

CHRIS BLEDSOE

DISCUSSES HIS EXPERIENCES WITH
THE UFO PHENOMENON

UFONN
SUNDAY

1
00:01:09,390 --> 00:00:23,940

[Music]

2
00:01:14,160 --> 00:01:11,820

and good afternoon from Philadelphia

3
00:01:16,950 --> 00:01:14,170

Frank here with another episode of UFO

4
00:01:18,450 --> 00:01:16,960

news network Sunday and today we've got

5
00:01:20,910 --> 00:01:18,460

a very special guest

6
00:01:23,760 --> 00:01:20,920

Christopher Bledsoe he's going to be

7
00:01:25,950 --> 00:01:23,770

discussing his experiences with the UFO

8
00:01:28,580 --> 00:01:25,960

phenomenon and some of the people who

9
00:01:31,050 --> 00:01:28,590

are also very much interested in it and

10
00:01:32,880 --> 00:01:31,060

he's taken a little bit of a break from

11
00:01:35,100 --> 00:01:32,890

doing interviews and he's back and he's

12
00:01:36,590 --> 00:01:35,110

back with us so Chris welcome to the

13
00:01:41,940 --> 00:01:36,600

show how are you today

14

00:01:44,010 --> 00:01:41,950

I'm great Frank thank you well yep

15

00:01:45,750 --> 00:01:44,020

so far so good we're ready to go the

16

00:01:47,310 --> 00:01:45,760

stream looks healthy yeah we always like

17

00:01:49,650 --> 00:01:47,320

it there when there are no technical

18

00:01:51,600 --> 00:01:49,660

difficulties so let's get right down to

19

00:01:53,640 --> 00:01:51,610

it Chris let's not beat around the bush

20

00:01:56,070 --> 00:01:53,650

now you've taken a little bit of a break

21

00:01:58,050 --> 00:01:56,080

from doing interviews and now you're

22

00:02:00,090 --> 00:01:58,060

back in that can you explain to the

23

00:02:01,980 --> 00:02:00,100

folks at home a little bit why you took

24

00:02:03,570 --> 00:02:01,990

the break in the first place and why

25

00:02:07,910 --> 00:02:03,580

you're back now with that nice enough to

26

00:02:11,490 --> 00:02:07,920

come on our show well that's kind of

27

00:02:15,180 --> 00:02:11,500

kind of has more than one part the

28

00:02:18,410 --> 00:02:15,190

reason I took a break the main reason I

29

00:02:22,500 --> 00:02:18,420

guess or two main reasons was that I

30

00:02:26,070 --> 00:02:22,510

don't like speculating and in this UFO

31

00:02:28,500 --> 00:02:26,080

world there's everybody speculates they

32

00:02:31,440 --> 00:02:28,510

they have every idea in the book of what

33

00:02:33,690 --> 00:02:31,450

we're dealing with and really most of

34

00:02:38,970 --> 00:02:33,700

the speculation is unfounded they don't

35

00:02:43,020 --> 00:02:38,980

have the experiences so for for me and

36

00:02:46,680 --> 00:02:43,030

my family has been ever increasing the

37

00:02:50,370 --> 00:02:46,690

the activity is has been off the charts

38

00:02:53,750 --> 00:02:50,380

and I've able I'm able to document it

39

00:02:56,160 --> 00:02:53,760

and a lot of people know this and so I'm

40

00:02:58,770 --> 00:02:56,170

trying to figure this thing out for

41

00:03:02,190 --> 00:02:58,780

myself and I just don't want to

42

00:03:04,170 --> 00:03:02,200

speculate to to the public of claiming

43

00:03:07,220 --> 00:03:04,180

one thing when it's something different

44

00:03:09,750 --> 00:03:07,230

and two I've been involved in a

45

00:03:13,710 --> 00:03:09,760

Hollywood project for the better part of

46

00:03:17,520 --> 00:03:13,720

seven years and it's gotten fairly

47

00:03:20,430 --> 00:03:17,530

serious with serious people and they've

48

00:03:22,300 --> 00:03:20,440

asked me not to be public a whole lot so

49

00:03:28,000 --> 00:03:22,310

it's really

50

00:03:31,510 --> 00:03:28,010

the main reason that kind of been in the

51
00:03:33,010 --> 00:03:31,520
lot in the shadows and why is the time

52
00:03:33,970 --> 00:03:33,020
right for you to come back and start

53
00:03:37,810 --> 00:03:33,980
talking again

54
00:03:40,510 --> 00:03:37,820
well dr. silca is involved in this

55
00:03:43,180 --> 00:03:40,520
dr. Diana purse office she's involved in

56
00:03:47,290 --> 00:03:43,190
the tub in a series that we're kind of

57
00:03:49,780 --> 00:03:47,300
working on and we were both not talking

58
00:03:53,280 --> 00:03:49,790
about this at all until her book was

59
00:03:57,070 --> 00:03:53,290
published this past year February and

60
00:03:59,710 --> 00:03:57,080
the studio thought it was or the writers

61
00:04:03,490 --> 00:03:59,720
thought it was okay now that I could

62
00:04:07,120 --> 00:04:03,500
start talking a little bit and and so

63
00:04:08,979 --> 00:04:07,130

that's basically why I'm out just poking

64

00:04:13,949 --> 00:04:08,989

my head up it's not that I'm gonna do

65

00:04:19,720 --> 00:04:18,610

got it and with the show right now you

66

00:04:21,819 --> 00:04:19,730

had mentioned to me when we spoke

67

00:04:25,210 --> 00:04:21,829

earlier that this is going to be a

68

00:04:29,320 --> 00:04:25,220

dramatization not a documentary can you

69

00:04:35,110 --> 00:04:29,330

talk a little bit about that yeah a

70

00:04:39,540 --> 00:04:35,120

little bit is it's a television series

71

00:04:43,540 --> 00:04:39,550

based on a true story and the way is

72

00:04:47,260 --> 00:04:43,550

working is is dr. four circles involved

73

00:04:51,580 --> 00:04:47,270

in her book and basically my family and

74

00:04:54,460 --> 00:04:51,590

my life story and how we met how she and

75

00:04:58,090 --> 00:04:54,470

I came across one another many years ago

76

00:05:00,010 --> 00:04:58,100

and the interaction with her students

77

00:05:04,570 --> 00:05:00,020

coming she would bring students to the

78

00:05:08,040 --> 00:05:04,580

house and a lot of stuff we she's a

79

00:05:11,800 --> 00:05:08,050

study partner and a real good one and

80

00:05:13,690 --> 00:05:11,810

that's that's kind of all I can say I

81

00:05:16,030 --> 00:05:13,700

don't want to say who's doing it but

82

00:05:18,969 --> 00:05:16,040

it's some of the biggest folks in all of

83

00:05:20,980 --> 00:05:18,979

Hollywood and if it does go into

84

00:05:23,920 --> 00:05:20,990

production they're thinking it'll be

85

00:05:27,700 --> 00:05:23,930

three or four years and maybe twelve

86

00:05:29,610 --> 00:05:27,710

episodes a year yes that's what I'm

87

00:05:33,880 --> 00:05:29,620

hearing

88

00:05:35,740 --> 00:05:33,890

understood all I can say now are you and

89

00:05:39,610 --> 00:05:35,750

dr. for soccer

90

00:05:43,900 --> 00:05:39,620

spazz initially at a conference if I

91

00:05:46,420 --> 00:05:43,910

remember her account accurately that you

92

00:05:48,730 --> 00:05:46,430

were having these experience and already

93

00:05:50,800 --> 00:05:48,740

out there as sharing it with folks and

94

00:05:53,920 --> 00:05:50,810

can you tell us a little bit about that

95

00:06:00,510 --> 00:05:53,930

initial meeting yeah I think this was

96

00:06:03,880 --> 00:06:00,520

like in 20 2011 2011 when we met or 12 I

97

00:06:06,490 --> 00:06:03,890

had been very quiet for five years and

98

00:06:10,450 --> 00:06:06,500

never wanted to speak about it and all

99

00:06:12,070 --> 00:06:10,460

because of the what happened when the

100

00:06:21,070 --> 00:06:12,080

thing when the incident on the river

101
00:06:25,780 --> 00:06:21,080
happened in 2007 January 8 2007 it was a

102
00:06:29,560 --> 00:06:25,790
really traumatic thing and it it put the

103
00:06:32,170 --> 00:06:29,570
whole family in turmoil and the first

104
00:06:35,409 --> 00:06:32,180
five years I called five years of

105
00:06:38,560 --> 00:06:35,419
darkness because my kids were little I'm

106
00:06:41,469 --> 00:06:38,570
58 years old and my daughter she's

107
00:06:43,540 --> 00:06:41,479
teaching music at New York University

108
00:06:45,250 --> 00:06:43,550
right now so she's getting her master's

109
00:06:48,870 --> 00:06:45,260
there while she's teaching undergrads

110
00:06:51,909 --> 00:06:48,880
but she was 10 when this happened and

111
00:06:55,900 --> 00:06:51,919
all my children going to public school

112
00:06:58,150 --> 00:06:55,910
were getting ridiculed and they'd come

113
00:07:00,190 --> 00:06:58,160

home crying and I started feeling like I

114

00:07:02,200 --> 00:07:00,200

shouldn't have never said anything but I

115

00:07:07,060 --> 00:07:02,210

could not hold it back because the truth

116

00:07:10,330 --> 00:07:07,070

is truth and but it turned into me

117

00:07:12,640 --> 00:07:10,340

regretting ever saying anything because

118

00:07:15,010 --> 00:07:12,650

it's it's the public the public

119

00:07:16,810 --> 00:07:15,020

ridicules people for seeing life's you

120

00:07:19,360 --> 00:07:16,820

say I saw lights in the sky they call

121

00:07:22,420 --> 00:07:19,370

you crazy well I've come to find out

122

00:07:25,060 --> 00:07:22,430

that they're just in them form and I can

123

00:07:30,030 --> 00:07:25,070

prove them all wrong all up anybody I

124

00:07:35,920 --> 00:07:30,040

have the proof and five years five years

125

00:07:38,860 --> 00:07:35,930

after it happened doctor well I got a

126

00:07:42,070 --> 00:07:38,870

call actually what happened was I had an

127

00:07:45,390 --> 00:07:42,080

experience these experiences were

128

00:07:49,410 --> 00:07:45,400

growing I had an experience with this

129

00:07:52,300 --> 00:07:49,420

this beautiful being

130

00:07:54,790 --> 00:07:52,310

that there was a painting made by Doug

131

00:07:58,420 --> 00:07:54,800

all from New York made a painting by her

132

00:08:01,510 --> 00:07:58,430

about her but long story short she came

133

00:08:05,320 --> 00:08:01,520

and she told me that I had to tell this

134

00:08:10,510 --> 00:08:05,330

story to the public just tell water what

135

00:08:14,220 --> 00:08:10,520

it is I know then the stock hiding this

136

00:08:17,290 --> 00:08:14,230

is basically what she told me and so I

137

00:08:21,430 --> 00:08:17,300

agreed and it's a whole lot more to this

138

00:08:24,490 --> 00:08:21,440

than I'm saying a whole lot more but

139

00:08:27,010 --> 00:08:24,500

what happened was the way I described

140

00:08:29,110 --> 00:08:27,020

her it got the attention of a lot of

141

00:08:37,680 --> 00:08:29,120

people all the way up towards the

142

00:08:42,580 --> 00:08:37,690

Vatican and even Washington DC but so we

143

00:08:45,700 --> 00:08:42,590

we met in a conference that's what maybe

144

00:08:47,710 --> 00:08:45,710

you want to speak because she came I had

145

00:08:49,750 --> 00:08:47,720

this experience and I decided at that

146

00:08:52,710 --> 00:08:49,760

point okay I'm gonna start talking again

147

00:08:55,710 --> 00:08:52,720

within two weeks I was in a MUFON

148

00:08:59,710 --> 00:08:55,720

comforts in Asheville and there she was

149

00:09:01,600 --> 00:08:59,720

doctor for salka and that oh sorry about

150

00:09:04,120 --> 00:09:01,610

that keep going keep going and when I

151

00:09:06,610 --> 00:09:04,130

described what it was I wanted to talk

152

00:09:09,580 --> 00:09:06,620

about what had just happened in 2012

153

00:09:13,240 --> 00:09:09,590

this this experience with these beings

154

00:09:15,460 --> 00:09:13,250

in this beautiful woman and the crowd

155

00:09:17,230 --> 00:09:15,470

didn't want to hear it they they thought

156

00:09:18,610 --> 00:09:17,240

that they wanted to hear the river

157

00:09:20,980 --> 00:09:18,620

experience that happened five years

158

00:09:24,700 --> 00:09:20,990

earlier where I ran from that I hate

159

00:09:27,430 --> 00:09:24,710

talking about the fast brings up too

160

00:09:30,190 --> 00:09:27,440

many sad times with my children and

161

00:09:32,380 --> 00:09:30,200

family and all the pressures that happen

162

00:09:34,300 --> 00:09:32,390

so I was talking about this new

163

00:09:37,720 --> 00:09:34,310

experience well they started heckling me

164

00:09:43,570 --> 00:09:37,730

and I couldn't believe it she couldn't

165

00:09:46,270 --> 00:09:43,580

believe it well long story short it it

166

00:09:48,340 --> 00:09:46,280

started a very good relationship of

167

00:09:51,280 --> 00:09:48,350

studying together and learning together

168

00:09:54,520 --> 00:09:51,290

and I introduced her to some people that

169

00:09:57,460 --> 00:09:54,530

were very high-level individuals one in

170

00:10:01,180 --> 00:09:57,470

her book she calls Tyler that was me to

171

00:10:11,750 --> 00:10:05,180

also I've been behind the scenes very

172

00:10:14,390 --> 00:10:11,760

low-key not stirring up any attention

173

00:10:17,350 --> 00:10:14,400

towards myself because the things I was

174

00:10:22,180 --> 00:10:17,360

involved in and still to this day are

175

00:10:26,690 --> 00:10:22,190

stuff people have no clue that exists

176

00:10:29,120 --> 00:10:26,700

and the catalyst stuff for they yeah you

177

00:10:31,760 --> 00:10:29,130

you contacted MUFON initially is that

178

00:10:34,760 --> 00:10:31,770

about right yeah yeah that you turned to

179

00:10:38,660 --> 00:10:34,770

them first with your experiences I did I

180

00:10:45,050 --> 00:10:38,670

turned them in 2007 it happened in

181

00:10:47,920 --> 00:10:45,060

January 8 2007 I was fishing with my son

182

00:10:50,810 --> 00:10:47,930

and three other guys that had more

183

00:10:54,380 --> 00:10:50,820

subcontractors and we just finished up a

184

00:10:56,390 --> 00:10:54,390

big project on the beach and I was

185

00:11:00,680 --> 00:10:56,400

suffering with Crohn's disease had been

186

00:11:02,480 --> 00:11:00,690

for 17 years and had recently gone

187

00:11:05,270 --> 00:11:02,490

through two years before a near-death

188

00:11:08,630 --> 00:11:05,280

experience from toxic blood poisoning

189

00:11:12,650 --> 00:11:08,640

and too much medication so I was pretty

190

00:11:14,930 --> 00:11:12,660

down on myself and down on life and I

191

00:11:17,840 --> 00:11:14,940

had to sell my business I had a

192

00:11:20,420 --> 00:11:17,850

flourishing construction business build

193

00:11:23,960 --> 00:11:20,430

100 homes a year was named businessman

194

00:11:31,430 --> 00:11:28,460

in 2005 I think so we were we were going

195

00:11:35,810 --> 00:11:31,440

or four we were going pretty strong and

196

00:11:38,150 --> 00:11:35,820

my sickness had so bad I couldn't get

197

00:11:41,930 --> 00:11:38,160

out of bed for two years I was that sick

198

00:11:45,890 --> 00:11:41,940

and my empire was just crumbling down

199

00:11:49,100 --> 00:11:45,900

and that's when we sold the company and

200

00:11:52,460 --> 00:11:49,110

or my wife did while I was in the

201
00:11:55,700 --> 00:11:52,470
hospital a bit or not it led to an death

202
00:11:57,830 --> 00:11:55,710
then and then two years later is when

203
00:12:01,460 --> 00:11:57,840
this thing happened on the river I was

204
00:12:04,430 --> 00:12:01,470
at my last hope I have to say I was

205
00:12:06,950 --> 00:12:04,440
ready to give up on life and I was I'd

206
00:12:09,350 --> 00:12:06,960
left my friends fishing and my son and

207
00:12:13,550 --> 00:12:09,360
walked away about a quarter mile up a

208
00:12:14,870 --> 00:12:13,560
path to a field and try to and and and

209
00:12:17,210 --> 00:12:14,880
my thoughts I was like

210
00:12:19,160 --> 00:12:17,220
lord I want to die whoever's up there I

211
00:12:23,030 --> 00:12:19,170
don't know who's up there but somebody

212
00:12:24,980 --> 00:12:23,040
to listen what am I gonna do I'm 46 I

213
00:12:27,620 --> 00:12:24,990

have four children I can't feed them I

214

00:12:29,360 --> 00:12:27,630

don't have I'm sick I can't work I can't

215

00:12:32,390 --> 00:12:29,370

hold a job and this is what I was

216

00:12:36,440 --> 00:12:32,400

thinking sure and when I got to the top

217

00:12:38,870 --> 00:12:36,450

of that hill and we were down in a

218

00:12:42,380 --> 00:12:38,880

really remote place on the river fishing

219

00:12:44,360 --> 00:12:42,390

I walked away and up out of the river

220

00:12:47,420 --> 00:12:44,370

bottom to a cornfield when I got up

221

00:12:50,480 --> 00:12:47,430

there there were two big fiery orange

222

00:12:52,850 --> 00:12:50,490

balls of fire there were a quarter mile

223

00:12:57,050 --> 00:12:52,860

or less away and just above the trees

224

00:13:01,990 --> 00:12:57,060

good and I'm a commercial pilot that was

225

00:13:06,290 --> 00:13:02,000

my profession for about twelve years and

226

00:13:07,880 --> 00:13:06,300

I quit that and went into the building

227

00:13:10,190 --> 00:13:07,890

business because they having so many

228

00:13:14,240 --> 00:13:10,200

children poor children and I had to stay

229

00:13:16,190 --> 00:13:14,250

home I couldn't travel but I knew what I

230

00:13:19,670 --> 00:13:16,200

was looking at I knew it wasn't from

231

00:13:21,920 --> 00:13:19,680

here and it looked like you look like a

232

00:13:23,800 --> 00:13:21,930

son just like the Sun when it's it's

233

00:13:25,850 --> 00:13:23,810

late in the evening just before dark

234

00:13:28,490 --> 00:13:25,860

when you can look at it with your eyes

235

00:13:31,490 --> 00:13:28,500

and it doesn't hurt it's big and orange

236

00:13:35,390 --> 00:13:31,500

and beautiful that's the way they look

237

00:13:38,150 --> 00:13:35,400

there were two of them and it scared me

238

00:13:41,180 --> 00:13:38,160

and so I turned and I look behind me

239

00:13:43,310 --> 00:13:41,190

like I'm gonna run and I squatted down

240

00:13:45,770 --> 00:13:43,320

I had a hill steel I was climbing hill

241

00:13:50,150 --> 00:13:45,780

so I could hide from it thinking

242

00:13:52,610 --> 00:13:50,160

thinking I was hiding and I turned to

243

00:13:55,010 --> 00:13:52,620

look back thoughts and my thoughts were

244

00:14:00,200 --> 00:13:55,020

I'm fixing to run I'm going back to

245

00:14:03,050 --> 00:14:00,210

where my son is and I look back back and

246

00:14:04,760 --> 00:14:03,060

my body was turned down hill all in the

247

00:14:07,820 --> 00:14:04,770

same motion and when I looked back up

248

00:14:09,650 --> 00:14:07,830

the sea and I popped my head up from

249

00:14:14,110 --> 00:14:09,660

behind the hill to see these two fiery

250

00:14:18,290 --> 00:14:14,120

balls was that very second a third one

251

00:14:20,570 --> 00:14:18,300

came from up high in plain sight and it

252

00:14:23,750 --> 00:14:20,580

came out of what nowhere like a hole

253

00:14:26,990 --> 00:14:23,760

just appeared and boom and one second it

254

00:14:27,990 --> 00:14:27,000

was down beside the other two and next

255

00:14:30,360 --> 00:14:28,000

thing I remember

256

00:14:34,800 --> 00:14:30,370

four and a half hours later I come

257

00:14:37,430 --> 00:14:34,810

walking up to the fire and it was four

258

00:14:43,590 --> 00:14:37,440

and a half hours of missing time and

259

00:14:46,320 --> 00:14:43,600

ensued into more and more I mean my son

260

00:14:48,990 --> 00:14:46,330

was hiding he was out looking for me the

261

00:14:51,780 --> 00:14:49,000

three fishermen they were they had been

262

00:14:54,600 --> 00:14:51,790

hunting for me for hours driving the

263

00:14:56,460 --> 00:14:54,610

truck in and out and walking and my son

264

00:14:59,330 --> 00:14:56,470

was lost in the forest

265

00:15:02,580 --> 00:14:59,340

he'd going in on foot looking for me and

266

00:15:04,320 --> 00:15:02,590

when I got back to the fire I asked

267

00:15:06,780 --> 00:15:04,330

where Chris jr. was they said we don't

268

00:15:10,260 --> 00:15:06,790

know he's he went in the woods and he's

269

00:15:12,450 --> 00:15:10,270

lost he hadn't come back and so I kind

270

00:15:15,870 --> 00:15:12,460

of freaked out and I ran right on by him

271

00:15:17,850 --> 00:15:15,880

I went to the back of the cul-de-sac we

272

00:15:20,820 --> 00:15:17,860

were down in a little dead in coats that

273

00:15:21,300 --> 00:15:20,830

I mean he had they had going out looking

274

00:15:23,730 --> 00:15:21,310

for me

275

00:15:27,510 --> 00:15:23,740

one guy staying at the fire and my son

276

00:15:33,150 --> 00:15:27,520

went down in the forest and when I found

277

00:15:36,990 --> 00:15:33,160

him I was shouting for him he was and he

278

00:15:39,960 --> 00:15:37,000

was in shock he was on he was laying

279

00:15:43,829 --> 00:15:39,970

down under the thickest shrubs hiding

280

00:15:46,050 --> 00:15:43,839

because he had seen these red orbs out

281

00:15:49,079 --> 00:15:46,060

away from him and this is a long story I

282

00:15:51,540 --> 00:15:49,089

could talk for hours on this one part it

283

00:15:54,650 --> 00:15:51,550

was a TV show made about it UFOs over

284

00:15:59,340 --> 00:15:54,660

earth and they didn't give a third of

285

00:16:01,500 --> 00:15:59,350

the information that was there and I was

286

00:16:04,380 --> 00:16:01,510

very angry about that but it's all good

287

00:16:07,230 --> 00:16:04,390

now well that was a MUFON that based

288

00:16:10,280 --> 00:16:07,240

show and how soon after this incident

289

00:16:15,540 --> 00:16:10,290

did you decide to contact them I

290

00:16:18,060 --> 00:16:15,550

contacted them 10 months after it

291

00:16:22,350 --> 00:16:18,070

happened the first it happened January

292

00:16:26,910 --> 00:16:22,360

the 7th of 2010 where the 8th of 2007

293

00:16:29,340 --> 00:16:26,920

I'm sorry and my wife thought I was I

294

00:16:31,710 --> 00:16:29,350

had lost it for one because I'm talking

295

00:16:33,420 --> 00:16:31,720

about UFOs and lights and I never

296

00:16:35,370 --> 00:16:33,430

thought about stuff like that remember I

297

00:16:40,110 --> 00:16:35,380

built a hundred homes a year and was

298

00:16:41,519 --> 00:16:40,120

very sick and she just thought that I

299

00:16:43,470 --> 00:16:41,529

was seeing things isn't

300

00:16:46,290 --> 00:16:43,480

the way nobody wanted to believe me my

301
00:16:49,220 --> 00:16:46,300
mom my dad and I wanted to talk somebody

302
00:16:51,569 --> 00:16:49,230
and I didn't know who to talk to and I

303
00:16:53,340 --> 00:16:51,579
struggled and struggled I didn't have

304
00:16:57,920 --> 00:16:53,350
television I still don't to this day I

305
00:17:00,299 --> 00:16:57,930
don't subscribe to television so I

306
00:17:03,210 --> 00:17:00,309
didn't even have internet then well I

307
00:17:08,909 --> 00:17:03,220
finally got Internet in the summer time

308
00:17:12,929 --> 00:17:08,919
or late fall and noticed that there was

309
00:17:15,990 --> 00:17:12,939
a ancient alien show or one of those

310
00:17:19,590 --> 00:17:16,000
shows UFO shows on TV and Stanton

311
00:17:22,199 --> 00:17:19,600
Friedman was on there and in my simple

312
00:17:27,659 --> 00:17:22,209
mind I thought Lord if he can talk about

313
00:17:29,070 --> 00:17:27,669

it publicly I'm going to do and under I

314

00:17:31,169 --> 00:17:29,080

really thought I was going to be

315

00:17:32,940 --> 00:17:31,179

divorced if I reported it or talking

316

00:17:34,950 --> 00:17:32,950

anymore about it because most kids were

317

00:17:36,990 --> 00:17:34,960

so scared and they were coming home and

318

00:17:41,159 --> 00:17:37,000

frightened and my wife was protecting

319

00:17:47,070 --> 00:17:41,169

the children sure so I got their number

320

00:17:48,779 --> 00:17:47,080

off of the television and I went on the

321

00:17:52,200 --> 00:17:48,789

internet and I pulled up their reporting

322

00:17:54,630 --> 00:17:52,210

form and I put I did the report and I

323

00:17:56,419 --> 00:17:54,640

waited two weeks in agony thinking if I

324

00:17:59,820 --> 00:17:56,429

send this I'm going to be divorced

325

00:18:04,770 --> 00:17:59,830

that's how bad it was but I was about to

326

00:18:06,590 --> 00:18:04,780

I couldn't I could not think if I tried

327

00:18:09,930 --> 00:18:06,600

to remember I had the worst headache

328

00:18:11,730 --> 00:18:09,940

because of whatever happened to me I had

329

00:18:14,850 --> 00:18:11,740

a memory block I could not think

330

00:18:18,990 --> 00:18:14,860

backwards at all if I did it was a

331

00:18:22,680 --> 00:18:19,000

terrible terrible migraine but I

332

00:18:26,909 --> 00:18:22,690

reported it finally October 10 months

333

00:18:28,919 --> 00:18:26,919

later and within a week of two days I

334

00:18:30,419 --> 00:18:28,929

got a call from California we want to

335

00:18:32,310 --> 00:18:30,429

come see you we want to send an

336

00:18:34,680 --> 00:18:32,320

investigator I'm freaked out I'm like no

337

00:18:39,720 --> 00:18:34,690

I can't do that I'm sorry I had to a

338

00:18:41,850 --> 00:18:39,730

backpedal and it went on back and forth

339

00:18:46,049 --> 00:18:41,860

but then trying to get to see me into

340

00:18:47,940 --> 00:18:46,059

January when I finally they were going

341

00:18:51,389 --> 00:18:47,950

to close the case and I agreed to let

342

00:18:54,240 --> 00:18:51,399

their local guy calm and when he came he

343

00:18:56,400 --> 00:18:54,250

saw the evidence on the ground the grass

344

00:18:58,830 --> 00:18:56,410

was burnt

345

00:19:02,150 --> 00:18:58,840

a lot of things witnesses there were

346

00:19:05,670 --> 00:19:02,160

other witnesses a lot of witnesses and

347

00:19:07,860 --> 00:19:05,680

within three days there was a group

348

00:19:09,480 --> 00:19:07,870

after he came the first investigator

349

00:19:13,080 --> 00:19:09,490

within three or four days they had

350

00:19:15,410 --> 00:19:13,090

people from headquarters from New York

351

00:19:17,100 --> 00:19:15,420

or Maryland there were like five or six

352

00:19:20,340 --> 00:19:17,110

investigators were at my house

353

00:19:22,470 --> 00:19:20,350

immediately and they talked me into

354

00:19:26,370 --> 00:19:22,480

doing this show and I agreed because I

355

00:19:29,510 --> 00:19:26,380

wanted to prove that it really happened

356

00:19:33,420 --> 00:19:29,520

that there were lights in this guy and

357

00:19:37,410 --> 00:19:33,430

that didn't turn out like I wanted it to

358

00:19:40,380 --> 00:19:37,420

because they kind of they they held back

359

00:19:44,000 --> 00:19:40,390

evidence they made it look like I was

360

00:19:47,010 --> 00:19:44,010

lying when that was far from the case

361

00:19:50,520 --> 00:19:47,020

and so that's what put me in the five

362

00:19:54,300 --> 00:19:50,530

years what they did cause me to be the

363

00:19:57,240 --> 00:19:54,310

laughingstock of the community that's a

364

00:20:00,150 --> 00:19:57,250

fact and it it injured my family my

365

00:20:03,330 --> 00:20:00,160

children and the whole thing and I and

366

00:20:05,310 --> 00:20:03,340

you know what it's okay now because I

367

00:20:08,670 --> 00:20:05,320

understand it was all cover-up back then

368

00:20:10,530 --> 00:20:08,680

but today it's all about what are we

369

00:20:11,550 --> 00:20:10,540

dealing with it's not about is it really

370

00:20:13,160 --> 00:20:11,560

anymore

371

00:20:16,230 --> 00:20:13,170

and that's kind of why I'm talking

372

00:20:19,200 --> 00:20:16,240

understood yes I remember that show and

373

00:20:21,200 --> 00:20:19,210

yeah I mean there they to be blunt about

374

00:20:25,200 --> 00:20:21,210

it they didn't make him look good at all

375

00:20:28,440 --> 00:20:25,210

but regardless of all that some other

376

00:20:31,050 --> 00:20:28,450

folks some folks who were connected

377

00:20:34,770 --> 00:20:31,060

through at that point in time Robert

378

00:20:39,170 --> 00:20:34,780

Bigelow was basically offering up some

379

00:20:42,780 --> 00:20:39,180

funding to MUFON and your case I guess

380

00:20:45,420 --> 00:20:42,790

got his attention and then from there it

381

00:20:48,180 --> 00:20:45,430

got the attention of a number of very

382

00:20:49,770 --> 00:20:48,190

significant insiders and can you tell

383

00:20:52,890 --> 00:20:49,780

the folks at home a little bit about

384

00:20:57,710 --> 00:20:52,900

that process what was when did they

385

00:21:00,150 --> 00:20:57,720

start making contact with you well I

386

00:21:04,530 --> 00:21:00,160

don't know how much of this is still

387

00:21:07,110 --> 00:21:04,540

sensitive but some of it is but I can

388

00:21:09,060 --> 00:21:07,120

say we were the first case that's kind

389

00:21:12,000 --> 00:21:09,070

of what sparked this whole thing

390

00:21:14,580 --> 00:21:12,010

with Bigelow and the government funding

391

00:21:18,840 --> 00:21:14,590

the millions what 14 million or whatever

392

00:21:22,340 --> 00:21:18,850

it was dollars I was the first case my

393

00:21:25,940 --> 00:21:22,350

family and it was kind of mobilized all

394

00:21:29,670 --> 00:21:25,950

because of that from what I understand

395

00:21:32,520 --> 00:21:29,680

some folks in Washington as high as it

396

00:21:35,400 --> 00:21:32,530

gets told me that they knew who I was

397

00:21:38,820 --> 00:21:35,410

the day it was published the day I

398

00:21:42,810 --> 00:21:38,830

reported it and that they wanted to come

399

00:21:45,360 --> 00:21:42,820

see me and it was because of the things

400

00:21:48,900 --> 00:21:45,370

that I reported how it happened

401
00:21:51,720 --> 00:21:48,910
what what I saw and these little beams

402
00:21:55,620 --> 00:21:51,730
they were going little beans they look

403
00:21:58,470 --> 00:21:55,630
like ghosts three feet tall I actually

404
00:22:00,840 --> 00:21:58,480
have a photo and a video a couple of

405
00:22:05,580 --> 00:22:00,850
photos and a couple of videos of these

406
00:22:12,270 --> 00:22:05,590
beans walking I just can't release them

407
00:22:14,520 --> 00:22:12,280
but I have it and the one the one that

408
00:22:16,500 --> 00:22:14,530
was so close to me I could see through

409
00:22:19,110 --> 00:22:16,510
the glow on its chest he was three or

410
00:22:21,360 --> 00:22:19,120
four feet away I had a triangle on his

411
00:22:25,260 --> 00:22:21,370
chest like a triangle underneath this

412
00:22:28,980 --> 00:22:25,270
glow I could see it and I drew it I drew

413
00:22:32,340 --> 00:22:28,990

it and when I reported that it wasn't

414

00:22:34,890 --> 00:22:32,350

long I get a call from my son I'm

415

00:22:38,160 --> 00:22:34,900

talking days after I reported it there's

416

00:22:43,130 --> 00:22:38,170

a knock at the door and my son said dad

417

00:22:45,720 --> 00:22:43,140

there's a guy here from NASA I said Lord

418

00:22:48,960 --> 00:22:45,730

well nobody told me they were coming he

419

00:22:51,680 --> 00:22:48,970

said he didn't he said he he just got in

420

00:22:56,610 --> 00:22:51,690

his car and came to North Carolina and

421

00:22:58,920 --> 00:22:56,620

so I said tell him to wait I get there

422

00:23:03,360 --> 00:22:58,930

I'll be home in an hour so I got home

423

00:23:06,900 --> 00:23:03,370

and that same guy is coming to spend

424

00:23:08,880 --> 00:23:06,910

Thanksgiving with me next week week

425

00:23:11,670 --> 00:23:08,890

after soon as Thanksgiving he's coming

426

00:23:13,380 --> 00:23:11,680

he and his wife and he's still active he

427

00:23:19,110 --> 00:23:13,390

still has his clearances he's been there

428

00:23:21,990 --> 00:23:19,120

60 years so all the while they did a

429

00:23:22,950 --> 00:23:22,000

good job of making me look like I was

430

00:23:25,019 --> 00:23:22,960

lying and it

431

00:23:27,510 --> 00:23:25,029

the attention off and that's all good

432

00:23:31,260 --> 00:23:27,520

because I learned a lot so for the last

433

00:23:34,529 --> 00:23:31,270

twelve years I've had the opportunity to

434

00:23:38,130 --> 00:23:34,539

meet people to work behind the scenes on

435

00:23:42,870 --> 00:23:38,140

some things like technologies Dinah

436

00:23:44,580 --> 00:23:42,880

talks about that a little bit and I just

437

00:23:47,370 --> 00:23:44,590

have a group of people behind me and

438

00:23:49,860 --> 00:23:47,380

around me that I'm not afraid of the

439

00:23:52,289 --> 00:23:49,870

government I'm afraid of the people it's

440

00:23:55,019 --> 00:23:52,299

the people that are that don't believe

441

00:23:58,080 --> 00:23:55,029

this see UFO world that wants to

442

00:23:59,310 --> 00:23:58,090

criticize and debunk everything but

443

00:24:01,799 --> 00:23:59,320

there are people that really know the

444

00:24:03,299 --> 00:24:01,809

truth and they're really helpful they

445

00:24:06,240 --> 00:24:03,309

just want to know what was happening

446

00:24:08,039 --> 00:24:06,250

they don't know you know there's a lot

447

00:24:10,649 --> 00:24:08,049

of theories the government has this in

448

00:24:12,659 --> 00:24:10,659

this and all these things hidden well

449

00:24:16,080 --> 00:24:12,669

that couldn't be further from the truth

450

00:24:20,250 --> 00:24:16,090

from my experience I haven't seen any of

451

00:24:23,310 --> 00:24:20,260

that or heard of it and I just don't

452

00:24:25,470 --> 00:24:23,320

know as I believe it because of some of

453

00:24:28,380 --> 00:24:25,480

the things I've done in places ugh yeah

454

00:24:32,130 --> 00:24:28,390

I think they're more innocent they want

455

00:24:35,279 --> 00:24:32,140

to notice as bad as you or not now when

456

00:24:39,000 --> 00:24:35,289

you first had the other fella from NASA

457

00:24:41,539 --> 00:24:39,010

visit you was it kind of a relief at

458

00:24:44,100 --> 00:24:41,549

first or were you not really a

459

00:24:46,710 --> 00:24:44,110

trustworthy after the bad experience

460

00:24:48,360 --> 00:24:46,720

would the MUFON TV show or at what point

461

00:24:50,789 --> 00:24:48,370

in time did you say to yourself ah

462

00:24:54,180 --> 00:24:50,799

finally you know we're making some

463

00:24:55,830 --> 00:24:54,190

headway here I still hadn't said finally

464

00:24:57,539 --> 00:24:55,840

because I've had people come to my house

465

00:25:01,830 --> 00:24:57,549

threaten to kill me and my wife and

466

00:25:04,110 --> 00:25:01,840

children in my face publicly and and

467

00:25:06,480 --> 00:25:04,120

right in front of me so my wife will

468

00:25:08,070 --> 00:25:06,490

kill you if you share any of this

469

00:25:10,620 --> 00:25:08,080

information we got and they're not

470

00:25:13,950 --> 00:25:10,630

government these are there's a people

471

00:25:16,919 --> 00:25:13,960

that I'm more worried about people that

472

00:25:20,240 --> 00:25:16,929

are non-government you see socks all

473

00:25:24,450 --> 00:25:20,250

friends in the government to say help me

474

00:25:27,360 --> 00:25:24,460

but there's no feeling comfortable in

475

00:25:29,490 --> 00:25:27,370

this all because I reported lights in

476

00:25:33,389 --> 00:25:29,500

the sky after worried about the safety

477

00:25:35,370 --> 00:25:33,399

of my family think about that earth it's

478

00:25:36,540 --> 00:25:35,380

all because of a narrative people want

479

00:25:39,930 --> 00:25:36,550

to drive a narrative of

480

00:25:42,510 --> 00:25:39,940

about what it is there the world is

481

00:25:44,040 --> 00:25:42,520

experiencing when they're really coming

482

00:25:48,600 --> 00:25:44,050

to me wanting to know what it is I'm

483

00:25:50,640 --> 00:25:48,610

experiencing can I share this yeah this

484

00:25:56,190 --> 00:25:50,650

is just some there's two sides of this

485

00:25:58,230 --> 00:25:56,200

thing and I don't know I saw Diana talks

486

00:26:02,820 --> 00:25:58,240

about it she's been threatened as well

487

00:26:04,920 --> 00:26:02,830

yes when you start getting near facts or

488

00:26:06,630 --> 00:26:04,930

sensitive stuff we just have to be real

489

00:26:07,590 --> 00:26:06,640

careful and that's why I don't do a lot

490

00:26:12,540 --> 00:26:07,600

of talking about it

491

00:26:15,360 --> 00:26:12,550

understood so as a time pastor you

492

00:26:17,820 --> 00:26:15,370

you're they bring you in I'm here they

493

00:26:20,280 --> 00:26:17,830

are they flying you to these different

494

00:26:21,840 --> 00:26:20,290

locations and you know asking you to

495

00:26:24,300 --> 00:26:21,850

take a look at this take a look at that

496

00:26:25,950 --> 00:26:24,310

what do you think how is that process

497

00:26:27,990 --> 00:26:25,960

going are they bringing the stuff to you

498

00:26:33,870 --> 00:26:28,000

where you going to them how is all that

499

00:26:36,180 --> 00:26:33,880

working then although there's just I get

500

00:26:41,580 --> 00:26:36,190

a phone call say you need to be here or

501
00:26:44,370 --> 00:26:41,590
meet me here at this place or and they

502
00:26:46,800 --> 00:26:44,380
come to me I mean this is just like you

503
00:26:48,750 --> 00:26:46,810
would once you get to know these folks

504
00:26:51,050 --> 00:26:48,760
they're just wonderful people that want

505
00:26:53,670 --> 00:26:51,060
to know the truth is like you or not and

506
00:26:57,480 --> 00:26:53,680
they have a job to do and they can't

507
00:27:00,060 --> 00:26:57,490
really share it and nobody will never

508
00:27:01,830 --> 00:27:00,070
know who these folks are ever I couldn't

509
00:27:09,180 --> 00:27:01,840
share it and they don't want to be

510
00:27:18,690 --> 00:27:12,750
there's there's a I don't mean I have to

511
00:27:26,520 --> 00:27:18,700
be careful sir sure it's not the

512
00:27:34,490 --> 00:27:30,420
that I think is I don't know how to say

513
00:27:41,490 --> 00:27:34,500

this I just don't think they know what

514

00:27:43,770 --> 00:27:41,500

we think they okay okay got it got it

515

00:27:45,930 --> 00:27:43,780

now I that obviously yeah there was

516

00:27:48,630 --> 00:27:45,940

something in the content of your initial

517

00:27:51,540 --> 00:27:48,640

report that that got the attention of

518

00:27:54,270 --> 00:27:51,550

these folks have they ever shared the

519

00:28:00,440 --> 00:27:54,280

what that was and if they did can you

520

00:28:03,600 --> 00:28:00,450

share that with our listeners well yeah

521

00:28:04,710 --> 00:28:03,610

the triangle on the little beans chest

522

00:28:09,420 --> 00:28:04,720

was a big deal

523

00:28:11,580 --> 00:28:09,430

the the you know I reported ORS I didn't

524

00:28:16,770 --> 00:28:11,590

report a flying saucer and that was the

525

00:28:18,480 --> 00:28:16,780

thing up until 2007 it was all triangles

526

00:28:21,780 --> 00:28:18,490

if you remember it was all black

527

00:28:22,980 --> 00:28:21,790

triangles right and flying saucers well

528

00:28:25,110 --> 00:28:22,990

I don't think the one that's been

529

00:28:28,620 --> 00:28:25,120

reported since I reported these orbs

530

00:28:32,610 --> 00:28:28,630

some twelve thirteen years ago but they

531

00:28:36,870 --> 00:28:32,620

were orbs huge fiery orange fireballs

532

00:28:39,300 --> 00:28:36,880

that looked like the the fire was

533

00:28:41,610 --> 00:28:39,310

rotating clockwise and around it and

534

00:28:44,850 --> 00:28:41,620

flames shooting off of and they're big

535

00:28:48,030 --> 00:28:44,860

as a school bus 40-foot around I think T

536

00:28:51,750 --> 00:28:48,040

TSA calls them tic tacs okay same thing

537

00:28:55,320 --> 00:28:51,760

I described it exactly the same as what

538

00:28:56,910 --> 00:28:55,330

Tom and his group is talking about same

539

00:29:00,210 --> 00:28:56,920

thing you come out of the ocean that

540

00:29:04,440 --> 00:29:00,220

plot to kick the river and that's the

541

00:29:06,240 --> 00:29:04,450

direction that came from but that's got

542

00:29:09,900 --> 00:29:06,250

their attention the size of what I

543

00:29:13,350 --> 00:29:09,910

reported the the little beans and what

544

00:29:17,460 --> 00:29:13,360

they had on their chest and how they

545

00:29:21,870 --> 00:29:17,470

appeared things that went on with me

546

00:29:25,410 --> 00:29:21,880

that's the one thing Frank without

547

00:29:30,230 --> 00:29:25,420

speculating it's the evidence I have a

548

00:29:33,660 --> 00:29:30,240

lot of evidence and I can put it on on

549

00:29:35,910 --> 00:29:33,670

websites out there the real stuff and in

550

00:29:38,340 --> 00:29:35,920

the UFO world they totally ignore it

551
00:29:40,500 --> 00:29:38,350
because they don't want that they won't

552
00:29:43,710 --> 00:29:40,510
they won't Pleiadians and

553
00:29:47,220 --> 00:29:43,720
Zeta Reticuli and all this kind of stuff

554
00:29:50,760 --> 00:29:47,230
but it's not like that it doesn't work

555
00:29:52,950 --> 00:29:50,770
quite like that is this is different and

556
00:29:55,039 --> 00:29:52,960
I'm still trying to figure it out along

557
00:29:59,760 --> 00:29:55,049
with a whole lot of other smart people

558
00:30:04,740 --> 00:29:59,770
but did the the data that I have I have

559
00:30:08,220 --> 00:30:04,750
thousands of photos and videos videos

560
00:30:10,110 --> 00:30:08,230
with audio and witnesses like Colonel

561
00:30:13,770 --> 00:30:10,120
John Alexander he's been in the

562
00:30:16,320 --> 00:30:13,780
government 50 years he just came back

563
00:30:18,380 --> 00:30:16,330

from overseas in Kazakh Stan and all

564

00:30:21,210 --> 00:30:18,390

those places and he's researching

565

00:30:26,130 --> 00:30:21,220

paranormal phenomenon you a buzz when he

566

00:30:29,340 --> 00:30:26,140

does that well 47 years of doing that he

567

00:30:32,850 --> 00:30:29,350

came to visit with me and my family and

568

00:30:34,560 --> 00:30:32,860

his wife Victoria and he wanted to go

569

00:30:37,799 --> 00:30:34,570

down to the river and I took him down

570

00:30:40,470 --> 00:30:37,809

there and my daughter Emily went and I

571

00:30:43,169 --> 00:30:40,480

know because she's a little magnet that

572

00:30:45,530 --> 00:30:43,179

they would likely show up with her

573

00:30:48,360 --> 00:30:45,540

around if I had taken anybody else

574

00:30:50,310 --> 00:30:48,370

they're kind of pretty shy they may not

575

00:30:54,720 --> 00:30:50,320

show up for up here but when she's with

576

00:30:56,820 --> 00:30:54,730

me it's like is she it's me because

577

00:30:59,549 --> 00:30:56,830

that's kind of aggravating thing for the

578

00:31:01,620 --> 00:30:59,559

longest time I would go outside and

579

00:31:03,630 --> 00:31:01,630

there they would be and I couldn't get a

580

00:31:05,370 --> 00:31:03,640

camera on them I couldn't take a picture

581

00:31:06,600 --> 00:31:05,380

and I couldn't run in and get my wife

582

00:31:08,520 --> 00:31:06,610

say come look

583

00:31:11,880 --> 00:31:08,530

it was so aggravating because they'd be

584

00:31:15,000 --> 00:31:11,890

gone but five years later when I had

585

00:31:19,020 --> 00:31:15,010

that experience and I decided to start

586

00:31:22,409 --> 00:31:19,030

speaking from that point on I walk out

587

00:31:25,560 --> 00:31:22,419

that very booth in a few days after that

588

00:31:28,230 --> 00:31:25,570

and there it was and I got it on video

589

00:31:31,230 --> 00:31:28,240

and from that point on I've got five or

590

00:31:34,830 --> 00:31:31,240

six thousand photos and hundreds of

591

00:31:38,190 --> 00:31:34,840

videos and witnesses like John I told

592

00:31:40,590 --> 00:31:38,200

John I said they're here right now and

593

00:31:42,120 --> 00:31:40,600

they're above us I could sense it I can

594

00:31:44,730 --> 00:31:42,130

feel it I have a video where you can

595

00:31:47,760 --> 00:31:44,740

hear me I can't hardly breathe when it

596

00:31:51,000 --> 00:31:47,770

appears in front of us will it appear it

597

00:31:54,330 --> 00:31:51,010

in front of Victoria and John and Emily

598

00:31:57,510 --> 00:31:54,340

enough above us it didn't fly

599

00:32:00,600 --> 00:31:57,520

it wasn't a satellite it appeared out of

600

00:32:05,310 --> 00:32:00,610

thin air and been zipped off to the

601
00:32:10,500 --> 00:32:05,320
South pretty quick and so can imagine

602
00:32:14,549 --> 00:32:10,510
just imagine me telling somebody such as

603
00:32:17,130 --> 00:32:14,559
John that there's a UFO over me and it's

604
00:32:21,390 --> 00:32:17,140
about to appear and within 10 seconds it

605
00:32:25,649 --> 00:32:21,400
does imagine what the powers above think

606
00:32:27,870 --> 00:32:25,659
about that I mean this guy just throw

607
00:32:33,380 --> 00:32:27,880
out a few clues here the reason it draws

608
00:32:36,630 --> 00:32:33,390
attention on this gun cause the temporal

609
00:32:38,850 --> 00:32:36,640
relationship John had been on the show

610
00:32:41,039 --> 00:32:38,860
and he'd mention that encounter himself

611
00:32:43,560 --> 00:32:41,049
and has nothing but they're the highest

612
00:32:44,610 --> 00:32:43,570
regard for you said nothing but great

613
00:32:47,310 --> 00:32:44,620

things about you

614

00:32:49,980 --> 00:32:47,320

now I another thing that John had said

615

00:32:52,200 --> 00:32:49,990

was he had been that he'd spent a lot of

616

00:32:53,760 --> 00:32:52,210

time now this goes off topic a little

617

00:32:56,130 --> 00:32:53,770

bit but he had spent a lot of time at

618

00:32:57,960 --> 00:32:56,140

skinwalker ranch and and all the time he

619

00:33:00,210 --> 00:32:57,970

was there he heard accounts from other

620

00:33:02,519 --> 00:33:00,220

people but didn't have any strange

621

00:33:05,250 --> 00:33:02,529

encounters himself while he was there he

622

00:33:07,019 --> 00:33:05,260

comes and spends an evening with you and

623

00:33:10,710 --> 00:33:07,029

all of a sudden he does do you have any

624

00:33:16,080 --> 00:33:10,720

thoughts on that well yeah I actually

625

00:33:18,419 --> 00:33:16,090

asked for it yeah there's a lot of

626
00:33:21,630 --> 00:33:18,429
people like John he's not the only one I

627
00:33:24,600 --> 00:33:21,640
mean even in the video the latest video

628
00:33:26,159 --> 00:33:24,610
I think I sent chant one this week I

629
00:33:29,100 --> 00:33:26,169
don't have to send it to you but you can

630
00:33:31,310 --> 00:33:29,110
see he shared it with me I saw it and

631
00:33:33,120 --> 00:33:31,320
you hear all the people that are calling

632
00:33:37,110 --> 00:33:33,130
so it happens

633
00:33:40,649 --> 00:33:37,120
it used to be remembering before 2012 it

634
00:33:42,990 --> 00:33:40,659
wouldn't cooperate 2012 I had this

635
00:33:46,320 --> 00:33:43,000
experience with this beautiful lady and

636
00:33:49,860 --> 00:33:46,330
these three beings and from that point

637
00:33:52,560 --> 00:33:49,870
on the my little iPhone camera people

638
00:33:54,779 --> 00:33:52,570

spend thousands and thousands tens of

639

00:33:57,389 --> 00:33:54,789

thousands on Wednesdays and cameras just

640

00:34:01,019 --> 00:33:57,399

to get a little light flying across way

641

00:34:03,389 --> 00:34:01,029

up like a satellite I get pictures still

642

00:34:07,769 --> 00:34:03,399

photos and videos of orbs that are five

643

00:34:09,690 --> 00:34:07,779

feet away 15 feet 20 feet 400 feet

644

00:34:12,690 --> 00:34:09,700

way up in the air likes i don't even

645

00:34:16,680 --> 00:34:12,700

worry about them on that I get the ones

646

00:34:19,649 --> 00:34:16,690

that are close you know to 300 yards or

647

00:34:23,519 --> 00:34:19,659

closer I've got one over Easter that was

648

00:34:26,250 --> 00:34:23,529

15 for 18 minutes I'll film this orb

649

00:34:28,460 --> 00:34:26,260

that came out of the sky this is on

650

00:34:31,349 --> 00:34:28,470

Easter I walked out the door when I did

651
00:34:33,720 --> 00:34:31,359
these things know I'm here they know

652
00:34:35,639 --> 00:34:33,730
when I opened the door they appear there

653
00:34:38,039 --> 00:34:35,649
waiting it doesn't matter where I go

654
00:34:41,490 --> 00:34:38,049
I've been to California with movie

655
00:34:43,859 --> 00:34:41,500
producers and their children and the

656
00:34:46,049 --> 00:34:43,869
things fly right over our head 100 feet

657
00:34:51,839 --> 00:34:46,059
off they come on out in the ocean and

658
00:34:55,470 --> 00:34:51,849
fly right up to us and so this orb

659
00:34:58,589 --> 00:34:55,480
appears above way up in the sky was

660
00:35:00,809 --> 00:34:58,599
probably 2 or 300 feet up and it came

661
00:35:01,859 --> 00:35:00,819
straight down and it looked like a

662
00:35:04,980 --> 00:35:01,869
Firefly

663
00:35:08,160 --> 00:35:04,990

diving to the ground that sized glowing

664

00:35:10,109 --> 00:35:08,170

bright is an LED light blinking and when

665

00:35:11,940 --> 00:35:10,119

it got to the tops of the trees on the

666

00:35:15,089 --> 00:35:11,950

other side of this pond I live on a

667

00:35:17,880 --> 00:35:15,099

private 15 actors with a pond and in my

668

00:35:19,289 --> 00:35:17,890

back porches literally six foot from the

669

00:35:21,960 --> 00:35:19,299

water so when I open the door I'm

670

00:35:28,799 --> 00:35:21,970

standing at the water this thing comes

671

00:35:32,940 --> 00:35:28,809

on way up high and a low battery

672

00:35:38,010 --> 00:35:32,950

indicator it comes on way up high and

673

00:35:46,559 --> 00:35:38,020

zooms down to I'm sorry I'm trying to

674

00:35:51,630 --> 00:35:46,569

put my problem fikret are sick comes

675

00:35:53,220 --> 00:35:51,640

down out of the sky to the trees it gets

676
00:35:55,380 --> 00:35:53,230
to the edge of the water on the other

677
00:35:57,000 --> 00:35:55,390
side and then by now I'm kind of

678
00:36:01,799 --> 00:35:57,010
freaking out because I know it's coming

679
00:36:03,569 --> 00:36:01,809
for me it sees me and I'm trying to stay

680
00:36:06,779 --> 00:36:03,579
away from these orbs as much as I can

681
00:36:09,690 --> 00:36:06,789
because I got really sick from it that's

682
00:36:12,059 --> 00:36:09,700
a whole nother story well I guess you

683
00:36:14,670 --> 00:36:12,069
know what water's edge on the other side

684
00:36:16,650 --> 00:36:14,680
it stops for a second

685
00:36:19,609 --> 00:36:16,660
and it's a basketball-sized and it's

686
00:36:21,480 --> 00:36:19,619
it's blinking on and off very brightly

687
00:36:23,550 --> 00:36:21,490
erratically the

688
00:36:26,880 --> 00:36:23,560

here comes across the water now and this

689

00:36:29,760 --> 00:36:26,890

coming to me I'm on my knees with my

690

00:36:30,950 --> 00:36:29,770

dogs beside me and I'm scared to move

691

00:36:35,520 --> 00:36:30,960

that's right

692

00:36:38,190 --> 00:36:35,530

and it gets within 20 feet of me v 2025

693

00:36:43,280 --> 00:36:38,200

feet is over the water and it's jumping

694

00:36:48,240 --> 00:36:43,290

up and down ten yeah this org

695

00:36:50,850 --> 00:36:48,250

it's illuminating a 10-foot area up and

696

00:36:53,730 --> 00:36:50,860

down over the river over the water and I

697

00:36:57,810 --> 00:36:53,740

can see I know what it is it's some sort

698

00:37:00,720 --> 00:36:57,820

of entity coming so I filmed it for for

699

00:37:03,420 --> 00:37:00,730

18 minutes and as soon as I pulled the

700

00:37:06,420 --> 00:37:03,430

camera out on cell phone when I put it

701
00:37:09,390 --> 00:37:06,430
on it the orb it knew what I was going

702
00:37:11,670 --> 00:37:09,400
to do and it died down to just an orb

703
00:37:15,240 --> 00:37:11,680
that blinks on and blinks off the break

704
00:37:19,940 --> 00:37:15,250
10 minutes I got this orb there and then

705
00:37:25,880 --> 00:37:19,950
a lot of crazy stuff happened after that

706
00:37:33,390 --> 00:37:30,480
amazing stuff there's and I don't know

707
00:37:36,410 --> 00:37:33,400
if I want to get into it too much but we

708
00:37:39,390 --> 00:37:36,420
have a Sun that could not have babies

709
00:37:41,370 --> 00:37:39,400
ever the University of North Carolina

710
00:37:45,660 --> 00:37:41,380
Chapel Hill said he could and all of a

711
00:37:51,500 --> 00:37:45,670
sudden he's going to be a father he has

712
00:37:58,950 --> 00:37:56,220
his fiancee and she and for some reason

713
00:38:00,930 --> 00:37:58,960

for to for for a short while there he

714

00:38:05,700 --> 00:38:00,940

could fill his toes in his bare lives

715

00:38:09,840 --> 00:38:05,710

and my DEA score I have rheumatoid and I

716

00:38:11,790 --> 00:38:09,850

contracted this dr. persona and a lot of

717

00:38:16,590 --> 00:38:11,800

other people think it's because of the

718

00:38:21,090 --> 00:38:16,600

wards it happened to st. Francis in the

719

00:38:24,349 --> 00:38:21,100

Vatican and I mean in in in the ancient

720

00:38:27,450 --> 00:38:24,359

days in Rome or wherever he was from but

721

00:38:29,370 --> 00:38:27,460

Diana was at the Vatican and pull went

722

00:38:31,530 --> 00:38:29,380

in the secret archives and they read a

723

00:38:33,240 --> 00:38:31,540

lot of stories and stuff and so they

724

00:38:34,470 --> 00:38:33,250

were sending me stuff in the Vatican

725

00:38:38,480 --> 00:38:34,480

they actually had a ceremony

726

00:38:42,030 --> 00:38:38,490

right there and had it in my honor and

727

00:38:44,250 --> 00:38:42,040

was allowed in the archives all this

728

00:38:51,120 --> 00:38:44,260

would be in the television show if it

729

00:38:55,560 --> 00:38:51,130

comes about the whole thing but Saint

730

00:38:57,300 --> 00:38:55,570

Francis and others had nothing more than

731

00:39:00,690 --> 00:38:57,310

rheumatoid is what they believed it was

732

00:39:06,870 --> 00:39:00,700

based on today's lens and it came from

733

00:39:08,460 --> 00:39:06,880

being zapped by or did applause I have

734

00:39:12,750 --> 00:39:08,470

them right in my face sometimes they fly

735

00:39:14,160 --> 00:39:12,760

right up within inches feet and a lot of

736

00:39:16,620 --> 00:39:14,170

people see them when they come here a

737

00:39:18,950 --> 00:39:16,630

lot and a lot of testify to it and have

738

00:39:25,770 --> 00:39:18,960

videos other people get videos of them

739

00:39:29,700 --> 00:39:25,780

appearing and interacting so it's just

740

00:39:32,460 --> 00:39:29,710

that's why so many people in so many

741

00:39:34,920 --> 00:39:32,470

places know about this they heard that

742

00:39:37,950 --> 00:39:34,930

this is going on they know that I have

743

00:39:39,390 --> 00:39:37,960

this evidence and a lot of others have

744

00:39:43,430 --> 00:39:39,400

been here and witnessed that other

745

00:39:46,500 --> 00:39:43,440

people from the government not just John

746

00:39:48,840 --> 00:39:46,510

well one of the one of the other folks I

747

00:39:52,080 --> 00:39:48,850

know that you've had some contact with

748

00:39:55,020 --> 00:39:52,090

it reached out to you was someone who's

749

00:39:56,880 --> 00:39:55,030

stays that pretty quiet but is involved

750

00:40:00,060 --> 00:39:56,890

and that helps run the to the stars

751
00:40:02,370 --> 00:40:00,070
Academy and that's Jim semi van can you

752
00:40:05,340 --> 00:40:02,380
give our listeners some kind of insight

753
00:40:08,010 --> 00:40:05,350
in terms of what this guy's all about

754
00:40:09,810 --> 00:40:08,020
because he he's kind of a mysterious guy

755
00:40:13,740 --> 00:40:09,820
who doesn't say too much yeah publicly

756
00:40:18,510 --> 00:40:13,750
anyway well I can't say a whole lot

757
00:40:20,250 --> 00:40:18,520
about Jim but I can tell you this he is

758
00:40:23,160 --> 00:40:20,260
a mighty good friend of mine and has

759
00:40:24,780 --> 00:40:23,170
been for many years I've been to Easter

760
00:40:28,980 --> 00:40:24,790
with him with his family and my family

761
00:40:30,660 --> 00:40:28,990
my children my daughters in New York she

762
00:40:34,740 --> 00:40:30,670
started there this year this is her

763
00:40:37,920 --> 00:40:34,750

first visitor Jim and death they're just

764

00:40:40,800 --> 00:40:37,930

wonderful people he was in the CIA and

765

00:40:44,940 --> 00:40:40,810

he had an experience and he knew about

766

00:40:45,940 --> 00:40:44,950

me right after it was published 12 13

767

00:40:49,359 --> 00:40:45,950

years ago

768

00:40:54,420 --> 00:40:49,369

and we finally got to meet and I don't

769

00:40:56,440 --> 00:40:54,430

think he could long as he was active but

770

00:41:00,400 --> 00:40:56,450

you know I don't know if I can say that

771

00:41:03,760 --> 00:41:00,410

or not but he he follows the rule by the

772

00:41:08,289 --> 00:41:03,770

rule and as soon as he retired we were

773

00:41:09,789 --> 00:41:08,299

we became friends and I knew about Tom

774

00:41:17,650 --> 00:41:09,799

long before

775

00:41:19,420 --> 00:41:17,660

Tom's company ever got started and then

776

00:41:23,079 --> 00:41:19,430

there Tom I'm very good friends with Tom

777

00:41:24,970 --> 00:41:23,089

and Lou Jim I just I can't say a whole

778

00:41:27,039 --> 00:41:24,980

lot there but they're very good people

779

00:41:31,089 --> 00:41:27,049

and they're very serious and it's not a

780

00:41:32,980 --> 00:41:31,099

scam what they're doing is dead serious

781

00:41:39,099 --> 00:41:32,990

I think the UFO world believes that

782

00:41:41,650 --> 00:41:39,109

they're 7 or 10 star cruisers at area 51

783

00:41:43,720 --> 00:41:41,660

and and why would Tom worry about a

784

00:41:46,030 --> 00:41:43,730

piece of metal right right

785

00:41:48,280 --> 00:41:46,040

it don't make sense well I don't think

786

00:41:51,490 --> 00:41:48,290

they got the star cruisers but they do

787

00:41:54,579 --> 00:41:51,500

have the metal because I had my hands on

788

00:41:59,559 --> 00:41:54,589

some other and I actually shared a piece

789

00:42:02,319 --> 00:41:59,569

with them so that's that got it got it

790

00:42:04,510 --> 00:42:02,329

now that they're as far as the the

791

00:42:07,210 --> 00:42:04,520

Middle's Goa that is a pretty

792

00:42:09,309 --> 00:42:07,220

interesting subject and it has been of

793

00:42:11,500 --> 00:42:09,319

interest to these types of fellows going

794

00:42:14,079 --> 00:42:11,510

way back we had that furry Geller on a

795

00:42:17,589 --> 00:42:14,089

few months back and he discussed that

796

00:42:19,960 --> 00:42:17,599

this was I guess back in the the 70s and

797

00:42:21,880 --> 00:42:19,970

maybe the 80s for where you know they

798

00:42:24,760 --> 00:42:21,890

were bringing pieces that they thought

799

00:42:27,539 --> 00:42:24,770

might be a vet ET origin and having him

800

00:42:31,120 --> 00:42:27,549

handle it nut and get his feedback so

801

00:42:35,349 --> 00:42:31,130

that the materials it's a pretty

802

00:42:37,120 --> 00:42:35,359

interesting topic now is there anyone

803

00:42:41,980 --> 00:42:37,130

else that they've crossed paths with

804

00:42:43,750 --> 00:42:41,990

besides a Diana jam and John that do you

805

00:42:45,010 --> 00:42:43,760

think of the folks that might want to

806

00:42:47,890 --> 00:42:45,020

hear a little bit more about that you

807

00:42:49,480 --> 00:42:47,900

can talk about well there's a lot more

808

00:42:54,220 --> 00:42:49,490

but I really can't talk about this

809

00:42:57,339 --> 00:42:54,230

people remember dynast book read her

810

00:42:58,870 --> 00:42:57,349

book it's a wonderful book and true-blue

811

00:43:01,000 --> 00:42:58,880

it's not

812

00:43:04,150 --> 00:43:01,010

think what she's saying in there all of

813

00:43:09,460 --> 00:43:04,160

it's very real about the people she met

814

00:43:12,400 --> 00:43:09,470

the crash site she went to the character

815

00:43:14,380 --> 00:43:12,410

Tyler I introduced her took me three

816

00:43:19,150 --> 00:43:14,390

years to get her to meet these people

817

00:43:21,100 --> 00:43:19,160

she's that nervous of me and said

818

00:43:26,230 --> 00:43:21,110

they're all good folks I mean you're

819

00:43:30,820 --> 00:43:28,680

I understood to be careful there

820

00:43:33,790 --> 00:43:30,830

understand understood but you had

821

00:43:36,090 --> 00:43:33,800

mentioned meeting Tom and what did you

822

00:43:37,930 --> 00:43:36,100

what was your impression of him I mean

823

00:43:41,170 --> 00:43:37,940

were you familiar with his background

824

00:43:43,030 --> 00:43:41,180

with the rock music and you know what's

825

00:43:44,830 --> 00:43:43,040

a lot of people are thinking you know

826

00:43:47,440 --> 00:43:44,840

what what's this guy involved with all

827

00:43:49,870 --> 00:43:47,450

these people for this this is a little

828

00:43:52,210 --> 00:43:49,880

bit odd here were you familiar with him

829

00:43:54,250 --> 00:43:52,220

but when you met him more you know with

830

00:43:55,810 --> 00:43:54,260

the with the musical background or was

831

00:43:57,430 --> 00:43:55,820

he just think a guy who seemed pretty

832

00:44:00,970 --> 00:43:57,440

interested I mean what were your

833

00:44:02,380 --> 00:44:00,980

impressions of Tom I think Tom's a

834

00:44:04,330 --> 00:44:02,390

wonderful guy I like him

835

00:44:07,810 --> 00:44:04,340

I haven't I can text him he might be

836

00:44:12,280 --> 00:44:07,820

listening I never know I know him

837

00:44:14,530 --> 00:44:12,290

firsthand I've been we've we've traveled

838

00:44:17,440 --> 00:44:14,540

together right so he's a good friend and

839

00:44:19,510 --> 00:44:17,450

he's very serious I don't think he's

840

00:44:21,670 --> 00:44:19,520

hiding I don't know how he could be hide

841

00:44:26,800 --> 00:44:21,680

anything he's just like you and I just

842

00:44:29,710 --> 00:44:26,810

as a very accomplished star that had an

843

00:44:31,870 --> 00:44:29,720

experience that gave him the bug just

844

00:44:34,450 --> 00:44:31,880

like it did me and everybody else us

845

00:44:37,780 --> 00:44:34,460

into this thing he just has more means

846

00:44:40,450 --> 00:44:37,790

to to move the ball down the court and

847

00:44:43,540 --> 00:44:40,460

and he's that kind of guy he's genius

848

00:44:50,130 --> 00:44:43,550

tom is really a very smart person I mean

849

00:44:52,660 --> 00:44:50,140

very smart and he got you might say that

850

00:44:56,530 --> 00:44:52,670

gave him the bug and nothing else

851

00:45:00,070 --> 00:44:56,540

matters music no no even quit it for a

852

00:45:02,230 --> 00:45:00,080

long time and he got to meet a few

853

00:45:04,690 --> 00:45:02,240

people he made his own way into there

854

00:45:07,600 --> 00:45:04,700

and they say I know I'm being told this

855

00:45:10,630 --> 00:45:07,610

guy named Tom DeLonge I've never heard

856

00:45:11,599 --> 00:45:10,640

of him and they're like do you want to

857

00:45:14,049 --> 00:45:11,609

meet him and

858

00:45:20,420 --> 00:45:14,059

sure so that's kind of how it started

859

00:45:23,479 --> 00:45:20,430

and he's really in it for he's in it

860

00:45:27,109 --> 00:45:23,489

this is in this office this heart be

861

00:45:28,969 --> 00:45:27,119

serious about it he's not this in other

862

00:45:31,999 --> 00:45:28,979

words I think it's all legit what he's

863

00:45:36,229 --> 00:45:32,009

going with the study the research to

864

00:45:40,069 --> 00:45:36,239

find out the truth you know I like them

865

00:45:42,289 --> 00:45:40,079

I think they're they're really serious

866

00:45:44,660 --> 00:45:42,299

in there trying nobody else is right we

867

00:45:47,539 --> 00:45:44,670

can lead the UFO world for the next 50

868

00:45:49,400 --> 00:45:47,549

years and let them speculate and write

869

00:45:53,029 --> 00:45:49,410

book after book I've never written a

870

00:45:55,370 --> 00:45:53,039

book in 12 years because I can't I can't

871

00:46:01,489 --> 00:45:55,380

sit here and tell you that this being

872

00:46:03,949 --> 00:46:01,499

named you know Johnny from the planet

873

00:46:06,109 --> 00:46:03,959

this came to my house because you know

874

00:46:07,729 --> 00:46:06,119

it just wanted to visit me and anal

875

00:46:11,410 --> 00:46:07,739

probe me and all this kind of garbage

876

00:46:14,449 --> 00:46:11,420

you know I just don't none of that

877

00:46:17,509 --> 00:46:14,459

that's all dark and dirty and that

878

00:46:20,900 --> 00:46:17,519

wasn't what happened to me mine came

879

00:46:24,259 --> 00:46:20,910

when I was crying out to whoever was up

880

00:46:28,130 --> 00:46:24,269

there I'm sick and I'm ready to give up

881

00:46:30,349 --> 00:46:28,140

on life and I walk up that hill and

882

00:46:34,489 --> 00:46:30,359

there these balls of fire and when they

883

00:46:36,859 --> 00:46:34,499

brought me back like was different I

884

00:46:40,069 --> 00:46:36,869

never had another symptom of Crohn's

885

00:46:42,979 --> 00:46:40,079

from that day forward and for 17 years I

886

00:46:48,319 --> 00:46:42,989

suffered I took you know all these

887

00:46:51,140 --> 00:46:48,329

medications for it and so it it changed

888

00:46:55,699 --> 00:46:51,150

my life and for the first five years it

889

00:46:58,309 --> 00:46:55,709

was pretty dark Oh ridicule and but I

890

00:47:00,769 --> 00:46:58,319

held in there on you know I'm one of

891

00:47:03,499 --> 00:47:00,779

these guys if the sun is shining i'm

892

00:47:05,569 --> 00:47:03,509

gonna tell you the sun shining and it's

893

00:47:08,809 --> 00:47:05,579

nothing different when i saw these

894

00:47:11,420 --> 00:47:08,819

lights and i had this experience and i

895

00:47:14,900 --> 00:47:11,430

don't no longer had this crohn's problem

896

00:47:17,180 --> 00:47:14,910

that nearly nearly killed me let me turn

897

00:47:19,279 --> 00:47:17,190

here dad that was my second one when I

898

00:47:22,880 --> 00:47:19,289

was 10 years old I was shot in the back

899

00:47:24,740 --> 00:47:22,890

point-blank with a 20 gauge shotgun from

900

00:47:27,200 --> 00:47:24,750

6 foot away

901
00:47:29,510 --> 00:47:27,210
a hole in the side of the orange in my

902
00:47:32,660 --> 00:47:29,520
left shoulder nearly took out my heart

903
00:47:36,410 --> 00:47:32,670
my spine I still have 17 pieces of the

904
00:47:39,280 --> 00:47:36,420
lid and my chest I set the alarm off at

905
00:47:45,110 --> 00:47:39,290
the airport every time I go through but

906
00:47:48,020 --> 00:47:45,120
when I came to after surgery all I could

907
00:47:51,020 --> 00:47:48,030
remember was being in a clear like an

908
00:47:53,720 --> 00:47:51,030
award a bubble floating away from Earth

909
00:47:55,430 --> 00:47:53,730
we were I was out in space and I could

910
00:47:58,610 --> 00:47:55,440
look back and see earth getting smaller

911
00:48:01,100 --> 00:47:58,620
and I was in some sort of bubble like a

912
00:48:04,250 --> 00:48:01,110
clear bubble I couldn't see little walls

913
00:48:09,110 --> 00:48:04,260

but I could feel them and I woke up them

914

00:48:11,450 --> 00:48:09,120

in the hospital and boy for a year I

915

00:48:19,670 --> 00:48:11,460

couldn't even move the other slot almost

916

00:48:20,780 --> 00:48:19,680

paralyzed than that I'm assuming that

917

00:48:25,760 --> 00:48:20,790

was a hunting accident

918

00:48:29,330 --> 00:48:25,770

cause I hunting yeah 19x I was 10 years

919

00:48:33,470 --> 00:48:29,340

old my neighbor was 9 and his gun went

920

00:48:37,940 --> 00:48:33,480

off 6 foot away and you know what when I

921

00:48:40,070 --> 00:48:37,950

had my first regression with MUFON sent

922

00:48:43,690 --> 00:48:40,080

this guy named dr. Michael Colin it was

923

00:48:46,490 --> 00:48:43,700

a hardwood trained psychiatrist I think

924

00:48:48,860 --> 00:48:46,500

when he did the regression my headaches

925

00:48:52,520 --> 00:48:48,870

went away completely I never had that

926

00:48:56,180 --> 00:48:52,530

problem thinking back anymore and in

927

00:48:58,730 --> 00:48:56,190

that regression it came out that when I

928

00:49:04,730 --> 00:48:58,740

was 10 years old that they were with me

929

00:49:06,920 --> 00:49:04,740

then it was the reason that I didn't die

930

00:49:12,620 --> 00:49:06,930

from that I guess that's what came out

931

00:49:15,080 --> 00:49:12,630

and they took this cross from it it went

932

00:49:18,680 --> 00:49:15,090

away and I'm still being treated my

933

00:49:20,660 --> 00:49:18,690

doctor treats me for it up until this

934

00:49:22,910 --> 00:49:20,670

week they changed my meds for the fourth

935

00:49:25,010 --> 00:49:22,920

time but I've been treated they thought

936

00:49:28,310 --> 00:49:25,020

that the Crohn's came the rheumatoid

937

00:49:29,750 --> 00:49:28,320

came back as from Crohn's from the

938

00:49:31,760 --> 00:49:29,760

crumbs in other words it laid dormant

939

00:49:34,460 --> 00:49:31,770

and came back as rheumatoid so I went to

940

00:49:37,520 --> 00:49:34,470

Chapel Hill big metal cost bill and they

941

00:49:39,920 --> 00:49:37,530

they tested me again and

942

00:49:42,920 --> 00:49:39,930

know it that it was totally MIT that

943

00:49:45,920 --> 00:49:42,930

that was completely gone and this new

944

00:49:50,770 --> 00:49:45,930

thing came about five years ago six

945

00:49:53,570 --> 00:49:50,780

years ago 2012 and I had this experience

946

00:49:56,450 --> 00:49:53,580

there's been I started having trouble

947

00:50:01,030 --> 00:49:56,460

with bring the toilet that's been the

948

00:50:03,170 --> 00:50:01,040

billeting got it now you had mentioned

949

00:50:05,720 --> 00:50:03,180

based on what you're telling me that

950

00:50:07,640 --> 00:50:05,730

that your contact experiences have

951

00:50:09,920 --> 00:50:07,650

generally been pretty positive

952

00:50:11,330 --> 00:50:09,930

maybe the fallout from my people when

953

00:50:13,190 --> 00:50:11,340

you share them isn't always that good

954

00:50:14,870 --> 00:50:13,200

but the experience of the direct

955

00:50:18,530 --> 00:50:14,880

experiences themselves are generally

956

00:50:21,650 --> 00:50:18,540

pretty positive and to the Stars is at

957

00:50:24,050 --> 00:50:21,660

best framing this entire phenomenon at

958

00:50:26,540 --> 00:50:24,060

least at some points in terms of

959

00:50:28,640 --> 00:50:26,550

national security threat this there

960

00:50:30,080 --> 00:50:28,650

seems to be a little bit of a disconnect

961

00:50:33,560 --> 00:50:30,090

there can you talk a little bit about

962

00:50:35,540 --> 00:50:33,570

that well you know that's just military

963

00:50:38,750 --> 00:50:35,550

the military there's a lot of military

964

00:50:41,000 --> 00:50:38,760

involved with Tom and I think they're

965

00:50:44,420 --> 00:50:41,010

just protecting us and getting safe

966

00:50:45,860 --> 00:50:44,430

about it no words they don't know what

967

00:50:46,910 --> 00:50:45,870

we're dealing with and this is what I

968

00:50:49,610 --> 00:50:46,920

said earlier

969

00:50:52,310 --> 00:50:49,620

most people want to say we have all this

970

00:50:54,620 --> 00:50:52,320

stuff well I don't think we do and I

971

00:50:57,200 --> 00:50:54,630

think that until we understand what's

972

00:50:59,870 --> 00:50:57,210

going on that they're going to keep it

973

00:51:02,480 --> 00:50:59,880

that way and tell you the truth there's

974

00:51:08,000 --> 00:51:02,490

both good and bad out there you know but

975

00:51:11,090 --> 00:51:08,010

however you align yourself you if you

976
00:51:13,550 --> 00:51:11,100
are positive and you take them and in

977
00:51:18,230 --> 00:51:13,560
service to others and share a loving

978
00:51:21,050 --> 00:51:18,240
spirit and humble heart and you know a

979
00:51:23,030 --> 00:51:21,060
good person I think you don't have

980
00:51:27,470 --> 00:51:23,040
nothing to worry about but if you get

981
00:51:30,290 --> 00:51:27,480
into dark stuff and dark magic and

982
00:51:32,900 --> 00:51:30,300
negativity and have no foundation well

983
00:51:34,820 --> 00:51:32,910
you're allowing some very dark stuff

984
00:51:38,750 --> 00:51:34,830
that can can't come in and take your

985
00:51:42,590 --> 00:51:38,760
life and your spiritual Frank I've found

986
00:51:47,180 --> 00:51:42,600
out well let me say this in the last 12

987
00:51:50,250 --> 00:51:47,190
years what I can prove is that I have

988
00:51:53,580 --> 00:51:50,260

probably adding a thousand maybe

989

00:51:57,480 --> 00:51:53,590

texts or emails that people share with

990

00:52:01,980 --> 00:51:57,490

me they send me there they want they

991

00:52:03,960 --> 00:52:01,990

won't they won't report their thing to

992

00:52:06,480 --> 00:52:03,970

anyone they just want to talk about it

993

00:52:09,180 --> 00:52:06,490

and a lot of my older folks my age and

994

00:52:10,590 --> 00:52:09,190

some younger but they just want to know

995

00:52:12,930 --> 00:52:10,600

what happened and tell me their

996

00:52:17,190 --> 00:52:12,940

experience and so first thing I ask

997

00:52:19,650 --> 00:52:17,200

every time is tell me about your life at

998

00:52:22,050 --> 00:52:19,660

that point when it first started

999

00:52:24,510 --> 00:52:22,060

happening what was going on with you

1000

00:52:26,880 --> 00:52:24,520

what was going on with your life and

1001
00:52:30,450 --> 00:52:26,890
your family just tell me where you were

1002
00:52:34,290 --> 00:52:30,460
when it first started and nearly every

1003
00:52:38,310 --> 00:52:34,300
time for the deception of one or two all

1004
00:52:41,460 --> 00:52:38,320
of them would tell me that they had a

1005
00:52:42,390 --> 00:52:41,470
loss of a loved one a mother a father a

1006
00:52:50,280 --> 00:52:42,400
child

1007
00:52:52,410 --> 00:52:50,290
lost a husband divorced sick cancer but

1008
00:52:54,720 --> 00:52:52,420
nearly every one of them will always

1009
00:52:59,640 --> 00:52:54,730
start out by saying they were at the

1010
00:53:02,910 --> 00:52:59,650
bottom and they were in suffering or in

1011
00:53:05,820 --> 00:53:02,920
need of crying out and spirit and that's

1012
00:53:07,380 --> 00:53:05,830
when it comes and it scares them to

1013
00:53:10,770 --> 00:53:07,390

death and they don't know what to react

1014

00:53:14,580 --> 00:53:10,780

to and then they listen to the UFO world

1015

00:53:16,950 --> 00:53:14,590

and as all this other stuff so it

1016

00:53:19,520 --> 00:53:16,960

confuses the heck out of everybody and

1017

00:53:22,260 --> 00:53:19,530

if I sit down and talk to these people

1018

00:53:25,770 --> 00:53:22,270

long enough and share my experience with

1019

00:53:28,610 --> 00:53:25,780

them and let them share you'll find out

1020

00:53:31,440 --> 00:53:28,620

all of them it came out of compassion

1021

00:53:34,980 --> 00:53:31,450

nearly all unless it was on the dark

1022

00:53:39,600 --> 00:53:34,990

side and that's its own monster I don't

1023

00:53:41,940 --> 00:53:39,610

want to delve into understood now one

1024

00:53:43,470 --> 00:53:41,950

researcher that I know it was met with

1025

00:53:46,410 --> 00:53:43,480

you directly and gone out and had

1026
00:53:47,760 --> 00:53:46,420
experiences with you as well and I've

1027
00:53:49,830 --> 00:53:47,770
been pretty public about it so I think

1028
00:53:51,660 --> 00:53:49,840
we can talk about him a little bit but

1029
00:53:55,050 --> 00:53:51,670
he's a favorite of everyone that

1030
00:53:58,620 --> 00:53:55,060
certainly had a wonderful run as all

1031
00:54:00,390 --> 00:53:58,630
this tts a organization was sort of

1032
00:54:01,930 --> 00:54:00,400
percolating into the public view and

1033
00:54:03,250 --> 00:54:01,940
that's great camera

1034
00:54:09,400 --> 00:54:03,260
can you talk about grant a little bit

1035
00:54:13,720 --> 00:54:09,410
yeah grant is my pal and always will be

1036
00:54:16,480 --> 00:54:13,730
I met grant I don't know 20 remember I

1037
00:54:19,000 --> 00:54:16,490
had this experience with the lady for

1038
00:54:22,120 --> 00:54:19,010

five years I wasn't taught just how this

1039

00:54:25,240 --> 00:54:22,130

thing's going five years from 2007 to

1040

00:54:27,040 --> 00:54:25,250

2012 I wouldn't speak I've just hated it

1041

00:54:29,950 --> 00:54:27,050

everybody Colin I wouldn't answer the

1042

00:54:34,000 --> 00:54:29,960

phone I had this experience with this

1043

00:54:37,510 --> 00:54:34,010

beautiful being and I'm very reluctant

1044

00:54:41,410 --> 00:54:37,520

to talk about the experiencing an entity

1045

00:54:44,500 --> 00:54:41,420

but I have I have video to prove this is

1046

00:54:50,490 --> 00:54:44,510

why I'm telling me not of her but of

1047

00:54:52,780 --> 00:54:50,500

other entities video walking so

1048

00:54:56,800 --> 00:54:52,790

immediately within two weeks I'd met

1049

00:54:59,230 --> 00:54:56,810

Diana and within three more weeks I got

1050

00:55:03,400 --> 00:54:59,240

an invitation to go to Philadelphia to a

1051

00:55:05,559 --> 00:55:03,410

big party out of the blue so I told

1052

00:55:08,349 --> 00:55:05,569

Diana so you want to go with me they'll

1053

00:55:12,970 --> 00:55:08,359

pay for it they did they would pay for

1054

00:55:15,400 --> 00:55:12,980

ten people to get me to come but sure

1055

00:55:20,440 --> 00:55:15,410

enough she went my wife Yvonne went and

1056

00:55:30,940 --> 00:55:20,450

I met the folks there and from that

1057

00:55:32,410 --> 00:55:30,950

point on it all changed well you'd

1058

00:55:34,420 --> 00:55:32,420

mentioned the party and I'm kind of

1059

00:55:35,500 --> 00:55:34,430

curious about that because I I live not

1060

00:55:37,930 --> 00:55:35,510

too far from there

1061

00:55:39,760 --> 00:55:37,940

Larry Priscilla was the the guy who

1062

00:55:41,349 --> 00:55:39,770

threw the party he's not really a

1063

00:55:43,540 --> 00:55:41,359

government insider I think he could

1064

00:55:45,849 --> 00:55:43,550

probably talk about him a little bit

1065

00:55:47,620 --> 00:55:45,859

he's a very interesting guy and that you

1066

00:55:50,200 --> 00:55:47,630

know he's that made a boatload of cash

1067

00:55:52,089 --> 00:55:50,210

in the finance industry and he's

1068

00:55:54,640 --> 00:55:52,099

pursuing his interest in UFOs

1069

00:55:56,170 --> 00:55:54,650

he keeps kind of a low profile I think

1070

00:55:57,940 --> 00:55:56,180

he might have been involved in that

1071

00:56:00,040 --> 00:55:57,950

might be involved in that financing

1072

00:56:02,950 --> 00:56:00,050

James Fox's new documentary that's

1073

00:56:05,380 --> 00:56:02,960

coming out sometime I guess within the

1074

00:56:07,960 --> 00:56:05,390

next year or so but that Larry's a

1075

00:56:09,309 --> 00:56:07,970

pretty interesting guy and I would guess

1076
00:56:11,349 --> 00:56:09,319
he's one of the more interesting folks

1077
00:56:12,290 --> 00:56:11,359
he crossed paths with can you tell the

1078
00:56:17,450 --> 00:56:12,300
folks a little bit about

1079
00:56:20,270 --> 00:56:17,460
very well you pretty much summed him up

1080
00:56:24,890 --> 00:56:20,280
there Larry is still a great friend of

1081
00:56:27,560 --> 00:56:24,900
mine I can say after that party I never

1082
00:56:29,180 --> 00:56:27,570
met him there he met my wife walked up

1083
00:56:33,230 --> 00:56:29,190
to her and said why did you give him so

1084
00:56:34,970 --> 00:56:33,240
much trouble not believing him so but I

1085
00:56:38,170 --> 00:56:34,980
know he had so many people there we

1086
00:56:41,120 --> 00:56:38,180
never met the party went and I left and

1087
00:56:43,940 --> 00:56:41,130
he calls me back but let's go back to

1088
00:56:47,960 --> 00:56:43,950

grant Cameron this is where a minute of

1089

00:56:51,460 --> 00:56:47,970

this medication I take is biological and

1090

00:56:56,090 --> 00:56:51,470

mean therapy and it's mrs. with my

1091

00:56:59,240 --> 00:56:56,100

short-term memory sometimes but grant

1092

00:57:04,300 --> 00:56:59,250

when I got off the plane for Larry's

1093

00:57:06,560 --> 00:57:04,310

event and this was a really fancy

1094

00:57:10,210 --> 00:57:06,570

\$250,000 party with like a hundred

1095

00:57:13,010 --> 00:57:10,220

people invited it was that exquisite and

1096

00:57:15,440 --> 00:57:13,020

when I got off the plane there were

1097

00:57:18,050 --> 00:57:15,450

people there were signs led my wife and

1098

00:57:20,900 --> 00:57:18,060

I and doctor saw fit to this bus to get

1099

00:57:24,200 --> 00:57:20,910

on this bus i sat down right beside this

1100

00:57:26,570 --> 00:57:24,210

this guy I reached over and I took his

1101
00:57:30,050 --> 00:57:26,580
hand said I killed him my name and said

1102
00:57:32,090 --> 00:57:30,060
hi I'm grant camera and so I met him on

1103
00:57:34,760 --> 00:57:32,100
the way to Larry's the very first day

1104
00:57:39,980 --> 00:57:34,770
getting off the plane and Philadelphia

1105
00:57:42,650 --> 00:57:39,990
Airport and after that grant after the

1106
00:57:45,650 --> 00:57:42,660
party during the party grant asked if he

1107
00:57:48,670 --> 00:57:45,660
could come by and visit with me that he

1108
00:57:50,840 --> 00:57:48,680
would be at this congress thing in in

1109
00:57:56,360 --> 00:57:50,850
washington when they had this congress

1110
00:57:58,160 --> 00:57:56,370
congressional thing right he said I'll

1111
00:58:01,490 --> 00:57:58,170
be leaving there and going to the

1112
00:58:02,030 --> 00:58:01,500
Florida to another conference so I said

1113
00:58:05,960 --> 00:58:02,040

sure

1114

00:58:12,530 --> 00:58:05,970

so he calls me he stops by stays two

1115

00:58:14,000 --> 00:58:12,540

days and we had a great nothing and I

1116

00:58:16,760 --> 00:58:14,010

knew what was going on but I didn't want

1117

00:58:19,850 --> 00:58:16,770

to you know impress this on Brantley oh

1118

00:58:22,610 --> 00:58:19,860

that was nuts or something so two days

1119

00:58:26,390 --> 00:58:22,620

went by nothing goes on third day I mean

1120

00:58:27,799 --> 00:58:26,400

the next week or three or four days

1121

00:58:30,349 --> 00:58:27,809

later grant calls me and said I'm coming

1122

00:58:32,630 --> 00:58:30,359

back from Florida going back to Canada

1123

00:58:34,760 --> 00:58:32,640

can I you mind if I stop by again I want

1124

00:58:38,269 --> 00:58:34,770

to see this burning tree want to get

1125

00:58:41,240 --> 00:58:38,279

some pictures of it missus sure so when

1126

00:58:43,400 --> 00:58:41,250

he comes back from Florida and I'm

1127

00:58:46,160 --> 00:58:43,410

waiting outside my children are there

1128

00:58:50,359 --> 00:58:46,170

and they're half a dozen friends of

1129

00:58:52,670 --> 00:58:50,369

theirs all total grant parks at the back

1130

00:58:53,120 --> 00:58:52,680

door you can drive along the side of my

1131

00:58:54,859 --> 00:58:53,130

house

1132

00:58:57,200 --> 00:58:54,869

to the back patio and I was waiting on

1133

00:58:58,819 --> 00:58:57,210

him to pull up and park here and so he

1134

00:59:01,730 --> 00:58:58,829

gets out of the car it's late afternoon

1135

00:59:03,410 --> 00:59:01,740

we walked straight out about 100 yards

1136

00:59:06,230 --> 00:59:03,420

out in the back of the property to this

1137

00:59:09,769 --> 00:59:06,240

burning tree he's taking this tree that

1138

00:59:13,609 --> 00:59:09,779

caught fire caught fire on its own three

1139

00:59:16,910 --> 00:59:13,619

times so as he's taking pictures my

1140

00:59:18,950 --> 00:59:16,920

Labrador Nelly was laying around our

1141

00:59:22,819 --> 00:59:18,960

feet follows me everywhere I go

1142

00:59:26,029 --> 00:59:22,829

she's dead man got run over by a car and

1143

00:59:30,410 --> 00:59:26,039

that's pretty amazing the flora got

1144

00:59:34,579 --> 00:59:30,420

pictures of her after her death and it's

1145

00:59:38,180 --> 00:59:34,589

no denying so grant grant takes all

1146

00:59:40,880 --> 00:59:38,190

these photos and here comes Nellie grant

1147

00:59:43,130 --> 00:59:40,890

now back to the house walking we get up

1148

00:59:45,349 --> 00:59:43,140

to the back door to the patio and all

1149

00:59:47,210 --> 00:59:45,359

the kids are there so we stopped and

1150

00:59:51,980 --> 00:59:47,220

we're talking to them Nellie's laying on

1151

00:59:54,140 --> 00:59:51,990

the ground beside us finally said grant

1152

00:59:56,599 --> 00:59:54,150

you want to get your bags go in use the

1153

00:59:59,059 --> 00:59:56,609

restroom or anything and gonna stay a

1154

01:00:03,799 --> 00:59:59,069

couple days and he's like yes so he

1155

01:00:06,470 --> 01:00:03,809

turns to go towards the back door which

1156

01:00:07,309 --> 01:00:06,480

is 20 feet away or less and he's in

1157

01:00:09,440 --> 01:00:07,319

front of me

1158

01:00:12,109 --> 01:00:09,450

Nellie is laying on the ground beside

1159

01:00:14,599 --> 01:00:12,119

him something happened paranormal

1160

01:00:20,089 --> 01:00:14,609

because all we can say for this gulp

1161

01:00:27,760 --> 01:00:20,099

when she stands up something and we

1162

01:00:30,200 --> 01:00:27,770

believe it was just for something to

1163

01:00:32,089 --> 01:00:30,210

tell me something let's just say that

1164

01:00:36,440 --> 01:00:32,099

this is what the people involved said it

1165

01:00:37,970 --> 01:00:36,450

was all a message for you so when Nellie

1166

01:00:40,580 --> 01:00:37,980

stands up and walk

1167

01:00:43,220 --> 01:00:40,590

the grant turns and walks to the door

1168

01:00:45,349 --> 01:00:43,230

Nelly stands up and tries to go by grant

1169

01:00:47,060 --> 01:00:45,359

and beat him to the door you know dogs

1170

01:00:51,140 --> 01:00:47,070

are one of Russians when I being going

1171

01:00:52,940 --> 01:00:51,150

oh well the minute she did that we don't

1172

01:00:56,390 --> 01:00:52,950

know what happened but all of a sudden

1173

01:01:00,250 --> 01:00:56,400

she's her neck on the side of right side

1174

01:01:03,320 --> 01:01:00,260

of her neck a hole appeared the size of

1175

01:01:06,980 --> 01:01:03,330

Inchon inch and a half hole right across

1176

01:01:10,790 --> 01:01:06,990

her blood vein jugular vein and blood

1177

01:01:13,820 --> 01:01:10,800

was shooting out of her neck everywhere

1178

01:01:17,450 --> 01:01:13,830

it went by grant got blood all over his

1179

01:01:19,640 --> 01:01:17,460

jeans and shoes the patio she ran in the

1180

01:01:21,440 --> 01:01:19,650

back door and I'm panicking I ran in

1181

01:01:24,020 --> 01:01:21,450

behind her and tackled her on the

1182

01:01:26,900 --> 01:01:24,030

hardwood floor blood slipping and

1183

01:01:28,730 --> 01:01:26,910

sliding I pick her up in my arms I take

1184

01:01:30,950 --> 01:01:28,740

her back outside and layer on the patio

1185

01:01:33,290 --> 01:01:30,960

and I'm looking at grants eyes or big as

1186

01:01:36,230 --> 01:01:33,300

saucers he didn't know what to think we

1187

01:01:38,420 --> 01:01:36,240

couldn't figure it out and I'm oh my god

1188

01:01:39,950 --> 01:01:38,430

she's gonna die I can't call an

1189

01:01:41,530 --> 01:01:39,960

ambulance I was going through all this

1190

01:01:44,750 --> 01:01:41,540

stuff what do we do

1191

01:01:47,420 --> 01:01:44,760

and I shouted for my sauces I go get me

1192

01:01:50,120 --> 01:01:47,430

a towel something because I always

1193

01:01:53,000 --> 01:01:50,130

thought you need to put compression well

1194

01:01:55,070 --> 01:01:53,010

I had my hand on her wound on her neck

1195

01:01:57,380 --> 01:01:55,080

and blood every time her heart would

1196

01:01:59,210 --> 01:01:57,390

beat blood would come up bubbling up

1197

01:02:00,770 --> 01:01:59,220

three months piercing stuff and grants

1198

01:02:04,070 --> 01:02:00,780

looking at me and looking at this

1199

01:02:06,320 --> 01:02:04,080

happening and so I just kind of cried

1200

01:02:09,440 --> 01:02:06,330

out Lord what do I do and all of a

1201
01:02:12,970 --> 01:02:09,450
sudden this feeling came over me and the

1202
01:02:16,070 --> 01:02:12,980
dog relaxed just instead of it being

1203
01:02:18,680 --> 01:02:16,080
tensed up and and everything she just

1204
01:02:20,810 --> 01:02:18,690
kind of relaxed and I felt it when I

1205
01:02:23,000 --> 01:02:20,820
picked my hand up there was no more cut

1206
01:02:29,450 --> 01:02:23,010
there was no blood there was no hole

1207
01:02:31,370 --> 01:02:29,460
there was nothing and so that's kind of

1208
01:02:34,790 --> 01:02:31,380
a short story of what happened with the

1209
01:02:37,580 --> 01:02:34,800
accounter with Grant and I and these

1210
01:02:40,370 --> 01:02:37,590
friends from Florida and other places

1211
01:02:43,490 --> 01:02:40,380
caught wind of that and said oh my this

1212
01:02:46,580 --> 01:02:43,500
was a sign for you so that put me on a

1213
01:02:48,740 --> 01:02:46,590

path for the next since then working

1214

01:02:51,930 --> 01:02:48,750

with people trying to help sick people

1215

01:02:54,780 --> 01:02:51,940

and there's been some

1216

01:02:59,550 --> 01:02:54,790

success I have to say I have people that

1217

01:03:02,070 --> 01:02:59,560

were I just can't use name but there

1218

01:03:05,960 --> 01:03:02,080

were people that were sick that had

1219

01:03:09,870 --> 01:03:05,970

miracles one lady think I shared was

1220

01:03:11,310 --> 01:03:09,880

chant that the she was in a coma and

1221

01:03:15,570 --> 01:03:11,320

they didn't think she would make it

1222

01:03:17,910 --> 01:03:15,580

until the next morning and one of the

1223

01:03:20,600 --> 01:03:17,920

ladies called me there and panic her

1224

01:03:24,330 --> 01:03:20,610

best friend was in a coma dying and

1225

01:03:28,230 --> 01:03:24,340

asked me would do what I could and I

1226

01:03:30,780 --> 01:03:28,240

just cried out to be beans same ones

1227

01:03:32,520 --> 01:03:30,790

that took microns away the same ones

1228

01:03:34,500 --> 01:03:32,530

that appear in the sky when I walk out

1229

01:03:37,860 --> 01:03:34,510

the door to skylight up and they started

1230

01:03:39,690 --> 01:03:37,870

doing about orbs but when I say orbs

1231

01:03:43,260 --> 01:03:39,700

we're talking you at those big as a

1232

01:03:45,480 --> 01:03:43,270

school bus some of these and just

1233

01:03:47,730 --> 01:03:45,490

crisscross the skies some of them fly up

1234

01:03:50,820 --> 01:03:47,740

like the one over Easter within 25 feet

1235

01:03:53,280 --> 01:03:50,830

and slop comes out of the sky so anyhow

1236

01:03:55,680 --> 01:03:53,290

I asked these words to help this lady

1237

01:03:57,960 --> 01:03:55,690

don't know her from anything next day I

1238

01:04:02,250 --> 01:03:57,970

get a call and she woke up out of her

1239

01:04:03,810 --> 01:04:02,260

coma and another day she was home the

1240

01:04:08,820 --> 01:04:03,820

doctor said it was a miracle

1241

01:04:13,290 --> 01:04:08,830

so was it me no did it come because I

1242

01:04:19,500 --> 01:04:13,300

asked I think it might have I don't take

1243

01:04:21,390 --> 01:04:19,510

any any I don't nothing is about me

1244

01:04:24,780 --> 01:04:21,400

understand it's not about me it's about

1245

01:04:29,400 --> 01:04:24,790

a connection to something very special

1246

01:04:32,040 --> 01:04:29,410

that hears everything we say think and

1247

01:04:34,320 --> 01:04:32,050

do it knows what you think before you

1248

01:04:36,360 --> 01:04:34,330

can think it and if you can't get a

1249

01:04:39,180 --> 01:04:36,370

picture of it because it won't let you

1250

01:04:41,490 --> 01:04:39,190

if you don't get a video it's because it

1251

01:04:44,370 --> 01:04:41,500

won't let a lot of the videos you see

1252

01:04:47,550 --> 01:04:44,380

out there just satellites and stuff sure

1253

01:04:51,870 --> 01:04:47,560

but if you want to if you it's got to

1254

01:04:55,500 --> 01:04:51,880

let you if this to be seen public that's

1255

01:04:57,750 --> 01:04:55,510

I know this to be true but that's about

1256

01:05:00,870 --> 01:04:57,760

all I can say there but there's people

1257

01:05:04,320 --> 01:05:00,880

from Washington DC and other places that

1258

01:05:05,410 --> 01:05:04,330

had called and blow me out to help

1259

01:05:09,099 --> 01:05:05,420

children and if

1260

01:05:12,460 --> 01:05:09,109

things and so all this is totally

1261

01:05:14,380 --> 01:05:12,470

unknown by most of the whole beautiful

1262

01:05:18,370 --> 01:05:14,390

world because I've not been out seeking

1263

01:05:19,809 --> 01:05:18,380

a recognition not it's not about me I'm

1264

01:05:22,359 --> 01:05:19,819

not trying to sell books

1265

01:05:25,030 --> 01:05:22,369

and and I'll write a book eventually and

1266

01:05:28,839 --> 01:05:25,040

when I do I'm no more confident about

1267

01:05:31,539 --> 01:05:28,849

what is going on because to say you know

1268

01:05:35,680 --> 01:05:31,549

what's going on the people I deal with

1269

01:05:40,390 --> 01:05:35,690

just rolls their eyes so complex in it

1270

01:05:43,260 --> 01:05:40,400

so there's nobody really knows me but I

1271

01:05:49,210 --> 01:05:43,270

do know it works off of compassion

1272

01:05:55,539 --> 01:05:49,220

vibration our senses it's listening to

1273

01:05:58,000 --> 01:05:55,549

us observing us watching us 24/7 now I'm

1274

01:06:00,940 --> 01:05:58,010

more recently within the last couple of

1275

01:06:03,250 --> 01:06:00,950

months the string physicist Michio Kaku

1276

01:06:04,510 --> 01:06:03,260

had stated that it's really up to the

1277

01:06:06,700 --> 01:06:04,520

government at this point we've got

1278

01:06:09,190 --> 01:06:06,710

enough evidence it's up to their the

1279

01:06:12,359 --> 01:06:09,200

government at this point to come out and

1280

01:06:14,020 --> 01:06:12,369

prove that this phenomenon is not

1281

01:06:16,000 --> 01:06:14,030

extraterrestrial in nature and when I

1282

01:06:19,000 --> 01:06:16,010

say extraterrestrial I mean that in a

1283

01:06:21,400 --> 01:06:19,010

very broad sense you know it's not of

1284

01:06:26,049 --> 01:06:21,410

this place of time this planet in time

1285

01:06:28,030 --> 01:06:26,059

but regardless of all that how do you

1286

01:06:29,829 --> 01:06:28,040

feel about that do you think that the

1287

01:06:31,780 --> 01:06:29,839

science needs to get more involved in

1288

01:06:33,339 --> 01:06:31,790

this sort of thing and try to study it a

1289

01:06:36,700 --> 01:06:33,349

little bit better and they get a better

1290

01:06:39,130 --> 01:06:36,710

grip on it absolutely and that's one

1291

01:06:42,700 --> 01:06:39,140

reason Tom Tom is bringing this to the

1292

01:06:45,099 --> 01:06:42,710

world to try to get more involvement and

1293

01:06:46,930 --> 01:06:45,109

more acceptance and funding and of

1294

01:06:49,960 --> 01:06:46,940

course the military's saying it might be

1295

01:06:51,250 --> 01:06:49,970

hostile that's the military's thing

1296

01:06:54,579 --> 01:06:51,260

that's what they do they're gonna

1297

01:06:58,240 --> 01:06:54,589

protect us first so you know I don't see

1298

01:07:01,210 --> 01:06:58,250

anything there but I do know that it is

1299

01:07:03,099 --> 01:07:01,220

real they know it's real what it is we

1300

01:07:05,200 --> 01:07:03,109

don't know but we're trying to figure it

1301

01:07:10,420 --> 01:07:05,210

out and there are a lot of scientists

1302

01:07:13,390 --> 01:07:10,430

working on it have been but I think it's

1303

01:07:15,970 --> 01:07:13,400

a whole new world I think now it's going

1304

01:07:18,010 --> 01:07:15,980

to be the debate this looks like meat

1305

01:07:21,210 --> 01:07:18,020

you said it's not about is it

1306

01:07:23,710 --> 01:07:21,220

anymore that we're past that this about

1307

01:07:26,320 --> 01:07:23,720

water we're dealing with and I'm afraid

1308

01:07:30,990 --> 01:07:26,330

it's so complex we'll never figure that

1309

01:07:33,520 --> 01:07:31,000

it's dimensions other dimensions layer

1310

01:07:35,980 --> 01:07:33,530

has a very short lifespan

1311

01:07:38,830 --> 01:07:35,990

some animals ten years or less some

1312

01:07:43,230 --> 01:07:38,840

creatures a week humans about 50 or 60

1313

01:07:46,290 --> 01:07:43,240

years on average worldwide and then on

1314

01:07:48,580 --> 01:07:46,300

it's been going on for millions of years

1315

01:07:50,760 --> 01:07:48,590

humans have been on this planet for

1316

01:07:53,200 --> 01:07:50,770

millions and millions they find

1317

01:07:56,340 --> 01:07:53,210

artifacts hundreds of millions of years

1318

01:07:58,900 --> 01:07:56,350

old and you think they figured it out no

1319

01:07:59,580 --> 01:07:58,910

we're not the first and we won't be the

1320

01:08:02,770 --> 01:07:59,590

last

1321

01:08:04,660 --> 01:08:02,780

that Dunkley oh sorry ki keep going

1322

01:08:06,820 --> 01:08:04,670

sorry about that I was just saying I

1323

01:08:09,550 --> 01:08:06,830

think if these beings are what creates a

1324

01:08:13,080 --> 01:08:09,560

song what keeps us in check or keeps

1325

01:08:15,430 --> 01:08:13,090

like evolving it didn't happen by chance

1326

01:08:19,079 --> 01:08:15,440

anybody did think setting these their

1327

01:08:23,829 --> 01:08:19,089

head examined too complex like this

1328

01:08:27,579 --> 01:08:23,839

can't get a chicken from a dinosaur or a

1329

01:08:30,340 --> 01:08:27,589

human from an elephant or vice versa it

1330

01:08:33,730 --> 01:08:30,350

don't work that way and for them to tell

1331

01:08:36,250 --> 01:08:33,740

us that it's totally wrong so I think

1332

01:08:42,579 --> 01:08:36,260

you'll see all that disappear this

1333

01:08:44,590 --> 01:08:42,589

evolution thing and be more about of

1334

01:08:49,539 --> 01:08:44,600

course in some scientists might argue

1335

01:08:52,030 --> 01:08:49,549

that that's okay I still believe there's

1336

01:08:54,430 --> 01:08:52,040

a creator I still believe that something

1337

01:08:57,789 --> 01:08:54,440

created at all and that it's all a

1338

01:09:00,190 --> 01:08:57,799

simulation more or less that the real

1339

01:09:02,140 --> 01:09:00,200

world is the eternal world around us and

1340

01:09:06,130 --> 01:09:02,150

we're in a simulation that's more about

1341

01:09:08,079 --> 01:09:06,140

what I believe that and we're in a place

1342

01:09:11,920 --> 01:09:08,089

where everything eats itself we eat

1343

01:09:14,680 --> 01:09:11,930

animals and animals eat us and it's just

1344

01:09:16,570 --> 01:09:14,690

a terrible if you if you were in a video

1345

01:09:19,210 --> 01:09:16,580

game and you had to pick the world you

1346

01:09:22,539 --> 01:09:19,220

wanted to believe in or being or being

1347

01:09:26,980 --> 01:09:22,549

part of this wasn't a really nice one to

1348

01:09:31,329 --> 01:09:26,990

be the suffering the amount of suffering

1349

01:09:34,120 --> 01:09:31,339

is ungodly millions died and stars and

1350

01:09:36,999 --> 01:09:34,130

butcher you know the Americans have it

1351

01:09:40,660 --> 01:09:37,009

may but for the most part it's a pretty

1352

01:09:44,050 --> 01:09:40,670

cruel world so it's awful life you know

1353

01:09:45,789 --> 01:09:44,060

yeah that's right I mean even even if

1354

01:09:47,800 --> 01:09:45,799

you don't eat meat I mean beds to what

1355

01:09:51,550 --> 01:09:47,810

you have plant life is alive so you know

1356

01:09:53,709 --> 01:09:51,560

yeah exactly so all right well now that

1357

01:09:55,180 --> 01:09:53,719

to wrap up I you know I really

1358

01:09:56,859 --> 01:09:55,190

appreciate you coming on and they're

1359

01:09:58,990 --> 01:09:56,869

spending it I don't know how things are

1360

01:10:01,330 --> 01:09:59,000

I down in North Carolina today but it's

1361

01:10:03,010 --> 01:10:01,340

a beautiful day here and we don't want

1362

01:10:04,540 --> 01:10:03,020

to keep everybody inside listening and

1363

01:10:05,680 --> 01:10:04,550

get outside and enjoy the day I don't

1364

01:10:09,669 --> 01:10:05,690

know how the weather is down there but

1365

01:10:12,040 --> 01:10:09,679

it's beautiful here but uh for the folks

1366

01:10:13,899 --> 01:10:12,050

at home you've got some insight into all

1367

01:10:17,379 --> 01:10:13,909

this where do you think we're gonna be

1368

01:10:19,899 --> 01:10:17,389

with all this say in another six months

1369

01:10:21,280 --> 01:10:19,909

twelve months so do you think we're

1370

01:10:23,109 --> 01:10:21,290

gonna be much further ahead than where

1371

01:10:26,830 --> 01:10:23,119

we're at an hour we're gonna keep

1372

01:10:29,050 --> 01:10:26,840

getting these really significant bits of

1373

01:10:33,609 --> 01:10:29,060

information drop what do you see coming

1374

01:10:35,800 --> 01:10:33,619

up over the next several months they're

1375

01:10:37,570 --> 01:10:35,810

not gonna be any disclosure because I

1376

01:10:39,820 --> 01:10:37,580

mean what are we going to disclose other

1377

01:10:42,070 --> 01:10:39,830

than anything significant I think you'll

1378

01:10:44,410 --> 01:10:42,080

have it now most from here in there and

1379

01:10:49,390 --> 01:10:44,420

tom has some pretty amazing stuff coming

1380

01:10:52,359 --> 01:10:49,400

up put us all a work in progress it's

1381

01:10:59,669 --> 01:10:52,369

just but yeah we're getting there

1382

01:11:02,410 --> 01:10:59,679

getting closer to I would say mainstream

1383

01:11:06,339 --> 01:11:02,420

understanding that there is something

1384

01:11:10,419 --> 01:11:06,349

out there I know that's that's a whole

1385

01:11:12,669 --> 01:11:10,429

another story walk honey and you

1386

01:11:15,850 --> 01:11:12,679

basically think that the increased

1387

01:11:18,790 --> 01:11:15,860

public acceptance as a result of to the

1388

01:11:20,410 --> 01:11:18,800

Stars Academy and the cattle I mean I'm

1389

01:11:23,200 --> 01:11:20,420

assuming you you think that's generally

1390

01:11:25,209 --> 01:11:23,210

a positive absolutely I do

1391

01:11:27,430 --> 01:11:25,219

we've never learned what we're dealing

1392

01:11:31,000 --> 01:11:27,440

with or bring attention to it it was big

1393

01:11:34,810 --> 01:11:31,010

talk I'm still on where would we be

1394

01:11:37,600 --> 01:11:34,820

without about two stars today would

1395

01:11:42,310 --> 01:11:37,610

still be fighting over are the

1396

01:11:49,640 --> 01:11:46,640

but this tom has brought a lot too front

1397

01:11:54,050 --> 01:11:49,650

and center and he deserves recognition

1398

01:11:54,709 --> 01:11:54,060

for I truly say that it's made my life

1399

01:11:56,840 --> 01:11:54,719

better

1400

01:12:00,379 --> 01:11:56,850

this made the people around me more

1401

01:12:01,310 --> 01:12:00,389

accepting less ridicule I thank them for

1402

01:12:04,520 --> 01:12:01,320

that

1403

01:12:09,080 --> 01:12:04,530

now people come up to me and like man

1404

01:12:13,580 --> 01:12:09,090

you're yeah they won't apologize a lot

1405

01:12:18,470 --> 01:12:13,590

of people so that's the positive thing

1406

01:12:21,649 --> 01:12:18,480

that's coming and it's just a whole new

1407

01:12:25,090 --> 01:12:21,659

world and I think as people become more

1408

01:12:33,520 --> 01:12:25,100

aware of this it becomes more aware of

1409

01:12:36,740 --> 01:12:33,530

us and will begin to appear more likely

1410

01:12:40,010 --> 01:12:36,750

an old friend from Cape Canaveral told

1411

01:12:43,729 --> 01:12:40,020

me because I asked him I says sir why is

1412

01:12:46,790 --> 01:12:43,739

it when I go to visit people a group say

1413

01:12:50,209 --> 01:12:46,800

and I do a lot of group meetings with a

1414

01:12:52,189 --> 01:12:50,219

little group of ladies that has a sick

1415

01:12:54,169 --> 01:12:52,199

friend that calls me would you come

1416

01:12:56,870 --> 01:12:54,179

Saturday night two hours from here

1417

01:13:01,280 --> 01:12:56,880

they'll fix dinner and then cake and

1418

01:13:02,899 --> 01:13:01,290

coffee and we'll hook this friend gets a

1419

01:13:05,780 --> 01:13:02,909

blessing we're just sharing the story

1420

01:13:07,729 --> 01:13:05,790

and then all of a sudden I go home and

1421

01:13:09,800 --> 01:13:07,739

they call me oh my god we got pictures

1422

01:13:13,060 --> 01:13:09,810

of this UFO that appeared in the sky

1423

01:13:16,729 --> 01:13:13,070

over my driveway or this or that just

1424

01:13:19,820 --> 01:13:16,739

people are skinning and my friend from

1425

01:13:22,879 --> 01:13:19,830

down there told me with NASA he said was

1426

01:13:28,459 --> 01:13:22,889

because there's a switch in our brain

1427

01:13:30,950 --> 01:13:28,469

like a truth which once you a person

1428

01:13:34,040 --> 01:13:30,960

really believes you instead of doubting

1429

01:13:37,760 --> 01:13:34,050

it they'll stop and and start to believe

1430

01:13:41,120 --> 01:13:37,770

that and understand then it opens the

1431

01:13:42,890 --> 01:13:41,130

door to experience and but if you

1432

01:13:45,919 --> 01:13:42,900

totally reject it and you're negative

1433

01:13:48,470 --> 01:13:45,929

and closed-minded you never see it I

1434

01:13:50,959 --> 01:13:48,480

promise you I can bring people here that

1435

01:13:52,230 --> 01:13:50,969

are negative to my houses or not then

1436

01:13:54,780 --> 01:13:52,240

nothing will appear

1437

01:14:00,390 --> 01:13:54,790

but if they come here with excitement

1438

01:14:01,980 --> 01:14:00,400

and knowing that it is real that they

1439

01:14:05,730 --> 01:14:01,990

just want to see it well then it will

1440

01:14:08,310 --> 01:14:05,740

appear most likely and it does often I

1441

01:14:11,330 --> 01:14:08,320

mean a good friend of mine Vincent Jenna

1442

01:14:14,730 --> 01:14:11,340

he's I met him

1443

01:14:18,510 --> 01:14:14,740

George Noory in Vegas last year he lives

1444

01:14:20,880 --> 01:14:18,520

in Raleigh he comes to visit and we walk

1445

01:14:23,370 --> 01:14:20,890

out the door and seven different objects

1446

01:14:27,120 --> 01:14:23,380

appeared I mean immediately and went

1447

01:14:30,870 --> 01:14:27,130

zooming about in the sky and so but he's

1448

01:14:35,820 --> 01:14:30,880

the kind the person that is not denying

1449

01:14:40,470 --> 01:14:35,830

it and it's not you know a skeptic he

1450

01:14:41,790 --> 01:14:40,480

was open to it see don't it appear if it

1451

01:14:48,570 --> 01:14:41,800

doesn't just keep trying

1452

01:14:51,060 --> 01:14:48,580

oh one last question for you Chris at

1453

01:14:54,660 --> 01:14:51,070

the root of this all are we do have this

1454

01:14:57,420 --> 01:14:54,670

phenomenon and it is ambiguous it is

1455

01:15:00,000 --> 01:14:57,430

curious it doesn't manifest itself

1456

01:15:00,570 --> 01:15:00,010

before everyone it kind of picks its

1457

01:15:02,310 --> 01:15:00,580

spots

1458

01:15:05,730 --> 01:15:02,320

do you have any thoughts about that

1459

01:15:07,320 --> 01:15:05,740

because this this whole phenomenon this

1460

01:15:09,840 --> 01:15:07,330

whole mystery could be cleared up at a

1461

01:15:11,580 --> 01:15:09,850

heartbeat by those who are behind it

1462

01:15:13,380 --> 01:15:11,590

those are really behind it I mean not

1463

01:15:15,060 --> 01:15:13,390

that not the government or the military

1464

01:15:17,610 --> 01:15:15,070

you might be able to gather some data

1465

01:15:20,220 --> 01:15:17,620

here and there I think it easily instead

1466

01:15:22,560 --> 01:15:20,230

of appearing before you in North

1467

01:15:25,050 --> 01:15:22,570

Carolina you know and you mentioned that

1468

01:15:27,150 --> 01:15:25,060

you live in kind of a rural area they

1469

01:15:28,740 --> 01:15:27,160

could easily do it there over a football

1470

01:15:31,110 --> 01:15:28,750

stadium with a hundred thousand people

1471

01:15:33,450 --> 01:15:31,120

yet they choose not to have you have any

1472

01:15:36,560 --> 01:15:33,460

thoughts on that why yeah why they why

1473

01:15:42,300 --> 01:15:36,570

they have this protocol this technique

1474

01:15:45,960 --> 01:15:42,310

yeah because well I think I do I look at

1475

01:15:47,460 --> 01:15:45,970

this thing and and a lot of people

1476

01:15:50,490 --> 01:15:47,470

criticize me because it they think

1477

01:15:52,860 --> 01:15:50,500

honestly believe I'm some sort of

1478

01:15:56,980 --> 01:15:52,870

religious fanatic or that I'm selling

1479

01:16:03,020 --> 01:15:59,870

it couldn't be further from the truth

1480

01:16:04,850 --> 01:16:03,030

I have been searching 10 or 12 years but

1481

01:16:08,240 --> 01:16:04,860

does it mean I don't have that

1482

01:16:13,850 --> 01:16:08,250

foundation that you know I'm believe in

1483

01:16:16,340 --> 01:16:13,860

something greater but I believe it's

1484

01:16:19,280 --> 01:16:16,350

about good versus evil light versus dark

1485

01:16:21,770 --> 01:16:19,290

negative and positive dislike about a

1486

01:16:22,880 --> 01:16:21,780

battery a car battery this earth is just

1487

01:16:26,480 --> 01:16:22,890

a dial

1488

01:16:28,850 --> 01:16:26,490

Gothel is creating electricity and we're

1489

01:16:31,310 --> 01:16:28,860

swimming in electricity I can scrub my

1490

01:16:34,460 --> 01:16:31,320

feet on the floor and touch you and send

1491

01:16:38,630 --> 01:16:34,470

the positive shot and or you can receive

1492

01:16:41,150 --> 01:16:38,640

the other end of it so the system we

1493

01:16:44,210 --> 01:16:41,160

live in is based on polarity positive

1494

01:16:47,180 --> 01:16:44,220

and negative so whatever we're dealing

1495

01:16:49,400 --> 01:16:47,190

with is based the same there may be

1496

01:16:51,980 --> 01:16:49,410

other things out there that we're just

1497

01:16:54,760 --> 01:16:51,990

not aware of that's coming here too

1498

01:16:59,030 --> 01:16:54,770

but there's still that good versus bad

1499

01:17:01,850 --> 01:16:59,040

you do wrong there are entities around

1500

01:17:05,270 --> 01:17:01,860

us that can infect your mind and make

1501
01:17:08,300 --> 01:17:05,280
you miserable and lose your lose make

1502
01:17:10,220 --> 01:17:08,310
you go out and do bad things still ill

1503
01:17:12,770 --> 01:17:10,230
all kinds of things and to say it

1504
01:17:16,930 --> 01:17:12,780
doesn't happen is very false I can tell

1505
01:17:19,840 --> 01:17:16,940
you it's real and there's proof to it I

1506
01:17:23,330 --> 01:17:19,850
have a friend that's a annexed priest

1507
01:17:25,670 --> 01:17:23,340
that works on the disc see scroll

1508
01:17:28,130 --> 01:17:25,680
projects and he has videos when he was

1509
01:17:32,930 --> 01:17:28,140
doing exorcisms of some crazy stuff that

1510
01:17:37,430 --> 01:17:32,940
would make your skin's hair stand up but

1511
01:17:40,880 --> 01:17:37,440
I don't know Frank I don't want to label

1512
01:17:43,070 --> 01:17:40,890
anything because I'm not that I really

1513
01:17:47,060 --> 01:17:43,080

believe it's worth it's about good

1514

01:17:48,530 --> 01:17:47,070

versus evil light and dark and a mix in

1515

01:17:51,200 --> 01:17:48,540

between who knows

1516

01:17:53,060 --> 01:17:51,210

we've studying it just like everybody

1517

01:17:57,200 --> 01:17:53,070

else and I study it with a lot of

1518

01:17:58,940 --> 01:17:57,210

scientists and very smart people and a

1519

01:18:01,820 --> 01:17:58,950

lot of times they're expecting me to

1520

01:18:03,530 --> 01:18:01,830

tell them and I'm expecting them to tell

1521

01:18:06,980 --> 01:18:03,540

me and I haven't found anybody yet that

1522

01:18:08,560 --> 01:18:06,990

can tell me anything

1523

01:18:11,180 --> 01:18:08,570

[Music]

1524

01:18:14,330 --> 01:18:11,190

orbs a lot of these orbs I get pictures

1525

01:18:17,359 --> 01:18:14,340

of orbs photos and videos of orbs flying

1526

01:18:21,740 --> 01:18:17,369

around the yard some very close and in

1527

01:18:23,740 --> 01:18:21,750

those orbs are people animals some you

1528

01:18:26,270 --> 01:18:23,750

can see I'm looking at me and MIT them

1529

01:18:29,540 --> 01:18:26,280

and well who are they where the throng

1530

01:18:36,379 --> 01:18:29,550

is that the eternal world my dog is in

1531

01:18:39,560 --> 01:18:36,389

one of these orbs other animals so no I

1532

01:18:43,280 --> 01:18:39,570

mean to get off subject there's a lot

1533

01:18:46,879 --> 01:18:43,290

haha we can chair and maybe on another

1534

01:18:48,560 --> 01:18:46,889

innovation time yeah absolutely I sure

1535

01:18:50,629 --> 01:18:48,570

do appreciate you giving us this

1536

01:18:52,790 --> 01:18:50,639

exclusive here as here you're kind of

1537

01:18:54,800 --> 01:18:52,800

making your comeback and talking a

1538

01:18:56,540 --> 01:18:54,810

little bit more openly appreciate you

1539

01:18:59,560 --> 01:18:56,550

taking the time than that's spending out

1540

01:19:03,109 --> 01:18:59,570

your set a Sunday afternoon with us and

1541

01:19:04,820 --> 01:19:03,119

it was it was a blast I I'm so glad you

1542

01:19:07,129 --> 01:19:04,830

did this Chris I thank you so very much

1543

01:19:08,350 --> 01:19:07,139

well you're the first one in four or

1544

01:19:11,660 --> 01:19:08,360

five years

1545

01:19:13,070 --> 01:19:11,670

hahahahaha well yeah I know chant hooked

1546

01:19:15,260 --> 01:19:13,080

it up and that we were talking a couple

1547

01:19:17,359 --> 01:19:15,270

days ago but you know something came up

1548

01:19:18,919 --> 01:19:17,369

at the last minute but yeah I know

1549

01:19:21,379 --> 01:19:18,929

she'll be listening as soon as she gets

1550

01:19:23,450 --> 01:19:21,389

the chance and I hope everybody gives a

1551

01:19:25,430 --> 01:19:23,460

listen because it was a fascinating

1552

01:19:27,680 --> 01:19:25,440

interview you shared a lot of great

1553

01:19:30,500 --> 01:19:27,690

information and good luck to you and

1554

01:19:33,410 --> 01:19:30,510

these future projects regarding the TV

1555

01:19:36,410 --> 01:19:33,420

production and that frankly whatever you

1556

01:19:38,419 --> 01:19:36,420

decide to do you know I wish you the

1557

01:19:39,229 --> 01:19:38,429

best with it thanks so much I appreciate

1558

01:19:41,780 --> 01:19:39,239

it

1559

01:19:44,060 --> 01:19:41,790

Frank and 8chan couldn't be here but

1560

01:19:45,800 --> 01:19:44,070

understand yes she's here in spirit and

1561

01:19:49,339 --> 01:19:45,810

she hooked this up so thanks so much to

1562

01:19:51,260 --> 01:19:49,349

her and everybody obviously we've been

1563

01:19:52,939 --> 01:19:51,270

cutting back a little bit to maybe not

1564

01:19:54,500 --> 01:19:52,949

taking a five-year break we don't want

1565

01:19:56,089 --> 01:19:54,510

to go that long but we've been taking a

1566

01:19:58,070 --> 01:19:56,099

little bit of a break things have slowed

1567

01:20:01,490 --> 01:19:58,080

up a little bit that we've got that some

1568

01:20:03,649 --> 01:20:01,500

irons in the fire so the the rumors of

1569

01:20:06,459 --> 01:20:03,659

the show's demise has been greatly

1570

01:20:08,839 --> 01:20:06,469

exaggerated we'll be back with more and

1571

01:20:10,339 --> 01:20:08,849

everybody go out and enjoy your Sunday I

1572

01:20:11,709 --> 01:20:10,349

hope your weather is nice where you're

1573

01:20:13,629 --> 01:20:11,719

at where

1574

01:20:16,629 --> 01:20:13,639

it is here because it looks fantastic

1575

01:20:18,790 --> 01:20:16,639

outside thanks everybody you have a good
