UFONN
SUNDAY

1
00:01:01,000 --> 00:00:16,550

[Music]

2
00:01:07,340 --> 00:01:03,770

and good afternoon from Philadelphia

3
00:01:09,320 --> 00:01:07,350

Frank here with UFO News Network Sunday

4
00:01:11,420 --> 00:01:09,330

we've got a big show with a huge lineup

5
00:01:14,240 --> 00:01:11,430

for everybody we're gonna review the

6
00:01:16,399 --> 00:01:14,250

year to 2019

7
00:01:19,070 --> 00:01:16,409

as far as UFOs are concerned so let's

8
00:01:21,530 --> 00:01:19,080

get to it let me bring in my coach aunt

9
00:01:31,330 --> 00:01:21,540

Hannah I chant come on in and introduce

10
00:01:33,320 --> 00:01:31,340

our enormous panel for today's show dad

11
00:01:36,980 --> 00:01:33,330

sorry about that everybody I got

12
00:01:39,859 --> 00:01:36,990

abducted for a moment we have such a

13
00:01:41,600 --> 00:01:39,869

large panel on today if I miss you

14

00:01:43,940 --> 00:01:41,610

please go ahead and introduce yourself

15

00:01:45,169 --> 00:01:43,950

that's literally how large our panelists

16

00:01:49,580 --> 00:01:45,179

today so I'm going to go ahead and start

17

00:01:52,070 --> 00:01:49,590

off in no particular order we have

18

00:01:54,320 --> 00:01:52,080

Michael W also known as a paranormal

19

00:01:56,690 --> 00:01:54,330

lawyer he has been involved in the UFO

20

00:02:00,080 --> 00:01:56,700

topic for many decades and everybody

21

00:02:02,270 --> 00:02:00,090

looks to him for UFO news and the latest

22

00:02:04,339 --> 00:02:02,280

also from his UFO eye team they do in

23

00:02:05,449 --> 00:02:04,349

the field research we also have Steve

24

00:02:09,350 --> 00:02:05,459

Hudgens who's a director of

25

00:02:14,809 --> 00:02:09,360

Investigations for MUFON we have John

26

00:02:17,630 --> 00:02:14,819

Aldridge and Jan is the founder and

27

00:02:20,000 --> 00:02:17,640

coordinator of project 1947 a research

28

00:02:22,970 --> 00:02:20,010

project documenting UFO news accounts

29

00:02:25,220 --> 00:02:22,980

from sightings that occurred in 1947 we

30

00:02:28,550 --> 00:02:25,230

have Zen Benefiel he's an author coach

31

00:02:31,160 --> 00:02:28,560

educator facilitator with an MBA an MA

32

00:02:34,580 --> 00:02:31,170

in organizational management and curator

33

00:02:37,910 --> 00:02:34,590

for UFO GP RSS and blogger for UF ology

34

00:02:40,460 --> 00:02:37,920

press we have Shane herd investigator

35

00:02:43,339 --> 00:02:40,470

for Phoenix MUFON Stacey Wright

36

00:02:46,670 --> 00:02:43,349

assistant director of Phoenix MUFON and

37

00:02:52,550 --> 00:02:46,680

director of Phoenix MUFON Jim Mann with

38

00:02:54,140 --> 00:02:52,560

us we also have Earl Grey who was

39

00:02:56,600 --> 00:02:54,150

investigator for many years before

40

00:02:58,729 --> 00:02:56,610

Southern California MUFON is now the

41

00:02:59,420 --> 00:02:58,739

assistant director for Southern

42

00:03:01,369 --> 00:02:59,430

California

43

00:03:03,770 --> 00:03:01,379

MUFON I think there's maybe a few other

44

00:03:05,150 --> 00:03:03,780

positions possibly with star teens so

45

00:03:09,339 --> 00:03:05,160

early you'll have to update us on that

46

00:03:13,420 --> 00:03:09,349

and then let's see we have Ruben Uriarte

47

00:03:15,459 --> 00:03:13,430

as an author and has published really

48

00:03:16,869 --> 00:03:15,469

interesting findings regarding the UFO

49

00:03:18,699 --> 00:03:16,879

topic so he'll have to share a little

50

00:03:20,649 --> 00:03:18,709

bit more about his background with us

51

00:03:22,869 --> 00:03:20,659

and I'm trying to think if there's

52

00:03:24,879 --> 00:03:22,879

anybody else I know we will probably

53

00:03:26,890 --> 00:03:24,889

have Paul Dean later on in the show

54

00:03:29,229 --> 00:03:26,900

Steve Bassett said he'll be joining us

55

00:03:30,819 --> 00:03:29,239

in a little bit so it's gonna be a long

56

00:03:34,119 --> 00:03:30,829

show so we got plenty of time to add

57

00:03:34,740 --> 00:03:34,129

those folks dr. Scott is dr. Scott on

58

00:03:37,750 --> 00:03:34,750

board

59

00:03:39,489 --> 00:03:37,760

she is not but I've alerted her and

60

00:03:42,099 --> 00:03:39,499

hopefully she'll be joining us good we

61

00:03:44,229 --> 00:03:42,109

also have Michael panitch hello the

62

00:03:46,149 --> 00:03:44,239

director for a Connecticut MUFON who

63

00:03:47,379 --> 00:03:46,159

will be joining us he just texted me to

64

00:03:50,140 --> 00:03:47,389

let me know that he's going to be doing

65

00:03:53,110 --> 00:03:50,150

that in a bit we also have Russell as

66

00:03:56,289 --> 00:03:53,120

bill who is a vestigators for Phoenix

67

00:03:59,860 --> 00:03:56,299

MUFON and we have David Loomis and David

68

00:04:02,589 --> 00:03:59,870

is also he's with MUFON and I believe

69

00:04:06,610 --> 00:04:02,599

that he is the section director for Xolo

70

00:04:12,009 --> 00:04:06,620

MUFON is there anybody that I missed me

71

00:04:15,659 --> 00:04:12,019

and who is me Vallauris who is the

72

00:04:19,990 --> 00:04:15,669

creator and the director and owner of

73

00:04:21,460 --> 00:04:20,000

the alien autopsy movie and more so

74

00:04:26,560 --> 00:04:21,470

we'll go over that later

75

00:04:31,770 --> 00:04:26,570

so is there anyone else that's pretty

76
00:04:39,430 --> 00:04:35,920
good nice now when everybody comes on

77
00:04:41,740 --> 00:04:39,440
and if you're on with us please stay on

78
00:04:44,770 --> 00:04:41,750
audio because this is an audio only show

79
00:04:48,100 --> 00:04:44,780
do not go on video we want to know how

80
00:04:50,529 --> 00:04:48,110
do you feel the topic went regarding the

81
00:04:52,420 --> 00:04:50,539
UFO a topic that we all love to cover is

82
00:04:58,080 --> 00:04:52,430
there anything anybody would like to say

83
00:05:13,499 --> 00:05:00,670
every job everybody jump in at once

84
00:05:13,509 --> 00:05:22,379
okay that's break yes okay

85
00:05:30,309 --> 00:05:27,549
go ahead Brussels we're waiting oh okay

86
00:05:32,469 --> 00:05:30,319
yeah I didn't know if mine was when they

87
00:05:36,099 --> 00:05:32,479
was breaking up one thing I noticed

88
00:05:38,949 --> 00:05:36,109

about 2019 is the general public is

89

00:05:44,919 --> 00:05:38,959

talking about it more but and I think

90

00:05:48,489 --> 00:05:44,929

that's because a lot of the from the US

91

00:05:51,669 --> 00:05:48,499

Navy has been going more mainstream so

92

00:05:53,709 --> 00:05:51,679

people are accepting it better and I

93

00:06:00,789 --> 00:05:53,719

think this would be a good time for the

94

00:06:02,619 --> 00:06:00,799

government to release more anyway the

95

00:06:04,299 --> 00:06:02,629

public's eyes they're becoming more

96

00:06:08,439 --> 00:06:04,309

acceptable as more in front of them I

97

00:06:10,389 --> 00:06:08,449

think 2019 was a good year will anybody

98

00:06:14,529 --> 00:06:10,399

else want to chime in on that topic

99

00:06:17,919 --> 00:06:14,539

this is Earl from Los Angeles MUFON and

100

00:06:19,629 --> 00:06:17,929

he had 2019 it says my friend Russell

101
00:06:22,089 --> 00:06:19,639
was just saying I think that people have

102
00:06:24,249 --> 00:06:22,099
been much more open to hearing about the

103
00:06:26,589 --> 00:06:24,259
phenomenon and and I think that your

104
00:06:28,869 --> 00:06:26,599
assessment is correct to wrestle a lot

105
00:06:31,379 --> 00:06:28,879
of it has to do with the how the

106
00:06:35,169 --> 00:06:31,389
mainstream media has really focused on

107
00:06:37,509 --> 00:06:35,179
the nimitz affair the tick-tack UFO and

108
00:06:40,809 --> 00:06:37,519
and it's kind of gone from there it's

109
00:06:42,969 --> 00:06:40,819
you know where it seems like you know

110
00:06:45,789 --> 00:06:42,979
there's more news coverage and not as

111
00:06:48,339 --> 00:06:45,799
much of the x-files theme and and not as

112
00:06:51,069 --> 00:06:48,349
much joking about little green men and

113
00:06:52,569 --> 00:06:51,079

stuff like that it's it's kind of opened

114

00:06:55,179 --> 00:06:52,579

it up and now you see people like

115

00:06:59,769 --> 00:06:55,189

Michiyo Kaku and and and such coming

116

00:07:02,859 --> 00:06:59,779

forward with with good information and

117

00:07:05,439 --> 00:07:02,869

and not the usual ridicule that were

118

00:07:07,389 --> 00:07:05,449

we've become so accustomed to in the

119

00:07:10,359 --> 00:07:07,399

past and I'm glad you brought up Mitch

120

00:07:14,289 --> 00:07:10,369

shukaku I'd like to read a quote that he

121

00:07:15,999 --> 00:07:14,299

was that was attributed to him this year

122

00:07:18,939 --> 00:07:16,009

when he went to I think it was the third

123

00:07:21,969 --> 00:07:18,949

UFO World Congress in Barcelona Spain

124

00:07:24,249 --> 00:07:21,979

he said the burden of proof has shifted

125

00:07:26,049 --> 00:07:24,259

to the government and the military now

126

00:07:27,969 --> 00:07:26,059

they have to prove that these sightings

127

00:07:30,069 --> 00:07:27,979

are not from outer space and another

128

00:07:33,189 --> 00:07:30,079

civilization several things have

129

00:07:34,930 --> 00:07:33,199

happened first we have video tapes video

130

00:07:37,900 --> 00:07:34,940

tapes taken by United State

131

00:07:40,900 --> 00:07:37,910

Navy pilots that are testable we can now

132

00:07:43,120 --> 00:07:40,910

see and calculate how fast they move how

133

00:07:45,550 --> 00:07:43,130

fast they can zigzag what is the

134

00:07:47,770 --> 00:07:45,560

altitude we know the parameters of these

135

00:07:50,050 --> 00:07:47,780

objects now we didn't have that before

136

00:07:53,350 --> 00:07:50,060

and so this means that the burden of

137

00:07:55,090 --> 00:07:53,360

proof has shifted now the military the

138

00:07:58,170 --> 00:07:55,100

government has to prove that they are

139

00:08:00,760 --> 00:07:58,180

not from another planet dr. michio kaku

140

00:08:03,520 --> 00:08:00,770

thoughts anybody on this topic please

141

00:08:21,190 --> 00:08:03,530

let us know who it is when you chime in

142

00:08:25,560 --> 00:08:21,200

thank you oh hello everybody it's great

143

00:08:28,740 --> 00:08:25,570

to be on the panel with such a great

144

00:08:33,159 --> 00:08:28,750

thing I've noticed is the increase of

145

00:08:36,870 --> 00:08:33,169

home topic the UFOs but not necessarily

146

00:08:41,020 --> 00:08:36,880

just here United sometimes I I do get

147

00:08:43,300 --> 00:08:41,030

your information and links from from

148

00:08:46,840 --> 00:08:43,310

other organizations throughout Mexico

149

00:08:49,690 --> 00:08:46,850

Latin America and even in Europe so it

150

00:08:52,150 --> 00:08:49,700

just seems to be of course while it's an

151
00:08:56,740 --> 00:08:52,160
international phenomenon and of course

152
00:08:58,570 --> 00:08:56,750
it has a lot of interesting you know

153
00:09:00,520 --> 00:08:58,580
people want to be updated and it's

154
00:09:02,920 --> 00:09:00,530
interesting to see what people are

155
00:09:04,060 --> 00:09:02,930
following and they do follow the US

156
00:09:07,180 --> 00:09:04,070
media they follow

157
00:09:09,160 --> 00:09:07,190
MUFON they follow all the other latest

158
00:09:10,870 --> 00:09:09,170
news but also in particular there's so

159
00:09:12,700 --> 00:09:10,880
much going on in other countries just

160
00:09:14,620 --> 00:09:12,710
wanted to point that point that out

161
00:09:16,270 --> 00:09:14,630
there's one nice thing about this new

162
00:09:18,790 --> 00:09:16,280
world we're living in everybody can

163
00:09:20,800 --> 00:09:18,800

follow everybody know if something

164

00:09:22,810 --> 00:09:20,810

happens in England we can keep on top of

165

00:09:23,560 --> 00:09:22,820

that here in the States no problem it's

166

00:09:26,470 --> 00:09:23,570

fantastic

167

00:09:29,980 --> 00:09:26,480

I would like to Stacey Wright and Jim

168

00:09:33,130 --> 00:09:29,990

Mann and David Loomis what they think of

169

00:09:37,150 --> 00:09:33,140

Machuca coup statements regarding what

170

00:09:39,340 --> 00:09:37,160

he what he said this year at the UFO

171

00:09:41,850 --> 00:09:39,350

Congress the third international UFO

172

00:09:45,600 --> 00:09:41,860

Congress in Spain

173

00:09:47,340 --> 00:09:45,610

well this is Stacey and I love what he

174

00:09:49,440 --> 00:09:47,350

said that I think he kind of jumped on

175

00:09:51,210 --> 00:09:49,450

the bandwagon just because everyone else

176
00:09:52,800 --> 00:09:51,220
was about to jump on the bandwagon too

177
00:09:56,220 --> 00:09:52,810
and he didn't want to be left behind so

178
00:09:58,560 --> 00:09:56,230
I do like what he said and it kind of

179
00:10:00,030 --> 00:09:58,570
does give everyone the I told you sell

180
00:10:04,920 --> 00:10:00,040
moments that we've been waiting for for

181
00:10:07,920 --> 00:10:04,930
quite a few years the 2019 was a year of

182
00:10:09,870 --> 00:10:07,930
all kinds of action going on we finally

183
00:10:12,810 --> 00:10:09,880
had some stuff coming out that cannot be

184
00:10:14,880 --> 00:10:12,820
denied so I think it was great I'm glad

185
00:10:16,920 --> 00:10:14,890
Michiyo jumped on there like he did

186
00:10:21,990 --> 00:10:16,930
because he's very legitimate people do

187
00:10:24,449 --> 00:10:22,000
listen to him okay and Jane Aldridge I'd

188
00:10:26,759 --> 00:10:24,459

like to jump in and ask you how do you

189

00:10:29,340 --> 00:10:26,769

think that 20-19 went regarding UFOs

190

00:10:31,290 --> 00:10:29,350

what was the big thing that got your

191

00:10:36,600 --> 00:10:31,300

attention and what do you see for us all

192

00:10:40,920 --> 00:10:36,610

going forward well I have to agree with

193

00:10:45,650 --> 00:10:40,930

everybody else the the the press

194

00:10:53,819 --> 00:10:45,660

interest in general public interest is

195

00:10:58,160 --> 00:10:53,829

is very stimulating but we don't have

196

00:11:01,400 --> 00:10:58,170

what we usually have when we have start

197

00:11:04,920 --> 00:11:01,410

having discussions of UFOs in the

198

00:11:09,150 --> 00:11:04,930

mainstream media we haven't had many

199

00:11:14,569 --> 00:11:09,160

people come forward with old cases or

200

00:11:23,250 --> 00:11:20,160

unusual it is odd yeah you're right

201
00:11:26,189 --> 00:11:23,260
about that we've seen from the to the

202
00:11:29,160 --> 00:11:26,199
stars folks we've seen more detail on a

203
00:11:32,069 --> 00:11:29,170
couple of big cases the Nimitz case

204
00:11:33,449 --> 00:11:32,079
which is you know going on 16 years old

205
00:11:36,540 --> 00:11:33,459
now and then the more recent case

206
00:11:38,160 --> 00:11:36,550
involving the Roosevelt you know people

207
00:11:41,189 --> 00:11:38,170
are kind of jumping on the boat

208
00:11:43,530 --> 00:11:41,199
basically as a from that Nimitz case a

209
00:11:46,710 --> 00:11:43,540
day baby's done an amazing job in terms

210
00:11:49,439 --> 00:11:46,720
of rounding up new witnesses who were

211
00:11:51,540 --> 00:11:49,449
available for that but it seems like

212
00:11:53,590 --> 00:11:51,550
that's all we've got there have to be

213
00:11:58,970 --> 00:11:53,600

more cases than that

214

00:12:03,290 --> 00:11:58,980

yes Shane here this is Jen again I I'm

215

00:12:08,960 --> 00:12:03,300

looking at this statement to that you

216

00:12:13,100 --> 00:12:08,970

know the the government has to prove we

217

00:12:19,070 --> 00:12:13,110

had we had information before Nimitz if

218

00:12:29,300 --> 00:12:19,080

you look at the mine our case in 68 we

219

00:12:36,850 --> 00:12:29,310

had we had the radar photographs and and

220

00:12:45,980 --> 00:12:36,860

they I just I just want to remember

221

00:12:47,450 --> 00:12:45,990

taking those down to dr. Haynes and him

222

00:12:49,610 --> 00:12:47,460

looking at him and he knew immediately

223

00:12:51,320 --> 00:12:49,620

what was going on in the photographs

224

00:12:54,860 --> 00:12:51,330

they could figure out the speech right

225

00:12:59,000 --> 00:12:54,870

away so we've had we've had information

226

00:13:03,680 --> 00:12:59,010

it just is not breaking through like the

227

00:13:06,230 --> 00:13:03,690

Nimitz case is now with that minor uh

228

00:13:09,140 --> 00:13:06,240

yeah I say now well I do want to follow

229

00:13:12,470 --> 00:13:09,150

with Jim then we'll get to you Jan what

230

00:13:14,270 --> 00:13:12,480

was the time frame for you and dr.

231

00:13:16,730 --> 00:13:14,280

Haynes taking a look at that radar

232

00:13:18,380 --> 00:13:16,740

information now how long after the the

233

00:13:27,380 --> 00:13:18,390

case itself did you guys get hold of

234

00:13:29,840 --> 00:13:27,390

that well this is a we could go on with

235

00:13:32,180 --> 00:13:29,850

this thing for it's a it's a it's a

236

00:13:36,950 --> 00:13:32,190

lesson in UFO history and and how does

237

00:13:41,390 --> 00:13:36,960

everything wrong in UFOs but Tom Tom and

238

00:13:48,890 --> 00:13:41,400

I Tom to mean and I interviewed the

239

00:13:51,170 --> 00:13:48,900

pilot about 2004 I think it was and we

240

00:13:53,840 --> 00:13:51,180

started getting a hint about how big

241

00:13:58,190 --> 00:13:53,850

this case was even though it was in blue

242

00:14:02,200 --> 00:13:58,200

book you could read that but once we

243

00:14:05,480 --> 00:14:02,210

started talking to all the all the

244

00:14:06,900 --> 00:14:05,490

participants it was it was fantastic and

245

00:14:11,160 --> 00:14:06,910

then the radar

246

00:14:12,960 --> 00:14:11,170

the radar photographs which were which

247

00:14:17,220 --> 00:14:12,970

are in blue book but they're very poor

248

00:14:19,590 --> 00:14:17,230

but we got a really good set of

249

00:14:24,750 --> 00:14:19,600

photographs from the former intelligence

250

00:14:25,710 --> 00:14:24,760

officer up there and well I could say

251
00:14:29,010 --> 00:14:25,720
another one

252
00:14:31,410 --> 00:14:29,020
at the Air and Space Museum in New

253
00:14:34,080 --> 00:14:31,420
Mexico

254
00:14:36,030 --> 00:14:34,090
Lieutenant Colonel Matson we showed him

255
00:14:39,090 --> 00:14:36,040
those radar things and he understood

256
00:14:45,560 --> 00:14:39,100
what was going on right away it was it

257
00:14:48,270 --> 00:14:45,570
so the the problem is the press we got

258
00:14:53,070 --> 00:14:48,280
the newest case got in the press and

259
00:14:57,290 --> 00:14:53,080
it's got a lot of traction which we

260
00:15:06,290 --> 00:14:57,300
didn't have before and Minot has kind of

261
00:15:09,120 --> 00:15:06,300
very complicated type of story that that

262
00:15:11,700 --> 00:15:09,130
may be difficult to understand

263
00:15:17,730 --> 00:15:11,710

we know the skeptics don't want to go

264

00:15:19,320 --> 00:15:17,740

near it they're scared of it okay and

265

00:15:22,500 --> 00:15:19,330

now Shane you were looking to jump in

266

00:15:25,710 --> 00:15:22,510

what do you got yeah I was thinking

267

00:15:28,050 --> 00:15:25,720

about dr. Kaku and his his comment and I

268

00:15:30,390 --> 00:15:28,060

couldn't ask myself well why does he

269

00:15:32,850 --> 00:15:30,400

think now that the burden of proof lies

270

00:15:34,260 --> 00:15:32,860

on the government and you know what I

271

00:15:37,230 --> 00:15:34,270

was thinking about was the fact that

272

00:15:41,870 --> 00:15:37,240

it's really the quality of evidence that

273

00:15:45,300 --> 00:15:41,880

has been presented namely those three on

274

00:15:46,770 --> 00:15:45,310

camera video of clips that to my

275

00:15:49,620 --> 00:15:46,780

knowledge we've never had that kind of

276

00:15:51,840 --> 00:15:49,630

data before actual US military airplanes

277

00:15:56,550 --> 00:15:51,850

recording with you know optical and

278

00:15:59,430 --> 00:15:56,560

thermal camera data and and you know it

279

00:16:02,970 --> 00:15:59,440

makes it hard to refute hard hard to

280

00:16:05,700 --> 00:16:02,980

dismiss so I think in that way it's

281

00:16:08,040 --> 00:16:05,710

pretty powerful stuff and so and the way

282

00:16:09,900 --> 00:16:08,050

that it's played out with TTS a

283

00:16:12,930 --> 00:16:09,910

releasing the videos a lot of the

284

00:16:15,180 --> 00:16:12,940

mainstream media coverage then you know

285

00:16:18,600 --> 00:16:15,190

the production of unidentified America's

286

00:16:19,620 --> 00:16:18,610

UFO investigation and then subsequently

287

00:16:26,850 --> 00:16:19,630

the

288

00:16:28,560 --> 00:16:26,860

and we're changing our reporting

289

00:16:30,870 --> 00:16:28,570

procedures so you know our military

290

00:16:33,210 --> 00:16:30,880

members can quickly and easily and

291

00:16:35,939 --> 00:16:33,220

without retribution make a report I mean

292

00:16:37,860 --> 00:16:35,949

to me that's just almost the the biggest

293

00:16:40,319 --> 00:16:37,870

thing that's happened in 70 years of

294

00:16:41,879 --> 00:16:40,329

ufology and you know we're all here to

295

00:16:44,900 --> 00:16:41,889

see it so I think it's really awesome

296

00:16:47,809 --> 00:16:44,910

and I do appreciate dr. Kaku wing and

297

00:16:50,370 --> 00:16:47,819

because he is a credible individual

298

00:16:52,650 --> 00:16:50,380

although he is a mainstream scientists

299

00:16:55,290 --> 00:16:52,660

so he still has other views he's not

300

00:16:57,480 --> 00:16:55,300

only not on the reality of UFOs being

301

00:17:00,030 --> 00:16:57,490

aliens but he's at least dipping his toe

302

00:17:02,040 --> 00:17:00,040

in that water which again we have never

303

00:17:04,260 --> 00:17:02,050

seen in the past so I think it's a

304

00:17:07,049 --> 00:17:04,270

pretty big deal 2019 is awesome

305

00:17:09,539 --> 00:17:07,059

David Loomis the state section director

306

00:17:12,510 --> 00:17:09,549

for Xolo MUFON and then I'd also like to

307

00:17:15,000 --> 00:17:12,520

ask Jim man the same question what are

308

00:17:17,760 --> 00:17:15,010

your thoughts on what Mitch you uh Kaku

309

00:17:27,649 --> 00:17:17,770

said that the quote that I read and also

310

00:17:42,140 --> 00:17:32,700

you're Mike yeah Mike's David Loomis and

311

00:17:44,760 --> 00:17:42,150

Jim man yep you're mark you sound good

312

00:17:47,340 --> 00:17:44,770

yeah you know I have to go along with

313

00:17:50,340 --> 00:17:47,350

the comment that Stacy made that I think

314

00:17:53,399 --> 00:17:50,350

a lot of people are almost to the point

315

00:17:55,890 --> 00:17:53,409

of because they're there their

316

00:17:57,539 --> 00:17:55,900

visibility is so high like Michiyo and

317

00:18:01,140 --> 00:17:57,549

others that I know there's others and I

318

00:18:03,600 --> 00:18:01,150

don't pay attention to them I think

319

00:18:06,390 --> 00:18:03,610

sometimes I think they're forced into it

320

00:18:08,610 --> 00:18:06,400

they have to say something because the

321

00:18:10,350 --> 00:18:08,620

world is watching them and they're

322

00:18:12,750 --> 00:18:10,360

expecting them to say something the

323

00:18:14,280 --> 00:18:12,760

logical thing at this point after all

324

00:18:16,830 --> 00:18:14,290

the evidence that have come forward this

325

00:18:19,500 --> 00:18:16,840

past year in 2019

326

00:18:22,380 --> 00:18:19,510

you have to say something if you are a

327

00:18:27,539 --> 00:18:22,390

person of high visibility so I think I

328

00:18:29,820 --> 00:18:27,549

think dr. Kaku came forward because of

329

00:18:33,470 --> 00:18:29,830

that and although I mean I think he has

330

00:18:36,360 --> 00:18:33,480

a genuine interest in in the fact that

331

00:18:39,510 --> 00:18:36,370

we're not alone in the universe I think

332

00:18:43,799 --> 00:18:39,520

he's made that very clear but he was

333

00:18:47,460 --> 00:18:43,809

pretty much cornered by by news media

334

00:18:49,560 --> 00:18:47,470

and research communities in general we

335

00:18:51,930 --> 00:18:49,570

were all waiting to see what he was

336

00:18:53,669 --> 00:18:51,940

going to say if Steven Hawkins were

337

00:18:55,230 --> 00:18:53,679

still around we'd be waiting to see what

338

00:18:57,600 --> 00:18:55,240

Steven has to say and he would be

339

00:18:59,130 --> 00:18:57,610

cornered - and he would have to say

340

00:18:59,940 --> 00:18:59,140

something and that's kind of the way I

341

00:19:02,090 --> 00:18:59,950

feel about it

342

00:19:04,830 --> 00:19:02,100

and you know going forward at this point

343

00:19:08,700 --> 00:19:04,840

this is what's gonna happen with with

344

00:19:13,049 --> 00:19:08,710

every person of notoriety who was in

345

00:19:15,600 --> 00:19:13,059

science in astronomy and research you

346

00:19:17,280 --> 00:19:15,610

know the space programs NASA and the

347

00:19:19,409 --> 00:19:17,290

rest they're gonna have to say something

348

00:19:22,350 --> 00:19:19,419

eventually because they're going to look

349

00:19:24,600 --> 00:19:22,360

like the fool and I think the fact that

350

00:19:31,130 --> 00:19:24,610

the burden of proof now is no longer on

351

00:19:34,230 --> 00:19:31,140

on the MUFON groups and others for UFO

352

00:19:35,700 --> 00:19:34,240

dependent research groups proof is out

353

00:19:38,280 --> 00:19:35,710

there and now we're just waiting for

354

00:19:40,380 --> 00:19:38,290

others to to make a comments and I think

355

00:19:42,450 --> 00:19:40,390

that's a great great spot to be in

356

00:19:45,750 --> 00:19:42,460

and I think that's what we've seen here

357

00:19:48,600 --> 00:19:45,760

in 2019 is that we can finally rest a

358

00:19:50,580 --> 00:19:48,610

little bit and set back and see what the

359

00:19:53,640 --> 00:19:50,590

rest of the world is gonna finally admit

360

00:19:55,919 --> 00:19:53,650

I think that's pretty neat so we we

361

00:19:59,070 --> 00:19:55,929

still have Dave Loomis to hear from Zen

362

00:20:02,130 --> 00:19:59,080

Benefiel Michael Hall and Spiro smile

363

00:20:04,140 --> 00:20:02,140

eros and also just so everybody knows we

364

00:20:07,760 --> 00:20:04,150

have another individual who came on the

365

00:20:11,580 --> 00:20:07,770

show with us his name is Dean Ashley and

366

00:20:12,930 --> 00:20:11,590

he actually joined the Navy in 1996

367

00:20:14,399 --> 00:20:12,940

became an aviation electronics

368

00:20:17,280 --> 00:20:14,409

technician and served for a little over

369

00:20:20,100 --> 00:20:17,290

four years and he is an expert on a

370

00:20:22,260 --> 00:20:20,110

variety of Fliers both old and new analog

371

00:20:23,460 --> 00:20:22,270

and digital just so everybody is aware

372

00:20:25,620 --> 00:20:23,470

of his background

373

00:20:34,440 --> 00:20:25,630

Dave Loomis if you're there can you

374

00:20:38,700 --> 00:20:34,450

please chime in on this topic we can

375

00:20:40,350 --> 00:20:38,710

barely hear you yeah your ma you're

376

00:20:44,549 --> 00:20:40,360

muffled when you feel like you're able

377

00:20:45,450 --> 00:20:44,559

to fix that muffled aspect let us know

378

00:20:46,980 --> 00:20:45,460

and I'm

379

00:20:49,799 --> 00:20:46,990

go ahead and move on to Zen Benefiel

380

00:20:56,039 --> 00:20:49,809

what is your perspective regarding

381

00:20:58,200 --> 00:20:56,049

Michio Kaku on this topic well I'm kind

382

00:20:59,940 --> 00:20:58,210

of in agreement with Stacy and Jim and

383

00:21:03,500 --> 00:20:59,950

that he needed to stand up and say

384

00:21:07,820 --> 00:21:03,510

something the fact that he took it even

385

00:21:11,220 --> 00:21:07,830

deeper into the possibilities of the

386

00:21:14,600 --> 00:21:11,230

type 2 type 3 civilizations what they're

387

00:21:17,789 --> 00:21:14,610

capable of you know and looking at it

388

00:21:20,669 --> 00:21:17,799

from a broader perspective of you know

389

00:21:24,360 --> 00:21:20,679

thinking is how would they engage us or

390

00:21:27,210 --> 00:21:24,370

how might we be able to perceive how

391

00:21:30,049 --> 00:21:27,220

they're engaging us which to date we

392

00:21:32,340 --> 00:21:30,059

haven't really been able to do so

393

00:21:33,720 --> 00:21:32,350

because we've been focused on the nuts

394

00:21:35,760 --> 00:21:33,730

and bolts and the sightings of the

395

00:21:38,370 --> 00:21:35,770

videos and and the evidence and things

396

00:21:40,889 --> 00:21:38,380

of that nature which the hard data is

397

00:21:47,039 --> 00:21:40,899

just as important as a soft sight which

398

00:21:50,539 --> 00:21:47,049

is the experience of it in 20 I guess

399

00:21:53,970 --> 00:21:50,549

this didn't happen in 2019 but in 2018

400

00:21:57,060 --> 00:21:53,980

free released their series of surveys

401
00:22:04,590 --> 00:21:57,070
and the results however speculative or

402
00:22:08,010 --> 00:22:04,600
even more of a subjective kind of look

403
00:22:12,360 --> 00:22:08,020
at things I think that will in the near

404
00:22:15,680 --> 00:22:12,370
future hold as high as importance as the

405
00:22:18,510 --> 00:22:15,690
physical data because we've got to

406
00:22:20,250 --> 00:22:18,520
eventually okay who are we dealing with

407
00:22:23,039 --> 00:22:20,260
how are we dealing with them how do we

408
00:22:24,899 --> 00:22:23,049
interact can we interact how do they

409
00:22:27,840 --> 00:22:24,909
want to stay interact what are they here

410
00:22:31,620 --> 00:22:27,850
to offer or are we just being observed

411
00:22:34,380 --> 00:22:31,630
are these folks from our ancient past or

412
00:22:35,880 --> 00:22:34,390
from our present or the future or you

413
00:22:39,840 --> 00:22:35,890

know there's lots of questions that are

414

00:22:43,529 --> 00:22:39,850

still unanswered and maybe not even ask

415

00:22:46,169 --> 00:22:43,539

I think one of the things that to me and

416

00:22:48,360 --> 00:22:46,179

I could be totally wrong but the meta

417

00:22:50,370 --> 00:22:48,370

materials that came up the TTS a are

418

00:22:55,910 --> 00:22:50,380

going to be released and Linda brought

419

00:22:58,070 --> 00:22:55,920

those out there mid-90s part of what

420

00:22:59,750 --> 00:22:58,080

it seems especially from the location

421

00:23:01,940 --> 00:22:59,760

that they were found which was in the

422

00:23:05,960 --> 00:23:01,950

northern white sands area not too far

423

00:23:08,600 --> 00:23:05,970

from the Trinity site so you know we we

424

00:23:10,490 --> 00:23:08,610

need the questions that we asked my

425

00:23:13,850 --> 00:23:10,500

statement about that is in regards to

426

00:23:16,039 --> 00:23:13,860

the nuclear test the possible fusion of

427

00:23:19,220 --> 00:23:16,049

materials that then appear to be meta

428

00:23:20,720 --> 00:23:19,230

materials okay so I'm gonna move on to

429

00:23:22,460 --> 00:23:20,730

because we have quite a few people we

430

00:23:26,690 --> 00:23:22,470

have Steve Hudgens Michael Hall Dean

431

00:23:29,210 --> 00:23:26,700

Ashley Earl Grey Reuben or Yatta

432

00:23:30,710 --> 00:23:29,220

you know there's few people left any one

433

00:23:33,770 --> 00:23:30,720

of the people I just mentioned please

434

00:23:37,220 --> 00:23:33,780

chime in but let us know who you are and

435

00:23:39,310 --> 00:23:37,230

please put your other mics on on mute

436

00:23:44,570 --> 00:23:39,320

thank you

437

00:23:46,010 --> 00:23:44,580

so we have Earl we have Steve Hodgins

438

00:23:47,720 --> 00:23:46,020

Dean Ashley

439

00:23:50,870 --> 00:23:47,730

any anyone if you folks Reuben OD out

440

00:23:53,720 --> 00:23:50,880

they'd like to come forward Steve I will

441

00:23:55,220 --> 00:23:53,730

Steve Huggins okay thank you I agree

442

00:23:59,000 --> 00:23:55,230

with what Jim and Oliver everyone is

443

00:24:00,409 --> 00:23:59,010

saying and I believe that when he said

444

00:24:02,630 --> 00:24:00,419

that the burden of proof is on the Navy

445

00:24:04,370 --> 00:24:02,640

that takes the shoulder of the two

446

00:24:06,770 --> 00:24:04,380

before off of everyone's shoulder and

447

00:24:07,940 --> 00:24:06,780

puts it on to the Navy and we all know

448

00:24:09,230 --> 00:24:07,950

the Navy in the government they're not

449

00:24:13,010 --> 00:24:09,240

going to admit to anything at this

450

00:24:15,950 --> 00:24:13,020

moment okay all right great thank you

451
00:24:20,690 --> 00:24:15,960
very much for that and then Earl Grey we

452
00:24:24,380 --> 00:24:20,700
have you hi yeah this is Earl I you know

453
00:24:26,000 --> 00:24:24,390
what's interesting I think is that we've

454
00:24:29,030 --> 00:24:26,010
talked about this before even on your

455
00:24:31,940 --> 00:24:29,040
show that dr. Bruce Maccabee has been

456
00:24:35,270 --> 00:24:31,950
talking a lot recently about how none of

457
00:24:38,570 --> 00:24:35,280
this is new information the speeds of

458
00:24:41,720 --> 00:24:38,580
the craft the way that the craft that

459
00:24:42,530 --> 00:24:41,730
were you know reported in the Nimitz

460
00:24:44,360 --> 00:24:42,540
affair

461
00:24:46,610 --> 00:24:44,370
you know how they should have created a

462
00:24:48,740 --> 00:24:46,620
fireball didn't they should have you

463
00:24:52,070 --> 00:24:48,750

know been causing sonic booms which

464

00:24:54,710 --> 00:24:52,080

didn't happen but you know this is sort

465

00:24:56,180 --> 00:24:54,720

of old news and old hat to the bunch of

466

00:24:58,760 --> 00:24:56,190

us you know have been studying you have

467

00:25:02,590 --> 00:24:58,770

you know ufology for many years

468

00:25:05,510 --> 00:25:02,600

I mean reports like this go back to 1947

469

00:25:08,840 --> 00:25:05,520

so something is definitely changed as

470

00:25:09,850 --> 00:25:08,850

far as I think absolutely that the New

471

00:25:12,560 --> 00:25:09,860

York time

472

00:25:15,650 --> 00:25:12,570

that they published that story that that

473

00:25:17,450 --> 00:25:15,660

was quite a wonderful reveal for it and

474

00:25:18,830 --> 00:25:17,460

you do have to take you know love them

475

00:25:21,080 --> 00:25:18,840

or hate them you have to take hats off

476
00:25:23,690 --> 00:25:21,090
to the Stars Academy guys you know they

477
00:25:24,560 --> 00:25:23,700
did get this information out in a huge

478
00:25:28,940 --> 00:25:24,570
publicity

479
00:25:30,770 --> 00:25:28,950
you know thrust out to the media so it

480
00:25:35,030 --> 00:25:30,780
really does put us in a different

481
00:25:37,670 --> 00:25:35,040
position now and BTO I think it's

482
00:25:39,320 --> 00:25:37,680
probably the first of many scientists

483
00:25:42,410 --> 00:25:39,330
that are probably going to eventually

484
00:25:45,050 --> 00:25:42,420
have to as you were saying earlier are

485
00:25:47,390 --> 00:25:45,060
going to have to address the situation

486
00:25:50,420 --> 00:25:47,400
I mean it's worldwide people are seeing

487
00:25:51,860 --> 00:25:50,430
craft as they always have another thing

488
00:25:54,290 --> 00:25:51,870

that's really interesting is how many

489

00:25:57,740 --> 00:25:54,300

people in the UFO field have been coming

490

00:25:59,750 --> 00:25:57,750

forward lately as experiencers you know

491

00:26:02,570 --> 00:25:59,760

I work in the experimenter research team

492

00:26:06,440 --> 00:26:02,580

with Kathleen Martin you know over it in

493

00:26:09,680 --> 00:26:06,450

MUFON and I speak with experiencers

494

00:26:12,140 --> 00:26:09,690

sometimes every day multiple people and

495

00:26:15,920 --> 00:26:12,150

we we see the same markers and people

496

00:26:19,760 --> 00:26:15,930

the same this is the same story but it's

497

00:26:22,100 --> 00:26:19,770

it's really you know a lot of authors a

498

00:26:24,470 --> 00:26:22,110

lot of speakers and a lot of big names

499

00:26:27,250 --> 00:26:24,480

in ufology have recently been coming out

500

00:26:30,740 --> 00:26:27,260

in the saying I'm an experienced or two

501
00:26:32,660 --> 00:26:30,750
so that's something this is something

502
00:26:35,080 --> 00:26:32,670
new that people are feeling comfortable

503
00:26:38,450 --> 00:26:35,090
in sharing their own personal

504
00:26:42,380 --> 00:26:38,460
visitations from Kathleen Mardin

505
00:26:44,270 --> 00:26:42,390
- you know - I mean there have been a

506
00:26:46,370 --> 00:26:44,280
lot of people have been coming forward

507
00:26:53,270 --> 00:26:46,380
Richard Hastings I think just came

508
00:26:54,980 --> 00:26:53,280
forward Robert Salas myself have been

509
00:26:56,720 --> 00:26:54,990
finally coming forward and feeling

510
00:26:59,150 --> 00:26:56,730
comfortable talking about it so it's

511
00:27:02,420 --> 00:26:59,160
kind of opened up the floodgates I think

512
00:27:04,370 --> 00:27:02,430
to the phenomenon great thank you we

513
00:27:07,550 --> 00:27:04,380

also have Reuben or yacht this Spira

514

00:27:09,290 --> 00:27:07,560

small heiress and Dean Ashley and maybe

515

00:27:12,310 --> 00:27:09,300

one other person left to talk about this

516

00:27:15,050 --> 00:27:12,320

topic so Reuben or Spiro sardine

517

00:27:17,450 --> 00:27:15,060

whichever one of you want to speak up

518

00:27:20,590 --> 00:27:17,460

and Michael Hall also just be sure to

519

00:27:23,500 --> 00:27:20,600

say your name so we know who's talking

520

00:27:26,920 --> 00:27:23,510

this is Spiros here okay

521

00:27:27,640 --> 00:27:26,930

hi good afternoon or good evening

522

00:27:32,500 --> 00:27:27,650

everybody

523

00:27:33,970 --> 00:27:32,510

good evening I don't really have much to

524

00:27:37,180 --> 00:27:33,980

say I'm not really from the UFO

525

00:27:39,460 --> 00:27:37,190

community so I I don't really follow all

526

00:27:41,260 --> 00:27:39,470

the stuff I come from us I think I have

527

00:27:43,930 --> 00:27:41,270

a unique perspective for everybody else

528

00:27:48,850 --> 00:27:43,940

which is that of a layperson looking in

529

00:27:50,380 --> 00:27:48,860

and my question to you I mean I I'll let

530

00:27:53,470 --> 00:27:50,390

you carry on with this not this subject

531

00:27:55,930 --> 00:27:53,480

but my question ultimately will be are

532

00:27:59,160 --> 00:27:55,940

you doing enough to make the subject

533

00:28:03,670 --> 00:27:59,170

that you're investigating and studying

534

00:28:10,540 --> 00:28:03,680

credible because from from the outside

535

00:28:15,310 --> 00:28:12,760

we've seen an awful lot of nonsense

536

00:28:23,170 --> 00:28:15,320

spoken and a lot of you have backed it

537

00:28:25,060 --> 00:28:23,180

up you know let me know what you want me

538

00:28:27,130 --> 00:28:25,070

yeah well well I want to ask you about

539

00:28:30,250 --> 00:28:27,140

this you had a really interesting year

540

00:28:32,890 --> 00:28:30,260

involving the UFOs a little video known

541

00:28:36,100 --> 00:28:32,900

as the alien autopsy video I got you

542

00:28:39,580 --> 00:28:36,110

back into the news you had some role in

543

00:28:41,560 --> 00:28:39,590

producing that so there here it all is

544

00:28:45,640 --> 00:28:41,570

come in kind of full circle for you a

545

00:28:47,380 --> 00:28:45,650

lot of attention again focused on that

546

00:28:50,050 --> 00:28:47,390

particular piece of work and that now

547

00:28:52,750 --> 00:28:50,060

all of a sudden it seems like you can't

548

00:28:55,840 --> 00:28:52,760

kill it it seems like it was pretty well

549

00:28:59,590 --> 00:28:55,850

put to bed and explained as a you know

550

00:29:02,050 --> 00:28:59,600

as a hoax as a fiction designed to

551
00:29:04,810 --> 00:29:02,060
entertain people and ultimately it's

552
00:29:07,060 --> 00:29:04,820
back in and some folks are running

553
00:29:09,340 --> 00:29:07,070
around in the UFO field saying no

554
00:29:12,190 --> 00:29:09,350
actually despite the fact that the guys

555
00:29:16,090 --> 00:29:12,200
who made it are saying it's a fake we

556
00:29:18,280 --> 00:29:16,100
think it's real so what's going on 25

557
00:29:21,640 --> 00:29:18,290
year anniversary of it's next year

558
00:29:24,010 --> 00:29:21,650
it's really good ok places my good

559
00:29:26,890 --> 00:29:24,020
friend Philip mantle who I respect

560
00:29:29,380 --> 00:29:26,900
highly in this field because he's

561
00:29:30,880 --> 00:29:29,390
meticulous in his research you know he

562
00:29:33,910 --> 00:29:30,890
doesn't leave any to any stone unturned

563
00:29:37,390 --> 00:29:33,920

and and he researched the alien autopsy

564

00:29:42,420 --> 00:29:37,400

for the majority about 25 years

565

00:29:45,190 --> 00:29:42,430

and and so he said to me a few years ago

566

00:29:48,310 --> 00:29:45,200

the alien autopsy is never going to go

567

00:29:51,040 --> 00:29:48,320

away it's never going to die and I said

568

00:29:53,350 --> 00:29:51,050

fill it no one's interested anymore why

569

00:29:58,330 --> 00:29:53,360

would they be and he was absolutely

570

00:29:59,410 --> 00:29:58,340

right of course the the big question I

571

00:30:02,140 --> 00:29:59,420

have

572

00:30:04,620 --> 00:30:02,150

it's mr. Hall here with us yes it's

573

00:30:08,740 --> 00:30:04,630

Michael Hall is here with us hi Michael

574

00:30:11,830 --> 00:30:08,750

how are you oh yes Rose I'm doing well

575

00:30:15,970 --> 00:30:11,840

buddy excellent well done I've got a

576

00:30:19,720 --> 00:30:15,980

question for you yes on your show you

577

00:30:22,390 --> 00:30:19,730

you spoke to Ray Santilli and and mrs.

578

00:30:25,570 --> 00:30:22,400

Antony made it a number of promises to

579

00:30:27,880 --> 00:30:25,580

you that he would deliver film and he

580

00:30:31,900 --> 00:30:27,890

would deliver evidence and and and all

581

00:30:35,260 --> 00:30:31,910

sorts of wonderful things and and he's

582

00:30:38,230 --> 00:30:35,270

delivered nothing and I've asked you a

583

00:30:42,400 --> 00:30:38,240

few times at which poor way are we going

584

00:30:44,200 --> 00:30:42,410

to say he hasn't got anything but what

585

00:30:47,680 --> 00:30:44,210

point do you shut this down because

586

00:30:48,970 --> 00:30:47,690

you've left it open that that's you've

587

00:30:54,460 --> 00:30:48,980

left it open in the public domain that

588

00:30:56,470 --> 00:30:54,470

he's going to deliver real film well you

589

00:30:59,860 --> 00:30:56,480

know the grant Cameron and I that was

590

00:31:04,150 --> 00:30:59,870

our main intent was to put him on the

591

00:31:06,370 --> 00:31:04,160

record yes he he does come on the record

592

00:31:09,970 --> 00:31:06,380

you know and he says that he has some

593

00:31:12,660 --> 00:31:09,980

original film yep maybe a minute and

594

00:31:16,720 --> 00:31:12,670

eight seconds worth of original film

595

00:31:20,110 --> 00:31:16,730

that was melded into your production is

596

00:31:23,500 --> 00:31:20,120

what he said of course our interview and

597

00:31:25,960 --> 00:31:23,510

that he would be willing to at one point

598

00:31:30,220 --> 00:31:25,970

he says share that original film so we

599

00:31:32,460 --> 00:31:30,230

could verify its authenticity you know

600

00:31:36,400 --> 00:31:32,470

with the experts out there and of course

601
00:31:38,680 --> 00:31:36,410
we have not received that film so it's

602
00:31:40,930 --> 00:31:38,690
not going to be up to Grant Cameron or

603
00:31:43,210 --> 00:31:40,940
myself to shut it down we are just

604
00:31:46,390 --> 00:31:43,220
basically making sure that people

605
00:31:48,190 --> 00:31:46,400
realize that the statement was made the

606
00:31:50,620 --> 00:31:48,200
longer the period of time goes without

607
00:31:53,410 --> 00:31:50,630
him proving his statement

608
00:31:55,030 --> 00:31:53,420
with backing up with the evidence is you

609
00:31:58,060 --> 00:31:55,040
know it's in his ball court there so uh

610
00:32:00,910 --> 00:31:58,070
I I I still would love to see him do

611
00:32:04,180 --> 00:32:00,920
something in that regard because I even

612
00:32:07,380 --> 00:32:04,190
understand that Philip mantle has some

613
00:32:10,840 --> 00:32:07,390

original frames of that film himself

614

00:32:13,060 --> 00:32:10,850

that he might be willing to to bring

615

00:32:15,550 --> 00:32:13,070

that's yeah that's not true

616

00:32:20,650 --> 00:32:15,560

that's not true what Philip has got is

617

00:32:23,260 --> 00:32:20,660

some 1947 film of a random occurrence

618

00:32:26,140 --> 00:32:23,270

that has nothing to do with the alien

619

00:32:30,370 --> 00:32:26,150

autopsy aliens or anything extraordinary

620

00:32:34,420 --> 00:32:30,380

and it's just a piece of film from the

621

00:32:37,630 --> 00:32:34,430

era okay even that would be very helpful

622

00:32:40,630 --> 00:32:37,640

as far as trying to get a base you know

623

00:32:42,520 --> 00:32:40,640

knowledge of that era film for sure all

624

00:32:44,590 --> 00:32:42,530

I'm saying is that we're out there still

625

00:32:49,870 --> 00:32:44,600

waiting to find any corroborating

626
00:32:52,900 --> 00:32:49,880
evidence that would show that this thing

627
00:32:54,340 --> 00:32:52,910
is true or false I'm not coming down on

628
00:32:56,860 --> 00:32:54,350
either side of the thing and I'm just

629
00:32:58,950 --> 00:32:56,870
waiting at this point and no longer we

630
00:33:01,780 --> 00:32:58,960
wait to find there longer it's going to

631
00:33:04,270 --> 00:33:01,790
you know be lingering in people's minds

632
00:33:07,960 --> 00:33:04,280
I agree [h__h] I appreciate your position

633
00:33:12,550 --> 00:33:07,970
but my my position is I don't know if

634
00:33:15,940 --> 00:33:12,560
you're aware but I made a challenge to

635
00:33:19,120 --> 00:33:15,950
mrs. Anne Tilly with a national

636
00:33:24,310 --> 00:33:19,130
newspaper in the UK that we would take a

637
00:33:28,420 --> 00:33:24,320
lie-detector test together and once and

638
00:33:30,580 --> 00:33:28,430

for all mr. Santilli said absolutely no

639

00:33:32,020 --> 00:33:30,590

problem we'll do that this one might

640

00:33:35,020 --> 00:33:32,030

it's on my website if anybody wants to

641

00:33:38,920 --> 00:33:35,030

go and see the the clips are there and

642

00:33:41,230 --> 00:33:38,930

he didn't turn up okay the other thing

643

00:33:44,110 --> 00:33:41,240

that this is a long time ago now so my

644

00:33:45,880 --> 00:33:44,120

point to you is do you not have a

645

00:33:47,560 --> 00:33:45,890

responsibility and please don't think

646

00:33:49,630 --> 00:33:47,570

I'm having a go at you because I know I

647

00:33:52,750 --> 00:33:49,640

know you're being fair and you're being

648

00:33:55,480 --> 00:33:52,760

impartial but do you not think that you

649

00:33:57,640 --> 00:33:55,490

have a responsibility to put some

650

00:33:59,740 --> 00:33:57,650

pressure on to Santilli because all

651

00:34:02,890 --> 00:33:59,750

that's happened is his made a rash

652

00:34:04,049 --> 00:34:02,900

promise his on record as saying he has

653

00:34:05,700 --> 00:34:04,059

film

654

00:34:08,609 --> 00:34:05,710

those that believe him is saying yeah

655

00:34:10,349 --> 00:34:08,619

you see he's got film and what you're

656

00:34:13,529 --> 00:34:10,359

doing is you're just letting him be on

657

00:34:17,010 --> 00:34:13,539

record having said he's got film it's

658

00:34:19,049 --> 00:34:17,020

time to put up or shut up he can't he

659

00:34:20,970 --> 00:34:19,059

can't have it both ways and if you say

660

00:34:23,339 --> 00:34:20,980

well we know what hopefully he'll come

661

00:34:25,470 --> 00:34:23,349

forward well he hasn't come forward in a

662

00:34:29,579 --> 00:34:25,480

long time how long is it since a show it

663

00:34:31,710 --> 00:34:29,589

must be a few months now so so at what

664

00:34:34,319 --> 00:34:31,720

point do we say he's never going to

665

00:34:36,960 --> 00:34:34,329

deliver any film so he's never had any

666

00:34:39,510 --> 00:34:36,970

film I mean I'm telling you as a matter

667

00:34:43,019 --> 00:34:39,520

of fact that he has never had any film

668

00:34:45,450 --> 00:34:43,029

okay I made the alien autopsy film

669

00:34:48,240 --> 00:34:45,460

completely from scratch so there's no

670

00:34:51,720 --> 00:34:48,250

elements in that film which are from a

671

00:34:53,460 --> 00:34:51,730

real film so I know that for a fact and

672

00:34:56,309 --> 00:34:53,470

I have out actually asked mr. Santilli

673

00:34:58,559 --> 00:34:56,319

please show me which frames are the real

674

00:34:59,970 --> 00:34:58,569

ones because I edited that whole thing

675

00:35:02,220 --> 00:34:59,980

up so I have not aware of any other

676

00:35:04,500 --> 00:35:02,230

frames and I said if there are real

677

00:35:06,769 --> 00:35:04,510

frames somebody else must have put them

678

00:35:09,000 --> 00:35:06,779

in so let's talk to that person

679

00:35:11,190 --> 00:35:09,010

nothing happens of course he just goes

680

00:35:13,740 --> 00:35:11,200

quiet and then he'll material I he'll

681

00:35:16,620 --> 00:35:13,750

come forward when somebody like grant

682

00:35:19,680 --> 00:35:16,630

Cameron makes some very very bold

683

00:35:21,569 --> 00:35:19,690

statements and then there's airtime and

684

00:35:23,940 --> 00:35:21,579

it looks like there's another buck to be

685

00:35:26,880 --> 00:35:23,950

made so they come forward and they start

686

00:35:29,549 --> 00:35:26,890

making promises again and what I'm what

687

00:35:30,150 --> 00:35:29,559

I'm actually saying is you've afforded

688

00:35:33,809 --> 00:35:30,160

him

689

00:35:36,690 --> 00:35:33,819

airtime to continually perpetuate this

690

00:35:39,180 --> 00:35:36,700

lie and at some point you must take

691

00:35:41,220 --> 00:35:39,190

responsibility and say we've given him

692

00:35:44,250 --> 00:35:41,230

enough time let's give him a deadline

693

00:35:45,960 --> 00:35:44,260

let's say Musante Lee we've had a few

694

00:35:48,210 --> 00:35:45,970

months now shall we call it another

695

00:35:49,890 --> 00:35:48,220

three months how much you need how much

696

00:35:51,990 --> 00:35:49,900

time do you need and let's call it let's

697

00:35:55,410 --> 00:35:52,000

give it a deadline so it's not another

698

00:35:57,420 --> 00:35:55,420

25 years you see because this rate it

699

00:35:59,490 --> 00:35:57,430

will be another 25 years and he'll still

700

00:36:01,339 --> 00:35:59,500

be going on about this film that he's

701

00:36:04,799 --> 00:36:01,349

got that no one's ever seen

702

00:36:08,460 --> 00:36:04,809

well Spiro so let me just respond real

703

00:36:11,609 --> 00:36:08,470

quickly here is that indeed what you're

704

00:36:14,160 --> 00:36:11,619

doing today is kind of throwing the

705

00:36:18,190 --> 00:36:14,170

gauntlet down over and over at this guy

706

00:36:21,250 --> 00:36:18,200

when in reality you know my thought

707

00:36:22,810 --> 00:36:21,260

let him allow a specific timeframe to

708

00:36:25,540 --> 00:36:22,820

say something and if he doesn't produce

709

00:36:27,849 --> 00:36:25,550

you let the public make up their mind on

710

00:36:30,910 --> 00:36:27,859

whether this is a true story or not but

711

00:36:32,800 --> 00:36:30,920

to bring him up every every once in a

712

00:36:34,300 --> 00:36:32,810

while and say hey where is the stuff

713

00:36:35,800 --> 00:36:34,310

where's the stuff that's

714

00:36:37,810 --> 00:36:35,810
counterproductive as far as I'm

715

00:36:40,210 --> 00:36:37,820
concerned because if he's not going to

716

00:36:43,630 --> 00:36:40,220
come forward that's up to him and we're

717

00:36:44,560 --> 00:36:43,640
gonna let it die but if you want to make

718

00:36:46,150 --> 00:36:44,570
sure it dies

719

00:36:49,300 --> 00:36:46,160
don't keep bringing them up let's put it

720

00:36:51,430 --> 00:36:49,310
that way I can't agree with that because

721

00:36:54,820 --> 00:36:51,440
the the fact that you don't put it to

722

00:36:57,220 --> 00:36:54,830
bed and close it it stays alive and yes

723

00:36:58,330 --> 00:36:57,230
you're asking me to prove you're asking

724

00:37:00,370 --> 00:36:58,340
me to prove a negative which is

725

00:37:02,410 --> 00:37:00,380
impossible to do you can't do it either

726

00:37:04,390 --> 00:37:02,420

so what we're doing at this point is

727

00:37:07,870 --> 00:37:04,400

just asking for evidence if it doesn't

728

00:37:09,520 --> 00:37:07,880

come forth then the court of public

729

00:37:12,370 --> 00:37:09,530

opinion is going to make up their own

730

00:37:15,370 --> 00:37:12,380

decision in that regard if we were to

731

00:37:17,890 --> 00:37:15,380

talk about a court case if you didn't

732

00:37:20,320 --> 00:37:17,900

produce evidence in that court case then

733

00:37:22,480 --> 00:37:20,330

you would found guilty if you don't find

734

00:37:22,930 --> 00:37:22,490

that evidence and and it will be thrown

735

00:37:25,120 --> 00:37:22,940

out

736

00:37:27,099 --> 00:37:25,130

it wouldn't be left there oh well we

737

00:37:29,490 --> 00:37:27,109

can't decide we'll just leave it the

738

00:37:31,839 --> 00:37:29,500

judge would say there is no evidence

739

00:37:33,609 --> 00:37:31,849

there's no smoking gun there's no dead

740

00:37:36,300 --> 00:37:33,619

body there's no DNA there's nothing

741

00:37:40,630 --> 00:37:36,310

there is no case there's no business

742

00:37:46,440 --> 00:37:40,640

it's a simple case of he has produced no

743

00:37:52,240 --> 00:37:49,109

and as experts in the field

744

00:37:53,950 --> 00:37:52,250

investigating a subject of subject you

745

00:37:55,990 --> 00:37:53,960

have a responsibility to close it down

746

00:37:59,200 --> 00:37:56,000

not leave it open because if you leave

747

00:38:01,210 --> 00:37:59,210

it open it leaves him in business well

748

00:38:02,800 --> 00:38:01,220

you're you're a little mistake in there

749

00:38:04,510 --> 00:38:02,810

when you say the judge is going to close

750

00:38:06,700 --> 00:38:04,520

the case you know with no evidence

751

00:38:08,740 --> 00:38:06,710

basically the evidence or not is going

752

00:38:11,140 --> 00:38:08,750

to be presented and of course then the

753

00:38:15,250 --> 00:38:11,150

jury is going to make up the decision on

754

00:38:17,740 --> 00:38:15,260

truth or veracity of this event and I I

755

00:38:19,900 --> 00:38:17,750

don't even want to keep going on this

756

00:38:22,329 --> 00:38:19,910

subject we've got a whole lot of experts

757

00:38:24,400 --> 00:38:22,339

on our panel today that need to get

758

00:38:28,870 --> 00:38:24,410

their points of view out on many many

759

00:38:30,650 --> 00:38:28,880

other subjects but all I get let's just

760

00:38:32,930 --> 00:38:30,660

allow the public

761

00:38:35,410 --> 00:38:32,940

be the jury in this regard and they're

762

00:38:40,789 --> 00:38:35,420

going to make up their own minds very

763

00:38:45,230 --> 00:38:40,799

okay it's real okay

764

00:38:47,569 --> 00:38:45,240

so that's where we are what well

765

00:38:49,749 --> 00:38:47,579

everybody that's listening how many of

766

00:38:55,900 --> 00:38:49,759

you think the alien autopsy film is real

767

00:38:59,420 --> 00:38:55,910

just out of interest nope not here I

768

00:39:03,920 --> 00:38:59,430

don't think any anybody nobody's chiming

769

00:39:06,529 --> 00:39:03,930

in so thank you very much for that input

770

00:39:08,720 --> 00:39:06,539

from Spiro smart director and owner

771

00:39:13,640 --> 00:39:08,730

creator of the alien autopsy movie and

772

00:39:16,370 --> 00:39:13,650

also from Michael W Hall attorneys so I

773

00:39:19,759 --> 00:39:16,380

would like to ask Dean Ashley about the

774

00:39:21,890 --> 00:39:19,769

topic of Michiyo kaku and what he said

775

00:39:25,190 --> 00:39:21,900

I'm going to read to you the quote just

776

00:39:28,630 --> 00:39:25,200

so you know what he said at the third

777

00:39:31,849 --> 00:39:28,640

annual UFO Congress in Barcelona Spain

778

00:39:33,829 --> 00:39:31,859

what he said was this the burden of

779

00:39:36,049 --> 00:39:33,839

proof has shifted to the government and

780

00:39:37,700 --> 00:39:36,059

the military now they have to prove that

781

00:39:40,730 --> 00:39:37,710

these sightings are not from outer space

782

00:39:43,190 --> 00:39:40,740

and another civilization several things

783

00:39:46,130 --> 00:39:43,200

have happened first we have video tapes

784

00:39:47,960 --> 00:39:46,140

video tapes have taken video tapes taken

785

00:39:50,779 --> 00:39:47,970

by United States Navy pilots that are

786

00:39:53,120 --> 00:39:50,789

testable we can now see and calculate

787

00:39:55,999 --> 00:39:53,130

how fast they move how fast they can

788

00:39:58,490 --> 00:39:56,009

zigzag what is the altitude we know the

789

00:40:00,259 --> 00:39:58,500

parameters of these objects now we

790

00:40:02,299 --> 00:40:00,269

didn't have that before and so this

791

00:40:04,819 --> 00:40:02,309

means that the burden of proof has

792

00:40:07,490 --> 00:40:04,829

shifted now the military the government

793

00:40:09,589 --> 00:40:07,500

has to prove that they are not from

794

00:40:14,499 --> 00:40:09,599

another planet the question I have for

795

00:40:17,930 --> 00:40:14,509

you Dean is this Mitch shukaku has put a

796

00:40:20,599 --> 00:40:17,940

from his perspective first world

797

00:40:23,420 --> 00:40:20,609

governments or the US government in the

798

00:40:26,990 --> 00:40:23,430

position of having to have the burden of

799

00:40:31,670 --> 00:40:27,000

proof regarding the UFO you a P topic

800

00:40:32,740 --> 00:40:31,680

what is your thought process on that hey

801

00:40:39,499 --> 00:40:32,750

how you doing

802

00:40:43,039 --> 00:40:39,509

yes your Ladin class okay great and I

803

00:40:44,120 --> 00:40:43,049

read his quote a while ago it's I'm kind

804

00:40:45,950 --> 00:40:44,130

of concerned as

805

00:40:49,820 --> 00:40:45,960

is the Navy going to take on that

806

00:40:53,360 --> 00:40:49,830

position and can they because from what

807

00:40:54,950 --> 00:40:53,370

I I'm just seeing as an observer is I

808

00:40:57,260 --> 00:40:54,960

don't think they're too familiar with

809

00:41:02,050 --> 00:40:57,270

what it is and I don't know exactly how

810

00:41:04,460 --> 00:41:02,060

much they can do as far as the videos

811

00:41:07,370 --> 00:41:04,470

being released you know that's a big

812

00:41:11,690 --> 00:41:07,380

step and I've talked to engineers and

813

00:41:14,930 --> 00:41:11,700

technicians in the field and amongst the

814

00:41:19,040 --> 00:41:14,940

majority of us we can't determine what

815

00:41:21,260 --> 00:41:19,050

it is how it's moving like that but you

816

00:41:23,930 --> 00:41:21,270

know we're not experts on aircraft

817

00:41:26,810 --> 00:41:23,940

movement and you know just we see what

818

00:41:32,030 --> 00:41:26,820

we see it is what it is but none of us

819

00:41:33,770 --> 00:41:32,040

can really just just classify what what

820

00:41:37,550 --> 00:41:33,780

these things are so I'm not sure how

821

00:41:39,740 --> 00:41:37,560

much the Navy can do very good insight

822

00:41:41,300 --> 00:41:39,750

thank you very much for sharing that now

823

00:41:45,130 --> 00:41:41,310

wanted to mention something by the way

824

00:41:48,830 --> 00:41:45,140

Dave Loomis is he still on with us I

825

00:41:55,700 --> 00:41:48,840

don't know if he's there but if he is I

826

00:41:58,130 --> 00:41:55,710

just want to hear how his audio is no I

827

00:42:00,800 --> 00:41:58,140

I do have a topic to move on it's very

828

00:42:02,630 --> 00:42:00,810

important present Donald Trump doesn't

829

00:42:04,220 --> 00:42:02,640

appear to be a believer of aliens or

830

00:42:05,660 --> 00:42:04,230

UFOs flying through the Earth's

831

00:42:07,100 --> 00:42:05,670

atmosphere I'm reading a USA Today

832

00:42:09,190 --> 00:42:07,110

article by the way just so you know

833

00:42:11,840 --> 00:42:09,200

although he has been briefed on them

834

00:42:13,550 --> 00:42:11,850

ABC's news George Stephanopoulos and a

835

00:42:15,620 --> 00:42:13,560

wide-ranging interview asked Trump about

836

00:42:17,660 --> 00:42:15,630

recent news reports about Navy pilots

837

00:42:20,300 --> 00:42:17,670

spotting flying objects and what he made

838

00:42:22,850 --> 00:42:20,310

of the apparent UFO sightings this is a

839

00:42:24,860 --> 00:42:22,860

quote attributed to Trump during that

840

00:42:28,430 --> 00:42:24,870

interview I want them to think whatever

841

00:42:30,110 --> 00:42:28,440

they think Trump said raising his

842

00:42:32,360 --> 00:42:30,120

eyebrows and slightly grinning before

843

00:42:34,460 --> 00:42:32,370

adding that he did not really that he

844

00:42:37,010 --> 00:42:34,470

had one really brief meeting on it

845

00:42:39,350 --> 00:42:37,020

people are saying they're seeing UFOs do

846

00:42:42,110 --> 00:42:39,360

I believe it not particularly he added

847

00:42:44,030 --> 00:42:42,120

now I do have a disclaimer to share with

848

00:42:47,000 --> 00:42:44,040

our panelists I would very much

849

00:42:51,440 --> 00:42:47,010

appreciate no jokes about the president

850

00:42:53,750 --> 00:42:51,450

this is not a joke a route the president

851

00:42:55,790 --> 00:42:53,760

we do not want that on this show we

852

00:42:58,070 --> 00:42:55,800

would like folks to please chime in on

853

00:43:01,100 --> 00:42:58,080

what they feel a

854

00:43:03,920 --> 00:43:01,110

Trump talking about the UFO topic and

855

00:43:07,040 --> 00:43:03,930

anything related to that topic I'd like

856

00:43:09,230 --> 00:43:07,050

to ask Jim man to please start off with

857

00:43:12,440 --> 00:43:09,240

that because I interviewed Stacey Wright

858

00:43:14,360 --> 00:43:12,450

and Jim man on this topic and they had

859

00:43:22,340 --> 00:43:14,370

some really interesting things to say

860

00:43:24,230 --> 00:43:22,350

Jim or Stacey hi this is Jim yeah as far

861

00:43:26,390 --> 00:43:24,240

as the president what is the president

862

00:43:28,610 --> 00:43:26,400

going to say you think about the

863

00:43:32,180 --> 00:43:28,620

responsibility that is on his shoulders

864

00:43:34,580 --> 00:43:32,190

and we're yep yeah I just added

865

00:43:41,050 --> 00:43:34,590

paulvickie yet okay all right great

866

00:43:44,300 --> 00:43:41,060

thank you keep going Jim sorry sorry

867

00:43:47,090 --> 00:43:44,310

about it doesn't make any difference is

868

00:43:50,840 --> 00:43:47,100

this is President Trump or some other

869

00:43:53,960 --> 00:43:50,850

president the responsible thing for a

870

00:43:56,650 --> 00:43:53,970

president to do at this point is he

871

00:43:59,630 --> 00:43:56,660

going to go on TV and national testing

872

00:44:02,600 --> 00:43:59,640

that there's technology out there that

873

00:44:04,250 --> 00:44:02,610

we can't deal with that we don't know

874

00:44:06,530 --> 00:44:04,260

how to deal with it and we don't know

875

00:44:09,620 --> 00:44:06,540

what it is would that be a responsible

876

00:44:11,960 --> 00:44:09,630

thing for any president to admit to the

877

00:44:15,380 --> 00:44:11,970

world no no that would not be the

878

00:44:16,820 --> 00:44:15,390

responsible thing so I don't think we

879

00:44:20,720 --> 00:44:16,830

need to look at the President of the

880

00:44:22,280 --> 00:44:20,730

United States what in terms of what is

881

00:44:25,040 --> 00:44:22,290

his opinion okay

882

00:44:26,810 --> 00:44:25,050

he's going to give you some regardless

883

00:44:29,600 --> 00:44:26,820

of who's and we all know this he's going

884

00:44:33,040 --> 00:44:29,610

to give you some really slacker opinion

885

00:44:35,990 --> 00:44:33,050

he just can't give you an honest opinion

886

00:44:41,600 --> 00:44:36,000

the people that we need to look to again

887

00:44:43,730 --> 00:44:41,610

are the volumes leaders country and so

888

00:44:45,830 --> 00:44:43,740

as far as from a political standpoint

889

00:44:51,380 --> 00:44:45,840

look we all know the United States right

890

00:44:52,970 --> 00:44:51,390

now is a is in a you guys I don't even

891

00:44:57,680 --> 00:44:52,980

know if there's words for what's going

892

00:45:03,890 --> 00:44:57,690

on right now but regardless of what your

893

00:45:07,960 --> 00:45:03,900

political views are we we have to stay

894

00:45:11,220 --> 00:45:07,970

focused on our mission and that is the

895

00:45:14,250 --> 00:45:11,230

scientific study of the UFO phenomena

896

00:45:18,450 --> 00:45:14,260

we keep focused okay so people like

897

00:45:20,880 --> 00:45:18,460

Donald Trump or you know whoever Nancy

898

00:45:22,980 --> 00:45:20,890

Pelosi or whoever it might be okay

899

00:45:25,830 --> 00:45:22,990

that's not a part of who we are right

900

00:45:29,280 --> 00:45:25,840

now so that's kind of the way I look at

901
00:45:32,820 --> 00:45:29,290
it guys whatever whatever whatever

902
00:45:36,090 --> 00:45:32,830
we hear on the on the news in terms of a

903
00:45:38,070 --> 00:45:36,100
political opinion I don't really care

904
00:45:40,320 --> 00:45:38,080
right now I'm looking for a scientific

905
00:45:45,599 --> 00:45:40,330
opinion I'm looking for sort of where

906
00:45:47,609 --> 00:45:45,609
the military stands on this okay thank

907
00:45:51,030 --> 00:45:47,619
you so much for your valuable input and

908
00:45:53,480 --> 00:45:51,040
Stacy we talked about this could you

909
00:45:57,510 --> 00:45:53,490
please share your perspective regarding

910
00:45:59,490 --> 00:45:57,520
the topic of Trump and UFOs and along

911
00:46:03,210 --> 00:45:59,500
those lines regarding when that news

912
00:46:05,040 --> 00:46:03,220
came out and how important it was well I

913
00:46:07,760 --> 00:46:05,050

was really disappointed when I watched

914

00:46:13,859 --> 00:46:07,770

him on TV with the smirk and the

915

00:46:15,840 --> 00:46:13,869

nonchalance topic I think we're all

916

00:46:17,820 --> 00:46:15,850

going oh yeah right I mean we all know

917

00:46:19,560 --> 00:46:17,830

better we know that he has been briefed

918

00:46:21,990 --> 00:46:19,570

on this stuff we know that he knows more

919

00:46:23,790 --> 00:46:22,000

than he's ever gonna say and like Jim

920

00:46:25,710 --> 00:46:23,800

said any president out there they're not

921

00:46:27,990 --> 00:46:25,720

kind of say much they just can't because

922

00:46:30,030 --> 00:46:28,000

and that would put them in a situation

923

00:46:31,890 --> 00:46:30,040

or a predicament where they have to back

924

00:46:34,530 --> 00:46:31,900

it up and they can't back it up with

925

00:46:36,780 --> 00:46:34,540

facts because things are classified so

926

00:46:39,900 --> 00:46:36,790

you can only go so far as president

927

00:46:43,620 --> 00:46:39,910

which is really sad sounding but I think

928

00:46:44,730 --> 00:46:43,630

it is the reality of this so yeah we're

929

00:46:46,349 --> 00:46:44,740

just gonna have to try to find our

930

00:46:49,380 --> 00:46:46,359

answers elsewhere it's not going to come

931

00:46:51,359 --> 00:46:49,390

from the president's lip okay I'm still

932

00:46:53,550 --> 00:46:51,369

asking for Dave Loomis to see if he's

933

00:46:56,070 --> 00:46:53,560

out there to talk with us if he is

934

00:46:57,690 --> 00:46:56,080

please interrupt at any time and just

935

00:47:00,599 --> 00:46:57,700

let us know you're there that way we can

936

00:47:02,940 --> 00:47:00,609

ask you about this topic wanted to ask

937

00:47:06,450 --> 00:47:02,950

if any one of our panelists wants to

938

00:47:10,140 --> 00:47:06,460

jump in and talk about this Trump slash

939

00:47:12,599 --> 00:47:10,150

UFO topic when this news came out how

940

00:47:14,040 --> 00:47:12,609

did you feel about it what was your gut

941

00:47:16,980 --> 00:47:14,050

feeling on it and what are your

942

00:47:20,460 --> 00:47:16,990

perspectives to share on it anyone this

943

00:47:23,160 --> 00:47:20,470

is al you know I don't know if anybody

944

00:47:26,839 --> 00:47:23,170

you know I I was watching ancient aliens

945

00:47:32,819 --> 00:47:29,339

we will hold it against your older words

946

00:47:34,799 --> 00:47:32,829

but they had Tucker Carlson on and they

947

00:47:37,559 --> 00:47:34,809

were talking with Tucker about this very

948

00:47:40,049 --> 00:47:37,569

subject and Tucker who usually will

949

00:47:43,769 --> 00:47:40,059

pretty much back anything that the

950

00:47:46,140 --> 00:47:43,779

president will say Tucker's opinion was

951
00:47:48,960 --> 00:47:46,150
was well you know watch his body

952
00:47:50,609 --> 00:47:48,970
language his body language isn't really

953
00:47:52,559 --> 00:47:50,619
going along with what his mouth is

954
00:47:54,870 --> 00:47:52,569
saying you know he was kind of hemming

955
00:47:56,789 --> 00:47:54,880
and hawing around it and you could tell

956
00:47:58,920 --> 00:47:56,799
that he didn't want to be even

957
00:48:01,640 --> 00:47:58,930
addressing the subject and Tucker said

958
00:48:04,700 --> 00:48:01,650
that he felt like he was he was not

959
00:48:07,920 --> 00:48:04,710
being forthcoming about the actual

960
00:48:09,539 --> 00:48:07,930
information you know you look at other

961
00:48:12,029 --> 00:48:09,549
presidents yeah I just to jump in or a

962
00:48:15,799 --> 00:48:12,039
lot as well as Stephanopoulos Tucker

963
00:48:18,420 --> 00:48:15,809

Carlson did ask the president about the

964

00:48:20,849 --> 00:48:18,430

yeah he did ask him directly in an

965

00:48:24,870 --> 00:48:20,859

interview yeah Tucker didn't think he

966

00:48:28,470 --> 00:48:24,880

was being forthcoming you know I mean

967

00:48:31,019 --> 00:48:28,480

people like we know that Bill Clinton

968

00:48:32,759 --> 00:48:31,029

had an interest in the subject and he

969

00:48:34,230 --> 00:48:32,769

claimed that they never gave him the

970

00:48:36,180 --> 00:48:34,240

information which i think is

971

00:48:39,470 --> 00:48:36,190

questionable

972

00:48:42,210 --> 00:48:39,480

you know Ford had an interest in the

973

00:48:44,940 --> 00:48:42,220

phenomena as well and and he never came

974

00:48:48,990 --> 00:48:44,950

forward with the information Ronald

975

00:48:50,039 --> 00:48:49,000

Reagan I mean there were a lot that you

976
00:48:53,009 --> 00:48:50,049
know Reagan may have been the most

977
00:48:54,390 --> 00:48:53,019
forthcoming of all with his speech in

978
00:48:57,660 --> 00:48:54,400
front of the United Nations where he

979
00:49:00,539 --> 00:48:57,670
talked about how you know if there was

980
00:49:02,999 --> 00:49:00,549
an outside threat you know humans would

981
00:49:04,680 --> 00:49:03,009
drop their acrimony

982
00:49:06,990 --> 00:49:04,690
towards each other really quickly and

983
00:49:08,759 --> 00:49:07,000
and but maybe it's something that the

984
00:49:11,490 --> 00:49:08,769
president is just told you know you

985
00:49:16,410 --> 00:49:11,500
can't you simply can't bring this up

986
00:49:17,370 --> 00:49:16,420
it's just too thorny of a situation you

987
00:49:20,370 --> 00:49:17,380
know I mean what's he going to say you

988
00:49:22,259 --> 00:49:20,380

know abductions are real you know I mean

989

00:49:23,849 --> 00:49:22,269

we don't know what you know it there's

990

00:49:26,549 --> 00:49:23,859

stuff in there that could really scare

991

00:49:28,170 --> 00:49:26,559

people so maybe this drip drip sort of

992

00:49:31,349 --> 00:49:28,180

disclosure is the best we're going to

993

00:49:35,450 --> 00:49:31,359

get right and I'd like to hear from

994

00:49:40,940 --> 00:49:38,599

Shayne here yeah you know I agree that

995

00:49:42,710 --> 00:49:40,950

the president is not the person that

996

00:49:44,900 --> 00:49:42,720

were likely going to hear this from

997

00:49:48,849 --> 00:49:44,910

because of the you know politically

998

00:49:52,190 --> 00:49:48,859

complicated nature of that that question

999

00:50:00,019 --> 00:49:52,200

but I think Jim was mentioning earlier

1000

00:50:03,470 --> 00:50:00,029

as we you know making overtures we see

1001
00:50:05,779 --> 00:50:03,480
scientists such as Michio Kaku and now

1002
00:50:07,670 --> 00:50:05,789
mainstream media treating the subject

1003
00:50:10,819 --> 00:50:07,680
with you know a certain degree of

1004
00:50:12,859 --> 00:50:10,829
credibility and I think that's what

1005
00:50:16,640 --> 00:50:12,869
that's the most impactful because in the

1006
00:50:18,710 --> 00:50:16,650
end whose opinion really matters to all

1007
00:50:22,099 --> 00:50:18,720
these groups whether it's politicians

1008
00:50:24,739 --> 00:50:22,109
media the military is what do the people

1009
00:50:27,170 --> 00:50:24,749
think what do we the people think about

1010
00:50:29,839 --> 00:50:27,180
the matter and so this is why they're

1011
00:50:32,029 --> 00:50:29,849
very cagey with the information is

1012
00:50:35,210 --> 00:50:32,039
because of the potential impact on the

1013
00:50:36,890 --> 00:50:35,220

people and how we might react so and and

1014

00:50:39,140 --> 00:50:36,900

I understand you know the whole patel

1015

00:50:41,390 --> 00:50:39,150

institute thing and thinking chaos might

1016

00:50:44,420 --> 00:50:41,400

ensue and all these things but i think

1017

00:50:46,009 --> 00:50:44,430

we're probably you know in a period of

1018

00:50:48,410 --> 00:50:46,019

time where that's not going to happen

1019

00:50:51,470 --> 00:50:48,420

we're just completely saturated with

1020

00:50:53,420 --> 00:50:51,480

information 24/7 and it's bound to come

1021

00:50:55,069 --> 00:50:53,430

out and it's bound to happen but I think

1022

00:50:57,140 --> 00:50:55,079

people are gonna be able to handle it

1023

00:50:58,880 --> 00:50:57,150

but I guess that I think you know

1024

00:51:01,279 --> 00:50:58,890

looking for the president to come out

1025

00:51:05,150 --> 00:51:01,289

and say it's just not a reality but

1026

00:51:06,920 --> 00:51:05,160

these other avenues it should leak out

1027

00:51:09,470 --> 00:51:06,930

drip out and then when it becomes safe

1028

00:51:11,509 --> 00:51:09,480

enough for those people to come out and

1029

00:51:14,779 --> 00:51:11,519

confirm you know I think that will

1030

00:51:17,329 --> 00:51:14,789

happen great and uh Steve Hudgens if

1031

00:51:20,029 --> 00:51:17,339

you're there please let us know what you

1032

00:51:21,170 --> 00:51:20,039

think regarding this topic you're not

1033

00:51:24,220 --> 00:51:21,180

gonna hear anything coming from the

1034

00:51:27,259 --> 00:51:24,230

president until he just has to their own

1035

00:51:29,390 --> 00:51:27,269

they're bound by security not to say

1036

00:51:32,509 --> 00:51:29,400

anything about it but that that have to

1037

00:51:34,910 --> 00:51:32,519

ask yourself what's the problem with it

1038

00:51:37,069 --> 00:51:34,920

is it from outer space or is it just a

1039

00:51:39,410 --> 00:51:37,079

security about what we have in the

1040

00:51:40,999 --> 00:51:39,420

United States that might be the UFO

1041

00:51:41,529 --> 00:51:41,009

surrounding the world looking at

1042

00:51:43,700 --> 00:51:41,539

everything

1043

00:51:45,710 --> 00:51:43,710

most signing reports come from the

1044

00:51:49,250 --> 00:51:45,720

United States and a few select countries

1045

00:51:51,440 --> 00:51:49,260

over in Europe so I

1046

00:51:53,870 --> 00:51:51,450

I'm still not convinced that all these

1047

00:51:56,450 --> 00:51:53,880

UFOs are from outer space that's just

1048

00:51:58,990 --> 00:51:56,460

the way I look at it okay are you

1049

00:52:02,210 --> 00:51:59,000

convinced that any of the marsh Steve I

1050

00:52:05,210 --> 00:52:02,220

would think that I look at it this way

1051
00:52:06,830 --> 00:52:05,220
here you have a superior race because

1052
00:52:10,040 --> 00:52:06,840
they have to be superior to get here and

1053
00:52:12,710 --> 00:52:10,050
the vast distances and the whatever

1054
00:52:14,599 --> 00:52:12,720
they're like just like say okay Here I

1055
00:52:16,670 --> 00:52:14,609
am a million years in the future and I

1056
00:52:19,430 --> 00:52:16,680
go to this backward planet of apes and I

1057
00:52:22,670 --> 00:52:19,440
have my only way of getting back home

1058
00:52:25,010 --> 00:52:22,680
and I fly over these Planet of the Apes

1059
00:52:26,630 --> 00:52:25,020
with their guns and their missiles and

1060
00:52:29,000 --> 00:52:26,640
their jet planes so they could damage my

1061
00:52:31,460 --> 00:52:29,010
vehicle before I can't get home no I'm

1062
00:52:34,970 --> 00:52:31,470
going to be invisible that's what I'm

1063
00:52:42,740 --> 00:52:34,980

going to be that's about all I can say

1064

00:52:43,780 --> 00:52:42,750

about it dirty and anyone else want to

1065

00:52:46,849 --> 00:52:43,790

jump in here

1066

00:52:53,930 --> 00:52:46,859

well Vecchia you've joined us what do

1067

00:52:56,090 --> 00:52:53,940

you have to say about all this well yeah

1068

00:52:59,060 --> 00:52:56,100

yep thanks for joining us all right

1069

00:53:02,170 --> 00:52:59,070

thank you for having me on I guess I'm

1070

00:53:05,450 --> 00:53:02,180

on another plane with the folks I

1071

00:53:08,240 --> 00:53:05,460

understand disclosure it's a it's a

1072

00:53:12,140 --> 00:53:08,250

noble cause and there's an idealism

1073

00:53:14,060 --> 00:53:12,150

about disclosure where we feel that once

1074

00:53:18,940 --> 00:53:14,070

there is disclosure then there's

1075

00:53:39,550 --> 00:53:30,680

our society and I feel that main reason

1076
00:53:50,660 --> 00:53:45,790
inherently violent we are surgical RuPt

1077
00:53:52,630 --> 00:53:50,670
materialistic and worst of all today

1078
00:53:56,000 --> 00:53:52,640
throughout history we have exhibited

1079
00:53:59,900 --> 00:53:56,010
penchant being genocide --all so the

1080
00:54:02,240 --> 00:53:59,910
hypothesis should be that if we were to

1081
00:54:03,140 --> 00:54:02,250
gain their technology in some way

1082
00:54:05,690 --> 00:54:03,150
through a treaty

1083
00:54:07,520 --> 00:54:05,700
or something like that we would

1084
00:54:09,790 --> 00:54:07,530
eventually use that technology and

1085
00:54:14,420 --> 00:54:09,800
weaponize it and use it against them and

1086
00:54:20,800 --> 00:54:14,430
our materialism would take over in the

1087
00:54:24,110 --> 00:54:20,810
name of manifest destiny okay thank you

1088
00:54:28,520 --> 00:54:24,120

Steve Bassett has joined us so Steve at

1089

00:54:31,460 --> 00:54:28,530

can you hear me hello Steve

1090

00:54:35,150 --> 00:54:31,470

I think he's cutting up a little bit for

1091

00:54:38,230 --> 00:54:35,160

some reason Steve on me you're right

1092

00:54:41,060 --> 00:54:38,240

there yeah that's okay I can grab my

1093

00:54:44,080 --> 00:54:41,070

okay what is your what is your thought

1094

00:54:47,300 --> 00:54:44,090

process on what we're talking about here

1095

00:54:51,170 --> 00:54:47,310

well first of all I do believe the

1096

00:54:55,250 --> 00:54:51,180

public in general is still really

1097

00:54:57,110 --> 00:54:55,260

constricted by perceptions of threat and

1098

00:55:00,530 --> 00:54:57,120

I think that's really where our

1099

00:55:02,270 --> 00:55:00,540

government and the military that's the

1100

00:55:03,830 --> 00:55:02,280

same stance that they take because

1101
00:55:07,820 --> 00:55:03,840
they're there for our protection and

1102
00:55:09,980 --> 00:55:07,830
ultimately they have to look at anything

1103
00:55:13,790 --> 00:55:09,990
that could be perceived as a threat no

1104
00:55:16,880 --> 00:55:13,800
matter how trite it might appear and so

1105
00:55:18,740 --> 00:55:16,890
in order to you know go beyond that to

1106
00:55:22,660 --> 00:55:18,750
release anything and talk about it

1107
00:55:26,740 --> 00:55:22,670
openly they're risking mass hysteria and

1108
00:55:29,300 --> 00:55:26,750
the public I believe is still in that

1109
00:55:33,860 --> 00:55:29,310
state of mind so to speak we haven't

1110
00:55:38,060 --> 00:55:33,870
learned to just look observe inquire and

1111
00:55:42,140 --> 00:55:38,070
not feel threatened by the unknown you

1112
00:55:46,670 --> 00:55:42,150
know the for ages through you know all

1113
00:55:49,790 --> 00:55:46,680

kinds of different not just spiritual or

1114

00:55:52,550 --> 00:55:49,800

religious the industries are you know we

1115

00:55:59,320 --> 00:55:52,560

have this penchant for seeing the worst

1116

00:56:06,380 --> 00:56:02,510

part of what's taking place I believe is

1117

00:56:08,600 --> 00:56:06,390

the movement away from that where it's

1118

00:56:10,490 --> 00:56:08,610

becoming a topic of discussion people

1119

00:56:12,980 --> 00:56:10,500

are being more open about it a lot of

1120

00:56:15,320 --> 00:56:12,990

the experiences are now coming forward

1121

00:56:16,880 --> 00:56:15,330

and I've been doing this for over 30

1122

00:56:19,420 --> 00:56:16,890

years and

1123

00:56:23,570 --> 00:56:19,430

felt like an outlier and still do

1124

00:56:26,120 --> 00:56:23,580

because of that but that's okay because

1125

00:56:28,220 --> 00:56:26,130

that's the nature of the business we're

1126

00:56:31,040 --> 00:56:28,230

in right we're pushing the envelope

1127

00:56:32,900 --> 00:56:31,050

we're asking questions we're sharing

1128

00:56:35,780 --> 00:56:32,910

experiences we may not be able to

1129

00:56:38,060 --> 00:56:35,790

explain exactly what those experiences

1130

00:56:41,050 --> 00:56:38,070

are but yet we're doing our best to

1131

00:56:45,380 --> 00:56:41,060

articulate our perceptions of them and

1132

00:56:48,560 --> 00:56:45,390

then attempt to be least be open for

1133

00:56:50,600 --> 00:56:48,570

inquiry and trying to take a more of an

1134

00:56:53,780 --> 00:56:50,610

objective observational view of the

1135

00:56:56,300 --> 00:56:53,790

possibilities and and expand in that

1136

00:57:00,920 --> 00:56:56,310

nature which i think is also happening

1137

00:57:03,050 --> 00:57:00,930

as far as the the data and how we're

1138

00:57:05,210 --> 00:57:03,060

looking at that and maybe the perception

1139

00:57:06,770 --> 00:57:05,220

of how maybe the military enter

1140

00:57:09,110 --> 00:57:06,780

government's looking at it behind the

1141

00:57:12,110 --> 00:57:09,120

scenes but they're unable to speak to us

1142

00:57:16,100 --> 00:57:12,120

about it just because the nature of the

1143

00:57:18,500 --> 00:57:16,110

beast right there it's just almost

1144

00:57:22,730 --> 00:57:18,510

impossible for them to do so and still

1145

00:57:28,160 --> 00:57:22,740

hold the credibility of the office okay

1146

00:57:30,230 --> 00:57:28,170

we have a research and history and Paul

1147

00:57:34,070 --> 00:57:30,240

Dean on with us Paul Dean welcome to

1148

00:57:42,080 --> 00:57:34,080

this show we are talking about a few

1149

00:57:44,240 --> 00:57:42,090

topics what was the input XI proof is

1150

00:57:46,190 --> 00:57:44,250

now on the US government you provided

1151
00:57:48,710 --> 00:57:46,200
more information on that topic and we're

1152
00:57:50,750 --> 00:57:48,720
also talking about how Trump gave some

1153
00:57:52,040 --> 00:57:50,760
input regarding the UFO topic if you

1154
00:57:58,520 --> 00:57:52,050
want to talk about either one of those

1155
00:57:59,630 --> 00:57:58,530
topics that would be great Paul are you

1156
00:58:01,490 --> 00:57:59,640
there can you hear me

1157
00:58:03,500 --> 00:58:01,500
you might want to unmute your mic if you

1158
00:58:07,880 --> 00:58:03,510
heard me okay can you hear me or not

1159
00:58:09,950 --> 00:58:07,890
yeah yeah great okay so Eric and both

1160
00:58:11,570 --> 00:58:09,960
were probably off-the-cuff comments you

1161
00:58:13,880 --> 00:58:11,580
got to remember someone like me shikoku

1162
00:58:16,670 --> 00:58:13,890
is is just constantly physically

1163
00:58:18,080 --> 00:58:16,680

speaking like just constantly physically

1164

00:58:22,400 --> 00:58:18,090

talking like opening up wings of

1165

00:58:24,260 --> 00:58:22,410

universe do some listening if having

1166

00:58:26,420 --> 00:58:24,270

dog-and-pony shows at tum its

1167

00:58:28,010 --> 00:58:26,430

observatories and and whatever else and

1168

00:58:29,900 --> 00:58:28,020

like it's very very easy for someone to

1169

00:58:32,539 --> 00:58:29,910

say something that lasts for force

1170

00:58:37,579 --> 00:58:32,549

seconds and and bunnies like us take it

1171

00:58:40,609 --> 00:58:37,589

as some as being you know just somewhat

1172

00:58:42,140 --> 00:58:40,619

critical importance I I mean it was a

1173

00:58:43,099 --> 00:58:42,150

gourd it was a really good statement and

1174

00:58:46,579 --> 00:58:43,109

you know like he's on the right track

1175

00:58:48,589 --> 00:58:46,589

but you know we shouldn't I wouldn't be

1176

00:58:54,079 --> 00:58:48,599

giggling like schoolgirls being asked

1177

00:58:57,170 --> 00:58:54,089

out to the prom over it's pathetic it's

1178

00:58:59,000 --> 00:58:57,180

it's it's trumps comments it again

1179

00:59:01,279 --> 00:58:59,010

completely irrelevant what he actually

1180

00:59:03,559 --> 00:59:01,289

said was it was was was was in in

1181

00:59:06,230 --> 00:59:03,569

dissent in that he said he said do I

1182

00:59:08,059 --> 00:59:06,240

believe where he was talking about UFO

1183

00:59:10,579 --> 00:59:08,069

witnesses and he said do I believe them

1184

00:59:13,599 --> 00:59:10,589

not particularly okay do I believe them

1185

00:59:16,160 --> 00:59:13,609

not particularly okay so that's that's

1186

00:59:20,720 --> 00:59:16,170

again a four second comment completely

1187

00:59:23,809 --> 00:59:20,730

irrelevant okay we have Steve Bassett

1188

00:59:25,460 --> 00:59:23,819

who who has joined us a few times he's

1189

00:59:28,039 --> 00:59:25,470

had a few audio issues but we're gonna

1190

00:59:29,510 --> 00:59:28,049

see if he's doing okay now and Paul

1191

00:59:31,819 --> 00:59:29,520

thank you very much for the input on

1192

00:59:35,500 --> 00:59:31,829

that and Steve what we were asking about

1193

00:59:41,630 --> 00:59:35,510

were two topics during the show

1194

00:59:43,339 --> 00:59:41,640

one was the new Kaku had on the UFO

1195

00:59:45,650 --> 00:59:43,349

topic and how the burden of proof lies

1196

00:59:49,130 --> 00:59:45,660

with the US government regarding that

1197

00:59:51,650 --> 00:59:49,140

topic and then also the topic of Donald

1198

00:59:54,470 --> 00:59:51,660

Trump a president Trump when he gave a

1199

00:59:56,299 --> 00:59:54,480

few quotes regarding the UFO topic and

1200

00:59:58,430 --> 00:59:56,309

he was on the news this year regarding

1201
01:00:05,990 --> 00:59:58,440
the UFO topic do you have any input to

1202
01:00:07,370 --> 01:00:06,000
give on those two topics I don't know if

1203
01:00:13,220 --> 01:00:07,380
you can hear me see but if you're Mike's

1204
01:00:15,650 --> 01:00:13,230
mute you might want to unmute it yeah

1205
01:00:19,039 --> 01:00:15,660
I'm not getting any audio from him but

1206
01:00:21,049 --> 01:00:19,049
we will go ahead and try from him and he

1207
01:00:23,420 --> 01:00:21,059
is not on the call so that's the issue

1208
01:00:25,910 --> 01:00:23,430
there yes so Steve you're on with us you

1209
01:00:28,370 --> 01:00:25,920
just asked you are actually on on the

1210
01:00:31,099 --> 01:00:28,380
call with us right now with our panel of

1211
01:00:34,849 --> 01:00:31,109
guests if you can unmute your mic and

1212
01:00:37,370 --> 01:00:34,859
stay on audio not video and when you

1213
01:00:39,079 --> 01:00:37,380

come through just let us know Frank were

1214

01:00:40,839 --> 01:00:39,089

there any other topics that you wanted

1215

01:00:42,799 --> 01:00:40,849

to bring up about the news this year

1216

01:00:43,760 --> 01:00:42,809

well I thought what I thought was that

1217

01:00:46,010 --> 01:00:43,770

kind of injury

1218

01:00:48,380 --> 01:00:46,020

is as we've seen this pattern over the

1219

01:00:49,970 --> 01:00:48,390

last couple of years the first half of

1220

01:00:52,790 --> 01:00:49,980

the year tends to get a little busier

1221

01:00:56,000 --> 01:00:52,800

and then the second half slows up there

1222

01:00:58,040 --> 01:00:56,010

hasn't been a whole lot of but a big

1223

01:00:59,930 --> 01:00:58,050

news coming down the pike really since

1224

01:01:03,650 --> 01:00:59,940

the unidentified show went off the air

1225

01:01:06,470 --> 01:01:03,660

and I was wondering if anybody has any

1226

01:01:08,990 --> 01:01:06,480

thoughts you think there's like a an off

1227

01:01:11,330 --> 01:01:09,000

season now for a UFO stuff and that we

1228

01:01:13,760 --> 01:01:11,340

kind of scrambled to get some shows done

1229

01:01:15,109 --> 01:01:13,770

and now cover some hot topics during

1230

01:01:16,760 --> 01:01:15,119

some part of the year and then another

1231

01:01:19,850 --> 01:01:16,770

part of the year we can barely keep up

1232

01:01:21,620 --> 01:01:19,860

it seems like the last two years things

1233

01:01:23,570 --> 01:01:21,630

have slowed noticeably during the last

1234

01:01:30,350 --> 01:01:23,580

half of the year any any thoughts on

1235

01:01:36,650 --> 01:01:30,360

that yeah absolutely Jen go ahead okay

1236

01:01:41,750 --> 01:01:36,660

as far as news as recent news Chris

1237

01:01:48,440 --> 01:01:41,760

Markowski is sending his material to the

1238

01:01:54,250 --> 01:01:48,450

University of Manitoba now what he is

1239

01:01:58,609 --> 01:01:54,260

what he is the point of contact for

1240

01:02:01,970 --> 01:01:58,619

official UFOs in Canada so the Canadian

1241

01:02:05,470 --> 01:02:01,980

government sends him all well the

1242

01:02:10,609 --> 01:02:05,480

Canadian government sends him UFO

1243

01:02:12,410 --> 01:02:10,619

reports and he said this is it's almost

1244

01:02:14,960 --> 01:02:12,420

up to the minute he just got one a

1245

01:02:20,560 --> 01:02:14,970

little while ago which turned out to be

1246

01:02:23,330 --> 01:02:20,570

a drone where they claimed to be and

1247

01:02:29,990 --> 01:02:23,340

just before that he told me he got one

1248

01:02:38,590 --> 01:02:30,000

from 2018 which was over Northwest

1249

01:02:44,660 --> 01:02:38,600

Territories by airline that had a low

1250

01:02:48,050 --> 01:02:44,670

UFO going Mach four and that's that's

1251

01:02:51,170 --> 01:02:48,060

about a year old but he's turning all

1252

01:02:54,230 --> 01:02:51,180

his material over to mana Manitoba so

1253

01:02:56,540 --> 01:02:54,240

this is I think this is a really

1254

01:02:57,270 --> 01:02:56,550

interesting thing because he's been

1255

01:02:59,980 --> 01:02:57,280

getting

1256

01:03:03,580 --> 01:02:59,990

material from the u s-- government for

1257

01:03:07,930 --> 01:03:03,590

years and i hopefully will be able to

1258

01:03:09,820 --> 01:03:07,940

get of course the australians have more

1259

01:03:14,230 --> 01:03:09,830

or less open their files and the Brits

1260

01:03:16,300 --> 01:03:14,240

have opened their files the Americans as

1261

01:03:22,080 --> 01:03:16,310

far as freedom of information were it

1262

01:03:24,570 --> 01:03:22,090

we're about number ten in in the in that

1263

01:03:28,620 --> 01:03:24,580

arena

1264

01:03:33,820 --> 01:03:31,900

all right thanks I appreciated jet

1265

01:03:35,830 --> 01:03:33,830

now that case with the end of the mock

1266

01:03:38,650 --> 01:03:35,840

for that's about three thousand miles an

1267

01:03:40,750 --> 01:03:38,660

hour that's a not too many airplanes can

1268

01:03:41,590 --> 01:03:40,760

go at that kind of speed that wouldn't

1269

01:03:45,880 --> 01:03:41,600

gets my attention

1270

01:03:49,000 --> 01:03:45,890

yes it's not Tic Tac speed but it's

1271

01:03:52,030 --> 01:03:49,010

pretty it's pretty good and of course I

1272

01:03:53,590 --> 01:03:52,040

was talking to some of these people that

1273

01:03:57,310 --> 01:03:53,600

are interested in it you know they're

1274

01:04:00,660 --> 01:03:57,320

trying to oh well so what mock for look

1275

01:04:03,849 --> 01:04:00,670

at this mock thirty with Tic Tac listen

1276

01:04:09,520 --> 01:04:03,859

anything like this it's it's it's way

1277

01:04:11,950 --> 01:04:09,530

out of the normal arena things and I

1278

01:04:15,940 --> 01:04:11,960

think this is a would be a significant

1279

01:04:21,550 --> 01:04:15,950

case now it's only a service case so

1280

01:04:25,330 --> 01:04:21,560

it's not detailed it's just one of those

1281

01:04:27,760 --> 01:04:25,340

you know the old Janet 1:46 things were

1282

01:04:35,710 --> 01:04:27,770

you know the just the bare amount of

1283

01:04:39,280 --> 01:04:35,720

information is is put forward but III

1284

01:04:42,099 --> 01:04:39,290

feel I feel that this the government up

1285

01:04:45,430 --> 01:04:42,109

there finally letting go of this stuff

1286

01:04:49,090 --> 01:04:45,440

and Chris being able to put it in the in

1287

01:04:51,820 --> 01:04:49,100

the university is great okay thank you

1288

01:04:54,730 --> 01:04:51,830

very much can I just can I just jump in

1289

01:04:57,070 --> 01:04:54,740

there oh thank you this is Paul Dean hi

1290

01:04:59,380 --> 01:04:57,080

Jane how you um yeah Jen's absolutely

1291

01:05:01,480 --> 01:04:59,390

spot on I love by the way you're a

1292

01:05:03,910 --> 01:05:01,490

little bit loud just so you know your

1293

01:05:05,950 --> 01:05:03,920

volume is very loud okay well I don't

1294

01:05:09,470 --> 01:05:05,960

know how to turn down that yeah you're

1295

01:05:13,190 --> 01:05:09,480

fine you're fine you're fine anyway um

1296

01:05:16,040 --> 01:05:13,200

Jan was yes Oh Jan was just saying

1297

01:05:18,680 --> 01:05:16,050

something pretty important is that yeah

1298

01:05:21,470 --> 01:05:18,690

indeed Chris Rakowski is well Chris

1299

01:05:23,000 --> 01:05:21,480

Chris's there Chris's their civilian I

1300

01:05:24,440 --> 01:05:23,010

mean he's pushed and pushed and pushed

1301

01:05:27,130 --> 01:05:24,450

the Department of Transport and the

1302

01:05:29,390 --> 01:05:27,140

Royal Canadian Air Force and Canada's

1303

01:05:30,800 --> 01:05:29,400

Canada's half of the North American

1304

01:05:33,950 --> 01:05:30,810

Aerospace Defense Command out of

1305

01:05:37,609 --> 01:05:33,960

Winnipeg sorry out of Sudbury for

1306

01:05:41,990 --> 01:05:37,619

essentially like basic UFO cases and I

1307

01:05:44,690 --> 01:05:42,000

mean it so Chris Chris gets copies of

1308

01:05:46,210 --> 01:05:44,700

what Jan just mentioned which service

1309

01:05:49,910 --> 01:05:46,220

reports service stands for

1310

01:05:51,800 --> 01:05:49,920

communications yeah its communications

1311

01:05:54,170 --> 01:05:51,810

instructions for reporting vital

1312

01:05:56,300 --> 01:05:54,180

intelligence sightings which is a system

1313

01:06:00,319 --> 01:05:56,310

it's a radio call-in system it actually

1314

01:06:02,839 --> 01:06:00,329

dates back to 1953 and it used to be

1315

01:06:04,520 --> 01:06:02,849

placed within a huge publication that

1316

01:06:06,589 --> 01:06:04,530

was jointly published by the Canadian

1317

01:06:09,319 --> 01:06:06,599

government and the and the US Joint

1318

01:06:13,790 --> 01:06:09,329

Chiefs of Staff had called a joint Army

1319

01:06:15,650 --> 01:06:13,800

Air Force Navy protocol 146 anyway so so

1320

01:06:20,210 --> 01:06:15,660

the so a pilot can call him a service

1321

01:06:23,059 --> 01:06:20,220

report and and indeed a pilot did call

1322

01:06:24,950 --> 01:06:23,069

in the it was parent know if was a part

1323

01:06:26,359 --> 01:06:24,960

that called it in but it was it was from

1324

01:06:28,370 --> 01:06:26,369

officialdom where there was a mac for

1325

01:06:30,740 --> 01:06:28,380

object going across Canada which like

1326

01:06:34,010 --> 01:06:30,750

Jan says is is absolutely incredible and

1327

01:06:37,099 --> 01:06:34,020

when you take say say say in the 70s 80s

1328

01:06:41,000 --> 01:06:37,109

the Soviet Union's fastest combat jet

1329

01:06:42,859 --> 01:06:41,010

went at two points sorry went at some

1330

01:06:45,620 --> 01:06:42,869

point eight Mac and if it went any

1331

01:06:47,690 --> 01:06:45,630

faster its engines up you know something

1332

01:06:51,079 --> 01:06:47,700

like an f15 Eagle II model can go up

1333

01:06:55,940 --> 01:06:51,089

like two point two so so MUC for just to

1334

01:07:00,559 --> 01:06:55,950

give you an idea three-plus yeah yeah

1335

01:07:03,170 --> 01:07:00,569

the sr-71 can hit roughly Mach 3 most

1336

01:07:04,520 --> 01:07:03,180

gives us an idea very famous in rice

1337

01:07:06,050 --> 01:07:04,530

trials and it shouldn't do it it just

1338

01:07:08,809 --> 01:07:06,060

should not do that blow its engines up

1339

01:07:10,940 --> 01:07:08,819

so Mac for or anything even like Mac for

1340

01:07:12,559 --> 01:07:10,950

just to be look unannounced just to be

1341

01:07:13,490 --> 01:07:12,569

literally flying across you know the

1342

01:07:16,069 --> 01:07:13,500

Canadian wilderness

1343

01:07:18,740 --> 01:07:16,079

so everyone to see right like Christmas

1344

01:07:20,480 --> 01:07:18,750

tree is is really really crazy like the

1345

01:07:22,130 --> 01:07:20,490

D and the other thing is about Chris

1346

01:07:23,390 --> 01:07:22,140

Rakowski I talked to Chris Markowski a

1347

01:07:25,569 --> 01:07:23,400

lot and hey you got

1348

01:07:28,910 --> 01:07:25,579

understand that internally we're NORAD's

1349

01:07:32,000 --> 01:07:28,920

internal raid us like NORAD's NORAD's

1350

01:07:34,099 --> 01:07:32,010

Nora sorry Canada's role in NORAD starts

1351

01:07:36,620 --> 01:07:34,109

off with what we call a first innovation

1352

01:07:38,510 --> 01:07:36,630

Canada which is which is a first fighter

1353

01:07:40,339 --> 01:07:38,520

combat surveillance unit and it's dotted

1354

01:07:43,579 --> 01:07:40,349

all over the country Chris doesn't get

1355

01:07:45,529 --> 01:07:43,589

Chris doesn't get like up-to-date minute

1356

01:07:46,700 --> 01:07:45,539

by minute radar tracking this of unknown

1357

01:07:48,529 --> 01:07:46,710

tracks and NORAD remaining unknown

1358

01:07:52,460 --> 01:07:48,539

targets they're all classified what

1359

01:07:54,559 --> 01:07:52,470

Chris gets is sort of like is is non

1360

01:07:57,319 --> 01:07:54,569

internal stuff so so so reports

1361

01:07:59,079 --> 01:07:57,329

delivered to the so that meteoric Sophos

1362

01:08:01,609 --> 01:07:59,089

to the National Defense Council people

1363

01:08:03,740 --> 01:08:01,619

Department of Transport

1364

01:08:05,180 --> 01:08:03,750

you know Royal Canadian Air Force Office

1365

01:08:10,760 --> 01:08:05,190

public information that sort of thing

1366

01:08:13,010 --> 01:08:10,770

yeah thank you very much Paul for that

1367

01:08:15,859 --> 01:08:13,020

input Frank I would like to bring in dr.

1368

01:08:18,769 --> 01:08:15,869

irina scott she's an author of many

1369

01:08:22,160 --> 01:08:18,779

different kinds of novels one I think is

1370

01:08:26,390 --> 01:08:22,170

on Ohio history the other is on our on

1371

01:08:28,309 --> 01:08:26,400

the UFO topic and dr. arenas Scott we

1372

01:08:28,610 --> 01:08:28,319

covered a couple of topics on the show

1373

01:08:31,669 --> 01:08:28,620

today

1374

01:08:34,189 --> 01:08:31,679

and those topics covered dr. michio kaku

1375

01:08:36,620 --> 01:08:34,199

xinput on the UFO topic at the third

1376

01:08:39,800 --> 01:08:36,630

international UFO congress and barcelona

1377

01:08:43,309 --> 01:08:39,810

spain and the other one was a president

1378

01:08:45,829 --> 01:08:43,319

Trump chiming in a little bit on the UFO

1379

01:08:47,390 --> 01:08:45,839

topic and the UFO topic was in

1380

01:08:49,880 --> 01:08:47,400

mainstream news a little bit this year

1381

01:08:52,099 --> 01:08:49,890

can you chime in on any of those topics

1382

01:08:53,630 --> 01:08:52,109

and you might have your mic on mute just

1383

01:08:57,320 --> 01:08:53,640

to let you know you might want to keep

1384

01:08:58,280 --> 01:08:57,330

it take it off mute is it all for now

1385

01:09:00,680 --> 01:08:58,290

yep it is

1386

01:09:03,740 --> 01:09:00,690

hear you loud and clear thank you doctor

1387

01:09:06,890 --> 01:09:03,750

I watched the Trump interview several

1388

01:09:09,229 --> 01:09:06,900

times and I was pretty amazed because

1389

01:09:11,599 --> 01:09:09,239

they didn't instantly ridicule the

1390

01:09:16,720 --> 01:09:11,609

subject and I thought that was coming

1391

01:09:20,180 --> 01:09:16,730

along quite well the way they had been

1392

01:09:22,820 --> 01:09:20,190

so I think things are progressing not

1393

01:09:27,530 --> 01:09:22,830

real fast but I was pretty amazed by

1394

01:09:30,140 --> 01:09:27,540

that I wanted to ask you about the mid

1395

01:09:32,300 --> 01:09:30,150

shukaku a statement that I read I don't

1396

01:09:34,640 --> 01:09:32,310

know if you had the opportunity to hear

1397

01:09:36,490 --> 01:09:34,650

it but wanted to know how do you feel

1398

01:09:40,300 --> 01:09:36,500

about a scientist

1399

01:09:43,090 --> 01:09:40,310

that credible coming forward about the

1400

01:09:46,660 --> 01:09:43,100

UFO topic and actually asking the

1401

01:09:48,400 --> 01:09:46,670

government to it's basically what what

1402

01:09:50,230 --> 01:09:48,410

he was saying is the burden of proof is

1403

01:09:51,849 --> 01:09:50,240

on the government regarding the UFO

1404

01:09:56,200 --> 01:09:51,859

topic he placed it squarely on the

1405

01:09:58,720 --> 01:09:56,210

shoulders of the US ok UF US government

1406

01:10:01,720 --> 01:09:58,730

regarding the UFO topic what is your

1407

01:10:04,240 --> 01:10:01,730

perspective on that I think he's right

1408

01:10:07,750 --> 01:10:04,250

me is logical but I don't know if it'll

1409

01:10:09,580 --> 01:10:07,760

be perceived that way because there are

1410

01:10:13,060 --> 01:10:09,590

a lot of observations and good

1411

01:10:15,520 --> 01:10:13,070

observations and for example the Nimitz

1412

01:10:19,210 --> 01:10:15,530

and everything which had radar and

1413

01:10:22,270 --> 01:10:19,220

everything else and so it in a way it is

1414

01:10:26,320 --> 01:10:22,280

but I don't know if the public in

1415

01:10:28,090 --> 01:10:26,330

general see it that way ok great thank

1416

01:10:30,850 --> 01:10:28,100

you very much for that input I did want

1417

01:10:34,000 --> 01:10:30,860

to kind of go over year 2019 regarding

1418

01:10:36,850 --> 01:10:34,010

what happened and I'm getting this from

1419

01:10:39,190 --> 01:10:36,860

an article a wonderful one written by an

1420

01:10:42,880 --> 01:10:39,200

individual by the name of Cady Haney on

1421

01:10:46,510 --> 01:10:42,890

the cut.com and she covered January to

1422

01:10:47,890 --> 01:10:46,520

March she said in April actually I'm

1423

01:10:51,070 --> 01:10:47,900

sorry I'll go ahead and start off with

1424

01:10:53,830 --> 01:10:51,080

with April the navy announces new UFO

1425

01:10:56,470 --> 01:10:53,840

reporting process in May The Times

1426

01:11:00,280 --> 01:10:56,480

publishes a story on Navy pilots UFO

1427

01:11:04,660 --> 01:11:00,290

encounters in June lawmakers briefed on

1428

01:11:07,330 --> 01:11:04,670

UFO report July teens hatch plan to

1429

01:11:10,090 --> 01:11:07,340

storm area 51 Michael hall might want to

1430

01:11:12,880 --> 01:11:10,100

chime in on that topic in August we had

1431

01:11:16,270 --> 01:11:12,890

Bernie Sanders pledged to reveal UFO

1432

01:11:19,630 --> 01:11:16,280

evidence if elected September storm area

1433

01:11:21,910 --> 01:11:19,640

51 event was canceled and two youtubers

1434

01:11:24,820 --> 01:11:21,920

are arrested for breaking in trying to

1435

01:11:27,730 --> 01:11:24,830

break in anyway October strange Oregon

1436

01:11:31,660 --> 01:11:27,740

Cal Malaysians reported possible alien

1437

01:11:35,550 --> 01:11:31,670

ties I wanted to talk about the actual

1438

01:11:39,040 --> 01:11:35,560

it was a very interesting cultural

1439

01:11:42,460 --> 01:11:39,050

related topic and that is the storm area

1440

01:11:44,440 --> 01:11:42,470

51 topic and Michael Hall I would like

1441

01:11:47,320 --> 01:11:44,450

to ask you if you could please chime in

1442

01:11:49,480 --> 01:11:47,330

on that topic and everybody please all

1443

01:11:50,350 --> 01:11:49,490

of our panelists please remain on audio

1444

01:11:54,460 --> 01:11:50,360

not video

1445

01:11:58,150 --> 01:11:54,470

please go to audio and Michael hall you

1446

01:12:00,220 --> 01:11:58,160

actually had your own event that you

1447

01:12:03,340 --> 01:12:00,230

wanted to share with the entire world on

1448

01:12:05,770 --> 01:12:03,350

the storm area 51 topic can you please

1449

01:12:07,710 --> 01:12:05,780

share what you did on that the day of

1450

01:12:12,040 --> 01:12:07,720

storm area 51

1451

01:12:14,790 --> 01:12:12,050

well sure can't you know it was quite an

1452

01:12:20,110 --> 01:12:14,800

amazing event the whole idea that

1453

01:12:23,140 --> 01:12:20,120

literally due to a freak incident on

1454

01:12:25,390 --> 01:12:23,150

Facebook where Maddie Roberts put up a

1455

01:12:28,050 --> 01:12:25,400

meme that said let's store every storm

1456

01:12:31,720 --> 01:12:28,060

area51 because they can't stop all of us

1457

01:12:35,740 --> 01:12:31,730

went totally viral this was a unique

1458

01:12:38,200 --> 01:12:35,750

year in ufology where in reality people

1459

01:12:40,630 --> 01:12:38,210

from around the world got focused on the

1460

01:12:43,090 --> 01:12:40,640

idea that there's something going on

1461

01:12:46,450 --> 01:12:43,100

about this UFO thing and maybe it's

1462

01:12:49,570 --> 01:12:46,460

centered around area 51 in the Nevada

1463

01:12:52,330 --> 01:12:49,580

desert so what I ended up doing is I

1464

01:12:57,640 --> 01:12:52,340

ended up going to the little alien in

1465

01:13:00,780 --> 01:12:57,650

podcasting for five days and laughs I

1466

01:13:04,630 --> 01:13:00,790

was interviewed and interviewing

1467

01:13:07,060 --> 01:13:04,640

al-jazeera the New York Times London

1468

01:13:10,390 --> 01:13:07,070

Times people from around the world

1469

01:13:13,320 --> 01:13:10,400

showed up they're not the you know

1470

01:13:15,250 --> 01:13:13,330

millions of people that were you know

1471

01:13:17,470 --> 01:13:15,260

wondering if they're gonna show up but

1472

01:13:19,300 --> 01:13:17,480

literally there was thousands of people

1473

01:13:21,940 --> 01:13:19,310

that showed up at the doorstep of this

1474

01:13:23,860 --> 01:13:21,950

small little community that has 54

1475

01:13:26,710 --> 01:13:23,870

people that live there year around so

1476

01:13:30,490 --> 01:13:26,720

all I can say about the storming area51

1477

01:13:33,070 --> 01:13:30,500

event is that it seemed to catalyze the

1478

01:13:36,550 --> 01:13:33,080

world's interest almost like the

1479

01:13:40,450 --> 01:13:36,560

Woodstock thing did in 1969 you know

1480

01:13:42,040 --> 01:13:40,460

regarding the the war and protests and

1481

01:13:43,990 --> 01:13:42,050

those kinds of things just the fact that

1482

01:13:46,510 --> 01:13:44,000

you can get a half a million young

1483

01:13:49,120 --> 01:13:46,520

people in 1969 to go there and have a

1484

01:13:53,080 --> 01:13:49,130

peaceful weekend of music it was a very

1485

01:13:55,600 --> 01:13:53,090

similar feeling at area 51 at alien

1486

01:13:57,760 --> 01:13:55,610

stock where literally the world was

1487

01:14:01,300 --> 01:13:57,770

there and I'll tell you what the Foreign

1488

01:14:02,860 --> 01:14:01,310

Press were interviewing each other this

1489

01:14:03,940 --> 01:14:02,870

is probably the first time that people

1490

01:14:06,250 --> 01:14:03,950

from around the

1491

01:14:07,600 --> 01:14:06,260

world could talk with other people for

1492

01:14:12,700 --> 01:14:07,610

different countries that are interested

1493

01:14:15,490 --> 01:14:12,710

in this journalistic venture of finding

1494

01:14:17,050 --> 01:14:15,500

out what happened about you know Michael

1495

01:14:20,710 --> 01:14:17,060

I would like to put you on the spot

1496

01:14:23,140 --> 01:14:20,720

regarding this topic I myself didn't

1497

01:14:28,630 --> 01:14:23,150

find any educational value whatsoever

1498

01:14:31,360 --> 01:14:28,640

about anyone possibly thinking about

1499

01:14:34,780 --> 01:14:31,370

storming area 51 I know everybody has

1500

01:14:38,980 --> 01:14:34,790

their own perspectives regarding it but

1501

01:14:43,080 --> 01:14:38,990

my personal perspective was I really had

1502

01:14:46,150 --> 01:14:43,090

an issue with the thought of citizens

1503

01:14:49,240 --> 01:14:46,160

whether they be US citizens or anyone

1504

01:14:53,140 --> 01:14:49,250

from around the world coming to area 51

1505

01:14:56,500 --> 01:14:53,150

a top secret base and actually even

1506

01:14:59,620 --> 01:14:56,510

thinking of breaking into the base now a

1507

01:15:04,150 --> 01:14:59,630

lot of people can say ah no it wasn't

1508

01:15:07,420 --> 01:15:04,160

Maddie Roberts idea to have or emphasize

1509

01:15:10,150 --> 01:15:07,430

or encourage folks to break into that

1510

01:15:12,130 --> 01:15:10,160

base however I would like to let

1511

01:15:16,630 --> 01:15:12,140

everybody know there were a lot of

1512

01:15:20,710 --> 01:15:16,640

people that took it literally and so I

1513

01:15:23,440 --> 01:15:20,720

want to know Michael how do you feel

1514

01:15:29,050 --> 01:15:23,450

about the idea of people wanting to

1515

01:15:32,020 --> 01:15:29,060

break into a US military base one of 800

1516

01:15:35,140 --> 01:15:32,030

around the world that we have regarding

1517

01:15:38,080 --> 01:15:35,150

this topic or just doing it at all what

1518

01:15:40,630 --> 01:15:38,090

is your thought process on that yeah

1519

01:15:42,490 --> 01:15:40,640

right from the very beginning I was

1520

01:15:44,410 --> 01:15:42,500

discouraging anyone from you know

1521

01:15:47,980 --> 01:15:44,420

breaking any laws putting anyone in

1522

01:15:51,310 --> 01:15:47,990

danger let alone our military assets and

1523

01:15:54,670 --> 01:15:51,320

personnel so we came up with the whole

1524

01:15:56,800 --> 01:15:54,680

idea of an alternative event called

1525

01:15:59,020 --> 01:15:56,810

disclosure aid where we were just going

1526

01:16:02,140 --> 01:15:59,030

to basically bring the attention of the

1527

01:16:05,680 --> 01:16:02,150

world to the disclosure of UFOs and

1528

01:16:08,080 --> 01:16:05,690

potential et presence on the planet but

1529

01:16:11,560 --> 01:16:08,090

I'll tell you what happened at the back

1530

01:16:14,890 --> 01:16:11,570

gate on Friday morning at 3:00 a.m. in

1531

01:16:17,200 --> 01:16:14,900

them on September 21st I'm sorry the

1532

01:16:17,800 --> 01:16:17,210

20th was when everyone was supposed to

1533

01:16:19,480 --> 01:16:17,810

show

1534

01:16:22,450 --> 01:16:19,490

at the back gate and do that stormy

1535

01:16:24,580 --> 01:16:22,460

event it didn't happen but there was

1536

01:16:26,440 --> 01:16:24,590

about a hundred people literally from

1537

01:16:28,390 --> 01:16:26,450

around the world that showed up and not

1538

01:16:31,030 --> 01:16:28,400

just young folks there are older people

1539

01:16:32,680 --> 01:16:31,040

they were oppressed there and people

1540

01:16:35,380 --> 01:16:32,690

that were journalists there and

1541

01:16:38,470 --> 01:16:35,390

literally it turned out to be a very

1542

01:16:40,930 --> 01:16:38,480

positive public relations thing for the

1543

01:16:43,630 --> 01:16:40,940

military because the camo dudes were

1544

01:16:46,750 --> 01:16:43,640

taking selfies with everyone there was a

1545

01:16:49,180 --> 01:16:46,760

very feeling of camaraderie and it kind

1546

01:16:51,940 --> 01:16:49,190

of kicked off the entire weekend events

1547

01:16:54,070 --> 01:16:51,950

that happened after that so we all

1548

01:16:57,010 --> 01:16:54,080

discouraged anybody from doing anything

1549

01:16:58,780 --> 01:16:57,020

nefarious out there for sure I'm glad

1550

01:17:01,510 --> 01:16:58,790

you said that because I know you did you

1551
01:17:04,030 --> 01:17:01,520
made it very very clear to everybody to

1552
01:17:07,540 --> 01:17:04,040
not do that and in fact that was really

1553
01:17:09,970 --> 01:17:07,550
part of the essence of why you had the

1554
01:17:12,850 --> 01:17:09,980
show you did so thank you for having

1555
01:17:15,220 --> 01:17:12,860
helped out in that regard I did want to

1556
01:17:16,800 --> 01:17:15,230
ask oh yes let me let me just jump in

1557
01:17:19,030 --> 01:17:16,810
let me just jump in real quick and

1558
01:17:21,280 --> 01:17:19,040
Michael it started out going in one

1559
01:17:23,110 --> 01:17:21,290
direction but it invite it evolved into

1560
01:17:23,890 --> 01:17:23,120
something else and evolved into

1561
01:17:27,880 --> 01:17:23,900
something better

1562
01:17:30,700 --> 01:17:27,890
you got it Frank that was you know most

1563
01:17:32,050 --> 01:17:30,710

of the policy community was going I

1564

01:17:34,570 --> 01:17:32,060

don't want anything to do with this I'm

1565

01:17:36,250 --> 01:17:34,580

gonna stay away from that thing but I'll

1566

01:17:38,950 --> 01:17:36,260

tell you what as the thing unfolded and

1567

01:17:40,750 --> 01:17:38,960

as more and more people showed up matter

1568

01:17:42,700 --> 01:17:40,760

of fact the event and heiko shut down

1569

01:17:46,240 --> 01:17:42,710

early so all of a sudden there was

1570

01:17:48,850 --> 01:17:46,250

nothing left but Rachel Nevada and you

1571

01:17:51,490 --> 01:17:48,860

know alien stock it ended up being a

1572

01:17:53,170 --> 01:17:51,500

very positive event and I'll tell you

1573

01:17:54,550 --> 01:17:53,180

what Kanye West is really looking

1574

01:17:56,530 --> 01:17:54,560

forward to next year it's going to be a

1575

01:17:58,810 --> 01:17:56,540

massive ha ha ha ha

1576

01:18:02,440 --> 01:17:58,820

that I think is going to really turn the

1577

01:18:04,480 --> 01:18:02,450

world you know as far as their reality

1578

01:18:06,730 --> 01:18:04,490

of what's going on she's gonna have to

1579

01:18:09,700 --> 01:18:06,740

expand that place it's kind of a funny

1580

01:18:13,120 --> 01:18:09,710

place isn't it oh no there is plenty of

1581

01:18:14,770 --> 01:18:13,130

room on is they leave it oh no no I mean

1582

01:18:17,500 --> 01:18:14,780

in the in itself it's kind of at all

1583

01:18:19,720 --> 01:18:17,510

kind of a small place isn't it well

1584

01:18:22,120 --> 01:18:19,730

literally the in itself was closed down

1585

01:18:23,800 --> 01:18:22,130

for most of the weekend and only opened

1586

01:18:24,190 --> 01:18:23,810

up for breakfast so you're right I'm

1587

01:18:26,020 --> 01:18:24,200

sorry

1588

01:18:28,450 --> 01:18:26,030

she is gonna have to prepare for

1589

01:18:31,160 --> 01:18:28,460

something if she wants to have those

1590

01:18:36,020 --> 01:18:31,170

breakfasts again at the little alien

1591

01:18:39,290 --> 01:18:36,030

I aya was just talking to Stacy off off

1592

01:18:43,820 --> 01:18:39,300

the show here wanted a Stacy right and

1593

01:18:47,030 --> 01:18:43,830

Jim man about the storm area51 topic and

1594

01:18:50,090 --> 01:18:47,040

how I'd like to give him example of some

1595

01:18:53,990 --> 01:18:50,100

things I saw I was very disappointed to

1596

01:18:56,750 --> 01:18:54,000

see very violent related commentary

1597

01:19:01,490 --> 01:18:56,760

people who were actually planning online

1598

01:19:04,520 --> 01:19:01,500

to break into area 51 base openly and it

1599

01:19:07,760 --> 01:19:04,530

was not joking either they were actually

1600

01:19:10,760 --> 01:19:07,770

planning it and when I say they I mean I

1601

01:19:12,950 --> 01:19:10,770

said dozens of statements like that

1602

01:19:16,940 --> 01:19:12,960

online on social media

1603

01:19:18,680 --> 01:19:16,950

I wanted to know Jim and Stacy what was

1604

01:19:23,810 --> 01:19:18,690

your perspective when you heard about

1605

01:19:27,410 --> 01:19:23,820

this area 51 storm storm area 51 topic

1606

01:19:29,450 --> 01:19:27,420

and how it was presented well when I

1607

01:19:31,720 --> 01:19:29,460

first heard about it I thought wow I

1608

01:19:34,550 --> 01:19:31,730

would really like to see them try this

1609

01:19:35,840 --> 01:19:34,560

you know I mean it's ludicrous they

1610

01:19:38,840 --> 01:19:35,850

would think about doing this because

1611

01:19:40,640 --> 01:19:38,850

there's their question was you know can

1612

01:19:43,190 --> 01:19:40,650

they get us all or they can't they can't

1613

01:19:45,680 --> 01:19:43,200

get us all I'm thinking have you ever

1614

01:19:47,570 --> 01:19:45,690

seen an Apache helicopter in action of

1615

01:19:50,690 --> 01:19:47,580

course they can get you all in a myriad

1616

01:19:52,580 --> 01:19:50,700

of ways so you know we've got attacking

1617

01:19:53,900 --> 01:19:52,590

slaying around the Mesa Arizona area

1618

01:19:56,600 --> 01:19:53,910

here all the time because they build

1619

01:19:58,370 --> 01:19:56,610

them right here it's going yeah it's

1620

01:20:01,010 --> 01:19:58,380

quite scary and a lot of that military

1621

01:20:03,350 --> 01:20:01,020

aircraft and force is scary so it was a

1622

01:20:05,750 --> 01:20:03,360

crazy notion to begin with I see how it

1623

01:20:07,250 --> 01:20:05,760

got out of control the way that it did

1624

01:20:11,390 --> 01:20:07,260

and I'm glad that it just ended up being

1625

01:20:12,620 --> 01:20:11,400

a nice peaceful gathering but yeah when

1626

01:20:14,210 --> 01:20:12,630

I first heard about it I just thought

1627

01:20:19,580 --> 01:20:14,220

this is the craziest thing I've ever

1628

01:20:22,400 --> 01:20:19,590

heard I'm not surprised that it kind of

1629

01:20:24,650 --> 01:20:22,410

got out of hand on social media look I'm

1630

01:20:29,270 --> 01:20:24,660

not a big fan of social media to begin

1631

01:20:32,450 --> 01:20:29,280

with okay I think that many times on

1632

01:20:35,570 --> 01:20:32,460

Facebook you see a sort of a mob

1633

01:20:37,070 --> 01:20:35,580

mentality it has nothing to do with the

1634

01:20:40,730 --> 01:20:37,080

truth it's pretty deep that's these

1635

01:20:42,230 --> 01:20:40,740

keyboard warriors people that are you

1636

01:20:43,700 --> 01:20:42,240

know they're they're their heroes and

1637

01:20:44,430 --> 01:20:43,710

they're very brave as long as they're

1638

01:20:47,729 --> 01:20:44,440

behind there

1639

01:20:49,650 --> 01:20:47,739

keyboard their monitors but you take

1640

01:20:53,970 --> 01:20:49,660

them out into the real world and things

1641

01:20:56,040 --> 01:20:53,980

change a lot so when I read a few things

1642

01:20:58,590 --> 01:20:56,050

about what they thought they were going

1643

01:21:01,800 --> 01:20:58,600

to do area 51

1644

01:21:03,740 --> 01:21:01,810

I had to laugh you know because I just

1645

01:21:09,060 --> 01:21:03,750

knew that that wasn't going to happen

1646

01:21:12,420 --> 01:21:09,070

you're talking about a secured military

1647

01:21:16,620 --> 01:21:12,430

base belongs to logging to the most

1648

01:21:18,330 --> 01:21:16,630

powerful military in the entire world

1649

01:21:19,979 --> 01:21:18,340

right now do you think you're going to

1650

01:21:22,439 --> 01:21:19,989

go out there with a handful of people

1651

01:21:25,320 --> 01:21:22,449

even if you went out there with 20,000

1652

01:21:28,260 --> 01:21:25,330

people okay which that wasn't going to

1653

01:21:31,740 --> 01:21:28,270

happen we knew it but you weren't gonna

1654

01:21:33,990 --> 01:21:31,750

win you just weren't gonna win and that

1655

01:21:36,620 --> 01:21:34,000

was just crazy and I knew it wouldn't I

1656

01:21:40,050 --> 01:21:36,630

knew that it wasn't gonna turn into that

1657

01:21:42,060 --> 01:21:40,060

thank you for Dad yeah it's good to hear

1658

01:21:45,180 --> 01:21:42,070

that it did turn into something positive

1659

01:21:47,340 --> 01:21:45,190

I didn't attend it I had no intention of

1660

01:21:49,200 --> 01:21:47,350

going out there but I'm glad that it

1661

01:21:51,570 --> 01:21:49,210

turned into something positive but what

1662

01:21:54,840 --> 01:21:51,580

it did do is I think it got a lot of

1663

01:21:58,170 --> 01:21:54,850

people's attention about how fed up we

1664

01:22:00,330 --> 01:21:58,180

all are with with secrets with secrets

1665

01:22:02,790 --> 01:22:00,340

know the government the military

1666

01:22:06,180 --> 01:22:02,800

everything belongs to the people of this

1667

01:22:08,250 --> 01:22:06,190

country we deserve to hear the truth is

1668

01:22:11,040 --> 01:22:08,260

sometimes as harsh as that truth is

1669

01:22:14,400 --> 01:22:11,050

truth is better than lies we all know it

1670

01:22:18,600 --> 01:22:14,410

so that's the fight we're fighting

1671

01:22:22,110 --> 01:22:18,610

against truth and in lies and what we

1672

01:22:24,390 --> 01:22:22,120

can do is keep focused on science keep

1673

01:22:27,570 --> 01:22:24,400

focused on reality keep focused on

1674

01:22:30,840 --> 01:22:27,580

people move on and I speak for move on

1675

01:22:32,640 --> 01:22:30,850

we help people see what they you know

1676

01:22:36,150 --> 01:22:32,650

determine what they saw in the night sky

1677

01:22:39,270 --> 01:22:36,160

that's what we do we're we're we're

1678

01:22:41,490 --> 01:22:39,280

organized for field investigations and

1679

01:22:44,280 --> 01:22:41,500

right and you're right and we are going

1680

01:22:46,350 --> 01:22:44,290

to have a MUFON boot camp special

1681

01:22:49,050 --> 01:22:46,360

regarding what Jim man just mentioned

1682

01:22:51,300 --> 01:22:49,060

there that'll be next Sunday at noon

1683

01:22:53,790 --> 01:22:51,310

Arizona time and Frank will also give

1684

01:22:55,800 --> 01:22:53,800

the other timezone regarding that so

1685

01:22:58,210 --> 01:22:55,810

people aren't confused I wanted to ask

1686

01:23:01,450 --> 01:22:58,220

Russell as bill and

1687

01:23:04,330 --> 01:23:01,460

also Shane heard a Phoenix MUFON what

1688

01:23:07,090 --> 01:23:04,340

their thoughts are on this storm area 51

1689

01:23:10,210 --> 01:23:07,100

topic I know Stacy had a really great

1690

01:23:12,880 --> 01:23:10,220

point when she said that she just could

1691

01:23:15,340 --> 01:23:12,890

not even fathom or imagine why anybody

1692

01:23:18,640 --> 01:23:15,350

would want to think about breaking on

1693

01:23:20,980 --> 01:23:18,650

into a US military base especially with

1694

01:23:22,690 --> 01:23:20,990

the kind of military ready capacity we

1695

01:23:27,250 --> 01:23:22,700

have what are your thoughts on that

1696

01:23:30,150 --> 01:23:27,260

Russell or Shane be sure to unmute your

1697

01:23:37,890 --> 01:23:30,160

mics and let us know who you are

1698

01:23:41,080 --> 01:23:37,900

yeah and from the time I just thought it

1699

01:23:45,910 --> 01:23:41,090

to me would be a good way to get killed

1700

01:23:49,810 --> 01:23:45,920

and nothing other than that the military

1701

01:23:54,430 --> 01:23:49,820

obviously will not let anyone get

1702

01:23:57,160 --> 01:23:54,440

anywhere into the base it's one the most

1703

01:23:58,990 --> 01:23:57,170

highly guarded places that I know of in

1704

01:24:00,490 --> 01:23:59,000

this country I just thought it was

1705

01:24:02,860 --> 01:24:00,500

foolish from the start I had no

1706

01:24:06,730 --> 01:24:02,870

intention of going down there and I'm

1707

01:24:10,210 --> 01:24:06,740

just glad that it it ended as peacefully

1708

01:24:13,780 --> 01:24:10,220

as it did because I think the government

1709

01:24:16,840 --> 01:24:13,790

wisely had two levels of escalation

1710

01:24:19,570 --> 01:24:16,850

depending on you know what what how many

1711

01:24:22,710 --> 01:24:19,580

people showed up and their actions but

1712

01:24:27,970 --> 01:24:22,720

it was just foolish just from the start

1713

01:24:31,420 --> 01:24:27,980

yeah to degree I think our government

1714

01:24:34,030 --> 01:24:31,430

should have some secrets on certain

1715

01:24:39,910 --> 01:24:34,040

items protect the country and this

1716

01:24:42,640 --> 01:24:39,920

survey UFOs obviously not from this

1717

01:24:45,610 --> 01:24:42,650

planet but apart from that I just

1718

01:24:50,830 --> 01:24:45,620

thought the whole storm

1719

01:24:53,830 --> 01:24:50,840

area 51's for and that we've got Steve

1720

01:24:55,450 --> 01:24:53,840

Bassett on we got that Steve Steve if

1721

01:24:57,820 --> 01:24:55,460

you could hand me your mic it looks like

1722

01:24:59,740 --> 01:24:57,830

you're on the call that's a couple quick

1723

01:25:03,190 --> 01:24:59,750

questions before there you go Steve how

1724

01:25:05,170 --> 01:25:03,200

are you yeah I just we're obviously

1725

01:25:08,610 --> 01:25:05,180

going over everything that happened back

1726

01:25:09,770 --> 01:25:08,620

in 2019 and just real quick asking you

1727

01:25:11,240 --> 01:25:09,780

you know

1728

01:25:17,359 --> 01:25:11,250

what was the thing that stood out for

1729

01:25:19,970 --> 01:25:17,369

you about the year of 2019 and UFOs the

1730

01:25:21,350 --> 01:25:19,980

thing that stands out the same thing as

1731

01:25:24,169 --> 01:25:21,360

last year the year before

1732

01:25:28,010 --> 01:25:24,179

it's the de développement surrounding it

1733

01:25:30,410 --> 01:25:28,020

to the Stars Academy they've dominated

1734

01:25:31,700 --> 01:25:30,420

the media there's been about 600

1735

01:25:34,970 --> 01:25:31,710

articles that I've logged in on my

1736

01:25:37,189 --> 01:25:34,980

website on this issue by the mainstream

1737

01:25:40,129 --> 01:25:37,199

press that's a lot it's a decent amount

1738

01:25:42,439 --> 01:25:40,139

here it is and there's been a number of

1739

01:25:44,990 --> 01:25:42,449

interviews on talk shows

1740

01:25:46,970 --> 01:25:45,000

high-end talk shows Tucker Carlson can

1741

01:25:51,950 --> 01:25:46,980

barely go a week without an Nick Pope on

1742

01:25:55,189 --> 01:25:51,960

talk about but the to the stars Academy

1743

01:25:56,870 --> 01:25:55,199

is the the the big game in town some of

1744

01:25:59,180 --> 01:25:56,880

the most important things regarding them

1745

01:26:01,700 --> 01:25:59,190

was of course early me or you had that

1746

01:26:05,899 --> 01:26:01,710

identified series that was significant

1747

01:26:07,910 --> 01:26:05,909

and then probably the most important

1748

01:26:10,310 --> 01:26:07,920

thing was not well-known and that is

1749

01:26:11,740 --> 01:26:10,320

that they they were going up in Hill and

1750

01:26:15,379 --> 01:26:11,750

having meetings with members of Congress

1751

01:26:18,490 --> 01:26:15,389

privately we know of a few but I'm sure

1752

01:26:21,890 --> 01:26:18,500

they had more than just those few and

1753

01:26:23,740 --> 01:26:21,900

I'm pretty sure the game is simple

1754

01:26:27,260 --> 01:26:23,750

they're laying the groundwork for

1755

01:26:28,640 --> 01:26:27,270

hearings now that's a big deal but it's

1756

01:26:30,200 --> 01:26:28,650

private it's in the background there's

1757

01:26:33,709 --> 01:26:30,210

only a few articles were written about

1758

01:26:34,970 --> 01:26:33,719

it so and there's been other

1759

01:26:36,830 --> 01:26:34,980

developments in terms of witnesses

1760

01:26:39,319 --> 01:26:36,840

coming forward with respect to the

1761

01:26:41,270 --> 01:26:39,329

Nimitz case and so forth but they have

1762

01:26:45,319 --> 01:26:41,280

they're the they're the news story this

1763

01:26:47,180 --> 01:26:45,329

year just as they were last year in

1764

01:26:51,410 --> 01:26:47,190

regarding the other gentleman's query

1765

01:26:55,010 --> 01:26:51,420

the guest caller had a query is if

1766

01:26:57,260 --> 01:26:55,020

things slow down is there a season for

1767

01:26:58,790 --> 01:26:57,270

this yeah there is

1768

01:27:01,330 --> 01:26:58,800

there's the impeachment season and

1769

01:27:04,189 --> 01:27:01,340

there's non impeachment season

1770

01:27:07,520 --> 01:27:04,199

essentially we have been an impeachment

1771

01:27:11,029 --> 01:27:07,530

season for most of this year and now

1772

01:27:14,060 --> 01:27:11,039

we're formally in it now and you simply

1773

01:27:16,040 --> 01:27:14,070

can't advance this subject under those

1774

01:27:18,080 --> 01:27:16,050

circumstances you cannot get the media

1775

01:27:20,149 --> 01:27:18,090

attention you sure not can get the

1776

01:27:21,830 --> 01:27:20,159

political attention political class

1777

01:27:23,239 --> 01:27:21,840

attention unless you're talking about

1778

01:27:25,129 --> 01:27:23,249

some meetings privately

1779

01:27:26,600 --> 01:27:25,139

and you've got witnesses like the Nimitz

1780

01:27:28,009 --> 01:27:26,610

witnesses and you've got some gravitas

1781

01:27:30,259 --> 01:27:28,019

you can have some private meetings but

1782

01:27:32,180 --> 01:27:30,269

publicly this is going nowhere so they

1783

01:27:35,180 --> 01:27:32,190

have slowed down their slow walking this

1784

01:27:36,859 --> 01:27:35,190

intentionally and I'm slow walking I've

1785

01:27:38,930 --> 01:27:36,869

held off on the podcast it launched

1786

01:27:41,629 --> 01:27:38,940

pretty soon but I wasn't gonna launch

1787

01:27:43,790 --> 01:27:41,639

the podcast into this political storm so

1788

01:27:46,669 --> 01:27:43,800

yeah in a way things have slowed down

1789

01:27:50,569 --> 01:27:46,679

but still it's been a significant year a

1790

01:27:54,739 --> 01:27:50,579

lot has happened in terms of the storm

1791

01:27:57,859 --> 01:27:54,749

Mary 51k that was big news no question

1792

01:28:00,890 --> 01:27:57,869

it was probably the most popular event

1793

01:28:02,540 --> 01:28:00,900

of this year and I'm the most covered it

1794

01:28:04,609 --> 01:28:02,550

was never intended to actually be a

1795

01:28:07,250 --> 01:28:04,619

storm a very 51 was just a joke

1796

01:28:08,750 --> 01:28:07,260

as most people know he had no idea what

1797

01:28:10,669 --> 01:28:08,760

was gonna happen he didn't have had no

1798

01:28:13,489 --> 01:28:10,679

idea why he's tapping into a massive

1799

01:28:15,469 --> 01:28:13,499

viral vein but a lot of people in this

1800

01:28:17,629 --> 01:28:15,479

field high-end people such as myself and

1801

01:28:20,390 --> 01:28:17,639

others quickly pointed out this was a

1802

01:28:22,399 --> 01:28:20,400

bad idea to minimize the number of

1803

01:28:25,759 --> 01:28:22,409

people who got on board and then decided

1804

01:28:28,669 --> 01:28:25,769

it was a good idea and ultimately it all

1805

01:28:31,129 --> 01:28:28,679

worked out and so while it was very

1806

01:28:33,890 --> 01:28:31,139

little educational value there was a lot

1807

01:28:35,660 --> 01:28:33,900

of activist value the most important

1808

01:28:37,250 --> 01:28:35,670

value was the number of people that

1809

01:28:39,560 --> 01:28:37,260

signed up with interest are willing to

1810

01:28:41,569 --> 01:28:39,570

go meaning just signing up

1811

01:28:44,989 --> 01:28:41,579

that's simply there s like a petition

1812

01:28:46,939 --> 01:28:44,999

there saying hey I'm with you and it was

1813

01:28:49,850 --> 01:28:46,949

nearly I think over three million I know

1814

01:28:51,250 --> 01:28:49,860

that got the government's attention and

1815

01:28:54,080 --> 01:28:51,260

I think you've got the media's attention

1816

01:28:56,060 --> 01:28:54,090

now if he had worked that out so

1817

01:28:59,359 --> 01:28:56,070

everybody has signed up for storm in

1818

01:29:01,040 --> 01:28:59,369

area 51 left their email that fellow

1819

01:29:03,649 --> 01:29:01,050

would have what are the most important

1820

01:29:06,259 --> 01:29:03,659

email lists in a planet right now but he

1821

01:29:08,299 --> 01:29:06,269

didn't do is set it up that way but

1822

01:29:10,189 --> 01:29:08,309

people handle it well the ones that went

1823

01:29:12,379 --> 01:29:10,199

out to the gate went out for fun they

1824

01:29:13,939 --> 01:29:12,389

had costumes the cards were hanging out

1825

01:29:16,339 --> 01:29:13,949

with them it was great that's you know

1826

01:29:18,140 --> 01:29:16,349

they're not the enemy area 51 and the

1827

01:29:20,390 --> 01:29:18,150

people there are not the enemy we're not

1828

01:29:22,370 --> 01:29:20,400

we're not assaulting the barricades here

1829

01:29:23,930 --> 01:29:22,380

but we sent a message they tried to get

1830

01:29:27,229 --> 01:29:23,940

some entertainment events going and Rico

1831

01:29:29,020 --> 01:29:27,239

and Rachel they were somewhat successful

1832

01:29:32,839 --> 01:29:29,030

but I know a lot of money was lost

1833

01:29:35,600 --> 01:29:32,849

overall though it shows that if you've

1834

01:29:37,010 --> 01:29:35,610

got the right hook if you've got the

1835

01:29:39,860 --> 01:29:37,020

something that really

1836

01:29:41,510 --> 01:29:39,870

connects with people in this country you

1837

01:29:43,430 --> 01:29:41,520

can go out and get to three million

1838

01:29:47,090 --> 01:29:43,440

people maybe signed up only in this case

1839

01:29:49,520 --> 01:29:47,100

four with emails that you can then draw

1840

01:29:52,280 --> 01:29:49,530

upon for the activism so for me that was

1841

01:29:53,660 --> 01:29:52,290

a big deal so that that's that's my

1842

01:29:56,420 --> 01:29:53,670

thoughts on some of the things that

1843

01:29:59,240 --> 01:29:56,430

happened this year I had asked Shane

1844

01:30:02,570 --> 01:29:59,250

herd to give his input regarding the

1845

01:30:05,150 --> 01:30:02,580

storm area 51 topic I wanted to mention

1846

01:30:07,160 --> 01:30:05,160

something important Stacey Wright did

1847

01:30:10,730 --> 01:30:07,170

talk about which I already mentioned

1848

01:30:12,730 --> 01:30:10,740

previously and that is it's uh she found

1849

01:30:15,920 --> 01:30:12,740

it interesting that people would still

1850

01:30:18,800 --> 01:30:15,930

imagine even breaking into a top-secret

1851

01:30:21,290 --> 01:30:18,810

military base with the kind of military

1852

01:30:23,570 --> 01:30:21,300

ready capacity that we'd have what are

1853

01:30:28,220 --> 01:30:23,580

your thoughts on all of that and more

1854

01:30:30,920 --> 01:30:28,230

regarding that topic Shane yeah at the

1855

01:30:33,200 --> 01:30:30,930

time when that was occurring I was kind

1856

01:30:35,960 --> 01:30:33,210

of advocating on Facebook just a quick

1857

01:30:40,970 --> 01:30:35,970

short little phrase it'd be stay home

1858

01:30:43,160 --> 01:30:40,980

stay free and stay alive because you

1859

01:30:46,310 --> 01:30:43,170

know approaching a military base of any

1860

01:30:50,720 --> 01:30:46,320

sort of special area of 51 would not be

1861

01:30:53,570 --> 01:30:50,730

wise I am glad to see that ultimately it

1862

01:30:58,190 --> 01:30:53,580

ended up with some positive things like

1863

01:31:00,470 --> 01:30:58,200

Michael's work and and others although I

1864

01:31:02,060 --> 01:31:00,480

kind of was disappointed in that it you

1865

01:31:04,700 --> 01:31:02,070

know we were fighting for such

1866

01:31:07,160 --> 01:31:04,710

credibility and I think with T TSA and

1867

01:31:09,440 --> 01:31:07,170

unidentified we were really on a roll

1868

01:31:12,200 --> 01:31:09,450

there you know in the month of May for

1869

01:31:14,390 --> 01:31:12,210

example and in the whole topic of UFOs

1870

01:31:16,940 --> 01:31:14,400

was really gaining some credibility and

1871

01:31:18,530 --> 01:31:16,950

then that thing happened and it you know

1872

01:31:21,110 --> 01:31:18,540

I think it kind of damaged the

1873

01:31:22,880 --> 01:31:21,120

credibility in that way but as Steve

1874

01:31:24,650 --> 01:31:22,890

just mentioned you know there's still

1875

01:31:28,280 --> 01:31:24,660

good that come from it and it certainly

1876

01:31:31,520 --> 01:31:28,290

you know tap something in the psyche of

1877

01:31:33,680 --> 01:31:31,530

our country where millions of people

1878

01:31:35,930 --> 01:31:33,690

really have an interest in this topic

1879

01:31:37,910 --> 01:31:35,940

and so I'm sure that did catch the

1880

01:31:39,980 --> 01:31:37,920

attention of a lot of people be it

1881

01:31:42,500 --> 01:31:39,990

mainstream media politicians the

1882

01:31:45,080 --> 01:31:42,510

military itself and you know many of us

1883

01:31:47,060 --> 01:31:45,090

and ufology so you know sort of a

1884

01:31:49,310 --> 01:31:47,070

two-edged sword it was good and it was

1885

01:31:50,270 --> 01:31:49,320

you know like Hollywood says there's no

1886

01:31:54,830 --> 01:31:50,280

bad advertise

1887

01:31:56,840 --> 01:31:54,840

right bye you know so the intention is

1888

01:31:59,090 --> 01:31:56,850

great on the topic but it you know to me

1889

01:32:01,220 --> 01:31:59,100

it was a little bit negative in that it

1890

01:32:03,050 --> 01:32:01,230

was you know lack some credibility but

1891

01:32:06,350 --> 01:32:03,060

you know we've taken those hits before

1892

01:32:08,630 --> 01:32:06,360

and this topic doesn't die so you know

1893

01:32:11,300 --> 01:32:08,640

just keep moving forward and I really do

1894

01:32:13,430 --> 01:32:11,310

expect to hear some really good things

1895

01:32:15,620 --> 01:32:13,440

in the near future especially with those

1896

01:32:17,570 --> 01:32:15,630

congressional hearings and in the end

1897

01:32:20,240 --> 01:32:17,580

things that will add credibility to the

1898

01:32:22,190 --> 01:32:20,250

topic well you had mentioned a scene you

1899

01:32:25,310 --> 01:32:22,200

had mentioned the unidentified show and

1900

01:32:28,640 --> 01:32:25,320

I think well I know I was pleasantly

1901

01:32:31,130 --> 01:32:28,650

surprised I go into these oh you know

1902

01:32:32,300 --> 01:32:31,140

more than a little bit skeptical as to

1903

01:32:34,220 --> 01:32:32,310

whether or not the show is going to

1904

01:32:36,140 --> 01:32:34,230

deliver and I thought that it didn't

1905

01:32:40,460 --> 01:32:36,150

we've got a season two coming up next

1906

01:32:42,320 --> 01:32:40,470

year and what the I know we've talked

1907

01:32:44,570 --> 01:32:42,330

about there the unidentified show quite

1908

01:32:46,820 --> 01:32:44,580

a bit here I did some reviews on it and

1909

01:32:49,430 --> 01:32:46,830

all but does anyone not want to jump in

1910

01:32:51,710 --> 01:32:49,440

and give their thoughts on the season

1911

01:32:57,760 --> 01:32:51,720

one that we've already seen and what

1912

01:33:05,810 --> 01:32:57,770

might be coming up in season two anyone

1913

01:33:09,890 --> 01:33:05,820

said well I'd love to give you my

1914

01:33:14,090 --> 01:33:09,900

opinion yep but I don't like it I hadn't

1915

01:33:18,770 --> 01:33:14,100

watched the season and I don't know why

1916

01:33:20,300 --> 01:33:18,780

you know I just wasn't there and not to

1917

01:33:23,260 --> 01:33:20,310

the fault of anyone or anything

1918

01:33:27,890 --> 01:33:23,270

maybe it's the longevity that I've had

1919

01:33:29,540 --> 01:33:27,900

in the the field was I wasn't sure that

1920

01:33:32,690 --> 01:33:29,550

anything at the import was going to be

1921

01:33:34,750 --> 01:33:32,700

given that I think there was I do I

1922

01:33:37,700 --> 01:33:34,760

think there was I highly recommend

1923

01:33:40,250 --> 01:33:37,710

specifically yeah because I realized

1924

01:33:43,970 --> 01:33:40,260

that there's a lot of information that

1925

01:33:46,400 --> 01:33:43,980

most if not everyone in the general

1926

01:33:52,340 --> 01:33:46,410

public aren't aware of so I'm sure that

1927

01:33:53,900 --> 01:33:52,350

any kind of dispersal of information in

1928

01:33:57,170 --> 01:33:53,910

all the different ways that are

1929

01:33:59,360 --> 01:33:57,180

necessary and available is important and

1930

01:34:01,940 --> 01:33:59,370

this was one of those things especially

1931

01:34:06,100 --> 01:34:01,950

through the television medium

1932

01:34:09,590 --> 01:34:06,110

that people were readily accessible to

1933

01:34:12,110 --> 01:34:09,600

get this new information and which is

1934

01:34:14,060 --> 01:34:12,120

new to them but you know as you and I

1935

01:34:16,250 --> 01:34:14,070

both know and especially you know Steve

1936

01:34:20,870 --> 01:34:16,260

has been around for a while and I'm sure

1937

01:34:24,260 --> 01:34:20,880

that many others and realized that most

1938

01:34:27,860 --> 01:34:24,270

of this that's coming out now we've been

1939

01:34:29,900 --> 01:34:27,870

aware of for decades yeah that they

1940

01:34:31,940 --> 01:34:29,910

still had some nice little finds they

1941

01:34:34,130 --> 01:34:31,950

had the lady pilot on in silhouette

1942

01:34:37,460 --> 01:34:34,140

which was something that I was not

1943

01:34:40,870 --> 01:34:37,470

expecting they had the two pilots graves

1944

01:34:43,370 --> 01:34:40,880

and a coin from the Roosevelt case a

1945

01:34:45,320 --> 01:34:43,380

Elizondo kind of took a little cheap

1946

01:34:46,130 --> 01:34:45,330

shot at Rick Doty saying that he's not

1947

01:34:49,280 --> 01:34:46,140

Rick Doty

1948

01:34:50,720 --> 01:34:49,290

for six hours worth I mean I thought it

1949

01:34:51,770 --> 01:34:50,730

was pretty interesting I really did

1950

01:34:53,720 --> 01:34:51,780

though there was some there are some

1951

01:34:55,880 --> 01:34:53,730

stuff in there that was well worth a

1952

01:34:57,830 --> 01:34:55,890

look anybody else has some thoughts on

1953

01:35:02,720 --> 01:34:57,840

the show and what we could look forward

1954

01:35:05,660 --> 01:35:02,730

to with their next season I can comment

1955

01:35:07,730 --> 01:35:05,670

sure absolutely Steve first I don't

1956

01:35:10,550 --> 01:35:07,740

think it's an accident that the next

1957

01:35:13,960 --> 01:35:10,560

season doesn't start till January and I

1958

01:35:16,520 --> 01:35:13,970

gave deliberately I pushed it forward

1959

01:35:19,460 --> 01:35:16,530

hoping that they'll get will get to calm

1960

01:35:23,780 --> 01:35:19,470

waters and maybe we'll be in kamar

1961

01:35:25,580 --> 01:35:23,790

calmer waters by January and most of

1962

01:35:29,210 --> 01:35:25,590

this political storm will have passed

1963

01:35:30,290 --> 01:35:29,220

we'll see the next show is going to be

1964

01:35:33,920 --> 01:35:30,300

the next series is going to be very

1965

01:35:36,140 --> 01:35:33,930

important they they did some pretty good

1966

01:35:38,510 --> 01:35:36,150

things in the first series they got a

1967

01:35:40,130 --> 01:35:38,520

little off the rails toward the end it

1968

01:35:42,230 --> 01:35:40,140

had plenty of time to think about that

1969

01:35:44,890 --> 01:35:42,240

and so I'm gonna be watching very

1970

01:35:47,990 --> 01:35:44,900

closely one how much of the threat

1971

01:35:49,160 --> 01:35:48,000

aspect of this potential threat aspect

1972

01:35:53,990 --> 01:35:49,170

of this issue is going to be emphasized

1973

01:35:55,640 --> 01:35:54,000

in the next series and that will be

1974

01:35:57,200 --> 01:35:55,650

something critical and of course are

1975

01:35:59,030 --> 01:35:57,210

they gonna release anything truly new

1976

01:36:01,190 --> 01:35:59,040

like more gun camera footage but seyis

1977

01:36:03,980 --> 01:36:01,200

easily could do but they're gonna have a

1978

01:36:05,960 --> 01:36:03,990

strong viewership just as the second

1979

01:36:09,260 --> 01:36:05,970

season of Project Blue Book is going to

1980

01:36:11,870 --> 01:36:09,270

have a strong viewership because we're

1981

01:36:13,140 --> 01:36:11,880

winning I know some people are having

1982

01:36:16,050 --> 01:36:13,150

trouble

1983

01:36:17,670 --> 01:36:16,060

accepting that you're winning in terms

1984

01:36:22,070 --> 01:36:17,680

of the disclosure process and disclosure

1985

01:36:25,740 --> 01:36:22,080

movement and it's only a matter of time

1986

01:36:28,230 --> 01:36:25,750

but right now until we can see beyond

1987

01:36:30,120 --> 01:36:28,240

this this political storm and I mean

1988

01:36:32,220 --> 01:36:30,130

it's it's the biggest constitutional

1989

01:36:35,250 --> 01:36:32,230

crisis in American history nothing even

1990

01:36:37,410 --> 01:36:35,260

comes close certain not even Nixon and

1991

01:36:40,040 --> 01:36:37,420

so until this resolves and things settle

1992

01:36:45,480 --> 01:36:40,050

down don't expect any spectacular

1993

01:36:46,800 --> 01:36:45,490

developments but I seems they're meeting

1994

01:36:53,430 --> 01:36:46,810

and they wanna continue to do that

1995

01:36:56,850 --> 01:36:53,440

Oh on this issue the first time this is

1996

01:36:58,230 --> 01:36:56,860

not in TCG eight and he called and some

1997

01:37:00,120 --> 01:36:58,240

of the witnesses we know are available

1998

01:37:03,660 --> 01:37:00,130

get in front of those committees things

1999

01:37:05,610 --> 01:37:03,670

can move very very fast thank you very

2000

01:37:06,920 --> 01:37:05,620

much for that input Steve I wanted to

2001

01:37:09,180 --> 01:37:06,930

kind of backtrack a little bit because

2002

01:37:12,290 --> 01:37:09,190

there are a few people who didn't get to

2003

01:37:16,530 --> 01:37:12,300

chime in on the storm area51 topic and

2004

01:37:18,960 --> 01:37:16,540

one of well there are a few that we have

2005

01:37:22,080 --> 01:37:18,970

left on the list one I wanted to ask was

2006

01:37:25,320 --> 01:37:22,090

Paul Dean and that is what was your

2007

01:37:28,230 --> 01:37:25,330

perception of the storm area51 topic

2008

01:37:30,030 --> 01:37:28,240

thank you oh well I mean it suffers from

2009

01:37:37,760 --> 01:37:30,040

the same thing as the that most things

2010

01:37:40,740 --> 01:37:37,770

in ufology stuff it's it's um the

2011

01:37:44,010 --> 01:37:40,750

absolute key to the to the to the UFO

2012

01:37:45,720 --> 01:37:44,020

topic right for me is is the detection

2013

01:37:46,950 --> 01:37:45,730

and tracking capability of like the

2014

01:37:48,780 --> 01:37:46,960

North American Aerospace Defense Command

2015

01:37:51,600 --> 01:37:48,790

and the fa eyes joint surveillance

2016

01:37:57,620 --> 01:37:51,610

system and 21st space the 21st Space

2017

01:37:59,730 --> 01:37:57,630

Operations groups low Earth or low Earth

2018

01:38:03,390 --> 01:37:59,740

surveillance systems and so on so

2019

01:38:05,310 --> 01:38:03,400

distractions like storm area51 they

2020

01:38:07,800 --> 01:38:05,320

they're interesting culturally but they

2021

01:38:09,420 --> 01:38:07,810

but they do they certainly do nothing

2022

01:38:11,160 --> 01:38:09,430

for the topic as far as hard science

2023

01:38:13,260 --> 01:38:11,170

goes and convincing scientists and

2024

01:38:15,150 --> 01:38:13,270

technical people that there might be

2025

01:38:16,440 --> 01:38:15,160

something worth looking into but aside

2026

01:38:18,540 --> 01:38:16,450

from that is while everyone was

2027

01:38:20,880 --> 01:38:18,550

pontificating about what might happen if

2028

01:38:24,120 --> 01:38:20,890

you storm area 51 and what could happen

2029

01:38:25,980 --> 01:38:24,130

if you storm area 51 or whatever as soon

2030

01:38:26,839 --> 01:38:25,990

as that as soon as it was announced what

2031

01:38:29,029 --> 01:38:26,849

I'd actually did

2032

01:38:32,149 --> 01:38:29,039

was a saint freedom since 6:00 Freedom

2033

01:38:33,859 --> 01:38:32,159

of Information requests for information

2034

01:38:36,169 --> 01:38:33,869

about how it would be handled and

2035

01:38:38,449 --> 01:38:36,179

they're being processed now so one was

2036

01:38:40,279 --> 01:38:38,459

to the deputy chief of staff at

2037

01:38:44,389 --> 01:38:40,289

installations logistics and force

2038

01:38:46,060 --> 01:38:44,399

protection another FOI request was to to

2039

01:38:47,959 --> 01:38:46,070

the director of said the US Air Force

2040

01:38:50,119 --> 01:38:47,969

sorry before I should have said it

2041

01:38:51,949 --> 01:38:50,129

that's the US Air Force deputy chief of

2042

01:38:54,439 --> 01:38:51,959

staff for installations logistics force

2043

01:38:56,869 --> 01:38:54,449

protection the other one was to the US

2044

01:38:58,520 --> 01:38:56,879

Air Force's important director for

2045

01:39:01,520 --> 01:38:58,530

studies and analysis assessments and

2046

01:39:03,949 --> 01:39:01,530

lessons learned and then the other three

2047

01:39:10,639 --> 01:39:03,959

words for the security police detachment

2048

01:39:12,679 --> 01:39:10,649

and the desire air units of area 51

2049

01:39:14,770 --> 01:39:12,689

Edwards Air Force Base detachment 3 a

2050

01:39:17,029 --> 01:39:14,780

technical development center but anyway

2051
01:39:19,099 --> 01:39:17,039
so what would have happened is I mean

2052
01:39:21,319 --> 01:39:19,109
without the without the doctrine and the

2053
01:39:22,729 --> 01:39:21,329
in and the published manuals and the and

2054
01:39:24,709 --> 01:39:22,739
what we call memorandums of

2055
01:39:26,719 --> 01:39:24,719
understanding and the actual on base two

2056
01:39:28,129 --> 01:39:26,729
orders of what would have happened I

2057
01:39:29,479 --> 01:39:28,139
haven't got them yet and you know maybe

2058
01:39:30,979 --> 01:39:29,489
I never will maybe they'll be classified

2059
01:39:32,599 --> 01:39:30,989
and redacted completely blacked out I

2060
01:39:34,369 --> 01:39:32,609
don't know but what would have actually

2061
01:39:35,810 --> 01:39:34,379
happened is is you've got to understand

2062
01:39:41,560 --> 01:39:35,820
that area 51 has different layers of

2063
01:39:44,599 --> 01:39:41,570

Defense so there is so there is various

2064

01:39:47,179 --> 01:39:44,609

like automated systems like a cameras

2065

01:39:51,909 --> 01:39:47,189

and and and and and sniffers and and

2066

01:39:54,199 --> 01:39:51,919

dogs and sorry yeah a motion detectors

2067

01:39:56,929 --> 01:39:54,209

on some of the important old roads that

2068

01:39:58,699 --> 01:39:56,939

have been tried and tested before by by

2069

01:40:00,290 --> 01:39:58,709

people trying to get in there's a laser

2070

01:40:01,790 --> 01:40:00,300

detectors which work only at night and

2071

01:40:03,319 --> 01:40:01,800

so on but once you get quite close to

2072

01:40:04,849 --> 01:40:03,329

those various units there's two

2073

01:40:06,919 --> 01:40:04,859

detachments of the United States here

2074

01:40:08,330 --> 01:40:06,929

for the United States Air Force's

2075

01:40:11,179 --> 01:40:08,340

security police which are fairly basic

2076

01:40:13,790 --> 01:40:11,189

units they predict the the flight lines

2077

01:40:15,259 --> 01:40:13,800

like the edge of runways they they have

2078

01:40:17,359 --> 01:40:15,269

a power to search people for weaponry

2079

01:40:19,459 --> 01:40:17,369

and bullets and so on then you've got

2080

01:40:24,409 --> 01:40:19,469

will de Sala the private the the private

2081

01:40:25,849 --> 01:40:24,419

firms like the old AE AE and G types but

2082

01:40:28,250 --> 01:40:25,859

importantly there's something called a

2083

01:40:30,439 --> 01:40:28,260

disaster preparedness unit and this

2084

01:40:33,109 --> 01:40:30,449

would be considered as a disaster

2085

01:40:35,209 --> 01:40:33,119

just like any any other disaster say

2086

01:40:39,169 --> 01:40:35,219

like a mass a mass fuel leak or an

2087

01:40:41,060 --> 01:40:39,179

ongoing electrical outage or a like say

2088

01:40:44,510 --> 01:40:41,070

that the the crash of us

2089

01:40:45,800 --> 01:40:44,520

sniff acun aircraft platform into a into

2090

01:40:47,990 --> 01:40:45,810

an important installation or something

2091

01:40:50,120 --> 01:40:48,000

like this but the fact of the matter is

2092

01:40:51,979 --> 01:40:50,130

if people got out there they're gonna be

2093

01:40:53,810 --> 01:40:51,989

hungry and and it made the Air Force or

2094

01:40:55,310 --> 01:40:53,820

a lot I mean you're going to them right

2095

01:40:58,689 --> 01:40:55,320

the Air Force are gonna be relying on

2096

01:41:00,770 --> 01:40:58,699

people to be hungry and thirsty and

2097

01:41:02,470 --> 01:41:00,780

disorientated possibly in the middle of

2098

01:41:05,839 --> 01:41:02,480

the night

2099

01:41:07,640 --> 01:41:05,849

we're obtaining extra security forces

2100

01:41:10,189 --> 01:41:07,650

from places like Watson's and China part

2101

01:41:12,589 --> 01:41:10,199

estrogen and whatever would not be

2102

01:41:14,359 --> 01:41:12,599

overly hard like like it depends on the

2103

01:41:15,950 --> 01:41:14,369

numbers but but one day we might find

2104

01:41:19,819 --> 01:41:15,960

out what I'm what I'm curious to learn

2105

01:41:23,359 --> 01:41:19,829

is if if any if any internal studies

2106

01:41:26,149 --> 01:41:23,369

were done by headquarters Air Force

2107

01:41:27,800 --> 01:41:26,159

logistics or maybe headquarters Edwards

2108

01:41:30,560 --> 01:41:27,810

Air Force Base detachment 3 or whatever

2109

01:41:33,950 --> 01:41:30,570

if any like lessons learned studies were

2110

01:41:35,479 --> 01:41:33,960

done or are being done now on to

2111

01:41:37,220 --> 01:41:35,489

theoretically what they would have done

2112

01:41:38,600 --> 01:41:37,230

and you know because there's every

2113

01:41:40,450 --> 01:41:38,610

chance it could happen again and next

2114

01:41:42,680 --> 01:41:40,460

time I might actually really happen so

2115

01:41:45,470 --> 01:41:42,690

the thing is you know protesters have

2116

01:41:47,089 --> 01:41:45,480

always been a problem inning but the in

2117

01:41:49,550 --> 01:41:47,099

in England in the 80s or so many

2118

01:41:51,050 --> 01:41:49,560

protesters out and you can add sites

2119

01:41:53,899 --> 01:41:51,060

that the Parliament had to develop

2120

01:41:55,430 --> 01:41:53,909

thousands and thousands of pages of the

2121

01:41:57,350 --> 01:41:55,440

battle doctrine and and and

2122

01:41:59,629 --> 01:41:57,360

incarceration doctrine over how to

2123

01:42:00,890 --> 01:41:59,639

handle it and and actually had to put it

2124

01:42:02,689 --> 01:42:00,900

into effect so maybe one day it will

2125

01:42:04,459 --> 01:42:02,699

happen and those lessons learn which I'm

2126
01:42:08,479 --> 01:42:04,469
hoping to get copies of if they exist

2127
01:42:10,280 --> 01:42:08,489
will tell us tell us precisely what was

2128
01:42:11,780 --> 01:42:10,290
going through the Air Force's heads at

2129
01:42:15,589 --> 01:42:11,790
the time so that's pretty interesting

2130
01:42:17,209 --> 01:42:15,599
stuff okay thank you very much for that

2131
01:42:19,250 --> 01:42:17,219
input Steve Hudgens director of

2132
01:42:22,640 --> 01:42:19,260
investigations if MUFON wanted to ask

2133
01:42:24,319 --> 01:42:22,650
you about the storm area51 topic and I

2134
01:42:28,129 --> 01:42:24,329
did want to mention if anybody wants to

2135
01:42:32,359 --> 01:42:28,139
find out about breaking into US military

2136
01:42:35,540 --> 01:42:32,369
bases and that topic in general all you

2137
01:42:39,310 --> 01:42:35,550
have to do is go to task and purpose

2138
01:42:43,069 --> 01:42:39,320

comm and you will see a great article on

2139

01:42:45,379 --> 01:42:43,079

multiple attempts by many people who

2140

01:42:49,010 --> 01:42:45,389

have tried to break into US military

2141

01:42:52,129 --> 01:42:49,020

bases some successfully some not and the

2142

01:42:55,320 --> 01:42:52,139

website is task and purpose comm Steve

2143

01:42:56,850 --> 01:42:55,330

wanted to ask you what was your thoughts

2144

01:43:00,750 --> 01:42:56,860

what were your thoughts on the storm

2145

01:43:02,430 --> 01:43:00,760

area51 topic well when I first heard

2146

01:43:04,800 --> 01:43:02,440

about it I thought it was kind of funny

2147

01:43:07,440 --> 01:43:04,810

at first and then as it started to

2148

01:43:08,520 --> 01:43:07,450

gradually gain speed I said oh boy

2149

01:43:12,150 --> 01:43:08,530

they're gonna be in for a big surprise

2150

01:43:14,610 --> 01:43:12,160

when they get there and my biggest

2151
01:43:16,320 --> 01:43:14,620
concern was once they all get there how

2152
01:43:18,390 --> 01:43:16,330
they going to get enough gasoline to get

2153
01:43:20,670 --> 01:43:18,400
back out because there that's pretty

2154
01:43:23,160 --> 01:43:20,680
limited over there when you get but my

2155
01:43:25,050 --> 01:43:23,170
biggest concern is what's going to

2156
01:43:26,670 --> 01:43:25,060
happen next year because all of the ones

2157
01:43:28,140 --> 01:43:26,680
that are thinking like me like oh it's a

2158
01:43:30,660 --> 01:43:28,150
waste of time is stupid know this guy

2159
01:43:34,020 --> 01:43:30,670
well they're gonna go just to go it's

2160
01:43:36,660 --> 01:43:34,030
like the new Woodstock so next year is

2161
01:43:38,970 --> 01:43:36,670
going to be going to be funny and the

2162
01:43:41,700 --> 01:43:38,980
people there at Roswell there they'll be

2163
01:43:45,720 --> 01:43:41,710

prepared for it and they're gonna be

2164

01:43:47,190 --> 01:43:45,730

rich for it's over with okay well

2165

01:43:49,140 --> 01:43:47,200

there's a few people left I wanted to

2166

01:43:50,730 --> 01:43:49,150

ask about this topic but I'd also like

2167

01:43:53,540 --> 01:43:50,740

to bring up something very interesting

2168

01:43:57,240 --> 01:43:53,550

that happened regarding this topic a

2169

01:44:00,480 --> 01:43:57,250

little bit and that is there was a

2170

01:44:03,660 --> 01:44:00,490

lawsuit by I think five to six different

2171

01:44:05,820 --> 01:44:03,670

people regarding environmental hazards

2172

01:44:08,610 --> 01:44:05,830

that they believe are environmental

2173

01:44:10,980 --> 01:44:08,620

crimes related to area 51 they were

2174

01:44:13,590 --> 01:44:10,990

contractors that worked there and they

2175

01:44:15,540 --> 01:44:13,600

got very ill and they brought a lawsuit

2176
01:44:17,730 --> 01:44:15,550
against the US government regarding that

2177
01:44:19,520 --> 01:44:17,740
if anybody wants to see that interesting

2178
01:44:22,770 --> 01:44:19,530
article that is in The Washington Post

2179
01:44:26,700 --> 01:44:22,780
just look up Washington Post and type in

2180
01:44:29,640 --> 01:44:26,710
area 51 lawsuits Washington Post article

2181
01:44:32,670 --> 01:44:29,650
and Bill Clinton under presidential

2182
01:44:35,400 --> 01:44:32,680
determination decided he needs to renew

2183
01:44:37,560 --> 01:44:35,410
annually a decree that he created I

2184
01:44:40,920 --> 01:44:37,570
believe a potential evidence related to

2185
01:44:43,530 --> 01:44:40,930
any kinds of these cases that they are

2186
01:44:46,200 --> 01:44:43,540
all considered classified top-secret

2187
01:44:48,480 --> 01:44:46,210
matter of national security and that it

2188
01:44:51,120 --> 01:44:48,490

is in the paramount interest of us that

2189

01:44:53,160 --> 01:44:51,130

none of any of these lawsuits regarding

2190

01:44:55,350 --> 01:44:53,170

the materials and what they're alleging

2191

01:44:59,250 --> 01:44:55,360

happened to them that would that made

2192

01:45:00,870 --> 01:44:59,260

them sick one person died to actually be

2193

01:45:01,680 --> 01:45:00,880

revealed that none of it should be

2194

01:45:04,740 --> 01:45:01,690

disclosed

2195

01:45:06,690 --> 01:45:04,750

anyway wanted to ask anybody left we

2196

01:45:08,360 --> 01:45:06,700

have on the panel who have not touched

2197

01:45:10,670 --> 01:45:08,370

on this topic dink

2198

01:45:12,500 --> 01:45:10,680

irena Scott has not had the opportunity

2199

01:45:17,990 --> 01:45:12,510

what was your thought process on the

2200

01:45:20,480 --> 01:45:18,000

storm area51 topic doctor arena I think

2201

01:45:24,440 --> 01:45:20,490

you have your mic muted just so you know

2202

01:45:27,230 --> 01:45:24,450

I already missed my opportunity because

2203

01:45:30,050 --> 01:45:27,240

I lived in Nevada right after I got

2204

01:45:32,450 --> 01:45:30,060

married my husband had worked for area

2205

01:45:36,650 --> 01:45:32,460

51 and he could have showed me around

2206

01:45:38,390 --> 01:45:36,660

and answered questions and things I can

2207

01:45:39,890 --> 01:45:38,400

get on base because I didn't have a

2208

01:45:41,840 --> 01:45:39,900

clearance and he was no longer working

2209

01:45:45,110 --> 01:45:41,850

there but I could have found out a lot

2210

01:45:47,720 --> 01:45:45,120

and I didn't have a particle winners so

2211

01:45:50,510 --> 01:45:47,730

I guess I missed it so I didn't feel

2212

01:45:52,610 --> 01:45:50,520

like going again but you know you he

2213

01:45:54,380 --> 01:45:52,620

said that when he worked there that a

2214

01:45:57,260 --> 01:45:54,390

lot of the workers he had a high

2215

01:45:58,730 --> 01:45:57,270

clearance and if he were in with you

2216

01:46:01,070 --> 01:45:58,740

know experimental airplane or something

2217

01:46:03,710 --> 01:46:01,080

that the workers weren't allowed to see

2218

01:46:05,270 --> 01:46:03,720

the airplanes or even look at them so

2219

01:46:07,220 --> 01:46:05,280

there probably be a lot of people in

2220

01:46:10,610 --> 01:46:07,230

area 51 that basically didn't know too

2221

01:46:15,350 --> 01:46:10,620

much about it guess that's all you know

2222

01:46:19,700 --> 01:46:15,360

I otherwise I just didn't think anybody

2223

01:46:23,330 --> 01:46:19,710

actually be storming it right yes

2224

01:46:25,550 --> 01:46:23,340

understood and Spyros although you feel

2225

01:46:28,400 --> 01:46:25,560

like you are not a member of the UFO

2226

01:46:30,890 --> 01:46:28,410

community directly maybe maybe

2227

01:46:34,160 --> 01:46:30,900

indirectly I don't know you tell us what

2228

01:46:37,130 --> 01:46:34,170

was your thought process when you heard

2229

01:46:39,740 --> 01:46:37,140

or your opinion rather on folks who

2230

01:46:42,290 --> 01:46:39,750

really wanted to star Mariya 51 and

2231

01:46:44,720 --> 01:46:42,300

others who wanted the topic in the news

2232

01:46:46,460 --> 01:46:44,730

for educational reasons so folks would

2233

01:46:49,400 --> 01:46:46,470

want to learn more about the UFO topic

2234

01:46:54,650 --> 01:46:49,410

what what were your perspectives on any

2235

01:46:59,300 --> 01:46:54,660

angle of it my original feeling was

2236

01:47:00,410 --> 01:46:59,310

these are not UFO people they're not

2237

01:47:02,840 --> 01:47:00,420

they're not researchers they're not

2238

01:47:03,380 --> 01:47:02,850

bonafide researchers they are members of

2239

01:47:05,690 --> 01:47:03,390

the public

2240

01:47:08,750 --> 01:47:05,700

they are the Star Trek convention goers

2241

01:47:12,710 --> 01:47:08,760

they're the because because there was no

2242

01:47:14,900 --> 01:47:12,720

thought given to to the the the

2243

01:47:17,870 --> 01:47:14,910

initiative we're gonna Bob we're gonna

2244

01:47:20,330 --> 01:47:17,880

raid somewhere that we're gonna get shot

2245

01:47:22,790 --> 01:47:20,340

at it's just not this is ridiculous

2246

01:47:25,430 --> 01:47:22,800

thought so it couldn't have been a sea

2247

01:47:28,520 --> 01:47:25,440

a serious movement but the problem is

2248

01:47:29,990 --> 01:47:28,530

that one person making a joke you know

2249

01:47:31,910 --> 01:47:30,000

this how religions start you know you

2250

01:47:33,560 --> 01:47:31,920

one person says I'm in ridiculous and a

2251

01:47:35,330 --> 01:47:33,570

few people follow them and the next

2252

01:47:38,240 --> 01:47:35,340

thing you know there's a cult and and

2253

01:47:42,140 --> 01:47:38,250

this is a human race I'm not I I just

2254

01:47:45,200 --> 01:47:42,150

feel that it did no good at all to the

2255

01:47:48,680 --> 01:47:45,210

subject the credibility was shot it from

2256

01:47:50,120 --> 01:47:48,690

from you know how many how many serious

2257

01:47:52,850 --> 01:47:50,130

researchers were involved in this

2258

01:47:55,160 --> 01:47:52,860

movement and I think what what mr. Hall

2259

01:47:58,160 --> 01:47:55,170

did was great because he brought it back

2260

01:47:59,270 --> 01:47:58,170

down to earth okay because it could have

2261

01:48:00,979 --> 01:47:59,280

gone mental it could have gone

2262

01:48:04,280 --> 01:48:00,989

completely mad because the people that

2263

01:48:06,560 --> 01:48:04,290

were worth going there were going there

2264

01:48:10,609 --> 01:48:06,570

for a purpose it turned out to be a

2265

01:48:12,260 --> 01:48:10,619

party but our way to believe that

2266

01:48:14,750 --> 01:48:12,270

everyone went there to have a party

2267

01:48:18,020 --> 01:48:14,760

I think everyone went mr. storm area 51

2268

01:48:20,839 --> 01:48:18,030

that was the idea they didn't think it

2269

01:48:23,270 --> 01:48:20,849

through and it could have got nasty and

2270

01:48:26,810 --> 01:48:23,280

I think it turned out they turned out

2271

01:48:28,790 --> 01:48:26,820

for the better but where's the

2272

01:48:32,000 --> 01:48:28,800

credibility in the whole thing where

2273

01:48:35,240 --> 01:48:32,010

where is it ability who's who led it not

2274

01:48:36,859 --> 01:48:35,250

not the UFO community not not the people

2275

01:48:38,540 --> 01:48:36,869

that are not the people on this list for

2276

01:48:44,020 --> 01:48:38,550

example that are on this call right now

2277

01:48:50,000 --> 01:48:47,229

by the way yeah yeah I agree absolutely

2278

01:48:52,850 --> 01:48:50,010

so so what are we doing we're giving

2279

01:48:55,910 --> 01:48:52,860

we're giving airtime to a load of

2280

01:48:58,629 --> 01:48:55,920

lunatics who who didn't think it through

2281

01:49:01,790 --> 01:48:58,639

they thought it was it'll be a good idea

2282

01:49:06,649 --> 01:49:01,800

nothing worse you know the area can't

2283

01:49:08,209 --> 01:49:06,659

take the amount of people somebody's

2284

01:49:10,189 --> 01:49:08,219

already saying somebody really stated

2285

01:49:11,750 --> 01:49:10,199

how they're gonna get back is there

2286

01:49:15,109 --> 01:49:11,760

other facilities there for those people

2287

01:49:17,300 --> 01:49:15,119

and and it just it's just the whole

2288

01:49:19,520 --> 01:49:17,310

thing wasn't thought through I'm glad

2289

01:49:21,919 --> 01:49:19,530

I'm glad the government didn't have to

2290

01:49:25,069 --> 01:49:21,929

retaliate because if they did have to

2291

01:49:27,859 --> 01:49:25,079

retaliate will they be the bad guys yes

2292

01:49:29,720 --> 01:49:27,869

exactly now it's very completely that's

2293

01:49:31,549 --> 01:49:29,730

a big question they're defending the

2294

01:49:35,540 --> 01:49:31,559

country the very country these people

2295

01:49:37,819 --> 01:49:35,550

are questioning so so

2296

01:49:40,669 --> 01:49:37,829

yeah you know anyone that's been to

2297

01:49:42,979 --> 01:49:40,679

Roswell knows that you know it they a

2298

01:49:46,189 --> 01:49:42,989

lot of people dining out on this subject

2299

01:49:48,439 --> 01:49:46,199

and I think there's just another circus

2300

01:49:51,709 --> 01:49:48,449

it's just another reason to have a party

2301
01:49:55,040 --> 01:49:51,719
but hey we all need to have a reason to

2302
01:49:55,819 --> 01:49:55,050
have a party yeah exactly I just I just

2303
01:49:58,250 --> 01:49:55,829
like that

2304
01:50:04,069 --> 01:49:58,260
what Spiro said I like my steak sub

2305
01:50:05,810 --> 01:50:04,079
medium thank you go ahead sparrows I'm

2306
01:50:06,020 --> 01:50:05,820
all for having a party now don't get me

2307
01:50:08,780 --> 01:50:06,030
wrong

2308
01:50:11,030 --> 01:50:08,790
you know but the subjects serious

2309
01:50:12,709 --> 01:50:11,040
subject you know if you're asking me to

2310
01:50:14,089 --> 01:50:12,719
believe that there are aliens and if

2311
01:50:15,830 --> 01:50:14,099
you're asking me to believe that they're

2312
01:50:19,549 --> 01:50:15,840
visiting this planet and you're giving

2313
01:50:21,500 --> 01:50:19,559

me no credibility at all then then it is

2314

01:50:24,169 --> 01:50:21,510

just a bit of fun and if that's what it

2315

01:50:25,520 --> 01:50:24,179

is then we should say so we should say

2316

01:50:27,410 --> 01:50:25,530

you know what guys wouldn't read know

2317

01:50:31,669 --> 01:50:27,420

what's going on here it's just a bit of

2318

01:50:34,280 --> 01:50:31,679

fun because product curve curve to infer

2319

01:50:36,530 --> 01:50:34,290

this is M by the way and before it

2320

01:50:39,620 --> 01:50:36,540

continue I would love to just honor

2321

01:50:43,430 --> 01:50:39,630

everybody that showed up today and my

2322

01:50:46,030 --> 01:50:43,440

ability to be with you you guys have all

2323

01:50:51,560 --> 01:50:46,040

done some great things in the field and

2324

01:50:55,270 --> 01:50:51,570

we all appreciate it so I'm not sure

2325

01:50:59,629 --> 01:50:55,280

that we can qualify or even quantify how

2326

01:51:01,459 --> 01:50:59,639

and what people were thinking and I

2327

01:51:05,209 --> 01:51:01,469

think what Michael did was take a

2328

01:51:07,250 --> 01:51:05,219

situation that was going to happen and I

2329

01:51:08,629 --> 01:51:07,260

I don't believe that people really

2330

01:51:11,089 --> 01:51:08,639

thought they were going to storm area51

2331

01:51:13,609 --> 01:51:11,099

bottom line they're more intelligent

2332

01:51:15,890 --> 01:51:13,619

than that but they are available

2333

01:51:17,149 --> 01:51:15,900

everybody was oh hey we've got an

2334

01:51:19,700 --> 01:51:17,159

opportunity to take a road trip and

2335

01:51:22,609 --> 01:51:19,710

maybe party and maybe turn this into a

2336

01:51:24,770 --> 01:51:22,619

ufology Burning Man or something of that

2337

01:51:26,060 --> 01:51:24,780

nature as we go forward I mean

2338

01:51:30,439 --> 01:51:26,070

everybody's looking for a place in the

2339

01:51:32,240 --> 01:51:30,449

desert to party right I did want to give

2340

01:51:34,040 --> 01:51:32,250

some input on that and said thank you so

2341

01:51:36,379 --> 01:51:34,050

much for your invaluable input on that

2342

01:51:38,120 --> 01:51:36,389

topic wanted to share a few interesting

2343

01:51:40,240 --> 01:51:38,130

things that have happened at some US

2344

01:51:42,530 --> 01:51:40,250

military bases and I'll be very brief

2345

01:51:45,470 --> 01:51:42,540

then brought up a very interesting point

2346

01:51:47,510 --> 01:51:45,480

that was said kind of ad nauseam in my

2347

01:51:49,040 --> 01:51:47,520

opinion and that was uh you know people

2348

01:51:49,460 --> 01:51:49,050

aren't really going to break into area

2349

01:51:51,740 --> 01:51:49,470

fit

2350

01:51:54,230 --> 01:51:51,750

one why would anybody say that it's it's

2351
01:51:58,700 --> 01:51:54,240
just metaphorical metaphorical value is

2352
01:52:00,170 --> 01:51:58,710
what's being Mical emote 'add a few

2353
01:52:02,540 --> 01:52:00,180
things that have happened one last year

2354
01:52:04,340 --> 01:52:02,550
April 3rd in Colorado a man drove

2355
01:52:08,630 --> 01:52:04,350
forward with the minivan loaded with

2356
01:52:10,960 --> 01:52:08,640
propane tanks into a let's see a series

2357
01:52:13,040 --> 01:52:10,970
of bizarre incidents security incidents

2358
01:52:15,530 --> 01:52:13,050
involving a military installations

2359
01:52:18,800 --> 01:52:15,540
across the United States he went into a

2360
01:52:20,570 --> 01:52:18,810
military base with that another one was

2361
01:52:22,580 --> 01:52:20,580
February 14th

2362
01:52:24,380 --> 01:52:22,590
there was three men who managed to

2363
01:52:26,480 --> 01:52:24,390

breach a gate that led to the National

2364

01:52:27,290 --> 01:52:26,490

Security Agency's main complex in Fort

2365

01:52:29,330 --> 01:52:27,300

Meade Maryland

2366

01:52:31,430 --> 01:52:29,340

another was February 22nd an

2367

01:52:34,160 --> 01:52:31,440

unidentified man rolled up at the front

2368

01:52:37,340 --> 01:52:34,170

gate to a Naval Base Kitsap in

2369

01:52:39,080 --> 01:52:37,350

Washington State claiming his SUV and

2370

01:52:41,660 --> 01:52:39,090

his body were loaded with explosives

2371

01:52:43,460 --> 01:52:41,670

February 28th first responders rushed to

2372

01:52:45,560 --> 01:52:43,470

Joint Base myer-henderson Hall in

2373

01:52:47,270 --> 01:52:45,570

Virginia after an envelope contained an

2374

01:52:49,400 --> 01:52:47,280

unknown substance ended up sickening

2375

01:52:52,370 --> 01:52:49,410

unless at least 11 personnel with

2376

01:52:56,360 --> 01:52:52,380

symptoms that ranged from burning

2377

01:52:58,450 --> 01:52:56,370

sensations to worse March 27th federal

2378

01:53:00,740 --> 01:52:58,460

law enforcement arrested 43 year old

2379

01:53:03,050 --> 01:53:00,750

gentlemen on suspicion is sending

2380

01:53:05,150 --> 01:53:03,060

several suspicious packages to one of

2381

01:53:07,910 --> 01:53:05,160

the military installations there's quite

2382

01:53:12,620 --> 01:53:07,920

a long list of military installation

2383

01:53:15,760 --> 01:53:12,630

related incidents were civilians both

2384

01:53:19,390 --> 01:53:15,770

inside and from outside this country

2385

01:53:22,940 --> 01:53:19,400

trying to cause issues that cause major

2386

01:53:25,640 --> 01:53:22,950

security alarms to go forward so that's

2387

01:53:27,950 --> 01:53:25,650

why some people were worried that there

2388

01:53:31,670 --> 01:53:27,960

could be some potential issues regarding

2389

01:53:33,970 --> 01:53:31,680

that topic wanted to move on to probably

2390

01:53:36,140 --> 01:53:33,980

winding down this interview we want to

2391

01:53:38,570 --> 01:53:36,150

all ask Frank if there's any other

2392

01:53:39,980 --> 01:53:38,580

topics he wants to cover but the one

2393

01:53:42,470 --> 01:53:39,990

last thing I wanted to mention about

2394

01:53:45,800 --> 01:53:42,480

area 51 I think everybody needs to know

2395

01:53:48,380 --> 01:53:45,810

is that if you were to really break into

2396

01:53:51,830 --> 01:53:48,390

that base and have your way and just

2397

01:53:54,160 --> 01:53:51,840

walk around freely please know that base

2398

01:53:57,770 --> 01:53:54,170

is known to possibly have nuclear

2399

01:53:59,810 --> 01:53:57,780

material so if you break into that base

2400

01:54:02,960 --> 01:53:59,820

you're putting all of us at risk

2401
01:54:03,350 --> 01:54:02,970
regarding that so anyway Frank did you

2402
01:54:04,880 --> 01:54:03,360
have

2403
01:54:06,350 --> 01:54:04,890
another topic you wanted to cover so we

2404
01:54:09,260 --> 01:54:06,360
can go ahead and wind down the interview

2405
01:54:11,990 --> 01:54:09,270
well yeah I wanted to double back to the

2406
01:54:14,390 --> 01:54:12,000
the TTS a show and get some more

2407
01:54:17,420 --> 01:54:14,400
feedback gin older time you've been a

2408
01:54:18,950 --> 01:54:17,430
critic of TTS a in the past just curious

2409
01:54:22,640 --> 01:54:18,960
to see if you watch the show and what

2410
01:54:28,300 --> 01:54:22,650
you thought of it I'm not a critic and I

2411
01:54:32,000 --> 01:54:28,310
have no problem with people trying to

2412
01:54:35,510 --> 01:54:32,010
earn some money off of ufology in fact

2413
01:54:42,310 --> 01:54:35,520

we need to do that we need we need to

2414

01:54:45,410 --> 01:54:42,320

fund our research somehow I do have a

2415

01:54:47,270 --> 01:54:45,420

rather sharply disagree with a couple of

2416

01:54:56,350 --> 01:54:47,280

things that they're they've been into

2417

01:55:01,550 --> 01:54:56,360

like the Italian per presentation and

2418

01:55:08,720 --> 01:55:01,560

supposed meeting there but yeah I'm not

2419

01:55:13,120 --> 01:55:08,730

a critic as such I it's it's hard it's

2420

01:55:15,410 --> 01:55:13,130

hard for me to tell you know exactly

2421

01:55:25,490 --> 01:55:15,420

they've done some good and I think

2422

01:55:28,400 --> 01:55:25,500

they've stretched out what their plan is

2423

01:55:30,680 --> 01:55:28,410

to such an extent that we're getting a

2424

01:55:35,270 --> 01:55:30,690

drip drip drip about what they're going

2425

01:55:41,780 --> 01:55:35,280

to do they haven't seemed to connect

2426
01:55:44,650 --> 01:55:41,790
with with ufology except going to going

2427
01:55:50,540 --> 01:55:44,660
to conferences and you know trying to

2428
01:55:52,660 --> 01:55:50,550
give presentations my criticism would be

2429
01:55:57,250 --> 01:55:52,670
if you've got the goods

2430
01:56:00,950 --> 01:55:57,260
you don't go to ufologist they're there

2431
01:56:04,870 --> 01:56:00,960
at a low level of influence in the

2432
01:56:11,330 --> 01:56:04,880
society they don't have any money and

2433
01:56:15,470 --> 01:56:11,340
quite frankly half of them are crazy so

2434
01:56:17,919 --> 01:56:15,480
you should be out at UCLA Stanford Yale

2435
01:56:23,889 --> 01:56:17,929
Harvard

2436
01:56:30,580 --> 01:56:23,899
presenting whatever you have there I

2437
01:56:42,279 --> 01:56:30,590
don't I I don't want to prejudge their

2438
01:56:47,389 --> 01:56:45,290

okay and anyone else want to jump in on

2439

01:56:52,639 --> 01:56:47,399

their the TTS a show in the year that

2440

01:56:55,819 --> 01:56:52,649

they had sure this is oral okay girl

2441

01:56:58,250 --> 01:56:55,829

oh I'm just hoping that they have more

2442

01:56:59,929 --> 01:56:58,260

goods this coming season since they do

2443

01:57:03,580 --> 01:56:59,939

have a second season I'm guessing that

2444

01:57:06,620 --> 01:57:03,590

they do they do they do it you know what

2445

01:57:08,989 --> 01:57:06,630

Steve said January so that's not too far

2446

01:57:11,719 --> 01:57:08,999

away I hope it's you know something

2447

01:57:14,479 --> 01:57:11,729

comparable to the tic-tac or you know I

2448

01:57:17,569 --> 01:57:14,489

I would like to you know just say that

2449

01:57:20,620 --> 01:57:17,579

there it there really is no slow season

2450

01:57:24,229 --> 01:57:20,630

with the UFO there are always good

2451

01:57:26,330 --> 01:57:24,239

contemporary UFO cases I mean I I have I

2452

01:57:29,179 --> 01:57:26,340

closed them myself

2453

01:57:31,549 --> 01:57:29,189

you know just in in in California we've

2454

01:57:35,060 --> 01:57:31,559

had some wonderful cases the last year

2455

01:57:38,299 --> 01:57:35,070

but I think that you know the what

2456

01:57:40,100 --> 01:57:38,309

unidentified and what t TSA has it's a

2457

01:57:42,319 --> 01:57:40,110

platform where they can reach many

2458

01:57:45,729 --> 01:57:42,329

people and I wish that there were more

2459

01:57:50,779 --> 01:57:45,739

platforms available for you know sharing

2460

01:57:53,959 --> 01:57:50,789

contemporary UFO reports because there's

2461

01:57:56,569 --> 01:57:53,969

there's never a lack of good UFO reports

2462

01:57:59,779 --> 01:57:56,579

it's just I think where the lack is is a

2463

01:58:02,509 --> 01:57:59,789

way to get those out to the public I

2464

01:58:04,310 --> 01:58:02,519

think back when when MUFON had their old

2465

01:58:07,669 --> 01:58:04,320

hangar one show that that was a good

2466

01:58:09,560 --> 01:58:07,679

platform to get things out and and there

2467

01:58:13,549 --> 01:58:09,570

were a lot of contemporary reports that

2468

01:58:15,139 --> 01:58:13,559

people hadn't heard of before there but

2469

01:58:16,729 --> 01:58:15,149

now there's no you know there's no

2470

01:58:19,370 --> 01:58:16,739

hangar one show and there isn't anything

2471

01:58:21,709 --> 01:58:19,380

that's really filled that vacuum and it

2472

01:58:24,229 --> 01:58:21,719

would be really good if there was you

2473

01:58:27,370 --> 01:58:24,239

know we keep mulling the same few cases

2474

01:58:30,409 --> 01:58:27,380

and in great cases you know Roswell and

2475

01:58:33,919 --> 01:58:30,419

Rendlesham and and the show

2476

01:58:37,609 --> 01:58:33,929

go hare story the jl flight in alaska

2477

01:58:40,459 --> 01:58:37,619

etc etc but those same cases just keep

2478

01:58:42,699 --> 01:58:40,469

on getting mold over and retold when

2479

01:58:46,790 --> 01:58:42,709

there's such an embarrassment of riches

2480

01:58:49,100 --> 01:58:46,800

actually uh in the field there are many

2481

01:58:52,449 --> 01:58:49,110

many really really good reports that are

2482

01:58:55,310 --> 01:58:52,459

contemporary that are ongoing as far as

2483

01:58:57,500 --> 01:58:55,320

investigations go well you did the earl

2484

01:59:00,350 --> 01:58:57,510

you did the show with the brothers a few

2485

01:59:04,580 --> 01:59:00,360

months back and that went well you came

2486

01:59:06,319 --> 01:59:04,590

off great and you know is that like a

2487

01:59:07,879 --> 01:59:06,329

one-shot deal for those guys are they

2488

01:59:10,879 --> 01:59:07,889

going to do more shows or don't you know

2489

01:59:13,310 --> 01:59:10,889

uh you know i so far I haven't heard

2490

01:59:15,080 --> 01:59:13,320

that they have gotten a series yet but

2491

01:59:16,549 --> 01:59:15,090

they're being kind of mom about it but

2492

01:59:19,250 --> 01:59:16,559

they did say that I was going to be

2493

01:59:20,989 --> 01:59:19,260

there you know go to MUFON guy but you

2494

01:59:23,479 --> 01:59:20,999

know people say a lot of stuff haven't

2495

01:59:26,509 --> 01:59:23,489

you know signed a contract with anybody

2496

01:59:28,909 --> 01:59:26,519

yet I mean I'm doing a presently right

2497

01:59:32,859 --> 01:59:28,919

now my state director Jeff Crouse and

2498

01:59:36,290 --> 01:59:32,869

myself are working with Amazon Prime

2499

01:59:38,709 --> 01:59:36,300

documentary on the subject and and we

2500

01:59:40,790 --> 01:59:38,719

were bringing up our own cases

2501
01:59:43,100 --> 01:59:40,800
contemporary stuff and so hopefully

2502
01:59:45,020 --> 01:59:43,110
that'll give us a little platform but

2503
01:59:46,310 --> 01:59:45,030
there needs to be something like you

2504
01:59:49,189 --> 01:59:46,320
know I mean when you have the Travel

2505
01:59:52,729 --> 01:59:49,199
Channel like I offered contemporary

2506
01:59:54,620 --> 01:59:52,739
cases to that show and right right they

2507
01:59:56,540 --> 01:59:54,630
weren't really interested they kind of

2508
01:59:58,639 --> 01:59:56,550
just wanted me to comment on the tick

2509
02:00:01,790 --> 01:59:58,649
tack which I was happy to do it's a good

2510
02:00:04,149 --> 02:00:01,800
case they had one they actually had one

2511
02:00:06,589 --> 02:00:04,159
case that was the Golden Knights

2512
02:00:08,750 --> 02:00:06,599
parachute team and I recognized it I

2513
02:00:11,569 --> 02:00:08,760

said well I'm not going to be able to I

2514

02:00:13,370 --> 02:00:11,579

can debunk this one for you guys on air

2515

02:00:15,620 --> 02:00:13,380

because I you know just go to North

2516

02:00:17,719 --> 02:00:15,630

Carolina look at football stadiums and

2517

02:00:19,520 --> 02:00:17,729

see where they were you know doing their

2518

02:00:21,259 --> 02:00:19,530

thing yeah what they do is that with

2519

02:00:23,270 --> 02:00:21,269

that they jump out of planes they

2520

02:00:25,939 --> 02:00:23,280

usually have a flares with them as well

2521

02:00:28,370 --> 02:00:25,949

yeah they do the night jumps and they

2522

02:00:30,770 --> 02:00:28,380

start with a huddle so it looks like one

2523

02:00:33,229 --> 02:00:30,780

object and then they they branch off and

2524

02:00:35,689 --> 02:00:33,239

they create like a little constellation

2525

02:00:38,479 --> 02:00:35,699

in the sky over over stadiums and

2526

02:00:40,189 --> 02:00:38,489

what-have-you and that's what it was we

2527

02:00:42,229 --> 02:00:40,199

actually did that on camera but they

2528

02:00:44,010 --> 02:00:42,239

didn't use the debunk which I was kind

2529

02:00:45,270 --> 02:00:44,020

of sad about because

2530

02:00:47,430 --> 02:00:45,280

I told well that that's going to give

2531

02:00:50,460 --> 02:00:47,440

you more credibility right exactly

2532

02:00:53,270 --> 02:00:50,470

existing isn't a UFO the other ones are

2533

02:00:56,340 --> 02:00:53,280

UFOs but this one and I'm certainly not

2534

02:01:05,250 --> 02:00:56,350

I do note that they found time for Rick

2535

02:01:07,110 --> 02:01:05,260

Doty is your co-star down yeah yeah so

2536

02:01:08,670 --> 02:01:07,120

far I don't have any guys not good you

2537

02:01:13,350 --> 02:01:08,680

know in black suits a knocking at the

2538

02:01:14,760 --> 02:01:13,360

door or anything so okay before we end

2539

02:01:18,480 --> 02:01:14,770

the show I definitely have to mention

2540

02:01:20,580 --> 02:01:18,490

chase klutz keys movie extraordinary the

2541

02:01:23,790 --> 02:01:20,590

seating a little bit about it so I just

2542

02:01:26,130 --> 02:01:23,800

wanted to kind of remind Frank about

2543

02:01:31,070 --> 02:01:26,140

that is there anybody else that wants to

2544

02:01:33,750 --> 02:01:31,080

touch on the TSA topic and how 2019

2545

02:01:38,400 --> 02:01:33,760

according to the author who wrote the

2546

02:01:40,590 --> 02:01:38,410

cut article Katie Haney said this 2019

2547

02:01:42,840 --> 02:01:40,600

was a year famed ufologist and former

2548

02:01:47,600 --> 02:01:42,850

blink-182 member Tom DeLonge was proved

2549

02:01:51,780 --> 02:01:47,610

right about UFOs any any input on that

2550

02:01:55,710 --> 02:01:51,790

comment there and the tts a topic in

2551

02:01:58,050 --> 02:01:55,720

general chant this is Stacey I have

2552

02:02:01,440 --> 02:01:58,060

something that I wanted to maybe ask our

2553

02:02:04,140 --> 02:02:01,450

our panel here today and that is the the

2554

02:02:07,320 --> 02:02:04,150

very last episode of unidentified the

2555

02:02:09,240 --> 02:02:07,330

very ending was Lewis Elizondo and he

2556

02:02:12,360 --> 02:02:09,250

was being asked by the reporter can the

2557

02:02:14,160 --> 02:02:12,370

public handle the truth and Lou just got

2558

02:02:15,840 --> 02:02:14,170

this disgusted look on his face and

2559

02:02:20,820 --> 02:02:15,850

shook his head and stood up and walked

2560

02:02:22,500 --> 02:02:20,830

off camera by that myself I thought well

2561

02:02:25,410 --> 02:02:22,510

what does he mean by that

2562

02:02:27,780 --> 02:02:25,420

that's a stupid stupid question or he

2563

02:02:30,030 --> 02:02:27,790

doesn't have to answer or the answer is

2564

02:02:31,440 --> 02:02:30,040

obvious i l'm just confused by his

2565

02:02:32,400 --> 02:02:31,450

actions there what does everyone else

2566

02:02:36,000 --> 02:02:32,410

think about that

2567

02:02:38,640 --> 02:02:36,010

great question Thank You Stacey yeah I

2568

02:02:41,430 --> 02:02:38,650

kind of barely remember that the one

2569

02:02:43,020 --> 02:02:41,440

that so I can't really comment too much

2570

02:02:46,650 --> 02:02:43,030

on it it sounds like something that they

2571

02:02:48,420 --> 02:02:46,660

just sort of contrived together but the

2572

02:02:51,840 --> 02:02:48,430

one thing I think was interesting was

2573

02:02:54,960 --> 02:02:51,850

when Allison Doe was at the scu

2574

02:02:56,320 --> 02:02:54,970

conference in Alabama in Huntsville I

2575

02:02:58,120 --> 02:02:56,330

guess was early

2576

02:03:00,250 --> 02:02:58,130

this year maybe even last year that was

2577

02:03:01,780 --> 02:03:00,260

earlier this year he was there and of

2578

02:03:04,570 --> 02:03:01,790

course was asked about the frequency

2579

02:03:08,620 --> 02:03:04,580

question how often do these kind of

2580

02:03:10,090 --> 02:03:08,630

serious cases cases that make people who

2581

02:03:11,980 --> 02:03:10,100

look at this very carefully scratched

2582

02:03:14,200 --> 02:03:11,990

their heads and go there's no easy

2583

02:03:16,570 --> 02:03:14,210

explanation for that and he said he

2584

02:03:18,910 --> 02:03:16,580

wasn't sure yet during the show then he

2585

02:03:20,800 --> 02:03:18,920

said well it's a very sensitive number

2586

02:03:23,980 --> 02:03:20,810

so we're getting kind of mixed messages

2587

02:03:27,790 --> 02:03:23,990

there as far as the actual frequency of

2588

02:03:30,640 --> 02:03:27,800

truly extraordinary cases that might

2589

02:03:32,260 --> 02:03:30,650

have a witness sighting as well as some

2590

02:03:34,420 --> 02:03:32,270

physical backup in the way of remote

2591

02:03:36,520 --> 02:03:34,430

sensing data like radar so I thought

2592

02:03:39,100 --> 02:03:36,530

that was pretty interesting and just

2593

02:03:40,540 --> 02:03:39,110

before we let everybody go I get some

2594

02:03:42,970 --> 02:03:40,550

thoughts on that but what about this

2595

02:03:43,420 --> 02:03:42,980

frequency question I think got most of

2596

02:03:45,940 --> 02:03:43,430

us sir

2597

02:03:48,160 --> 02:03:45,950

at least if not reasonably well

2598

02:03:51,880 --> 02:03:48,170

convinced then at least open to the idea

2599

02:03:55,090 --> 02:03:51,890

that some of these UFOs are in fact some

2600

02:03:57,610 --> 02:03:55,100

form of extraterrestrial and just wanted

2601
02:04:00,760 --> 02:03:57,620
to know what everyone that thinks about

2602
02:04:04,810 --> 02:04:00,770
the frequency question because of it

2603
02:04:06,610 --> 02:04:04,820
can't be happening that much and but but

2604
02:04:09,460 --> 02:04:06,620
it does seem to be happening with some

2605
02:04:11,680 --> 02:04:09,470
regularity spread out over a long period

2606
02:04:17,700 --> 02:04:11,690
of time anyone have any thoughts on all

2607
02:04:19,930 --> 02:04:17,710
that well I want to jump in about the

2608
02:04:25,210 --> 02:04:19,940
comment about whether the public is

2609
02:04:27,700 --> 02:04:25,220
ready for the information and I just

2610
02:04:31,300 --> 02:04:27,710
want to point out that there's still a

2611
02:04:34,450 --> 02:04:31,310
very high percentage of the world and

2612
02:04:38,740 --> 02:04:34,460
the United States that still feel that

2613
02:04:42,190 --> 02:04:38,750

the phenomenon goes into the realm of

2614

02:04:43,540 --> 02:04:42,200

the ridiculous and will ostracize you if

2615

02:04:52,320 --> 02:04:43,550

you mention the topic

2616

02:04:55,210 --> 02:04:52,330

so as a conglomerate of UFO enthusiasts

2617

02:04:59,590 --> 02:04:55,220

researchers and authors what we need to

2618

02:05:01,210 --> 02:04:59,600

do is to work towards legitimizing this

2619

02:05:04,270 --> 02:05:01,220

topic

2620

02:05:05,770 --> 02:05:04,280

I don't anyone knows they are Borden who

2621

02:05:07,129 --> 02:05:05,780

recently well they passed away a couple

2622

02:05:09,919 --> 02:05:07,139

years ago

2623

02:05:14,740 --> 02:05:09,929

he and I and a few other people were

2624

02:05:18,350 --> 02:05:14,750

trying to work to standardize the

2625

02:05:22,640 --> 02:05:18,360

reporting procedure of the phenomenon

2626
02:05:25,370 --> 02:05:22,650
and he was working towards getting the

2627
02:05:28,540 --> 02:05:25,380
topic itself legitimized to the point of

2628
02:05:31,510 --> 02:05:28,550
being a a topic in universities

2629
02:05:37,820 --> 02:05:31,520
unfortunately passed away and and that

2630
02:05:42,729 --> 02:05:37,830
effort is who's now lost but we're still

2631
02:05:48,770 --> 02:05:42,739
not at the point where we can have

2632
02:05:56,439 --> 02:05:48,780
enough support to to force disclosure or

2633
02:06:00,680 --> 02:05:56,449
to to have to have a topic where it is

2634
02:06:06,770 --> 02:06:00,690
considered as a respectable topic in in

2635
02:06:09,320 --> 02:06:06,780
the general public all right

2636
02:06:13,700 --> 02:06:09,330
and anyone else want to jump in before

2637
02:06:20,240 --> 02:06:13,710
we wrap up I'd like to make one question

2638
02:06:27,669 --> 02:06:20,250

this is in again do we really show a

2639

02:06:31,220 --> 02:06:27,679

unified front to the public or is it the

2640

02:06:33,979 --> 02:06:31,230

dichotomous views within ufology that

2641

02:06:38,959 --> 02:06:33,989

continues to fuel the public's reticence

2642

02:06:41,330 --> 02:06:38,969

to accept us as real well I I don't

2643

02:06:43,250 --> 02:06:41,340

think it's a unified beyond the fact

2644

02:06:45,500 --> 02:06:43,260

that that we're all very much into this

2645

02:06:47,840 --> 02:06:45,510

subject that beyond that everybody kind

2646

02:06:48,859 --> 02:06:47,850

of goes in their own direction and I

2647

02:06:50,930 --> 02:06:48,869

don't think it's ever going to happen

2648

02:06:53,149 --> 02:06:50,940

where everybody's gonna get on the same

2649

02:06:54,709 --> 02:06:53,159

page as far as every aspect of the

2650

02:06:56,870 --> 02:06:54,719

subject I just don't think it's

2651

02:06:58,459 --> 02:06:56,880

happening it will ever happen it just

2652

02:07:01,120 --> 02:06:58,469

covers too much ground there are too

2653

02:07:04,910 --> 02:07:01,130

many too many things to disagree about

2654

02:07:07,340 --> 02:07:04,920

I'd like to ask spiro spero smeller's

2655

02:07:09,439 --> 02:07:07,350

I'm gonna give you only a few minutes so

2656

02:07:12,080 --> 02:07:09,449

forgive me for momming you here and

2657

02:07:15,080 --> 02:07:12,090

restricting you timewise I'm gonna ask

2658

02:07:20,600 --> 02:07:15,090

you you've had to deal with an awful lot

2659

02:07:23,030 --> 02:07:20,610

of input from folks regarding your

2660

02:07:25,430 --> 02:07:23,040

your fake film the alien autopsy movie

2661

02:07:28,280 --> 02:07:25,440

being real and then the question that

2662

02:07:31,160 --> 02:07:28,290

was just posed right now by Zen do we

2663

02:07:33,290 --> 02:07:31,170

look like a unified force essentially

2664

02:07:36,109 --> 02:07:33,300

regarding the UFO topic the folks that

2665

02:07:39,439 --> 02:07:36,119

are involved in UFO community you've had

2666

02:07:41,450 --> 02:07:39,449

to deal with a lot of flak both in and

2667

02:07:44,930 --> 02:07:41,460

out of the UFO community regarding your

2668

02:07:46,910 --> 02:07:44,940

fake film and also you have a bird's eye

2669

02:07:49,879 --> 02:07:46,920

perspective regarding the UFO community

2670

02:07:52,189 --> 02:07:49,889

and how they may or may not look unified

2671

02:07:54,530 --> 02:07:52,199

to you so if you feel like you can

2672

02:07:56,890 --> 02:07:54,540

answer that in the shortest way possible

2673

02:07:59,990 --> 02:07:56,900

that would be great

2674

02:08:02,120 --> 02:08:00,000

very quickly I think I think if I wanted

2675

02:08:04,340 --> 02:08:02,130

to and if you if you give me the

2676

02:08:06,890 --> 02:08:04,350

challenge I'll take it I could follow

2677

02:08:09,740 --> 02:08:06,900

you all again and I think the reason I

2678

02:08:12,910 --> 02:08:09,750

can do that is because the majority of

2679

02:08:16,700 --> 02:08:12,920

people viewing want to believe and

2680

02:08:18,410 --> 02:08:16,710

whilst that's the case we're never going

2681

02:08:21,620 --> 02:08:18,420

to get a unity we're gonna get the

2682

02:08:23,780 --> 02:08:21,630

people that know the facts like people

2683

02:08:26,600 --> 02:08:23,790

that have seen data and they can see

2684

02:08:28,700 --> 02:08:26,610

things that are credible and then not

2685

02:08:31,220 --> 02:08:28,710

they're not delivering that data in a

2686

02:08:32,660 --> 02:08:31,230

credible way and where they are

2687

02:08:35,240 --> 02:08:32,670

delivering it they're delivering it to

2688

02:08:37,280 --> 02:08:35,250

each other so they're not delivering it

2689

02:08:40,580 --> 02:08:37,290

to the public the public is none the

2690

02:08:43,250 --> 02:08:40,590

wiser so in order to get the credibility

2691

02:08:47,300 --> 02:08:43,260

that we seek we need to do it in a

2692

02:08:50,419 --> 02:08:47,310

blanket way I think if the US government

2693

02:08:53,240 --> 02:08:50,429

were hiding things in area 51 they could

2694

02:08:55,580 --> 02:08:53,250

very very easily create a reality TV

2695

02:08:57,950 --> 02:08:55,590

show where they have a number of experts

2696

02:09:00,500 --> 02:08:57,960

who put up a number of of elements why

2697

02:09:02,570 --> 02:09:00,510

this is not real and the majority of

2698

02:09:05,109 --> 02:09:02,580

people watching will believe it and I

2699

02:09:09,740 --> 02:09:05,119

think that's the bottom line

2700

02:09:12,530 --> 02:09:09,750

where's the unequivocal evidence and and

2701
02:09:14,419 --> 02:09:12,540
whilst we haven't got that we're back to

2702
02:09:17,060 --> 02:09:14,429
the belief system were just back to

2703
02:09:19,160 --> 02:09:17,070
religion so no I don't think we're ever

2704
02:09:22,879 --> 02:09:19,170
gonna see we're never gonna see the the

2705
02:09:24,290 --> 02:09:22,889
level of satisfaction that we require so

2706
02:09:24,590 --> 02:09:24,300
what can we do what's the next best

2707
02:09:28,879 --> 02:09:24,600
thing

2708
02:09:31,010 --> 02:09:28,889
hope for the best okay and also like to

2709
02:09:33,709 --> 02:09:31,020
mention we don't have that much time

2710
02:09:34,339 --> 02:09:33,719
left just a few minutes that Spiros

2711
02:09:36,349 --> 02:09:34,349
Millar's

2712
02:09:38,899 --> 02:09:36,359
we'll have a 25th anniversary regarding

2713
02:09:41,599 --> 02:09:38,909

the alien autopsy movie he created 25

2714

02:09:44,000 --> 02:09:41,609

years ago and then also wanted to ask a

2715

02:09:45,709 --> 02:09:44,010

question of two of our panelists whether

2716

02:09:47,869 --> 02:09:45,719

they will agree to do something or not

2717

02:09:50,179 --> 02:09:47,879

and then there's three other topics I'm

2718

02:09:52,879 --> 02:09:50,189

gonna mention that we're going to cover

2719

02:09:55,129 --> 02:09:52,889

in the future and that way everybody

2720

02:09:58,040 --> 02:09:55,139

knows and like to also thank Frank for

2721

02:10:01,009 --> 02:09:58,050

something personally on our show so I'd

2722

02:10:03,799 --> 02:10:01,019

like to ask a Michael Hall also known as

2723

02:10:04,459 --> 02:10:03,809

the paranormal lawyer and Spiro

2724

02:10:06,580 --> 02:10:04,469

smeller's

2725

02:10:09,109 --> 02:10:06,590

if they will consider doing a show

2726

02:10:12,709 --> 02:10:09,119

regarding the topic that was covered

2727

02:10:14,779 --> 02:10:12,719

very briefly today on our show and also

2728

02:10:17,330 --> 02:10:14,789

I would like to include a transcript I

2729

02:10:19,759 --> 02:10:17,340

have never read before regarding

2730

02:10:23,299 --> 02:10:19,769

questions at Michael Hall very

2731

02:10:25,909 --> 02:10:23,309

graciously and kindly created for me to

2732

02:10:28,639 --> 02:10:25,919

ask commander Willard Scott Willard

2733

02:10:30,919 --> 02:10:28,649

Miller I serve Willard Miller sir

2734

02:10:33,529 --> 02:10:30,929

Willard Scott was the old weather man

2735

02:10:35,270 --> 02:10:33,539

Yeah right that would be amusing if I

2736

02:10:37,339 --> 02:10:35,280

asked him write those questions we're

2737

02:10:39,560 --> 02:10:37,349

good a commander Willard Miller the

2738

02:10:41,929 --> 02:10:39,570

questions that Michael Hall created for

2739

02:10:44,179 --> 02:10:41,939

me to ask him I did ask him Michael and

2740

02:10:47,290 --> 02:10:44,189

I'd like to read those questions to you

2741

02:10:50,149 --> 02:10:47,300

the the answers that he gave to me

2742

02:10:53,509 --> 02:10:50,159

regarding those questions we did we did

2743

02:10:56,060 --> 02:10:53,519

that on an earlier show did that I'd

2744

02:10:58,759 --> 02:10:56,070

like to know if Michael Hall will join

2745

02:11:00,709 --> 02:10:58,769

us honest show with sparrows go over

2746

02:11:03,069 --> 02:11:00,719

those answers because there are other

2747

02:11:06,580 --> 02:11:03,079

questions I asked that I did not cover

2748

02:11:08,919 --> 02:11:06,590

will you consider doing that Michael oh

2749

02:11:10,729 --> 02:11:08,929

of course

2750

02:11:13,189 --> 02:11:10,739

spiros is one of the most knowledgeable

2751

02:11:15,589 --> 02:11:13,199

guys in this subject he created the film

2752

02:11:17,179 --> 02:11:15,599

and you know I've always just been out

2753

02:11:18,169 --> 02:11:17,189

there trying to gather information I

2754

02:11:20,929 --> 02:11:18,179

would love to do that

2755

02:11:23,719 --> 02:11:20,939

thank you for the opportunity so we'll

2756

02:11:25,489 --> 02:11:23,729

get back to our two panelists on that

2757

02:11:27,709 --> 02:11:25,499

topic regarding scheduling that show

2758

02:11:29,810 --> 02:11:27,719

thank you very much perhaps maybe we can

2759

02:11:31,639 --> 02:11:29,820

do that you know in January of next year

2760

02:11:35,659 --> 02:11:31,649

we'll figure it out the other topics I

2761

02:11:37,939 --> 02:11:35,669

wanted to mention is chases movie Chase

2762

02:11:40,099 --> 02:11:37,949

klutz key created a fascinating movie

2763

02:11:41,540 --> 02:11:40,109

that is getting awards it's called

2764

02:11:43,099 --> 02:11:41,550

extraordinary the seating is an

2765

02:11:45,379 --> 02:11:43,109

award-winning documentary film that

2766

02:11:47,540 --> 02:11:45,389

highlights the often forgotten missing

2767

02:11:47,989 --> 02:11:47,550

foetus syndrome it is now trending and

2768

02:11:50,149 --> 02:11:47,999

free on

2769

02:11:53,059 --> 02:11:50,159

Amazon Prime that she's very happy to

2770

02:11:55,429 --> 02:11:53,069

let everyone know about that and she's

2771

02:11:58,009 --> 02:11:55,439

also emphasizing this is not about the

2772

02:11:59,749 --> 02:11:58,019

money which she has not made a penny

2773

02:12:01,549 --> 02:11:59,759

it's about everyone having the

2774

02:12:03,259 --> 02:12:01,559

opportunity and privilege of seeing it

2775

02:12:05,299 --> 02:12:03,269

and that she's very happy to let

2776

02:12:07,309 --> 02:12:05,309

everybody know about that it was quite

2777

02:12:09,949 --> 02:12:07,319

an endeavor on her part and a lot of

2778

02:12:11,929 --> 02:12:09,959

people were involved on that the other

2779

02:12:15,109 --> 02:12:11,939

topic I wanted to bring up is a very

2780

02:12:17,389 --> 02:12:15,119

important we have a very special show

2781

02:12:18,949 --> 02:12:17,399

that's happening next Sunday Frank will

2782

02:12:20,569 --> 02:12:18,959

have to give every but everybody the

2783

02:12:23,269 --> 02:12:20,579

time on that you know what kind of

2784

02:12:25,639 --> 02:12:23,279

central time that's out it's at 2:00

2785

02:12:28,879 --> 02:12:25,649

Eastern Time as far as I know 2 p.m.

2786

02:12:31,639 --> 02:12:28,889

Eastern Time and that show is going to

2787

02:12:34,969 --> 02:12:31,649

be about Phoenix move fonts boot camp

2788

02:12:36,979 --> 02:12:34,979

special they had a boot camp recently

2789

02:12:39,139 --> 02:12:36,989

they had quite a few interesting people

2790

02:12:41,299 --> 02:12:39,149

who showed up Marc Dantonio the

2791

02:12:43,219 --> 02:12:41,309

astronomer they also had John Dover

2792

02:12:44,719 --> 02:12:43,229

everybody knows John Dover if you don't

2793

02:12:46,789 --> 02:12:44,729

please look him up he's a fascinating

2794

02:12:49,159 --> 02:12:46,799

person I had the opportunity and

2795

02:12:51,499 --> 02:12:49,169

privilege of interviewing him this year

2796

02:12:53,869 --> 02:12:51,509

wanted to let everybody know please tune

2797

02:12:56,809 --> 02:12:53,879

in to that show and then also I would

2798

02:12:59,599 --> 02:12:56,819

like to thank Frank because it has been

2799

02:13:02,599 --> 02:12:59,609

a year that I have had the privilege and

2800

02:13:05,629 --> 02:13:02,609

honor of being your co-host it's our

2801
02:13:07,369 --> 02:13:05,639
one-year anniversary regarding my being

2802
02:13:10,519 --> 02:13:07,379
your co-host on the show roughly it is

2803
02:13:12,769 --> 02:13:10,529
about that yeah yeah usually started I

2804
02:13:15,769 --> 02:13:12,779
think on the Bob Lazar pale that we had

2805
02:13:18,949 --> 02:13:15,779
and then I did our year-end review show

2806
02:13:21,919 --> 02:13:18,959
last year where we only had four guests

2807
02:13:26,389 --> 02:13:21,929
including you at that time and today we

2808
02:13:28,579 --> 02:13:26,399
had 26 or 27 guests so the show was

2809
02:13:32,599 --> 02:13:28,589
seven or eight times better than it was

2810
02:13:35,779 --> 02:13:32,609
last year for sure so yes thank you

2811
02:13:37,609 --> 02:13:35,789
Frank that's it thanks for coming on the

2812
02:13:40,939 --> 02:13:37,619
show thanks for helping keep it going

2813
02:13:43,759 --> 02:13:40,949

there because it's a yeah yeah I

2814

02:13:46,009 --> 02:13:43,769

appreciate that smart guy yeah it's a

2815

02:13:47,599 --> 02:13:46,019

it's not a one-man it's really not a

2816

02:13:50,449 --> 02:13:47,609

one-man person running one of these

2817

02:13:53,629 --> 02:13:50,459

things so definitely a chance stepped in

2818

02:13:56,539 --> 02:13:53,639

and did a lot more than I was expecting

2819

02:13:58,309 --> 02:13:56,549

really you're a great team well I

2820

02:13:59,869 --> 02:13:58,319

appreciate that appreciate that I mean

2821

02:14:00,720 --> 02:13:59,879

that I mean every my particularly was

2822

02:14:02,910 --> 02:14:00,730

impressed with the

2823

02:14:03,780 --> 02:14:02,920

on a preparation that she did and you

2824

02:14:05,970 --> 02:14:03,790

too Frank

2825

02:14:16,560 --> 02:14:05,980

now chant doesn't what's the preparation

2826

02:14:20,100 --> 02:14:16,570

I just wing it yeah whoever saying in

2827

02:14:22,290 --> 02:14:20,110

the UK chant is is a Rottweiler with lip

2828

02:14:30,570 --> 02:14:22,300

gloss pretty much yeah pretty much about

2829

02:14:32,130 --> 02:14:30,580

right anyway good all right so right

2830

02:14:37,130 --> 02:14:32,140

anyone else have anything else to add

2831

02:14:41,760 --> 02:14:39,870

no last parting thoughts huh I'd like to

2832

02:14:44,430 --> 02:14:41,770

I would like to personally thank Phoenix

2833

02:14:46,440 --> 02:14:44,440

MUFON director Jim Mann assistant

2834

02:14:49,580 --> 02:14:46,450

director Stacey Wright I would like to

2835

02:14:52,170 --> 02:14:49,590

thank Russell as bill and Shane heard

2836

02:14:54,840 --> 02:14:52,180

investigators for Phoenix MUFON I would

2837

02:14:56,520 --> 02:14:54,850

like to thank Earl Grey who is on I

2838

02:14:57,960 --> 02:14:56,530

believe the star team please correct me

2839

02:15:00,080 --> 02:14:57,970

if I'm wrong on that you're also the

2840

02:15:03,600 --> 02:15:00,090

assistant director and a former

2841

02:15:08,550 --> 02:15:03,610

investigator of Southern California

2842

02:15:12,300 --> 02:15:08,560

MUFON chapter young you're not just

2843

02:15:14,640 --> 02:15:12,310

investigator you're also yeah there we

2844

02:15:17,310 --> 02:15:14,650

go chief investigator thank you research

2845

02:15:20,640 --> 02:15:17,320

team - wonderful thank you and then we

2846

02:15:23,010 --> 02:15:20,650

also had Reuben OD out there and Reuben

2847

02:15:24,870 --> 02:15:23,020

was on the show briefly with us Earl can

2848

02:15:28,170 --> 02:15:24,880

you please share his style

2849

02:15:31,080 --> 02:15:28,180

north north north calif northern

2850

02:15:33,690 --> 02:15:31,090

california state director in a dear

2851

02:15:36,330 --> 02:15:33,700

friend was very knowledgeable guy and a

2852

02:15:38,970 --> 02:15:36,340

wonderful author as well thank you very

2853

02:15:41,970 --> 02:15:38,980

much for that input we also did have a

2854

02:15:43,770 --> 02:15:41,980

show with reuben and a few other people

2855

02:15:46,560 --> 02:15:43,780

and that show please look up that was a

2856

02:15:48,780 --> 02:15:46,570

fascinating show we had dr. irina scott

2857

02:15:51,690 --> 02:15:48,790

author of multiple UFO books all

2858

02:15:54,060 --> 02:15:51,700

published by philip mantel of sky disk

2859

02:15:55,500 --> 02:15:54,070

press Philip mantel was supposed to be

2860

02:15:58,470 --> 02:15:55,510

on with us today but he didn't have the

2861

02:16:00,090 --> 02:15:58,480

opportunity and then we also had Spiros

2862

02:16:02,160 --> 02:16:00,100

melora's owner creator and director of

2863

02:16:04,620 --> 02:16:02,170

the alien autopsy movie the 25th

2864

02:16:08,580 --> 02:16:04,630

anniversary will be next year we had Zen

2865

02:16:10,380 --> 02:16:08,590

Benefiel who is well actually Zen has

2866

02:16:13,410 --> 02:16:10,390

quite a long resume so you have to look

2867

02:16:14,220 --> 02:16:13,420

him up he also runs the I believe it's

2868

02:16:16,830 --> 02:16:14,230

is it the

2869

02:16:19,320 --> 02:16:16,840

FOP RSS can you can you tell me the name

2870

02:16:23,300 --> 02:16:19,330

of that p RS s that you have on Twitter

2871

02:16:28,920 --> 02:16:23,310

that everybody needs to follow ufology

2872

02:16:30,330 --> 02:16:28,930

underscore p RS s okay basically the

2873

02:16:33,419 --> 02:16:30,340

same title as a website you saw the

2874

02:16:38,910 --> 02:16:33,429

ufology press calm and brain just hit

2875

02:16:42,450 --> 02:16:38,920

the 11700 mark congratulations we have

2876

02:16:45,540 --> 02:16:42,460

anything or not that is significant

2877

02:16:48,180 --> 02:16:45,550

that's something to to drink to we had

2878

02:16:50,310 --> 02:16:48,190

Michael Hall the attorney for grant

2879

02:16:52,589 --> 02:16:50,320

Cameron and a few other notable people

2880

02:16:56,759 --> 02:16:52,599

in the UFO community and outside of it

2881

02:17:03,390 --> 02:16:56,769

and we also had Paul Dean historian and

2882

02:17:05,940 --> 02:17:03,400

researcher on we had Jan Aldridge on yes

2883

02:17:10,680 --> 02:17:05,950

and Jan just to share a little bit about

2884

02:17:12,049 --> 02:17:10,690

Jan he is a where do we have Jan here I

2885

02:17:15,660 --> 02:17:12,059

have a founder and coordinator

2886

02:17:17,910 --> 02:17:15,670

coordinator of project 1947 it which is

2887

02:17:19,440 --> 02:17:17,920

a research project documenting UFO news

2888

02:17:22,049 --> 02:17:19,450

accounts from sightings that occurred in

2889

02:17:25,320 --> 02:17:22,059

1947 please do look that up so that you

2890

02:17:29,400 --> 02:17:25,330

can read all of this fascinating

2891

02:17:31,560 --> 02:17:29,410

information great great site go check it

2892

02:17:34,140 --> 02:17:31,570

out I've got I've got some links to it

2893

02:17:35,820 --> 02:17:34,150

at my website for but some of the oral

2894

02:17:37,980 --> 02:17:35,830

histories that they did over there just

2895

02:17:40,919 --> 02:17:37,990

that fabulous work he had mentioned Tom

2896

02:17:42,870 --> 02:17:40,929

Julia and that he's a guy who got in the

2897

02:17:44,370 --> 02:17:42,880

faces of some of these folks and I'm

2898

02:17:47,280 --> 02:17:44,380

assuming uh some of them aren't around

2899

02:17:49,049 --> 02:17:47,290

anymore so that's that's part of the

2900

02:17:52,860 --> 02:17:49,059

historical record that's great work they

2901

02:17:55,100 --> 02:17:52,870

do over there and we also had Steve

2902

02:18:00,330 --> 02:17:55,110

Bassett who is a lobbyist in Washington

2903

02:18:01,950 --> 02:18:00,340

and we also have an activist also we had

2904

02:18:05,700 --> 02:18:01,960

Steve Hudgens director of Investigations

2905

02:18:08,700 --> 02:18:05,710

for MUFON and if I'm missing anybody

2906

02:18:10,799 --> 02:18:08,710

please you know although I did mention

2907

02:18:14,910 --> 02:18:10,809

well Dean as a historian and researcher

2908

02:18:17,820 --> 02:18:14,920

yes is there anybody else yet author

2909

02:18:20,790 --> 02:18:17,830

paulvickie at Georgia slate okay great

2910

02:18:23,190 --> 02:18:20,800

and then we also had Dave Loomis he had

2911

02:18:26,280 --> 02:18:23,200

some I think he was a state section

2912

02:18:28,230 --> 02:18:26,290

director for xolo MUFON he had some

2913

02:18:30,209 --> 02:18:28,240

serious audio issues

2914

02:18:33,570 --> 02:18:30,219

but we will hopefully be hearing from

2915

02:18:36,839 --> 02:18:33,580

him next Sunday at 2 p.m. is it central

2916

02:18:40,169 --> 02:18:36,849

time Frank for the mufon it is a 2 p.m.

2917

02:18:43,469 --> 02:18:40,179

East Coast time 3 p.m. West Coast time

2918

02:18:44,910 --> 02:18:43,479

in Arizona I guess will be to noon I'm

2919

02:18:49,910 --> 02:18:44,920

sorry wait a minute

2920

02:18:52,799 --> 02:18:49,920

3 p.m. it'll be not wet 2 p.m. my time

2921

02:18:53,969 --> 02:18:52,809

noon your time and then 11:00 a.m. West

2922

02:18:56,280 --> 02:18:53,979

Coast time there we go

2923

02:18:57,509 --> 02:18:56,290

ok alright thank you Joe we're good

2924

02:18:59,100 --> 02:18:57,519

having been on show

2925

02:19:00,959 --> 02:18:59,110

yep thanks a lot everybody I appreciate

2926

02:19:03,150 --> 02:19:00,969

it have a great rest of the year and

2927

02:19:05,790 --> 02:19:03,160

enjoy your holiday season if I don't get
