentic if we are pointing out here

648

00:33:44,250 --> 00:33:40,240

all of the research we've done to

649

00:33:45,960 --> 00:33:44,260

indicate not only proof that somebody

650

00:33:49,710 --> 00:33:45,970

did not work

651  
00:33:52,140 --> 00:33:49,720  
in Singapore for General Motors

652  
00:33:54,990 --> 00:33:52,150  
but that another individual in the

653  
00:33:57,000 --> 00:33:55,000  
document didn't either and people can go

654  
00:34:00,260 --> 00:33:57,010  
do their due diligence to check on that

655  
00:34:03,960 --> 00:34:00,270  
and ask how about that if they wish but

656  
00:34:09,360 --> 00:34:03,970  
why would kid call Hal Halbert when

657  
00:34:15,180 --> 00:34:09,370  
that's not his name now I wanted to ask

658  
00:34:18,000 --> 00:34:15,190  
you Frank just a question why do you not

659  
00:34:20,310 --> 00:34:18,010  
take documents like this at face value

660  
00:34:24,030 --> 00:34:20,320  
and I have a part two to that that I

661  
00:34:25,770 --> 00:34:24,040  
would like to add I want to tell the

662  
00:34:28,409 --> 00:34:25,780  
whole UFO community something that's

663  
00:34:34,820 --> 00:34:28,419

really interesting I've noticed and that

664

00:34:38,970 --> 00:34:34,830

is people have been saying repeatedly

665

00:34:42,570 --> 00:34:38,980

that there's a famous talk-show hosts

666

00:34:46,680 --> 00:34:42,580

and iconic people in the realm of

667

00:34:47,520 --> 00:34:46,690

ufology that are stating this document

668

00:34:49,169 --> 00:34:47,530

and

669

00:34:53,870 --> 00:34:49,179

the other document known as The Smoking

670

00:34:59,130 --> 00:34:53,880

Gun doc are authentic so it must be real

671

00:35:02,310 --> 00:34:59,140

well that's not enough you know you can

672

00:35:04,830 --> 00:35:02,320

be an excellent researcher and put your

673

00:35:07,620 --> 00:35:04,840

name behind something but that does not

674

00:35:10,890 --> 00:35:07,630

mean I'm gonna believe you you know why

675

00:35:14,550 --> 00:35:10,900

because I have to do my due diligence

676

00:35:18,960 --> 00:35:14,560

and my own research to systematically

677

00:35:22,190 --> 00:35:18,970

tear a document apart bit by bit to make

678

00:35:27,270 --> 00:35:22,200

sure every single part of it actually

679

00:35:31,530 --> 00:35:27,280

adds up and that's the thing Frank this

680

00:35:35,660 --> 00:35:31,540

document this aam document does not add

681

00:35:38,640 --> 00:35:35,670

up so why do people blindly believe

682

00:35:41,910 --> 00:35:38,650

iconic people in the UFO community and

683

00:35:46,140 --> 00:35:41,920

famous talk show hosts because they say

684

00:35:48,450 --> 00:35:46,150

this is real deal with it why is that

685

00:35:52,020 --> 00:35:48,460

enough for people why don't they bother

686

00:35:54,600 --> 00:35:52,030

to actually do research like we did well

687

00:35:56,880 --> 00:35:54,610

the will to believe is very very strong

688

00:35:59,340 --> 00:35:56,890

some folks have been around this UFO

689

00:36:02,850 --> 00:35:59,350

business for a while will remember the

690

00:36:05,760 --> 00:36:02,860

Roswell slides the purported picture of

691

00:36:07,170 --> 00:36:05,770

a dead alien and I know some people who

692

00:36:09,450 --> 00:36:07,180

were involved in a good friend of mine

693

00:36:12,570 --> 00:36:09,460

Toni Berg alia he was involved in that

694

00:36:14,070 --> 00:36:12,580

heavily and he believed I mean the

695

00:36:16,140 --> 00:36:14,080

circumstances were a lot different it

696

00:36:20,100 --> 00:36:16,150

wasn't a document but it was a

697

00:36:21,600 --> 00:36:20,110

photograph of what proved to be a dead

698

00:36:23,430 --> 00:36:21,610

mummy that would they'd been around a

699

00:36:26,010 --> 00:36:23,440

while it looked kind of vaguely alien

700

00:36:29,130 --> 00:36:26,020

and there's no question about it it's a

701  
00:36:30,840 --> 00:36:29,140  
startling stunning image but you know

702  
00:36:32,760 --> 00:36:30,850  
the will to believe is strong and I'm

703  
00:36:35,190 --> 00:36:32,770  
convinced a lot of people kept calling

704  
00:36:38,460 --> 00:36:35,200  
that fraud and fake and all that as it

705  
00:36:40,050 --> 00:36:38,470  
turned out they I think they made a

706  
00:36:41,820 --> 00:36:40,060  
mistake I do believe that the the

707  
00:36:43,200 --> 00:36:41,830  
researchers involved without especially

708  
00:36:45,630 --> 00:36:43,210  
Toni they believed that they had

709  
00:36:47,460 --> 00:36:45,640  
something they really did and I think

710  
00:36:49,380 --> 00:36:47,470  
grant really believed that he had

711  
00:36:51,330 --> 00:36:49,390  
something but you know you should have

712  
00:36:53,850 --> 00:36:51,340  
asked around a little bit more I mean

713  
00:36:55,290 --> 00:36:53,860

Michael certainly knew the the things

714

00:36:57,510 --> 00:36:55,300

that I were that even seeing these

715

00:36:59,830 --> 00:36:57,520

documents aspire all the smoking gun

716

00:37:02,110 --> 00:36:59,840

document Nicola that's the one

717

00:37:04,810 --> 00:37:02,120

but that without even seeing these

718

00:37:05,830 --> 00:37:04,820

documents I was and he had he should

719

00:37:08,140 --> 00:37:05,840

have known that some of the red flags

720

00:37:10,150 --> 00:37:08,150

that I was raising should have been

721

00:37:12,430 --> 00:37:10,160

should have been a concern but you know

722

00:37:17,020 --> 00:37:12,440

that will - believe is very very strong

723

00:37:21,810 --> 00:37:17,030

very very strong so there's that and

724

00:37:24,100 --> 00:37:21,820

also the the will to either ignore or

725

00:37:28,060 --> 00:37:24,110

misrepresent research that demonstrates

726

00:37:29,730 --> 00:37:28,070

as something that is Pro UFO is also

727

00:37:32,860 --> 00:37:29,740

very very strong again I dealt with that

728

00:37:36,310 --> 00:37:32,870

involving the Socorro case so you know

729

00:37:38,530 --> 00:37:36,320

there's that as well it it's a funny

730

00:37:40,420 --> 00:37:38,540

thing but all you can really do is keep

731

00:37:44,770 --> 00:37:40,430

following the leads keep following the

732

00:37:47,170 --> 00:37:44,780

research and you know the truth will not

733

00:37:50,770 --> 00:37:47,180

maybe not always out in the end but

734

00:37:53,730 --> 00:37:50,780

we're finding out more and this this

735

00:37:56,260 --> 00:37:53,740

hasn't been difficult for debunkers to

736

00:37:57,820 --> 00:37:56,270

discredit you know I don't even know

737

00:37:59,500 --> 00:37:57,830

that any quote-unquote the bunkers have

738

00:38:02,050 --> 00:37:59,510

tried to discredit it I don't know if

739

00:38:04,540 --> 00:38:02,060

they've even bothered but you know when

740

00:38:06,130 --> 00:38:04,550

you get a couple of researchers who you

741

00:38:08,680 --> 00:38:06,140

know I've been doing this for a little

742

00:38:12,100 --> 00:38:08,690

while on this in a looking at this a

743

00:38:14,530 --> 00:38:12,110

little bit more critically than that

744

00:38:17,740 --> 00:38:14,540

that it was pretty easy to at least

745

00:38:19,330 --> 00:38:17,750

raise serious concerns I mean I you know

746

00:38:21,370 --> 00:38:19,340

when I spoke to Michael when we had them

747

00:38:23,890 --> 00:38:21,380

on the show I guess it's been going on

748

00:38:27,550 --> 00:38:23,900

three weeks now will be three weeks this

749

00:38:29,050 --> 00:38:27,560

week you know they got to show something

750

00:38:30,970 --> 00:38:29,060

they've got to show something more than

751

00:38:33,520 --> 00:38:30,980

the facts of the docs they've got a you

752

00:38:35,170 --> 00:38:33,530

know place Admiral Wilson in Vegas which

753

00:38:37,540 --> 00:38:35,180

were we've raised doubts about now

754

00:38:40,660 --> 00:38:37,550

they've got to do a lot of other things

755

00:38:43,660 --> 00:38:40,670

before running around saying that this

756

00:38:46,270 --> 00:38:43,670

is the leak of the century and you know

757

00:38:47,760 --> 00:38:46,280

are you kidding me when we make contact

758

00:38:50,470 --> 00:38:47,770

with Admiral Wilson and then

759

00:38:53,500 --> 00:38:50,480

misrepresent the the contents of that

760

00:38:55,720 --> 00:38:53,510

exchange and then you know a deal with

761

00:38:57,640 --> 00:38:55,730

it and of course we don't know what

762

00:38:59,470 --> 00:38:57,650

we're talking about well I think that we

763

00:39:01,600 --> 00:38:59,480

do and I think we've demonstrated that

764

00:39:04,500 --> 00:39:01,610

over the last roughly 40 minutes or so

765

00:39:06,670 --> 00:39:04,510

but there's more we're not done yet

766

00:39:08,620 --> 00:39:06,680

okay just one last thing

767

00:39:09,270 --> 00:39:08,630

and I might bring up something later on

768

00:39:14,700 --> 00:39:09,280

in the talk

769

00:39:17,580 --> 00:39:14,710

but on page 11 in this aam document

770

00:39:19,470 --> 00:39:17,590

alleged document I wanted to bring up

771

00:39:22,320 --> 00:39:19,480

something interesting that I was hoping

772

00:39:24,660 --> 00:39:22,330

people out there who are like ourselves

773

00:39:27,600 --> 00:39:24,670

and like to do research and do their own

774

00:39:31,500 --> 00:39:27,610

due diligence if you look at the email

775

00:39:33,480 --> 00:39:31,510

header on page 11 I'm reaching out to

776

00:39:35,490 --> 00:39:33,490

anybody out there that's willing to do

777

00:39:37,560 --> 00:39:35,500

some research on this I know I will

778

00:39:40,380 --> 00:39:37,570

hopefully they'll find out some

779

00:39:44,640 --> 00:39:40,390

interesting information that is it says

780

00:39:48,060 --> 00:39:44,650

from put off at aol.com on eight slash a

781

00:39:52,140 --> 00:39:48,070

1 slash ninety nine eleven nineteen

782

00:39:54,840 --> 00:39:52,150

forty two p.m. then we move on to the

783

00:39:57,840 --> 00:39:54,850

two part kick green and another email

784

00:40:05,090 --> 00:39:57,850

address then we move on to where it says

785

00:40:09,510 --> 00:40:05,100

date Saturday comma 31 July 1999

786

00:40:12,900 --> 00:40:09,520

thirteen eighteen twenty-four EDT do you

787

00:40:15,630 --> 00:40:12,910

remember this part Frank yeah let me add

788

00:40:17,820 --> 00:40:15,640

that page eleven to the screenshot it's

789

00:40:30,450 --> 00:40:17,830

not sure I don't know how well the folks

790

00:40:32,220 --> 00:40:30,460

can read it but now maybe you can even

791

00:40:34,260 --> 00:40:32,230

if you feel like you have the time Frank

792

00:40:37,050 --> 00:40:34,270

to just do a screenshot of only that

793

00:40:40,350 --> 00:40:37,060

part where you are just at on page

794

00:40:43,920 --> 00:40:40,360

eleven just cut that page in half and

795

00:40:48,510 --> 00:40:43,930

slip that into the slideshow so that

796

00:40:52,380 --> 00:40:48,520

people can see it close closer page

797

00:40:55,680 --> 00:40:52,390

eleven and the print is kind of smaller

798

00:40:57,120 --> 00:40:55,690

or more is it yeah

799

00:40:59,490 --> 00:40:57,130

if you feel like you can cut that in

800

00:41:01,530 --> 00:40:59,500

half and do a screenshot of page eleven

801  
00:41:03,660 --> 00:41:01,540  
on the bottom part I've got a few things

802  
00:41:04,110 --> 00:41:03,670  
to do so but people can check it out on

803  
00:41:06,690 --> 00:41:04,120  
their own

804  
00:41:09,890 --> 00:41:06,700  
sure okay so anyway maybe you can also

805  
00:41:14,340 --> 00:41:09,900  
change eleven of the alien autopsy

806  
00:41:18,990 --> 00:41:14,350  
series of emails right so Frank are you

807  
00:41:23,890 --> 00:41:21,550  
screens I have to look at are bits

808  
00:41:28,210 --> 00:41:23,900  
okay so let me just go ahead and make

809  
00:41:29,680 --> 00:41:28,220  
sure that you let me there's the link

810  
00:41:31,810 --> 00:41:29,690  
right there for you I just sent it to

811  
00:41:33,430 --> 00:41:31,820  
you and while he's looking for that I'm

812  
00:41:36,310 --> 00:41:33,440  
just gonna mention something while he's

813  
00:41:38,200 --> 00:41:36,320

looking moving along to the same area it

814

00:41:39,940 --> 00:41:38,210

says KITT and Kristen just wanted to

815

00:41:44,020 --> 00:41:39,950

checked it and I send you a package of

816

00:41:46,030 --> 00:41:44,030

UFO mag articles by pseudonym how do you

817

00:41:47,740 --> 00:41:46,040

say that pseudonymous I've never even

818

00:41:53,410 --> 00:41:47,750

heard that word or something okay

819

00:41:56,440 --> 00:41:53,420

sure god work okay okay yeah so you're

820

00:41:59,170 --> 00:41:56,450

there then right it works okay so okay

821

00:42:03,010 --> 00:41:59,180

so at the so I'll start at the top here

822

00:42:06,820 --> 00:42:03,020

it says from put off at aol.com on 8/1

823

00:42:15,600 --> 00:42:06,830

slash 9911 1942 p.m. you see that right

824

00:42:18,670 --> 00:42:15,610

Frank okay and then so that would be at

825

00:42:20,320 --> 00:42:18,680

okay well anyway it says it says it

826

00:42:22,390 --> 00:42:20,330

below it says I just where it says I

827

00:42:25,030 --> 00:42:22,400

destroyed the papers it's below that and

828

00:42:27,900 --> 00:42:25,040

then it says to KITT green and then

829

00:42:32,410 --> 00:42:27,910

another email address then it says date

830

00:42:39,040 --> 00:42:32,420

then it says stay Saturday or Sat

831

00:42:40,540 --> 00:42:39,050

comma 31 jul 19 90 9 13 18 24 EDT do you

832

00:42:43,420 --> 00:42:40,550

remember when we were talking about this

833

00:42:45,460 --> 00:42:43,430

with that famous researcher that I

834

00:42:48,370 --> 00:42:45,470

cannot name right now about how

835

00:42:50,920 --> 00:42:48,380

anomalous this was in other words it

836

00:42:54,940 --> 00:42:50,930

shows two different time styles

837

00:42:58,510 --> 00:42:54,950

it shows a time style of military time

838

00:43:01,810 --> 00:42:58,520

and then the other one is just a p.m.

839

00:43:04,300 --> 00:43:01,820

you know an ampm time I would like to

840

00:43:07,690 --> 00:43:04,310

see if anybody can find out if that

841

00:43:12,400 --> 00:43:07,700

seems like that's possible for an email

842

00:43:15,520 --> 00:43:12,410

header to have a date where it says an

843

00:43:18,190 --> 00:43:15,530

actual word date and then that kind of

844

00:43:18,730 --> 00:43:18,200

time and date stamp or the other one

845

00:43:20,230 --> 00:43:18,740

doesn't

846

00:43:23,260 --> 00:43:20,240

yeah I think that kind of thing might be

847

00:43:25,840 --> 00:43:23,270

possible well we'll find out because

848

00:43:27,460 --> 00:43:25,850

what I'm going to do and I say this let

849

00:43:30,550 --> 00:43:27,470

me go into the reason I say this because

850

00:43:31,120 --> 00:43:30,560

in Europe for example like we express

851  
00:43:34,750 --> 00:43:31,130  
dates

852  
00:43:37,660 --> 00:43:34,760  
today is October 24th for exam

853  
00:43:39,579 --> 00:43:37,670  
so we will put down 1024 but folks in

854  
00:43:41,559 --> 00:43:39,589  
other countries will put the de first

855  
00:43:43,690 --> 00:43:41,569  
and then the month so it'll be 24 10

856  
00:43:47,589 --> 00:43:43,700  
they'll do it that way so that if

857  
00:43:54,240 --> 00:43:47,599  
somebody's on the you know is using a 24

858  
00:44:00,130 --> 00:43:57,880  
I'm I'm gonna find out now I'm not

859  
00:44:02,920 --> 00:44:00,140  
saying there's anything wrong with that

860  
00:44:06,579 --> 00:44:02,930  
I'm just saying that it looks rather

861  
00:44:07,779 --> 00:44:06,589  
anomalous to me because I've never seen

862  
00:44:09,880 --> 00:44:07,789  
it before but it doesn't mean just

863  
00:44:11,920 --> 00:44:09,890

because I haven't seen it before that

864

00:44:15,779 --> 00:44:11,930

it's not possible I just find it odd

865

00:44:19,150 --> 00:44:15,789

that an email header there is a military

866

00:44:22,569 --> 00:44:19,160

set of time there and then in the same

867

00:44:25,750 --> 00:44:22,579

email header that there is an ampm style

868

00:44:28,480 --> 00:44:25,760

of time now moving along underneath that

869

00:44:30,519 --> 00:44:28,490

email header it says KITT comma Kristen

870

00:44:32,829 --> 00:44:30,529

comma just wanted to check didn't I send

871

00:44:35,589 --> 00:44:32,839

you a package of UFO mag articles by a

872

00:44:37,809 --> 00:44:35,599

pseudonymous author such masters

873

00:44:40,059 --> 00:44:37,819

concerning crashed slash retrievals by a

874

00:44:42,220 --> 00:44:40,069

group called zodiac if so still hoping

875

00:44:43,809 --> 00:44:42,230

for a read out by you on this as we have

876

00:44:45,819 --> 00:44:43,819

reason to believe the set of stories

877

00:44:47,740 --> 00:44:45,829

three I think are only slightly

878

00:44:49,750 --> 00:44:47,750

fictionalized versions of a sources

879

00:44:54,099 --> 00:44:49,760

experiences writing up records for the

880

00:44:56,049 --> 00:44:54,109

archives at WPAFB specifically ever

881

00:44:56,920 --> 00:44:56,059

heard of zodiac which is supposed to be

882

00:45:00,970 --> 00:44:56,930

the true name

883

00:45:02,980 --> 00:45:00,980

second question comb once mentioned that

884

00:45:06,220 --> 00:45:02,990

you had seen real autopsy records are

885

00:45:08,079 --> 00:45:06,230

you holding out on me best regards how I

886

00:45:09,910 --> 00:45:08,089

just wanted to mention this is just

887

00:45:13,390 --> 00:45:09,920

opinion this is not fact it's not

888

00:45:15,700 --> 00:45:13,400

evidence where it says just wanted to

889

00:45:18,069 --> 00:45:15,710

check didn't I send you package you of

890

00:45:20,440 --> 00:45:18,079

UFO mag articles on down to where it

891

00:45:23,890 --> 00:45:20,450

says specifically ever heard of zodiac I

892

00:45:26,650 --> 00:45:23,900

kind of think that this is an anomalous

893

00:45:30,490 --> 00:45:26,660

paragraph I don't see really what it has

894

00:45:34,059 --> 00:45:30,500

to do with the rest of the vibe of the

895

00:45:36,700 --> 00:45:34,069

rest of the email here it just seems

896

00:45:38,529 --> 00:45:36,710

like something that doesn't really seem

897

00:45:41,859 --> 00:45:38,539

like it has enough gravity to be

898

00:45:45,039 --> 00:45:41,869

included in this kind of serious alleged

899

00:45:46,900 --> 00:45:45,049

document but that's just my opinion did

900

00:45:48,190 --> 00:45:46,910

you have anything else Frank aside from

901  
00:45:50,620 --> 00:45:48,200  
the other stuff that we were

902  
00:45:52,089 --> 00:45:50,630  
to do research on yeah that really the

903  
00:45:55,000 --> 00:45:52,099  
the next thing that I would want to go

904  
00:45:58,750 --> 00:45:55,010  
to is the the Edgar Mitchell letter and

905  
00:46:00,730 --> 00:45:58,760  
that is now supposedly all these

906  
00:46:02,829 --> 00:46:00,740  
documents came from the Edgar Mitchell

907  
00:46:04,990 --> 00:46:02,839  
collection and the reason people are

908  
00:46:07,300 --> 00:46:05,000  
jumping to that conclusion is because

909  
00:46:09,579 --> 00:46:07,310  
there is a letter addressed to Edgar

910  
00:46:14,230 --> 00:46:09,589  
Mitchell in the collection and that is

911  
00:46:17,920 --> 00:46:14,240  
coming up where where is this ok I gotta

912  
00:46:21,010 --> 00:46:17,930  
go back there it is from of course

913  
00:46:24,099 --> 00:46:21,020

Mitchell was a member of knids and he

914

00:46:26,740 --> 00:46:24,109

gets this letter supposedly from Bob

915

00:46:29,859 --> 00:46:26,750

Bigelow so I don't think that's

916

00:46:33,250 --> 00:46:29,869

necessarily proved just because somebody

917

00:46:35,410 --> 00:46:33,260

has dr. Mitchell's address and puts at

918

00:46:36,819 --> 00:46:35,420

the top of the letter dear mr. Mitchell

919

00:46:39,069 --> 00:46:36,829

again I don't think that necessarily

920

00:46:41,260 --> 00:46:39,079

proves there's a lot of cutting and

921

00:46:43,150 --> 00:46:41,270

pasting going on somebody might have

922

00:46:45,790 --> 00:46:43,160

gotten a letter to somebody different

923

00:46:48,370 --> 00:46:45,800

within needs and decided to pop Edgar

924

00:46:51,760 --> 00:46:48,380

Mitchell's name in there just to make

925

00:46:53,650 --> 00:46:51,770

the letter a little bit or the the

926  
00:46:56,410 --> 00:46:53,660  
entire document cache a little bit more

927  
00:46:58,270 --> 00:46:56,420  
credible even if this letter is

928  
00:47:01,359 --> 00:46:58,280  
legitimate I don't think that

929  
00:47:03,069 --> 00:47:01,369  
necessarily proves that the Admiral

930  
00:47:04,990 --> 00:47:03,079  
Wilson docume is legitimate again I

931  
00:47:07,870 --> 00:47:05,000  
think we've brought up plenty of

932  
00:47:12,370 --> 00:47:07,880  
information to the effect that it is not

933  
00:47:14,280 --> 00:47:12,380  
but there is an odd paragraph in Keith

934  
00:47:17,559 --> 00:47:14,290  
Bastyr field was also working on this

935  
00:47:19,000 --> 00:47:17,569  
mentioned this in his most I don't know

936  
00:47:21,190 --> 00:47:19,010  
if his most recent article or the one

937  
00:47:23,490 --> 00:47:21,200  
before that but at the bottom of the

938  
00:47:25,690 --> 00:47:23,500

second page of the Mitchell document

939

00:47:29,620 --> 00:47:25,700

enclosed is a copy of an article

940

00:47:32,440 --> 00:47:29,630

provided to us by your colleague SAV

941

00:47:34,599 --> 00:47:32,450

number ingre Mitchell Keith suggests

942

00:47:36,130 --> 00:47:34,609

that this is just a this is the kind of

943

00:47:37,240 --> 00:47:36,140

letter and I think we've got that

944

00:47:39,220 --> 00:47:37,250

confirmed that this is the kind of

945

00:47:41,680 --> 00:47:39,230

letter that went out to needs members in

946

00:47:43,120 --> 00:47:41,690

general so that the Edgar Mitchell gets

947

00:47:45,760 --> 00:47:43,130

mentioned and then he also gets

948

00:47:48,490 --> 00:47:45,770

addressed at the top of the letter isn't

949

00:47:50,079 --> 00:47:48,500

necessarily that unusual it could be

950

00:47:51,880 --> 00:47:50,089

some kind of yeah just a mail merge and

951  
00:47:53,380 --> 00:47:51,890  
he happened to be mentioned in the body

952  
00:47:55,300 --> 00:47:53,390  
of the letter and he's also getting a

953  
00:47:56,980 --> 00:47:55,310  
copy of the letter not necessarily that

954  
00:47:59,800 --> 00:47:56,990  
big a deal

955  
00:48:01,660 --> 00:47:59,810  
again it's also quite possible that yeah

956  
00:48:03,130 --> 00:48:01,670  
this is a legitimate letter but that was

957  
00:48:04,930 --> 00:48:03,140  
not addressed to Edgar Mitchell's

958  
00:48:06,850 --> 00:48:04,940  
address to somebody else and somebody's

959  
00:48:09,130 --> 00:48:06,860  
popping his name in there just to give

960  
00:48:10,840 --> 00:48:09,140  
the entire document cash a little bit

961  
00:48:12,220 --> 00:48:10,850  
more credibility they're leaning on this

962  
00:48:14,140 --> 00:48:12,230  
heart and they're working the wrong end

963  
00:48:16,960 --> 00:48:14,150

of the problem there they're working it

964

00:48:19,120 --> 00:48:16,970

back from the release back to you know

965

00:48:20,859 --> 00:48:19,130

they're working the problem that way and

966

00:48:22,540 --> 00:48:20,869

I don't know that they're ever going to

967

00:48:24,430 --> 00:48:22,550

get the person who actually created this

968

00:48:26,920 --> 00:48:24,440

material and that package this material

969

00:48:29,170 --> 00:48:26,930

together right also I think it's quite

970

00:48:33,730 --> 00:48:29,180

possible that this letter is perfectly

971

00:48:36,670 --> 00:48:33,740

legitimate and that you know the

972

00:48:39,040 --> 00:48:36,680

individual who put it out there and

973

00:48:41,200 --> 00:48:39,050

distributed it to a couple of different

974

00:48:43,780 --> 00:48:41,210

researchers may well have gotten this

975

00:48:45,640 --> 00:48:43,790

and that may well have gotten the the

976

00:48:47,800 --> 00:48:45,650

other documents the autopsy and the

977

00:48:50,530 --> 00:48:47,810

Wilson documents separately we just

978

00:48:53,170 --> 00:48:50,540

don't know but when you look at the the

979

00:48:55,090 --> 00:48:53,180

cash in its entirety I mean even this

980

00:48:57,040 --> 00:48:55,100

you know even this Mitchell letter

981

00:48:59,800 --> 00:48:57,050

I wouldn't say is a hundred percent but

982

00:49:02,109 --> 00:48:59,810

there's there's no real wild information

983

00:49:04,359 --> 00:49:02,119

in there nothing too extraordinary so I

984

00:49:07,599 --> 00:49:04,369

wouldn't question this one too hard but

985

00:49:09,220 --> 00:49:07,609

again just be just even if the and I

986

00:49:11,440 --> 00:49:09,230

don't think that's proven either even if

987

00:49:12,910 --> 00:49:11,450

the Wilson document did pass through

988

00:49:15,630 --> 00:49:12,920

Edgar Mitchell's hands doesn't

989

00:49:17,950 --> 00:49:15,640

necessarily make it legitimate or even

990

00:49:20,290 --> 00:49:17,960

it's nothing the fact that he had it

991

00:49:21,849 --> 00:49:20,300

doesn't mean anything if he in fact had

992

00:49:25,690 --> 00:49:21,859

it and again that has not been

993

00:49:27,400 --> 00:49:25,700

demonstrated so well okay so that

994

00:49:29,950 --> 00:49:27,410

they're working on so that's where

995

00:49:33,250 --> 00:49:29,960

they're at again they really haven't

996

00:49:35,470 --> 00:49:33,260

come up with much of anything what I did

997

00:49:36,940 --> 00:49:35,480

was I contacted somebody from ned's who

998

00:49:41,080 --> 00:49:36,950

had been a member of the organization

999

00:49:42,609 --> 00:49:41,090

since its inception and he had a few

1000

00:49:45,700 --> 00:49:42,619

things to say about that document that

1001

00:49:47,920 --> 00:49:45,710

you just talked about and he said I

1002

00:49:51,250 --> 00:49:47,930

recognize the documents basically they

1003

00:49:53,670 --> 00:49:51,260

were to announce Ned's si B meetings and

1004

00:49:57,250 --> 00:49:53,680

were individualized for each member

1005

00:50:01,480 --> 00:49:57,260

don't mean very much the reference to me

1006

00:50:04,480 --> 00:50:01,490

on page 2 had to do with investigation

1007

00:50:07,090 --> 00:50:04,490

of course oh and his background the

1008

00:50:10,050 --> 00:50:07,100

results are covered in my UFO book in my

1009

00:50:16,050 --> 00:50:10,060

chapter on him that's what he said

1010

00:50:17,700 --> 00:50:16,060

and he basically was also saying well he

1011

00:50:19,470 --> 00:50:17,710

said more but I'll leave it at that one

1012

00:50:24,420 --> 00:50:19,480

thing I would like to say though is this

1013

00:50:28,110 --> 00:50:24,430

I have yet to see evidence that the

1014

00:50:33,780 --> 00:50:28,120

alien autopsy memo and The Smoking Gun

1015

00:50:37,440 --> 00:50:33,790

doc these alleged documents ever came

1016

00:50:41,790 --> 00:50:37,450

out of the Edgar Mitchell estate or his

1017

00:50:43,830 --> 00:50:41,800

files for that matter is not even if

1018

00:50:47,910 --> 00:50:43,840

that does prove to be the case again it

1019

00:50:49,620 --> 00:50:47,920

doesn't make now let me finish it

1020

00:50:51,690 --> 00:50:49,630

doesn't make that Wilson doc legit

1021

00:50:54,150 --> 00:50:51,700

that's all now what what I'd like to say

1022

00:50:59,250 --> 00:50:54,160

about that also is let's pretend they

1023

00:51:03,150 --> 00:50:59,260

did that does not mean that they were

1024

00:51:05,970 --> 00:51:03,160

real what it does meet her what yeah

1025

00:51:10,050 --> 00:51:05,980

what it does mean to me is that somebody

1026

00:51:13,350 --> 00:51:10,060

had direct access to Edgar Mitchell's

1027

00:51:16,350 --> 00:51:13,360

files to be able to stitch together the

1028

00:51:19,740 --> 00:51:16,360

commander Miller letter that he

1029

00:51:23,370 --> 00:51:19,750

allegedly wrote to Erik Davis in the

1030

00:51:25,740 --> 00:51:23,380

smoking gun document now commander

1031

00:51:29,820 --> 00:51:25,750

Miller has already indicated to me when

1032

00:51:34,170 --> 00:51:29,830

I interviewed him and Frankie also spoke

1033

00:51:36,920 --> 00:51:34,180

to Frank as well separately that he

1034

00:51:40,680 --> 00:51:36,930

believes that letter is not only

1035

00:51:44,820 --> 00:51:40,690

stitched together in some parts but that

1036

00:51:48,510 --> 00:51:44,830

it is fake because he did not write that

1037

00:51:51,720 --> 00:51:48,520

letter meaning in its entirety he did

1038

00:51:53,340 --> 00:51:51,730

not write it and it's really important

1039

00:51:55,830 --> 00:51:53,350

that people understand that one thing

1040

00:51:58,500 --> 00:51:55,840

I've noticed in the UFO community going

1041

00:52:00,120 --> 00:51:58,510

on regarding these documents is once

1042

00:52:03,600 --> 00:52:00,130

somebody does research on these

1043

00:52:08,280 --> 00:52:03,610

documents and they get actual

1044

00:52:11,340 --> 00:52:08,290

information evidence or something that

1045

00:52:15,720 --> 00:52:11,350

might be close to proof regarding these

1046

00:52:18,300 --> 00:52:15,730

two sets of alleged documents and it

1047

00:52:21,300 --> 00:52:18,310

doesn't fit their belief system they

1048

00:52:23,830 --> 00:52:21,310

become extremely hateful and irate and

1049

00:52:27,490 --> 00:52:23,840

then they start to cherry-pick what

1050

00:52:29,650 --> 00:52:27,500

they believe hold on hold on then they

1051  
00:52:33,250 --> 00:52:29,660  
start to cherry-pick what they believe

1052  
00:52:37,660 --> 00:52:33,260  
to be correct and I'd like to tell them

1053  
00:52:43,660 --> 00:52:37,670  
this if you have not asked every single

1054  
00:52:49,870 --> 00:52:43,670  
person in the alien autopsy memo and The

1055  
00:52:56,830 --> 00:52:49,880  
Smoking Gun documents document whether

1056  
00:53:00,810 --> 00:52:56,840  
their part is true then there is no way

1057  
00:53:04,060 --> 00:53:00,820  
anybody can say that these documents are

1058  
00:53:08,380 --> 00:53:04,070  
solid or authentic as they stand now

1059  
00:53:10,630 --> 00:53:08,390  
it's just basic research 101 period yeah

1060  
00:53:12,730 --> 00:53:10,640  
pretty much well you know Stanton

1061  
00:53:18,340 --> 00:53:12,740  
Friedman that believed at least some of

1062  
00:53:21,340 --> 00:53:18,350  
the majestic 12 documents right um I

1063  
00:53:26,560 --> 00:53:21,350

guess until he passed away back in May

1064

00:53:30,730 --> 00:53:28,840

it's gonna happen you know people are

1065

00:53:32,800 --> 00:53:30,740

going to believe certain aspects of the

1066

00:53:35,290 --> 00:53:32,810

UFO phenomena especially these docks and

1067

00:53:36,840 --> 00:53:35,300

there's really not a very long track

1068

00:53:39,910 --> 00:53:36,850

record of any kind of leaked documents

1069

00:53:41,680 --> 00:53:39,920

really barring any food really being

1070

00:53:43,540 --> 00:53:41,690

legitimate the only one that I can

1071

00:53:45,700 --> 00:53:43,550

honestly even think of was the the

1072

00:53:48,250 --> 00:53:45,710

Mellon dock that leaked last year when

1073

00:53:51,100 --> 00:53:48,260

apparently he left a page of this

1074

00:53:52,960 --> 00:53:51,110

website available and Twitter Jay got a

1075

00:53:56,830 --> 00:53:52,970

hold of it we talked about that and in

1076  
00:53:59,350 --> 00:53:56,840  
some and some you know in some detail

1077  
00:54:01,840 --> 00:53:59,360  
but that's that's about where it's at

1078  
00:54:04,450 --> 00:54:01,850  
now let's let's see the probe dock

1079  
00:54:06,370 --> 00:54:04,460  
people what like I said you know don't

1080  
00:54:08,740 --> 00:54:06,380  
misrepresent what we've done here you

1081  
00:54:09,940 --> 00:54:08,750  
know don't don't try to come off and say

1082  
00:54:11,410 --> 00:54:09,950  
yeah we don't know what we're talking

1083  
00:54:13,480 --> 00:54:11,420  
about yeah well yeah absolutely

1084  
00:54:14,770 --> 00:54:13,490  
I think we've demonstrated that we do

1085  
00:54:16,030 --> 00:54:14,780  
know at least a little bit about what

1086  
00:54:19,090 --> 00:54:16,040  
we're talking about we're raising some

1087  
00:54:21,430 --> 00:54:19,100  
serious legitimate questions and you

1088  
00:54:21,940 --> 00:54:21,440

know here we go you know come up with

1089

00:54:24,370 --> 00:54:21,950

some evidence

1090

00:54:26,800 --> 00:54:24,380

so put Wilson in Vegas and get back to

1091

00:54:29,850 --> 00:54:26,810

me at that point but Wilson in Vegas can

1092

00:54:33,190 --> 00:54:29,860

you do that you can try are you trying

1093

00:54:35,950 --> 00:54:33,200

again when we had Melinda Leslie on the

1094

00:54:37,780 --> 00:54:35,960

other night have you looked at known

1095

00:54:40,180 --> 00:54:37,790

samples of Eric Davis is right again

1096

00:54:42,790 --> 00:54:40,190

look for similarities between that and

1097

00:54:44,410 --> 00:54:42,800

the notes have even tried to do that

1098

00:54:45,850 --> 00:54:44,420

again it wouldn't be proof but at least

1099

00:54:48,010 --> 00:54:45,860

it would be some evidence come up with

1100

00:54:50,170 --> 00:54:48,020

some evidence because besides the

1101  
00:54:51,610 --> 00:54:50,180  
documents themselves but the documents

1102  
00:54:58,990 --> 00:54:51,620  
are legitimate and you have not done

1103  
00:55:02,470 --> 00:54:59,000  
that so I want to go ahead and dress

1104  
00:55:05,700 --> 00:55:02,480  
somebody that has asked me question I

1105  
00:55:09,550 --> 00:55:05,710  
think oh yes you can hold me to that

1106  
00:55:14,140 --> 00:55:09,560  
regarding what commander Miller told me

1107  
00:55:16,030 --> 00:55:14,150  
and and no I have not actually changed

1108  
00:55:18,130 --> 00:55:16,040  
anything I have said regarding what he

1109  
00:55:20,590 --> 00:55:18,140  
has said I have been very general

1110  
00:55:23,440 --> 00:55:20,600  
regarding what he said because I cannot

1111  
00:55:25,330 --> 00:55:23,450  
give direct quotes without having my

1112  
00:55:27,940 --> 00:55:25,340  
transcript in front of me and I'm

1113  
00:55:30,550 --> 00:55:27,950

waiting to do that because I have

1114

00:55:35,140 --> 00:55:30,560

already spoken to him again and I plan

1115

00:55:39,640 --> 00:55:35,150

on giving it that other transcript in

1116

00:55:40,420 --> 00:55:39,650

the same show so if you feel like you

1117

00:55:44,320 --> 00:55:40,430

can compare

1118

00:55:46,270 --> 00:55:44,330

everything I've said and parallel it one

1119

00:55:48,220 --> 00:55:46,280

right after the other and show me where

1120

00:55:50,290 --> 00:55:48,230

the differences are I would like to see

1121

00:55:52,900 --> 00:55:50,300

that because I've been very careful

1122

00:55:56,190 --> 00:55:52,910

regarding what I've said and I can tell

1123

00:56:01,450 --> 00:55:56,200

you that commander Miller did absolutely

1124

00:56:04,600 --> 00:56:01,460

say that the letter is fake he never

1125

00:56:08,740 --> 00:56:04,610

wrote it there may be parts that he

1126

00:56:13,200 --> 00:56:08,750

could have written the rest did not

1127

00:56:16,210 --> 00:56:13,210

write but the letter in its entirety was

1128

00:56:19,660 --> 00:56:16,220

fake he did not write it from beginning

1129

00:56:23,350 --> 00:56:19,670

to end and I did talk to him for a

1130

00:56:25,810 --> 00:56:23,360

second time about that and we went over

1131

00:56:29,890 --> 00:56:25,820

it not only again but we went over other

1132

00:56:32,250 --> 00:56:29,900

topics that cover different subjects

1133

00:56:35,890 --> 00:56:32,260

that Frank and I have not talked about

1134

00:56:37,180 --> 00:56:35,900

so what you're saying is absolutely

1135

00:56:39,400 --> 00:56:37,190

incorrect and I'm just letting that

1136

00:56:42,420 --> 00:56:39,410

individual know that now again I'd be

1137

00:56:45,730 --> 00:56:42,430

I'd be more than happy to see a

1138

00:56:48,520 --> 00:56:45,740

transcript of what I've said a few times

1139

00:56:50,680 --> 00:56:48,530

and I'd like to read the differences

1140

00:56:52,810 --> 00:56:50,690

between it because I have not changed

1141

00:56:56,890 --> 00:56:52,820

what I've said at all it remains the

1142

00:56:58,360 --> 00:56:56,900

same regarding commander Miller let's

1143

00:57:00,340 --> 00:56:58,370

wrap this up I think an hour is pretty

1144

00:57:03,820 --> 00:57:00,350

good it's a pretty good solid update and

1145

00:57:05,860 --> 00:57:03,830

let me say in summation that the leak of

1146

00:57:08,290 --> 00:57:05,870

the century is not this Wilson document

1147

00:57:11,140 --> 00:57:08,300

the leak is of the century is the one I

1148

00:57:13,180 --> 00:57:11,150

took in my pants when I listen to the

1149

00:57:16,170 --> 00:57:13,190

code doc people try to claim that this

1150

00:57:21,100 --> 00:57:16,180

stuff is legit from laughing so hard

1151

00:57:23,200 --> 00:57:21,110

look hey can we yeah we're gonna have to

1152

00:57:25,900 --> 00:57:23,210

go and get a transcript of that a one

1153

00:57:28,140 --> 00:57:25,910

thing I wanted to say here is the motive

1154

00:57:33,690 --> 00:57:28,150

appears to be disinformation here as

1155

00:57:37,590 --> 00:57:33,700

well as discrediting lots of people now

1156

00:57:41,530 --> 00:57:37,600

one thing I'd like to mention is this

1157

00:57:44,770 --> 00:57:41,540

set of documents the alien autopsy memo

1158

00:57:50,110 --> 00:57:44,780

and also The Smoking Gun memo were

1159

00:57:53,710 --> 00:57:50,120

designed as a game the game basically is

1160

00:57:58,330 --> 00:57:53,720

this it was made to break

1161

00:58:01,420 --> 00:57:58,340

friendships to cause controversy to

1162

00:58:05,260 --> 00:58:01,430

create discussion to create

1163

00:58:09,010 --> 00:58:05,270

disinformation to cause people to

1164

00:58:10,420 --> 00:58:09,020

blindly believe something in other words

1165

00:58:12,760 --> 00:58:10,430

the documents would actually make

1166

00:58:17,190 --> 00:58:12,770

anybody do anything it's a people that

1167

00:58:20,800 --> 00:58:17,200

do it but if it can somehow promote that

1168

00:58:23,650 --> 00:58:20,810

possibility that is part of the design

1169

00:58:25,990 --> 00:58:23,660

of the game so basically all we're

1170

00:58:29,110 --> 00:58:26,000

looking at here is a game that was

1171

00:58:31,420 --> 00:58:29,120

designed to have circular discussions so

1172

00:58:34,060 --> 00:58:31,430

we can get petty about things like oh

1173

00:58:36,520 --> 00:58:34,070

well you're not providing the exact

1174

00:58:39,220 --> 00:58:36,530

quotes from somebody oh well you're not

1175

00:58:41,860 --> 00:58:39,230

providing this oh well you're just

1176

00:58:44,860 --> 00:58:41,870

saying that basically the narrative

1177

00:58:48,540 --> 00:58:44,870

going on in the UFO community is a bunch

1178

00:58:50,980 --> 00:58:48,550

of petty stuff that doesn't matter

1179

00:58:53,500 --> 00:58:50,990

they're providing at the same time

1180

00:58:55,210 --> 00:58:53,510

providing it provides nothing another

1181

00:59:00,430 --> 00:58:55,220

thing I've noticed that this document

1182

00:59:02,920 --> 00:59:00,440

does is it causes people to think that

1183

00:59:04,690 --> 00:59:02,930

there's something big afoot like there's

1184

00:59:07,030 --> 00:59:04,700

something great that's going to happen

1185

00:59:11,080 --> 00:59:07,040

that we this is a form of disclosure

1186

00:59:14,280 --> 00:59:11,090

that you know it's basically something

1187

00:59:19,480 --> 00:59:14,290

that we all need to look at as the

1188

00:59:23,440 --> 00:59:19,490

documents of the century Frank have you

1189

00:59:27,280 --> 00:59:23,450

seen any part of this that smacks of

1190

00:59:31,780 --> 00:59:27,290

being documents of the century to you no

1191

00:59:33,670 --> 00:59:31,790

no now disinfo of the century said the

1192

00:59:35,170 --> 00:59:33,680

mj-12 dock site that came out in the

1193

00:59:37,180 --> 00:59:35,180

last they came out in the last century

1194

00:59:41,500 --> 00:59:37,190

so yeah this is the disinfo of the

1195

00:59:43,870 --> 00:59:41,510

century the easiest course of action if

1196

00:59:46,870 --> 00:59:43,880

there were to be one is to blatantly

1197

00:59:50,440 --> 00:59:46,880

dismiss them as bogus which is what they

1198

00:59:53,350 --> 00:59:50,450

have proven to be so far and move on you

1199

00:59:54,370 --> 00:59:53,360

know why because there's real news going

1200

00:59:57,970 --> 00:59:54,380

on out there

1201  
01:00:02,130 --> 00:59:57,980  
or once UFOs you ApS whatever you want

1202  
01:00:06,470 --> 01:00:02,140  
to call them are now mainstream news

1203  
01:00:09,140 --> 01:00:06,480  
that's more important the logical motive

1204  
01:00:12,920 --> 01:00:09,150  
what what is basically what do you think

1205  
01:00:14,450 --> 01:00:12,930  
is is a logical motive in this series of

1206  
01:00:15,829 --> 01:00:14,460  
documents here what do you think they're

1207  
01:00:19,520 --> 01:00:15,839  
designed to be Frank what is your

1208  
01:00:21,460 --> 01:00:19,530  
opinion on distraction right but see

1209  
01:00:25,190 --> 01:00:21,470  
that's I'm glad you said that a

1210  
01:00:27,290 --> 01:00:25,200  
distraction from what well yeah I mean

1211  
01:00:30,290 --> 01:00:27,300  
let's face it we really probably should

1212  
01:00:32,540 --> 01:00:30,300  
be talking about episode 4 of the

1213  
01:00:34,430 --> 01:00:32,550

unidentified show which came on Friday

1214

01:00:35,839 --> 01:00:34,440

night it was fantastic we probably

1215

01:00:39,890 --> 01:00:35,849

should be talking about that to tell you

1216

01:00:42,260 --> 01:00:39,900

the truth yes on July 7th we are going

1217

01:00:44,690 --> 01:00:42,270

to have a mega panel of really well

1218

01:00:48,800 --> 01:00:44,700

known guests that everybody loves to be

1219

01:00:54,140 --> 01:00:48,810

able to talk about all the episodes oh

1220

01:00:57,620 --> 01:00:54,150

the last one is on July 5th and July 7th

1221

01:01:00,650 --> 01:00:57,630

which is a Sunday at noon we have many

1222

01:01:03,620 --> 01:01:00,660

people from all over the world who are

1223

01:01:05,720 --> 01:01:03,630

really well known in the world of UFO G

1224

01:01:08,839 --> 01:01:05,730

who are dying to talk about these

1225

01:01:11,329 --> 01:01:08,849

wonderful shows to say whether they like

1226

01:01:13,069 --> 01:01:11,339

them or they don't we have two movie

1227

01:01:16,099 --> 01:01:13,079

directors who are going to be on that

1228

01:01:17,599 --> 01:01:16,109

show and they're hilarious and they just

1229

01:01:19,940 --> 01:01:17,609

you know what I think one of them

1230

01:01:22,430 --> 01:01:19,950

actually doesn't like the show the shows

1231

01:01:25,130 --> 01:01:22,440

at all and so we we don't we don't want

1232

01:01:27,140 --> 01:01:25,140

people who like the shows on on that day

1233

01:01:28,730 --> 01:01:27,150

we want people who do and do not like

1234

01:01:30,859 --> 01:01:28,740

them it's gonna be a really lively yes

1235

01:01:34,730 --> 01:01:30,869

guys absolutely and one last thing about

1236

01:01:36,589 --> 01:01:34,740

the disinformation now this researcher

1237

01:01:38,420 --> 01:01:36,599

who's been that trumpeting these doc

1238

01:01:40,040 --> 01:01:38,430

Cesare the leak of the century and so on

1239

01:01:41,839 --> 01:01:40,050

and so forth it's called a lot of

1240

01:01:44,120 --> 01:01:41,849

different things disinformation during

1241

01:01:46,460 --> 01:01:44,130

the last year and change he called the

1242

01:01:49,309 --> 01:01:46,470

use of the word metamaterials

1243

01:01:51,109 --> 01:01:49,319

disinformation well all it was is some

1244

01:01:52,790 --> 01:01:51,119

very odd materials and they were

1245

01:01:55,069 --> 01:01:52,800

struggling to find the right name for it

1246

01:01:56,480 --> 01:01:55,079

and they latched on to many materials

1247

01:01:59,030 --> 01:01:56,490

and that's the name that sort of stuck

1248

01:02:01,370 --> 01:01:59,040

and Gary Nolan sort of updated that and

1249

01:02:03,319 --> 01:02:01,380

said that well maybe ultra materials is

1250

01:02:05,270 --> 01:02:03,329

better so well they're struggling to

1251

01:02:07,370 --> 01:02:05,280

find a name for these different alloys

1252

01:02:08,900 --> 01:02:07,380

these different materials that they

1253

01:02:10,430 --> 01:02:08,910

can't figure out where their remaining

1254

01:02:13,099 --> 01:02:10,440

factors okay so that's not

1255

01:02:15,740 --> 01:02:13,109

disinformation that's a I was struggling

1256

01:02:17,450 --> 01:02:15,750

with language struggling to find the

1257

01:02:19,970 --> 01:02:17,460

right words to describe something and

1258

01:02:22,550 --> 01:02:19,980

he's also claimed that the use of

1259

01:02:25,880 --> 01:02:22,560

you outward or the acronym UAP is

1260

01:02:27,160 --> 01:02:25,890

compared to UFO is also disinformation

1261

01:02:31,190 --> 01:02:27,170

but now here's some disinformation

1262

01:02:32,390 --> 01:02:31,200

staring him right in the face and it was

1263

01:02:37,460 --> 01:02:32,400

a snake it would have been it

1264

01:02:41,510 --> 01:02:37,470

so there you go you know what I find so

1265

01:02:44,349 --> 01:02:41,520

funny is also it's interesting a long

1266

01:02:47,960 --> 01:02:44,359

time ago I actually had the unfortunate

1267

01:02:50,840 --> 01:02:47,970

situation occur of a friend of mine who

1268

01:02:52,970 --> 01:02:50,850

fell for a group of people that were

1269

01:02:57,349 --> 01:02:52,980

very cult-like regarding their behavior

1270

01:02:59,840 --> 01:02:57,359

about religion and it was very sad to

1271

01:03:02,180 --> 01:02:59,850

see because up oh by the way Frank can

1272

01:03:05,630 --> 01:03:02,190

you just look in the chat there thank

1273

01:03:08,599 --> 01:03:05,640

you but yeah was gonna see is this

1274

01:03:11,840 --> 01:03:08,609

person got caught up in this group and

1275

01:03:14,450 --> 01:03:11,850

they literally gave all of their

1276

01:03:18,109 --> 01:03:14,460

possessions away they became programmed

1277

01:03:20,510 --> 01:03:18,119

and they just became mesmerized by the

1278

01:03:23,720 --> 01:03:20,520

folks running the group and they

1279

01:03:27,500 --> 01:03:23,730

basically did everything just about

1280

01:03:29,480 --> 01:03:27,510

those what the leaders asked that person

1281

01:03:32,660 --> 01:03:29,490

to do and this group is known worldwide

1282

01:03:34,310 --> 01:03:32,670

and my understanding my friend is not

1283

01:03:38,750 --> 01:03:34,320

involved with that organization anymore

1284

01:03:41,180 --> 01:03:38,760

but see that's the thing these documents

1285

01:03:45,140 --> 01:03:41,190

are bringing that kind of reaction out

1286

01:03:48,170 --> 01:03:45,150

of people or after hold on after we have

1287

01:03:51,470 --> 01:03:48,180

done all of our due diligence and we've

1288

01:03:54,470 --> 01:03:51,480

contacted people we contacted to people

1289

01:03:58,070 --> 01:03:54,480

in these docs let's make this clear to

1290

01:04:00,109 --> 01:03:58,080

people one in the smoking gun dock which

1291

01:04:02,890 --> 01:04:00,119

is commander Miller we've also contacted

1292

01:04:05,480 --> 01:04:02,900

a second individual who has been

1293

01:04:09,310 --> 01:04:05,490

allegedly involved in the smoking gun

1294

01:04:12,080 --> 01:04:09,320

dock and the alien autopsy memo and

1295

01:04:15,320 --> 01:04:12,090

wanted to make it clear that these

1296

01:04:17,870 --> 01:04:15,330

people have nothing to do with these

1297

01:04:21,560 --> 01:04:17,880

docs both have said that these are fake

1298

01:04:23,210 --> 01:04:21,570

docks and they have no idea anything

1299

01:04:25,490 --> 01:04:23,220

about them that they're that they just

1300

01:04:27,109 --> 01:04:25,500

they don't understand them they make no

1301  
01:04:28,120 --> 01:04:27,119  
sense of them they've never even seen

1302  
01:04:30,960 --> 01:04:28,130  
them before

1303  
01:04:36,750 --> 01:04:30,970  
and so we're ongoing with

1304  
01:04:39,510 --> 01:04:36,760  
is people do not have the right to say

1305  
01:04:42,360 --> 01:04:39,520  
to others you must believe these docks

1306  
01:04:44,700 --> 01:04:42,370  
these docks are real why because we just

1307  
01:04:47,910 --> 01:04:44,710  
did Frank and I just did our research to

1308  
01:04:50,460 --> 01:04:47,920  
prove that two people are saying they

1309  
01:04:53,040 --> 01:04:50,470  
are not a part of these docks but you

1310  
01:04:59,580 --> 01:04:53,050  
know what I'm finding that's not good

1311  
01:05:01,350 --> 01:04:59,590  
enough for these people well that is

1312  
01:05:04,200 --> 01:05:01,360  
part of the point the rest of the point

1313  
01:05:07,310 --> 01:05:04,210

is there was a person we just

1314

01:05:11,070 --> 01:05:07,320

interviewed on our show who was very uh

1315

01:05:14,070 --> 01:05:11,080

colorful and lively about how she had to

1316

01:05:15,750 --> 01:05:14,080

defend her topic and she and I had a

1317

01:05:18,920 --> 01:05:15,760

circular discussion which I found very

1318

01:05:22,500 --> 01:05:18,930

interesting and that was she said

1319

01:05:24,330 --> 01:05:22,510

because these people she's talking about

1320

01:05:26,820 --> 01:05:24,340

certain people involved allegedly

1321

01:05:30,030 --> 01:05:26,830

involved in these stocks were under a

1322

01:05:32,730 --> 01:05:30,040

certain secret top secret programs and

1323

01:05:35,190 --> 01:05:32,740

involved in classified programs that

1324

01:05:37,170 --> 01:05:35,200

they had to basically it my

1325

01:05:41,490 --> 01:05:37,180

understanding my perception what she

1326

01:05:43,680 --> 01:05:41,500

said is lie basically lie I guess in

1327

01:05:45,840 --> 01:05:43,690

order to say that they were not a part

1328

01:05:48,030 --> 01:05:45,850

of it when they really were I'm gonna

1329

01:05:49,470 --> 01:05:48,040

have to ask her about that okay and now

1330

01:05:52,200 --> 01:05:49,480

let me jump in here and make a point

1331

01:05:53,550 --> 01:05:52,210

that's that's why if you know you're

1332

01:05:55,650 --> 01:05:53,560

dealing with somebody in that kind of a

1333

01:05:57,660 --> 01:05:55,660

position that's why you asked them the

1334

01:05:59,820 --> 01:05:57,670

type of questions where you know they

1335

01:06:00,990 --> 01:05:59,830

can answer that's why I asked commander

1336

01:06:03,960 --> 01:06:01,000

Miller what did he think about the

1337

01:06:05,550 --> 01:06:03,970

Socorro case you know what I'm saying he

1338

01:06:07,200 --> 01:06:05,560

can answer a question like that it says

1339

01:06:09,600 --> 01:06:07,210

somebody's somebody who's interested in

1340

01:06:11,670 --> 01:06:09,610

UFOs and now that's his opinion there's

1341

01:06:14,790 --> 01:06:11,680

no way MDA or security clearance

1342

01:06:16,170 --> 01:06:14,800

involved in that and when he said what

1343

01:06:19,470 --> 01:06:16,180

is it you know can you tell me a little

1344

01:06:22,560 --> 01:06:19,480

bit about it that was a you know that

1345

01:06:24,390 --> 01:06:22,570

was that's what convinced me that that

1346

01:06:25,710 --> 01:06:24,400

Wilson document was fake and and

1347

01:06:28,980 --> 01:06:25,720

obviously everything that we found

1348

01:06:30,270 --> 01:06:28,990

following up with it is in fact pointing

1349

01:06:31,950 --> 01:06:30,280

in that direction as far as I'm

1350

01:06:34,620 --> 01:06:31,960

concerned so yeah let that let's kind of

1351

01:06:37,440 --> 01:06:34,630

wrap this up that way I wanted to bring

1352

01:06:39,240 --> 01:06:37,450

one last thing up and datas this person

1353

01:06:40,800 --> 01:06:39,250

we just interviewed she said something

1354

01:06:43,260 --> 01:06:40,810

very interesting and I would like to

1355

01:06:44,150 --> 01:06:43,270

mention it was well you can say right

1356

01:06:46,760 --> 01:06:44,160

she

1357

01:06:50,480 --> 01:06:46,770

said that I believe somebody that would

1358

01:06:52,579 --> 01:06:50,490

be in a situation maybe of classified

1359

01:06:55,880 --> 01:06:52,589

nature that kind of professional

1360

01:06:57,650 --> 01:06:55,890

background told her if anything in this

1361

01:06:59,450 --> 01:06:57,660

is how they said it if anything in the

1362

01:07:01,970 --> 01:06:59,460

document even one sentence refers to

1363

01:07:05,270 --> 01:07:01,980

something classified we cannot comment

1364

01:07:07,599 --> 01:07:05,280

in any way on the whole entire document

1365

01:07:11,089 --> 01:07:07,609

if there's one sentence there we cannot

1366

01:07:13,250 --> 01:07:11,099

we can't comment on it and again that's

1367

01:07:15,859 --> 01:07:13,260

why when you're a good researcher you

1368

01:07:18,230 --> 01:07:15,869

don't ask them about the document you

1369

01:07:20,180 --> 01:07:18,240

ask them you know was Admiral Wilson in

1370

01:07:21,170 --> 01:07:20,190

Vegas on such-and-such a date you know

1371

01:07:23,870 --> 01:07:21,180

what I'm saying you do research about

1372

01:07:25,670 --> 01:07:23,880

that you ask them about hey do you know

1373

01:07:28,400 --> 01:07:25,680

anything about this case you ask these

1374

01:07:29,779 --> 01:07:28,410

folks about things that they can answer

1375

01:07:31,549 --> 01:07:29,789

and that you know that they can answer

1376

01:07:33,559 --> 01:07:31,559

and that you would expect an honest

1377

01:07:35,359 --> 01:07:33,569

answer I have no reason to think that we

1378

01:07:38,329 --> 01:07:35,369

haven't gotten honest answers on those

1379

01:07:40,910 --> 01:07:38,339

questions and I also ask what good

1380

01:07:43,270 --> 01:07:40,920

researchers do right going along what

1381

01:07:45,620 --> 01:07:43,280

she said regarding the no comment part

1382

01:07:47,690 --> 01:07:45,630

again I want to read that because it's

1383

01:07:51,769 --> 01:07:47,700

important regarding what she said it's

1384

01:07:53,839 --> 01:07:51,779

very important she said if anything in

1385

01:07:55,849 --> 01:07:53,849

the document even one sentence refers to

1386

01:07:58,490 --> 01:07:55,859

something classified we cannot comment

1387

01:08:00,440 --> 01:07:58,500

in any way on the whole entire document

1388

01:08:03,529 --> 01:08:00,450

if there's one sentence error we can't

1389

01:08:06,079 --> 01:08:03,539

comment on it and then I brought this to

1390

01:08:09,160 --> 01:08:06,089

our attention evidently dr. Mitchell had

1391

01:08:11,960 --> 01:08:09,170

been interviewed by somebody and he said

1392

01:08:13,370 --> 01:08:11,970

now this won't make sense because in the

1393

01:08:15,019 --> 01:08:13,380

context of it he's referring to

1394

01:08:16,130 --> 01:08:15,029

something else so I'll just start

1395

01:08:17,990 --> 01:08:16,140

reading what he said but you'll

1396

01:08:20,630 --> 01:08:18,000

understand the end of it how it's

1397

01:08:23,180 --> 01:08:20,640

related the UFO program that the and

1398

01:08:25,130 --> 01:08:23,190

this is dr. Mitchell talking the UFO

1399

01:08:27,019 --> 01:08:25,140

program that the Admiral sought would be

1400

01:08:28,849 --> 01:08:27,029

in this category thus by law he would be

1401

01:08:32,660 --> 01:08:28,859

required to deny the existence of such a

1402

01:08:33,829 --> 01:08:32,670

program for a car secrets ASAP even a no

1403

01:08:38,269 --> 01:08:33,839

comment would be a breach of security

1404

01:08:41,329 --> 01:08:38,279

now my cut my points are these there are

1405

01:08:48,229 --> 01:08:41,339

two people to my knowledge that have

1406

01:08:50,630 --> 01:08:48,239

made no common comments about these well

1407

01:08:53,720 --> 01:08:50,640

at least one of the documents meaning

1408

01:08:57,430 --> 01:08:53,730

the alien autopsy document going along

1409

01:09:00,610 --> 01:08:57,440

this kind of logic or thought process

1410

01:09:03,700 --> 01:09:00,620

that Melinda Leslie said and allegedly

1411

01:09:06,220 --> 01:09:03,710

dr. Mitchell said here even a no comment

1412

01:09:09,340 --> 01:09:06,230

would be a breach of security did these

1413

01:09:12,160 --> 01:09:09,350

two people not then just make create a

1414

01:09:13,959 --> 01:09:12,170

breach of security by making no comment

1415

01:09:16,689 --> 01:09:13,969

do you see how that's a circular

1416

01:09:18,789 --> 01:09:16,699

discussion right there the other thing I

1417

01:09:22,269 --> 01:09:18,799

wanted to mention is I told her

1418

01:09:26,289 --> 01:09:22,279

repeatedly that it is not fair to say

1419

01:09:28,720 --> 01:09:26,299

that John Alexander has or anybody for

1420

01:09:32,260 --> 01:09:28,730

that matter especially if they have not

1421

01:09:35,650 --> 01:09:32,270

been contacted to say that they have had

1422

01:09:39,939 --> 01:09:35,660

a part to play in either one of these

1423

01:09:44,229 --> 01:09:39,949

documents because she does not have the

1424

01:09:46,570 --> 01:09:44,239

right to represent them as she's not

1425

01:09:49,240 --> 01:09:46,580

their official spokesperson for one and

1426

01:09:53,050 --> 01:09:49,250

they have the right to defend themselves

1427

01:09:55,030 --> 01:09:53,060

so a week none of us have the right to

1428

01:09:57,610 --> 01:09:55,040

actually say that these people who are

1429

01:09:59,590 --> 01:09:57,620

allegedly involved in these documents

1430

01:10:01,630 --> 01:09:59,600

that they're involved when they are

1431

01:10:04,000 --> 01:10:01,640

saying they are not and even those who

1432

01:10:06,010 --> 01:10:04,010

have not said anything they still need

1433

01:10:09,040 --> 01:10:06,020

to be protected in their own way it's

1434

01:10:11,860 --> 01:10:09,050

the moral and ethical thing to do okay

1435

01:10:16,120 --> 01:10:11,870

all right now can we go home now yep I'm

1436

01:10:20,160 --> 01:10:16,130

all ready to go okay okay now I yep said

1437

01:10:23,530 --> 01:10:20,170

why as far as I know so does deep there

1438

01:10:25,270 --> 01:10:23,540

there is one thing I want to mention you

1439

01:10:26,920 --> 01:10:25,280

just mentioned deep he's a really

1440

01:10:31,260 --> 01:10:26,930

wonderful person I've spoken to him

1441

01:10:33,760 --> 01:10:31,270

twice and he has had some really amazing

1442

01:10:35,260 --> 01:10:33,770

amazing stories that he wants to share

1443

01:10:39,700 --> 01:10:35,270

with folks and it's got to be a lot of

1444

01:10:42,340 --> 01:10:39,710

fun yeah you have we do have a lot to

1445

01:10:44,910 --> 01:10:42,350

talk about with him and um now I did

1446

01:10:47,770 --> 01:10:44,920

have to get your opinion on one thing

1447

01:10:49,930 --> 01:10:47,780

Frank there is somebody in the chat that

1448

01:10:52,450 --> 01:10:49,940

is saying what about Jeremy corbels

1449

01:10:55,420 --> 01:10:52,460

saying he is in a position to know the

1450

01:10:57,729 --> 01:10:55,430

ewd Wilson dock is real okay you know

1451

01:11:00,729 --> 01:10:57,739

what I have to tell you I'll tell you

1452

01:11:03,120 --> 01:11:00,739

what I have to say and that is this we

1453

01:11:06,400 --> 01:11:03,130

just did our research

1454

01:11:09,430 --> 01:11:06,410

why don't you do yours instead of just

1455

01:11:10,750 --> 01:11:09,440

believing people blindly it's important

1456

01:11:13,120 --> 01:11:10,760

to do that

1457

01:11:15,700 --> 01:11:13,130

the research that we came up with is

1458

01:11:18,010 --> 01:11:15,710

that two people involved in two

1459

01:11:21,040 --> 01:11:18,020

different documents are plainly stating

1460

01:11:23,740 --> 01:11:21,050

that these documents are fake they have

1461

01:11:26,740 --> 01:11:23,750

not played any part in it and I can

1462

01:11:28,540 --> 01:11:26,750

guarantee you that Jeremy Korbelt did not

1463

01:11:33,250 --> 01:11:28,550

contact either one of them

1464

01:11:37,680 --> 01:11:33,260

yeah and just just to address that you

1465

01:11:39,700 --> 01:11:37,690

know what the the products folks aren't

1466

01:11:41,410 --> 01:11:39,710

doing anything more really than

1467

01:11:43,240 --> 01:11:41,420

expressing an opinion that's really the

1468

01:11:45,190 --> 01:11:43,250

bottom line they're not digging they're

1469

01:11:45,970 --> 01:11:45,200

not digging they're digging into the

1470

01:11:47,710 --> 01:11:45,980

Providence

1471

01:11:49,150 --> 01:11:47,720

so basically the they're working from

1472

01:11:52,330 --> 01:11:49,160

you know where the docks are today

1473

01:11:54,670 --> 01:11:52,340

backwards and they found that the roads

1474

01:11:56,260 --> 01:11:54,680

may or may not lead to Edgar Mitchell

1475

01:11:58,330 --> 01:11:56,270

and even if they do it doesn't matter

1476

01:12:00,400 --> 01:11:58,340

they're not looking at the docks

1477

01:12:02,140 --> 01:12:00,410

themselves I chant that look that let's

1478

01:12:04,600 --> 01:12:02,150

say let's wrap this up it's 11 o'clock

1479

01:12:07,180 --> 01:12:04,610

here in the East so well we'll talk

1480

01:12:09,130 --> 01:12:07,190

again before we interview deep on
