now let me go ahead and get that

26

00:02:01,380 --> 00:01:59,049

information here she's been with us

27

00:02:04,740 --> 00:02:01,390

Phoenix move on for four years and with

28

00:02:06,749 --> 00:02:04,750

MUFON for five years and we also have

29

00:02:09,449 --> 00:02:06,759

another person that I'm going to bring

30

00:02:12,090 --> 00:02:09,459

on with us her name is Rosa Robles I

31

00:02:14,280 --> 00:02:12,100

believe is her name and thank you very

32

00:02:16,170 --> 00:02:14,290

much everybody for coming on I'm having

33

00:02:17,370 --> 00:02:16,180

a little bit of technical difficulty we

34

00:02:22,020 --> 00:02:17,380

appreciate your coming on the show

35

00:02:25,979 --> 00:02:22,030

that's today how are you thank you doing

36

00:02:28,259 --> 00:02:25,989

great fantastic we want to know just a

37

00:02:30,000 --> 00:02:28,269

little bit about your team by the way if

38

00:02:31,590 --> 00:02:30,010

you don't mind I wanted to give a little

39

00:02:33,960 --> 00:02:31,600

bit better introduction regarding

40

00:02:35,699 --> 00:02:33,970

Phoenix MUFON can you please tell us a

41

00:02:38,009 --> 00:02:35,709

little bit of history regarding Phoenix

42

00:02:49,949 --> 00:02:38,019

MUFON and some of the folks that we have

43

00:02:52,680 --> 00:02:49,959

on with us today and we've got quite a

44

00:02:55,380 --> 00:02:52,690

great group if I do say so myself

45

00:02:57,390 --> 00:02:55,390

we have 15 field investigators right now

46

00:02:59,880 --> 00:02:57,400

and they work together as just a crack

47

00:03:01,559 --> 00:02:59,890

team that takes on all kinds of things

48

00:03:04,080 --> 00:03:01,569

that happen throughout this state we

49

00:03:07,080 --> 00:03:04,090

actually get about 300 cases a year so

50

00:03:08,640 --> 00:03:07,090

they're very busy people and we really

51
00:03:10,800 --> 00:03:08,650
just respect the heck out of them

52
00:03:11,309 --> 00:03:10,810
because they're very well guided by our

53
00:03:13,860 --> 00:03:11,319
teeth and

54
00:03:15,539 --> 00:03:13,870
together Jennifer Aramis and he's a

55
00:03:22,280 --> 00:03:15,549
master at what he does

56
00:03:25,800 --> 00:03:24,119
lot of fun doing it

57
00:03:29,039 --> 00:03:25,810
do you think that you can have Marian

58
00:03:30,660 --> 00:03:29,049
come on and say hello to us please hi

59
00:03:36,559 --> 00:03:30,670
Jen Frank how are you today

60
00:03:42,360 --> 00:03:36,569
don't you nice talking to you today

61
00:03:49,770 --> 00:03:48,780
Oh fantastic how are you good now I'll

62
00:03:51,629 --> 00:03:49,780
be bringing on Rosa

63
00:03:54,390 --> 00:03:51,639

Robles I believe is her name she should

64

00:03:56,009 --> 00:03:54,400

be coming on in a moment I did want to

65

00:03:57,929 --> 00:03:56,019

while we're bringing her on however go

66

00:04:01,470 --> 00:03:57,939

ahead and start off with a really very

67

00:04:03,869 --> 00:04:01,480

serious topic that's greatly important

68

00:04:07,349 --> 00:04:03,879

to all of us and that is that President

69

00:04:09,750 --> 00:04:07,359

Trump was asked by Tucker Carlson about

70

00:04:12,240 --> 00:04:09,760

the UFO topic and he gave a very

71

00:04:16,860 --> 00:04:12,250

interesting answer does anybody want to

72

00:04:18,930 --> 00:04:16,870

chime in on that topic I think I think

73

00:04:24,810 --> 00:04:18,940

the president gave the answer he was

74

00:04:28,589 --> 00:04:24,820

qualified to give and I'm sure he knows

75

00:04:30,899 --> 00:04:28,599

more than what he told Tucker okay but

76

00:04:35,189 --> 00:04:30,909

again these these things that's

77

00:04:39,570 --> 00:04:35,199

happening with the the event and on the

78

00:04:44,100 --> 00:04:39,580

Nimitz and the USS Nimitz that's got to

79

00:04:48,210 --> 00:04:44,110

be somewhat classified and so I think

80

00:04:50,960 --> 00:04:48,220

that politically any leader would have

81

00:04:53,490 --> 00:04:50,970

to move forward very carefully on this

82

00:04:57,810 --> 00:04:53,500

there's a lot of visibility with Tucker

83

00:04:59,760 --> 00:04:57,820

Carlson he's viewed by millions and a

84

00:05:01,920 --> 00:04:59,770

lot of us here in the UFO community

85

00:05:04,290 --> 00:05:01,930

certainly we were waiting to see exactly

86

00:05:06,709 --> 00:05:04,300

what he would say and I think he said

87

00:05:10,200 --> 00:05:06,719

pretty much what we thought he would say

88

00:05:12,029 --> 00:05:10,210

I think it's kind of a pipe dream if we

89

00:05:14,490 --> 00:05:12,039

think the President of the United States

90

00:05:18,779 --> 00:05:14,500

regardless of who it is is just going to

91

00:05:20,730 --> 00:05:18,789

come right out and admit that this

92

00:05:22,350 --> 00:05:20,740

phenomena has been going on for years

93

00:05:23,969 --> 00:05:22,360

and that we've had and that the

94

00:05:25,050 --> 00:05:23,979

government has had visibility of this

95

00:05:28,620 --> 00:05:25,060

phenomena and that there

96

00:05:31,140 --> 00:05:28,630

hiding it or whatever so I think we just

97

00:05:33,840 --> 00:05:31,150

got to take what President Trump said

98

00:05:35,070 --> 00:05:33,850

for face value and then he just didn't

99

00:05:38,670 --> 00:05:35,080

really want to talk about it at that

100

00:05:41,879 --> 00:05:38,680

point because per probably or perhaps he

101
00:05:44,280 --> 00:05:41,889
wasn't quite filled in I I don't know

102
00:05:46,260 --> 00:05:44,290
but there was there certainly was a

103
00:05:49,379 --> 00:05:46,270
reason why he held back and I don't

104
00:05:53,430 --> 00:05:49,389
think that we should disrespect that I

105
00:05:57,090 --> 00:05:53,440
think that disclosure is coming about

106
00:06:00,240 --> 00:05:57,100
very quickly very rapidly we're seeing

107
00:06:03,780 --> 00:06:00,250
new people at our Phoenix MUFON meetings

108
00:06:06,300 --> 00:06:03,790
because of all of this and so I'm

109
00:06:08,030 --> 00:06:06,310
looking forward to some you know some

110
00:06:11,370 --> 00:06:08,040
really cool things happening in the next

111
00:06:13,020 --> 00:06:11,380
few months yeah the president sent some

112
00:06:15,090 --> 00:06:13,030
very nice things about the pilots that

113
00:06:16,920 --> 00:06:15,100

he really believes I'm he didn't he was

114

00:06:18,930 --> 00:06:16,930

a little skeptical in general but said

115

00:06:22,070 --> 00:06:18,940

nice things about the witnesses so

116

00:06:23,879 --> 00:06:22,080

that's got to be viewed as a positive

117

00:06:27,780 --> 00:06:23,889

absolutely and I agreed with that

118

00:06:31,170 --> 00:06:27,790

wholeheartedly he didn't deny anything

119

00:06:35,100 --> 00:06:31,180

he didn't back down he didn't make it

120

00:06:38,520 --> 00:06:35,110

sound silly by any fashion and he

121

00:06:42,360 --> 00:06:38,530

supported the our pilots he's our top

122

00:06:44,670 --> 00:06:42,370

gun pilots when you when you know when

123

00:06:47,130 --> 00:06:44,680

Europe but you're a commander of an f-18

124

00:06:50,090 --> 00:06:47,140

Hornet and you're up there and you

125

00:06:53,460 --> 00:06:50,100

you've got a squad that you're training

126
00:06:54,890 --> 00:06:53,470
and something like this happens yeah

127
00:06:57,900 --> 00:06:54,900
you're you know you're flying a

128
00:06:59,850 --> 00:06:57,910
multi-million dollar aircraft and you're

129
00:07:03,330 --> 00:06:59,860
one of you're one of the frontlines of

130
00:07:07,110 --> 00:07:03,340
American military defense and so this is

131
00:07:09,000 --> 00:07:07,120
no nonsense going on here and I think

132
00:07:11,570 --> 00:07:09,010
that the quick little imp little

133
00:07:15,779 --> 00:07:11,580
interview with the Tucker Carlson was

134
00:07:19,770 --> 00:07:15,789
about what fantastic I also wanted to

135
00:07:23,490 --> 00:07:19,780
actually ask Stacey Wright and Mary Ann

136
00:07:25,830 --> 00:07:23,500
Robb about this topic how do you all

137
00:07:27,990 --> 00:07:25,840
feel about President Trump having been

138
00:07:28,500 --> 00:07:28,000

asked by Tucker Carlson about the UFO

139

00:07:37,409 --> 00:07:28,510

topic

140

00:07:38,679 --> 00:07:37,419

what are your insights on that he only

141

00:07:41,499 --> 00:07:38,689

can say what he can

142

00:07:46,689 --> 00:07:41,509

they he he does spill a lot of beans and

143

00:07:48,850 --> 00:07:46,699

a lot of non subject I think they have

144

00:07:50,769 --> 00:07:48,860

to be pretty guarded you know and I

145

00:07:52,809 --> 00:07:50,779

think he just simply does not want to

146

00:07:56,079 --> 00:07:52,819

talk about it so he basically said

147

00:07:57,879 --> 00:07:56,089

though it's the second time in a few

148

00:07:58,899 --> 00:07:57,889

weeks that he was asked because he did

149

00:08:02,350 --> 00:07:58,909

an interview with George Stephanopoulos

150

00:08:04,539 --> 00:08:02,360

a few weeks before that and basically

151

00:08:06,219 --> 00:08:04,549

the same thing although he was seemed a

152

00:08:08,619 --> 00:08:06,229

little friendlier to the question when

153

00:08:10,419 --> 00:08:08,629

it came from Stephanopoulos and that he

154

00:08:12,189 --> 00:08:10,429

told George that he would be the first

155

00:08:14,889 --> 00:08:12,199

to know if he finds out anything more

156

00:08:16,839 --> 00:08:14,899

and Karl Suze you know let's face it

157

00:08:18,899 --> 00:08:16,849

kind of a media friend of the president

158

00:08:21,579 --> 00:08:18,909

didn't seem to get as good an answer as

159

00:08:25,089 --> 00:08:21,589

Stephanopoulos did wonder if anybody had

160

00:08:28,239 --> 00:08:25,099

any thoughts on that yeah I was thinking

161

00:08:30,219 --> 00:08:28,249

maybe this is Shane here you know that

162

00:08:34,899 --> 00:08:30,229

things are heating up on the topic in it

163

00:08:37,119 --> 00:08:34,909

it's becoming more sensitive as we see

164

00:08:39,490 --> 00:08:37,129

more disclosure coming and it has to be

165

00:08:43,299 --> 00:08:39,500

in a measured and controlled way so I

166

00:08:46,150 --> 00:08:43,309

had that same thought Frank were he it

167

00:08:48,999 --> 00:08:46,160

he was a little tight more tight lipped

168

00:08:50,980 --> 00:08:49,009

with with Tucker whom I would expect the

169

00:08:53,350 --> 00:08:50,990

opposite you know yes as you mentioned

170

00:08:56,350 --> 00:08:53,360

yeah I have that because there that

171

00:08:58,360 --> 00:08:56,360

interview came about the night of the

172

00:08:59,470 --> 00:08:58,370

final episode of the unidentified char

173

00:09:02,170 --> 00:08:59,480

which were going to be talking about a

174

00:09:03,819 --> 00:09:02,180

good bit more and I think a lot of folks

175

00:09:07,119 --> 00:09:03,829

were kind of excited there was sort of a

176

00:09:09,160 --> 00:09:07,129

false a little rumor floating around

177

00:09:11,079 --> 00:09:09,170

they was gonna really spill the beans

178

00:09:12,790 --> 00:09:11,089

and talk about a lot more as it turned

179

00:09:15,699 --> 00:09:12,800

out that didn't happen but we all

180

00:09:18,189 --> 00:09:15,709

watched anyway because even the most

181

00:09:19,900 --> 00:09:18,199

obscure mention by a president about the

182

00:09:21,699 --> 00:09:19,910

UFO stuff I mean we're all gonna be all

183

00:09:24,189 --> 00:09:21,709

over it so it really didn't matter we

184

00:09:25,929 --> 00:09:24,199

were gonna watch anyway but I did think

185

00:09:28,389 --> 00:09:25,939

the whole exchange is really interesting

186

00:09:30,549 --> 00:09:28,399

yeah I think that's meaningful right

187

00:09:32,799 --> 00:09:30,559

anytime the president you know make a

188

00:09:39,249 --> 00:09:32,809

comment you do have to listen to that so

189

00:09:43,210 --> 00:09:39,259

I appreciated it yeah go political so

190

00:09:45,970 --> 00:09:43,220

fast and regardless of who's in the

191

00:09:49,449 --> 00:09:45,980

White House when something of this

192

00:09:52,210 --> 00:09:49,459

impact it's you know hits the general

193

00:09:52,510 --> 00:09:52,220

public it's gonna be politicized very

194

00:09:58,180 --> 00:09:52,520

very

195

00:10:01,960 --> 00:09:58,190

quickly I have seen a great boy you just

196

00:10:04,420 --> 00:10:01,970

know it is yes and when you're president

197

00:10:05,860 --> 00:10:04,430

Trump regardless of who likes him who

198

00:10:07,540 --> 00:10:05,870

doesn't like him he's in a position

199

00:10:09,850 --> 00:10:07,550

where he's got he's walking on eggshells

200

00:10:13,240 --> 00:10:09,860

when it comes to what's going on with

201
00:10:15,010 --> 00:10:13,250
UFO and classified information agreed a

202
00:10:19,210 --> 00:10:15,020
hundred percent and I would like the

203
00:10:22,060 --> 00:10:19,220
opportunity to ask Marianne rabe also a

204
00:10:25,030 --> 00:10:22,070
Christine wolf and investigator field

205
00:10:28,360 --> 00:10:25,040
investigator Rosa Robles who's on with

206
00:10:30,040 --> 00:10:28,370
us today regarding this topic how do you

207
00:10:32,440 --> 00:10:30,050
feel about President Trump having been

208
00:10:35,980 --> 00:10:32,450
asked about the UFO topic twice now by

209
00:10:40,270 --> 00:10:35,990
two different interviewers this is this

210
00:10:45,160 --> 00:10:40,280
is Chris here I think that he he came

211
00:10:56,170 --> 00:10:45,170
across really well and in an unusual

212
00:10:58,860 --> 00:10:56,180
fashion for him anyway and I you know

213
00:11:02,590 --> 00:10:58,870

he's only allowed to stay so much and

214

00:11:06,160 --> 00:11:02,600

and there's only so much that everybody

215

00:11:08,050 --> 00:11:06,170

knows anyway so I think he's open to it

216

00:11:09,880 --> 00:11:08,060

and I think he's just going to have to

217

00:11:15,700 --> 00:11:09,890

we're all just gonna have to wait to see

218

00:11:21,550 --> 00:11:15,710

just what happens so I grab wonderful

219

00:11:24,940 --> 00:11:21,560

and Marian are you there yes go ahead

220

00:11:28,330 --> 00:11:24,950

I'll be honest I did not hear after the

221

00:11:32,140 --> 00:11:28,340

last episode of just under unidentified

222

00:11:35,620 --> 00:11:32,150

I did not hear the interview with

223

00:11:37,810 --> 00:11:35,630

President Trump and Tucker Carlson I

224

00:11:40,090 --> 00:11:37,820

heard a little bit about it but I was I

225

00:11:44,550 --> 00:11:40,100

didn't hear the actual interview that

226

00:11:47,050 --> 00:11:44,560

was going on but with Jim Stacy

227

00:11:50,800 --> 00:11:47,060

Christine and chained everything that

228

00:11:53,560 --> 00:11:50,810

they said 100 percent is I think there's

229

00:11:56,020 --> 00:11:53,570

gonna be disclosures coming the

230

00:11:58,030 --> 00:11:56,030

television show identified really helped

231

00:11:58,660 --> 00:11:58,040

that out tremendously people are coming

232

00:12:01,270 --> 00:11:58,670

forward

233

00:12:03,700 --> 00:12:01,280

however Trump can't just come out and

234

00:12:05,560 --> 00:12:03,710

say oh yeah this is all going on every

235

00:12:06,850 --> 00:12:05,570

president has been asked the same

236

00:12:10,480 --> 00:12:06,860

question

237

00:12:12,790 --> 00:12:10,490

about the UFO phenomenon and have we

238

00:12:15,370 --> 00:12:12,800

been visited and Trump I think did a

239

00:12:17,760 --> 00:12:15,380

great job answering what he could but

240

00:12:21,280 --> 00:12:17,770

there's no way he's going to be able to

241

00:12:26,140 --> 00:12:21,290

answer that question just right out in

242

00:12:28,480 --> 00:12:26,150

the open and I'm the same way I you know

243

00:12:29,950 --> 00:12:28,490

it's great he believed in and agreed

244

00:12:33,130 --> 00:12:29,960

with the pilots I think it's awesome

245

00:12:37,270 --> 00:12:33,140

that the pilots that came forward in

246

00:12:40,780 --> 00:12:37,280

this show disclosures gonna come slowly

247

00:12:44,290 --> 00:12:40,790

and I think President Trump again did a

248

00:12:47,710 --> 00:12:44,300

great job in what he could say thank you

249

00:12:49,150 --> 00:12:47,720

very much for that insight and Rosa and

250

00:12:50,860 --> 00:12:49,160

by the way I'll be asking another

251

00:12:53,230 --> 00:12:50,870

question right after this Frank I just

252

00:12:55,060 --> 00:12:53,240

wanted to remind you of that well so for

253

00:12:57,070 --> 00:12:55,070

you before you change subjects because I

254

00:12:59,020 --> 00:12:57,080

can't follow up yeah okay that sounds

255

00:12:59,550 --> 00:12:59,030

good I'll be sure to touch base with you

256

00:13:01,510 --> 00:12:59,560

on that

257

00:13:03,100 --> 00:13:01,520

roasted do you mind just telling us a

258

00:13:06,340 --> 00:13:03,110

little bit about yourself and also

259

00:13:08,530 --> 00:13:06,350

touching on this topic well my name is

260

00:13:11,620 --> 00:13:08,540

Rosa Robles I'm a relatively new

261

00:13:14,800 --> 00:13:11,630

investigator and very very excited to be

262

00:13:18,130 --> 00:13:14,810

on board one of my mentors there is

263

00:13:21,850 --> 00:13:18,140

Marianna you be with her I unfortunately

264

00:13:23,620 --> 00:13:21,860

didn't get to see the interview with

265

00:13:26,860 --> 00:13:23,630

with Trump I usually catch every

266

00:13:30,070 --> 00:13:26,870

everything he says and at this time I

267

00:13:31,780 --> 00:13:30,080

didn't catch that but I do agree with

268

00:13:33,640 --> 00:13:31,790

her there's there's not much that they

269

00:13:37,830 --> 00:13:33,650

can say and I believe that there isn't

270

00:13:40,690 --> 00:13:37,840

that much that they know or can divulge

271

00:13:44,050 --> 00:13:40,700

so but then again I like I said I'm glad

272

00:13:46,120 --> 00:13:44,060

to be on on board thank you thank you so

273

00:13:49,050 --> 00:13:46,130

much yeah Jim you would mention this

274

00:13:51,790 --> 00:13:49,060

issue getting political very quickly and

275

00:13:53,230 --> 00:13:51,800

on one hand I agree with you but on the

276

00:13:56,380 --> 00:13:53,240

other hand I'm having a tough time

277

00:13:58,450 --> 00:13:56,390

imagining how that is going to happen I

278

00:14:01,600 --> 00:13:58,460

don't see any political candidates

279

00:14:04,600 --> 00:14:01,610

jumping into this apparently Andrew yang

280

00:14:07,930 --> 00:14:04,610

on the Democrat side has been briefed of

281

00:14:10,660 --> 00:14:07,940

when he was in Nevada he is apparently

282

00:14:12,910 --> 00:14:10,670

one of the candidates who's been briefed

283

00:14:14,410 --> 00:14:12,920

on the issue and knows a little bit more

284

00:14:16,420 --> 00:14:14,420

about it maybe then there's some others

285

00:14:19,480 --> 00:14:16,430

but I can't see the candidates jumping

286

00:14:20,540 --> 00:14:19,490

in on this really quick is it going to

287

00:14:22,519 --> 00:14:20,550

take that is it going to

288

00:14:24,079 --> 00:14:22,529

just more questions from the press what

289

00:14:26,210 --> 00:14:24,089

do you think it's gonna take to get this

290

00:14:30,290 --> 00:14:26,220

this issue discussed a little bit more

291

00:14:32,810 --> 00:14:30,300

openly well you guys know anybody unless

292

00:14:36,470 --> 00:14:32,820

you've been living under a rock you know

293

00:14:40,540 --> 00:14:36,480

that whether you like President Trump or

294

00:14:43,160 --> 00:14:40,550

not he has probably been under the gun

295

00:14:47,900 --> 00:14:43,170

more than any president in my lifetime

296

00:14:52,160 --> 00:14:47,910

and I'm 66 years old I've never seen a

297

00:14:54,860 --> 00:14:52,170

president hammered so badly by the press

298

00:14:56,480 --> 00:14:54,870

as this president and that we've seen a

299

00:14:59,120 --> 00:14:56,490

lot I've seen a lot of administration's

300

00:15:01,310 --> 00:14:59,130

come and go if President Trump gets out

301
00:15:03,949 --> 00:15:01,320
there and starts talking about UFOs oh

302
00:15:06,590 --> 00:15:03,959
my god that's going to create a

303
00:15:08,210 --> 00:15:06,600
firestorm for him and he knows it along

304
00:15:10,850 --> 00:15:08,220
with everything else now Senator Harry

305
00:15:13,250 --> 00:15:10,860
Reid is being very verbal about all this

306
00:15:15,590 --> 00:15:13,260
and good for him okay

307
00:15:20,810 --> 00:15:15,600
we need more senators to talk about it

308
00:15:22,940 --> 00:15:20,820
if you guys remember back whew oh yeah I

309
00:15:26,600 --> 00:15:22,950
think it was the governor of New Mexico

310
00:15:28,400 --> 00:15:26,610
who wanted to bring up the issue of UFOs

311
00:15:30,860 --> 00:15:28,410
because he hid Roswell right there in

312
00:15:34,639 --> 00:15:30,870
stone state they they just about

313
00:15:38,810 --> 00:15:34,649

crucified that man on TV and so he

314

00:15:41,960 --> 00:15:38,820

backed out of the election and so these

315

00:15:43,910 --> 00:15:41,970

are very very touchy subjects for the

316

00:15:45,680 --> 00:15:43,920

leader of this country start talking

317

00:15:48,260 --> 00:15:45,690

about UFOs because there's a lot at

318

00:15:50,780 --> 00:15:48,270

stake here number one this phenomena has

319

00:15:55,370 --> 00:15:50,790

been going on 60 or 70 years and there's

320

00:15:57,490 --> 00:15:55,380

accountability okay so if Trump comes

321

00:16:00,500 --> 00:15:57,500

right out and starts talking about UFOs

322

00:16:02,900 --> 00:16:00,510

the accountability is right behind it of

323

00:16:04,040 --> 00:16:02,910

why all the secrecy what about all these

324

00:16:08,030 --> 00:16:04,050

people that were lied to

325

00:16:11,150 --> 00:16:08,040

what about this what about that so this

326

00:16:13,370 --> 00:16:11,160

could go political extremely fast and

327

00:16:14,360 --> 00:16:13,380

I'm quite frankly I'm surprised it

328

00:16:17,269 --> 00:16:14,370

hasn't already

329

00:16:20,810 --> 00:16:17,279

simply because Tucker even asked him

330

00:16:25,069 --> 00:16:20,820

that question thankfully there were a

331

00:16:28,280 --> 00:16:25,079

lot of other issues that were more

332

00:16:29,960 --> 00:16:28,290

visible to the general public in and the

333

00:16:31,639 --> 00:16:29,970

news media that they just kind of just

334

00:16:34,579 --> 00:16:31,649

skirted right on past the whole UFO

335

00:16:37,670 --> 00:16:34,589

thing so

336

00:16:42,550 --> 00:16:37,680

yeah you know these are crazy times

337

00:16:46,940 --> 00:16:42,560

we're living in all we all know that so

338

00:16:51,829 --> 00:16:46,950

yeah for disclosure to come about this

339

00:16:53,750 --> 00:16:51,839

is a this is a really good first step if

340

00:16:55,939 --> 00:16:53,760

you want to call it a first step but

341

00:16:58,069 --> 00:16:55,949

this is disclosure I mean this is

342

00:17:00,860 --> 00:16:58,079

probably about as good as it's gonna get

343

00:17:03,439 --> 00:17:00,870

when our naval forces in our naval

344

00:17:06,169 --> 00:17:03,449

people are top gun pilots are coming

345

00:17:09,620 --> 00:17:06,179

forward talking talking about it it's

346

00:17:11,480 --> 00:17:09,630

it's it's the question is poised is it

347

00:17:13,159 --> 00:17:11,490

to the to the President of the United

348

00:17:16,429 --> 00:17:13,169

States on national TV

349

00:17:18,169 --> 00:17:16,439

this is disclosure folks I mean I it's

350

00:17:19,789 --> 00:17:18,179

again what's gonna be but it's going to

351
00:17:22,579 --> 00:17:19,799
be like a year from now I have no idea

352
00:17:26,000 --> 00:17:22,589
and what is it going to mean anything

353
00:17:29,480 --> 00:17:26,010
for the 2020 elections I imagine it will

354
00:17:32,060 --> 00:17:29,490
have some some impact I don't know how

355
00:17:35,690 --> 00:17:32,070
much but that's what I'm that's what I'm

356
00:17:39,890 --> 00:17:35,700
guessing at this point also points go

357
00:17:44,450 --> 00:17:39,900
ahead Chris you know all this stuff has

358
00:17:46,909 --> 00:17:44,460
been eking out you know the Navy stuff

359
00:17:49,850 --> 00:17:46,919
and all that that has been on and I'm

360
00:17:52,130 --> 00:17:49,860
wondering submit to me when I see here

361
00:17:54,740 --> 00:17:52,140
just stuff coming on and and what's

362
00:17:57,110 --> 00:17:54,750
going on and I'm thinking this is a big

363
00:17:59,990 --> 00:17:57,120

deal this is a you know this is really

364

00:18:01,940 --> 00:18:00,000

gonna make a difference to the world and

365

00:18:05,000 --> 00:18:01,950

I'm wondering I'm looking around like am

366

00:18:06,200 --> 00:18:05,010

i that I just hear that I might the only

367

00:18:11,860 --> 00:18:06,210

one that you does like me

368

00:18:16,940 --> 00:18:15,440

myself because I'm thinking it's a big

369

00:18:18,740 --> 00:18:16,950

deal and it means something but it's

370

00:18:20,650 --> 00:18:18,750

like the world's really doesn't seem to

371

00:18:23,330 --> 00:18:20,660

be paying a lot of attention

372

00:18:25,690 --> 00:18:23,340

hahaha yeah you're right about that

373

00:18:28,760 --> 00:18:25,700

you're right about that

374

00:18:30,020 --> 00:18:28,770

go ahead well I was just that's just

375

00:18:32,630 --> 00:18:30,030

what I was gonna say you know it's just

376

00:18:35,480 --> 00:18:32,640

that I'm finding it kind of fascinating

377

00:18:38,630 --> 00:18:35,490

either the world has gotten kind of

378

00:18:42,169 --> 00:18:38,640

accustomed to this and we're making a

379

00:18:44,450 --> 00:18:42,179

bigger deal out of this and it really is

380

00:18:47,030 --> 00:18:44,460

in regards to what would happen if it

381

00:18:48,080 --> 00:18:47,040

was disclosed you know I don't know I

382

00:18:56,750 --> 00:18:48,090

just find it kind of

383

00:18:58,700 --> 00:18:56,760

right that's one of my observations yes

384

00:19:01,549 --> 00:18:58,710

that actually happened regarding the

385

00:19:03,620 --> 00:19:01,559

apathy or the level of

386

00:19:05,570 --> 00:19:03,630

non-responsiveness regarding the topic

387

00:19:09,049 --> 00:19:05,580

we're talking about here when on

388

00:19:10,940 --> 00:19:09,059

December 16th 2017 Gloria gluing Aras

389

00:19:13,940 --> 00:19:10,950

and black money and that article came

390

00:19:15,799 --> 00:19:13,950

out and by Helen Cooper ralph Blumenthal

391

00:19:18,680 --> 00:19:15,809

and Leslie Kane came out on a Saturday

392

00:19:21,380 --> 00:19:18,690

and Frank you and I have talked many

393

00:19:23,810 --> 00:19:21,390

times about how there was a real lack of

394

00:19:27,500 --> 00:19:23,820

response to this a mind-blowing article

395

00:19:31,460 --> 00:19:27,510

about disclosure regarding Pentagon UFO

396

00:19:33,950 --> 00:19:31,470

run program for about five years maybe

397

00:19:34,970 --> 00:19:33,960

slightly more anybody want to chime in

398

00:19:36,950 --> 00:19:34,980

on that topic

399

00:19:45,860 --> 00:19:36,960

yeah I'll jump in now you know what I

400

00:19:47,659 --> 00:19:45,870

think is happening okay yeah finish yeah

401
00:19:49,370 --> 00:19:47,669
I'll finish my point that what I think

402
00:19:51,320 --> 00:19:49,380
is happening is that there are a lot of

403
00:19:55,060 --> 00:19:51,330
there are only so many folks out there

404
00:19:57,519 --> 00:19:55,070
who are wildly into UFOs like we are

405
00:20:00,049 --> 00:19:57,529
excuse me

406
00:20:02,360 --> 00:20:00,059
so that's a pretty limited audience but

407
00:20:04,370 --> 00:20:02,370
what I think there is is a lot of people

408
00:20:04,850 --> 00:20:04,380
who may be having it we're sort of open

409
00:20:06,350 --> 00:20:04,860
to it

410
00:20:08,060 --> 00:20:06,360
I think there's a big chunk of the

411
00:20:10,810 --> 00:20:08,070
population that is open to it and

412
00:20:13,340 --> 00:20:10,820
interested in hearing more but honestly

413
00:20:15,230 --> 00:20:13,350

these little drips and drops that we

414

00:20:16,970 --> 00:20:15,240

hear here and there a question gets

415

00:20:19,220 --> 00:20:16,980

asked of Trump in one interview then

416

00:20:20,779 --> 00:20:19,230

another question in another that's not

417

00:20:23,990 --> 00:20:20,789

the kind of thing that's going to get

418

00:20:26,240 --> 00:20:24,000

the entire country or the entire world's

419

00:20:27,710 --> 00:20:26,250

attention it'll take a little bit more

420

00:20:29,899 --> 00:20:27,720

than that but there are a lot of people

421

00:20:32,060 --> 00:20:29,909

who are very open to the subject but

422

00:20:34,340 --> 00:20:32,070

they literally don't even realize what's

423

00:20:36,230 --> 00:20:34,350

going on with all this heightened

424

00:20:39,440 --> 00:20:36,240

attention that the UFO stuff has gotten

425

00:20:43,730 --> 00:20:39,450

over the last well year and a half plus

426

00:20:45,740 --> 00:20:43,740

almost two years now right now

427

00:20:48,769 --> 00:20:45,750

Trump apparently was briefed regarding

428

00:20:52,039 --> 00:20:48,779

the UFO topic I don't know why this is

429

00:20:53,720 --> 00:20:52,049

so surprising however because I happen

430

00:20:56,360 --> 00:20:53,730

to agree with a few of our panelists

431

00:21:00,889 --> 00:20:56,370

that I think that just about every

432

00:21:01,970 --> 00:21:00,899

president within the last the last 60 or

433

00:21:03,980 --> 00:21:01,980

70 years

434

00:21:07,700 --> 00:21:03,990

has been briefed on this topic because

435

00:21:10,850 --> 00:21:07,710

anything that's potentially in our skies

436

00:21:14,330 --> 00:21:10,860

traversing our skies would be considered

437

00:21:16,970 --> 00:21:14,340

a possible threat so it just makes sense

438

00:21:19,100 --> 00:21:16,980

to me that any president would be

439

00:21:20,630 --> 00:21:19,110

briefed on this topic are there any

440

00:21:25,430 --> 00:21:20,640

thoughts that anybody wants to share on

441

00:21:29,539 --> 00:21:25,440

this topic yeah you know yeah you know

442

00:21:32,419 --> 00:21:29,549

just imagine the responsibility that

443

00:21:34,130 --> 00:21:32,429

goes along with this we discover that

444

00:21:36,890 --> 00:21:34,140

there's a technology out there that's

445

00:21:39,110 --> 00:21:36,900

wildly admit that anything that we have

446

00:21:41,930 --> 00:21:39,120

in the skies and here we have

447

00:21:43,940 --> 00:21:41,940

confirmation all of the sudden we sue we

448

00:21:45,680 --> 00:21:43,950

have confirmation and if the

449

00:21:49,070 --> 00:21:45,690

confirmation is coming from our navel

450

00:21:51,080 --> 00:21:49,080

Department and how do we handle that in

451
00:21:55,010 --> 00:21:51,090
a responsible manner because this

452
00:21:58,820 --> 00:21:55,020
technology represents forms of energy

453
00:22:00,140 --> 00:21:58,830
that we have no idea how it works and

454
00:22:03,310 --> 00:22:00,150
what is that how does that going to

455
00:22:06,049 --> 00:22:03,320
impact the fossil fuel industry are they

456
00:22:08,750 --> 00:22:06,059
you know all these all the different

457
00:22:14,570 --> 00:22:08,760
streets and all them all the economy of

458
00:22:16,850 --> 00:22:14,580
the world rotates on the oil industry

459
00:22:20,990 --> 00:22:16,860
basically that in the semiconductor

460
00:22:23,600 --> 00:22:21,000
industry but all of all of the sudden

461
00:22:26,060 --> 00:22:23,610
we've got this technology that's way in

462
00:22:28,760 --> 00:22:26,070
advance of that so what is the

463
00:22:31,220 --> 00:22:28,770

responsible thing to do when we bring it

464

00:22:35,659 --> 00:22:31,230

forward to the general public and we

465

00:22:38,060 --> 00:22:35,669

start announcing this you know I'm not

466

00:22:41,570 --> 00:22:38,070

saying that panic is going to happen but

467

00:22:44,210 --> 00:22:41,580

a new form of energy that would put

468

00:22:46,430 --> 00:22:44,220

fossil fuels out of business is also

469

00:22:49,010 --> 00:22:46,440

going to put billions and billions of

470

00:22:50,930 --> 00:22:49,020

dollars out of business and and and you

471

00:22:53,000 --> 00:22:50,940

know millions of people so there's a

472

00:22:54,680 --> 00:22:53,010

responsible way to do this and I I mean

473

00:22:57,530 --> 00:22:54,690

I'm not the person making the decisions

474

00:23:00,289 --> 00:22:57,540

and I'm glad I'm not but I think Nick

475

00:23:03,740 --> 00:23:00,299

Pope edit Club disclosure with a small D

476

00:23:05,900 --> 00:23:03,750

and little steps at a time and I think

477

00:23:10,100 --> 00:23:05,910

that we're already seeing in the time

478

00:23:12,799 --> 00:23:10,110

that I've been in MUFON in 12 years you

479

00:23:14,930 --> 00:23:12,809

see more programs on TV now we see we

480

00:23:15,510 --> 00:23:14,940

see bigger numbers at the conferences

481

00:23:19,020 --> 00:23:15,520

you

482

00:23:21,570 --> 00:23:19,030

more conferences and so yeah this

483

00:23:23,280 --> 00:23:21,580

closures coming and it's with a small D

484

00:23:25,440 --> 00:23:23,290

but it we have to get into the

485

00:23:27,240 --> 00:23:25,450

consciousness of the general public I

486

00:23:28,650 --> 00:23:27,250

don't think we're going to get a big

487

00:23:33,450 --> 00:23:28,660

announcement coming out of the White

488

00:23:36,390 --> 00:23:33,460

House okay and going on along the same

489

00:23:40,580 --> 00:23:36,400

topic I brought up just a few minutes

490

00:23:44,190 --> 00:23:40,590

before Shane my question to you is can

491

00:23:46,170 --> 00:23:44,200

you tell me why nobody seems to care in

492

00:23:49,430 --> 00:23:46,180

the general public as much as we would

493

00:23:51,960 --> 00:23:49,440

hope they would regarding things like

494

00:23:53,850 --> 00:23:51,970

glowing hours and black money that

495

00:23:57,030 --> 00:23:53,860

article by Leslie Kane and the two other

496

00:24:00,030 --> 00:23:57,040

authors of it and then the fact that

497

00:24:01,710 --> 00:24:00,040

Trump has been involved in this topic a

498

00:24:04,860 --> 00:24:01,720

few times with two different

499

00:24:07,980 --> 00:24:04,870

interviewers oh I guess maybe our hopes

500

00:24:12,900 --> 00:24:07,990

too high the UFO community what what's

501
00:24:15,240 --> 00:24:12,910
going on there yeah I think you know

502
00:24:17,490 --> 00:24:15,250
along with what Jim was saying is you

503
00:24:20,040 --> 00:24:17,500
know disclosure has to happen in a in a

504
00:24:22,770 --> 00:24:20,050
careful way now you think of it from the

505
00:24:24,570 --> 00:24:22,780
perspective of government there's a

506
00:24:26,700 --> 00:24:24,580
wonderful political science paper

507
00:24:29,190 --> 00:24:26,710
written by two gentlemen by name of

508
00:24:31,640 --> 00:24:29,200
Duval and went called UFOs and

509
00:24:34,740 --> 00:24:31,650
sovereignty and they looked at the

510
00:24:37,970 --> 00:24:34,750
perspective of if there were you know

511
00:24:40,770 --> 00:24:37,980
another more powerful force that

512
00:24:42,930 --> 00:24:40,780
presented itself that it would be in

513
00:24:45,930 --> 00:24:42,940

fact a threat to every nation on earth

514

00:24:47,880 --> 00:24:45,940

because the forms of government on this

515

00:24:50,060 --> 00:24:47,890

earth our nation's they're separate

516

00:24:53,550 --> 00:24:50,070

separate borders they have local issues

517

00:24:55,680 --> 00:24:53,560

and they depend on those things to stay

518

00:24:58,680 --> 00:24:55,690

in power and again if some of the things

519

00:25:00,960 --> 00:24:58,690

like Jim mentioned were to come to

520

00:25:03,300 --> 00:25:00,970

fruition with with the advancement of

521

00:25:05,640 --> 00:25:03,310

these others you know a global energy

522

00:25:08,010 --> 00:25:05,650

maybe would impact you know global

523

00:25:12,080 --> 00:25:08,020

religion and it would have an effect on

524

00:25:14,160 --> 00:25:12,090

global government and so you know it's a

525

00:25:17,100 --> 00:25:14,170

hypersensitive vision I think this is

526

00:25:19,800 --> 00:25:17,110

where it can go political because it is

527

00:25:23,280 --> 00:25:19,810

in fact a threat to national sovereignty

528

00:25:26,460 --> 00:25:23,290

however the general public you know

529

00:25:28,830 --> 00:25:26,470

probably do not see it from that point

530

00:25:29,310 --> 00:25:28,840

of view and I think the reason we see I

531

00:25:32,940 --> 00:25:29,320

don't think

532

00:25:36,990 --> 00:25:32,950

it's apathy I think it's a fact is is

533

00:25:39,389 --> 00:25:37,000

that we we still are guided by what

534

00:25:41,519 --> 00:25:39,399

happens in our daily lives so let's just

535

00:25:43,560 --> 00:25:41,529

take the example of school shootings you

536

00:25:45,779 --> 00:25:43,570

know when those things first happened I

537

00:25:48,840 --> 00:25:45,789

mean it was as shocking as could be our

538

00:25:51,720 --> 00:25:48,850

whole nation was you know reacting to

539

00:25:54,090 --> 00:25:51,730

that and but then over the years where

540

00:25:56,399 --> 00:25:54,100

there's you know 100 200 of these a year

541

00:25:58,560 --> 00:25:56,409

you know they they get in the new cycle

542

00:26:02,039 --> 00:25:58,570

we feel bad you know for a week or two

543

00:26:03,749 --> 00:26:02,049

but then you know the reality for each

544

00:26:05,220 --> 00:26:03,759

of us is that you know we have to go to

545

00:26:06,570 --> 00:26:05,230

work we have to pay our bills we have to

546

00:26:08,100 --> 00:26:06,580

take the kids to school we have to pay

547

00:26:11,310 --> 00:26:08,110

our mortgage those are the thing that

548

00:26:15,240 --> 00:26:11,320

dominates the life of an individual and

549

00:26:16,950 --> 00:26:15,250

so and yes there's a lot of interest out

550

00:26:18,060 --> 00:26:16,960

there and I'll just throw in I don't

551
00:26:20,249 --> 00:26:18,070
know if you want to talk about it more

552
00:26:27,570 --> 00:26:20,259
later but this whole issue of the hey

553
00:26:29,610 --> 00:26:27,580
let's storm area 51 yeah I'll just say

554
00:26:32,100 --> 00:26:29,620
at this point you know the law of

555
00:26:35,310 --> 00:26:32,110
unintended consequences is ever-present

556
00:26:38,220 --> 00:26:35,320
right and so just imagine you know

557
00:26:40,619 --> 00:26:38,230
something of that nature but politically

558
00:26:42,899 --> 00:26:40,629
oriented springing out of nowhere and

559
00:26:45,119 --> 00:26:42,909
talking about the president's reaction

560
00:26:47,399 --> 00:26:45,129
our nation's reaction you just never

561
00:26:49,649 --> 00:26:47,409
know I mean this is a you know it's a

562
00:26:51,960 --> 00:26:49,659
delicate thing that has to be handled in

563
00:26:53,490 --> 00:26:51,970

a delicate way and even if it is there's

564

00:26:56,009 --> 00:26:53,500

going to be things that no one

565

00:26:58,169 --> 00:26:56,019

anticipated so you know this is it's

566

00:27:00,360 --> 00:26:58,179

fragile disclosure is fragile but

567

00:27:02,759 --> 00:27:00,370

there's no doubt about it's happening

568

00:27:05,070 --> 00:27:02,769

we're in the throes of it and I think in

569

00:27:07,409 --> 00:27:05,080

general it's a good thing but people

570

00:27:09,690 --> 00:27:07,419

just need to recognize the ones that are

571

00:27:13,259 --> 00:27:09,700

controlling disclosure are the ones that

572

00:27:15,450 --> 00:27:13,269

are most at threat from it so they're

573

00:27:17,789 --> 00:27:15,460

gonna do it their way in their timeline

574

00:27:19,950 --> 00:27:17,799

to mitigate all those things Jim talked

575

00:27:22,649 --> 00:27:19,960

about like responsibility for the last

576

00:27:24,240 --> 00:27:22,659

70 years etc well well saying that the

577

00:27:26,399 --> 00:27:24,250

reason for all this the reason why

578

00:27:29,279 --> 00:27:26,409

disclosure is such a delicate thing is

579

00:27:32,249 --> 00:27:29,289

because et themselves are maintaining

580

00:27:34,139 --> 00:27:32,259

this kind of ambiguous profile out there

581

00:27:36,110 --> 00:27:34,149

where you know now you see us now you

582

00:27:38,490 --> 00:27:36,120

don't maybe we're here maybe we're not

583

00:27:41,049 --> 00:27:38,500

though there are a lot of people who can

584

00:27:43,779 --> 00:27:41,059

credibly say look there

585

00:27:45,580 --> 00:27:43,789

UFOs are not et this is this is

586

00:27:47,110 --> 00:27:45,590

silliness and they can do it because

587

00:27:50,260 --> 00:27:47,120

they can because they can get away with

588

00:27:54,730 --> 00:27:50,270

it because there is no unambiguous et

589

00:27:57,220 --> 00:27:54,740

presence yeah absolutely and really that

590

00:27:59,980 --> 00:27:57,230

is the actual question you should all be

591

00:28:02,620 --> 00:27:59,990

asking but it's too scary and it's too

592

00:28:04,930 --> 00:28:02,630

soon to contemplate that right so first

593

00:28:06,880 --> 00:28:04,940

we've got to establish you know the what

594

00:28:09,310 --> 00:28:06,890

the when and the where and that's easy

595

00:28:11,200 --> 00:28:09,320

that comes with data right that's that's

596

00:28:13,120 --> 00:28:11,210

where we're at right now but that's

597

00:28:15,340 --> 00:28:13,130

gonna lead to once we get a handle on

598

00:28:18,250 --> 00:28:15,350

that then it's gonna lead to who and

599

00:28:19,899 --> 00:28:18,260

then ultimately why and those are the

600

00:28:23,230 --> 00:28:19,909

most frightening things and the most

601
00:28:25,180 --> 00:28:23,240
delicate things uh you know I've heard

602
00:28:26,890 --> 00:28:25,190
people say and I'm gonna be asking other

603
00:28:28,720 --> 00:28:26,900
folks in our panel have not had the

604
00:28:32,460 --> 00:28:28,730
opportunity to really talk very much

605
00:28:35,440 --> 00:28:32,470
about this interesting topic and that is

606
00:28:39,399 --> 00:28:35,450
I've heard a lot of folks in the UFO

607
00:28:42,730 --> 00:28:39,409
community argue over this topic is that

608
00:28:45,190 --> 00:28:42,740
being that people are afraid for the

609
00:28:48,159 --> 00:28:45,200
government to disclose anything about

610
00:28:49,659 --> 00:28:48,169
the UFO topic and then there's the camp

611
00:28:52,210 --> 00:28:49,669
that says I'm not a baby

612
00:28:54,970 --> 00:28:52,220
if the government can handle disclosure

613
00:28:58,210 --> 00:28:54,980

I can to if the government knows about

614

00:29:01,149 --> 00:28:58,220

the UFO meeting really the et topic and

615

00:29:04,480 --> 00:29:01,159

they have information on it well they're

616

00:29:07,270 --> 00:29:04,490

humans just like I am so I can - what

617

00:29:13,480 --> 00:29:07,280

are your thoughts on that Mary Ann Stacy

618

00:29:17,289 --> 00:29:13,490

Rosa Robles and Chris get this Mary Ann

619

00:29:21,070 --> 00:29:17,299

my thing on the disclosure the black

620

00:29:24,460 --> 00:29:21,080

money and you know people you're saying

621

00:29:26,409 --> 00:29:24,470

that people are not listening they're

622

00:29:28,899 --> 00:29:26,419

not getting upset or they're there

623

00:29:33,520 --> 00:29:28,909

they're not voicing their opinions my

624

00:29:36,520 --> 00:29:33,530

thought on that is that the citizens the

625

00:29:38,590 --> 00:29:36,530

people go hey we already knew we knew

626
00:29:41,159 --> 00:29:38,600
you were doing probably something with

627
00:29:46,180 --> 00:29:41,169
the UFO community we knew that you were

628
00:29:50,139 --> 00:29:46,190
putting up all this money for programs

629
00:29:52,600 --> 00:29:50,149
to to look at the UFOs this black money

630
00:29:54,610 --> 00:29:52,610
it's right we already knew that you were

631
00:29:56,980 --> 00:29:54,620
probably already doing that

632
00:30:00,130 --> 00:29:56,990
hey we're just happy you're finally

633
00:30:02,230 --> 00:30:00,140
coming out and telling us disclosing

634
00:30:06,040 --> 00:30:02,240
that yes we did have programs where

635
00:30:09,610 --> 00:30:06,050
we're using black money and we were

636
00:30:12,310 --> 00:30:09,620
testing different technologies and I

637
00:30:14,200 --> 00:30:12,320
just think people are like well it's

638
00:30:16,299 --> 00:30:14,210

about time you came out we know you

639

00:30:17,890 --> 00:30:16,309

probably were already doing it and thank

640

00:30:20,860 --> 00:30:17,900

you for finally coming out and telling

641

00:30:22,860 --> 00:30:20,870

us I don't think there can be an uproar

642

00:30:26,230 --> 00:30:22,870

I'm just thinking that they're really

643

00:30:28,390 --> 00:30:26,240

that leak me as a citizen also is that

644

00:30:32,650 --> 00:30:28,400

finally you're coming out and telling us

645

00:30:37,930 --> 00:30:32,660

yes you are doing these programs that's

646

00:30:40,000 --> 00:30:37,940

just my thought on that yeah and then

647

00:30:44,049 --> 00:30:40,010

this is Stacey so you know there's also

648

00:30:47,110 --> 00:30:44,059

been watching the show unidentified

649

00:30:48,760 --> 00:30:47,120

there was a Brian bender from Politico

650

00:30:50,560 --> 00:30:48,770

the journalists there has reported a lot

651
00:30:55,030 --> 00:30:50,570
of really cool stuff along with George

652
00:30:56,860 --> 00:30:55,040
Knapp and the it all leads up to that

653
00:31:00,730 --> 00:30:56,870
there is a problem internally that

654
00:31:03,580 --> 00:31:00,740
there's blinders within the government a

655
00:31:05,350 --> 00:31:03,590
lot of resistance they said you know

656
00:31:07,990 --> 00:31:05,360
within the Pentagon from a lot of senior

657
00:31:09,669 --> 00:31:08,000
people there who are very Christian they

658
00:31:12,190 --> 00:31:09,679
thought that looking into this type of

659
00:31:13,750 --> 00:31:12,200
stuff was voodoo and it was dangerous

660
00:31:14,290 --> 00:31:13,760
and they didn't want anyone looking into

661
00:31:17,910 --> 00:31:14,300
it

662
00:31:21,669 --> 00:31:17,920
and Lou Elizondo was also told to stop

663
00:31:23,380 --> 00:31:21,679

because it was a demonic presence so

664

00:31:25,000 --> 00:31:23,390

that's a really big deal when you know

665

00:31:27,880 --> 00:31:25,010

that it's coming from the state houses

666

00:31:29,470 --> 00:31:27,890

that way and George Knapp also

667

00:31:31,060 --> 00:31:29,480

corroborated you know that it's

668

00:31:36,190 --> 00:31:31,070

considered the paranormal and the

669

00:31:38,500 --> 00:31:36,200

supernatural it's a huge stigma UFOs

670

00:31:41,020 --> 00:31:38,510

they all think is inviting Satan into

671

00:31:43,299 --> 00:31:41,030

your life so when you've got that kind

672

00:31:47,220 --> 00:31:43,309

of pressure coming from some of these

673

00:31:51,070 --> 00:31:47,230

real bigwigs there how do you fight that

674

00:31:53,380 --> 00:31:51,080

you know that that's a big deal that is

675

00:31:56,230 --> 00:31:53,390

a big deal that's a very important point

676
00:32:00,040 --> 00:31:56,240
to think you Stacy and Mary Ann for your

677
00:32:02,980 --> 00:32:00,050
I think a lot of that came from the head

678
00:32:04,570 --> 00:32:02,990
of the program before Elizondo and that

679
00:32:06,220 --> 00:32:04,580
was a gentleman named doctor

680
00:32:09,250 --> 00:32:06,230
Akatsuki who was running the program

681
00:32:11,649 --> 00:32:09,260
before him and his interest in the

682
00:32:13,110 --> 00:32:11,659
skinwalker ranch phenomenon I think

683
00:32:15,460 --> 00:32:13,120
that's largely where a lot of that

684
00:32:17,649 --> 00:32:15,470
pushback came from that there were some

685
00:32:19,419 --> 00:32:17,659
folks who really didn't like that idea

686
00:32:21,700 --> 00:32:19,429
in particular I'm not sure I'm not

687
00:32:24,370 --> 00:32:21,710
assured that the UFO thing in general is

688
00:32:27,279 --> 00:32:24,380

viewed quite the same way I've not heard

689

00:32:29,710 --> 00:32:27,289

that but yeah we'll see how that plays

690

00:32:31,090 --> 00:32:29,720

out as it goes along would you like to

691

00:32:34,389 --> 00:32:31,100

go ahead and start asking folks about

692

00:32:36,100 --> 00:32:34,399

the unidentified series yeah what did

693

00:32:40,600 --> 00:32:36,110

that what did we all think about that

694

00:32:42,240 --> 00:32:40,610

six shows and I have to admit it's a

695

00:32:45,460 --> 00:32:42,250

pretty high bar for me to be satisfied

696

00:32:47,350 --> 00:32:45,470

with a UFO program and I gotta tell you

697

00:32:49,060 --> 00:32:47,360

I think that this one exceeded my

698

00:32:50,919 --> 00:32:49,070

expectations by quite a bit

699

00:32:53,860 --> 00:32:50,929

what did everyone else think of the show

700

00:32:56,500 --> 00:32:53,870

this is Chris I thought it was really I

701
00:32:58,870 --> 00:32:56,510
think it's great I love the way they did

702
00:33:03,210 --> 00:32:58,880
that the way they approach the whole

703
00:33:07,320 --> 00:33:03,220
thing I mean it's all I mean I totally

704
00:33:09,370 --> 00:33:07,330
believe that these guys it's real I mean

705
00:33:11,980 --> 00:33:09,380
and they're going about it you're

706
00:33:15,490 --> 00:33:11,990
presenting it it's such a professional

707
00:33:17,200 --> 00:33:15,500
fashion I just um unlike anything I've

708
00:33:21,250 --> 00:33:17,210
ever seen

709
00:33:25,210 --> 00:33:21,260
real or fake regarding you know the

710
00:33:26,830 --> 00:33:25,220
subject so I just think it's it's really

711
00:33:27,850 --> 00:33:26,840
good I encouraging a lot of people to

712
00:33:32,590 --> 00:33:27,860
watch it at work

713
00:33:33,940 --> 00:33:32,600

whoever yeah and you know they're kind

714

00:33:35,740 --> 00:33:33,950

of just new to the subject they don't

715

00:33:38,039 --> 00:33:35,750

think about it very much and stuff so

716

00:33:41,950 --> 00:33:38,049

I've got a turn down a lot of people

717

00:33:43,570 --> 00:33:41,960

where I work - uh booking and they've

718

00:33:46,509 --> 00:33:43,580

really enjoyed it and even have been

719

00:33:49,690 --> 00:33:46,519

recording it and stuff so I I've got

720

00:33:52,509 --> 00:33:49,700

more people in the in the pocket I guess

721

00:33:53,710 --> 00:33:52,519

and hopefully they'll spread - so that

722

00:34:00,070 --> 00:33:53,720

was that so it was a good recruiting

723

00:34:03,370 --> 00:34:00,080

tool for you yeah this would be the one

724

00:34:05,830 --> 00:34:03,380

that I think it's the number one in

725

00:34:07,990 --> 00:34:05,840

regards to this the subject I mean at

726

00:34:09,730 --> 00:34:08,000

this point in our in where it's at with

727

00:34:12,280 --> 00:34:09,740

this disclosure coming down and all that

728

00:34:13,629 --> 00:34:12,290

so thank you so much Chris I wanted to

729

00:34:15,760 --> 00:34:13,639

mention something kind of important

730

00:34:17,230 --> 00:34:15,770

about this series just for our listeners

731

00:34:19,960 --> 00:34:17,240

and

732

00:34:22,329 --> 00:34:19,970

the first episode came out on may 31st

733

00:34:25,270 --> 00:34:22,339

this year it was called the UFO insiders

734

00:34:27,789 --> 00:34:25,280

the second one was raining UFO another

735

00:34:29,859 --> 00:34:27,799

the pattern revealed the UFO fleet was

736

00:34:31,569 --> 00:34:29,869

the next one the fifth one was the

737

00:34:33,909 --> 00:34:31,579

atomic connection and the last one was

738

00:34:36,430 --> 00:34:33,919

the revelation there's been six episodes

739

00:34:38,319 --> 00:34:36,440

so far would anybody else like to tell

740

00:34:42,339 --> 00:34:38,329

us how they feel about this unidentified

741

00:34:50,339 --> 00:34:42,349

series their review of it Jeff this is

742

00:34:53,109 --> 00:34:50,349

Mary over 31 years here in Arizona and

743

00:34:57,849 --> 00:34:53,119

continuing and one of the biggest things

744

00:34:59,890 --> 00:34:57,859

that I look at is during an interview

745

00:35:05,470 --> 00:34:59,900

interrogation or anything like that is

746

00:35:07,720 --> 00:35:05,480

body language speech and eyes movement

747

00:35:09,700 --> 00:35:07,730

everything when it comes to somebody

748

00:35:11,859 --> 00:35:09,710

telling me a story or telling me what

749

00:35:15,940 --> 00:35:11,869

happened to them in police work well

750

00:35:18,130 --> 00:35:15,950

when I started watching this this

751
00:35:20,710 --> 00:35:18,140
program unidentified that's one thing I

752
00:35:23,620 --> 00:35:20,720
looked at all the pilots when they did

753
00:35:25,150 --> 00:35:23,630
their interviews from the radar Tech's -

754
00:35:28,089 --> 00:35:25,160
one of the biggest things that I thought

755
00:35:31,270 --> 00:35:28,099
was amazing are the fishermen down in

756
00:35:34,539 --> 00:35:31,280
Mexico everyone that has ever been

757
00:35:38,069 --> 00:35:34,549
interviewed through the whole program I

758
00:35:42,720 --> 00:35:38,079
have never seen any type of deceptive

759
00:35:46,089 --> 00:35:42,730
body language eye movement I the speech

760
00:35:48,940 --> 00:35:46,099
was just amazing and I was really

761
00:35:51,640 --> 00:35:48,950
looking for okay if somebody just kind

762
00:35:56,170 --> 00:35:51,650
of blowing smoke to us who's making up

763
00:35:59,730 --> 00:35:56,180

stories and I never saw any of that in

764

00:36:02,440 --> 00:35:59,740

any of the witnesses that Lou Elizondo

765

00:36:04,270 --> 00:36:02,450

interviewed it was amazing and that's

766

00:36:06,370 --> 00:36:04,280

one of the biggest things and what was

767

00:36:10,900 --> 00:36:06,380

cool is that I heard that pretty much

768

00:36:14,710 --> 00:36:10,910

every episode was done on one take so

769

00:36:17,079 --> 00:36:14,720

they don't have time to tell people what

770

00:36:21,160 --> 00:36:17,089

to say how to say it and do two or three

771

00:36:23,260 --> 00:36:21,170

different takes they did one tape and it

772

00:36:25,359 --> 00:36:23,270

was amazing you could tell that they

773

00:36:28,299 --> 00:36:25,369

were not being deceptive

774

00:36:31,500 --> 00:36:28,309

these were true stories from all of the

775

00:36:34,620 --> 00:36:31,510

witnesses that were involved

776

00:36:37,240 --> 00:36:34,630

thank you very much Marianne for that

777

00:36:39,940 --> 00:36:37,250

would anybody else like to chime in like

778

00:36:42,790 --> 00:36:39,950

Rosa for one and then perhaps we could

779

00:36:46,930 --> 00:36:42,800

hear from Stacy and everybody else on

780

00:36:49,270 --> 00:36:46,940

this all I can say is that finally Lord

781

00:36:51,280 --> 00:36:49,280

finally I think that these people feel

782

00:36:52,300 --> 00:36:51,290

like they can come out and speak because

783

00:36:53,350 --> 00:36:52,310

I don't believe that they'll be as

784

00:36:55,990 --> 00:36:53,360

ostracized

785

00:37:00,520 --> 00:36:56,000

now that we're talking about it more

786

00:37:01,930 --> 00:37:00,530

than back in the 40s and 50s and 60s so

787

00:37:04,120 --> 00:37:01,940

I'm thinking they're feeling a little

788

00:37:07,900 --> 00:37:04,130

bit safer to be able to come forward and

789

00:37:09,370 --> 00:37:07,910

be the whistleblowers and I'm sure that

790

00:37:12,160 --> 00:37:09,380

may be behind the scenes there's a

791

00:37:16,390 --> 00:37:12,170

little bit of the slapping of the wrist

792

00:37:20,860 --> 00:37:16,400

but oh I could say that I believe

793

00:37:23,110 --> 00:37:20,870

they're just feeling like there's more

794

00:37:26,650 --> 00:37:23,120

there's just more and the data is is

795

00:37:29,260 --> 00:37:26,660

just out there how can they but thanks

796

00:37:30,880 --> 00:37:29,270

anyway that's fantastic thank you and

797

00:37:34,180 --> 00:37:30,890

Shane how do you feel about the

798

00:37:38,710 --> 00:37:34,190

unidentified series yeah I thought it

799

00:37:42,700 --> 00:37:38,720

was very well done that it was it had an

800

00:37:45,190 --> 00:37:42,710

air of credibility about it and as far

801
00:37:47,680 --> 00:37:45,200
as hitting their target goal of of

802
00:37:50,830 --> 00:37:47,690
course educating the general public

803
00:37:55,600 --> 00:37:50,840
easing them into the topic they were

804
00:37:58,480 --> 00:37:55,610
also trying to reach Congress and to

805
00:38:00,340 --> 00:37:58,490
work within the political boundaries to

806
00:38:02,440 --> 00:38:00,350
make this a topic that they would look

807
00:38:05,800 --> 00:38:02,450
at and consider and I'm sure the

808
00:38:07,660 --> 00:38:05,810
ultimate goal is to you know generate

809
00:38:10,270 --> 00:38:07,670
some kind of interest in funding

810
00:38:12,850 --> 00:38:10,280
programs for further study and that sort

811
00:38:16,180 --> 00:38:12,860
of thing so I think on both those levels

812
00:38:19,960 --> 00:38:16,190
they they hit a home run with it and I

813
00:38:22,300 --> 00:38:19,970

really appreciated some of the cast and

814

00:38:25,540 --> 00:38:22,310

the individuals associated with t TSA so

815

00:38:28,780 --> 00:38:25,550

like Chris Mellon I just love that guy I

816

00:38:30,520 --> 00:38:28,790

find him very credible I like listening

817

00:38:33,070 --> 00:38:30,530

to his voice

818

00:38:34,870 --> 00:38:33,080

Steve justice was another he didn't

819

00:38:36,970 --> 00:38:34,880

really appear much until maybe like the

820

00:38:39,040 --> 00:38:36,980

fourth episode but when he did you know

821

00:38:40,570 --> 00:38:39,050

I've made some notes about that and I

822

00:38:43,040 --> 00:38:40,580

looked back at my notes and I said

823

00:38:45,050 --> 00:38:43,050

that's one serious dude

824

00:38:47,330 --> 00:38:45,060

you know the the way he comes off and

825

00:38:50,390 --> 00:38:47,340

you know that guy knows stuff but he's

826

00:38:52,010 --> 00:38:50,400

very professional in the way he carries

827

00:38:54,740 --> 00:38:52,020

himself out and then the whole thought

828

00:38:57,470 --> 00:38:54,750

process they they were very careful to

829

00:39:00,440 --> 00:38:57,480

limit they didn't completely eliminate

830

00:39:02,990 --> 00:39:00,450

but limit you know speculation and you

831

00:39:04,400 --> 00:39:03,000

have to speculate to some degree so I

832

00:39:06,860 --> 00:39:04,410

thought they stayed within the

833

00:39:09,680 --> 00:39:06,870

boundaries on that and that helped you

834

00:39:11,450 --> 00:39:09,690

know maintain that credibility so you

835

00:39:13,580 --> 00:39:11,460

know I thought this was different than

836

00:39:17,000 --> 00:39:13,590

any other UFO show that's ever been on

837

00:39:20,360 --> 00:39:17,010

like I think it came at the right time

838

00:39:23,600 --> 00:39:20,370

at the right place they left the wild

839

00:39:27,140 --> 00:39:23,610

speculation to us which was great we can

840

00:39:29,150 --> 00:39:27,150

do that now yeah I'm Stacey how do you

841

00:39:30,740 --> 00:39:29,160

feel about this show do you feel it's

842

00:39:33,340 --> 00:39:30,750

different than any other show and what

843

00:39:37,280 --> 00:39:33,350

is your review of the unidentified I

844

00:39:38,780 --> 00:39:37,290

love it love it love it I think that

845

00:39:41,180 --> 00:39:38,790

it's the best thing that's ever been on

846

00:39:42,650 --> 00:39:41,190

that's the most legitimate cast of

847

00:39:46,010 --> 00:39:42,660

characters that they could ever have

848

00:39:48,980 --> 00:39:46,020

gathered up and I'm with Shane there

849

00:39:50,900 --> 00:39:48,990

Chris Mellon is you watch that guy and

850

00:39:54,110 --> 00:39:50,910

it's like that is pure professionalism

851
00:39:56,090 --> 00:39:54,120
right there and Lou is doing a great job

852
00:39:58,730 --> 00:39:56,100
of interviewing he's finding the facts

853
00:40:01,760 --> 00:39:58,740
out he you can just tell the guy is

854
00:40:04,100 --> 00:40:01,770
totally serious on this I'm Steve

855
00:40:07,520 --> 00:40:04,110
justice is completely professional it's

856
00:40:09,440 --> 00:40:07,530
just a real great cast of characters for

857
00:40:12,200 --> 00:40:09,450
getting done what they need to get done

858
00:40:15,080 --> 00:40:12,210
and they're diggin and they're doing the

859
00:40:16,970 --> 00:40:15,090
the hard work and there they are the

860
00:40:18,500 --> 00:40:16,980
boots on the ground on this thing and

861
00:40:21,500 --> 00:40:18,510
they're just doing a great job so I'm

862
00:40:23,540 --> 00:40:21,510
loving it yeah so you guys had MUFON

863
00:40:25,640 --> 00:40:23,550

Phoenix said Jim and Stacey have brought

864

00:40:27,440 --> 00:40:25,650

in a lot of guests and have gotten some

865

00:40:29,360 --> 00:40:27,450

scoops he had George Knapp out there in

866

00:40:31,220 --> 00:40:29,370

the early part of the year and he

867

00:40:33,110 --> 00:40:31,230

brought a little bit of news that they

868

00:40:34,760 --> 00:40:33,120

was able to share for the first time

869

00:40:36,500 --> 00:40:34,770

with you guys why don't you talk about

870

00:40:38,540 --> 00:40:36,510

that talk about the guests that you

871

00:40:41,360 --> 00:40:38,550

bring out and tell us if you've heard

872

00:40:45,170 --> 00:40:41,370

any behind the scenes stuff on where all

873

00:40:50,830 --> 00:40:45,180

this is going to go down the road well I

874

00:40:56,030 --> 00:40:50,840

don't I don't this stuff is so new that

875

00:40:56,940 --> 00:40:56,040

I nothing has really been addressed from

876

00:40:59,580 --> 00:40:56,950

the platform

877

00:41:00,930 --> 00:40:59,590

that much yet but here's an amazing

878

00:41:04,560 --> 00:41:00,940

thing you might want to think about

879

00:41:06,480 --> 00:41:04,570

we've always assumed that our ETA our ET

880

00:41:13,380 --> 00:41:06,490

and our UFO people are from outer space

881

00:41:14,700 --> 00:41:13,390

right but unidentified if you they're

882

00:41:18,230 --> 00:41:14,710

all coming up out of the ocean

883

00:41:20,030 --> 00:41:18,240

okay so mo so perhaps our

884

00:41:22,260 --> 00:41:20,040

extraterrestrials they're not quite so

885

00:41:25,200 --> 00:41:22,270

extraterrestrial maybe they're more Co

886

00:41:26,820 --> 00:41:25,210

indigenous to our planet here and may

887

00:41:29,100 --> 00:41:26,830

bar maybe they're existing under the

888

00:41:33,240 --> 00:41:29,110

oceans I don't know but it certainly

889

00:41:37,110 --> 00:41:33,250

leaves us with a kind of a a cool

890

00:41:39,270 --> 00:41:37,120

question is maybe we're looking at us

891

00:41:42,060 --> 00:41:39,280

owes you know unidentified submerged

892

00:41:44,040 --> 00:41:42,070

objects coming up out of so maybe

893

00:41:47,040 --> 00:41:44,050

they're not from Zeta Reticuli maybe

894

00:41:51,810 --> 00:41:47,050

they're from the Marianas Trench or

895

00:41:53,490 --> 00:41:51,820

something right yeah yeah I think you're

896

00:41:55,440 --> 00:41:53,500

absolutely right thank you so much for

897

00:41:59,460 --> 00:41:55,450

bringing up that important point is that

898

00:42:02,850 --> 00:41:59,470

these et civilizations may have actually

899

00:42:07,200 --> 00:42:02,860

been here all along or they are visiting

900

00:42:10,760 --> 00:42:07,210

from other areas from an unknown

901
00:42:13,770 --> 00:42:10,770
universe's galaxies and they're us

902
00:42:16,290 --> 00:42:13,780
residing under the water it's really a

903
00:42:18,810 --> 00:42:16,300
very fascinating topic that is covered

904
00:42:20,700 --> 00:42:18,820
extensively in ufology thank goodness I

905
00:42:23,820 --> 00:42:20,710
wanted to ask everybody about the

906
00:42:26,670 --> 00:42:23,830
Italian a UFO Frank can you bring up

907
00:42:28,110 --> 00:42:26,680
that topic yeah there was a case over in

908
00:42:30,690 --> 00:42:28,120
Italy a number of years back that

909
00:42:33,330 --> 00:42:30,700
involved they talked about it during the

910
00:42:36,630 --> 00:42:33,340
sixth episode where there were some

911
00:42:38,280 --> 00:42:36,640
fires going on which may or don't seem

912
00:42:39,870 --> 00:42:38,290
to be connected to the UFOs but they

913
00:42:41,940 --> 00:42:39,880

were going on at about the same time as

914

00:42:43,950 --> 00:42:41,950

the UFO and there was a mishap with a

915

00:42:46,170 --> 00:42:43,960

helicopter so he talked about that case

916

00:42:49,110 --> 00:42:46,180

when they'd gone over to Italy that the

917

00:42:51,780 --> 00:42:49,120

Italians presented them with this case

918

00:42:54,450 --> 00:42:51,790

as if that's one of their hotter cases

919

00:42:56,070 --> 00:42:54,460

there's been a little bit of pushback on

920

00:42:59,280 --> 00:42:56,080

that that may be the case isn't quite so

921

00:43:01,530 --> 00:42:59,290

hot but that did come out and that was

922

00:43:03,390 --> 00:43:01,540

that was a new case that that we hadn't

923

00:43:05,670 --> 00:43:03,400

heard too much about here in the States

924

00:43:07,710 --> 00:43:05,680

so that was kind of interesting it was

925

00:43:09,240 --> 00:43:07,720

interesting that they were going over to

926

00:43:10,050 --> 00:43:09,250

Italy and trying to get some

927

00:43:12,630 --> 00:43:10,060

international

928

00:43:14,820 --> 00:43:12,640

cooperation on this issue so that was a

929

00:43:17,040 --> 00:43:14,830

very interesting segment of the show

930

00:43:18,750 --> 00:43:17,050

that degree and I think it was episode I

931

00:43:21,930 --> 00:43:18,760

think was the last episode of the very

932

00:43:28,050 --> 00:43:21,940

last episode where they did that did

933

00:43:30,870 --> 00:43:28,060

anybody watch that last episode I yeah

934

00:43:32,280 --> 00:43:30,880

this is Chris yeah I watched it and I

935

00:43:34,560 --> 00:43:32,290

thought it was you know pretty

936

00:43:36,900 --> 00:43:34,570

interesting and I got it kind of got a

937

00:43:37,710 --> 00:43:36,910

kick out of the the Italian trying to

938

00:43:43,050 --> 00:43:37,720

bargain with

939

00:43:45,810 --> 00:43:43,060

whoo well we had heard through the back

940

00:43:47,670 --> 00:43:45,820

channels before the show came on that

941

00:43:49,260 --> 00:43:47,680

they were they had that planned this

942

00:43:50,460 --> 00:43:49,270

kind of European swing where they were

943

00:43:52,560 --> 00:43:50,470

looking to get some other countries

944

00:43:53,850 --> 00:43:52,570

involved but the Italians were the only

945

00:43:56,190 --> 00:43:53,860

one who sort of went for their deal

946

00:43:57,870 --> 00:43:56,200

which was basically tell us what you

947

00:44:00,060 --> 00:43:57,880

know but we can't tell you any of our

948

00:44:02,550 --> 00:44:00,070

classified stuff which is all we know so

949

00:44:04,260 --> 00:44:02,560

that's I know that was kind of played

950

00:44:05,880 --> 00:44:04,270

out on that we we've gotten some word

951
00:44:07,980 --> 00:44:05,890
back-channel and that was kind of played

952
00:44:10,200 --> 00:44:07,990
out on the show itself so it was kind of

953
00:44:13,380 --> 00:44:10,210
interesting yeah I got kicked out of the

954
00:44:21,570 --> 00:44:13,390
way Lulu's reaction when they said that

955
00:44:24,510 --> 00:44:21,580
was kind of fun turn over some

956
00:44:26,430 --> 00:44:24,520
information about the case and also they

957
00:44:27,840 --> 00:44:26,440
turned over quite a database apparently

958
00:44:29,880 --> 00:44:27,850
of everything that they had going back

959
00:44:32,700 --> 00:44:29,890
to and I was either the very early

960
00:44:34,500 --> 00:44:32,710
1900's of the late 1800s of literally

961
00:44:36,090 --> 00:44:34,510
everything that they had database that

962
00:44:37,410 --> 00:44:36,100
was a that was a pretty nice gift and

963
00:44:41,550 --> 00:44:37,420

Shane you were talking a little earlier

964

00:44:43,230 --> 00:44:41,560

about data data is great but the the

965

00:44:45,360 --> 00:44:43,240

government that collects the best of it

966

00:44:47,250 --> 00:44:45,370

no we don't have access to any of it how

967

00:44:49,890 --> 00:44:47,260

are we going to figure out exactly how

968

00:44:52,350 --> 00:44:49,900

frequent that these kind of legitimate

969

00:44:53,970 --> 00:44:52,360

et cases are without that without the

970

00:44:58,410 --> 00:44:53,980

data and I don't think we're gonna get

971

00:45:00,600 --> 00:44:58,420

any of it at anytime soon yeah that's

972

00:45:05,010 --> 00:45:00,610

that's obviously the concern I mean even

973

00:45:07,200 --> 00:45:05,020

with you know little D disclosure we're

974

00:45:09,270 --> 00:45:07,210

you know we're as the public are only

975

00:45:10,920 --> 00:45:09,280

gonna be privy to so much I think Jen

976

00:45:13,200 --> 00:45:10,930

you had mentioned earlier that there

977

00:45:16,560 --> 00:45:13,210

certainly has to be top-secret element

978

00:45:18,570 --> 00:45:16,570

to even the the Nimitz case and any of

979

00:45:20,910 --> 00:45:18,580

those that are going on there's there's

980

00:45:23,730 --> 00:45:20,920

got to be data that has not made known

981

00:45:25,710 --> 00:45:23,740

so yeah we do have to take

982

00:45:28,080 --> 00:45:25,720

in a consideration that we we only know

983

00:45:30,630 --> 00:45:28,090

part of the story we may only know part

984

00:45:32,600 --> 00:45:30,640

of this story and you know we'll just

985

00:45:35,430 --> 00:45:32,610

have to you know work with what we got

986

00:45:36,450 --> 00:45:35,440

we we have another guest on the line by

987

00:45:42,740 --> 00:45:36,460

the way who's barking in the background

988

00:45:45,770 --> 00:45:42,750

who is that what that's Levi Levi husky

989

00:45:47,750 --> 00:45:45,780

hello I'm gonna go banish him right now

990

00:45:53,220 --> 00:45:47,760

[Laughter]

991

00:45:54,720 --> 00:45:53,230

okay great I'll so uh would you don't

992

00:45:56,220 --> 00:45:54,730

mind Frank I wanted to bring up an

993

00:45:58,710 --> 00:45:56,230

interesting topic we brought up on

994

00:46:00,930 --> 00:45:58,720

another show and that is that Rick Doty

995

00:46:02,609 --> 00:46:00,940

Richard Doty was actually brought up on

996

00:46:06,260 --> 00:46:02,619

the unidentified series can you please

997

00:46:08,250 --> 00:46:06,270

let us know in what manner he was uh

998

00:46:10,290 --> 00:46:08,260

yeah basically

999

00:46:11,940 --> 00:46:10,300

Elizondo seems to take a little bit of

1000

00:46:15,270 --> 00:46:11,950

umbrage that he had been compared with

1001
00:46:17,400 --> 00:46:15,280
Dodi and made quite the point that he's

1002
00:46:19,410 --> 00:46:17,410
not Rick Doty and they didn't go out and

1003
00:46:21,990 --> 00:46:19,420
try to interview Rick Doty they grabbed

1004
00:46:24,780 --> 00:46:22,000
a couple of scenes from movie called

1005
00:46:26,820 --> 00:46:24,790
Mirage man which was a documentary where

1006
00:46:30,510 --> 00:46:26,830
Dodi has talked a little bit in the past

1007
00:46:31,830 --> 00:46:30,520
about his deeds and we've had we

1008
00:46:34,710 --> 00:46:31,840
discussed this at length when we had

1009
00:46:37,380 --> 00:46:34,720
Alejandro Wanda and KarenT talking about

1010
00:46:39,000 --> 00:46:37,390
the UFO Congress we had them on and

1011
00:46:40,800 --> 00:46:39,010
talked a little bit about it he went

1012
00:46:43,590 --> 00:46:40,810
into some Alejandra went into some

1013
00:46:46,440 --> 00:46:43,600

detail about Dodi he is not a popular

1014

00:46:48,840 --> 00:46:46,450

guy in some UFO circles yet in others it

1015

00:46:51,960 --> 00:46:48,850

seems like everything that he has to say

1016

00:46:54,359 --> 00:46:51,970

no matter how fictional it likely is

1017

00:46:57,720 --> 00:46:54,369

that they just take his word as gospel

1018

00:46:59,250 --> 00:46:57,730

and the Shan I know from my past

1019

00:47:03,660 --> 00:46:59,260

conversations you're not a big fan of

1020

00:47:08,940 --> 00:47:03,670

the guy yeah no I'm not really but you

1021

00:47:11,580 --> 00:47:08,950

know it's so hard this whole ufology in

1022

00:47:13,920 --> 00:47:11,590

general we're always just scrambling for

1023

00:47:16,859 --> 00:47:13,930

any kind of credibility right as a as a

1024

00:47:18,720 --> 00:47:16,869

group and and you know as an individual

1025

00:47:21,120 --> 00:47:18,730

I'm sure none of us like to be deceived

1026

00:47:25,020 --> 00:47:21,130

this just you know not right not cool

1027

00:47:27,270 --> 00:47:25,030

and you know he made a not only a career

1028

00:47:29,340 --> 00:47:27,280

of it as you know in a Fosse guy which

1029

00:47:32,099 --> 00:47:29,350

okay it's your job you know you can do

1030

00:47:34,890 --> 00:47:32,109

you know you're you know you're

1031

00:47:36,480 --> 00:47:34,900

authorized to deceive basically but

1032

00:47:38,040 --> 00:47:36,490

there's limits to that you know there's

1033

00:47:39,930 --> 00:47:38,050

still you know

1034

00:47:42,450 --> 00:47:39,940

a sense of responsibility as an

1035

00:47:44,640 --> 00:47:42,460

individual human being and and I just um

1036

00:47:47,490 --> 00:47:44,650

you know I look back at that case and

1037

00:47:49,410 --> 00:47:47,500

and this is the Paul bennewitz case and

1038

00:47:51,720 --> 00:47:49,420

what happened to that man as a result of

1039

00:47:54,600 --> 00:47:51,730

their basically toying with him and his

1040

00:47:57,480 --> 00:47:54,610

mind and and in everything that you know

1041

00:47:59,970 --> 00:47:57,490

that's just reprehensible and I just you

1042

00:48:02,610 --> 00:47:59,980

know the man has been been an enemy of

1043

00:48:05,730 --> 00:48:02,620

ufology from the beginning and having

1044

00:48:07,860 --> 00:48:05,740

him you know come about with open arms

1045

00:48:11,430 --> 00:48:07,870

and you know welcoming it I mean you

1046

00:48:13,400 --> 00:48:11,440

know dancing with the devil in some

1047

00:48:15,240 --> 00:48:13,410

circles as a whistleblower in a hero

1048

00:48:18,630 --> 00:48:15,250

yeah I don't get that

1049

00:48:21,270 --> 00:48:18,640

ya know I I'm not a big fan and I could

1050

00:48:22,770 --> 00:48:21,280

see why Lou really you know shuddered at

1051

00:48:25,140 --> 00:48:22,780

the thought of being compared to him

1052

00:48:27,120 --> 00:48:25,150

because you know I don't care who you

1053

00:48:28,500 --> 00:48:27,130

are in whatever field whatever that you

1054

00:48:32,490 --> 00:48:28,510

can still have a measure of personal

1055

00:48:35,370 --> 00:48:32,500

integrity and and you know I I just I

1056

00:48:37,590 --> 00:48:35,380

don't see it in that that I thought it

1057

00:48:39,420 --> 00:48:37,600

was a real surprise I was glad to see it

1058

00:48:42,120 --> 00:48:39,430

were you surprised when they went there

1059

00:48:43,620 --> 00:48:42,130

I mean I was yeah yeah I I was very

1060

00:48:46,440 --> 00:48:43,630

surprised and I don't know if that was

1061

00:48:48,330 --> 00:48:46,450

because of the ascendancy of Dodi and in

1062

00:48:50,940 --> 00:48:48,340

the UFO community I wouldn't think they

1063

00:48:52,830 --> 00:48:50,950

would care but if there were people

1064

00:48:54,240 --> 00:48:52,840

out there making that comparison and

1065

00:48:57,030 --> 00:48:54,250

that was really an attack on the

1066

00:48:59,610 --> 00:48:57,040

credibility of T TSA and I think it's

1067

00:49:01,710 --> 00:48:59,620

right that they did address it so you

1068

00:49:04,380 --> 00:49:01,720

know it was kind of left field but if

1069

00:49:05,910 --> 00:49:04,390

that's what the the intent was then yeah

1070

00:49:10,080 --> 00:49:05,920

I think they needed to do it and they

1071

00:49:12,300 --> 00:49:10,090

did yeah just one last point about Dodi

1072

00:49:15,480 --> 00:49:12,310

there was one other fellow who took some

1073

00:49:17,970 --> 00:49:15,490

serious umbrage with being compared with

1074

00:49:19,590 --> 00:49:17,980

Dodi that I noticed and that would not

1075

00:49:22,050 --> 00:49:19,600

quite as high-profile he didn't do it on

1076

00:49:24,000 --> 00:49:22,060

a national TV show he did it on Grant

1077

00:49:28,440 --> 00:49:24,010

Cameron's Facebook page but died that

1078

00:49:29,910 --> 00:49:28,450

was Ron Pandolfi pretty interesting that

1079

00:49:31,560 --> 00:49:29,920

drew him out of the woodwork to make a

1080

00:49:35,910 --> 00:49:31,570

comment and he didn't like that

1081

00:49:38,880 --> 00:49:35,920

comparison one bit Jim man brought up

1082

00:49:40,860 --> 00:49:38,890

some really fascinating points that were

1083

00:49:43,020 --> 00:49:40,870

very valid regarding pilots coming

1084

00:49:44,940 --> 00:49:43,030

forward there was a female pilot that

1085

00:49:50,210 --> 00:49:44,950

came forward would anybody like to touch

1086

00:49:57,509 --> 00:49:53,549

yeah I want to see more of her you know

1087

00:49:59,880 --> 00:49:57,519

I mean yeah varying information and she

1088

00:50:02,519 --> 00:49:59,890

was there right from the beginning and I

1089

00:50:04,650 --> 00:50:02,529

just have a feeling she's got a lot more

1090

00:50:08,460 --> 00:50:04,660

to say and I hope that they bring her

1091

00:50:10,829 --> 00:50:08,470

out a little bit more she's truly hiding

1092

00:50:13,289 --> 00:50:10,839

right now but I'm just hoping that maybe

1093

00:50:15,239 --> 00:50:13,299

if we have another season coming up with

1094

00:50:18,029 --> 00:50:15,249

this that we get to see and hear more

1095

00:50:21,210 --> 00:50:18,039

from her because she was right there and

1096

00:50:23,220 --> 00:50:21,220

she's got some real another angle on

1097

00:50:26,309 --> 00:50:23,230

this and it's almost an emotional angle

1098

00:50:27,989 --> 00:50:26,319

on what she was feeling I mean she talks

1099

00:50:30,059 --> 00:50:27,999

about how she can see that it was gonna

1100

00:50:32,160 --> 00:50:30,069

be a tragedy happening right in front of

1101
00:50:33,690 --> 00:50:32,170
her eyes perhaps and you know there's

1102
00:50:36,089 --> 00:50:33,700
just kind of a different angle coming

1103
00:50:37,710 --> 00:50:36,099
from her so I'd really like to hear more

1104
00:50:41,099 --> 00:50:37,720
from her I hope they bring her on again

1105
00:50:43,019 --> 00:50:41,109
the next season I was really surprised

1106
00:50:44,910 --> 00:50:43,029
we saw as much of her as we did I did

1107
00:50:46,769 --> 00:50:44,920
not see that coming at all and that was

1108
00:50:48,239 --> 00:50:46,779
quite a coup for them that was very

1109
00:50:50,759 --> 00:50:48,249
surprised because the word had always

1110
00:50:53,339 --> 00:50:50,769
been look she was pretty shook up by the

1111
00:50:55,529 --> 00:50:53,349
whole incident I'm teen years ago and

1112
00:50:58,229 --> 00:50:55,539
she is never going to come forward and

1113
00:51:00,450 --> 00:50:58,239

she did she did a lot more than I ever

1114

00:51:03,239 --> 00:51:00,460

thought she would so I was very pleased

1115

00:51:04,829 --> 00:51:03,249

to see that that was one of the things

1116

00:51:07,710 --> 00:51:04,839

about the show that really jumped out at

1117

00:51:10,559 --> 00:51:07,720

me I've noticed in the UFO community

1118

00:51:13,620 --> 00:51:10,569

when people come forward with personal

1119

00:51:16,410 --> 00:51:13,630

testimony to share sometimes they're

1120

00:51:21,890 --> 00:51:16,420

hailed as heroes and other times the

1121

00:51:27,690 --> 00:51:21,900

exact exact opposite of that why is that

1122

00:51:31,289 --> 00:51:27,700

all I think Jim I think that the lady

1123

00:51:34,890 --> 00:51:31,299

the the female pilot you know we don't

1124

00:51:38,759 --> 00:51:34,900

know what what what life is like for a

1125

00:51:42,749 --> 00:51:38,769

female pilot she's uh this is a new role

1126
00:51:45,120 --> 00:51:42,759
for for females to be top gun pilots and

1127
00:51:47,910 --> 00:51:45,130
she's living in a used to be

1128
00:51:50,789 --> 00:51:47,920
male-dominated world and she's breaking

1129
00:51:54,509 --> 00:51:50,799
down boundaries just by piloting that

1130
00:51:56,430 --> 00:51:54,519
f-18 and she's up there she's doing her

1131
00:52:00,210 --> 00:51:56,440
job she's just as good as anybody else

1132
00:52:00,980 --> 00:52:00,220
in the air but she's a little more

1133
00:52:02,810 --> 00:52:00,990
reserved

1134
00:52:05,300 --> 00:52:02,820
that's and I'm thinking that well

1135
00:52:09,290 --> 00:52:05,310
perhaps you know what kind of ridicule

1136
00:52:11,990 --> 00:52:09,300
did commander David flavor get when he

1137
00:52:15,410 --> 00:52:12,000
came down he didn't get any ridicule but

1138
00:52:17,270 --> 00:52:15,420

he came back and landed on the ship but

1139

00:52:20,420 --> 00:52:17,280

we don't know about this gal you know

1140

00:52:23,090 --> 00:52:20,430

she's she's she's just kind of laying

1141

00:52:25,100 --> 00:52:23,100

back and kind of keeping quiet and

1142

00:52:26,420 --> 00:52:25,110

keeping her identity quiet of course you

1143

00:52:30,190 --> 00:52:26,430

know all the guys from the staff they

1144

00:52:32,450 --> 00:52:30,200

know she is that's no that's no secret

1145

00:52:34,400 --> 00:52:32,460

but I don't know what kind of world she

1146

00:52:37,780 --> 00:52:34,410

lives in and she's living you know she's

1147

00:52:41,300 --> 00:52:37,790

serving in the United States or the

1148

00:52:44,300 --> 00:52:41,310

Naval Air Force as a woman is a Top Gun

1149

00:52:47,180 --> 00:52:44,310

pilot so I think she's doing the right

1150

00:52:49,070 --> 00:52:47,190

thing by keeping like you know staying

1151
00:52:51,230 --> 00:52:49,080
in the back a little bit and tell she

1152
00:52:53,540 --> 00:52:51,240
really feels and sees what's going on

1153
00:52:55,670 --> 00:52:53,550
here and I think about with the Phoenix

1154
00:52:58,160 --> 00:52:55,680
lights okay

1155
00:53:00,590 --> 00:52:58,170
Lynne Keith hi who everybody knows is

1156
00:53:01,940 --> 00:53:00,600
the big spokeswoman for the Phoenix

1157
00:53:05,000 --> 00:53:01,950
lights

1158
00:53:07,670 --> 00:53:05,010
she laid back for a long time as dr. X

1159
00:53:12,140 --> 00:53:07,680
and she didn't reveal her true identity

1160
00:53:13,940 --> 00:53:12,150
tell she was fully confident that she

1161
00:53:16,400 --> 00:53:13,950
could move forward and open herself up

1162
00:53:18,859 --> 00:53:16,410
and let the general public know who she

1163
00:53:20,720 --> 00:53:18,869

was so maybe this gals gonna do the same

1164

00:53:22,820 --> 00:53:20,730

thing maybe this pilot it's gonna do the

1165

00:53:27,050 --> 00:53:22,830

same thing until she sees how this is

1166

00:53:30,320 --> 00:53:27,060

all received yeah she still I think in

1167

00:53:32,690 --> 00:53:30,330

the service and she is in the the

1168

00:53:35,420 --> 00:53:32,700

teaching profession now so I don't know

1169

00:53:37,430 --> 00:53:35,430

if she has to wait until after she gets

1170

00:53:38,540 --> 00:53:37,440

out to come forward a little bit more

1171

00:53:40,130 --> 00:53:38,550

maybe she'll be a little bit more

1172

00:53:42,080 --> 00:53:40,140

comfortable or maybe it's just gonna

1173

00:53:44,120 --> 00:53:42,090

stay status quo but like I say I was

1174

00:53:47,060 --> 00:53:44,130

very surprised and very pleased to see

1175

00:53:49,310 --> 00:53:47,070

she did what she did so there's that

1176

00:53:52,790 --> 00:53:49,320

yeah I think you're right I think he's

1177

00:53:54,800 --> 00:53:52,800

still active duty right now and now

1178

00:53:56,420 --> 00:53:54,810

there was one active duty pilot who

1179

00:53:58,310 --> 00:53:56,430

talked a little bit about the East Coast

1180

00:54:00,890 --> 00:53:58,320

case and that was quite a surprise

1181

00:54:02,930 --> 00:54:00,900

seeing somebody that was Danny a coin

1182

00:54:06,109 --> 00:54:02,940

and that came up I think in Episode four

1183

00:54:08,810 --> 00:54:06,119

and he came forward and the Ryan graves

1184

00:54:10,400 --> 00:54:08,820

as well he's no longer active duty but

1185

00:54:12,620 --> 00:54:10,410

he came forward as well and talked a

1186

00:54:14,390 --> 00:54:12,630

little bit about that case and that that

1187

00:54:16,250 --> 00:54:14,400

seems like it might we don't have

1188

00:54:18,559 --> 00:54:16,260

quite as many details as we did with the

1189

00:54:20,299 --> 00:54:18,569

Nimitz case and those are the only two

1190

00:54:22,940 --> 00:54:20,309

that I know of come forward at this

1191

00:54:24,950 --> 00:54:22,950

point but obviously we'd like to see

1192

00:54:29,450 --> 00:54:24,960

more and there are some other cases too

1193

00:54:32,210 --> 00:54:29,460

we'd like to know more about Chris it

1194

00:54:34,130 --> 00:54:32,220

seems to me that um these folks are

1195

00:54:37,069 --> 00:54:34,140

there they are getting a little more

1196

00:54:38,750 --> 00:54:37,079

well its strength in numbers I guess

1197

00:54:41,510 --> 00:54:38,760

what I'm thinking that they're these

1198

00:54:45,710 --> 00:54:41,520

guys are are being trailblazers and

1199

00:54:47,089 --> 00:54:45,720

coming forward and everybody else is

1200

00:54:50,690 --> 00:54:47,099

looking around well I've got something

1201
00:54:53,660 --> 00:54:50,700
to tell but uh you know oh is it safe is

1202
00:54:55,760 --> 00:54:53,670
the water safe to go in and so I think

1203
00:54:59,990 --> 00:54:55,770
they're waiting to see me maybe I

1204
00:55:03,710 --> 00:55:00,000
suspect that maybe these guys before

1205
00:55:06,410 --> 00:55:03,720
they all jump in yeah well we had four

1206
00:55:12,109 --> 00:55:06,420
Nimitz witnesses on a few weeks back we

1207
00:55:15,529 --> 00:55:12,119
had Kevin day Jason Voorhees Jason

1208
00:55:17,630 --> 00:55:15,539
Turner I Gary Voorhees and PJ Hughes and

1209
00:55:18,890 --> 00:55:17,640
yeah I've got got horror movies on the

1210
00:55:20,900 --> 00:55:18,900
mind sorry about that

1211
00:55:23,269 --> 00:55:20,910
now Gary Voorhees and Jason Turner and

1212
00:55:26,029 --> 00:55:23,279
we had them on and it was all good as

1213
00:55:27,410 --> 00:55:26,039

far as they were concerned it was it's

1214

00:55:28,910 --> 00:55:27,420

been a very good experience for them

1215

00:55:31,190 --> 00:55:28,920

coming forward talking about what they

1216

00:55:33,230 --> 00:55:31,200

know Frank I'm really glad you brought

1217

00:55:35,960 --> 00:55:33,240

them up I'll tell you why because the

1218

00:55:39,500 --> 00:55:35,970

question I'd like to ask at our panel to

1219

00:55:43,370 --> 00:55:39,510

chime in on and as when we had them on

1220

00:55:46,549 --> 00:55:43,380

our show those folks actually said when

1221

00:55:49,549 --> 00:55:46,559

I asked them do you think my question

1222

00:55:51,680 --> 00:55:49,559

was this is not the exact question but

1223

00:55:52,940 --> 00:55:51,690

it was along the same lines of it do you

1224

00:55:56,329 --> 00:55:52,950

think it was one of ours

1225

00:55:58,579 --> 00:55:56,339

meaning do you think that what you saw

1226

00:56:01,819 --> 00:55:58,589

regarding this tick-tock was our

1227

00:56:06,200 --> 00:56:01,829

technology and oddly one of them said

1228

00:56:09,370 --> 00:56:06,210

yes and wanted to ask the panel do you

1229

00:56:13,730 --> 00:56:09,380

think that some of these unidentified

1230

00:56:16,250 --> 00:56:13,740

objects in the sky that are moving at

1231

00:56:20,390 --> 00:56:16,260

ungodly speeds and doing all these

1232

00:56:21,920 --> 00:56:20,400

things that we we assume are under the

1233

00:56:24,319 --> 00:56:21,930

assumption that our technology isn't

1234

00:56:28,220 --> 00:56:24,329

capable of do you think that it's really

1235

00:56:29,750 --> 00:56:28,230

our technology would maybe Rosa

1236

00:56:37,849 --> 00:56:29,760

would you like to chime in on this topic

1237

00:56:40,280 --> 00:56:37,859

I want to say no I want to say that I

1238

00:56:45,410 --> 00:56:40,290

think we would have seen more of it the

1239

00:56:51,200 --> 00:56:45,420

fact that these pilots had the looks on

1240

00:56:55,420 --> 00:56:51,210

their faces that they do it just how do

1241

00:56:58,250 --> 00:56:55,430

I explain this it I mean it it just I

1242

00:57:02,090 --> 00:56:58,260

think they're in too much shock I don't

1243

00:57:06,830 --> 00:57:02,100

think I would think that they would have

1244

00:57:08,090 --> 00:57:06,840

seen more or or help me out here guys if

1245

00:57:11,210 --> 00:57:08,100

you know what it is I'm trying to say

1246

00:57:13,040 --> 00:57:11,220

yeah I know I know what you mean okay

1247

00:57:14,960 --> 00:57:13,050

they just looked you shocked well yeah

1248

00:57:17,300 --> 00:57:14,970

and that that does bring up a good point

1249

00:57:18,800 --> 00:57:17,310

because you would think that pilots who

1250

00:57:21,230 --> 00:57:18,810

seem to spend an awful lot of time in

1251
00:57:23,270 --> 00:57:21,240
the sky would see more of this going on

1252
00:57:25,450 --> 00:57:23,280
but at the same time if they don't have

1253
00:57:28,340 --> 00:57:25,460
a need to know regarding classified

1254
00:57:29,240 --> 00:57:28,350
projects that might appear to look like

1255
00:57:32,510 --> 00:57:29,250
what we think

1256
00:57:35,330 --> 00:57:32,520
eg craft might look like then you know

1257
00:57:37,310 --> 00:57:35,340
that brings up that challenge right

1258
00:57:39,680 --> 00:57:37,320
there would anybody else like to talk

1259
00:57:43,160 --> 00:57:39,690
about that well this is Chris I don't

1260
00:57:46,670 --> 00:57:43,170
believe for a second that it's our

1261
00:57:52,250 --> 00:57:46,680
technology and I I just kind of feel

1262
00:57:53,720 --> 00:57:52,260
that if these are top-secret tests and

1263
00:57:55,640 --> 00:57:53,730

things that these folks are doing why

1264

00:58:02,150 --> 00:57:55,650

are they flying around right over the

1265

00:58:08,180 --> 00:58:02,160

military their aircraft carriers are not

1266

00:58:09,980 --> 00:58:08,190

jive yeah you know well I've got a

1267

00:58:12,140 --> 00:58:09,990

question for all of you and I know

1268

00:58:13,849 --> 00:58:12,150

you've done field investigations and you

1269

00:58:15,500 --> 00:58:13,859

get witnesses coming in now a lot of

1270

00:58:16,790 --> 00:58:15,510

times these witnesses are going to come

1271

00:58:18,859 --> 00:58:16,800

to you and they've had this incredible

1272

00:58:20,930 --> 00:58:18,869

experience on the one hand yet on the

1273

00:58:23,300 --> 00:58:20,940

other hand folks with the background in

1274

00:58:25,430 --> 00:58:23,310

the field you know we've sort of seen

1275

00:58:26,870 --> 00:58:25,440

this type of thing before we've we've

1276

00:58:29,510 --> 00:58:26,880

heard about these things that we're

1277

00:58:31,760 --> 00:58:29,520

aware of them and what that would seem

1278

00:58:33,890 --> 00:58:31,770

like a really unique unusual experience

1279

00:58:36,230 --> 00:58:33,900

well of course it is for the individual

1280

00:58:38,030 --> 00:58:36,240

who has it but by the same token there

1281

00:58:40,190 --> 00:58:38,040

are a lot of other individuals who have

1282

00:58:41,230 --> 00:58:40,200

had these experiences and do you ever

1283

00:58:42,609 --> 00:58:41,240

run up

1284

00:58:44,680 --> 00:58:42,619

against that kind of thing when you're

1285

00:58:47,080 --> 00:58:44,690

out interviewing witnesses where you

1286

00:58:48,850 --> 00:58:47,090

know the folks are beside themselves

1287

00:58:51,010 --> 00:58:48,860

because they've seen something that

1288

00:58:53,920 --> 00:58:51,020

really blows their mind yet by the same

1289

00:58:57,130 --> 00:58:53,930

token we're into all this so we know

1290

00:58:59,530 --> 00:58:57,140

these kind of things do happen so how do

1291

00:59:03,220 --> 00:58:59,540

you handle that type of thing well I

1292

00:59:05,800 --> 00:59:03,230

just as Chris I understand that I feel

1293

00:59:08,880 --> 00:59:05,810

investigating that you know we get just

1294

00:59:13,030 --> 00:59:08,890

like you said we get cases that are

1295

00:59:16,620 --> 00:59:13,040

misidentified most people don't pay a

1296

00:59:19,060 --> 00:59:16,630

whole lot of attention to earth science

1297

00:59:19,630 --> 00:59:19,070

astronomy you know any of that kind of

1298

00:59:22,750 --> 00:59:19,640

stuff

1299

00:59:26,320 --> 00:59:22,760

weather phenomena and all that so when

1300

00:59:28,450 --> 00:59:26,330

they see something it really scares not

1301

00:59:32,230 --> 00:59:28,460

everybody but quite a you know if it

1302

00:59:35,830 --> 00:59:32,240

could be a few folks and so a lot of

1303

00:59:39,700 --> 00:59:35,840

them just your education to educate them

1304

00:59:43,390 --> 00:59:39,710

and stuff and so that's kind of how I

1305

00:59:45,760 --> 00:59:43,400

kind of treat it as you know helping

1306

00:59:47,650 --> 00:59:45,770

them learn about what's out there and

1307

00:59:51,130 --> 00:59:47,660

offer some stuff for them to look into

1308

00:59:53,740 --> 00:59:51,140

and and they go oh yeah that makes sense

1309

00:59:55,510 --> 00:59:53,750

for sometimes the folks are very much

1310

01:00:01,810 --> 00:59:55,520

the opposite way and they go no no way

1311

01:00:04,330 --> 01:00:01,820

no how I saw a flying saucer it's like

1312

01:00:06,880 --> 01:00:04,340

okay maybe you did because I wasn't

1313

01:00:11,290 --> 01:00:06,890

there either ooh no I mean you know but

1314

01:00:13,870 --> 01:00:11,300

it's yeah it's um it took to the folks

1315

01:00:15,760 --> 01:00:13,880

it's a big deal to us it may be just a

1316

01:00:17,650 --> 01:00:15,770

regular lens flare or something like

1317

01:00:21,720 --> 01:00:17,660

that but to them it's a big deal and

1318

01:00:25,030 --> 01:00:21,730

that's why you know we help them become

1319

01:00:28,750 --> 01:00:25,040

more familiar with the world that

1320

01:00:31,270 --> 01:00:28,760

they're living in so you get most of

1321

01:00:35,530 --> 01:00:31,280

your cases explained but about the ones

1322

01:00:36,849 --> 01:00:35,540

that aren't explained how many you Jim I

1323

01:00:39,010 --> 01:00:36,859

think had mentioned that you get roughly

1324

01:00:43,630 --> 01:00:39,020

yeah one a day over the course of a year

1325

01:00:47,560 --> 01:00:43,640

and how many of those are you ending up

1326

01:00:51,099 --> 01:00:47,570

scratching your heads over well there's

1327

01:00:54,550 --> 01:00:51,109

bad but about 12 percent that are

1328

01:00:58,810 --> 01:00:54,560

unknowns and that's across the world

1329

01:01:00,910 --> 01:00:58,820

so even if it was only 1% still what the

1330

01:01:02,920 --> 01:01:00,920

heck is that I mean you have to still

1331

01:01:06,670 --> 01:01:02,930

consider that there's something that we

1332

01:01:08,440 --> 01:01:06,680

truly cannot identify so it's still a

1333

01:01:12,160 --> 01:01:08,450

big deal no matter what number you have

1334

01:01:14,620 --> 01:01:12,170

the 12% is a pretty good number as far

1335

01:01:17,290 --> 01:01:14,630

as these crafts that these guys were you

1336

01:01:19,150 --> 01:01:17,300

know trying to that they were seeing and

1337

01:01:22,120 --> 01:01:19,160

try and describing off of the show

1338

01:01:24,040 --> 01:01:22,130

unidentified there is you know they've

1339

01:01:26,650 --> 01:01:24,050

had it analyzed they know what they're

1340

01:01:28,930 --> 01:01:26,660

looking at they had independent you know

1341

01:01:31,240 --> 01:01:28,940

civilians out there analyzing this and

1342

01:01:36,460 --> 01:01:31,250

when you look at the crafts that they're

1343

01:01:38,560 --> 01:01:36,470

calling the go-fast it's so fast that

1344

01:01:41,770 --> 01:01:38,570

they've never seen anything back fast

1345

01:01:44,710 --> 01:01:41,780

and it has absolutely no heat signature

1346

01:01:46,780 --> 01:01:44,720

I don't think that we have the

1347

01:01:48,880 --> 01:01:46,790

technology to do anything that has no

1348

01:01:51,850 --> 01:01:48,890

heat signature our propulsion systems

1349

01:01:53,890 --> 01:01:51,860

are loud and they're hot and they just

1350

01:01:55,780 --> 01:01:53,900

don't jive with what they're seeing on

1351

01:01:57,240 --> 01:01:55,790

this stuff and then you look at the

1352

01:02:01,900 --> 01:01:57,250

craft that they're calling the gimbal

1353

01:02:04,780 --> 01:02:01,910

okay that thing is rotating at an angle

1354

01:02:06,850 --> 01:02:04,790

it doesn't lose altitude we don't have

1355

01:02:10,060 --> 01:02:06,860

anything that can do that either so

1356

01:02:12,070 --> 01:02:10,070

these things are truly anomalous and you

1357

01:02:15,010 --> 01:02:12,080

know like Chris melon said on here these

1358

01:02:19,090 --> 01:02:15,020

things are bizarre they're incredible

1359

01:02:21,460 --> 01:02:19,100

and that makes them unacceptable so when

1360

01:02:22,830 --> 01:02:21,470

you call something unacceptable this is

1361

01:02:27,880 --> 01:02:22,840

the guy that has seen a lot of

1362

01:02:29,290 --> 01:02:27,890

unacceptable stuff in his life you got

1363

01:02:35,140 --> 01:02:29,300

to really listen to that this is

1364

01:02:38,200 --> 01:02:35,150

unacceptable because it is unknown I

1365

01:02:40,900 --> 01:02:38,210

just want to say that I think we'll all

1366

01:02:47,440 --> 01:02:40,910

agree that the technology that we see

1367

01:02:51,520 --> 01:02:47,450

every day we're usually it's been said

1368

01:02:55,060 --> 01:02:51,530

that what you see today is and what's

1369

01:02:56,920 --> 01:02:55,070

what's really out there the technology

1370

01:02:58,660 --> 01:02:56,930

that's that that the general public sees

1371

01:03:03,640 --> 01:02:58,670

is about 50 years behind it what's

1372

01:03:05,860 --> 01:03:03,650

really there and did this tic-tac UFO in

1373

01:03:07,150 --> 01:03:05,870

this in this technology we're dealing

1374

01:03:08,410 --> 01:03:07,160

with holy smokes

1375

01:03:11,980 --> 01:03:08,420

we're not going to have

1376

01:03:14,170 --> 01:03:11,990

not even in 50 years we do have we do

1377

01:03:17,110 --> 01:03:14,180

have a lot of classified and secret

1378

01:03:21,520 --> 01:03:17,120

stuff I'm sure we do I hope we do let's

1379

01:03:23,650 --> 01:03:21,530

put it that way but I think that this

1380

01:03:26,440 --> 01:03:23,660

technology that we're looking at is so

1381

01:03:28,270 --> 01:03:26,450

wildly and advanced of anything like

1382

01:03:32,050 --> 01:03:28,280

Stacey said you know the propulsion

1383

01:03:34,620 --> 01:03:32,060

systems right now and even though we

1384

01:03:38,890 --> 01:03:34,630

have all heard that anti-gravity exists

1385

01:03:40,780 --> 01:03:38,900

this is still some amazing stuff so I I

1386

01:03:44,440 --> 01:03:40,790

don't think this is ours

1387

01:03:46,840 --> 01:03:44,450

so I'll go along with Chris and and and

1388

01:03:49,810 --> 01:03:46,850

the others that yeah I I agree this is

1389

01:03:52,120 --> 01:03:49,820

this is it may not be extraterrestrial

1390

01:03:54,640 --> 01:03:52,130

but it certainly isn't anything the

1391

01:03:56,830 --> 01:03:54,650

United States has right now this is

1392

01:03:58,270 --> 01:03:56,840

Chris the one thing I just kind of

1393

01:04:00,850 --> 01:03:58,280

wanted that because it occurred to me

1394

01:04:03,280 --> 01:04:00,860

not today but I've watching the show

1395

01:04:05,350 --> 01:04:03,290

with a gimbal that Stacey was mentioning

1396

01:04:07,660 --> 01:04:05,360

the gimbal and how it was rotating and

1397

01:04:10,930 --> 01:04:07,670

doing all this stuff I remembered one of

1398

01:04:14,050 --> 01:04:10,940

Jeanette George Knapp Bob Lazar things

1399

01:04:16,360 --> 01:04:14,060

not that long ago that show us has the

1400

01:04:18,580 --> 01:04:16,370

movie that they just released area 51 I

1401

01:04:19,990 --> 01:04:18,590

think it was called or whatever and Bob

1402

01:04:21,550 --> 01:04:20,000

Lazar I don't know if anybody remembers

1403

01:04:24,640 --> 01:04:21,560

but he was talking when he was

1404

01:04:25,420 --> 01:04:24,650

describing to George about the craft and

1405

01:04:27,700 --> 01:04:25,430

how it moves

1406

01:04:33,100 --> 01:04:27,710

what was the same thing that that gimbal

1407

01:04:35,080 --> 01:04:33,110

was doing no you're right Chris yeah the

1408

01:04:46,150 --> 01:04:35,090

rotation is sort of doing it I the

1409

01:04:52,930 --> 01:04:46,160

bottom forwarded but that thought that

1410

01:04:56,620 --> 01:04:52,940

occurred to me interesting I wanted to

1411

01:04:58,960 --> 01:04:56,630

bring up Ben rich and that is there's

1412

01:05:02,320 --> 01:04:58,970

been a few quotes attributed to him

1413

01:05:05,200 --> 01:05:02,330

regarding anything you can imagine we

1414

01:05:08,440 --> 01:05:05,210

already know how to do and then a few

1415

01:05:10,840 --> 01:05:08,450

other quotes regarding how our

1416

01:05:13,660 --> 01:05:10,850

technology might already have caught up

1417

01:05:17,140 --> 01:05:13,670

with the kind of technology we think

1418

01:05:21,910 --> 01:05:17,150

that et crap ETS and in their craft have

1419

01:05:24,310 --> 01:05:21,920

the capability of being able to have

1420

01:05:27,070 --> 01:05:24,320

what is everybody's thoughts on that is

1421

01:05:33,520 --> 01:05:27,080

what been rich said just a utopia that's

1422

01:05:38,140 --> 01:05:33,530

not possible or is it a reality well

1423

01:05:40,720 --> 01:05:38,150

that's a good point yeah I remember when

1424

01:05:42,400 --> 01:05:40,730

bin rich said that and he said we had to

1425

01:05:49,990 --> 01:05:42,410

eat we had the technology to take e.t

1426

01:05:52,690 --> 01:05:50,000

home well Wow okay think about this

1427

01:05:55,750 --> 01:05:52,700

we hear about the secret space program

1428

01:05:59,530 --> 01:05:55,760

and all of that and I I was listening to

1429

01:06:02,020 --> 01:05:59,540

a lecture the other day and I can't

1430

01:06:06,330 --> 01:06:02,030

recall the person's name but the

1431

01:06:09,190 --> 01:06:06,340

question was was this why does it take

1432

01:06:14,080 --> 01:06:09,200

this is what why did it take the space

1433

01:06:15,880 --> 01:06:14,090

shuttle 48 hours to get up to ISS when

1434

01:06:18,730 --> 01:06:15,890

it took the Russians 4 hours to get

1435

01:06:20,470 --> 01:06:18,740

there Russians would launch off their

1436

01:06:22,450 --> 01:06:20,480

pads and in four hours they'd be up

1437

01:06:24,970 --> 01:06:22,460

there the United States would launch off

1438

01:06:27,990 --> 01:06:24,980

their pads would be 48 to 36 hours

1439

01:06:30,400 --> 01:06:28,000

before we got there what was going on

1440

01:06:34,030 --> 01:06:30,410

okay so what was going on during that

1441

01:06:36,070 --> 01:06:34,040

during that span of time and so to think

1442

01:06:38,650 --> 01:06:36,080

that there isn't another program maybe a

1443

01:06:39,990 --> 01:06:38,660

covert or a black program going on is a

1444

01:06:43,180 --> 01:06:40,000

bit naive

1445

01:06:45,370 --> 01:06:43,190

so maybe been rich was right on you know

1446

01:06:51,220 --> 01:06:45,380

that's there's there's a lot of

1447

01:06:53,170 --> 01:06:51,230

questions to be answered yet on the show

1448

01:06:54,880 --> 01:06:53,180

you know and me he worked at skunk works

1449

01:06:57,550 --> 01:06:54,890

he's got pretty good knowledge of what's

1450

01:07:01,360 --> 01:06:57,560

going on out there and he said you know

1451

01:07:04,450 --> 01:07:01,370

he's pretty convinced that this is it's

1452

01:07:08,290 --> 01:07:04,460

at least a highly advanced adversary

1453

01:07:11,760 --> 01:07:08,300

that we're dealing with here so that's

1454

01:07:13,450 --> 01:07:11,770

maybe another term for you know

1455

01:07:15,310 --> 01:07:13,460

extraterrestrial or whatever you want to

1456

01:07:20,070 --> 01:07:15,320

put in there but a highly advanced

1457

01:07:22,840 --> 01:07:20,080

adversary yes that's pretty big stuff

1458

01:07:27,610 --> 01:07:22,850

Shane here I was gonna comment to that

1459

01:07:30,670 --> 01:07:27,620

you know TTS a throw or a tip rather has

1460

01:07:33,450 --> 01:07:30,680

been very careful to produce data and

1461

01:07:35,680 --> 01:07:33,460

make statements that are you know very

1462

01:07:39,010 --> 01:07:35,690

carefully done so for example

1463

01:07:42,460 --> 01:07:39,020

they they say there are five attributes

1464

01:07:46,210 --> 01:07:42,470

that this UFO soar this UAP are

1465

01:07:48,640 --> 01:07:46,220

demonstrating that they feel indicate

1466

01:07:50,680 --> 01:07:48,650

that it's not our own technology so I

1467

01:07:54,789 --> 01:07:50,690

can't remember all five atop my head but

1468

01:07:57,579 --> 01:07:54,799

I know one is the capability to travel

1469

01:07:59,859 --> 01:07:57,589

in trance medium in other words they can

1470

01:08:02,470 --> 01:07:59,869

be in space they can be in our

1471

01:08:04,720 --> 01:08:02,480

atmosphere and it can be underwater with

1472

01:08:05,559 --> 01:08:04,730

no apparent reconfiguration of those

1473

01:08:09,760 --> 01:08:05,569

crafts

1474

01:08:13,089 --> 01:08:09,770

well that is way beyond our technology

1475

01:08:15,190 --> 01:08:13,099

you look at airplanes there's a hundred

1476

01:08:18,099 --> 01:08:15,200

different designs for different purposes

1477

01:08:20,380 --> 01:08:18,109

same with boats we have very limited

1478

01:08:22,059 --> 01:08:20,390

spacecraft they they look nothing alike

1479

01:08:24,189 --> 01:08:22,069

they don't function alike different

1480

01:08:27,579 --> 01:08:24,199

materials different designs they're just

1481

01:08:31,059 --> 01:08:27,589

you just we just can't do that so you

1482

01:08:31,800 --> 01:08:31,069

know ultimately you know I may have egg

1483

01:08:34,780 --> 01:08:31,810

on my face

1484

01:08:37,930 --> 01:08:34,790

assuming that these are not our own

1485

01:08:39,939 --> 01:08:37,940

technology but so far the data from

1486

01:08:42,880 --> 01:08:39,949

those who are serious investigators

1487

01:08:47,079 --> 01:08:42,890

about it are pointing in that direction

1488

01:08:48,910 --> 01:08:47,089

so you know I think politically what

1489

01:08:51,340 --> 01:08:48,920

we're seeing and the reason a lot of

1490

01:08:54,130 --> 01:08:51,350

people are focusing on oh this could be

1491

01:08:57,309 --> 01:08:54,140

our tech is sort of that whole cognitive

1492

01:08:59,769 --> 01:08:57,319

dissonance thing is is look this is too

1493

01:09:02,740 --> 01:08:59,779

fantastic to think about that there are

1494

01:09:04,320 --> 01:09:02,750

others here in this technology and this

1495

01:09:06,610 --> 01:09:04,330

is part of that you know slowed

1496

01:09:08,919 --> 01:09:06,620

disclosure where you kind of drip-feed

1497

01:09:11,979 --> 01:09:08,929

and you build up to that so again what

1498

01:09:16,030 --> 01:09:11,989

where and when versus you know who and

1499

01:09:18,039 --> 01:09:16,040

why and so I think that's why even TTS a

1500

01:09:20,260 --> 01:09:18,049

is kind of presenting it that way well

1501

01:09:23,010 --> 01:09:20,270

we don't know what it is but you know it

1502

01:09:25,870 --> 01:09:23,020

could be China or Russia or someone else

1503

01:09:28,209 --> 01:09:25,880

knowing full well that that's not who it

1504

01:09:30,370 --> 01:09:28,219

is but you have to go there politically

1505

01:09:32,229 --> 01:09:30,380

and just to acclimate people to the

1506

01:09:34,269 --> 01:09:32,239

whole idea that there's some kind of

1507

01:09:36,760 --> 01:09:34,279

technology beyond our understanding

1508

01:09:41,769 --> 01:09:36,770

then that the hard stuffs going to come

1509

01:09:46,370 --> 01:09:41,779

later so I think that's all connected go

1510

01:09:49,640 --> 01:09:46,380

ahead well to add to that

1511

01:09:53,329 --> 01:09:49,650

I think about you know the ability to

1512

01:09:58,730 --> 01:09:53,339

travel trance medium think about the

1513

01:10:01,310 --> 01:09:58,740

shag harbour event when those they were

1514

01:10:02,990 --> 01:10:01,320

tracking they were tracking objects

1515

01:10:05,210 --> 01:10:03,000

moving under the under the water at

1516

01:10:08,420 --> 01:10:05,220

incredible speeds near the speed of

1517

01:10:11,830 --> 01:10:08,430

sound if you were to believe some of the

1518

01:10:14,000 --> 01:10:11,840

reports and Stacey and I do a

1519

01:10:16,430 --> 01:10:14,010

presentation that we give locally here

1520

01:10:19,550 --> 01:10:16,440

and Stacey mentioned shag harbour in her

1521

01:10:21,890 --> 01:10:19,560

in her presentation and that was quite

1522

01:10:24,680 --> 01:10:21,900

an incredible event I don't remember how

1523

01:10:31,580 --> 01:10:24,690

long ago that was to use there was 67

1524

01:10:36,650 --> 01:10:31,590

yeah biology to travel fast underwater

1525

01:10:39,050 --> 01:10:36,660

is nothing new so yeah this I think

1526

01:10:42,980 --> 01:10:39,060

we're dealing with a completely a

1527

01:10:45,290 --> 01:10:42,990

different different group of people I

1528

01:10:46,750 --> 01:10:45,300

you know I don't think it's us I just

1529

01:10:50,240 --> 01:10:46,760

don't

1530

01:10:52,580 --> 01:10:50,250

yep I agree it's it's a it's a challenge

1531

01:10:55,430 --> 01:10:52,590

but you know if I think if we're patient

1532

01:10:57,680 --> 01:10:55,440

let these things unfold as they need to

1533

01:10:59,750 --> 01:10:57,690

you know politically and emotionally and

1534

01:11:01,760 --> 01:10:59,760

and all those things that that more and

1535

01:11:03,710 --> 01:11:01,770

more it's going to come out and yeah the

1536

01:11:05,390 --> 01:11:03,720

conclusion is going to get you know the

1537

01:11:07,970 --> 01:11:05,400

options for a conclusion are going to

1538

01:11:24,189 --> 01:11:07,980

get narrower and narrower and that's

1539

01:11:29,680 --> 01:11:26,770

are we still here yeah yeah chant you're

1540

01:11:36,130 --> 01:11:29,690

talking and I can't hear you oh maybe

1541

01:11:38,169 --> 01:11:36,140

that's a blessing the question I saw

1542

01:11:44,680 --> 01:11:38,179

your lips moving in that no sound was

1543

01:11:48,150 --> 01:11:44,690

coming down like my boyfriend anyway the

1544

01:11:51,669 --> 01:11:48,160

question I have for the panel is this

1545

01:11:53,939 --> 01:11:51,679

the UFOs that are reported in the sky

1546

01:11:58,810 --> 01:11:53,949

let's just pretend that some of them are

1547

01:12:01,900 --> 01:11:58,820

ET craft for a moment how many years in

1548

01:12:06,180 --> 01:12:01,910

advance do you think these ET crafts are

1549

01:12:09,640 --> 01:12:06,190

is it eons you know millions of years or

1550

01:12:17,439 --> 01:12:09,650

10,000 years ahead of our time thoughts

1551

01:12:20,229 --> 01:12:17,449

on this this and that debt is like one

1552

01:12:24,340 --> 01:12:20,239

of the ultimate questions how advanced

1553

01:12:28,169 --> 01:12:24,350

are they we know that our our species on

1554

01:12:30,760 --> 01:12:28,179

this planet our present our present

1555

01:12:34,689 --> 01:12:30,770

understanding of how old our human race

1556

01:12:36,880 --> 01:12:34,699

is you know we're young in the universe

1557

01:12:40,390 --> 01:12:36,890

we're not very old we're the new kids on

1558

01:12:43,150 --> 01:12:40,400

the block really an advanced

1559

01:12:46,000 --> 01:12:43,160

civilization could be easily a billion

1560

01:12:48,520 --> 01:12:46,010

years older than us so you know who

1561

01:12:51,280 --> 01:12:48,530

knows who knows but I think what we're

1562

01:12:53,590 --> 01:12:51,290

seeing is we're seeing technology that

1563

01:12:57,510 --> 01:12:53,600

is easily 500 years in advance to us

1564

01:13:04,150 --> 01:12:57,520

right now that's my opinion

1565

01:13:06,100 --> 01:13:04,160

anyone else yes it's really an unknown I

1566

01:13:07,510 --> 01:13:06,110

don't think anyone anyone knows that's

1567

01:13:09,970 --> 01:13:07,520

why we're all trying to study the

1568

01:13:11,800 --> 01:13:09,980

subject and find out all the pieces of

1569

01:13:16,300 --> 01:13:11,810

the puzzle connect some dots we just

1570

01:13:20,260 --> 01:13:16,310

don't know yeah bro we know they could

1571

01:13:22,479 --> 01:13:20,270

be actually faster than we are you know

1572

01:13:24,459 --> 01:13:22,489

they might not even be older than might

1573

01:13:26,500 --> 01:13:24,469

be younger than we are they just got to

1574

01:13:33,700 --> 01:13:26,510

this level technology-wise faster than

1575

01:13:35,560 --> 01:13:33,710

we you know of no way this unidentified

1576

01:13:37,899 --> 01:13:35,570

series brought out some interesting

1577

01:13:40,750 --> 01:13:37,909

commentary from the UFO community

1578

01:13:44,800 --> 01:13:40,760

and also the general public regarding

1579

01:13:46,959 --> 01:13:44,810

the topic of a threat in our skies

1580

01:13:48,700 --> 01:13:46,969

my understanding is Elizondo resigned

1581

01:13:51,040 --> 01:13:48,710

after expressing to the government that

1582

01:13:53,350 --> 01:13:51,050

these you IPS could pose a major threat

1583

01:13:54,760 --> 01:13:53,360

to our national security and not enough

1584

01:13:56,740 --> 01:13:54,770

was being done to deal with them or

1585

01:13:59,229 --> 01:13:56,750

address our potential vulnerabilities as

1586

01:14:02,229 --> 01:13:59,239

it says on the unidentified a series

1587

01:14:04,720 --> 01:14:02,239

history channel's website do you think

1588

01:14:07,209 --> 01:14:04,730

that this series actually caused people

1589

01:14:10,510 --> 01:14:07,219

to have more fear is it a fear-based

1590

01:15:47,750 --> 01:14:10,520

show regarding UFOs so to speak thoughts

1591

01:15:54,750 --> 01:15:51,900

yeah Shane here two up I don't think the

1592

01:15:56,790 --> 01:15:54,760

program was you know portraying it in a

1593

01:15:58,350 --> 01:15:56,800

fear factor sort of way I mean

1594

01:16:01,350 --> 01:15:58,360

definitely a threat is the language

1595

01:16:04,490 --> 01:16:01,360

they're using but remember the intent of

1596

01:16:07,140 --> 01:16:04,500

this is to motivate Congress to act and

1597

01:16:08,550 --> 01:16:07,150

remember the holders of this information

1598

01:16:10,680 --> 01:16:08,560

the people who are pushing this forward

1599

01:16:13,560 --> 01:16:10,690

are the military they are in the threat

1600

01:16:16,770 --> 01:16:13,570

business and threat equals dollars and

1601
01:16:18,630 --> 01:16:16,780
so you know this is again part of I

1602
01:16:21,450 --> 01:16:18,640
think it was Chris Mellon who said you

1603
01:16:24,120 --> 01:16:21,460
know we are trying to work within a

1604
01:16:26,640 --> 01:16:24,130
political system here to get this

1605
01:16:28,770 --> 01:16:26,650
information in this topic move forward

1606
01:16:28,980 --> 01:16:28,780
and I think that it's a reflection of

1607
01:16:31,320 --> 01:16:28,990
that

1608
01:16:33,270 --> 01:16:31,330
now I will say personally I don't think

1609
01:16:34,380 --> 01:16:33,280
there are a threat and I don't think so

1610
01:16:36,360 --> 01:16:34,390
is because they haven't demonstrated

1611
01:16:39,030 --> 01:16:36,370
that at least that we know of

1612
01:16:41,340 --> 01:16:39,040
however you know in principle you have

1613
01:16:44,370 --> 01:16:41,350

to acknowledge if you don't know about

1614

01:16:47,610 --> 01:16:44,380

them they could potentially be a threat

1615

01:16:50,070 --> 01:16:47,620

you just don't know so but again I don't

1616

01:16:51,300 --> 01:16:50,080

think this has been overly hyped like oh

1617

01:16:52,830 --> 01:16:51,310

you know we've got to do something

1618

01:16:55,110 --> 01:16:52,840

because they're you know we're gonna get

1619

01:16:57,150 --> 01:16:55,120

invaded tomorrow it isn't like that but

1620

01:16:59,850 --> 01:16:57,160

it is look we're going to dedicate

1621

01:17:02,010 --> 01:16:59,860

dollars and time and resources and you

1622

01:17:03,870 --> 01:17:02,020

know national treasure to this there has

1623

01:17:05,850 --> 01:17:03,880

to be a good and valid reason to do it

1624

01:17:07,890 --> 01:17:05,860

and a threat is always a good and valid

1625

01:17:13,920 --> 01:17:07,900

reason at least from the perspective of

1626

01:17:17,160 --> 01:17:13,930

Congress and the military what what I

1627

01:17:19,050 --> 01:17:17,170

wanted to say is that I think it's a

1628

01:17:19,530 --> 01:17:19,060

it's a good idea we don't know who they

1629

01:17:22,380 --> 01:17:19,540

are

1630

01:17:23,880 --> 01:17:22,390

the bad guy could write into town I mean

1631

01:17:26,820 --> 01:17:23,890

you know you say oh they've all been

1632

01:17:30,900 --> 01:17:26,830

through our life of they've never done

1633

01:17:33,300 --> 01:17:30,910

anything well things change and they

1634

01:17:35,690 --> 01:17:33,310

continue to change and the guys with the

1635

01:17:39,900 --> 01:17:35,700

black hat may ride into town one day and

1636

01:17:41,610 --> 01:17:39,910

we don't we need to be prepared and for

1637

01:17:44,640 --> 01:17:41,620

what it's worth I don't think we would

1638

01:17:46,470 --> 01:17:44,650

have a chance but who knows if it's like

1639

01:17:50,970 --> 01:17:46,480

War of the Worlds our bugs will kill

1640

01:17:52,350 --> 01:17:50,980

them off well and and that makes an

1641

01:17:54,840 --> 01:17:52,360

interesting point when you look at

1642

01:17:59,430 --> 01:17:54,850

episode 5 which is the atomic connection

1643

01:18:00,479 --> 01:17:59,440

on that there seems to be another huge

1644

01:18:04,470 --> 01:18:00,489

interest

1645

01:18:07,770 --> 01:18:04,480

our arsenal of nuclear weapons and where

1646

01:18:10,109 --> 01:18:07,780

they're stored but they have done

1647

01:18:13,049 --> 01:18:10,119

nothing that we should be real fear

1648

01:18:14,640 --> 01:18:13,059

based on about this right it sounds like

1649

01:18:18,750 --> 01:18:14,650

they have been something and looking at

1650

01:18:22,729 --> 01:18:18,760

our stuff since about 1966 but in some

1651

01:18:26,660 --> 01:18:22,739

instances they shut down our arsenal

1652

01:18:29,729 --> 01:18:26,670

they have not melted it they have not

1653

01:18:31,620 --> 01:18:29,739

blown it up they have not done anything

1654

01:18:34,169 --> 01:18:31,630

like that that we should be super

1655

01:18:36,239 --> 01:18:34,179

fearful of so you just have to wonder

1656

01:18:37,520 --> 01:18:36,249

are they coming to just check us out and

1657

01:18:40,770 --> 01:18:37,530

see what we have

1658

01:18:43,049 --> 01:18:40,780

because as Jim Marrs mentioned once you

1659

01:18:50,370 --> 01:18:43,059

know oh the kids have found the matches

1660

01:18:53,520 --> 01:18:50,380

right so our key are the into the show

1661

01:18:55,169 --> 01:18:53,530

of strength are they showing us that we

1662

01:18:56,729 --> 01:18:55,179

shouldn't be messing with this or are

1663

01:18:59,399 --> 01:18:56,739

they showing us that they can shut us

1664

01:19:00,149 --> 01:18:59,409

down at any point they want and are they

1665

01:19:03,180 --> 01:19:00,159

doing that

1666

01:19:06,089 --> 01:19:03,190

as a show of strength or as a show of

1667

01:19:07,919 --> 01:19:06,099

protection for us so you got to look at

1668

01:19:09,810 --> 01:19:07,929

it two different ways you know what they

1669

01:19:11,069 --> 01:19:09,820

haven't blown us up by using our own

1670

01:19:13,379 --> 01:19:11,079

weapons against us

1671

01:19:16,770 --> 01:19:13,389

so I tend to think that they're not

1672

01:19:18,479 --> 01:19:16,780

going to and thank god maybe they're

1673

01:19:22,140 --> 01:19:18,489

here to teach us we shouldn't be messing

1674

01:19:26,989 --> 01:19:22,150

with the stuff I don't know but I don't

1675

01:19:34,129 --> 01:19:30,600

Rossa how do you feel do you think that

1676

01:19:37,950 --> 01:19:34,139

we should be afraid of the UFO topic

1677

01:19:41,220 --> 01:19:37,960

regarding UFOs being in our sky they're

1678

01:19:42,779 --> 01:19:41,230

possibly et related craft and also do

1679

01:19:47,250 --> 01:19:42,789

you think the unidentified series came

1680

01:19:51,660 --> 01:19:47,260

off in that manner um I I want to say no

1681

01:19:53,040 --> 01:19:51,670

maybe a small tentacle maybe but I want

1682

01:19:56,069 --> 01:19:53,050

to agree with the rest of the panel

1683

01:19:57,839 --> 01:19:56,079

because if what are they waiting for I

1684

01:19:59,430 --> 01:19:57,849

believe that if it were a throat they

1685

01:20:01,319 --> 01:19:59,440

would have done something by now I

1686

01:20:03,029 --> 01:20:01,329

believe that they're on standby and

1687

01:20:06,660 --> 01:20:03,039

they're just waiting for us to do

1688

01:20:11,790 --> 01:20:06,670

something really stupid and we haven't

1689

01:20:12,899 --> 01:20:11,800

done that yet well you know we got a few

1690

01:20:14,970 --> 01:20:12,909

slugs in the

1691

01:20:16,800 --> 01:20:14,980

I'm sure but I really believe they're on

1692

01:20:18,390 --> 01:20:16,810

standby and like you guys have said

1693

01:20:21,330 --> 01:20:18,400

they've come and they've shut things

1694

01:20:23,700 --> 01:20:21,340

down and and I believe it's a little bit

1695

01:20:25,200 --> 01:20:23,710

of both they're showing that we're here

1696

01:20:31,140 --> 01:20:25,210

I believe there's some sort of

1697

01:20:34,350 --> 01:20:31,150

protection behind it and the government

1698

01:20:39,930 --> 01:20:34,360

doesn't seem to be afraid or oral arms

1699

01:20:41,250 --> 01:20:39,940

by it so they know something and again I

1700

01:20:44,959 --> 01:20:41,260

believe they're waiting for us to do

1701

01:20:49,280 --> 01:20:44,969

something even more stupid if I may say

1702

01:20:53,220 --> 01:20:49,290

I wanted to bring up an interesting

1703

01:20:55,680 --> 01:20:53,230

quote that rich Hoffman gave to me to

1704

01:20:58,770 --> 01:20:55,690

read to actually ask the panel about and

1705

01:21:02,340 --> 01:20:58,780

that is this he said here's another data

1706

01:21:04,680 --> 01:21:02,350

point for your discussion for your

1707

01:21:06,930 --> 01:21:04,690

consideration lou elizondo's work

1708

01:21:09,540 --> 01:21:06,940

represents the first time a member of

1709

01:21:11,189 --> 01:21:09,550

the US intelligence community has come

1710

01:21:14,129 --> 01:21:11,199

forward to speak coherently and

1711

01:21:16,110 --> 01:21:14,139

scientifically about the phenomena this

1712

01:21:18,240 --> 01:21:16,120

will hopefully prompt other members of

1713

01:21:19,950 --> 01:21:18,250

the intelligence community to include

1714

01:21:22,200 --> 01:21:19,960

former directors of national

1715

01:21:26,129 --> 01:21:22,210

intelligence and former directors of the

1716

01:21:29,490 --> 01:21:26,139

Defense Intelligence Agency to lobby the

1717

01:21:32,100 --> 01:21:29,500

US Congress to take a BART bar paw up

1718

01:21:35,580 --> 01:21:32,110

our partes I'm sorry it's hard for me to

1719

01:21:38,640 --> 01:21:35,590

say that word bar piracy by Thank You

1720

01:21:41,340 --> 01:21:38,650

stand and lifting the veil of secrecy on

1721

01:21:42,930 --> 01:21:41,350

this subject and allow an open public

1722

01:22:24,910 --> 01:21:42,940

private study of this issue

1723

01:22:31,549 --> 01:22:29,240

and she like go ahead Jim very glad I

1724

01:22:34,069 --> 01:22:31,559

think that if the United States

1725

01:22:37,790 --> 01:22:34,079

government wanted to shut loo down out

1726

01:22:39,530 --> 01:22:37,800

they would okay there's a lot of

1727

01:22:42,500 --> 01:22:39,540

opinions down there to Pentagon but

1728

01:22:44,510 --> 01:22:42,510

there's also a lot of power and if they

1729

01:22:47,240 --> 01:22:44,520

wanted to shut Lew and Chris Mellon and

1730

01:22:54,830 --> 01:22:47,250

the rest of them down I I believe they

1731

01:22:58,939 --> 01:22:54,840

could okay so I think I think that this

1732

01:23:01,520 --> 01:22:58,949

is being allowed to go forward and the

1733

01:23:03,350 --> 01:23:01,530

fact that the tick-tack UFO and there

1734

01:23:06,080 --> 01:23:03,360

was a whole fleet of them as the Prince

1735

01:23:09,260 --> 01:23:06,090

as the Princeton saw him on radar a

1736

01:23:12,350 --> 01:23:09,270

whole fleet of them the ETS are letting

1737

01:23:14,089 --> 01:23:12,360

themselves be seen the United States

1738

01:23:16,850 --> 01:23:14,099

government is letting this group go

1739

01:23:19,250 --> 01:23:16,860

forward you put two and two together

1740

01:23:22,819 --> 01:23:19,260

here and we can see disclosures coming

1741

01:23:24,260 --> 01:23:22,829

but it's it we have to be curious we

1742

01:23:26,209 --> 01:23:24,270

have to be curious to find out who

1743

01:23:30,709 --> 01:23:26,219

what's going on same time we need to be

1744

01:23:32,479 --> 01:23:30,719

cautious so I think that both both

1745

01:23:33,950 --> 01:23:32,489

controlling factors the United States

1746

01:23:37,040 --> 01:23:33,960

government or the world government if

1747

01:23:38,600 --> 01:23:37,050

you will and et themselves and I'm

1748

01:23:41,839 --> 01:23:38,610

calling them et's because what else will

1749

01:23:50,540 --> 01:23:41,849

be had to call them is entered in

1750

01:23:52,790 --> 01:23:50,550

terrestrial like enter terrestrial the

1751
01:23:54,859 --> 01:23:52,800
unknowns you know there's nothing in

1752
01:23:58,100 --> 01:23:54,869
control those those funny little objects

1753
01:23:59,990 --> 01:23:58,110
out over the ocean and they're allowing

1754
01:24:02,030 --> 01:24:00,000
us they're actually allowing us to

1755
01:24:03,799 --> 01:24:02,040
investigate them a little bit I mean

1756
01:24:06,140 --> 01:24:03,809
they let the they came up there and they

1757
01:24:08,660 --> 01:24:06,150
played around with the with the f-18s

1758
01:24:10,339 --> 01:24:08,670
and they darted up and darted down back

1759
01:24:11,990 --> 01:24:10,349
down to the ocean back up to the sky so

1760
01:24:15,589 --> 01:24:12,000
they were they were saying hey look at

1761
01:24:17,990 --> 01:24:15,599
us look what we can do and I think

1762
01:24:21,229 --> 01:24:18,000
they're waiting yeah so I think

1763
01:24:23,899 --> 01:24:21,239

everybody I think everybody's just

1764

01:24:47,080 --> 01:24:23,909

moving Kosh cautiously here but they're

1765

01:24:53,660 --> 01:24:49,250

this is Maryanne

1766

01:24:57,229 --> 01:24:53,670

yes jumping on Jim's comment jumping on

1767

01:24:59,689 --> 01:24:57,239

the back on that is that I believe other

1768

01:25:01,520 --> 01:24:59,699

government officials probably want to

1769

01:25:02,929 --> 01:25:01,530

come out and say something I bet they

1770

01:25:04,910 --> 01:25:02,939

were just a little too scared they

1771

01:25:07,879 --> 01:25:04,920

didn't want to lose their jobs or get

1772

01:25:12,770 --> 01:25:07,889

ridiculed by the public or other

1773

01:25:14,330 --> 01:25:12,780

government officials and my thought is

1774

01:25:17,509 --> 01:25:14,340

they seen what

1775

01:25:20,719 --> 01:25:17,519

Elizondo and Chris Mellon and Steve

1776

01:25:23,929 --> 01:25:20,729

justice has done with this the show

1777

01:25:26,089 --> 01:25:23,939

unidentified and and speaking out of

1778

01:25:29,239 --> 01:25:26,099

everything and nothing's happened to

1779

01:25:30,709 --> 01:25:29,249

them that we know of and people are

1780

01:25:33,500 --> 01:25:30,719

listening to them they're taking them

1781

01:25:36,279 --> 01:25:33,510

seriously like you said aliens come out

1782

01:25:40,279 --> 01:25:36,289

they wanted to be part of the show and

1783

01:25:42,469 --> 01:25:40,289

bring out some of their investigations I

1784

01:25:43,759 --> 01:25:42,479

think the government officials that

1785

01:25:47,149 --> 01:25:43,769

maybe want to come out

1786

01:25:49,520 --> 01:25:47,159

sit back Wow okay hey that was great

1787

01:25:52,910 --> 01:25:49,530

what they did they came out hey we want

1788

01:25:55,069 --> 01:25:52,920

to come out so I bet in the next I don't

1789

01:25:59,350 --> 01:25:55,079

know hopefully a few months that other

1790

01:26:05,629 --> 01:25:59,360

government officials will come out as

1791

01:26:07,310 --> 01:26:05,639

positive information and give some of

1792

01:26:08,319 --> 01:26:07,320

their information and share with the

1793

01:26:11,410 --> 01:26:08,329

world

1794

01:26:15,140 --> 01:26:11,420

this is Chris you know I I think that

1795

01:26:17,299 --> 01:26:15,150

you know we have to like Lou and those

1796

01:26:20,390 --> 01:26:17,309

guys are doing with them what's that is

1797

01:26:22,219 --> 01:26:20,400

that you know they this is not just the

1798

01:26:24,770 --> 01:26:22,229

United States issue this is the globe

1799

01:26:28,759 --> 01:26:24,780

it's a global issue and in order to have

1800

01:26:30,939 --> 01:26:28,769

disclosure I mean every globally and

1801
01:26:33,739 --> 01:26:30,949
everybody needs to be on board in order

1802
01:26:35,270 --> 01:26:33,749
these like like the Italians for example

1803
01:26:38,179 --> 01:26:35,280
now getting on and who knows who else

1804
01:26:40,160 --> 01:26:38,189
will get on next but I mean and there's

1805
01:26:41,750 --> 01:26:40,170
no point than the president Trump coming

1806
01:26:44,270 --> 01:26:41,760
up and saying you know we're being

1807
01:26:49,899 --> 01:26:44,280
visited if nobody else in the world is

1808
01:26:55,429 --> 01:26:49,909
gonna stand up unified in saying this

1809
01:26:58,210 --> 01:26:55,439
truthful um yeah thank you so much for

1810
01:27:01,250 --> 01:26:58,220
that really appreciate that

1811
01:27:03,890 --> 01:27:01,260
wanted to also bring up Shane something

1812
01:27:07,340 --> 01:27:03,900
that you touched on earlier in the show

1813
01:27:09,380 --> 01:27:07,350

and that was Congress can you envision a

1814

01:27:11,720 --> 01:27:09,390

full congressional hearing specifically

1815

01:27:15,680 --> 01:27:11,730

for military pilots who have had UAP

1816

01:27:19,220 --> 01:27:15,690

encounters Shane yeah I think it is

1817

01:27:20,780 --> 01:27:19,230

possible and I think that you know it

1818

01:27:23,390 --> 01:27:20,790

would be an important thing that would

1819

01:27:26,180 --> 01:27:23,400

give confidence to the nation and

1820

01:27:28,010 --> 01:27:26,190

everyone involved that a it's being

1821

01:27:30,710 --> 01:27:28,020

taken seriously but there is some

1822

01:27:32,690 --> 01:27:30,720

transparency with it and I agree with

1823

01:27:34,580 --> 01:27:32,700

the fact that this is a topic that's

1824

01:27:37,010 --> 01:27:34,590

going to have two levels really you're

1825

01:27:38,720 --> 01:27:37,020

going to have secret top secret and then

1826

01:27:40,850 --> 01:27:38,730

you'll have information that can be

1827

01:27:43,400 --> 01:27:40,860

available to the general public and to

1828

01:27:46,850 --> 01:27:43,410

scientists to study and so forth

1829

01:27:48,590 --> 01:27:46,860

so yeah it's um I think it would be an

1830

01:27:51,230 --> 01:27:48,600

important piece of the puzzle I know it

1831

01:27:53,990 --> 01:27:51,240

happened in the past in about 1968 and

1832

01:27:56,360 --> 01:27:54,000

five or six you know scientists

1833

01:27:57,910 --> 01:27:56,370

including Stan Friedman and Jim McDonald

1834

01:28:00,620 --> 01:27:57,920

and those guys were able to do that

1835

01:28:04,310 --> 01:28:00,630

didn't entirely move the meter at the

1836

01:28:07,430 --> 01:28:04,320

time but that was certainly sort of the

1837

01:28:10,250 --> 01:28:07,440

peak of repression of the topic let's

1838

01:28:12,650 --> 01:28:10,260

say and I think you know in terms of

1839

01:28:14,240 --> 01:28:12,660

Rich's question and and you know

1840

01:28:15,950 --> 01:28:14,250

intelligence people wanting to come out

1841

01:28:18,410 --> 01:28:15,960

just kind of echo what everyone said is

1842

01:28:21,260 --> 01:28:18,420

this really looks to me like it's a

1843

01:28:23,180 --> 01:28:21,270

tiered process right first you know

1844

01:28:25,550 --> 01:28:23,190

there's what they can say based on their

1845

01:28:27,710 --> 01:28:25,560

NDA's and their security clearances and

1846

01:28:29,810 --> 01:28:27,720

then there's things that they would be

1847

01:28:31,550 --> 01:28:29,820

comfortable saying you know which is

1848

01:28:34,880 --> 01:28:31,560

more personal for them and I think

1849

01:28:37,880 --> 01:28:34,890

everybody is affected by the the whole

1850

01:28:39,560 --> 01:28:37,890

concept of ridicule and whether it's a

1851
01:28:40,970 --> 01:28:39,570
threat to your career or what you think

1852
01:28:42,440 --> 01:28:40,980
your family and friends will think of

1853
01:28:45,320 --> 01:28:42,450
you I mean that affects everybody

1854
01:29:07,989 --> 01:28:45,330
intelligence agents scientists and you

1855
01:29:12,559 --> 01:29:10,520
yeah and I was just going just throwing

1856
01:29:14,929 --> 01:29:12,569
on that topic of ridicule I mean I think

1857
01:29:17,979 --> 01:29:14,939
we probably are all having the same

1858
01:29:20,389 --> 01:29:17,989
experience that it is greatly reduced

1859
01:29:22,459 --> 01:29:20,399
and again you know four five years ago

1860
01:29:24,319 --> 01:29:22,469
when I started this whole thing I didn't

1861
01:29:27,349 --> 01:29:24,329
tell anybody you know and I was nervous

1862
01:29:29,959 --> 01:29:27,359
about it including my career you know my

1863
01:29:33,799 --> 01:29:29,969

religion you know some of my family my

1864

01:29:36,049 --> 01:29:33,809

friends but I I personally have

1865

01:29:39,619 --> 01:29:36,059

experienced just the opposite I cannot

1866

01:29:41,239 --> 01:29:39,629

believe how accepting people are and you

1867

01:29:43,189 --> 01:29:41,249

know I've got a MUFON shirt and it says

1868

01:29:46,939 --> 01:29:43,199

you know on the back and big letters

1869

01:29:49,819 --> 01:29:46,949

report a UFO to MUFON comm wherever I go

1870

01:29:51,949 --> 01:29:49,829

I am not kidding I've worn it let's say

1871

01:29:55,489 --> 01:29:51,959

seven eight different places you know

1872

01:29:57,319 --> 01:29:55,499

Home Depot the d-backs football game it

1873

01:29:59,779 --> 01:29:57,329

doesn't matter wherever I am somebody

1874

01:30:01,489 --> 01:29:59,789

stops me they ask me about it they want

1875

01:30:03,409 --> 01:30:01,499

to share experience they had or that

1876

01:30:06,469 --> 01:30:03,419

they're like all I'm so curious I saw

1877

01:30:08,449 --> 01:30:06,479

that show or I mean this is unheard of

1878

01:30:09,020 --> 01:30:08,459

this would not have happened five or ten

1879

01:30:12,020 --> 01:30:09,030

years ago

1880

01:30:16,069 --> 01:30:12,030

and it's really amazing so I and I think

1881

01:30:18,859 --> 01:30:16,079

Frank you mentioned earlier like it or

1882

01:30:22,429 --> 01:30:18,869

not ancient aliens that has a had had a

1883

01:30:25,429 --> 01:30:22,439

huge impact on the way people you know

1884

01:30:26,629 --> 01:30:25,439

think differently now you know about

1885

01:30:28,639 --> 01:30:26,639

things are willing to accept

1886

01:30:31,159 --> 01:30:28,649

alternatives to what you know the

1887

01:30:34,009 --> 01:30:31,169

narrative that we've all been raised on

1888

01:30:35,719 --> 01:30:34,019

and and I think that's got a long way to

1889

01:30:38,089 --> 01:30:35,729

help it and then of course what was

1890

01:30:40,849 --> 01:30:38,099

happening recently when you have

1891

01:30:43,639 --> 01:30:40,859

scientific data credible people you know

1892

01:30:46,549 --> 01:30:43,649

bringing that data in an in a credible

1893

01:30:48,619 --> 01:30:46,559

way it is swaying people's opinion and

1894

01:30:50,809 --> 01:30:48,629

so you know I welcome it

1895

01:30:53,029 --> 01:30:50,819

because the the more that happens yeah

1896

01:30:57,500 --> 01:30:53,039

it's easier on me and you know my fellow

1897

01:30:59,419 --> 01:30:57,510

MUFON investigators and so forth but the

1898

01:31:02,089 --> 01:30:59,429

fact is you know more people will learn

1899

01:31:04,639 --> 01:31:02,099

more information and and you know more

1900

01:31:12,190 --> 01:31:04,649

information is good so I mean I love how

1901

01:31:15,140 --> 01:31:12,200

it's trending oh yeah hey

1902

01:31:17,510 --> 01:31:15,150

before we wrap it up go ahead Stacie go

1903

01:31:20,330 --> 01:31:17,520

ahead oh I just got a question that I

1904

01:31:21,680 --> 01:31:20,340

want to pose to everyone yeah I just see

1905

01:31:25,940 --> 01:31:21,690

what everyone thought about the very

1906

01:31:28,130 --> 01:31:25,950

ending of episode six when Lou was asked

1907

01:31:31,100 --> 01:31:28,140

a question by the reporter can the

1908

01:31:33,800 --> 01:31:31,110

public handle the truth and he had this

1909

01:31:36,500 --> 01:31:33,810

really good look of disgust on his face

1910

01:31:38,180 --> 01:31:36,510

and just stood up and walked away so

1911

01:31:39,980 --> 01:31:38,190

what do you guys think about that what's

1912

01:31:48,800 --> 01:31:39,990

your take on that what do you think that

1913

01:31:53,360 --> 01:31:48,810

meant yeah I think that's a great

1914

01:31:55,640 --> 01:31:53,370

question I think Alice andö basically

1915

01:31:59,000 --> 01:31:55,650

you're just like look that's a stupid

1916

01:32:01,430 --> 01:31:59,010

question the people can handle it they

1917

01:32:04,430 --> 01:32:01,440

are waiting for the disclosure they're

1918

01:32:09,310 --> 01:32:04,440

waiting for more disclosure yes we can

1919

01:32:11,630 --> 01:32:09,320

handle it bring it on yeah I agree

1920

01:32:13,550 --> 01:32:11,640

yeah I'm not going to dignify that

1921

01:32:16,670 --> 01:32:13,560

question with an answer that's kind of

1922

01:32:18,380 --> 01:32:16,680

the way I say it's a great question

1923

01:32:20,240 --> 01:32:18,390

Stacy thank you for bringing that up

1924

01:32:22,090 --> 01:32:20,250

before we wrap this up I did have a

1925

01:32:25,360 --> 01:32:22,100

question I wanted to ask the panel

1926

01:32:27,650 --> 01:32:25,370

Richard Haines retired NASA scientist

1927

01:32:29,930 --> 01:32:27,660

research scientist and former chief of

1928

01:32:31,700 --> 01:32:29,940

the space human factors office at Ames

1929

01:32:34,520 --> 01:32:31,710

Research Center I'm going to start a

1930

01:32:35,900 --> 01:32:34,530

quote he's actually talking in an

1931

01:32:38,960 --> 01:32:35,910

interview and then you'll see where I'm

1932

01:32:41,750 --> 01:32:38,970

going with it in a moment the quote is

1933

01:32:44,480 --> 01:32:41,760

that's my experience in general you are

1934

01:32:47,720 --> 01:32:44,490

exactly right I share your view that it

1935

01:32:49,760 --> 01:32:47,730

is extremely multi-dimensional so much

1936

01:32:51,020 --> 01:32:49,770

so that traditional science is really

1937

01:32:52,880 --> 01:32:51,030

not up to the task

1938

01:32:55,610 --> 01:32:52,890

now that's an insight that has come

1939

01:32:58,730 --> 01:32:55,620

slowly over the years because I clung to

1940

01:33:00,980 --> 01:32:58,740

science as a method a technique to tease

1941

01:33:02,960 --> 01:33:00,990

out these fine points and eventually get

1942

01:33:04,790 --> 01:33:02,970

to the bottom of it but the longer I am

1943

01:33:07,160 --> 01:33:04,800

looking at the evidence the less I'm

1944

01:33:09,110 --> 01:33:07,170

convinced that is the way to go there

1945

01:33:11,300 --> 01:33:09,120

certainly as part of the phenomena that

1946

01:33:14,150 --> 01:33:11,310

will yield to science but there is a

1947

01:33:16,940 --> 01:33:14,160

whole other psychic or psychological

1948

01:33:19,160 --> 01:33:16,950

dimension that not even psychology is

1949

01:33:21,260 --> 01:33:19,170

going to come close to I can see why a

1950

01:33:23,690 --> 01:33:21,270

lot of my colleagues are in denial about

1951

01:33:25,980 --> 01:33:23,700

this he's talking about the phenomena

1952

01:33:27,750 --> 01:33:25,990

that we all love to research here

1953

01:33:31,310 --> 01:33:27,760

how does everybody feel about the

1954

01:33:37,110 --> 01:33:31,320

possibility of this phenomena being

1955

01:33:40,470 --> 01:33:37,120

interdimensional I think I think science

1956

01:33:42,510 --> 01:33:40,480

has no boundaries okay and when we box

1957

01:33:44,550 --> 01:33:42,520

ourselves in and we say that we already

1958

01:33:47,310 --> 01:33:44,560

know everything about something we're

1959

01:33:52,140 --> 01:33:47,320

making a fool of ourselves so good

1960

01:33:55,260 --> 01:33:52,150

science is is open-minded and ready to

1961

01:33:57,390 --> 01:33:55,270

accept new ideas so that's where I'm at

1962

01:34:00,900 --> 01:33:57,400

with that of certainly I believe that

1963

01:34:02,910 --> 01:34:00,910

that there is other dimensional realms

1964

01:34:06,210 --> 01:34:02,920

that we have yet to discover until I'm

1965

01:34:15,470 --> 01:34:06,220

open to that absolutely I agree this

1966

01:34:22,290 --> 01:34:15,480

Kris and was that Mary Ann or Stacy

1967

01:34:25,260 --> 01:34:22,300

Marian agrees also and Rosa how do you

1968

01:34:27,780 --> 01:34:25,270

feel about the possibility of an et

1969

01:34:29,700 --> 01:34:27,790

presence and even their craft being

1970

01:34:30,120 --> 01:34:29,710

interdimensional what are your thoughts

1971

01:34:33,150 --> 01:34:30,130

on that

1972

01:34:35,160 --> 01:34:33,160

most definitely did anybody I forget

1973

01:34:40,040 --> 01:34:35,170

what year it was I don't know if it was

1974

01:34:42,600 --> 01:34:40,050

own I think it took place in a suburb of

1975

01:34:48,380 --> 01:34:42,610

California did anybody catch the footage

1976

01:34:55,200 --> 01:34:48,390

that was caught on a lot of the homes

1977

01:35:00,600 --> 01:34:55,210

cameras could I say an or just a lot of

1978

01:35:03,540 --> 01:35:00,610

light just overhead and then something

1979

01:35:04,410 --> 01:35:03,550

just mushroomed open and the moment that

1980

01:35:06,750 --> 01:35:04,420

this orb

1981

01:35:09,930 --> 01:35:06,760

went right in the mushroom there was a

1982

01:35:12,450 --> 01:35:09,940

sort of explosion and it was caught all

1983

01:35:15,800 --> 01:35:12,460

on camera and the reverberation of it

1984

01:35:21,930 --> 01:35:15,810

was felt in that areas if anybody

1985

01:35:24,000 --> 01:35:21,940

happened or managed to catch that wow

1986

01:35:25,650 --> 01:35:24,010

that sounds fascinating yeah I know we

1987

01:35:28,980 --> 01:35:25,660

would all love the link to that as soon

1988

01:35:30,930 --> 01:35:28,990

as we had the show if you could send

1989

01:35:33,150 --> 01:35:30,940

that that would be great I would love to

1990

01:35:36,270 --> 01:35:33,160

look at that that did it for me

1991

01:35:38,500 --> 01:35:36,280

most definitely and it was caught early

1992

01:35:41,439 --> 01:35:38,510

by this guys camera

1993

01:35:44,049 --> 01:35:41,449

and the explosion at the moment this

1994

01:35:46,600 --> 01:35:44,059

thing opened up and it just warped right

1995

01:35:49,810 --> 01:35:46,610

through it and it disappeared I said

1996

01:35:57,879 --> 01:35:49,820

that's it it's it's the real deal so yes

1997

01:36:02,020 --> 01:35:57,889

I do play well yes Jim please do we

1998

01:36:05,290 --> 01:36:02,030

watched David Pilates latest moving our

1999

01:36:10,709 --> 01:36:05,300

movie missing four one one hunters okay

2000

01:36:15,250 --> 01:36:10,719

the haunted have any of you seen that

2001

01:36:18,549 --> 01:36:15,260

uh-huh we we love his work has to go

2002

01:36:24,910 --> 01:36:18,559

well when people just go missing into

2003

01:36:28,950 --> 01:36:24,920

thin air documented cases okay does that

2004

01:36:33,009 --> 01:36:28,960

does that scream of inter-dimensional or

2005

01:36:34,540 --> 01:36:33,019

multi-dimensional or of a science that

2006

01:36:38,620 --> 01:36:34,550

we have yet to understand

2007

01:36:42,069 --> 01:36:38,630

David Maccabees our Bruce macabees wife

2008

01:36:44,529 --> 01:36:42,079

I think her name is Jen she would go

2009

01:36:45,910 --> 01:36:44,539

hunting out in the woods and she would

2010

01:36:47,430 --> 01:36:45,920

see something that kind of looked like

2011

01:36:50,439 --> 01:36:47,440

the predator you know the invisible

2012

01:36:52,240 --> 01:36:50,449

creature up in this up in the up in the

2013

01:36:54,089 --> 01:36:52,250

tree kind of looked kind of like you

2014

01:36:57,490 --> 01:36:54,099

were looking through water or something

2015

01:37:01,899 --> 01:36:57,500

so there's things out there and there's

2016

01:37:03,910 --> 01:37:01,909

a science out there and I think that

2017

01:37:06,250 --> 01:37:03,920

this whole thing that David plays is is

2018

01:37:08,470 --> 01:37:06,260

working with missing four one one where

2019

01:37:10,600 --> 01:37:08,480

these people just go missing okay just

2020

01:37:12,490 --> 01:37:10,610

BAM even though even the search dogs

2021

01:37:15,490 --> 01:37:12,500

can't find him it was like somebody just

2022

01:37:18,009 --> 01:37:15,500

takes them off the planet and the point

2023

01:37:22,660 --> 01:37:18,019

that he mentioned was a lot of them are

2024

01:37:28,419 --> 01:37:22,670

very hikers hunters

2025

01:37:32,970 --> 01:37:28,429

and engineers scientists that just

2026
01:37:36,520 --> 01:37:32,980
disappear yeah so yeah interdimensional

2027
01:37:37,149 --> 01:37:36,530
multi-dimensional absolutely yep that's

2028
01:37:39,160 --> 01:37:37,159
my opinion

2029
01:37:40,779 --> 01:37:39,170
thank you for having brought him up I

2030
01:37:42,879 --> 01:37:40,789
wanted to read a little bit about him so

2031
01:37:45,669 --> 01:37:42,889
folks know who he is and can look him up

2032
01:37:52,240 --> 01:37:45,679
later his name is David Pilates and his

2033
01:37:54,700 --> 01:37:52,250
last name is spelled P a ULP

2034
01:37:57,100 --> 01:37:54,710
writer known or unknown primarily for

2035
01:37:59,470 --> 01:37:57,110
self-published books and dedicated to

2036
01:38:02,770 --> 01:37:59,480
proving different phenomena regarding

2037
01:38:05,260 --> 01:38:02,780
the topic of ufology and more wanted to

2038
01:38:07,540 --> 01:38:05,270

mention that Phoenix MUFON it looks like

2039

01:38:10,090 --> 01:38:07,550

who those speakers are I'm on your

2042

2043

well-known people that I know people

2044

01:38:23,500 --> 01:38:17,450

would love to go see at your Phoenix

it's gonna be August 17th we've got

2048

01:38:33,220 --> 01:38:30,650

James Keenan coming in to talk and he's

2049

01:38:36,610 --> 01:38:33,230

a true hands-on researcher he just got

2050

01:38:38,260 --> 01:38:36,620

back from Central America and he's going

2051

01:38:40,390 --> 01:38:38,270

to be talking to us about all kinds of

2052

01:38:42,640 --> 01:38:40,400

strange anomalies some new research in

2053

01:38:44,620 --> 01:38:42,650

the Mayans that he's done and he's gonna

2054

01:38:47,140 --> 01:38:44,630

have some great stuff

2055

01:38:49,240 --> 01:38:47,150

we've got Travis Walton coming up in

2056

01:38:52,180 --> 01:38:49,250

coming back for the 4th time that'll be

2058

01:38:58,660 --> 01:38:56,090

in January of 2020 but yeah we we've got

2059

01:39:01,900 --> 01:38:58,670

good speakers coming up we've got a you

2060

01:39:03,940 --> 01:39:01,910

know a local astronomy professor

2061

01:39:06,880 --> 01:39:03,950

speaking to us he's going to give us the

2062

01:39:09,610 --> 01:39:06,890

latest on some exoplanets that all that

2063

01:39:11,440 --> 01:39:09,620

information is on our website we yes we

2064

01:39:13,810 --> 01:39:11,450

touch on all kinds of things it's not

2065

01:39:15,460 --> 01:39:13,820

just UFOs it's not just the nuts and

2066

01:39:18,310 --> 01:39:15,470

bolts but it is a lot of these things

2067

01:39:22,210 --> 01:39:18,320

that are delving into that whole

2068

01:39:26,700 --> 01:39:22,220

interdimensional realm so anyone can go

2069

01:39:51,430 --> 01:39:48,820

www.archives.gov/calendar researcher

2070

01:39:54,040 --> 01:39:51,440

who's done of an extensive amount of

2071

01:39:55,990 --> 01:39:54,050

research his topic for decades she did

2072

01:39:57,370 --> 01:39:56,000

write a book called us today 70 years of

2073

01:40:00,040 --> 01:39:57,380

experiences and the sacred corridor

2077

01:40:08,680 --> 01:40:05,780

secrets behind the real

2078

01:40:11,229 --> 01:40:08,690

2079

01:40:13,600 --> 01:40:11,239
