**UFONN
SUNDAY**

1
00:01:06,680 --> 00:01:03,800
and good evening from Philadelphia Frank

2
00:01:09,830 --> 00:01:06,690
here with a Thursday night edition of

3
00:01:11,540 --> 00:01:09,840
UFO news network Sunday something a

4
00:01:14,210 --> 00:01:11,550
little different tonight no guess it's

5
00:01:16,460 --> 00:01:14,220
just chanting I going through some news

6
00:01:18,590 --> 00:01:16,470
happenings that have popped up over the

7
00:01:21,620 --> 00:01:18,600
last couple of weeks or so that merits

8
00:01:23,990 --> 00:01:21,630
some comment and we've taken a closer

9
00:01:26,630 --> 00:01:24,000
look at some of this material so let me

10
00:01:30,620 --> 00:01:26,640
not waste any time and bring on my

11
00:01:32,680 --> 00:01:30,630
co-host as always the one the only chant

12
00:01:34,940 --> 00:01:32,690
Hannah how are you doing tonight champ

13
00:01:36,680 --> 00:01:34,950

I'm doing really good Frank how are you

14

00:01:38,330 --> 00:01:36,690

great great well we've had an

15

00:01:40,760 --> 00:01:38,340

interesting last couple of weeks I know

16

00:01:42,230 --> 00:01:40,770

back in January I'd predicted that that

17

00:01:45,530 --> 00:01:42,240

February was going to be an interesting

18

00:01:46,940 --> 00:01:45,540

month with some big news and were coming

19

00:01:50,240 --> 00:01:46,950

up on the last week of the month and

20

00:01:53,090 --> 00:01:50,250

that hasn't happened and I'm just and

21

00:01:55,520 --> 00:01:53,100

I'm disappointed in all that but enough

22

00:01:57,830 --> 00:01:55,530

news has happened and unfortunately it's

23

00:01:59,210 --> 00:01:57,840

not of the necessarily really good

24

00:02:01,730 --> 00:01:59,220

variety what we're learning a lot more

25

00:02:04,400 --> 00:02:01,740

about UFOs unfortunately a lot of this

26
00:02:07,400 --> 00:02:04,410
involves how people go about UFOs and of

27
00:02:10,370 --> 00:02:07,410
course and that's quite often not always

28
00:02:12,200 --> 00:02:10,380
a pleasant thing so let's let's not beat

29
00:02:16,540 --> 00:02:12,210
around the bush let's get right to our

30
00:02:19,700 --> 00:02:16,550
first topic of the evening let's get to

31
00:02:22,760 --> 00:02:19,710
something that happened the weekend

32
00:02:25,190 --> 00:02:22,770
before last out in West Virginia and

33
00:02:29,390 --> 00:02:25,200
this relates to the infamous Wilson

34
00:02:32,170 --> 00:02:29,400
notes what happened was how putt-off was

35
00:02:35,000 --> 00:02:32,180
making a public presentation and

36
00:02:37,970 --> 00:02:35,010
following his presentation there was an

37
00:02:39,740 --> 00:02:37,980
open question and answer session and he

38
00:02:42,530 --> 00:02:39,750

got a question he got a couple of

39

00:02:45,080 --> 00:02:42,540

interesting questions one from a fellow

40

00:02:47,720 --> 00:02:45,090

named Jonathan hunt another who was a

41

00:02:49,250 --> 00:02:47,730

friend of the show here Tom Whitmore

42

00:02:53,390 --> 00:02:49,260

they both got a couple interesting

43

00:02:55,220 --> 00:02:53,400

questions in and Jonathan hunt got there

44

00:03:00,050 --> 00:02:55,230

the question in about the Wilson

45

00:03:02,449 --> 00:03:00,060

documents and basically hip-hop's

46

00:03:04,970 --> 00:03:02,459

response was that is a question about

47

00:03:06,710 --> 00:03:04,980

the Wilson documents they probably got

48

00:03:08,050 --> 00:03:06,720

leaked on the Internet and Wilson was

49

00:03:10,370 --> 00:03:08,060

one of the Joint Chiefs of Staff

50

00:03:10,850 --> 00:03:10,380

interviewed by my senior scientists

51

00:03:13,160 --> 00:03:10,860

colleague

52

00:03:15,770 --> 00:03:13,170

Aaron Davis since it discusses

53

00:03:18,800 --> 00:03:15,780

potentially ongoing problems or simi

54

00:03:21,350 --> 00:03:18,810

program's problems ongoing programs I

55

00:03:24,710 --> 00:03:21,360

have no comment so that's basically

56

00:03:27,980 --> 00:03:24,720

where everything started off needless to

57

00:03:30,730 --> 00:03:27,990

say people who were who believed that

58

00:03:34,460 --> 00:03:30,740

these Wilson documents are authentic

59

00:03:37,010 --> 00:03:34,470

obviously crowd that what put off did

60

00:03:39,410 --> 00:03:37,020

is it basically he confirmed that in

61

00:03:43,130 --> 00:03:39,420

fact those Wilson documents are in fact

62

00:03:46,010 --> 00:03:43,140

legitimate looking at the specifics of

63

00:03:48,280 --> 00:03:46,020

what he said the all I got out of it was

64

00:03:50,840 --> 00:03:48,290

that he seemed to be confirming that

65

00:03:52,550 --> 00:03:50,850

what put-off did was a confirmed that

66

00:03:55,010 --> 00:03:52,560

there was some kind of contact some kind

67

00:03:57,590 --> 00:03:55,020

of an interview between Davis and Wilson

68

00:03:59,930 --> 00:03:57,600

and that's as far as it goes the details

69

00:04:02,000 --> 00:03:59,940

of those Doc's are unconfirmed but at

70

00:04:03,860 --> 00:04:02,010

least that it seemed to me anyway and to

71

00:04:05,480 --> 00:04:03,870

a lot of other people that at least he

72

00:04:08,660 --> 00:04:05,490

confirmed that there was an interview

73

00:04:10,010 --> 00:04:08,670

between Davis and Wilson and just the

74

00:04:13,220 --> 00:04:10,020

backtrack a little bit

75

00:04:18,560 --> 00:04:13,230

this all stems from a meeting that took

76

00:04:21,949 --> 00:04:18,570

place between Steven Greer the moon

77

00:04:25,550 --> 00:04:21,959

Walker Edgar Mitchell and Admiral Wilson

78

00:04:28,340 --> 00:04:25,560

when he was working in the intelligence

79

00:04:31,790 --> 00:04:28,350

field in the for the Defense Department

80

00:04:34,490 --> 00:04:31,800

and basically the the follow-up

81

00:04:36,140 --> 00:04:34,500

according to Greer and Mitchell was that

82

00:04:39,040 --> 00:04:36,150

Wilson tried to find out more about

83

00:04:43,760 --> 00:04:39,050

these special access programs and about

84

00:04:46,130 --> 00:04:43,770

is the et presence being covered up do

85

00:04:49,430 --> 00:04:46,140

they have special knowledge and that the

86

00:04:51,830 --> 00:04:49,440

the story was way back when that when

87

00:04:54,050 --> 00:04:51,840

Wilson followed up on it that he got

88

00:04:56,930 --> 00:04:54,060

basically a door slammed in his face by

89

00:04:59,540 --> 00:04:56,940

this unnamed defense contractor he ran

90

00:05:02,210 --> 00:04:59,550

into trouble as far as being broken down

91

00:05:05,659 --> 00:05:02,220

and rank and Greer went public about

92

00:05:08,360 --> 00:05:05,669

this specifically naming Wilson Mitchell

93

00:05:11,210 --> 00:05:08,370

mentioned the the incident but didn't

94

00:05:13,820 --> 00:05:11,220

name mitchell specifically and it caused

95

00:05:17,830 --> 00:05:13,830

quite a big hubbub but that sort of went

96

00:05:20,510 --> 00:05:17,840

away until these wilson davis notes

97

00:05:22,460 --> 00:05:20,520

became available freely on the internet

98

00:05:23,719 --> 00:05:22,470

and we've all had a hack at him

99

00:05:27,350 --> 00:05:23,729

including us

100

00:05:29,450 --> 00:05:27,360

and we've been able to yeah I think I

101
00:05:32,600 --> 00:05:29,460
poked some major holes in the veracity

102
00:05:35,209 --> 00:05:32,610
of these documents so enough enough back

103
00:05:38,989 --> 00:05:35,219
story let's let's go a little bit and

104
00:05:41,839 --> 00:05:38,999
talk about someone who or the individual

105
00:05:45,649 --> 00:05:41,849
who was put together at this particular

106
00:05:48,170 --> 00:05:45,659
program or how put off to speak at and

107
00:05:50,809 --> 00:05:48,180
that would be a man named John L

108
00:05:53,140 --> 00:05:50,819
Peterson who runs the Arlington

109
00:05:56,689 --> 00:05:53,150
Institute basically a Washington

110
00:05:57,170 --> 00:05:56,699
Metropolitan Area think-tank and he put

111
00:05:58,850 --> 00:05:57,180
this together

112
00:06:02,659 --> 00:05:58,860
now John L Peterson is an interesting

113
00:06:05,299 --> 00:06:02,669

guy because among well yeah obviously is

114

00:06:08,269 --> 00:06:05,309

able to book helped put off for a public

115

00:06:11,299 --> 00:06:08,279

speech but also he was a member of

116

00:06:14,299 --> 00:06:11,309

Robert Bigelow's national institute for

117

00:06:16,100 --> 00:06:14,309

discovery sites or needs advice science

118

00:06:17,959 --> 00:06:16,110

advisory board when that that

119

00:06:20,420 --> 00:06:17,969

organization was still operational

120

00:06:23,799 --> 00:06:20,430

so he's been he's been a player with

121

00:06:27,499 --> 00:06:23,809

these guys for quite some time and also

122

00:06:30,110 --> 00:06:27,509

it's the very same John L Peterson that

123

00:06:32,089 --> 00:06:30,120

was involved in the Grier meeting with

124

00:06:34,459 --> 00:06:32,099

james Woolsey another meaning that Grier

125

00:06:36,790 --> 00:06:34,469

had back in the 90s that no one denies

126
00:06:39,920 --> 00:06:36,800
happened but there has been obviously

127
00:06:42,409 --> 00:06:39,930
some discrepancies among the parties in

128
00:06:43,179 --> 00:06:42,419
terms of what actually happened at that

129
00:06:45,529 --> 00:06:43,189
meeting

130
00:06:46,879 --> 00:06:45,539
Peterson signs off and that says

131
00:06:48,559 --> 00:06:46,889
basically that yeah they were just

132
00:06:50,629 --> 00:06:48,569
humoring greer and they weren't

133
00:06:54,170 --> 00:06:50,639
particularly interested he was rambling

134
00:06:56,659 --> 00:06:54,180
on about UFOs but you know yeah we just

135
00:06:58,159 --> 00:06:56,669
humored the guy now I've heard yeah

136
00:07:00,469 --> 00:06:58,169
we've had that Joseph Burke's here on

137
00:07:02,329 --> 00:07:00,479
the show he said that he was involved in

138
00:07:06,019 --> 00:07:02,339

setting this up as well as Peterson and

139

00:07:07,820 --> 00:07:06,029

that the the truth actually leaves a

140

00:07:09,439 --> 00:07:07,830

little bit closer to Greer that they did

141

00:07:13,040 --> 00:07:09,449

express a little bit more interest and

142

00:07:15,469 --> 00:07:13,050

this particular incident is one that you

143

00:07:17,570 --> 00:07:15,479

know it keeps it keeps my mind open into

144

00:07:20,749 --> 00:07:17,580

the possibility that something did

145

00:07:23,209 --> 00:07:20,759

happen after this initial Wilson Greer

146

00:07:25,850 --> 00:07:23,219

meeting back in the 90s also involving

147

00:07:27,769 --> 00:07:25,860

Edgar Mitchell Willard Miller as we've

148

00:07:30,529 --> 00:07:27,779

we've talked to him about all this and

149

00:07:32,860 --> 00:07:30,539

some others as well so I'm pretty

150

00:07:36,140 --> 00:07:32,870

open-minded that something happened as a

151

00:07:38,720 --> 00:07:36,150

result of this Wilson Greer me

152

00:07:41,690 --> 00:07:38,730

just that these documents should not be

153

00:07:44,720 --> 00:07:41,700

taken at face value okay and what they

154

00:07:47,690 --> 00:07:44,730

they certainly shouldn't be done is be

155

00:07:51,320 --> 00:07:47,700

described as the leak of the century

156

00:07:53,570 --> 00:07:51,330

when there's really there's no evidence

157

00:07:57,380 --> 00:07:53,580

to suggest that these notes are

158

00:08:00,950 --> 00:07:57,390

legitimate there really isn't any now

159

00:08:02,630 --> 00:08:00,960

okay yeah jump on in chat I was just

160

00:08:05,630 --> 00:08:02,640

gonna say something that I always tell

161

00:08:08,560 --> 00:08:05,640

people and that is that not a single

162

00:08:11,930 --> 00:08:08,570

person to date has brought forth a

163

00:08:14,270 --> 00:08:11,940

single shred of forensic evidence or

164

00:08:16,760 --> 00:08:14,280

analysis or proof that would withstand

165

00:08:18,680 --> 00:08:16,770

the rigors rigorous standards required

166

00:08:21,440 --> 00:08:18,690

in the spirit of science to prove these

167

00:08:23,180 --> 00:08:21,450

conspiracies as being real I say

168

00:08:25,760 --> 00:08:23,190

conspiracies plural because I also

169

00:08:28,150 --> 00:08:25,770

include the Bigelow memo in that but yes

170

00:08:31,340 --> 00:08:28,160

of course Wilson Davis leak is

171

00:08:34,690 --> 00:08:31,350

absolutely a conspiracy and regardless

172

00:08:38,510 --> 00:08:34,700

of what put a Hopf said it does not

173

00:08:42,170 --> 00:08:38,520

authenticate that alleged document as it

174

00:08:46,370 --> 00:08:42,180

stands in its entirety no in no way

175

00:08:50,510 --> 00:08:46,380

shape or form and even even put off

176

00:08:51,860 --> 00:08:50,520

statement if you give it you sort of run

177

00:08:54,070 --> 00:08:51,870

with it and accept the fact that he's

178

00:08:57,140 --> 00:08:54,080

confirming that that Davis did in fact

179

00:08:59,420 --> 00:08:57,150

speak directly to Wilson it doesn't say

180

00:09:00,830 --> 00:08:59,430

anything beyond that that doesn't

181

00:09:03,170 --> 00:09:00,840

confirm that that they met in the

182

00:09:06,350 --> 00:09:03,180

parking lot at the EG&G building in Las

183

00:09:08,870 --> 00:09:06,360

Vegas no no does it confirm that Wilson

184

00:09:12,530 --> 00:09:08,880

was in Las Vegas on that date I believe

185

00:09:15,470 --> 00:09:12,540

it was in October 2004 I don't have the

186

00:09:17,180 --> 00:09:15,480

notes in front of me not they've not

187

00:09:19,460 --> 00:09:17,190

even that they've not placed the Wilson

188

00:09:21,320 --> 00:09:19,470

in town on that particular date and for

189

00:09:22,790 --> 00:09:21,330

those documents to be legitimate you've

190

00:09:26,990 --> 00:09:22,800

got to do that yeah you've got to do

191

00:09:29,180 --> 00:09:27,000

that and they failed to do that now we

192

00:09:31,460 --> 00:09:29,190

were ready to go with it go with this

193

00:09:36,590 --> 00:09:31,470

story pretty much as is from a couple

194

00:09:38,750 --> 00:09:36,600

days back but yesterday Richard mr. leak

195

00:09:41,780 --> 00:09:38,760

of the century Dolan followed up with

196

00:09:43,960 --> 00:09:41,790

put off and asked put off for his

197

00:09:47,300 --> 00:09:43,970

comment about his earlier comment and

198

00:09:49,430 --> 00:09:47,310

essentially what put off said was he

199

00:09:51,770 --> 00:09:49,440

didn't confirm anything regard

200

00:09:53,840 --> 00:09:51,780

any kind of contact between Davis and

201

00:09:56,240 --> 00:09:53,850

Wilson all he was basically doing is

202

00:10:01,360 --> 00:09:56,250

sort of a repeating the question as he

203

00:10:04,040 --> 00:10:01,370

got it and his only comment of any

204

00:10:06,140 --> 00:10:04,050

importance was because it involves

205

00:10:08,480 --> 00:10:06,150

potentially ongoing programs I have no

206

00:10:10,100 --> 00:10:08,490

comment and of course Dolan's initial

207

00:10:12,620 --> 00:10:10,110

reaction was his immediate reaction was

208

00:10:15,920 --> 00:10:12,630

he didn't believe put off so it's a very

209

00:10:17,840 --> 00:10:15,930

convenient how you don't believe someone

210

00:10:19,430 --> 00:10:17,850

when they say something that doesn't fit

211

00:10:22,160 --> 00:10:19,440

into the story that you want to tell

212

00:10:23,870 --> 00:10:22,170

which makes it an agenda there you go

213

00:10:27,110 --> 00:10:23,880

that's exactly what it makes it isn't it

214

00:10:29,330 --> 00:10:27,120

you know these conspiracies that

215

00:10:32,420 --> 00:10:29,340

surfaced last year being the Bigelow

216

00:10:34,640 --> 00:10:32,430

memo and the Wilson Davis talk or Doc's

217

00:10:37,400 --> 00:10:34,650

rather and I say dachshund quotes

218

00:10:40,820 --> 00:10:37,410

because they're not really Ducks okay

219

00:10:43,460 --> 00:10:40,830

but it's at this point it's a matter of

220

00:10:46,850 --> 00:10:43,470

faith that we have to take them as being

221

00:10:51,280 --> 00:10:46,860

real and that is not good enough we have

222

00:10:54,050 --> 00:10:51,290

to have more data to corroborate

223

00:10:57,160 --> 00:10:54,060

forensic ly that these are real not a

224

00:11:00,860 --> 00:10:57,170

provenance of cloak and dagger stories

225

00:11:03,500 --> 00:11:00,870

that you know shouted at the top of

226

00:11:05,660 --> 00:11:03,510

mountains in order to make us believe

227

00:11:08,420 --> 00:11:05,670

something I don't believe something like

228

00:11:10,760 --> 00:11:08,430

a document in a faith-based manner I

229

00:11:14,060 --> 00:11:10,770

have to have I have to separate fact

230

00:11:17,830 --> 00:11:14,070

from fantasy and so the only way to do

231

00:11:21,650 --> 00:11:17,840

that is to do research on there

232

00:11:25,250 --> 00:11:21,660

rigorously for months and came to the

233

00:11:26,650 --> 00:11:25,260

conclusion with you that there's

234

00:11:29,020 --> 00:11:26,660

absolutely

235

00:11:31,610 --> 00:11:29,030

there's no authenticity to them

236

00:11:34,430 --> 00:11:31,620

whatsoever as they stand in their

237

00:11:37,130 --> 00:11:34,440

entirety yeah and I mean is it possible

238

00:11:39,800 --> 00:11:37,140

but it seems is it possible that some of

239

00:11:43,880 --> 00:11:39,810

this material might prove out that Davis

240

00:11:46,850 --> 00:11:43,890

did have a contact with Wilson and and

241

00:11:48,410 --> 00:11:46,860

even taking it a step further that some

242

00:11:50,510 --> 00:11:48,420

of the the things that Wilson is

243

00:11:53,870 --> 00:11:50,520

purported to have told Davis in the doc

244

00:11:56,180 --> 00:11:53,880

might prove out yeah it's possible but

245

00:11:58,579 --> 00:11:56,190

nobody's you know nobody's digging in

246

00:12:00,800 --> 00:11:58,589

nobody's demonstrating that really any

247

00:12:02,900 --> 00:12:00,810

of it is anything other than a fiction

248

00:12:05,240 --> 00:12:02,910

now the only thing we know for sure

249

00:12:07,040 --> 00:12:05,250

is that in fact yet greer and edgar

250

00:12:09,230 --> 00:12:07,050

mittell did go in they did meet with

251

00:12:12,170 --> 00:12:09,240

Wilson wool Miller was there that's

252

00:12:14,390 --> 00:12:12,180

really about all we know for sure and

253

00:12:16,970 --> 00:12:14,400

obviously we've got to on the direct on

254

00:12:19,610 --> 00:12:16,980

the record denials from Wilson to Billy

255

00:12:22,180 --> 00:12:19,620

Cox way back in the day and also where

256

00:12:24,860 --> 00:12:22,190

we received obviously denials from

257

00:12:27,590 --> 00:12:24,870

commander Miller you know I got to be

258

00:12:29,660 --> 00:12:27,600

honest looking at that looking at that

259

00:12:31,820 --> 00:12:29,670

John Peterson letter is it possible

260

00:12:33,950 --> 00:12:31,830

though I necessarily believe will

261

00:12:36,800 --> 00:12:33,960

Miller's denials that anything happened

262

00:12:39,020 --> 00:12:36,810

after the fact no no I don't but what I

263

00:12:41,000 --> 00:12:39,030

do believe is commander Miller's our

264

00:12:43,100 --> 00:12:41,010

comments about how that letter to Eric

265

00:12:45,440 --> 00:12:43,110

Davis was manipulated yeah that part I

266

00:12:47,320 --> 00:12:45,450

believe as far as the questions he

267

00:12:50,090 --> 00:12:47,330

purportedly asked

268

00:12:53,240 --> 00:12:50,100

Admiral Wilson to ask these contractors

269

00:12:55,160 --> 00:12:53,250

about these old cases do I believe that

270

00:12:57,530 --> 00:12:55,170

that he didn't ask those questions that

271

00:13:00,020 --> 00:12:57,540

he doesn't care about those cases in

272

00:13:03,020 --> 00:13:00,030

particular the Socorro case yeah I

273

00:13:06,410 --> 00:13:03,030

believe him when he says that so there I

274

00:13:09,050 --> 00:13:06,420

think we have proven really that this

275

00:13:15,680 --> 00:13:09,060

document does Admiral Wilson notes and

276

00:13:17,690 --> 00:13:15,690

also the Bigelow kid green alien autopsy

277

00:13:19,940 --> 00:13:17,700

email chain memo whenever you want to

278

00:13:23,090 --> 00:13:19,950

call it that they have both been

279

00:13:25,910 --> 00:13:23,100

seriously manipulated and as a result of

280

00:13:28,490 --> 00:13:25,920

all that you have really got to dig in

281

00:13:33,020 --> 00:13:28,500

and pin down things as well as you

282

00:13:36,740 --> 00:13:33,030

possibly can and sir before you accept

283

00:13:38,690 --> 00:13:36,750

these as legitimate documents and I mean

284

00:13:40,610 --> 00:13:38,700

that that's about where it is right now

285

00:13:42,290 --> 00:13:40,620

I mean I can't imagine if somebody calls

286

00:13:43,970 --> 00:13:42,300

himself in this story and I think well

287

00:13:45,710 --> 00:13:43,980

would Douglas Brinkley be doing

288

00:13:48,050 --> 00:13:45,720

something like that if similar documents

289

00:13:51,740 --> 00:13:48,060

were found about oh I don't know you

290

00:13:54,080 --> 00:13:51,750

know Richard Nixon or you know Dwight

291

00:13:55,850 --> 00:13:54,090

Eisenhower or Winston Churchill whatever

292

00:13:57,380 --> 00:13:55,860

the case may be do you think Doris

293

00:13:59,240 --> 00:13:57,390

Kearns Goodwin would be doing something

294

00:14:02,150 --> 00:13:59,250

like the saying this is the smoking gun

295

00:14:04,880 --> 00:14:02,160

we proven that Lincoln did this or that

296

00:14:06,560 --> 00:14:04,890

or the other thing or David McCullough

297

00:14:08,150 --> 00:14:06,570

you know do you think that those are

298

00:14:10,060 --> 00:14:08,160

historians and do you think those people

299

00:14:12,410 --> 00:14:10,070

will be running around calling a

300

00:14:15,350 --> 00:14:12,420

document like this with its lack of

301
00:14:16,190 --> 00:14:15,360
Providence and so many holes poked in

302
00:14:17,990 --> 00:14:16,200
you you think they'd be

303
00:14:19,910 --> 00:14:18,000
this the leak of the century I don't

304
00:14:23,210 --> 00:14:19,920
think they would write and that's also

305
00:14:27,650 --> 00:14:23,220
why they call you follow G the well well

306
00:14:29,810 --> 00:14:27,660
West because they accept anything as The

307
00:14:32,720 --> 00:14:29,820
Smoking Gun and the cherry on top of the

308
00:14:37,550 --> 00:14:32,730
sundae regarding something being called

309
00:14:39,220 --> 00:14:37,560
proof or evidence and a lot of people

310
00:14:43,130 --> 00:14:39,230
just make this [h__h] up as they go along

311
00:14:46,160 --> 00:14:43,140
the this is the thing there is no

312
00:14:50,060 --> 00:14:46,170
clincher to any of these alleged docs

313
00:14:52,820 --> 00:14:50,070

that makes them any more authentic than

314

00:14:56,690 --> 00:14:52,830

they're not so there's really nothing

315

00:14:58,910 --> 00:14:56,700

authentic about them to me again

316

00:15:00,890 --> 00:14:58,920

there's no evidence to support any

317

00:15:04,760 --> 00:15:00,900

claims being made about these alleged

318

00:15:08,420 --> 00:15:04,770

docs facts cannot be refuted claims can

319

00:15:12,400 --> 00:15:08,430

and until somebody comes up with

320

00:15:14,900 --> 00:15:12,410

something that is irrefutable it these

321

00:15:19,580 --> 00:15:14,910

conspiracies will always remain in the

322

00:15:23,720 --> 00:15:19,590

unverified file for me and for many many

323

00:15:26,510 --> 00:15:23,730

others who are needing the kind of

324

00:15:28,520 --> 00:15:26,520

evidence and proof and that withstands

325

00:15:31,790 --> 00:15:28,530

the test of time regarding these these

326

00:15:33,740 --> 00:15:31,800

alleged docs yeah and you know I again I

327

00:15:36,530 --> 00:15:33,750

hold out the possibility that there

328

00:15:38,660 --> 00:15:36,540

might be some legitimacy to them but

329

00:15:41,680 --> 00:15:38,670

they've been manipulated brain's got to

330

00:15:44,360 --> 00:15:41,690

be very difficult to dig in now we know

331

00:15:47,000 --> 00:15:44,370

the government has been involved and

332

00:15:50,870 --> 00:15:47,010

knows something and has done work on

333

00:15:52,430 --> 00:15:50,880

UFOs back to 1947 right up until today I

334

00:15:55,700 --> 00:15:52,440

mean we're seeing that in the news today

335

00:15:58,340 --> 00:15:55,710

so during this timeframe this late 90s

336

00:15:59,840 --> 00:15:58,350

into the early 2000s timeframe something

337

00:16:01,460 --> 00:15:59,850

was going on there's no question about

338

00:16:02,240 --> 00:16:01,470

it and we don't really have a good idea

339

00:16:04,880 --> 00:16:02,250

what that is

340

00:16:07,460 --> 00:16:04,890

and there's always a possibility that

341

00:16:09,080 --> 00:16:07,470

these documents may provide a lead some

342

00:16:12,710 --> 00:16:09,090

interesting names were dropped in there

343

00:16:15,920 --> 00:16:12,720

like General Mike Castel mcc's who I

344

00:16:18,320 --> 00:16:15,930

understand went off and took the

345

00:16:21,350 --> 00:16:18,330

revolving door out of the military and

346

00:16:23,900 --> 00:16:21,360

went over and started working for one of

347

00:16:26,450 --> 00:16:23,910

the major defense contractors you know

348

00:16:28,550 --> 00:16:26,460

we don't know but more work needs to be

349

00:16:29,630 --> 00:16:28,560

done before that you claim that these

350

00:16:31,490 --> 00:16:29,640

documents are

351

00:16:33,350 --> 00:16:31,500

legitimate documents that you can sort

352

00:16:35,480 --> 00:16:33,360

of take to the bank it might provide

353

00:16:39,620 --> 00:16:35,490

some good leads it may very well provide

354

00:16:42,710 --> 00:16:39,630

some good leads but beyond that you know

355

00:16:44,510 --> 00:16:42,720

don't don't believe everything you read

356

00:16:46,040 --> 00:16:44,520

on the Internet so there you go and

357

00:16:50,420 --> 00:16:46,050

that's all I got on that chin you got

358

00:16:53,660 --> 00:16:50,430

anything I just think that the UFO

359

00:16:56,740 --> 00:16:53,670

community deserves better and what I

360

00:16:59,720 --> 00:16:56,750

mean by that is instead of shoving

361

00:17:02,780 --> 00:16:59,730

conspiracy Laden stories at us with

362

00:17:04,640 --> 00:17:02,790

these cloak-and-dagger backgrounds that

363

00:17:07,790 --> 00:17:04,650

you know are really great for the movies

364

00:17:10,790 --> 00:17:07,800

but in reality really don't stand the

365

00:17:13,250 --> 00:17:10,800

test of time regarding scrutiny research

366

00:17:15,550 --> 00:17:13,260

and when doing their due diligence as

367

00:17:19,310 --> 00:17:15,560

far as fact-checking these conspiracies

368

00:17:21,650 --> 00:17:19,320

there's it damages the UFO committee

369

00:17:24,110 --> 00:17:21,660

it's like all these black eyes that they

370

00:17:26,750 --> 00:17:24,120

have to deal with the the UFO community

371

00:17:30,380 --> 00:17:26,760

has so much speculation it's rife with

372

00:17:33,560 --> 00:17:30,390

speculation and fairytales and this is

373

00:17:37,550 --> 00:17:33,570

one reason why people have an issue with

374

00:17:41,000 --> 00:17:37,560

the UFO community of not all the time

375

00:17:42,820 --> 00:17:41,010

but when things like this surface where

376

00:17:45,530 --> 00:17:42,830

they're dropped like grenades on reddit

377

00:17:48,830 --> 00:17:45,540

and then people just take them at face

378

00:17:52,070 --> 00:17:48,840

value it can really damage the UFO

379

00:17:54,020 --> 00:17:52,080

community and as you can see people

380

00:17:55,700 --> 00:17:54,030

still believe to this day they just

381

00:17:58,130 --> 00:17:55,710

believe them at face value without ever

382

00:17:59,960 --> 00:17:58,140

questioning them one time I think the

383

00:18:02,000 --> 00:17:59,970

thing that I'm really tired of our

384

00:18:05,060 --> 00:18:02,010

people just assuming something is right

385

00:18:06,950 --> 00:18:05,070

and falling down the rabbit hole without

386

00:18:08,720 --> 00:18:06,960

ever bothering one time to lift their

387

00:18:10,040 --> 00:18:08,730

finger to do some research on stuff like

388

00:18:13,030 --> 00:18:10,050

this there you go

389

00:18:18,080 --> 00:18:13,040

okay and now we're ready to move on to

390

00:18:21,710 --> 00:18:18,090

topic number two now on to our next

391

00:18:25,880 --> 00:18:21,720

subject to the TTS a Serpa hoax

392

00:18:29,320 --> 00:18:25,890

connection now our friend Adi Prasad was

393

00:18:33,040 --> 00:18:29,330

a spelunking down the serpo org website

394

00:18:38,960 --> 00:18:33,050

recently and he turned up some material

395

00:18:42,300 --> 00:18:38,970

that connects what has been sitting out

396

00:18:45,090 --> 00:18:42,310

for years on the serpo website

397

00:18:48,210 --> 00:18:45,100

with things that T TSA has either been

398

00:18:52,140 --> 00:18:48,220

saying or naming their own projects

399

00:18:55,290 --> 00:18:52,150

after he took his fines he posted them

400

00:18:58,680 --> 00:18:55,300

over on reddit and basically his

401
00:19:00,440 --> 00:18:58,690
analysis was sort of at the bottom of

402
00:19:02,670 --> 00:19:00,450
his post of course he's linked and

403
00:19:06,540 --> 00:19:02,680
documented everything that he put out

404
00:19:09,440 --> 00:19:06,550
there earlier on but basically I'm going

405
00:19:13,050 --> 00:19:09,450
to start with his conclusions is

406
00:19:14,760 --> 00:19:13,060
basically overlap on the current pattern

407
00:19:17,160 --> 00:19:14,770
rising from all of this I think it

408
00:19:20,010 --> 00:19:17,170
leaves leaves us with two possibilities

409
00:19:21,750 --> 00:19:20,020
but there are likely more number one TTS

410
00:19:23,670 --> 00:19:21,760
a is a real-life version of serpo being

411
00:19:26,520 --> 00:19:23,680
played out number two

412
00:19:29,460 --> 00:19:26,530
TTS a has access to the Roswell craft to

413
00:19:32,880 --> 00:19:29,470

know exactly what the LM H part and

414

00:19:35,730 --> 00:19:32,890

other samples do so basically his finds

415

00:19:41,090 --> 00:19:35,740

that came in two essential parts I would

416

00:19:43,410 --> 00:19:41,100

say the first one relates to the bismuth

417

00:19:45,300 --> 00:19:43,420

magnesium fragment that they've been

418

00:19:47,760 --> 00:19:45,310

talking about studying for some time

419

00:19:52,410 --> 00:19:47,770

again how put off has been running

420

00:19:56,790 --> 00:19:52,420

around saying quite a bit about how this

421

00:19:58,470 --> 00:19:56,800

is a curious sample and going into a lot

422

00:20:01,560 --> 00:19:58,480

of very technical talk about waveguides

423

00:20:04,020 --> 00:20:01,570

and so on and so forth now he's been

424

00:20:07,320 --> 00:20:04,030

doing this for some time so it's not

425

00:20:10,380 --> 00:20:07,330

necessarily shocking the dis particular

426

00:20:12,900 --> 00:20:10,390

material would end up over in serpo I

427

00:20:14,880 --> 00:20:12,910

think most observers generally agree

428

00:20:17,940 --> 00:20:14,890

that a lot of this material emanates

429

00:20:20,670 --> 00:20:17,950

from Rick Doty one of the question that

430

00:20:23,130 --> 00:20:20,680

our friend at Tom Whitmore asked cut off

431

00:20:26,640 --> 00:20:23,140

at this meeting the other the other

432

00:20:28,530 --> 00:20:26,650

weekend in West Virginia was can you

433

00:20:30,570 --> 00:20:28,540

confirm anything about Rick dodi's

434

00:20:32,010 --> 00:20:30,580

working for you put off did said he

435

00:20:34,830 --> 00:20:32,020

thought Doty was a nice guy

436

00:20:37,200 --> 00:20:34,840

so the Doty got a hold of this material

437

00:20:41,490 --> 00:20:37,210

a number of years ago is not necessarily

438

00:20:43,710 --> 00:20:41,500

shocking okay now jumping back and

439

00:20:49,590 --> 00:20:43,720

talking about deeps conclusions needless

440

00:20:51,060 --> 00:20:49,600

to say the the the TTS a fanboys really

441

00:20:53,610 --> 00:20:51,070

jumped all over deep and I think

442

00:20:55,230 --> 00:20:53,620

unfairly so you can disagree with his

443

00:20:55,800 --> 00:20:55,240

conclusions but what they failed to

444

00:20:57,950 --> 00:20:55,810

recognize

445

00:21:00,420 --> 00:20:57,960

I failed to give him credit for most

446

00:21:02,700 --> 00:21:00,430

importantly is that he found these

447

00:21:04,620 --> 00:21:02,710

connections now the second connection I

448

00:21:06,870 --> 00:21:04,630

think is a much more troublesome forty

449

00:21:08,370 --> 00:21:06,880

TSA and frankly we've sought comment

450

00:21:10,560 --> 00:21:08,380

from them about this and have not gotten

451

00:21:16,860 --> 00:21:10,570

any kind of response not surprisingly

452

00:21:18,690 --> 00:21:16,870

but what we have here is is mentioning

453

00:21:22,170 --> 00:21:18,700

under new technologies being developed

454

00:21:24,450 --> 00:21:22,180

at this Nevada Test Site project Adam a

455

00:21:26,460 --> 00:21:24,460

project that uses radiation nuclear

456

00:21:28,800 --> 00:21:26,470

energy against alien material to

457

00:21:31,500 --> 00:21:28,810

determine how the alien material can

458

00:21:33,660 --> 00:21:31,510

absorb and repel radiation basically

459

00:21:37,050 --> 00:21:33,670

materials type research under the name

460

00:21:39,570 --> 00:21:37,060

project Adam well anybody who's been

461

00:21:42,420 --> 00:21:39,580

following TTS a carefully knows that

462

00:21:44,580 --> 00:21:42,430

they launched last year with a big hub

463

00:21:47,070 --> 00:21:44,590

of it a nice little commercial with lots

464

00:21:51,210 --> 00:21:47,080

of dramatic music and quick cuts showing

465

00:21:53,610 --> 00:21:51,220

them picking up these different alien

466

00:21:56,610 --> 00:21:53,620

samples and of course what did they name

467

00:21:59,220 --> 00:21:56,620

it they named it the atom project now

468

00:22:02,310 --> 00:21:59,230

this is a little bit cheeky in my view

469

00:22:05,670 --> 00:22:02,320

and just a little too cool for school

470

00:22:09,300 --> 00:22:05,680

here I think that's all we're seeing III

471

00:22:11,460 --> 00:22:09,310

think all they did was they just were

472

00:22:13,950 --> 00:22:11,470

you know they wanted to play a little

473

00:22:17,100 --> 00:22:13,960

inside joke nobody ever pick up this

474

00:22:18,630 --> 00:22:17,110

connection and that's all they did here

475

00:22:21,870 --> 00:22:18,640

they just got a little bit too cheeky

476

00:22:24,210 --> 00:22:21,880

but this is a this is a terrible blunder

477

00:22:26,130 --> 00:22:24,220

we went into the wayback machine and we

478

00:22:28,170 --> 00:22:26,140

were able to see that this particular

479

00:22:31,440 --> 00:22:28,180

page this particular section of this

480

00:22:33,600 --> 00:22:31,450

page it was posted well before well

481

00:22:37,560 --> 00:22:33,610

before t TSA was founded and certainly

482

00:22:40,590 --> 00:22:37,570

well before this atom project that they

483

00:22:41,700 --> 00:22:40,600

put together or was named so I don't

484

00:22:43,410 --> 00:22:41,710

believe this is any kind of a

485

00:22:47,310 --> 00:22:43,420

coincidence this was done deliberately

486

00:22:49,980 --> 00:22:47,320

and I think a very very very unwisely

487

00:22:53,130 --> 00:22:49,990

and there are a number of mistakes that

488

00:22:55,650 --> 00:22:53,140

I think T TSA has made that either

489

00:22:58,740 --> 00:22:55,660

deliberately or not so deliberately and

490

00:23:01,470 --> 00:22:58,750

I think there is some deliberateness to

491

00:23:03,690 --> 00:23:01,480

it that they just they're just they're

492

00:23:08,130 --> 00:23:03,700

really really making this amount of some

493

00:23:09,600 --> 00:23:08,140

pretty horrible mistakes in terms of for

494

00:23:13,159 --> 00:23:09,610

example the

495

00:23:16,320 --> 00:23:13,169

the Chris melon the the Chris melon

496

00:23:18,690 --> 00:23:16,330

presentation when they opened TTS a

497

00:23:21,299 --> 00:23:18,700

showing the photograph of the number one

498

00:23:23,970 --> 00:23:21,309

mylar balloon that was connected to the

499

00:23:26,159 --> 00:23:23,980

the Tic Tac incident and presenting it

500

00:23:30,359 --> 00:23:26,169

almost as though it was an actual

501
00:23:35,340 --> 00:23:30,369
photograph the Tom DeLonge showing the

502
00:23:37,799 --> 00:23:35,350
the obviously cgi video of a UFO when he

503
00:23:40,950 --> 00:23:37,809
was on the when he was on the Joe Rogan

504
00:23:42,930 --> 00:23:40,960
show and there's a lot of odd things

505
00:23:45,659 --> 00:23:42,940
going on and a lot of reasons why people

506
00:23:49,200 --> 00:23:45,669
should really have their antenna up not

507
00:23:52,200 --> 00:23:49,210
just TTS a material necessarily but

508
00:23:53,999 --> 00:23:52,210
other stuff as well you've also got let

509
00:23:56,940 --> 00:23:54,009
me let me add these pictures are going

510
00:24:00,570 --> 00:23:56,950
back to the the very initial days the

511
00:24:01,979 --> 00:24:00,580
very first days that the TTS a announced

512
00:24:03,899 --> 00:24:01,989
that I'm not saying that these

513
00:24:07,379 --> 00:24:03,909

particular incidents I had anything to

514

00:24:09,060 --> 00:24:07,389

do directly with TTS a but right after

515

00:24:12,389 --> 00:24:09,070

that the New York Times story came out

516

00:24:14,580 --> 00:24:12,399

you had Julian Assange tweeting the New

517

00:24:16,200 --> 00:24:14,590

York Times fake news apocalypses reached

518

00:24:19,590 --> 00:24:16,210

perfection with a front-page story

519

00:24:22,859 --> 00:24:19,600

claiming UFOs exist no surprise to see

520

00:24:25,259 --> 00:24:22,869

CIA parapsychology Scientology frauds

521

00:24:27,090 --> 00:24:25,269

like Harold E put off involved in the

522

00:24:31,830 --> 00:24:27,100

most basic journalistic questions

523

00:24:34,440 --> 00:24:31,840

unasked so those comments seem to parrot

524

00:24:37,680 --> 00:24:34,450

a lot of what ron Pandolfi was saying be

525

00:24:40,379 --> 00:24:37,690

in the time between the TTS a kickoff in

526
00:24:42,779 --> 00:24:40,389
the New York Times story okay then you

527
00:24:45,149 --> 00:24:42,789
had and let me yeah let me add these

528
00:24:47,039 --> 00:24:45,159
pictures I had them unfortunately in the

529
00:24:49,440 --> 00:24:47,049
wrong folder so let me do this and had

530
00:24:52,310 --> 00:24:49,450
these pictures as well a lot of strange

531
00:24:56,639 --> 00:24:52,320
things just seemed to continually happen

532
00:24:59,279 --> 00:24:56,649
regarding T TSA and other folks that

533
00:25:05,399 --> 00:24:59,289
we're sort of in the field now let's see

534
00:25:20,550 --> 00:25:05,409
here I'm okay let me go here and this is

535
00:25:34,130 --> 00:25:25,420
hmm having some technical difficulties

536
00:25:41,090 --> 00:25:36,110
yeah go ahead Chan if you want to jump

537
00:25:45,710 --> 00:25:41,100
in and help me out here I can um sure

538
00:25:47,990 --> 00:25:45,720

I'll just go ahead part of deeps

539

00:25:53,269 --> 00:25:48,000

conclusion I'm gonna go ahead and read

540

00:25:55,460 --> 00:25:53,279

it says one TTS a is a real-life version

541

00:25:57,529 --> 00:25:55,470

a project serpo being played out we are

542

00:25:59,870 --> 00:25:57,539

all being had and neighbor represent

543

00:26:01,880 --> 00:25:59,880

Phase two of a very complex hoax

544

00:26:03,680 --> 00:26:01,890

orchestrated by physicists and Intel

545

00:26:05,899 --> 00:26:03,690

folks with nothing better to do with

546

00:26:07,549 --> 00:26:05,909

some nefarious intent pertaining to

547

00:26:10,310 --> 00:26:07,559

perception management of entire

548

00:26:13,190 --> 00:26:10,320

population and populations and cultures

549

00:26:16,610 --> 00:26:13,200

to tea tsa has access to the Roswell

550

00:26:18,740 --> 00:26:16,620

craft and know exactly what the lmh part

551
00:26:20,090 --> 00:26:18,750
and other samples do and we'll prove it

552
00:26:23,720 --> 00:26:20,100
one day by connecting the dots together

553
00:26:25,460 --> 00:26:23,730
out in the open both possibilities are

554
00:26:26,960 --> 00:26:25,470
equally disturbing in my opinion because

555
00:26:29,570 --> 00:26:26,970
we were being taken along for a ride

556
00:26:31,580 --> 00:26:29,580
either way and I just want to let

557
00:26:33,740 --> 00:26:31,590
everybody know regarding a technical

558
00:26:38,539 --> 00:26:33,750
thing LMH stands for Linda Moulton Howe

559
00:26:41,330 --> 00:26:38,549
I reached out to Ryan on this topic

560
00:26:43,250 --> 00:26:41,340
because bill Ryan was the individual who

561
00:26:48,710 --> 00:26:43,260
actually created the project servo

562
00:26:54,860 --> 00:26:48,720
worksite and I asked him what did he

563
00:26:59,210 --> 00:26:54,870

think about this this opinion that deep

564

00:27:03,379 --> 00:26:59,220

has and he he went over everything that

565

00:27:06,289 --> 00:27:03,389

deep wrote very carefully and he felt in

566

00:27:08,659 --> 00:27:06,299

part that he grabbed on to a tiny part

567

00:27:10,370 --> 00:27:08,669

of this big picture and is making a big

568

00:27:14,180 --> 00:27:10,380

deal out of all the wrong issues that

569

00:27:17,480 --> 00:27:14,190

was a quote by bill and I do have to get

570

00:27:19,039 --> 00:27:17,490

his permission to to be able to say a

571

00:27:20,779 --> 00:27:19,049

few other things that he had to say

572

00:27:22,990 --> 00:27:20,789

about that which I will actually say in

573

00:27:25,750 --> 00:27:23,000

another podcast if he gives permission

574

00:27:29,810 --> 00:27:25,760

this is where Frank and I actually

575

00:27:32,480 --> 00:27:29,820

disagree I don't find anything of import

576

00:27:35,450 --> 00:27:32,490

regarding what deep said at all

577

00:27:38,210 --> 00:27:35,460

regarding the conclusion I just read I

578

00:27:41,539 --> 00:27:38,220

did want to mention let's just say in

579

00:27:44,960 --> 00:27:41,549

theory for example without Tom DeLonge

580

00:27:47,380 --> 00:27:44,970

in a wide-eyed state of mind actually

581

00:27:53,150 --> 00:27:47,390

absorbed the project sir Poe

582

00:27:56,090 --> 00:27:53,160

conspiracy as true as it as it stands or

583

00:28:01,610 --> 00:27:56,100

was affected or impressed by it in some

584

00:28:06,169 --> 00:28:01,620

one way or another and he decided to go

585

00:28:08,840 --> 00:28:06,179

ahead and in a sentimental manner name a

586

00:28:12,560 --> 00:28:08,850

few projects or tell folks to name a few

587

00:28:15,770 --> 00:28:12,570

projects in TTS a the same manner as

588

00:28:17,840 --> 00:28:15,780

Project serpo or parallel or mirror some

589

00:28:21,470 --> 00:28:17,850

of the activities of project servo or

590

00:28:25,279 --> 00:28:21,480

data that to me does not mean anything

591

00:28:28,970 --> 00:28:25,289

at all because you can take any kind of

592

00:28:31,640 --> 00:28:28,980

data from any subject and correlate it

593

00:28:34,789 --> 00:28:31,650

with another topic if you really wanted

594

00:28:36,860 --> 00:28:34,799

to especially with the name Delta which

595

00:28:40,010 --> 00:28:36,870

is I think what a Greek letter and that

596

00:28:43,100 --> 00:28:40,020

is used often in military nomenclature

597

00:28:44,840 --> 00:28:43,110

it's also used often regarding many

598

00:28:49,039 --> 00:28:44,850

other topics out there

599

00:28:50,570 --> 00:28:49,049

Delta's very often used freely the

600

00:28:54,200 --> 00:28:50,580

hundreds of thousands of times

601
00:28:57,340 --> 00:28:54,210
so is Adam a biblical reference also an

602
00:29:02,950 --> 00:28:57,350
iconic name you can find that anywhere

603
00:29:05,060 --> 00:29:02,960
with many many topics so I actually

604
00:29:08,270 --> 00:29:05,070
completely disagree with Frank on this

605
00:29:10,490 --> 00:29:08,280
but please okay yeah yeah I had to move

606
00:29:12,919 --> 00:29:10,500
and a couple of images in the wrong file

607
00:29:16,039 --> 00:29:12,929
but that going back initially in that

608
00:29:18,350 --> 00:29:16,049
time frame the very early days you also

609
00:29:22,880 --> 00:29:18,360
saw some of these doors that have been

610
00:29:26,870 --> 00:29:22,890
released and you saw the literally the

611
00:29:32,930 --> 00:29:26,880
next day at Corey goods website he posts

612
00:29:34,580 --> 00:29:32,940
one of these dirts related to well one

613
00:29:36,799 --> 00:29:34,590

of the dirt one of the ones are written

614

00:29:39,590 --> 00:29:36,809

by Eric Davis I think it was related to

615

00:29:41,840 --> 00:29:39,600

wormholes as I recall correctly I've got

616

00:29:43,610 --> 00:29:41,850

the the the image cut off but anyway how

617

00:29:45,860 --> 00:29:43,620

does Corey Goode get hold of this the

618

00:29:47,720 --> 00:29:45,870

day after the New York Times article

619

00:29:49,940 --> 00:29:47,730

comes out somebody's guy got hold of

620

00:29:51,350 --> 00:29:49,950

this stuff and they're they're playing

621

00:29:53,320 --> 00:29:51,360

games they're giving it to somebody like

622

00:29:55,509 --> 00:29:53,330

Corey Goode ooh

623

00:29:57,369 --> 00:29:55,519

talks about what he taught at much

624

00:29:59,529 --> 00:29:57,379

attention to what he says but you know

625

00:30:01,419 --> 00:29:59,539

he's a really a Fanta cyst he's not

626
00:30:03,460 --> 00:30:01,429
brought in anything to the table yet he

627
00:30:05,529 --> 00:30:03,470
gets this handed to him that's something

628
00:30:07,869 --> 00:30:05,539
that's very very weird and again I do

629
00:30:11,049 --> 00:30:07,879
think that there's something to this to

630
00:30:13,989 --> 00:30:11,059
tts a naming their materials effort the

631
00:30:15,039 --> 00:30:13,999
atom the atom project I do think that

632
00:30:17,499 --> 00:30:15,049
there's something that it's not a

633
00:30:20,259 --> 00:30:17,509
coincidence that you know again now

634
00:30:22,810 --> 00:30:20,269
they're being a little too cheeky i l

635
00:30:25,299 --> 00:30:22,820
don't disagree with the or excuse me l

636
00:30:27,399 --> 00:30:25,309
don't agree with deeps conclusions but

637
00:30:29,619 --> 00:30:27,409
but the fact that he came up with this

638
00:30:31,149 --> 00:30:29,629

fine I mean I wish I'd found it I wish I

639

00:30:33,249 --> 00:30:31,159

had seen it and we would have talked

640

00:30:36,549 --> 00:30:33,259

about it here probably in about the same

641

00:30:38,409 --> 00:30:36,559

detail but my conclusion is just they're

642

00:30:39,879 --> 00:30:38,419

just being a little too cheeky there's a

643

00:30:42,340 --> 00:30:39,889

little game playing going on

644

00:30:44,799 --> 00:30:42,350

TTS a is involved in it to some extent

645

00:30:47,139 --> 00:30:44,809

some other people are involved in it to

646

00:30:49,720 --> 00:30:47,149

an extent as well and let's go to that

647

00:30:51,609 --> 00:30:49,730

like there's the image of Chris melon

648

00:30:54,729 --> 00:30:51,619

along with the number one mylar balloon

649

00:30:58,749 --> 00:30:54,739

from the the fighter sweet story about

650

00:31:00,609 --> 00:30:58,759

the the Nimitz case and then of course

651

00:31:04,810 --> 00:31:00,619

where we got the other image here I

652

00:31:06,999 --> 00:31:04,820

think we've got that well we don't have

653

00:31:09,159 --> 00:31:07,009

the Joe Rogan image but very famously at

654

00:31:13,180 --> 00:31:09,169

the long was on that particular show as

655

00:31:17,080 --> 00:31:13,190

well and he was showing Joe Rogan

656

00:31:20,019 --> 00:31:17,090

obviously a CGI animation and they're

657

00:31:22,330 --> 00:31:20,029

claiming it's real and they're not doing

658

00:31:23,769 --> 00:31:22,340

themselves any favors when when they

659

00:31:25,659 --> 00:31:23,779

play these sorts of games they're not

660

00:31:27,580 --> 00:31:25,669

helping themselves at all they've done a

661

00:31:29,320 --> 00:31:27,590

lot of good work in the field and I've

662

00:31:31,359 --> 00:31:29,330

said many times on this show the show

663

00:31:33,460 --> 00:31:31,369

wouldn't exist if it wasn't for the the

664

00:31:36,999 --> 00:31:33,470

things that they're doing is it gonna do

665

00:31:38,889 --> 00:31:37,009

really huge harm but you know is Tucker

666

00:31:40,690 --> 00:31:38,899

Carlson going to look into this and say

667

00:31:43,479 --> 00:31:40,700

what the heck's going on here know he's

668

00:31:45,340 --> 00:31:43,489

gonna have UFO guests on maybe once

669

00:31:46,899 --> 00:31:45,350

every couple months they'll talk for

670

00:31:49,269 --> 00:31:46,909

five minutes and then just of it'll be

671

00:31:52,330 --> 00:31:49,279

UFO is a real wow this should be a

672

00:31:54,039 --> 00:31:52,340

bigger story so but amongst us amongst

673

00:31:57,210 --> 00:31:54,049

the folks that follow this sort of thing

674

00:32:00,190 --> 00:31:57,220

carefully yeah this is the sort of thing

675

00:32:02,019 --> 00:32:00,200

it needs to be cleaned up it absolutely

676

00:32:05,710 --> 00:32:02,029

needs to be cleaned up not all of it is

677

00:32:06,790 --> 00:32:05,720

T TSA remember during the fifth episode

678

00:32:08,590 --> 00:32:06,800

of their show

679

00:32:12,400 --> 00:32:08,600

they spent an entire segment sort of

680

00:32:13,930 --> 00:32:12,410

thrashing Rick Doty and but they they

681

00:32:15,760 --> 00:32:13,940

oughta they ought to follow their own

682

00:32:18,550 --> 00:32:15,770

advice a little bit more carefully and

683

00:32:21,100 --> 00:32:18,560

and their clean things up because this

684

00:32:22,840 --> 00:32:21,110

was a mistake that was made a little

685

00:32:25,270 --> 00:32:22,850

over a year ago with this naming of the

686

00:32:27,670 --> 00:32:25,280

atom project and it just wasn't

687

00:32:29,920 --> 00:32:27,680

discovered until recently by D Prasad

688

00:32:32,500 --> 00:32:29,930

and deep deserves a lot of credit for

689

00:32:35,710 --> 00:32:32,510

going forward with it again the

690

00:32:39,340 --> 00:32:35,720

criticism was really directed too much

691

00:32:41,260 --> 00:32:39,350

towards his analysis of what he found

692

00:32:43,270 --> 00:32:41,270

and not enough on what he found because

693

00:32:45,910 --> 00:32:43,280

what he found is like I said are really

694

00:32:49,150 --> 00:32:45,920

quite significant at a project adamant

695

00:32:50,860 --> 00:32:49,160

of course no coincidence there yeah atom

696

00:32:53,260 --> 00:32:50,870

and Delta and all those sorts of names

697

00:32:56,590 --> 00:32:53,270

yeah they're used pretty regularly but

698

00:32:59,770 --> 00:32:56,600

here when you see it's related to alien

699

00:33:02,410 --> 00:32:59,780

material same thing no it's not a

700

00:33:07,200 --> 00:33:02,420

coincidence and I think it's a big

701

00:33:10,620 --> 00:33:07,210

mistake I were to go into some

702

00:33:14,470 --> 00:33:10,630

top-secret files or or maybe even

703

00:33:17,680 --> 00:33:14,480

unclassified files non classified files

704

00:33:20,020 --> 00:33:17,690

of the US government's or any any other

705

00:33:23,140 --> 00:33:20,030

government for that matter that have

706

00:33:27,000 --> 00:33:23,150

projects on a regular I would probably

707

00:33:30,730 --> 00:33:27,010

find a project Delta and a project atom

708

00:33:33,430 --> 00:33:30,740

but but I'm just saying that idea that

709

00:33:36,490 --> 00:33:33,440

the possibility of that is gonna be is

710

00:33:38,380 --> 00:33:36,500

gonna be there now the last thing is I

711

00:33:41,920 --> 00:33:38,390

know I probably said this but I really

712

00:33:46,960 --> 00:33:41,930

don't see everything that deep went over

713

00:33:50,320 --> 00:33:46,970

in that opinion daddy wrote equals that

714

00:33:53,140 --> 00:33:50,330

TTS a is an evil organization about

715

00:33:55,450 --> 00:33:53,150

fairies organization i I think that

716

00:33:58,510 --> 00:33:55,460

that's weighing too heavily on a narrow

717

00:34:01,780 --> 00:33:58,520

topic and giving T TSA too much credit

718

00:34:03,850 --> 00:34:01,790

regarding a very very tiny topic it's

719

00:34:07,210 --> 00:34:03,860

it's not necessarily tiny it's just a

720

00:34:09,880 --> 00:34:07,220

very narrow topic wanted to let folks

721

00:34:12,460 --> 00:34:09,890

know a little bit about T TSA it's an

722

00:34:14,110 --> 00:34:12,470

entertainment company which is also it's

723

00:34:18,460 --> 00:34:14,120

a public benefits corporation in

724

00:34:20,680 --> 00:34:18,470

franchise but I'm gonna read something

725

00:34:24,159 --> 00:34:20,690

from T TSA

726

00:34:25,740 --> 00:34:24,169

here's a quote from TTS a examples of

727

00:34:27,430 --> 00:34:25,750

our approach to a vertically integrated

728

00:34:30,389 --> 00:34:27,440

aerospace science and entertainment

729

00:34:32,889 --> 00:34:30,399

consortium are our award-winning

730

00:34:35,319 --> 00:34:32,899

franchises secret machines and poet

731

00:34:40,480 --> 00:34:35,329

Andersen that are number one new

732

00:34:45,250 --> 00:34:40,490

releases in their categories on cop

733

00:34:46,990 --> 00:34:45,260

secret ain't on well-documented events

734

00:34:48,779 --> 00:34:47,000

behind unidentified aerial phenomenon

735

00:34:51,730 --> 00:34:48,789

with input from top government

736

00:34:53,559 --> 00:34:51,740

scientists she is an example of how real

737

00:34:59,430 --> 00:34:53,569

research can generate media content and

738

00:35:03,220 --> 00:34:59,440

it goes on to say more and that is

739

00:35:07,270 --> 00:35:03,230

whenever possible here I'll go ahead and

740

00:35:09,760 --> 00:35:07,280

give a quote TTS a aims to push the

741

00:35:12,039 --> 00:35:09,770

boundaries of what standard academia

742

00:35:14,319 --> 00:35:12,049

corporate and government labs typically

743

00:35:17,980 --> 00:35:14,329

support but we don't believe discovery

744

00:35:20,200 --> 00:35:17,990

that impacts humankind should be solo a

745

00:35:21,730 --> 00:35:20,210

solo venture the company will provide

746

00:35:24,670 --> 00:35:21,740

positive support for government

747

00:35:26,589 --> 00:35:24,680

aerospace industry and academia in the

748

00:35:28,930 --> 00:35:26,599

accomplishment of our goals whenever

749

00:35:31,059 --> 00:35:28,940

possible ever possible we will translate

750

00:35:34,870 --> 00:35:31,069

what we know into an entertainment

751
00:35:36,670 --> 00:35:34,880
medium that we can responsibly share not

752
00:35:38,980 --> 00:35:36,680
only with our customers but our

753
00:35:40,960 --> 00:35:38,990
community both through our community of

754
00:35:42,970 --> 00:35:40,970
interests and through our entertainment

755
00:35:45,220 --> 00:35:42,980
media that's why we decided to be a

756
00:35:47,680 --> 00:35:45,230
public benefit corporation now as you

757
00:35:49,299 --> 00:35:47,690
can see they're sort of trying to have

758
00:35:52,569 --> 00:35:49,309
their cake and eat it too and what

759
00:35:55,260 --> 00:35:52,579
respect they they want to be considered

760
00:35:57,789 --> 00:35:55,270
an organization that is seriously

761
00:35:58,960 --> 00:35:57,799
researching the topic of you ApS but

762
00:36:01,990 --> 00:35:58,970
they also want to be considered an

763
00:36:04,809 --> 00:36:02,000

entertainment corporation also an

764

00:36:07,359 --> 00:36:04,819

entertainment company so I just want to

765

00:36:09,309 --> 00:36:07,369

make it real clear to folks that if

766

00:36:12,670 --> 00:36:09,319

you're expecting a lot from an

767

00:36:14,799 --> 00:36:12,680

entertainment company understand that's

768

00:36:17,380 --> 00:36:14,809

what they are that's what they say in

769

00:36:21,370 --> 00:36:17,390

the IRS if you look up their financial

770

00:36:23,549 --> 00:36:21,380

information that's listed on the IRS

771

00:36:25,539 --> 00:36:23,559

website it says all that right there

772

00:36:28,120 --> 00:36:25,549

that's interesting that you bring that

773

00:36:30,370 --> 00:36:28,130

up because what I think is going on here

774

00:36:32,710 --> 00:36:30,380

is you've got a lot of spooks and a lot

775

00:36:34,270 --> 00:36:32,720

of Intel people including folks who work

776

00:36:35,830 --> 00:36:34,280

for TTS a well

777

00:36:39,520 --> 00:36:35,840

we're sort of looking to entertain

778

00:36:42,130 --> 00:36:39,530

themselves and with these little inside

779

00:36:45,130 --> 00:36:42,140

jokes like the atom project and getting

780

00:36:49,000 --> 00:36:45,140

Julianne sighs to tweet criticism of

781

00:36:51,310 --> 00:36:49,010

them and leaking a scientific papers to

782

00:36:53,770 --> 00:36:51,320

Cori good of all people what that what

783

00:36:56,260 --> 00:36:53,780

you're seeing is a lot of people just as

784

00:36:58,360 --> 00:36:56,270

a insider sort of playing games and

785

00:36:59,920 --> 00:36:58,370

tweaking each other I think there was a

786

00:37:02,590 --> 00:36:59,930

little bit of that going on in the other

787

00:37:04,390 --> 00:37:02,600

Wilson notes as well some little some

788

00:37:06,670 --> 00:37:04,400

little tweaks and some little digs and

789

00:37:08,500 --> 00:37:06,680

different people sort of trolling each

790

00:37:10,300 --> 00:37:08,510

other again I'm not suggesting that T

791

00:37:13,060 --> 00:37:10,310

TSA is involved in every one of these

792

00:37:15,610 --> 00:37:13,070

but what I am suggesting is there's a

793

00:37:18,000 --> 00:37:15,620

lot of that going on and as a result of

794

00:37:20,830 --> 00:37:18,010

that that people really should have

795

00:37:24,190 --> 00:37:20,840

their antenna up they really should be

796

00:37:27,820 --> 00:37:24,200

extra skeptical of everything we see in

797

00:37:29,290 --> 00:37:27,830

here so that's my point and I I'm done

798

00:37:30,580 --> 00:37:29,300

with this topic you have anything else

799

00:37:30,760 --> 00:37:30,590

you want to add before we wrap this one

800

00:37:34,240 --> 00:37:30,770

up

801

00:37:36,610 --> 00:37:34,250

I think skeptic skepticism is key but

802

00:37:43,560 --> 00:37:36,620

creating a whole new conspiracy out of

803

00:37:47,370 --> 00:37:43,570

something is probably not a good idea I

804

00:37:50,440 --> 00:37:47,380

had I had a lot of problems with this

805

00:37:52,180 --> 00:37:50,450

opinion that was written I did reach out

806

00:37:56,410 --> 00:37:52,190

to deep and asked him if he wanted to

807

00:37:57,550 --> 00:37:56,420

comment on it he did not however I will

808

00:37:59,410 --> 00:37:57,560

be covering it more in the future

809

00:38:03,190 --> 00:37:59,420

because there's more research that I'm

810

00:38:05,200 --> 00:38:03,200

doing on this topic and did want to

811

00:38:09,160 --> 00:38:05,210

mention that I did reach out to the

812

00:38:11,170 --> 00:38:09,170

person who created this website and he

813

00:38:13,180 --> 00:38:11,180

did a quick check himself I did the same

814

00:38:15,550 --> 00:38:13,190

check also but I wanted him to duplicate

815

00:38:18,160 --> 00:38:15,560

my efforts and find out on his side bill

816

00:38:23,140 --> 00:38:18,170

Ryan that is whether it looked like

817

00:38:26,110 --> 00:38:23,150

Project serpo org had had any new data

818

00:38:28,780 --> 00:38:26,120

added to it or had been edited in any

819

00:38:32,500 --> 00:38:28,790

way shape or form around the time T TSA

820

00:38:35,860 --> 00:38:32,510

was created and even though I felt

821

00:38:37,720 --> 00:38:35,870

intuitively probably had not been we

822

00:38:40,060 --> 00:38:37,730

were both right because we checked and

823

00:38:42,340 --> 00:38:40,070

for example like the first archive of

824

00:38:45,280 --> 00:38:42,350

serpo released number 25 which was in

825

00:38:46,089 --> 00:38:45,290

January 2008 against the current page on

826
00:38:48,729 --> 00:38:46,099
the net

827
00:38:54,219 --> 00:38:48,739
it's a hundred percent identical is what

828
00:38:57,940 --> 00:38:54,229
bill told me and check word count which

829
00:38:59,440 --> 00:38:57,950
was a 1417 words the characters no

830
00:39:01,839 --> 00:38:59,450
spaces was seven thousand five hundred

831
00:39:03,549 --> 00:39:01,849
twenty four the characters with spaces

832
00:39:06,309 --> 00:39:03,559
were I think nine thousand one hundred

833
00:39:09,130 --> 00:39:06,319
ninety seven and Bill Ryan did confirm

834
00:39:11,109 --> 00:39:09,140
nothing was ever changed and you know

835
00:39:14,380 --> 00:39:11,119
it's just important for people to know

836
00:39:17,620 --> 00:39:14,390
that you know uh we're checking

837
00:39:20,200 --> 00:39:17,630
everything on this to make sure that we

838
00:39:23,170 --> 00:39:20,210

do our due diligence on this topic yep

839

00:39:25,509 --> 00:39:23,180

and like I say the overarching message

840

00:39:27,549 --> 00:39:25,519

I've got tonight is you know we'll raise

841

00:39:30,130 --> 00:39:27,559

your level of skepticism really just

842

00:39:32,079 --> 00:39:30,140

don't accept anything at face value so

843

00:39:37,870 --> 00:39:32,089

we're done with this one and it's off to

844

00:39:41,859 --> 00:39:37,880

topic 3 now on to issue three what we

845

00:39:45,160 --> 00:39:41,869

had last week was an article in Popular

846

00:39:48,430 --> 00:39:45,170

Mechanics by Tim McMillan that cleared

847

00:39:51,789 --> 00:39:48,440

up a little bit about you know whether

848

00:39:52,539 --> 00:39:51,799

or not the loo Elizondo worked forty TSA

849

00:39:55,299 --> 00:39:52,549

and all that

850

00:39:57,789 --> 00:39:55,309

now Tim McMillan just to give a little

851

00:40:01,959 --> 00:39:57,799

background as a sort of a protege of

852

00:40:03,779 --> 00:40:01,969

John Greenwald so for a year plus both

853

00:40:06,430 --> 00:40:03,789

those guys have been running around

854

00:40:08,709 --> 00:40:06,440

everytime green and Wald would get some

855

00:40:12,579 --> 00:40:08,719

sort of comment from the Defense

856

00:40:15,400 --> 00:40:12,589

Department saying that we're providing

857

00:40:17,729 --> 00:40:15,410

some sort of discrepancy in terms of

858

00:40:21,039 --> 00:40:17,739

what T TSA was saying about that what

859

00:40:23,079 --> 00:40:21,049

Elizondo did and what they themselves

860

00:40:25,509 --> 00:40:23,089

the to the Czar's Academy was saying

861

00:40:28,359 --> 00:40:25,519

about what they did they would grow

862

00:40:31,359 --> 00:40:28,369

about it oh look we've we've destroyed t

863

00:40:33,640 --> 00:40:31,369

TSA we've damaged them we've we've got

864

00:40:36,069 --> 00:40:33,650

nukes we've destroyed them other their

865

00:40:38,200 --> 00:40:36,079

character is shot and so on yet all of a

866

00:40:39,519 --> 00:40:38,210

sudden now we're seeing Tim McMillan and

867

00:40:42,249 --> 00:40:39,529

I asked him about this

868

00:40:44,289 --> 00:40:42,259

now Tim McMillan seems to be all on

869

00:40:46,569 --> 00:40:44,299

board that everything that the Elizondo

870

00:40:48,759 --> 00:40:46,579

is saying is the truth I see no reason

871

00:40:51,099 --> 00:40:48,769

to believe that it isn't of the material

872

00:40:53,440 --> 00:40:51,109

that Greenwald came up with to me was

873

00:40:55,269 --> 00:40:53,450

not especially compelling just a

874

00:40:57,130 --> 00:40:55,279

discrepancies are the normal sort of

875

00:40:58,670 --> 00:40:57,140

discrepancies that happen especially

876

00:41:01,070 --> 00:40:58,680

when you're dealing with the giant

877

00:41:04,730 --> 00:41:01,080

bureaucracy like the Defense Department

878

00:41:06,950 --> 00:41:04,740

but the key thing that Macmillan was

879

00:41:10,610 --> 00:41:06,960

able to turn up was apparently he was

880

00:41:13,760 --> 00:41:10,620

able to get a look at a very thick 450

881

00:41:15,980 --> 00:41:13,770

page document which was basically the

882

00:41:18,080 --> 00:41:15,990

report from bass from Bigelow's

883

00:41:20,990 --> 00:41:18,090

organizations subcontractor on the

884

00:41:24,590 --> 00:41:21,000

project there are a 10-month report on

885

00:41:26,330 --> 00:41:24,600

what they've been doing basically and I

886

00:41:29,990 --> 00:41:26,340

guess sent off to the Pentagon and now

887

00:41:33,340 --> 00:41:30,000

read by assuming assumably Lew Elizondo

888

00:41:35,420 --> 00:41:33,350

but what we saw in that report we

889

00:41:38,140 --> 00:41:35,430

McMullen was able to provide a couple

890

00:41:42,530 --> 00:41:38,150

snippets from it and they were

891

00:41:45,560 --> 00:41:42,540

interesting and telling in it wasn't a

892

00:41:49,550 --> 00:41:45,570

whole lot of material but basically what

893

00:41:52,730 --> 00:41:49,560

we saw was we've seen an additional dirt

894

00:41:55,910 --> 00:41:52,740

an additional scientific paper provided

895

00:41:59,270 --> 00:41:55,920

by a kick green regarding a damage done

896

00:42:02,900 --> 00:41:59,280

to UFO witnesses by close encounters

897

00:42:05,810 --> 00:42:02,910

with UFOs which really didn't cover any

898

00:42:09,440 --> 00:42:05,820

actual research but it was basically a

899

00:42:12,440 --> 00:42:09,450

compilation of a fairly well-known cases

900

00:42:14,240 --> 00:42:12,450

where where people did suffer exposure

901
00:42:16,400 --> 00:42:14,250
to radiation and what kind of damage

902
00:42:18,770 --> 00:42:16,410
that causes and a couple of passing

903
00:42:21,470 --> 00:42:18,780
references to the very famous cash

904
00:42:23,630 --> 00:42:21,480
Landrum case that's all that's about all

905
00:42:26,920 --> 00:42:23,640
that report included nothing really

906
00:42:29,690 --> 00:42:26,930
compelling research of a sort of a

907
00:42:32,810 --> 00:42:29,700
compilation nature and nothing really

908
00:42:35,900 --> 00:42:32,820
new there and also what they also

909
00:42:37,340 --> 00:42:35,910
included or what also McMillan was able

910
00:42:40,940 --> 00:42:37,350
to find he was a it looks like he was

911
00:42:45,080 --> 00:42:40,950
able to get photographs of of a bar

912
00:42:48,140 --> 00:42:45,090
graph at one point and also also looks

913
00:42:51,020 --> 00:42:48,150

like a little bit of a report written up

914

00:42:53,840 --> 00:42:51,030

that quotes a book called clear intent

915

00:42:55,850 --> 00:42:53,850

written by Barry Greenwood at Lawrence

916

00:42:59,690 --> 00:42:55,860

Fawcett a number of years ago a book

917

00:43:02,390 --> 00:42:59,700

that primarily focused on a series of

918

00:43:04,880 --> 00:43:02,400

cases that took place along the the

919

00:43:05,740 --> 00:43:04,890

northern US border at different Air

920

00:43:09,200 --> 00:43:05,750

Force bases

921

00:43:12,030 --> 00:43:09,210

Malmstrom Air Force Base Minot Wert

922

00:43:15,630 --> 00:43:12,040

Smith and Loring Air Force Base all

923

00:43:18,450 --> 00:43:15,640

the MEC cellent cases but apparently you

924

00:43:20,970 --> 00:43:18,460

and we've heard this from Lou Elizondo

925

00:43:23,730 --> 00:43:20,980

throughout the last couple years he

926
00:43:26,730 --> 00:43:23,740
doesn't seem to pay any attention to UFO

927
00:43:29,490 --> 00:43:26,740
researchers that realistically he wants

928
00:43:32,070 --> 00:43:29,500
a clean slate going in but apparently

929
00:43:34,650 --> 00:43:32,080
it's okay to pay attention to UFO

930
00:43:37,340 --> 00:43:34,660
researchers so long as that that

931
00:43:39,990 --> 00:43:37,350
information is filtered through a

932
00:43:42,480 --> 00:43:40,000
defense contractor that is being paid

933
00:43:45,780 --> 00:43:42,490
millions of dollars so I mean basically

934
00:43:47,910 --> 00:43:45,790
for 20 bucks you can buy a copy of clear

935
00:43:49,500 --> 00:43:47,920
intent and just read it but it I guess

936
00:43:51,630 --> 00:43:49,510
it said this is the way government

937
00:43:53,760 --> 00:43:51,640
operates it's just a lot more

938
00:43:55,410 --> 00:43:53,770

cost-effective to spend millions of

939

00:43:57,240 --> 00:43:55,420

dollars to have somebody for a

940

00:43:59,660 --> 00:43:57,250

subcontract to read clear intent and

941

00:44:02,760 --> 00:43:59,670

write a report about it so you know that

942

00:44:05,750 --> 00:44:02,770

that's basically what he's got and

943

00:44:10,050 --> 00:44:05,760

what's really interesting to me is this

944

00:44:11,850 --> 00:44:10,060

Bigelow funding of funding by the

945

00:44:15,000 --> 00:44:11,860

government during this time frame from

946

00:44:19,470 --> 00:44:15,010

2008 no no I'm sorry

947

00:44:23,010 --> 00:44:19,480

yeah 2007 to 2012 so from 2007 to 2012

948

00:44:25,080 --> 00:44:23,020

what have we got in terms of cases okay

949

00:44:27,270 --> 00:44:25,090

they've released a lot of information

950

00:44:29,550 --> 00:44:27,280

and we're very thankful that they did

951
00:44:32,250 --> 00:44:29,560
because it's been fantastic regarding

952
00:44:34,650 --> 00:44:32,260
the 2004 Nemitz case they've also

953
00:44:39,600 --> 00:44:34,660
interviewed a couple pilots relating to

954
00:44:42,980 --> 00:44:39,610
a 2015 Roosevelt case pilots graves and

955
00:44:45,930 --> 00:44:42,990
a coin that's fantastic stuff however

956
00:44:48,390 --> 00:44:45,940
did they actually go out and investigate

957
00:44:50,820 --> 00:44:48,400
any cases hands on that they send boots

958
00:44:53,190 --> 00:44:50,830
on the ground and investigate any cases

959
00:44:54,930 --> 00:44:53,200
during the time frame that Bigelow was

960
00:44:57,240 --> 00:44:54,940
actually getting the funding well we

961
00:44:59,460 --> 00:44:57,250
know of one and that's because I asked

962
00:45:01,410 --> 00:44:59,470
about it and I was able to ask George

963
00:45:03,150 --> 00:45:01,420

Knapp some time back a little bit more

964

00:45:06,390 --> 00:45:03,160

than a year ago when he had a little bit

965

00:45:09,560 --> 00:45:06,400

of an AMA over at the coast to coast

966

00:45:11,970 --> 00:45:09,570

website so I asked him hey I did a tip

967

00:45:13,710 --> 00:45:11,980

investigate the Stephenville case now

968

00:45:16,020 --> 00:45:13,720

that's just that's a case that I'm a

969

00:45:18,600 --> 00:45:16,030

really big fan of we had Steve Hudgens

970

00:45:21,180 --> 00:45:18,610

on here a little bit more than a week

971

00:45:23,700 --> 00:45:21,190

ago and I had a lot of questions for him

972

00:45:26,190 --> 00:45:23,710

told us all about it a great case that I

973

00:45:28,910 --> 00:45:26,200

think deserves a lot more attention

974

00:45:31,770 --> 00:45:28,920

when these guys whether it's nap or

975

00:45:33,570 --> 00:45:31,780

Elizondo or DeLong or whatever the case

976
00:45:35,130 --> 00:45:33,580
may be they should start they should be

977
00:45:38,330 --> 00:45:35,140
getting asked about these cases this is

978
00:45:41,430 --> 00:45:38,340
a radar visual case this is a great case

979
00:45:45,240 --> 00:45:41,440
exactly like the case is the monstium

980
00:45:47,400 --> 00:45:45,250
Minot wordsmith and luring cases a radar

981
00:45:48,960 --> 00:45:47,410
visual cases radar is physical evidence

982
00:45:50,910 --> 00:45:48,970
I'm gonna make that point again I'm

983
00:45:52,740 --> 00:45:50,920
going to beat that dead horse radar is

984
00:45:55,740 --> 00:45:52,750
physical evidence well anyway this is

985
00:45:57,900 --> 00:45:55,750
the in writing this is the response that

986
00:45:59,880 --> 00:45:57,910
I got from George Knapp the answer is

987
00:46:02,330 --> 00:45:59,890
yes so yes they did investigate the

988
00:46:04,950 --> 00:46:02,340

Stephenville case however that part

989

00:46:07,290 --> 00:46:04,960

however the part that is fuzzy is

990

00:46:09,270 --> 00:46:07,300

whether it was a tip or a SAP the

991

00:46:11,220 --> 00:46:09,280

program had two names all SAP was the

992

00:46:13,590 --> 00:46:11,230

first name and it mostly referred to the

993

00:46:15,060 --> 00:46:13,600

private contractor bass I do not have a

994

00:46:17,130 --> 00:46:15,070

security clearance so I'm not supposed

995

00:46:19,080 --> 00:46:17,140

to know some of this stuff but can say

996

00:46:20,970 --> 00:46:19,090

with some level of confidence that the

997

00:46:23,130 --> 00:46:20,980

Stephenville case did garner some

998

00:46:25,140 --> 00:46:23,140

attention I can't say for sure whether

999

00:46:27,180 --> 00:46:25,150

that was the folks in the Pentagon who

1000

00:46:29,760 --> 00:46:27,190

looked at it or the private contractors

1001

00:46:32,420 --> 00:46:29,770

but they did exchange info on a fairly

1002

00:46:35,610 --> 00:46:32,430

regular basis from what I understand so

1003

00:46:37,320 --> 00:46:35,620

basically what we've got is we're

1004

00:46:40,380 --> 00:46:37,330

getting a little bit more information I

1005

00:46:43,200 --> 00:46:40,390

know that McMillan was criticized a

1006

00:46:45,030 --> 00:46:43,210

little bit you know to me you can't

1007

00:46:47,700 --> 00:46:45,040

shoot the messenger he got what he got

1008

00:46:49,830 --> 00:46:47,710

we know a little bit more about how they

1009

00:46:51,600 --> 00:46:49,840

operated not a whole lot and it might

1010

00:46:54,050 --> 00:46:51,610

not be a fair and complete picture but

1011

00:46:56,790 --> 00:46:54,060

the picture that we're seeing is that

1012

00:46:59,790 --> 00:46:56,800

except for the Stephenville case what

1013

00:47:02,820 --> 00:46:59,800

they did was a lot of compilation Ulrike

1014

00:47:05,730 --> 00:47:02,830

PIRs based up primarily not on original

1015

00:47:06,930 --> 00:47:05,740

research but on compiling research that

1016

00:47:09,690 --> 00:47:06,940

had already been done by other people

1017

00:47:13,410 --> 00:47:09,700

and of course whether that regards

1018

00:47:16,050 --> 00:47:13,420

science or UFOs that seems to be the

1019

00:47:16,950 --> 00:47:16,060

situation until we hear otherwise that's

1020

00:47:18,300 --> 00:47:16,960

all we know

1021

00:47:20,130 --> 00:47:18,310

we'd like to know more and obviously

1022

00:47:23,010 --> 00:47:20,140

we're pushing to know more there had to

1023

00:47:24,930 --> 00:47:23,020

have been some legitimate good cases

1024

00:47:25,290 --> 00:47:24,940

that that came out during that time

1025

00:47:28,620 --> 00:47:25,300

frame

1026

00:47:31,020 --> 00:47:28,630

aside from Stephenville that that made

1027

00:47:33,300 --> 00:47:31,030

that happened regarding the military

1028

00:47:34,290 --> 00:47:33,310

some base somewhere somewhere in the

1029

00:47:37,980 --> 00:47:34,300

world they're all over the place

1030

00:47:38,740 --> 00:47:37,990

obviously but you know we're not hearing

1031

00:47:41,530 --> 00:47:38,750

about them

1032

00:47:43,360 --> 00:47:41,540

and this far along it's been two and a

1033

00:47:46,840 --> 00:47:43,370

half year almost two and a half years

1034

00:47:49,450 --> 00:47:46,850

now since T TSA opened the door and we

1035

00:47:51,370 --> 00:47:49,460

basically heard about two cases from

1036

00:47:53,980 --> 00:47:51,380

them directly great cases though they

1037

00:47:56,230 --> 00:47:53,990

may be there have got to be more and of

1038

00:47:58,930 --> 00:47:56,240

course because of my question asking

1039

00:48:00,670 --> 00:47:58,940

Knapp confirmed with some level of

1040

00:48:02,590 --> 00:48:00,680

confidence that the Stephenville case

1041

00:48:05,230 --> 00:48:02,600

did garner some attention so that's

1042

00:48:09,240 --> 00:48:05,240

basically yeah three cases during this

1043

00:48:14,320 --> 00:48:09,250

you know this entire stretch from 20

1044

00:48:16,270 --> 00:48:14,330

2004 to 2015 an 11 year span three cases

1045

00:48:18,700 --> 00:48:16,280

that's what we know about and yet at the

1046

00:48:21,730 --> 00:48:18,710

same time we've had Elizondo and Kris

1047

00:48:25,180 --> 00:48:21,740

mill and both saying that our serious

1048

00:48:27,490 --> 00:48:25,190

issue regarding the UFOs is that the

1049

00:48:29,020 --> 00:48:27,500

cases are increasing with frequency well

1050

00:48:31,210 --> 00:48:29,030

what are those some of those other cases

1051
00:48:33,310 --> 00:48:31,220
let's hear about those we have a right

1052
00:48:35,470 --> 00:48:33,320
to know it's such a big issue you want

1053
00:48:38,260 --> 00:48:35,480
to gather public support to put pressure

1054
00:48:40,360 --> 00:48:38,270
on Congress to investigate UFOs further

1055
00:48:42,190 --> 00:48:40,370
well you know how are we going to do it

1056
00:48:44,020 --> 00:48:42,200
with the kind of information that we

1057
00:48:45,490 --> 00:48:44,030
have at hand so let me catch my breath

1058
00:48:47,620 --> 00:48:45,500
and if you want to jump here and in here

1059
00:48:49,220 --> 00:48:47,630
and say something at you and by all

1060
00:48:51,020 --> 00:48:49,230
means go right ahead

1061
00:48:52,700 --> 00:48:51,030
you know I actually don't have any

1062
00:48:56,359 --> 00:48:52,710
comments on this I might in another

1063
00:48:58,520 --> 00:48:56,369

podcast but now I you know I just have I

1064

00:49:00,620 --> 00:48:58,530

have a lot of topics I want to cover

1065

00:49:03,680 --> 00:49:00,630

that our current and trending topics in

1066

00:49:06,980 --> 00:49:03,690

ufology and this may be one of them but

1067

00:49:08,390 --> 00:49:06,990

just not right now okay okay so yeah and

1068

00:49:08,840 --> 00:49:08,400

again now that's where we're at right

1069

00:49:12,950 --> 00:49:08,850

now

1070

00:49:14,330 --> 00:49:12,960

frequency and I'll make this other point

1071

00:49:16,130 --> 00:49:14,340

to it because I think this is an

1072

00:49:17,930 --> 00:49:16,140

important point to make I think most of

1073

00:49:22,130 --> 00:49:17,940

the people who have follow the UFO field

1074

00:49:25,120 --> 00:49:22,140

fairly carefully are convinced that some

1075

00:49:27,650 --> 00:49:25,130

of these UFO cases are in fact

1076

00:49:30,859 --> 00:49:27,660

extraterrestrial visitors so if you

1077

00:49:32,690 --> 00:49:30,869

accept that and I do and I don't know if

1078

00:49:35,690 --> 00:49:32,700

you do or not chant but I certainly do

1079

00:49:38,120 --> 00:49:35,700

then the key question then becomes how

1080

00:49:41,420 --> 00:49:38,130

often is it happening and when you look

1081

00:49:42,859 --> 00:49:41,430

at these cases UFO cases they come in by

1082

00:49:45,290 --> 00:49:42,869

the thousands and we've had

1083

00:49:46,700 --> 00:49:45,300

investigators on here and most of them

1084

00:49:48,800 --> 00:49:46,710

can be explained some of them be a

1085

00:49:50,990 --> 00:49:48,810

little bit more easily than others but

1086

00:49:53,780 --> 00:49:51,000

most of them can yet still there are

1087

00:49:56,000 --> 00:49:53,790

those troublesome cases and a particular

1088

00:49:58,700 --> 00:49:56,010

class of case a particular type of case

1089

00:50:00,440 --> 00:49:58,710

these radar visual cases where you've

1090

00:50:03,200 --> 00:50:00,450

got physical evidence in the form of

1091

00:50:05,630 --> 00:50:03,210

radar capturing these UFOs and they're

1092

00:50:08,630 --> 00:50:05,640

getting cited as well those are cases

1093

00:50:11,570 --> 00:50:08,640

that merit being set aside they merit

1094

00:50:14,510 --> 00:50:11,580

being set into a special classification

1095

00:50:16,460 --> 00:50:14,520

of cases and I think that when you put

1096

00:50:18,680 --> 00:50:16,470

all those cases together and I'm not

1097

00:50:21,320 --> 00:50:18,690

saying every radar physical and but

1098

00:50:24,349 --> 00:50:21,330

every radar visual case is going to be

1099

00:50:26,990 --> 00:50:24,359

et but if you're looking for cases that

1100

00:50:29,450 --> 00:50:27,000

are in fact et that's where it's gonna

1101

00:50:31,220 --> 00:50:29,460

be most likely that's where they're

1102

00:50:32,720 --> 00:50:31,230

gonna be most likely to be found so

1103

00:50:35,840 --> 00:50:32,730

that's about all I've got to say on that

1104

00:50:38,060 --> 00:50:35,850

subject chant and let's go on to our

1105

00:50:41,760 --> 00:50:38,070

next topic if you will are you ready for

1106

00:50:45,690 --> 00:50:41,770

that oh yeah okay

1107

00:50:49,190 --> 00:50:45,700

okay now on to our next issue now a few

1108

00:50:51,810 --> 00:50:49,200

weeks back an article came out touting a

1109

00:50:54,960 --> 00:50:51,820

enormous and earth-shattering an event

1110

00:50:58,109 --> 00:50:54,970

that the the Vatican was going to host a

1111

00:51:00,420 --> 00:50:58,119

UFO conference this got a lot of play

1112

00:51:03,420 --> 00:51:00,430

people were again taking this silly

1113

00:51:06,450 --> 00:51:03,430

story at face value there was some truth

1114

00:51:07,530 --> 00:51:06,460

at it at the at the core of it there was

1115

00:51:10,070 --> 00:51:07,540

some accuracy to it

1116

00:51:13,560 --> 00:51:10,080

however the story was grossly

1117

00:51:15,960 --> 00:51:13,570

exaggerated and we sort of dug in on

1118

00:51:17,880 --> 00:51:15,970

this a little bit so [h__h] you want to

1119

00:51:21,780 --> 00:51:17,890

take it away and explain a little bit

1120

00:51:27,180 --> 00:51:21,790

about what happened there yeah so on

1121

00:51:29,730 --> 00:51:27,190

this in beside they had an article that

1122

00:51:33,540 --> 00:51:29,740

was published on January 16th of this

1123

00:51:34,970 --> 00:51:33,550

year and the title proclaims the Vatican

1124

00:51:37,910 --> 00:51:34,980

prepares a conference on

1125

00:51:41,280 --> 00:51:37,920

extraterrestrial life which is rather

1126

00:51:44,760 --> 00:51:41,290

misleading I believe because after

1127

00:51:48,150 --> 00:51:44,770

having done research on this I found out

1128

00:51:51,840 --> 00:51:48,160

that there might be a conference being

1129

00:51:55,710 --> 00:51:51,850

held in Vatican City but not at the

1130

00:51:59,490 --> 00:51:55,720

actual Vatican itself now I did reach

1131

00:52:01,740 --> 00:51:59,500

out to two well-known and when I say

1132

00:52:04,530 --> 00:52:01,750

well-known these people are legendary in

1133

00:52:07,410 --> 00:52:04,540

the field of ufology I cannot mention

1134

00:52:10,500 --> 00:52:07,420

the other person but that person did say

1135

00:52:14,070 --> 00:52:10,510

this is absolutely not true if it were

1136

00:52:15,810 --> 00:52:14,080

true that the word astrobiology would

1137

00:52:17,400 --> 00:52:15,820

have been included in this UFO

1138

00:52:20,310 --> 00:52:17,410

conference or this conference on

1139

00:52:22,950 --> 00:52:20,320

extraterrestrial life rather to be held

1140

00:52:27,440 --> 00:52:22,960

at the Vatican and the other individual

1141

00:52:32,520 --> 00:52:27,450

that I contacted was Alex Giannetti and

1142

00:52:36,060 --> 00:52:32,530

he he actually contacted an individual

1143

00:52:39,260 --> 00:52:36,070

who was the founder of Kuhn which is the

1144

00:52:42,480 --> 00:52:39,270

organization that is responsible for

1145

00:52:45,590 --> 00:52:42,490

being part of this conference regarding

1146

00:52:48,420 --> 00:52:45,600

extraterrestrial life at the Vatican and

1147

00:52:51,660 --> 00:52:48,430

allegedly and I'm gonna go ahead and

1148

00:52:54,819 --> 00:52:51,670

read what Alex said he said hi guys the

1149

00:52:57,459 --> 00:52:54,829

source is snake dose

1150

00:52:59,289 --> 00:52:57,469

UFOs Spain a sensationalist site from

1151
00:53:01,329 --> 00:52:59,299
Spain of dubious reputation on its

1152
00:53:02,949 --> 00:53:01,339
announcements and veracity also they

1153
00:53:05,919 --> 00:53:02,959
have an English version I just talked

1154
00:53:08,979 --> 00:53:05,929
with dr. P no t he doesn't know anything

1155
00:53:10,900 --> 00:53:08,989
nothing about this that was in

1156
00:53:12,939 --> 00:53:10,910
parentheses by the way and then Alex

1157
00:53:16,569 --> 00:53:12,949
goes on to say who was founder of the

1158
00:53:20,769 --> 00:53:16,579
Kuhn C UN that was also director before

1159
00:53:22,900 --> 00:53:20,779
and after fled Mero Biblio T mentioned

1160
00:53:26,229 --> 00:53:22,910
as responsible for the unconfirmed event

1161
00:53:29,319 --> 00:53:26,239
in February the Vatican having have been

1162
00:53:33,099 --> 00:53:29,329
having during the last years many events

1163
00:53:35,650 --> 00:53:33,109

on astronomy and exobiology and in 2015

1164

00:53:37,719 --> 00:53:35,660

Kuhn was lecturing about UFOs also

1165

00:53:41,109 --> 00:53:37,729

article is totally wrong and associating

1166

00:53:43,660 --> 00:53:41,119

this pioneering organization onto to the

1167

00:53:46,209 --> 00:53:43,670

Stars Academy in October 2018

1168

00:53:48,039 --> 00:53:46,219

biblio D invited DeLong and Lozano to a

1169

00:53:49,900 --> 00:53:48,049

national event in Rome as the Academy

1170

00:53:51,759 --> 00:53:49,910

was interested in starting exchange of

1171

00:53:53,289 --> 00:53:51,769

information with official delegations in

1172

00:53:55,929 --> 00:53:53,299

Europe and around the world although

1173

00:53:58,169 --> 00:53:55,939

their interest is find to find evidence

1174

00:54:00,999 --> 00:53:58,179

to sustain their pedestrian philosophy

1175

00:54:03,819 --> 00:54:01,009

epistemology that UFOs are matter of

1176

00:54:06,459 --> 00:54:03,829

defence and security this is this also

1177

00:54:08,859 --> 00:54:06,469

was agreed by the director board of the

1178

00:54:10,390 --> 00:54:08,869

Kuhn then with the exception of one

1179

00:54:13,239 --> 00:54:10,400

member related to intelligence

1180

00:54:16,269 --> 00:54:13,249

the Italians included the Vatican always

1181

00:54:18,329 --> 00:54:16,279

have been had a positive and non-harming

1182

00:54:20,559 --> 00:54:18,339

open position with and toward

1183

00:54:22,509 --> 00:54:20,569

extraterrestrial life and its past and

1184

00:54:25,779 --> 00:54:22,519

present UFO phenomena sightings and

1185

00:54:27,489 --> 00:54:25,789

related manifestations and he also went

1186

00:54:29,799 --> 00:54:27,499

on to say he's checking with the Vatican

1187

00:54:33,849 --> 00:54:29,809

anyway and hopes to have an official

1188

00:54:38,679 --> 00:54:33,859

response soon on this but Alex basic

1189

00:54:40,029 --> 00:54:38,689

point was that even dr. Panaji who is

1190

00:54:42,400 --> 00:54:40,039

the founder of the organization

1191

00:54:43,689 --> 00:54:42,410

mentioned in this article that will be

1192

00:54:46,359 --> 00:54:43,699

involved in this alleged

1193

00:54:50,079 --> 00:54:46,369

extraterrestrial conference at the

1194

00:54:52,859 --> 00:54:50,089

Vatican had no idea about this and it

1195

00:54:55,569 --> 00:54:52,869

doesn't sound like there's much

1196

00:54:57,969 --> 00:54:55,579

authenticity to this claim the other

1197

00:55:00,160 --> 00:54:57,979

thing I wanted to mention is the Vatican

1198

00:55:03,459 --> 00:55:00,170

has considered the possibility of aliens

1199

00:55:06,509 --> 00:55:03,469

and - one to mention in November 11th of

1200

00:55:08,049 --> 00:55:06,519

2009 there's an article on CBS news.com

1201
00:55:10,359 --> 00:55:08,059
regarding that

1202
00:55:14,650 --> 00:55:10,369
and there was some kind of conference

1203
00:55:17,199 --> 00:55:14,660
and there were folks of science-related

1204
00:55:19,839 --> 00:55:17,209
and religious backgrounds that attended

1205
00:55:21,989 --> 00:55:19,849
this actual conference so my point here

1206
00:55:28,349 --> 00:55:21,999
is when there's an actual conference

1207
00:55:33,819 --> 00:55:30,910
mainstream media usually covers it well

1208
00:55:36,390 --> 00:55:33,829
I went ahead and checked also with the

1209
00:55:39,969 --> 00:55:36,400
Vatican's website the papal calendar and

1210
00:55:41,829 --> 00:55:39,979
after translating everything just like

1211
00:55:44,559 --> 00:55:41,839
Frank did because he did his own source

1212
00:55:49,109 --> 00:55:44,569
checking - there is absolutely nothing

1213
00:55:52,779 --> 00:55:49,119

to indicate that there is or was a

1214

00:55:55,929 --> 00:55:52,789

conference there this month or any month

1215

00:55:58,479 --> 00:55:55,939

so far this year regarding

1216

00:56:01,839 --> 00:55:58,489

extraterrestrial life or UFO activity of

1217

00:56:03,849 --> 00:56:01,849

any kind and it's really important to

1218

00:56:06,640 --> 00:56:03,859

note that if the Vatican is going to

1219

00:56:09,880 --> 00:56:06,650

have a conference like that that that is

1220

00:56:12,279 --> 00:56:09,890

what the papal calendar is for is to

1221

00:56:14,769 --> 00:56:12,289

list things of that nature or of any

1222

00:56:16,269 --> 00:56:14,779

nature regarding any kind of session or

1223

00:56:20,380 --> 00:56:16,279

conference or activity they're going to

1224

00:56:21,849 --> 00:56:20,390

be having so that's the end of it and I

1225

00:56:23,589 --> 00:56:21,859

do know that a lot of people in the UFO

1226
00:56:27,870 --> 00:56:23,599
field were really excited about this and

1227
00:56:31,599 --> 00:56:27,880
they really wanted this to be you know

1228
00:56:33,279 --> 00:56:31,609
we saw there was a big big there there

1229
00:56:36,999 --> 00:56:33,289
was there were folks falling all over

1230
00:56:39,609 --> 00:56:37,009
themselves trying to prove this was true

1231
00:56:43,989 --> 00:56:39,619
but if it's not on the Vatican's

1232
00:56:46,359 --> 00:56:43,999
official website and also I its then it

1233
00:56:48,249 --> 00:56:46,369
didn't happen okay and the last thing I

1234
00:56:50,469 --> 00:56:48,259
wanted to mention is I did do some

1235
00:56:51,880 --> 00:56:50,479
source checking after the event was

1236
00:56:54,069 --> 00:56:51,890
alleged to have happened at the Vatican

1237
00:56:55,539 --> 00:56:54,079
which was on February 12th and still

1238
00:56:57,130 --> 00:56:55,549

nothing there's nothing there to show

1239

00:56:59,169 --> 00:56:57,140

that it actually occurred nothing

1240

00:57:02,769 --> 00:56:59,179

nothing ever did happen because in point

1241

00:57:06,489 --> 00:57:02,779

of fact what this dodgy website there

1242

00:57:09,819 --> 00:57:06,499

reported was a grossly exaggerated based

1243

00:57:12,969 --> 00:57:09,829

on fact what what actually happened was

1244

00:57:16,959 --> 00:57:12,979

there is a parish the Pontifical parish

1245

00:57:19,749 --> 00:57:16,969

st. Anna of the Vatican and what what

1246

00:57:21,640 --> 00:57:19,759

they do is on Wednesday nights every

1247

00:57:24,460 --> 00:57:21,650

Wednesday night they have a

1248

00:57:26,769 --> 00:57:24,470

regular speaking program and they'll

1249

00:57:30,640 --> 00:57:26,779

have different speakers come in for

1250

00:57:33,460 --> 00:57:30,650

example January 22nd the 50th year of

1251
00:57:35,349 --> 00:57:33,470
the Vatican radio for example and looks

1252
00:57:39,069 --> 00:57:35,359
like someone that came in and then I

1253
00:57:42,819 --> 00:57:39,079
spoke about that and they also had let's

1254
00:57:47,019 --> 00:57:42,829
see a speaker come in and talk about

1255
00:57:50,440 --> 00:57:47,029
kidney diseases okay so what happened on

1256
00:57:52,809 --> 00:57:50,450
February 12th was they did have a

1257
00:57:55,180 --> 00:57:52,819
speaker at this look at this Paris that

1258
00:57:57,970 --> 00:57:55,190
is located within Vatican City they had

1259
00:58:01,480 --> 00:57:57,980
one speaker come in Vladimiro Babylon II

1260
00:58:04,120 --> 00:58:01,490
who was associated with se UN the the

1261
00:58:06,220 --> 00:58:04,130
Centro you falada col Nacional a

1262
00:58:09,670 --> 00:58:06,230
basically the basically was the

1263
00:58:12,390 --> 00:58:09,680

organization that Elizondo and DeLong

1264

00:58:15,609 --> 00:58:12,400

spoke at and then you saw some of their

1265

00:58:17,710 --> 00:58:15,619

behind-the-scenes exchanges on video

1266

00:58:20,500 --> 00:58:17,720

during the final episode of the

1267

00:58:22,990 --> 00:58:20,510

unidentified program so that is that

1268

00:58:25,210 --> 00:58:23,000

organization he is a bevel Adi is from

1269

00:58:27,430 --> 00:58:25,220

that organization and he did speak at

1270

00:58:30,789 --> 00:58:27,440

this local pet this parish that's in

1271

00:58:32,829 --> 00:58:30,799

Vatican City on the subject of the

1272

00:58:34,779 --> 00:58:32,839

universe and possible meetings with

1273

00:58:36,760 --> 00:58:34,789

other civilizations and there's

1274

00:58:41,230 --> 00:58:36,770

basically the bill that's the lineup for

1275

00:58:43,660 --> 00:58:41,240

all the different speakers that looks

1276

00:58:45,940 --> 00:58:43,670

like this parish has lined up through

1277

00:58:49,569 --> 00:58:45,950

the first quarter and there you can see

1278

00:58:52,390 --> 00:58:49,579

Bill Oddie in February he is listed

1279

00:58:56,470 --> 00:58:52,400

let's see it was the 12th so he's the

1280

00:58:58,420 --> 00:58:56,480

second one down in February oh my my

1281

00:59:00,460 --> 00:58:58,430

Italian is not as good as it once was

1282

00:59:02,710 --> 00:59:00,470

back when from the days that I was

1283

00:59:06,690 --> 00:59:02,720

growing up in North Jersey when now my

1284

00:59:09,640 --> 00:59:06,700

Italian was in fact quite excellent but

1285

00:59:12,250 --> 00:59:09,650

but those days ago so basically this is

1286

00:59:15,339 --> 00:59:12,260

a this is a local church that has a

1287

00:59:18,370 --> 00:59:15,349

regular speakers program they had a

1288

00:59:20,589 --> 00:59:18,380

researcher from si UN come in to talk

1289

00:59:23,620 --> 00:59:20,599

about the possible alien encounters and

1290

00:59:25,870 --> 00:59:23,630

that is basically the gist of what they

1291

00:59:29,200 --> 00:59:25,880

actually did and this particular story

1292

00:59:32,019 --> 00:59:29,210

got blown up and exaggerated wildly and

1293

00:59:35,530 --> 00:59:32,029

somehow got turned into a Vatican

1294

00:59:37,870 --> 00:59:35,540

conference that presentation Eliza

1295

00:59:40,180 --> 00:59:37,880

so yeah so again there's a little bit

1296

00:59:43,750 --> 00:59:40,190

true of truth at the core of this but

1297

00:59:47,620 --> 00:59:43,760

again this this entire show is basically

1298

00:59:50,590 --> 00:59:47,630

been to sort of bore down a little bit

1299

00:59:52,330 --> 00:59:50,600

on so much exaggeration and nonsense

1300

00:59:54,910 --> 00:59:52,340

that is floating around in the field

1301

00:59:56,740 --> 00:59:54,920

that we may we may look back on this

1302

00:59:59,350 --> 00:59:56,750

particular show in that future dates and

1303

01:00:01,480 --> 00:59:59,360

I'll call it our nonsense show I think

1304

01:00:04,540 --> 01:00:01,490

that might be that's basically what we

1305

01:00:05,950 --> 01:00:04,550

did we we've cut down on we've cut into

1306

01:00:07,270 --> 01:00:05,960

a lot of the nonsense that's been

1307

01:00:09,160 --> 01:00:07,280

floating around for the last couple

1308

01:00:11,920 --> 01:00:09,170

weeks the reason for it well yeah I mean

1309

01:00:12,700 --> 01:00:11,930

things have been slow since basically

1310

01:00:15,370 --> 01:00:12,710

last summer

1311

01:00:17,380 --> 01:00:15,380

nothing really wildly compelling there

1312

01:00:20,530 --> 01:00:17,390

was a new article by Chris melon that

1313

01:00:25,810 --> 01:00:20,540

was posted on the yeah the American

1314

01:00:27,520 --> 01:00:25,820

Legion website today and possibly they

1315

01:00:29,590 --> 01:00:27,530

are you know they're gearing up and

1316

01:00:31,750 --> 01:00:29,600

we'll see more we've been having some

1317

01:00:33,700 --> 01:00:31,760

private conversations where you know it

1318

01:00:36,220 --> 01:00:33,710

looks like maybe some additional cases

1319

01:00:38,470 --> 01:00:36,230

are you know going to be discussed

1320

01:00:40,420 --> 01:00:38,480

during their second run of shows and

1321

01:00:42,790 --> 01:00:40,430

they will come to light so hopefully

1322

01:00:47,110 --> 01:00:42,800

that is the case but the way things are

1323

01:00:48,850 --> 01:00:47,120

right now frankly it you know we're in a

1324

01:00:50,710 --> 01:00:48,860

position where the best thing to do is

1325

01:00:52,000 --> 01:00:50,720

to knock down a lot of the nonsense

1326

01:00:54,250 --> 01:00:52,010

basically and a lot of the wishful

1327

01:00:56,350 --> 01:00:54,260

thinking that's going on and so far

1328

01:00:59,280 --> 01:00:56,360

we've done that and we've got one far

1329

01:01:02,800 --> 01:00:59,290

we've got another segment to get to so

1330

01:01:05,860 --> 01:01:02,810

unless you have something to wrap this

1331

01:01:08,470 --> 01:01:05,870

particular segment up with chant one

1332

01:01:16,300 --> 01:01:08,480

last thing yeah one last thing to

1333

01:01:17,710 --> 01:01:16,310

mention is if you wanna break your

1334

01:01:19,960 --> 01:01:17,720

breaking up a little bit break it up a

1335

01:01:22,060 --> 01:01:19,970

little bit so you might want to start

1336

01:01:24,280 --> 01:01:22,070

okay your last point start from the top

1337

01:01:26,350 --> 01:01:24,290

if you don't mind I did actually reach

1338

01:01:30,580 --> 01:01:26,360

out to the Vatican to ask them about

1339

01:01:32,890 --> 01:01:30,590

this I did also reach out to Kuhn

1340

01:01:34,990 --> 01:01:32,900

organization to find out more

1341

01:01:37,210 --> 01:01:35,000

information so it was just letting I'm

1342

01:01:39,010 --> 01:01:37,220

letting my listeners know that I've been

1343

01:01:42,490 --> 01:01:39,020

doing my due diligence on this to reach

1344

01:01:45,160 --> 01:01:42,500

out to various folks and organizations

1345

01:01:47,740 --> 01:01:45,170

to find out more about it but lastly did

1346

01:01:49,329 --> 01:01:47,750

want to mention that if you go on the

1347

01:01:51,519 --> 01:01:49,339

Vatican's official

1348

01:01:52,450 --> 01:01:51,529

papal calendar website you will see on

1349

01:01:56,410 --> 01:01:52,460

February 12th

1350

01:01:59,979 --> 01:01:56,420

it says Kelly de Amazonia post sindelle

1351

01:02:02,079 --> 01:01:59,989

a pop apostille lik exhortation to the

1352

01:02:05,049 --> 01:02:02,089

people of God into all people of

1353

01:02:07,180 --> 01:02:05,059

goodwill 12 p.m. on February 12th that

1354

01:02:09,219 --> 01:02:07,190

is all the Vatican had they did not have

1355

01:02:10,930 --> 01:02:09,229

anything else yeah and it's not

1356

01:02:13,269 --> 01:02:10,940

surprising that the people that you

1357

01:02:15,339 --> 01:02:13,279

reached out to didn't really know about

1358

01:02:17,469 --> 01:02:15,349

beginning Asia because it's a speaking

1359

01:02:19,660 --> 01:02:17,479

engagement and you know as part of a

1360

01:02:21,789 --> 01:02:19,670

local church function it yeah is it's

1361

01:02:23,620 --> 01:02:21,799

you know it's nice that they did that

1362

01:02:25,269 --> 01:02:23,630

it's cool that they did that but you

1363

01:02:28,630 --> 01:02:25,279

know they're not gonna know all about it

1364

01:02:30,609 --> 01:02:28,640

you know I can't I can't Nestor's

1365

01:02:32,769 --> 01:02:30,619

necessarily say they don't know about it

1366

01:02:35,200 --> 01:02:32,779

I can just say I did do my due diligence

1367

01:02:36,849 --> 01:02:35,210

and reach out to them but I did not get

1368

01:02:39,969 --> 01:02:36,859

a response and lastly just want to

1369

01:02:41,469 --> 01:02:39,979

remind listeners to go ahead and look up

1370

01:02:43,420 --> 01:02:41,479

something very interesting and that is

1371

01:02:44,799 --> 01:02:43,430

something a lot of people know but some

1372

01:02:47,440 --> 01:02:44,809

people do not and that's the Vatican

1373

01:02:50,200 --> 01:02:47,450

Observatory owns a telescope in Arizona

1374

01:02:51,430 --> 01:02:50,210

and as Rome expanded light pollution

1375

01:02:53,799 --> 01:02:51,440

from the city made it increasingly

1376

01:02:56,170 --> 01:02:53,809

difficult for astronomers astronomers at

1377

01:02:57,670 --> 01:02:56,180

Vatican Observatory located 15 miles

1378

01:03:00,519 --> 01:02:57,680

from the city at the papal summer

1379

01:03:03,219 --> 01:03:00,529

residence in Castel Gandolfo to view the

1380

01:03:04,539 --> 01:03:03,229

night skies so an 81 the observatory

1381

01:03:06,670 --> 01:03:04,549

opened a second Research Center in

1382

01:03:08,349 --> 01:03:06,680

Tucson Arizona and the Vatican conducts

1383

01:03:10,749 --> 01:03:08,359

astronomical research with a state of

1384

01:03:14,079 --> 01:03:10,759

the art a telescope that sits atop Mount

1385

01:03:20,170 --> 01:03:14,089

Graham in South East Arizona alrighty

1386

01:03:23,109 --> 01:03:20,180

then on to our next topic and finally

1387

01:03:26,499 --> 01:03:23,119

tonight we're going to deal with a now

1388

01:03:31,779 --> 01:03:26,509

article that that was posted over at the

1389

01:03:34,420 --> 01:03:31,789

Vice vises a mainstream news entity

1390

01:03:37,839 --> 01:03:34,430

they've got a TV show or I believe it's

1391

01:03:40,719 --> 01:03:37,849

a zit on HBO could be on HBO and they've

1392

01:03:43,809 --> 01:03:40,729

also got a website so a day their small

1393

01:03:45,640 --> 01:03:43,819

I mean it's not NBC or CBS but they've

1394

01:03:49,319 --> 01:03:45,650

got there a niche I would say yeah

1395

01:03:53,109 --> 01:03:49,329

mainstream news organization and they've

1396

01:03:55,630 --> 01:03:53,119

posted certainly a number of UFO

1397

01:03:57,969 --> 01:03:55,640

articles over the the last couple of

1398

01:04:00,339 --> 01:03:57,979

years or so and a number though of them

1399

01:04:00,880 --> 01:04:00,349

have been written by somebody named MJ

1400

01:04:02,530 --> 01:04:00,890

binaya

1401

01:04:05,920 --> 01:04:02,540

now last we

1402

01:04:08,190 --> 01:04:05,930

or within the last week or so an article

1403

01:04:10,900 --> 01:04:08,200

was posted by benaiah s-- that basically

1404

01:04:14,620 --> 01:04:10,910

highlighted the work of Damon steer of

1405

01:04:17,520 --> 01:04:14,630

the Conway Daily Sun now whether the the

1406

01:04:21,070 --> 01:04:17,530

Conway Sun is a New Hampshire based

1407

01:04:22,690 --> 01:04:21,080

newspaper that obviously with the New

1408

01:04:26,560 --> 01:04:22,700

Hampshire primary are happening just

1409

01:04:28,420 --> 01:04:26,570

recently has had the the Democratic

1410

01:04:31,540 --> 01:04:28,430

candidates come through town and what

1411

01:04:33,850 --> 01:04:31,550

Damon invariably does is when he gets a

1412

01:04:36,790 --> 01:04:33,860

the opportunity to ask each of the

1413

01:04:38,920 --> 01:04:36,800

candidates about the UFO question he

1414

01:04:41,380 --> 01:04:38,930

gets that in there and lots of them of

1415

01:04:44,910 --> 01:04:41,390

answered to in varying degrees Amy

1416

01:04:48,010 --> 01:04:44,920

Klobuchar Bernie Sanders Duval Patrick

1417

01:04:50,530 --> 01:04:48,020

Tulsi Gabbard and there been a couple

1418

01:04:53,620 --> 01:04:50,540

others so basically a B'nai is's article

1419

01:04:58,210 --> 01:04:53,630

got a little bit of comment from Daymond

1420

01:05:00,220 --> 01:04:58,220

and also was a compiled of the responses

1421

01:05:02,230 --> 01:05:00,230

that he got so this was an article that

1422

01:05:04,270 --> 01:05:02,240

I did see but I have to admit that I

1423

01:05:06,820 --> 01:05:04,280

originally did not read through it all

1424

01:05:09,640 --> 01:05:06,830

that much because basically I have

1425

01:05:13,290 --> 01:05:09,650

access to Damon's articles where he

1426

01:05:15,220 --> 01:05:13,300

actually posts the the full video of the

1427

01:05:17,770 --> 01:05:15,230

conversation with these various

1428

01:05:20,170 --> 01:05:17,780

presidential candidates and it has a

1429

01:05:22,930 --> 01:05:20,180

timestamp hey the UFO question comes in

1430

01:05:25,540 --> 01:05:22,940

here so I've been able to follow that as

1431

01:05:27,190 --> 01:05:25,550

they've come out and then post them over

1432

01:05:29,050 --> 01:05:27,200

at my group so people can take a look

1433

01:05:31,120 --> 01:05:29,060

and see what these different Democrat

1434

01:05:34,570 --> 01:05:31,130

candidates think about the UFO question

1435

01:05:37,330 --> 01:05:34,580

so Damon's dad doing great work and

1436

01:05:39,850 --> 01:05:37,340

binaya said basically got his comment

1437

01:05:43,540 --> 01:05:39,860

and compiled some of the responses that

1438

01:05:46,090 --> 01:05:43,550

Damon got together and okay that that

1439

01:05:48,100 --> 01:05:46,100

article got posted at my group I didn't

1440

01:05:51,700 --> 01:05:48,110

read through that article terribly

1441

01:05:54,760 --> 01:05:51,710

carefully for a real specific reason and

1442

01:05:56,710 --> 01:05:54,770

again as I stated earlier it's because I

1443

01:05:58,930 --> 01:05:56,720

saw it as it was coming out so there was

1444

01:06:01,780 --> 01:05:58,940

no reason for me to follow up with it

1445

01:06:04,360 --> 01:06:01,790

more carefully however someone noticed

1446

01:06:06,730 --> 01:06:04,370

and chant you might be able to add some

1447

01:06:09,250 --> 01:06:06,740

feedback on this somebody noticed and

1448

01:06:12,370 --> 01:06:09,260

took a great offense to the particular

1449

01:06:14,470 --> 01:06:12,380

paragraph that was inserted really for

1450

01:06:15,880 --> 01:06:14,480

no apparent reason it was completely

1451

01:06:18,279 --> 01:06:15,890

off-topic to the rest of

1452

01:06:21,549 --> 01:06:18,289

the article but this was inserted by

1453

01:06:22,599 --> 01:06:21,559

banais yeah I can read that okay you

1454

01:06:24,789 --> 01:06:22,609

want to go ahead and read that while

1455

01:06:27,849 --> 01:06:24,799

more mainstream okay go ahead yeah yeah

1456

01:06:30,819 --> 01:06:27,859

okay so at the bottom of this article

1457

01:06:33,130 --> 01:06:30,829

very nearly it says while more

1458

01:06:34,900 --> 01:06:33,140

mainstream coverage of UFOs continues to

1459

01:06:37,059 --> 01:06:34,910

bombard the internet and cable news

1460

01:06:39,910 --> 01:06:37,069

channels the UFO community is far from

1461

01:06:41,740 --> 01:06:39,920

unified voting bloc no data exists which

1462

01:06:44,980 --> 01:06:41,750

clearly in a case which side of the

1463

01:06:47,319 --> 01:06:44,990

aisle UFO people tend to fall on that

1464

01:06:50,019 --> 01:06:47,329

being said politics is undoubtedly baked

1465

01:06:51,849 --> 01:06:50,029

into many ufology circles many

1466

01:06:55,120 --> 01:06:51,859

right-wing conspiracies who are into

1467

01:06:56,319 --> 01:06:55,130

both UFOs and queuing on deem president

1468

01:06:58,480 --> 01:06:56,329

Donald Trump to be some sort of

1469

01:07:00,640 --> 01:06:58,490

messianic figure ready to save America

1470

01:07:02,620 --> 01:07:00,650

from various secret evil cabal

1471

01:07:04,599 --> 01:07:02,630

combine that with weird conspiracies

1472

01:07:06,819 --> 01:07:04,609

concerning ancient alien astronauts and

1473

01:07:08,289 --> 01:07:06,829

alternative history which is opted in

1474

01:07:10,269 --> 01:07:08,299

the fair of neo-nazi and white

1475

01:07:12,250 --> 01:07:10,279

supremacist groups and the seedy

1476

01:07:14,140 --> 01:07:12,260

underbelly of some UFO groups begin to

1477

01:07:18,759 --> 01:07:14,150

indicate a clear political and optin

1478

01:07:21,519 --> 01:07:18,769

racial position now what is that what is

1479

01:07:24,249 --> 01:07:21,529

that doing in this article you know you

1480

01:07:26,230 --> 01:07:24,259

you should be spotlighting the work of a

1481

01:07:28,870 --> 01:07:26,240

great journalist like Damon steer and

1482

01:07:30,279 --> 01:07:28,880

then you stick something like that in

1483

01:07:33,069 --> 01:07:30,289

there it makes absolutely no sense

1484

01:07:38,890 --> 01:07:33,079

whatsoever yeah he provides some links

1485

01:07:41,230 --> 01:07:38,900

to some some other articles and websites

1486

01:07:44,230 --> 01:07:41,240

that that supposedly support his

1487

01:07:46,150 --> 01:07:44,240

position they really don't it that he's

1488

01:07:49,210 --> 01:07:46,160

had this agenda and he's had this agenda

1489

01:07:51,730 --> 01:07:49,220

for a while as a now-defunct podcast he

1490

01:07:55,359 --> 01:07:51,740

had some poet friend of his worthy the

1491

01:07:58,120 --> 01:07:55,369

focus was of conversation was on this on

1492

01:08:01,029 --> 01:07:58,130

the the racism of the UFO community and

1493

01:08:03,490 --> 01:08:01,039

it is it's a absolute garbage and a very

1494

01:08:05,950 --> 01:08:03,500

irresponsible thing to write and really

1495

01:08:07,870 --> 01:08:05,960

not true and what I'll do is I'll try to

1496

01:08:10,660 --> 01:08:07,880

explain that why I think it is first of

1497

01:08:12,460 --> 01:08:10,670

all UFOs are out there so yeah a lot of

1498

01:08:13,509 --> 01:08:12,470

different people I can latch on to it

1499

01:08:14,589 --> 01:08:13,519

some of them will be right-wing

1500

01:08:17,439 --> 01:08:14,599

conspiracy some of them will be

1501
01:08:19,360 --> 01:08:17,449
left-wing someone will be all types but

1502
01:08:22,240 --> 01:08:19,370
what he's really attempting to do here

1503
01:08:24,070 --> 01:08:22,250
is a paint the entire community with

1504
01:08:26,229 --> 01:08:24,080
this broad brush of racism which is

1505
01:08:28,300 --> 01:08:26,239
absolutely preposterous now not

1506
01:08:29,649 --> 01:08:28,310
surprisingly he was called on this and

1507
01:08:32,499 --> 01:08:29,659
here was his

1508
01:08:35,049 --> 01:08:32,509
response I do you want to mention the

1509
01:08:38,049 --> 01:08:35,059
name of the friend of yours who saw this

1510
01:08:40,989 --> 01:08:38,059
and that was critical of it well all I

1511
01:08:42,879 --> 01:08:40,999
can say is the individual that pointed

1512
01:08:45,279 --> 01:08:42,889
out this article in a group said this

1513
01:08:48,029 --> 01:08:45,289

I'm more disgusted at the biased

1514

01:08:50,140 --> 01:08:48,039

nonsense part about ancient astronaut an

1515

01:08:52,809 --> 01:08:50,150

alternative history being a racist

1516

01:08:54,699 --> 01:08:52,819

concept want to read bad biased

1517

01:08:58,149 --> 01:08:54,709

journalism then go ahead and click that

1518

01:09:00,129 --> 01:08:58,159

link biased nonsense personally I will

1519

01:09:02,309 --> 01:09:00,139

not share this for the good of the

1520

01:09:05,140 --> 01:09:02,319

community and hope others follow suit

1521

01:09:09,029 --> 01:09:05,150

then you know there's a series of

1522

01:09:12,069 --> 01:09:09,039

comments here that we're asking MJ to

1523

01:09:14,019 --> 01:09:12,079

please answer to a few comments and when

1524

01:09:15,999 --> 01:09:14,029

it's I just want to go and read it and

1525

01:09:18,099 --> 01:09:16,009

that is can you address in this

1526

01:09:20,859 --> 01:09:18,109

paragraph your article and they're

1527

01:09:22,870 --> 01:09:20,869

asking MJ bond OSIS combine that with

1528

01:09:24,669 --> 01:09:22,880

weird conspiracies concerning ancient

1529

01:09:26,019 --> 01:09:24,679

aliens astronauts and alternative

1530

01:09:27,879 --> 01:09:26,029

history which is often the fare of

1531

01:09:30,849 --> 01:09:27,889

neo-nazi and white supremacist groups

1532

01:09:32,199 --> 01:09:30,859

and the seedy underbelly of some UFO

1533

01:09:34,329 --> 01:09:32,209

groups begin to indicate a clear

1534

01:09:36,549 --> 01:09:34,339

political and often racial position and

1535

01:09:38,890 --> 01:09:36,559

then the question is this why is the

1536

01:09:41,079 --> 01:09:38,900

ancient aliens topic considered weird

1537

01:09:42,729 --> 01:09:41,089

and racist one of those topics are

1538

01:09:45,309 --> 01:09:42,739

traditionally covered in many UFO

1539

01:09:47,829 --> 01:09:45,319

related groups without a single racist

1540

01:09:50,949 --> 01:09:47,839

overtone one of these topics can include

1541

01:09:53,799 --> 01:09:50,959

the idea of some racism Nazi Bell UFO /

1542

01:09:55,600 --> 01:09:53,809

rural society idea hoaxes possibly it

1543

01:09:58,839 --> 01:09:55,610

really depends on how some folks

1544

01:10:01,719 --> 01:09:58,849

represent that unproven history but the

1545

01:10:03,569 --> 01:10:01,729

a a topic alien an ancient alien topic

1546

01:10:06,549 --> 01:10:03,579

in a broad sense does not represent

1547

01:10:08,770 --> 01:10:06,559

racism it looks like you focused in on

1548

01:10:11,439 --> 01:10:08,780

an aspect of these topics and decided to

1549

01:10:13,989 --> 01:10:11,449

cherry-pick an aspect of them that could

1550

01:10:17,080 --> 01:10:13,999

indeed be racist which was manufactured

1551
01:10:19,179 --> 01:10:17,090
by people who have nefarious intent by

1552
01:10:21,069 --> 01:10:19,189
and large most folks in the UFO

1553
01:10:23,319 --> 01:10:21,079
community who ascribed to ancient alien

1554
01:10:26,709 --> 01:10:23,329
astronauts are not espousing racist

1555
01:10:30,069 --> 01:10:26,719
propaganda to openly call ancient alien

1556
01:10:31,989 --> 01:10:30,079
astronauts theorists theorists raices is

1557
01:10:34,839 --> 01:10:31,999
not fair to those folks who are

1558
01:10:39,520 --> 01:10:34,849
absolutely not racist nor have ill-will

1559
01:10:42,040 --> 01:10:39,530
towards others yeah and his initial

1560
01:10:43,399 --> 01:10:42,050
response is plenty of work has been done

1561
01:10:46,370 --> 01:10:43,409
concerning this at his

1562
01:10:48,160 --> 01:10:46,380
secret as per the study done by dr.

1563
01:10:51,169 --> 01:10:48,170

Brenda denzler that the UFO community

1564

01:10:53,300 --> 01:10:51,179

does have political bias I've never seen

1565

01:10:55,310 --> 01:10:53,310

any evidence if anything I would say it

1566

01:10:58,280 --> 01:10:55,320

probably leans a little bit left towards

1567

01:11:01,189 --> 01:10:58,290

the Democratic side and also and that's

1568

01:11:03,590 --> 01:11:01,199

just based on no research whatsoever but

1569

01:11:05,810 --> 01:11:03,600

basically just my impressions about

1570

01:11:08,030 --> 01:11:05,820

talking to when dealing with people in

1571

01:11:09,740 --> 01:11:08,040

the in the UFO community over a number

1572

01:11:12,290 --> 01:11:09,750

of years and a lot of yeah some of them

1573

01:11:13,820 --> 01:11:12,300

do lean way right some of them do leaden

1574

01:11:15,500 --> 01:11:13,830

wayne left there's no question about

1575

01:11:17,180 --> 01:11:15,510

that but i would say if there's any

1576

01:11:19,700 --> 01:11:17,190

political bias it would be a little bit

1577

01:11:22,820 --> 01:11:19,710

to the left so i don't know where this

1578

01:11:24,530 --> 01:11:22,830

dr. brenda denzler is research but i

1579

01:11:27,220 --> 01:11:24,540

would certainly like to see a little bit

1580

01:11:30,649 --> 01:11:27,230

more about this claim of political bias

1581

01:11:34,040 --> 01:11:30,659

and a tendency to be populated by

1582

01:11:36,770 --> 01:11:34,050

middle-aged white males well gee you

1583

01:11:39,470 --> 01:11:36,780

don't need to be an academic and to have

1584

01:11:42,500 --> 01:11:39,480

done too much research to recognize that

1585

01:11:46,189 --> 01:11:42,510

yeah the population it is populated by

1586

01:11:48,640 --> 01:11:46,199

middle-aged white males to a very large

1587

01:11:50,629 --> 01:11:48,650

extent and all you really need to do is

1588

01:11:52,640 --> 01:11:50,639

anybody who wants their own Facebook

1589

01:11:55,280 --> 01:11:52,650

group or has their own YouTube channel

1590

01:11:58,129 --> 01:11:55,290

that can take a look and see for

1591

01:12:01,450 --> 01:11:58,139

themselves here's the the the gender and

1592

01:12:04,250 --> 01:12:01,460

age breakdown of my Facebook group with

1593

01:12:06,530 --> 01:12:04,260

75,000 members thank you very much you

1594

01:12:09,320 --> 01:12:06,540

see obviously yeah seventy five percent

1595

01:12:13,250 --> 01:12:09,330

male twenty four percent female yeah a

1596

01:12:16,040 --> 01:12:13,260

very few under the age of 24 most of

1597

01:12:19,129 --> 01:12:16,050

them are in that twenty five - looks

1598

01:12:21,860 --> 01:12:19,139

like roughly sixty four age groups no

1599

01:12:25,330 --> 01:12:21,870

question about it there's no breakdown

1600

01:12:27,680 --> 01:12:25,340

here as far as race or an ethnicity but

1601
01:12:29,660 --> 01:12:27,690
you know you just look at the profile

1602
01:12:31,610 --> 01:12:29,670
pictures you can see yeah most people

1603
01:12:35,510 --> 01:12:31,620
around most of the people are into UFOs

1604
01:12:37,760 --> 01:12:35,520
are white I mean that people get into

1605
01:12:41,060 --> 01:12:37,770
what they get into and maybe I'm

1606
01:12:43,310 --> 01:12:41,070
covering coming from this from kind of

1607
01:12:45,200 --> 01:12:43,320
an odd perspective and that yeah I'm an

1608
01:12:48,200 --> 01:12:45,210
older white male - I didn't get into

1609
01:12:51,290 --> 01:12:48,210
UFOs until seriously seriously like out

1610
01:12:53,149 --> 01:12:51,300
proactively and generating material on

1611
01:12:55,729 --> 01:12:53,159
my own I didn't get into it until I was

1612
01:12:56,630 --> 01:12:55,739
almost 50 years old people get into what

1613
01:12:59,330 --> 01:12:56,640

they get into

1614

01:13:01,550 --> 01:12:59,340

this UFOs you're either into it or

1615

01:13:03,890 --> 01:13:01,560

you're not it's a very very small

1616

01:13:07,130 --> 01:13:03,900

subculture when that when you get right

1617

01:13:10,450 --> 01:13:07,140

down to it and yeah okay so what the the

1618

01:13:12,470 --> 01:13:10,460

fact that it's overwhelmingly white male

1619

01:13:14,870 --> 01:13:12,480

interest in the field

1620

01:13:16,310 --> 01:13:14,880

well people again people get into what

1621

01:13:18,110 --> 01:13:16,320

they get into we're not talking about

1622

01:13:20,360 --> 01:13:18,120

civil rights here we're not talking

1623

01:13:22,250 --> 01:13:20,370

about issues of economic fairness we're

1624

01:13:24,410 --> 01:13:22,260

talking about what people choose to do

1625

01:13:25,730 --> 01:13:24,420

with their own time and the last time I

1626

01:13:27,980 --> 01:13:25,740

checked maybe it's different up in

1627

01:13:29,900 --> 01:13:27,990

Canada the last time I checked the

1628

01:13:31,730 --> 01:13:29,910

United States is a free country and with

1629

01:13:34,130 --> 01:13:31,740

your free time you can do with it

1630

01:13:36,740 --> 01:13:34,140

whatever you please in effect you know

1631

01:13:38,270 --> 01:13:36,750

minorities tend not to and women that

1632

01:13:42,560 --> 01:13:38,280

tend not to choose to get into the field

1633

01:13:44,750 --> 01:13:42,570

that's their right okay so it doesn't

1634

01:13:46,880 --> 01:13:44,760

mean that the the white males who

1635

01:13:48,050 --> 01:13:46,890

dominate the field and I'm not gonna

1636

01:13:51,050 --> 01:13:48,060

argue that that's not the case that

1637

01:13:53,020 --> 01:13:51,060

pretty obviously is the case or are

1638

01:13:54,260 --> 01:13:53,030

keeping these minorities and women out

1639

01:13:56,330 --> 01:13:54,270

okay

1640

01:13:59,960 --> 01:13:56,340

so I I have to disagree with you here

1641

01:14:02,330 --> 01:13:59,970

okay now I'll tell you why there are

1642

01:14:04,610 --> 01:14:02,340

seven point seven billion people on this

1643

01:14:09,380 --> 01:14:04,620

planet there's no way a single academic

1644

01:14:12,560 --> 01:14:09,390

or other kind of study can encompass or

1645

01:14:15,920 --> 01:14:12,570

represent the UFO community in its

1646

01:14:18,710 --> 01:14:15,930

entirety and outside of it regarding the

1647

01:14:21,700 --> 01:14:18,720

folks who follow faithfully the UFO

1648

01:14:23,900 --> 01:14:21,710

topic now we might be able to glean data

1649

01:14:26,150 --> 01:14:23,910

regarding kinds of demographics that

1650

01:14:28,310 --> 01:14:26,160

followed the UFO topic in F face book

1651
01:14:29,840 --> 01:14:28,320
groups as you mentioned however seven

1652
01:14:32,120 --> 01:14:29,850
point seven billion people are not

1653
01:14:35,030 --> 01:14:32,130
members of Facebook and they're not all

1654
01:14:36,830 --> 01:14:35,040
joined into the UFO groups either now

1655
01:14:38,870 --> 01:14:36,840
some of these folks read articles on the

1656
01:14:40,670 --> 01:14:38,880
UFO topic by looking over UFO related

1657
01:14:43,160 --> 01:14:40,680
posts from public facebook groups or

1658
01:14:45,710 --> 01:14:43,170
other social media in other words they

1659
01:14:48,170 --> 01:14:45,720
are eight other they are another

1660
01:14:51,020 --> 01:14:48,180
demographic of folks who are not counted

1661
01:14:52,520 --> 01:14:51,030
in these studies done by academics and

1662
01:14:55,640 --> 01:14:52,530
scholars or statisticians

1663
01:14:57,500 --> 01:14:55,650

are part of the larger UFO community but

1664

01:15:00,140 --> 01:14:57,510

just outside of it in a peripheral

1665

01:15:04,700 --> 01:15:00,150

manner the other thing I want to mention

1666

01:15:07,280 --> 01:15:04,710

is the overlooked part about all of this

1667

01:15:09,950 --> 01:15:07,290

is that women are considered

1668

01:15:12,800 --> 01:15:09,960

second-class citizens in

1669

01:15:16,370 --> 01:15:12,810

many of the under 200 countries on this

1670

01:15:19,550 --> 01:15:16,380

planet I would like to know how in the

1671

01:15:21,260 --> 01:15:19,560

hell these women who are treated like

1672

01:15:23,979 --> 01:15:21,270

second-class citizens

1673

01:15:27,890 --> 01:15:23,989

are supposed to have the same kind of

1674

01:15:30,950 --> 01:15:27,900

rights as men do or boys for that matter

1675

01:15:33,440 --> 01:15:30,960

to jump on the net and get involved in

1676

01:15:35,870 --> 01:15:33,450

an active way finding out more or

1677

01:15:40,729 --> 01:15:35,880

becoming an activist in the UFO related

1678

01:15:43,370 --> 01:15:40,739

topic it that's that's another part of

1679

01:15:46,910 --> 01:15:43,380

this spectrum of data that is openly

1680

01:15:49,959 --> 01:15:46,920

being ignored while other people like

1681

01:15:54,620 --> 01:15:49,969

this individual here are leaning on

1682

01:15:57,650 --> 01:15:54,630

statistics that in all actuality might

1683

01:16:00,979 --> 01:15:57,660

represent a very narrow aspect of

1684

01:16:04,580 --> 01:16:00,989

society one example is I believe dr.

1685

01:16:08,390 --> 01:16:04,590

Brenda denzler may have used a statistic

1686

01:16:11,420 --> 01:16:08,400

regarding the US and possibly Canada at

1687

01:16:14,959 --> 01:16:11,430

the same time now that does not cover

1688

01:16:17,229 --> 01:16:14,969

yet other under 200 countries in the

1689

01:16:19,790 --> 01:16:17,239

world now she may have used other

1690

01:16:22,550 --> 01:16:19,800

studies not just that one that I

1691

01:16:26,090 --> 01:16:22,560

mentioned here there is one problem with

1692

01:16:30,760 --> 01:16:26,100

it we do not have access to those

1693

01:16:34,340 --> 01:16:30,770

studies polls research that was done

1694

01:16:36,560 --> 01:16:34,350

from her book because we we don't have

1695

01:16:38,780 --> 01:16:36,570

that book you have to have thirty five

1696

01:16:40,910 --> 01:16:38,790

dollars to buy the cloth copy and twenty

1697

01:16:45,440 --> 01:16:40,920

five bucks for the book and I cannot

1698

01:16:48,380 --> 01:16:45,450

find any excerpts that reveal all the

1699

01:16:51,260 --> 01:16:48,390

studies she relied upon or did for that

1700

01:16:53,690 --> 01:16:51,270

matter on her own in that book so

1701

01:16:57,080 --> 01:16:53,700

there's an awful lot of things that I

1702

01:16:59,060 --> 01:16:57,090

have at issue regarding what was said in

1703

01:17:04,600 --> 01:16:59,070

that article and I would also like to

1704

01:17:08,300 --> 01:17:04,610

say and that what MJ did was he misused

1705

01:17:10,990 --> 01:17:08,310

statistics in in the sense that he

1706

01:17:15,310 --> 01:17:11,000

talked about the entire UFO community

1707

01:17:19,940 --> 01:17:15,320

while relying on dr. Brenda dense lers

1708

01:17:22,910 --> 01:17:19,950

some of her data and you cannot paint

1709

01:17:23,750 --> 01:17:22,920

the entire UFO community based on very

1710

01:17:27,290 --> 01:17:23,760

narrow

1711

01:17:30,380 --> 01:17:27,300

statistics it's just not fair to us and

1712

01:17:33,170 --> 01:17:30,390

it's a misuse of statistics which

1713

01:17:36,170 --> 01:17:33,180

asserts a falsehood yeah and if you

1714

01:17:37,640 --> 01:17:36,180

follow his lack of logic okay some of

1715

01:17:39,500 --> 01:17:37,650

his are he linked to an article in

1716

01:17:42,590 --> 01:17:39,510

Newsweek that that came out a while back

1717

01:17:44,390 --> 01:17:42,600

about John venturi and that who is a yo

1718

01:17:46,700 --> 01:17:44,400

he's a racist there's no doubt I'm not

1719

01:17:48,470 --> 01:17:46,710

gonna argue that for you John venturi is

1720

01:17:50,780 --> 01:17:48,480

a racist so no good knows no question

1721

01:17:54,230 --> 01:17:50,790

about it so I'm not gonna argue that

1722

01:17:56,600 --> 01:17:54,240

point but that's one guy who you know it

1723

01:17:58,310 --> 01:17:56,610

was no longer associated with MUFON and

1724

01:18:00,200 --> 01:17:58,320

now maybe they should have gotten I

1725

01:18:01,280 --> 01:18:00,210

handled that differently no question

1726

01:18:03,620 --> 01:18:01,290

they should have had to let differently

1727

01:18:05,600 --> 01:18:03,630

and moved him along a little bit more

1728

01:18:08,930 --> 01:18:05,610

expeditiously than they did but that's

1729

01:18:10,910 --> 01:18:08,940

one guy okay here's another one guy Stan

1730

01:18:13,750 --> 01:18:10,920

Romanek who was a convicted of

1731

01:18:17,080 --> 01:18:13,760

possession of child pornography you know

1732

01:18:19,430 --> 01:18:17,090

does that mean that the UFO community is

1733

01:18:21,440 --> 01:18:19,440

supports child pornography and that it

1734

01:18:22,910 --> 01:18:21,450

thinks it's okay I don't think so you

1735

01:18:25,280 --> 01:18:22,920

know this is the kind of logic that

1736

01:18:27,500 --> 01:18:25,290

binaya s-- is using and of course he

1737

01:18:30,920 --> 01:18:27,510

turned tail and ran after I added I

1738

01:18:32,480 --> 01:18:30,930

asked him these questions if the fiea if

1739

01:18:34,640 --> 01:18:32,490

the field is so racist how do you

1740

01:18:36,200 --> 01:18:34,650

explain the robust Hispanic

1741

01:18:37,970 --> 01:18:36,210

contributions to the field

1742

01:18:40,070 --> 01:18:37,980

yeah no answer I don't think there is a

1743

01:18:42,650 --> 01:18:40,080

next point there's no doubt that that

1744

01:18:46,010 --> 01:18:42,660

the the black involvement in the UFO

1745

01:18:48,980 --> 01:18:46,020

field trails the the general population

1746

01:18:51,380 --> 01:18:48,990

at least here in the states by quite

1747

01:18:53,360 --> 01:18:51,390

some number you know I I don't have to

1748

01:18:54,800 --> 01:18:53,370

see yeah real hard numbers on that

1749

01:18:56,780 --> 01:18:54,810

there's no question about it but again

1750

01:18:59,270 --> 01:18:56,790

people are free to do with their free

1751

01:18:59,720 --> 01:18:59,280

time whatever they choose it's a free

1752

01:19:01,700 --> 01:18:59,730

country

1753

01:19:03,410 --> 01:19:01,710

and if they choose not to get involved

1754

01:19:05,180 --> 01:19:03,420

in UFOs then so be it

1755

01:19:07,580 --> 01:19:05,190

I don't think it's because people are

1756

01:19:09,460 --> 01:19:07,590

standing at the door saying you know no

1757

01:19:11,660 --> 01:19:09,470

blacks allowed or no women allowed

1758

01:19:13,490 --> 01:19:11,670

people are allowed in there's no

1759

01:19:16,220 --> 01:19:13,500

question about that in my mind that as

1760

01:19:18,830 --> 01:19:16,230

your friend Tom Bowden who we had here

1761

01:19:21,320 --> 01:19:18,840

on the show a couple miles back said

1762

01:19:24,410 --> 01:19:21,330

it's an open tent we have an open tent

1763

01:19:26,870 --> 01:19:24,420

they they got rid of the guy that you

1764

01:19:29,510 --> 01:19:26,880

know who was the racist and another

1765

01:19:32,060 --> 01:19:29,520

thing about the ancient astronaut theory

1766

01:19:34,280 --> 01:19:32,070

ancient alien theory FAA theory is so

1767

01:19:36,050 --> 01:19:34,290

inherently racist how do you explain

1768

01:19:37,430 --> 01:19:36,060

those who purport that every major

1769

01:19:40,070 --> 01:19:37,440

technical advance in

1770

01:19:42,170 --> 01:19:40,080

some late 1940s was the result of found

1771

01:19:45,470 --> 01:19:42,180

EG tech who is that racist to guess

1772

01:19:48,140 --> 01:19:45,480

who's been responsible for most of the

1773

01:19:51,890 --> 01:19:48,150

the major technical advances over the

1774

01:19:53,450 --> 01:19:51,900

last 75 years or so you know it's a not

1775

01:19:54,830 --> 01:19:53,460

women and minorities I mean that's just

1776

01:19:57,140 --> 01:19:54,840

the way it it's a you know it's a it's

1777

01:20:01,760 --> 01:19:57,150

been largely yeah older white males

1778

01:20:03,860 --> 01:20:01,770

that's just the way it goes you know the

1779

01:20:07,010 --> 01:20:03,870

sciences get more diverse and I love

1780

01:20:10,730 --> 01:20:07,020

seeing space science articles where you

1781

01:20:12,770 --> 01:20:10,740

see you know women quoted and they're

1782

01:20:14,390 --> 01:20:12,780

involved directly in the research and

1783

01:20:17,060 --> 01:20:14,400

not quoting from their papers and I

1784

01:20:20,210 --> 01:20:17,070

think it's fantastic i I think every

1785

01:20:22,160 --> 01:20:20,220

field I'm a big fan of diversity I think

1786

01:20:24,290 --> 01:20:22,170

that everything but it should be more

1787

01:20:27,560 --> 01:20:24,300

diverse on the one hand but on the other

1788

01:20:29,180 --> 01:20:27,570

hand you know again that people are into

1789

01:20:31,220 --> 01:20:29,190

what they're into and if they chose not

1790

01:20:33,350 --> 01:20:31,230

to follow this if they choose not to get

1791

01:20:36,760 --> 01:20:33,360

interested well that's their right to

1792

01:20:40,400 --> 01:20:36,770

you know I think using a very narrow

1793

01:20:44,810 --> 01:20:40,410

statistic that might be us and or can't

1794

01:20:49,930 --> 01:20:44,820

Canada based and then and then using it

1795

01:20:53,450 --> 01:20:49,940

to represent the entire UFO community is

1796

01:20:55,450 --> 01:20:53,460

unfair and I wanted to mention that

1797

01:20:58,430 --> 01:20:55,460

studies have not been able to do

1798

01:21:01,640 --> 01:20:58,440

statistics these kind of studies have

1799

01:21:04,520 --> 01:21:01,650

not represented statistics of folks from

1800

01:21:06,530 --> 01:21:04,530

other countries that have the biggest

1801
01:21:08,270 --> 01:21:06,540
populations like China or India for

1802
01:21:10,010 --> 01:21:08,280
example people from all over the world

1803
01:21:11,900 --> 01:21:10,020
follow the UFO phenomenon topic and

1804
01:21:14,630 --> 01:21:11,910
never once engaged in racist you have

1805
01:21:16,490 --> 01:21:14,640
pho related literature so to say for the

1806
01:21:18,560 --> 01:21:16,500
sake of example middle-aged white males

1807
01:21:20,990 --> 01:21:18,570
are predominantly what make up the UFO

1808
01:21:23,600 --> 01:21:21,000
community cannot be said with total

1809
01:21:26,810 --> 01:21:23,610
accuracy because these studies did not

1810
01:21:30,110 --> 01:21:26,820
do a census in the nearly 200 countries

1811
01:21:31,520 --> 01:21:30,120
on the planet as a result statistics

1812
01:21:34,990 --> 01:21:31,530
like these get thrown around in an

1813
01:21:37,460 --> 01:21:35,000

authoritative manner like MJ did there

1814

01:21:40,210 --> 01:21:37,470

when he said what he did

1815

01:21:42,650 --> 01:21:40,220

thus propagating the falsehood

1816

01:21:45,200 --> 01:21:42,660

middle-aged white males are only

1817

01:21:47,600 --> 01:21:45,210

involved this is an example we're using

1818

01:21:48,200 --> 01:21:47,610

here to explain a point in the topic of

1819

01:21:49,670 --> 01:21:48,210

ufology

1820

01:21:50,610 --> 01:21:49,680

and when stats like this are thrown

1821

01:21:53,700 --> 01:21:50,620

around that cannot

1822

01:21:56,250 --> 01:21:53,710

possibly be proven as fact that creates

1823

01:21:58,080 --> 01:21:56,260

a whole new level of bias towards a

1824

01:22:00,900 --> 01:21:58,090

group of people who do not represent the

1825

01:22:02,940 --> 01:22:00,910

UFO community as a whole and oddly

1826

01:22:05,250 --> 01:22:02,950

enough can create a whole new level of

1827

01:22:09,360 --> 01:22:05,260

racism which is a very thing he's

1828

01:22:11,580 --> 01:22:09,370

claiming is falsely happening though I

1829

01:22:14,790 --> 01:22:11,590

wanted to read a comment here that one

1830

01:22:15,450 --> 01:22:14,800

person said and that was with all due

1831

01:22:18,600 --> 01:22:15,460

respect

1832

01:22:20,640 --> 01:22:18,610

MJ banyas you are wrong the fact we are

1833

01:22:23,310 --> 01:22:20,650

having this discussion is because of the

1834

01:22:35,210 --> 01:22:23,320

race card and political card unjustly

1835

01:22:37,830 --> 01:22:35,220

written individuals looking

1836

01:22:39,870 --> 01:22:37,840

you're breaking up so let me jump in

1837

01:22:42,060 --> 01:22:39,880

here and make a little comment and then

1838

01:22:43,290 --> 01:22:42,070

hopefully that the problem is solved

1839

01:22:45,240 --> 01:22:43,300

itself I don't know if you can hear me

1840

01:22:47,520 --> 01:22:45,250

or not it's okay I can I can finish it

1841

01:22:49,800 --> 01:22:47,530

the vast majority of ufologists are

1842

01:22:51,480 --> 01:22:49,810

honest individuals looking for answers

1843

01:22:53,880 --> 01:22:51,490

and publishing information and theories

1844

01:22:56,700 --> 01:22:53,890

the way the words were written in this

1845

01:22:58,740 --> 01:22:56,710

in article would lead the average person

1846

01:23:00,300 --> 01:22:58,750

to believe the majority of ufology is

1847

01:23:03,150 --> 01:23:00,310

made up of racist politically minded

1848

01:23:05,190 --> 01:23:03,160

wackos with ties to neo-nazi white

1849

01:23:07,770 --> 01:23:05,200

supremacist groups which is far from the

1850

01:23:10,680 --> 01:23:07,780

truth if there is a group as described

1851

01:23:13,230 --> 01:23:10,690

in this article it is so small that is a

1852

01:23:15,330 --> 01:23:13,240

moot point and not worth one's time to

1853

01:23:17,850 --> 01:23:15,340

discuss it's more like a mouse in the

1854

01:23:19,740 --> 01:23:17,860

room I see a different agenda in this

1855

01:23:21,510 --> 01:23:19,750

article targeting honest men and women

1856

01:23:24,270 --> 01:23:21,520

who have worked very hard in the world

1857

01:23:26,550 --> 01:23:24,280

of ufology as far as I'm concerned what

1858

01:23:30,750 --> 01:23:26,560

was stated in this article is propaganda

1859

01:23:32,820 --> 01:23:30,760

and yeah and on top of all that it had

1860

01:23:35,160 --> 01:23:32,830

no place in what was otherwise you know

1861

01:23:36,930 --> 01:23:35,170

a decent compendium of the work of a

1862

01:23:40,710 --> 01:23:36,940

very fine journalist it was a just

1863

01:23:43,020 --> 01:23:40,720

completely off topic and irresponsible

1864

01:23:45,990 --> 01:23:43,030

benayah said I know as stated publicly

1865

01:23:47,820 --> 01:23:46,000

he did have a podcast at one point he

1866

01:23:49,770 --> 01:23:47,830

gave up on it because by his own

1867

01:23:51,840 --> 01:23:49,780

admission he wasn't very good at it you

1868

01:23:53,850 --> 01:23:51,850

might want to consider the same in terms

1869

01:23:56,070 --> 01:23:53,860

of writing about UFOs now let me make

1870

01:23:57,900 --> 01:23:56,080

another point about communities in

1871

01:24:00,300 --> 01:23:57,910

general and demographics and all that I

1872

01:24:01,270 --> 01:24:00,310

mean I do know a little bit about it

1873

01:24:03,339 --> 01:24:01,280

from work

1874

01:24:04,450 --> 01:24:03,349

experience and you know are crunching

1875

01:24:06,819 --> 01:24:04,460

numbers and all that

1876

01:24:11,399 --> 01:24:06,829

no niche interest I don't care whether

1877

01:24:14,470 --> 01:24:11,409

it's UFOs or NASCAR or needlepoint or

1878

01:24:18,939 --> 01:24:14,480

birding or photography or whatever the

1879

01:24:21,549 --> 01:24:18,949

case may be no specific demographic in

1880

01:24:24,790 --> 01:24:21,559

that particular interest niche is going

1881

01:24:26,680 --> 01:24:24,800

to accurately mirror the general

1882

01:24:28,660 --> 01:24:26,690

population it's just never going to

1883

01:24:29,350 --> 01:24:28,670

happen it never never has happened in

1884

01:24:30,520 --> 01:24:29,360

ever will happen

1885

01:24:33,069 --> 01:24:30,530

they're always going to be discrepancies

1886

01:24:34,540 --> 01:24:33,079

some might lean a little bit more female

1887

01:24:36,040 --> 01:24:34,550

some a little bit more male some a

1888

01:24:37,419 --> 01:24:36,050

little bit more white some a little bit

1889

01:24:39,879 --> 01:24:37,429

more Hispanics I'm a little bit more

1890

01:24:43,000 --> 01:24:39,889

black whatever the case may be so you're

1891

01:24:45,700 --> 01:24:43,010

always going to have those demographic

1892

01:24:49,180 --> 01:24:45,710

discrepancies between a niche population

1893

01:24:50,919 --> 01:24:49,190

and a broader general population so that

1894

01:24:55,390 --> 01:24:50,929

that's a point that I want to make and

1895

01:24:59,470 --> 01:24:55,400

also again we make the point that I made

1896

01:25:01,839 --> 01:24:59,480

earlier that just because yeah at least

1897

01:25:03,430 --> 01:25:01,849

at least within the states I do accept

1898

01:25:06,910 --> 01:25:03,440

that at least within the United States

1899

01:25:10,149 --> 01:25:06,920

yeah it means mail or liens white and

1900

01:25:12,279 --> 01:25:10,159

liens older doesn't necessarily mean

1901

01:25:14,620 --> 01:25:12,289

that it's racist yeah I'm sure that

1902

01:25:17,200 --> 01:25:14,630

there are also more racists in the field

1903

01:25:19,600 --> 01:25:17,210

than John venturi yeah he's not the only

1904

01:25:21,580 --> 01:25:19,610

one I'm sure that but by and large I

1905

01:25:24,129 --> 01:25:21,590

would say that the folks in the UFO

1906

01:25:26,770 --> 01:25:24,139

field are generally pretty good folks

1907

01:25:28,870 --> 01:25:26,780

you know they whatever their politics

1908

01:25:30,490 --> 01:25:28,880

might be they're generally pretty decent

1909

01:25:33,760 --> 01:25:30,500

folks there are some notable exceptions

1910

01:25:35,910 --> 01:25:33,770

and you know Venturi's not the only one

1911

01:25:38,770 --> 01:25:35,920

even if the issues that they have are

1912

01:25:40,510 --> 01:25:38,780

rated not necessarily racist in nature

1913

01:25:42,819 --> 01:25:40,520

they've got other issues well you know

1914

01:25:45,790 --> 01:25:42,829

just in terms of integrity and all that

1915

01:25:47,799 --> 01:25:45,800

but there is one other issue with what

1916

01:25:50,589 --> 01:25:47,809

MJ said I would like to mention it and

1917

01:25:52,779 --> 01:25:50,599

this is something that he wrote he said

1918

01:25:54,910 --> 01:25:52,789

I think it's an important aspect in our

1919

01:25:57,129 --> 01:25:54,920

continuous journey to understand the UFO

1920

01:25:59,859 --> 01:25:57,139

phenomenon knowledge is predominantly

1921

01:26:01,330 --> 01:25:59,869

cultural it builds upon history and

1922

01:26:03,399 --> 01:26:01,340

aspects of our past

1923

01:26:06,189 --> 01:26:03,409

so if aspects of our community's

1924

01:26:09,010 --> 01:26:06,199

discourse stems from racist ideologies

1925

01:26:11,290 --> 01:26:09,020

and texts of course that will follow us

1926

01:26:13,810 --> 01:26:11,300

it isn't until we address those issues

1927

01:26:15,189 --> 01:26:13,820

and deal with our collective ghosts that

1928

01:26:18,040 --> 01:26:15,199

we begin to address the bar

1929

01:26:19,930 --> 01:26:18,050

broader question are we alone now I do

1930

01:26:22,660 --> 01:26:19,940

have a comment that I wanted to make

1931

01:26:25,479 --> 01:26:22,670

about that and that is this what do you

1932

01:26:28,449 --> 01:26:25,489

think folks in the UFO community have

1933

01:26:31,149 --> 01:26:28,459

been doing wearing white pointy hats and

1934

01:26:33,339 --> 01:26:31,159

going to meetings to go act racist the

1935

01:26:35,500 --> 01:26:33,349

worldwide UFO community is focused on

1936

01:26:38,919 --> 01:26:35,510

finding out more on the are we alone

1937

01:26:41,410 --> 01:26:38,929

topic than ever before despite this you

1938

01:26:43,779 --> 01:26:41,420

still accuse us of not addressing that

1939

01:26:45,669 --> 01:26:43,789

topic you do not speak for the UFO

1940

01:26:47,109 --> 01:26:45,679

community nor do you represent the

1941

01:26:49,839 --> 01:26:47,119

current reality of what's going on

1942

01:26:52,149 --> 01:26:49,849

either there are tons of dedicated folks

1943

01:26:54,160 --> 01:26:52,159

for all different backgrounds in the UFO

1944

01:26:56,020 --> 01:26:54,170

community who work very hard to find out

1945

01:26:58,930 --> 01:26:56,030

more about the UFO topic on a regular

1946

01:27:01,660 --> 01:26:58,940

your skewed perspectives do them a grave

1947

01:27:03,870 --> 01:27:01,670

injustice these dedicated folks are

1948

01:27:06,939 --> 01:27:03,880

amateur astronomer astronomers

1949

01:27:11,290 --> 01:27:06,949

astronomers people with degrees academic

1950

01:27:14,020 --> 01:27:11,300

types scholars and everyone in between

1951

01:27:15,910 --> 01:27:14,030

ufology has room for everyone these

1952

01:27:18,310 --> 01:27:15,920

dedicated folks are looking for more

1953

01:27:21,520 --> 01:27:18,320

evidence or that elusive thing called

1954

01:27:23,410 --> 01:27:21,530

proof of et civilizations and more just

1955

01:27:26,229 --> 01:27:23,420

like various ufo-related worldwide

1956

01:27:28,479 --> 01:27:26,239

organizations are or the seu which is a

1957

01:27:30,759 --> 01:27:28,489

scientifically coalition for you a piece

1958

01:27:33,129 --> 01:27:30,769

or any other organizations or

1959

01:27:36,009 --> 01:27:33,139

individuals dedicated to the UFO

1960

01:27:38,919 --> 01:27:36,019

phenomenon topic you inserted us into a

1961

01:27:41,229 --> 01:27:38,929

fake drama we do not have roles in nor

1962

01:27:43,149 --> 01:27:41,239

do we deserve either if we were to

1963

01:27:45,969 --> 01:27:43,159

follow your character assassination of

1964

01:27:48,969 --> 01:27:45,979

us the entire worldwide UFO community

1965

01:27:51,310 --> 01:27:48,979

are all racist middle-aged white guys up

1966

01:27:55,449 --> 01:27:51,320

to no good and that is not true nor

1967

01:27:59,109 --> 01:27:55,459

correct nor is it fair to use to us as a

1968

01:28:01,660 --> 01:27:59,119

UFO community I read that last quote

1969

01:28:04,449 --> 01:28:01,670

from him again if you don't mind because

1970

01:28:06,939 --> 01:28:04,459

I want to tear into it too sure let me

1971

01:28:08,439 --> 01:28:06,949

just go ahead and go up to it I'll just

1972

01:28:12,160 --> 01:28:08,449

start from the beginning where he

1973

01:28:14,529 --> 01:28:12,170

started it's just a very small I might

1974

01:28:18,640 --> 01:28:14,539

interrupt you and I'll get going great

1975

01:28:21,699 --> 01:28:18,650

get me going let me work so this is m-g

1976

01:28:23,350 --> 01:28:21,709

baniyas yes about this article and he

1977

01:28:25,179 --> 01:28:23,360

was addressing the part that folks

1978

01:28:29,040 --> 01:28:25,189

brought to his attention regarding the

1979

01:28:31,540 --> 01:28:29,050

racist part and more and he says

1980

01:28:33,430 --> 01:28:31,550

fork has been done concerning this it's

1981

01:28:35,380 --> 01:28:33,440

no secret as per the study done by dr.

1982

01:28:40,810 --> 01:28:35,390

Brenda denzler that the UFO community

1983

01:28:44,020 --> 01:28:40,820

does have political bias I'm leading up

1984

01:28:46,000 --> 01:28:44,030

to it has have political bias and a

1985

01:28:47,800 --> 01:28:46,010

tendency to be populated by middle-aged

1986

01:28:49,570 --> 01:28:47,810

white males it's interesting from a

1987

01:28:51,370 --> 01:28:49,580

gender perspective that the vast

1988

01:28:54,490 --> 01:28:51,380

majority of UFO researchers and experts

1989

01:28:57,040 --> 01:28:54,500

in quotes are male as well I think it's

1990

01:28:59,080 --> 01:28:57,050

an important aspect in our continuous

1991

01:29:02,370 --> 01:28:59,090

journey to understand the UFO phenomenon

1992

01:29:05,500 --> 01:29:02,380

knowledge is predominantly cultural it

1993

01:29:06,160 --> 01:29:05,510

builds upon history and aspects of our

1994

01:29:08,320 --> 01:29:06,170

past

1995

01:29:11,380 --> 01:29:08,330

so if aspects of our community's

1996

01:29:14,260 --> 01:29:11,390

discourse stems from racist ideologies

1997

01:29:16,450 --> 01:29:14,270

and texts of course that will follow us

1998

01:29:19,390 --> 01:29:16,460

it isn't until we address those issues

1999

01:29:20,770 --> 01:29:19,400

and deal with our collective ghosts that

2000

01:29:23,320 --> 01:29:20,780

we can begin to address the broader

2001
01:29:26,920 --> 01:29:23,330
question are we alone what a hot

2002
01:29:28,959 --> 01:29:26,930
steaming pile of [h__h] I know and I'm

2003
01:29:30,790 --> 01:29:28,969
not surprised that he ran away from my

2004
01:29:32,620 --> 01:29:30,800
very simple questions that basically

2005
01:29:37,120 --> 01:29:32,630
deflate all of his stupid arguments

2006
01:29:39,670 --> 01:29:37,130
again Oh ancient alien theory is racist

2007
01:29:42,540 --> 01:29:39,680
because you know dark-skinned people

2008
01:29:44,620 --> 01:29:42,550
couldn't have built those pyramids and

2009
01:29:46,900 --> 01:29:44,630
megalithic structures on their own

2010
01:29:49,180 --> 01:29:46,910
without the help of aliens that's but

2011
01:29:51,910 --> 01:29:49,190
you know again it is a pervasive

2012
01:29:53,920 --> 01:29:51,920
thinking in the field okay and a a

2013
01:29:56,530 --> 01:29:53,930

theory does not dominate the field I

2014

01:29:58,090 --> 01:29:56,540

granted the ancient alien show it has

2015

01:30:00,280 --> 01:29:58,100

been running for years and that gets

2016

01:30:02,950 --> 01:30:00,290

great ratings because it's a wildly

2017

01:30:04,209 --> 01:30:02,960

ridiculously entertaining show and the

2018

01:30:06,280 --> 01:30:04,219

people who were a part of it are

2019

01:30:08,410 --> 01:30:06,290

incredibly and I mean incredibly

2020

01:30:11,800 --> 01:30:08,420

enthusiastic about their subject it's

2021

01:30:13,570 --> 01:30:11,810

not all dark and fear porn and you know

2022

01:30:15,760 --> 01:30:13,580

that that's a big part of the reason why

2023

01:30:18,729 --> 01:30:15,770

it's so successful in my view but again

2024

01:30:20,950 --> 01:30:18,739

you know if it's so racist there's also

2025

01:30:22,990 --> 01:30:20,960

a school of thought within the field and

2026

01:30:25,420 --> 01:30:23,000

I'll make this point again and I'll be

2027

01:30:27,370 --> 01:30:25,430

ready to wrap up after this that every

2028

01:30:30,070 --> 01:30:27,380

major technical advance since the late

2029

01:30:32,439 --> 01:30:30,080

1940s was the result of found et Tech

2030

01:30:34,990 --> 01:30:32,449

there are people in this field and I you

2031

01:30:37,390 --> 01:30:35,000

know I I don't I might agree with some

2032

01:30:38,709 --> 01:30:37,400

of it I'd certainly qualify the majority

2033

01:30:41,709 --> 01:30:38,719

of it and there's some of that's just

2034

01:30:44,290 --> 01:30:41,719

completely over the top but

2035

01:30:47,169 --> 01:30:44,300

their answer to everything is aliens

2036

01:30:49,149 --> 01:30:47,179

whether it's back during the the days of

2037

01:30:51,339 --> 01:30:49,159

the ancient pyramids or itself right up

2038

01:30:53,830 --> 01:30:51,349

to today talking about transistors or

2039

01:30:56,739 --> 01:30:53,840

lasers or anything like that every

2040

01:30:59,200 --> 01:30:56,749

answer is aliens mm-hmm yes that's very

2041

01:31:02,109 --> 01:30:59,210

true I did want to address something

2042

01:31:05,229 --> 01:31:02,119

that's very important and that is MJ

2043

01:31:08,319 --> 01:31:05,239

banya said knowledge is predominantly

2044

01:31:10,350 --> 01:31:08,329

cultural so this is what I had to say

2045

01:31:13,750 --> 01:31:10,360

and what does that even mean

2046

01:31:15,160 --> 01:31:13,760

him being as usual gasbag self what does

2047

01:31:17,979 --> 01:31:15,170

it even mean it means nothing

2048

01:31:20,080 --> 01:31:17,989

knowledge is cultural that statement is

2049

01:31:22,899 --> 01:31:20,090

not true in its entirety let me explain

2050

01:31:25,089 --> 01:31:22,909

why the kind of knowledge that MJ is

2051
01:31:26,739 --> 01:31:25,099
talking about is cultural knowledge

2052
01:31:33,009 --> 01:31:26,749
which is different than the word

2053
01:31:34,750 --> 01:31:33,019
knowledge let me jump in here there's a

2054
01:31:35,229 --> 01:31:34,760
lot of scientific cross-cultural

2055
01:31:37,899 --> 01:31:35,239
knowledge

2056
01:31:41,200 --> 01:31:37,909
math is math no matter where you go exam

2057
01:31:43,569 --> 01:31:41,210
ass is math science is science doesn't

2058
01:31:46,299 --> 01:31:43,579
matter where you go right so there are

2059
01:31:48,609 --> 01:31:46,309
several definitions of knowledge and he

2060
01:31:50,709 --> 01:31:48,619
cited one of them and the explanation

2061
01:31:52,569 --> 01:31:50,719
for it does not accurately portray the

2062
01:31:55,660 --> 01:31:52,579
UFO community by any stretch of the

2063
01:31:57,219 --> 01:31:55,670

imagination he also states if aspects of

2064

01:31:59,379 --> 01:31:57,229

our community's discourse stems from

2065

01:32:01,419 --> 01:31:59,389

racist ideologies and texts which it

2066

01:32:04,660 --> 01:32:01,429

doesn't of course that will follow us

2067

01:32:06,430 --> 01:32:04,670

and though so what I have to say to that

2068

01:32:08,379 --> 01:32:06,440

is the worldwide UFO community does not

2069

01:32:11,200 --> 01:32:08,389

reflect the kind of discourse he's

2070

01:32:12,910 --> 01:32:11,210

espousing here at times he's lumping in

2071

01:32:15,069 --> 01:32:12,920

the entire UFO community under the

2072

01:32:16,959 --> 01:32:15,079

umbrella of old stereotypes and then

2073

01:32:20,649 --> 01:32:16,969

leaving the UFO community with the short

2074

01:32:23,890 --> 01:32:20,659

end of the stick this is a certain and

2075

01:32:25,930 --> 01:32:23,900

maybe his thinking is unduly affected by

2076

01:32:28,390 --> 01:32:25,940

the the wine and cheese culture he hangs

2077

01:32:31,029 --> 01:32:28,400

around it where everything is racist and

2078

01:32:33,189 --> 01:32:31,039

all of their ideas are brilliant backed

2079

01:32:33,719 --> 01:32:33,199

up by research shoddy research I might

2080

01:32:38,049 --> 01:32:33,729

add

2081

01:32:40,359 --> 01:32:38,059

well his research what he said I believe

2082

01:32:42,549 --> 01:32:40,369

is a form of sabotage through the use of

2083

01:32:45,160 --> 01:32:42,559

old stereotypes that do not currently

2084

01:32:47,620 --> 01:32:45,170

apply to us nor are they relevant to the

2085

01:32:50,859 --> 01:32:47,630

worldwide UFO community again they do

2086

01:32:53,379 --> 01:32:50,869

not currently apply why because in the

2087

01:32:55,310 --> 01:32:53,389

under 200 countries there has not been

2088

01:33:00,050 --> 01:32:55,320

any studies done

2089

01:33:02,050 --> 01:33:00,060

by any academics or any organization

2090

01:33:05,120 --> 01:33:02,060

that I'm aware of

2091

01:33:08,899 --> 01:33:05,130

regarding the kinds of things that he is

2092

01:33:16,100 --> 01:33:08,909

claiming to be true in a broad sense we

2093

01:33:19,189 --> 01:33:16,110

spent a half hour on this it is

2094

01:33:21,709 --> 01:33:19,199

important to defend the UFO community to

2095

01:33:24,169 --> 01:33:21,719

call to call the UFO community racist in

2096

01:33:29,030 --> 01:33:24,179

the manner that he did of regarding what

2097

01:33:31,510 --> 01:33:29,040

we read that he he wrote not just on a

2098

01:33:35,060 --> 01:33:31,520

blog but in a article on a mainstream

2099

01:33:37,040 --> 01:33:35,070

website right it needs to be addressed

2100

01:33:39,709 --> 01:33:37,050

yet within the context of an article

2101
01:33:41,839 --> 01:33:39,719
that this these comments had absolutely

2102
01:33:43,609 --> 01:33:41,849
no place there were non sequiturs within

2103
01:33:45,530 --> 01:33:43,619
the context of the larger argument or

2104
01:33:48,350 --> 01:33:45,540
the larger article I should say so

2105
01:33:50,470 --> 01:33:48,360
alright I I'm exhausted by this chant

2106
01:33:53,030 --> 01:33:50,480
it's been a it's been an ugly

2107
01:33:54,859 --> 01:33:53,040
hour-and-a-half roughly now that we've

2108
01:33:56,839 --> 01:33:54,869
been going through a lot of the crap

2109
01:33:58,669 --> 01:33:56,849
that's come down now hopefully we're

2110
01:34:01,040 --> 01:33:58,679
gonna have some some good stuff some

2111
01:34:03,800 --> 01:34:01,050
positive stuff about UFOs about the

2112
01:34:05,870 --> 01:34:03,810
phenomenon and not how people go about

2113
01:34:08,060 --> 01:34:05,880

the phenomena and some of whom really

2114

01:34:10,370 --> 01:34:08,070

you know ought to find something

2115

01:34:14,300 --> 01:34:10,380

different to do with them yeah anything

2116

01:34:15,950 --> 01:34:14,310

else to close this up um I just think

2117

01:34:18,229 --> 01:34:15,960

it's important for people to understand

2118

01:34:22,000 --> 01:34:18,239

that statistics can be used in a

2119

01:34:25,970 --> 01:34:22,010

misleading fashion and can manipulate

2120

01:34:29,270 --> 01:34:25,980

people I'm into thinking something other

2121

01:34:31,310 --> 01:34:29,280

than what the data may reveal and it's

2122

01:34:33,560 --> 01:34:31,320

important that people also understand

2123

01:34:37,100 --> 01:34:33,570

that over generally over generalizations

2124

01:34:41,030 --> 01:34:37,110

can occur with with statistics in a

2125

01:34:44,180 --> 01:34:41,040

biased manner so you know and this is

2126

01:34:46,010 --> 01:34:44,190

what I think happens a lot folks who

2127

01:34:49,129 --> 01:34:46,020

call themselves journalists or people

2128

01:34:51,350 --> 01:34:49,139

who write articles will write this kind

2129

01:34:54,800 --> 01:34:51,360

of crap all the time even though it's

2130

01:34:57,319 --> 01:34:54,810

damaging to certain communities and then

2131

01:34:59,990 --> 01:34:57,329

going to the next article I say that in

2132

01:35:02,540 --> 01:35:00,000

quotes without thinking they'll be

2133

01:35:04,910 --> 01:35:02,550

called out on it and maybe they don't

2134

01:35:07,700 --> 01:35:04,920

care but you know what it's important to

2135

01:35:08,690 --> 01:35:07,710

understand that if you're gonna write

2136

01:35:10,250 --> 01:35:08,700

something it

2137

01:35:13,310 --> 01:35:10,260

least right something and that can be

2138

01:35:15,500 --> 01:35:13,320

verifiably verified is true I have no

2139

01:35:19,760 --> 01:35:15,510

doubt that he believes it to me that

2140

01:35:21,800 --> 01:35:19,770

that's with this guy so you know this is

2141

01:35:23,030 --> 01:35:21,810

we've had this show almost two years I

2142

01:35:25,400 --> 01:35:23,040

think this is the first time his name's

2143

01:35:26,930 --> 01:35:25,410

come up and hopefully it's the last so

2144

01:35:29,240 --> 01:35:26,940

yeah I'm ready to call tonight what do

2145

01:35:30,680 --> 01:35:29,250

you think Jan yeah we do have a great

2146

01:35:32,870 --> 01:35:30,690

show that's gonna go on this Sunday I

2147

01:35:35,330 --> 01:35:32,880

I'll go ahead and we'll go over the

2148

01:35:41,420 --> 01:35:35,340

guests on Sunday but I really recommend

2149

01:35:48,380 --> 01:35:41,430

those folks because legendary people in

2150

01:35:51,410 --> 01:35:48,390

the row oh gee that has been involved in

2151
01:35:52,850 --> 01:35:51,420
the world of ufology for a couple

2152
01:35:55,310 --> 01:35:52,860
decades a little over a couple decades

2153
01:35:58,550 --> 01:35:55,320
and I know there's a lot of questions

2154
01:36:00,290 --> 01:35:58,560
about this topic I can't really say who

2155
01:36:01,790 --> 01:36:00,300
is going to be on the show but I can

2156
01:36:04,340 --> 01:36:01,800
tell you it's gonna be about the alien

2157
01:36:05,990 --> 01:36:04,350
autopsy film and we're gonna have some

2158
01:36:08,090 --> 01:36:06,000
really interesting folks who are going

2159
01:36:10,460 --> 01:36:08,100
to attack this topic and we're gonna

2160
01:36:12,470 --> 01:36:10,470
listen to them go at it regarding this

2161
01:36:14,860 --> 01:36:12,480
subject sounds like fun alright we're

2162
01:36:18,740 --> 01:36:14,870
out of here enjoy your weekend and

2163
01:36:21,200 --> 01:36:18,750

thanks for spending your free time I

2164

01:36:23,360 --> 01:36:21,210

assume most of our listeners are living

2165

01:36:25,430 --> 01:36:23,370

in free countries and obviously you've

2166
