book about the occult origins of the

25

00:02:07,219 --> 00:02:05,790

modern UFO phenomenon that day the earth

26

00:02:10,639 --> 00:02:07,229

stands still

27

00:02:13,820 --> 00:02:10,649

Derek's forthcoming book bad news a moon

28

00:02:17,540 --> 00:02:13,830

rising fall of 2019 analyzes the

29

00:02:19,160 --> 00:02:17,550

spiritual forces behind Islam derek is a

30

00:02:21,470 --> 00:02:19,170

popular speaker at churches and

31

00:02:24,830 --> 00:02:21,480

conferences and recent years on topics

32

00:02:27,290 --> 00:02:24,840

such as Dominion theology transhumanism

33

00:02:29,870 --> 00:02:27,300

and his mind-blowing research connecting

34

00:02:32,030 --> 00:02:29,880

the ancient Canaanites to the Nephilim

35

00:02:35,180 --> 00:02:32,040

the Watchers of the Bible and the old

36

00:02:37,370 --> 00:02:35,190

gods the Greek pantheon the titans derek

37

00:02:40,430 --> 00:02:37,380

is a lifelong fan of the Chicago Cubs

38

00:02:42,140 --> 00:02:40,440

for furs glasses to contacts and he's

39

00:02:45,229 --> 00:02:42,150

been known to sing the high part in

40

00:02:48,920 --> 00:02:45,239

barbershop and gospel quartets welcome

41

00:02:52,820 --> 00:02:48,930

Derek how are you I'm doing very well as

42

00:02:56,660 --> 00:02:52,830

an honor to be here thank you yes thank

43

00:03:00,199 --> 00:02:56,670

you so much now I wanted to ask you what

44

00:03:02,330 --> 00:03:00,209

was the impetus or the inspiration or

45

00:03:08,930 --> 00:03:02,340

motivation to allow you to want to take

46

00:03:11,920 --> 00:03:08,940

that leap into the topic of ufology it

47

00:03:14,449 --> 00:03:11,930

was some research that I stumbled across

48

00:03:17,599 --> 00:03:14,459

I've been a lifelong science-fiction fan

49

00:03:19,099 --> 00:03:17,609

I mean learn to lift one eyebrow at a

50

00:03:20,770 --> 00:03:19,109

time thanks to Leonard Nimoy in the old

51
00:03:22,929 --> 00:03:20,780
Star Trek series

52
00:03:24,940 --> 00:03:22,939
which has served me well I guess on

53
00:03:29,080 --> 00:03:24,950
camera people keep commenting on the the

54
00:03:31,750 --> 00:03:29,090
eyebrows but I saw some research a while

55
00:03:33,039 --> 00:03:31,760
ago a few years ago by a National

56
00:03:34,630 --> 00:03:33,049
Geographic Channel when they were

57
00:03:36,729 --> 00:03:34,640
launching a new program back in 2012

58
00:03:38,470 --> 00:03:36,739
that showed that 36 percent of American

59
00:03:41,589 --> 00:03:38,480
adults believed that we're being visited

60
00:03:43,360 --> 00:03:41,599
visited by extraterrestrials or at least

61
00:03:46,569 --> 00:03:43,370
there's evidence to suggest that the

62
00:03:49,390 --> 00:03:46,579
earth is being visited by ET when I

63
00:03:51,009 --> 00:03:49,400

compared that against research from a

64

00:03:53,949 --> 00:03:51,019

group called the the Barna Group which

65

00:03:55,180 --> 00:03:53,959

does research on what Americans believe

66

00:03:58,539 --> 00:03:55,190

specifically what Christians believe

67

00:04:00,940 --> 00:03:58,549

about the Bible about God about and so

68

00:04:03,460 --> 00:04:00,950

on found that and they found that only 9

69

00:04:05,229 --> 00:04:03,470

percent of American adults have a

70

00:04:08,759 --> 00:04:05,239

Christian or what it what they call a

71

00:04:11,710 --> 00:04:08,769

biblical worldview which they defined as

72

00:04:14,530 --> 00:04:11,720

believing in six key tenets of Christian

73

00:04:16,599 --> 00:04:14,540

faith like Christianity 101 if you will

74

00:04:18,039 --> 00:04:16,609

what was really sad is that people who

75

00:04:20,770 --> 00:04:18,049

profess to be Christians only had about

76

00:04:22,570 --> 00:04:20,780

a 19 percent 19 percent of them had a

77

00:04:24,580 --> 00:04:22,580

biblical worldview according to barniz

78

00:04:27,700 --> 00:04:24,590

definition but what that said to me is

79

00:04:29,740 --> 00:04:27,710

that there are four times more people in

80

00:04:32,589 --> 00:04:29,750

America who believe that we're being

81

00:04:35,320 --> 00:04:32,599

visited by extraterrestrials then who

82

00:04:38,740 --> 00:04:35,330

believed in God as he revealed himself

83

00:04:41,230 --> 00:04:38,750

in the Bible and I've done a fair amount

84

00:04:42,670 --> 00:04:41,240

of reading and and into apologetics

85

00:04:45,159 --> 00:04:42,680

they're the reasons that we can believe

86

00:04:46,960 --> 00:04:45,169

that the Bible was accurately preserved

87

00:04:47,110 --> 00:04:46,970

for the last two thousand years and so

88

00:04:49,060 --> 00:04:47,120

on

89

00:04:52,360 --> 00:04:49,070

and so I thought well let's let's look

90

00:04:55,560 --> 00:04:52,370

at this then because it strikes me that

91

00:04:58,689 --> 00:04:55,570

the UFO phenomenon is as much a

92

00:05:03,070 --> 00:04:58,699

spiritual quest for many people and as

93

00:05:07,469 --> 00:05:03,080

it is a an intellectual curiosity in

94

00:05:11,370 --> 00:05:07,479

other words people are pursuing the the

95

00:05:13,390 --> 00:05:11,380

information about what's visiting us

96

00:05:16,779 --> 00:05:13,400

because they're hoping it will answer

97

00:05:19,000 --> 00:05:16,789

the big questions that have been with

98

00:05:21,909 --> 00:05:19,010

humanity since the very beginning namely

99

00:05:24,659 --> 00:05:21,919

where do we come from why are we here

100

00:05:27,370 --> 00:05:24,669

and what happens to us when we die and

101

00:05:29,980 --> 00:05:27,380

as a Christian and a Bible believing

102

00:05:32,680 --> 00:05:29,990

Christian I think you know we have the

103

00:05:34,890 --> 00:05:32,690

answers you know the Bible has those

104

00:05:37,320 --> 00:05:34,900

answers if we understand it proper

105

00:05:38,909 --> 00:05:37,330

but clearly that answer is not good

106

00:05:41,129 --> 00:05:38,919

enough for many people or maybe it

107

00:05:42,540 --> 00:05:41,139

hasn't been explained properly so anyway

108

00:05:44,279 --> 00:05:42,550

Josh Peck and I sat down and began

109

00:05:46,860 --> 00:05:44,289

looking at the topic from that

110

00:05:50,460 --> 00:05:46,870

perspective how do we analyze the UFO

111

00:05:53,969 --> 00:05:50,470

phenomenon in terms of in terms of it

112

00:05:56,159 --> 00:05:53,979

being a religion more or less well there

113

00:05:57,900 --> 00:05:56,169

has been a some talk about that recently

114

00:06:00,629 --> 00:05:57,910

at Diana pasilla had written a book

115

00:06:02,580 --> 00:06:00,639

American cosmic where she is suggesting

116

00:06:04,409 --> 00:06:02,590

that it might be the new religion i l

117

00:06:06,120 --> 00:06:04,419

don't know that that's actually gonna

118

00:06:07,640 --> 00:06:06,130

happen but that she's at least

119

00:06:11,820 --> 00:06:07,650

suggesting it what were your findings

120

00:06:14,700 --> 00:06:11,830

when you took a closer look at that well

121

00:06:20,490 --> 00:06:14,710

what we found specifically is that we

122

00:06:22,830 --> 00:06:20,500

can trace a chain of evidence from the

123

00:06:25,320 --> 00:06:22,840

The Godfather of the modern ancient

124

00:06:27,870 --> 00:06:25,330

aliens theory and I know that not

125

00:06:29,999 --> 00:06:27,880

everybody in the UFO community believes

126

00:06:31,890 --> 00:06:30,009

that Erich von Daniken is on the right

127

00:06:35,309 --> 00:06:31,900

track but certainly is a very popular

128

00:06:37,670 --> 00:06:35,319

belief system popular enough to spawn 12

129

00:06:40,950 --> 00:06:37,680

seasons of ancient aliens we can trace

130

00:06:43,200 --> 00:06:40,960

we can trace the evidence from von

131

00:06:46,370 --> 00:06:43,210

Daniken's Chariots of the Gods back to

132

00:06:49,050 --> 00:06:46,380

HP Lovecraft and from HP Lovecraft to

133

00:06:50,550 --> 00:06:49,060

Aleister Crowley and Helena Blavatsky in

134

00:06:52,680 --> 00:06:50,560

other words and from there you know

135

00:06:55,140 --> 00:06:52,690

going further back into the Spiritist

136

00:06:56,670 --> 00:06:55,150

movement and the naturalist philosophers

137

00:07:00,089 --> 00:06:56,680

of ancient Greece I mean we carried it

138

00:07:04,379 --> 00:07:00,099

back to you know seventh century BC but

139

00:07:06,930 --> 00:07:04,389

the the point is it was not an original

140

00:07:10,110 --> 00:07:06,940

thought - - von Daniken and it was based

141

00:07:12,749 --> 00:07:10,120

in the occult or New Age teachings of

142

00:07:15,300 --> 00:07:12,759

livanski and Crowley from more than a

143

00:07:20,399 --> 00:07:15,310

hundred years earlier or about a hundred

144

00:07:22,469 --> 00:07:20,409

years earlier the III think that guys

145

00:07:25,469 --> 00:07:22,479

like Steven Greer are certainly seeing

146

00:07:28,860 --> 00:07:25,479

this as a spiritual quest and when Josh

147

00:07:30,600 --> 00:07:28,870

and me and my wife Sharon Kay Gilbert

148

00:07:34,620 --> 00:07:30,610

went down to Roswell for the 70th

149

00:07:36,629 --> 00:07:34,630

anniversary of the the Roswell crash we

150

00:07:41,420 --> 00:07:36,639

just were wondering now if this is

151
00:07:46,500 --> 00:07:43,529
extraterrestrial entities crossed the

152
00:07:47,610 --> 00:07:46,510
galaxy to get here to visit planet Earth

153
00:07:47,940 --> 00:07:47,620
and trying to figure out what sort of

154
00:07:49,050 --> 00:07:47,950
dry

155
00:07:52,500 --> 00:07:49,060
system they would need and how they

156
00:07:53,940 --> 00:07:52,510
would protect the life-support system of

157
00:07:55,230 --> 00:07:53,950
the the pilots of the craft and the

158
00:07:57,870 --> 00:07:55,240
passengers

159
00:08:02,540 --> 00:07:57,880
why wouldn't we see more engineers here

160
00:08:06,300 --> 00:08:02,550
why wouldn't we see say recruiters for

161
00:08:08,910 --> 00:08:06,310
the MIT or Cal Tech or somebody like you

162
00:08:12,120 --> 00:08:08,920
know places like that at Roswell instead

163
00:08:14,670 --> 00:08:12,130

we saw a lot of booths offering to sell

164

00:08:16,320 --> 00:08:14,680

healing crystals and do palm readings so

165

00:08:20,210 --> 00:08:16,330

it did strike me that a lot of the

166

00:08:22,770 --> 00:08:20,220

people who were in rusts well for a

167

00:08:24,810 --> 00:08:22,780

festival celebrating what purports to be

168

00:08:27,540 --> 00:08:24,820

the crash of an extraterrestrial craft

169

00:08:30,630 --> 00:08:27,550

we're really there looking for answers

170

00:08:33,060 --> 00:08:30,640

to spiritual questions okay a question

171

00:08:36,870 --> 00:08:33,070

for you Derrick I wanted to ask you what

172

00:08:39,960 --> 00:08:36,880

is the difference between new-age the

173

00:08:43,050 --> 00:08:39,970

movement which has happened for decades

174

00:08:47,490 --> 00:08:43,060

now and the occult which has appeared to

175

00:08:48,600 --> 00:08:47,500

have happened for far longer well from a

176

00:08:51,060 --> 00:08:48,610

Christian perspective there's no

177

00:08:53,670 --> 00:08:51,070

difference at all essentially it's one

178

00:08:56,760 --> 00:08:53,680

in the same seeking seeking spiritual

179

00:08:58,320 --> 00:08:56,770

answers from entities other than the the

180

00:09:01,200 --> 00:08:58,330

creator of the universe God the God of

181

00:09:03,150 --> 00:09:01,210

the Bible there are different ways of

182

00:09:04,620 --> 00:09:03,160

going about it but essentially it's

183

00:09:06,330 --> 00:09:04,630

trying to contact those entities that

184

00:09:09,300 --> 00:09:06,340

God said to Moses you know tell the

185

00:09:11,880 --> 00:09:09,310

Israelites don't do this thing and you

186

00:09:14,070 --> 00:09:11,890

know John the Apostle wrote in one of

187

00:09:17,850 --> 00:09:14,080

his letters test the spirits because not

188

00:09:19,680 --> 00:09:17,860

all are from God and yet that's exactly

189

00:09:22,470 --> 00:09:19,690

what Steven Greer is offering through

190

00:09:26,280 --> 00:09:22,480

his you know free mobile app teaching

191

00:09:28,590 --> 00:09:26,290

you how to have telepathic contact with

192

00:09:31,800 --> 00:09:28,600

what are supposedly entities from outer

193

00:09:33,780 --> 00:09:31,810

space but it sounds an awful lot like me

194

00:09:36,690 --> 00:09:33,790

to opening yourself up to contact with

195

00:09:39,720 --> 00:09:36,700

the spirit realm which is awfully

196

00:09:41,610 --> 00:09:39,730

dangerous yeah yeah I have a quick

197

00:09:43,590 --> 00:09:41,620

question for you doc you'd mentioned the

198

00:09:45,390 --> 00:09:43,600

spirit and you know where from my

199

00:09:48,540 --> 00:09:45,400

understanding from the old Catholic

200

00:09:50,790 --> 00:09:48,550

teachings that I've been exposed to I

201
00:09:52,290 --> 00:09:50,800
have a spirit you have a spirit chant

202
00:09:55,020 --> 00:09:52,300
has a spirit all our listeners have a

203
00:09:58,260 --> 00:09:55,030
spirit and in the UFO bill there's also

204
00:10:00,500 --> 00:09:58,270
been a lot of talk about consciousness

205
00:10:02,660 --> 00:10:00,510
now do you see a differ

206
00:10:06,560 --> 00:10:02,670
said between consciousness and spirit

207
00:10:08,030 --> 00:10:06,570
and if so what might it be well it's a

208
00:10:10,970 --> 00:10:08,040
good question I mean it really depends

209
00:10:15,230 --> 00:10:10,980
on how the the word is used it's almost

210
00:10:17,150 --> 00:10:15,240
a like a key word among New Agers

211
00:10:20,300 --> 00:10:17,160
research into consciousness and what

212
00:10:22,220 --> 00:10:20,310
consciousness is and for all of the the

213
00:10:24,500 --> 00:10:22,230

brilliant men and women people a lot

214

00:10:25,759 --> 00:10:24,510

smarter than me and all the research

215

00:10:27,850 --> 00:10:25,769

they put into that they don't have an

216

00:10:32,050 --> 00:10:27,860

answer to that question just like the

217

00:10:34,340 --> 00:10:32,060

researches into developing autonomous

218

00:10:38,090 --> 00:10:34,350

artificial intelligences they can

219

00:10:39,620 --> 00:10:38,100

program neural networks and feed data in

220

00:10:41,360 --> 00:10:39,630

and get results out and they have no

221

00:10:45,650 --> 00:10:41,370

idea what's going on inside the black

222

00:10:46,970 --> 00:10:45,660

boxes that they're creating so what does

223

00:10:48,769 --> 00:10:46,980

it mean when we we talk about

224

00:10:52,400 --> 00:10:48,779

consciousness again I think it really

225

00:10:54,110 --> 00:10:52,410

depends on what you're on who you're

226

00:10:56,509 --> 00:10:54,120

asking as a Christian I think the the

227

00:10:59,389 --> 00:10:56,519

best step I would make at it is that is

228

00:11:02,420 --> 00:10:59,399

the the life force that was breathed

229

00:11:04,819 --> 00:11:02,430

into the first man by God himself when

230

00:11:07,220 --> 00:11:04,829

he decided to create humanity for his

231

00:11:08,360 --> 00:11:07,230

pleasure I think it's used in different

232

00:11:10,910 --> 00:11:08,370

ways by different people and I don't

233

00:11:13,220 --> 00:11:10,920

want to presume to tell others who

234

00:11:15,769 --> 00:11:13,230

believe differently what it is they

235

00:11:17,389 --> 00:11:15,779

believe but I do see that word an awful

236

00:11:21,139 --> 00:11:17,399

lot for example the Institute of noetic

237

00:11:23,240 --> 00:11:21,149

Sciences seems to be researching that

238

00:11:25,699 --> 00:11:23,250

particular topic quite a bit that was

239

00:11:30,290 --> 00:11:25,709

co-founded by the late astronaut dr.

240

00:11:32,660 --> 00:11:30,300

Edgar Mitchell right so we and we know

241

00:11:35,300 --> 00:11:32,670

from the the Podesta email releases

242

00:11:39,680 --> 00:11:35,310

thanks to WikiLeaks that dr. Mitchell

243

00:11:42,170 --> 00:11:39,690

was trying to use Podesta as a contact

244

00:11:44,960 --> 00:11:42,180

to get through to President Obama that's

245

00:11:46,490 --> 00:11:44,970

a subject that Josh and I covered in the

246

00:11:49,129 --> 00:11:46,500

book the day the earth stands still

247

00:11:52,100 --> 00:11:49,139

Josh handled that and dug into it and

248

00:11:55,400 --> 00:11:52,110

found that even for dr. Mitchell who was

249

00:11:57,889 --> 00:11:55,410

a scientist a NASA astronaut but for him

250

00:12:00,259 --> 00:11:57,899

this was a spiritual quest as they were

251
00:12:01,579 --> 00:12:00,269
trying to encourage the United States

252
00:12:03,800 --> 00:12:01,589
government and really the government

253
00:12:06,530 --> 00:12:03,810
leaders of the entire planet to make

254
00:12:08,540 --> 00:12:06,540
contact with friendly aliens who

255
00:12:10,880 --> 00:12:08,550
according to dr. Mitchell and his

256
00:12:13,920 --> 00:12:10,890
friends are loyal to God because there

257
00:12:15,750 --> 00:12:13,930
are unfriendly aliens out there from a

258
00:12:17,100 --> 00:12:15,760
contiguous universe who want us to do us

259
00:12:20,160 --> 00:12:17,110
harm if I understand the emails

260
00:12:21,420 --> 00:12:20,170
correctly but again when you start using

261
00:12:23,940 --> 00:12:21,430
that kind of language you know

262
00:12:26,460 --> 00:12:23,950
contiguous universe you're starting to

263
00:12:28,170 --> 00:12:26,470

talk about entities that are coming from

264

00:12:30,780 --> 00:12:28,180

other dimensions and intersecting with

265

00:12:33,630 --> 00:12:30,790

our own and then you're pretty much

266

00:12:36,170 --> 00:12:33,640

talking Christian language again because

267

00:12:41,639 --> 00:12:36,180

that's sort of how we describe the

268

00:12:43,740 --> 00:12:41,649

activity of angels and demons I've

269

00:12:45,329 --> 00:12:43,750

watched a few of your shows over on the

270

00:12:47,670 --> 00:12:45,339

side Friday channel which is available

271

00:12:49,710 --> 00:12:47,680

right here on YouTube and it's a great

272

00:12:52,320 --> 00:12:49,720

channel and if you watch the shows you

273

00:12:54,800 --> 00:12:52,330

will see studio level production values

274

00:12:59,550 --> 00:12:54,810

that you will never see on this channel

275

00:13:01,829 --> 00:12:59,560

but a fantastic job with all that now

276

00:13:03,480 --> 00:13:01,839

you've got that set up every it's pro

277

00:13:05,190 --> 00:13:03,490

level work but that in one of the

278

00:13:07,710 --> 00:13:05,200

episodes that you would mention that the

279

00:13:09,329 --> 00:13:07,720

the Bible is not a science book of

280

00:13:12,240 --> 00:13:09,339

course that's fairly obvious but do you

281

00:13:15,510 --> 00:13:12,250

want to go into that a little bit well

282

00:13:18,150 --> 00:13:15,520

sure God met with the prophets of old

283

00:13:21,470 --> 00:13:18,160

and the Apostles and the people who they

284

00:13:24,480 --> 00:13:21,480

were preaching to where they were this

285

00:13:25,740 --> 00:13:24,490

subject that comes up in Christian

286

00:13:27,780 --> 00:13:25,750

communities because one of the subjects

287

00:13:30,630 --> 00:13:27,790

that is emerged in over the last couple

288

00:13:35,220 --> 00:13:30,640

of years is a resurgence in a belief

289

00:13:37,110 --> 00:13:35,230

that the earth is flat now Sharon my

290

00:13:38,990 --> 00:13:37,120

wife is the scientist in the SCI Friday

291

00:13:40,890 --> 00:13:39,000

she's got a degree in molecular biology

292

00:13:45,180 --> 00:13:40,900

but both of us have enough understanding

293

00:13:47,880 --> 00:13:45,190

of science of mathematics

294

00:13:48,960 --> 00:13:47,890

you know geometry trigonometry etc to

295

00:13:50,400 --> 00:13:48,970

understand that the earth is

296

00:13:52,980 --> 00:13:50,410

demonstrably round

297

00:13:56,220 --> 00:13:52,990

okay yes nASA has a black budget NASA

298

00:13:59,880 --> 00:13:56,230

does things that we don't know about but

299

00:14:01,640 --> 00:13:59,890

there are so many space agencies on the

300

00:14:04,260 --> 00:14:01,650

planet I think seventy at last count

301
00:14:07,079 --> 00:14:04,270
thirteen or so of which have launched

302
00:14:09,690 --> 00:14:07,089
capacity I think keeping the shape of

303
00:14:11,550 --> 00:14:09,700
the earth a secret if it truly was flat

304
00:14:15,000 --> 00:14:11,560
would be really really hard in this day

305
00:14:17,010 --> 00:14:15,010
and age but the truth be told you know

306
00:14:19,079 --> 00:14:17,020
in the the hundreds of years before the

307
00:14:20,310 --> 00:14:19,089
birth of Jesus Christ the Greeks had

308
00:14:22,890 --> 00:14:20,320
figured out that the earth was round

309
00:14:24,720 --> 00:14:22,900
just by saying hey look the shape coming

310
00:14:26,759 --> 00:14:24,730
off of this sundial is different than

311
00:14:28,619 --> 00:14:26,769
the one over southern and

312
00:14:31,139 --> 00:14:28,629
we're able to calculate the diameter the

313
00:14:32,669 --> 00:14:31,149

earth with a surprising degree of

314

00:14:35,400 --> 00:14:32,679

accuracy considering they didn't have

315

00:14:37,799 --> 00:14:35,410

you know satellites to help measure in

316

00:14:41,040 --> 00:14:37,809

Global Positioning System and so on but

317

00:14:42,269 --> 00:14:41,050

this has come up in this in the

318

00:14:44,579 --> 00:14:42,279

Christian community because there are

319

00:14:46,379 --> 00:14:44,589

those who believe and God bless them I

320

00:14:49,739 --> 00:14:46,389

don't want to you know I don't want to

321

00:14:51,720 --> 00:14:49,749

bash anybody if anybody wants to believe

322

00:14:53,970 --> 00:14:51,730

that earth is flat that that's fine

323

00:14:57,869 --> 00:14:53,980

that's fine but for some it has become a

324

00:14:59,400 --> 00:14:57,879

test of your faith because there's some

325

00:15:00,749 --> 00:14:59,410

language in the Bible that says you know

326

00:15:03,769 --> 00:15:00,759

the four corners of the earth and earth

327

00:15:07,679 --> 00:15:03,779

rests on pillars and and so forth that

328

00:15:09,539 --> 00:15:07,689

would seem to suggest that God is saying

329

00:15:13,350 --> 00:15:09,549

that the earth is flat but what God is

330

00:15:16,289 --> 00:15:13,360

doing is telling Moses describing the a

331

00:15:19,109 --> 00:15:16,299

cosmology to Moses and the other

332

00:15:20,489 --> 00:15:19,119

prophets in terms they would understand

333

00:15:21,629 --> 00:15:20,499

and in terms that the people that they

334

00:15:24,629 --> 00:15:21,639

would have to turn around and reach

335

00:15:27,509 --> 00:15:24,639

would understand when Moses came up

336

00:15:29,009 --> 00:15:27,519

Mount Sinai in the 15th century BC God

337

00:15:30,239 --> 00:15:29,019

did not sit him down and say okay look

338

00:15:31,499 --> 00:15:30,249

I've got some things to tell you about

339

00:15:33,150 --> 00:15:31,509

the way you guys are supposed to live

340

00:15:37,049 --> 00:15:33,160

but first we're gonna have to teach you

341

00:15:39,239 --> 00:15:37,059

some astrophysics the earth the earth

342

00:15:40,499 --> 00:15:39,249

isn't flat it's a ball and there are

343

00:15:43,559 --> 00:15:40,509

people living on the other side of the

344

00:15:45,780 --> 00:15:43,569

planet and you know people if Moses had

345

00:15:49,549 --> 00:15:45,790

gone to the Israelites and said okay

346

00:15:51,780 --> 00:15:49,559

Yahweh has told me the earth is a ball

347

00:15:55,079 --> 00:15:51,790

the Israelites would have laughed and

348

00:15:58,079 --> 00:15:55,089

said okay we picked the wrong God so

349

00:16:00,840 --> 00:15:58,089

it's not primarily a book of science God

350

00:16:03,329 --> 00:16:00,850

was sharing more important truths

351
00:16:04,919 --> 00:16:03,339
religious through spiritual truths that

352
00:16:08,519 --> 00:16:04,929
were not premise on a sound

353
00:16:11,999 --> 00:16:08,529
understanding of biology astrophysics

354
00:16:14,730 --> 00:16:12,009
etc etc there are other sections of the

355
00:16:16,859 --> 00:16:14,740
Bible where where the the mountains sing

356
00:16:19,049 --> 00:16:16,869
and their and their clap their hands and

357
00:16:20,489 --> 00:16:19,059
the rivers laugh and if you're gonna

358
00:16:21,659 --> 00:16:20,499
take the shape for the earth literally

359
00:16:23,460 --> 00:16:21,669
you have to take everything else

360
00:16:24,900 --> 00:16:23,470
literally and it's clear that there are

361
00:16:27,030 --> 00:16:24,910
sections in the Bible where the language

362
00:16:28,259 --> 00:16:27,040
is poetic and I think we just have to be

363
00:16:29,400 --> 00:16:28,269

discerning enough to understand that

364

00:16:31,619 --> 00:16:29,410

that's what God was trying to

365

00:16:35,159 --> 00:16:31,629

communicate spiritual truth not

366

00:16:37,259 --> 00:16:35,169

necessarily high level physics and

367

00:16:40,460 --> 00:16:37,269

mathematics one of the more famous

368

00:16:42,079 --> 00:16:40,470

quotes from Jesus and the Gospels is

369

00:16:44,809 --> 00:16:42,089

you know I give to Caesar what is

370

00:16:46,999 --> 00:16:44,819

Caesar's and give to God what is God's

371

00:16:49,009 --> 00:16:47,009

is it or at least shouldn't that the

372

00:16:53,449 --> 00:16:49,019

correct attitude be you know give to

373

00:16:54,829 --> 00:16:53,459

science what is science yeah I suppose

374

00:16:56,629 --> 00:16:54,839

you could you could say that I mean

375

00:16:59,059 --> 00:16:56,639

science has its place I think where we

376

00:17:00,290 --> 00:16:59,069

have overstepped in our Western

377

00:17:01,610 --> 00:17:00,300

civilization over the last couple

378

00:17:05,210 --> 00:17:01,620

hundred years is that we believe that

379

00:17:06,829 --> 00:17:05,220

science can determine truth and I think

380

00:17:11,510 --> 00:17:06,839

that's that is a that's a serious

381

00:17:14,720 --> 00:17:11,520

mistake because science as we have been

382

00:17:16,130 --> 00:17:14,730

taught in our school system claims that

383

00:17:18,409 --> 00:17:16,140

to anything that we can't physically

384

00:17:22,490 --> 00:17:18,419

observe with our flawed and limited

385

00:17:25,490 --> 00:17:22,500

human senses doesn't really exist and we

386

00:17:27,500 --> 00:17:25,500

know that that premise is untrue because

387

00:17:30,110 --> 00:17:27,510

you cannot see a thought you cannot see

388

00:17:33,169 --> 00:17:30,120

or measure an emotion but we know those

389

00:17:37,539 --> 00:17:33,179

are real and yet we say you know if we

390

00:17:40,250 --> 00:17:37,549

physically cannot see measure quantify

391

00:17:42,100 --> 00:17:40,260

this invisible God that you're speaking

392

00:17:44,770 --> 00:17:42,110

of then he cannot possibly exist well

393

00:17:47,960 --> 00:17:44,780

okay you can think that if you want but

394

00:17:50,539 --> 00:17:47,970

we've got I witness testimony of the

395

00:17:53,510 --> 00:17:50,549

Apostles in the New Testament and I'll

396

00:17:55,880 --> 00:17:53,520

I'll go with that thank you yeah we've

397

00:17:57,770 --> 00:17:55,890

had enough scientists all we'd like to

398

00:17:59,480 --> 00:17:57,780

have more of course but you know when

399

00:18:01,700 --> 00:17:59,490

they get on and we start talking yeah

400

00:18:04,130 --> 00:18:01,710

you hear very quickly that I think

401
00:18:06,380 --> 00:18:04,140
there's a lot of misconception that

402
00:18:08,270 --> 00:18:06,390
regarding science and how it works and

403
00:18:09,710 --> 00:18:08,280
not much conflict there is within that

404
00:18:11,299 --> 00:18:09,720
field they might handle a little a

405
00:18:13,789 --> 00:18:11,309
little bit different than a lot of other

406
00:18:16,310 --> 00:18:13,799
folks but there's a lot of controversy

407
00:18:19,909 --> 00:18:16,320
in the field you know then they know

408
00:18:21,710 --> 00:18:19,919
that they don't have everything out well

409
00:18:25,279 --> 00:18:21,720
if they're honest and most scientists

410
00:18:27,380 --> 00:18:25,289
are and yeah they'll admit you know what

411
00:18:30,140 --> 00:18:27,390
we're putting out there today is what we

412
00:18:33,399 --> 00:18:30,150
know the best of what we know to be true

413
00:18:35,899 --> 00:18:33,409

today but you know every passing year

414

00:18:37,190 --> 00:18:35,909

turns up some new discovery that turns

415

00:18:41,029 --> 00:18:37,200

everything on his head the science is

416

00:18:43,279 --> 00:18:41,039

almost never settled there's a story at

417

00:18:46,159 --> 00:18:43,289

last week just go to story last week

418

00:18:48,710 --> 00:18:46,169

about research or experiments with the

419

00:18:51,080 --> 00:18:48,720

graphene which are those one molecule

420

00:18:52,940 --> 00:18:51,090

thick layers of carbon or one atom thick

421

00:18:53,940 --> 00:18:52,950

layers of carbon when they lay in a

422

00:18:55,890 --> 00:18:53,950

certain way

423

00:18:57,450 --> 00:18:55,900

they've discovered type of magnetism

424

00:18:59,310 --> 00:18:57,460

that's never been observed before in

425

00:19:01,680 --> 00:18:59,320

history okay

426

00:19:04,760 --> 00:19:01,690

well learn something new right right

427

00:19:09,420 --> 00:19:04,770

exactly exactly chant what have you got

428

00:19:11,220 --> 00:19:09,430

well I wanted to ask Derek well I have a

429

00:19:13,410 --> 00:19:11,230

few questions but I'll go ahead and

430

00:19:19,320 --> 00:19:13,420

start off with TTS a I wanted to ask

431

00:19:22,080 --> 00:19:19,330

Derek what is your general view of TTS a

432

00:19:24,090 --> 00:19:22,090

how far they've come if at all

433

00:19:26,730 --> 00:19:24,100

from the very beginning of where they

434

00:19:30,810 --> 00:19:26,740

started and how do you feel about the

435

00:19:34,320 --> 00:19:30,820

Adam project they have apparently TTS a

436

00:19:37,110 --> 00:19:34,330

is claiming that they may have had some

437

00:19:40,380 --> 00:19:37,120

results from testing on metamaterials an

438

00:19:43,950 --> 00:19:40,390

example of that is Lou Elizondo attended

439

00:19:45,210 --> 00:19:43,960

a conference at the SCU gathering I

440

00:19:46,770 --> 00:19:45,220

think it was at the beginning of this

441

00:19:50,430 --> 00:19:46,780

year and that's for the scientific

442

00:19:53,010 --> 00:19:50,440

coalition of UAP studies and when Lou

443

00:19:54,870 --> 00:19:53,020

was there it was a little frustrating

444

00:19:57,390 --> 00:19:54,880

for some folks that we've Frank and I

445

00:20:00,240 --> 00:19:57,400

both heard from a scientist and also

446

00:20:02,960 --> 00:20:00,250

from other folks who attended and that

447

00:20:06,060 --> 00:20:02,970

they were not able to find out any

448

00:20:09,240 --> 00:20:06,070

scientific data or reports to back up

449

00:20:11,220 --> 00:20:09,250

the claims that were being made by Lou

450

00:20:13,740 --> 00:20:11,230

at this conference and it's also

451
00:20:16,919 --> 00:20:13,750
frustrating for the UFO community and

452
00:20:20,220 --> 00:20:16,929
other communities worldwide to hear TTS

453
00:20:22,200 --> 00:20:20,230
a maybe not necessarily boasting but

454
00:20:24,870 --> 00:20:22,210
making claims that they have some kind

455
00:20:27,210 --> 00:20:24,880
of scientific data that they've gleaned

456
00:20:29,430 --> 00:20:27,220
from metamaterials but they have no

457
00:20:30,470 --> 00:20:29,440
scientific reports to back up those

458
00:20:33,930 --> 00:20:30,480
claims

459
00:20:36,530 --> 00:20:33,940
what is your world view of TTS a and how

460
00:20:39,900 --> 00:20:36,540
do you feel about what I just discussed

461
00:20:44,690 --> 00:20:39,910
well in in a word I guess I would

462
00:20:50,700 --> 00:20:48,450
we didn't win our book the day the earth

463
00:20:52,320 --> 00:20:50,710

standstill came out it was released

464

00:20:55,640 --> 00:20:52,330

literally two weeks after the New York

465

00:20:59,880 --> 00:20:55,650

Times broke the story on December 1st of

466

00:21:03,270 --> 00:20:59,890

2017 I guess it was December 16th of

467

00:21:06,840 --> 00:21:03,280

2017 okay yeah our book was released

468

00:21:07,409 --> 00:21:06,850

like about two weeks prior to that that

469

00:21:09,989 --> 00:21:07,419

coming

470

00:21:12,899 --> 00:21:09,999

so we didn't have anything on TTS a in

471

00:21:14,459 --> 00:21:12,909

the in the book itself well I I did

472

00:21:16,549 --> 00:21:14,469

write an article for the sky watch TV

473

00:21:21,659 --> 00:21:16,559

magazine a couple of months later and

474

00:21:23,699 --> 00:21:21,669

noted that the the team and again this

475

00:21:26,959 --> 00:21:23,709

is me being skeptical and just saying

476
00:21:29,909 --> 00:21:26,969
look we just need to realize that almost

477
00:21:32,069 --> 00:21:29,919
since the very beginning in 1947 of the

478
00:21:33,539 --> 00:21:32,079
modern UFO phenomenon the intelligence

479
00:21:37,009 --> 00:21:33,549
community in the United States and

480
00:21:40,469 --> 00:21:37,019
around the world has had a presence in

481
00:21:43,379 --> 00:21:40,479
shaping the narrative of what

482
00:21:45,239 --> 00:21:43,389
information is put out to the public and

483
00:21:46,859 --> 00:21:45,249
what we believe about the UFO phenomenon

484
00:21:50,899 --> 00:21:46,869
and if you look at the board of

485
00:21:53,479 --> 00:21:50,909
directors of T TSA there is a very heavy

486
00:21:56,430 --> 00:21:53,489
intelligence community presence now

487
00:21:58,199 --> 00:21:56,440
that's probably because these guys have

488
00:22:01,199 --> 00:21:58,209

a very you have very particular skill

489

00:22:04,049 --> 00:22:01,209

sets that would apply to be useful in

490

00:22:07,109 --> 00:22:04,059

researching this topic I get that but

491

00:22:12,509 --> 00:22:07,119

you know do these guys ever really leave

492

00:22:14,579 --> 00:22:12,519

the company I don't know do they is

493

00:22:17,909 --> 00:22:14,589

there a reason that when you go to their

494

00:22:19,259 --> 00:22:17,919

website at least my first year or so

495

00:22:20,579 --> 00:22:19,269

when I was tracking them pretty closely

496

00:22:22,349 --> 00:22:20,589

you haven't done so for a while now

497

00:22:24,479 --> 00:22:22,359

working on other projects but it seemed

498

00:22:30,569 --> 00:22:24,489

like the the very top of the website was

499

00:22:32,459 --> 00:22:30,579

you know invest invest invest is this is

500

00:22:34,199 --> 00:22:32,469

the thing that really trips my my seamer

501
00:22:36,299 --> 00:22:34,209
and that's that's a phrase a friend of

502
00:22:37,859 --> 00:22:36,309
mine Sam Miller gave me this summer is

503
00:22:41,519 --> 00:22:37,869
what goes off when you something just

504
00:22:43,769 --> 00:22:41,529
doesn't seem quite right my seamer went

505
00:22:45,359 --> 00:22:43,779
off when I saw that the story that they

506
00:22:47,339 --> 00:22:45,369
had put out there and they were

507
00:22:49,169 --> 00:22:47,349
interviewed about very frequently on a

508
00:22:51,180 --> 00:22:49,179
lot of mainstream media outlet they've

509
00:22:53,129 --> 00:22:51,190
gotten a lot of mainstream coverage in

510
00:22:59,039 --> 00:22:53,139
these Navy pilots who were chasing these

511
00:23:00,810 --> 00:22:59,049
these UAVs have you it's gotten more

512
00:23:03,839 --> 00:23:00,820
coverage in more mainstream outlets like

513
00:23:06,259 --> 00:23:03,849

CNN Fox News mainstream newspapers

514

00:23:08,789 --> 00:23:06,269

around the world then than most other

515

00:23:12,599 --> 00:23:08,799

UFO flaps that I can recall in my

516

00:23:14,639 --> 00:23:12,609

lifetime but the one that was the most

517

00:23:18,629 --> 00:23:14,649

prominent the most sensational which is

518

00:23:20,579 --> 00:23:18,639

the USS Nimitz incident really wasn't a

519

00:23:21,870 --> 00:23:20,589

secret when you start doing some digging

520

00:23:24,210 --> 00:23:21,880

find out that the

521

00:23:26,570 --> 00:23:24,220

video of this incident was available on

522

00:23:29,880 --> 00:23:26,580

YouTube several years earlier

523

00:23:31,680 --> 00:23:29,890

so why suddenly is it coming out now and

524

00:23:33,420 --> 00:23:31,690

being presented to us as though this is

525

00:23:36,180 --> 00:23:33,430

something brand-new that the government

526
00:23:39,900 --> 00:23:36,190
was just compelled to release when this

527
00:23:42,510 --> 00:23:39,910
video from the the infrared was of the

528
00:23:46,020 --> 00:23:42,520
forward-looking infrared radar the FLIR

529
00:23:51,000 --> 00:23:46,030
cameras had been available on YouTube

530
00:23:54,180 --> 00:23:51,010
for years so it seems to me that this is

531
00:23:55,890 --> 00:23:54,190
a for-profit venture which okay that's

532
00:23:58,290 --> 00:23:55,900
all well and good you know I'm all in

533
00:24:00,510 --> 00:23:58,300
favor people using their talents and

534
00:24:05,600 --> 00:24:00,520
abilities and knowledge to to put bread

535
00:24:08,130 --> 00:24:05,610
on the table that's what I do but I

536
00:24:09,960 --> 00:24:08,140
don't think we're chasing something new

537
00:24:12,870 --> 00:24:09,970
okay those are those craft are behaving

538
00:24:14,640 --> 00:24:12,880

in ways that clearly is something

539

00:24:18,630 --> 00:24:14,650

unknown moving a lot faster than

540

00:24:20,820 --> 00:24:18,640

anything we have in our arsenal because

541

00:24:25,230 --> 00:24:20,830

if I recall correctly the speed at which

542

00:24:26,910 --> 00:24:25,240

the f-18 pilots saw that craft move on

543

00:24:29,700 --> 00:24:26,920

radar was something like double the top

544

00:24:32,130 --> 00:24:29,710

speed of the the sr-71 if I remember

545

00:24:35,100 --> 00:24:32,140

right but that doesn't necessarily mean

546

00:24:36,480 --> 00:24:35,110

it's extraterrestrial it just means we

547

00:24:38,370 --> 00:24:36,490

haven't identified it and that's the

548

00:24:40,890 --> 00:24:38,380

that's the question and that's the these

549

00:24:42,660 --> 00:24:40,900

little skeptical bit that many seem to

550

00:24:45,500 --> 00:24:42,670

forget just because these pilots don't

551
00:24:49,080 --> 00:24:45,510
know what it is and yes they are

552
00:24:52,170 --> 00:24:49,090
professionals and they are reliable

553
00:24:55,110 --> 00:24:52,180
observers but it doesn't mean it isn't a

554
00:24:56,370 --> 00:24:55,120
secret program of secret program inside

555
00:24:58,110 --> 00:24:56,380
the Pentagon it could be a secret

556
00:25:00,450 --> 00:24:58,120
Chinese program could be a secret

557
00:25:02,340 --> 00:25:00,460
Russian program it doesn't necessarily

558
00:25:04,320 --> 00:25:02,350
follow that just because the f-18 pilots

559
00:25:07,650 --> 00:25:04,330
couldn't identify it that it must be

560
00:25:09,120 --> 00:25:07,660
from offworld yes by the way I don't I'm

561
00:25:11,880 --> 00:25:09,130
sorry to interject but that's exactly

562
00:25:14,160 --> 00:25:11,890
what a scientist said last the last

563
00:25:19,440 --> 00:25:14,170

interview we had Kevin connotes that it

564

00:25:20,610 --> 00:25:19,450

could be everything you said well glad

565

00:25:22,980 --> 00:25:20,620

to hear that somebody who actually knows

566

00:25:25,590 --> 00:25:22,990

science because that's not me that's my

567

00:25:27,750 --> 00:25:25,600

wife's bailiwick but yeah just being a

568

00:25:30,120 --> 00:25:27,760

skeptical observer and maybe that comes

569

00:25:31,320 --> 00:25:30,130

from 20 years in professional sales you

570

00:25:32,790 --> 00:25:31,330

know I started out as a professional

571

00:25:34,530 --> 00:25:32,800

broadcaster but then realized it was a

572

00:25:35,460 --> 00:25:34,540

lousy way to you know raise raise

573

00:25:38,520 --> 00:25:35,470

children

574

00:25:41,550 --> 00:25:38,530

so got out of that went into sales for a

575

00:25:43,980 --> 00:25:41,560

while and learned to be a little more

576

00:25:47,100 --> 00:25:43,990

skeptical of people maybe that was good

577

00:25:49,410 --> 00:25:47,110

training now again maybe these guys are

578

00:25:51,620 --> 00:25:49,420

sincere and maybe these they're on the

579

00:25:54,510 --> 00:25:51,630

up-and-up I just think it's interesting

580

00:25:56,820 --> 00:25:54,520

that mr. Elizondo you know quit his job

581

00:25:59,540 --> 00:25:56,830

with the defense department a couple of

582

00:26:01,860 --> 00:25:59,550

months before this story went public

583

00:26:03,810 --> 00:26:01,870

about the nimitz incident but again the

584

00:26:07,380 --> 00:26:03,820

nimitz incident for people who are

585

00:26:10,380 --> 00:26:07,390

really really digging into the the

586

00:26:11,760 --> 00:26:10,390

research of the UFO phenomenon they'd

587

00:26:15,270 --> 00:26:11,770

known about that they'd seen the video

588

00:26:17,310 --> 00:26:15,280

out there on various websites for I'm

589

00:26:18,540 --> 00:26:17,320

gonna rack my brain now it's been a year

590

00:26:19,740 --> 00:26:18,550

and a half since I wrote that article I

591

00:26:22,200 --> 00:26:19,750

think there the video has been out there

592

00:26:25,560 --> 00:26:22,210

since 2007 if I'm not mistaken yeah it

593

00:26:29,160 --> 00:26:25,570

came out fairly early so I mean not long

594

00:26:30,870 --> 00:26:29,170

after the 2004 incident but a couple

595

00:26:32,430 --> 00:26:30,880

things I will say that that gets my

596

00:26:34,380 --> 00:26:32,440

attention is we've had some of those

597

00:26:37,130 --> 00:26:34,390

witnesses on from the Princeton and the

598

00:26:40,620 --> 00:26:37,140

Nimitz we've talked to ourselves and

599

00:26:43,410 --> 00:26:40,630

those guys you know they've they're not

600

00:26:44,610 --> 00:26:43,420

UFO buffs like like we are you know so a

601

00:26:46,530 --> 00:26:44,620

lot of the things that they're

602

00:26:48,270 --> 00:26:46,540

describing are things that we've been

603

00:26:50,610 --> 00:26:48,280

hearing stories about you know going

604

00:26:53,490 --> 00:26:50,620

back to the 40s and 50s that case is not

605

00:26:55,860 --> 00:26:53,500

similar you know Here I am Here I am and

606

00:26:57,480 --> 00:26:55,870

then all of a sudden a plane goes out to

607

00:26:58,800 --> 00:26:57,490

do an intercept and then they're gone

608

00:27:00,510 --> 00:26:58,810

like that you know

609

00:27:01,950 --> 00:27:00,520

so whether that's kind of the same

610

00:27:05,940 --> 00:27:01,960

behavior that's been going on the better

611

00:27:07,590 --> 00:27:05,950

part of the 75 years mm-hmm one of the

612

00:27:08,790 --> 00:27:07,600

things I appreciate about Josh Peck was

613

00:27:11,070 --> 00:27:08,800

my co-author of the day the earth

614

00:27:13,080 --> 00:27:11,080

standstill is that he's got a better

615

00:27:16,440 --> 00:27:13,090

understanding of physics and quantum

616

00:27:17,910 --> 00:27:16,450

physics than I do yeah and the funny

617

00:27:19,470 --> 00:27:17,920

thing is he's an autodidact he's

618

00:27:21,180 --> 00:27:19,480

basically taught himself you know wasn't

619

00:27:22,920 --> 00:27:21,190

really that great in school but suddenly

620

00:27:27,210 --> 00:27:22,930

he develops and realizes he's got this

621

00:27:29,700 --> 00:27:27,220

gift for understanding weird I got a

622

00:27:32,280 --> 00:27:29,710

c-minus in in college physics and I

623

00:27:34,170 --> 00:27:32,290

decided okay that was not my path I can

624

00:27:36,150 --> 00:27:34,180

I can talk for a living and get by a lot

625

00:27:38,850 --> 00:27:36,160

better than trying to actually do do

626
00:27:40,710 --> 00:27:38,860
calculus or computations and and whatnot

627
00:27:42,630 --> 00:27:40,720
Josh can actually understand and explain

628
00:27:43,890 --> 00:27:42,640
stuff but he's pointed out more than

629
00:27:46,440 --> 00:27:43,900
once and I think he's onto something

630
00:27:48,690 --> 00:27:46,450
here that the behavior and I believe

631
00:27:51,090 --> 00:27:48,700
that this is a position

632
00:27:53,370 --> 00:27:51,100
you also held by a jacques valet among

633
00:27:54,930 --> 00:27:53,380
others that the behavior of these craft

634
00:27:58,620 --> 00:27:54,940
that are doing things that appear to

635
00:28:00,840 --> 00:27:58,630
violate the laws of physics are actually

636
00:28:02,550 --> 00:28:00,850
moving between dimensions or could be

637
00:28:04,740 --> 00:28:02,560
let's let's put it that way could be

638
00:28:10,050 --> 00:28:04,750

moving between dimensions rather than

639

00:28:11,910 --> 00:28:10,060

just violating physics and that as we

640

00:28:13,710 --> 00:28:11,920

understand it because if we can only

641

00:28:15,120 --> 00:28:13,720

perceive three spatial dimensions and

642

00:28:17,460 --> 00:28:15,130

you've got something that's moving in

643

00:28:21,240 --> 00:28:17,470

four or eleven

644

00:28:23,760 --> 00:28:21,250

we're like in that old book flatland the

645

00:28:25,890 --> 00:28:23,770

two dimensional shapes the triangles

646

00:28:27,900 --> 00:28:25,900

squares circles whatever trying to

647

00:28:31,590 --> 00:28:27,910

comprehend a three-dimensional shape

648

00:28:35,250 --> 00:28:31,600

like a pencil moving through their plane

649

00:28:37,050 --> 00:28:35,260

that they can perceive or better example

650

00:28:38,640 --> 00:28:37,060

like five fingers in a hand moving

651
00:28:40,890 --> 00:28:38,650
through the plane if you if you imagine

652
00:28:43,170 --> 00:28:40,900
the two-dimensional creature as a circle

653
00:28:44,490 --> 00:28:43,180
or a square on a page only seeing the

654
00:28:46,110 --> 00:28:44,500
line in front of them and trying to

655
00:28:48,870 --> 00:28:46,120
figure out okay is that up is that a

656
00:28:50,370 --> 00:28:48,880
corner is that a is that an arc I don't

657
00:28:51,930 --> 00:28:50,380
know what quite what that is then

658
00:28:53,730 --> 00:28:51,940
suddenly you see five of them appear

659
00:28:55,860 --> 00:28:53,740
like when a hand goes through the plane

660
00:28:57,780 --> 00:28:55,870
that they can perceive and then all of a

661
00:29:00,240 --> 00:28:57,790
sudden they merge into one big shape

662
00:29:01,920 --> 00:29:00,250
well as as the hand moves through that

663
00:29:03,330 --> 00:29:01,930

plane that's what they would see because

664

00:29:06,540 --> 00:29:03,340

they cannot conceive of a third

665

00:29:09,390 --> 00:29:06,550

dimension they see width and length but

666

00:29:11,610 --> 00:29:09,400

they don't see height that might be

667

00:29:14,310 --> 00:29:11,620

similar to what we're perceiving with

668

00:29:16,350 --> 00:29:14,320

these unidentified craft something

669

00:29:18,720 --> 00:29:16,360

moving in and out or through our

670

00:29:21,570 --> 00:29:18,730

dimension and we're only seeing a part

671

00:29:22,860 --> 00:29:21,580

of the whole okay I wanted to bring up a

672

00:29:24,720 --> 00:29:22,870

few things with you I'll go ahead and

673

00:29:26,280 --> 00:29:24,730

start with the first one and that is did

674

00:29:30,210 --> 00:29:26,290

you get the opportunity to actually

675

00:29:33,990 --> 00:29:30,220

check out the Nimitz Carrier Strike

676

00:29:37,320 --> 00:29:34,000

Group a documentary called the Nimitz

677

00:29:39,360 --> 00:29:37,330

Encounters by Dave cbiit Beatty and it's

678

00:29:41,820 --> 00:29:39,370

considered one of the best documentaries

679

00:29:44,100 --> 00:29:41,830

ever covering the topic of the tic-tac

680

00:29:47,190 --> 00:29:44,110

object did you get a chance to check

681

00:29:49,710 --> 00:29:47,200

that out Dirk I have not I did read the

682

00:29:51,810 --> 00:29:49,720

interviews published with the the pilots

683

00:29:53,400 --> 00:29:51,820

who witnessed the event and some of the

684

00:29:55,050 --> 00:29:53,410

other accounts from the men on the

685

00:29:56,040 --> 00:29:55,060

Princeton and on the Nimitz and I will

686

00:29:57,480 --> 00:29:56,050

say I don't think they're making

687

00:30:01,290 --> 00:29:57,490

anything up I think they did see what

688

00:30:02,400 --> 00:30:01,300

they say they saw clearly yeah man

689

00:30:04,460 --> 00:30:02,410

clearly the can

690

00:30:06,990 --> 00:30:04,470

footage from the f-18s was compelling

691

00:30:09,990 --> 00:30:07,000

yeah we did I'm certain to have a nerve

692

00:30:11,640 --> 00:30:10,000

to do we and by the way please interrupt

693

00:30:13,020 --> 00:30:11,650

me at any time because this interviews

694

00:30:15,120 --> 00:30:13,030

about you okay

695

00:30:17,880 --> 00:30:15,130

we did actually have the privilege of

696

00:30:20,220 --> 00:30:17,890

interviewing two gentlemen from the USS

697

00:30:22,830 --> 00:30:20,230

Princeton and the USS two gentlemen from

698

00:30:23,880 --> 00:30:22,840

the USS Nimitz and Frankie already knows

699

00:30:25,650 --> 00:30:23,890

what I'm gonna bring up here but I

700

00:30:27,990 --> 00:30:25,660

wanted to ask surely ask you this

701
00:30:31,290 --> 00:30:28,000
question the same question I asked the

702
00:30:34,080 --> 00:30:31,300
same group of gentlemen and that was do

703
00:30:36,080 --> 00:30:34,090
you believe it what I asked them that

704
00:30:39,300 --> 00:30:36,090
this craft that they witnessed was a

705
00:30:42,060 --> 00:30:39,310
derived from et technology or was it one

706
00:30:45,150 --> 00:30:42,070
of ours and oddly enough I think Frank

707
00:30:47,370 --> 00:30:45,160
knows it was Gary bore he's from the USS

708
00:30:51,200 --> 00:30:47,380
Princeton said he believed it was one of

709
00:30:54,270 --> 00:30:51,210
ours what is your thought on that well

710
00:30:55,680 --> 00:30:54,280
it's certainly a possibility like I said

711
00:30:57,330 --> 00:30:55,690
this is what the thing that Josh and I

712
00:30:58,770 --> 00:30:57,340
talked about once this story broke and

713
00:31:00,030 --> 00:30:58,780

we're like yeah we wish we'd held the

714

00:31:02,540 --> 00:31:00,040

book for another couple of months so we

715

00:31:04,650 --> 00:31:02,550

could have addressed it in the book but

716

00:31:06,750 --> 00:31:04,660

that's the thing is just because we

717

00:31:10,260 --> 00:31:06,760

don't know what it is doesn't mean it's

718

00:31:12,990 --> 00:31:10,270

not from this earth so it could be some

719

00:31:15,060 --> 00:31:13,000

sort of surveillance drone that the

720

00:31:17,730 --> 00:31:15,070

Pentagon doesn't feel that the f-18

721

00:31:19,170 --> 00:31:17,740

pilots and the radar operators on the

722

00:31:22,170 --> 00:31:19,180

Nimitz and Princeton needed to know

723

00:31:24,150 --> 00:31:22,180

about on the other hand this is more

724

00:31:26,940 --> 00:31:24,160

disturbing and this is why I'm actually

725

00:31:28,770 --> 00:31:26,950

in favor of the Pentagon continuing to

726

00:31:30,780 --> 00:31:28,780

investigate accounts of unidentified

727

00:31:32,430 --> 00:31:30,790

craft if this is Russian or Chinese or

728

00:31:34,440 --> 00:31:32,440

belonging to some other terrestrial

729

00:31:36,150 --> 00:31:34,450

government we really ought to figure out

730

00:31:37,710 --> 00:31:36,160

what it is and how they're doing it yeah

731

00:31:39,690 --> 00:31:37,720

and I wanted to bring up something kind

732

00:31:41,220 --> 00:31:39,700

of interesting to you first I do want to

733

00:31:44,190 --> 00:31:41,230

tell everybody when you get an

734

00:31:47,370 --> 00:31:44,200

opportunity please do check out that

735

00:31:49,670 --> 00:31:47,380

wonderful USS Nimitz documentary Dave C

736

00:31:52,950 --> 00:31:49,680

Beatty did he worked very hard on it and

737

00:31:54,570 --> 00:31:52,960

I would be surprised if he's been being

738

00:31:57,090 --> 00:31:54,580

considered as a researcher of the year

739

00:32:00,000 --> 00:31:57,100

regarding it it's I don't think it's

740

00:32:01,230 --> 00:32:00,010

available on anyone anymore I did check

741

00:32:03,270 --> 00:32:01,240

I don't see it there it looks

742

00:32:06,150 --> 00:32:03,280

unavailable but please do check audience

743

00:32:08,310 --> 00:32:06,160

anyway check on amazon and also do check

744

00:32:10,530 --> 00:32:08,320

on youtube because dave c made he does

745

00:32:11,900 --> 00:32:10,540

have that on his channel we've got it

746

00:32:16,380 --> 00:32:11,910

right at our channel too

747

00:32:20,970 --> 00:32:16,390

yes wanted to bring up to you

748

00:32:24,030 --> 00:32:20,980

that Kevin Kenneth the scientist he's

749

00:32:28,200 --> 00:32:24,040

also professor he said that it wouldn't

750

00:32:30,810 --> 00:32:28,210

be beyond his ability to fathom that the

751

00:32:33,660 --> 00:32:30,820

government a different faction of the

752

00:32:38,060 --> 00:32:33,670

government a different agency may have a

753

00:32:40,920 --> 00:32:38,070

covert program possibly regarding an

754

00:32:44,180 --> 00:32:40,930

anomalous vehicle or anomalous seemingly

755

00:32:49,080 --> 00:32:44,190

anomalous vehicle that can travel at

756

00:32:51,780 --> 00:32:49,090

very high speeds and not be that agency

757

00:32:54,510 --> 00:32:51,790

not be communicating with maybe the

758

00:32:59,010 --> 00:32:54,520

military to let them know when they're

759

00:33:01,200 --> 00:32:59,020

going to use that vehicle so that in

760

00:33:04,800 --> 00:33:01,210

that sense that's why it may look

761

00:33:07,440 --> 00:33:04,810

anomalous to pilots or to folks on ships

762

00:33:10,020 --> 00:33:07,450

in the military when they actually see

763

00:33:13,200 --> 00:33:10,030

these objects traversing the sky what

764

00:33:16,440 --> 00:33:13,210

are your thoughts on that well there are

765

00:33:17,940 --> 00:33:16,450

plenty of examples in the past but one

766

00:33:19,490 --> 00:33:17,950

branch of government and one branch of

767

00:33:23,130 --> 00:33:19,500

the military working on projects that

768

00:33:27,150 --> 00:33:23,140

were classified at a level that the guys

769

00:33:29,490 --> 00:33:27,160

were actually out on duty just we have

770

00:33:30,960 --> 00:33:29,500

no no way of knowing about so yeah I

771

00:33:33,630 --> 00:33:30,970

certainly think it's possible that this

772

00:33:37,280 --> 00:33:33,640

is something that was being worked on as

773

00:33:40,470 --> 00:33:37,290

a secret program and just happened to

774

00:33:43,110 --> 00:33:40,480

wander into an area where we had planes

775

00:33:46,770 --> 00:33:43,120

on patrol and and and so we're I'm

776

00:33:50,280 --> 00:33:46,780

leading this conversation is that you

777

00:33:53,580 --> 00:33:50,290

actually tied in the possibility that

778

00:33:55,950 --> 00:33:53,590

Lou may have left the Pentagon program

779

00:34:01,650 --> 00:33:55,960

that he claims to have been head of the

780

00:34:05,280 --> 00:34:01,660

UFO Pentagon program that studied you a

781

00:34:07,440 --> 00:34:05,290

piece is what they call it and actually

782

00:34:09,480 --> 00:34:07,450

left during the time that this tik tak

783

00:34:12,149 --> 00:34:09,490

occurred isn't that right so I'm

784

00:34:15,780 --> 00:34:12,159

wondering if maybe we did have a secret

785

00:34:17,040 --> 00:34:15,790

program going on you know if you're

786

00:34:19,919 --> 00:34:17,050

right I'm wondering if you're right

787

00:34:22,380 --> 00:34:19,929

about that well you know we can only

788

00:34:25,590 --> 00:34:22,390

speculate yeah I don't have any secret

789

00:34:27,990 --> 00:34:25,600

sources but again and if this was taking

790

00:34:30,060 --> 00:34:28,000

place in 2004 again the video was leaked

791

00:34:33,960 --> 00:34:30,070

by somebody to the Internet

792

00:34:36,930 --> 00:34:33,970

between 2004 and 2017 when it was

793

00:34:39,090 --> 00:34:36,940

finally made public or publicized shall

794

00:34:42,150 --> 00:34:39,100

we say with some very friendly authors

795

00:34:45,030 --> 00:34:42,160

who were able to get interviews with the

796

00:34:46,920 --> 00:34:45,040

pilots and with mr. Elizondo into the

797

00:34:50,100 --> 00:34:46,930

New York Times and in front of major

798

00:34:53,250 --> 00:34:50,110

news outlets which gave a real nice

799

00:34:56,250 --> 00:34:53,260

boost of popularity or publicity I

800

00:34:58,290 --> 00:34:56,260

should say to the TTS a Tom DeLonge

801
00:35:01,200 --> 00:34:58,300
scoop again you know I don't begrudge

802
00:35:03,930 --> 00:35:01,210
them trying to make a living

803
00:35:05,460 --> 00:35:03,940
and I hope they're being aboveboard and

804
00:35:06,900 --> 00:35:05,470
maybe just being a little clumsy at web

805
00:35:08,700 --> 00:35:06,910
may or may be there are good reasons for

806
00:35:10,080 --> 00:35:08,710
them not to release what information

807
00:35:12,510 --> 00:35:10,090
they have maybe they've stumbled onto a

808
00:35:13,860 --> 00:35:12,520
piece of material that somebody inside

809
00:35:16,680 --> 00:35:13,870
the government still with the government

810
00:35:17,910 --> 00:35:16,690
is saying we cannot let that information

811
00:35:20,580 --> 00:35:17,920
out because that's something that the

812
00:35:22,350 --> 00:35:20,590
Russians and Chinese don't have so there

813
00:35:24,720 --> 00:35:22,360

could be a number of reasons why they've

814

00:35:26,940 --> 00:35:24,730

not been as forthcoming as others in the

815

00:35:29,490 --> 00:35:26,950

community would like I don't want to

816

00:35:32,640 --> 00:35:29,500

ascribe evil motives to them but again I

817

00:35:35,120 --> 00:35:32,650

just might my skeptical side my seamer

818

00:35:38,010 --> 00:35:35,130

just looks at the number of folks

819

00:35:39,600 --> 00:35:38,020

involved with projects in the

820

00:35:43,080 --> 00:35:39,610

intelligence community a doctor he'll

821

00:35:45,450 --> 00:35:43,090

put off for example who was oh gosh

822

00:35:46,260 --> 00:35:45,460

Stanford Research Institute and I'm not

823

00:35:47,820 --> 00:35:46,270

going to remember the name of the

824

00:35:50,640 --> 00:35:47,830

programs that he was with back in the

825

00:35:53,190 --> 00:35:50,650

day but remote viewing program yes yes

826

00:35:55,290 --> 00:35:53,200

that's the one that's the one there were

827

00:35:59,220 --> 00:35:55,300

many names regarding the remote viewing

828

00:36:01,200 --> 00:35:59,230

okay right so just just being aware that

829

00:36:02,880 --> 00:36:01,210

that this is that this is the background

830

00:36:04,380 --> 00:36:02,890

and that again that the intelligence

831

00:36:07,100 --> 00:36:04,390

community right from the very beginning

832

00:36:10,830 --> 00:36:07,110

in 1947 beginning with Kenneth Arnold

833

00:36:12,510 --> 00:36:10,840

have tried to steer the the the release

834

00:36:15,090 --> 00:36:12,520

of information in a specific direction

835

00:36:18,920 --> 00:36:15,100

or in certain directions I'm just

836

00:36:23,000 --> 00:36:18,930

wondering if this is really about

837

00:36:25,440 --> 00:36:23,010

disclosure or if this is about producing

838

00:36:27,270 --> 00:36:25,450

compelling new television program or if

839

00:36:29,400 --> 00:36:27,280

this is about the intelligence community

840

00:36:32,340 --> 00:36:29,410

doing what it always does which is

841

00:36:34,350 --> 00:36:32,350

directing the narrative write an agenda

842

00:36:37,290 --> 00:36:34,360

so to speak I did want to mention that

843

00:36:40,200 --> 00:36:37,300

TTS a was formed in 2017 as a public

844

00:36:41,110 --> 00:36:40,210

benefit corporation aware as you know

845

00:36:43,830 --> 00:36:41,120

Derek

846

00:36:46,630 --> 00:36:43,840

and Frank knows that it requires

847

00:36:51,250 --> 00:36:46,640

shareholders to keep it going along with

848

00:36:52,720 --> 00:36:51,260

products and so having a TV show is not

849

00:36:53,650 --> 00:36:52,730

out of the realm of possibility of

850

00:36:55,810 --> 00:36:53,660

course that's something they would

851
00:36:57,730 --> 00:36:55,820
pursue and then any kind of disclosure

852
00:36:59,740 --> 00:36:57,740
they have to share about metamaterials

853
00:37:01,990 --> 00:36:59,750
it might be planned in an agenda like

854
00:37:03,150 --> 00:37:02,000
way which would not be surprising since

855
00:37:06,760 --> 00:37:03,160
they are public benefit corporation

856
00:37:08,470 --> 00:37:06,770
wanted to ask you Derek about something

857
00:37:11,500 --> 00:37:08,480
interesting and that is you mentioned

858
00:37:15,370 --> 00:37:11,510
the Institute of noetic science and how

859
00:37:17,680 --> 00:37:15,380
Edgar Mitchell was part of that starting

860
00:37:20,850 --> 00:37:17,690
that organization and then we move on to

861
00:37:24,130 --> 00:37:20,860
Edgar Mitchell's free organization and

862
00:37:27,670 --> 00:37:24,140
this organization does not believe in

863
00:37:28,840 --> 00:37:27,680

the materialistic aspect of ufology do

864

00:37:32,350 --> 00:37:28,850

you know anything about this

865

00:37:33,610 --> 00:37:32,360

organization at all the the second

866

00:37:36,910 --> 00:37:33,620

organization that dr. Mitchell was

867

00:37:39,400 --> 00:37:36,920

involved with it's free and it's an

868

00:37:42,430 --> 00:37:39,410

experience or a research organization

869

00:37:44,920 --> 00:37:42,440

and they study the paranormal and

870

00:37:46,510 --> 00:37:44,930

psychic aspects of the phenomenon and

871

00:37:48,370 --> 00:37:46,520

they're deeply involved in the

872

00:37:50,050 --> 00:37:48,380

consciousness aspect which is no

873

00:37:51,520 --> 00:37:50,060

surprise since Edgar Mitchell was

874

00:37:54,970 --> 00:37:51,530

involved with creating the noetic

875

00:37:57,670 --> 00:37:54,980

science no etiqa Institute of noetic

876

00:38:01,620 --> 00:37:57,680

science I wanted to ask you do you feel

877

00:38:05,620 --> 00:38:01,630

like there is a connection between

878

00:38:07,740 --> 00:38:05,630

consciousness and the topic of ufology I

879

00:38:11,200 --> 00:38:07,750

would like to share one example with you

880

00:38:15,130 --> 00:38:11,210

Betty and Barney Hill part of their

881

00:38:17,680 --> 00:38:15,140

story Barney Hill was claiming that the

882

00:38:20,050 --> 00:38:17,690

ETS were communicating with him

883

00:38:23,440 --> 00:38:20,060

telepathically there's an instance of

884

00:38:25,750 --> 00:38:23,450

consciousness and the topic of ufology

885

00:38:29,830 --> 00:38:25,760

what are your thoughts on something like

886

00:38:31,570 --> 00:38:29,840

that well I'm not surprised that yeah

887

00:38:34,030 --> 00:38:31,580

and again in that sense that's that's

888

00:38:35,650 --> 00:38:34,040

kind of how I thought that the the term

889

00:38:38,830 --> 00:38:35,660

is being used and I do recall that the

890

00:38:40,600 --> 00:38:38,840

TTS a had that as one area of future

891

00:38:42,910 --> 00:38:40,610

research consciousness which which again

892

00:38:45,640 --> 00:38:42,920

I have to wonder if this is really about

893

00:38:47,680 --> 00:38:45,650

how these entities cross the galaxy here

894

00:38:50,020 --> 00:38:47,690

why are we looking at the the subject of

895

00:38:51,670 --> 00:38:50,030

consciousness because that's spiritual

896

00:38:54,640 --> 00:38:51,680

language we're looking at spiritual

897

00:38:59,109 --> 00:38:54,650

insight rather than technological in

898

00:39:01,680 --> 00:38:59,119

or science that might help us you deal

899

00:39:04,749 --> 00:39:01,690

with with our need for energy for

900

00:39:07,150 --> 00:39:04,759

desalination for areas that are short of

901
00:39:09,700 --> 00:39:07,160
water and so forth of why are we

902
00:39:14,319 --> 00:39:09,710
interested in consciousness and this

903
00:39:16,120 --> 00:39:14,329
spiritual side of the question not

904
00:39:19,059 --> 00:39:16,130
familiar with dr. Mitchell's work in

905
00:39:20,980 --> 00:39:19,069
that regard Josh actually wrote a

906
00:39:24,640 --> 00:39:20,990
section of the book that took that

907
00:39:27,960 --> 00:39:24,650
looked more deeply at dr. Mitchell but I

908
00:39:31,839 --> 00:39:27,970
will say this I am aware of the work of

909
00:39:34,870 --> 00:39:31,849
people who work with contactees with

910
00:39:37,630 --> 00:39:34,880
experiencers and I can tell you that

911
00:39:40,749 --> 00:39:37,640
based on their research and their

912
00:39:42,460 --> 00:39:40,759
experience in this field people who

913
00:39:45,279 --> 00:39:42,470

believe they're being contacted by or

914

00:39:47,380 --> 00:39:45,289

even abducted by what they thought were

915

00:39:49,960 --> 00:39:47,390

extraterrestrials come to find out that

916

00:39:52,450 --> 00:39:49,970

it is at its core and this is the reason

917

00:39:55,779 --> 00:39:52,460

Josh and I wrote the book a spiritual or

918

00:39:58,420 --> 00:39:55,789

supernatural phenomenon now a you had

919

00:40:01,420 --> 00:39:58,430

mentioned 1947 and I'm kind of glad you

920

00:40:03,549 --> 00:40:01,430

did that because what we've been hearing

921

00:40:06,249 --> 00:40:03,559

in the UFO community is one of the main

922

00:40:08,529 --> 00:40:06,259

reasons for this UFO cover-up is the

923

00:40:10,210 --> 00:40:08,539

feeling at least among the people that

924

00:40:12,609 --> 00:40:10,220

are holding on to this information is

925

00:40:15,309 --> 00:40:12,619

that if it got out it would be very

926
00:40:16,930 --> 00:40:15,319
damaging to religion I personally don't

927
00:40:18,420 --> 00:40:16,940
feel that would be the case but I was

928
00:40:22,120 --> 00:40:18,430
wondering if you had any thoughts on it

929
00:40:23,979 --> 00:40:22,130
well yeah and I give credit to a friend

930
00:40:27,880 --> 00:40:23,989
of ours who's a respected ufologist dr.

931
00:40:29,680 --> 00:40:27,890
Michael Heizer he's he's one of those

932
00:40:31,749 --> 00:40:29,690
guys who's so intelligent that he can

933
00:40:33,880 --> 00:40:31,759
actually put scholar in residence on his

934
00:40:34,920 --> 00:40:33,890
business card and it's not you know made

935
00:40:39,220 --> 00:40:34,930
up

936
00:40:40,950 --> 00:40:39,230
he is a theologian a respected Bible

937
00:40:46,809 --> 00:40:40,960
scholar but he's also a pretty

938
00:40:49,450 --> 00:40:46,819

well-respected ufologist and he explains

939

00:40:54,390 --> 00:40:49,460

it this way and I think he's right we

940

00:40:58,539 --> 00:40:54,400

are open to the possibility of life in

941

00:41:02,349 --> 00:40:58,549

the cosmos life elsewhere in the cosmos

942

00:41:05,620 --> 00:41:02,359

personally I think if if life did exist

943

00:41:07,210 --> 00:41:05,630

elsewhere God would probably have told

944

00:41:08,440 --> 00:41:07,220

us about it so that we would be prepared

945

00:41:11,620 --> 00:41:08,450

if and when

946

00:41:13,900 --> 00:41:11,630

that happened but Mike points out that

947

00:41:17,859 --> 00:41:13,910

the verse in Genesis that's pointed to

948

00:41:20,440 --> 00:41:17,869

as one that could be a problem for

949

00:41:23,200 --> 00:41:20,450

people who would get freaked out if a

950

00:41:26,589 --> 00:41:23,210

UFO landed on the White House lawn is

951
00:41:29,500 --> 00:41:26,599
actually only a problem if you're

952
00:41:32,410 --> 00:41:29,510
looking at the the English and not

953
00:41:35,319 --> 00:41:32,420
understanding the Hebrew behind it this

954
00:41:37,540 --> 00:41:35,329
is of course we're God in Genesis 2

955
00:41:40,420 --> 00:41:37,550
talks about God rather in Genesis

956
00:41:42,160 --> 00:41:40,430
chapter 1 verse 27 talks about creating

957
00:41:45,160 --> 00:41:42,170
man in our image

958
00:41:49,359 --> 00:41:45,170
verse 26 27 God said let us make man in

959
00:41:51,900 --> 00:41:49,369
our image after our likeness it's

960
00:41:57,660 --> 00:41:51,910
assumed if you just read the English and

961
00:42:00,609 --> 00:41:57,670
take it at that that God must be a biped

962
00:42:03,880 --> 00:42:00,619
about you know six feet tall give or

963
00:42:05,020 --> 00:42:03,890

take with 10 fingers 10 toes etc and

964

00:42:08,859 --> 00:42:05,030

that's not really what the underlying

965

00:42:13,839 --> 00:42:08,869

Hebrew means what the Hebrew actually

966

00:42:16,120 --> 00:42:13,849

means God created man as his imager in

967

00:42:18,339 --> 00:42:16,130

other words we are God's image bearers

968

00:42:23,140 --> 00:42:18,349

on earth we are his moral agents on

969

00:42:24,940 --> 00:42:23,150

earth God gave to Noah and then to Moses

970

00:42:27,040 --> 00:42:24,950

so then to you know the prophets and the

971

00:42:30,160 --> 00:42:27,050

apostles and then send his own son to

972

00:42:32,260 --> 00:42:30,170

tell us okay this is what God wants from

973

00:42:35,079 --> 00:42:32,270

you love God and then love your

974

00:42:38,829 --> 00:42:35,089

neighbors you love yourself and then

975

00:42:40,870 --> 00:42:38,839

certain standards of morality and we are

976

00:42:42,700 --> 00:42:40,880

supposed to serve as his stewards as

977

00:42:46,870 --> 00:42:42,710

caretakers essentially over this planet

978

00:42:50,609 --> 00:42:46,880

we again his image bearers not we were

979

00:42:52,720 --> 00:42:50,619

created to look like what he looks like

980

00:42:56,800 --> 00:42:52,730

obviously if we were created in His

981

00:42:59,079 --> 00:42:56,810

image and a tentacled creature from Zeta

982

00:43:00,250 --> 00:42:59,089

Reticuli or whatever were to show up on

983

00:43:02,710 --> 00:43:00,260

the White House lawn yeah that could be

984

00:43:06,280 --> 00:43:02,720

problematic okay in whose image is that

985

00:43:08,470 --> 00:43:06,290

thing created but if you understand that

986

00:43:10,270 --> 00:43:08,480

what God meant in Genesis is that we've

987

00:43:12,760 --> 00:43:10,280

been created as His image bearer on

988

00:43:18,550 --> 00:43:12,770

earth his moral agent on earth then that

989

00:43:21,770 --> 00:43:18,560

status does not change if a genuine

990

00:43:23,360 --> 00:43:21,780

extraterrestrial were to suddenly land

991

00:43:27,050 --> 00:43:23,370

announces presence or its presence to

992

00:43:30,320 --> 00:43:27,060

the world and that is not an uncommon

993

00:43:32,510 --> 00:43:30,330

problem in biblical study where the

994

00:43:34,190 --> 00:43:32,520

ancient Hebrew doesn't necessarily

995

00:43:38,600 --> 00:43:34,200

translate over that all that cleanly

996

00:43:40,070 --> 00:43:38,610

into modern English in a way I'm kind of

997

00:43:45,200 --> 00:43:40,080

glad it doesn't cuz I've got you know

998

00:43:47,720 --> 00:43:45,210

three books out that basic with issues

999

00:43:52,190 --> 00:43:47,730

that are created by the English I wanted

1000

00:43:55,360 --> 00:43:52,200

to just let everybody know that chase

1001
00:43:59,120 --> 00:43:55,370
klutz key who's also a good friend Frank

1002
00:44:01,400 --> 00:43:59,130
and mine I just actually she and I text

1003
00:44:06,650 --> 00:44:01,410
each other on her regular I just talked

1004
00:44:09,140 --> 00:44:06,660
to her today she just she yes she just

1005
00:44:11,900 --> 00:44:09,150
went on to my timeline because I posted

1006
00:44:16,370 --> 00:44:11,910
a link to the show so everybody could

1007
00:44:19,280 --> 00:44:16,380
join us and she said this I will be with

1008
00:44:21,140 --> 00:44:19,290
him and his wife and Branson great guest

1009
00:44:22,910 --> 00:44:21,150
and then she said the name of the

1010
00:44:25,520 --> 00:44:22,920
conference that she I don't want to say

1011
00:44:29,540 --> 00:44:25,530
it incorrectly is it Gen 6 or is that

1012
00:44:31,250 --> 00:44:29,550
the name of the conference it's it's

1013
00:44:33,590 --> 00:44:31,260

called the true legends conference and

1014

00:44:36,200 --> 00:44:33,600

the group phase that is producing the

1015

00:44:39,980 --> 00:44:36,210

conference is called Gen six conferences

1016

00:44:41,990 --> 00:44:39,990

jet six productions yes and she said Gen

1017

00:44:45,950 --> 00:44:42,000

6 sells out three thousand seats every

1018

00:44:48,890 --> 00:44:45,960

year and as many something subscribers

1019

00:44:50,240 --> 00:44:48,900

and and let's go and then she said by

1020

00:44:53,480 --> 00:44:50,250

the way there are less than a hundred

1021

00:44:55,940 --> 00:44:53,490

tickets left for this event this is my

1022

00:44:59,030 --> 00:44:55,950

Timothy and in a quest at that I spend

1023

00:45:01,730 --> 00:44:59,040

months in within Peru and the Amazon so

1024

00:45:05,840 --> 00:45:01,740

I think she's so wonderful I we actually

1025

00:45:08,060 --> 00:45:05,850

really love spending Sharon and I really

1026

00:45:10,010 --> 00:45:08,070

enjoyed getting to meet and talk with

1027

00:45:11,720 --> 00:45:10,020

Chase and her husband at the conference

1028

00:45:14,540 --> 00:45:11,730

last year which was the conference on

1029

00:45:15,920 --> 00:45:14,550

transhumanism the year before we dealt

1030

00:45:19,580 --> 00:45:15,930

with the subject of giants and that's

1031

00:45:21,260 --> 00:45:19,590

the one I spoke at but they were

1032

00:45:22,610 --> 00:45:21,270

gracious enough to ask me to serve as

1033

00:45:25,430 --> 00:45:22,620

the emcee for this event so I'll be able

1034

00:45:27,110 --> 00:45:25,440

to so I will introduce chase in front of

1035

00:45:28,700 --> 00:45:27,120

the 3,000 seat theater it's at the

1036

00:45:31,280 --> 00:45:28,710

mansion theater in Branson it's a

1037

00:45:33,590 --> 00:45:31,290

wonderful venue a great facility that

1038

00:45:35,030 --> 00:45:33,600

hosts a lot of big-name groups

1039

00:45:37,160 --> 00:45:35,040

generally Nashville type groups who come

1040

00:45:41,030 --> 00:45:37,170

through Branson but it's a it's a great

1041

00:45:44,150 --> 00:45:41,040

theater and it's in a great town and we

1042

00:45:46,310 --> 00:45:44,160

found over the last couple of years with

1043

00:45:48,790 --> 00:45:46,320

the mix that that Steve quale and his

1044

00:45:51,560 --> 00:45:48,800

team put together for Jan six of

1045

00:45:53,840 --> 00:45:51,570

Christians and Steve is enough you know

1046

00:45:55,610 --> 00:45:53,850

he's an unabashed Christian he's not

1047

00:45:57,500 --> 00:45:55,620

ashamed or afraid to tell people what he

1048

00:46:00,260 --> 00:45:57,510

thinks and what he believes but bringing

1049

00:46:01,870 --> 00:46:00,270

in more secular views like last year

1050

00:46:05,810 --> 00:46:01,880

Richard Dolan was one of the speakers

1051
00:46:07,400 --> 00:46:05,820
professor Hugo de garis this year George

1052
00:46:08,450 --> 00:46:07,410
Knapp the investigative journalist will

1053
00:46:11,780 --> 00:46:08,460
be one of the speakers at this

1054
00:46:14,180 --> 00:46:11,790
conference it's at September 13th

1055
00:46:16,610 --> 00:46:14,190
through 15th and as chase mentioned and

1056
00:46:17,810 --> 00:46:16,620
I'd heard this from the man on the

1057
00:46:20,150 --> 00:46:17,820
ground here

1058
00:46:21,950 --> 00:46:20,160
Darren Geisinger just the other day so

1059
00:46:23,870 --> 00:46:21,960
she's your information is correct it's

1060
00:46:25,970 --> 00:46:23,880
it's not not many more than a hundred

1061
00:46:28,370 --> 00:46:25,980
tickets if that left so if people are

1062
00:46:29,570 --> 00:46:28,380
interested in this event they should

1063
00:46:31,610 --> 00:46:29,580

they should act quickly

1064

00:46:33,530 --> 00:46:31,620

la Marzulli who's a regular guest on

1065

00:46:35,570 --> 00:46:33,540

coast to coast am one of the speakers of

1066

00:46:38,870 --> 00:46:35,580

course Steve will speak Timothy albariño

1067

00:46:42,500 --> 00:46:38,880

as chase mentioned who is an incredible

1068

00:46:45,200 --> 00:46:42,510

incredible young man he is as close to

1069

00:46:47,210 --> 00:46:45,210

Indiana Jones as I think we've got in

1070

00:46:49,850 --> 00:46:47,220

the world today going out into places

1071

00:46:54,170 --> 00:46:49,860

like Peru we had the opportunity to go

1072

00:46:56,810 --> 00:46:54,180

to Sardinia with Tim and the team last

1073

00:46:59,120 --> 00:46:56,820

year to look at megalithic sites a big

1074

00:47:00,500 --> 00:46:59,130

stone ziggurat on Sardinia that's not

1075

00:47:03,380 --> 00:47:00,510

supposed to be there according to the

1076

00:47:06,200 --> 00:47:03,390

official histories so it's it's an

1077

00:47:07,670 --> 00:47:06,210

incredible group an incredible group of

1078

00:47:09,680 --> 00:47:07,680

speakers that are coming together to

1079

00:47:12,260 --> 00:47:09,690

address this from a variety of

1080

00:47:15,320 --> 00:47:12,270

perspectives and again you know I'll say

1081

00:47:18,110 --> 00:47:15,330

that theology of Christians if we

1082

00:47:20,630 --> 00:47:18,120

understand those verses in Genesis 1:26

1083

00:47:22,850 --> 00:47:20,640

and 27 correctly that we're not created

1084

00:47:25,280 --> 00:47:22,860

to look like God but we are created to

1085

00:47:28,400 --> 00:47:25,290

serve as His image bearers his standard

1086

00:47:30,740 --> 00:47:28,410

bearers if you will on earth then it

1087

00:47:33,200 --> 00:47:30,750

doesn't matter if a you know a giant

1088

00:47:35,480 --> 00:47:33,210

squid thing comes out of a spacecraft

1089

00:47:38,090 --> 00:47:35,490

and on the you you know in front of the

1090

00:47:43,700 --> 00:47:38,100

United Nations our status as God's image

1091

00:47:45,260 --> 00:47:43,710

bearers is not affected at all I said

1092

00:47:47,549 --> 00:47:45,270

that I will I will add one thing and

1093

00:47:49,650 --> 00:47:47,559

that is I don't we have yet seen any

1094

00:47:51,799 --> 00:47:49,660

compelling evidence to suggest that we

1095

00:47:55,199 --> 00:47:51,809

are in fact being visited by creatures

1096

00:47:57,660 --> 00:47:55,209

from other worlds extraterrestrial

1097

00:48:01,199 --> 00:47:57,670

visitors I do believe the earth has been

1098

00:48:03,329 --> 00:48:01,209

visited by non-human entities since the

1099

00:48:06,359 --> 00:48:03,339

beginning of creation mm-hmm time

1100

00:48:08,729 --> 00:48:06,369

immemorial I wanted to ask you whether

1101

00:48:10,829 --> 00:48:08,739

we can know the exact day these

1102

00:48:14,219 --> 00:48:10,839

otherworldly beings will return as it

1103

00:48:20,549 --> 00:48:14,229

says under this summary of your book is

1104

00:48:21,929 --> 00:48:20,559

that possible well we can get a we can

1105

00:48:22,650 --> 00:48:21,939

get clues I think that we're getting

1106

00:48:26,039 --> 00:48:22,660

close

1107

00:48:28,410 --> 00:48:26,049

Josh and I don't set dates as far as

1108

00:48:30,929 --> 00:48:28,420

when everything is going to go to to

1109

00:48:32,939 --> 00:48:30,939

hell but the Bible tells us that that

1110

00:48:35,179 --> 00:48:32,949

day is coming and I think if we just

1111

00:48:37,019 --> 00:48:35,189

look at the headlines around us and

1112

00:48:38,880 --> 00:48:37,029

regardless of where you fall on the

1113

00:48:40,199 --> 00:48:38,890

political spectrum I think we can agree

1114

00:48:43,620 --> 00:48:40,209

that things aren't as good as we would

1115

00:48:45,359 --> 00:48:43,630

like them to be and that we're looking

1116

00:48:46,769 --> 00:48:45,369

forward to that day when things are made

1117

00:48:48,809 --> 00:48:46,779

a whole lot better

1118

00:48:50,880 --> 00:48:48,819

what I what we did find Josh and I in

1119

00:48:52,289 --> 00:48:50,890

the book the day the earth stands still

1120

00:48:55,890 --> 00:48:52,299

is that there's an interesting parallel

1121

00:49:01,609 --> 00:48:55,900

between Bible prophecy and what some in

1122

00:49:04,769 --> 00:49:01,619

the UFO community are hoping will happen

1123

00:49:08,640 --> 00:49:04,779

in the very first two verses of Genesis

1124

00:49:10,229 --> 00:49:08,650

Genesis 1 verse 2 we read that the earth

1125

00:49:11,999 --> 00:49:10,239

was without form and void and darkness

1126

00:49:13,919 --> 00:49:12,009

was over the face of the deep and the

1127

00:49:15,630 --> 00:49:13,929

Spirit of God was hovering over the face

1128

00:49:19,229 --> 00:49:15,640

of the waters well the word translated

1129

00:49:21,239 --> 00:49:19,239

deep from the Hebrew is a Hebrew word to

1130

00:49:23,099 --> 00:49:21,249

home which is a cognate you know same

1131

00:49:25,289 --> 00:49:23,109

word different language from an Akkadian

1132

00:49:28,319 --> 00:49:25,299

word Tim tomb which in turn is a cognate

1133

00:49:29,789 --> 00:49:28,329

for the Sumerian word Tiamat Tiamat was

1134

00:49:31,919 --> 00:49:29,799

the name of the chaos dragon the

1135

00:49:37,079 --> 00:49:31,929

primordial chaos monster that had to be

1136

00:49:39,660 --> 00:49:37,089

subdued for creation too to emerge and

1137

00:49:42,209 --> 00:49:39,670

in the Babylonian creation epic the

1138

00:49:44,880 --> 00:49:42,219

anima Ailish their creator god Marduk

1139

00:49:46,859 --> 00:49:44,890

just you know slew the dragon Tiamat and

1140

00:49:50,099 --> 00:49:46,869

then created the the heavens and earth

1141

00:49:52,890 --> 00:49:50,109

from the her carcass but we see that

1142

00:49:55,229 --> 00:49:52,900

story over and over in other ancient

1143

00:49:56,789 --> 00:49:55,239

texts the the Canaanites believed that

1144

00:49:59,279 --> 00:49:56,799

their creator or their king of their

1145

00:50:01,460 --> 00:49:59,289

gods bail or Baal for you scholars out

1146

00:50:04,280 --> 00:50:01,470

there defeated the chaos

1147

00:50:07,460 --> 00:50:04,290

monster represented by the sea called

1148

00:50:09,740 --> 00:50:07,470

yam in Greek it was the their storm god

1149

00:50:13,550 --> 00:50:09,750

Zeus who had to defeat the chaos monster

1150

00:50:15,859 --> 00:50:13,560

- and so it's a parallel that we see the

1151
00:50:17,900 --> 00:50:15,869
ancient warrior God in an earth day had

1152
00:50:20,540 --> 00:50:17,910
to defeat a seven headed dragon it's

1153
00:50:23,329 --> 00:50:20,550
it's a even in in Norse mythology you

1154
00:50:25,609 --> 00:50:23,339
see Thor had to defeat a dragon a chaos

1155
00:50:29,390 --> 00:50:25,619
monster in the Bible it's called

1156
00:50:31,130 --> 00:50:29,400
Leviathan and we see it throughout the

1157
00:50:32,900 --> 00:50:31,140
the Old Testament a few references here

1158
00:50:34,910 --> 00:50:32,910
and there about how God crushed the

1159
00:50:37,309 --> 00:50:34,920
heads of Leviathan and gave its body for

1160
00:50:40,370 --> 00:50:37,319
food in the desert but it's defeated

1161
00:50:45,109 --> 00:50:40,380
it's not destroyed the the symbolism of

1162
00:50:46,970 --> 00:50:45,119
the sea representing chaos is is there

1163
00:50:50,690 --> 00:50:46,980

throughout the Old Testament but we

1164

00:50:54,109 --> 00:50:50,700

don't see the final destruction of this

1165

00:50:55,609 --> 00:50:54,119

this chaos until Revelation 21 when

1166

00:50:59,180 --> 00:50:55,619

there's a new heaven and a new earth and

1167

00:51:01,490 --> 00:50:59,190

then you would assume that with a new

1168

00:51:03,430 --> 00:51:01,500

earth that the Old Earth which includes

1169

00:51:05,839 --> 00:51:03,440

everything on it including the Seas

1170

00:51:08,450 --> 00:51:05,849

would be done away with but it's a

1171

00:51:12,040 --> 00:51:08,460

separate line it says and the sea was no

1172

00:51:15,349 --> 00:51:12,050

more so we believe that this this chaos

1173

00:51:17,480 --> 00:51:15,359

entity or this this spirit that

1174

00:51:19,940 --> 00:51:17,490

represents chaos or was the primordial

1175

00:51:21,710 --> 00:51:19,950

chaos that was subdued by God the

1176

00:51:24,380 --> 00:51:21,720

creator of all things will not

1177

00:51:27,730 --> 00:51:24,390

ultimately be defeated until revelation

1178

00:51:29,690 --> 00:51:27,740

now we shift over to the UFO community

1179

00:51:31,069 --> 00:51:29,700

there are those out there who believe

1180

00:51:35,589 --> 00:51:31,079

that there is something coming from the

1181

00:51:38,780 --> 00:51:35,599

vicinity of the star Sirius and

1182

00:51:41,120 --> 00:51:38,790

interestingly enough one of the devotees

1183

00:51:43,040 --> 00:51:41,130

of the occultist Aleister Crowley who

1184

00:51:45,680 --> 00:51:43,050

again we maintain in the book was a

1185

00:51:50,210 --> 00:51:45,690

source of inspiration for HP Lovecraft

1186

00:51:53,420 --> 00:51:50,220

whose fiction was used as the source

1187

00:51:56,630 --> 00:51:53,430

material for Erich von Daniken's

1188

00:51:59,200 --> 00:51:56,640

Chariots of the Gods a devotee of

1189

00:52:02,150 --> 00:51:59,210

Crowley by the name of Kenneth grant

1190

00:52:04,640 --> 00:52:02,160

developed Crowley's occult system into

1191

00:52:09,819 --> 00:52:04,650

what he called the Typhon Ian tradition

1192

00:52:13,910 --> 00:52:09,829

or the the that the set serious current

1193

00:52:14,930 --> 00:52:13,920

set being the Egyptian chaos God - being

1194

00:52:19,579 --> 00:52:14,940

the Greek Kay

1195

00:52:22,789 --> 00:52:19,589

God and grant believed that this chaos

1196

00:52:26,480 --> 00:52:22,799

entity this dark God Dark Lord of chaos

1197

00:52:29,359 --> 00:52:26,490

was on its way back to earth now is it a

1198

00:52:31,039 --> 00:52:29,369

coincidence that the magical system that

1199

00:52:33,910 --> 00:52:31,049

he developed and that other Crowley

1200

00:52:38,539 --> 00:52:33,920

devotees like Austin Osman spare

1201

00:52:41,059 --> 00:52:38,549

developed called chaos magic it is a

1202

00:52:44,599 --> 00:52:41,069

growing following in the modern world

1203

00:52:47,180 --> 00:52:44,609

the the symbol of chaos magic the the

1204

00:52:49,370 --> 00:52:47,190

smiley face showing up in weird places

1205

00:52:51,020 --> 00:52:49,380

like the the very popular Watchmen

1206

00:52:54,039 --> 00:52:51,030

graphic novels and movies and now it's

1207

00:52:55,910 --> 00:52:54,049

coming out as a series on Netflix and

1208

00:52:59,750 --> 00:52:55,920

interestingly the search for

1209

00:53:01,400 --> 00:52:59,760

extraterrestrial intelligence SETI the

1210

00:53:04,849 --> 00:53:01,410

acronym just happens to spell out the

1211

00:53:09,260 --> 00:53:04,859

Egyptian name that means man of set man

1212

00:53:10,880 --> 00:53:09,270

of the chaos god that's the program with

1213

00:53:15,230 --> 00:53:10,890

which we're trying to make contact with

1214

00:53:21,140 --> 00:53:15,240

whatever is out there coincidence yeah

1215

00:53:23,329 --> 00:53:21,150

maybe it's probably fine but thank you I

1216

00:53:26,720 --> 00:53:23,339

was going to ask you a little bit about

1217

00:53:29,839 --> 00:53:26,730

the topic of transhumanism a topic that

1218

00:53:31,849 --> 00:53:29,849

your wife is an expert on I have a

1219

00:53:34,690 --> 00:53:31,859

personal question for you about that

1220

00:53:37,039 --> 00:53:34,700

that might seem a little odd that is

1221

00:53:40,640 --> 00:53:37,049

when your wife is talking to you about

1222

00:53:46,480 --> 00:53:40,650

this topic does she ever express

1223

00:53:49,849 --> 00:53:46,490

anything to you that you might find that

1224

00:53:52,279 --> 00:53:49,859

will lend that would give you help great

1225

00:53:54,980 --> 00:53:52,289

help in the area regarding your books

1226
00:53:56,839 --> 00:53:54,990
and also educating others about topics

1227
00:53:58,849 --> 00:53:56,849
that you love to talk about in other

1228
00:54:01,490 --> 00:53:58,859
words does she educate you regarding

1229
00:54:04,700 --> 00:54:01,500
this topic or do you both study it

1230
00:54:06,650 --> 00:54:04,710
together what is her role regarding the

1231
00:54:09,880 --> 00:54:06,660
both of you and the topic of

1232
00:54:13,010 --> 00:54:09,890
transhumanism well you know she's she's

1233
00:54:16,279 --> 00:54:13,020
educating me all the time her her

1234
00:54:19,010 --> 00:54:16,289
expertise is in molecular biology she

1235
00:54:20,839 --> 00:54:19,020
graduated with honors with a degree in

1236
00:54:23,870 --> 00:54:20,849
molecular biology with an emphasis on

1237
00:54:27,349 --> 00:54:23,880
genetics so she can understand the role

1238
00:54:29,540 --> 00:54:27,359

of DNA where you know I'm like okay I've

1239

00:54:30,980 --> 00:54:29,550

got the basic concept

1240

00:54:32,270 --> 00:54:30,990

in the same sense that when I was

1241

00:54:33,980 --> 00:54:32,280

selling steel I could understand the

1242

00:54:35,630 --> 00:54:33,990

basic concept of how the guys can use

1243

00:54:37,340 --> 00:54:35,640

steel plate and channel and beam to do

1244

00:54:41,390 --> 00:54:37,350

this that and the other but don't ask me

1245

00:54:43,370 --> 00:54:41,400

to try to work the press break okay I'm

1246

00:54:46,730 --> 00:54:43,380

not that guy I have a basic

1247

00:54:48,740 --> 00:54:46,740

understanding of what DNA does what and

1248

00:54:51,770 --> 00:54:48,750

you know and various things but when she

1249

00:54:54,830 --> 00:54:51,780

starts talking about you know you know

1250

00:54:58,640 --> 00:54:54,840

the actual processes inside the cell

1251
00:55:01,760 --> 00:54:58,650
she loses me the smartest person I know

1252
00:55:03,800 --> 00:55:01,770
Ill asked I'm sorry there must have been

1253
00:55:07,940 --> 00:55:03,810
an echo there I asked because I wanted

1254
00:55:10,640 --> 00:55:07,950
to know what is her perspective on the

1255
00:55:15,020 --> 00:55:10,650
topic of ufology and does her science

1256
00:55:18,020 --> 00:55:15,030
background ever clash with any any of

1257
00:55:19,940 --> 00:55:18,030
the perspectives you have about topics

1258
00:55:24,230 --> 00:55:19,950
that you cover does it work seamlessly

1259
00:55:26,450 --> 00:55:24,240
with it or is it an ever educational

1260
00:55:28,340 --> 00:55:26,460
quest together how does it work what are

1261
00:55:30,380 --> 00:55:28,350
your roles as husband and wife regarding

1262
00:55:32,740 --> 00:55:30,390
the topics that you both love to

1263
00:55:35,120 --> 00:55:32,750

specialize in and also learn more about

1264

00:55:37,070 --> 00:55:35,130

well she's the most interesting person

1265

00:55:38,300 --> 00:55:37,080

not only the smartest person I know but

1266

00:55:41,240 --> 00:55:38,310

she's the most interesting person I know

1267

00:55:44,930 --> 00:55:41,250

so we have conversations here that we

1268

00:55:47,420 --> 00:55:44,940

joke would make for great content for

1269

00:55:50,000 --> 00:55:47,430

podcast or whatever if we just record

1270

00:55:57,470 --> 00:55:50,010

them but you know that would mean having

1271

00:55:59,540 --> 00:55:57,480

to shave and we don't agree 100% on

1272

00:56:01,790 --> 00:55:59,550

everything but I'd stay as much as

1273

00:56:04,280 --> 00:56:01,800

anyone else in this world we agree on

1274

00:56:07,220 --> 00:56:04,290

all of the important things and about

1275

00:56:09,410 --> 00:56:07,230

98% of the other stuff I mean you know

1276

00:56:11,780 --> 00:56:09,420

I'm a huge fan of the the series Firefly

1277

00:56:14,060 --> 00:56:11,790

and I would love to see it come back and

1278

00:56:16,520 --> 00:56:14,070

done you know I'm given a longer run she

1279

00:56:18,740 --> 00:56:16,530

couldn't get into it but you know that's

1280

00:56:20,180 --> 00:56:18,750

one of the few minor things she's got

1281

00:56:21,710 --> 00:56:20,190

some insights on some of the stuff that

1282

00:56:24,800 --> 00:56:21,720

we're working on right now we're

1283

00:56:28,280 --> 00:56:24,810

co-writing a book based around the

1284

00:56:30,590 --> 00:56:28,290

ancient veneration of the dead because

1285

00:56:33,020 --> 00:56:30,600

that was a huge huge part of the culture

1286

00:56:34,940 --> 00:56:33,030

in the world that produced the Hebrew

1287

00:56:36,530 --> 00:56:34,950

prophets and apostles the pagans around

1288

00:56:38,960 --> 00:56:36,540

them were venerating their ancestors and

1289

00:56:42,160 --> 00:56:38,970

venerating the spirits of the Giants of

1290

00:56:44,200 --> 00:56:42,170

all the Nephilim the ref I mean but

1291

00:56:45,550 --> 00:56:44,210

she's gonna add some stuff that she came

1292

00:56:47,020 --> 00:56:45,560

up with for her talk at our conference

1293

00:56:50,080 --> 00:56:47,030

in Branson his past weekend the sky

1294

00:56:53,830 --> 00:56:50,090

watch TV defender conference that while

1295

00:56:55,390 --> 00:56:53,840

she was giving her talk like well okay I

1296

00:56:56,740 --> 00:56:55,400

didn't even know that was in there so

1297

00:57:00,540 --> 00:56:56,750

I'm learning stuff from her all the time

1298

00:57:03,340 --> 00:57:00,550

and a lot of the stuff that I dig out

1299

00:57:04,870 --> 00:57:03,350

because I guess I'm wired strangely for

1300

00:57:07,180 --> 00:57:04,880

me a fun Friday night is finding a new

1301
00:57:08,350 --> 00:57:07,190
paper on Mesopotamian cosmology that I'd

1302
00:57:10,360 --> 00:57:08,360
never seen before

1303
00:57:12,850 --> 00:57:10,370
she's taking a lot of the research that

1304
00:57:16,060 --> 00:57:12,860
I've been putting into my my solo books

1305
00:57:19,150 --> 00:57:16,070
on the overlap between say Greek

1306
00:57:21,250 --> 00:57:19,160
mythology and the Bible and she isn't

1307
00:57:23,470 --> 00:57:21,260
writing it into a series of novels that

1308
00:57:24,910 --> 00:57:23,480
she's she's on novel number six right

1309
00:57:28,930 --> 00:57:24,920
now in this series called the red wing

1310
00:57:31,420 --> 00:57:28,940
saga right now and you host the show

1311
00:57:33,040 --> 00:57:31,430
together here on YouTube so tell us a

1312
00:57:37,060 --> 00:57:33,050
little bit about that I've watched the

1313
00:57:39,490 --> 00:57:37,070

episodes and it's a lot of fun well you

1314

00:57:44,800 --> 00:57:39,500

got God blessed us with a relationship

1315

00:57:46,810 --> 00:57:44,810

where we we have a rapport that when I

1316

00:57:49,030 --> 00:57:46,820

was in secular broadcasting which was

1317

00:57:51,010 --> 00:57:49,040

where my career started out of college I

1318

00:57:52,780 --> 00:57:51,020

worked my way through college as a as a

1319

00:57:53,830 --> 00:57:52,790

newsman and radio disc jockey and that's

1320

00:57:56,530 --> 00:57:53,840

what I did for like the first nine years

1321

00:57:58,060 --> 00:57:56,540

after college I saw a lot of morning

1322

00:58:00,010 --> 00:57:58,070

show teams so we tried really really

1323

00:58:02,890 --> 00:58:00,020

hard to develop something close to the

1324

00:58:06,220 --> 00:58:02,900

rapport that we have when we open up

1325

00:58:07,900 --> 00:58:06,230

microphones and so that that is you know

1326
00:58:10,810 --> 00:58:07,910
that that has got to be God because we

1327
00:58:12,550 --> 00:58:10,820
didn't work at it at all we host a

1328
00:58:14,890 --> 00:58:12,560
program called SCI Friday which was

1329
00:58:17,020 --> 00:58:14,900
Sharon's idea and we just talk about

1330
00:58:18,940 --> 00:58:17,030
science news or specific topics

1331
00:58:21,250 --> 00:58:18,950
depending on what inspiration strikes us

1332
00:58:23,590 --> 00:58:21,260
in any given week if something big in

1333
00:58:25,780 --> 00:58:23,600
the world you do some new scientific

1334
00:58:27,280 --> 00:58:25,790
discovery hits us we'll talk about that

1335
00:58:29,020 --> 00:58:27,290
or we may just have a topic that we feel

1336
00:58:30,420 --> 00:58:29,030
like we want to cover late

1337
00:58:32,620 --> 00:58:30,430
let's week let's talk about the big

1338
00:58:34,540 --> 00:58:32,630

meteor event in the the middle of the

1339

00:58:36,640 --> 00:58:34,550

sixth century AD all right yay King

1340

00:58:38,170 --> 00:58:36,650

Arthur great we can do that so and and

1341

00:58:40,870 --> 00:58:38,180

we'll be off and running and we can

1342

00:58:42,970 --> 00:58:40,880

knock out a half-hour program almost off

1343

00:58:45,670 --> 00:58:42,980

the cuff you know which we try to put

1344

00:58:47,620 --> 00:58:45,680

research into it but again both of us

1345

00:58:50,500 --> 00:58:47,630

are so interested in so many things that

1346

00:58:52,050 --> 00:58:50,510

there's almost nothing that interests us

1347

00:58:55,650 --> 00:58:52,060

that we can't talk about in fill a

1348

00:58:58,150 --> 00:58:55,660

half-hour show without really sweating

1349

00:58:59,920 --> 00:58:58,160

we've started a second a second program

1350

00:59:01,960 --> 00:58:59,930

that's called unraveling revelation

1351

00:59:04,900 --> 00:59:01,970

which is focused on the book of

1352

00:59:06,580 --> 00:59:04,910

Revelation but also showing how a lot of

1353

00:59:08,470 --> 00:59:06,590

the prophecies in the book of Revelation

1354

00:59:10,210 --> 00:59:08,480

are actually drawing from elsewhere in

1355

00:59:12,520 --> 00:59:10,220

the Bible there's a lot of threads that

1356

00:59:13,570 --> 00:59:12,530

begin all the way back in Genesis that

1357

00:59:16,120 --> 00:59:13,580

you have to understand if you want to

1358

00:59:19,930 --> 00:59:16,130

try to make some sense out of the book

1359

00:59:21,780 --> 00:59:19,940

of Revelation a little bit about Sharon

1360

00:59:24,490 --> 00:59:21,790

Kate Gilbert and that as it says here

1361

00:59:26,380 --> 00:59:24,500

science writing opera and geopolitics

1362

00:59:28,480 --> 00:59:26,390

are just a few of the many hats worn by

1363

00:59:31,750 --> 00:59:28,490

Sharon Kate Gilbert Gilbert is the

1364

00:59:33,760 --> 00:59:31,760

author of nonfiction work Ebola Ebola

1365

00:59:37,900 --> 00:59:33,770

and the fourth Horsemen of the

1366

00:59:41,050 --> 00:59:37,910

Apocalypse and and also a Derek could

1367

00:59:47,670 --> 00:59:41,060

you please correct me here on this word

1368

00:59:53,530 --> 00:59:49,630

Laodicea was one of the seven churches

1369

00:59:55,570 --> 00:59:53,540

in the book of Revelation the one that's

1370

00:59:57,450 --> 00:59:55,580

usually taken by prophecy scholars to

1371

00:59:59,380 --> 00:59:57,460

represent the modern church the one that

1372

01:00:01,720 --> 00:59:59,390

Jesus said you're neither hot nor cold

1373

01:00:03,910 --> 01:00:01,730

and so I would just you know spew you or

1374

01:00:05,530 --> 01:00:03,920

vomit you out of my mouth because the

1375

01:00:08,020 --> 01:00:05,540

church is not taking a stand one way or

1376

01:00:10,690 --> 01:00:08,030

the other on most issues understand it

1377

01:00:12,940 --> 01:00:10,700

says a novelized look at the spiritual

1378

01:00:15,130 --> 01:00:12,950

battle set in current time the

1379

01:00:18,490 --> 01:00:15,140

Armageddon strain of biological thriller

1380

01:00:20,560 --> 01:00:18,500

and then also her most recent endeavor

1381

01:00:23,410 --> 01:00:20,570

the Redwing saga was she were mentioning

1382

01:00:24,880 --> 01:00:23,420

a supernatural warfare series set in

1383

01:00:27,520 --> 01:00:24,890

England during the time of Jack the

1384

01:00:30,630 --> 01:00:27,530

Ripper so it's really fascinating we'd

1385

01:00:33,040 --> 01:00:30,640

love to be able to talk to your wife I

1386

01:00:36,580 --> 01:00:33,050

would love to interview her could you

1387

01:00:39,580 --> 01:00:36,590

please tell her that I will and she is a

1388

01:00:41,380 --> 01:00:39,590

fascinating interview she like I said

1389

01:00:43,750 --> 01:00:41,390

she's the smartest person I know yes she

1390

01:00:45,340 --> 01:00:43,760

trained to sing opera she also sang rock

1391

01:00:47,230 --> 01:00:45,350

and roll back in the day she turned down

1392

01:00:50,320 --> 01:00:47,240

an opportunity to go to Nashville and

1393

01:00:51,760 --> 01:00:50,330

and with a recording contract back when

1394

01:00:53,200 --> 01:00:51,770

George Jones was at the peak of his

1395

01:00:55,330 --> 01:00:53,210

career he wanted to make her the opening

1396

01:00:56,950 --> 01:00:55,340

act on his tour and she turned it down

1397

01:00:59,740 --> 01:00:56,960

that's incredible

1398

01:01:02,290 --> 01:00:59,750

went back to school and got a degree in

1399

01:01:03,280 --> 01:01:02,300

molecular biology I mean that's

1400

01:01:07,840 --> 01:01:03,290

outstanding

1401
01:01:08,660 --> 01:01:07,850
who does that yeah after he got to know

1402
01:01:10,160 --> 01:01:08,670
Cher and he said

1403
01:01:13,849 --> 01:01:10,170
son don't mess this up because you

1404
01:01:16,430 --> 01:01:13,859
married up brilliant person I think

1405
01:01:19,160 --> 01:01:16,440
Frank had a question for you

1406
01:01:21,650 --> 01:01:19,170
yeah I would like to get into a little

1407
01:01:23,870 --> 01:01:21,660
bit about that some recent UFO news and

1408
01:01:28,359 --> 01:01:23,880
what's happened recently with all the t

1409
01:01:31,490 --> 01:01:28,369
TSA news and news about the babies

1410
01:01:33,829 --> 01:01:31,500
senior studies regarding it and as some

1411
01:01:36,470 --> 01:01:33,839
of those changes in policy a congressman

1412
01:01:39,079 --> 01:01:36,480
from North Carolina by the name of Mark

1413
01:01:40,819 --> 01:01:39,089

Walker has made public a letter that

1414

01:01:44,900 --> 01:01:40,829

he's written to the Secretary of Nate of

1415

01:01:46,490 --> 01:01:44,910

the Navy regarding of the data the

1416

01:01:48,859 --> 01:01:46,500

evidence that they have found that he

1417

01:01:50,630 --> 01:01:48,869

wants to have a look at it as it turns

1418

01:01:53,180 --> 01:01:50,640

out the mark Walker had a very

1419

01:01:55,490 --> 01:01:53,190

interesting career before he was elected

1420

01:01:57,740 --> 01:01:55,500

to Congress and for 16 years he was a

1421

01:01:59,089 --> 01:01:57,750

Baptist minister and I was wondering

1422

01:02:01,190 --> 01:01:59,099

Garrick if you have any thoughts on that

1423

01:02:02,930 --> 01:02:01,200

I think that's that's Kure that's a

1424

01:02:05,930 --> 01:02:02,940

that's a curious little factoid there

1425

01:02:09,380 --> 01:02:05,940

yeah it's would be interesting to see

1426

01:02:12,460 --> 01:02:09,390

what his impression of the UFO

1427

01:02:14,780 --> 01:02:12,470

phenomenon was when he was in the pulpit

1428

01:02:16,190 --> 01:02:14,790

this is not a subject and most churches

1429

01:02:18,289 --> 01:02:16,200

want to deal with which is why you get

1430

01:02:19,849 --> 01:02:18,299

guys who aren't ordained like me or la

1431

01:02:21,770 --> 01:02:19,859

Marzulli or Steve quale or Timothy

1432

01:02:24,559 --> 01:02:21,780

albariño Sharon Kay Gilbert Tom Horn

1433

01:02:25,730 --> 01:02:24,569

Josh Peck out there talking writing

1434

01:02:29,059 --> 01:02:25,740

about this and trying to make some sense

1435

01:02:32,390 --> 01:02:29,069

of it or dr. Michael Heizer again who's

1436

01:02:34,309 --> 01:02:32,400

a Bible scholar who's probably one of

1437

01:02:36,079 --> 01:02:34,319

the best ufologists out there in terms

1438

01:02:39,319 --> 01:02:36,089

of looking at evidence with a critical

1439

01:02:43,970 --> 01:02:39,329

eye something is going on that's clear

1440

01:02:45,170 --> 01:02:43,980

and making sense of it I think is in our

1441

01:02:47,120 --> 01:02:45,180

best interest it's certainly in our

1442

01:02:49,280 --> 01:02:47,130

national security interest whether it's

1443

01:02:50,690 --> 01:02:49,290

extraterrestrial or just some secret

1444

01:02:53,000 --> 01:02:50,700

program being run by another government

1445

01:02:54,980 --> 01:02:53,010

the Navy the Air Force the army we

1446

01:02:56,450 --> 01:02:54,990

really need to know what's going on so

1447

01:02:58,520 --> 01:02:56,460

I'm all in favor of the Pentagon running

1448

01:03:00,620 --> 01:02:58,530

a program to try to figure out what

1449

01:03:01,069 --> 01:03:00,630

these things are and I also notice in

1450

01:03:02,960 --> 01:03:01,079

the lineup

1451

01:03:05,359 --> 01:03:02,970

Michael shret is going to be there as

1452

01:03:07,490 --> 01:03:05,369

well yes and he's one of the better guys

1453

01:03:09,170 --> 01:03:07,500

in terms of taking a look at these

1454

01:03:11,930 --> 01:03:09,180

sightings in determining whether or not

1455

01:03:14,210 --> 01:03:11,940

it's something of ours or not he's very

1456

01:03:17,150 --> 01:03:14,220

much up on that end of the field and

1457

01:03:19,160 --> 01:03:17,160

he's a top man under that little love

1458

01:03:21,599 --> 01:03:19,170

you know sort of a subheading they're

1459

01:03:23,729 --> 01:03:21,609

not in UFO studies so I

1460

01:03:25,200 --> 01:03:23,739

how familiar you are with him I think a

1461

01:03:28,289 --> 01:03:25,210

lot of the folks who listen to this show

1462

01:03:29,720 --> 01:03:28,299

are and he'd be a fun guy to listen to

1463

01:03:31,710 --> 01:03:29,730

no doubt about it he knows his stuff

1464

01:03:33,539 --> 01:03:31,720

looking forward to the green room

1465

01:03:35,460 --> 01:03:33,549

conversations at the upcoming conference

1466

01:03:37,499 --> 01:03:35,470

in Branson and most definitely most

1467

01:03:38,039 --> 01:03:37,509

definitely and that Chase is going to be

1468

01:03:40,559 --> 01:03:38,049

there as well

1469

01:03:41,970 --> 01:03:40,569

now did you have any role in the booking

1470

01:03:45,239 --> 01:03:41,980

of this conference or was this all

1471

01:03:47,729 --> 01:03:45,249

handled by the fellows who are doing the

1472

01:03:49,680 --> 01:03:47,739

producing Gen 6 date they did all of

1473

01:03:51,839 --> 01:03:49,690

this yeah I'm just a guy I'll just go

1474

01:03:56,910 --> 01:03:51,849

out there and say you know time to take

1475

01:03:59,460 --> 01:03:56,920

your seats and please welcome are you

1476

01:04:01,200 --> 01:03:59,470

gonna have wait are you gonna have chase

1477

01:04:03,900 --> 01:04:01,210

on your side Friday sure because she'd

1478

01:04:05,370 --> 01:04:03,910

be a great guest for you if we get an

1479

01:04:07,829 --> 01:04:05,380

opportunity to sit down with her we

1480

01:04:09,720 --> 01:04:07,839

would love to do that because she is a

1481

01:04:11,489 --> 01:04:09,730

very well-respected researcher and again

1482

01:04:13,589 --> 01:04:11,499

she was Sharon and I were really

1483

01:04:14,880 --> 01:04:13,599

impressed with with her when we had the

1484

01:04:17,519 --> 01:04:14,890

opportunity to sit and talk with her

1485

01:04:19,079 --> 01:04:17,529

over dinner and as the conference as

1486

01:04:21,180 --> 01:04:19,089

time as conference allowed it's it's

1487

01:04:25,829 --> 01:04:21,190

pretty crazy when you get that many

1488

01:04:27,599 --> 01:04:25,839

people in the theater there and the you

1489

01:04:29,579 --> 01:04:27,609

so we didn't have enough time to sit and

1490

01:04:31,019 --> 01:04:29,589

talk with the other speakers as we would

1491

01:04:32,700 --> 01:04:31,029

have liked but it really enjoyed the

1492

01:04:35,279 --> 01:04:32,710

time we had to talk with with chase with

1493

01:04:38,279 --> 01:04:35,289

Richard Dolan and with Hugo de garis as

1494

01:04:42,239 --> 01:04:38,289

well and Branson's a really fun and

1495

01:04:43,349 --> 01:04:42,249

interesting town it is the host I found

1496

01:04:46,950 --> 01:04:43,359

out in doing a little bit of background

1497

01:04:50,880 --> 01:04:46,960

research that is the host of the world's

1498

01:04:52,440 --> 01:04:50,890

largest privately owned Airport so it's

1499

01:04:54,210 --> 01:04:52,450

kind of out in the middle of nowhere and

1500

01:04:56,039 --> 01:04:54,220

I don't know how they do this how

1501
01:04:58,410 --> 01:04:56,049
they're able to get as many people into

1502
01:05:00,779 --> 01:04:58,420
that town that has a population of about

1503
01:05:03,509 --> 01:05:00,789
10 to 12 thousand it's a real small town

1504
01:05:05,009 --> 01:05:03,519
yet they're able to draw people in from

1505
01:05:07,349 --> 01:05:05,019
all over the world it's really

1506
01:05:10,079 --> 01:05:07,359
extraordinary and if you look at a map

1507
01:05:12,059 --> 01:05:10,089
it's you know not that not that

1508
01:05:13,049 --> 01:05:12,069
denigrate the town at all but it's kind

1509
01:05:15,329 --> 01:05:13,059
out in the middle of nowhere

1510
01:05:19,859 --> 01:05:15,339
no any absolutely is out in the middle

1511
01:05:22,200 --> 01:05:19,869
of nowhere and so are we but I was I was

1512
01:05:24,269 --> 01:05:22,210
born and raised in Chicago and I spent

1513
01:05:26,960 --> 01:05:24,279

some time after college working in

1514

01:05:29,789 --> 01:05:26,970

Philadelphia was there in 86 and 87

1515

01:05:32,160 --> 01:05:29,799

worked for a while Little Rock spent 17

1516

01:05:34,410 --> 01:05:32,170

years in st. Louis and now we live out

1517

01:05:35,490 --> 01:05:34,420

in the country so I grew up about a half

1518

01:05:37,530 --> 01:05:35,500

a block off or made

1519

01:05:39,690 --> 01:05:37,540

north south street in the city of

1520

01:05:41,640 --> 01:05:39,700

Chicago hearing you know buses and

1521

01:05:44,280 --> 01:05:41,650

trucks all night long and sirens and

1522

01:05:46,200 --> 01:05:44,290

what-have-you and now at night I

1523

01:05:48,060 --> 01:05:46,210

guarantee if I go outside right about

1524

01:05:51,450 --> 01:05:48,070

now nine o'clock Central Time I'll hear

1525

01:05:53,310 --> 01:05:51,460

coyotes right right cattle across the

1526

01:05:53,700 --> 01:05:53,320

back fence about 150 feet behind our

1527

01:05:55,890 --> 01:05:53,710

house

1528

01:05:58,140 --> 01:05:55,900

so cattle and coyotes and now you I

1529

01:06:00,599 --> 01:05:58,150

would suspect that you get a really nice

1530

01:06:02,370 --> 01:06:00,609

clear non light polluted sky to look up

1531

01:06:04,290 --> 01:06:02,380

at as well Oh tell me about it

1532

01:06:06,270 --> 01:06:04,300

Frank I tell you what the first night

1533

01:06:08,880 --> 01:06:06,280

that we moved here we've been here just

1534

01:06:11,310 --> 01:06:08,890

little over about four and a half years

1535

01:06:12,960 --> 01:06:11,320

now and walked outside one night with

1536

01:06:16,080 --> 01:06:12,970

her dachshund Sam who was my in studio

1537

01:06:17,700 --> 01:06:16,090

audience by the way is he's got a bed

1538

01:06:18,540 --> 01:06:17,710

and a binky if you know dachshunds of

1539

01:06:20,010 --> 01:06:18,550

course you know they love to burrow

1540

01:06:22,440 --> 01:06:20,020

under stuff so he's underneath his binky

1541

01:06:24,510 --> 01:06:22,450

and he's snoring aha

1542

01:06:28,109 --> 01:06:24,520

the residents of the dachshund nose is

1543

01:06:30,030 --> 01:06:28,119

really magnificent let him outside one

1544

01:06:33,000 --> 01:06:30,040

night and I didn't have my glasses on

1545

01:06:34,230 --> 01:06:33,010

I'm short-sighted but I I looked up at

1546

01:06:35,670 --> 01:06:34,240

the sky I thought wow it's kind of

1547

01:06:39,680 --> 01:06:35,680

cloudy right across the middle of the

1548

01:06:47,700 --> 01:06:45,120

seen it before it is so bright here then

1549

01:06:49,050 --> 01:06:47,710

I could see without my glasses on so you

1550

01:06:52,170 --> 01:06:49,060

know yeah it's an incredible thing and

1551
01:06:53,520 --> 01:06:52,180
we love be it Mike Sharon he was raised

1552
01:06:55,740 --> 01:06:53,530
in a small town you could walk from one

1553
01:06:58,250 --> 01:06:55,750
end to the other in ten minutes I had

1554
01:07:01,829 --> 01:06:58,260
never lived in a community smaller than

1555
01:07:03,150 --> 01:07:01,839
20,000 before we moved here and like I

1556
01:07:04,859 --> 01:07:03,160
said now we're out and we're out in the

1557
01:07:07,530 --> 01:07:04,869
country we're so far out that we can't

1558
01:07:11,040 --> 01:07:07,540
get cable they don't run cable onto us

1559
01:07:12,450 --> 01:07:11,050
so but I wouldn't trade it I wouldn't

1560
01:07:14,910 --> 01:07:12,460
trade it right I'm great

1561
01:07:17,089 --> 01:07:14,920
yeah but 45 minutes south east of where

1562
01:07:21,150 --> 01:07:17,099
we're at right now wanted to bring up a

1563
01:07:25,200 --> 01:07:21,160

trending UFO topic that's a kind of

1564

01:07:25,770 --> 01:07:25,210

taken the UFO community by storm no pun

1565

01:07:29,579 --> 01:07:25,780

intended

1566

01:07:34,530 --> 01:07:29,589

the storm area51 creator Maddy Roberts

1567

01:07:37,790 --> 01:07:34,540

he I guess intended that as a joke on

1568

01:07:41,460 --> 01:07:37,800

September 20th of this year however I

1569

01:07:43,740 --> 01:07:41,470

have seen on his page which was taken

1570

01:07:47,080 --> 01:07:43,750

down and then put back up again and I

1571

01:07:52,750 --> 01:07:49,930

I took screenshots of what I saw and

1572

01:07:57,850 --> 01:07:52,760

there was a mother who was willing to

1573

01:08:03,520 --> 01:07:57,860

actually arm her children to go into and

1574

01:08:06,070 --> 01:08:03,530

storm area 51 and she there were also

1575

01:08:10,230 --> 01:08:06,080

others who were openly planning with

1576

01:08:13,270 --> 01:08:10,240

weapons to go into the base by force and

1577

01:08:17,470 --> 01:08:13,280

just take the joke factor to the side

1578

01:08:19,570 --> 01:08:17,480

and talk speaking only to the violence

1579

01:08:22,900 --> 01:08:19,580

that has been promised against the base

1580

01:08:26,620 --> 01:08:22,910

by certain very sick individuals what

1581

01:08:30,670 --> 01:08:26,630

are your thoughts regarding this a topic

1582

01:08:33,430 --> 01:08:30,680

it's a US Air Force a training range for

1583

01:08:37,000 --> 01:08:33,440

them I'm sorry it's an open training

1584

01:08:39,460 --> 01:08:37,010

range for the US Air Force and the

1585

01:08:42,130 --> 01:08:39,470

spokeswoman Laura Laura McAndrews was

1586

01:08:45,040 --> 01:08:42,140

telling the Washington Post earlier in

1587

01:08:47,079 --> 01:08:45,050

the year that the US Air Force always

1588

01:08:51,250 --> 01:08:47,089

stands ready to protect America and its

1589

01:08:52,360 --> 01:08:51,260

assets what that means is exactly what

1590

01:08:55,150 --> 01:08:52,370

she said

1591

01:08:58,120 --> 01:08:55,160

they will use deadly force if people

1592

01:09:01,630 --> 01:08:58,130

decide to pay them a visit and across

1593

01:09:03,840 --> 01:09:01,640

the border of the area that's protecting

1594

01:09:06,220 --> 01:09:03,850

the base what are your thoughts on that

1595

01:09:08,200 --> 01:09:06,230

well I think this gets back to what we

1596

01:09:12,510 --> 01:09:08,210

said earlier in the program that this

1597

01:09:16,329 --> 01:09:12,520

for some people is a UFO phenomenon is

1598

01:09:18,430 --> 01:09:16,339

in their minds the key to answering the

1599

01:09:20,559 --> 01:09:18,440

big questions where do we come from why

1600

01:09:24,940 --> 01:09:20,569

are we here and what happens to us when

1601

01:09:26,980 --> 01:09:24,950

we die and their frustration and not

1602

01:09:30,220 --> 01:09:26,990

getting answers from those who they

1603

01:09:33,190 --> 01:09:30,230

believe hold those answers is I think

1604

01:09:34,720 --> 01:09:33,200

behind this you know desire to do

1605

01:09:37,990 --> 01:09:34,730

whatever's necessary to get into that

1606

01:09:39,940 --> 01:09:38,000

base I think it's foolish because yes

1607

01:09:42,460 --> 01:09:39,950

the military will protect whatever is in

1608

01:09:43,809 --> 01:09:42,470

there they don't want the Chinese and

1609

01:09:47,800 --> 01:09:43,819

the Russians knowing about it much less

1610

01:09:52,300 --> 01:09:47,810

you know and much less any of us but I

1611

01:09:53,829 --> 01:09:52,310

think yeah ultimately that's that's what

1612

01:09:55,420 --> 01:09:53,839

it comes down to for some people who are

1613

01:09:59,290 --> 01:09:55,430

looking for those answers and have not

1614

01:10:00,610 --> 01:09:59,300

found them in the Bible in their

1615

01:10:04,030 --> 01:10:00,620

churches

1616

01:10:05,560 --> 01:10:04,040

this is what they're turning to this

1617

01:10:07,600 --> 01:10:05,570

this may be for some of them in their

1618

01:10:11,680 --> 01:10:07,610

minds last hope and I really this is a

1619

01:10:13,600 --> 01:10:11,690

condemnation of Christians we're just

1620

01:10:15,820 --> 01:10:13,610

not doing a very good job of being the

1621

01:10:17,920 --> 01:10:15,830

imager that God created us to be

1622

01:10:19,270 --> 01:10:17,930

you know his image bearers because if we

1623

01:10:20,260 --> 01:10:19,280

had answered these questions and we said

1624

01:10:22,630 --> 01:10:20,270

hey look you know it doesn't really

1625

01:10:25,000 --> 01:10:22,640

matter if there are extraterrestrials or

1626

01:10:28,060 --> 01:10:25,010

not because they don't hold the key to

1627

01:10:30,550 --> 01:10:28,070

what happens when we die they don't hold

1628

01:10:32,320 --> 01:10:30,560

the answers to why you are here that's

1629

01:10:34,060 --> 01:10:32,330

all here we've not done a good job of

1630

01:10:37,500 --> 01:10:34,070

presenting that or making the case for

1631

01:10:39,940 --> 01:10:37,510

that and so they're turning to other

1632

01:10:41,710 --> 01:10:39,950

other avenues whether it's

1633

01:10:45,970 --> 01:10:41,720

extraterrestrials whether it's other

1634

01:10:48,250 --> 01:10:45,980

gods ultimately the the enemy and I kept

1635

01:10:50,230 --> 01:10:48,260

a little ie enemy Satan and his minions

1636

01:10:52,000 --> 01:10:50,240

they really don't care what we humans

1637

01:10:54,760 --> 01:10:52,010

believe as long as it's not in the one

1638

01:10:56,260 --> 01:10:54,770

thing that is true and we're all created

1639

01:10:58,300 --> 01:10:56,270

with freewill so believe me I'm not one

1640

01:11:00,820 --> 01:10:58,310

of those guys who's gonna tell you or or

1641

01:11:02,670 --> 01:11:00,830

mock you or belittle you if you disagree

1642

01:11:05,260 --> 01:11:02,680

with my point of view that's not my job

1643

01:11:07,300 --> 01:11:05,270

Jesus didn't tell his apostles that it

1644

01:11:10,150 --> 01:11:07,310

was our job to try to berate people or

1645

01:11:12,070 --> 01:11:10,160

belittle people or bully people into

1646

01:11:14,020 --> 01:11:12,080

accepting him which doesn't work anyway

1647

01:11:16,390 --> 01:11:14,030

I mean if you don't really believe it

1648

01:11:17,530 --> 01:11:16,400

doesn't work he told the Apostles look

1649

01:11:19,330 --> 01:11:17,540

if they're not gonna listen to you as

1650

01:11:21,840 --> 01:11:19,340

you go preach into a village just shake

1651
01:11:24,460 --> 01:11:21,850
the dust from your sandals and move on

1652
01:11:25,990 --> 01:11:24,470
we're not and never were supposed to

1653
01:11:29,170 --> 01:11:26,000
convert or try to convert at the point

1654
01:11:31,810 --> 01:11:29,180
of a sword but if we're not out there

1655
01:11:34,450 --> 01:11:31,820
representing the God who created us well

1656
01:11:36,640 --> 01:11:34,460
by loving our neighbors as ourselves

1657
01:11:37,810 --> 01:11:36,650
which was like you know very simple

1658
01:11:40,600 --> 01:11:37,820
command love God love your neighbors

1659
01:11:42,160 --> 01:11:40,610
love very simple and yet we still after

1660
01:11:44,560 --> 01:11:42,170
2,000 years we're just not doing a very

1661
01:11:47,800 --> 01:11:44,570
good job of it well I thank you very

1662
01:11:50,050 --> 01:11:47,810
much for saying all that I wanted to

1663
01:11:55,600 --> 01:11:50,060

mention I took a lot of heat in the UFO

1664

01:11:57,340 --> 01:11:55,610

community by certain people for being

1665

01:12:00,280 --> 01:11:57,350

against this event in only one respect

1666

01:12:01,600 --> 01:12:00,290

and they totally misunderstood what I

1667

01:12:05,440 --> 01:12:01,610

was saying although I was crystal clear

1668

01:12:09,400 --> 01:12:05,450

about it and regarding this storm area51

1669

01:12:12,220 --> 01:12:09,410

event and that is there should be no

1670

01:12:14,440 --> 01:12:12,230

violence involved in this event there

1671

01:12:20,710 --> 01:12:14,450

should be no one promising to come

1672

01:12:22,840 --> 01:12:20,720

to to threaten violence and you know it

1673

01:12:24,910 --> 01:12:22,850

comes on what we're talking about comes

1674

01:12:27,160 --> 01:12:24,920

on the heels up is something pretty

1675

01:12:29,050 --> 01:12:27,170

quite terrible and that is the mass

1676

01:12:30,880 --> 01:12:29,060

shootings that have occurred and there's

1677

01:12:32,800 --> 01:12:30,890

August 5th four people were injured at a

1678

01:12:33,670 --> 01:12:32,810

shooting during candlelight vigil in

1679

01:12:36,340 --> 01:12:33,680

Brooklyn New York

1680

01:12:38,380 --> 01:12:36,350

August 4th there were four people a

1681

01:12:41,410 --> 01:12:38,390

discovered wounded late at night in

1682

01:12:43,000 --> 01:12:41,420

Grenada Mississippi seven people were

1683

01:12:45,730 --> 01:12:43,010

wounded in drive-by in Douglass park

1684

01:12:47,290 --> 01:12:45,740

August 4th in Chicago Illinois and then

1685

01:12:49,300 --> 01:12:47,300

just escaping on down because there's

1686

01:12:51,940 --> 01:12:49,310

there's a list too long to mention here

1687

01:12:54,490 --> 01:12:51,950

but we have Walmart shootings then we

1688

01:12:56,620 --> 01:12:54,500

have a garlic festival in Gilroy

1689

01:12:58,990 --> 01:12:56,630

California where people were shot and

1690

01:13:02,680 --> 01:12:59,000

you know my point to the UFO community

1691

01:13:05,350 --> 01:13:02,690

was their point to me was well this is

1692

01:13:08,380 --> 01:13:05,360

all a joke we're going for the fun and

1693

01:13:11,230 --> 01:13:08,390

games and the music and for disclosure

1694

01:13:13,420 --> 01:13:11,240

and the truth as they called it which

1695

01:13:16,240 --> 01:13:13,430

the truth as we all know is different to

1696

01:13:18,220 --> 01:13:16,250

everybody and they're they're going to

1697

01:13:20,860 --> 01:13:18,230

demand that the government reveal

1698

01:13:24,340 --> 01:13:20,870

whatever it is that they would hope the

1699

01:13:26,410 --> 01:13:24,350

government could reveal my point was we

1700

01:13:30,070 --> 01:13:26,420

need to we need to understand that

1701

01:13:32,230 --> 01:13:30,080

there's crazy people out there and I use

1702

01:13:35,110 --> 01:13:32,240

that term kind of loosely crazy take it

1703

01:13:37,300 --> 01:13:35,120

as you will who are willing to degrade

1704

01:13:40,170 --> 01:13:37,310

themselves to the level of violence and

1705

01:13:43,780 --> 01:13:40,180

they use events like this as

1706

01:13:46,300 --> 01:13:43,790

opportunities to take advantage of where

1707

01:13:49,390 --> 01:13:46,310

there's good people who just want to

1708

01:13:55,680 --> 01:13:49,400

enjoy whatever it is they came to show

1709

01:13:59,170 --> 01:13:55,690

up to enjoy and they they use it to as a

1710

01:14:02,500 --> 01:13:59,180

point of opportunity and I wanted to

1711

01:14:05,080 --> 01:14:02,510

know how do you feel about these

1712

01:14:07,180 --> 01:14:05,090

shootings that just happened and the

1713

01:14:11,110 --> 01:14:07,190

possibility the potential for violence

1714

01:14:13,390 --> 01:14:11,120

at this event well I would hope that

1715

01:14:15,010 --> 01:14:13,400

nobody would actually go there and seem

1716

01:14:17,830 --> 01:14:15,020

to take it out gun the United States

1717

01:14:19,600 --> 01:14:17,840

military right I mean that's that's

1718

01:14:21,880 --> 01:14:19,610

that's suicide that would be foolish

1719

01:14:23,560 --> 01:14:21,890

yet people that are actually thinking

1720

01:14:24,400 --> 01:14:23,570

they can do that they're planning it

1721

01:14:26,350 --> 01:14:24,410

right now

1722

01:14:28,030 --> 01:14:26,360

I saw them planning it on his page and

1723

01:14:30,880 --> 01:14:28,040

they weren't joking either

1724

01:14:34,120 --> 01:14:30,890

multitudes of people were doing this mmm

1725

01:14:35,350 --> 01:14:34,130

well again it's going to be it's not

1726

01:14:40,030 --> 01:14:35,360

going to end well for them which is

1727

01:14:43,480 --> 01:14:40,040

which is tragic I'm sure that the the

1728

01:14:46,450 --> 01:14:43,490

the military doesn't relish the idea of

1729

01:14:49,120 --> 01:14:46,460

having to use force to defend the base

1730

01:14:50,230 --> 01:14:49,130

against American citizens but I presume

1731

01:14:52,620 --> 01:14:50,240

that that's what they'll be willing to

1732

01:14:54,550 --> 01:14:52,630

do if the whatever is on the base is

1733

01:14:59,380 --> 01:14:54,560

secret enough that they don't want it to

1734

01:15:01,330 --> 01:14:59,390

get out but I think it speaks to the the

1735

01:15:03,520 --> 01:15:01,340

day in which we live and I would argue

1736

01:15:08,830 --> 01:15:03,530

that the violence that we've seen here

1737

01:15:11,560 --> 01:15:08,840

in recent in recent years actually

1738

01:15:16,110 --> 01:15:11,570

argues for the Christian worldview which

1739

01:15:20,290 --> 01:15:16,120

suggests that we as humans are

1740

01:15:23,290 --> 01:15:20,300

inherently our default setting is to

1741

01:15:26,380 --> 01:15:23,300

sin is to do bad things to other people

1742

01:15:29,230 --> 01:15:26,390

and God in His wisdom having created us

1743

01:15:32,200 --> 01:15:29,240

with free will allowed for us to have

1744

01:15:34,300 --> 01:15:32,210

the free will to do bad things the only

1745

01:15:37,000 --> 01:15:34,310

way for bad things not to happen to good

1746

01:15:38,740 --> 01:15:37,010

people for things like happened in El

1747

01:15:41,680 --> 01:15:38,750

Paso and Dayton this weekend not to

1748

01:15:44,770 --> 01:15:41,690

happen would for God is if God had

1749

01:15:46,240 --> 01:15:44,780

created little automatons to limit our

1750

01:15:48,070 --> 01:15:46,250

range of choices to make us little

1751

01:15:49,600 --> 01:15:48,080

robots that couldn't hurt each other

1752

01:15:51,340 --> 01:15:49,610

because we were not free to make those

1753

01:15:52,690 --> 01:15:51,350

choices and I know that there are those

1754

01:15:54,580 --> 01:15:52,700

out there who suggest that we don't

1755

01:15:57,900 --> 01:15:54,590

actually have free will that everything

1756

01:16:00,370 --> 01:15:57,910

we do is just the result of chemical

1757

01:16:03,160 --> 01:16:00,380

reactions inside of our brains or that

1758

01:16:04,510 --> 01:16:03,170

we are somehow inside of a simulation

1759

01:16:07,900 --> 01:16:04,520

and nothing really matters anymore

1760

01:16:10,570 --> 01:16:07,910

anyway again I would suggest that the

1761

01:16:13,540 --> 01:16:10,580

the outcome of those actions which are

1762

01:16:16,240 --> 01:16:13,550

evil there's no other word for it argues

1763

01:16:18,550 --> 01:16:16,250

for the source of those ideas and it's

1764

01:16:19,900 --> 01:16:18,560

not the God of the Bible okay the last

1765

01:16:22,660 --> 01:16:19,910

question I have for you about this topic

1766

01:16:26,140 --> 01:16:22,670

and then we'll move on is how in the

1767

01:16:28,030 --> 01:16:26,150

world can people showing up at a base

1768

01:16:29,710 --> 01:16:28,040

and by the way I believe the military is

1769

01:16:31,720 --> 01:16:29,720

going to make sure that they can't get

1770

01:16:33,490 --> 01:16:31,730

anywhere near the base that their

1771

01:16:35,080 --> 01:16:33,500

presence will be many miles away from it

1772

01:16:37,840 --> 01:16:35,090

so people can only go so far

1773

01:16:41,300 --> 01:16:37,850

but how can people showing up and mass

1774

01:16:43,640 --> 01:16:41,310

at a base demanding for the truth

1775

01:16:45,860 --> 01:16:43,650

which means something different to all

1776

01:16:47,600 --> 01:16:45,870

to billion people on this planet at all

1777

01:16:50,860 --> 01:16:47,610

seven point seven billion people on this

1778

01:16:54,740 --> 01:16:50,870

planet how is that going to create

1779

01:16:58,130 --> 01:16:54,750

transparency for the topic of ufology

1780

01:17:02,480 --> 01:16:58,140

from the government it has never done

1781

01:17:03,650 --> 01:17:02,490

that before why would it happen now no

1782

01:17:05,620 --> 01:17:03,660

you think you've answered the question

1783

01:17:08,060 --> 01:17:05,630

it's not going to happen

1784

01:17:09,530 --> 01:17:08,070

well what I understand that there's some

1785

01:17:11,300 --> 01:17:09,540

talk going on about it what I hope

1786

01:17:13,100 --> 01:17:11,310

happens is that they do have a little

1787

01:17:16,310 --> 01:17:13,110

bit of a music festival and get together

1788

01:17:18,230 --> 01:17:16,320

to support greater transparency and I

1789

01:17:20,210 --> 01:17:18,240

hope that's what happened I mean there

1790

01:17:22,220 --> 01:17:20,220

is the possibility that some folks will

1791

01:17:25,520 --> 01:17:22,230

branch off and do something as stupid

1792

01:17:27,890 --> 01:17:25,530

and ultimately self-destructive but you

1793

01:17:31,840 --> 01:17:27,900

know I'm hopeful that things turn out

1794

01:17:34,240 --> 01:17:31,850

well yeah yeah let's pray that nobody

1795

01:17:37,130 --> 01:17:34,250

actually gets serious about trying to

1796

01:17:38,150 --> 01:17:37,140

draw down on the United States military

1797

01:17:39,190 --> 01:17:38,160

because like I said it's not going to

1798

01:17:43,460 --> 01:17:39,200

end well

1799

01:17:46,310 --> 01:17:43,470

on December 16 2017 Leslie Kean and two

1800

01:17:49,700 --> 01:17:46,320

other authors wrote an article called

1801
01:17:51,200 --> 01:17:49,710
gluing Aras Aras and black money Derek

1802
01:17:53,030 --> 01:17:51,210
and I wanted to know do you feel that

1803
01:17:54,490 --> 01:17:53,040
that was a form of disclosure from the

1804
01:17:58,430 --> 01:17:54,500
government

1805
01:18:00,520 --> 01:17:58,440
well no I think this was actually it

1806
01:18:03,140 --> 01:18:00,530
this gets back to my skeptical

1807
01:18:05,810 --> 01:18:03,150
assessment of tea tsa I think it was a

1808
01:18:09,850 --> 01:18:05,820
marketing a well-planned marketing and

1809
01:18:14,240 --> 01:18:09,860
PR move for the folks behind T TSA I

1810
01:18:15,830 --> 01:18:14,250
understand okay and do you believe that

1811
01:18:19,190 --> 01:18:15,840
there is anything supernatural

1812
01:18:21,740 --> 01:18:19,200
whatsoever about the UFO topic that we

1813
01:18:25,490 --> 01:18:21,750

haven't discussed that you wanted to

1814

01:18:28,850 --> 01:18:25,500

bring to our attention or paranormal or

1815

01:18:32,390 --> 01:18:28,860

along the lines of the opposite of

1816

01:18:34,630 --> 01:18:32,400

spirituality well no not really I do

1817

01:18:37,760 --> 01:18:34,640

think it is a spiritual or supernatural

1818

01:18:40,340 --> 01:18:37,770

phenomenon again open to the idea that

1819

01:18:42,470 --> 01:18:40,350

maybe someday a an extraterrestrial

1820

01:18:44,480 --> 01:18:42,480

craft will land here but I just have not

1821

01:18:46,520 --> 01:18:44,490

seen evidence of that yet not that's

1822

01:18:50,660 --> 01:18:46,530

compelling to me nothing that couldn't

1823

01:18:52,460 --> 01:18:50,670

be explained by other alternative

1824

01:18:54,890 --> 01:18:52,470

explanations you know interdimensional

1825

01:18:58,610 --> 01:18:56,240

been with us since the beginning since

1826

01:19:00,260 --> 01:18:58,620

the garden why would they present to

1827

01:19:03,110 --> 01:19:00,270

them to present themselves to us as

1828

01:19:05,540 --> 01:19:03,120

extraterrestrials and you they don't

1829

01:19:06,710 --> 01:19:05,550

care what we believe whether we believe

1830

01:19:08,600 --> 01:19:06,720

in other gods or believing that

1831

01:19:10,730 --> 01:19:08,610

extraterrestrials will be our salvation

1832

01:19:13,430 --> 01:19:10,740

they really don't care as long as it's

1833

01:19:16,490 --> 01:19:13,440

not the one thing that Jesus said was

1834

01:19:18,350 --> 01:19:16,500

required for salvation now Jack you're

1835

01:19:21,740 --> 01:19:18,360

not a Christian that's fine I bury you

1836

01:19:23,270 --> 01:19:21,750

no no ill will God created us all with

1837

01:19:28,070 --> 01:19:23,280

free will to choose to believe whatever

1838

01:19:29,270 --> 01:19:28,080

we want but that's what Jesus said you

1839

01:19:32,750 --> 01:19:29,280

know there's only one way to the Father

1840

01:19:35,180 --> 01:19:32,760

and that is through me and that excludes

1841

01:19:37,220 --> 01:19:35,190

the millions of people around the world

1842

01:19:39,970 --> 01:19:37,230

who choose to follow the teachings of

1843

01:19:43,850 --> 01:19:39,980

Muhammad those who are Hindu Buddhist

1844

01:19:47,150 --> 01:19:43,860

Jews Jane's zoroastrians whatever again

1845

01:19:51,110 --> 01:19:47,160

we were all created with free will those

1846

01:19:53,690 --> 01:19:51,120

who choose to follow the the belief that

1847

01:19:56,960 --> 01:19:53,700

the the ashtar command is here to to

1848

01:19:59,330 --> 01:19:56,970

help us all to the next level okay

1849

01:20:01,970 --> 01:19:59,340

good on you just evaluate the evidence

1850

01:20:04,010 --> 01:20:01,980

that's that's would be my one suggestion

1851

01:20:06,680 --> 01:20:04,020

just evaluate the evidence with a

1852

01:20:08,360 --> 01:20:06,690

critical eye I just have to wonder why

1853

01:20:09,770 --> 01:20:08,370

if we're being visited by beings from

1854

01:20:11,180 --> 01:20:09,780

other planets that are so

1855

01:20:14,870 --> 01:20:11,190

technologically advanced they could

1856

01:20:19,580 --> 01:20:14,880

cross the vast gulf of space why they

1857

01:20:22,010 --> 01:20:19,590

can't figure out how to use a webcam or

1858

01:20:25,850 --> 01:20:22,020

a cell phone I mean why are these

1859

01:20:29,660 --> 01:20:25,860

messages being sent like channelling

1860

01:20:32,300 --> 01:20:29,670

well you know that's the kind of rituals

1861

01:20:33,890 --> 01:20:32,310

that were being done 3,000 years ago in

1862

01:20:36,530 --> 01:20:33,900

the Bible where necromancer's were

1863

01:20:38,930 --> 01:20:36,540

summoning Elohim spirits from the

1864

01:20:40,790 --> 01:20:38,940

underworld to communicate messages to

1865

01:20:42,200 --> 01:20:40,800

the living in fact that's the book that

1866

01:20:43,970 --> 01:20:42,210

Sharon and I are writing right now about

1867

01:20:47,090 --> 01:20:43,980

the the spirits of the Dead and the

1868

01:20:49,730 --> 01:20:47,100

practice of offering sacrifices to them

1869

01:20:51,890 --> 01:20:49,740

and getting messages from them summoning

1870

01:20:54,170 --> 01:20:51,900

the spirits of the ancestors this is the

1871

01:20:57,580 --> 01:20:54,180

same type of communication why is it all

1872

01:21:02,570 --> 01:20:57,590

telepathic why isn't it you know analog

1873

01:21:04,910 --> 01:21:02,580

actually yeah I have some I'm not

1874

01:21:07,160 --> 01:21:04,920

entirely convinced that what we're

1875

01:21:08,510 --> 01:21:07,170

dealing with is telepathy that it might

1876

01:21:10,820 --> 01:21:08,520

well be it's just the technology

1877

01:21:13,400 --> 01:21:10,830

that we don't understand so I'm open to

1878

01:21:15,290 --> 01:21:13,410

that possibility as well which is

1879

01:21:16,580 --> 01:21:15,300

possible but why are only certain people

1880

01:21:18,530 --> 01:21:16,590

able to receive it then if it's that

1881

01:21:20,210 --> 01:21:18,540

advanced why can't they do a broadband

1882

01:21:21,710 --> 01:21:20,220

communication where they can reach a

1883

01:21:23,240 --> 01:21:21,720

whole bunch of people at once hey we're

1884

01:21:25,760 --> 01:21:23,250

here to help you and if they are here to

1885

01:21:27,890 --> 01:21:25,770

help what are they waiting for these are

1886

01:21:30,110 --> 01:21:27,900

all great points by the way I really

1887

01:21:32,780 --> 01:21:30,120

enjoy listening to you I have never

1888

01:21:34,610 --> 01:21:32,790

heard that kind of point made or these

1889

01:21:36,140 --> 01:21:34,620

points made rather you know I'm really

1890

01:21:38,240 --> 01:21:36,150

glad that you're bringing them up thank

1891

01:21:40,730 --> 01:21:38,250

you well you know and here's the other

1892

01:21:44,270 --> 01:21:40,740

thing if remember if people in the UFO

1893

01:21:47,420 --> 01:21:44,280

community are say getting frustrated or

1894

01:21:50,300 --> 01:21:47,430

impatient with to the Stars Academy for

1895

01:21:51,770 --> 01:21:50,310

the scientific results of the testing

1896

01:21:54,260 --> 01:21:51,780

that they've done on this this anomalous

1897

01:21:55,760 --> 01:21:54,270

material why aren't we demanding the

1898

01:21:58,940 --> 01:21:55,770

same kind of evidence from these

1899

01:22:00,260 --> 01:21:58,950

entities that are contacting sensitives

1900

01:22:02,300 --> 01:22:00,270

and and telling them that they're here

1901

01:22:03,830 --> 01:22:02,310

from another galaxy and other dimension

1902

01:22:06,500 --> 01:22:03,840

or whatever I mean why didn't Erich von

1903

01:22:08,120 --> 01:22:06,510

däniken have more people press him when

1904

01:22:11,000 --> 01:22:08,130

he claimed that a lot of the information

1905

01:22:13,520 --> 01:22:11,010

he was receiving about the the secret

1906

01:22:16,790 --> 01:22:13,530

history of earth was channeled from the

1907

01:22:20,450 --> 01:22:16,800

fourth dimension hmm really show me some

1908

01:22:22,370 --> 01:22:20,460

evidence I mean you know it when the

1909

01:22:24,680 --> 01:22:22,380

Bible tells us that the Risen Jesus

1910

01:22:26,450 --> 01:22:24,690

first Corinthians 15 if you read it it's

1911

01:22:28,190 --> 01:22:26,460

like Paul is explaining the church at

1912

01:22:30,290 --> 01:22:28,200

Corinth here is why you should believe

1913

01:22:31,850 --> 01:22:30,300

the Risen Jesus first appeared to Peter

1914

01:22:34,700 --> 01:22:31,860

and of course we know appeared to Mary

1915

01:22:36,680 --> 01:22:34,710

and Martha first but still you are Mary

1916

01:22:38,210 --> 01:22:36,690

and Mary Magdalene but he's to be

1917

01:22:40,280 --> 01:22:38,220

appeared to Peter appeared to James the

1918

01:22:43,310 --> 01:22:40,290

brother of Jesus then to the twelve then

1919

01:22:45,380 --> 01:22:43,320

to hundreds of brothers some of whom

1920

01:22:47,120 --> 01:22:45,390

have fallen asleep meaning they've died

1921

01:22:48,260 --> 01:22:47,130

but most of whom are still awake in

1922

01:22:50,120 --> 01:22:48,270

other words he was saying look if you

1923

01:22:53,630 --> 01:22:50,130

don't believe my story about this guy

1924

01:22:55,700 --> 01:22:53,640

who was crucified and died and then rose

1925

01:22:57,650 --> 01:22:55,710

from the tomb on the third day go to

1926

01:23:02,120 --> 01:22:57,660

Jerusalem and ask around there are

1927

01:23:04,370 --> 01:23:02,130

witnesses and yet most other belief

1928

01:23:07,250 --> 01:23:04,380

systems and we'll just keep this limited

1929

01:23:10,430 --> 01:23:07,260

to the the UFO community very few

1930

01:23:13,670 --> 01:23:10,440

encounters have more than one witness

1931

01:23:15,080 --> 01:23:13,680

now obviously the nimitz incident and

1932

01:23:16,490 --> 01:23:15,090

and there are others that you could name

1933

01:23:20,540 --> 01:23:16,500

and that i could name that have more

1934

01:23:22,130 --> 01:23:20,550

than one witness but not that don't have

1935

01:23:22,340 --> 01:23:22,140

alternate explanations like we talked

1936

01:23:23,870 --> 01:23:22,350

about

1937

01:23:25,850 --> 01:23:23,880

with the Tic Tac incident and the Nimitz

1938

01:23:27,620 --> 01:23:25,860

we don't know for a fact that this is

1939

01:23:29,240 --> 01:23:27,630

extraterrestrial those who are

1940

01:23:33,200 --> 01:23:29,250

concluding its extraterrestrial are

1941

01:23:34,760 --> 01:23:33,210

doing so without definite confirmation

1942

01:23:36,500 --> 01:23:34,770

that that's effect it could be a secret

1943

01:23:39,470 --> 01:23:36,510

terrestrial project from our government

1944

01:23:41,030 --> 01:23:39,480

or for some other government people who

1945

01:23:43,250 --> 01:23:41,040

are hearing messages from these entities

1946

01:23:45,830 --> 01:23:43,260

I would just like a little more proof

1947

01:23:47,660 --> 01:23:45,840

before I accept and take their word for

1948

01:23:49,430 --> 01:23:47,670

it and by the way I have the same

1949

01:23:52,090 --> 01:23:49,440

comment toward those that are engaging

1950

01:23:54,080 --> 01:23:52,100

in the occult and dealing with you know

1951

01:23:55,730 --> 01:23:54,090

projecting themselves into the spirit

1952

01:23:56,930 --> 01:23:55,740

realm and contacting these spirit

1953

01:23:58,250 --> 01:23:56,940

entities how do you know they are what

1954

01:24:00,880 --> 01:23:58,260

they say they're what they claim to be

1955

01:24:04,070 --> 01:24:00,890

how do you know they're friendly

1956

01:24:06,800 --> 01:24:04,080

well well for one thing there's the the

1957

01:24:08,360 --> 01:24:06,810

lack of evidence of any real harm being

1958

01:24:10,580 --> 01:24:08,370

done there's been no attack

1959

01:24:13,520 --> 01:24:10,590

you know murders that sort of thing and

1960

01:24:15,830 --> 01:24:13,530

as far as those who were abducted and

1961

01:24:18,070 --> 01:24:15,840

experimented on the the sexual aspect of

1962

01:24:20,750 --> 01:24:18,080

the abduction phenomenon suggests that

1963

01:24:22,430 --> 01:24:20,760

and I suppose we can separate the

1964

01:24:24,680 --> 01:24:22,440

abduction phenomenon from the UFO

1965

01:24:27,380 --> 01:24:24,690

phenomenon those are probably two

1966

01:24:29,480 --> 01:24:27,390

separate two separate things but those

1967

01:24:31,220 --> 01:24:29,490

who have been through the abduction

1968

01:24:33,560 --> 01:24:31,230

phenomenon would probably argue that

1969

01:24:35,960 --> 01:24:33,570

that wasn't very pleasant that's

1970

01:24:38,840 --> 01:24:35,970

interesting I've never heard there was a

1971

01:24:41,690 --> 01:24:38,850

delineation ever until you just said it

1972

01:24:44,630 --> 01:24:41,700

now that there the abduction phenomenon

1973

01:24:47,180 --> 01:24:44,640

is probably separate and different than

1974

01:24:50,960 --> 01:24:47,190

the UFO phenomenon so I feel like I'm

1975

01:24:52,340 --> 01:24:50,970

really you know I really heard a lot of

1976

01:24:54,500 --> 01:24:52,350

very different things from you that I've

1977

01:24:56,240 --> 01:24:54,510

original thoughts that I've never heard

1978

01:24:58,340 --> 01:24:56,250

from anybody before thank you I

1979

01:24:59,570 --> 01:24:58,350

appreciate that but you know this is

1980

01:25:00,770 --> 01:24:59,580

this a stuff that I've heard from others

1981

01:25:03,350 --> 01:25:00,780

who have been involved in this for a

1982

01:25:06,760 --> 01:25:03,360

while I would mention Joe Jordan of the

1983

01:25:09,680 --> 01:25:06,770

ce4 research group guy Malone who has

1984

01:25:12,710 --> 01:25:09,690

been coordinating conferences in in

1985

01:25:14,600 --> 01:25:12,720

Roswell New Mexico for years but if you

1986

01:25:17,290 --> 01:25:14,610

if you think about it though it kind of

1987

01:25:20,600 --> 01:25:17,300

makes sense because the the unidentified

1988

01:25:23,420 --> 01:25:20,610

craft in the air aren't necessarily the

1989

01:25:25,760 --> 01:25:23,430

ones that are doing the are performing

1990

01:25:29,390 --> 01:25:25,770

these of these abductions and what Joe

1991

01:25:31,360 --> 01:25:29,400

and others in who have followed his

1992

01:25:33,680 --> 01:25:31,370

research have discovered is that those

1993

01:25:36,240 --> 01:25:33,690

people who've been subjected to the

1994

01:25:38,650 --> 01:25:36,250

abduction phenomenon

1995

01:25:41,260 --> 01:25:38,660

have more success in stopping them when

1996

01:25:44,020 --> 01:25:41,270

they deal with it as a spiritual attack

1997

01:25:45,520 --> 01:25:44,030

in other words it's more demonic than it

1998

01:25:49,390 --> 01:25:45,530

is extraterrestrial and when you

1999

01:25:51,930 --> 01:25:49,400

approach it from that perspective that

2000

01:25:56,310 --> 01:25:51,940

you're dealing with demons rather than

2001
01:26:00,430 --> 01:25:56,320
aliens you can actually make it stop by

2002
01:26:02,530 --> 01:26:00,440
treating it as a demonic attack and and

2003
01:26:06,070 --> 01:26:02,540
invoking the name of Jesus dealing with

2004
01:26:07,870 --> 01:26:06,080
it as it has a deliverance now there has

2005
01:26:09,880 --> 01:26:07,880
been a lot of information gathered by

2006
01:26:11,380 --> 01:26:09,890
the free organization that the one

2007
01:26:13,840 --> 01:26:11,390
started by increments what we talked

2008
01:26:16,000 --> 01:26:13,850
about a little bit earlier and there's a

2009
01:26:18,010 --> 01:26:16,010
lot of talk about the exact opposite of

2010
01:26:20,320 --> 01:26:18,020
these negative experiences there's talk

2011
01:26:20,919 --> 01:26:20,330
about spontaneous healing that type of

2012
01:26:22,780 --> 01:26:20,929
thing

2013
01:26:26,290 --> 01:26:22,790

what are your thoughts about that I mean

2014

01:26:27,760 --> 01:26:26,300

that I like to be a positive guy so when

2015

01:26:30,250 --> 01:26:27,770

I hear news about that I think that's

2016

01:26:32,380 --> 01:26:30,260

great if somebody has a malady or you

2017

01:26:34,570 --> 01:26:32,390

know even a life-threatening illness and

2018

01:26:37,270 --> 01:26:34,580

they're reporting that after an

2019

01:26:39,070 --> 01:26:37,280

experience it goes away and I literally

2020

01:26:40,870 --> 01:26:39,080

they're back to good health afterwards

2021

01:26:43,570 --> 01:26:40,880

nothing wrong with that

2022

01:26:44,709 --> 01:26:43,580

no I would I bought a favor of that I

2023

01:26:46,360 --> 01:26:44,719

think that would be a wonderful thing

2024

01:26:47,680 --> 01:26:46,370

love to see those documented and I say

2025

01:26:50,229 --> 01:26:47,690

the same thing by the way about claims

2026

01:26:52,180 --> 01:26:50,239

of healings in the name of Jesus you

2027

01:26:53,770 --> 01:26:52,190

know so again if you're gonna make an

2028

01:26:57,040 --> 01:26:53,780

extraordinary claim extraordinary proof

2029

01:26:59,050 --> 01:26:57,050

is needed I've seen I've seen some

2030

01:27:01,360 --> 01:26:59,060

things that I can't explain that I would

2031

01:27:05,880 --> 01:27:01,370

classify as miracles but you know others

2032

01:27:07,810 --> 01:27:05,890

may disagree but yes I think that if

2033

01:27:09,160 --> 01:27:07,820

anytime you're dealing with a situation

2034

01:27:11,200 --> 01:27:09,170

like that whether it's a miraculous

2035

01:27:12,850 --> 01:27:11,210

healing or a really unpleasant

2036

01:27:15,100 --> 01:27:12,860

experience that the late Harvard

2037

01:27:19,630 --> 01:27:15,110

physicist or psychologists rather John

2038

01:27:21,070 --> 01:27:19,640

Mac equated to the the experience of

2039

01:27:22,540 --> 01:27:21,080

those who'd gone through satanic ritual

2040

01:27:28,870 --> 01:27:22,550

abuse he'd be basically said that those

2041

01:27:32,290 --> 01:27:28,880

who had experienced abductions they

2042

01:27:33,939 --> 01:27:32,300

their experiences were similar and too

2043

01:27:36,850 --> 01:27:33,949

similar to be just coincidental with

2044

01:27:38,680 --> 01:27:36,860

satanic ritual abuse well that's not

2045

01:27:40,330 --> 01:27:38,690

that say that everybody who's had an

2046

01:27:43,689 --> 01:27:40,340

encounter has been contacted has had a

2047

01:27:45,130 --> 01:27:43,699

negative experience so how do we process

2048

01:27:46,690 --> 01:27:45,140

that well it's it's still an open

2049

01:27:50,050 --> 01:27:46,700

question

2050

01:27:53,320 --> 01:27:50,060

okay and I wanted to also bring up your

2051

01:27:55,900 --> 01:27:53,330

wife again because I think it's

2052

01:28:01,060 --> 01:27:55,910

important to do that regarding the topic

2053

01:28:02,950 --> 01:28:01,070

of transhumanism and your wife and a

2054

01:28:05,290 --> 01:28:02,960

perspective she may have shared with you

2055

01:28:09,600 --> 01:28:05,300

about that topic that you felt is

2056

01:28:15,100 --> 01:28:13,930

is there too much to cover I think the

2057

01:28:18,610 --> 01:28:15,110

one that I would point out and this is

2058

01:28:22,270 --> 01:28:18,620

one that we we try to bring up when we

2059

01:28:23,800 --> 01:28:22,280

discuss it you know at Sky Watch TV we

2060

01:28:27,970 --> 01:28:23,810

produced a documentary a few years ago

2061

01:28:29,560 --> 01:28:27,980

called inhuman and you know Tom Horn

2062

01:28:31,170 --> 01:28:29,570

being the executive producer to his

2063

01:28:35,250 --> 01:28:31,180

credit went and interviewed

2064

01:28:37,600 --> 01:28:35,260

transhumanists like Natasha Evita more

2065

01:28:39,940 --> 01:28:37,610

and I'm gonna forget the name of the the

2066

01:28:42,190 --> 01:28:39,950

professor out east who said that he

2067

01:28:44,020 --> 01:28:42,200

thought tom was was nuts but anyway but

2068

01:28:45,430 --> 01:28:44,030

gave them a friendly venue to express

2069

01:28:47,770 --> 01:28:45,440

their opinions and explain why they

2070

01:28:51,100 --> 01:28:47,780

believed transhumanism is a good thing

2071

01:28:54,040 --> 01:28:51,110

and I've interviewed people like Zoltan

2072

01:28:55,690 --> 01:28:54,050

Istvan and the founder of the Christian

2073

01:28:58,990 --> 01:28:55,700

transhumanist Association the Reverend

2074

01:29:00,520 --> 01:28:59,000

dr. Christopher benek I understand what

2075

01:29:02,530 --> 01:29:00,530

what they're trying to do and that is to

2076

01:29:04,830 --> 01:29:02,540

better the human condition and that I

2077

01:29:08,920 --> 01:29:04,840

have no qualms with that whatsoever um

2078

01:29:10,000 --> 01:29:08,930

where there's a problem with actually a

2079

01:29:11,530 --> 01:29:10,010

couple of a couple of places where

2080

01:29:14,740 --> 01:29:11,540

there's a problem one is when it becomes

2081

01:29:17,770 --> 01:29:14,750

a substitute gospel we're going to live

2082

01:29:19,240 --> 01:29:17,780

forever through technology okay well I I

2083

01:29:21,370 --> 01:29:19,250

don't think so

2084

01:29:22,900 --> 01:29:21,380

you're welcome to try but I'll I'll

2085

01:29:25,720 --> 01:29:22,910

stick with the promise that I've been

2086

01:29:27,760 --> 01:29:25,730

given of a of a you know a better body

2087

01:29:30,570 --> 01:29:27,770

in the resurrection one that doesn't

2088

01:29:33,640 --> 01:29:30,580

break down quite so easily but secondly

2089

01:29:35,500 --> 01:29:33,650

and this is I think for even

2090

01:29:37,540 --> 01:29:35,510

non-believers I think we can set

2091

01:29:39,520 --> 01:29:37,550

religion aside on this particular issue

2092

01:29:41,920 --> 01:29:39,530

and and this is one that that really

2093

01:29:46,060 --> 01:29:41,930

disturbs us and Sharon for her this hits

2094

01:29:49,420 --> 01:29:46,070

close to home because the the issue

2095

01:29:52,240 --> 01:29:49,430

originated in part at her alma mater

2096

01:29:54,780 --> 01:29:52,250

Indiana University and that is that

2097

01:29:56,459 --> 01:29:54,790

transhumanism is essentially rebranded

2098

01:30:00,600 --> 01:29:56,469

eugenics

2099

01:30:04,589 --> 01:30:00,610

it is all about weeding out the unfit

2100

01:30:07,529 --> 01:30:04,599

and when you begin to look at the

2101
01:30:09,859 --> 01:30:07,539
logistics of how transhumanism or how

2102
01:30:13,350 --> 01:30:09,869
transhumanist technology would be

2103
01:30:14,939 --> 01:30:13,360
allocated given the problems that we

2104
01:30:17,549 --> 01:30:14,949
have for just getting basic health care

2105
01:30:21,350 --> 01:30:17,559
to all of our citizens you have to say

2106
01:30:23,939 --> 01:30:21,360
you know GE um there might be a little

2107
01:30:25,979 --> 01:30:23,949
disparity between what's available to

2108
01:30:30,750 --> 01:30:25,989
the the masses and what's available to

2109
01:30:33,000 --> 01:30:30,760
the 1% they can already afford the best

2110
01:30:36,209 --> 01:30:33,010
stuff for in terms of healthcare and so

2111
01:30:37,859 --> 01:30:36,219
if if by some some miracle technology

2112
01:30:40,949 --> 01:30:37,869
was invented that would allow us to

2113
01:30:42,750 --> 01:30:40,959

become stronger live longer be more

2114

01:30:46,620 --> 01:30:42,760

intelligent you know to essentially

2115

01:30:50,759 --> 01:30:46,630

upgrade in humanity 2.0 how in the world

2116

01:30:53,100 --> 01:30:50,769

are the people in Flint Michigan or you

2117

01:30:55,979 --> 01:30:53,110

know living in the the the impoverished

2118

01:30:57,449 --> 01:30:55,989

coal mining regions of Appalachia or the

2119

01:30:59,640 --> 01:30:57,459

Native Americans on the reservation

2120

01:31:01,709 --> 01:30:59,650

people who are disadvantaged

2121

01:31:03,929 --> 01:31:01,719

economically how are they going to have

2122

01:31:06,689 --> 01:31:03,939

access to this technology are there is

2123

01:31:08,100 --> 01:31:06,699

the 1% they really gonna give fruit you

2124

01:31:11,459 --> 01:31:08,110

know fair access to this stuff to

2125

01:31:12,929 --> 01:31:11,469

everybody or are they gonna stay well we

2126
01:31:14,729 --> 01:31:12,939
really need to make sure that only the

2127
01:31:19,830 --> 01:31:14,739
best gets act because we don't want to

2128
01:31:22,739 --> 01:31:19,840
upgrade people whose genes are less

2129
01:31:24,270 --> 01:31:22,749
desirable I mean it's not gonna take

2130
01:31:26,459 --> 01:31:24,280
very long before we're back where we

2131
01:31:30,290 --> 01:31:26,469
were a hundred years ago creating the

2132
01:31:32,189 --> 01:31:30,300
same scientific rationale for

2133
01:31:35,580 --> 01:31:32,199
sterilizing people that we consider

2134
01:31:38,399 --> 01:31:35,590
unfit which is what produced the Nazi

2135
01:31:40,229 --> 01:31:38,409
program to create the master race I mean

2136
01:31:42,149 --> 01:31:40,239
it's it's not well known here it's here

2137
01:31:45,479 --> 01:31:42,159
in the United States but the Nazi

2138
01:31:48,870 --> 01:31:45,489

program that began in 1933 was based on

2139

01:31:53,089 --> 01:31:48,880

the eugenics policies of the state of

2140

01:31:55,439 --> 01:31:53,099

California which were brought there by a

2141

01:31:57,270 --> 01:31:55,449

well it basically developed around the

2142

01:32:00,029 --> 01:31:57,280

country but California in the state of

2143

01:32:01,799 --> 01:32:00,039

Indiana were early adopters and even as

2144

01:32:02,969 --> 01:32:01,809

late as the 1970s here in the United

2145

01:32:04,529 --> 01:32:02,979

States there were people who were being

2146

01:32:05,479 --> 01:32:04,539

sterilized without their consent without

2147

01:32:08,189 --> 01:32:05,489

their knowledge

2148

01:32:09,280 --> 01:32:08,199

we thought that ended when the Nazis

2149

01:32:12,160 --> 01:32:09,290

lost World War two

2150

01:32:14,140 --> 01:32:12,170

No and now it's just been called

2151
01:32:18,370 --> 01:32:14,150
transhumanism well who gets to son who

2152
01:32:20,860 --> 01:32:18,380
decides who gets to upgrade and what

2153
01:32:22,840 --> 01:32:20,870
happens then when the rich get better

2154
01:32:24,730 --> 01:32:22,850
and the rest of us fall behind because

2155
01:32:26,200 --> 01:32:24,740
now they're one or two orders of

2156
01:32:28,000 --> 01:32:26,210
magnitude smarter as they've upgraded

2157
01:32:29,560 --> 01:32:28,010
their IQs their help is better they're

2158
01:32:30,130 --> 01:32:29,570
stronger they're faster they don't need

2159
01:32:32,860 --> 01:32:30,140
us anymore

2160
01:32:35,050 --> 01:32:32,870
we're useless eaters no I think

2161
01:32:37,810 --> 01:32:35,060
transhumanism is a very ugly side I

2162
01:32:39,340 --> 01:32:37,820
understand the reasons the proponents

2163
01:32:40,990 --> 01:32:39,350

are putting it out there but I think

2164

01:32:44,440 --> 01:32:41,000

human nature and again this gets back to

2165

01:32:46,360 --> 01:32:44,450

my Christian worldview and the fact that

2166

01:32:48,670 --> 01:32:46,370

our default setting is selfishness I

2167

01:32:49,420 --> 01:32:48,680

want to upgrade it myself at the expense

2168

01:32:51,250 --> 01:32:49,430

of everybody else

2169

01:32:53,980 --> 01:32:51,260

I don't think transhumanism has a good

2170

01:32:56,200 --> 01:32:53,990

end now I don't think the technology

2171

01:32:58,300 --> 01:32:56,210

will ever be developed that will allow

2172

01:33:01,000 --> 01:32:58,310

us to beat death and I'm all in favor of

2173

01:33:03,810 --> 01:33:01,010

certain things to restore lost function

2174

01:33:06,220 --> 01:33:03,820

my dad had a to have a knee replaced

2175

01:33:08,380 --> 01:33:06,230

Josh Peck my co-author on the book the

2176
01:33:11,290 --> 01:33:08,390
day the earth stands still young man but

2177
01:33:13,810 --> 01:33:11,300
because of a bone defect he's already

2178
01:33:15,640 --> 01:33:13,820
had his hip replaced but that's not the

2179
01:33:17,920 --> 01:33:15,650
same thing as promising eternal life

2180
01:33:20,890 --> 01:33:17,930
through technology that is when you

2181
01:33:24,430 --> 01:33:20,900
cross the line into religion I had a

2182
01:33:28,360 --> 01:33:24,440
thigh wanted to share with you since

2183
01:33:30,940 --> 01:33:28,370
we're talking about technology it came

2184
01:33:34,420 --> 01:33:30,950
to me really strong and thought I had

2185
01:33:37,960 --> 01:33:34,430
was that technology will become so

2186
01:33:45,900 --> 01:33:37,970
advanced that we might end up becoming a

2187
01:33:49,390 --> 01:33:45,910
society that people who end up somehow

2188
01:33:52,150 --> 01:33:49,400

getting the kind of powerful technology

2189

01:33:55,210 --> 01:33:52,160

our governments might at a certain point

2190

01:33:58,360 --> 01:33:55,220

in time might become as powerful as the

2191

01:34:01,270 --> 01:33:58,370

governments that have technology so then

2192

01:34:06,730 --> 01:34:01,280

what kind of society will we become if

2193

01:34:08,700 --> 01:34:06,740

that happens yeah if that happens I

2194

01:34:13,150 --> 01:34:08,710

think that's the question

2195

01:34:14,530 --> 01:34:13,160

human history suggests that governments

2196

01:34:19,420 --> 01:34:14,540

will always make sure that they reserve

2197

01:34:20,740 --> 01:34:19,430

those things for those in power it would

2198

01:34:22,840 --> 01:34:20,750

it would really have to be a game

2199

01:34:26,280 --> 01:34:22,850

changer for that kind of tech now

2200

01:34:29,110 --> 01:34:26,290

to make it out into the wild as it were

2201
01:34:31,450 --> 01:34:29,120
uncontrolled by governments by those

2202
01:34:35,350 --> 01:34:31,460
with the the money and the power to do

2203
01:34:37,330 --> 01:34:35,360
so interesting thought exercise but I

2204
01:34:39,100 --> 01:34:37,340
honestly don't think based on human

2205
01:34:43,030 --> 01:34:39,110
history that that's going to happen well

2206
01:34:49,660 --> 01:34:43,040
and thank goodness okay I would love to

2207
01:34:52,510 --> 01:34:49,670
be wrong so yes Frank uh yeah I mean hey

2208
01:34:56,260 --> 01:34:52,520
I need my glasses so you know that I

2209
01:34:58,480 --> 01:34:56,270
guess that's a little bit and Derek and

2210
01:35:00,930 --> 01:34:58,490
your glasses wear as well so more power

2211
01:35:03,850 --> 01:35:00,940
to you or that so definitely like that

2212
01:35:07,600 --> 01:35:03,860
yeah one wouldn't the other question

2213
01:35:10,510 --> 01:35:07,610

that I want to get in is regarding Diane

2214

01:35:12,640 --> 01:35:10,520

epistle cos book about American cosmic

2215

01:35:14,590 --> 01:35:12,650

he's not quite convinced that there's

2216

01:35:16,450 --> 01:35:14,600

going to be a new religion not coming

2217

01:35:19,540 --> 01:35:16,460

down the pike and that is going to be

2218

01:35:21,160 --> 01:35:19,550

the et UFO religion I have to be honest

2219

01:35:22,570 --> 01:35:21,170

I don't necessarily see that happening

2220

01:35:25,240 --> 01:35:22,580

now but do you have any thoughts on that

2221

01:35:26,560 --> 01:35:25,250

as well Derek well it's again it's kind

2222

01:35:27,970 --> 01:35:26,570

of what inspired Josh and me to write

2223

01:35:30,730 --> 01:35:27,980

the book The Day the Earth stands still

2224

01:35:32,050 --> 01:35:30,740

the idea that there are about four times

2225

01:35:34,030 --> 01:35:32,060

more Americans who believe that were

2226

01:35:36,430 --> 01:35:34,040

being visited by ET than who believed in

2227

01:35:38,410 --> 01:35:36,440

the God of the Bible or at least in the

2228

01:35:39,220 --> 01:35:38,420

way he has described in the Bible I mean

2229

01:35:40,390 --> 01:35:39,230

there a lot of people who say they

2230

01:35:41,980 --> 01:35:40,400

believe in God but then they've got

2231

01:35:43,420 --> 01:35:41,990

their own definition of what well I

2232

01:35:45,490 --> 01:35:43,430

don't think my God would do that sort of

2233

01:35:47,770 --> 01:35:45,500

thing yeah that's what it says right

2234

01:35:51,580 --> 01:35:47,780

here you know Leviticus that kind of

2235

01:35:54,880 --> 01:35:51,590

thing so yeah I do think that there is a

2236

01:35:56,980 --> 01:35:54,890

that for many people in this who are

2237

01:35:59,560 --> 01:35:56,990

interested in subject it is a spiritual

2238

01:36:01,270 --> 01:35:59,570

topic because they they're dissatisfied

2239

01:36:02,770 --> 01:36:01,280

with what they're getting from their

2240

01:36:05,280 --> 01:36:02,780

churches and as I said that's that's on

2241

01:36:08,560 --> 01:36:05,290

us as Christians doing a poor job of

2242

01:36:11,740 --> 01:36:08,570

representing the God that we claim to

2243

01:36:14,500 --> 01:36:11,750

serve but and so they're looking for

2244

01:36:16,840 --> 01:36:14,510

answers in these these entities that

2245

01:36:18,850 --> 01:36:16,850

they believe to be more advanced

2246

01:36:21,340 --> 01:36:18,860

technologically and perhaps spiritually

2247

01:36:22,840 --> 01:36:21,350

now yeah I don't hold out the

2248

01:36:24,250 --> 01:36:22,850

possibility that there might not be a

2249

01:36:27,160 --> 01:36:24,260

number of cults in fact we've already

2250

01:36:28,510 --> 01:36:27,170

seen UFO cults development sure so that

2251

01:36:31,090 --> 01:36:28,520

kind of thing is out there but a

2252

01:36:32,680 --> 01:36:31,100

religion is really a much different

2253

01:36:33,960 --> 01:36:32,690

thing that all the world's religions

2254

01:36:38,100 --> 01:36:33,970

have been around

2255

01:36:42,300 --> 01:36:38,110

1,800 2,000 2,500 years then set a

2256

01:36:45,420 --> 01:36:42,310

pretty durable belief set it depends on

2257

01:36:48,570 --> 01:36:45,430

how you define religion because there

2258

01:36:50,130 --> 01:36:48,580

are a lot of always call them Alucard

2259

01:36:52,290 --> 01:36:50,140

religions when people believe you know

2260

01:36:54,000 --> 01:36:52,300

it's it in America today it's very

2261

01:36:56,400 --> 01:36:54,010

trendy to say you know I'm not religious

2262

01:36:57,780 --> 01:36:56,410

I'm spiritual well okay well they are

2263

01:37:00,030 --> 01:36:57,790

following a religion where it's you know

2264

01:37:04,350 --> 01:37:00,040

whether it's got a central office of

2265

01:37:06,240 --> 01:37:04,360

doctrine or not so I think the key word

2266

01:37:07,740 --> 01:37:06,250

using there is trendy yet to me a

2267

01:37:11,510 --> 01:37:07,750

religion is something that sort of

2268

01:37:13,950 --> 01:37:11,520

stands the test of time mm-hmm

2269

01:37:17,490 --> 01:37:13,960

well again if you wanted to find it that

2270

01:37:20,220 --> 01:37:17,500

way as a set of doctrines that have been

2271

01:37:21,930 --> 01:37:20,230

handed down and you know agreed upon

2272

01:37:23,970 --> 01:37:21,940

instead of a sort of do-it-yourself

2273

01:37:26,370 --> 01:37:23,980

thing well you know I'm trying to make

2274

01:37:31,170 --> 01:37:26,380

contact with the zeta-reticulans because

2275

01:37:34,020 --> 01:37:31,180

you know through telepathic means that I

2276

01:37:36,000 --> 01:37:34,030

think may could be defined that well

2277

01:37:40,380 --> 01:37:36,010

that could be defined as a religion even

2278

01:37:42,270 --> 01:37:40,390

though it does not have the the say the

2279

01:37:43,890 --> 01:37:42,280

type of doctrine or settled doctrine

2280

01:37:45,240 --> 01:37:43,900

that the Roman Catholic Church does or

2281

01:37:49,590 --> 01:37:45,250

you know any of the other mainline

2282

01:37:51,420 --> 01:37:49,600

denominations do it does a religion of a

2283

01:37:53,370 --> 01:37:51,430

different sort and that could be what

2284

01:37:54,690 --> 01:37:53,380

not having read the book I can't speak

2285

01:37:59,520 --> 01:37:54,700

for the author but that could be what

2286

01:38:01,350 --> 01:37:59,530

she's she's deluding - yeah I mean it's

2287

01:38:03,690 --> 01:38:01,360

been great having you on that chant do

2288

01:38:05,400 --> 01:38:03,700

you have anything else I do I wanted to

2289

01:38:09,750 --> 01:38:05,410

let everybody know to please go to

2290

01:38:12,150 --> 01:38:09,760

Amazon to buy the book the day the earth

2291

01:38:14,190 --> 01:38:12,160

stands still unmasking the old gods

2292

01:38:16,290 --> 01:38:14,200

behind ETS UFOs in the official

2293

01:38:18,750 --> 01:38:16,300

disclosure movement by Derek P Gilbert

2294

01:38:20,580 --> 01:38:18,760

as co-author Josh Peck I also want to

2295

01:38:23,460 --> 01:38:20,590

let folks to please go check out

2296

01:38:27,060 --> 01:38:23,470

Derek's wonderful wife Sharon Kay

2297

01:38:31,130 --> 01:38:27,070

Gilbert she's a brilliant person and she

2298

01:38:33,900 --> 01:38:31,140

has written many books that I think

2299

01:38:35,790 --> 01:38:33,910

there's just so many different topics

2300

01:38:38,970 --> 01:38:35,800

that she's written on there's something

2301

01:38:42,150 --> 01:38:38,980

for everyone and please look her up it's

2302

01:38:43,620 --> 01:38:42,160

Sharon Kay Gilbert on Amazon and also

2303

01:38:45,600 --> 01:38:43,630

just look her up to find out a little

2304

01:38:47,460 --> 01:38:45,610

bit more about her she has a lot to say

2305

01:38:49,650 --> 01:38:47,470

and a lot to contribute to

2306

01:38:52,170 --> 01:38:49,660

any different topics that we cover

2307

01:38:54,780 --> 01:38:52,180

tonight Derek it was a real privilege

2308

01:38:56,520 --> 01:38:54,790

and an honor to have had the opportunity

2309

01:38:57,090 --> 01:38:56,530

to interview you tonight thank you so

2310

01:39:00,990 --> 01:38:57,100

much

2311

01:39:02,460 --> 01:39:01,000

was great having you on because these

2312

01:39:04,170 --> 01:39:02,470

different perspectives I think they're

2313

01:39:06,930 --> 01:39:04,180

important we like to get them out there

2314

01:39:09,240 --> 01:39:06,940

and I see from this chat that our fan

2315

01:39:10,710 --> 01:39:09,250

base feels the same way we're all in

2316

01:39:12,900 --> 01:39:10,720

this together you know no matter what

2317

01:39:14,700 --> 01:39:12,910

your faith or even if you're not aligned

2318

01:39:17,520 --> 01:39:14,710

it doesn't really matter now we're all

2319

01:39:19,350 --> 01:39:17,530

in this together and who knows what the

2320

01:39:22,950 --> 01:39:19,360

future might hold hopefully good things

2321

01:39:24,480 --> 01:39:22,960

but if maybe not so good things then we

2322

01:39:26,340 --> 01:39:24,490

got to work together to try to overcome

2323

01:39:32,000 --> 01:39:26,350

those issues so thanks again Tarek I

2324

01:39:34,200 --> 01:39:32,010

sure do appreciate we know we do need to

2325

01:39:36,060 --> 01:39:34,210

sorry it was hard for me to hear I

2326

01:39:37,500 --> 01:39:36,070

didn't hear very much there I apologize

2327

01:39:39,960 --> 01:39:37,510

for interrupting you but I did want to

2328

01:39:41,820 --> 01:39:39,970

make sure Derek that we do cover the

2329

01:39:44,910 --> 01:39:41,830

events that you may be going to this

2330

01:39:46,650 --> 01:39:44,920

year and next year can you please let

2331

01:39:49,770 --> 01:39:46,660

our audience know that it's very

2332

01:39:52,020 --> 01:39:49,780

important that they know we appreciate

2333

01:39:53,280 --> 01:39:52,030

that of course the the one that is

2334

01:39:55,770 --> 01:39:53,290

probably of most interest to your

2335

01:39:57,750 --> 01:39:55,780

audience is the true legends conference

2336

01:40:00,420 --> 01:39:57,760

2366

01:41:08,830 --> 01:41:06,440

who's an archaeologist who was part of

2367

01:41:10,900 --> 01:41:08,840

the search for Noah's Ark in Turkey a

2368

01:41:12,280 --> 01:41:10,910

couple of years ago and he was with the

2369

01:41:15,520 --> 01:41:12,290

team that just discovered the most

2370

01:41:16,450 --> 01:41:15,530

recent Scroll cave at the Qumran the

2371

01:41:18,310 --> 01:41:16,460

Dead Sea Scrolls

2372

01:41:22,500 --> 01:41:18,320

so that's August 16th through the 18th

2373

01:41:24,190 --> 01:41:22,510

at the fellowship in Lubbock Texas and

2374

01:41:26,920 --> 01:41:24,200

registration for that when tickets for

2375

01:41:31,180 --> 01:41:26,930

that only five bucks suddenly I could

2376

01:41:33,010 --> 01:41:31,190

afford that I did want to let you know

2377

01:41:35,200 --> 01:41:33,020

Derek that I did actually share all the

2378

01:41:39,130 --> 01:41:35,210

links regarding both events that she

2379

01:41:41,590 --> 01:41:39,140

mentioned in the chat room so that and I

2380

01:41:44,290 --> 01:41:41,600

want to let our listeners know you know

2381

01:41:45,580 --> 01:41:44,300

folks that are newbies to YouTube

2382

01:41:48,280 --> 01:41:45,590

they get a little confused sometimes

2383

01:41:50,440 --> 01:41:48,290

when they hear about a chatroom in a

2384

01:41:52,840 --> 01:41:50,450

podcast and then they wonder why they

2385

01:41:54,370 --> 01:41:52,850

can't join it because the podcast when

2386

01:41:57,100 --> 01:41:54,380

it first aired that's when the chatroom

2387

01:41:59,440 --> 01:41:57,110

happened however all of our listeners

2388

01:42:00,640 --> 01:41:59,450

need to know if you just look in the

2389

01:42:02,650 --> 01:42:00,650

chat room right now

2390

01:42:04,600 --> 01:42:02,660

you will see the links regarding where

2391

01:42:06,730 --> 01:42:04,610

Derek is going to be and all the

2392

01:42:08,380 --> 01:42:06,740

speakers he just mentioned if you click

2393

01:42:10,330 --> 01:42:08,390

on those links you'll be able to attend

2394

01:42:12,520 --> 01:42:10,340

those wonderful conferences so please do

2395

01:42:14,350 --> 01:42:12,530

that and Thank You Derek so much for

2396

01:42:15,550 --> 01:42:14,360

your time and please tell your wife I

2397

01:42:18,130 --> 01:42:15,560

would love to have the privilege of

2398

01:42:19,390 --> 01:42:18,140

interviewing her I will do that and

2399

01:42:21,160 --> 01:42:19,400

thank you very much it's been an honor

2400

01:42:23,950 --> 01:42:21,170

and I appreciate you letting me you know

2401

01:42:26,050 --> 01:42:23,960

get here and just talk my father used to

2402

01:42:27,460 --> 01:42:26,060

say when you ask Derek for the time he

2403

01:42:30,940 --> 01:42:27,470

tells you how to build a watch so thank

2404

01:42:35,260 --> 01:42:30,950

you like guests like that we're used to

2405

01:42:36,760 --> 01:42:35,270

them and of course I Friday a sigh

2406

01:42:39,040 --> 01:42:36,770

fright that why'd you just roll on

2407

01:42:40,780 --> 01:42:39,050

Fridays would that show or is it like

2408

01:42:43,480 --> 01:42:40,790

our show where we say it's Sunday but

2409

01:42:45,040 --> 01:42:43,490

who knows what we might be on well we

2410

01:42:46,600 --> 01:42:45,050

record it when when time allows we

2411

01:42:47,950 --> 01:42:46,610

usually do record it on Thursday but we

2412

01:42:50,890 --> 01:42:47,960

release it on Fridays and you can find

2413

01:42:53,260 --> 01:42:50,900

it at psy Friday TV got it got it well

2414

01:42:56,590 --> 01:42:53,270

we try to fly without a net here so we

2415

01:42:58,630 --> 01:42:56,600

we generally roll live and sometimes

2416

01:43:00,100 --> 01:42:58,640

that worked well and sometimes we run

2417

01:43:03,100 --> 01:43:00,110

into some technical difficulties but

2418

01:43:04,450 --> 01:43:03,110

tonight went pretty smooth so the Lord

2419

01:43:07,230 --> 01:43:04,460

was with us today as far as the

2420

01:43:09,910 --> 01:43:07,240

technology goes so I appreciate that

2421

01:43:11,110 --> 01:43:09,920

sorry Derek thanks again and good night

2422

01:43:13,390 --> 01:43:11,120

everybody we'll see you again on
