and owner host of the Texas UFO radio

47  
00:02:55,979 --> 00:02:54,010  
show Steve is currently the MUFON

48  
00:02:58,050 --> 00:02:55,989  
international director of investigations

49  
00:02:59,880 --> 00:02:58,060  
right now I'm Steve thank you so very

50  
00:03:02,310 --> 00:02:59,890  
much for coming under shone I also

51  
00:03:04,500 --> 00:03:02,320  
wanted to thank you for serving our

52  
00:03:05,280 --> 00:03:04,510  
country thank you very much it's a

53  
00:03:08,430 --> 00:03:05,290  
pleasure to be here

54  
00:03:11,250 --> 00:03:08,440  
yeah thanks Steve and really yeah one

55  
00:03:13,170 --> 00:03:11,260  
thing that that happened right after I

56  
00:03:14,730 --> 00:03:13,180  
started getting us seriously are

57  
00:03:16,920 --> 00:03:14,740  
actually right before I was

58  
00:03:19,950 --> 00:03:16,930  
started getting seriously proactively

59  
00:03:22,860 --> 00:03:19,960  
interested in all this UFO stuff was the

60  
00:03:24,660 --> 00:03:22,870  
Stephenville case and stiva can you

61  
00:03:26,310 --> 00:03:24,670  
bring the folks up to speed I mean it's

62  
00:03:28,380 --> 00:03:26,320  
already been more than ten years since

63  
00:03:31,200 --> 00:03:28,390

all that happened can you bring the

64

00:03:33,630 --> 00:03:31,210

folks up to speed a little bit on what

65

00:03:36,930 --> 00:03:33,640

the what constituted the case as some of

66

00:03:38,610 --> 00:03:36,940

the witnesses and the the hubbub that

67

00:03:42,000 --> 00:03:38,620

that created around the country it was

68

00:03:44,700 --> 00:03:42,010

really the last big case that we've had

69

00:03:46,560 --> 00:03:44,710

that really got a whole community sort

70

00:03:54,500 --> 00:03:46,570

of up in arms and involved in all this

71

00:03:57,780 --> 00:03:54,510

UFO stuff well it began with a news

72

00:03:59,820 --> 00:03:57,790

broadcast about some sightings in

73

00:04:01,590 --> 00:03:59,830

Stephenville and what really promoted it

74

00:04:04,140 --> 00:04:01,600

was the constable down there I had a

75

00:04:06,240 --> 00:04:04,150

sighting of his own and he wasn't hiding

76

00:04:08,160 --> 00:04:06,250

anything he was telling everything he

77

00:04:09,660 --> 00:04:08,170

knew about it and he didn't care who

78

00:04:11,240 --> 00:04:09,670

knew about it and I thought that was

79

00:04:15,570 --> 00:04:11,250

pretty good

80

00:04:18,300 --> 00:04:15,580

then it got on the nationwide news

81

00:04:19,710 --> 00:04:18,310

because so many people started coming

82

00:04:22,260 --> 00:04:19,720

forward with these with these and they

83

00:04:24,770 --> 00:04:22,270

were reporting them their incidence to

84

00:04:27,390 --> 00:04:24,780

the I think it was a Stephenville

85

00:04:31,560 --> 00:04:27,400

newspaper The Gazette Island I forget

86

00:04:33,420 --> 00:04:31,570

the name but the reporter that was

87

00:04:34,980 --> 00:04:33,430

taking all of these finally he said you

88

00:04:37,890 --> 00:04:34,990

know hey we got to get somebody in on

89

00:04:40,620 --> 00:04:37,900

this and that's when MUFON came in she

90

00:04:42,120 --> 00:04:40,630

notified the state director then the

91

00:04:45,420 --> 00:04:42,130

state director notified me and we

92

00:04:47,610 --> 00:04:45,430

started paying attention to this and she

93

00:04:49,740 --> 00:04:47,620

kept the reporter kept saying well you

94

00:04:51,240 --> 00:04:49,750

know I'm still getting all these reports

95

00:04:54,210 --> 00:04:51,250

what we gonna do about these reports and

96

00:04:57,120 --> 00:04:54,220

and and I told her I said well I'll tell

97

00:05:00,210 --> 00:04:57,130

you what let's uh let's just have a man

98

00:05:03,270 --> 00:05:00,220

a meeting somewhere it may be some

99

00:05:05,250 --> 00:05:03,280

school or something like that because I

100

00:05:08,760 --> 00:05:05,260

mentioned school because we had just

101  
00:05:10,590 --> 00:05:08,770  
finished a a big meeting up here in my

102  
00:05:12,660 --> 00:05:10,600  
neighborhood about a chemical plant

103  
00:05:14,400 --> 00:05:12,670  
coming in and and we basically stopped

104  
00:05:15,660 --> 00:05:14,410  
that but we had a meeting at school but

105  
00:05:18,990 --> 00:05:15,670  
anyway she says okay I'll check into

106  
00:05:20,220 --> 00:05:19,000  
that and she called me back cop nights

107  
00:05:21,900 --> 00:05:20,230  
later she says well we can have a

108  
00:05:24,510 --> 00:05:21,910  
meeting here at the school but it's

109  
00:05:25,680 --> 00:05:24,520  
gonna cost about \$150 for cleanup and

110  
00:05:27,750 --> 00:05:25,690  
all that kind of thing I said well I

111  
00:05:28,549 --> 00:05:27,760  
said I don't have \$150 and I don't think

112  
00:05:32,329 --> 00:05:28,559  
anybody else does

113  
00:05:35,989 --> 00:05:32,339

she says well let me check around and so

114

00:05:38,749 --> 00:05:35,999

she she called me back and she says well

115

00:05:43,009 --> 00:05:38,759

this the people down here at the sale

116

00:05:45,409 --> 00:05:43,019

barn in Dublin have agreed to have the

117

00:05:47,539 --> 00:05:45,419

meeting there at the sale barn and I

118

00:05:49,519 --> 00:05:47,549

kind of got to thinking about that and I

119

00:05:51,019 --> 00:05:49,529

know what sale barns are and then well

120

00:05:53,389 --> 00:05:51,029

what I what are they for the folks that

121

00:05:56,449 --> 00:05:53,399

don't know well that's where you take

122

00:05:58,009 --> 00:05:56,459

your your cows and your pigs and your

123

00:05:59,989 --> 00:05:58,019

horses and you go down there new auction

124

00:06:02,749 --> 00:05:59,999

them off and surrounding the sale barn

125

00:06:05,209 --> 00:06:02,759

our pins where they store them so when

126

00:06:06,529 --> 00:06:05,219

you store animals you know they're there

127

00:06:08,269 --> 00:06:06,539

they don't have a little potty they can

128

00:06:10,479 --> 00:06:08,279

go right they just do so this is a

129

00:06:13,159 --> 00:06:10,489

literal barn then you're talking about

130

00:06:16,909 --> 00:06:13,169

yes it's open it's a pretty good-sized

131

00:06:18,289 --> 00:06:16,919

little area but he said I'll clean it

132

00:06:19,819 --> 00:06:18,299

all up and all this kind of thing but

133

00:06:22,959 --> 00:06:19,829

before all of that before we even

134

00:06:27,019 --> 00:06:22,969

started going down there to do that the

135

00:06:29,109 --> 00:06:27,029

Dublin I forget the name of that place

136

00:06:32,329 --> 00:06:29,119

all the time have to look at my wife but

137

00:06:36,979 --> 00:06:32,339

they they called us and said hey we have

138

00:06:39,409 --> 00:06:36,989

a large room and you can have your

139

00:06:41,319 --> 00:06:39,419

meeting here and will supply the the

140

00:06:44,209 --> 00:06:41,329

Dublin dr. pepper and the popcorn and

141

00:06:46,129 --> 00:06:44,219

yeah la that's quite a bit so hey so

142

00:06:49,189 --> 00:06:46,139

that's where we had the meeting so the

143

00:06:51,199 --> 00:06:49,199

reporter put that in the newspaper and

144

00:06:54,169 --> 00:06:51,209

says you know anyone that has had a

145

00:06:55,699 --> 00:06:54,179

sighting you know come down here MUFON

146

00:06:57,889 --> 00:06:55,709

is gonna be here talked to MUFON about

147

00:07:01,459 --> 00:06:57,899

it and we had about a week advance

148

00:07:04,669 --> 00:07:01,469

notices and so that Saturday came up and

149

00:07:06,829 --> 00:07:04,679

we drove down there and I got there

150

00:07:10,099 --> 00:07:06,839

early man it was pretty good-sized it's

151  
00:07:12,079 --> 00:07:10,109  
place and we were starting our meeting

152  
00:07:13,729 --> 00:07:12,089  
and we were setting up our rules and

153  
00:07:16,309 --> 00:07:13,739  
things and and we didn't want anybody in

154  
00:07:17,869 --> 00:07:16,319  
there filming because you don't have

155  
00:07:19,939 --> 00:07:17,879  
people are they're gonna film go out and

156  
00:07:24,349 --> 00:07:19,949  
do this and and make up things as they

157  
00:07:25,729 --> 00:07:24,359  
want so the group started filling up and

158  
00:07:29,989 --> 00:07:25,739  
there's I think it was a capacity of

159  
00:07:32,449 --> 00:07:29,999  
about 400 maybe I don't know it's pretty

160  
00:07:33,769 --> 00:07:32,459  
good-sized room and the room starts

161  
00:07:35,599 --> 00:07:33,779  
filling up big time and we were doing

162  
00:07:37,869 --> 00:07:35,609  
little small little interviews all in

163  
00:07:40,309 --> 00:07:37,879

there I was taking up a lot of time and

164

00:07:42,320 --> 00:07:40,319

so it was time for the meeting to start

165

00:07:43,760 --> 00:07:42,330

and they tapped me on the shoulder and

166

00:07:45,890 --> 00:07:43,770

hey you got a stock comedian go over

167

00:07:48,379 --> 00:07:45,900

there and do this okay so I made my way

168

00:07:50,930 --> 00:07:48,389

over to the to this podium they had

169

00:07:52,309 --> 00:07:50,940

setup up and and and I got over that

170

00:07:54,589 --> 00:07:52,319

podium and my paperwork

171

00:07:56,300 --> 00:07:54,599

I looked up and the first thing I was

172

00:07:59,360 --> 00:07:56,310

shocked by or really kind of surprised

173

00:08:02,360 --> 00:07:59,370

by was all these microphones that were

174

00:08:04,159 --> 00:08:02,370

stuck on this podium and I'm looking at

175

00:08:05,960 --> 00:08:04,169

that I look like a cactus I mean there's

176

00:08:07,790 --> 00:08:05,970

just so many other help there and just

177

00:08:10,550 --> 00:08:07,800

kind of spread that's when I looked up

178

00:08:15,640 --> 00:08:10,560

and I looked up and I say all these

179

00:08:23,649 --> 00:08:15,650

tripods with big cameras arm NBC ABC CBS

180

00:08:26,089 --> 00:08:23,659

oh my god I just just the backtrack

181

00:08:27,619 --> 00:08:26,099

Steve just the backtrack a little bit

182

00:08:31,369 --> 00:08:27,629

the reporter you're talking about I

183

00:08:33,380 --> 00:08:31,379

believe would be Angela Joyner yes okay

184

00:08:35,810 --> 00:08:33,390

and she was working for the local paper

185

00:08:37,459 --> 00:08:35,820

I can't recall off the top of my head

186

00:08:39,500 --> 00:08:37,469

but she was working for life or even

187

00:08:41,089 --> 00:08:39,510

ville Gazette or something like that but

188

00:08:42,259 --> 00:08:41,099

I could be saying it well but it had to

189

00:08:44,329 --> 00:08:42,269

do with Stephenville yeah she was

190

00:08:46,430 --> 00:08:44,339

working for Steve and it seems like

191

00:08:48,530 --> 00:08:46,440

other news media bigger news media

192

00:08:50,660 --> 00:08:48,540

picked up on her stories and I then

193

00:08:53,389 --> 00:08:50,670

followed up is that about right yeah

194

00:08:55,250 --> 00:08:53,399

when you think about happening yes there

195

00:08:57,410 --> 00:08:55,260

was there was another reporter and her

196

00:09:01,370 --> 00:08:57,420

name was Angela also but not Angela

197

00:09:02,960 --> 00:09:01,380

Joyner and she was with the I forget

198

00:09:06,290 --> 00:09:02,970

what they call it but when she reported

199

00:09:09,440 --> 00:09:06,300

anything and went national they went to

200

00:09:12,410 --> 00:09:09,450

all about the people and that's what

201  
00:09:14,000 --> 00:09:12,420  
they picked up on okay that that your

202  
00:09:16,010 --> 00:09:14,010  
big scene in Stephenville Holly blah

203  
00:09:18,019 --> 00:09:16,020  
blah blah they picked up on that and

204  
00:09:21,560 --> 00:09:18,029  
then they started paying attention to

205  
00:09:23,360 --> 00:09:21,570  
the Stephenville newspaper that's me

206  
00:09:26,870 --> 00:09:23,370  
found out when the meeting was going to

207  
00:09:28,790 --> 00:09:26,880  
be so really careful and the later the

208  
00:09:30,110 --> 00:09:28,800  
police were telling us that this is the

209  
00:09:31,850 --> 00:09:30,120  
first time in the history of Dublin

210  
00:09:33,889 --> 00:09:31,860  
Texas that they only have two red lights

211  
00:09:36,829 --> 00:09:33,899  
on this town that they've had a traffic

212  
00:09:38,750 --> 00:09:36,839  
jam that they took hours to get finished

213  
00:09:39,980 --> 00:09:38,760

there's so many people there we we

214

00:09:41,000 --> 00:09:39,990

filled the room up and people that

215

00:09:43,639 --> 00:09:41,010

couldn't get in there was too many

216

00:09:45,889 --> 00:09:43,649

people okay but but at this point the

217

00:09:48,350 --> 00:09:45,899

only report that you had great

218

00:09:50,300 --> 00:09:48,360

familiarity with was from the constable

219

00:09:52,430 --> 00:09:50,310

Leroy gaëtan is that about right

220

00:09:55,249 --> 00:09:52,440

yes and there was another

221

00:09:57,829 --> 00:09:55,259

another report from Steve Allen and he

222

00:10:00,199 --> 00:09:57,839

was in a he's and he was the pilot okay

223

00:10:02,540 --> 00:10:00,209

now kidnap can you give the folks a

224

00:10:04,759 --> 00:10:02,550

little bit of an idea of what gate an

225

00:10:08,660 --> 00:10:04,769

actually reported and then what Steve

226

00:10:11,720 --> 00:10:08,670

Allen reported okay Leroy Gaytan

227

00:10:14,269 --> 00:10:11,730

reported that he saw a lot of just he

228

00:10:16,129 --> 00:10:14,279

described it as multicolored lights and

229

00:10:17,509 --> 00:10:16,139

they were just kind of moving around and

230

00:10:21,199 --> 00:10:17,519

dancing around in this one little area

231

00:10:23,869 --> 00:10:21,209

and he said he's never seen anything

232

00:10:25,699 --> 00:10:23,879

like that before and that's what he saw

233

00:10:28,929 --> 00:10:25,709

and he's sticking to his guns humming

234

00:10:31,100 --> 00:10:28,939

okay he never has changed this story and

235

00:10:32,780 --> 00:10:31,110

I'll tell you something else in a minute

236

00:10:36,199 --> 00:10:32,790

in a minute about about that that's

237

00:10:40,309 --> 00:10:36,209

related to that but Steve Allen he was

238

00:10:42,439 --> 00:10:40,319

like out like in a driveway of a some

239

00:10:43,910 --> 00:10:42,449

friend's home they were out sitting in

240

00:10:45,679 --> 00:10:43,920

chairs and about three or four of them

241

00:10:49,129 --> 00:10:45,689

out there and they were not there

242

00:10:53,300 --> 00:10:49,139

talking and how people do and this large

243

00:10:55,790 --> 00:10:53,310

object flew over them and Steve Allen's

244

00:10:56,990 --> 00:10:55,800

a pilot he knows how to gauge things and

245

00:11:01,220 --> 00:10:57,000

measure things he said this thing was

246

00:11:04,040 --> 00:11:01,230

was a mile wide and half a mile thick or

247

00:11:05,960 --> 00:11:04,050

deep and I started calling it the flying

248

00:11:20,210 --> 00:11:05,970

Walmart that's just don't know a good

249

00:11:21,379 --> 00:11:20,220

pay pack for this I went over and this

250

00:11:27,800 --> 00:11:21,389

time we followed by a couple of jet

251  
00:11:32,679 --> 00:11:27,810  
aircraft okay you broke up that you

252  
00:11:39,049 --> 00:11:36,799  
okay okay I'll start over he they saw

253  
00:11:42,259 --> 00:11:39,059  
this object there was a half mile wide

254  
00:11:46,040 --> 00:11:42,269  
and a mile long we'll go like that doc

255  
00:11:48,710 --> 00:11:46,050  
held it the fly in Walmart okay it flew

256  
00:11:50,749 --> 00:11:48,720  
across them and went out of sight then

257  
00:11:54,230 --> 00:11:50,759  
it turned around and then it came back

258  
00:11:55,490 --> 00:11:54,240  
and had a couple of jets chasing it okay

259  
00:11:57,110 --> 00:11:55,500  
oh they just went on out of sight so

260  
00:11:59,329 --> 00:11:57,120  
that's that's what they saw and and that

261  
00:12:05,360 --> 00:11:59,339  
report alone got a lot of people stirred

262  
00:12:06,260 --> 00:12:05,370  
up so we basically asked anybody this

263  
00:12:09,290 --> 00:12:06,270

had a UFO

264

00:12:13,460 --> 00:12:09,300

you'll come down and report it and about

265

00:12:15,200 --> 00:12:13,470

500 people did and mahad's

266

00:12:17,990 --> 00:12:15,210

we had about six investigators maybe

267

00:12:20,690 --> 00:12:18,000

seven and they stayed busy for the rest

268

00:12:25,390 --> 00:12:20,700

of the day second reports but these

269

00:12:28,160 --> 00:12:25,400

reports were twenty to thirty years old

270

00:12:32,150 --> 00:12:28,170

so you have to ask yourself what the

271

00:12:34,100 --> 00:12:32,160

world's going on down there that so many

272

00:12:38,740 --> 00:12:34,110

people haven't so many reports you know

273

00:12:41,240 --> 00:12:38,750

so many times so as we got into it we

274

00:12:44,540 --> 00:12:41,250

discovered that the entire area around

275

00:12:47,330 --> 00:12:44,550

Stephenville and Dublin is a military

276

00:12:50,120 --> 00:12:47,340

operating zone so in other words that's

277

00:12:52,040 --> 00:12:50,130

where all the Jets go to play okay and

278

00:12:54,710 --> 00:12:52,050

play play war and all that kind of thing

279

00:12:56,480 --> 00:12:54,720

and then with the deeper we got into it

280

00:12:59,210 --> 00:12:56,490

we say the people say they're signing

281

00:13:01,280 --> 00:12:59,220

everything your lights and balls and

282

00:13:04,220 --> 00:13:01,290

orbs and of course anything that's

283

00:13:07,730 --> 00:13:04,230

around light is an orb and I hate the

284

00:13:09,680 --> 00:13:07,740

word orbit but we're constantly seeing

285

00:13:11,420 --> 00:13:09,690

these things and they're constantly

286

00:13:13,730 --> 00:13:11,430

reporting these things and that's when

287

00:13:15,800 --> 00:13:13,740

we discovered there's only about 9000

288

00:13:18,710 --> 00:13:15,810

different types of airplane flares that

289

00:13:21,020 --> 00:13:18,720

they can drop so you know most of the

290

00:13:24,320 --> 00:13:21,030

stuff I believe was just aircraft

291

00:13:27,890 --> 00:13:24,330

operating around and dropping flares and

292

00:13:30,110 --> 00:13:27,900

you know plane to plane contact and just

293

00:13:34,760 --> 00:13:30,120

on and on and on until the flying

294

00:13:36,860 --> 00:13:34,770

Walmart comes in and what's exceptional

295

00:13:40,330 --> 00:13:36,870

about the flying Walmart is it's just

296

00:13:45,010 --> 00:13:40,340

one night it flew over very slowly over

297

00:13:48,040 --> 00:13:45,020

downtown Stephenville and at that time

298

00:13:50,990 --> 00:13:48,050

for police officers for Stephenville

299

00:13:52,670 --> 00:13:51,000

sighted it and they were in different

300

00:13:56,330 --> 00:13:52,680

positions around Steve we really weren't

301  
00:13:58,490 --> 00:13:56,340  
together and Manta CAC Congress get

302  
00:14:00,680 --> 00:13:58,500  
these guys to come up and say what they

303  
00:14:01,640 --> 00:14:00,690  
were talking about but they were afraid

304  
00:14:04,850 --> 00:14:01,650  
they were gonna get fired

305  
00:14:06,920 --> 00:14:04,860  
do you like kind of thing but I don't

306  
00:14:09,380 --> 00:14:06,930  
know what the flying Walmart is or why

307  
00:14:13,400 --> 00:14:09,390  
and I've always said that I think it's

308  
00:14:15,580 --> 00:14:13,410  
ours because I don't know that that I

309  
00:14:20,570 --> 00:14:15,590  
just find it hard to believe that an

310  
00:14:24,030 --> 00:14:20,580  
intelligent race from some multi

311  
00:14:25,710 --> 00:14:24,040  
billion-dollar miles away

312  
00:14:28,050 --> 00:14:25,720  
you want to fly the only thing they have

313  
00:14:32,340 --> 00:14:28,060

to get back home over an area where the

314

00:14:35,220 --> 00:14:32,350

planet or rate of apes have so just I

315

00:14:38,269 --> 00:14:35,230

just love ours just my opinion

316

00:14:40,920 --> 00:14:38,279

understood understood now one of those

317

00:14:42,540 --> 00:14:40,930

one of those folks sir who did come

318

00:14:46,949 --> 00:14:42,550

forward at least a little bit

319

00:14:49,829 --> 00:14:46,959

anonymously was a guy named officer X so

320

00:14:51,210 --> 00:14:49,839

he didn't go on the record okay and how

321

00:14:52,889 --> 00:14:51,220

can you describe to the folks a little

322

00:14:54,600 --> 00:14:52,899

bit about what he saw I mean he saw

323

00:14:57,240 --> 00:14:54,610

something really big flying I guess

324

00:14:59,850 --> 00:14:57,250

right over at the County Courthouse as I

325

00:15:02,460 --> 00:14:59,860

recall yes it was what I called the

326

00:15:05,280 --> 00:15:02,470

flying Walmart it's the the object that

327

00:15:07,260 --> 00:15:05,290

I have a artist's conception of that

328

00:15:12,150 --> 00:15:07,270

thing around here in my locker here

329

00:15:14,750 --> 00:15:12,160

somewhere and but it was a large object

330

00:15:17,519 --> 00:15:14,760

one mile by half a mile and it also had

331

00:15:19,290 --> 00:15:17,529

I don't you call them stanchions or

332

00:15:20,970 --> 00:15:19,300

extensions or we're going to call coming

333

00:15:23,329 --> 00:15:20,980

out of the superstructure on own from

334

00:15:25,920 --> 00:15:23,339

the middle on both ends both sides and

335

00:15:28,050 --> 00:15:25,930

he described this thing as going slowly

336

00:15:32,360 --> 00:15:28,060

over like you're talking about right

337

00:15:35,699 --> 00:15:32,370

over downtown and then it it turned

338

00:15:41,130 --> 00:15:35,709

inverted up 90 degrees and then just

339

00:15:43,980 --> 00:15:41,140

took off now did his sighting correlate

340

00:15:46,800 --> 00:15:43,990

with Steve Allen's was it at the same

341

00:15:48,120 --> 00:15:46,810

time or they they they got together and

342

00:15:49,920 --> 00:15:48,130

talked about that and it was similar yes

343

00:15:52,230 --> 00:15:49,930

but Steve Allen's he wasn't close enough

344

00:15:54,030 --> 00:15:52,240

all he could see was lights right but

345

00:15:56,040 --> 00:15:54,040

what I mean is do they correlate

346

00:15:58,110 --> 00:15:56,050

timewise you know did they see the same

347

00:16:00,350 --> 00:15:58,120

thing at the same time times okay look

348

00:16:03,420 --> 00:16:00,360

at times different times different days

349

00:16:06,540 --> 00:16:03,430

got it got it and there was another key

350

00:16:08,640 --> 00:16:06,550

witness to that case who claimed that he

351

00:16:10,920 --> 00:16:08,650

got a as a matter of fact his pictures

352

00:16:14,130 --> 00:16:10,930

up right now well on the slideshow so

353

00:16:16,290 --> 00:16:14,140

I'll bring him up now he got a according

354

00:16:19,650 --> 00:16:16,300

to him a daytime sighting pretty

355

00:16:24,660 --> 00:16:19,660

up-close of apparently the same object a

356

00:16:25,920 --> 00:16:24,670

guy named Ricky Sorrels and yes I don't

357

00:16:29,519 --> 00:16:25,930

know if it was the same object or not

358

00:16:32,640 --> 00:16:29,529

but he was out deer hunting if you want

359

00:16:33,689 --> 00:16:32,650

to call it that and he was walking along

360

00:16:36,150 --> 00:16:33,699

walking on walking on

361

00:16:38,069 --> 00:16:36,160

suddeniy just kind of looked up and he

362

00:16:40,199 --> 00:16:38,079

looked up and he was kind of you know

363

00:16:43,739 --> 00:16:40,209

shocked and surprised and there's this

364

00:16:45,989 --> 00:16:43,749

large object above him pretty close he

365

00:16:47,999 --> 00:16:45,999

said it was so close and so that he

366

00:16:50,429 --> 00:16:48,009

looked to the to the trying to find the

367

00:16:53,400 --> 00:16:50,439

edges of this thing and he couldn't find

368

00:16:57,659 --> 00:16:53,410

the edges of it but it wasn't an oblong

369

00:17:00,659 --> 00:16:57,669

it was a round object and he looked

370

00:17:03,539 --> 00:17:00,669

through his scope I did not I don't know

371

00:17:06,120 --> 00:17:03,549

if I would have done that or not but

372

00:17:08,429 --> 00:17:06,130

there's riflescope you mean so important

373

00:17:10,079 --> 00:17:08,439

you gotta you gotta point the gun at the

374

00:17:12,720 --> 00:17:10,089

thing in order to walk through the scope

375

00:17:13,590 --> 00:17:12,730

to see it that's right I'm sayin I don't

376

00:17:15,689 --> 00:17:13,600

know if that would have been a smart

377

00:17:17,460 --> 00:17:15,699

idea but anyway he did that and he was

378

00:17:19,259 --> 00:17:17,470

getting a close look and he he said he

379

00:17:22,019 --> 00:17:19,269

could see rivets and seams and stuff

380

00:17:24,269 --> 00:17:22,029

like that and and he saw some other

381

00:17:25,949 --> 00:17:24,279

things that he hasn't confessed to me

382

00:17:28,649 --> 00:17:25,959

about but I found loud later and I'm not

383

00:17:32,159 --> 00:17:28,659

gonna mention that but but that cuz

384

00:17:34,379 --> 00:17:32,169

that's not common knowledge but then he

385

00:17:37,379 --> 00:17:34,389

said it he said it took off and he said

386

00:17:39,120 --> 00:17:37,389

if it had taken off as he blinked his

387

00:17:41,250 --> 00:17:39,130

eye he would have missed it that's how

388

00:17:45,269 --> 00:17:41,260

fast it took off okay okay

389

00:17:49,350 --> 00:17:45,279

and later on fellow associated with

390

00:17:54,870 --> 00:17:49,360

MUFON Robert Powell was able to get hold

391

00:17:57,000 --> 00:17:54,880

of a radar report that basically are

392

00:17:59,159 --> 00:17:57,010

correlated to some of the sightings and

393

00:18:02,250 --> 00:17:59,169

according to his findings in the paper

394

00:18:05,610 --> 00:18:02,260

that he wrote up that this object was

395

00:18:10,259 --> 00:18:05,620

about 500 feet across and traveling at

396

00:18:11,850 --> 00:18:10,269

2,000 miles an hour this this happened a

397

00:18:13,470 --> 00:18:11,860

little bit after the fact I guess after

398

00:18:16,110 --> 00:18:13,480

the hubbub had died down a little bit

399

00:18:17,639 --> 00:18:16,120

but he was able to get that and Kenya

400

00:18:21,299 --> 00:18:17,649

you tell the folks a little bit more

401  
00:18:25,740 --> 00:18:21,309  
about that well I never did read the

402  
00:18:27,000 --> 00:18:25,750  
report because it's too long and I

403  
00:18:28,289 --> 00:18:27,010  
didn't want to take the time to read it

404  
00:18:29,610 --> 00:18:28,299  
I mean a lot of people have read it and

405  
00:18:33,180 --> 00:18:29,620  
they said yeah okay that's pretty cool

406  
00:18:35,190 --> 00:18:33,190  
on this kind of thing but you know when

407  
00:18:39,180 --> 00:18:35,200  
you do a radar report yeah I have no

408  
00:18:40,350 --> 00:18:39,190  
idea how to decipher one of them but you

409  
00:18:43,790 --> 00:18:40,360  
know that if that's what they found

410  
00:18:51,350 --> 00:18:47,570  
okay and also the the media that came

411  
00:18:53,000 --> 00:18:51,360  
down I mean Larry King came down and I

412  
00:18:55,430 --> 00:18:53,010  
did interviews it did you get to meet

413  
00:18:58,060 --> 00:18:55,440

Larry King and all that no that was on a

414

00:19:04,160 --> 00:18:58,070

separate day okay okay

415

00:19:08,060 --> 00:19:04,170

and so finally yeah you think most of

416

00:19:10,720 --> 00:19:08,070

these were unidentified enta fication x'

417

00:19:13,790 --> 00:19:10,730

but there are a couple of legitimately

418

00:19:16,100 --> 00:19:13,800

interesting sightings in there yes I do

419

00:19:20,150 --> 00:19:16,110

there was one one case I want to bring

420

00:19:24,020 --> 00:19:20,160

up this one person said they saw four

421

00:19:26,060 --> 00:19:24,030

lights they weren't moving and they were

422

00:19:28,520 --> 00:19:26,070

stacked on top of each other you know I

423

00:19:30,710 --> 00:19:28,530

one two three four right and I'm said

424

00:19:34,100 --> 00:19:30,720

well what in the world could that be no

425

00:19:35,270 --> 00:19:34,110

idea and I'm thinking flares you know

426

00:19:37,480 --> 00:19:35,280

that kind of thing but there's one night

427

00:19:42,760 --> 00:19:37,490

I was coming back from Stephenville and

428

00:19:47,390 --> 00:19:42,770

I just happened to go just south of the

429

00:19:49,100 --> 00:19:47,400

airbase out here and in Lake Worth it

430

00:19:51,260 --> 00:19:49,110

used to be a sac base but they took all

431

00:19:54,680 --> 00:19:51,270

the b-52s out and that made me sad that

432

00:19:57,290 --> 00:19:54,690

day I love those b-52s but I just I was

433

00:19:58,670 --> 00:19:57,300

driving by the by the south and free

434

00:20:03,440 --> 00:19:58,680

when I looked over just kind of glanced

435

00:20:08,480 --> 00:20:03,450

over and I saw four stacked lights north

436

00:20:10,070 --> 00:20:08,490

of the runway and what that is is four

437

00:20:12,110 --> 00:20:10,080

planes approaching with their landing

438

00:20:13,880 --> 00:20:12,120

light on right right right

439

00:20:15,530 --> 00:20:13,890

when they're coming right at you they're

440

00:20:17,210 --> 00:20:15,540

looking like they're yours right and

441

00:20:19,880 --> 00:20:17,220

when the landing lights are on they have

442

00:20:24,860 --> 00:20:19,890

a tendency to wash out the nav lights so

443

00:20:26,150 --> 00:20:24,870

you can right then I was driving I

444

00:20:29,240 --> 00:20:26,160

couldn't get a picture of it which I

445

00:20:31,100 --> 00:20:29,250

will but anyway that's that's what that

446

00:20:33,020 --> 00:20:31,110

was these planes out here they get to

447

00:20:34,670 --> 00:20:33,030

practicing doing everything so why not

448

00:20:36,380 --> 00:20:34,680

practice a run on something with a

449

00:20:38,720 --> 00:20:36,390

riling landing as I said that's that's

450

00:20:41,480 --> 00:20:38,730

what that is right right yeah yeah I

451  
00:20:43,730 --> 00:20:41,490  
happened to see a couple of planes are

452  
00:20:46,340 --> 00:20:43,740  
flying parallel to one other one another

453  
00:20:48,470 --> 00:20:46,350  
one night and they were flashing their

454  
00:20:50,780 --> 00:20:48,480  
landing lights back and forth and it's

455  
00:20:52,460 --> 00:20:50,790  
very difficult I mean you've really got

456  
00:20:54,530 --> 00:20:52,470  
to watch for a while and because those

457  
00:20:56,300 --> 00:20:54,540  
landing lights are so bright they they

458  
00:20:57,920 --> 00:20:56,310  
do have a tendency to

459  
00:20:59,480 --> 00:20:57,930  
skew your vision a little bit and not be

460  
00:21:02,270 --> 00:20:59,490  
able to pick up things like the nav

461  
00:21:04,520 --> 00:21:02,280  
lights and it can look for all the world

462  
00:21:06,230 --> 00:21:04,530  
like there's one giant object unless

463  
00:21:09,080 --> 00:21:06,240

you're really looking carefully and

464

00:21:10,730 --> 00:21:09,090

you're fairly close it's a it's an

465

00:21:12,260 --> 00:21:10,740

interesting phenomenon it's a good to be

466

00:21:15,530 --> 00:21:12,270

aware of it if yeah you're looking for

467

00:21:18,440 --> 00:21:15,540

UFOs so at the end of the day Steve how

468

00:21:21,320 --> 00:21:18,450

many of the we've got what just one or

469

00:21:23,690 --> 00:21:21,330

two or three or four really good

470

00:21:26,090 --> 00:21:23,700

sightings within this larger case and

471

00:21:29,920 --> 00:21:26,100

the rest of them are misidentifications

472

00:21:38,330 --> 00:21:36,380

okay okay okay okay got it and right

473

00:21:40,910 --> 00:21:38,340

right understand you you tend to think

474

00:21:42,530 --> 00:21:40,920

it's one of ourselves well the only

475

00:21:44,960 --> 00:21:42,540

reason I think that is because it's

476  
00:21:47,690 --> 00:21:44,970  
flying around an area with jets that

477  
00:21:50,570 --> 00:21:47,700  
have bombs and missiles and you know

478  
00:21:52,280 --> 00:21:50,580  
what take a chance on these like I said

479  
00:21:54,500 --> 00:21:52,290  
and the Apes

480  
00:22:04,060 --> 00:21:54,510  
right right right without a lot of guys

481  
00:22:06,410 --> 00:22:04,070  
with scope hunting right okay and

482  
00:22:09,680 --> 00:22:06,420  
finally one thing that I find especially

483  
00:22:11,930 --> 00:22:09,690  
interesting in this case is of course we

484  
00:22:14,450 --> 00:22:11,940  
know all about that to the Stars Academy

485  
00:22:16,910 --> 00:22:14,460  
and this ATM program and it is the one

486  
00:22:20,650 --> 00:22:16,920  
exceptionally well known case that

487  
00:22:25,030 --> 00:22:20,660  
happened during this a tip time frame of

488  
00:22:27,770 --> 00:22:25,040

you know late 2000s into the teens and

489

00:22:29,540 --> 00:22:27,780

apparently I was able to ask George

490

00:22:32,570 --> 00:22:29,550

Knapp about this so when he had a little

491

00:22:35,900 --> 00:22:32,580

AMA over at coast to coast and I did ask

492

00:22:38,900 --> 00:22:35,910

him did a tip look at this case at all

493

00:22:40,610 --> 00:22:38,910

and he said he that it was investigated

494

00:22:43,250 --> 00:22:40,620

by the military but he wasn't sure if it

495

00:22:45,050 --> 00:22:43,260

was a tip or offset and so he did

496

00:22:47,240 --> 00:22:45,060

confirm that and do you have any

497

00:22:49,250 --> 00:22:47,250

thoughts on that do you know about the

498

00:22:52,370 --> 00:22:49,260

government itself looking at any of

499

00:22:56,060 --> 00:22:52,380

these sightings I love it when someone

500

00:22:58,430 --> 00:22:56,070

asked my opinion well I just did there

501  
00:22:58,940 --> 00:22:58,440  
you go I will give it okay I'll look at

502  
00:23:01,010 --> 00:22:58,950  
it this way

503  
00:23:02,330 --> 00:23:01,020  
anybody that's part of the government or

504  
00:23:03,560 --> 00:23:02,340  
works with the government or has worked

505  
00:23:05,750 --> 00:23:03,570  
with the government if they come right

506  
00:23:07,100 --> 00:23:05,760  
out of the gate oh hey look at this

507  
00:23:08,600 --> 00:23:07,110  
here's what they're hiding in there blah

508  
00:23:09,190 --> 00:23:08,610  
blah blah blah I have no credibility

509  
00:23:12,670 --> 00:23:09,200  
with that

510  
00:23:17,410 --> 00:23:12,680  
whatsoever because it's it's it's a

511  
00:23:18,910 --> 00:23:17,420  
government secret for a reason and

512  
00:23:22,510 --> 00:23:18,920  
that's just the way I'm going to leave

513  
00:23:24,880 --> 00:23:22,520

it all right all right well that as far

514

00:23:26,140 --> 00:23:24,890

as Stephenville anything else a you want

515

00:23:28,510 --> 00:23:26,150

to add that I didn't ask you about

516

00:23:30,970 --> 00:23:28,520

regarding Stephenville yes there's a

517

00:23:33,850 --> 00:23:30,980

little known incident happened almost a

518

00:23:35,850 --> 00:23:33,860

year later okay Stephen bill and I

519

00:23:39,700 --> 00:23:35,860

haven't made much heyday about it

520

00:23:41,980 --> 00:23:39,710

because back in that day I was getting

521

00:23:43,600 --> 00:23:41,990

phone calls all during the night and I

522

00:23:45,970 --> 00:23:43,610

was having to do interviews at 5:30 in

523

00:23:47,410 --> 00:23:45,980

the morning and it was the same thing

524

00:23:51,010 --> 00:23:47,420

over and over and over and over Dover

525

00:23:52,030 --> 00:23:51,020

and I just got caught tired of doing it

526

00:23:54,180 --> 00:23:52,040

if you know what I mean

527

00:23:57,280 --> 00:23:54,190

sure sure he's over now yes we had a

528

00:23:59,620 --> 00:23:57,290

striking incident and I think it was

529

00:24:01,930 --> 00:23:59,630

November to December with about six

530

00:24:02,950 --> 00:24:01,940

different people and one night are

531

00:24:05,440 --> 00:24:02,960

scattered all the way across

532

00:24:08,860 --> 00:24:05,450

Stephenville okay and we even have a

533

00:24:12,220 --> 00:24:08,870

radar report okay and it was a very

534

00:24:14,020 --> 00:24:12,230

striking and no one wanted that they all

535

00:24:16,900 --> 00:24:14,030

wanted to be anonymous I read every one

536

00:24:20,620 --> 00:24:16,910

of them and so that's the way I've left

537

00:24:23,050 --> 00:24:20,630

it we still do we still don't know what

538

00:24:26,350 --> 00:24:23,060

it was it's not an object okay where

539

00:24:28,980 --> 00:24:26,360

what did he see just an object written

540

00:24:32,920 --> 00:24:28,990

from Leslie was going from east to west

541

00:24:34,500 --> 00:24:32,930

and then turned and went north anything

542

00:24:37,900 --> 00:24:34,510

unusual about the flight characteristics

543

00:24:39,490 --> 00:24:37,910

high speed if just like an airplane and

544

00:24:41,170 --> 00:24:39,500

I'm thinking maybe it was an airplane

545

00:24:43,030 --> 00:24:41,180

okay okay I'll look at flight

546

00:24:43,480 --> 00:24:43,040

characteristics if it flies like ours

547

00:24:45,700 --> 00:24:43,490

it's ours

548

00:24:48,400 --> 00:24:45,710

okay understood understood all right and

549

00:24:50,860 --> 00:24:48,410

so you were already in position

550

00:24:52,510 --> 00:24:50,870

obviously to investigate this case so

551  
00:24:54,220 --> 00:24:52,520  
you're already involved and move on so

552  
00:24:56,560 --> 00:24:54,230  
why don't you tell us a little bit about

553  
00:24:58,540 --> 00:24:56,570  
you know why you got that involved in

554  
00:25:00,310 --> 00:24:58,550  
the organization in the first place

555  
00:25:04,000 --> 00:25:00,320  
what's your interest in all this hold on

556  
00:25:07,270 --> 00:25:04,010  
I have a series of questions asked yeah

557  
00:25:09,430 --> 00:25:07,280  
all right so let me go ahead and before

558  
00:25:11,920 --> 00:25:09,440  
we ask that question that I plan on

559  
00:25:13,540 --> 00:25:11,930  
asking you Steve I wanted to ask you

560  
00:25:16,210 --> 00:25:13,550  
something that you've already gone over

561  
00:25:18,400 --> 00:25:16,220  
but I wanted to ask you again to review

562  
00:25:20,860 --> 00:25:18,410  
this topic and that is you think the

563  
00:25:22,659 --> 00:25:20,870

Stephenville lights but correct me if

564

00:25:24,669 --> 00:25:22,669

I'm if I'm wrong you

565

00:25:27,580 --> 00:25:24,679

you think the Stephenville lights event

566

00:25:32,109 --> 00:25:27,590

could have been one of ours does that

567

00:25:35,320 --> 00:25:32,119

mean DARPA or some Department of the US

568

00:25:36,970 --> 00:25:35,330

government built a craft or crafts that

569

00:25:40,690 --> 00:25:36,980

are using technology that is not

570

00:25:42,609 --> 00:25:40,700

recognized publicly or acknowledged or

571

00:25:44,859 --> 00:25:42,619

being shared about publicly by the US

572

00:25:46,899 --> 00:25:44,869

government I'm glad you asked me that

573

00:25:50,169 --> 00:25:46,909

because I can answer it I cannot answer

574

00:25:52,680 --> 00:25:50,179

that but I'll answer it this way with a

575

00:25:58,029 --> 00:25:52,690

series of questions for you and Frank

576  
00:26:01,570 --> 00:25:58,039  
how long was a man in an animal drawn

577  
00:26:09,330 --> 00:26:01,580  
vehicle you know what an animal drawn

578  
00:26:12,820 --> 00:26:09,340  
vehicle I would guess a few thousand

579  
00:26:16,720 --> 00:26:12,830  
five to ten thousand years estimated at

580  
00:26:19,690 --> 00:26:16,730  
2,500 years okay now from the time that

581  
00:26:22,509 --> 00:26:19,700  
man stepped off of the animal drawn

582  
00:26:25,379 --> 00:26:22,519  
vehicle and stepped onto the moon how

583  
00:26:28,570 --> 00:26:25,389  
many years is that a little more than 50

584  
00:26:34,869 --> 00:26:28,580  
yes that's just about right about 55 or

585  
00:26:37,090 --> 00:26:34,879  
60 now with that in mind why after a

586  
00:26:39,639 --> 00:26:37,100  
hundred and twenty years are we still

587  
00:26:49,720 --> 00:26:39,649  
getting 21 miles to a gallon in our cars

588  
00:26:51,460 --> 00:26:49,730

I could insert some conspiracy theories

589

00:26:54,099 --> 00:26:51,470

about that like apparently there is an

590

00:26:55,659 --> 00:26:54,109

electric vehicle long before electric

591

00:26:57,909 --> 00:26:55,669

vehicles came out that was taken off the

592

00:27:02,710 --> 00:26:57,919

market by the folks who made electric

593

00:27:06,489 --> 00:27:02,720

vehicle electric vehicles are not really

594

00:27:09,220 --> 00:27:06,499

feasible because you can go home tonight

595

00:27:13,269 --> 00:27:09,230

and if everyone plugged in their toaster

596

00:27:14,889 --> 00:27:13,279

you shut the grid down I understand that

597

00:27:17,859 --> 00:27:14,899

I'm just saying that that question could

598

00:27:19,810 --> 00:27:17,869

be answered in many different ways so so

599

00:27:22,749 --> 00:27:19,820

my question to you again is I'm going to

600

00:27:25,450 --> 00:27:22,759

ask it again you think this even though

601  
00:27:29,259 --> 00:27:25,460  
lights event could have been one of ours

602  
00:27:32,080 --> 00:27:29,269  
if incorrect please correct me does that

603  
00:27:34,899 --> 00:27:32,090  
mean DARPA or some Department of our

604  
00:27:37,049 --> 00:27:34,909  
government US government built a craft

605  
00:27:43,410 --> 00:27:37,059  
or crafts

606  
00:27:47,990 --> 00:27:43,420  
that are using technology that is not

607  
00:27:51,390 --> 00:27:48,000  
recognized publicly by our US government

608  
00:27:53,910 --> 00:27:51,400  
yes I believe it's a program of our own

609  
00:27:57,270 --> 00:27:53,920  
that's why we're 23 trillion dollars in

610  
00:28:00,810 --> 00:27:57,280  
debt and we're still getting 21 miles to

611  
00:28:02,280 --> 00:28:00,820  
a gallon in our cars mm-hmm and all the

612  
00:28:04,350 --> 00:28:02,290  
money and everything is being spent on

613  
00:28:08,120 --> 00:28:04,360

the secret space program and that's the

614

00:28:10,410 --> 00:28:08,130  
way I look at it and certainly I do

615

00:28:13,650 --> 00:28:10,420  
believe there's the possibility of

616

00:28:15,630 --> 00:28:13,660  
aliens from another planet in this vast

617

00:28:19,130 --> 00:28:15,640  
universe anyone that says no there isn't

618

00:28:24,330 --> 00:28:23,190  
I met one but it's very possible yeah

619

00:28:25,320 --> 00:28:24,340  
I'm glad you I'm glad you said that

620

00:28:27,030 --> 00:28:25,330  
because I was gonna be my next question

621

00:28:29,190 --> 00:28:27,040  
I just wanted to give an analogy

622

00:28:32,370 --> 00:28:29,200  
regarding how I feel about that topic

623

00:28:36,299 --> 00:28:32,380  
and then ask you agree with it so I I

624

00:28:38,430 --> 00:28:36,309  
myself cannot produce an an alien of any

625

00:28:42,450 --> 00:28:38,440  
kind an extraterrestrial of any kind to

626  
00:28:46,020 --> 00:28:42,460  
anyone however the reason why well the

627  
00:28:48,660 --> 00:28:46,030  
way I feel about the et topic is I this

628  
00:28:51,540 --> 00:28:48,670  
really and intuitively feel and through

629  
00:28:55,680 --> 00:28:51,550  
what I've read regarding science and

630  
00:29:00,120 --> 00:28:55,690  
more that the possibility of ETS are out

631  
00:29:03,000 --> 00:29:00,130  
there now how I feel about it is if you

632  
00:29:04,710 --> 00:29:03,010  
were to envision a mole the creature you

633  
00:29:07,140 --> 00:29:04,720  
know the animal going underneath the

634  
00:29:11,460 --> 00:29:07,150  
ground and just tunneling his way around

635  
00:29:15,450 --> 00:29:11,470  
the land and you see the evidence of it

636  
00:29:18,419 --> 00:29:15,460  
on top like that little hill of dirt

637  
00:29:21,270 --> 00:29:18,429  
that is produced by his movements that

638  
00:29:25,049 --> 00:29:21,280

to me sort of is a good metaphor for me

639

00:29:27,150 --> 00:29:25,059

anyway regarding the et topic you you

640

00:29:31,350 --> 00:29:27,160

know they're there you can't produce

641

00:29:33,510 --> 00:29:31,360

that mol / ETS but you feel like you see

642

00:29:35,790 --> 00:29:33,520

evidence or traces of it there after

643

00:29:39,360 --> 00:29:35,800

their having moved around or been there

644

00:29:43,520 --> 00:29:39,370

that idea do you agree with that met

645

00:29:46,140 --> 00:29:43,530

before yes I do okay now wanted to

646

00:29:47,970 --> 00:29:46,150

wanted to go for something that's a

647

00:29:50,250 --> 00:29:47,980

little contentious for some people but

648

00:29:53,520 --> 00:29:50,260

very interesting

649

00:29:56,700 --> 00:29:53,530

I like that you and I went over and that

650

00:29:58,350 --> 00:29:56,710

was the paranormal topic okay and that

651

00:30:00,780 --> 00:29:58,360

was first of all let's start with

652

00:30:01,799 --> 00:30:00,790

something before we go on to the

653

00:30:04,890 --> 00:30:01,809

paranormal topic

654

00:30:06,570 --> 00:30:04,900

you mentioned orbs and that you really

655

00:30:09,990 --> 00:30:06,580

despise that word can you tell our

656

00:30:15,560 --> 00:30:10,000

audience why you do because I've seen 10

657

00:30:19,039 --> 00:30:15,570

million photographs of lens flares dust

658

00:30:22,440 --> 00:30:19,049

reflections and they look like round

659

00:30:24,180 --> 00:30:22,450

blobs of light and when people see these

660

00:30:26,280 --> 00:30:24,190

in their photographs of course they

661

00:30:27,810 --> 00:30:26,290

don't see them until after they get the

662

00:30:29,850 --> 00:30:27,820

photograph and look at it because they

663

00:30:33,390 --> 00:30:29,860

don't see it from beginning and that's

664

00:30:34,950 --> 00:30:33,400

origin orbs the energy from my dead

665

00:30:37,409 --> 00:30:34,960

grandmother or something like that or

666

00:30:39,210 --> 00:30:37,419

it's a spy I guess the card alyssum of

667

00:30:42,000 --> 00:30:39,220

that no it's reflections it's dust this

668

00:30:44,400 --> 00:30:42,010

insects it's just stuff like that so I

669

00:30:47,760 --> 00:30:44,410

always say look if you gave if you have

670

00:30:50,430 --> 00:30:47,770

a photograph of an orb make sure you

671

00:30:53,520 --> 00:30:50,440

take it without the flash because the

672

00:30:54,960 --> 00:30:53,530

flash is you're dead dangerous that's

673

00:30:58,470 --> 00:30:54,970

the implement the implementer of the

674

00:31:01,530 --> 00:30:58,480

deal and we look at the FLIR and that's

675

00:31:02,850 --> 00:31:01,540

the information on your photo and if you

676

00:31:04,830 --> 00:31:02,860

took this without a flash hey you got

677

00:31:06,770 --> 00:31:04,840

something to talk about but otherwise

678

00:31:09,360 --> 00:31:06,780

and forget it

679

00:31:10,980 --> 00:31:09,370

okay um I wanted to talk to you about

680

00:31:14,039 --> 00:31:10,990

something that you and I have gone over

681

00:31:16,590 --> 00:31:14,049

before and that is the topic of the

682

00:31:18,810 --> 00:31:16,600

paranormal now the paranormal can

683

00:31:21,330 --> 00:31:18,820

encompass quite a few different topics

684

00:31:23,789 --> 00:31:21,340

so I'll just narrow it down let's just

685

00:31:26,940 --> 00:31:23,799

pretend there's an individual who is

686

00:31:28,740 --> 00:31:26,950

claiming that they have a haunting in

687

00:31:29,430 --> 00:31:28,750

their house now I want to make it clear

688

00:31:32,490 --> 00:31:29,440

to everybody

689

00:31:35,789 --> 00:31:32,500

MUFON does not investigate the

690

00:31:38,190 --> 00:31:35,799

paranormal regarding those kinds of

691

00:31:40,350 --> 00:31:38,200

things that's not something that they

692

00:31:43,919 --> 00:31:40,360

cover right Steve that's correct

693

00:31:46,799 --> 00:31:43,929

okay now just a personal hypothesis you

694

00:31:50,630 --> 00:31:46,809

may have about that and please correct

695

00:31:54,780 --> 00:31:50,640

me if I'm wrong is if an individual

696

00:31:58,289 --> 00:31:54,790

feels they are seeing something that

697

00:32:01,320 --> 00:31:58,299

could be considered an old antiquated

698

00:32:03,840 --> 00:32:01,330

word a Spectre a ghost having a haunting

699

00:32:06,419 --> 00:32:03,850

it either could be and I'm not

700

00:32:08,460 --> 00:32:06,429

you said this I am saying this it could

701  
00:32:11,130 --> 00:32:08,470  
be medication it could be because

702  
00:32:13,580 --> 00:32:11,140  
they're dehydrated they could be having

703  
00:32:16,470 --> 00:32:13,590  
a bipolar event or schizophrenic

704  
00:32:19,650 --> 00:32:16,480  
incident a related incident there could

705  
00:32:23,130 --> 00:32:19,660  
be some kind of undiagnosed mental

706  
00:32:25,320 --> 00:32:23,140  
illness an individual could have or they

707  
00:32:27,659 --> 00:32:25,330  
could really be seeing that now there's

708  
00:32:30,810 --> 00:32:27,669  
probably a wider variety of

709  
00:32:33,510 --> 00:32:30,820  
possibilities there that I'm producing

710  
00:32:35,690 --> 00:32:33,520  
as possibilities what do you think the

711  
00:32:39,029 --> 00:32:35,700  
possibilities are regarding a haunting

712  
00:32:41,760 --> 00:32:39,039  
everything you said okay I'll tell you

713  
00:32:45,149 --> 00:32:41,770

what I've never seen a UFO at all that I

714

00:32:50,610 --> 00:32:45,159

consider a UFO but I've had my share of

715

00:32:52,620 --> 00:32:50,620

paranormal events in that weird way you

716

00:32:55,590 --> 00:32:52,630

might want to ask why are you not a

717

00:32:59,640 --> 00:32:55,600

paranormal investigator well I don't

718

00:33:01,560 --> 00:32:59,650

think it's I don't think it is what you

719

00:33:02,130 --> 00:33:01,570

think it is I think it's something else

720

00:33:06,710 --> 00:33:02,140

entirely

721

00:33:10,500 --> 00:33:06,720

can you share with us what that is okay

722

00:33:13,200 --> 00:33:10,510

let's take for instance here's a little

723

00:33:13,649 --> 00:33:13,210

kid in the bed to sleep at night all

724

00:33:17,640 --> 00:33:13,659

right

725

00:33:19,529 --> 00:33:17,650

all of a sudden the kid wakes up looks

726

00:33:22,320 --> 00:33:19,539

up the foot of the bed and he sees his

727

00:33:24,000 --> 00:33:22,330

dead grandmother now this is nothing I

728

00:33:27,930 --> 00:33:24,010

don't want to miss using this as an

729

00:33:31,649 --> 00:33:27,940

example a dead relative and the relative

730

00:33:33,690 --> 00:33:31,659

is in a I don't know ghostly look

731

00:33:35,520 --> 00:33:33,700

whatever and it just looks around and

732

00:33:37,289 --> 00:33:35,530

looks at the kid and the kid kind of

733

00:33:40,560 --> 00:33:37,299

settles down because it recognizes if it

734

00:33:42,180 --> 00:33:40,570

is and either runs out of the room hey I

735

00:33:44,039 --> 00:33:42,190

see granny in here I'll never let it out

736

00:33:45,450 --> 00:33:44,049

of there some come over here go to bed

737

00:33:47,220 --> 00:33:45,460

with us yours having a nightmare and all

738

00:33:49,770 --> 00:33:47,230

that kind of thing okay let's put it in

739

00:33:52,409 --> 00:33:49,780

a different perspective the kid wakes up

740

00:33:55,320 --> 00:33:52,419

and looks at the foot of his bed and you

741

00:33:58,950 --> 00:33:55,330

season hailey and at the foot of his bed

742

00:34:02,399 --> 00:33:58,960

going through all of us stop off that

743

00:34:06,720 --> 00:34:02,409

kid's gonna freak out maybe die maybe

744

00:34:08,310 --> 00:34:06,730

jump on it you know so that's the way

745

00:34:12,780 --> 00:34:08,320

I'm looking at it now because we all

746

00:34:14,520 --> 00:34:12,790

know that aliens have mind control we

747

00:34:16,619 --> 00:34:14,530

all know that anybody has ever been

748

00:34:17,490 --> 00:34:16,629

abducted or even talked about it well I

749

00:34:19,590 --> 00:34:17,500

couldn't move

750

00:34:20,970 --> 00:34:19,600

flouted we did this and they looked

751

00:34:22,169 --> 00:34:20,980

right straight at me and I don't

752

00:34:24,600 --> 00:34:22,179

remember anything so they have

753

00:34:28,379 --> 00:34:24,610

mind-control now I'm going to couple

754

00:34:31,500 --> 00:34:28,389

that with Bigfoot and anything else

755

00:34:33,930 --> 00:34:31,510

that's paranormal in the bushes it's all

756

00:34:37,919 --> 00:34:33,940

mind control in my mind and reason I say

757

00:34:42,629 --> 00:34:37,929

that is because no one has ever come up

758

00:34:44,610 --> 00:34:42,639

with a Bigfoot or a fairy or a goblin or

759

00:34:45,840 --> 00:34:44,620

anything else you see out there no one

760

00:34:48,889 --> 00:34:45,850

has ever grabbed wouldn't by the neck

761

00:34:51,389 --> 00:34:48,899

and say hey here it is it's not there

762

00:34:53,850 --> 00:34:51,399

it's a figment of what you see in your

763

00:34:58,980 --> 00:34:53,860

mind and that's just the way I look at

764

00:35:02,240 --> 00:34:58,990

it I'm sorry okay yeah I can actually

765

00:35:05,100 --> 00:35:02,250

add to that there was an interesting

766

00:35:09,390 --> 00:35:05,110

interview that Stanton Friedman actually

767

00:35:11,160 --> 00:35:09,400

did with skeptic oh I believe and he

768

00:35:14,400 --> 00:35:11,170

actually said some pretty interesting

769

00:35:16,770 --> 00:35:14,410

things in that interview yeah and what

770

00:35:19,710 --> 00:35:16,780

Stanton Friedman said was he believed

771

00:35:25,620 --> 00:35:19,720

that using the Betty and Barney Hill

772

00:35:29,820 --> 00:35:25,630

case as an example that Barney actually

773

00:35:32,730 --> 00:35:29,830

had a telepathic incident that occurred

774

00:35:35,820 --> 00:35:32,740

and that was when he was being called to

775

00:35:37,980 --> 00:35:35,830

the craft telepathically and they just

776

00:35:40,200 --> 00:35:37,990

found it interesting in fact somebody

777

00:35:44,970 --> 00:35:40,210

pointed out to me that they felt that

778

00:35:47,910 --> 00:35:44,980

Stanton Friedman said he didn't believe

779

00:35:50,550 --> 00:35:47,920

that but if you look at that skeptical

780

00:35:52,500 --> 00:35:50,560

article he said he's convinced and that

781

00:35:56,190 --> 00:35:52,510

he does basically believe or he did

782

00:35:58,710 --> 00:35:56,200

rather that telepathy was possible now

783

00:36:02,070 --> 00:35:58,720

it's just interesting somebody of his

784

00:36:05,850 --> 00:36:02,080

stature who is sort of your iconic

785

00:36:07,740 --> 00:36:05,860

researcher believe that I think he

786

00:36:10,710 --> 00:36:07,750

believed it because after all the

787

00:36:13,680 --> 00:36:10,720

decades of research he did on the UFO

788

00:36:17,010 --> 00:36:13,690

topic and more it only made sense to

789

00:36:19,110 --> 00:36:17,020

come to that conclusion that if ETS are

790

00:36:22,260 --> 00:36:19,120

out there which I believe they are I

791

00:36:26,010 --> 00:36:22,270

know he believes they are out there and

792

00:36:29,370 --> 00:36:26,020

you do that it seems to make sense that

793

00:36:31,470 --> 00:36:29,380

mind control or telepath telepathy could

794

00:36:33,540 --> 00:36:31,480

be used now move

795

00:36:39,390 --> 00:36:33,550

along here wanted to ask you something

796

00:36:41,460 --> 00:36:39,400

else and that is going back to crap well

797

00:36:44,280 --> 00:36:41,470

let me let me just jump in here real

798

00:36:46,020 --> 00:36:44,290

quick and say I think people are leaping

799

00:36:48,870 --> 00:36:46,030

to that conclusion a little too quickly

800

00:36:50,609 --> 00:36:48,880

and that the technology might be at the

801  
00:36:53,880 --> 00:36:50,619  
root of some of these experiences as

802  
00:36:56,040 --> 00:36:53,890  
well advanced technology but that would

803  
00:36:58,710 --> 00:36:56,050  
still in essence be the ability to read

804  
00:37:01,730 --> 00:36:58,720  
someone's mind through technology not

805  
00:37:02,880 --> 00:37:01,740  
that through any sort of psychic ability

806  
00:37:05,550 --> 00:37:02,890  
okay

807  
00:37:11,730 --> 00:37:05,560  
well I I think that it's possible that

808  
00:37:14,099 --> 00:37:11,740  
through the evolution of just being that

809  
00:37:17,070 --> 00:37:14,109  
a being could possibly get to that state

810  
00:37:19,440 --> 00:37:17,080  
I don't think it's beyond the ability of

811  
00:37:21,359 --> 00:37:19,450  
of a human to do it either I think

812  
00:37:24,599 --> 00:37:21,369  
there's plenty of human related cases

813  
00:37:27,180 --> 00:37:24,609

where that's that appears to be the case

814

00:37:30,630 --> 00:37:27,190

that humans are capable of doing that at

815

00:37:33,990 --> 00:37:30,640

times yeah point to it to a point to a

816

00:37:36,930 --> 00:37:34,000

point but we've also had some leaps in

817

00:37:39,000 --> 00:37:36,940

our own technology since a lot of those

818

00:37:41,160 --> 00:37:39,010

ideas started being developed and

819

00:37:43,410 --> 00:37:41,170

floating around where we see more

820

00:37:45,420 --> 00:37:43,420

virtual reality that kind of thing so I

821

00:37:48,750 --> 00:37:45,430

don't think we should rule out the

822

00:37:50,550 --> 00:37:48,760

possibility that it could be completely

823

00:37:52,560 --> 00:37:50,560

technologically driven that's all I'm

824

00:37:54,690 --> 00:37:52,570

saying I agree with you and what do you

825

00:37:57,000 --> 00:37:54,700

think Steve well I'm not gonna rule that

826

00:37:58,890 --> 00:37:57,010

out either but nine times out of ten

827

00:38:01,530 --> 00:37:58,900

these aliens are nude there's no

828

00:38:04,590 --> 00:38:01,540

uniforms no equipment nothing plus they

829

00:38:07,260 --> 00:38:04,600

have a large brain capacity which makes

830

00:38:13,530 --> 00:38:07,270

it very feasible as far as I'm concerned

831

00:38:16,770 --> 00:38:13,540

and going back to humans and us we some

832

00:38:19,440 --> 00:38:16,780

of us claim to be remote viewers that

833

00:38:20,880 --> 00:38:19,450

falls right in the line and I always

834

00:38:23,510 --> 00:38:20,890

challenge someone when they say hey I

835

00:38:26,370 --> 00:38:23,520

can remove yes I good what am I wearing

836

00:38:28,109 --> 00:38:26,380

and that makes them so mad they can

837

00:38:29,580 --> 00:38:28,119

Steve you're nude you're nude like an

838

00:38:33,780 --> 00:38:29,590

alien what do you do put some clothes on

839

00:38:36,660 --> 00:38:33,790

what are you doing okay Steve do you

840

00:38:38,400 --> 00:38:36,670

think back to the crafts because I

841

00:38:41,070 --> 00:38:38,410

needed to ask you this question before I

842

00:38:43,260 --> 00:38:41,080

move on to the other questions I was

843

00:38:44,840 --> 00:38:43,270

going to ask you and that is do you

844

00:38:48,760 --> 00:38:44,850

think most or

845

00:38:52,220 --> 00:38:48,770

all of what looks like other kinds of

846

00:38:55,490 --> 00:38:52,230

well basically what is UFO to us an

847

00:38:57,770 --> 00:38:55,500

unknown or unfamiliar think could be

848

00:38:59,570 --> 00:38:57,780

ours then meaning the US government's or

849

00:39:02,210 --> 00:38:59,580

other first world governments around the

850

00:39:05,470 --> 00:39:02,220

world could it actually possibly be

851  
00:39:07,760 --> 00:39:05,480  
technology that has not been shared with

852  
00:39:11,360 --> 00:39:07,770  
public yes I do

853  
00:39:14,540 --> 00:39:11,370  
okay it's making it who's making it the

854  
00:39:17,060 --> 00:39:14,550  
single base program okay

855  
00:39:19,400 --> 00:39:17,070  
this is DARPA involved with that I have

856  
00:39:24,800 --> 00:39:19,410  
no idea okay I don't sit in on their

857  
00:39:28,490 --> 00:39:24,810  
board meetings you don't have an in

858  
00:39:28,700 --> 00:39:28,500  
there do you don't have anything like

859  
00:39:30,620 --> 00:39:28,710  
that

860  
00:39:33,140 --> 00:39:30,630  
right okay so I'm gonna go and get into

861  
00:39:35,830 --> 00:39:33,150  
the questions here I want to know Steve

862  
00:39:39,590 --> 00:39:35,840  
why did you get involved in UFO topic

863  
00:39:42,230 --> 00:39:39,600

well I've always been involved or

864

00:39:45,590 --> 00:39:42,240

interested in the UFO topic as well as

865

00:39:48,530 --> 00:39:45,600

Bigfoot and all this kind of crap as a

866

00:39:51,230 --> 00:39:48,540

kid a little kid I can remember reading

867

00:39:53,690 --> 00:39:51,240

the Inquirer newspaper a long time ago

868

00:39:55,610 --> 00:39:53,700

my grandmother subscribed to that she

869

00:39:57,110 --> 00:39:55,620

always had it around the house and I was

870

00:39:58,520 --> 00:39:57,120

always fascinated about the old Indian

871

00:40:00,050 --> 00:39:58,530

stories where the Bigfoot would come

872

00:40:03,140 --> 00:40:00,060

running out of the bushes and take the

873

00:40:04,670 --> 00:40:03,150

women back with them and I said well you

874

00:40:06,350 --> 00:40:04,680

know that's kid I said why they taking

875

00:40:08,960 --> 00:40:06,360

the women won't they take them into herd

876

00:40:11,120 --> 00:40:08,970

mill so that they were got an answer for

877

00:40:12,200 --> 00:40:11,130

that mm-hmm but that always fascinated

878

00:40:14,600 --> 00:40:12,210

me and I've always been hearing about

879

00:40:15,800 --> 00:40:14,610

Bigfoot and Loch Ness monster and all

880

00:40:17,900 --> 00:40:15,810

this kind of crap and I was reading

881

00:40:22,520 --> 00:40:17,910

anything and everything and of course

882

00:40:24,920 --> 00:40:22,530

UFOs was in there too and back in about

883

00:40:27,800 --> 00:40:24,930

1990 I think it was I was talking to my

884

00:40:29,990 --> 00:40:27,810

sister about US UFO report no it's not

885

00:40:33,820 --> 00:40:30,000

things she says you need to you need to

886

00:40:36,320 --> 00:40:33,830

be a member of MUFON I said what's that

887

00:40:38,510 --> 00:40:36,330

well the mutual UFO network I said never

888

00:40:40,400 --> 00:40:38,520

heard of it she says well you need to

889

00:40:42,470 --> 00:40:40,410

join and I said okay how do I do that

890

00:40:44,300 --> 00:40:42,480

she says well you have to be recommended

891

00:40:46,400 --> 00:40:44,310

I said I don't know anybody in their

892

00:40:49,100 --> 00:40:46,410

organization how come by Rica Mack Rica

893

00:40:50,870 --> 00:40:49,110

not be recommended she said well I know

894

00:40:52,610 --> 00:40:50,880

the state director in Oklahoma I'll get

895

00:40:54,470 --> 00:40:52,620

him to get you an application that's

896

00:40:58,100 --> 00:40:54,480

okay cool that was Chuck pine and

897

00:40:59,960 --> 00:40:58,110

Oklahoma and that's how I got in

898

00:41:01,880 --> 00:40:59,970

and I said alright man I'm gonna find

899

00:41:04,310 --> 00:41:01,890

out about UFO reports and all this kind

900

00:41:06,800 --> 00:41:04,320

of stuff and I joined I think it was

901  
00:41:09,140 --> 00:41:06,810  
like \$25 or 20 something like that and

902  
00:41:11,810 --> 00:41:09,150  
you get this journal every month then

903  
00:41:14,390 --> 00:41:11,820  
I'm reading about everything and and I

904  
00:41:17,870 --> 00:41:14,400  
never was called to a meeting there was

905  
00:41:19,250 --> 00:41:17,880  
no meetings going on and I was starting

906  
00:41:22,430 --> 00:41:19,260  
to get a little discouraged about that

907  
00:41:25,310 --> 00:41:22,440  
and getting ready to I forget this it's

908  
00:41:26,420 --> 00:41:25,320  
not any good and I said I'll tell you

909  
00:41:29,540 --> 00:41:26,430  
what I'm gonna I'm gonna become a field

910  
00:41:31,670 --> 00:41:29,550  
investigator and so the next time I read

911  
00:41:34,130 --> 00:41:31,680  
up to my my application I said I'm going

912  
00:41:36,740 --> 00:41:34,140  
to be a field investigator and they said

913  
00:41:39,320 --> 00:41:36,750

well you need to buy the manual so I

914

00:41:41,870 --> 00:41:39,330

said okay I think that was like \$25 so I

915

00:41:44,360 --> 00:41:41,880

bought that studied it and there's the

916

00:41:46,300 --> 00:41:44,370

test is right there in it in the in the

917

00:41:48,860 --> 00:41:46,310

manual there's a hundred question test

918

00:41:50,510 --> 00:41:48,870

so I took that and I passed it so hey

919

00:41:53,450 --> 00:41:50,520

I'm a field investigator now all right

920

00:41:56,210 --> 00:41:53,460

and never heard anything else is just

921

00:41:59,390 --> 00:41:56,220

the same old thing the manual every day

922

00:42:02,480 --> 00:41:59,400

every month and or the journal rather

923

00:42:03,800 --> 00:42:02,490

and I was about to get discouraged again

924

00:42:05,510 --> 00:42:03,810

because I was not getting any kind of

925

00:42:08,540 --> 00:42:05,520

reports nobody said hey come and look at

926  
00:42:10,490 --> 00:42:08,550  
this and nobody called me nothing so I

927  
00:42:14,000 --> 00:42:10,500  
was just about ready to throw the talion

928  
00:42:17,270 --> 00:42:14,010  
and I got a letter in the mail said hey

929  
00:42:18,890 --> 00:42:17,280  
we're gonna have a MUFON meeting over

930  
00:42:20,540 --> 00:42:18,900  
here someone so and over in Dallas and

931  
00:42:22,280 --> 00:42:20,550  
it's gonna be this time this day this

932  
00:42:26,150 --> 00:42:22,290  
kind of thing so I ran over there and

933  
00:42:29,030 --> 00:42:26,160  
all five of us showed up I'm looking

934  
00:42:32,570 --> 00:42:29,040  
around the room and I found out I was

935  
00:42:33,830 --> 00:42:32,580  
the only field investigator so I'm kind

936  
00:42:37,280 --> 00:42:33,840  
of setting down scratching my head on

937  
00:42:39,290 --> 00:42:37,290  
that one and a little known to me is

938  
00:42:43,310 --> 00:42:39,300

about the month before I first signed up

939

00:42:47,020 --> 00:42:43,320

to begin with the the MUFON meeting

940

00:42:50,360 --> 00:42:47,030

group that was there had a big fight and

941

00:42:51,770 --> 00:42:50,370

split up one went one way and one with

942

00:42:55,210 --> 00:42:51,780

the other direction and both directions

943

00:42:57,710 --> 00:42:55,220

were paranormal they all just scattered

944

00:42:58,040 --> 00:42:57,720

and so we had to begin again and start

945

00:43:03,950 --> 00:42:58,050

over

946

00:43:05,990 --> 00:43:03,960

he became a state director and and it

947

00:43:09,800 --> 00:43:06,000

took us several years to build that

948

00:43:11,720 --> 00:43:09,810

place up and you talk about signing

949

00:43:13,790 --> 00:43:11,730

reports there were very few

950

00:43:15,590 --> 00:43:13,800

foreign in between just to give you an

951

00:43:18,740 --> 00:43:15,600

example now this leads up to

952

00:43:23,480 --> 00:43:18,750

Stephenville to give an example on

953

00:43:27,040 --> 00:43:23,490

average Texas would get about two to

954

00:43:32,240 --> 00:43:27,050

three reports a month if that

955

00:43:33,800 --> 00:43:32,250

about the end of the year of 2007 I

956

00:43:37,099 --> 00:43:33,810

think it was or whatever the year before

957

00:43:39,170 --> 00:43:37,109

Stephenville honey was 2007 the report

958

00:43:42,230 --> 00:43:39,180

started picking up in November and

959

00:43:44,410 --> 00:43:42,240

December and then of course in January

960

00:43:47,090 --> 00:43:44,420

in February they were just off the scale

961

00:43:48,950 --> 00:43:47,100

and that's when the single girl thing

962

00:43:52,250 --> 00:43:48,960

hit there was just a lot of activity

963

00:43:54,440 --> 00:43:52,260

going on all of a sudden out of the norm

964

00:43:56,780 --> 00:43:54,450

and so we started picking up everything

965

00:43:59,720 --> 00:43:56,790

there but that's how I got him to move

966

00:44:00,800 --> 00:43:59,730

on okay and some of these questions are

967

00:44:02,840 --> 00:44:00,810

going to be the kind where you would

968

00:44:04,609 --> 00:44:02,850

expand upon them like you just did which

969

00:44:06,290 --> 00:44:04,619

I'm very glad you did thank you and then

970

00:44:07,970 --> 00:44:06,300

some are going to be very short one of

971

00:44:11,210 --> 00:44:07,980

those short questions I have for you is

972

00:44:12,800 --> 00:44:11,220

what it is a last UFO or MUFON related

973

00:44:16,390 --> 00:44:12,810

conference you've attended and how did

974

00:44:21,680 --> 00:44:16,400

that go the last one I attended was the

975

00:44:24,349 --> 00:44:21,690

alien Con in Dallas it was like the was

976

00:44:27,760 --> 00:44:24,359

that October November what was that said

977

00:44:29,930 --> 00:44:27,770

it was the end of last year okay and

978

00:44:32,210 --> 00:44:29,940

they flew mark heading in from

979

00:44:33,800 --> 00:44:32,220

headquarters and she was since I'm in

980

00:44:36,080 --> 00:44:33,810

Fort Worth she wanted me over helping

981

00:44:38,450 --> 00:44:36,090

her me and my wife and we ran the table

982

00:44:39,710 --> 00:44:38,460

there and it was I took my alien

983

00:44:44,030 --> 00:44:39,720

everybody's getting their photograph

984

00:44:45,470 --> 00:44:44,040

with them and they loved that people

985

00:44:49,340 --> 00:44:45,480

loved it man they loved that alien

986

00:44:51,260 --> 00:44:49,350

little kids alien that's wonderful

987

00:44:54,080 --> 00:44:51,270

are you allowed to say where you got

988

00:44:55,550 --> 00:44:54,090

that alien by the way yes I can tell you

989

00:44:59,630 --> 00:44:55,560

exactly where I got it is some kind of a

990

00:45:02,510 --> 00:44:59,640

funny story but uh the there was a

991

00:45:04,940 --> 00:45:02,520

couple of people that were dealers I

992

00:45:07,520 --> 00:45:04,950

guess you could call them dealers the

993

00:45:10,400 --> 00:45:07,530

the alien actually comes from is made in

994

00:45:13,700 --> 00:45:10,410

Australia and the company that makes it

995

00:45:15,349 --> 00:45:13,710

also makes dinosaurs for different parks

996

00:45:16,580 --> 00:45:15,359

and things they so they're they're good

997

00:45:18,200 --> 00:45:16,590

with sculptures and stuff so they say

998

00:45:21,200 --> 00:45:18,210

let's make an alien and see what happens

999

00:45:22,580 --> 00:45:21,210

so they started selling these things I

1000

00:45:24,630 --> 00:45:22,590

think they're like four hundred five

1001

00:45:28,890 --> 00:45:24,640

hundred dollars apiece

1002

00:45:30,870 --> 00:45:28,900

and it's what 800

1003

00:45:37,589 --> 00:45:30,880

oh it's 800 now my wife loves to correct

1004

00:45:38,130 --> 00:45:37,599

me please tell her we said hello Chan

1005

00:45:41,910 --> 00:45:38,140

said hello

1006

00:45:45,059 --> 00:45:41,920

she said hi but anyway this this guy

1007

00:45:46,289 --> 00:45:45,069

that I talked with on Facebook all the

1008

00:45:47,849 --> 00:45:46,299

time he says hey Steve

1009

00:45:50,069 --> 00:45:47,859

look at these alien sauce kind of thing

1010

00:45:51,299 --> 00:45:50,079

says I'm a guy that sells them and I'm a

1011

00:45:53,099 --> 00:45:51,309

dealer down here so we're good you can

1012

00:45:55,410 --> 00:45:53,109

post on my Facebook page and I'll

1013

00:45:58,890 --> 00:45:55,420

mention it in my radio show cuz I had

1014

00:46:01,819 --> 00:45:58,900

the Texas your radio show back there and

1015

00:46:05,549 --> 00:46:01,829

I did that for six years oh my god but

1016

00:46:07,049 --> 00:46:05,559

he says I said I said hey I'll ever ties

1017

00:46:08,880 --> 00:46:07,059

it for you it's okay good they call me

1018

00:46:10,440 --> 00:46:08,890

back in about a week hey Steve I got a

1019

00:46:12,539 --> 00:46:10,450

good deal for you and I said okay what

1020

00:46:14,069 --> 00:46:12,549

cuz Here I am making plans on hey when

1021

00:46:16,470 --> 00:46:14,079

income tax comes along I'm gonna buy one

1022

00:46:19,289 --> 00:46:16,480

of those aliens because I won't want and

1023

00:46:21,210 --> 00:46:19,299

he says the the company down in

1024

00:46:23,970 --> 00:46:21,220

Australia says if you put a good word in

1025

00:46:26,460 --> 00:46:23,980

on your radio show and and do a

1026  
00:46:29,460 --> 00:46:26,470  
testimonial on the website that they'll

1027  
00:46:32,819 --> 00:46:29,470  
give you one as oh my god alright yeah

1028  
00:46:34,769 --> 00:46:32,829  
I'll say anything they want me to say I

1029  
00:46:36,120 --> 00:46:34,779  
immediately went to their website and

1030  
00:46:37,410 --> 00:46:36,130  
just put all kinds of good stuff on

1031  
00:46:40,589 --> 00:46:37,420  
right I think it's still there to it

1032  
00:46:42,180 --> 00:46:40,599  
firmer right but he says I got another

1033  
00:46:43,890 --> 00:46:42,190  
good deal for you sir what's that he

1034  
00:46:46,920 --> 00:46:43,900  
says we got another dealer - it's on the

1035  
00:46:49,019 --> 00:46:46,930  
south side of Fort Worth so I drove 20

1036  
00:46:53,039 --> 00:46:49,029  
miles in the pickup and pick that stupid

1037  
00:46:55,319 --> 00:46:53,049  
thing up and drove it back gasps did you

1038  
00:46:59,670 --> 00:46:55,329

tell me you wanted an ET craft - that

1039

00:47:01,769 --> 00:46:59,680

would be great if they had okay so a

1040

00:47:03,870 --> 00:47:01,779

serious topic here wanted to ask you

1041

00:47:08,190 --> 00:47:03,880

about and tell me if I'm correct or not

1042

00:47:11,460 --> 00:47:08,200

but my assumption of MUFON when I think

1043

00:47:15,410 --> 00:47:11,470

about them is they investigate anything

1044

00:47:17,970 --> 00:47:15,420

et seemingly et related anything

1045

00:47:20,759 --> 00:47:17,980

ufo-related which to remind our

1046

00:47:23,609 --> 00:47:20,769

listeners as they do know so well it is

1047

00:47:25,710 --> 00:47:23,619

unidentified flying objects I think that

1048

00:47:29,009 --> 00:47:25,720

really should be actually be changed to

1049

00:47:30,870 --> 00:47:29,019

something else but anyway what UAP well

1050

00:47:33,390 --> 00:47:30,880

you know what I think I'd like to go

1051  
00:47:37,200 --> 00:47:33,400  
ahead and create a whole new acronym are

1052  
00:47:39,059 --> 00:47:37,210  
you guys ready for it go ahead

1053  
00:47:48,660 --> 00:47:39,069  
just remember I'm the person who coined

1054  
00:47:51,059 --> 00:47:48,670  
this whatever they are WTA WTS now that

1055  
00:47:52,859 --> 00:47:51,069  
sound might might sound super stupid but

1056  
00:47:57,230 --> 00:47:52,869  
I still think that would cover a lot

1057  
00:48:03,299 --> 00:47:57,240  
anyway but MUFON covers Forbes UFO

1058  
00:48:06,089 --> 00:48:03,309  
activity or UFOs is possible et whatever

1059  
00:48:08,130 --> 00:48:06,099  
is there anything else they cover so let

1060  
00:48:11,540 --> 00:48:08,140  
me ask you the question what topics do

1061  
00:48:16,680 --> 00:48:11,550  
field investigators or folks and MUFON

1062  
00:48:23,520 --> 00:48:16,690  
research and investigate we research UFO

1063  
00:48:24,510 --> 00:48:23,530

reports which covers abductions they're

1064

00:48:27,420 --> 00:48:24,520

the umbrella

1065

00:48:30,690 --> 00:48:27,430

so basically contact experiences good

1066

00:48:34,049 --> 00:48:30,700

bad or indifferent okay yes and can you

1067

00:48:38,490 --> 00:48:34,059

please let the folks know more about

1068

00:48:40,260 --> 00:48:38,500

orbs now you were very clear about what

1069

00:48:41,910 --> 00:48:40,270

you mentioned regarding orbs before

1070

00:48:45,720 --> 00:48:41,920

which was great thank you for doing that

1071

00:48:47,190 --> 00:48:45,730

but let's just say I'm Joe public and

1072

00:48:49,170 --> 00:48:47,200

and I come running to you and you're a

1073

00:48:52,109 --> 00:48:49,180

field investigator for MUFON and you're

1074

00:48:55,020 --> 00:48:52,119

assigned to my case and I say hey mr.

1075

00:48:57,990 --> 00:48:55,030

field investigator for MUFON I have

1076

00:49:00,630 --> 00:48:58,000

pictures of orbs and I've seen orbs like

1077

00:49:03,180 --> 00:49:00,640

actually seen them all around me what

1078

00:49:05,190 --> 00:49:03,190

what what are you gonna do you know as a

1079

00:49:09,660 --> 00:49:05,200

MUFON I'm going to say show me your

1080

00:49:12,120 --> 00:49:09,670

photographs oh video too by the way okay

1081

00:49:15,990 --> 00:49:12,130

and if it's a photograph you better show

1082

00:49:18,480 --> 00:49:16,000

me more boiler than war because I'm

1083

00:49:19,950 --> 00:49:18,490

gonna look at the whole role because if

1084

00:49:21,690 --> 00:49:19,960

you're faking something you don't be

1085

00:49:23,910 --> 00:49:21,700

faking it on that role or with a camera

1086

00:49:26,130 --> 00:49:23,920

or whatever and I'm gonna see it and

1087

00:49:28,020 --> 00:49:26,140

same thing with video video is as no

1088

00:49:31,620 --> 00:49:28,030

isn't really not much different than a

1089

00:49:34,260 --> 00:49:31,630

photograph I mean you can see strange

1090

00:49:37,109 --> 00:49:34,270

anomalies on your film just as you can

1091

00:49:38,490 --> 00:49:37,119

own your video oh you're up that same as

1092

00:49:41,940 --> 00:49:38,500

the video as you can in your film it's

1093

00:49:45,690 --> 00:49:41,950

the same thing yeah is that just 30 yeah

1094

00:49:49,859 --> 00:49:45,700

30 images per second that's all yes and

1095

00:49:51,240 --> 00:49:49,869

yeah that's true and to date I haven't

1096

00:49:53,400 --> 00:49:51,250

seen much at all that

1097

00:49:57,420 --> 00:49:53,410

well there's there's one photograph and

1098

00:49:59,339 --> 00:49:57,430

I I don't like talking about too much

1099

00:50:04,859 --> 00:49:59,349

because I company I can't pronounce the

1100

00:50:07,130 --> 00:50:04,869

word of the word sat but it's I had it

1101  
00:50:10,950 --> 00:50:07,140  
written down I can't find my paperwork

1102  
00:50:12,150 --> 00:50:10,960  
I've slept since then but anyway that's

1103  
00:50:13,950 --> 00:50:12,160  
the only one that I have ever seen I

1104  
00:50:16,890 --> 00:50:13,960  
thought was authentic and it was two

1105  
00:50:18,569 --> 00:50:16,900  
different photographs and this woman we

1106  
00:50:20,010 --> 00:50:18,579  
had her son out and sons out playing the

1107  
00:50:23,250 --> 00:50:20,020  
yard and in this thing floor was topped

1108  
00:50:24,990 --> 00:50:23,260  
for and she did you if the kid said

1109  
00:50:28,349 --> 00:50:25,000  
what's that she looked up she took two

1110  
00:50:30,420 --> 00:50:28,359  
photographs and it's a round object as a

1111  
00:50:32,970 --> 00:50:30,430  
three lights and triangle shape with a

1112  
00:50:35,190 --> 00:50:32,980  
red light that's offset and in the

1113  
00:50:39,150 --> 00:50:35,200

second photograph one of the white

1114

00:50:40,140 --> 00:50:39,160

lights changes to a red light so I'm

1115

00:50:43,559 --> 00:50:40,150

sitting there thinking to myself you

1116

00:50:45,240 --> 00:50:43,569

know if I'm faking photographs I don't

1117

00:50:47,430 --> 00:50:45,250

believe I would think to change the

1118

00:50:50,010 --> 00:50:47,440

color of that one red light to red light

1119

00:50:53,010 --> 00:50:50,020

just to be doing it I would just say

1120

00:51:01,230 --> 00:50:53,020

well here's the second photograph and so

1121

00:51:06,120 --> 00:51:04,350

well our benefactor I've looked those

1122

00:51:08,580 --> 00:51:06,130

are fake tears right that kind of

1123

00:51:10,980 --> 00:51:08,590

discouraged me but to date I have not

1124

00:51:14,220 --> 00:51:10,990

seen anything but you can demonstrate

1125

00:51:16,230 --> 00:51:14,230

there's uh there was a video that

1126  
00:51:20,460 --> 00:51:16,240  
someone took from way off they were out

1127  
00:51:22,200 --> 00:51:20,470  
in the sticks and it was like a crisp

1128  
00:51:23,550 --> 00:51:22,210  
line of trees on the left line of trees

1129  
00:51:25,410 --> 00:51:23,560  
on the right and it's got a valley type

1130  
00:51:27,210 --> 00:51:25,420  
thing in the middle and you see like

1131  
00:51:30,150 --> 00:51:27,220  
downtown I believe it was downtown here

1132  
00:51:34,860 --> 00:51:30,160  
stuffing and he's out in the field and

1133  
00:51:38,670 --> 00:51:34,870  
all of a sudden in his video he has all

1134  
00:51:42,240 --> 00:51:38,680  
these little objects flying around and

1135  
00:51:43,890 --> 00:51:42,250  
he says oh it's a bunch of spaceships

1136  
00:51:45,930 --> 00:51:43,900  
and there's they're invading and all

1137  
00:51:47,130 --> 00:51:45,940  
just making stuff up and I'm sitting

1138  
00:51:49,980 --> 00:51:47,140

there going to myself okay let's

1139

00:51:51,840 --> 00:51:49,990

reproduce this and I said because it was

1140

00:51:53,070 --> 00:51:51,850

a post on Facebook and I said well let's

1141

00:51:56,040 --> 00:51:53,080

reproduce this let's go to the same

1142

00:51:58,290 --> 00:51:56,050

place we'll put a camera 30 feet apart

1143

00:52:00,000 --> 00:51:58,300

pointing the same direction and I'll go

1144

00:52:01,620 --> 00:52:00,010

down here and I'll throw a rock and all

1145

00:52:03,180 --> 00:52:01,630

this grass and crap down here and that's

1146

00:52:04,560 --> 00:52:03,190

let's see what videos we get then

1147

00:52:05,820 --> 00:52:04,570

because are you gonna just start all the

1148

00:52:12,930 --> 00:52:05,830

bugs up because that's all it was is

1149

00:52:14,880 --> 00:52:12,940

bugs okay great so I wanted to go or

1150

00:52:17,160 --> 00:52:14,890

exif data very briefly and then move on

1151  
00:52:19,860 --> 00:52:17,170  
to the other questions and that is i'm

1152  
00:52:22,250 --> 00:52:19,870  
gonna let our our listeners know

1153  
00:52:26,670 --> 00:52:22,260  
something you already know and that is

1154  
00:52:30,270 --> 00:52:26,680  
exes exif data which is exif and that's

1155  
00:52:32,000 --> 00:52:30,280  
something that Steve has had to deal

1156  
00:52:35,580 --> 00:52:32,010  
with for decades now regarding

1157  
00:52:37,980 --> 00:52:35,590  
researching anything photo related it's

1158  
00:52:40,350 --> 00:52:37,990  
also sometimes referred to as metadata

1159  
00:52:42,900 --> 00:52:40,360  
it contains information such as aperture

1160  
00:52:45,510 --> 00:52:42,910  
shutter speed ISO focal length camera

1161  
00:52:47,430 --> 00:52:45,520  
model date the photo was taken and so

1162  
00:52:51,630 --> 00:52:47,440  
much more

1163  
00:52:55,590 --> 00:52:51,640

so that also lets folks like Steve

1164

00:52:57,750 --> 00:52:55,600

Hudgens and the MUFON organization know

1165

00:52:59,640 --> 00:52:57,760

when they're researching a photo or a

1166

00:53:01,950 --> 00:52:59,650

series of photos whether the photo has

1167

00:53:04,290 --> 00:53:01,960

been manipulated now I wanted to give

1168

00:53:06,360 --> 00:53:04,300

folks an example of a really neat way to

1169

00:53:09,060 --> 00:53:06,370

see if a photo has possibly been

1170

00:53:10,980 --> 00:53:09,070

manipulated and that doesn't mean it's

1171

00:53:13,050 --> 00:53:10,990

going to be the end-all to an answer

1172

00:53:15,000 --> 00:53:13,060

whether a photo has been manipulated

1173

00:53:17,640 --> 00:53:15,010

however but it's a neat thing to try

1174

00:53:21,420 --> 00:53:17,650

and that is if you go to one of many

1175

00:53:25,620 --> 00:53:21,430

online sites one is photo of forensics

1176  
00:53:26,970 --> 00:53:25,630  
comm s OTO forensics comm you can

1177  
00:53:29,160 --> 00:53:26,980  
actually go to a part of their site

1178  
00:53:31,470 --> 00:53:29,170  
where you can upload a picture which I

1179  
00:53:34,020 --> 00:53:31,480  
did right now Alejandro Rojas I went

1180  
00:53:37,530 --> 00:53:34,030  
ahead and uploaded his picture and I hid

1181  
00:53:39,840 --> 00:53:37,540  
after I uploaded it I hit upload to the

1182  
00:53:42,300 --> 00:53:39,850  
far right and it takes a while but

1183  
00:53:46,200 --> 00:53:42,310  
finally when photo forensics uploads it

1184  
00:53:48,570 --> 00:53:46,210  
you can check out the grocery list of

1185  
00:53:51,420 --> 00:53:48,580  
information it captured on it which is

1186  
00:53:54,120 --> 00:53:51,430  
it's under these categories digest ela

1187  
00:53:56,970 --> 00:53:54,130  
hidden pixels jpg percent made a date

1188  
00:53:58,710 --> 00:53:56,980

metadata and source information and it

1189

00:54:00,630 --> 00:53:58,720

looks like this photo I have of him has

1190

00:54:02,910 --> 00:54:00,640

not been manipulated in any way shape or

1191

00:54:06,150 --> 00:54:02,920

form you can also do the same thing if

1192

00:54:09,600 --> 00:54:06,160

there's for example a site on the web

1193

00:54:11,730 --> 00:54:09,610

that has pictures of UFOs or what

1194

00:54:13,470 --> 00:54:11,740

they're claiming to be ET crafts you

1195

00:54:15,170 --> 00:54:13,480

conclude the URL to that and it will

1196

00:54:18,420 --> 00:54:15,180

show you if those photos have been

1197

00:54:20,160 --> 00:54:18,430

possibly manipulated now Frank and I

1198

00:54:21,840 --> 00:54:20,170

were talking about this last night and I

1199

00:54:23,940 --> 00:54:21,850

really don't want to go into too long

1200

00:54:26,310 --> 00:54:23,950

because I'd like to continue on with my

1201

00:54:29,970 --> 00:54:26,320

interview it was Steve if but if a

1202

00:54:32,670 --> 00:54:29,980

person wanted to manipulate the data

1203

00:54:35,490 --> 00:54:32,680

regarding a photo they could and this

1204

00:54:37,830 --> 00:54:35,500

has been done before they could as an

1205

00:54:40,010 --> 00:54:37,840

idea paint something on the window of

1206

00:54:42,510 --> 00:54:40,020

their kitchen window for example and

1207

00:54:45,210 --> 00:54:42,520

make it look like you know some kind of

1208

00:54:48,180 --> 00:54:45,220

et related craft or what they think is

1209

00:54:51,540 --> 00:54:48,190

one and put a fleet of them on on on a

1210

00:54:54,240 --> 00:54:51,550

window a paint paint them take a picture

1211

00:54:56,790 --> 00:54:54,250

of it in a very kind of blurred like

1212

00:54:58,590 --> 00:54:56,800

fashion or whatever fashion they think

1213

00:55:02,640 --> 00:54:58,600

would make it look real as though those

1214

00:55:04,080 --> 00:55:02,650

fleets were in the sky and then then it

1215

00:55:06,500 --> 00:55:04,090

would show that that picture has not

1216

00:55:11,310 --> 00:55:06,510

been manipulated when you go ahead and

1217

00:55:13,260 --> 00:55:11,320

try to analyze it through the exif data

1218

00:55:15,120 --> 00:55:13,270

applications out there another way

1219

00:55:17,820 --> 00:55:15,130

person can do it is if they take a

1220

00:55:21,000 --> 00:55:17,830

picture of a manipulated picture and

1221

00:55:22,710 --> 00:55:21,010

that could be one way is that correct

1222

00:55:25,860 --> 00:55:22,720

Steve yes that's correct

1223

00:55:28,020 --> 00:55:25,870

but anytime someone takes a photo of

1224

00:55:28,950 --> 00:55:28,030

something through the window I'm always

1225

00:55:31,680 --> 00:55:28,960

thinking this subject

1226

00:55:34,079 --> 00:55:31,690

to a second look thank you for

1227

00:55:35,940 --> 00:55:34,089

mentioning odd and basically if you do

1228

00:55:38,609 --> 00:55:35,950

your trickery in the camera and it's

1229

00:55:40,230 --> 00:55:38,619

actually in the shot that you wouldn't

1230

00:55:42,960 --> 00:55:40,240

be able to suss that out with the

1231

00:55:44,069 --> 00:55:42,970

metadata but also Frank you made a good

1232

00:55:46,440 --> 00:55:44,079

point last night when we were talking

1233

00:55:49,049 --> 00:55:46,450

about this and that is you were saying

1234

00:55:52,440 --> 00:55:49,059

okay let's say we have a picture of

1235

00:55:54,660 --> 00:55:52,450

somebody who manipulated a picture to

1236

00:55:59,819 --> 00:55:54,670

make it look like there's some kind of

1237

00:56:03,859 --> 00:55:59,829

each or et craft outside for example

1238

00:56:07,980 --> 00:56:03,869

well if somebody takes a picture of that

1239

00:56:09,359 --> 00:56:07,990

hide that related exif data you also

1240

00:56:10,589 --> 00:56:09,369

pointed out well that person needs to be

1241

00:56:12,780 --> 00:56:10,599

outside during those same kind of

1242

00:56:14,819 --> 00:56:12,790

conditions otherwise the exif data from

1243

00:56:18,720 --> 00:56:14,829

that picture of that manipulated picture

1244

00:56:22,190 --> 00:56:18,730

will also reveal exactly exactly

1245

00:56:25,290 --> 00:56:22,200

yep did I say that right yeah I think so

1246

00:56:29,760 --> 00:56:25,300

okay so moving along here Steve I have

1247

00:56:32,430 --> 00:56:29,770

some more questions for you why is MUFON

1248

00:56:34,829 --> 00:56:32,440

relevant to the field of ufology oh

1249

00:56:37,890 --> 00:56:34,839

that's an easy question but back to this

1250

00:56:40,620 --> 00:56:37,900

other you're talking about the photo

1251

00:56:43,620 --> 00:56:40,630

with the UFO duct that's why I asked for

1252

00:56:45,180 --> 00:56:43,630

more than one photo okay good I mean I

1253

00:56:46,440 --> 00:56:45,190

can take my cell phone to hold the

1254

00:56:48,539 --> 00:56:46,450

button down and take a thousand

1255

00:56:49,920 --> 00:56:48,549

photographs right away I mean so don't

1256

00:56:51,990 --> 00:56:49,930

just show me one photograph I want to

1257

00:56:55,650 --> 00:56:52,000

see more than one okay I'll tell you why

1258

00:56:59,220 --> 00:56:55,660

MUFON is relevant and it's because

1259

00:57:02,789 --> 00:56:59,230

they're the only group that has film

1260

00:57:04,799 --> 00:57:02,799

investigators that's the only reason

1261

00:57:06,900 --> 00:57:04,809

all these other groups that come out

1262

00:57:08,670 --> 00:57:06,910

here and try to be the new MUFON or

1263

00:57:10,380 --> 00:57:08,680

whatever you want to call them they

1264

00:57:12,270 --> 00:57:10,390

don't last long because they don't have

1265

00:57:13,859 --> 00:57:12,280

anybody joining them they don't have any

1266

00:57:14,370 --> 00:57:13,869

field investigators that go out and do

1267

00:57:16,559 --> 00:57:14,380

anything

1268

00:57:20,460 --> 00:57:16,569

not only that they do not have the name

1269

00:57:22,109 --> 00:57:20,470

recognition and that's that's something

1270

00:57:23,780 --> 00:57:22,119

else you know I always hear but when I

1271

00:57:26,549 --> 00:57:23,790

talk to people I always say look how

1272

00:57:28,170 --> 00:57:26,559

these groups and say how many I mean

1273

00:57:30,599 --> 00:57:28,180

here are MUFON investigators this is a

1274

00:57:34,140 --> 00:57:30,609

group 50 people how many people are

1275

00:57:36,210 --> 00:57:34,150

MUFON members and I don't know about 10%

1276

00:57:37,740 --> 00:57:36,220

may raise their hand everybody else is

1277

00:57:40,470 --> 00:57:37,750

just there for a free ride the way I

1278

00:57:42,540 --> 00:57:40,480

look at it and I always say well you

1279

00:57:45,270 --> 00:57:42,550

guys are jumping up and down and

1280

00:57:46,530 --> 00:57:45,280

thing about disclosure right yeah yeah

1281

00:57:50,670 --> 00:57:46,540

we want to know what's going on is okay

1282

00:57:52,350 --> 00:57:50,680

you have to have a voting base look at

1283

00:57:54,900 --> 00:57:52,360

all these other groups I don't want to

1284

00:57:56,430 --> 00:57:54,910

mention them but there are millions and

1285

00:57:59,190 --> 00:57:56,440

millions of people in these groups and

1286

00:58:02,250 --> 00:57:59,200

they have a big voice in the government

1287

00:58:06,140 --> 00:58:02,260

I mean they listen to them if MUFON had

1288

00:58:09,560 --> 00:58:06,150

6 or 7 million members I guarantee you

1289

00:58:11,430 --> 00:58:09,570

we would be getting some attention and

1290

00:58:13,740 --> 00:58:11,440

disclosure would be right down the

1291

00:58:16,380 --> 00:58:13,750

street so keep that in mind

1292

00:58:18,120 --> 00:58:16,390

join MUFON period that's what's the

1293

00:58:22,470 --> 00:58:18,130

Basset suggested that on our show you

1294

00:58:24,150 --> 00:58:22,480

want to do something join MUFON and also

1295

00:58:28,020 --> 00:58:24,160

I just wanted to let our listeners know

1296

00:58:29,610 --> 00:58:28,030

if you're going to join MUFON a lot of

1297

00:58:32,400 --> 00:58:29,620

people actually don't know how to even

1298

00:58:33,780 --> 00:58:32,410

do that so my first recommendation and

1299

00:58:36,270 --> 00:58:33,790

then Steve go ahead and please expound

1300

00:58:38,520 --> 00:58:36,280

upon this if you don't mind folks please

1301  
00:58:40,980 --> 00:58:38,530  
go to MUFON comm what do they do when

1302  
00:58:43,140 --> 00:58:40,990  
they go go to MUFON comm ok up in the

1303  
00:58:45,750 --> 00:58:43,150  
right-hand corner it says join MUFON if

1304  
00:58:48,360 --> 00:58:45,760  
it's not there and you can't find it you

1305  
00:58:52,140 --> 00:58:48,370  
can email me I will help you out that's

1306  
00:58:57,300 --> 00:58:52,150  
I do i and MUFON comm I will help you

1307  
00:59:01,950 --> 00:58:57,310  
join so that's I do I international

1308  
00:59:04,590 --> 00:59:01,960  
director of Investigations for folks and

1309  
00:59:07,380 --> 00:59:04,600  
you can go ahead and address it by Steve

1310  
00:59:09,150 --> 00:59:07,390  
yeah yeah let me jump in here since that

1311  
00:59:10,890 --> 00:59:09,160  
we didn't bring that up Steve you are

1312  
00:59:13,380 --> 00:59:10,900  
the international director of

1313  
00:59:15,390 --> 00:59:13,390

Investigations or the director of

1314

00:59:18,540 --> 00:59:15,400

international investigations how is that

1315

00:59:21,840 --> 00:59:18,550

different than working domestically or

1316

00:59:24,300 --> 00:59:21,850

running a state or okay there you go ask

1317

00:59:27,090 --> 00:59:24,310

well yeah I stole I stole that question

1318

00:59:28,650 --> 00:59:27,100

from you telepathically chat yeah you

1319

00:59:31,770 --> 00:59:28,660

did a good job because my next question

1320

00:59:33,600 --> 00:59:31,780

was as a member of MUFON what is your

1321

00:59:36,440 --> 00:59:33,610

role and what do you feel your role is

1322

00:59:39,680 --> 00:59:36,450

and does for MUFON good job Frank Thanks

1323

00:59:42,120 --> 00:59:39,690

okay I started out a long time ago as

1324

00:59:44,010 --> 00:59:42,130

chief investigator I move on I was

1325

00:59:46,080 --> 00:59:44,020

actually the first chief investigator

1326  
00:59:48,570 --> 00:59:46,090  
when them when they first started it and

1327  
00:59:49,860 --> 00:59:48,580  
then they started graduating getting on

1328  
00:59:53,520 --> 00:59:49,870  
and mostly cause of Stephenville and

1329  
00:59:55,430 --> 00:59:53,530  
then there were problems and the state

1330  
00:59:59,539 --> 00:59:55,440  
director resigned

1331  
01:00:00,950 --> 00:59:59,549  
and I said hey I raised my hand up I'll

1332  
01:00:06,230 --> 01:00:00,960  
do two I'll be the stagger record that

1333  
01:00:09,380 --> 01:00:06,240  
kind of way and so after that I became

1334  
01:00:11,990 --> 01:00:09,390  
the director of Investigations for the

1335  
01:00:17,510 --> 01:00:12,000  
United for the USA and that was under

1336  
01:00:21,650 --> 01:00:17,520  
Dave MacDonald and I held that for five

1337  
01:00:23,599 --> 01:00:21,660  
or six years I forget now and at the end

1338  
01:00:26,690 --> 01:00:23,609

of it there was some squabbling going on

1339

01:00:27,829 --> 01:00:26,700

and some issues so I said look I don't

1340

01:00:30,710 --> 01:00:27,839

want to do this anymore let somebody

1341

01:00:36,650 --> 01:00:30,720

else take it and so that that took place

1342

01:00:39,349 --> 01:00:36,660

and then two days later if not three

1343

01:00:42,170 --> 01:00:39,359

Dave McDonald says I won't Steve to be

1344

01:00:45,620 --> 01:00:42,180

the ideal why because the guy that was

1345

01:00:49,069 --> 01:00:45,630

doing it was retiring at that moment so

1346

01:00:52,700 --> 01:00:49,079

I I took the ideal opposition but the

1347

01:00:55,099 --> 01:00:52,710

differences are there there's quite a

1348

01:01:00,859 --> 01:00:55,109

bit different of course the the u.s.

1349

01:01:03,549 --> 01:01:00,869

adli has been renamed is now MUFON chief

1350

01:01:07,910 --> 01:01:03,559

investigator now and that's Doug out of

1351

01:01:14,480 --> 01:01:07,920

Colorado and he's assumes that position

1352

01:01:18,799 --> 01:01:14,490

and it's uh it depends on who's doing it

1353

01:01:20,000 --> 01:01:18,809

as to what they are doing with it if you

1354

01:01:23,599 --> 01:01:20,010

understand what I'm saying

1355

01:01:25,910 --> 01:01:23,609

sure when I had it on there I know

1356

01:01:29,900 --> 01:01:25,920

Murray Mazon Malzahn had it before I did

1357

01:01:32,900 --> 01:01:29,910

and she was one of these hands-on kind

1358

01:01:36,079 --> 01:01:32,910

of people and she was not really what I

1359

01:01:37,579 --> 01:01:36,089

call meddlesome but she was always

1360

01:01:39,589 --> 01:01:37,589

calling me on the phone Steve how's it

1361

01:01:40,970 --> 01:01:39,599

going every time she called me the first

1362

01:01:43,609 --> 01:01:40,980

thing first rattled out of the Hat I

1363

01:01:45,890 --> 01:01:43,619

said oh man what have I done now she's

1364

01:01:48,890 --> 01:01:45,900

calling me on the phone and it was just

1365

01:01:51,109 --> 01:01:48,900

a courtesy call and and she did that

1366

01:01:53,240 --> 01:01:51,119

three or four times and in each time I'm

1367

01:01:54,589 --> 01:01:53,250

I felt the same way you know oh man I'd

1368

01:01:57,019 --> 01:01:54,599

may enjoy it now because she's calling

1369

01:01:59,539 --> 01:01:57,029

me and so when when I took the do

1370

01:02:02,990 --> 01:01:59,549

opposition over I made a point that I

1371

01:02:04,870 --> 01:02:03,000

was not going to do that I was not going

1372

01:02:08,329 --> 01:02:04,880

to meddle and what these guys are doing

1373

01:02:09,050 --> 01:02:08,339

and unless I just had to there was a

1374

01:02:10,970 --> 01:02:09,060

problem

1375

01:02:13,670 --> 01:02:10,980

that's what I felt I was there for is

1376

01:02:17,440 --> 01:02:13,680

I'm there if you have a problem and

1377

01:02:21,140 --> 01:02:17,450

that's the way I looked at it and I was

1378

01:02:22,940 --> 01:02:21,150

not in control of the field

1379

01:02:27,590 --> 01:02:22,950

investigators manual or the state

1380

01:02:30,770 --> 01:02:27,600

directors handbook but I was big-time in

1381

01:02:32,300 --> 01:02:30,780

on the editing part of it as well as the

1382

01:02:35,960 --> 01:02:32,310

others on the senior staff and that's

1383

01:02:37,670 --> 01:02:35,970

what senior staff does and and we look

1384

01:02:39,260 --> 01:02:37,680

at things we look at issues and if

1385

01:02:42,830 --> 01:02:39,270

there's a problem with something we'll

1386

01:02:45,170 --> 01:02:42,840

see what we can do about you know taking

1387

01:02:47,150 --> 01:02:45,180

care of that problem like reword this or

1388

01:02:48,500 --> 01:02:47,160

reword that or well that's no good let's

1389

01:02:51,170 --> 01:02:48,510

take that out in this changes of this

1390

01:02:53,060 --> 01:02:51,180

and there's ongoing progress and and we

1391

01:02:55,430 --> 01:02:53,070

do it like Daniel E or whatever a matter

1392

01:02:57,290 --> 01:02:55,440

of fact I'm going through it right now

1393

01:03:00,230 --> 01:02:57,300

of retying everything so I've got a new

1394

01:03:04,790 --> 01:03:00,240

job now it's called the director of

1395

01:03:08,270 --> 01:03:04,800

support services and I'm the keeper of

1396

01:03:11,120 --> 01:03:08,280

the flame basically it's a like the feel

1397

01:03:13,580 --> 01:03:11,130

investigators manual it's it's worded in

1398

01:03:17,000 --> 01:03:13,590

a certain way and you have a pristine

1399

01:03:19,610 --> 01:03:17,010

copy and I'm the keeper of that copy if

1400

01:03:21,290 --> 01:03:19,620

you know what I mean and it's the same

1401

01:03:22,610 --> 01:03:21,300

with the state directors handbook the

1402

01:03:27,470 --> 01:03:22,620

state directors handbook has been

1403

01:03:27,770 --> 01:03:27,480

completely redone the last do I saw to

1404

01:03:32,450 --> 01:03:27,780

that

1405

01:03:34,550 --> 01:03:32,460

and so I'm in the middle now of course

1406

01:03:38,450 --> 01:03:34,560

it's been typed up already and it was

1407

01:03:40,670 --> 01:03:38,460

sent to me but the type is so small even

1408

01:03:42,050 --> 01:03:40,680

with my glasses I can hardly read it so

1409

01:03:43,430 --> 01:03:42,060

I'm going through there basically and

1410

01:03:47,810 --> 01:03:43,440

I'm retyping the entire thing with a

1411

01:03:51,230 --> 01:03:47,820

larger font and I try to edit word and

1412

01:03:53,900 --> 01:03:51,240

it's it's a nightmare to me editing word

1413

01:03:56,000 --> 01:03:53,910

so I'm transferring all over to excel I

1414

01:03:57,260 --> 01:03:56,010

can use that a lot better cuz I'm I'm

1415

01:03:58,160 --> 01:03:57,270

used to using the Excel but anyway

1416

01:04:01,700 --> 01:03:58,170

that's what I'm doing right now in the

1417

01:04:02,840 --> 01:04:01,710

middle of that and I'm also a part of

1418

01:04:06,410 --> 01:04:02,850

the Professional Standards

1419

01:04:08,900 --> 01:04:06,420

administration and I'm taking care of

1420

01:04:11,870 --> 01:04:08,910

some problems now with people on

1421

01:04:14,450 --> 01:04:11,880

Facebook using the MUFON name when

1422

01:04:17,090 --> 01:04:14,460

they're not supposed to yeah right and

1423

01:04:19,520 --> 01:04:17,100

that's an uphill battle I'm telling you

1424

01:04:22,849 --> 01:04:19,530

but yeah Stan I'm glad you mentioned

1425

01:04:25,729 --> 01:04:22,859

that thank you the the

1426

01:04:28,640 --> 01:04:25,739

mci now which is the MUFON chief

1427

01:04:31,849 --> 01:04:28,650

investigator he is he's doing a great

1428

01:04:35,390 --> 01:04:31,859

job and he's doing some classes on how

1429

01:04:37,789 --> 01:04:35,400

to do form 30 and there's a big problem

1430

01:04:39,079 --> 01:04:37,799

with form 30 and I'm sorry to say I was

1431

01:04:43,309 --> 01:04:39,089

in the big middle of that when it first

1432

01:04:46,219 --> 01:04:43,319

started well yeah what is that oil dirty

1433

01:04:48,199 --> 01:04:46,229

but we'll cover that in a minute yeah in

1434

01:04:50,779 --> 01:04:48,209

a minute let me let me go ahead I had to

1435

01:04:53,719 --> 01:04:50,789

ask you how long have you felt there

1436

01:04:55,309 --> 01:04:53,729

could be before asked this question let

1437

01:04:56,959 --> 01:04:55,319

me go ahead and just share something

1438

01:05:00,079 --> 01:04:56,969

that we all know because this came out

1439

01:05:03,650 --> 01:05:00,089

in the news recently as that Britain's

1440

01:05:06,199 --> 01:05:03,660

first astronaut Helen Charmin believes

1441

01:05:07,160 --> 01:05:06,209

that aliens actually exist as she

1442

01:05:08,150 --> 01:05:07,170

believes that they could be on her

1443

01:05:10,669 --> 01:05:08,160

planet right now

1444

01:05:12,289 --> 01:05:10,679

is what she was quoted as basically

1445

01:05:14,209 --> 01:05:12,299

that's the gist of what she was saying

1446

01:05:16,519 --> 01:05:14,219

that they we may not be able to see them

1447

01:05:18,620 --> 01:05:16,529

but she believes they're here also just

1448

01:05:23,829 --> 01:05:18,630

wanted to share something that other

1449

01:05:29,959 --> 01:05:26,599

companies like Amazon and Netflix are

1450

01:05:31,939 --> 01:05:29,969

sharing documentaries where they're

1451

01:05:35,689 --> 01:05:31,949

actually interviewing folks who are

1452

01:05:38,390 --> 01:05:35,699

either with NASA now currently or have

1453

01:05:41,749 --> 01:05:38,400

worked for them and they're saying it's

1454

01:05:46,339 --> 01:05:41,759

not even a question whether et life

1455

01:05:48,469 --> 01:05:46,349

exists it's it's moving on from that now

1456

01:05:52,039 --> 01:05:48,479

you know they've already accepted that

1457

01:05:55,219 --> 01:05:52,049

and because of the the possibility of

1458

01:05:58,309 --> 01:05:55,229

planets that are habitable out there so

1459

01:06:00,069 --> 01:05:58,319

my question to you is how long have you

1460

01:06:02,829 --> 01:06:00,079

felt there could be the presence or

1461

01:06:08,839 --> 01:06:02,839

possibility of extraterrestrial

1462

01:06:10,839 --> 01:06:08,849

civilizations forever and if people that

1463

01:06:13,400 --> 01:06:10,849

go to church would just realize what a

1464

01:06:15,709 --> 01:06:13,410

worshipping thing they would understand

1465

01:06:21,890 --> 01:06:15,719

that too because the definition of ET

1466

01:06:23,749 --> 01:06:21,900

god fits that perfectly ok and what was

1467

01:06:25,939 --> 01:06:23,759

the defining moment in your life that

1468

01:06:27,650 --> 01:06:25,949

convinced you extraterrestrials exist

1469

01:06:29,689 --> 01:06:27,660

did you have a moment where you were I'm

1470

01:06:32,359 --> 01:06:29,699

just going to make this up you know you

1471

01:06:35,959 --> 01:06:32,369

were a kid and something happened to you

1472

01:06:36,710 --> 01:06:35,969

or you were listening to a story what

1473

01:06:39,020 --> 01:06:36,720

what was

1474

01:06:42,380 --> 01:06:39,030

that one defining moment where you said

1475

01:06:43,340 --> 01:06:42,390

you know what that kind of really that

1476

01:06:47,060 --> 01:06:43,350

does it for me

1477

01:06:48,770 --> 01:06:47,070

what was there one or no I have not have

1478

01:06:50,390 --> 01:06:48,780

not had that defining moment now just

1479

01:06:53,390 --> 01:06:50,400

the possibility exists it's pretty

1480

01:06:57,890 --> 01:06:53,400

powerful with me okay and have you or

1481

01:07:00,500 --> 01:06:57,900

someone you know personally like a just

1482

01:07:02,480 --> 01:07:00,510

someone close to you have you or someone

1483

01:07:05,060 --> 01:07:02,490

you know ever witnessed UFO activity

1484

01:07:10,400 --> 01:07:05,070

that could have been extraterrestrial

1485

01:07:15,680 --> 01:07:10,410

related yes can you share anything about

1486

01:07:17,960 --> 01:07:15,690

well it was it was a how to explain this

1487

01:07:22,160 --> 01:07:17,970

um brother-in-law

1488

01:07:23,530 --> 01:07:22,170

yeah no not a brother-in-law I forget

1489

01:07:26,030 --> 01:07:23,540

he's married to one of my

1490

01:07:29,210 --> 01:07:26,040

sister-in-law's daughters okay

1491

01:07:30,950 --> 01:07:29,220

anything something like yeah but anyway he

1492

01:07:32,840 --> 01:07:30,960

he told me one day he had a car Brody's

1493

01:07:36,620 --> 01:07:32,850

car broke down north of Fort Worth up

1494

01:07:41,780 --> 01:07:36,630

here and someone stopped and helped him

1495

01:07:43,370 --> 01:07:41,790

and he doesn't remember anything for a

1496

01:07:47,170 --> 01:07:43,380

little while and then he remembers he's

1497

01:07:50,870 --> 01:07:47,180

sitting in his car and I said whoa

1498

01:07:52,280 --> 01:07:50,880

okay well this looked like he never

1499

01:07:54,050 --> 01:07:52,290

would tell me for years but he finally

1500

01:07:55,070 --> 01:07:54,060

told me he said he said I haven't told

1501

01:07:58,220 --> 01:07:55,080

you this he said but the guy looked

1502

01:08:02,060 --> 01:07:58,230

exactly like me I thought that was got

1503

01:08:06,410 --> 01:08:02,070

strange but anyway he's he's no longer

1504

01:08:07,970 --> 01:08:06,420

alive he committed suicide okay so that

1505

01:08:09,860 --> 01:08:07,980

kind of brings up something that I just

1506

01:08:11,240 --> 01:08:09,870

want to go off off my questions just for

1507

01:08:13,070 --> 01:08:11,250

a moment and tell you something Jan

1508

01:08:15,800 --> 01:08:13,080

Harsin shared with us when we were

1509

01:08:17,990 --> 01:08:15,810

interviewing him last year and then I

1510

01:08:20,540 --> 01:08:18,000

want to ask you something sort of about

1511

01:08:23,330 --> 01:08:20,550

that and that is John was saying that he

1512

01:08:27,890 --> 01:08:23,340

had the opportunity to do research and

1513

01:08:30,830 --> 01:08:27,900

talk to I think in person a cop who told

1514

01:08:34,520 --> 01:08:30,840

him that he had a very strange

1515

01:08:39,350 --> 01:08:34,530

experience where he was actually seeing

1516

01:08:42,950 --> 01:08:39,360

things that were not in the reality and

1517

01:08:45,620 --> 01:08:42,960

being shared by others so and that was

1518

01:08:49,640 --> 01:08:45,630

investigated by MUFON now you'll have

1519

01:08:50,599 --> 01:08:49,650

dust gen more about that topic but would

1520

01:08:53,149 --> 01:08:50,609

it be fair to say

1521

01:08:54,499 --> 01:08:53,159

and I think he said he saw like he may

1522

01:08:56,599 --> 01:08:54,509

have communicated with an otherworldly

1523

01:09:00,530 --> 01:08:56,609

intelligence while that was happening

1524

01:09:02,209 --> 01:09:00,540

that would be a MUFON related like if

1525

01:09:05,269 --> 01:09:02,219

somebody were to report that to MUFON

1526

01:09:07,280 --> 01:09:05,279

MUFON could consider investigating

1527

01:09:10,490 --> 01:09:07,290

something like that where it depends on

1528

01:09:12,859 --> 01:09:10,500

how they worded in my book okay because

1529

01:09:14,570 --> 01:09:12,869

you could add well it was a ghost or

1530

01:09:16,399 --> 01:09:14,580

well Bigfoot was talking to me or a

1531

01:09:19,970 --> 01:09:16,409

fairy or something like that if it's not

1532

01:09:21,349 --> 01:09:19,980

you have related mm-hmm like this thing

1533

01:09:22,849 --> 01:09:21,359

stepped off of UFO and it started

1534

01:09:24,349 --> 01:09:22,859

communicating with me well then yeah

1535

01:09:28,579 --> 01:09:24,359

yeah we would investigate something like

1536

01:09:31,220 --> 01:09:28,589

that but I don't know if that might go

1537

01:09:33,320 --> 01:09:31,230

down as information only okay all right

1538

01:09:35,840 --> 01:09:33,330

so are you currently involved or have

1539

01:09:39,140 --> 01:09:35,850

you had any past involvement in

1540

01:09:39,919 --> 01:09:39,150

extraterrestrial contact of any kind not

1541

01:09:43,579 --> 01:09:39,929

to my knowledge

1542

01:09:45,890 --> 01:09:43,589

okay and please okay well this is kind

1543

01:09:47,450 --> 01:09:45,900

of a big question you already shared the

1544

01:09:51,260 --> 01:09:47,460

Stephenville and maybe a few other cases

1545

01:09:54,019 --> 01:09:51,270

but do you have a list of maybe iconic

1546

01:09:55,790 --> 01:09:54,029

or interesting or famous cases that

1547

01:09:59,649 --> 01:09:55,800

influenced you regarding the most

1548

01:10:03,890 --> 01:09:59,659

evidence of possible extraterrestrial

1549

01:10:06,080 --> 01:10:03,900

presence or the yes the the evidence

1550

01:10:08,270 --> 01:10:06,090

part is the real killer on all of this

1551

01:10:10,280 --> 01:10:08,280

okay I mean a lot of people say well

1552

01:10:13,879 --> 01:10:10,290

what they said that was evidence and all

1553

01:10:16,760 --> 01:10:13,889

these photos that's evidence and they're

1554

01:10:20,600 --> 01:10:16,770

missing the big point and my big point

1555

01:10:23,180 --> 01:10:20,610

is no matter what you have you have to

1556

01:10:25,070 --> 01:10:23,190

convince 12 people in a courtroom that

1557

01:10:28,609 --> 01:10:25,080

have no idea what you're talking about

1558

01:10:30,439 --> 01:10:28,619

you have to convince them and that's the

1559

01:10:33,169 --> 01:10:30,449

tough part I'm glad you said that

1560

01:10:37,220 --> 01:10:33,179

because this might not sound related but

1561

01:10:39,050 --> 01:10:37,230

it is so there's conspiracies as you

1562

01:10:41,959 --> 01:10:39,060

know that will float around the UFO

1563

01:10:46,879 --> 01:10:41,969

community and there's absolutely no

1564

01:10:50,000 --> 01:10:46,889

conclusive evidence or proof - or facts

1565

01:10:53,600 --> 01:10:50,010

behind them and I've told people ad

1566

01:10:56,570 --> 01:10:53,610

nauseam okay we need more information on

1567

01:10:59,270 --> 01:10:56,580

this let's compile it together so we can

1568

01:11:00,950 --> 01:10:59,280

do research to see the veracity or the

1569

01:11:03,910 --> 01:11:00,960

authenticity of the claims being made

1570

01:11:06,340 --> 01:11:03,920

and all people can do is just spout

1571

01:11:09,400 --> 01:11:06,350

propaganda about them and you're saying

1572

01:11:11,500 --> 01:11:09,410

something important and that is okay you

1573

01:11:13,780 --> 01:11:11,510

feel you have such a good case let's

1574

01:11:17,140 --> 01:11:13,790

hear it if you if you can produce it in

1575

01:11:20,260 --> 01:11:17,150

front of 12 people like you're in a

1576

01:11:22,600 --> 01:11:20,270

trial what it is it so that we can hear

1577

01:11:27,520 --> 01:11:22,610

how great this case is that's correct

1578

01:11:31,479 --> 01:11:27,530

and I just watched a a History Channel

1579

01:11:32,680 --> 01:11:31,489

thing the other day with a very well

1580

01:11:35,740 --> 01:11:32,690

known I'm not gonna mention any names

1581

01:11:38,200 --> 01:11:35,750

felt well-known investigator and she was

1582

01:11:40,630 --> 01:11:38,210

producing pieces of metal that were

1583

01:11:43,479 --> 01:11:40,640

supposedly found on Roswell and all this

1584

01:11:46,479 --> 01:11:43,489

kind of right yes and okay wow you got

1585

01:11:48,490 --> 01:11:46,489

cement metal and I'm going yeah right I

1586

01:11:50,590 --> 01:11:48,500

saw some bent metal too up in Aurora

1587

01:11:53,380 --> 01:11:50,600

Texas that came from the Aurora ship

1588

01:11:56,410 --> 01:11:53,390

that crashed I said but so what it's

1589

01:11:57,850 --> 01:11:56,420

aluminum and aluminum is found all over

1590

01:11:59,709 --> 01:11:57,860

the place on the planet Earth I don't

1591

01:12:01,360 --> 01:11:59,719

care what quantity is or how thick it is

1592

01:12:04,330 --> 01:12:01,370

or if it's in layers it doesn't make any

1593

01:12:11,169 --> 01:12:04,340

difference to me it doesn't mean it came

1594

01:12:13,810 --> 01:12:11,179

from Alpha Centauri right agreed and so

1595

01:12:18,100 --> 01:12:13,820

so when people say oh well I found

1596

01:12:21,729 --> 01:12:18,110

something that has a look it looks and

1597

01:12:27,640 --> 01:12:21,739

acts like it's not the conventional

1598

01:12:30,040 --> 01:12:27,650

kinds of metal or metal exotic materials

1599

01:12:31,750 --> 01:12:30,050

but acts like no metal ore minerals

1600

01:12:34,419 --> 01:12:31,760

known to man on planet Earth you

1601  
01:12:37,060 --> 01:12:34,429  
probably wouldn't be beyond you to

1602  
01:12:39,729 --> 01:12:37,070  
probably say okay well let's get it

1603  
01:12:41,200 --> 01:12:39,739  
forensic ly analyzed in a scientific

1604  
01:12:43,780 --> 01:12:41,210  
manner you know according to a

1605  
01:12:46,840 --> 01:12:43,790  
scientific model that we use for MUFON

1606  
01:12:47,560 --> 01:12:46,850  
so we know more information on this is

1607  
01:12:50,080 --> 01:12:47,570  
that right

1608  
01:12:52,540 --> 01:12:50,090  
well that's true I mean simply because

1609  
01:12:54,610 --> 01:12:52,550  
someone sees something that's fancy and

1610  
01:12:56,850 --> 01:12:54,620  
and they've never seen it before doesn't

1611  
01:12:59,080 --> 01:12:56,860  
mean it comes from outer space I mean if

1612  
01:13:01,720 --> 01:12:59,090  
if someone probably wanted to take that

1613  
01:13:04,209 --> 01:13:01,730

and and and manufacturers so you're

1614

01:13:06,459 --> 01:13:04,219

gonna throw it down on the floor and it

1615

01:13:08,530 --> 01:13:06,469

wraps up your Christmas present since

1616

01:13:10,840 --> 01:13:08,540

automatically you know hey that's a lot

1617

01:13:13,510 --> 01:13:10,850

ours now but it doesn't mean anything

1618

01:13:15,310 --> 01:13:13,520

it's just something we've never seen and

1619

01:13:17,470 --> 01:13:15,320

it's probably manufactured from the

1620

01:13:19,930 --> 01:13:17,480

government since it's here

1621

01:13:31,120 --> 01:13:19,940

right so I mean I guess my point here is

1622

01:13:37,330 --> 01:13:34,960

the public know that there's a

1623

01:13:38,470 --> 01:13:37,340

difference because a dirt road okay

1624

01:13:39,310 --> 01:13:38,480

you're looking under you're at the edge

1625

01:13:43,270 --> 01:13:39,320

of a dirt road and you're looking across

1626  
01:13:44,680 --> 01:13:43,280  
to the other side and you think that you

1627  
01:13:45,340 --> 01:13:44,690  
can walk over there the other side and

1628  
01:13:47,830 --> 01:13:45,350  
walk back

1629  
01:13:49,450 --> 01:13:47,840  
so you set there well how many steps is

1630  
01:13:51,220 --> 01:13:49,460  
that gonna take so you you count those

1631  
01:13:53,410 --> 01:13:51,230  
steps you time those steps and said well

1632  
01:13:54,820 --> 01:13:53,420  
if I if I walk slow how long will it

1633  
01:13:56,380 --> 01:13:54,830  
take if I walk fast how long will it

1634  
01:13:58,840 --> 01:13:56,390  
take when I run how long will it take

1635  
01:14:01,090 --> 01:13:58,850  
so there's your theory your theory is

1636  
01:14:05,950 --> 01:14:01,100  
you can cross that road but until you do

1637  
01:14:07,900 --> 01:14:05,960  
and get back it's not a fact yet once

1638  
01:14:11,200 --> 01:14:07,910

you do it once it's a fact you do it

1639

01:14:14,140 --> 01:14:11,210

twice it's a scientific fact so until

1640

01:14:18,880 --> 01:14:14,150

you can prove it it's a theory and also

1641

01:14:21,100 --> 01:14:18,890

up oddly and I agree there is contention

1642

01:14:23,220 --> 01:14:21,110

and it's still a hot-button Hot Topic

1643

01:14:26,920 --> 01:14:23,230

debate in the scientific community

1644

01:14:30,240 --> 01:14:26,930

regarding what proof really consists of

1645

01:14:32,740 --> 01:14:30,250

however a person who's an investigator

1646

01:14:36,430 --> 01:14:32,750

researcher or fill in the blank

1647

01:14:40,030 --> 01:14:36,440

needs to still try to aspire to the

1648

01:14:43,120 --> 01:14:40,040

closest thing concerning what proof is

1649

01:14:44,800 --> 01:14:43,130

that way it will help satisfy the

1650

01:14:47,650 --> 01:14:44,810

ability to review it in a scientific

1651  
01:14:49,780 --> 01:14:47,660  
manner whatever it is right yes you can

1652  
01:14:51,850 --> 01:14:49,790  
even have an alien stand in there but

1653  
01:14:54,010 --> 01:14:51,860  
until you can prove it in court that

1654  
01:14:55,720 --> 01:14:54,020  
it's an alien not something fabricated

1655  
01:14:58,120 --> 01:14:55,730  
it's on the United States soil right on

1656  
01:14:59,890 --> 01:14:58,130  
the ground right then that's just a

1657  
01:15:02,830 --> 01:14:59,900  
mannequin or it's just an animal or

1658  
01:15:04,600 --> 01:15:02,840  
whatever you have there hologram well if

1659  
01:15:08,050 --> 01:15:04,610  
you have it in in right there and within

1660  
01:15:09,820 --> 01:15:08,060  
court with you okay doesn't prove where

1661  
01:15:11,380 --> 01:15:09,830  
it came from you know people are

1662  
01:15:15,190 --> 01:15:11,390  
hard-headed that's what I'm trying to

1663  
01:15:17,830 --> 01:15:15,200

say I agree I agree in other words some

1664

01:15:19,870 --> 01:15:17,840

sometimes not always but sometimes you

1665

01:15:23,650 --> 01:15:19,880

can't give enough evidence or proof you

1666

01:15:25,360 --> 01:15:23,660

need to really like go as far as you can

1667

01:15:27,610 --> 01:15:25,370

with it until you cannot go any more

1668

01:15:29,620 --> 01:15:27,620

regarding as much conclusive evidence or

1669

01:15:31,960 --> 01:15:29,630

proof as you possibly can to cover all

1670

01:15:33,580 --> 01:15:31,970

your science related bases right well

1671

01:15:35,170 --> 01:15:33,590

I'll just jump in here and I'll clear

1672

01:15:37,120 --> 01:15:35,180

this up a little bit at least from my

1673

01:15:39,790 --> 01:15:37,130

perspective the proof is proof you

1674

01:15:41,740 --> 01:15:39,800

proved something okay that's proof and

1675

01:15:43,450 --> 01:15:41,750

then there's evidence and some evidence

1676

01:15:47,050 --> 01:15:43,460

is better than others

1677

01:15:48,610 --> 01:15:47,060

okay and radar wanted to ask and this is

1678

01:15:51,280 --> 01:15:48,620

something Frank can touch on too of

1679

01:15:53,020 --> 01:15:51,290

course because he he knows a lot more

1680

01:15:56,710 --> 01:15:53,030

about this than I do and I know Steve

1681

01:15:59,890 --> 01:15:56,720

does Steve why is radar evidence

1682

01:16:02,890 --> 01:15:59,900

considered evidence why does so so let's

1683

01:16:05,200 --> 01:16:02,900

just say I'm a witness I saw some things

1684

01:16:07,420 --> 01:16:05,210

flying traversing the sky very fast I

1685

01:16:10,330 --> 01:16:07,430

called the military and they actually

1686

01:16:12,820 --> 01:16:10,340

said I mean I'm a reporter and they said

1687

01:16:16,300 --> 01:16:12,830

yep we got it on radar does that mean

1688

01:16:19,150 --> 01:16:16,310

that and and it's it's not anything that

1689

01:16:21,490 --> 01:16:19,160

anybody knows what it is okay it's on

1690

01:16:27,310 --> 01:16:21,500

radar and even the military doesn't know

1691

01:16:31,180 --> 01:16:27,320

what it is okay so does that is that

1692

01:16:32,350 --> 01:16:31,190

proof of a UFO it's proof of something

1693

01:16:35,920 --> 01:16:32,360

there that no they don't know what it is

1694

01:16:39,190 --> 01:16:35,930

so that's an unknown yes okay from it it

1695

01:16:42,310 --> 01:16:39,200

doesn't identify it right right okay and

1696

01:16:44,170 --> 01:16:42,320

so Frank why is radar considered well

1697

01:16:46,390 --> 01:16:44,180

it's a form of remote sensing it's just

1698

01:16:47,140 --> 01:16:46,400

like with a seismograph in relation to

1699

01:16:52,540 --> 01:16:47,150

earthquakes

1700

01:16:54,310 --> 01:16:52,550

go but the seismograph I records the

1701

01:16:57,660 --> 01:16:54,320

shaking of the ground and how intense it

1702

01:17:00,280 --> 01:16:57,670

was and that provides evidence that

1703

01:17:02,050 --> 01:17:00,290

physical evidence that an earthquake did

1704

01:17:04,600 --> 01:17:02,060

take place good

1705

01:17:07,360 --> 01:17:04,610

okay so Steve moving along here if you

1706

01:17:09,630 --> 01:17:07,370

had one or a few things that represent

1707

01:17:17,370 --> 01:17:09,640

how you feel about the topic of ufology

1708

01:17:23,770 --> 01:17:20,380

yeah it's such a general question you

1709

01:17:27,550 --> 01:17:23,780

had one or a few things to say and that

1710

01:17:31,330 --> 01:17:27,560

represent how you feel but you think

1711

01:17:35,770 --> 01:17:31,340

what you believe however you want to to

1712

01:17:38,710 --> 01:17:35,780

express your whatever the topic of

1713

01:17:41,730 --> 01:17:38,720

ufology okay what would it be I would

1714

01:17:46,810 --> 01:17:41,740

think that it would be the question of

1715

01:17:49,570 --> 01:17:46,820

like why why is the government if they

1716

01:17:52,420 --> 01:17:49,580

are suppressing all of this knowledge

1717

01:17:55,449 --> 01:17:52,430

about UFO activity and the possibility

1718

01:17:58,479 --> 01:17:55,459

of extraterrestrial it

1719

01:18:04,929 --> 01:17:58,489

what is so important about it that they

1720

01:18:06,399 --> 01:18:04,939

feel in these keys oh you're breaking up

1721

01:18:08,560 --> 01:18:06,409

a little bit Steve at this point but

1722

01:18:11,109 --> 01:18:08,570

that yeah let me jump in and say I think

1723

01:18:13,270 --> 01:18:11,119

that hasn't been proven that they that

1724

01:18:15,640 --> 01:18:13,280

the government the Navy is basically

1725

01:18:18,069 --> 01:18:15,650

admitted that some of the information

1726

01:18:22,239 --> 01:18:18,079

related to the UFO cases that they've

1727

01:18:23,859 --> 01:18:22,249

got on record is would present a l

1728

01:18:26,560 --> 01:18:23,869

believe the exact quote was a grave

1729

01:18:28,270 --> 01:18:26,570

danger to national security so they're

1730

01:18:31,959 --> 01:18:28,280

pretty much saying that that's the case

1731

01:18:33,640 --> 01:18:31,969

I would say that that is proof what

1732

01:18:36,669 --> 01:18:33,650

they're saying their grave deal to

1733

01:18:40,600 --> 01:18:36,679

national security is that they don't

1734

01:18:43,719 --> 01:18:40,610

want to expose whatever aircraft was

1735

01:18:47,069 --> 01:18:43,729

copied and videoed that doesn't

1736

01:18:50,979 --> 01:18:47,079

necessarily mean it's from outer space

1737

01:18:53,560 --> 01:18:50,989

right right right but it Dave runs that

1738

01:18:55,390 --> 01:18:53,570

but but it does pretty well prove that

1739

01:18:58,779 --> 01:18:55,400

yeah they're aware of it they're looking

1740

01:19:01,469 --> 01:18:58,789

at this information and they're not and

1741

01:19:03,520 --> 01:19:01,479

they're not sharing that information

1742

01:19:05,290 --> 01:19:03,530

right and they're keeping the secret

1743

01:19:08,919 --> 01:19:05,300

which brings me back to my question is

1744

01:19:13,660 --> 01:19:08,929

why what's the big deal about keeping it

1745

01:19:17,979 --> 01:19:13,670

secret that's my question

1746

01:19:19,509 --> 01:19:17,989

got it okay okay I agree and also I just

1747

01:19:21,910 --> 01:19:19,519

wanted to go ahead and bring something

1748

01:19:23,379 --> 01:19:21,920

to the attention of her listeners and

1749

01:19:26,949 --> 01:19:23,389

it's just something that Frank and Steve

1750

01:19:30,370 --> 01:19:26,959

already know about but that is it was a

1751

01:19:33,520 --> 01:19:30,380

January this year apparently the US

1752

01:19:35,890 --> 01:19:33,530

government said that top-secret UFO

1753

01:19:38,500 --> 01:19:35,900

FILES could cause grave damage to US

1754

01:19:42,850 --> 01:19:38,510

national security if released the Navy

1755

01:19:47,020 --> 01:19:42,860

said and also it was just a few years

1756

01:19:51,399 --> 01:19:47,030

ago when the glowing Aras and black

1757

01:19:54,640 --> 01:19:51,409

money of the article came out and that

1758

01:19:57,879 --> 01:19:54,650

was an interesting article in that in

1759

01:20:00,100 --> 01:19:57,889

that Jan horizon-- and many others in

1760

01:20:02,439 --> 01:20:00,110

the UFO community believed that that was

1761

01:20:05,469 --> 01:20:02,449

a form of disclosure regarding the

1762

01:20:07,870 --> 01:20:05,479

gamble to go fast and we'll basically

1763

01:20:09,490 --> 01:20:07,880

three UFO related videos including

1764

01:20:11,920 --> 01:20:09,500

tick-tock video

1765

01:20:15,310 --> 01:20:11,930

that the US government acknowledged that

1766

01:20:18,520 --> 01:20:15,320

was a form of disclosure now wanted to

1767

01:20:20,980 --> 01:20:18,530

ask you a few more questions and that is

1768

01:20:23,650 --> 01:20:20,990

who are some of the iconic you fall just

1769

01:20:27,700 --> 01:20:23,660

you admire and respect regarding their

1770

01:20:31,360 --> 01:20:27,710

serious related UFO research their

1771

01:20:38,550 --> 01:20:31,370

research well Stanton Friedman but he's

1772

01:20:41,710 --> 01:20:38,560

not here any longer there's there's not

1773

01:20:45,280 --> 01:20:41,720

that many of them because I think

1774

01:20:48,940 --> 01:20:45,290

they're basically copying each other for

1775

01:20:51,670 --> 01:20:48,950

the most part and as far as researching

1776

01:20:53,440 --> 01:20:51,680

you know what are they researching they

1777

01:20:55,600 --> 01:20:53,450

they don't take any kind of UFO reports

1778

01:20:57,430 --> 01:20:55,610

and do them like a field investigator

1779

01:21:00,790 --> 01:20:57,440

would so what is what are they

1780

01:21:02,830 --> 01:21:00,800

researching I mean I can get on the

1781

01:21:06,400 --> 01:21:02,840

internet and research UFOs all day long

1782

01:21:09,810 --> 01:21:06,410

does that make me an expert no so it you

1783

01:21:11,920 --> 01:21:09,820

know that they're doing good work but

1784

01:21:14,380 --> 01:21:11,930

I've been doing a lot of work too and I

1785

01:21:16,690 --> 01:21:14,390

don't have a book out there for sale so

1786

01:21:19,180 --> 01:21:16,700

when they start throwing books out I

1787

01:21:21,730 --> 01:21:19,190

kind of that started red flags me and

1788

01:21:27,490 --> 01:21:21,740

they're just doing it for their own

1789

01:21:31,570 --> 01:21:27,500

profits we know it doesn't making it

1790

01:21:33,760 --> 01:21:31,580

worse to me I just my opinion but to

1791

01:21:34,960 --> 01:21:33,770

this date what has it been 50 years

1792

01:21:38,620 --> 01:21:34,970

there's all this that's been cooking and

1793

01:21:42,130 --> 01:21:38,630

more than that yeah we really gained

1794

01:21:43,390 --> 01:21:42,140

anything so I agree they they're doing

1795

01:21:46,150 --> 01:21:43,400

all the research all they can all that

1796

01:21:49,030 --> 01:21:46,160

but they're not getting anywhere winning

1797

01:21:51,750 --> 01:21:49,040

or fast that's I don't see any

1798

01:21:57,720 --> 01:21:51,760

advantages right so like for example

1799

01:22:03,510 --> 01:22:01,780

yeah yeah give people a tough on the

1800

01:22:05,620 --> 01:22:03,520

back I'm just being you know I'm just

1801  
01:22:08,050 --> 01:22:05,630  
let me go and share with you what I'm

1802  
01:22:10,990 --> 01:22:08,060  
trying to say there are talk show hosts

1803  
01:22:15,040 --> 01:22:11,000  
out there who have also studied the

1804  
01:22:18,910 --> 01:22:15,050  
topic of ufology for decades and they

1805  
01:22:22,660 --> 01:22:18,920  
are going along with and so are you have

1806  
01:22:24,340 --> 01:22:22,670  
some UFO researchers going along with

1807  
01:22:26,260 --> 01:22:24,350  
conspiracies that are floating out there

1808  
01:22:28,200 --> 01:22:26,270  
instead of actually investigating him

1809  
01:22:31,810 --> 01:22:28,210  
and Frank and I spent months

1810  
01:22:34,000 --> 01:22:31,820  
investigating two conspiracies that were

1811  
01:22:37,240 --> 01:22:34,010  
floating around the UFO community and I

1812  
01:22:39,550 --> 01:22:37,250  
found out that these alleged documents

1813  
01:22:43,510 --> 01:22:39,560

that claimed a lot of really amazing

1814

01:22:46,270 --> 01:22:43,520

things cannot stand as authentic in

1815

01:22:48,870 --> 01:22:46,280

their entirety because we found a lot of

1816

01:22:51,729 --> 01:22:48,880

discrepancies regarding them however

1817

01:22:55,780 --> 01:22:51,739

what I did notice is there's an awful

1818

01:22:58,450 --> 01:22:55,790

lot of these UFO researchers who claim

1819

01:23:00,400 --> 01:22:58,460

to be serious UFO researchers and and

1820

01:23:02,680 --> 01:23:00,410

have been around for decades in the UFO

1821

01:23:04,900 --> 01:23:02,690

community they're just making money off

1822

01:23:06,580 --> 01:23:04,910

of these clint these conspiracies on

1823

01:23:08,530 --> 01:23:06,590

their talk shows they're not

1824

01:23:10,600 --> 01:23:08,540

investigating them even though these

1825

01:23:12,459 --> 01:23:10,610

folks claim to be researchers and

1826  
01:23:14,919 --> 01:23:12,469  
investigators they're just making money

1827  
01:23:19,510 --> 01:23:14,929  
off the claims and I'll say that there

1828  
01:23:21,729 --> 01:23:19,520  
there's a value in research that doesn't

1829  
01:23:24,100 --> 01:23:21,739  
involve a field investigations I've

1830  
01:23:26,169 --> 01:23:24,110  
never done any of that and I still think

1831  
01:23:27,340 --> 01:23:26,179  
that there's value in archival research

1832  
01:23:30,220 --> 01:23:27,350  
there's a lot of material that's

1833  
01:23:32,169 --> 01:23:30,230  
available online and another thing is a

1834  
01:23:34,630 --> 01:23:32,179  
lot of it's been out there to the point

1835  
01:23:39,760 --> 01:23:34,640  
where it gets forgotten or glossed over

1836  
01:23:41,560 --> 01:23:39,770  
and that material has value that again

1837  
01:23:43,720 --> 01:23:41,570  
now like I say it gets I glossed over

1838  
01:23:45,370 --> 01:23:43,730

sometimes have forgotten or there are

1839

01:23:48,370 --> 01:23:45,380

things that are sitting out there sort

1840

01:23:49,870 --> 01:23:48,380

of waiting to be discovered and the nice

1841

01:23:51,939 --> 01:23:49,880

thing about the field at least in my

1842

01:23:55,180 --> 01:23:51,949

view is there are a lot of different

1843

01:23:57,520 --> 01:23:55,190

ways to make contributions to add new

1844

01:24:00,220 --> 01:23:57,530

information that you know addy

1845

01:24:02,950 --> 01:24:00,230

nationally as one guy works as part of

1846

01:24:05,350 --> 01:24:02,960

his job with the FLIR technology so when

1847

01:24:07,150 --> 01:24:05,360

he can jump in and talk about some of

1848

01:24:09,580 --> 01:24:07,160

these FLIR videos that have gotten

1849

01:24:12,790 --> 01:24:09,590

released that that provides some real

1850

01:24:14,439 --> 01:24:12,800

value because you know I don't work with

1851  
01:24:17,979 --> 01:24:14,449  
FLIR technology he knows more about it

1852  
01:24:19,450 --> 01:24:17,989  
than I do so why not ask him about it he

1853  
01:24:22,000 --> 01:24:19,460  
has his own YouTube channel where he

1854  
01:24:24,850 --> 01:24:22,010  
posts these videos and analyzes and

1855  
01:24:28,030 --> 01:24:24,860  
reproduces different types of aircraft

1856  
01:24:31,270 --> 01:24:28,040  
that are flying around and no shows okay

1857  
01:24:33,640 --> 01:24:31,280  
here's here's this particular video of a

1858  
01:24:36,070 --> 01:24:33,650  
jet and this is what it looks like on

1859  
01:24:37,420 --> 01:24:36,080  
FLIR so that kind of thing

1860  
01:24:38,830 --> 01:24:37,430  
one of the great things about the field

1861  
01:24:41,020 --> 01:24:38,840  
is there are a lot of different ways to

1862  
01:24:42,820 --> 01:24:41,030  
make contributions there's no there's no

1863  
01:24:44,230 --> 01:24:42,830

one way to make a contribution to the

1864

01:24:47,050 --> 01:24:44,240

UFO field there are a lot of different

1865

01:24:50,920 --> 01:24:47,060

ways okay Steve I had a question for you

1866

01:24:52,570 --> 01:24:50,930

that's a little complex and that is do

1867

01:24:55,060 --> 01:24:52,580

you believe the scientific and

1868

01:24:57,610 --> 01:24:55,070

journalistic communities are purposely

1869

01:25:00,250 --> 01:24:57,620

ignoring the possibility of the presence

1870

01:25:02,680 --> 01:25:00,260

or existence of extraterrestrial

1871

01:25:05,350 --> 01:25:02,690

civilizations if so why yes and I can

1872

01:25:08,650 --> 01:25:05,360

tell you exactly why it's because the

1873

01:25:12,580 --> 01:25:08,660

UFO topic is surrounded in the same room

1874

01:25:16,540 --> 01:25:12,590

as paranormal and I've been trying my

1875

01:25:18,910 --> 01:25:16,550

hardest to get that separated by on my

1876

01:25:21,310 --> 01:25:18,920

radio show I would ask people what is

1877

01:25:23,890 --> 01:25:21,320

the connection between UFOs and

1878

01:25:27,820 --> 01:25:23,900

paranormal you should see the question

1879

01:25:30,640 --> 01:25:27,830

the answers I get off of that and but

1880

01:25:32,770 --> 01:25:30,650

until that happens until UFOs gets it

1881

01:25:34,360 --> 01:25:32,780

into its own little room there will not

1882

01:25:35,620 --> 01:25:34,370

be a scientific approach from scientists

1883

01:25:37,900 --> 01:25:35,630

because the scientists don't want to

1884

01:25:39,760 --> 01:25:37,910

have oh you're looking at paranormal

1885

01:25:41,350 --> 01:25:39,770

events okay we oh that sounds pretty

1886

01:25:45,840 --> 01:25:41,360

good with you and guess what you just

1887

01:25:49,090 --> 01:25:45,850

lost your government money for the year

1888

01:25:51,880 --> 01:25:49,100

right okay so yeah there's no wind

1889

01:25:54,130 --> 01:25:51,890

there's no wind in it for them now

1890

01:25:56,140 --> 01:25:54,140

there's no upside and as you mentioned

1891

01:25:58,560 --> 01:25:56,150

before I move on doesn't have six or

1892

01:26:02,020 --> 01:25:58,570

seven million members you know that

1893

01:26:04,930 --> 01:26:02,030

there's a relatively small number of

1894

01:26:07,480 --> 01:26:04,940

folks who are way into this yeah a show

1895

01:26:09,280 --> 01:26:07,490

like unidentified or ancient aliens

1896

01:26:11,290 --> 01:26:09,290

might draw a very nice audience at a

1897

01:26:14,260 --> 01:26:11,300

profitable audience for something like

1898

01:26:17,170 --> 01:26:14,270

the History Channel but you know even

1899

01:26:19,180 --> 01:26:17,180

most of those people are not wildly into

1900

01:26:20,740 --> 01:26:19,190

UFOs they're a day it's something to

1901

01:26:22,180 --> 01:26:20,750

watch on a Friday night they like it

1902

01:26:24,610 --> 01:26:22,190

they're interested they think there's

1903

01:26:26,620 --> 01:26:24,620

something to it but then the folks who

1904

01:26:29,320 --> 01:26:26,630

take the extra step and want to get more

1905

01:26:31,360 --> 01:26:29,330

actively involved it's a very small

1906

01:26:36,100 --> 01:26:31,370

number of people and you know it's it's

1907

01:26:38,470 --> 01:26:36,110

spread you know I played it wide but now

1908

01:26:40,180 --> 01:26:38,480

wait less than an inch deep to play on

1909

01:26:42,520 --> 01:26:40,190

that old expression a mile wide and an

1910

01:26:46,350 --> 01:26:42,530

inch deep you know there's only so many

1911

01:26:48,970 --> 01:26:46,360

and it's just not enough to get

1912

01:26:49,689 --> 01:26:48,980

attention from the scientific community

1913

01:26:54,279 --> 01:26:49,699

from

1914

01:26:56,549 --> 01:26:54,289

military it doesn't happen that often I

1915

01:26:59,560 --> 01:26:56,559

mean really good cases where you do have

1916

01:27:02,259 --> 01:26:59,570

backup for you know evidence where

1917

01:27:04,419 --> 01:27:02,269

you've got a good credible witness may

1918

01:27:06,729 --> 01:27:04,429

be backed up by radar as an example

1919

01:27:10,239 --> 01:27:06,739

those kind of things just don't seem to

1920

01:27:11,709 --> 01:27:10,249

happen often enough to get people all

1921

01:27:15,850 --> 01:27:11,719

worked up about it and that I think

1922

01:27:17,770 --> 01:27:15,860

that's where the real issue is okay

1923

01:27:21,129 --> 01:27:17,780

Steve I had a question to ask you and

1924

01:27:24,629 --> 01:27:21,139

that is it's one of the biggies will

1925

01:27:29,549 --> 01:27:24,639

disclosure happen and if so when and how

1926

01:27:32,680 --> 01:27:29,559

assuming that it hasn't already if so

1927

01:27:35,919 --> 01:27:32,690

will disclosure happen if so when and

1928

01:27:39,250 --> 01:27:35,929

how I call it baby steps is what I call

1929

01:27:43,390 --> 01:27:39,260

it it things happen a little bit at a

1930

01:27:44,919 --> 01:27:43,400

time and I'm you might correct me if I'm

1931

01:27:47,020 --> 01:27:44,929

wrong but I don't think they have found

1932

01:27:48,729 --> 01:27:47,030

any water on another planet yet I may be

1933

01:27:51,339 --> 01:27:48,739

wrong seemed like they said they found

1934

01:27:52,870 --> 01:27:51,349

some on Mars but when you sit there and

1935

01:27:54,339 --> 01:27:52,880

jump up and down for years and years and

1936

01:27:57,160 --> 01:27:54,349

years say well you can't have life with

1937

01:28:00,279 --> 01:27:57,170

that without water and both of them one

1938

01:28:01,509 --> 01:28:00,289

has water so that kind of limits it down

1939

01:28:05,410 --> 01:28:01,519

a little bit but when you start finding

1940

01:28:08,560 --> 01:28:05,420

other planets with water then that's

1941

01:28:10,149 --> 01:28:08,570

that's one little baby step and I would

1942

01:28:11,560 --> 01:28:10,159

I would think that you know you see

1943

01:28:13,149 --> 01:28:11,570

these photographs oh we found a new

1944

01:28:14,259 --> 01:28:13,159

planet out here it looks like Earth and

1945

01:28:16,750 --> 01:28:14,269

all that kind of thing well I'm looking

1946

01:28:18,819 --> 01:28:16,760

at it and I don't see any electricity

1947

01:28:20,739 --> 01:28:18,829

own anywheres no lights in the cities or

1948

01:28:22,390 --> 01:28:20,749

anything so does that mean there's life

1949

01:28:25,359 --> 01:28:22,400

or no I mean they use maybe they use

1950

01:28:27,729 --> 01:28:25,369

candles so I I do I do want to expound

1951

01:28:28,839 --> 01:28:27,739

on this and that is uh I and I brought

1952

01:28:30,699 --> 01:28:28,849

this up myself I don't have a

1953

01:28:31,989 --> 01:28:30,709

photographic memory so I just want to be

1954

01:28:34,979 --> 01:28:31,999

clear I did look this up while you were

1955

01:28:37,180 --> 01:28:34,989

talking on September 27 2012 NASA

1956

01:28:38,979 --> 01:28:37,190

scientists announced that the Curiosity

1957

01:28:40,870 --> 01:28:38,989

rover found direct evidence for an

1958

01:28:42,759 --> 01:28:40,880

ancient stream vented in Gale Crater

1959

01:28:45,489 --> 01:28:42,769

suggesting an ancient Vickers flow of

1960

01:28:47,229 --> 01:28:45,499

water on Mars I I could go on about that

1961

01:28:50,709 --> 01:28:47,239

regarding water on Mars

1962

01:28:54,419 --> 01:28:50,719

but wanted to move on to the idea of

1963

01:28:57,910 --> 01:28:54,429

disclosure and that is on December 16

1964

01:28:59,259 --> 01:28:57,920

2017 there was an article title glowing

1965

01:29:01,479 --> 01:28:59,269

ours and black money the Pentagon's

1966

01:29:03,500 --> 01:29:01,489

mysterious UFO program written by three

1967

01:29:06,530 --> 01:29:03,510

people Helen Cooper Ralph bloomin

1968

01:29:08,750 --> 01:29:06,540

and Leslie Kean now Jan harson has

1969

01:29:12,890 --> 01:29:08,760

already made it clear he believes dot

1970

01:29:14,480 --> 01:29:12,900

article was a form of disclosure and he

1971

01:29:18,020 --> 01:29:14,490

said we already have all the disclosure

1972

01:29:19,940 --> 01:29:18,030

we're gonna need that that is what he

1973

01:29:22,400 --> 01:29:19,950

believes this full disclosure by the US

1974

01:29:24,740 --> 01:29:22,410

government so as other people have that

1975

01:29:25,850 --> 01:29:24,750

same perspective I don't I'll tell you

1976

01:29:27,950 --> 01:29:25,860

why and then I want to know what you

1977

01:29:30,920 --> 01:29:27,960

have to say and that is to me full

1978

01:29:33,650 --> 01:29:30,930

disclosure from the US government for

1979

01:29:37,220 --> 01:29:33,660

example is releasing every file they've

1980

01:29:42,440 --> 01:29:37,230

ever had related to the UFO topic and I

1981

01:29:44,920 --> 01:29:42,450

personally believe that if they being

1982

01:29:48,290 --> 01:29:44,930

the US government can handle reading

1983

01:29:51,200 --> 01:29:48,300

scrutinizing reviewing and analyzing and

1984

01:29:53,780 --> 01:29:51,210

and also gathering all of that

1985

01:29:56,750 --> 01:29:53,790

information on the UFO topic

1986

01:29:58,430 --> 01:29:56,760

well we're adults so can we we're not a

1987

01:30:01,100 --> 01:29:58,440

bunch of five-year-olds we're not babies

1988

01:30:02,990 --> 01:30:01,110

pretty sure we can handle it if they can

1989

01:30:03,740 --> 01:30:03,000

- now if it's an issue of national

1990

01:30:07,430 --> 01:30:03,750

security

1991

01:30:11,150 --> 01:30:07,440

I get that however how do we really know

1992

01:30:14,990 --> 01:30:11,160

that any of it would have anything to do

1993

01:30:17,300 --> 01:30:15,000

with national security well national

1994

01:30:19,310 --> 01:30:17,310

security is a big umbrella it is a big

1995

01:30:20,840 --> 01:30:19,320

umbrella and I think it's some cases

1996

01:30:23,170 --> 01:30:20,850

they could be using that as an excuse

1997

01:30:26,090 --> 01:30:23,180

but do you boo

1998

01:30:27,500 --> 01:30:26,100

find out that all aliens are real and

1999

01:30:29,360 --> 01:30:27,510

all this kind of crap and your religion

2000

01:30:31,370 --> 01:30:29,370

isn't what you think it is well they're

2001

01:30:33,380 --> 01:30:31,380

going to riot in the street there's your

2002

01:30:36,890 --> 01:30:33,390

national security umbrella being broken

2003

01:30:39,530 --> 01:30:36,900

right there but I okay and see this the

2004

01:30:42,260 --> 01:30:39,540

thing we've heard that for four years

2005

01:30:45,200 --> 01:30:42,270

now sure but but do you really believe

2006

01:30:47,780 --> 01:30:45,210

that well there was a study I read about

2007

01:30:48,860 --> 01:30:47,790

years and years ago that was was made

2008

01:30:51,760 --> 01:30:48,870

similar to what you're talking about

2009

01:30:54,530 --> 01:30:51,770

what if people knew that the UFOs really

2010

01:30:56,900 --> 01:30:54,540

aliens all this telling and they have

2011

01:30:58,370 --> 01:30:56,910

summed that 17 or 20 percent of the

2012

01:31:00,650 --> 01:30:58,380

religious people would commit suicide

2013

01:31:02,060 --> 01:31:00,660

but cause I guess what we're not gonna

2014

01:31:05,930 --> 01:31:02,070

live in the afterlife now that kind of

2015

01:31:08,630 --> 01:31:05,940

thing and then a lot of a larger group

2016

01:31:10,700 --> 01:31:08,640

would start revolting and getting mad

2017

01:31:12,950 --> 01:31:10,710

because the they've been lied to for

2018

01:31:14,720 --> 01:31:12,960

years and then kick everybody out of

2019

01:31:16,690 --> 01:31:14,730

office and just all kinds of things

2020

01:31:19,240 --> 01:31:16,700

would take place and

2021

01:31:22,810 --> 01:31:19,250

and I can almost see all of that I mean

2022

01:31:26,440 --> 01:31:22,820

a lot of people put a lot of faith in

2023

01:31:30,450 --> 01:31:26,450

the word God I mean in the Bible so

2024

01:31:36,760 --> 01:31:33,720

the debt that a person believes

2025

01:31:40,300 --> 01:31:36,770

Christians for example cannot handle the

2026

01:31:42,580 --> 01:31:40,310

possibility of ETS being out there my

2027

01:31:46,000 --> 01:31:42,590

house they think their demons are told

2028

01:31:47,980 --> 01:31:46,010

they're demons oh okay I was just gonna

2029

01:31:50,400 --> 01:31:47,990

say let's just say okay I'm glad you

2030

01:31:54,130 --> 01:31:50,410

brought the demon topic let's just say

2031

01:31:57,610 --> 01:31:54,140

they're not demon it's okay then my

2032

01:32:00,450 --> 01:31:57,620

answer to that Christian pasta the idea

2033

01:32:05,020 --> 01:32:00,460

of regarding Christians and he teases

2034

01:32:07,950 --> 01:32:05,030

well if they have full belief in faith

2035

01:32:09,730 --> 01:32:07,960

in God then what are they worried about

2036

01:32:12,120 --> 01:32:09,740

well that's true what are they worried

2037

01:32:13,630 --> 01:32:12,130

about whether they're demons or not

2038

01:32:15,910 --> 01:32:13,640

that's true

2039

01:32:17,830 --> 01:32:15,920

God can take care of them and over the

2040

01:32:20,080 --> 01:32:17,840

last two years we've seen all this new

2041

01:32:22,840 --> 01:32:20,090

information come out about UFOs and

2042

01:32:24,370 --> 01:32:22,850

what's the reaction been it's gotten a

2043

01:32:27,280 --> 01:32:24,380

few people more interested in the

2044

01:32:29,440 --> 01:32:27,290

subject but again it's a real small

2045

01:32:31,480 --> 01:32:29,450

number against the entire population

2046

01:32:33,100 --> 01:32:31,490

yeah and you know when these articles

2047

01:32:35,680 --> 01:32:33,110

come out they come out on like a Friday

2048

01:32:37,690 --> 01:32:35,690

and people are gonna do something on the

2049

01:32:39,730 --> 01:32:37,700

weekend and nobody ever really notices

2050

01:32:41,800 --> 01:32:39,740

all this stuff anyway coming out you

2051  
01:32:44,200 --> 01:32:41,810  
know as mainstream media UFO related

2052  
01:32:50,380 --> 01:32:44,210  
reports oh you know the really biggy

2053  
01:32:53,560 --> 01:32:50,390  
articles I've noticed their articles in

2054  
01:32:55,360 --> 01:32:53,570  
the New York Times Politico

2055  
01:32:58,870 --> 01:32:55,370  
I haven't read a newspaper since I threw

2056  
01:33:00,370 --> 01:32:58,880  
that stupid thing back in the 70s well

2057  
01:33:02,500 --> 01:33:00,380  
okay so I was gonna ask you another

2058  
01:33:04,240 --> 01:33:02,510  
question but just just one more thing on

2059  
01:33:06,490 --> 01:33:04,250  
Mars in case our listeners want to know

2060  
01:33:09,910 --> 01:33:06,500  
a little bit more about that that almost

2061  
01:33:14,760 --> 01:33:09,920  
all water on Mars exists today is ice so

2062  
01:33:18,460 --> 01:33:14,770  
moving along here do you do you believe

2063  
01:33:20,980 --> 01:33:18,470

we are or have been using any technology

2064

01:33:23,320 --> 01:33:20,990  
taken by our government or any

2065

01:33:25,510 --> 01:33:23,330  
government from extraterrestrial related

2066

01:33:27,010 --> 01:33:25,520  
technology well of course I do

2067

01:33:29,820 --> 01:33:27,020  
it goes back to what I was telling you

2068

01:33:32,130 --> 01:33:29,830  
earlier we were in a

2069

01:33:34,170 --> 01:33:32,140  
animal-drawn vehicle for 2500 years and

2070

01:33:36,530 --> 01:33:34,180  
all of a sudden in 60 years we go to the

2071

01:33:39,900 --> 01:33:36,540  
moon we didn't just learn that overnight

2072

01:33:41,430 --> 01:33:39,910  
we had some help doing that now that

2073

01:33:44,490 --> 01:33:41,440  
doesn't that means that there are some

2074

01:33:46,050 --> 01:33:44,500  
aliens that are here to help us and if

2075

01:33:49,970 --> 01:33:46,060  
there were any aliens here that we're

2076

01:33:58,260 --> 01:33:54,030

right so we're getting help all right

2077

01:34:00,300 --> 01:33:58,270

okay so uh do you believe this is a

2078

01:34:02,700 --> 01:34:00,310

question you sort of answered but tell

2079

01:34:04,380 --> 01:34:02,710

me if you feel like you have in its

2080

01:34:06,480 --> 01:34:04,390

entirety as far as answering it

2081

01:34:08,010 --> 01:34:06,490

do you believe national security is a

2082

01:34:09,990 --> 01:34:08,020

legitimate concern to keep all

2083

01:34:12,360 --> 01:34:10,000

government agencies from disclosing

2084

01:34:13,980 --> 01:34:12,370

everything they have about possible

2085

01:34:16,140 --> 01:34:13,990

presence of extraterrestrial activity

2086

01:34:20,910 --> 01:34:16,150

and extraterrestrial crafts and

2087

01:34:22,920 --> 01:34:20,920

technology yes okay and what are your

2088

01:34:25,260 --> 01:34:22,930

thoughts on the advanced aerospace

2089

01:34:27,210 --> 01:34:25,270

threat identification program AAT IP

2090

01:34:28,800 --> 01:34:27,220

videos from the Pentagon UFO study I

2091

01:34:30,330 --> 01:34:28,810

think there's Frank tell me if I'm

2092

01:34:34,320 --> 01:34:30,340

correct but I believe it's a Google

2093

01:34:35,850 --> 01:34:34,330

they're so fast and tic-tac well I've

2094

01:34:39,240 --> 01:34:35,860

been hearing a lot about stik-tek lately

2095

01:34:41,610 --> 01:34:39,250

but anything in the news big-time like

2096

01:34:43,860 --> 01:34:41,620

that I think is just a test I think it's

2097

01:34:46,290 --> 01:34:43,870

our equipment they're testing it to see

2098

01:34:49,560 --> 01:34:46,300

what the results are going to be from

2099

01:34:51,300 --> 01:34:49,570

the people at large so so let me give

2100

01:34:53,010 --> 01:34:51,310

you example it's like another one maybe

2101

01:34:56,130 --> 01:34:53,020

steps I was telling you about right so

2102

01:34:58,890 --> 01:34:56,140

we interviewed a few folks Ignis for

2103

01:35:02,460 --> 01:34:58,900

different people I think it was a PJ

2104

01:35:04,980 --> 01:35:02,470

Hughes Gary Voorhees Kevin day and what

2105

01:35:08,220 --> 01:35:04,990

was the other person's name I believe a

2106

01:35:12,360 --> 01:35:08,230

person - yeah of a USS Princeton and the

2107

01:35:14,310 --> 01:35:12,370

USS Nimitz and yep I asked the question

2108

01:35:17,370 --> 01:35:14,320

basically do you do believe it's

2109

01:35:19,560 --> 01:35:17,380

possible that this being the tic-tock

2110

01:35:21,780 --> 01:35:19,570

this thing being the tic-tock they saw

2111

01:35:25,320 --> 01:35:21,790

was one of ours meaning US governments

2112

01:35:27,240 --> 01:35:25,330

and one of them said yes now I talked to

2113

01:35:30,000 --> 01:35:27,250

a scientist I'm not going to say who

2114

01:35:32,370 --> 01:35:30,010

this person is okay and they said they

2115

01:35:35,640 --> 01:35:32,380

believe from their perspective that it

2116

01:35:39,000 --> 01:35:35,650

is not it doesn't make sense that DARPA

2117

01:35:43,589 --> 01:35:39,010

or any other department of the US

2118

01:35:48,490 --> 01:35:43,599

government would test out equipment

2119

01:35:52,479 --> 01:35:48,500

while the military it without the

2120

01:35:54,399 --> 01:35:52,489

military knowing because it's possible

2121

01:35:58,030 --> 01:35:54,409

that they may react in a mortal manner

2122

01:36:01,359 --> 01:35:58,040

like actually shoot at the craft there

2123

01:36:04,810 --> 01:36:01,369

for killing the folks inside or ruining

2124

01:36:07,089 --> 01:36:04,820

the multimillion-dollar drone you know

2125

01:36:08,530 --> 01:36:07,099

do you really so my question to you

2126  
01:36:10,959 --> 01:36:08,540  
again is do you really believe it's

2127  
01:36:13,600 --> 01:36:10,969  
still one of ours based on that idea yes

2128  
01:36:18,760 --> 01:36:13,610  
Wow any kind of a threat

2129  
01:36:20,020 --> 01:36:18,770  
an unknown an unknown is a threat and if

2130  
01:36:22,479 --> 01:36:20,030  
it's in the close proximity to an

2131  
01:36:27,220 --> 01:36:22,489  
aircraft carrier that's a major threat

2132  
01:36:30,729 --> 01:36:27,230  
but did not launch any aircraft to

2133  
01:36:31,270 --> 01:36:30,739  
challenge this object we'd say that

2134  
01:36:34,419 --> 01:36:31,280  
again

2135  
01:36:37,359 --> 01:36:34,429  
the aircraft carrier did not launch any

2136  
01:36:39,459 --> 01:36:37,369  
aircraft to challenge the object well

2137  
01:36:41,560 --> 01:36:39,469  
Dave actually it did that they sent out

2138  
01:36:44,430 --> 01:36:41,570

that three different sorties to go take

2139

01:36:48,549 --> 01:36:44,440

a closer look okay and what they found

2140

01:36:50,950 --> 01:36:48,559

they saw the object up closer I won't

2141

01:36:53,950 --> 01:36:50,960

see two of them I believe saw the object

2142

01:37:01,450 --> 01:36:53,960

up close and then a third was able to

2143

01:37:06,220 --> 01:37:01,460

get that FLIR video okay it's a stolen

2144

01:37:11,049 --> 01:37:06,230

unknown so then the one had the one

2145

01:37:14,770 --> 01:37:11,059

pilot flavor he is convinced that it the

2146

01:37:16,569 --> 01:37:14,780

vehicle was not of this world somewhere

2147

01:37:22,240 --> 01:37:16,579

somewhere along the line someone told

2148

01:37:24,220 --> 01:37:22,250

them not to act with it act with it

2149

01:37:26,830 --> 01:37:24,230

meaning what lock on to and shoot it

2150

01:37:28,629 --> 01:37:26,840

down well they didn't have weapons

2151  
01:37:30,760 --> 01:37:28,639  
onboard that part of their training was

2152  
01:37:34,419 --> 01:37:30,770  
not to be armed well there's the other

2153  
01:37:37,060 --> 01:37:34,429  
rub you do not send up aircraft to

2154  
01:37:41,620 --> 01:37:37,070  
challenge another unknown without

2155  
01:37:43,660 --> 01:37:41,630  
armament I think that was actually a

2156  
01:37:45,339 --> 01:37:43,670  
topic of debate in the Ithaca Miramar

2157  
01:37:47,859 --> 01:37:45,349  
regarding what we're talking about here

2158  
01:37:50,350 --> 01:37:47,869  
well then yeah that know them we've got

2159  
01:37:53,379 --> 01:37:50,360  
the you're saying challenge I'm saying

2160  
01:37:55,240 --> 01:37:53,389  
you know the with the reports that we've

2161  
01:37:56,500 --> 01:37:55,250  
gotten are that they did go out to take

2162  
01:37:58,720 --> 01:37:56,510  
a closer look so

2163  
01:38:01,930 --> 01:37:58,730

you're saying challenge meaning go out

2164

01:38:03,729 --> 01:38:01,940

and yeah I get closer down what it is

2165

01:38:06,010 --> 01:38:03,739

make contact with it and see what its

2166

01:38:08,430 --> 01:38:06,020

intentions yeah well yeah that there

2167

01:38:11,350 --> 01:38:08,440

that they did do that they did do I

2168

01:38:13,900 --> 01:38:11,360

think exact I think are the evidence

2169

01:38:15,790 --> 01:38:13,910

points since their weaponry yes they

2170

01:38:17,590 --> 01:38:15,800

were unarmed you don't you do not send

2171

01:38:20,260 --> 01:38:17,600

up someone unarmed to challenge an

2172

01:38:21,040 --> 01:38:20,270

object that's unknown okay I'll give you

2173

01:38:24,430 --> 01:38:21,050

an example

2174

01:38:28,030 --> 01:38:24,440

yeah Washington DC is a no-fly zone yeah

2175

01:38:30,010 --> 01:38:28,040

try to fly an airplane in there you will

2176

01:38:31,900 --> 01:38:30,020

be challenging immediately but I get

2177

01:38:34,570 --> 01:38:31,910

fighters with there's enough armament on

2178

01:38:36,160 --> 01:38:34,580

there to blow you apart and and our

2179

01:38:38,800 --> 01:38:36,170

listeners just our listeners know Steve

2180

01:38:40,930 --> 01:38:38,810

is just giving that as an example he's

2181

01:38:45,729 --> 01:38:40,940

not giving a command to our listeners to

2182

01:38:47,979 --> 01:38:45,739

try ya know why you don't want to do it

2183

01:38:50,200 --> 01:38:47,989

exactly and I just wanna make that clear

2184

01:38:52,030 --> 01:38:50,210

because Steve was just using that as a

2185

01:38:53,860 --> 01:38:52,040

mere example and he of course we all

2186

01:38:56,500 --> 01:38:53,870

know this doesn't I mean the airspace

2187

01:38:58,930 --> 01:38:56,510

over DC is different than airspace out

2188

01:39:01,330 --> 01:38:58,940

over the Pacific Ocean but any any

2189

01:39:05,229 --> 01:39:01,340

airspace around an aircraft carrier is a

2190

01:39:07,479 --> 01:39:05,239

secure area right so Mike my question

2191

01:39:09,040 --> 01:39:07,489

remains the same and I don't mind if you

2192

01:39:10,570 --> 01:39:09,050

say why already answered that that's

2193

01:39:14,460 --> 01:39:10,580

fine yeah so I'm going to push you on

2194

01:39:20,080 --> 01:39:14,470

this Steve okay I'm gonna be aggressive

2195

01:39:22,420 --> 01:39:20,090

my question is why would any department

2196

01:39:26,160 --> 01:39:22,430

of the US government test out the

2197

01:39:30,180 --> 01:39:26,170

behavior or possible reactions unknown

2198

01:39:32,710 --> 01:39:30,190

reactants of our own military on craft

2199

01:39:35,320 --> 01:39:32,720

just to see what they would do like what

2200

01:39:40,470 --> 01:39:35,330

is the point of that well I can put it

2201

01:39:43,000 --> 01:39:40,480

to you in four letters T est

2202

01:39:44,410 --> 01:39:43,010

so you really think that they that they

2203

01:39:46,240 --> 01:39:44,420

being the US government would do that to

2204

01:39:50,410 --> 01:39:46,250

their own military to see the behavior

2205

01:39:53,280 --> 01:39:50,420

of course okay all right well so let me

2206

01:39:57,160 --> 01:39:53,290

move along the next question what do you

2207

01:40:00,729 --> 01:39:57,170

when you first started out researching

2208

01:40:02,200 --> 01:40:00,739

the UFO topic and and I'm not saying

2209

01:40:03,910 --> 01:40:02,210

this happened to you but it this has

2210

01:40:06,130 --> 01:40:03,920

happened an awful lot of people tell me

2211

01:40:08,470 --> 01:40:06,140

if this happened to you you started off

2212

01:40:10,270 --> 01:40:08,480

with questions hoping that you might

2213

01:40:12,070 --> 01:40:10,280

find some answers

2214

01:40:14,890 --> 01:40:12,080

maybe knowing realistically you wouldn't

2215

01:40:19,570 --> 01:40:14,900

have all answers a questions answered

2216

01:40:21,610 --> 01:40:19,580

but at least some of them do you now all

2217

01:40:24,100 --> 01:40:21,620

these years later after being involved

2218

01:40:29,440 --> 01:40:24,110

in the UFO topic have more questions

2219

01:40:32,470 --> 01:40:29,450

than you do answers let's see how to

2220

01:40:40,360 --> 01:40:36,340

I suppose my some questions were

2221

01:40:44,560 --> 01:40:40,370

answered yes but the real important ones

2222

01:40:48,370 --> 01:40:44,570

were not let's take a abduction

2223

01:40:51,130 --> 01:40:48,380

experience for example they they are all

2224

01:40:53,680 --> 01:40:51,140

basically the same and there's no

2225

01:40:55,390 --> 01:40:53,690

evidence of anything there may be some

2226

01:40:57,130 --> 01:40:55,400

scratches or something on the body or

2227

01:40:58,980 --> 01:40:57,140

something like that but you know I can

2228

01:41:01,810 --> 01:40:58,990

scratch myself and say an alien did it

2229

01:41:04,780 --> 01:41:01,820

they they always talk about these

2230

01:41:07,320 --> 01:41:04,790

implants which always something is like

2231

01:41:11,370 --> 01:41:07,330

a splinter that's been there for years

2232

01:41:15,760 --> 01:41:11,380

no really good evidence on that and I

2233

01:41:18,010 --> 01:41:15,770

began to look at my investigations at a

2234

01:41:19,660 --> 01:41:18,020

different way when I was going into an

2235

01:41:21,310 --> 01:41:19,670

investigation I would just kind of look

2236

01:41:24,610 --> 01:41:21,320

around first thing I'm looking for our

2237

01:41:26,650 --> 01:41:24,620

UFO book I want to see how much you how

2238

01:41:28,660 --> 01:41:26,660

many UFO books that they have or read or

2239

01:41:32,530 --> 01:41:28,670

look into or what channel they looked at

2240

01:41:34,930 --> 01:41:32,540

because any abductee can read to

2241

01:41:36,730 --> 01:41:34,940

abduction books and be a champ on on

2242

01:41:39,510 --> 01:41:36,740

what goes on and can say anything they

2243

01:41:42,160 --> 01:41:39,520

can repeat anything in that book and

2244

01:41:44,380 --> 01:41:42,170

that's that's what happens that took

2245

01:41:48,340 --> 01:41:44,390

place this is it so I thought I did it

2246

01:41:52,090 --> 01:41:48,350

too I don't know what their ambitions

2247

01:41:56,380 --> 01:41:52,100

are or why they're doing it maybe maybe

2248

01:42:01,510 --> 01:41:56,390

it did happen and all of the incidents

2249

01:42:03,430 --> 01:42:01,520

are the same but I don't know it's just

2250

01:42:05,530 --> 01:42:03,440

I'd really don't have any more questions

2251

01:42:06,520 --> 01:42:05,540

than I had to begin with it's just as

2252

01:42:09,880 --> 01:42:06,530

some of the questions are being

2253

01:42:12,670 --> 01:42:09,890

explained a little bit different do you

2254

01:42:14,020 --> 01:42:12,680

think that it's possible all of your

2255

01:42:17,440 --> 01:42:14,030

questions may be answered

2256

01:42:19,660 --> 01:42:17,450

eventually in your lifetime no okay and

2257

01:42:22,150 --> 01:42:19,670

so my last question to you is and it's a

2258

01:42:24,990 --> 01:42:22,160

super broad one is is there anything

2259

01:42:27,939 --> 01:42:25,000

you're a super broad chance

2260

01:42:30,459 --> 01:42:27,949

you are too Frank thank you oh thank you

2261

01:42:36,240 --> 01:42:30,469

because she called me a super broad for

2262

01:42:39,760 --> 01:42:36,250

the record I'll be a super board okay so

2263

01:42:41,680 --> 01:42:39,770

my super broad question here Steve is

2264

01:42:44,709 --> 01:42:41,690  
anything else you'd like to cover

2265

01:42:47,050 --> 01:42:44,719  
regarding the topic of ufology or MUFON

2266

01:42:50,500 --> 01:42:47,060  
for our listeners as a parting parting

2267

01:42:52,149 --> 01:42:50,510  
thought or thoughts I think that anyone

2268

01:42:54,910 --> 01:42:52,159  
that's interested in the UFO topic

2269

01:42:56,680 --> 01:42:54,920  
should join MUFON immediately and it's

2270

01:42:58,300 --> 01:42:56,690  
not just so MUFON can make a lot of

2271

01:43:01,120 --> 01:42:58,310  
money and all that kind of thing it's

2272

01:43:04,450 --> 01:43:01,130  
it's like I said earlier we need a

2273

01:43:06,910 --> 01:43:04,460  
voting bloc and until we have several

2274

01:43:08,130 --> 01:43:06,920  
million members and MUFON we're going

2275

01:43:11,740 --> 01:43:08,140  
nowhere fast

2276

01:43:14,050 --> 01:43:11,750

yes that's just simple fact and let's be

2277

01:43:16,450 --> 01:43:14,060

clear because there's a lot of myths

2278

01:43:19,390 --> 01:43:16,460

about MUFON out there that need to be

2279

01:43:21,580 --> 01:43:19,400

cleared up by folks who are involved

2280

01:43:25,689 --> 01:43:21,590

with MUFON and and Steve is a perfect

2281

01:43:28,990 --> 01:43:25,699

person to to address these myths one is

2282

01:43:30,700 --> 01:43:29,000

MUFON is a part of the government the US

2283

01:43:32,950 --> 01:43:30,710

government please address that because

2284

01:43:34,390 --> 01:43:32,960

that's not true any time I hear

2285

01:43:36,010 --> 01:43:34,400

something like that I'll jump up and

2286

01:43:39,520 --> 01:43:36,020

down and say yeah I'm gonna get a big

2287

01:43:41,380 --> 01:43:39,530

check this month right no we are not

2288

01:43:43,600 --> 01:43:41,390

part of the government and anybody says

2289

01:43:44,470 --> 01:43:43,610

that has no idea what they're talking

2290

01:43:46,149 --> 01:43:44,480

about

2291

01:43:48,430 --> 01:43:46,159

thank you also there's very very few

2292

01:43:51,010 --> 01:43:48,440

people actually paid in the MUFON

2293

01:43:53,260 --> 01:43:51,020

organization maybe one to two percent of

2294

01:43:55,510 --> 01:43:53,270

the MUFON organization has paid paying

2295

01:43:57,760 --> 01:43:55,520

positions the other thing is if folks

2296

01:43:59,800 --> 01:43:57,770

want to join MUFON Steve already

2297

01:44:01,570 --> 01:43:59,810

addressed this earlier but what you do

2298

01:44:04,680 --> 01:44:01,580

is you go to MUFON comm and when you're

2299

01:44:07,660 --> 01:44:04,690

on that site you then what Steve can you

2300

01:44:10,000 --> 01:44:07,670

yes they they've made changes to the

2301  
01:44:11,680 --> 01:44:10,010  
website that the the join button used to

2302  
01:44:13,419 --> 01:44:11,690  
be at the top in the right hand corner

2303  
01:44:15,700 --> 01:44:13,429  
it may not be there anymore there

2304  
01:44:19,840 --> 01:44:15,710  
there's a small bar that goes across the

2305  
01:44:22,630 --> 01:44:19,850  
page at the top or half and there's a

2306  
01:44:24,040 --> 01:44:22,640  
button there says join and while you're

2307  
01:44:25,510 --> 01:44:24,050  
doing that you can join MUFON and you

2308  
01:44:29,410 --> 01:44:25,520  
can also be a field investigator and

2309  
01:44:31,540 --> 01:44:29,420  
that's quite a quite a maneuver to join

2310  
01:44:36,100 --> 01:44:31,550  
and be a field investigator I'm not

2311  
01:44:37,540 --> 01:44:36,110  
saying it's hard but you can join by the

2312  
01:44:42,670 --> 01:44:37,550  
manual the manual

2313  
01:44:43,870 --> 01:44:42,680

very I don't know it's pretty thick

2314

01:44:47,260 --> 01:44:43,880

manual and it has a lot of good

2315

01:44:48,700 --> 01:44:47,270

information in it and the test is no

2316

01:44:52,420 --> 01:44:48,710

longer in the manual to test is online

2317

01:44:55,420 --> 01:44:52,430

and we have a unique way of doing that

2318

01:44:57,550 --> 01:44:55,430

test used used to in the past all the

2319

01:44:58,780 --> 01:44:57,560

test answers were big time secret only

2320

01:45:04,630 --> 01:44:58,790

about three or four people knew the

2321

01:45:07,630 --> 01:45:04,640

answers to this test myself and Kent st.

2322

01:45:10,540 --> 01:45:07,640

John developed a system when you put it

2323

01:45:12,660 --> 01:45:10,550

on the CMS we now have three hundred

2324

01:45:14,830 --> 01:45:12,670

different questions that the test

2325

01:45:18,400 --> 01:45:14,840

generates a one hundred question test

2326

01:45:20,650 --> 01:45:18,410

from and basically no one gets the same

2327

01:45:22,480 --> 01:45:20,660

test so we don't have to worry about who

2328

01:45:25,180 --> 01:45:22,490

gets the answers to what when and where

2329

01:45:27,160 --> 01:45:25,190

because they're all basically scrambled

2330

01:45:29,110 --> 01:45:27,170

now but all of the answers all the

2331

01:45:30,340 --> 01:45:29,120

questions everything are all in the film

2332

01:45:32,470 --> 01:45:30,350

investigators manual everything comes

2333

01:45:34,900 --> 01:45:32,480

out of there right and then the other

2334

01:45:37,240 --> 01:45:34,910

myth is that MUFON makes money there are

2335

01:45:39,460 --> 01:45:37,250

nonprofit organizations so that is

2336

01:45:42,850 --> 01:45:39,470

correct right Steve that's true we're

2337

01:45:44,500 --> 01:45:42,860

nonprofit organization and I'd like to

2338

01:45:46,870 --> 01:45:44,510

say a few people are paid I know I'm not

2339

01:45:50,050 --> 01:45:46,880

and I've been in this thing since 1991

2340

01:45:52,030 --> 01:45:50,060

and and I don't care who makes the money

2341

01:45:54,940 --> 01:45:52,040

and move on I'm having fun doing this I

2342

01:45:56,980 --> 01:45:54,950

want I want folks to know also there are

2343

01:45:59,050 --> 01:45:56,990

people from all over the world involved

2344

01:46:03,040 --> 01:45:59,060

in MUFON MUFON is in many different

2345

01:46:05,040 --> 01:46:03,050

countries and different in every single

2346

01:46:09,280 --> 01:46:05,050

state in the United States correct Steve

2347

01:46:11,110 --> 01:46:09,290

yes there's a lot of sighting reports

2348

01:46:13,450 --> 01:46:11,120

okay but the countries that have the

2349

01:46:17,110 --> 01:46:13,460

largest group of sightings are United

2350

01:46:19,720 --> 01:46:17,120

Kingdom Canada Australia and the United

2351

01:46:21,910 --> 01:46:19,730

States everybody else is just scattered

2352

01:46:24,190 --> 01:46:21,920

here and there two or three right now

2353

01:46:27,490 --> 01:46:24,200

I'm in control of about 150 different

2354

01:46:30,310 --> 01:46:27,500

countries and we get I don't know Edwin

2355

01:46:32,530 --> 01:46:30,320

one week maybe five five cases out of

2356

01:46:35,200 --> 01:46:32,540

all of that group so it's very foreign

2357

01:46:37,900 --> 01:46:35,210

in between so there's only one question

2358

01:46:40,780 --> 01:46:37,910

left and we're going to go ahead and in

2359

01:46:42,520 --> 01:46:40,790

this interview and that is Frank and I

2360

01:46:47,020 --> 01:46:42,530

had wanted to ask you briefly about the

2361

01:46:48,760 --> 01:46:47,030

CMS database and the film 30 now just

2362

01:46:50,920 --> 01:46:48,770

really important for our listeners to

2363

01:46:51,310 --> 01:46:50,930

know there's a point where Steve may not

2364

01:46:53,950 --> 01:46:51,320

be able

2365

01:46:56,970 --> 01:46:53,960

answer all the questions on the CMS

2366

01:46:59,680 --> 01:46:56,980

database or form 30 possibly because

2367

01:47:01,290 --> 01:46:59,690

there there could be confidential

2368

01:47:05,459 --> 01:47:01,300

information regarding that that's that

2369

01:47:09,160 --> 01:47:05,469

is specific to MUFON so what is CMS

2370

01:47:10,120 --> 01:47:09,170

database and what is form 30 well at the

2371

01:47:13,359 --> 01:47:10,130

beginning where there's two different

2372

01:47:15,970 --> 01:47:13,369

entities the CMS database is the case

2373

01:47:18,550 --> 01:47:15,980

management system and when a case comes

2374

01:47:22,780 --> 01:47:18,560

in it automatically is entered into the

2375

01:47:27,010 --> 01:47:22,790

CMS database and depending on what state

2376

01:47:29,919 --> 01:47:27,020

that the case is generated in that case

2377

01:47:32,200 --> 01:47:29,929

then goes to that state director they're

2378

01:47:33,700 --> 01:47:32,210

notified by email hey you got a case

2379

01:47:35,200 --> 01:47:33,710

here's the case number da da da da Li

2380

01:47:37,629 --> 01:47:35,210

gives you a general information of what

2381

01:47:39,310 --> 01:47:37,639

the case is about and the state director

2382

01:47:42,310 --> 01:47:39,320

or the chief investigator then take that

2383

01:47:44,050 --> 01:47:42,320

case and they assign it to basically the

2384

01:47:49,290 --> 01:47:44,060

nearest to film investigator to the

2385

01:47:51,550 --> 01:47:49,300

witness and the the investigator

2386

01:47:54,129 --> 01:47:51,560

interview mister people does the case

2387

01:47:56,560 --> 01:47:54,139

fills out the case information and part

2388

01:47:58,479 --> 01:47:56,570

of that is form 30 and the reason form

2389

01:48:01,200 --> 01:47:58,489

30 was generated just because way back a

2390

01:48:04,390 --> 01:48:01,210

long time ago it was a free-for-all and

2391

01:48:06,280 --> 01:48:04,400

you could take one case synopsis from

2392

01:48:07,720 --> 01:48:06,290

one case and you look at the other one

2393

01:48:11,470 --> 01:48:07,730

you say what what's this what's that

2394

01:48:13,030 --> 01:48:11,480

with it's just a big scrambled egg so as

2395

01:48:13,990 --> 01:48:13,040

the DOI I got with all the state

2396

01:48:15,819 --> 01:48:14,000

directors and all the field

2397

01:48:18,669 --> 01:48:15,829

investigators not saying email I said

2398

01:48:21,970 --> 01:48:18,679

show me the criteria you use for your

2399

01:48:28,260 --> 01:48:21,980

final case and I got about six now that

2400

01:48:31,899 --> 01:48:28,270

six out of 50 states 50 got six so six

2401

01:48:34,180 --> 01:48:31,909

responses me six responses yes so we

2402

01:48:36,459 --> 01:48:34,190

that the best one was the one in Texas

2403

01:48:39,819 --> 01:48:36,469

and the Texas is the one we used and

2404

01:48:43,479 --> 01:48:39,829

that's formed 30 and it's very involved

2405

01:48:46,510 --> 01:48:43,489

as it asked for a lot of information and

2406

01:48:47,979 --> 01:48:46,520

immediately people did not like it

2407

01:48:51,669 --> 01:48:47,989

because it was well we're filling it out

2408

01:48:54,310 --> 01:48:51,679

twice you know that kind of thing so it

2409

01:48:57,939 --> 01:48:54,320

took years and years to do and I'm not

2410

01:49:00,430 --> 01:48:57,949

sure how much it is now but it was

2411

01:49:02,890 --> 01:49:00,440

supposed to be automatically done for

2412

01:49:05,229 --> 01:49:02,900

the most part and so now when you fill

2413

01:49:07,209 --> 01:49:05,239

out form one on your signing report

2414

01:49:08,950 --> 01:49:07,219

it is supposed to automatically transfer

2415

01:49:10,390 --> 01:49:08,960

quite a bit of information over to form

2416

01:49:13,060 --> 01:49:10,400

30 so you can have to do this double

2417

01:49:14,640 --> 01:49:13,070

work thing I've never tested it I don't

2418

01:49:16,870 --> 01:49:14,650

know I just hear that it's done and

2419

01:49:18,970 --> 01:49:16,880

there's only certain people who have

2420

01:49:21,010 --> 01:49:18,980

access to those databases is that

2421

01:49:26,650 --> 01:49:21,020

correct field investigators have access

2422

01:49:29,440 --> 01:49:26,660

to the database 30 yes and CMS database

2423

01:49:32,800 --> 01:49:29,450

of members of MUFON like people who pay

2424

01:49:36,270 --> 01:49:32,810

for newsletter do they have access their

2425

01:49:39,400 --> 01:49:36,280

pond members meaning Daniel P annually

2426

01:49:40,750 --> 01:49:39,410

okay so even state to state a field

2427

01:49:43,840 --> 01:49:40,760

investigator cannot look at in other

2428

01:49:47,229 --> 01:49:43,850

states cases okay I'm glad you cleared

2429

01:49:49,410 --> 01:49:47,239

that up that so that what I just

2430

01:49:53,290 --> 01:49:49,420

mentioned may have happened decades ago

2431

01:49:55,540 --> 01:49:53,300

where members may have had access folks

2432

01:49:58,660 --> 01:49:55,550

who who paid for like the newsletter or

2433

01:50:01,090 --> 01:49:58,670

annual paying members of MUFON but are

2434

01:50:03,580 --> 01:50:01,100

not field investigators or state section

2435

01:50:06,130 --> 01:50:03,590

directors or directors they may have had

2436

01:50:10,450 --> 01:50:06,140

access to CMS at one time yes or no no

2437

01:50:12,520 --> 01:50:10,460

okay so CNN investigators had access and

2438

01:50:15,670 --> 01:50:12,530

the reason that I don't have time but

2439

01:50:17,229 --> 01:50:15,680

the reason we had limits put on is

2440

01:50:18,040 --> 01:50:17,239

because years and years ago before I

2441

01:50:23,020 --> 01:50:18,050

became the DOI

2442

01:50:25,570 --> 01:50:23,030

I had a landing exercise in Dublin Texas

2443

01:50:27,520 --> 01:50:25,580

this is right during the Stephenville

2444

01:50:28,720 --> 01:50:27,530

things it was really weird but I know

2445

01:50:32,140 --> 01:50:28,730

some people don't have a property we

2446

01:50:35,620 --> 01:50:32,150

staged a landing site and I entered it

2447

01:50:37,479 --> 01:50:35,630

on the MS with a couple other bogus

2448

01:50:39,420 --> 01:50:37,489

little accounts that there was a landing

2449

01:50:42,430 --> 01:50:39,430

in Dublin and we were going to have a

2450

01:50:45,459 --> 01:50:42,440

star team exercise and we went through

2451

01:50:48,220 --> 01:50:45,469

the motions and I guarantee you and

2452

01:50:51,040 --> 01:50:48,230

within 24 hours they film investigator

2453

01:50:55,450 --> 01:50:51,050

in New Jersey posted all of the

2454

01:50:58,870 --> 01:50:55,460

information own a web site a UFO web

2455

01:51:02,200 --> 01:50:58,880

site and this is before star team even

2456

01:51:04,479 --> 01:51:02,210

got on the scene so our listeners know

2457

01:51:07,540 --> 01:51:04,489

what Steve is talking about when he was

2458

01:51:12,060 --> 01:51:07,550

talking about a site he's he's talking

2459

01:51:14,260 --> 01:51:12,070

about okay so what happens is MUFON will

2460

01:51:19,060 --> 01:51:14,270

every now and then according to their

2461

01:51:24,250 --> 01:51:19,070

schedule create a landing site of for a

2462

01:51:28,210 --> 01:51:24,260

you fo for training purposes in it right

2463

01:51:30,880 --> 01:51:28,220

okay and my understanding is like for

2464

01:51:35,640 --> 01:51:30,890

example you might use weedkiller to

2465

01:51:38,730 --> 01:51:35,650

create and then use a grid in order to

2466

01:51:42,610 --> 01:51:38,740

section off different parts of the UFO

2467

01:51:44,440 --> 01:51:42,620

crash-landing site yes then folks will

2468

01:51:47,470 --> 01:51:44,450

show up with technology like for example

2469

01:51:50,980 --> 01:51:47,480

laptops and then also they might use

2470

01:51:53,920 --> 01:51:50,990

prosaic things like bags or whatever

2471

01:51:56,700 --> 01:51:53,930

material in order to try and capture

2472

01:51:59,680 --> 01:51:56,710

evidence in the most sanitary and

2473

01:52:05,680 --> 01:51:59,690

scientific manner possible is that right

2474

01:52:06,820 --> 01:52:05,690

that's right and the the executive

2475

01:52:08,350 --> 01:52:06,830

director I think it's clear for clear if

2476  
01:52:09,640 --> 01:52:08,360  
he asked me says well what if somebody

2477  
01:52:10,900 --> 01:52:09,650  
comes up and wants to know what's going

2478  
01:52:12,490 --> 01:52:10,910  
on it'll all just tell them it's a

2479  
01:52:15,220 --> 01:52:12,500  
training exercise because that's exactly

2480  
01:52:18,010 --> 01:52:15,230  
what it is right then something that's

2481  
01:52:19,960 --> 01:52:18,020  
really important for people to know not

2482  
01:52:21,730 --> 01:52:19,970  
that this will ever happen in anyone's

2483  
01:52:23,470 --> 01:52:21,740  
lifetime okay but Steve and I have

2484  
01:52:25,750 --> 01:52:23,480  
talked about this before and he was very

2485  
01:52:28,710 --> 01:52:25,760  
emphatic about it and I think rightfully

2486  
01:52:31,870 --> 01:52:28,720  
so if somebody ever comes across

2487  
01:52:35,200 --> 01:52:31,880  
something that appears to be a crash

2488  
01:52:38,050 --> 01:52:35,210

well yes call 9-1-1 important to do

2489

01:52:40,000 --> 01:52:38,060

meaning a craft that there

2490

01:52:43,870 --> 01:52:40,010

they've never they don't recognize what

2491

01:52:47,140 --> 01:52:43,880

the what the vehicle or object is yes do

2492

01:52:49,150 --> 01:52:47,150

you call 9-1-1 however stay away from it

2493

01:52:51,280 --> 01:52:49,160

because if there's radiation of any kind

2494

01:52:53,820 --> 01:52:51,290

you do not want to become exposed to it

2495

01:52:58,920 --> 01:52:53,830

right that's correct

2496

01:53:01,750 --> 01:52:58,930

so and you your your MUFON team or teams

2497

01:53:05,620 --> 01:53:01,760

do they have equipment to detect

2498

01:53:07,480 --> 01:53:05,630

radiation yes okay now you also made

2499

01:53:10,000 --> 01:53:07,490

something very clear the last time we

2500

01:53:12,580 --> 01:53:10,010

talked and you said the priority aside

2501  
01:53:14,710 --> 01:53:12,590  
from calling 9-1-1 and staying away from

2502  
01:53:17,410 --> 01:53:14,720  
you know any possible radiation

2503  
01:53:21,550 --> 01:53:17,420  
contamination or exposure is just

2504  
01:53:23,320 --> 01:53:21,560  
knowing that the the first folks

2505  
01:53:24,640 --> 01:53:23,330  
who would be there to detect radiation

2506  
01:53:27,730 --> 01:53:24,650  
will probably be like the fire

2507  
01:53:31,829 --> 01:53:27,740  
department or department devoted to

2508  
01:53:34,379 --> 01:53:31,839  
radiation as a specialty to there

2509  
01:53:36,569 --> 01:53:34,389  
to their basic expertise I guess

2510  
01:53:37,319 --> 01:53:36,579  
basically their expertise right yes

2511  
01:53:40,469 --> 01:53:37,329  
that's correct

2512  
01:53:42,779 --> 01:53:40,479  
so so it's just important for folks to

2513  
01:53:44,969 --> 01:53:42,789

understand that there's been there's

2514

01:53:47,939 --> 01:53:44,979

been reports that people in the past

2515

01:53:51,599 --> 01:53:47,949

that have come across alleged ET craft

2516

01:53:57,389 --> 01:53:51,609

or some kind of craft crashing that they

2517

01:54:00,089 --> 01:53:57,399

have been exposed to radiation possibly

2518

01:54:02,909 --> 01:54:00,099

right yes there's reports about crashes

2519

01:54:07,020 --> 01:54:02,919

in Mexico where the officers a twinning

2520

01:54:09,659 --> 01:54:07,030

and all died shortly thereafter okay all

2521

01:54:11,699 --> 01:54:09,669

right well this is such a huge topic

2522

01:54:12,979 --> 01:54:11,709

actually but I I'm just really glad we

2523

01:54:16,679 --> 01:54:12,989

were able to go over it I know you

2524

01:54:19,469 --> 01:54:16,689

talked at length regarding house if one

2525

01:54:23,639 --> 01:54:19,479

were to actually study a crashed UFO

2526  
01:54:26,489 --> 01:54:23,649  
meaning a possible ET craft how a team

2527  
01:54:29,129 --> 01:54:26,499  
would do it if there was no radiation

2528  
01:54:34,379 --> 01:54:29,139  
exposure happening if there was zero

2529  
01:54:36,869 --> 01:54:34,389  
radiation going on and that how a MUFON

2530  
01:54:39,149 --> 01:54:36,879  
team would actually study analyze and

2531  
01:54:42,270 --> 01:54:39,159  
research and investigated that was a

2532  
01:54:45,629 --> 01:54:42,280  
very interesting discussion that you and

2533  
01:54:47,609 --> 01:54:45,639  
I had and you basically communicated

2534  
01:54:50,279 --> 01:54:47,619  
that there would be a grid laid out and

2535  
01:54:54,979 --> 01:54:50,289  
then there would be technology used and

2536  
01:54:57,689 --> 01:54:54,989  
then folks in theory in the MUFON and

2537  
01:55:00,379 --> 01:54:57,699  
organization would actually analyze the

2538  
01:55:02,369 --> 01:55:00,389

evidence how would they analyze it

2539

01:55:04,829 --> 01:55:02,379

depending on what the piece was what

2540

01:55:06,689 --> 01:55:04,839

size it was we have labs that we send

2541

01:55:08,239 --> 01:55:06,699

things to which are secret labs has

2542

01:55:11,459 --> 01:55:08,249

being the reason it's secret is because

2543

01:55:13,259 --> 01:55:11,469

we don't want every state director and

2544

01:55:14,819 --> 01:55:13,269

every field investigator and MUFON

2545

01:55:17,250 --> 01:55:14,829

saying hey I've got some material here

2546

01:55:19,290 --> 01:55:17,260

and I'm gonna send it over there's some

2547

01:55:20,729 --> 01:55:19,300

there's some boxes of things that Jan

2548

01:55:22,919 --> 01:55:20,739

was telling me about about years ago

2549

01:55:23,909 --> 01:55:22,929

there in headquarters and he says I

2550

01:55:25,049 --> 01:55:23,919

don't know what to do with him I said

2551

01:55:27,629 --> 01:55:25,059

well send them back as people send it to

2552

01:55:29,909 --> 01:55:27,639

you right okay

2553

01:55:31,679 --> 01:55:29,919

well Steve thank you so very much for

2554

01:55:34,290 --> 01:55:31,689

your time I'm really glad that we had

2555

01:55:36,239 --> 01:55:34,300

this opportunity to speak to you it's

2556

01:55:38,279 --> 01:55:36,249

been a fascinating two hours and just

2557

01:55:41,339 --> 01:55:38,289

want to go ahead and let everybody know

2558

01:55:44,939 --> 01:55:41,349

Steve Hudgens is the international

2559

01:55:48,719 --> 01:55:44,949

investigations director for MUFON and he

2560

01:55:51,270 --> 01:55:48,729

overseas 150 countries regarding MUFON

2561

01:55:52,830 --> 01:55:51,280

and just really thank you so much for

2562

01:55:55,439 --> 01:55:52,840

the privilege and honor of interviewing

2563

01:55:56,850 --> 01:55:55,449

you thank you very much is my pleasure

2564

01:55:58,979 --> 01:55:56,860

to be here thank you thanks a lot Steve

2565

01:56:08,009 --> 01:55:58,989

it was a lot of fun I appreciate it okay

2566

01:56:10,069 --> 01:56:08,019

thanks is it done Frank you said you

2567

01:56:15,469 --> 01:56:10,079

wanted to wrap the show so it's not done

2568

01:56:18,479 --> 01:56:15,479

okay stop has it stopped recording no

2569

01:56:21,239 --> 01:56:18,489

this I'm recording this it's just oh

2570

01:56:23,279 --> 01:56:21,249

this [h\_\_h] yeah we ever wrap the show you

2571

01:56:25,350 --> 01:56:23,289

were still going okay great let me let

2572

01:56:30,870 --> 01:56:25,360

me go let me go ahead and ask you a few

2573

01:56:33,029 --> 01:56:30,880

questions if that's okay okay well I'll

2574

01:56:37,469 --> 01:56:33,039

be really fast regarding the grave

2575

01:56:39,779 --> 01:56:37,479

damage topic and the US government

2576  
01:56:44,850 --> 01:56:39,789  
having said that top-secret UFO FILES

2577  
01:56:46,410 --> 01:56:44,860  
could cause grave damage to the u.s. top

2578  
01:56:47,969 --> 01:56:46,420  
secret UFO FILES could cause grave

2579  
01:56:50,459 --> 01:56:47,979  
damage to US national security if

2580  
01:56:52,649 --> 01:56:50,469  
released is what the Navy said what is

2581  
01:56:54,029 --> 01:56:52,659  
your feeling on that well they might be

2582  
01:56:57,419 --> 01:56:54,039  
right but we don't know because we don't

2583  
01:57:00,259 --> 01:56:57,429  
see it there have been past information

2584  
01:57:03,629 --> 01:57:00,269  
gathered by the US Navy in particular

2585  
01:57:06,689 --> 01:57:03,639  
regarding mapping the ocean floor that

2586  
01:57:09,569 --> 01:57:06,699  
they kept classified for years and it

2587  
01:57:13,049 --> 01:57:09,579  
prevented scientists from developing

2588  
01:57:16,439 --> 01:57:13,059

theories and conclusions of regarding a

2589

01:57:19,859 --> 01:57:16,449

plate tectonics so the the government

2590

01:57:21,750 --> 01:57:19,869

has a lot of tools the military in

2591

01:57:24,540 --> 01:57:21,760

particular has a lot of tools to gather

2592

01:57:27,600 --> 01:57:24,550

information they do it about UFOs they

2593

01:57:30,390 --> 01:57:27,610

did it about the ocean floor back just

2594

01:57:33,419 --> 01:57:30,400

prior to world war two and they they

2595

01:57:37,080 --> 01:57:33,429

hold on to it and while I don't think

2596

01:57:40,830 --> 01:57:37,090

it's really necessary to provide too

2597

01:57:42,689 --> 01:57:40,840

much information about the the specifics

2598

01:57:44,520 --> 01:57:42,699

of their tech and so on and so forth

2599

01:57:46,830 --> 01:57:44,530

they could certainly provide more

2600

01:57:48,810 --> 01:57:46,840

information about the number of cases

2601  
01:57:52,830 --> 01:57:48,820  
that type of thing that they deal with

2602  
01:57:54,839 --> 01:57:52,840  
so we don't know for sure but I'm not a

2603  
01:57:58,470 --> 01:57:54,849  
hundred percent convinced that

2604  
01:58:00,450 --> 01:57:58,480  
everything in those classified UFO FILES

2605  
01:58:03,920 --> 01:58:00,460  
would really prevent present a grave

2606  
01:58:06,060 --> 01:58:03,930  
danger so that's where I stand on that

2607  
01:58:07,530 --> 01:58:06,070  
okay great well that was the only

2608  
01:58:10,830 --> 01:58:07,540  
question I have for you for right now

2609  
01:58:13,740 --> 01:58:10,840  
you and I do have some more podcasts

2610  
01:58:18,150 --> 01:58:13,750  
coming up and also I would love to do a

2611  
01:58:20,580 --> 01:58:18,160  
podcast with you on some well I would

2612  
01:58:22,710 --> 01:58:20,590  
like to say I believe it's a conspiracy

2613  
01:58:24,090 --> 01:58:22,720

that hit the UFO community but I don't

2614

01:58:27,990 --> 01:58:24,100

want to talk about it right now it

2615

01:58:30,750 --> 01:58:28,000

happened I believe it was in February a

2616

01:58:32,700 --> 01:58:30,760

new conspiracy hit the UFO community and

2617

01:58:34,230 --> 01:58:32,710

at some point I'd like to go ahead and

2618

01:58:36,120 --> 01:58:34,240

talk to you about I wanna talk a little

2619

01:58:38,100 --> 01:58:36,130

bit about that there's a lot of

2620

01:58:41,010 --> 01:58:38,110

disinformation floating around a lot of

2621

01:58:42,810 --> 01:58:41,020

manipulated information that does have

2622

01:58:44,910 --> 01:58:42,820

some basis in fact it's interesting

2623

01:58:47,670 --> 01:58:44,920

stuff I think a good time to talk about

2624

01:58:50,220 --> 01:58:47,680

it'll be next week when we have Michael

2625

01:58:52,890 --> 01:58:50,230

W Hall back with us along with the

2626  
01:58:56,250 --> 01:58:52,900  
bureau's to talk about nearly an autopsy

2627  
01:58:57,780 --> 01:58:56,260  
and this all kinds of ties in so that'll

2628  
01:58:59,790 --> 01:58:57,790  
be a good opportunity to talk a little

2629  
01:59:01,350 --> 01:58:59,800  
bit more about that there was some

2630  
01:59:04,260 --> 01:59:01,360  
additional information that came out

2631  
01:59:07,020 --> 01:59:04,270  
this past yesterday as a matter of fact

2632  
01:59:09,120 --> 01:59:07,030  
regarding at how put off basically

2633  
01:59:12,780 --> 01:59:09,130  
confirming that there was an exchange

2634  
01:59:15,840 --> 01:59:12,790  
between Erik Davis and Admiral Thomas

2635  
01:59:17,580 --> 01:59:15,850  
Wilson about those that Wilson memo but

2636  
01:59:19,920 --> 01:59:17,590  
again he didn't go into a lot of detail

2637  
01:59:23,520 --> 01:59:19,930  
he just said that there had been an

2638  
01:59:24,990 --> 01:59:23,530

exchange now again we'll talk about all

2639

01:59:29,280 --> 01:59:25,000

that in a little bit more detail next

2640

01:59:31,740 --> 01:59:29,290

week so yeah let's tune in next week and

2641

01:59:33,780 --> 01:59:31,750

we'll go over it and excruciating detail

2642

01:59:35,310 --> 01:59:33,790

and we'll have to fill I will have to

2643

01:59:37,350 --> 01:59:35,320

get that a little bit more from our

2644

01:59:39,840 --> 01:59:37,360

friend Tom Whitmore who was out of that

2645

01:59:43,940 --> 01:59:39,850

well yeah I just wanted to be clear

2646

01:59:49,260 --> 01:59:43,950

about that that what tom Whitmore asked

2647

01:59:54,120 --> 01:59:49,270

about various topics of how my response

2648

02:00:00,380 --> 01:59:54,130

to that is even if how put off Eric

2649

02:00:04,410 --> 02:00:00,390

Davis have stated that the Davis Wilson

2650

02:00:07,410 --> 02:00:04,420

doc and I say that with quotes okay is

2651  
02:00:11,340 --> 02:00:07,420  
has not been altered or is a phony or

2652  
02:00:12,450 --> 02:00:11,350  
hoax well that's what he said yeah

2653  
02:00:14,940 --> 02:00:12,460  
I want to be clear that's not what he

2654  
02:00:17,040 --> 02:00:14,950  
said I'm talking about an actual

2655  
02:00:20,220 --> 02:00:17,050  
conversation I had with him so that's

2656  
02:00:23,100 --> 02:00:20,230  
why I know with Tom they have yes have

2657  
02:00:25,080 --> 02:00:23,110  
not stated that it's been altered a

2658  
02:00:27,090 --> 02:00:25,090  
phony or hoax that they basically

2659  
02:00:28,560 --> 02:00:27,100  
they've not stated that the document is

2660  
02:00:31,020 --> 02:00:28,570  
altered phony or hoax they have not

2661  
02:00:34,460 --> 02:00:31,030  
stated that they just has simply refused

2662  
02:00:39,090 --> 02:00:34,470  
to comment and my my response to that is

2663  
02:00:42,470 --> 02:00:39,100

it doesn't matter if let me put it this

2664

02:00:46,820 --> 02:00:42,480

way no matter what there are still

2665

02:00:50,130 --> 02:00:46,830

discrepancies in these yeah absolutely

2666

02:00:51,810 --> 02:00:50,140

all confirmed was that there were there

2667

02:00:54,690 --> 02:00:51,820

was an interview there was an exchange

2668

02:00:56,820 --> 02:00:54,700

between Wilson and Davis yeah and

2669

02:01:00,690 --> 02:00:56,830

there's many discrepancies it's not like

2670

02:01:04,260 --> 02:01:00,700

there's you know what the leaked

2671

02:01:06,630 --> 02:01:04,270

documents you know we've got people on

2672

02:01:08,400 --> 02:01:06,640

the record saying that they were

2673

02:01:10,470 --> 02:01:08,410

manipulated we've got that word Miller

2674

02:01:13,290 --> 02:01:10,480

we've got Joe commander Willard Milt

2675

02:01:17,790 --> 02:01:13,300

Miller has already stated but that the

2676

02:01:20,010 --> 02:01:17,800

the the letter the alleged letter he was

2677

02:01:23,160 --> 02:01:20,020

supposed to have written he was very

2678

02:01:27,060 --> 02:01:23,170

clear he said those are basically part

2679

02:01:30,120 --> 02:01:27,070

and parcel letters I've written to other

2680

02:01:33,510 --> 02:01:30,130

individuals however there's some

2681

02:01:36,720 --> 02:01:33,520

straight-out fiction it's just actual

2682

02:01:40,200 --> 02:01:36,730

fiction made up added to those sewn

2683

02:01:42,120 --> 02:01:40,210

together letters that he wrote so that

2684

02:01:44,240 --> 02:01:42,130

one letter was not something he wrote

2685

02:01:47,600 --> 02:01:44,250

from beginning to end in an entirely

2686

02:01:51,300 --> 02:01:47,610

different ones and and it also includes

2687

02:01:54,240 --> 02:01:51,310

fictionalized things in that sewn

2688

02:01:56,190 --> 02:01:54,250

together letter so and I still believe

2689

02:01:57,720 --> 02:01:56,200

that despite what put-off said yesterday

2690

02:02:00,780 --> 02:01:57,730

I still believe there are certainly some

2691

02:02:04,050 --> 02:02:00,790

elements in those Wilson Davis notes and

2692

02:02:06,690 --> 02:02:04,060

again for example commander Miller

2693

02:02:08,370 --> 02:02:06,700

supposedly was especially curious about

2694

02:02:10,560 --> 02:02:08,380

some particular cases including the

2695

02:02:12,630 --> 02:02:10,570

Socorro case which you know he said he

2696

02:02:15,990 --> 02:02:12,640

had no knowledge of it yeah I certainly

2697

02:02:20,130 --> 02:02:16,000

I do actually believe that that is again

2698

02:02:22,230 --> 02:02:20,140

the the sort of tropes and devices that

2699

02:02:24,300 --> 02:02:22,240

have been used throughout disinformation

2700

02:02:25,170 --> 02:02:24,310

that's come out over the years so again

2701

02:02:27,900 --> 02:02:25,180

now we've got a

2702

02:02:30,210 --> 02:02:27,910

clear picture that put off did confirm

2703

02:02:32,570 --> 02:02:30,220

that there was at least some sort of an

2704

02:02:35,640 --> 02:02:32,580

exchange between Davis and Wilson and

2705

02:02:37,290 --> 02:02:35,650

yeah okay I kind of expected that would

2706

02:02:39,270 --> 02:02:37,300

happen I'm I'm kind of surprised they

2707

02:02:41,910 --> 02:02:39,280

didn't get that confirmed openly

2708

02:02:43,620 --> 02:02:41,920

publicly before but finally that's

2709

02:02:45,090 --> 02:02:43,630

happened so well our about it with

2710

02:02:47,580 --> 02:02:45,100

Michael hollow I when he comes on next

2711

02:02:49,890 --> 02:02:47,590

week that's that's fine but again I just

2712

02:02:53,610 --> 02:02:49,900

want to make it clear regarding the

2713

02:02:55,380 --> 02:02:53,620

Davis Wilson I laugh when I say the word

2714

02:02:57,810 --> 02:02:55,390

document because I don't believe that

2715

02:02:59,400 --> 02:02:57,820

can really be called a like a dog people

2716

02:03:02,370 --> 02:02:59,410

misunderstand what the word document

2717

02:03:04,290 --> 02:03:02,380

means but I I recommend people look up

2718

02:03:07,400 --> 02:03:04,300

the definition of it that does not mean

2719

02:03:10,920 --> 02:03:07,410

that by virtue of the word document

2720

02:03:13,920 --> 02:03:10,930

married to the two names Davis Wilson

2721

02:03:17,010 --> 02:03:13,930

means that whole conspiracy is real as

2722

02:03:19,920 --> 02:03:17,020

it stands okay secondly just because how

2723

02:03:23,490 --> 02:03:19,930

put up said that the Davis Wilson

2724

02:03:25,860 --> 02:03:23,500

document in quotes document said that

2725

02:03:29,160 --> 02:03:25,870

there was it contained projects that

2726

02:03:30,930 --> 02:03:29,170

were ongoing possibly classified or

2727

02:03:33,060 --> 02:03:30,940

secret or confidential or whatever

2728

02:03:37,680 --> 02:03:33,070

whatever category you want to put them

2729

02:03:42,030 --> 02:03:37,690

in does not mean that documented getting

2730

02:03:44,880 --> 02:03:42,040

quote is real it just means it may

2731

02:03:48,060 --> 02:03:44,890

contain information related to projects

2732

02:03:50,370 --> 02:03:48,070

that are confidential but again it

2733

02:03:53,790 --> 02:03:50,380

doesn't verify our authenticate the

2734

02:03:56,190 --> 02:03:53,800

Davis Wilson document as being real in

2735

02:03:59,370 --> 02:03:56,200

its entirety not a stretch of the

2736

02:04:01,500 --> 02:03:59,380

imagination that is the point people

2737

02:04:04,430 --> 02:04:01,510

need to understand that there's some

2738

02:04:09,210 --> 02:04:04,440

real problems with that Davis Wilson

2739

02:04:11,870 --> 02:04:09,220

diary I say diary because it basically

2740

02:04:14,520 --> 02:04:11,880

looks like one the way it's written and

2741

02:04:17,010 --> 02:04:14,530

you know we did a podcast on this I'm

2742

02:04:19,830 --> 02:04:17,020

not going to waste any more time no I

2743

02:04:22,500 --> 02:04:19,840

can also tell you there's no way anyone

2744

02:04:24,360 --> 02:04:22,510

on this planet can actually say the

2745

02:04:26,850 --> 02:04:24,370

Davis Wilson dock is real in its

2746

02:04:29,730 --> 02:04:26,860

entirety as it stands if actually it

2747

02:04:30,900 --> 02:04:29,740

cannot be done yeah yeah there are some

2748

02:04:32,880 --> 02:04:30,910

things that there are some serious

2749

02:04:34,860 --> 02:04:32,890

problems with it and he did confirm it

2750

02:04:36,540 --> 02:04:34,870

so well you know that Davis did speak to

2751  
02:04:37,709 --> 02:04:36,550  
Wilson again that's not a huge surprise

2752  
02:04:39,570 --> 02:04:37,719  
and

2753  
02:04:40,740 --> 02:04:39,580  
what's really the surprise to me is you

2754  
02:04:42,180 --> 02:04:40,750  
know they could have gotten it why

2755  
02:04:43,979 --> 02:04:42,190  
didn't they get this done sooner you

2756  
02:04:45,959 --> 02:04:43,989  
know why didn't get it I agree and also

2757  
02:04:48,030 --> 02:04:45,969  
one other thing I'd like to bring up to

2758  
02:04:54,360 --> 02:04:48,040  
the attention of our listeners and that

2759  
02:04:58,260 --> 02:04:54,370  
is that I contacted an individual who is

2760  
02:05:00,030 --> 02:04:58,270  
involved in a Pheo and that is I'm sorry

2761  
02:05:02,189 --> 02:05:00,040  
the former intelligence the FOIA the

2762  
02:05:08,189 --> 02:05:02,199  
former intelligent the Association of

2763  
02:05:16,260 --> 02:05:08,199

former intelligence officers and now

2764

02:05:21,990 --> 02:05:16,270

you're breaking up chat yet and chant

2765

02:05:29,760 --> 02:05:26,730

hello hello well everything you're

2766

02:05:32,600 --> 02:05:29,770

saying is breaking up okay can you hear

2767

02:05:35,370 --> 02:05:32,610

me now now I can yeah okay yeah

2768

02:05:37,230 --> 02:05:35,380

that person who's a member of a Pheo

2769

02:05:39,360 --> 02:05:37,240

looked up on our behalf to see if

2770

02:05:42,630 --> 02:05:39,370

Admiral Wilson had ever been to Las

2771

02:05:44,730 --> 02:05:42,640

Vegas to speak at their a Pheo chapter

2772

02:05:46,830 --> 02:05:44,740

and he never had right right right

2773

02:05:49,230 --> 02:05:46,840

and that was on the record he said

2774

02:05:52,470 --> 02:05:49,240

that's not that never happened that was

2775

02:05:55,530 --> 02:05:52,480

John Alexander was a member of a Pheo he

2776

02:05:57,810 --> 02:05:55,540

has been for many years he looked up

2777

02:06:00,630 --> 02:05:57,820

himself and he was able to determine

2778

02:06:03,120 --> 02:06:00,640

that was not true and right away we were

2779

02:06:06,450 --> 02:06:03,130

able to find that in fact that Vegas

2780

02:06:09,060 --> 02:06:06,460

chapter was a relatively new chapter

2781

02:06:11,550 --> 02:06:09,070

that in fact that had been found founded

2782

02:06:16,350 --> 02:06:11,560

right around that time frame where the

2783

02:06:17,850 --> 02:06:16,360

this meeting supposedly took place so so

2784

02:06:19,560 --> 02:06:17,860

I mean that's about that that let's say

2785

02:06:21,330 --> 02:06:19,570

let's wrap up now we've already gone

2786

02:06:23,250 --> 02:06:21,340

over two hours so let's wrap this up and

2787

02:06:26,270 --> 02:06:23,260

we're gonna have more on all this next

2788

02:06:28,860 --> 02:06:26,280

week so a chant thanks so much again and

2789

02:06:30,360 --> 02:06:28,870

we'll have more it's it's next week

2790

02:06:33,180 --> 02:06:30,370

we're gonna have Michael and Spiros on I

2791

02:06:34,800 --> 02:06:33,190

believe alright so that'll be a lot of

2792

02:06:37,200 --> 02:06:34,810

fun thanks a lot everybody I have a

2793

02:06:40,080 --> 02:06:37,210

great week and we'll talk to you next

2794

02:06:42,810 --> 02:06:40,090

week and have more conspiracy and

2795

02:06:44,940 --> 02:06:42,820

disinformation stuff and it's gonna be a
