NAVY RELEASES UFO VIDEOS
TRUMP AND FOREIGN GOVERNMENTS REACT
WHERE IS THE AIR FORCE?
UNIDENTIFIED SEASON 2 PREVIEW

UFONN
SUNDAY

1
00:01:04,110 --> 00:00:17,780

[Music]

2
00:01:06,990 --> 00:01:04,120

and good afternoon from Philadelphia

3
00:01:09,900 --> 00:01:07,000

Frank here with another episode of UFO

4
00:01:12,720 --> 00:01:09,910

news network Sunday quarantine edition

5
00:01:15,420 --> 00:01:12,730

today on a Monday today a little bit of

6
00:01:18,719 --> 00:01:15,430

a unique show we're really taking social

7
00:01:20,520 --> 00:01:18,729

distancing seriously tearing some

8
00:01:23,460 --> 00:01:20,530

reports that perhaps the virus is

9
00:01:25,440 --> 00:01:23,470

transmissible through Skype so I'm not

10
00:01:29,130 --> 00:01:25,450

skyping with anyone today the show is

11
00:01:29,580 --> 00:01:29,140

just just me alone so that's a joke by

12
00:01:31,920 --> 00:01:29,590

the way

13
00:01:35,760 --> 00:01:31,930

but that very interesting that last week

14

00:01:38,070 --> 00:01:35,770

here we saw the UFO subject that popped

15

00:01:41,790 --> 00:01:38,080

back into the news a little bit kind of

16

00:01:45,090 --> 00:01:41,800

cutting its way through all the viral

17

00:01:47,070 --> 00:01:45,100

coverage the virus coverage and we saw

18

00:01:50,880 --> 00:01:47,080

that get that back into the news yeah I

19

00:01:53,130 --> 00:01:50,890

get some reaction again very good to see

20

00:01:55,889 --> 00:01:53,140

hopefully we're coming into a period

21

00:01:58,320 --> 00:01:55,899

where UFOs will be back in the news

22

00:02:01,109 --> 00:01:58,330

after a long period of dormancy and then

23

00:02:03,600 --> 00:02:01,119

of course forced outside the public

24

00:02:06,300 --> 00:02:03,610

consciousness pretty completely as a

25

00:02:11,960 --> 00:02:06,310

result of all the virus stuff so a week

26
00:02:14,520 --> 00:02:11,970
ago today the US Navy finally decided to

27
00:02:16,410 --> 00:02:14,530
formally release the fate of the three

28
00:02:18,630 --> 00:02:16,420
famous videos that have been floating

29
00:02:20,910 --> 00:02:18,640
around for a couple of years now the

30
00:02:23,610 --> 00:02:20,920
FLIR video associated with the Nimitz

31
00:02:26,789 --> 00:02:23,620
case and also the gimbal and go fast

32
00:02:29,070 --> 00:02:26,799
video associated with the 2015 Roosevelt

33
00:02:31,140 --> 00:02:29,080
case all three of those videos now

34
00:02:34,820 --> 00:02:31,150
available for download on the Navy

35
00:02:37,890 --> 00:02:34,830
website and this is what they had to say

36
00:02:39,479 --> 00:02:37,900
excuse me after a thorough review the

37
00:02:42,330 --> 00:02:39,489
Department has determined that the

38
00:02:44,550 --> 00:02:42,340

authorized release of these unclassified

39

00:02:46,830 --> 00:02:44,560

videos does not reveal any sensitive

40

00:02:49,620 --> 00:02:46,840

capabilities or systems and does not

41

00:02:52,680 --> 00:02:49,630

impinge on any subsequent investigations

42

00:02:55,080 --> 00:02:52,690

of military airspace incursions by an

43

00:02:58,170 --> 00:02:55,090

unidentified aerial phenomenon the

44

00:02:59,699 --> 00:02:58,180

Pentagon statement said DoD is releasing

45

00:03:02,580 --> 00:02:59,709

the videos in order to clear up any

46

00:03:04,319 --> 00:03:02,590

misconceptions by the public on whether

47

00:03:06,990 --> 00:03:04,329

or not the footage that has been

48

00:03:08,970 --> 00:03:07,000

circulating was real or whether or not

49

00:03:12,089 --> 00:03:08,980

there is more to the video

50

00:03:16,160 --> 00:03:12,099

the aerial phenomenon observed in the

51
00:03:18,510 --> 00:03:16,170
videos remain characterized as

52
00:03:22,110 --> 00:03:18,520
unidentified so there we are the Navy

53
00:03:25,229 --> 00:03:22,120
again the Navy taking the lead on this

54
00:03:27,960 --> 00:03:25,239
UFO stuff and a little bit of review

55
00:03:30,300 --> 00:03:27,970
let's go back and talk about some of the

56
00:03:33,750 --> 00:03:30,310
things the Navy has been involved with

57
00:03:36,210 --> 00:03:33,760
over the last couple of years of course

58
00:03:39,920 --> 00:03:36,220
they revised their rules to encourage

59
00:03:44,580 --> 00:03:39,930
pilots to report unusual sightings and

60
00:03:46,350 --> 00:03:44,590
this goes back to April of 2018 kind of

61
00:03:49,170 --> 00:03:46,360
had to zoom in a little bit there to

62
00:03:51,360 --> 00:03:49,180
read the date on that particular story

63
00:03:54,180 --> 00:03:51,370

so that was a little bit more than two

64

00:03:58,229 --> 00:03:54,190

years ago that they did that they have

65

00:04:00,720 --> 00:03:58,239

also briefed senators of members of the

66

00:04:03,930 --> 00:04:00,730

Armed Services Committee on different

67

00:04:06,360 --> 00:04:03,940

UFO sightings and that looks like that

68

00:04:07,860 --> 00:04:06,370

goes back to a June of last year when

69

00:04:09,479 --> 00:04:07,870

that was reported obviously the

70

00:04:11,280 --> 00:04:09,489

briefings took place a little bit before

71

00:04:13,349 --> 00:04:11,290

that so they've been involved in all

72

00:04:15,660 --> 00:04:13,359

that and then of course I'm more

73

00:04:17,490 --> 00:04:15,670

recently and we discussed this at length

74

00:04:20,550 --> 00:04:17,500

when we had cristiano Lambright on our

75

00:04:24,060 --> 00:04:20,560

show a couple of weeks back he had filed

76
00:04:28,890 --> 00:04:24,070
a sqb a four year request are related to

77
00:04:31,590 --> 00:04:28,900
a slide show related to UFOs that he

78
00:04:34,200 --> 00:04:31,600
became aware of and of course the

79
00:04:37,320 --> 00:04:34,210
response to that was top secret UFO

80
00:04:40,469 --> 00:04:37,330
FILES could cause grave damage to US

81
00:04:41,670 --> 00:04:40,479
national security if released Navy says

82
00:04:43,820 --> 00:04:41,680
and of course that happened just a

83
00:04:47,400 --> 00:04:43,830
little bit earlier this year obviously

84
00:04:50,820 --> 00:04:47,410
the the details were written up and a

85
00:04:53,040 --> 00:04:50,830
great detail over at Paul Dean's website

86
00:04:55,800 --> 00:04:53,050
he and that Christiane that put that

87
00:04:58,100 --> 00:04:55,810
article together and here of course so

88
00:05:02,130 --> 00:04:58,110

we've got the letter from the Navy

89

00:05:05,279 --> 00:05:02,140

basically to Christians explaining why

90

00:05:08,490 --> 00:05:05,289

his four-year request though was refused

91

00:05:10,500 --> 00:05:08,500

and here sort of the key paragraph our

92

00:05:13,020 --> 00:05:10,510

review of our records and systems

93

00:05:16,529 --> 00:05:13,030

revealed that oh and I has no releasable

94

00:05:18,480 --> 00:05:16,539

records relatable to your request when I

95

00:05:20,279 --> 00:05:18,490

searched our records for Responsive

96

00:05:22,350 --> 00:05:20,289

documents we have discovered certain

97

00:05:24,510 --> 00:05:22,360

briefing slides that are

98

00:05:28,439 --> 00:05:24,520

if I'd top-secret a view of these

99

00:05:30,149 --> 00:05:28,449

materials indicates that that are

100

00:05:32,279 --> 00:05:30,159

currently that seems a little bit of a

101
00:05:34,619 --> 00:05:32,289
typo there that are currently and

102
00:05:36,719 --> 00:05:34,629
appropriate appropriate marked and

103
00:05:38,790 --> 00:05:36,729
classified top-secret under executive

104
00:05:40,679 --> 00:05:38,800
order so on and so on

105
00:05:44,070 --> 00:05:40,689
in addition the materials with trigger

106
00:05:46,860 --> 00:05:44,080
protections under subcategory scientific

107
00:05:50,520 --> 00:05:46,870
and technological matters and so on and

108
00:05:52,830 --> 00:05:50,530
so forth as a result these records that

109
00:05:55,920 --> 00:05:52,840
may not be released and are being

110
00:05:58,980 --> 00:05:55,930
withheld and going back a little part

111
00:06:00,719 --> 00:05:58,990
that I missed the classification

112
00:06:03,119 --> 00:06:00,729
Authority has determined that the

113
00:06:05,159 --> 00:06:03,129

release of these materials would cause

114

00:06:07,200 --> 00:06:05,169

exceptionally grave damage to the

115

00:06:10,290 --> 00:06:07,210

national security of the United States

116

00:06:13,379 --> 00:06:10,300

of course the clear video that has been

117

00:06:15,719 --> 00:06:13,389

released it actually does provide some

118

00:06:18,769 --> 00:06:15,729

very interesting details that have been

119

00:06:22,679 --> 00:06:18,779

studied by Professor Kevin Knuth and

120

00:06:25,619 --> 00:06:22,689

he's from and also the the scientific

121

00:06:28,019 --> 00:06:25,629

Coalition for uip research rich Hoffman

122

00:06:29,249 --> 00:06:28,029

at AU they have been able to look at

123

00:06:30,920 --> 00:06:29,259

this video and that made some

124

00:06:33,240 --> 00:06:30,930

determinations in terms of the

125

00:06:35,189 --> 00:06:33,250

acceleration of the vehicle which is

126

00:06:37,379 --> 00:06:35,199

frankly off the charts compared to any

127

00:06:40,670 --> 00:06:37,389

known aircraft and also it's curious

128

00:06:43,769 --> 00:06:40,680

lack of heat signature which a would be

129

00:06:46,230 --> 00:06:43,779

would be evident in a FLIR video and

130

00:06:49,320 --> 00:06:46,240

that is not there so that professor

131

00:06:51,869 --> 00:06:49,330

Knuth finds that very interesting I was

132

00:06:56,969 --> 00:06:51,879

lucky enough to attend a zoom meeting

133

00:06:59,790 --> 00:06:56,979

that Professor Knuth hosted last Friday

134

00:07:02,670 --> 00:06:59,800

afternoon very interesting guests and of

135

00:07:04,679 --> 00:07:02,680

course he went into some detail it's a

136

00:07:06,029 --> 00:07:04,689

little bit outside my weight class in

137

00:07:08,249 --> 00:07:06,039

terms of what he said but my

138

00:07:11,429 --> 00:07:08,259

understanding is he is working to get

139

00:07:14,040 --> 00:07:11,439

that recorded zoom meeting uploaded and

140

00:07:17,279 --> 00:07:14,050

when he does I will post a link at my

141

00:07:19,589 --> 00:07:17,289

Facebook group so anyone listening now

142

00:07:22,019 --> 00:07:19,599

keep an eye open for that that joined

143

00:07:24,510 --> 00:07:22,029

the Facebook group UFO news network

144

00:07:27,149 --> 00:07:24,520

obviously that link will be there and

145

00:07:28,950 --> 00:07:27,159

when it is go over and click on it very

146

00:07:32,389 --> 00:07:28,960

interesting presentation from Professor

147

00:07:35,159 --> 00:07:32,399

Knuth also Kevin day and jason voorhees

148

00:07:35,970 --> 00:07:35,169

from the nimitz case we're able to

149

00:07:38,880 --> 00:07:35,980

provide some

150

00:07:41,550 --> 00:07:38,890

ground in terms of how that the video

151
00:07:44,220 --> 00:07:41,560
was initially recorded and some of the

152
00:07:46,410 --> 00:07:44,230
other data that was recorded by them as

153
00:07:48,510 --> 00:07:46,420
radar operators and of course I'm not

154
00:07:51,080 --> 00:07:48,520
too much detail we've had that here not

155
00:07:55,830 --> 00:07:51,090
too much detail on that Friday

156
00:07:59,010 --> 00:07:55,840
presentation but we do have some an

157
00:08:01,980 --> 00:07:59,020
account from PJ Hughes on earlier shows

158
00:08:05,010 --> 00:08:01,990
regarding the Nimitz case about how that

159
00:08:07,920 --> 00:08:05,020
some of that electronic recorded data

160
00:08:11,610 --> 00:08:07,930
that physical evidence of those UFOs was

161
00:08:14,550 --> 00:08:11,620
basically taken from the ship in a very

162
00:08:17,520 --> 00:08:14,560
prompt order by at least one member of

163
00:08:21,570 --> 00:08:17,530

the United States Air Force okay so that

164

00:08:24,810 --> 00:08:21,580

is all that and of course when this gets

165

00:08:26,790 --> 00:08:24,820

in the news it causes reporters around

166

00:08:29,610 --> 00:08:26,800

the world to ask their governments about

167

00:08:31,830 --> 00:08:29,620

what's going on with the UFOs and the

168

00:08:34,219 --> 00:08:31,840

defense minister of Japan was asked

169

00:08:37,380 --> 00:08:34,229

about that that later on in the week

170

00:08:39,240 --> 00:08:37,390

essentially this is taro kono

171

00:08:41,159 --> 00:08:39,250

essentially the defense minister would

172

00:08:41,790 --> 00:08:41,169

be like the secretary of defense here in

173

00:08:44,010 --> 00:08:41,800

the States

174

00:08:47,100 --> 00:08:44,020

kono made the comment at a news

175

00:08:50,040 --> 00:08:47,110

conference on April 28th after the US

176
00:08:51,000 --> 00:08:50,050
Defense Department Declassified that's

177
00:08:53,510 --> 00:08:51,010
not wrong where they were never

178
00:08:55,890 --> 00:08:53,520
classified after the US Department

179
00:08:58,170 --> 00:08:55,900
Defense Department Declassified and

180
00:09:00,030 --> 00:08:58,180
released videos shot by Navy pilots

181
00:09:01,920 --> 00:09:00,040
pointing to the possibility that UFOs

182
00:09:04,260 --> 00:09:01,930
exist we would like to establish

183
00:09:06,480 --> 00:09:04,270
procedures in the event an encounter is

184
00:09:10,200 --> 00:09:06,490
made with the UFO Connor said he

185
00:09:12,510 --> 00:09:10,210
indicated his ministry and the SDF would

186
00:09:14,850 --> 00:09:12,520
begin preparing for such an event while

187
00:09:17,820 --> 00:09:14,860
kono said the SDF has not yet

188
00:09:20,160 --> 00:09:17,830

encountered a UFO he added if video can

189

00:09:22,680 --> 00:09:20,170

be taken of a UFO encounter and if a

190

00:09:25,320 --> 00:09:22,690

report is possible then a report will be

191

00:09:28,650 --> 00:09:25,330

made discussions will be held with the

192

00:09:30,900 --> 00:09:28,660

Air SDF about just what can be done he

193

00:09:33,120 --> 00:09:30,910

said ministry officials will ask the

194

00:09:35,670 --> 00:09:33,130

Pentagon their Pentagon counterparts

195

00:09:38,370 --> 00:09:35,680

about the release of the videos as well

196

00:09:40,200 --> 00:09:38,380

as any analysis they had conducted so

197

00:09:42,600 --> 00:09:40,210

good luck with that we'll see if I had

198

00:09:45,300 --> 00:09:42,610

the United States decides to share with

199

00:09:47,189 --> 00:09:45,310

its good allied the Japanese

200

00:09:51,119 --> 00:09:47,199

the sort of information that Christian

201
00:09:53,460 --> 00:09:51,129
Lambright was for yeag when he sent his

202
00:09:56,280 --> 00:09:53,470
4-year quest in and was denied because

203
00:09:58,110 --> 00:09:56,290
of the grave danger to national security

204
00:10:03,769 --> 00:09:58,120
we'll see if other Japanese can get in

205
00:10:07,139 --> 00:10:03,779
on that loop so there's a that and also

206
00:10:09,749 --> 00:10:07,149
kono was of course not the only high

207
00:10:12,240 --> 00:10:09,759
government ranking official to be asked

208
00:10:15,689 --> 00:10:12,250
about the videos that were a formally

209
00:10:21,569 --> 00:10:15,699
released last week one other one was as

210
00:10:24,780 --> 00:10:21,579
well later on in the week our own

211
00:10:26,759 --> 00:10:24,790
President Donald Trump was asked during

212
00:10:29,670 --> 00:10:26,769
an interview with Reuters reporters

213
00:10:31,350 --> 00:10:29,680

steve holland about the videos towards

214

00:10:35,369 --> 00:10:31,360

the end obviously that's not in the

215

00:10:37,110 --> 00:10:35,379

headline the headline Trump says China

216

00:10:39,150 --> 00:10:37,120

wants him to lose his re-election bid

217

00:10:40,920 --> 00:10:39,160

I'm gonna touch on that a little bit

218

00:10:43,050 --> 00:10:40,930

more as we go along and after we get

219

00:10:44,490 --> 00:10:43,060

through this but at the end of the half

220

00:10:46,290 --> 00:10:44,500

hour interview Trump offered

221

00:10:49,019 --> 00:10:46,300

light-hearted remarks about a newly

222

00:10:51,869 --> 00:10:49,029

released navy video purportedly showing

223

00:10:53,970 --> 00:10:51,879

an unidentified flying object I just

224

00:10:56,879 --> 00:10:53,980

wonder if it's real that's a hell of a

225

00:10:58,769 --> 00:10:56,889

video so that was his response on that

226

00:11:00,780 --> 00:10:58,779

and of course he's been asked about it

227

00:11:02,040 --> 00:11:00,790

before on camera he's done a couple

228

00:11:03,629 --> 00:11:02,050

interviews on one with George

229

00:11:07,710 --> 00:11:03,639

Stephanopoulos and other with Tucker

230

00:11:09,929 --> 00:11:07,720

Carlson when he spoke with Carlson well

231

00:11:12,660 --> 00:11:09,939

I don't add this is the exact quote here

232

00:11:14,999 --> 00:11:12,670

so don't don't blame don't blame me for

233

00:11:16,410 --> 00:11:15,009

the lack of eloquence well I don't want

234

00:11:18,210 --> 00:11:16,420

to really get into it too much but

235

00:11:20,249 --> 00:11:18,220

personally I tend to doubt it I'm not a

236

00:11:22,530 --> 00:11:20,259

believer but you know I guess anything

237

00:11:24,449 --> 00:11:22,540

is possible and pilots have come in and

238

00:11:27,660 --> 00:11:24,459

they said and these are pilots that have

239

00:11:29,790 --> 00:11:27,670

not pilots that are into that particular

240

00:11:31,679 --> 00:11:29,800

world but we have had people saying

241

00:11:34,290 --> 00:11:31,689

things that they've seen things so I

242

00:11:37,980 --> 00:11:34,300

don't assume it's correct but I have an

243

00:11:40,439 --> 00:11:37,990

open mind Tucker and then also the quote

244

00:11:42,720 --> 00:11:40,449

from Stephanopoulos I think it's

245

00:11:44,910 --> 00:11:42,730

probably I want them to think whatever

246

00:11:47,220 --> 00:11:44,920

they think they do say and I've seen

247

00:11:49,170 --> 00:11:47,230

that I've read and I've heard and I did

248

00:11:51,269 --> 00:11:49,180

have one very brief meeting on it but

249

00:11:53,790 --> 00:11:51,279

people are saying they're seeing UFOs do

250

00:11:56,519 --> 00:11:53,800

I believe it not particular Trump said

251
00:11:58,439 --> 00:11:56,529
that was the the more in eloquent quote

252
00:11:58,780 --> 00:11:58,449
I was talking about there but I asked if

253
00:12:04,660 --> 00:11:58,790
he

254
00:12:06,670 --> 00:12:04,670
replied well I think my great pilots

255
00:12:09,040 --> 00:12:06,680
would now our great pilots would know

256
00:12:11,980 --> 00:12:09,050
and this is a kind of curious again

257
00:12:14,110 --> 00:12:11,990
Trump seems to be the kind of guy we've

258
00:12:16,450 --> 00:12:14,120
discussed this on the show in some

259
00:12:19,270 --> 00:12:16,460
detail that the Trump is the kind of guy

260
00:12:20,890 --> 00:12:19,280
who really likes you know the the

261
00:12:23,500 --> 00:12:20,900
different conspiracies and everyone's

262
00:12:26,560 --> 00:12:23,510
conspiring against him the deep state

263
00:12:29,170 --> 00:12:26,570

all these conspiracies yet the one deep

264

00:12:32,380 --> 00:12:29,180

state conspiracy that we think is I

265

00:12:34,450 --> 00:12:32,390

think certainly has been demonstrated as

266

00:12:39,580 --> 00:12:34,460

more information comes out about UFOs

267

00:12:41,950 --> 00:12:39,590

that there there has been a cover-up of

268

00:12:45,940 --> 00:12:41,960

the UFO reality that the some of these

269

00:12:47,380 --> 00:12:45,950

UFOs are in fact et and it was up I'm

270

00:12:51,100 --> 00:12:47,390

not the first person who's noticed that

271

00:12:54,010 --> 00:12:51,110

and Tom Rogan who is the host of the

272

00:12:56,790 --> 00:12:54,020

McLaughlin group and also is a columnist

273

00:12:59,560 --> 00:12:56,800

for the Washington Examiner has been

274

00:13:01,840 --> 00:12:59,570

following this UFO story very very

275

00:13:04,360 --> 00:13:01,850

closely I mean he's the top guy on it I

276

00:13:07,420 --> 00:13:04,370

would say as far as the mainstream media

277

00:13:10,300 --> 00:13:07,430

his sense of this issue was pretty solid

278

00:13:12,160 --> 00:13:10,310

in my view of course tom was a guest on

279

00:13:14,770 --> 00:13:12,170

the show as well so go back and listen

280

00:13:16,810 --> 00:13:14,780

to that we did have some serious sound

281

00:13:18,790 --> 00:13:16,820

issues unfortunately during that

282

00:13:22,090 --> 00:13:18,800

interview but it's well worth your time

283

00:13:25,180 --> 00:13:22,100

to try to get a better grip on what tom

284

00:13:28,090 --> 00:13:25,190

was saying but after this he wrote into

285

00:13:30,070 --> 00:13:28,100

the Washington Examiner a final point to

286

00:13:32,170 --> 00:13:30,080

note here is that on this issue at least

287

00:13:34,450 --> 00:13:32,180

Trump is being very loyal to the

288

00:13:36,940 --> 00:13:34,460

interests of the so-called deep state he

289

00:13:39,100 --> 00:13:36,950
often attacks after all while the

290

00:13:40,900 --> 00:13:39,110
military has some legitimate reasons

291

00:13:43,630 --> 00:13:40,910
primarily related to nuclear weapons

292

00:13:46,570 --> 00:13:43,640
detection security for keeping UFO

293

00:13:48,460 --> 00:13:46,580
research quiet it could provide more

294

00:13:50,470 --> 00:13:48,470
information to the public without

295

00:13:52,750 --> 00:13:50,480
jeopardizing national security

296

00:13:54,910 --> 00:13:52,760
Trump presents himself as a man of the

297

00:13:57,250 --> 00:13:54,920
people but on this issue is very much

298

00:13:59,460 --> 00:13:57,260
following in the secretive tradition of

299

00:14:02,650 --> 00:13:59,470
former presidents of course that is true

300

00:14:05,290 --> 00:14:02,660
but you have to ask yourself why and

301
00:14:06,700 --> 00:14:05,300
honestly I think the answer to this is

302
00:14:09,940 --> 00:14:06,710
pretty simple

303
00:14:11,300 --> 00:14:09,950
and that is this that Trump simply

304
00:14:14,810 --> 00:14:11,310
doesn't care

305
00:14:16,310 --> 00:14:14,820
about UFOs I I think that's a looking at

306
00:14:19,040 --> 00:14:16,320
his answers they've been pretty

307
00:14:23,690 --> 00:14:19,050
consistent he doesn't he just doesn't

308
00:14:25,040 --> 00:14:23,700
care about UFOs so that's what we've got

309
00:14:28,010 --> 00:14:25,050
I mean that's what we're dealing with we

310
00:14:31,070 --> 00:14:28,020
were dealing with a disinterested

311
00:14:33,680 --> 00:14:31,080
president and you know obviously right

312
00:14:36,230 --> 00:14:33,690
now we're looking at either Trump being

313
00:14:39,530 --> 00:14:36,240

reelected or Biden being reelected or

314

00:14:41,930 --> 00:14:39,540

being elected in the fall and those are

315

00:14:44,930 --> 00:14:41,940

our choices and we don't know what Biden

316

00:14:47,180 --> 00:14:44,940

thinks about all this demon steer from

317

00:14:48,950 --> 00:14:47,190

the Conway Daily Sun that never had

318

00:14:51,620 --> 00:14:48,960

access to him so I wasn't able to ask

319

00:14:54,590 --> 00:14:51,630

his UFO question like he was - a lot of

320

00:14:56,750 --> 00:14:54,600

the other Democrat candidates for their

321

00:15:01,100 --> 00:14:56,760

nomination so we don't really know what

322

00:15:04,070 --> 00:15:01,110

he thinks so the best that we've got a

323

00:15:06,500 --> 00:15:04,080

disinterest disinterested president for

324

00:15:09,050 --> 00:15:06,510

the next four years I think that's about

325

00:15:13,160 --> 00:15:09,060

what we're looking at here and what kind

326

00:15:15,019 --> 00:15:13,170

of impact will that have well it's not

327

00:15:17,870 --> 00:15:15,029

helpful it would be helpful I think to

328

00:15:20,510 --> 00:15:17,880

have a interested President on this

329

00:15:22,220 --> 00:15:20,520

particular issue but will just something

330

00:15:24,050 --> 00:15:22,230

that we just have to work around but

331

00:15:26,240 --> 00:15:24,060

yeah I think this is simply a case of

332

00:15:28,730 --> 00:15:26,250

people who are interested in UFOs are

333

00:15:30,440 --> 00:15:28,740

interested sometimes it's a politician

334

00:15:34,220 --> 00:15:30,450

sometimes it's the president or as we

335

00:15:36,200 --> 00:15:34,230

saw with Reagan with Clinton going back

336

00:15:38,690 --> 00:15:36,210

to the Truman days we do have very

337

00:15:40,340 --> 00:15:38,700

interested presidents and sometimes we

338

00:15:41,780 --> 00:15:40,350

don't sometimes they just don't care

339

00:15:43,579 --> 00:15:41,790

that much about the issue

340

00:15:45,920 --> 00:15:43,589

same thing with scientists there are

341

00:15:48,500 --> 00:15:45,930

some very interest in scientists most

342

00:15:50,720 --> 00:15:48,510

are not with the military there are

343

00:15:52,700 --> 00:15:50,730

disinterested military people and there

344

00:15:54,980 --> 00:15:52,710

are very interested military people and

345

00:15:56,720 --> 00:15:54,990

it's the same with the general public it

346

00:16:00,110 --> 00:15:56,730

is the kind of subject where it either

347

00:16:02,030 --> 00:16:00,120

grabs you or it doesn't and if it grabs

348

00:16:04,220 --> 00:16:02,040

you obviously it's the kind of field

349

00:16:06,680 --> 00:16:04,230

where you can jump right in and that

350

00:16:09,920 --> 00:16:06,690

make some kind of contribution and if it

351

00:16:11,510 --> 00:16:09,930

isn't well then you know you're not

352

00:16:13,400 --> 00:16:11,520

you're not really going to get anything

353

00:16:15,199 --> 00:16:13,410

out of that particular person and it

354

00:16:18,140 --> 00:16:15,209

looks like we could be looking at

355

00:16:20,570 --> 00:16:18,150

another four years of a disinterested

356

00:16:23,750 --> 00:16:20,580

president and I will see what kind of

357

00:16:24,620 --> 00:16:23,760

effect that has on any kind of further

358

00:16:29,900 --> 00:16:24,630

information

359

00:16:34,999 --> 00:16:29,910

being disseminated about UFOs over the

360

00:16:38,090 --> 00:16:35,009

next few years now getting on to our

361

00:16:41,600 --> 00:16:38,100

next issue is where is the Air Force in

362

00:16:43,460 --> 00:16:41,610

all this they literally have been silent

363

00:16:45,860 --> 00:16:43,470

on the issue it's been the Navy taking

364

00:16:48,460 --> 00:16:45,870

the lead and you have to ask yourself

365

00:16:51,650 --> 00:16:48,470

why that is they've got literally

366

00:16:54,710 --> 00:16:51,660

everything at their disposal they have

367

00:16:57,680 --> 00:16:54,720

the National Airspace Intelligence

368

00:16:59,840 --> 00:16:57,690

Center they've got the wright-patterson

369

00:17:02,930 --> 00:16:59,850

Air Force Base in the air Materiel

370

00:17:05,510 --> 00:17:02,940

Command they have the defense early

371

00:17:08,419 --> 00:17:05,520

warning line a series of radar

372

00:17:11,240 --> 00:17:08,429

installations all up along the Arctic

373

00:17:13,789 --> 00:17:11,250

Circle and they also have the former

374

00:17:17,600 --> 00:17:13,799

NORAD which is now web since been

375

00:17:21,789 --> 00:17:17,610

rebranded back in the 80s to the North

376

00:17:24,860 --> 00:17:21,799

American Aerospace Defense Command so

377

00:17:27,409 --> 00:17:24,870

rebranding constantly rebranding so

378

00:17:29,779 --> 00:17:27,419

they've got all this gear on that also

379

00:17:34,130 --> 00:17:29,789

there is some anecdotal evidence that

380

00:17:36,710 --> 00:17:34,140

the best ufo-related data that is

381

00:17:39,260 --> 00:17:36,720

collected even by other branches ends up

382

00:17:41,120 --> 00:17:39,270

in the Air Force's hand so the question

383

00:17:43,070 --> 00:17:41,130

obviously is where is the Air Force on

384

00:17:45,620 --> 00:17:43,080

all this and I think again that we've

385

00:17:48,980 --> 00:17:45,630

got a very simple answer that the Air

386

00:17:52,159 --> 00:17:48,990

Force has the motherlode they've got the

387

00:17:55,039 --> 00:17:52,169

radar data they've got the the gun

388

00:17:57,500 --> 00:17:55,049

camera footage FLIR footage in there

389

00:18:00,140 --> 00:17:57,510

different dead jets they've got stacks

390

00:18:02,180 --> 00:18:00,150

of it the they've literally got

391

00:18:04,580 --> 00:18:02,190

everything and if they were to come

392

00:18:07,490 --> 00:18:04,590

forward like the Navy has and release

393

00:18:11,480 --> 00:18:07,500

even a small amount of what they've got

394

00:18:13,970 --> 00:18:11,490

it would be game over as far as UFOs are

395

00:18:16,640 --> 00:18:13,980

concerned this is something that

396

00:18:20,029 --> 00:18:16,650

obviously we'd like to see nobody's

397

00:18:22,010 --> 00:18:20,039

really asking the Air Force are really

398

00:18:24,140 --> 00:18:22,020

hard questions about all this as far as

399

00:18:26,659 --> 00:18:24,150

I know there are those may have been

400

00:18:29,990 --> 00:18:26,669

this and that sprinkle here and there

401
00:18:32,510 --> 00:18:30,000
but again they are remaining at

402
00:18:34,970 --> 00:18:32,520
remarkably silent all on all this and

403
00:18:36,090 --> 00:18:34,980
again I think the the reasoning is

404
00:18:38,310 --> 00:18:36,100
simple you

405
00:18:40,890 --> 00:18:38,320
seen the big hubbub again that just

406
00:18:43,049 --> 00:18:40,900
caused by what the Navy has released so

407
00:18:46,020 --> 00:18:43,059
when you add in what the Air Force has

408
00:18:49,200 --> 00:18:46,030
got again the motherlode in terms of

409
00:18:51,779 --> 00:18:49,210
real hard core data in terms of what

410
00:18:54,090 --> 00:18:51,789
these UFOs can do that they are objects

411
00:18:55,890 --> 00:18:54,100
that that they can accelerate well

412
00:18:59,190 --> 00:18:55,900
beyond anything that we've got here on

413
00:19:00,270 --> 00:18:59,200

earth if they were to do that again it

414

00:19:03,180 --> 00:19:00,280

would be game over

415

00:19:05,400 --> 00:19:03,190

and also again now when it comes to

416

00:19:07,890 --> 00:19:05,410

asking let's say the President of the

417

00:19:09,419 --> 00:19:07,900

United States trumpet it's like hey

418

00:19:11,130 --> 00:19:09,429

you're getting all this data from the

419

00:19:12,690 --> 00:19:11,140

Navy yeah what about the Air Force and

420

00:19:13,470 --> 00:19:12,700

all this they've got to have something

421

00:19:15,510 --> 00:19:13,480

don't they

422

00:19:18,899 --> 00:19:15,520

again those questions aren't getting

423

00:19:21,270 --> 00:19:18,909

asked unfortunately but yeah again we

424

00:19:22,980 --> 00:19:21,280

don't have an answer but my wild

425

00:19:25,289 --> 00:19:22,990

speculation and I don't think it's wild

426

00:19:27,600 --> 00:19:25,299

speculation at all is the reasoning for

427

00:19:33,659 --> 00:19:27,610

all that is the Air Force has the

428

00:19:37,110 --> 00:19:33,669

motherlode and topic for we've got

429

00:19:38,760 --> 00:19:37,120

season two of unidentified that now if

430

00:19:41,940 --> 00:19:38,770

you've been wondering what T TSA has

431

00:19:44,490 --> 00:19:41,950

been up to obviously they've got the

432

00:19:46,890 --> 00:19:44,500

season two coming out and this season

433

00:19:49,799 --> 00:19:46,900

that promises 10 episodes at least

434

00:19:52,200 --> 00:19:49,809

according to this the Cox media website

435

00:19:54,600 --> 00:19:52,210

we haven't seen a lot of initial promo

436

00:19:56,010 --> 00:19:54,610

they've been quiet on their end but the

437

00:19:59,310 --> 00:19:56,020

you know the time does have to be

438

00:20:01,169 --> 00:19:59,320

blocked out and scheduled on the ane or

439

00:20:04,470 --> 00:20:01,179

the History Channel which is owned by

440

00:20:05,850 --> 00:20:04,480

A&E on the History Channel and I'm

441

00:20:08,370 --> 00:20:05,860

assuming it's going to be on again

442

00:20:09,960 --> 00:20:08,380

Friday nights at 10:00 we don't know

443

00:20:11,669 --> 00:20:09,970

that for sure but I'm assuming that's

444

00:20:14,100 --> 00:20:11,679

when it's going to be and this time

445

00:20:15,990 --> 00:20:14,110

around they've got ten episodes so just

446

00:20:17,970 --> 00:20:16,000

sort of looking back at season one which

447

00:20:20,279 --> 00:20:17,980

was only six episodes I thought it was

448

00:20:23,130 --> 00:20:20,289

an excellent show I thought all but one

449

00:20:24,480 --> 00:20:23,140

episode the one where they did their the

450

00:20:26,909 --> 00:20:24,490

little road trip to Catalina Island

451
00:20:29,370 --> 00:20:26,919
didn't really add that much it was

452
00:20:31,470 --> 00:20:29,380
something that that really any UFO show

453
00:20:34,409 --> 00:20:31,480
could have done and that didn't really

454
00:20:37,980 --> 00:20:34,419
add anything significant but the first

455
00:20:40,320 --> 00:20:37,990
couple episodes provided some new

456
00:20:42,620 --> 00:20:40,330
interesting stuff we saw the lady pilot

457
00:20:46,150 --> 00:20:42,630
from the Nimitz Encounters in shadows

458
00:20:48,370 --> 00:20:46,160
recounting her encounter with the UFO we

459
00:20:51,730 --> 00:20:48,380
got the Navy pilots from the Roosevelt

460
00:20:55,150 --> 00:20:51,740
Kasich wine and graves discussing their

461
00:20:57,820 --> 00:20:55,160
encounter we got an interesting a

462
00:20:58,360 --> 00:20:57,830
segment basically slapping down rich

463
00:21:00,760 --> 00:20:58,370

Dodi

464

00:21:03,640 --> 00:21:00,770

which was very interesting and then in

465

00:21:06,340 --> 00:21:03,650

the last episode we got confirmation

466

00:21:09,610 --> 00:21:06,350

that there is essentially an inside team

467

00:21:13,390 --> 00:21:09,620

still working with Elizondo over at ETS

468

00:21:17,530 --> 00:21:13,400

a that was an interesting confirmation

469

00:21:18,640 --> 00:21:17,540

again we've been suspecting that that

470

00:21:21,160 --> 00:21:18,650

there are still people on the inside

471

00:21:23,080 --> 00:21:21,170

working it'll be very interesting to see

472

00:21:26,680 --> 00:21:23,090

if some of our more skilled Fourier

473

00:21:29,170 --> 00:21:26,690

requesters make some effort to try to

474

00:21:33,010 --> 00:21:29,180

find out who actually approved the

475

00:21:34,660 --> 00:21:33,020

release of the Navy videos last week it

476
00:21:37,900 --> 00:21:34,670
would be interesting to see if perhaps

477
00:21:41,050 --> 00:21:37,910
that is a member of the inside team we

478
00:21:44,170 --> 00:21:41,060
don't know who they are but obviously a

479
00:21:46,510 --> 00:21:44,180
pretty confident and pretty sure that

480
00:21:49,150 --> 00:21:46,520
there is such a thing there's really

481
00:21:51,750 --> 00:21:49,160
very little doubt about that so we'll

482
00:21:54,790 --> 00:21:51,760
see now early word that I've received

483
00:21:56,560 --> 00:21:54,800
back-channel and again we won't know for

484
00:21:58,480 --> 00:21:56,570
sure the proof is in the pudding but the

485
00:22:00,850 --> 00:21:58,490
shows are going to be released is that

486
00:22:04,000 --> 00:22:00,860
there will be more cases discussed it's

487
00:22:08,290 --> 00:22:04,010
certainly about time up to this point we

488
00:22:10,900 --> 00:22:08,300

only know of a couple of cases and also

489

00:22:13,300 --> 00:22:10,910

some indication that the Stephenville

490

00:22:16,240 --> 00:22:13,310

case was at least investigated back in

491

00:22:18,280 --> 00:22:16,250

2008 I got that directly from George

492

00:22:20,740 --> 00:22:18,290

Knapp during an AMA over at

493

00:22:21,910 --> 00:22:20,750

coast-to-coast some time ago I don't

494

00:22:24,340 --> 00:22:21,920

even think was last year I think was

495

00:22:26,170 --> 00:22:24,350

before last year but there so we sort of

496

00:22:27,880 --> 00:22:26,180

know about two and a half cases are

497

00:22:30,820 --> 00:22:27,890

there some other cases apparently there

498

00:22:33,160 --> 00:22:30,830

are and hopefully we get those in the

499

00:22:36,430 --> 00:22:33,170

new show one thing I'm hoping they kind

500

00:22:39,370 --> 00:22:36,440

of back away from although who knows

501
00:22:42,490 --> 00:22:39,380
what we're gonna see is more of the fear

502
00:22:44,110 --> 00:22:42,500
porn angle but hopefully we do get to

503
00:22:46,510 --> 00:22:44,120
see some more good episodes I don't

504
00:22:48,670 --> 00:22:46,520
expect them all to be great winners but

505
00:22:51,160 --> 00:22:48,680
they had a five out of six batting

506
00:22:53,260 --> 00:22:51,170
average with the last season and if they

507
00:22:55,720 --> 00:22:53,270
do close to that this time around and

508
00:22:56,920 --> 00:22:55,730
reveal some more cases you know that's

509
00:22:59,200 --> 00:22:56,930
the kind of thing that we want

510
00:23:00,850 --> 00:22:59,210
see so that's coming up in May another

511
00:23:03,250 --> 00:23:00,860
thing to look for if you recall what

512
00:23:06,490 --> 00:23:03,260
happened just before the show again a

513
00:23:08,470 --> 00:23:06,500

lot not a lot of a initial promotion for

514

00:23:11,800 --> 00:23:08,480

the show but what did come out was that

515

00:23:14,830 --> 00:23:11,810

New York Times article where Blumenthal

516

00:23:17,080 --> 00:23:14,840

Cooper and Leslie Kean were able to

517

00:23:19,180 --> 00:23:17,090

interview graves in a coin that

518

00:23:21,730 --> 00:23:19,190

seemingly they didn't know anything

519

00:23:24,730 --> 00:23:21,740

about the TTS a show but I think there's

520

00:23:27,520 --> 00:23:24,740

no question that that was part of the

521

00:23:30,540 --> 00:23:27,530

promo for that so maybe we'll see

522

00:23:34,450 --> 00:23:30,550

another New York Times or some other

523

00:23:37,180 --> 00:23:34,460

high-profile media outlet coming out

524

00:23:39,100 --> 00:23:37,190

with some information about the UFOs may

525

00:23:41,530 --> 00:23:39,110

be another case hopefully that is the

526
00:23:44,740 --> 00:23:41,540
case but again we don't know that but

527
00:23:46,570 --> 00:23:44,750
keep your eyes open on Sundays up until

528
00:23:49,360 --> 00:23:46,580
the point where the show premieres we

529
00:23:52,570 --> 00:23:49,370
may get a little bit of a promotional

530
00:23:55,500 --> 00:23:52,580
non promotion from the TTS a-team they

531
00:23:57,970 --> 00:23:55,510
get another story in a mainstream

532
00:23:59,860 --> 00:23:57,980
publication that gives us a little bit

533
00:24:01,450 --> 00:23:59,870
more information about the UFOs and

534
00:24:03,370 --> 00:24:01,460
again I can't stress this enough

535
00:24:06,160 --> 00:24:03,380
hopefully they start veering away from

536
00:24:07,570 --> 00:24:06,170
the fear porn angle because they're the

537
00:24:09,130 --> 00:24:07,580
only thing we have to fear is fear

538
00:24:13,630 --> 00:24:09,140

itself we don't have anything to fear

539

00:24:15,820 --> 00:24:13,640

from UFOs and now finally I'm going to

540

00:24:18,310 --> 00:24:15,830

touch on a little bit of a coronavirus

541

00:24:20,380 --> 00:24:18,320

news it's a sort of off topic for us but

542

00:24:22,300 --> 00:24:20,390

I'm gonna tie it back into the UFO stuff

543

00:24:24,190 --> 00:24:22,310

so if you'd be a little bit patient and

544

00:24:26,200 --> 00:24:24,200

again now the stuff that I've got on the

545

00:24:28,810 --> 00:24:26,210

virus is something that you don't really

546

00:24:30,400 --> 00:24:28,820

see you haven't really seen that too

547

00:24:33,850 --> 00:24:30,410

much other than in the mainstream media

548

00:24:36,160 --> 00:24:33,860

now this of course a very interesting

549

00:24:38,260 --> 00:24:36,170

going back to late January this is

550

00:24:40,240 --> 00:24:38,270

something that I missed initially but I

551

00:24:43,120 --> 00:24:40,250

was able to get the link for this

552

00:24:47,100 --> 00:24:43,130

obviously you know these are mainstream

553

00:24:50,980 --> 00:24:47,110

this is all mainstream information so

554

00:24:52,750 --> 00:24:50,990

you know we're not relying on a wild

555

00:24:54,480 --> 00:24:52,760

conspiracy theorists or people who are

556

00:24:56,650 --> 00:24:54,490

just shooting from the hip they've got

557

00:24:59,410 --> 00:24:56,660

this is this is data

558

00:25:01,720 --> 00:24:59,420

this is solid information public

559

00:25:04,060 --> 00:25:01,730

transport in Wuhan was suspended due to

560

00:25:07,090 --> 00:25:04,070

coronavirus concerns back in late

561

00:25:09,430 --> 00:25:07,100

January and I think this is very

562

00:25:12,280 --> 00:25:09,440

important because what we've seen really

563

00:25:14,470 --> 00:25:12,290

every state in the United States there

564

00:25:16,960 --> 00:25:14,480

has never been an adequate addressing of

565

00:25:19,990 --> 00:25:16,970

public transport especially in the early

566

00:25:22,330 --> 00:25:20,000

stages of this viral outbreak what we

567

00:25:24,340 --> 00:25:22,340

should have seen really is shutting down

568

00:25:27,100 --> 00:25:24,350

that public transport for a week maybe

569

00:25:30,430 --> 00:25:27,110

10 days just to sort of get our feet in

570

00:25:32,830 --> 00:25:30,440

terms of the mask-wearing and protecting

571

00:25:37,330 --> 00:25:32,840

yourself in situations where this social

572

00:25:39,010 --> 00:25:37,340

distancing has not been is not possible

573

00:25:42,040 --> 00:25:39,020

I mean you can't social distance on a

574

00:25:44,890 --> 00:25:42,050

crowded bus or subway now or even on a

575

00:25:46,390 --> 00:25:44,900

plane and it's to me it's quite

576

00:25:49,390 --> 00:25:46,400

ridiculous what we're seeing

577

00:25:52,410 --> 00:25:49,400

unfortunately is a complete breakdown a

578

00:25:54,910 --> 00:25:52,420

complete breakdown in terms of

579

00:25:58,090 --> 00:25:54,920

government competence in terms of

580

00:26:02,380 --> 00:25:58,100

handling issues we've got basically a

581

00:26:04,270 --> 00:26:02,390

federal and 50 state shitshow and what

582

00:26:06,610 --> 00:26:04,280

we should have seen is obviously on

583

00:26:08,860 --> 00:26:06,620

March the 4th when it became obvious

584

00:26:11,560 --> 00:26:08,870

that there was an outbreak in the New

585

00:26:13,810 --> 00:26:11,570

York metro area in New Rochelle that's

586

00:26:15,970 --> 00:26:13,820

when we should have seen some action my

587

00:26:19,060 --> 00:26:15,980

biggest criticism of a president Trump

588

00:26:21,640 --> 00:26:19,070

was he waited another week believe was

589

00:26:23,680 --> 00:26:21,650

about a week after that before shutting

590

00:26:25,780 --> 00:26:23,690

down travel to Europe and something he

591

00:26:29,440 --> 00:26:25,790

should have done really on March 4th he

592

00:26:31,840 --> 00:26:29,450

did do it on that January 31st to China

593

00:26:34,630 --> 00:26:31,850

but again allowed that back door to be

594

00:26:37,270 --> 00:26:34,640

open for way too long he should have

595

00:26:39,160 --> 00:26:37,280

shut down the travel to Europe much

596

00:26:40,960 --> 00:26:39,170

sooner and that was his air

597

00:26:43,060 --> 00:26:40,970

but then that we've seen those errors

598

00:26:45,430 --> 00:26:43,070

compounded especially in New York and

599

00:26:48,820 --> 00:26:45,440

New Jersey by governor's Cuomo and

600

00:26:51,130 --> 00:26:48,830

Murphy simply not addressing mass

601
00:26:54,490 --> 00:26:51,140
transit not advising people to wear

602
00:26:56,530 --> 00:26:54,500
masks and it is a national outrage I can

603
00:26:58,630 --> 00:26:56,540
assure you that if those things were

604
00:27:00,700 --> 00:26:58,640
done that at that early stage we would

605
00:27:05,770 --> 00:27:00,710
be looking at a much different problem

606
00:27:07,960 --> 00:27:05,780
now also this paper from Professor

607
00:27:10,660 --> 00:27:07,970
Jeffrey Harris from the Department of

608
00:27:13,300 --> 00:27:10,670
Education received me add the Department

609
00:27:14,020 --> 00:27:13,310
of Economics Massachusetts Institute of

610
00:27:16,590 --> 00:27:14,030
Technology

611
00:27:21,550 --> 00:27:16,600
The Subways seated the massive corona

612
00:27:23,860 --> 00:27:21,560
virus epidemic in New York the abstract

613
00:27:26,320 --> 00:27:23,870

York City's multi-pronged subway system

614

00:27:28,860 --> 00:27:26,330

was a major disseminator if not the

615

00:27:31,270 --> 00:27:28,870

principal transmission vehicle of

616

00:27:33,640 --> 00:27:31,280

coronavirus infection during the initial

617

00:27:35,080 --> 00:27:33,650

takeoff of the massive epidemic that

618

00:27:37,990 --> 00:27:35,090

became evident throughout the city

619

00:27:40,470 --> 00:27:38,000

during march 2020 the near shut off of a

620

00:27:43,180 --> 00:27:40,480

Subway ridership in Manhattan down by

621

00:27:45,730 --> 00:27:43,190

90% of the end of March correlates

622

00:27:47,950 --> 00:27:45,740

strongly with the substantial increase

623

00:27:50,590 --> 00:27:47,960

in the doubling time of new cases in

624

00:27:54,480 --> 00:27:50,600

this borough obviously it's a 20-plus

625

00:27:57,490 --> 00:27:54,490

page report where he backs up basically

626
00:28:01,660 --> 00:27:57,500
everything's got with his conclusions

627
00:28:03,490 --> 00:28:01,670
his abstract with data I advise all of

628
00:28:05,950 --> 00:28:03,500
you to take a quick look at that I'll

629
00:28:09,730 --> 00:28:05,960
post the link to it and yeah take a

630
00:28:11,320 --> 00:28:09,740
quick look again the the the messaging

631
00:28:13,660 --> 00:28:11,330
that was being done early in this which

632
00:28:15,520 --> 00:28:13,670
was basically social distance social

633
00:28:18,700 --> 00:28:15,530
distance social distance but what do you

634
00:28:20,290 --> 00:28:18,710
do if you've got to ride a subway where

635
00:28:22,180 --> 00:28:20,300
that sort of thing is impossible if

636
00:28:24,010 --> 00:28:22,190
you've got to ride a bus where that sort

637
00:28:28,540 --> 00:28:24,020
of thing is impossible hold your breath

638
00:28:30,760 --> 00:28:28,550

there was no advice and let's see we're

639

00:28:33,940 --> 00:28:30,770

a little bit out of order here and again

640

00:28:36,520 --> 00:28:33,950

let me criticize the Center for Centers

641

00:28:38,800 --> 00:28:36,530

for Disease Control and Prevention with

642

00:28:41,470 --> 00:28:38,810

their 11 point 1 billion dollar annual

643

00:28:43,840 --> 00:28:41,480

budget and the National Institute of

644

00:28:47,140 --> 00:28:43,850

Health which is the the ultimately the

645

00:28:51,460 --> 00:28:47,150

organization that Anthony foul she works

646

00:28:55,300 --> 00:28:51,470

for 39 billion dollars a year and it

647

00:28:58,090 --> 00:28:55,310

took the Center for Disease Control with

648

00:29:00,460 --> 00:28:58,100

their 11 billion dollar budget until

649

00:29:02,860 --> 00:29:00,470

early April to determine that it would

650

00:29:05,740 --> 00:29:02,870

be a good idea to wear masks and some

651
00:29:07,960 --> 00:29:05,750
circumstances and again it's getting at

652
00:29:09,760 --> 00:29:07,970
it's ridiculous because what we're

653
00:29:11,470 --> 00:29:09,770
seeing is we're seeing 50 state

654
00:29:13,780 --> 00:29:11,480
governors who have no idea what they're

655
00:29:16,330 --> 00:29:13,790
doing in some states are you required to

656
00:29:19,000 --> 00:29:16,340
wear masks outdoors which is silly I'm

657
00:29:21,820 --> 00:29:19,010
gonna get to another study just shortly

658
00:29:26,050 --> 00:29:21,830
where the the transmission in the

659
00:29:28,300 --> 00:29:26,060
out-of-doors is minuscule and but it's

660
00:29:30,670 --> 00:29:28,310
still being required now obviously if

661
00:29:32,260 --> 00:29:30,680
you're indoors if you're around a bunch

662
00:29:33,590 --> 00:29:32,270
of people and maybe even outdoors if

663
00:29:35,750 --> 00:29:33,600

you're around

664

00:29:38,659 --> 00:29:35,760

of a group of people you would want to

665

00:29:42,049 --> 00:29:38,669

wear a mask but by and large if you're

666

00:29:44,600 --> 00:29:42,059

outside you're very very safe and again

667

00:29:46,430 --> 00:29:44,610

let's see getting at to this particular

668

00:29:50,570 --> 00:29:46,440

paper now this does come directly from

669

00:29:51,680 --> 00:29:50,580

China so obviously I don't think this

670

00:29:53,720 --> 00:29:51,690

should be taken with a grain of salt

671

00:29:56,200 --> 00:29:53,730

though because what their findings are I

672

00:29:58,460 --> 00:29:56,210

think are a sort of common sense it just

673

00:30:01,010 --> 00:29:58,470

confirms that they've done some study to

674

00:30:03,919 --> 00:30:01,020

confirm common sense but this particular

675

00:30:07,070 --> 00:30:03,929

paper from Chinese scientists among the

676
00:30:09,230 --> 00:30:07,080
identified outbreaks 53.8 involved three

677
00:30:10,760 --> 00:30:09,240
cases so on and so forth

678
00:30:15,080 --> 00:30:10,770
let's see home outbreaks were the

679
00:30:17,480 --> 00:30:15,090
dominant category 254 of 318 outbreaks

680
00:30:20,930 --> 00:30:17,490
so well yeah if you're at home and

681
00:30:22,760 --> 00:30:20,940
nobody in the household has the virus

682
00:30:24,830 --> 00:30:22,770
yeah yeah obviously that's about the

683
00:30:27,260 --> 00:30:24,840
safest place you can be but conversely

684
00:30:29,480 --> 00:30:27,270
if somebody in the household does have

685
00:30:31,490 --> 00:30:29,490
the virus chances are pretty good that

686
00:30:34,730 --> 00:30:31,500
you're going to get it and then secondly

687
00:30:36,649 --> 00:30:34,740
followed by transport no doubt in my

688
00:30:39,529 --> 00:30:36,659

mind what they're talking about is mass

689

00:30:42,230 --> 00:30:39,539

transport there and the as far as that

690

00:30:45,500 --> 00:30:42,240

catching the virus externally outside of

691

00:30:47,450 --> 00:30:45,510

your home that is the the biggest the

692

00:30:48,980 --> 00:30:47,460

biggest factor in terms of getting it

693

00:30:51,740 --> 00:30:48,990

that's where the biggest spread is

694

00:30:53,480 --> 00:30:51,750

taking place and also I all identify

695

00:30:56,390 --> 00:30:53,490

outbreaks of three or more cases

696

00:30:58,279 --> 00:30:56,400

occurred in an indoor environment all of

697

00:31:01,789 --> 00:30:58,289

them all of them which confirms that

698

00:31:05,480 --> 00:31:01,799

sharing indoor space is a major SARS CoV

699

00:31:07,430 --> 00:31:05,490

to infection risk we are jumping up back

700

00:31:10,039 --> 00:31:07,440

to hand I'm jumping ahead of myself we

701
00:31:12,140 --> 00:31:10,049
identified only a single outbreak in an

702
00:31:13,549 --> 00:31:12,150
indoor environment which involved or in

703
00:31:15,380 --> 00:31:13,559
an outdoor environment I'm sorry

704
00:31:17,779 --> 00:31:15,390
identified only a single outbreak in an

705
00:31:21,260 --> 00:31:17,789
outdoor environment which involved two

706
00:31:23,000 --> 00:31:21,270
cases and we don't know exactly what

707
00:31:25,610 --> 00:31:23,010
those two cases involved but day hey

708
00:31:27,830 --> 00:31:25,620
maybe it was just somebody a couple of

709
00:31:31,159 --> 00:31:27,840
sharing a romantic moment outdoors and

710
00:31:33,770 --> 00:31:31,169
that would most unquestionably as spread

711
00:31:36,289 --> 00:31:33,780
the virus so that's where that is and

712
00:31:38,000 --> 00:31:36,299
again now what we're seeing from the 50

713
00:31:40,190 --> 00:31:38,010

states and from the federal government

714

00:31:42,799 --> 00:31:40,200

is a lot of floundering a lot of excuse

715

00:31:46,130 --> 00:31:42,809

making a lot of finger-pointing and that

716

00:31:47,060 --> 00:31:46,140

gets me to tide things back to the UFO

717

00:31:48,649 --> 00:31:47,070

issue

718

00:31:51,139 --> 00:31:48,659

cuz what a lot of people are claiming

719

00:31:53,180 --> 00:31:51,149

him a lot of conspiracy theorists or

720

00:31:56,029 --> 00:31:53,190

claiming is this was planned this was

721

00:31:58,220 --> 00:31:56,039

the planned emic well from what I'm

722

00:32:00,200 --> 00:31:58,230

seeing is I'm not seeing any sort of

723

00:32:01,970 --> 00:32:00,210

plan at all what I'm seeing is a bunch

724

00:32:04,100 --> 00:32:01,980

of fat cat bureaucrats who've been

725

00:32:06,830 --> 00:32:04,110

stealing money for years who only care

726
00:32:09,769 --> 00:32:06,840
about their funding and their status and

727
00:32:11,419 --> 00:32:09,779
their power but when the rubber hits the

728
00:32:11,899 --> 00:32:11,429
road when they actually have to do

729
00:32:14,210 --> 00:32:11,909
something

730
00:32:16,610 --> 00:32:14,220
they are horribly unprepared they have

731
00:32:19,899 --> 00:32:16,620
no idea what they're doing so the idea

732
00:32:23,149 --> 00:32:19,909
that this is a carefully planned

733
00:32:24,950 --> 00:32:23,159
outbreak because you know taking our

734
00:32:27,470 --> 00:32:24,960
rights away or whatever the case may be

735
00:32:30,139 --> 00:32:27,480
no no it's a that's absolutely not the

736
00:32:33,590 --> 00:32:30,149
case because the people who run things

737
00:32:35,210 --> 00:32:33,600
and this the realization of this I've

738
00:32:37,310 --> 00:32:35,220

always been a cynical person I've never

739

00:32:39,980 --> 00:32:37,320

always questioning Authority never

740

00:32:42,980 --> 00:32:39,990

trusted Authority but now more than ever

741

00:32:44,450 --> 00:32:42,990

I can see this plain as day you

742

00:32:44,930 --> 00:32:44,460

shouldn't you should always question

743

00:32:49,399 --> 00:32:44,940

authority

744

00:32:52,159 --> 00:32:49,409

one particular reason and that is they

745

00:32:55,279 --> 00:32:52,169

are woefully incompetent what we've seen

746

00:32:57,649 --> 00:32:55,289

again is a federal and 50 state [h__h]

747

00:33:01,149 --> 00:32:57,659

show of incompetence it's an I'm

748

00:33:04,460 --> 00:33:01,159

personally embarrassed to be an American

749

00:33:07,789 --> 00:33:04,470

over this what we've seen again a bunch

750

00:33:09,440 --> 00:33:07,799

of bureaucrats who have no clue what

751
00:33:11,779 --> 00:33:09,450
they're doing and now of course they're

752
00:33:13,340 --> 00:33:11,789
running out this testing canard oh that

753
00:33:15,830 --> 00:33:13,350
makes them look of it what we're testing

754
00:33:19,580 --> 00:33:15,840
and the tests have to go to the lab and

755
00:33:21,740 --> 00:33:19,590
but think about it this way at the

756
00:33:23,840 --> 00:33:21,750
beginning of this ground let's say 45

757
00:33:25,369 --> 00:33:23,850
days ago I don't have the virus I'm

758
00:33:27,590 --> 00:33:25,379
confident that I don't have the virus

759
00:33:31,399 --> 00:33:27,600
but let's say that I tested every day

760
00:33:33,080 --> 00:33:31,409
for 45 days and then tomorrow I go out

761
00:33:34,789 --> 00:33:33,090
and I get the virus so what good were

762
00:33:36,379 --> 00:33:34,799
all those 45 tests they weren't any good

763
00:33:39,139 --> 00:33:36,389

at all so this sort of thing about

764

00:33:40,700 --> 00:33:39,149

testing yeah sure if somebody in a house

765

00:33:42,169 --> 00:33:40,710

definitely has the virus you would

766

00:33:43,899 --> 00:33:42,179

definitely want to test everybody else

767

00:33:46,490 --> 00:33:43,909

in the house but this kind of widespread

768

00:33:48,619 --> 00:33:46,500

testing for this and that it's just a

769

00:33:51,289 --> 00:33:48,629

canard it's just an excuse to sort of

770

00:33:53,210 --> 00:33:51,299

make them look competent and intelligent

771

00:33:55,850 --> 00:33:53,220

when the fact is that they're not all

772

00:34:00,500 --> 00:33:55,860

they are money stealing bureaucrats

773

00:34:02,119 --> 00:34:00,510

and and again the facts are all on the

774

00:34:05,210 --> 00:34:02,129

record you can look at them yourself and

775

00:34:08,000 --> 00:34:05,220

that is my conclusion now tying this all

776

00:34:10,129 --> 00:34:08,010

back to the UFO stuff okay you're

777

00:34:11,389 --> 00:34:10,139

talking about this gigantic bureaucracy

778

00:34:16,059 --> 00:34:11,399

you're talking about

779

00:34:22,790 --> 00:34:20,059

what I see here is again the the very

780

00:34:24,770 --> 00:34:22,800

strong likelihood of complete and

781

00:34:26,990 --> 00:34:24,780

competence on the part of the people who

782

00:34:30,399 --> 00:34:27,000

were sort of running this UFO cover-up

783

00:34:33,919 --> 00:34:30,409

maybe trying to reverse-engineer

784

00:34:36,980 --> 00:34:33,929

technology from a civilization who knows

785

00:34:39,649 --> 00:34:36,990

how far in advance of our own and this

786

00:34:41,599 --> 00:34:39,659

this points back to an article by my old

787

00:34:44,240 --> 00:34:41,609

friend Tony Berg Galia he wrote this

788

00:34:46,010 --> 00:34:44,250

late summer of last year it is clear

789

00:34:48,200 --> 00:34:46,020

while technical studies of the craft

790

00:34:49,909 --> 00:34:48,210

continue over years they are based on

791

00:34:51,889 --> 00:34:49,919

misplaced efforts and wasted

792

00:34:53,899 --> 00:34:51,899

expenditures and these efforts and

793

00:34:56,419 --> 00:34:53,909

expenditures are being exploited for

794

00:34:58,579 --> 00:34:56,429

profit in a major way by these engaged

795

00:35:00,770 --> 00:34:58,589

contractors they continue to string

796

00:35:02,630 --> 00:35:00,780

along their black budget pay masters

797

00:35:04,910 --> 00:35:02,640

with progress reports on a project for

798

00:35:07,010 --> 00:35:04,920

which by its very nature progress can

799

00:35:08,990 --> 00:35:07,020

never be made highly secret highly

800

00:35:10,910 --> 00:35:09,000

entrenched and artful and obfuscation

801
00:35:13,010 --> 00:35:10,920
these defense contractors have been

802
00:35:16,130 --> 00:35:13,020
taking the US government and taxpayers

803
00:35:18,260 --> 00:35:16,140
for a ride about Roswell for money for

804
00:35:20,359 --> 00:35:18,270
years and I couldn't agree with that

805
00:35:23,359 --> 00:35:20,369
more I think it's just the same kind of

806
00:35:26,230 --> 00:35:23,369
thing with our ruling class is made up

807
00:35:32,780 --> 00:35:26,240
by nothing but a bunch of incompetent

808
00:35:35,180 --> 00:35:32,790
lazy stupid money stealing lowlifes

809
00:35:38,930 --> 00:35:35,190
that's that's what we're saddled with

810
00:35:40,940 --> 00:35:38,940
and that is the very hard truth and even

811
00:35:42,980 --> 00:35:40,950
when the chips are and it's something I

812
00:35:45,410 --> 00:35:42,990
can accept when the the world is moving

813
00:35:46,970 --> 00:35:45,420

along sort of normally okay all they

814

00:35:49,309 --> 00:35:46,980

care about is their funding all they

815

00:35:51,170 --> 00:35:49,319

care about is their status and they

816

00:35:52,730 --> 00:35:51,180

don't really accomplish anything okay

817

00:35:54,770 --> 00:35:52,740

that's fine and now you can sort of live

818

00:35:56,390 --> 00:35:54,780

with that but again when the chips are

819

00:35:58,910 --> 00:35:56,400

down when you really need them to come

820

00:36:02,390 --> 00:35:58,920

through and lead and do things the right

821

00:36:05,300 --> 00:36:02,400

way you can't so again this is something

822

00:36:08,329 --> 00:36:05,310

that I've said before along with some of

823

00:36:12,059 --> 00:36:10,589

subjects that we've touched on it's not

824

00:36:15,209 --> 00:36:12,069

something I really wanted to get into

825

00:36:17,249 --> 00:36:15,219

but the circumstances in the world are

826

00:36:19,170 --> 00:36:17,259

such that you really can't ignore it and

827

00:36:21,120 --> 00:36:19,180

was able to provide some information

828

00:36:23,339 --> 00:36:21,130

here that you're not going to see in the

829

00:36:25,229 --> 00:36:23,349

mainstream media because yeah they do

830

00:36:28,499 --> 00:36:25,239

have an agenda there's no question about

831

00:36:32,309 --> 00:36:28,509

that in my mind again I think at their

832

00:36:34,049 --> 00:36:32,319

core that all this is planned that some

833

00:36:35,549 --> 00:36:34,059

conspiracy theorists are putting out

834

00:36:37,019 --> 00:36:35,559

there no I don't agree with that I don't

835

00:36:38,670 --> 00:36:37,029

think it's plain at all I think what

836

00:36:42,269 --> 00:36:38,680

you're really seeing is just how

837

00:36:44,099 --> 00:36:42,279

incompetent and just how horrible the

838

00:36:45,839 --> 00:36:44,109

people who run our country really are

839

00:36:47,819 --> 00:36:45,849

that's what we're seeing so all right

840

00:36:50,609 --> 00:36:47,829

that that's about all I've got time for

841

00:36:52,890 --> 00:36:50,619

for you today will obviously be back in

842

00:36:55,049 --> 00:36:52,900

touch as soon as something comes up it

843

00:36:57,779 --> 00:36:55,059

might be a feature related interview or

844

00:36:59,699 --> 00:36:57,789

a panel or maybe it'll be another show

845

00:37:01,319 --> 00:36:59,709

like this who knows we'll play it by

846

00:37:03,359 --> 00:37:01,329

year but when we've got something we'll

847

00:37:05,579 --> 00:37:03,369

get it to you as fast as possible thanks

848

00:37:08,039 --> 00:37:05,589

for listening in enjoy the rest of your
