and good evening from Philadelphia Frank

4

00:01:21,850 --> 00:01:18,950  
tonight it's just me and my trusty

9  
00:01:24,340 --> 00:01:21,860  
sidekick with a little update on what's

10  
00:01:26,260 --> 00:01:24,350  
going on with these reported documents

11  
00:01:30,280 --> 00:01:26,270  
that are floating around so let me bring

12  
00:01:32,620 --> 00:01:30,290  
in my sidekick my co-host my old pal

13  
00:01:37,510 --> 00:01:32,630

chant Hannah chant how are you doing

14

00:01:39,460 --> 00:01:37,520

tonight I'm doing well Jake how are you

15

00:01:41,499 --> 00:01:39,470

I'm doing great and that noise

16

00:01:42,730 --> 00:01:41,509

disappeared magically in the background

17

00:01:45,639 --> 00:01:42,740

I don't know what happened there

18

00:01:48,310 --> 00:01:45,649

but we are ready to go we're gonna do a

19

00:01:50,800 --> 00:01:48,320

little show tonight about the Admiral

20

00:01:53,109 --> 00:01:50,810

Wilson and alien autopsy and Edgar

21

00:01:54,880 --> 00:01:53,119

Mitchell documents and we've got some

22

00:01:56,920 --> 00:01:54,890

new information for you I think it's

23

00:01:58,990 --> 00:01:56,930

going to be pretty interesting so you're

24

00:02:02,620 --> 00:01:59,000

going to want to tune in we're finding

25

00:02:04,420 --> 00:02:02,630

out more about this stuff and people are

26

00:02:07,990 --> 00:02:04,430

following up by doing some good stuff

27

00:02:10,840 --> 00:02:08,000

about it and chant look you want to get

28

00:02:13,080 --> 00:02:10,850

started what do we got yeah we have some

29

00:02:16,030 --> 00:02:13,090

interesting things to go over tonight

30

00:02:18,850 --> 00:02:16,040

I'll go ahead and start off with the

31

00:02:21,660 --> 00:02:18,860

first item and that is a message from

32

00:02:25,230 --> 00:02:21,670

Spiro small eros to Richard Dolan I

33

00:02:30,190 --> 00:02:25,240

talked to a spy rose earlier today and

34

00:02:32,890 --> 00:02:30,200

at length and he told me this deer chant

35

00:02:35,980 --> 00:02:32,900

I am very concerned that mr. Dolan is

36

00:02:38,620 --> 00:02:35,990

using my copyrighted materials to

37

00:02:41,920 --> 00:02:38,630

further enhance his stories which are

38

00:02:44,230 --> 00:02:41,930

wholly and unequivocally untrue and in

39

00:02:46,870 --> 00:02:44,240

the process casting concerns to third

40

00:02:50,589 --> 00:02:46,880

parties who now believe that I am in

41

00:02:52,809 --> 00:02:50,599

some way spreading misinformation when

42

00:02:55,150 --> 00:02:52,819

that is exactly what mr. Dolan is doing

43

00:02:57,520 --> 00:02:55,160

here I would like to give him the

44

00:03:00,550 --> 00:02:57,530

benefit of the doubt and ask him to

45

00:03:04,300 --> 00:03:00,560

please remove all of my materials from

46

00:03:06,699 --> 00:03:04,310

his sites and all media and especially

47

00:03:10,209 --> 00:03:06,709

to retract what he is saying about my

48

00:03:13,350 --> 00:03:10,219

creation the entire alien autopsy

49

00:03:14,530 --> 00:03:13,360

footage as released by Ray Santilli in

50

00:03:18,700 --> 00:03:14,540

1995

51  
00:03:21,640 --> 00:03:18,710  
there are no real frames from 1947

52  
00:03:26,030 --> 00:03:21,650  
Santilli has never owned any genuine

53  
00:03:28,850 --> 00:03:26,040  
1947 alien autopsy film and this entire

54  
00:03:32,570 --> 00:03:28,860  
episode will end up in a very costly

55  
00:03:35,510 --> 00:03:32,580  
lawsuit for some I do not want mr. Dolan

56  
00:03:37,640 --> 00:03:35,520  
to continue without a fair written

57  
00:03:40,790 --> 00:03:37,650  
warning of the seriousness of his

58  
00:03:45,500 --> 00:03:40,800  
actions and the damages they are causing

59  
00:03:48,770 --> 00:03:45,510  
me both in stress and financial if you

60  
00:03:51,770 --> 00:03:48,780  
are able please forward this miss to mr.

61  
00:03:54,140 --> 00:03:51,780  
Dolan also please ask him to contact me

62  
00:03:59,050 --> 00:03:54,150  
at my email address which I will be

63  
00:04:05,630 --> 00:03:59,060

forwarding on to Richard Dolan myself

64

00:04:08,810 --> 00:04:05,640

Frank and I actually wonder if I should

65

00:04:11,540 --> 00:04:08,820

read that email address on live but I'll

66

00:04:15,080 --> 00:04:11,550

go ahead and contact the Dolans and give

67

00:04:16,880 --> 00:04:15,090

them that information myself and then he

68

00:04:21,199 --> 00:04:16,890

said many thanks for your help in this

69

00:04:24,430 --> 00:04:21,209

matter Spyro smell Eris and then he

70

00:04:28,130 --> 00:04:24,440

added the links to his sites and that is

71

00:04:33,610 --> 00:04:28,140

triple WS Pyro's melora's calm and I'll

72

00:04:39,020 --> 00:04:33,620

read that that's SP yr OS m is in mom e

73

00:04:42,650 --> 00:04:39,030

lar is calm then there's triple W the

74

00:04:45,320 --> 00:04:42,660

alien autopsy calm and then he went on

75

00:04:49,160 --> 00:04:45,330

to say this to answer your question

76

00:04:51,380 --> 00:04:49,170

chant in the cases where my materials

77

00:04:53,930 --> 00:04:51,390

are being used on monetized media such

78

00:04:56,860 --> 00:04:53,940

as YouTube and subscription sites etc

79

00:04:59,030 --> 00:04:56,870

there will of course be financial a

80

00:04:59,780 --> 00:04:59,040

financial repercussions as you might

81

00:05:04,300 --> 00:04:59,790

expect

82

00:05:07,490 --> 00:05:04,310

I am always fair but it seems that those

83

00:05:10,250 --> 00:05:07,500

abusing in fact stealing my materials

84

00:05:14,570 --> 00:05:10,260

don't seem to consider the fact that it

85

00:05:17,030 --> 00:05:14,580

is copyright theft and illegal that is

86

00:05:19,070 --> 00:05:17,040

what he had to say about that Frank so

87

00:05:22,760 --> 00:05:19,080

it doesn't sound like he is really happy

88

00:05:25,250 --> 00:05:22,770

with Richard Dolan and there have

89

00:05:26,370 --> 00:05:25,260

actually been that three three people

90

00:05:28,860 --> 00:05:26,380

involved in the UFO

91

00:05:31,280 --> 00:05:28,870

have been kind of out front supporting

92

00:05:33,990 --> 00:05:31,290

these documents to one extent or another

93

00:05:35,910 --> 00:05:34,000

Dolan has probably been the farthest out

94

00:05:37,800 --> 00:05:35,920

there that's I don't know that's usually

95

00:05:39,420 --> 00:05:37,810

the case with him he's usually pretty

96

00:05:40,980 --> 00:05:39,430

conservative but for some reason he's

97

00:05:43,530 --> 00:05:40,990

really jumped on this and really pushed

98

00:05:46,050 --> 00:05:43,540

it a grant Cameron of course he had

99

00:05:49,800 --> 00:05:46,060

these documents enough in his possession

100

00:05:51,270 --> 00:05:49,810

late last year and then Steven Greer who

101  
00:05:52,560 --> 00:05:51,280  
is of course sort of the catalyst for

102  
00:05:55,650 --> 00:05:52,570  
the whole thing he was the person

103  
00:05:57,780 --> 00:05:55,660  
involved in that meeting along with the

104  
00:06:00,360 --> 00:05:57,790  
sixth man to walk on the moon Edgar

105  
00:06:02,400 --> 00:06:00,370  
Mitchell with Admiral Wilson and

106  
00:06:05,130 --> 00:06:02,410  
Commander Miller and a number of others

107  
00:06:07,100 --> 00:06:05,140  
in the Pentagon talking about black

108  
00:06:09,450 --> 00:06:07,110  
projects and so on and so forth and

109  
00:06:11,910 --> 00:06:09,460  
those are the three that have been the

110  
00:06:15,180 --> 00:06:11,920  
farthest out there again Dolan's been

111  
00:06:17,580 --> 00:06:15,190  
the farthest he's he's not held back at

112  
00:06:21,030 --> 00:06:17,590  
all his support for these documents a

113  
00:06:22,260 --> 00:06:21,040

grant you know a little and he held on

114

00:06:24,240 --> 00:06:22,270

to them for a little while he

115

00:06:26,910 --> 00:06:24,250

acknowledged in interviews before they

116

00:06:28,680 --> 00:06:26,920

came out that you know maybe maybe he's

117

00:06:30,300 --> 00:06:28,690

got the biggest thing ever maybe he's

118

00:06:32,610 --> 00:06:30,310

going to end up with egg on his face I

119

00:06:34,080 --> 00:06:32,620

think that maybe because Dolan came out

120

00:06:35,610 --> 00:06:34,090

maybe out of loyalty or out of

121

00:06:39,440 --> 00:06:35,620

friendship he's been a little bit more

122

00:06:42,450 --> 00:06:39,450

forthright and of course Greer is that

123

00:06:44,310 --> 00:06:42,460

obviously he likes the the Admiral

124

00:06:45,810 --> 00:06:44,320

Wilson document I mean it shows him in a

125

00:06:48,330 --> 00:06:45,820

very good light he was doing some very

126

00:06:52,350 --> 00:06:48,340

good work back in those days there's a

127

00:06:54,270 --> 00:06:52,360

certainly a percentage of UFO buffs who

128

00:06:56,850 --> 00:06:54,280

think if something comes from Steven

129

00:06:57,690 --> 00:06:56,860

Greer that it's automatically crap and

130

00:06:59,580 --> 00:06:57,700

not to be trusted

131

00:07:01,680 --> 00:06:59,590

but that said that's really not the case

132

00:07:04,020 --> 00:07:01,690

you know Greer did a lot of great work

133

00:07:07,500 --> 00:07:04,030

back in the 90s he was involved in that

134

00:07:09,960 --> 00:07:07,510

meeting along with Admiral Woolsey which

135

00:07:13,380 --> 00:07:09,970

Woolsey rather famously when news of

136

00:07:14,880 --> 00:07:13,390

that got out rather famously denied that

137

00:07:17,850 --> 00:07:14,890

he was particularly interested in the

138

00:07:20,310 --> 00:07:17,860

UFO subject when in fact that meeting

139

00:07:24,090 --> 00:07:20,320

was set up by an individual named John

140

00:07:26,250 --> 00:07:24,100

Peterson and when we had that dr. Joseph

141

00:07:28,080 --> 00:07:26,260

Burke's on the show last year he had

142

00:07:29,550 --> 00:07:28,090

mentioned that and it was a great

143

00:07:32,160 --> 00:07:29,560

interest to me so I really followed up

144

00:07:35,670 --> 00:07:32,170

and you know on a scale of one to ten

145

00:07:37,620 --> 00:07:35,680

with you know Greer being telling the

146

00:07:39,780 --> 00:07:37,630

full truth being about a 10

147

00:07:42,210 --> 00:07:39,790

and then the Woolsey Peterson side being

148

00:07:44,610 --> 00:07:42,220

about at zero now I would put the scale

149

00:07:47,490 --> 00:07:44,620

maybe like a like around eight you know

150

00:07:49,320 --> 00:07:47,500

I think that from what I heard from

151

00:07:50,910 --> 00:07:49,330

Burks and from other sources of

152

00:07:54,090 --> 00:07:50,920

regarding the Peterson's interest in the

153

00:07:57,870 --> 00:07:54,100

UFO stuff I think that that was a pretty

154

00:07:59,790 --> 00:07:57,880

legit event and maybe you know certainly

155

00:08:01,710 --> 00:07:59,800

they they were in the office they were

156

00:08:03,990 --> 00:08:01,720

in the office with Emma Wilson nobody

157

00:08:06,090 --> 00:08:04,000

denies this so maybe there's a little

158

00:08:07,950 --> 00:08:06,100

bit more to it I do know that there are

159

00:08:11,430 --> 00:08:07,960

some researchers following up attempting

160

00:08:13,610 --> 00:08:11,440

to identify who the the chairman of this

161

00:08:16,350 --> 00:08:13,620

gatekeeper committee is with this

162

00:08:20,640 --> 00:08:16,360

unnamed even within the documents

163

00:08:23,210 --> 00:08:20,650

defense contractor I do know that a

164

00:08:25,700 --> 00:08:23,220

particular individual has been ID'd that

165

00:08:28,500 --> 00:08:25,710

researcher that I hold in high regard

166

00:08:31,920 --> 00:08:28,510

seems to think would be that guy could

167

00:08:33,750 --> 00:08:31,930

could well be that guy and of course I'm

168

00:08:35,219 --> 00:08:33,760

not surprised I won't give you the guy's

169

00:08:37,080 --> 00:08:35,229

name I'm not gonna give that away

170

00:08:40,020 --> 00:08:37,090

because I've been asked not to do that

171

00:08:41,490 --> 00:08:40,030

but the defense contractor I think

172

00:08:43,230 --> 00:08:41,500

everybody could easily guess that we're

173

00:08:47,430 --> 00:08:43,240

talking about that Lockheed Martin here

174

00:08:49,950 --> 00:08:47,440

so that that would be that and it is

175

00:08:51,540 --> 00:08:49,960

very interesting but Dolan is he's gone

176

00:08:54,720 --> 00:08:51,550

out on a limb on this and I'm not really

177

00:08:56,720 --> 00:08:54,730

sure why because as you know we're an

178

00:08:59,160 --> 00:08:56,730

agreement and a lot of other people

179

00:09:01,140 --> 00:08:59,170

publicly and privately as well are an

180

00:09:05,700 --> 00:09:01,150

agreement that they these Doc's have

181

00:09:07,560 --> 00:09:05,710

been manufactured but you know again it

182

00:09:08,970 --> 00:09:07,570

goes back to something that that Grant

183

00:09:10,590 --> 00:09:08,980

Cameron has said a number of times he's

184

00:09:14,790 --> 00:09:10,600

probably even set it on this very show

185

00:09:16,650 --> 00:09:14,800

is that we're gonna tell you some things

186

00:09:20,640 --> 00:09:16,660

some of them are going to be true some

187

00:09:22,170 --> 00:09:20,650

of them are going to be false and it's

188

00:09:24,270 --> 00:09:22,180

up to you to figure out which is which

189

00:09:25,650 --> 00:09:24,280

and I think that's exactly what we're

190

00:09:28,890 --> 00:09:25,660

looking here we're seeing some truth

191

00:09:32,940 --> 00:09:28,900

we're seeing some made-up stuff and it

192

00:09:34,830 --> 00:09:32,950

seems like you know at least Dolan and

193

00:09:37,130 --> 00:09:34,840

maybe to a lesser extent Grant into an

194

00:09:40,200 --> 00:09:37,140

even a lesser extent Steven Greer are

195

00:09:42,060 --> 00:09:40,210

just not thinking that any of it is

196

00:09:44,910 --> 00:09:42,070

false so that any of it is manufactured

197

00:09:46,230 --> 00:09:44,920

although one interesting point I did

198

00:09:46,970 --> 00:09:46,240

listen I haven't listened to every

199

00:09:48,590 --> 00:09:46,980

interview that

200

00:09:50,120 --> 00:09:48,600

one of these guys have done or ever yet

201  
00:09:51,350 --> 00:09:50,130  
comment that they made about this I

202  
00:09:52,819 --> 00:09:51,360  
haven't caught everything but I've

203  
00:09:54,470 --> 00:09:52,829  
caught enough I did think was

204  
00:09:57,439 --> 00:09:54,480  
interesting I think it was on the Jimmy

205  
00:10:00,019 --> 00:09:57,449  
Church show where Grier was talking at

206  
00:10:02,329 --> 00:10:00,029  
length about the the number of different

207  
00:10:06,410 --> 00:10:02,339  
documents and one point that he made

208  
00:10:09,740 --> 00:10:06,420  
when the mids letter to dr. Edgar

209  
00:10:12,079 --> 00:10:09,750  
Mitchell was brought up he described

210  
00:10:16,670 --> 00:10:12,089  
that letter being addressed to Mitchell

211  
00:10:18,290 --> 00:10:16,680  
as purported so even and you know the

212  
00:10:20,509 --> 00:10:18,300  
the main reason that I questioned that

213  
00:10:22,220 --> 00:10:20,519

doc and I'm jumping around a little bit

214

00:10:23,629 --> 00:10:22,230

here but the main reason I questioned

215

00:10:25,759 --> 00:10:23,639

that dog is not so much that there's

216

00:10:28,639 --> 00:10:25,769

anything startling in the document that

217

00:10:31,220 --> 00:10:28,649

they're in the letter we had somebody

218

00:10:32,240 --> 00:10:31,230

from mids take a look at it and there

219

00:10:34,910 --> 00:10:32,250

was with knids

220

00:10:36,800 --> 00:10:34,920

take a look at it and you know it looked

221

00:10:41,540 --> 00:10:36,810

pretty ordinary to him and they looked

222

00:10:43,670 --> 00:10:41,550

at looked legitimate but because these

223

00:10:46,160 --> 00:10:43,680

other documents are clear such clearly

224

00:10:48,980 --> 00:10:46,170

cut and paste jobs the way they're kind

225

00:10:50,360 --> 00:10:48,990

of slapped together that raises

226

00:10:52,129 --> 00:10:50,370

questions about that letter right I

227

00:10:53,509 --> 00:10:52,139

think under normal circumstances I

228

00:10:55,040 --> 00:10:53,519

wouldn't have even questioned that

229

00:10:57,500 --> 00:10:55,050

letter but the fact that it's tied to

230

00:11:01,639 --> 00:10:57,510

these two other documents the Wilson

231

00:11:03,139 --> 00:11:01,649

notes and also the AAA email exchanges

232

00:11:05,990 --> 00:11:03,149

and memorandums of notes that are

233

00:11:08,569 --> 00:11:06,000

attached to that that does raise some

234

00:11:12,050 --> 00:11:08,579

questions about that it's sort of a

235

00:11:13,699 --> 00:11:12,060

situation where somebody lies to you

236

00:11:16,370 --> 00:11:13,709

consistently comes to you and say hey

237

00:11:18,680 --> 00:11:16,380

yeah it's a sunny nice day outside now

238

00:11:20,480 --> 00:11:18,690

why aren't you outside and you want to

239

00:11:22,009 --> 00:11:20,490

check and see if it's a really sunny

240

00:11:23,360 --> 00:11:22,019

outside before you go out without a

241

00:11:26,680 --> 00:11:23,370

raincoat get my meaning

242

00:11:29,689 --> 00:11:26,690

there's just the whole package is

243

00:11:32,900 --> 00:11:29,699

corrupted and manufactured in my view

244

00:11:35,300 --> 00:11:32,910

and so that is the reason that I'm

245

00:11:37,160 --> 00:11:35,310

skeptical about that so we got there

246

00:11:39,290 --> 00:11:37,170

pretty much everything to say about that

247

00:11:40,639 --> 00:11:39,300

mids letter out of the way and you've

248

00:11:44,920 --> 00:11:40,649

got a little more a little bit more

249

00:11:52,850 --> 00:11:49,280

okay well do ya I'm not even sure where

250

00:11:54,920 --> 00:11:52,860

to start because hahaha there's been so

251

00:11:57,949 --> 00:11:54,930

much ridiculous stuff said about the

252

00:12:00,500 --> 00:11:57,959

topic of the alien autopsy memo the

253

00:12:03,770 --> 00:12:00,510

alien autopsy film

254

00:12:05,840 --> 00:12:03,780

an 18-minute long film and then also the

255

00:12:07,490 --> 00:12:05,850

smoking gun document which is also known

256

00:12:11,660 --> 00:12:07,500

as the document of the century and the

257

00:12:14,380 --> 00:12:11,670

core secrets document and I just found

258

00:12:17,720 --> 00:12:14,390

it rather interesting also that

259

00:12:19,730 --> 00:12:17,730

according to Michael W Hall grant

260

00:12:21,700 --> 00:12:19,740

Cameron is supposed to be considered the

261

00:12:25,280 --> 00:12:21,710

most important person on the planet

262

00:12:28,930 --> 00:12:25,290

because he was given the smoking gun

263

00:12:33,440 --> 00:12:28,940

document I don't understand why that is

264

00:12:35,240 --> 00:12:33,450

supposed to be the case because and I

265

00:12:38,030 --> 00:12:35,250

know it sounds a little silly to people

266

00:12:40,280 --> 00:12:38,040

and I've said this before but we are all

267

00:12:44,240 --> 00:12:40,290

peers here no one is more important than

268

00:12:45,920 --> 00:12:44,250

anybody else and a document or an

269

00:12:48,020 --> 00:12:45,930

alleged document does not make anybody

270

00:12:50,840 --> 00:12:48,030

more important than anyone else so

271

00:12:53,120 --> 00:12:50,850

anyway also I would like to mention

272

00:12:56,480 --> 00:12:53,130

although it sounds a little random that

273

00:12:59,060 --> 00:12:56,490

the burden of proof regarding a document

274

00:13:04,280 --> 00:12:59,070

or an alleged document allies with the

275

00:13:08,690 --> 00:13:04,290

person who's making the claim and I just

276

00:13:13,280 --> 00:13:08,700

also have an issue with something that

277

00:13:16,820 --> 00:13:13,290

you and I had to go over regarding the

278

00:13:19,490 --> 00:13:16,830

smoking gun document with Michael Hall

279

00:13:21,920 --> 00:13:19,500

now when I say smoking gun document the

280

00:13:23,930 --> 00:13:21,930

word document conjunction with smoking

281

00:13:26,480 --> 00:13:23,940

gun I want to give a big disclaimer to

282

00:13:29,570 --> 00:13:26,490

everybody I don't believe this is a real

283

00:13:31,730 --> 00:13:29,580

document so when I say document I'm not

284

00:13:34,250 --> 00:13:31,740

saying it in the sense that it's real

285

00:13:39,800 --> 00:13:34,260

okay I say that with air quotes every

286

00:13:42,560 --> 00:13:39,810

time now haha now Michael Hall made it

287

00:13:47,000 --> 00:13:42,570

clear to us that this document was given

288

00:13:49,760 --> 00:13:47,010

to Grant Cameron allegedly and I think

289

00:13:51,380 --> 00:13:49,770

at a UFO convention it was Paul's

290

00:13:56,030 --> 00:13:51,390

conference I think it was November of

291

00:13:58,460 --> 00:13:56,040

last year right and the individual that

292

00:14:01,790 --> 00:13:58,470

allegedly gave this document to him and

293

00:14:04,130 --> 00:14:01,800

he's also come forward to to make sure

294

00:14:08,240 --> 00:14:04,140

that we understand it was him

295

00:14:13,400 --> 00:14:08,250

James Rigney he handed this smoking gun

296

00:14:14,090 --> 00:14:13,410

document to Grant Cameron and grant

297

00:14:16,610 --> 00:14:14,100

Cameron

298

00:14:19,639 --> 00:14:16,620

hold onto it and we talked to Michael

299

00:14:23,629 --> 00:14:19,649

and asked Michael oh why did grant

300

00:14:24,590 --> 00:14:23,639

Cameron not do his due diligence on this

301  
00:14:27,710 --> 00:14:24,600  
document

302  
00:14:30,499 --> 00:14:27,720  
what does due diligence means it all it

303  
00:14:32,569 --> 00:14:30,509  
means is doing once research meaning

304  
00:14:34,309 --> 00:14:32,579  
contacting folks who might be allegedly

305  
00:14:36,079 --> 00:14:34,319  
involved in the document if there's

306  
00:14:40,540 --> 00:14:36,089  
people being mentioned which there are

307  
00:14:44,720 --> 00:14:40,550  
numerous people and not one time did

308  
00:14:48,379 --> 00:14:44,730  
grant Cameron actually contact a single

309  
00:14:50,689 --> 00:14:48,389  
individual in the amount of time that he

310  
00:14:53,120 --> 00:14:50,699  
held onto that document according to

311  
00:14:57,889 --> 00:14:53,130  
Michael Hall and Michael hall said the

312  
00:15:02,470 --> 00:14:57,899  
reason for this is because he he being

313  
00:15:07,189 --> 00:15:02,480

grant he did not want to alert anyone to

314

00:15:10,009 --> 00:15:07,199

the document he was holding and he did

315

00:15:11,749 --> 00:15:10,019

not want anyone to certain he didn't

316

00:15:13,280 --> 00:15:11,759

want to raise any flags so to speak to

317

00:15:16,759 --> 00:15:13,290

let anyone know that he had this

318

00:15:22,040 --> 00:15:16,769

document now the the problem I have with

319

00:15:27,259 --> 00:15:22,050

this is after the smoking gun document

320

00:15:29,329 --> 00:15:27,269

without redactions was let go on the

321

00:15:31,100 --> 00:15:29,339

internet for all to read and it may have

322

00:15:33,110 --> 00:15:31,110

been there earlier but everybody noticed

323

00:15:35,329 --> 00:15:33,120

it around the same time because I think

324

00:15:38,929 --> 00:15:35,339

it was posted on reddit and that alert

325

00:15:42,199 --> 00:15:38,939

people to it right away or honest site

326

00:15:43,490 --> 00:15:42,209

on on a sort of social media site where

327

00:15:47,379 --> 00:15:43,500

people would notice it right away right

328

00:15:50,240 --> 00:15:47,389

Frank is that correct yeah yeah yeah but

329

00:15:52,009 --> 00:15:50,250

anyway the point is is everybody in the

330

00:15:53,530 --> 00:15:52,019

UFO community so to speak I use that

331

00:15:59,120 --> 00:15:53,540

loosely that what I'm saying there

332

00:16:01,540 --> 00:15:59,130

everyone loosely that term that when

333

00:16:06,679 --> 00:16:01,550

everybody saw the smoking gun document

334

00:16:08,749 --> 00:16:06,689

then my question to grant is since

335

00:16:11,449 --> 00:16:08,759

everybody knew about The Smoking Gun

336

00:16:14,329 --> 00:16:11,459

memo and it was no secret anymore

337

00:16:15,650 --> 00:16:14,339

and there were no reductions on it and

338

00:16:18,620 --> 00:16:15,660

everybody could see the names of

339

00:16:22,639 --> 00:16:18,630

everybody allegedly involved in it why

340

00:16:23,240 --> 00:16:22,649

then did he not pick up the ball run

341

00:16:25,879 --> 00:16:23,250

with it

342

00:16:28,070 --> 00:16:25,889

and start calling and contacting all of

343

00:16:31,010 --> 00:16:28,080

these people it took you to one

344

00:16:32,930 --> 00:16:31,020

four hours to do it me 48 I was right

345

00:16:34,700 --> 00:16:32,940

behind you what was so funny about that

346

00:16:37,970 --> 00:16:34,710

by the way is while you were busy

347

00:16:40,190 --> 00:16:37,980

contacting one person I was doing my due

348

00:16:42,230 --> 00:16:40,200

diligence contacting the same individual

349

00:16:45,110 --> 00:16:42,240

we just didn't even talk about it that's

350

00:16:46,310 --> 00:16:45,120

that's how much we were working the

351

00:16:48,350 --> 00:16:46,320

program that was that was a very

352

00:16:50,390 --> 00:16:48,360

interesting time because yes I gave

353

00:16:53,000 --> 00:16:50,400

Michael the heads up we had no idea what

354

00:16:55,730 --> 00:16:53,010

we were gonna find we're we gave Michael

355

00:16:57,200 --> 00:16:55,740

a heads up so there were some folks it

356

00:16:58,730 --> 00:16:57,210

was it kind of a tough interview for him

357

00:17:01,190 --> 00:16:58,740

because we had him on that following

358

00:17:02,720 --> 00:17:01,200

Tuesday night and it was we were tough

359

00:17:04,190 --> 00:17:02,730

on him there's no doubt about it you

360

00:17:06,170 --> 00:17:04,200

know I'm not sure he was really

361

00:17:08,960 --> 00:17:06,180

expecting that but we were a little

362

00:17:10,460 --> 00:17:08,970

tough on him we but we told him well he

363

00:17:13,100 --> 00:17:10,470

knew that we were following out well

364

00:17:15,320 --> 00:17:13,110

yeah long expressed I'd express my

365

00:17:16,760 --> 00:17:15,330

skepticism and been very specific about

366

00:17:18,949 --> 00:17:16,770

what to look out for and things like

367

00:17:21,770 --> 00:17:18,959

that right holy mackerel there it all is

368

00:17:26,510 --> 00:17:21,780

you know so you did Michael a favor and

369

00:17:27,650 --> 00:17:26,520

gave him information so about I think it

370

00:17:29,930 --> 00:17:27,660

was that let's see

371

00:17:42,190 --> 00:17:29,940

commander Willard Miller for him to

372

00:17:46,160 --> 00:17:44,450

okay all right well we'll just leave it

373

00:17:47,450 --> 00:17:46,170

at that because I recall that there was

374

00:17:49,310 --> 00:17:47,460

a little bit more information shared

375

00:17:51,700 --> 00:17:49,320

with Michael about how to begin the

376

00:17:57,580 --> 00:17:51,710

process of contacting commander Willard

377

00:18:03,110 --> 00:18:00,590

we're taking this as far as we can but

378

00:18:05,840 --> 00:18:03,120

even so at that point in time I had no

379

00:18:08,270 --> 00:18:05,850

idea we'd be successful now okay yeah

380

00:18:10,610 --> 00:18:08,280

well the point is whether you did share

381

00:18:13,130 --> 00:18:10,620

a little bit of information for Michael

382

00:18:17,300 --> 00:18:13,140

Hall to run on in order to contact

383

00:18:19,370 --> 00:18:17,310

Mandor Willard which by the way we're no

384

00:18:21,650 --> 00:18:19,380

experts on commander Willard Miller

385

00:18:23,330 --> 00:18:21,660

regarding how to contact him we had to

386

00:18:31,520 --> 00:18:23,340

do our own due diligence to find him

387

00:18:34,310 --> 00:18:31,530

ourselves also okay but anyway grant

388

00:18:37,880 --> 00:18:34,320

Cameron had all the opportunity on the

389

00:18:41,810 --> 00:18:37,890

planet to contact everybody involved

390

00:18:44,690 --> 00:18:41,820

allegedly in The Smoking Gun

391

00:18:49,040 --> 00:18:44,700

document and according to Michael Hall

392

00:18:51,950 --> 00:18:49,050

he did not yeah yeah that's another

393

00:18:54,320 --> 00:18:51,960

thing too you got to remember there some

394

00:18:57,830 --> 00:18:54,330

young guns out there like Danny Silva

395

00:19:01,340 --> 00:18:57,840

James John Dalli Joe mirja at least

396

00:19:02,930 --> 00:19:01,350

Danny and James knew that this had

397

00:19:05,600 --> 00:19:02,940

already been posted because there was a

398

00:19:07,040 --> 00:19:05,610

reddit post about it and they gave grant

399

00:19:08,300 --> 00:19:07,050

grant the heads-up right away I'm

400

00:19:11,630 --> 00:19:08,310

thinking what kind of research is that

401  
00:19:13,310 --> 00:19:11,640  
you know I wanted to see these docs

402  
00:19:14,930 --> 00:19:13,320  
absolutely when I first heard about it

403  
00:19:17,390 --> 00:19:14,940  
one way or the other let's find out

404  
00:19:19,850 --> 00:19:17,400  
what's in there and let's dig in and

405  
00:19:21,980 --> 00:19:19,860  
find out you know that that's what

406  
00:19:26,090 --> 00:19:21,990  
researchers are supposed to do and the

407  
00:19:27,890 --> 00:19:26,100  
idea of like sitting on it or passing

408  
00:19:30,140 --> 00:19:27,900  
the word along to grant when this stuff

409  
00:19:32,360 --> 00:19:30,150  
is already out this is out you know once

410  
00:19:34,670 --> 00:19:32,370  
something's out it's out and once it's

411  
00:19:36,470 --> 00:19:34,680  
posted publicly on imgur and anybody who

412  
00:19:39,770 --> 00:19:36,480  
has the link and access it you know

413  
00:19:41,390 --> 00:19:39,780

right so so again if you're a researcher

414

00:19:42,710 --> 00:19:41,400

you go do your job you go do it you're

415

00:19:48,260 --> 00:19:42,720

supposed to do you go research you

416

00:19:53,390 --> 00:19:48,270

follow up alright so as much as a higher

417

00:19:57,320 --> 00:19:53,400

regard as I hold grant and and James as

418

00:19:59,620 --> 00:19:57,330

well you know you know you don't sit on

419

00:20:04,970 --> 00:19:59,630

this kind of thing you follow up on it

420

00:20:06,830 --> 00:20:04,980

okay so I just you know like I said the

421

00:20:08,900 --> 00:20:06,840

burden of proof lies with the individual

422

00:20:11,780 --> 00:20:08,910

making a claim who's making the claim

423

00:20:14,210 --> 00:20:11,790

the claim is being made by Michael Hall

424

00:20:16,600 --> 00:20:14,220

and Grant Cameron that Grant Cameron is

425

00:20:19,790 --> 00:20:16,610

the most important person on the planet

426

00:20:22,150 --> 00:20:19,800

because he has a document called The

427

00:20:25,460 --> 00:20:22,160

Smoking Gun or the course secrets

428

00:20:29,600 --> 00:20:25,470

document or also called the document

429

00:20:30,380 --> 00:20:29,610

this century and which makes no sense to

430

00:20:33,080 --> 00:20:30,390

me whatsoever

431

00:20:35,000 --> 00:20:33,090

but anyway add that in addition to that

432

00:20:37,370 --> 00:20:35,010

that the document is real as it stands

433

00:20:38,920 --> 00:20:37,380

now it's too bad that we're being used

434

00:20:42,230 --> 00:20:38,930

for a lesson in this classification

435

00:20:45,380 --> 00:20:42,240

error here regarding these alleged this

436

00:20:47,780 --> 00:20:45,390

alleged doc what evidence and proof are

437

00:20:50,240 --> 00:20:47,790

in reality compared to what people have

438

00:20:53,480 --> 00:20:50,250

brought forward and tacked on their

439

00:20:55,549 --> 00:20:53,490

so-called data two different things

440

00:20:57,889 --> 00:20:55,559

there has been an egregious

441

00:21:00,830 --> 00:20:57,899

miss classification Aaron calling these

442

00:21:03,019 --> 00:21:00,840

so-called the so-called document as

443

00:21:06,499 --> 00:21:03,029

authentic as it stands in its entirety

444

00:21:09,730 --> 00:21:06,509

if we are to accept in totality what

445

00:21:13,100 --> 00:21:09,740

Richard Dolan grant Cameron Michael Hall

446

00:21:17,840 --> 00:21:13,110

melinda Leslie and many others are

447

00:21:20,539 --> 00:21:17,850

saying is so-called evidence that that

448

00:21:22,669 --> 00:21:20,549

is what we have to rely upon rather than

449

00:21:27,230 --> 00:21:22,679

circumstantial evidence to prove these

450

00:21:30,279 --> 00:21:27,240

this hoax is real as it stands is not

451  
00:21:32,930 --> 00:21:30,289  
acceptable even worse

452  
00:21:34,519 --> 00:21:32,940  
according to melinda Leslie we're

453  
00:21:37,180 --> 00:21:34,529  
supposed to believe the people who

454  
00:21:42,470 --> 00:21:37,190  
allegedly perpetrated these hoaxes are

455  
00:21:46,700 --> 00:21:42,480  
not allowed according to her supposed to

456  
00:21:49,970 --> 00:21:46,710  
admit they did do their duty that they

457  
00:21:51,889 --> 00:21:49,980  
that they are involved due to their

458  
00:21:53,330 --> 00:21:51,899  
being in a unique position of not being

459  
00:21:57,369 --> 00:21:53,340  
able to reveal their alleged true role

460  
00:22:03,889 --> 00:21:57,379  
in these hoaxes which I do not accept

461  
00:22:07,249 --> 00:22:03,899  
and also allows folks in her position to

462  
00:22:11,019 --> 00:22:07,259  
not provide circumstantial evidence to

463  
00:22:13,879 --> 00:22:11,029

back up that this document is real now

464

00:22:18,440 --> 00:22:13,889

this type of skewed logic does not apply

465

00:22:20,779 --> 00:22:18,450

because it makes no sense

466

00:22:22,369 --> 00:22:20,789

and in fact further proves the innocence

467

00:22:23,930 --> 00:22:22,379

of the people who have been thrust into

468

00:22:26,710 --> 00:22:23,940

the alleged roles they are supposed to

469

00:22:30,499 --> 00:22:26,720

have played in these hoax documents

470

00:22:31,820 --> 00:22:30,509

now if kit green moving on to do you

471

00:22:38,749 --> 00:22:31,830

want to move on to kick run or do you

472

00:22:41,330 --> 00:22:38,759

want you okay I'm gonna go ahead and I'm

473

00:22:44,090 --> 00:22:41,340

gonna mix up The Smoking Gun and alien

474

00:22:46,700 --> 00:22:44,100

autopsy memo together but I will be sure

475

00:22:49,549 --> 00:22:46,710

to refer to each one when I'm talking

476  
00:22:52,970 --> 00:22:49,559  
about each one so folks can follow okay

477  
00:22:55,399 --> 00:22:52,980  
now the alien autopsy memo

478  
00:22:59,419 --> 00:22:55,409  
if Kip green really believes he played a

479  
00:23:03,519 --> 00:22:59,429  
role in this Bigelow memo then why does

480  
00:23:07,299 --> 00:23:03,529  
he one not know how put offs first name

481  
00:23:09,210 --> 00:23:07,309  
he calls him Halbert instead of Harold

482  
00:23:11,520 --> 00:23:09,220  
you would think

483  
00:23:14,789 --> 00:23:11,530  
they are peers he would actually know

484  
00:23:17,580 --> 00:23:14,799  
the name of his own colleague right yeah

485  
00:23:19,020 --> 00:23:17,590  
you would think so you would think a few

486  
00:23:23,419 --> 00:23:19,030  
things that were pointed out that our a

487  
00:23:32,250 --> 00:23:29,820  
yes and and if he's wrong he would

488  
00:23:34,680 --> 00:23:32,260

definitely have corrected himself by now

489

00:23:37,560 --> 00:23:34,690

since he is acutely aware of these

490

00:23:40,500 --> 00:23:37,570

emails how do we know he is because

491

00:23:46,950 --> 00:23:40,510

Richard Dolan interviewed him apparently

492

00:23:49,110 --> 00:23:46,960

a few times now regarding let me jump in

493

00:23:51,180 --> 00:23:49,120

here to those go ahead exchange was

494

00:23:53,039 --> 00:23:51,190

under some very odd circumstances he did

495

00:23:58,940 --> 00:23:53,049

a green doesn't want to be quoted

496

00:24:01,140 --> 00:23:58,950

directly and so on basically yes the

497

00:24:03,210 --> 00:24:01,150

apparently at some point in time at

498

00:24:05,250 --> 00:24:03,220

least part of the email exchanges are in

499

00:24:07,080 --> 00:24:05,260

fact accurate that that green is

500

00:24:09,299 --> 00:24:07,090

acknowledged as much and that at one

501  
00:24:11,730 --> 00:24:09,309  
point in time he did think that there

502  
00:24:13,649 --> 00:24:11,740  
was legitimacy to the alien autopsy

503  
00:24:15,870 --> 00:24:13,659  
video he's changed his mind on that of

504  
00:24:18,270 --> 00:24:15,880  
course it's kind of a no-brainer at this

505  
00:24:22,860 --> 00:24:18,280  
point to know that the alien autopsy

506  
00:24:26,210 --> 00:24:22,870  
video is a complete fabrication that

507  
00:24:29,640 --> 00:24:26,220  
there are no legitimate frames from a

508  
00:24:33,600 --> 00:24:29,650  
original film that was destroyed or due

509  
00:24:38,850 --> 00:24:33,610  
to time and weathering and whatnot is no

510  
00:24:41,279 --> 00:24:38,860  
longer playable and it just it never

511  
00:24:42,810 --> 00:24:41,289  
happened there's not a single aspect of

512  
00:24:45,840 --> 00:24:42,820  
the alien autopsy video that's

513  
00:24:47,430 --> 00:24:45,850

legitimate and I mean Green realizes

514

00:24:49,169 --> 00:24:47,440

that now but apparently at one point in

515

00:24:51,510 --> 00:24:49,179

time he didn't and it sort of came out

516

00:24:54,029 --> 00:24:51,520

that these private email exchanges

517

00:24:57,659 --> 00:24:54,039

indicated that he did and obviously you

518

00:24:59,520 --> 00:24:57,669

know and hey yeah but if I had a private

519

00:25:02,520 --> 00:24:59,530

exchange with you 20 years ago about

520

00:25:04,680 --> 00:25:02,530

those about that video I thought hey you

521

00:25:06,360 --> 00:25:04,690

know chant you know I think this might

522

00:25:07,830 --> 00:25:06,370

be legit you know and you probably would

523

00:25:11,779 --> 00:25:07,840

have smacked me upside my head and say

524

00:25:13,860 --> 00:25:11,789

you know snap out of it but but that

525

00:25:15,750 --> 00:25:13,870

apparently wasn't the case during the

526

00:25:17,970 --> 00:25:15,760

course of these exchanges then that

527

00:25:20,310 --> 00:25:17,980

didn't come about until later so again

528

00:25:21,750 --> 00:25:20,320

it goes back to that that kind of famous

529

00:25:22,680 --> 00:25:21,760

quote that I've heard grant used many

530

00:25:24,720 --> 00:25:22,690

times some of it

531

00:25:27,150 --> 00:25:24,730

true some of it's not true and you got

532

00:25:31,170 --> 00:25:27,160

to figure out what's what and we also

533

00:25:35,280 --> 00:25:31,180

know that how the alien autopsy memo is

534

00:25:39,570 --> 00:25:35,290

rather oddly constructed Frankie yes let

535

00:25:44,870 --> 00:25:39,580

me finish okay okay now so we know that

536

00:25:51,030 --> 00:25:44,880

he'll put off should have called his

537

00:25:54,750 --> 00:25:51,040

cohort I'm sorry his colleague kit green

538

00:25:56,070 --> 00:25:54,760

should have called how Harold if he was

539

00:25:59,810 --> 00:25:56,080

going to use a full name rather than

540

00:26:03,450 --> 00:25:59,820

Robert in the alien autopsy memo now

541

00:26:07,800 --> 00:26:03,460

moving along number two brain write a

542

00:26:10,350 --> 00:26:07,810

rug a in the alien autopsy memo when you

543

00:26:15,120 --> 00:26:10,360

go into that you will see it's very

544

00:26:20,870 --> 00:26:15,130

clear that that kit refers to the brain

545

00:26:25,220 --> 00:26:20,880

as rug a rug is not a part of the brain

546

00:26:27,240 --> 00:26:25,230

that is a part of the stomach area and

547

00:26:30,840 --> 00:26:27,250

it's really important that people

548

00:26:34,620 --> 00:26:30,850

understand that he actually made that

549

00:26:36,510 --> 00:26:34,630

mistake now this person is a scientist

550

00:26:40,860 --> 00:26:36,520

is that right or he's a doctor

551  
00:26:44,160 --> 00:26:40,870  
is that right okay and so I just would

552  
00:26:49,620 --> 00:26:44,170  
like to know why would he not understand

553  
00:26:51,750 --> 00:26:49,630  
that the brain reggae has to do with I'm

554  
00:26:58,910 --> 00:26:51,760  
sorry there's no such thing and that has

555  
00:27:07,230 --> 00:27:01,490  
let me let me finish please

556  
00:27:09,060 --> 00:27:07,240  
thank you well I mean go go ahead but I

557  
00:27:11,970 --> 00:27:09,070  
still have to finish what I have to say

558  
00:27:14,100 --> 00:27:11,980  
sure we have we have we have all night

559  
00:27:17,730 --> 00:27:14,110  
and into tomorrow I don't have to be to

560  
00:27:19,130 --> 00:27:17,740  
work for another 15 hours okay we got

561  
00:27:22,350 --> 00:27:19,140  
that kind of time

562  
00:27:25,800 --> 00:27:22,360  
okay don't I forgot what I was going to

563  
00:27:29,400 --> 00:27:25,810

say although I was talking about brain

564

00:27:32,670 --> 00:27:29,410

Ruggie which was so odd because that has

565

00:27:34,530 --> 00:27:32,680

nothing to do with the brain it has to

566

00:27:36,120 --> 00:27:34,540

do with the stomach and you would think

567

00:27:39,810 --> 00:27:36,130

that a person in kids position

568

00:27:42,870 --> 00:27:39,820

would actually know that so you were

569

00:27:44,909 --> 00:27:42,880

gonna comment on that yeah basically I

570

00:27:49,799 --> 00:27:44,919

think this comes down to the rather odd

571

00:27:52,500 --> 00:27:49,809

well this alien autopsy document is a

572

00:27:53,460 --> 00:27:52,510

it's a word processing document there's

573

00:27:56,010 --> 00:27:53,470

no question about that

574

00:27:58,710 --> 00:27:56,020

okay the end up in a word processor and

575

00:28:01,230 --> 00:27:58,720

it includes emails which obviously were

576

00:28:02,549 --> 00:28:01,240

copied and pasted over so lots of

577

00:28:04,650 --> 00:28:02,559

different things could have been

578

00:28:07,890 --> 00:28:04,660

inserted in there you know like the

579

00:28:11,190 --> 00:28:07,900

unusual email addresses with John

580

00:28:14,220 --> 00:28:11,200

Alexander and I believe also how put off

581

00:28:17,340 --> 00:28:14,230

having a GM email at General Motors

582

00:28:20,340 --> 00:28:17,350

email addresses whatever okay I'm gonna

583

00:28:23,070 --> 00:28:20,350

go ahead and go for that okay okay

584

00:28:26,399 --> 00:28:23,080

alright so let me go ahead and finish

585

00:28:28,500 --> 00:28:26,409

this up and I'm sorry I actually wanted

586

00:28:30,210 --> 00:28:28,510

to make sure that I I get this correct

587

00:28:34,560 --> 00:28:30,220

when I when I talk about it it'll just

588

00:28:43,890 --> 00:28:34,570

take a second okay let me see if I can

589

00:28:47,850 --> 00:28:43,900

find that just one moment okay so I lost

590

00:28:49,289 --> 00:28:47,860

my talk a little bit about the word

591

00:28:50,340 --> 00:28:49,299

processing nature of this particular

592

00:28:55,140 --> 00:28:50,350

document

593

00:28:56,820 --> 00:28:55,150

no I I'll just finish I just have a few

594

00:28:58,440 --> 00:28:56,830

more sentences I'm sorry I might as well

595

00:29:01,500 --> 00:28:58,450

finish this because it's just gonna bug

596

00:29:03,570 --> 00:29:01,510

as well okay now the brain the brain

597

00:29:05,370 --> 00:29:03,580

does not have reggae already it that's

598

00:29:05,820 --> 00:29:05,380

relegated to the stomach area of the

599

00:29:08,940 --> 00:29:05,830

body

600

00:29:11,970 --> 00:29:08,950

why would KITT green actually call part

601  
00:29:14,220 --> 00:29:11,980  
of the body and incorrect a name when

602  
00:29:17,010 --> 00:29:14,230  
that is not what it's assigned to it the

603  
00:29:21,480 --> 00:29:17,020  
other the which is number three did I

604  
00:29:23,700 --> 00:29:21,490  
answer that because I think yes let me

605  
00:29:28,320 --> 00:29:23,710  
finish this number three the email

606  
00:29:31,320 --> 00:29:28,330  
addresses are wrong okay in in the alien

607  
00:29:37,130 --> 00:29:31,330  
autopsy memo it specifically states that

608  
00:29:43,680 --> 00:29:40,529  
located in general at general for

609  
00:29:48,000 --> 00:29:43,690  
General Motors in Singapore now I talked

610  
00:29:49,650 --> 00:29:48,010  
to John Alexander and he told me that he

611  
00:29:53,130 --> 00:29:49,660  
not only never worked for General

612  
00:29:56,460 --> 00:29:53,140  
Motors that he also never worked in

613  
00:29:59,100 --> 00:29:56,470

Singapore now how put off also has an

614

00:30:04,950 --> 00:29:59,110

email address in the alien autopsy memo

615

00:30:08,580 --> 00:30:04,960

and it is according to the email address

616

00:30:12,570 --> 00:30:08,590

listed for General Motors in Singapore

617

00:30:15,690 --> 00:30:12,580

same as John Alexander and he'll put off

618

00:30:20,340 --> 00:30:15,700

never worked for General Motors or in

619

00:30:24,590 --> 00:30:20,350

Singapore according to John Alexander

620

00:30:29,880 --> 00:30:24,600

who has known how put off for decades

621

00:30:31,890 --> 00:30:29,890

now now the the email headers don't make

622

00:30:34,920 --> 00:30:31,900

any sense either I don't mean all of

623

00:30:37,740 --> 00:30:34,930

them there's an email header in the

624

00:30:41,520 --> 00:30:37,750

alien autopsy memo which if you look at

625

00:30:44,070 --> 00:30:41,530

it very closely actually makes no sense

626

00:30:46,830 --> 00:30:44,080

whatsoever it looks like it was

627

00:30:50,190 --> 00:30:46,840

literally copied and pasted like

628

00:30:53,400 --> 00:30:50,200

stitched together and it there's really

629

00:30:56,010 --> 00:30:53,410

no way according to the research I've

630

00:30:59,490 --> 00:30:56,020

done that the email would have a header

631

00:31:01,710 --> 00:30:59,500

like that now the other thing which is

632

00:31:06,620 --> 00:31:01,720

number five is there's no such thing as

633

00:31:10,350 --> 00:31:06,630

the alien autopsy movie before 1995

634

00:31:14,040 --> 00:31:10,360

because the alien autopsy movie was not

635

00:31:17,460 --> 00:31:14,050

made before 1995 now why do I bring that

636

00:31:22,070 --> 00:31:17,470

up because my understanding according to

637

00:31:26,670 --> 00:31:22,080

Philip mantel an individual who is a

638

00:31:29,580 --> 00:31:26,680

person who publishes books and he also

639

00:31:34,620 --> 00:31:29,590

has been a researcher involved in

640

00:31:36,570 --> 00:31:34,630

ufology for decades he said this that he

641

00:31:38,190 --> 00:31:36,580

told Richard Dolan there was no way kick

642

00:31:40,410 --> 00:31:38,200

rain could have seen the same thing as

643

00:31:44,400 --> 00:31:40,420

depicted in the alien autopsy film at a

644

00:31:47,580 --> 00:31:44,410

briefing at the Pentagon in 87 1987 or

645

00:31:49,740 --> 00:31:47,590

1988 unless he had a time machine in the

646

00:31:52,050 --> 00:31:49,750

leaked memo kick rain then went on to

647

00:31:54,360 --> 00:31:52,060

deliver his professional opinion on the

648

00:31:57,240 --> 00:31:54,370

alien autopsy film at no point did he

649

00:31:59,400 --> 00:31:57,250

say it was human and alien or a dummy he

650

00:32:02,400 --> 00:31:59,410

stated it was real that it was his

651  
00:32:03,330 --> 00:32:02,410  
professional opinion Richard told Phil

652  
00:32:05,670 --> 00:32:03,340  
Phil

653  
00:32:07,830 --> 00:32:05,680  
mantle how very clever this man

654  
00:32:10,710 --> 00:32:07,840  
apparently is well he wasn't that clever

655  
00:32:13,680 --> 00:32:10,720  
was he that is what Phillip mantle said

656  
00:32:18,270 --> 00:32:13,690  
in the threat of a post about Richard

657  
00:32:21,180 --> 00:32:18,280  
Dolan and this topic so it's important

658  
00:32:24,870 --> 00:32:21,190  
that that distinction is made clear and

659  
00:32:28,770 --> 00:32:24,880  
then also let's see what else I think

660  
00:32:33,090 --> 00:32:28,780  
there was another right you can see it

661  
00:32:35,910 --> 00:32:33,100  
with the Alexander GM Singapore okay and

662  
00:32:40,140 --> 00:32:35,920  
there's a super odd paragraph of a rant

663  
00:32:42,450 --> 00:32:40,150

regarding a worldwide New World Order

664

00:32:45,960 --> 00:32:42,460

conspiracy so to speak that is both

665

00:32:51,000 --> 00:32:45,970

unprovable and sounds uneducated silly

666

00:32:52,860 --> 00:32:51,010

and paranoid by kick cream now that does

667

00:32:54,630 --> 00:32:52,870

that make it not real no it's just

668

00:32:56,850 --> 00:32:54,640

something I wanted to mention that I

669

00:32:59,160 --> 00:32:56,860

find this very strange to have in that

670

00:33:01,830 --> 00:32:59,170

series of emails where there's a bunch

671

00:33:04,710 --> 00:33:01,840

of scientists or folks of high caliber

672

00:33:07,710 --> 00:33:04,720

high caliber regarding their education

673

00:33:10,730 --> 00:33:07,720

talking about a really strange topic

674

00:33:15,630 --> 00:33:10,740

that has absolutely no supportive

675

00:33:18,240 --> 00:33:15,640

support nothing to back up or prove

676

00:33:21,830 --> 00:33:18,250

regarding what kit is allegedly saying

677

00:33:25,980 --> 00:33:21,840

in that rent right you know yeah I think

678

00:33:28,200 --> 00:33:25,990

the explanation I think is that someone

679

00:33:30,750 --> 00:33:28,210

got hold of original documents and

680

00:33:33,090 --> 00:33:30,760

obviously ginned a lot of stuff up in

681

00:33:34,980 --> 00:33:33,100

there you know doctored the text and not

682

00:33:36,720 --> 00:33:34,990

played around with it the same way that

683

00:33:39,090 --> 00:33:36,730

the will Miller claimed that his letter

684

00:33:42,660 --> 00:33:39,100

or his purported letter to Eric Davis

685

00:33:44,340 --> 00:33:42,670

was you know manipulated and different

686

00:33:46,890 --> 00:33:44,350

pieces from different correspondences

687

00:33:49,740 --> 00:33:46,900

were cut and pasted together so I think

688

00:33:51,930 --> 00:33:49,750

that's especially in a case like this

689

00:33:54,480 --> 00:33:51,940

where you're talking about a word

690

00:33:59,040 --> 00:33:54,490

processing doc

691

00:34:03,090 --> 00:33:59,050

anybody can do it you know right yeah

692

00:34:05,280 --> 00:34:03,100

now if now what does all this error

693

00:34:07,770 --> 00:34:05,290

feeding regarding contaminating these

694

00:34:09,990 --> 00:34:07,780

alleged docs with in a curious what

695

00:34:11,790 --> 00:34:10,000

inaccuracies what does this do these

696

00:34:15,540 --> 00:34:11,800

people are trying too hard to prove

697

00:34:16,829 --> 00:34:15,550

something that is not provable the best

698

00:34:18,899 --> 00:34:16,839

interpreter of what

699

00:34:22,849 --> 00:34:18,909

happened here with the smoking gun

700

00:34:26,639 --> 00:34:22,859

document and the alien autopsy memo our

701  
00:34:30,959 --> 00:34:26,649  
evidence facts and proof and the

702  
00:34:33,419 --> 00:34:30,969  
evidence and the facts are these alleged

703  
00:34:34,739 --> 00:34:33,429  
documents do not stand as real as they

704  
00:34:37,289 --> 00:34:34,749  
are in their entirety

705  
00:34:39,989 --> 00:34:37,299  
there's no corroborating evidence or

706  
00:34:41,819 --> 00:34:39,999  
additional evidence that we have to go

707  
00:34:43,919 --> 00:34:41,829  
on regarding these alleged documents to

708  
00:34:45,690 --> 00:34:43,929  
real veel them as real in any way shape

709  
00:34:47,279 --> 00:34:45,700  
or form so what if we learn regarding

710  
00:34:49,200 --> 00:34:47,289  
everything that has been pushed at us in

711  
00:34:51,299 --> 00:34:49,210  
the UFO community regarding these

712  
00:34:53,039 --> 00:34:51,309  
alleged documents and that we are

713  
00:34:55,680 --> 00:34:53,049

supposed to accept the worst kind of

714

00:34:57,870 --> 00:34:55,690

alleged data possible that these

715

00:34:59,130 --> 00:34:57,880

supposed documents are real that they

716

00:35:00,870 --> 00:34:59,140

are real even though the so-called

717

00:35:05,849 --> 00:35:00,880

evidence improved people are being

718

00:35:07,829 --> 00:35:05,859

bringing to the table is is false even

719

00:35:10,019 --> 00:35:07,839

though what has been brought forward

720

00:35:11,999 --> 00:35:10,029

violates the actual fundamental

721

00:35:14,700 --> 00:35:12,009

principles of what is supposed to be

722

00:35:17,160 --> 00:35:14,710

evidence and proof why this is the

723

00:35:19,349 --> 00:35:17,170

question we need to ask why would all of

724

00:35:21,870 --> 00:35:19,359

these people try so hard to make

725

00:35:24,150 --> 00:35:21,880

something that is a fairy tale come true

726

00:35:27,059 --> 00:35:24,160

what do they have to gain from this

727

00:35:31,410 --> 00:35:27,069

let's go into this now okay now well for

728

00:35:34,950 --> 00:35:31,420

Greer for Greer this the the Wilson

729

00:35:37,739 --> 00:35:34,960

meeting was a big deal so the fact that

730

00:35:40,319 --> 00:35:37,749

the document comes out and purports to

731

00:35:42,719 --> 00:35:40,329

basically verify what he's been saying

732

00:35:44,249 --> 00:35:42,729

that that's a big deal for him sorry I

733

00:35:46,499 --> 00:35:44,259

don't really have a problem with him

734

00:35:47,729 --> 00:35:46,509

getting behind that and to his credit I

735

00:35:50,940 --> 00:35:47,739

think he was a little bit more

736

00:35:52,380 --> 00:35:50,950

circumspect about that knids letter to

737

00:35:54,089 --> 00:35:52,390

mitchell so i think that's very

738

00:35:58,950 --> 00:35:54,099

interesting but I don't really blame him

739

00:36:00,989 --> 00:35:58,960

for that and with a grant situation it

740

00:36:02,910 --> 00:36:00,999

might just be like I said earlier

741

00:36:07,670 --> 00:36:02,920

perhaps a little bit of loyalty to Dolan

742

00:36:09,809 --> 00:36:07,680

because they you know he he himself was

743

00:36:11,099 --> 00:36:09,819

willing to admit that maybe I got

744

00:36:14,039 --> 00:36:11,109

something maybe I don't

745

00:36:15,180 --> 00:36:14,049

so and it's it's really been Dolan who's

746

00:36:17,489 --> 00:36:15,190

kind of been out there leading the

747

00:36:19,440 --> 00:36:17,499

charge that these documents are the leak

748

00:36:20,640 --> 00:36:19,450

of the century and nothing could be

749

00:36:23,370 --> 00:36:20,650

further from the truth

750

00:36:25,499 --> 00:36:23,380

okay now Dolan has had a multitude of

751

00:36:30,180 --> 00:36:25,509

podcasts on this very topic shopping the

752

00:36:30,600 --> 00:36:30,190

a am as real now maybe he's not doing

753

00:36:32,880 --> 00:36:30,610

that

754

00:36:36,780 --> 00:36:32,890

but in the beginning it certainly seemed

755

00:36:38,850 --> 00:36:36,790

to you and I that he was shopping around

756

00:36:41,040 --> 00:36:38,860

the alien autopsy memo I call that the

757

00:36:43,350 --> 00:36:41,050

aam just so everybody understands what

758

00:36:44,940 --> 00:36:43,360

I'm talking about as real what do you

759

00:36:48,270 --> 00:36:44,950

think about that is that correct Frank

760

00:36:49,770 --> 00:36:48,280

well my understanding from the last time

761

00:36:52,620 --> 00:36:49,780

that I heard him that this isn't going

762

00:36:54,360 --> 00:36:52,630

to go away that they're still working on

763

00:36:57,600 --> 00:36:54,370

it and in fact I do know that that's the

764

00:37:01,020 --> 00:36:57,610

case but that what I know that is being

765

00:37:03,030 --> 00:37:01,030

followed up on if the basic the

766

00:37:05,670 --> 00:37:03,040

structure of these unacknowledged

767

00:37:10,290 --> 00:37:05,680

programs these special access programs

768

00:37:12,180 --> 00:37:10,300

and who might be managing the the

769

00:37:17,580 --> 00:37:12,190

corporate end for Lockheed you know

770

00:37:19,650 --> 00:37:17,590

obviously a former top-notch officer

771

00:37:21,510 --> 00:37:19,660

who's gone into the private sector who's

772

00:37:23,700 --> 00:37:21,520

kind of shepherding these types of

773

00:37:25,590 --> 00:37:23,710

programs along keeping an eye on them

774

00:37:28,050 --> 00:37:25,600

making sure that the prying eyes don't

775

00:37:29,640 --> 00:37:28,060

really find out what's going on that is

776

00:37:31,890 --> 00:37:29,650

my understanding about what's being

777

00:37:34,020 --> 00:37:31,900

looked at how plugged in Dolan install

778

00:37:35,550 --> 00:37:34,030

that I really don't know but I do know

779

00:37:38,220 --> 00:37:35,560

some good researchers are working on

780

00:37:41,970 --> 00:37:38,230

that and that's a good thing that's a-ok

781

00:37:43,800 --> 00:37:41,980

you know in the UFO racket I mean

782

00:37:45,870 --> 00:37:43,810

there's no such thing as a fast nickel

783

00:37:48,090 --> 00:37:45,880

everything is slowed dimes it takes a

784

00:37:53,210 --> 00:37:48,100

while so it's been you know 20 years

785

00:37:56,550 --> 00:37:53,220

since that initial Greer Wilson Miller

786

00:37:58,530 --> 00:37:56,560

Mitchell meeting took place and we find

787

00:38:00,930 --> 00:37:58,540

out more about it now but that's kind of

788

00:38:02,970 --> 00:38:00,940

par for the course that's no big deal I

789

00:38:05,010 --> 00:38:02,980

have said even before this stuff came

790

00:38:07,830 --> 00:38:05,020

out even if they are fake there might be

791

00:38:08,970 --> 00:38:07,840

some value in there and obviously there

792

00:38:11,880 --> 00:38:08,980

are some folks who are looking at the

793

00:38:13,410 --> 00:38:11,890

value and they're on it and I say good

794

00:38:17,010 --> 00:38:13,420

luck hopefully we do find out more about

795

00:38:21,690 --> 00:38:17,020

it but the idea of purporting these

796

00:38:24,900 --> 00:38:21,700

documents to be legitimate in in that

797

00:38:27,150 --> 00:38:24,910

effort is a mistake I think again now

798

00:38:29,250 --> 00:38:27,160

you should go back to a grant Cameron's

799

00:38:30,750 --> 00:38:29,260

quote you know some of it's true some of

800

00:38:32,730 --> 00:38:30,760

it's false and you got to figure out

801  
00:38:35,010 --> 00:38:32,740  
which is okay that quote that you keep

802  
00:38:36,480 --> 00:38:35,020  
talking about this from a grant Cameron

803  
00:38:39,780 --> 00:38:36,490  
he's where I'm glad he was right at that

804  
00:38:44,039 --> 00:38:39,790  
point oh okay yeah but he did not say

805  
00:38:48,390 --> 00:38:45,900  
don't know why I don't you need to make

806  
00:38:50,939 --> 00:38:48,400  
that clear because you know what you're

807  
00:38:54,449 --> 00:38:50,949  
doing or is you're using a quote of

808  
00:38:56,219 --> 00:38:54,459  
grants that he is not applying which

809  
00:38:58,229 --> 00:38:56,229  
should be exactly

810  
00:38:59,969 --> 00:38:58,239  
regarding the but you need to make that

811  
00:39:02,009 --> 00:38:59,979  
clear because people don't know when you

812  
00:39:03,449 --> 00:39:02,019  
say that he might be saying that in

813  
00:39:07,519 --> 00:39:03,459

conjunction with this which he's not

814

00:39:10,709 --> 00:39:07,529

which is important because he should

815

00:39:12,299 --> 00:39:10,719

agree and grant has spoken over the

816

00:39:14,459 --> 00:39:12,309

years at that great length about

817

00:39:16,739 --> 00:39:14,469

disinformation and you know here's some

818

00:39:20,669 --> 00:39:16,749

disinformation and they're embracing it

819

00:39:24,059 --> 00:39:20,679

make any sense to me mmm okay well and

820

00:39:26,279 --> 00:39:24,069

now grant Cameron the person who alleges

821

00:39:29,249 --> 00:39:26,289

he was given this hoax

822

00:39:32,160 --> 00:39:29,259

doc by another person James Rigney

823

00:39:34,439 --> 00:39:32,170

Brittany and also grants lawyer Michael

824

00:39:36,299 --> 00:39:34,449

Hall all claim these things are real

825

00:39:40,380 --> 00:39:36,309

they stand what do they have to gain by

826

00:39:41,219 --> 00:39:40,390

saying the aam is real now that hold on

827

00:39:43,890 --> 00:39:41,229

let me finish

828

00:39:46,049 --> 00:39:43,900

Melinda Lesley same situation says they

829

00:39:48,419 --> 00:39:46,059

are real the list is much longer than

830

00:39:50,309 --> 00:39:48,429

this than the amount players that I

831

00:39:52,140 --> 00:39:50,319

mentioning here all claiming these docs

832

00:39:53,669 --> 00:39:52,150

are real as they stand there's another

833

00:39:55,529 --> 00:39:53,679

group of people we won't mention who

834

00:39:58,739 --> 00:39:55,539

they are they all hang out together and

835

00:40:00,929 --> 00:39:58,749

they all I guess call themselves

836

00:40:03,569 --> 00:40:00,939

researchers regarding this the the topic

837

00:40:05,459 --> 00:40:03,579

of the aam and SG which stands for

838

00:40:07,620 --> 00:40:05,469

smoking gun document but they have not

839

00:40:10,620 --> 00:40:07,630

come forward with anything regarding

840

00:40:12,900 --> 00:40:10,630

facts evidence and proof just to

841

00:40:15,870 --> 00:40:12,910

actually unequivocally state or prove

842

00:40:18,419 --> 00:40:15,880

that these two items are real as they

843

00:40:20,519 --> 00:40:18,429

stand in their entirety now let's go

844

00:40:23,549 --> 00:40:20,529

over what data evidence and facts and

845

00:40:25,890 --> 00:40:23,559

proof really are now it's very simple

846

00:40:27,359 --> 00:40:25,900

evidence is the available body of facts

847

00:40:28,999 --> 00:40:27,369

or information indicating whether a

848

00:40:31,979 --> 00:40:29,009

belief or proposition is true or valid

849

00:40:34,769 --> 00:40:31,989

now a facts that is a thing that is

850

00:40:36,839 --> 00:40:34,779

known approved to be true proof that is

851  
00:40:38,789 --> 00:40:36,849  
evidence or an argument establishing or

852  
00:40:40,529 --> 00:40:38,799  
helping to establish a fact or the truth

853  
00:40:42,660 --> 00:40:40,539  
of a statement none of these things have

854  
00:40:44,969 --> 00:40:42,670  
happened with the alien autopsy memo and

855  
00:40:47,519 --> 00:40:44,979  
the smoking gun document now we've had

856  
00:40:49,679 --> 00:40:47,529  
anecdotal stories we've had a lot of

857  
00:40:53,819 --> 00:40:49,689  
podcasts we've not had any of that

858  
00:40:55,919 --> 00:40:53,829  
happen yet now what we've established

859  
00:40:57,870 --> 00:40:55,929  
now that we've established what evidence

860  
00:40:59,670 --> 00:40:57,880  
facts and proof are

861  
00:41:01,320 --> 00:40:59,680  
my point is this all these players that

862  
00:41:03,390 --> 00:41:01,330  
involved in this game of claiming these

863  
00:41:06,450 --> 00:41:03,400

alleged docs are real we either have to

864

00:41:08,370 --> 00:41:06,460

believe that one they really believe

865

00:41:11,250 --> 00:41:08,380

despite evidence and facts to the

866

00:41:13,560 --> 00:41:11,260

contrary that these people do not know

867

00:41:16,140 --> 00:41:13,570

what those are evidence facts are proof

868

00:41:18,030 --> 00:41:16,150

that they don't know what that is - that

869

00:41:20,220 --> 00:41:18,040

they're not intelligent enough to know

870

00:41:22,200 --> 00:41:20,230

what it is meaning they have not

871

00:41:23,730 --> 00:41:22,210

educated themselves on the classic

872

00:41:26,670 --> 00:41:23,740

definition of what these terms really

873

00:41:29,220 --> 00:41:26,680

mean three or they refuse to believe

874

00:41:33,870 --> 00:41:29,230

what evidence facts are proof is because

875

00:41:35,700 --> 00:41:33,880

they have an agenda for is that they or

876

00:41:38,250 --> 00:41:35,710

someone in the mixer designed this

877

00:41:41,490 --> 00:41:38,260

document for reasons unknown to us five

878

00:41:45,600 --> 00:41:41,500

it helps to revive a person's career six

879

00:41:48,660 --> 00:41:45,610

an intelligence agent designed the aam

880

00:41:51,390 --> 00:41:48,670

and SG for kicks either by themselves or

881

00:41:54,090 --> 00:41:51,400

with the help of an inside person or an

882

00:41:57,300 --> 00:41:54,100

expert on hoaxes hoaxing genuine looking

883

00:41:59,880 --> 00:41:57,310

documents seven a government created

884

00:42:02,640 --> 00:41:59,890

this elaborate hoax to keep the topic of

885

00:42:05,070 --> 00:42:02,650

ufology as a fringe topic and to firmly

886

00:42:07,760 --> 00:42:05,080

set us in place as a topic of hilarity

887

00:42:09,900 --> 00:42:07,770

to be made fun of to not take seriously

888

00:42:12,840 --> 00:42:09,910

especially since some of the science of

889

00:42:14,780 --> 00:42:12,850

it is wrong brain reggae for example and

890

00:42:17,550 --> 00:42:14,790

the history of it cannot be corroborated

891

00:42:20,580 --> 00:42:17,560

meaning the Singaporean conspiracy

892

00:42:22,470 --> 00:42:20,590

reference that kit made in the aam among

893

00:42:27,750 --> 00:42:22,480

many other pseudo historical statements

894

00:42:28,350 --> 00:42:27,760

being made by him regarding a it doesn't

895

00:42:30,660 --> 00:42:28,360

matter anyway

896

00:42:34,500 --> 00:42:30,670

number eight getting evidence facts and

897

00:42:36,810 --> 00:42:34,510

proof requires too much work now we must

898

00:42:38,040 --> 00:42:36,820

be vigilant and methodical when

899

00:42:39,720 --> 00:42:38,050

researching for facts

900

00:42:43,290 --> 00:42:39,730

evidence or proof I know this takes a

901  
00:42:44,910 --> 00:42:43,300  
lot of work okay but this is the only

902  
00:42:47,400 --> 00:42:44,920  
manner in which research is taken

903  
00:42:49,500 --> 00:42:47,410  
seriously outside of ufology and it is

904  
00:42:51,630 --> 00:42:49,510  
also the most logical approach to the

905  
00:42:54,600 --> 00:42:51,640  
phenomenon and other topics we all love

906  
00:42:57,150 --> 00:42:54,610  
to learn more about we have been fed a

907  
00:43:00,150 --> 00:42:57,160  
lot of error feeding regarding these

908  
00:43:02,430 --> 00:43:00,160  
documents there's a lot of anomalies in

909  
00:43:04,710 --> 00:43:02,440  
the sense of discrepancies and how they

910  
00:43:09,000 --> 00:43:04,720  
there are more than handful of those in

911  
00:43:11,640 --> 00:43:09,010  
the aam and the SG and how it's unusual

912  
00:43:13,890 --> 00:43:11,650  
how one or two might you know

913  
00:43:15,840 --> 00:43:13,900

it's okay if one or two discrepancies

914

00:43:18,330 --> 00:43:15,850

that might be expected regarding a

915

00:43:20,070 --> 00:43:18,340

document for people to go over if

916

00:43:22,740 --> 00:43:20,080

somebody's claiming it's real okay catch

917

00:43:24,660 --> 00:43:22,750

a few of them but but the large number

918

00:43:26,310 --> 00:43:24,670

of anomaly said do not fit into the

919

00:43:29,310 --> 00:43:26,320

categories of facts evidence or proof

920

00:43:31,560 --> 00:43:29,320

and all fall into the categories of

921

00:43:34,470 --> 00:43:31,570

error strange commentary discrepancies

922

00:43:36,240 --> 00:43:34,480

and total fiction that's when red flag

923

00:43:38,190 --> 00:43:36,250

should be raised regarding possibly

924

00:43:40,740 --> 00:43:38,200

that we're not only looking at enough

925

00:43:42,510 --> 00:43:40,750

sent a document that's not authentic but

926

00:43:45,180 --> 00:43:42,520

are looking instead at an elaborately

927

00:43:49,080 --> 00:43:45,190

designed hoax well let's look at this in

928

00:43:51,690 --> 00:43:49,090

more detail okay and go ahead yeah real

929

00:43:53,340 --> 00:43:51,700

quick point number one another thing

930

00:43:57,150 --> 00:43:53,350

that you didn't mention was the fact

931

00:43:59,970 --> 00:43:57,160

that these the Wilson notes contain a

932

00:44:03,150 --> 00:43:59,980

lot of the same tropes that have been

933

00:44:06,060 --> 00:44:03,160

and included in known disinformation

934

00:44:08,580 --> 00:44:06,070

like the mj-12 documents and more

935

00:44:11,100 --> 00:44:08,590

specifically the circus serpo documents

936

00:44:14,360 --> 00:44:11,110

which you know nobody thinks is

937

00:44:17,490 --> 00:44:14,370

legitimate I think just about everybody

938

00:44:19,590 --> 00:44:17,500

recognizes that they are hopes documents

939

00:44:21,600 --> 00:44:19,600

there's nothing legitimate about those

940

00:44:23,340 --> 00:44:21,610

at all and those tropes were something

941

00:44:25,500 --> 00:44:23,350

that I mentioned even before this

942

00:44:27,120 --> 00:44:25,510

document came out and one thing I'll

943

00:44:28,950 --> 00:44:27,130

tell you what I'm glad I'm glad this

944

00:44:31,980 --> 00:44:28,960

document came out is that when we had

945

00:44:33,900 --> 00:44:31,990

Michael on the show before the docs came

946

00:44:35,640 --> 00:44:33,910

out I said the best thing that could

947

00:44:38,280 --> 00:44:35,650

happen is for this stuff that come out

948

00:44:40,590 --> 00:44:38,290

and let's all have a crack at it and see

949

00:44:42,060 --> 00:44:40,600

what's what and as it turned out that's

950

00:44:42,420 --> 00:44:42,070

exactly what happened and I'm glad it

951  
00:44:45,120 --> 00:44:42,430  
did

952  
00:44:47,730 --> 00:44:45,130  
because you know despite our criticisms

953  
00:44:50,100 --> 00:44:47,740  
of some other researchers that are maybe

954  
00:44:52,590 --> 00:44:50,110  
taking this stuff too lightly and not

955  
00:44:55,830 --> 00:44:52,600  
backing up their claims with much of

956  
00:44:59,850 --> 00:44:55,840  
anything to tell you the truth these

957  
00:45:02,850 --> 00:44:59,860  
these documents they're out there now

958  
00:45:04,890 --> 00:45:02,860  
and we've all got our crack at and I

959  
00:45:06,570 --> 00:45:04,900  
think that's a good thing and that's

960  
00:45:10,350 --> 00:45:06,580  
that's what research is all about and

961  
00:45:12,600 --> 00:45:10,360  
frankly yeah even if even though it is

962  
00:45:14,910 --> 00:45:12,610  
in my opinion disinformation as you had

963  
00:45:17,790 --> 00:45:14,920

mentioned this is a professionally put

964

00:45:19,950 --> 00:45:17,800

together likely yeah I would even go so

965

00:45:22,800 --> 00:45:19,960

far to say as somebody who at least has

966

00:45:24,750 --> 00:45:22,810

some knowledge of the workings of a Bo

967

00:45:26,580 --> 00:45:24,760

I mean I'm gonna be honest I'd never

968

00:45:28,770 --> 00:45:26,590

heard of the Association of former

969

00:45:31,230 --> 00:45:28,780

intelligence officers before all this

970

00:45:32,880 --> 00:45:31,240

stuff came out I had the mentor I think

971

00:45:36,390 --> 00:45:32,890

it's important that you let everybody

972

00:45:42,660 --> 00:45:36,400

know who is a member of a Pheo according

973

00:45:44,340 --> 00:45:42,670

to your research yes and that means he's

974

00:45:45,270 --> 00:45:44,350

a member of the intelligence community

975

00:45:50,130 --> 00:45:45,280

is that correct

976  
00:45:52,380 --> 00:45:50,140  
not necessarily yeah he's been involved

977  
00:45:54,540 --> 00:45:52,390  
in classified programs he has security

978  
00:45:56,660 --> 00:45:54,550  
clearances okay what level I'm not sure

979  
00:45:59,640 --> 00:45:56,670  
exactly what did not but a Pheo

980  
00:46:01,530 --> 00:45:59,650  
membership is relatively open I mean you

981  
00:46:04,980 --> 00:46:01,540  
don't have to be like a former CIA agent

982  
00:46:13,560 --> 00:46:04,990  
or to join a few the a journalist you

983  
00:46:15,630 --> 00:46:13,570  
can yeah you could probably join I do

984  
00:46:18,420 --> 00:46:15,640  
want to let folks know who we have

985  
00:46:23,640 --> 00:46:18,430  
interviewed regarding the alien autopsy

986  
00:46:25,050 --> 00:46:23,650  
memo and The Smoking Gun documents and

987  
00:46:26,460 --> 00:46:25,060  
again I don't believe they're real

988  
00:46:29,210 --> 00:46:26,470

documents so when I say the word

989

00:46:32,940 --> 00:46:29,220

documents I say that with air quotes now

990

00:46:36,630 --> 00:46:32,950

we have we have interviewed a both Frank

991

00:46:41,450 --> 00:46:36,640

and I separately commander Willard

992

00:46:44,640 --> 00:46:41,460

Miller I have done it multiple times and

993

00:46:47,640 --> 00:46:44,650

Frank has also interviewed him we've

994

00:46:49,890 --> 00:46:47,650

interviewed Michael W Hall we've

995

00:46:57,450 --> 00:46:49,900

interviewed I have talked to Philip

996

00:47:00,750 --> 00:46:57,460

mantel is it okay may I have a moment to

997

00:47:02,160 --> 00:47:00,760

go into some detail about that look hold

998

00:47:03,990 --> 00:47:02,170

on to that thought because I'm gonna

999

00:47:06,120 --> 00:47:04,000

mention a list of people we've

1000

00:47:08,040 --> 00:47:06,130

interviewed now people go who is that

1001  
00:47:09,570 --> 00:47:08,050  
what you need to understand is if you

1002  
00:47:12,030 --> 00:47:09,580  
don't know who any of these people are

1003  
00:47:13,830 --> 00:47:12,040  
they are still in some one way or

1004  
00:47:18,150 --> 00:47:13,840  
another connected to the alien autopsy

1005  
00:47:22,770 --> 00:47:18,160  
memo more than likely and the smoking

1006  
00:47:24,480 --> 00:47:22,780  
gun document and I believe Philip mantel

1007  
00:47:27,240 --> 00:47:24,490  
might actually be directly mentioned in

1008  
00:47:30,270 --> 00:47:27,250  
the alien autopsy memo now so I've

1009  
00:47:30,840 --> 00:47:30,280  
talked to Philip mantle mantle multiple

1010  
00:47:33,090 --> 00:47:30,850  
times

1011  
00:47:36,270 --> 00:47:33,100  
Spyros melora's I have actually

1012  
00:47:39,630 --> 00:47:36,280  
interviewed him and talked to him many

1013  
00:47:41,610 --> 00:47:39,640

about this topic Ray Santilli I

1014

00:47:44,480 --> 00:47:41,620

interviewed him for 45 minutes

1015

00:47:47,880 --> 00:47:44,490

that's something almost nobody knows and

1016

00:47:51,660 --> 00:47:47,890

it was about the alien autopsy movie of

1017

00:47:53,880 --> 00:47:51,670

course and I also interviewed multiple

1018

00:47:57,060 --> 00:47:53,890

times a total of 2.5 hours

1019

00:48:00,300 --> 00:47:57,070

Gary Shu field of the alien autopsy film

1020

00:48:03,270 --> 00:48:00,310

and he along with Ray both agree that

1021

00:48:05,490 --> 00:48:03,280

they're very good friends and Melinda

1022

00:48:07,650 --> 00:48:05,500

Leslie we've interviewed her on our

1023

00:48:10,740 --> 00:48:07,660

podcast regarding this topic these

1024

00:48:14,340 --> 00:48:10,750

topics and interestingly enough we did

1025

00:48:19,620 --> 00:48:14,350

not see eye to eye with her on the aam

1026

00:48:22,860 --> 00:48:19,630

and the SG and and then also I did

1027

00:48:27,030 --> 00:48:22,870

actually find an individual regarding

1028

00:48:30,060 --> 00:48:27,040

the pepper spray company in the smoking

1029

00:48:32,580 --> 00:48:30,070

gun document I was able to contact that

1030

00:48:34,770 --> 00:48:32,590

company they did call me back I will be

1031

00:48:37,230 --> 00:48:34,780

talking to them soon and that's

1032

00:48:39,120 --> 00:48:37,240

important because a Willard Miller said

1033

00:48:41,160 --> 00:48:39,130

that he believed that that company was

1034

00:48:43,190 --> 00:48:41,170

out of business it turns out they're not

1035

00:48:45,480 --> 00:48:43,200

they're still in business

1036

00:48:53,100 --> 00:48:45,490

go ahead on what you were talking about

1037

00:48:57,840 --> 00:48:53,110

Frank please well so I was mentioning

1038

00:49:00,600 --> 00:48:57,850

Ray Santilli Gary shoot oh go ahead

1039

00:49:03,270 --> 00:49:00,610

obviously yeah we are quite convinced

1040

00:49:06,110 --> 00:49:03,280

that documents have been manufactured in

1041

00:49:09,030 --> 00:49:06,120

some way and in our conversation first

1042

00:49:12,900 --> 00:49:09,040

he obviously believes that to the whole

1043

00:49:14,670 --> 00:49:12,910

kid kibou manufacturer but yeah he

1044

00:49:16,260 --> 00:49:14,680

brought it he dropped the name and I

1045

00:49:18,150 --> 00:49:16,270

don't know if I've done it on the show

1046

00:49:21,570 --> 00:49:18,160

yet or not but he dropped the name Rick

1047

00:49:24,240 --> 00:49:21,580

Doty and yeah my response was yeah you

1048

00:49:26,610 --> 00:49:24,250

know I haven't ruled him out and one

1049

00:49:28,740 --> 00:49:26,620

interesting sidenote you had mentioned

1050

00:49:31,380 --> 00:49:28,750

that perhaps some people were taking

1051  
00:49:33,960 --> 00:49:31,390  
advantage of this may have been involved

1052  
00:49:36,360 --> 00:49:33,970  
in the actual construction and I just

1053  
00:49:38,340 --> 00:49:36,370  
point out not saying anything beyond

1054  
00:49:40,290 --> 00:49:38,350  
this but I do just point out that in

1055  
00:49:44,760 --> 00:49:40,300  
Steven Greer's most recent movie

1056  
00:49:48,000 --> 00:49:44,770  
unacknowledged he had Dodie featured in

1057  
00:49:49,230 --> 00:49:48,010  
the film and went so far as to portray

1058  
00:49:52,420 --> 00:49:49,240  
him as

1059  
00:49:54,720 --> 00:49:52,430  
heroic whistleblower which we both know

1060  
00:49:57,550 --> 00:49:54,730  
from some conversations that we've had

1061  
00:50:00,700 --> 00:49:57,560  
some there are some people in the field

1062  
00:50:03,580 --> 00:50:00,710  
namely Alejandro Rojas and Shane Hurd

1063  
00:50:06,100 --> 00:50:03,590

who obviously don't agree with that

1064

00:50:07,990 --> 00:50:06,110

characterization at all there are

1065

00:50:09,820 --> 00:50:08,000

they're quite that even now even more

1066

00:50:12,880 --> 00:50:09,830

negative than I am under a toady so that

1067

00:50:14,710 --> 00:50:12,890

Rick Rick Doty does have some haters out

1068

00:50:17,620 --> 00:50:14,720

there there's no question about that but

1069

00:50:20,920 --> 00:50:17,630

I do mention that in passing and yeah

1070

00:50:22,510 --> 00:50:20,930

this is the kind of thing that well if

1071

00:50:25,330 --> 00:50:22,520

you ever would get the chance to watch

1072

00:50:26,950 --> 00:50:25,340

the movie documentary Mirage men you

1073

00:50:28,870 --> 00:50:26,960

might want to take a look at it and I

1074

00:50:32,220 --> 00:50:28,880

also know we've talked about that this

1075

00:50:35,980 --> 00:50:32,230

at at some length on the show Dodi's

1076  
00:50:40,480 --> 00:50:35,990  
mentioned during the TTS a unidentified

1077  
00:50:43,120 --> 00:50:40,490  
series Lou Elizondo couldn't have been I

1078  
00:50:45,490 --> 00:50:43,130  
think more vociferous and his

1079  
00:50:47,560 --> 00:50:45,500  
condemnation of Dodi basically coming

1080  
00:50:50,740 --> 00:50:47,570  
out and saying I'm not Rick Doty and it

1081  
00:50:52,300 --> 00:50:50,750  
does seem that that has Dodi gets that

1082  
00:50:54,820 --> 00:50:52,310  
reaction from some people who were

1083  
00:50:58,120 --> 00:50:54,830  
definitely insiders in the field because

1084  
00:51:02,110 --> 00:50:58,130  
I do note that someone was comparing Ron

1085  
00:51:04,330 --> 00:51:02,120  
Pandolfi basically held the the the same

1086  
00:51:06,250 --> 00:51:04,340  
s spot in the CIA that kid green did

1087  
00:51:08,710 --> 00:51:06,260  
after green moved along that he took

1088  
00:51:10,420 --> 00:51:08,720

over that spot and that that kind of

1089

00:51:13,480 --> 00:51:10,430

drew him out of the woodwork he didn't

1090

00:51:16,330 --> 00:51:13,490

take too kindly to that and definitely

1091

00:51:17,980 --> 00:51:16,340

Dodi's not a popular guy another thing I

1092

00:51:20,590 --> 00:51:17,990

note regarding Dodi is that Grant

1093

00:51:22,210 --> 00:51:20,600

Cameron is written that he has spoken

1094

00:51:26,380 --> 00:51:22,220

recently to Dodi and found it very

1095

00:51:30,340 --> 00:51:26,390

enlightening which I find you know an

1096

00:51:33,580 --> 00:51:30,350

unfortunate thing to say okay what I'm

1097

00:51:37,600 --> 00:51:33,590

gonna do right now is I'm gonna drop the

1098

00:51:39,430 --> 00:51:37,610

link to the smoking gun document right

1099

00:51:41,470 --> 00:51:39,440

there so everybody can actually see it

1100

00:51:43,990 --> 00:51:41,480

because you know one thing and I'm gonna

1101  
00:51:46,330 --> 00:51:44,000  
drop the link to the alien autopsy memo

1102  
00:51:48,220 --> 00:51:46,340  
also in this talk because one thing I

1103  
00:51:50,530 --> 00:51:48,230  
have noticed that podcasters have not

1104  
00:51:52,180 --> 00:51:50,540  
done I'm not sure if we're guilty of

1105  
00:51:54,220 --> 00:51:52,190  
this I have to check to see if we have

1106  
00:51:56,320 --> 00:51:54,230  
included this information other podcasts

1107  
00:51:57,940 --> 00:51:56,330  
if not I apologize for not having done

1108  
00:52:01,240 --> 00:51:57,950  
that but I don't think that we have

1109  
00:52:02,600 --> 00:52:01,250  
shared this link these links enough with

1110  
00:52:04,580 --> 00:52:02,610  
the public so

1111  
00:52:06,710 --> 00:52:04,590  
they can understand what the hell we're

1112  
00:52:08,840 --> 00:52:06,720  
talking about you know they should at

1113  
00:52:10,280 --> 00:52:08,850

least be able to actually go and look at

1114

00:52:16,010 --> 00:52:10,290

these documents whether they think

1115

00:52:18,140 --> 00:52:16,020

they're real or faked right so but still

1116

00:52:22,940 --> 00:52:18,150

it's still important to share something

1117

00:52:26,390 --> 00:52:22,950

like that so I just shared in the chat

1118

00:52:29,180 --> 00:52:26,400

room for our podcast the link to the

1119

00:52:33,740 --> 00:52:29,190

smoking gun doc which is also known as a

1120

00:52:34,460 --> 00:52:33,750

document of the century and the course

1121

00:52:42,800 --> 00:52:34,470

secrets

1122

00:52:45,020 --> 00:52:42,810

wanted to do is yes that is what that is

1123

00:52:48,740 --> 00:52:45,030

let me go ahead and just one moment let

1124

00:52:55,880 --> 00:52:48,750

me go ahead and state that that hold on

1125

00:53:00,470 --> 00:52:55,890

that is the link to the smoking gun dog

1126  
00:53:03,170 --> 00:53:00,480  
just when do you have the week okay go

1127  
00:53:04,790 --> 00:53:03,180  
ahead and put down the link to the alien

1128  
00:53:07,610 --> 00:53:04,800  
autopsy memo that's what it was that you

1129  
00:53:09,770 --> 00:53:07,620  
just shared no actually it is not this

1130  
00:53:13,100 --> 00:53:09,780  
is actually what I just shared the web

1131  
00:53:16,910 --> 00:53:13,110  
archive.org that is a link to an article

1132  
00:53:20,120 --> 00:53:16,920  
from a james defense which covers in

1133  
00:53:24,590 --> 00:53:20,130  
some detail how special access programs

1134  
00:53:26,390 --> 00:53:24,600  
operate which okay basically what greer

1135  
00:53:29,080 --> 00:53:26,400  
and Mitchell and Wilson and Miller we're

1136  
00:53:33,590 --> 00:53:29,090  
talking about okay and do you have that

1137  
00:53:39,290 --> 00:53:33,600  
smoke the alien autopsy link because if

1138  
00:53:41,090 --> 00:53:39,300

do you have that or not okay find it if

1139

00:53:42,980 --> 00:53:41,100

you can't I know I have that somewhere

1140

00:53:44,960 --> 00:53:42,990

while you're looking for that what I was

1141

00:53:47,840 --> 00:53:44,970

going to do is read something that I

1142

00:53:50,750 --> 00:53:47,850

have never read before and it is an

1143

00:53:53,150 --> 00:53:50,760

astounding interview that I did with

1144

00:53:56,990 --> 00:53:53,160

commander Willard Miller that I have not

1145

00:54:01,190 --> 00:53:57,000

published yet and this is what he said

1146

00:54:04,820 --> 00:54:01,200

when I talked to him recently I asked

1147

00:54:07,040 --> 00:54:04,830

him which portions of this purported

1148

00:54:09,020 --> 00:54:07,050

letter attributed to yourself is

1149

00:54:11,540 --> 00:54:09,030

something that you may have written or

1150

00:54:14,960 --> 00:54:11,550

potentially discussed with dr. Eric

1151

00:54:16,430 --> 00:54:14,970

Davis he says he does not recall ever

1152

00:54:20,359 --> 00:54:16,440

talking

1153

00:54:22,640 --> 00:54:20,369

- Eric Davis about anything were you

1154

00:54:24,890 --> 00:54:22,650

ever interested in finding out about the

1155

00:54:26,569 --> 00:54:24,900

noted pepper spray manufacturing company

1156

00:54:29,329 --> 00:54:26,579

mentioned in the correspondence or do

1157

00:54:30,130 --> 00:54:29,339

you recall knowing of its officer mr.

1158

00:54:33,980 --> 00:54:30,140

zucchero

1159

00:54:35,750 --> 00:54:33,990

his answer is he knew joe zucrow only in

1160

00:54:38,030 --> 00:54:35,760

the sense of the company and the company

1161

00:54:40,609 --> 00:54:38,040

when he was working in the non-lethal

1162

00:54:42,589 --> 00:54:40,619

weapons technology but he would never

1163

00:54:44,210 --> 00:54:42,599

put those two things together meaning he

1164

00:54:44,599 --> 00:54:44,220

would not put that paragraph in that

1165

00:54:47,210 --> 00:54:44,609

letter

1166

00:54:51,140 --> 00:54:47,220

either it was anomalous looking to him

1167

00:54:52,940 --> 00:54:51,150

and he also said the company went out of

1168

00:54:55,130 --> 00:54:52,950

business and he never found out anything

1169

00:54:58,339 --> 00:54:55,140

because again the company went out of

1170

00:55:03,290 --> 00:54:58,349

business now these these questions here

1171

00:55:07,099 --> 00:55:03,300

I believe were actually posed by Michael

1172

00:55:08,690 --> 00:55:07,109

Hall for me to ask commander Willard

1173

00:55:10,670 --> 00:55:08,700

Miller so it's important that people

1174

00:55:14,839 --> 00:55:10,680

understand that because what happened

1175

00:55:17,870 --> 00:55:14,849

was is after after a Michael Hall and us

1176

00:55:22,880 --> 00:55:17,880

you and I had an interview with Michael

1177

00:55:24,319 --> 00:55:22,890

this year on this topic I asked him what

1178

00:55:25,339 --> 00:55:24,329

would you like me to ask commander

1179

00:55:27,319 --> 00:55:25,349

Willard Miller because I knew I was

1180

00:55:30,349 --> 00:55:27,329

going to talk to him again and he sent

1181

00:55:32,750 --> 00:55:30,359

me a series of questions had to ask him

1182

00:55:35,240 --> 00:55:32,760

and so I asked he's on Michaels behalf

1183

00:55:38,260 --> 00:55:35,250

and then I also asked other questions of

1184

00:55:40,819 --> 00:55:38,270

my own of commander Miller

1185

00:55:42,109 --> 00:55:40,829

there was one quote from commander

1186

00:55:43,790 --> 00:55:42,119

Miller that you had passed on to me I

1187

00:55:46,579 --> 00:55:43,800

actually turned it into a graphic which

1188

00:55:48,740 --> 00:55:46,589

I've got up now but we got really quick

1189

00:55:50,569 --> 00:55:48,750

what is also strange to me knowing how

1190

00:55:52,730 --> 00:55:50,579

very much averse Admiral Wilson is to

1191

00:55:54,290 --> 00:55:52,740

this subject meeting UFOs that he would

1192

00:55:56,540 --> 00:55:54,300

have met with Erik Davis and that

1193

00:55:57,740 --> 00:55:56,550

divulged this much information so I

1194

00:56:00,440 --> 00:55:57,750

thought that was an interesting quote as

1195

00:56:04,370 --> 00:56:00,450

well yes that is absolutely

1196

00:56:06,020 --> 00:56:04,380

now the next question is did you know or

1197

00:56:08,470 --> 00:56:06,030

attend the proposed meeting mentioned

1198

00:56:12,130 --> 00:56:08,480

with the force model of the universe

1199

00:56:15,260 --> 00:56:12,140

levitation teleportation and time-travel

1200

00:56:19,010 --> 00:56:15,270

scientist mr. Beckwith mentioned at the

1201  
00:56:22,430 --> 00:56:19,020  
beginning of the letter his answer he

1202  
00:56:24,800 --> 00:56:22,440  
did meet with with mister with Bob

1203  
00:56:27,200 --> 00:56:24,810  
Beckwith but only mainly to get a tour

1204  
00:56:29,839 --> 00:56:27,210  
of the high magnetic field facility near

1205  
00:56:30,260 --> 00:56:29,849  
Tallahassee Florida he was a good friend

1206  
00:56:33,440 --> 00:56:30,270  
of his

1207  
00:56:36,230 --> 00:56:33,450  
he was a good man he had first-hand data

1208  
00:56:38,330 --> 00:56:36,240  
on the Philadelphia Experiment and then

1209  
00:56:40,460 --> 00:56:38,340  
so I went ahead and asked Miller to

1210  
00:56:44,450 --> 00:56:40,470  
expound upon this I believe regarding

1211  
00:56:47,660 --> 00:56:44,460  
this topic and Commander Miller said

1212  
00:56:49,640 --> 00:56:47,670  
purportedly it was the u.s. Eldridge but

1213  
00:56:52,610 --> 00:56:49,650

Bob said it had nothing to do with that

1214

00:56:55,250 --> 00:56:52,620

ship it had to do with the vessel and he

1215

00:56:57,140 --> 00:56:55,260

has a picture of it and after he found

1216

00:56:59,180 --> 00:56:57,150

that pic he had it framed for him I

1217

00:57:00,980 --> 00:56:59,190

believe by the way just so everybody

1218

00:57:02,960 --> 00:57:00,990

knows and that commander Miller is

1219

00:57:06,410 --> 00:57:02,970

saying that he had this picture framed

1220

00:57:09,290 --> 00:57:06,420

for Bob Beckwith then Miller says it

1221

00:57:12,950 --> 00:57:09,300

goes on to say at that time Bob Beckwith

1222

00:57:15,590 --> 00:57:12,960

was working for GE he had he said

1223

00:57:17,870 --> 00:57:15,600

Tesla's name did come up but it was not

1224

00:57:19,550 --> 00:57:17,880

mentioned but only indirectly regarding

1225

00:57:21,980 --> 00:57:19,560

that experiment because I actually asked

1226  
00:57:24,470 --> 00:57:21,990  
about ask commander Miller about Tesla

1227  
00:57:26,390 --> 00:57:24,480  
now the next question

1228  
00:57:28,910 --> 00:57:26,400  
do you remember attending the original

1229  
00:57:31,630 --> 00:57:28,920  
Pentagon briefing with Admiral Wilson

1230  
00:57:34,730 --> 00:57:31,640  
dr. Steven Greer dr. Edgar Mitchell

1231  
00:57:37,370 --> 00:57:34,740  
yourself and others on or about April

1232  
00:57:41,810 --> 00:57:37,380  
9th 1997 now I want to share something

1233  
00:57:44,420 --> 00:57:41,820  
with the audience here you have no idea

1234  
00:57:47,450 --> 00:57:44,430  
how important this question is to some

1235  
00:57:51,170 --> 00:57:47,460  
researchers this is an iconic question

1236  
00:57:53,210 --> 00:57:51,180  
so to speak this question actually has

1237  
00:57:57,410 --> 00:57:53,220  
been addressed a few times in the UFO

1238  
00:58:00,830 --> 00:57:57,420

community by to a few people that are

1239

00:58:02,030 --> 00:58:00,840

absolutely legendary and their answers

1240

00:58:05,900 --> 00:58:02,040

have been amazing

1241

00:58:08,330 --> 00:58:05,910

now I pose this question that Michael

1242

00:58:10,580 --> 00:58:08,340

Hall asked me to ask commander Willard

1243

00:58:12,440 --> 00:58:10,590

Miller and I'll ask it again so you can

1244

00:58:15,170 --> 00:58:12,450

hear the answer that he gave

1245

00:58:17,750 --> 00:58:15,180

do you remember attending the original

1246

00:58:20,780 --> 00:58:17,760

Pentagon briefing meeting with Admiral

1247

00:58:23,540 --> 00:58:20,790

Wilson dr. Steven Greer dr. Edgar

1248

00:58:26,900 --> 00:58:23,550

Mitchell yourself and others honor about

1249

00:58:31,820 --> 00:58:26,910

April 9th 1997 what was discussed at

1250

00:58:34,160 --> 00:58:31,830

that meeting his answer oh yeah then I

1251  
00:58:36,620 --> 00:58:34,170  
said do you remember what was discussed

1252  
00:58:39,890 --> 00:58:36,630  
at that meeting I asked him again his

1253  
00:58:43,220 --> 00:58:39,900  
answer only vaguely but it was mainly us

1254  
00:58:43,849 --> 00:58:43,230  
providing info to Admiral Wilson not the

1255  
00:58:47,479 --> 00:58:43,859  
other way

1256  
00:58:50,239 --> 00:58:47,489  
around ya only the very most general

1257  
00:58:52,940 --> 00:58:50,249  
kind of thing it was really to provide

1258  
00:58:55,729 --> 00:58:52,950  
info on what is going on in the civilian

1259  
00:58:58,370 --> 00:58:55,739  
UFO investigation community worldwide

1260  
00:59:01,039 --> 00:58:58,380  
and that was basically the purpose of

1261  
00:59:03,019 --> 00:59:01,049  
the meeting and it was not to try to

1262  
00:59:05,779 --> 00:59:03,029  
ferret out information from the Pentagon

1263  
00:59:07,999 --> 00:59:05,789

or the government or him or anything

1264

00:59:10,069 --> 00:59:08,009

else it was basically providing

1265

00:59:11,450 --> 00:59:10,079

information and maybe asking the

1266

00:59:14,239 --> 00:59:11,460

question you know from his perspective

1267

00:59:15,499 --> 00:59:14,249

did the US government take this subject

1268

00:59:18,229 --> 00:59:15,509

seriously and worthy of further

1269

00:59:21,710 --> 00:59:18,239

investigation and there was as I recall

1270

00:59:23,660 --> 00:59:21,720

no positive answer on that either he

1271

00:59:26,059 --> 00:59:23,670

asked if I was familiar with former

1272

00:59:28,789 --> 00:59:26,069

Lockheed been rich regarding what he

1273

00:59:31,130 --> 00:59:28,799

okay so that was the end of that and

1274

00:59:32,989 --> 00:59:31,140

there was as I recall no positive answer

1275

00:59:34,579 --> 00:59:32,999

on that either now it's going to be

1276  
00:59:38,839 --> 00:59:34,589  
really interesting how the UFO community

1277  
00:59:41,720 --> 00:59:38,849  
reacts to that because that actually has

1278  
00:59:44,779 --> 00:59:41,730  
been asked I believe of dr. Steven

1279  
00:59:47,450 --> 00:59:44,789  
career and also Admiral Wilson so to

1280  
00:59:50,720 --> 00:59:47,460  
have commander Willard Miller fill in

1281  
00:59:52,759 --> 00:59:50,730  
the gap on what we wanted to hear from

1282  
00:59:55,339 --> 00:59:52,769  
him on that topic is really going to be

1283  
00:59:57,049 --> 00:59:55,349  
really interesting to see the reactions

1284  
01:00:00,019 --> 00:59:57,059  
from folks in the UFO community on that

1285  
01:00:01,609 --> 01:00:00,029  
now then

1286  
01:00:04,339 --> 01:00:01,619  
commander Willard Miller throughout our

1287  
01:00:07,249 --> 01:00:04,349  
discussion he asked if I was familiar

1288  
01:00:08,779 --> 01:00:07,259

with former Lockheed been ret regarding

1289

01:00:10,910 --> 01:00:08,789

what he has said in the past based on

1290

01:00:12,769 --> 01:00:10,920

the topic of you have followed she and

1291

01:00:14,539 --> 01:00:12,779

other things and that would lead into

1292

01:00:16,220 --> 01:00:14,549

believe that we have our own craft is

1293

01:00:18,829 --> 01:00:16,230

what he said that he believes we have

1294

01:00:22,130 --> 01:00:18,839

our own craft and that he would surmise

1295

01:00:23,720 --> 01:00:22,140

it was derived from et technology

1296

01:00:26,150 --> 01:00:23,730

because I asked him do you believe that

1297

01:00:27,950 --> 01:00:26,160

if since we do have our own craft was it

1298

01:00:30,440 --> 01:00:27,960

derived from et technology he said he

1299

01:00:32,359 --> 01:00:30,450

did believe that then he said his

1300

01:00:34,099 --> 01:00:32,369

question is why is there entire space

1301

01:00:36,890 --> 01:00:34,109

program based on a 3,000 year old

1302

01:00:39,920 --> 01:00:36,900

Chinese rocket technology if in fact we

1303

01:00:42,229 --> 01:00:39,930

do have anti-gravity band much better

1304

01:00:44,239 --> 01:00:42,239

non polluting ways to get around much

1305

01:00:49,339 --> 01:00:44,249

better and faster why the heck don't we

1306

01:00:51,319 --> 01:00:49,349

use it do we not use it and so that's an

1307

01:00:54,499 --> 01:00:51,329

interesting that he said that he also

1308

01:00:57,260 --> 01:00:54,509

said is that the April 25th because I

1309

01:00:59,630 --> 01:00:57,270

shared my screen with him on skype and

1310

01:01:01,700 --> 01:00:59,640

went over very carefully the smoking gun

1311

01:01:04,670 --> 01:01:01,710

document with him and multiple

1312

01:01:09,950 --> 01:01:04,680

interviews and he said that the April

1313

01:01:11,390 --> 01:01:09,960

25th 2002 date because I made note of

1314

01:01:15,050 --> 01:01:11,400

that with him I brought it to his

1315

01:01:18,020 --> 01:01:15,060

attention and he said the fact that that

1316

01:01:19,810 --> 01:01:18,030

date shows there and it shows there will

1317

01:01:22,910 --> 01:01:19,820

be a conference call in a paragraph

1318

01:01:25,160 --> 01:01:22,920

located in the letter that he allegedly

1319

01:01:27,770 --> 01:01:25,170

wrote which he he said he did not write

1320

01:01:31,940 --> 01:01:27,780

in that Eric Davis journal called The

1321

01:01:34,190 --> 01:01:31,950

Smoking Gun document that that April

1322

01:01:37,190 --> 01:01:34,200

25th 2002 shows up at the top of the

1323

01:01:38,690 --> 01:01:37,200

letter and then also shows in a

1324

01:01:40,820 --> 01:01:38,700

paragraph in the letter that there will

1325

01:01:42,770 --> 01:01:40,830

be a conference call on the 25th that

1326

01:01:44,930 --> 01:01:42,780

it's odd that it coincides with that

1327

01:01:47,690 --> 01:01:44,940

date he just he and I found that isn't a

1328

01:01:50,390 --> 01:01:47,700

strange that's just a strange situation

1329

01:01:52,460 --> 01:01:50,400

there in that letter and the address in

1330

01:01:54,320 --> 01:01:52,470

the city are not lined up correctly he

1331

01:01:56,300 --> 01:01:54,330

would not have a space in front of the

1332

01:01:58,760 --> 01:01:56,310

first paragraph of the first part of the

1333

01:02:01,790 --> 01:01:58,770

address the address also would be left

1334

01:02:03,770 --> 01:02:01,800

or right justified one or the other not

1335

01:02:06,590 --> 01:02:03,780

in the manner in which it is partially

1336

01:02:10,190 --> 01:02:06,600

underneath the Insignia he said which

1337

01:02:12,530 --> 01:02:10,200

was a poor form it was a bad copy that

1338

01:02:14,720 --> 01:02:12,540

insignia and that he is a type-a

1339

01:02:17,720 --> 01:02:14,730

personality and he does and he doesn't

1340

01:02:20,030 --> 01:02:17,730

like things that are askew and said he

1341

01:02:22,730 --> 01:02:20,040

did meet with Bob Beckwith as we said

1342

01:02:25,430 --> 01:02:22,740

earlier said the meeting was not about

1343

01:02:28,220 --> 01:02:25,440

what was allegedly stated in the letter

1344

01:02:30,620 --> 01:02:28,230

and he doesn't know how anyone got that

1345

01:02:33,050 --> 01:02:30,630

meeting information now it's interesting

1346

01:02:35,210 --> 01:02:33,060

that he said that because it's important

1347

01:02:39,910 --> 01:02:35,220

for everybody understand somebody

1348

01:02:43,400 --> 01:02:39,920

designed this letter they found out

1349

01:02:46,520 --> 01:02:43,410

oddly enough that commander Willard

1350

01:02:49,880 --> 01:02:46,530

Miller had a meeting with mr. Beckwith

1351

01:02:52,540 --> 01:02:49,890

and inserted that information in this

1352

01:02:55,940 --> 01:02:52,550

stitched together cut and paste letter

1353

01:02:57,830 --> 01:02:55,950

that was attributed to commander Willard

1354

01:03:02,030 --> 01:02:57,840

Miller as having written it when he did

1355

01:03:04,700 --> 01:03:02,040

not so we have a person who is actually

1356

01:03:07,880 --> 01:03:04,710

put together a fake letter to

1357

01:03:10,130 --> 01:03:07,890

disseminate disinformation now regarding

1358

01:03:10,940 --> 01:03:10,140

his signature he doesn't know if that's

1359

01:03:13,010 --> 01:03:10,950

his own signature

1360

01:03:16,030 --> 01:03:13,020

believe or not that's what he said so I

1361

01:03:18,680 --> 01:03:16,040

actually really pressed him on this and

1362

01:03:21,380 --> 01:03:18,690

he said his own signature has changed

1363

01:03:23,990 --> 01:03:21,390

over a period of time he said it's hard

1364

01:03:25,039 --> 01:03:24,000

to say meaning again when I when I asked

1365

01:03:27,799 --> 01:03:25,049

him are you sure that's not your

1366

01:03:30,980 --> 01:03:27,809

signature and we went over the looping

1367

01:03:33,049 --> 01:03:30,990

of it and the manner in which the

1368

01:03:34,880 --> 01:03:33,059

signature was shaped and he said he

1369

01:03:37,130 --> 01:03:34,890

cannot tell from that time frame whether

1370

01:03:39,020 --> 01:03:37,140

that was his signature or not he said

1371

01:03:41,780 --> 01:03:39,030

over a period of time again he repeated

1372

01:03:43,880 --> 01:03:41,790

that his signature has changed he said

1373

01:03:46,039 --> 01:03:43,890

he has lost a lot of files during that

1374

01:03:48,530 --> 01:03:46,049

period of time also and that he has

1375

01:03:51,650 --> 01:03:48,540

files on floppy disks and nothing to

1376

01:03:53,569 --> 01:03:51,660

read them with he said there are some

1377

01:03:56,089 --> 01:03:53,579

controversial claims about the nature of

1378

01:03:57,530 --> 01:03:56,099

that project which was the Philadelphia

1379

01:04:00,339 --> 01:03:57,540

Experiment because that was brought up

1380

01:04:05,569 --> 01:04:00,349

again later in the conversation and

1381

01:04:07,789 --> 01:04:05,579

anti-gravity technology basically well

1382

01:04:10,549 --> 01:04:07,799

we'll talk about that later but ok ok

1383

01:04:13,970 --> 01:04:10,559

any other thing you brought up a point

1384

01:04:15,819 --> 01:04:13,980

about that Beckwith meeting that yes and

1385

01:04:18,339 --> 01:04:15,829

also there was another thing that

1386

01:04:20,960 --> 01:04:18,349

clearly whoever put this stuff together

1387

01:04:24,579 --> 01:04:20,970

had some insider information knew some

1388

01:04:27,289 --> 01:04:24,589

stuff of because there is at length some

1389

01:04:30,049 --> 01:04:27,299

mentioning of the fact that the Las

1390

01:04:31,430 --> 01:04:30,059

Vegas chapter of a Pheo again the

1391

01:04:34,220 --> 01:04:31,440

association of former intelligence

1392

01:04:36,500 --> 01:04:34,230

officers was brand-new and that they

1393

01:04:38,960 --> 01:04:36,510

needed to get that off the ground and in

1394

01:04:41,930 --> 01:04:38,970

fact in September of that year when this

1395

01:04:45,020 --> 01:04:41,940

meeting between Davis and the Wilson is

1396

01:04:47,359 --> 01:04:45,030

purported to have taken place that the a

1397

01:04:49,370 --> 01:04:47,369

Pheo chapter that new chapter in Vegas

1398

01:04:52,160 --> 01:04:49,380

had their very first meeting and that is

1399

01:04:54,470 --> 01:04:52,170

available in the a Pheo newsletter at

1400

01:04:57,349 --> 01:04:54,480

their website on a PDF and if you look

1401

01:05:00,319 --> 01:04:57,359

in the very I've got that graphic a

1402

01:05:01,940 --> 01:05:00,329

screen grab from that newsletter and in

1403

01:05:04,880 --> 01:05:01,950

the lower right hand corner you'll see

1404

01:05:07,010 --> 01:05:04,890

in October the new FeO Las Vegas chapter

1405

01:05:07,370 --> 01:05:07,020

held its first meeting so there it is

1406

01:05:09,319 --> 01:05:07,380

right there

1407

01:05:11,210 --> 01:05:09,329

so somebody knew a lot of stuff to put

1408

01:05:15,770 --> 01:05:11,220

this together no question about it yeah

1409

01:05:18,049 --> 01:05:15,780

that this is that any this this was not

1410

01:05:19,220 --> 01:05:18,059

some sort of you know armchair effort

1411

01:05:21,650 --> 01:05:19,230

this is somebody who knows their stuff

1412

01:05:22,740 --> 01:05:21,660

and is definitely an insider or put this

1413

01:05:25,410 --> 01:05:22,750

together

1414

01:05:27,120 --> 01:05:25,420

okay you cut in and out right when I was

1415

01:05:30,599 --> 01:05:27,130

listening to see if you had actually

1416

01:05:34,140 --> 01:05:30,609

said about the research you wanted me to

1417

01:05:36,660 --> 01:05:34,150

do on a commander Willard Miller ever

1418

01:05:40,859 --> 01:05:36,670

having been in Las Vegas did you talk

1419

01:05:43,260 --> 01:05:40,869

about not mentioned that yet Wilson

1420

01:05:45,300 --> 01:05:43,270

Wilson that is the one thing that they

1421

01:05:46,920 --> 01:05:45,310

have had a couple months actually more

1422

01:05:49,320 --> 01:05:46,930

than a couple months to do some research

1423

01:05:51,839 --> 01:05:49,330

and see if they can actually place

1424

01:05:53,849 --> 01:05:51,849

Admiral Wilson in Las Vegas on the day

1425

01:05:56,010 --> 01:05:53,859

of the meeting of course we've got

1426

01:06:00,540 --> 01:05:56,020

someone from app go on the record as

1427

01:06:02,250 --> 01:06:00,550

saying that I'm a charter member of the

1428

01:06:04,470 --> 01:06:02,260

Las Vegas chapter of a few and I've

1429

01:06:06,210 --> 01:06:04,480

served as an officer continuously I can

1430

01:06:08,130 --> 01:06:06,220

state without equivocation that at no

1431

01:06:09,870 --> 01:06:08,140

time in any year do we have Admiral

1432

01:06:11,849 --> 01:06:09,880

Wilson as a speaker that he had any part

1433

01:06:15,150 --> 01:06:11,859

and starting with chapter is patently

1434

01:06:16,950 --> 01:06:15,160

false so actually when I started looking

1435

01:06:19,170 --> 01:06:16,960

at this I thought that it was probably a

1436

01:06:20,670 --> 01:06:19,180

better than 50/50 chance that Wilson

1437

01:06:22,890 --> 01:06:20,680

would have actually been in Vegas on

1438

01:06:25,470 --> 01:06:22,900

that particular date but at this point

1439

01:06:27,690 --> 01:06:25,480

in time they have not demonstrated at

1440

01:06:29,520 --> 01:06:27,700

all that he was anywhere near Las Vegas

1441

01:06:31,920 --> 01:06:29,530

on the particular date and of course if

1442

01:06:33,750 --> 01:06:31,930

he's not in Las Vegas on that particular

1443

01:06:35,250 --> 01:06:33,760

date I think was October 6 I'd have to

1444

01:06:37,680 --> 01:06:35,260

pull up the document when I believe it

1445

01:06:41,760 --> 01:06:37,690

was October 6 of that year 2002 as I

1446

01:06:43,380 --> 01:06:41,770

recall then the doc is a fake that

1447

01:06:45,450 --> 01:06:43,390

pretty much proves it if he was in

1448

01:06:46,920 --> 01:06:45,460

Cleveland or Columbus or Pittsburgh or

1449

01:06:49,079 --> 01:06:46,930

somewhere else somewhere other than

1450

01:06:50,849 --> 01:06:49,089

Vegas that that proves beyond any

1451

01:06:53,730 --> 01:06:50,859

question that these documents are

1452

01:06:56,400 --> 01:06:53,740

manufactured or at least the Wilson dock

1453

01:06:58,410 --> 01:06:56,410

is manufactured and plus we've got

1454

01:07:00,690 --> 01:06:58,420

commander Miller on the record about the

1455

01:07:05,540 --> 01:07:00,700

letter that's included in there and the

1456

01:07:08,700 --> 01:07:05,550

the curious cut and paste nature of the

1457

01:07:12,870 --> 01:07:08,710

alien autopsy emails and then sort of

1458

01:07:17,339 --> 01:07:12,880

like the nondescript nature of the the

1459

01:07:21,060 --> 01:07:17,349

letter from needs from Bigelow to Edgar

1460

01:07:23,370 --> 01:07:21,070

Mitchell so we've got we've got all that

1461

01:07:24,990 --> 01:07:23,380

and that that adds up to I think quite a

1462

01:07:31,230 --> 01:07:25,000

bit that that creates some real problems

1463

01:07:33,450 --> 01:07:31,240

for the pro dock people exactly so okay

1464

01:07:34,829 --> 01:07:33,460

so did you have any anything else that

1465

01:07:36,410 --> 01:07:34,839

she wanted to bring up I know I have a

1466

01:07:38,300 --> 01:07:36,420

few things that I wanted to bring up

1467

01:07:39,860 --> 01:07:38,310

yeah let me let me talk about some of

1468

01:07:42,200 --> 01:07:39,870

the things that that Gillan has talked

1469

01:07:44,480 --> 01:07:42,210

about that have not come to pass number

1470

01:07:46,190 --> 01:07:44,490

one calling this the leak of the century

1471

01:07:49,010 --> 01:07:46,200

that was obviously a little bit of

1472

01:07:50,900 --> 01:07:49,020

hyperbole but he also said that the news

1473

01:07:53,390 --> 01:07:50,910

media would be picking up on this and

1474

01:07:56,150 --> 01:07:53,400

that certainly has not happened in any

1475

01:07:57,980 --> 01:07:56,160

way shape or form the the news media is

1476

01:08:00,230 --> 01:07:57,990

covering a lot of things new news is

1477

01:08:02,510 --> 01:08:00,240

coming out of the day but this

1478

01:08:04,970 --> 01:08:02,520

particular story has not attracted their

1479

01:08:06,770 --> 01:08:04,980

attention in any way shape or form it

1480

01:08:08,960 --> 01:08:06,780

did back in the day when Billy Cox

1481

01:08:12,140 --> 01:08:08,970

followed up with Admiral Wilson himself

1482

01:08:13,880 --> 01:08:12,150

a number of years ago about this

1483

01:08:17,540 --> 01:08:13,890

particular meeting and then of course

1484

01:08:22,100 --> 01:08:17,550

Wilson had denied that much of anything

1485

01:08:26,330 --> 01:08:22,110

came of it just you know just as

1486

01:08:28,550 --> 01:08:26,340

commander Miller had said and that that

1487

01:08:30,410 --> 01:08:28,560

was kind of it and that was a decade ago

1488

01:08:33,440 --> 01:08:30,420

now I think maybe even more than a

1489

01:08:35,180 --> 01:08:33,450

decade and now we haven't seen the the

1490

01:08:37,250 --> 01:08:35,190

news media pick up on this but the

1491

01:08:38,990 --> 01:08:37,260

bottom line is this and I said this the

1492

01:08:40,460 --> 01:08:39,000

first night that we had Michael on you

1493

01:08:43,040 --> 01:08:40,470

have pretty much have to prove that

1494

01:08:44,900 --> 01:08:43,050

Admiral Wilson was in Vegas and they

1495

01:08:46,750 --> 01:08:44,910

haven't done that yet and I'm not sure

1496

01:08:49,670 --> 01:08:46,760

that that any effort is going into that

1497

01:08:51,470 --> 01:08:49,680

Thomas Wilson is a pretty common name so

1498

01:08:53,240 --> 01:08:51,480

he's not that easy a guy to find at

1499

01:08:54,800 --> 01:08:53,250

least he hasn't been for me yet I did

1500

01:08:58,430 --> 01:08:54,810

that put some effort into it earlier on

1501  
01:09:01,460 --> 01:08:58,440  
but not been able to track him down but

1502  
01:09:03,320 --> 01:09:01,470  
was he in Vegas on that day again when

1503  
01:09:04,580 --> 01:09:03,330  
this all started I thought that there

1504  
01:09:06,110 --> 01:09:04,590  
was a pretty good chance that he was

1505  
01:09:09,770 --> 01:09:06,120  
that these documents are that well

1506  
01:09:12,640 --> 01:09:09,780  
researched but you know after getting

1507  
01:09:15,440 --> 01:09:12,650  
this quote from the FeO officer and

1508  
01:09:16,400 --> 01:09:15,450  
reading the the periscope newsletter

1509  
01:09:19,370 --> 01:09:16,410  
from a Pio

1510  
01:09:21,209 --> 01:09:19,380  
I would say that is less likely the case

1511  
01:09:23,829 --> 01:09:21,219  
now

1512  
01:09:29,320 --> 01:09:23,839  
so I think that's that's about where

1513  
01:09:30,760 --> 01:09:29,330

that is all right yeah if you have any

1514

01:09:32,769 --> 01:09:30,770

more comments please do go ahead and

1515

01:09:34,959 --> 01:09:32,779

make them yeah I think I've covered all

1516

01:09:36,249 --> 01:09:34,969

the new stuff we keep hearing that more

1517

01:09:38,079 --> 01:09:36,259

stuff is going to come out but to be

1518

01:09:40,360 --> 01:09:38,089

honest with you nothing in the way of

1519

01:09:42,430 --> 01:09:40,370

evidence the evidence the new evidence

1520

01:09:44,769 --> 01:09:42,440

that's been ginned up by good bad

1521

01:09:46,269 --> 01:09:44,779

indifferent I mean stuff like Eric Davis

1522

01:09:48,340 --> 01:09:46,279

being a member of a PA I think that's

1523

01:09:51,880 --> 01:09:48,350

interesting the fact that the a Pheo

1524

01:09:53,530 --> 01:09:51,890

chapter is brand spanking new on the the

1525

01:09:55,060 --> 01:09:53,540

date that this meeting is purported to

1526

01:09:56,350 --> 01:09:55,070

take place that's something that you

1527

01:09:57,880 --> 01:09:56,360

know you would think that there they can

1528

01:09:59,229 --> 01:09:57,890

run with that they can take that and run

1529

01:10:01,419 --> 01:09:59,239

with that but they're not they're not

1530

01:10:04,209 --> 01:10:01,429

even going with that there's literally

1531

01:10:06,010 --> 01:10:04,219

no new evidence it's just this consensus

1532

01:10:07,840 --> 01:10:06,020

is built up that these documents come

1533

01:10:09,880 --> 01:10:07,850

from Edgar Mitchell well there's no

1534

01:10:11,800 --> 01:10:09,890

consensus there you know there's a

1535

01:10:14,140 --> 01:10:11,810

there's Dolan talking about it maybe a

1536

01:10:16,360 --> 01:10:14,150

couple other people grant I think is

1537

01:10:19,419 --> 01:10:16,370

mentioned it maybe as maybe as I can't

1538

01:10:21,820 --> 01:10:19,429

recall specifically but there's no proof

1539

01:10:24,760 --> 01:10:21,830

that this package of documents came from

1540

01:10:26,530 --> 01:10:24,770

your Mottola I mean it might have and

1541

01:10:28,930 --> 01:10:26,540

even if it did it still doesn't make the

1542

01:10:31,060 --> 01:10:28,940

documents true but again that's not a

1543

01:10:32,620 --> 01:10:31,070

consensus that's just a bunch of people

1544

01:10:34,959 --> 01:10:32,630

sitting around agreeing with each other

1545

01:10:40,240 --> 01:10:34,969

and just sort of investigating by

1546

01:10:41,620 --> 01:10:40,250

Proclamation okay yes and okay I'm glad

1547

01:10:44,430 --> 01:10:41,630

you said that because there's been a lot

1548

01:10:47,729 --> 01:10:44,440

of yes-men so to speak regarding

1549

01:10:51,880 --> 01:10:47,739

everybody there's a clique of people

1550

01:10:54,340 --> 01:10:51,890

that all run together and want to all

1551

01:10:57,910 --> 01:10:54,350

agree with each other which is how

1552

01:11:00,729 --> 01:10:57,920

they've come off to us about these two

1553

01:11:05,229 --> 01:11:00,739

alleged documents smoking gun and they a

1554

01:11:07,180 --> 01:11:05,239

a.m. and I find it interesting that they

1555

01:11:09,130 --> 01:11:07,190

would do that it's sort of a support

1556

01:11:12,430 --> 01:11:09,140

network for each other and you know

1557

01:11:14,350 --> 01:11:12,440

there's really no need to have you know

1558

01:11:16,900 --> 01:11:14,360

try and run with the popular crowd on

1559

01:11:19,240 --> 01:11:16,910

something like this because I would

1560

01:11:23,110 --> 01:11:19,250

rather not be in the popular crowd so to

1561

01:11:24,910 --> 01:11:23,120

speak or a clique of people where we're

1562

01:11:28,510 --> 01:11:24,920

acting like yes men to validate each

1563

01:11:30,939 --> 01:11:28,520

other and rely on evidence facts and

1564

01:11:33,400 --> 01:11:30,949

proof by the way proof is very elusive

1565

01:11:35,630 --> 01:11:33,410

it's very hard to get that and then

1566

01:11:39,870 --> 01:11:35,640

under

1567

01:11:42,209 --> 01:11:39,880

ourselves and go along with you know the

1568

01:11:44,160 --> 01:11:42,219

trendy thing to do or whatever it is

1569

01:11:46,110 --> 01:11:44,170

everybody trying to go along with each

1570

01:11:48,570 --> 01:11:46,120

other now wanted to bring up something

1571

01:11:51,149 --> 01:11:48,580

about Melinda Leslie and that is on our

1572

01:11:53,340 --> 01:11:51,159

show when we interviewed her the gist of

1573

01:11:56,580 --> 01:11:53,350

one of her main points about why we

1574

01:11:59,100 --> 01:11:56,590

believe need to believe her that the

1575

01:12:04,140 --> 01:11:59,110

smoking gun document is real in its

1576

01:12:10,140 --> 01:12:04,150

entirety is something that she had to

1577

01:12:15,090 --> 01:12:10,150

say and that was that no comment it

1578

01:12:17,610 --> 01:12:15,100

would be a breach of security regarding

1579

01:12:23,250 --> 01:12:17,620

anything that's classified

1580

01:12:25,410 --> 01:12:23,260

and I I basically I had I had a problem

1581

01:12:28,890 --> 01:12:25,420

with that because that makes no sense

1582

01:12:31,830 --> 01:12:28,900

and that is that a no comment would be a

1583

01:12:34,229 --> 01:12:31,840

breach of security well then all the

1584

01:12:38,910 --> 01:12:34,239

people I have interviewed regarding the

1585

01:12:41,399 --> 01:12:38,920

smoking gun and the aam who have been

1586

01:12:43,490 --> 01:12:41,409

under classified have had the

1587

01:12:46,350 --> 01:12:43,500

opportunity to be involved in classified

1588

01:12:48,510 --> 01:12:46,360

material or projects or whatever by

1589

01:12:50,850 --> 01:12:48,520

virtue of them talking to deny they've

1590

01:12:52,919 --> 01:12:50,860

been involved in any of this means that

1591

01:12:55,770 --> 01:12:52,929

they've already breached security now I

1592

01:12:59,610 --> 01:12:55,780

talked to John Alexander about this who

1593

01:13:01,350 --> 01:12:59,620

for well over three decades was involved

1594

01:13:03,709 --> 01:13:01,360

in the intelligence community he worked

1595

01:13:06,840 --> 01:13:03,719

for the Pentagon he said that that was

1596

01:13:12,479 --> 01:13:06,850

absolute absolutely not true

1597

01:13:15,209 --> 01:13:12,489

what Melinda Leslie was postulating said

1598

01:13:17,130 --> 01:13:15,219

it's actually factually incorrect yeah

1599

01:13:18,570 --> 01:13:17,140

because and we know this because Lou

1600

01:13:20,130 --> 01:13:18,580

Elizondo has been running around doing

1601  
01:13:23,310 --> 01:13:20,140  
interviews and there are things that he

1602  
01:13:25,020 --> 01:13:23,320  
can't talk about and because of because

1603  
01:13:26,610 --> 01:13:25,030  
of classification it's like if you ask

1604  
01:13:28,890 --> 01:13:26,620  
him a question you can't answer he's not

1605  
01:13:30,240 --> 01:13:28,900  
going to sit there and just like say

1606  
01:13:32,100 --> 01:13:30,250  
nothing you know I'll say you can't

1607  
01:13:34,020 --> 01:13:32,110  
answer it or no cutting no comments it's

1608  
01:13:35,669 --> 01:13:34,030  
the same thing I can't answer that or no

1609  
01:13:37,890 --> 01:13:35,679  
comment it's essentially the same answer

1610  
01:13:40,020 --> 01:13:37,900  
so of course the fact that he's doing

1611  
01:13:42,090 --> 01:13:40,030  
interviews and he might get asked the

1612  
01:13:45,120 --> 01:13:42,100  
question that he can't answer well you

1613  
01:13:46,360 --> 01:13:45,130

know he's going to say either no comment

1614

01:13:48,370 --> 01:13:46,370

or something to that effect

1615

01:13:51,310 --> 01:13:48,380

I can't answer that so of course we know

1616

01:13:54,460 --> 01:13:51,320

that that that's not accurate right so

1617

01:13:57,310 --> 01:13:54,470

what she said was if anything in the

1618

01:13:59,680 --> 01:13:57,320

document even if one sentence refers to

1619

01:14:02,110 --> 01:13:59,690

something classified we cannot comment

1620

01:14:05,410 --> 01:14:02,120

in any way on the whole entire document

1621

01:14:07,450 --> 01:14:05,420

if there's one sentence there we can't

1622

01:14:09,760 --> 01:14:07,460

comment on it that's what she said I'll

1623

01:14:12,400 --> 01:14:09,770

repeat it if anything in the document

1624

01:14:14,800 --> 01:14:12,410

even one sentence refers to something

1625

01:14:17,050 --> 01:14:14,810

classified we cannot comment in any way

1626

01:14:18,790 --> 01:14:17,060

on the whole entire document if there's

1627

01:14:22,750 --> 01:14:18,800

one sentence there we can't comment on

1628

01:14:25,960 --> 01:14:22,760

it and then I asked her this what about

1629

01:14:28,390 --> 01:14:25,970

what dr. Mitchell allegedly said in an

1630

01:14:30,370 --> 01:14:28,400

interview which I still have to confirm

1631

01:14:34,270 --> 01:14:30,380

whether that he really said this or not

1632

01:14:38,230 --> 01:14:34,280

and that is no comment would be a breach

1633

01:14:41,410 --> 01:14:38,240

of security and she said that that is

1634

01:14:44,470 --> 01:14:41,420

exactly what she was that that basically

1635

01:14:46,660 --> 01:14:44,480

is what she was saying and so I brought

1636

01:14:49,750 --> 01:14:46,670

that to attention of John Alexander

1637

01:14:51,730 --> 01:14:49,760

because she agreed with that and he knew

1638

01:14:54,610 --> 01:14:51,740

dr. Edgar Mitchell they were great

1639

01:14:57,340 --> 01:14:54,620

friends he told me he'd been to his

1640

01:14:59,710 --> 01:14:57,350

house numerous times and that they were

1641

01:15:04,900 --> 01:14:59,720

close friends and he said that is

1642

01:15:07,450 --> 01:15:04,910

absolutely not true what she is

1643

01:15:09,880 --> 01:15:07,460

postulating there and so it's important

1644

01:15:15,520 --> 01:15:09,890

that people understand that why the

1645

01:15:19,930 --> 01:15:15,530

reason why is because that kind of ill

1646

01:15:22,180 --> 01:15:19,940

logic or lack of logic does disallows

1647

01:15:24,670 --> 01:15:22,190

people from being able to accurately

1648

01:15:26,620 --> 01:15:24,680

deny that they've been allegedly

1649

01:15:29,860 --> 01:15:26,630

involved in something when they have not

1650

01:15:33,370 --> 01:15:29,870

and what she was doing throughout the

1651  
01:15:35,800 --> 01:15:33,380  
entire interview was stating that the

1652  
01:15:38,590 --> 01:15:35,810  
people in The Smoking Gun memo

1653  
01:15:40,540 --> 01:15:38,600  
were actually involved in it and I was

1654  
01:15:42,820 --> 01:15:40,550  
telling her they have the right to say

1655  
01:15:46,150 --> 01:15:42,830  
they were not if they were not involved

1656  
01:15:48,070 --> 01:15:46,160  
and nothing I said mattered she truly

1657  
01:15:51,010 --> 01:15:48,080  
believes that they were all involved in

1658  
01:15:55,240 --> 01:15:51,020  
this alleged document which is obviously

1659  
01:15:58,570 --> 01:15:55,250  
a stitched together ill designed hoax it

1660  
01:16:00,700 --> 01:15:58,580  
falls apart it has holes in it the

1661  
01:16:03,760 --> 01:16:00,710  
timeline of it is wrong

1662  
01:16:05,650 --> 01:16:03,770  
the design of the letter is incorrect

1663  
01:16:07,330 --> 01:16:05,660

according to the manner in which a

1664

01:16:09,790 --> 01:16:07,340

person would actually write a letter and

1665

01:16:12,700 --> 01:16:09,800

that is commander Willard Miller he does

1666

01:16:14,380 --> 01:16:12,710

not agree with how it was written at all

1667

01:16:17,500 --> 01:16:14,390

regarding how he would write a letter

1668

01:16:20,410 --> 01:16:17,510

and that he is a type-a personality he

1669

01:16:23,350 --> 01:16:20,420

would never make any of the novice level

1670

01:16:27,040 --> 01:16:23,360

mistakes that were made in that letter

1671

01:16:28,330 --> 01:16:27,050

and if you listen to one of our other

1672

01:16:32,560 --> 01:16:28,340

podcasts they think it's called

1673

01:16:34,000 --> 01:16:32,570

disinformation or along those lines I go

1674

01:16:36,070 --> 01:16:34,010

into great detail regarding what

1675

01:16:37,540 --> 01:16:36,080

commander Willard Miller said in that

1676

01:16:40,360 --> 01:16:37,550

first interview when I talked to him

1677

01:16:44,110 --> 01:16:40,370

about the smoking gun a memo a a smoking

1678

01:16:47,230 --> 01:16:44,120

gun document anyway go ahead Frank if

1679

01:16:48,700 --> 01:16:47,240

you feel like you need to yeah I think I

1680

01:16:52,030 --> 01:16:48,710

got everything out that I need to get

1681

01:16:53,710 --> 01:16:52,040

out just got asked a question in the

1682

01:16:55,180 --> 01:16:53,720

chat once the distractors are woken up

1683

01:16:58,570 --> 01:16:55,190

where should we be putting our attention

1684

01:17:00,700 --> 01:16:58,580

and I don't know just yet I think we're

1685

01:17:02,350 --> 01:17:00,710

we're in that kind of a weird moment

1686

01:17:04,570 --> 01:17:02,360

here where who knows what's going to

1687

01:17:07,030 --> 01:17:04,580

come up next I did hear some scuttlebutt

1688

01:17:09,160 --> 01:17:07,040

that maybe a study was in the offing we

1689

01:17:13,000 --> 01:17:09,170

didn't see anything specifically related

1690

01:17:14,410 --> 01:17:13,010

to a study per se but T GSA did put

1691

01:17:17,170 --> 01:17:14,420

something out about the meta materials

1692

01:17:18,430 --> 01:17:17,180

again so maybe something is coming up

1693

01:17:19,450 --> 01:17:18,440

down the road maybe they've got some

1694

01:17:21,190 --> 01:17:19,460

studies in and I have something

1695

01:17:22,780 --> 01:17:21,200

interesting so maybe there'll be

1696

01:17:26,370 --> 01:17:22,790

something with that not really sure

1697

01:17:29,410 --> 01:17:26,380

Congress I think with this letter from

1698

01:17:30,850 --> 01:17:29,420

representative Walker that came out was

1699

01:17:32,440 --> 01:17:30,860

an interesting guy and we'll be talking

1700

01:17:33,730 --> 01:17:32,450

a little bit more about him this coming

1701

01:17:36,790 --> 01:17:33,740

Tuesday night when we have Derrick

1702

01:17:38,650 --> 01:17:36,800

Gilbert on very interesting fellow had

1703

01:17:41,710 --> 01:17:38,660

recently written that letter to the

1704

01:17:43,360 --> 01:17:41,720

Secretary of the Navy asking about some

1705

01:17:45,370 --> 01:17:43,370

of the evidence and especially the

1706

01:17:49,660 --> 01:17:45,380

remote sensing data that they may have

1707

01:17:52,120 --> 01:17:49,670

picked up I think that that might bear

1708

01:17:54,370 --> 01:17:52,130

some fruit you never know we will see I

1709

01:17:56,740 --> 01:17:54,380

think we just kind of kind of read and

1710

01:17:58,900 --> 01:17:56,750

react and see what's coming up next I

1711

01:18:00,700 --> 01:17:58,910

think this is just about done they say

1712

01:18:03,160 --> 01:18:00,710

that they're doing more over on the pro

1713

01:18:04,330 --> 01:18:03,170

doc side but you know I haven't seen it

1714

01:18:05,980 --> 01:18:04,340

and they've had they've had a couple

1715

01:18:07,630 --> 01:18:05,990

months now and I haven't I haven't seen

1716

01:18:10,450 --> 01:18:07,640

anything literally I haven't seen a

1717

01:18:12,400 --> 01:18:10,460

single thing that is even interesting

1718

01:18:13,720 --> 01:18:12,410

that adds to it it's just a lot of

1719

01:18:15,010 --> 01:18:13,730

conversation and a lot

1720

01:18:16,690 --> 01:18:15,020

people agreeing with each other that's

1721

01:18:18,430 --> 01:18:16,700

when I see at the moment if they come up

1722

01:18:22,479 --> 01:18:18,440

with something great like I say I am

1723

01:18:24,550 --> 01:18:22,489

aware that there are some there is a

1724

01:18:27,370 --> 01:18:24,560

there are some folks that are looking

1725

01:18:30,970 --> 01:18:27,380

into sort of a the way the document is

1726

01:18:33,010 --> 01:18:30,980

presented that there's this the the

1727

01:18:36,060 --> 01:18:33,020

special access program that Wilson

1728

01:18:39,070 --> 01:18:36,070

allegedly followed up on and met with a

1729

01:18:40,630 --> 01:18:39,080

panel of people from the well from

1730

01:18:43,120 --> 01:18:40,640

Lockheed let's not kid ourselves here

1731

01:18:44,290 --> 01:18:43,130

that's that's who it's supposed to be

1732

01:18:45,910 --> 01:18:44,300

even though it's not specifically

1733

01:18:47,290 --> 01:18:45,920

mentioned and that there are they're

1734

01:18:49,420 --> 01:18:47,300

following out that there are some

1735

01:18:51,790 --> 01:18:49,430

individuals who kind of fit the profile

1736

01:18:54,070 --> 01:18:51,800

who had the high-ranking Pentagon

1737

01:18:56,740 --> 01:18:54,080

positions and then moved over into the

1738

01:18:57,970 --> 01:18:56,750

private sector and that's probably the

1739

01:18:59,860 --> 01:18:57,980

way you would do it if you were looking

1740

01:19:02,380 --> 01:18:59,870

to hide this stuff you're not gonna just

1741

01:19:03,670 --> 01:19:02,390

turn it over to a corporation you're

1742

01:19:05,650 --> 01:19:03,680

gonna make sure that you've got your

1743

01:19:07,120 --> 01:19:05,660

guys in there to kind of keep an eye on

1744

01:19:10,390 --> 01:19:07,130

things and Shepherd it over they're not

1745

01:19:13,300 --> 01:19:10,400

gonna keep it you want your guys keeping

1746

01:19:16,060 --> 01:19:13,310

an eye on the lock and key and that's

1747

01:19:17,710 --> 01:19:16,070

that that seems that pretty plausible so

1748

01:19:19,930 --> 01:19:17,720

hopefully we do get some more out of

1749

01:19:22,660 --> 01:19:19,940

this hopefully yeah some follow-up date

1750

01:19:25,420 --> 01:19:22,670

is being done and we will find out some

1751

01:19:28,350 --> 01:19:25,430

good stuff but as far as these documents

1752

01:19:31,540 --> 01:19:28,360

being legitimate in and of themselves I

1753

01:19:33,850 --> 01:19:31,550

think we pretty well destroyed that okay

1754

01:19:35,140 --> 01:19:33,860

now I'm in the beginning when we were

1755

01:19:37,530 --> 01:19:35,150

sort of interrupting each other which

1756

01:19:39,940 --> 01:19:37,540

were legendary for by the way people

1757

01:19:49,240 --> 01:19:39,950

it's so funny I've actually had people

1758

01:19:51,520 --> 01:19:49,250

just a that's normal just so everybody

1759

01:19:58,870 --> 01:19:51,530

knows we do argue all the time

1760

01:20:00,220 --> 01:19:58,880

all the time um yes right so anyway in

1761

01:20:01,900 --> 01:20:00,230

the beginning when we were interrupting

1762

01:20:04,510 --> 01:20:01,910

each other like crazy like you know like

1763

01:20:06,610 --> 01:20:04,520

we always do I actually lost my notes

1764

01:20:08,320 --> 01:20:06,620

because because I was I had a bunch of

1765

01:20:09,850 --> 01:20:08,330

interleaving documents in front of me

1766

01:20:11,680 --> 01:20:09,860

and I lost them so that's why I kind of

1767

01:20:13,540 --> 01:20:11,690

stuttered and it took me a while but I

1768

01:20:15,790 --> 01:20:13,550

this is what I had wanted to read it was

1769

01:20:18,790 --> 01:20:15,800

just a note I had on the rug a and that

1770

01:20:21,370 --> 01:20:18,800

is terms like rug a which is on page six

1771

01:20:24,160 --> 01:20:21,380

of the alien autopsy memo also known as

1772

01:20:27,100 --> 01:20:24,170

the aam are incorrect for describing

1773

01:20:27,459 --> 01:20:27,110

brain folds if that is what kit was

1774

01:20:28,959 --> 01:20:27,469

allege

1775

01:20:30,969 --> 01:20:28,969

Julie referencing since there's a

1776

01:20:33,069 --> 01:20:30,979

plethora of medical terms regarding

1777

01:20:36,549 --> 01:20:33,079

brain related terminology throughout the

1778

01:20:39,459 --> 01:20:36,559

aam that kit green is actually a

1779

01:20:42,969 --> 01:20:39,469

spouting off in that memo

1780

01:20:45,100 --> 01:20:42,979

allegedly now rug a are ridges and folds

1781

01:20:48,640 --> 01:20:45,110

found in the stomach digestive systems

1782

01:20:50,020 --> 01:20:48,650

that allow for expansion and I'm not

1783

01:20:52,660 --> 01:20:50,030

sure if I'm saying this right but the

1784

01:20:53,169 --> 01:20:52,670

gyrus I believe the succulence in on the

1785

01:20:55,330 --> 01:20:53,179

brain

1786

01:20:58,209 --> 01:20:55,340

dr. green would be more precise in this

1787

01:21:00,459 --> 01:20:58,219

he would not call a rug a the brain a

1788

01:21:04,750 --> 01:21:00,469

part of the brain when it's clearly not

1789

01:21:06,609 --> 01:21:04,760

so this is a problem I have also which I

1790

01:21:07,930 --> 01:21:06,619

you know I don't understand why people

1791

01:21:10,870 --> 01:21:07,940

aren't bringing this to kick greens

1792

01:21:14,759 --> 01:21:10,880

attention although I know that allegedly

1793

01:21:18,609 --> 01:21:14,769

he has reviewed the alien autopsy memo

1794

01:21:21,459 --> 01:21:18,619

with Richard Dolan so why would he have

1795

01:21:23,049 --> 01:21:21,469

not caught his own mistake and also why

1796

01:21:25,719 --> 01:21:23,059

would he have made that mistake

1797

01:21:30,819 --> 01:21:25,729

why would somebody at his level call

1798

01:21:32,739 --> 01:21:30,829

part of the brain the stomach also my

1799

01:21:38,620 --> 01:21:32,749

only speculation here is they just don't

1800

01:21:39,219 --> 01:21:38,630

want to go into a lot of detail on yes

1801

01:21:42,279 --> 01:21:39,229

they should

1802

01:21:45,520 --> 01:21:42,289

that is a glaring error and I can tell

1803

01:21:47,739 --> 01:21:45,530

you this any doctor out there that is a

1804

01:21:49,779 --> 01:21:47,749

doctor that has a specializes in the

1805

01:21:52,120 --> 01:21:49,789

brain if you were to read that another

1806

01:21:55,200 --> 01:21:52,130

doctor said that he would take exception

1807

01:21:59,500 --> 01:21:55,210

with that and that is clearly an issue

1808

01:22:02,919 --> 01:21:59,510

regarding a discrepancy and a whole it

1809

01:22:05,109 --> 01:22:02,929

only adds to it regarding the aam it is

1810

01:22:08,140 --> 01:22:05,119

part of the history of it so it's not

1811

01:22:12,819 --> 01:22:08,150

sort of it's not my - Frank it is a

1812

01:22:19,719 --> 01:22:12,829

problem the other thing is wanted to ask

1813

01:22:21,580 --> 01:22:19,729

you about is let's see I think did you

1814

01:22:24,000 --> 01:22:21,590

have any issues with the Singaporean

1815

01:22:26,709 --> 01:22:24,010

government model Lee Kuan Yew

1816

01:22:28,719 --> 01:22:26,719

meritocracy Plato Thomas Paine

1817

01:22:32,410 --> 01:22:28,729

Machiavelli Aristotle Jefferson

1818

01:22:34,479 --> 01:22:32,420

Roosevelt comment that kick Greene

1819

01:22:37,870 --> 01:22:34,489

allegedly went off on that was a really

1820

01:22:39,879 --> 01:22:37,880

strange part of this the series of

1821

01:22:41,380 --> 01:22:39,889

emails between people who were

1822

01:22:44,290 --> 01:22:41,390

colleagues with each other

1823

01:22:49,210 --> 01:22:44,300

how did you feel about that I did not

1824

01:22:52,030 --> 01:22:49,220

really dig on get on that yeah it's a

1825

01:22:54,610 --> 01:22:52,040

really odd rant by the way did you ever

1826

01:22:58,120 --> 01:22:54,620

find The Smoking Gun the alien autopsy

1827

01:23:01,810 --> 01:22:58,130

memo link I did not

1828

01:23:04,330 --> 01:23:01,820

okay alright now there's also a strange

1829

01:23:07,660 --> 01:23:04,340

style of military timestamp used in the

1830

01:23:10,120 --> 01:23:07,670

same header in the alien autopsy memo as

1831

01:23:13,540 --> 01:23:10,130

the one that also has another style of

1832

01:23:14,790 --> 01:23:13,550

am/pm stamp and that was a very strange

1833

01:23:18,250 --> 01:23:14,800

anomaly that needs further investigation

1834

01:23:20,530 --> 01:23:18,260

and regarding a paragraph on page 11

1835

01:23:22,810 --> 01:23:20,540

you'll I think that you'll see that

1836

01:23:25,360 --> 01:23:22,820

there's a strange anomalous reference

1837

01:23:28,690 --> 01:23:25,370

from how those peers requesting that

1838

01:23:30,730 --> 01:23:28,700

they read an alleged Zodiac group read

1839

01:23:33,160 --> 01:23:30,740

about an alleged OD AK group by a comic

1840

01:23:36,040 --> 01:23:33,170

book author with the pseudonym sledge

1841

01:23:37,870 --> 01:23:36,050

masters and I just found that's really

1842

01:23:40,570 --> 01:23:37,880

strange that he would write to his

1843

01:23:42,460 --> 01:23:40,580

colleagues about that I see this is a

1844

01:23:44,470 --> 01:23:42,470

thing I myself would love the

1845

01:23:47,200 --> 01:23:44,480

opportunity to speak to speak to kit

1846

01:23:50,200 --> 01:23:47,210

green and really ask him about things

1847

01:23:55,210 --> 01:23:50,210

that you and I dissected regarding this

1848

01:23:58,330 --> 01:23:55,220

odd memo that's being claimed as real

1849

01:24:01,060 --> 01:23:58,340

but by a lot of people and nobody is

1850

01:24:06,340 --> 01:24:01,070

asking him these questions I'd like to

1851

01:24:07,690 --> 01:24:06,350

know why they're not also let's see if

1852

01:24:11,310 --> 01:24:07,700

there's anything else I can bring up

1853

01:24:15,280 --> 01:24:11,320

here I wanted to know

1854

01:24:18,850 --> 01:24:15,290

let's see you already went over the

1855

01:24:22,690 --> 01:24:18,860

knids Bigelow thing and right and too

1856

01:24:25,810 --> 01:24:22,700

much on that like I said it's also true

1857

01:24:29,260 --> 01:24:25,820

to say that that cannot be verified

1858

01:24:32,260 --> 01:24:29,270

along with the aam and the SG there is

1859

01:24:34,600 --> 01:24:32,270

no provenance that proves that that

1860

01:24:36,160 --> 01:24:34,610

Ned's Bigelow that when we say Ned's by

1861

01:24:40,440 --> 01:24:36,170

the way we're talking about an acronym

1862

01:24:45,130 --> 01:24:40,450

and I Institute of discovery science

1863

01:24:49,680 --> 01:24:45,140

Bigelow's right which which actually in

1864

01:24:52,630 --> 01:24:49,690

1995 with John Alexander and Eric Davis

1865

01:24:54,370 --> 01:24:52,640

went to skinwalker ranch just so

1866

01:24:54,910 --> 01:24:54,380

everybody knows what you know a little

1867

01:24:58,090 --> 01:24:54,920

bit of history

1868

01:25:00,820 --> 01:24:58,100

behind it sir and anyway that needs

1869

01:25:02,980 --> 01:25:00,830

slash bigelow document that grant

1870

01:25:05,970 --> 01:25:02,990

Cameron put forward for everybody to be

1871

01:25:08,380 --> 01:25:05,980

able to scrutinize and look look over in

1872

01:25:13,660 --> 01:25:08,390

conjunction with the smoking gun

1873

01:25:16,180 --> 01:25:13,670

document that cannot be proven actually

1874

01:25:19,240 --> 01:25:16,190

came out of the estate of Edgar Mitchell

1875

01:25:21,430 --> 01:25:19,250

now can also not be proven despite the

1876

01:25:24,550 --> 01:25:21,440

fact that James Rick knee claims to have

1877

01:25:27,460 --> 01:25:24,560

given and grant Cameron agrees with us

1878

01:25:30,340 --> 01:25:27,470

I believe that James Rigney gave the

1879

01:25:33,310 --> 01:25:30,350

smoking gun document to grant Cameron

1880

01:25:36,340 --> 01:25:33,320

that it can also not be proven that came

1881

01:25:40,780 --> 01:25:36,350

out of the estate or files of Edgar

1882

01:25:43,900 --> 01:25:40,790

Mitchell yeah let me let me jump in Rick

1883

01:25:46,810 --> 01:25:43,910

yes James has said that that the

1884

01:25:50,140 --> 01:25:46,820

documents were given to him by someone

1885

01:25:51,790 --> 01:25:50,150

from the aerospace industry so that's

1886

01:25:53,560 --> 01:25:51,800

that's all we've gotten from him that's

1887

01:25:55,330 --> 01:25:53,570

how he's gotten it he didn't get it or

1888

01:25:57,550 --> 01:25:55,340

he has not said that he's gotten it

1889

01:25:59,170 --> 01:25:57,560

directly from the Mitchell estate or

1890

01:26:02,320 --> 01:25:59,180

anything along those lines he was given

1891

01:26:04,800 --> 01:26:02,330

it by given the documents by someone in

1892

01:26:09,010 --> 01:26:04,810

the aerospace industry so there's that

1893

01:26:10,600 --> 01:26:09,020

right so anytime there's any time

1894

01:26:12,310 --> 01:26:10,610

there's a hoax that's created one can

1895

01:26:14,950 --> 01:26:12,320

expect a cover-up in tandem with that

1896

01:26:17,110 --> 01:26:14,960

hoax someone planted these hoaxed

1897

01:26:18,760 --> 01:26:17,120

documents and I'm talking about the aam

1898

01:26:20,920 --> 01:26:18,770

and the SG into the worldwide community

1899

01:26:23,470 --> 01:26:20,930

a superficial case with the false

1900

01:26:25,630 --> 01:26:23,480

narrative by a few high-profile people

1901  
01:26:27,310 --> 01:26:25,640  
in the UFO community has been created

1902  
01:26:29,680 --> 01:26:27,320  
either in an unintentional or

1903  
01:26:31,870 --> 01:26:29,690  
intentional manner no court of law would

1904  
01:26:34,450 --> 01:26:31,880  
ever accept these alleged docs as real

1905  
01:26:37,060 --> 01:26:34,460  
evidence facts or proof into evidence to

1906  
01:26:40,420 --> 01:26:37,070  
be relied upon to use to support or

1907  
01:26:42,310 --> 01:26:40,430  
prove a case as true the correct answers

1908  
01:26:45,880 --> 01:26:42,320  
here regarding these alleged docs are

1909  
01:26:48,070 --> 01:26:45,890  
these things one we do not know the real

1910  
01:26:50,920 --> 01:26:48,080  
source of these alleged docs meaning who

1911  
01:26:52,510 --> 01:26:50,930  
actually designed them to the amount a

1912  
01:26:56,140 --> 01:26:52,520  
true material in these docs is both

1913  
01:26:58,270 --> 01:26:56,150

unknown and low so far regarding what

1914

01:27:00,700 --> 01:26:58,280

can be measured as true there can be

1915

01:27:03,370 --> 01:27:00,710

more there can be more said that is

1916

01:27:05,890 --> 01:27:03,380

false than true also regarding the aam

1917

01:27:07,690 --> 01:27:05,900

and the SG one cannot be conspiracy

1918

01:27:07,990 --> 01:27:07,700

theorists and have their cake and eat it

1919

01:27:08,770 --> 01:27:08,000

too

1920

01:27:11,529 --> 01:27:08,780

you can

1921

01:27:14,680 --> 01:27:11,539

complaining can claim a conspiracy like

1922

01:27:16,990 --> 01:27:14,690

went melinda Leslie postulated and then

1923

01:27:19,029 --> 01:27:17,000

claimed that hypothesis as correct

1924

01:27:21,490 --> 01:27:19,039

according to the standards of evidence

1925

01:27:24,129 --> 01:27:21,500

facts and proof it's not even possible

1926

01:27:26,649 --> 01:27:24,139

to do that what we have come to expect

1927

01:27:30,490 --> 01:27:26,659

from people pushing the aam and SG as

1928

01:27:32,799 --> 01:27:30,500

real is providing a pseudo evidence and

1929

01:27:39,040 --> 01:27:32,809

so-called proof and let others ask

1930

01:27:40,810 --> 01:27:39,050

questions later the aam was and SG they

1931

01:27:42,609 --> 01:27:40,820

were designed as a game to destroy

1932

01:27:44,680 --> 01:27:42,619

friendships to create circular

1933

01:27:48,819 --> 01:27:44,690

discussions and to disseminate

1934

01:27:53,370 --> 01:27:48,829

disinformation in this sense these false

1935

01:27:59,319 --> 01:27:56,709

now we'll see I mean the best-case

1936

01:28:02,470 --> 01:27:59,329

scenario is that it does provide some

1937

01:28:05,680 --> 01:28:02,480

leads ok break you just said we'll see

1938

01:28:09,069 --> 01:28:05,690

we just did these are not real no no

1939

01:28:12,660 --> 01:28:09,079

yeah Ill was strongly suspicious of them

1940

01:28:15,790 --> 01:28:12,670

before they even came out but I do know

1941

01:28:18,040 --> 01:28:15,800

from my own experience that sometimes

1942

01:28:20,529 --> 01:28:18,050

this type of information can provide

1943

01:28:23,740 --> 01:28:20,539

leads that the this UFO research stuff

1944

01:28:26,589 --> 01:28:23,750

is it kind of a assload I'm game that

1945

01:28:28,720 --> 01:28:26,599

this meeting with Wilson and Greer and

1946

01:28:29,229 --> 01:28:28,730

Mitchell and Miller happened 20 years

1947

01:28:32,260 --> 01:28:29,239

ago

1948

01:28:33,459 --> 01:28:32,270

and you never know you follow up with

1949

01:28:34,779 --> 01:28:33,469

some of these people you don't know what

1950

01:28:37,899 --> 01:28:34,789

they're gonna say 20 years after the

1951

01:28:39,700 --> 01:28:37,909

fact that maybe somebody's willing to

1952

01:28:41,649 --> 01:28:39,710

say well yeah there's a little bit more

1953

01:28:43,779 --> 01:28:41,659

to that that maybe yeah there is a

1954

01:28:46,390 --> 01:28:43,789

little bit of truth in there when you go

1955

01:28:49,810 --> 01:28:46,400

back over time or you just get a lead

1956

01:28:51,339 --> 01:28:49,820

you get names cobbles together that day

1957

01:28:53,220 --> 01:28:51,349

you hadn't thought about before like

1958

01:28:57,010 --> 01:28:53,230

some of the other names that were

1959

01:28:59,410 --> 01:28:57,020

mentioned in the the the the smoking gun

1960

01:29:01,689 --> 01:28:59,420

document now let's see there was let me

1961

01:29:04,390 --> 01:29:01,699

let me pull up some of those names here

1962

01:29:06,430 --> 01:29:04,400

there was a general hall I believe that

1963

01:29:08,379 --> 01:29:06,440

was mentioned there was a general Castel

1964

01:29:11,350 --> 01:29:08,389

neck I believe who was mentioned there

1965

01:29:14,109 --> 01:29:11,360

was a gansler who was mentioned and they

1966

01:29:15,879 --> 01:29:14,119

are also mentioned in that well a couple

1967

01:29:18,910 --> 01:29:15,889

of them anyway i gansler was mentioned

1968

01:29:20,939 --> 01:29:18,920

and I believe the man's name is Hall but

1969

01:29:24,570 --> 01:29:20,949

let me double-check on that and

1970

01:29:25,740 --> 01:29:24,580

Oh general Ward I'm sorry yeah okay I'm

1971

01:29:27,120 --> 01:29:25,750

thinking of Michael Hall I'm getting all

1972

01:29:29,459 --> 01:29:27,130

confused here my old age

1973

01:29:31,919 --> 01:29:29,469

general Marshall Hall who is I mentioned

1974

01:29:33,600 --> 01:29:31,929

in this genes I'm gonna post this link

1975

01:29:35,400 --> 01:29:33,610

again because it's a good article well

1976

01:29:37,350 --> 01:29:35,410

his name is mentioned and also mentioned

1977

01:29:39,810 --> 01:29:37,360

in the smoking gun doc there are leads

1978

01:29:41,939 --> 01:29:39,820

in there this is something the this

1979

01:29:42,959 --> 01:29:41,949

entire meeting was something that I can

1980

01:29:45,240 --> 01:29:42,969

remember

1981

01:29:47,400 --> 01:29:45,250

Edgar Mitchell talking about sort of

1982

01:29:49,500 --> 01:29:47,410

vaguely I know he was talking about it

1983

01:29:52,380 --> 01:29:49,510

now I didn't realize it at the time when

1984

01:29:54,600 --> 01:29:52,390

this discussion was really hot initially

1985

01:29:56,760 --> 01:29:54,610

was like a year before I got seriously

1986

01:29:59,130 --> 01:29:56,770

into it and I do remember him discussing

1987

01:30:00,959 --> 01:29:59,140

it it sort of vaguely in broad general

1988

01:30:02,340 --> 01:30:00,969

terms after the fact that interviews

1989

01:30:05,070 --> 01:30:02,350

because any time there was an Edgar

1990

01:30:06,750 --> 01:30:05,080

Mitchell interview I obviously listen so

1991

01:30:08,459 --> 01:30:06,760

I do remember it but you know this is

1992

01:30:10,200 --> 01:30:08,469

something that hey maybe it's maybe it's

1993

01:30:11,610 --> 01:30:10,210

time to go back and take a look at that

1994

01:30:14,310 --> 01:30:11,620

meeting and take a look at some of these

1995

01:30:16,680 --> 01:30:14,320

names of people who had key positions

1996

01:30:18,780 --> 01:30:16,690

back in those days like dr. Jacques

1997

01:30:22,470 --> 01:30:18,790

ganzel or like Major General Marshall H

1998

01:30:25,260 --> 01:30:22,480

award and go back and see if maybe it's

1999

01:30:27,000 --> 01:30:25,270

time maybe some new information can come

2000

01:30:30,209 --> 01:30:27,010

out about this stuff that is the best

2001

01:30:33,900 --> 01:30:30,219

case scenario that I see now but the

2002

01:30:36,840 --> 01:30:33,910

worst case scenario is just for you know

2003

01:30:38,459 --> 01:30:36,850

the high profile researchers to continue

2004

01:30:41,520 --> 01:30:38,469

to run around and present these

2005

01:30:45,630 --> 01:30:41,530

documents as literal documents as

2006

01:30:50,760 --> 01:30:45,640

literal fact when they really just are

2007

01:30:52,620 --> 01:30:50,770

not providing anything to make that case

2008

01:30:53,669 --> 01:30:52,630

I mean there's no case there they don't

2009

01:30:56,520 --> 01:30:53,679

have a leg to stand on

2010

01:30:58,260 --> 01:30:56,530

and I did put a link again to that

2011

01:30:59,910 --> 01:30:58,270

article in James it's a good article I

2012

01:31:03,300 --> 01:30:59,920

suggest that everybody at least take a

2013

01:31:06,840 --> 01:31:03,310

look at it webbed archive.org web and

2014

01:31:08,820 --> 01:31:06,850

then another - and forward slash 2009

2015

01:31:10,770 --> 01:31:08,830

it's a good article it dropped some

2016

01:31:13,470 --> 01:31:10,780

names and again those are some of the

2017

01:31:15,689 --> 01:31:13,480

names that are turning up in this in

2018

01:31:17,610 --> 01:31:15,699

this smoking gun doc like I say it's

2019

01:31:18,959 --> 01:31:17,620

it's researched I mean who knows maybe

2020

01:31:22,470 --> 01:31:18,969

the person who put this together

2021

01:31:24,240 --> 01:31:22,480

read this Jane's defense and read the

2022

01:31:26,640 --> 01:31:24,250

periscope and I was able to cobble it

2023

01:31:28,380 --> 01:31:26,650

together from the armchair I don't think

2024

01:31:31,080 --> 01:31:28,390

that's the case like I said I've been

2025

01:31:32,870 --> 01:31:31,090

saying from the beginning that this is

2026

01:31:34,800 --> 01:31:32,880

well-put-together stuff this looks like

2027

01:31:37,920 --> 01:31:34,810

professional stuff it's why I'm

2028

01:31:39,570 --> 01:31:37,930

calling it disinformation because that's

2029

01:31:41,640 --> 01:31:39,580

what disinformation is it's not some

2030

01:31:43,200 --> 01:31:41,650

private sector lunatic who's running

2031

01:31:45,540 --> 01:31:43,210

around making ridiculous claims about

2032

01:31:48,030 --> 01:31:45,550

time traveling to Mars with Barack Obama

2033

01:31:50,030 --> 01:31:48,040

and stuff like that no those are just

2034

01:31:52,290 --> 01:31:50,040

private-sector lunatics and idiots

2035

01:31:54,660 --> 01:31:52,300

basically doing that kind of thing now

2036

01:31:56,100 --> 01:31:54,670

this is this is clearly a professional

2037

01:31:58,770 --> 01:31:56,110

work I don't think there's any question

2038

01:32:00,480 --> 01:31:58,780

about that and this is what we're seeing

2039

01:32:02,190 --> 01:32:00,490

this is what this information looks like

2040

01:32:04,890 --> 01:32:02,200

these documents that's disinformation

2041

01:32:06,990 --> 01:32:04,900

and again and some of it could well

2042

01:32:08,550 --> 01:32:07,000

provide a lead that can follow up and

2043

01:32:10,200 --> 01:32:08,560

that we can get some some interesting

2044

01:32:13,080 --> 01:32:10,210

information out of it hopefully that

2045

01:32:15,240 --> 01:32:13,090

happens we also cannot make fit what

2046

01:32:17,160 --> 01:32:15,250

what isn't true people need to be

2047

01:32:20,240 --> 01:32:17,170

accountable for things that they're

2048

01:32:22,590 --> 01:32:20,250

claiming are true when they're not and

2049

01:32:24,870 --> 01:32:22,600

you know it's important because I don't

2050

01:32:28,050 --> 01:32:24,880

know maybe you why do know you were you

2051

01:32:37,200 --> 01:32:28,060

probably recall the Jaime Masson fake

2052

01:32:39,450 --> 01:32:37,210

alien debacle and go ahead well you know

2053

01:32:42,000 --> 01:32:39,460

Tony Berg galya is a good friend of mine

2054

01:32:43,440 --> 01:32:42,010

and I gotta tell you that I believe that

2055

01:32:48,540 --> 01:32:43,450

he believed it right up until the very

2056

01:32:51,210 --> 01:32:48,550

end I think that they got if any real

2057

01:32:54,660 --> 01:32:51,220

hoaxing was done it was done by Adam do

2058

01:32:56,610 --> 01:32:54,670

who found the original slide and a

2059

01:32:58,290 --> 01:32:56,620

little bit of a story I think I made up

2060

01:33:00,690 --> 01:32:58,300

about that about finally getting some

2061

01:33:02,820 --> 01:33:00,700

secret compartment and a chest that some

2062

01:33:05,550 --> 01:33:02,830

in some lady's house but he got hold of

2063

01:33:06,810 --> 01:33:05,560

the slide the slide was a legitimate for

2064

01:33:08,670 --> 01:33:06,820

what it was but it turned out to be a

2065

01:33:11,100 --> 01:33:08,680

picture of a mummy certainly not an

2066

01:33:12,840 --> 01:33:11,110

alien but yeah I was in communication

2067

01:33:15,660 --> 01:33:12,850

with Tony about that for a quite a bit

2068

01:33:18,180 --> 01:33:15,670

before everything came out and yeah I

2069

01:33:19,910 --> 01:33:18,190

believe people get people can believe I

2070

01:33:22,680 --> 01:33:19,920

mean there's that there's a strong

2071

01:33:23,250 --> 01:33:22,690

strong world to believe no question

2072

01:33:25,140 --> 01:33:23,260

about it

2073

01:33:27,780 --> 01:33:25,150

well my understanding is that Richard

2074

01:33:31,860 --> 01:33:27,790

Owen actually believed that alien was

2075

01:33:34,770 --> 01:33:31,870

real well he did go down there there was

2076

01:33:38,370 --> 01:33:34,780

a they had like a little livestream

2077

01:33:40,140 --> 01:33:38,380

event down in Mexico and I for whatever

2078

01:33:41,910 --> 01:33:40,150

it was in little there were people from

2079

01:33:43,950 --> 01:33:41,920

all over the world that attended that I

2080

01:33:46,020 --> 01:33:43,960

actually met a few and they were very

2081

01:33:48,620 --> 01:33:46,030

upset that they actually allowed

2082

01:33:51,560 --> 01:33:48,630

themselves to fall to that level

2083

01:33:53,959 --> 01:33:51,570

of deception and you know that was a

2084

01:33:56,479 --> 01:33:53,969

worldwide event a lot of people attended

2085

01:34:01,490 --> 01:33:56,489

that Mexico conference that you're

2086

01:34:03,800 --> 01:34:01,500

talking about and it was a it was highly

2087

01:34:05,390 --> 01:34:03,810

disappointing not only in the sense of

2088

01:34:08,180 --> 01:34:05,400

the folks who felt that they were had

2089

01:34:09,890 --> 01:34:08,190

been victimized or that they had allowed

2090

01:34:12,950 --> 01:34:09,900

themselves to actually believe in

2091

01:34:15,890 --> 01:34:12,960

something that was not true but also

2092

01:34:18,530 --> 01:34:15,900

that the UFO community once again was

2093

01:34:22,160 --> 01:34:18,540

put in a light where were the topic of

2094

01:34:24,830 --> 01:34:22,170

hilarity were observed as a topic of

2095

01:34:27,200 --> 01:34:24,840

hilarity and you know again people need

2096

01:34:29,930 --> 01:34:27,210

to be accountable for falling for things

2097

01:34:32,209 --> 01:34:29,940

like this and wanting yes-men to go

2098

01:34:36,770 --> 01:34:32,219

along with them and the pressure of it

2099

01:34:38,660 --> 01:34:36,780

you know just so you know one reason why

2100

01:34:40,370 --> 01:34:38,670

I stopped reporting and researching on

2101  
01:34:45,169 --> 01:34:40,380  
this topic for a little while Frank I

2102  
01:34:47,750 --> 01:34:45,179  
basically stopped researching it I don't

2103  
01:34:48,610 --> 01:34:47,760  
know a while back because these alleged

2104  
01:34:52,850 --> 01:34:48,620  
docs

2105  
01:34:54,950 --> 01:34:52,860  
it was because researching these alleged

2106  
01:35:00,250 --> 01:34:54,960  
talks because they're too easy to prove

2107  
01:35:03,950 --> 01:35:00,260  
is not real literally they are that easy

2108  
01:35:06,050 --> 01:35:03,960  
another is the people I had to come to

2109  
01:35:09,020 --> 01:35:06,060  
look up to you as beacons first of

2110  
01:35:13,310 --> 01:35:09,030  
searching for truth or the closest thing

2111  
01:35:15,709 --> 01:35:13,320  
to it in the UFO community were not due

2112  
01:35:20,030 --> 01:35:15,719  
to an agenda they were pushing over

2113  
01:35:21,770 --> 01:35:20,040

evidence facts and proof the aam and SG

2114

01:35:24,140 --> 01:35:21,780

being the example of what I'm talking

2115

01:35:26,740 --> 01:35:24,150

about here because these hoax Doc's

2116

01:35:30,350 --> 01:35:26,750

became a game in the UFO community

2117

01:35:31,669 --> 01:35:30,360

instead of using skillsets to determine

2118

01:35:35,090 --> 01:35:31,679

whether we were looking at something

2119

01:35:38,390 --> 01:35:35,100

real or not all of these people that I

2120

01:35:41,840 --> 01:35:38,400

looked up to including a very small

2121

01:35:44,810 --> 01:35:41,850

group of haters use these hoaxes docs to

2122

01:35:48,140 --> 01:35:44,820

devolve the process of evidence facts

2123

01:35:50,570 --> 01:35:48,150

and proof so the UFO community observed

2124

01:35:52,790 --> 01:35:50,580

a small camp of people all hoarding fake

2125

01:35:55,700 --> 01:35:52,800

evidence and proof that they didn't have

2126  
01:36:00,010 --> 01:35:55,710  
because they had an agenda to push that

2127  
01:36:02,959 --> 01:36:00,020  
that being a pro aam and pro SG agenda

2128  
01:36:05,510 --> 01:36:02,969  
as if they were real

2129  
01:36:08,439 --> 01:36:05,520  
and the backlash that you and I had to

2130  
01:36:13,970 --> 01:36:08,449  
deal with with regarding their response

2131  
01:36:17,680 --> 01:36:13,980  
in varying ways do do to our research

2132  
01:36:19,910 --> 01:36:17,690  
proving that they were wrong that these

2133  
01:36:24,109 --> 01:36:19,920  
so-called documents are not real in

2134  
01:36:26,120 --> 01:36:24,119  
their entirety was outrageous we

2135  
01:36:28,520 --> 01:36:26,130  
actually came across I'm not going to

2136  
01:36:32,419 --> 01:36:28,530  
say this person's name but because of

2137  
01:36:34,520 --> 01:36:32,429  
our research and because I said that I

2138  
01:36:39,109 --> 01:36:34,530

was looking forward to any evidence

2139

01:36:43,010 --> 01:36:39,119

proof or facts regarding the aam and SG

2140

01:36:45,770 --> 01:36:43,020

an individual we both know we will not

2141

01:36:48,800 --> 01:36:45,780

name actually ended up threatening

2142

01:36:50,180 --> 01:36:48,810

another person that they were going to

2143

01:36:53,000 --> 01:36:50,190

come out with some negative information

2144

01:36:55,459 --> 01:36:53,010

about them because that person who was

2145

01:37:01,189 --> 01:36:55,469

high-profile would not go along with

2146

01:37:04,189 --> 01:37:01,199

verbally abusing us and that's a level

2147

01:37:07,339 --> 01:37:04,199

some people have stooped to in order to

2148

01:37:09,200 --> 01:37:07,349

try and make us go along with acting

2149

01:37:14,209 --> 01:37:09,210

like we believe that these fake

2150

01:37:16,100 --> 01:37:14,219

documents are real as they stand well if

2151  
01:37:18,620 --> 01:37:16,110  
you call yourself a researcher and your

2152  
01:37:22,970 --> 01:37:18,630  
first loyalty is not to the truth you're

2153  
01:37:25,490 --> 01:37:22,980  
not a researcher we should all have all

2154  
01:37:27,970 --> 01:37:25,500  
the information facts and evidence and

2155  
01:37:30,410 --> 01:37:27,980  
proof if there are any to be had are

2156  
01:37:31,939 --> 01:37:30,420  
compiled to reveal whether these alleged

2157  
01:37:34,250 --> 01:37:31,949  
Doc's are real as they stand and

2158  
01:37:37,339 --> 01:37:34,260  
everything points to justify these are

2159  
01:37:39,859 --> 01:37:37,349  
not real in their entirety now I want to

2160  
01:37:41,810 --> 01:37:39,869  
also mention there's I cannot see his

2161  
01:37:45,200 --> 01:37:41,820  
name I won't do it but there's a high

2162  
01:37:49,010 --> 01:37:45,210  
profile individual legendary in the UFO

2163  
01:37:51,410 --> 01:37:49,020

community and I told him I would like to

2164

01:37:54,890 --> 01:37:51,420

interview you about the aam and SG

2165

01:37:58,010 --> 01:37:54,900

because he's key he is key regarding

2166

01:38:02,060 --> 01:37:58,020

these regarding the one of these

2167

01:38:06,229 --> 01:38:02,070

documents and he knew that I was going

2168

01:38:07,850 --> 01:38:06,239

to interview Ray Santilli and I told him

2169

01:38:10,209 --> 01:38:07,860

I said may I please interview you

2170

01:38:14,660 --> 01:38:10,219

regarding these you know documents and

2171

01:38:15,860 --> 01:38:14,670

he said let's just see he didn't this is

2172

01:38:17,960 --> 01:38:15,870

not exact quote but the

2173

01:38:21,500 --> 01:38:17,970

- what he said was let's see how the

2174

01:38:25,130 --> 01:38:21,510

race aunt tilly interview goes what I

2175

01:38:27,470 --> 01:38:25,140

took that to mean is this because this

2176

01:38:31,820 --> 01:38:27,480

individual whose key to what we're

2177

01:38:37,250 --> 01:38:31,830

talking about here he's connected if I

2178

01:38:39,500 --> 01:38:37,260

didn't do a pro-am interview meaning act

2179

01:38:42,890 --> 01:38:39,510

like I believed that that document was

2180

01:38:45,080 --> 01:38:42,900

real that based on that with Ray

2181

01:38:46,370 --> 01:38:45,090

Santilli that based on that there's no

2182

01:38:50,080 --> 01:38:46,380

way he would do an interview with me

2183

01:38:53,510 --> 01:38:50,090

that's why and I I find that to be

2184

01:38:55,790 --> 01:38:53,520

reprehensible and I also looked up to

2185

01:38:58,600 --> 01:38:55,800

this individual I thought that he was a

2186

01:39:00,770 --> 01:38:58,610

luminary in the area of the ufology

2187

01:39:04,940 --> 01:39:00,780

because he's been involved in it for

2188

01:39:08,240 --> 01:39:04,950

decades and because he said that I came

2189

01:39:11,290 --> 01:39:08,250

to realize that he's not a person who

2190

01:39:14,360 --> 01:39:11,300

was looking for truth facts or evidence

2191

01:39:17,990 --> 01:39:14,370

regarding this particular topic he's

2192

01:39:21,880 --> 01:39:18,000

he's trying to push an agenda and I'm

2193

01:39:24,200 --> 01:39:21,890

not going to do that go ahead okay I

2194

01:39:28,040 --> 01:39:24,210

think we've got everything out that

2195

01:39:31,010 --> 01:39:28,050

we've gotten we have a ginned up the the

2196

01:39:33,710 --> 01:39:31,020

new material frankly that is useful and

2197

01:39:36,190 --> 01:39:33,720

helpful to people in terms of helping

2198

01:39:40,850 --> 01:39:36,200

them make a decision in terms of the

2199

01:39:42,410 --> 01:39:40,860

legitimacy of these Doc's and I think

2200

01:39:46,040 --> 01:39:42,420

we've done exactly what we're supposed

2201

01:39:47,810 --> 01:39:46,050

to do I really couldn't care less but

2202

01:39:50,030 --> 01:39:47,820

with Richard Dolan saying we don't know

2203

01:39:52,460 --> 01:39:50,040

what we're doing we know exactly what

2204

01:39:55,640 --> 01:39:52,470

we're doing and I think we have

2205

01:39:57,740 --> 01:39:55,650

accomplished it well and there's a thing

2206

01:40:01,850 --> 01:39:57,750

I don't know if he said that but let's

2207

01:40:02,900 --> 01:40:01,860

just pretend he did he did yeah since

2208

01:40:04,970 --> 01:40:02,910

there were the only people that are

2209

01:40:08,060 --> 01:40:04,980

really out there doing anything as far

2210

01:40:14,810 --> 01:40:08,070

as researching this stuff and you know

2211

01:40:17,990 --> 01:40:14,820

from from a critical standpoint well

2212

01:40:19,760 --> 01:40:18,000

look I'm just gonna I'm gonna say this

2213

01:40:25,580 --> 01:40:19,770

if he did say that I know you just said

2214

01:40:28,730 --> 01:40:25,590

he did what I have to say is this until

2215

01:40:32,510 --> 01:40:28,740

there is actual evidence

2216

01:40:34,910 --> 01:40:32,520

facts or proof regarding the alien

2217

01:40:39,200 --> 01:40:34,920

autopsy memo and the smoking gun

2218

01:40:43,820 --> 01:40:39,210

document then say that to us because

2219

01:40:47,600 --> 01:40:43,830

there is nothing that actually supports

2220

01:40:52,370 --> 01:40:47,610

these two alleged documents as real as

2221

01:40:53,840 --> 01:40:52,380

they stand in their entirety now one one

2222

01:40:59,930 --> 01:40:53,850

thing I would like to bring back up

2223

01:41:03,020 --> 01:40:59,940

again yes what you can start with is

2224

01:41:07,820 --> 01:41:03,030

that Richard Dolan the other thing you

2225

01:41:10,880 --> 01:41:07,830

can start with is explaining why John

2226

01:41:12,860 --> 01:41:10,890

Alexander's email address and help put

2227

01:41:17,980 --> 01:41:12,870

offs email address in the alien autopsy

2228

01:41:20,870 --> 01:41:17,990

memo is listed as it's attributed to

2229

01:41:23,240 --> 01:41:20,880

General Motors in Singapore when neither

2230

01:41:25,030 --> 01:41:23,250

one of these gentlemen has ever worked

2231

01:41:27,950 --> 01:41:25,040

for General Motors or Singapore

2232

01:41:30,230 --> 01:41:27,960

according to John Alexander who has

2233

01:41:33,440 --> 01:41:30,240

known he'll put off also for decades

2234

01:41:36,740 --> 01:41:33,450

right now we do know that Erik Davis was

2235

01:41:39,290 --> 01:41:36,750

the vice president of General Motors in

2236

01:41:42,680 --> 01:41:39,300

sync agree I'm sorry kick kick green

2237

01:41:46,790 --> 01:41:42,690

thank you now we do know he was but but

2238

01:41:51,350 --> 01:41:46,800

John Alexander and he'll put off we're

2239

01:41:54,020 --> 01:41:51,360

not now how in the world can anybody say

2240

01:41:58,010 --> 01:41:54,030

that the alien autopsy memo is genuine

2241

01:42:02,990 --> 01:41:58,020

if that snippet is clearly not true

2242

01:42:05,150 --> 01:42:03,000

exactly okay that's just an image so

2243

01:42:10,580 --> 01:42:05,160

many other things you know there's so

2244

01:42:11,840 --> 01:42:10,590

many and the the key thing it to me

2245

01:42:14,360 --> 01:42:11,850

initially when I spoke to Commander

2246

01:42:17,870 --> 01:42:14,370

Miller was he has no interest in the

2247

01:42:19,280 --> 01:42:17,880

socorro or the Holloman and why does

2248

01:42:22,130 --> 01:42:19,290

that matter it regards to what we're

2249

01:42:25,600 --> 01:42:22,140

talking about so people okay yeah the in

2250

01:42:28,610 --> 01:42:25,610

the serpo material there's an attempt to

2251

01:42:30,890 --> 01:42:28,620

tie the Socorro case the date of the

2252

01:42:34,130 --> 01:42:30,900

Socorro case which was I believe off the

2253

01:42:36,740 --> 01:42:34,140

top of my head April 24th 1964 to the

2254

01:42:39,230 --> 01:42:36,750

alleged meeting the meet up supposedly

2255

01:42:41,300 --> 01:42:39,240

that happened between the United States

2256

01:42:42,330 --> 01:42:41,310

Air Force and extraterrestrials at

2257

01:42:44,820 --> 01:42:42,340

Holloman Air Force

2258

01:42:47,370 --> 01:42:44,830

and apparently et is able to travel

2259

01:42:48,899 --> 01:42:47,380

several light-years to get here but gets

2260

01:42:50,550 --> 01:42:48,909

lost and can't find Holloman Air Force

2261

01:42:52,470 --> 01:42:50,560

Base and they accidentally land in

2262

01:42:54,540 --> 01:42:52,480

Socorro I mean part of it is downright

2263

01:42:56,790 --> 01:42:54,550

hilarious and that was actually one of

2264

01:42:58,770 --> 01:42:56,800

the things that I mentioned with Michael

2265

01:43:00,660 --> 01:42:58,780

the first time that we had him on or

2266

01:43:01,950 --> 01:43:00,670

these docs came out look out for this

2267

01:43:03,750 --> 01:43:01,960

kind of thing and there it was right in

2268

01:43:05,129 --> 01:43:03,760

there so yeah that was that was one of

2269

01:43:06,689 --> 01:43:05,139

the key things that I wanted to ask him

2270

01:43:08,580 --> 01:43:06,699

and Enola about what do you think about

2271

01:43:11,640 --> 01:43:08,590

these cases listed off the cases that

2272

01:43:16,919 --> 01:43:11,650

were listed in The Smoking Gun Dokken he

2273

01:43:19,740 --> 01:43:16,929

asked me what's the Socorro case so let

2274

01:43:23,370 --> 01:43:19,750

me ask you this Frank you know uh when

2275

01:43:25,800 --> 01:43:23,380

Richard Dolan uh according to a good

2276

01:43:28,350 --> 01:43:25,810

source I have who is a person that's

2277

01:43:32,040 --> 01:43:28,360

very close to him and also the research

2278

01:43:37,100 --> 01:43:32,050

I've done fell for the alien hoax that

2279

01:43:44,280 --> 01:43:37,110

Hyman Masson was shopping around Israel

2280

01:43:46,800 --> 01:43:44,290

my question she this was this happened

2281

01:43:50,370 --> 01:43:46,810

after the fact that was basically Donn

2282

01:43:53,189 --> 01:43:50,380

Kari Burke CBN Tom Carrie Donna and Toni

2283

01:43:57,839 --> 01:43:53,199

Berg Elia who first were following up on

2284

01:44:00,810 --> 01:43:57,849

this alien slide that a fellow named

2285

01:44:03,030 --> 01:44:00,820

Adam do out of Chicago had gotten rolled

2286

01:44:05,160 --> 01:44:03,040

up okay so they were trying to shop it

2287

01:44:07,229 --> 01:44:05,170

around as doing something here in the

2288

01:44:09,750 --> 01:44:07,239

States and they couldn't get that done

2289

01:44:12,209 --> 01:44:09,760

so Masson came in a little bit later

2290

01:44:14,970 --> 01:44:12,219

it wasn't my son's bill really initially

2291

01:44:18,030 --> 01:44:14,980

it was right it was a Carey Schmidt and

2292

01:44:19,260 --> 01:44:18,040

Tony who were working on this and you

2293

01:44:21,930 --> 01:44:19,270

know that it's a background work that

2294

01:44:24,780 --> 01:44:21,940

basically was the slide you it was the

2295

01:44:28,109 --> 01:44:24,790

film stock or the slide stock whatever

2296

01:44:30,750 --> 01:44:28,119

was printed up on was it from that time

2297

01:44:32,550 --> 01:44:30,760

frame the late 1940s and so on and they

2298

01:44:34,320 --> 01:44:32,560

did a lot of research about that but

2299

01:44:36,750 --> 01:44:34,330

that basically the case was fairly

2300

01:44:39,540 --> 01:44:36,760

easily solved once the picture became

2301

01:44:41,129 --> 01:44:39,550

public there was a group looking to

2302

01:44:42,030 --> 01:44:41,139

frankly de bucket there were a few

2303

01:44:44,459 --> 01:44:42,040

people involved

2304

01:44:46,649 --> 01:44:44,469

Kirk Collins was in that group my old

2305

01:44:50,160 --> 01:44:46,659

buddy Lance Moody was in that group and

2306

01:44:52,919 --> 01:44:50,170

another fellow whose name was

2307

01:44:54,570 --> 01:44:52,929

NABBA Latour I believe and he was the

2308

01:44:57,150 --> 01:44:54,580

guy who actually figured out how to use

2309

01:45:00,090 --> 01:44:57,160

a particular software called smart to

2310

01:45:02,760 --> 01:45:00,100

blur which was able to do blur the slide

2311

01:45:04,169 --> 01:45:02,770

and as a result you could see what was

2312

01:45:06,090 --> 01:45:04,179

written on a little placard and

2313

01:45:08,160 --> 01:45:06,100

basically it was a photograph taken in a

2314

01:45:10,890 --> 01:45:08,170

museum of a mummy that was discovered

2315

01:45:12,479 --> 01:45:10,900

somewhere in the southwest you know

2316

01:45:15,330 --> 01:45:12,489

maybe a hundred years ago or so I'm not

2317

01:45:18,090 --> 01:45:15,340

sure exactly when but that so well that

2318

01:45:20,250 --> 01:45:18,100

case fell apart fairly quickly and you

2319

01:45:22,919 --> 01:45:20,260

know it was unfortunate but like I said

2320

01:45:24,450 --> 01:45:22,929

I know Tony and I'll vouch that right up

2321

01:45:27,390 --> 01:45:24,460

until the end he thought he had

2322

01:45:29,640 --> 01:45:27,400

something and I generally will hold that

2323

01:45:31,800 --> 01:45:29,650

out there that people do think that they

2324

01:45:34,189 --> 01:45:31,810

think they've got something they they

2325

01:45:36,390 --> 01:45:34,199

may not they may be proved wrong but

2326

01:45:39,780 --> 01:45:36,400

generally speaking I think they believe

2327

01:45:41,720 --> 01:45:39,790

that they have something okay well I did

2328

01:45:44,820 --> 01:45:41,730

want to read something from Spyros and

2329

01:45:46,770 --> 01:45:44,830

when I interviewed him and by the way he

2330

01:45:48,300 --> 01:45:46,780

did just give me permission this evening

2331

01:45:51,120 --> 01:45:48,310

while we were talking to go ahead and

2332

01:45:53,729 --> 01:45:51,130

give his email address out on the

2333

01:45:56,959 --> 01:45:53,739

podcast to Richard Dolan

2334

01:45:59,700 --> 01:45:56,969

so that Richard Dolan can contact him

2335

01:46:03,600 --> 01:45:59,710

regarding what he had me read to him

2336

01:46:09,750 --> 01:46:03,610

tonight and that is spy Rose's email

2337

01:46:12,330 --> 01:46:09,760

addresses mr. M so that's M R M @ GI CA

2338

01:46:14,610 --> 01:46:12,340

L dot co dot uk'

2339

01:46:21,479 --> 01:46:14,620

so let me go ahead and read that again M

2340

01:46:23,790 --> 01:46:21,489

R M yeah I can do that @ g IC al dot co

2341

01:46:25,229 --> 01:46:23,800

dot uk' and limit let me go and copy

2342

01:46:28,310 --> 01:46:25,239

that but I still have something to say

2343

01:46:33,300 --> 01:46:28,320

so just take a second

2344

01:46:35,520 --> 01:46:33,310

just one moment there we go okay yeah

2345

01:46:38,520 --> 01:46:35,530

but let me let me go ahead and read what

2346

01:46:41,490 --> 01:46:38,530

what Spyros had to say about the a.m. he

2347

01:46:44,189 --> 01:46:41,500

said I cannot emphasize enough that this

2348

01:46:46,020 --> 01:46:44,199

entire document is not verified at all I

2349

01:46:49,350 --> 01:46:46,030

would be more sympathetic if they were

2350

01:46:52,410 --> 01:46:49,360

speaking about an alien autopsy and did

2351

01:46:54,180 --> 01:46:52,420

not say it was the same as mine I don't

2352

01:46:56,880 --> 01:46:54,190

know if they have alien bodies or if

2353

01:46:59,160 --> 01:46:56,890

they did an autopsy or three how could i

2354

01:47:01,260 --> 01:46:59,170

but when they make schoolboy errors and

2355

01:47:03,150 --> 01:47:01,270

it's a it's from Roswell and say it's

2356

01:47:04,089 --> 01:47:03,160

the same as mine and predated when mine

2357

01:47:07,569 --> 01:47:04,099

did not even

2358

01:47:08,919 --> 01:47:07,579

just then I know it's [h\_\_h] and then

2359

01:47:11,379 --> 01:47:08,929

I said you have any more input to share

2360

01:47:12,939 --> 01:47:11,389

on the alien autopsy memo that's it the

2361

01:47:16,149 --> 01:47:12,949

whole thing is just unsubstantiated

2362

01:47:19,149 --> 01:47:16,159

stories the key is green but we all

2363

01:47:21,009 --> 01:47:19,159

surely know an ex-cia agent would not

2364

01:47:23,830 --> 01:47:21,019

talk about classified stuff in this way

2365

01:47:24,969 --> 01:47:23,840

it's just ridiculous and I asked him why

2366

01:47:28,389 --> 01:47:24,979

do you think this document was

2367

01:47:30,699 --> 01:47:28,399

fabricated and he went on to explain

2368

01:47:32,889 --> 01:47:30,709

what his thoughts were on that so I'm

2369

01:47:34,540 --> 01:47:32,899

gonna go ahead and share that link that

2370

01:47:36,159 --> 01:47:34,550

has some interesting insight because

2371

01:47:38,349 --> 01:47:36,169

let's face it I mean he was involved in

2372

01:47:40,810 --> 01:47:38,359

putting this together we talked to Phil

2373

01:47:43,299 --> 01:47:40,820

mantel and that Phil had mentioned he

2374

01:47:45,520 --> 01:47:43,309

estimated that they gross stuff from

2375

01:47:48,549 --> 01:47:45,530

different sources around the world a

2376

01:47:51,699 --> 01:47:48,559

good 14 15 million dollars back in the

2377

01:47:54,339 --> 01:47:51,709

90s office off this little project that

2378

01:47:56,109 --> 01:47:54,349

cost a few grand to produce so there was

2379

01:47:57,849 --> 01:47:56,119

a there was a nice profit margin in

2380

01:47:59,529 --> 01:47:57,859

there for those guys but you know at

2381

01:48:01,149 --> 01:47:59,539

least a spy Rose has come forward and

2382

01:48:03,159 --> 01:48:01,159

you know I don't blame those guys for

2383

01:48:05,589 --> 01:48:03,169

doing Andy I mean hey it's a few quick

2384

01:48:08,799 --> 01:48:05,599

bucks and that turned into a nice little

2385

01:48:12,449 --> 01:48:08,809

small fortune for him but I think what's

2386

01:48:16,389 --> 01:48:12,459

happened there is maybe yes Santilli and

2387

01:48:22,239 --> 01:48:16,399

the the other fellows a shoe I can't

2388

01:48:27,819 --> 01:48:22,249

recall his last day I'm sorry Gary Gary

2389

01:48:30,520 --> 01:48:27,829

Gary shoe field sorry about and you know

2390

01:48:32,109 --> 01:48:30,530

I think maybe they thought that you know

2391

01:48:34,359 --> 01:48:32,119

they did the interviews with you and

2392

01:48:35,709 --> 01:48:34,369

maybe they thought that this would get

2393

01:48:37,959 --> 01:48:35,719

some more attention they'd be able to

2394

01:48:39,819 --> 01:48:37,969

you know get a few more bucks out of you

2395

01:48:42,369 --> 01:48:39,829

know basically this old project that

2396

01:48:44,770 --> 01:48:42,379

they did 20-plus years ago I don't think

2397

01:48:46,179 --> 01:48:44,780

that's happening you know the way I the

2398

01:48:47,859 --> 01:48:46,189

way Dolan was predicting that this was

2399

01:48:49,659 --> 01:48:47,869

really good at well if and generate a

2400

01:48:51,699 --> 01:48:49,669

lot of attention it really hasn't that

2401  
01:48:53,199 --> 01:48:51,709  
said but really yeah it's it's gotten

2402  
01:48:55,659 --> 01:48:53,209  
the attention of a relatively small

2403  
01:48:56,969 --> 01:48:55,669  
crowd to be honest about it well and you

2404  
01:48:59,439 --> 01:48:56,979  
know it oddly enough

2405  
01:49:02,049 --> 01:48:59,449  
Spira smell aris actually summed up

2406  
01:49:04,929 --> 01:49:02,059  
everything so perfectly in the threat of

2407  
01:49:07,810 --> 01:49:04,939  
a post that we were talking about about

2408  
01:49:11,549 --> 01:49:07,820  
a post under Dolan about Dolan in a

2409  
01:49:14,080 --> 01:49:11,559  
group on Facebook and he said this

2410  
01:49:15,639 --> 01:49:14,090  
because we were discussing that this is

2411  
01:49:17,860 --> 01:49:15,649  
what he said so when he says I agree

2412  
01:49:19,960 --> 01:49:17,870  
it's because we were having a discussion

2413  
01:49:22,060 --> 01:49:19,970

he said chant Hana I fully agree and for

2414

01:49:24,280 --> 01:49:22,070

what it's worth I to question the

2415

01:49:26,950 --> 01:49:24,290

authenticity of the documents meaning

2416

01:49:31,210 --> 01:49:26,960

the alien autopsy a memo because it's

2417

01:49:35,890 --> 01:49:31,220

full of holes how can it be real and at

2418

01:49:38,560 --> 01:49:35,900

the same time wrong now that one

2419

01:49:41,320 --> 01:49:38,570

statement he said how can it be real and

2420

01:49:44,140 --> 01:49:41,330

at the same time wrong that sums

2421

01:49:46,450 --> 01:49:44,150

everything up he then said we have seen

2422

01:49:48,370 --> 01:49:46,460

the story change by the week we're

2423

01:49:50,290 --> 01:49:48,380

getting closer to the truth but are

2424

01:49:51,820 --> 01:49:50,300

still a way to go now

2425

01:49:53,760 --> 01:49:51,830

this is something else I wanted to bring

2426

01:49:56,320 --> 01:49:53,770

up to you a frank and that is this

2427

01:49:58,470 --> 01:49:56,330

throughout all the podcasts that have

2428

01:50:02,530 --> 01:49:58,480

been done on this top these topics that

2429

01:50:06,070 --> 01:50:02,540

we've been talking about here there has

2430

01:50:09,040 --> 01:50:06,080

not been the same kind of information

2431

01:50:10,060 --> 01:50:09,050

brought forth it's all contradictory so

2432

01:50:12,190 --> 01:50:10,070

it's really important that people

2433

01:50:14,350 --> 01:50:12,200

understand that if there's facts and

2434

01:50:16,180 --> 01:50:14,360

evidence and proof to discuss that would

2435

01:50:17,920 --> 01:50:16,190

remain the same that is not the case

2436

01:50:21,490 --> 01:50:17,930

with these two alleged documents that's

2437

01:50:22,750 --> 01:50:21,500

it okay then that's about it we're done

2438

01:50:25,420 --> 01:50:22,760

that's it we're done

2439

01:50:26,920 --> 01:50:25,430

okay I I think we might be done with the

2440

01:50:29,770 --> 01:50:26,930

subject you did compile a lot of

2441

01:50:31,840 --> 01:50:29,780

material on the alien autopsy video and

2442

01:50:33,640 --> 01:50:31,850

we should you should probably get that

2443

01:50:35,110 --> 01:50:33,650

up and now some way shape or form just

2444

01:50:37,240 --> 01:50:35,120

to hear these guys speak for themselves

2445

01:50:39,850 --> 01:50:37,250

at some point that will figure out a way

2446

01:50:42,070 --> 01:50:39,860

to do that it is it's a fascinating

2447

01:50:44,050 --> 01:50:42,080

story it really is I mean honest to god

2448

01:50:45,490 --> 01:50:44,060

if I could turn a few grand into fifteen

2449

01:50:47,740 --> 01:50:45,500

million I'd do it in a heartbeat tell

2450

01:50:50,350 --> 01:50:47,750

you the truth but I haven't come up with

2451  
01:50:52,510 --> 01:50:50,360  
that idea yet so anything else enclosing

2452  
01:50:54,730 --> 01:50:52,520  
chin I think we wrap this up pretty

2453  
01:50:56,980 --> 01:50:54,740  
neatly or might happen I don't know

2454  
01:50:58,450 --> 01:50:56,990  
we're not we're not really working at

2455  
01:51:00,490 --> 01:50:58,460  
that hard

2456  
01:51:03,220 --> 01:51:00,500  
over the last few weeks it pretty much

2457  
01:51:04,720 --> 01:51:03,230  
wrapped up a little while ago and we're

2458  
01:51:06,729 --> 01:51:04,730  
kind of waiting to see if anything else

2459  
01:51:08,500 --> 01:51:06,739  
would come from the other side of course

2460  
01:51:11,470 --> 01:51:08,510  
it really hasn't just for conversation

2461  
01:51:12,970 --> 01:51:11,480  
so I think we're almost certainly done

2462  
01:51:15,790 --> 01:51:12,980  
with this there's always a chance that

2463  
01:51:17,220 --> 01:51:15,800

some more might come up but I think

2464

01:51:18,640 --> 01:51:17,230

we're pretty well done with it okay

2465

01:51:22,540 --> 01:51:18,650

thank you

2466

01:51:24,580 --> 01:51:22,550

we're done I'm good all right so uh yep

2467

01:51:26,440 --> 01:51:24,590

JIT we're gonna wrap up we got a big

2468

01:51:28,030 --> 01:51:26,450

week coming up over the next week we've

2469

01:51:29,920 --> 01:51:28,040

got three shows starting Sunday

2470

01:51:32,560 --> 01:51:29,930

Professor Kevin Knuth is going to be

2471

01:51:35,020 --> 01:51:32,570

back with us and he has had a busy year

2472

01:51:38,200 --> 01:51:35,030

in the last year at getting all in with

2473

01:51:40,750 --> 01:51:38,210

the UFO stuff but I had him on the show

2474

01:51:42,280 --> 01:51:40,760

last summer so it's been a year since

2475

01:51:44,140 --> 01:51:42,290

I've spoken to him directly and that's

2476

01:51:47,140 --> 01:51:44,150

gonna be a lot of fun because he's had a

2477

01:51:48,700 --> 01:51:47,150

very interesting year getting more

2478

01:51:50,920 --> 01:51:48,710

directly involved in the UFO material

2479

01:51:53,380 --> 01:51:50,930

and then we've got that derek gilbert

2480

01:51:55,650 --> 01:51:53,390

conference coming up shortly we're gonna

2483

01:52:05,260 --> 01:52:01,360

talk in a lot of detail about that and

2484

01:52:07,930 --> 01:52:05,270

then we've got thursday night we've got

2485

01:52:10,600 --> 01:52:07,940

2487

01:52:15,550 --> 01:52:13,340

yes you know i actually did a two and a

2488

01:52:18,459 --> 01:52:15,560

half hour interview with him today he's

2489

01:52:21,520 --> 01:52:18,469

a fascinating individual and you know

2490

01:52:24,209 --> 01:52:21,530

what I'm just gonna go ahead and hold

2491

01:52:26,590 --> 01:52:24,219

off on talking about him for right now

2492

01:52:28,209 --> 01:52:26,600

yeah we have three shows scheduled next

2493

01:52:30,459 --> 01:52:28,219

week so it's good it's gonna be a beat

2494

01:52:32,170 --> 01:52:30,469

we got more stuff coming this is uh you

2495

01:52:33,790 --> 01:52:32,180

know kind of an afterthought but that we

2496

01:52:36,100 --> 01:52:33,800

want to get this done because quite

2497

01:52:38,229 --> 01:52:36,110

frankly nobody else is doing it so we

2498

01:52:39,910 --> 01:52:38,239

wanted to get it finished happening yeah

2499

01:52:42,010 --> 01:52:39,920

so I'd everybody you have a great night

2500

01:52:43,780 --> 01:52:42,020
