

BUDDY FROM ALIEN PROTOCOLS

DISCUSSES THE PSYCHIC
OLYMPICS, PSYCHOKINESIS AND
THE FRACTAL UNIVERSE MODEL

UFONN
SUNDAY

1
00:01:12,360 --> 00:00:27,890

[Music]

2
00:01:17,290 --> 00:01:15,160

and good evening Frank here with yet

3
00:01:19,780 --> 00:01:17,300

another episode of UFO news network

4
00:01:21,700 --> 00:01:19,790

Sunday we are ready to go with a really

5
00:01:23,800 --> 00:01:21,710

exciting show tonight that should be a

6
00:01:26,680 --> 00:01:23,810

lot of fun let me bring in my co-host

7
00:01:29,020 --> 00:01:26,690

chant Hannah and she will tell us all

8
00:01:30,520 --> 00:01:29,030

about our special guest for tonight

9
00:01:33,370 --> 00:01:30,530

gonna be a lot of fun chance so let's

10
00:01:35,050 --> 00:01:33,380

get to it okay Frank thank you so much

11
00:01:37,180 --> 00:01:35,060

we have a very special show tonight with

12
00:01:39,400 --> 00:01:37,190

a wonderful person that we have both

13
00:01:41,800 --> 00:01:39,410

become France with his name is buddy

14

00:01:44,080 --> 00:01:41,810

he's a PSI practitioner working with

15

00:01:46,540 --> 00:01:44,090

four major research groups two in the

16

00:01:48,640 --> 00:01:46,550

United States one in Canada and one in

17

00:01:51,370 --> 00:01:48,650

France one of a handful of practitioners

18

00:01:53,650 --> 00:01:51,380

who can produce effects under laboratory

19

00:01:56,680 --> 00:01:53,660

conditions under the supervision of top

20

00:01:58,800 --> 00:01:56,690

scientists participated in studies and

21

00:02:01,270 --> 00:01:58,810

remote viewing crystal algae growth

22

00:02:03,550 --> 00:02:01,280

psychokinesis and much more he is an

23

00:02:05,950 --> 00:02:03,560

experimenter and runs the alien protocols

24

00:02:09,550 --> 00:02:05,960

YouTube channel he also co-hosts

25

00:02:12,280 --> 00:02:09,560

reality's edge with dr. Simeon Hine the

26

00:02:14,170 --> 00:02:12,290

topics uh well we have a lot of topics

27

00:02:15,729 --> 00:02:14,180

to cover tonight and I wanted to

28

00:02:17,350 --> 00:02:15,739

introduce our guests onto the show thank

29

00:02:20,140 --> 00:02:17,360

you so much for joining us tonight buddy

30

00:02:21,910 --> 00:02:20,150

how are you doing I'm doing great it's

31

00:02:24,370 --> 00:02:21,920

such a pleasure to be here thank you so

32

00:02:25,600 --> 00:02:24,380

much and you were really a really

33

00:02:28,140 --> 00:02:25,610

special person our first conversation

34

00:02:30,430 --> 00:02:28,150

was really really powerful and wonderful

35

00:02:34,240 --> 00:02:30,440

just you know meeting before the show

36

00:02:38,770 --> 00:02:34,250

and Frank you are a you know you're cool

37

00:02:40,479 --> 00:02:38,780

too well uh buddy yeah let's get right

38

00:02:42,009 --> 00:02:40,489

down to it and tell the folks a little

39

00:02:45,460 --> 00:02:42,019

bit about how this show all came about

40

00:02:48,100 --> 00:02:45,470

it was kind of a fluke we had done an

41

00:02:49,570 --> 00:02:48,110

interview with Ori Galler I guess two or

42

00:02:52,090 --> 00:02:49,580

three months back however long it's been

43

00:02:54,490 --> 00:02:52,100

and within a few days after I was

44

00:02:56,560 --> 00:02:54,500

popping around YouTube and I subscribed

45

00:02:58,210 --> 00:02:56,570

to your channel of course and saw that

46

00:03:00,400 --> 00:02:58,220

you were going live at that very minute

47

00:03:01,780 --> 00:03:00,410

so had to get over there and that take a

48

00:03:03,910 --> 00:03:01,790

look and see what you were doing and

49

00:03:06,729 --> 00:03:03,920

what you were doing within a very few

50

00:03:10,750 --> 00:03:06,739

minutes is talking a little smack about

51
00:03:14,080 --> 00:03:10,760
our good friend Ori Geller so let's pick

52
00:03:17,140 --> 00:03:14,090
it up from there yes well you know what

53
00:03:20,170 --> 00:03:17,150
I love and cherish these abilities that

54
00:03:22,000 --> 00:03:20,180
we all have and I'm really passionate

55
00:03:23,649 --> 00:03:22,010
about exploring them

56
00:03:26,199 --> 00:03:23,659
and hurry is one of those people who's a

57
00:03:28,270 --> 00:03:26,209
big represent representative of our

58
00:03:30,789 --> 00:03:28,280
community and he had done some things

59
00:03:32,800 --> 00:03:30,799
recently that I didn't add or like

60
00:03:35,619 --> 00:03:32,810
claimed that he was going to use remote

61
00:03:39,339 --> 00:03:35,629
influence to change the mind of Theresa

62
00:03:40,690 --> 00:03:39,349
May and forbid her voting for brexit and

63
00:03:42,940 --> 00:03:40,700

it was just putting out this very

64

00:03:45,940 --> 00:03:42,950

negative image about what we do as

65

00:03:47,710 --> 00:03:45,950

practitioners we don't it's that's not a

66

00:03:49,509 --> 00:03:47,720

positive thing to say that we're gonna

67

00:03:52,330 --> 00:03:49,519

affect people's minds and change their

68

00:03:54,039 --> 00:03:52,340

decision-making of leaders of countries

69

00:03:57,360 --> 00:03:54,049

and things like that and I thought that

70

00:04:02,080 --> 00:03:57,370

also two kids look up to some of us and

71

00:04:04,420 --> 00:04:02,090

so I like to taunt him and wanted him

72

00:04:06,910 --> 00:04:04,430

many times and that saying that I would

73

00:04:08,110 --> 00:04:06,920

take him on anytime anyplace and have

74

00:04:11,920 --> 00:04:08,120

fun with it you know and

75

00:04:13,930 --> 00:04:11,930

multidisciplinary double-blind operated

76

00:04:16,830 --> 00:04:13,940

by a third party and that kind of got

77

00:04:20,140 --> 00:04:16,840

you and I frank talking about doing a

78

00:04:22,750 --> 00:04:20,150

psi Olympics we did if we did it's a

79

00:04:24,820 --> 00:04:22,760

further yeah we did we did a little kind

80

00:04:27,490 --> 00:04:24,830

of like a quick and dirty remote view

81

00:04:30,070 --> 00:04:27,500

that particular night and that was a

82

00:04:32,350 --> 00:04:30,080

little haphazard but I think we both had

83

00:04:33,850 --> 00:04:32,360

some pretty decent success the pictures

84

00:04:35,740 --> 00:04:33,860

the drawings that I the drawing that I

85

00:04:37,029 --> 00:04:35,750

did and then the drawing that you did is

86

00:04:39,700 --> 00:04:37,039

it's gonna come up in the slideshow

87

00:04:41,020 --> 00:04:39,710

later on but we both did okay I was

88

00:04:42,750 --> 00:04:41,030

always very pleased under the

89

00:04:45,610 --> 00:04:42,760

circumstances with those results you

90

00:04:46,439 --> 00:04:45,620

know it's it's always a shock and a

91

00:04:49,350 --> 00:04:46,449

surprise

92

00:04:52,779 --> 00:04:49,360

you know the accuracy can be just

93

00:04:56,040 --> 00:04:52,789

astounding sometimes I mean I I work in

94

00:04:59,950 --> 00:04:56,050

several different methods and modes from

95

00:05:02,439 --> 00:04:59,960

color drawings to basic pencil to of

96

00:05:05,200 --> 00:05:02,449

other forms in ways and you know when

97

00:05:07,089 --> 00:05:05,210

you get a real big hit a perfect hit it

98

00:05:08,980 --> 00:05:07,099

just it always feels absolutely amazing

99

00:05:11,140 --> 00:05:08,990

and electrifying and it's astonishing

100

00:05:13,330 --> 00:05:11,150

that we have this ability and we don't

101
00:05:15,250 --> 00:05:13,340
teach it more to each other we you know

102
00:05:17,050 --> 00:05:15,260
we have physical education for our kids

103
00:05:22,260 --> 00:05:17,060
but we don't teach the mental education

104
00:05:26,950 --> 00:05:24,909
yes yeah yes I thought yeah you were

105
00:05:29,170 --> 00:05:26,960
gonna jump in there chant it is it is

106
00:05:31,149 --> 00:05:29,180
you know where we had John Alexander on

107
00:05:32,620 --> 00:05:31,159
a few weeks back as well and we're

108
00:05:35,380 --> 00:05:32,630
talking a little bit about remote

109
00:05:38,260 --> 00:05:35,390
viewing as a sense not terribly unlike

110
00:05:39,970 --> 00:05:38,270
a lot of the other senses yeah but yeah

111
00:05:41,920 --> 00:05:39,980
and let's face it you know I need my

112
00:05:43,570 --> 00:05:41,930
glasses my visions not all that great my

113
00:05:47,080 --> 00:05:43,580

hearings not as good as it used to be

114

00:05:49,390 --> 00:05:47,090

and a lot of other things but this this

115

00:05:51,700 --> 00:05:49,400

I guess Sixth Sense we have we might

116

00:05:53,620 --> 00:05:51,710

have more than that I don't know but the

117

00:05:55,540 --> 00:05:53,630

the sixth sense that we have is a an

118

00:05:56,980 --> 00:05:55,550

interesting thing to play around with I

119

00:05:58,660 --> 00:05:56,990

mean I've always had a lot of fun with

120

00:06:01,470 --> 00:05:58,670

it I got into it quite some time ago

121

00:06:05,560 --> 00:06:01,480

before I even got seriously into UFOs

122

00:06:07,240 --> 00:06:05,570

when when did you start realizing that

123

00:06:11,290 --> 00:06:07,250

there was something to all this sixth

124

00:06:14,380 --> 00:06:11,300

sense when I was a kid I had you know my

125

00:06:18,040 --> 00:06:14,390

mother was very intuitive and I saw that

126

00:06:19,900 --> 00:06:18,050

I had abilities over time and I think

127

00:06:22,960 --> 00:06:19,910

it's the kind of thing where you just

128

00:06:24,760 --> 00:06:22,970

kind of you're either brought up into it

129

00:06:26,560 --> 00:06:24,770

or you crash into discovering at some

130

00:06:29,160 --> 00:06:26,570

point later in your life and for me it

131

00:06:33,280 --> 00:06:29,170

had always been part of the rolodex so

132

00:06:36,400 --> 00:06:33,290

it never seemed too unusual or too weird

133

00:06:38,410 --> 00:06:36,410

and it's in the past

134

00:06:41,040 --> 00:06:38,420

you know maybe eight to ten years I've

135

00:06:43,540 --> 00:06:41,050

been especially passionate about it and

136

00:06:45,670 --> 00:06:43,550

I've been doing a lot of growth and

137

00:06:49,960 --> 00:06:45,680

experimentation and adding impediments

138

00:06:52,300 --> 00:06:49,970

and working in different different

139

00:06:54,310 --> 00:06:52,310

realms of it because I think it's like

140

00:06:57,090 --> 00:06:54,320

you say it is a sense and none of your

141

00:07:00,130 --> 00:06:57,100

senses are perfect but if you just

142

00:07:01,720 --> 00:07:00,140

exercise one aspect of it I think you

143

00:07:03,640 --> 00:07:01,730

have a full psychic body if you just

144

00:07:05,680 --> 00:07:03,650

work on let's say just remote viewing

145

00:07:08,670 --> 00:07:05,690

you're not going to do as well I believe

146

00:07:12,250 --> 00:07:08,680

as if you work on remote viewing and

147

00:07:14,080 --> 00:07:12,260

healing and psychokinesis and all the

148

00:07:16,090 --> 00:07:14,090

different aspects so that way you're

149

00:07:19,840 --> 00:07:16,100

working on your full psychic kind of

150

00:07:21,910 --> 00:07:19,850

body and each gives you perspective on

151

00:07:23,500 --> 00:07:21,920

the other and you can allows you a

152

00:07:26,440 --> 00:07:23,510

chance to really kind of grow and build

153

00:07:29,320 --> 00:07:26,450

up your strength and so much if it has

154

00:07:30,640 --> 00:07:29,330

to do with faith though you know a lot

155

00:07:32,140 --> 00:07:30,650

of people are just skeptical and that

156

00:07:35,470 --> 00:07:32,150

just prevents them from opening the door

157

00:07:38,050 --> 00:07:35,480

at all but the more you believe the more

158

00:07:41,860 --> 00:07:38,060

you allow yourself to say hey I'm not

159

00:07:44,110 --> 00:07:41,870

afraid to fail big you know the more

160

00:07:47,830 --> 00:07:44,120

these magical events start happening

161

00:07:49,380 --> 00:07:47,840

that are just mind-boggling they really

162

00:07:52,140 --> 00:07:49,390

make you really

163

00:07:55,050 --> 00:07:52,150

reality right down to a physical level

164

00:07:57,360 --> 00:07:55,060

and it's wonderful it's wonderful that

165

00:08:00,090 --> 00:07:57,370

these gifts are there for us and to me

166

00:08:03,080 --> 00:08:00,100

they're all based on empathy connecting

167

00:08:05,910 --> 00:08:03,090

with something resonating with it

168

00:08:09,390 --> 00:08:05,920

whether it be just remote viewing where

169

00:08:11,970 --> 00:08:09,400

you have to make an empathetic

170

00:08:16,050 --> 00:08:11,980

connection and resonate with a distant

171

00:08:17,850 --> 00:08:16,060

place or time and that's also the same

172

00:08:20,400 --> 00:08:17,860

exact ability that's needed when healing

173

00:08:23,220 --> 00:08:20,410

you need to resonate with that person

174

00:08:24,870 --> 00:08:23,230

and then you go to the next step of the

175

00:08:27,630 --> 00:08:24,880

healing aspect which is really basically

176

00:08:29,910 --> 00:08:27,640

psychokinesis so I think they're all

177

00:08:33,000 --> 00:08:29,920

wonderfully related and connected and

178

00:08:37,200 --> 00:08:33,010

that I just can't recommend enough that

179

00:08:38,970 --> 00:08:37,210

people really try to explore this these

180

00:08:40,860 --> 00:08:38,980

abilities and explore their natural

181

00:08:42,240 --> 00:08:40,870

intuition we all know we have it to some

182

00:08:43,590 --> 00:08:42,250

degree you know we all have these

183

00:08:46,440 --> 00:08:43,600

incidents where you know who's going to

184

00:08:48,030 --> 00:08:46,450

be calling on the phone or you you know

185

00:08:51,750 --> 00:08:48,040

you know them the lottery numbers and

186

00:08:54,540 --> 00:08:51,760

you didn't pick them that one you know

187

00:08:56,550 --> 00:08:54,550

it happens to all of us so it's

188

00:08:58,200 --> 00:08:56,560

wonderful to hear you Frank to say that

189

00:09:00,180 --> 00:08:58,210

you this is something that's been oh

190

00:09:02,730 --> 00:09:00,190

you're you've opened yourself up to more

191

00:09:04,590 --> 00:09:02,740

and more and I'm sure the more you open

192

00:09:08,550 --> 00:09:04,600

yourself up to it the more the events

193

00:09:11,310 --> 00:09:08,560

will happen and we are like I said

194

00:09:13,110 --> 00:09:11,320

looking to get a little bit well have

195

00:09:15,510 --> 00:09:13,120

fun but that gets serious about it at

196

00:09:17,100 --> 00:09:15,520

the same time there are a number of

197

00:09:19,770 --> 00:09:17,110

independent sites out there that

198

00:09:21,990 --> 00:09:19,780

facilitate sort of self testing of these

199

00:09:24,270 --> 00:09:22,000

kind of abilities I've compiled a few

200

00:09:26,760 --> 00:09:24,280

I'd like to get some more obviously but

201
00:09:31,860 --> 00:09:26,770
I'd like to go through them now really

202
00:09:33,600 --> 00:09:31,870
quick great the audience there are

203
00:09:35,820 --> 00:09:33,610
there's some terrific resources out

204
00:09:38,970 --> 00:09:35,830
there that are available and they let me

205
00:09:41,520 --> 00:09:38,980
go over to the screen and this might be

206
00:09:45,000 --> 00:09:41,530
a little ugly for a moment but I am

207
00:09:47,220 --> 00:09:45,010
going to get to a number of these and

208
00:09:49,800 --> 00:09:47,230
the first one that and this is one that

209
00:09:52,200 --> 00:09:49,810
I use fairly often now this is a site

210
00:09:54,870 --> 00:09:52,210
called random.org which basically has a

211
00:09:58,500 --> 00:09:54,880
built in random number generator one

212
00:10:01,110 --> 00:09:58,510
thing you you can pick numbers from you

213
00:10:03,420 --> 00:10:01,120

know zero or one you can go in and I'll

214

00:10:06,660 --> 00:10:03,430

this now between let's say one and four

215

00:10:09,150 --> 00:10:06,670

or one at 400 it doesn't really matter

216

00:10:12,810 --> 00:10:09,160

and then you just click on generate and

217

00:10:15,390 --> 00:10:12,820

then BAM there we go they're the result

218

00:10:16,950 --> 00:10:15,400

this particular true random number

219

00:10:18,750 --> 00:10:16,960

generator between one and four hundred

220

00:10:20,579 --> 00:10:18,760

it's three hundred and fifty-one

221

00:10:22,800 --> 00:10:20,589

now that in and of itself is not all

222

00:10:25,440 --> 00:10:22,810

that exciting but when you go to some

223

00:10:28,470 --> 00:10:25,450

other sites that are available we've got

224

00:10:30,870 --> 00:10:28,480

I'm going to go to this target practice

225

00:10:32,460 --> 00:10:30,880

site here that's the one too because you

226

00:10:34,740 --> 00:10:32,470

know the range is very big you could

227

00:10:36,360 --> 00:10:34,750

start small it may sound very daunting

228

00:10:38,130 --> 00:10:36,370

to someone to hear oh my gosh how am I

229

00:10:39,480 --> 00:10:38,140

gonna guess one out of four hundred but

230

00:10:41,730 --> 00:10:39,490

they could start off with one out of

231

00:10:43,650 --> 00:10:41,740

four yeah one out of four one out of

232

00:10:45,240 --> 00:10:43,660

three even one out of two I think they

233

00:10:47,790 --> 00:10:45,250

have done that in the past where there

234

00:10:52,380 --> 00:10:47,800

were zero and one where they they've

235

00:10:55,680 --> 00:10:52,390

been nests experiments where the the the

236

00:10:58,320 --> 00:10:55,690

goal was to try to influence the number

237

00:11:01,050 --> 00:10:58,330

generator to come up maybe a hundred

238

00:11:04,320 --> 00:11:01,060

runs go with one more often than zero

239

00:11:06,660 --> 00:11:04,330

and so I get okay sorry

240

00:11:08,040 --> 00:11:06,670

no no I've had a lot of experience with

241

00:11:10,410 --> 00:11:08,050

random number generators and there's

242

00:11:13,280 --> 00:11:10,420

also true random event generators which

243

00:11:18,750 --> 00:11:13,290

are the random number generators are

244

00:11:20,850 --> 00:11:18,760

humans random but the true random event

245

00:11:23,940 --> 00:11:20,860

generators are based on a quantum

246

00:11:27,060 --> 00:11:23,950

real-world fluctuation so you get kind

247

00:11:29,220 --> 00:11:27,070

of the universe's random and you know

248

00:11:31,230 --> 00:11:29,230

for me I always prefer the true random

249

00:11:34,440 --> 00:11:31,240

event generator because it's me I think

250

00:11:37,680 --> 00:11:34,450

it's more random and it's you know it's

251
00:11:39,510 --> 00:11:37,690
God or the universe is random and I've

252
00:11:42,060 --> 00:11:39,520
had a lot of success with being able to

253
00:11:44,519 --> 00:11:42,070
push numbers up or down there's a

254
00:11:46,650 --> 00:11:44,529
hundred years of studies that show that

255
00:11:49,560 --> 00:11:46,660
the human mind can do this and not only

256
00:11:51,420 --> 00:11:49,570
that there's staggering studies that

257
00:11:54,300 --> 00:11:51,430
have shown something really neat there's

258
00:11:56,880 --> 00:11:54,310
a famous karate class and I believe it

259
00:11:58,650 --> 00:11:56,890
was dr. Holly yeah I'm not certain of

260
00:12:01,050 --> 00:11:58,660
the doctor's name but they did a really

261
00:12:05,070 --> 00:12:01,060
cool experiment where they have these

262
00:12:08,340 --> 00:12:05,080
karate students on try and push random

263
00:12:10,170 --> 00:12:08,350

number generators okay and what happened

264

00:12:13,380 --> 00:12:10,180

was they didn't tell the students that

265

00:12:15,000 --> 00:12:13,390

the random number generator was actually

266

00:12:17,120 --> 00:12:15,010

repeating the numbers that had

267

00:12:20,819 --> 00:12:17,130

previously picked the previous day so

268

00:12:23,750 --> 00:12:20,829

they were essentially working retro

269

00:12:26,850 --> 00:12:23,760

causally and that they had success in

270

00:12:29,970 --> 00:12:26,860

essentially pushing numbers backwards in

271

00:12:33,810 --> 00:12:29,980

time and absolutely staggering stuff but

272

00:12:35,790 --> 00:12:33,820

real that is that is pretty interesting

273

00:12:38,100 --> 00:12:35,800

now you'd said also there is the what

274

00:12:39,420 --> 00:12:38,110

the there was a true random number

275

00:12:40,470 --> 00:12:39,430

generator what was the other one you had

276

00:12:42,889 --> 00:12:40,480

mentioned because I've never heard of

277

00:12:47,300 --> 00:12:42,899

that one before the generator in Raiders

278

00:12:49,800 --> 00:12:47,310

Ambridge generate numbers as well or

279

00:12:51,240 --> 00:12:49,810

well the random number generator is kind

280

00:12:52,590 --> 00:12:51,250

of like the one you're talking about now

281

00:12:54,449 --> 00:12:52,600

right that's what I've got up right now

282

00:12:56,850 --> 00:12:54,459

so the folks can see that at home and

283

00:12:59,310 --> 00:12:56,860

let's go with a 1 to 400

284

00:13:02,610 --> 00:12:59,320

I'll go with that 252 let's see what

285

00:13:05,400 --> 00:13:02,620

comes up yep 309 I wasn't even close but

286

00:13:06,870 --> 00:13:05,410

ok basically you see you have folks at

287

00:13:08,970 --> 00:13:06,880

home can see how it works we've got the

288

00:13:11,610 --> 00:13:08,980

link and you can go to the site

289

00:13:13,590 --> 00:13:11,620

random.org and that's the random number

290

00:13:15,930 --> 00:13:13,600

generator now the value of having

291

00:13:18,720 --> 00:13:15,940

something like this is there are also a

292

00:13:22,500 --> 00:13:18,730

number of databases are around the

293

00:13:25,889 --> 00:13:22,510

internet where you will have a large

294

00:13:28,949 --> 00:13:25,899

number I'm at a site now remote -

295

00:13:33,139 --> 00:13:28,959

viewing comm that has a target practice

296

00:13:37,410 --> 00:13:33,149

page where they've got 120 different

297

00:13:40,050 --> 00:13:37,420

images Oh markets ok so what you can

298

00:13:42,120 --> 00:13:40,060

quite easily do is obviously change the

299

00:13:45,210 --> 00:13:42,130

numbers here from 1 to 400 I could

300

00:13:47,309 --> 00:13:45,220

easily pop that down to run to 120 like

301
00:13:49,379 --> 00:13:47,319
in generated number and then let's say

302
00:13:51,540 --> 00:13:49,389
hypothetically if we're actually working

303
00:13:52,949 --> 00:13:51,550
the problem and in real time which we're

304
00:13:55,110 --> 00:13:52,959
not doing we're just playing around and

305
00:13:57,090 --> 00:13:55,120
kicking into my DEA's around but I'll

306
00:14:00,600 --> 00:13:57,100
generate this right now and let's see

307
00:14:04,139 --> 00:14:00,610
what's the number 51 and ok let's go

308
00:14:07,889 --> 00:14:04,149
back to that particular target pool

309
00:14:09,780 --> 00:14:07,899
number 51 where is target 51 target 51

310
00:14:11,850 --> 00:14:09,790
is right there and I can click on that

311
00:14:14,430 --> 00:14:11,860
and

312
00:14:17,940 --> 00:14:14,440
it's an outdoor scene looks like a city

313
00:14:19,889 --> 00:14:17,950

okay whatever okay and it's appeared as

314

00:14:22,130 --> 00:14:19,899

a peacock so there we go I wasn't close

315

00:14:25,440 --> 00:14:22,140

on that but yeah we just again trying to

316

00:14:27,740 --> 00:14:25,450

demonstrate for the folks at home what

317

00:14:29,610 --> 00:14:27,750

these you know different sites can do

318

00:14:31,259 --> 00:14:29,620

and you know what's really neat about

319

00:14:33,120 --> 00:14:31,269

random number generators in all these

320

00:14:35,160 --> 00:14:33,130

machines is they're essentially like

321

00:14:37,319 --> 00:14:35,170

going to a casino and I was recently

322

00:14:39,780 --> 00:14:37,329

working with dr. Gallin Berger who's

323

00:14:43,259 --> 00:14:39,790

very well known from the Monroe

324

00:14:46,350 --> 00:14:43,269

Institute he's just a brilliant and just

325

00:14:47,970 --> 00:14:46,360

a huge compassionate soul he's wonderful

326

00:14:50,810 --> 00:14:47,980

I spent a week with him there in Vegas

327

00:14:53,940 --> 00:14:50,820

and he does

328

00:14:55,860 --> 00:14:53,950

psychokinesis for casinos you basically

329

00:14:59,130 --> 00:14:55,870

push the random number generators on the

330

00:15:03,389 --> 00:14:59,140

slot machines you can push numbers with

331

00:15:12,360 --> 00:15:03,399

the craps table and I had a very

332

00:15:13,650 --> 00:15:12,370

profitable we did and there are a couple

333

00:15:16,740 --> 00:15:13,660

other sights that I want to go through

334

00:15:19,470 --> 00:15:16,750

and again the main goal is we you know

335

00:15:21,120 --> 00:15:19,480

actually get to get through this this

336

00:15:24,269 --> 00:15:21,130

process of kind of working things out

337

00:15:27,060 --> 00:15:24,279

the main thing is to have some games set

338

00:15:30,329 --> 00:15:27,070

up and have honest games where when we

339

00:15:32,250 --> 00:15:30,339

do this we live stream we can pull the

340

00:15:35,430 --> 00:15:32,260

clock out hang on a second let me let me

341

00:15:37,710 --> 00:15:35,440

pull my clock out right now my computer

342

00:15:39,300 --> 00:15:37,720

clock is telling me it's 10:47 and there

343

00:15:45,300 --> 00:15:39,310

it is right there I mean then you can

344

00:15:47,850 --> 00:15:45,310

see the clock no problems that's what I

345

00:15:49,710 --> 00:15:47,860

want to get to the protocols down and

346

00:15:51,569 --> 00:15:49,720

where nobody says they cheated somehow

347

00:15:54,090 --> 00:15:51,579

these are sites that are independent of

348

00:15:56,400 --> 00:15:54,100

me independent of you independent of

349

00:16:01,889 --> 00:15:56,410

can't independent they're independent

350

00:16:03,930 --> 00:16:01,899

sites you know that's fantastic and if

351

00:16:06,840 --> 00:16:03,940

they're not well we still demonstrated a

352

00:16:08,490 --> 00:16:06,850

protocol by which you can have the you

353

00:16:10,259 --> 00:16:08,500

can run an honest game and run some

354

00:16:12,569 --> 00:16:10,269

honest experiments in real time and

355

00:16:14,939 --> 00:16:12,579

video them and stream them and let

356

00:16:16,620 --> 00:16:14,949

everybody have a look at them absolutely

357

00:16:19,939 --> 00:16:16,630

and by demonstrating - you can

358

00:16:22,530 --> 00:16:19,949

demonstrate the different aspects of how

359

00:16:25,530 --> 00:16:22,540

there's different techniques and ways

360

00:16:27,480 --> 00:16:25,540

that are better to do this than others

361

00:16:30,000 --> 00:16:27,490

there's a natural tendency to just boom

362

00:16:31,740 --> 00:16:30,010

name the whole thing and that's the

363

00:16:34,170 --> 00:16:31,750

exact opposite of what you're supposed

364

00:16:36,030 --> 00:16:34,180

to do you know from the greats like Ingo

365

00:16:37,800 --> 00:16:36,040

and pat price and all these other ones

366

00:16:39,720 --> 00:16:37,810

they tell you don't name the complete

367

00:16:42,300 --> 00:16:39,730

object first start with the general

368

00:16:45,480 --> 00:16:42,310

sensibilities of it is it indoors is it

369

00:16:48,840 --> 00:16:45,490

outdoors is it cool is it hot go through

370

00:16:51,690 --> 00:16:48,850

your senses and you kind of construct

371

00:16:53,910 --> 00:16:51,700

the picture easier that way

372

00:16:56,010 --> 00:16:53,920

and you're not getting validation from a

373

00:16:58,560 --> 00:16:56,020

person you know at each little moment

374

00:17:00,750 --> 00:16:58,570

what you're really doing is kind of just

375

00:17:02,250 --> 00:17:00,760

doing a soft sensing you know because

376

00:17:03,870 --> 00:17:02,260

you all your senses aren't perfect so

377

00:17:05,730 --> 00:17:03,880

you're saying okay maybe this maybe that

378

00:17:08,550 --> 00:17:05,740

I'm sensing some outdoors I'm feeling

379

00:17:10,920 --> 00:17:08,560

grass or you know I and sometimes

380

00:17:13,500 --> 00:17:10,930

synesthesia comes in I've had a lot of

381

00:17:17,220 --> 00:17:13,510

synesthesia with remote viewing like I

382

00:17:18,750 --> 00:17:17,230

taste a bird singing a bird song like

383

00:17:20,490 --> 00:17:18,760

how can you taste a bird song but for

384

00:17:23,670 --> 00:17:20,500

some reason and remote viewing it's a

385

00:17:25,620 --> 00:17:23,680

very common reoccurrence of something

386

00:17:27,390 --> 00:17:25,630

called synesthesia and it's okay to have

387

00:17:28,680 --> 00:17:27,400

synesthesia and these things so when

388

00:17:30,480 --> 00:17:28,690

people are exploring these different

389

00:17:32,280 --> 00:17:30,490

websites they should keep in mind that

390

00:17:34,950 --> 00:17:32,290

they could have these different effects

391

00:17:36,360 --> 00:17:34,960

and to take it really easy on themselves

392

00:17:38,280 --> 00:17:36,370

start small go with the small

393

00:17:39,570 --> 00:17:38,290

sensibilities and you don't have to name

394

00:17:42,210 --> 00:17:39,580

the whole thing and draw of it

395

00:17:44,580 --> 00:17:42,220

everything in color you know start small

396

00:17:46,890 --> 00:17:44,590

like why don't you pick a number for me

397

00:17:48,990 --> 00:17:46,900

and one of those images and I'll just do

398

00:17:52,950 --> 00:17:49,000

an example and see if you know what sort

399

00:17:55,500 --> 00:17:52,960

of a little subtleties okay let's let's

400

00:17:59,700 --> 00:17:55,510

do this we'll go back to okay we'll go

401
00:18:02,910 --> 00:17:59,710
to the random.org and they've got 120

402
00:18:06,990 --> 00:18:02,920
pictures in the site that we used

403
00:18:08,400 --> 00:18:07,000
earlier I will generate the number and

404
00:18:09,780 --> 00:18:08,410
it doesn't really matter if you know the

405
00:18:11,100 --> 00:18:09,790
number and it makes no difference but

406
00:18:12,840 --> 00:18:11,110
the folks at home if they're watching

407
00:18:15,450 --> 00:18:12,850
live they'll be able to see it okay

408
00:18:18,120 --> 00:18:15,460
we've got that number and let me go over

409
00:18:20,540 --> 00:18:18,130
to the website and I won't pull the

410
00:18:23,280 --> 00:18:20,550
target until you give me some feedback

411
00:18:25,530 --> 00:18:23,290
okay I'm sensing you know even before

412
00:18:29,700 --> 00:18:25,540
you pick the target I was sensing

413
00:18:36,840 --> 00:18:29,710

something's a cold stone concrete kind

414

00:18:38,940 --> 00:18:36,850

of a stone a hard off whitish and it has

415

00:18:42,390 --> 00:18:38,950

a linear aspect to it so there's

416

00:18:45,180 --> 00:18:42,400

man-made aspect to it so I'm also

417

00:18:48,990 --> 00:18:45,190

getting a cool breeze for some reason a

418

00:18:50,520 --> 00:18:49,000

cool synth in the air what else am I

419

00:18:52,380 --> 00:18:50,530

getting weird on a second I'm getting a

420

00:18:55,080 --> 00:18:52,390

color on the ground and I'm not sure if

421

00:18:58,620 --> 00:18:55,090

it's on the bottom of the image I'm not

422

00:19:01,530 --> 00:18:58,630

sure if it's it's like an off green I'm

423

00:19:03,300 --> 00:19:01,540

kind of made so that's that's my first

424

00:19:04,860 --> 00:19:03,310

little influences it often times you'll

425

00:19:08,960 --> 00:19:04,870

take things like that and write them

426

00:19:11,580 --> 00:19:08,970

down and then some of them might be

427

00:19:14,850 --> 00:19:11,590

things called analytical overlay or

428

00:19:16,410 --> 00:19:14,860

advanced right right and you can explain

429

00:19:18,840 --> 00:19:16,420

what that is a little bit to the folks

430

00:19:20,880 --> 00:19:18,850

because that is something where you can

431

00:19:23,310 --> 00:19:20,890

get drawn off target a little bit if you

432

00:19:25,560 --> 00:19:23,320

got a little bit very important never my

433

00:19:27,540 --> 00:19:25,570

said before you even picked it I had

434

00:19:30,210 --> 00:19:27,550

some things that came to me that an

435

00:19:31,320 --> 00:19:30,220

advanced perception of something else I

436

00:19:34,230 --> 00:19:31,330

could even be thinking of the next

437

00:19:36,150 --> 00:19:34,240

target or it could be something an

438

00:19:38,730 --> 00:19:36,160

advanced perception is exactly what it

439

00:19:40,950 --> 00:19:38,740

sounds like it could be accurate or it

440

00:19:44,430 --> 00:19:40,960

could just be an inaccurate image that

441

00:19:47,100 --> 00:19:44,440

your evil subconscious mind you pushes

442

00:19:49,470 --> 00:19:47,110

into your conscious mind oh you picked

443

00:19:52,230 --> 00:19:49,480

109 so I'm gonna go ahead and or either

444

00:19:56,040 --> 00:19:52,240

random number generator excuse me I came

445

00:20:03,070 --> 00:19:56,050

up with 109 so let's go with 109 and

446

00:20:06,850 --> 00:20:04,930

and there it is uh it looks like a

447

00:20:09,130 --> 00:20:06,860

Eurasian lady's face so you're a little

448

00:20:12,250 --> 00:20:09,140

off on that one but okay you know but

449

00:20:15,430 --> 00:20:12,260

the folks are seeing and seeing how this

450

00:20:17,440 --> 00:20:15,440

will work now there was one game there's

451
00:20:20,290 --> 00:20:17,450
a few different games that I was

452
00:20:22,510 --> 00:20:20,300
considering one is of course predicting

453
00:20:24,160 --> 00:20:22,520
events like that well sporting events

454
00:20:27,340 --> 00:20:24,170
would be would be one where you could

455
00:20:29,830 --> 00:20:27,350
maybe knock out four or five six

456
00:20:31,750 --> 00:20:29,840
different games and you could do that

457
00:20:34,330 --> 00:20:31,760
that would be one way I guess that maybe

458
00:20:37,480 --> 00:20:34,340
using an associative remote remote

459
00:20:39,130 --> 00:20:37,490
viewer really fun to that's great I love

460
00:20:40,750 --> 00:20:39,140
that whole idea of picking a random

461
00:20:44,230 --> 00:20:40,760
number and having that associated with a

462
00:20:47,740 --> 00:20:44,240
group of random pictures and that way

463
00:20:51,130 --> 00:20:47,750

you can do that alone and have a bias I

464

00:20:52,570 --> 00:20:51,140

play with that all the time and well not

465

00:20:54,700 --> 00:20:52,580

all the time but that mean often enough

466

00:20:55,930 --> 00:20:54,710

I play with it you know just to fool

467

00:20:58,000 --> 00:20:55,940

around with I think it's a lot of fun

468

00:21:00,700 --> 00:20:58,010

and it's so you know one of the reasons

469

00:21:02,890 --> 00:21:00,710

I'm so excited to do this but there are

470

00:21:05,800 --> 00:21:02,900

some other sites that are available this

471

00:21:09,430 --> 00:21:05,810

one is the the Davis of Davis site one

472

00:21:12,190 --> 00:21:09,440

nice thing about this one is that it's

473

00:21:14,890 --> 00:21:12,200

literally there's a time stamp right

474

00:21:17,170 --> 00:21:14,900

within the site so I opened up this

475

00:21:20,440 --> 00:21:17,180

particular page seven fifteen twenty

476
00:21:22,810 --> 00:21:20,450
nineteen and twenty two fifty two forty

477
00:21:24,730 --> 00:21:22,820
four so we've got that and it actually

478
00:21:26,500 --> 00:21:24,740
has a this is pretty cool buddy you

479
00:21:29,590 --> 00:21:26,510
might want to check this out it actually

480
00:21:31,660 --> 00:21:29,600
has a built in little drop palette to

481
00:21:34,230 --> 00:21:31,670
the right of the screen okay where you

482
00:21:37,800 --> 00:21:34,240
can draw whatever the image might be oh

483
00:21:40,960 --> 00:21:37,810
yeah yeah that one's pretty cool and

484
00:21:43,060 --> 00:21:40,970
then what you do is and once you figure

485
00:21:45,820 --> 00:21:43,070
out when you've got you just go click

486
00:21:48,220 --> 00:21:45,830
next target and then bam then you get

487
00:21:50,920 --> 00:21:48,230
your your target image in this case it

488
00:21:52,450 --> 00:21:50,930

happens to be a little passport booklet

489

00:21:55,540 --> 00:21:52,460

and then you just click reload the page

490

00:21:57,750 --> 00:21:55,550

and boom and now there's one other site

491

00:22:00,370 --> 00:21:57,760

that I want to go through before we see

492

00:22:03,640 --> 00:22:00,380

let me ask you this I also decided to

493

00:22:05,110 --> 00:22:03,650

bookmark a page that does the Zener card

494

00:22:08,050 --> 00:22:05,120

thing and I got to be honest that is not

495

00:22:09,910 --> 00:22:08,060

my favorite experiment it's just you're

496

00:22:11,140 --> 00:22:09,920

just too front-loaded one after y-you

497

00:22:12,760 --> 00:22:11,150

figure out what the car

498

00:22:16,090 --> 00:22:12,770

you know what the five diagrams on the

499

00:22:21,610 --> 00:22:16,100

cards are and you know it just

500

00:22:23,410 --> 00:22:21,620

I'm not a fan but the best psychics in

501
00:22:25,450 --> 00:22:23,420
history have all said the same thing

502
00:22:28,030 --> 00:22:25,460
that the Zener cards are terrible they

503
00:22:30,160 --> 00:22:28,040
don't go towards your senses at all they

504
00:22:32,320 --> 00:22:30,170
don't help you access any of your senses

505
00:22:34,570 --> 00:22:32,330
they're very dry it's like trying to

506
00:22:36,430 --> 00:22:34,580
pick one out of a deck of cards and if

507
00:22:39,610 --> 00:22:36,440
you know people oftentimes lose their

508
00:22:42,040 --> 00:22:39,620
faith in their abilities just by one

509
00:22:43,900 --> 00:22:42,050
failure or two failures and so you need

510
00:22:45,820 --> 00:22:43,910
to start with I think it's much better

511
00:22:49,330 --> 00:22:45,830
to start with things that are fun and

512
00:22:51,970 --> 00:22:49,340
simple and also on deal with your senses

513
00:22:53,560 --> 00:22:51,980

more so there's no senses involved on

514

00:22:56,590 --> 00:22:53,570

the Zener cards there's as you know five

515

00:22:58,030 --> 00:22:56,600

symbols and that's it you know I've done

516

00:23:00,100 --> 00:22:58,040

them and I've had to do them and it's

517

00:23:04,270 --> 00:23:00,110

you know it's oh you know it's really

518

00:23:06,700 --> 00:23:04,280

fun but you know it's the reality

519

00:23:08,920 --> 00:23:06,710

there's one called greater reality comm

520

00:23:11,500 --> 00:23:08,930

that I remember that it's also a remote

521

00:23:14,470 --> 00:23:11,510

viewing one okay let me go to that

522

00:23:16,660 --> 00:23:14,480

really quick and see greater reality

523

00:23:19,030 --> 00:23:16,670

just all one word basically in the in

524

00:23:20,830 --> 00:23:19,040

the URL if it's not there's a dash in

525

00:23:22,720 --> 00:23:20,840

between greater and reality better the

526

00:23:24,700 --> 00:23:22,730

greater reality and afterlife is that it

527

00:23:27,100 --> 00:23:24,710

over more viewing test here we go okay

528

00:23:29,200 --> 00:23:27,110

good man good man okay folks we'll get

529

00:23:31,720 --> 00:23:29,210

your remote viewing ability instructions

530

00:23:33,610 --> 00:23:31,730

learn how to use imagination quiet while

531

00:23:35,890 --> 00:23:33,620

the wasps start tests let's take a look

532

00:23:37,990 --> 00:23:35,900

at this and see what we got okay each of

533

00:23:39,160 --> 00:23:38,000

the codes below represent a target click

534

00:23:40,390 --> 00:23:39,170

on the one of the codes to see the

535

00:23:44,350 --> 00:23:40,400

procedure for the remote viewing the

536

00:23:47,170 --> 00:23:44,360

target start with MCSA let's go through

537

00:23:48,910 --> 00:23:47,180

it take a look and what they do is they

538

00:23:50,800 --> 00:23:48,920

have you do a different than traditional

539

00:23:53,350 --> 00:23:50,810

remote view and they have you do

540

00:23:55,600 --> 00:23:53,360

something basically called it's a fast

541

00:23:58,630 --> 00:23:55,610

shot remote viewing technique where they

542

00:24:00,490 --> 00:23:58,640

ask you to blank out your mind put the

543

00:24:02,290 --> 00:24:00,500

little picture frame in your in your

544

00:24:04,350 --> 00:24:02,300

mind and what's the first image that

545

00:24:07,240 --> 00:24:04,360

comes to you mm-hmm

546

00:24:09,700 --> 00:24:07,250

go ahead I'm sorry no no that's

547

00:24:11,170 --> 00:24:09,710

basically it and part of the difficulty

548

00:24:12,730 --> 00:24:11,180

is blanking your mind it's very

549

00:24:13,930 --> 00:24:12,740

difficult you know if you're in a

550

00:24:15,340 --> 00:24:13,940

situation like this where you're talking

551

00:24:17,020 --> 00:24:15,350

and stuff like that it's a little bit

552

00:24:19,060 --> 00:24:17,030

more difficult but if you're alone and

553

00:24:21,550 --> 00:24:19,070

you you know go to the greater reality

554

00:24:23,410 --> 00:24:21,560

comm you get the code numbers or letters

555

00:24:25,600 --> 00:24:23,420

or whatever it is then you're able to

556

00:24:27,730 --> 00:24:25,610

view your mind for a minute and then you

557

00:24:29,950 --> 00:24:27,740

put up the blanks you know the picture

558

00:24:31,779 --> 00:24:29,960

frame in your mind and then let's up

559

00:24:34,899 --> 00:24:31,789

come to it and always go with your first

560

00:24:37,480 --> 00:24:34,909

instinct always go with you it's called

561

00:24:41,169 --> 00:24:37,490

the gestalt right oh yeah that the

562

00:24:44,230 --> 00:24:41,179

general shape or form yes or whatever

563

00:24:47,350 --> 00:24:44,240

that first thing is that comes to you I

564

00:24:49,299 --> 00:24:47,360

did a remote viewing for one of grants

565

00:24:52,180 --> 00:24:49,309

assistants and it was the first it was

566

00:24:53,830 --> 00:24:52,190

so weird i Myka stalked the very first

567

00:24:55,180 --> 00:24:53,840

thing that came to me was so weird I'd

568

00:24:58,810 --> 00:24:55,190

never had something like that before it

569

00:25:01,750 --> 00:24:58,820

was a spaceship and a blue a planet and

570

00:25:03,070 --> 00:25:01,760

a Sun and I had the shape of the

571

00:25:04,960 --> 00:25:03,080

spaceship and everything it was the

572

00:25:06,340 --> 00:25:04,970

weirdest thing and I just didn't want to

573

00:25:08,230 --> 00:25:06,350

draw it I didn't want to submit it to

574

00:25:10,510 --> 00:25:08,240

her because I felt like she'd be like oh

575

00:25:11,799 --> 00:25:10,520

you know this is so far off and the

576

00:25:14,130 --> 00:25:11,809

irony is I think I might have sent you

577

00:25:17,139 --> 00:25:14,140

that that picture is one of the examples

578

00:25:17,860 --> 00:25:17,149

and it's in the slideshow it'll it'll

579

00:25:20,649 --> 00:25:17,870

turn up

580

00:25:22,480 --> 00:25:20,659

I think people stunningly you know

581

00:25:26,019 --> 00:25:22,490

accurate it was the first time that I

582

00:25:29,440 --> 00:25:26,029

had a viewing of a UFO that I didn't

583

00:25:31,870 --> 00:25:29,450

know was going to be a UFO so that that

584

00:25:33,370 --> 00:25:31,880

was interesting so you the gestalt is

585

00:25:36,279 --> 00:25:33,380

very important go with that first

586

00:25:38,289 --> 00:25:36,289

feeling go with your intuition yeah that

587

00:25:40,630 --> 00:25:38,299

worked pretty well the night that we

588

00:25:42,820 --> 00:25:40,640

tried the which I turned out to be the

589

00:25:44,590 --> 00:25:42,830

Colosseum in Rome and that is another

590

00:25:46,570 --> 00:25:44,600

picture in the slideshow my drawing and

591

00:25:49,000 --> 00:25:46,580

your drawing as well I saved those so

592

00:25:50,500 --> 00:25:49,010

that is in there and that will we get

593

00:25:52,299 --> 00:25:50,510

back to the slideshow once I get through

594

00:25:54,789 --> 00:25:52,309

these off I'll run the slide show and

595

00:25:56,680 --> 00:25:54,799

the show as some of buddy's results and

596

00:25:58,840 --> 00:25:56,690

show some of the results that I got and

597

00:26:00,549 --> 00:25:58,850

going to that Davis and Davis site but

598

00:26:04,120 --> 00:26:00,559

there's another one that lends itself

599

00:26:07,389 --> 00:26:04,130

very well to a game and this is one that

600

00:26:10,570 --> 00:26:07,399

I think would be pretty easy to turn

601
00:26:13,060 --> 00:26:10,580
into a game where basically you Remote

602
00:26:14,680 --> 00:26:13,070
View the winning target but there what

603
00:26:17,799 --> 00:26:14,690
will happen is the the site will

604
00:26:20,139 --> 00:26:17,809
generate four different images and then

605
00:26:22,149 --> 00:26:20,149
you've got to decide what the top image

606
00:26:23,500 --> 00:26:22,159
is maybe you think it's second because

607
00:26:25,450 --> 00:26:23,510
this will happen sometimes when you've

608
00:26:26,470 --> 00:26:25,460
got a pool of images there will be

609
00:26:32,139 --> 00:26:26,480
similar

610
00:26:33,880 --> 00:26:32,149
one picture if you're yes yep so that

611
00:26:35,980 --> 00:26:33,890
makes a little tricky and I think it

612
00:26:38,320 --> 00:26:35,990
adds that maybe a little bit of the game

613
00:26:40,360 --> 00:26:38,330

element the fun element and I think it

614

00:26:42,100 --> 00:26:40,370

adds to it but anyway I'm gonna run

615

00:26:43,040 --> 00:26:42,110

through this for the folks and I think

616

00:26:45,710 --> 00:26:43,050

they should be able to

617

00:26:49,220 --> 00:26:45,720

this I hope they do so you just pick

618

00:26:51,470 --> 00:26:49,230

begin so let's begin and then you get

619

00:26:53,390 --> 00:26:51,480

like a little get ready prompt and you

620

00:26:57,110 --> 00:26:53,400

click it again it is transmitting so

621

00:26:59,960 --> 00:26:57,120

I'll just close my eyes and okay it's a

622

00:27:02,750 --> 00:26:59,970

it's a sandwich okay fine I'm gonna stop

623

00:27:04,340 --> 00:27:02,760

and then end of transmission so I click

624

00:27:09,620 --> 00:27:04,350

continue and then the four pictures are

625

00:27:12,280 --> 00:27:09,630

generated and a little bit I already

626

00:27:14,210 --> 00:27:12,290

hear it looks like a rhinoceroses ass

627

00:27:16,310 --> 00:27:14,220

beautiful is one of the pictures we got

628

00:27:18,590 --> 00:27:16,320

it we got some football players a Rhinos

629

00:27:21,410 --> 00:27:18,600

ass we've got that looks like some kind

630

00:27:23,300 --> 00:27:21,420

of a flower or something and then some

631

00:27:27,590 --> 00:27:23,310

guys looks like going some scaffolding

632

00:27:29,210 --> 00:27:27,600

window-cleaning or whatever so I hope my

633

00:27:30,710 --> 00:27:29,220

mind doesn't work this way so I'm gonna

634

00:27:33,290 --> 00:27:30,720

say it's not the way I was [\h__\h] say

635

00:27:34,940 --> 00:27:33,300

it see it looks like some weed or a

636

00:27:37,070 --> 00:27:34,950

flower or something add something I

637

00:27:39,080 --> 00:27:37,080

think you know for me it's different

638

00:27:40,630 --> 00:27:39,090

with each person I think it's really

639

00:27:42,830 --> 00:27:40,640

important to take your time

640

00:27:45,440 --> 00:27:42,840

especially cleaning the slate there's

641

00:27:48,380 --> 00:27:45,450

this great quote from Nagarjuna that who

642

00:27:51,710 --> 00:27:48,390

says to for 2000 years ago if you still

643

00:27:54,350 --> 00:27:51,720

your mind like the surface of a lake you

644

00:27:56,900 --> 00:27:54,360

can reflect the universe well and what

645

00:27:58,640 --> 00:27:56,910

buddy reflect on this I just clicked on

646

00:28:00,830 --> 00:27:58,650

there the the winning image and it did

647

00:28:02,570 --> 00:28:00,840

turn out to be that little piece of

648

00:28:05,770 --> 00:28:02,580

wheat or flour or whatever with the Sun

649

00:28:09,950 --> 00:28:08,480

well exactly I think that was a little

650

00:28:11,450 --> 00:28:09,960

bit more luck than any kind of remote

651
00:28:13,340 --> 00:28:11,460
viewing skele just throwing him out

652
00:28:15,440 --> 00:28:13,350
there but but you get if you did a video

653
00:28:17,330 --> 00:28:15,450
with these if you did a few of these you

654
00:28:20,510 --> 00:28:17,340
know you've got your random chance the

655
00:28:24,650 --> 00:28:20,520
you know to do it by points where let's

656
00:28:26,510 --> 00:28:24,660
say getting the the first your first

657
00:28:29,480 --> 00:28:26,520
pick is the the winning image and you

658
00:28:31,910 --> 00:28:29,490
get three points you know second you get

659
00:28:33,920 --> 00:28:31,920
two points one you get if it's the third

660
00:28:36,140 --> 00:28:33,930
number you're the third image that you

661
00:28:37,790 --> 00:28:36,150
picked it you get one and then zero for

662
00:28:40,220 --> 00:28:37,800
being last or whatever you can play

663
00:28:42,560 --> 00:28:40,230

around with the point system but the

664

00:28:45,140 --> 00:28:42,570

nice thing about using something like

665

00:28:47,690 --> 00:28:45,150

this is you know you can actually score

666

00:28:50,030 --> 00:28:47,700

it you know there's no

667

00:28:52,160 --> 00:28:50,040

there's no room for judging there's no

668

00:28:53,990 --> 00:28:52,170

room for yeah well that's kind of close

669

00:28:55,850 --> 00:28:54,000

yeah that was good or that was bad it's

670

00:28:58,460 --> 00:28:55,860

like BAM you know it's kind of like

671

00:29:02,180 --> 00:28:58,470

there are some breaks to the game but

672

00:29:04,310 --> 00:29:02,190

you know I think that the whole idea is

673

00:29:06,380 --> 00:29:04,320

that you want to have something that you

674

00:29:09,140 --> 00:29:06,390

can really score and then that there's

675

00:29:10,700 --> 00:29:09,150

no room for any kind of arbitrary well

676

00:29:13,310 --> 00:29:10,710

that that's kind of close so that's good

677

00:29:17,060 --> 00:29:13,320

enough you know yeah you don't it's so

678

00:29:18,380 --> 00:29:17,070

important in this field is don't kid

679

00:29:20,870 --> 00:29:18,390

yourself too much you know what I mean

680

00:29:22,160 --> 00:29:20,880

there's gonna be huge coincidences there

681

00:29:24,710 --> 00:29:22,170

gonna be things like that that happen

682

00:29:27,110 --> 00:29:24,720

all the time there's Universal shapes

683

00:29:29,000 --> 00:29:27,120

and things like that so you know keep

684

00:29:30,350 --> 00:29:29,010

yourself grounded you know especially

685

00:29:32,600 --> 00:29:30,360

early on there's something called

686

00:29:34,550 --> 00:29:32,610

beginner's luck often times very early

687

00:29:37,340 --> 00:29:34,560

when you're starting this stuff you get

688

00:29:40,130 --> 00:29:37,350

targets really really really well so I

689

00:29:42,470 --> 00:29:40,140

think humbleness helps too but also you

690

00:29:43,880 --> 00:29:42,480

need to feel adventurin adventurous

691

00:29:46,460 --> 00:29:43,890

enough to be able to feel comfortable

692

00:29:48,290 --> 00:29:46,470

feeling big feeling big a show like I'm

693

00:29:50,900 --> 00:29:48,300

just so impressed and thankful that

694

00:29:53,180 --> 00:29:50,910

you're trying these on the air live now

695

00:29:54,860 --> 00:29:53,190

you know but then I know you're not set

696

00:29:56,420 --> 00:29:54,870

up to see this but if you go back and

697

00:29:59,090 --> 00:29:56,430

even with the volume off and you go back

698

00:30:00,290 --> 00:29:59,100

and you let you look at it I I think

699

00:30:01,940 --> 00:30:00,300

we're on the right path

700

00:30:04,610 --> 00:30:01,950

so those are two specific games I think

701

00:30:06,710 --> 00:30:04,620

I sort of a pick for where you can

702

00:30:08,630 --> 00:30:06,720

definitely designate points for if

703

00:30:10,280 --> 00:30:08,640

you're you get at number one number two

704

00:30:13,430 --> 00:30:10,290

number three whatever the case may be

705

00:30:15,500 --> 00:30:13,440

and then one predicting sporting events

706

00:30:17,360 --> 00:30:15,510

something along those lines or stock

707

00:30:18,080 --> 00:30:17,370

market or whatever any kind of future

708

00:30:25,030 --> 00:30:18,090

events

709

00:30:30,080 --> 00:30:27,530

absolutely there's a quite a few of

710

00:30:35,060 --> 00:30:30,090

famous psychics from history who also

711

00:30:37,100 --> 00:30:35,070

picked sporting events and did it very

712

00:30:39,350 --> 00:30:37,110

well I'm forgetting the real famous

713

00:30:44,660 --> 00:30:39,360

guy's name used to cast lightning bolts

714

00:30:46,130 --> 00:30:44,670

and yes yes I remember him i reaiiy

715

00:30:47,810 --> 00:30:46,140

recall what you're talking about I read

716

00:30:51,080 --> 00:30:47,820

I know you're with us you know the guys

717

00:30:52,360 --> 00:30:51,090

name I can't believe I'm forgetting his

718

00:30:55,820 --> 00:30:52,370

name

719

00:30:56,870 --> 00:30:55,830

go ahead mission love dr. Jeffery

720

00:31:00,440 --> 00:30:56,880

missile have studied him for a while

721

00:31:01,340 --> 00:31:00,450

invertible yes and he had this uncanny

722

00:31:03,529 --> 00:31:01,350

ability

723

00:31:05,480 --> 00:31:03,539

- first of all dude he did very well

724

00:31:07,730 --> 00:31:05,490

with sports but he also predicted

725

00:31:09,529 --> 00:31:07,740

weather and he was a little Eiffel like

726
00:31:11,060 --> 00:31:09,539
if someone annoyed him or said negative

727
00:31:12,860 --> 00:31:11,070
things he'd be like okay there's gonna

728
00:31:14,899 --> 00:31:12,870
be this happening and this bad weather

729
00:31:17,419 --> 00:31:14,909
happening in your area and it was way

730
00:31:19,129 --> 00:31:17,429
off the charts in terms of unusual

731
00:31:21,409 --> 00:31:19,139
weather happenings and he had a specific

732
00:31:24,159 --> 00:31:21,419
hallmark where it was extremely unusual

733
00:31:27,379 --> 00:31:24,169
weather combined with UFO sightings and

734
00:31:29,269 --> 00:31:27,389
other things and he attributed it to two

735
00:31:31,970 --> 00:31:29,279
Mantis creatures who are flying on a

736
00:31:33,680 --> 00:31:31,980
ship in orbit but he also could cast

737
00:31:35,779 --> 00:31:33,690
lightning bolts he went to the UK and

738
00:31:37,970 --> 00:31:35,789

they they doubted he could do it and he

739

00:31:39,919 --> 00:31:37,980

said okay near that light pole down

740

00:31:42,470 --> 00:31:39,929

there on the ground lightning bolts

741

00:31:44,360 --> 00:31:42,480

gonna hit there boom and right yeah I

742

00:31:46,610 --> 00:31:44,370

read I read about that for a while I

743

00:31:48,680 --> 00:31:46,620

studied that case it was fascinating

744

00:31:51,830 --> 00:31:48,690

everything you just said is exactly what

745

00:31:53,330 --> 00:31:51,840

I've read and so I'm just gonna read a

746

00:32:00,100 --> 00:31:53,340

little bit about that's called the peak

747

00:32:04,490 --> 00:32:02,480

read a little bit about it says so

748

00:32:06,350 --> 00:32:04,500

begins Jeffrey mish loves the peak a man

749

00:32:09,200 --> 00:32:06,360

the true and strange story of Ted Owens

750

00:32:12,049 --> 00:32:09,210

his claims of power powerful

751

00:32:14,299 --> 00:32:12,059

psychokinetic abilities given to him by

752

00:32:16,279 --> 00:32:14,309

space intelligences were too bizarre and

753

00:32:18,139 --> 00:32:16,289

extreme for many to believe when these

754

00:32:19,940 --> 00:32:18,149

claims were ignored or challenged he

755

00:32:22,220 --> 00:32:19,950

purportedly used his powers to produce

756

00:32:24,019 --> 00:32:22,230

earthquakes civil unrest UFO sightings

757

00:32:26,330 --> 00:32:24,029

strange weather events and other

758

00:32:28,700 --> 00:32:26,340

powerful phenomena Owens even threatened

759

00:32:30,139 --> 00:32:28,710

to down aircraft to garner attention you

760

00:32:33,830 --> 00:32:30,149

know what I remember about this guy is

761

00:32:38,360 --> 00:32:33,840

that he also had kind of a well not kind

762

00:32:40,999 --> 00:32:38,370

of he had an ego of mega proportions and

763

00:32:43,009 --> 00:32:41,009

so he was sort of insufferable to a lot

764

00:32:45,070 --> 00:32:43,019

of people regarding his personality in

765

00:32:47,570 --> 00:32:45,080

the style and manner in which he

766

00:32:50,149 --> 00:32:47,580

produced phenomena because his

767

00:32:54,529 --> 00:32:50,159

personality was involved regarding a lot

768

00:32:58,610 --> 00:32:54,539

of that and he was a heavy drinker in

769

00:33:04,639 --> 00:32:58,620

fact he met all the early guys from SR I

770

00:33:06,289 --> 00:33:04,649

Hal put off and Russell Targ when they

771

00:33:09,289 --> 00:33:06,299

were just starting to work with Uri

772

00:33:11,090 --> 00:33:09,299

Geller and they said you know he kept

773

00:33:13,610 --> 00:33:11,100

writing them and he had some accurate

774

00:33:14,870 --> 00:33:13,620

stuff and at one point how put off said

775

00:33:16,580 --> 00:33:14,880

you know I can't I can't

776

00:33:18,320 --> 00:33:16,590

you know her Geller's you know bringing

777

00:33:19,970 --> 00:33:18,330

us enough weird attention you know

778

00:33:22,240 --> 00:33:19,980

Geoffrey do you want to check out this

779

00:33:25,370 --> 00:33:22,250

guy and that's when Geoffrey kind of

780

00:33:27,050 --> 00:33:25,380

started exploring and researching him

781

00:33:29,420 --> 00:33:27,060

and following him and documenting him

782

00:33:33,140 --> 00:33:29,430

and I think Geoffrey documented over 200

783

00:33:34,490 --> 00:33:33,150

accurate predictions mm-hmm Schneider in

784

00:33:36,440 --> 00:33:34,500

case I'm glad you brought it up thank

785

00:33:38,600 --> 00:33:36,450

you yeah we got to get him on the show

786

00:33:42,080 --> 00:33:38,610

one of these days he's lost like Jeffrey

787

00:33:44,210 --> 00:33:42,090

Mitchell oh yes oh wow he's amazing he's

788

00:33:49,130 --> 00:33:44,220

really really amazing wonderful how we

789

00:33:51,230 --> 00:33:49,140

love him don't right yeah so I've gone

790

00:33:55,100 --> 00:33:51,240

through all the sights and one thing I

791

00:33:57,940 --> 00:33:55,110

want to run by you is the the issue of

792

00:34:00,410 --> 00:33:57,950

burnout you know how you know how much

793

00:34:03,140 --> 00:34:00,420

how much of this stuff do you think is

794

00:34:06,890 --> 00:34:03,150

doable say in I don't know a half hour

795

00:34:08,210 --> 00:34:06,900

45 minutes whatever the case may be well

796

00:34:09,860 --> 00:34:08,220

I can tell you from personal experience

797

00:34:13,399 --> 00:34:09,870

there's burnout on several different

798

00:34:15,050 --> 00:34:13,409

levels on I've been involved in research

799

00:34:17,119 --> 00:34:15,060

sessions and the Juju's get to a point

800

00:34:19,460 --> 00:34:17,129

where you're like I know myself for the

801
00:34:23,180 --> 00:34:19,470
mornings is when I do my best evenings

802
00:34:32,090 --> 00:34:23,190
that guy I'm an old man right it's

803
00:34:34,790 --> 00:34:32,100
sleepy and I would but you know you each

804
00:34:36,649 --> 00:34:34,800
person knows their own prime times but I

805
00:34:40,730 --> 00:34:36,659
also think that pressing yourself

806
00:34:42,950 --> 00:34:40,740
pushing yourself is and adding

807
00:34:44,540 --> 00:34:42,960
impediments is really important and I

808
00:34:46,070 --> 00:34:44,550
preached about it so much that people

809
00:34:48,050 --> 00:34:46,080
know that that's one of my things so I

810
00:34:52,700 --> 00:34:48,060
remember going to a UFO festival in

811
00:34:56,450 --> 00:34:52,710
Joshua Tree and they were testing me as

812
00:34:58,760 --> 00:34:56,460
I you know the Rob Freeman was running

813
00:35:01,580 --> 00:34:58,770

the oh yeah yeah we've had Rob on yeah

814

00:35:03,050 --> 00:35:01,590

he's awesome I love Rob and so he was

815

00:35:05,120 --> 00:35:03,060

telling the group that I buddy does you

816

00:35:07,070 --> 00:35:05,130

know remote-viewing he's good and so

817

00:35:09,890 --> 00:35:07,080

they call me and I was in line at the

818

00:35:11,180 --> 00:35:09,900

airport in Newark and they had me do a

819

00:35:12,890 --> 00:35:11,190

remote viewing and I actually did the

820

00:35:15,380 --> 00:35:12,900

drawing too and I had an astonishingly

821

00:35:17,540 --> 00:35:15,390

accurate I got that it was like

822

00:35:19,040 --> 00:35:17,550

basically a camera I drew it from above

823

00:35:21,500 --> 00:35:19,050

and from the side

824

00:35:23,960 --> 00:35:21,510

I drew the strap the detailed image of

825

00:35:28,590 --> 00:35:23,970

his special embossment on the strap and

826

00:35:30,840 --> 00:35:28,600

and I also tried I'm in the Bronx

827

00:35:33,050 --> 00:35:30,850

- so I meditate in the Bronx with all

828

00:35:35,850 --> 00:35:33,060

the crazy Bronx sounds and I think

829

00:35:38,460 --> 00:35:35,860

really helps because you know nothing's

830

00:35:40,530 --> 00:35:38,470

ever perfect conditions so you like

831

00:35:42,810 --> 00:35:40,540

doing that because I tend to be a big

832

00:35:44,580 --> 00:35:42,820

fan of putting the headphones on and

833

00:35:47,220 --> 00:35:44,590

having something playing in the

834

00:35:48,900 --> 00:35:47,230

background whatever it is you know white

835

00:35:50,820 --> 00:35:48,910

noise or whatever the case may be

836

00:35:52,650 --> 00:35:50,830

oh here you're not able to see this

837

00:35:54,450 --> 00:35:52,660

buddy but this is actually the remote

838

00:35:58,140 --> 00:35:54,460

view we did on your channel the Simmons

839

00:35:59,820 --> 00:35:58,150

it's up now with the the Coliseum being

840

00:36:02,010 --> 00:35:59,830

the target and then your drawing and am

841

00:36:03,720 --> 00:36:02,020

i drawing towards the bottom and we both

842

00:36:05,730 --> 00:36:03,730

did a really nice job on that one under

843

00:36:07,350 --> 00:36:05,740

you know kind of kind of ad-hoc

844

00:36:12,090 --> 00:36:07,360

conditions I thought at least for me

845

00:36:14,760 --> 00:36:12,100

anyway love it love it that was nice

846

00:36:17,040 --> 00:36:14,770

that was nice so you're ok with that do

847

00:36:19,640 --> 00:36:17,050

it see the thing with the predicting a

848

00:36:24,690 --> 00:36:19,650

sporting event is we'd have to get our

849

00:36:27,090 --> 00:36:24,700

predictions in prior to and then sort of

850

00:36:27,780 --> 00:36:27,100

like once all the games are completed if

851

00:36:30,390 --> 00:36:27,790

we used

852

00:36:31,940 --> 00:36:30,400

sporting events or if we use the stock

853

00:36:34,350 --> 00:36:31,950

market obviously we'd have to have our

854

00:36:35,820 --> 00:36:34,360

predictions in before the market opened

855

00:36:36,900 --> 00:36:35,830

and then do the show after are closed

856

00:36:40,530 --> 00:36:36,910

and see how we did

857

00:36:43,200 --> 00:36:40,540

whatever the case may be but we'd have

858

00:36:45,240 --> 00:36:43,210

to kind of like do sort of like a little

859

00:36:47,040 --> 00:36:45,250

pregame show at maybe chant and I can do

860

00:36:48,810 --> 00:36:47,050

that and just say hey here's buddy's

861

00:36:50,730 --> 00:36:48,820

predictions here's my predictions maybe

862

00:36:52,590 --> 00:36:50,740

we can get an additional contestant we'd

863

00:36:55,110 --> 00:36:52,600

have to do something like that whereas

864

00:36:59,790 --> 00:36:55,120

the the other the other games would be

865

00:37:01,830 --> 00:36:59,800

we could do those in real time so we can

866

00:37:03,600 --> 00:37:01,840

do something like that and obviously any

867

00:37:07,100 --> 00:37:03,610

other kind of games that we could do

868

00:37:09,990 --> 00:37:07,110

would be of tremendous interest to me

869

00:37:12,990 --> 00:37:10,000

you know and I think it's important to

870

00:37:16,020 --> 00:37:13,000

let people see failure because sometime

871

00:37:18,330 --> 00:37:16,030

earlier helps give others confidence you

872

00:37:20,400 --> 00:37:18,340

know it's I used to do a stand-up comedy

873

00:37:21,810 --> 00:37:20,410

and you know nothing gives a comedian

874

00:37:28,200 --> 00:37:21,820

more confidence than watching another

875

00:37:31,440 --> 00:37:28,210

comedian so there's you know there's

876

00:37:33,630 --> 00:37:31,450

aspects to a - and everybody has this

877

00:37:35,250 --> 00:37:33,640

ability you may tell yourself oh no I

878

00:37:36,990 --> 00:37:35,260

don't I can't do this I can't do that

879

00:37:38,730 --> 00:37:37,000

just give it a shot give it a try

880

00:37:40,320 --> 00:37:38,740

there's little things you can do you can

881

00:37:42,410 --> 00:37:40,330

practice alone there's this wonderful

882

00:37:44,630 --> 00:37:42,420

app from Russell Targ des

883

00:37:46,430 --> 00:37:44,640

trainer but even if you don't have it

884

00:37:48,799 --> 00:37:46,440

only unfortunately is for iPhone it's

885

00:37:53,029 --> 00:37:48,809

not on Android but there's all sorts of

886

00:37:54,710 --> 00:37:53,039

other little games you can play and you

887

00:37:57,740 --> 00:37:54,720

know what car is gonna come around the

888

00:37:59,210 --> 00:37:57,750

corner next what person is gonna come

889

00:38:00,710 --> 00:37:59,220

around the corner next what are they

890

00:38:03,650 --> 00:38:00,720

dressed you know what are they wearing

891

00:38:06,349 --> 00:38:03,660

all these little things when I Drive to

892

00:38:09,259 --> 00:38:06,359

my house what cars are gonna be out

893

00:38:11,870 --> 00:38:09,269

front or and in the area and you know

894

00:38:13,460 --> 00:38:11,880

you can work on your intuition and it's

895

00:38:15,859 --> 00:38:13,470

never a hundred percent but you can

896

00:38:18,410 --> 00:38:15,869

increase those percentages and it's

897

00:38:20,059 --> 00:38:18,420

really all about percentages and over

898

00:38:23,779 --> 00:38:20,069

time you know you've got a natural

899

00:38:25,279 --> 00:38:23,789

ability Frank and the more you work on

900

00:38:27,319 --> 00:38:25,289

that natural ability the more you can

901
00:38:29,089 --> 00:38:27,329
increase those percentages and by doing

902
00:38:31,400 --> 00:38:29,099
an impediment like doing it on the air

903
00:38:33,680 --> 00:38:31,410
is a great one and I think that

904
00:38:35,450 --> 00:38:33,690
accelerates the growth rate and learning

905
00:38:37,279 --> 00:38:35,460
now it should be fun that when we get

906
00:38:39,559 --> 00:38:37,289
around to it and again that we're

907
00:38:41,299 --> 00:38:39,569
soliciting as much feedback as we could

908
00:38:41,690 --> 00:38:41,309
possibly get if any of you folks out

909
00:38:43,880 --> 00:38:41,700
there

910
00:38:46,220 --> 00:38:43,890
we're listening to this I know some

911
00:38:48,019 --> 00:38:46,230
other sites that you've seen what what

912
00:38:50,839 --> 00:38:48,029
I've been able to turn up but if you've

913
00:38:53,059 --> 00:38:50,849

got some some familiarity with some

914

00:38:56,210 --> 00:38:53,069

other sites so by all means let us know

915

00:38:57,950 --> 00:38:56,220

and we can play around with that and you

916

00:39:00,410 --> 00:38:57,960

know and be game on next time we do this

917

00:39:03,200 --> 00:39:00,420

but I would love I would love to we

918

00:39:05,960 --> 00:39:03,210

could even get a third party someone we

919

00:39:09,319 --> 00:39:05,970

trust a Jeffery Mishlove or you know I

920

00:39:12,440 --> 00:39:09,329

just did a workshop with dr. Simeon Hine

921

00:39:15,019 --> 00:39:12,450

and a boulder I also do a radio show

922

00:39:16,670 --> 00:39:15,029

with him a reality's edge but we could

923

00:39:20,240 --> 00:39:16,680

find someone who's a third party that's

924

00:39:23,630 --> 00:39:20,250

very trust about who can get these you

925

00:39:25,539 --> 00:39:23,640

know drawings and images for us and work

926

00:39:27,920 --> 00:39:25,549

through with them as well too and

927

00:39:30,470 --> 00:39:27,930

different types of methods we can work

928

00:39:32,390 --> 00:39:30,480

with a traditional monitor to a monitor

929

00:39:33,859 --> 00:39:32,400

will say are you you know smelling

930

00:39:35,450 --> 00:39:33,869

anything are you hearing anything they

931

00:39:37,730 --> 00:39:35,460

don't give you any hands they just

932

00:39:39,490 --> 00:39:37,740

basically remind you of your sentences

933

00:39:41,599 --> 00:39:39,500

okay

934

00:39:42,980 --> 00:39:41,609

so there's all sorts of neat options we

935

00:39:45,470 --> 00:39:42,990

could consider but you know the audience

936

00:39:46,940 --> 00:39:45,480

is gonna have the best ideas so love to

937

00:39:50,240 --> 00:39:46,950

hear their thoughts yeah you never know

938

00:39:52,970 --> 00:39:50,250

you just never know psychic Olympics yep

939

00:39:54,470 --> 00:39:52,980

yep and again if you come up with it

940

00:39:56,000 --> 00:39:54,480

obviously I didn't come up with drawings

941

00:39:58,190 --> 00:39:56,010

here and I can pop them into the

942

00:40:00,770 --> 00:39:58,200

I'll show you know within a matter of a

943

00:40:03,260 --> 00:40:00,780

second what you would be able to do if I

944

00:40:05,090 --> 00:40:03,270

don't know I see I don't know what how

945

00:40:07,040 --> 00:40:05,100

you're set up in terms of software or

946

00:40:09,350 --> 00:40:07,050

whatever the case may be or you could

947

00:40:11,600 --> 00:40:09,360

just take a quick and dirty picture of a

948

00:40:14,240 --> 00:40:11,610

pain in a you know a pen and paper

949

00:40:16,250 --> 00:40:14,250

drawing and pass that along to us

950

00:40:18,860 --> 00:40:16,260

through the Skype chat something along

951
00:40:20,210 --> 00:40:18,870
those lines if you want to do that sort

952
00:40:22,850 --> 00:40:20,220
of a back up what you were describing

953
00:40:25,040 --> 00:40:22,860
how what I mean I love it next time I'll

954
00:40:30,100 --> 00:40:25,050
be able to write now I'm actually in my

955
00:40:32,360 --> 00:40:30,110
truck okay but next time I'll have my

956
00:40:34,520 --> 00:40:32,370
computers up and stuff like that it'll

957
00:40:35,960 --> 00:40:34,530
make it easier to actually you know see

958
00:40:38,330 --> 00:40:35,970
the sights with you and play the games

959
00:40:39,770 --> 00:40:38,340
and stuff like that so that's a really

960
00:40:42,650 --> 00:40:39,780
exciting and should be able to draw and

961
00:40:44,960 --> 00:40:42,660
stuff like that too I love drawing not

962
00:40:48,290 --> 00:40:44,970
just describing it the more you activate

963
00:40:51,740 --> 00:40:48,300

your senses the better they used to it

964

00:40:54,800 --> 00:40:51,750

SR I even have them work with clay where

965

00:40:56,360 --> 00:40:54,810

they'd get the yes they'd play with the

966

00:40:57,860 --> 00:40:56,370

clay as well - it sounds like a lot of

967

00:41:01,490 --> 00:40:57,870

fun I've never done that

968

00:41:03,050 --> 00:41:01,500

yeah enjoy doing yeah it's just that

969

00:41:05,000 --> 00:41:03,060

basically been the other drawings all

970

00:41:07,100 --> 00:41:05,010

right but you've got that some other

971

00:41:09,170 --> 00:41:07,110

thing I think we've I think the folks

972

00:41:11,750 --> 00:41:09,180

who are listening at home and looking at

973

00:41:13,760 --> 00:41:11,760

home if I got the basic gist of what

974

00:41:16,400 --> 00:41:13,770

we're trying to do here and again you

975

00:41:20,360 --> 00:41:16,410

know we want your feedback and we want

976

00:41:22,520 --> 00:41:20,370

to definitely keep the the result sort

977

00:41:25,280 --> 00:41:22,530

of is independent from us as possible

978

00:41:27,980 --> 00:41:25,290

again using random number generators

979

00:41:31,460 --> 00:41:27,990

Fermin a number of a an image database

980

00:41:34,790 --> 00:41:31,470

and so on that kind of thing if we do

981

00:41:37,040 --> 00:41:34,800

well then no one should question our

982

00:41:38,600 --> 00:41:37,050

honesty and if we don't do well well and

983

00:41:40,820 --> 00:41:38,610

we'll give it another shot down the road

984

00:41:41,540 --> 00:41:40,830

maybe but and now have some fun along

985

00:41:44,270 --> 00:41:41,550

the way

986

00:41:46,460 --> 00:41:44,280

but you have also got this some other

987

00:41:48,260 --> 00:41:46,470

things talking about that you were

988

00:41:50,660 --> 00:41:48,270

talking a good bit about psychokinesis a

989

00:41:54,020 --> 00:41:50,670

little bit so once you go back to that

990

00:41:55,880 --> 00:41:54,030

and tell us what well what you know I've

991

00:41:57,790 --> 00:41:55,890

never really tried that bending spoons

992

00:42:00,020 --> 00:41:57,800

your keys or anything along those lines

993

00:42:02,960 --> 00:42:00,030

why should I want to do something like

994

00:42:04,730 --> 00:42:02,970

that well I think there's a natural

995

00:42:07,460 --> 00:42:04,740

progression in these abilities first

996

00:42:09,800 --> 00:42:07,470

you're able to see then you're able to

997

00:42:12,580 --> 00:42:09,810

touch and then I think the ultimate

998

00:42:14,930 --> 00:42:12,590

and all this is healing and

999

00:42:16,490 --> 00:42:14,940

psychokinesis is that step to healing

1000

00:42:19,130 --> 00:42:16,500

the thing that I'm most proud of with

1001
00:42:21,850 --> 00:42:19,140
our group is we've had so many wonderful

1002
00:42:24,740 --> 00:42:21,860
cases of really extreme healing cases

1003
00:42:26,120 --> 00:42:24,750
I'm not gonna brag about it too much but

1004
00:42:27,740 --> 00:42:26,130
they've been really miraculous

1005
00:42:29,690 --> 00:42:27,750
situations that we've been blessed to be

1006
00:42:33,350 --> 00:42:29,700
a tiny part of the circle of these

1007
00:42:37,010 --> 00:42:33,360
healings and that's the biggest and best

1008
00:42:39,950 --> 00:42:37,020
reason right there but of course it's

1009
00:42:41,690 --> 00:42:39,960
neat to be able to say oh you could bend

1010
00:42:44,060 --> 00:42:41,700
metal or you could do this or that I

1011
00:42:47,690 --> 00:42:44,070
personally I did some of the spoons and

1012
00:42:49,790 --> 00:42:47,700
and and and cutlery early and I just it

1013
00:42:53,390 --> 00:42:49,800

kind of feels dirty to me it kind of

1014

00:42:56,480 --> 00:42:53,400

feels magician II and so I moved on to

1015

00:43:00,410 --> 00:42:56,490

working with metal bars and doing the no

1016

00:43:04,340 --> 00:43:00,420

touch version which is where you wave

1017

00:43:06,890 --> 00:43:04,350

your hand above it and it will there's

1018

00:43:09,230 --> 00:43:06,900

videos on the alien protocols channel

1019

00:43:11,000 --> 00:43:09,240

where it shows the you know the

1020

00:43:12,470 --> 00:43:11,010

successes and I've done this you know

1021

00:43:15,170 --> 00:43:12,480

numerous times it doesn't always happen

1022

00:43:20,000 --> 00:43:15,180

every time but there is an ability for

1023

00:43:23,870 --> 00:43:20,010

all of us to bend reality and as wacky

1024

00:43:29,840 --> 00:43:23,880

and goofy as it sounds is on it just

1025

00:43:33,260 --> 00:43:29,850

doesn't sound like you're it just sounds

1026
00:43:36,140 --> 00:43:33,270
so unusual and so out of your personal

1027
00:43:39,800 --> 00:43:36,150
experience but our mind has an ability

1028
00:43:41,630 --> 00:43:39,810
to affect reality around us and the

1029
00:43:44,630 --> 00:43:41,640
biggest most important part is that

1030
00:43:45,970 --> 00:43:44,640
empathy and of course having faith and

1031
00:43:48,560 --> 00:43:45,980
believing you can do it

1032
00:43:50,450 --> 00:43:48,570
so you first you make the connection

1033
00:43:52,520 --> 00:43:50,460
with the piece of metal or whatever you

1034
00:43:54,950 --> 00:43:52,530
want to physically affect whether it be

1035
00:43:58,370 --> 00:43:54,960
the growth rate of crystals or the

1036
00:43:59,990 --> 00:43:58,380
growth rate of algae you do the remote

1037
00:44:02,660 --> 00:44:00,000
viewing kind of thing first where you

1038
00:44:05,630 --> 00:44:02,670

see it and you connect with it and then

1039

00:44:07,820 --> 00:44:05,640

you start moving into this level of

1040

00:44:10,340 --> 00:44:07,830

empathy that's deeper where you're you

1041

00:44:13,130 --> 00:44:10,350

want to physically make change in the

1042

00:44:14,960 --> 00:44:13,140

object you visualize that change

1043

00:44:17,510 --> 00:44:14,970

happening there's different techniques

1044

00:44:19,310 --> 00:44:17,520

different people use dr. gallenberger

1045

00:44:22,760 --> 00:44:19,320

was talking about how when he was

1046

00:44:23,600 --> 00:44:22,770

working with the Machine he kind of

1047

00:44:26,960 --> 00:44:23,610

imagined

1048

00:44:28,700 --> 00:44:26,970

a waterfall a fountain and he was when

1049

00:44:31,130 --> 00:44:28,710

he wanted the numbers to go lower he

1050

00:44:33,850 --> 00:44:31,140

would slash the fountain with a sword

1051
00:44:36,620 --> 00:44:33,860
and the fountain would lower lower lower

1052
00:44:40,340 --> 00:44:36,630
everyone has their different you know

1053
00:44:43,400 --> 00:44:40,350
mental techniques but believe you can do

1054
00:44:44,990 --> 00:44:43,410
it because you can it's so it's the most

1055
00:44:46,910 --> 00:44:45,000
bizarre thing to think that you can

1056
00:44:49,880 --> 00:44:46,920
affect matter and reality without

1057
00:44:51,440 --> 00:44:49,890
touching it but you can and that's what

1058
00:44:53,570 --> 00:44:51,450
healing is all about prayer is all about

1059
00:44:54,860 --> 00:44:53,580
that I mean you can skip the metal part

1060
00:44:55,880 --> 00:44:54,870
and go straight to the prayer in the

1061
00:44:57,050 --> 00:44:55,890
healing because there's nothing more

1062
00:44:58,880 --> 00:44:57,060
gratifying than getting a call from

1063
00:45:02,150 --> 00:44:58,890

someone saying you know it worked

1064

00:45:04,310 --> 00:45:02,160

you know you healed my grandma or my dog

1065

00:45:07,790 --> 00:45:04,320

is healthy and running around and happy

1066

00:45:09,920 --> 00:45:07,800

and there's so many stories on our site

1067

00:45:12,050 --> 00:45:09,930

and you know bragging about it is really

1068

00:45:13,910 --> 00:45:12,060

I'm not gonna go into specifics but that

1069

00:45:16,970 --> 00:45:13,920

there's nothing more gratifying than

1070

00:45:19,700 --> 00:45:16,980

that got it

1071

00:45:22,340 --> 00:45:19,710

do you have anything actually I just

1072

00:45:25,760 --> 00:45:22,350

wanted to talk a little bit about some

1073

00:45:28,970 --> 00:45:25,770

people who were well known throughout

1074

00:45:30,890 --> 00:45:28,980

history regarding their uncanny ability

1075

00:45:32,570 --> 00:45:30,900

to be able to manipulate people and

1076

00:45:33,410 --> 00:45:32,580

alter their behavior through the power

1077

00:45:36,710 --> 00:45:33,420

of suggestion

1078

00:45:39,710 --> 00:45:36,720

they've also they also had powers of

1079

00:45:41,810 --> 00:45:39,720

clairvoyance to a high degree one of

1080

00:45:44,380 --> 00:45:41,820

them was a gentleman by the name of wolf

1081

00:45:47,540 --> 00:45:44,390

messing who has considered Stalin's

1082

00:45:49,340 --> 00:45:47,550

personal wizard and he was known as a

1083

00:45:52,190 --> 00:45:49,350

magician to hypnotist a seer and a

1084

00:45:55,880 --> 00:45:52,200

psychic and a story that I recall that I

1085

00:45:57,950 --> 00:45:55,890

read about him is and this was a this as

1086

00:46:00,170 --> 00:45:57,960

many years ago when I read this so I'm

1087

00:46:03,230 --> 00:46:00,180

hoping I'm recalling it accurately and

1088

00:46:06,380 --> 00:46:03,240

that is Stalin knew about the great

1089

00:46:09,410 --> 00:46:06,390

powers of wolf messing and by the way

1090

00:46:11,980 --> 00:46:09,420

just so everybody knows he was born in

1091

00:46:17,260 --> 00:46:11,990

Poland in 1874 and I believe he died

1092

00:46:21,170 --> 00:46:17,270

almost a hundred years later he actually

1093

00:46:23,360 --> 00:46:21,180

was asked by Stalin a challenge by him I

1094

00:46:26,060 --> 00:46:23,370

believe to get past all of the guards in

1095

00:46:30,920 --> 00:46:26,070

Stalin's house to see if he could get to

1096

00:46:33,230 --> 00:46:30,930

Stalin himself and so wolf decided to go

1097

00:46:35,500 --> 00:46:33,240

ahead and take him upon that and they

1098

00:46:37,550 --> 00:46:35,510

didn't decide when he was going to do it

1099

00:46:41,750 --> 00:46:37,560

there was no date set

1100

00:46:45,230 --> 00:46:41,760

on that and is my understanding and so

1101
00:46:48,770 --> 00:46:45,240
then one day wolf decided to go ahead

1102
00:46:51,080 --> 00:46:48,780
and try it and I don't think wolf had

1103
00:46:52,880 --> 00:46:51,090
any worries about it whatsoever he was

1104
00:46:57,110 --> 00:46:52,890
known as being extremely confident about

1105
00:46:59,930 --> 00:46:57,120
his powers and so he went ahead and went

1106
00:47:02,630 --> 00:46:59,940
past the first guard of Stalin's house

1107
00:47:05,420 --> 00:47:02,640
and another in the hallway and then all

1108
00:47:08,270 --> 00:47:05,430
the way on up to Stalin's bedroom where

1109
00:47:10,280 --> 00:47:08,280
he actually faced Stalin and ston

1110
00:47:13,820 --> 00:47:10,290
realized he had gotten past every guard

1111
00:47:16,190 --> 00:47:13,830
to from the very front of his house

1112
00:47:18,590 --> 00:47:16,200
right on up to where he was sitting in

1113
00:47:21,830 --> 00:47:18,600

his bedroom so I thought that was

1114

00:47:24,590 --> 00:47:21,840

interesting he also blew his audiences

1115

00:47:27,230 --> 00:47:24,600

away when he would perform I guess

1116

00:47:29,000 --> 00:47:27,240

around the world regarding tours that he

1117

00:47:31,250 --> 00:47:29,010

would take and there were also

1118

00:47:33,320 --> 00:47:31,260

scientists and attendants who were

1119

00:47:36,530 --> 00:47:33,330

interested in meeting him and being

1120

00:47:41,450 --> 00:47:36,540

witnessed to his the phenomenon that he

1121

00:47:44,720 --> 00:47:41,460

was able to actually I guess present to

1122

00:47:46,550 --> 00:47:44,730

folks regarding his show and so if

1123

00:47:48,890 --> 00:47:46,560

people want to find out more about him I

1124

00:47:53,570 --> 00:47:48,900

would recommend looking up wolf messing

1125

00:47:55,370 --> 00:47:53,580

mes si and G and then also just wanted

1126
00:47:57,560 --> 00:47:55,380
to talk to you about something rather

1127
00:48:00,500 --> 00:47:57,570
interesting I wrote a really long

1128
00:48:05,300 --> 00:48:00,510
article on the CIA archives and in that

1129
00:48:07,310 --> 00:48:05,310
article there was a fascinating remote

1130
00:48:09,770 --> 00:48:07,320
viewing test that took place that's

1131
00:48:13,790 --> 00:48:09,780
famous now and I know you already know

1132
00:48:15,350 --> 00:48:13,800
it very well buddy so I'll just go ahead

1133
00:48:17,360 --> 00:48:15,360
and read a little bit about that from

1134
00:48:20,210 --> 00:48:17,370
the article I wrote it's called Project

1135
00:48:22,610 --> 00:48:20,220
Star Gate and Mars one million years BC

1136
00:48:25,580 --> 00:48:22,620
the planet Mars time of interest

1137
00:48:28,330 --> 00:48:25,590
approximately 1 million years BC sounds

1138
00:48:30,440 --> 00:48:28,340

like what was that

1139

00:48:32,540 --> 00:48:30,450
exactly yeah sounding like a Ray

1140

00:48:34,550 --> 00:48:32,550
Bradbury novel this is from the diary of

1141

00:48:37,370 --> 00:48:34,560
a remote viewing program and under the

1142

00:48:39,110 --> 00:48:37,380
guise of a new a few names operation

1143

00:48:41,450 --> 00:48:39,120
Stargate a US Army related

1144

00:48:43,430 --> 00:48:41,460
parapsychology experiment was one of

1145

00:48:45,260 --> 00:48:43,440
those top secret programs it also

1146

00:48:46,730 --> 00:48:45,270
inspired the movie the men who stare at

1147

00:48:49,190 --> 00:48:46,740
goats moving on

1148

00:48:51,410 --> 00:48:49,200
Mars 1 million years BC was recorded on

1149

00:48:53,900 --> 00:48:51,420
may 22nd 84 named

1150

00:48:56,720 --> 00:48:53,910
Mars exploration this odd diary was

1151
00:48:59,710 --> 00:48:56,730
written when the Terminator the year we

1152
00:49:02,089 --> 00:48:59,720
make contact star man and firestarter

1153
00:49:04,039 --> 00:49:02,099
was out they were hitting theaters

1154
00:49:06,470 --> 00:49:04,049
around the world prior to the Mars

1155
00:49:09,079 --> 00:49:06,480
remote viewing diary et the

1156
00:49:10,789 --> 00:49:09,089
extra-terrestrial which as you know in

1157
00:49:13,400 --> 00:49:10,799
that movie he had a very interesting

1158
00:49:16,730 --> 00:49:13,410
relationship with the young boy where

1159
00:49:19,099 --> 00:49:16,740
they actually had they could fill each

1160
00:49:21,380 --> 00:49:19,109
other's feelings and Blade Runner came

1161
00:49:22,940 --> 00:49:21,390
out during that period of time and the

1162
00:49:25,130 --> 00:49:22,950
need to watch aliens on the big screen

1163
00:49:28,160 --> 00:49:25,140

became a necessity for sci-fi movies of

1164

00:49:31,460 --> 00:49:28,170

fiction autos everywhere now moving

1165

00:49:33,589 --> 00:49:31,470

along to this the RV remote viewing

1166

00:49:35,420 --> 00:49:33,599

program was both a domestic and

1167

00:49:37,670 --> 00:49:35,430

international intelligence program under

1168

00:49:39,980 --> 00:49:37,680

the designation of US Army Intelligence

1169

00:49:42,020 --> 00:49:39,990

it was used to reach into the mind of

1170

00:49:44,000 --> 00:49:42,030

enemies the minds of enemies of the US

1171

00:49:45,880 --> 00:49:44,010

and to pursue and tell on an

1172

00:49:48,920 --> 00:49:45,890

extraterrestrial race of beings on Mars

1173

00:49:50,990 --> 00:49:48,930

how this kind of planet knowledge could

1174

00:49:53,180 --> 00:49:51,000

help the US was known only to the US

1175

00:49:55,280 --> 00:49:53,190

government now the reason why I read all

1176

00:49:58,520 --> 00:49:55,290

that is because this fascinating

1177

00:50:00,680 --> 00:49:58,530

experiment that occurred that was under

1178

00:50:02,960 --> 00:50:00,690

the umbrella of Project Star Gate and a

1179

00:50:04,609 --> 00:50:02,970

few other projects I suppose there's

1180

00:50:06,380 --> 00:50:04,619

just too many of those psychic programs

1181

00:50:09,500 --> 00:50:06,390

to name the grocery list is too long

1182

00:50:12,260 --> 00:50:09,510

what's fascinating about it to me is the

1183

00:50:15,770 --> 00:50:12,270

index card that the person pulled out a

1184

00:50:17,809 --> 00:50:15,780

with the latitude and longitude for the

1185

00:50:20,150 --> 00:50:17,819

remote viewer to be able to determine

1186

00:50:23,480 --> 00:50:20,160

what they saw on Mars 1 million years

1187

00:50:27,349 --> 00:50:23,490

ago and those latitude and longitude

1188

00:50:30,079 --> 00:50:27,359

numbers came from the Jet Propulsion lab

1189

00:50:33,470 --> 00:50:30,089

now what's interesting to me about this

1190

00:50:34,880 --> 00:50:33,480

is that area and Frank can chime in on

1191

00:50:36,620 --> 00:50:34,890

this of course interrupt me at any time

1192

00:50:39,740 --> 00:50:36,630

please to correct me

1193

00:50:44,950 --> 00:50:39,750

I believe that area had to do with the

1194

00:50:52,240 --> 00:50:47,870

and thank you Frank for confirming that

1195

00:50:56,420 --> 00:50:52,250

that area was where the Mars base is now

1196

00:50:59,150 --> 00:50:56,430

what my question is this how in the

1197

00:51:02,839 --> 00:50:59,160

world did Jet Propulsion labs JPL apps

1198

00:51:05,600 --> 00:51:02,849

know to give that those series of

1199

00:51:10,370 --> 00:51:05,610

latitude and longitude number

1200

00:51:13,940 --> 00:51:10,380

and to a remote viewer Mars is a pretty

1201
00:51:17,930 --> 00:51:13,950
big planet wide that area how did they

1202
00:51:19,790 --> 00:51:17,940
know about that area well they were

1203
00:51:23,540 --> 00:51:19,800
suspicious obviously from photographic

1204
00:51:26,420 --> 00:51:23,550
evidence right exactly this really how

1205
00:51:28,490 --> 00:51:26,430
this ties to UFOs is this all all this

1206
00:51:30,980 --> 00:51:28,500
stuff connects together wonderfully if

1207
00:51:32,630 --> 00:51:30,990
you look at the there's something that

1208
00:51:36,350 --> 00:51:32,640
came out recently called the Chris melon

1209
00:51:38,780 --> 00:51:36,360
league and the Chris melon leak has it's

1210
00:51:42,350 --> 00:51:38,790
a congressional briefing it's what they

1211
00:51:44,660 --> 00:51:42,360
were taking it to Congress to brief them

1212
00:51:46,880 --> 00:51:44,670
about the conclusions of a tip the

1213
00:51:51,680 --> 00:51:46,890

advanced aerospace threat identification

1214

00:51:54,680 --> 00:51:51,690

program and they had a series the most

1215

00:51:58,840 --> 00:51:54,690

important page in all of that is what's

1216

00:52:01,160 --> 00:51:58,850

called slide 9 and slide 9 is the

1217

00:52:05,240 --> 00:52:01,170

vulnerabilities of the United States

1218

00:52:08,060 --> 00:52:05,250

based on the study of these craft and

1219

00:52:10,010 --> 00:52:08,070

the abilities that they presented case

1220

00:52:12,770 --> 00:52:10,020

after case after case and these are all

1221

00:52:16,610 --> 00:52:12,780

exclusively military cases and if you

1222

00:52:20,240 --> 00:52:16,620

look at that list on slide 9 they are

1223

00:52:23,740 --> 00:52:20,250

all powers of SCI they are things like

1224

00:52:27,410 --> 00:52:23,750

affecting the minds of decision-makers

1225

00:52:30,500 --> 00:52:27,420

moving objects through physical matter

1226

00:52:32,930 --> 00:52:30,510

and you can see that the CIA reading

1227

00:52:34,550 --> 00:52:32,940

room there's a China has done a

1228

00:52:37,810 --> 00:52:34,560

tremendous amount of work in this area

1229

00:52:39,740 --> 00:52:37,820

and other countries have as well and I

1230

00:52:44,200 --> 00:52:39,750

can't get into too much more than that

1231

00:52:49,700 --> 00:52:44,210

but there's also instantaneous sensor

1232

00:52:54,860 --> 00:52:49,710

disassembly which is the these UFOs were

1233

00:52:57,020 --> 00:52:54,870

not just shutting off different aspects

1234

00:53:00,530 --> 00:52:57,030

of jets and/or nuclear missiles they

1235

00:53:01,940 --> 00:53:00,540

were disassembling physically somehow

1236

00:53:04,460 --> 00:53:01,950

physically things were being

1237

00:53:06,860 --> 00:53:04,470

disassembled and there's a list of these

1238

00:53:09,050 --> 00:53:06,870

things these greatest vulnerabilities

1239

00:53:11,720 --> 00:53:09,060

that the government assess and they are

1240

00:53:13,640 --> 00:53:11,730

all psychic abilities and not only that

1241

00:53:16,700 --> 00:53:13,650

they also said the advantages that the

1242

00:53:18,110 --> 00:53:16,710

US government had and that's one is that

1243

00:53:19,099 --> 00:53:18,120

they had some of the world's premier

1244

00:53:21,620 --> 00:53:19,109

experts

1245

00:53:24,739 --> 00:53:21,630

in these fields and that they had

1246

00:53:26,569 --> 00:53:24,749

locations of repeat occurrences and you

1247

00:53:28,309 --> 00:53:26,579

can imagine what those locations of

1248

00:53:31,999 --> 00:53:28,319

repeat occurrences are things like

1249

00:53:33,620 --> 00:53:32,009

Malmstrom and you know nuclear sites and

1250

00:53:36,920 --> 00:53:33,630

sandy other places where there's a lot

1251
00:53:38,720 --> 00:53:36,930
of nuclear stuff so this all really ties

1252
00:53:42,859 --> 00:53:38,730
together and you have to say to yourself

1253
00:53:44,120 --> 00:53:42,869
if there is a field of some kind that we

1254
00:53:46,339 --> 00:53:44,130
haven't figured out yet

1255
00:53:49,099 --> 00:53:46,349
and it unifies all these different

1256
00:53:50,989 --> 00:53:49,109
abilities you would predict then an

1257
00:53:54,380 --> 00:53:50,999
advanced civilization might know about

1258
00:53:56,529 --> 00:53:54,390
it and utilize it and apparently from

1259
00:53:59,979 --> 00:53:56,539
eight tips conclusions of our greatest

1260
00:54:02,479 --> 00:53:59,989
vulnerabilities it sure looks like

1261
00:54:07,069 --> 00:54:02,489
whatever is messing with all this stuff

1262
00:54:09,009 --> 00:54:07,079
has these different abilities so I think

1263
00:54:10,729 --> 00:54:09,019

if the government takes it seriously

1264

00:54:12,499 --> 00:54:10,739

it's no lark

1265

00:54:14,299 --> 00:54:12,509

these things aren't a lark Frank and I

1266

00:54:17,239 --> 00:54:14,309

aren't fanciful thinking that we can see

1267

00:54:20,180 --> 00:54:17,249

things you know that we can't don't have

1268

00:54:23,120 --> 00:54:20,190

the direct access to non-locally this is

1269

00:54:24,799 --> 00:54:23,130

real I have a question for you so I'm

1270

00:54:26,989 --> 00:54:24,809

going to read you something first will

1271

00:54:29,479 --> 00:54:26,999

take me about one to two minutes to read

1272

00:54:33,370 --> 00:54:29,489

it and then I have a question for you

1273

00:54:36,349 --> 00:54:33,380

regarding it so I'm going to read a

1274

00:54:39,380 --> 00:54:36,359

conversation from the person who is

1275

00:54:42,829 --> 00:54:39,390

holding the index card regarding the

1276

00:54:45,440 --> 00:54:42,839

exact coordinates of bars to the RV

1277

00:54:51,319 --> 00:54:45,450

participant regarding that one million

1278

00:54:55,099 --> 00:54:51,329

years BC session and here's an excerpt

1279

00:54:56,900 --> 00:54:55,109

of it the subject says I'm seeing it's

1280

00:55:00,109 --> 00:54:56,910

like a perception of a shadow people

1281

00:55:03,890 --> 00:55:00,119

very tall then only a shadow it's as if

1282

00:55:06,890 --> 00:55:03,900

they're there and they're not not there

1283

00:55:08,749 --> 00:55:06,900

anymore the monitor then says go back to

1284

00:55:11,779 --> 00:55:08,759

a period of time where they are there

1285

00:55:13,670 --> 00:55:11,789

the subject says I just keep seeing very

1286

00:55:16,460 --> 00:55:13,680

large people they appear thin and tall

1287

00:55:18,829 --> 00:55:16,470

but they're very large wearing some kind

1288

00:55:21,529 --> 00:55:18,839

of strange clothes they're ancient

1289

00:55:24,049 --> 00:55:21,539

people they're uh they're dying it's

1290

00:55:27,079 --> 00:55:24,059

passed or time or age the monitor says

1291

00:55:29,210 --> 00:55:27,089

tell more about this the subject says

1292

00:55:32,570 --> 00:55:29,220

they're very philosophical about it

1293

00:55:35,240 --> 00:55:32,580

they're very philosophical for a way

1294

00:55:37,610 --> 00:55:35,250

survive and they just can't the monitor

1295

00:55:39,920 --> 00:55:37,620

says all right now before you lead this

1296

00:55:42,620 --> 00:55:39,930

individual ask him if there's any way

1297

00:55:45,170 --> 00:55:42,630

that you ask him if he knows who you are

1298

00:55:48,140 --> 00:55:45,180

and is there any way you can help him in

1299

00:55:50,960 --> 00:55:48,150

his present predicament the subject says

1300

00:55:54,290 --> 00:55:50,970

all I get is that they must just wait

1301
00:55:57,230 --> 00:55:54,300
doesn't know who I am think he perceives

1302
00:55:59,450 --> 00:55:57,240
I am a hallucination or something the

1303
00:56:01,460 --> 00:55:59,460
monitor then says go along with them on

1304
00:56:04,760 --> 00:56:01,470
their journey and find out where it is

1305
00:56:06,950 --> 00:56:04,770
they go and the subject ends with saying

1306
00:56:09,620 --> 00:56:06,960
impression of a really crazy place with

1307
00:56:13,130 --> 00:56:09,630
volcanoes and so on now my question to

1308
00:56:17,600 --> 00:56:13,140
you is this when the monitor asks the

1309
00:56:21,050 --> 00:56:17,610
subject to go ahead and communicate 1

1310
00:56:26,000 --> 00:56:21,060
million years ago to a dying race of ETS

1311
00:56:30,320 --> 00:56:26,010
on Mars does that mean that affects the

1312
00:56:33,590 --> 00:56:30,330
timeline for that a planet and for ours

1313
00:56:35,600 --> 00:56:33,600

and how does that work I don't think so

1314

00:56:37,940 --> 00:56:35,610

I think there's been enough experiments

1315

00:56:40,310 --> 00:56:37,950

that have been done that show in terms

1316

00:56:42,020 --> 00:56:40,320

of the mechanics that is a quantum

1317

00:56:47,540 --> 00:56:42,030

collapsed model and not a teleological

1318

00:56:51,080 --> 00:56:47,550

model meaning that you can go backwards

1319

00:56:52,310 --> 00:56:51,090

in time and have a conversation with

1320

00:56:54,950 --> 00:56:52,320

someone but that will be part of that

1321

00:56:58,760 --> 00:56:54,960

time period and it works both directions

1322

00:57:05,240 --> 00:56:58,770

it's all one unified retro causal and

1323

00:57:07,430 --> 00:57:05,250

forward causal equilibrium so that event

1324

00:57:09,770 --> 00:57:07,440

that happened where he it was Joe

1325

00:57:14,390 --> 00:57:09,780

mcmoneagle went backwards to communicate

1326

00:57:16,910 --> 00:57:14,400

with them always happened so now here's

1327

00:57:19,180 --> 00:57:16,920

where it gets a little weird they did a

1328

00:57:21,050 --> 00:57:19,190

series of tests to see which was correct

1329

00:57:22,760 --> 00:57:21,060

teleological means you can go back again

1330

00:57:25,670 --> 00:57:22,770

and again and again and again and keep

1331

00:57:28,610 --> 00:57:25,680

changing and it doesn't matter and they

1332

00:57:32,570 --> 00:57:28,620

did this clever experiment where you

1333

00:57:35,150 --> 00:57:32,580

know they had several different psychics

1334

00:57:37,760 --> 00:57:35,160

going after a target in the past and

1335

00:57:40,340 --> 00:57:37,770

they if it was quantum collapse the

1336

00:57:42,530 --> 00:57:40,350

first psychic would consistently do

1337

00:57:45,140 --> 00:57:42,540

better than the second psychic and if it

1338

00:57:46,340 --> 00:57:45,150

was teleological it would be random so

1339

00:57:49,550 --> 00:57:46,350

they found consist

1340

00:57:51,200 --> 00:57:49,560

I think this was pear labs who did that

1341

00:57:54,980 --> 00:57:51,210

ongoing one of the best research

1342

00:57:58,880 --> 00:57:54,990

projects into into sigh so I think it's

1343

00:58:03,200 --> 00:57:58,890

it's the nature of our of the timeline

1344

00:58:05,000 --> 00:58:03,210

is when you go backwards like that

1345

00:58:06,230 --> 00:58:05,010

especially if you're going by and remote

1346

00:58:07,580 --> 00:58:06,240

viewing you're not going in a body

1347

00:58:10,070 --> 00:58:07,590

you're not changing anything

1348

00:58:12,410 --> 00:58:10,080

dramatically I think it's all

1349

00:58:14,750 --> 00:58:12,420

incorporated in the first time it just

1350

00:58:16,850 --> 00:58:14,760

seems like it's you know because you're

1351

00:58:19,190 --> 00:58:16,860

going backwards in time you feel like

1352

00:58:20,720 --> 00:58:19,200

you're changing something but maybe it's

1353

00:58:24,350 --> 00:58:20,730

always been both of those things

1354

00:58:28,130 --> 00:58:24,360

happening so maybe that extra-tall race

1355

00:58:33,320 --> 00:58:28,140

person has always spoken to you know Joe

1356

00:58:37,130 --> 00:58:33,330

McMullen right yeah I believe I I would

1357

00:58:40,130 --> 00:58:37,140

like to also ask you who determines the

1358

00:58:45,280 --> 00:58:40,140

moral or ethical aspect of remote

1359

00:58:49,820 --> 00:58:45,290

viewing and also the ability to

1360

00:58:52,130 --> 00:58:49,830

manipulate the behavior of people and

1361

00:58:57,230 --> 00:58:52,140

through the power of suggestion and so

1362

00:58:59,240 --> 00:58:57,240

on remotely um it's very important you

1363

00:59:01,550 --> 00:58:59,250

ask it's a very very important question

1364

00:59:04,100 --> 00:59:01,560

because there are sides to this and

1365

00:59:06,200 --> 00:59:04,110

that's why I got upset with Erie just

1366

00:59:08,870 --> 00:59:06,210

trying to use remote influence on a

1367

00:59:11,870 --> 00:59:08,880

leader of a country mm hmm hmm

1368

00:59:14,180 --> 00:59:11,880

I think the Yoga Sutras put it so well

1369

00:59:16,040 --> 00:59:14,190

that this is your gifts in your power

1370

00:59:19,700 --> 00:59:16,050

level comes from walking the path of

1371

00:59:21,680 --> 00:59:19,710

virtue and some of the most powerful and

1372

00:59:23,390 --> 00:59:21,690

wonderful things I do in terms of

1373

00:59:25,820 --> 00:59:23,400

helping people or their lives has

1374

00:59:29,210 --> 00:59:25,830

nothing to do with these abilities mmm

1375

00:59:33,920 --> 00:59:29,220

in their Bronx and to me it's about the

1376

00:59:38,180 --> 00:59:33,930

the walk in the path you know a virtue

1377

00:59:40,700 --> 00:59:38,190

but you know each person has to be their

1378

00:59:42,590 --> 00:59:40,710

own regulator of these things you

1379

00:59:45,800 --> 00:59:42,600

morally know it's like being a gun owner

1380

00:59:47,600 --> 00:59:45,810

this is powerful stuff you have people

1381

00:59:50,480 --> 00:59:47,610

are scared of some of this stuff I'll be

1382

00:59:52,310 --> 00:59:50,490

honest I have an event or just a couple

1383

00:59:54,920 --> 00:59:52,320

events where things were pretty intense

1384

00:59:56,540 --> 00:59:54,930

and some people get scared by this stuff

1385

00:59:58,970 --> 00:59:56,550

some people will look at this as being

1386

00:59:59,810 --> 00:59:58,980

satanic or some people will think just

1387

01:00:02,510 --> 00:59:59,820

because you

1388

01:00:04,400 --> 01:00:02,520

talk to them you can in train with them

1389

01:00:06,500 --> 01:00:04,410

more and maybe you can affect them more

1390

01:00:08,630 --> 01:00:06,510

or if you get mad at them something can

1391

01:00:10,610 --> 01:00:08,640

happen to them and there's case history

1392

01:00:13,040 --> 01:00:10,620

for that there's evidence for that but

1393

01:00:14,950 --> 01:00:13,050

it's just like being responsible with

1394

01:00:17,690 --> 01:00:14,960

anything if you're gonna do something

1395

01:00:20,690 --> 01:00:17,700

like this and you get to a certain level

1396

01:00:22,870 --> 01:00:20,700

you have to be incredibly responsible

1397

01:00:24,020 --> 01:00:22,880

and moral you could I don't Remote View

1398

01:00:25,940 --> 01:00:24,030

friends

1399

01:00:28,400 --> 01:00:25,950

I don't Remote View you know our own

1400

01:00:32,690 --> 01:00:28,410

government I don't you know depending on

1401

01:00:34,880 --> 01:00:32,700

the aspect of it you I would never hurt

1402

01:00:38,510 --> 01:00:34,890

a fly I would never you know it's a

1403

01:00:40,130 --> 01:00:38,520

really important thing for me and I

1404

01:00:43,070 --> 01:00:40,140

think each person is their own little

1405

01:00:44,420 --> 01:00:43,080

moral compass and what they choose to do

1406

01:00:47,240 --> 01:00:44,430

and how they choose to do with these

1407

01:00:49,100 --> 01:00:47,250

abilities will affect the power of the

1408

01:00:51,800 --> 01:00:49,110

strength and the dynamic nature of their

1409

01:00:53,990 --> 01:00:51,810

abilities so if you are good at this

1410

01:00:56,120 --> 01:00:54,000

stuff be careful what you choose to do

1411

01:00:58,040 --> 01:00:56,130

because if you cross the wrong lines

1412

01:00:59,600 --> 01:00:58,050

you're gonna lose the ability I mean

1413

01:01:02,450 --> 01:00:59,610

there's it's story after story after

1414

01:01:06,460 --> 01:01:02,460

story about that yeah I wanted to

1415

01:01:09,530 --> 01:01:06,470

mention the person who actually was the

1416

01:01:13,490 --> 01:01:09,540

individual breeding those set of

1417

01:01:16,010 --> 01:01:13,500

coordinates and that was Robert Monroe

1418

01:01:18,020 --> 01:01:16,020

who you know very well about his history

1419

01:01:20,330 --> 01:01:18,030

the alter consciousness researcher and

1420

01:01:22,130 --> 01:01:20,340

founder of the Monroe Institute which

1421

01:01:24,710 --> 01:01:22,140

you've already talked about

1422

01:01:27,410 --> 01:01:24,720

he was monitor asking the questions of

1423

01:01:30,050 --> 01:01:27,420

the subject for this meeting between he

1424

01:01:31,400 --> 01:01:30,060

and Mick monacle I believe I have to

1425

01:01:35,360 --> 01:01:31,410

look it up but I believe that Mick

1426

01:01:37,270 --> 01:01:35,370

monocle is married to Roberts daughter

1427

01:01:39,380 --> 01:01:37,280

Robert Monroe's daughter Laurie Monroe

1428

01:01:42,080 --> 01:01:39,390

there's a really interesting story about

1429

01:01:44,510 --> 01:01:42,090

Mick monocle as well - he was viewing

1430

01:01:46,370 --> 01:01:44,520

and all of a sudden into the remote

1431

01:01:49,430 --> 01:01:46,380

viewing I I may not have all the details

1432

01:01:51,050 --> 01:01:49,440

correct here there was a UFO and they

1433

01:01:53,330 --> 01:01:51,060

said stop stop stop wait we want you to

1434

01:01:54,980 --> 01:01:53,340

do remote viewing of that UFO mm-hmm

1435

01:01:56,330 --> 01:01:54,990

from a satellite picture and they said

1436

01:01:58,400 --> 01:01:56,340

we want you to remote viewing of the UFO

1437

01:02:04,040 --> 01:01:58,410

so he did and then they asked him to do

1438

01:02:06,050 --> 01:02:04,050

the engine of that UFO and so for a

1439

01:02:08,630 --> 01:02:06,060

while a few years ago I was friends with

1440

01:02:11,560 --> 01:02:08,640

dr. Jack Sarfatti who's well known as

1441

01:02:13,339 --> 01:02:11,570

physicist and kind of a renegade

1442

01:02:18,529 --> 01:02:13,349

physicist

1443

01:02:21,229 --> 01:02:18,539

eat to get that image of that engine and

1444

01:02:23,930 --> 01:02:21,239

so I did a remote viewing of Joe

1445

01:02:26,569 --> 01:02:23,940

mcmoneagle doing her a whole view of the

1446

01:02:28,640 --> 01:02:26,579

engine of that ship so you can do all

1447

01:02:31,249 --> 01:02:28,650

sorts of weird things but you have to do

1448

01:02:32,870 --> 01:02:31,259

it ethically like I said he had an upset

1449

01:02:34,549 --> 01:02:32,880

stomach that day I had all these

1450

01:02:38,329 --> 01:02:34,559

different details about him physically

1451
01:02:40,009 --> 01:02:38,339
and about his target to me that was not

1452
01:02:43,219 --> 01:02:40,019
unethical but the interesting thing

1453
01:02:45,229 --> 01:02:43,229
about that UFO and that the engine

1454
01:02:49,309 --> 01:02:45,239
disking Maddox that he drew they're

1455
01:02:55,579 --> 01:02:49,319
still classified that's passed me when

1456
01:02:57,589 --> 01:02:55,589
we do drew I did want to make a

1457
01:03:00,289 --> 01:02:57,599
correction in that as Monroe's

1458
01:03:02,870 --> 01:03:00,299
stepdaughter Nancy later married Mick

1459
01:03:06,589 --> 01:03:02,880
monocle so that way you know I was able

1460
01:03:11,569 --> 01:03:06,599
to correct that but yes I wanted to also

1461
01:03:14,890 --> 01:03:11,579
ask you do you feel that buddy that it's

1462
01:03:18,559 --> 01:03:14,900
possible that people with extremely

1463
01:03:21,999 --> 01:03:18,569

strong psychic abilities who are also

1464

01:03:25,489 --> 01:03:22,009

able to produce interesting phenomena

1465

01:03:28,509 --> 01:03:25,499

have always over the centuries over the

1466

01:03:32,259 --> 01:03:28,519

eons so to speak try to manipulate

1467

01:03:35,059 --> 01:03:32,269

leaders of countries or leaders of

1468

01:03:36,979 --> 01:03:35,069

social situations that that's just

1469

01:03:40,640 --> 01:03:36,989

something that has happened many times

1470

01:03:45,589 --> 01:03:40,650

over throughout history oh absolutely

1471

01:03:47,539 --> 01:03:45,599

and right now Russian Newsweek has six

1472

01:03:51,650 --> 01:03:47,549

buildings across the country dedicated

1473

01:03:56,059 --> 01:03:51,660

to screaming and training people and I

1474

01:03:58,969 --> 01:03:56,069

have a strong feeling that they utilized

1475

01:04:01,309 --> 01:03:58,979

those groups and those teams often and

1476

01:04:03,259 --> 01:04:01,319

the average society wouldn't you know

1477

01:04:06,019 --> 01:04:03,269

American average American wouldn't think

1478

01:04:08,049 --> 01:04:06,029

all could psychics do well you might be

1479

01:04:10,789 --> 01:04:08,059

really surprised what psychics can do

1480

01:04:13,789 --> 01:04:10,799

and I think there are governments now

1481

01:04:18,249 --> 01:04:13,799

China is well known for utilizing and

1482

01:04:21,079 --> 01:04:18,259

actively using these abilities and

1483

01:04:22,969 --> 01:04:21,089

training people so you know the United

1484

01:04:25,309 --> 01:04:22,979

States is very far behind in terms of

1485

01:04:27,289 --> 01:04:25,319

this stuff I think it's very real I

1486

01:04:32,539 --> 01:04:27,299

think it's a logical extension of the

1487

01:04:36,469 --> 01:04:32,549

- slit experiment and that hopefully our

1488

01:04:39,499 --> 01:04:36,479

government is using this stuff and at

1489

01:04:42,549 --> 01:04:39,509

least to counter some of the negative

1490

01:04:45,349 --> 01:04:42,559

stuff that's being done against us but

1491

01:04:47,089 --> 01:04:45,359

there's active groups all over the world

1492

01:04:49,069 --> 01:04:47,099

now and I think that it's always been

1493

01:04:53,479 --> 01:04:49,079

done you know I think there's been sages

1494

01:04:57,259 --> 01:04:53,489

and shamans throughout history even you

1495

01:04:58,789 --> 01:04:57,269

know from Egyptian priests who would use

1496

01:05:01,759 --> 01:04:58,799

these abilities in all sorts of

1497

01:05:05,409 --> 01:05:01,769

different ways King Arthur had Merlin

1498

01:05:08,569 --> 01:05:05,419

and that's a classic stereotype of that

1499

01:05:10,459 --> 01:05:08,579

person with abilities who stood by a big

1500

01:05:12,829 --> 01:05:10,469

leader and big leaders have oftentimes

1501

01:05:19,399 --> 01:05:12,839

seen the value like you were saying with

1502

01:05:22,069 --> 01:05:19,409

with the Hitler and and Messer it's a

1503

01:05:25,130 --> 01:05:22,079

fascinating question and the

1504

01:05:28,189 --> 01:05:25,140

implications are startling and I know

1505

01:05:30,979 --> 01:05:28,199

Jeane Dixon was a pretty famous psychic

1506

01:05:33,409 --> 01:05:30,989

in the 60s through the 70s and she used

1507

01:05:36,679 --> 01:05:33,419

to get into the White House and Reagan

1508

01:05:38,509 --> 01:05:36,689

had his own personal astrologer yes and

1509

01:05:42,379 --> 01:05:38,519

you know what if you watch the Russell

1510

01:05:45,229 --> 01:05:42,389

togs new movie a third eye spies gene

1511

01:05:47,719 --> 01:05:45,239

where they asked Jimmy Carter and he

1512

01:05:50,689 --> 01:05:47,729

says the most amazing thing he saw in

1513

01:05:54,139 --> 01:05:50,699

his presidency was the work of this

1514

01:05:56,569 --> 01:05:54,149

group of psychics that's pretty darn

1515

01:05:58,489 --> 01:05:56,579

cool yeah I know that was the one thing

1516

01:06:02,269 --> 01:05:58,499

that really blew his mind was there was

1517

01:06:04,429 --> 01:06:02,279

a a Soviet spy plane that went down you

1518

01:06:06,949 --> 01:06:04,439

know basically in the jungle in Africa

1519

01:06:08,749 --> 01:06:06,959

and they couldn't find it but yet the

1520

01:06:10,309 --> 01:06:08,759

remote viewers found it now we talked

1521

01:06:12,469 --> 01:06:10,319

with the Alexander about that a little

1522

01:06:14,870 --> 01:06:12,479

bit and that is a pretty interesting

1523

01:06:16,759 --> 01:06:14,880

story and it's also very interesting

1524

01:06:19,129 --> 01:06:16,769

because a lot gets talking-to talked

1525

01:06:21,169 --> 01:06:19,139

about these days about crash retrievals

1526

01:06:23,989 --> 01:06:21,179

you know I supposedly UFO crash

1527

01:06:26,929 --> 01:06:23,999

retrievals but the US has always gone to

1528

01:06:28,669 --> 01:06:26,939

great lengths to try to pick up but the

1529

01:06:30,319 --> 01:06:28,679

other guy stuff and of course I'd get

1530

01:06:32,899 --> 01:06:30,329

our own stuff back in hands anything

1531

01:06:35,449 --> 01:06:32,909

that comes down now there's the story

1532

01:06:36,649 --> 01:06:35,459

about the Soviet spy plane and I don't

1533

01:06:38,899 --> 01:06:36,659

know if you're all enough buddy to

1534

01:06:41,120 --> 01:06:38,909

remember the Glomar Explorer the Howard

1535

01:06:43,190 --> 01:06:41,130

Laurie ship that the

1536

01:06:45,769 --> 01:06:43,200

called a Soviet sub off the Pacific

1537

01:06:47,420 --> 01:06:45,779

ocean floor they spent a lot of money I

1538

01:06:49,490 --> 01:06:47,430

was that's an incredible story no

1539

01:06:50,990 --> 01:06:49,500

psychic work there but they knew where

1540

01:06:52,730 --> 01:06:51,000

the sub was it was just a question of

1541

01:06:54,920 --> 01:06:52,740

getting down to the bottom of the ocean

1542

01:06:57,890 --> 01:06:54,930

and getting it and he uses company

1543

01:07:00,259 --> 01:06:57,900

designed to ship and they got well at

1544

01:07:02,240 --> 01:07:00,269

least they got part of it anyway and to

1545

01:07:04,160 --> 01:07:02,250

me you know all this discussion and

1546

01:07:06,140 --> 01:07:04,170

these abilities are about human

1547

01:07:07,460 --> 01:07:06,150

potential and in the United States

1548

01:07:09,380 --> 01:07:07,470

there's a lot of fear because of

1549

01:07:11,480 --> 01:07:09,390

religion people you know are fearful of

1550

01:07:12,859 --> 01:07:11,490

UFOs because it could be satanic people

1551
01:07:14,839 --> 01:07:12,869
are fearful these abilities because they

1552
01:07:17,480 --> 01:07:14,849
could be satanic but what this is really

1553
01:07:18,890 --> 01:07:17,490
about is human potential and we know

1554
01:07:21,279 --> 01:07:18,900
that we're in the middle of a mass

1555
01:07:25,279 --> 01:07:21,289
extinction there's no doubt about it

1556
01:07:26,509 --> 01:07:25,289
there is a great adversity potential in

1557
01:07:30,559 --> 01:07:26,519
the future of all these different

1558
01:07:33,710 --> 01:07:30,569
adversities and coming together and we

1559
01:07:36,440 --> 01:07:33,720
need to and we should unlock our

1560
01:07:38,599 --> 01:07:36,450
children's potential so that they can

1561
01:07:41,870 --> 01:07:38,609
remake the future how they want to with

1562
01:07:44,660 --> 01:07:41,880
these abilities they can maybe survive

1563
01:07:48,049 --> 01:07:44,670

better than they would without these

1564

01:07:49,579 --> 01:07:48,059

abilities and you would mention in our

1565

01:07:52,069 --> 01:07:49,589

notes back and forth before getting this

1566

01:07:54,499 --> 01:07:52,079

together about the fractal universe

1567

01:07:56,269 --> 01:07:54,509

model and to be honest I don't know

1568

01:07:57,220 --> 01:07:56,279

anything about it so I want to tell us

1569

01:07:59,630 --> 01:07:57,230

all about it

1570

01:08:05,329 --> 01:07:59,640

well basically then our universe is an

1571

01:08:07,309 --> 01:08:05,339

interactive universe it's it's it

1572

01:08:08,900 --> 01:08:07,319

responds to consciousness a lot of

1573

01:08:11,539 --> 01:08:08,910

people say Oh consciousness is primary

1574

01:08:14,599 --> 01:08:11,549

or matter and energy is primary but no

1575

01:08:16,249 --> 01:08:14,609

it's actually a tapestry you cannot

1576

01:08:17,930 --> 01:08:16,259

conceive of one without the other you

1577

01:08:18,860 --> 01:08:17,940

cannot have consciousness without Madame

1578

01:08:20,870 --> 01:08:18,870

you can't have mater without

1579

01:08:22,910 --> 01:08:20,880

consciousness it has no meaning and so

1580

01:08:23,390 --> 01:08:22,920

it's a tapestry so if you touch this

1581

01:08:25,669 --> 01:08:23,400

part

1582

01:08:29,530 --> 01:08:25,679

it affects consciousness you could feel

1583

01:08:31,340 --> 01:08:29,540

it and whether you take a very strict

1584

01:08:33,769 --> 01:08:31,350

interpretation of the fractal aspect

1585

01:08:35,749 --> 01:08:33,779

like for example look at a mental broad

1586

01:08:37,430 --> 01:08:35,759

set and if you look at an image of the

1587

01:08:40,550 --> 01:08:37,440

Mandelbrot set there's a lot of other

1588

01:08:43,820 --> 01:08:40,560

identical little Mandelbrot's just over

1589

01:08:46,430 --> 01:08:43,830

the horizon and maybe we're resonating

1590

01:08:48,140 --> 01:08:46,440

with another you know universe that's

1591

01:08:50,660 --> 01:08:48,150

just like our Mandelbrot set but just

1592

01:08:53,510 --> 01:08:50,670

over the horizon but regardless this

1593

01:08:55,099 --> 01:08:53,520

universe is certainly interactive and

1594

01:08:57,620 --> 01:08:55,109

it's been made that

1595

01:08:59,269 --> 01:08:57,630

on purpose consciousness affects reality

1596

01:09:00,680 --> 01:08:59,279

we know from the two-slit experiment and

1597

01:09:03,820 --> 01:09:00,690

a bunch of different types of

1598

01:09:07,729 --> 01:09:03,830

experiments that reality leaps into

1599

01:09:14,180 --> 01:09:07,739

action when consciousness observes it

1600

01:09:17,059 --> 01:09:14,190

and so for example it's conceivable that

1601

01:09:19,840 --> 01:09:17,069

a lot of these locations and places and

1602

01:09:22,729 --> 01:09:19,850

hauntings and events could be made and

1603

01:09:29,109 --> 01:09:22,739

constructed by consciousness and not

1604

01:09:32,180 --> 01:09:29,119

even known turns McKenna believe this a

1605

01:09:36,260 --> 01:09:32,190

lot of the great thinkers Jacques Vallee

1606

01:09:39,890 --> 01:09:36,270

has this very strong belief in this Jung

1607

01:09:42,260 --> 01:09:39,900

believed this as well - and basically

1608

01:09:45,859 --> 01:09:42,270

what could happen is let's take this as

1609

01:09:48,499 --> 01:09:45,869

an example let's say that a person has

1610

01:09:50,599 --> 01:09:48,509

we'll call them a PK displayer a

1611

01:09:52,579 --> 01:09:50,609

psychokinesis displayer and this is

1612

01:09:54,830 --> 01:09:52,589

someone who has the ability to affect

1613

01:09:58,010 --> 01:09:54,840

space and time a little bit more than

1614

01:10:00,290 --> 01:09:58,020

the average person okay and if you look

1615

01:10:02,810 --> 01:10:00,300

at a lot of the work of dr. Kate green

1616

01:10:05,050 --> 01:10:02,820

he talks a lot about prodigious savants

1617

01:10:08,060 --> 01:10:05,060

with these brain injuries and UFO

1618

01:10:10,070 --> 01:10:08,070

incidents and radiation exposures okay

1619

01:10:13,640 --> 01:10:10,080

and for some weird reason it was a lot

1620

01:10:15,919 --> 01:10:13,650

of prodigious savants and what if you

1621

01:10:19,160 --> 01:10:15,929

have a prodigious savant who's under a

1622

01:10:20,720 --> 01:10:19,170

tremendous amount of pressure you bottle

1623

01:10:26,629 --> 01:10:20,730

them up they have no spiritual release

1624

01:10:31,280 --> 01:10:26,639

and things can happen for example you

1625

01:10:33,439 --> 01:10:31,290

are a ball turret gunner and a b-52 on

1626

01:10:34,419 --> 01:10:33,449

your second to last mission in World War

1627

01:10:38,479 --> 01:10:34,429

two

1628

01:10:41,990 --> 01:10:38,489

poof Foo Fighters you are part of a

1629

01:10:44,660 --> 01:10:42,000

group of religious zealots who are with

1630

01:10:46,850 --> 01:10:44,670

three young women who say that that

1631

01:10:48,970 --> 01:10:46,860

events gonna happen and you're

1632

01:10:55,250 --> 01:10:48,980

surrounded by other religious believers

1633

01:10:57,439 --> 01:10:55,260

poof Fatima you are a operator of a

1634

01:10:59,899 --> 01:10:57,449

nuclear missile launch site where your

1635

01:11:03,800 --> 01:10:59,909

finger literally determines the fate of

1636

01:11:06,490 --> 01:11:03,810

humanity one button push of you and

1637

01:11:07,850 --> 01:11:06,500

you're down underground in this hole

1638

01:11:13,310 --> 01:11:07,860

poof

1639

01:11:14,840 --> 01:11:13,320

Malmstrom UFOs repeat cases you can look

1640

01:11:17,270 --> 01:11:14,850

at a lot of these cases throughout

1641

01:11:20,300 --> 01:11:17,280

history locations that have repeat

1642

01:11:25,700 --> 01:11:20,310

occurrences and they could strictly just

1643

01:11:28,070 --> 01:11:25,710

be based on belief alone and that acts

1644

01:11:30,859 --> 01:11:28,080

as kind of like a magic feather for

1645

01:11:36,530 --> 01:11:30,869

people to unleash these psychokinetic

1646

01:11:39,500 --> 01:11:36,540

abilities so it sounds outrageous but

1647

01:11:40,970 --> 01:11:39,510

you could go to a haunted location that

1648

01:11:43,939 --> 01:11:40,980

there's a lot of places that are haunted

1649

01:11:45,520 --> 01:11:43,949

for generations and how could that you

1650

01:11:49,129 --> 01:11:45,530

know how could that be well maybe

1651

01:11:50,689 --> 01:11:49,139

they're oftentimes the when they first

1652

01:11:53,540 --> 01:11:50,699

noticed these locations is a young

1653

01:11:55,330 --> 01:11:53,550

person who's like disturbed and they are

1654

01:11:58,129 --> 01:11:55,340

oftentimes credited later on with

1655

01:11:59,990 --> 01:11:58,139

creating these hauntings or movements of

1656

01:12:02,990 --> 01:12:00,000

objects and things like that but its

1657

01:12:05,629 --> 01:12:03,000

location is very haunted just the

1658

01:12:09,590 --> 01:12:05,639

reputation might make other people

1659

01:12:12,709 --> 01:12:09,600

believe that there's a famous ranch out

1660

01:12:14,209 --> 01:12:12,719

there there are people believe all these

1661

01:12:19,580 --> 01:12:14,219

things all the way back to the natives

1662

01:12:22,189 --> 01:12:19,590

and maybe it's just the belief that it's

1663

01:12:25,310 --> 01:12:22,199

haunted or that it's special or that

1664

01:12:27,050 --> 01:12:25,320

it's thin that makes these things makes

1665

01:12:29,060 --> 01:12:27,060

these people who are prodigious savants

1666

01:12:31,280 --> 01:12:29,070

under pressure and a bunch of other

1667

01:12:33,859 --> 01:12:31,290

factors that come together to allow

1668

01:12:35,689 --> 01:12:33,869

these major psychokinetic effects so

1669

01:12:37,970 --> 01:12:35,699

that's part of the interactive universe

1670

01:12:43,879 --> 01:12:37,980

model that our universe can do things

1671

01:12:46,070 --> 01:12:43,889

that we don't fully acknowledge now

1672

01:12:48,560 --> 01:12:46,080

because we don't truly understand the

1673

01:12:50,419 --> 01:12:48,570

nature of how reality is a combination

1674

01:12:55,970 --> 01:12:50,429

of consciousness and space time and

1675

01:12:58,820 --> 01:12:55,980

matter and energy so you might be a lot

1676
01:13:01,700 --> 01:12:58,830
more powerful than you think your brain

1677
01:13:04,700 --> 01:13:01,710
and your feelings and your sentiments

1678
01:13:07,129 --> 01:13:04,710
might imprint on reality more than you

1679
01:13:09,260 --> 01:13:07,139
think so every time you think a negative

1680
01:13:11,840 --> 01:13:09,270
thought it could really be affecting the

1681
01:13:14,149 --> 01:13:11,850
world every time you think a positive

1682
01:13:16,520 --> 01:13:14,159
loving warm thought it really could be

1683
01:13:20,440 --> 01:13:16,530
affecting the world - the butterfly

1684
01:13:22,900 --> 01:13:20,450
effect mmm the butterfly effect

1685
01:13:26,460 --> 01:13:22,910
absolutely you know prayers of healing

1686
01:13:29,500 --> 01:13:26,470
to help work we know that from science

1687
01:13:31,750 --> 01:13:29,510
so um we know a mind can affect matter

1688
01:13:33,760 --> 01:13:31,760

and so I just think everyone really

1689

01:13:36,580 --> 01:13:33,770

needs to take responsibility for their

1690

01:13:39,130 --> 01:13:36,590

consciousness and even if they're

1691

01:13:41,950 --> 01:13:39,140

depressed and down you know negative

1692

01:13:44,740 --> 01:13:41,960

feelings affect our world I strongly

1693

01:13:47,500 --> 01:13:44,750

believe and so do those positive

1694

01:13:48,790 --> 01:13:47,510

feelings I have a question not for you

1695

01:13:52,480 --> 01:13:48,800

buddy I'm sorry to interrupt but I

1696

01:13:55,420 --> 01:13:52,490

wanted to know because China had a study

1697

01:13:57,940 --> 01:13:55,430

that got out some reporters found out

1698

01:13:59,860 --> 01:13:57,950

about it they covered it in Omni while

1699

01:14:05,590 --> 01:13:59,870

back it's called China's psychic

1700

01:14:10,030 --> 01:14:05,600

children and yeah and so just an excerpt

1701

01:14:12,340 --> 01:14:10,040

from it I'll read a quote it says that a

1702

01:14:13,570 --> 01:14:12,350

group from Beijing teacher training

1703

01:14:15,370 --> 01:14:13,580

institute announced that its young

1704

01:14:17,800 --> 01:14:15,380

charges could cause an operating

1705

01:14:19,540 --> 01:14:17,810

operating radio transmitter to disappear

1706

01:14:24,850 --> 01:14:19,550

from one room and show up in another and

1707

01:14:31,030 --> 01:14:24,860

also wanted to mention that these kids

1708

01:14:33,820 --> 01:14:31,040

were given Chinese characters to read by

1709

01:14:36,430 --> 01:14:33,830

putting them a Chinese set of Chinese

1710

01:14:39,400 --> 01:14:36,440

characters in their armpit area and they

1711

01:14:44,530 --> 01:14:39,410

were able to read the characters just

1712

01:14:46,900 --> 01:14:44,540

fine or actually reading the the by 85%

1713

01:14:51,510 --> 01:14:46,910

by the way and then also another

1714

01:14:55,030 --> 01:14:51,520

experiment they scored 91% rate on

1715

01:14:56,920 --> 01:14:55,040

hidden messages in a separate study and

1716

01:14:58,840 --> 01:14:56,930

also the color of the pencil used to

1717

01:15:01,060 --> 01:14:58,850

write each message when they were

1718

01:15:03,610 --> 01:15:01,070

writing these Chinese characters not

1719

01:15:05,020 --> 01:15:03,620

only that they have high-speed film and

1720

01:15:08,110 --> 01:15:05,030

this is in the CIA reading room and

1721

01:15:12,640 --> 01:15:08,120

there's even some snapping up of their

1722

01:15:14,980 --> 01:15:12,650

ability to move objects into a safe into

1723

01:15:17,260 --> 01:15:14,990

a test tube or out of the test tube and

1724

01:15:19,090 --> 01:15:17,270

out of the safe all right I just put

1725

01:15:21,370 --> 01:15:19,100

that link into our chat room by the way

1726

01:15:23,230 --> 01:15:21,380

regarding what we're talking about here

1727

01:15:25,570 --> 01:15:23,240

so my question to you is this

1728

01:15:30,840 --> 01:15:25,580

since there's countries that have money

1729

01:15:36,830 --> 01:15:33,820

right exactly our money

1730

01:15:39,260 --> 01:15:36,840

which is an understatement since we know

1731

01:15:42,379 --> 01:15:39,270

that they are a first world country and

1732

01:15:48,350 --> 01:15:42,389

there are superpower and they have

1733

01:15:52,939 --> 01:15:48,360

access to super psychics so to speak is

1734

01:15:56,379 --> 01:15:52,949

it not a rational to imagine that they

1735

01:15:59,570 --> 01:15:56,389

could be using these kids for weapons

1736

01:16:01,760 --> 01:15:59,580

weaponizing them so to speak against

1737

01:16:04,899 --> 01:16:01,770

other countries or to find out anything

1738

01:16:08,270 --> 01:16:04,909

about our country and so on absolutely

1739

01:16:11,390 --> 01:16:08,280

and so is Russia and I believe I've got

1740

01:16:12,860 --> 01:16:11,400

all sorts of beliefs and I've done a lot

1741

01:16:17,629 --> 01:16:12,870

of a personal investigation on this

1742

01:16:20,660 --> 01:16:17,639

stuff and I think there are astonishing

1743

01:16:22,220 --> 01:16:20,670

things that have been done I'm sorry I

1744

01:16:23,720 --> 01:16:22,230

finish up and I've got a question for

1745

01:16:26,990 --> 01:16:23,730

you a little follow-up there no I just

1746

01:16:28,220 --> 01:16:27,000

think the Russians have done an amazing

1747

01:16:30,919 --> 01:16:28,230

amount of different things with them and

1748

01:16:32,419 --> 01:16:30,929

of course they they wanted Trump to be

1749

01:16:34,640 --> 01:16:32,429

elected and they utilized every

1750

01:16:36,320 --> 01:16:34,650

different ability they had and psychic

1751

01:16:38,930 --> 01:16:36,330

ability was part of that as well

1752

01:16:40,760 --> 01:16:38,940

God all right you had mentioned kid

1753

01:16:43,160 --> 01:16:40,770

green earlier and he spent a good bit of

1754

01:16:44,840 --> 01:16:43,170

time actually living over there in China

1755

01:16:47,899 --> 01:16:44,850

for my understanding and not working

1756

01:16:49,820 --> 01:16:47,909

with them on a different psychic type

1757

01:16:55,220 --> 01:16:49,830

experiments and I was wondering what you

1758

01:16:57,500 --> 01:16:55,230

thought about that I just know that

1759

01:16:59,870 --> 01:16:57,510

there the psychic ability of the Chinese

1760

01:17:01,640 --> 01:16:59,880

and the Russians is very real and that

1761

01:17:05,360 --> 01:17:01,650

you know for Russia to have six

1762

01:17:08,780 --> 01:17:05,370

buildings across the country it that

1763

01:17:13,040 --> 01:17:08,790

would they screen train and then go

1764

01:17:15,919 --> 01:17:13,050

operational says a lot what are they

1765

01:17:17,780 --> 01:17:15,929

doing in those operations you can

1766

01:17:19,399 --> 01:17:17,790

imagine a lot of positive things we

1767

01:17:21,979 --> 01:17:19,409

could do with these abilities the other

1768

01:17:23,570 --> 01:17:21,989

day I did a remote viewing about Otzi

1769

01:17:27,350 --> 01:17:23,580

the famous

1770

01:17:29,660 --> 01:17:27,360

mummy these abilities can be used and

1771

01:17:31,100 --> 01:17:29,670

have been used for archeology they've

1772

01:17:34,729 --> 01:17:31,110

been used for all sorts of different

1773

01:17:37,370 --> 01:17:34,739

things and we could just it's so much

1774

01:17:38,689 --> 01:17:37,380

untapped possibility here and that's why

1775

01:17:41,810 --> 01:17:38,699

I think it's really important to start

1776

01:17:45,950 --> 01:17:41,820

with the kids and I think if we taught

1777

01:17:47,209 --> 01:17:45,960

kids that by using their empathy they

1778

01:17:50,200 --> 01:17:47,219

could have magic

1779

01:17:52,610 --> 01:17:50,210

I don't have another school shooting I

1780

01:17:55,280 --> 01:17:52,620

think if kids really knew that they

1781

01:17:59,090 --> 01:17:55,290

could you with empathy connecting

1782

01:18:01,970 --> 01:17:59,100

resonating that they could have real

1783

01:18:04,670 --> 01:18:01,980

superpowers that we would have a better

1784

01:18:08,090 --> 01:18:04,680

country a better future and they would

1785

01:18:10,280 --> 01:18:08,100

have a better chance you know I I'm

1786

01:18:11,750 --> 01:18:10,290

strong believer I know it's pessimistic

1787

01:18:13,580 --> 01:18:11,760

I know a lot of people think of magic

1788

01:18:16,189 --> 01:18:13,590

magical waves going to come through the

1789

01:18:18,890 --> 01:18:16,199

universe and turn sociopaths into tree

1790

01:18:21,830 --> 01:18:18,900

huggers but I believe that there is a

1791

01:18:23,900 --> 01:18:21,840

convergence of eschatological dangers

1792

01:18:27,140 --> 01:18:23,910

not just one or two but a whole bunch of

1793

01:18:31,430 --> 01:18:27,150

these dangers and that we have to be as

1794

01:18:33,860 --> 01:18:31,440

prepared as DNA and and material of all

1795

01:18:36,830 --> 01:18:33,870

the biological life-forms and storing it

1796

01:18:38,090 --> 01:18:36,840

and leaving with it the all that you put

1797

01:18:40,220 --> 01:18:38,100

those pieces of information together

1798

01:18:43,070 --> 01:18:40,230

there you can draw your own conclusion

1799

01:18:47,120 --> 01:18:43,080

what they think is going to happen or is

1800

01:18:48,590 --> 01:18:47,130

happening and I know please go ahead no

1801
01:18:51,680 --> 01:18:48,600
I want to hear the rest of what you have

1802
01:18:54,380 --> 01:18:51,690
to say please I think it's obvious that

1803
01:18:57,470 --> 01:18:54,390
these crafts didn't crash because we

1804
01:18:59,300 --> 01:18:57,480
shot them down or poorly constructed

1805
01:19:02,930 --> 01:18:59,310
they flat across the universe and crash

1806
01:19:05,780 --> 01:19:02,940
I think they're doing them they're

1807
01:19:07,700 --> 01:19:05,790
faking it they cracked it's craft so

1808
01:19:11,600 --> 01:19:07,710
that we can have the advanced technology

1809
01:19:15,520 --> 01:19:11,610
so some of us the humans that leave the

1810
01:19:17,689 --> 01:19:15,530
planet ahead of the schedule that

1811
01:19:19,580 --> 01:19:17,699
unfortunately we're not going to make if

1812
01:19:23,000 --> 01:19:19,590
we did it naturally they had kind of

1813
01:19:26,420 --> 01:19:23,010

break the you know the golden rule of

1814

01:19:28,340 --> 01:19:26,430

non-intervention and so therefore

1815

01:19:30,760 --> 01:19:28,350

they're they've taught every country a

1816

01:19:34,430 --> 01:19:30,770

little bit about this technology

1817

01:19:36,470 --> 01:19:34,440

experiencers people who are picked up by

1818

01:19:38,870 --> 01:19:36,480

these crafts are oftentimes taught how

1819

01:19:41,090 --> 01:19:38,880

to fly the craft but not only how to fly

1820

01:19:44,810 --> 01:19:41,100

the craft how to fly multiple drones

1821

01:19:46,189 --> 01:19:44,820

from the craft as well so I believe that

1822

01:19:49,130 --> 01:19:46,199

there's a very good possibility that

1823

01:19:53,689 --> 01:19:49,140

these this advanced these advanced

1824

01:19:57,620 --> 01:19:53,699

intelligences are dropping these crafts

1825

01:19:59,150 --> 01:19:57,630

around the world so that some of us and

1826
01:20:00,339 --> 01:19:59,160
it won't be you know the average broke

1827
01:20:02,889 --> 01:20:00,349
person

1828
01:20:05,049 --> 01:20:02,899
it'll be the elite in governments and

1829
01:20:07,689 --> 01:20:05,059
you know top people like that they will

1830
01:20:09,669 --> 01:20:07,699
get to be able to leave the planet at

1831
01:20:14,859 --> 01:20:09,679
some point but other people have to stay

1832
01:20:16,779 --> 01:20:14,869
and fight and I want to stay and fight

1833
01:20:18,819 --> 01:20:16,789
and I think we needed these abilities I

1834
01:20:20,469 --> 01:20:18,829
think we need to unlock them and not be

1835
01:20:24,009 --> 01:20:20,479
fearful that it's you know it's a

1836
01:20:26,649 --> 01:20:24,019
satanic or you not let the you know I'm

1837
01:20:28,809 --> 01:20:26,659
a believer in God you know I'm a I'm a

1838
01:20:32,079 --> 01:20:28,819

believer in Christ as well too so for me

1839

01:20:33,939 --> 01:20:32,089

all of this stuff has a context in there

1840

01:20:36,489 --> 01:20:33,949

so it's surprising when people use

1841

01:20:39,549 --> 01:20:36,499

religion against UFOs and against these

1842

01:20:42,879 --> 01:20:39,559

abilities but I think we're in very

1843

01:20:45,309 --> 01:20:42,889

trouble troubling times I wanted to

1844

01:20:46,959 --> 01:20:45,319

mention an interesting author by the

1845

01:20:49,659 --> 01:20:46,969

name of Peter moon who I will be

1846

01:20:52,569 --> 01:20:49,669

interviewing I believe it's next month

1847

01:20:58,629 --> 01:20:52,579

and he wrote an interesting series of

1848

01:21:01,089 --> 01:20:58,639

books about Montauk New York and I'm

1849

01:21:02,770 --> 01:21:01,099

sorry Montauk Island and there's a

1850

01:21:07,169 --> 01:21:02,780

character in there by the name of Duncan

1851

01:21:10,989 --> 01:21:07,179

Cameron he's well-known and he said that

1852

01:21:13,239 --> 01:21:10,999

regarding the Montauk Project raw sexual

1853

01:21:15,939 --> 01:21:13,249

energy was used to ignite the psychic

1854

01:21:19,509 --> 01:21:15,949

energetic levels of the experiments

1855

01:21:21,579 --> 01:21:19,519

performed I actually can't read the rest

1856

01:21:26,229 --> 01:21:21,589

of that because it's not a good idea but

1857

01:21:29,409 --> 01:21:26,239

the whole purpose fully done here with

1858

01:21:32,619 --> 01:21:29,419

intention sexual energy is created in

1859

01:21:37,000 --> 01:21:32,629

order for a person who practices remote

1860

01:21:40,569 --> 01:21:37,010

viewing ability or psychic abilities in

1861

01:21:43,959 --> 01:21:40,579

whatever manner they choose to use them

1862

01:21:46,689 --> 01:21:43,969

is ever used and used effectively in

1863

01:21:49,389 --> 01:21:46,699

other words is sexual energy ever used

1864

01:21:53,289 --> 01:21:49,399

as a tool and can it be used in

1865

01:21:55,329 --> 01:21:53,299

effective manner to be able to travel

1866

01:21:58,719 --> 01:21:55,339

through time with your mind to go

1867

01:21:59,679 --> 01:21:58,729

backwards and forwards etc how do you

1868

01:22:03,159 --> 01:21:59,689

feel about that

1869

01:22:05,439 --> 01:22:03,169

I say no I think it's a distraction I

1870

01:22:07,089 --> 01:22:05,449

think you have to you know steal your

1871

01:22:08,649 --> 01:22:07,099

mind like the surface of a lake in order

1872

01:22:11,279 --> 01:22:08,659

to you know make you have these places

1873

01:22:13,690 --> 01:22:11,289

and times and stuff come to you and

1874

01:22:15,070 --> 01:22:13,700

sexual energy is oftentimes a big

1875

01:22:17,460 --> 01:22:15,080

distraction of all that stuff it's

1876

01:22:20,050 --> 01:22:17,470

empowered by these very materialistic

1877

01:22:23,170 --> 01:22:20,060

physical hormones and things in a

1878

01:22:26,200 --> 01:22:23,180

biological necessity and although people

1879

01:22:29,170 --> 01:22:26,210

like Ingo Swan wrote penetration it was

1880

01:22:32,070 --> 01:22:29,180

not really about sex it was about the

1881

01:22:35,500 --> 01:22:32,080

act of going underneath going in

1882

01:22:37,840 --> 01:22:35,510

connecting empathy all these different

1883

01:22:40,930 --> 01:22:37,850

things so you know for me sexual energy

1884

01:22:42,370 --> 01:22:40,940

is a very human kind of a thing and I

1885

01:22:45,190 --> 01:22:42,380

don't believe in any of the Montauk

1886

01:22:50,140 --> 01:22:45,200

stuff I'm a very non conspiracy guy you

1887

01:22:52,120 --> 01:22:50,150

know a Nazi reptilians or one who does

1888

01:22:54,130 --> 01:22:52,130

you know I don't blame them and I could

1889

01:22:56,020 --> 01:22:54,140

be wrong on any of my thoughts and my

1890

01:22:58,870 --> 01:22:56,030

beliefs I accept that that possibility

1891

01:23:01,630 --> 01:22:58,880

but I'd like to be as grounded as I can

1892

01:23:04,180 --> 01:23:01,640

right and I'm glad you you feel that way

1893

01:23:09,490 --> 01:23:04,190

now I had another question for you

1894

01:23:12,220 --> 01:23:09,500

that's gonna disappoint you and that is

1895

01:23:14,080 --> 01:23:12,230

Aleister Crowley the most wicked man on

1896

01:23:16,210 --> 01:23:14,090

the planet as he was described the

1897

01:23:18,880 --> 01:23:16,220

wickedest man in the world according to

1898

01:23:21,280 --> 01:23:18,890

reports cruelly himself had used use the

1899

01:23:24,190 --> 01:23:21,290

practice of sexual magic in order to

1900

01:23:25,930 --> 01:23:24,200

manipulate time itself communicate with

1901

01:23:27,430 --> 01:23:25,940

disembody entities and to travel

1902

01:23:30,370 --> 01:23:27,440

inter-dimensionally by the way I'm

1903

01:23:33,430 --> 01:23:30,380

reading that from an article so I wanted

1904

01:23:36,280 --> 01:23:33,440

to know the these famous people these

1905

01:23:41,380 --> 01:23:36,290

iconic people who allegedly use this

1906

01:23:43,750 --> 01:23:41,390

kind of yep what what is your what is

1907

01:23:45,850 --> 01:23:43,760

your belief system I think I can already

1908

01:23:48,280 --> 01:23:45,860

guess but I wanted you to please give us

1909

01:23:50,920 --> 01:23:48,290

your opinion in your perspective on that

1910

01:23:53,200 --> 01:23:50,930

well first off it was very powerful he

1911

01:23:56,680 --> 01:23:53,210

was very very gifted and stuff like that

1912

01:23:59,140 --> 01:23:56,690

but I think the sexuality is had just he

1913

01:24:02,620 --> 01:23:59,150

was just a horny dude God looking to get

1914

01:24:04,810 --> 01:24:02,630

laid basically so you didn't get all of

1915

01:24:06,700 --> 01:24:04,820

his energy from sexuality I think he got

1916

01:24:09,310 --> 01:24:06,710

his energy from his mind actually the

1917

01:24:11,680 --> 01:24:09,320

exact opposite but sometimes people are

1918

01:24:13,720 --> 01:24:11,690

compelled and driven as a human being by

1919

01:24:15,940 --> 01:24:13,730

their sexualities and those are

1920

01:24:18,640 --> 01:24:15,950

oftentimes lumped and mixed and used as

1921

01:24:21,370 --> 01:24:18,650

a manipulation to get more sex you know

1922

01:24:24,400 --> 01:24:21,380

I'm thankful that I'm 50 and not you

1923

01:24:27,540 --> 01:24:24,410

know have as good of abilities at 18

1924

01:24:32,110 --> 01:24:27,550

when I was you know super horny

1925

01:24:33,880 --> 01:24:32,120

I've been less ethical I was trying a

1926

01:24:39,310 --> 01:24:33,890

lot of remote influencing in those days

1927

01:24:42,070 --> 01:24:39,320

and it just didn't work for a different

1928

01:24:45,040 --> 01:24:42,080

type of answer but you know for me I

1929

01:24:47,709 --> 01:24:45,050

think that's just an aspect of humanity

1930

01:24:50,320 --> 01:24:47,719

and people will use their psychic

1931

01:24:52,620 --> 01:24:50,330

abilities to manipulate more sex for

1932

01:24:55,510 --> 01:24:52,630

themselves and more sex life and also

1933

01:24:58,270 --> 01:24:55,520

sometimes when you're exploring the edge

1934

01:25:00,370 --> 01:24:58,280

of things you really want to also

1935

01:25:03,640 --> 01:25:00,380

explore the edge of sex as well too and

1936

01:25:06,160 --> 01:25:03,650

I think they're very separate I think

1937

01:25:08,950 --> 01:25:06,170

but people manipulate others you know

1938

01:25:12,070 --> 01:25:08,960

even like it cult leaders you know

1939

01:25:14,140 --> 01:25:12,080

Charles Manson and many other people

1940

01:25:17,200 --> 01:25:14,150

they're there they have ultimately a

1941

01:25:23,490 --> 01:25:17,210

sexual motive a leti the how good you

1942

01:25:29,020 --> 01:25:26,110

let the whole thing go also you hear a

1943

01:25:32,200 --> 01:25:29,030

good bit about a various and sundry

1944

01:25:36,100 --> 01:25:32,210

mind-altering substances involved in all

1945

01:25:38,020 --> 01:25:36,110

this and I just thought one day I think

1946

01:25:40,689 --> 01:25:38,030

it's far better to learn to control your

1947

01:25:43,270 --> 01:25:40,699

own mind and abilities naturally you can

1948

01:25:45,280 --> 01:25:43,280

have the experiences but it's like do

1949

01:25:46,689 --> 01:25:45,290

you want to put on a jet pack and rock

1950

01:25:47,860 --> 01:25:46,699

it to the top of a mountain and not

1951

01:25:49,570 --> 01:25:47,870

really be sure if you're gonna make it

1952

01:25:52,930 --> 01:25:49,580

there or not or do you want to walk up

1953

01:25:56,350 --> 01:25:52,940

and know the path and to the top of the

1954

01:25:58,990 --> 01:25:56,360

mountain and back if there are dead ends

1955

01:26:01,149 --> 01:25:59,000

and there are false trails and all sorts

1956

01:26:04,090 --> 01:26:01,159

of things with hallucinogens that can

1957

01:26:06,160 --> 01:26:04,100

trick you and lead you astray and it's

1958

01:26:08,260 --> 01:26:06,170

far better to have natural control over

1959

01:26:10,750 --> 01:26:08,270

your body and mind I also feel the same

1960

01:26:13,000 --> 01:26:10,760

thing about boosts and supplements I

1961

01:26:15,850 --> 01:26:13,010

feel it's far better to do all this

1962

01:26:17,470 --> 01:26:15,860

stuff naturally as far as you can first

1963

01:26:18,910 --> 01:26:17,480

with your own mind and your own body and

1964

01:26:20,939 --> 01:26:18,920

your own abilities before you start

1965

01:26:24,760 --> 01:26:20,949

adding on these other things there's no

1966

01:26:27,070 --> 01:26:24,770

shortcut you can race you know you can

1967

01:26:29,709 --> 01:26:27,080

take a you know there's a variety of

1968

01:26:31,990 --> 01:26:29,719

hallucinogens and even Terence Mckenna

1969

01:26:33,459 --> 01:26:32,000

is someone who spoke very highly of a

1970

01:26:35,260 --> 01:26:33,469

lot of these different things and you

1971

01:26:37,300 --> 01:26:35,270

can talk to Machine Elves all day but

1972

01:26:40,720 --> 01:26:37,310

they're not going to give you the true

1973

01:26:44,230 --> 01:26:40,730

insights into the esoteric world

1974

01:26:46,060 --> 01:26:44,240

that you would get sober you could get a

1975

01:26:48,250 --> 01:26:46,070

lot of confusing mixed messages dead

1976

01:26:49,780 --> 01:26:48,260

ends you know double backs and all these

1977

01:26:54,430 --> 01:26:49,790

different things that are not really

1978

01:26:58,840 --> 01:26:54,440

real but you know I highly do not

1979

01:27:01,930 --> 01:26:58,850

recommend it okay yeah you wanted to go

1980

01:27:04,870 --> 01:27:01,940

again I was so involved in listening to

1981

01:27:07,810 --> 01:27:04,880

him I forgot my question no I know I can

1982

01:27:09,910 --> 01:27:07,820

remember it just give me a moment here I

1983

01:27:11,350 --> 01:27:09,920

know I wanted to bring something up that

1984

01:27:14,640 --> 01:27:11,360

was important

1985

01:27:18,160 --> 01:27:14,650

oh yes no I remember what it is now now

1986

01:27:19,960 --> 01:27:18,170

going back in time to some of the first

1987

01:27:23,710 --> 01:27:19,970

cave paintings on the planet that we've

1988

01:27:25,990 --> 01:27:23,720

discovered which go back thousands and

1989

01:27:28,960 --> 01:27:26,000

thousands of years ago indicate that

1990

01:27:32,230 --> 01:27:28,970

there may have been ET intelligences

1991

01:27:35,650 --> 01:27:32,240

that visited our planet on a frequent

1992

01:27:38,590 --> 01:27:35,660

basis and who knows they may have also

1993

01:27:40,810 --> 01:27:38,600

lived with us

1994

01:27:44,860 --> 01:27:40,820

there's nothing to refute that by the

1995

01:27:46,810 --> 01:27:44,870

way what I just said but anyway then I

1996

01:27:50,920 --> 01:27:46,820

wanted to mention something else oddly

1997

01:27:53,550 --> 01:27:50,930

at the same time and that is that a

1998

01:27:56,290 --> 01:27:53,560

little background history on Russia

1999

01:27:58,330 --> 01:27:56,300

quantum science and other physics used

2000

01:28:02,200 --> 01:27:58,340

in parapsychology research starting

2001

01:28:03,580 --> 01:28:02,210

Russia round 1921 and I have a link to

2002

01:28:06,550 --> 01:28:03,590

that information I'll share in the chat

2003

01:28:08,830 --> 01:28:06,560

but there is an essay written on it

2004

01:28:11,500 --> 01:28:08,840

called unconventional research in USSR

2005

01:28:13,420 --> 01:28:11,510

in Russia a short overview and it reads

2006

01:28:15,340 --> 01:28:13,430

kind of like a science paper and this

2007

01:28:17,740 --> 01:28:15,350

author who wrote it also notes

2008

01:28:19,960 --> 01:28:17,750

recognized unorthodox school of mental

2009

01:28:22,510 --> 01:28:19,970

suggestion had been established in

2010

01:28:23,860 --> 01:28:22,520

Russia before 1917 and I'm going

2011

01:28:25,570 --> 01:28:23,870

somewhere with the cave paintings and

2012

01:28:28,240 --> 01:28:25,580

what I just said there with the ETS

2013

01:28:30,550 --> 01:28:28,250

being represented in them possibly and

2014

01:28:32,830 --> 01:28:30,560

then this so just for a moment this

2015

01:28:34,810 --> 01:28:32,840

unorthodox called mental suggestion had

2016

01:28:36,880 --> 01:28:34,820

been established in Russia before 1917

2017

01:28:38,400 --> 01:28:36,890

the experimental methodology and

2018

01:28:40,750 --> 01:28:38,410

formulation of their wide-ranging

2019

01:28:42,670 --> 01:28:40,760

experimentation was helped along with

2020

01:28:45,090 --> 01:28:42,680

the networking of Russian and European

2021

01:28:47,140 --> 01:28:45,100

researchers eventually this mysterious

2022

01:28:49,720 --> 01:28:47,150

parapsychology and multiple phenomena

2023

01:28:54,050 --> 01:28:49,730

related program became known as a Soviet

2024

01:28:57,920 --> 01:28:54,060

program electrophysiology

2025

01:28:59,980 --> 01:28:57,930

Pathak radiation a bioinformatics esp-2

2026

01:29:02,450 --> 01:28:59,990

psychotronics are some of the enigmatic

2027

01:29:04,610 --> 01:29:02,460

enigmatic terms used in this highly

2028

01:29:06,320 --> 01:29:04,620

research paper now one point what this

2029

01:29:08,270 --> 01:29:06,330

is these terms which are kind of

2030

01:29:10,310 --> 01:29:08,280

outdated and not really use that much

2031

01:29:12,710 --> 01:29:10,320

these days and then some terms you've

2032

01:29:15,410 --> 01:29:12,720

used now which can probably parallel

2033

01:29:19,430 --> 01:29:15,420

these terms of what I was going to ask

2034

01:29:22,430 --> 01:29:19,440

you is do you believe that ETS may have

2035

01:29:25,190 --> 01:29:22,440

taught us no matter what we call the

2036

01:29:28,160 --> 01:29:25,200

phenomena or different kinds of

2037

01:29:30,610 --> 01:29:28,170

phenomenons we've discussed tonight deep

2038

01:29:34,430 --> 01:29:30,620

think that eating elegance --is

2039

01:29:37,700 --> 01:29:34,440

introduced the idea of it to us or it

2040

01:29:39,080 --> 01:29:37,710

was self discovery or combo of both what

2041

01:29:41,240 --> 01:29:39,090

is your idea on that

2042

01:29:43,520 --> 01:29:41,250

I think it's self discovery I think

2043

01:29:45,320 --> 01:29:43,530

there's a lot of misinterpretation of

2044

01:29:47,090 --> 01:29:45,330

history when you look at ancient cave

2045

01:29:50,300 --> 01:29:47,100

paintings and petroglyphs and stuff like

2046

01:29:52,550 --> 01:29:50,310

that it's very easy to see what you want

2047

01:29:55,520 --> 01:29:52,560

to see and then yes some look more

2048

01:29:58,400 --> 01:29:55,530

overtly like UFOs and and things like

2049

01:30:01,180 --> 01:29:58,410

that but I think it's very easy to

2050

01:30:03,080 --> 01:30:01,190

delude one oneself also there's a

2051

01:30:05,720 --> 01:30:03,090

tremendous amount of religious

2052

01:30:08,230 --> 01:30:05,730

iconography and stuff from the 1600s and

2053

01:30:12,800 --> 01:30:08,240

even 1500s that's wildly just

2054

01:30:15,380 --> 01:30:12,810

misunderstood they have these people in

2055

01:30:18,170 --> 01:30:15,390

these little craft on the eastern side

2056

01:30:19,580 --> 01:30:18,180

and the western side of paintings and if

2057

01:30:21,860 --> 01:30:19,590

you look really care for these people

2058

01:30:25,130 --> 01:30:21,870

flying these different little crafts one

2059

01:30:27,080 --> 01:30:25,140

is the Sun and one is the moon eyeing

2060

01:30:28,880 --> 01:30:27,090

them across the sky and time and time

2061

01:30:31,460 --> 01:30:28,890

again on these you know History Channel

2062

01:30:33,440 --> 01:30:31,470

shows or George Sioux calacas will say

2063

01:30:35,600 --> 01:30:33,450

you know this is obviously you know it's

2064

01:30:39,760 --> 01:30:35,610

an alien you know and there's oftentimes

2065

01:30:43,430 --> 01:30:39,770

an image of a beam of light coming down

2066

01:30:47,750 --> 01:30:43,440

and hitting some hitting somebody and

2067

01:30:49,910 --> 01:30:47,760

that is the inspiration of the

2068

01:30:52,940 --> 01:30:49,920

conception of the Virgin Mary getting

2069

01:30:54,680 --> 01:30:52,950

you know that beam of light is being

2070

01:30:57,680 --> 01:30:54,690

conceived there's also a famous one of

2071

01:31:02,240 --> 01:30:57,690

God and Jesus and they're both touching

2072

01:31:05,390 --> 01:31:02,250

this ball of Earth with the these rods

2073

01:31:07,520 --> 01:31:05,400

that and then they say it's Sputnik and

2074

01:31:10,700 --> 01:31:07,530

there's just all these whack

2075

01:31:12,920 --> 01:31:10,710

wacky you know notions and that the you

2076
01:31:15,650 --> 01:31:12,930
know the aliens built the pyramids when

2077
01:31:17,150 --> 01:31:15,660
you you can just think that pyramids

2078
01:31:20,120 --> 01:31:17,160
have been built all over the world for a

2079
01:31:23,240 --> 01:31:20,130
reason you know homes started first as

2080
01:31:24,740 --> 01:31:23,250
kind of like a little mini teepee as a

2081
01:31:26,270 --> 01:31:24,750
little kind of Hut a little kind of

2082
01:31:29,060 --> 01:31:26,280
pyramid shape then we learned that if

2083
01:31:31,160 --> 01:31:29,070
they made them square you could have

2084
01:31:32,960 --> 01:31:31,170
more fit more space and more people in

2085
01:31:35,510 --> 01:31:32,970
there then if you put a second house

2086
01:31:37,760 --> 01:31:35,520
next to that first house you they both

2087
01:31:39,290 --> 01:31:37,770
would have more structural support then

2088
01:31:41,240 --> 01:31:39,300

one day someone looked at those two

2089

01:31:43,250 --> 01:31:41,250

squares together and said I wonder if

2090

01:31:46,670 --> 01:31:43,260

you could one in the center above both

2091

01:31:48,020 --> 01:31:46,680

of those would it stay and you know I

2092

01:31:50,450 --> 01:31:48,030

think that's such a natural progression

2093

01:31:52,640 --> 01:31:50,460

for human beings who build these things

2094

01:31:55,190 --> 01:31:52,650

and plus there's a historical record of

2095

01:31:57,860 --> 01:31:55,200

the shapes changing over time there's

2096

01:32:00,020 --> 01:31:57,870

the famous snuff Pharaoh pyramid where

2097

01:32:02,510 --> 01:32:00,030

they had to change the angle on it

2098

01:32:03,710 --> 01:32:02,520

because they had put too much weight and

2099

01:32:05,360 --> 01:32:03,720

they had done it poorly and all this

2100

01:32:07,880 --> 01:32:05,370

stuff then people are like how did they

2101

01:32:09,950 --> 01:32:07,890

know the Stars and do all these

2102

01:32:12,050 --> 01:32:09,960

incredible alignments well you know what

2103

01:32:14,240 --> 01:32:12,060

there was no city lights and the stars

2104

01:32:17,690 --> 01:32:14,250

and the sky must have been so

2105

01:32:20,360 --> 01:32:17,700

unbelievably amazing at night from the

2106

01:32:23,450 --> 01:32:20,370

evening to dusk to dawn so we give you

2107

01:32:26,000 --> 01:32:23,460

no human credit to aliens when I think

2108

01:32:29,930 --> 01:32:26,010

human beings were so smart

2109

01:32:32,840 --> 01:32:29,940

the Antikythera mechanism is yes hand

2110

01:32:37,670 --> 01:32:32,850

computer and it wasn't made by aliens no

2111

01:32:41,090 --> 01:32:37,680

one gave us the technology so I'm not as

2112

01:32:43,040 --> 01:32:41,100

sure about the long term alien

2113

01:32:44,210 --> 01:32:43,050

involvement and how much but then

2114

01:32:46,820 --> 01:32:44,220

there's there's other evidence that I do

2115

01:32:51,560 --> 01:32:46,830

believe there's the famous wood carvings

2116

01:32:53,810 --> 01:32:51,570

I think from 1562 and 1570 there's two

2117

01:32:57,470 --> 01:32:53,820

famous wood carvings about these battles

2118

01:32:59,660 --> 01:32:57,480

in the sky one was in nürnberg Sweden

2119

01:33:01,280 --> 01:32:59,670

somewhere and those I believe strongly

2120

01:33:03,860 --> 01:33:01,290

believed were real extraterrestrial

2121

01:33:06,080 --> 01:33:03,870

battles in the sky somehow maybe there's

2122

01:33:07,460 --> 01:33:06,090

a council that looks over us and someone

2123

01:33:09,290 --> 01:33:07,470

was trying to bust through the council

2124

01:33:12,860 --> 01:33:09,300

and get to the planet and add a war I

2125

01:33:14,420 --> 01:33:12,870

don't know but there's a lot of there's

2126

01:33:17,420 --> 01:33:14,430

a lot of misconceptions about history

2127

01:33:19,790 --> 01:33:17,430

and and people belittling the amazing

2128

01:33:21,140 --> 01:33:19,800

abilities that humans have had well

2129

01:33:23,000 --> 01:33:21,150

we've had a little history in the

2130

01:33:25,880 --> 01:33:23,010

last years and say you were on with us

2131

01:33:28,250 --> 01:33:25,890

the last time and it's been really

2132

01:33:30,169 --> 01:33:28,260

interesting as far as the UFO stuff and

2133

01:33:32,180 --> 01:33:30,179

I just wanted to get your thoughts about

2134

01:33:35,479 --> 01:33:32,190

where we're at now compared to where we

2135

01:33:36,380 --> 01:33:35,489

were back then it is such a great time

2136

01:33:39,560 --> 01:33:36,390

to be alive

2137

01:33:42,979 --> 01:33:39,570

we are so blessed to have this front row

2138

01:33:44,689 --> 01:33:42,989

seat to the government finally coming

2139

01:33:47,439 --> 01:33:44,699

out and saying this stuff and the

2140

01:33:49,760 --> 01:33:47,449

implications of this is humongous

2141

01:33:51,979 --> 01:33:49,770

unfortunately you know Russia and China

2142

01:33:53,720 --> 01:33:51,989

and Peru and Argentina in these other

2143

01:33:55,700 --> 01:33:53,730

countries have incorporated the reality

2144

01:33:59,899 --> 01:33:55,710

of ETS and psychic ability into the

2145

01:34:02,030 --> 01:33:59,909

culture the US hasn't done that and we

2146

01:34:04,370 --> 01:34:02,040

have been left at a huge disadvantage

2147

01:34:06,890 --> 01:34:04,380

because there may be an incident that

2148

01:34:08,780 --> 01:34:06,900

couldn't happen that can't be covered up

2149

01:34:11,180 --> 01:34:08,790

and we are going to be the least

2150

01:34:13,430 --> 01:34:11,190

prepared out of everybody out of all the

2151
01:34:15,530 --> 01:34:13,440
countries you know it takes time to

2152
01:34:18,560 --> 01:34:15,540
think through these aspects of oh you

2153
01:34:21,290 --> 01:34:18,570
know there's satanic or is it that

2154
01:34:23,840 --> 01:34:21,300
there's satanic or maybe God's creation

2155
01:34:25,729 --> 01:34:23,850
is far more grand and dynamic than we

2156
01:34:28,550 --> 01:34:25,739
ever imagined and it takes some time to

2157
01:34:31,160 --> 01:34:28,560
address those issues in society and even

2158
01:34:33,290 --> 01:34:31,170
Lewis Elizondo himself said part of his

2159
01:34:36,350 --> 01:34:33,300
huge difficulty was that his direct boss

2160
01:34:38,240 --> 01:34:36,360
was he didn't say in evangelical but and

2161
01:34:41,510 --> 01:34:38,250
religious strong religious beliefs

2162
01:34:42,979 --> 01:34:41,520
against aliens yeah I think part of the

2163
01:34:45,080 --> 01:34:42,989

reason there were some trouble there is

2164

01:34:47,360 --> 01:34:45,090

the guy who ran the program before he

2165

01:34:50,149 --> 01:34:47,370

did believe a gentleman named Luke

2166

01:34:52,459 --> 01:34:50,159

Itsuki was very interested in skinwalker

2167

01:34:55,180 --> 01:34:52,469

and that apparently put a lot of people

2168

01:34:57,260 --> 01:34:55,190

off internally that was the big issue

2169

01:34:58,790 --> 01:34:57,270

yeah I heard that was one of the issues

2170

01:35:02,840 --> 01:34:58,800

as well McCaskey is a very good

2171

01:35:04,939 --> 01:35:02,850

scientist and I think it's very easy to

2172

01:35:07,220 --> 01:35:04,949

have misconceptions and project your own

2173

01:35:09,830 --> 01:35:07,230

fears on top of it and that's our

2174

01:35:13,160 --> 01:35:09,840

problem with having communication with

2175

01:35:14,750 --> 01:35:13,170

et we're calling them a threat when if

2176

01:35:17,419 --> 01:35:14,760

you look at their actions what do we

2177

01:35:22,220 --> 01:35:17,429

teach our kids to fight first or to

2178

01:35:25,490 --> 01:35:22,230

communicate first is it wiser to to look

2179

01:35:27,620 --> 01:35:25,500

at the smashed watch or even a brand new

2180

01:35:31,220 --> 01:35:27,630

watch or is it wiser to talk to the

2181

01:35:33,229 --> 01:35:31,230

watchmaker I think we should be wise

2182

01:35:35,060 --> 01:35:33,239

enough to talk to the watch makers I

2183

01:35:38,779 --> 01:35:35,070

think we should reach

2184

01:35:42,350 --> 01:35:38,789

and try and communicate do exactly what

2185

01:35:44,779 --> 01:35:42,360

we teach our kids to do be evolved not

2186

01:35:46,370 --> 01:35:44,789

say that they're a threat I could say

2187

01:35:48,220 --> 01:35:46,380

give you a hundred different cases for

2188

01:35:51,350 --> 01:35:48,230

every negative case you give me a

2189

01:35:53,299 --> 01:35:51,360

hundred positive cases and I think

2190

01:35:55,600 --> 01:35:53,309

people categorize obviously them as a

2191

01:35:58,850 --> 01:35:55,610

threat because it they want to get money

2192

01:36:00,979 --> 01:35:58,860

but that cynical thing of categorizing

2193

01:36:03,459 --> 01:36:00,989

them as a threat could create a whole

2194

01:36:06,529 --> 01:36:03,469

domino effect of negative happenings

2195

01:36:09,979 --> 01:36:06,539

what-if et is like a mirror and will

2196

01:36:12,379 --> 01:36:09,989

give us exactly what we want and what if

2197

01:36:13,970 --> 01:36:12,389

we reflect negativity to them they might

2198

01:36:16,220 --> 01:36:13,980

be like hey this is what they want they

2199

01:36:19,310 --> 01:36:16,230

want to communicate this way so we'll

2200

01:36:21,379 --> 01:36:19,320

show them a little war is like god we

2201

01:36:24,500 --> 01:36:21,389

don't do that I think we should be our

2202

01:36:26,720 --> 01:36:24,510

best us you know and the fact that we

2203

01:36:29,270 --> 01:36:26,730

want to spread you know demonize it just

2204

01:36:31,220 --> 01:36:29,280

makes me so nauseous we should be

2205

01:36:32,629 --> 01:36:31,230

putting up cube SATs communication

2206

01:36:35,990 --> 01:36:32,639

satellites we should have aggressive

2207

01:36:38,029 --> 01:36:36,000

programs but not we need to be smart

2208

01:36:39,919 --> 01:36:38,039

these are not stupid advanced

2209

01:36:43,430 --> 01:36:39,929

civilizations we don't need to send them

2210

01:36:45,229 --> 01:36:43,440

prime numbers or colors already they

2211

01:36:46,189 --> 01:36:45,239

know every language on the planet army

2212

01:36:47,899 --> 01:36:46,199

yeah I agree

2213

01:36:51,589 --> 01:36:47,909

that's a very good point these are not

2214

01:36:54,649 --> 01:36:51,599

stupid advanced civilizations it's a

2215

01:36:56,450 --> 01:36:54,659

very very true thing to say it rings

2216

01:36:59,359 --> 01:36:56,460

true with me I'm always gonna remember

2217

01:37:01,879 --> 01:36:59,369

that by the way that you said that and I

2218

01:37:03,229 --> 01:37:01,889

love that you know every language on the

2219

01:37:08,600 --> 01:37:03,239

planet right

2220

01:37:10,609 --> 01:37:08,610

why wouldn't they graduate if if they're

2221

01:37:13,850 --> 01:37:10,619

potentially millions of years ahead of

2222

01:37:17,569 --> 01:37:13,860

us if it's possible they wouldn't know

2223

01:37:19,339 --> 01:37:17,579

all about us absolutely and there is an

2224

01:37:21,560 --> 01:37:19,349

internet there's a protocol for

2225

01:37:24,470 --> 01:37:21,570

communication and if you look at UFO

2226

01:37:26,450 --> 01:37:24,480

history oftentimes it's two flashes of

2227

01:37:28,160 --> 01:37:26,460

light someone will take a flashlight and

2228

01:37:30,589 --> 01:37:28,170

flash like the Allegheny guys on the

2229

01:37:33,189 --> 01:37:30,599

canoe and it'll go back and forth twice

2230

01:37:35,540 --> 01:37:33,199

and if you don't know the next response

2231

01:37:37,790 --> 01:37:35,550

their boards are gone or they're gonna

2232

01:37:39,500 --> 01:37:37,800

do whatever their mission is mm-hmm mark

2233

01:37:43,250 --> 01:37:39,510

know what the next steps are I know what

2234

01:37:44,660 --> 01:37:43,260

the next steps are there that's just

2235

01:37:48,299 --> 01:37:44,670

what I was gonna ask you next but finish

2236

01:37:50,490 --> 01:37:48,309

up please really really quickly I think

2237

01:37:51,870 --> 01:37:50,500

on my little farm I have a little farm

2238

01:37:53,490 --> 01:37:51,880

up in the Hudson Valley and I've had all

2239

01:37:55,020 --> 01:37:53,500

sorts of wacky experiences there

2240

01:37:56,700 --> 01:37:55,030

incredible experiences and cv5

2241

01:37:59,089 --> 01:37:56,710

experiences I've also had wonderful

2242

01:38:01,290 --> 01:37:59,099

experiences with wild animals and

2243

01:38:02,819 --> 01:38:01,300

there's a universal kind of

2244

01:38:04,830 --> 01:38:02,829

communication that you can have I'm sure

2245

01:38:07,589 --> 01:38:04,840

you've seen videos on YouTube of people

2246

01:38:11,510 --> 01:38:07,599

who've taken wild deer and they're

2247

01:38:18,419 --> 01:38:15,299

so alright now you see the other like

2248

01:38:20,790 --> 01:38:18,429

the dangerous wild lions who were raised

2249

01:38:22,799 --> 01:38:20,800

by you know some guy and he goes back

2250

01:38:24,120 --> 01:38:22,809

and sees them when they're adults and

2251

01:38:28,470 --> 01:38:24,130

they remember them and they're all over

2252

01:38:30,180 --> 01:38:28,480

you know videos yeah exactly exactly you

2253

01:38:32,189 --> 01:38:30,190

know I think we need to be what we teach

2254

01:38:33,689 --> 01:38:32,199

our kids the best us that we can be and

2255

01:38:38,250 --> 01:38:33,699

show that communication is better than

2256

01:38:41,370 --> 01:38:38,260

this violence and that maybe they're not

2257

01:38:44,220 --> 01:38:41,380

talking to us maybe they're not

2258

01:38:47,180 --> 01:38:44,230

communicating with us there's some

2259

01:38:49,439 --> 01:38:47,190

really shameful reasons about ourselves

2260

01:38:52,140 --> 01:38:49,449

you adventure on death sociopathy

2261

01:38:55,290 --> 01:38:52,150

earlier so that that could be one of

2262

01:38:59,270 --> 01:38:55,300

those reasons you know it's possible I

2263

01:39:02,310 --> 01:38:59,280

hate to be so dark maybe maybe they're

2264

01:39:05,549 --> 01:39:02,320

very cynical about our chances well

2265

01:39:08,310 --> 01:39:05,559

knowledge is power though and I strongly

2266

01:39:11,459 --> 01:39:08,320

recommend taking our closer look into

2267

01:39:14,310 --> 01:39:11,469

some of the malignant personality

2268

01:39:17,569 --> 01:39:14,320

disorders and I think you see them

2269

01:39:19,529 --> 01:39:17,579

manifest all over the place absolutely

2270

01:39:24,779 --> 01:39:19,539

absolutely and there's nothing to lose

2271

01:39:26,910 --> 01:39:24,789

from a tempting communication sorry go

2272

01:39:29,279 --> 01:39:26,920

ahead I think we would learn a lot more

2273

01:39:31,379 --> 01:39:29,289

from talking to the watchmakers than the

2274

01:39:34,620 --> 01:39:31,389

broken watches or even the brand-new

2275

01:39:37,439 --> 01:39:34,630

watches that we have and we're talking

2276

01:39:38,549 --> 01:39:37,449

about the next steps what did a year

2277

01:39:41,370 --> 01:39:38,559

from now where do you think we're all

2278

01:39:45,540 --> 01:39:41,380

gonna be where do I think we're all

2279

01:39:47,220 --> 01:39:45,550

gonna be yeah I look a little further

2280

01:39:49,029 --> 01:39:47,230

down the road or way further down the

2281

01:39:51,910 --> 01:39:49,039

road

2282

01:39:56,220 --> 01:39:51,920

you know I wish I had a lot more hope it

2283

01:39:58,419 --> 01:39:56,230

all depends on how much we can I think I

2284

01:40:00,669 --> 01:39:58,429

think it's up to the people it's not up

2285

01:40:03,160 --> 01:40:00,679

to the governments I think it's up to

2286

01:40:04,479 --> 01:40:03,170

the people and I think that people have

2287

01:40:06,850 --> 01:40:04,489

to get involved we have to get off the

2288

01:40:08,379 --> 01:40:06,860

sofa and stop you know criticizing each

2289

01:40:11,200 --> 01:40:08,389

other and be part of the solution and

2290

01:40:12,879 --> 01:40:11,210

not part of the problem I think we

2291

01:40:14,680 --> 01:40:12,889

didn't go out there and you can go out

2292

01:40:17,830 --> 01:40:14,690

there and you can do ce-5 contact you

2293

01:40:19,930 --> 01:40:17,840

can start a group you can Lobby your

2294

01:40:22,089 --> 01:40:19,940

local congressperson to be like let's

2295

01:40:23,140 --> 01:40:22,099

not consider them a threat let's try and

2296

01:40:26,229 --> 01:40:23,150

communicate first shouldn't

2297

01:40:27,669 --> 01:40:26,239

communication be our priority on like we

2298

01:40:29,259 --> 01:40:27,679

teach our kids and you know not to fight

2299

01:40:30,669 --> 01:40:29,269

first but to try and communicate first

2300

01:40:32,620 --> 01:40:30,679

there's all sorts of different

2301
01:40:34,600 --> 01:40:32,630
possibilities and angles you know we're

2302
01:40:37,390 --> 01:40:34,610
only limited by our creativity and our

2303
01:40:39,419 --> 01:40:37,400
tenacity and intelligence and there's a

2304
01:40:42,339 --> 01:40:39,429
lot better ways I think than just

2305
01:40:44,589 --> 01:40:42,349
calling them a threat and finding better

2306
01:40:46,600 --> 01:40:44,599
and better ways to try and destroy them

2307
01:40:48,970 --> 01:40:46,610
or recreate their technology so we can

2308
01:40:51,520 --> 01:40:48,980
destroy ourselves faster the scariest

2309
01:40:54,520 --> 01:40:51,530
thing would be a hypersonic invisible

2310
01:40:58,979 --> 01:40:54,530
you know metamaterial nuclear merv

2311
01:41:02,229 --> 01:40:58,989
missile and that's coming and if and I

2312
01:41:05,500 --> 01:41:02,239
think we're hopefully I pray that we're

2313
01:41:07,959 --> 01:41:05,510

smarter than that but you know if the

2314

01:41:09,669 --> 01:41:07,969

people don't rise up and get involved

2315

01:41:12,700 --> 01:41:09,679

the governments will make those things

2316

01:41:16,299 --> 01:41:12,710

and they may be the last generation of

2317

01:41:21,120 --> 01:41:16,309

weapons ever when you really think about

2318

01:41:25,390 --> 01:41:21,130

it those weapons hypersonic and visible

2319

01:41:30,669 --> 01:41:25,400

metamaterial you know Merv's are really

2320

01:41:32,350 --> 01:41:30,679

scary so we the clock is ticking and you

2321

01:41:35,379 --> 01:41:32,360

know I think we need to get really

2322

01:41:38,200 --> 01:41:35,389

involved really really involved and at

2323

01:41:40,000 --> 01:41:38,210

the very least vote it's a very least

2324

01:41:43,750 --> 01:41:40,010

vote but also to get involved in terms

2325

01:41:45,310 --> 01:41:43,760

of on even just doing something positive

2326

01:41:47,319 --> 01:41:45,320

in your community helping somebody

2327

01:41:49,359 --> 01:41:47,329

uplifting another person I think every

2328

01:41:50,950 --> 01:41:49,369

little example every little positive

2329

01:41:52,839 --> 01:41:50,960

action is like a grain of sand at the

2330

01:41:54,700 --> 01:41:52,849

top of a sand dune you know it can

2331

01:41:56,290 --> 01:41:54,710

affect two more grains and four more

2332

01:41:58,870 --> 01:41:56,300

grains and before you know it there's an

2333

01:42:00,459 --> 01:41:58,880

avalanche of good deeds happening but

2334

01:42:01,509 --> 01:42:00,469

the same is true with bad deeds so if

2335

01:42:02,320 --> 01:42:01,519

you say something's a threat and

2336

01:42:04,570 --> 01:42:02,330

something's evil

2337

01:42:09,970 --> 01:42:04,580

to destroy it those things can propagate

2338

01:42:13,090 --> 01:42:09,980

too so it's you know it's up to us it's

2339

01:42:17,200 --> 01:42:13,100

up to us it's not up to trump or to kim

2340

01:42:19,150 --> 01:42:17,210

myung or Putin we're in very precarious

2341

01:42:20,470 --> 01:42:19,160

times I know they've always said it's

2342

01:42:22,090 --> 01:42:20,480

the best of times it's the worst of

2343

01:42:24,250 --> 01:42:22,100

times you know for hundreds of years but

2344

01:42:25,960 --> 01:42:24,260

now we can literally say for sure that

2345

01:42:27,070 --> 01:42:25,970

we're in the middle of a mass extinction

2346

01:42:29,320 --> 01:42:27,080

and all these different things are

2347

01:42:30,430 --> 01:42:29,330

happening and you know I don't need to

2348

01:42:34,510 --> 01:42:30,440

go through all the other different

2349

01:42:35,440 --> 01:42:34,520

aspects but it takes work to solve these

2350

01:42:38,500 --> 01:42:35,450

things you know

2351

01:42:43,390 --> 01:42:38,510

and to be part of the solution so I want

2352

01:42:46,450 --> 01:42:43,400

you and I think a lot of it starts to

2353

01:42:48,220 --> 01:42:46,460

with empowering kids to be the best that

2354

01:42:50,260 --> 01:42:48,230

they can be giving them the power of

2355

01:42:54,220 --> 01:42:50,270

their mind that they've always had that

2356

01:42:57,220 --> 01:42:54,230

we have kind of denied them and maybe

2357

01:43:00,220 --> 01:42:57,230

they can remake a better future than the

2358

01:43:03,940 --> 01:43:00,230

the incredible burdens that we've heaped

2359

01:43:06,040 --> 01:43:03,950

upon them by our actions got it

2360

01:43:07,990 --> 01:43:06,050

well I am certainly good to chant do you

2361

01:43:09,910 --> 01:43:08,000

have anything more before you wrap up I

2362

01:43:19,570 --> 01:43:09,920

just wanted to go ahead buddy

2363

01:43:23,710 --> 01:43:19,580

I'm sorry in such a morbid note have a

2364

01:43:28,300 --> 01:43:23,720

great night tomorrow what I wanted to

2365

01:43:32,530 --> 01:43:28,310

say is the wonderful dr. Simeon Hine was

2366

01:43:35,050 --> 01:43:32,540

in chat tonight and he said this buddy

2367

01:43:38,350 --> 01:43:35,060

did an amazing job in my class and gave

2368

01:43:41,230 --> 01:43:38,360

us an awesome PK instruction session

2369

01:43:43,210 --> 01:43:41,240

everyone loved it and he said I think

2370

01:43:45,160 --> 01:43:43,220

something else really positive too it

2371

01:43:46,960 --> 01:43:45,170

was just nice to have him join us there

2372

01:43:49,840 --> 01:43:46,970

was something involving a fish session

2373

01:43:52,090 --> 01:43:49,850

or something yes great fish session yes

2374

01:43:53,440 --> 01:43:52,100

I I went to he did an announcement on

2375

01:43:56,890 --> 01:43:53,450

Twitter indicating that we're doing the

2376

01:43:59,530 --> 01:43:56,900

show and he very quickly joined us right

2377

01:44:03,040 --> 01:43:59,540

after that but I just wanted to thank

2378

01:44:05,380 --> 01:44:03,050

buddy for having spoken with us tonight

2379

01:44:09,090 --> 01:44:05,390

now I just also wanted to mention that a

2380

01:44:11,650 --> 01:44:09,100

buddy and I had a really fantastic

2381

01:44:15,610 --> 01:44:11,660

in-depth conversation that lasted quite

2382

01:44:17,590 --> 01:44:15,620

a while not that long ago

2383

01:44:19,300 --> 01:44:17,600

and you know I was very quiet in the

2384

01:44:21,910 --> 01:44:19,310

beginning of this interview for reason

2385

01:44:24,520 --> 01:44:21,920

because I wanted to hear everything that

2386

01:44:28,030 --> 01:44:24,530

he had to say and then I kind of got

2387

01:44:29,350 --> 01:44:28,040

involved later and I you know I actually

2388

01:44:31,090 --> 01:44:29,360

would have been fine not getting

2389

01:44:35,050 --> 01:44:31,100

involved at all and I'll tell you why I

2390

01:44:36,850 --> 01:44:35,060

just love listening to him I love

2391

01:44:39,190 --> 01:44:36,860

listening to everything he has to say I

2392

01:44:42,240 --> 01:44:39,200

feel like you know and and I don't say

2393

01:44:44,910 --> 01:44:42,250

this often I know this sounds very

2394

01:44:47,560 --> 01:44:44,920

narcissistic what I'm about to say but

2395

01:44:51,250 --> 01:44:47,570

you know not everybody I listen to do I

2396

01:44:53,620 --> 01:44:51,260

learn something from all the time I do

2397

01:44:56,590 --> 01:44:53,630

learn something from every person but

2398

01:45:01,650 --> 01:44:56,600

not all the time every time I listen to

2399

01:45:03,850 --> 01:45:01,660

buddy I learned something just very

2400

01:45:07,180 --> 01:45:03,860

undeserving of such a wonderful sweet

2401
01:45:09,580 --> 01:45:07,190
comment like that and your intellect and

2402
01:45:11,680 --> 01:45:09,590
it's powerful spiritual you know you

2403
01:45:12,940 --> 01:45:11,690
helped me in our first conversation you

2404
01:45:14,290 --> 01:45:12,950
know several weeks ago and I won't get

2405
01:45:17,530 --> 01:45:14,300
into the details or anything but you're

2406
01:45:19,900 --> 01:45:17,540
a really special magical empowered woman

2407
01:45:24,210 --> 01:45:19,910
and you're making a difference you're

2408
01:45:28,060 --> 01:45:24,220
making things better and you know Frank

2409
01:45:30,160 --> 01:45:28,070
yeah well you know hey I just worked the

2410
01:45:32,860 --> 01:45:30,170
board you know and chip-in where I can I

2411
01:45:36,730 --> 01:45:32,870
just worked the port and so anyway to go

2412
01:45:38,080 --> 01:45:36,740
on with my my appreciation of you I'm

2413
01:45:39,820 --> 01:45:38,090

gonna tell you something that's gonna

2414

01:45:43,510 --> 01:45:39,830

make you feel kind of funny but we love

2415

01:45:45,550 --> 01:45:43,520

you I'm dirt lady we do we love you we

2416

01:45:48,580 --> 01:45:45,560

think you're great I love you guys too

2417

01:45:50,440 --> 01:45:48,590

and I also love dr. Suman hein yes we

2418

01:45:53,200 --> 01:45:50,450

love him too he's fanned we got to get

2419

01:45:54,700 --> 01:45:53,210

him back him he was on when that James

2420

01:45:59,230 --> 01:45:54,710

was still co-hosting we got to get a

2421

01:46:01,870 --> 01:45:59,240

Mormon joy we talked to him on Twitter

2422

01:46:04,420 --> 01:46:01,880

all the time I'm always so excited just

2423

01:46:06,070 --> 01:46:04,430

to see what he has to say and it's just

2424

01:46:07,990 --> 01:46:06,080

fun interacting with him but thank you

2425

01:46:09,730 --> 01:46:08,000

buddy for all of your time and I

2426

01:46:11,470 --> 01:46:09,740

certainly hope that you'll be able to

2427

01:46:15,160 --> 01:46:11,480

interview with us again because we just

2428

01:46:17,890 --> 01:46:15,170

loved having this opportunity these

2429

01:46:20,080 --> 01:46:17,900

communities coming back on to play yes

2430

01:46:21,580 --> 01:46:20,090

Nick will play we'll do some some

2431

01:46:24,010 --> 01:46:21,590

weirdness and we'll have some fun and

2432

01:46:26,740 --> 01:46:24,020

and not be afraid to fail big together

2433

01:46:29,290 --> 01:46:26,750

so let's go okay that's right but how

2434

01:46:31,600 --> 01:46:29,300

about another interview after that

2435

01:46:33,850 --> 01:46:31,610

there's nothing to do with that but we

2436

01:46:35,200 --> 01:46:33,860

just talked about other topics as well

2437

01:46:37,029 --> 01:46:35,210

how does that sound to you

2438

01:46:40,689 --> 01:46:37,039

that's wonderful I'm so undeserving of

2439

01:46:42,160 --> 01:46:40,699

that but I would be so honored to try we

2440

01:46:49,419 --> 01:46:42,170

would be honored to have you so I think

2441

01:46:51,459 --> 01:46:49,429

it's a win-win thanks a lot buddy I'm

2442

01:46:53,470 --> 01:46:51,469

gonna wrap things up by we've got stuff

2443

01:46:55,000 --> 01:46:53,480

going over the weekend oh go ahead yeah

2444

01:46:57,729 --> 01:46:55,010

you're raising your finger chant you

2445

01:47:00,370 --> 01:46:57,739

want you cannot forget to mention alien

2446

01:47:03,129 --> 01:47:00,380

protocols YouTube channel of course of

2447

01:47:05,680 --> 01:47:03,139

course go subscribe immediately alien

2448

01:47:07,600 --> 01:47:05,690

protocols and buddy here you must have

2449

01:47:09,759 --> 01:47:07,610

like 300 videos up there by now

2450

01:47:12,339 --> 01:47:09,769

yeah a bunch of really neat stuff from

2451

01:47:14,709 --> 01:47:12,349

these different models to theories to a

2452

01:47:16,390 --> 01:47:14,719

lot of tips and example you know a lot

2453

01:47:17,919 --> 01:47:16,400

of people say oh I do this or that or I

2454

01:47:25,359 --> 01:47:17,929

talk to you know blue chickens or

2455

01:47:26,680 --> 01:47:25,369

whatever we found blue chickens dr.

2456

01:47:28,870 --> 01:47:26,690

Simeon Hine and I there's a lot of

2457

01:47:33,009 --> 01:47:28,880

people who do a 20 and back program dr.

2458

01:47:35,950 --> 01:47:33,019

Simeon Hine and I are a 24 word program

2459

01:47:37,149 --> 01:47:35,960

and so it's very different and not the

2460

01:47:39,700 --> 01:47:37,159

evidence for that is there I'm kidding

2461

01:47:42,750 --> 01:47:39,710

of course but it was there and wacky and

2462

01:47:45,250 --> 01:47:42,760

goofy and and serious stuff and and

2463

01:47:48,759 --> 01:47:45,260

stuff you can take home and learn too as

2464

01:47:51,189 --> 01:47:48,769

well we just love how you can be so

2465

01:47:55,439 --> 01:47:51,199

deeply serious and so intensely humorous

2466

01:47:58,479 --> 01:47:55,449

at the same time buddy deliriously

2467

01:48:00,700 --> 01:47:58,489

operating right now past my prime mental

2468

01:48:03,189 --> 01:48:00,710

hours so I love it yes exactly yeah we

2469

01:48:04,870 --> 01:48:03,199

want to wrap up but man in fact the

2470

01:48:05,500 --> 01:48:04,880

bottom line is if you don't enjoy it

2471

01:48:07,149 --> 01:48:05,510

don't do it

2472

01:48:09,129 --> 01:48:07,159

and you obviously are into what you're

2473

01:48:10,870 --> 01:48:09,139

doing chant and I are into what we're

2474

01:48:13,000 --> 01:48:10,880

doing and hopefully that comes across to

2475

01:48:15,040 --> 01:48:13,010

the folks at home and what we'd let

2476

01:48:17,890 --> 01:48:15,050

there's anything we could ever do or I

2477

01:48:19,629 --> 01:48:17,900

could do or you know alien protocols

2478

01:48:20,859 --> 01:48:19,639

could do to help anyone from teaching to

2479

01:48:22,330 --> 01:48:20,869

healing to any of that stuff please

2480

01:48:24,370 --> 01:48:22,340

reach out to us we never charge anything

2481

01:48:26,020 --> 01:48:24,380

and it's our honor and and such a

2482

01:48:28,450 --> 01:48:26,030

blessing for us to be allowed into that

2483

01:48:30,489 --> 01:48:28,460

space if anyone cares to learn any of

2484

01:48:32,649 --> 01:48:30,499

other things or would like that from us

2485

01:48:34,479 --> 01:48:32,659

absolutely well good night everybody

2486

01:48:36,580 --> 01:48:34,489

yeah like I said that we'll be back

2487

01:48:39,089 --> 01:48:36,590

during the weekend that we've got that

2488

01:48:41,469 --> 01:48:39,099

your chant you're going to be

2489

01:48:42,849 --> 01:48:41,479

interviewing basically everyone involved

2490

01:48:45,159 --> 01:48:42,859

in Phoenix move on

2491

01:48:46,569 --> 01:48:45,169

all thousand members I believe you're

2492

01:48:48,279 --> 01:48:46,579

gonna be talking through this recap and

2493

01:48:51,069 --> 01:48:48,289

I if you don't mind I would like to

2494

01:48:53,589 --> 01:48:51,079

mention something about that Frank and I

2495

01:48:56,889 --> 01:48:53,599

do really large panels what that means

2496

01:48:59,290 --> 01:48:56,899

is you know what we do large panels that

2497

01:49:02,589 --> 01:48:59,300

means we interview large groups of

2498

01:49:05,020 --> 01:49:02,599

people on a regular on Sundays regarding

2499

01:49:06,939 --> 01:49:05,030

whatever topic is uh you know like

2500

01:49:11,169 --> 01:49:06,949

current UFO topics and stuff like that

2501

01:49:14,829 --> 01:49:11,179

this Sunday we will be interviewing 20

2502

01:49:17,049 --> 01:49:14,839

people 19 or 20 people from Phoenix

2503

01:49:18,429 --> 01:49:17,059

MUFON that's how big our panels gonna be

2504

01:49:20,679 --> 01:49:18,439

it's gonna be a review of the

2505

01:49:21,879 --> 01:49:20,689

unidentified a series by The History

2506

01:49:23,859 --> 01:49:21,889

Channel so that's going to be

2507

01:49:26,259 --> 01:49:23,869

fascinating and then I'm going to have

2508

01:49:28,270 --> 01:49:26,269

the privilege and honour interviewing

2509

01:49:28,509 --> 01:49:28,280

very briefly for a very short amount of

2510

01:49:31,299 --> 01:49:28,519

time

2511

01:49:35,049 --> 01:49:31,309

dr. Irina Scott she'll be in town at the

2512

01:49:37,179 --> 01:49:35,059

Phoenix MUFON a Historical Society

2513

01:49:39,489 --> 01:49:37,189

building I believe it is where they will

2514

01:49:41,319 --> 01:49:39,499

listen to her do a talk so that's going

2515

01:49:44,619 --> 01:49:41,329

to be interesting I recommend everybody

2516

01:49:46,599 --> 01:49:44,629

go to that listen to dr. R in Ascot at

2517

01:49:48,879 --> 01:49:46,609

Phoenix mu fonts Historical Society

2518

01:49:50,199 --> 01:49:48,889

building and please do look that up and

2519

01:49:51,609 --> 01:49:50,209

find out more information on that

2520

01:49:53,919 --> 01:49:51,619

because that's something that you should

2521

01:49:55,839 --> 01:49:53,929

not miss yep absolutely

2522

01:49:58,629 --> 01:49:55,849

so good night everybody yeah thanks for

2523

01:50:00,549 --> 01:49:58,639

joining us and we will be back sooner

2524

01:50:01,689 --> 01:50:00,559

than you think with the more stuff for
