00:01:17,330 --> 00:01:14,430
we're all set to go my usual co-host

8
00:01:19,280 --> 00:01:17,340
chant Hannah is on assignment tonight so

9
00:01:22,580 --> 00:01:19,290
she won't be with us but with us tonight

10
00:01:26,749 --> 00:01:22,590
is a special guest Stefon verse stepan

11
00:01:28,999 --> 00:01:26,759
author of several books has a lot of

12
00:01:31,430 --> 00:01:29,009
perspectives on not China and dealing

13
00:01:34,310 --> 00:01:31,440

with China is a journey to Asia written

14

00:01:37,340 --> 00:01:34,320

a number of books on Chinese philosophy

15

00:01:38,300 --> 00:01:37,350

and doing at business with China and so

16

00:01:41,690 --> 00:01:38,310

on and so forth

17

00:01:44,389 --> 00:01:41,700

along with protecting yourself in terms

18

00:01:45,859 --> 00:01:44,399

of urban survival the art of urban

19

00:01:48,350 --> 00:01:45,869

survivals one of the other books that

20

00:01:50,270 --> 00:01:48,360

he's written so we're not gonna be

21

00:01:52,399 --> 00:01:50,280

dealing too much with the UFO stuff but

22

00:01:54,710 --> 00:01:52,409

I think Stefan's perspectives are

23

00:01:56,660 --> 00:01:54,720

important enough to break from the usual

24

00:01:59,059 --> 00:01:56,670

format and do something a little bit

25

00:02:01,309 --> 00:01:59,069

different and I'm really curious a bit a

26

00:02:04,279 --> 00:02:01,319

fan of his for a few years now and I'm

27

00:02:06,410 --> 00:02:04,289

really curious about what some of his

28

00:02:08,690 --> 00:02:06,420

perspectives are on all this what's

29

00:02:10,999 --> 00:02:08,700

going on in the world today so Stefan

30

00:02:12,920 --> 00:02:11,009

for Stefan thanks for so much for

31

00:02:15,470 --> 00:02:12,930

joining us thanks for joining us oh

32

00:02:16,960 --> 00:02:15,480

you're quite welcome thanks for having

33

00:02:19,850 --> 00:02:16,970

me back on the show absolutely

34

00:02:22,250 --> 00:02:19,860

absolutely we had a great time and a lot

35

00:02:23,960 --> 00:02:22,260

of good feedback on your appearance not

36

00:02:25,970 --> 00:02:23,970

quite two years ago now and here we are

37

00:02:28,970 --> 00:02:25,980

still in business two years later and

38

00:02:31,610 --> 00:02:28,980

it's been an interesting ride now we're

39

00:02:33,790 --> 00:02:31,620

at least on this particular road coming

40

00:02:37,130 --> 00:02:33,800

full circle and having you back and

41

00:02:39,229 --> 00:02:37,140

you've been very interested travel

42

00:02:41,780 --> 00:02:39,239

throughout China and Asia and have been

43

00:02:44,479 --> 00:02:41,790

interested in Chinese philosophy of

44

00:02:46,850 --> 00:02:44,489

course the the virus that's very much in

45

00:02:50,089 --> 00:02:46,860

the news now at getting a lot of the bad

46

00:02:52,250 --> 00:02:50,099

PR for China and wondered a if you could

47

00:02:54,949 --> 00:02:52,260

talk a little bit about that tell us

48

00:02:57,320 --> 00:02:54,959

about how you got interested in Asian

49

00:03:00,020 --> 00:02:57,330

and Chinese thinking and about some of

50

00:03:02,390 --> 00:03:00,030

your travels over there well I got

51
00:03:06,559 --> 00:03:02,400
interested in China when I started

52
00:03:09,369 --> 00:03:06,569
taking kung fu and I started off that

53
00:03:12,020 --> 00:03:09,379
was interested in martial arts because

54
00:03:15,190 --> 00:03:12,030
well I was inspired because I was a

55
00:03:17,290 --> 00:03:15,200
member of a kerchief offense key group

56
00:03:21,960 --> 00:03:17,300
and that kerchief Georgiy Ivanovich

57
00:03:25,660 --> 00:03:21,970
Gurdjieff was a very obscure Armenian

58
00:03:28,870 --> 00:03:25,670
Greek Russian philosopher at the turn of

59
00:03:30,940 --> 00:03:28,880
the century and he's a little bit

60
00:03:32,590 --> 00:03:30,950
bizarre you know there's a great movie

61
00:03:35,080 --> 00:03:32,600
and a book called that meetings with

62
00:03:38,380 --> 00:03:35,090
remarkable men which got me interested

63
00:03:40,440 --> 00:03:38,390

and in his book meetings with remarkable

64

00:03:43,509 --> 00:03:40,450

men he mentioned that he was a

65

00:03:46,860 --> 00:03:43,519

practitioner of martial arts so I had

66

00:03:49,770 --> 00:03:46,870

looked into martial arts as a tool for

67

00:03:52,600 --> 00:03:49,780

self discipline self-actualization

68

00:03:55,420 --> 00:03:52,610

enlightenment you know and that's how I

69

00:03:57,400 --> 00:03:55,430

got interested in it and I started off

70

00:03:59,890 --> 00:03:57,410

with karate and Taekwondo but I

71

00:04:03,280 --> 00:03:59,900

eventually went down to Chinatown in

72

00:04:06,070 --> 00:04:03,290

Toronto here to two schools I chained at

73

00:04:07,780 --> 00:04:06,080

two different schools in Chinatown and I

74

00:04:10,509 --> 00:04:07,790

was the only Caucasian in the class

75

00:04:12,520 --> 00:04:10,519

there and I started getting interested

76

00:04:15,610 --> 00:04:12,530

in Chinese culture then you know after

77

00:04:19,210 --> 00:04:15,620

class we would go to the local Chinese

78

00:04:22,090 --> 00:04:19,220

restaurants and drink tea and and have

79

00:04:23,980 --> 00:04:22,100

some great Chinese food and well after a

80

00:04:26,920 --> 00:04:23,990

few years of that me and my kung-fu

81

00:04:28,990 --> 00:04:26,930

brother decided that we really want to

82

00:04:31,330 --> 00:04:29,000

learn from some of the great masters

83

00:04:33,670 --> 00:04:31,340

that's we got to go to Asia week you

84

00:04:36,010 --> 00:04:33,680

know and Chinatown was good was a great

85

00:04:37,900 --> 00:04:36,020

club you know it's the only school here

86

00:04:41,230 --> 00:04:37,910

it's called the Heung Luck Club and

87

00:04:43,000 --> 00:04:41,240

they've been around since the 50s and a

88

00:04:44,770 --> 00:04:43,010

very traditional Chinese kung-fu club

89

00:04:46,469 --> 00:04:44,780

but you don't get the attention of the

90

00:04:49,990 --> 00:04:46,479

master like you would if you go to China

91

00:04:54,520 --> 00:04:50,000

so we went off to China we spent four

92

00:04:58,360 --> 00:04:54,530

years living in China at that time I

93

00:05:02,140 --> 00:04:58,370

studied in Hong Kong under master Chang

94

00:05:04,930 --> 00:05:02,150

Hong Kong who is it was it was a

95

00:05:07,600 --> 00:05:04,940

complete fluke Frank that we met this

96

00:05:10,330 --> 00:05:07,610

guy that we got to study with him cos it

97

00:05:11,770 --> 00:05:10,340

was in the days before the internet I'd

98

00:05:15,010 --> 00:05:11,780

have to go to the library and get a

99

00:05:19,360 --> 00:05:15,020

yellow pages directory of businesses in

100

00:05:21,310 --> 00:05:19,370

Hong Kong printed in English and I would

101
00:05:24,159 --> 00:05:21,320
have to write them letters you know and

102
00:05:27,070 --> 00:05:24,169
they wrote back and finally we ended up

103
00:05:28,839 --> 00:05:27,080
there in Hong Kong unbelievable one of

104
00:05:31,179 --> 00:05:28,849
the most revered

105
00:05:37,499 --> 00:05:31,189
martial arts masters in all of China and

106
00:05:41,260 --> 00:05:37,509
then we went to Taipei where I found

107
00:05:44,889 --> 00:05:41,270
again completely by fluke another really

108
00:05:46,600 --> 00:05:44,899
good kung-fu teacher and then well it

109
00:05:48,609 --> 00:05:46,610
spent four years there then I came back

110
00:05:53,230 --> 00:05:48,619
and you know lifts all over the States

111
00:05:56,499 --> 00:05:53,240
and Canada and went back again in in mm

112
00:05:59,070 --> 00:05:56,509
back to China with a group of venture

113
00:06:02,499 --> 00:05:59,080

capitalists I was hired as a publicist

114

00:06:06,009 --> 00:06:02,509

to cover the events and we opened up the

115

00:06:09,790 --> 00:06:06,019

very first China internet conference in

116

00:06:12,489 --> 00:06:09,800

Beijing in 2000 and then we did a tour

117

00:06:16,329 --> 00:06:12,499

of China from Beijing to Shanghai to

118

00:06:18,279 --> 00:06:16,339

Shenzhen the VIP tour and we met you

119

00:06:21,129 --> 00:06:18,289

know the mayor of Beijing and we had

120

00:06:23,290 --> 00:06:21,139

official state dinners and banquets and

121

00:06:25,980 --> 00:06:23,300

well it was quite the eye opener to what

122

00:06:28,839 --> 00:06:25,990

was going on there and since then I've

123

00:06:30,279 --> 00:06:28,849

maintained contact with China I have

124

00:06:32,889 --> 00:06:30,289

friends over there I talk to them

125

00:06:36,339 --> 00:06:32,899

regularly and I wrote a book after I

126

00:06:38,139 --> 00:06:36,349

came back called Chinese business

127

00:06:39,519 --> 00:06:38,149

etiquette and it you know talks about

128

00:06:42,939 --> 00:06:39,529

all the different types of business

129

00:06:45,879 --> 00:06:42,949

strategies to Chinese use and so that's

130

00:06:47,589 --> 00:06:45,889

my history of China well one of the

131

00:06:50,109 --> 00:06:47,599

things that that you write about in the

132

00:06:53,230 --> 00:06:50,119

business strategies book is a losing

133

00:06:54,579 --> 00:06:53,240

face and it already seems that there's

134

00:06:57,639 --> 00:06:54,589

going to be a little bit of a

135

00:06:59,829 --> 00:06:57,649

groundswell in terms of a less dealing

136

00:07:01,959 --> 00:06:59,839

with China as a result of this virus

137

00:07:04,899 --> 00:07:01,969

outbreak and wondering what your

138

00:07:06,159 --> 00:07:04,909

thoughts are on all that yeah well

139

00:07:09,129 --> 00:07:06,169

that's the worst thing in Chinese

140

00:07:13,779 --> 00:07:09,139

culture is to lose face and they call it

141

00:07:16,779 --> 00:07:13,789

the Olien because the reputation is

142

00:07:18,519 --> 00:07:16,789

really important and everything is based

143

00:07:20,889 --> 00:07:18,529

on you know goes way back to our

144

00:07:24,279 --> 00:07:20,899

agrarian society and agrarian societies

145

00:07:25,659 --> 00:07:24,289

mutual reciprocity is very important and

146

00:07:27,909 --> 00:07:25,669

being able to trust people is very

147

00:07:30,509 --> 00:07:27,919

important and goes back to European

148

00:07:33,819 --> 00:07:30,519

history too that's why Europeans are so

149

00:07:35,799 --> 00:07:33,829

open and forgiving and understanding and

150

00:07:38,750 --> 00:07:35,809

willing to cooperate because you needed

151
00:07:41,630 --> 00:07:38,760

to and in order to

152
00:07:43,420 --> 00:07:41,640

you know work within a society you had

153
00:07:46,820 --> 00:07:43,430

to have a good reputation so the Chinese

154
00:07:50,360 --> 00:07:46,830

have this same obsession but on steroids

155
00:07:52,940 --> 00:07:50,370

you know they really music faces is a

156
00:07:56,120 --> 00:07:52,950

really big deal and China has lost a lot

157
00:07:58,760 --> 00:07:56,130

of face which is good because China

158
00:08:04,340 --> 00:07:58,770

under the Communists is an evil empire

159
00:08:06,560 --> 00:08:04,350

the amount of evil that goes on in that

160
00:08:08,270 --> 00:08:06,570

country is incomprehensible

161
00:08:12,170 --> 00:08:08,280

and it's not because of the Chinese

162
00:08:14,210 --> 00:08:12,180

people themselves although there are our

163
00:08:17,540 --> 00:08:14,220

differences I always tell everybody I

164

00:08:19,880 --> 00:08:17,550

love the Chinese from Taiwan I like the

165

00:08:21,980 --> 00:08:19,890

Chinese from Hong Kong I don't like the

166

00:08:24,800 --> 00:08:21,990

Chinese from mainland China it's not

167

00:08:28,420 --> 00:08:24,810

their fault it's the natural result of

168

00:08:31,010 --> 00:08:28,430

being under a schizophrenic psychotic

169

00:08:35,240 --> 00:08:31,020

psychopathic political system like

170

00:08:38,600 --> 00:08:35,250

communism for 60 years for no 80 years

171

00:08:41,750 --> 00:08:38,610

you've got four generations of Chinese

172

00:08:44,630 --> 00:08:41,760

born raised indoctrinated and

173

00:08:47,630 --> 00:08:44,640

manipulated by this evil ideology of

174

00:08:51,530 --> 00:08:47,640

communism and it's literally destroyed

175

00:08:56,930 --> 00:08:51,540

their spirit and their soul and China is

176

00:09:00,200 --> 00:08:56,940

just a a horrible place full of evil and

177

00:09:02,440 --> 00:09:00,210

it's a totalitarian society so the

178

00:09:05,480 --> 00:09:02,450

sooner we can distance ourselves from

179

00:09:07,250 --> 00:09:05,490

the Communist Chinese I mean I'm all in

180

00:09:11,750 --> 00:09:07,260

favor of boycotting everything made in

181

00:09:14,900 --> 00:09:11,760

China until that regime fails and the

182

00:09:17,360 --> 00:09:14,910

Chinese people are able to create a new

183

00:09:22,340 --> 00:09:17,370

political system more on a democratic

184

00:09:25,040 --> 00:09:22,350

more of a republic democratic system

185

00:09:26,780 --> 00:09:25,050

with a constitution and voting rights

186

00:09:29,930 --> 00:09:26,790

and and hopefully they can drag

187

00:09:34,160 --> 00:09:29,940

themselves out of the the hell that the

188

00:09:37,060 --> 00:09:34,170

Communists put them in and it seems like

189

00:09:40,190 --> 00:09:37,070

the Asian countries like a you mentioned

190

00:09:43,310 --> 00:09:40,200

Taipei Taiwan a capital of about Taiwan

191

00:09:47,450 --> 00:09:43,320

South Korea Japan have been a lot more

192

00:09:49,600 --> 00:09:47,460

effective as far as containing this

193

00:09:52,390 --> 00:09:49,610

viral outbreak

194

00:09:55,300 --> 00:09:52,400

one of the the big tools and their

195

00:09:57,130 --> 00:09:55,310

arsenal there has always been wearing

196

00:09:59,200 --> 00:09:57,140

masks I mean we've been seeing these

197

00:10:03,010 --> 00:09:59,210

viral outbreaks have taken place over

198

00:10:06,100 --> 00:10:03,020

that over that way a few times over the

199

00:10:08,350 --> 00:10:06,110

last generation or so and you always see

200

00:10:12,010 --> 00:10:08,360

folks over there wearing the masks and

201
00:10:14,860 --> 00:10:12,020
we were very very slow to pick up on

202
00:10:17,260 --> 00:10:14,870
that and it's it's cost a few lives and

203
00:10:19,330 --> 00:10:17,270
I was wondering if you have any thoughts

204
00:10:22,120 --> 00:10:19,340
on that this this willingness to wear

205
00:10:25,300 --> 00:10:22,130
masks over there and the reticence of

206
00:10:27,610 --> 00:10:25,310
even organizations like the Center for

207
00:10:29,110 --> 00:10:27,620
Disease Control here in the states to

208
00:10:30,850 --> 00:10:29,120
recommend that people start doing that

209
00:10:32,530 --> 00:10:30,860
that seems like the simplest thing in

210
00:10:34,720 --> 00:10:32,540
the world that you can do to protect

211
00:10:36,490 --> 00:10:34,730
yourself even a little bit and it just

212
00:10:39,430 --> 00:10:36,500
hasn't been picked up on and we paid a

213
00:10:41,350 --> 00:10:39,440

price for that in the West well the

214

00:10:44,320 --> 00:10:41,360

Chinese have been wearing masks for like

215

00:10:47,740 --> 00:10:44,330

thirty years they were wearing masks in

216

00:10:50,350 --> 00:10:47,750

China and in Taiwan and Hong Kong when I

217

00:10:52,420 --> 00:10:50,360

was there in the early 80s and they were

218

00:10:56,020 --> 00:10:52,430

wearing masks then because of the air

219

00:10:57,880 --> 00:10:56,030

pollution you know they started off with

220

00:10:59,830 --> 00:10:57,890

the industrialization and the first

221

00:11:02,260 --> 00:10:59,840

thing that happened was horrendous

222

00:11:05,710 --> 00:11:02,270

pollution not just air pollution but

223

00:11:08,200 --> 00:11:05,720

water pollution as well the other lakes

224

00:11:09,250 --> 00:11:08,210

and rivers are absolutely toxic

225

00:11:11,260 --> 00:11:09,260

cesspools

226

00:11:13,630 --> 00:11:11,270

you can't drink from them you can't swim

227

00:11:17,980 --> 00:11:13,640

in them and the air pollution was

228

00:11:21,730 --> 00:11:17,990

terrible I wrote a motorcycle in Taipei

229

00:11:24,160 --> 00:11:21,740

and you know you would drive for a half

230

00:11:26,020 --> 00:11:24,170

an hour and you take a Kleenex and wipe

231

00:11:29,020 --> 00:11:26,030

your forehead and the Kleenex would be

232

00:11:31,360 --> 00:11:29,030

black and that's how much pollution

233

00:11:32,920 --> 00:11:31,370

there was because at that time there

234

00:11:36,760 --> 00:11:32,930

were millions of two-stroke motorcycles

235

00:11:40,420 --> 00:11:36,770

and the weather patterns of taipei was a

236

00:11:42,130 --> 00:11:40,430

bowl so attract all the pollution and so

237

00:11:45,460 --> 00:11:42,140

everybody was wearing masks but it was

238

00:11:48,910 --> 00:11:45,470

because of the air pollution now they're

239

00:11:52,660 --> 00:11:48,920

wearing the masks for the the the

240

00:11:54,280 --> 00:11:52,670

so-called virus but you know frankly i

241

00:11:57,040 --> 00:11:54,290

don't believe in the virus i don't

242

00:12:00,820 --> 00:11:57,050

believe a word of it and i don't because

243

00:12:03,310 --> 00:12:00,830

this is everything that we know we can't

244

00:12:07,000 --> 00:12:03,320

know what i mean to say is there

245

00:12:09,820 --> 00:12:07,010

is a certain you know being a stoic and

246

00:12:12,460 --> 00:12:09,830

being a warrior you have to be critical

247

00:12:14,260 --> 00:12:12,470

of the information you get how do we

248

00:12:16,750 --> 00:12:14,270

know there is such a thing as a virus

249

00:12:20,320 --> 00:12:16,760

well the the Medical Association tells

250

00:12:23,140 --> 00:12:20,330

us so well the Medical Association is a

251
00:12:25,660 --> 00:12:23,150
corrupt and discredited organization

252
00:12:28,990 --> 00:12:25,670
dedicated to profiting from people being

253
00:12:31,900 --> 00:12:29,000
sick why would I trust them I mean that

254
00:12:34,960 --> 00:12:31,910
we know that the am a is a monstrosity

255
00:12:38,380 --> 00:12:34,970
talk to doctors and ask them if they've

256
00:12:42,100 --> 00:12:38,390
ever cured anybody curing is not in the

257
00:12:45,280 --> 00:12:42,110
program for the AMA the indoctrination

258
00:12:48,280 --> 00:12:45,290
that doctors get when they go to medical

259
00:12:51,880 --> 00:12:48,290
school is brutal they are not taught

260
00:12:54,910 --> 00:12:51,890
anything of real consequence and value

261
00:12:57,730 --> 00:12:54,920
when it comes to human health no there's

262
00:13:01,600 --> 00:12:57,740
two points of this one is trauma and one

263
00:13:03,400 --> 00:13:01,610

is pathology now in terms of trauma yeah

264

00:13:05,440 --> 00:13:03,410

modern medicine is brilliant they can

265

00:13:08,020 --> 00:13:05,450

you know splint the leg back I put in a

266

00:13:09,780 --> 00:13:08,030

titanium plate you know they can rebuild

267

00:13:12,760 --> 00:13:09,790

a hand if it's been crushed

268

00:13:17,110 --> 00:13:12,770

so trauma injuries modern medicine is

269

00:13:19,960 --> 00:13:17,120

brilliant but in pathological diseases

270

00:13:23,440 --> 00:13:19,970

such as cancer or diabetes or arthritis

271

00:13:25,780 --> 00:13:23,450

or heart disease and any number of the

272

00:13:27,400 --> 00:13:25,790

autoimmune diseases modern medicine is

273

00:13:30,550 --> 00:13:27,410

worse than useless

274

00:13:33,340 --> 00:13:30,560

as a matter of fact a hundred thousand

275

00:13:37,450 --> 00:13:33,350

people die every year in the United

276

00:13:40,600 --> 00:13:37,460

States due to mistakes made at the

277

00:13:42,280 --> 00:13:40,610

hospital so you know if you go to the

278

00:13:44,110 --> 00:13:42,290

hospital you're taking your life in your

279

00:13:47,500 --> 00:13:44,120

hands because there's a good chance that

280

00:13:50,320 --> 00:13:47,510

the hospital and or its procedures and

281

00:13:53,170 --> 00:13:50,330

medical technicians or doctors will kill

282

00:13:56,710 --> 00:13:53,180

you before whatever you went there with

283

00:13:58,480 --> 00:13:56,720

would kill you so okay so the AMA is

284

00:14:00,460 --> 00:13:58,490

telling me it's a virus it's this is

285

00:14:01,960 --> 00:14:00,470

that I've heard convincing arguments

286

00:14:05,500 --> 00:14:01,970

that there's no such thing as a virus

287

00:14:08,260 --> 00:14:05,510

now I can't say whether there is or not

288

00:14:11,020 --> 00:14:08,270

because I don't know but neither does

289

00:14:12,700 --> 00:14:11,030

anyone else all right I don't know but

290

00:14:14,470 --> 00:14:12,710

neither did the doctors nor I don't

291

00:14:16,070 --> 00:14:14,480

believe them I've met enough doctors

292

00:14:18,110 --> 00:14:16,080

they don't know that much

293

00:14:19,850 --> 00:14:18,120

and I don't trust them I don't trust

294

00:14:22,250 --> 00:14:19,860

anybody with a degree just because they

295

00:14:25,880 --> 00:14:22,260

have a degree I've met lots of college

296

00:14:27,070 --> 00:14:25,890

professors that were morons their own

297

00:14:30,110 --> 00:14:27,080

shoelaces

298

00:14:31,940 --> 00:14:30,120

well I'll disagree yeah I'll just agree

299

00:14:34,700 --> 00:14:31,950

with a little bit of what you're saying

300

00:14:36,860 --> 00:14:34,710

here as far as you know going to the

301
00:14:38,840 --> 00:14:36,870
hospital I mean I'd have to be near

302
00:14:40,580 --> 00:14:38,850
death to want to go to a hospital that

303
00:14:42,800 --> 00:14:40,590
the number that you gave that hundred

304
00:14:45,410 --> 00:14:42,810
thousand number that's about how many

305
00:14:46,490 --> 00:14:45,420
people whether it's we're talking about

306
00:14:48,680 --> 00:14:46,500
the same thing or something different

307
00:14:52,310 --> 00:14:48,690
about a hundred thousand people every

308
00:14:55,040 --> 00:14:52,320
year die from healthcare related

309
00:14:58,460 --> 00:14:55,050
infections or associated infections it's

310
00:15:00,200 --> 00:14:58,470
a it's an astonishing number and the the

311
00:15:01,670 --> 00:15:00,210
folks that you know we're working the

312
00:15:03,830 --> 00:15:01,680
hospital I mean god bless him the ones

313
00:15:06,830 --> 00:15:03,840

that do a good job but you're also

314

00:15:08,810 --> 00:15:06,840

seeing these areas is sort of a centers

315

00:15:10,670 --> 00:15:08,820

for a lot of the deaths that we're

316

00:15:12,830 --> 00:15:10,680

seeing now as far as the virus itself

317

00:15:14,770 --> 00:15:12,840

and you know there's no question in my

318

00:15:18,230 --> 00:15:14,780

mind that there's something going on not

319

00:15:21,170 --> 00:15:18,240

I I don't believe that anyone's capable

320

00:15:24,230 --> 00:15:21,180

of faking this sort of thing and I've

321

00:15:27,650 --> 00:15:24,240

also heard the the accounts of people

322

00:15:29,360 --> 00:15:27,660

that I know that basically the couple of

323

00:15:30,920 --> 00:15:29,370

them are British but just their

324

00:15:31,970 --> 00:15:30,930

description of going through this and

325

00:15:34,340 --> 00:15:31,980

they're healthy enough they're going to

326

00:15:36,290 --> 00:15:34,350

survive it but it's a bad it's a bad bug

327

00:15:39,560 --> 00:15:36,300

there's no question about that in my

328

00:15:42,530 --> 00:15:39,570

mind so they've got that and some of the

329

00:15:44,600 --> 00:15:42,540

descriptions that I've heard one fellow

330

00:15:46,790 --> 00:15:44,610

who's actually been a guest on this show

331

00:15:49,340 --> 00:15:46,800

who's gotten that over in England and he

332

00:15:52,880 --> 00:15:49,350

was he was saying how much he thought

333

00:15:54,530 --> 00:15:52,890

his background in scuba diving was very

334

00:15:57,080 --> 00:15:54,540

helpful and actually being able to

335

00:15:59,810 --> 00:15:57,090

breathe while having this virus a day it

336

00:16:00,890 --> 00:15:59,820

gets that bad and I thought that was

337

00:16:02,720 --> 00:16:00,900

pretty interesting because I've done a

338

00:16:05,090 --> 00:16:02,730

little bit of scuba diving myself and

339

00:16:06,650 --> 00:16:05,100

yeah when you're under the water with

340

00:16:09,380 --> 00:16:06,660

that pressure on the outside of your

341

00:16:11,240 --> 00:16:09,390

body I pressing in and trying to breathe

342

00:16:13,040 --> 00:16:11,250

with one of those tanks it's quite

343

00:16:15,350 --> 00:16:13,050

different you have to stay very relaxed

344

00:16:17,290 --> 00:16:15,360

and be very focused on your breathing so

345

00:16:20,570 --> 00:16:17,300

I thought that was an interesting

346

00:16:23,780 --> 00:16:20,580

analogy and yeah there's no question in

347

00:16:26,360 --> 00:16:23,790

my mind that the bug does exist and it

348

00:16:29,030 --> 00:16:26,370

is a bad bug and my own feeling is yeah

349

00:16:30,050 --> 00:16:29,040

most of the people who are dying as a

350

00:16:32,750 --> 00:16:30,060

result of it on

351
00:16:35,420 --> 00:16:32,760
fortunately they do have some kind of

352
00:16:37,460 --> 00:16:35,430
already underlying health issue but if

353
00:16:40,910 --> 00:16:37,470
this bug was the tipping point I would

354
00:16:44,750 --> 00:16:40,920
say yeah absolutely go ahead and count

355
00:16:48,380 --> 00:16:44,760
those tragic losses among the losses of

356
00:16:51,110 --> 00:16:48,390
four for this particular bug so yeah

357
00:16:53,810 --> 00:16:51,120
there's very little doubt no doubt in in

358
00:16:56,330 --> 00:16:53,820
my mind that the bug is bad that you do

359
00:16:58,340 --> 00:16:56,340
want to avoid it and that that gets me

360
00:17:01,460 --> 00:16:58,350
to my next line of questioning which is

361
00:17:03,500 --> 00:17:01,470
you've written about defending yourself

362
00:17:06,320 --> 00:17:03,510
against the psychopath about the art of

363
00:17:08,090 --> 00:17:06,330

urban survival and here we've got this

364

00:17:10,040 --> 00:17:08,100

sort of thing that even if you are

365

00:17:14,270 --> 00:17:10,050

skeptical about this particular virus

366

00:17:16,340 --> 00:17:14,280

the idea of protecting yourself against

367

00:17:20,240 --> 00:17:16,350

some unseen communicable disease

368

00:17:23,420 --> 00:17:20,250

regardless of what it is is a very very

369

00:17:25,490 --> 00:17:23,430

interesting thing because here you are

370

00:17:28,010 --> 00:17:25,500

you're not in a situation where it's a

371

00:17:29,780 --> 00:17:28,020

some big burly thug with a lead pipe

372

00:17:31,450 --> 00:17:29,790

that you have to worry about but it

373

00:17:33,530 --> 00:17:31,460

could literally be anybody it was a

374

00:17:35,630 --> 00:17:33,540

coughing or whatever the case may be

375

00:17:38,090 --> 00:17:35,640

that can get you sick even if it's just

376
00:17:41,750 --> 00:17:38,100
the normal flu season so I was wondering

377
00:17:44,060 --> 00:17:41,760
the the mindset that you need to have in

378
00:17:45,800 --> 00:17:44,070
terms of protecting yourself especially

379
00:17:48,110 --> 00:17:45,810
if you already have some sort of an

380
00:17:50,300 --> 00:17:48,120
underlying condition and any kind of flu

381
00:17:52,040 --> 00:17:50,310
or virus could pose a real serious

382
00:17:54,260 --> 00:17:52,050
threat to your health this is a

383
00:17:55,880 --> 00:17:54,270
different kind of self-defense and I was

384
00:17:58,550 --> 00:17:55,890
wondering if you have given any thought

385
00:18:01,030 --> 00:17:58,560
to that well I've been practicing the

386
00:18:07,040 --> 00:18:01,040
social distancing for like thirty years

387
00:18:10,520 --> 00:18:07,050
we have a lot of us I never liked big

388
00:18:13,220 --> 00:18:10,530

crowds anyways so you won't catch me you

389

00:18:17,180 --> 00:18:13,230

can pay me to go to a hockey game or

390

00:18:19,250 --> 00:18:17,190

something like that or a concert I won't

391

00:18:21,950 --> 00:18:19,260

go to a concert or a disc or I don't go

392

00:18:23,960 --> 00:18:21,960

to those places I did when I was younger

393

00:18:27,470 --> 00:18:23,970

you know but you know after I turned 40

394

00:18:29,750 --> 00:18:27,480

I'm too old for that crap hahaha so and

395

00:18:30,980 --> 00:18:29,760

I've always been careful about touching

396

00:18:33,890 --> 00:18:30,990

my face and when I'm out in public

397

00:18:35,090 --> 00:18:33,900

because I know I'm not worried so much

398

00:18:37,550 --> 00:18:35,100

about the virus but I'm worried about

399

00:18:39,260 --> 00:18:37,560

the bacteria and the bacteria is

400

00:18:41,300 --> 00:18:39,270

definitely real and it's all over the

401
00:18:42,860 --> 00:18:41,310
place and that will give you a pneumonia

402
00:18:45,380 --> 00:18:42,870
that will give you a back to

403
00:18:48,620 --> 00:18:45,390
infection I'll give you that will make

404
00:18:50,420 --> 00:18:48,630
you sick like crazy you know I'm not

405
00:18:52,549 --> 00:18:50,430
doubting that the people that that say

406
00:18:58,180 --> 00:18:52,559
they are sick are sick sure they're sick

407
00:19:00,110 --> 00:18:58,190
what I'm doubting is is the cause this

408
00:19:03,110 --> 00:19:00,120
coronavirus and the fact of the matter

409
00:19:07,520 --> 00:19:03,120
is they don't know and they can't know

410
00:19:10,760 --> 00:19:07,530
because the in order to really know what

411
00:19:14,510 --> 00:19:10,770
the cause of death is they would have to

412
00:19:17,090 --> 00:19:14,520
do a full autopsy and a complete blood

413
00:19:21,919 --> 00:19:17,100

work on the cadaver so you know you need

414

00:19:23,690 --> 00:19:21,929

a forensic expert to examine the body

415

00:19:26,120 --> 00:19:23,700

and examine everything the lungs the

416

00:19:28,790 --> 00:19:26,130

liver you know the brain and do full

417

00:19:31,970 --> 00:19:28,800

blood work and eliminate any other

418

00:19:35,000 --> 00:19:31,980

possible cause for their death now if

419

00:19:38,630 --> 00:19:35,010

they're able to do that eliminate you

420

00:19:42,080 --> 00:19:38,640

know diabetes or asthma or you know a

421

00:19:44,840 --> 00:19:42,090

lowered immune system and the only thing

422

00:19:46,760 --> 00:19:44,850

that's left is a test for this

423

00:19:48,890 --> 00:19:46,770

coronavirus and they don't have a test

424

00:19:52,490 --> 00:19:48,900

for it anyways all this testing testing

425

00:19:53,840 --> 00:19:52,500

did you it doesn't exist and I you know

426

00:19:56,270 --> 00:19:53,850

I could explain it but it gets all

427

00:19:57,650 --> 00:19:56,280

technical and I'm not even a doctor I

428

00:19:59,960 --> 00:19:57,660

just I have an understanding of how

429

00:20:04,010 --> 00:19:59,970

science works science doesn't work that

430

00:20:06,440 --> 00:20:04,020

way it's all [h__h] this test and then

431

00:20:08,630 --> 00:20:06,450

when they attributed these deaths to

432

00:20:10,700 --> 00:20:08,640

coronavirus they are bullshitting they

433

00:20:12,080 --> 00:20:10,710

are lying and I double-checked this with

434

00:20:14,600 --> 00:20:12,090

my doctor friend I told them I said

435

00:20:16,640 --> 00:20:14,610

listen he was an emergency room

436

00:20:20,210 --> 00:20:16,650

physician he's been on the frontlines of

437

00:20:22,520 --> 00:20:20,220

his Perona thing I said tell me if I'm

438

00:20:24,740 --> 00:20:22,530

wrong but in order to cook it's to

439

00:20:28,070 --> 00:20:24,750

accurately determine the cause of death

440

00:20:29,390 --> 00:20:28,080

for my pathology as opposed to trauma so

441

00:20:31,580 --> 00:20:29,400

you know somebody gets shot in the head

442

00:20:33,680 --> 00:20:31,590

okay we know the cause of death is he

443

00:20:37,250 --> 00:20:33,690

got shot dead yeah wasn't there wasn't

444

00:20:39,200 --> 00:20:37,260

diabetes it wasn't diabetes but in order

445

00:20:42,169 --> 00:20:39,210

to determine the cause of death from

446

00:20:43,970 --> 00:20:42,179

some sort of pathologies and disease you

447

00:20:45,440 --> 00:20:43,980

would need to do a full autopsy and a

448

00:20:49,540 --> 00:20:45,450

full blood work and you'd have to

449

00:20:52,760 --> 00:20:49,550

eliminate all the other possible

450

00:20:55,460 --> 00:20:52,770

comorbidity morbidity is what they call

451
00:20:56,210 --> 00:20:55,470
it I said am I wrong and that he wrote

452
00:20:58,399 --> 00:20:56,220
me a

453
00:21:03,430 --> 00:20:58,409
two page essay and he says absolutely

454
00:21:06,110 --> 00:21:03,440
not that yes in order to get a legal

455
00:21:07,370 --> 00:21:06,120
definition for the cause of death that

456
00:21:09,350 --> 00:21:07,380
would hold up in court

457
00:21:11,510 --> 00:21:09,360
so think back to all these murder

458
00:21:13,460 --> 00:21:11,520
mysteries where you know the husband

459
00:21:15,799 --> 00:21:13,470
poisons the wife or the wife poisons the

460
00:21:18,919 --> 00:21:15,809
husband and you know only after they do

461
00:21:21,890 --> 00:21:18,929
a complete autopsy and eliminate all

462
00:21:24,289 --> 00:21:21,900
other causes and tests specifically for

463
00:21:26,899 --> 00:21:24,299

the poison can it lists the cause of

464

00:21:28,370 --> 00:21:26,909

death as being this and have that stand

465

00:21:31,310 --> 00:21:28,380

up in a legal court of law

466

00:21:34,940 --> 00:21:31,320

so in order to make sure that everybody

467

00:21:38,510 --> 00:21:34,950

that that they say died from the

468

00:21:40,940 --> 00:21:38,520

coronavirus really did they would have

469

00:21:43,760 --> 00:21:40,950

to do an autopsy on everybody and I

470

00:21:46,460 --> 00:21:43,770

understand that as far as you're going

471

00:21:48,110 --> 00:21:46,470

but I would say that even if it was the

472

00:21:50,480 --> 00:21:48,120

tipping point even if it was the

473

00:21:52,279 --> 00:21:50,490

contributing factor ask yourself would

474

00:21:54,620 --> 00:21:52,289

this person have died if they had not

475

00:21:57,200 --> 00:21:54,630

contracted this virus and if the answer

476
00:21:59,570 --> 00:21:57,210
is no then I would say yeah you can you

477
00:22:02,390 --> 00:21:59,580
can quite reasonably say that the virus

478
00:22:06,049 --> 00:22:02,400
was the cause of at least in part the

479
00:22:07,669 --> 00:22:06,059
cause of death yes or no because maybe

480
00:22:09,950 --> 00:22:07,679
the cause of death was the other lying

481
00:22:13,549 --> 00:22:09,960
condition and the coronavirus played no

482
00:22:16,070 --> 00:22:13,559
part in it how do you know if it was a

483
00:22:19,850 --> 00:22:16,080
tipping point they don't know they can't

484
00:22:22,880 --> 00:22:19,860
know this stuff the variables are too

485
00:22:26,390 --> 00:22:22,890
great it's like if they do a study on

486
00:22:29,299 --> 00:22:26,400
you know apples will reduce cancer or

487
00:22:31,760 --> 00:22:29,309
cures cancer well you'd have to you know

488
00:22:35,210 --> 00:22:31,770

do a study of thousands of people and

489

00:22:37,130 --> 00:22:35,220

you'd have to see what else they ate did

490

00:22:39,500 --> 00:22:37,140

they eat drink coffee maybe it was

491

00:22:41,149 --> 00:22:39,510

coffee that reduced cancer maybe they

492

00:22:43,760 --> 00:22:41,159

smoked cigarettes maybe that reduced

493

00:22:46,190 --> 00:22:43,770

cancer I mean you can't eliminate all

494

00:22:47,990 --> 00:22:46,200

the variables in a test like that the

495

00:22:50,480 --> 00:22:48,000

same way they can't eliminate all the

496

00:22:53,060 --> 00:22:50,490

variables in the cause of death unless

497

00:22:55,430 --> 00:22:53,070

they do a full autopsy and my doctor

498

00:22:59,620 --> 00:22:55,440

friend said he researched it and he only

499

00:23:02,090 --> 00:22:59,630

found one autopsy conducted in Wuhan and

500

00:23:05,270 --> 00:23:02,100

the results are not publicly available

501
00:23:07,370 --> 00:23:05,280
so but every day we hear old now there

502
00:23:09,860 --> 00:23:07,380
are 3,000 people died from Corona and

503
00:23:12,650 --> 00:23:09,870
and over there 10,000 people know

504
00:23:14,660 --> 00:23:12,660
they're lying Frank they're lying

505
00:23:17,570 --> 00:23:14,670
because they can't possibly know that

506
00:23:20,360 --> 00:23:17,580
there's no way they did an autopsy on

507
00:23:22,850 --> 00:23:20,370
300 people every day impossible there's

508
00:23:25,670 --> 00:23:22,860
not the personnel to do that in all of

509
00:23:27,230 --> 00:23:25,680
the world to do odd 300 autopsies a day

510
00:23:29,000 --> 00:23:27,240
are these people so when it come out

511
00:23:31,310 --> 00:23:29,010
with these statistics oh so many people

512
00:23:32,780 --> 00:23:31,320
died so many people died look I don't

513
00:23:34,880 --> 00:23:32,790

know what they died from Frank I can't

514

00:23:37,910 --> 00:23:34,890

say it was a virus or this or that but

515

00:23:41,240 --> 00:23:37,920

what I can guarantee you is they have no

516

00:23:43,040 --> 00:23:41,250

goddamn way in hell of telling you that

517

00:23:46,040 --> 00:23:43,050

absolutely these people died of

518

00:23:47,930 --> 00:23:46,050

coronavirus so they're lying and this is

519

00:23:49,940 --> 00:23:47,940

what causes me concern when they're

520

00:23:53,419 --> 00:23:49,950

lying like this every day all day long

521

00:23:57,740 --> 00:23:53,429

and then the hype and you know on the

522

00:24:01,130 --> 00:23:57,750

media and the massive overreach of you

523

00:24:04,520 --> 00:24:01,140

know martial law and dictatorial powers

524

00:24:07,090 --> 00:24:04,530

it's madness because they don't know and

525

00:24:09,680 --> 00:24:07,100

if they tell you they know they're lying

526

00:24:11,870 --> 00:24:09,690

well I wouldn't doubt that there's some

527

00:24:14,240 --> 00:24:11,880

of these of some of the cases have

528

00:24:16,690 --> 00:24:14,250

gotten thrown in there as a result and

529

00:24:18,770 --> 00:24:16,700

that yeah there's nowhere there's no

530

00:24:21,470 --> 00:24:18,780

question they're not able to autopsy

531

00:24:25,010 --> 00:24:21,480

everyone but there's enough to go on

532

00:24:27,860 --> 00:24:25,020

that you know I think I think

533

00:24:29,930 --> 00:24:27,870

everybody should be cautious about what

534

00:24:33,830 --> 00:24:29,940

says who would you get your information

535

00:24:35,810 --> 00:24:33,840

from the media from the government well

536

00:24:37,669 --> 00:24:35,820

I saw some of the some of the places I'm

537

00:24:39,500 --> 00:24:37,679

getting some of the yeah places I'm

538

00:24:41,090 --> 00:24:39,510

getting my information from is from

539

00:24:44,890 --> 00:24:41,100

actual accounts of people who have had

540

00:24:47,419 --> 00:24:44,900

it and they're they know they're sick

541

00:24:50,030 --> 00:24:47,429

that doesn't make them an expert in the

542

00:24:51,200 --> 00:24:50,040

disease just because you get sick Frank

543

00:24:53,600 --> 00:24:51,210

you know all this stuff it's all

544

00:24:55,850 --> 00:24:53,610

secondhand third-hand information most

545

00:24:58,160 --> 00:24:55,860

of it can't be corroborated and most of

546

00:25:00,620 --> 00:24:58,170

it comes from official sources it comes

547

00:25:03,710 --> 00:25:00,630

from the who it comes from the CDC it

548

00:25:05,180 --> 00:25:03,720

comes from the government you know China

549

00:25:07,700 --> 00:25:05,190

comes out and says all we have this rule

550

00:25:10,910 --> 00:25:07,710

had virus why would you believe China

551
00:25:13,220 --> 00:25:10,920
they are a lunatic regime they're

552
00:25:17,270 --> 00:25:13,230
they're a schizophrenic psychotic regime

553
00:25:19,310 --> 00:25:17,280
of Communists and they say the Wu Han

554
00:25:22,659 --> 00:25:19,320
virus originated there why would I

555
00:25:26,129 --> 00:25:22,669
believe them Frank the trouble

556
00:25:28,359 --> 00:25:26,139
is you know we were trained to trust

557
00:25:31,499 --> 00:25:28,369
it's what they call the appeal to

558
00:25:33,970 --> 00:25:31,509
Authority it's a it's a logical fallacy

559
00:25:36,489 --> 00:25:33,980
so long as somebody in the white coat

560
00:25:38,799 --> 00:25:36,499
says it and they claim to have all these

561
00:25:42,310 --> 00:25:38,809
initials after their name we're supposed

562
00:25:44,799 --> 00:25:42,320
to believe it but the problem is they're

563
00:25:47,109 --> 00:25:44,809

not any more qualified they're not any

564

00:25:50,889 --> 00:25:47,119

less likely to make a mistake they're

565

00:25:53,889 --> 00:25:50,899

not any less likely to lie for profit so

566

00:25:55,960 --> 00:25:53,899

you know just because China says the

567

00:25:58,090 --> 00:25:55,970

wool hat virus started in their wet

568

00:26:01,060 --> 00:25:58,100

market from eating bats why would I

569

00:26:03,220 --> 00:26:01,070

believe China and just because well why

570

00:26:04,840 --> 00:26:03,230

why would they say something like that

571

00:26:07,090 --> 00:26:04,850

if it wasn't true why would they add

572

00:26:08,739 --> 00:26:07,100

well that's happened yeah they're

573

00:26:10,180 --> 00:26:08,749

they're losing a lot of face around the

574

00:26:11,680 --> 00:26:10,190

world why would they deliberately do

575

00:26:13,869 --> 00:26:11,690

that well they're up and running the

576

00:26:19,239 --> 00:26:13,879

rest of us are on shutdown right they

577

00:26:22,899 --> 00:26:19,249

are now yeah are now and they have all

578

00:26:24,700 --> 00:26:22,909

our manufacturing jobs they've got you

579

00:26:28,330 --> 00:26:24,710

know the sword of Damocles over our

580

00:26:30,909 --> 00:26:28,340

heads with if they cut off exports of

581

00:26:33,129 --> 00:26:30,919

antibiotics we're gonna be screwed over

582

00:26:35,200 --> 00:26:33,139

here people will be dying horrible

583

00:26:39,279 --> 00:26:35,210

deaths by the hundreds of thousands

584

00:26:43,239 --> 00:26:39,289

it'll be make the coronavirus look like

585

00:26:45,549 --> 00:26:43,249

a walk in the park if we can't get the

586

00:26:48,340 --> 00:26:45,559

medicines to treat the people here that

587

00:26:50,379 --> 00:26:48,350

already need those medicines so I mean

588

00:26:51,759 --> 00:26:50,389

they've got all the all the balls in

589

00:26:54,129 --> 00:26:51,769

their court they're up and running they

590

00:26:56,619 --> 00:26:54,139

control all the manufacturing meanwhile

591

00:27:00,430 --> 00:26:56,629

here in the West we are facing the worst

592

00:27:02,139 --> 00:27:00,440

depression since the 1930s it's gonna be

593

00:27:05,830 --> 00:27:02,149

far worse than anything that happened in

594

00:27:07,899 --> 00:27:05,840

the 1930s the district already the

595

00:27:11,820 --> 00:27:07,909

hundreds of thousands of businesses that

596

00:27:13,720 --> 00:27:11,830

are gone and will never come back

597

00:27:16,269 --> 00:27:13,730

they're never coming back

598

00:27:18,879 --> 00:27:16,279

the unemployment it's going to be you

599

00:27:21,789 --> 00:27:18,889

know 30 40 percent those jobs are not

600

00:27:24,399 --> 00:27:21,799

coming back not for the next 10 20 years

601
00:27:28,019 --> 00:27:24,409
not unless we have some some fascist

602
00:27:31,570 --> 00:27:28,029
dictator you know take over and and

603
00:27:32,859 --> 00:27:31,580
mobilize the entire country to rebuild

604
00:27:34,989 --> 00:27:32,869
their infrastructure and the

605
00:27:35,910 --> 00:27:34,999
manufacturing capabilities it's not

606
00:27:38,430 --> 00:27:35,920
coming back

607
00:27:42,320 --> 00:27:38,440
we are doomed Western civilization it's

608
00:27:45,390 --> 00:27:42,330
over it was nice while it lasted but

609
00:27:47,700 --> 00:27:45,400
it's gone now Frank it's not coming back

610
00:27:49,350 --> 00:27:47,710
and China is still in a position where

611
00:27:51,480 --> 00:27:49,360
it controls all the manufacturing all

612
00:27:53,850 --> 00:27:51,490
the exports they're up and running again

613
00:27:56,550 --> 00:27:53,860

and meanwhile the entire Western world

614

00:27:59,250 --> 00:27:56,560

has been destroyed so I don't know why

615

00:28:01,560 --> 00:27:59,260

would they lie I don't think the entire

616

00:28:04,350 --> 00:28:01,570

Western world has been destroyed when

617

00:28:05,880 --> 00:28:04,360

you look at what happened in 1917 we

618

00:28:08,040 --> 00:28:05,890

bounce back from that and that was a lot

619

00:28:12,480 --> 00:28:08,050

worse than this is ever gonna get you

620

00:28:15,450 --> 00:28:12,490

know if you look at the the 1917-18 flu

621

00:28:16,950 --> 00:28:15,460

pandemic five hundred thousand Americans

622

00:28:18,420 --> 00:28:16,960

were killed I know it got up into Canada

623

00:28:22,080 --> 00:28:18,430

as well I don't know what the numbers

624

00:28:28,020 --> 00:28:22,090

are there but okay I did shut down the

625

00:28:29,670 --> 00:28:28,030

entire economy in 1917 well I think they

626

00:28:32,910 --> 00:28:29,680

did die shut down not quite a lot in

627

00:28:34,800 --> 00:28:32,920

terms of businesses in terms of you know

628

00:28:36,300 --> 00:28:34,810

what public gatherings in terms of

629

00:28:38,130 --> 00:28:36,310

churches that type of thing

630

00:28:40,050 --> 00:28:38,140

a lot of the things that were that are

631

00:28:43,080 --> 00:28:40,060

happening right now were happening back

632

00:28:44,930 --> 00:28:43,090

then absolutely very similar the one

633

00:28:49,140 --> 00:28:44,940

thing that you didn't have in nineteen

634

00:28:51,720 --> 00:28:49,150

seventeen eighteen was a wide variety of

635

00:28:54,000 --> 00:28:51,730

a you know commercial air travel you

636

00:28:57,270 --> 00:28:54,010

really didn't have that but aside from

637

00:28:59,700 --> 00:28:57,280

that you had trains and in boats which

638

00:29:02,130 --> 00:28:59,710

were the big spreaders of that

639

00:29:06,480 --> 00:29:02,140

particular flu pandemic absent without

640

00:29:08,880 --> 00:29:06,490

any question a lot of the troops of

641

00:29:11,640 --> 00:29:08,890

course they was a horrible spreader

642

00:29:13,680 --> 00:29:11,650

World War one and when the war ended

643

00:29:15,660 --> 00:29:13,690

those troops came back and they were you

644

00:29:17,490 --> 00:29:15,670

know gathered together on trains if they

645

00:29:19,290 --> 00:29:17,500

didn't have it already a lot of people

646

00:29:21,150 --> 00:29:19,300

picked it up on trains and as they were

647

00:29:22,710 --> 00:29:21,160

getting dropped off at different parts

648

00:29:24,840 --> 00:29:22,720

of the country now they did an

649

00:29:27,030 --> 00:29:24,850

absolutely you know it was they just

650

00:29:29,010 --> 00:29:27,040

spread they spread the virus around

651

00:29:32,220 --> 00:29:29,020

which is the reason why I asked him

652

00:29:34,380 --> 00:29:32,230

before we came on the show about Toronto

653

00:29:35,790 --> 00:29:34,390

when is the subway going and you're

654

00:29:38,070 --> 00:29:35,800

seeing an issue in New York were

655

00:29:40,590 --> 00:29:38,080

literally half the problem a half the

656

00:29:42,810 --> 00:29:40,600

current issue is centered around the New

657

00:29:46,020 --> 00:29:42,820

York metropolitan area they did not

658

00:29:47,460 --> 00:29:46,030

address mass transit and it's it's been

659

00:29:49,470 --> 00:29:47,470

a huge spreader and you're

660

00:29:51,180 --> 00:29:49,480

not seeing any instances in the States

661

00:29:53,630 --> 00:29:51,190

nearly as bad as you seeing in the New

662

00:29:56,010 --> 00:29:53,640

York metro area basically because

663

00:29:58,169 --> 00:29:56,020

there's no other part of the u.s. or

664

00:30:01,500 --> 00:29:58,179

anywhere in North America as far as I

665

00:30:04,080 --> 00:30:01,510

know that is is reliant on mass transit

666

00:30:06,690 --> 00:30:04,090

as as Manhattan the New York

667

00:30:08,370 --> 00:30:06,700

metropolitan area it's just I don't know

668

00:30:12,630 --> 00:30:08,380

how much time now you spend in New York

669

00:30:14,640 --> 00:30:12,640

but it's just not it's not practical

670

00:30:16,470 --> 00:30:14,650

it's not practical to driving them in

671

00:30:18,810 --> 00:30:16,480

Manhattan you know you take the subway

672

00:30:20,490 --> 00:30:18,820

you take maybe if you have a few more

673

00:30:24,390 --> 00:30:20,500

bucks if you have a few people chipping

674

00:30:26,430 --> 00:30:24,400

in to get around town you take a cab but

675

00:30:31,049 --> 00:30:26,440

it's it's sort of the great equalizer

676

00:30:33,029 --> 00:30:31,059

and it's a you know when again roughly

677

00:30:35,850 --> 00:30:33,039

six and change percent of the u.s.

678

00:30:39,090 --> 00:30:35,860

population is half the u.s. problem it's

679

00:30:40,740 --> 00:30:39,100

you know it's a bad job and you were

680

00:30:43,770 --> 00:30:40,750

talking a little bit earlier about the

681

00:30:47,370 --> 00:30:43,780

media and oh my goodness gracious you

682

00:30:50,220 --> 00:30:47,380

know you've got this governor from New

683

00:30:54,390 --> 00:30:50,230

York Cuomo who's being hailed as a hero

684

00:30:55,830 --> 00:30:54,400

when he was the the the the biggest

685

00:30:57,360 --> 00:30:55,840

villain in all this as far as I'm

686

00:30:59,730 --> 00:30:57,370

concerned you know six and a half

687

00:31:02,190 --> 00:30:59,740

percent of the population is 50% of the

688

00:31:04,970 --> 00:31:02,200

problem and none of the governors of

689

00:31:07,500 --> 00:31:04,980

address mass transit to any great extent

690

00:31:11,149 --> 00:31:07,510

they're coming along a little bit slower

691

00:31:13,620 --> 00:31:11,159

now because of the because of the

692

00:31:15,120 --> 00:31:13,630

finally the CDC figured out that people

693

00:31:16,919 --> 00:31:15,130

should start wearing masks when they're

694

00:31:19,289 --> 00:31:16,929

out and about they all took him a month

695

00:31:21,330 --> 00:31:19,299

to do that and I I still can't figure

696

00:31:24,360 --> 00:31:21,340

that out that it makes no sense to me I

697

00:31:25,710 --> 00:31:24,370

know that I've been advising friends to

698

00:31:28,590 --> 00:31:25,720

wear masks when they were on mass

699

00:31:31,169 --> 00:31:28,600

transit or taking a commercial flight to

700

00:31:34,799 --> 00:31:31,179

wear masks more than a month now it just

701
00:31:37,680 --> 00:31:34,809
is mind-boggling to me and the the the

702
00:31:42,240 --> 00:31:37,690
media coverage has been horrible in so

703
00:31:44,340 --> 00:31:42,250
many ways just here turning into idols

704
00:31:46,860 --> 00:31:44,350
that the very people who are most

705
00:31:48,149 --> 00:31:46,870
responsible for this issue getting out

706
00:31:51,149 --> 00:31:48,159
of hand here in the States

707
00:31:53,220 --> 00:31:51,159
Cuomo and foul GMA and and they're both

708
00:31:55,529 --> 00:31:53,230
New York guys it's like they they didn't

709
00:31:57,720 --> 00:31:55,539
even consider mass transit as part of

710
00:31:59,310 --> 00:31:57,730
the issue and just wondering what you're

711
00:32:01,270 --> 00:31:59,320
seeing up there if you're getting much

712
00:32:03,610 --> 00:32:01,280
US media or itself

713
00:32:05,260 --> 00:32:03,620

basically CBC or you're not looking at

714

00:32:08,710 --> 00:32:05,270

it all or what sort of what's the case

715

00:32:10,840 --> 00:32:08,720

with that well you know like again I'm

716

00:32:13,630 --> 00:32:10,850

sorry I just don't trust anything that

717

00:32:15,090 --> 00:32:13,640

anybody tells me so you know they say

718

00:32:18,250 --> 00:32:15,100

that there's a big cluster of

719

00:32:20,470 --> 00:32:18,260

coronavirus in New York says ooh you

720

00:32:22,120 --> 00:32:20,480

know we've seen online there's lots of

721

00:32:24,340 --> 00:32:22,130

videos that people go into the local

722

00:32:26,410 --> 00:32:24,350

hospital and it turns out they're empty

723

00:32:28,690 --> 00:32:26,420

well yeah yeah because either their

724

00:32:31,900 --> 00:32:28,700

local hospitals not in the New York City

725

00:32:33,640 --> 00:32:31,910

area they did there was you know

726

00:32:36,520 --> 00:32:33,650

clearing out hospitals of non-essential

727

00:32:38,560 --> 00:32:36,530

patients in expectation that things

728

00:32:40,000 --> 00:32:38,570

would get really bad everywhere when

729

00:32:40,600 --> 00:32:40,010

that was not the case that did not

730

00:32:42,910 --> 00:32:40,610

happen

731

00:32:44,950 --> 00:32:42,920

it's basically gotten it's gotten

732

00:32:48,190 --> 00:32:44,960

horrible in two spots in this country

733

00:32:50,320 --> 00:32:48,200

one in New Orleans where the they what

734

00:32:52,000 --> 00:32:50,330

the Mardi Gras go and again they're

735

00:32:54,010 --> 00:32:52,010

pretty reliant on mass transit down

736

00:33:00,070 --> 00:32:54,020

there and in the New York metro area

737

00:33:02,110 --> 00:33:00,080

told you've got bad New Orleans it's

738

00:33:05,110 --> 00:33:02,120

gotten bad in New Orleans yeah people

739

00:33:07,900 --> 00:33:05,120

are dying down information attention

740

00:33:09,930 --> 00:33:07,910

well it did come from the media and now

741

00:33:12,550 --> 00:33:09,940

they're not lying about everything

742

00:33:13,630 --> 00:33:12,560

no the media lies about everything let's

743

00:33:15,640 --> 00:33:13,640

get one thing straight first of all

744

00:33:19,290 --> 00:33:15,650

every one of these politicians the

745

00:33:21,580 --> 00:33:19,300

governor that lunatic [h__h] they're in

746

00:33:24,100 --> 00:33:21,590

Michigan telling people what they can

747

00:33:26,880 --> 00:33:24,110

buy at the store and then the Cuomo

748

00:33:29,680 --> 00:33:26,890

lunatic they're all psychopaths

749

00:33:32,650 --> 00:33:29,690

they don't get to be mayor or governor

750

00:33:35,050 --> 00:33:32,660

or president without being a psychopath

751
00:33:36,760 --> 00:33:35,060
that's the way the system works here so

752
00:33:37,480 --> 00:33:36,770
they're all compulsive liars and

753
00:33:40,720 --> 00:33:37,490
Psychopaths

754
00:33:42,100 --> 00:33:40,730
so anything that they say or do why

755
00:33:44,380 --> 00:33:42,110
would you give it the least bit of

756
00:33:47,200 --> 00:33:44,390
credit credence and then the media

757
00:33:50,830 --> 00:33:47,210
that's all the media does is lie and

758
00:33:53,560 --> 00:33:50,840
even going back to the the Spanish flu I

759
00:33:56,170 --> 00:33:53,570
don't buy the Spanish flu either that

760
00:33:59,200 --> 00:33:56,180
was all lies as well it didn't originate

761
00:34:01,510 --> 00:33:59,210
in Spain it originated in the United

762
00:34:03,340 --> 00:34:01,520
States it did yeah the reason it's

763
00:34:05,560 --> 00:34:03,350

called the Spanish flu and I think most

764

00:34:08,230 --> 00:34:05,570

everyone acknowledges this the from what

765

00:34:10,600 --> 00:34:08,240

I've seen is that the Spanish were not

766

00:34:12,909 --> 00:34:10,610

involved in World War one so they didn't

767

00:34:14,619 --> 00:34:12,919

have information locked out and they

768

00:34:17,440 --> 00:34:14,629

were actually able to report

769

00:34:19,569 --> 00:34:17,450

numbers and results and so on honestly

770

00:34:22,359 --> 00:34:19,579

that's the reason why that that name

771

00:34:24,539 --> 00:34:22,369

came about and also all these troops

772

00:34:26,919 --> 00:34:24,549

that got sick they also had vaccines

773

00:34:28,839 --> 00:34:26,929

they were all vaccinated when they came

774

00:34:31,239 --> 00:34:28,849

back from the war and then suddenly this

775

00:34:33,729 --> 00:34:31,249

there's this pandemic breaks out you

776

00:34:35,859 --> 00:34:33,739

know I'm suspicious about everything

777

00:34:40,329 --> 00:34:35,869

and the reason I'm suspicious is because

778

00:34:42,279 --> 00:34:40,339

I know who runs this world and runs

779

00:34:44,049 --> 00:34:42,289

every facet of it including the media

780

00:34:46,569 --> 00:34:44,059

they run the politics they run the

781

00:34:49,299 --> 00:34:46,579

schools they run the medical program

782

00:34:52,839 --> 00:34:49,309

they run what they teach the medical

783

00:34:55,059 --> 00:34:52,849

doctors they run the pharmaceuticals

784

00:34:57,099 --> 00:34:55,069

they run everything and I know what kind

785

00:34:59,859 --> 00:34:57,109

of people they are so I wouldn't believe

786

00:35:03,849 --> 00:34:59,869

a word that comes out of their mouths so

787

00:35:05,739 --> 00:35:03,859

the Spanish flu you know is it you know

788

00:35:08,710 --> 00:35:05,749

I don't even believe that was a real

789

00:35:11,380 --> 00:35:08,720

thing I think that was orchestrated just

790

00:35:14,920 --> 00:35:11,390

like this coronavirus is orchestrated

791

00:35:17,319 --> 00:35:14,930

now very well maybe you know I'm

792

00:35:20,979 --> 00:35:17,329

perfectly open to the idea that there is

793

00:35:22,630 --> 00:35:20,989

a bad flu virus going around and people

794

00:35:25,839 --> 00:35:22,640

that get it you get sick you know I had

795

00:35:28,799 --> 00:35:25,849

the flu once about 10 years ago put me

796

00:35:32,049 --> 00:35:28,809

on my ass for 10 days yeah yeah oh yeah

797

00:35:35,410 --> 00:35:32,059

I'm convinced of that again yeah okay

798

00:35:36,700 --> 00:35:35,420

right oh well I love you I agree with

799

00:35:38,469 --> 00:35:36,710

you on that particular point obviously

800

00:35:40,900 --> 00:35:38,479

we disagree on a few things which is

801
00:35:42,880 --> 00:35:40,910
which is great Western civilization I

802
00:35:43,779 --> 00:35:42,890
mean people aren't even allowed to walk

803
00:35:47,049 --> 00:35:43,789
in the park

804
00:35:49,660 --> 00:35:47,059
that is ridiculous that's ridiculous no

805
00:35:51,940 --> 00:35:49,670
no of course not

806
00:35:54,789 --> 00:35:51,950
so why are they doing that they're doing

807
00:35:57,370 --> 00:35:54,799
that because this is the opportunity for

808
00:35:59,019 --> 00:35:57,380
all the Psychopaths and powers and and

809
00:36:02,549 --> 00:35:59,029
for all the people that stand to profit

810
00:36:05,890 --> 00:36:02,559
from this especially Bill Gates that

811
00:36:08,109 --> 00:36:05,900
psychopathic demon why his head is not

812
00:36:11,589 --> 00:36:08,119
stuck on the top of a pole I have no

813
00:36:13,539 --> 00:36:11,599

idea but this is an opportunity for all

814

00:36:16,509 --> 00:36:13,549

these sons of [h__h] to make a lot of

815

00:36:17,920 --> 00:36:16,519

money and they make more money than more

816

00:36:19,719 --> 00:36:17,930

they lie to us and the more they freak

817

00:36:23,650 --> 00:36:19,729

out do you think this is a reasonable

818

00:36:25,719 --> 00:36:23,660

response to nobody being sick in a small

819

00:36:27,950 --> 00:36:25,729

town and the hospitals are empty

820

00:36:30,260 --> 00:36:27,960

look I've read the historical accounts

821

00:36:33,920 --> 00:36:30,270

things like the Black Plague and typhoid

822

00:36:36,829 --> 00:36:33,930

and cholera and when those pandemics hit

823

00:36:39,320 --> 00:36:36,839

there were pounds of bodies in the

824

00:36:42,320 --> 00:36:39,330

streets that couldn't find a place to

825

00:36:45,530 --> 00:36:42,330

bury them all even in mass graves DC

826

00:36:47,780 --> 00:36:45,540

powers of Audis in the streets not in

827

00:36:49,820 --> 00:36:47,790

the streets but there have been some

828

00:36:53,230 --> 00:36:49,830

mass grave opening said there was some

829

00:36:56,540 --> 00:36:53,240

video of that some overhead video taken

830

00:37:02,510 --> 00:36:56,550

I'll have to have to check out that at

831

00:37:04,089 --> 00:37:02,520

the ball game but yeah you know be a

832

00:37:06,770 --> 00:37:04,099

hard case on this but ultimately

833

00:37:09,200 --> 00:37:06,780

everything we know comes either from the

834

00:37:11,480 --> 00:37:09,210

government or the media and I trust

835

00:37:14,210 --> 00:37:11,490

neither neither of them because they all

836

00:37:17,540 --> 00:37:14,220

have vested interests in profiting off

837

00:37:20,390 --> 00:37:17,550

of our misery and even if it was all

838

00:37:23,150 --> 00:37:20,400

true which I don't believe a word of it

839

00:37:26,630 --> 00:37:23,160

but even if it was that is no

840

00:37:29,839 --> 00:37:26,640

justification for shutting down the

841

00:37:30,920 --> 00:37:29,849

entire Western civilization there's no

842

00:37:33,800 --> 00:37:30,930

justification for that

843

00:37:35,780 --> 00:37:33,810

now I'll go add a little bit I'll run

844

00:37:38,839 --> 00:37:35,790

this by you and get your feedback on it

845

00:37:41,480 --> 00:37:38,849

but you're seeing this kind of this mass

846

00:37:45,130 --> 00:37:41,490

shutdown this this sort of thing and

847

00:37:48,170 --> 00:37:45,140

what you're really seeing is just plain

848

00:37:51,320 --> 00:37:48,180

incompetence from from these Psychopaths

849

00:37:53,000 --> 00:37:51,330

and I'll fully agree with you on that

850

00:37:56,870 --> 00:37:53,010

point I second at the very least

851
00:37:59,810 --> 00:37:56,880
narcissus but they're not okay the

852
00:38:02,000 --> 00:37:59,820
fallback position for Psychopaths is to

853
00:38:04,520 --> 00:38:02,010
pretend to be stupid they do this all

854
00:38:08,000 --> 00:38:04,530
the time it's like that you know in in

855
00:38:10,940 --> 00:38:08,010
the George Costanza episode there on a

856
00:38:13,400 --> 00:38:10,950
Seinfeld where he's caught banging the

857
00:38:15,920 --> 00:38:13,410
cleaning lady on his desk and he he's

858
00:38:17,599 --> 00:38:15,930
called into the boss and the boss says

859
00:38:19,640 --> 00:38:17,609
is it true you were banging the cleaning

860
00:38:24,680 --> 00:38:19,650
lady on the desk and George Costanza

861
00:38:27,109 --> 00:38:24,690
says yeah is that wrong is that wrong

862
00:38:29,000 --> 00:38:27,119
because if I if I thought that was wrong

863
00:38:32,450 --> 00:38:29,010

I wouldn't have done that you know

864

00:38:34,760 --> 00:38:32,460

listen they always plead stupidity

865

00:38:36,260 --> 00:38:34,770

they're not stupid they know exactly

866

00:38:38,960 --> 00:38:36,270

what they're doing this is not because

867

00:38:41,430 --> 00:38:38,970

of incompetence this is because of a

868

00:38:43,710 --> 00:38:41,440

well thought-out plan

869

00:38:47,010 --> 00:38:43,720

has been in the work for 20 years if not

870

00:38:48,599 --> 00:38:47,020

longer it's not stupidity they know

871

00:38:51,980 --> 00:38:48,609

exactly what they're doing and what

872

00:38:54,990 --> 00:38:51,990

they're doing is imposing a totalitarian

873

00:39:01,730 --> 00:38:55,000

police state on the entire Western world

874

00:39:07,440 --> 00:39:05,819

well I will say this as far as I getting

875

00:39:09,990 --> 00:39:07,450

back to Cuomo who's somebody who have a

876

00:39:11,579 --> 00:39:10,000

pretty critical of in a recent interview

877

00:39:13,980 --> 00:39:11,589

with Rolling Stone he said that they

878

00:39:15,690 --> 00:39:13,990

didn't have a road map that they didn't

879

00:39:17,400 --> 00:39:15,700

know what was coming when in fact uh

880

00:39:18,890 --> 00:39:17,410

yeah we have dealt with this kind of

881

00:39:23,250 --> 00:39:18,900

thing before like I was talking about

882

00:39:26,430 --> 00:39:23,260

1917-1918 also of the earlier the SARS

883

00:39:28,109 --> 00:39:26,440

epidemic so you know even if I accept

884

00:39:31,589 --> 00:39:28,119

them uh speaking from his reality and

885

00:39:32,609 --> 00:39:31,599

you disagree with what what happened

886

00:39:35,059 --> 00:39:32,619

there and don't think there was that

887

00:39:38,420 --> 00:39:35,069

much to it then even that within his

888

00:39:41,309 --> 00:39:38,430

within his framework that kind of

889

00:39:42,630 --> 00:39:41,319

narrative that he has to stick by then

890

00:39:45,120 --> 00:39:42,640

he should have known about that and

891

00:39:46,920 --> 00:39:45,130

should have been aware of it he was

892

00:39:48,930 --> 00:39:46,930

aware of it he was told about the plan

893

00:39:52,800 --> 00:39:48,940

he knows the party has to play nothing

894

00:39:54,359 --> 00:39:52,810

this person says as a smidgen of truth

895

00:39:57,690 --> 00:39:54,369

to it

896

00:39:59,760 --> 00:39:57,700

oh we were caught off give me a break

897

00:40:02,760 --> 00:39:59,770

these guys knew exactly they were all

898

00:40:05,130 --> 00:40:02,770

briefed on it many many months if not

899

00:40:07,260 --> 00:40:05,140

years ago they know exactly how it was

900

00:40:08,849 --> 00:40:07,270

gonna come down they knew exactly they

901
00:40:11,640 --> 00:40:08,859
were going to shut down everything and

902
00:40:17,309 --> 00:40:11,650
social distancing and all this nonsense

903
00:40:20,130 --> 00:40:17,319
then there you know they knew all this

904
00:40:23,220 --> 00:40:20,140
ahead of time you know it's not a

905
00:40:27,329 --> 00:40:23,230
conspiracy they did you know check out

906
00:40:29,309 --> 00:40:27,339
the Bill Gates two or one drill that

907
00:40:31,500 --> 00:40:29,319
they did last year where they laid it

908
00:40:33,839 --> 00:40:31,510
out step-by-step exactly what's

909
00:40:35,550 --> 00:40:33,849
happening now and that was last year but

910
00:40:37,620 --> 00:40:35,560
even going back even further

911
00:40:39,630 --> 00:40:37,630
there were documents written back and

912
00:40:42,150 --> 00:40:39,640
you know at least twenty thirty years

913
00:40:43,950 --> 00:40:42,160

ago where they were speculating about

914

00:40:46,800 --> 00:40:43,960

this you know how can we take down the

915

00:40:50,250 --> 00:40:46,810

civilization well you know what this is

916

00:40:54,210 --> 00:40:50,260

is George Orwell's War of the Worlds you

917

00:40:55,059 --> 00:40:54,220

know back in 1938 George or not George

918

00:41:00,339 --> 00:40:55,069

Orwell

919

00:41:03,459 --> 00:41:00,349

then she was it yeah HG Wells war the

920

00:41:06,189 --> 00:41:03,469

world or over hosted a radio broadcast

921

00:41:08,380 --> 00:41:06,199

based on the HD well story War of the

922

00:41:12,729 --> 00:41:08,390

Worlds and he broadcasted in New Jersey

923

00:41:15,430 --> 00:41:12,739

in 1938 and they didn't like a play a

924

00:41:17,969 --> 00:41:15,440

skit where the aliens have landed and

925

00:41:20,229 --> 00:41:17,979

they're destroying everything

926

00:41:22,689 --> 00:41:20,239

most people bought it most people

927

00:41:27,400 --> 00:41:22,699

believe that now we've got every media

928

00:41:29,920 --> 00:41:27,410

radio TV movie stars politicians they're

929

00:41:34,089 --> 00:41:29,930

on TV oh the corona Virge the corona

930

00:41:36,579 --> 00:41:34,099

virus and so oh well it's got to be real

931

00:41:38,949 --> 00:41:36,589

now it's no more real than the Martians

932

00:41:43,509 --> 00:41:38,959

landing in New Jersey in 1938

933

00:41:46,029 --> 00:41:43,519

they've just figured out how to fine

934

00:41:48,579 --> 00:41:46,039

tune their propaganda and the

935

00:41:50,890 --> 00:41:48,589

manipulation of the masses you know we

936

00:41:53,199 --> 00:41:50,900

got to be skeptical of everything that

937

00:41:55,719 --> 00:41:53,209

comes to us because most of it is lies

938

00:41:58,209 --> 00:41:55,729

you know unfortunately everything we've

939

00:42:00,489 --> 00:41:58,219

been taught since childhood is pretty

940

00:42:03,039 --> 00:42:00,499

much a lie just about everything

941

00:42:05,259 --> 00:42:03,049

World War two wasn't the good war you

942

00:42:07,630 --> 00:42:05,269

know no American soldier died for

943

00:42:09,219 --> 00:42:07,640

freedom because America was never at

944

00:42:11,589 --> 00:42:09,229

risk ever ever

945

00:42:14,229 --> 00:42:11,599

so all these wars that all these

946

00:42:14,799 --> 00:42:14,239

Americans shed their blood for was for

947

00:42:17,380 --> 00:42:14,809

nothing

948

00:42:18,789 --> 00:42:17,390

it was all pointless I know it's

949

00:42:21,130 --> 00:42:18,799

terrible a lot of people are gonna get

950

00:42:22,809 --> 00:42:21,140

angry at me Oh my grandfather died for

951

00:42:24,519 --> 00:42:22,819

this no he didn't die for that he died

952

00:42:26,289 --> 00:42:24,529

for the bankers and he died for the

953

00:42:28,930 --> 00:42:26,299

Psychopaths that run this world he

954

00:42:33,069 --> 00:42:28,940

didn't die to free America nobody died

955

00:42:35,829 --> 00:42:33,079

to free America since 1776 you know it's

956

00:42:38,410 --> 00:42:35,839

all been a lie education doesn't teach

957

00:42:41,380 --> 00:42:38,420

it schools are not there to make you

958

00:42:44,319 --> 00:42:41,390

smart colleges don't educate you about a

959

00:42:47,319 --> 00:42:44,329

high school level all of it has been a

960

00:42:49,479 --> 00:42:47,329

lie doctors don't cure diseases the

961

00:42:51,910 --> 00:42:49,489

media doesn't tell you the truth I mean

962

00:42:53,949 --> 00:42:51,920

it goes on and on it's been in one big

963

00:42:56,170 --> 00:42:53,959

live Frank our whole lives

964

00:42:58,359 --> 00:42:56,180

you know then we should all be really

965

00:42:58,959 --> 00:42:58,369

angry about it because why we're being

966

00:43:02,739 --> 00:42:58,969

lied to

967

00:43:06,099 --> 00:43:02,749

are the real life that the energy the

968

00:43:08,320 --> 00:43:06,109

love the community the family all of

969

00:43:11,710 --> 00:43:08,330

that's been stolen from us and

970

00:43:15,070 --> 00:43:11,720

left with porn and and crap and and and

971

00:43:18,550 --> 00:43:15,080

and an oxycontin epidemic and alcoholism

972

00:43:21,700 --> 00:43:18,560

and unemployment and masses of cases of

973

00:43:24,130 --> 00:43:21,710

suicide well why because our souls have

974

00:43:27,700 --> 00:43:24,140

been poisoned and destroyed after a

975

00:43:29,770 --> 00:43:27,710

hundred years of lies so now they're

976

00:43:31,930 --> 00:43:29,780

coming out with more lights on the virus

977

00:43:33,640 --> 00:43:31,940

and we have to do this and now everybody

978

00:43:35,830 --> 00:43:33,650

has to be unemployed but don't worry

979

00:43:37,270 --> 00:43:35,840

we're gonna kick you in a couple of

980

00:43:39,640 --> 00:43:37,280

hundred bucks but it won't be enough to

981

00:43:42,280 --> 00:43:39,650

pay your pay your mortgage so you'll be

982

00:43:46,210 --> 00:43:42,290

homeless you know come on Frank it's

983

00:43:49,360 --> 00:43:46,220

just more lies more lies to you know to

984

00:43:53,200 --> 00:43:49,370

fleece us but it's not just our money

985

00:43:55,630 --> 00:43:53,210

they're stealing it's our souls it's our

986

00:43:59,290 --> 00:43:55,640

culture it's our history it's life

987

00:44:01,900 --> 00:43:59,300

itself they are destroying our very

988

00:44:04,510 --> 00:44:01,910

lives I mean it's it's spring I'm not

989

00:44:06,610 --> 00:44:04,520

allowed to go to the park I can't go

990

00:44:09,310 --> 00:44:06,620

outside the police will find me a

991

00:44:11,500 --> 00:44:09,320

thousand dollars if I go for a walk in

992

00:44:13,930 --> 00:44:11,510

the park you think that is a normal

993

00:44:17,230 --> 00:44:13,940

relaxed reaction to what's going on now

994

00:44:20,020 --> 00:44:17,240

no no especial especially especially

995

00:44:23,200 --> 00:44:20,030

with the situation that's up in Canada

996

00:44:26,890 --> 00:44:23,210

where it's a not terribly severe at

997

00:44:29,470 --> 00:44:26,900

least I mean they said last count what

998

00:44:31,270 --> 00:44:29,480

was it you know 17 people died what you

999

00:44:34,000 --> 00:44:31,280

know what more people died in drive-by

1000

00:44:35,590 --> 00:44:34,010

shootings in our ghetto on a weekend

1001
00:44:39,070 --> 00:44:35,600
than have died from the whole corona

1002
00:44:41,470 --> 00:44:39,080
virus since it began so if that's enough

1003
00:44:43,510 --> 00:44:41,480
to shut down all of Canada how come we

1004
00:44:45,220 --> 00:44:43,520
didn't shut down all of Canada with all

1005
00:44:48,040 --> 00:44:45,230
these drive-by shootings last year

1006
00:44:50,230 --> 00:44:48,050
killed more people in a corona you know

1007
00:44:51,940 --> 00:44:50,240
street crime kills more people I mean

1008
00:44:54,010 --> 00:44:51,950
people die from falling in their

1009
00:44:56,020 --> 00:44:54,020
bathtubs and breaking their necks more

1010
00:44:59,470 --> 00:44:56,030
than this coronavirus but that hasn't

1011
00:45:03,100 --> 00:44:59,480
stopped Justin Trudeau and and and and

1012
00:45:05,020 --> 00:45:03,110
and and all that Prime Minister premiers

1013
00:45:07,330 --> 00:45:05,030

from shutting down the entire country

1014

00:45:09,510 --> 00:45:07,340

there are our businesses that are shut

1015

00:45:12,010 --> 00:45:09,520

down I I Drive through the town and

1016

00:45:13,500 --> 00:45:12,020

everything is closed and they will never

1017

00:45:16,030 --> 00:45:13,510

come back Frank

1018

00:45:20,440 --> 00:45:16,040

some of them war and that this is what

1019

00:45:21,760 --> 00:45:20,450

happens what happens is ten years ago we

1020

00:45:24,160 --> 00:45:21,770

had the economic

1021

00:45:26,800 --> 00:45:24,170

laughs and yeah a lot of businesses

1022

00:45:29,890 --> 00:45:26,810

didn't come back a lot of times it'll be

1023

00:45:31,450 --> 00:45:29,900

older business owners who you know they

1024

00:45:33,190 --> 00:45:31,460

figure this is this is kind of the

1025

00:45:35,650 --> 00:45:33,200

Porsche it's it's time to shut things

1026

00:45:37,900 --> 00:45:35,660

down so they won't be back there that is

1027

00:45:40,180 --> 00:45:37,910

true there's going to be some shakeout

1028

00:45:42,220 --> 00:45:40,190

but that's also going to present some

1029

00:45:45,640 --> 00:45:42,230

opportunity for someone else to either

1030

00:45:48,370 --> 00:45:45,650

buy that business or to start a new one

1031

00:45:49,630 --> 00:45:48,380

yeah we're basically just part of the

1032

00:45:52,330 --> 00:45:49,640

the normal uh

1033

00:45:55,270 --> 00:45:52,340

the living and dying cycle that is gonna

1034

00:45:56,980 --> 00:45:55,280

take place in any business though no no

1035

00:45:59,580 --> 00:45:56,990

I don't think this time Frank I really

1036

00:46:03,790 --> 00:45:59,590

don't I mean the economic economic

1037

00:46:06,550 --> 00:46:03,800

recession there was a 2008 fourth

1038

00:46:08,920 --> 00:46:06,560

quarter 2008 and then really 2009 was

1039

00:46:10,480 --> 00:46:08,930

the really bad year yeah I was bad but

1040

00:46:12,100 --> 00:46:10,490

most people still had their jobs you

1041

00:46:13,720 --> 00:46:12,110

know yeah I worked I worked through it

1042

00:46:15,340 --> 00:46:13,730

but business was off let me tell you

1043

00:46:16,660 --> 00:46:15,350

something business all the way off but

1044

00:46:18,580 --> 00:46:16,670

that would be okay yeah yeah let me tell

1045

00:46:22,960 --> 00:46:18,590

you something though that particular

1046

00:46:25,920 --> 00:46:22,970

year I had my highest dollar amount per

1047

00:46:27,790 --> 00:46:25,930

sale average that year and you know why

1048

00:46:30,010 --> 00:46:27,800

shouldn't be that difficult to figure

1049

00:46:33,090 --> 00:46:30,020

out that was because the people who were

1050

00:46:35,980 --> 00:46:33,100

still buying were the ones who had money

1051
00:46:38,260 --> 00:46:35,990
so yeah we there was the little guy not

1052
00:46:39,400 --> 00:46:38,270
buying but the big guys who would you

1053
00:46:42,250 --> 00:46:39,410
know handled their money they had

1054
00:46:45,280 --> 00:46:42,260
stockpiled cash they weren't going week

1055
00:46:48,040 --> 00:46:45,290
to week paycheck to paycheck - you know

1056
00:46:49,240 --> 00:46:48,050
stockpile cash they had the money so

1057
00:46:50,470 --> 00:46:49,250
they were doing the buying and they

1058
00:46:52,780 --> 00:46:50,480
probably got some kind of good deals

1059
00:46:55,090 --> 00:46:52,790
during that time for him as well yeah

1060
00:46:57,310 --> 00:46:55,100
yeah I think this time it's different

1061
00:47:00,340 --> 00:46:57,320
though this time it's going to be far

1062
00:47:02,110 --> 00:47:00,350
worse than anything we've imagined so

1063
00:47:04,180 --> 00:47:02,120

you were asking about you know self

1064

00:47:07,180 --> 00:47:04,190

defense against this thing yeah yeah oh

1065

00:47:08,860 --> 00:47:07,190

yeah dollars matter cash is king and the

1066

00:47:11,410 --> 00:47:08,870

reason I asked you on this show was I

1067

00:47:12,820 --> 00:47:11,420

was listening to a zoom conference that

1068

00:47:14,710 --> 00:47:12,830

you had put together with a friend of

1069

00:47:16,030 --> 00:47:14,720

yours up in Canada that I thought was

1070

00:47:17,800 --> 00:47:16,040

pretty interesting I thought yeah

1071

00:47:19,600 --> 00:47:17,810

Stephan's are gonna have some very

1072

00:47:21,580 --> 00:47:19,610

interesting very different perspectives

1073

00:47:23,740 --> 00:47:21,590

on all this so yeah I want to get him

1074

00:47:26,110 --> 00:47:23,750

back on it and you were nice enough to

1075

00:47:29,980 --> 00:47:26,120

do it right away but they use it now

1076

00:47:30,589 --> 00:47:29,990

Frank what's that debate is good debate

1077

00:47:32,779 --> 00:47:30,599

is a

1078

00:47:34,999 --> 00:47:32,789

a good thing you know a lot of times we

1079

00:47:36,440 --> 00:47:35,009

do have guests that I think maybe agree

1080

00:47:39,680 --> 00:47:36,450

with me a little bit too much and it

1081

00:47:41,839 --> 00:47:39,690

gets you know a little bit not to

1082

00:47:43,700 --> 00:47:41,849

debating but no debate it was good the

1083

00:47:45,559 --> 00:47:43,710

bait is important and freedom of speech

1084

00:47:47,599 --> 00:47:45,569

I stand behind it a hundred percent

1085

00:47:50,120 --> 00:47:47,609

you know Frank I'm not disagreeing with

1086

00:47:54,589 --> 00:47:50,130

you would I disagree with is the sources

1087

00:47:57,589 --> 00:47:54,599

of the information you know I wouldn't

1088

00:48:00,680 --> 00:47:57,599

say that see I don't think the powers

1089

00:48:03,200 --> 00:48:00,690

that be are competent enough to put

1090

00:48:06,440 --> 00:48:03,210

together this kind of thing that well

1091

00:48:08,029 --> 00:48:06,450

without you know I just don't think they

1092

00:48:11,599 --> 00:48:08,039

can do it and you know that I'm a UFO

1093

00:48:14,329 --> 00:48:11,609

buff and you know that all of this all

1094

00:48:16,489 --> 00:48:14,339

the this a flying saucer stuff is all

1095

00:48:17,930 --> 00:48:16,499

disinformation going back to the late

1096

00:48:20,329 --> 00:48:17,940

40s there are some people who have that

1097

00:48:23,749 --> 00:48:20,339

opinion that none of it it's all just to

1098

00:48:25,789 --> 00:48:23,759

cover for you know where US secret

1099

00:48:29,690 --> 00:48:25,799

military projects going back that far

1100

00:48:31,819 --> 00:48:29,700

and again I do tend I believe the year

1101

00:48:34,069 --> 00:48:31,829

the direct witnesses you know I'm a big

1102

00:48:36,319 --> 00:48:34,079

believer in in that type of thing and

1103

00:48:38,450 --> 00:48:36,329

when a friend of mine a guy who's been

1104

00:48:40,339 --> 00:48:38,460

on this show is saying look I've got

1105

00:48:41,959 --> 00:48:40,349

this bug and it's not like a normal flu

1106

00:48:44,660 --> 00:48:41,969

it's not like a normal cold it's

1107

00:48:46,400 --> 00:48:44,670

different it's heavy duty I'm if this

1108

00:48:49,249 --> 00:48:46,410

thing kicked my ass you know I believe

1109

00:48:51,349 --> 00:48:49,259

this guy he's not there's there's no way

1110

00:48:56,599 --> 00:48:51,359

in hell that this guy is a part of that

1111

00:49:02,150 --> 00:48:56,609

any kind of I don't I'm not questioning

1112

00:49:03,650 --> 00:49:02,160

him he's sick I got I got a couple of

1113

00:49:05,479 --> 00:49:03,660

friends that are really sick they've

1114

00:49:08,870 --> 00:49:05,489

been sick for a month to what I'm

1115

00:49:11,120 --> 00:49:08,880

questioning is is it the corona virus or

1116

00:49:13,459 --> 00:49:11,130

are they sick from some other cause and

1117

00:49:15,859 --> 00:49:13,469

they don't know and their doctors don't

1118

00:49:18,529 --> 00:49:15,869

know and they may think that this is the

1119

00:49:20,660 --> 00:49:18,539

worst flu they've ever had but how much

1120

00:49:21,319 --> 00:49:20,670

of that is affected by all the negative

1121

00:49:24,079 --> 00:49:21,329

publicity

1122

00:49:27,380 --> 00:49:24,089

remember the placebo effect has both

1123

00:49:30,319 --> 00:49:27,390

positive and negative capability yeah I

1124

00:49:34,400 --> 00:49:30,329

grab that so you know I've seen this

1125

00:49:36,769 --> 00:49:34,410

with teaching kids you know yeah if a

1126

00:49:39,049 --> 00:49:36,779

kid tripped and fell on in the dojo and

1127

00:49:41,229 --> 00:49:39,059

I looked at him and said come on get up

1128

00:49:43,970 --> 00:49:41,239

keep going he'd get up and keep going

1129

00:49:46,340 --> 00:49:43,980

but if the mother was there and me

1130

00:49:49,640 --> 00:49:46,350

I ran up and said oh poor baby are you

1131

00:49:52,370 --> 00:49:49,650

okay that kid would burst into tears you

1132

00:49:55,220 --> 00:49:52,380

know it's you know your perception of

1133

00:49:58,130 --> 00:49:55,230

pain and your perception of everything

1134

00:50:01,220 --> 00:49:58,140

in life is determined to a large degree

1135

00:50:06,230 --> 00:50:01,230

on what your expectation is it's called

1136

00:50:09,020 --> 00:50:06,240

in fear ins so if you feel sick and now

1137

00:50:12,440 --> 00:50:09,030

the media is screaming every media

1138

00:50:15,380 --> 00:50:12,450

channel papers newspapers TV they'll

1139

00:50:17,780 --> 00:50:15,390

tell you all is this pandemic well are

1140

00:50:19,460 --> 00:50:17,790

you gonna feel better or worse after

1141

00:50:22,070 --> 00:50:19,470

hearing all that of course you're gonna

1142

00:50:24,800 --> 00:50:22,080

think my my god I must have this but III

1143

00:50:27,080 --> 00:50:24,810

feel a lot worse now but it could be the

1144

00:50:29,599 --> 00:50:27,090

placebo effect I mean this is making

1145

00:50:32,030 --> 00:50:29,609

people sick and then it's making him

1146

00:50:33,710 --> 00:50:32,040

sicker by hyping it up and and and doing

1147

00:50:36,260 --> 00:50:33,720

all this fear-mongering I mean we can't

1148

00:50:40,220 --> 00:50:36,270

the the problem with science is we can't

1149

00:50:42,770 --> 00:50:40,230

separate very clearly what is real and

1150

00:50:45,290 --> 00:50:42,780

what is imagined since both have a very

1151
00:50:47,950 --> 00:50:45,300
powerful full effect on the body and

1152
00:50:51,550 --> 00:50:47,960
have you ever seen that the placebo

1153
00:50:53,480 --> 00:50:51,560
documentary it was very interesting work

1154
00:50:55,760 --> 00:50:53,490
hopefully we're talking about the same

1155
00:50:57,500 --> 00:50:55,770
one where as with this one fellow wins

1156
00:51:00,050 --> 00:50:57,510
one doctor was actually performing

1157
00:51:02,300 --> 00:51:00,060
phantom surgeries on people yes to see

1158
00:51:04,550 --> 00:51:02,310
yeah okay okay that's the way sir wait

1159
00:51:07,310 --> 00:51:04,560
yeah there was a guy who was hobbling

1160
00:51:09,080 --> 00:51:07,320
around limping around and they performed

1161
00:51:10,940 --> 00:51:09,090
this they didn't perform any surgery

1162
00:51:14,599 --> 00:51:10,950
they acted as if they were putting him

1163
00:51:16,760 --> 00:51:14,609

through surgery and the guy afterwards

1164

00:51:18,170 --> 00:51:16,770

hey my knees never felt better and they

1165

00:51:19,820 --> 00:51:18,180

never did anything to the guy they never

1166

00:51:22,040 --> 00:51:19,830

cut the guy you know yeah and they were

1167

00:51:25,220 --> 00:51:22,050

they went so far as to even play a fake

1168

00:51:27,440 --> 00:51:25,230

video of the endoscope looking into the

1169

00:51:29,630 --> 00:51:27,450

knee right I don't remember that part

1170

00:51:33,650 --> 00:51:29,640

but yeah about it I don't doubt it yeah

1171

00:51:35,630 --> 00:51:33,660

but your attitude goes a long way

1172

00:51:38,060 --> 00:51:35,640

towards that my attitude has always been

1173

00:51:39,890 --> 00:51:38,070

you know again I want to stress this to

1174

00:51:41,870 --> 00:51:39,900

the listeners at home that you know

1175

00:51:44,510 --> 00:51:41,880

protect yourself at all times

1176
00:51:47,000 --> 00:51:44,520
you wouldn't even against that even even

1177
00:51:49,250 --> 00:51:47,010
if it said just you know the the regular

1178
00:51:50,780 --> 00:51:49,260
flu do what you have to do to keep

1179
00:51:52,820 --> 00:51:50,790
yourself from getting sick in any way

1180
00:51:54,859 --> 00:51:52,830
shape or form and stay out of hospitals

1181
00:51:56,480 --> 00:51:54,869
and you know yourself well enough to not

1182
00:51:59,270 --> 00:51:56,490
have to get checked in

1183
00:52:01,730 --> 00:51:59,280
oh my god and the little mix and dings

1184
00:52:04,609 --> 00:52:01,740
that I got from you know from playing

1185
00:52:06,950 --> 00:52:04,619
hockey back in the day you know I I

1186
00:52:08,870 --> 00:52:06,960
could have easily found some surgeon to

1187
00:52:11,359 --> 00:52:08,880
cut me and get rid of this bit of scar

1188
00:52:13,220 --> 00:52:11,369

tissue and that one but you know I chose

1189

00:52:15,230 --> 00:52:13,230
to just work it out myself and just

1190

00:52:17,630 --> 00:52:15,240
break it all up myself and not not even

1191

00:52:20,150 --> 00:52:17,640
bother with any of that that just you

1192

00:52:23,720 --> 00:52:20,160
know it not knock wood for me it has not

1193

00:52:25,609 --> 00:52:23,730
happened that often but maybe it's like

1194

00:52:28,370 --> 00:52:25,619
a once a decade thing we're all pickup a

1195

00:52:30,380 --> 00:52:28,380
cold or a flu and get and get sick from

1196

00:52:31,820 --> 00:52:30,390
it to the point where you know I got a I

1197

00:52:34,250 --> 00:52:31,830
get a rest up for a little bit and

1198

00:52:34,850 --> 00:52:34,260
recover but yeah I think a lot of that

1199

00:52:36,530 --> 00:52:34,860
is again

1200

00:52:39,200 --> 00:52:36,540
the attitude I'm not going to get sick

1201
00:52:41,060 --> 00:52:39,210
and you know once in a while like I said

1202
00:52:43,400 --> 00:52:41,070
once a decade I've let my guard down and

1203
00:52:45,560 --> 00:52:43,410
yeah it got me and it's like okay well

1204
00:52:47,300 --> 00:52:45,570
you got me okay so you know now I'm

1205
00:52:49,840 --> 00:52:47,310
gonna get myself better and learn from

1206
00:52:53,240 --> 00:52:49,850
my mistake and get back to it

1207
00:52:55,160 --> 00:52:53,250
well you know listen I'm not saying

1208
00:52:59,359 --> 00:52:55,170
don't take precautions absolutely it's a

1209
00:53:02,030 --> 00:52:59,369
I do it all the time anyways mmm it's

1210
00:53:06,740 --> 00:53:02,040
just you know it's healthy clean smart

1211
00:53:09,440 --> 00:53:06,750
living you know but what you brought up

1212
00:53:10,609 --> 00:53:09,450
the the documentary that placebo effect

1213
00:53:13,580 --> 00:53:10,619

now there was another product that

1214

00:53:15,530 --> 00:53:13,590

documentary where the doctor who was

1215

00:53:18,109 --> 00:53:15,540

being interviewed said he felt really

1216

00:53:20,510 --> 00:53:18,119

bad about this because he had a patient

1217

00:53:23,930 --> 00:53:20,520

come in and they did the tests and sure

1218

00:53:25,910 --> 00:53:23,940

enough the patient had cancer and

1219

00:53:28,960 --> 00:53:25,920

according to what they're taught in

1220

00:53:31,640 --> 00:53:28,970

there and their pseudo medical schools

1221

00:53:34,790 --> 00:53:31,650

the doctor told them he said well you

1222

00:53:37,190 --> 00:53:34,800

know you probably have six weeks left to

1223

00:53:39,050 --> 00:53:37,200

live and sure enough six weeks later he

1224

00:53:40,880 --> 00:53:39,060

was dead now

1225

00:53:43,880 --> 00:53:40,890

the thing that happened was they did an

1226
00:53:45,740 --> 00:53:43,890
autopsy and again you can't determine

1227
00:53:46,490 --> 00:53:45,750
the cause of death unless you do an

1228
00:53:49,000 --> 00:53:46,500
autopsy

1229
00:53:51,680 --> 00:53:49,010
and so when they come out with easy

1230
00:53:53,450 --> 00:53:51,690
statistics so many thousands of died

1231
00:53:56,180 --> 00:53:53,460
they're lying they didn't do autopsies

1232
00:53:58,010 --> 00:53:56,190
on them now they did an autopsy on this

1233
00:54:00,380 --> 00:53:58,020
guy but they assumed he died from the

1234
00:54:02,420 --> 00:54:00,390
cancer the tests came back he's positive

1235
00:54:04,730 --> 00:54:02,430
for cancer the doctor told him he had

1236
00:54:08,900 --> 00:54:04,740
six weeks sure enough six weeks later

1237
00:54:10,210 --> 00:54:08,910
he's dead so they did an autopsy on him

1238
00:54:12,820 --> 00:54:10,220

and yep sure

1239

00:54:15,609 --> 00:54:12,830

they found a tumor he said the tumor was

1240

00:54:20,410 --> 00:54:15,619

the size of a pea he could not possibly

1241

00:54:22,839 --> 00:54:20,420

have killed them so what killed him well

1242

00:54:26,620 --> 00:54:22,849

the doctor told him he was going to die

1243

00:54:29,140 --> 00:54:26,630

and so the placebo effect can heal you

1244

00:54:31,240 --> 00:54:29,150

and it can also kill you and this is why

1245

00:54:32,800 --> 00:54:31,250

I'm really upset the way the media is

1246

00:54:34,780 --> 00:54:32,810

covering this because it's

1247

00:54:37,330 --> 00:54:34,790

fear-mongering it's the equivalent to

1248

00:54:40,030 --> 00:54:37,340

yelling fire in a crowded theater

1249

00:54:42,609 --> 00:54:40,040

because now everybody's being onion

1250

00:54:46,390 --> 00:54:42,619

dated with this oh they'll pandemic the

1251
00:54:49,180 --> 00:54:46,400
pandemic that very fact is already

1252
00:54:53,109 --> 00:54:49,190
contributing to people getting sick

1253
00:54:54,849 --> 00:54:53,119
based on the placebo effect so that's

1254
00:54:56,680 --> 00:54:54,859
why I said I don't know if I believe it

1255
00:54:59,410 --> 00:54:56,690
you know

1256
00:55:02,140 --> 00:54:59,420
the the brain and the mind is a powerful

1257
00:55:05,320 --> 00:55:02,150
thing it can be used to to heal yourself

1258
00:55:09,130 --> 00:55:05,330
you know you can get over a lot of these

1259
00:55:11,950 --> 00:55:09,140
diseases if you use visualization and in

1260
00:55:14,470 --> 00:55:11,960
a healthy positive approach and as we've

1261
00:55:18,070 --> 00:55:14,480
seen in that movie the documentary it

1262
00:55:21,520 --> 00:55:18,080
can also kill you that's how you know

1263
00:55:23,109 --> 00:55:21,530

the old voodoo curses used to work you

1264

00:55:25,359 --> 00:55:23,119

know the witch doctor and they that

1265

00:55:27,550 --> 00:55:25,369

studies on that and it turns out well

1266

00:55:30,460 --> 00:55:27,560

you know when it studied these people in

1267

00:55:33,609 --> 00:55:30,470

Africa and witch doctor put a curse on

1268

00:55:37,240 --> 00:55:33,619

you sure enough they would die well why

1269

00:55:40,510 --> 00:55:37,250

did they die well because it's a placebo

1270

00:55:42,490 --> 00:55:40,520

effect they all believed it was part of

1271

00:55:44,650 --> 00:55:42,500

their culture they believed that witch

1272

00:55:46,570 --> 00:55:44,660

doctor had the power to curse you and

1273

00:55:48,760 --> 00:55:46,580

they believed that if you were cursed

1274

00:55:52,690 --> 00:55:48,770

you would die and they believed it so

1275

00:55:57,099 --> 00:55:52,700

much that they would die so again this

1276

00:55:58,810 --> 00:55:57,109

example of the placebo effect goes way

1277

00:56:01,060 --> 00:55:58,820

back I mean I meant a reading about the

1278

00:56:03,339 --> 00:56:01,070

the witch doctors and their curses back

1279

00:56:05,530 --> 00:56:03,349

in the 70s they already knew this that

1280

00:56:08,859 --> 00:56:05,540

it was the power of the mind that killed

1281

00:56:11,109 --> 00:56:08,869

them so you know when when now we've got

1282

00:56:14,050 --> 00:56:11,119

all these evil entities you know the

1283

00:56:16,450 --> 00:56:14,060

government the media the the health

1284

00:56:18,760 --> 00:56:16,460

organizations and they're all you know

1285

00:56:21,940 --> 00:56:18,770

running around screaming death that

1286

00:56:23,859 --> 00:56:21,950

dozens of bodies mass graves all come on

1287

00:56:26,650 --> 00:56:23,869

you bastards you

1288

00:56:28,989 --> 00:56:26,660

bastard even if it was true you're

1289

00:56:32,230 --> 00:56:28,999

contributing to the death toll just by

1290

00:56:34,029 --> 00:56:32,240

running around screaming about it now

1291

00:56:36,339 --> 00:56:34,039

one guy I want to ask you about me I

1292

00:56:38,140 --> 00:56:36,349

didn't bring him up as far as I know I

1293

00:56:40,539 --> 00:56:38,150

don't know if you've addressed this

1294

00:56:44,160 --> 00:56:40,549

guy's work at all but this is a fellow

1295

00:56:47,859 --> 00:56:44,170

was also engaged in some eastern

1296

00:56:50,170 --> 00:56:47,869

thinking and as a practitioner of Tomo

1297

00:56:52,180 --> 00:56:50,180

meditation and that's a guy named wim

1298

00:56:54,970 --> 00:56:52,190

HOF and I was wondering if you're

1299

00:56:57,370 --> 00:56:54,980

familiar at all with his work no sorry

1300

00:56:59,259 --> 00:56:57,380

okay then I won't go into it too much

1301

00:57:02,950 --> 00:56:59,269

but basically he's a very interesting

1302

00:57:06,400 --> 00:57:02,960

guy and through a tamiya it a Shahnaz

1303

00:57:09,370 --> 00:57:06,410

this kind of phase breathing he says he

1304

00:57:13,180 --> 00:57:09,380

can he's done this in labs be injected

1305

00:57:15,640 --> 00:57:13,190

with bacteria and fight that off that he

1306

00:57:17,710 --> 00:57:15,650

can mentally control his own immune

1307

00:57:20,950 --> 00:57:17,720

system and not fight off this bacteria

1308

00:57:24,660 --> 00:57:20,960

yes it he's he's climbed Mount Everest

1309

00:57:28,329 --> 00:57:24,670

in his shorts he's run half marathons

1310

00:57:31,170 --> 00:57:28,339

and some freezing weather swims under

1311

00:57:34,150 --> 00:57:31,180

ice just because of his own ability to

1312

00:57:35,829 --> 00:57:34,160

control his body and he's made some

1313

00:57:38,769 --> 00:57:35,839

claims about their this particular virus

1314

00:57:40,660 --> 00:57:38,779

how you know go ahead and inject me with

1315

00:57:42,940 --> 00:57:40,670

it that's not gonna have any effect I'll

1316

00:57:44,559 --> 00:57:42,950

basically control enough of my immune

1317

00:57:46,120 --> 00:57:44,569

system to fight it off and that kind of

1318

00:57:48,069 --> 00:57:46,130

thing yeah if you're not familiar with a

1319

00:57:49,329 --> 00:57:48,079

man a very interesting guy I thought

1320

00:57:53,559 --> 00:57:49,339

yeah you might know a little bit about

1321

00:57:56,470 --> 00:57:53,569

it but it's wim wim and then HOF wim HOF

1322

00:57:58,779 --> 00:57:56,480

Rize he's a Dutchman and I know the guy

1323

00:58:01,239 --> 00:57:58,789

yeah you know the guy okay okay yeah

1324

00:58:04,299 --> 00:58:01,249

yeah he's a pretty interesting guy and

1325

00:58:07,059 --> 00:58:04,309

really I think the court have one thing

1326

00:58:10,779 --> 00:58:07,069

that we can both agree on it's sort of a

1327

00:58:14,109 --> 00:58:10,789

take control of your own attitude your

1328

00:58:15,910 --> 00:58:14,119

own your own health understood that yeah

1329

00:58:18,640 --> 00:58:15,920

not everybody is in that position some

1330

00:58:20,289 --> 00:58:18,650

people do get plagued by things that are

1331

00:58:22,299 --> 00:58:20,299

outside their control and that sort of

1332

00:58:24,190 --> 00:58:22,309

thing happens but I think for most of us

1333

00:58:27,309 --> 00:58:24,200

so we've got a lot more control over

1334

00:58:29,979 --> 00:58:27,319

ourselves and over our thinking and our

1335

00:58:32,680 --> 00:58:29,989

attitude and our health then we really

1336

00:58:35,320 --> 00:58:32,690

they really give ourselves credit for

1337

00:58:36,820 --> 00:58:35,330

I'm going to tell you right now that

1338

00:58:39,190 --> 00:58:36,830

probably had never been to a medical

1339

00:58:42,790 --> 00:58:39,200

doctor aside from a dentist and an eye

1340

00:58:45,340 --> 00:58:42,800

doctor in my entire adult life and I I

1341

00:58:47,320 --> 00:58:45,350

plan on keeping it that way so even

1342

00:58:51,310 --> 00:58:47,330

though we disagreed on that quite a few

1343

00:58:53,830 --> 00:58:51,320

things that I think basically people

1344

00:58:55,960 --> 00:58:53,840

should come away with being skeptical of

1345

00:58:57,670 --> 00:58:55,970

everything and I agree about being

1346

00:59:00,220 --> 00:58:57,680

skeptical of the media you know

1347

00:59:02,890 --> 00:59:00,230

obviously it's a here in the States and

1348

00:59:04,960 --> 00:59:02,900

I would say that I'm not necessarily a

1349

00:59:07,720 --> 00:59:04,970

fan of the either of the major parties

1350

00:59:11,080 --> 00:59:07,730

but yeah there's no question that the

1351
00:59:12,100 --> 00:59:11,090
the spin goes the way of the Democrats

1352
00:59:15,700 --> 00:59:12,110
here in the States

1353
00:59:18,310 --> 00:59:15,710
I've got a graphic up right now of cases

1354
00:59:20,890 --> 00:59:18,320
or to me a desperate ten million in the

1355
00:59:23,320 --> 00:59:20,900
United States this date is a little bit

1356
00:59:25,300 --> 00:59:23,330
old but you can see at least the first

1357
00:59:28,810 --> 00:59:25,310
several states that that reached that

1358
00:59:32,800 --> 00:59:28,820
point were in fact governed by Democrats

1359
00:59:35,050 --> 00:59:32,810
and and I'll also give credit to the the

1360
00:59:37,240 --> 00:59:35,060
Democrat in Washington Governor Inslee

1361
00:59:38,980 --> 00:59:37,250
where the first outbreak took place he

1362
00:59:43,330 --> 00:59:38,990
did a pretty good job of keeping that

1363
00:59:45,100 --> 00:59:43,340

under grips and also in California the

1364

00:59:47,500 --> 00:59:45,110

most populous state in the country are

1365

00:59:50,110 --> 00:59:47,510

again governed by a Democrat he's done a

1366

00:59:52,930 --> 00:59:50,120

pretty good job there really

1367

00:59:55,600 --> 00:59:52,940

the catastrophe was in New York and the

1368

00:59:57,850 --> 00:59:55,610

fact that this this Governor Cuomo I

1369

00:59:59,890 --> 00:59:57,860

think is largely responsible for it and

1370

01:00:02,290 --> 00:59:59,900

the spread outward from New York City

1371

01:00:04,540 --> 01:00:02,300

and the fact that this guy is getting

1372

01:00:07,960 --> 01:00:04,550

hailed as a hero when he did literally

1373

01:00:11,590 --> 01:00:07,970

everything wrong everything wrong as far

1374

01:00:13,180 --> 01:00:11,600

as trying to manage this and the the

1375

01:00:15,670 --> 01:00:13,190

fact that this guy is getting praised as

1376

01:00:18,460 --> 01:00:15,680

a hero not surprisingly you know he's a

1377

01:00:21,370 --> 01:00:18,470

Democrat his brother hosts a show on CNN

1378

01:00:23,320 --> 01:00:21,380

and I don't know if you're familiar with

1379

01:00:25,900 --> 01:00:23,330

this but of course he's rather the the

1380

01:00:28,900 --> 01:00:25,910

brother Chris Cuomo is rather famously

1381

01:00:33,130 --> 01:00:28,910

tested positive and you know doing his

1382

01:00:35,860 --> 01:00:33,140

show from his basement you know in in in

1383

01:00:38,560 --> 01:00:35,870

quarantine yet over the weekend he was

1384

01:00:40,360 --> 01:00:38,570

spotted publicly outside his new

1385

01:00:43,180 --> 01:00:40,370

construction on his home out on Long

1386

01:00:46,000 --> 01:00:43,190

Island walking around you know no masks

1387

01:00:47,760 --> 01:00:46,010

with his wife with his kids with some

1388

01:00:51,299 --> 01:00:47,770

some other woman

1389

01:00:56,400 --> 01:00:51,309

surveying is the site of his new his new

1390

01:00:57,569 --> 01:00:56,410

abode you know is new to fraud and and

1391

01:01:00,420 --> 01:00:57,579

again that the same thing apparently

1392

01:01:02,640 --> 01:01:00,430

with with your guy Trudeau the the Prime

1393

01:01:04,980 --> 01:01:02,650

Minister up there yeah I going off to

1394

01:01:06,809 --> 01:01:04,990

his a vacation cottage on the weekend

1395

01:01:09,120 --> 01:01:06,819

everybody else has to stay locked in yet

1396

01:01:11,520 --> 01:01:09,130

he's doing that so you know yeah we have

1397

01:01:13,430 --> 01:01:11,530

this did this talentless little twerp

1398

01:01:16,530 --> 01:01:13,440

who never worked a real job in his life

1399

01:01:19,020 --> 01:01:16,540

never worked never accomplished anything

1400

01:01:22,349 --> 01:01:19,030

and he's on camera going enough is

1401

01:01:23,790 --> 01:01:22,359

enough now and then so everybody has to

1402

01:01:25,559 --> 01:01:23,800

stay home and then he goes off on

1403

01:01:28,849 --> 01:01:25,569

vacation to his cottage you know what

1404

01:01:33,299 --> 01:01:28,859

you eat son of a [h__h] you know it's

1405

01:01:35,250 --> 01:01:33,309

hypocrisy exactly exactly and so they're

1406

01:01:37,349 --> 01:01:35,260

not worried are they they're not worried

1407

01:01:39,630 --> 01:01:37,359

about all his wife supposedly have it

1408

01:01:40,980 --> 01:01:39,640

well she looks pretty healthy they're

1409

01:01:43,620 --> 01:01:40,990

all having fun they're up at the cottage

1410

01:01:46,200 --> 01:01:43,630

I thought you had coronavirus should she

1411

01:01:47,760 --> 01:01:46,210

be mingling with everybody should she be

1412

01:01:49,859 --> 01:01:47,770

mingling with the Prime Minister of

1413

01:01:52,410 --> 01:01:49,869

Canada what if he gets it all police

1414

01:01:54,180 --> 01:01:52,420

they don't take any precautions nothing

1415

01:01:55,980 --> 01:01:54,190

did he stand there in front of the

1416

01:01:57,900 --> 01:01:55,990

camera and tell everybody to lock

1417

01:01:59,280 --> 01:01:57,910

themselves in the bedroom they can't go

1418

01:02:00,960 --> 01:01:59,290

outside they can't go shopping they

1419

01:02:02,490 --> 01:02:00,970

can't go to the job they can't earn a

1420

01:02:03,510 --> 01:02:02,500

living the campaign the rent they can't

1421

01:02:06,150 --> 01:02:03,520

pay the mortgage they can't get

1422

01:02:08,579 --> 01:02:06,160

groceries but he can goes traveling

1423

01:02:10,380 --> 01:02:08,589

around on Easter weekend you know you

1424

01:02:13,170 --> 01:02:10,390

think these people think this is real

1425

01:02:15,210 --> 01:02:13,180

they know it's not real if they thought

1426

01:02:17,520 --> 01:02:15,220

it was real would they be behaving like

1427

01:02:19,740 --> 01:02:17,530

that and it's not just you know Cuomo

1428

01:02:22,230 --> 01:02:19,750

there in New York it's it's all of them

1429

01:02:24,450 --> 01:02:22,240

you know but you know every time you see

1430

01:02:26,819 --> 01:02:24,460

the cops arresting somebody and finding

1431

01:02:29,069 --> 01:02:26,829

him a thousand bucks for taking a walk

1432

01:02:32,039 --> 01:02:29,079

along a deserted beach are the cops

1433

01:02:34,849 --> 01:02:32,049

wearing masks all right do they have

1434

01:02:36,210 --> 01:02:34,859

rubber gloves on are they staying three

1435

01:02:39,240 --> 01:02:36,220

yards away

1436

01:02:41,549 --> 01:02:39,250

come on none of them are doing that you

1437

01:02:43,710 --> 01:02:41,559

know it's ridiculous the rest of us have

1438

01:02:46,530 --> 01:02:43,720

to be put down into lockdown the

1439

01:02:50,069 --> 01:02:46,540

equivalent of complete and total martial

1440

01:02:52,589 --> 01:02:50,079

law you know but not the cops and doctor

1441

01:02:54,089 --> 01:02:52,599

politicians and not the celebrities they

1442

01:02:55,980 --> 01:02:54,099

can all run around and do whatever the

1443

01:02:58,230 --> 01:02:55,990

hell they want and now I have to believe

1444

01:03:00,539 --> 01:02:58,240

it's all real I don't I don't believe

1445

01:03:02,320 --> 01:03:00,549

it's real that's all I'm saying Frank

1446

01:03:04,730 --> 01:03:02,330

you know I'm just

1447

01:03:06,500 --> 01:03:04,740

what is a pretty that is a pretty fair

1448

01:03:08,830 --> 01:03:06,510

point that towards your argument that no

1449

01:03:11,630 --> 01:03:08,840

doubt about that I won't argue with that

1450

01:03:16,250 --> 01:03:11,640

yeah they're you seeing a lot of

1451

01:03:18,080 --> 01:03:16,260

hypocrisy that regard and also I don't

1452

01:03:21,140 --> 01:03:18,090

know if you picked up on this but there

1453

01:03:24,620 --> 01:03:21,150

was quite the demonstration outside the

1454

01:03:27,530 --> 01:03:24,630

State Capitol in Lansing Michigan yeah

1455

01:03:29,720 --> 01:03:27,540

as far as that goes and you know people

1456

01:03:31,760 --> 01:03:29,730

people are ready to get back to it and I

1457

01:03:34,670 --> 01:03:31,770

think we will which is why we're not

1458

01:03:36,920 --> 01:03:34,680

another another good thing is the

1459

01:03:39,170 --> 01:03:36,930

economy was going really well you know

1460

01:03:40,880 --> 01:03:39,180

business my business was booming you

1461

01:03:44,030 --> 01:03:40,890

know in terms of the the company that I

1462

01:03:47,720 --> 01:03:44,040

work for I'm down now just like a lot of

1463

01:03:49,040 --> 01:03:47,730

other people but you know yeah I prepare

1464

01:03:51,200 --> 01:03:49,050

for this to me it's a you know a

1465

01:03:53,030 --> 01:03:51,210

subsidized vacation so I'm sure I'm not

1466

01:03:55,400 --> 01:03:53,040

personally concerned but yeah I am

1467

01:03:57,200 --> 01:03:55,410

concerned for other people sure and yeah

1468

01:03:58,490 --> 01:03:57,210

there's too many people probably who are

1469

01:04:01,250 --> 01:03:58,500

out there living paycheck to paycheck

1470

01:04:02,890 --> 01:04:01,260

and you know just expecting that there's

1471

01:04:05,810 --> 01:04:02,900

never gonna be a rainy day and

1472

01:04:08,630 --> 01:04:05,820

regardless of what you think is going on

1473

01:04:12,620 --> 01:04:08,640

today it's raining out there so yeah

1474

01:04:14,600 --> 01:04:12,630

let's rain it there so Stefan I really

1475

01:04:16,490 --> 01:04:14,610

appreciate it now I before you know

1476

01:04:18,200 --> 01:04:16,500

there's no go there's no time limit here

1477

01:04:23,150 --> 01:04:18,210

and you got anything you want to add

1478

01:04:26,630 --> 01:04:23,160

before we wrap up yeah look folks this

1479

01:04:30,200 --> 01:04:26,640

is serious this is it's not gonna get

1480

01:04:32,480 --> 01:04:30,210

better that we're like on the Titanic

1481

01:04:33,860 --> 01:04:32,490

and we've hit the iceberg and we're

1482

01:04:36,860 --> 01:04:33,870

taking on water

1483

01:04:39,650 --> 01:04:36,870

now we haven't sunk yet it doesn't mean

1484

01:04:43,610 --> 01:04:39,660

we won't because we've been delivered a

1485

01:04:45,500 --> 01:04:43,620

fatal blow to our economy I mean you

1486

01:04:47,240 --> 01:04:45,510

know shutting down the entire world for

1487

01:04:51,140 --> 01:04:47,250

three months there's been going on a lot

1488

01:04:54,110 --> 01:04:51,150

longer than people remember you know

1489

01:04:56,270 --> 01:04:54,120

already in the social distancing started

1490

01:04:58,310 --> 01:04:56,280

in January and now they keep saying

1491

01:05:00,740 --> 01:04:58,320

another month another month maybe 18

1492

01:05:03,080 --> 01:05:00,750

months maybe two years there's no sign

1493

01:05:05,480 --> 01:05:03,090

that the slightest hint that they're

1494

01:05:08,870 --> 01:05:05,490

gonna lighten up on this and this will

1495

01:05:11,450 --> 01:05:08,880

destroy our economy and we'll see a

1496

01:05:13,760 --> 01:05:11,460

collapse I believe we're going to see a

1497

01:05:15,110 --> 01:05:13,770

collapse with the dollar I gonna I

1498

01:05:16,400 --> 01:05:15,120

believe even

1499

01:05:18,560 --> 01:05:16,410

look at what's happening with the

1500

01:05:21,830 --> 01:05:18,570

farmers you know crops are rotting in

1501

01:05:23,810 --> 01:05:21,840

the fields are slaughtering yeah you

1502

01:05:25,430 --> 01:05:23,820

know they're flushing millions of

1503

01:05:27,380 --> 01:05:25,440

gallons of milk down the drain because

1504

01:05:29,870 --> 01:05:27,390

you know nobody's buying it you know

1505

01:05:33,020 --> 01:05:29,880

they're starting to choke the food

1506

01:05:35,570 --> 01:05:33,030

supply and my study of history when you

1507

01:05:37,460 --> 01:05:35,580

have the Bolsheviks in power and that's

1508

01:05:39,830 --> 01:05:37,470

who controls the Western society

1509

01:05:42,260 --> 01:05:39,840

it's the Bolsheviks it's the Communist

1510

01:05:45,100 --> 01:05:42,270

it's the Marxist it's the leftist they

1511

01:05:48,050 --> 01:05:45,110

are in charge and what they always do

1512

01:05:50,360 --> 01:05:48,060

everywhere they've taken over they did

1513

01:05:52,400 --> 01:05:50,370

it in Russia they did it in the Ukraine

1514

01:05:55,430 --> 01:05:52,410

they did it in Germany after World War

1515

01:05:59,330 --> 01:05:55,440

Two they did it in China their number

1516

01:06:02,300 --> 01:05:59,340

one favorite tactic is famine they

1517

01:06:05,090 --> 01:06:02,310

Institute an artificial famine they

1518

01:06:07,820 --> 01:06:05,100

starved people to death and once people

1519

01:06:10,520 --> 01:06:07,830

are too hungry to think too hungry to

1520

01:06:12,650 --> 01:06:10,530

organize too hungry to fight back that's

1521

01:06:14,930 --> 01:06:12,660

when they clamp down and that's where

1522

01:06:19,930 --> 01:06:14,940

we're going so I'm telling you people

1523

01:06:23,000 --> 01:06:19,940

this is this really is [h__h] hit the fan

1524

01:06:26,630 --> 01:06:23,010

we might have a couple of months as the

1525

01:06:28,670 --> 01:06:26,640

you know lower decks flood on the

1526

01:06:30,890 --> 01:06:28,680

Titanic and we're seeing that now the

1527

01:06:33,170 --> 01:06:30,900

lower flood decks are flooding you know

1528

01:06:35,510 --> 01:06:33,180

the waitresses and and the stewardesses

1529

01:06:38,210 --> 01:06:35,520

and in the chefs and the delivery people

1530

01:06:40,820 --> 01:06:38,220

they're all done okay their jobs are

1531

01:06:42,980 --> 01:06:40,830

gone not coming back so the lower decks

1532

01:06:46,100 --> 01:06:42,990

are flooding it eventually reach us and

1533

01:06:49,670 --> 01:06:46,110

the whole sink ship will sink we might

1534

01:06:52,640 --> 01:06:49,680

have a month two months stock up on food

1535

01:06:55,250 --> 01:06:52,650

they will starve us that's what they're

1536

01:06:56,660 --> 01:06:55,260

doing every indication you know they're

1537

01:06:58,160 --> 01:06:56,670

they're messing with the trucker's

1538

01:07:00,050 --> 01:06:58,170

they're messing with the farmers they're

1539

01:07:02,360 --> 01:07:00,060

messing with our abilities that you

1540

01:07:04,220 --> 01:07:02,370

can't even buy seeds to grow your own

1541

01:07:07,510 --> 01:07:04,230

garden anymore happening in Michigan

1542

01:07:11,420 --> 01:07:07,520

that's happening in Michigan that I'm

1543

01:07:14,600 --> 01:07:11,430

too because the garden store because the

1544

01:07:18,650 --> 01:07:14,610

garden store is closed I can't go to the

1545

01:07:20,420 --> 01:07:18,660

hardware store and yesterday we went to

1546

01:07:23,570 --> 01:07:20,430

get a case of beer on the way back so I

1547

01:07:25,520 --> 01:07:23,580

need to get some glue we went by the the

1548

01:07:27,860 --> 01:07:25,530

hardware store there's a guy standing

1549

01:07:28,400 --> 01:07:27,870

there in the parking lot he's waving at

1550

01:07:30,590 --> 01:07:28,410

us

1551

01:07:32,750 --> 01:07:30,600

my buddy says what the hell is going on

1552

01:07:36,020 --> 01:07:32,760

here so we pull up roll down the window

1553

01:07:39,230 --> 01:07:36,030

and the guy says we're closed you can

1554

01:07:41,600 --> 01:07:39,240

order online and two days later we'll

1555

01:07:41,930 --> 01:07:41,610

drop it out on the sidewalk in front of

1556

01:07:47,330 --> 01:07:41,940

you

1557

01:07:49,190 --> 01:07:47,340

same with the garden centers and the

1558

01:07:51,620 --> 01:07:49,200

hardware stores everything except the

1559

01:07:54,170 --> 01:07:51,630

grocery store and the liquor store is

1560

01:07:57,590 --> 01:07:54,180

closed so you can't even grow a garden

1561

01:07:59,660 --> 01:07:57,600

this summer and it's planting season now

1562

01:08:02,000 --> 01:07:59,670

you got to be out there planting you

1563

01:08:02,930 --> 01:08:02,010

know this month that's it and they've

1564

01:08:04,940 --> 01:08:02,940

closed it down

1565

01:08:07,160 --> 01:08:04,950

you think they aren't planning on

1566

01:08:11,240 --> 01:08:07,170

starving us out I have friends that

1567

01:08:12,880 --> 01:08:11,250

drive truck okay and already the the the

1568

01:08:17,000 --> 01:08:12,890

house or the truck drivers are getting

1569

01:08:20,330 --> 01:08:17,010

you know even when they pull up to drop

1570

01:08:22,670 --> 01:08:20,340

their load off at at a Walmart or Costco

1571

01:08:25,460 --> 01:08:22,680

or something like that there's already

1572

01:08:27,110 --> 01:08:25,470

people breaking into the back of the

1573

01:08:29,810 --> 01:08:27,120

truck and looting it before they've even

1574

01:08:31,910 --> 01:08:29,820

backed it up to the loading ramp they

1575

01:08:35,060 --> 01:08:31,920

parked the truck at a at a truck stop

1576
01:08:37,100 --> 01:08:35,070
they're getting looted and not only that

1577
01:08:39,350 --> 01:08:37,110
they're closing down all these places

1578
01:08:41,900 --> 01:08:39,360
where truckers can spend the night

1579
01:08:43,670 --> 01:08:41,910
there's nowhere for them to stop the

1580
01:08:45,890 --> 01:08:43,680
truck and sleep they're not you know

1581
01:08:48,500 --> 01:08:45,900
they're closing it down one by one the

1582
01:08:50,150 --> 01:08:48,510
truck stops are closing and they're not

1583
01:08:53,270 --> 01:08:50,160
allowed to use the bathrooms at the

1584
01:08:55,670 --> 01:08:53,280
truck stops you know this is the tens of

1585
01:08:58,790 --> 01:08:55,680
thousands of truck drivers that deliver

1586
01:09:01,910 --> 01:08:58,800
everything that we buy in a store and

1587
01:09:04,400 --> 01:09:01,920
they're messing with them so look this

1588
01:09:05,810 --> 01:09:04,410

is my prediction and and people have

1589

01:09:09,380 --> 01:09:05,820

been riding me and said oh you know

1590

01:09:11,000 --> 01:09:09,390

lately I've been inundated with emails

1591

01:09:14,300 --> 01:09:11,010

from people saying oh you were right you

1592

01:09:15,980 --> 01:09:14,310

were right you know it's not that I want

1593

01:09:17,900 --> 01:09:15,990

to be right about things it's just that

1594

01:09:20,600 --> 01:09:17,910

I do see the patterns in the history

1595

01:09:24,440 --> 01:09:20,610

I've read what happened in the past and

1596

01:09:27,530 --> 01:09:24,450

when I see go exactly ABC and in 1930

1597

01:09:30,260 --> 01:09:27,540

and now I see going ABC here it's it's

1598

01:09:32,660 --> 01:09:30,270

easy to predict it's not it's not some

1599

01:09:35,540 --> 01:09:32,670

you know psychic ability to see the

1600

01:09:38,210 --> 01:09:35,550

future it's the ability to see a similar

1601
01:09:39,870 --> 01:09:38,220
pattern play out and they're going to

1602
01:09:44,490 --> 01:09:39,880
starve us

1603
01:09:47,579 --> 01:09:44,500
so we have got to get so your listeners

1604
01:09:49,800 --> 01:09:47,589
I'm serious now you need at least six

1605
01:09:51,720 --> 01:09:49,810
months supply of food go out everyday

1606
01:09:53,700 --> 01:09:51,730
buy a little bit extra Luba Dexter I've

1607
01:09:55,649 --> 01:09:53,710
been doing this since January like I'm

1608
01:09:58,169 --> 01:09:55,659
okay Frank you know because in January

1609
01:10:01,560 --> 01:09:58,179
when they first started talking about

1610
01:10:03,570 --> 01:10:01,570
the rule had virus that perked up my

1611
01:10:06,240 --> 01:10:03,580
ears because I'll tell you why I know

1612
01:10:07,709 --> 01:10:06,250
they were going to do something and the

1613
01:10:10,100 --> 01:10:07,719

reason they're going to do something is

1614

01:10:14,910 --> 01:10:10,110

the good guys have been winning lately

1615

01:10:17,550 --> 01:10:14,920

we had brexit we had Trump we have more

1616

01:10:20,250 --> 01:10:17,560

people aware of the central bankers and

1617

01:10:22,169 --> 01:10:20,260

the evil that the the central bankers do

1618

01:10:24,959 --> 01:10:22,179

the Rothschilds and the Federal Reserve

1619

01:10:26,669 --> 01:10:24,969

more people are aware of that now than

1620

01:10:30,030 --> 01:10:26,679

have ever been aware of that in history

1621

01:10:32,070 --> 01:10:30,040

and you know we have the separatist

1622

01:10:35,040 --> 01:10:32,080

movements in the protest the Hong Kong

1623

01:10:38,729 --> 01:10:35,050

protests the the the Paris France

1624

01:10:40,919 --> 01:10:38,739

protests the brexit people are getting

1625

01:10:43,110 --> 01:10:40,929

sick of this totalitarian government

1626

01:10:45,540 --> 01:10:43,120

regime that we run under that's run by

1627

01:10:48,390 --> 01:10:45,550

the bankers and they're starting to act

1628

01:10:50,550 --> 01:10:48,400

up and I knew they are gonna shut us

1629

01:10:52,830 --> 01:10:50,560

down because this is the biggest threat

1630

01:10:55,500 --> 01:10:52,840

all these lunatics have ever faced

1631

01:10:58,140 --> 01:10:55,510

because before the internet before we've

1632

01:10:59,879 --> 01:10:58,150

all you know figured this out you

1633

01:11:01,919 --> 01:10:59,889

wouldn't find this information you can't

1634

01:11:03,689 --> 01:11:01,929

go to the library and and take out a

1635

01:11:05,790 --> 01:11:03,699

book that's gonna explain the Federal

1636

01:11:07,200 --> 01:11:05,800

Reserve to you you know those books

1637

01:11:09,030 --> 01:11:07,210

weren't stocked at the library you'd

1638

01:11:13,530 --> 01:11:09,040

have to go to a special you know

1639

01:11:14,970 --> 01:11:13,540

mail-order company yep you know and you

1640

01:11:16,919 --> 01:11:14,980

couldn't go to the library you couldn't

1641

01:11:18,810 --> 01:11:16,929

go to the book store to buy it you know

1642

01:11:21,810 --> 01:11:18,820

nobody knew about this stuff except a

1643

01:11:23,760 --> 01:11:21,820

very small group of people that were in

1644

01:11:27,419 --> 01:11:23,770

the you know conspiracy community at

1645

01:11:29,760 --> 01:11:27,429

that time now most people know about it

1646

01:11:32,160 --> 01:11:29,770

everybody knows about it so now they're

1647

01:11:33,750 --> 01:11:32,170

scared they've shut it down and now

1648

01:11:39,030 --> 01:11:33,760

they're really gonna clamp down like no

1649

01:11:41,689 --> 01:11:39,040

tomorrow and like I said famine is what

1650

01:11:44,220 --> 01:11:41,699

they have used traditionally in the past

1651
01:11:46,620 --> 01:11:44,230
and it's really easy all you have to do

1652
01:11:47,850 --> 01:11:46,630
is block off a couple of choke points

1653
01:11:50,090 --> 01:11:47,860
you know stop the truckers from

1654
01:11:53,310 --> 01:11:50,100
delivering groceries for a week and

1655
01:11:54,010 --> 01:11:53,320
guess what's going to happen there are

1656
01:11:56,740 --> 01:11:54,020
already

1657
01:11:59,380 --> 01:11:56,750
boarding up the windows right in New

1658
01:12:01,870 --> 01:11:59,390
York right there ready boarding up the

1659
01:12:03,490 --> 01:12:01,880
windows in France that everybody is

1660
01:12:05,920 --> 01:12:03,500
already boarding up the goddamn windows

1661
01:12:07,870 --> 01:12:05,930
why because they know people are gonna

1662
01:12:10,180 --> 01:12:07,880
be riding in the streets when the food

1663
01:12:11,680 --> 01:12:10,190

runs out they've already been moving in

1664

01:12:13,840 --> 01:12:11,690

the National Guard they're in the states

1665

01:12:16,270 --> 01:12:13,850

we've seen lots of videos of you know

1666

01:12:18,670 --> 01:12:16,280

the Humvees and the tanks and everything

1667

01:12:21,250 --> 01:12:18,680

rolling down the street they're in New

1668

01:12:24,100 --> 01:12:21,260

York they've done the same thing here in

1669

01:12:25,870 --> 01:12:24,110

Canada they've mobilized the army

1670

01:12:29,350 --> 01:12:25,880

they're all stationed in Camp Borden

1671

01:12:31,540 --> 01:12:29,360

just outside of Toronto to help with the

1672

01:12:33,370 --> 01:12:31,550

virus what I mean what's the army going

1673

01:12:35,680 --> 01:12:33,380

to do help with the are they going to

1674

01:12:38,440 --> 01:12:35,690

shoot the virus have we got snipers on

1675

01:12:40,030 --> 01:12:38,450

the roof ready to shoot the virus come

1676

01:12:42,580 --> 01:12:40,040

on what the hell is the army got to do

1677

01:12:44,620 --> 01:12:42,590

with the goddamn virus no the army is

1678

01:12:47,080 --> 01:12:44,630

here because they know another two weeks

1679

01:12:48,820 --> 01:12:47,090

another month the food will run out

1680

01:12:51,370 --> 01:12:48,830

they're already boarding up all the

1681

01:12:53,650 --> 01:12:51,380

windows they know people are gonna lose

1682

01:12:56,740 --> 01:12:53,660

it and they're gonna riot and start

1683

01:12:58,600 --> 01:12:56,750

breaking into every store and restaurant

1684

01:13:00,130 --> 01:12:58,610

they can looking for food or booze or

1685

01:13:02,590 --> 01:13:00,140

whatever they can get to hold on and

1686

01:13:04,720 --> 01:13:02,600

we've already got the National Guard and

1687

01:13:07,120 --> 01:13:04,730

the army here in Canada everybody's

1688

01:13:09,190 --> 01:13:07,130

ready to go so what what do you thinks

1689

01:13:12,280 --> 01:13:09,200

gonna happen folks get some food

1690

01:13:14,530 --> 01:13:12,290

together so when I heard about the Wu

1691

01:13:16,510 --> 01:13:14,540

hen I started buying extra food every

1692

01:13:18,670 --> 01:13:16,520

time I went to the store which was every

1693

01:13:20,110 --> 01:13:18,680

other day I put an extra ten bucks down

1694

01:13:23,050 --> 01:13:20,120

whatever it was on sale

1695

01:13:24,760 --> 01:13:23,060

you know canned corn five for five bucks

1696

01:13:27,940 --> 01:13:24,770

done I buy five four cans

1697

01:13:30,430 --> 01:13:27,950

you know spam on sale for three bucks a

1698

01:13:32,560 --> 01:13:30,440

can good you want that canned stuff just

1699

01:13:33,130 --> 01:13:32,570

in case things really [h__\h] really hits

1700

01:13:35,200 --> 01:13:33,140

the fan

1701

01:13:36,820 --> 01:13:35,210

and yeah you know the power grid goes

1702

01:13:38,800 --> 01:13:36,830

down because you're gonna have all this

1703

01:13:40,810 --> 01:13:38,810

frozen meat it's gonna go bad on you so

1704

01:13:43,480 --> 01:13:40,820

you're throwing that one so I got a lot

1705

01:13:46,510 --> 01:13:43,490

of canned food can't the gravy canned

1706

01:13:49,930 --> 01:13:46,520

mushrooms canned fruits can't vegetables

1707

01:13:54,400 --> 01:13:49,940

can't meatballs and then I got a lot of

1708

01:13:56,950 --> 01:13:54,410

staples a ton of pasta I got you know 30

1709

01:13:59,710 --> 01:13:56,960

pounds of rice I got you know 100

1710

01:14:03,800 --> 01:13:59,720

packets of cup of noodle

1711

01:14:06,770 --> 01:14:03,810

you know bouillon cubes you know so

1712

01:14:10,040 --> 01:14:06,780

over the pack ice ed I started January

1713

01:14:11,810 --> 01:14:10,050

1st when this came out I thought there

1714

01:14:13,880 --> 01:14:11,820

was gonna be something wrong I warned

1715

01:14:15,920 --> 01:14:13,890

all my friends and I said look I don't

1716

01:14:18,230 --> 01:14:15,930

like this I got a bad feeling about this

1717

01:14:20,360 --> 01:14:18,240

not that it's a real virus no I got a

1718

01:14:25,070 --> 01:14:20,370

bad feeling that they're gonna use this

1719

01:14:27,140 --> 01:14:25,080

as an excuse to shut us all down and I

1720

01:14:31,640 --> 01:14:27,150

told everybody start by an extra forget

1721

01:14:35,870 --> 01:14:31,650

you know start oiling your guns you're

1722

01:14:39,260 --> 01:14:35,880

allowed to have guns in Canada okay yeah

1723

01:14:42,470 --> 01:14:39,270

we have to keep them sealed in concrete

1724

01:14:43,700 --> 01:14:42,480

and once every five years the RCMP will

1725

01:14:45,980 --> 01:14:43,710

allow you to chip it out over the

1726

01:14:49,100 --> 01:14:45,990

concrete they'll hand you one shell and

1727

01:14:50,930 --> 01:14:49,110

while six armed officers point their

1728

01:15:00,590 --> 01:14:50,940

weapons at you you're allowed to take

1729

01:15:03,140 --> 01:15:00,600

one practice shot okay so you know I'm

1730

01:15:05,180 --> 01:15:03,150

ready for this for your listeners out

1731

01:15:07,490 --> 01:15:05,190

there and I've been in touch with people

1732

01:15:10,790 --> 01:15:07,500

all through the state's North Carolina

1733

01:15:13,370 --> 01:15:10,800

California Colorado already a lot of the

1734

01:15:16,220 --> 01:15:13,380

stores near them are running out of

1735

01:15:18,410 --> 01:15:16,230

stuff all right running out of the law

1736

01:15:21,470 --> 01:15:18,420

stuff now where I live it's a small town

1737

01:15:22,990 --> 01:15:21,480

we're outside the city our local grocery

1738

01:15:25,460 --> 01:15:23,000

store still has just about everything

1739

01:15:27,230 --> 01:15:25,470

yeah I've had that here too I mean

1740

01:15:29,780 --> 01:15:27,240

sometimes I haven't gotten exactly what

1741

01:15:32,210 --> 01:15:29,790

I wanted like I've been able to get you

1742

01:15:33,500 --> 01:15:32,220

know what I need you know not a problem

1743

01:15:36,290 --> 01:15:33,510

they are been able to eat I'm eating

1744

01:15:39,890 --> 01:15:36,300

just fine no worries there and yeah

1745

01:15:43,250 --> 01:15:39,900

before I let folks go I do want to tell

1746

01:15:45,530 --> 01:15:43,260

everybody a little story about why I've

1747

01:15:47,920 --> 01:15:45,540

been such a proponent on masks in terms

1748

01:15:49,850 --> 01:15:47,930

of you know keeping yourself healthy

1749

01:15:52,430 --> 01:15:49,860

regardless of what you think about this

1750

01:15:55,310 --> 01:15:52,440

particular virus just and just in terms

1751

01:15:57,170 --> 01:15:55,320

of protecting yourself protecting

1752

01:15:59,240 --> 01:15:57,180

yourself at all times and that is

1753

01:16:02,720 --> 01:15:59,250

basically yeah a little more than 20

1754

01:16:04,100 --> 01:16:02,730

years ago I had a job where what I did

1755

01:16:06,230 --> 01:16:04,110

during the first part of the day was

1756

01:16:08,510 --> 01:16:06,240

working the computers and during the

1757

01:16:12,530 --> 01:16:08,520

second part of the day was manage a

1758

01:16:14,780 --> 01:16:12,540

phone sales room where what I what I had

1759

01:16:16,610 --> 01:16:14,790

to do there was to basically go around

1760

01:16:19,520 --> 01:16:16,620

to everybody's phone

1761

01:16:21,290 --> 01:16:19,530

and get on their phone and basically I

1762

01:16:24,920 --> 01:16:21,300

confirmed the sale that they made so

1763

01:16:26,720 --> 01:16:24,930

that's what I did for the the evening

1764

01:16:28,880 --> 01:16:26,730

shift for hours and I did that for

1765

01:16:30,320 --> 01:16:28,890

several months until I shifted over to

1766

01:16:32,630 --> 01:16:30,330

doing the either the computer work

1767

01:16:34,400 --> 01:16:32,640

full-time but before I started you know

1768

01:16:36,320 --> 01:16:34,410

I was thinking I'm not even a germaphobe

1769

01:16:38,360 --> 01:16:36,330

but I was thinking to myself you know

1770

01:16:39,740 --> 01:16:38,370

maybe maybe I'm jumping around on

1771

01:16:41,960 --> 01:16:39,750

somebody do I have many different

1772

01:16:43,910 --> 01:16:41,970

people's phones it might be a good idea

1773

01:16:45,890 --> 01:16:43,920

to wear a mask but you know I didn't at

1774

01:16:47,990 --> 01:16:45,900

first but I'm telling you within the

1775

01:16:49,430 --> 01:16:48,000

first week I felt like a sore throat

1776

01:16:51,680 --> 01:16:49,440

something in the back of my throat

1777

01:16:54,350 --> 01:16:51,690

didn't get me sick but I'm telling you

1778

01:16:57,560 --> 01:16:54,360

okay yeah I'm I'm absolutely doing that

1779

01:16:59,480 --> 01:16:57,570

when you know I'm picking up a mask and

1780

01:17:02,090 --> 01:16:59,490

so long as I had that particular

1781

01:17:04,070 --> 01:17:02,100

position with the company I wore that

1782

01:17:06,950 --> 01:17:04,080

mask whenever I got on somebody's phone

1783

01:17:09,500 --> 01:17:06,960

and I never had a problem after that so

1784

01:17:12,230 --> 01:17:09,510

I would strongly recommend to everyone

1785

01:17:15,110 --> 01:17:12,240

to you know I get hold of those masks

1786

01:17:16,730 --> 01:17:15,120

protect yourself at all times again even

1787

01:17:19,340 --> 01:17:16,740

if you're skeptical about this

1788

01:17:21,380 --> 01:17:19,350

particular virus I'm not but even if you

1789

01:17:22,790 --> 01:17:21,390

are you know it's still you know be

1790

01:17:26,000 --> 01:17:22,800

prepared to protect yourself at all

1791

01:17:29,990 --> 01:17:26,010

times and you know especially if you're

1792

01:17:32,000 --> 01:17:30,000

in dodgy situations like mass transit

1793

01:17:33,800 --> 01:17:32,010

which was never properly addressed here

1794

01:17:35,810 --> 01:17:33,810

in this country and it's part of the

1795

01:17:38,750 --> 01:17:35,820

reason why things got so out of hand so

1796

01:17:40,790 --> 01:17:38,760

yeah again get those masks I strongly

1797

01:17:43,790 --> 01:17:40,800

recommend them I've been doing it long

1798

01:17:45,470 --> 01:17:43,800

before the CDC started doing it and I

1799

01:17:47,030 --> 01:17:45,480

think I'm a little bit ahead of the

1800

01:17:49,370 --> 01:17:47,040

curve on that that's really the bottom

1801

01:17:52,400 --> 01:17:49,380

line I think even though we disagreed

1802

01:17:53,690 --> 01:17:52,410

about that quite a lot step on that you

1803

01:17:57,200 --> 01:17:53,700

know protect yourself at all times

1804

01:17:59,330 --> 01:17:57,210

regardless of what the situation is you

1805

01:18:00,770 --> 01:17:59,340

can't rely on the government to protect

1806

01:18:03,440 --> 01:18:00,780

you because they're not going to do it

1807

01:18:05,600 --> 01:18:03,450

as a matter of fact they their shoddy

1808

01:18:08,210 --> 01:18:05,610

advice and their their shoddy management

1809

01:18:10,670 --> 01:18:08,220

of our institutions are going to get you

1810

01:18:13,250 --> 01:18:10,680

killed if you if you follow what they

1811

01:18:15,500 --> 01:18:13,260

say or what they were ignoring you know

1812

01:18:19,490 --> 01:18:15,510

or don't do what they say not to bother

1813

01:18:20,900 --> 01:18:19,500

with it you can't trust them any further

1814

01:18:23,690 --> 01:18:20,910

than you can throw them now there's no

1815

01:18:25,400 --> 01:18:23,700

doubt that yeah no I agree with you

1816

01:18:30,169 --> 01:18:25,410

Frank look take all the precautions I do

1817

01:18:33,529 --> 01:18:30,179

anyways so you know I stay away

1818

01:18:35,629 --> 01:18:33,539

from people I wash my hands I disinfect

1819

01:18:37,759 --> 01:18:35,639

the doorknobs when I come home i

1820

01:18:39,979 --> 01:18:37,769

disinfect you know I wash everything

1821

01:18:41,390 --> 01:18:39,989

before I even touch sit down to the

1822

01:18:44,229 --> 01:18:41,400

computer because I don't want to infect

1823

01:18:47,089 --> 01:18:44,239

my keyboard right right right

1824

01:18:51,199 --> 01:18:47,099

nothing wrong with that what I what I

1825

01:18:53,989 --> 01:18:51,209

object to is the panic and the the

1826

01:18:55,790 --> 01:18:53,999

overreach of the government's based on

1827

01:18:57,890 --> 01:18:55,800

this I mean it might be very well be

1828

01:19:00,109 --> 01:18:57,900

real I don't believe it's real but let's

1829

01:19:02,419 --> 01:19:00,119

let's err on the side of caution

1830

01:19:04,819 --> 01:19:02,429

absolutely let's do that let's wear

1831

01:19:06,919 --> 01:19:04,829

masks let's wash let's keep the social

1832

01:19:08,899 --> 01:19:06,929

distance let's do that but let's not

1833

01:19:11,509 --> 01:19:08,909

destroy Western civilization because I

1834

01:19:13,069 --> 01:19:11,519

yeah I I agree with that now hopefully

1835

01:19:16,160 --> 01:19:13,079

yeah you know where we are seeing some

1836

01:19:18,939 --> 01:19:16,170

hopeful signs they are at least in my

1837

01:19:23,390 --> 01:19:18,949

home state Pennsylvania talking about

1838

01:19:25,370 --> 01:19:23,400

you know gradually slowly getting back

1839

01:19:28,819 --> 01:19:25,380

to normal we'll see what that entails

1840

01:19:31,879 --> 01:19:28,829

and again if you look around the country

1841

01:19:33,739 --> 01:19:31,889

and some of the numbers even again if

1842

01:19:36,049 --> 01:19:33,749

you don't trust them entirely I think

1843

01:19:39,049 --> 01:19:36,059

they give you a pretty fair picture of

1844

01:19:42,709 --> 01:19:39,059

who's done reasonably well and who's not

1845

01:19:45,529 --> 01:19:42,719

doing well at all in terms of their

1846

01:19:48,560 --> 01:19:45,539

response to all this and you know you

1847

01:19:50,989 --> 01:19:48,570

just you can't really deny who some of

1848

01:19:52,790 --> 01:19:50,999

the worst performers are in terms of the

1849

01:19:54,910 --> 01:19:52,800

governors and their there been some good

1850

01:19:58,729 --> 01:19:54,920

performers out there who've taken

1851
01:20:00,890 --> 01:19:58,739
reasonably moderate steps like in Texas

1852
01:20:03,500 --> 01:20:00,900
which is a big state they've they've

1853
01:20:07,299 --> 01:20:03,510
done a pretty reasonable job the

1854
01:20:09,529 --> 01:20:07,309
governor in Florida very second most

1855
01:20:11,629 --> 01:20:09,539
popular third most populous state I

1856
01:20:13,969 --> 01:20:11,639
think third most populous state in the

1857
01:20:16,310 --> 01:20:13,979
country very populous state got a lot of

1858
01:20:18,469 --> 01:20:16,320
criticism from the mainstream in terms

1859
01:20:21,199 --> 01:20:18,479
of his actions but he kind of took his

1860
01:20:22,939 --> 01:20:21,209
time and they're not suffering anywhere

1861
01:20:25,549 --> 01:20:22,949
near some of the worst effects some

1862
01:20:27,350 --> 01:20:25,559
other states are so you know I protect

1863
01:20:29,479 --> 01:20:27,360

yourself at all times there are some

1864

01:20:31,489 --> 01:20:29,489

still some political realities if you

1865

01:20:34,910 --> 01:20:31,499

don't like the job that your governor

1866

01:20:37,459 --> 01:20:34,920

did in terms of protecting you in terms

1867

01:20:39,859 --> 01:20:37,469

of keeping things reasonable of not

1868

01:20:41,899 --> 01:20:39,869

overreaching in terms of their powers

1869

01:20:42,590 --> 01:20:41,909

when we see here in the state so you've

1870

01:20:44,810 --> 01:20:42,600

got

1871

01:20:47,030 --> 01:20:44,820

50 individual governors who do have

1872

01:20:49,910 --> 01:20:47,040

dictatorial power and in states of

1873

01:20:52,180 --> 01:20:49,920

emergency and some of it have used it

1874

01:20:55,910 --> 01:20:52,190

wisely and some of them have not and

1875

01:21:00,110 --> 01:20:55,920

again you you judge the bottom line and

1876

01:21:02,060 --> 01:21:00,120

again no no mention of wearing masks in

1877

01:21:04,070 --> 01:21:02,070

fact it was advised don't even bother

1878

01:21:06,970 --> 01:21:04,080

you know when when that was terrible

1879

01:21:09,020 --> 01:21:06,980

advice coming straight from the CDC just

1880

01:21:11,350 --> 01:21:09,030

some some of these guys they've got

1881

01:21:15,110 --> 01:21:11,360

blood on their hands people like fashion

1882

01:21:17,000 --> 01:21:15,120

people run the CDC people like Cuomo and

1883

01:21:17,510 --> 01:21:17,010

to a lesser extent the governor of New

1884

01:21:19,940 --> 01:21:17,520

Jersey

1885

01:21:21,770 --> 01:21:19,950

they've got blood on their hands in my

1886

01:21:25,400 --> 01:21:21,780

view there's no question about that

1887

01:21:26,200 --> 01:21:25,410

governor of Louisiana as well so that's

1888

01:21:28,850 --> 01:21:26,210

all I've got

1889

01:21:31,370 --> 01:21:28,860

again that Stefan that I thanks so much

1890

01:21:33,170 --> 01:21:31,380

for coming on it was a spirited at times

1891

01:21:35,630 --> 01:21:33,180

we're on the page on the same page I

1892

01:21:39,020 --> 01:21:35,640

think as far as as far as the as far as

1893

01:21:41,300 --> 01:21:39,030

the basics go you as an individual and

1894

01:21:43,580 --> 01:21:41,310

when I say you I mean just any anybody

1895

01:21:45,260 --> 01:21:43,590

who's who's listening right now you as

1896

01:21:47,570 --> 01:21:45,270

an individual you got to protect

1897

01:21:50,300 --> 01:21:47,580

yourself at all times because to be

1898

01:21:51,830 --> 01:21:50,310

honest with the the government yeah it

1899

01:21:53,360 --> 01:21:51,840

can be your friend in certain

1900

01:21:56,510 --> 01:21:53,370

circumstances it can be your worst enemy

1901

01:21:58,400 --> 01:21:56,520

- yeah and you know for the listeners

1902

01:22:03,110 --> 01:21:58,410

out there they should know that Frank

1903

01:22:04,640 --> 01:22:03,120

and I are best friends for a long good

1904

01:22:06,530 --> 01:22:04,650

shows these are the fun shows when

1905

01:22:08,510 --> 01:22:06,540

there's some back and forth and some I

1906

01:22:11,000 --> 01:22:08,520

mean no disrespect to Frank and I

1907

01:22:13,520 --> 01:22:11,010

respect your opinions and I don't mean

1908

01:22:15,590 --> 01:22:13,530

to be adversarial but nothing oh no no I

1909

01:22:17,390 --> 01:22:15,600

love it that's what we're here for we're

1910

01:22:20,570 --> 01:22:17,400

here to debate and here to disagree and

1911

01:22:25,070 --> 01:22:20,580

we can disagree without being

1912

01:22:27,290 --> 01:22:25,080

disagreeable about it and we and we

1913

01:22:30,020 --> 01:22:27,300

agree on a lot too so those that I'm not

1914

01:22:31,910 --> 01:22:30,030

married to my opinion you know like if

1915

01:22:33,770 --> 01:22:31,920

you disagree I'm happy with that

1916

01:22:35,990 --> 01:22:33,780

actually you know I'm not gonna get

1917

01:22:38,330 --> 01:22:36,000

angry for somebody that but you know

1918

01:22:41,720 --> 01:22:38,340

yeah I sometimes get a bit spirited but

1919

01:22:44,210 --> 01:22:41,730

ultimately both Frank and I care about

1920

01:22:46,370 --> 01:22:44,220

the people of this country and our

1921

01:22:48,710 --> 01:22:46,380

opinions are slightly different on some

1922

01:22:51,140 --> 01:22:48,720

things but ultimately what we're trying

1923

01:22:54,320 --> 01:22:51,150

to do is make sure people are safe and

1924

01:22:56,540 --> 01:22:54,330

sound I think Frank believes that the

1925

01:22:58,189 --> 01:22:56,550

virus is the greatest danger and

1926

01:23:00,410 --> 01:22:58,199

I believe the government is the greatest

1927

01:23:08,689 --> 01:23:00,420

danger that's more like yeah that's more

1928

01:23:11,560 --> 01:23:08,699

like 50/50 and I'm more I believe in

1929

01:23:14,839 --> 01:23:11,570

UFOs more than I believe in this virus

1930

01:23:18,100 --> 01:23:14,849

but so we have a good we have a good

1931

01:23:22,450 --> 01:23:18,110

back and forth let the listeners decide

1932

01:23:28,280 --> 01:23:22,460

which pieces of information they want to

1933

01:23:29,810 --> 01:23:28,290

excuse me which is which if it gets

1934

01:23:32,810 --> 01:23:29,820

people thinking that's fine you know

1935

01:23:34,490 --> 01:23:32,820

yeah yeah I mean be aware really react

1936

01:23:36,140 --> 01:23:34,500

that's something I got from my old

1937

01:23:38,689 --> 01:23:36,150

hockey playing days you got to read and

1938

01:23:41,810 --> 01:23:38,699

react every situation it's different

1939

01:23:43,729 --> 01:23:41,820

and whatever is coming at ya sometimes

1940

01:23:45,560 --> 01:23:43,739

it could be somebody is as good as Wayne

1941

01:23:47,720 --> 01:23:45,570

Gretzky sometimes it could be some scrub

1942

01:23:49,160 --> 01:23:47,730

well you know yeah yeah you play things

1943

01:23:51,319 --> 01:23:49,170

a little differently depending on who's

1944

01:23:53,359 --> 01:23:51,329

gone what's coming at ya you know we

1945

01:23:55,089 --> 01:23:53,369

didn't react and in order to be aware in

1946

01:24:00,260 --> 01:23:55,099

order to read and react you got to think

1947

01:24:07,280 --> 01:24:00,270

ya gotta be thinking but get a little

1948

01:24:09,260 --> 01:24:07,290

bit extra food folks step on now this is

1949

01:24:12,530 --> 01:24:09,270

actually a pretty long interview when I

1950

01:24:14,839 --> 01:24:12,540

do these we went an hour 20 sure do

1951

01:24:16,010 --> 01:24:14,849

appreciate your time I'm assuming a lot

1952

01:24:17,780 --> 01:24:16,020

of people are knocking on your door

1953

01:24:19,939 --> 01:24:17,790

right about now looking to talk to you

1954

01:24:22,010 --> 01:24:19,949

so I'm glad you were able to glad yeah

1955

01:24:24,080 --> 01:24:22,020

you were able to to squeeze us in on

1956

01:24:25,459 --> 01:24:24,090

fairly short notice and that it was a

1957

01:24:27,490 --> 01:24:25,469

lot it was a lot of fun I sure do

1958

01:24:30,260 --> 01:24:27,500

appreciate it so thanks again everybody

1959

01:24:31,160 --> 01:24:30,270

we're done for now and I'm sure we'll

1960

01:24:34,189 --> 01:24:31,170

have something else

1961

01:24:35,780 --> 01:24:34,199

probably more ufo-related that's what

1962

01:24:37,910 --> 01:24:35,790

we're here for it you know it's never a

1963

01:24:39,950 --> 01:24:37,920

bad idea to take folks minds off of the

1964

01:24:42,319 --> 01:24:39,960

terrible things that are going on in the

1965

01:24:44,689 --> 01:24:42,329

world that regardless of who's

1966

01:24:46,160 --> 01:24:44,699

ultimately responsible so thanks again

1967

01:24:48,140 --> 01:24:46,170

everybody you have a great night and

1968

01:24:50,330 --> 01:24:48,150

we'll be talking to you soon probably
