DISCUSSES THE SOVIET/RUSSIAN UFO PHENOMENON INCLUDING THE MOST AMAZING CASES, USOS, THE RUSSIAN ROSWELL, THE COSMONAUT CONNECTION AND WHAT WE MIGHT LOOK FOR GOING FORWARD FROM RUSSIA

UFONN
SUNDAY

1
00:01:08,990 --> 00:00:25,170

[Music]

2
00:01:14,300 --> 00:01:12,149
and good evening from Philadelphia Frank

3
00:01:17,370 --> 00:01:14,310
here with a Thursday night edition of

4
00:01:20,219 --> 00:01:17,380
UFO news network Sunday as we get ready

5
00:01:21,719 --> 00:01:20,229
for the big holiday weekend but we still

6
00:01:24,180 --> 00:01:21,729
got some work to do we've got a fabulous

7
00:01:26,880 --> 00:01:24,190
guest with us tonight our researcher and

8
00:01:30,179 --> 00:01:26,890
author Paul Stonehill who's focused his

9
00:01:32,789 --> 00:01:30,189
research career primarily on Soviet and

10
00:01:34,560 --> 00:01:32,799
Russian related UFO cases he's the

11
00:01:37,590 --> 00:01:34,570
author of several books including the

12
00:01:39,210 --> 00:01:37,600
Soviet UFO FILES paranormal encounters

13
00:01:42,660 --> 00:01:39,220

behind the Iron Curtain

14

00:01:44,730 --> 00:01:42,670

Russia's USO secrets unidentified

15

00:01:47,700 --> 00:01:44,740

submersible objects in Russian and

16

00:01:50,969 --> 00:01:47,710

international waters Russia's Roswell

17

00:01:54,749 --> 00:01:50,979

incident mysterious sky Soviet UFO

18

00:01:56,580 --> 00:01:54,759

phenomenon UFO Case Files of Russia I'm

19

00:01:58,499 --> 00:01:56,590

sure that there's a whole lot more but

20

00:02:00,419 --> 00:01:58,509

now let's get right down to it and let's

21

00:02:03,059 --> 00:02:00,429

bring in the man himself Paul Stonehill

22

00:02:04,160 --> 00:02:03,069

thanks for joining us tonight thank you

23

00:02:08,940 --> 00:02:04,170

for your invitation

24

00:02:12,300 --> 00:02:08,950

absolutely glad to have you and UFO well

25

00:02:15,030 --> 00:02:12,310

for us in the West the Soviet Union

26

00:02:17,310 --> 00:02:15,040

maybe to a lesser extent Russia has

27

00:02:19,740 --> 00:02:17,320

always been enigmatic to begin with and

28

00:02:22,259 --> 00:02:19,750

your research interest obviously in the

29

00:02:23,460 --> 00:02:22,269

UFO field which is unquestionably an

30

00:02:25,289 --> 00:02:23,470

enigma no matter where you're

31

00:02:27,900 --> 00:02:25,299

researching it now you've got kind of an

32

00:02:29,460 --> 00:02:27,910

enigma and an enigma so can you go back

33

00:02:33,150 --> 00:02:29,470

to the beginning and tell us a little

34

00:02:34,740 --> 00:02:33,160

bit about how you got interested in UFOs

35

00:02:37,800 --> 00:02:34,750

in the first place so you were living

36

00:02:39,360 --> 00:02:37,810

back in the old Soviet Union so I wanted

37

00:02:43,050 --> 00:02:39,370

to tell us a little bit about how you

38

00:02:45,630 --> 00:02:43,060

got involved in all this yeah just I

39

00:02:47,550 --> 00:02:45,640

wanted to say that Russia or the

40

00:02:51,539 --> 00:02:47,560

territory that the Russian Empire and

41

00:02:56,420 --> 00:02:51,549

the USSR comprised has had tremendous

42

00:03:00,270 --> 00:02:56,430

history of UFOs going back millennia and

43

00:03:03,210 --> 00:03:00,280

that's very important and I was

44

00:03:05,670 --> 00:03:03,220

interested in this subject and primarily

45

00:03:07,590 --> 00:03:05,680

because of somebody I knew who lived in

46

00:03:10,920 --> 00:03:07,600

the same neighborhood I did who was a

47

00:03:13,650 --> 00:03:10,930

Soviet pilot and in 1936 in the Arctic

48

00:03:15,449 --> 00:03:13,660

they sighted a UFO and they actually

49

00:03:17,970 --> 00:03:15,459

were shooting on it from their airplane

50

00:03:19,800 --> 00:03:17,980

so I was very much impressed and I

51
00:03:22,800 --> 00:03:19,810
collected information myself

52
00:03:25,980 --> 00:03:22,810
about the csoka paleo contact or ancient

53
00:03:30,000 --> 00:03:25,990
aliens to the extent available in the

54
00:03:31,620 --> 00:03:30,010
Soviet Union and through the years I got

55
00:03:34,590 --> 00:03:31,630
as much as I could ever since I came to

56
00:03:36,690 --> 00:03:34,600
the United States I did the same I was

57
00:03:39,900 --> 00:03:36,700
writing in Russian and other languages

58
00:03:43,500 --> 00:03:39,910
and establishing contacts with Soviet

59
00:03:47,310 --> 00:03:43,510
you apologize which was easy easier in

60
00:03:50,400 --> 00:03:47,320
1989 on after Gorbachev took off chains

61
00:03:52,490 --> 00:03:50,410
from the subject of ufology a lot of

62
00:03:56,220 --> 00:03:52,500
information came out at the time

63
00:04:00,920 --> 00:03:56,230

including the Soviet KGB files about

64

00:04:03,150 --> 00:04:00,930

UFOs which were released in 1991 and

65

00:04:06,930 --> 00:04:03,160

I've stayed in touch through the years

66

00:04:09,360 --> 00:04:06,940

my articles have been published in

67

00:04:11,280 --> 00:04:09,370

Russia and recently this book they

68

00:04:13,650 --> 00:04:11,290

translated it into Russian the Russia's

69

00:04:15,449 --> 00:04:13,660

you are so secrets because they were

70

00:04:18,930 --> 00:04:15,459

they are very much interested to know

71

00:04:21,720 --> 00:04:18,940

themselves in Russia what people or

72

00:04:23,700 --> 00:04:21,730

those who need to know about in the West

73

00:04:26,420 --> 00:04:23,710

about them and also Russian people

74

00:04:29,700 --> 00:04:26,430

remember they were not allowed to

75

00:04:31,710 --> 00:04:29,710

basically find out about you of us

76

00:04:33,450 --> 00:04:31,720

because for the most part the Soviet

77

00:04:36,000 --> 00:04:33,460

government considered you of course to

78

00:04:38,340 --> 00:04:36,010

be bourgeois propaganda of the West

79

00:04:40,020 --> 00:04:38,350

called this it was an excuse of course

80

00:04:42,450 --> 00:04:40,030

at the very top they knew everything

81

00:04:45,240 --> 00:04:42,460

they needed to know but they were

82

00:04:48,690 --> 00:04:45,250

concerned the military was concerned

83

00:04:51,240 --> 00:04:48,700

because of UFOs ever present and you as

84

00:04:54,719 --> 00:04:51,250

always very unusual objects in their

85

00:04:57,240 --> 00:04:54,729

oceans and lakes and rivers and of

86

00:04:59,670 --> 00:04:57,250

course you have also visiting nuclear

87

00:05:03,060 --> 00:04:59,680

sites not giving a damn about Soviet

88

00:05:05,659 --> 00:05:03,070

secrecy or what Kremlin wants and out of

89

00:05:08,460 --> 00:05:05,669

this there have been tremendous cases I

90

00:05:11,400 --> 00:05:08,470

imagined them in my books of course my

91

00:05:15,120 --> 00:05:11,410

lectures and for people who want to know

92

00:05:17,520 --> 00:05:15,130

the extent of my research because it

93

00:05:20,580 --> 00:05:17,530

goes more than your follow gee I have a

94

00:05:23,280 --> 00:05:20,590

youtube channel paranormal research Paul

95

00:05:26,400 --> 00:05:23,290

Stonehill and I try to bring people up

96

00:05:28,720 --> 00:05:26,410

on what's going on in Russia China and

97

00:05:31,000 --> 00:05:28,730

Eurasia

98

00:05:33,430 --> 00:05:31,010

okay and yeah you had mentioned the

99

00:05:36,010 --> 00:05:33,440

sighting from your neighbor the pilot

100

00:05:39,700 --> 00:05:36,020

back in 36 which of course that predates

101
00:05:42,040 --> 00:05:39,710
World War two we've gotten that stories

102
00:05:42,940 --> 00:05:42,050
about Foo Fighters and such during the

103
00:05:44,500 --> 00:05:42,950
Second World War

104
00:05:46,660 --> 00:05:44,510
have you ever picked up anything along

105
00:05:48,160 --> 00:05:46,670
those lines from a Soviet pilots during

106
00:05:51,760 --> 00:05:48,170
the Second World War seeing anything

107
00:05:53,680 --> 00:05:51,770
similar absolutely and we you know

108
00:05:56,050 --> 00:05:53,690
Philip mantle who is my co-author and

109
00:05:58,600 --> 00:05:56,060
myself we have chapters on it in the

110
00:06:01,000 --> 00:05:58,610
book but I remember there was a man a

111
00:06:03,130 --> 00:06:01,010
former Soviet Top Gun who moved to

112
00:06:06,250 --> 00:06:03,140
Israel and became an honorary pilot in

113
00:06:09,610 --> 00:06:06,260

Israel well he was an old man by that

114

00:06:11,500 --> 00:06:09,620

time and he was able to give me a lot of

115

00:06:13,540 --> 00:06:11,510

information also about the Foo Fighters

116

00:06:15,220 --> 00:06:13,550

so-called Foo Fighters because they

117

00:06:18,310 --> 00:06:15,230

didn't call it that that they had

118

00:06:21,100 --> 00:06:18,320

observed in Poland in 1944 and then I

119

00:06:23,950 --> 00:06:21,110

collected information about the Soviets

120

00:06:26,110 --> 00:06:23,960

in post-war Germany and what they have

121

00:06:27,880 --> 00:06:26,120

been collecting like the Americans you

122

00:06:31,750 --> 00:06:27,890

know scientific information and so forth

123

00:06:36,790 --> 00:06:31,760

and with that we we got reports from the

124

00:06:39,570 --> 00:06:36,800

former Soviet military people stating

125

00:06:42,790 --> 00:06:39,580

about you a force like dolphin like UFOs

126

00:06:45,730 --> 00:06:42,800

pulsating over battle lines very

127

00:06:48,070 --> 00:06:45,740

interesting but it was not the only war

128

00:06:51,100 --> 00:06:48,080

that Russia was engaged in where UFOs

129

00:06:55,180 --> 00:06:51,110

were very active what was the other one

130

00:06:57,280 --> 00:06:55,190

the Chechen Wars okay men this amount of

131

00:07:02,310 --> 00:06:57,290

you of oh this is a little piece of land

132

00:07:05,590 --> 00:07:02,320

that Russia had for two wars over it and

133

00:07:07,690 --> 00:07:05,600

you know in Afghanistan for example they

134

00:07:09,790 --> 00:07:07,700

didn't have too many UFO sightings from

135

00:07:11,380 --> 00:07:09,800

what we know because a lot of the

136

00:07:12,670 --> 00:07:11,390

information is still classified in

137

00:07:14,830 --> 00:07:12,680

Vietnam

138

00:07:17,860 --> 00:07:14,840

apparently Soviets who were helping the

139

00:07:21,400 --> 00:07:17,870

Vietnamese got burned by a UFO there was

140

00:07:25,750 --> 00:07:21,410

a direct hit we know about the Soviet

141

00:07:28,090 --> 00:07:25,760

Army units not too far from Iran in Iraq

142

00:07:31,330 --> 00:07:28,100

they had seen UFOs and even were

143

00:07:33,760 --> 00:07:31,340

shooting at one in the 1978 and lost a

144

00:07:36,790 --> 00:07:33,770

number of soldiers because of that but

145

00:07:38,590 --> 00:07:36,800

it was very much interesting that over

146

00:07:40,440 --> 00:07:38,600

Chechnya they had so many UFO sightings

147

00:07:42,150 --> 00:07:40,450

during the war

148

00:07:43,410 --> 00:07:42,160

that what was the time frame for that

149

00:07:44,760 --> 00:07:43,420

that was a little bit more contemporary

150

00:07:48,240 --> 00:07:44,770

than the Second World War

151

00:07:52,140 --> 00:07:48,250

all right in in the beginning of night

152

00:07:55,200 --> 00:07:52,150

like 1994 the first war and then towards

153

00:07:56,700 --> 00:07:55,210

2000 was the second war and this is when

154

00:07:58,560 --> 00:07:56,710

they had seen and it was interesting

155

00:08:01,710 --> 00:07:58,570

because the Chechens they also had

156

00:08:04,080 --> 00:08:01,720

scientists found fighting on their side

157

00:08:08,250 --> 00:08:04,090

and they were they were well-educated

158

00:08:12,330 --> 00:08:08,260

they knew what was going on too and yeah

159

00:08:14,700 --> 00:08:12,340

we have drawings in our books and so

160

00:08:16,590 --> 00:08:14,710

forth from the people who had served but

161

00:08:18,390 --> 00:08:16,600

you know what the most important what I

162

00:08:22,800 --> 00:08:18,400

want to tell your readers is that the

163

00:08:26,160 --> 00:08:22,810

Soviet Union a number one they had a

164

00:08:30,210 --> 00:08:26,170

tremendously comprehensive military /

165

00:08:33,810 --> 00:08:30,220

academic UFO USO research program they

166

00:08:35,660 --> 00:08:33,820

call it Sitka it was the first name it

167

00:08:38,520 --> 00:08:35,670

was authorized by the Soviet government

168

00:08:40,680 --> 00:08:38,530

actually you know they ordered the

169

00:08:44,520 --> 00:08:40,690

program to go into effect after a very

170

00:08:49,070 --> 00:08:44,530

interesting case in 1977 when a gigantic

171

00:08:51,810 --> 00:08:49,080

object was observed in North Russia and

172

00:08:55,440 --> 00:08:51,820

so they they became concerned because

173

00:08:58,050 --> 00:08:55,450

they knew that okay let's say 95% of

174

00:09:00,360 --> 00:08:58,060

what people see in the sky and

175

00:09:03,750 --> 00:09:00,370

considered to be UFOs are military

176

00:09:06,780 --> 00:09:03,760

testing or satellites but five percent

177

00:09:09,270 --> 00:09:06,790

and I'm being very stingy here five

178

00:09:10,890 --> 00:09:09,280

percent could not be explained that's

179

00:09:11,550 --> 00:09:10,900

according to the Soviet Academy of

180

00:09:13,890 --> 00:09:11,560

Sciences

181

00:09:16,650 --> 00:09:13,900

what were those five percent Soviets

182

00:09:19,020 --> 00:09:16,660

were going crazy who is coming into our

183

00:09:20,760 --> 00:09:19,030

territory who you know who is Franco

184

00:09:22,530 --> 00:09:20,770

then you it was no Chinese or the

185

00:09:24,750 --> 00:09:22,540

Americans they had their own espionage

186

00:09:27,840 --> 00:09:24,760

here just like the Americans did in the

187

00:09:31,590 --> 00:09:27,850

Soviet Union but they wanted to find out

188

00:09:34,820 --> 00:09:31,600

and they created this magnificent I

189

00:09:37,980 --> 00:09:34,830

should say program because most of the

190

00:09:40,980 --> 00:09:37,990

findings are still classified and are in

191

00:09:45,450 --> 00:09:40,990

the hands inaccessible but I have enough

192

00:09:46,950 --> 00:09:45,460

information to make me amazed with the

193

00:09:51,330 --> 00:09:46,960

things they were finding out and

194

00:09:52,950 --> 00:09:51,340

encountering it's it was great for 13

195

00:09:54,240 --> 00:09:52,960

years officially this program had

196

00:09:56,550 --> 00:09:54,250

existed

197

00:10:00,900 --> 00:09:56,560

and it used all of the Soviet troops

198

00:10:03,120 --> 00:10:00,910

every every Soviet soldier or sailor had

199

00:10:05,490 --> 00:10:03,130

to report anything unusual they had

200

00:10:08,580 --> 00:10:05,500

observed around them they had special

201
00:10:10,350 --> 00:10:08,590
forms they had to fill out can you

202
00:10:13,080 --> 00:10:10,360
imagine and what's important is that

203
00:10:16,440 --> 00:10:13,090
they had to scientific research centers

204
00:10:17,970 --> 00:10:16,450
one in by Moscow the other one Leningrad

205
00:10:21,300 --> 00:10:17,980
where they collected all this

206
00:10:23,340 --> 00:10:21,310
information and analyzed it and they

207
00:10:26,490 --> 00:10:23,350
they worked all over the world not only

208
00:10:29,270 --> 00:10:26,500
the Soviet Union and they had for

209
00:10:32,730 --> 00:10:29,280
example the Soviet Navy had special

210
00:10:34,950 --> 00:10:32,740
research programs staffed by top naval

211
00:10:39,270 --> 00:10:34,960
officers who were looking for those

212
00:10:41,760 --> 00:10:39,280
strange US owes all over and here in the

213
00:10:43,200 --> 00:10:41,770

state say we've got our presidents and

214

00:10:45,660 --> 00:10:43,210

they come and they go and we've had

215

00:10:49,020 --> 00:10:45,670

quite a few of them since the UFO

216

00:10:51,270 --> 00:10:49,030

subject really took off in roughly 1947

217

00:10:52,950 --> 00:10:51,280

there's the Truman years and the

218

00:10:54,300 --> 00:10:52,960

Eisenhower years and different

219

00:10:56,340 --> 00:10:54,310

presidents have their different

220

00:10:58,290 --> 00:10:56,350

connections and interest levels with the

221

00:10:59,940 --> 00:10:58,300

subject and the same kind of thing

222

00:11:01,890 --> 00:10:59,950

happened in the old Soviet Union like

223

00:11:03,480 --> 00:11:01,900

hey during the Stalin years this sort of

224

00:11:06,000 --> 00:11:03,490

thing happened and then with Khrushchev

225

00:11:08,070 --> 00:11:06,010

this and then it changed under Brezhnev

226

00:11:10,830 --> 00:11:08,080

and so on and so forth now how did all

227

00:11:14,850 --> 00:11:10,840

that work out and that was one regard as

228

00:11:18,120 --> 00:11:14,860

a better UFO Premier than another the

229

00:11:21,240 --> 00:11:18,130

best one was Gorbachev obviously freedom

230

00:11:24,080 --> 00:11:21,250

but but even he doesn't say everything

231

00:11:27,450 --> 00:11:24,090

he knows there is a very interesting

232

00:11:31,200 --> 00:11:27,460

1987 case about a small shuttle like

233

00:11:33,180 --> 00:11:31,210

object that was recovered and they then

234

00:11:35,970 --> 00:11:33,190

disappeared and he knew about it but

235

00:11:40,260 --> 00:11:35,980

okay I'm getting off the it actually

236

00:11:42,950 --> 00:11:40,270

started really understand and Stalin was

237

00:11:45,890 --> 00:11:42,960

very much concerned because they had

238

00:11:49,530 --> 00:11:45,900

intelligence reports about Roswell

239

00:11:51,570 --> 00:11:49,540

you know Soviet spies were operating

240

00:11:54,180 --> 00:11:51,580

very actively in the United States they

241

00:11:55,860 --> 00:11:54,190

had enough enough helpers here those who

242

00:11:58,470 --> 00:11:55,870

believed in communism they helped them

243

00:12:00,810 --> 00:11:58,480

so they collected a lot and brought back

244

00:12:03,720 --> 00:12:00,820

to the Soviet Union and Stalin to make

245

00:12:06,880 --> 00:12:03,730

it short and simple wanted to know what

246

00:12:10,270 --> 00:12:06,890

is it in those files me

247

00:12:13,060 --> 00:12:10,280

are the UFOs dangerous to the Soviet

248

00:12:15,010 --> 00:12:13,070

motherland or not so he asked top

249

00:12:19,870 --> 00:12:15,020

scientists including Sergey Korolyov

250

00:12:23,380 --> 00:12:19,880

late 1940s he gave them time to go to

251
00:12:25,480 --> 00:12:23,390
the materials translators but would not

252
00:12:28,270 --> 00:12:25,490
let them out from Kremlin they had to

253
00:12:32,410 --> 00:12:28,280
stay there and the end result was that

254
00:12:35,350 --> 00:12:32,420
Carol or another said yes UFOs exist no

255
00:12:38,410 --> 00:12:35,360
there are no danger to the Soviet Union

256
00:12:40,380 --> 00:12:38,420
based on this information in the pile of

257
00:12:43,630 --> 00:12:40,390
documents that was translated for us

258
00:12:46,300 --> 00:12:43,640
Stalin was concerned but after he died

259
00:12:49,210 --> 00:12:46,310
there was a tremendous period of

260
00:12:51,700 --> 00:12:49,220
instability in the Soviet Union and one

261
00:12:55,210 --> 00:12:51,710
of the cases I present and also heaven

262
00:12:57,790 --> 00:12:55,220
my youtube is the case of 1953 when a

263
00:12:59,800 --> 00:12:57,800

gigantic UFO was sighted over Siberia

264

00:13:02,080 --> 00:12:59,810

for example and this was after Stalin's

265

00:13:04,720 --> 00:13:02,090

death there were other interesting cases

266

00:13:07,150 --> 00:13:04,730

even when Stalin was alive there was a

267

00:13:10,330 --> 00:13:07,160

case of a gigantic UFO moving in the

268

00:13:13,410 --> 00:13:10,340

Soviet USO in the Soviet waters from the

269

00:13:17,730 --> 00:13:13,420

extent we know now under Khrushchev

270

00:13:20,140 --> 00:13:17,740

there was some freedom and people could

271

00:13:23,380 --> 00:13:20,150

talk about UFOs but what you need to

272

00:13:27,940 --> 00:13:23,390

know is this if the Soviets government

273

00:13:30,970 --> 00:13:27,950

laughed American debunkers Mencia da no

274

00:13:32,740 --> 00:13:30,980

man sells book well oh yeah what's

275

00:13:36,460 --> 00:13:32,750

freely available in the Soviet Union

276

00:13:41,740 --> 00:13:36,470

ok bankers and for folks who don't now

277

00:13:44,560 --> 00:13:41,750

Menzel was a Harvard astronomer yes very

278

00:13:48,220 --> 00:13:44,570

very active in trying to explain away

279

00:13:50,050 --> 00:13:48,230

the UFO subject well you know look even

280

00:13:53,290 --> 00:13:50,060

this program I told you about that they

281

00:13:54,790 --> 00:13:53,300

had scientists who were not too eager to

282

00:13:57,940 --> 00:13:54,800

even be engaged in it and they were

283

00:14:00,190 --> 00:13:57,950

afraid to explain UFOs any other way

284

00:14:02,050 --> 00:14:00,200

except natural phenomena and that's not

285

00:14:05,500 --> 00:14:02,060

what the military guys wanted they

286

00:14:08,110 --> 00:14:05,510

wanted answers so but you know

287

00:14:11,340 --> 00:14:08,120

Khrushchev yeah under him it was in the

288

00:14:14,230 --> 00:14:11,350

times were interested it became more

289

00:14:17,860 --> 00:14:14,240

solid and boring under Brezhnev let's

290

00:14:20,350 --> 00:14:17,870

say but also he was the general

291

00:14:22,569 --> 00:14:20,360

secretary where the program started

292

00:14:26,439 --> 00:14:22,579

I gotta tell you something the brains

293

00:14:29,590 --> 00:14:26,449

behind Brezhnev was Yuri Andropov the

294

00:14:33,129 --> 00:14:29,600

head of the KGB and drop off was crazy

295

00:14:37,389 --> 00:14:33,139

about your force put it this way he had

296

00:14:40,090 --> 00:14:37,399

a file on his desk which was

297

00:14:41,769 --> 00:14:40,100

continuously updated with the reports

298

00:14:46,389 --> 00:14:41,779

from this this program I told you about

299

00:14:49,539 --> 00:14:46,399

another sources and he knew he knew that

300

00:14:51,809 --> 00:14:49,549

this phenomenon was very interesting he

301
00:14:55,210 --> 00:14:51,819
gave government money to study it and

302
00:14:58,329 --> 00:14:55,220
for a short time he was also in charge

303
00:15:02,379 --> 00:14:58,339
of the USSR but you know general

304
00:15:04,449 --> 00:15:02,389
secretaries died one succeeded another

305
00:15:07,809 --> 00:15:04,459
but the program stayed on because this

306
00:15:10,179 --> 00:15:07,819
was something that affected the security

307
00:15:14,199 --> 00:15:10,189
of the Soviet Union they knew there were

308
00:15:17,139 --> 00:15:14,209
cases when UFOs really bothered them

309
00:15:19,780 --> 00:15:17,149
over silos and so forth there were

310
00:15:23,019 --> 00:15:19,790
reports of them shooting at UFOs and

311
00:15:25,449 --> 00:15:23,029
paying a high price for it there were

312
00:15:28,150 --> 00:15:25,459
cases where the Soviet armed forces were

313
00:15:29,259 --> 00:15:28,160

told not were given orders never to

314

00:15:32,829 --> 00:15:29,269

shoot at UFOs

315

00:15:36,009 --> 00:15:32,839

leave them alone they're not causing any

316

00:15:39,999 --> 00:15:36,019

harm to the extent the Soviets knew they

317

00:15:45,009 --> 00:15:40,009

were not losing control and almost every

318

00:15:47,859 --> 00:15:45,019

launch of important space vehicle was

319

00:15:50,409 --> 00:15:47,869

accompanied by UFOs I also have

320

00:15:55,030 --> 00:15:50,419

interesting information about cosmonauts

321

00:15:57,729 --> 00:15:55,040

and what they believed about UFOs and

322

00:16:00,699 --> 00:15:57,739

you know from people who disbelieved to

323

00:16:03,369 --> 00:16:00,709

a number of cosmonauts who said no no

324

00:16:08,039 --> 00:16:03,379

they exist or we have heard from those

325

00:16:12,100 --> 00:16:08,049

who know that UFOs or you know

326

00:16:15,400 --> 00:16:12,110

unexplainable vehicles valentina

327

00:16:19,389 --> 00:16:15,410

Tereshkova is one of those not no no no

328

00:16:22,509 --> 00:16:19,399

it was Popovich marina Popovich she was

329

00:16:25,629 --> 00:16:22,519

the wife of Pavel Popovich we okay yeah

330

00:16:29,019 --> 00:16:25,639

okay she she's spoken hasn't she there

331

00:16:31,239 --> 00:16:29,029

was there was an interview with her and

332

00:16:33,220 --> 00:16:31,249

she must have had a translator with her

333

00:16:34,210 --> 00:16:33,230

but I remember that now she was very

334

00:16:37,540 --> 00:16:34,220

positive about the

335

00:16:39,340 --> 00:16:37,550

how's she in 1991 in I I had the

336

00:16:41,380 --> 00:16:39,350

privilege of me to meet her in Los

337

00:16:44,020 --> 00:16:41,390

Angeles I wish to spend more time with

338

00:16:45,850 --> 00:16:44,030

her she was a tremendous person she gave

339

00:16:49,660 --> 00:16:45,860

me photographs of the object that they

340

00:16:52,750 --> 00:16:49,670

that was filmed just before the second

341

00:16:54,310 --> 00:16:52,760

foot was disappeared by by the moonlit

342

00:16:55,690 --> 00:16:54,320

of Phobos she knew a lot she was

343

00:16:59,860 --> 00:16:55,700

speaking about UFOs

344

00:17:02,080 --> 00:16:59,870

she had books about UFOs and but her

345

00:17:03,940 --> 00:17:02,090

husband who was the cosmonaut and

346

00:17:05,980 --> 00:17:03,950

Americans knew him they had a nickname

347

00:17:09,100 --> 00:17:05,990

for him called take home the aggressor I

348

00:17:10,900 --> 00:17:09,110

believe well well you know he was

349

00:17:13,870 --> 00:17:10,910

involved in the Soviet military space

350

00:17:15,190 --> 00:17:13,880

program which was very active too you

351

00:17:17,950 --> 00:17:15,200

know it's basically that's how it

352

00:17:23,130 --> 00:17:17,960

started now part of Popovich fellow you

353

00:17:26,020 --> 00:17:23,140

from Ukraine - he was very much

354

00:17:28,450 --> 00:17:26,030

instrumental in pushing an interest in

355

00:17:30,970 --> 00:17:28,460

giving protection or Chrissa

356

00:17:33,910 --> 00:17:30,980

meaning roof over their heads - Soviet

357

00:17:38,140 --> 00:17:33,920

your follow gist he was the one that

358

00:17:42,940 --> 00:17:38,150

obtained the 124 pages of KGB you of all

359

00:17:45,400 --> 00:17:42,950

materials from the KGB at the time which

360

00:17:47,230 --> 00:17:45,410

is revolutionary you know you carry wood

361

00:17:48,970 --> 00:17:47,240

with the CIA give up there you know for

362

00:17:51,280 --> 00:17:48,980

materials just like that I'm not talking

363

00:17:55,480 --> 00:17:51,290

about the old cases I'm talking about

364

00:17:57,010 --> 00:17:55,490

current cases and he was or or you know

365

00:17:58,420 --> 00:17:57,020

anybody else you know French

366

00:18:01,630 --> 00:17:58,430

intelligence or so forth

367

00:18:04,180 --> 00:18:01,640

but he got those and we've used them for

368

00:18:07,750 --> 00:18:04,190

years we used them for our books - and

369

00:18:10,690 --> 00:18:07,760

other researchers Bible popovich also

370

00:18:14,290 --> 00:18:10,700

had his own sightings very important he

371

00:18:16,630 --> 00:18:14,300

was flying to the United States with

372

00:18:18,640 --> 00:18:16,640

some Soviet scientists and aboard an

373

00:18:21,880 --> 00:18:18,650

airplane they were over Cuba they

374

00:18:23,890 --> 00:18:21,890

observed this strange semi-transparent

375

00:18:27,910 --> 00:18:23,900

triangular object which was following

376

00:18:30,220 --> 00:18:27,920

them cool case and then because of his

377

00:18:32,530 --> 00:18:30,230

stature of course he could be

378

00:18:35,530 --> 00:18:32,540

independent and you know what he did in

379

00:18:38,320 --> 00:18:35,540

the Soviet Union because the program I

380

00:18:41,050 --> 00:18:38,330

told you about was collecting secretive

381

00:18:44,590 --> 00:18:41,060

information they needed more so they

382

00:18:46,480 --> 00:18:44,600

created a so-called semi civilian

383

00:18:48,620 --> 00:18:46,490

program where they asked people to send

384

00:18:51,990 --> 00:18:48,630

in their information of

385

00:18:54,270 --> 00:18:52,000

anomalous aerial phenomena this is what

386

00:18:57,960 --> 00:18:54,280

I called you of force and people did and

387

00:19:00,030 --> 00:18:57,970

he was one of the one of the chairman of

388

00:19:02,340 --> 00:19:00,040

this organization together with some

389

00:19:04,470 --> 00:19:02,350

scientists because the Soviets wanted to

390

00:19:07,710 --> 00:19:04,480

know what is it that people see first of

391

00:19:10,050 --> 00:19:07,720

all to establish if any secrets if they

392

00:19:12,180 --> 00:19:10,060

see any secretive tests and mostly they

393

00:19:15,240 --> 00:19:12,190

wanted to know what is the nature of

394

00:19:18,600 --> 00:19:15,250

UFOs and they had a number of very

395

00:19:21,030 --> 00:19:18,610

qualified professionals including in

396

00:19:23,450 --> 00:19:21,040

their space forces I know today the

397

00:19:27,300 --> 00:19:23,460

United States has established airs for

398

00:19:29,400 --> 00:19:27,310

I'm sorry space force command do you

399

00:19:32,190 --> 00:19:29,410

know that the Soviets have had such

400

00:19:34,590 --> 00:19:32,200

space force back going back to 1970s

401
00:19:38,460 --> 00:19:34,600
they even started before but definitely

402
00:19:41,310 --> 00:19:38,470
1970s it's very active it's been citing

403
00:19:46,650 --> 00:19:41,320
strange objects I have a video about it

404
00:19:48,870 --> 00:19:46,660
about six of 1990 in sorry 2017 six

405
00:19:52,860 --> 00:19:48,880
hundred thousand objects were sighted

406
00:19:55,250 --> 00:19:52,870
approaching earth can you imagine what

407
00:19:58,320 --> 00:19:55,260
the wealth of information they have and

408
00:20:03,060 --> 00:19:58,330
they're very active as you know now they

409
00:20:06,180 --> 00:20:03,070
have an Android in space fodder which is

410
00:20:07,560 --> 00:20:06,190
very interesting you know and they're

411
00:20:10,620 --> 00:20:07,570
doing research to the extent possible

412
00:20:13,320 --> 00:20:10,630
today right you asked me about Russia

413
00:20:17,010 --> 00:20:13,330

Russia today it's Russia is not Soviet

414

00:20:19,410 --> 00:20:17,020

Union it's a different entity there are

415

00:20:23,160 --> 00:20:19,420

problems Putin of course is firmly in

416

00:20:26,070 --> 00:20:23,170

control of Russia and many people love

417

00:20:28,290 --> 00:20:26,080

it and because they look at him as

418

00:20:31,020 --> 00:20:28,300

somebody who brings up defense of the of

419

00:20:33,630 --> 00:20:31,030

the Russian Federation he's putting a

420

00:20:37,410 --> 00:20:33,640

lot of money into the army you can see

421

00:20:39,030 --> 00:20:37,420

him expanding into the arctic areas so

422

00:20:42,990 --> 00:20:39,040

via a Russian military buildup is

423

00:20:45,030 --> 00:20:43,000

tremendous but what I see is all the

424

00:20:48,960 --> 00:20:45,040

territories that Russia is becoming very

425

00:20:52,260 --> 00:20:48,970

much engaged in is also the territories

426
00:20:54,630 --> 00:20:52,270
of numerous UFO on us all sightings for

427
00:20:59,460 --> 00:20:54,640
example I always call people's attention

428
00:21:02,370 --> 00:20:59,470
to the Coryell islands in that Japan say

429
00:21:05,640 --> 00:21:02,380
they used to belong to them after 1945

430
00:21:07,980 --> 00:21:05,650
Russia helped defeat Japan and took over

431
00:21:12,060 --> 00:21:07,990
the territories there's so much going on

432
00:21:14,340 --> 00:21:12,070
and for the last two years I was calling

433
00:21:16,590 --> 00:21:14,350
people's attentions and researchers to

434
00:21:20,610 --> 00:21:16,600
their territory because not only there

435
00:21:22,440 --> 00:21:20,620
are cases and unusual unusual sites like

436
00:21:24,840 --> 00:21:22,450
the Bermuda Triangle let's say of the of

437
00:21:26,279 --> 00:21:24,850
the Far East but there is more than that

438
00:21:28,460 --> 00:21:26,289

the Japanese are very active they know

439

00:21:31,590 --> 00:21:28,470

what they want to get their hands on and

440

00:21:33,600 --> 00:21:31,600

but Russia is Russian military and and

441

00:21:35,850 --> 00:21:33,610

scientists are very much involved for

442

00:21:38,640 --> 00:21:35,860

example now in the research of one

443

00:21:40,980 --> 00:21:38,650

island Matua in the coral chance they'll

444

00:21:43,289 --> 00:21:40,990

never give it back because they found

445

00:21:46,529 --> 00:21:43,299

something very tremendously important

446

00:21:49,799 --> 00:21:46,539

and of course now it's a secret but

447

00:21:51,899 --> 00:21:49,809

things go on numerous sightings there

448

00:21:54,360 --> 00:21:51,909

but that's one pit one land that's in

449

00:21:55,200 --> 00:21:54,370

the Far East but if you look north to

450

00:21:57,799 --> 00:21:55,210

the Arctic

451

00:22:01,320 --> 00:21:57,809

Yakutia some other territories

452

00:22:05,220 --> 00:22:01,330

tremendous sightings 1979 there was a

453

00:22:08,100 --> 00:22:05,230

whole wave of UFOs and dark government

454

00:22:09,899 --> 00:22:08,110

documents describing the kiddos cases so

455

00:22:11,850 --> 00:22:09,909

this is cool and of course you know I

456

00:22:13,740 --> 00:22:11,860

presented as much as possible in my

457

00:22:17,430 --> 00:22:13,750

books and and they know we're paying

458

00:22:19,470 --> 00:22:17,440

attention to it too but something is

459

00:22:21,810 --> 00:22:19,480

going on in the Arctic for example in

460

00:22:24,419 --> 00:22:21,820

look at the recent cases just for the

461

00:22:26,909 --> 00:22:24,429

last month and a half the loss of that

462

00:22:30,750 --> 00:22:26,919

very important Russian top-secret

463

00:22:33,029 --> 00:22:30,760

submarine incidents in the area and at

464

00:22:35,130 --> 00:22:33,039

the same time the Russians are running

465

00:22:38,010 --> 00:22:35,140

military exercises naval military

466

00:22:41,520 --> 00:22:38,020

exercises in the area they're not out

467

00:22:43,710 --> 00:22:41,530

there to scare Norway or NATO I think

468

00:22:46,140 --> 00:22:43,720

they know each other side knows what the

469

00:22:49,470 --> 00:22:46,150

other side has I think they're facing

470

00:22:52,560 --> 00:22:49,480

some other enemy or adversary or they're

471

00:22:54,210 --> 00:22:52,570

trying to show their might to somebody

472

00:22:59,159 --> 00:22:54,220

who is much stronger than the Americans

473

00:23:02,460 --> 00:22:59,169

for the Chinese god god and I going back

474

00:23:04,830 --> 00:23:02,470

to the cosmonauts a few years back

475

00:23:08,220 --> 00:23:04,840

Alexei Leonov was the first man to walk

476

00:23:10,080 --> 00:23:08,230

in space had made some comments and that

477

00:23:13,360 --> 00:23:10,090

was apparently involved in at least some

478

00:23:15,880 --> 00:23:13,370

level of research regarding UFOs he was

479

00:23:17,290 --> 00:23:15,890

skeptical and I was wondering if you

480

00:23:18,340 --> 00:23:17,300

remember that and if you do do you have

481

00:23:21,840 --> 00:23:18,350

any comments about that

482

00:23:24,580 --> 00:23:21,850

yes he's a popular guy he's a big name

483

00:23:27,340 --> 00:23:24,590

justifiably a huge hero over in Russia

484

00:23:29,850 --> 00:23:27,350

well Popovich was just as justify have

485

00:23:32,950 --> 00:23:29,860

agreed and a few other cosmonauts I

486

00:23:35,770 --> 00:23:32,960

respect alexei leonov he did

487

00:23:38,530 --> 00:23:35,780

tremendously important steps in space

488

00:23:43,660 --> 00:23:38,540

exploration but he had been consistently

489

00:23:46,270 --> 00:23:43,670

and very unusually anti UFO so to put it

490

00:23:48,820 --> 00:23:46,280

this way anti alien presence and marina

491

00:23:51,520 --> 00:23:48,830

Popovich had her own run-ins with him

492

00:23:54,610 --> 00:23:51,530

because she observed you of Oz with

493

00:23:55,990 --> 00:23:54,620

someone else and by her side and so and

494

00:24:00,040 --> 00:23:56,000

he said no no that's not what you had

495

00:24:01,810 --> 00:24:00,050

seen what you saw were projectors or for

496

00:24:04,570 --> 00:24:01,820

you know flat lights and so was this

497

00:24:07,960 --> 00:24:04,580

well I'm not I'm a test pilot of the

498

00:24:10,450 --> 00:24:07,970

Soviet Union you know I am I had

499

00:24:12,010 --> 00:24:10,460

cosmonaut training myself they didn't

500

00:24:14,919 --> 00:24:12,020

choose her but she had her carry score

501
00:24:17,590 --> 00:24:14,929
was chosen instead of her but you know

502
00:24:20,350 --> 00:24:17,600
don't tell me that but there's more than

503
00:24:23,470 --> 00:24:20,360
that I know that there is a document by

504
00:24:26,530 --> 00:24:23,480
the American Defense Intelligence Agency

505
00:24:29,530 --> 00:24:26,540
it was Declassified report they followed

506
00:24:32,049 --> 00:24:29,540
Leonov and in 1970 in Japan

507
00:24:34,570 --> 00:24:32,059
speaking in Japan he all he was saying

508
00:24:38,350 --> 00:24:34,580
is that no there are no UFOs no no we

509
00:24:41,830 --> 00:24:38,360
can explain all that so obviously he has

510
00:24:43,540 --> 00:24:41,840
a mission and even though there is no

511
00:24:43,930 --> 00:24:43,550
Soviet Union I need you to understand

512
00:24:45,730 --> 00:24:43,940
something

513
00:24:48,640 --> 00:24:45,740

yeah it's gone but they still have

514

00:24:51,520 --> 00:24:48,650

military oath but to whom this is what

515

00:24:54,700 --> 00:24:51,530

was asked of Paolo Popovich who when he

516

00:24:56,560 --> 00:24:54,710

spoke about underwater bases very

517

00:24:59,350 --> 00:24:56,570

interesting and I present this

518

00:25:01,060 --> 00:24:59,360

information underwater bases in a number

519

00:25:03,970 --> 00:25:01,070

of parts on our planet

520

00:25:05,200 --> 00:25:03,980

he was very descriptive and you know

521

00:25:08,650 --> 00:25:05,210

when he was asked by ukrainian

522

00:25:11,110 --> 00:25:08,660

journalist well is this all you can say

523

00:25:14,470 --> 00:25:11,120

he says no I have more but I cannot

524

00:25:17,020 --> 00:25:14,480

because I gave my oath okay you're

525

00:25:18,010 --> 00:25:17,030

Ukrainian you live in Russia the Soviet

526

00:25:20,799 --> 00:25:18,020

Union is gone

527

00:25:22,690 --> 00:25:20,809

who is the oath to here you know they

528

00:25:25,960 --> 00:25:22,700

won't say and he was on the other and

529

00:25:27,830 --> 00:25:25,970

from what Alexei Leonov is but there are

530

00:25:30,550 --> 00:25:27,840

other cosmonauts I may

531

00:25:32,570 --> 00:25:30,560

recently we had a Ukrainian cosmonaut

532

00:25:36,620 --> 00:25:32,580

first-class moment of independent

533

00:25:41,750 --> 00:25:36,630

Ukraine a great guy Leonid Katya nuke he

534

00:25:44,120 --> 00:25:41,760

died one year ago yeah relatively young

535

00:25:47,450 --> 00:25:44,130

man but he talks about you forced now he

536

00:25:50,630 --> 00:25:47,460

had not seen himself he comes out but he

537

00:25:53,480 --> 00:25:50,640

knows those who did and he remembers how

538

00:25:56,120 --> 00:25:53,490

when he was in the Soviet Air Force what

539

00:25:58,640 --> 00:25:56,130

was told to him by you know how they

540

00:26:00,710 --> 00:25:58,650

were taught by the higher command how to

541

00:26:04,580 --> 00:26:00,720

treat you of OHS and there are other

542

00:26:07,670 --> 00:26:04,590

cases I present and more more than that

543

00:26:10,630 --> 00:26:07,680

there cosmonauts it's it's even more how

544

00:26:13,220 --> 00:26:10,640

the outer space effects cosmonauts and

545

00:26:15,350 --> 00:26:13,230

not all of it

546

00:26:18,560 --> 00:26:15,360

you know they could even they could even

547

00:26:21,680 --> 00:26:18,570

talk among their family because they

548

00:26:23,960 --> 00:26:21,690

would be fired and punished but space is

549

00:26:26,630 --> 00:26:23,970

doing things to their not only brains

550

00:26:28,760 --> 00:26:26,640

but the whole outlook and physiology

551
00:26:30,320 --> 00:26:28,770
yeah that's been widely discussed among

552
00:26:31,400 --> 00:26:30,330
the American astronauts but the same

553
00:26:33,980 --> 00:26:31,410
thing he's gone on amongst the

554
00:26:38,090 --> 00:26:33,990
cosmonauts and you're saying I I think

555
00:26:41,210 --> 00:26:38,100
in a way yeah yeah yeah there is a lot

556
00:26:43,430 --> 00:26:41,220
and Soviet cosmonauts you know they had

557
00:26:46,390 --> 00:26:43,440
they had it harder than the Americans

558
00:26:49,130 --> 00:26:46,400
because of the government changes and

559
00:26:52,940 --> 00:26:49,140
they were about to to go to the moon but

560
00:26:56,120 --> 00:26:52,950
you know Carol off died and the program

561
00:26:57,770 --> 00:26:56,130
died but they had another headed their

562
00:26:59,930 --> 00:26:57,780
own Space Shuttle I'm sure they took

563
00:27:03,110 --> 00:26:59,940

American prototype but it was cool it

564

00:27:06,520 --> 00:27:03,120

was very great boron and the the person

565

00:27:11,330 --> 00:27:06,530

that basically did the only flight on it

566

00:27:14,450 --> 00:27:11,340

eager walk a cosmonaut he observed UFOs

567

00:27:17,120 --> 00:27:14,460

himself not in outer space but on on

568

00:27:20,210 --> 00:27:17,130

earth and he was with a top official

569

00:27:23,350 --> 00:27:20,220

from the Soviet space program at the

570

00:27:29,230 --> 00:27:23,360

time so I mentioned that too and more

571

00:27:32,440 --> 00:27:29,240

you had Vice Admirals generals had

572

00:27:36,440 --> 00:27:32,450

former head of the Soviet space program

573

00:27:38,510 --> 00:27:36,450

who who said we cannot discount some of

574

00:27:40,900 --> 00:27:38,520

them came out openly I said we had this

575

00:27:44,440 --> 00:27:40,910

gigantic your foes

576

00:27:47,950 --> 00:27:44,450

disks or or cigars or with such-and-such

577

00:27:51,070 --> 00:27:47,960

area of Russia such-and-such time we

578

00:27:53,770 --> 00:27:51,080

could not explain it we sent Jets after

579

00:27:56,200 --> 00:27:53,780

it they couldn't approach it they open

580

00:27:57,910 --> 00:27:56,210

the game others would say look we know

581

00:28:02,050 --> 00:27:57,920

we have collected so much information

582

00:28:04,960 --> 00:28:02,060

you cannot discount you of also aliens

583

00:28:09,400 --> 00:28:04,970

as possible explanation for what's

584

00:28:11,110 --> 00:28:09,410

flying over us and a few years back the

585

00:28:14,170 --> 00:28:11,120

earlier part of this decade then Prime

586

00:28:16,960 --> 00:28:14,180

Minister Dmitry Medvedev was kind of

587

00:28:20,590 --> 00:28:16,970

calling a hot mic after he was off the

588

00:28:23,100 --> 00:28:20,600

air interviewing with Russian television

589

00:28:26,620 --> 00:28:23,110

and he made a number of comments about

590

00:28:29,320 --> 00:28:26,630

UFOs and aliens and men in black and I

591

00:28:32,530 --> 00:28:29,330

want to get your take on that I could

592

00:28:34,510 --> 00:28:32,540

say it was a joke it's you know typical

593

00:28:37,060 --> 00:28:34,520

Russian humor but I think it was a

594

00:28:38,790 --> 00:28:37,070

little bit more than that and you know

595

00:28:43,180 --> 00:28:38,800

we're staying tuned we'll find out more

596

00:28:47,410 --> 00:28:43,190

as the time goes by you know Russia it's

597

00:28:50,740 --> 00:28:47,420

more the government is not mired in a

598

00:28:52,950 --> 00:28:50,750

stupid ideology this collectivist

599

00:28:55,960 --> 00:28:52,960

socialist idiotic ideology that

600

00:28:59,290 --> 00:28:55,970

restraint you know our lands and

601
00:29:03,580 --> 00:28:59,300
destroyed our economies Russia today is

602
00:29:08,290 --> 00:29:03,590
more flexible in many ways it's more

603
00:29:11,080 --> 00:29:08,300
agile and if given a chance they will

604
00:29:12,820 --> 00:29:11,090
become more modern but you gotta

605
00:29:15,120 --> 00:29:12,830
understand you only have a few big

606
00:29:18,940 --> 00:29:15,130
cities like Moscow Saint Petersburg

607
00:29:22,000 --> 00:29:18,950
Russia has a wonderful Siberia I mean it

608
00:29:23,440 --> 00:29:22,010
and Far East edge will be developed and

609
00:29:26,320 --> 00:29:23,450
are being developed to the extent

610
00:29:29,860 --> 00:29:26,330
possible but it's not easy but they have

611
00:29:34,450 --> 00:29:29,870
a lot of scientific brains that they

612
00:29:37,060 --> 00:29:34,460
lost many all the you know Soviet SDI

613
00:29:39,010 --> 00:29:37,070

like program all most of the scientists

614

00:29:41,820 --> 00:29:39,020

moved to the United States when the

615

00:29:44,980 --> 00:29:41,830

Soviet Union fell apart but nowadays

616

00:29:47,710 --> 00:29:44,990

scientists stay and they are more I

617

00:29:50,950 --> 00:29:47,720

don't want to say patriotic but they do

618

00:29:53,140 --> 00:29:50,960

want to give their their ideas and their

619

00:29:54,670 --> 00:29:53,150

energy to Russia and I can see that and

620

00:29:59,590 --> 00:29:54,680

they have

621

00:30:03,820 --> 00:29:59,600

capable officers who I am sure observe

622

00:30:08,110 --> 00:30:03,830

UFOs day in and day out but secrecy is

623

00:30:10,630 --> 00:30:08,120

tremendous its it people don't talk

624

00:30:12,130 --> 00:30:10,640

about it they do what they need to do

625

00:30:14,800 --> 00:30:12,140

and it's very hard to get information

626
00:30:16,840 --> 00:30:14,810
out of Russia now you were talking about

627
00:30:18,970 --> 00:30:16,850
initially well well things loosened up

628
00:30:20,680 --> 00:30:18,980
by a little bit with Gorbachev and then

629
00:30:24,160 --> 00:30:20,690
the the Commonwealth of Independent

630
00:30:25,750 --> 00:30:24,170
States came in and Yeltsin was the the

631
00:30:28,480 --> 00:30:25,760
first man insurance first president of

632
00:30:31,360 --> 00:30:28,490
that if I recall correctly and correct

633
00:30:32,980 --> 00:30:31,370
me if I'm wrong of course and did things

634
00:30:35,040 --> 00:30:32,990
kind of like loosen up for a little bit

635
00:30:38,350 --> 00:30:35,050
and then tighten up again as a Putin's

636
00:30:41,650 --> 00:30:38,360
maintained control over there for all

637
00:30:45,040 --> 00:30:41,660
these years now or has it been up and

638
00:30:46,690 --> 00:30:45,050

down or is it that steady or under

639

00:30:48,010 --> 00:30:46,700

Yeltsin there was just thing mostly to

640

00:30:50,860 --> 00:30:48,020

survive but what's interesting about

641

00:30:52,840 --> 00:30:50,870

Yeltsin is that he very much believed in

642

00:30:54,820 --> 00:30:52,850

I don't want to say they're caught

643

00:30:58,900 --> 00:30:54,830

because it was not that but he had a

644

00:31:00,700 --> 00:30:58,910

whole group of people so-called sigh psi

645

00:31:04,570 --> 00:31:00,710

defense around him

646

00:31:06,580 --> 00:31:04,580

and people who were involved in this

647

00:31:09,520 --> 00:31:06,590

type of research and weapons and so

648

00:31:12,490 --> 00:31:09,530

forth and someone from the KGB some from

649

00:31:14,050 --> 00:31:12,500

other forces so he was very much killing

650

00:31:15,850 --> 00:31:14,060

it but they didn't have enough time to

651
00:31:18,310 --> 00:31:15,860
go into it that's why there are a lot of

652
00:31:21,640 --> 00:31:18,320
documents left so the former Soviet

653
00:31:22,990 --> 00:31:21,650
Union and Russia and made their way to

654
00:31:26,140 --> 00:31:23,000
the United States and elsewhere

655
00:31:29,140 --> 00:31:26,150
interesting documents and remember the

656
00:31:32,020 --> 00:31:29,150
you know the KGB was destroyed and not

657
00:31:35,590 --> 00:31:32,030
very active for a year - yeah it's

658
00:31:40,620 --> 00:31:35,600
changed under Putin because Putin's he

659
00:31:43,960 --> 00:31:40,630
he wants to build up Russian state and

660
00:31:46,090 --> 00:31:43,970
you know defense of his country is very

661
00:31:48,190 --> 00:31:46,100
important to him and of course they just

662
00:31:50,680 --> 00:31:48,200
like in the Soviet times they want to

663
00:31:54,430 --> 00:31:50,690

know what are those you are forced

664

00:31:57,250 --> 00:31:54,440

because there are UFO sightings and you

665

00:31:59,560 --> 00:31:57,260

as all sightings - but it's a different

666

00:32:02,770 --> 00:31:59,570

level of secrecy it's it's it's a

667

00:32:04,510 --> 00:32:02,780

different type of government today look

668

00:32:07,660 --> 00:32:04,520

there are elections in Russia as well

669

00:32:08,450 --> 00:32:07,670

and some people are you know saying

670

00:32:11,390 --> 00:32:08,460

there is no

671

00:32:14,090 --> 00:32:11,400

them others people say yes I'm not gonna

672

00:32:17,240 --> 00:32:14,100

go into death but I will tell you but

673

00:32:20,540 --> 00:32:17,250

Russians are able to read much more the

674

00:32:21,980 --> 00:32:20,550

Internet is still open and they can they

675

00:32:25,880 --> 00:32:21,990

can see what's going on they travel

676

00:32:27,950 --> 00:32:25,890

abroad and for this for I am thankful to

677

00:32:31,520 --> 00:32:27,960

Gorbachev for the destruction of the

678

00:32:33,650 --> 00:32:31,530

stupid Communist Party because you you

679

00:32:36,050 --> 00:32:33,660

can belong to other parties today yeah

680

00:32:40,370 --> 00:32:36,060

there are limitations you can study the

681

00:32:43,190 --> 00:32:40,380

religious there is more religion there

682

00:32:45,050 --> 00:32:43,200

is no what should I say punishment for

683

00:32:48,200 --> 00:32:45,060

being religious religious and it was

684

00:32:50,150 --> 00:32:48,210

during my times so you know people can

685

00:32:51,800 --> 00:32:50,160

read books that they want to problem in

686

00:32:55,460 --> 00:32:51,810

today's world is that young people don't

687

00:32:58,010 --> 00:32:55,470

want to read books but yeah your your

688

00:33:00,380 --> 00:32:58,020

point regarding a religion in Russia

689

00:33:02,270 --> 00:33:00,390

Russia has the third largest Christian

690

00:33:05,240 --> 00:33:02,280

population in the world behind the US

691

00:33:07,910 --> 00:33:05,250

and Brazil yeah and Muslims they have a

692

00:33:10,010 --> 00:33:07,920

very tremendous Muslim population too

693

00:33:14,180 --> 00:33:10,020

and they have a you know it is there is

694

00:33:17,090 --> 00:33:14,190

no there are no more obstacles to people

695

00:33:19,670 --> 00:33:17,100

they have a Jewish Russians and other

696

00:33:21,680 --> 00:33:19,680

Russians are able to do to join the

697

00:33:25,040 --> 00:33:21,690

government and do what they want what

698

00:33:27,530 --> 00:33:25,050

I'm saying yeah I don't want to build to

699

00:33:29,300 --> 00:33:27,540

paint a rosy picture but it's just a

700

00:33:31,310 --> 00:33:29,310

different land and I I'm telling people

701
00:33:33,920 --> 00:33:31,320
don't mix it up with the old Soviet

702
00:33:36,200 --> 00:33:33,930
Union it's not that even territorial

703
00:33:38,960 --> 00:33:36,210
expansion you know look at the Russian

704
00:33:41,450 --> 00:33:38,970
Empire as an example don't look at the

705
00:33:43,610 --> 00:33:41,460
Soviet Union because they don't bring a

706
00:33:46,670 --> 00:33:43,620
communist ideology and their bayonets

707
00:33:49,430 --> 00:33:46,680
like before they wanted to take over the

708
00:33:53,500 --> 00:33:49,440
world and I think in time there should

709
00:33:56,690 --> 00:33:53,510
be more cooperation in space definitely

710
00:34:00,020 --> 00:33:56,700
and whether I want to or not there is

711
00:34:02,360 --> 00:34:00,030
cohesion yeah yeah that that's how we

712
00:34:04,130 --> 00:34:02,370
get into orbit now here in the States we

713
00:34:06,440 --> 00:34:04,140

don't have there anything that can get

714

00:34:08,150 --> 00:34:06,450

our own American astronauts up to the

715

00:34:10,040 --> 00:34:08,160

space station we have to hitch rides

716

00:34:13,040 --> 00:34:10,050

with the Russians so that since the way

717

00:34:15,320 --> 00:34:13,050

it goes let's go we have we have this

718

00:34:18,260 --> 00:34:15,330

robot in space and and this creature

719

00:34:20,930 --> 00:34:18,270

already complained today I was you know

720

00:34:22,190 --> 00:34:20,940

reading a Russian a story just out from

721

00:34:24,260 --> 00:34:22,200

from from Russia that there

722

00:34:26,990 --> 00:34:24,270

robot who made it to the station and did

723

00:34:28,520 --> 00:34:27,000

not perish now he is complaining you

724

00:34:32,810 --> 00:34:28,530

know about the part of the station he

725

00:34:35,869 --> 00:34:32,820

was put in but what I'm saying

726

00:34:37,730 --> 00:34:35,879

I think but getting back to to what we

727

00:34:40,579 --> 00:34:37,740

can call paranormal let's say whether I

728

00:34:42,889 --> 00:34:40,589

I personally think that there is much

729

00:34:44,899 --> 00:34:42,899

higher cooperation at the levels we

730

00:34:47,560 --> 00:34:44,909

can't even imagine and it doesn't matter

731

00:34:50,000 --> 00:34:47,570

what presidents come comes in and out

732

00:34:52,819 --> 00:34:50,010

they know they talk to each other and

733

00:34:55,329 --> 00:34:52,829

you spoke about American presidents I

734

00:34:59,270 --> 00:34:55,339

always want to tell Americans remember

735

00:35:02,390 --> 00:34:59,280

Gerald Ford who was a congressman who

736

00:35:05,630 --> 00:35:02,400

was pushing the Air Force to give up UFO

737

00:35:07,579 --> 00:35:05,640

information he was very active and I

738

00:35:09,470 --> 00:35:07,589

don't want people to forget about his

739

00:35:12,349 --> 00:35:09,480

input into this whole disclosure

740

00:35:13,910 --> 00:35:12,359

movement oh yeah yeah he was he was a

741

00:35:15,410 --> 00:35:13,920

congressman before he became vice

742

00:35:17,420 --> 00:35:15,420

president and then president he was a

743

00:35:19,790 --> 00:35:17,430

congressman in Michigan where there were

744

00:35:21,470 --> 00:35:19,800

an awful lot of sightings and his people

745

00:35:23,870 --> 00:35:21,480

were you know his constituents were

746

00:35:25,819 --> 00:35:23,880

raising quite a fuss about it and he did

747

00:35:28,370 --> 00:35:25,829

get a congressional open correctional

748

00:35:31,579 --> 00:35:28,380

hearing going now regarding UFOs back in

749

00:35:33,470 --> 00:35:31,589

the late 60s so yeah I mean it's it's up

750

00:35:35,599 --> 00:35:33,480

and down here and we're we're in kind of

751
00:35:37,430 --> 00:35:35,609
a heavy period here it's been a great

752
00:35:40,520 --> 00:35:37,440
period for UFO buffs

753
00:35:44,030 --> 00:35:40,530
here in the States for sure with TSA and

754
00:35:47,030 --> 00:35:44,040
all that and we've had Steve Bassett on

755
00:35:50,030 --> 00:35:47,040
with us a handful three times I believe

756
00:35:52,700 --> 00:35:50,040
three times and he's often talking about

757
00:35:54,980 --> 00:35:52,710
Putin being the one to disclose that

758
00:35:57,109 --> 00:35:54,990
he'll he'll you know his ego is enough

759
00:35:58,670 --> 00:35:57,119
and that you know he'll want the the

760
00:36:00,140 --> 00:35:58,680
pleasure of announcing that to the world

761
00:36:01,880 --> 00:36:00,150
you're a little skeptical about that

762
00:36:03,500 --> 00:36:01,890
once you tell the folks at a little bit

763
00:36:06,650 --> 00:36:03,510

more detail about what you told me

764

00:36:08,809 --> 00:36:06,660

before we got on the air well Steve he's

765

00:36:12,620 --> 00:36:08,819

a nice guy but he's naive Western there

766

00:36:14,420 --> 00:36:12,630

you know you know he's you know young

767

00:36:17,030 --> 00:36:14,430

and impressionable you know person

768

00:36:19,040 --> 00:36:17,040

listen what I'll tell you is this they

769

00:36:22,970 --> 00:36:19,050

cannot and this was disparate ends for

770

00:36:25,579 --> 00:36:22,980

example to us OS in 2009 you know they

771

00:36:28,940 --> 00:36:25,589

give an response to the rumors that I

772

00:36:31,370 --> 00:36:28,950

saw that Russians are the classifying us

773

00:36:34,220 --> 00:36:31,380

all unidentified submersible

774

00:36:36,050 --> 00:36:34,230

objects information and the spokesman

775

00:36:39,170 --> 00:36:36,060

for for the Navy said listen

776

00:36:42,080 --> 00:36:39,180

we can do it because it will show the

777

00:36:44,420 --> 00:36:42,090

itineraries of our submarines our

778

00:36:46,840 --> 00:36:44,430

adversaries will know where we see such

779

00:36:49,640 --> 00:36:46,850

cases that's not gonna happen

780

00:36:52,850 --> 00:36:49,650

there is no reason for him to do it

781

00:36:54,880 --> 00:36:52,860

secrecy is is its only no much plus it

782

00:36:57,770 --> 00:36:54,890

will show projects they're working on

783

00:37:00,020 --> 00:36:57,780

there is no there's no incentive to do

784

00:37:03,950 --> 00:37:00,030

it what what he doesn't need a Nobel

785

00:37:07,640 --> 00:37:03,960

Prize if it's done in my opinion it will

786

00:37:10,900 --> 00:37:07,650

be done together with the Americans and

787

00:37:13,420 --> 00:37:10,910

the Chinese and maybe the United Kingdom

788

00:37:16,580 --> 00:37:13,430

depending on the information they have

789

00:37:18,020 --> 00:37:16,590

it's going to be a joint effort not

790

00:37:20,540 --> 00:37:18,030

something that's going to happen just

791

00:37:23,480 --> 00:37:20,550

because a president wakes up one day

792

00:37:28,100 --> 00:37:23,490

feels good and says well you know what

793

00:37:30,260 --> 00:37:28,110

I'll let the world know God and we had

794

00:37:32,300 --> 00:37:30,270

that Gary Heseltine on a couple months

795

00:37:34,780 --> 00:37:32,310

back and he was talking about that

796

00:37:38,540 --> 00:37:34,790

visiting Russia himself as part of a

797

00:37:41,180 --> 00:37:38,550

proposed think tank put together by the

798

00:37:43,850 --> 00:37:41,190

Chinese but the event was hosted in

799

00:37:45,770 --> 00:37:43,860

Russia and you know a little bit about

800

00:37:47,210 --> 00:37:45,780

that Paul won't you tell us and fill the

801
00:37:49,100 --> 00:37:47,220
folks in if they didn't happen to hear

802
00:37:56,300 --> 00:37:49,110
the show with Gary tell us a little bit

803
00:37:59,930 --> 00:37:56,310
about that effort hold on a second

804
00:38:02,860 --> 00:37:59,940
sure so I don't want to lose my what I

805
00:38:08,450 --> 00:38:02,870
know I don't want to see something know

806
00:38:12,260 --> 00:38:08,460
about this okay what's going on is this

807
00:38:14,870 --> 00:38:12,270
I understand that the Chinese and the

808
00:38:17,270 --> 00:38:14,880
Russians organized I'm not sure how

809
00:38:19,220 --> 00:38:17,280
active that Russian group is I know the

810
00:38:21,350 --> 00:38:19,230
about you apology in Russia today and

811
00:38:24,170 --> 00:38:21,360
who is active who is not but it's a good

812
00:38:26,930 --> 00:38:24,180
effort who is paying for it I'm not

813
00:38:31,070 --> 00:38:26,940

exactly sure maybe it's the Chinese if

814

00:38:34,270 --> 00:38:31,080

they can create something like a UN of

815

00:38:37,820 --> 00:38:34,280

UFO research that would be good and

816

00:38:41,660 --> 00:38:37,830

maybe the next meeting will take place

817

00:38:45,020 --> 00:38:41,670

in China Beijing but I don't know all

818

00:38:47,600 --> 00:38:45,030

the details however I my respect is for

819

00:38:49,310 --> 00:38:47,610

Chinese you apology based on Russian

820

00:38:49,839 --> 00:38:49,320

information because they keep an eye on

821

00:38:54,069 --> 00:38:49,849

it

822

00:38:56,739 --> 00:38:54,079

their neighbors and I also spoke in Hong

823

00:38:59,079 --> 00:38:56,749

Kong some years ago and I'm in touch

824

00:39:02,130 --> 00:38:59,089

with Hong Kong researchers so it's

825

00:39:06,549 --> 00:39:02,140

interesting to see that China has a very

826
00:39:08,439 --> 00:39:06,559
important very far-reaching UFO research

827
00:39:11,380 --> 00:39:08,449
program they don't talk about it too

828
00:39:13,569 --> 00:39:11,390
much because it's government supported

829
00:39:15,459 --> 00:39:13,579
on many levels I'm sure there are

830
00:39:19,059 --> 00:39:15,469
independent researchers to the extent

831
00:39:22,989 --> 00:39:19,069
possible in China but tens of thousands

832
00:39:25,569 --> 00:39:22,999
of people and scientists many of them

833
00:39:27,009 --> 00:39:25,579
studying up information collecting them

834
00:39:29,229 --> 00:39:27,019
and who knows what's entered there

835
00:39:33,699 --> 00:39:29,239
started their researching in in China

836
00:39:36,279 --> 00:39:33,709
but Chinese UFO phenomenon ancient

837
00:39:39,759 --> 00:39:36,289
aliens goes back goes back thousands of

838
00:39:44,199 --> 00:39:39,769

years I had a whole study of the

839

00:39:49,900 --> 00:39:44,209

so-called Yellow Emperor and I had a lot

840

00:39:53,170 --> 00:39:49,910

of good reports based on my publications

841

00:39:57,819 --> 00:39:53,180

and videos and it goes back more than

842

00:39:59,829 --> 00:39:57,829

5000 years ago but they very carefully

843

00:40:02,680 --> 00:39:59,839

collect all this information and for

844

00:40:04,630 --> 00:40:02,690

other cases and you know you hear

845

00:40:07,269 --> 00:40:04,640

stories about the pyramids in China but

846

00:40:09,189 --> 00:40:07,279

there is more you know the more the

847

00:40:12,099 --> 00:40:09,199

lakes that contains very unusual

848

00:40:14,920 --> 00:40:12,109

structures and them and much more but

849

00:40:17,589 --> 00:40:14,930

China is not in a way it's less open

850

00:40:19,779 --> 00:40:17,599

than Russia because in Russia for

851
00:40:22,299 --> 00:40:19,789
example if I present a case about

852
00:40:25,120 --> 00:40:22,309
Yakutia and the ancient cauldron so to

853
00:40:27,579 --> 00:40:25,130
say strange objects embedded in the

854
00:40:31,479 --> 00:40:27,589
permafrost people can can go to the area

855
00:40:34,900 --> 00:40:31,489
and at least try to find out yeah you

856
00:40:37,449 --> 00:40:34,910
know can I get a guide to approximate

857
00:40:40,599 --> 00:40:37,459
area or if I tell people about the Lake

858
00:40:42,759 --> 00:40:40,609
Baikal and the swimmers I know Americans

859
00:40:44,259 --> 00:40:42,769
in the Japanese have gone I think it's a

860
00:40:46,089 --> 00:40:44,269
little bit different with China because

861
00:40:49,989 --> 00:40:46,099
some territories are definitely out of

862
00:40:52,199 --> 00:40:49,999
reach same in Russia but mostly Arctic

863
00:40:57,160 --> 00:40:52,209

territories and maybe some of the closed

864

00:40:59,559 --> 00:40:57,170

special special designation cities you

865

00:41:01,719 --> 00:40:59,569

would mentioned some of the the openness

866

00:41:04,100 --> 00:41:01,729

over in Russia and we have our course

867

00:41:06,920 --> 00:41:04,110

here in the West no problem with

868

00:41:08,720 --> 00:41:06,930

access to RT which was I get basically a

869

00:41:10,640 --> 00:41:08,730

Russian television at one point but they

870

00:41:12,290 --> 00:41:10,650

kind of shortened it up I guess for

871

00:41:15,290 --> 00:41:12,300

marketing purposes or whatever the case

872

00:41:18,380 --> 00:41:15,300

may be but they certainly cover UFO

873

00:41:20,450 --> 00:41:18,390

stuff on RT now are the folks in Russia

874

00:41:23,840 --> 00:41:20,460

getting the same kind of coverage or is

875

00:41:26,230 --> 00:41:23,850

that the kind of just an organization

876

00:41:29,120 --> 00:41:26,240

that puts out material for the West and

877

00:41:32,360 --> 00:41:29,130

you're really not getting a the same

878

00:41:34,430 --> 00:41:32,370

kind of coverage back in Russia no RT is

879

00:41:37,250 --> 00:41:34,440

mainly for the West and that's not a

880

00:41:39,440 --> 00:41:37,260

source I would go for for my research oh

881

00:41:43,270 --> 00:41:39,450

no local newspapers published

882

00:41:46,280 --> 00:41:43,280

interesting cases people have you know

883

00:41:47,690 --> 00:41:46,290

smartphones today they can make pictures

884

00:41:49,550 --> 00:41:47,700

of your force and I get a lot I

885

00:41:51,710 --> 00:41:49,560

sometimes put it on my Twitter channel

886

00:41:53,960 --> 00:41:51,720

too for you know latest cases

887

00:41:56,150 --> 00:41:53,970

interesting cases and there were there

888

00:41:59,600 --> 00:41:56,160

was a very important organization still

889

00:42:01,550 --> 00:41:59,610

in existence in Russia Cosmo poisk the

890

00:42:03,320 --> 00:42:01,560

leader unfortunately died he was a young

891

00:42:06,950 --> 00:42:03,330

man but a scientist who led many

892

00:42:08,530 --> 00:42:06,960

expeditions who was very active I helped

893

00:42:11,120 --> 00:42:08,540

him get on some American channels

894

00:42:15,470 --> 00:42:11,130

chernobrov but he passed away but the

895

00:42:18,170 --> 00:42:15,480

legacy is still there and people young

896

00:42:19,970 --> 00:42:18,180

people are different today to those who

897

00:42:22,640 --> 00:42:19,980

are interested they find ways to study

898

00:42:24,200 --> 00:42:22,650

UFOs and they can look at American

899

00:42:27,290 --> 00:42:24,210

unfortunately sometimes they look at

900

00:42:29,540 --> 00:42:27,300

tabloids but you know they understand

901
00:42:34,010 --> 00:42:29,550
they did they can find information and

902
00:42:36,890 --> 00:42:34,020
look for it so I know that overseas

903
00:42:39,710 --> 00:42:36,900
Russian news sources the other like to

904
00:42:43,610 --> 00:42:39,720
write up about American and British you

905
00:42:46,520 --> 00:42:43,620
apology but to bring news about Russian

906
00:42:48,830 --> 00:42:46,530
cases Ukrainian and Central Asian that's

907
00:42:50,930 --> 00:42:48,840
my job this is what I do in the West and

908
00:42:53,420 --> 00:42:50,940
there are people in Russia who do the

909
00:42:57,680 --> 00:42:53,430
same and I think it's this this is what

910
00:43:00,860 --> 00:42:57,690
I thought 28 years ago and I strongly

911
00:43:03,880 --> 00:43:00,870
believe with let's build bridges I know

912
00:43:06,020 --> 00:43:03,890
there'll be the bankers who will how

913
00:43:08,180 --> 00:43:06,030

when they hear when they see this

914

00:43:10,400 --> 00:43:08,190

information coming out from Russia as

915

00:43:12,650 --> 00:43:10,410

they did in this so at the time of the

916

00:43:14,840 --> 00:43:12,660

Soviet Union but I say screw them we

917

00:43:17,930 --> 00:43:14,850

will bring it out who let people see

918

00:43:20,230 --> 00:43:17,940

what's going on let people I understand

919

00:43:24,440 --> 00:43:20,240

Russian scientific developments and also

920

00:43:28,670 --> 00:43:24,450

Russian cases of UFOs anomalous areas

921

00:43:33,620 --> 00:43:28,680

u.s. OS and compare because if a Chinese

922

00:43:36,260 --> 00:43:33,630

guy or an American sailor C reads our

923

00:43:38,089 --> 00:43:36,270

book and sees what's going on you know

924

00:43:40,970 --> 00:43:38,099

they have a chance I'm very proud

925

00:43:43,640 --> 00:43:40,980

Phillip mantle is active now this book

926
00:43:47,540 --> 00:43:43,650
about you as Oz it's available in I know

927
00:43:50,630 --> 00:43:47,550
in Spanish Portuguese German Italian

928
00:43:52,819 --> 00:43:50,640
Russian I never expected it but I wanted

929
00:43:57,670 --> 00:43:52,829
it I want the book to be available in

930
00:44:00,950 --> 00:43:57,680
Arabic in or do in Chinese in Hebrew but

931
00:44:02,510 --> 00:44:00,960
you know right right now one book ad

932
00:44:04,579 --> 00:44:02,520
that you had dedicated while you

933
00:44:07,339 --> 00:44:04,589
dedicated an entire book to the case

934
00:44:09,410 --> 00:44:07,349
that you call the the rasa the Russian

935
00:44:11,180 --> 00:44:09,420
Roswell and why don't you give some

936
00:44:13,400 --> 00:44:11,190
folks the details on all that what

937
00:44:17,180 --> 00:44:13,410
happened there look cool this was very

938
00:44:19,250 --> 00:44:17,190

interesting case in 1986 one day after

939

00:44:22,069 --> 00:44:19,260

the challenge we'll explore a challenger

940

00:44:24,349 --> 00:44:22,079

exposure explosion not people don't talk

941

00:44:28,870 --> 00:44:24,359

about it but I will this happened one

942

00:44:31,490 --> 00:44:28,880

day after a strange object entered

943

00:44:34,010 --> 00:44:31,500

off-limits Russian town and the border

944

00:44:37,370 --> 00:44:34,020

with China it used to be Chinese before

945

00:44:39,890 --> 00:44:37,380

you know many years before anyway it's a

946

00:44:43,010 --> 00:44:39,900

settlement and it was a mining

947

00:44:47,690 --> 00:44:43,020

settlement Danny Gorski and this object

948

00:44:50,990 --> 00:44:47,700

entered it went up and down and it you

949

00:44:53,480 --> 00:44:51,000

know basically smashed into a hill six

950

00:44:55,550 --> 00:44:53,490

eleven but when up and down finally

951
00:44:58,550 --> 00:44:55,560
burned and what was left behind in the

952
00:45:02,059 --> 00:44:58,560
residue were very unusual metals that

953
00:45:04,790 --> 00:45:02,069
some people say could not be created on

954
00:45:07,280 --> 00:45:04,800
earth without modern technology and some

955
00:45:10,160 --> 00:45:07,290
people say I'm talking about qualified

956
00:45:12,460 --> 00:45:10,170
scientists and researchers yes Soviets

957
00:45:15,920 --> 00:45:12,470
have had such technology back in 1970s

958
00:45:21,140 --> 00:45:15,930
what's interesting is that the Soviets

959
00:45:23,569 --> 00:45:21,150
if it was a NATO satellite very advanced

960
00:45:26,120 --> 00:45:23,579
one Soviets did not say anything nobody

961
00:45:28,819 --> 00:45:26,130
talked about this case except people

962
00:45:30,650 --> 00:45:28,829
from overseas who were interested to but

963
00:45:32,650 --> 00:45:30,660

I you know I've got my hands on it back

964

00:45:35,400 --> 00:45:32,660
in 1991

965

00:45:38,110 --> 00:45:35,410
the documents came in including from the

966

00:45:40,120 --> 00:45:38,120
report from the original researchers in

967

00:45:40,870 --> 00:45:40,130
Lee who was very active scientist in the

968

00:45:42,850 --> 00:45:40,880
whole area

969

00:45:44,290 --> 00:45:42,860
collecting UFO stories and more than

970

00:45:47,010 --> 00:45:44,300
that he studied it

971

00:45:49,450 --> 00:45:47,020
he got samples they were sent to Soviet

972

00:45:51,460 --> 00:45:49,460
laboratories and universities and most

973

00:45:54,360 --> 00:45:51,470
of them said we can't create stuff like

974

00:45:57,640 --> 00:45:54,370
that metals disappearing and reappearing

975

00:46:01,300 --> 00:45:57,650
intertwined gold nanotechnology like

976
00:46:04,090 --> 00:46:01,310
wires and more than that and there is a

977
00:46:07,660 --> 00:46:04,100
museum today in in Russia we sent a mark

978
00:46:09,310 --> 00:46:07,670
book to dedicated to it in this town but

979
00:46:12,250 --> 00:46:09,320
I don't think this case should be

980
00:46:15,520 --> 00:46:12,260
forgotten because people need to

981
00:46:19,350 --> 00:46:15,530
remember one year later a whole slew a

982
00:46:23,730 --> 00:46:19,360
whole school of UFOs came to Russia in

983
00:46:27,220 --> 00:46:23,740
1987 same territories I think there were

984
00:46:29,770 --> 00:46:27,230
dozens of objects observed by militia

985
00:46:32,860 --> 00:46:29,780
met by by policemen sorry they called

986
00:46:35,650 --> 00:46:32,870
Melissa in English by policeman by sign

987
00:46:39,070 --> 00:46:35,660
by scientists by by workers and peasants

988
00:46:41,950 --> 00:46:39,080

and everybody else and one of the

989

00:46:46,030 --> 00:46:41,960

objects or two actually flew over this

990

00:46:49,750 --> 00:46:46,040

side a mountain six eleven and they flew

991

00:46:51,370 --> 00:46:49,760

over it and departed it's like they gave

992

00:46:54,370 --> 00:46:51,380

a farewell oh maybe the moment to see if

993

00:46:56,920 --> 00:46:54,380

there was something to collect it's say

994

00:47:00,430 --> 00:46:56,930

and you know this is connected also we

995

00:47:03,210 --> 00:47:00,440

have myself and Philip we have dozens of

996

00:47:06,340 --> 00:47:03,220

reports from the Russian Far East of

997

00:47:10,180 --> 00:47:06,350

UFOs not far away from there Vladivostok

998

00:47:15,070 --> 00:47:10,190

has tremendous amount of cases again the

999

00:47:16,750 --> 00:47:15,080

coral islands all the territory and now

1000

00:47:20,250 --> 00:47:16,760

you mentioned it that you've got some

1001
00:47:22,990 --> 00:47:20,260
videos over at your YouTube channel and

1002
00:47:25,600 --> 00:47:23,000
of course we all remember earlier this

1003
00:47:26,500 --> 00:47:25,610
decade already quite a few years ago now

1004
00:47:30,220 --> 00:47:26,510
six years ago

1005
00:47:32,650 --> 00:47:30,230
back in 2013 the Chelyabinsk meteor and

1006
00:47:36,040 --> 00:47:32,660
there was no shortage of video the folks

1007
00:47:37,570 --> 00:47:36,050
you know it's a in you know way out

1008
00:47:40,270 --> 00:47:37,580
there you know it's a pretty remote area

1009
00:47:42,850 --> 00:47:40,280
and all these people they've got these

1010
00:47:44,859 --> 00:47:42,860
video cameras and there's a you know no

1011
00:47:47,260 --> 00:47:44,869
shortage of videos of this meteor

1012
00:47:49,329 --> 00:47:47,270
creating quite a stir I remember it well

1013
00:47:50,980 --> 00:47:49,339

you know what I was up in the morning

1014

00:47:52,930 --> 00:47:50,990

and that was extraordinary

1015

00:47:56,920 --> 00:47:52,940

are you getting much in the way of

1016

00:47:58,960 --> 00:47:56,930

interesting video I'm with some very

1017

00:48:00,730 --> 00:47:58,970

interesting stuff I don't want to take

1018

00:48:04,630 --> 00:48:00,740

people's videos without their permission

1019

00:48:06,339 --> 00:48:04,640

that wouldn't be good but those who look

1020

00:48:10,930 --> 00:48:06,349

at my videos I think they'll see enough

1021

00:48:14,470 --> 00:48:10,940

visual information photographs and what

1022

00:48:17,200 --> 00:48:14,480

should they say materials and facts

1023

00:48:21,160 --> 00:48:17,210

about the stories and I like I said it's

1024

00:48:25,960 --> 00:48:21,170

in ancient aliens China Russia modern

1025

00:48:28,540 --> 00:48:25,970

cases military cases KGB UFO research

1026
00:48:31,240 --> 00:48:28,550
Soviet military research a lot about you

1027
00:48:32,620 --> 00:48:31,250
as oh also Russian study of the

1028
00:48:34,630 --> 00:48:32,630
so-called Bigfoot they call it

1029
00:48:37,329 --> 00:48:34,640
differently I'm very much interested

1030
00:48:38,890 --> 00:48:37,339
because even when I was in the Soviet

1031
00:48:41,319 --> 00:48:38,900
Union I've heard a few stories and I

1032
00:48:43,150 --> 00:48:41,329
started collecting and through the years

1033
00:48:46,470 --> 00:48:43,160
I've got a lot and I keep getting

1034
00:48:49,180 --> 00:48:46,480
interesting stories very unusual relict

1035
00:48:51,910 --> 00:48:49,190
hominoids as they call it order you can

1036
00:48:54,190 --> 00:48:51,920
call it snowman or Yeti or llamas but

1037
00:48:56,829 --> 00:48:54,200
all over but my interest is a special in

1038
00:48:59,290 --> 00:48:56,839

the russian north my father was in the

1039

00:49:01,450 --> 00:48:59,300

soviet armed forces and he told me he

1040

00:49:05,079 --> 00:49:01,460

well he served during the time after

1041

00:49:08,140 --> 00:49:05,089

Stalin died and you know sorry

1042

00:49:09,430 --> 00:49:08,150

and who shove coming to power he told me

1043

00:49:11,650 --> 00:49:09,440

a lot of stories and he served right

1044

00:49:14,559 --> 00:49:11,660

there in the Far East in the

1045

00:49:17,319 --> 00:49:14,569

concentration camps area he saw a lot

1046

00:49:19,809 --> 00:49:17,329

Liso cannibalism he saw strange things

1047

00:49:22,059 --> 00:49:19,819

in the in in taiga and that's my

1048

00:49:25,030 --> 00:49:22,069

interest started and I love the Russian

1049

00:49:27,430 --> 00:49:25,040

Far East it's it's it's tremendous

1050

00:49:32,109 --> 00:49:27,440

territory many stories many unusual

1051
00:49:34,059 --> 00:49:32,119
stories cryptozoology you know and you

1052
00:49:36,700 --> 00:49:34,069
know people who reported some of them

1053
00:49:38,740 --> 00:49:36,710
are very much trained observers military

1054
00:49:40,870 --> 00:49:38,750
and scientists which is important

1055
00:49:43,510 --> 00:49:40,880
because if the bankers start howling

1056
00:49:45,160 --> 00:49:43,520
this is what we present to them you know

1057
00:49:48,520 --> 00:49:45,170
people who see it are no less educated

1058
00:49:50,829 --> 00:49:48,530
than you are you know so all of it is in

1059
00:49:53,020 --> 00:49:50,839
definitely in my channel and I want to

1060
00:49:55,750 --> 00:49:53,030
expand it to some other subjects but

1061
00:49:58,220 --> 00:49:55,760
it's basically Eurasian paranormal

1062
00:50:02,060 --> 00:49:58,230
because few people here

1063
00:50:05,450 --> 00:50:02,070

Chabad mongolia china you know central

1064

00:50:06,140 --> 00:50:05,460

asia it's it's a wonderful place to

1065

00:50:09,800 --> 00:50:06,150

visit

1066

00:50:12,560 --> 00:50:09,810

like kazakhstan seriously was based on

1067

00:50:14,240 --> 00:50:12,570

others but you know american

1068

00:50:16,490 --> 00:50:14,250

intelligence was very much interested in

1069

00:50:19,970 --> 00:50:16,500

those territories too because there were

1070

00:50:21,830 --> 00:50:19,980

many important sightings from 1947 and

1071

00:50:25,370 --> 00:50:21,840

they were recorded and they knew about

1072

00:50:27,859 --> 00:50:25,380

it and 1966 we talked about the united

1073

00:50:31,040 --> 00:50:27,869

states there was an earthquake in

1074

00:50:32,870 --> 00:50:31,050

Tashkent Uzbekistan and there was you

1075

00:50:37,270 --> 00:50:32,880

know tremendous amount of UFOs were

1076

00:50:40,370 --> 00:50:37,280

observed same year all over the world

1077

00:50:43,070 --> 00:50:40,380

well one thing from my conversation with

1078

00:50:45,170 --> 00:50:43,080

you that I'm picking up and also from

1079

00:50:46,940 --> 00:50:45,180

what we're hearing from TTS a and then

1080

00:50:51,320 --> 00:50:46,950

going back and looking at the older

1081

00:50:52,370 --> 00:50:51,330

American base case cases that they have

1082

00:50:54,890 --> 00:50:52,380

so much in common

1083

00:50:57,800 --> 00:50:54,900

it's like virtually if you edit it out

1084

00:50:59,420 --> 00:50:57,810

the you know the information of who was

1085

00:51:02,390 --> 00:50:59,430

involved whether it was an American or

1086

00:51:06,140 --> 00:51:02,400

Russian or Soviet or Canadian or British

1087

00:51:09,440 --> 00:51:06,150

the you know the cases are so similar

1088

00:51:11,270 --> 00:51:09,450

it's like okay we see something we we

1089

00:51:12,770 --> 00:51:11,280

pick something up let's get some planes

1090

00:51:15,230 --> 00:51:12,780

up to take a closer look they take a

1091

00:51:17,840 --> 00:51:15,240

closer look and then BAM the UFOs are

1092

00:51:20,240 --> 00:51:17,850

out of there faster than you can snap

1093

00:51:22,280 --> 00:51:20,250

your fingers and this seems very common

1094

00:51:24,950 --> 00:51:22,290

now is there anything about the UFO

1095

00:51:27,620 --> 00:51:24,960

cases that that stand out as being not

1096

00:51:30,140 --> 00:51:27,630

terribly common is there anything that's

1097

00:51:33,950 --> 00:51:30,150

anything unusual that that you've never

1098

00:51:36,140 --> 00:51:33,960

heard from a more Western case I think

1099

00:51:38,720 --> 00:51:36,150

tremendously close if I mean the

1100

00:51:41,660 --> 00:51:38,730

co-efficient basically is the same the

1101
00:51:43,700 --> 00:51:41,670
movement how they move about and so

1102
00:51:46,040 --> 00:51:43,710
forth what I haven't heard is about you

1103
00:51:49,160 --> 00:51:46,050
as owes because I think it's a more

1104
00:51:50,830 --> 00:51:49,170
secretive subject in the United States

1105
00:51:53,420 --> 00:51:50,840
and NATO than it's in the Soviet Union

1106
00:51:55,400 --> 00:51:53,430
because United States and NATO are

1107
00:51:59,090 --> 00:51:55,410
intact but the Soviet Union

1108
00:52:01,670 --> 00:51:59,100
disintegrated and some information came

1109
00:52:04,190 --> 00:52:01,680
out and that's how we know and I think

1110
00:52:06,080 --> 00:52:04,200
they even exchanged impressions with

1111
00:52:08,420 --> 00:52:06,090
their American colleagues Soviet Navy

1112
00:52:11,900 --> 00:52:08,430
but you know let's talk about what I

1113
00:52:15,020 --> 00:52:11,910

know you know there were ah

1114

00:52:15,770 --> 00:52:15,030

moving at tremendous speeds to the

1115

00:52:18,470 --> 00:52:15,780

oceans

1116

00:52:21,460 --> 00:52:18,480

objects that change shapes down below

1117

00:52:24,410 --> 00:52:21,470

objects that bothered Soviet submarines

1118

00:52:26,930 --> 00:52:24,420

to a great extent and there were many of

1119

00:52:29,270 --> 00:52:26,940

them yeah I will never forget some I'll

1120

00:52:32,299 --> 00:52:29,280

tell you wanted you've not heard in the

1121

00:52:37,849 --> 00:52:32,309

United States yes Soviet Russian

1122

00:52:41,809 --> 00:52:37,859

researcher gusoff King observed we like

1123

00:52:45,170 --> 00:52:41,819

object down below in the Black Sea with

1124

00:52:47,870 --> 00:52:45,180

he was aborted deep water submersible

1125

00:52:50,390 --> 00:52:47,880

with scientists the observed an object

1126

00:52:55,309 --> 00:52:50,400

about like a 10-story building it was

1127

00:52:57,980 --> 00:52:55,319

like it was a circle like object and it

1128

00:53:00,740 --> 00:52:57,990

emitted light and made movements you

1129

00:53:03,500 --> 00:53:00,750

know people can find out more reading my

1130

00:53:06,260 --> 00:53:03,510

book but this was one of the cases which

1131

00:53:08,539 --> 00:53:06,270

was very unusual one of the U of Oz

1132

00:53:11,390 --> 00:53:08,549

there were some other ones that I go

1133

00:53:14,690 --> 00:53:11,400

through yeah there are variations and

1134

00:53:17,720 --> 00:53:14,700

what's interesting is that there are

1135

00:53:20,480 --> 00:53:17,730

more it seems to be like we have two

1136

00:53:24,890 --> 00:53:20,490

different groups or two different

1137

00:53:26,779 --> 00:53:24,900

entities on our earth that are not asked

1138

00:53:28,519 --> 00:53:26,789

but who do may not like each other but

1139

00:53:30,859 --> 00:53:28,529

they are very much advanced more than us

1140

00:53:33,319 --> 00:53:30,869

and there are battles I remember

1141

00:53:37,130 --> 00:53:33,329

bringing forth information from the 10th

1142

00:53:40,490 --> 00:53:37,140

century when an Arab traveller in what

1143

00:53:42,740 --> 00:53:40,500

is Russia today on an inspection this

1144

00:53:46,789 --> 00:53:42,750

was a diplomatic mission they observed

1145

00:53:48,440 --> 00:53:46,799

you of all fighting in the sky and the

1146

00:53:50,539 --> 00:53:48,450

local people told them don't be afraid

1147

00:53:52,910 --> 00:53:50,549

we see it every day and I have other

1148

00:53:55,309 --> 00:53:52,920

descriptions in my book from other

1149

00:53:59,900 --> 00:53:55,319

territories and times from the Russian

1150

00:54:02,809 --> 00:53:59,910

Empire and yeah well we've been in this

1151

00:54:05,089 --> 00:54:02,819

period of heightened attention for UFOs

1152

00:54:07,190 --> 00:54:05,099

here in the West and I don't know how

1153

00:54:09,230 --> 00:54:07,200

much it's trickle over into Russia but

1154

00:54:11,120 --> 00:54:09,240

where do you think things are going okay

1155

00:54:12,980 --> 00:54:11,130

at 10 years from now what do you think

1156

00:54:17,510 --> 00:54:12,990

the UFO subject gonna be over in Russia

1157

00:54:19,460 --> 00:54:17,520

oh we can't we cannot guess because we

1158

00:54:21,650 --> 00:54:19,470

don't I'll tell you what what is

1159

00:54:23,040 --> 00:54:21,660

interesting to me is all of a sudden all

1160

00:54:26,160 --> 00:54:23,050

this

1161

00:54:27,960 --> 00:54:26,170

you know attention to the Arctic it

1162

00:54:30,360 --> 00:54:27,970

could be because yeah there is much more

1163

00:54:31,140 --> 00:54:30,370

less ice and more water available I

1164

00:54:33,660 --> 00:54:31,150

don't think so

1165

00:54:36,990 --> 00:54:33,670

Arctic a few other territories on earth

1166

00:54:41,580 --> 00:54:37,000

I think it will be developing if there

1167

00:54:44,070 --> 00:54:41,590

is any sizable or our tangible threat

1168

00:54:47,520 --> 00:54:44,080

we'll find out much more because they

1169

00:54:49,890 --> 00:54:47,530

have to act our military our forces but

1170

00:54:52,860 --> 00:54:49,900

if the if they can can contain this

1171

00:54:56,520 --> 00:54:52,870

threat if it exists or if they have

1172

00:54:59,070 --> 00:54:56,530

separate communications with whatever

1173

00:55:01,740 --> 00:54:59,080

forces out there and they don't have to

1174

00:55:04,170 --> 00:55:01,750

report to us will not find out even with

1175

00:55:05,850 --> 00:55:04,180

all the internet and technology can see

1176

00:55:08,160 --> 00:55:05,860

how Internet can be controlled

1177

00:55:10,950 --> 00:55:08,170

you can see how information can be

1178

00:55:14,130 --> 00:55:10,960

controlled nowadays we may not find out

1179

00:55:17,400 --> 00:55:14,140

as much as we want to and any effort

1180

00:55:21,120 --> 00:55:17,410

will be real effort may be put down I

1181

00:55:23,760 --> 00:55:21,130

always tell people in the West what

1182

00:55:27,480 --> 00:55:23,770

about the case that happened in 1967 in

1183

00:55:30,540 --> 00:55:27,490

the Soviet Union Russian Soviet civilian

1184

00:55:34,770 --> 00:55:30,550

researchers very active guys were able

1185

00:55:37,290 --> 00:55:34,780

to get together with military this was

1186

00:55:39,750 --> 00:55:37,300

not authorized by anybody people from

1187

00:55:42,120 --> 00:55:39,760

the military who got tired of seeing

1188

00:55:44,700 --> 00:55:42,130

UFOs and one of the answers and they

1189

00:55:46,980 --> 00:55:44,710

were able to get some high-level support

1190

00:55:49,560 --> 00:55:46,990

not at the highest levels but enough and

1191

00:55:52,950 --> 00:55:49,570

they were guided access to the Soviet

1192

00:55:56,430 --> 00:55:52,960

television and those scientists real

1193

00:55:59,970 --> 00:55:56,440

scientists UFO researchers and military

1194

00:56:01,950 --> 00:55:59,980

people gave they gave an appeal though

1195

00:56:04,590 --> 00:56:01,960

they appealed to the Soviet population

1196

00:56:07,260 --> 00:56:04,600

and they said if you see strange and you

1197

00:56:09,480 --> 00:56:07,270

know phenomenon in the sky please send

1198

00:56:11,880 --> 00:56:09,490

us information to such-and-such p.o box

1199

00:56:15,710 --> 00:56:11,890

and you know how many hundreds of

1200

00:56:19,980 --> 00:56:15,720

thousands of letters came in many Wow

1201
00:56:23,610 --> 00:56:19,990
one month later it was destroyed it was

1202
00:56:26,880 --> 00:56:23,620
knocked out you know other forces those

1203
00:56:28,470 --> 00:56:26,890
other other people in the Soviet

1204
00:56:31,290 --> 00:56:28,480
military High Command

1205
00:56:33,770 --> 00:56:31,300
you know removed all this dig it was in

1206
00:56:36,600 --> 00:56:33,780
the so-called house of cosmonautics or

1207
00:56:39,320 --> 00:56:36,610
Hall of cosmonautics day

1208
00:56:42,030 --> 00:56:39,330
you know they eliminated this movement

1209
00:56:45,990 --> 00:56:42,040
nobody got killed for it but people got

1210
00:56:48,270 --> 00:56:46,000
demoted or shut down and no more this

1211
00:56:51,450 --> 00:56:48,280
ended it took a month I don't see

1212
00:56:54,600 --> 00:56:51,460
anything familiar anywhere in the West

1213
00:56:57,510 --> 00:56:54,610

when military and UFO researchers your

1214

00:57:00,750 --> 00:56:57,520

hand in hand go on television and appeal

1215

00:57:03,270 --> 00:57:00,760

to the population but you see what

1216

00:57:05,700 --> 00:57:03,280

happened at the end right right and you

1217

00:57:08,220 --> 00:57:05,710

had mentioned UFOs in the Arctic and of

1218

00:57:09,990 --> 00:57:08,230

course down in the Antarctic most of the

1219

00:57:12,750 --> 00:57:10,000

world's major countries including Russia

1220

00:57:14,760 --> 00:57:12,760

have a research presence down there have

1221

00:57:17,340 --> 00:57:14,770

you ever gotten any accounts from the

1222

00:57:19,710 --> 00:57:17,350

Antarctic oh yeah quite a lot we have a

1223

00:57:21,570 --> 00:57:19,720

whole chapter about Antarctic yeah yeah

1224

00:57:24,030 --> 00:57:21,580

and certain British territories have

1225

00:57:26,490 --> 00:57:24,040

more UFO sightings than anybody else

1226
00:57:28,920 --> 00:57:26,500
they're very modest our British cousins

1227
00:57:32,220 --> 00:57:28,930
so to say they don't talk about it but

1228
00:57:34,500 --> 00:57:32,230
Soviets you know the Soviet spy ships

1229
00:57:37,050 --> 00:57:34,510
were in the territory Soviet submarines

1230
00:57:38,820 --> 00:57:37,060
were in next to some of the British

1231
00:57:41,280 --> 00:57:38,830
islands out there what they talk about

1232
00:57:44,490 --> 00:57:41,290
it and the Antarctic itself it's a very

1233
00:57:47,070 --> 00:57:44,500
interesting and complicated history of

1234
00:57:49,850 --> 00:57:47,080
the Soviet Union they have been there

1235
00:57:52,710 --> 00:57:49,860
from 1946 and they had their own

1236
00:57:55,530 --> 00:57:52,720
connections with the Americans and we

1237
00:57:58,920 --> 00:57:55,540
don't know enough but what I know I did

1238
00:58:01,260 --> 00:57:58,930

present in my videos was and more in the

1239

00:58:03,780 --> 00:58:01,270

books about actual sightings and

1240

00:58:05,280 --> 00:58:03,790

photographs from the Antarctic because

1241

00:58:07,680 --> 00:58:05,290

they did you know photographs found

1242

00:58:10,710 --> 00:58:07,690

their way into this Topman Soviet

1243

00:58:12,600 --> 00:58:10,720

military research program yeah they know

1244

00:58:15,630 --> 00:58:12,610

quite a lot about the Antarctic but look

1245

00:58:18,060 --> 00:58:15,640

around the world everybody wants to be

1246

00:58:21,710 --> 00:58:18,070

once to the incident in the Antarctica

1247

00:58:26,640 --> 00:58:21,720

the Indians the Chinese the Japanese

1248

00:58:29,160 --> 00:58:26,650

it's like they know what's going on got

1249

00:58:30,630 --> 00:58:29,170

it and before we wrap up is there

1250

00:58:33,390 --> 00:58:30,640

anything else that that we didn't get to

1251

00:58:34,980 --> 00:58:33,400

you that you'd like to cover well I want

1252

00:58:38,010 --> 00:58:34,990

to say that you know some of the most

1253

00:58:40,020 --> 00:58:38,020

the most tremendous case was in Russian

1254

00:58:44,490 --> 00:58:40,030

history I would say one of the most was

1255

00:58:46,980 --> 00:58:44,500

the 1908 Tunguska I don't want to say

1256

00:58:50,400 --> 00:58:46,990

explosion because that's not what it was

1257

00:58:52,349 --> 00:58:50,410

but it left a lot of

1258

00:58:55,160 --> 00:58:52,359

impact on our planet but actually

1259

00:58:58,289 --> 00:58:55,170

whatever took out that object in the sky

1260

00:59:01,319 --> 00:58:58,299

might have saved our planet for the most

1261

00:59:04,460 --> 00:59:01,329

part in my research I presented

1262

00:59:08,670 --> 00:59:04,470

information that it was an intercept and

1263

00:59:09,839 --> 00:59:08,680

where the word let's say the Canon I

1264

00:59:12,359 --> 00:59:09,849

don't want to say it like that but

1265

00:59:14,609 --> 00:59:12,369

plainly whatever took it out where it's

1266

00:59:17,359 --> 00:59:14,619

stationed in Russia and it's connected

1267

00:59:21,150 --> 00:59:17,369

to my other research so there is a lot I

1268

00:59:23,700 --> 00:59:21,160

keep your eyes open on China and Russia

1269

00:59:25,829 --> 00:59:23,710

and Asia because a lot of things are

1270

00:59:27,630 --> 00:59:25,839

happening there and the more you find

1271

00:59:29,819 --> 00:59:27,640

out the more you can compare to American

1272

00:59:32,520 --> 00:59:29,829

cases and just to be clear here you're

1273

00:59:35,309 --> 00:59:32,530

suggesting that the Tunguska blast was a

1274

00:59:37,079 --> 00:59:35,319

a natural media or meteorite that would

1275

00:59:39,059 --> 00:59:37,089

have done a lot more damage than it did

1276

00:59:41,870 --> 00:59:39,069

but was intercepted is that about right

1277

00:59:44,430 --> 00:59:41,880

either it was a meteorite or an

1278

00:59:49,200 --> 00:59:44,440

adversarial object that was moving into

1279

00:59:51,779 --> 00:59:49,210

our planet maybe say you know maybe you

1280

00:59:54,029 --> 00:59:51,789

know manned by some Saint Ian force or

1281

00:59:56,430 --> 00:59:54,039

intelligence force we will never find

1282

01:00:00,299 --> 00:59:56,440

out but whatever it was it was

1283

01:00:03,000 --> 01:00:00,309

intercepted and in in shutdown far away

1284

01:00:05,849 --> 01:00:03,010

from us know not to cause more damage

1285

01:00:07,680 --> 01:00:05,859

than it did I do know a little bit about

1286

01:00:10,920 --> 01:00:07,690

that case and I do know that they felt

1287

01:00:12,809 --> 01:00:10,930

shocks as far west as London and that it

1288

01:00:14,849 --> 01:00:12,819

was actually powerful enough it had

1289

01:00:17,180 --> 01:00:14,859

knocked out horses I believe as far west

1290

01:00:20,220 --> 01:00:17,190

as Moscow is that about right

1291

01:00:22,859 --> 01:00:20,230

horses is what they did there were you

1292

01:00:24,769 --> 01:00:22,869

know white knights a lower Russia for a

1293

01:00:29,069 --> 01:00:24,779

long time very unusual electromagnetic

1294

01:00:31,680 --> 01:00:29,079

effects and trees were you know fell

1295

01:00:33,809 --> 01:00:31,690

down all over the taiga local people

1296

01:00:37,650 --> 01:00:33,819

cried but what's interesting there was a

1297

01:00:41,250 --> 01:00:37,660

study of people in Russia Russian Empire

1298

01:00:44,400 --> 01:00:41,260

USSR who were born in 1908 and a very

1299

01:00:46,380 --> 01:00:44,410

big very big number of them were what

1300

01:00:48,539 --> 01:00:46,390

you could consider to be geniuses I

1301

01:00:51,440 --> 01:00:48,549

don't know it's because of this and they

1302

01:00:56,339 --> 01:00:51,450

don't know but it was very interesting

1303

01:00:58,980 --> 01:00:56,349

also the day that it happened was the

1304

01:01:00,930 --> 01:00:58,990

day there's an astronomical temperature

1305

01:01:03,599 --> 01:01:00,940

I don't remember right now but it was

1306

01:01:04,190 --> 01:01:03,609

the day when Mars was closest to the

1307

01:01:08,300 --> 01:01:04,200

planet

1308

01:01:10,640 --> 01:01:08,310

earth got it fantastic Paul Stonehill

1309

01:01:13,280 --> 01:01:10,650

thank you so very much for joining us

1310

01:01:15,140 --> 01:01:13,290

tonight we got through everything very

1311

01:01:18,170 --> 01:01:15,150

efficiently yeah you are a great guest

1312

01:01:20,599 --> 01:01:18,180

enjoy your holiday weekend and of course

1313

01:01:21,920 --> 01:01:20,609

I wish everybody else that as well Paul

1314

01:01:25,250 --> 01:01:21,930

thanks so much for joining us tonight

1315

01:01:27,349 --> 01:01:25,260

thank you bye-bye bye-bye now and now

1316

01:01:29,450 --> 01:01:27,359

goodbye everybody enjoy your holiday

1317

01:01:30,859 --> 01:01:29,460

weekend and we'll be back after the

1318

01:01:32,630 --> 01:01:30,869

holiday weekend with more great shows
