THE AVIARY AND HIS MUFON
WORK

UFONN
SUNDAY

1
00:01:03,340 --> 00:00:17,070

[Music]

2
00:01:05,980 --> 00:01:03,350
and good evening from Philadelphia Frank

3
00:01:08,590 --> 00:01:05,990
here with a Thursday night edition of

4
00:01:10,870 --> 00:01:08,600
UFO news network Sunday we're all ready

5
00:01:13,300 --> 00:01:10,880
to go we've got a great guest and to

6
00:01:17,200 --> 00:01:13,310
bring him on now let me introduce my

7
00:01:19,080 --> 00:01:17,210
co-host the one the only chant Hannah

8
00:01:22,960 --> 00:01:19,090
how's everything going tonight chant

9
00:01:25,210 --> 00:01:22,970
it's going Frank thank you so much I'm

10
00:01:27,760 --> 00:01:25,220
so glad to be back we have a very

11
00:01:28,390 --> 00:01:27,770
special guest on our show who's also a

12
00:01:31,210 --> 00:01:28,400
friend of ours

13
00:01:35,200 --> 00:01:31,220

he's a very wonderful person his name is

14
00:01:37,359 --> 00:01:35,210
Tom Whitmore and a long time MUFON board

15
00:01:39,460 --> 00:01:37,369
member tom Whitmore retired recently as

16
00:01:42,520 --> 00:01:39,470
a financial analyst with a local firm in

17
00:01:44,710 --> 00:01:42,530
San Antonio in 2019 tom was invited to

18
00:01:46,719 --> 00:01:44,720
join the MUFON Board in 95 and

19
00:01:49,090 --> 00:01:46,729
experienced the organization's progress

20
00:01:50,920 --> 00:01:49,100
through the successive administration's

21
00:01:52,780 --> 00:01:50,930
of five different administrations on up

22
00:01:54,790 --> 00:01:52,790
to the current international MUFON

23
00:01:57,580 --> 00:01:54,800
director Jan Harrison he serves as

24
00:02:00,389 --> 00:01:57,590
treasurer and focuses on long-term and

25
00:02:03,430 --> 00:02:00,399
strategic issues for the organization

26
00:02:05,260 --> 00:02:03,440
tom has been fascinated by military and

27
00:02:07,570 --> 00:02:05,270
intelligence agencies interactions with

28
00:02:09,070 --> 00:02:07,580
the UFO public he has undertaken a

29
00:02:11,080 --> 00:02:09,080
research study of the history of the

30
00:02:13,110 --> 00:02:11,090
mj-12 affair and intends to have

31
00:02:15,670 --> 00:02:13,120
eventually published his findings he

32
00:02:18,550 --> 00:02:15,680
participates in discussions of the mj-12

33
00:02:20,770 --> 00:02:18,560
topic by giving presentations to local

34
00:02:22,810 --> 00:02:20,780
UFO groups appearing on internet

35
00:02:24,970 --> 00:02:22,820
podcasts and radio shows and by

36
00:02:27,640 --> 00:02:24,980
communicating in social media you can

37
00:02:29,220 --> 00:02:27,650
view his information on his blog at Tom

38
00:02:33,059 --> 00:02:29,230

Whitmer blog

39

00:02:35,770 --> 00:02:33,069

wordpress.com that is Tom Whitmore blog

40

00:02:37,660 --> 00:02:35,780

doc wordpress.com and I will be bringing

41

00:02:40,450 --> 00:02:37,670

up that URL several times during our

42

00:02:41,890 --> 00:02:40,460

podcast tonight welcome Tom on our show

43

00:02:43,720 --> 00:02:41,900

it's so nice to have you on our show

44

00:02:44,550 --> 00:02:43,730

I've been looking forward to this for a

45

00:02:47,440 --> 00:02:44,560

long time

46

00:02:49,660 --> 00:02:47,450

Thank You champ and Frank and I'm very

47

00:02:51,520 --> 00:02:49,670

glad to be here I'm really looking

48

00:02:54,040 --> 00:02:51,530

forward to this conversation yeah thanks

49

00:02:55,980 --> 00:02:54,050

a lot for coming on Tom how how are you

50

00:03:01,300 --> 00:02:55,990

by the way Tom how how have you been

51
00:03:04,480 --> 00:03:01,310
I've been well for my age and I keep

52
00:03:06,010 --> 00:03:04,490
busy I try to put in a solid four hours

53
00:03:08,920 --> 00:03:06,020
of work on my project today

54
00:03:10,809 --> 00:03:08,930
yeah that's not chronological that's not

55
00:03:13,660 --> 00:03:10,819
a time span of four hours but rather

56
00:03:16,000 --> 00:03:13,670
actual four hours of work and then after

57
00:03:17,770 --> 00:03:16,010
that I take care of more personal

58
00:03:20,020 --> 00:03:17,780
business and trying to get my apartment

59
00:03:21,910 --> 00:03:20,030
and order that I just moved into in

60
00:03:25,330 --> 00:03:21,920
September so I'm keeping busy

61
00:03:27,630 --> 00:03:25,340
now I'm really quick you moved to a DC

62
00:03:30,309 --> 00:03:27,640
and are spending a lot of time

63
00:03:33,399 --> 00:03:30,319

researching at some various archives

64

00:03:36,280 --> 00:03:33,409

around there is that about right yes sir

65

00:03:39,940 --> 00:03:36,290

Frank when I first got here as soon as I

66

00:03:42,550 --> 00:03:39,950

moved in and I got moved and then I went

67

00:03:46,479 --> 00:03:42,560

straight to the National Archives and I

68

00:03:48,670 --> 00:03:46,489

am I had the cover 20 memo pulled and I

69

00:03:50,830 --> 00:03:48,680

spent many hours at the National

70

00:03:52,720 --> 00:03:50,840

Archives so far and I plan to spend more

71

00:03:55,030 --> 00:03:52,730

that I've been through hundreds of

72

00:03:56,379 --> 00:03:55,040

documents there and I've also been

73

00:03:57,610 --> 00:03:56,389

through a lot of documents at the

74

00:04:00,970 --> 00:03:57,620

Library of Congress

75

00:04:04,240 --> 00:04:00,980

you pulled a pretty nice find a meeting

76

00:04:06,759 --> 00:04:04,250

between I believe general twining was

77

00:04:08,530 --> 00:04:06,769

involved in some other people that were

78

00:04:10,179 --> 00:04:08,540

there the discussion was actually about

79

00:04:12,330 --> 00:04:10,189

flying saucers I remember seeing that

80

00:04:15,099 --> 00:04:12,340

and that that was pretty interesting

81

00:04:17,890 --> 00:04:15,109

well the interesting thing was it was

82

00:04:21,039 --> 00:04:17,900

twenties number two and those

83

00:04:23,740 --> 00:04:21,049

discussions took place on those on the

84

00:04:27,040 --> 00:04:23,750

chronologies that you saw that mentioned

85

00:04:29,980 --> 00:04:27,050

saucers those discussions took place

86

00:04:31,750 --> 00:04:29,990

while General twining was out of town so

87

00:04:35,200 --> 00:04:31,760

his number two was having those

88

00:04:37,000 --> 00:04:35,210

discussions that's interesting you know

89

00:04:39,399 --> 00:04:37,010

I wanted to bring up a very important

90

00:04:43,029 --> 00:04:39,409

topic that I know is actually extremely

91

00:04:45,790 --> 00:04:43,039

important to the UFO community for for a

92

00:04:48,399 --> 00:04:45,800

very long time now and I think that you

93

00:04:50,110 --> 00:04:48,409

from my perspective have become an

94

00:04:54,550 --> 00:04:50,120

expert in your own right on this topic

95

00:04:58,089 --> 00:04:54,560

and that is the legendary mj-12 topic

96

00:05:00,640 --> 00:04:58,099

and I wanted to ask you what what you've

97

00:05:03,000 --> 00:05:00,650

come up with regarding that topic let's

98

00:05:05,890 --> 00:05:03,010

start off with the definition of mj-12

99

00:05:09,310 --> 00:05:05,900

subject and anything else you want to go

100

00:05:13,270 --> 00:05:09,320

ahead and follow up with after that the

101

00:05:16,779 --> 00:05:13,280

mj-12 subject originated in the 1980s

102

00:05:20,620 --> 00:05:16,789

when a set of documents appeared

103

00:05:23,529 --> 00:05:20,630

anonymously with UFO researchers and the

104

00:05:24,430 --> 00:05:23,539

documents implied that there had been

105

00:05:28,660 --> 00:05:24,440

recovered

106

00:05:31,180 --> 00:05:28,670

of a UFO along with the bodies and that

107

00:05:35,280 --> 00:05:31,190

a very special very secret committee had

108

00:05:37,990 --> 00:05:35,290

been formed of 12 top military

109

00:05:41,710 --> 00:05:38,000

scientific and government people that

110

00:05:46,330 --> 00:05:41,720

were they were tasked with setting the

111

00:05:49,090 --> 00:05:46,340

problem and and managing it now the

112

00:05:51,550 --> 00:05:49,100

documents that were received are

113

00:05:53,440 --> 00:05:51,560

questioned they're what we consider

114

00:05:56,800 --> 00:05:53,450

questioned documents they've been very

115

00:05:59,710 --> 00:05:56,810

controversial and some of them have been

116

00:06:02,470 --> 00:05:59,720

pored over and analyzed in great detail

117

00:06:06,100 --> 00:06:02,480

and all kinds of things have been found

118

00:06:09,340 --> 00:06:06,110

wrong with them now from my standpoint I

119

00:06:13,030 --> 00:06:09,350

divide the subject into two areas the

120

00:06:17,020 --> 00:06:13,040

first is the history of the mj-12 affair

121

00:06:19,240 --> 00:06:17,030

itself and by that I mean the people

122

00:06:22,330 --> 00:06:19,250

that were involved and the documents

123

00:06:24,700 --> 00:06:22,340

coming into the public domain and the

124

00:06:26,740 --> 00:06:24,710

claims that have been made and the

125

00:06:29,680 --> 00:06:26,750

activities and the controversies that

126

00:06:33,430 --> 00:06:29,690

have insert' ensued in the in the

127

00:06:36,340 --> 00:06:33,440

subject and I believe I've expanded my

128

00:06:38,980 --> 00:06:36,350

definition of the mj-12 affair to cover

129

00:06:41,950 --> 00:06:38,990

a period of about thirty five years and

130

00:06:44,530 --> 00:06:41,960

I started around the time that Leonard

131

00:06:47,470 --> 00:06:44,540

Stringfield was coming out with his

132

00:06:49,300 --> 00:06:47,480

crashed saucer findings and at about the

133

00:06:52,270 --> 00:06:49,310

same time that the book the Roswell

134

00:06:56,040 --> 00:06:52,280

incident came out and since then we've

135

00:06:58,510 --> 00:06:56,050

had a series of questioned documents and

136

00:07:01,270 --> 00:06:58,520

claims and even videos that have come

137

00:07:05,170 --> 00:07:01,280

out almost up to the present day for

138

00:07:08,430 --> 00:07:05,180

example in mj-12 related document came

139

00:07:12,310 --> 00:07:08,440

out in in 2017 I call it the ultra

140

00:07:14,680 --> 00:07:12,320

top-secret mj-12 document and then even

141

00:07:17,650 --> 00:07:14,690

within the last month we've had the

142

00:07:19,450 --> 00:07:17,660

public or within the last year we've had

143

00:07:22,720 --> 00:07:19,460

the public exposure of the so-called

144

00:07:25,810 --> 00:07:22,730

Admiral Wilson and kit green documents

145

00:07:28,510 --> 00:07:25,820

so the controversy in my opinion has has

146

00:07:30,970 --> 00:07:28,520

continued even up to the present day now

147

00:07:33,219 --> 00:07:30,980

that's that's the first part the second

148

00:07:36,159 --> 00:07:33,229

part is the legend of the mj-12

149

00:07:38,050 --> 00:07:36,169

committee itself and this is the legend

150

00:07:41,620 --> 00:07:38,060

that has developed

151

00:07:45,250 --> 00:07:41,630

largely out of claims and stories that

152

00:07:48,010 --> 00:07:45,260

came out in the 1980s and they were

153

00:07:50,500 --> 00:07:48,020

there related to not only the mj-12

154

00:07:54,400 --> 00:07:50,510

documents themselves but a series of

155

00:07:58,090 --> 00:07:54,410

rumored histories of the US government

156

00:08:01,720 --> 00:07:58,100

involvement with really serious UFO

157

00:08:04,360 --> 00:08:01,730

issues such as crash recoveries alien

158

00:08:06,970 --> 00:08:04,370

bodies possible relationships with alien

159

00:08:10,900 --> 00:08:06,980

groups and so on and so forth and that I

160

00:08:12,810 --> 00:08:10,910

put in the legend category now I'm

161

00:08:15,700 --> 00:08:12,820

talking really quick can you run through

162

00:08:19,540 --> 00:08:15,710

some of the names who were purportedly

163

00:08:25,180 --> 00:08:19,550

part of this organization the alleged

164

00:08:28,120 --> 00:08:25,190

mj-12 members yes sir yeah I had a bush

165

00:08:30,730 --> 00:08:28,130

yeah James Forrestal who unfortunately

166

00:08:35,170 --> 00:08:30,740

died he was replaced by Walter Bedell

167

00:08:38,440 --> 00:08:35,180

Smith you had Admiral killing Keter Hoyt

168

00:08:41,290 --> 00:08:38,450

Vandenberg he was a four-star general a

169

00:08:43,450 --> 00:08:41,300

chief of staff of the Air Force Sidney

170

00:08:46,030 --> 00:08:43,460

sours he was an admiral but he was

171

00:08:49,240 --> 00:08:46,040

actually he actually became a very close

172

00:08:53,790 --> 00:08:49,250

advisor to President Truman Gordon gray

173

00:08:56,620 --> 00:08:53,800

was an elite league political appointee

174

00:08:59,850 --> 00:08:56,630

there's a general Montague that I

175

00:09:02,920 --> 00:08:59,860

believe was working at at Sandia base

176

00:09:06,690 --> 00:09:02,930

Detlef bronc was a very high-level

177

00:09:09,640 --> 00:09:06,700

authority on biophysics and and

178

00:09:13,900 --> 00:09:09,650

physiological subjects Lloyd bertner I

179

00:09:14,530 --> 00:09:13,910

believe was was a aircraft and aerospace

180

00:09:18,370 --> 00:09:14,540

designer

181

00:09:20,770 --> 00:09:18,380

Donald Menzel was in the was a Harvard

182

00:09:23,230 --> 00:09:20,780

astronomer and he was notorious for

183

00:09:26,650 --> 00:09:23,240

debunking UFOs and you had general

184

00:09:29,620 --> 00:09:26,660

Nathan twining who was Vandenberg's

185

00:09:32,170 --> 00:09:29,630

number two and eventually became chief

186

00:09:35,410 --> 00:09:32,180

of staff of the Air Force and then you

187

00:09:37,420 --> 00:09:35,420

had Jerome unsacred so those are the

188

00:09:39,190 --> 00:09:37,430

twelve huh could you give us a little

189

00:09:43,870 --> 00:09:39,200

bit more about the background of a

190

00:09:46,770 --> 00:09:43,880

Forrestal and Vannevar Bush day after

191

00:09:50,350 --> 00:09:46,780

our Bush was one of the leading

192

00:09:52,000 --> 00:09:50,360

technologists of this time and for this

193

00:09:55,330 --> 00:09:52,010

especially for the song

194

00:09:59,500 --> 00:09:55,340

made us they had really gotten in on the

195

00:10:02,740 --> 00:09:59,510

ground floor these men had started their

196

00:10:04,720 --> 00:10:02,750

serious work in the 20s so by the 40s by

197

00:10:06,910 --> 00:10:04,730

World War two they were at the height of

198

00:10:09,640 --> 00:10:06,920

their careers and many of them had

199

00:10:12,280 --> 00:10:09,650

broken new ground and had been experts

200

00:10:14,980 --> 00:10:12,290

in the field and Vannevar Bush was a

201
00:10:17,830 --> 00:10:14,990
good example of that he was an

202
00:10:20,920 --> 00:10:17,840
electrical engineer and he was actually

203
00:10:23,470 --> 00:10:20,930
so high in the hierarchy if you hear

204
00:10:25,360 --> 00:10:23,480
about or when you think about the

205
00:10:29,230 --> 00:10:25,370
development of the nuclear weapons of

206
00:10:32,740 --> 00:10:29,240
the atomic bomb you had you had geniuses

207
00:10:35,680 --> 00:10:32,750
like Robert Oh Oppenheimer working for T

208
00:10:37,990 --> 00:10:35,690
star general general grows who has just

209
00:10:39,850 --> 00:10:38,000
an awesome figure in terms of

210
00:10:42,400 --> 00:10:39,860
organization and accomplishments and

211
00:10:45,220 --> 00:10:42,410
then above him was Vannevar Bush and I

212
00:10:47,710 --> 00:10:45,230
think James Caan out of Harvard you know

213
00:10:50,470 --> 00:10:47,720

there were three of those guys above him

214

00:10:55,210 --> 00:10:50,480

so Vannevar Bush was very very high in

215

00:10:58,810 --> 00:10:55,220

the hierarchy and then Forrestal was he

216

00:11:02,350 --> 00:10:58,820

he had been successful on Wall Street

217

00:11:05,110 --> 00:11:02,360

and he became the eventually the

218

00:11:08,140 --> 00:11:05,120

Secretary of Defense during the Truman

219

00:11:10,450 --> 00:11:08,150

administration unfortunately things did

220

00:11:12,760 --> 00:11:10,460

not work out well for him as Secretary

221

00:11:15,460 --> 00:11:12,770

of Defense and he ended up having

222

00:11:17,530 --> 00:11:15,470

serious psychological problems and that

223

00:11:20,740 --> 00:11:17,540

Vannevar Bush was also the founder of

224

00:11:22,920 --> 00:11:20,750

Raytheon which is to this day a major

225

00:11:25,180 --> 00:11:22,930

defense contractor is that about right

226

00:11:27,070 --> 00:11:25,190

that's right I was gonna mention that

227

00:11:30,640 --> 00:11:27,080

but I was afraid I might not be able to

228

00:11:33,910 --> 00:11:30,650

remember the name well a Raytheon was

229

00:11:36,480 --> 00:11:33,920

also the company that built that FLIR

230

00:11:39,250 --> 00:11:36,490

contraption that captured the UFO video

231

00:11:41,140 --> 00:11:39,260

friend during the Nimitz case so there

232

00:11:43,210 --> 00:11:41,150

they were they were crowing about that

233

00:11:45,910 --> 00:11:43,220

right in the yeah the median aftermath

234

00:11:47,530 --> 00:11:45,920

of all that and also just a little bit

235

00:11:50,830 --> 00:11:47,540

more about bush he's a pretty

236

00:11:52,800 --> 00:11:50,840

fascinating guy he's also considered

237

00:11:55,420 --> 00:11:52,810

sort of the father of the Internet he

238

00:11:57,040 --> 00:11:55,430

conceived of a sort of hypertext and

239

00:11:59,920 --> 00:11:57,050

things like that back in the 40s and

240

00:12:02,230 --> 00:11:59,930

also headed up the office of scientific

241

00:12:04,120 --> 00:12:02,240

research and development which oversaw

242

00:12:05,710 --> 00:12:04,130

the Manhattan Project so he was a pretty

243

00:12:09,879 --> 00:12:05,720

well-connected guy so

244

00:12:12,939 --> 00:12:09,889

insertion development yep yep so okay

245

00:12:14,860 --> 00:12:12,949

yeah yeah chant go ahead wanted to bring

246

00:12:18,519 --> 00:12:14,870

up just a little bit of you faun trivia

247

00:12:22,079 --> 00:12:18,529

and that is our network actually had a

248

00:12:29,139 --> 00:12:22,089

wonderful interview with Peter Robbins

249

00:12:31,660 --> 00:12:29,149

and that was on 220 of 2019 regarding a

250

00:12:34,179 --> 00:12:31,670

fascinating discussion about James

251
00:12:37,269 --> 00:12:34,189
Forrestal so I just wanted to mention

252
00:12:40,119 --> 00:12:37,279
that to our listeners that not only will

253
00:12:40,900 --> 00:12:40,129
we have a really fascinating podcaster

254
00:12:43,509 --> 00:12:40,910
with Tom

255
00:12:45,160 --> 00:12:43,519
regarding the mj-12 topic and maybe

256
00:12:47,530 --> 00:12:45,170
cover a little bit of James Forrestal

257
00:12:49,600 --> 00:12:47,540
here but for a really deep in-depth

258
00:12:52,629 --> 00:12:49,610
discussion about him that lasted about

259
00:12:57,040 --> 00:12:52,639
an hour to to listen to that podcast as

260
00:12:58,900 --> 00:12:57,050
well yes I've heard him talk about that

261
00:13:01,240 --> 00:12:58,910
I've heard him talk about that on

262
00:13:03,639 --> 00:13:01,250
another program and it's a very

263
00:13:06,309 --> 00:13:03,649

intriguing subject but I think he held

264

00:13:08,410 --> 00:13:06,319

the good part back and I didn't I never

265

00:13:10,119 --> 00:13:08,420

heard his actual theory on you know what

266

00:13:11,139 --> 00:13:10,129

happened but it that's a very

267

00:13:14,019 --> 00:13:11,149

interesting subject

268

00:13:17,410 --> 00:13:14,029

yeah you've covered the names of the

269

00:13:19,480 --> 00:13:17,420

alleged mj-12 members I wanted to know

270

00:13:22,509 --> 00:13:19,490

if you could move forward on past that

271

00:13:27,220 --> 00:13:22,519

into the history the definitive history

272

00:13:30,040 --> 00:13:27,230

of the mj-12 topic well in terms of the

273

00:13:33,100 --> 00:13:30,050

mj-12 affair like I've got a pretty long

274

00:13:35,350 --> 00:13:33,110

list and I'm gonna read this pretty fast

275

00:13:37,059 --> 00:13:35,360

but I know that you all are familiar

276

00:13:40,720 --> 00:13:37,069

with these and a lot of people in the

277

00:13:45,579 --> 00:13:40,730

UFO community are but we can start out

278

00:13:49,030 --> 00:13:45,589

with with Leonard Stringfield work with

279

00:13:51,579 --> 00:13:49,040

the Roswell incident book coming out

280

00:13:54,460 --> 00:13:51,589

then we had the activities of William

281

00:13:56,799 --> 00:13:54,470

Moore UFO researcher we had the release

282

00:13:59,590 --> 00:13:56,809

of the mj-12 documents themselves in the

283

00:14:02,590 --> 00:13:59,600

1980s there were the controversies about

284

00:14:05,460 --> 00:14:02,600

the Paul bennewitz affair there were

285

00:14:08,619 --> 00:14:05,470

claims made by Bill Cooper and John Lear

286

00:14:12,549 --> 00:14:08,629

there was the UFO cover-up live program

287

00:14:14,829 --> 00:14:12,559

there were the Bob Lazar claims then we

288

00:14:17,139 --> 00:14:14,839

had a whole series of documents come out

289

00:14:19,680 --> 00:14:17,149

in the nineties associated with a

290

00:14:23,340 --> 00:14:19,690

researcher by the name of Timothy Cooper

291

00:14:26,670 --> 00:14:23,350

we had the alien autopsy video we had

292

00:14:31,470 --> 00:14:26,680

the dan burisch claims the Serpas story

293

00:14:34,260 --> 00:14:31,480

we had claims made by Robert Dean and we

294

00:14:36,570 --> 00:14:34,270

had Steven Greer's work and we've had

295

00:14:39,180 --> 00:14:36,580

this ultra top-secret document come out

296

00:14:41,610 --> 00:14:39,190

in addition to that Richard Doty has

297

00:14:44,220 --> 00:14:41,620

given a number of interviews over the

298

00:14:46,920 --> 00:14:44,230

last couple of years I personally have

299

00:14:49,290 --> 00:14:46,930

reviewed 11 of them and and I've taken

300

00:14:50,610 --> 00:14:49,300

extensive notes and then again like I

301

00:14:53,010 --> 00:14:50,620

mentioned we've had we've had the

302

00:14:55,350 --> 00:14:53,020

Admiral Wilson and the KITT green

303

00:14:58,320 --> 00:14:55,360

documents this is all occurred over a

304

00:15:03,390 --> 00:14:58,330

period of 35 years so this is this is a

305

00:15:06,060 --> 00:15:03,400

pattern in my opinion so I you mentioned

306

00:15:09,060 --> 00:15:06,070

Richard Doty now obviously and Bill

307

00:15:11,370 --> 00:15:09,070

Moore now a lot of people are convinced

308

00:15:13,440 --> 00:15:11,380

that they are the gentleman responsible

309

00:15:17,880 --> 00:15:13,450

for constructing at least some of these

310

00:15:22,160 --> 00:15:17,890

alleged majestic 12 documents well Bill

311

00:15:25,680 --> 00:15:22,170

Moore has been under suspicion but I

312

00:15:28,320 --> 00:15:25,690

personally don't subscribe to the view

313

00:15:29,820 --> 00:15:28,330

and I'm not saying that he didn't do it

314

00:15:32,640 --> 00:15:29,830

I don't know but I don't necessarily

315

00:15:35,310 --> 00:15:32,650

subscribe to the view that he forged the

316

00:15:38,760 --> 00:15:35,320

mj-12 documents for a couple of reasons

317

00:15:41,190 --> 00:15:38,770

if if what he said is true when he

318

00:15:44,040 --> 00:15:41,200

received the documents he sat on them

319

00:15:46,650 --> 00:15:44,050

for two or three years before they went

320

00:15:49,620 --> 00:15:46,660

public and the only reason why he made

321

00:15:51,660 --> 00:15:49,630

them public was because Timothy good in

322

00:15:55,620 --> 00:15:51,670

the United Kingdom was getting ready to

323

00:15:59,310 --> 00:15:55,630

release them secondly people that create

324

00:16:02,130 --> 00:15:59,320

forges don't normally write 100 Plus

325

00:16:05,310 --> 00:16:02,140

page books analyzing their own forgery

326

00:16:07,650 --> 00:16:05,320

and Bill Moore has a very informative

327

00:16:12,090 --> 00:16:07,660

book called the mj-12 documents an

328

00:16:15,960 --> 00:16:12,100

analytical review now I think that if

329

00:16:18,180 --> 00:16:15,970

you in principle if you ask Richard Doty

330

00:16:20,370 --> 00:16:18,190

about creating the documents he will

331

00:16:22,410 --> 00:16:20,380

tell you that he had nothing to do with

332

00:16:27,480 --> 00:16:22,420

the creation of those documents he

333

00:16:30,840 --> 00:16:27,490

denies it or what do you think

334

00:16:33,660 --> 00:16:30,850

well there are different theories I have

335

00:16:36,480 --> 00:16:33,670

you know several possibilities I used to

336

00:16:40,590 --> 00:16:36,490

think that they might have come out of

337

00:16:44,069 --> 00:16:40,600

Air Force intelligence but I'm what one

338

00:16:46,160 --> 00:16:44,079

notion I've been mulling over is the

339

00:16:48,720 --> 00:16:46,170

possibility that they may have come out

340

00:16:51,389 --> 00:16:48,730

somewhere within the aviary the

341

00:16:55,290 --> 00:16:51,399

so-called aviary there are certain

342

00:16:57,989 --> 00:16:55,300

people that you can trace a lot of these

343

00:17:01,429 --> 00:16:57,999

notions back to them being such people

344

00:17:04,740 --> 00:17:01,439

as Arnie Keller Stross and Dale Graf and

345

00:17:08,579 --> 00:17:04,750

some and some other individuals I'm not

346

00:17:11,519 --> 00:17:08,589

accusing them I don't know but that is

347

00:17:16,649 --> 00:17:11,529

one possibility now one of the things

348

00:17:19,319 --> 00:17:16,659

that's always intrigued telework is it's

349

00:17:21,779 --> 00:17:19,329

it's their stock and trade to create

350

00:17:24,960 --> 00:17:21,789

phony documents intelligence agencies

351
00:17:28,340 --> 00:17:24,970
create phony passports they create phony

352
00:17:33,060 --> 00:17:28,350
documents they do that all the time so

353
00:17:35,760 --> 00:17:33,070
first notion was that the documents came

354
00:17:38,490 --> 00:17:35,770
out somewhere within the intelligence

355
00:17:40,710 --> 00:17:38,500
community now there is another notion

356
00:17:42,720 --> 00:17:40,720
that and Bill Moore has said this

357
00:17:45,269 --> 00:17:42,730
himself and I can read I can read

358
00:17:47,580 --> 00:17:45,279
chapter and verse that there are certain

359
00:17:50,130 --> 00:17:47,590
people within the government matrix that

360
00:17:53,039 --> 00:17:50,140
were unhappy with the level of secrecy

361
00:17:56,130 --> 00:17:53,049
about the US government's involvement in

362
00:17:58,080 --> 00:17:56,140
the UFO affair and they wanted to get

363
00:17:59,340 --> 00:17:58,090

some information out of the public but

364

00:18:01,919 --> 00:17:59,350

they had to do it in such a way that

365

00:18:04,740 --> 00:18:01,929

they weren't breaking any laws and that

366

00:18:07,560 --> 00:18:04,750

allowed plausible deniability one one

367

00:18:11,460 --> 00:18:07,570

way to do that is to create documents

368

00:18:15,750 --> 00:18:11,470

that appear to be official but obviously

369

00:18:18,950 --> 00:18:15,760

are flawed and have red flags and that

370

00:18:22,230 --> 00:18:18,960

allows possible deniability

371

00:18:23,279 --> 00:18:22,240

now these some of these are mjk yeah let

372

00:18:26,430 --> 00:18:23,289

me get in here chance some of these

373

00:18:29,820 --> 00:18:26,440

mj-12 documents actually do check out

374

00:18:33,510 --> 00:18:29,830

there's a supposedly a meeting where

375

00:18:37,169 --> 00:18:33,520

truman or well there's a document where

376

00:18:39,840 --> 00:18:37,179

truman authorizes the formation of the

377

00:18:41,310 --> 00:18:39,850

majestic 12 on a particular date and as

378

00:18:43,499 --> 00:18:41,320

it turns out

379

00:18:45,690 --> 00:18:43,509

that in the Truman library it's very

380

00:18:47,190 --> 00:18:45,700

easy to find on that particular date

381

00:18:49,680 --> 00:18:47,200

yeah you'll see a meeting with Truman

382

00:18:51,990 --> 00:18:49,690

and Vannevar Bush that much checks out

383

00:18:57,450 --> 00:18:52,000

so at the very least these documents are

384

00:19:01,169 --> 00:18:57,460

pretty well researched well some of them

385

00:19:06,060 --> 00:19:01,179

have them and to to investigators to

386

00:19:09,419 --> 00:19:06,070

researchers the the woods Robert Wood

387

00:19:11,430 --> 00:19:09,429

and Ryan would have really gone over the

388

00:19:13,590 --> 00:19:11,440

other the second real set of mj-12

389

00:19:16,680 --> 00:19:13,600
documents which came through

390

00:19:20,639 --> 00:19:16,690
Timothy Cooper and started showing up in

391

00:19:23,580 --> 00:19:20,649
the 1990s and the woods have done a lot

392

00:19:25,289 --> 00:19:23,590
of work on trying to establish what you

393

00:19:27,330 --> 00:19:25,299
know the level of authenticity or

394

00:19:29,070 --> 00:19:27,340
genuineness of some of those other

395

00:19:32,249 --> 00:19:29,080
documents and some of the documents

396

00:19:33,600 --> 00:19:32,259
obviously are altered you know there

397

00:19:35,460 --> 00:19:33,610
have been sections that have been found

398

00:19:37,289 --> 00:19:35,470
to be taken out of this other

399

00:19:40,860 --> 00:19:37,299
documentary this book or something

400

00:19:44,639 --> 00:19:40,870
things like that but all in all there's

401
00:19:48,869 --> 00:19:44,649
there's an awful ly high volume of these

402
00:19:50,879 --> 00:19:48,879
documents and somebody for one hoaxer to

403
00:19:52,769 --> 00:19:50,889
create all that somebody is gonna have

404
00:19:58,409 --> 00:19:52,779
to sit down do an awful lot of work and

405
00:20:01,440 --> 00:19:58,419
that that doesn't seem very probable to

406
00:20:04,049 --> 00:20:01,450
me understood understood that way can't

407
00:20:07,950 --> 00:20:04,059
go ahead you have something here yeah I

408
00:20:12,899 --> 00:20:07,960
actually wanted to ask Tom if you feel

409
00:20:16,139 --> 00:20:12,909
that the aviary group was created by the

410
00:20:19,139 --> 00:20:16,149
Defense Department to research ET

411
00:20:22,499 --> 00:20:19,149
weaponry and biotechnology as well as

412
00:20:30,499 --> 00:20:22,509
run some kind of interference program on

413
00:20:34,110 --> 00:20:30,509

civilian researchers or investigators or

414

00:20:47,310 --> 00:20:34,120

regarding any academics scientific

415

00:20:49,259 --> 00:20:47,320

scientific or any faction of any

416

00:20:52,740 --> 00:20:49,269

government around the world do you think

417

00:20:55,020 --> 00:20:52,750

the aviary was created that way born out

418

00:21:00,920 --> 00:20:55,030

of that or was it

419

00:21:05,760 --> 00:21:00,930

created through the aviary the

420

00:21:12,390 --> 00:21:05,770

conventional wisdom is that Bill Moore

421

00:21:16,340 --> 00:21:12,400

had been developing contacts and along

422

00:21:19,830 --> 00:21:16,350

during the years the 70s and the 80s

423

00:21:22,830 --> 00:21:19,840

there were people that had worked in the

424

00:21:25,130 --> 00:21:22,840

military and the government in fairly

425

00:21:28,080 --> 00:21:25,140

sensitive positions and they were

426
00:21:30,540 --> 00:21:28,090
getting starting to communicate with one

427
00:21:31,590 --> 00:21:30,550
another and they were finding things in

428
00:21:34,590 --> 00:21:31,600
common

429
00:21:36,770 --> 00:21:34,600
certain of them had heard stories or had

430
00:21:39,210 --> 00:21:36,780
seen things and believe certain things

431
00:21:41,250 --> 00:21:39,220
and some of these people within the

432
00:21:44,850 --> 00:21:41,260
aviary were communicating with each

433
00:21:49,080 --> 00:21:44,860
other and Bill Moore was developing his

434
00:21:51,090 --> 00:21:49,090
contacts and Bill Moore I think was a

435
00:21:54,780 --> 00:21:51,100
little bit concerned about secrecy and

436
00:21:57,030 --> 00:21:54,790
security and he decided to give this

437
00:21:59,280 --> 00:21:57,040
group of people that were his contacts

438
00:22:01,890 --> 00:21:59,290

to give them bird names and that and

439

00:22:04,800 --> 00:22:01,900

thus the aviary that's that's the

440

00:22:05,190 --> 00:22:04,810

conventional wisdom on how how it came

441

00:22:09,150 --> 00:22:05,200

about

442

00:22:10,890 --> 00:22:09,160

now go ahead yeah before you go any

443

00:22:13,080 --> 00:22:10,900

further today you run down the list of

444

00:22:15,360 --> 00:22:13,090

some of the people who were purported to

445

00:22:17,850 --> 00:22:15,370

be members of this sort of like an

446

00:22:20,040 --> 00:22:17,860

invisible College of some insiders and

447

00:22:29,430 --> 00:22:20,050

Bill Moore and all that I was just gonna

448

00:22:30,930 --> 00:22:29,440

ask that question fantastic well I have

449

00:22:32,280 --> 00:22:30,940

a partial list in front of me in case

450

00:22:36,180 --> 00:22:32,290

you need me to remind you I know

451

00:22:38,130 --> 00:22:36,190

Christopher green is one of them and if

452

00:22:41,880 --> 00:22:38,140

you feel like you went add more like put

453

00:22:47,480 --> 00:22:41,890

off perhaps he'll help put off Dale

454

00:22:50,820 --> 00:22:47,490

grass whose Maccabee Ernie Keller Stross

455

00:22:54,930 --> 00:22:50,830

Robert Collins known as Condor on the

456

00:22:58,890 --> 00:22:54,940

UFO cover-up lie program the shot even

457

00:23:01,500 --> 00:22:58,900

shot away right rocking his office in

458

00:23:02,910 --> 00:23:01,510

there I understand handwriting jandira

459

00:23:04,290 --> 00:23:02,920

yeah partly

460

00:23:08,160 --> 00:23:04,300

no she and Ray I think that's how it's

461

00:23:08,890 --> 00:23:08,170

pronounced yeah okay and and Richard

462

00:23:11,320 --> 00:23:08,900

Doty

463

00:23:14,650 --> 00:23:11,330

yeah those are those are some of the you

464

00:23:17,980 --> 00:23:14,660

know there's CB Scott Jones I think was

465

00:23:21,040 --> 00:23:17,990

included in that we also of course have

466

00:23:23,920 --> 00:23:21,050

bill more go ahead yeah bill more Ron

467

00:23:27,490 --> 00:23:23,930

Pandolfi green that's that's a lot of

468

00:23:30,220 --> 00:23:27,500

them I also have Partridge listed to a

469

00:23:33,120 --> 00:23:30,230

benign start not Partridge I apologize

470

00:23:35,260 --> 00:23:33,130

Partridge and hummingbird and chickadee

471

00:23:37,870 --> 00:23:35,270

respectively were were names that were

472

00:23:41,710 --> 00:23:37,880

attributed to some of these folks along

473

00:23:42,850 --> 00:23:41,720

with Condor yes so yeah yeah yeah could

474

00:23:44,410 --> 00:23:42,860

you tell the folks a little bit about

475

00:23:46,060 --> 00:23:44,420

though what these guys were working on

476
00:23:48,660 --> 00:23:46,070
anything you know it sounds like again

477
00:23:52,290 --> 00:23:48,670
sort of an invisible college so to speak

478
00:23:57,580 --> 00:23:52,300
yeah and one of the most fascinating

479
00:24:01,810 --> 00:23:57,590
articles I found Frank enchant is that

480
00:24:04,660 --> 00:24:01,820
there's there's a recapitulation by

481
00:24:08,530 --> 00:24:04,670
Bruce Maccabee who interviewed Ernie

482
00:24:10,810 --> 00:24:08,540
Keller straws and Ernie Keller Strasse I

483
00:24:15,490 --> 00:24:10,820
believe was stationed on Kirtland Air

484
00:24:20,740 --> 00:24:15,500
Force Base for time and he told Bruce

485
00:24:24,730 --> 00:24:20,750
Maccabee that there was at least one UFO

486
00:24:26,500 --> 00:24:24,740
stored at Kirtland Air Force Base and I

487
00:24:27,910 --> 00:24:26,510
can send you the reference to the

488
00:24:30,630 --> 00:24:27,920

article later if you like

489

00:24:33,010 --> 00:24:30,640

it to me is one of the most fascinating

490

00:24:36,310 --> 00:24:33,020

things that I that I've seen

491

00:24:39,160 --> 00:24:36,320

now you take KITT Green KITT Green as a

492

00:24:42,910 --> 00:24:39,170

medical expert he's a medical doctor and

493

00:24:45,730 --> 00:24:42,920

he had taken over the so called weird

494

00:24:48,520 --> 00:24:45,740

desk at the CIA and Bruce Maccabee

495

00:24:51,730 --> 00:24:48,530

himself was was an optical physicist

496

00:24:53,740 --> 00:24:51,740

with the Navy Robert Collins was a

497

00:24:56,680 --> 00:24:53,750

physics person and I believe that he had

498

00:25:01,120 --> 00:24:56,690

been stationed out at wright-patterson

499

00:25:04,330 --> 00:25:01,130

Air Force Base we all know Jacmel a bit

500

00:25:07,740 --> 00:25:04,340

more was an independent UFO researcher

501
00:25:10,240 --> 00:25:07,750
as was Jamie and array at that point

502
00:25:13,210 --> 00:25:10,250
Richard Doty as we all know was a

503
00:25:15,790 --> 00:25:13,220
special agent with the Air Force Office

504
00:25:17,980 --> 00:25:15,800
of Special Investigations so I can go on

505
00:25:20,260 --> 00:25:17,990
and on yeah can you tell me a little bit

506
00:25:22,330 --> 00:25:20,270
more about mr. Keller Strauss so I'm not

507
00:25:25,780 --> 00:25:22,340
that familiar with him

508
00:25:28,300 --> 00:25:25,790
I don't know a lot about him yet

509
00:25:33,430 --> 00:25:28,310
I'm gonna get into that much in much

510
00:25:35,860 --> 00:25:33,440
more detail Frank let me tell you

511
00:25:39,340 --> 00:25:35,870
something Jason I got it to do list a

512
00:25:39,820 --> 00:25:39,350
mile long I bet you do I'm just getting

513
00:25:46,320 --> 00:25:39,830

started

514

00:25:48,910 --> 00:25:46,330

really yes pardon me oh by the way I

515

00:25:51,310 --> 00:25:48,920

posted an article on my Facebook page

516

00:25:54,370 --> 00:25:51,320

and on Twitter which is an article by

517

00:25:58,390 --> 00:25:54,380

Ernie Keller Strasse that he wrote I

518

00:26:01,570 --> 00:25:58,400

believe in 1973 and it was published in

519

00:26:03,730 --> 00:26:01,580

Air Force magazine and it is about

520

00:26:06,970 --> 00:26:03,740

drones and the thing that I found

521

00:26:10,420 --> 00:26:06,980

interesting about that was that Richard

522

00:26:12,310 --> 00:26:10,430

Doty has said that a lot of what Paul

523

00:26:15,700 --> 00:26:12,320

bennewitz was seeing on Kirtland Air

524

00:26:18,340 --> 00:26:15,710

Force Base were actually drone tests so

525

00:26:21,100 --> 00:26:18,350

I'll be glad to send you that reference

526

00:26:27,280 --> 00:26:21,110

too if you like you put it up over on

527

00:26:29,310 --> 00:26:27,290

Twitter Facebook great just just a

528

00:26:33,190 --> 00:26:29,320

regarding at Bruce Maccabee interview

529

00:26:35,320 --> 00:26:33,200

Ernie Hawk Keller Stross was of course

530

00:26:38,320 --> 00:26:35,330

that was his nickname hawk because he

531

00:26:40,480 --> 00:26:38,330

was allegedly a member of the aviary

532

00:26:44,130 --> 00:26:40,490

that was the name they attributed to him

533

00:26:46,900 --> 00:26:44,140

and if anybody wants to read that

534

00:26:48,760 --> 00:26:46,910

interview part and parcel I'm not sure

535

00:26:51,460 --> 00:26:48,770

if it's the entire interviewer that

536

00:26:53,740 --> 00:26:51,470

Bruce Maccabee did with Ernie Hawk

537

00:26:56,080 --> 00:26:53,750

killer Stross but that's on reality

538

00:26:58,120 --> 00:26:56,090

uncovered net so you would don't want

539

00:27:01,000 --> 00:26:58,130

Google and you would type in Bruce

540

00:27:04,420 --> 00:27:01,010

Maccabee which is M a double C a B

541

00:27:09,280 --> 00:27:04,430

double E and then you would type in

542

00:27:14,530 --> 00:27:09,290

Ernie and then Hawk the the bird ha and

543

00:27:18,430 --> 00:27:14,540

then keller Stross which is ke WL er STR

544

00:27:19,810 --> 00:27:18,440

ESS and that interview will come up it's

545

00:27:21,250 --> 00:27:19,820

a fascinating interview I'm glad that

546

00:27:23,290 --> 00:27:21,260

you brought that up thank you very much

547

00:27:26,320 --> 00:27:23,300

for having talked about that a little

548

00:27:27,700 --> 00:27:26,330

bit wanted to ask you a little bit more

549

00:27:31,210 --> 00:27:27,710

about the mj-12

550

00:27:33,820 --> 00:27:31,220

and that is up what I'm just gonna ask

551

00:27:35,299 --> 00:27:33,830

you point-blank it's kind of an unfair

552

00:27:39,129 --> 00:27:35,309

question but

553

00:27:41,499 --> 00:27:39,139

wanted to ask you what part of the mj-12

554

00:27:45,230 --> 00:27:41,509

I'm just going to title it as a

555

00:27:49,159 --> 00:27:45,240

conspiracy do you believe is the most

556

00:27:52,730 --> 00:27:49,169

credible to you well

557

00:27:57,590 --> 00:27:52,740

I always put it this way chant it

558

00:28:02,060 --> 00:27:57,600

depends the word is if is if there was a

559

00:28:05,330 --> 00:28:02,070

recovery of a flying saucer a UFO and it

560

00:28:08,659 --> 00:28:05,340

involves bodies and possibly even live

561

00:28:11,539 --> 00:28:08,669

alien and almost certainly some kind of

562

00:28:13,730 --> 00:28:11,549

group would have been formed to study it

563

00:28:16,789 --> 00:28:13,740

and possibly control the information

564

00:28:18,649 --> 00:28:16,799

around it I'm glad I'm very glad that

565

00:28:21,230 --> 00:28:18,659

you said that because you and I had a

566

00:28:23,600 --> 00:28:21,240

wonderful conversation before the

567

00:28:25,789 --> 00:28:23,610

interview tonight and I had told you

568

00:28:28,039 --> 00:28:25,799

that I had listened to you in a recent

569

00:28:30,139 --> 00:28:28,049

interview which was really wonderful and

570

00:28:31,909 --> 00:28:30,149

you mentioned something really

571

00:28:34,340 --> 00:28:31,919

fascinating that I wanted to bring up

572

00:28:38,950 --> 00:28:34,350

and then ask for you to expound upon it

573

00:28:41,659 --> 00:28:38,960

and you said that will you mentioned

574

00:28:43,909 --> 00:28:41,669

something very interesting you said kal

575

00:28:45,859 --> 00:28:43,919

Korff wrote a book and the title of that

576

00:28:49,249 --> 00:28:45,869

book by the way so our listeners know is

577

00:28:51,769 --> 00:28:49,259

the Roswell UFO crash what they don't

578

00:28:54,850 --> 00:28:51,779

want you to know which is based on an a

579

00:28:57,230 --> 00:28:54,860

legendary flying saucer incident that

580

00:29:00,739 --> 00:28:57,240

allegedly crashed on a ranch in

581

00:29:04,159 --> 00:29:00,749

south-central New Mexico in Corona New

582

00:29:08,330 --> 00:29:04,169

Mexico in July of 1947 and as you know

583

00:29:12,710 --> 00:29:08,340

Tom Cal made a case that Jesse Marcel

584

00:29:16,070 --> 00:29:12,720

really exaggerated things and what what

585

00:29:18,680 --> 00:29:16,080

I wanted to ask you is about something

586

00:29:23,840 --> 00:29:18,690

you said on a program recently in an

587

00:29:26,359 --> 00:29:23,850

interview and that is you said this was

588

00:29:29,389 --> 00:29:26,369

you hypothesizing this and then I wanted

589

00:29:32,149 --> 00:29:29,399

you to expand upon expound upon it you

590

00:29:34,909 --> 00:29:32,159

said something to the effect of is it

591

00:29:37,669 --> 00:29:34,919

possible Jesse Marcel saw the debris at

592

00:29:40,340 --> 00:29:37,679

the Mac Brazel Ranch when there was in

593

00:29:42,919 --> 00:29:40,350

the actual vicinity of the same area of

594

00:29:47,810 --> 00:29:42,929

the ranch coincidentally at the same

595

00:29:50,300 --> 00:29:47,820

time a UFO hence a comedy of errors

596

00:29:53,300 --> 00:29:50,310

commenced from that point forward now I

597

00:29:55,400 --> 00:29:53,310

didn't really say that very well but I

598

00:29:59,750 --> 00:29:55,410

know folks will get the gist of what you

599

00:30:02,180 --> 00:29:59,760

proposed as a possibility if you talk

600

00:30:05,210 --> 00:30:02,190

about that idea and then you also said

601
00:30:08,900 --> 00:30:05,220
in addition to that Tom that if there

602
00:30:12,020 --> 00:30:08,910
was a UFO crash and dead or alive or

603
00:30:13,790 --> 00:30:12,030
live alien bodies were recovered they're

604
00:30:15,500 --> 00:30:13,800
almost certainly would have been a

605
00:30:17,960 --> 00:30:15,510
committee to have studied this type of

606
00:30:21,140 --> 00:30:17,970
occurrence so wanted to ask you about

607
00:30:22,670 --> 00:30:21,150
your hypothesis or something that you

608
00:30:25,490 --> 00:30:22,680
surmise could have been a possibility

609
00:30:27,710 --> 00:30:25,500
and then also the committee that could

610
00:30:34,940 --> 00:30:27,720
have been created after that alleged

611
00:30:36,920 --> 00:30:34,950
incident well and Cal cor pointed this

612
00:30:40,220 --> 00:30:36,930
out and other researchers have pointed

613
00:30:43,970 --> 00:30:40,230

out and even the Air Force wrote a phone

614

00:30:47,120 --> 00:30:43,980

book sized report asserting that the

615

00:30:49,960 --> 00:30:47,130

Roswell debris was probably that from a

616

00:30:54,970 --> 00:30:49,970

mogul balloon and we're talking about

617

00:30:58,730 --> 00:30:54,980

remnants of neoprene and balsa wood and

618

00:31:02,510 --> 00:30:58,740

tape with flowers on it and things like

619

00:31:04,970 --> 00:31:02,520

that well there's a certain kind of a

620

00:31:08,420 --> 00:31:04,980

personality that we run into sometimes

621

00:31:11,150 --> 00:31:08,430

in the UFO field and and that that is

622

00:31:14,420 --> 00:31:11,160

the kind of person that decides they

623

00:31:16,490 --> 00:31:14,430

want to see a UFO and calque Worf made

624

00:31:19,400 --> 00:31:16,500

the argument that Jesse Marcel had a

625

00:31:23,390 --> 00:31:19,410

record of exaggerating his service

626

00:31:26,240 --> 00:31:23,400

record and he was known as as kind of a

627

00:31:31,250 --> 00:31:26,250

person who liked to tell tall tales

628

00:31:34,130 --> 00:31:31,260

I was theorizing that was it possible

629

00:31:36,770 --> 00:31:34,140

that a Jesse Marcel did see what he saw

630

00:31:38,630 --> 00:31:36,780

he collected the debris that he had it

631

00:31:41,570 --> 00:31:38,640

was actually debris baby

632

00:31:43,930 --> 00:31:41,580

it was debris from a balloon but there

633

00:31:46,550 --> 00:31:43,940

was this incredible coincidence that

634

00:31:50,360 --> 00:31:46,560

concurrently there had been an actual

635

00:31:54,260 --> 00:31:50,370

saucer crash at another location in I

636

00:31:57,650 --> 00:31:54,270

believe southwest of Corona now as a

637

00:31:59,210 --> 00:31:57,660

result of that Jesse Marcel is coming

638

00:32:01,590 --> 00:31:59,220

back to the base where this debris

639

00:32:05,520 --> 00:32:01,600

saying he found a flying

640

00:32:08,159 --> 00:32:05,530

saucer meanwhile concurrently there one

641

00:32:10,680 --> 00:32:08,169

an actual saucer crash and somehow the

642

00:32:13,279 --> 00:32:10,690

story got to the press there in Roswell

643

00:32:20,039 --> 00:32:13,289

and you get this big blown-up headline

644

00:32:21,960 --> 00:32:20,049

Army Air Force recovers UFO so and given

645

00:32:25,020 --> 00:32:21,970

that and given the fact that a couple of

646

00:32:26,730 --> 00:32:25,030

days later they had to go out to Fort

647

00:32:28,830 --> 00:32:26,740

Worth and claim that it was just a

648

00:32:32,250 --> 00:32:28,840

weather balloon maybe it was a big

649

00:32:35,130 --> 00:32:32,260

comedy of errors and maybe the fact that

650

00:32:37,560 --> 00:32:35,140

an actual saucer was recovered was

651
00:32:40,799 --> 00:32:37,570
obscured by the these other comedies of

652
00:32:42,870 --> 00:32:40,809
errors I don't know it's just it's just

653
00:32:45,330 --> 00:32:42,880
something like that occurred to me a few

654
00:32:49,260 --> 00:32:45,340
days ago and I I can't help but wonder

655
00:32:50,399 --> 00:32:49,270
if something like that didn't happen I'm

656
00:32:53,970 --> 00:32:50,409
glad you were able to bring it up

657
00:33:00,180 --> 00:32:53,980
because anything is possible

658
00:33:02,220 --> 00:33:00,190
annal so it's really important to use to

659
00:33:05,399 --> 00:33:02,230
think about the creative possibilities

660
00:33:07,890 --> 00:33:05,409
of what things could have things that

661
00:33:10,169 --> 00:33:07,900
could have occurred so oh yeah let me

662
00:33:13,169 --> 00:33:10,179
let me jump in here real quick and ask

663
00:33:14,970 --> 00:33:13,179

Tom a quick question now one document

664

00:33:18,240 --> 00:33:14,980

that you know a little bit about you

665

00:33:21,090 --> 00:33:18,250

said that you pulled the original at the

666

00:33:23,220 --> 00:33:21,100

archives and that is the Cutler twining

667

00:33:25,680 --> 00:33:23,230

memo and it looks like I've got at least

668

00:33:27,240 --> 00:33:25,690

a piece of it up now and can you tell

669

00:33:29,490 --> 00:33:27,250

the folks a little bit about that that

670

00:33:32,730 --> 00:33:29,500

it that is nobody questions that's a

671

00:33:36,870 --> 00:33:32,740

legitimate memo is that about right well

672

00:33:38,970 --> 00:33:36,880

actually they do and here's the here's

673

00:33:42,990 --> 00:33:38,980

the interesting thing the color twining

674

00:33:48,510 --> 00:33:43,000

memo is a document that is allegedly was

675

00:33:52,620 --> 00:33:48,520

allegedly written by Robert Cutler's

676
00:33:55,440 --> 00:33:52,630
assistant while Robert Cutler was out of

677
00:33:59,810 --> 00:33:55,450
the country and it was instructing

678
00:34:03,419 --> 00:33:59,820
general twining concerning an mj-12

679
00:34:06,120 --> 00:34:03,429
special studies projects meeting that it

680
00:34:10,109 --> 00:34:06,130
would occur during the regular meeting

681
00:34:11,909 --> 00:34:10,119
with President Eisenhower that day it's

682
00:34:15,599 --> 00:34:11,919
coming back to me now

683
00:34:17,549 --> 00:34:15,609
this is one where the the skeptic the

684
00:34:20,339 --> 00:34:17,559
skeptical point of view would be that

685
00:34:23,129 --> 00:34:20,349
somebody went into the archives and slip

686
00:34:24,480 --> 00:34:23,139
this in among the paperwork is that

687
00:34:26,069 --> 00:34:24,490
about right do I remember the story

688
00:34:26,609 --> 00:34:26,079

correctly it's been about a decade for

689

00:34:29,069 --> 00:34:26,619

me now

690

00:34:32,579 --> 00:34:29,079

yes and that's where it gets interesting

691

00:34:34,440 --> 00:34:32,589

because when I pulled this document at

692

00:34:38,789 --> 00:34:34,450

the National Archives there is a

693

00:34:41,760 --> 00:34:38,799

memorandum attached from the supervising

694

00:34:43,950 --> 00:34:41,770

archivist at the time and it's a

695

00:34:46,289 --> 00:34:43,960

two-page memorandum giving all the

696

00:34:49,139 --> 00:34:46,299

reasons why they suspected that the

697

00:34:52,740 --> 00:34:49,149

cover 20 memo was not authentic that it

698

00:34:55,440 --> 00:34:52,750

was fake okay and and I actually was

699

00:34:59,309 --> 00:34:55,450

able to have lunch with the supervising

700

00:35:02,010 --> 00:34:59,319

orc archivist that was in charge at the

701
00:35:05,280 --> 00:35:02,020
time and and that was involved in in the

702
00:35:09,270 --> 00:35:05,290
the sequence of events and we went over

703
00:35:13,140 --> 00:35:09,280
different possibilities the common sense

704
00:35:16,079 --> 00:35:13,150
conclusion that I came to that based on

705
00:35:19,410 --> 00:35:16,089
that person's input was that someone

706
00:35:23,240 --> 00:35:19,420
probably entered the the National

707
00:35:26,640 --> 00:35:23,250
Archives as a researcher pulled that

708
00:35:29,760 --> 00:35:26,650
particular box and inserted it into the

709
00:35:33,210 --> 00:35:29,770
box now the reason why I say that is a

710
00:35:35,670 --> 00:35:33,220
couple of reasons in discussing it with

711
00:35:39,809 --> 00:35:35,680
the supervising archivist this person

712
00:35:42,420 --> 00:35:39,819
was adamant that that document would not

713
00:35:44,160 --> 00:35:42,430

have been inserted in the back room in

714

00:35:46,980 --> 00:35:44,170

other words where the documents were

715

00:35:49,370 --> 00:35:46,990

being organized and archived and that

716

00:35:52,920 --> 00:35:49,380

person was pretty adamant about that

717

00:35:55,559 --> 00:35:52,930

secondly the security at the National

718

00:36:00,480 --> 00:35:55,569

Archives back then was not as tight as

719

00:36:02,849 --> 00:36:00,490

it is now and so that lends the

720

00:36:05,220 --> 00:36:02,859

possibility that a person may have been

721

00:36:07,319 --> 00:36:05,230

in - may have been able to walk in to

722

00:36:09,059 --> 00:36:07,329

their with a document you know and

723

00:36:12,000 --> 00:36:09,069

insert it into the box

724

00:36:14,039 --> 00:36:12,010

and from the point of being being a

725

00:36:16,440 --> 00:36:14,049

researcher rather than some Air Force

726

00:36:18,870 --> 00:36:16,450

person putting it in there you know

727

00:36:23,510 --> 00:36:18,880

behind scenes understood that that's a

728

00:36:28,210 --> 00:36:25,900

and you know I I get our

729

00:36:29,559 --> 00:36:28,220

right when I hear about sandy Berger you

730

00:36:30,940 --> 00:36:29,569

know taking documents out of the

731

00:36:32,520 --> 00:36:30,950

National Archives that's right that's

732

00:36:40,510 --> 00:36:32,530

right you got into some trouble for that

733

00:36:42,760 --> 00:36:40,520

well but not enough and so that leads us

734

00:36:44,770 --> 00:36:42,770

on to another topic but if you still

735

00:36:46,930 --> 00:36:44,780

want to reverse engineer up the list

736

00:36:49,870 --> 00:36:46,940

again that's fine but I wanted to

737

00:36:52,539 --> 00:36:49,880

mention something interesting that I

738

00:36:54,549 --> 00:36:52,549

wanted to talk with you tonight that you

739

00:36:57,190 --> 00:36:54,559

you asked us to cover and that is

740

00:36:59,200 --> 00:36:57,200

disinformation in psyops and and that

741

00:37:02,109 --> 00:36:59,210

kind of leads me that's a good segue to

742

00:37:05,920 --> 00:37:02,119

this disinformation topic because it's

743

00:37:09,670 --> 00:37:05,930

quite in it's quite possible that that

744

00:37:12,339 --> 00:37:09,680

series of documents or file or whatever

745

00:37:16,420 --> 00:37:12,349

you want to categorize it as may have

746

00:37:20,529 --> 00:37:16,430

been inserted in there as a means for

747

00:37:23,230 --> 00:37:20,539

disinformation not just by a private

748

00:37:26,079 --> 00:37:23,240

citizen but possibly by a government

749

00:37:30,059 --> 00:37:26,089

agent what are your thoughts on the

750

00:37:34,900 --> 00:37:30,069

possibility of that do you think that

751
00:37:37,930 --> 00:37:34,910
that documentation was was manipulated

752
00:37:40,269 --> 00:37:37,940
into the archives it slipped in there in

753
00:37:42,250 --> 00:37:40,279
that manner by a private citizen or by a

754
00:37:47,529 --> 00:37:42,260
government agent what are your thoughts

755
00:37:50,799 --> 00:37:47,539
on that Tom well I I don't know I just

756
00:37:54,460 --> 00:37:50,809
don't know now know it's it's hard to

757
00:37:57,579 --> 00:37:54,470
believe that just some random hoax or

758
00:38:00,609 --> 00:37:57,589
went in there and did it and the reason

759
00:38:03,730 --> 00:38:00,619
is in assuming that bill Moore's telling

760
00:38:05,980 --> 00:38:03,740
the truth about this but in his mj-12

761
00:38:08,710 --> 00:38:05,990
documents an analytical report and in

762
00:38:11,740 --> 00:38:08,720
other ways he's described how he had

763
00:38:14,410 --> 00:38:11,750

been receiving a series of postcards in

764

00:38:16,720 --> 00:38:14,420

the mail and these postcards were giving

765

00:38:18,519 --> 00:38:16,730

hints about finding this particular

766

00:38:21,039 --> 00:38:18,529

document in the National Archives

767

00:38:24,460 --> 00:38:21,049

they're hints about Reese's Pieces and

768

00:38:27,730 --> 00:38:24,470

there was an archivist there by the name

769

00:38:32,279 --> 00:38:27,740

of Reece and there were some other hints

770

00:38:37,180 --> 00:38:32,289

they were cryptic type eons and then

771

00:38:39,820 --> 00:38:37,190

they were on Warren James pulled the

772

00:38:43,060 --> 00:38:39,830

color 20 memo then these

773

00:38:45,040 --> 00:38:43,070

made sense so there's some kind of

774

00:38:47,380 --> 00:38:45,050

intrigue going on somehow yeah yeah I

775

00:38:49,900 --> 00:38:47,390

certainly don't know the ultimate answer

776

00:38:52,090 --> 00:38:49,910

to that and now bill Moore has stated in

777

00:38:54,550 --> 00:38:52,100

his own book that there's more to that

778

00:38:58,240 --> 00:38:54,560

story but he as far as I know he hasn't

779

00:39:00,730 --> 00:38:58,250

told more details about it now as far as

780

00:39:04,600 --> 00:39:00,740

this information goes there are several

781

00:39:07,210 --> 00:39:04,610

things that are going on on the internet

782

00:39:10,830 --> 00:39:07,220

you will find a quote or an assertion

783

00:39:14,950 --> 00:39:10,840

that Ron Pandolfi who was with his CIA

784

00:39:17,200 --> 00:39:14,960

stated in the 1970s that the CIA had

785

00:39:20,290 --> 00:39:17,210

received indications that the Soviets

786

00:39:22,720 --> 00:39:20,300

were going to use UFO researchers to

787

00:39:26,830 --> 00:39:22,730

penetrate the US military industrial

788

00:39:29,980 --> 00:39:26,840

complex so it's there's a possibility in

789

00:39:33,550 --> 00:39:29,990

terms of disinformation and psyops

790

00:39:35,740 --> 00:39:33,560

and manipulation that some or perhaps

791

00:39:39,610 --> 00:39:35,750

all of the mj-12 affair in the eighties

792

00:39:44,290 --> 00:39:39,620

was designed to deal with this problem

793

00:39:48,130 --> 00:39:44,300

and Richard Doty himself has stated that

794

00:39:50,290 --> 00:39:48,140

in intelligence operatives women within

795

00:39:53,860 --> 00:39:50,300

the government had been tasked with

796

00:39:55,600 --> 00:39:53,870

developing two to three contacts each in

797

00:39:58,800 --> 00:39:55,610

the UFO community they want to know

798

00:40:01,120 --> 00:39:58,810

what's going on I know an interesting

799

00:40:03,100 --> 00:40:01,130

sidelight to this is that in the

800

00:40:04,120 --> 00:40:03,110

Benowitz affair and again I'm quoting

801
00:40:06,580 --> 00:40:04,130
Richard Doty

802
00:40:09,610 --> 00:40:06,590
he stated that one of the complications

803
00:40:11,800 --> 00:40:09,620
in the bennewitz affair was that miss

804
00:40:14,320 --> 00:40:11,810
Rabinowitz had a business by the name of

805
00:40:16,540 --> 00:40:14,330
thunder scientific and that one of his

806
00:40:21,130 --> 00:40:16,550
employees had been spotted near the

807
00:40:23,830 --> 00:40:21,140
Soviet embassy in Mexico City so the FBI

808
00:40:27,400 --> 00:40:23,840
was involved in this and there were

809
00:40:31,180 --> 00:40:27,410
there espionage may encounter espionage

810
00:40:34,030 --> 00:40:31,190
elements to to the situation at the same

811
00:40:36,130 --> 00:40:34,040
time concurrently there was development

812
00:40:37,600 --> 00:40:36,140
of stealth aircraft there was the

813
00:40:40,390 --> 00:40:37,610

development of the stealth fighter and

814

00:40:41,860 --> 00:40:40,400

stealth bomber and before they were made

815

00:40:44,200 --> 00:40:41,870

public

816

00:40:46,060 --> 00:40:44,210

they had extremely tight security on

817

00:40:47,740 --> 00:40:46,070

these so I think there's another

818

00:40:50,950 --> 00:40:47,750

possibility that some of the mj-12

819

00:40:52,600 --> 00:40:50,960

affair may be he related that to that in

820

00:40:54,640 --> 00:40:52,610

order to divert

821

00:40:58,000 --> 00:40:54,650

people's attention away from classified

822

00:41:02,220 --> 00:40:58,010

programs okay and regarding the twining

823

00:41:06,040 --> 00:41:02,230

document wanted to ask if there was any

824

00:41:08,380 --> 00:41:06,050

scientific analysis done to anyone's

825

00:41:13,600 --> 00:41:08,390

satisfaction including Stanton Friedman

826

00:41:16,300 --> 00:41:13,610

and yourself and others who really

827

00:41:18,250 --> 00:41:16,310

studied the mj-12 documents regarding

828

00:41:23,430 --> 00:41:18,260

comparisons of style for authentication

829

00:41:26,800 --> 00:41:23,440

such as penmanship cultural phrasing of

830

00:41:30,460 --> 00:41:26,810

any kind of clues or hints that would

831

00:41:32,980 --> 00:41:30,470

lend towards piecing together who could

832

00:41:36,610 --> 00:41:32,990

have put this document or documents

833

00:41:40,120 --> 00:41:36,620

together was there any physical evidence

834

00:41:42,760 --> 00:41:40,130

anything that would detect the author

835

00:41:44,670 --> 00:41:42,770

original authors regarding who could

836

00:41:47,760 --> 00:41:44,680

have put that documentation together

837

00:41:51,250 --> 00:41:47,770

that's a good question champ and

838

00:41:53,680 --> 00:41:51,260

forensic work has been done I don't feel

839

00:41:56,290 --> 00:41:53,690

qualified at this moment really to get

840

00:41:59,500 --> 00:41:56,300

in into any detail about the forensic

841

00:42:02,490 --> 00:41:59,510

work and you can make arguments both

842

00:42:06,100 --> 00:42:02,500

ways now one of the complaints about the

843

00:42:08,650 --> 00:42:06,110

Cutler xx memo is is it's not so it's

844

00:42:10,600 --> 00:42:08,660

not signed and stay in Freedmen's made

845

00:42:13,030 --> 00:42:10,610

the argument that that cover was out of

846

00:42:14,830 --> 00:42:13,040

the out of the country at that time and

847

00:42:17,680 --> 00:42:14,840

there are other objections that come

848

00:42:20,290 --> 00:42:17,690

about and these are actually detailed in

849

00:42:22,810 --> 00:42:20,300

in the attached memorandum which is

850

00:42:25,420 --> 00:42:22,820

actually next to the actual document in

851

00:42:27,070 --> 00:42:25,430

the archive box if you go into the

852

00:42:28,660 --> 00:42:27,080

National Archives and have the box

853

00:42:30,820 --> 00:42:28,670

pulled it you pull that document there's

854

00:42:34,210 --> 00:42:30,830

there is this memorandum attached to it

855

00:42:36,580 --> 00:42:34,220

and I joked I joked with the supervising

856

00:42:38,080 --> 00:42:36,590

archivist about this that it's probably

857

00:42:41,050 --> 00:42:38,090

the only document in the National

858

00:42:44,310 --> 00:42:41,060

Archives that has memorandum attached to

859

00:42:47,350 --> 00:42:44,320

it telling you that it's probably fate

860

00:42:51,460 --> 00:42:47,360

understood okay and if folks want to

861

00:42:54,220 --> 00:42:51,470

read a little bit more about the mj-12

862

00:42:57,000 --> 00:42:54,230

documents just as additional reading

863

00:43:01,390 --> 00:42:57,010

they can actually go to stan friedman

864

00:43:05,410 --> 00:43:01,400

dot-com to read more on his perspectives

865

00:43:10,760 --> 00:43:08,330

that he wrote exhaustively about and

866

00:43:13,550 --> 00:43:10,770

then also wanted to mention that the FBI

867

00:43:16,370 --> 00:43:13,560

has its own archives as Tom knows very

868

00:43:20,120 --> 00:43:16,380

well in its vault if you were actually

869

00:43:23,390 --> 00:43:20,130

typing Google FBI mj-12 Docs you will

870

00:43:26,000 --> 00:43:23,400

see a link that leads you straight - I

871

00:43:30,950 --> 00:43:26,010

think maybe eight or twelve pages of the

872

00:43:37,670 --> 00:43:30,960

mj-12 Docs there now I noticed that the

873

00:43:41,690 --> 00:43:37,680

FBI titled those mj-12 Docs that it had

874

00:43:42,890 --> 00:43:41,700

in its archives as not being real do you

875

00:43:46,210 --> 00:43:42,900

have anything you want to share

876

00:43:48,800 --> 00:43:46,220

regarding any input on the FBI having

877

00:43:50,050 --> 00:43:48,810

stated that and its archives about the

878

00:43:54,020 --> 00:43:50,060

mj-12 Docs

879

00:43:56,270 --> 00:43:54,030

well when the documents became public it

880

00:43:58,880 --> 00:43:56,280

did cause quite a firestorm of

881

00:44:02,360 --> 00:43:58,890

controversy and I think there was even a

882

00:44:06,410 --> 00:44:02,370

segment on on Nightline about it and the

883

00:44:08,600 --> 00:44:06,420

FBI did undertake an investigation they

884

00:44:11,690 --> 00:44:08,610

wanted to find out if the documents were

885

00:44:14,990 --> 00:44:11,700

genuine if there was an mj-12 group who

886

00:44:16,820 --> 00:44:15,000

possibly created the documents and they

887

00:44:18,170 --> 00:44:16,830

went around to various departments and I

888

00:44:20,240 --> 00:44:18,180

think they came to the conclusion that

889

00:44:22,670 --> 00:44:20,250

they couldn't find any evidence either

890

00:44:26,300 --> 00:44:22,680

for mj-12 but they also couldn't

891

00:44:28,430 --> 00:44:26,310

determine who who forged the documents

892

00:44:31,730 --> 00:44:28,440

now one of the things they did was they

893

00:44:34,040 --> 00:44:31,740

sent it to the Air Force they sent them

894

00:44:36,500 --> 00:44:34,050

to the Air Force and the Air Force wrote

895

00:44:37,970 --> 00:44:36,510

bogus and big letters across and if you

896

00:44:41,630 --> 00:44:37,980

go on the internet and look into this

897

00:44:43,760 --> 00:44:41,640

you'll see it and that makes me wonder

898

00:44:47,000 --> 00:44:43,770

how would they be so sure that they're

899

00:44:52,040 --> 00:44:47,010

bogus if they didn't have something to

900

00:44:53,930 --> 00:44:52,050

do with their creation and they

901
00:44:57,350 --> 00:44:53,940
automatically write bogus over there so

902
00:44:59,030 --> 00:44:57,360
how they or that's a question or they

903
00:45:00,620 --> 00:44:59,040
just knew one of their guys did it while

904
00:45:03,130 --> 00:45:00,630
he was kind of freelancing on that

905
00:45:07,640 --> 00:45:03,140
company time and they kind of knew yeah

906
00:45:10,280 --> 00:45:07,650
yeah I wanted to bring up a quote that

907
00:45:13,340 --> 00:45:10,290
actually Carl Sagan said regarding

908
00:45:15,770 --> 00:45:13,350
topics I've learned tonight and that is

909
00:45:18,500 --> 00:45:15,780
on Stanton Friedman calm regarding the

910
00:45:21,830 --> 00:45:18,510
Cutler twining memo and a little

911
00:45:24,620 --> 00:45:21,840
more on a few other topics and that is

912
00:45:28,160 --> 00:45:24,630
I'll go ahead and start reading

913
00:45:32,120 --> 00:45:28,170

I'll start the quote from Stan

914

00:45:36,110 --> 00:45:32,130

Friedman's website in in his writing he

915

00:45:37,730 --> 00:45:36,120

said for example Carl Sagan said here's

916

00:45:39,860 --> 00:45:37,740

the beginning of the Carl Sagan quote

917

00:45:43,940 --> 00:45:39,870

the Air Force says the documents are

918

00:45:46,460 --> 00:45:43,950

bogus and UFO expert Philip J class and

919

00:45:49,400 --> 00:45:46,470

others find lexicographic and

920

00:45:50,330 --> 00:45:49,410

consistencies that suggests the whole

921

00:45:52,610 --> 00:45:50,340

thing is a hoax

922

00:45:54,110 --> 00:45:52,620

end of quote and then Friedman goes on

923

00:45:57,130 --> 00:45:54,120

to say he seems to be unaware of the

924

00:45:59,540 --> 00:45:57,140

fact that class had paid me a hundred a

925

00:46:02,780 --> 00:45:59,550

thousand dollars for providing more than

926

00:46:05,480 --> 00:46:02,790

14 documents done exactly the same Hika

927

00:46:08,330 --> 00:46:05,490

typeface as the cutler twining memo

928

00:46:11,840 --> 00:46:08,340

though class on the basis of nine elite

929

00:46:13,850 --> 00:46:11,850

typeface documents obtained by him by

930

00:46:18,350 --> 00:46:13,860

mail he had never been to the Ike

931

00:46:20,870 --> 00:46:18,360

library of the 250,000 pages of NSC

932

00:46:23,210 --> 00:46:20,880

material at the Ike library had insisted

933

00:46:25,640 --> 00:46:23,220

the CTM should have been done in elite

934

00:46:29,300 --> 00:46:25,650

he's talking about fonts I think some

935

00:46:31,120 --> 00:46:29,310

lexicographic research that's Stan

936

00:46:33,590 --> 00:46:31,130

Friedman being facetious there our

937

00:46:36,890 --> 00:46:33,600

correspondence and a copy of his check

938

00:46:38,420 --> 00:46:36,900

to me are in reference number two so I

939

00:46:41,780 --> 00:46:38,430

just thought that was interesting that

940

00:46:43,850 --> 00:46:41,790

he said those things and of course Stan

941

00:46:46,160 --> 00:46:43,860

Friedman gets very specific regarding

942

00:46:48,650 --> 00:46:46,170

typeface fonts and things like that

943

00:46:50,270 --> 00:46:48,660

regarding the cutler twining memo he

944

00:46:52,780 --> 00:46:50,280

tried to get his forensic as he could

945

00:46:59,180 --> 00:46:55,850

yes and the copy that's in the National

946

00:47:00,560 --> 00:46:59,190

Archives is is an actual document it's

947

00:47:03,770 --> 00:47:00,570

not a photocopy

948

00:47:07,310 --> 00:47:03,780

now the other mj-12 documents that Moore

949

00:47:09,590 --> 00:47:07,320

received were were photographs of

950

00:47:11,810 --> 00:47:09,600

documents so he didn't have the

951
00:47:14,090 --> 00:47:11,820
originals whereas the Cutler's whitey

952
00:47:16,010 --> 00:47:14,100
memo and it's interesting because the

953
00:47:19,040 --> 00:47:16,020
typeface on the memo was is actually

954
00:47:22,190 --> 00:47:19,050
blue rather than black that's

955
00:47:24,290 --> 00:47:22,200
interesting then I wanted to actually

956
00:47:26,800 --> 00:47:24,300
let me if you don't mind my randomly

957
00:47:30,350 --> 00:47:26,810
asking you something Philip J Klaus

958
00:47:32,300 --> 00:47:30,360
actually created a very in my in my

959
00:47:35,690 --> 00:47:32,310
opinion from my perspective very

960
00:47:38,720 --> 00:47:35,700
bad reputation for himself amongst UFO

961
00:47:41,120 --> 00:47:38,730
serious UFO researchers who were giving

962
00:47:44,030 --> 00:47:41,130
the UFO topic the benefit of the doubt

963
00:47:46,100 --> 00:47:44,040

which we know Claus did the exact

964

00:47:50,540 --> 00:47:46,110

opposite of what was your personal

965

00:47:52,730 --> 00:47:50,550

perspective of class and his his type of

966

00:47:55,280 --> 00:47:52,740

research and investigative methods and

967

00:47:59,170 --> 00:47:55,290

the reputation he created for himself

968

00:48:03,740 --> 00:47:59,180

did he earn it how do you feel about his

969

00:48:06,920 --> 00:48:03,750

about him in general well I got into the

970

00:48:09,200 --> 00:48:06,930

UFO field actively when Phil class was

971

00:48:13,640 --> 00:48:09,210

pretty much at the end of his career and

972

00:48:18,050 --> 00:48:13,650

he died not too long after I became

973

00:48:20,360 --> 00:48:18,060

active in the 1990s but he is actually

974

00:48:22,700 --> 00:48:20,370

quite a good journalist he was quite a

975

00:48:24,910 --> 00:48:22,710

good investigative journalist in the

976

00:48:27,830 --> 00:48:24,920

aerospace field he was very highly

977

00:48:31,040 --> 00:48:27,840

regarded and thought of in the

978

00:48:33,530 --> 00:48:31,050

journalistic profession that he was in

979

00:48:36,260 --> 00:48:33,540

but for some reason when it came to UFOs

980

00:48:38,930 --> 00:48:36,270

it didn't matter what how good the case

981

00:48:41,510 --> 00:48:38,940

was he would debunk it and he would

982

00:48:43,850 --> 00:48:41,520

always find a reason to debunk it and

983

00:48:45,890 --> 00:48:43,860

that makes you wonder if he's some kind

984

00:48:48,440 --> 00:48:45,900

of an agent and I know it's tempting for

985

00:48:50,930 --> 00:48:48,450

UFO people to think that way he may not

986

00:48:53,420 --> 00:48:50,940

have been he it may have just been that

987

00:48:57,230 --> 00:48:53,430

he was inclined to think that way and

988

00:49:01,460 --> 00:48:57,240

maybe was encouraged you know behind

989

00:49:04,370 --> 00:49:01,470

scenes subtly but there's a real

990

00:49:07,400 --> 00:49:04,380

disconnect there because if he was had

991

00:49:10,280 --> 00:49:07,410

been as prejudiced and is biased in his

992

00:49:11,450 --> 00:49:10,290

regular journalistic reporting I don't

993

00:49:13,340 --> 00:49:11,460

think he would have had as good a

994

00:49:15,680 --> 00:49:13,350

reputation as he had yeah he was

995

00:49:17,600 --> 00:49:15,690

involved in aviation a week he was

996

00:49:18,910 --> 00:49:17,610

either the editor or the publisher maybe

997

00:49:25,160 --> 00:49:18,920

both is that about right

998

00:49:29,090 --> 00:49:25,170

yes Aviation Week editor okay yeah he

999

00:49:32,960 --> 00:49:29,100

certainly had a hatred apparently for

1000

00:49:35,600 --> 00:49:32,970

the the topic of UFOs and other

1001
00:49:38,090 --> 00:49:35,610
phenomena and he certainly didn't give

1002
00:49:41,180 --> 00:49:38,100
it the kind of attention it deserved I

1003
00:49:43,820 --> 00:49:41,190
think from from a judicious kind of

1004
00:49:46,160 --> 00:49:43,830
perspective as a true researcher would

1005
00:49:47,750 --> 00:49:46,170
from my perspective

1006
00:49:51,109 --> 00:49:47,760
did want to mention the organization's

1007
00:49:53,630 --> 00:49:51,119
he was affiliated with and that is the

1008
00:49:55,250 --> 00:49:53,640
Institute of Electrical and Electronics

1009
00:49:57,440 --> 00:49:55,260
Engineers American Association for the

1010
00:49:59,319 --> 00:49:57,450
Advancement of science Aviation space

1011
00:50:03,670 --> 00:49:59,329
Writers Association National Press Club

1012
00:50:08,029 --> 00:50:03,680
national aviation Club and another

1013
00:50:16,160 --> 00:50:08,039

organization that's acronym is CSI COP a

1014

00:50:18,789 --> 00:50:16,170

lot of people in the UFO community they

1015

00:50:22,390 --> 00:50:18,799

called him at disinformation and

1016

00:50:25,940 --> 00:50:22,400

government agent I'm not sure if that's

1017

00:50:27,289 --> 00:50:25,950

if that that would be correct because I

1018

00:50:30,620 --> 00:50:27,299

don't like throwing that term around

1019

00:50:34,069 --> 00:50:30,630

about people but he was very quick to

1020

00:50:35,539 --> 00:50:34,079

call people frauds before actually doing

1021

00:50:37,370 --> 00:50:35,549

any research on them and my

1022

00:50:41,960 --> 00:50:37,380

understanding of how he me of research

1023

00:50:44,450 --> 00:50:41,970

people is he may have tried to do really

1024

00:50:47,000 --> 00:50:44,460

deep background research on people that

1025

00:50:49,579 --> 00:50:47,010

may not really have been necessary for

1026
00:50:51,620 --> 00:50:49,589
the kinds of topics they were studying

1027
00:50:53,480 --> 00:50:51,630
or doing research on he said some

1028
00:50:56,859 --> 00:50:53,490
horrible things regarding the people

1029
00:51:03,259 --> 00:50:56,869
regarding Lonnie Zamora in the Socorro

1030
00:51:06,829 --> 00:51:03,269
1964 case so I'm moving along here I

1031
00:51:11,740 --> 00:51:06,839
wanted to ask you a little bit about the

1032
00:51:14,870 --> 00:51:11,750
Timothy Cooper documents if that's okay

1033
00:51:16,759 --> 00:51:14,880
if we could covered that topic do you

1034
00:51:19,339 --> 00:51:16,769
mind giving us sort of an introduction

1035
00:51:22,789 --> 00:51:19,349
to that topic and giving us kind of a

1036
00:51:26,329 --> 00:51:22,799
summary of what it is about Timothy

1037
00:51:31,279 --> 00:51:26,339
Cooper to this day as an independent UFO

1038
00:51:32,859 --> 00:51:31,289

researcher he is has been recently you

1039

00:51:37,190 --> 00:51:32,869

know and over the years

1040

00:51:39,740 --> 00:51:37,200

filing a number of foi a requests with

1041

00:51:43,400 --> 00:51:39,750

the government now in the nineties he

1042

00:51:47,299 --> 00:51:43,410

began receiving documents from a source

1043

00:51:49,670 --> 00:51:47,309

that he termed thomas can't wheel which

1044

00:51:53,150 --> 00:51:49,680

is a code name we don't know who the

1045

00:51:58,099 --> 00:51:53,160

actual person was he had another source

1046

00:51:59,810 --> 00:51:58,109

that you referred to as s2 and most of

1047

00:52:04,490 --> 00:51:59,820

the documents that he

1048

00:52:07,490 --> 00:52:04,500

sieved are on the Majestic documents

1049

00:52:12,410 --> 00:52:07,500

website that the woods have produced a

1050

00:52:15,200 --> 00:52:12,420

majestic documents calm and you can go

1051
00:52:20,270 --> 00:52:15,210
on there and see a lot of the documents

1052
00:52:23,270 --> 00:52:20,280
that he has received now he had been

1053
00:52:26,060 --> 00:52:23,280
accused like so many people seem to be

1054
00:52:28,880 --> 00:52:26,070
accused of hoaxing you know one or more

1055
00:52:32,890 --> 00:52:28,890
of the documents for example and Stanton

1056
00:52:35,480 --> 00:52:32,900
Friedman rejected the the whole group

1057
00:52:37,940 --> 00:52:35,490
Timothy four documents he he wouldn't

1058
00:52:40,490 --> 00:52:37,950
even deal with it because he started

1059
00:52:43,160 --> 00:52:40,500
checking in to him he found one document

1060
00:52:46,400 --> 00:52:43,170
that had a section that had been copied

1061
00:52:48,350 --> 00:52:46,410
out of the book verbatim or copied

1062
00:52:52,040 --> 00:52:48,360
verbatim from another document in these

1063
00:52:53,980 --> 00:52:52,050

documents had obviously been altered but

1064

00:52:57,830 --> 00:52:53,990

at the same time there are there are

1065

00:53:00,530 --> 00:52:57,840

reports and white-hot reports and so on

1066

00:53:03,530 --> 00:53:00,540

and so forth that the content of which

1067

00:53:07,000 --> 00:53:03,540

is extremely intriguing some of the

1068

00:53:10,130 --> 00:53:07,010

documents have obvious typos

1069

00:53:13,970 --> 00:53:10,140

misspellings so on and so forth and they

1070

00:53:16,910 --> 00:53:13,980

appear to be in draft form timothy

1071

00:53:19,970 --> 00:53:16,920

cooper has I believe undergone at least

1072

00:53:23,810 --> 00:53:19,980

one lie-detector test and I believe that

1073

00:53:26,920 --> 00:53:23,820

he failed it and the reason they that he

1074

00:53:32,210 --> 00:53:26,930

gave was he was protecting his sources

1075

00:53:35,720 --> 00:53:32,220

so but in terms of the bulk in terms of

1076
00:53:37,760 --> 00:53:35,730
the volume of mj-12 related documents

1077
00:53:42,500 --> 00:53:37,770
most of them come from the timothy

1078
00:53:45,170 --> 00:53:42,510
cooper segment now which group did the

1079
00:53:46,970 --> 00:53:45,180
Eisenhower briefing document come in it

1080
00:53:48,830 --> 00:53:46,980
was at in the first grouping that went

1081
00:53:50,930 --> 00:53:48,840
to shandur a or did it go to Cooper yeah

1082
00:53:53,210 --> 00:53:50,940
you know that was the first group and

1083
00:53:54,740 --> 00:53:53,220
yeah it was yeah why don't you tell the

1084
00:53:57,440 --> 00:53:54,750
folks a little bit about that one that

1085
00:53:59,270 --> 00:53:57,450
that is one that I think Friedman

1086
00:54:01,400 --> 00:53:59,280
thought was the most credible of all the

1087
00:54:03,670 --> 00:54:01,410
documents I if that's about right I'm

1088
00:54:07,670 --> 00:54:03,680

not sure but I do know it's interesting

1089

00:54:12,110 --> 00:54:07,680

yeah and it's it was allegedly a

1090

00:54:14,080 --> 00:54:12,120

briefing for President Eisenhower it's

1091

00:54:21,620 --> 00:54:14,090

dated November 8th

1092

00:54:24,470 --> 00:54:21,630

19:52 and it outlines the Roswell

1093

00:54:28,490 --> 00:54:24,480

recovery you know it refers to another

1094

00:54:32,000 --> 00:54:28,500

crash at El Indio Guerrero and on the

1095

00:54:34,640 --> 00:54:32,010

Banco side of the border and it

1096

00:54:37,010 --> 00:54:34,650

describes how the committee had been

1097

00:54:40,400 --> 00:54:37,020

formed to study this lists all the names

1098

00:54:45,050 --> 00:54:40,410

of the alleged mj-12 members it also

1099

00:54:46,940 --> 00:54:45,060

includes a list of appendices or

1100

00:54:49,490 --> 00:54:46,950

attachments now it doesn't have the

1101
00:54:52,180 --> 00:54:49,500
actual attachments with the document but

1102
00:54:57,140 --> 00:54:52,190
it has something of an index of those

1103
00:55:00,940 --> 00:54:57,150
the date format was a point of great

1104
00:55:03,010 --> 00:55:00,950
controversy because in your typical

1105
00:55:06,980 --> 00:55:03,020
government document

1106
00:55:12,040 --> 00:55:06,990
let's see what's today the 23rd yes you

1107
00:55:18,980 --> 00:55:12,050
would you'd see 23 space january space

1108
00:55:21,770 --> 00:55:18,990
2020 that's standard government date

1109
00:55:24,710 --> 00:55:21,780
format on the Eisenhower briefing

1110
00:55:28,970 --> 00:55:24,720
document it would have been 23 January

1111
00:55:31,690 --> 00:55:28,980
comma 2020 and this this really tipped

1112
00:55:34,940 --> 00:55:31,700
researchers off that this this wasn't

1113
00:55:36,710 --> 00:55:34,950

standard form there are other objections

1114

00:55:38,920 --> 00:55:36,720

there are numerous objections to the

1115

00:55:42,830 --> 00:55:38,930

Eisenhower briefing document for example

1116

00:55:47,750 --> 00:55:42,840

the ranking that's listed for example on

1117

00:55:50,450 --> 00:55:47,760

on on for Helen Keller Admiral Helen

1118

00:55:53,660 --> 00:55:50,460

Keller and so on and so forth so there

1119

00:55:55,760 --> 00:55:53,670

are a number of objections to it now I

1120

00:55:58,940 --> 00:55:55,770

want to point out something that I

1121

00:56:04,520 --> 00:55:58,950

turned up at my own research that has

1122

00:56:07,220 --> 00:56:04,530

really intrigued me and that is the date

1123

00:56:13,550 --> 00:56:07,230

of the Eisenhower briefing document is

1124

00:56:17,720 --> 00:56:13,560

November 18 1952 and I went through the

1125

00:56:21,980 --> 00:56:17,730

entire 1952 file of General Twinings

1126

00:56:24,770 --> 00:56:21,990

daily logs this is a kind of a boring

1127

00:56:27,200 --> 00:56:24,780

tedious process but ever in in getting

1128

00:56:29,630 --> 00:56:27,210

close to the end of the year

1129

00:56:33,080 --> 00:56:29,640

and I had this document posted on my on

1130

00:56:38,870 --> 00:56:33,090

my blog on The Daily Log general twining

1131

00:56:43,400 --> 00:56:38,880

Tuesday 18 November 1952 at the time at

1132

00:56:47,030 --> 00:56:43,410

1505 which which would have been 3:05 it

1133

00:56:50,240 --> 00:56:47,040

says to mr. Levitz office - - General

1134

00:56:51,710 --> 00:56:50,250

Eisenhower and I gave me a jolt

1135

00:56:53,480 --> 00:56:51,720

now it doesn't prove anything that's a

1136

00:56:55,430 --> 00:56:53,490

very interesting course yeah just just

1137

00:56:58,070 --> 00:56:55,440

that to fill in a little bit here a

1138

00:57:00,050 --> 00:56:58,080

little bit of background obviously at

1139

00:57:02,000 --> 00:57:00,060

the top of the month Eisenhower was

1140

00:57:04,310 --> 00:57:02,010

elected president so there would have

1141

00:57:07,040 --> 00:57:04,320

been some kind of a transition - to

1142

00:57:10,460 --> 00:57:07,050

prepare him to get inaugurated well in

1143

00:57:12,560 --> 00:57:10,470

January of early 53 I don't know I I

1144

00:57:14,420 --> 00:57:12,570

know in that those years sometimes the

1145

00:57:16,660 --> 00:57:14,430

president was inaugurated a little bit

1146

00:57:19,430 --> 00:57:16,670

later but probably yeah you know

1147

00:57:21,770 --> 00:57:19,440

basically a week and a half after he

1148

00:57:24,050 --> 00:57:21,780

gets elected you know he's obviously in

1149

00:57:26,210 --> 00:57:24,060

the process of transitioning into the

1150

00:57:28,880 --> 00:57:26,220

presidency so that he would have had a

1151

00:57:31,070 --> 00:57:28,890

lot of meetings with current military

1152

00:57:34,850 --> 00:57:31,080

that really shouldn't be surprising at

1153

00:57:36,710 --> 00:57:34,860

all no not itself except that it's the

1154

00:57:38,450 --> 00:57:36,720

same date as the Eisenhower briefing

1155

00:57:41,960 --> 00:57:38,460

document right and all right you know

1156

00:57:45,070 --> 00:57:41,970

that just that gave me a job and I

1157

00:57:48,320 --> 00:57:45,080

wanted to read just a little bit of

1158

00:57:53,650 --> 00:57:48,330

information regarding that period of

1159

00:57:56,090 --> 00:57:53,660

time which is around November 18 1952

1160

00:57:57,200 --> 00:57:56,100

regarding Truman in Eisenhower so I'm

1161

00:57:58,790 --> 00:57:57,210

just going to go ahead and read it it's

1162

00:58:03,020 --> 00:57:58,800

on CIA Gove's

1163

00:58:06,950 --> 00:58:03,030

a library's website and that is it says

1164

00:58:08,930 --> 00:58:06,960

on the 22nd of November 1952 the

1165

00:58:11,630 --> 00:58:08,940

newspapers reported that President Harry

1166

00:58:14,390 --> 00:58:11,640

Truman shortly after noon the previous

1167

00:58:17,740 --> 00:58:14,400

day had stolen away from the White House

1168

00:58:20,360 --> 00:58:17,750

to give an impromptu speech at the CIA

1169

00:58:22,700 --> 00:58:20,370

Truman had come to the CIA at the

1170

00:58:24,860 --> 00:58:22,710

invitation of the 4th Director of

1171

00:58:26,990 --> 00:58:24,870

Central Intelligence general Walter

1172

00:58:28,790 --> 00:58:27,000

Bedell Smith to address a training

1173

00:58:30,860 --> 00:58:28,800

course of government officials in that

1174

00:58:33,110 --> 00:58:30,870

speech delivered on a Friday afternoon

1175

00:58:35,300 --> 00:58:33,120

almost two weeks after the national

1176
00:58:37,790 --> 00:58:35,310
election Truman revealed a great deal

1177
00:58:40,130 --> 00:58:37,800
about his motives in founding the CIA

1178
00:58:41,090 --> 00:58:40,140
and his aims in having the agency

1179
00:58:43,610 --> 00:58:41,100
provide

1180
00:58:45,980 --> 00:58:43,620
intelligence briefings to the new

1181
00:58:49,730 --> 00:58:45,990
president-elect General Dwight

1182
00:58:52,190 --> 00:58:49,740
Eisenhower so that's just a little bit

1183
00:58:54,260 --> 00:58:52,200
of history regarding that exact period

1184
00:58:57,080 --> 00:58:54,270
of time yeah and a little bit about

1185
00:58:59,870 --> 00:58:57,090
Beetle Smith if anybody who's seen the

1186
00:59:01,550 --> 00:58:59,880
movie Patton now there's this a kind of

1187
00:59:04,940 --> 00:59:01,560
burly guy who at the behest of

1188
00:59:07,010 --> 00:59:04,950

Eisenhower is a basically reaming Patton

1189

00:59:09,170 --> 00:59:07,020

out throughout the course of the movie

1190

00:59:11,750 --> 00:59:09,180

that is Walter Bedell Smith he was

1191

00:59:14,450 --> 00:59:11,760

actually I became the head of the CIA

1192

00:59:16,010 --> 00:59:14,460

but he was actually Eisenhower's chief

1193

00:59:18,080 --> 00:59:16,020

of staff during out of the war in Europe

1194

00:59:20,570 --> 00:59:18,090

during World War two so a little bit

1195

00:59:22,130 --> 00:59:20,580

more history there the one I'm sorry and

1196

00:59:23,300 --> 00:59:22,140

thank you very much I'm sorry to

1197

00:59:25,340 --> 00:59:23,310

interject but he did want to mention

1198

00:59:28,580 --> 00:59:25,350

something about November 18th I'm gonna

1199

00:59:30,110 --> 00:59:28,590

hit share screen for my guest and Frank

1200

00:59:32,810 --> 00:59:30,120

to actually see what I'm looking at I

1201

00:59:35,870 --> 00:59:32,820

did include the link in our Skype chat

1202

00:59:37,490 --> 00:59:35,880

here so that Tom can do some research on

1203

00:59:40,730 --> 00:59:37,500

this later if he so desires

1204

00:59:44,540 --> 00:59:40,740

it says here regarding November 18th

1205

00:59:49,580 --> 00:59:44,550

in 1952 it says referring to a widely

1206

00:59:53,810 --> 00:59:49,590

publicized meeting he had held I believe

1207

00:59:56,240 --> 00:59:53,820

they're referring to Truman but we'll

1208

00:59:58,490 --> 00:59:56,250

have to double check on this referring

1209

01:00:00,530 --> 00:59:58,500

to a widely publicized meeting he had

1210

01:00:02,990 --> 01:00:00,540

held with Eisenhower at the White House

1211

01:00:05,900 --> 01:00:03,000

to discuss foreign policy issues earlier

1212

01:00:07,370 --> 01:00:05,910

that same week Truman said it was my

1213

01:00:11,000 --> 01:00:07,380

privilege a few days ago

1214

01:00:12,950 --> 01:00:11,010

on the 18th of November to brief the

1215

01:00:15,740 --> 01:00:12,960

general who was going to take over the

1216

01:00:17,750 --> 01:00:15,750

office on the 20th of January so I'm

1217

01:00:19,700 --> 01:00:17,760

just mentioning that November 18th date

1218

01:00:21,860 --> 01:00:19,710

there and then it goes on to say Truman

1219

01:00:23,780 --> 01:00:21,870

did not mention in his address that on

1220

01:00:25,640 --> 01:00:23,790

that occasion he had given Eisenhower a

1221

01:00:28,130 --> 01:00:25,650

comprehensive National Intelligence

1222

01:00:31,580 --> 01:00:28,140

digest prepared by the CIA

1223

01:00:33,950 --> 01:00:31,590

he'd to an NCS policy outline that

1224

01:00:35,780 --> 01:00:33,960

digest summarized in Smith's words the

1225

01:00:38,780 --> 01:00:35,790

most important National Intelligence on

1226

01:00:41,090 --> 01:00:38,790

a worldwide basis so that November 18th

1227

01:00:42,920 --> 01:00:41,100

date does pop up a few times in history

1228

01:00:45,830 --> 01:00:42,930

and maybe you might be able to correlate

1229

01:00:50,090 --> 01:00:45,840

that to some of your research anyway

1230

01:00:52,040 --> 01:00:50,100

just sign that anything and you know we

1231

01:00:53,690 --> 01:00:52,050

hear these rumors that several

1232

01:00:56,350 --> 01:00:53,700

presidents that the first thing they

1233

01:00:59,270 --> 01:00:56,360

wanted to know about was you

1234

01:01:02,450 --> 01:00:59,280

right now I wanted to mention something

1235

01:01:04,610 --> 01:01:02,460

about military intelligence and just a

1236

01:01:06,980 --> 01:01:04,620

tiny smattering of the history of it and

1237

01:01:09,230 --> 01:01:06,990

that is the military intelligence Corps

1238

01:01:11,600 --> 01:01:09,240

is the intelligence branch of the United

1239

01:01:14,390 --> 01:01:11,610

States Army and the primary mission of

1240

01:01:16,370 --> 01:01:14,400

the military intelligence in the US Army

1241

01:01:18,590 --> 01:01:16,380

is to provide timely relevant accurate

1242

01:01:21,050 --> 01:01:18,600

and synchronized intelligence and

1243

01:01:22,940 --> 01:01:21,060

electronic warfare support to tactical

1244

01:01:25,480 --> 01:01:22,950

operational and strategic level

1245

01:01:27,830 --> 01:01:25,490

commanders the Army's intelligence

1246

01:01:29,480 --> 01:01:27,840

components produce intelligence both for

1247

01:01:31,790 --> 01:01:29,490

army use and for sharing across the

1248

01:01:34,970 --> 01:01:31,800

national intelligence community now if

1249

01:01:39,260 --> 01:01:34,980

only it were just that but I suspect

1250

01:01:41,950 --> 01:01:39,270

that the US government I say this is a

1251
01:01:46,760 --> 01:01:41,960
big maybe I can't say this as an expert

1252
01:01:49,130 --> 01:01:46,770
but I suspect that as naive as it sounds

1253
01:01:51,830 --> 01:01:49,140
what I'm about to say that the US

1254
01:01:56,600 --> 01:01:51,840
government may covertly be involved in

1255
01:01:59,840 --> 01:01:56,610
actively creating propaganda around the

1256
01:02:01,550 --> 01:01:59,850
world even involving its own US citizens

1257
01:02:04,610 --> 01:02:01,560
which it has done in the past that's a

1258
01:02:06,800 --> 01:02:04,620
fact do you think they're still doing

1259
01:02:09,980 --> 01:02:06,810
that to this day regarding

1260
01:02:14,300 --> 01:02:09,990
disinformation and psyops regarding its

1261
01:02:18,220 --> 01:02:14,310
own US citizens well to its own US

1262
01:02:23,300 --> 01:02:18,230
citizens well and and the objective of

1263
01:02:26,300 --> 01:02:23,310

psychological operations is to induce a

1264

01:02:29,510 --> 01:02:26,310

population to have the attitudes and

1265

01:02:31,760 --> 01:02:29,520

behaviors that you want them to have and

1266

01:02:34,250 --> 01:02:31,770

if you're fighting a war you want the

1267

01:02:36,440 --> 01:02:34,260

population to be submissive the

1268

01:02:40,190 --> 01:02:36,450

population that you're either conquering

1269

01:02:42,560 --> 01:02:40,200

or that you're in engaging with and this

1270

01:02:45,350 --> 01:02:42,570

is the core of psychological operations

1271

01:02:48,950 --> 01:02:45,360

so there is this effort a percept

1272

01:02:53,210 --> 01:02:48,960

perception management with populations

1273

01:02:54,530 --> 01:02:53,220

so that people don't get up too uppity

1274

01:02:57,730 --> 01:02:54,540

and they don't start looking in the

1275

01:03:00,320 --> 01:02:57,740

places that they shouldn't be now the

1276

01:03:02,500 --> 01:03:00,330

Robertson panel demonstrated in the

1277

01:03:05,540 --> 01:03:02,510

1950s and we don't have the whole

1278

01:03:08,600 --> 01:03:05,550

document we what we have is a sanitized

1279

01:03:11,690 --> 01:03:08,610

version but it became obvious

1280

01:03:15,380 --> 01:03:11,700

that they had a policy of debunking UFOs

1281

01:03:18,080 --> 01:03:15,390

and this public debunking of UFOs went

1282

01:03:21,140 --> 01:03:18,090

on you know up and up to the time of the

1283

01:03:24,560 --> 01:03:21,150

D Condon report so that that's a

1284

01:03:26,540 --> 01:03:24,570

documented direct evidence knock him

1285

01:03:29,600 --> 01:03:26,550

into direct evidence that there was an

1286

01:03:34,310 --> 01:03:29,610

effort to affect the public perception

1287

01:03:36,920 --> 01:03:34,320

about UFOs no more lately you know we've

1288

01:03:39,650 --> 01:03:36,930

had the Cold War we had the conflict

1289

01:03:42,710 --> 01:03:39,660

with the Soviet Union and I think that

1290

01:03:48,020 --> 01:03:42,720

both sides engaged in propaganda and

1291

01:03:50,000 --> 01:03:48,030

just disinformation and now in today's

1292

01:03:52,280 --> 01:03:50,010

world we have the internet and we have

1293

01:03:54,200 --> 01:03:52,290

social media and I think the whole

1294

01:03:57,760 --> 01:03:54,210

thing's blown wide open I know that's

1295

01:04:02,300 --> 01:03:57,770

just so easy put out misinformation yeah

1296

01:04:04,100 --> 01:04:02,310

yeah yeah just to jump in here just to

1297

01:04:05,630 --> 01:04:04,110

jump in here Tom really quick a lot of

1298

01:04:08,270 --> 01:04:05,640

people are of the opinion that the to

1299

01:04:09,830 --> 01:04:08,280

the stars Academy is in fact a psyops

1300

01:04:14,450 --> 01:04:09,840

operation what are your thoughts on all

1301

01:04:18,140 --> 01:04:14,460

that I take a wait-and-see attitude it's

1302

01:04:19,700 --> 01:04:18,150

it's definitely a striking situation you

1303

01:04:22,390 --> 01:04:19,710

know for this group to come out in

1304

01:04:24,800 --> 01:04:22,400

public and a couple of the people

1305

01:04:27,290 --> 01:04:24,810

themselves have been members of the

1306

01:04:29,600 --> 01:04:27,300

aviary and this has made certain people

1307

01:04:33,800 --> 01:04:29,610

in the UFO community very suspicious of

1308

01:04:36,590 --> 01:04:33,810

them but at the same time it may be a

1309

01:04:38,030 --> 01:04:36,600

legitimate effort and possibly from

1310

01:04:40,340 --> 01:04:38,040

behind the scenes that there are

1311

01:04:42,410 --> 01:04:40,350

elements within the military-industrial

1312

01:04:45,070 --> 01:04:42,420

complex that want to get some

1313

01:04:47,990 --> 01:04:45,080

information out into the public so I

1314

01:04:49,520 --> 01:04:48,000

don't take a hard-line position on that

1315

01:04:52,070 --> 01:04:49,530

at all I take a wait-and-see attitude

1316

01:04:55,190 --> 01:04:52,080

and let's see let's see if they're still

1317

01:04:59,320 --> 01:04:55,200

around in five years okay I I still

1318

01:05:01,820 --> 01:04:59,330

believe however there are it is possible

1319

01:05:03,410 --> 01:05:01,830

and we all know social media is a game

1320

01:05:07,280 --> 01:05:03,420

changer yes thank you for making that

1321

01:05:11,060 --> 01:05:07,290

point but I think it's still possible

1322

01:05:14,600 --> 01:05:11,070

and not naive to think that our own US

1323

01:05:16,100 --> 01:05:14,610

government and any other governments

1324

01:05:20,600 --> 01:05:16,110

whether they're first or third world

1325

01:05:22,430 --> 01:05:20,610

governments are using social media to

1326

01:05:25,400 --> 01:05:22,440

foster conspiracy theories

1327

01:05:27,650 --> 01:05:25,410

rumors and spread fake news regarding

1328

01:05:29,630 --> 01:05:27,660

certain topics whatever those topics

1329

01:05:32,540 --> 01:05:29,640

could be I think that's just something

1330

01:05:35,089 --> 01:05:32,550

they do on a regular regarding any kind

1331

01:05:38,079 --> 01:05:35,099

of counterintelligence efforts even if

1332

01:05:41,210 --> 01:05:38,089

it's against their own US citizens now

1333

01:05:42,740 --> 01:05:41,220

one random topic I was gonna bring up

1334

01:05:44,900 --> 01:05:42,750

that we don't need to go into but I just

1335

01:05:46,309 --> 01:05:44,910

want to make a yeah before you get to

1336

01:05:49,400 --> 01:05:46,319

that chance I could jump in here real

1337

01:05:52,670 --> 01:05:49,410

quick yeah any kind of a PSYOP is going

1338

01:05:55,220 --> 01:05:52,680

to have a specific goal so you know you

1339

01:05:57,410 --> 01:05:55,230

always have to keep that in mind the the

1340

01:05:59,540 --> 01:05:57,420

word the expression has become common

1341

01:06:01,819 --> 01:05:59,550

enough now that I think it's become a

1342

01:06:05,390 --> 01:06:01,829

little bit loaded and it's an automatic

1343

01:06:05,930 --> 01:06:05,400

pejorative but you have to know what the

1344

01:06:09,500 --> 01:06:05,940

goal is

1345

01:06:12,349 --> 01:06:09,510

any SIOP is going to have a goal any

1346

01:06:16,040 --> 01:06:12,359

disagreement on that time or no

1347

01:06:17,990 --> 01:06:16,050

absolutely but I'm not on there I'm not

1348

01:06:20,000 --> 01:06:18,000

in those offices where they're planning

1349

01:06:22,550 --> 01:06:20,010

whatever it is that they plan so I don't

1350

01:06:26,660 --> 01:06:22,560

know what their goals are right so one

1351

01:06:29,000 --> 01:06:26,670

really old that I agree with one one

1352

01:06:32,300 --> 01:06:29,010

really old the topic that we won't go

1353

01:06:35,780 --> 01:06:32,310

into but everybody is aware of to a

1354

01:06:37,579 --> 01:06:35,790

degree is the project MKULTRA CIA mind

1355

01:06:41,210 --> 01:06:37,589

control program that they had that they

1356

01:06:46,420 --> 01:06:41,220

actually used on Canadian and US

1357

01:06:49,309 --> 01:06:46,430

citizens through CIA assets and they had

1358

01:06:51,170 --> 01:06:49,319

different code names for those projects

1359

01:06:53,270 --> 01:06:51,180

such as Project Blue Bird or project

1360

01:06:56,690 --> 01:06:53,280

artichoke and many other code names and

1361

01:07:00,710 --> 01:06:56,700

they actually conducted illegal

1362

01:07:04,520 --> 01:07:00,720

experiments on US and Canadian citizens

1363

01:07:08,140 --> 01:07:04,530

so a those were strange experiments but

1364

01:07:12,170 --> 01:07:08,150

also I think there was some kind of

1365

01:07:14,960 --> 01:07:12,180

strange propaganda that may happen

1366

01:07:17,120 --> 01:07:14,970

spread during that period of time the

1367

01:07:22,069 --> 01:07:17,130

point is is if a person were to actually

1368

01:07:25,790 --> 01:07:22,079

Google some kind of keywords like the

1369

01:07:28,190 --> 01:07:25,800

United States intelligence propaganda

1370

01:07:34,400 --> 01:07:28,200

programs they will come up with some

1371

01:07:36,380 --> 01:07:34,410

very good articles of from publications

1372

01:07:38,960 --> 01:07:36,390

that are reliable

1373

01:07:43,190 --> 01:07:38,970

and by trusted sources that have been

1374

01:07:45,410 --> 01:07:43,200

actually able to detail definitively the

1375

01:07:47,599 --> 01:07:45,420

history of that and that's actually

1376

01:07:50,059 --> 01:07:47,609

happened for a long time now yep

1377

01:07:52,640 --> 01:07:50,069

mainstream news organizations being on

1378

01:07:55,250 --> 01:07:52,650

the CIA payroll and so on and so forth

1379

01:07:57,500 --> 01:07:55,260

you know it's a it's a long sordid

1380

01:08:00,200 --> 01:07:57,510

history it is it's a very long history

1381

01:08:03,349 --> 01:08:00,210

which we won't go into but you brought

1382

01:08:05,620 --> 01:08:03,359

it up Tom on your on the the list of

1383

01:08:08,870 --> 01:08:05,630

topics we're gonna go over because I

1384

01:08:12,140 --> 01:08:08,880

think well I just like might want to

1385

01:08:13,970 --> 01:08:12,150

share a little personal information when

1386

01:08:17,030 --> 01:08:13,980

I was growing up you know as a teenager

1387

01:08:18,999 --> 01:08:17,040

I would wonder you know just like any

1388

01:08:22,099 --> 01:08:19,009

other teenager are these things possible

1389

01:08:23,539 --> 01:08:22,109

well I couldn't I couldn't look this

1390

01:08:24,110 --> 01:08:23,549

stuff up because we didn't have the

1391

01:08:26,059 --> 01:08:24,120

Internet

1392

01:08:27,439 --> 01:08:26,069

so then I'd have to go to the library

1393

01:08:30,410 --> 01:08:27,449

and how do you look up something like

1394

01:08:32,450 --> 01:08:30,420

that so you don't really know where to

1395

01:08:34,999 --> 01:08:32,460

begin then you have microfiche I suppose

1396

01:08:37,070 --> 01:08:35,009

you could look through but that's so

1397

01:08:39,320 --> 01:08:37,080

time-consuming like you'd literally have

1398

01:08:42,079 --> 01:08:39,330

to be so myopically focused on that

1399

01:08:44,840 --> 01:08:42,089

narrow topic matter and that it's very

1400

01:08:50,539 --> 01:08:44,850

difficult in the narrow scope of it to

1401

01:08:52,910 --> 01:08:50,549

find it now you can find anything and so

1402

01:08:54,919 --> 01:08:52,920

so I you know a person can really become

1403

01:08:57,439 --> 01:08:54,929

a lot more educated on these really

1404

01:09:00,249 --> 01:08:57,449

interesting topics and hopefully a

1405

01:09:06,200 --> 01:09:00,259

person will also take into consideration

1406

01:09:07,999 --> 01:09:06,210

that we can all become better people by

1407

01:09:10,370 --> 01:09:08,009

learning more about this kind of history

1408

01:09:12,680 --> 01:09:10,380

that's that's a chant that just a quick

1409

01:09:14,209 --> 01:09:12,690

question for you I'm not old enough to

1410

01:09:15,769 --> 01:09:14,219

know what this out what is microfiche

1411

01:09:24,289 --> 01:09:15,779

I'm not old enough to know what that is

1412

01:09:27,110 --> 01:09:24,299

how do you know what that is do you want

1413

01:09:27,919 --> 01:09:27,120

to explain him what microfiche no I'm

1414

01:09:33,979 --> 01:09:27,929

kidding I'm kidding

1415

01:09:35,360 --> 01:09:33,989

I know he's just being a jerk story yes

1416

01:09:37,999 --> 01:09:35,370

sure absolutely

1417

01:09:39,680 --> 01:09:38,009

I just want to let our listeners know by

1418

01:09:43,910 --> 01:09:39,690

the way to the folks that don't even

1419

01:09:45,829 --> 01:09:43,920

know what payphones are or yeah I've

1420

01:09:47,120 --> 01:09:45,839

heard I've seen them in old movies I've

1421

01:09:49,200 --> 01:09:47,130

seen them in old movies I don't know

1422

01:09:51,540 --> 01:09:49,210

what they are Mike

1423

01:09:54,240 --> 01:09:51,550

microfiche is a flat piece of film that

1424

01:09:56,310 --> 01:09:54,250

contains micro photographs of the pages

1425

01:09:59,340 --> 01:09:56,320

of certain kinds of documents like a

1426
01:10:01,200 --> 01:09:59,350
newspaper a catalog or anything and you

1427
01:10:03,000 --> 01:10:01,210
can just flip through it on a screen and

1428
01:10:06,330 --> 01:10:03,010
that's the end of that Tom please go

1429
01:10:08,730 --> 01:10:06,340
forth there was an article in The Wall

1430
01:10:10,560 --> 01:10:08,740
Street Journal as either in the late 80s

1431
01:10:14,520 --> 01:10:10,570
or the early 90s and it was on the

1432
01:10:17,030 --> 01:10:14,530
subject of disinformation and the public

1433
01:10:20,490 --> 01:10:17,040
awareness of the topic of disinformation

1434
01:10:23,220 --> 01:10:20,500
had originated from Soviet activities

1435
01:10:26,250 --> 01:10:23,230
they their their word was dissin from

1436
01:10:29,280 --> 01:10:26,260
nazia and this story in The Wall Street

1437
01:10:32,160 --> 01:10:29,290
Journal and Frank you are talking about

1438
01:10:36,150 --> 01:10:32,170

the disinformation or the SIOP having a

1439

01:10:38,850 --> 01:10:36,160

goal the goal was to get people in the

1440

01:10:41,400 --> 01:10:38,860

Middle East very upset and mad at the US

1441

01:10:43,590 --> 01:10:41,410

and what they did was the Soviets

1442

01:10:47,760 --> 01:10:43,600

apparently planted a story in a Middle

1443

01:10:49,890 --> 01:10:47,770

Eastern newspaper that we know that when

1444

01:10:52,620 --> 01:10:49,900

the astronauts visited the moon that's

1445

01:10:55,080 --> 01:10:52,630

obviously an awesome experience and one

1446

01:10:57,360 --> 01:10:55,090

or more of them have had spiritual

1447

01:11:00,090 --> 01:10:57,370

experiences because of it and that's

1448

01:11:02,520 --> 01:11:00,100

only understandable well this story was

1449

01:11:04,320 --> 01:11:02,530

that an astronaut he walked on the

1450

01:11:08,010 --> 01:11:04,330

American astronaut that walked on the

1451

01:11:10,020 --> 01:11:08,020

moon heard the call of Allah and he

1452

01:11:13,020 --> 01:11:10,030

converted to Islam and when he got back

1453

01:11:15,600 --> 01:11:13,030

to the US his career suffered for it and

1454

01:11:17,280 --> 01:11:15,610

this infuriated people in the Middle

1455

01:11:20,310 --> 01:11:17,290

East and I thought that was an excellent

1456

01:11:23,070 --> 01:11:20,320

example of disinformation because it's

1457

01:11:25,920 --> 01:11:23,080

partly true and partly false yes

1458

01:11:27,990 --> 01:11:25,930

astronauts walked on the moon yes some

1459

01:11:30,480 --> 01:11:28,000

astronauts had transformative

1460

01:11:38,610 --> 01:11:30,490

experiences because of it but no they

1461

01:11:41,460 --> 01:11:38,620

didn't convert yeah yeah let me jump in

1462

01:11:43,920 --> 01:11:41,470

here and your blog Tom it's a great blog

1463

01:11:45,990 --> 01:11:43,930

go check it out I'm gonna have the

1464

01:11:47,970 --> 01:11:46,000

direct link in the description section

1465

01:11:49,470 --> 01:11:47,980

of the video but that you might want to

1466

01:11:51,750 --> 01:11:49,480

jump over as we're talking about

1467

01:11:54,360 --> 01:11:51,760

different subjects Tom's got articles

1468

01:11:56,490 --> 01:11:54,370

over there and it's Tom Whitmore blog

1469

01:11:59,130 --> 01:11:56,500

WordPress calm but the links are down

1470

01:12:01,410 --> 01:11:59,140

below but there's a couple of things

1471

01:12:02,459 --> 01:12:01,420

that you've got like a very lengthy sort

1472

01:12:06,320 --> 01:12:02,469

of to do

1473

01:12:09,840 --> 01:12:06,330

getting done and already done list and

1474

01:12:12,959 --> 01:12:09,850

one thing is you have reviewed Nathan

1475

01:12:16,410 --> 01:12:12,969

Twinings personal correspondence logs

1476

01:12:22,590 --> 01:12:16,420

for a 1952 did you turn anything up

1477

01:12:25,500 --> 01:12:22,600

related to the DC 52 UFO case no I

1478

01:12:28,920 --> 01:12:25,510

didn't notice anything like that Frank

1479

01:12:31,410 --> 01:12:28,930

but you saw the document that I had on

1480

01:12:33,930 --> 01:12:31,420

my blog where I think it was general

1481

01:12:37,439 --> 01:12:33,940

Sanford you had you know that they

1482

01:12:41,400 --> 01:12:37,449

mentioned saucers yes yes yes on the on

1483

01:12:44,220 --> 01:12:41,410

the chronology what was in there though

1484

01:12:48,300 --> 01:12:44,230

was a lot of conversations with general

1485

01:12:50,610 --> 01:12:48,310

LeMay and general LeMay kept in very

1486

01:12:54,300 --> 01:12:50,620

close touch with General twining and

1487

01:12:56,010 --> 01:12:54,310

they actually it wasn't exactly a

1488

01:12:58,620 --> 01:12:56,020

transcript but they were there were

1489

01:13:03,840 --> 01:12:58,630

pretty pretty extensive notes on their

1490

01:13:05,910 --> 01:13:03,850

conversations and it's a little bit hard

1491

01:13:07,410 --> 01:13:05,920

to follow you know because they those

1492

01:13:09,120 --> 01:13:07,420

two men knew what they were talking

1493

01:13:12,870 --> 01:13:09,130

about running why are they were talking

1494

01:13:14,310 --> 01:13:12,880

about it yeah very interesting

1495

01:13:16,170 --> 01:13:14,320

yeah tell the folks a little bit about

1496

01:13:21,030 --> 01:13:16,180

Curtis LeMay he's a pretty interesting

1497

01:13:24,479 --> 01:13:21,040

guy well what I know about him he was a

1498

01:13:27,570 --> 01:13:24,489

bomber in World War two and I know that

1499

01:13:30,450 --> 01:13:27,580

he was involved in bomb a Japan they

1500

01:13:33,959 --> 01:13:30,460

started out bombing at a high level and

1501

01:13:35,880 --> 01:13:33,969

yeah at a high altitude and I think

1502

01:13:38,220 --> 01:13:35,890

because of the winds and other problems

1503

01:13:40,890 --> 01:13:38,230

they they weren't getting the accuracy

1504

01:13:44,670 --> 01:13:40,900

that they needed so they switched to a

1505

01:13:49,040 --> 01:13:44,680

much lower lower level of bombing in

1506

01:13:52,320 --> 01:13:49,050

altitude and I believe at the time that

1507

01:13:55,320 --> 01:13:52,330

general twining was vice chief of staff

1508

01:13:57,689 --> 01:13:55,330

of the Air Force at Washington the that

1509

01:14:02,850 --> 01:13:57,699

general LeMay was at wright-patterson at

1510

01:14:04,590 --> 01:14:02,860

that time and as you know general LeMay

1511

01:14:06,870 --> 01:14:04,600

was very instrumental in developing the

1512

01:14:13,680 --> 01:14:06,880

street the Strategic Air Command so

1513

01:14:15,959 --> 01:14:13,690

there so he eventually became the chief

1514

01:14:20,040 --> 01:14:15,969
of staff of the Air Force himself

1515

01:14:21,510 --> 01:14:20,050
so he was very key figure in in the

1516

01:14:23,910 --> 01:14:21,520
development of the modern air force

1517

01:14:26,070 --> 01:14:23,920
after World War Two and I can tell you

1518

01:14:27,450 --> 01:14:26,080
from looking at 20s daily logs that he

1519

01:14:30,120 --> 01:14:27,460
was in very close touch with general

1520

01:14:32,700 --> 01:14:30,130
Twinnings understood yeah just a little

1521

01:14:36,390 --> 01:14:32,710
aside that later on in life he became

1522

01:14:38,280 --> 01:14:36,400
the vice presidential nominee when

1523

01:14:43,950 --> 01:14:38,290
George Wallace ran an independent

1524

01:14:46,410 --> 01:14:43,960
campaign for president in 1968 these

1525

01:14:56,330 --> 01:14:46,420
guys were real right-wingers Joe yeah

1526

01:14:59,189 --> 01:14:56,340

yeah Kennedy trying to hold him back

1527

01:15:02,070 --> 01:14:59,199

these guys were ferocious yeah and

1528

01:15:04,290 --> 01:15:02,080

another DC guy whose name I see

1529

01:15:06,840 --> 01:15:04,300

mentioned over at your blog is a guy

1530

01:15:08,610 --> 01:15:06,850

named dick D'Amato and his name has come

1531

01:15:10,080 --> 01:15:08,620

up a little bit but for folks who didn't

1532

01:15:11,790 --> 01:15:10,090

catch those shows where his name did

1533

01:15:15,540 --> 01:15:11,800

come up I wanted to tell the folks a

1534

01:15:18,570 --> 01:15:15,550

little bit about him mr. D'Amato is a

1535

01:15:21,420 --> 01:15:18,580

very highly qualified highly educated

1536

01:15:27,630 --> 01:15:21,430

person that has been in very responsible

1537

01:15:31,560 --> 01:15:27,640

positions he's been a staff position in

1538

01:15:35,910 --> 01:15:31,570

Congress and the reason why I brought

1539

01:15:40,110 --> 01:15:35,920

his name is because there's a story that

1540

01:15:42,900 --> 01:15:40,120

he allegedly took Jesse Marcel jr. into

1541

01:15:45,030 --> 01:15:42,910

a secure room at the Capitol and

1542

01:15:47,790 --> 01:15:45,040

basically told him that Roswell was real

1543

01:15:50,640 --> 01:15:47,800

and the reason why I brought up de Matos

1544

01:15:53,459 --> 01:15:50,650

name in my own blog is because I wrote

1545

01:15:57,530 --> 01:15:53,469

mr. D'Amato a letter requesting contact

1546

01:16:00,660 --> 01:15:57,540

to see if he would confirm that story

1547

01:16:03,180 --> 01:16:00,670

but if you go on mr. de Matos website he

1548

01:16:04,530 --> 01:16:03,190

basically tell you that he doesn't he

1549

01:16:09,000 --> 01:16:04,540

doesn't have anything more to say about

1550

01:16:11,010 --> 01:16:09,010

UFOs he did for a while I mean there is

1551

01:16:13,950 --> 01:16:11,020

a legitimate interest he's one of those

1552

01:16:15,450 --> 01:16:13,960

insider Washington guys like a few of

1553

01:16:18,240 --> 01:16:15,460

them were seeing the name sprinkle out

1554

01:16:20,520 --> 01:16:18,250

here and there but he was and he was an

1555

01:16:23,400 --> 01:16:20,530

insider he's retired now and I think

1556

01:16:25,140 --> 01:16:23,410

living in Maryland but he's a guy who's

1557

01:16:26,910 --> 01:16:25,150

been interested all along and has always

1558

01:16:29,009 --> 01:16:26,920

tried to you know ferret out some

1559

01:16:33,359 --> 01:16:29,019

information here and there

1560

01:16:35,009 --> 01:16:33,369

and there's another incident we I'm sure

1561

01:16:39,450 --> 01:16:35,019

you're familiar with Robert Dean's

1562

01:16:46,020 --> 01:16:39,460

claims that he saw this assessment at

1563

01:16:48,029 --> 01:16:46,030

NATO headquarters and mr. Dean according

1564

01:16:51,029 --> 01:16:48,039

to his story that he told in an

1565

01:16:53,310 --> 01:16:51,039

interview with Michael Sawa he said that

1566

01:16:55,799 --> 01:16:53,320

he was over in Europe he was at a UFO

1567

01:16:58,680 --> 01:16:55,809

conference and he took a side trip back

1568

01:17:00,959 --> 01:16:58,690

to NATO to talk to people there because

1569

01:17:03,660 --> 01:17:00,969

he was getting a lot of flack for his

1570

01:17:06,000 --> 01:17:03,670

claim of having seen this UFO assessment

1571

01:17:09,419 --> 01:17:06,010

paper when he got back to the United

1572

01:17:12,600 --> 01:17:09,429

States Robert Dean claims that he

1573

01:17:14,910 --> 01:17:12,610

received photographs of documents in the

1574

01:17:17,879 --> 01:17:14,920

mail anonymously and these photographs

1575

01:17:18,660 --> 01:17:17,889

were allegedly from part of this

1576

01:17:23,129 --> 01:17:18,670

assessment

1577

01:17:26,000 --> 01:17:23,139

well mr. Dean said that he gave these

1578

01:17:30,000 --> 01:17:26,010

photographs these copies of photographs

1579

01:17:32,489 --> 01:17:30,010

to richard D'Amato to find out if they

1580

01:17:34,919 --> 01:17:32,499

were genuine or Roth in it well then

1581

01:17:37,350 --> 01:17:34,929

Dean said that he found out later that

1582

01:17:40,620 --> 01:17:37,360

Timothy they turned up with Timothy good

1583

01:17:44,669 --> 01:17:40,630

and had been published in some

1584

01:17:46,410 --> 01:17:44,679

publication or another and in in Britain

1585

01:17:47,910 --> 01:17:46,420

and I haven't been able to locate the

1586

01:17:50,520 --> 01:17:47,920

actual I know the name but I haven't

1587

01:17:52,709 --> 01:17:50,530

been able to locate the publication the

1588

01:17:54,540 --> 01:17:52,719

implication being that mr. D'Amato sent

1589

01:17:58,169 --> 01:17:54,550

the photographs over to to do with me

1590

01:18:01,979 --> 01:17:58,179

good so that's another incident I wonder

1591

01:18:05,069 --> 01:18:01,989

if you I'm sure you have because you

1592

01:18:06,750 --> 01:18:05,079

know this person quite well you know to

1593

01:18:08,569 --> 01:18:06,760

a degree just like the rest of us were

1594

01:18:11,310 --> 01:18:08,579

familiar with who this is but Issac oi

1595

01:18:13,310 --> 01:18:11,320

the archivist and researcher

1596

01:18:17,370 --> 01:18:13,320

regarding being able to compile as much

1597

01:18:19,709 --> 01:18:17,380

UFO data as possible for the UFO

1598

01:18:21,899 --> 01:18:19,719

community perhaps maybe he might be able

1599

01:18:24,450 --> 01:18:21,909

to lend a little bit of support to find

1600

01:18:27,330 --> 01:18:24,460

that kind of publication since he's such

1601

01:18:31,109 --> 01:18:27,340

an expert on the archives of various

1602

01:18:32,939 --> 01:18:31,119

publications yes that's a that's a good

1603

01:18:35,279 --> 01:18:32,949

suggestion chant and I have another

1604

01:18:37,680 --> 01:18:35,289

contact over there I'm gonna try but

1605

01:18:40,589 --> 01:18:37,690

thank you for the suggestion yeah I

1606

01:18:42,220 --> 01:18:40,599

wanted to also ask you about something

1607

01:18:45,970 --> 01:18:42,230

very interesting

1608

01:18:50,380 --> 01:18:45,980

and that is Bigelow before we go forward

1609

01:18:52,600 --> 01:18:50,390

with Bigelow though I wanted to it just

1610

01:18:55,150 --> 01:18:52,610

wanted to quote you in an because I

1611

01:18:58,930 --> 01:18:55,160

actually had the privilege of

1612

01:19:02,440 --> 01:18:58,940

interviewing you was a while back I

1613

01:19:05,770 --> 01:19:02,450

think it was last year actually it might

1614

01:19:08,290 --> 01:19:05,780

have been 2018 I'm not sure I'll have to

1615

01:19:11,860 --> 01:19:08,300

double-check on me on the date of this

1616

01:19:13,840 --> 01:19:11,870

interview but I had asked you and I'm

1617

01:19:15,130 --> 01:19:13,850

just this is a random thing but I just

1618

01:19:16,870 --> 01:19:15,140

want to mention what you said because I

1619

01:19:18,640 --> 01:19:16,880

think it's kind of an interesting I

1620

01:19:20,920 --> 01:19:18,650

asked you what do you think are the

1621

01:19:27,040 --> 01:19:20,930

worldwide psychological religious

1622

01:19:29,410 --> 01:19:27,050

economic aspects of disclosure and and

1623

01:19:31,870 --> 01:19:29,420

you got the gist of what I was asking

1624

01:19:34,810 --> 01:19:31,880

and you said it's definitely related to

1625

01:19:38,590 --> 01:19:34,820

what the true history is Jesus

1626

01:19:41,680 --> 01:19:38,600

introduced by ETS humans genetically

1627

01:19:43,660 --> 01:19:41,690

created by ETS ETS here for millions of

1628

01:19:45,520 --> 01:19:43,670

years how many species have been

1629

01:19:49,630 --> 01:19:45,530

involved is their connection with

1630

01:19:51,880 --> 01:19:49,640

demonology angelology why are people

1631

01:19:54,910 --> 01:19:51,890

undergoing abduction and contact

1632

01:19:56,860 --> 01:19:54,920

experiences how much technology does US

1633

01:19:59,020 --> 01:19:56,870

government have talk about a can of

1634

01:20:01,810 --> 01:19:59,030

worms these are just ideas you were

1635

01:20:03,460 --> 01:20:01,820

throwing out there how do you feel about

1636

01:20:08,110 --> 01:20:03,470

what you said and would you change your

1637

01:20:11,800 --> 01:20:08,120

answer at all Tom on that question well

1638

01:20:13,720 --> 01:20:11,810

like I've said before champ if it's true

1639

01:20:17,890 --> 01:20:13,730

that there has been this inside

1640

01:20:19,900 --> 01:20:17,900

knowledge at least since 1947 how do you

1641

01:20:21,670 --> 01:20:19,910

go out to the public and tell them that

1642

01:20:26,140 --> 01:20:21,680

you've been lying to them for the last

1643

01:20:28,000 --> 01:20:26,150

70 years secondly if there were

1644

01:20:30,910 --> 01:20:28,010

disclosure and I don't think there will

1645

01:20:32,830 --> 01:20:30,920

be it depends on what the disclosure is

1646

01:20:36,190 --> 01:20:32,840

and we get into the business of

1647

01:20:38,740 --> 01:20:36,200

wondering if we shouldn't be careful

1648

01:20:41,200 --> 01:20:38,750

about what we ask for because what if

1649

01:20:43,570 --> 01:20:41,210

there's bad news in there for example

1650

01:20:46,120 --> 01:20:43,580

it's known the FBI keeps track of the

1651

01:20:49,210 --> 01:20:46,130

number of missing people in the US and

1652

01:20:52,240 --> 01:20:49,220

this has been discussed by the gentleman

1653

01:20:54,010 --> 01:20:52,250

with missing forum one but there are

1654

01:20:56,350 --> 01:20:54,020

some people that go missing that aren't

1655

01:20:58,890 --> 01:20:56,360

accounted for and we hear the

1656

01:21:01,240 --> 01:20:58,900

reports of abductions and rumors of

1657

01:21:03,070 --> 01:21:01,250

abductions and cattle mutilations and

1658

01:21:05,020 --> 01:21:03,080

even human mutilations so what if

1659

01:21:07,149 --> 01:21:05,030

they're you know what if there's bad

1660

01:21:10,229 --> 01:21:07,159

news in there I think that that comes

1661

01:21:14,010 --> 01:21:10,239

into play well and just very quickly I

1662

01:21:18,300 --> 01:21:14,020

wanted to ask you so do you feel that

1663

01:21:21,209 --> 01:21:18,310

the glowing arms and black money a

1664

01:21:24,580 --> 01:21:21,219

article that came out December 16th of

1665

01:21:27,669 --> 01:21:24,590

2017 do you feel that that was partial

1666

01:21:30,340 --> 01:21:27,679

disclosure and not quite enough what is

1667

01:21:32,770 --> 01:21:30,350

your thought process on the level of

1668

01:21:36,459 --> 01:21:32,780

disclosure that interesting article

1669

01:21:39,060 --> 01:21:36,469

brought about that was sort of a kind of

1670

01:21:44,320 --> 01:21:39,070

dropped like a bomb in the UFO community

1671

01:21:47,500 --> 01:21:44,330

yeah well and it really it really piqued

1672

01:21:49,840 --> 01:21:47,510

my interest in certain respects which I

1673

01:21:51,669 --> 01:21:49,850

won't get into here but okay I don't

1674

01:21:54,399 --> 01:21:51,679

believe that we've had any level of

1675

01:21:58,479 --> 01:21:54,409

disclosure I think that what we need

1676

01:22:01,780 --> 01:21:58,489

first is substantive confirmation for

1677

01:22:04,330 --> 01:22:01,790

example the government military

1678

01:22:04,780 --> 01:22:04,340

industrial complex produced the b-2

1679

01:22:07,270 --> 01:22:04,790

bomber

1680

01:22:10,540 --> 01:22:07,280

well they had a ceremony they rolled out

1681

01:22:16,530 --> 01:22:10,550

the bomber and they had a ceremony

1682

01:22:23,709 --> 01:22:20,890

you know confirmation that it exists and

1683

01:22:26,260 --> 01:22:23,719

on the disclosure side of it you can get

1684

01:22:28,030 --> 01:22:26,270

books that show the inside of the b2 and

1685

01:22:31,300 --> 01:22:28,040

the cockpit and get all kinds of

1686

01:22:35,320 --> 01:22:31,310

information that's disclosure okay now

1687

01:22:37,750 --> 01:22:35,330

in this case we we have received what I

1688

01:22:40,450 --> 01:22:37,760

consider to be soft confirmation for

1689

01:22:43,840 --> 01:22:40,460

example we've had these videos of these

1690

01:22:46,540 --> 01:22:43,850

objects that the Navy has encountered

1691

01:22:49,390 --> 01:22:46,550

and that Louisa Elizondo has discussed

1692

01:22:51,820 --> 01:22:49,400

extensively and they know that

1693

01:22:55,600 --> 01:22:51,830

something's going on there so it's been

1694

01:22:57,129 --> 01:22:55,610

brought into the public arena and into

1695

01:23:01,169 --> 01:22:57,139

the public consciousness and that's

1696

01:23:04,930 --> 01:23:01,179

that's a form but the soft confirmation

1697

01:23:07,419 --> 01:23:04,940

that maybe UFOs were a legitimate

1698

01:23:09,189 --> 01:23:07,429

subject to talk about now okay and maybe

1699

01:23:10,209 --> 01:23:09,199

we've gotten that far but ask for any

1700

01:23:12,430 --> 01:23:10,219

real sets of

1701

01:23:14,740 --> 01:23:12,440

disclosure I don't think we're there and

1702

01:23:17,680 --> 01:23:14,750

I've heard it said that there are

1703

01:23:20,830 --> 01:23:17,690

elements within the government into

1704

01:23:22,479 --> 01:23:20,840

military industrial matrix that want to

1705

01:23:26,680 --> 01:23:22,489

disclose but they don't know how to do

1706

01:23:28,780 --> 01:23:26,690

it okay I see and didn't they guys okay

1707

01:23:30,370 --> 01:23:28,790

so this so Tom I'm sorry that sorry to

1708

01:23:33,220 --> 01:23:30,380

interrupt chanta you know I'm out of

1709

01:23:34,720 --> 01:23:33,230

practice so well you know but haven't

1710

01:23:38,439 --> 01:23:34,730

had to interrupt you too much lately

1711

01:23:40,390 --> 01:23:38,449

but this is more like not to use the spy

1712

01:23:44,700 --> 01:23:40,400

jargon no more like a limited hangout

1713

01:23:47,380 --> 01:23:44,710

would you say yeah very much so

1714

01:23:50,320 --> 01:23:47,390

what what a limited I didn't hear who

1715

01:23:53,650 --> 01:23:50,330

limited hangout oh okay good

1716

01:23:56,200 --> 01:23:53,660

yeah and we're getting this stop start

1717

01:24:01,360 --> 01:23:56,210

and I got this impression way back in

1718

01:24:05,110 --> 01:24:01,370

the 90s that in terms of this rollout of

1719

01:24:07,000 --> 01:24:05,120

information that the guy they seem to

1720

01:24:10,930 --> 01:24:07,010

have the foot on the accelerator in the

1721

01:24:14,260 --> 01:24:10,940

break at the same time and even with

1722

01:24:16,450 --> 01:24:14,270

these items coming out from DoD just

1723

01:24:19,360 --> 01:24:16,460

within the last few weeks about the

1724

01:24:21,370 --> 01:24:19,370

status of mister Elizondo and the status

1725

01:24:23,439 --> 01:24:21,380

of the 88 program and so on and so forth

1726

01:24:26,709 --> 01:24:23,449

we're getting all kinds of conflicting

1727

01:24:31,000 --> 01:24:26,719

information it's really it's I call it

1728

01:24:33,610 --> 01:24:31,010

mass confusion yeah definitely there was

1729

01:24:36,520 --> 01:24:33,620

some conflict between in terms of the

1730

01:24:38,470 --> 01:24:36,530

frequency question how often are these

1731

01:24:41,410 --> 01:24:38,480

really compelling cases where you might

1732

01:24:46,150 --> 01:24:41,420

have a visual and radar confirming a

1733

01:24:48,340 --> 01:24:46,160

visual sighting so it at one point he

1734

01:24:50,110 --> 01:24:48,350

was speaking at the scu conference and

1735

01:24:52,570 --> 01:24:50,120

said they didn't have that number and

1736

01:24:55,120 --> 01:24:52,580

then on the TV show he says they've got

1737

01:24:56,229 --> 01:24:55,130

it but it's a sensitive number so he

1738

01:24:58,090 --> 01:24:56,239

couldn't go any further

1739

01:24:59,560 --> 01:24:58,100

but that just for the folks that not

1740

01:25:02,500 --> 01:24:59,570

familiar with that what a limited

1741

01:25:04,300 --> 01:25:02,510

hangout is it's been described as spy

1742

01:25:07,180 --> 01:25:04,310

jargon for a favorite and frequently

1743

01:25:09,910 --> 01:25:07,190

used gimmick when the veil of secrecy is

1744

01:25:11,650 --> 01:25:09,920

shredded and you can no longer rely on a

1745

01:25:13,450 --> 01:25:11,660

phony cover story to miss inform the

1746

01:25:15,970 --> 01:25:13,460

public they resort to admitting

1747

01:25:17,920 --> 01:25:15,980

sometimes even volunteering some of the

1748

01:25:20,350 --> 01:25:17,930

truth while still managing to withhold

1749

01:25:22,859 --> 01:25:20,360

the key and damaging facts in the case

1750

01:25:28,859 --> 01:25:22,869

so there you go yeah

1751
01:25:30,510 --> 01:25:28,869
yeah absolutely I just wanted to mention

1752
01:25:33,359 --> 01:25:30,520
an article that just came out recently

1753
01:25:36,149 --> 01:25:33,369
and CBS News and a bunch of other

1754
01:25:38,939 --> 01:25:36,159
mainstream media outlets covered it and

1755
01:25:41,580 --> 01:25:38,949
that is that I'll just read the title of

1756
01:25:43,320 --> 01:25:41,590
one of the articles and that is top

1757
01:25:45,359 --> 01:25:43,330
secret UFO FILES could cause grave

1758
01:25:48,450 --> 01:25:45,369
damage to US national security if

1759
01:25:51,839 --> 01:25:48,460
released Navy says Tom what is your take

1760
01:25:55,200 --> 01:25:51,849
on that perspective by the US government

1761
01:25:58,080 --> 01:25:55,210
I don't think the military wants to

1762
01:26:01,050 --> 01:25:58,090
release anything and I think that

1763
01:26:04,080 --> 01:26:01,060

somehow Elizondo own company found a way

1764

01:26:04,709 --> 01:26:04,090

to get these these videos out into the

1765

01:26:07,680 --> 01:26:04,719

public

1766

01:26:09,689 --> 01:26:07,690

and I've even heard the rumor that there

1767

01:26:12,149 --> 01:26:09,699

was a navy admiral that got tired of

1768

01:26:16,370 --> 01:26:12,159

people being ridiculed in the Navy for

1769

01:26:19,260 --> 01:26:16,380

seeing for having UFO sightings so I

1770

01:26:23,339 --> 01:26:19,270

don't think that the government or the

1771

01:26:27,570 --> 01:26:23,349

military would release anything on their

1772

01:26:30,180 --> 01:26:27,580

own voluntarily that's that's of a

1773

01:26:33,300 --> 01:26:30,190

sensitive nature or that's potentially

1774

01:26:36,000 --> 01:26:33,310

of an explosive or sensitive nature and

1775

01:26:37,830 --> 01:26:36,010

I think like I said I think the Elizondo

1776

01:26:40,890 --> 01:26:37,840

own company found a way to get that

1777

01:26:43,109 --> 01:26:40,900

information out and just to jump in real

1778

01:26:45,600 --> 01:26:43,119

quick with a question Tom during the

1779

01:26:47,700 --> 01:26:45,610

unidentified show that ran last year the

1780

01:26:50,100 --> 01:26:47,710

first set of shows anyway I guess

1781

01:26:53,100 --> 01:26:50,110

there's more to come but Elizondo was

1782

01:26:55,649 --> 01:26:53,110

really specific and he said I am NOT

1783

01:26:57,149 --> 01:26:55,659

Rick Doty now do you have any thoughts

1784

01:26:59,250 --> 01:26:57,159

on that since say you've looked at

1785

01:27:00,209 --> 01:26:59,260

Dodi's background a little bit what do

1786

01:27:04,260 --> 01:27:00,219

you what were your thoughts on that

1787

01:27:05,879 --> 01:27:04,270

comment well I thought I don't know why

1788

01:27:09,180 --> 01:27:05,889

he said that but I'll say this about

1789

01:27:12,689 --> 01:27:09,190

Rick Doty unless you can demonstrate

1790

01:27:16,169 --> 01:27:12,699

that Richard Doty was not an Air Force

1791

01:27:19,770 --> 01:27:16,179

Office of Special Investigations special

1792

01:27:22,350 --> 01:27:19,780

agent I think that basically he should

1793

01:27:25,770 --> 01:27:22,360

be believed now I think we should also

1794

01:27:28,550 --> 01:27:25,780

be careful and he's made very many very

1795

01:27:31,200 --> 01:27:28,560

interesting claims yeah I mean he's

1796

01:27:33,720 --> 01:27:31,210

sorry to interrupt but he's saying that

1797

01:27:36,240 --> 01:27:33,730

the the government knows that these

1798

01:27:36,569 --> 01:27:36,250

aliens are from Zeta Reticuli 'zed made

1799

01:27:39,000 --> 01:27:36,579

that

1800

01:27:40,560 --> 01:27:39,010

I meant openly said it on a TV show our

1801
01:27:42,899 --> 01:27:40,570
good friend Earl Gray appeared online

1802
01:27:46,500 --> 01:27:42,909
later in that show so he said he's made

1803
01:27:48,629 --> 01:27:46,510
a lot of extraordinary claims yes and he

1804
01:27:50,250 --> 01:27:48,639
said that he has other claims are even

1805
01:27:52,020 --> 01:27:50,260
more extraordinary and the only reason

1806
01:27:53,760 --> 01:27:52,030
why he doesn't come out with them as

1807
01:27:55,560 --> 01:27:53,770
that people would accuse him of making

1808
01:27:57,120 --> 01:27:55,570
it up but I'll tell you this he's

1809
01:28:02,640 --> 01:27:57,130
getting ready to come out with a book

1810
01:28:05,609 --> 01:28:02,650
and he to tell you how sensitive his

1811
01:28:07,500 --> 01:28:05,619
work has been he said in several

1812
01:28:09,780 --> 01:28:07,510
interviews that he's he wrote a four

1813
01:28:11,819 --> 01:28:09,790

hundred and thirty page book and the air

1814

01:28:16,560 --> 01:28:11,829

force censored three hundred pages of it

1815

01:28:18,359 --> 01:28:16,570

so he's had to he's had to re why a good

1816

01:28:22,049 --> 01:28:18,369

portion of the book and that's that's

1817

01:28:24,629 --> 01:28:22,059

caused some delay in its publication it

1818

01:28:26,399 --> 01:28:24,639

did want to mention to everybody that

1819

01:28:32,069 --> 01:28:26,409

Paul Dean did write a very interesting

1820

01:28:35,970 --> 01:28:32,079

article on Rick Doty on June 13th of

1821

01:28:38,399 --> 01:28:35,980

2018 it's on his blog UFOs documenting

1822

01:28:41,669 --> 01:28:38,409

the evidence blogspot.com just type in

1823

01:28:45,720 --> 01:28:41,679

Paul Dean and UFOs and his blog spot

1824

01:28:48,479 --> 01:28:45,730

will come up and it's talk the title of

1825

01:28:51,359 --> 01:28:48,489

is of the article he wrote is finally

1826
01:28:54,660 --> 01:28:51,369
Richard C Doty's United States Air Force

1827
01:28:57,120 --> 01:28:54,670
service records well nearly and it's

1828
01:29:00,140 --> 01:28:57,130
important for folks to know Paul Dean

1829
01:29:05,479 --> 01:29:00,150
who is a historian and researcher has

1830
01:29:13,379 --> 01:29:10,109
information on Richard Doty through FOIA

1831
01:29:15,240 --> 01:29:13,389
information requests to the office of

1832
01:29:18,959 --> 01:29:15,250
the Secretary of the Air Force for

1833
01:29:21,990 --> 01:29:18,969
copies of Richard dhotis USAF service

1834
01:29:24,899 --> 01:29:22,000
records and they are on his website

1835
01:29:27,870 --> 01:29:24,909
right there and so you would go to UFOs

1836
01:29:29,939 --> 01:29:27,880
documenting the evidence blogspot type

1837
01:29:31,859 --> 01:29:29,949
in those keywords and Paul Dean and you

1838
01:29:34,459 --> 01:29:31,869

will see all of these interesting

1839

01:29:37,620 --> 01:29:34,469

documents on Richard Dodie's USAF

1840

01:29:39,270 --> 01:29:37,630

records whether it's complete or not I

1841

01:29:41,370 --> 01:29:39,280

don't think it is because that's what he

1842

01:29:44,910 --> 01:29:41,380

alludes to in his title saying well

1843

01:29:47,129 --> 01:29:44,920

nearly anyway actually wanted to ask you

1844

01:29:49,720 --> 01:29:47,139

something I forgot to ask you I'm very

1845

01:29:53,439 --> 01:29:49,730

sorry tom and that is

1846

01:29:55,360 --> 01:29:53,449

the Richard Doty interviews the Richard

1847

01:29:57,520 --> 01:29:55,370

Doty interviews that you listen to very

1848

01:30:00,910 --> 01:29:57,530

carefully probably repeatedly

1849

01:30:03,880 --> 01:30:00,920

was there anything what was your

1850

01:30:05,979 --> 01:30:03,890

takeaway from that well what did you

1851

01:30:09,250 --> 01:30:05,989

glean from that and decide upon

1852

01:30:15,870 --> 01:30:09,260

regarding your research on those

1853

01:30:19,689 --> 01:30:15,880

interviews well like I said I'm

1854

01:30:22,260 --> 01:30:19,699

believing that Richard Doty was an Air

1855

01:30:26,490 --> 01:30:22,270

Force Office of Special Investigations

1856

01:30:30,160 --> 01:30:26,500

special agent and he has said repeatedly

1857

01:30:32,200 --> 01:30:30,170

that when he started that work he was

1858

01:30:35,530 --> 01:30:32,210

brought into a briefing at Kirtland Air

1859

01:30:38,620 --> 01:30:35,540

Force Base and her Force colonel came

1860

01:30:42,220 --> 01:30:38,630

down from Washington and briefed him and

1861

01:30:44,350 --> 01:30:42,230

several other people in af OSI who they

1862

01:30:46,360 --> 01:30:44,360

felt needed to be read into this

1863

01:30:50,439 --> 01:30:46,370

information because of the kind of work

1864

01:30:52,959 --> 01:30:50,449

that they were doing and Dodi has stated

1865

01:30:55,030 --> 01:30:52,969

and this is a point of Education I think

1866

01:30:57,669 --> 01:30:55,040

for all of us because I think sometimes

1867

01:31:00,669 --> 01:30:57,679

the public in the UFO community gets

1868

01:31:02,340 --> 01:31:00,679

things a little bit mixed up but the Air

1869

01:31:05,430 --> 01:31:02,350

Force Office of Special Investigations

1870

01:31:08,290 --> 01:31:05,440

according to Doty part of their

1871

01:31:12,100 --> 01:31:08,300

responsibility is to investigate UFO

1872

01:31:14,880 --> 01:31:12,110

sightings on on military bases and that

1873

01:31:19,330 --> 01:31:14,890

affect military personnel military

1874

01:31:21,100 --> 01:31:19,340

assets and military locations so if

1875

01:31:24,510 --> 01:31:21,110

something weird happens something

1876

01:31:29,560 --> 01:31:24,520

strange happens AAF OSI gets involved

1877

01:31:31,990 --> 01:31:29,570

now in doing insane doubt Richard Doty

1878

01:31:35,080 --> 01:31:32,000

is claimed that they showed a film that

1879

01:31:37,510 --> 01:31:35,090

was from woz well the Roswell recovery

1880

01:31:40,540 --> 01:31:37,520

and that even treatment was there now I

1881

01:31:43,540 --> 01:31:40,550

don't I don't know if treeman was

1882

01:31:46,240 --> 01:31:43,550

allegedly at Roswell so to speak on

1883

01:31:47,169 --> 01:31:46,250

putting that quotes or that was another

1884

01:31:49,360 --> 01:31:47,179

location

1885

01:31:51,850 --> 01:31:49,370

you know they dumped him there but that

1886

01:31:53,620 --> 01:31:51,860

this is a pretty extraordinary claim in

1887

01:31:56,229 --> 01:31:53,630

and of itself he said that he had been

1888

01:31:59,350 --> 01:31:56,239

shown they had shown him different

1889

01:32:01,870 --> 01:31:59,360

shapes of UFOs they showed several

1890

01:32:03,550 --> 01:32:01,880

different types of alien entities and

1891

01:32:06,490 --> 01:32:03,560

basically explained that

1892

01:32:09,400 --> 01:32:06,500

government had been involved you know

1893

01:32:11,950 --> 01:32:09,410

secretly in this UFO program since the

1894

01:32:13,860 --> 01:32:11,960

time of Roswell now that's that's a

1895

01:32:18,640 --> 01:32:13,870

pretty extraordinary claim but he's

1896

01:32:22,170 --> 01:32:18,650

consistently been telling that story and

1897

01:32:24,400 --> 01:32:22,180

it's basically either true or it isn't

1898

01:32:27,160 --> 01:32:24,410

and I don't know how I don't know how we

1899

01:32:28,240 --> 01:32:27,170

get to the bottom of that I'm going to

1900

01:32:30,970 --> 01:32:28,250

show us the briefing

1901

01:32:32,980 --> 01:32:30,980

now there's also been some folks are of

1902

01:32:35,950 --> 01:32:32,990

the opinion that Doty was involved in

1903

01:32:38,380 --> 01:32:35,960

putting together and the serpo documents

1904

01:32:40,270 --> 01:32:38,390

and they you mentioned that so I'd like

1905

01:32:46,270 --> 01:32:40,280

to know what your opinion on that

1906

01:32:49,180 --> 01:32:46,280

particular material is according to what

1907

01:32:53,140 --> 01:32:49,190

I believe that Doty has said is that the

1908

01:32:57,190 --> 01:32:53,150

serpo story originated out of the

1909

01:32:59,050 --> 01:32:57,200

Defense Intelligence Agency Doty has

1910

01:33:01,930 --> 01:32:59,060

stated repeatedly in different

1911

01:33:05,710 --> 01:33:01,940

interviews that he's with a group of

1912

01:33:07,410 --> 01:33:05,720

retired intelligence operatives you know

1913

01:33:10,000 --> 01:33:07,420

from various branches of the government

1914

01:33:15,460 --> 01:33:10,010

they get together once or twice a year

1915

01:33:18,610 --> 01:33:15,470

and they compare notes and according

1916

01:33:20,920 --> 01:33:18,620

to him he he and his group had been

1917

01:33:23,830 --> 01:33:20,930

conducting an investigation in the surco

1918

01:33:25,510 --> 01:33:23,840

there they I got the impression that he

1919

01:33:27,630 --> 01:33:25,520

didn't believe that all the information

1920

01:33:30,520 --> 01:33:27,640

and serpo story was true

1921

01:33:32,830 --> 01:33:30,530

Doty is also claimed that they located

1922

01:33:35,800 --> 01:33:32,840

and actually interviewed the last

1923

01:33:39,840 --> 01:33:35,810

surviving member of the serpo team which

1924

01:33:44,880 --> 01:33:39,850

which is very intriguing now UFO

1925

01:33:49,600 --> 01:33:44,890

investigators had tied Dodi's email or

1926

01:33:52,570 --> 01:33:49,610

Internet address to the serpo documents

1927

01:33:57,490 --> 01:33:52,580

and Doty has his side of the story of

1928

01:34:03,160 --> 01:33:57,500

that so again it's it's murky it's kind

1929

01:34:04,690 --> 01:34:03,170

of complicated it's ambiguous but you

1930

01:34:08,030 --> 01:34:04,700

think there might be some truth to it

1931

01:34:14,220 --> 01:34:11,250

and again according to Odie he's been

1932

01:34:15,780 --> 01:34:14,230

told both ways you know one person tells

1933

01:34:17,250 --> 01:34:15,790

them there's no truth to it another

1934

01:34:20,250 --> 01:34:17,260

person tells them that it actually

1935

01:34:22,980 --> 01:34:20,260

happens okay and this is this is

1936

01:34:25,200 --> 01:34:22,990

basically there is a sigh think it's

1937

01:34:28,200 --> 01:34:25,210

serpo org there is a site where they're

1938

01:34:30,480 --> 01:34:28,210

all up and that basically it is a story

1939

01:34:33,090 --> 01:34:30,490

of if you remember the the very end of

1940

01:34:36,720 --> 01:34:33,100

Close Encounters of the Third Kind where

1941

01:34:39,630 --> 01:34:36,730

Roy Neary and kind of joins a team of

1942

01:34:42,180 --> 01:34:39,640

people who go off with the ETS back to

1943

01:34:44,400 --> 01:34:42,190

their home planet and the story is

1944

01:34:46,140 --> 01:34:44,410

basically that this is the account of

1945

01:34:48,540 --> 01:34:46,150

what happened when they were they went

1946

01:34:50,940 --> 01:34:48,550

back to the home planet and that Close

1947

01:34:55,500 --> 01:34:50,950

Encounters was essentially based on this

1948

01:34:56,340 --> 01:34:55,510

true thing that really happened yes yes

1949

01:35:00,660 --> 01:34:56,350

that's correct

1950

01:35:03,680 --> 01:35:00,670

you know the idea being that when the

1951

01:35:07,410 --> 01:35:03,690

craft and the bodies were recovered in

1952

01:35:09,540 --> 01:35:07,420

1947 that one of the aliens survived and

1953

01:35:11,790 --> 01:35:09,550

they managed to establish a certain

1954

01:35:15,120 --> 01:35:11,800

amount of communication with him and

1955

01:35:16,500 --> 01:35:15,130

that and there was technology that they

1956

01:35:19,170 --> 01:35:16,510

were covered from the saucer

1957

01:35:21,240 --> 01:35:19,180

this is the legends the story okay right

1958

01:35:23,610 --> 01:35:21,250

right right this day recovered from the

1959

01:35:27,420 --> 01:35:23,620

saucer and they were eventually able to

1960

01:35:30,630 --> 01:35:27,430

communicate with the aliens home planet

1961

01:35:33,390 --> 01:35:30,640

and they arranged they arranged for the

1962

01:35:35,520 --> 01:35:33,400

aliens come pick up their dead and and

1963

01:35:38,880 --> 01:35:35,530

then they also arranged for an exchange

1964

01:35:41,970 --> 01:35:38,890

program and it's I know it's outlandish

1965

01:35:43,830 --> 01:35:41,980

but if if there's any truth to any of

1966

01:35:47,550 --> 01:35:43,840

this I mean it's it's really not all

1967

01:35:49,740 --> 01:35:47,560

that out there you know it's it's hard

1968

01:35:51,930 --> 01:35:49,750

to believe how all this could be kept so

1969

01:35:54,480 --> 01:35:51,940

secret but it you know if there's any

1970

01:35:56,040 --> 01:35:54,490

truth to it they're awfully dead serious

1971

01:36:02,100 --> 01:35:56,050

about keeping this secret from the

1972

01:36:04,110 --> 01:36:02,110

public okay yes and actually Frank I

1973

01:36:06,840 --> 01:36:04,120

think was right I haven't had a chance

1974

01:36:11,400 --> 01:36:06,850

to really gloss over this site very long

1975

01:36:14,670 --> 01:36:11,410

but you can go to triple wo org to find

1976

01:36:17,190 --> 01:36:14,680

out more information regarding the kind

1977

01:36:19,500 --> 01:36:17,200

of topics that Frank and Tom are

1978

01:36:20,970 --> 01:36:19,510

covering now and then I also wanted to

1979

01:36:29,370 --> 01:36:20,980

invite folks

1980

01:36:36,270 --> 01:36:29,380

to go to openminds.tv/radio and ro Rojas

1981

01:36:39,200 --> 01:36:36,280

wrote about the Richard Doty and the

1982

01:36:41,730 --> 01:36:39,210

allegations of criminal misconduct and

1983

01:36:43,770 --> 01:36:41,740

I'll just read a smattering of it I

1984

01:36:46,950 --> 01:36:43,780

won't read very much but it starts off

1985

01:36:48,330 --> 01:36:46,960

by saying well it starts out by saying a

1986

01:36:50,250 --> 01:36:48,340

lot of things but I'm just going to go

1987

01:36:52,230 --> 01:36:50,260

and dip into allegations of criminal

1988

01:36:54,860 --> 01:36:52,240

misconduct Air Force Office of Special

1989

01:36:57,600 --> 01:36:54,870

Investigations agent Richard Doty claims

1990

01:36:59,310 --> 01:36:57,610

to have partaken in the acts of

1991

01:37:01,620 --> 01:36:59,320

misinforming members of Congress

1992

01:37:03,500 --> 01:37:01,630

breaking into the private residence of a

1993

01:37:06,120 --> 01:37:03,510

civilian government contractor and

1994

01:37:07,710 --> 01:37:06,130

disseminating known forgeries of

1995

01:37:10,500 --> 01:37:07,720

government documents while on active

1996

01:37:12,030 --> 01:37:10,510

duty in the 80s furthermore he claims to

1997

01:37:16,440 --> 01:37:12,040

have committed these acts on the orders

1998

01:37:19,320 --> 01:37:16,450

of his superiors at a fuzzy which is an

1999

01:37:21,570 --> 01:37:19,330

acronym AFOs I Frank I can never

2000

01:37:25,770 --> 01:37:21,580

remember where Force Office of Special

2001

01:37:28,470 --> 01:37:25,780

Investigations ok yeah it's safe to say

2002

01:37:31,590 --> 01:37:28,480

ohand Rowe hates Doty that is fair to

2003

01:37:35,400 --> 01:37:31,600

say he's expressed that on this show

2004

01:37:39,720 --> 01:37:35,410

directly to me and the chance that

2005

01:37:41,610 --> 01:37:39,730

because he was and not to rant here but

2006

01:37:43,650 --> 01:37:41,620

just to share a little bit about what

2007

01:37:49,080 --> 01:37:43,660

Frank just said Frank's right we had

2008

01:37:52,050 --> 01:37:49,090

Alejandro Rojas on our show and he was

2009

01:37:55,520 --> 01:37:52,060

extremely not just adamant but very

2010

01:38:00,150 --> 01:37:55,530

emphatic about how much he cannot stand

2011

01:38:02,670 --> 01:38:00,160

Richard Doty now I'm not trying to say

2012

01:38:08,130 --> 01:38:02,680

anything about Richard Doty other than

2013

01:38:10,620 --> 01:38:08,140

say Alejandro Rojas was irate about him

2014

01:38:13,770 --> 01:38:10,630

and it was very interesting listening to

2015

01:38:19,170 --> 01:38:13,780

him talk about it in this this topic in

2016

01:38:20,700 --> 01:38:19,180

such an emotional manner so anyway if

2017

01:38:22,500 --> 01:38:20,710

anybody wants to check that out all they

2018

01:38:24,480 --> 01:38:22,510

have to do is type in Google open minds

2019

01:38:27,750 --> 01:38:24,490

TV all Honda Rojas

2020

01:38:31,800 --> 01:38:27,760

Richard Doty and that open letter that

2021

01:38:34,040 --> 01:38:31,810

he wrote very well will be there for

2022

01:38:37,190 --> 01:38:34,050

folks to read it's extremely long our

2023

01:38:39,290 --> 01:38:37,200

cool well and the surfer or go that's a

2024

01:38:42,110 --> 01:38:39,300

it's well worth taking a look at and

2025

01:38:45,170 --> 01:38:42,120

reading it I I think it is fanfiction

2026

01:38:48,170 --> 01:38:45,180

I'm not that convinced any of that is at

2027

01:38:50,150 --> 01:38:48,180

all real and but but it's worth the read

2028

01:38:52,100 --> 01:38:50,160

it's worth going through it's part of

2029

01:38:54,320 --> 01:38:52,110

UFO history one way or the other so

2030

01:38:56,510 --> 01:38:54,330

let's go take a look and also whether

2031

01:38:58,490 --> 01:38:56,520

the mj-12 documents themselves

2032

01:39:00,920 --> 01:38:58,500

you had mentioned Ryan wood he's got a

2033

01:39:03,380 --> 01:39:00,930

site and you can just actually go go to

2034

01:39:06,380 --> 01:39:03,390

his site and read them for yourself and

2035

01:39:06,380 --> 01:39:06,390

make up your own mind

2036

01:39:12,770 --> 01:39:09,890

do you mean dr. Robert Wood yes dr.

2037

01:39:15,020 --> 01:39:12,780

Robert wooden right yes okay right

2038

01:39:17,290 --> 01:39:15,030

that's right I'm sorry um on that open

2039

01:39:20,360 --> 01:39:17,300

letter I you know and we're mentioning I

2040

01:39:22,870 --> 01:39:20,370

reviewed 11 interviews that Richard Doty

2041

01:39:25,970 --> 01:39:22,880

gave in in one interview he said that

2042

01:39:31,430 --> 01:39:25,980

Alejandro Rojas had been a thorn in his

2043

01:39:33,950 --> 01:39:31,440

side open letter to the air force and

2044

01:39:35,560 --> 01:39:33,960

Richard Doty says it the air I don't

2045

01:39:38,450 --> 01:39:35,570

think the air force ever answered

2046

01:39:40,190 --> 01:39:38,460

Alejandro Rojas but the Richard Doty

2047

01:39:44,480 --> 01:39:40,200

said that they sent their copy of the

2048

01:39:48,170 --> 01:39:44,490

letter back to Richard Doty that's

2049

01:39:54,170 --> 01:39:48,180

interesting I'm guessing they don't

2050

01:39:58,250 --> 01:39:54,180

exchange Christmas cards mentioned about

2051
01:40:01,430 --> 01:39:58,260
Dodi and the mj-12 documents is on on

2052
01:40:05,780 --> 01:40:01,440
that open letter that Alejandro Rojas

2053
01:40:08,360 --> 01:40:05,790
wrote about Richard Doty he he quotes

2054
01:40:11,690 --> 01:40:08,370
Doty here as saying according to Doty

2055
01:40:14,840 --> 01:40:11,700
began quote the FBI did an investigation

2056
01:40:18,530 --> 01:40:14,850
on me because of the mj-12 documents

2057
01:40:21,470 --> 01:40:18,540
it was 88 or 89 meaning the year they

2058
01:40:24,590 --> 01:40:21,480
thought I'd disclose those documents and

2059
01:40:26,030 --> 01:40:24,600
quote and then Alejandro goes on to say

2060
01:40:28,280 --> 01:40:26,040
if this is true the results of their

2061
01:40:31,040 --> 01:40:28,290
investigation have yet to be revealed

2062
01:40:34,060 --> 01:40:31,050
and Alejandro wrote this article it

2063
01:40:37,280 --> 01:40:34,070

looks like in May on May 6th of 2014 so

2064

01:40:43,250 --> 01:40:37,290

anyway that's it and how do you feel

2065

01:40:47,630 --> 01:40:43,260

about the possibility Tom of of Richard

2066

01:40:49,760 --> 01:40:47,640

Doty possibly having been involved

2067

01:40:54,380 --> 01:40:49,770

regarding the mj-12 docks in any way

2068

01:40:57,290 --> 01:40:54,390

shape or form whatsoever well if you if

2069

01:41:00,410 --> 01:40:57,300

you expand the definition of the mj-12

2070

01:41:03,470 --> 01:41:00,420

documents to include the documents that

2071

01:41:09,500 --> 01:41:03,480

bill more or less in his book the mj-12

2072

01:41:13,100 --> 01:41:09,510

documents there there was apparently a

2073

01:41:15,740 --> 01:41:13,110

phony UFO report that had been sent to a

2074

01:41:18,830 --> 01:41:15,750

pro that Dodie may have been involved

2075

01:41:22,190 --> 01:41:18,840

with it may have it may have even been a

2076
01:41:24,830 --> 01:41:22,200
counterintelligence exercise there was

2077
01:41:28,460 --> 01:41:24,840
controversy around the so called

2078
01:41:31,130 --> 01:41:28,470
Aquarius telex and which which contains

2079
01:41:35,750 --> 01:41:31,140
actually the first reference public

2080
01:41:39,050 --> 01:41:35,760
reference to mj-12 but a lot of people

2081
01:41:40,910 --> 01:41:39,060
assume that Doty asked more to give that

2082
01:41:43,220 --> 01:41:40,920
to Paul bennewitz even though I'm not

2083
01:41:46,280 --> 01:41:43,230
sure that that is even the case it's

2084
01:41:49,100 --> 01:41:46,290
it's true and Moore has said that he had

2085
01:41:51,890 --> 01:41:49,110
been asked to give this document to Paul

2086
01:41:54,260 --> 01:41:51,900
bennewitz which he did but whether

2087
01:41:58,400 --> 01:41:54,270
Richard Doty had anything to do without

2088
01:42:01,730 --> 01:41:58,410

this I'm not sure there was an instance

2089

01:42:03,410 --> 01:42:01,740

where Linda Howe was brought in to

2090

01:42:07,250 --> 01:42:03,420

Kirtland Air Force Base and she was

2091

01:42:09,050 --> 01:42:07,260

shown a document you know when Richard

2092

01:42:10,940 --> 01:42:09,060

Doty was involved in that but that

2093

01:42:14,830 --> 01:42:10,950

doesn't mean that he created the

2094

01:42:17,060 --> 01:42:14,840

document he has said that he you know

2095

01:42:18,800 --> 01:42:17,070

this employee of the United States

2096

01:42:20,750 --> 01:42:18,810

government and he was acting under

2097

01:42:23,240 --> 01:42:20,760

orders he said that he had received

2098

01:42:26,600 --> 01:42:23,250

awards and commendations from us for his

2099

01:42:29,690 --> 01:42:26,610

work even from the president Andy and

2100

01:42:32,300 --> 01:42:29,700

this whole FBI thing he said that he and

2101

01:42:34,460 --> 01:42:32,310

these are his claims but he said that he

2102

01:42:36,890 --> 01:42:34,470

had undergone two lie-detector tests and

2103

01:42:38,930 --> 01:42:36,900

back in passed both them and and these

2104

01:42:41,750 --> 01:42:38,940

government level lie-detector tests are

2105

01:42:44,540 --> 01:42:41,760

really serious any said he he had been

2106

01:42:47,330 --> 01:42:44,550

cleared of any wrongdoing with all the

2107

01:42:50,660 --> 01:42:47,340

sanctions and it's a fact he hasn't been

2108

01:42:52,460 --> 01:42:50,670

indicted and he's not in jail so what

2109

01:42:55,820 --> 01:42:52,470

whatever he was doing he was doing

2110

01:42:58,130 --> 01:42:55,830

within the context of whatever

2111

01:43:01,490 --> 01:42:58,140

counterintelligence activities were

2112

01:43:04,910 --> 01:43:01,500

being conducted by the AFOs on

2113

01:43:07,580 --> 01:43:04,920

thank you for sharing your insight

2114

01:43:08,930 --> 01:43:07,590

regarding that topic I wanted to share

2115

01:43:10,550 --> 01:43:08,940

with listeners there's an interesting

2116

01:43:11,690 --> 01:43:10,560

film and then I want to ask you what you

2117

01:43:14,330 --> 01:43:11,700

think of it and then we'll need to go

2118

01:43:16,730 --> 01:43:14,340

ahead and wind down regarding Mirage

2119

01:43:19,430 --> 01:43:16,740

Minh which is a 2013 documentary film

2120

01:43:24,350 --> 01:43:19,440

directed by John Lundberg and written by

2121

01:43:27,770 --> 01:43:24,360

Mark Pilkington co-directed by Roland

2122

01:43:31,010 --> 01:43:27,780

Denning and a Kip roasts I can't even

2123

01:43:34,070 --> 01:43:31,020

say his last name I apologize I suppose

2124

01:43:38,450 --> 01:43:34,080

the film had its world premiere at the

2125

01:43:41,270 --> 01:43:38,460

2013 Sheffield dock fest and I I feel

2126
01:43:43,910 --> 01:43:41,280
kind of naive saying this but I actually

2127
01:43:46,760 --> 01:43:43,920
had not seen this film until my co-host

2128
01:43:50,240 --> 01:43:46,770
Frank stalter told me and insisted you

2129
01:43:53,480 --> 01:43:50,250
need to watch his film and I kept saying

2130
01:43:58,280 --> 01:43:53,490
yeah yeah I finally watched it and I

2131
01:43:59,810 --> 01:43:58,290
really just was so glad that Frank kept

2132
01:44:03,380 --> 01:43:59,820
on me about this because I thought it

2133
01:44:06,110 --> 01:44:03,390
was a very interesting documentary or

2134
01:44:08,270 --> 01:44:06,120
film whatever folks want to call it and

2135
01:44:11,330 --> 01:44:08,280
I wanted to ask you Tom what was your

2136
01:44:14,510 --> 01:44:11,340
thoughts on what Richard Doty had to say

2137
01:44:17,870 --> 01:44:14,520
in that dock and just your overall

2138
01:44:21,770 --> 01:44:17,880

perspective regarding that film what do

2139

01:44:23,810 --> 01:44:21,780

you think I'm fascinated by the general

2140

01:44:25,280 --> 01:44:23,820

topic this whole topic of

2141

01:44:28,130 --> 01:44:25,290

counterintelligence work and

2142

01:44:30,080 --> 01:44:28,140

disinformation psyops and all of this

2143

01:44:33,200 --> 01:44:30,090

and in the interaction with the UFO

2144

01:44:35,780 --> 01:44:33,210

community and in the whole mj-12 affair

2145

01:44:39,380 --> 01:44:35,790

which and and I meant to say all along

2146

01:44:41,390 --> 01:44:39,390

tonight chant in Frank that the mj-12

2147

01:44:43,460 --> 01:44:41,400

documents were like a hydrogen bomb

2148

01:44:45,410 --> 01:44:43,470

being dropped on the UFO community and

2149

01:44:48,440 --> 01:44:45,420

the UFO community has never been the

2150

01:44:50,540 --> 01:44:48,450

same since but again I keep quote

2151
01:44:52,940 --> 01:44:50,550
quoting from Richard Dodie's interviews

2152
01:44:54,830 --> 01:44:52,950
but he is very unhappy with that with

2153
01:44:59,020 --> 01:44:54,840
that book in that movie and he had

2154
01:45:03,230 --> 01:44:59,030
problems with the producers of that and

2155
01:45:05,930 --> 01:45:03,240
he he I think he's gotten a little bit

2156
01:45:09,770 --> 01:45:05,940
gun shy in certain ways because I think

2157
01:45:11,870 --> 01:45:09,780
he feels he's gotten a bad rap and part

2158
01:45:13,910 --> 01:45:11,880
of the reason why he's gone out on a lot

2159
01:45:15,229 --> 01:45:13,920
of these interviews is to tell his side

2160
01:45:17,330 --> 01:45:15,239
of the story and hope

2161
01:45:20,689 --> 01:45:17,340
we set the record straight but the

2162
01:45:23,299 --> 01:45:20,699
general genre of this

2163
01:45:25,189 --> 01:45:23,309

counterintelligence work and these

2164

01:45:27,830 --> 01:45:25,199

questioned documents coming into the

2165

01:45:30,799 --> 01:45:27,840

public arena and all of this is

2166

01:45:33,109 --> 01:45:30,809

fascinating to me and Miraj men and the

2167

01:45:38,029 --> 01:45:33,119

video and the book I watched and read

2168

01:45:41,569 --> 01:45:38,039

avidly thank you very much for having

2169

01:45:43,970 --> 01:45:41,579

shared that by the way I I go into the

2170

01:45:45,470 --> 01:45:43,980

CIA archives an awful lot and I just

2171

01:45:46,970 --> 01:45:45,480

wanted to make a comment about what you

2172

01:45:49,100 --> 01:45:46,980

said regarding Richard Doty

2173

01:45:52,339 --> 01:45:49,110

but I'll lead up to it with some some

2174

01:45:56,450 --> 01:45:52,349

some personal stuff I am Frank knows

2175

01:45:59,689 --> 01:45:56,460

this I'm like on CIA archives every day

2176
01:46:01,339 --> 01:45:59,699
always looking for something typing in

2177
01:46:02,660 --> 01:46:01,349
crazy words in the search engine and

2178
01:46:05,180 --> 01:46:02,670
sometimes I come up with some really

2179
01:46:08,720 --> 01:46:05,190
interesting stuff and I think there was

2180
01:46:10,729 --> 01:46:08,730
a article that was really old but it was

2181
01:46:14,870 --> 01:46:10,739
about counterintelligence agents and

2182
01:46:18,859 --> 01:46:14,880
they they're basically trained to

2183
01:46:24,410 --> 01:46:18,869
actually at least during 50 60s 70s so

2184
01:46:28,430 --> 01:46:24,420
on trained to mislead leaders of nations

2185
01:46:32,989 --> 01:46:28,440
that's literally to the level some of

2186
01:46:37,089 --> 01:46:32,999
them are trained to to to to to mislead

2187
01:46:39,649 --> 01:46:37,099
folks so they're trained to mislead and

2188
01:46:42,649 --> 01:46:39,659

maybe at times in a hierarchical manner

2189

01:46:45,259 --> 01:46:42,659

meaning like just for civilians maybe

2190

01:46:46,899 --> 01:46:45,269

others to mislead leaders of nations and

2191

01:46:50,720 --> 01:46:46,909

everything in between

2192

01:46:55,910 --> 01:46:50,730

that kind of thing now my understanding

2193

01:47:01,189 --> 01:46:55,920

is Rick Doty worked at area 51

2194

01:47:04,310 --> 01:47:01,199

maybe s4 specifically to actually he was

2195

01:47:08,239 --> 01:47:04,320

there to monitor any Russian activity

2196

01:47:10,489 --> 01:47:08,249

that may have been occurring in a in a

2197

01:47:13,310 --> 01:47:10,499

counterintelligence type fashion or

2198

01:47:17,239 --> 01:47:13,320

other kind of intelligence fashion he

2199

01:47:20,839 --> 01:47:17,249

was there to possibly protect the s4

2200

01:47:24,109 --> 01:47:20,849

area of area 51 to keep the Russians

2201

01:47:26,739 --> 01:47:24,119

from infiltrating that area or having

2202

01:47:28,989 --> 01:47:26,749

any influence or taking information out

2203

01:47:31,370 --> 01:47:28,999

that is my

2204

01:47:33,949 --> 01:47:31,380

understanding now I could be wrong about

2205

01:47:38,410 --> 01:47:33,959

that night don't mind being wrong but at

2206

01:47:42,379 --> 01:47:38,420

the same time if he is a self-confessed

2207

01:47:45,620 --> 01:47:42,389

disinformation agent it's really

2208

01:47:49,370 --> 01:47:45,630

difficult to put a lot of stock in

2209

01:47:52,040 --> 01:47:49,380

somebody who who claims to be a

2210

01:47:54,500 --> 01:47:52,050

disinformation agent and then have sour

2211

01:48:00,410 --> 01:47:54,510

grapes about it later

2212

01:48:05,509 --> 01:48:00,420

and so the fact that an individual is

2213

01:48:08,449 --> 01:48:05,519

trained to manipulate and lie through

2214

01:48:12,049 --> 01:48:08,459

professional means because that is their

2215

01:48:15,199 --> 01:48:12,059

job I find it hard to have sympathy for

2216

01:48:18,109 --> 01:48:15,209

that person what are your thoughts on

2217

01:48:19,790 --> 01:48:18,119

that everything I just said Tom if you

2218

01:48:21,879 --> 01:48:19,800

don't mind a little bit of insight

2219

01:48:24,799 --> 01:48:21,889

regarding how you feel about all that

2220

01:48:26,870 --> 01:48:24,809

well and I and again I'm I'm sorry to

2221

01:48:29,270 --> 01:48:26,880

keep repeating from him but I can relate

2222

01:48:33,290 --> 01:48:29,280

what he said in these interviews and

2223

01:48:37,100 --> 01:48:33,300

that is they get a situation they take

2224

01:48:41,180 --> 01:48:37,110

it into the office they write reports

2225

01:48:43,549 --> 01:48:41,190

their supervisors look at it then it's

2226

01:48:47,719 --> 01:48:43,559

possible then it's usually run up the

2227

01:48:50,689 --> 01:48:47,729

flagpole to DC and the higher-ups and DC

2228

01:48:52,910 --> 01:48:50,699

decide what action they want to take or

2229

01:48:55,600 --> 01:48:52,920

not want to take and the instructions

2230

01:48:59,209 --> 01:48:55,610

come back to the local afo a psych

2231

01:49:01,040 --> 01:48:59,219

office with instructions in plans and

2232

01:49:04,250 --> 01:49:01,050

directives and orders and then it's

2233

01:49:05,870 --> 01:49:04,260

their job to carry that out so I think

2234

01:49:08,149 --> 01:49:05,880

people have gotten the impression that

2235

01:49:10,750 --> 01:49:08,159

Richard Doty and people like him just

2236

01:49:13,609 --> 01:49:10,760

dream up ways to make people miserable

2237

01:49:16,040 --> 01:49:13,619

and they're there they're do they have a

2238

01:49:18,739 --> 01:49:16,050

job they're trained you know he went to

2239

01:49:20,419 --> 01:49:18,749

a pretty extensive training but before

2240

01:49:25,180 --> 01:49:20,429

he ever started doing this kind of work

2241

01:49:28,520 --> 01:49:25,190

and and he know it's possible maybe

2242

01:49:30,589 --> 01:49:28,530

maybe he misbehaved at times maybe he

2243

01:49:33,859 --> 01:49:30,599

was overzealous you know that's possible

2244

01:49:37,310 --> 01:49:33,869

but I believe that he and anyone else in

2245

01:49:39,020 --> 01:49:37,320

that in that milieu is doing their job

2246

01:49:41,299 --> 01:49:39,030

they're doing what they're supposed to

2247

01:49:42,740 --> 01:49:41,309

be doing and these some of these

2248

01:49:46,220 --> 01:49:42,750

nefarious scheme

2249

01:49:47,690 --> 01:49:46,230

like that this whole affair with Paul

2250

01:49:50,750 --> 01:49:47,700

bennewitz that people have gotten so

2251

01:49:53,570 --> 01:49:50,760

upset about some of that could be cooked

2252

01:49:57,980 --> 01:49:53,580

up in Washington DC they they want it

2253

01:50:00,740 --> 01:49:57,990

done that way so you know I asked for

2254

01:50:03,530 --> 01:50:00,750

having sympathy maybe maybe that's not

2255

01:50:06,740 --> 01:50:03,540

appropriate but you know give the guy a

2256

01:50:09,980 --> 01:50:06,750

break all right well I really want to

2257

01:50:15,650 --> 01:50:09,990

thank you for having taken the time to

2258

01:50:19,450 --> 01:50:15,660

allow us to just ask you anything and be

2259

01:50:22,910 --> 01:50:19,460

so so specific and so definitive and

2260

01:50:26,780 --> 01:50:22,920

just also want to thank you for being so

2261

01:50:29,660 --> 01:50:26,790

patient too because often times I'll

2262

01:50:32,570 --> 01:50:29,670

jump from topic to topic just to sort of

2263

01:50:34,520 --> 01:50:32,580

test a guest on their knowledge base

2264

01:50:36,740 --> 01:50:34,530

regarding whatever it is we're bringing

2265

01:50:40,790 --> 01:50:36,750

up and just really feel like you've

2266

01:50:42,500 --> 01:50:40,800

covered everything so wonderfully and I

2267

01:50:43,850 --> 01:50:42,510

just love listening to you sometimes I

2268

01:50:47,420 --> 01:50:43,860

forget to even ask you a question

2269

01:50:49,160 --> 01:50:47,430

because and I told you this before Tom I

2270

01:50:54,050 --> 01:50:49,170

really think that you should just have

2271

01:50:56,150 --> 01:50:54,060

your own podcast and you have to stay

2272

01:51:00,050 --> 01:50:56,160

because I know that people would love to

2273

01:51:03,140 --> 01:51:00,060

just listen to you talk and want to let

2274

01:51:06,710 --> 01:51:03,150

people know that they need to go to Tom

2275

01:51:13,960 --> 01:51:06,720

Whitmore blog dot wordpress.com and that

2276

01:51:17,540 --> 01:51:13,970

is Tom WH ite mo ar e blog dot

2277

01:51:20,230 --> 01:51:17,550

wordpress.com and I'm going to say it

2278

01:51:23,720 --> 01:51:20,240

one last time Tom Whitmore blog

2279

01:51:26,990 --> 01:51:23,730

wordpress.com please go there and also

2280

01:51:29,840 --> 01:51:27,000

know that that is a site in progress I

2281

01:51:32,240 --> 01:51:29,850

suspect that it's also going to become

2282

01:51:33,560 --> 01:51:32,250

more fleshed out as time goes forward

2283

01:51:35,180 --> 01:51:33,570

you're going to have a lot more

2284

01:51:37,010 --> 01:51:35,190

information on there not that you do not

2285

01:51:41,030 --> 01:51:37,020

now because you do you've quite the list

2286

01:51:42,800 --> 01:51:41,040

there of topics and also look forward to

2287

01:51:44,990 --> 01:51:42,810

any more information that you're going

2288

01:51:47,090 --> 01:51:45,000

to come out with in the coming months

2289

01:51:49,610 --> 01:51:47,100

and years Tom thank you so much for

2290

01:51:52,310 --> 01:51:49,620

having been on our show tonight thanks a

2291

01:51:54,410 --> 01:51:52,320

lot I really appreciate it I had a great

2292

01:51:56,450 --> 01:51:54,420

time thanks so much thank you chant and

2293

01:51:59,270 --> 01:51:56,460

Frank I've been delighted to be here

2294

01:52:01,729 --> 01:51:59,280

enjoyed it very much alright so we're

2295

01:52:03,530 --> 01:52:01,739

gonna wrap up here and thanks for

2296

01:52:05,600 --> 01:52:03,540

listening in and I don't have the

2297

01:52:08,060 --> 01:52:05,610

schedule in front of me but I think we

2298

01:52:09,830 --> 01:52:08,070

have something if not this Sunday then

2299

01:52:11,240 --> 01:52:09,840

the following Sunday we've got that not

2300

01:52:13,189 --> 01:52:11,250

something else and I'll have to check to

2301

01:52:15,260 --> 01:52:13,199

see who's going to be on with us but

2302

01:52:16,610 --> 01:52:15,270

we'll be back before you know it so

2303

01:52:17,240 --> 01:52:16,620

thanks for joining in and good night
