how are you great it's so lovely having

43

00:02:41,890 --> 00:02:38,630

you here on the show I wanted to ask you

44

00:02:48,360 --> 00:02:41,900

a question how long have you been

45

00:02:53,110 --> 00:02:51,220

well-walled with that since I became and

46

00:02:56,199 --> 00:02:53,120

mr. cater for the Center for UFO studies

47

00:02:59,080 --> 00:02:56,209

back in 1980 and

48

00:03:02,619 --> 00:02:59,090

I was there about when I was doing

49

00:03:07,770 --> 00:03:02,629

research and actual field investigations

50

00:03:12,039 --> 00:03:07,780

of citing cases from been on until about

51  
00:03:14,709 --> 00:03:12,049  
1987 wonderful thank you very much for

52  
00:03:16,929 --> 00:03:14,719  
sharing that wanted to go back to before

53  
00:03:20,229 --> 00:03:16,939  
that period of time when you were

54  
00:03:22,089 --> 00:03:20,239  
growing up in the bear clod city of

55  
00:03:23,800 --> 00:03:22,099  
Philippines and you'll have to pronounce

56  
00:03:25,750 --> 00:03:23,810  
that city for us because they think I'm

57  
00:03:27,429 --> 00:03:25,760  
mispronouncing it please correct me on

58  
00:03:30,190 --> 00:03:27,439  
that I wanted to know when you were

59  
00:03:34,119 --> 00:03:30,200  
growing up did you have any unusual

60  
00:03:38,649 --> 00:03:34,129  
sightings of UFO activity you know in

61  
00:03:44,159 --> 00:03:38,659  
the skies or over the seas a personal

62  
00:03:54,099 --> 00:03:51,280  
somebody's about in the early 90s we

63  
00:04:00,009 --> 00:03:54,109

were constructing the dome of my

64

00:04:02,409 --> 00:04:00,019

personal observatory roof my house it

65

00:04:06,059 --> 00:04:02,419

was about 2:00 in the afternoon and

66

00:04:08,860 --> 00:04:06,069

there was this very bright light which

67

00:04:12,159 --> 00:04:08,870

was something unusual because he was as

68

00:04:16,210 --> 00:04:12,169

bright the planet Venus at its brightest

69

00:04:18,399 --> 00:04:16,220

but it was the wrong place it was on the

70

00:04:23,409 --> 00:04:18,409

other side of the Sun was in the eastern

71

00:04:25,450 --> 00:04:23,419

sky and this thing was quite like it

72

00:04:27,159 --> 00:04:25,460

reminded me of a case which I also

73

00:04:30,420 --> 00:04:27,169

investigated where they saw a very

74

00:04:33,939 --> 00:04:30,430

bright light and he appeared to be a

75

00:04:39,999 --> 00:04:33,949

recall object but the one that I saw I

76

00:04:42,580 --> 00:04:40,009

was just he was unexpected and I ran

77

00:04:45,999 --> 00:04:42,590

down to get a pair of binoculars to take

78

00:04:48,450 --> 00:04:46,009

a closer look and when I got back it was

79

00:04:53,290 --> 00:04:51,100

at first I thought he must have probably

80

00:04:54,909 --> 00:04:53,300

have been an aircraft that's respected

81

00:04:57,310 --> 00:04:54,919

sunlight because the Sun was on the

82

00:05:00,839 --> 00:04:57,320

other side but it didn't really look

83

00:05:04,540 --> 00:05:00,849

like it maybe I'm used to watching

84

00:05:06,459 --> 00:05:04,550

aircrafts flying over my area and

85

00:05:09,879 --> 00:05:06,469

they're always quite different

86

00:05:13,619 --> 00:05:09,889

it ain't look exactly like

87

00:05:16,089 --> 00:05:13,629

as bright as Venus at its brightest

88

00:05:18,429 --> 00:05:16,099

thank you for letting us know about that

89

00:05:20,200 --> 00:05:18,439

there's so much I want to ask you about

90

00:05:23,770 --> 00:05:20,210

but I'd like to go ahead and start off

91

00:05:27,189 --> 00:05:23,780

first with why you decided to become an

92

00:05:29,230 --> 00:05:27,199

investigator for Koufos and tell us a

93

00:05:40,089 --> 00:05:29,240

little bit about why you would do

94

00:05:44,529 --> 00:05:40,099

something like that well in 1979 when

95

00:05:47,369 --> 00:05:44,539

there was a wave of UFO sightings all

96

00:05:50,249 --> 00:05:47,379

over the Philippines and it was probably

97

00:05:53,050 --> 00:05:50,259

the first time that there was this

98

00:05:56,320 --> 00:05:53,060

numerous reports coming from the

99

00:05:59,939 --> 00:05:56,330

different parts of the country but it

100

00:06:03,869 --> 00:05:59,949

was not until about a year later that a

101  
00:06:06,610 --> 00:06:03,879  
journalist by the name of Robert brought

102  
00:06:10,480 --> 00:06:06,620  
three over to the Philippines to do

103  
00:06:14,499 --> 00:06:10,490  
investigations of those sightings in 79

104  
00:06:17,529 --> 00:06:14,509  
and a journalist friend of mine a local

105  
00:06:20,649 --> 00:06:17,539  
one for the national papers it was a

106  
00:06:24,240 --> 00:06:20,659  
columnist international paper asked me

107  
00:06:27,939 --> 00:06:24,250  
if I wanted to meet the guy who he said

108  
00:06:30,790 --> 00:06:27,949  
is doing investigations and UFOs and I

109  
00:06:35,290 --> 00:06:30,800  
said yeah and so I was introduced to mr.

110  
00:06:39,550 --> 00:06:35,300  
pry and it all started when he left me

111  
00:06:43,800 --> 00:06:39,560  
with with Emanuel it was actually a new

112  
00:06:50,070 --> 00:06:43,810  
phone manual for field investigators and

113  
00:06:54,459 --> 00:06:50,080

so what I did was to make a follow-up on

114

00:06:57,490 --> 00:06:54,469

the many witnesses to the 1979 events

115

00:07:01,149 --> 00:06:57,500

and this led me from one witness to

116

00:07:03,879 --> 00:07:01,159

another and with the use of the map I

117

00:07:06,879 --> 00:07:03,889

was able to gather and gain experience

118

00:07:11,709 --> 00:07:06,889

on how to investigate those cases and

119

00:07:15,899 --> 00:07:11,719

those have reports where Julie sent over

120

00:07:23,800 --> 00:07:19,320

well mr. Schue any of the reports - well

121

00:07:27,280 --> 00:07:23,810

I joined cube was because when mister

122

00:07:30,930 --> 00:07:27,290

what return to the US apparently he had

123

00:07:35,950 --> 00:07:30,940

a talk with the late dr. Alan J Hynek

124

00:07:42,250 --> 00:07:35,960

who founded Cuba's and dr. Hynek himself

125

00:07:47,850 --> 00:07:42,260

sent me a short letter inviting me to

126

00:07:52,659 --> 00:07:47,860

join the organization as a investigator

127

00:07:57,659 --> 00:07:52,669

which greatly encouraged me to do so and

128

00:08:01,210 --> 00:07:57,669

I took the MUFON investigators

129

00:08:04,480 --> 00:08:01,220

examination which I asked and that was

130

00:08:06,040 --> 00:08:04,490

when I became officially an investigator

131

00:08:08,770 --> 00:08:06,050

for the on behalf of the organization

132

00:08:12,520 --> 00:08:08,780

and that's when I started looking for

133

00:08:15,340 --> 00:08:12,530

the witnesses both in the 1979 events

134

00:08:18,330 --> 00:08:15,350

and eventually that's how I started my

135

00:08:21,280 --> 00:08:18,340

adventure in in field investigations

136

00:08:23,350 --> 00:08:21,290

great thank you very much for filling us

137

00:08:26,050 --> 00:08:23,360

in on that that's a fascinating history

138

00:08:30,159 --> 00:08:26,060

you just shared you and I talked earlier

139

00:08:33,010 --> 00:08:30,169

today about how one would interview

140

00:08:36,820 --> 00:08:33,020

witnesses regarding possible UFO

141

00:08:40,990 --> 00:08:36,830

sightings and you were sharing with me

142

00:08:43,570 --> 00:08:41,000

how you had to do things old-school

143

00:08:54,970 --> 00:08:43,580

style can you please explain what that

144

00:08:58,210 --> 00:08:54,980

means well and well we had telephone

145

00:09:01,180 --> 00:08:58,220

then at the time that the witnesses were

146

00:09:05,860 --> 00:09:01,190

from the countryside where they didn't

147

00:09:08,230 --> 00:09:05,870

have phone lines in in some instances it

148

00:09:11,590 --> 00:09:08,240

was easier because some of those

149

00:09:15,250 --> 00:09:11,600

witnesses were confined in a in a small

150

00:09:18,490 --> 00:09:15,260

town or a small village or or they

151  
00:09:21,699 --> 00:09:18,500  
worked in in one company and so I could

152  
00:09:24,310 --> 00:09:21,709  
easily trace them but other than that it

153  
00:09:28,390 --> 00:09:24,320  
was a little bit difficult looking for

154  
00:09:31,240 --> 00:09:28,400  
them but I did manage anyway and when I

155  
00:09:33,579 --> 00:09:31,250  
got hold of one well I started

156  
00:09:37,570 --> 00:09:33,589  
interviewing they they started feeling

157  
00:09:40,210 --> 00:09:37,580  
out the forms and and all

158  
00:09:45,070 --> 00:09:40,220  
those reports I sent to the senator be a

159  
00:09:47,290 --> 00:09:45,080  
ghost honest then great and wanted to

160  
00:09:52,150 --> 00:09:47,300  
talk to you a little bit about how you

161  
00:09:55,120 --> 00:09:52,160  
would do an interview with folks about a

162  
00:09:58,570 --> 00:09:55,130  
possible UFO sighting when you see them

163  
00:10:01,510 --> 00:09:58,580

in person and they're telling you about

164

00:10:03,550 --> 00:10:01,520

their sighting can you tell us a little

165

00:10:06,160 --> 00:10:03,560

bit about what you might look at in your

166

00:10:08,950 --> 00:10:06,170

observations of that person things like

167

00:10:11,860 --> 00:10:08,960

body language tone of voice what do you

168

00:10:22,480 --> 00:10:11,870

look for when you are listening to them

169

00:10:25,810 --> 00:10:22,490

talk about their sighting do an

170

00:10:29,290 --> 00:10:25,820

interview with regarding her sighting I

171

00:10:33,030 --> 00:10:29,300

was informed that a certain lady a

172

00:10:38,440 --> 00:10:33,040

businesswoman had had a sighting

173

00:10:41,110 --> 00:10:38,450

experience and so I called her up and I

174

00:10:44,110 --> 00:10:41,120

said that I could come over and and talk

175

00:10:47,140 --> 00:10:44,120

to her about it well she was kind of

176

00:10:48,640 --> 00:10:47,150

like you know what's that all about or

177

00:10:51,610 --> 00:10:48,650

you know something like that and I said

178

00:10:55,390 --> 00:10:51,620

I'm doing a research for the Center for

179

00:10:58,330 --> 00:10:55,400

UFO studies and I understand that I was

180

00:11:02,380 --> 00:10:58,340

told that you were one of those who who

181

00:11:05,380 --> 00:11:02,390

had a possible sighting and so I I had

182

00:11:09,180 --> 00:11:05,390

the appointment made and and we met

183

00:11:12,550 --> 00:11:09,190

because she was at first a little bit

184

00:11:15,910 --> 00:11:12,560

apprehensive as to what was that all

185

00:11:19,810 --> 00:11:15,920

about and I said it's just I want to get

186

00:11:24,220 --> 00:11:19,820

some idea of what you've seen what

187

00:11:27,580 --> 00:11:24,230

experience and all that and sometimes

188

00:11:32,890 --> 00:11:27,590

depends on or depending on how you like

189

00:11:35,860 --> 00:11:32,900

introduce yourself and since I was

190

00:11:40,360 --> 00:11:35,870

always speaking in English it makes a

191

00:11:46,120 --> 00:11:40,370

bit of a difference and I had my first

192

00:11:49,660 --> 00:11:46,130

interview with a business woman and her

193

00:11:50,660 --> 00:11:49,670

first one the first statements that she

194

00:11:54,170 --> 00:11:50,670

gave was the

195

00:11:57,110 --> 00:11:54,180

it was the most unusual thing he had

196

00:12:01,220 --> 00:11:57,120

ever seen in her life and and I've heard

197

00:12:04,000 --> 00:12:01,230

that kind of statements from most of the

198

00:12:08,170 --> 00:12:04,010

other witnesses that I have talked to

199

00:12:11,120 --> 00:12:08,180

and and the way that they they thought

200

00:12:14,780 --> 00:12:11,130

the way the body moves the guests yours

201  
00:12:19,310 --> 00:12:14,790  
and everything the eyes and and the

202  
00:12:27,380 --> 00:12:19,320  
tonal voice they all tell you that they

203  
00:12:28,970 --> 00:12:27,390  
have seen something very unusual now I

204  
00:12:31,190 --> 00:12:28,980  
really quicker where the witnesses

205  
00:12:33,020 --> 00:12:31,200  
seeing the same type of thing or were

206  
00:12:35,450 --> 00:12:33,030  
they seeing a different types of UFOs

207  
00:12:41,240 --> 00:12:35,460  
what what was some of the details of

208  
00:12:44,480 --> 00:12:41,250  
what they saw well she was saying that

209  
00:12:47,810 --> 00:12:44,490  
it was something like like a bright

210  
00:12:50,060 --> 00:12:47,820  
thing that was floating in the sky but

211  
00:12:52,490 --> 00:12:50,070  
what got me was when she said that she

212  
00:12:54,200 --> 00:12:52,500  
had a feeling when she looked out the

213  
00:12:58,160 --> 00:12:54,210

window to see if the thing was still

214

00:13:01,730 --> 00:12:58,170

there she had that feeling of being

215

00:13:05,450 --> 00:13:01,740

watched or that the thing was actually

216

00:13:07,670 --> 00:13:05,460

like looking at her - and and at the

217

00:13:11,920 --> 00:13:07,680

time she said she was a little scared

218

00:13:14,870 --> 00:13:11,930

because she was on the way and you know

219

00:13:18,110 --> 00:13:14,880

since it was her first experience of

220

00:13:21,680 --> 00:13:18,120

that something that's pretty unusual she

221

00:13:24,320 --> 00:13:21,690

kind of got a little scared about it she

222

00:13:29,390 --> 00:13:24,330

tried to go back - it all started when

223

00:13:32,930 --> 00:13:29,400

her husband wanted to go out and do that

224

00:13:37,850 --> 00:13:32,940

he's early morning jog jogging around

225

00:13:40,820 --> 00:13:37,860

the community and when she pointed the

226

00:13:44,120 --> 00:13:40,830

thing to her husband husband said I know

227

00:13:46,160 --> 00:13:44,130

that's just probably a comment of course

228

00:13:49,120 --> 00:13:46,170

which was not there was no comment at

229

00:13:52,910 --> 00:13:49,130

the time that appeared in the sky and

230

00:13:54,950 --> 00:13:52,920

that was when she felt a little strange

231

00:13:59,600 --> 00:13:54,960

about the thing so she she hurriedly

232

00:14:01,670 --> 00:13:59,610

went up there apartment and looked out

233

00:14:03,590 --> 00:14:01,680

of the window see the thing was in

234

00:14:04,910 --> 00:14:03,600

floating and she said she had that

235

00:14:07,730 --> 00:14:04,920

earring

236

00:14:12,620 --> 00:14:07,740

she was also being looked at maybe the

237

00:14:16,550 --> 00:14:12,630

thing and that kind of got me and the

238

00:14:21,200 --> 00:14:16,560

way she would like when she speaks she

239

00:14:23,360 --> 00:14:21,210

was very emotional about it and I was at

240

00:14:27,800 --> 00:14:23,370

a fairly typical account from this

241

00:14:29,240 --> 00:14:27,810

particular 79 wave or did you get to you

242

00:14:31,760 --> 00:14:29,250

know something of a variety of reactions

243

00:14:34,280 --> 00:14:31,770

or how did

244

00:14:37,820 --> 00:14:34,290

aggregor I'm sorry yes that was that was

245

00:14:40,760 --> 00:14:37,830

very typical of one of the witnesses

246

00:14:45,020 --> 00:14:40,770

that I talked to there was some

247

00:14:48,110 --> 00:14:45,030

variation the object that was a scene

248

00:14:51,590 --> 00:14:48,120

that was observed one described it as

249

00:14:54,260 --> 00:14:51,600

like a Christmas tree that landed in the

250

00:14:57,500 --> 00:14:54,270

middle of the road while he was driving

251  
00:15:02,570 --> 00:14:57,510  
a big truck down from the mountains back

252  
00:15:04,970 --> 00:15:02,580  
to the the mill the sugar mill and of

253  
00:15:08,810 --> 00:15:04,980  
course the witness was kind of like

254  
00:15:10,820 --> 00:15:08,820  
shocked to see he described it as a

255  
00:15:15,530 --> 00:15:10,830  
Christmas tree that landed right in the

256  
00:15:17,390 --> 00:15:15,540  
middle of the road okay yeah I mean that

257  
00:15:18,830 --> 00:15:17,400  
would certainly get my attention you

258  
00:15:22,790 --> 00:15:18,840  
know especially if I wasn't working all

259  
00:15:25,040 --> 00:15:22,800  
that you know um ed when I was gonna ask

260  
00:15:27,290 --> 00:15:25,050  
you why do you think there was a wave of

261  
00:15:30,380 --> 00:15:27,300  
UFO sightings during that period of time

262  
00:15:31,820 --> 00:15:30,390  
do you have a hypothesis or any kind of

263  
00:15:34,760 --> 00:15:31,830

theories you want to share with us

264

00:15:36,410 --> 00:15:34,770

regarding that period of time as far as

265

00:15:38,600 --> 00:15:36,420

why there could have been a wave of

266

00:15:45,290 --> 00:15:38,610

sightings of UFO activity

267

00:15:49,450 --> 00:15:45,300

I have no theory about that waves do

268

00:15:54,980 --> 00:15:49,460

happen historically we have seen that

269

00:15:58,010 --> 00:15:54,990

wave society have happened in some other

270

00:16:04,930 --> 00:15:58,020

countries in the West we've had him here

271

00:16:13,610 --> 00:16:08,660

probably the same I mean yes OB nominal

272

00:16:15,950 --> 00:16:13,620

is a global phenomenon and and such a

273

00:16:18,710 --> 00:16:15,960

wave happening over the Philippines is

274

00:16:21,440 --> 00:16:18,720

probably not unusual except that

275

00:16:25,940 --> 00:16:21,450

it was it just happened at that

276

00:16:27,770 --> 00:16:25,950

particular date and time and were these

277

00:16:30,320 --> 00:16:27,780

I'm concentrated onto it like a

278

00:16:32,540 --> 00:16:30,330

particular day or was it that basically

279

00:16:35,090 --> 00:16:32,550

like a couple of weeks or a month or a

280

00:16:37,430 --> 00:16:35,100

couple months what was the the timeframe

281

00:16:41,600 --> 00:16:37,440

for things picking up with that

282

00:16:43,730 --> 00:16:41,610

it went on because the reports were

283

00:16:47,960 --> 00:16:43,740

coming in from different parts of the

284

00:16:51,170 --> 00:16:47,970

country right the first report actually

285

00:16:54,190 --> 00:16:51,180

came out from where I was living at the

286

00:16:56,780 --> 00:16:54,200

time in the island of Negros and

287

00:17:01,610 --> 00:16:56,790

apparently that started it and after

288

00:17:05,750 --> 00:17:01,620

that I could see the newspapers reports

289

00:17:08,689 --> 00:17:05,760

of sightings coming from north south and

290

00:17:15,620 --> 00:17:08,699

all parts of the country the time frame

291

00:17:17,030 --> 00:17:15,630

is only 1979 right okay and what was

292

00:17:19,069 --> 00:17:17,040

that what kind of frequency were we

293

00:17:21,290 --> 00:17:19,079

talking about it's like maybe a hundred

294

00:17:24,590 --> 00:17:21,300

a month is compared to a usual of maybe

295

00:17:25,730 --> 00:17:24,600

like five or ten or you know what what

296

00:17:30,820 --> 00:17:25,740

what kind of numbers are we talking

297

00:17:36,860 --> 00:17:34,820

and we get one sighting from this

298

00:17:39,890 --> 00:17:36,870

particular part of the country and then

299

00:17:46,150 --> 00:17:39,900

a week after there would be another one

300

00:17:49,460 --> 00:17:46,160

from another part of the country and the

301  
00:17:55,960 --> 00:17:49,470  
frequency and in the number the volume

302  
00:17:59,240 --> 00:17:55,970  
of sightings just came in one by one I

303  
00:17:59,600 --> 00:17:59,250  
mean something like this one scene right

304  
00:18:02,600 --> 00:17:59,610  
now

305  
00:18:05,030 --> 00:18:02,610  
if you accept another one scene from

306  
00:18:06,800 --> 00:18:05,040  
another part of the country okay another

307  
00:18:08,810 --> 00:18:06,810  
one for another part of the country you

308  
00:18:12,380 --> 00:18:08,820  
know that and I collated all of those

309  
00:18:15,170 --> 00:18:12,390  
reports later on and that's how I

310  
00:18:18,800 --> 00:18:15,180  
actually tried to trace back the

311  
00:18:20,780 --> 00:18:18,810  
witnesses God and that we do you like

312  
00:18:22,580 --> 00:18:20,790  
reading that the newspapers is that how

313  
00:18:24,020 --> 00:18:22,590

are you were finding these people were

314

00:18:27,940 --> 00:18:24,030

they finding you through word-of-mouth

315

00:18:30,440 --> 00:18:27,950

how did how did you track him down I

316

00:18:33,080 --> 00:18:30,450

would

317

00:18:36,410 --> 00:18:33,090

the papers that find where the sighting

318

00:18:40,370 --> 00:18:36,420

had taken place and try to get in touch

319

00:18:42,680 --> 00:18:40,380

with the local authorities and if they

320

00:18:45,920 --> 00:18:42,690

confirm that there are witnesses then I

321

00:18:47,180 --> 00:18:45,930

would go there okay when you say when

322

00:18:57,800 --> 00:18:47,190

you say local authorities what do you

323

00:18:59,750 --> 00:18:57,810

mean like the police yes I want to get

324

00:19:04,070 --> 00:18:59,760

to them anyway and they get to know

325

00:19:06,110 --> 00:19:04,080

about that yeah okay thank you very much

326

00:19:07,910 --> 00:19:06,120

for having filled us in on that and then

327

00:19:10,550 --> 00:19:07,920

I have a question it's kind of similar

328

00:19:12,710 --> 00:19:10,560

to a question I asked you earlier but I

329

00:19:16,580 --> 00:19:12,720

wanted to know what is one of the most

330

00:19:18,920 --> 00:19:16,590

interesting UFO case or cases you have

331

00:19:23,240 --> 00:19:18,930

worked on researched witness or heard of

332

00:19:27,790 --> 00:19:23,250

more specifically I would say one of the

333

00:19:30,940 --> 00:19:27,800

best cases I had was a landing incident

334

00:19:33,850 --> 00:19:30,950

a couple of landing incidents actually

335

00:19:37,450 --> 00:19:33,860

one which involved intent entities

336

00:19:42,620 --> 00:19:37,460

another one which involve schoolchildren

337

00:19:45,470 --> 00:19:42,630

and the one which involved school

338

00:19:50,620 --> 00:19:45,480

children was a multiple witness event

339

00:19:54,020 --> 00:19:50,630

and it happened in broad daylight and

340

00:19:57,800 --> 00:19:54,030

what was interesting about that case was

341

00:20:02,270 --> 00:19:57,810

when the object landed it left imprints

342

00:20:03,830 --> 00:20:02,280

a close encounter of the second kind you

343

00:20:06,470 --> 00:20:03,840

might say right right

344

00:20:08,330 --> 00:20:06,480

and now those types of cases are pretty

345

00:20:11,840 --> 00:20:08,340

interesting there's a famous one in

346

00:20:14,450 --> 00:20:11,850

South Africa the the aerial school and

347

00:20:16,940 --> 00:20:14,460

then there's a Westfall school case in

348

00:20:19,010 --> 00:20:16,950

Australia and those are pretty

349

00:20:22,490 --> 00:20:19,020

interesting cases in that a few of them

350

00:20:23,930 --> 00:20:22,500

do pop up around the world tell us a

351

00:20:25,460 --> 00:20:23,940

little bit more about that case I mean

352

00:20:29,890 --> 00:20:25,470

did you talk to the kids what was their

353

00:20:36,970 --> 00:20:29,900

reaction if you did that that event

354

00:20:42,560 --> 00:20:36,980

transpired in 1984 but it was not until

355

00:20:44,159 --> 00:20:42,570

1987 yes I think there was 87 that I was

356

00:20:47,279 --> 00:20:44,169

actually a

357

00:20:50,669 --> 00:20:47,289

to visit the place because it's not a

358

00:20:53,430 --> 00:20:50,679

little far premier and I have to fly

359

00:20:55,919 --> 00:20:53,440

over there and all that but incidentally

360

00:20:59,899 --> 00:20:55,929

I was a bit lucky because at the time I

361

00:21:05,279 --> 00:20:59,909

was invited by a university to do a

362

00:21:07,950 --> 00:21:05,289

series of lectures on astronomy for the

363

00:21:11,669 --> 00:21:07,960

local science teachers and this

364

00:21:14,580 --> 00:21:11,679

university was in the city where only an

365

00:21:20,010 --> 00:21:14,590

hour away was the site of that planning

366

00:21:22,710 --> 00:21:20,020

incident so after the the training one

367

00:21:26,460 --> 00:21:22,720

of the physics professors took me over

368

00:21:29,039 --> 00:21:26,470

there accompanied me to the site where I

369

00:21:31,669 --> 00:21:29,049

I had to meet there was a children by

370

00:21:35,419 --> 00:21:31,679

the time were already in high school

371

00:21:39,330 --> 00:21:35,429

because during the event when they

372

00:21:41,419 --> 00:21:39,340

witness that landing incident they were

373

00:21:44,880 --> 00:21:41,429

still at the grade school there were

374

00:21:50,010 --> 00:21:44,890

three of them and I got I was able to

375

00:21:53,399 --> 00:21:50,020

get hold of two of those three kids and

376

00:21:57,870 --> 00:21:53,409

and I got a first-hand account from

377

00:22:01,350 --> 00:21:57,880

straight from them as what they

378

00:22:03,510 --> 00:22:01,360

experienced and you said the thing is I

379

00:22:08,880 --> 00:22:03,520

saw individuals are could you describe

380

00:22:11,870 --> 00:22:08,890

them as indication of the land of the

381

00:22:15,299 --> 00:22:11,880

landing case the three children were

382

00:22:18,720 --> 00:22:15,309

told to get water from a nearby creek

383

00:22:22,590 --> 00:22:18,730

near the school were to water the plants

384

00:22:29,340 --> 00:22:22,600

and as they did so they saw this thing

385

00:22:31,799 --> 00:22:29,350

landing in the open rice field and that

386

00:22:38,789 --> 00:22:31,809

too far away and and of course that kind

387

00:22:42,440 --> 00:22:38,799

of amazed them for that matter and they

388

00:22:45,419 --> 00:22:42,450

described the thing as after it landed

389

00:22:49,320 --> 00:22:45,429

opened a kind of a door or a porthole

390

00:22:52,080 --> 00:22:49,330

where there was a bright bright light

391

00:22:54,000 --> 00:22:52,090

they're coming out but there were no

392

00:22:56,970 --> 00:22:54,010

entities because I was asking if they

393

00:23:03,900 --> 00:22:56,980

show any any anything moving

394

00:23:06,419 --> 00:23:03,910

or they seen people or you know and they

395

00:23:08,460 --> 00:23:06,429

said no it was just an open thing it

396

00:23:12,690 --> 00:23:08,470

opened up and and and ye they can see

397

00:23:14,610 --> 00:23:12,700

some bright light inside and and as they

398

00:23:17,430 --> 00:23:14,620

were watching your thing up there about

399

00:23:20,159 --> 00:23:17,440

twenty minutes took off now the whole

400

00:23:22,740 --> 00:23:20,169

school heard the sound of their the

401  
00:23:26,190 --> 00:23:22,750  
thing had taken off but they have not

402  
00:23:30,930 --> 00:23:26,200  
seen the thing themselves except for

403  
00:23:34,650 --> 00:23:30,940  
those three children do you know was

404  
00:23:37,169 --> 00:23:34,660  
that area determined to have radiation

405  
00:23:42,900 --> 00:23:37,179  
at all was there any radiation detective

406  
00:23:48,720 --> 00:23:42,910  
detection equipment used at all but what

407  
00:23:51,630 --> 00:23:48,730  
they did was they called for a local

408  
00:23:55,380 --> 00:23:51,640  
photographer to take pictures of the

409  
00:24:00,810 --> 00:23:55,390  
imprints that the thing left on under

410  
00:24:04,169 --> 00:24:00,820  
the of the soil on the where it landed

411  
00:24:06,330 --> 00:24:04,179  
it left imprints and the local

412  
00:24:15,990 --> 00:24:06,340  
photographer was able to take photos of

413  
00:24:18,090 --> 00:24:16,000

those imprints and the so did did you go

414

00:24:23,430 --> 00:24:18,100

over his film very carefully with him

415

00:24:26,580 --> 00:24:23,440

how did that work out the prints from

416

00:24:30,299 --> 00:24:26,590

the end from the film he had he had the

417

00:24:34,380 --> 00:24:30,309

negative the original negatives because

418

00:24:37,710 --> 00:24:34,390

he made several photos of those from

419

00:24:40,620 --> 00:24:37,720

those from the film and the photos were

420

00:24:45,630 --> 00:24:40,630

distributed around were they good photos

421

00:24:48,450 --> 00:24:45,640

Edwyn that he took were they good photos

422

00:24:51,990 --> 00:24:48,460

did he take good clear photos yes you

423

00:24:54,450 --> 00:24:52,000

did okay and were those shown in

424

00:24:58,200 --> 00:24:54,460

mainstream media was discovered at all

425

00:25:02,220 --> 00:24:58,210

in mainstream media this story this

426

00:25:04,650 --> 00:25:02,230

story came out in the local papers it

427

00:25:09,750 --> 00:25:04,660

also came out in the national paper yes

428

00:25:10,530 --> 00:25:09,760

it was covered apparently somebody got

429

00:25:15,540 --> 00:25:10,540

hold of the store

430

00:25:22,800 --> 00:25:15,550

and and and and well I wrote it out over

431

00:25:24,600 --> 00:25:22,810

on a national newspaper and I got hold

432

00:25:29,540 --> 00:25:24,610

up like I was able to get hold of a copy

433

00:25:36,960 --> 00:25:32,820

gave me information as to where to go

434

00:25:40,770 --> 00:25:36,970

and and who to talk to in our lab so

435

00:25:44,220 --> 00:25:40,780

most of the information that I got prior

436

00:25:47,400 --> 00:25:44,230

to talking to the witnesses well from

437

00:25:49,560 --> 00:25:47,410

the papers themselves okay and then I

438

00:25:51,690 --> 00:25:49,570

was gonna ask you about the other case

439

00:25:53,310 --> 00:25:51,700

that you mentioned that you felt was

440

00:25:55,500 --> 00:25:53,320

interesting to you you said there were

441

00:25:57,830 --> 00:25:55,510

two cases or a few cases what was the

442

00:26:05,790 --> 00:26:00,660

and that was very very interesting

443

00:26:08,130 --> 00:26:05,800

because the witness himself was he was

444

00:26:09,000 --> 00:26:08,140

interviewed by mr. Pratt of National

445

00:26:14,130 --> 00:26:09,010

Enquirer

446

00:26:19,800 --> 00:26:14,140

he was also investigated by the local

447

00:26:22,710 --> 00:26:19,810

military now I have to remember that 19

448

00:26:24,660 --> 00:26:22,720

1979 the Philippines were still under

449

00:26:29,430 --> 00:26:24,670

martial law in the mill it was military

450

00:26:31,890 --> 00:26:29,440

takeover and nobody would want to fool

451  
00:26:34,710 --> 00:26:31,900  
around with military people and in some

452  
00:26:38,040 --> 00:26:34,720  
telling stories about things landing and

453  
00:26:40,170 --> 00:26:38,050  
seeing people walking would be a it

454  
00:26:43,410 --> 00:26:40,180  
would be something that you have to be

455  
00:26:46,530 --> 00:26:43,420  
very careful be very careful with and so

456  
00:26:50,640 --> 00:26:46,540  
I see narrated to me it was early

457  
00:26:53,730 --> 00:26:50,650  
morning that he was he got up and

458  
00:26:56,790 --> 00:26:53,740  
started the day because his occupation

459  
00:27:00,270 --> 00:26:56,800  
was to sell like ice cream you know he

460  
00:27:03,150 --> 00:27:00,280  
was an ice cream man and he sells his

461  
00:27:05,760 --> 00:27:03,160  
ice cream in a local school so that he

462  
00:27:09,260 --> 00:27:05,770  
would wake up very early in the morning

463  
00:27:12,630 --> 00:27:09,270

to start the tale and at the time about

464

00:27:16,590 --> 00:27:12,640

4:30 in the morning he saw there were

465

00:27:19,620 --> 00:27:16,600

lights that was going through his house

466

00:27:23,100 --> 00:27:19,630

because the house is not solid concrete

467

00:27:26,220 --> 00:27:23,110

or you know the walls have holes

468

00:27:28,980 --> 00:27:26,230

them and you can actually see bright

469

00:27:31,970 --> 00:27:28,990

lights outside and he saw this bright

470

00:27:34,980 --> 00:27:31,980

light moving and went out investigate

471

00:27:42,650 --> 00:27:34,990

and whereupon he was amazed to see ting

472

00:27:45,870 --> 00:27:42,660

here he saw three three disks that were

473

00:27:46,590 --> 00:27:45,880

hovering coming down slowly for a

474

00:27:49,980 --> 00:27:46,600

landing

475

00:27:55,230 --> 00:27:49,990

he described the shape of the object as

476

00:27:58,530 --> 00:27:55,240

something like an inverted oh well

477

00:27:59,070 --> 00:27:58,540

it's like a cooking where you cook

478

00:28:02,789 --> 00:27:59,080

something

479

00:28:08,190 --> 00:28:02,799

frypan like is that what you mean the

480

00:28:12,030 --> 00:28:08,200

frying pan and a frying pan a large

481

00:28:15,230 --> 00:28:12,040

frying pan bulging on one side and it

482

00:28:20,940 --> 00:28:15,240

came down and landed near the riverbank

483

00:28:22,620 --> 00:28:20,950

and through his well he got frightened

484

00:28:25,110 --> 00:28:22,630

about it it was the first time that he

485

00:28:29,610 --> 00:28:25,120

saw something like that and so what he

486

00:28:33,230 --> 00:28:29,620

did was to hide alongside the road there

487

00:28:37,110 --> 00:28:33,240

was this drainage and he got himself

488

00:28:39,240 --> 00:28:37,120

curled up in there all the time watching

489

00:28:41,669 --> 00:28:39,250

what the thing was doing and it landed

490

00:28:47,039 --> 00:28:41,679

and after landing

491

00:28:50,789 --> 00:28:47,049

each of the three objects opened up and

492

00:28:52,950 --> 00:28:50,799

there came out an entity which he had

493

00:28:58,140 --> 00:28:52,960

first thought he said they were probably

494

00:29:01,350 --> 00:28:58,150

Russians because they were big and

495

00:29:05,220 --> 00:29:01,360

that's how he described them and he even

496

00:29:08,789 --> 00:29:05,230

described about them having something

497

00:29:11,400 --> 00:29:08,799

like like we're like wearing a helmet as

498

00:29:14,460 --> 00:29:11,410

well as astronauts move and I said how

499

00:29:17,610 --> 00:29:14,470

did you did turn because he said well

500

00:29:22,500 --> 00:29:17,620

they move their heads the right from

501  
00:29:29,930 --> 00:29:22,510  
nearby illuminating source would you

502  
00:29:34,169 --> 00:29:29,940  
know reflect on the helmet and it would

503  
00:29:36,530 --> 00:29:34,179  
suggest that it kind of a glass or

504  
00:29:47,600 --> 00:29:36,540  
something

505  
00:29:50,360 --> 00:29:47,610  
cycle riders would use to injury during

506  
00:29:53,720 --> 00:29:50,370  
an accident though he described them to

507  
00:29:56,420 --> 00:29:53,730  
be have some kind of helmets wearing

508  
00:29:58,190 --> 00:29:56,430  
helmets and all that and he said the one

509  
00:30:01,540 --> 00:29:58,200  
thing that caught his attention was that

510  
00:30:05,260 --> 00:30:01,550  
they had what he described as tommy gun

511  
00:30:07,940 --> 00:30:05,270  
whenever tommy gun is actually a a

512  
00:30:12,820 --> 00:30:07,950  
samsung submachine gun use during world

513  
00:30:17,980 --> 00:30:12,830

war ii and he said each of them had that

514

00:30:24,530 --> 00:30:17,990

with a string around the shoulder so

515

00:30:26,480 --> 00:30:24,540

that's how was how he described them he

516

00:30:30,100 --> 00:30:26,490

was never able to interact with those

517

00:30:32,770 --> 00:30:30,110

things because i i'm sure i'd be pretty

518

00:30:35,480 --> 00:30:32,780

terrified myself I was in his place

519

00:30:40,880 --> 00:30:35,490

Edwyn that sounds like a bad science

520

00:30:44,660 --> 00:30:40,890

fiction movie from the 1960s this folks

521

00:30:48,260 --> 00:30:44,670

out in the mountains seldom watch movies

522

00:30:50,870 --> 00:30:48,270

like those right they don't even read

523

00:30:53,720 --> 00:30:50,880

your magazines for that matter because

524

00:30:55,790 --> 00:30:53,730

there ain't any and see i'm really glad

525

00:30:58,040 --> 00:30:55,800

that you said that because it's very

526

00:31:00,560 --> 00:30:58,050

important for our listeners to

527

00:31:03,880 --> 00:31:00,570

understand that the folks who are

528

00:31:08,000 --> 00:31:03,890

relating some of these UFO sighting and

529

00:31:10,390 --> 00:31:08,010

entity and ET possible ET civilization

530

00:31:13,460 --> 00:31:10,400

tales to you that they have witnessed

531

00:31:18,260 --> 00:31:13,470

have not been exposed to mainstream

532

00:31:20,960 --> 00:31:18,270

media or you know programming like that

533

00:31:23,630 --> 00:31:20,970

and so for them to describe it as really

534

00:31:28,700 --> 00:31:23,640

astounding what I was going to ask you

535

00:31:31,370 --> 00:31:28,710

is did you believe him yes I believed in

536

00:31:35,000 --> 00:31:31,380

what he said because I checked his

537

00:31:42,200 --> 00:31:35,010

background in the community and he was

538

00:31:44,450 --> 00:31:42,210

the village chief and everybody believed

539

00:31:49,990 --> 00:31:44,460

in his story knowing that he's a solid

540

00:31:53,539 --> 00:31:50,000

person and he told the military

541

00:31:56,750 --> 00:31:53,549

above the same thing and and of course

542

00:31:58,490 --> 00:31:56,760

you don't as I said earlier you don't

543

00:32:02,539 --> 00:31:58,500

fool around with the military during

544

00:32:04,460 --> 00:32:02,549

that time okay and the last question I

545

00:32:09,409 --> 00:32:04,470

have about that is do you feel like the

546

00:32:12,860 --> 00:32:09,419

military took his testimonial on that

547

00:32:16,009 --> 00:32:12,870

sighting do you think they took it

548

00:32:21,289 --> 00:32:16,019

seriously I think he was taken seriously

549

00:32:25,039 --> 00:32:21,299

because of his reputation as a solid

550

00:32:28,490 --> 00:32:25,049

person and you just don't make you just

551  
00:32:30,610 --> 00:32:28,500  
don't make up stories with the military

552  
00:32:35,810 --> 00:32:30,620  
because they gotta beat you up I mean

553  
00:32:40,750 --> 00:32:35,820  
that's how it is to be very careful when

554  
00:32:43,460 --> 00:32:40,760  
the military deals with you and the

555  
00:32:46,570 --> 00:32:43,470  
provincial commander himself was the one

556  
00:32:49,940 --> 00:32:46,580  
who actually had had him taken to

557  
00:32:52,519 --> 00:32:49,950  
headquarters what for well he was

558  
00:32:55,220 --> 00:32:52,529  
probably more like a like an

559  
00:32:59,210 --> 00:32:55,230  
interrogation than the appeal

560  
00:33:01,389 --> 00:32:59,220  
investigators way of dealing with you

561  
00:33:04,759 --> 00:33:01,399  
know stories like that

562  
00:33:07,879 --> 00:33:04,769  
now let me jump in here here real quick

563  
00:33:10,009 --> 00:33:07,889

chat now do you have you seen or have

564

00:33:13,039 --> 00:33:10,019

you experienced in your investigations

565

00:33:16,430 --> 00:33:13,049

have you gotten a cooperation from the

566

00:33:18,649 --> 00:33:16,440

military and you know a civilian like

567

00:33:21,289 --> 00:33:18,659

let's say like a radar and things like

568

00:33:23,960 --> 00:33:21,299

that for the aircraft have you gotten a

569

00:33:25,460 --> 00:33:23,970

lot in the way of cooperation not from

570

00:33:32,029 --> 00:33:25,470

those types of folks in your

571

00:33:34,549 --> 00:33:32,039

investigations over there yes I did of

572

00:33:39,529 --> 00:33:34,559

the Philippine Air Force because they

573

00:33:44,539 --> 00:33:39,539

had they had files of various citing

574

00:33:48,200 --> 00:33:44,549

cases and I'm the one in charge was a

575

00:33:52,669 --> 00:33:48,210

colonel and he sent me the files with a

576

00:33:58,759 --> 00:33:52,679

note that said that in the interest of

577

00:34:01,009 --> 00:33:58,769

science and his trust in what I told him

578

00:34:03,530 --> 00:34:01,019

it was for research purposes

579

00:34:10,100 --> 00:34:03,540

and so he handed me

580

00:34:11,780 --> 00:34:10,110

a copy of the files the files contained

581

00:34:13,520 --> 00:34:11,790

the Vario citing cases that were

582

00:34:18,620 --> 00:34:13,530

reported to the military in rows

583

00:34:25,879 --> 00:34:18,630

gathered by the Air Force anything turn

584

00:34:27,800 --> 00:34:25,889

up that was interesting you know uh yeah

585

00:34:29,629 --> 00:34:27,810

anything in particular that was of

586

00:34:31,790 --> 00:34:29,639

interest in those files or any kind of

587

00:34:32,889 --> 00:34:31,800

analysis or anything like that now that

588

00:34:35,330 --> 00:34:32,899

you thought was important

589

00:34:38,110 --> 00:34:35,340

no I think those who are just a

590

00:34:41,990 --> 00:34:38,120

compilation of what witnesses provided

591

00:34:44,240 --> 00:34:42,000

okay okay so it also provided the names

592

00:34:48,639 --> 00:34:44,250

of the witnesses the places were there

593

00:34:58,310 --> 00:34:48,649

were they where the event distance part

594

00:35:03,550 --> 00:34:58,320

actually is this okay are go ahead Chet

595

00:35:15,710 --> 00:35:07,100

well I did not get a very good response

596

00:35:24,350 --> 00:35:15,720

was from the US air force base in the

597

00:35:26,720 --> 00:35:24,360

North okay yeah whether you saw the

598

00:35:29,390 --> 00:35:26,730

response would be for inquiries because

599

00:35:35,540 --> 00:35:29,400

I wrote them a formal letter to that

600

00:35:37,910 --> 00:35:35,550

effect requesting for any sighting cases

601  
00:35:42,710 --> 00:35:37,920  
that they have on fire which they said

602  
00:35:44,570 --> 00:35:42,720  
they they didn't have okay great I

603  
00:35:47,030 --> 00:35:44,580  
wanted to ask you about an interesting

604  
00:35:48,800 --> 00:35:47,040  
topic first I'd like to read the

605  
00:35:51,230 --> 00:35:48,810  
definition of a word that I'm going to

606  
00:35:54,410 --> 00:35:51,240  
use before I ask you my question the

607  
00:35:59,720 --> 00:35:54,420  
word is paranormal and the definition to

608  
00:36:01,690 --> 00:35:59,730  
paranormal is denoting events or

609  
00:36:03,980 --> 00:36:01,700  
phenomena such as telekinesis or

610  
00:36:05,720 --> 00:36:03,990  
clairvoyance for example that are beyond

611  
00:36:08,060 --> 00:36:05,730  
the scope of normal scientific

612  
00:36:08,780 --> 00:36:08,070  
understanding what I was going to ask

613  
00:36:17,450 --> 00:36:08,790

you

614

00:36:20,710 --> 00:36:17,460

feel like they have

615

00:36:24,859 --> 00:36:20,720

some kind of telepathic communication

616

00:36:30,140 --> 00:36:24,869

happening between themselves and a UFO

617

00:36:32,780 --> 00:36:30,150

or et related craft or et or et

618

00:36:41,260 --> 00:36:32,790

civilizations has have you taken down

619

00:36:44,660 --> 00:36:41,270

testimony like that experience that I

620

00:36:47,089 --> 00:36:44,670

know a lot of friends telling stories

621

00:36:50,680 --> 00:36:47,099

about their experiences in haunted

622

00:36:54,230 --> 00:36:50,690

houses and you know some of those

623

00:36:56,440 --> 00:36:54,240

paranormal activities but they were not

624

00:37:00,290 --> 00:36:56,450

in any way connected with any year for

625

00:37:01,490 --> 00:37:00,300

activity right yes and I think it's

626

00:37:05,089 --> 00:37:01,500

important for our listeners to

627

00:37:06,170 --> 00:37:05,099

understand is that MUFON investigators

628

00:37:08,270 --> 00:37:06,180

cue folks

629

00:37:12,710 --> 00:37:08,280

investigators and many other types of

630

00:37:14,390 --> 00:37:12,720

ufo-related investigators do a discern a

631

00:37:16,130 --> 00:37:14,400

big difference or maybe not a big

632

00:37:18,530 --> 00:37:16,140

difference but a difference

633

00:37:22,400 --> 00:37:18,540

there's definitely a difference between

634

00:37:26,240 --> 00:37:22,410

the paranormal and the UFO phenomenon

635

00:37:29,540 --> 00:37:26,250

and other phenomena and so just because

636

00:37:31,880 --> 00:37:29,550

you see a UFO in the sky doesn't mean

637

00:37:34,790 --> 00:37:31,890

that you are having or that you're

638

00:37:43,099 --> 00:37:34,800

witnessing a paranormal event is that

639

00:37:45,950 --> 00:37:43,109

right yeah with that because I I do not

640

00:37:57,410 --> 00:37:45,960

consider the years openam you know known

641

00:38:03,500 --> 00:37:57,420

as a true paranormal different thing on

642

00:38:05,120 --> 00:38:03,510

it but I I do not consider it is a

643

00:38:11,680 --> 00:38:05,130

paranormal activity

644

00:38:17,930 --> 00:38:11,690

yeah separate from separate from from

645

00:38:27,530 --> 00:38:17,940

activities like horn things telekinesis

646

00:38:29,750 --> 00:38:27,540

I want to separate the DFO phenomenon

647

00:38:31,410 --> 00:38:29,760

from that yes I'm glad you said that but

648

00:38:33,989 --> 00:38:31,420

I would like to point out one

649

00:38:36,890 --> 00:38:33,999

that is in the case of Betty and Barney

650

00:38:44,359 --> 00:38:36,900

Hill which you know that case so well

651  
00:38:47,730 --> 00:38:44,369  
but Barney Hill did say that ETS were

652  
00:38:50,579 --> 00:38:47,740  
communicating to him psychically and so

653  
00:38:54,509 --> 00:38:50,589  
there are some iconic cases out there in

654  
00:38:58,769 --> 00:38:54,519  
the world of ufology regarding that

655  
00:39:02,670 --> 00:38:58,779  
topic but that does not mean that UFO

656  
00:39:05,370 --> 00:39:02,680  
investigators believe the UFO phenomenon

657  
00:39:09,450 --> 00:39:05,380  
falls under the paranormal so I just

658  
00:39:11,400 --> 00:39:09,460  
would like to share that idea and a

659  
00:39:16,739 --> 00:39:11,410  
concept with our listeners do you agree

660  
00:39:18,749 --> 00:39:16,749  
with that okay and I wanted to ask you

661  
00:39:22,769 --> 00:39:18,759  
something else that is considered

662  
00:39:25,769 --> 00:39:22,779  
paranormal to some but not necessarily

663  
00:39:30,150 --> 00:39:25,779

fallen under the paranormal category and

664

00:39:34,980 --> 00:39:30,160

that is the topic of orbs MUFON as you

665

00:39:39,029 --> 00:39:34,990

know that organization so well does they

666

00:39:41,789 --> 00:39:39,039

do they do actually evaluate and

667

00:39:45,900 --> 00:39:41,799

investigate certain kinds of orb

668

00:39:48,749 --> 00:39:45,910

activity and I wanted to ask you why do

669

00:39:56,390 --> 00:39:48,759

you think a UFO investigator would want

670

00:40:05,910 --> 00:39:59,339

personally I have never encountered any

671

00:40:13,160 --> 00:40:05,920

orb citing cases here so I am not

672

00:40:18,170 --> 00:40:13,170

actually really well familiar with that

673

00:40:20,910 --> 00:40:18,180

particular phenomenon I do know that

674

00:40:24,359 --> 00:40:20,920

exist as they have been saying they have

675

00:40:29,249 --> 00:40:24,369

been observed but not that I know of

676  
00:40:31,049 --> 00:40:29,259  
among witnesses from this country well I

677  
00:40:33,720 --> 00:40:31,059  
think that's yeah I think that's really

678  
00:40:35,700 --> 00:40:33,730  
interesting because MUFON does look at

679  
00:40:38,880 --> 00:40:35,710  
them and the reason being is they've

680  
00:40:40,589 --> 00:40:38,890  
gotten so many cases so many reports of

681  
00:40:45,960 --> 00:40:40,599  
them is that so they kind of had to get

682  
00:40:55,160 --> 00:40:49,020  
I want a case I've seen this I think the

683  
00:41:00,350 --> 00:40:55,170  
orb orbs having having some kind of

684  
00:41:10,140 --> 00:41:00,360  
relation with the appearances of circles

685  
00:41:13,440 --> 00:41:10,150  
for instance are like one so where was

686  
00:41:17,940 --> 00:41:13,450  
seen after a crop circle was discovered

687  
00:41:22,530 --> 00:41:17,950  
I guess that's the only way any

688  
00:41:23,970 --> 00:41:22,540

connection that I could think of yeah um

689

00:41:26,070 --> 00:41:23,980

there's also and we'll move on to

690

00:41:28,890 --> 00:41:26,080

another topic but there's also witnesses

691

00:41:31,200 --> 00:41:28,900

that MUFON have come across that will

692

00:41:34,430 --> 00:41:31,210

say things like well I saw an orb in the

693

00:41:38,850 --> 00:41:34,440

sky and they use that word to describe

694

00:41:41,790 --> 00:41:38,860

you know the UFO like activity that they

695

00:41:44,100 --> 00:41:41,800

that they witness is that anything that

696

00:41:48,450 --> 00:41:44,110

you've come across to where people will

697

00:41:53,730 --> 00:41:48,460

say well it looked like an orb has that

698

00:41:56,090 --> 00:41:53,740

ever happened to you okay great wanted

699

00:41:59,040 --> 00:41:56,100

to move on to another topic and ask you

700

00:42:00,270 --> 00:41:59,050

do you think society has evolved to the

701

00:42:02,880 --> 00:42:00,280

point where it feels there is

702

00:42:04,140 --> 00:42:02,890

extraterrestrial activity and they're

703

00:42:07,440 --> 00:42:04,150

more willing to acknowledge the

704

00:42:09,350 --> 00:42:07,450

possibility of it I mean and I mean all

705

00:42:12,360 --> 00:42:09,360

around the world do you think that

706

00:42:15,150 --> 00:42:12,370

society has gotten to the point where

707

00:42:18,630 --> 00:42:15,160

there is possible extraterrestrial

708

00:42:22,260 --> 00:42:18,640

activity meaning ET civilization or

709

00:42:25,470 --> 00:42:22,270

civilizations coming back and forth to

710

00:42:27,540 --> 00:42:25,480

our planet and do you think society is

711

00:42:32,970 --> 00:42:27,550

ready for that to acknowledge that

712

00:42:43,760 --> 00:42:32,980

possibility if that is one personally I

713

00:42:46,860 --> 00:42:43,770

do think so yes why is that because the

714

00:42:52,160 --> 00:42:46,870

is well known around it's it's actually

715

00:42:56,880 --> 00:42:52,170

a kind of like a household word and

716

00:43:00,289 --> 00:42:56,890

people acknowledge they recognized

717

00:43:03,809 --> 00:43:00,299

the reality of the UFO phenomenon and

718

00:43:07,799 --> 00:43:03,819

with it of course goes also the possible

719

00:43:12,380 --> 00:43:07,809

reality of entities that go along with

720

00:43:16,829 --> 00:43:12,390

the phenomenon so people are aware

721

00:43:19,890 --> 00:43:16,839

because of what they see on YouTube or

722

00:43:26,720 --> 00:43:19,900

or even in the newspapers and in fact

723

00:43:34,170 --> 00:43:29,789

extraterrestrials exist they're very

724

00:43:35,700 --> 00:43:34,180

much welcome to be baptized I remember

725

00:43:39,359 --> 00:43:35,710

when that came out that created a little

726

00:43:41,849 --> 00:43:39,369

bit of a stir that was a very good point

727

00:43:44,880 --> 00:43:41,859

I when thank you for mentioning all of

728

00:43:47,970 --> 00:43:44,890

that wanted to ask you what was the

729

00:43:50,009 --> 00:43:47,980

defining moment in your life that

730

00:43:53,819 --> 00:43:50,019

convinced you extraterrestrial

731

00:43:56,190 --> 00:43:53,829

civilizations might exist what was the

732

00:43:59,069 --> 00:43:56,200

defining moment in your life that you

733

00:44:01,410 --> 00:43:59,079

feel that convinced you that there could

734

00:44:15,479 --> 00:44:01,420

be extraterrestrial civilizations out

735

00:44:22,910 --> 00:44:15,489

there for that matter humans as being

736

00:44:26,249 --> 00:44:22,920

the only intelligent mostly intelligent

737

00:44:32,069 --> 00:44:26,259

creatures in the galaxy or in the

738

00:44:35,940 --> 00:44:32,079

universe is probably doesn't really sit

739

00:44:38,849 --> 00:44:35,950

well with my idea you know I mean I

740

00:44:44,160 --> 00:44:38,859

always believe that we are not alone

741

00:44:50,220 --> 00:44:44,170

it's my own personal personal belief for

742

00:44:54,989 --> 00:44:50,230

that matter and so it didn't have to

743

00:44:59,789 --> 00:44:54,999

have a defining moment as you said for

744

00:45:01,559 --> 00:44:59,799

me to embrace that kind of belief great

745

00:45:03,089 --> 00:45:01,569

okay and then I have another question

746

00:45:05,999 --> 00:45:03,099

for you and I'm gonna give you some

747

00:45:08,519 --> 00:45:06,009

examples regarding my question I was

748

00:45:10,660 --> 00:45:08,529

gonna ask you could you please share a

749

00:45:13,480 --> 00:45:10,670

list of UFO cases that have

750

00:45:16,450 --> 00:45:13,490

regarding the most evidence of possible

751  
00:45:19,230 --> 00:45:16,460  
extraterrestrial presence or et related

752  
00:45:23,920 --> 00:45:19,240  
craft an example list of that might be

753  
00:45:29,610 --> 00:45:23,930  
battle of Los Angeles in 1942 Roswell in

754  
00:45:34,060 --> 00:45:29,620  
1947 Washington DC in 1952 Socorro in

755  
00:45:38,080 --> 00:45:34,070  
1964 Travis Walton in 1975 the Phoenix

756  
00:45:40,180 --> 00:45:38,090  
lights in 1997 are there any iconic

757  
00:45:41,620 --> 00:45:40,190  
cases like Betty and Barney Hill any

758  
00:45:49,230 --> 00:45:41,630  
cases like that

759  
00:45:57,310 --> 00:45:53,530  
particularly intrigued by the case of US

760  
00:46:00,460 --> 00:45:57,320  
Air Force pilot Lauren's coin I think

761  
00:46:02,100 --> 00:46:00,470  
it's a very iconic the coin helicopter

762  
00:46:06,970 --> 00:46:02,110  
case yep absolutely

763  
00:46:10,240 --> 00:46:06,980

you a helicopter case because I was a

764

00:46:13,810 --> 00:46:10,250

reserve in the Philippine Air Force I

765

00:46:16,300 --> 00:46:13,820

used to fly along with you know in

766

00:46:21,010 --> 00:46:16,310

Huey's and that kind of you know

767

00:46:25,180 --> 00:46:21,020

interests me and and the coin incident

768

00:46:28,810 --> 00:46:25,190

is probably course not one of the

769

00:46:32,950 --> 00:46:28,820

classic cases in ufology that you know

770

00:46:42,280 --> 00:46:32,960

really made me think that really there's

771

00:46:47,800 --> 00:46:42,290

something to it over other ouchies

772

00:46:51,220 --> 00:46:47,810

Japanese thin flying jumbo 747 of Japan

773

00:46:58,030 --> 00:46:51,230

Airlines over Alaska and and I think

774

00:47:00,130 --> 00:46:58,040

that was also one because pilot like a

775

00:47:03,130 --> 00:47:00,140

they they don't make stories I mean and

776

00:47:05,770 --> 00:47:03,140

you you just say it was they had the

777

00:47:08,050 --> 00:47:05,780

radar back up on that case and they had

778

00:47:10,420 --> 00:47:08,060

the radar back for that one

779

00:47:14,740 --> 00:47:10,430

incidentally in the Philippines because

780

00:47:18,870 --> 00:47:14,750

we don't have those technology of you

781

00:47:22,730 --> 00:47:18,880

know or I've not seen one myself and

782

00:47:26,390 --> 00:47:22,740

I've had one case in one

783

00:47:30,770 --> 00:47:26,400

being an air traffic controller his case

784

00:47:33,320 --> 00:47:30,780

was never known in mainstream media I

785

00:47:35,900 --> 00:47:33,330

got hold of the story when you know

786

00:47:40,160 --> 00:47:35,910

there was some leakage and people

787

00:47:43,700 --> 00:47:40,170

started talking about it you know in in

788

00:47:47,180 --> 00:47:43,710

whispers but when I got hold of it and I

789

00:47:51,590 --> 00:47:47,190

knew that the the witness was a good

790

00:47:53,750 --> 00:47:51,600

friend of mine a well respected air

791

00:47:57,260 --> 00:47:53,760

traffic controller at the airport where

792

00:48:01,280 --> 00:47:57,270

I live and so I asked him and I said jr.

793

00:48:05,390 --> 00:48:01,290

I know you you saw something and and in

794

00:48:07,970 --> 00:48:05,400

the interest of research if I could you

795

00:48:11,030 --> 00:48:07,980

know get to know the details and the

796

00:48:15,650 --> 00:48:11,040

ones was that was when he opened up and

797

00:48:20,150 --> 00:48:15,660

told me about his experience he's not a

798

00:48:23,210 --> 00:48:20,160

very he he doesn't talk much but he's a

799

00:48:24,980 --> 00:48:23,220

well-respected Airport controller and so

800

00:48:27,950 --> 00:48:24,990

he was a friend of mine because I would

801  
00:48:30,740 --> 00:48:27,960  
I would frequent the airport area myself

802  
00:48:38,210 --> 00:48:30,750  
and and I'm a friend of some of these

803  
00:48:41,630 --> 00:48:38,220  
guys what did he say well he said it was

804  
00:48:44,780 --> 00:48:41,640  
about he went about the early afternoon

805  
00:48:48,200 --> 00:48:44,790  
it was a sunny day he was at the control

806  
00:48:50,390 --> 00:48:48,210  
tower where he would you know where they

807  
00:48:54,050 --> 00:48:50,400  
would wait for the planes coming in to

808  
00:48:57,349 --> 00:48:54,060  
land and take off and he said he was

809  
00:48:59,090 --> 00:48:57,359  
amazed to see a bright thing going down

810  
00:49:02,990 --> 00:48:59,100  
which at first he thought was a bright

811  
00:49:06,859 --> 00:49:03,000  
meteor but he said it was too slow for a

812  
00:49:10,040 --> 00:49:06,869  
meteor and so he said the second thing

813  
00:49:12,670 --> 00:49:10,050

that came to his mind was it must

814

00:49:16,730 --> 00:49:12,680

probably be an aircraft in in in

815

00:49:19,490 --> 00:49:16,740

distress but they didn't get no distress

816

00:49:22,580 --> 00:49:19,500

calls or anything and there was the

817

00:49:25,820 --> 00:49:22,590

airport tower but what amazed him was

818

00:49:29,780 --> 00:49:25,830

that the thing coming down all of a

819

00:49:34,260 --> 00:49:29,790

sudden stopped in mid-flight it stopped

820

00:49:38,040 --> 00:49:34,270

in mid-flight and split into two

821

00:49:42,200 --> 00:49:38,050

and and it went flying around and that

822

00:49:44,310 --> 00:49:42,210

was something that was probably a year

823

00:49:49,980 --> 00:49:44,320

for the first time in his life you've

824

00:49:52,830 --> 00:49:49,990

seen the kind of thing sure oh yeah the

825

00:49:55,200 --> 00:49:52,840

Japan Airlines flight 1628 was a UFO

826

00:49:58,830 --> 00:49:55,210

incident that occurred in November 17th

827

00:50:01,680 --> 00:49:58,840

in 1986 and involved a Japanese Boeing a

828

00:50:03,840 --> 00:50:01,690

cargo aircraft and that aircraft was in

829

00:50:08,670 --> 00:50:03,850

route from Paris to Narita International

830

00:50:12,840 --> 00:50:08,680

Airport near Tokyo and with a cargo of

831

00:50:15,420 --> 00:50:12,850

wine and at some point on that flight

832

00:50:17,970 --> 00:50:15,430

the crew first witnessed two

833

00:50:20,550 --> 00:50:17,980

unidentified objects to their left these

834

00:50:23,490 --> 00:50:20,560

abruptly rose from below and closed in

835

00:50:25,830 --> 00:50:23,500

to escort their aircraft each had two

836

00:50:28,500 --> 00:50:25,840

rectangular arrays of what appeared to

837

00:50:30,900 --> 00:50:28,510

be glowing nozzles or thrusters through

838

00:50:33,150 --> 00:50:30,910

their body bodies remained obscured by

839

00:50:36,390 --> 00:50:33,160

though their bodies remained obscured by

840

00:50:38,910 --> 00:50:36,400

darkness and then it says when closest

841

00:50:41,670 --> 00:50:38,920

the aircraft's cabin was lit up and the

842

00:50:45,000 --> 00:50:41,680

captain could feel their heat on his

843

00:50:47,670 --> 00:50:45,010

face these two aircraft these two craft

844

00:50:49,560 --> 00:50:47,680

departed before a third much larger disc

845

00:50:51,930 --> 00:50:49,570

shaped objects started trailing them

846

00:50:56,820 --> 00:50:51,940

anyway I'd when I was going to ask you

847

00:51:02,610 --> 00:50:56,830

did you ever have any triangle related

848

00:51:05,790 --> 00:51:02,620

sightings at all reported to you by

849

00:51:07,830 --> 00:51:05,800

triangle what do you exactly mean by

850

00:51:09,990 --> 00:51:07,840

that well you know they're the the

851  
00:51:11,310 --> 00:51:10,000  
three-sided where we get quite a few of

852  
00:51:14,550 --> 00:51:11,320  
those kind of sightings here in the

853  
00:51:17,880 --> 00:51:14,560  
states and also apparently that's what

854  
00:51:20,190 --> 00:51:17,890  
was cited during the the belgian uptick

855  
00:51:26,100 --> 00:51:20,200  
back in the late eighties you're

856  
00:51:34,010 --> 00:51:26,110  
familiar with that tell me about the

857  
00:51:40,170 --> 00:51:35,210  
[Music]

858  
00:51:43,260 --> 00:51:40,180  
regarding triangles okay okay great and

859  
00:51:45,390 --> 00:51:43,270  
then I was gonna also ask you what did

860  
00:51:48,000 --> 00:51:45,400  
you think about the Travis Walton case

861  
00:51:55,140 --> 00:51:48,010  
did you ever get a chance to kind of go

862  
00:51:57,510 --> 00:51:55,150  
over that case at all yes the ones that

863  
00:52:00,510 --> 00:51:57,520

made a movie yes

864

00:52:04,980 --> 00:52:00,520

hiring a sky yeah Byron the sky yes I

865

00:52:09,180 --> 00:52:04,990

met Travis welcome himself during the

866

00:52:14,460 --> 00:52:09,190

2016 international UFO conference held

867

00:52:19,830 --> 00:52:14,470

in Scottsdale and I did ask him those a

868

00:52:25,290 --> 00:52:19,840

thing and he seems to be a very shy a

869

00:52:27,630 --> 00:52:25,300

guy and he said he just told the truth

870

00:52:31,020 --> 00:52:27,640

and that was it and there's nothing more

871

00:52:36,150 --> 00:52:31,030

or less about it he said what what what

872

00:52:38,330 --> 00:52:36,160

he actually disclosed just the truth it

873

00:52:43,920 --> 00:52:38,340

was all to it

874

00:52:45,570 --> 00:52:43,930

yes I great yeah I had a chance to

875

00:52:48,330 --> 00:52:45,580

interview him myself this year at the

876

00:52:51,870 --> 00:52:48,340

Phoenix lights showed that Dr Lin Kataya

877

00:52:54,960 --> 00:52:51,880

had in Scottsdale Arizona was gonna ask

878

00:53:00,120 --> 00:52:54,970

you how did you what is your perspective

879

00:53:02,610 --> 00:53:00,130

on the alleged Roswell craft that

880

00:53:07,650 --> 00:53:02,620

crashed actually it was in Corona New

881

00:53:14,700 --> 00:53:07,660

Mexico in 1947 what was your take on

882

00:53:18,660 --> 00:53:14,710

that it was the case where they they

883

00:53:23,400 --> 00:53:18,670

they buried the entity in in an unmarked

884

00:53:28,020 --> 00:53:23,410

grave somewhere there I I think it I

885

00:53:31,140 --> 00:53:28,030

wash it I believe there was something

886

00:53:35,100 --> 00:53:31,150

that went down at Roswell yes I have no

887

00:53:38,790 --> 00:53:35,110

doubt in my mind the late

888

00:53:43,350 --> 00:53:38,800

Stan weed man I think did a very good

889

00:53:47,220 --> 00:53:43,360

research on that one too and based on

890

00:53:50,940 --> 00:53:47,230

the testimonies of witnesses either

891

00:53:54,990 --> 00:53:50,950

living or dead appear to be very

892

00:53:57,630 --> 00:53:55,000

authentic I don't have any doubt in my

893

00:54:00,150 --> 00:53:57,640

mind about the reality of the incident

894

00:54:01,860 --> 00:54:00,160

okay then I was gonna ask you kind of a

895

00:54:03,660 --> 00:54:01,870

complex question that I know

896

00:54:07,190 --> 00:54:03,670

that you can answer quite easily I

897

00:54:10,530 --> 00:54:07,200

believe and that is do you believe the

898

00:54:14,780 --> 00:54:10,540

scientific and journalistic communities

899

00:54:19,350 --> 00:54:14,790

are purposely ignoring the possibility

900

00:54:23,370 --> 00:54:19,360

of the presence trust real civilizations

901  
00:54:25,050 --> 00:54:23,380  
if so why I'm gonna go ahead and relay

902  
00:54:28,320 --> 00:54:25,060  
that question to you again do you

903  
00:54:30,150 --> 00:54:28,330  
believe the scientific and or the

904  
00:54:33,060 --> 00:54:30,160  
journalistic community's mainstream

905  
00:54:35,460 --> 00:54:33,070  
media or the science communities are

906  
00:54:38,190 --> 00:54:35,470  
purposely ignoring the possibility or

907  
00:54:43,730 --> 00:54:38,200  
the possibility of the presence or

908  
00:55:00,780 --> 00:54:55,050  
my opinion is that the scientific

909  
00:55:04,830 --> 00:55:00,790  
community it I think the reason we're

910  
00:55:09,510 --> 00:55:04,840  
ignoring that is very it's not exactly

911  
00:55:13,640 --> 00:55:09,520  
ignoring I would say but I believe that

912  
00:55:15,440 --> 00:55:13,650  
them they know about it they feel it's

913  
00:55:20,970 --> 00:55:15,450

it's real

914

00:55:23,340 --> 00:55:20,980

except for the fact that science needs

915

00:55:28,830 --> 00:55:23,350

hard evidence you need empirical

916

00:55:31,500 --> 00:55:28,840

evidence for that matter and speculating

917

00:55:37,410 --> 00:55:31,510

on some fantasy might not sit well with

918

00:55:41,510 --> 00:55:37,420

the academic aspect of science I believe

919

00:55:44,550 --> 00:55:41,520

this the reason why they ignore it but I

920

00:55:48,350 --> 00:55:44,560

probably from a personal point of view

921

00:55:51,210 --> 00:55:48,360

I'll think somehow they they probably

922

00:55:54,360 --> 00:55:51,220

acknowledge the fact that we are not

923

00:55:57,120 --> 00:55:54,370

really alone yeah you know it's

924

00:55:58,650 --> 00:55:57,130

interesting I won't say who they are but

925

00:56:01,500 --> 00:55:58,660

I know a few scientists who

926  
00:56:04,950 --> 00:56:01,510  
behind-the-scenes have told me they do

927  
00:56:08,610 --> 00:56:04,960  
believe that et civilizations actually

928  
00:56:11,670 --> 00:56:08,620  
are not only present here on this planet

929  
00:56:15,480 --> 00:56:11,680  
but are visiting frequently and that

930  
00:56:15,610 --> 00:56:15,490  
they also visit by going down the end of

931  
00:56:24,700 --> 00:56:15,620  
the

932  
00:56:27,610 --> 00:56:24,710  
would never ever say that publicly and

933  
00:56:31,690 --> 00:56:27,620  
then I also know folks who are involved

934  
00:56:34,180 --> 00:56:31,700  
in journalism and they they do believe

935  
00:56:38,070 --> 00:56:34,190  
that there's an existence of ET

936  
00:56:41,140 --> 00:56:38,080  
civilizations out there but they didn't

937  
00:56:43,780 --> 00:56:41,150  
dare write about it so was going to ask

938  
00:56:47,710 --> 00:56:43,790

you why do you think that mainstream

939

00:56:52,930 --> 00:56:47,720

media is ignoring the possibility of ET

940

00:56:55,450 --> 00:56:52,940

civilizations visiting our planet well

941

00:56:59,950 --> 00:56:55,460

some writers do write about them but a

942

00:57:02,320 --> 00:56:59,960

very sketchy manner it's not exactly in

943

00:57:06,040 --> 00:57:02,330

depth or you know it's because it

944

00:57:10,330 --> 00:57:06,050

probably might not really sell for that

945

00:57:13,660 --> 00:57:10,340

matter because journalistic writing we

946

00:57:20,950 --> 00:57:13,670

have to accept the fact that it's it's a

947

00:57:24,400 --> 00:57:20,960

business I mean you know so there could

948

00:57:35,220 --> 00:57:24,410

be some kind of restrictions that we

949

00:57:38,350 --> 00:57:35,230

don't know about something like is that

950

00:57:42,970 --> 00:57:38,360

exactly saying like they're having a gag

951  
00:57:47,350 --> 00:57:42,980  
order or something I know but just

952  
00:57:48,750 --> 00:57:47,360  
probably pretty cool it's about writing

953  
00:57:53,320 --> 00:57:48,760  
those things

954  
00:57:55,570 --> 00:57:53,330  
real quick yeah let me jump in here real

955  
00:57:58,060 --> 00:57:55,580  
quick ed when with the Philippines being

956  
00:58:00,490 --> 00:57:58,070  
islands and all have you ever gotten any

957  
00:58:02,740 --> 00:58:00,500  
cases of a UFOs coming out of the water

958  
00:58:05,950 --> 00:58:02,750  
or going into the water into the ocean

959  
00:58:08,260 --> 00:58:05,960  
anything yeah you Essos unidentified

960  
00:58:13,900 --> 00:58:08,270  
submerged objects have you ever gotten

961  
00:58:18,010 --> 00:58:13,910  
any cases like that over there not to

962  
00:58:23,710 --> 00:58:18,020  
the day man that I know of today but I

963  
00:58:25,650 --> 00:58:23,720

came across a documentary which involves

964

00:58:29,380 --> 00:58:25,660

Russian

965

00:58:33,130 --> 00:58:29,390

submarines hearing some strange sounds

966

00:58:36,070 --> 00:58:33,140

from from us oh and and the phenomenon

967

00:58:40,630 --> 00:58:36,080

they did research on that actually and

968

00:58:42,610 --> 00:58:40,640

phenomenon is said to spread out even to

969

00:58:48,880 --> 00:58:42,620

the Philippines in the waters of the

970

00:58:50,980 --> 00:58:48,890

Philippines and but any witnesses saying

971

00:58:54,370 --> 00:58:50,990

that they've seen you as I was coming

972

00:58:58,240 --> 00:58:54,380

out of the ocean none that I know of to

973

00:59:00,700 --> 00:58:58,250

date okay so today just curious that was

974

00:59:03,790 --> 00:59:00,710

for my old friend Chris he was asking

975

00:59:06,070 --> 00:59:03,800

about your father you live on a chain of

976

00:59:09,010 --> 00:59:06,080

islands there so maybe you did you know

977

00:59:10,840 --> 00:59:09,020

you're surrounded by the ocean yeah and

978

00:59:13,690 --> 00:59:10,850

so then I wanted to ask you about

979

00:59:16,270 --> 00:59:13,700

disclosure there was an article that

980

00:59:18,280 --> 00:59:16,280

came out a few years ago I think was

981

00:59:20,110 --> 00:59:18,290

called something like chlorine glowing

982

00:59:22,270 --> 00:59:20,120

ours and black money I think it was

983

00:59:23,770 --> 00:59:22,280

Leslie Kean and Helen Blumenthal and I

984

00:59:26,680 --> 00:59:23,780

think maybe Chris Mellon write crap

985

00:59:29,610 --> 00:59:26,690

Frank that wrote that article Mellon

986

00:59:32,730 --> 00:59:29,620

wasn't involved it was at all

987

00:59:35,560 --> 00:59:32,740

Leslie Kean and lady named Helene Cooper

988

00:59:36,160 --> 00:59:35,570

yeah that's right it was those three

989

00:59:38,110 --> 00:59:36,170

thank you

990

00:59:40,630 --> 00:59:38,120

I think they quoted Chris Mellon in that

991

00:59:42,040 --> 00:59:40,640

earlier but I think yeah yeah they sure

992

00:59:44,830 --> 00:59:42,050

did that's an understatement

993

00:59:48,190 --> 00:59:44,840

anyway I was gonna ask you when that

994

00:59:50,710 --> 00:59:48,200

article came out about tic-tac that came

995

00:59:53,410 --> 00:59:50,720

that happened regarding folks who
